

Meryl Klemow
Beau Hufford
Skeptiko #375

1
00:00:25,850 --> 00:00:09,620
nothing may ever be the same around here

2
00:00:29,300 --> 00:00:25,860
at skeptic oh okay that's Meryl and Bo

3
00:00:31,430 --> 00:00:29,310
from the campfire [h__\h] show and you'll

4
00:00:33,319 --> 00:00:31,440
hear a lot more about them you'll come

5
00:00:36,670 --> 00:00:33,329
and understand what that show is all

6
00:00:41,060 --> 00:00:36,680
about and maybe even why I decided to do

7
00:00:43,340 --> 00:00:41,070
kind of a wacky show on conspiracies I

8
00:00:46,610 --> 00:00:43,350
think it came out great I think these

9
00:00:50,600 --> 00:00:46,620
people are extremely talented and are on

10
00:00:52,280 --> 00:00:50,610
the edge of where podcasting is really

11
00:00:55,130 --> 00:00:52,290
going they do such a great job and it

12
00:00:57,350 --> 00:00:55,140
was so fun having them here in the

13
00:00:59,180 --> 00:00:57,360

studio for a little while to talk with

14

00:01:01,700 --> 00:00:59,190

me really doesn't require a lot of

15

00:01:05,509 --> 00:01:01,710

introduction let's get right on to the

16

00:01:08,389 --> 00:01:05,519

show today I have a special if you will

17

00:01:12,109 --> 00:01:08,399

episode of skeptic Oh special for me at

18

00:01:15,590 --> 00:01:12,119

least because Marilyn bow from the

19

00:01:19,129 --> 00:01:15,600

campfire [h__\h] show podcast are actually

20

00:01:23,059 --> 00:01:19,139

joining me in my little home studio so

21

00:01:25,609 --> 00:01:23,069

you guys welcome thanks so much for

22

00:01:27,440 --> 00:01:25,619

being here thank you so excited to be

23

00:01:29,989 --> 00:01:27,450

here we are trapped in a dungeon if

24

00:01:32,480 --> 00:01:29,999

anyone's wondering if they don't if you

25

00:01:33,859 --> 00:01:32,490

never hear from Marilyn Bowie you just

26

00:01:36,019 --> 00:01:33,869

leave us here it's really nice so I'll

27

00:01:38,120 --> 00:01:36,029

just stay in serve me food like once a

28

00:01:40,699 --> 00:01:38,130

week or something we're fine well things

29

00:01:42,319 --> 00:01:40,709

were really happy to be here so it's

30

00:01:45,919 --> 00:01:42,329

great to have you here is so Merrill I

31

00:01:49,819 --> 00:01:45,929

met you online because I have this wacky

32

00:01:53,239 --> 00:01:49,829

idea of doing this conspiracy show kind

33

00:01:55,190 --> 00:01:53,249

of thing and it's a new project and I

34

00:01:57,199 --> 00:01:55,200

ran across you and it just was so fun

35

00:02:00,169 --> 00:01:57,209

because you are such a cool person and

36

00:02:02,599 --> 00:02:00,179

you're into conspiracies like I am which

37

00:02:04,879 --> 00:02:02,609

was cool and then you introduce me to

38

00:02:07,159 --> 00:02:04,889

this awesome Cod cast that you do with

39

00:02:10,070 --> 00:02:07,169

Poe here and you guys have such a great

40

00:02:12,260 --> 00:02:10,080

dynamic and I really enjoyed it and I

41

00:02:15,290 --> 00:02:12,270

thought you know this might be fun to

42

00:02:18,320 --> 00:02:15,300

talk about both from the conspiratorial

43

00:02:20,630 --> 00:02:18,330

angle which we both are interested

44

00:02:22,550 --> 00:02:20,640

I'm interested in and I'm always trying

45

00:02:26,390 --> 00:02:22,560

to pull skeptical listeners in because I

46

00:02:28,040 --> 00:02:26,400

say this is essentially it what's one

47

00:02:31,070 --> 00:02:28,050

more another it's the heart of what

48

00:02:33,020 --> 00:02:31,080

skeptical is about because we run into

49

00:02:35,810 --> 00:02:33,030

these conspiracies whether we want to or

50

00:02:38,890 --> 00:02:35,820

not and I've certainly run into them

51
00:02:42,710 --> 00:02:38,900
just trying to follow the trail of

52
00:02:44,630 --> 00:02:42,720
consciousness science so with that I

53
00:02:47,330 --> 00:02:44,640
thought I'd turn it over to you guys to

54
00:02:49,880 --> 00:02:47,340
do a little bit of introduction tell us

55
00:02:57,380 --> 00:02:49,890
more about yourself tell folks about the

56
00:03:00,440 --> 00:02:57,390
campfire shitshow yeah I'm Merrill I'm

57
00:03:03,140 --> 00:03:00,450
one half of campfire shitshow and I

58
00:03:09,350 --> 00:03:03,150
worked for eleven years in the music

59
00:03:11,720 --> 00:03:09,360
industry nice neck that wasn't on screen

60
00:03:14,840 --> 00:03:11,730
see they're only seeing oh yeah exactly

61
00:03:17,000 --> 00:03:14,850
okay yeah and I just say nice neck Alex

62
00:03:19,270 --> 00:03:17,010
I have like a sickness or I just couple

63
00:03:22,780 --> 00:03:19,280

my people of their body parts and I

64

00:03:25,070 --> 00:03:22,790

would say I got into the kind of

65

00:03:27,620 --> 00:03:25,080

conspiratorial realm or you know

66

00:03:29,810 --> 00:03:27,630

whatever realm a few years ago I

67

00:03:31,430 --> 00:03:29,820

actually had a weird thing that we can

68

00:03:35,600 --> 00:03:31,440

talk about but I was doing a lot of yoga

69

00:03:37,130 --> 00:03:35,610

and kind of like healing practices and I

70

00:03:39,979 --> 00:03:37,140

almost want to say that I had some type

71

00:03:42,830 --> 00:03:39,989

of like weird soul breakdown it's really

72

00:03:43,970 --> 00:03:42,840

really weird but well screw it over that

73

00:03:47,180 --> 00:03:43,980

now and maybe get into a little bit

74

00:03:49,070 --> 00:03:47,190

later but it kind of it opened I was

75

00:03:51,530 --> 00:03:49,080

like a mix with a little bit of like a

76
00:03:53,720 --> 00:03:51,540
nervous breakdown mixed with I would say

77
00:03:55,940 --> 00:03:53,730
like kind of a soul awakening and maybe

78
00:03:58,640 --> 00:03:55,950
some type of opening and once I kind of

79
00:04:01,070 --> 00:03:58,650
recovered from being able to like

80
00:04:03,800 --> 00:04:01,080
function a few months later I started

81
00:04:06,800 --> 00:04:03,810
we've just lost about half of our

82
00:04:09,590 --> 00:04:06,810
audience there amaryl so keep going with

83
00:04:12,290 --> 00:04:09,600
whoever's still remaining nice are you

84
00:04:14,780 --> 00:04:12,300
pouring you're supposed to be the

85
00:04:20,870 --> 00:04:14,790
comedian anyway but no that's all real

86
00:04:22,460 --> 00:04:20,880
stop please no continue but who knows

87
00:04:23,990 --> 00:04:22,470
according to this podcast she may be

88
00:04:25,730 --> 00:04:24,000

listening from somewhere my favorite

89

00:04:27,080 --> 00:04:25,740

part of this so far is that he asked

90

00:04:28,610 --> 00:04:27,090

like tell us about the campfire [h__h]

