Skeptiko #364

1
00:00:05,930 --> 00:00:02,750
why would you want to destroy the family

2
00:00:09,890 --> 00:00:05,940
why would you want to debase culture why

3
00:00:11,930 --> 00:00:09,900
from a kind of Makaveli in somebody has

4
00:00:15,410 --> 00:00:11,940
to rule the world that might as well be

5
00:00:20,029 --> 00:00:15,420
me perspective why would they want to do

6
00:00:23,060 --> 00:00:20,039
that I would say it's because the groups

7
00:00:25,070 --> 00:00:23,070
have hatred toward European culture well

8
00:00:26,689 --> 00:00:25,080
let me throw out another reason where

9
00:00:28,220 --> 00:00:26,699
I'm fishing for an answer here so let me

10
00:00:28,460 --> 00:00:28,230
throw it out and then you can respond to

11
00:00:31,669 --> 00:00:28,470
it

12
00:00:34,549 --> 00:00:31,679
thing is

13
00:00:37,190 --> 00:00:34,559

hey man it's about control and so

14

00:00:39,350 --> 00:00:37,200

you can do your thing the way you want

15

00:00:41,950 --> 00:00:39,360

it to be done you don't want people

16

00:00:44,360 --> 00:00:41,960

thinking freely you don't want people

17

00:00:46,880 --> 00:00:44,370

doing their own thing even you will

18

00:00:49,459 --> 00:00:46,890

sacrifice progress for control the first

19

00:00:52,610 --> 00:00:49,469

and foremost thing you want is control

20

00:00:56,000 --> 00:00:52,620

so anyway you can kind of leave people

21

00:00:59,360 --> 00:00:56,010

scrambling or unsure of these kind of

22

00:01:02,000 --> 00:00:59,370

things or just in a state of upset it

23

00:01:04,549 --> 00:01:02,010

really is good if you're into control

24

00:01:06,350 --> 00:01:04,559

what do you think about that in addition

25

00:01:09,590 --> 00:01:06,360

to what you're saying well I mean no no

26

00:01:12,500 --> 00:01:09,600

that's well said and in quite correct I

27

00:01:15,230 --> 00:01:12,510

mean the idea is is basically atomized

28

00:01:17,270 --> 00:01:15,240

individuals individuals without social

29

00:01:20,080 --> 00:01:17,280

and ethnic connections are far easier to

30

00:01:24,380 --> 00:01:20,090

control they are incapable of rebellion

31

00:01:28,640 --> 00:01:24,390

and so if you look at you know what has

32

00:01:31,340 --> 00:01:28,650

been destroyed by the secret society in

33

00:01:33,140 --> 00:01:31,350

say the United States from the end of

34

00:01:35,170 --> 00:01:33,150

World War two to today I mean you start

35

00:01:38,469 --> 00:01:35,180

out with the ethnic communities

36

00:01:43,550 --> 00:01:38,479

particularly ethnic Catholic communities

37

00:01:47,149 --> 00:01:43,560

these were targeted and basically you

38

00:01:49,340 --> 00:01:47,159

know pushed out into the suburbia where

39

00:01:52,850 --> 00:01:49,350

they just became the vast white

40

00:01:55,370 --> 00:01:52,860

middle-class and then from there you

41

00:01:58,760 --> 00:01:55,380

began with sex drugs and rock and roll

42

00:02:00,469 --> 00:01:58,770

and you know culture started to atomize

43

00:02:03,200 --> 00:02:00,479

even further

44

00:02:05,719 --> 00:02:03,210

they basically promoted a kind of

45

00:02:08,240 --> 00:02:05,729

feminism Gloria Steinem was the CIA

46

00:02:10,070 --> 00:02:08,250

agent promoting a kind of feminism that

47

00:02:12,520 --> 00:02:10,080

would even you know atomized the family

48

00:02:15,059 --> 00:02:12,530

a step further the single mom with

49

00:02:18,250 --> 00:02:15,069

welfare check became something that was

50

00:02:20,949 --> 00:02:18,260

seen as are given to the population as

51
00:02:24,190 --> 00:02:20,959
positive and then you know integration

52
00:02:27,699 --> 00:02:24,200
was also promoted again it's just the

53
00:02:30,160 --> 00:02:27,709
idea of the the more atomized that an

54
00:02:33,490 --> 00:02:30,170
individual is the the easier it is for

55
00:02:35,740 --> 00:02:33,500
the oligarchs to control so atomized and

56
00:02:38,410 --> 00:02:35,750
homogenized at the same time to just

57
00:02:41,080 --> 00:02:38,420
make you feel isolated and alone and

58
00:02:43,030 --> 00:02:41,090
like you said what you how are you going

59
00:02:45,370 --> 00:02:43,040
to rebel when you feel you're an island

60
00:02:48,850 --> 00:02:45,380
when you feel you don't have any strong

61
00:02:52,810 --> 00:02:48,860
group to bond to and say okay let's go

62
00:02:54,190 --> 00:02:52,820
attack the castle exactly that's that's

63
00:02:56,380 --> 00:02:54,200

a you couldn't I couldn't say any better

64

00:02:59,470 --> 00:02:56,390

I mean that's exactly what they had in

65

00:03:02,770 --> 00:02:59,480

mind and that's exactly what they did

66

00:03:05,020 --> 00:03:02,780

you can see in their creation of the sex

67

00:03:10,420 --> 00:03:05,030

drugs and rock and roll culture you know

68

00:03:13,660 --> 00:03:10,430

a kind of a desire to use eros you know

69

00:03:16,300 --> 00:03:13,670

the pleasure principle so-called to lure

70

00:03:18,220 --> 00:03:16,310

people away from the the cultural

71

00:03:20,140 --> 00:03:18,230

connections that could create an

72

00:03:22,990 --> 00:03:20,150

organization that could that could

73

00:03:27,130 --> 00:03:23,000

basically contest the power of the

74

00:03:29,949 --> 00:03:27,140

oligarchs so basically we have been the

75

00:03:33,280 --> 00:03:29,959

victim of weaponized anthropology

76

00:03:36,789 --> 00:03:33,290

weaponized psychology if you look at the

77

00:03:38,830 --> 00:03:36,799

groups that really you know have the you

78

00:03:40,530 --> 00:03:38,840

know the focus of evil I mean inside

79

00:03:42,910 --> 00:03:40,540

them when you see you don't just so many

80

00:03:46,380 --> 00:03:42,920

psychologists an interesting thing for

81

00:03:50,590 --> 00:03:46,390

people to do is there's a video called

82

00:03:54,099 --> 00:03:50,600

conversation about LSD and you know it's

83

00:03:55,479 --> 00:03:54,109

on YouTube and these are individuals

84

00:03:58,660 --> 00:03:55,489

that were involved in the MKULTRA

85

00:04:01,319 --> 00:03:58,670

project and you can see at the number of

86

00:04:04,300 --> 00:04:01,329

psychologists anthropologists

87

00:04:07,150 --> 00:04:04,310

psychiatrists I mean it's just a it's a

88

00:04:10,479 --> 00:04:07,160

collection of intellectual technique
