

Joe Atwill
Skeptiko #364

1
00:00:04,670 --> 00:00:02,720
unless proven otherwise I think we're

2
00:00:05,930 --> 00:00:04,680
really wise to err on the side of

3
00:00:07,789 --> 00:00:05,940
caution and I'm just gonna remind

4
00:00:10,640 --> 00:00:07,799
something now just because I know that

5
00:00:14,230 --> 00:00:10,650
you know this is this is something that

6
00:00:18,800 --> 00:00:14,240
done creates a kind of a clear line of

7
00:00:20,900 --> 00:00:18,810
for analysis and that is 9/11 now if you

8
00:00:23,390 --> 00:00:20,910
believe that you know the building's can

9
00:00:25,759 --> 00:00:23,400
fall straight down at freefall speed and

10
00:00:27,890 --> 00:00:25,769
and you know that the guy was able to

11
00:00:31,700 --> 00:00:27,900
fly the plane and hit the Pentagon with

12
00:00:35,600 --> 00:00:31,710
no debris okay god bless you just go

13
00:00:39,260 --> 00:00:35,610

your way those of us who see these

14

00:00:40,910 --> 00:00:39,270

events as self-evident right that this

15

00:00:43,100 --> 00:00:40,920

was simply an operation by the

16

00:00:46,250 --> 00:00:43,110

government then we have to understand

17

00:00:49,580 --> 00:00:46,260

that we are living in the world that has

18

00:00:52,369 --> 00:00:49,590

been created by the MKULTRA Science and

19

00:00:54,770 --> 00:00:52,379

Technology right M Kelter didn't

20

00:00:57,889 --> 00:00:54,780

disappear when the Church Commission

21

00:00:59,840 --> 00:00:57,899

asked to have all of the documents helm

22

00:01:01,849 --> 00:00:59,850

said you know what I destroyed them and

23

00:01:05,420 --> 00:01:01,859

they said why because I didn't want to

24

00:01:07,219 --> 00:01:05,430

embarrass my friends right so so this

25

00:01:09,530 --> 00:01:07,229

and then he continued on as head of the

26

00:01:13,820 --> 00:01:09,540

CIA so you can see that democracy is

27

00:01:16,999 --> 00:01:13,830

just a facade that the overall project

28

00:01:21,620 --> 00:01:17,009

of mind-control has continued unabated

29

00:01:25,789 --> 00:01:21,630

and we are now suffering as you know as

30

00:01:28,580 --> 00:01:25,799

a as a nation underneath its Bootheel so

31

00:01:31,850 --> 00:01:28,590

when when you know we talked about well

32

00:01:35,149 --> 00:01:31,860

could there be some justification based

33

00:01:38,240 --> 00:01:35,159

on you know the a technological arms

34

00:01:42,560 --> 00:01:38,250

waste with Russia it's irrelevant to me

35

00:01:45,170 --> 00:01:42,570

Alex I don't care sure who cares what is

36

00:01:48,710 --> 00:01:45,180

important is that the organization has

37

00:01:50,690 --> 00:01:48,720

never been brought to sunlight and it's

38

00:01:53,950 --> 00:01:50,700

it's when people ask me about well what

39

00:01:57,230 --> 00:01:53,960

about the you know the spiritual

40

00:02:00,200 --> 00:01:57,240

potentiality of psychedelic drugs I just

41

00:02:02,330 --> 00:02:00,210

say look that isn't on the table what is

42

00:02:04,399 --> 00:02:02,340

on the table is that there is an

43

00:02:10,219 --> 00:02:04,409

organization that has been using these

44

00:02:12,750 --> 00:02:10,229

things against us and until until that

45

00:02:15,360 --> 00:02:12,760

has been brought completely to some

46

00:02:17,729 --> 00:02:15,370

then all of these attributes that have

47

00:02:20,490 --> 00:02:17,739

come out of their manipulation of

48

00:02:23,550 --> 00:02:20,500

culture have to be stopped I mean we

49

00:02:26,220 --> 00:02:23,560

just has to stop right now freeze in our

50

00:02:28,440 --> 00:02:26,230

tracks and we have to do the

51
00:02:30,600 --> 00:02:28,450
investigation of what is inside the

52
00:02:32,339 --> 00:02:30,610
government and then we can make

53
00:02:34,710 --> 00:02:32,349
decisions about what is this a good

54
00:02:36,750 --> 00:02:34,720
cultural idea or is there something to

55
00:02:41,039 --> 00:02:36,760
worry about from Russia or the Chinese

56
00:02:43,199 --> 00:02:41,049
but right now the problem is inside the

57
00:02:45,449 --> 00:02:43,209
government it's what controls it that's

58
00:02:48,180 --> 00:02:45,459
what we've got to focus on we can get to

59
00:02:50,309 --> 00:02:48,190
all these other issues later I'm not

60
00:02:52,619 --> 00:02:50,319
opposed to any of you know these ideas

61
00:02:54,420 --> 00:02:52,629
I'm just saying that it's not really

62
00:02:56,430 --> 00:02:54,430
something that we need to deal with

63
00:02:58,349 --> 00:02:56,440

immediately what we got to do right now
