1  
00:00:12,320 --> 00:00:09,650  
today we welcome all borealis to skeptic

2  
00:00:15,049 --> 00:00:12,330  
Oh borealis isn't his real name but

3  
00:00:17,900 --> 00:00:15,059  
that's part of the stealthy image that

4  
00:00:21,109 --> 00:00:17,910  
he's created al is the creator and host

5  
00:00:25,310 --> 00:00:21,119  
of the very excellent forum borealis

6  
00:00:28,220 --> 00:00:25,320  
podcast a podcast that seeks to bust all

7  
00:00:31,359 --> 00:00:28,230  
sorts of paradigms be they scientific

8  
00:00:35,120 --> 00:00:31,369  
political religious historical

9  
00:00:38,119 --> 00:00:35,130  
conspiratorial all of them in any of

10  
00:00:41,660 --> 00:00:38,129  
them and what's really unique and

11  
00:00:44,000 --> 00:00:41,670  
special about al is the way he goes

12  
00:00:45,260 --> 00:00:44,010  
about that and what his show is all

13  
00:00:48,979 --> 00:00:45,270

about and that's what I really want to

14

00:00:52,330 --> 00:00:48,989

get to today in this special coming out

15

00:00:55,639 --> 00:00:52,340

party I've had I've actually managed to

16

00:00:57,229 --> 00:00:55,649

unmask AI so you're listening to this

17

00:00:59,060 --> 00:00:57,239

audio but if you want to go up on

18

00:01:02,270 --> 00:00:59,070

YouTube if they allowed on YouTube

19

00:01:06,530 --> 00:01:02,280

you'll actually see AI on camera that's

20

00:01:10,609 --> 00:01:06,540

a first right it's a first but I didn't

21

00:01:13,010 --> 00:01:10,619

say it in where I'm asked yes

22

00:01:15,350 --> 00:01:13,020

do not be bold so just a little bit more

23

00:01:19,190 --> 00:01:15,360

you know when I say it's a special show

24

00:01:22,580 --> 00:01:19,200

I mean where else are you going to give

25

00:01:23,270 --> 00:01:22,590

five hours of interview with Peter

26

00:01:26,149 --> 00:01:23,280

lavinda

27

00:01:27,710 --> 00:01:26,159

on UFO disclosure I mean that's

28

00:01:31,609 --> 00:01:27,720

remarkable where else are you gonna get

29

00:01:35,690 --> 00:01:31,619

six hours or more with Joseph Ferrell

30

00:01:38,539 --> 00:01:35,700

just on JFK and all of it I've listened

31

00:01:40,940 --> 00:01:38,549

to every minute of it it's spellbinding

32

00:01:43,100 --> 00:01:40,950

I mean it's just fantastic stuff and

33

00:01:47,469 --> 00:01:43,110

then throw in a couple hours with the

34

00:01:51,319 --> 00:01:47,479

famous 88 year old past lives researcher

35

00:01:56,090 --> 00:01:51,329

Orlando Harrelson I mean this is just a

36

00:01:58,880 --> 00:01:56,100

diverse deep dive into topics that weave

37

00:02:02,179 --> 00:01:58,890

together in a way that listeners to this

38

00:02:04,639 --> 00:02:02,189

show will understand but I think most

39

00:02:07,490 --> 00:02:04,649

people are still left on the outside

40

00:02:09,889 --> 00:02:07,500

looking in in terms of wondering how all

41

00:02:12,500 --> 00:02:09,899

that can happen so al it's just

42

00:02:13,320 --> 00:02:12,510

fantastic I so love and appreciate your

43

00:02:15,270 --> 00:02:13,330

show

44

00:02:18,690 --> 00:02:15,280

and I'm really grateful for you joining

45

00:02:22,380 --> 00:02:18,700

me today on sceptical it's such an honor

46

00:02:25,530 --> 00:02:22,390

to be invited you know I told your

47

00:02:29,100 --> 00:02:25,540

friend Gordon I think I came clean about

48

00:02:34,530 --> 00:02:29,110

the fact that before we started our own

49

00:02:38,400 --> 00:02:34,540

podcast or did listen to podcasts to old

50

00:02:44,580 --> 00:02:38,410

school so but I did listen to yours so

51  
00:02:47,760 --> 00:02:44,590  
it's it's pretty cool that I'm on your

52  
00:02:50,760 --> 00:02:47,770  
stem well it's really it's really cool

53  
00:02:52,260 --> 00:02:50,770  
to have you obviously and I just want to

54  
00:02:55,710 --> 00:02:52,270  
share I thought I'd share with people a

55  
00:02:56,970 --> 00:02:55,720  
little bit the kind of I told folks what

56  
00:02:59,370 --> 00:02:56,980  
you're about but I want to share a

57  
00:03:02,310 --> 00:02:59,380  
little bit of the vibe that you create

58  
00:03:05,670 --> 00:03:02,320  
at forum borealis just by playing a

59  
00:03:09,000 --> 00:03:05,680  
little bit of the intro that you do so

60  
00:03:12,060 --> 00:03:09,010  
that people can get just the sense of

61  
00:03:15,210 --> 00:03:12,070  
feel for what's going on this is from

62  
00:03:19,830 --> 00:03:15,220  
the intro to forum borealis what all

63  
00:03:23,320 --> 00:03:19,840

does it feel is it spooky will let it

64

00:03:36,440 --> 00:03:29,890

expansions greetings from the north and

65

00:03:39,020 --> 00:03:36,450

welcome to forum borealis that of course

66

00:03:41,840 --> 00:03:39,030

is AI's introduction and you know the

67

00:03:44,570 --> 00:03:41,850

first thing I wanted to just get in

68

00:03:49,730 --> 00:03:44,580

there and ask this question because you

69

00:03:52,160 --> 00:03:49,740

do have this mysterious element to the

70

00:03:53,930 --> 00:03:52,170

show it's very very accessible I don't

71

00:03:55,280 --> 00:03:53,940

want to make it sound like you're kind

72

00:03:56,990 --> 00:03:55,290

of talking in rhymes or anything like

73

00:03:59,420 --> 00:03:57,000

it's very accessible very penetrating

74

00:04:03,890 --> 00:03:59,430

very well-done but there's a little bit

75

00:04:08,030 --> 00:04:03,900

about this mysterious North great white

76  
00:04:11,449 --> 00:04:08,040  
northern islands of Norway what is that

77  
00:04:15,350 --> 00:04:11,459  
all about in terms of how do you think

78  
00:04:17,479 --> 00:04:15,360  
that influences you and influences the

79  
00:04:19,220 --> 00:04:17,489  
show and and maybe tell people a little

80  
00:04:23,830 --> 00:04:19,230  
bit about what I'm talking about in

81  
00:04:33,980 --> 00:04:30,260  
well Norwegians or whether they want it

82  
00:04:37,370 --> 00:04:33,990  
or not they are ingrained in nature so

83  
00:04:40,460 --> 00:04:37,380  
we have the nature mystique we haven't

84  
00:04:43,430 --> 00:04:40,470  
lost arts so much because it's a huge

85  
00:04:46,480 --> 00:04:43,440  
country in terms of geography but a

86  
00:04:51,980 --> 00:04:46,490  
small country in terms of citizens so

87  
00:04:54,550 --> 00:04:51,990  
like where I grew up Bergen it's called

88  
00:04:57,860 --> 00:04:54,560

a seven the city of the seven mountains

89

00:05:00,740 --> 00:04:57,870

so it took me like 15 minutes to be on

90

00:05:03,700 --> 00:05:00,750

the top of a mountain and it took me 15

91

00:05:10,300 --> 00:05:03,710

minutes to go downtown so we're very

92

00:05:15,320 --> 00:05:10,310

very close to nature and that influences

93

00:05:20,120 --> 00:05:15,330

what I believe young called the the Falk

94

00:05:26,630 --> 00:05:20,130

spirit the forth Geist if that makes

95

00:05:28,460 --> 00:05:26,640

sense so uh there's a lot of weird stuff

96

00:05:30,560 --> 00:05:28,470

happening up here too you know the

97

00:05:33,890 --> 00:05:30,570

closer you get to the pole the the more

98

00:05:35,330 --> 00:05:33,900

riskier it is so we have like I'm gonna

99

00:05:36,820 --> 00:05:35,340

have a show about that you went you know

100

00:05:39,610 --> 00:05:36,830

when I started out

101  
00:05:42,250 --> 00:05:39,620  
I didn't want to have traditional you a

102  
00:05:44,020 --> 00:05:42,260  
full show I know you didn't either but

103  
00:05:46,630 --> 00:05:44,030  
you ended up that you didn't have any

104  
00:05:49,450 --> 00:05:46,640  
choice right kind of the same thing has

105  
00:05:52,510 --> 00:05:49,460  
happened here but I've always known I'm

106  
00:05:57,000 --> 00:05:52,520  
obliged to cover one aspect of the UFOs

107  
00:05:59,440 --> 00:05:57,010  
and that's what's called the hasedera

108  
00:06:03,420 --> 00:05:59,450  
phenomenon because that's one of the

109  
00:06:06,040 --> 00:06:03,430  
most scientific researched phenomenons

110  
00:06:08,740 --> 00:06:06,050  
connected to UFOs and there's a

111  
00:06:11,370 --> 00:06:08,750  
university people university studies all

112  
00:06:15,430 --> 00:06:11,380  
that stuff so I'm gonna have an academic

113  
00:06:17,950 --> 00:06:15,440

academic on from my university who's

114

00:06:20,310 --> 00:06:17,960

going to account for that because they

115

00:06:23,440 --> 00:06:20,320

haven't found little green man in

116

00:06:28,060 --> 00:06:23,450

spaceships but they have found physical

117

00:06:31,000 --> 00:06:28,070

and plasma and energy and astral and all

118

00:06:33,520 --> 00:06:31,010

sorts of weird light and energy

119

00:06:35,380 --> 00:06:33,530

phenomenons it's it's been all over the

120

00:06:37,450 --> 00:06:35,390

mainstream press it started out as a

121

00:06:40,270 --> 00:06:37,460

fault thing we have many folks we have

122

00:06:43,630 --> 00:06:40,280

even have our own Loch Ness monster by

123

00:06:45,880 --> 00:06:43,640

the way that's another place so these

124

00:06:48,400 --> 00:06:45,890

different nature places different stuff

125

00:06:52,600 --> 00:06:48,410

is going on and if you are familiar with

126  
00:06:55,090 --> 00:06:52,610  
mythology and fork claw and stuff like

127  
00:06:58,120 --> 00:06:55,100  
that we have a lot of stories about for

128  
00:07:04,570 --> 00:06:58,130  
instance pretty virgins being taken by

129  
00:07:08,320 --> 00:07:04,580  
the mountain king the elves and creatures

130  
00:07:11,080 --> 00:07:08,330  
living and we're not us extremist

131  
00:07:13,320 --> 00:07:11,090  
Icelanders they have never upgraded from

132  
00:07:16,710 --> 00:07:13,330  
the Viking time they still go out and

133  
00:07:19,240 --> 00:07:16,720  
sacrifice to the wood spirits and

134  
00:07:22,300 --> 00:07:19,250  
mountain Dwarfs and all that they're

135  
00:07:25,570 --> 00:07:22,310  
really in touch with their land but but

136  
00:07:27,100 --> 00:07:25,580  
we have it more we lost a deliberate

137  
00:07:29,680 --> 00:07:27,110  
contact but we have the subconscious

138  
00:07:33,820 --> 00:07:29,690

contact still and you know today people

139

00:07:36,310 --> 00:07:33,830

are growing up without even you know

140

00:07:41,320 --> 00:07:36,320

living in big cities then never even see

141

00:07:44,260 --> 00:07:41,330

nature many people so so I think that

142

00:07:46,510 --> 00:07:44,270

influences us I don't know if I'll

143

00:07:49,330 --> 00:07:46,520

answer your question by the way I think

144

00:07:50,620 --> 00:07:49,340

you have and I guess I'd even draw it

145

00:07:52,840 --> 00:07:50,630

was what you were going for

146

00:07:54,520 --> 00:07:52,850

okay well you you kind of took it in a

147

00:07:56,580 --> 00:07:54,530

slightly different direction that opens

148

00:07:58,870 --> 00:07:56,590

up another line of question because

149

00:08:01,570 --> 00:07:58,880

reading between the lines what I hear

150

00:08:05,070 --> 00:08:01,580

you saying is where you are in

151  
00:08:09,090 --> 00:08:05,080  
particular makes forces you to be more

152  
00:08:12,360 --> 00:08:09,100  
connected to nature and by the same way

153  
00:08:15,640 --> 00:08:12,370  
forces you to be connected with this

154  
00:08:18,670 --> 00:08:15,650  
subconscious understanding of this

155  
00:08:21,190 --> 00:08:18,680  
greater reality and as I say that I want

156  
00:08:23,170 --> 00:08:21,200  
people to know that that's kind of an

157  
00:08:26,080 --> 00:08:23,180  
interesting insight because I don't

158  
00:08:28,690 --> 00:08:26,090  
think folks would get that just from

159  
00:08:29,740 --> 00:08:28,700  
listening to forum borealis I mean like

160  
00:08:31,540 --> 00:08:29,750  
we're going to talk about on this show

161  
00:08:34,390 --> 00:08:31,550  
none of the stuff we're going to talk

162  
00:08:36,100 --> 00:08:34,400  
about on this show is really related to

163  
00:08:39,909 --> 00:08:36,110

any of that I mean you come at things

164

00:08:43,180 --> 00:08:39,919

from a very a mainstream conspiratorial

165

00:08:45,580 --> 00:08:43,190

standpoint if you can or yeah but have

166

00:08:47,710 --> 00:08:45,590

you noticed I rarely used to Road

167

00:08:50,800 --> 00:08:47,720

conspiracy well it's a completely

168

00:08:53,470 --> 00:08:50,810

contrived word right yeah you're coming

169

00:08:55,690 --> 00:08:53,480

at it from a reality standpoint but if

170

00:08:57,430 --> 00:08:55,700

we say that it throws people off I mean

171

00:08:59,890 --> 00:08:57,440

that's why they've kind of won the

172

00:09:03,040 --> 00:08:59,900

battle with conspiracy theory every time

173

00:09:06,130 --> 00:09:03,050

conspiracy theory that phrase comes out

174

00:09:08,110 --> 00:09:06,140

of our mouth they've won a little bit of

175

00:09:11,350 --> 00:09:08,120

that battle but we still have to get

176

00:09:13,960 --> 00:09:11,360

there but let me go back to your place

177

00:09:15,250 --> 00:09:13,970

right now where you sit and I love what

178

00:09:17,290 --> 00:09:15,260

you said I think it's interesting on

179

00:09:19,150 --> 00:09:17,300

this code expound on that even more and

180

00:09:22,810 --> 00:09:19,160

then the team that you've put together

181

00:09:26,560 --> 00:09:22,820

and and what your vision has been and is

182

00:09:27,700 --> 00:09:26,570

for the show who who you've attracted to

183

00:09:29,980 --> 00:09:27,710

the show I always think that's

184

00:09:33,100 --> 00:09:29,990

interesting you know we all start these

185

00:09:35,560 --> 00:09:33,110

shows and we have one vision of who

186

00:09:37,750 --> 00:09:35,570

we're talking to and then we find that

187

00:09:39,520 --> 00:09:37,760

our audience is sometimes slightly

188

00:09:41,640 --> 00:09:39,530

different from that and sometimes in a

189

00:09:44,560 --> 00:09:41,650

good way and sometimes in a way we can't

190

00:09:48,190 --> 00:09:44,570

understand do you have any thoughts on

191

00:09:54,040 --> 00:09:48,200

you know that whole process of foreign

192

00:09:57,340 --> 00:09:54,050

Borealis the audience the audience the

193

00:10:00,490 --> 00:09:57,350

impetus for starting it the team that

194

00:10:04,290 --> 00:10:00,500

drives it any of that stuff that pops to

195

00:10:09,430 --> 00:10:04,300

mind well the audience

196

00:10:12,910 --> 00:10:09,440

or pretty bright I'm not saying you know

197

00:10:14,650 --> 00:10:12,920

I've seen hosts you know licked the

198

00:10:17,460 --> 00:10:14,660

asses of the audience telling them how

199

00:10:19,060 --> 00:10:17,470

bright their are but these guys Albright

200

00:10:22,660 --> 00:10:19,070

case in point

201  
00:10:25,570 --> 00:10:22,670  
Peter LaVonda you mentioned him he you

202  
00:10:28,030 --> 00:10:25,580  
know he's done many shows with us and

203  
00:10:29,920 --> 00:10:28,040  
he's game for many more but he never you

204  
00:10:32,290 --> 00:10:29,930  
know those people are so busy they never

205  
00:10:33,640 --> 00:10:32,300  
listen to - what's going on right they

206  
00:10:38,410 --> 00:10:33,650  
don't even listen to their own

207  
00:10:41,350 --> 00:10:38,420  
interviews and so they that they will

208  
00:10:43,480 --> 00:10:41,360  
know what all stream media is what they

209  
00:10:46,180 --> 00:10:43,490  
won't necessarily know what new stream

210  
00:10:48,160 --> 00:10:46,190  
media I sought but somehow he stumbled

211  
00:10:49,990 --> 00:10:48,170  
upon one of the videos we made and he

212  
00:10:53,410 --> 00:10:50,000  
started to read the comments and he was

213  
00:10:56,920 --> 00:10:53,420

amazed how because you know YouTube is

214

00:11:00,250 --> 00:10:56,930

really troll City right

215

00:11:02,260 --> 00:11:00,260

it's the basest comments that usually

216

00:11:06,060 --> 00:11:02,270

end up there but when he read our

217

00:11:10,630 --> 00:11:06,070

comment section he had two kudos the

218

00:11:12,070 --> 00:11:10,640

level of insight there and I I think the

219

00:11:15,430 --> 00:11:12,080

reason is twofold

220

00:11:17,860 --> 00:11:15,440

one is that we actually attend a comment

221

00:11:19,480 --> 00:11:17,870

section so far I don't know if we can

222

00:11:23,950 --> 00:11:19,490

continue doing that for a long time

223

00:11:25,900 --> 00:11:23,960

because he's just exploding but and and

224

00:11:28,480 --> 00:11:25,910

if the if the people commenting know

225

00:11:30,100 --> 00:11:28,490

that the people who who's you know if

226

00:11:32,080 --> 00:11:30,110

they feel the presence they're gonna

227

00:11:34,120 --> 00:11:32,090

behave a little more real I think like

228

00:11:39,990 --> 00:11:34,130

if you're actually sitting in a forum

229

00:11:47,100 --> 00:11:43,420

when when we have like kind of book

230

00:11:50,320 --> 00:11:47,110

review shows I'd say it's kind of like

231

00:11:53,200 --> 00:11:50,330

many of the guests we go through a book

232

00:11:55,060 --> 00:11:53,210

which is reflecting the show that

233

00:11:58,240 --> 00:11:55,070

attracts book readers you know or it

234

00:11:59,830 --> 00:11:58,250

creates book readers and book readers

235

00:12:04,960 --> 00:11:59,840

are per definition a little more

236

00:12:08,250 --> 00:12:04,970

reflected so I think that's part of the

237

00:12:11,140 --> 00:12:08,260

reason we have kind of a broad

238

00:12:14,890 --> 00:12:11,150

relationship but is of course also that

239

00:12:16,660 --> 00:12:14,900

we take on topics that I think are among

240

00:12:19,900 --> 00:12:16,670

the more sentient

241

00:12:22,920 --> 00:12:19,910

in that field that you unfortunately

242

00:12:27,690 --> 00:12:22,930

described as conspiracy so we try

243

00:12:31,180 --> 00:12:27,700

deliberately avoided the obvious bunk

244

00:12:32,340 --> 00:12:31,190

stuff that I personally think is more

245

00:12:37,090 --> 00:12:32,350

likely [h\_\_\h]

