

1
00:00:03,830 --> 00:00:01,760
you know Leslie if I can jump in there

2
00:00:07,610 --> 00:00:03,840
one more time I think another reason why

3
00:00:09,500 --> 00:00:07,620
folks are very skeptical of this story

4
00:00:11,419 --> 00:00:09,510
of the origins of this story not the

5
00:00:14,480 --> 00:00:11,429
content I think everyone's on board with

6
00:00:15,860 --> 00:00:14,490
this is real but the way the story has

7
00:00:18,620 --> 00:00:15,870
come about the other thing is the New

8
00:00:21,109 --> 00:00:18,630
York Times of course I mean it's it's

9
00:00:22,609 --> 00:00:21,119
awesome and I have no doubt in terms of

10
00:00:24,560 --> 00:00:22,619
the way that you're telling it with

11
00:00:27,019 --> 00:00:24,570
inside the New York Times and how it

12
00:00:29,480 --> 00:00:27,029
operated and they're careful and

13
00:00:32,209 --> 00:00:29,490

measured approach and moving it through

14

00:00:33,920 --> 00:00:32,219

the thing but the New York Times I mean

15

00:00:36,350 --> 00:00:33,930

where was the New York Times with with

16

00:00:40,720 --> 00:00:36,360

the 12 part investigative series on your

17

00:00:44,119 --> 00:00:40,730

book your book had has incredibly

18

00:00:45,860 --> 00:00:44,129

authoritative trusted voices in it the

19

00:00:48,049 --> 00:00:45,870

New York Times was nowhere near that

20

00:00:50,319 --> 00:00:48,059

story where was the New York Times with

21

00:00:53,119 --> 00:00:50,329

with the disclosure project the

22

00:00:55,819 --> 00:00:53,129

congressional like disclosure project

23

00:01:00,500 --> 00:00:55,829

again dozens and dozens of highly

24

00:01:02,779 --> 00:01:00,510

credible highly credentialed people in

25

00:01:04,640 --> 00:01:02,789

style inside the deep stick the New York

26

00:01:07,399 --> 00:01:04,650

Times was nowhere to be found

27

00:01:09,560 --> 00:01:07,409

so I don't think it really rings true to

28

00:01:12,500 --> 00:01:09,570

say well they were never given they were

29

00:01:14,179 --> 00:01:12,510

never given a shot at it it's like no go

30

00:01:17,630 --> 00:01:14,189

I did this before the show before the

31

00:01:20,600 --> 00:01:17,640

show you go Google New York Times UFO

32

00:01:24,920 --> 00:01:20,610

the last 10 years there's nothing and

33

00:01:26,570 --> 00:01:24,930

now December it all opens up and of

34

00:01:28,910 --> 00:01:26,580

course the sea is closed right they're

35

00:01:30,859 --> 00:01:28,920

not fade it really do a faux identity

36

00:01:32,780 --> 00:01:30,869

and to add to that it's the timing which

37

00:01:33,980 --> 00:01:32,790

is suspect as well because Podesta and

38

00:01:35,569 --> 00:01:33,990

Hillary were supposed to be the

39

00:01:37,460 --> 00:01:35,579

disclosed a lot of people were hanging

40

00:01:39,109 --> 00:01:37,470

the disclosure had on them as you know

41

00:01:41,149 --> 00:01:39,119

and then when Hillary lost and Trump's

42

00:01:44,060 --> 00:01:41,159

in the timing seemed suspect that all of

43

00:01:45,319 --> 00:01:44,070

a say now they're paying attention to

44

00:01:47,120 --> 00:01:45,329

the UFO thing and I know there's not a

45

00:01:48,440 --> 00:01:47,130

lot of I can't cite a lot of evidence

46

00:01:50,630 --> 00:01:48,450

for that but I think that's just

47

00:01:52,880 --> 00:01:50,640

building on the reason why some of the

48

00:01:54,649 --> 00:01:52,890

community just just doesn't doesn't

49

00:01:56,420 --> 00:01:54,659

trust it or not doesn't trust it but

50

00:01:58,490 --> 00:01:56,430

it's skeptical of the of the origins I

51
00:02:00,920 --> 00:01:58,500
mean for one finally after decades and

52
00:02:02,690 --> 00:02:00,930
decades they're admitting this you know

53
00:02:05,660 --> 00:02:02,700
I mean it's great on what on one hand I

54
00:02:07,520 --> 00:02:05,670
mean I think it's fantastic and it has

55
00:02:09,650 --> 00:02:07,530
been I mean I like to let let you

56
00:02:12,319 --> 00:02:09,660
comment on that before I ask you ask you

57
00:02:14,850 --> 00:02:12,329
more about the disclosure

58
00:02:16,770 --> 00:02:14,860
comment now what specifically I mean I

59
00:02:18,360 --> 00:02:16,780
mean in terms of what Alex was saying I

60
00:02:20,970 --> 00:02:18,370
don't think there's ever been a story

61
00:02:23,369 --> 00:02:20,980
like this that has been brought to the

62
00:02:25,589 --> 00:02:23,379
New York Times as something brand-new

63
00:02:27,360 --> 00:02:25,599

exclusive just for them yeah

64

00:02:29,039 --> 00:02:27,370

the disclosure project if you're talking

65

00:02:30,929 --> 00:02:29,049

about Steven Greer press conference that

66

00:02:32,880 --> 00:02:30,939

was all over the map everybody covered

67

00:02:34,170 --> 00:02:32,890

it and it was over even the New York

68

00:02:36,960 --> 00:02:34,180

Times I have it they did one little

69

00:02:38,849 --> 00:02:36,970

article on it and then on my book I mean

70

00:02:40,559 --> 00:02:38,859