91

00:04:30,310 --> 00:04:28,620

show and you go well the reason that I'm

92

00:04:35,510 --> 00:04:30,320

a skeptic is yeah yeah

93

00:04:37,160 --> 00:04:35,520

is I do some comedy writing I do some

94

00:04:38,630 --> 00:04:37,170

copywriting all that kind of stuff I'm

95

00:04:41,060 --> 00:04:38,640

very involved the music industry and

96

00:04:44,270 --> 00:04:41,070

events and we have our podcast but the

97

00:04:47,270 --> 00:04:44,280

more exciting part is I am a huge the

98

00:04:50,450 --> 00:04:47,280

seeker of truth and information so oh

99

00:04:53,270 --> 00:04:50,460

you're not buying the seeker thing oh my

100

00:04:55,670 --> 00:04:53,280

gosh marilyn is all full of [h__h] right

101
00:05:00,770 --> 00:04:59,150
no no Mara believes all everything that

102
00:05:02,720 --> 00:05:00,780
she says she doesn't make stuff up at

103
00:05:06,490 --> 00:05:02,730
all I just that's where her and I sort

104
00:05:08,390 --> 00:05:06,500
of like I guess disagree in many ways

105
00:05:09,710 --> 00:05:08,400
you know how campfires should show up

106
00:05:12,530 --> 00:05:09,720
even got started we worked on a TV show

107
00:05:14,030 --> 00:05:12,540
together so a writing comedy and short

108
00:05:15,530 --> 00:05:14,040
films and things like that and then that

109
00:05:17,540 --> 00:05:15,540
turned into I realized she was doing a

110
00:05:19,130 --> 00:05:17,550
podcast I wanted to do a podcast and

111
00:05:20,780 --> 00:05:19,140
they're like let's do something together

112
00:05:22,850 --> 00:05:20,790
but what would it be and I was like well

113
00:05:25,520 --> 00:05:22,860

let's just talk let's talk and I know

114

00:05:27,350 --> 00:05:25,530

that seems very like boring like oh

115

00:05:29,570 --> 00:05:27,360

what's your show about just do people

116

00:05:31,430 --> 00:05:29,580

talking you know it's like but honestly

117

00:05:33,620 --> 00:05:31,440

we get together and we have all types of

118

00:05:37,580 --> 00:05:33,630

topics and through those topics whether

119

00:05:39,890 --> 00:05:37,590

it be you know honestly Meryl [h__h] in

120

00:05:42,290 --> 00:05:39,900

your pants and a Whole Foods or me

121

00:05:44,000 --> 00:05:42,300

getting cheated on and then me catching

122

00:05:46,370 --> 00:05:44,010

them in the act and telling that story

123

00:05:48,350 --> 00:05:46,380

it all happened last week this is just a

124

00:05:50,930 --> 00:05:48,360

normal that's just what week guys yeah

125

00:05:52,460 --> 00:05:50,940

what in the process of that she's always

126

00:05:54,020 --> 00:05:52,470

like well that's you know there are

127

00:05:56,120 --> 00:05:54,030

others lizard people and I was like wait

128

00:05:57,500 --> 00:05:56,130

what are you talking about or don't

129

00:06:00,650 --> 00:05:57,510

let's talk about pizza gate and I'm like

130

00:06:03,950 --> 00:06:00,660

oh you're such a mess in so many ways

131

00:06:05,930 --> 00:06:03,960

and so I am very skeptical and when she

132

00:06:07,460 --> 00:06:05,940

told me about this I'm like all nine I

133

00:06:09,050 --> 00:06:07,470

got to see these crazy people I'm like

134

00:06:10,490 --> 00:06:09,060

we're going to this guy's house I met

135

00:06:13,940 --> 00:06:10,500

him on Craigslist yeah I was like oh

136

00:06:18,880 --> 00:06:13,950

this is danger all around let's do it

137

00:06:21,440 --> 00:06:18,890

that's the campfire [h__h] show spirit

138

00:06:22,610 --> 00:06:21,450

that's what we brought you know for

139

00:06:24,170 --> 00:06:22,620

people who are just joking around we

140

00:06:26,120 --> 00:06:24,180

brought a little bit of the [h__h] show to

141

00:06:29,530 --> 00:06:26,130

skeptic coke because I am certainly not

142

00:06:32,090 --> 00:06:29,540

above [h__h] showing it I'm all about that

143

00:06:35,720 --> 00:06:32,100

you know in one of the things I thought

144

00:06:38,600 --> 00:06:35,730

was really cool about you guys and what

145

00:06:40,310 --> 00:06:38,610

you do and being on the scene in San

146

00:06:41,720 --> 00:06:40,320

Diego in terms of the comedy scene the

147

00:06:43,500 --> 00:06:41,730

TV scene trying to make all that stuff

148

00:06:48,420 --> 00:06:43,510

happen which is

149

00:06:50,130 --> 00:06:48,430

crazy anyone but no but you know one

150

00:06:51,780 --> 00:06:50,140

place we might start to kind of jump

151
00:06:54,380 --> 00:06:51,790
into this thing which Merrill and I

152
00:06:58,680 --> 00:06:54,390
talked a little bit about is this

153
00:07:02,670 --> 00:06:58,690
connection between comedy and conspiracy

154
00:07:04,920 --> 00:07:02,680
so you know it's so I had a couple

155
00:07:07,980 --> 00:07:04,930
examples I mean you listen to Dave

156
00:07:10,260 --> 00:07:07,990
Chappelle on Netflix right and he's

157
00:07:13,710 --> 00:07:10,270
dropping the conspiracy bonds you know

158
00:07:16,200 --> 00:07:13,720
hey man you know what if the sexual

159
00:07:18,390 --> 00:07:16,210
thing in Hollywood what if that's not

160
00:07:20,820 --> 00:07:18,400
the whole thing he says and what if you

161
00:07:23,130 --> 00:07:20,830
know the reason I went to good run away

162
00:07:25,050 --> 00:07:23,140
for all those years nobody really knows

163
00:07:26,700 --> 00:07:25,060

and then yeah

164

00:07:28,620 --> 00:07:26,710

bill Burke I don't know if you guys know

165

00:07:30,360 --> 00:07:28,630

Bill burr I mean bill burr is like way

166

00:07:32,760 --> 00:07:30,370

out there I mean he's just directly

167

00:07:36,510 --> 00:07:32,770

talking about the conspiracy stuff and

168

00:07:38,550 --> 00:07:36,520

then of course Joe Rogan with the most

169

00:07:39,660 --> 00:07:38,560

who was I guess a comedian I don't

170

00:07:44,820 --> 00:07:39,670

really know if he's a community anymore

171

00:07:47,340 --> 00:07:44,830

and everything he's yucking it up with

172

00:07:48,570 --> 00:07:47,350

Alex Jones and yeah although he's

173

00:07:50,400 --> 00:07:48,580

turning around and stabbing him in the

174

00:07:54,600 --> 00:07:50,410

back afterwards but who cares he's still

175

00:07:56,700 --> 00:07:54,610

you know talking about conspiracy out of

176

00:07:58,950 --> 00:07:56,710

in a very serious way and then at the

177

00:08:02,130 --> 00:07:58,960

same time poking fun of it and then you

178

00:08:03,540 --> 00:08:02,140

have you have conspiracy culture you

179

00:08:04,920 --> 00:08:03,550

know you look at that you go oh wow

180

00:08:07,140 --> 00:08:04,930

where'd you dig up that that's some

181

00:08:08,670 --> 00:08:07,150

crazy Illuminati picture

182

00:08:11,280 --> 00:08:08,680

well look at the bag down over here in

183

00:08:14,700 --> 00:08:11,290

the corner it's Taco Bell that's a Taco

184

00:08:18,080 --> 00:08:14,710

Bell ad and anyone who's seen those IDI

185

00:08:20,850 --> 00:08:18,090

you don't know whether they're totally

186

00:08:23,970 --> 00:08:20,860

making fun of the whole conspiracy thing

187

00:08:26,700 --> 00:08:23,980

right if they're trying to embrace it in

188

00:08:31,230 --> 00:08:26,710

some way so I think there's a lot to

189

00:08:34,500 --> 00:08:31,240

talk about both in terms of conspiracy

190

00:08:36,270 --> 00:08:34,510

in comedy where you know there's the

191

00:08:38,730 --> 00:08:36,280

truth tellers are they telling us a

192

00:08:39,770 --> 00:08:38,740

different truth and then conspiracy and

193

00:08:42,570 --> 00:08:39,780

culture me

194

00:08:45,570 --> 00:08:42,580

any thoughts Merrill let's start with

195

00:08:47,700 --> 00:08:45,580

you that's on there okay so my first

196

00:08:50,400 --> 00:08:47,710

thought was a few weeks ago I had vote

197

00:08:52,320 --> 00:08:50,410

research with me on if Dave Chappelle is

198

00:08:55,320 --> 00:08:52,330

even a clone or not so that's kind of

199

00:08:56,520 --> 00:08:55,330

where I'm you know I think he may have

200

00:08:59,650 --> 00:08:56,530

went to

201
00:09:04,420 --> 00:08:59,660
for a few years just like Eminem did and

202
00:09:08,950 --> 00:09:04,430
come back a model of himself like built

203
00:09:15,250 --> 00:09:08,960
by cloning pages really yeah so the

204
00:09:17,200 --> 00:09:15,260
other half of the audio she sent me a

205
00:09:19,390 --> 00:09:17,210
whole page of YouTube videos like why

206
00:09:21,700 --> 00:09:19,400
Dave Chappelle's a clone and I was like

207
00:09:24,280 --> 00:09:21,710
this is a thing god you can get so deep

208
00:09:26,320 --> 00:09:24,290
into the dark Internet just even on

209
00:09:27,670 --> 00:09:26,330
YouTube because he went away and now he

210
00:09:29,830 --> 00:09:27,680
looks different like I know his

211
00:09:31,840 --> 00:09:29,840
cheekbones are kind of different and it

212
00:09:33,780 --> 00:09:31,850
looks like him same thing as Eminem is

213
00:09:37,150 --> 00:09:33,790

there like facial features have changed

214

00:09:40,390 --> 00:09:37,160

you know it's funny that whenever any of

215

00:09:42,520 --> 00:09:40,400

these celebrities it changes in any way

216

00:09:44,470 --> 00:09:42,530

you know then we're like no give me the

217

00:09:47,740 --> 00:09:44,480

old Eminem I don't care what I have a

218

00:09:50,500 --> 00:09:47,750

substitute to get him do you has change

219

00:09:52,360 --> 00:09:50,510

cuz he [h__h] from what he was before yeah

220

00:09:54,970 --> 00:09:52,370

yeah I think Chappelle is different

221

00:09:57,250 --> 00:09:54,980

because the new Chappelle is is awesome

222

00:10:00,400 --> 00:09:57,260

too but he is so different than the old

223

00:10:05,920 --> 00:10:00,410

Dave I think we want to substitute in

224

00:10:07,920 --> 00:10:05,930

that stuff to me all that talk is is

225

00:10:10,720 --> 00:10:07,930

another aspect of this conspiracy

226

00:10:12,610 --> 00:10:10,730

culture which you know I mean I don't

227

00:10:20,050 --> 00:10:12,620

want to kind of dismiss out of hand the

228

00:10:22,120 --> 00:10:20,060

cloning thing but as I am in the music

229

00:10:24,460 --> 00:10:22,130

industry as well and I attend Coachella

230

00:10:26,980 --> 00:10:24,470

and a lot of shows and now when I'm

231

00:10:29,620 --> 00:10:26,990

there I'm noticing like a lot of the

232

00:10:32,110 --> 00:10:29,630

symbols that I kind of associated with

233

00:10:34,000 --> 00:10:32,120

illuminati but now it's almost become so

234

00:10:36,160 --> 00:10:34,010

mainstream that almost everyone knows

235

00:10:37,930 --> 00:10:36,170

that like I've seen a lot on Katy

236

00:10:40,660 --> 00:10:37,940

Perry's Instagram you know her latest

237

00:10:43,390 --> 00:10:40,670

album has the eye a lot of stuff a lot

238

00:10:45,010 --> 00:10:43,400

of people wear like Baphomet jewelry in

239

00:10:47,740 --> 00:10:45,020

their videos and people are commenting

240

00:10:50,260 --> 00:10:47,750

now like Illuminati or you know stuff

241

00:10:52,840 --> 00:10:50,270

like that so that's almost become kind

242

00:10:54,910 --> 00:10:52,850

of like mainstream now for people to

243

00:10:56,200 --> 00:10:54,920

call it out on people's things so I

244

00:10:58,000 --> 00:10:56,210

don't know if they're and I'm still

245

00:10:59,500 --> 00:10:58,010

discovering my own opinion on this and

246

00:11:02,230 --> 00:10:59,510

whether or not they're shoving it down

247

00:11:04,000 --> 00:11:02,240

our throats or and kind of not caring

248

00:11:06,310 --> 00:11:04,010

that it's so obvious or they're like

249

00:11:09,819 --> 00:11:06,320

making a whole mockery of it in general

250

00:11:12,369 --> 00:11:09,829

and they're doing it almost like

251
00:11:13,660 --> 00:11:12,379
in a kind of mocking way well that was

252
00:11:15,579 --> 00:11:13,670
the whole point of bringing up the Taco

253
00:11:17,739 --> 00:11:15,589
Bell at you know I mean that certainly

254
00:11:20,379 --> 00:11:17,749
touches both of those because if you

255
00:11:24,429 --> 00:11:20,389
watch the Taco Bell ads they're not

256
00:11:26,189 --> 00:11:24,439
totally they're not totally suppressing

257
00:11:29,819 --> 00:11:26,199
the giggle factor but by the same token

258
00:11:32,679 --> 00:11:29,829
they're not totally embracing it either

259
00:11:34,629 --> 00:11:32,689
but but where do you come down on some

260
00:11:39,340 --> 00:11:34,639
of that stuff though is it just to all

261
00:11:42,669 --> 00:11:39,350
to prom I mean I kind of think like my

262
00:11:44,739 --> 00:11:42,679
gut reaction when I'm at see something

263
00:11:46,509 --> 00:11:44,749

that's like mayoral bring up an

264

00:11:49,119 --> 00:11:46,519

illuminati or some sort of symbol I'm

265

00:11:51,189 --> 00:11:49,129

like why would it be so blatant in the

266

00:11:53,199 --> 00:11:51,199

public eye well why even take the chance

267

00:11:54,939 --> 00:11:53,209

as she says like Beyonce makes the

268

00:11:57,129 --> 00:11:54,949

triangle or whatever and it's like

269

00:11:59,049 --> 00:11:57,139

what's the point so she does it and if

270

00:12:00,999 --> 00:11:59,059

anybody's like well what is that it's

271

00:12:03,100 --> 00:12:01,009

like well they're not gonna immediately

272

00:12:05,439 --> 00:12:03,110

be invited into this club so that's like

273

00:12:08,019 --> 00:12:05,449

why I put it out there for people to

274

00:12:09,449 --> 00:12:08,029

even question why can't it just be why

275

00:12:11,590 --> 00:12:09,459

wouldn't it just be a secret society

276

00:12:13,809 --> 00:12:11,600

instead of being like there are all

277

00:12:16,749 --> 00:12:13,819

these images and all these places where

278

00:12:18,819 --> 00:12:16,759

it's featured and we want to tell you

279

00:12:21,249 --> 00:12:18,829

that it's out there so come on everybody

280

00:12:25,449 --> 00:12:21,259

join our big group that's secret it's

281

00:12:27,400 --> 00:12:25,459

like what as far as the Taco Bell thing

282

00:12:28,600 --> 00:12:27,410

I think that's good branding I think

283

00:12:30,160 --> 00:12:28,610

that's just an idea that's an ad

284

00:12:32,379 --> 00:12:30,170

campaign of good branding it's like

285

00:12:34,689 --> 00:12:32,389

anything else like you want to put your

286

00:12:38,530 --> 00:12:34,699

brand everywhere at this idea it can't

287

00:12:42,280 --> 00:12:38,540

be completely comedy because it needs to

288

00:12:44,619 --> 00:12:42,290

be a little bit like not spooky but like

289

00:12:46,090 --> 00:12:44,629

interesting and if it's just funny then

290

00:12:47,530 --> 00:12:46,100

it's like it's a quick joke and see you

291

00:12:50,410 --> 00:12:47,540

later bye but they're doing this whole

292

00:12:53,530 --> 00:12:50,420

is it both Illuminati yabba loominatee

293

00:12:55,569 --> 00:12:53,540

it's catchy and they're playing on this

294

00:12:57,789 --> 00:12:55,579

idea that it's kind of like isn't it

295

00:13:00,669 --> 00:12:57,799

like a late-night thing isn't it like

296

00:13:02,619 --> 00:13:00,679

the other one after night and it gets

297

00:13:04,569 --> 00:13:02,629

dark and that's when the balloonman are

298

00:13:07,239 --> 00:13:04,579

you come out I was like it's it's kind

299

00:13:10,210 --> 00:13:07,249

of catchy and I think it's just okay job

300

00:13:13,269 --> 00:13:10,220

a brandy okay okay okay okay I hear you

301

00:13:15,159 --> 00:13:13,279