246

00:12:39,910 --> 00:12:37,100

so that you know then you have one foot

247

00:12:43,000 --> 00:12:39,920

in reality and it's easier to I mean

248

00:12:46,600 --> 00:12:43,010

objective agreed-upon reality and it's

249

00:12:49,330 --> 00:12:46,610

easier to open the veil - you know peek

250

00:12:54,340 --> 00:12:49,340

behind the immediate reality I think

251  
00:12:56,340 --> 00:12:54,350  
that's that's some of how this came

252  
00:12:58,090 --> 00:12:56,350  
about where the people we have

253  
00:12:59,710 --> 00:12:58,100  
absolutely I don't think it's too

254  
00:13:02,530 --> 00:12:59,720  
different from your people though I

255  
00:13:05,050 --> 00:13:02,540  
think it's true I'm amazed at some of

256  
00:13:06,670 --> 00:13:05,060  
the people that are attracted to skeptic

257  
00:13:08,380 --> 00:13:06,680  
oh it and that's what's really driven me

258  
00:13:10,090 --> 00:13:08,390  
forward really to be honest with you is

259  
00:13:13,090 --> 00:13:10,100  
there because then I'm getting something

260  
00:13:14,440 --> 00:13:13,100  
out of it right I have to say you know

261  
00:13:16,990 --> 00:13:14,450  
I've started putting some YouTube's on

262  
00:13:18,820 --> 00:13:17,000  
video I'm sorry I've started putting

263  
00:13:21,670 --> 00:13:18,830

some videos on YouTube and I've yet to

264

00:13:24,100 --> 00:13:21,680

gain that kind of traction some

265

00:13:26,830 --> 00:13:24,110

intelligent comments it's really

266

00:13:28,330 --> 00:13:26,840

discouraging some of those but you have

267

00:13:30,070 --> 00:13:28,340

that know you have that but you have

268

00:13:32,500 --> 00:13:30,080

that in you I've seen it yeah it's in

269

00:13:35,340 --> 00:13:32,510

your forum yes where you your people are

270

00:13:39,310 --> 00:13:35,350

talking you haven't been a youtuber so

271

00:13:41,440 --> 00:13:39,320

yeah I just yeah it's encouraging to

272

00:13:43,890 --> 00:13:41,450

hear from you that it's out there

273

00:13:46,570 --> 00:13:43,900

because I mean I get 1 out of 10

274

00:13:49,780 --> 00:13:46,580

comments on YouTube that I I can even

275

00:13:51,160 --> 00:13:49,790

get through without just and not all of

276

00:13:54,580 --> 00:13:51,170

them are negative I mean some of them

277

00:13:56,590 --> 00:13:54,590

are like positively stupid like cheer

278

00:13:59,080 --> 00:13:56,600

you to death stupid you know I mean like

279

00:14:02,400 --> 00:13:59,090

did you you you're you're being

280

00:14:06,190 --> 00:14:02,410

complimentary but you didn't really get

281

00:14:07,870 --> 00:14:06,200

so I'm not quite sure what to do with

282

00:14:09,940 --> 00:14:07,880

your compliment but you know what yeah

283

00:14:12,160 --> 00:14:09,950

but again you're not a youtuber they not

284

00:14:14,620 --> 00:14:12,170

gonna go into youtube to see skeptical

285

00:14:16,840 --> 00:14:14,630

so whoever you get there are just extras

286

00:14:19,410 --> 00:14:16,850

are just you know coincidental randoms

287

00:14:22,510 --> 00:14:19,420

falling in from the streets your people

288

00:14:24,910 --> 00:14:22,520

they are pretty smart and they ought to

289

00:14:27,730 --> 00:14:24,920

be because you started out in a

290

00:14:30,800 --> 00:14:27,740

completely different direction and me

291

00:14:32,420 --> 00:14:30,810

I did but it's interesting and one of

292

00:14:35,320 --> 00:14:32,430

the things we want to talk about is how

293

00:14:37,880 --> 00:14:35,330

those directions have converged because

294

00:14:39,890 --> 00:14:37,890

I always bring this up with people and

295

00:14:41,360 --> 00:14:39,900

no one seems to get it you know what I

296

00:14:43,400 --> 00:14:41,370

mean like part of the feedback I'll get

297

00:14:45,590 --> 00:14:43,410

even from people that have been with me

298

00:14:47,600 --> 00:14:45,600

for a while is like and I don't want to

299

00:14:50,240 --> 00:14:47,610

get too far off into this right now but

300

00:14:54,370 --> 00:14:50,250

like gee why are you so into conspiracy

301  
00:14:58,820 --> 00:14:54,380  
stuff I'm like I didn't mean to sorry

302  
00:15:02,960 --> 00:14:58,830  
sorry just spent five years he's better

303  
00:15:07,010 --> 00:15:02,970  
bread - crumbs end up in exactly five

304  
00:15:11,290 --> 00:15:07,020  
years with you know bashing into the

305  
00:15:14,210 --> 00:15:11,300  
skeptical [h\_\_\h] that's completely

306  
00:15:15,950 --> 00:15:14,220  
co-opted science and I mean if at some

307  
00:15:18,410 --> 00:15:15,960  
point you don't scratch your head and

308  
00:15:21,500 --> 00:15:18,420  
say hey maybe there's something else

309  
00:15:24,020 --> 00:15:21,510  
going on here with this agenda and

310  
00:15:26,120 --> 00:15:24,030  
similarly you know to your credit we're

311  
00:15:28,460 --> 00:15:26,130  
gonna talk a minute about airlander

312  
00:15:30,670 --> 00:15:28,470  
Harrelson and you know you're doing an

313  
00:15:34,430 --> 00:15:30,680

interview with a guy who is a very

314

00:15:36,620 --> 00:15:34,440

skeptic Oh kind of guy and you do that

315

00:15:38,990 --> 00:15:36,630

stuff for the it and I think that's

316

00:15:41,240 --> 00:15:39,000

where we kind of cross paths in in a

317

00:15:44,630 --> 00:15:41,250

beautiful way that makes me feel like

318

00:15:46,790 --> 00:15:44,640

I'm on the right path because I'm

319

00:15:49,610 --> 00:15:46,800

crossing paths with other people I

320

00:15:52,070 --> 00:15:49,620

really like and respect who seemed to be

321

00:15:53,630 --> 00:15:52,080

following the same strings on the

322

00:15:56,330 --> 00:15:53,640

sweater and they're leading back to oh

323

00:15:58,070 --> 00:15:56,340

ok I get it and I guess that brings up

324

00:16:01,210 --> 00:15:58,080

this whole the first topic I wanted to

325

00:16:05,420 --> 00:16:01,220

kind of dive into and that is this

326

00:16:09,320 --> 00:16:05,430

truth-seeking process so if you can kind

327

00:16:13,330 --> 00:16:09,330

of go behind the show behind forum

328

00:16:17,030 --> 00:16:13,340

borealis I mean what drives you what

329

00:16:19,310 --> 00:16:17,040

gets you excited about that process I

330

00:16:22,820 --> 00:16:19,320

mean I know what does for me you know

331

00:16:25,250 --> 00:16:22,830

what makes it like man I just get the

332

00:16:27,470 --> 00:16:25,260

juices flowing when I learn something

333

00:16:29,240 --> 00:16:27,480

new or in my case sometimes when I kind

334

00:16:32,090 --> 00:16:29,250

of nail somebody on something that

335

00:16:34,820 --> 00:16:32,100

they're not totally being upfront about

336

00:16:37,640 --> 00:16:34,830

or or trying to hide you know well do

337

00:16:39,860 --> 00:16:37,650

you have any thoughts or stories about

338

00:16:40,639 --> 00:16:39,870

you know particular interviews you've

339

00:16:43,819 --> 00:16:40,649

done where you

340

00:16:45,199 --> 00:16:43,829

really dug into a new area that you know

341

00:16:47,259 --> 00:16:45,209

really kind of changed your perspective

342

00:16:50,660 --> 00:16:47,269

on things

343

00:16:53,799 --> 00:16:50,670

yeah Tom you're asking very good

344

00:16:56,119 --> 00:16:53,809

questions I have to think and reflects I

345

00:17:02,119 --> 00:16:56,129

haven't got enough coffee to do that

346

00:17:06,169 --> 00:17:02,129

really but yeah yeah I didn't expect

347

00:17:09,370 --> 00:17:06,179

that when I began I we just wanted to

348

00:17:12,740 --> 00:17:09,380

cover it's like what I've heard you say

349

00:17:14,919 --> 00:17:12,750

you that you you came clean once and one

350

00:17:17,090 --> 00:17:14,929

of your shows you said something about

351  
00:17:20,149 --> 00:17:17,100  
first of you said you could get free

352  
00:17:22,639 --> 00:17:20,159  
books that's a good reason to start the

353  
00:17:25,639 --> 00:17:22,649  
podcast if you were into books but you

354  
00:17:27,049 --> 00:17:25,649  
wanted to talk with people right you

355  
00:17:32,149 --> 00:17:27,059  
just wanted to talk with people like

356  
00:17:35,810 --> 00:17:32,159  
Sheldrake same here I want Ben talking

357  
00:17:40,430 --> 00:17:35,820  
with people or my life big shots like in

358  
00:17:43,760 --> 00:17:40,440  
certain circles and I've said this

359  
00:17:45,889 --> 00:17:43,770  
before other where I said I wish there

360  
00:17:48,350 --> 00:17:45,899  
was flies on the wall because when I've

361  
00:17:50,180 --> 00:17:48,360  
had very interesting conversations it

362  
00:17:52,940 --> 00:17:50,190  
kind of a waste and I'm the only one who

363  
00:17:57,529 --> 00:17:52,950

you know listens to this and learns from

364

00:17:59,720 --> 00:17:57,539

that so I've often thought you know if

365

00:18:01,970 --> 00:17:59,730

that person was here now listen to this

366

00:18:06,080 --> 00:18:01,980

whatever right and you can't really

367

00:18:08,810 --> 00:18:06,090

retell it's something magic about spoken

368

00:18:10,850 --> 00:18:08,820

word the living word when a lecture is

369

00:18:12,680 --> 00:18:10,860

very different from a conversation and

370

00:18:15,350 --> 00:18:12,690

conversations are the clue by the way

371

00:18:17,659 --> 00:18:15,360

many newbies don't get that we got a lot

372

00:18:20,029 --> 00:18:17,669

of people falling in from the very

373

00:18:23,930 --> 00:18:20,039

popular Antarctica's show and there used

374

00:18:26,510 --> 00:18:23,940

to you know one-liners some prescriptive

375

00:18:28,460 --> 00:18:26,520

on liner and then lecture in reply they

376

00:18:31,460 --> 00:18:28,470

won't get that here I know that your

377

00:18:33,470 --> 00:18:31,470

plays either I like that but so a

378

00:18:35,029 --> 00:18:33,480

conversations is the name of the game

379

00:18:37,730 --> 00:18:35,039

and it's very old-school I'm actually

380

00:18:42,230 --> 00:18:37,740

inspired specifically by two shows or

381

00:18:46,370 --> 00:18:42,240

Norwegian radio as for the format not

382

00:18:49,460 --> 00:18:46,380

the contents but so yeah so I didn't

383

00:18:52,530 --> 00:18:49,470

realize that I would learn that much and

384

00:18:57,900 --> 00:18:52,540

that my perspective would change

385

00:19:01,010 --> 00:18:57,910

I mean I'm not a dogmatic person but but

386

00:19:05,370 --> 00:19:01,020

I thought I had many bases covered and

387

00:19:08,520 --> 00:19:05,380

then I forced my paradigm I was supposed

388

00:19:10,980 --> 00:19:08,530

to after the audience's paradigm but my

389

00:19:15,210 --> 00:19:10,990

own has been arrested too I'll give you

390

00:19:18,150 --> 00:19:15,220

one I don't enjoy nailing people that's

391

00:19:21,360 --> 00:19:18,160

not my style I know you keep saying I I

392

00:19:22,410 --> 00:19:21,370

do challenge them but that's what

393

00:19:24,690 --> 00:19:22,420

happens when you have natural

394

00:19:27,450 --> 00:19:24,700

conversations it's not that I'm trying

395

00:19:29,850 --> 00:19:27,460

to challenge them and in fact if and

396

00:19:33,630 --> 00:19:29,860

when I do you'll notice I do it in a

397

00:19:36,270 --> 00:19:33,640

very I don't want to say sneaky but I

398

00:19:38,940 --> 00:19:36,280

wear a pleasant way and it's easier to

399

00:19:42,960 --> 00:19:38,950

do it if they don't because you know

400

00:19:46,470 --> 00:19:42,970

emotions cloud thinking so you better

401  
00:19:51,000 --> 00:19:46,480  
keep bad emotions away as much as you

402  
00:19:54,270 --> 00:19:51,010  
can try to be a little detached I guess

403  
00:19:56,400 --> 00:19:54,280  
we could call it professional and be

404  
00:20:00,600 --> 00:19:56,410  
immersed in the inner subject you

405  
00:20:03,120 --> 00:20:00,610  
discussing and if that happens then you

406  
00:20:06,390 --> 00:20:03,130  
know yeah then I can challenge but

407  
00:20:11,850 --> 00:20:06,400  
usually I try if I talk at all it's

408  
00:20:15,840 --> 00:20:11,860  
three reasons one sometimes I try to be

409  
00:20:20,250 --> 00:20:15,850  
a good host and imagine the audience and

410  
00:20:23,820 --> 00:20:20,260  
you have to you know sometimes go engage

411  
00:20:26,670 --> 00:20:23,830  
to adjust stuff so that the audience

412  
00:20:28,740 --> 00:20:26,680  
follows so I would you know the guest

413  
00:20:31,170 --> 00:20:28,750

assumes everybody and especially if if

414

00:20:34,080 --> 00:20:31,180

I'm knowledgeable about the subject it's

415

00:20:37,650 --> 00:20:34,090

very easy to become like an elite kind

416

00:20:39,600 --> 00:20:37,660

of just you have to earth it once in a

417

00:20:41,850 --> 00:20:39,610

while to get everyone with you as money

418

00:20:45,300 --> 00:20:41,860

as possible at least we don't have too

419

00:20:47,160 --> 00:20:45,310

many newbies but you know just to touch

420

00:20:49,860 --> 00:20:47,170

base and make sure everybody is on board

421

00:20:53,750 --> 00:20:49,870

that's one reason I interrupt another

422

00:20:57,240 --> 00:20:53,760

reason is that I get engaged and I wanna

423

00:20:59,460 --> 00:20:57,250

offer my two cents because nobody can

424

00:21:02,520 --> 00:20:59,470

offer all perspectives and two heads can

425

00:21:05,380 --> 00:21:02,530

better you know enlighten topic more

426

00:21:07,270 --> 00:21:05,390

focus more angles so that I do

427

00:21:08,980 --> 00:21:07,280

and sometimes that's something the

428

00:21:11,200 --> 00:21:08,990

guests haven't thought about and that's

429

00:21:15,250 --> 00:21:11,210

what I love I love nailing them on that

430

00:21:18,820 --> 00:21:15,260

like III launch just it often comes to a

431

00:21:21,460 --> 00:21:18,830

memory we talk it just comes to me for

432

00:21:25,870 --> 00:21:21,470

astrologers out there I have mercury in

433

00:21:28,840 --> 00:21:25,880

areas the homes connecting all the way

434

00:21:31,120 --> 00:21:28,850

up intuition so and when that happens

435

00:21:33,130 --> 00:21:31,130

it's pretty funny sometimes I have to

436

00:21:35,500 --> 00:21:33,140

edit it because their reactions are like

437

00:21:38,260 --> 00:21:35,510

they stopped I'm not saying anything

438

00:21:41,370 --> 00:21:38,270

and it's a little too much too long you

439

00:21:45,580 --> 00:21:41,380

know put them off that's that I love

440

00:21:47,650 --> 00:21:45,590

what's the third reason so it is to

441

00:21:49,810 --> 00:21:47,660

guide people in its yeah and then it's

442

00:21:56,789 --> 00:21:49,820

to you know clarify I don't understand

443

00:22:02,140 --> 00:21:56,799

or I disagree or whatever a real kind of

444

00:22:05,200 --> 00:22:02,150

interjection so that's and that's enough

445

00:22:07,240 --> 00:22:05,210

a conversation will come out of that

446

00:22:11,140 --> 00:22:07,250

obviously the guest has the word much

447

00:22:12,909 --> 00:22:11,150

more than the host but and you'll notice

448

00:22:14,470 --> 00:22:12,919

all one other thing those who have

449

00:22:17,260 --> 00:22:14,480

listened to almost everything sometimes

450

00:22:19,539 --> 00:22:17,270

we do traditional interviews if you hear

451  
00:22:21,549 --> 00:22:19,549  
me shut up a lot that's probably because

452  
00:22:23,080 --> 00:22:21,559  
I don't know that much about this or

453  
00:22:25,539 --> 00:22:23,090  
feel I don't know that much about the

454  
00:22:26,980 --> 00:22:25,549  
subject so I better just shut up don't

455  
00:22:30,400 --> 00:22:26,990  
talk unless you have something to say

456  
00:22:34,710 --> 00:22:30,410  
well that's that's nice you know I

457  
00:22:38,940 --> 00:22:34,720  
really resonate with as what you said is

458  
00:22:41,110 --> 00:22:38,950  
your your interruption is driven by

459  
00:22:43,150 --> 00:22:41,120  
engagement the way that I can tell it

460  
00:22:44,890 --> 00:22:43,160  
because I think the whole interruption

461  
00:22:46,780 --> 00:22:44,900  
thing I don't get when people say don't

462  
00:22:49,480 --> 00:22:46,790  
interrupt I mean it's like like you said

463  
00:22:51,760 --> 00:22:49,490

it's a conversation it's two-way but

464

00:22:56,590 --> 00:22:51,770

what I particularly like about what you

465

00:23:00,909 --> 00:22:56,600

do is you do you're willing to go there

466

00:23:03,400 --> 00:23:00,919

and risk that interruption risk that

467

00:23:04,930 --> 00:23:03,410

kind of break of this oh we're all

468

00:23:06,520 --> 00:23:04,940

friends I have to be totally

469

00:23:08,200 --> 00:23:06,530

complimentary and agree with everything

470

00:23:10,600 --> 00:23:08,210

you say cuz that's not real either

471

00:23:12,460 --> 00:23:10,610

that's not only real conversations

472

00:23:14,070 --> 00:23:12,470

happen but I love when you bring

473

00:23:17,279 --> 00:23:14,080

insights

474

00:23:20,430 --> 00:23:17,289

to the guests that the guests maybe

475

00:23:22,230 --> 00:23:20,440

hadn't seen before in yeah you know the

476  
00:23:25,019 --> 00:23:22,240  
example we might get to in this show if

477  
00:23:27,029 --> 00:23:25,029  
we get around to it if we can spend

478  
00:23:28,889 --> 00:23:27,039  
enough time talking but yeah your

479  
00:23:30,779 --> 00:23:28,899  
interview with Joseph Ferrell and I

480  
00:23:34,830 --> 00:23:30,789  
listen to it and I was just blown away

481  
00:23:38,610 --> 00:23:34,840  
by a couple of the insights that you had

482  
00:23:40,409 --> 00:23:38,620  
that you could see Ferrell who is genius

483  
00:23:42,539 --> 00:23:40,419  
everyone has a lot of respect for Joseph

484  
00:23:45,630 --> 00:23:42,549  
Ferrell but it set him on his heels a

485  
00:23:48,000 --> 00:23:45,640  
little bit like wow I I hadn't really

486  
00:23:50,190 --> 00:23:48,010  
thought of that and to me that's a

487  
00:23:52,980 --> 00:23:50,200  
special moment in the show as a listener

488  
00:23:56,100 --> 00:23:52,990

because now I feel like there's been an

489

00:23:58,139 --> 00:23:56,110

engagement that I'm a part of just like

490

00:24:01,680 --> 00:23:58,149

you said that conversation I was there

491

00:24:04,980 --> 00:24:01,690

for that minute when you said that so I

492

00:24:07,950 --> 00:24:04,990

always liked that and I think also you

493

00:24:11,490 --> 00:24:07,960

know like you alluded to where you sit

494

00:24:15,450 --> 00:24:11,500

is a special place the number of people

495

00:24:17,340 --> 00:24:15,460

you talk to the preparation that you've

496

00:24:19,200 --> 00:24:17,350

done to talk to those people the

497

00:24:22,379 --> 00:24:19,210

follow-up that you've done to talk to

498

00:24:26,070 --> 00:24:22,389

those people you are a wealth of

499

00:24:30,210 --> 00:24:26,080

information at this point that I want to

500

00:24:33,149 --> 00:24:30,220

hear on your show so yeah I do kind of

501  
00:24:34,889 --> 00:24:33,159  
like that and I want to then less I'm

502  
00:24:36,960 --> 00:24:34,899  
patting him on the back I wanted to add

503  
00:24:39,450 --> 00:24:36,970  
to it and tell you a couple other things

504  
00:24:41,940 --> 00:24:39,460  
I really appreciate about what you do

505  
00:24:45,690 --> 00:24:41,950  
and I think is somewhat unique not

506  
00:24:52,919 --> 00:24:45,700  
totally unique but unique enough one is

507  
00:24:56,310 --> 00:24:52,929  
this what I call unsilent a silo so you

508  
00:24:59,310 --> 00:24:56,320  
were you can switch and fluidly move

509  
00:25:01,710 --> 00:24:59,320  
from talking about UFOs to talking about

510  
00:25:04,799 --> 00:25:01,720  
consciousness to talk about politics to

511  
00:25:07,470 --> 00:25:04,809  
talking about religion why wouldn't you

512  
00:25:10,970 --> 00:25:07,480  
as always my thing why do I have guests

513  
00:25:13,680 --> 00:25:10,980

even people that are just purely I

514

00:25:14,850 --> 00:25:13,690

respect and everyone is interviewing and

515

00:25:18,090 --> 00:25:14,860

everyone likes them and they have all

516

00:25:19,950 --> 00:25:18,100

their books and now I asked him about et

517

00:25:21,360 --> 00:25:19,960

consciousness they're all into

518

00:25:22,799 --> 00:25:21,370

consciousness you know when they're all

519

00:25:24,779 --> 00:25:22,809

into this and now you talk about et

520

00:25:27,000 --> 00:25:24,789

consciousness and they're like well I I

521

00:25:27,280 --> 00:25:27,010

don't know I don't have any opinion I've

522

00:25:30,370 --> 00:25:27,290

never

523

00:25:32,710 --> 00:25:30,380

look how how do you not have an opinion

524

00:25:35,860 --> 00:25:32,720

I met how have you put yourself in that

525

00:25:37,240 --> 00:25:35,870

silo and the other the two other things

526

00:25:39,100 --> 00:25:37,250

I'll just point out and then I'll just

527

00:25:42,270 --> 00:25:39,110

