1
00:00:11,060 --> 00:00:08,360
I tell you what let's switch gears for a

2
00:00:11,629 --> 00:00:11,070
minute and I want to talk about uri

3
00:00:12,970 --> 00:00:11,639
geller

4
00:00:15,620 --> 00:00:12,980
because that's could be another

5
00:00:18,410 --> 00:00:15,630
touchstone that i think people can you

6
00:00:20,120 --> 00:00:18,420
know glom onto and there's some really

7
00:00:24,460 --> 00:00:20,130
interesting connections there too

8
00:00:28,670 --> 00:00:24,470
one is that uri geller of course is the

9
00:00:32,840 --> 00:00:28,680
very famous Israeli born psychic /

10
00:00:35,630 --> 00:00:32,850
entertainer / Mentalist who a lot of

11
00:00:40,010 --> 00:00:35,640
people will know or think oh yeah he's

12
00:00:41,869 --> 00:00:40,020
the guy who was debunked on Johnny

13
00:00:43,610 --> 00:00:41,879

Carson and I got a picture there on the

14

00:00:45,740 --> 00:00:43,620
screen of oh you know he was debunked

15

00:00:47,450 --> 00:00:45,750
and stuff like that and then that gets

16

00:00:50,110 --> 00:00:47,460
into the whole skeptical thing and stuff

17

00:00:52,520 --> 00:00:50,120
like that but there's a much much deeper

18

00:00:55,459 --> 00:00:52,530
story we actually explored this on

19

00:00:59,090 --> 00:00:55,469
skeptic oh but not too long ago I had an

20

00:01:01,729 --> 00:00:59,100
interview with Jacque fillet and lo and

21

00:01:06,580 --> 00:01:01,739
behold Jack Valais tells this amazing

22

00:01:09,679 --> 00:01:06,590
story of being a sr I lunch table and

23

00:01:12,380 --> 00:01:09,689
URI says hey Jacque I want to do an

24

00:01:15,200 --> 00:01:12,390
experiment with you and they do this a

25

00:01:18,679 --> 00:01:15,210
lot but the experiment right there that

26

00:01:21,050 --> 00:01:18,689

valet says is like completely proof

27

00:01:23,929 --> 00:01:21,060

positive that there's something real

28

00:01:28,090 --> 00:01:23,939

going on but beyond that there's all

29

00:01:31,190 --> 00:01:28,100

these other cases where people have said

30

00:01:33,109 --> 00:01:31,200

uri geller was for real uri geller of

31

00:01:35,840 --> 00:01:33,119

course he was at Stanford Research

32

00:01:37,880 --> 00:01:35,850

Institute and he was tested under the

33

00:01:40,810 --> 00:01:37,890

tightest conditions it doesn't take much

34

00:01:43,940 --> 00:01:40,820

to test whether someone can you know

35

00:01:45,920 --> 00:01:43,950

draw a picture that's inside of a manila

36

00:01:49,130 --> 00:01:45,930

envelope I mean they're the controls

37

00:01:52,219 --> 00:01:49,140

there are like high school level

38

00:01:55,580 --> 00:01:52,229

controls and you got some pretty smart

39

00:01:57,170 --> 00:01:55,590

smart top-notch people at SSRI so I say

40

00:02:00,020 --> 00:01:57,180

all that as a background so if people

41

00:02:02,420 --> 00:02:00,030

don't know your regular or just have

42

00:02:04,580 --> 00:02:02,430

this basic understanding of Uri Geller

43

00:02:07,580 --> 00:02:04,590

was a show magician or is a show

44

00:02:10,190 --> 00:02:07,590

magician a show Mentalist it's much much

45

00:02:12,650 --> 00:02:10,200

deeper than that and then there's also

46

00:02:13,880 --> 00:02:12,660

the whole deep state angle because once

47

00:02:16,430 --> 00:02:13,890

someone is known to have

48

00:02:18,170 --> 00:02:16,440

those powers a lot other people are

49

00:02:21,650 --> 00:02:18,180

going to be interested in him too and of

50

00:02:26,210 --> 00:02:21,660

course those people include the CIA they

51
00:02:28,880 --> 00:02:26,220