I just piss all over it no let them know

302

00:13:18,129 --> 00:13:15,169

because there's two places I want to go

303

00:13:21,340 --> 00:13:18,139

with this because we can't kind of trace

304

00:13:23,440 --> 00:13:21,350

all these conspiracies and they're not

305

00:13:26,200 --> 00:13:23,450

worth tracking Mall down even

306

00:13:27,850 --> 00:13:26,210

the ones that I think are true but let

307

00:13:29,500 --> 00:13:27,860

me hit you with a couple of things and

308

00:13:33,250 --> 00:13:29,510

Italy this is a long way around the barn

309

00:13:35,230 --> 00:13:33,260

to get to the conspiratorial stuff that

310

00:13:37,120 --> 00:13:35,240

interests me which is primarily science

311

00:13:38,320 --> 00:13:37,130

in consciousness as I was explained she

312

00:13:40,330 --> 00:13:38,330

as we were chatting a little bit about

313

00:13:42,190 --> 00:13:40,340

sure you know who argued why are you

314

00:13:43,950 --> 00:13:42,200

here and science tells you you're a

315

00:13:47,080 --> 00:13:43,960

biological robot a meaningless universe

316

00:13:49,150 --> 00:13:47,090

that is a conspiracy but we want to

317

00:13:51,940 --> 00:13:49,160

deconstruct that now I'll give you a

318

00:13:54,870 --> 00:13:51,950

really just kind of plain exact

319

00:13:59,440 --> 00:13:54,880

in-your-face example that is just

320

00:14:01,360 --> 00:13:59,450

impossible to ignore New York Times okay

321

00:14:02,890 --> 00:14:01,370

so this is from December of last year

322

00:14:05,710 --> 00:14:02,900

this is like two months ago

323

00:14:10,180 --> 00:14:05,720

right did you hear this did you process

324

00:14:13,540 --> 00:14:10,190

this boat no you will see yeah I mean

325

00:14:23,130 --> 00:14:13,550

okay just watch the video

326

00:14:28,360 --> 00:14:23,140

okay I'm gonna play the video man say

327

00:14:37,940 --> 00:14:28,370

like well going against the windmill

328

00:14:46,350 --> 00:14:41,610

so what you have here is the New York

329

00:14:49,800 --> 00:14:46,360

Times saying that UFOs are real saying

330

00:14:54,480 --> 00:14:49,810

that Harry Reid Congressman Harry Reid

331

00:14:56,430 --> 00:14:54,490

ran a project a secret project and they

332

00:15:00,470 --> 00:14:56,440

were investigating UFOs and they found

333

00:15:03,480 --> 00:15:00,480

him to be real I mean what disclosure

334

00:15:06,270 --> 00:15:03,490

control disclosure but they're in your

335

00:15:08,430 --> 00:15:06,280

face telling you UFOs are real so you

336

00:15:09,660 --> 00:15:08,440

know it's cool that I guess it's a game

337

00:15:14,130 --> 00:15:09,670

that you haven't heard about this but

338

00:15:19,230 --> 00:15:14,140

what are you gonna do with that okay so

339

00:15:21,150 --> 00:15:19,240

no my mind is not Malone it's a UFO and

340

00:15:24,240 --> 00:15:21,160

unidentified flying objects that could

341

00:15:26,670 --> 00:15:24,250

be some anything that's unidentified it

342

00:15:27,810 --> 00:15:26,680

could be some project of something right

343

00:15:29,340 --> 00:15:27,820

that the government government has

344

00:15:32,310 --> 00:15:29,350

plenty of things going on that you have

345

00:15:33,420 --> 00:15:32,320

no idea about so hold on Bo I mean see

346

00:15:35,940 --> 00:15:33,430

this is the problem that I said before

347

00:15:37,110 --> 00:15:35,950

like if you haven't investigated at

348

00:15:39,260 --> 00:15:37,120

least a little bit

349

00:15:42,690 --> 00:15:39,270

you're and the conversation gets kind of

350

00:15:45,000 --> 00:15:42,700

stupid it gets stupid it gets stupid

351

00:15:48,600 --> 00:15:45,010

because what they're investigating is

352

00:15:54,150 --> 00:15:48,610

not gee what's up there in the air what

353

00:15:55,260 --> 00:15:54,160

they're investigating is UFOs UFOs in

354

00:15:57,660 --> 00:15:55,270

the sense of the word you know I just

355

00:16:00,090 --> 00:15:57,670

did an interview with Colonel John

356

00:16:03,120 --> 00:16:00,100

Alexander who is this guy who's been in

357

00:16:06,030 --> 00:16:03,130

the military for 40 50 years all the

358

00:16:07,830 --> 00:16:06,040

MKULTRA Stav associated with all that

359

00:16:09,330 --> 00:16:07,840

kind of stuff in a real way I mean

360

00:16:12,540 --> 00:16:09,340

that's his history you know even

361

00:16:15,090 --> 00:16:12,550

Stargate programs psychic spying he is a

362

00:16:17,550 --> 00:16:15,100

colonel retired colonel he just wrote a

363

00:16:18,720 --> 00:16:17,560

book about extended consciousness and

364

00:16:21,750 --> 00:16:18,730

drinking ayahuasca

365

00:16:24,300 --> 00:16:21,760

oh yeah and all that stuff but he has

366

00:16:28,079 --> 00:16:24,310

long been known to maintain this

367

00:16:30,660 --> 00:16:28,089

position that the government isn't

368

00:16:34,620 --> 00:16:30,670

hiding anything about UFOs they just

369

00:16:36,420 --> 00:16:34,630

don't know about UFOs well the main

370

00:16:39,300 --> 00:16:36,430

point one of the main points I had with

371

00:16:41,340 --> 00:16:39,310

John is you can no longer maintain that

372

00:16:43,020 --> 00:16:41,350

position everyone who's in the UFO

373

00:16:45,720 --> 00:16:43,030

community is known that the government

374

00:16:47,860 --> 00:16:45,730

is hiding this up for 50 years and now

375

00:16:50,080 --> 00:16:47,870

it's in your face in the New York

376

00:16:52,150 --> 00:16:50,090

so it's not like you can put the genie

377

00:16:53,950 --> 00:16:52,160

back in the bottle and say as Neil

378

00:16:56,740 --> 00:16:53,960

deGrasse Tyson said is exactly what you

379

00:16:59,620 --> 00:16:56,750

did while they are unidentified that's

380

00:17:02,140 --> 00:16:59,630

laughable you have our best fighter jet

381

00:17:05,380 --> 00:17:02,150

pilots in our most highest technology on

382

00:17:07,480 --> 00:17:05,390

bro what the [h__h] is going on

383

00:17:09,670 --> 00:17:07,490

these things are maneuvering they're not

384

00:17:11,860 --> 00:17:09,680

just objects they're maneuvering they're

385

00:17:13,480 --> 00:17:11,870

not us we don't know how to do any of

386

00:17:15,520 --> 00:17:13,490

this stuff we don't know how to move at

387

00:17:19,750 --> 00:17:15,530

6,000 miles an hour and make right turns

388

00:17:21,400 --> 00:17:19,760

but if you accept at all that this is

389

00:17:24,160 --> 00:17:21,410

real that appears the New York Times and

390

00:17:25,510 --> 00:17:24,170

it did and you can go read all about the

391

00:17:29,380 --> 00:17:25,520

disclosure of it and stuff like that

392

00:17:32,170 --> 00:17:29,390

then you have to accept that since 1955

393

00:17:33,880 --> 00:17:32,180

there we have released documents from

394

00:17:35,380 --> 00:17:33,890

the government that said we know these

395

00:17:36,730 --> 00:17:35,390

things are real we know these things are

396

00:17:39,010 --> 00:17:36,740

happening we don't know what to do with

397

00:17:44,980 --> 00:17:39,020

it it's our highest level security item

398

00:17:46,690 --> 00:17:44,990

so some come like a jerkish here but if

399

00:17:48,940 --> 00:17:46,700

you don't know that stuff you don't know

400

00:17:50,460 --> 00:17:48,950

that stuff but you can't just fill it in

401
00:17:54,190 --> 00:17:50,470
with the gap was saying unidentified

402
00:17:57,910 --> 00:17:54,200
means unidentified that's just that's

403
00:17:59,380 --> 00:17:57,920
not responsive to the data that's at

404
00:18:01,000 --> 00:17:59,390
hand it doesn't really deal with the

405
00:18:04,990 --> 00:18:01,010
date right and we're open to having

406
00:18:07,510 --> 00:18:05,000
aliens on the podcast I mean I'm

407
00:18:10,090 --> 00:18:07,520
actually seeking I I like have already

408
00:18:12,970 --> 00:18:10,100
had conversations in my mind with when I

409
00:18:15,790 --> 00:18:12,980
do encounter someone from another kind

410
00:18:17,770 --> 00:18:15,800
what I would say to them and I'm not

411
00:18:20,260 --> 00:18:17,780
quite sure if I think aliens are like a

412
00:18:22,390 --> 00:18:20,270
dark force trying to kind of pull us in

413
00:18:24,280 --> 00:18:22,400

and do some demonic stuff on us or if

414

00:18:26,140 --> 00:18:24,290

they're trying to help us and raise us

415

00:18:28,450 --> 00:18:26,150

up and have stuff to help the human race

416

00:18:30,160 --> 00:18:28,460

or somewhere in between so I'm not quite

417

00:18:32,110 --> 00:18:30,170

sure why do you like the idea that we

418

00:18:33,880 --> 00:18:32,120

make first contact and the the thing

419

00:18:36,780 --> 00:18:33,890

they say right out of the gate is hey

420

00:18:39,160 --> 00:18:36,790

can we get on that show campfire sure

421

00:18:41,260 --> 00:18:39,170

yeah we really want to do the show so if

422

00:18:42,850 --> 00:18:41,270

there are any et beings listening we

423

00:18:47,950 --> 00:18:42,860

would love to have you on campfire no

424

00:18:51,220 --> 00:18:47,960

problem almost it's so hard it's so hard

425

00:18:53,200 --> 00:18:51,230

to know what's real and not real even in

426

00:18:55,840 --> 00:18:53,210

the news and I say that in this sense of

427

00:18:58,510 --> 00:18:55,850

so much can be fabricated I I could make

428

00:18:59,770 --> 00:18:58,520

that video I can make that video now

429

00:19:01,600 --> 00:18:59,780

that's not saying that that video is not

430

00:19:02,019 --> 00:19:01,610

authentic I'm just saying like somebody

431

00:19:06,459 --> 00:19:02,029

could make

432

00:19:08,739 --> 00:19:06,469

video like that right no you don't think

433

00:19:10,239 --> 00:19:08,749

so you don't think that's not the point

434

00:19:13,930 --> 00:19:10,249

I mean the point is that that someone

435

00:19:16,690 --> 00:19:13,940

could make that video it's like oh okay

436

00:19:20,489 --> 00:19:16,700

bow go down that path who made the video

437

00:19:24,249 --> 00:19:20,499

and released it in the New York Times as

438

00:19:27,729 --> 00:19:24,259

being a video a part of a 20 million

439

00:19:30,549 --> 00:19:27,739

dollar US secret program into UFOs sure

440

00:19:31,839 --> 00:19:30,559

who went and talked to Harry Reid who

441

00:19:34,060 --> 00:19:31,849

they went into interviewed and said yeah

442

00:19:38,649 --> 00:19:34,070

I ran the program isn't it so go ahead

443

00:19:41,499 --> 00:19:38,659

like that tell me I hate when people

444

00:19:48,459 --> 00:19:41,509

replace one conspiracy with a bigger

445

00:19:51,219 --> 00:19:48,469

conspiracy well I mean then in that case

446

00:19:53,229 --> 00:19:51,229

like the reality is I I don't know and I

447

00:19:56,769 --> 00:19:53,239

do believe that there's something bigger

448

00:20:00,099 --> 00:19:56,779

than than what I understand for sure and

449

00:20:01,469 --> 00:20:00,109

so we're available to get like beamed up

450

00:20:14,529 --> 00:20:01,479

soon

451
00:20:17,109 --> 00:20:14,539
this could be a shortened show but yeah

452
00:20:18,909 --> 00:20:17,119
listen I want to be open to the idea I'm

453
00:20:21,700 --> 00:20:18,919
not maybe it sounds like I'm being very

454
00:20:23,619 --> 00:20:21,710
close-minded I'm throwing the response

455
00:20:25,289 --> 00:20:23,629
out there that's like well it is hard

456
00:20:28,239 --> 00:20:25,299
for me to believe some of these things

457
00:20:31,810 --> 00:20:28,249
not because they can't be or could not

458
00:20:34,180 --> 00:20:31,820
exist but because I have not spent my

459
00:20:36,459 --> 00:20:34,190
time and I'm very much ignorant towards

460
00:20:37,839 --> 00:20:36,469
a lot of these subjects well you don't

461
00:20:39,399 --> 00:20:37,849
have to go the ignorant route we don't

462
00:20:43,450 --> 00:20:39,409
throw that out don't throw the I word

463
00:20:45,609 --> 00:20:43,460

out there from my experience in doing

464

00:20:47,379 --> 00:20:45,619

this show and dealing with all sorts of

465

00:20:49,869 --> 00:20:47,389

different people as I told you you know

466

00:20:52,089 --> 00:20:49,879

I mean pissing off all the atheists

467

00:20:53,769 --> 00:20:52,099

which I did early on pissing off all the

468

00:20:55,749 --> 00:20:53,779

Christians which I did shortly

469

00:20:59,379 --> 00:20:55,759

thereafter pissing off all religious

470

00:21:02,320 --> 00:20:59,389

people of any it's three yeah what I

471

00:21:05,229 --> 00:21:02,330

found is consistently the problem is

472

00:21:07,690 --> 00:21:05,239

that we hold on to our belief systems

473

00:21:09,249 --> 00:21:07,700

and we all do that you know because when

474

00:21:12,310 --> 00:21:09,259

you wake up two o'clock in the morning

475

00:21:14,960 --> 00:21:12,320

and you're wondering how life should

476
00:21:17,510 --> 00:21:14,970
even go on or what my role is or

477
00:21:19,039 --> 00:21:17,520
all the dark night of the soul moments

478
00:21:21,590 --> 00:21:19,049
that we have even if we don't believe we

479
00:21:23,930 --> 00:21:21,600
have a soul the only thing you have to

480
00:21:26,090 --> 00:21:23,940
hold on to are your belief your

481
00:21:29,210 --> 00:21:26,100
structure of how the world works and

482
00:21:32,630 --> 00:21:29,220
when suni comes along and says no no

483
00:21:34,210 --> 00:21:32,640
that's not how the world works we're not

484
00:21:36,470 --> 00:21:34,220
real comfortable with that and and

485
00:21:37,990 --> 00:21:36,480
consistently we show that we're not like

486
00:21:40,250 --> 00:21:38,000
you know we all look at like

487
00:21:42,409 --> 00:21:40,260
Scientologists and people like that and

488
00:21:43,789 --> 00:21:42,419

we go gee how do those people hold on to

489

00:21:46,159 --> 00:21:43,799

the beliefs and then they haven't they

490

00:21:48,789 --> 00:21:46,169

seen the TV shows haven't they seen this

491

00:21:50,960 --> 00:21:48,799

in frag I always point out this

492

00:21:53,029 --> 00:21:50,970

sociologist who wrote this awesome book

493

00:21:55,700 --> 00:21:53,039

a long time ago and it's called when

494

00:21:59,000 --> 00:21:55,710

prophecy fails and what he wanted to do

495

00:22:03,440 --> 00:21:59,010

is he said you know what happens when a

496

00:22:05,570 --> 00:22:03,450

cult leader has a group has a belief

497

00:22:07,279 --> 00:22:05,580

system and is prophesizing about the end

498

00:22:14,090 --> 00:22:07,289

of the world and the end of the world

499

00:22:15,649 --> 00:22:14,100

doesn't happen I mean that's pretty and

500

00:22:18,620 --> 00:22:15,659

what you'd expect you know because we

501
00:22:20,120 --> 00:22:18,630
all think we're open-minded and rational

502
00:22:23,539 --> 00:22:20,130
and all that you think everyone's gonna

503
00:22:26,539 --> 00:22:23,549
be like okay pack things up you know

504
00:22:29,120 --> 00:22:26,549
it's closed down and they don't what

505
00:22:31,159 --> 00:22:29,130
they do what he found this sociologist

506
00:22:34,610 --> 00:22:31,169
who studied this is they double the helm

507
00:22:38,390 --> 00:22:34,620
they don't say oh okay our leader is not

508
00:22:39,890 --> 00:22:38,400
all-knowing they say oh he knows he just

509
00:22:43,460 --> 00:22:39,900
got the date wrong they double down

510
00:22:46,520 --> 00:22:43,470
we'll do anything to protect our belief

511
00:22:48,799 --> 00:22:46,530
