

1  
00:00:05,480 --> 00:00:01,969  
where is an example where is an example

2  
00:00:09,709 --> 00:00:05,490  
of a where anyone inside the government

3  
00:00:11,749 --> 00:00:09,719  
has come out and said anything even like

4  
00:00:13,970 --> 00:00:11,759  
this I mean the kid went to jail for

5  
00:00:15,799 --> 00:00:13,980  
having a picture of a submarine in his

6  
00:00:17,930 --> 00:00:15,809  
background I mean this is not a day and

7  
00:00:20,510 --> 00:00:17,940  
age where people inside the government

8  
00:00:24,769 --> 00:00:20,520  
with deep state secrets like this are

9  
00:00:28,580 --> 00:00:24,779  
allowed to speak freely so that he that

10  
00:00:30,980 --> 00:00:28,590  
he was not breaking boundaries are

11  
00:00:32,720 --> 00:00:30,990  
saying all this crazy stuff that no one

12  
00:00:34,790 --> 00:00:32,730  
wanted to say this is a controlled

13  
00:00:37,910 --> 00:00:34,800

release no I don't agree with that I

14

00:00:39,680 --> 00:00:37,920

mean none of our work ever led me to get

15

00:00:41,569 --> 00:00:39,690

to that conclusion or any of us and we

16

00:00:43,310 --> 00:00:41,579

talked to a lot of people a lot of

17

00:00:46,160 --> 00:00:43,320

people including hours and hours and

18

00:00:47,720 --> 00:00:46,170

hours with Elizondo the point is none of

19

00:00:50,600 --> 00:00:47,730

the information that he brought forward

20

00:00:52,670 --> 00:00:50,610

was classified information so he's not

21

00:00:54,590 --> 00:00:52,680

like a Snowden or a WikiLeaks who's

22

00:00:56,119 --> 00:00:54,600

really breaking the law and he's not

23

00:00:58,880 --> 00:00:56,129

really a whistleblower in that sense

24

00:01:00,229 --> 00:00:58,890

because there's nothing really against

25

00:01:01,520 --> 00:01:00,239

the law or nothing

26

00:01:05,630 --> 00:01:01,530

that he shouldn't and there's nothing

27

00:01:07,429 --> 00:01:05,640

telling him not to say this is it just

28

00:01:09,710 --> 00:01:07,439

because it's the times then is that why

29

00:01:11,179 --> 00:01:09,720

it's such a big deal because I mean if

30

00:01:13,399 --> 00:01:11,189

there's nothing classified then what's

31

00:01:16,219 --> 00:01:13,409

the big deal because it was a big deal

32

00:01:18,109 --> 00:01:16,229

to know as a fact that there has been a

33

00:01:21,020 --> 00:01:18,119

program within the Department of Defense

34

00:01:23,420 --> 00:01:21,030

since 2007 that nobody knew about and

35

00:01:25,730 --> 00:01:23,430

that has been taking seriously UFOs and

36

00:01:27,560 --> 00:01:25,740

was funded you know with 22 million

37

00:01:30,770 --> 00:01:27,570

dollars for a number of years and

38

00:01:33,770 --> 00:01:30,780

continue to investigate UFOs after that

39

00:01:36,080 --> 00:01:33,780

and yet even though they did their work

40

00:01:37,460 --> 00:01:36,090

they couldn't be very efficient about it

41

00:01:40,280 --> 00:01:37,470

and that's what was frustrating for him

42

00:01:42,980 --> 00:01:40,290

he was one person who came out on his

43

00:01:44,859 --> 00:01:42,990

own much to the consternation of the

44

00:01:47,090 --> 00:01:44,869

Department of Defense now if you leave

45

00:01:49,730 --> 00:01:47,100

Alex you're gonna have to show me

46

00:01:52,520 --> 00:01:49,740

evidence of that I think the evidence of

47

00:01:55,520 --> 00:01:52,530

that is its self evident you know you

48

00:01:57,139 --> 00:01:55,530

say you go to the New York Times I have

49

00:01:59,539 --> 00:01:57,149

seen no evidence and neither have my

50

00:02:00,679 --> 00:01:59,549

colleagues that there was some kind of I

51  
00:02:04,730 --> 00:02:00,689  
don't even know what you're exactly

52  
00:02:06,289 --> 00:02:04,740  
saying that he was well I think he I

53  
00:02:07,910 --> 00:02:06,299  
think in the least I think in the lease

54  
00:02:09,949 --> 00:02:07,920  
he's saying that there needs to be some

55  
00:02:11,390 --> 00:02:09,959  
sort of approval for somebody to talk

56  
00:02:13,220 --> 00:02:11,400  
about this kind of stuff I mean even

57  
00:02:15,229 --> 00:02:13,230  
with the to the stars

58  
00:02:17,690 --> 00:02:15,239  
to the stars Academy like there's ex-cia

59  
00:02:19,820 --> 00:02:17,700  
and X stunk works people in there that

60  
00:02:22,059 --> 00:02:19,830  
obviously have to have some I would

61  
00:02:24,350 --> 00:02:22,069  
think they'd have to have some some

62  
00:02:30,949 --> 00:02:24,360  
approval to talk about this stuff and to

63  
00:02:32,960 --> 00:02:30,959

bring this forward I mean is about

64

00:02:35,210 --> 00:02:32,970

classified information that's the

65

00:02:37,339 --> 00:02:35,220

distinction right there is that that

66

00:02:40,819 --> 00:02:37,349