include Mossad Israeli intelligence so

52
00:02:32,330 --> 00:02:28,890
there's that whole thing but we're

53
00:02:36,740 --> 00:02:32,340
talking about andreev who Harwich and lo

54
00:02:40,460 --> 00:02:36,750
and behold he's the guy who brings hurry

55
00:02:42,440 --> 00:02:40,470
Geller to the US how does that well how

56
00:02:46,880 --> 00:02:42,450
does that happen I mean what's the whole

57
00:02:51,650 --> 00:02:46,890
the whole story there it's quite

58
00:02:55,790 --> 00:02:51,660
fascinating he as he said hurry is from

59
00:02:57,680 --> 00:02:55,800
Israel and you know we did a pretty

60
00:03:00,830 --> 00:02:57,690
extraordinary interview with with Ori

61
00:03:03,530 --> 00:03:00,840
for this film he's a really really

62
00:03:05,960 --> 00:03:03,540
remarkable well I no matter what you

63
00:03:09,040 --> 00:03:05,970

think about him but you know the story

64

00:03:13,240 --> 00:03:09,050

goes is I think it was around 1970 and

65

00:03:16,220 --> 00:03:13,250

you know goo hara CH was as as we've

66

00:03:19,220 --> 00:03:16,230

seen and as we've heard and as i've

67

00:03:22,880 --> 00:03:19,230

found to be accurate as was doing some

68

00:03:23,990 --> 00:03:22,890

contracting work for the CIA and you

69

00:03:26,330 --> 00:03:24,000

know at that time they were very

70

00:03:30,259 --> 00:03:26,340

interested in you know the paranormal

71

00:03:32,720 --> 00:03:30,269

stuff ESP even you know using magicians

72

00:03:35,300 --> 00:03:32,730

you know it's to trick people into

73

00:03:39,500 --> 00:03:35,310

things and and the story goes you know

74

00:03:42,380 --> 00:03:39,510

Guha rich was sent over to israel by the

75

00:03:44,240 --> 00:03:42,390

CIA because somebody there had heard

76

00:03:47,150 --> 00:03:44,250

about this guy Geller they said you know

77

00:03:49,250 --> 00:03:47,160

we've been to some shows he's this sort

78

00:03:52,940 --> 00:03:49,260

of illusionist he allegedly does he's

79

00:03:55,100 --> 00:03:52,950

pretty tricks he can read minds he can

80

00:03:56,960 --> 00:03:55,110

you know bend and these spoons he can do

81

00:03:59,150 --> 00:03:56,970

all these sorts of things and people

82

00:04:01,340 --> 00:03:59,160

there are pretty convinced that this is

83

00:04:03,520 --> 00:04:01,350

this is real and they said you know the

84

00:04:06,500 --> 00:04:03,530

toku Harwich go check this guy out and

85

00:04:11,270 --> 00:04:06,510

so he did he went over there he went to

86

00:04:13,340 --> 00:04:11,280

one together shows and you know this is

87

00:04:16,039 --> 00:04:13,350

where it gets a little strange because

88

00:04:17,599 --> 00:04:16,049

you know we don't know what who harch

89

00:04:20,569 --> 00:04:17,609

what kind of mine said he was in at the

90

00:04:24,320 --> 00:04:20,579

time what his real intentions were but

91

00:04:26,450 --> 00:04:24,330

whoreish was convinced as he writes in

92

00:04:27,260 --> 00:04:26,460

his book and as he's you know says over

93

00:04:29,749 --> 00:04:27,270

and over again

94

00:04:33,320 --> 00:04:29,759

that II thought Gellar was the real deal

95

00:04:35,899 --> 00:04:33,330

I mean he took him to a test facility

96

00:04:38,210 --> 00:04:35,909

after one of these shows these magicians

97

00:04:40,399 --> 00:04:38,220

shows that Geller did and you know they

98

00:04:41,749 --> 00:04:40,409

set up a little lab and did all these

99

00:04:44,029 --> 00:04:41,759

tests with them which there's some

100

00:04:47,930 --> 00:04:44,039

footage of and you know doing things

101
