

**If UFOs Were
Real I Would
Know**

1
00:00:11,690 --> 00:00:08,480
I have an interview coming up here in a

2
00:00:16,760 --> 00:00:11,700
minute with dr. John Alexander author of

3
00:00:20,450 --> 00:00:16,770
a new book reality denied and dr. slash

4
00:00:26,090 --> 00:00:20,460
Colonel John Alexander is an interesting

5
00:00:28,700 --> 00:00:26,100
guy I'm not really quite sure what to

6
00:00:31,519 --> 00:00:28,710
make of it we talked for quite a long

7
00:00:33,680 --> 00:00:31,529
time and we of course covered this new

8
00:00:36,770 --> 00:00:33,690
book and all about his amazing

9
00:00:38,990 --> 00:00:36,780
experiences shamanic experiences his

10
00:00:41,770 --> 00:00:39,000
research into near-death experience and

11
00:00:44,299 --> 00:00:41,780
remote viewing and all sorts of things

12
00:00:46,189 --> 00:00:44,309
but I was still trying to figure this

13
00:00:48,860 --> 00:00:46,199

guy out and near the end of the

14

00:00:51,109 --> 00:00:48,870

interview he kind of let out this little

15

00:00:53,119 --> 00:00:51,119

thing about the warrior monk because I

16

00:00:55,880 --> 00:00:53,129

was like John you know how do you square

17

00:00:59,149 --> 00:00:55,890

all this stuff in your head this

18

00:01:03,250 --> 00:00:59,159

interest in spirituality this interest

19

00:01:06,770 --> 00:01:03,260

in enlightenment and yet this other

20

00:01:09,400 --> 00:01:06,780

interest in making war this is a green

21

00:01:12,910 --> 00:01:09,410

beret don't forget this is a green beret

22

00:01:16,760 --> 00:01:12,920

tour of duty Vietnam tour of duty

23

00:01:19,880 --> 00:01:16,770

Afghanistan kind of the real deal so I

24

00:01:23,930 --> 00:01:19,890

really kind of latched on to this idea

25

00:01:26,300 --> 00:01:23,940

of the warrior monk and was really

26
00:01:28,700 --> 00:01:26,310
exploring that and trying to understand

27
00:01:30,800 --> 00:01:28,710
that but before we go there I want to

28
00:01:33,110 --> 00:01:30,810
return to this topic of the warrior monk

29
00:01:34,670 --> 00:01:33,120
because I think it's certainly relevant

30
00:01:37,750 --> 00:01:34,680
to this show but I think it's also

31
00:01:40,160 --> 00:01:37,760
relevant to some of the larger issues

32
00:01:42,050 --> 00:01:40,170
regarding exploring consciousness

33
00:01:44,149 --> 00:01:42,060
extended consciousness and all the

34
00:01:46,610 --> 00:01:44,159
things we talked about because the idea

35
00:01:49,450 --> 00:01:46,620
the warrior monk is that you know even

36
00:01:52,040 --> 00:01:49,460
if you're the most peace-loving

37
00:01:54,610 --> 00:01:52,050
enlightenment seeking spiritual

38
00:01:57,770 --> 00:01:54,620

community before long you'll find that

39

00:01:59,360 --> 00:01:57,780

you need those freaking monks man you

40

00:02:01,610 --> 00:01:59,370

need someone to protect your [h__\h]

41

00:02:03,410 --> 00:02:01,620

because if you don't someone who has

42

00:02:05,240 --> 00:02:03,420

their own version of their enlightenment

43

00:02:07,190 --> 00:02:05,250

spiritual peace loving thing is gonna

44

00:02:09,589 --> 00:02:07,200

come over and kick your ass and take

45

00:02:11,869 --> 00:02:09,599

your stuff and that's the reality and

46

00:02:13,640 --> 00:02:11,879

that's still the reality that's our

47

00:02:17,330 --> 00:02:13,650

political reality that's the number one

48

00:02:19,010 --> 00:02:17,340

thing we look for government to do is to

49

00:02:21,350 --> 00:02:19,020

protect our [h__\h] and

50

00:02:23,690 --> 00:02:21,360

we can pretend that's not real or were

51
00:02:27,350 --> 00:02:23,700
past that or the Internet's gonna take

52
00:02:31,040 --> 00:02:27,360
care of that but the warrior monk says

53
00:02:34,730 --> 00:02:31,050
no man warrior monk says that's just the

54
00:02:38,090 --> 00:02:34,740
way it is and that part of it might help

55
00:02:40,370 --> 00:02:38,100
you understand my approach to this

56
00:02:42,380 --> 00:02:40,380
interview because before I read his

57
00:02:45,380 --> 00:02:42,390
latest book reality tonight about all

58
00:02:47,900 --> 00:02:45,390
the spiritual experiences the one thing

59
00:02:52,010 --> 00:02:47,910
I knew about John Alexander was that he

60
00:02:53,570 --> 00:02:52,020
was the guy that denied UFOs but I kept

61
00:02:56,810 --> 00:02:53,580
reading this book and I'm trying to

62
00:03:00,140 --> 00:02:56,820
square it with what I guess is for a

63
00:03:02,540 --> 00:03:00,150

long time then the general overriding

64

00:03:06,140 --> 00:03:02,550

meme associated with John Alexander

65

00:03:08,750 --> 00:03:06,150

which is this guy who debates people at

66

00:03:10,460 --> 00:03:08,760

UFO conferences saying that the

67

00:03:13,130 --> 00:03:10,470

government doesn't know anything about

68

00:03:17,090 --> 00:03:13,140

UFOs and if they did I would know that

69

00:03:20,180 --> 00:03:17,100

they did and I know and they don't what

70

00:03:23,770 --> 00:03:20,190

is that whole meme all about is that

71

00:03:26,690 --> 00:03:23,780

something you is that an accurate

72

00:03:29,210 --> 00:03:26,700

characterization of the way a lot of

73

00:03:32,390 --> 00:03:29,220

people think of you I it seems to be out

74

00:03:35,540 --> 00:03:32,400

there and is it true I can't speak to

75

00:03:38,420 --> 00:03:35,550

what other people think but I don't

76

00:03:40,580 --> 00:03:38,430

think in particular the recent

77

00:03:42,530 --> 00:03:40,590

revelations that I can say if it weren't

78

00:03:45,770 --> 00:03:42,540

there I would know about it

79

00:03:50,210 --> 00:03:45,780

now wait before we get to some serious

80

00:03:53,060 --> 00:03:50,220

word parsing which he does you know

81

00:03:55,580 --> 00:03:53,070

his answer is okay but it doesn't

82

00:03:57,920 --> 00:03:55,590

capture for those of you who aren't

83

00:04:01,010 --> 00:03:57,930

familiar with the whole UFO thing it

84

00:04:05,540 --> 00:04:01,020

doesn't capture how just freaking

85

00:04:08,060 --> 00:04:05,550

annoying this has been for years and

86

00:04:13,250 --> 00:04:08,070

years and years I mean let me play this

87

00:04:17,170 --> 00:04:13,260

next clip for you and it's from of 2011

88

00:04:20,409 --> 00:04:17,180

I think this UFO conference and here is

89

00:04:24,110 --> 00:04:20,419

John Alexander again being grilled by

90

00:04:25,880 --> 00:04:24,120

Danny Sheehan who is can grill people

91

00:04:28,340 --> 00:04:25,890

he's an attorney he's a really good

92

00:04:31,790 --> 00:04:28,350

attorney by the way he was the attorney

93

00:04:32,959 --> 00:04:31,800

if you don't know this for John Mac you

94

00:04:35,959 --> 00:04:32,969

know the UFO

95

00:04:37,699 --> 00:04:35,969

abduction researcher Harvard University

96

00:04:39,109 --> 00:04:37,709

everyone points out I mean he's teaching

97

00:04:40,549 --> 00:04:39,119

psychology at Harvard and then he gets

98

00:04:41,329 --> 00:04:40,559

into this UFO abduction thing and he

99

00:04:44,569 --> 00:04:41,339

goes it's real

100

00:04:47,509 --> 00:04:44,579

he gets censored by Harvard and Danny

101
00:04:49,579 --> 00:04:47,519
Shin comes in because John Max no idiot

102
00:04:52,429 --> 00:04:49,589
he's a really sharp guy because you

103
00:04:54,589 --> 00:04:52,439
can't censor me for this and he gets Dan

104
00:04:58,309 --> 00:04:54,599
chin to sit in there in that first

105
00:05:01,219 --> 00:04:58,319
meeting with with the Harvard guys and

106
00:05:05,239 --> 00:05:01,229
very quickly they fold their hand and

107
00:05:09,469 --> 00:05:05,249
let John Mack continue but I digress but

108
00:05:13,629 --> 00:05:09,479
here is how annoying this has been over

109
00:05:16,609 --> 00:05:13,639
the years the fact is is that you aren't

110
00:05:20,149 --> 00:05:16,619
saying I'm trying to find out are you

111
00:05:22,219 --> 00:05:20,159
willing to agree that just because you

112
00:05:25,489 --> 00:05:22,229
haven't found it and the people you talk

113
00:05:28,219 --> 00:05:25,499

to didn't acknowledge it to you then it

114

00:05:31,459 --> 00:05:28,229

could still well exist oh I say that in

115

00:05:33,319 --> 00:05:31,469

the book in fact I come up and I say you

116

00:05:36,379 --> 00:05:33,329

know I base what I have on first-hand

117

00:05:38,389 --> 00:05:36,389

evidence which i think is broader than

118

00:05:40,159 --> 00:05:38,399

anybody else because I talked to the

119

00:05:42,079 --> 00:05:40,169

head or a deputy of all of the lettered

120

00:05:45,589 --> 00:05:42,089

agencies and all of that which makes it

121

00:05:48,499 --> 00:05:45,599

your desire and I specifically say could

122

00:05:50,839 --> 00:05:48,509

I have missed it possible don't think so

123

00:05:53,209 --> 00:05:50,849

but the point is on all of these

124

00:05:55,339 --> 00:05:53,219

conspiracies and I have slides you my

125

00:05:58,629 --> 00:05:55,349

whole thing on how conspiracies work on

126
00:06:01,369 --> 00:05:58,639
that yeah I was uncommitted for true but

127
00:06:03,859 --> 00:06:01,379
that's not in that briefing but the

128
00:06:06,499 --> 00:06:03,869
point here is all of them have been

129
00:06:08,299 --> 00:06:06,509
found out and alibi to go on its own oh

130
00:06:09,919 --> 00:06:08,309
I didn't say to not by the journalists

131
00:06:11,529 --> 00:06:09,929
appointed not by the National Security

132
00:06:17,359 --> 00:06:11,539
investigators let me give an example

133
00:06:20,019 --> 00:06:17,369
Glomar Explorer okay we're get too far

134
00:06:22,939 --> 00:06:20,029
you have to fully appreciate this

135
00:06:25,639 --> 00:06:22,949
grilling that's going on first notice

136
00:06:27,109 --> 00:06:25,649
that you know Colonel Alexander says I

137
00:06:28,850 --> 00:06:27,119
have first-hand knowledge and then he

138
00:06:30,739 --> 00:06:28,860

goes on to say I talk to these guys and

139

00:06:31,759 --> 00:06:30,749

these guys and she and points out well

140

00:06:33,499 --> 00:06:31,769

that isn't really first-hand knowledge

141

00:06:34,789 --> 00:06:33,509

that second here now that secondary

142

00:06:36,679 --> 00:06:34,799

knowledge because you're passing along

143

00:06:38,679 --> 00:06:36,689

with someone already told you but more

144

00:06:43,899 --> 00:06:38,689

importantly you can sense the

145

00:06:45,950 --> 00:06:43,909

frustration at the parsing step back

146

00:06:48,430 --> 00:06:45,960

here is a

147

00:06:50,540 --> 00:06:48,440

who's saying I've talked to the

148

00:06:53,060 --> 00:06:50,550

highest-ranking officials in the

149

00:06:54,980 --> 00:06:53,070

government and there's no UFO program

150

00:06:58,279 --> 00:06:54,990

they don't know anything about UFOs

151
00:06:59,740 --> 00:06:58,289
there's there's nothing out there we all

152
00:07:02,150 --> 00:06:59,750
do it was [h__\h]