systems so here you know it's unfair for

512
00:22:51,230 --> 00:22:48,809
you Bo but you just were exposed to the

513
00:22:55,159 --> 00:22:51,240

reality that the government is known

514

00:22:57,409 --> 00:22:55,169

about UFOs from another planet theirs

515

00:23:00,020 --> 00:22:57,419

from another system whether it's time

516

00:23:01,940 --> 00:23:00,030

travel or whether it's multi-dimensional

517

00:23:04,520 --> 00:23:01,950

however the [h__h] you want to put it

518

00:23:05,539 --> 00:23:04,530

together it ain't our Birds up there

519

00:23:08,149 --> 00:23:05,549

flying around

520

00:23:12,130 --> 00:23:08,159

it ain't a mistaken unidentified thing

521

00:23:15,620 --> 00:23:12,140

it's a superior superior technological

522

00:23:17,630 --> 00:23:15,630

thing that's up there so your world is

523

00:23:19,940 --> 00:23:17,640

blown and that's just the reality but

524

00:23:23,250 --> 00:23:19,950

you're gonna not face that you're gonna

525

00:23:28,780 --> 00:23:26,950

I want to be clear but I what is your

526

00:23:30,250 --> 00:23:28,790

motto but I would it be clear it's not

527

00:23:32,500 --> 00:23:30,260

that I don't believe that that could

528

00:23:33,730 --> 00:23:32,510

exist or that does exist I do believe

529

00:23:38,980 --> 00:23:33,740

there's something else out there

530

00:23:41,980 --> 00:23:38,990

absolutely 100% I just feel like in the

531

00:23:44,530 --> 00:23:41,990

same breath I look at things with a

532

00:23:47,500 --> 00:23:44,540

skeptical eye or or I just look at

533

00:23:49,000 --> 00:23:47,510

things maybe with a maybe with a closed

534

00:23:50,380 --> 00:23:49,010

mind I'm listening to you and like maybe

535

00:23:58,830 --> 00:23:50,390

I'm looking at this of the clothesline

536

00:24:05,440 --> 00:24:02,500

yeah so I do believe I mean you show me

537

00:24:07,780 --> 00:24:05,450

a video of a UFO and it's like I can say

538

00:24:10,630 --> 00:24:07,790

yeah I totally believe it that that

539

00:24:12,310 --> 00:24:10,640

probably exists but at the same time I I

540

00:24:13,630 --> 00:24:12,320

can't go the other way and be like but

541

00:24:15,580 --> 00:24:13,640

could anybody make this video like

542

00:24:17,049 --> 00:24:15,590

what's to believe it what's not to

543

00:24:19,480 --> 00:24:17,059

believe you know man

544

00:24:21,370 --> 00:24:19,490

well well jump in there brain just reach

545

00:24:23,620 --> 00:24:21,380

out there and knock him on that the head

546

00:24:28,450 --> 00:24:23,630

well I almost to the other extreme where

547

00:24:31,060 --> 00:24:28,460

I think some people in the culture right

548

00:24:32,820 --> 00:24:31,070

now might be like even I think they may

549

00:24:35,320 --> 00:24:32,830

be integrating another part of

550

00:24:37,870 --> 00:24:35,330

extraterrestrial people within like who

551
00:24:40,299 --> 00:24:37,880
we're seeing today so I feel like some

552
00:24:43,240 --> 00:24:40,309
people are being made into like half an

553
00:24:45,280 --> 00:24:43,250
alien's and half humans I really do

554
00:24:47,350 --> 00:24:45,290
sound crazy but I agree with that so I

555
00:24:50,290 --> 00:24:47,360
almost think alien an extraterrestrial

556
00:24:52,150 --> 00:24:50,300
is like seeing in more than we know

557
00:24:53,500 --> 00:24:52,160
and it probably already has been in I

558
00:24:55,840 --> 00:24:53,510
mean I think the government really has

559
00:24:59,230 --> 00:24:55,850
come out and said yes there are UFOs and

560
00:25:01,419 --> 00:24:59,240
that has been we don't like it has to be

561
00:25:03,340 --> 00:25:01,429
yeah oh yeah yeah yeah but I mean it may

562
00:25:05,200 --> 00:25:03,350
be even more integrated than we know

563
00:25:06,580 --> 00:25:05,210

currently so I think like we may have

564

00:25:10,750 --> 00:25:06,590

there the government may have more

565

00:25:13,600 --> 00:25:10,760

contact with extraterrestrials well but

566

00:25:18,430 --> 00:25:13,610

before we totally blow Bo out of the

567

00:25:19,930 --> 00:25:18,440

water there how do you send him I'm the

568

00:25:23,950 --> 00:25:19,940

science experiment you guys brought me I

569

00:25:26,799 --> 00:25:23,960

love we're gonna break this dude yeah

570

00:25:28,419 --> 00:25:26,809

this isn't MKULTRA program oh no no

571

00:25:30,820 --> 00:25:28,429

we're gonna break you down mind control

572

00:25:31,420 --> 00:25:30,830

at the end you will he's gonna be having

573

00:25:33,940 --> 00:25:31,430

like a butter

574

00:25:36,070 --> 00:25:33,950

his eyes eye and holding like in a

575

00:25:40,420 --> 00:25:36,080

bathtub Alex I would like to expose

576

00:25:43,300 --> 00:25:40,430

something okay okay so I would like to

577

00:25:44,710 --> 00:25:43,310

ask you your thoughts about yoga because

578

00:25:48,730 --> 00:25:44,720

we're here in Southern California

579

00:25:50,680 --> 00:25:48,740

yoga's very popular I am like I don't

580

00:25:53,050 --> 00:25:50,690

practice yoga anymore because I was

581

00:25:54,580 --> 00:25:53,060

doing a lot of Kundalini Yoga a few

582

00:25:57,100 --> 00:25:54,590

years ago and that's what ultimately I

583

00:25:59,260 --> 00:25:57,110

think led to my like psychic meltdown at

584

00:26:01,360 --> 00:25:59,270

the time and I think Yoga is like an

585

00:26:03,130 --> 00:26:01,370

opening to dark forces and not to

586

00:26:04,600 --> 00:26:03,140

completely change it but I wanted to get

587

00:26:06,400 --> 00:26:04,610

your take on it and if you've had people

588

00:26:08,530 --> 00:26:06,410

I know you talked to a lot of people

589

00:26:10,690 --> 00:26:08,540

that are based in Eastern philosophy and

590

00:26:13,750 --> 00:26:10,700

Eastern practices but to me like I'm

591

00:26:15,700 --> 00:26:13,760

very skeptical about yoga and I think it

592

00:26:17,500 --> 00:26:15,710

should be practiced kind of with care

593

00:26:19,660 --> 00:26:17,510

and concern not that it's very popular

594

00:26:29,980 --> 00:26:19,670

here but I think Yoga is kind of like a

595

00:26:32,320 --> 00:26:29,990

cult practice maybe you can also have

596

00:26:33,340 --> 00:26:32,330

the make up for it first up like I think

597

00:26:36,880 --> 00:26:33,350

for someone that's already kind of

598

00:26:40,150 --> 00:26:36,890

teetering off the edge like me when I do

599

00:26:41,710 --> 00:26:40,160

yoga it seems to open up like portals to

600

00:26:43,810 --> 00:26:41,720

things that aren't the best for me so

601
00:26:45,730 --> 00:26:43,820
when I was doing a lot of Kundalini Yoga

602
00:26:48,790 --> 00:26:45,740
I genuinely think I got some type of

603
00:26:49,600 --> 00:26:48,800
like weird spiritual like meltdown thing

604
00:26:52,230 --> 00:26:49,610
happening and I was having

605
00:26:54,400 --> 00:26:52,240
hallucinations and I was like feeling

606
00:26:56,110 --> 00:26:54,410
weird things and almost like kinda

607
00:26:57,700 --> 00:26:56,120
hearing voices and it was not good for

608
00:26:59,350 --> 00:26:57,710
me and then when I stopped it took me a

609
00:27:03,100 --> 00:26:59,360
while but everything kind of settled

610
00:27:04,870 --> 00:27:03,110
down well you know the thing that I

611
00:27:07,330 --> 00:27:04,880
think is kind of an important part of

612
00:27:10,510 --> 00:27:07,340
this whole process in the broader sense

613
00:27:12,250 --> 00:27:10,520

is and I think that's what skeptic Oh

614

00:27:13,480 --> 00:27:12,260

has kind of been about you know skeptic

615

00:27:15,640 --> 00:27:13,490

of the origin of it is kind of be

616

00:27:18,400 --> 00:27:15,650

skeptical and it took me a long time to

617

00:27:22,210 --> 00:27:18,410

figure out but the true meaning of it

618

00:27:25,240 --> 00:27:22,220

and that is inquiry that perpetuates

619

00:27:26,800 --> 00:27:25,250

doubt so I I am in some ways more

620

00:27:28,510 --> 00:27:26,810

sympathetic to go I think we should

621

00:27:30,520 --> 00:27:28,520

always be doubting I think that's the

622

00:27:32,860 --> 00:27:30,530

only place to be I think that's the true

623

00:27:36,010 --> 00:27:32,870

spiritual path is to always be doubting

624

00:27:37,630 --> 00:27:36,020

don't be accepting always take in our

625

00:27:39,790 --> 00:27:37,640

experience but compared to other

626

00:27:42,010 --> 00:27:39,800

experience and see what that means as it

627

00:27:45,340 --> 00:27:42,020

relates to yoga but I think a lot of

628

00:27:46,840 --> 00:27:45,350

folks don't fully appreciate is

629

00:27:50,499 --> 00:27:46,850

man you got people have been studying

630

00:27:52,659 --> 00:27:50,509

that stuff for 2,000 years and you know

631

00:27:55,749 --> 00:27:52,669

I was like do you know who ROM das is

632

00:27:57,909 --> 00:27:55,759

yeah so Ram Dass is a really cool guy

633

00:28:00,039 --> 00:27:57,919

you go back and look at the history you

634

00:28:03,190 --> 00:28:00,049

know Ram Dass is this Professor Richard

635

00:28:04,810 --> 00:28:03,200

Alpert at Harvard and he's there with

636

00:28:07,659 --> 00:28:04,820

another guy you might have heard of Tim

637

00:28:09,519 --> 00:28:07,669

Leary hmm and they're discovered this

638

00:28:11,560 --> 00:28:09,529

crazy [h__\h] that the government brought

639

00:28:14,409 --> 00:28:11,570

in and said hey see what this might do

640

00:28:16,029 --> 00:28:14,419

for our MKULTRA mind control program in

641

00:28:18,190 --> 00:28:16,039

its LSD he says you know I was just

642

00:28:19,539 --> 00:28:18,200

going work what can we do with it we'll

643

00:28:20,919 --> 00:28:19,549

start doing some experiments and they do

644

00:28:25,210 --> 00:28:20,929

and the next thing you know they're like

645

00:28:27,310 --> 00:28:25,220

whoa so we all know what Timothy Leary

646

00:28:30,999 --> 00:28:27,320

does and that causes a cultural

647

00:28:33,730 --> 00:28:31,009

revolution of cultural change but robbed

648

00:28:35,799 --> 00:28:33,740

Richard Albert who becomes Ram Dass he

649

00:28:38,440 --> 00:28:35,809

goes to India and he says you know what

650

00:28:40,269 --> 00:28:38,450

is the what is the deeper meaning of

651
00:28:42,460 --> 00:28:40,279
this and does anyone else know about

652
00:28:44,499 --> 00:28:42,470
this stuff and he finds this guy up in

653
00:28:47,399 --> 00:28:44,509
the him by his knee and karoli baba and

654
00:28:50,200 --> 00:28:47,409
it gives him the LSD he says here and

655
00:28:51,999 --> 00:28:50,210
neem karoli baba takes a bunch of it and

656
00:28:53,799 --> 00:28:52,009
says there it doesn't do anything to me

657
00:28:55,419 --> 00:28:53,809
and it didn't do anything to him and he

658
00:28:58,690 --> 00:28:55,429
said okay look I'll tell you the truth

659
00:29:00,669 --> 00:28:58,700
if you've really developed your yoga I'm

660
00:29:03,009 --> 00:29:00,679
making this kind of a character richer

661
00:29:05,889 --> 00:29:03,019
of this story but that you control your

662
00:29:07,330 --> 00:29:05,899
mind it's just a mind game but it is an

663
00:29:10,480 --> 00:29:07,340

interesting medicine it helps you see

664

00:29:13,119 --> 00:29:10,490

God da ROM das is totally blown away oh

665

00:29:14,889 --> 00:29:13,129

my god this is this is this is real and

666

00:29:16,810 --> 00:29:14,899

a whole different sense than we've

667

00:29:18,820 --> 00:29:16,820

understood it it's not just a

668

00:29:21,970 --> 00:29:18,830

pharmaceutical it is some kind of

669

00:29:24,220 --> 00:29:21,980

doorway to this art hire thing well the

670

00:29:27,490 --> 00:29:24,230

point of all that for your situation

671

00:29:30,460 --> 00:29:27,500

marrow or your experience is that rod

672

00:29:33,369 --> 00:29:30,470

ass goes on to say you know a real

673

00:29:36,029 --> 00:29:33,379

eye-opener for me was looking at this

674

00:29:38,080 --> 00:29:36,039

culture they deal with Kundalini

675

00:29:40,749 --> 00:29:38,090

awakening of the kind that you're

676

00:29:42,639 --> 00:29:40,759

talking about all the time not all the

677

00:29:46,710 --> 00:29:42,649

time but it's understood that people

678

00:29:49,539 --> 00:29:46,720

might have a spontaneous Kundalini

679

00:29:52,810 --> 00:29:49,549

awakening this transformative spiritual

680

00:29:55,389 --> 00:29:52,820

experience and they're kind of crazy six

681

00:29:57,740 --> 00:29:55,399

months and everyone just goes okay you

682

00:29:59,570 --> 00:29:57,750

know just come on Pete gentle

683

00:30:01,790 --> 00:29:59,580

you know they're going through it you

684

00:30:03,170 --> 00:30:01,800

know that's it it'll work out they don't

685

00:30:04,280 --> 00:30:03,180

put him in an institution they don't

686

00:30:07,000 --> 00:30:04,290

give them a bunch of drugs they don't

687

00:30:08,780 --> 00:30:07,010

point fingers at him and say oh my god

688

00:30:11,990 --> 00:30:08,790

as a matter of fact they say the

689

00:30:14,300 --> 00:30:12,000

opposite they say wow that person has

690

00:30:16,750 --> 00:30:14,310

made another step either voluntarily or

691

00:30:20,060 --> 00:30:16,760

involuntarily along their spiritual path

692

00:30:22,340 --> 00:30:20,070

they've worked through a lot of that

693

00:30:24,920 --> 00:30:22,350

stuff that we from the West come at it

694

00:30:26,690 --> 00:30:24,930

and go oh no no no we figured it all out

695

00:30:27,920 --> 00:30:26,700

we are all biological robots and

696

00:30:29,060 --> 00:30:27,930

meaningless universe so therefore if

697

00:30:31,340 --> 00:30:29,070

anything happens it has to have a

698

00:30:32,990 --> 00:30:31,350

chemical all right we can figure it out

699

00:30:35,120 --> 00:30:33,000

and we can medicate you for it and all

700

00:30:41,920 --> 00:30:35,130

the rest of this so the point being that

701

00:30:49,220 --> 00:30:46,510

cultural experience and human experience

702

00:30:51,260 --> 00:30:49,230

that thousands of years at it that

703

00:30:53,480 --> 00:30:51,270

really has to be studied and understood

704

00:30:55,460 --> 00:30:53,490

and nuanced and there's a lot of people

705

00:30:57,410 --> 00:30:55,470

that are going through a lot of the same

706

00:30:59,300 --> 00:30:57,420

things that you are and you can find

707

00:31:01,790 --> 00:30:59,310

support groups you can find people to

708

00:31:04,340 --> 00:31:01,800

talk to that have had those kind of

709

00:31:07,160 --> 00:31:04,350

experiences and it's it's a whole rich

710

00:31:10,270 --> 00:31:07,170

area to explore would be my thing that's

711

00:31:15,980 --> 00:31:10,280

not me I mean I'm kind of spiritually

712

00:31:18,470 --> 00:31:15,990

dense you know I mean I see it I can get

713

00:31:21,260 --> 00:31:18,480

slight glimpses of it but nothing like

714

00:31:22,790 --> 00:31:21,270

what you experience but I still see the

715

00:31:25,760 --> 00:31:22,800

value in it because I'm not a biological

716

00:31:28,550 --> 00:31:25,770

robot to me in this universe I am the

717

00:31:31,040 --> 00:31:28,560

voice inside my head which is the voice

718

00:31:35,330 --> 00:31:31,050

inside of all our heads we all hear it

719

00:31:38,180 --> 00:31:35,340

it's no joke is something more than just

720

00:31:39,710 --> 00:31:38,190

a chemical and empowering of chemical

721