00:04:49,820 --> 00:04:47,940
like moving the hands of the clock stuff

102
00:04:53,450 --> 00:04:49,830
like that these little mini experiments

103
00:04:56,600 --> 00:04:53,460
that Buhari sort of documented and let

104
00:04:58,820 --> 00:04:56,610
me check because if you look at all

105
00:05:00,950 --> 00:04:58,830
you'll see that there's dozens of people

106
00:05:02,420 --> 00:05:00,960
who had the exact same experience they

107
00:05:04,070 --> 00:05:02,430
met the guy they had a little bit of a

108
00:05:06,529 --> 00:05:04,080
scientific background they said okay

109
00:05:07,850 --> 00:05:06,539
test it he'd go okay he put his hand

110
00:05:10,189 --> 00:05:07,860
over your watch and your watch would

111
00:05:12,830 --> 00:05:10,199
stop or you know you could take out your

112
00:05:14,659 --> 00:05:12,840
keys forget the spoons take out your key

113
00:05:16,279 --> 00:05:14,669

your keys and you'd hold them and bend

114

00:05:18,860 --> 00:05:16,289

them so I mean I don't think it'd take

115

00:05:21,189 --> 00:05:18,870

too many of those examples right in

116

00:05:23,839 --> 00:05:21,199

front of your eyes where you'd say

117

00:05:26,029 --> 00:05:23,849

something's going on here that I need to

118

00:05:27,320 --> 00:05:26,039

look into a little bit further so

119

00:05:30,379 --> 00:05:27,330

there's a lot of people that had the

120

00:05:32,860 --> 00:05:30,389

same experience right yeah yeah and I

121

00:05:36,740 --> 00:05:32,870

think you know something I always find

122

00:05:37,219 --> 00:05:36,750

really fascinating about this whole

123

00:05:44,629 --> 00:05:37,229

Geller

124

00:05:49,129 --> 00:05:46,309

you know we've got to look at blue harge

125

00:05:51,439 --> 00:05:49,139

as a guy who I mean this guy he clearly

126

00:05:53,870 --> 00:05:51,449

was a very bright individual you know

127

00:05:56,269 --> 00:05:53,880

and a lot of people they often say you

128

00:05:57,860 --> 00:05:56,279

know well Geller was tricking people it

129

00:05:59,899 --> 00:05:57,870

was a sleight of hand thing but you know

130

00:06:03,469 --> 00:05:59,909

it to me it always seemed like Puharich

131

00:06:05,779 --> 00:06:03,479

wasn't the kind of guy who would fall

132

00:06:08,330 --> 00:06:05,789

for it for something like that you know

133

00:06:10,640 --> 00:06:08,340

what I'm saying and I feel like it's too

134

00:06:12,920 --> 00:06:10,650

too easy to just say oh you know he was

135

00:06:15,620 --> 00:06:12,930

tricked and it's ridiculous really yes

136

00:06:19,339 --> 00:06:15,630

so I always looked at it as porridge you

137

00:06:21,140 --> 00:06:19,349

know he didn't seem like the type of guy

138

00:06:23,180 --> 00:06:21,150

who would fall for this kind of stuff so

139

00:06:25,370 --> 00:06:23,190

that's where it gets really juicy so

140

00:06:27,379 --> 00:06:25,380

because we're saying you know what

141

00:06:29,029 --> 00:06:27,389

really happened that got this guy who's

142

00:06:30,830 --> 00:06:29,039

you know a medical doctor whatever you

143

00:06:32,390 --> 00:06:30,840

want to say about him you know he

144

00:06:35,469 --> 00:06:32,400

wouldn't just fall for this stuff so

145

00:06:37,760 --> 00:06:35,479

that's where it gets really juicy but

146

00:06:39,800 --> 00:06:37,770

you know what happened basically was he

147

00:06:40,640 --> 00:06:39,810

was convinced that Geller could do these

148

00:06:44,300 --> 00:06:40,650

things and so

149

00:06:48,560 --> 00:06:44,310

he you know set up a research program he

150