get your feedback on what you think is

528

00:25:46,060 --> 00:25:42,280

important is you take extraordinarily

529

00:25:48,040 --> 00:25:46,070

deep dives into this topic you it's

530

00:25:50,350 --> 00:25:48,050

topics that you cover you're willing to

531

00:25:52,540 --> 00:25:50,360

spend like we said five six hours with

532

00:25:55,120 --> 00:25:52,550

people broken up over a series of

533

00:25:58,000 --> 00:25:55,130

interviews and I think I know because

534

00:26:01,110 --> 00:25:58,010

we've talked in the past you've really

535

00:26:03,460 --> 00:26:01,120

kind of broken through to a new

536

00:26:05,800 --> 00:26:03,470

potential there that a lot of people

537

00:26:08,110 --> 00:26:05,810

didn't see because conventional wisdom

538

00:26:10,060 --> 00:26:08,120

was oh you can't talk that long to

539

00:26:12,340 --> 00:26:10,070

someone no one will listen you know and

540

00:26:14,830 --> 00:26:12,350

you've shown just the opposite you've

541

00:26:17,230 --> 00:26:14,840

shown that people really do want that

542

00:26:19,960 --> 00:26:17,240

depth a lot of times at least the people

543

00:26:21,390 --> 00:26:19,970

we're talking to so what do you think

544

00:26:24,400 --> 00:26:21,400

about those things

545

00:26:27,430 --> 00:26:24,410

the last thing I'm not sure I agree

546

00:26:29,560 --> 00:26:27,440

actually if I had and I hope but we will

547

00:26:32,620 --> 00:26:29,570

disagree a lot because we would really

548

00:26:34,330 --> 00:26:32,630

disagree too little we know that so we

549

00:26:38,890 --> 00:26:34,340

try to find some disagreements today

550

00:26:41,560 --> 00:26:38,900

this no it's it's just an effect of the

551  
00:26:46,780 --> 00:26:41,570  
internet man I could have like a show

552  
00:26:49,900 --> 00:26:46,790  
about baking raw cookies and there would

553  
00:26:51,460 --> 00:26:49,910  
be a lot of people but who would tune in

554  
00:26:55,060 --> 00:26:51,470  
because you have the whole world as a

555  
00:26:57,400 --> 00:26:55,070  
potential whatever weird thing you have

556  
00:26:58,990 --> 00:26:57,410  
you can if you can reach them you know

557  
00:27:01,330 --> 00:26:59,000  
but that basic marketing you know that

558  
00:27:04,900 --> 00:27:01,340  
there's always going to be an audience

559  
00:27:07,480 --> 00:27:04,910  
for something a segment niche audience

560  
00:27:11,020 --> 00:27:07,490  
for something if I had babies and cats

561  
00:27:14,650 --> 00:27:11,030  
or makeup it would be ten times the

562  
00:27:17,710 --> 00:27:14,660  
numbers I'm not pleased with my numbers

563  
00:27:19,060 --> 00:27:17,720

after I realized you know I was very

564

00:27:21,550 --> 00:27:19,070

early on I was shocked

565

00:27:24,730 --> 00:27:21,560

actually that is took off and it was

566

00:27:26,680 --> 00:27:24,740

just at the end before they screwed up

567

00:27:28,270 --> 00:27:26,690

and manipulated the YouTube algorithm

568

00:27:30,220 --> 00:27:28,280

today good luck

569

00:27:33,340 --> 00:27:30,230

breaking through at YouTube it's

570

00:27:36,700 --> 00:27:33,350

completely manipulated but I was at the

571

00:27:39,890 --> 00:27:36,710

end of the freedom where you could you

572

00:27:44,810 --> 00:27:39,900

know accumulate people if you let

573

00:27:49,580 --> 00:27:44,820

if you you know if it had the life of

574

00:27:52,990 --> 00:27:49,590

right right of life so that happened and

575

00:27:56,630 --> 00:27:53,000

enough for the world to be spread but

576  
00:27:59,450 --> 00:27:56,640  
then I realized what's possible and who

577  
00:28:02,750 --> 00:27:59,460  
really gets the numbers and then I came

578  
00:28:06,860 --> 00:28:02,760  
back to earth because you know two

579  
00:28:12,470 --> 00:28:06,870  
little babies and cats so I think there

580  
00:28:15,490 --> 00:28:12,480  
is an audience for these topics it's a

581  
00:28:20,060 --> 00:28:15,500  
challenge to find them I have not been

582  
00:28:23,450 --> 00:28:20,070  
mining in where you have in the podcast

583  
00:28:25,790 --> 00:28:23,460  
world and you haven't been mining that

584  
00:28:29,480 --> 00:28:25,800  
much in in the YouTube world and I saw

585  
00:28:32,720 --> 00:28:29,490  
the platform's too so the plan is to

586  
00:28:35,860 --> 00:28:32,730  
reach out in more platforms onwards do -

587  
00:28:41,540 --> 00:28:35,870  
maybe we'll talk about that but the

588  
00:28:43,910 --> 00:28:41,550

YouTube gate yeah I think what no I

589

00:28:47,690 --> 00:28:43,920

think we I think we handled that I'll

590

00:28:51,470 --> 00:28:47,700

tell you what let's go on to talking

591

00:28:52,880 --> 00:28:51,480

about consciousness and talking about

592

00:28:55,190 --> 00:28:52,890

Bob or the work yes

593

00:28:58,400 --> 00:28:55,200

can I say one more thing of course about

594

00:29:00,230 --> 00:28:58,410

the time because I hope you're gonna do

595

00:29:02,300 --> 00:29:00,240

a forum borealis in to you today because

596

00:29:05,180 --> 00:29:02,310

you've been you have you have very

597

00:29:09,110 --> 00:29:05,190

impressive preparations I wish I could

598

00:29:11,270 --> 00:29:09,120

serve my guests you if you do this with

599

00:29:12,920 --> 00:29:11,280

everyone I don't know if you just me but

600

00:29:15,770 --> 00:29:12,930

if you've done this with everyone man

601  
00:29:16,400 --> 00:29:15,780  
it's it's a really easy to be a guest on

602  
00:29:21,110 --> 00:29:16,410  
your show

603  
00:29:23,600 --> 00:29:21,120  
so but you're gonna you wanna you want

604  
00:29:26,090 --> 00:29:23,610  
us to bite over a lot of stuff today so

605  
00:29:28,520 --> 00:29:26,100  
I hope you're gonna do a forum in depth

606  
00:29:30,350 --> 00:29:28,530  
otherwise we we can't crawl those bases

607  
00:29:33,980 --> 00:29:30,360  
and you were saying that and I want to

608  
00:29:36,230 --> 00:29:33,990  
comment upon that that too is just well

609  
00:29:38,090 --> 00:29:36,240  
no that was deliberate I did want to

610  
00:29:43,280 --> 00:29:38,100  
talk a lot because I remember Joseph

611  
00:29:44,780 --> 00:29:43,290  
Ferrell he had many many into use on

612  
00:29:47,360 --> 00:29:44,790  
something called bites show which was

613  
00:29:52,050 --> 00:29:47,370

kind of a

614

00:29:55,130 --> 00:29:52,060

loke just very unpretentious thing where

615

00:29:59,340 --> 00:29:55,140

the host she rest in peace

616

00:30:03,330 --> 00:29:59,350

Konev just gave him an open mic and they

617

00:30:09,540 --> 00:30:03,340

went for hours upon hours and she never

618

00:30:17,400 --> 00:30:09,550

interrupted either almost and I realized

619

00:30:19,680 --> 00:30:17,410

in depth its was doing it for me so you

620

00:30:22,830 --> 00:30:19,690

know when I just started I didn't have a

621

00:30:25,140 --> 00:30:22,840

podcast kind of I wasn't gonna be in

622

00:30:28,080 --> 00:30:25,150

building umpire become a big voice out

623

00:30:30,810 --> 00:30:28,090

there so what did I care you know put on

624

00:30:32,100 --> 00:30:30,820

them my can we talk as long as possible

625

00:30:34,950 --> 00:30:32,110

didn't have to think about anything

626

00:30:38,160 --> 00:30:34,960

right except the conversation and that's

627

00:30:40,890 --> 00:30:38,170

just become trademark continue doing

628

00:30:43,680 --> 00:30:40,900

that it would be very boring to make one

629

00:30:46,860 --> 00:30:43,690

other shows on display or shorter shows

630

00:30:49,710 --> 00:30:46,870

or one or one and a half hour because

631

00:30:51,590 --> 00:30:49,720

that's how much you could squeeze those

632

00:30:55,110 --> 00:30:51,600

who are not used to long into use for

633

00:30:56,880 --> 00:30:55,120

them that will be along interior like

634

00:31:01,830 --> 00:30:56,890

even if the reason I haven't had shell

635

00:31:08,010 --> 00:31:01,840

wreck Anya it's because his handler said

636

00:31:15,060 --> 00:31:08,020

he only did 3/4 that's too short that's

637

00:31:16,710 --> 00:31:15,070

very old school so no you can't what can

638

00:31:18,960 --> 00:31:16,720

you do even with two hours you can't

639

00:31:21,090 --> 00:31:18,970

really go that deep and when we're

640

00:31:24,420 --> 00:31:21,100

comparing with books who go even deeper

641

00:31:27,990 --> 00:31:24,430

you know I think even my shows are

642

00:31:31,590 --> 00:31:28,000

superficial compared to the level that's

643

00:31:34,920 --> 00:31:31,600

desirable ought to be there for people

644

00:31:38,550 --> 00:31:34,930

really to get it and despite that you

645

00:31:40,950 --> 00:31:38,560

still find people you know demanding the

646

00:31:44,070 --> 00:31:40,960

weirdest things like oh you didn't cover

647

00:31:49,380 --> 00:31:44,080

this detail of the story well read a

648

00:31:54,330 --> 00:31:49,390

book you know how much can be anyway go

649

00:31:56,310 --> 00:31:54,340

on well I'm gonna go on but I love what

650

00:31:58,920 --> 00:31:56,320

you said I mean I think that ties back

651  
00:32:00,450 --> 00:31:58,930  
to what we were talking about before so

652  
00:32:04,110 --> 00:32:00,460  
I want to approach

653  
00:32:05,340 --> 00:32:04,120  
these three interviews and we are I'm

654  
00:32:06,960 --> 00:32:05,350  
gonna have to own the fact that we're

655  
00:32:10,680 --> 00:32:06,970  
not going to cover them as completely as

656  
00:32:12,180 --> 00:32:10,690  
I'd like to as they deserve but maybe we

657  
00:32:15,120 --> 00:32:12,190  
can give folks a little bit of an

658  
00:32:17,820 --> 00:32:15,130  
overview an entry point for how they

659  
00:32:22,440 --> 00:32:17,830  
would dive into foreign borealis style

660  
00:32:26,010 --> 00:32:22,450  
stuff and I came to this idea of really

661  
00:32:28,380 --> 00:32:26,020  
looking at the why question so like the

662  
00:32:31,430 --> 00:32:28,390  
first interview we're going to talk

663  
00:32:33,840 --> 00:32:31,440

about is the airlander interview and

664

00:32:38,030 --> 00:32:33,850

it's an interview about consciousness

665

00:32:42,270 --> 00:32:38,040

obviously it's an interview about a very

666

00:32:46,020 --> 00:32:42,280

famous if you will researcher who's now

667

00:32:48,120 --> 00:32:46,030

88 years old who has done that just

668

00:32:51,060 --> 00:32:48,130

reincarnation researcher today when

669

00:32:54,270 --> 00:32:51,070

after Orion Steven Stevenson passed away

670

00:32:56,580 --> 00:32:54,280

he's - he's the man he's kind of the guy

671

00:33:02,910 --> 00:32:56,590

and then there's a lot to talk about in

672

00:33:05,100 --> 00:33:02,920

terms of let me pull up that screen so

673

00:33:06,840 --> 00:33:05,110

what you want to meet so so there's two

674

00:33:09,450 --> 00:33:06,850

points of that I mean one I want to play

675

00:33:11,070 --> 00:33:09,460

a clip in a minute from this interview

676

00:33:16,830 --> 00:33:11,080

but the other thing that I wanted to

677

00:33:20,340 --> 00:33:16,840

talk about is you know why why do we why

678

00:33:22,590 --> 00:33:20,350

do we care about consciousness how do

679

00:33:23,610 --> 00:33:22,600

you come to consciousness because like

680

00:33:25,980 --> 00:33:23,620

we said I think it's kind of an

681

00:33:29,610 --> 00:33:25,990

interesting story how you came to it

682

00:33:31,860 --> 00:33:29,620

from one angle and I came to it from

683

00:33:34,500 --> 00:33:31,870

another angle I came to it from just

684

00:33:35,970 --> 00:33:34,510

saying okay who are we why are we here

685

00:33:38,520 --> 00:33:35,980

let's go talk to some really smart

686

00:33:40,050 --> 00:33:38,530

people and immediately we run into this

687

00:33:43,170 --> 00:33:40,060

thing called consciousness and then you

688

00:33:45,810 --> 00:33:43,180

run into the outlying anomalous stuff

689

00:33:47,310 --> 00:33:45,820

and boom there you are and ease past life

690

00:33:49,290 --> 00:33:47,320

regression all the rest of this stuff I

691

00:33:50,280 --> 00:33:49,300

feel like you came about it kind of from

692

00:33:53,100 --> 00:33:50,290

a different angle

693

00:33:56,460 --> 00:33:53,110

but then why do you think it's so

694

00:33:58,260 --> 00:33:56,470

important why is harrelson on your show

695

00:34:01,410 --> 00:33:58,270

why are you doing these deep dives

696

00:34:05,670 --> 00:34:01,420

series of shows on this I think it's an

697

00:34:08,580 --> 00:34:05,680

important question that reveals part of

698

00:34:10,260 --> 00:34:08,590

what's really going on in your thought

699

00:34:12,520 --> 00:34:10,270

process in terms of what you've figured

700

00:34:17,389 --> 00:34:12,530

out here

701  
00:34:19,340 --> 00:34:17,399  
right right well I've been hunting

702  
00:34:23,840 --> 00:34:19,350  
consciousness since I was 16 years old

703  
00:34:25,599 --> 00:34:23,850  
so for me it wasn't coming to it it was

704  
00:34:28,190 --> 00:34:25,609  
finding a way to putting it out there

705  
00:34:31,070 --> 00:34:28,200  
I've started with anything but

706  
00:34:33,470 --> 00:34:31,080  
consciousness but we've but I always

707  
00:34:37,280 --> 00:34:33,480  
intended to have a bunch of esoteric

708  
00:34:40,190 --> 00:34:37,290  
shows that's really the main passion but

709  
00:34:42,020 --> 00:34:40,200  
I wanted to prepare the ground and I

710  
00:34:45,919 --> 00:34:42,030  
wanted to explore phenomenons that are

711  
00:34:49,520 --> 00:34:45,929  
related as you point out or maybe or and

712  
00:34:52,780 --> 00:34:49,530  
also you know I have to be honest some

713  
00:34:56,240 --> 00:34:52,790

topics or populism deliberate populism

714

00:34:58,400 --> 00:34:56,250

like like say the Antarctica show I'm

715

00:35:03,920 --> 00:34:58,410

coming back to that because it's so

716

00:35:05,980 --> 00:35:03,930

popular it's a basic it cook you know it

717

00:35:09,140 --> 00:35:05,990

can be a trivial mystery but it has

718

00:35:12,490 --> 00:35:09,150

aspects of connecting into almost

719

00:35:16,340 --> 00:35:12,500

anything and I'm doing a show like that

720

00:35:20,510 --> 00:35:16,350

totally too because if I'm going to

721

00:35:27,980 --> 00:35:20,520

flirt with phenomenons that's a fun

722

00:35:30,410 --> 00:35:27,990

phenomenon but and then to attract more

723

00:35:33,770 --> 00:35:30,420

listeners and then see if there's you

724

00:35:37,310 --> 00:35:33,780

know how many of them can and you're

725

00:35:40,490 --> 00:35:37,320

listening to let's say this Shopify that

726

00:35:43,880 --> 00:35:40,500

I didn't talk takasho with he also has

727

00:35:45,800 --> 00:35:43,890

that's kind of spiritual side and we

728

00:35:48,050 --> 00:35:45,810

were discussing back and forth you know

729

00:35:49,580 --> 00:35:48,060

how many percentages of the people

730

00:35:51,590 --> 00:35:49,590

listening to the Antarctic as you will

731

00:35:54,020 --> 00:35:51,600

bother to listen to all show about death

732

00:35:55,700 --> 00:35:54,030

but we have a rink I know I don't know

733

00:36:00,230 --> 00:35:55,710

did you listen to that I did with him on

734

00:36:02,450 --> 00:36:00,240

reincarnation listen to I listened to

735

00:36:03,980 --> 00:36:02,460

one or two of them I can't remember I

736

00:36:06,830 --> 00:36:03,990

think I almost I'm almost sure we did

737

00:36:09,830 --> 00:36:06,840

because he talked about how that's kind

738

00:36:11,900 --> 00:36:09,840

of required training for a lot of monks

739

00:36:13,670 --> 00:36:11,910

in the East right the first thing is

740

00:36:15,440 --> 00:36:13,680

death yeah I remember that as they go

741

00:36:17,390 --> 00:36:15,450

and look yeah but he may have said that

742

00:36:21,130 --> 00:36:17,400

in the kanji did a one on consciousness

743

00:36:22,810 --> 00:36:21,140

okay I think that's been

744

00:36:27,130 --> 00:36:22,820

but then we did a pure one on

745

00:36:29,350 --> 00:36:27,140

reincarnation me and cliff and the

746

00:36:32,820 --> 00:36:29,360

numbers only part 1 of the consciousness

747

00:36:36,300 --> 00:36:32,830

is out and that's like 1/10 interest

748

00:36:38,710 --> 00:36:36,310

compared to and that's AI and

749

00:36:40,840 --> 00:36:38,720

transhumanism ought to be a little

750

00:36:44,860 --> 00:36:40,850

popular right it's not that exotic it's

751

00:36:47,680 --> 00:36:44,870

a reality and then we did it's not out

752

00:36:49,330 --> 00:36:47,690

yet one on reincarnation and death and

753

00:36:51,040 --> 00:36:49,340

that's you know it's probably going to

754

00:36:52,630 --> 00:36:51,050

be one tenth of the consciousness show

755

00:36:55,450 --> 00:36:52,640

because we're going deeper and deeper

756

00:36:57,820 --> 00:36:55,460

and he says the deep blue people on the

757

00:36:59,710 --> 00:36:57,830

interested in that that many people it's

758

00:37:01,480 --> 00:36:59,720

like a percentage all the way and so we

759

00:37:05,200 --> 00:37:01,490

have to balance that for the topics we

760

00:37:07,930 --> 00:37:05,210

use I don't write conspiracy as a topic

761

00:37:10,060 --> 00:37:07,940

we do cuz conspiracy may be there on all

762

00:37:12,580 --> 00:37:10,070

of the topics or any of the topics I

763

00:37:23,680 --> 00:37:12,590

write what they actually are which is

764

00:37:27,520 --> 00:37:23,690

history politics philosophy culture and

765

00:37:29,230 --> 00:37:27,530

one more thing I forgot so you can you

766

00:37:31,990 --> 00:37:29,240

can see the lid but we do different

767

00:37:34,810 --> 00:37:32,000

stuff like that what does it say one

768

00:37:39,390 --> 00:37:34,820

more thing about that yeah I Lander so I

769

00:37:44,320 --> 00:37:39,400

wanted to start with him because he's

770

00:37:47,080 --> 00:37:44,330

you know he's he's an eldest

771

00:37:50,560 --> 00:37:47,090

yeah but he's coming from science this

772

00:37:53,020 --> 00:37:50,570

isn't new at all it's the scientific

773

00:37:55,270 --> 00:37:53,030

method trying to explore something which

774

00:38:00,120 --> 00:37:55,280

is very hard for science to to measure

775

00:38:04,270 --> 00:38:00,130

and when he has established the

776

00:38:06,160 --> 00:38:04,280

overwhelming evidence you know where it

777

00:38:08,890 --> 00:38:06,170

points then it's easier to do like a

778

00:38:11,080 --> 00:38:08,900

more purely speculative or philosophical

779

00:38:14,200 --> 00:38:11,090

spiritual show with someone like for

780

00:38:17,010 --> 00:38:14,210

instance Claire Foy I have very many

781

00:38:20,050 --> 00:38:17,020

great people lined up next year will be

782

00:38:23,770 --> 00:38:20,060

galore for spirituality and

783

00:38:25,630 --> 00:38:23,780

consciousness but none some more

784

00:38:28,770 --> 00:38:25,640

politics we started that too we have to

785

00:38:32,730 --> 00:38:28,780

always keep born you know for 10

786

00:38:34,150 --> 00:38:32,740

immediate absolutable reality you know

787

00:38:36,160 --> 00:38:34,160

absolutely and

788

00:38:38,080 --> 00:38:36,170

this is kind of backtracking way back to

789

00:38:40,030 --> 00:38:38,090

the beginning of the show what I like

790

00:38:41,470 --> 00:38:40,040

about the show it's like you know what

791

00:38:43,630 --> 00:38:41,480

people say don't talk about politics and

792

00:38:45,430 --> 00:38:43,640

don't talk about religion the opposite

793

00:38:47,140 --> 00:38:45,440

always talk about politics I always talk

794

00:38:49,540 --> 00:38:47,150

about religion because they reveal two

795

00:38:52,000 --> 00:38:49,550

things one is they're not real we can

796

00:38:54,010 --> 00:38:52,010

talk about politics all we want because

797

00:38:57,030 --> 00:38:54,020

it's not real it's a social construct

798

00:39:00,550 --> 00:38:57,040

and even in that sense it's it's an

799

00:39:02,230 --> 00:39:00,560

clearly at this point it's a charade if

800

00:39:04,030 --> 00:39:02,240

you don't get that if you really think

801  
00:39:05,830 --> 00:39:04,040  
they're in the United States there is

802  
00:39:07,630 --> 00:39:05,840  
such a thing as a Democratic Party and

803  
00:39:10,960 --> 00:39:07,640  
Republican Party well then you're not

804  
00:39:12,580 --> 00:39:10,970  
really bought your ticket to enter this

805  
00:39:14,080 --> 00:39:12,590  
conversation you're on the outside

806  
00:39:16,060 --> 00:39:14,090  
looking in and there's not much we can

807  
00:39:18,820 --> 00:39:16,070  
do for you same with religion you know

808  
00:39:21,370 --> 00:39:18,830  
and unfortunately I continue to return

809  
00:39:23,500 --> 00:39:21,380  
to those topics because I don't think we

810  
00:39:25,630 --> 00:39:23,510  
can really talk about extended