153
00:07:03,909 --> 00:07:02,160
everybody knew was [h__\h] but that

154
00:07:15,080 --> 00:07:03,919
didn't matter

155
00:07:16,999 --> 00:07:15,090
2017 New York Times and our friend

156
00:07:50,230 --> 00:07:17,009
Leslie Kane who that's a whole other

157
00:07:57,850 --> 00:07:54,070
now notice that I titled that slide

158
00:07:59,900 --> 00:07:57,860
control disclosure question mark and

159
00:08:01,010 --> 00:07:59,910
it's hard with this show because this

160
00:08:05,120 --> 00:08:01,020
shows about consciousness and

161
00:08:06,800 --> 00:08:05,130
spirituality really but and in a minute

162
00:08:10,250 --> 00:08:06,810
I'll tell you why I think it relates to

163
00:08:13,850 --> 00:08:10,260

this in a really important profound way

164

00:08:17,030 --> 00:08:13,860

but just stepping back in dealing with

165

00:08:19,070 --> 00:08:17,040

the conspiratorial aspect of this again

166

00:08:23,860 --> 00:08:19,080

you've got to kind of put that hat on

167

00:08:27,650 --> 00:08:23,870

for a minute and say okay New York Times

168

00:08:29,420 --> 00:08:27,660

the official record at least for still a

169

00:08:32,420 --> 00:08:29,430

lot of people not for a lot of other

170

00:08:37,700 --> 00:08:32,430

people but the New York Times has now

171

00:08:42,260 --> 00:08:37,710

said okay guys it's real but the point

172

00:08:46,820 --> 00:08:42,270

is if it's real then it's always been

173

00:08:48,680 --> 00:08:46,830

real right then it's been real for 50 60

174

00:08:51,230 --> 00:08:48,690

years it's been real right

175

00:08:57,530 --> 00:08:51,240

it isn't like they're pretending like

176

00:09:02,930 --> 00:08:57,540

this is the first or only UFO program

177

00:09:05,390 --> 00:09:02,940

right so John Alexander you talked

178

00:09:08,930 --> 00:09:05,400

everyone and they said there's nothing

179

00:09:10,790 --> 00:09:08,940

right so I said a minute ago that this

180

00:09:13,240 --> 00:09:10,800

stuff does relate back to skeptic Oh

181

00:09:16,880 --> 00:09:13,250

does relate back to consciousness

182

00:09:20,020 --> 00:09:16,890

science or consciousness understanding

183

00:09:22,880 --> 00:09:20,030

or if you want to put it in spirituality

184

00:09:27,620 --> 00:09:22,890

so I guess it's fair to ask how how does

185

00:09:29,210 --> 00:09:27,630

it check out this his wife suddenly

186

00:09:33,800 --> 00:09:29,220

wants to talk about I'd like to talk

187

00:09:36,290 --> 00:09:33,810

about entanglement and I'm thinking why

188

00:09:39,010 --> 00:09:36,300

would you ask us your husband is a PhD

189

00:09:42,290 --> 00:09:39,020

in physics he's right he run the

190

00:09:45,140 --> 00:09:42,300

parapsychology the the what they called

191

00:09:47,090 --> 00:09:45,150

a phenomenology desk at the CIA we would

192

00:09:49,760 --> 00:09:47,100

ask where does and what people have to

193

00:09:52,160 --> 00:09:49,770

realize is that when the CIA calls it

194

00:09:52,970 --> 00:09:52,170

phenomenology that is a hint as to

195

00:09:56,260 --> 00:09:52,980

what's going on

196

00:09:59,750 --> 00:09:56,270

it is not UFOs its remote-viewing ghosts

197

00:10:00,500 --> 00:09:59,760

parapsychology the telepathy it's the

198

00:10:02,570 --> 00:10:00,510

whole ball of

199

00:10:04,160 --> 00:10:02,580

because it's all consciousness that's

200

00:10:06,350 --> 00:10:04,170

the ground of being it's consciousness

201
00:10:07,970 --> 00:10:06,360
and they know that and that's why when

202
00:10:10,820 --> 00:10:07,980
the Canadian government document said in

203
00:10:12,170 --> 00:10:10,830
1950 that mental phenomena may be

204
00:10:13,910 --> 00:10:12,180
involved the top-secret finian

205
00:10:15,800 --> 00:10:13,920
government documents a mental phenomena

206
00:10:17,240 --> 00:10:15,810
may be involved in flying saucers that's

207
00:10:18,530 --> 00:10:17,250
when they started the MKULTRA stop

208
00:10:19,490 --> 00:10:18,540
that's when they started all that can

209
00:10:21,110 --> 00:10:19,500
seem trying to figure out how to

210
00:10:23,570 --> 00:10:21,120
consciousness work because they had a

211
00:10:25,310 --> 00:10:23,580
live alien in 1947 that's how the

212
00:10:27,290 --> 00:10:25,320
Americans knew to tell the Canadians in

213
00:10:29,690 --> 00:10:27,300

1950 the mental phenomena was involved

214

00:10:31,400 --> 00:10:29,700

nobody was talking to aliens in 1950 the

215

00:10:32,780 --> 00:10:31,410

Adamski and Williamson would not come

216

00:10:35,120 --> 00:10:32,790

forward until a couple days after the

217

00:10:36,140 --> 00:10:35,130

detonation the hydrogen bomb Betty and

218

00:10:37,160 --> 00:10:36,150

Barney Hill would not become public

219

00:10:38,780 --> 00:10:37,170

still in mid 60s

220

00:10:41,150 --> 00:10:38,790

nobody said they're talking to aliens in

221

00:10:42,740 --> 00:10:41,160

public at least and so therefore how did

222

00:10:44,000 --> 00:10:42,750

they know that mental phenomena was

223

00:10:45,770 --> 00:10:44,010

involved because they had a live alien

224

00:10:47,480 --> 00:10:45,780

and they knew that the alien talk is

225

00:10:49,310 --> 00:10:47,490

telepathic and gets in your head and

226
00:10:51,110 --> 00:10:49,320
they went wow man if we could discover

227
00:10:52,550 --> 00:10:51,120
how this work and so of course they

228
00:10:54,140 --> 00:10:52,560
threw every dime they had at

229
00:10:56,830 --> 00:10:54,150
consciousness trying to figure out how

230
00:10:59,840 --> 00:10:56,840
this thing worked I'm alone

231
00:11:01,490 --> 00:10:59,850
that of course is Grant Cameron who's

232
00:11:04,400 --> 00:11:01,500
been on the show a couple of times I

233
00:11:06,770 --> 00:11:04,410
think is one of the best UFO researchers

234
00:11:08,960 --> 00:11:06,780
and let me just say I know this stuff is

235
00:11:11,930 --> 00:11:08,970
a little bit out there for some people

236
00:11:14,180 --> 00:11:11,940
for other people who like skeptical it's

237
00:11:16,010 --> 00:11:14,190
like old hat and for other people like

238
00:11:21,730 --> 00:11:16,020

skeptical it's like out there like way

239

00:11:25,580 --> 00:11:21,740

out there aliens they had an alien but

240

00:11:27,950 --> 00:11:25,590

it's real I mean the Wilbur Smith memo

241

00:11:30,650 --> 00:11:27,960

that he referenced we did a whole show

242

00:11:33,410 --> 00:11:30,660

on that it's real it's a document

243

00:11:35,570 --> 00:11:33,420

released from the Canadian government a

244

00:11:37,700 --> 00:11:35,580

top-secret document and you know the

245

00:11:40,790 --> 00:11:37,710

grants research extremely thorough

246

00:11:43,040 --> 00:11:40,800

researcher he went and were like traced

247

00:11:45,770 --> 00:11:43,050

can we rely on this document is it real

248

00:11:49,010 --> 00:11:45,780

does it faked and I'm a totally real

249

00:11:50,420 --> 00:11:49,020

and as he alludes to there we've usually

250

00:11:53,960 --> 00:11:50,430

start putting together pieces and I know

251

00:11:57,590 --> 00:11:53,970

he talks really fast that leads to this

252

00:12:01,760 --> 00:11:57,600

interest in consciousness that leads to

253

00:12:05,090 --> 00:12:01,770

MK ULTRA that leads to Stargate remote

254

00:12:08,570 --> 00:12:05,100

viewing it was in response to what they

255

00:12:11,480 --> 00:12:08,580

were finding over here that's the the

256

00:12:13,670 --> 00:12:11,490

connection that grants making and I

257

00:12:14,150 --> 00:12:13,680

think the connection is undeniable in

258

00:12:16,999 --> 00:12:14,160

terms of

259

00:12:19,400 --> 00:12:17,009

how things play out and if it wasn't

260

00:12:20,780 --> 00:12:19,410

undeniable before go back and we read

261

00:12:24,769 --> 00:12:20,790

the New York Times and watch that video

262

00:12:27,019 --> 00:12:24,779

I mean they kind of tried to hide it but

263

00:12:28,790 --> 00:12:27,029

we all knew this stuff was real but

264

00:12:30,259 --> 00:12:28,800

let's get back to today's interview with

265

00:12:33,199 --> 00:12:30,269

John Alexander for a minute

266

00:12:35,840 --> 00:12:33,209

one of the things I did after the show

267

00:12:37,460 --> 00:12:35,850

was I talked to my buddies at the crime

268

00:12:38,929 --> 00:12:37,470

Erica show because they had interviewed

269

00:12:40,970 --> 00:12:38,939

Grant Cameron and they've done a lot of

270

00:12:43,670 --> 00:12:40,980

research on this so I got on a video

271

00:12:46,400 --> 00:12:43,680

chat with Darren and Graham and I asked

272

00:12:49,189 --> 00:12:46,410

them what I think is I think one of the

273

00:12:53,439 --> 00:12:49,199

essential questions key questions to be

274

00:12:57,079 --> 00:12:53,449

asked about dr. Alexander you know an

275

00:13:02,960 --> 00:12:57,089

offensive defense yeah

276

00:13:05,150 --> 00:13:02,970

well we in the Western so final final

277

00:13:06,860 --> 00:13:05,160

question before I well there's actually

278

00:13:09,050 --> 00:13:06,870

the big question is at the end is

279

00:13:11,240 --> 00:13:09,060

whether I've roped you guys into a

280

00:13:13,939 --> 00:13:11,250

career-ending decision or not but the

281

00:13:18,939 --> 00:13:13,949

the the question before that is is John

282

00:13:24,949 --> 00:13:22,850

think he's you know I I'm not sure that

283

00:13:27,769 --> 00:13:24,959

he is he ground will probably disagree

284

00:13:30,710 --> 00:13:27,779

with me but I don't know for some reason

285

00:13:35,120 --> 00:13:30,720

I just get the vibe of seeing somebody

286

00:13:40,960 --> 00:13:35,130

who's you know maybe misses the Green

287

00:13:54,499 --> 00:13:40,970

Beret days likes a little you know I

288

00:13:56,629 --> 00:13:54,509

mean like he's some [h__\h] one time and

289

00:14:00,110 --> 00:13:56,639

now you're sort of you know it's like

290

00:14:02,900 --> 00:14:00,120

one of those you know what's that old

291

00:14:05,179 --> 00:14:02,910

saying about you know lies where it's

292

00:14:06,679 --> 00:14:05,189

you know gets out of hand [h__\h] quick

293

00:14:08,299 --> 00:14:06,689

I mean we see that happen today all the

294

00:14:09,889 --> 00:14:08,309

time where these guys get and today in

295

00:14:14,030 --> 00:14:09,899

today's world you get burned [h__\h]

296

00:14:15,799 --> 00:14:14,040

fast but yeah I don't know I tend to

297

00:14:17,389 --> 00:14:15,809

think he's stuck with it he's probably

298

00:14:21,439 --> 00:14:17,399

disinformation agent

299

00:14:24,110 --> 00:14:21,449

I'm skeptical the whole that whole side

300

00:14:25,519 --> 00:14:24,120

of the research the whole side the PK

301

00:14:27,710 --> 00:14:25,529

all that stuff now I'm kind of

302

00:14:31,040 --> 00:14:27,720

to love and the mixes all together with

303

00:14:33,590 --> 00:14:31,050

the MK ULTRA and UFOs and disclosure and

304

00:14:36,619 --> 00:14:33,600

I don't know I wonder if I'm being a MK

305

00:14:40,910 --> 00:14:36,629

ULTRA great now maybe actually were in a

306

00:14:42,470 --> 00:14:40,920

Faraday cage so we should be good you

307

00:14:45,650 --> 00:14:42,480

know it's almost like he's

308

00:14:48,280 --> 00:14:45,660

disinformation misinformation by

309

00:14:52,189 --> 00:14:48,290

definition you know so whether he's

310

00:14:54,920 --> 00:14:52,199

being exact yeah whether he's being

311

00:14:58,340 --> 00:14:54,930

directed controlled fed the stuff or

312

00:15:01,999 --> 00:14:58,350

whether he's just being allowed to be a

313

00:15:04,639 --> 00:15:02,009

mouthpiece for than this information

314

00:15:06,949 --> 00:15:04,649

just information he's clearly I mean as

315

00:15:08,809 --> 00:15:06,959

we've deconstructed it it's just it

316

00:15:10,340 --> 00:15:08,819

doesn't hold up and not only that he's

317

00:15:11,780 --> 00:15:10,350

probably feeling like his job is being

318

00:15:13,519 --> 00:15:11,790

threatened because all these old-school

319

00:15:16,850 --> 00:15:13,529

disinformation guys are just being

320

00:15:18,230 --> 00:15:16,860

replaced with trolls online trolls you

321

00:15:19,699 --> 00:15:18,240

know that's the new battlefield you

322

00:15:22,400 --> 00:15:19,709

don't need these guys going on the news

323

00:15:25,790 --> 00:15:22,410

anymore you just need a billion [h__\h]

324

00:15:30,040 --> 00:15:25,800

BOTS on Twitter can the warrior monk be

325

00:15:33,439 --> 00:15:30,050

replaced by a billion bots on Twitter I

326

00:15:36,769 --> 00:15:33,449

don't know maybe we'll find out in this

327

00:15:39,710 --> 00:15:36,779

interview with John Alexander who you

328

00:15:42,860 --> 00:15:39,720

know really has written a terrific book

329

00:15:45,559 --> 00:15:42,870

reality denied a book that covers a lot

330

00:15:48,199 --> 00:15:45,569

of topics that we touch on in this

331

00:15:49,699 --> 00:15:48,209

including near-death experience research

332

00:15:51,439 --> 00:15:49,709

and his experience and that is

333

00:15:53,990 --> 00:15:51,449

experienced with the Stargate program

334

00:15:57,829 --> 00:15:54,000

that I mentioned ago also current news

335

00:16:01,670 --> 00:15:57,839

like Tom DeLonge disclosure my lab stuff

336

00:16:04,699 --> 00:16:01,680

which he completely categorically says

337

00:16:06,860 --> 00:16:04,709

is totally not real untrue what else did

338

00:16:08,960 --> 00:16:06,870

we talk about we talk about the aviary

339

00:16:12,530 --> 00:16:08,970

and other UFO stuff but we talk about a

340

00:16:15,410 --> 00:16:12,540

lot of non UFO stuff this book is really

341

00:16:18,410 --> 00:16:15,420

about the consciousness kind of stuff

342

00:16:21,049 --> 00:16:18,420

that skeptic oh is kind of built on but

343

00:16:23,809 --> 00:16:21,059

I just had to go with the UFO stuff

344

00:16:25,699 --> 00:16:23,819

because you you can't do that you can't

345

00:16:30,079 --> 00:16:25,709

do the head fake stuff you can't have a

346

00:16:33,499 --> 00:16:30,089

whole career built on extended

347

00:16:35,540 --> 00:16:33,509

consciousness UFO alien stuff and then

348

00:16:38,569 --> 00:16:35,550

say yeah but now also I want to talk

349

00:16:39,350 --> 00:16:38,579

about our shamans and to be fair I mean

350

00:16:41,600 --> 00:16:39,360

that the

351

00:16:44,180 --> 00:16:41,610

he answered all the questions he didn't

352

00:16:49,400 --> 00:16:44,190

dodge a single question and I commend

353

00:16:51,860 --> 00:16:49,410

him for that I just can't quite figure

354

00:16:53,569 --> 00:16:51,870

him out so before we get to the

355

00:16:54,259 --> 00:16:53,579

interview just a couple of clean up

356

00:16:56,870 --> 00:16:54,269

things you know

357

00:16:59,389 --> 00:16:56,880

last episode I reached out and asked

358

00:17:03,019 --> 00:16:59,399

people if they were interested in

359

00:17:05,510 --> 00:17:03,029

helping the show helping me in any way

360

00:17:08,449 --> 00:17:05,520

to reach out to me and it's just been

361

00:17:11,090 --> 00:17:08,459

phenomenal such a cool response so many

362

00:17:14,030 --> 00:17:11,100

awesome people I've met I've talked to

363

00:17:15,890 --> 00:17:14,040

I've video chatted with and there's

364

00:17:18,620 --> 00:17:15,900

gonna be some great stuff that comes out

365

00:17:21,620 --> 00:17:18,630

of that great new content and a great

366

00:17:23,120 --> 00:17:21,630

little help on doing stuff so oh so so

367

00:17:25,189 --> 00:17:23,130

appreciate that especially just

368

00:17:28,400 --> 00:17:25,199

appreciate connecting with you all

369

00:17:30,590 --> 00:17:28,410

that's so cool so again if anyone ever

370

00:17:34,430 --> 00:17:30,600

wants to connect with me do it I'm

371

00:17:36,770 --> 00:17:34,440

pretty accessible to send me an email so

372

00:17:39,409 --> 00:17:36,780

I think that'll do it let's get on to

373

00:17:44,670 --> 00:17:39,419

this interview with dr. John Alexander

374

00:17:51,230 --> 00:17:44,680

author of the new book reality denied

375

00:17:59,150 --> 00:17:51,240

[Music]

376

00:18:02,360 --> 00:17:59,160

I have an interview coming up here in a

377

00:18:07,460 --> 00:18:02,370

minute with dr. John Alexander author of

378

00:18:11,120 --> 00:18:07,470

a new book reality denied and dr. slash

379

00:18:16,760 --> 00:18:11,130

Colonel John Alexander is an interesting

380

00:18:19,400 --> 00:18:16,770

guy I'm not really quite sure what to

381

00:18:22,220 --> 00:18:19,410

make of it we talked for quite a long

382

00:18:24,350 --> 00:18:22,230

time and we of course covered this new

383

00:18:27,410 --> 00:18:24,360

book and all about his amazing

384

00:18:29,680 --> 00:18:27,420

experiences shamanic experiences his

385

00:18:32,440 --> 00:18:29,690

research into near-death experience and

386

00:18:34,970 --> 00:18:32,450

remote viewing and all sorts of things

387

00:18:36,860 --> 00:18:34,980

but I was still trying to figure this

388

00:18:39,530 --> 00:18:36,870

guy out and near the end of the

389

00:18:41,780 --> 00:18:39,540

interview he kind of let out this little

390

00:18:43,790 --> 00:18:41,790

thing about the warrior monk because I

391

00:18:46,549 --> 00:18:43,800

was like John you know how do you square

392

00:18:49,820 --> 00:18:46,559

all this stuff in your head this

393

00:18:53,960 --> 00:18:49,830

interest in spirituality this interest

394

00:18:57,440 --> 00:18:53,970

in enlightenment and yet this other

395

00:19:00,200 --> 00:18:57,450

interest in making war this is a green

396

00:19:03,580 --> 00:19:00,210

beret don't forget this is a green beret

397

00:19:07,430 --> 00:19:03,590

tour of duty Vietnam tour of duty

398

00:19:10,340 --> 00:19:07,440

Afghanistan kind of the real deal so I

399

00:19:14,630 --> 00:19:10,350

really kind of latched on to this idea

400

00:19:16,970 --> 00:19:14,640

of the warrior monk and was really

401
00:19:29,419 --> 00:19:16,980
exploring that and trying to understand

402
00:19:36,200 --> 00:19:29,429
that what kind of monk are you uh asylum

403
00:19:39,550 --> 00:19:36,210
when I see or death I'm speaking to you

404
00:19:45,800 --> 00:19:42,740
okay Jackie Chan's about to whip ass on

405
00:19:49,910 --> 00:19:45,810
some Jetley here in the movie the

406
00:19:51,350 --> 00:19:49,920
forgetting forbidden kingdom but before

407
00:19:53,390 --> 00:19:51,360
we go there I want to return to this

408
00:19:55,760 --> 00:19:53,400
topic of the warrior monk because I

409
00:19:57,700 --> 00:19:55,770
think it's certainly relevant to this

410
00:20:01,060 --> 00:19:57,710
show but I think it's also relevant to

411
00:20:03,260 --> 00:20:01,070
some of the larger issues regarding

412
00:20:04,490 --> 00:20:03,270
exploring consciousness extended

413
00:20:06,380 --> 00:20:04,500

consciousness and all the things we

414

00:20:08,870 --> 00:20:06,390

talked about because the idea the

415

00:20:11,560 --> 00:20:08,880

warrior monk is that you know even if

416

00:20:14,180 --> 00:20:11,570

you're the most peace-loving

417

00:20:16,750 --> 00:20:14,190

enlightenment seeking spiritual

418

00:20:19,880 --> 00:20:16,760

community before long you'll find that

419

00:20:21,500 --> 00:20:19,890

you need those freaking monks man you

420

00:20:23,720 --> 00:20:21,510

need someone to protect your [h__\h]