00:31:44,830 --> 00:31:39,720

reactions that will go all pitch-black

722

00:31:47,330 --> 00:31:44,840

when they stop existing so oh shut up

723

00:31:49,700 --> 00:31:47,340

that was my first kind of foray into

724

00:31:52,550 --> 00:31:49,710

another realm and I am a silly person

725

00:31:54,170 --> 00:31:52,560

but it was a terrifying experience and I

726

00:31:56,090 --> 00:31:54,180

was in yoga classes probably next to

727

00:31:57,320 --> 00:31:56,100

people like you who could leave the

728

00:31:59,330 --> 00:31:57,330

class and like go get a smoothie

729

00:32:01,190 --> 00:31:59,340

afterwards and then go to Trader Joe's

730

00:32:03,590 --> 00:32:01,200

and be fine and meanwhile I was like

731

00:32:06,320 --> 00:32:03,600

really at a time I probably could have

732

00:32:08,180 --> 00:32:06,330

or shouldn't have felt like I was like

733

00:32:10,550 --> 00:32:08,190

institutionalized or something like that

734

00:32:11,539 --> 00:32:10,560

I had to take off work I missed work for

735

00:32:13,850 --> 00:32:11,549

a couple weeks you know

736

00:32:16,820 --> 00:32:13,860

I really had a big giant psychic

737

00:32:19,489 --> 00:32:16,830

experience that kind of scared me into

738

00:32:21,200 --> 00:32:19,499

being fearful of the realm but now I'm

739

00:32:25,279 --> 00:32:21,210

in the way where I'm like freewill

740

00:32:27,499 --> 00:32:25,289

Trump's all instead of feeling like I'm

741

00:32:29,239 --> 00:32:27,509

at the mercy of having any sort of like

742

00:32:31,549 --> 00:32:29,249

evil spirits or anything like that I

743

00:32:33,680 --> 00:32:31,559

just have backed up on the yoga and a

744

00:32:35,539 --> 00:32:33,690

lot of TM and stuff like that and just

745

00:32:37,519 --> 00:32:35,549

because I know from my own genetic

746

00:32:40,669 --> 00:32:37,529

makeup it might not be for me or I'm

747

00:32:42,350 --> 00:32:40,679

kind of just scared to go further into

748

00:32:45,470 --> 00:32:42,360

that route to be completely honest you

749

00:32:47,479 --> 00:32:45,480

know I had to like integrate myself by

750

00:32:49,340 --> 00:32:47,489

drinking alcohol and watching baseball

751
00:32:50,659 --> 00:32:49,350
games and like bringing myself down a

752
00:32:53,869 --> 00:32:50,669
little bit because I just don't think

753
00:32:55,970 --> 00:32:53,879
I'm like I wasn't rooted enough to go up

754
00:32:57,859 --> 00:32:55,980
there at the time and I don't still kind

755
00:32:59,570 --> 00:32:57,869
of think I'm not but what went down the

756
00:33:01,039 --> 00:32:59,580
path of that is being really interested

757
00:33:03,529 --> 00:33:01,049
and open to the idea that there's a lot

758
00:33:07,119 --> 00:33:03,539
of other kind of forces at play because

759
00:33:10,489 --> 00:33:07,129
I experienced it myself of feeling like

760
00:33:14,149 --> 00:33:10,499
stretched to the point of like losing

761
00:33:22,190 --> 00:33:14,159
grounding a little bit and that's why

762
00:33:23,749 --> 00:33:22,200
I'm on lexapro no that's not it but it's

763
00:33:25,430 --> 00:33:23,759

good to talk about and I think it's like

764

00:33:27,560 --> 00:33:25,440

especially being out here in Southern

765

00:33:29,840 --> 00:33:27,570

California there's a lot of spiritual

766

00:33:31,430 --> 00:33:29,850

work and energy work and everyone's a

767

00:33:33,169 --> 00:33:31,440

crystal healer and everyone's into Ricci

768

00:33:34,820 --> 00:33:33,179

and I think like I had the experience

769

00:33:36,799 --> 00:33:34,830

where I'm like well if you do a lot of

770

00:33:38,419 --> 00:33:36,809

that and you're around people that

771

00:33:41,810 --> 00:33:38,429

aren't safe it can be a really really

772

00:33:43,879 --> 00:33:41,820

terrifying and lonely experience but now

773

00:33:45,769 --> 00:33:43,889

I make a joke out of it instead of being

774

00:33:48,440 --> 00:33:45,779

really afraid of it but there's months

775

00:33:51,529 --> 00:33:48,450

on time where it kind of ruined me well

776

00:33:53,570 --> 00:33:51,539

you know there's there's like I can't

777

00:33:55,039 --> 00:33:53,580

speak directly and never would try to

778

00:33:57,169 --> 00:33:55,049

speak directly to kind of your

779

00:34:01,099 --> 00:33:57,179

experience but I can speak to the show

780

00:34:04,099 --> 00:34:01,109

skeptic oh and it's I don't want to say

781

00:34:05,359 --> 00:34:04,109

common but it is the same story that

782

00:34:07,789 --> 00:34:05,369

you're talking about is told over and

783

00:34:09,879 --> 00:34:07,799

over again in a bunch of kind of strange

784

00:34:13,010 --> 00:34:09,889

places I mean one is the kind of

785

00:34:14,359 --> 00:34:13,020

spontaneous spiritual transformative

786

00:34:16,789 --> 00:34:14,369

experience that you're talking about

787

00:34:18,470 --> 00:34:16,799

over and over again you hear it the same

788

00:34:20,930 --> 00:34:18,480

way you know we're talking a little bit

789

00:34:22,599 --> 00:34:20,940

about near-death experience science you

790

00:34:24,919 --> 00:34:22,609

know which is something that I really

791

00:34:26,359 --> 00:34:24,929

latched on to what is this

792

00:34:28,549 --> 00:34:26,369

science behind it are there any

793

00:34:30,589 --> 00:34:28,559

peer-reviewed papers that would lead us

794

00:34:32,180 --> 00:34:30,599

to believe that consciousness does

795

00:34:34,730 --> 00:34:32,190

survive death and at this point there's

796

00:34:44,599 --> 00:34:34,740

over 200 which again Bo doesn't know

797

00:34:46,309 --> 00:34:44,609

about because he doesn't really know

798

00:34:48,230 --> 00:34:46,319

what doesn't it say is you know so you

799

00:34:50,899 --> 00:34:48,240

look at this near-death experience right

800

00:34:53,409 --> 00:34:50,909

and it's all about going to the light

801
00:34:56,450 --> 00:34:53,419
light and love and all these

802
00:34:57,980 --> 00:34:56,460
unbelievably fantastic experiences but

803
00:35:01,069 --> 00:34:57,990
then look at the other side of it and

804
00:35:02,510 --> 00:35:01,079
some researchers have it's the same kind

805
00:35:04,220 --> 00:35:02,520
of integration problems that you're

806
00:35:07,190 --> 00:35:04,230
talking about people go through

807
00:35:08,120 --> 00:35:07,200
depression people experience much higher

808
00:35:11,240 --> 00:35:08,130
rate of divorce

809
00:35:13,430 --> 00:35:11,250
people have this euphoric feeling of

810
00:35:15,200 --> 00:35:13,440
connection with everyone for a while and

811
00:35:17,510 --> 00:35:15,210
then that dissipates and they can

812
00:35:19,520 --> 00:35:17,520
sometimes feel lost now a lot of times

813
00:35:21,970 --> 00:35:19,530

it turns around and they actually build

814

00:35:25,880 --> 00:35:21,980

upon that and feel greater but these

815

00:35:29,960 --> 00:35:25,890

recurring themes of dark night of the

816

00:35:32,780 --> 00:35:29,970

soul transformative experiences that

817

00:35:36,530 --> 00:35:32,790

kind of totally blow our reality back us

818

00:35:40,420 --> 00:35:36,540

on our but all those things are aren't

819

00:35:42,770 --> 00:35:40,430

just commonplace in this realm of

820

00:35:45,589 --> 00:35:42,780

spiritual transformation and just

821

00:35:48,620 --> 00:35:45,599

extended consciousness beyond this kind

822

00:35:51,710 --> 00:35:48,630

of dorky existence that we're told is

823

00:35:53,210 --> 00:35:51,720

all there is that's really interesting I

824

00:35:55,760 --> 00:35:53,220

feel like there should be a sceptical

825

00:35:59,809 --> 00:35:55,770

guide to having a spiritual breakdown

826

00:36:02,349 --> 00:35:59,819

okay flash Awakening I buy it if you put

827

00:36:06,079 --> 00:36:02,359

it in like PDF form I would buy anything

828

00:36:08,329 --> 00:36:06,089

so yeah I think now when I see and my

829

00:36:10,010 --> 00:36:08,339

mind is open to anything so when I watch

830

00:36:12,170 --> 00:36:10,020

a lot of like to bring it back to music

831

00:36:15,200 --> 00:36:12,180

which I'm very versed in bow and I are

832

00:36:16,789 --> 00:36:15,210

both first in a lot of the bands like

833

00:36:19,039 --> 00:36:16,799

when I watch their videos I see the same

834

00:36:21,410 --> 00:36:19,049

symbolism of in a birdcage

835

00:36:24,079 --> 00:36:21,420

you know bathtub like butterflies all

836

00:36:26,180 --> 00:36:24,089

over and I wanted to just kind of get

837

00:36:27,980 --> 00:36:26,190

your take on that in terms of now when

838

00:36:30,950 --> 00:36:27,990

when you watch something are you

839

00:36:32,599 --> 00:36:30,960

watching with the eye about what's going

840

00:36:37,609 --> 00:36:32,609

on or do you watch a lot of stuff just

841

00:36:38,840 --> 00:36:37,619

for enjoyment well you know I think I'd

842

00:36:42,200 --> 00:36:38,850

take that

843

00:36:43,970 --> 00:36:42,210

a different direction and again to try

844

00:36:50,090 --> 00:36:43,980

and be engaged with both because it does

845

00:36:52,430 --> 00:36:50,100

seem kind of no you are so cool I could

846

00:36:58,100 --> 00:36:52,440

tell you're more spiritually Merrill and

847

00:36:59,510 --> 00:36:58,110

I combined so mellow I need yourself but

848

00:37:00,740 --> 00:36:59,520

when we were sitting on the couch you

849

00:37:02,360 --> 00:37:00,750

were talking about and you didn't even

850

00:37:04,460 --> 00:37:02,370

finish the sentence but you're talking

851

00:37:06,860 --> 00:37:04,470

about experience and I think where

852

00:37:08,120 --> 00:37:06,870

you're going was experience trumps

853

00:37:09,740 --> 00:37:08,130

everything

854

00:37:12,440 --> 00:37:09,750

yeah you know and and that's where I

855

00:37:13,910 --> 00:37:12,450

think I would go with with your point

856

00:37:16,070 --> 00:37:13,920

Mara what before I can go there I got to

857

00:37:18,580 --> 00:37:16,080

hear what beau has to say so how do you

858

00:37:20,480 --> 00:37:18,590

feel like how do you process your

859

00:37:22,790 --> 00:37:20,490

experience and in terms of your

860

00:37:25,010 --> 00:37:22,800

experience trumps everything well I

861

00:37:27,200 --> 00:37:25,020

guess I I guess I kind of mean like like

862

00:37:29,690 --> 00:37:27,210

hearing a situation like today knowing

863

00:37:31,760 --> 00:37:29,700

that I'm coming into a conversation with

864

00:37:34,670 --> 00:37:31,770

two people who are almost already

865

00:37:38,360 --> 00:37:34,680

connected in many ways belief system and

866

00:37:39,680 --> 00:37:38,370

so I knowing that I know I'm coming in

867

00:37:41,150 --> 00:37:39,690

from the outside but I feel like the

868

00:37:43,580 --> 00:37:41,160

experience of that I will learn

869

00:37:45,260 --> 00:37:43,590

something I'm never going in go I'm

870

00:37:46,970 --> 00:37:45,270

gonna go make these people sound like

871

00:37:48,290 --> 00:37:46,980

they're crazy or I want to disagree with

872

00:37:50,810 --> 00:37:48,300

them in every way if I do disagree I

873

00:37:54,110 --> 00:37:50,820

will I just feel like honesty over

874

00:37:56,480 --> 00:37:54,120

kindness always say what you is actually

875

00:37:57,620 --> 00:37:56,490

on your mind and accept new experiences

876

00:38:01,220 --> 00:37:57,630

and in every way

877

00:38:04,520 --> 00:38:01,230

I don't agree or subscribe to any one

878

00:38:07,910 --> 00:38:04,530

belief system I was raised Christian but

879

00:38:09,170 --> 00:38:07,920

as a young man said this is [h__h] and

880

00:38:11,660 --> 00:38:09,180

got out of it

881

00:38:13,790 --> 00:38:11,670

and so ever since then I've never looked

882

00:38:16,510 --> 00:38:13,800

back I'm just kind of like take what you

883

00:38:18,830 --> 00:38:16,520

feel is important or what you find

884

00:38:20,840 --> 00:38:18,840

interesting from all these different

885

00:38:22,670 --> 00:38:20,850

parts and experience has been the one

886

00:38:24,910 --> 00:38:22,680

thing throughout my entire life where I

887

00:38:29,150 --> 00:38:24,920

thrust myself into things that I'm

888

00:38:30,980 --> 00:38:29,160

uneducated on uncomfortable with just

889

00:38:33,320 --> 00:38:30,990

because I know I'm gonna grow through

890

00:38:35,990 --> 00:38:33,330

that and so that's what I kind of meant

891

00:38:38,390 --> 00:38:36,000

about the experience of this today is

892

00:38:41,810 --> 00:38:38,400

like I know this guy's gonna hand my ass

893

00:38:46,790 --> 00:38:41,820

to me so I should really go in there and

894

00:38:53,370 --> 00:38:48,870

you're like totally purple right now

895

00:38:57,510 --> 00:38:53,380

micro dosing in the we have our

896

00:38:59,190 --> 00:38:57,520

Starbucks chicken biscuit you know I

897

00:39:01,530 --> 00:38:59,200

think that's that's cool

898

00:39:03,900 --> 00:39:01,540

speak to the other part because this is

899

00:39:06,030 --> 00:39:03,910

like kind of a pet peeve of mine is you

900

00:39:09,600 --> 00:39:06,040

know trusting your experience do you

901
00:39:12,000 --> 00:39:09,610
trust your experience and to what extent

902
00:39:15,360 --> 00:39:12,010
are there limits to how far you would

903
00:39:23,250 --> 00:39:15,370
trust your experience and maybe just

904
00:39:25,680 --> 00:39:23,260
that well I mean gosh that's such an

905
00:39:28,980 --> 00:39:25,690
interesting question because of course I

906
00:39:30,750 --> 00:39:28,990
trust my experience I tried to believe

907
00:39:32,880 --> 00:39:30,760
what I see yeah

908
00:39:34,500 --> 00:39:32,890
you know I don't even know if I totally

909
00:39:36,060 --> 00:39:34,510
understand exactly what you're asking me

910
00:39:37,530 --> 00:39:36,070
because it seems like the answer is of

911
00:39:40,980 --> 00:39:37,540
course just yes do you trust your

912
00:39:43,830 --> 00:39:40,990
experience well yeah maybe I was being a

913
00:39:45,480 --> 00:39:43,840

little bit kind of obtuse there you know

914

00:39:48,300 --> 00:39:45,490

one of the things that happens when

915

00:39:51,330 --> 00:39:48,310

people have unusual experiences like

916

00:39:54,900 --> 00:39:51,340

Meryl was talking about they're forced

917

00:39:56,940 --> 00:39:54,910

with this dilemma of do i how much do i

918

00:39:59,700 --> 00:39:56,950

trust my experience how much do i trust

919

00:40:03,840 --> 00:39:59,710

an experience that shatters my reality

920

00:40:08,220 --> 00:40:03,850

and I think on the edge of that to me is

921

00:40:09,720 --> 00:40:08,230

really kind of a interesting place to be

922

00:40:12,480 --> 00:40:09,730

an interesting place that we all are

923

00:40:14,700 --> 00:40:12,490

like one of the the kind of driving

924

00:40:16,500 --> 00:40:14,710

forces of this show has been you know

925

00:40:18,660 --> 00:40:16,510

trust your experience but don't trust it

926

00:40:21,060 --> 00:40:18,670

too far I mean that is the beauty of

927

00:40:23,970 --> 00:40:21,070

science what science says you know

928

00:40:26,940 --> 00:40:23,980

science had it's a stream at the

929

00:40:29,460 --> 00:40:26,950

ridiculous dopey level that it usually

930

00:40:31,440 --> 00:40:29,470

is portrayed says don't trust anything

931

00:40:34,350 --> 00:40:31,450

about your experience because you don't

932

00:40:37,020 --> 00:40:34,360