811  
00:39:27,400 --> 00:39:25,640  
consciousness and try and really get a

812  
00:39:29,260 --> 00:39:27,410  
full picture until we talk about

813  
00:39:32,290 --> 00:39:29,270

religion and we talk about our

814

00:39:35,230 --> 00:39:32,300

susceptibility to cults to being tricked

815

00:39:36,910 --> 00:39:35,240

being fooled to being controlled so of

816

00:39:38,980 --> 00:39:36,920

course we want to talk about religion

817

00:39:41,890 --> 00:39:38,990

and in your case of course we want to

818

00:39:43,450 --> 00:39:41,900

talk about politics and it just we have

819

00:39:45,580 --> 00:39:43,460

to but we have to talk about it in the

820

00:39:49,110 --> 00:39:45,590

way that we're not talking about it

821

00:39:51,490 --> 00:39:49,120

because it's not real but here's where

822

00:39:54,400 --> 00:39:51,500

since you brought it up I'd like to

823

00:39:56,830 --> 00:39:54,410

broaden this discussion about airlander

824

00:39:59,140 --> 00:39:56,840

in a couple of ways and and really

825

00:40:01,060 --> 00:39:59,150

without even getting into the interview

826

00:40:02,950 --> 00:40:01,070

per se I was going to play a clip from

827

00:40:04,900 --> 00:40:02,960

the interview but I have to alert people

828

00:40:08,080 --> 00:40:04,910

when you listen to the show you did a

829

00:40:10,920 --> 00:40:08,090

fantastic job of guiding the guy through

830

00:40:14,290 --> 00:40:10,930

the interview but he's he's an older guy

831

00:40:16,900 --> 00:40:14,300

yeah it's a challenge isn't that super

832

00:40:18,460 --> 00:40:16,910

fluid in his talk and and you do a nice

833

00:40:19,810 --> 00:40:18,470

job of bringing him along and stuff but

834

00:40:22,090 --> 00:40:19,820

it's kind of a little bit harder to

835

00:40:25,600 --> 00:40:22,100

listen to than many of your other shows

836

00:40:27,670 --> 00:40:25,610

but to things that they're kind of like

837

00:40:30,220 --> 00:40:27,680

you and I can talk about and have an

838

00:40:31,480 --> 00:40:30,230

interesting time talking about that I

839

00:40:34,990 --> 00:40:31,490

thought would be fun

840

00:40:37,840 --> 00:40:35,000

what is this idea of the Elder and and

841

00:40:41,200 --> 00:40:37,850

the the person who holds the knowledge

842

00:40:42,940 --> 00:40:41,210

and I see two sides of that I see but

843

00:40:46,360 --> 00:40:42,950

you know a great side of that that we

844

00:40:47,859 --> 00:40:46,370

should respect and we should say that

845

00:40:51,150 --> 00:40:47,869

there's something

846

00:40:54,249 --> 00:40:51,160

that comes from writing books and

847

00:40:57,220 --> 00:40:54,259

writing articles hundred peer-reviewed

848

00:40:59,589 --> 00:40:57,230

journal articles that is more than that

849

00:41:01,900 --> 00:40:59,599

and that is the experience that that guy

850

00:41:04,539 --> 00:41:01,910

had I mean we can sit here and talk

851  
00:41:07,269 --> 00:41:04,549  
about conspiracies in [h\_\_\h] and myth

852  
00:41:10,349 --> 00:41:07,279  
the progress this guys lived it man he

853  
00:41:13,569 --> 00:41:10,359  
was there in the frontlines of academia

854  
00:41:16,089 --> 00:41:13,579  
being jacked around and paradigm

855  
00:41:19,569 --> 00:41:16,099  
shifting he lived that and he's a living

856  
00:41:23,499 --> 00:41:19,579  
testament to that but the other side of

857  
00:41:27,420 --> 00:41:23,509  
that that we can get your opinion on is

858  
00:41:30,599 --> 00:41:27,430  
I think a lot of us have a sense of

859  
00:41:33,609 --> 00:41:30,609  
elders maybe not

860  
00:41:36,339 --> 00:41:33,619  
carrying the knowledge that they should

861  
00:41:38,589 --> 00:41:36,349  
forward and that in this day of the

862  
00:41:40,779 --> 00:41:38,599  
internet we have access to so much

863  
00:41:43,539 --> 00:41:40,789

information that a lot of times I'm

864

00:41:46,359 --> 00:41:43,549

going to hear people like haraldson we

865

00:41:49,359 --> 00:41:46,369

go well you know that's nice I can go

866

00:41:51,849 --> 00:41:49,369

search and find ten different studies on

867

00:41:54,069 --> 00:41:51,859

past lives and children and ten

868

00:41:58,359 --> 00:41:54,079

different interviews and I can compare

869

00:42:02,430 --> 00:41:58,369

and contrast and your value as an elder

870

00:42:06,930 --> 00:42:02,440

is maybe not what it used to be in

871

00:42:10,809 --> 00:42:06,940

cultures where that knowledge was more

872

00:42:12,460 --> 00:42:10,819

centralized in a few people so I've kind

873

00:42:14,789 --> 00:42:12,470

of laid a lot on the table there but

874

00:42:17,529 --> 00:42:14,799

what do you think about this idea of

875

00:42:20,259 --> 00:42:17,539

elders in and how they hold knowledge

876

00:42:23,620 --> 00:42:20,269

and share knowledge in our modern

877

00:42:26,620 --> 00:42:23,630

culture no I am

878

00:42:30,069 --> 00:42:26,630

I appreciate the role of the elder I

879

00:42:35,499 --> 00:42:30,079

don't think that role is very prevalent

880

00:42:36,999 --> 00:42:35,509

in today's society you know the

881

00:42:41,229 --> 00:42:37,009

corporations are taking over the

882

00:42:43,650 --> 00:42:41,239

propaganda outlets the wisdom of the

883

00:42:48,530 --> 00:42:43,660

elder that's an archetype III do have

884

00:42:52,780 --> 00:42:48,540

elders I relate to in my life

885

00:42:59,480 --> 00:42:52,790

in terms of mentors maybe I could say or

886

00:43:02,750 --> 00:42:59,490

guides so I'm totally on board with you

887

00:43:04,760 --> 00:43:02,760

cut haraldson a lot of slack in that not

888

00:43:06,230 --> 00:43:04,770

to I'll be really blunt you cut him a

889

00:43:10,580 --> 00:43:06,240

lot of slack and part of that was

890

00:43:12,470 --> 00:43:10,590

because he is an elder both in age but I

891

00:43:14,780 --> 00:43:12,480

think it was also out of respect for

892

00:43:17,210 --> 00:43:14,790

what he's done he's accomplished and

893

00:43:19,580 --> 00:43:17,220

that's okay I don't have a problem with

894

00:43:22,010 --> 00:43:19,590

that but I think it's worth discussing

895

00:43:24,530 --> 00:43:22,020

that and I think like a little thing

896

00:43:26,660 --> 00:43:24,540

with with Harrelson that she didn't call

897

00:43:28,400 --> 00:43:26,670

him on that I think he should be called

898

00:43:30,230 --> 00:43:28,410

on is here's this guy has all this

899

00:43:34,730 --> 00:43:30,240

knowledge all this experience and he

900

00:43:37,580 --> 00:43:34,740

goes and he gets I think my read of it

901  
00:43:40,849 --> 00:43:37,590  
he gets tricked by Sai Baba right so Sai

902  
00:43:44,230 --> 00:43:40,859  
Baba is this Indian guru now passed away

903  
00:43:49,820 --> 00:43:44,240  
who has caught on YouTube just doing

904  
00:43:51,800 --> 00:43:49,830  
stage magic so to those videos they were

905  
00:43:56,000 --> 00:43:51,810  
first of all of them are very bad

906  
00:43:58,280 --> 00:43:56,010  
quality and I wasn't that enlightened

907  
00:44:00,520 --> 00:43:58,290  
afterwards I thought before interviewed

908  
00:44:03,470 --> 00:44:00,530  
him that Sai Baba was this big

909  
00:44:05,510 --> 00:44:03,480  
pedophilia swindler who's been debunked

910  
00:44:08,630 --> 00:44:05,520  
once and for all that was my going to

911  
00:44:11,450 --> 00:44:08,640  
position then he said the and you know

912  
00:44:14,300 --> 00:44:11,460  
he was very impressed he had followed

913  
00:44:16,609 --> 00:44:14,310

Bob around he and his team for weeks I

914

00:44:20,930 --> 00:44:16,619

haven't done that I wasn't there so

915

00:44:24,650 --> 00:44:20,940

Baba's dead so a little humility is okay

916

00:44:27,770 --> 00:44:24,660

in terms of that I can I don't know that

917

00:44:30,650 --> 00:44:27,780

Sai Baba is a quack so I can't insist on

918

00:44:32,450 --> 00:44:30,660

that but I did suspect it then I tried

919

00:44:36,859 --> 00:44:32,460

to research I know you wanted me to

920

00:44:40,250 --> 00:44:36,869

discuss Sababa with him I wasn't that

921

00:44:44,420 --> 00:44:40,260

interested actually but I did that and I

922

00:44:46,550 --> 00:44:44,430

was kind of surprised because he had

923

00:44:48,290 --> 00:44:46,560

that position and and before the show I

924

00:44:50,480 --> 00:44:48,300

think it was or was it after either

925

00:44:52,640 --> 00:44:50,490

before or after I checked outside Baba

926  
00:44:57,470 --> 00:44:52,650  
and I couldn't find I wanted to find

927  
00:44:59,210 --> 00:44:57,480  
these obvious tricks that he had done

928  
00:45:01,800 --> 00:44:59,220  
but I didn't find anything that really

929  
00:45:04,200 --> 00:45:01,810  
settled the matter either way

930  
00:45:05,790 --> 00:45:04,210  
but I'm immediately skeptic if a

931  
00:45:08,370 --> 00:45:05,800  
so-called spiritual person is starting

932  
00:45:11,430 --> 00:45:08,380  
to make miracles like wushu I regard him

933  
00:45:14,730 --> 00:45:11,440  
as a big swindler who did what Crowley

934  
00:45:17,340 --> 00:45:14,740  
did he took stuff that's already out

935  
00:45:19,860 --> 00:45:17,350  
there and he amel gated it and put his

936  
00:45:22,350 --> 00:45:19,870  
own spin on it which you know if you

937  
00:45:24,870 --> 00:45:22,360  
read something you which is bright it's

938  
00:45:27,840 --> 00:45:24,880

either from Pythagoras or from Girja for

939

00:45:31,850 --> 00:45:27,850

from Buddha from you know one of these

940

00:45:37,560 --> 00:45:31,860

greats and if you find something that's

941

00:45:39,180 --> 00:45:37,570

fishy it's usually from him so uh I pick

942

00:45:40,950 --> 00:45:39,190

on wushu all day long if you like but

943

00:45:43,200 --> 00:45:40,960

when it comes to sabab but he never

944

00:45:48,480 --> 00:45:43,210

interested me I thought he looked

945

00:45:50,280 --> 00:45:48,490

disgusting quite honestly and but when I

946

00:45:53,100 --> 00:45:50,290

looked into it it seems that the

947

00:45:54,810 --> 00:45:53,110

movement he's created and you know

948

00:45:58,500 --> 00:45:54,820

there's some good stuff there they do a

949

00:46:00,180 --> 00:45:58,510

lot of charity and you know people get

950

00:46:02,190 --> 00:46:00,190

something out of it I know but he's dead

951  
00:46:05,160 --> 00:46:02,200  
right but at least he created something

952  
00:46:05,820 --> 00:46:05,170  
that has some value at some level I'll

953  
00:46:12,120 --> 00:46:05,830  
give him that

954  
00:46:15,630 --> 00:46:12,130  
now her Allender didn't you know just

955  
00:46:19,500 --> 00:46:15,640  
blank defend him but he said that it was

956  
00:46:23,400 --> 00:46:19,510  
on he believed used to word on unsettled

957  
00:46:24,840 --> 00:46:23,410  
case something like that but that was an

958  
00:46:27,840 --> 00:46:24,850  
interesting part the interesting part

959  
00:46:29,580 --> 00:46:27,850  
was his research into death which he's

960  
00:46:32,570 --> 00:46:29,590  
done in different ways under the

961  
00:46:35,190 --> 00:46:32,580  
reincarnation thing there was one huge

962  
00:46:38,640 --> 00:46:35,200  
important question that I regret I never

963  
00:46:41,250 --> 00:46:38,650

asked him but otherwise I think I got to

964

00:46:45,030 --> 00:46:41,260

ask the most important question in terms

965

00:46:47,280 --> 00:46:45,040

of relating to you know for instance you

966

00:46:49,440 --> 00:46:47,290

know stuff that I wonder about what

967

00:46:52,770 --> 00:46:49,450

about gender are we coming back as the

968

00:46:54,960 --> 00:46:52,780

same gender or we you know how long time

969

00:46:56,880 --> 00:46:54,970

does this take because I want to compare

970

00:46:59,370 --> 00:46:56,890

it also to the law that's already out

971

00:47:02,790 --> 00:46:59,380

there near-death experience isn't a new

972

00:47:05,730 --> 00:47:02,800

thing you have huge traditions for this

973

00:47:07,380 --> 00:47:05,740

in spirituality and esoterica there's

974

00:47:09,360 --> 00:47:07,390

even instruction manuals like the

975

00:47:12,150 --> 00:47:09,370

Tibetan Book of the Dead the Egyptian

976

00:47:15,250 --> 00:47:12,160

Book of the death the aleutian book of

977

00:47:18,880 --> 00:47:15,260

the death much of

978

00:47:23,200 --> 00:47:18,890

knowledge of our ancestors harmonized

979

00:47:26,350 --> 00:47:23,210

with what the scientists found out and

980

00:47:28,120 --> 00:47:26,360

so maybe not and that's what interesting

981

00:47:29,890 --> 00:47:28,130

to find out you know if you've been

982

00:47:33,700 --> 00:47:29,900

studying death if you've been working

983

00:47:36,780 --> 00:47:33,710

with death like I have then it's

984

00:47:39,370 --> 00:47:36,790

interesting to to talk with someone a

985

00:47:40,990 --> 00:47:39,380

pioneer in the research field who has

986

00:47:42,850 --> 00:47:41,000

looked into and I was surprised that he

987

00:47:46,210 --> 00:47:42,860

he had an answer for all this stuff he

988

00:47:48,400 --> 00:47:46,220

had talked about it he had gone there

989

00:47:52,210 --> 00:47:48,410

and try to find these patterns which are

990

00:47:54,160 --> 00:47:52,220

so important but yeah I I you know it's

991

00:47:57,160 --> 00:47:54,170

a hearing thing it's a language thing

992

00:48:02,260 --> 00:47:57,170

it's the talk about interviewing a chap

993

00:48:04,860 --> 00:48:02,270

like the good doctor if you're not 100%

994

00:48:07,150 --> 00:48:04,870

present how can you get a flow of

995

00:48:09,010 --> 00:48:07,160

conversation so that was more

996

00:48:13,300 --> 00:48:09,020

traditional into you actually what I did

997

00:48:20,740 --> 00:48:13,310

with him see my problem with the saibaba

998

00:48:26,500 --> 00:48:20,750

stuff I mean it speaks to process and

999

00:48:29,980 --> 00:48:26,510

method right so if you're careful about

1000

00:48:33,490 --> 00:48:29,990

your process and your deliberate about

1001  
00:48:36,940 --> 00:48:33,500  
your method then you don't get fooled

1002  
00:48:39,550 --> 00:48:36,950  
and so again we can leave it as an open

1003  
00:48:42,850 --> 00:48:39,560  
question as to whether or not Sai Baba

1004  
00:48:44,950 --> 00:48:42,860  
was legit but that he doesn't pass the

1005  
00:48:46,960 --> 00:48:44,960  
smell test right from the beginning you

1006  
00:48:49,330 --> 00:48:46,970  
just look at the guy and you look at his

1007  
00:48:51,490 --> 00:48:49,340  
claims and they just line up with all

1008  
00:48:53,170 --> 00:48:51,500  
the other frauds you know like Oh show

1009  
00:48:56,410 --> 00:48:53,180  
you know one of the biggest ones that I

1010  
00:48:58,090 --> 00:48:56,420  
always point out and I credit my friend

1011  
00:49:01,060 --> 00:48:58,100  
Rick Archer it but if the gas pump for

1012  
00:49:04,600 --> 00:49:01,070  
getting away from this cult and that's

1013  
00:49:07,300 --> 00:49:04,610

the the whole Lamar Oishi yogi the guy

1014

00:49:08,740 --> 00:49:07,310

who started the whole TM thing I mean

1015

00:49:09,610 --> 00:49:08,750

yeah he's debunked anyway isn't it

1016

00:49:14,110 --> 00:49:09,620

what's that

1017

00:49:17,020 --> 00:49:14,120

he is debunked he should be he should be

1018

00:49:19,810 --> 00:49:17,030

but Marrakech University still goes on

1019

00:49:21,970 --> 00:49:19,820

on Iowa all his followers don't want to

1020

00:49:25,330 --> 00:49:21,980

listen to the people who were there who

1021

00:49:28,280 --> 00:49:25,340

says the nature of sex I mean no matter

1022

00:49:30,290 --> 00:49:28,290

how stupid I said it's never the Russian

1023

00:49:31,970 --> 00:49:30,300

or the believability of a sack that

1024

00:49:33,650 --> 00:49:31,980

determines whether it survives or not

1025

00:49:35,030 --> 00:49:33,660

that is interesting you mentioned

1026

00:49:36,920 --> 00:49:35,040

because we're gonna have something that

1027

00:49:39,470 --> 00:49:36,930

may people maybe thought we never do

1028

00:49:43,280 --> 00:49:39,480

we're gonna have a serious about cults

1029

00:49:45,650 --> 00:49:43,290

and sects absolutely let's go there a

1030

00:49:48,920 --> 00:49:45,660

little bit give me the give me the high

1031

00:49:51,920 --> 00:49:48,930

points talking points on that because I

1032

00:49:55,490 --> 00:49:51,930

think it's an absolutely critical

1033

00:49:59,960 --> 00:49:55,500

critical topic to talk about and again

1034

00:50:01,460 --> 00:49:59,970

to me it's seems like the more I think

1035

00:50:03,640 --> 00:50:01,470

about it and look at it and talk to

1036

00:50:08,420 --> 00:50:03,650

people it looks much more like a

1037

00:50:11,360 --> 00:50:08,430

continuum than a clean break I mean how

1038

00:50:14,210 --> 00:50:11,370

are the religious traditions that are

1039

00:50:17,360 --> 00:50:14,220

played out in society but just

1040

00:50:18,950 --> 00:50:17,370

completely different from cults they're

1041

00:50:20,840 --> 00:50:18,960

not they're different you know in

1042

00:50:25,070 --> 00:50:20,850

certain ways but they're both tapping

1043

00:50:27,800 --> 00:50:25,080

into the same human need the same human

1044

00:50:31,270 --> 00:50:27,810

frailties that we have are our desire

1045

00:50:33,560 --> 00:50:31,280

for community our desire for meaning

1046

00:50:35,600 --> 00:50:33,570

they're they've just learned how to push

1047

00:50:37,340 --> 00:50:35,610

the buttons and they're willing to push

1048

00:50:40,070 --> 00:50:37,350

them a little bit more when you get to a

1049

00:50:41,870 --> 00:50:40,080

cult at least that's my take where where

1050

00:50:45,530 --> 00:50:41,880

do you see that whole investigation

1051  
00:50:49,550 --> 00:50:45,540  
going from your standpoint well actually

1052  
00:50:52,460 --> 00:50:49,560  
I think if people study curved some

1053  
00:50:55,900 --> 00:50:52,470  
sects and I understand what's going on

1054  
00:50:58,550 --> 00:50:55,910  
there that can make them more immune

1055  
00:51:02,540 --> 00:50:58,560  
against the biggest sect in the world

1056  
00:51:06,260 --> 00:51:02,550  
called society cause we are we're just

1057  
00:51:10,510 --> 00:51:06,270  
our sight ghosts you know living today

1058  
00:51:14,600 --> 00:51:10,520  
here is being a part of a huge cult and

1059  
00:51:17,000 --> 00:51:14,610  
if you come from 50 years from now or 50

1060  
00:51:19,730 --> 00:51:17,010  
years behind from now you know from the

1061  
00:51:23,060 --> 00:51:19,740  
past of the future you'll see that

1062  
00:51:26,840 --> 00:51:23,070  
you're in a psychosis but any time and

1063  
00:51:29,630 --> 00:51:26,850

any culture has their own psychosis

1064

00:51:33,200 --> 00:51:29,640

their own sect their own and in

1065

00:51:37,760 --> 00:51:33,210

esoterica there's always been gold to be

1066

00:51:41,190 --> 00:51:37,770

timeless you know try to step out of

1067

00:51:46,420 --> 00:51:41,200

time and space and the best

1068

00:51:51,820 --> 00:51:46,430

spiritual material in the world is that

1069

00:51:53,880 --> 00:51:51,830

which is as little tainted by the

1070

00:51:57,490 --> 00:51:53,890

zeitgeist and by the culture and by the

1071

00:52:00,130 --> 00:51:57,500

time that it's produced in that's really

1072

00:52:03,760 --> 00:52:00,140

usually what's being of what survives of

1073

00:52:06,430 --> 00:52:03,770

course stuff is being destroyed but the

1074

00:52:09,490 --> 00:52:06,440

more timeless it is the more it appeals

1075

00:52:12,670 --> 00:52:09,500

across time and space it can appeal to

1076

00:52:18,940 --> 00:52:12,680

different cultures easily and it can

1077

00:52:21,880 --> 00:52:18,950

appeal to take a thing like Buddhism I'm

1078

00:52:24,130 --> 00:52:21,890

not a Buddhist but that's pretty

1079

00:52:26,080 --> 00:52:24,140

timeless and can work in many different

1080

00:52:29,320 --> 00:52:26,090

cultures if you take a thing like

1081

00:52:31,450 --> 00:52:29,330

American Christianity which is just a

1082

00:52:33,250 --> 00:52:31,460

hundred-year-old religion but it's what

1083

00:52:34,150 --> 00:52:33,260

most Americans thinks of when I hear

1084

00:52:36,100 --> 00:52:34,160

Christianity

1085

00:52:39,550 --> 00:52:36,110

it's a completely new invention has

1086

00:52:42,340 --> 00:52:39,560

nothing to do with history but that

1087

00:52:44,710 --> 00:52:42,350

doesn't work everywhere so the only way

1088

00:52:48,160 --> 00:52:44,720

they can spread that is to destroy our

1089

00:52:50,710 --> 00:52:48,170

culture and turn it more like you know

1090

00:52:53,770 --> 00:52:50,720

the culture that American Christian

1091

00:53:00,540 --> 00:52:53,780

fundamentalism grew up in then they can

1092

00:53:04,200 --> 00:53:00,550