421

00:20:25,550 --> 00:20:23,730

because if you don't someone who has

422

00:20:27,410 --> 00:20:25,560

their own version of their enlightenment

423

00:20:29,300 --> 00:20:27,420

spiritual peace loving thing is going to

424

00:20:31,550 --> 00:20:29,310

come over and kick your ass and take

425

00:20:33,980 --> 00:20:31,560

your stuff and that's the reality

426

00:20:35,750 --> 00:20:33,990

and that's still the reality that's our

427

00:20:39,470 --> 00:20:35,760

political reality that's the number one

428

00:20:41,840 --> 00:20:39,480

thing we look for government to do is to

429

00:20:44,420 --> 00:20:41,850

protect our [h__h] and we can pretend

430

00:20:46,280 --> 00:20:44,430

that's not real or we're past that or

431

00:20:51,050 --> 00:20:46,290

the Internet's gonna take care of that

432

00:20:54,610 --> 00:20:51,060

but the warrior monk says no man warrior

433

00:20:57,080 --> 00:20:54,620

monk says that's just the way it is and

434

00:21:00,830 --> 00:20:57,090

that part of it might help you

435

00:21:03,170 --> 00:21:00,840

understand my approach to this interview

436

00:21:05,210 --> 00:21:03,180

because before I read his latest book

437

00:21:08,000 --> 00:21:05,220

reality denied about all the spiritual

438

00:21:10,640 --> 00:21:08,010

experiences the one thing I knew about

439

00:21:15,050 --> 00:21:10,650

John Alexander was that he was the guy

440

00:21:17,060 --> 00:21:15,060

that denied UFOs but I kept reading this

441

00:21:20,210 --> 00:21:17,070

book and I'm trying to square it with

442

00:21:24,050 --> 00:21:20,220

what I guess has for a long time been

443

00:21:27,050 --> 00:21:24,060

the general overriding name associated

444

00:21:30,020 --> 00:21:27,060

with John Alexander which is this guy

445

00:21:32,300 --> 00:21:30,030

who debates people at UFO conferences

446

00:21:35,060 --> 00:21:32,310

saying that the government doesn't know

447

00:21:37,340 --> 00:21:35,070

anything about UFOs and if they did I

448

00:21:41,030 --> 00:21:37,350

would know that they did and I know and

449

00:21:44,480 --> 00:21:41,040

they don't what what is that whole meme

450

00:21:48,860 --> 00:21:44,490

all about is that something you is that

451
00:21:51,260 --> 00:21:48,870
an accurate characterization of the way

452
00:21:52,940 --> 00:21:51,270
a lot of people think of you I it seems

453
00:21:56,830 --> 00:21:52,950
to be out there and is it true

454
00:22:00,410 --> 00:21:56,840
I can't speak to what other people think

455
00:22:02,900 --> 00:22:00,420
but I don't think particularly the

456
00:22:05,060 --> 00:22:02,910
recent revelations that I can say if it

457
00:22:08,270 --> 00:22:05,070
weren't there I would know about it

458
00:22:12,920 --> 00:22:08,280
now wait before we get to some serious

459
00:22:15,290 --> 00:22:12,930
word parsing which he does you know

460
00:22:18,080 --> 00:22:15,300
his answer is okay but it doesn't

461
00:22:20,420 --> 00:22:18,090
capture for those of you who aren't

462
00:22:23,540 --> 00:22:20,430
familiar with the whole UFO thing it

463
00:22:28,010 --> 00:22:23,550

doesn't capture how just freaking

464

00:22:30,590 --> 00:22:28,020

annoying this has been for years and

465

00:22:35,870 --> 00:22:30,600

years and years I mean let me play this

466

00:22:39,670 --> 00:22:35,880

next clip for you and it's from 2011 I

467

00:22:42,940 --> 00:22:39,680

think this UFO conference and here is

468

00:22:46,670 --> 00:22:42,950

John Alexander again being grilled by

469

00:22:48,230 --> 00:22:46,680

Danny Sheehan who is can grill people

470

00:22:50,360 --> 00:22:48,240

because he's an attorney he's a really

471

00:22:53,300 --> 00:22:50,370

good attorney by the way he was the

472

00:22:55,940 --> 00:22:53,310

attorney if you don't know this for John

473

00:22:58,880 --> 00:22:55,950

Mac you know the UFO abduction

474

00:23:00,200 --> 00:22:58,890

researcher Harvard University everyone

475

00:23:01,610 --> 00:23:00,210

points out I mean he's teaching

476

00:23:03,050 --> 00:23:01,620

psychology at Harvard and then he gets

477

00:23:03,830 --> 00:23:03,060

into this UFO abduction thing and he

478

00:23:07,070 --> 00:23:03,840

goes it's real

479

00:23:10,040 --> 00:23:07,080

he gets censored by Harvard and Danny

480

00:23:12,290 --> 00:23:10,050

Shin comes in because John Max no idiot

481

00:23:15,290 --> 00:23:12,300

he's a really sharp guy because he can't

482

00:23:17,630 --> 00:23:15,300

censor me for this and he gets Dan chin

483

00:23:21,290 --> 00:23:17,640

to sit in there in that first meeting

484

00:23:24,290 --> 00:23:21,300

with with the Harvard guys and very

485

00:23:27,740 --> 00:23:24,300

quickly they fold their hand and let

486

00:23:31,970 --> 00:23:27,750

John Mack continue but I digress but

487

00:23:36,130 --> 00:23:31,980

here is how annoying this has been over

488

00:23:39,110 --> 00:23:36,140

the years the fact is is that you aren't

489

00:23:42,650 --> 00:23:39,120

saying I'm trying to find out are you

490

00:23:44,480 --> 00:23:42,660

willing to agree that just because you

491

00:23:46,970 --> 00:23:44,490

haven't found it and the people you

492

00:23:50,450 --> 00:23:46,980

talked to didn't acknowledge it to you

493

00:23:53,600 --> 00:23:50,460

then it could still well exist oh I say

494

00:23:55,310 --> 00:23:53,610

that in the book in fact I come up and I

495

00:23:58,310 --> 00:23:55,320

say you know I base what I have on

496

00:24:00,320 --> 00:23:58,320

first-hand evidence which i think is

497

00:24:01,700 --> 00:24:00,330

broader than anybody else because I

498

00:24:03,560 --> 00:24:01,710

talked to the hand or Jeff

499

00:24:06,430 --> 00:24:03,570

of all of the lettered agencies and all

500

00:24:08,830 --> 00:24:06,440

of that which makes it yours and I

501
00:24:11,269 --> 00:24:08,840
specifically say could I have missed it

502
00:24:13,370 --> 00:24:11,279
possible don't think so

503
00:24:15,740 --> 00:24:13,380
but the point is on all of these

504
00:24:17,840 --> 00:24:15,750
conspiracies and I have slides you my

505
00:24:20,630 --> 00:24:17,850
whole thing on how conspiracies work on

506
00:24:23,870 --> 00:24:20,640
that yeah I was on committed for true

507
00:24:26,360 --> 00:24:23,880
but that's not in that briefing but the

508
00:24:29,000 --> 00:24:26,370
point here is all of them have been

509
00:24:30,799 --> 00:24:29,010
found out and alibi the gun on its own I

510
00:24:32,180 --> 00:24:30,809
didn't say to not by the journalists

511
00:24:34,100 --> 00:24:32,190
appointed not by the national security

512
00:24:40,100 --> 00:24:34,110
investigators I mean you have an example

513
00:24:43,519 --> 00:24:40,110

Glomar Explorer ok forget it too far you

514

00:24:46,279 --> 00:24:43,529

have to fully appreciate this grilling

515

00:24:48,320 --> 00:24:46,289

that's going on first notice that you

516

00:24:49,909 --> 00:24:48,330

know Colonel Alexander says I have

517

00:24:51,440 --> 00:24:49,919

first-hand knowledge and then he goes on

518

00:24:53,269 --> 00:24:51,450

to say I talked to these guys and these

519

00:24:54,649 --> 00:24:53,279

guys and she and points out well that

520

00:24:56,330 --> 00:24:54,659

isn't really first-hand knowledge that

521

00:24:57,529 --> 00:24:56,340

second here now that secondary knowledge

522

00:24:59,210 --> 00:24:57,539

because you're passing along with

523

00:25:01,549 --> 00:24:59,220

someone already told you but more

524

00:25:06,399 --> 00:25:01,559

importantly you can sense the

525

00:25:10,430 --> 00:25:06,409

frustration at the parsing step back

526

00:25:13,039 --> 00:25:10,440

here is a guy who's saying I've talked

527

00:25:15,560 --> 00:25:13,049

to the highest-ranking officials in the

528

00:25:17,480 --> 00:25:15,570

government and there's no UFO program

529

00:25:20,779 --> 00:25:17,490

they don't know anything about UFOs

530

00:25:23,720 --> 00:25:20,789

there's there's nothing out there we all

531

00:25:26,440 --> 00:25:23,730

do it was [h__\h] everybody knew was

532

00:25:32,930 --> 00:25:26,450

[h__\h] but that didn't matter

533

00:25:37,610 --> 00:25:32,940

it didn't matter until December 16th

534

00:25:39,500 --> 00:25:37,620

2017 new york times and our friend

535

00:25:48,379 --> 00:25:39,510

Leslie Kane who that's a whole other

536

00:25:56,519 --> 00:25:50,580

there's a whole fleet of a look on the

537

00:26:12,770 --> 00:25:56,529

assay but God well going against the

538

00:26:20,360 --> 00:26:16,610

now notice that I titled that slide

539

00:26:22,440 --> 00:26:20,370

controlled disclosure question mark and

540

00:26:23,669 --> 00:26:22,450

it's hard with this show because this

541

00:26:27,480 --> 00:26:23,679

shows about consciousness and

542

00:26:29,310 --> 00:26:27,490

spirituality really but and in a minute

543

00:26:32,760 --> 00:26:29,320

I'll tell you why I think it relates to

544

00:26:36,360 --> 00:26:32,770

this in a really important profound way

545

00:26:39,539 --> 00:26:36,370

but just stepping back in dealing with

546

00:26:42,060 --> 00:26:39,549

the conspiratorial aspect of this again

547

00:26:47,370 --> 00:26:42,070

you got to kind of put that hat on for a

548

00:26:50,460 --> 00:26:47,380

minute and say okay New York Times the

549

00:26:52,350 --> 00:26:50,470

official record at least for still a lot

550

00:26:55,860 --> 00:26:52,360

of people not for a lot of other people

551
00:27:01,710 --> 00:26:55,870
but the New York Times has now said okay

552
00:27:06,060 --> 00:27:01,720
guys it's real but the point is if it's

553
00:27:09,960 --> 00:27:06,070
real then it's always been real right

554
00:27:11,220 --> 00:27:09,970
then it's been real for 50 60 years it's

555
00:27:13,500 --> 00:27:11,230
been real right

556
00:27:17,669 --> 00:27:13,510
it isn't like they're pretending like

557
00:27:19,279 --> 00:27:17,679
this is the first or only UFO program

558
00:27:23,580 --> 00:27:19,289
right

559
00:27:27,930 --> 00:27:23,590
so john alexander you talked everyone

560
00:27:29,610 --> 00:27:27,940
and they said there's nothing right so i

561
00:27:31,710 --> 00:27:29,620
said a minute ago that this stuff does

562
00:27:34,919 --> 00:27:31,720
relate back to skeptic oh does relate

563
00:27:37,470 --> 00:27:34,929

back to consciousness science or

564

00:27:41,190 --> 00:27:37,480

consciousness understanding however you

565

00:27:43,580 --> 00:27:41,200

want to put it in spirituality so i

566

00:27:48,149 --> 00:27:43,590

guess it's fair to ask how how does it

567

00:27:49,500 --> 00:27:48,159

check out this his wife suddenly wants

568

00:27:53,970 --> 00:27:49,510

to talk about i'd like to talk about

569

00:27:56,730 --> 00:27:53,980

entanglement and i'm thinking why would

570

00:27:59,149 --> 00:27:56,740

you ask us your husband is a PhD in

571

00:28:02,430 --> 00:27:59,159

physics he's right he run the

572

00:28:05,279 --> 00:28:02,440

parapsychology the the what they called

573

00:28:07,230 --> 00:28:05,289

a phenomenology desk at the CIA we would

574

00:28:09,899 --> 00:28:07,240

ask where does and what people have to

575

00:28:12,270 --> 00:28:09,909

realize is that when the CIA calls it

576

00:28:13,110 --> 00:28:12,280

phenomenology that is a hint as to

577

00:28:16,399 --> 00:28:13,120

what's going on

578

00:28:19,890 --> 00:28:16,409

it is not ufos its remote-viewing ghosts

579

00:28:21,270 --> 00:28:19,900

parapsychology the telepathy it's the

580

00:28:22,810 --> 00:28:21,280

whole ball of wax because it's all

581

00:28:26,470 --> 00:28:22,820

consciousness

582

00:28:27,970 --> 00:28:26,480

and they know that and that's why when

583

00:28:30,970 --> 00:28:27,980

the Canadian government documents said

584

00:28:32,289 --> 00:28:30,980

in 1950 that mental phenomena may be

585

00:28:33,490 --> 00:28:32,299

involved the top-secret finian

586

00:28:35,049 --> 00:28:33,500

government document said mental

587

00:28:36,610 --> 00:28:35,059

phenomena may be involved in flying

588

00:28:38,320 --> 00:28:36,620

saucers that's when they started the

589

00:28:39,460 --> 00:28:38,330

MKULTRA stuff that's when they started

590

00:28:41,080 --> 00:28:39,470

all that can seem trying to figure out

591

00:28:43,690 --> 00:28:41,090

how to consciousness work because they

592

00:28:45,430 --> 00:28:43,700

had a live alien in 1947 that's how the

593

00:28:47,440 --> 00:28:45,440

Americans knew to tell the Canadians in

594

00:28:49,840 --> 00:28:47,450

1950 the mental phenomena was involved

595

00:28:51,549 --> 00:28:49,850

nobody was talking to aliens in 1950 the

596

00:28:52,899 --> 00:28:51,559

Adamski and Williamson would not come

597

00:28:55,269 --> 00:28:52,909

forward until a couple days after the

598

00:28:56,560 --> 00:28:55,279

detonation the hydrogen bomb Betty and

599

00:28:57,310 --> 00:28:56,570

Barney Hill would not become public for

600

00:28:58,930 --> 00:28:57,320

mid 60s

601
00:29:01,299 --> 00:28:58,940
nobody said they're talking to aliens in

602
00:29:02,889 --> 00:29:01,309
public at least and so therefore how did

603
00:29:04,149 --> 00:29:02,899
they know that mental phenomena was

604
00:29:05,919 --> 00:29:04,159
involved because they had a live alien

605
00:29:07,659 --> 00:29:05,929
and they knew that the alien talked is

606
00:29:09,460 --> 00:29:07,669
telepathic and gets in your head and

607
00:29:11,230 --> 00:29:09,470
they went wow man if we could discover

608
00:29:12,700 --> 00:29:11,240
how this work and so of course they

609
00:29:14,289 --> 00:29:12,710
threw every dime they had at

610
00:29:18,129 --> 00:29:14,299
consciousness trying to figure out how

611
00:29:20,289 --> 00:29:18,139
this thing worked I'm alone that of

612
00:29:22,210 --> 00:29:20,299
course is a grant Cameron who's been on

613
00:29:25,119 --> 00:29:22,220

the show a couple of times I think is

614

00:29:26,950 --> 00:29:25,129

one of the best UFO researchers and let

615

00:29:29,320 --> 00:29:26,960

me just say I know this stuff is a

616

00:29:32,019 --> 00:29:29,330

little bit out there for some people for

617

00:29:34,330 --> 00:29:32,029

other people who like skeptical it's

618

00:29:36,159 --> 00:29:34,340

like old hat and for other people like

619

00:29:39,279 --> 00:29:36,169

skeptical it's like out there like way

620

00:29:43,629 --> 00:29:39,289

out there aliens they had an alien and

621

00:29:46,600 --> 00:29:43,639

all the rest is stuff but it's real I

622

00:29:48,340 --> 00:29:46,610

mean the Wilbur Smith memo that he

623

00:29:52,330 --> 00:29:48,350

referenced we did a whole show on that

624

00:29:54,399 --> 00:29:52,340

it's real it's a document released from

625

00:29:56,049 --> 00:29:54,409

the Canadian government a top-secret

626

00:29:57,850 --> 00:29:56,059

document and you know the grants

627

00:30:00,940 --> 00:29:57,860

research is extremely thorough

628

00:30:03,159 --> 00:30:00,950

researcher he went and were like traced

629

00:30:05,919 --> 00:30:03,169

can we rely on this document is it real

630

00:30:09,159 --> 00:30:05,929

does it faked and another totally real

631

00:30:10,570 --> 00:30:09,169

and as he alludes to there we've really

632

00:30:14,110 --> 00:30:10,580

start putting together pieces and I know

633

00:30:17,710 --> 00:30:14,120

he talks really fast that leads to this

634

00:30:21,879 --> 00:30:17,720

interest in consciousness that leads to

635

00:30:25,360 --> 00:30:21,889

MK ULTRA that leads to Stargate remote

636

00:30:28,690 --> 00:30:25,370

viewing it was in response to what they

637

00:30:31,629 --> 00:30:28,700

were finding over here that's the the

638

00:30:33,820 --> 00:30:31,639

connection that grants making and I

639

00:30:35,940 --> 00:30:33,830

think the connection is undeniable in

640

00:30:38,880 --> 00:30:35,950

terms of how things play out

641

00:30:40,410 --> 00:30:38,890

and if it wasn't undeniable before go

642

00:30:43,320 --> 00:30:40,420

back and we read the New York Times and

643

00:30:45,570 --> 00:30:43,330

watch that video I mean they kind of

644

00:30:48,060 --> 00:30:45,580

tried to hide it but we all knew this

645

00:30:49,740 --> 00:30:48,070

stuff was real but let's get back to

646

00:30:52,410 --> 00:30:49,750

today's interview with John Alexander

647

00:30:55,080 --> 00:30:52,420

for a minute one of the things I did

648

00:30:56,940 --> 00:30:55,090

after the show was I talked to my

649

00:30:58,560 --> 00:30:56,950

buddies at the crime Erica show because

650

00:30:59,730 --> 00:30:58,570

they had interviewed Grant Cameron and

651
00:31:02,400 --> 00:30:59,740
they've done a lot of research on this

652
00:31:04,920 --> 00:31:02,410
so I got on a video chat with Darren and

653
00:31:07,980 --> 00:31:04,930
Graham and I asked them what I think is

654
00:31:11,340 --> 00:31:07,990
I think one of the essential questions

655
00:31:15,980 --> 00:31:11,350
key questions to be asked about dr.

656
00:31:18,870 --> 00:31:15,990
Alexander you know an offensive defense

657
00:31:23,100 --> 00:31:18,880
yeah well we in the West are very good

658
00:31:25,290 --> 00:31:23,110
offensive defense it's so final final

659
00:31:27,030 --> 00:31:25,300
question before I well there's actually

660
00:31:29,190 --> 00:31:27,040
the big question is at the end is

661
00:31:31,380 --> 00:31:29,200
whether I've roped you guys into a

662
00:31:34,080 --> 00:31:31,390
career-ending decision or not but the

663
00:31:39,080 --> 00:31:34,090

the the question before that is is John

664

00:31:45,090 --> 00:31:42,960

think he's you know I I'm not sure that

665

00:31:47,910 --> 00:31:45,100

he is a ground we'll probably disagree

666

00:31:51,030 --> 00:31:47,920

with me but I don't know for some reason

667

00:31:55,260 --> 00:31:51,040

I just get the vibe of seeing somebody

668

00:32:02,580 --> 00:31:55,270

who's you know maybe misses the Green

669

00:32:14,940 --> 00:32:02,590

Beret days likes a little you know like

670

00:32:16,770 --> 00:32:14,950

he's some [\h__\h] one time and now you're

671

00:32:20,280 --> 00:32:16,780

sort of caught in it you know it's like

672

00:32:23,040 --> 00:32:20,290

one of those you know what settled

673

00:32:25,320 --> 00:32:23,050

saying about you know lies where it's

674

00:32:26,850 --> 00:32:25,330

you know gets out of hand [\h__\h] quick

675

00:32:28,440 --> 00:32:26,860

I mean we see that happen today all the

676
00:32:30,030 --> 00:32:28,450
time where these guys get and today in

677
00:32:34,140 --> 00:32:30,040
today's world you get burned [h__h]

678
00:32:35,940 --> 00:32:34,150
fast but yeah I don't know I tend to

679
00:32:37,680 --> 00:32:35,950
think he's stuck with it he's probably

680
00:32:41,580 --> 00:32:37,690
disinformation agent

681
00:32:44,250 --> 00:32:41,590
I'm skeptical the whole that whole side

682
00:32:45,650 --> 00:32:44,260
of the research the whole sigh the PK

683
00:32:47,840 --> 00:32:45,660
all that stuff now I'm kind of

684
00:32:51,170 --> 00:32:47,850
- love kind of mixes all together with

685
00:32:52,100 --> 00:32:51,180
the MK ULTRA and UFOs and disclosure and

686
00:32:55,040 --> 00:32:52,110
I don't know

687
00:32:55,570 --> 00:32:55,050
I wonder if MV MK ULTRA great now yeah

688
00:32:57,770 --> 00:32:55,580

maybe

689

00:33:01,850 --> 00:32:57,780

actually were in a Faraday cage so we

690

00:33:05,780 --> 00:33:01,860

should be good you know it's almost like

691

00:33:08,470 --> 00:33:05,790

he's disinformation misinformation by

692

00:33:12,320 --> 00:33:08,480

definition you know so whether he's

693

00:33:14,990 --> 00:33:12,330

being exact yeah whether he's being

694

00:33:18,470 --> 00:33:15,000

directed controlled fed the stuff or

695

00:33:21,830 --> 00:33:18,480

whether he's just being allowed to be a

696

00:33:23,090 --> 00:33:21,840

mouthpiece for the misinformation

697

00:33:25,010 --> 00:33:23,100

disinformation

698

00:33:27,350 --> 00:33:25,020

he's clearly I mean as we've

699

00:33:29,120 --> 00:33:27,360

deconstructed it it's just it doesn't

700

00:33:30,920 --> 00:33:29,130

hold on and not only that he's probably

701
00:33:31,940 --> 00:33:30,930
feeling like his job is being threatened

702
00:33:33,800 --> 00:33:31,950
because all these old-school

703
00:33:36,980 --> 00:33:33,810
disinformation guys are just being

704
00:33:38,390 --> 00:33:36,990
replaced with trolls online trolls you

705
00:33:39,830 --> 00:33:38,400
know that's the new battlefield you

706
00:33:42,530 --> 00:33:39,840
don't need these guys going on the news

707
00:33:45,920 --> 00:33:42,540
anymore you just need a billion [h__\h]

708
00:33:50,200 --> 00:33:45,930
BOTS on Twitter can the warrior monk be

709
00:33:53,540 --> 00:33:50,210
replaced by a billion BOTS on Twitter I

710
00:33:56,930 --> 00:33:53,550
don't know maybe we'll find out in this

711
00:33:59,810 --> 00:33:56,940
interview with John Alexander who you

712
00:34:03,380 --> 00:33:59,820
know really has written a terrific book

713
00:34:05,710 --> 00:34:03,390

reality denied a book that covers a lot

714

00:34:08,360 --> 00:34:05,720

of topics that we touch on in this

715

00:34:09,860 --> 00:34:08,370

including near-death experience research

716

00:34:11,360 --> 00:34:09,870

and his experience and that is

717

00:34:14,150 --> 00:34:11,370

experienced with the Stargate program

718

00:34:17,990 --> 00:34:14,160

that I mentioned ago also current news

719

00:34:21,800 --> 00:34:18,000

like Tom DeLonge disclosure my lab stuff

720

00:34:24,830 --> 00:34:21,810

which he completely categorically says

721

00:34:26,960 --> 00:34:24,840

is totally not real untrue what else did

722

00:34:29,090 --> 00:34:26,970

we talk about we talk about the aviary

723

00:34:32,690 --> 00:34:29,100

and other UFO stuff but we talk about a

724

00:34:35,570 --> 00:34:32,700

lot of non UFO stuff this book is really

725

00:34:38,600 --> 00:34:35,580

about the consciousness kind of stuff

726

00:34:41,180 --> 00:34:38,610

that skeptic oh is kind of built on but

727

00:34:43,940 --> 00:34:41,190

I just had to go with the UFO stuff

728

00:34:45,860 --> 00:34:43,950

because you you can't do that you can't

729

00:34:50,240 --> 00:34:45,870

do the head fake stuff you can't have a

730

00:34:53,630 --> 00:34:50,250

whole career built on extended

731

00:34:55,669 --> 00:34:53,640

consciousness UFO alien stuff and then

732

00:34:58,700 --> 00:34:55,679

say yeah but now also I want to talk

733

00:34:59,470 --> 00:34:58,710

about our shamans and to be fair I mean

734

00:35:01,720 --> 00:34:59,480

that the

735

00:35:04,330 --> 00:35:01,730

he answered all the questions he didn't

736

00:35:09,550 --> 00:35:04,340

dodge a single question and I commend

737

00:35:12,010 --> 00:35:09,560

him for that I just can't quite figure

738

00:35:13,690 --> 00:35:12,020

him out so before we get to the

739

00:35:14,410 --> 00:35:13,700

interview just a couple of clean up

740

00:35:17,020 --> 00:35:14,420

things you know

741

00:35:19,540 --> 00:35:17,030

last episode I reached out and asked

742

00:35:23,170 --> 00:35:19,550

people if they were interested in

743

00:35:25,510 --> 00:35:23,180

helping the show helping me in any way

744

00:35:28,599 --> 00:35:25,520

to reach out to me and it's has been

745

00:35:31,240 --> 00:35:28,609

phenomenal such a cool response so many

746

00:35:34,390 --> 00:35:31,250

awesome people I've met I've talked to I

747

00:35:36,190 --> 00:35:34,400

video chatted with and there's gonna be

748

00:35:39,220 --> 00:35:36,200

some great stuff that comes out of that

749

00:35:41,770 --> 00:35:39,230

great new content and a great little

750

00:35:43,270 --> 00:35:41,780

help on doing stuff so oh so so

751

00:35:45,340 --> 00:35:43,280

appreciate that especially just

752

00:35:48,550 --> 00:35:45,350

appreciate connecting with you all

753

00:35:50,710 --> 00:35:48,560

that's so cool so again if anyone ever

754

00:35:54,580 --> 00:35:50,720

wants to connect with me do it I'm

755

00:35:56,920 --> 00:35:54,590

pretty accessible to send me an email so

756

00:35:59,530 --> 00:35:56,930

I think that'll do it let's get on to

757

00:36:05,750 --> 00:35:59,540

this interview with dr. John Alexander

758

00:36:17,299 --> 00:36:14,079

[Music]