have an experience your experience is an

933

00:40:39,630 --> 00:40:37,030

illusion your experience is the right

934

00:40:42,780 --> 00:40:39,640

now think about that see it is the

935

00:40:46,500 --> 00:40:42,790

random firing of the neurons in your

936

00:40:48,270 --> 00:40:46,510

brain you have no free will there is no

937

00:40:50,340 --> 00:40:48,280

way around that you're kind of curling

938

00:40:52,870 --> 00:40:50,350

up your eyebrows there but nothing else

939

00:40:54,789 --> 00:40:52,880

once I know no I'm not

940

00:40:56,890 --> 00:40:54,799

I'm just saying it's so hard my wife is

941

00:40:59,439 --> 00:40:56,900

PhD in psychology and I say this and she

942

00:41:00,789 --> 00:40:59,449

gets mad at me - no time looks back at

943

00:41:02,259 --> 00:41:00,799

you goes back and reads it she goes well

944

00:41:03,819 --> 00:41:02,269

yeah I can see how you can interpret

945

00:41:05,739 --> 00:41:03,829

that there's really no other way to

946

00:41:08,170 --> 00:41:05,749

interpret it that's what science is

947

00:41:10,660 --> 00:41:08,180

saying there is no free will there is no

948

00:41:12,189 --> 00:41:10,670

ghost inside the machine as they say it

949

00:41:14,890 --> 00:41:12,199

there is nothing really sitting back

950

00:41:17,439 --> 00:41:14,900

there deciding what to think and what to

951
00:41:20,219 --> 00:41:17,449
do and what to observe it's all a

952
00:41:22,930 --> 00:41:20,229
biological robot this is an insane idea

953
00:41:25,180 --> 00:41:22,940
but it's where science is stuck because

954
00:41:27,099 --> 00:41:25,190
it has some certain advantages in terms

955
00:41:29,289 --> 00:41:27,109
of making things work out you know part

956
00:41:33,039 --> 00:41:29,299
of the good part of not trusting your

957
00:41:35,049 --> 00:41:33,049
experience is does Meryl take her entire

958
00:41:36,789 --> 00:41:35,059
experience and say that's it I heard

959
00:41:39,430 --> 00:41:36,799
these voices they sounded demonic

960
00:41:42,939 --> 00:41:39,440
therefore you know I got to go with that

961
00:41:45,189 --> 00:41:42,949
or does she say well gee you know what

962
00:41:47,890 --> 00:41:45,199
other experiences are other people

963
00:41:48,430 --> 00:41:47,900

having how do I compare or contrast fit

964

00:41:51,309 --> 00:41:48,440

in

965

00:41:52,779 --> 00:41:51,319

are there any science studies that have

966

00:41:53,529 --> 00:41:52,789

been done does this ever happen to

967

00:41:56,829 --> 00:41:53,539

anyone else

968

00:41:59,529 --> 00:41:56,839

and so this process of both trusting the

969

00:42:01,749 --> 00:41:59,539

experience and at the same time not

970

00:42:03,999 --> 00:42:01,759

trusting the experience is kind of

971

00:42:06,849 --> 00:42:04,009

something that I play off on and I guess

972

00:42:14,559 --> 00:42:06,859

I was picking on you again no really

973

00:42:17,049 --> 00:42:14,569

yeah really because I I think with that

974

00:42:25,019 --> 00:42:17,059

with that what do you trust your

975

00:42:30,640 --> 00:42:28,870

first off you know I'm sitting here I'm

976
00:42:34,089 --> 00:42:30,650
listening to you guys and I'm like yeah

977
00:42:37,150 --> 00:42:34,099
I sound like an idiot just because I

978
00:42:39,759 --> 00:42:37,160
sound like I'm so close-minded to new

979
00:42:41,229 --> 00:42:39,769
experience or new ideas or like I

980
00:42:43,269 --> 00:42:41,239
already have a set and I know what it is

981
00:42:46,029 --> 00:42:43,279
and this is life and blah blah blah but

982
00:42:49,150 --> 00:42:46,039
I don't feel that way honestly I am

983
00:42:50,920 --> 00:42:49,160
feeling like a constant evolution of new

984
00:42:52,719 --> 00:42:50,930
ideas and and as you sit here and

985
00:42:55,900 --> 00:42:52,729
talking like well yeah of course

986
00:42:58,170 --> 00:42:55,910
like I'm with you I'm with you on on a

987
00:43:03,160 --> 00:42:58,180
lot of what you're saying

988
00:43:04,779 --> 00:43:03,170

it's just I'm still probably getting

989

00:43:06,460 --> 00:43:04,789

over some my own belief shift that

990

00:43:09,550 --> 00:43:06,470

haven't dealt with

991

00:43:11,050 --> 00:43:09,560

and especially going back to UFOs and

992

00:43:13,150 --> 00:43:11,060

things like that sigh me like well I

993

00:43:14,500 --> 00:43:13,160

believe in them but I don't believe you

994

00:43:17,050 --> 00:43:14,510

you know it's the kind of thing it's

995

00:43:23,440 --> 00:43:17,060

like what am i arguing about like truly

996

00:43:25,210 --> 00:43:23,450

and and so I do think - I do a lot of I

997

00:43:29,470 --> 00:43:25,220

do a lot of thinking by myself

998

00:43:33,040 --> 00:43:29,480

and he's by himself a lot nobody wants

999

00:43:36,910 --> 00:43:33,050

to hang out no but and in that time I

1000

00:43:38,230 --> 00:43:36,920

I'm not a I personally don't feel like I

1001
00:43:40,599 --> 00:43:38,240
just go throughout my day not

1002
00:43:42,339 --> 00:43:40,609
challenging ideas I try to be an

1003
00:43:43,960 --> 00:43:42,349
open-minded person that's not me saying

1004
00:43:45,910 --> 00:43:43,970
like look at me and open-minded but

1005
00:43:51,700 --> 00:43:45,920
maybe that's for someone else to even

1006
00:43:53,140 --> 00:43:51,710
say about me but I do feel like what

1007
00:43:59,020 --> 00:43:53,150
you're saying right now is kind of

1008
00:44:02,560 --> 00:43:59,030
messing with me a bit so yeah the idea

1009
00:44:04,510 --> 00:44:02,570
that I have no free will I don't believe

1010
00:44:05,170 --> 00:44:04,520
and I kind of do believe so I'm

1011
00:44:12,070 --> 00:44:05,180
conflicted

1012
00:44:13,990 --> 00:44:12,080
why why anything is happening I can't

1013
00:44:16,770 --> 00:44:14,000

truly explain other than I think oh I

1014

00:44:19,150 --> 00:44:16,780

have the choice to do this but like yeah

1015

00:44:22,900 --> 00:44:19,160

so I think I am at at a point right now

1016

00:44:26,230 --> 00:44:22,910

where I'm on the edge of of learning

1017

00:44:29,620 --> 00:44:26,240

that next place whether it's levels or

1018

00:44:31,359 --> 00:44:29,630

something I don't know so I'm open to

1019

00:44:35,140 --> 00:44:31,369

your ideas we even though they sound

1020

00:44:38,349 --> 00:44:35,150

[h__\h] to me I'm willing to sit here

1021

00:44:40,870 --> 00:44:38,359

through your ridicule you foxy let's

1022

00:44:44,620 --> 00:44:40,880

let's keep going keep going and well I

1023

00:44:46,750 --> 00:44:44,630

think is maybe some of like his feelings

1024

00:44:48,640 --> 00:44:46,760

are due to if we had like Mountain Dew

1025

00:44:50,290 --> 00:44:48,650

yesterday the chemicals in that and then

1026
00:44:52,540 --> 00:44:50,300
he ate a pig and the pig was screaming

1027
00:44:54,430 --> 00:44:52,550
for its death as it like it didn't want

1028
00:44:56,500 --> 00:44:54,440
to die and then now he has like the pigs

1029
00:44:58,810 --> 00:44:56,510
cortisol in him so I think that there's

1030
00:45:00,910 --> 00:44:58,820
a lot at play I also happen to be like I

1031
00:45:03,970 --> 00:45:00,920
love animals I love animal welfare so I

1032
00:45:05,589 --> 00:45:03,980
always think about where people come

1033
00:45:08,560 --> 00:45:05,599
from but I also think that there's a lot

1034
00:45:10,240 --> 00:45:08,570
of like I don't think I trust my

1035
00:45:12,190 --> 00:45:10,250
experience in the way that the way that

1036
00:45:14,079 --> 00:45:12,200
our food was contaminated now and the

1037
00:45:16,180 --> 00:45:14,089
way that our air is contaminated and

1038
00:45:18,940 --> 00:45:16,190

like I trust my experience as like a

1039

00:45:20,320 --> 00:45:18,950

soul person from the beginning but now I

1040

00:45:22,570 --> 00:45:20,330

feel like there's so much just mess

1041

00:45:25,090 --> 00:45:22,580

stuff about what's going on in our like

1042

00:45:28,600 --> 00:45:25,100

lifetime that I feel like I'm Way off

1043

00:45:30,220 --> 00:45:28,610

from the experience that like I feel

1044

00:45:31,390 --> 00:45:30,230

like the me that was born like when I

1045

00:45:33,490 --> 00:45:31,400

thought it was going to be when I came

1046

00:45:35,980 --> 00:45:33,500

into this planet now it seems like way

1047

00:45:37,450 --> 00:45:35,990

messed up to me like I almost feel like

1048

00:45:41,620 --> 00:45:37,460

I didn't ask for all this on a certain

1049

00:45:43,600 --> 00:45:41,630

level who like to be on this at a time

1050

00:45:46,000 --> 00:45:43,610

when like things are so kind of

1051
00:45:57,250 --> 00:45:46,010
contaminated whether its food or air or

1052
00:46:18,640 --> 00:45:57,260
just beliefs or you know like okay on

1053
00:46:22,960 --> 00:46:18,650
the planet but yeah that's the thing I

1054
00:46:24,880 --> 00:46:22,970
think about you is just the hypocrisy

1055
00:46:27,040 --> 00:46:24,890
and I'm completely hypocritical to of

1056
00:46:28,600 --> 00:46:27,050
like having beliefs thinking that

1057
00:46:31,780 --> 00:46:28,610
there's stuff out there but to me like

1058
00:46:33,520 --> 00:46:31,790
consuming beings or you know animals

1059
00:46:34,900 --> 00:46:33,530
that didn't want to die is a big thing I

1060
00:46:37,690 --> 00:46:34,910
think about I'm not vegan or vegetarian

1061
00:46:48,850 --> 00:46:37,700
but it's something that like wait a

1062
00:46:51,370 --> 00:46:48,860
minute it's a big giant like disparity

1063
00:46:52,990 --> 00:46:51,380

in how I feel and think and sometimes

1064

00:46:54,820 --> 00:46:53,000

will be even on the way here we ate a

1065

00:46:56,080 --> 00:46:54,830

chicken sandwich and in my ideas you

1066

00:46:57,520 --> 00:46:56,090

that you can say would you didn't have

1067

00:46:59,830 --> 00:46:57,530

to eat the chicken I don't know I'm in a

1068

00:47:01,600 --> 00:46:59,840

weird zone where like I haven't no you

1069

00:47:03,520 --> 00:47:01,610

just ate the chicken sandwich you're not

1070

00:47:06,000 --> 00:47:03,530

any weird zone you just decided to eat

1071

00:47:08,560 --> 00:47:06,010

the chicken sandwich

1072

00:47:10,750 --> 00:47:08,570

chickens soul a little part of the

1073

00:47:12,010 --> 00:47:10,760

chicken soul at me that was a starbucks

1074

00:47:14,290 --> 00:47:12,020

sandwich it wasn't even real chicken

1075

00:47:17,020 --> 00:47:14,300

probably honest it was like it was

1076
00:47:19,090 --> 00:47:17,030
probably like Haitian kids well then we

1077
00:47:20,200 --> 00:47:19,100
ate a bell actually we could not get

1078
00:47:22,570 --> 00:47:20,210
enough of the balloon Manavi

1079
00:47:23,980 --> 00:47:22,580
so balloon Minotti if i go through the

1080
00:47:26,440 --> 00:47:23,990
drive-thru and ask for like i'm just

1081
00:47:27,820 --> 00:47:26,450
like coming here the tryingo meal but

1082
00:47:29,320 --> 00:47:27,830
yes so that's a big thing i think about

1083
00:47:31,900 --> 00:47:29,330
you and i think ever since i had my

1084
00:47:33,700 --> 00:47:31,910
experience and way more open to like

1085
00:47:35,829 --> 00:47:33,710
like I think about the way

1086
00:47:37,630 --> 00:47:35,839
cows feel in their fear as they like

1087
00:47:39,250 --> 00:47:37,640
walk to get killed and everything and

1088
00:47:41,800 --> 00:47:39,260

that makes me want to like fall to the

1089

00:47:43,839 --> 00:47:41,810

floor in crumpled but I still don't

1090

00:47:46,120 --> 00:47:43,849

choose to eat vegetarian or vegan which

1091

00:47:48,370 --> 00:47:46,130

I so it on a certain level everything

1092

00:47:50,710 --> 00:47:48,380

that I feel is like [h__h] do I can't

1093

00:47:52,240 --> 00:47:50,720

be holier than that with any of my

1094

00:47:54,700 --> 00:47:52,250

beliefs because I feel like I've one big

1095

00:47:57,849 --> 00:47:54,710

walking hypocrite in that realm

1096

00:47:59,290 --> 00:47:57,859

particularly oh this is why I'm so

1097

00:48:03,520 --> 00:47:59,300

skeptical of everything she said are you

1098

00:48:07,870 --> 00:48:03,530

vegetarian or vegan nope no no I am you

1099

00:48:11,920 --> 00:48:07,880

know my personal philosophy is you know

1100

00:48:14,710 --> 00:48:11,930

I'm about 90% vegetarian very well and

1101

00:48:16,990 --> 00:48:14,720

and and and I think in my way of

1102

00:48:18,910 --> 00:48:17,000

thinking that's good I mean that's I'm

1103

00:48:22,690 --> 00:48:18,920

moving in the right direction yeah yeah

1104

00:48:24,010 --> 00:48:22,700

yeah less meat is good it's it's good

1105

00:48:25,900 --> 00:48:24,020

and kind of all these different

1106

00:48:27,339 --> 00:48:25,910

environmental ways it's probably also

1107

00:48:28,960 --> 00:48:27,349

good for your soul and the way that

1108

00:48:32,950 --> 00:48:28,970

you're talking about but I don't get too

1109

00:48:35,530 --> 00:48:32,960

hung up on it you know in terms of that

1110

00:48:37,270 --> 00:48:35,540

part of it because you can't in my

1111

00:48:39,460 --> 00:48:37,280

understanding you can't really follow

1112

00:48:41,560 --> 00:48:39,470

that through any logical conclusion in

1113

00:48:43,690 --> 00:48:41,570

terms of what that means in terms of all

1114

00:48:46,450 --> 00:48:43,700

these different souls you know that's

1115

00:48:48,339 --> 00:48:46,460

kind of I I I'm not at a level where I

1116

00:48:50,380 --> 00:48:48,349

could pretend to kind of understand that

1117

00:48:52,030 --> 00:48:50,390

and I think that's also where some of

1118

00:48:54,849 --> 00:48:52,040

this stuff takes you back to maybe kind

1119

00:48:57,520 --> 00:48:54,859

of oh is that I mean if you really kind

1120

00:49:00,730 --> 00:48:57,530

of process this you realize that there

1121

00:49:02,349 --> 00:49:00,740

are no answers because it is at a

1122

00:49:04,720 --> 00:49:02,359

different level

1123

00:49:09,700 --> 00:49:04,730

you know yep that's a little bit

1124

00:49:11,440 --> 00:49:09,710

abstract if science is wrong about the

1125

00:49:13,180 --> 00:49:11,450

biological robot need in this universe

1126

00:49:16,000 --> 00:49:13,190

then what they're really wrong about is

1127

00:49:19,120 --> 00:49:16,010

this idea of consciousness consciousness

1128

00:49:20,890 --> 00:49:19,130

is that voice inside your head not the

1129

00:49:22,900 --> 00:49:20,900

crazy voice inside your head but the

1130

00:49:25,450 --> 00:49:22,910

calm voice inside your head when you

1131

00:49:28,839 --> 00:49:25,460

just sit back and say okay I'm gonna say

1132

00:49:31,089 --> 00:49:28,849

hello and who heard that hello well

1133

00:49:33,970 --> 00:49:31,099

there's someone always something some

1134

00:49:37,630 --> 00:49:33,980

part of me that is always present so

1135

00:49:39,190 --> 00:49:37,640

that's a real consciousness and that's

1136

00:49:41,260 --> 00:49:39,200

the consciousness that does seem to

1137

00:49:43,150 --> 00:49:41,270

survive bodily death so these near-death

1138

00:49:45,370 --> 00:49:43,160

experiences these people have cardiac

1139

00:49:47,079 --> 00:49:45,380

arrest they're dead their brain is no

1140

00:49:47,440 --> 00:49:47,089

longer functioning and yet they come

1141

00:49:49,690 --> 00:49:47,450

back

1142

00:49:52,960 --> 00:49:49,700

can tell you how they were resuscitated

1143

00:49:55,990 --> 00:49:52,970

you know I just had on a researcher dr.