00:06:51,439 --> 00:06:48,570

set up a research program through his

151
00:06:54,590 --> 00:06:51,449
friend Edgar Mitchell I'm sure you know

152
00:06:56,330 --> 00:06:54,600
a lot of people know about who listened

153
00:06:58,460 --> 00:06:56,340
to the show but you know the part is

154
00:07:00,409 --> 00:06:58,470
working closely with Edgar Mitchell at

155
00:07:03,590 --> 00:07:00,419
the time and they Mitchell was able to

156
00:07:04,969 --> 00:07:03,600
get some funding to set up this research

157
00:07:06,499 --> 00:07:04,979
program with Geller

158
00:07:09,230 --> 00:07:06,509
so Geller came to the states with

159
00:07:12,189 --> 00:07:09,240
Puharich they set him up at first it

160
00:07:15,170 --> 00:07:12,199
wasn't s RI they went and did a couple

161
00:07:17,240 --> 00:07:15,180
quick tours to some universities and

162
00:07:18,980 --> 00:07:17,250
then they got set up at s RI and you

163
00:07:21,379 --> 00:07:18,990

know the whole story was put off and

164

00:07:25,550 --> 00:07:21,389

Targ and they started to do these

165

00:07:27,350 --> 00:07:25,560

experiments with Geller and that's you

166

00:07:29,120 --> 00:07:27,360

know where this whole this whole crazy

167

00:07:31,159 --> 00:07:29,130

thing with them happens you know they've

168

00:07:33,409 --> 00:07:31,169

got that footage the documentation of

169

00:07:38,930 --> 00:07:33,419

their the stuff Geller was doing with

170

00:07:40,430 --> 00:07:38,940

them and you know it's it's once again

171

00:07:42,620 --> 00:07:40,440

you know I keep saying it but a lot of

172

00:07:44,300 --> 00:07:42,630

this stuff it gets murky you know

173

00:07:45,860 --> 00:07:44,310

there's this what I found doing this

174

00:07:48,170 --> 00:07:45,870

this project is there sort of the

175

00:07:51,279 --> 00:07:48,180

surface level story that you know

176

00:07:53,719 --> 00:07:51,289

anybody can google and you can read and

177

00:07:55,850 --> 00:07:53,729

then you know there's a lot of stuff

178

00:07:57,740 --> 00:07:55,860

that you start to hear I mean especially

179

00:08:00,050 --> 00:07:57,750

for me when I start interviewing people

180

00:08:01,730 --> 00:08:00,060

and talking to different people below

181

00:08:03,680 --> 00:08:01,740

the surface you know people who were

182

00:08:06,020 --> 00:08:03,690

there who you might not have heard of or

183

00:08:07,640 --> 00:08:06,030

read about online and that's when these

184

00:08:10,010 --> 00:08:07,650

stories start to come out where you

185

00:08:11,390 --> 00:08:10,020

really start to question what was what

186

00:08:13,700 --> 00:08:11,400

was really going on here what were the

187

00:08:14,960 --> 00:08:13,710

intentions here tell us what you tell us

188

00:08:19,640 --> 00:08:14,970

more what you're thinking when you say

189

00:08:21,890 --> 00:08:19,650

that Greg well I think for people who

190

00:08:23,390 --> 00:08:21,900

don't know Andrei actually wrote a book

191

00:08:28,730 --> 00:08:23,400

I see you have the picture up there

192

00:08:30,379 --> 00:08:28,740

called Erie and you know it's a very

193

00:08:32,899 --> 00:08:30,389

strange book I don't know who if

194

00:08:36,409 --> 00:08:32,909

anyone's read it I suggest we reading it

195

00:08:37,640 --> 00:08:36,419

just whether you're interested in this

196

00:08:40,399 --> 00:08:37,650

stuff or Knox it's quite an

197

00:08:42,409 --> 00:08:40,409

extraordinary book but in the early 70s

198

00:08:44,780 --> 00:08:42,419

you know while this sort of SSRI stuff

199

00:08:47,060 --> 00:08:44,790