759

00:36:19,059 --> 00:36:17,309

today we welcome dr. John Alexander to

760

00:36:23,359 --> 00:36:19,069

skeptic Oh to talk about his new book

761

00:36:26,559 --> 00:36:23,369

reality denied firsthand experiences

762

00:36:29,779 --> 00:36:26,569

with things that can't happen but did

763

00:36:33,609 --> 00:36:29,789

dr. Alexander is a retired US Army

764

00:36:37,819 --> 00:36:33,619

colonel with a list of military and

765

00:36:39,859 --> 00:36:37,829

non-military distinctions which are way

766

00:36:42,440 --> 00:36:39,869

too long to mention on this show he's

767

00:36:45,980 --> 00:36:42,450

one of those people as you'll hear about

768

00:36:49,609 --> 00:36:45,990

when he talks about this book who really

769

00:36:51,220 --> 00:36:49,619

has seen it all and done it all at least

770

00:36:53,539 --> 00:36:51,230

it seems that way

771

00:36:54,079 --> 00:36:53,549

fortunately he has written a book about

772

00:36:58,849 --> 00:36:54,089

it

773

00:37:02,779 --> 00:36:58,859

welcome to skeptic oh thanks for joining

774

00:37:05,809 --> 00:37:02,789

me Oh glad to be here so we're talking

775

00:37:07,789 --> 00:37:05,819

on a landline it's a little bit

776

00:37:09,710 --> 00:37:07,799

unfortunate I was really hoping we could

777

00:37:12,920 --> 00:37:09,720

have done video because I have seen

778

00:37:16,130 --> 00:37:12,930

interviews from your home in Las Vegas

779

00:37:18,049 --> 00:37:16,140

and it's quite an amazing place I think

780

00:37:22,930 --> 00:37:18,059

it fits into this book and that you've

781

00:37:25,039 --> 00:37:22,940

almost compiled almost a museum-quality

782

00:37:27,279 --> 00:37:25,049

collection of things that you've

783

00:37:30,739 --> 00:37:27,289

gathered from around the world that

784

00:37:33,680 --> 00:37:30,749

support this amazing journey that you've

785

00:37:36,609 --> 00:37:33,690

been on of discovering of strange things

786

00:37:39,229 --> 00:37:36,619

so is that true

787

00:37:41,239 --> 00:37:39,239

pretty much Victoria likes to pick up

788

00:37:43,849 --> 00:37:41,249

stuff and we have been to a lot of

789

00:37:45,650 --> 00:37:43,859

places have tried to convince her

790

00:37:49,009 --> 00:37:45,660

there's more crosses in the world and

791

00:37:52,099 --> 00:37:49,019

anybody can possibly home but now we do

792

00:37:55,970 --> 00:37:52,109

have a lot of items from most of the

793

00:37:58,339 --> 00:37:55,980

places we've been so in this book

794

00:38:01,759 --> 00:37:58,349

reality tonight as I mentioned it's an

795

00:38:04,630 --> 00:38:01,769

amazing account way way too many stories

796

00:38:07,190 --> 00:38:04,640

to tell in an hour but we have UFOs

797

00:38:10,099 --> 00:38:07,200

near-death experience psychic spying

798

00:38:13,099 --> 00:38:10,109

medium spoon bending men who stare at

799

00:38:15,700 --> 00:38:13,109

goats it goes on and on and on it seems

800

00:38:20,329 --> 00:38:15,710

like no matter what area related to

801
00:38:23,559 --> 00:38:20,339
extended consciousness and military

802
00:38:26,620 --> 00:38:23,569
interest in the paranormal

803
00:38:29,620 --> 00:38:26,630
you've somehow been connected with at a

804
00:38:31,199 --> 00:38:29,630
really really deep level almost at the

805
00:38:34,870 --> 00:38:31,209
beginning of every one of these things

806
00:38:37,150 --> 00:38:34,880
but your book is also about

807
00:38:40,839 --> 00:38:37,160
what I like to call deep spirituality

808
00:38:43,779 --> 00:38:40,849
which is a frequent topic of this show

809
00:38:47,709 --> 00:38:43,789
and I almost feel like it's where we

810
00:38:51,069 --> 00:38:47,719
should begin because it seems to me

811
00:38:55,859 --> 00:38:51,079
where you come down on the spirituality

812
00:38:59,199 --> 00:38:55,869
question if you will is to approach it

813
00:39:02,170 --> 00:38:59,209

not so much because of any kind of

814

00:39:05,559 --> 00:39:02,180

religious reasons you might have but

815

00:39:09,009 --> 00:39:05,569

because it's at the fundamental core it

816

00:39:14,130 --> 00:39:09,019

seems to be of who we are in what we are

817

00:39:18,189 --> 00:39:14,140

and speak for a minute about that about

818

00:39:20,979 --> 00:39:18,199

spirituality about what it means

819

00:39:25,420 --> 00:39:20,989

about how it fits into this whole big

820

00:39:28,539 --> 00:39:25,430

picture of reality well I might mention

821

00:39:32,709 --> 00:39:28,549

the book is divided into four parts and

822

00:39:36,039 --> 00:39:32,719

one of those I did title spirituality I

823

00:39:38,170 --> 00:39:36,049

might mention all war story if you will

824

00:39:41,829 --> 00:39:38,180

but when I was doing my doctoral

825

00:39:43,660 --> 00:39:41,839

dissertation Elisabeth kubler-ross was

826
00:39:45,819 --> 00:39:43,670
ahead of my committee and I think many

827
00:39:47,469 --> 00:39:45,829
of the people will know hers or in the

828
00:39:51,309 --> 00:39:47,479
medical community she's the one who

829
00:39:53,170 --> 00:39:51,319
brought hospice to the u.s. and of

830
00:39:58,479 --> 00:39:53,180
course with Ray Moody started the whole

831
00:40:02,559 --> 00:39:58,489
area of mom or near-death experiences

832
00:40:05,259 --> 00:40:02,569
she made me change one word in the

833
00:40:10,569 --> 00:40:05,269
dissertation and that was from religious

834
00:40:13,959 --> 00:40:10,579
to spirituality and it had profound

835
00:40:18,160 --> 00:40:13,969
impact on on the outcome of over writing

836
00:40:20,589 --> 00:40:18,170
because many people showed I had an

837
00:40:23,109 --> 00:40:20,599
instrument that people responded to and

838
00:40:25,359 --> 00:40:23,119

many of them said you know I reject the

839

00:40:28,029 --> 00:40:25,369

dogma of the church but I think I have a

840

00:40:31,920 --> 00:40:28,039

spiritual connection with higher beings

841

00:40:36,279 --> 00:40:31,930

and I think it's much broader than a

842

00:40:36,910 --> 00:40:36,289

quote religious context if you will one

843

00:40:39,880 --> 00:40:36,920

of the things

844

00:40:42,900 --> 00:40:39,890

I have found as you noticed I've dealt

845

00:40:51,910 --> 00:40:42,910

with shamans from all over the world and

846

00:40:54,640 --> 00:40:51,920

that outside of Europe in the u.s. the

847

00:40:57,240 --> 00:40:54,650

notion of a spirit world is generally

848

00:41:00,010 --> 00:40:57,250

accepted in the West we have a

849

00:41:01,720 --> 00:41:00,020

materialistic worldview that says you

850

00:41:03,880 --> 00:41:01,730

know you can cut things into smaller and

851
00:41:07,150 --> 00:41:03,890
smaller pieces and eventually get to the

852
00:41:10,960 --> 00:41:07,160
god particle Higgs boson or mal

853
00:41:14,020 --> 00:41:10,970
pentaquarks or whatever but in other

854
00:41:16,660 --> 00:41:14,030
areas of the world they do not draw that

855
00:41:20,650 --> 00:41:16,670
distinction even the people who are

856
00:41:23,800 --> 00:41:20,660
highly educated often educated in you

857
00:41:27,420 --> 00:41:23,810
know Western traditions but they accept

858
00:41:30,130 --> 00:41:27,430
you know that there is a spirit world

859
00:41:32,080 --> 00:41:30,140
when I deal with shamans I might mention

860
00:41:35,470 --> 00:41:32,090
that you know they see the moves

861
00:41:38,770 --> 00:41:35,480
seamlessly back and forth between the

862
00:41:44,740 --> 00:41:38,780
spirit world and what we would call a

863
00:41:46,420 --> 00:41:44,750

consensus reality or the real world John

864

00:41:48,130 --> 00:41:46,430

let me just interject a couple of things

865

00:41:50,800 --> 00:41:48,140

cuz I remember that anecdote from the

866

00:41:52,210 --> 00:41:50,810

book and it's it's stunning it's an

867

00:41:54,490 --> 00:41:52,220

example of what I just talked about I

868

00:41:55,780 --> 00:41:54,500

mean here's a guy you know he's gonna

869

00:41:58,090 --> 00:41:55,790

write a book and he's going to talk

870

00:42:01,480 --> 00:41:58,100

about his experience with near-death

871

00:42:03,400 --> 00:42:01,490

experience and the very beginning of

872

00:42:05,560 --> 00:42:03,410

that as Elizabeth kubler-ross a lot of

873

00:42:07,300 --> 00:42:05,570

people don't know it they associated

874

00:42:09,130 --> 00:42:07,310

with Raymond Moody but it was actually

875

00:42:10,450 --> 00:42:09,140

Elizabeth kubler-ross who went to

876

00:42:12,070 --> 00:42:10,460

Raymond Moody and said hey I can't

877

00:42:14,410 --> 00:42:12,080

include this in my book I have enough to

878

00:42:16,390 --> 00:42:14,420

tackle here with Hospice long as you

879

00:42:19,120 --> 00:42:16,400

tackle near-death experience and that's

880

00:42:20,980 --> 00:42:19,130

how that future begins and then you roll

881

00:42:22,510 --> 00:42:20,990

that back into that future and lo and

882

00:42:24,810 --> 00:42:22,520

behold you're there and she's telling

883

00:42:26,890 --> 00:42:24,820

you don't say religiousness say

884

00:42:29,170 --> 00:42:26,900

spirituality I mean it's an amazing

885

00:42:31,630 --> 00:42:29,180

story and it hints to kind of there's

886

00:42:33,070 --> 00:42:31,640

one story like that after another in

887

00:42:34,840 --> 00:42:33,080

this book and you're like how was this

888

00:42:37,450 --> 00:42:34,850

guy been at the beginning of all this

889

00:42:39,850 --> 00:42:37,460

but let's take it back to the question

890

00:42:41,500 --> 00:42:39,860

of spirituality and we can either go

891

00:42:43,240 --> 00:42:41,510

backwards in time or forwards in time

892

00:42:44,920 --> 00:42:43,250

because as you just mentioned you go

893

00:42:47,680 --> 00:42:44,930

forwards in time and you're down there

894

00:42:50,020 --> 00:42:47,690

with your wife doing spirit possessions

895

00:42:50,890 --> 00:42:50,030

with shaman in Brazil I mean this is

896

00:42:53,589 --> 00:42:50,900

like in the last

897

00:42:55,480 --> 00:42:53,599

years crazy stuff that most people don't

898

00:42:57,849 --> 00:42:55,490

talk about but you can also go back in

899

00:42:59,740 --> 00:42:57,859

your history and you have experiences on

900

00:43:01,990 --> 00:42:59,750

the battlefield with people who say yeah

901
00:43:03,910 --> 00:43:02,000
that NDE stuff I know it's real because

902
00:43:05,980 --> 00:43:03,920
I've seen it on the battlefield and I'm

903
00:43:08,109 --> 00:43:05,990
you know left my body or seeing my body

904
00:43:11,710 --> 00:43:08,119
or had near-death experience and stuff

905
00:43:15,329 --> 00:43:11,720
like that so let's again try and fly

906
00:43:17,980 --> 00:43:15,339
over this thing at 50,000 feet what is

907
00:43:20,980 --> 00:43:17,990
spirituality you've had such a broad

908
00:43:23,769 --> 00:43:20,990
experience with it in so many ways how

909
00:43:25,269 --> 00:43:23,779
do you define it in your life I mean why

910
00:43:28,329 --> 00:43:25,279
are you going down to Brazil with your

911
00:43:31,299 --> 00:43:28,339
wife why are you subjecting yourself to

912
00:43:35,950 --> 00:43:31,309
these experiences with shaman what is

913
00:43:37,599 --> 00:43:35,960

that what does it all mean to you I wish

914

00:43:41,019 --> 00:43:37,609

I had a good answer for that and

915

00:43:45,069 --> 00:43:41,029

certainly nothing succinct I often get

916

00:43:48,630 --> 00:43:45,079

asked you know how did I transform and I

917

00:43:51,160 --> 00:43:48,640

say there was no epiphany it's a magical

918

00:43:54,880 --> 00:43:51,170

transformational incident it's been more

919

00:43:56,859 --> 00:43:54,890

like turning a cruise ship or an

920

00:43:59,890 --> 00:43:56,869

aircraft carrier where you see slight

921

00:44:04,029 --> 00:43:59,900

train I've always been interested things

922

00:44:07,000 --> 00:44:04,039

unusual and have followed that for you

923

00:44:11,260 --> 00:44:07,010

know absolutely decades a lot of us

924

00:44:14,769 --> 00:44:11,270

revolves around Victoria my wife will

925

00:44:18,069 --> 00:44:14,779

probably get into ayahuasca for instance

926

00:44:21,519 --> 00:44:18,079

and she's a devotee and one who is

927

00:44:24,309 --> 00:44:21,529

willing to take great leaps in these

928

00:44:28,930 --> 00:44:24,319

areas and it's one of those things that

929

00:44:33,039 --> 00:44:28,940

for listeners a you get involved it just

930

00:44:36,010 --> 00:44:33,049

the doors keep opening for the gift that

931

00:44:38,769 --> 00:44:36,020

keeps on giving if you will okay let me

932

00:44:40,359 --> 00:44:38,779

try this one more time well how about

933

00:44:43,539 --> 00:44:40,369

just some of the fundamental questions

934

00:44:46,269 --> 00:44:43,549

that people really struggle with at the

935

00:44:48,880 --> 00:44:46,279

end of the day morality good and bad

936

00:44:51,880 --> 00:44:48,890

does God exist is there an ultimate

937

00:44:54,309 --> 00:44:51,890

truth is there a moral imperative is

938

00:44:56,980 --> 00:44:54,319

there a good and bad or is it just a big

939

00:44:59,319 --> 00:44:56,990

blob out there of consciousness in

940

00:45:00,970 --> 00:44:59,329

spirits and you know a demon-haunted

941

00:45:03,750 --> 00:45:00,980

world where people are pushing and

942

00:45:08,570 --> 00:45:03,760

pulling but there's no real order to

943

00:45:11,160 --> 00:45:08,580

well it's very difficult to say I

944

00:45:14,760 --> 00:45:11,170

mentioned all here's an example of my

945

00:45:18,780 --> 00:45:14,770

UFO book first line was UFOs are real

946

00:45:21,000 --> 00:45:18,790

and the last paragraph is whatever this

947

00:45:24,060 --> 00:45:21,010

is it is more complex and we could

948

00:45:27,120 --> 00:45:24,070

possibly imagine and in all of my

949

00:45:30,420 --> 00:45:27,130

presentations I have a slide that shows

950

00:45:33,870 --> 00:45:30,430

early that incorporates many of these

951
00:45:37,290 --> 00:45:33,880
things from UFOs near-death experiences

952
00:45:42,450 --> 00:45:37,300
remote viewing spontaneous healing fire

953
00:45:45,540 --> 00:45:42,460
walking etc etc and in my view those are

954
00:45:49,280 --> 00:45:45,550
all interconnected in some way and

955
00:45:52,440 --> 00:45:49,290
certainly consciousness is a piece of it

956
00:45:56,460 --> 00:45:52,450
personal philosophy is I am in a

957
00:46:00,510 --> 00:45:56,470
recycling ie you know coming back again

958
00:46:03,599 --> 00:46:00,520
or reincarnation and so maybe when you

959
00:46:06,780 --> 00:46:03,609
get issues of morality or these are

960
00:46:09,000 --> 00:46:06,790
lessons that each individual are going

961
00:46:13,140 --> 00:46:09,010
to be confronted with and have to learn

962
00:46:15,660 --> 00:46:13,150
at some juncture so let's break down

963
00:46:18,750 --> 00:46:15,670

there's so many different directions we

964

00:46:20,700 --> 00:46:18,760

can go but near-death experience science

965

00:46:22,920 --> 00:46:20,710

is something we've talked a lot about on

966

00:46:25,800 --> 00:46:22,930

this show and again I hate to repeat

967

00:46:29,579 --> 00:46:25,810

myself but you're right in the middle of

968

00:46:31,560 --> 00:46:29,589

that research you're deeply connected

969

00:46:34,530 --> 00:46:31,570

with some of the early near-death

970

00:46:37,020 --> 00:46:34,540

experience researchers you're deeply

971

00:46:42,030 --> 00:46:37,030

connected with the original formation of

972

00:46:45,200 --> 00:46:42,040

ions so you are very much a person to

973

00:46:48,450 --> 00:46:45,210

talk to and ask these questions about

974

00:46:51,810 --> 00:46:48,460

with regard to near-death experience

975

00:46:54,480 --> 00:46:51,820

research we have clearly I think

976

00:46:55,710 --> 00:46:54,490

evidence and you this is what you say in

977

00:46:59,099 --> 00:46:55,720

the book and I completely agree with you

978

00:47:01,050 --> 00:46:59,109

the evidence is overwhelming that it's a

979

00:47:04,079 --> 00:47:01,060

highly suggestive that consciousness

980

00:47:06,810 --> 00:47:04,089

survives bodily death the skeptical

981

00:47:09,660 --> 00:47:06,820

counter explanations for that are just

982

00:47:11,280 --> 00:47:09,670

really kind of shamefully stupid and

983

00:47:15,150 --> 00:47:11,290

just a lot of ways and scientifically

984

00:47:16,910 --> 00:47:15,160

not very strong in a lot of ways but

985

00:47:19,040 --> 00:47:16,920

again let me take that one

986

00:47:21,200 --> 00:47:19,050

further one of the near-death experience

987

00:47:23,750 --> 00:47:21,210

researchers I always think does

988

00:47:28,490 --> 00:47:23,760

extremely got extremely good job with

989

00:47:31,280 --> 00:47:28,500

the data is oncologist dr. Jeffery long

990

00:47:33,770 --> 00:47:31,290

who's published a couple books but is

991

00:47:37,310 --> 00:47:33,780

the first person who's done I guess the

992

00:47:40,460 --> 00:47:37,320

most comprehensive survey of near-death

993

00:47:42,650 --> 00:47:40,470

experience survivors and he approaches

994

00:47:45,890 --> 00:47:42,660

this question of morality the god

995

00:47:48,280 --> 00:47:45,900

question is there a purpose and the data

996

00:47:50,900 --> 00:47:48,290

that he finds scientifically is

997

00:47:52,850 --> 00:47:50,910

overwhelmingly that's what people are

998

00:47:54,430 --> 00:47:52,860

saying when they come back that there

999

00:47:58,040 --> 00:47:54,440

are people that have negative near-death

1000

00:47:59,840 --> 00:47:58,050

experiences there are negative aspects

1001
00:48:01,940 --> 00:47:59,850
to some of these experiences but those

1002
00:48:03,020 --> 00:48:01,950
are a small small fraction of the

1003
00:48:06,830 --> 00:48:03,030
overall experience

1004
00:48:09,110 --> 00:48:06,840
overall people are finding one that it

1005
00:48:11,510 --> 00:48:09,120
is not religious that it can't be

1006
00:48:14,030 --> 00:48:11,520
pigeonholed into a christian experience

1007
00:48:18,640 --> 00:48:14,040