1144

00:49:59,710 --> 00:49:56,000

penny Satori who that was her research

1145

00:50:01,810 --> 00:49:59,720

is to go and talk to people who had a

1146

00:50:03,730 --> 00:50:01,820

cardiac arrest were dead for a couple

1147

00:50:06,220 --> 00:50:03,740

minutes and then she says how are you

1148

00:50:09,510 --> 00:50:06,230

resuscitated and most people are like

1149

00:50:12,670 --> 00:50:09,520

what do you mean I was dead I don't know

1150

00:50:14,590 --> 00:50:12,680

but some people in then she goes okay

1151

00:50:16,510 --> 00:50:14,600

well we'll just tell me what you think I

1152

00:50:19,000 --> 00:50:16,520

go well they probably came in this night

1153

00:50:20,380 --> 00:50:19,010

will they get it all wrong and then

1154

00:50:21,970 --> 00:50:20,390

there's another group of people these

1155

00:50:24,340 --> 00:50:21,980

people have these near-death experiences

1156

00:50:26,560 --> 00:50:24,350

and they come in they go almost kind of

1157

00:50:28,150 --> 00:50:26,570

surprised because there wasn't the PALS

1158

00:50:30,340 --> 00:50:28,160

they just came over and started pumping

1159

00:50:32,020 --> 00:50:30,350

my heart as my practice one nurse gonna

1160

00:50:33,970 --> 00:50:32,030

do it very well so she called this other

1161

00:50:37,420 --> 00:50:33,980

guy over and then they started doing it

1162

00:50:40,450 --> 00:50:37,430

there is no way that people should be

1163

00:50:42,630 --> 00:50:40,460

able to recall after a minute or two

1164

00:50:46,150 --> 00:50:42,640

after they're dead how they were

1165

00:50:49,690 --> 00:50:46,160

resuscitated so clearly not clearly but

1166

00:50:51,730 --> 00:50:49,700

apparently consciousness survives bodily

1167

00:50:54,880 --> 00:50:51,740

death so but the point that about

1168

00:50:58,020 --> 00:50:54,890

consciousness is if there really is this

1169

00:51:03,640 --> 00:50:58,030

consciousness if it really does exist

1170

00:51:06,610 --> 00:51:03,650

then it is probably fundamental it is

1171

00:51:11,410 --> 00:51:06,620

probably what everything is built on top

1172

00:51:13,840 --> 00:51:11,420

of so you me the microphone all that is

1173

00:51:18,340 --> 00:51:13,850

probably in some way we can't understand

1174

00:51:20,590 --> 00:51:18,350

or articulate part of consciousness just

1175

00:51:22,720 --> 00:51:20,600

like we're part of consciousness rather

1176

00:51:24,490 --> 00:51:22,730

than we're here and everything is out

1177

00:51:26,980 --> 00:51:24,500

there that's really abstract

1178

00:51:30,790 --> 00:51:26,990

philosophical stuff but if you process

1179

00:51:34,270 --> 00:51:30,800

it it's the only conclusion that makes

1180

00:51:36,610 --> 00:51:34,280

any kind of sense if consciousness is

1181

00:51:38,740 --> 00:51:36,620

real and that's why science lies so much

1182

00:51:40,300 --> 00:51:38,750

about consciousness and says no no let's

1183

00:51:42,070 --> 00:51:40,310

just call the biologic or what's means

1184

00:51:45,250 --> 00:51:42,080

you know there's lots simpler than

1185

00:51:46,840 --> 00:51:45,260

getting into all that other stuff of how

1186

00:51:51,310 --> 00:51:46,850

many angels hit them fit on the head of

1187

00:51:53,530 --> 00:51:51,320

a pin let's not go there I hope they

1188

00:51:56,260 --> 00:51:53,540

come back as a snail or I feel like my

1189

00:51:57,400 --> 00:51:56,270

consciousness will like get imported and

1190

00:51:59,380 --> 00:51:57,410

I'm just gonna be a snail like

1191

00:52:00,950 --> 00:51:59,390

slithering across the pavement that

1192

00:52:02,990 --> 00:52:00,960

someone steps on or something

1193

00:52:04,700 --> 00:52:03,000

but I was gonna say I actually grew up

1194

00:52:07,430 --> 00:52:04,710

my dad as a scientist and he's a

1195

00:52:11,210 --> 00:52:07,440

botanist so I grew up with a big science

1196

00:52:12,920 --> 00:52:11,220

background which I think helps in some

1197

00:52:15,470 --> 00:52:12,930

way like you know the way we classify

1198

00:52:17,900 --> 00:52:15,480

kingdoms and the way we have let name

1199

00:52:19,930 --> 00:52:17,910

for plants and I like that view of

1200

00:52:22,849 --> 00:52:19,940

science where it helps us classify the

1201

00:52:25,270 --> 00:52:22,859

tangible things in life but I'll

1202

00:52:27,859 --> 00:52:25,280

definitely have the wide open view of

1203

00:52:30,710 --> 00:52:27,869

other things happening in the realm but

1204

00:52:33,770 --> 00:52:30,720

I love science in the way where now if

1205

00:52:35,210 --> 00:52:33,780

someone's leg is bleeding science has

1206

00:52:37,160 --> 00:52:35,220

helped us develop it like I don't think

1207

00:52:39,740 --> 00:52:37,170

it would do much good just to be like my

1208

00:52:42,530 --> 00:52:39,750

leg is bleeding but the consciousness of

1209

00:52:43,790 --> 00:52:42,540

the blood is the same as the as the like

1210

00:52:45,020 --> 00:52:43,800

stretchers that I'm laying on or

1211

00:52:47,480 --> 00:52:45,030

something like that you know I love the

1212

00:52:50,300 --> 00:52:47,490

way that we've developed antibiotics and

1213

00:52:53,630 --> 00:52:50,310

stuff like that but I don't know I think

1214

00:52:58,490 --> 00:52:53,640

both I'm respectful of science but I'm

1215

00:53:01,579 --> 00:52:58,500

also open to other realms within

1216

00:53:04,460 --> 00:53:01,589

consciousness hey so you guys tell me

1217

00:53:07,430 --> 00:53:04,470

where are you going with camphor Shh oh

1218

00:53:09,920 --> 00:53:07,440

wow that you've now that you've been

1219

00:53:12,589 --> 00:53:09,930

blown away by the UFO reality

1220

00:53:14,390 --> 00:53:12,599

well nozzoli gonna change I'm totally

1221

00:53:15,620 --> 00:53:14,400

screwed I don't even want to do the [h__\h]