for instance our materialist culture so

1093

00:53:07,450 --> 00:53:04,210

never underestimate culture that's

1094

00:53:08,530 --> 00:53:07,460

that's the filter that the group is

1095

00:53:11,470 --> 00:53:08,540

having and then you have the

1096

00:53:14,850 --> 00:53:11,480

individuality respect with a

1097

00:53:19,450 --> 00:53:14,860

consciousness level which is your own

1098

00:53:23,440 --> 00:53:19,460

shades so we all use sunglasses to you

1099

00:53:28,120 --> 00:53:23,450

know to perceive so I try to take on

1100

00:53:29,800 --> 00:53:28,130

topics which do not idly at least I try

1101  
00:53:32,470 --> 00:53:29,810  
to reach the whole of the Western world

1102  
00:53:36,130 --> 00:53:32,480  
if not the entire globe should be able

1103  
00:53:39,160 --> 00:53:36,140  
to relate to what we are dealing with in

1104  
00:53:42,790 --> 00:53:39,170  
our shows you know where I thought we'd

1105  
00:53:45,490 --> 00:53:42,800  
go next because we do have to kind of

1106  
00:53:47,740 --> 00:53:45,500  
just glance over these topics at the

1107  
00:53:52,030 --> 00:53:47,750  
high level but you want to talk about

1108  
00:53:54,729 --> 00:53:52,040  
your interview with Peter Levin des so

1109  
00:53:56,380 --> 00:53:54,739  
if we're going to talk Peter Levin

1110  
00:53:59,859 --> 00:53:56,390  
and we're gonna talk about this deep

1111  
00:54:03,999 --> 00:53:59,869  
dive that you did with him on UFO

1112  
00:54:07,689 --> 00:54:04,009  
disclosure on the event that happened at

1113  
00:54:09,339 --> 00:54:07,699

the end of 2017 where they rolled out in

1114

00:54:13,029 --> 00:54:09,349

the New York Times we'll talk about who

1115

00:54:16,239 --> 00:54:13,039

they are a full disclosure first time in

1116

00:54:18,609 --> 00:54:16,249

history that the government the United

1117

00:54:21,549 --> 00:54:18,619

States government mitts yes there are

1118

00:54:24,640 --> 00:54:21,559

UFOs yes they have this advanced

1119

00:54:28,420 --> 00:54:24,650

technology yes we've been studying it

1120

00:54:33,789 --> 00:54:28,430

and then Peter lavinda along with Tom

1121

00:54:36,880 --> 00:54:33,799

DeLonge blink-182 rocker turned UFO

1122

00:54:39,430 --> 00:54:36,890

whistleblower they come out with this

1123

00:54:42,489 --> 00:54:39,440

big thing hey everybody get on board and

1124

00:54:45,449 --> 00:54:42,499

know this and you did this interview and

1125

00:54:47,739 --> 00:54:45,459

like I say five hours at least with him

1126

00:54:52,900 --> 00:54:47,749

tell us why

1127

00:54:57,609 --> 00:54:52,910

first of all backing up why the UFO

1128

00:55:01,509 --> 00:54:57,619

topic is of interest to you why that

1129

00:55:04,209 --> 00:55:01,519

d'italia and I think is is obvious to me

1130

00:55:06,519 --> 00:55:04,219

but I want to make sure that listeners

1131

00:55:07,660 --> 00:55:06,529

understand because if they listen to it

1132

00:55:09,819 --> 00:55:07,670

interview one of the first things

1133

00:55:13,059 --> 00:55:09,829

they'll hear is both you and Peter

1134

00:55:16,299 --> 00:55:13,069

saying hey we're not really UFO guys and

1135

00:55:20,319 --> 00:55:16,309

I get that totally on one level but

1136

00:55:25,799 --> 00:55:20,329

explain to people your interest in that

1137

00:55:30,519 --> 00:55:25,809

topic my interest is is reluctant it's

1138

00:55:33,609 --> 00:55:30,529

against my will I don't really don't

1139

00:55:37,349 --> 00:55:33,619

want to do UFOs I was kind of interested

1140

00:55:40,809 --> 00:55:37,359

in in that when I was like 18 I was

1141

00:55:45,549 --> 00:55:40,819

sniffing at Paris I call a gym many

1142

00:55:48,939 --> 00:55:45,559

different weird stuff and I got bored by

1143

00:55:50,999 --> 00:55:48,949

UFOs I figured what does it really do

1144

00:55:53,709 --> 00:55:51,009

for me you know for my personal

1145

00:55:56,589 --> 00:55:53,719

development my growth it's not that

1146

00:55:59,769 --> 00:55:56,599

spiritually it was more materialists

1147

00:56:05,739 --> 00:55:59,779

angle of course back then so I didn't

1148

00:56:08,440 --> 00:56:05,749

relate to UFOs for many many years then

1149

00:56:11,739 --> 00:56:08,450

there was a combination of different

1150

00:56:17,049 --> 00:56:11,749

things one of them was that I saw a

1151

00:56:21,819 --> 00:56:17,059

david cerritos evidence the case for

1152

00:56:24,160 --> 00:56:21,829

nasa ufos narrated i think by this

1153

00:56:29,279 --> 00:56:24,170

comedian hollywood guy was called a

1154

00:56:32,650 --> 00:56:29,289

blues brother guy anyway so i saw that

1155

00:56:36,579 --> 00:56:32,660

my mind was blown because if this stuff

1156

00:56:38,559 --> 00:56:36,589

is up there out there what the [h\_\_h] this

1157

00:56:48,219 --> 00:56:38,569

needs to be integrated into our reality

1158

00:56:50,410 --> 00:56:48,229

into a paradigm then you know different

1159

00:56:53,769 --> 00:56:50,420

intelligent sources about some

1160

00:56:57,969 --> 00:56:53,779

experiences why are we calling covering

1161

00:57:01,450 --> 00:56:57,979

UFOs because it's part of reality that's

1162

00:57:03,400 --> 00:57:01,460

why i wish we didn't have to but if

1163

00:57:09,249 --> 00:57:03,410

you're going to cover reality we have to

1164

00:57:09,759 --> 00:57:09,259

it has its place in it i get most of

1165

00:57:12,609 --> 00:57:09,769

that

1166

00:57:14,229 --> 00:57:12,619

i wish we didn't have to I don't know

1167

00:57:17,650 --> 00:57:14,239

about that I think that's where it takes

1168

00:57:21,910 --> 00:57:17,660

us but let let's introduce people who is

1169

00:57:24,640 --> 00:57:21,920

Peter Levin de why did you do this deep

1170

00:57:27,160 --> 00:57:24,650

dive what were you getting at what does

1171

00:57:30,279 --> 00:57:27,170

the whole disclosure thing this latest

1172

00:57:34,269 --> 00:57:30,289

round of disclosure mean to you I've

1173

00:57:37,239 --> 00:57:34,279

labeled it a political sigh the vendee

1174

00:57:39,969 --> 00:57:37,249

is very very much against that you have

1175

00:57:42,069 --> 00:57:39,979

an interesting back-and-forth with that

1176

00:57:43,779 --> 00:57:42,079

in in the spirit of what we're talking

1177

00:57:46,569 --> 00:57:43,789

about in terms of you challenging people

1178

00:57:50,529 --> 00:57:46,579

you have a whole interview where you say

1179

00:57:52,630 --> 00:57:50,539

okay Peter I'm gonna hit you with all

1180

00:57:55,690 --> 00:57:52,640

the really tough questions and you do

1181

00:57:57,880 --> 00:57:55,700

you really hit him with some really hard

1182

00:57:59,769 --> 00:57:57,890

questions there as well so yeah but

1183

00:58:02,559 --> 00:57:59,779

those were questions that are new will

1184

00:58:04,319 --> 00:58:02,569

realtor and if I actually had him on I

1185

00:58:08,229 --> 00:58:04,329

want two people to get the chance to

1186

00:58:11,259 --> 00:58:08,239

hear you know his take on those things

1187

00:58:15,579 --> 00:58:11,269

because it's not something that you hear

1188

00:58:20,990 --> 00:58:15,589

otherwise right unless he addresses it

1189

00:58:24,839 --> 00:58:21,000

and and he did and I was ok with that

1190

00:58:28,109 --> 00:58:24,849

so you feel free to try to deconstruct

1191

00:58:31,830 --> 00:58:28,119

his answers and if I feel it's worthy

1192

00:58:35,220 --> 00:58:31,840

I'm gonna support defend it otherwise I

1193

00:58:37,140 --> 00:58:35,230

want you know I he says he's not married

1194

00:58:39,450 --> 00:58:37,150

to any of this I'm definitely not I just

1195

00:58:41,460 --> 00:58:39,460

want to get to the truth and by the way

1196

00:58:43,470 --> 00:58:41,470

when I say I don't wish I don't want to

1197

00:58:46,680 --> 00:58:43,480

it's because of the nature of UFOs

1198

00:58:48,630 --> 00:58:46,690

UFOs is something that is so easy to be

1199

00:58:51,720 --> 00:58:48,640

used against you know it's something

1200

00:58:53,550 --> 00:58:51,730

that here now gone there it's much

1201

00:58:55,980 --> 00:58:53,560

better where the like Richard Hoagland

1202

00:58:57,690 --> 00:58:55,990

says he says the reason I'm doing moon

1203

00:59:00,750 --> 00:58:57,700

structures and stuff like that is

1204

00:59:06,240 --> 00:59:00,760

because it's not moving it's there so we

1205

00:59:08,040 --> 00:59:06,250

can much easier unveil it relate to it

1206

00:59:11,310 --> 00:59:08,050

if it's something tangible if it's

1207

00:59:14,820 --> 00:59:11,320

something you know beyond our us most of

1208

00:59:17,160 --> 00:59:14,830

them are probably technological and so

1209

00:59:20,400 --> 00:59:17,170

it's a superb technologies like that

1210

00:59:27,329 --> 00:59:20,410

ants trying to relate to you know human

1211

00:59:33,510 --> 00:59:27,339

passing through their my body broad

1212

00:59:35,160 --> 00:59:33,520

anthill so UFOs are very good to use to

1213

00:59:37,320 --> 00:59:35,170

distract more than anything and the

1214

00:59:39,420 --> 00:59:37,330

spiritual aspect of them is of course

1215

00:59:41,670 --> 00:59:39,430

interesting you know the shamanic and

1216

00:59:43,800 --> 00:59:41,680

astral aspect of them that's where it

1217

00:59:45,420 --> 00:59:43,810

ties into spirituality that's the

1218

00:59:47,430 --> 00:59:45,430

archetype of the thing is very

1219

00:59:49,950 --> 00:59:47,440

interesting usually but what if it's

1220

00:59:52,890 --> 00:59:49,960

more than the archetype that's where I

1221

00:59:55,859 --> 00:59:52,900

think everyone's kind of missing the

1222

00:59:58,430 --> 00:59:55,869

boat at this point and that's it if we

1223

01:00:01,079 --> 00:59:58,440

look at the technology angle which is

1224

01:00:03,690 --> 01:00:01,089

stunning mesmerizing

1225

01:00:06,480 --> 01:00:03,700

travels at 7,000 miles an hour stops

1226

01:00:09,270 --> 01:00:06,490

makes a right turn gee we don't have

1227

01:00:12,150 --> 01:00:09,280

anything that works like that and then

1228

01:00:14,130 --> 01:00:12,160

Tom DeLonge comes in and says yeah guys

1229

01:00:16,680 --> 01:00:14,140

but don't worry we're gonna figure it

1230

01:00:19,530 --> 01:00:16,690

out just give me some money for my new

1231

01:00:22,109 --> 01:00:19,540

startup and by the way we'll get free

1232

01:00:29,070 --> 01:00:22,119

energy out of it too and everyone's like

1233

01:00:31,349 --> 01:00:29,080

yay free energy no everyone is like yeah

1234

01:00:33,760 --> 01:00:31,359

well but but here's the other part of

1235

01:00:37,660 --> 01:00:33,770

noise if it gets me it's like

1236

01:00:40,980 --> 01:00:37,670

wait a minute if they're that far along

1237

01:00:45,480 --> 01:00:40,990

on that continuum the propulsion

1238

01:00:49,540 --> 01:00:45,490

continuum how far along are they on the

1239

01:00:52,330 --> 01:00:49,550

consciousness technology continuum right

1240

01:00:54,070 --> 01:00:52,340

because you know just the way you talked

1241

01:00:56,800 --> 01:00:54,080

about it well there's this spiritual

1242

01:00:59,080 --> 01:00:56,810

part and there's the shock fillet part

1243

01:01:01,060 --> 01:00:59,090

and the Whitley Strieber part and all

1244

01:01:03,550 --> 01:01:01,070

these people which are most which are

1245

01:01:06,490 --> 01:01:03,560

much more interesting in a way what what

1246

01:01:08,650 --> 01:01:06,500

how what do you why are we creating a

1247

01:01:10,570 --> 01:01:08,660

dichotomy why are we saying one is one

1248

01:01:12,880 --> 01:01:10,580

and one is the other what is the

1249

01:01:14,620 --> 01:01:12,890

immediate challenge for me aspect is

1250

01:01:17,490 --> 01:01:14,630

more interesting you know different it's

1251

01:01:20,470 --> 01:01:17,500

the same phenomenon well but we I'm

1252

01:01:25,980 --> 01:01:20,480

suggesting that we don't know that

1253

01:01:29,800 --> 01:01:25,990

because if there if there is an enormous

1254

01:01:33,190 --> 01:01:29,810

upside to consciousness technology and

1255

01:01:35,590 --> 01:01:33,200

maybe upside isn't the right word but

1256

01:01:38,890 --> 01:01:35,600

maybe if there's an enormous potential

1257

01:01:40,960 --> 01:01:38,900

to consciousness technology that a lot

1258

01:01:44,080 --> 01:01:40,970

of the people in the AI kind of thing

1259

01:01:47,200 --> 01:01:44,090

that I have kind of been less favorable

1260

01:01:50,560 --> 01:01:47,210

of but if if there's a whole lot of

1261

01:01:54,100 --> 01:01:50,570

stuff we can do in that realm and if

1262

01:01:57,610 --> 01:01:54,110

when I say stuff so it appears that et

1263

01:02:00,220 --> 01:01:57,620

is able to one manipulate our

1264

01:02:02,770 --> 01:02:00,230

consciousness almost it will speak

1265

01:02:06,550 --> 01:02:02,780

telepathically erase our memories plant

1266

01:02:09,250 --> 01:02:06,560

memories cause us to do things cause us

1267

01:02:13,180 --> 01:02:09,260

to see things if all that's on the table

1268

01:02:16,540 --> 01:02:13,190

then and they've and they've created a

1269

01:02:19,540 --> 01:02:16,550

technology to do that now we're kind of

1270

01:02:22,570 --> 01:02:19,550

getting into the realm of starting to

1271

01:02:26,200 --> 01:02:22,580

wonder where these lines become blurred

1272

01:02:30,070 --> 01:02:26,210

similarly if ET is in that space of the

1273

01:02:34,080 --> 01:02:30,080

death right so if the ET starts creeping

1274

01:02:37,540 --> 01:02:34,090

into the end EE starts creeping into the

1275

01:02:41,320 --> 01:02:37,550

DMT experience which we all know when

1276

01:02:42,880 --> 01:02:41,330

Rick Strassman at New Mexico University

1277

01:02:45,160 --> 01:02:42,890

of New Mexico the first guy who was

1278

01:02:47,650 --> 01:02:45,170

authorized by the FDA to do psychedelic

1279

01:02:50,440 --> 01:02:47,660

testing and he gives people DMT

1280

01:02:51,730 --> 01:02:50,450

and they go there and there's et can I

1281

01:02:55,390 --> 01:02:51,740

ask you a question

1282

01:02:59,020 --> 01:02:55,400

welcome we do hate before you them yeah

1283

01:03:00,730 --> 01:02:59,030

do you have psychedelic experience do I

1284

01:03:02,829 --> 01:03:00,740

have one yep

1285

01:03:06,180 --> 01:03:02,839

well not one that I'm willing to share

1286

01:03:09,099 --> 01:03:06,190

or talk about and not one like that so

1287

01:03:10,390 --> 01:03:09,109

though I mean butabi Oh have you taken

1288

01:03:13,960 --> 01:03:10,400

you don't have to share but have you

1289

01:03:16,329 --> 01:03:13,970

taken like say LSD of magic mushroom or

1290

01:03:18,700 --> 01:03:16,339

DMT or anything like that I feel

1291

01:03:21,309 --> 01:03:18,710

comfortable with well I got I have four

1292

01:03:24,700 --> 01:03:21,319

kids some of them still in high school

1293

01:03:27,099 --> 01:03:24,710

so I mean had I'm not comfortable really

1294

01:03:30,789 --> 01:03:27,109

talking about all that I it but it's not

1295

01:03:33,130 --> 01:03:30,799

drugs you know it's not drugs you know

1296

01:03:37,150 --> 01:03:33,140

the the you know who said it who said it

1297

01:03:39,329 --> 01:03:37,160

best I think is a Strassmann he said you

1298

01:03:43,329 --> 01:03:39,339

know when people ask me that question I

1299

01:03:46,980 --> 01:03:43,339

realized that either way I answer it I'm

1300

01:03:50,079 --> 01:03:46,990

going to be pigeonholed and

1301

01:03:52,690 --> 01:03:50,089

misunderstood if I say oh he's no answer

1302

01:03:54,640 --> 01:03:52,700

that's a non stitute okay well but but

1303

01:03:56,650 --> 01:03:54,650

his point I thought was beautiful he

1304

01:03:58,690 --> 01:03:56,660

says look if I say I've never had that

1305

01:04:00,730 --> 01:03:58,700

experience then people point at me and

1306

01:04:04,180 --> 01:04:00,740

say oh well you've never had the

1307

01:04:06,130 --> 01:04:04,190

experience if I say I have I had the

1308

01:04:08,289 --> 01:04:06,140

experience then they say well you're

1309

01:04:11,079 --> 01:04:08,299

just going off of your experience yes

1310

01:04:13,630 --> 01:04:11,089

you're you're not an objective scientist

1311

01:04:17,710 --> 01:04:13,640

who's looked at the data you're you're

1312

01:04:19,539 --> 01:04:17,720

clouded by your experience no but uh you

1313

01:04:25,180 --> 01:04:19,549

know this goes to the heart of science a

1314

01:04:28,299 --> 01:04:25,190

scientist to be objective you yeah you

1315

01:04:31,000 --> 01:04:28,309

need to look at the data but a scientist

1316

01:04:35,859 --> 01:04:31,010

should also explore that's an aspect of

1317

01:04:39,789 --> 01:04:35,869

it the empirical side of science is

1318

01:04:41,950 --> 01:04:39,799

important so I believe any scientist

1319

01:04:44,849 --> 01:04:41,960

research in consciousness should not

1320

01:04:47,230 --> 01:04:44,859

just put their subjects through

1321

01:04:51,430 --> 01:04:47,240

consciousness altering experience they

1322

01:04:56,500 --> 01:04:51,440

should experience themselves and there's

1323

01:04:58,839 --> 01:04:56,510

this incredibly stupid mean among some

1324

01:05:01,510 --> 01:04:58,849

people that know if you do that you're

1325

01:05:07,400 --> 01:05:05,300

not being objective but no that's us

1326

01:05:09,290 --> 01:05:07,410

objective as you can get because then

1327

01:05:10,880 --> 01:05:09,300

you have the same experience as all the

1328

01:05:15,620 --> 01:05:10,890

others well not the same experience but

1329

01:05:19,430 --> 01:05:15,630

you have the same conditions as all the

1330

01:05:21,650 --> 01:05:19,440

others and of course if you experience

1331

01:05:24,260 --> 01:05:21,660

blows you away if you're a good

1332

01:05:27,380 --> 01:05:24,270

scientist you're still gonna be able to

1333

01:05:30,200 --> 01:05:27,390

relate to - that - because that's what

1334

01:05:32,570 --> 01:05:30,210

happened with people you can't have like

1335

01:05:36,980 --> 01:05:32,580

the whole world waking up and then the

1336

01:05:39,920 --> 01:05:36,990

scientist is like the one guy who's

1337

01:05:41,210 --> 01:05:39,930

remained behind in an old paradigm we

1338

01:05:43,280 --> 01:05:41,220

have to get them on board because

1339

01:05:45,050 --> 01:05:43,290

they're supposed to find answers that's

1340

01:05:47,810 --> 01:05:45,060

what they're supposed to do all these

1341

01:05:50,450 --> 01:05:47,820

other things are just in order to secure

1342

01:05:52,040 --> 01:05:50,460

the quality of the information so if

1343

01:05:53,930 --> 01:05:52,050

that becomes so important that they

1344

01:05:56,210 --> 01:05:53,940

can't even engage with the information

1345

01:05:59,000 --> 01:05:56,220

then what I'll be talking about not

1346

01:06:03,380 --> 01:05:59,010

truth not fact finding you see what I

1347

01:06:06,230 --> 01:06:03,390

mean I do but I think that view if taken

1348

01:06:10,100 --> 01:06:06,240

to extreme always presupposes a lot of

1349

01:06:13,070 --> 01:06:10,110

things about what waking up means what

1350

01:06:15,350 --> 01:06:13,080

enlightenment means yeah but let's say

1351  
01:06:17,930 --> 01:06:15,360  
something happened everybody drunk

1352  
01:06:19,670 --> 01:06:17,940  
there's an old Sufi story everybody

1353  
01:06:22,070 --> 01:06:19,680  
drinks silver water and everybody

1354  
01:06:24,310 --> 01:06:22,080  
forgets but let's say everybody drinks

1355  
01:06:26,870 --> 01:06:24,320  
the water and everybody wakes up

1356  
01:06:31,370 --> 01:06:26,880  
something happens I don't know we see a

1357  
01:06:33,290 --> 01:06:31,380  
new caller or something okay now do you

1358  
01:06:36,020 --> 01:06:33,300  
expect the scientist not to drink of the

1359  
01:06:38,330 --> 01:06:36,030  
water so they can't see the caller they

1360  
01:06:39,860 --> 01:06:38,340  
will they be I do a better job finding

1361  
01:06:40,310 --> 01:06:39,870  
out what's going on if they don't do

1362  
01:06:43,880 --> 01:06:40,320  
that

1363  
01:06:46,580 --> 01:06:43,890

I don't think so real scientist if you

1364

01:06:48,800 --> 01:06:46,590

look at how science emerged it was

1365

01:06:51,550 --> 01:06:48,810

spiritual people it was esoteric people

1366

01:06:54,650 --> 01:06:51,560

it was people who did go there and

1367

01:06:57,470 --> 01:06:54,660

that's why they knew that these things

1368

01:07:01,850 --> 01:06:57,480

have to be explored because they had

1369

01:07:03,530 --> 01:07:01,860

their own experience with it it doesn't

1370

01:07:05,750 --> 01:07:03,540

matter if it we go back to the time of

1371

01:07:09,359 --> 01:07:05,760

Pythagoras or if we go back to the time

1372

01:07:14,590 --> 01:07:09,369