or any other religious experience but

1008
00:48:21,890 --> 00:48:18,650
that it - it is basically confirming of

1009
00:48:24,050 --> 00:48:21,900
what religion has told us that there is

1010
00:48:26,150 --> 00:48:24,060
an afterlife there is a judgment

1011
00:48:28,730 --> 00:48:26,160
associated with that afterlife there is

1012
00:48:30,290 --> 00:48:28,740
a review there is a morality to life

1013
00:48:32,240 --> 00:48:30,300

there is good and bad and that you

1014

00:48:33,980 --> 00:48:32,250

should try and do good things I'm not

1015

00:48:35,780 --> 00:48:33,990

trying to turn this into some kind of

1016

00:48:38,390 --> 00:48:35,790

religious discussion I'm not a religious

1017

00:48:41,390 --> 00:48:38,400

person I'm just saying to me this is the

1018

00:48:44,240 --> 00:48:41,400

level to discussion that your book bags

1019

00:48:46,460 --> 00:48:44,250

which is it begs the question of what

1020

00:48:49,490 --> 00:48:46,470

does this mean now so what does this

1021

00:48:51,710 --> 00:48:49,500

near-death experience mean when we start

1022

00:48:55,940 --> 00:48:51,720

looking at it in that way and it seems

1023

00:48:59,480 --> 00:48:55,950

to suggest that there is more in terms

1024

00:49:00,710 --> 00:48:59,490

of the deep meaning that many have

1025

00:49:04,490 --> 00:49:00,720

associated with the near-death

1026
00:49:06,290 --> 00:49:04,500
experience what do you think John well I

1027
00:49:09,380 --> 00:49:06,300
think you just made a strong argument

1028
00:49:13,400 --> 00:49:09,390
for the issues of spirituality versus

1029
00:49:16,910 --> 00:49:13,410
religion and some of my recent comments

1030
00:49:18,920 --> 00:49:16,920
online I've been mentioning that from

1031
00:49:20,750 --> 00:49:18,930
these religious issues that come up that

1032
00:49:22,280 --> 00:49:20,760
if the founder ever came back in

1033
00:49:26,090 --> 00:49:22,290
Christianity he wouldn't recognize

1034
00:49:29,859 --> 00:49:26,100
what's going on today certainly the

1035
00:49:33,319 --> 00:49:29,869
hypocrisy tends to be rampant

1036
00:49:36,609 --> 00:49:33,329
yeah there are common messages and

1037
00:49:40,609 --> 00:49:36,619
inferences I was interested in cases

1038
00:49:42,829 --> 00:49:40,619

that in which certain things happen

1039

00:49:44,329 --> 00:49:42,839

again being kind of a scientist and

1040

00:49:46,849 --> 00:49:44,339

approaching it from from that

1041

00:49:50,170 --> 00:49:46,859

perspective you know what is the

1042

00:49:54,229 --> 00:49:50,180

evidence that supports that the

1043

00:49:56,359 --> 00:49:54,239

incidents are in fact real and there are

1044

00:50:00,460 --> 00:49:56,369

there's some I think compelling stories

1045

00:50:03,589 --> 00:50:00,470

of individuals who acquire information

1046

00:50:06,559 --> 00:50:03,599

during this period when they were out of

1047

00:50:11,509 --> 00:50:06,569

their body and ability to observe things

1048

00:50:15,970 --> 00:50:11,519

that they did not have access to in any

1049

00:50:18,799 --> 00:50:15,980

physical means whatsoever you also find

1050

00:50:21,319 --> 00:50:18,809

precognitive aspects to it where they

1051
00:50:24,499 --> 00:50:21,329
are given information about the future

1052
00:50:28,430 --> 00:50:24,509
that then turns out to be you know quite

1053
00:50:31,339 --> 00:50:28,440
accurate you had mentioned in before

1054
00:50:34,400 --> 00:50:31,349
you'll pass time the future time one of

1055
00:50:37,910 --> 00:50:34,410
the things we tend to come up with is

1056
00:50:41,329 --> 00:50:37,920
there probably is no time and that our

1057
00:50:45,890 --> 00:50:41,339
entire concept of time is wrong though

1058
00:50:50,019 --> 00:50:45,900
we use it to mark a passage from you

1059
00:50:53,120 --> 00:50:50,029
know as we progress in this lifetime

1060
00:50:54,559 --> 00:50:53,130
agreed and and I think that those are

1061
00:50:57,170 --> 00:50:54,569
the kind of things that you mosey into

1062
00:50:58,700 --> 00:50:57,180
just like you did just from one sentence

1063
00:51:01,609 --> 00:50:58,710

to another and then you realized that

1064

00:51:04,249 --> 00:51:01,619

you're kind of in a deep swamp as soon

1065

00:51:05,930 --> 00:51:04,259

as you start saying well by all evidence

1066

00:51:08,450 --> 00:51:05,940

we have there is no such thing as time

1067

00:51:10,370 --> 00:51:08,460

and it's kind of an arbitrary overlay

1068

00:51:12,049 --> 00:51:10,380

that we put on things it's like wow how

1069

00:51:14,479 --> 00:51:12,059

are we even talking about things like

1070

00:51:16,880 --> 00:51:14,489

past lives or things like between lives

1071

00:51:19,729 --> 00:51:16,890

or things like afterlife all those

1072

00:51:22,640 --> 00:51:19,739

things the meaning becomes very fuzzy

1073

00:51:29,529 --> 00:51:22,650

yet at the same time this is what we're

1074

00:51:34,999 --> 00:51:29,539

trying to pull apart isn't it Lucian

1075

00:51:36,109 --> 00:51:35,009

albeit a very persistent one yeah let me

1076

00:51:37,970 --> 00:51:36,119

ask you another question about the

1077

00:51:40,729 --> 00:51:37,980

near-death experience science because

1078

00:51:43,280 --> 00:51:40,739

it's something I've delved into a lot do

1079

00:51:45,350 --> 00:51:43,290

you think that the scientific

1080

00:51:47,930 --> 00:51:45,360

establishment the neuroscience

1081

00:51:51,050 --> 00:51:47,940

establishment is playing it straight

1082

00:51:53,300 --> 00:51:51,060

with this pushback they have against

1083

00:51:55,580 --> 00:51:53,310

near-death experience science I mean I

1084

00:51:59,090 --> 00:51:55,590

take for example something we covered a

1085

00:52:01,400 --> 00:51:59,100

lot was dr. eben Alexander after the

1086

00:52:03,320 --> 00:52:01,410

publication of course of Harvard

1087

00:52:05,990 --> 00:52:03,330

neuroscientist publishes a best-selling

1088

00:52:08,270 --> 00:52:06,000

book proof of heaven there's just this

1089

00:52:11,480 --> 00:52:08,280

orchestrated pushback against the work

1090

00:52:14,030 --> 00:52:11,490

and it just doesn't seem real in a way

1091

00:52:16,160 --> 00:52:14,040

it doesn't seem it seems to be coming

1092

00:52:19,220 --> 00:52:16,170

from another place with another agenda

1093

00:52:22,310 --> 00:52:19,230

that isn't quite disclosed in terms of

1094

00:52:24,350 --> 00:52:22,320

why there would be such an orchestrated

1095

00:52:26,180 --> 00:52:24,360

pushback on something that you've got

1096

00:52:28,850 --> 00:52:26,190

alluded to with the South American thing

1097

00:52:32,870 --> 00:52:28,860

is widely accepted throughout the world

1098

00:52:34,250 --> 00:52:32,880

and is widely accepted even among among

1099

00:52:36,800 --> 00:52:34,260

people in the United States I mean

1100

00:52:38,870 --> 00:52:36,810

afterlife is widely accepted and then if

1101
00:52:41,300 --> 00:52:38,880
you look at it from a historical

1102
00:52:44,030 --> 00:52:41,310
perspective I mean this is like a brief

1103
00:52:46,450 --> 00:52:44,040
little blip we have here in time of this

1104
00:52:49,370 --> 00:52:46,460
small group of materialist science who

1105
00:52:51,230 --> 00:52:49,380
denied this is there something more is

1106
00:52:53,450 --> 00:52:51,240
there something else pushing that agenda

1107
00:52:55,490 --> 00:52:53,460
that's a question I guess we were turned

1108
00:52:57,200 --> 00:52:55,500
to time and again when we talk about

1109
00:52:59,300 --> 00:52:57,210
different things but how about with the

1110
00:53:04,040 --> 00:52:59,310
youth with near-death experience

1111
00:53:06,350 --> 00:53:04,050
well I think many people would agree

1112
00:53:10,720 --> 00:53:06,360
that we are a fear-based society and

1113
00:53:13,700 --> 00:53:10,730

many things that we do and from a

1114

00:53:17,900 --> 00:53:13,710

materialistic viewpoint if this stuff is

1115

00:53:20,600 --> 00:53:17,910

right then the foundations of your

1116

00:53:23,870 --> 00:53:20,610

entire belief system are at risk and

1117

00:53:25,820 --> 00:53:23,880

that's very very scary now there's

1118

00:53:28,420 --> 00:53:25,830

another piece of it I think that gets

1119

00:53:32,030 --> 00:53:28,430

into more into the religious domain and

1120

00:53:36,530 --> 00:53:32,040

that has to do with in a control factor

1121

00:53:39,500 --> 00:53:36,540

where priests or you know various

1122

00:53:42,890 --> 00:53:39,510

spiritual leaders want to be the

1123

00:53:44,990 --> 00:53:42,900

arbiters of information and one of the

1124

00:53:47,630 --> 00:53:45,000

things that I have found is that in

1125

00:53:51,830 --> 00:53:47,640

dealing with any of these areas that

1126

00:53:55,170 --> 00:53:51,840

allow for direct experience of a divine

1127

00:53:57,540 --> 00:53:55,180

being or external consciousness

1128

00:54:01,080 --> 00:53:57,550

they would prefer to be the ones who are

1129

00:54:04,250 --> 00:54:01,090

the arbiters and you know present what

1130

00:54:06,930 --> 00:54:04,260

what the facts are as opposed to having

1131

00:54:10,970 --> 00:54:06,940

individuals who say I've been there and

1132

00:54:16,970 --> 00:54:10,980

done that does that extend into

1133

00:54:19,890 --> 00:54:16,980

government agencies well you'd have to

1134

00:54:21,660 --> 00:54:19,900

extrapolate government there because

1135

00:54:25,170 --> 00:54:21,670

remember there are government's in the

1136

00:54:28,680 --> 00:54:25,180

world that are you know theocratic so

1137

00:54:33,650 --> 00:54:28,690

that by definition is religious

1138

00:54:35,490 --> 00:54:33,660

influence I don't see it so much in the

1139

00:54:37,710 --> 00:54:35,500

Western world unless you're talking

1140

00:54:40,680 --> 00:54:37,720

about the general area of secrecy

1141

00:54:42,890 --> 00:54:40,690

because there I mean it's understand

1142

00:54:45,960 --> 00:54:42,900

across the board in all domains

1143

00:54:49,970 --> 00:54:45,970

information is power and so he who

1144

00:54:52,200 --> 00:54:49,980

controls information controls

1145

00:54:56,580 --> 00:54:52,210

considerable amount of power and

1146

00:55:00,810 --> 00:54:56,590

therefore influence right which is you

1147

00:55:03,030 --> 00:55:00,820

know John I'm reading this amazing book

1148

00:55:04,950 --> 00:55:03,040

of yours and I'm reading these amazing

1149

00:55:07,440 --> 00:55:04,960

stories some of which we just have to

1150

00:55:09,360 --> 00:55:07,450

cover because we have to get this out

1151
00:55:11,450 --> 00:55:09,370
there for folks who don't have a chance

1152
00:55:15,570 --> 00:55:11,460
to read it and you really should read

1153
00:55:18,720 --> 00:55:15,580
reality denied if you can't find a dozen

1154
00:55:20,730 --> 00:55:18,730
just completely paradigm shattering

1155
00:55:23,190 --> 00:55:20,740
stories they're just by sticking your

1156
00:55:26,430 --> 00:55:23,200
thumb into the book at any random place

1157
00:55:29,010 --> 00:55:26,440
well then I don't know I don't know how

1158
00:55:30,900 --> 00:55:29,020
you couldn't I guess is my point but I

1159
00:55:34,170 --> 00:55:30,910
kept reading this book and I'm trying to

1160
00:55:37,230 --> 00:55:34,180
square it with what I guess has for a

1161
00:55:39,870 --> 00:55:37,240
long time been the general overriding

1162
00:55:43,500 --> 00:55:39,880
meme associated with John Alexander

1163
00:55:46,080 --> 00:55:43,510

which is this guy who debates people at

1164

00:55:47,790 --> 00:55:46,090

UFO conferences saying that the

1165

00:55:50,460 --> 00:55:47,800

government doesn't know anything about

1166

00:55:53,940 --> 00:55:50,470

UFOs and if they did I would know that

1167

00:55:57,330 --> 00:55:53,950

they did and I know and they don't well

1168

00:56:01,130 --> 00:55:57,340

what is that whole meme all about is

1169

00:56:04,050 --> 00:56:01,140

that something you is that an accurate

1170

00:56:06,570 --> 00:56:04,060

characterization of the way a lot of

1171

00:56:08,450 --> 00:56:06,580

people think of you I it seems to be out

1172

00:56:11,650 --> 00:56:08,460

there and is it true

1173

00:56:15,170 --> 00:56:11,660

I can't speak to what other people think

1174

00:56:17,750 --> 00:56:15,180

but I don't think particularly the

1175

00:56:20,420 --> 00:56:17,760

recent revelations that I can say if it

1176

00:56:23,380 --> 00:56:20,430

were there I would know about it

1177

00:56:28,010 --> 00:56:23,390

I think what you talked about the recent

1178

00:56:30,470 --> 00:56:28,020

stuff that to the Stars has been

1179

00:56:33,890 --> 00:56:30,480

fortunate enough to release on studies

1180

00:56:37,160 --> 00:56:33,900

of going on what you find is you have

1181

00:56:40,480 --> 00:56:37,170

tiny pockets of people who have had

1182

00:56:43,310 --> 00:56:40,490

personal experience and the ability to

1183

00:56:47,359 --> 00:56:43,320

research that one of the things I

1184

00:56:51,140 --> 00:56:47,369

mentioned in all of these phenomena it

1185

00:56:54,079 --> 00:56:51,150

UFOs near-death experiences precognition

1186

00:56:57,050 --> 00:56:54,089

he'll take your phenomenon remember the

1187

00:57:00,710 --> 00:56:57,060

government whatever that is is made up

1188

00:57:04,430 --> 00:57:00,720

of millions of individuals and what we

1189

00:57:07,280 --> 00:57:04,440

know is across the board that a vast

1190

00:57:10,970 --> 00:57:07,290

number of them probably more than a

1191

00:57:14,320 --> 00:57:10,980

majority have had some kind of psychic

1192

00:57:17,120 --> 00:57:14,330

experience in their life if it's UFOs

1193

00:57:20,450 --> 00:57:17,130

probably 10% have actually seen

1194

00:57:22,160 --> 00:57:20,460

something that they believe a dolphin

1195

00:57:24,980 --> 00:57:22,170

particularly in the military who have

1196

00:57:26,980 --> 00:57:24,990

been in threatening situation you find

1197

00:57:30,980 --> 00:57:26,990

people who have had near-death

1198

00:57:34,940 --> 00:57:30,990

experiences now one of the areas right

1199

00:57:36,980 --> 00:57:34,950

get into some difficulty in is that when

1200

00:57:39,620 --> 00:57:36,990

you get into these areas they will the

1201
00:57:42,980 --> 00:57:39,630
government should study this some by the

1202
00:57:46,820 --> 00:57:42,990
US government now I argue that's not

1203
00:57:49,130 --> 00:57:46,830
necessarily the case you do not expect

1204
00:57:53,260 --> 00:57:49,140
that the government is responsible for

1205
00:57:58,609 --> 00:57:53,270
confirming ones individual belief system

1206
00:58:02,020 --> 00:57:58,619
although to be fair and this goes I

1207
00:58:05,570 --> 00:58:02,030
think to all of the various phenomena

1208
00:58:08,540 --> 00:58:05,580
you do find a be each individual comes

1209
00:58:11,420 --> 00:58:08,550
to the institution with their set belief

1210
00:58:16,310 --> 00:58:11,430
system and there certainly have been

1211
00:58:20,859 --> 00:58:16,320
some who have used that you know in ways

1212
00:58:29,900 --> 00:58:23,750
one of the things that just came out and

1213
00:58:33,470 --> 00:58:29,910

the recent again release is that there

1214

00:58:37,270 --> 00:58:33,480

were people who believed in UFOs but

1215

00:58:40,280 --> 00:58:37,280

said we shouldn't do that because there

1216

00:58:42,380 --> 00:58:40,290

these are demonic and we shouldn't be

1217

00:58:45,400 --> 00:58:42,390

involved we saw that in the remote

1218

00:58:49,250 --> 00:58:45,410

viewing program who said we have

1219

00:58:51,680 --> 00:58:49,260

opponents who said yeah you can probably

1220

00:58:53,299 --> 00:58:51,690

do that but we should not be involved

1221

00:58:57,500 --> 00:58:53,309

because it's the work of the devil

1222

00:59:00,740 --> 00:58:57,510

so in all cases you have individuals

1223

00:59:05,510 --> 00:59:00,750

both pro and con bringing individual

1224

00:59:08,950 --> 00:59:05,520

belief systems into you know potential

1225

00:59:12,440 --> 00:59:08,960

study or looking at these issues and

1226

00:59:15,799 --> 00:59:12,450

they're terribly terribly complex so

1227

00:59:19,099 --> 00:59:15,809

whatever we're dealing with let me try

1228

00:59:20,539 --> 00:59:19,109

and pin it down with a breaking story in

1229

00:59:22,940 --> 00:59:20,549

the last couple weeks and I don't know

1230

00:59:25,130 --> 00:59:22,950

if you were referring to that in a

1231

00:59:27,319 --> 00:59:25,140

couple of things you say but oh yeah

1232

00:59:30,589 --> 00:59:27,329

okay so everyone's heard of the the New

1233

00:59:33,680 --> 00:59:30,599

York Times UFO story right because talk

1234

00:59:36,079 --> 00:59:33,690

by Tom DeLonge but the UFO story breaks

1235

00:59:39,200 --> 00:59:36,089

in the New York Times for people who are

1236

00:59:41,180 --> 00:59:39,210

connected to the UFO community they're

1237

00:59:43,490 --> 00:59:41,190

like well this is the tip of the iceberg

1238

00:59:45,410 --> 00:59:43,500

we've known about this stuff forever but

1239

00:59:48,380 --> 00:59:45,420

for the general population it still

1240

00:59:49,849 --> 00:59:48,390

seems to be more of a bombshell than

1241

00:59:52,460 --> 00:59:49,859

then I guess I could have anticipated

1242

00:59:55,460 --> 00:59:52,470

that people are going look look it's

1243

00:59:59,650 --> 00:59:55,470

real the government is known about UFOs

1244

01:00:02,900 --> 00:59:59,660

and then I just want you to clarify

1245

01:00:04,549 --> 01:00:02,910

where you've stood in the past on this

1246

01:00:06,200 --> 01:00:04,559

kind of information because it just

1247

01:00:08,539 --> 01:00:06,210

seems to me just being totally blunt

1248

01:00:11,150 --> 01:00:08,549

that you've always been a guy who said

1249

01:00:14,089 --> 01:00:11,160

this kind of stuff couldn't possibly be

1250

01:00:15,520 --> 01:00:14,099

happening and if it was happening I

1251

01:00:20,720 --> 01:00:15,530