1222

00:53:16,910 --> 00:53:15,630

show I'm actually gonna come on your

1223

00:53:19,550 --> 00:53:16,920

show from now on even though your

1224

00:53:20,960 --> 00:53:19,560

viewers are gonna hate it I'm gonna come

1225

00:53:23,810 --> 00:53:20,970

and just be here every week and I'm

1226
00:53:25,940 --> 00:53:23,820
planning an intergalactic tour for us so

1227
00:53:29,120 --> 00:53:25,950
Elon Musk if you're listening we're

1228
00:53:30,859 --> 00:53:29,130
ready to know we have a mix tweet this

1229
00:53:33,050 --> 00:53:30,869
is why we love talking to you we love

1230
00:53:35,420 --> 00:53:33,060
talking to anyone with strong beliefs

1231
00:53:38,660 --> 00:53:35,430
whether they're comedians you know

1232
00:53:42,260 --> 00:53:38,670
people like you any what you saying is

1233
00:53:46,339 --> 00:53:42,270
you're not funny comedians or people

1234
00:53:48,170 --> 00:53:46,349
like you know actors we have we have all

1235
00:53:51,380 --> 00:53:48,180
types of really interesting guests and a

1236
00:53:54,800 --> 00:53:51,390
lot of us about like getting down to not

1237
00:53:56,030 --> 00:53:54,810
what we do but who we are and you know a

1238
00:53:58,310 --> 00:53:56,040

lot of people want to talk about the job

1239

00:53:59,780 --> 00:53:58,320

that they have or the you know maybe

1240

00:54:02,450 --> 00:53:59,790

even the belief system that they have

1241

00:54:04,099 --> 00:54:02,460

but we want to talk about the joining

1242

00:54:06,109 --> 00:54:04,109

forces of what a story where an

1243

00:54:08,180 --> 00:54:06,119

experience can bring people and a lot of

1244

00:54:10,820 --> 00:54:08,190

times that comes out very cleanly in

1245

00:54:12,800 --> 00:54:10,830

front of a campfire you know as a kid

1246

00:54:14,570 --> 00:54:12,810

sitting around a campfire people start

1247

00:54:17,000 --> 00:54:14,580

telling stories and it's

1248

00:54:18,770 --> 00:54:17,010

nice to hear that we all are kind of in

1249

00:54:20,750 --> 00:54:18,780

the same place regardless of our beliefs

1250

00:54:22,940 --> 00:54:20,760

and we've all had that embarrassing

1251

00:54:26,450 --> 00:54:22,950

story or that thing that has shaped us

1252

00:54:28,520 --> 00:54:26,460

in some way over and over and over again

1253

00:54:30,560 --> 00:54:28,530

and so we try to get to that and in a

1254

00:54:32,510 --> 00:54:30,570

comedic way in a fun and comfortable way

1255

00:54:35,420 --> 00:54:32,520

yeah and I think it's all just like a

1256

00:54:38,510 --> 00:54:35,430

cosmic joke anyway so good and bad we

1257

00:54:40,070 --> 00:54:38,520

just look at it from a like that what

1258

00:54:42,170 --> 00:54:40,080

are some of your favorite shows so far

1259

00:54:47,020 --> 00:54:42,180

that we've done yeah

1260

00:54:49,640 --> 00:54:47,030

oh we just had a comedian on who is a

1261

00:54:52,040 --> 00:54:49,650

fantastic impressionist so I loved

1262

00:54:54,260 --> 00:54:52,050

hearing about her realm she had a hit go

1263

00:54:56,480 --> 00:54:54,270

viral her name is Lauren O'Brien and a

1264

00:54:58,730 --> 00:54:56,490

few years ago she had a viral video on

1265

00:55:00,380 --> 00:54:58,740

YouTube that got up to like 16 million

1266

00:55:01,340 --> 00:55:00,390

views it was talked about on Good

1267

00:55:02,810 --> 00:55:01,350

Morning America

1268

00:55:05,000 --> 00:55:02,820

she had the Ellen Show calling so I

1269

00:55:06,980 --> 00:55:05,010

really enjoyed that episode because she

1270

00:55:08,630 --> 00:55:06,990

talked about what it was like to go kind

1271

00:55:10,880 --> 00:55:08,640

of internet-famous within a night you

1272

00:55:12,800 --> 00:55:10,890

know she was on a flight from here to

1273

00:55:14,510 --> 00:55:12,810

New York and by the time she landed in

1274

00:55:17,180 --> 00:55:14,520

New York she was famous on the internet

1275

00:55:19,100 --> 00:55:17,190

and it was really weird to hear her view

1276

00:55:21,080 --> 00:55:19,110

of how she kind of made it in Hollywood

1277

00:55:23,510 --> 00:55:21,090

for a few weeks and then before you know

1278

00:55:26,030 --> 00:55:23,520

it the news cycle was over and she was

1279

00:55:28,100 --> 00:55:26,040

dropped her agency dropped her and just

1280

00:55:29,300 --> 00:55:28,110

how she recovered from then so I feel

1281

00:55:30,830 --> 00:55:29,310

like people that are interested in the

1282

00:55:32,170 --> 00:55:30,840

entertainment industry will really love

1283

00:55:34,070 --> 00:55:32,180

it because it's an inside look at how

1284

00:55:35,210 --> 00:55:34,080

exciting it can be and everyone's

1285

00:55:37,040 --> 00:55:35,220

kissing your ass and then all of a

1286

00:55:39,890 --> 00:55:37,050

sudden you're dropped like a cold potato

1287

00:55:40,550 --> 00:55:39,900

and no one wants you so I like that

1288

00:55:42,260 --> 00:55:40,560

episode a lot

1289

00:55:46,280 --> 00:55:42,270

yeah and juxtapose that with the last

1290

00:55:49,700 --> 00:55:46,290

episode which was I was curious that

1291

00:55:54,470 --> 00:55:49,710

maybe my girlfriend was cheating on me

1292

00:55:55,940 --> 00:55:54,480

and so the universe happened and put me

1293

00:55:58,790 --> 00:55:55,950

in a situation where I actually got to

1294

00:56:00,950 --> 00:55:58,800

catch her cheating on me with a guy and

1295

00:56:03,830 --> 00:56:00,960

it was just I just lay the whole story

1296

00:56:05,630 --> 00:56:03,840

out and it's very vulnerable and awful

1297

00:56:07,670 --> 00:56:05,640

and wonderful and I feel electric

1298

00:56:09,200 --> 00:56:07,680

because of it but it wasn't a great

1299

00:56:10,760 --> 00:56:09,210

thing to go through that was the latest

1300

00:56:12,560 --> 00:56:10,770

episode of course poe's trying to tell

1301
00:56:13,730 --> 00:56:12,570
me as a friend and I'm like wait wait we

1302
00:56:16,310 --> 00:56:13,740
have the podcast about this I know

1303
00:56:19,440 --> 00:56:16,320
you're heartbroken but this is the

1304
00:56:23,730 --> 00:56:19,450
he told me the story genuinely for the

1305
00:56:24,810 --> 00:56:23,740
first time that's I mean I don't know I

1306
00:56:27,090 --> 00:56:24,820
mean it's it's horrible

1307
00:56:31,050 --> 00:56:27,100
let's go through that but what do you

1308
00:56:33,240 --> 00:56:31,060
make of that that part of podcasting I

1309
00:56:35,520 --> 00:56:33,250
think that's absolutely awesome I think

1310
00:56:38,280 --> 00:56:35,530
that's awesome that you did that and you

1311
00:56:39,990 --> 00:56:38,290
share that I'm sure a lot of people you

1312
00:56:41,760 --> 00:56:40,000
know benefited from it and at the same

1313
00:56:44,580 --> 00:56:41,770

time I've relate to the exhilaration

1314

00:56:47,220 --> 00:56:44,590

part you know it is exhilarating to

1315

00:56:50,220 --> 00:56:47,230

share and be that open in that way do

1316

00:56:52,320 --> 00:56:50,230

you guys have any thoughts on that I

1317

00:56:54,900 --> 00:56:52,330

made I think we've both made a pact with

1318

00:56:58,080 --> 00:56:54,910

each other in the podcast to be as real

1319

00:57:01,050 --> 00:56:58,090

and honest as we can and to not put on

1320

00:57:02,670 --> 00:57:01,060

any airs so I love that beauty of

1321

00:57:04,980 --> 00:57:02,680

podcasting just because we're not gonna

1322

00:57:13,170 --> 00:57:04,990

hold into any sponsors knowing that

1323

00:57:14,670 --> 00:57:13,180

radio is I'm sorry I was good to us

1324

00:57:16,140 --> 00:57:14,680

oh that's okay okay now I can hear so

1325

00:57:18,060 --> 00:57:16,150

yeah let me start over I was just gonna

1326

00:57:20,040 --> 00:57:18,070

say I love the beauty of podcasting as

1327

00:57:22,440 --> 00:57:20,050

we're not beholden to sponsors the way

1328

00:57:25,830 --> 00:57:22,450

that radio is until we can come with our

1329

00:57:27,090 --> 00:57:25,840

own opinions and if the listener doesn't

1330

00:57:29,880 --> 00:57:27,100

agree they can keep listening or they

1331

00:57:31,290 --> 00:57:29,890

can switch off but you know our safe of

1332

00:57:32,520 --> 00:57:31,300

the podcast no matter how big the

1333

00:57:34,470 --> 00:57:32,530

listenership is or make it smaller

1334

00:57:36,510 --> 00:57:34,480

bigger it's like we're gonna stay true

1335

00:57:38,490 --> 00:57:36,520

and then integral to herself only that

1336

00:57:42,210 --> 00:57:38,500

you have with yours I'm doing nobody a

1337

00:57:47,700 --> 00:57:42,220

favor by making a story I'd rather just

1338

00:57:51,450 --> 00:57:47,710

be completely honest so but [h__h] man

1339

00:57:54,360 --> 00:57:51,460

that's do you realize that there's never

1340

00:57:57,090 --> 00:57:54,370

been anything like that that we know of

1341

00:57:59,400 --> 00:57:57,100

in history I mean that is kind of

1342

00:58:03,890 --> 00:57:59,410

mind-blowing but think about it though

1343

00:58:07,530 --> 00:58:03,900

even 5-10 years ago there was no one

1344

00:58:10,620 --> 00:58:07,540

broadcasting to everybody there carry

1345

00:58:13,260 --> 00:58:10,630

their girlfriend cheating on him I mean

1346

00:58:14,760 --> 00:58:13,270

what do you think that what do you think

1347

00:58:16,350 --> 00:58:14,770

that what do you think about that what

1348

00:58:18,210 --> 00:58:16,360

do you think that means for our culture

1349

00:58:19,530 --> 00:58:18,220

I think it's it could be a great thing

1350

00:58:21,090 --> 00:58:19,540

but as we were talking about with the

1351

00:58:23,250 --> 00:58:21,100

neighbors thing you know you're not

1352

00:58:25,380 --> 00:58:23,260

telling it to your neighbor now you're

1353

00:58:28,960 --> 00:58:25,390

gonna tell it to the world

1354

00:58:32,440 --> 00:58:28,970

maybe that's really cool no I I think we

1355

00:58:34,210 --> 00:58:32,450

have that we have that place to do it

1356

00:58:36,220 --> 00:58:34,220

now where we didn't have it and it is

1357

00:58:38,410 --> 00:58:36,230

safe for me to tell a story to Merrill

1358

00:58:39,759 --> 00:58:38,420

in front of two microphones and not sit

1359

00:58:42,819 --> 00:58:39,769

in front of a huge crowd of people and

1360

00:58:45,849 --> 00:58:42,829

go I have to challenge the fact that my

1361

00:58:47,979 --> 00:58:45,859

girlfriend cheated on me and then I have

1362

00:58:49,450 --> 00:58:47,989

to ask the question why I mean

1363

00:58:50,979 --> 00:58:49,460

ultimately I come to the decision that

1364

00:58:53,349 --> 00:58:50,989

if someone's gonna cheat on somebody

1365

00:58:54,970 --> 00:58:53,359

it's not your fault it's their fault

1366

00:58:58,269 --> 00:58:54,980

it's on them they get to live with that

1367

00:59:00,039 --> 00:58:58,279

junk but it is very vulnerable and I

1368

00:59:02,349 --> 00:59:00,049

think in many ways it's therapy

1369

00:59:04,089 --> 00:59:02,359

it's absolutely therapy instead of

1370

00:59:05,650 --> 00:59:04,099

holding things in and letting it destroy

1371

00:59:08,589 --> 00:59:05,660

you and letting it grow bigger than you

1372

00:59:10,900 --> 00:59:08,599

put it out there say [h__h] it I'm gonna

1373

00:59:12,849 --> 00:59:10,910

expose this for what it is exactly what

1374

00:59:14,140 --> 00:59:12,859

you're doing you're kind of putting some

1375

00:59:15,789 --> 00:59:14,150

exposure out there putting your

1376

00:59:18,539 --> 00:59:15,799

honest-to-god feelings or

1377

00:59:21,279 --> 00:59:18,549

honest-to-goodness feelings out there

1378

00:59:22,569 --> 00:59:21,289

honestly we've been letting people you

1379

00:59:25,269 --> 00:59:22,579

know that's why you have viewers or

1380

00:59:25,870 --> 00:59:25,279

listeners because they go yeah I feel

1381

00:59:27,910 --> 00:59:25,880

that way too

1382

00:59:30,039 --> 00:59:27,920

and I've had people already write me and

1383

00:59:32,620 --> 00:59:30,049

say man I'm so glad you shared that

1384

00:59:34,900 --> 00:59:32,630

story you know hardly ever do people get

1385

00:59:37,150 --> 00:59:34,910

caught they just get away with it you

1386

00:59:39,789 --> 00:59:37,160

find out later or something but like I

1387

00:59:43,690 --> 00:59:39,799

was in the trenches like I see you I'm

1388

00:59:45,370 --> 00:59:43,700

gonna get you you know and so they

1389

00:59:47,140 --> 00:59:45,380

really enjoyed that and so that tells

1390

00:59:49,089 --> 00:59:47,150

you a lot about what society really

1391

00:59:52,239 --> 00:59:49,099

wants they are craving for that like

1392

00:59:54,400 --> 00:59:52,249

honesty or that's vulnerability you know

1393

00:59:56,140 --> 00:59:54,410

I guess part of the place I was going

1394

00:59:57,999 --> 00:59:56,150

with that is that I think the knee-jerk

1395

01:00:01,229 --> 00:59:58,009

reaction especially from people from the

1396

01:00:04,359 --> 01:00:01,239

outside looking in it is to kind of

1397

01:00:06,670 --> 01:00:04,369

disparage that or kind of say you know

1398

01:00:08,829 --> 01:00:06,680

oh how screwed up you know our culture

1399

01:00:10,660 --> 01:00:08,839

is then you won't share it with your

1400

01:00:12,880 --> 01:00:10,670

neighbor you won't go bowling but you I

1401

01:00:15,130 --> 01:00:12,890

feel like you do I feel the opposite I

1402

01:00:19,660 --> 01:00:15,140

feel like no this is what we've all been

1403

01:00:23,079 --> 01:00:19,670

craving is a community of our own making

1404

01:00:25,749 --> 01:00:23,089

a community that is voluntarily put

1405

01:00:27,729 --> 01:00:25,759

together it's not the Thanksgiving table

1406

01:00:29,620 --> 01:00:27,739

that you're forced to sit around and

1407

01:00:31,630 --> 01:00:29,630

write words to kind of play you know

1408

01:00:33,549 --> 01:00:31,640

these are your people and you can talk

1409

01:00:35,890 --> 01:00:33,559

to them about the stuff that you really

1410

01:00:37,239 --> 01:00:35,900

care about and you can connect with them

1411

01:00:38,109 --> 01:00:37,249

in a way that you never could have known

1412

01:00:41,140 --> 01:00:38,119

I think

1413

01:00:43,089 --> 01:00:41,150

it's absolutely fantastic in a number of

1414

01:00:46,210 --> 01:00:43,099

levels and I'm sure it's therapeutic but

1415

01:00:50,230 --> 01:00:46,220

what happen with the girlfriend well

1416

01:00:55,539 --> 01:00:50,240

she's a piece of [h__h] the story is she's

1417

01:00:57,400 --> 01:00:55,549

a piece of [h__h] I'm thinking

1418

01:00:59,710 --> 01:00:57,410

self-defense just her when I got into

1419

01:01:01,809 --> 01:00:59,720

her but I was gonna say I'm very

1420

01:01:04,539 --> 01:01:01,819

involved in podcasting in general I work

1421

01:01:07,749 --> 01:01:04,549

for a podcast company it really touches

1422

01:01:09,519 --> 01:01:07,759

me when people for the first time taste

1423

01:01:11,440 --> 01:01:09,529

in the mic and even if they don't know

1424

01:01:13,569 --> 01:01:11,450

quite how to express themselves I really

1425

01:01:15,819 --> 01:01:13,579

love that we live in a time where yes

1426

01:01:18,190 --> 01:01:15,829

some of its own is done in like the eye

1427

01:01:19,960 --> 01:01:18,200

or the may or the ego but I think a lot

1428

01:01:21,759 --> 01:01:19,970

of times it's done just to like have a

1429

01:01:24,370 --> 01:01:21,769

way to express ourselves and we've kind

1430

01:01:26,470 --> 01:01:24,380

of we don't need traditional radio or

1431

01:01:28,210 --> 01:01:26,480

traditional television channels anymore

1432

01:01:31,089 --> 01:01:28,220

we can blaze our own path and I think

1433

01:01:34,299 --> 01:01:31,099

for people like you like us who are just

1434

01:01:35,529 --> 01:01:34,309

naturally want to create content I love

1435

01:01:36,789 --> 01:01:35,539

that there's really no boundaries

1436

01:01:39,009 --> 01:01:36,799

anymore you know we have friends that

1437

01:01:40,900 --> 01:01:39,019

pretty much make like full-length movies

1438

01:01:42,430 --> 01:01:40,910

with their iPhones they're putting out

1439

01:01:44,829 --> 01:01:42,440

content and you don't have to wait for

1440

01:01:47,380 --> 01:01:44,839

anyone you can do it on a on a smaller

1441

01:01:49,900 --> 01:01:47,390

budget or no budget at all so I love

1442

01:01:52,029 --> 01:01:49,910

that it's taken away the like oh I want

1443

01:01:54,279 --> 01:01:52,039

to express myself but I can't because XY

1444

01:01:57,819 --> 01:01:54,289

and Z or we just have kind of reached

1445

01:01:59,319 --> 01:01:57,829

pact that so look I'm not of the mindset

1446

01:02:00,759 --> 01:01:59,329

I know a lot of people think oh everyone

1447

01:02:02,769 --> 01:02:00,769

has a podcast everyone has a YouTube

1448

01:02:04,299 --> 01:02:02,779

channel but to me it's like awesome if

1449

01:02:05,829 --> 01:02:04,309

human beings are expressing themselves

1450

01:02:09,009 --> 01:02:05,839

they're happier they're more at peace

1451

01:02:11,620 --> 01:02:09,019

and good luck to everyone I think you

1452

01:02:14,829 --> 01:02:11,630

know I think that's how I feel right

1453

01:02:18,039 --> 01:02:14,839

onto that well this has been awesome

1454

01:02:20,259 --> 01:02:18,049

really hasn't it's so fun it is so fun

1455

01:02:20,829 --> 01:02:20,269

will you become on our podcast oh of

1456

01:02:26,349 --> 01:02:20,839

course

1457

01:02:28,509 --> 01:02:26,359

oh yes revenge is mine no I I would love

1458

01:02:30,370 --> 01:02:28,519

to have you on okay and I will be humble

1459

01:02:31,359 --> 01:02:30,380

I'll be quiet I'll take my beating as I

1460

01:02:35,979 --> 01:02:31,369

deserve it

1461

01:02:42,190 --> 01:02:35,989

I'll do some Kundalini Yoga first and

1462

01:02:45,370 --> 01:02:42,200

I'll have a party Trey I'll feel the

1463

01:02:47,620 --> 01:02:45,380

campaign so we're gonna have a link to

1464

01:02:49,059 --> 01:02:47,630

the campfire [h__h] show cuz you're gonna

1465

01:02:51,110 --> 01:02:49,069

want to check it out you're gonna want

1466

01:02:52,490 --> 01:02:51,120

to check out those two episodes

1467

01:02:53,810 --> 01:02:52,500

I've got a run over you know because I

1468

01:02:56,710 --> 01:02:53,820

listen to some of the previous ones but

1469

01:02:59,240 --> 01:02:56,720

I haven't listened to those two so hey

1470

01:03:01,010 --> 01:02:59,250

put them right up there to the top of

1471

01:03:03,200 --> 01:03:01,020

the list that is so cool

1472

01:03:04,670 --> 01:03:03,210

if we titled it stakeout in pandemonium

1473

01:03:07,010 --> 01:03:04,680

so that's the if you see the one that's

1474

01:03:09,950 --> 01:03:07,020

titled stakeout know that that's posed a

1475

01:03:12,050 --> 01:03:09,960

coward catches a cheater oh god that's

1476

01:03:14,990 --> 01:03:12,060

so cool so my guests again have been

1477

01:03:17,060 --> 01:03:15,000

Marilyn both from campfire [h__h] Joe from

1478

01:03:18,230 --> 01:03:17,070

right here in San Diego they're doing a

1479

01:03:20,480 --> 01:03:18,240

great show and they've done a lot of

1480

01:03:22,100 --> 01:03:20,490

other cool things you can catch up check

1481

01:03:24,830 --> 01:03:22,110

out some of their other videos on

1482

01:03:26,510 --> 01:03:24,840

YouTube y'all thank you so much for

1483

01:03:28,090 --> 01:03:26,520

doing this let's go if you've got time

1484

01:03:32,480 --> 01:03:28,100

let's go grab some lunch

1485

01:03:35,030 --> 01:03:32,490

yep thanks again to Maryland bill for

1486

01:03:37,010 --> 01:03:35,040

joining me today on skeptic oh the one

1487

01:03:39,410 --> 01:03:37,020

question I guess I'd have to tee up from

1488

01:03:43,490 --> 01:03:39,420

this interview is I keep pitching this

1489

01:03:46,700 --> 01:03:43,500

idea that conspiracies are central to

1490

01:03:49,940 --> 01:03:46,710

this consciousness exploration deep

1491

01:03:52,670 --> 01:03:49,950

spirituality thing that we're trying to

1492

01:03:55,250 --> 01:03:52,680

get at with this show and I want to know

1493

01:03:57,890 --> 01:03:55,260

if you agree I think what I laid out

1494

01:04:01,340 --> 01:03:57,900

here is this idea that conspiracies are

1495

01:04:04,730 --> 01:04:01,350

somehow the bridge between what we want

1496

01:04:06,970 --> 01:04:04,740

out of science in terms of scientific

1497

01:04:09,260 --> 01:04:06,980

method in terms of some way of

1498

01:04:13,250 --> 01:04:09,270

organizing an understanding and

1499

01:04:15,440 --> 01:04:13,260

measuring experience and the craziness

1500

01:04:18,530 --> 01:04:15,450

that science has become and the

1501

01:04:20,000 --> 01:04:18,540

absurdity of biological robots at Mila's

1502

01:04:21,800 --> 01:04:20,010

universe than a premise that's

1503

01:04:25,330 --> 01:04:21,810

completely false and filled with

1504

01:04:27,980 --> 01:04:25,340

conspiracy and that in some way

1505

01:04:31,700 --> 01:04:27,990

understanding conspiracies in general

1506

01:04:35,600 --> 01:04:31,710

give us a leg up on sorting that all out

1507

01:04:38,210 --> 01:04:35,610

that's my position anyway but I want to

1508

01:04:41,470 --> 01:04:38,220

turn that into a question and see what

1509

01:04:43,640 --> 01:04:41,480

you think so let me hear from you either

1510

01:04:45,770 --> 01:04:43,650

right here on the comment section

1511

01:04:47,870 --> 01:04:45,780

wherever that may be that you're hearing

1512

01:04:50,750 --> 01:04:47,880

this or through the skeptical forum or

1513

01:04:54,170 --> 01:04:50,760