of Francis Bacon or Kepler and

1373

01:07:17,650 --> 01:07:14,600

Galileo or even you at times scientists

1374

01:07:19,900 --> 01:07:17,660

should engage with whatever field

1375

01:07:23,800 --> 01:07:19,910

they're studying and I should try every

1376

01:07:28,060 --> 01:07:23,810

mean to uncover and they're not gonna do

1377

01:07:29,710 --> 01:07:28,070

it on expense on the expense of basic

1378

01:07:32,410 --> 01:07:29,720

scientific principles they're gonna do

1379

01:07:34,810 --> 01:07:32,420

it in addition so if there was a way for

1380

01:07:37,090 --> 01:07:34,820

our scientists to explore consciousness

1381

01:07:39,070 --> 01:07:37,100

from within he should do it but of

1382

01:07:42,630 --> 01:07:39,080

course as soon as you do that you're

1383

01:07:45,430 --> 01:07:42,640

really into spiritual sciences as

1384

01:07:48,040 --> 01:07:45,440

Steiner termed it like a mistake a

1385

01:07:51,520 --> 01:07:48,050

mistake is someone who scientifically

1386

01:07:54,010 --> 01:07:51,530

explores from within the consciousness

1387

01:07:56,290 --> 01:07:54,020

unlike the religion where you're not

1388

01:07:58,960 --> 01:07:56,300

supposed to experience or explore you're

1389

01:08:04,320 --> 01:07:58,970

just going to be told by these middleman

1390

01:08:06,340 --> 01:08:04,330

what's going on so so but when we have

1391

01:08:11,700 --> 01:08:06,350

phenomenon like consciousness which

1392

01:08:15,640 --> 01:08:11,710

isn't how you say it screws and nuts and

1393

01:08:17,349 --> 01:08:15,650

bolts it's is you have so what tool do

1394

01:08:19,930 --> 01:08:17,359

we have we have consciousness that's a

1395

01:08:22,480 --> 01:08:19,940

tool we can use that tool so I think

1396

01:08:27,660 --> 01:08:22,490

it's basic any scientists who are

1397

01:08:30,370 --> 01:08:27,670

supposed to explore let's say

1398

01:08:34,150 --> 01:08:30,380

psychedelics should experience

1399

01:08:36,010 --> 01:08:34,160

he shouldn't be influenced while you

1400

01:08:38,309 --> 01:08:36,020

know doing some research with someone

1401  
01:08:41,410 --> 01:08:38,319  
else but he should have that experience

1402  
01:08:43,780 --> 01:08:41,420  
will make it easier for him to or so her

1403  
01:08:45,220 --> 01:08:43,790  
to relate to the subject anyway I'm

1404  
01:08:47,200 --> 01:08:45,230  
talking myself away from where you

1405  
01:08:50,920 --> 01:08:47,210  
wanted to go it was live and on tumblr

1406  
01:08:52,690 --> 01:08:50,930  
long we'll get back there because it's a

1407  
01:08:53,920 --> 01:08:52,700  
really interesting point that you're

1408  
01:08:55,599 --> 01:08:53,930  
bringing up and I haven't heard a lot of

1409  
01:08:58,150 --> 01:08:55,609  
people talk about it and I think we're

1410  
01:09:00,430 --> 01:08:58,160  
in a great position to chat about it you

1411  
01:09:03,849 --> 01:09:00,440  
know I just interviewed a guy for the

1412  
01:09:06,999 --> 01:09:03,859  
second time and I love this guy his name

1413  
01:09:08,800 --> 01:09:07,009

is dr. Donald de gracia and he teaches

1414

01:09:11,530 --> 01:09:08,810

at Wayne State University School of

1415

01:09:13,420 --> 01:09:11,540

Medicine he's just a top-notch scientist

1416

01:09:16,300 --> 01:09:13,430

he's got all these nationalists to to

1417

01:09:20,410 --> 01:09:16,310

Health grants he's studying stroke

1418

01:09:22,480 --> 01:09:20,420

victims and nonlinear cell dynamics in a

1419

01:09:24,700 --> 01:09:22,490

way that's just completely revolution

1420

01:09:29,350 --> 01:09:24,710

uniting the field but that's not my I

1421

01:09:31,600 --> 01:09:29,360

talk to him I talk to him because he had

1422

01:09:34,090 --> 01:09:31,610

an out-of-body experience as a teenager

1423

01:09:37,420 --> 01:09:34,100

that led him to have a psychedelic

1424

01:09:39,670 --> 01:09:37,430

breakthrough that let it go to that auto

1425

01:09:42,180 --> 01:09:39,680

shop you've interviewed who had a

1426

01:09:46,270 --> 01:09:42,190

near-death experience and it was so

1427

01:09:48,820 --> 01:09:46,280

attacked from that brain surgeons or

1428

01:09:49,870 --> 01:09:48,830

something right right that's a banal

1429

01:09:53,230 --> 01:09:49,880

examiner yeah

1430

01:09:55,660 --> 01:09:53,240

and came then so all these all these so

1431

01:10:00,400 --> 01:09:55,670

but that maybe gets to my point you know

1432

01:10:02,980 --> 01:10:00,410

so so Don de gracia it eventually he

1433

01:10:04,270 --> 01:10:02,990

winds up doing a deep dive into yoga in

1434

01:10:07,660 --> 01:10:04,280

yoga philosophy and he's written these

1435

01:10:09,940 --> 01:10:07,670

books that are phenomenal on yoga

1436

01:10:12,550 --> 01:10:09,950

philosophy yoga understanding of

1437

01:10:15,160 --> 01:10:12,560

consciousness and I love because he does

1438

01:10:17,980 --> 01:10:15,170

these presentations to all these really

1439

01:10:20,620 --> 01:10:17,990

really smart people like at the Society

1440

01:10:22,600 --> 01:10:20,630

for scientific exploration and he's

1441

01:10:24,070 --> 01:10:22,610

really a cool nice guy and then at the

1442

01:10:25,780 --> 01:10:24,080

end they ask him questions and he just

1443

01:10:28,510 --> 01:10:25,790

slashes him down because he just knows

1444

01:10:33,010 --> 01:10:28,520

he's just really brilliant but my point

1445

01:10:36,370 --> 01:10:33,020

is what are you gonna do with Don are

1446

01:10:41,980 --> 01:10:36,380

you gonna Don has an out-of-body

1447

01:10:45,180 --> 01:10:41,990

experience he also has an experience

1448

01:10:48,610 --> 01:10:45,190

with psychedelics he also has yogic

1449

01:10:50,550 --> 01:10:48,620

experiences with meditation all of which

1450

01:10:53,410 --> 01:10:50,560

are pointing in and lucid dreaming

1451

01:10:56,020 --> 01:10:53,420

experiences so there's all these

1452

01:10:58,990 --> 01:10:56,030

different experiences so I think as soon

1453

01:11:02,320 --> 01:10:59,000

as we start putting down these ideas

1454

01:11:06,700 --> 01:11:02,330

that well you know that person has to

1455

01:11:09,730 --> 01:11:06,710

have the certain merit badge of doing 7

1456

01:11:13,540 --> 01:11:09,740

grams in a dark room you know before we

1457

01:11:16,090 --> 01:11:13,550

can trust him [h\_\_h] that's where we

1458

01:11:19,480 --> 01:11:16,100

have to lean back on the scientific

1459

01:11:23,100 --> 01:11:19,490

method because we've so gotten away from

1460

01:11:26,500 --> 01:11:23,110

it in terms of really evaluating what is

1461

01:11:29,620 --> 01:11:26,510

good science and and as limited as it is

1462

01:11:31,780 --> 01:11:29,630

understanding that it's limited in in a

1463

01:11:34,150 --> 01:11:31,790

fundamental way and that we can't really

1464

01:11:35,470 --> 01:11:34,160

measure the outside world but as long as

1465

01:11:37,810 --> 01:11:35,480

we're going to play the game that we

1466

01:11:41,050 --> 01:11:37,820

can let's do it in the best way possible

1467

01:11:44,470 --> 01:11:41,060

and in that way I think we have to be

1468

01:11:47,050 --> 01:11:44,480

really careful about laying down some

1469

01:11:50,380 --> 01:11:47,060

meta rules about the players of that

1470

01:11:52,840 --> 01:11:50,390

game and what merit badges they have to

1471

01:11:55,600 --> 01:11:52,850

say they have to have before they enter

1472

01:11:57,820 --> 01:11:55,610

the field I don't give a [h\_\_h] how many

1473

01:12:00,430 --> 01:11:57,830

grams you've done in a dark room

1474

01:12:02,770 --> 01:12:00,440

show me the research so me show me some

1475

01:12:06,070 --> 01:12:02,780

good research in you know I'll read it

1476

01:12:08,560 --> 01:12:06,080

and make up my own mind and then when I

1477

01:12:10,750 --> 01:12:08,570

want to go in the dark room I'll go in

1478

01:12:14,170 --> 01:12:10,760

the dark room and if your research

1479

01:12:17,500 --> 01:12:14,180

benefits me before during or after great

1480

01:12:21,370 --> 01:12:17,510

but my experience is my experience okay

1481

01:12:24,790 --> 01:12:21,380

well you know science let's take a thing

1482

01:12:26,530 --> 01:12:24,800

look out the body experience I'm gonna

1483

01:12:31,120 --> 01:12:26,540

do something I usually don't do in my

1484

01:12:33,100 --> 01:12:31,130

show they're gonna be personal okay yeah

1485

01:12:36,100 --> 01:12:33,110

that's only yeah I'm but he goes to

1486

01:12:39,850 --> 01:12:36,110

illustrate the point I had one once

1487

01:12:44,830 --> 01:12:39,860

where I had the Wits to explore

1488

01:12:48,460 --> 01:12:44,840

scientifically because it happened and I

1489

01:12:51,700 --> 01:12:48,470

was laying it was the studio you know

1490

01:12:56,670 --> 01:12:51,710

slow horrible place anyway and I was

1491

01:13:02,350 --> 01:12:56,680

laying in a bed and I realized my body

1492

01:13:10,840 --> 01:13:02,360

so I was going out in and I was always

1493

01:13:13,170 --> 01:13:10,850

like so I was supposed to rest a little

1494

01:13:23,500 --> 01:13:13,180

before a course I was supposed to have

1495

01:13:30,220 --> 01:13:23,510

and I was pulled yanked jerked afternoon

1496

01:13:35,680 --> 01:13:30,230

afternoon and so it was like it was like

1497

01:13:41,380 --> 01:13:35,690

my legs wasn't there operan out of the

1498

01:13:44,610 --> 01:13:41,390

belly and down next to the bed so like

1499

01:13:47,770 --> 01:13:44,620

luckily Aladdin lamp a spirit you know

1500

01:13:49,989 --> 01:13:47,780

yeah it doesn't have legs he just kinda

1501

01:13:53,649 --> 01:13:49,999

that's how it felt

1502

01:13:56,910 --> 01:13:53,659

so and then I realized wow I had to and

1503

01:14:00,129 --> 01:13:56,920

it was in a dark room I have to explore

1504

01:14:02,649 --> 01:14:00,139

this now while I have the opportunity

1505

01:14:06,549 --> 01:14:02,659

and there was a mirror on the wall next

1506

01:14:09,430 --> 01:14:06,559

to me I was thinking this is an

1507

01:14:12,969 --> 01:14:09,440

excellent opportunity what happens if I

1508

01:14:16,600 --> 01:14:12,979

look into that mirror right because what

1509

01:14:19,870 --> 01:14:16,610

was it is this a real thing so I did I

1510

01:14:28,509 --> 01:14:19,880

did look into the mirror and you know

1511

01:14:34,890 --> 01:14:28,519

what I saw I saw a negative of myself no

1512

01:14:37,750 --> 01:14:34,900

way way and I was so shocked at Rama I

1513

01:14:39,520 --> 01:14:37,760

was I didn't prepare for that at all and

1514

01:14:43,810 --> 01:14:39,530

especially when it's a negative you know

1515

01:14:46,750 --> 01:14:43,820

you look pretty spooky right so my eyes

1516

01:14:49,419 --> 01:14:46,760

even scared myself so I was so scared

1517

01:14:54,580 --> 01:14:49,429

that I'm from that that I ended up in

1518

01:14:58,089 --> 01:14:54,590

the body again like thrown back now

1519

01:15:00,100 --> 01:14:58,099

I couldn't discover I'm not saying this

1520

01:15:02,049 --> 01:15:00,110

is an objective experience maybe other

1521

01:15:04,120 --> 01:15:02,059

people will experience something else

1522

01:15:07,660 --> 01:15:04,130

but this is an example of what you can

1523

01:15:09,729 --> 01:15:07,670

do if you're scientific minded if you go

1524

01:15:13,000 --> 01:15:09,739

into the experience you couldn't have

1525

01:15:14,580 --> 01:15:13,010

done this from reading a lot of meta

1526

01:15:18,009 --> 01:15:14,590

studies if you see what I mean so

1527

01:15:20,919 --> 01:15:18,019

science is not just collecting studies

1528

01:15:22,689 --> 01:15:20,929

and comparing patterns overall because

1529

01:15:25,839 --> 01:15:22,699

there can be many things that can

1530

01:15:27,910 --> 01:15:25,849

influence real things that can influence

1531

01:15:30,040 --> 01:15:27,920

that we don't know we don't understand

1532

01:15:32,439 --> 01:15:30,050

the context that can be like a unique

1533

01:15:35,259 --> 01:15:32,449

experience that can be an objective and

1534

01:15:38,859 --> 01:15:35,269

scientific valid one but it won't be

1535

01:15:42,339 --> 01:15:38,869

reported in the meta studies right for

1536

01:15:45,279 --> 01:15:42,349

instance science is about both that

1537

01:15:46,899 --> 01:15:45,289

laboratory distance the touch thing but

1538

01:15:49,959 --> 01:15:46,909

it's also an explorer thing the

1539

01:15:53,589 --> 01:15:49,969

detective thing investigation thing both

1540

01:15:56,000 --> 01:15:53,599

of them will uncover facts that would

1541

01:15:59,750 --> 01:15:56,010

help us understand a phenomenon but

1542

01:16:03,110 --> 01:15:59,760

so I'm still saying that a scientist

1543

01:16:05,330 --> 01:16:03,120

should dare go there especially if he's

1544

01:16:09,229 --> 01:16:05,340

gonna be a pioneer and do new

1545

01:16:10,970 --> 01:16:09,239

discoveries and especially if he's

1546

01:16:18,020 --> 01:16:10,980

dealing with stuff that's not just you

1547

01:16:19,430 --> 01:16:18,030

know dense particles awesome hey I'm so

1548

01:16:23,479 --> 01:16:19,440

glad you got that in it's an awesome

1549

01:16:25,580 --> 01:16:23,489

story so let's return to this yeah

1550

01:16:28,520 --> 01:16:25,590

really really excellent three-part

1551

01:16:30,620 --> 01:16:28,530

interview you did with Peter Levin on

1552

01:16:34,390 --> 01:16:30,630

disclosure and we've kind of nibbled

1553

01:16:36,979 --> 01:16:34,400

around at the edges of this UFO UT

1554

01:16:39,560 --> 01:16:36,989

consciousness question and I think some

1555

01:16:42,380 --> 01:16:39,570

important ways but maybe you want to

1556

01:16:45,640 --> 01:16:42,390

tell people a little bit just background

1557

01:16:51,650 --> 01:16:45,650

information on who Peter Levin day is

1558

01:16:54,410 --> 01:16:51,660

the sinister forces guy very extremely

1559

01:16:57,260 --> 01:16:54,420

intelligent brilliant guy but but tell

1560

01:17:00,610 --> 01:16:57,270

us you know tell us who he is and why

1561

01:17:02,479 --> 01:17:00,620

you felt like you wanted to do this show

1562

01:17:04,340 --> 01:17:02,489

movor already told us you were kind of

1563

01:17:05,900 --> 01:17:04,350

dragged into the show a little bit but

1564

01:17:08,600 --> 01:17:05,910

yeah it was pretty urgent when it

1565

01:17:12,080 --> 01:17:08,610

happened and I knew I had access to one

1566

01:17:16,820 --> 01:17:12,090

of the people with their hands into the

1567

01:17:19,550 --> 01:17:16,830

pie so I wanted to milk that first I

1568

01:17:22,910 --> 01:17:19,560

felt it was my obligation to cover this

1569

01:17:24,650 --> 01:17:22,920

because it was so close to stuff that we

1570

01:17:27,920 --> 01:17:24,660

do cover like that classified space

1571

01:17:31,220 --> 01:17:27,930

program and we already had like lavender

1572

01:17:35,330 --> 01:17:31,230

lined up for many shows and when this

1573

01:17:38,030 --> 01:17:35,340

thing he broke it well he told us in an

1574

01:17:39,800 --> 01:17:38,040

all interview with him when it happened

1575

01:17:43,550 --> 01:17:39,810

even he said I've been contacted I can't

1576

01:17:45,560 --> 01:17:43,560

say but who we have that Donaire and big

1577

01:17:47,960 --> 01:17:45,570

project blah blah blah blah blah so

1578

01:17:49,550 --> 01:17:47,970

I've been there before it happened I

1579

01:17:52,400 --> 01:17:49,560

talked with the levander before he was

1580

01:17:54,800 --> 01:17:52,410

in touch with these people I talked with

1581

01:17:57,320 --> 01:17:54,810

him when it happened and I'll talk with

1582

01:17:59,630 --> 01:17:57,330

him as soon as the stuff got out and I

1583

01:18:01,310 --> 01:17:59,640

wanted to be among the first because

1584

01:18:04,220 --> 01:18:01,320

there was so much speculation there was

1585

01:18:06,290 --> 01:18:04,230

so little and here I'm usually you know

1586

01:18:08,630 --> 01:18:06,300

I think I told you this too we're

1587

01:18:11,420 --> 01:18:08,640

usually the lost with

1588

01:18:13,610 --> 01:18:11,430

never breaking news we we swipe up what

1589

01:18:15,200 --> 01:18:13,620

all the people are from God we go in

1590

01:18:17,270 --> 01:18:15,210

depth and we see if we can squeeze out

1591

01:18:20,240 --> 01:18:17,280

some more right that's why usually what

1592

01:18:22,370 --> 01:18:20,250

happens but here I had a opportunity to

1593

01:18:23,930 --> 01:18:22,380

do more like for instance dog journalist

1594

01:18:26,210 --> 01:18:23,940

who's always in the front of what's

1595

01:18:29,240 --> 01:18:26,220

happening so I thought okay let's do it

1596

01:18:31,520 --> 01:18:29,250

it's it's interesting it's related and

1597

01:18:32,960 --> 01:18:31,530

it's breaking news and I thought it

1598

01:18:35,360 --> 01:18:32,970

would be like the Antarctica show it

1599

01:18:37,880 --> 01:18:35,370

didn't actually probably because I

1600

01:18:41,540 --> 01:18:37,890

didn't debunk it I just tried to find

1601

01:18:45,230 --> 01:18:41,550

out was true but who is LaVonda LaVonda

1602

01:18:48,980 --> 01:18:45,240

is very very rare thing today

1603

01:18:54,190 --> 01:18:48,990

like John Pilger in political war

1604

01:19:01,730 --> 01:18:58,330

Robert Fisk you know he's an old-school

1605

01:19:05,420 --> 01:19:01,740

boots-on-the-ground journalist and they

1606

01:19:07,130 --> 01:19:05,430

or investigative writer is but the

1607

01:19:09,260 --> 01:19:07,140

author is better to say than journalists

1608

01:19:12,560 --> 01:19:09,270

and they are not very common these days

1609

01:19:15,250 --> 01:19:12,570

and it's gone so far as to people having

1610

01:19:20,390 --> 01:19:15,260

forgotten the value and why we have them

1611

01:19:26,210 --> 01:19:20,400

and he is well known for having stick

1612

01:19:30,650 --> 01:19:26,220

his head into all sorts of Pandora's

1613

01:19:34,010 --> 01:19:30,660

boxes he's been frequenting Satanists

1614

01:19:37,910 --> 01:19:34,020

he's been frequenting Nazis war

1615

01:19:41,900 --> 01:19:37,920

criminals terrorists intelligence people

1616

01:19:45,200 --> 01:19:41,910

all sorts of dark and sinister and

1617

01:19:48,830 --> 01:19:45,210

obscure that's what he wants to do he's

1618

01:19:51,460 --> 01:19:48,840

writing books about you know when he

1619

01:19:55,790 --> 01:19:51,470

wrote a book about Mormonism it's not

1620

01:20:01,880 --> 01:19:55,800

you know the trivial stuff you're gonna

1621

01:20:04,190 --> 01:20:01,890

hear all about the shadows so yeah

1622

01:20:07,940 --> 01:20:04,200

typhoon Ian magic he's written about

1623

01:20:12,470 --> 01:20:07,950

that so he is his brand more to go into

1624

01:20:14,690 --> 01:20:12,480

the weird and obscure and sinister and

1625

01:20:17,210 --> 01:20:14,700

this is used against him because it

1626

01:20:20,540 --> 01:20:17,220

started with of course Casillas views

1627

01:20:22,570 --> 01:20:20,550

like over all the human being and when

1628

01:20:25,540 --> 01:20:22,580

he goes into the north

1629

01:20:28,850 --> 01:20:25,550

obviously a lot of knots is gonna be

1630

01:20:31,660 --> 01:20:28,860

audience and they're not gonna like that

1631

01:20:34,100 --> 01:20:31,670

he takes a stand against it and he does

1632

01:20:36,320 --> 01:20:34,110

that's just what he does and then of

1633

01:20:39,020 --> 01:20:36,330

course he's a shill because he doesn't

1634

01:20:44,000 --> 01:20:39,030

expose the Jews because that's the one

1635

01:20:47,840 --> 01:20:44,010

thing you can take him on that he has he

1636

01:20:51,680 --> 01:20:47,850

has not written about Zionist crimes but

1637

01:20:55,160 --> 01:20:51,690

it's a complete short-circuit because

1638

01:20:57,440 --> 01:20:55,170

first of he's grown up in the Bronx

1639

01:21:00,050 --> 01:20:57,450

he has close friends who are Jews he's

1640

01:21:03,500 --> 01:21:00,060

not you know this isn't an issue for him

1641

01:21:07,310 --> 01:21:03,510

he you know people have beliefs and if

1642

01:21:09,020 --> 01:21:07,320

you're not an anti Zionist or your own

1643

01:21:11,030 --> 01:21:09,030

paradigm you're not a shield just

1644

01:21:13,820 --> 01:21:11,040

because you're not that these people are

1645

01:21:15,950 --> 01:21:13,830

expecting that in order for someone to

1646

01:21:19,220 --> 01:21:15,960

write something true you have to agree

1647

01:21:21,710 --> 01:21:19,230

with the reader on every single point

1648

01:21:24,020 --> 01:21:21,720

and if there's one position you take

1649

01:21:26,030 --> 01:21:24,030

that the listener or the reader doesn't

1650

01:21:28,250 --> 01:21:26,040

doesn't agree that's it you're a shell

1651

01:21:31,400 --> 01:21:28,260

and then you're [h\_\_\h]