was going on Puharich he wrote this book

200

00:08:50,030 --> 00:08:47,070

on Erie and

201
00:08:52,130 --> 00:08:50,040
you know he puts out this message in the

202
00:08:55,190 --> 00:08:52,140
book basically and this is you know we

203
00:08:57,020 --> 00:08:55,200
can get into the nine after this if

204
00:08:58,910 --> 00:08:57,030
you'd like but basically a Pugh heart

205
00:09:01,760 --> 00:08:58,920
wrote this book in the point in that and

206
00:09:05,600 --> 00:09:01,770
the the book puts out this message that

207
00:09:07,700 --> 00:09:05,610
Geller is able to do the things that he

208
00:09:10,160 --> 00:09:07,710
does because he's getting some sort of

209
00:09:13,190 --> 00:09:10,170
power from extraterrestrials

210
00:09:15,530 --> 00:09:13,200
and the book is just so far out it's

211
00:09:18,590 --> 00:09:15,540
it's like you're reading a an amazing

212
00:09:21,410 --> 00:09:18,600
sign sergeant this is what Geller has

213
00:09:24,110 --> 00:09:21,420

said right yeah so this is the crazy

214

00:09:26,270 --> 00:09:24,120

thing again that you know on this show

215

00:09:28,070 --> 00:09:26,280

skeptic oh I mean you say you've

216

00:09:29,540 --> 00:09:28,080

listened for a while I mean I started

217

00:09:31,730 --> 00:09:29,550

out really on a pretty straightforward

218

00:09:33,170 --> 00:09:31,740

path of looking at this consciousness

219

00:09:36,110 --> 00:09:33,180

stuff and I'm telling you no matter

220

00:09:37,850 --> 00:09:36,120

where you start you wind up with all

221

00:09:40,730 --> 00:09:37,860

this weirdness that's just unavoidable

222

00:09:43,490 --> 00:09:40,740

so you know try and take our story right

223

00:09:46,640 --> 00:09:43,500

now and try and take Puharich and try

224

00:09:48,980 --> 00:09:46,650

and stay between the little white lines

225

00:09:50,600 --> 00:09:48,990

it's impossible to do you know you're

226

00:09:53,540 --> 00:09:50,610

gonna wind up talking about all this

227

00:09:55,580 --> 00:09:53,550

wacky stuff and and so we're gonna talk

228

00:09:59,810 --> 00:09:55,590

in a minute about I want to stay finish

229

00:10:02,710 --> 00:09:59,820

talking about early Geller and about his

230

00:10:04,850 --> 00:10:02,720

work at s RI and this again straight-up

231

00:10:07,790 --> 00:10:04,860

parapsychology work that's being done

232

00:10:09,950 --> 00:10:07,800

this is the basis of parapsychology and

233

00:10:11,390 --> 00:10:09,960

really the foundation of it is this work

234

00:10:13,790 --> 00:10:11,400

that's done at Stanford Research

235

00:10:16,880 --> 00:10:13,800

Institute but in a minute we're gonna

236

00:10:18,980 --> 00:10:16,890

say screw all that it's just such piddly

237

00:10:20,330 --> 00:10:18,990

crap compared to where these guys are

238

00:10:22,730 --> 00:10:20,340

going because you have somebody look

239

00:10:24,380 --> 00:10:22,740

irregular and he's saying right you know

240

00:10:27,440 --> 00:10:24,390

you think it's cool that I can bend

241

00:10:31,460 --> 00:10:27,450

these spoons and Wow but let me tell you

242

00:10:34,250 --> 00:10:31,470

it's really all about the aliens and the

243

00:10:36,050 --> 00:10:34,260

ETS and the other connection so thanks

244

00:10:38,600 --> 00:10:36,060

for watching this video if it wasn't

245

00:10:40,370 --> 00:10:38,610

really a video but just an audio stored

246

00:10:42,620 --> 00:10:40,380

as a video well I apologize but there's

247

00:10:44,540 --> 00:10:42,630

more videos out there as well but please

248

00:10:46,190 --> 00:10:44,550