would know about it

1252

01:00:24,440 --> 01:00:20,730

well understand I retired in 88 and I

1253

01:00:27,799 --> 01:00:24,450

certainly didn't know everything but I

1254

01:00:30,829 --> 01:00:27,809

think I can say first of all Iran of

1255

01:00:32,160 --> 01:00:30,839

such a study throughout most of the

1256

01:00:34,920 --> 01:00:32,170

1980s

1257

01:00:37,560 --> 01:00:34,930

until the time that I retired now the

1258

01:00:41,750 --> 01:00:37,570

difference between what Lou is able to

1259

01:00:45,800 --> 01:00:41,760

do and me as he got funded we did not

1260

01:00:49,100 --> 01:00:45,810

many of the same players I had

1261

01:00:52,280 --> 01:00:49,110

representatives from all of the services

1262

01:00:57,000 --> 01:00:52,290

across the intelligence community and

1263

01:00:59,160 --> 01:00:57,010

aerospace industry involved one of the

1264

01:01:02,670 --> 01:00:59,170

things we found by the way which is

1265

01:01:06,030 --> 01:01:02,680

identical to what they discovered is

1266

01:01:08,640 --> 01:01:06,040

nobody's in charge so what you had in

1267

01:01:15,180 --> 01:01:08,650

this case is an individual who was

1268

01:01:18,420 --> 01:01:15,190

response or interested yes 15 and able

1269

01:01:21,210 --> 01:01:18,430

to put together a tiny study now when

1270

01:01:23,550 --> 01:01:21,220

you say the government says one of the

1271

01:01:26,340 --> 01:01:23,560

things I used to do when I was assigned

1272

01:01:29,310 --> 01:01:26,350

in the Pentagon is to run around say

1273

01:01:32,160 --> 01:01:29,320

where is this guy yes the Pentagon says

1274

01:01:34,470 --> 01:01:32,170

this and the Pentagon says that the

1275

01:01:38,040 --> 01:01:34,480

Pentagon doesn't say anything it's a big

1276

01:01:40,680 --> 01:01:38,050

stone building there are tens of

1277

01:01:44,970 --> 01:01:40,690

thousands of people who work there with

1278

01:01:47,760 --> 01:01:44,980

a wide variety of beliefs one of the

1279

01:01:50,970 --> 01:01:47,770

things I've just turned I have to

1280

01:01:54,720 --> 01:01:50,980

confirm yet is that secretary mattis

1281

01:01:58,230 --> 01:01:54,730

learned about this program a few hours

1282

01:02:02,190 --> 01:01:58,240

before the New York Times broke meaning

1283

01:02:04,440 --> 01:02:02,200

this is not a concerted effort you know

1284

01:02:07,920 --> 01:02:04,450

it was an individual putting together

1285

01:02:10,980 --> 01:02:07,930

the resources that he could by the way

1286

01:02:13,110 --> 01:02:10,990

one of the things that those pop up is

1287

01:02:16,170 --> 01:02:13,120

the Reed Bigelow connection and I do

1288

01:02:19,710 --> 01:02:16,180

understand that that was a competitive

1289

01:02:23,400 --> 01:02:19,720

bid and that bass or Bigelow Aerospace

1290

01:02:27,810 --> 01:02:23,410

actually won it but this you have

1291

01:02:31,790 --> 01:02:27,820

pockets that are involved should not

1292

01:02:35,460 --> 01:02:31,800

surprise people I also see big

1293

01:02:40,470 --> 01:02:35,470

discussions about whether the threat

1294

01:02:43,920 --> 01:02:40,480

based aspect of this that does not

1295

01:02:44,480 --> 01:02:43,930

surprise me at all is exactly what I did

1296

01:02:47,810 --> 01:02:44,490

there

1297

01:02:51,320 --> 01:02:47,820

years ago and the point is it is the

1298

01:02:55,580 --> 01:02:51,330

Department of Defense not the Department

1299

01:02:59,780 --> 01:02:55,590

of interesting ideas or weird stuff to

1300

01:03:03,020 --> 01:02:59,790

cover so in order to get funding you had

1301

01:03:06,190 --> 01:03:03,030

to put it in some kind of context where

1302

01:03:10,520 --> 01:03:06,200

it could withstand a degree of scrutiny

1303

01:03:12,680 --> 01:03:10,530

you also find out that over time a very

1304

01:03:16,070 --> 01:03:12,690

small group which is definitely the way

1305

01:03:19,940 --> 01:03:16,080

to do it but as the program became

1306

01:03:23,600 --> 01:03:19,950

visible it became under more and more

1307

01:03:26,060 --> 01:03:23,610

attacks and eventually you know they've

1308

01:03:30,230 --> 01:03:26,070

always said even in the black world it's

1309

01:03:34,340 --> 01:03:30,240

a zero-sum game there is competition for

1310

01:03:37,040 --> 01:03:34,350

the resources and what did happen here

1311

01:03:39,230 --> 01:03:37,050

is they got to a point where other

1312

01:03:40,970 --> 01:03:39,240

people wanted the money quite frankly

1313

01:03:44,990 --> 01:03:40,980

and so you saw a discontinuation

1314

01:03:48,950 --> 01:03:45,000

remember we're talking 22 million over

1315

01:03:53,420 --> 01:03:48,960

five years which I actually ran the

1316

01:03:58,190 --> 01:03:53,430

numbers we were talking about 0.001

1317

01:04:00,820 --> 01:03:58,200

percent of a budget I saw yes let's

1318

01:04:03,260 --> 01:04:00,830

touch on another topic in the news

1319

01:04:07,130 --> 01:04:03,270

because it again too relates directly

1320

01:04:08,870 --> 01:04:07,140

back to the book reality denied and some

1321

01:04:11,810 --> 01:04:08,880

of the important people in that book in

1322

01:04:15,800 --> 01:04:11,820

this case Hal put off so I'm referring

1323

01:04:18,099 --> 01:04:15,810

to the Tom DeLonge disclosure which a

1324

01:04:20,690 --> 01:04:18,109

lot of people look at as some kind of

1325

01:04:22,550 --> 01:04:20,700

control disclosure I don't know if

1326

01:04:25,460 --> 01:04:22,560

there's any other way to look at it of

1327

01:04:29,780 --> 01:04:25,470

course Tom DeLonge is this famous rock

1328

01:04:33,080 --> 01:04:29,790

star or blink-182 guy close associations

1329

01:04:36,470 --> 01:04:33,090

with the Democratic side of the equation

1330

01:04:39,770 --> 01:04:36,480

with his association with the Clinton

1331

01:04:41,990 --> 01:04:39,780

campaign and Podesta and and the

1332

01:04:44,660 --> 01:04:42,000

supposed disclosure that was going to

1333

01:04:47,240 --> 01:04:44,670

come about so now Tom DeLonge has come

1334

01:04:49,340 --> 01:04:47,250

out with this blue-ribbon committee

1335

01:04:51,620 --> 01:04:49,350

we're going to take this stuff to the

1336

01:04:53,090 --> 01:04:51,630

stars the government again the

1337

01:04:54,650 --> 01:04:53,100

government if you'll forgive me I mean

1338

01:04:58,040 --> 01:04:54,660

that's the only term we can use but

1339

01:04:59,690 --> 01:04:58,050

there's top ranking officials within the

1340

01:05:02,810 --> 01:04:59,700

intelligence military intelligence

1341

01:05:06,380 --> 01:05:02,820

community and the government community

1342

01:05:08,630 --> 01:05:06,390

that are joining on board one of them is

1343

01:05:12,050 --> 01:05:08,640

hell put off and there's this other

1344

01:05:15,710 --> 01:05:12,060

group of stars studied people in the

1345

01:05:17,270 --> 01:05:15,720

know both from the military contractors

1346

01:05:20,120 --> 01:05:17,280

and from the military themselves and

1347

01:05:23,390 --> 01:05:20,130

we're going to build this spacecraft

1348

01:05:26,900 --> 01:05:23,400

based on this technology that's been

1349

01:05:29,590 --> 01:05:26,910

revealed to us and here we go forget

1350

01:05:32,270 --> 01:05:29,600

about the larger social implications of

1351

01:05:35,120 --> 01:05:32,280

visitation by aliens from another planet

1352

01:05:37,430 --> 01:05:35,130

we're just going to go grind out some

1353

01:05:40,670 --> 01:05:37,440

technology the whole thing looks

1354

01:05:42,320 --> 01:05:40,680

completely contrived to me and yet at

1355

01:05:45,470 --> 01:05:42,330

the same time it does seem to have some

1356

01:05:47,690 --> 01:05:45,480

reality to it tell us what you make of

1357

01:05:50,000 --> 01:05:47,700

hell put off tell us what you make of

1358

01:05:53,140 --> 01:05:50,010

Tom DeLonge tell us what you make of

1359

01:05:57,680 --> 01:05:53,150

what appears to be controlled and

1360

01:06:00,220 --> 01:05:57,690

deliberate drip by drip disclosure okay

1361

01:06:05,120 --> 01:06:00,230

for the next three days we're going to

1362

01:06:08,720 --> 01:06:05,130

yeah first of all for disclosure Hal has

1363

01:06:11,000 --> 01:06:08,730

been a personal friend for decades so

1364

01:06:12,530 --> 01:06:11,010

know him very well then you'll also find

1365

01:06:15,920 --> 01:06:12,540

one of the things I mentioned in the

1366

01:06:19,970 --> 01:06:15,930

book by the way is that certain people

1367

01:06:22,340 --> 01:06:19,980

seem to reappear from time to time in

1368

01:06:26,000 --> 01:06:22,350

different areas he was instrumental in

1369

01:06:29,950 --> 01:06:26,010

the remote viewing program interested in

1370

01:06:37,640 --> 01:06:29,960

the PK and of course has independent lab

1371

01:06:41,660 --> 01:06:37,650

down there in Austin so long I don't

1372

01:06:44,390 --> 01:06:41,670

I've spoken with him once I have never

1373

01:06:47,270 --> 01:06:44,400

met him so I don't know I know a number

1374

01:06:49,700 --> 01:06:47,280

of the other people who were integrally

1375

01:06:52,820 --> 01:06:49,710

involved but not all of them and you're

1376

01:06:55,820 --> 01:06:52,830

right and describing it as a you know

1377

01:06:58,850 --> 01:06:55,830

quite a stellar group where I would

1378

01:07:03,500 --> 01:06:58,860

disagree is that this is any kind of

1379

01:07:07,430 --> 01:07:03,510

contrived release of information again

1380

01:07:10,210 --> 01:07:07,440

it was a very small study pieces of it

1381

01:07:13,960 --> 01:07:10,220

are ongoing by

1382

01:07:16,120 --> 01:07:13,970

all accounts where as getting funded or

1383

01:07:20,260 --> 01:07:16,130

emphasis getting funded does not seem to

1384

01:07:23,859 --> 01:07:20,270

be clear but you know there are

1385

01:07:26,170 --> 01:07:23,869

individuals and where I do agree

1386

01:07:31,540 --> 01:07:26,180

strongly with most of the people from

1387

01:07:33,900 --> 01:07:31,550

the to the stars is that there is a huge

1388

01:07:38,859 --> 01:07:33,910

problem with over-classification

1389

01:07:43,150 --> 01:07:38,869

and one of the things I've gone cuñado

1390

01:07:45,420 --> 01:07:43,160

lemma and saying studying this strictly

1391

01:07:49,570 --> 01:07:45,430

from a government or military

1392

01:07:52,839 --> 01:07:49,580

perspective I think is wrong because

1393

01:07:55,089 --> 01:07:52,849

while the study as far as I know what

1394

01:07:57,820 --> 01:07:55,099

they looked at were cases it did happen

1395

01:07:59,880 --> 01:07:57,830

to the military and understand all of

1396

01:08:02,770 --> 01:07:59,890

that but there are far more things

1397

01:08:06,640 --> 01:08:02,780

happening to just everybody remember

1398

01:08:10,000 --> 01:08:06,650

this is a global phenomena and you know

1399

01:08:13,210 --> 01:08:10,010

seems to have intensified over time but

1400

01:08:16,420 --> 01:08:13,220

the reports go back millennia and you

1401
01:08:19,420 --> 01:08:16,430
had raised the question of contact and

1402
01:08:23,320 --> 01:08:19,430
that my point is that there have been

1403
01:08:27,390 --> 01:08:23,330
reports or allegations of contact

1404
01:08:30,360 --> 01:08:27,400
between humans and sentient nonhumans

1405
01:08:33,940 --> 01:08:30,370
throughout the entirety of human history

1406
01:08:36,370 --> 01:08:33,950
throughout every culture this is why

1407
01:08:38,709 --> 01:08:36,380
when I get back to saying whatever we're

1408
01:08:45,280 --> 01:08:38,719
dealing with is terribly terribly

1409
01:08:48,130 --> 01:08:45,290
complex so I think this is just one of

1410
01:08:51,700 --> 01:08:48,140
the many data points I think that they

1411
01:08:53,620 --> 01:08:51,710
have acquired some data that do look

1412
01:08:55,209 --> 01:08:53,630
interesting but having said that I think

1413
01:08:57,880 --> 01:08:55,219

when it gets down on the bottom line

1414

01:09:00,670 --> 01:08:57,890

questions like what is it where does it

1415

01:09:03,280 --> 01:09:00,680

come from how can this all be I don't

1416

01:09:06,519 --> 01:09:03,290

think they're any closer than anybody

1417

01:09:08,979 --> 01:09:06,529

else so let's assume that they're

1418

01:09:12,070 --> 01:09:08,989

somewhat earnest in what they're putting

1419

01:09:14,170 --> 01:09:12,080

forth do you say that's a valid approach

1420

01:09:16,240 --> 01:09:14,180

to just go in there and grab what you

1421

01:09:18,640 --> 01:09:16,250

can and just say okay let's just try and

1422

01:09:21,579 --> 01:09:18,650

engineer it from a technology standpoint

1423

01:09:23,919 --> 01:09:21,589

and not worry about what you're finding

1424

01:09:26,140 --> 01:09:23,929

in the jungles of the

1425

01:09:28,450 --> 01:09:26,150

Amazon with your wife and being

1426

01:09:32,320 --> 01:09:28,460

possessed by spirits and owl spirits run

1427

01:09:34,450 --> 01:09:32,330

the whole world is it is it valid just

1428

01:09:37,390 --> 01:09:34,460

to is and I'm overstating that okay

1429

01:09:41,559 --> 01:09:37,400

forgive me but is it valid to just take

1430

01:09:45,220 --> 01:09:41,569

a wrench in trying when when I ran the

1431

01:09:47,620 --> 01:09:45,230

study thirty years ago one of the

1432

01:09:50,169 --> 01:09:47,630

aspirant things we put forever I again

1433

01:09:53,680 --> 01:09:50,179

was in the Defense Department and trying

1434

01:09:57,070 --> 01:09:53,690

to make a case to get funded but didn't

1435

01:10:00,790 --> 01:09:57,080

but a the reality of it and why you

1436

01:10:02,830 --> 01:10:00,800

would want to do it one of my were two

1437

01:10:04,180 --> 01:10:02,840

issues ones threat you know you got

1438

01:10:07,540 --> 01:10:04,190

something flying around you don't

1439

01:10:10,479 --> 01:10:07,550

understand the other was advanced in

1440

01:10:13,780 --> 01:10:10,489

technology that whether or not you

1441

01:10:17,740 --> 01:10:13,790

actually had your hands on hardware or

1442

01:10:20,229 --> 01:10:17,750

something like that that if you just

1443

01:10:24,370 --> 01:10:20,239

understood the principles for instance

1444

01:10:27,070 --> 01:10:24,380

we saw the avionics rapid acceleration

1445

01:10:29,050 --> 01:10:27,080

g-force turns that you know nobody could

1446

01:10:32,439 --> 01:10:29,060

survive of all of these have been

1447

01:10:36,220 --> 01:10:32,449

reported again at least since the

1448

01:10:40,780 --> 01:10:36,230

forties that if we had an understanding

1449

01:10:43,439 --> 01:10:40,790

of what would be required to do that but

1450

01:10:46,660 --> 01:10:43,449

there was a potential for a leapfrog in

1451
01:10:51,910 --> 01:10:46,670
technology we're not successful but the

1452
01:10:54,910 --> 01:10:51,920
approach is totally valid so again let's

1453
01:10:57,370 --> 01:10:54,920
just oppose that with the spiritual

1454
01:11:00,490 --> 01:10:57,380
actions and the spiritual questions

1455
01:11:04,570 --> 01:11:00,500
because fundamentally spirituality comes

1456
01:11:07,510 --> 01:11:04,580
down to action in the same way that

1457
01:11:10,750 --> 01:11:07,520
military operations come down to action

1458
01:11:14,110 --> 01:11:10,760
and what is right action what is non

1459
01:11:18,130 --> 01:11:14,120
action what difference does action make

1460
01:11:20,410 --> 01:11:18,140
in this spiritual realm in which we find

1461
01:11:22,750 --> 01:11:20,420
ourselves you many times in the book

1462
01:11:24,850 --> 01:11:22,760
allude to the idea that we are spiritual

1463
01:11:26,140 --> 01:11:24,860

beings living a physical life I mean do

1464

01:11:27,430 --> 01:11:26,150

you allude to that several times in the

1465

01:11:30,250 --> 01:11:27,440

book and I think it's kind of at the

1466

01:11:35,110 --> 01:11:30,260

core of what your seemed to be about

1467

01:11:37,630 --> 01:11:35,120

there does for a lot of folks seem to be

1468

01:11:40,090 --> 01:11:37,640

a contradiction in terms of

1469

01:11:43,840 --> 01:11:40,100

what it takes to be a soldier and what

1470

01:11:45,640 --> 01:11:43,850

it takes to the work threats and what it

1471

01:11:47,770 --> 01:11:45,650

takes to live a spiritual life I mean

1472

01:11:51,220 --> 01:11:47,780

it's a big question but it's the

1473

01:11:56,320 --> 01:11:51,230

question but the concepts of the warrior

1474

01:11:58,480 --> 01:11:56,330

monk has been around for eons tell us

1475

01:12:00,280 --> 01:11:58,490

tell us you you wrote a book on that

1476

01:12:02,970 --> 01:12:00,290

this has been your life I mean so

1477

01:12:08,710 --> 01:12:02,980

expound on that well know that the

1478

01:12:11,520 --> 01:12:08,720

concepts that you you know that you come

1479

01:12:14,710 --> 01:12:11,530

to understand these things and you do

1480

01:12:20,560 --> 01:12:14,720

encounter paradoxes I mean I must say

1481

01:12:24,340 --> 01:12:20,570

that I'm going to get into some of the

1482

01:12:28,000 --> 01:12:24,350

personal aspects of this but I mean I go

1483

01:12:33,940 --> 01:12:28,010

back to Vietnam because I was there is

1484

01:12:36,160 --> 01:12:33,950

also in Afghanistan in 2003 and looking

1485

01:12:39,790 --> 01:12:36,170

at the physical actions there and

1486

01:12:43,030 --> 01:12:39,800

questions become how do you take life if

1487

01:12:46,600 --> 01:12:43,040

you believe that you know all things are

1488

01:12:50,380 --> 01:12:46,610

interconnected and that you know what

1489

01:12:56,290 --> 01:12:50,390

life is worth living and as I mentioned

1490

01:13:00,100 --> 01:12:56,300

is that being a spiritual being um it is

1491

01:13:06,460 --> 01:13:00,110

still difficult to explain I think what

1492

01:13:09,670 --> 01:13:06,470

we see is a spiritual evolution that

1493

01:13:14,260 --> 01:13:09,680

takes time with the realities that faces

1494

01:13:16,720 --> 01:13:14,270

individual I might mention that the you