1652

01:21:33,710 --> 01:21:31,410

excuse my French because you can never

1653

01:21:35,690 --> 01:21:33,720

please everybody never and there's

1654

01:21:39,650 --> 01:21:35,700

always gonna be a lot of crisis anyway

1655

01:21:41,480 --> 01:21:39,660

so all you can do is investigate

1656

01:21:43,730 --> 01:21:41,490

something and put it out there as

1657

01:21:46,160 --> 01:21:43,740

truthfully as possible and if you're

1658

01:21:50,000 --> 01:21:46,170

honest you're also gonna offer your own

1659

01:21:52,730 --> 01:21:50,010

two cents and he does that he takes a

1660

01:21:56,240 --> 01:21:52,740

stand he's not like I mean because real

1661

01:21:58,280 --> 01:21:56,250

journalism is not neutral its objective

1662

01:22:03,260 --> 01:21:58,290

but it's not neutral that's the problem

1663

01:22:05,690 --> 01:22:03,270

in America today you have like any TV

1664

01:22:08,000 --> 01:22:05,700

channel say well he says this thing he

1665

01:22:12,290 --> 01:22:08,010

says that thing what's the truth I don't

1666

01:22:15,350 --> 01:22:12,300

know imagine doing this on soccer you

1667

01:22:18,710 --> 01:22:15,360

know Brazil and Norway just played but

1668

01:22:20,750 --> 01:22:18,720

you uh neutral who won I don't know what

1669

01:22:22,430 --> 01:22:20,760

so you have to but you have to be

1670

01:22:25,400 --> 01:22:22,440

objective and report the facts it's

1671

01:22:28,400 --> 01:22:25,410

actually Norway is actually 3-0 over

1672

01:22:30,320 --> 01:22:28,410

Brazil and soccer so that's the fact you

1673

01:22:32,510 --> 01:22:30,330

reporter you don't have to like it and

1674

01:22:34,069 --> 01:22:32,520

you don't have to cheer for anyone even

1675

01:22:37,490 --> 01:22:34,079

if you secretly are

1676

01:22:41,629 --> 01:22:37,500

or following one but you have to be

1677

01:22:44,120 --> 01:22:41,639

objective and Peter and Joseph and many

1678

01:22:45,770 --> 01:22:44,130

of those people I want I think they are

1679

01:22:49,370 --> 01:22:45,780

objective they're trying to be objective

1680

01:22:51,950 --> 01:22:49,380

but not necessarily neutral so just

1681

01:22:53,720 --> 01:22:51,960

because someone has an an opinion that's

1682

01:22:56,479 --> 01:22:53,730

different from you you you're insane

1683

01:22:59,569 --> 01:22:56,489

okay so the if you're gonna use that

1684

01:23:01,459 --> 01:22:59,579

mistake who can you really listen to who

1685

01:23:05,270 --> 01:23:01,469

what books can you really read nothing

1686

01:23:07,370 --> 01:23:05,280

and why use it on and usually something

1687

01:23:09,229 --> 01:23:07,380

completely irrelevant from the topic in

1688

01:23:11,209 --> 01:23:09,239

this case in the Tom DeLonge thing it's

1689

01:23:13,430 --> 01:23:11,219

not because it's not the scientist

1690

01:23:17,720 --> 01:23:13,440

something is being criticized there by

1691

01:23:21,049 --> 01:23:17,730

Nazis there is criticism for being maybe

1692

01:23:24,589 --> 01:23:21,059

either either being used some stupid

1693

01:23:26,030 --> 01:23:24,599

naive child who doesn't understand that

1694

01:23:32,600 --> 01:23:26,040

that can happen

1695

01:23:34,760 --> 01:23:32,610

or he's even in on it hold on let me let

1696

01:23:37,580 --> 01:23:34,770

me interject here because I love the

1697

01:23:39,589 --> 01:23:37,590

first point that you made I think that

1698

01:23:40,970 --> 01:23:39,599

this gets back to the first topic I want

1699

01:23:43,430 --> 01:23:40,980

to talk about in terms of truth seeking

1700

01:23:45,830 --> 01:23:43,440

and you just laid a an absolute

1701  
01:23:47,689 --> 01:23:45,840  
essential component on the table that we

1702  
01:23:51,080 --> 01:23:47,699  
need to talk about is that if you've

1703  
01:23:54,859 --> 01:23:51,090  
constructed your truth seeking

1704  
01:23:56,990 --> 01:23:54,869  
methodology methodology such that you

1705  
01:23:59,569 --> 01:23:57,000  
have all these trigger issues that if

1706  
01:24:01,430 --> 01:23:59,579  
anyone touches them then the bomb goes

1707  
01:24:03,470 --> 01:24:01,440  
off and they're on the out and now

1708  
01:24:05,209 --> 01:24:03,480  
you're on the in if that's the way

1709  
01:24:07,910 --> 01:24:05,219  
you're operating you're right you have

1710  
01:24:09,680 --> 01:24:07,920  
no way of sorting through these issues

1711  
01:24:13,629 --> 01:24:09,690  
because they're all going to be layered

1712  
01:24:16,760 --> 01:24:13,639  
with complexity in conspiracy and

1713  
01:24:19,879 --> 01:24:16,770

misinformation disinformation and lack

1714

01:24:23,629 --> 01:24:19,889

of information is the biggest one so I'm

1715

01:24:26,990 --> 01:24:23,639

totally with you on that but I would say

1716

01:24:28,939 --> 01:24:27,000

that like you and I need to raise

1717

01:24:31,100 --> 01:24:28,949

ourselves to a higher standard to a

1718

01:24:33,169 --> 01:24:31,110

higher level I know you do because

1719

01:24:36,819 --> 01:24:33,179

you're engaging this dialogue and I'm

1720

01:24:40,850 --> 01:24:36,829

saying hey to me lavinda seems like a

1721

01:24:42,680 --> 01:24:40,860

political operator all the way and I'm

1722

01:24:45,200 --> 01:24:42,690

gonna point out the reasons that I think

1723

01:24:47,209 --> 01:24:45,210

he is that doesn't mean that he doesn't

1724

01:24:47,780 --> 01:24:47,219

that he's not a good guy

1725

01:24:53,180 --> 01:24:47,790

that

1726

01:24:55,640 --> 01:24:53,190

in a lot of other things it just means

1727

01:24:57,410 --> 01:24:55,650

that and that's the other thing the most

1728

01:25:01,850 --> 01:24:57,420

important thing is he honest about his

1729

01:25:03,740 --> 01:25:01,860

work and is he honest all the time

1730

01:25:06,380 --> 01:25:03,750

that's the other thing I think people

1731

01:25:09,080 --> 01:25:06,390

aren't willing to accept you know if

1732

01:25:10,280 --> 01:25:09,090

you're out there in the real world if

1733

01:25:11,870 --> 01:25:10,290

you're out there in the world of

1734

01:25:14,810 --> 01:25:11,880

business if you're out there in the

1735

01:25:19,250 --> 01:25:14,820

world of power trying to make things

1736

01:25:21,830 --> 01:25:19,260

happen you realize there's some corners

1737

01:25:25,970 --> 01:25:21,840

that need to be cut and you can't tell

1738

01:25:28,370 --> 01:25:25,980

everyone all the truth all the time the

1739

01:25:30,530 --> 01:25:28,380

world just doesn't work that way so

1740

01:25:34,280 --> 01:25:30,540

that's yeah but that's about if you have

1741

01:25:35,990 --> 01:25:34,290

deals or discretion like you you must

1742

01:25:38,030 --> 01:25:36,000

protect your sources for example it's

1743

01:25:41,270 --> 01:25:38,040

true he doesn't say everything I know

1744

01:25:43,730 --> 01:25:41,280

that for a fact I play this clip I play

1745

01:25:46,880 --> 01:25:43,740

this clip and it'll jump jump start us

1746

01:25:52,460 --> 01:25:46,890

right into the conversation that I want

1747

01:25:54,650 --> 01:25:52,470

to have finally realized Tom was Tom and

1748

01:25:56,480 --> 01:25:54,660

Tom said listen we have to get to the

1749

01:25:59,750 --> 01:25:56,490

bottom of this we have to do what we can

1750

01:26:01,850 --> 01:25:59,760

to once and for all make some progress

1751

01:26:02,930 --> 01:26:01,860

on this UFO thing because everybody's

1752

01:26:04,820 --> 01:26:02,940

going around in circles

1753

01:26:06,950 --> 01:26:04,830

you know everybody is just repeating

1754

01:26:09,470 --> 01:26:06,960

everybody else there are no good sources

1755

01:26:11,840 --> 01:26:09,480

except Project Blue Book or a handful of

1756

01:26:13,610 --> 01:26:11,850

government documents past that there's

1757

01:26:15,080 --> 01:26:13,620

nothing and all we're doing is running

1758

01:26:16,310 --> 01:26:15,090

around in circles each side is blaming

1759

01:26:17,960 --> 01:26:16,320

the other side for being a

1760

01:26:20,180 --> 01:26:17,970

disinformation agents know the rest of

1761

01:26:22,610 --> 01:26:20,190

it and it just it's just it's it's a

1762

01:26:25,070 --> 01:26:22,620

mess how do we solve this and the only

1763

01:26:27,380 --> 01:26:25,080

way to solve it is to scrap everything

1764

01:26:30,010 --> 01:26:27,390

we think we know start from a fresh page

1765

01:26:32,690 --> 01:26:30,020

and say okay there's a UFO phenomenon

1766

01:26:34,930 --> 01:26:32,700

what can people tell us about it people

1767

01:26:38,810 --> 01:26:34,940

in positions that people who would know

1768

01:26:40,940 --> 01:26:38,820

so our approach was to go to people in

1769

01:26:42,860 --> 01:26:40,950

the government people in the military

1770

01:26:44,560 --> 01:26:42,870

people the intelligence agencies start

1771

01:26:48,260 --> 01:26:44,570

from there just to see what shakes loose

1772

01:26:50,330 --> 01:26:48,270

I'm gonna stop it right there I love

1773

01:26:55,370 --> 01:26:50,340

your notes I have to laugh I'm seeing

1774

01:26:57,950 --> 01:26:55,380

your notes there oh god I mean for

1775

01:27:00,710 --> 01:26:57,960

people who are deep into this I just ask

1776

01:27:01,409 --> 01:27:00,720

you to take a step back and do a reality

1777

01:27:03,540 --> 01:27:01,419

check

1778

01:27:06,029 --> 01:27:03,550

forget everything you know about Peter

1779

01:27:08,459 --> 01:27:06,039

Levin de how much we love him how much

1780

01:27:11,580 --> 01:27:08,469

we respect him how much he seems to have

1781

01:27:14,810 --> 01:27:11,590

some deep state connections all along

1782

01:27:18,709 --> 01:27:14,820

given what he knows does that make sense

1783

01:27:22,020 --> 01:27:18,719

let's go to the people who have lied

1784

01:27:24,959 --> 01:27:22,030

distorted killed people threatened to

1785

01:27:27,870 --> 01:27:24,969

kill people let's go to the let's go to

1786

01:27:30,209 --> 01:27:27,880

them our first stop does let's go to the

1787

01:27:33,120 --> 01:27:30,219

intelligence agencies so they'll tell us

1788

01:27:35,790 --> 01:27:33,130

the truth this time no no no it's unfair

1789

01:27:36,449 --> 01:27:35,800

and I'm gonna explain why of course this

1790

01:27:49,469 --> 01:27:36,459

happened

1791

01:27:51,509 --> 01:27:49,479

nobody was everybody was hallelujah in

1792

01:27:55,199 --> 01:27:51,519

that and I was impressed by that - when

1793

01:27:57,029 --> 01:27:55,209

Greer had these people up there and it

1794

01:28:01,049 --> 01:27:57,039

happened with the citizens disclosure

1795

01:28:06,839 --> 01:28:01,059

it's happened where the was one more

1796

01:28:11,100 --> 01:28:06,849

project slips me now but you've had like

1797

01:28:13,049 --> 01:28:11,110

three big before this three big in

1798

01:28:17,040 --> 01:28:13,059

disclosure attempts in service coming

1799

01:28:18,899 --> 01:28:17,050

out he the long and company did exactly

1800

01:28:20,969 --> 01:28:18,909

what people have done before what

1801  
01:28:23,189 --> 01:28:20,979  
they've been screaming and demanding

1802  
01:28:25,589 --> 01:28:23,199  
I've never been screaming about this

1803  
01:28:28,560 --> 01:28:25,599  
precisely because you are in the

1804  
01:28:31,350 --> 01:28:28,570  
predicament that can you trust you know

1805  
01:28:34,229 --> 01:28:31,360  
why do you demand the people you claim

1806  
01:28:36,899 --> 01:28:34,239  
lying to come clean about it because if

1807  
01:28:38,939 --> 01:28:36,909  
they do come clean about it and it's

1808  
01:28:41,489 --> 01:28:38,949  
true you're not gonna believe them and

1809  
01:28:43,469 --> 01:28:41,499  
if they do come clean about it and it's

1810  
01:28:45,509 --> 01:28:43,479  
not true you know you're not gonna

1811  
01:28:48,139 --> 01:28:45,519  
believe them either way so you're kind

1812  
01:28:51,540 --> 01:28:48,149  
of it doesn't work whistleblowers

1813  
01:28:53,729 --> 01:28:51,550

insiders joseph earl makes a point of

1814

01:28:56,149 --> 01:28:53,739

this many times it's it's not really a

1815

01:29:00,000 --> 01:28:56,159

good source for knowledge documents

1816

01:29:04,080 --> 01:29:00,010

evidence phenomenons stuff like that

1817

01:29:06,540 --> 01:29:04,090

it's a good source so i don't think that

1818

01:29:11,279 --> 01:29:06,550

we can expect too much from this but

1819

01:29:13,830 --> 01:29:11,289

they're saying themselves our target is

1820

01:29:16,740 --> 01:29:13,840

not you know the professional you

1821

01:29:20,250 --> 01:29:16,750

just crawled its stem back that is

1822

01:29:22,980 --> 01:29:20,260

extremely suspect that to me is a

1823

01:29:25,230 --> 01:29:22,990

classic talking point you know what

1824

01:29:27,150 --> 01:29:25,240

right i'll tell you why well let me just

1825

01:29:29,550 --> 01:29:27,160

lay this out there you don't sure I am

1826  
01:29:32,670 --> 01:29:29,560  
into the near-death experience science

1827  
01:29:35,580 --> 01:29:32,680  
if someone came out with a new

1828  
01:29:37,560 --> 01:29:35,590  
near-death experience study and they

1829  
01:29:40,260 --> 01:29:37,570  
said you know I'm not really interested

1830  
01:29:42,570 --> 01:29:40,270  
in talking to the near-death experience

1831  
01:29:45,330 --> 01:29:42,580  
community which in a lot of ways kind of

1832  
01:29:48,870 --> 01:29:45,340  
parallels the UFO community there's some

1833  
01:29:51,240 --> 01:29:48,880  
kind of you know strange people if you

1834  
01:29:53,550 --> 01:29:51,250  
will who go to a lot of conferences and

1835  
01:29:56,100 --> 01:29:53,560  
maybe are into it in a way that a lot of

1836  
01:29:58,860 --> 01:29:56,110  
people can't relate to but those are the

1837  
01:30:01,680 --> 01:29:58,870  
people that have really invested and are

1838  
01:30:04,800 --> 01:30:01,690

somewhat of the gatekeepers for the

1839

01:30:07,470 --> 01:30:04,810

public at large if someone came out and

1840

01:30:10,020 --> 01:30:07,480

said oh I need to do an end run on all

1841

01:30:10,710 --> 01:30:10,030

those people because I want to get to

1842

01:30:13,820 --> 01:30:10,720

someone else

1843

01:30:17,400 --> 01:30:13,830

man that's talking points that's that's

1844

01:30:21,600 --> 01:30:17,410

operations of disinformation in missing

1845

01:30:25,080 --> 01:30:21,610

its classic and to say that that's why I

1846

01:30:26,850 --> 01:30:25,090

mean let's move forward on this thing

1847

01:30:28,770 --> 01:30:26,860

because we're gonna disagree on that and

1848

01:30:31,380 --> 01:30:28,780

I'm comfortable yeah yeah but I want to

1849

01:30:34,170 --> 01:30:31,390

put why I disagree out there

1850

01:30:36,600 --> 01:30:34,180

I want to substantiate I don't just want

1851  
01:30:38,490 --> 01:30:36,610  
to spew opinions and people have to you

1852  
01:30:41,820 --> 01:30:38,500  
know interpret it or accept them I want

1853  
01:30:44,400 --> 01:30:41,830  
to explain why of course what you say is

1854  
01:30:45,840 --> 01:30:44,410  
true it could be all that but then

1855  
01:30:47,700 --> 01:30:45,850  
you're forgetting to read it at the

1856  
01:30:49,670 --> 01:30:47,710  
basic level where it's presented it

1857  
01:30:53,160 --> 01:30:49,680  
could also be true from that basic level

1858  
01:30:56,550 --> 01:30:53,170  
which is okay if these people are insert

1859  
01:30:58,440 --> 01:30:56,560  
us let's get what they have what they

1860  
01:31:00,600 --> 01:30:58,450  
know what they can't share but but the

1861  
01:31:02,670 --> 01:31:00,610  
most important thing when I say there

1862  
01:31:05,760 --> 01:31:02,680  
are trying to reach the public that's

1863  
01:31:07,710 --> 01:31:05,770

not suspicious it can be suspicious but

1864

01:31:10,170 --> 01:31:07,720

it on the face of it it's completely

1865

01:31:12,510 --> 01:31:10,180

logic it's what you would want to do if

1866

01:31:14,550 --> 01:31:12,520

you want to move the culture forward and

1867

01:31:16,740 --> 01:31:14,560

that's what they have done because they

1868

01:31:18,780 --> 01:31:16,750

went they didn't want them to YouTube

1869

01:31:21,510 --> 01:31:18,790

with these things they went to the

1870

01:31:23,160 --> 01:31:21,520

lamestream corrupt media The Washington

1871

01:31:25,870 --> 01:31:23,170

Post in New York Times

1872

01:31:30,129 --> 01:31:25,880

yeah but I'll tell you something Alex

1873

01:31:33,129 --> 01:31:30,139

the old stream media is still working in

1874

01:31:35,740 --> 01:31:33,139

the bubble and the bubble is

1875

01:31:38,140 --> 01:31:35,750

international so our lame stream media

1876

01:31:40,629 --> 01:31:38,150

never report to stuff like this when it

1877

01:31:42,609 --> 01:31:40,639

was on YouTube when it wasn't for

1878

01:31:44,770 --> 01:31:42,619

umbrella so skeptical but you know what

1879

01:31:47,350 --> 01:31:44,780

they did the actually reported it

1880

01:31:50,439 --> 01:31:47,360

because it was in New York Times the the

1881

01:31:52,479 --> 01:31:50,449

most trivial the most brain-dead media

1882

01:31:55,870 --> 01:31:52,489

talked about it and how did I talk about

1883

01:31:57,939 --> 01:31:55,880

it not like they usually do which is the

1884

01:32:01,270 --> 01:31:57,949

smirking and the laughing and the

1885

01:32:04,030 --> 01:32:01,280

dismissing and detachment thing let's

1886

01:32:07,510 --> 01:32:04,040

not go there you know this is this is a

1887

01:32:10,060 --> 01:32:07,520

joke no they spoke seriously suddenly

1888

01:32:12,580 --> 01:32:10,070

the skeptics you know the International

1889

01:32:14,500 --> 01:32:12,590

cult of the skeptics had to defend they

1890

01:32:16,510 --> 01:32:14,510

were starting to yeah okay so that

1891

01:32:19,569 --> 01:32:16,520

happened but it could be this that they

1892

01:32:22,810 --> 01:32:19,579

were really on the on the back feet and

1893

01:32:24,550 --> 01:32:22,820

all sorts of you know ordinary people

1894

01:32:25,990 --> 01:32:24,560

were blurring out what they've been

1895

01:32:27,760 --> 01:32:26,000

thinking all the time in the common

1896

01:32:29,580 --> 01:32:27,770

fields yeah yeah we probably not alone

1897

01:32:32,260 --> 01:32:29,590

it's probably something they actually

1898

01:32:36,430 --> 01:32:32,270

succeeded to put it on the agenda of the

1899

01:32:41,890 --> 01:32:36,440

main stream and they say that's one of

1900

01:32:42,430 --> 01:32:41,900

their goals and so I say do it have fun

1901

01:32:46,209 --> 01:32:42,440

with it

1902

01:32:49,540 --> 01:32:46,219

nobody's stopping us geeks from going

1903

01:32:52,720 --> 01:32:49,550

deeper and like we always done anyway

1904

01:32:55,959 --> 01:32:52,730

right but we need someone to bridge the

1905

01:33:00,910 --> 01:32:55,969

gap between the public mainstream or and

1906

01:33:06,220 --> 01:33:00,920

their outlets and you know what we're

1907

01:33:09,520 --> 01:33:06,230

into so so I'm not saying that I know

1908

01:33:11,640 --> 01:33:09,530

for sure that everything is completely

1909

01:33:14,859 --> 01:33:11,650

clean and up about this but I'm saying

1910

01:33:16,720 --> 01:33:14,869

this isn't a mystery it's working

1911

01:33:21,280 --> 01:33:16,730

they're saying this is what I want to do

1912

01:33:22,959 --> 01:33:21,290

I accept that and I applaud that I hear

1913

01:33:24,700 --> 01:33:22,969

yeah there's a reality to what you're

1914

01:33:27,310 --> 01:33:24,710

saying and it is great that it's out

1915

01:33:30,970 --> 01:33:27,320

there I'll just leave this topic with

1916

01:33:33,839 --> 01:33:30,980

three data points that to me make it

1917

01:33:38,169 --> 01:33:33,849

pretty clear that it's a political

1918

01:33:39,399 --> 01:33:38,179

scientist blower idea you know at least

1919

01:33:41,409 --> 01:33:39,409

here in the United States

1920

01:33:44,350 --> 01:33:41,419

don't have whistleblowers whistleblowers

1921

01:33:46,899 --> 01:33:44,360

go to jail it the kid who took the

1922

01:33:48,879 --> 01:33:46,909

selfies inside his submarine innocently

1923

01:33:51,370 --> 01:33:48,889

and sent him to his girlfriend he goes

1924

01:33:53,739 --> 01:33:51,380

to jail so there's no such thing as a

1925

01:33:56,830 --> 01:33:53,749

whistleblower unless they want the

1926  
01:33:59,290 --> 01:33:56,840  
information out I had the opportunity to

1927  
01:34:01,330 --> 01:33:59,300  
interview Leslie Kane who I really like

1928  
01:34:04,209 --> 01:34:01,340  
and she's fantastic and she's the one

1929  
01:34:05,890 --> 01:34:04,219  
who wrote the New York Times article and

1930  
01:34:08,979 --> 01:34:05,900  
published it one of the three authors of

1931  
01:34:12,489 --> 01:34:08,989  
it and I pushed her really hard as is on

1932  
01:34:14,469 --> 01:34:12,499  
the crime Erica show and III I poked her

1933  
01:34:15,699 --> 01:34:14,479  
really hard but the one place that she

1934  
01:34:19,419 --> 01:34:15,709  
responded that I thought was very

1935  
01:34:21,489 --> 01:34:19,429  
telling in a way that to me reveals the

1936  
01:34:25,419 --> 01:34:21,499  
whole thing she goes but this wasn't

1937  
01:34:27,219 --> 01:34:25,429  
classified all right I'm like does that

1938  
01:34:30,279 --> 01:34:27,229

make any sense to you Leslie

1939

01:34:32,799 --> 01:34:30,289

we all agree this is probably the

1940

01:34:34,569 --> 01:34:32,809

biggest story certainly in our lifetime

1941

01:34:36,969 --> 01:34:34,579

maybe forever

1942

01:34:39,339 --> 01:34:36,979

and we have a government that's very

1943

01:34:42,790 --> 01:34:39,349

interested in keeping and protecting

1944

01:34:45,729 --> 01:34:42,800

secrets but you're going to tell me this

1945

01:34:48,179 --> 01:34:45,739

is not classified by what phony

1946

01:34:52,719 --> 01:34:48,189

blowingly system what wasn't classified

1947

01:34:55,390 --> 01:34:52,729

what Elizondo revealed that is a look

1948

01:34:58,449 --> 01:34:55,400

into that that wasn't classified well

1949

01:35:00,429 --> 01:34:58,459

that makes sense done though it makes

1950

01:35:05,080 --> 01:35:00,439

sense that that it was a controlled

1951

01:35:06,879 --> 01:35:05,090

political Scion because otherwise why

1952

01:35:08,949 --> 01:35:06,889

isn't this MIT that there is no such

1953

01:35:10,739 --> 01:35:08,959

thing as whistleblowers it only comes

1954

01:35:12,640 --> 01:35:10,749

out if they want it to come out

1955

01:35:14,830 --> 01:35:12,650

classification is Declassified document

1956

01:35:17,379 --> 01:35:14,840

they're all basically blowers but maybe

1957

01:35:19,929 --> 01:35:17,389

not in any UFO fields and yes they are

1958

01:35:21,819 --> 01:35:19,939

arrested yeah they are that's that's

1959

01:35:23,919 --> 01:35:21,829

what I mean there's not a union for mr.