distinction is meaningless at this point

67

00:02:42,710 --> 00:02:40,829

this is the biggest story probably in in

68

00:02:44,449 --> 00:02:42,720

the in our in the history of our lives

69

00:02:46,309 --> 00:02:44,459

certainly a lot of people are saying in

70

00:02:49,509 --> 00:02:46,319

the history of the world and to suggest

71

00:02:52,690 --> 00:02:49,519

that this somehow and some phony-baloney

72

00:02:55,789 --> 00:02:52,700

classified not classified top secret

73

00:02:58,069 --> 00:02:55,799

classification this isn't classified and

74

00:02:59,839 --> 00:02:58,079

that's supposed to be the the mark I I

75

00:03:02,330 --> 00:02:59,849

don't see it you know I just interviewed

76  
00:03:04,099 --> 00:03:02,340  
Colonel John Alexander who you know and

77  
00:03:06,349 --> 00:03:04,109  
I just interviewed him recently right

78  
00:03:08,420 --> 00:03:06,359  
because John Alexander we all know is

79  
00:03:11,900 --> 00:03:08,430  
always been the guy who stood up at

80  
00:03:17,900 --> 00:03:11,910  
these UFO conferences and said I was at

81  
00:03:20,900 --> 00:03:17,910  
the so what do you think he said when I

82  
00:03:23,030 --> 00:03:20,910  
said okay well now he goes well I guess

83  
00:03:25,970 --> 00:03:23,040  
I was wrong but they're still really

84  
00:03:28,610 --> 00:03:25,980  
isn't a program this it's the same crap

85  
00:03:32,030 --> 00:03:28,620  
so I think you know part of the reaction

86  
00:03:34,460 --> 00:03:32,040  
that came from this story was number one

87  
00:03:36,140 --> 00:03:34,470  
it's it's kind of preposterous to

88  
00:03:38,569 --> 00:03:36,150

suggest that this somehow isn't

89

00:03:40,729 --> 00:03:38,579

classified I would I would then ask who

90

00:03:43,879 --> 00:03:40,739

is deciding what's classified classified

91

00:03:46,159 --> 00:03:43,889

but the second just before you go on I'm

92

00:03:47,870 --> 00:03:46,169

not suggesting that this is classified

93

00:03:50,199 --> 00:03:47,880

or not I'm telling you the facts that

94

00:03:52,759 --> 00:03:50,209

nothing that Elizondo has conveyed is

95

00:03:54,470 --> 00:03:52,769

classified the name of the program is

96

00:03:56,390 --> 00:03:54,480

not classified the information he has

97

00:03:59,119 --> 00:03:56,400

brought forward is not classified the

98

00:04:01,009 --> 00:03:59,129

videos aren't classified he's very very

99

00:04:04,460 --> 00:04:01,019

careful about that he will never reveal

100

00:04:07,129 --> 00:04:04,470

anything that's classified that's more

101  
00:04:09,650 --> 00:04:07,139  
evidence of a controlled release than

102  
00:04:10,789 --> 00:04:09,660  
anything else because I'm from from our

103  
00:04:13,069 --> 00:04:10,799  
level from the people on the outside

104  
00:04:15,559 --> 00:04:13,079  
looking in why would this not be

105  
00:04:18,110 --> 00:04:15,569  
classified under what criteria would

106  
00:04:19,670 --> 00:04:18,120  
this somehow not deserve classification

107  
00:04:23,149 --> 00:04:19,680  
given all the other crazy stuff that is

108  
00:04:24,760 --> 00:04:23,159  
classified well I don't wanna respond to

109  
00:04:27,189 --> 00:04:24,770  
that a lot of that a lot of

110  
00:04:29,439 --> 00:04:27,199  
Grahame data is classified the only

111  
00:04:31,990 --> 00:04:29,449  
stuff that he has provided is the parts

112  
00:04:34,240 --> 00:04:32,000  
that aren't and that's why the videos

113  
00:04:35,589 --> 00:04:34,250

you only see short excerpts of those

114

00:04:37,089 --> 00:04:35,599

videos you know people wonder what

115

00:04:39,309 --> 00:04:37,099

happened before and after right why is

116

00:04:41,740 --> 00:04:39,319

it just this three seconds or whatever

117

00:04:43,570 --> 00:04:41,750

it is eight second clip it's because the

118

00:04:45,580 --> 00:04:43,580

parts before and after that contains

119

00:04:48,010 --> 00:04:45,590

sensitive information that is classified

120

00:04:50,290 --> 00:04:48,020

they had a very carefully excerpt part

121

00:04:52,390 --> 00:04:50,300

of it that doesn't reveal anything such

122

00:04:53,950 --> 00:04:52,400

as sources and methods or equipment or

123

00:04:56,499 --> 00:04:53,960

whatever kind of data that they're not

124

00:04:58,839 --> 00:04:56,509

allowed to reveal and you know this is

125

00:05:00,820 --> 00:04:58,849

this is the way it happened please check

126

00:05:02,379 --> 00:05:00,830

out the skeptical website you can see it

127

00:05:04,809 --> 00:05:02,389

here we cover a lot of different stuff

128

00:05:07,899 --> 00:05:04,819

you might be interested in relating to

controversial science and spirituality a

00:05:13,390 --> 00:05:11,000

lot of shows up there over 350 of them