it's all in my book they only want stuff

71

00:02:42,660 --> 00:02:40,569

at the New York Times that's brand new

72

00:02:44,430 --> 00:02:42,670

and exclusive for them that's breaking

73

00:02:45,960 --> 00:02:44,440

news that's different they're not gonna

74

00:02:55,770 --> 00:02:45,970

just repeat something that's already out

75

00:03:03,119 --> 00:02:55,780

there this was an exclusive I mean he

76
00:03:04,830 --> 00:03:03,129
went to CBS I mean that The Times broke

77
00:03:06,119 --> 00:03:04,840
the story and had the exclusive story

78
00:03:07,679 --> 00:03:06,129
and then everybody else jumps on

79
00:03:10,679 --> 00:03:07,689
afterwards but that's what it means to

80
00:03:13,619 --> 00:03:10,689
have an exclusive that you get the

81
00:03:16,199 --> 00:03:13,629
biggest Orion in in history right it

82
00:03:17,699 --> 00:03:16,209
should have been if it's if it's real in

83
00:03:19,110 --> 00:03:17,709
that way or if it caught the traction

84
00:03:21,180 --> 00:03:19,120
they wanted to where's the 12 part

85
00:03:22,949 --> 00:03:21,190
series but then he just goes and makes

86
00:03:25,020 --> 00:03:22,959
the rounds I mean it's like a guy coming

87
00:03:26,759 --> 00:03:25,030
out with a new book he goes on CBS he

88
00:03:28,740 --> 00:03:26,769

finds and the tracks played to think

89

00:03:35,189 --> 00:03:28,750

from Tucker Carlson I thought would

90

00:03:39,629 --> 00:03:35,199

probably did the the best yes I mean

91

00:03:42,119 --> 00:03:39,639

Elizondo graciously much to his dislike

92

00:03:44,069 --> 00:03:42,129

it he didn't want to go on the media

93

00:03:48,210 --> 00:03:44,079

he'd never done it before he was very

94

00:03:49,949 --> 00:03:48,220

nervous he took he it was coached and he

95

00:03:51,420 --> 00:03:49,959

did it he did this following the release

96

00:03:52,649 --> 00:03:51,430

of the article but the important thing

97

00:03:54,240 --> 00:03:52,659

was the release of the New York Times

98

00:03:56,729 --> 00:03:54,250

article and yes the media went bananas

99

00:03:58,979 --> 00:03:56,739

afterwards and yes he was willing to be

100

00:04:00,809 --> 00:03:58,989

interviewed about it I don't really

101
00:04:03,210 --> 00:04:00,819
understand the point you're making well

102
00:04:05,129 --> 00:04:03,220
I think you you do you just have a

103
00:04:07,289 --> 00:04:05,139
different opinion which is fair but I'll

104
00:04:11,069 --> 00:04:07,299
make a different point that's related

105
00:04:14,759 --> 00:04:11,079
you you've been in this field so you

106
00:04:16,580 --> 00:04:14,769
certainly understand the other hesitancy

107
00:04:20,069 --> 00:04:16,590
people have given the amount of

108
00:04:23,219 --> 00:04:20,079
misinformation disinformation criminal

109
00:04:24,570 --> 00:04:23,229
activity coercion intimidation that's

110
00:04:25,440 --> 00:04:24,580
going on with the release of this

111
00:04:27,090 --> 00:04:25,450
information

112
00:04:29,190 --> 00:04:27,100
Paul bennewitz kind of thing where they

113
00:04:31,050 --> 00:04:29,200

admit yeah we drove the guy crazy I mean

114

00:04:32,730 --> 00:04:31,060

they admit that stuff but there's tons

115

00:04:34,680 --> 00:04:32,740

of other people have come and said hey I

116

00:04:36,780 --> 00:04:34,690

was threatened my family was threatened

117

00:04:38,910 --> 00:04:36,790

all the rest of stuff the the they've

118

00:04:42,360 --> 00:04:38,920

kept such a tight lid on this

119

00:04:44,610 --> 00:04:42,370

information to juxtapose that with this

120

00:04:46,440 --> 00:04:44,620

release just sends a lot of people

121

00:04:48,510 --> 00:04:46,450

reeling like and then to say well this

122

00:04:51,000 --> 00:04:48,520

one wasn't classified and you know

123

00:04:53,250 --> 00:04:51,010

somehow there's it just doesn't ring

124

00:04:55,740 --> 00:04:53,260

true to me and to a lot of other people

125

00:04:58,080 --> 00:04:55,750

there's some other story here you're not

126
00:04:59,910 --> 00:04:58,090
responsible for that story your response

127
00:05:02,820 --> 00:04:59,920
we're telling your story and you've done

128
00:05:04,320 --> 00:05:02,830
a fantastic job with it and it's kind of

129
00:05:07,080 --> 00:05:04,330
in sync with the way you've done your

130
00:05:10,200 --> 00:05:07,090
book kind of cautious but built on solid

131
00:05:12,780 --> 00:05:10,210
rock which is what we need but I think

132
00:05:15,630 --> 00:05:12,790
you understand why people would be you

133
00:05:18,240 --> 00:05:15,640
know a little bit leery of the deep

134
00:05:19,770 --> 00:05:18,250
states out there muscling and bullying

135
00:05:22,410 --> 00:05:19,780
people and now all of a sudden it's like

136
00:05:24,930 --> 00:05:22,420
oh no here under the trough and eat

137
00:05:26,520 --> 00:05:24,940
please check out the skeptic Oh website

138
00:05:27,900 --> 00:05:26,530

you can see it here we cover a lot of

00:05:31,380 --> 00:05:27,910

different stuff you might be interested