1960

01:35:25,449 --> 01:35:23,929

blowers actually yes and there's all

1961

01:35:28,299 --> 01:35:25,459

sorts of laws and there's all that so

1962

01:35:29,859 --> 01:35:28,309

I'm saying this in in baby wait I hope

1963

01:35:32,199 --> 01:35:29,869

people sometimes take it totally

1964

01:35:35,679 --> 01:35:32,209

literally and they go oh yes there are

1965

01:35:38,589 --> 01:35:35,689

I realize that I did I've just think so

1966

01:35:40,659 --> 01:35:38,599

here's the third point and the one that

1967

01:35:42,370 --> 01:35:40,669

we'll leave it with that that I'd really

1968

01:35:44,199 --> 01:35:42,380

like you to respond to because we've

1969

01:35:46,000 --> 01:35:44,209

already touched on it and to be I wish

1970

01:35:47,889 --> 01:35:46,010

we could go a little deeper into this we

1971

01:35:50,649 --> 01:35:47,899

will go as deep as you want we'll go as

1972

01:35:53,080 --> 01:35:50,659

deep as you want mm-hmm but this whole

1973

01:35:57,160 --> 01:35:53,090

project didn't work

1974

01:36:00,010 --> 01:35:57,170

so levin de to me is clearly a globalist

1975

01:36:02,200 --> 01:36:00,020

not in a bad way people's think that's a

1976

01:36:04,900 --> 01:36:02,210

bad term hey there's just a certain

1977

01:36:08,920 --> 01:36:04,910

group of people politically motivated

1978

01:36:11,860 --> 01:36:08,930

who see the world as being full of

1979

01:36:16,000 --> 01:36:11,870

problems that can only be solved at a

1980

01:36:18,730 --> 01:36:16,010

global level so right those people are

1981

01:36:22,480 --> 01:36:18,740

opposed to people in our country people

1982

01:36:27,970 --> 01:36:22,490

like Donald Trump who say no we have to

1983

01:36:29,650 --> 01:36:27,980

fight that toll for that globalist kind

1984

01:36:32,200 --> 01:36:29,660

of thing we just want to be left alone

1985

01:36:34,000 --> 01:36:32,210

so I don't want to take a side on that I

1986

01:36:36,130 --> 01:36:34,010

just want to point that out that that's

1987

01:36:38,230 --> 01:36:36,140

just a reality of the world that we face

1988

01:36:40,270 --> 01:36:38,240

and the globalist not to put them down I

1989

01:36:42,820 --> 01:36:40,280

mean they have a point right there are

1990

01:36:44,290 --> 01:36:42,830

certain problems that we face that do

1991

01:36:48,150 --> 01:36:44,300

have to be looked at at the global level

1992

01:36:52,780 --> 01:36:48,160

but I'm suggesting that the only way to

1993

01:36:55,870 --> 01:36:52,790

understand Tom DeLonge and Peter Levin

1994

01:36:59,620 --> 01:36:55,880

de and this whole rollout is as a

1995

01:37:04,480 --> 01:36:59,630

politically driven rollout of another

1996

01:37:07,810 --> 01:37:04,490

issue that is playing into the globalist

1997

01:37:10,020 --> 01:37:07,820

kind of political sphere and puts things

1998

01:37:12,370 --> 01:37:10,030

in a way that can only be understood

1999

01:37:15,160 --> 01:37:12,380

globally and I would point out as the

2000

01:37:19,150 --> 01:37:15,170

evidence of that is listen to listen to

2001

01:37:22,090 --> 01:37:19,160

Peter go listen to Lesley Kaine go

2002

01:37:25,480 --> 01:37:22,100

listen to Linda Moulton Howe go listen

2003

01:37:28,240 --> 01:37:25,490

to Richard Dolan I've listened to 12 14

2004

01:37:31,120 --> 01:37:28,250

20 hours of them you know who they never

2005

01:37:33,130 --> 01:37:31,130

mentioned they never mentioned a guy

2006

01:37:36,030 --> 01:37:33,140

who's this most powerful political

2007

01:37:39,160 --> 01:37:36,040

figure in the world right now whose

2008

01:37:42,880 --> 01:37:39,170

anti-globalist so whether anyone likes

2009

01:37:45,430 --> 01:37:42,890

Trump or not why would that position

2010

01:37:48,130 --> 01:37:45,440

that political position you'd be left

2011

01:37:51,450 --> 01:37:48,140

out of the conversation they pretend

2012

01:37:54,610 --> 01:37:51,460

that that isn't even a reality so well

2013

01:37:58,480 --> 01:37:54,620

well okay okay first off he should be

2014

01:38:04,000 --> 01:37:58,490

mentioned for two reasons one because

2015

01:38:05,060 --> 01:38:04,010

Alice Ando closest friend is mad doc

2016

01:38:09,680 --> 01:38:05,070

Ellie

2017

01:38:13,250 --> 01:38:09,690

grunts general so if the government has

2018

01:38:21,770 --> 01:38:13,260

a hand in this is actually the trumpian

2019

01:38:24,470 --> 01:38:21,780

faction I don't think that and I'll tell

2020

01:38:27,110 --> 01:38:24,480

you why but I just have to say also the

2021

01:38:28,760 --> 01:38:27,120

other thing that's very interesting is

2022

01:38:30,200 --> 01:38:28,770

let me just interject something while

2023

01:38:31,580 --> 01:38:30,210

you're tossing while you're positive for

2024

01:38:34,160 --> 01:38:31,590

a minute because because here was really

2025

01:38:37,490 --> 01:38:34,170

going to be my point in all that to me

2026

01:38:40,670 --> 01:38:37,500

the evidence that it is as I said is the

2027

01:38:44,450 --> 01:38:40,680

fact that it didn't work it didn't work

2028

01:38:46,250 --> 01:38:44,460

the intended purpose the intended

2029

01:38:49,130 --> 01:38:46,260

purpose of that hope that was the

2030

01:38:51,800 --> 01:38:49,140

biggest rollout of information of

2031

01:38:54,410 --> 01:38:51,810

disclosure in the history of the world

2032

01:38:57,020 --> 01:38:54,420

they did everything they could to try

2033

01:38:59,480 --> 01:38:57,030

and make that change the hearts and

2034

01:39:03,080 --> 01:38:59,490

minds of the entire planet and it

2035

01:39:05,060 --> 01:39:03,090

completely failed so the you know my

2036

01:39:07,280 --> 01:39:05,070

story is my story and I've told this

2037

01:39:08,930 --> 01:39:07,290

before is the soccer dad story I'm on

2038

01:39:11,480 --> 01:39:08,940

the soccer field watching my daughter

2039

01:39:13,490 --> 01:39:11,490

and a friend comes up because he knows

2040

01:39:16,340 --> 01:39:13,500

I'm interested in this stuff and here

2041

01:39:18,290 --> 01:39:16,350

here's his story he goes hey did you

2042

01:39:20,900 --> 01:39:18,300

hear about that UFO thing in the New

2043

01:39:23,720 --> 01:39:20,910

York Times and I just nod my head and he

2044

01:39:25,850 --> 01:39:23,730

goes it's really strange because it was

2045

01:39:30,320 --> 01:39:25,860

like a big story and then it just went

2046

01:39:34,040 --> 01:39:30,330

away that is I think the public

2047

01:39:37,100 --> 01:39:34,050

perception is what happened this was the

2048

01:39:39,940 --> 01:39:37,110

biggest story in the world why did it go

2049

01:39:43,220 --> 01:39:39,950

away and no one's asking that question

2050

01:39:45,320 --> 01:39:43,230

why weren't they able to make this thing

2051  
01:39:47,810 --> 01:39:45,330  
happen they were trying to make it

2052  
01:39:49,370 --> 01:39:47,820  
happen they got to all the news outlets

2053  
01:39:51,500 --> 01:39:49,380  
they thought they would make it happen

2054  
01:39:54,490 --> 01:39:51,510  
they thought this would be top of issue

2055  
01:39:56,510 --> 01:39:54,500  
for everybody and it just didn't fly

2056  
01:39:59,030 --> 01:39:56,520  
they were very interesting happened

2057  
01:40:01,130 --> 01:39:59,040  
right after I'm it's going under the

2058  
01:40:03,020 --> 01:40:01,140  
radar I haven't seen it discussed and

2059  
01:40:06,290 --> 01:40:03,030  
I'm going to discuss it with Catherine

2060  
01:40:07,970 --> 01:40:06,300  
Austin Fitz and at the end of this month

2061  
01:40:10,330 --> 01:40:07,980  
and I'm going to discuss it with Joseph

2062  
01:40:13,280 --> 01:40:10,340  
Farah because there those two are very

2063  
01:40:16,439 --> 01:40:13,290

well-positioned to speculate about that

2064

01:40:20,549 --> 01:40:16,449

and what is that big big bomb

2065

01:40:23,790 --> 01:40:20,559

it is that Trump and I sent you this

2066

01:40:26,069 --> 01:40:23,800

Trump certainly goes out on a press

2067

01:40:29,129 --> 01:40:26,079

conference that hasn't been covered

2068

01:40:31,589 --> 01:40:29,139

enough and he basically white washes the

2069

01:40:35,069 --> 01:40:31,599

secret space program and I'm gonna I

2070

01:40:36,719 --> 01:40:35,079

finally have my purse rats on as a guest

2071

01:40:38,069 --> 01:40:36,729

I'm gonna discuss it with him too

2072

01:40:40,830 --> 01:40:38,079

because I don't know if you've seen his

2073

01:40:42,779 --> 01:40:40,840

material but it's amazing so this

2074

01:40:45,779 --> 01:40:42,789

happens right afterwards you you're

2075

01:40:48,959 --> 01:40:45,789

right in that they managed to create a

2076

01:40:52,949 --> 01:40:48,969

blimp and then it went dark which tells

2077

01:40:58,560 --> 01:40:52,959

me that they weren't clear to do this

2078

01:41:00,859 --> 01:40:58,570

and that the outlets were kind of you

2079

01:41:04,169 --> 01:41:00,869

know stopped the hijacked or whatever

2080

01:41:06,899 --> 01:41:04,179

I'm pretty sure like you that they know

2081

01:41:11,879 --> 01:41:06,909

more than they're going out with and I'm

2082

01:41:15,270 --> 01:41:11,889

also pretty sure that if they went too

2083

01:41:17,429 --> 01:41:15,280

much too fast whatever they would be

2084

01:41:19,319 --> 01:41:17,439

taking care of like you're saying people

2085

01:41:22,020 --> 01:41:19,329

are arrested but there are if you look

2086

01:41:25,859 --> 01:41:22,030

at the whatever they call it the

2087

01:41:28,020 --> 01:41:25,869

intelligence people for sanity or

2088

01:41:31,049 --> 01:41:28,030

something there's a bunch of very great

2089

01:41:34,319 --> 01:41:31,059

people like Ray McGovern like this Greek

2090

01:41:38,520 --> 01:41:34,329

guy quirky something like this NSA guy

2091

01:41:41,310 --> 01:41:38,530

bill Binney there are genuine and of

2092

01:41:43,139 --> 01:41:41,320

course we have Snowden a so and she's

2093

01:41:45,149 --> 01:41:43,149

not American though but there are

2094

01:41:48,629 --> 01:41:45,159

genuine people coming out with stuff

2095

01:41:52,069 --> 01:41:48,639

that they're not supposed to they are

2096

01:41:56,580 --> 01:41:52,079

not necessarily killed boiling frog this

2097

01:42:00,209 --> 01:41:56,590

yeah she's good yeah she's great so I

2098

01:42:03,750 --> 01:42:00,219

think Alice on doing those guys are

2099

01:42:06,060 --> 01:42:03,760

balancing like I said in my own show

2100

01:42:08,069 --> 01:42:06,070

either they come out with this they're

2101  
01:42:12,089 --> 01:42:08,079  
not allowed to and now let's see how we

2102  
01:42:15,209 --> 01:42:12,099  
can save it or they already had we're

2103  
01:42:17,339 --> 01:42:15,219  
allowed to come up with something or you

2104  
01:42:19,020 --> 01:42:17,349  
know I laid out the scenarios I don't

2105  
01:42:21,869 --> 01:42:19,030  
want to recap it here it will take too

2106  
01:42:26,399 --> 01:42:21,879  
much time but I go through all the

2107  
01:42:28,520 --> 01:42:26,409  
scenarios and I can see what globalists

2108  
01:42:31,100 --> 01:42:28,530  
or the powers-that-be could gay

2109  
01:42:33,650 --> 01:42:31,110  
in from this all they have managed to

2110  
01:42:36,950 --> 01:42:33,660  
attain is that a few more people is now

2111  
01:42:39,080 --> 01:42:36,960  
open to the phenomenon that's you know

2112  
01:42:42,350 --> 01:42:39,090  
follow the money they say and who

2113  
01:42:45,140 --> 01:42:42,360

benefits they say so I asked you who

2114

01:42:47,300 --> 01:42:45,150

benefits how is this a sinister plot

2115

01:42:50,800 --> 01:42:47,310

let's if it's a sinister plot from the

2116

01:42:55,190 --> 01:42:50,810

top letting us know about it I suppose

2117

01:42:57,910 --> 01:42:55,200

it's climate change it's a problem that

2118

01:43:00,860 --> 01:42:57,920

can only be solved at a global level

2119

01:43:03,350 --> 01:43:00,870

therefore give us give your rights up

2120

01:43:06,710 --> 01:43:03,360

give you know you're talking about actu

2121

01:43:10,280 --> 01:43:06,720

actually is very important I mentioned

2122

01:43:11,840 --> 01:43:10,290

that too in my my quantification at the

2123

01:43:16,090 --> 01:43:11,850

end of that show with levander I said

2124

01:43:18,800 --> 01:43:16,100

that if they try to spin this in a

2125

01:43:19,970 --> 01:43:18,810

particular direction that's when we know

2126

01:43:22,700 --> 01:43:19,980

what this is about

2127

01:43:26,180 --> 01:43:22,710

because if they are gonna and this is

2128

01:43:29,110 --> 01:43:26,190

what Tom DeLonge got a lot of criticism

2129

01:43:32,540 --> 01:43:29,120

for because he flaunted his opinion and

2130

01:43:34,730 --> 01:43:32,550

his opinion and before they reveal

2131

01:43:37,250 --> 01:43:34,740

anything he said in his opinion these

2132

01:43:40,700 --> 01:43:37,260

are bad guys you know pretty much the

2133

01:43:43,220 --> 01:43:40,710

opposite of what Steven Greer says now

2134

01:43:45,620 --> 01:43:43,230

if the powers-that-be comes out and says

2135

01:43:48,260 --> 01:43:45,630

yeah we have to recruit a lot of

2136

01:43:50,120 --> 01:43:48,270

soldiers to fight the bad aliens so we

2137

01:43:51,650 --> 01:43:50,130

have to do this so that our more control

2138

01:43:54,320 --> 01:43:51,660

and blah blah blah then you're having

2139

01:43:56,030 --> 01:43:54,330

then you can close your case you can

2140

01:43:58,190 --> 01:43:56,040

have a hypothesis now that something

2141

01:44:01,220 --> 01:43:58,200

sinister is in the oven but you have to

2142

01:44:04,820 --> 01:44:01,230

argue for where it's going and you have

2143

01:44:08,150 --> 01:44:04,830

to use objective faculty to back that up

2144

01:44:10,580 --> 01:44:08,160

and so far we haven't seen anything

2145

01:44:14,870 --> 01:44:10,590

except the Trump thing and the Trump

2146

01:44:16,190 --> 01:44:14,880

thing cannot being provoked by this it

2147

01:44:19,220 --> 01:44:16,200

doesn't have to have anything to do with

2148

01:44:23,180 --> 01:44:19,230

it but it's very close in time very

2149

01:44:25,670 --> 01:44:23,190

related and what Trump is doing there is

2150

01:44:28,490 --> 01:44:25,680

either a whitewash you know it could be

2151

01:44:31,190 --> 01:44:28,500

like Trump gets wind of this it looks

2152

01:44:34,040 --> 01:44:31,200

into it and because I don't think they

2153

01:44:36,050 --> 01:44:34,050

want to tell him too much if nothing

2154

01:44:38,750 --> 01:44:36,060

else then because they know they can't

2155

01:44:40,760 --> 01:44:38,760

trust him not to blurt out something

2156

01:44:42,890 --> 01:44:40,770

but let's say he got wind of something

2157

01:44:45,140 --> 01:44:42,900

and he gets win oh we have this

2158

01:44:46,670 --> 01:44:45,150

technology Wow oh yeah let's use it I

2159

01:44:49,130 --> 01:44:46,680

want to use it to my advantage it

2160

01:44:52,940 --> 01:44:49,140

reminds me a little of what Obama did

2161

01:44:58,580 --> 01:44:52,950

with Bush Bush had in the pipeline to

2162

01:45:02,390 --> 01:44:58,590

use the death of Osama as a trump card

2163

01:45:05,180 --> 01:45:02,400

as an ace to win the second but that was

2164

01:45:07,910 --> 01:45:05,190

foiled partly I think by Alex Jones and

2165

01:45:11,360 --> 01:45:07,920

because it became like a huge meme that

2166

01:45:13,640 --> 01:45:11,370

the he's still they're gonna say they

2167

01:45:17,620 --> 01:45:13,650

kill him and they kind of ruined that it

2168

01:45:20,600 --> 01:45:17,630

was it reminded me of whatever surface

2169

01:45:23,170 --> 01:45:20,610

panacea boo to the Pakistani Prime

2170

01:45:27,350 --> 01:45:23,180

Minister who was killed right after she

2171

01:45:33,140 --> 01:45:27,360

came out with the fact that Osama was in

2172

01:45:38,420 --> 01:45:33,150

this delicious machine all that and he

2173

01:45:40,550 --> 01:45:38,430

had already died from that and so to tie

2174

01:45:44,000 --> 01:45:40,560

this back so it reminds me of that

2175

01:45:46,640 --> 01:45:44,010

because Obama used that as soon as she

2176

01:45:48,290 --> 01:45:46,650

took over he took that point and Bush

2177

01:45:50,810 --> 01:45:48,300

and those people in their new cars

2178

01:45:52,850 --> 01:45:50,820

couldn't you know go I said no he's

2179

01:45:54,890 --> 01:45:52,860

lying because Obama who's almost been

2180

01:45:57,320 --> 01:45:54,900

dead all the time right so he used that

2181

01:45:59,960 --> 01:45:57,330

political point milked it

2182

01:46:02,210 --> 01:45:59,970

it was just [h\_\_\h] everything but he

2183

01:46:05,390 --> 01:46:02,220

could use it for his own gain smart guy

2184

01:46:08,000 --> 01:46:05,400

now Trump may do something similar

2185

01:46:10,370 --> 01:46:08,010

regarding the space program he made good

2186

01:46:13,220 --> 01:46:10,380

wind of something's going on I want to

2187

01:46:14,930 --> 01:46:13,230

use this I want to you know we go into

2188

01:46:16,970 --> 01:46:14,940

space we're going to do this we're going

2189

01:46:20,000 --> 01:46:16,980

to do that first of he's not interested

2190

01:46:22,970 --> 01:46:20,010

in that but he has a guy in his team

2191

01:46:24,680 --> 01:46:22,980

that is and and who bragged and who

2192

01:46:26,870 --> 01:46:24,690

knows what's going on and that's why he

2193

01:46:28,729 --> 01:46:26,880

tried to use it as a winning point when

2194

01:46:33,229 --> 01:46:28,739

he was running for president and as Newt

2195

01:46:36,770 --> 01:46:33,239

go English dan tactical ferrer traveler

2196

01:46:38,240 --> 01:46:36,780

and so Newt Gingrich wanted to colonize

2197

01:46:40,130 --> 01:46:38,250

the moon when he was a president

2198

01:46:43,570 --> 01:46:40,140

candidate so and he's on Trump's team so

2199

01:46:46,760 --> 01:46:43,580

you know Trump has access so either it's

2200

01:46:49,550 --> 01:46:46,770

Trump hijacking this trying to use some

2201

01:46:51,109 --> 01:46:49,560

of it for his own benefit or it could be

2202

01:46:54,979 --> 01:46:51,119

the ordinary white

2203

01:46:57,020 --> 01:46:54,989

we have sham trails gone already

2204

01:46:58,580 --> 01:46:57,030

no we're gonna customize people to it so

2205

01:47:01,250 --> 01:46:58,590

let's start discussing it as a real

2206

01:47:02,899 --> 01:47:01,260

thing you know ever selling the by the

2207

01:47:04,970 --> 01:47:02,909

modification they're now discussing

2208

01:47:07,700 --> 01:47:04,980

doing sham trails in the class not just

2209

01:47:09,649 --> 01:47:07,710

contracts but in the classical chapters

2210

01:47:11,839 --> 01:47:09,659

definition Samba the Moors let's say

2211

01:47:13,729 --> 01:47:11,849

we've been on worse now we're talking

2212

01:47:18,020 --> 01:47:13,739

about going to Mars to acclimatize

2213

01:47:20,000 --> 01:47:18,030

people so they never have to complain

2214

01:47:21,800 --> 01:47:20,010

and say hey we've been there if we're

2215

01:47:23,780 --> 01:47:21,810

already starting to establish ourselves

2216

01:47:26,600 --> 01:47:23,790

there that's how they do with all these

2217

01:47:28,250 --> 01:47:26,610

things internet was around long before

2218

01:47:30,620 --> 01:47:28,260

the public got access to it they've

2219

01:47:32,930 --> 01:47:30,630

already had it for military use so we

2220

01:47:35,870 --> 01:47:32,940

have stuff and the way to whitewash it

2221

01:47:38,149 --> 01:47:35,880

is to make a trivial and accessible to

2222

01:47:40,820 --> 01:47:38,159

everyone so that could be going on with

2223

01:47:42,859 --> 01:47:40,830

the secret space program that maybe what

2224

01:47:49,580 --> 01:47:42,869

Trump is doing either he's doing their

2225

01:47:51,709 --> 01:47:49,590

bidding or he's hijacking it or it was

2226

01:47:54,680 --> 01:47:51,719

triggered by this thing that just

2227

01:48:00,010 --> 01:47:54,690

happened because in either case if there

2228

01:48:04,580 --> 01:48:02,419

definitely we have something it doesn't

2229

01:48:06,320 --> 01:48:04,590

have to be that we are everything but we

2230

01:48:09,560 --> 01:48:06,330

know we have something and multicharts

2231

01:48:11,300 --> 01:48:09,570

is gonna put that to rest it's not gonna

2232

01:48:15,200 --> 01:48:11,310

be a debate after we talk with Micah

2233

01:48:18,500 --> 01:48:15,210

Strutt so so what did I accomplish

2234

01:48:20,600 --> 01:48:18,510

I think the accomplished as monstrous

2235

01:48:23,810 --> 01:48:20,610

was possible I don't think they're so

2236

01:48:26,379 --> 01:48:23,820

calming the huge backlash almost

2237

01:48:30,080 --> 01:48:26,389

everybody who's interested in this

2238

01:48:33,050 --> 01:48:30,090

dismissed it without evidence and I

2239

01:48:35,839 --> 01:48:33,060

entertained the spooky scenario so I

2240

01:48:37,640 --> 01:48:35,849

fully get that but I don't wanna I want

2241

01:48:39,709 --> 01:48:37,650

to be this I want to be scientific about

2242

01:48:41,899 --> 01:48:39,719

because it's too important for us to

2243

01:48:45,790 --> 01:48:41,909

kill it because of our own we're like

2244

01:48:50,540 --> 01:48:45,800

battered children a children of

2245

01:48:53,830 --> 01:48:50,550

alcoholics there are and I want to hear

2246

01:48:56,169 --> 01:48:53,840

the they attack the messenger and so

2247

01:48:59,800 --> 01:48:56,179

I've never been one of those who have

2248

01:49:01,729 --> 01:48:59,810

screamed and demanded disclosure but

2249

01:49:03,770 --> 01:49:01,739

when something like that

2250

01:49:04,800 --> 01:49:03,780

finally happens the same people who

2251

01:49:07,470 --> 01:49:04,810

demand it does

2252

01:49:09,690 --> 01:49:07,480

believe it and that didn't happen in the

2253

01:49:11,910 --> 01:49:09,700

attempts before it didn't happen Steven

2254

01:49:15,350 --> 01:49:11,920

Greer is still walking around like a

2255

01:49:18,420 --> 01:49:15,360

some kind of profit profiting from this

2256

01:49:22,980 --> 01:49:18,430

I'm not saying he's not sincere I'm just

2257

01:49:25,440 --> 01:49:22,990

saying he became a big deal and he

2258

01:49:28,560 --> 01:49:25,450

always suspect it's pretty suspect when

2259

01:49:30,900 --> 01:49:28,570

he stands on the stage with Richard Doty

2260

01:49:35,190 --> 01:49:30,910

and the same thing with Levin de the way

2261

01:49:37,970 --> 01:49:35,200

that he recasts in reimagines some I

2262

01:49:42,780 --> 01:49:37,980

think real owners honest someone

2263

01:49:48,810 --> 01:49:42,790

completely completely in the most just

2264

01:49:53,670 --> 01:49:48,820

terrible illegal terrorist way abused

2265

01:49:56,610 --> 01:49:53,680

Paul bennewitz drove him crazy all for

2266

01:49:58,260 --> 01:49:56,620

the reason that some honest American

2267

01:50:00,360 --> 01:49:58,270

came forward and tried to help his

2268

01:50:02,640 --> 01:50:00,370

country by disclosing information and

2269

01:50:04,890 --> 01:50:02,650

these guys just did this sigh up on him

2270

01:50:07,560 --> 01:50:04,900

and run him into the ground for Levada

2271

01:50:09,410 --> 01:50:07,570

to not stand up and say yeah everyone

2272

01:50:14,970 --> 01:50:09,420

associated but that needs to go to jail

2273

01:50:17,550 --> 01:50:14,980

for no say so the same but you know what

2274

01:50:20,130 --> 01:50:17,560

the big leave this I want to leave a

2275

01:50:22,680 --> 01:50:20,140

little bit of a cliffhanger here we

2276

01:50:25,980 --> 01:50:22,690

we've been at it for a while we need to

2277

01:50:28,640 --> 01:50:25,990

wrap it up but what a fantastic no but I

2278

01:50:32,670 --> 01:50:28,650

did some research for your benefits okay

2279

01:50:35,490 --> 01:50:32,680

okay I got a stop but you have a not the

2280

01:50:38,390 --> 01:50:35,500

ending cuz please tell me what you

2281

01:50:40,890 --> 01:50:38,400

haven't hit me with the factory yet

2282

01:50:44,180 --> 01:50:40,900

weren't you gonna confront me with the

2283

01:50:48,720 --> 01:50:44,190

fact that levander is a member of

2284

01:50:51,810 --> 01:50:48,730

certain organization I don't know where

2285

01:50:56,070 --> 01:50:51,820

to go with that completely but I'm

2286

01:50:58,080 --> 01:50:56,080

working on some more solid data's I have

2287

01:50:59,790 --> 01:50:58,090

the answer for it no no let's leave that

2288

01:51:02,280 --> 01:50:59,800

let's leave that as a cliffhanger

2289

01:51:05,490 --> 01:51:02,290

because we have to do this again I hope

2290

01:51:08,700 --> 01:51:05,500

what we accomplished today was really

2291

01:51:13,290 --> 01:51:08,710

what I set out to do and that is to give

2292

01:51:15,360 --> 01:51:13,300

people a sense for what forum Borealis

2293

01:51:18,060 --> 01:51:15,370

really is and it's fantastic

2294

01:51:18,390 --> 01:51:18,070

I mean the depth of knowledge that you

2295

01:51:23,370 --> 01:51:18,400

have

2296

01:51:25,800 --> 01:51:23,380

unsilent approach for us to be able to

2297

01:51:28,770 --> 01:51:25,810

have spirited discussions where we

2298

01:51:32,550 --> 01:51:28,780

disagree and for you to bring all this

2299

01:51:34,860 --> 01:51:32,560

new information to the table is is just

2300

01:51:38,220 --> 01:51:34,870

refreshing it's energizing it's the kind

2301

01:51:40,229 --> 01:51:38,230

of stuff that I love to do and I listen

2302

01:51:43,229 --> 01:51:40,239

to your stuff all the time I'm a member

2303

01:51:46,140 --> 01:51:43,239

I get all the inside track stuff other

2304

01:51:50,040 --> 01:51:46,150

people if they just start listening will

2305

01:51:53,189 --> 01:51:50,050

find the same and I'm just so thankful

2306

01:51:55,410 --> 01:51:53,199

that you came out from behind that that

2307

01:51:57,149 --> 01:51:55,420

mask although as you said we don't know

2308

01:51:59,459 --> 01:51:57,159

you might still be married wearing a

2309

01:52:01,620 --> 01:51:59,469

mask there but this is a rare video

2310

01:52:04,530 --> 01:52:01,630

appearance as well as audio appearance

2311

01:52:07,380 --> 01:52:04,540

from yeah it's right back into the

2312

01:52:10,709 --> 01:52:07,390

shadows we're done here oh hey man it's

2313

01:52:13,860 --> 01:52:10,719

been absolutely great having yon

2314

01:52:23,310 --> 01:52:13,870

sceptical thank you thank you for having

2315

01:52:23,320 --> 01:55:11,669

you

2316

01:55:16,050 --> 01:55:14,189

so thanks for watching this video if it

2317

01:55:18,630 --> 01:55:16,060

wasn't really a video but just an audio

2318

01:55:20,220 --> 01:55:18,640

stored as a video well I apologize but

2319

01:55:22,140 --> 01:55:20,230

there's more videos out there as well

2320

01:55:24,000 --> 01:55:22,150

but please check out the skeptic Oh

2321

01:55:25,350 --> 01:55:24,010

website you can see it here we cover a

2322

01:55:28,169 --> 01:55:25,360

lot of different stuff you might be

2323

01:55:31,500 --> 01:55:28,179

interested in relating to controversial

2324

01:55:34,919 --> 01:55:31,510

science and spirituality a lot of shows

2325

01:55:37,919 --> 01:55:34,929

up there over 350 of them or so all free

2326

01:55:39,370 --> 01:55:37,929

all available for downloads so do check