1495

01:13:20,200 --> 01:13:16,730

know we spent a huge amount of money and

1496

01:13:22,510 --> 01:13:20,210

we have over the last 16 years exposed a

1497

01:13:27,070 --> 01:13:22,520

lot of people to combat but I think we

1498

01:13:29,440 --> 01:13:27,080

do not begin to understand the cost of

1499

01:13:34,600 --> 01:13:29,450

that not dollars and cents but the

1500

01:13:37,810 --> 01:13:34,610

impact of people who have been exposed

1501
01:13:42,280 --> 01:13:37,820
to violent conflict who have inflicted

1502
01:13:46,660 --> 01:13:42,290
violent conflict um what I can tell you

1503
01:13:51,030 --> 01:13:46,670
is that over time those things do come

1504
01:13:56,670 --> 01:13:54,420
I think that's probably true what this

1505
01:13:58,590 --> 01:13:56,680
is going to be a very fast moving hour

1506
01:14:01,800 --> 01:13:58,600
and there's a couple of other points

1507
01:14:05,060 --> 01:14:01,810
that we just have to talk about in terms

1508
01:14:09,690 --> 01:14:05,070
of stories you have to share with people

1509
01:14:12,420 --> 01:14:09,700
your experience bending spoons with Uri

1510
01:14:14,400 --> 01:14:12,430
Geller and the story about the spoon

1511
01:14:16,350 --> 01:14:14,410
that I presume you still have in your

1512
01:14:17,580 --> 01:14:16,360
office at least you described that you

1513
01:14:21,300 --> 01:14:17,590

still have in your office from the book

1514

01:14:25,080 --> 01:14:21,310

can you tell that whole story sure I'm

1515

01:14:27,750 --> 01:14:25,090

looking at the spoon as we speak what

1516

01:14:30,150 --> 01:14:27,760

had happened and I might mention regular

1517

01:14:34,560 --> 01:14:30,160

as you know did the forward to the book

1518

01:14:37,050 --> 01:14:34,570

and I've known him for decades but he

1519

01:14:40,380 --> 01:14:37,060

had come to the u.s. I measure this is

1520

01:14:44,640 --> 01:14:40,390

still a bad old days ie Soviet Union was

1521

01:14:50,370 --> 01:14:44,650

still intact breaking up a bit but I'm

1522

01:14:52,380 --> 01:14:50,380

guessing 8 1987 timeframe and he had

1523

01:14:55,140 --> 01:14:52,390

come in and what he wanted to talk about

1524

01:14:58,710 --> 01:14:55,150

being Jewish was the plight of the

1525

01:15:02,250 --> 01:14:58,720

Soviet Jews not being allowed to

1526

01:15:05,520 --> 01:15:02,260

immigrate to Israel and what we could do

1527

01:15:08,430 --> 01:15:05,530

to help that so he arranged a meeting

1528

01:15:10,920 --> 01:15:08,440

this is in the US Capitol and there

1529

01:15:18,410 --> 01:15:10,930

actually is a skip there which is a

1530

01:15:22,920 --> 01:15:18,420

secured facility and present were

1531

01:15:25,530 --> 01:15:22,930

Senators Congressmen mostly staffers and

1532

01:15:29,070 --> 01:15:25,540

I knew this was going to take place so I

1533

01:15:32,310 --> 01:15:29,080

was sitting maybe four feet I was in the

1534

01:15:34,890 --> 01:15:32,320

very front row right dead set and in

1535

01:15:37,200 --> 01:15:34,900

front of him and of course everybody he

1536

01:15:41,400 --> 01:15:37,210

was talking again about his area of

1537

01:15:43,830 --> 01:15:41,410

interest with how to we help Jewish

1538

01:15:47,220 --> 01:15:43,840

immigration and everybody said Ben

1539

01:15:50,910 --> 01:15:47,230

something Ben something and he said well

1540

01:15:54,090 --> 01:15:50,920

I haven't got anything so they had to go

1541

01:15:57,300 --> 01:15:54,100

out to the guard and get a spoon that

1542

01:15:59,670 --> 01:15:57,310

came out of his coffee cup the reason

1543

01:16:01,440 --> 01:15:59,680

that's significant is there's no way in

1544

01:16:05,070 --> 01:16:01,450

hell that he had you know any

1545

01:16:08,280 --> 01:16:05,080

preparation of the spoon itself

1546

01:16:11,339 --> 01:16:08,290

held it with the bowl inverted with his

1547

01:16:14,339 --> 01:16:11,349

thumb and forefinger brought it one you

1548

01:16:18,510 --> 01:16:14,349

know his forefinger the right hand down

1549

01:16:20,959 --> 01:16:18,520

and the it not grabbed the knackered

1550

01:16:24,359 --> 01:16:20,969

grabbed the entire spoon at all and

1551
01:16:28,859 --> 01:16:24,369
Stroke it gently and the spoon bent the

1552
01:16:30,930 --> 01:16:28,869
handle bent upwards he then placed it on

1553
01:16:34,620 --> 01:16:30,940
the back of the chair that was nearby

1554
01:16:36,600 --> 01:16:34,630
and went on talking and the spoon

1555
01:16:38,520 --> 01:16:36,610
continued to bend while he's talking

1556
01:16:41,520 --> 01:16:38,530
about other things and which direction

1557
01:16:44,720 --> 01:16:41,530
did it Bend John he was bending upwards

1558
01:16:47,040 --> 01:16:44,730
bending upwards so it's kind of defying

1559
01:16:48,810 --> 01:16:47,050
gravity in addition to everything else

1560
01:16:50,399 --> 01:16:48,820
it's doing it's defying gravity as its

1561
01:16:53,879 --> 01:16:50,409
bending but that's the point

1562
01:16:55,919 --> 01:16:53,889
and again there's no time did he did the

1563
01:16:57,450 --> 01:16:55,929

neck of the spoon disappear cuz that's

1564

01:17:00,450 --> 01:16:57,460

one of the things you can look for for

1565

01:17:04,020 --> 01:17:00,460

fakes by the way they said no we yes we

1566

01:17:06,600 --> 01:17:04,030

had other magicians who were in fact and

1567

01:17:10,200 --> 01:17:06,610

involved in the studies Doug Henning I

1568

01:17:13,669 --> 01:17:10,210

mentioned him in the book but had

1569

01:17:16,379 --> 01:17:13,679

world-class magicians involved in this

1570

01:17:18,540 --> 01:17:16,389

and said it's been man fell on the floor

1571

01:17:21,950 --> 01:17:18,550

and ended up in my pocket

1572

01:17:26,070 --> 01:17:21,960

yeah that's pretty remarkable so

1573

01:17:29,100 --> 01:17:26,080

connected to this whole thing with Uri

1574

01:17:32,040 --> 01:17:29,110

Geller as your association with the

1575

01:17:35,490 --> 01:17:32,050

Stargate program your association with

1576

01:17:40,020 --> 01:17:35,500

Joe mechanical who's been on this show

1577

01:17:42,600 --> 01:17:40,030

and is psychics by 0:01 a lot of

1578

01:17:46,200 --> 01:17:42,610

interesting stories associated with with

1579

01:17:49,439 --> 01:17:46,210

that and related to that is the whole

1580

01:17:52,320 --> 01:17:49,449

men who stare at goats Jon Ronson thing

1581

01:17:55,530 --> 01:17:52,330

who goes on to interviews you and goes

1582

01:17:58,649 --> 01:17:55,540

on to make this kind of wacky movie so

1583

01:18:02,790 --> 01:17:58,659

many questions reject their that lcke

1584

01:18:05,189 --> 01:18:02,800

still claimed he never interviewed me he

1585

01:18:07,260 --> 01:18:05,199

was in fact present and I went on the

1586

01:18:11,970 --> 01:18:07,270

air when I first heard him talking about

1587

01:18:14,280 --> 01:18:11,980

this he had to go back and check my

1588

01:18:17,270 --> 01:18:14,290

records and what had happened there was

1589

01:18:20,209 --> 01:18:17,280

a British filmmaker but Amazon Sark

1590

01:18:23,540 --> 01:18:20,219

and who had called me and arranged for

1591

01:18:25,430 --> 01:18:23,550

the interview and came and John was

1592

01:18:29,450 --> 01:18:25,440

doing the interview and actually filming

1593

01:18:32,600 --> 01:18:29,460

it and it turns out Ronson was there and

1594

01:18:35,779 --> 01:18:32,610

as Jimmy chana and I said what he was

1595

01:18:38,299 --> 01:18:35,789

more like a grip certainly not the key

1596

01:18:41,510 --> 01:18:38,309

guy you may have asked a question or two

1597

01:18:45,109 --> 01:18:41,520

but saying he interviewed me is just

1598

01:18:47,270 --> 01:18:45,119

totally incorrect but that's one of the

1599

01:18:50,740 --> 01:18:47,280

more interesting questions related to

1600

01:18:54,080 --> 01:18:50,750

the whole area of information

1601
01:18:56,810 --> 01:18:54,090
misinformation disinformation why does

1602
01:18:58,220 --> 01:18:56,820
this film get made why is it made the

1603
01:19:00,589 --> 01:18:58,230
way that it is why is the information

1604
01:19:02,930 --> 01:19:00,599
portrayed the way that it is I mean

1605
01:19:04,760 --> 01:19:02,940
there's a million questions that no one

1606
01:19:07,459 --> 01:19:04,770
even asks but but it seems to me very

1607
01:19:10,100 --> 01:19:07,469
convenient that the whole project gets

1608
01:19:12,979 --> 01:19:10,110
put off isn't this kind of laugh it off

1609
01:19:15,399 --> 01:19:12,989
kind of way when you spent your career

1610
01:19:19,549 --> 01:19:15,409
or a good part of your career in

1611
01:19:23,600 --> 01:19:19,559
non-lethal weapons connected to very

1612
01:19:27,350 --> 01:19:23,610
strange but very real paranormal

1613
01:19:28,640 --> 01:19:27,360

phenomenon that that were connected to

1614

01:19:32,419 --> 01:19:28,650

this kind of thing do you have any

1615

01:19:33,919 --> 01:19:32,429

thoughts related to one either setting

1616

01:19:35,419 --> 01:19:33,929

the record straight in terms of what

1617

01:19:38,089 --> 01:19:35,429

really happened in terms of these

1618

01:19:40,729 --> 01:19:38,099

non-lethal weapons or number two why it

1619

01:19:44,180 --> 01:19:40,739

was portrayed the way it was in at that

1620

01:19:47,510 --> 01:19:44,190

time okay I did not see a relationship

1621

01:19:51,620 --> 01:19:47,520

between non-lethal weapons which I was

1622

01:19:57,200 --> 01:19:51,630

integrally involved and the size

1623

01:20:00,740 --> 01:19:57,210

phenomena just clarify so I doesn't look

1624

01:20:02,180 --> 01:20:00,750

like I'm going off on a wild tangent

1625

01:20:03,680 --> 01:20:02,190

because that's how you were drawn in you

1626
01:20:05,359 --> 01:20:03,690
were saying hey we're trying to get

1627
01:20:06,799 --> 01:20:05,369
these guys to stare at goats and kill

1628
01:20:08,870 --> 01:20:06,809
the goat and then later you say well the

1629
01:20:11,899 --> 01:20:08,880
goat actually received a karate chop so

1630
01:20:14,299 --> 01:20:11,909
this project that you were in was at

1631
01:20:18,370 --> 01:20:14,309
least tangentially connected was it not

1632
01:20:20,750 --> 01:20:18,380
two weapons weaponization of different

1633
01:20:22,370 --> 01:20:20,760
paranormal phenomena that would kind of

1634
01:20:24,529 --> 01:20:22,380
fall into that category or is that not

1635
01:20:25,540 --> 01:20:24,539
true please clarify that would not be

1636
01:20:31,530 --> 01:20:25,550
accurate

1637
01:20:37,240 --> 01:20:31,540
all that that's not in any way connected

1638
01:20:44,560 --> 01:20:37,250

what had happened even timewise there's

1639

01:20:46,899 --> 01:20:44,570

a bit of a disconnect the by the way for

1640

01:20:49,959 --> 01:20:46,909

anyone interested on my website and just

1641

01:20:52,810 --> 01:20:49,969

google my name I have a complete

1642

01:20:54,310 --> 01:20:52,820

description of goats and what's real and

1643

01:20:59,520 --> 01:20:54,320

what's not real

1644

01:21:05,799 --> 01:20:59,530

but now the problem was that Ronson a

1645

01:21:08,700 --> 01:21:05,809

was writing basically a comedy and he

1646

01:21:11,649 --> 01:21:08,710

took a tiny amount of truth and

1647

01:21:14,979 --> 01:21:11,659

extrapolated greatly and then they made

1648

01:21:20,169 --> 01:21:14,989

the movie and I have talked to a sloth

1649

01:21:22,780 --> 01:21:20,179

who was Clooney so guy who works with

1650

01:21:25,180 --> 01:21:22,790

producing all the time about it they

1651
01:21:27,490 --> 01:21:25,190
said how they knew that though they just

1652
01:21:30,040 --> 01:21:27,500
did it because it was funny not because

1653
01:21:33,220 --> 01:21:30,050
there's any amount of truth and I point

1654
01:21:35,500 --> 01:21:33,230
out that goats did die no doubt about

1655
01:21:38,049 --> 01:21:35,510
that and I had actually seen what had

1656
01:21:41,500 --> 01:21:38,059
happened yes there's a goat lab at Fort

1657
01:21:45,939 --> 01:21:41,510
Bragg it is used for Special Forces

1658
01:21:49,330 --> 01:21:45,949
medic the idea there is that they want

1659
01:21:52,000 --> 01:21:49,340
to shoot at the end of the training you

1660
01:21:55,330 --> 01:21:52,010
actually get to treat a gunshot wound

1661
01:21:57,160 --> 01:21:55,340
patient in this case a goat so that the

1662
01:22:04,359 --> 01:21:57,170
first gunshot wound that you actually

1663
01:22:07,330 --> 01:22:04,369

see is not on the battlefield and a long

1664

01:22:10,990 --> 01:22:07,340

story probably have time for how the it

1665

01:22:15,580 --> 01:22:11,000

all came about but what happened was dim

1666

01:22:19,330 --> 01:22:15,590

mak IE the death touch was applied as

1667

01:22:22,830 --> 01:22:19,340

opposed to any notion that goats died by

1668

01:22:28,000 --> 01:22:22,840

staring that's just completely false

1669

01:22:29,739 --> 01:22:28,010

but again glorious loss saw this as as a

1670

01:22:32,859 --> 01:22:29,749

comedy and

1671

01:22:36,819 --> 01:22:32,869

as they went running with it from there

1672

01:22:40,569 --> 01:22:36,829

okay I mean I'm happy to leave it there

1673

01:22:42,639 --> 01:22:40,579

and happy to accept the correction it

1674

01:22:46,949 --> 01:22:42,649

does seem to me over and over again we

1675

01:22:52,599 --> 01:22:46,959

get this perception being put forth by

1676
01:22:54,789 --> 01:22:52,609
Hollywood by the media that turns things

1677
01:22:57,339 --> 01:22:54,799
that are really very serious into this

1678
01:22:59,769 --> 01:22:57,349
kind of laugh it off oh you believe that

1679
01:23:01,449 --> 01:22:59,779
kind of bunk kind of thing and this

1680
01:23:03,369 --> 01:23:01,459
seems that's an important point because

1681
01:23:07,119 --> 01:23:03,379
it's not just them you find this in the

1682
01:23:09,609 --> 01:23:07,129
media as well you know when they talk

1683
01:23:12,159 --> 01:23:09,619
about these stories of various phenomena

1684
01:23:13,389 --> 01:23:12,169
UFOs or whatnot and they tend to end up

1685
01:23:16,029 --> 01:23:13,399
with a hohoho

1686
01:23:16,649 --> 01:23:16,039
or or you don't really believe that do

1687
01:23:19,569 --> 01:23:16,659
you

1688
01:23:22,089 --> 01:23:19,579

right so there was there was a reality

1689

01:23:24,489 --> 01:23:22,099

to it it didn't come close to what was

1690

01:23:31,179 --> 01:23:24,499

portrayed in the film but you don't

1691

01:23:33,879 --> 01:23:31,189

necessarily see any grand plan to that

1692

01:23:35,469 --> 01:23:33,889

misinformation a misinformation campaign

1693

01:23:37,359 --> 01:23:35,479

or anything like that more as just

1694

01:23:39,249 --> 01:23:37,369

somebody who saw an opportunity to play

1695

01:23:41,649 --> 01:23:39,259

something for a laugh is that what

1696

01:23:47,079 --> 01:23:41,659

you're saying that's exactly right

1697

01:23:50,079 --> 01:23:47,089

okay let's talk about alien abduction

1698

01:23:53,799 --> 01:23:50,089

John Mack is somebody you mentioned

1699

01:23:56,109 --> 01:23:53,809

several times in the book being a

1700

01:23:58,989 --> 01:23:56,119

Harvard researcher who got very

1701

01:24:03,809 --> 01:23:58,999

interested in alien abductions found a

1702

01:24:06,939 --> 01:24:03,819

reality to them and then found a deeper

1703

01:24:10,779 --> 01:24:06,949

spiritually transformative reality to

1704

01:24:13,419 --> 01:24:10,789

the alien abduction phenomena that has

1705

01:24:16,989 --> 01:24:13,429

been confirmed by researchers since then

1706

01:24:20,229 --> 01:24:16,999

most recently my buddy ray Hernandez at

1707

01:24:23,139 --> 01:24:20,239

the Edgar Mitchell experience or

1708

01:24:25,929 --> 01:24:23,149

organization that a large scale study

1709

01:24:29,199 --> 01:24:25,939

and found similar findings I'm sorry did

1710

01:24:32,139 --> 01:24:29,209

you want to interject something I was

1711

01:24:36,909 --> 01:24:32,149

down at Ray's house earlier this month

1712

01:24:41,370 --> 01:24:36,919

actually fantastic so I do know him and

1713

01:24:45,570 --> 01:24:42,899

you won't go further with the

1714

01:24:47,310 --> 01:24:45,580

introduction but the point was and I

1715

01:24:50,570 --> 01:24:47,320

have written a chapter for their

1716

01:24:53,760 --> 01:24:50,580

forthcoming book looking at the

1717

01:24:56,520 --> 01:24:53,770

integration of many of these phenomena

1718

01:24:58,860 --> 01:24:56,530

but he points out that as they say the

1719

01:25:02,419 --> 01:24:58,870

things that start off seemingly kind of

1720

01:25:07,169 --> 01:25:02,429

scary later do seem to have a

1721

01:25:09,990 --> 01:25:07,179

transformative positive response by the

1722

01:25:13,010 --> 01:25:10,000

individuals but it often takes a while

1723

01:25:17,070 --> 01:25:13,020

for them to psychologically integrate

1724

01:25:19,680 --> 01:25:17,080

those experiences and put in the future

1725

01:25:21,780 --> 01:25:19,690

context well there is another side of

1726

01:25:23,520 --> 01:25:21,790

that too that I think definitely needs

1727

01:25:25,709 --> 01:25:23,530

to be brought on the table and talked

1728

01:25:29,570 --> 01:25:25,719

about I've interviewed several times

1729

01:25:31,709 --> 01:25:29,580

David Jacobs of course a abduction

1730

01:25:34,110 --> 01:25:31,719

researcher who's come to a very

1731

01:25:37,340 --> 01:25:34,120

different conclusion he claims he's come

1732

01:25:39,240 --> 01:25:37,350

to that conclusion independently and

1733

01:25:42,000 --> 01:25:39,250

scientifically and he does have a

1734

01:25:44,010 --> 01:25:42,010

scientific background he claims along

1735

01:25:47,669 --> 01:25:44,020

with other abduction researchers that

1736

01:25:50,669 --> 01:25:47,679

these experiences might be characterized

1737

01:25:53,820 --> 01:25:50,679

by some as transformative spiritually

1738

01:25:57,870 --> 01:25:53,830

but for many they are true abductions in

1739

01:26:00,510 --> 01:25:57,880

every sense of the word and you have

1740

01:26:03,590 --> 01:26:00,520

been associated with having knowledge of

1741

01:26:06,770 --> 01:26:03,600

that experience in in particular

1742

01:26:09,120 --> 01:26:06,780

knowledge of knowledge of military

1743

01:26:10,890 --> 01:26:09,130

involvement in some of those abductions

1744

01:26:15,030 --> 01:26:10,900

and as definitely want to give you a

1745

01:26:18,120 --> 01:26:15,040

chance to clarify that into you know

1746

01:26:20,629 --> 01:26:18,130

just come out and tell us are you aware

1747

01:26:25,260 --> 01:26:20,639

of any government involvement in

1748

01:26:29,910 --> 01:26:25,270

programs related to alien abductions

1749

01:26:34,470 --> 01:26:29,920

yeah no my home my lab thing in my view

1750

01:26:41,640 --> 01:26:34,480

is totally ridiculous and I have written

1751
01:26:44,930 --> 01:26:41,650
to this home from Austria who was one of

1752
01:26:48,570 --> 01:26:44,940
the major proponents and if you look at

1753
01:26:51,419 --> 01:26:48,580
strictly the requirements that would be

1754
01:26:52,870 --> 01:26:51,429
necessary the resources that you'd have

1755
01:26:59,290 --> 01:26:52,880
to apply to this

1756
01:27:01,750 --> 01:26:59,300
it is ill just beyond ridiculous there's

1757
01:27:05,050 --> 01:27:01,760
no way that you could take that number

1758
01:27:08,320 --> 01:27:05,060
resort when you look at the downsizing

1759
01:27:11,350 --> 01:27:08,330
has gone on in the military and how you

1760
01:27:13,840 --> 01:27:11,360
would apply resources you would be

1761
01:27:16,959 --> 01:27:13,850
involving thousands and thousands of

1762
01:27:19,540 --> 01:27:16,969
people if you tended to believe that I

1763
01:27:21,820 --> 01:27:19,550

do think that some of these experiences

1764

01:27:24,760 --> 01:27:21,830

are certainly real there's probably

1765

01:27:27,610 --> 01:27:24,770

others that are purely psychological as

1766

01:27:30,399 --> 01:27:27,620

well but returning to a comment I made

1767

01:27:33,419 --> 01:27:30,409

earlier these have been reported

1768

01:27:38,169 --> 01:27:33,429

throughout the entirety of human history

1769

01:27:40,660 --> 01:27:38,179

all over the globe every culture and oh

1770

01:27:43,660 --> 01:27:40,670

by the way that they happen to come in

1771

01:27:47,050 --> 01:27:43,670

on little silver discs or something akin

1772

01:27:50,830 --> 01:27:47,060

to that is actually a fairly new wrinkle

1773

01:27:54,879 --> 01:27:50,840

to the interaction and abduction

1774

01:27:57,030 --> 01:27:54,889

phenomenon again globally reported okay

1775

01:28:01,090 --> 01:27:57,040

related to that another thing to either

1776

01:28:04,080 --> 01:28:01,100

clear up or - I don't know add any

1777

01:28:07,270 --> 01:28:04,090

information - you are consistently John

1778

01:28:11,169 --> 01:28:07,280

mentioned as being a member of the

1779

01:28:15,790 --> 01:28:11,179

aviary group actually having a code name

1780

01:28:18,550 --> 01:28:15,800

you're laughing so I assume that anyone

1781

01:28:21,729 --> 01:28:18,560

can find that's actually true but not

1782

01:28:24,580 --> 01:28:21,739

the aviary group this is something that

1783

01:28:30,180 --> 01:28:24,590

was created and I can never remember

1784

01:28:36,520 --> 01:28:30,190

what the name was but he'll and I and

1785

01:28:39,580 --> 01:28:36,530

Scott Jones were at a meeting in here in

1786

01:28:44,399 --> 01:28:39,590

Ohio at the time and they gave us aviary

1787

01:28:48,010 --> 01:28:44,409

names and supposedly it was just so that

1788

01:28:51,850 --> 01:28:48,020

they could talk freely on the telephone

1789

01:28:53,620 --> 01:28:51,860

and use names that you know but we're

1790

01:28:54,580 --> 01:28:53,630

being intercepted nobody would know who

1791

01:28:57,879 --> 01:28:54,590

they're talking about

1792

01:29:01,419 --> 01:28:57,889

but there is no aviary per se or groups

1793

01:29:04,120 --> 01:29:01,429

that get together or anything like that

1794

01:29:05,770 --> 01:29:04,130

you haven't brought up mj-12 I've been

1795

01:29:09,610 --> 01:29:05,780

accused of running that

1796

01:29:11,230 --> 01:29:09,620

I'll say if true would you send them a

1797

01:29:15,090 --> 01:29:11,240

message could have been missing my

1798

01:29:17,290 --> 01:29:15,100

paycheck for you know from the beginning

1799

01:29:19,890 --> 01:29:17,300

fair enough as long as we're going

1800

01:29:23,290 --> 01:29:19,900

through a list of things to clarify

1801
01:29:26,160 --> 01:29:23,300
misinformation disinformation Paul

1802
01:29:29,800 --> 01:29:26,170
bennewitz people associated with

1803
01:29:32,380 --> 01:29:29,810
projects to distort or mind-control

1804
01:29:37,080 --> 01:29:32,390
folks any knowledge of that at any time

1805
01:29:41,380 --> 01:29:37,090
any awareness of those programs running

1806
01:29:45,370 --> 01:29:41,390
no no the individuals involved my

1807
01:29:48,240 --> 01:29:45,380
position on that is if they did what

1808
01:29:52,630 --> 01:29:48,250
they said they did they belong in jail

1809
01:29:56,740 --> 01:29:52,640
absolutely illegal activities that as

1810
01:29:59,380 --> 01:29:56,750
they are described would have no

1811
01:30:03,340 --> 01:29:59,390
tolerance for them or you know should it

1812
01:30:07,660 --> 01:30:03,350
be tolerated fair enough

1813
01:30:10,840 --> 01:30:07,670

let's return then to the UFOs you tell

1814

01:30:13,620 --> 01:30:10,850

an amazing story in great detail in the

1815

01:30:16,600 --> 01:30:13,630

book reality denied about your

1816

01:30:20,500 --> 01:30:16,610

first-hand experience with with Chris

1817

01:30:24,310 --> 01:30:20,510

Bledsoe his alien encounter his alien

1818

01:30:26,620 --> 01:30:24,320

experience that leads to a healing of

1819

01:30:28,150 --> 01:30:26,630

physical healing we're not just a

1820

01:30:30,130 --> 01:30:28,160

spiritual healing although maybe that

1821

01:30:32,320 --> 01:30:30,140

was involved but the guy's got Crohn's

1822

01:30:35,860 --> 01:30:32,330

disease and he doesn't have it after the

1823

01:30:38,410 --> 01:30:35,870

encounter Rhea Hernandez who you we both

1824

01:30:40,360 --> 01:30:38,420

talked about an indigo has a very very

1825

01:30:42,430 --> 01:30:40,370

similar story with his wife and their

1826

01:30:44,890 --> 01:30:42,440

dog the family dog that had a similar

1827

01:30:47,530 --> 01:30:44,900

kind of amazing healing where the dog

1828

01:30:51,040 --> 01:30:47,540

was dying and couldn't walk and the dog

1829

01:30:53,080 --> 01:30:51,050

lives I mean let's talk about UFOs and

1830

01:30:55,660 --> 01:30:53,090

healing in this amazing experience that

1831

01:30:57,640 --> 01:30:55,670

you saw with Chris Bledsoe well with

1832

01:31:00,550 --> 01:30:57,650

crime I mentioned I was down with ray

1833

01:31:03,280 --> 01:31:00,560

his wife also came in and extract

1834

01:31:07,870 --> 01:31:03,290

described to us the incident that

1835

01:31:10,240 --> 01:31:07,880

happened and it was quite amazing in the

1836

01:31:11,790 --> 01:31:10,250

thing about Chris's case if I had just

1837

01:31:16,109 --> 01:31:11,800

listened to this

1838

01:31:19,589 --> 01:31:16,119

was beyond incredulous I mean all of the

1839

01:31:23,100 --> 01:31:19,599

things that happen but what convinced me

1840

01:31:25,350 --> 01:31:23,110

was that had heard the case I'd

1841

01:31:29,339 --> 01:31:25,360

interviewed him in great length

1842

01:31:32,700 --> 01:31:29,349

went down to visit him and the family by

1843

01:31:34,470 --> 01:31:32,710

the way is just lovely and have kind of

1844

01:31:37,560 --> 01:31:34,480

come together because they've been

1845

01:31:41,899 --> 01:31:37,570

rather precipitously attacked by the UFO

1846

01:31:45,080 --> 01:31:41,909

community what happened was that we were

1847

01:31:49,500 --> 01:31:45,090

went down the Cape Fear River for the

1848

01:31:52,140 --> 01:31:49,510

incipient incidents that occurred he

1849

01:31:54,990 --> 01:31:52,150

described to us what had happened and

1850

01:31:59,189 --> 01:31:55,000

physically it was getting early evening

1851
01:32:01,770 --> 01:31:59,199
but certainly dark and so we returned

1852
01:32:05,399 --> 01:32:01,780
Victoria was with me along with his

1853
01:32:07,680 --> 01:32:05,409
daughter Emily and we went back up to

1854
01:32:12,720 --> 01:32:07,690
the car just couple of hundred meters

1855
01:32:14,970 --> 01:32:12,730
from the from the river and women got in

1856
01:32:15,510 --> 01:32:14,980
the car and Chris and I were standing

1857
01:32:18,120 --> 01:32:15,520
there

1858
01:32:21,810 --> 01:32:18,130
describing pointing out were worth

1859
01:32:24,540 --> 01:32:21,820
certain things happened and all of a

1860
01:32:27,600 --> 01:32:24,550
sudden he turned to me says oh I think

1861
01:32:32,700 --> 01:32:27,610
they're here and within about ten

1862
01:32:37,770 --> 01:32:32,710
seconds this thing pops into view above

1863
01:32:40,260 --> 01:32:37,780

us and when zipping off again it was a

1864

01:32:44,339 --> 01:32:40,270

temporal relationship between him saying

1865

01:32:46,169 --> 01:32:44,349

oh I think I think they're here and the

1866

01:32:48,060 --> 01:32:46,179

appearance of this object it wasn't

1867

01:32:51,180 --> 01:32:48,070

something as flew of it was not this

1868

01:32:54,240 --> 01:32:51,190

identification it lasted only a few

1869

01:32:55,799 --> 01:32:54,250

seconds but that and then we went back

1870

01:32:58,709 --> 01:32:55,809

to the house and there were some other

1871

01:33:01,560 --> 01:32:58,719

things that occurred near a kind of a

1872

01:33:04,740 --> 01:33:01,570

mystical tree that's in the backyard

1873

01:33:07,410 --> 01:33:04,750

there but it was again a personal

1874

01:33:10,490 --> 01:33:07,420

experience that tends to lead me to

1875

01:33:13,589 --> 01:33:10,500

believe you know the other more

1876

01:33:16,470 --> 01:33:13,599

fantastic aspects of it but again this

1877

01:33:19,200 --> 01:33:16,480

is one where when you want positive as

1878

01:33:22,950 --> 01:33:19,210

you mentioned he had Crohn's disease for

1879

01:33:25,440 --> 01:33:22,960

12 years and what he said was the next

1880

01:33:27,090 --> 01:33:25,450

day there is a risk

1881

01:33:30,630 --> 01:33:27,100

over a number of the things that

1882

01:33:33,090 --> 01:33:30,640

happened but the following day he's

1883

01:33:35,760 --> 01:33:33,100

going around he goes he realizes he

1884

01:33:38,400 --> 01:33:35,770

hasn't taken his medicine but he's not

1885

01:33:41,300 --> 01:33:38,410

exhibiting any of the symptoms of

1886

01:33:46,140 --> 01:33:41,310

Crohn's which is terribly debilitating

1887

01:33:50,210 --> 01:33:46,150

for many people yeah quite a quite a

1888

01:33:53,190 --> 01:33:50,220

fantastic story John but were do people

1889

01:33:55,920 --> 01:33:53,200

go when they read this book what's been

1890

01:33:57,750 --> 01:33:55,930

your experience so far how is it how is

1891

01:33:59,820 --> 01:33:57,760

it hitting people is it having the

1892

01:34:02,210 --> 01:33:59,830

effect that you wanted to have and what

1893

01:34:09,720 --> 01:34:02,220

defect did you want it to have on folks

1894

01:34:13,500 --> 01:34:09,730

well I just really is ill I can see an

1895

01:34:16,650 --> 01:34:13,510

upfront it is challenging our worldview

1896

01:34:19,260 --> 01:34:16,660

and certainly the scientific community

1897

01:34:21,690 --> 01:34:19,270

because we have not talked to a number

1898

01:34:24,360 --> 01:34:21,700

of the issues there where we had

1899

01:34:29,550 --> 01:34:24,370

physical incidents were things that just

1900

01:34:32,490 --> 01:34:29,560

cannot happen absolutely did happen with

1901

01:34:36,000 --> 01:34:32,500

a reindeer shaman and northern Mongolia

1902

01:34:39,060 --> 01:34:36,010

or Siberian border things occurring

1903

01:34:42,450 --> 01:34:39,070

would talk about the Crystal Skull and I

1904

01:34:45,450 --> 01:34:42,460

would saw the mitchell-hedges Crystal

1905

01:34:48,450 --> 01:34:45,460

Skull which is probably a fake and yet

1906

01:34:51,360 --> 01:34:48,460

we had these phenomenal kinds of things

1907

01:34:56,790 --> 01:34:51,370

happen that had physical interactions

1908

01:34:59,550 --> 01:34:56,800

and what I say is that our laws of

1909

01:35:02,760 --> 01:34:59,560

science if you will are you know quite

1910

01:35:05,520 --> 01:35:02,770

misleading and things that were you know

1911

01:35:07,860 --> 01:35:05,530

science or maybe guideposts not to say

1912

01:35:11,070 --> 01:35:07,870

the science hasn't been beneficial

1913

01:35:14,850 --> 01:35:11,080

because in many ways it has it is just

1914

01:35:16,890 --> 01:35:14,860

really incomplete and we have a problem

1915

01:35:20,280 --> 01:35:16,900

with many particularly physical

1916

01:35:23,940 --> 01:35:20,290

scientists who refuse to look at data

1917

01:35:27,090 --> 01:35:23,950

that lie outside of their preconceived

1918

01:35:29,550 --> 01:35:27,100

ideas I really like the way that you

1919

01:35:33,270 --> 01:35:29,560

phrase that and the emphasis that you

1920

01:35:36,780 --> 01:35:33,280

put on really incomplete in the kind of

1921

01:35:38,750 --> 01:35:36,790

that's quite a well well played

1922

01:35:40,970 --> 01:35:38,760

understatement there

1923

01:35:43,940 --> 01:35:40,980

jump where is the best place for people

1924

01:35:46,850 --> 01:35:43,950

to find out not only about the book but

1925

01:35:50,450 --> 01:35:46,860

about any other thoughts you have in

1926

01:35:53,630 --> 01:35:50,460

terms of related to this topic in new

1927

01:35:55,910 --> 01:35:53,640

discoveries you might be making well

1928

01:35:58,580 --> 01:35:55,920

again I've got quite a bit particularly

1929

01:36:02,690 --> 01:35:58,590

covering some of our travels and back up

1930

01:36:06,490 --> 01:36:02,700

data for the book reality denied best

1931

01:36:09,110 --> 01:36:06,500

way is to go to my website rather than

1932

01:36:15,550 --> 01:36:09,120

remembering that just google my name

1933

01:36:19,670 --> 01:36:15,560

John B Alexander and it'll it'll pop up

1934

01:36:21,080 --> 01:36:19,680

John I know this is incredibly kind of

1935

01:36:22,880 --> 01:36:21,090

intrusive so a lot of people wouldn't

1936

01:36:26,300 --> 01:36:22,890

want to do it but have you ever thought

1937

01:36:27,920 --> 01:36:26,310

of doing I don't know like tours or

1938

01:36:30,170 --> 01:36:27,930

something like that and on some of these

1939

01:36:33,320 --> 01:36:30,180

trips that you're on have you ever

1940

01:36:35,930 --> 01:36:33,330

thought about hosting people or helping

1941

01:36:38,720 --> 01:36:35,940

people have these kind of experiences

1942

01:36:42,680 --> 01:36:38,730

that you've had on a personal basis well

1943

01:36:44,630 --> 01:36:42,690

you've got to remember that you know you

1944

01:36:48,710 --> 01:36:44,640

say many of these were totally

1945

01:36:52,220 --> 01:36:48,720

unexpected we once made the mistake of

1946

01:36:54,950 --> 01:36:52,230

trying to organize a trip and did that

1947

01:36:57,830 --> 01:36:54,960

and my temperament is not such when

1948

01:36:59,600 --> 01:36:57,840

putting up with people who you know a

1949

01:37:01,340 --> 01:36:59,610

lot of these are fairly rough their

1950

01:37:02,870 --> 01:37:01,350

knees and they you know they're

1951

01:37:06,880 --> 01:37:02,880

complaining about the rain or the cold

1952

01:37:09,890 --> 01:37:06,890

or the food or they let just this is not

1953

01:37:14,180 --> 01:37:09,900

something of interest to me doesn't jive

1954

01:37:19,010 --> 01:37:14,190

with an ex Vietnam Green Beret taura

1955

01:37:21,700 --> 01:37:19,020

duty okay so folks again the title of

1956

01:37:24,140 --> 01:37:21,710

the book is reality denied firsthand

1957

01:37:27,980 --> 01:37:24,150

experiences with things that can't

1958

01:37:31,960 --> 01:37:27,990

happen but did our guest has been dr.

1959

01:37:35,060 --> 01:37:31,970

John Alexander this is a book that is

1960

01:37:39,190 --> 01:37:35,070

really a must have I mean the accounts

1961

01:37:41,510 --> 01:37:39,200

the history that it encompasses is just

1962

01:37:43,430 --> 01:37:41,520

just not to be missed and I don't know

1963

01:37:45,320 --> 01:37:43,440

where else you could go to find it

1964

01:37:47,330 --> 01:37:45,330

there's no one else who's had these kind

1965

01:37:49,610 --> 01:37:47,340

of experiences over this length of time

1966

01:37:52,129 --> 01:37:49,620

and has written them all down in one

1967

01:37:53,629 --> 01:37:52,139

place John it's been a great pleasure

1968

01:37:56,209 --> 01:37:53,639

nann are talking to you and i really

1969

01:37:59,899 --> 01:37:56,219

thank you for the time thank you very

1970

01:38:02,419 --> 01:37:59,909

much thanks again to John Alexander for

1971

01:38:04,580 --> 01:38:02,429

joining me today on skeptic oak the one

1972

01:38:08,839 --> 01:38:04,590

question I guess I tee up from this

1973

01:38:11,810 --> 01:38:08,849

interview what do you make of the

1974

01:38:13,759 --> 01:38:11,820

warrior monk is it real in the sense

1975

01:38:16,989 --> 01:38:13,769

that I was talking about is there a need

1976

01:38:21,169 --> 01:38:16,999

for a warrior among those who are

1977

01:38:23,000 --> 01:38:21,179

seeking truth enlightenment peace do we

1978

01:38:25,339 --> 01:38:23,010

also have to balance that with the

1979

01:38:29,209 --> 01:38:25,349

warrior are we willing to accept

1980

01:38:31,819 --> 01:38:29,219

everything that the warrior must do to

1981

01:38:35,120 --> 01:38:31,829

be a warrior are we willing to accept

1982

01:38:39,529 --> 01:38:35,130

the idea that you can't handle the truth

1983

01:38:42,620 --> 01:38:39,539

or even worse you don't deserve the

1984
