## Skeptiko 398

Windbridge Certified  
Research Medium  
~Level 2~

The Windbridge Institute  
for Applied Research in Human Potential  
[www.windbridge.org](http://www.windbridge.org)

### Skeptiko Topics:

Consciousness Science  
Parapsychology  
Near-Death Experience  
Spirituality  
Skeptics/Skepticism  
Psi  
Psychics & Mediums  
Atheism  
UFO  
Neuroscience  
Conspiracy Theories  
Contactee Experience  
OBE

1  
00:00:10,820 --> 00:00:08,419  
if decided to seek advice from the

2  
00:00:14,660 --> 00:00:10,830  
Weiser sky I'd ever known I want to

3  
00:00:15,860 --> 00:00:14,670  
speak to many from the pop dance group

4  
00:00:17,779 --> 00:00:15,870  
Milione finale

5  
00:00:20,900 --> 00:00:17,789  
that's Sasha Baron Cohen from the movie

6  
00:00:23,750 --> 00:00:20,910  
Bruno and his take on psychics and

7  
00:00:27,589 --> 00:00:23,760  
mediums and even though it's wickedly

8  
00:00:30,140 --> 00:00:27,599  
funny is he in heaven and if so is he in

9  
00:00:31,849 --> 00:00:30,150  
the VIP sections that I don't think it's

10  
00:00:35,299 --> 00:00:31,859  
very accurate he says he's in a place

11  
00:00:36,590 --> 00:00:35,309  
with green trees and flowers in fact on

12  
00:00:39,170 --> 00:00:36,600  
this episode you're gonna hear from a

13  
00:00:41,240 --> 00:00:39,180

medium who's really really good and I

14

00:00:43,790 --> 00:00:41,250

say that because she's been tested by

15

00:00:45,799 --> 00:00:43,800

somebody I really rely on in terms of

16

00:00:47,930 --> 00:00:45,809

after-death communication research and

17

00:00:49,729 --> 00:00:47,940

that's dr. Julie bow shell so she's been

18

00:00:51,889 --> 00:00:49,739

tested and certified at the highest

19

00:00:53,779 --> 00:00:51,899

level and that's really cool because it

20

00:00:56,360 --> 00:00:53,789

means you can ask her anything and she

21

00:00:58,220 --> 00:00:56,370

has all the answers right well not

22

00:01:00,770 --> 00:00:58,230

exactly but you can still ask her

23

00:01:03,020 --> 00:01:00,780

anything you can ask her all these deep

24

00:01:05,299 --> 00:01:03,030

big-picture questions and here's some of

25

00:01:06,890 --> 00:01:05,309

the stuff I asked her you know the other

26

00:01:09,200 --> 00:01:06,900

thing like you said did you ask me

27

00:01:10,490 --> 00:01:09,210

anything and it's like I was preparing

28

00:01:12,530 --> 00:01:10,500

for the cinder ground I can like this is

29

00:01:14,810 --> 00:01:12,540

kind of insane in a way I mean I'm

30

00:01:16,550 --> 00:01:14,820

asking the biggest questions and I'm

31

00:01:18,920 --> 00:01:16,560

just turning them over to Marissa

32

00:01:21,050 --> 00:01:18,930

because she can talk to spirit for

33

00:01:23,960 --> 00:01:21,060

example these people in these laboratory

34

00:01:26,749 --> 00:01:23,970

settings are able to you know have pre

35

00:01:29,300 --> 00:01:26,759

cognitive experiences well what the hell

36

00:01:33,319 --> 00:01:29,310

does that mean what does that mean about

37

00:01:36,020 --> 00:01:33,329

our relationship to time but then I've

38

00:01:37,999 --> 00:01:36,030

had other guests on the show that have

39

00:01:40,550 --> 00:01:38,009

said you know the our understanding of

40

00:01:42,440 --> 00:01:40,560

reincarnation is again mistaken because

41

00:01:44,710 --> 00:01:42,450

of our misunderstanding about time and

42

00:01:48,109 --> 00:01:44,720

that we're really living multiple lives

43

00:01:49,249 --> 00:01:48,119

simultaneously switch over to another

44

00:01:51,380 --> 00:01:49,259

topic and talk about near-death

45

00:01:53,630 --> 00:01:51,390

experiences a lot of my questions here

46

00:01:55,850 --> 00:01:53,640

are around this topic of mapping out

47

00:01:59,270 --> 00:01:55,860

these extended consciousness realms I

48

00:02:02,270 --> 00:01:59,280

mean what is the near-death experience

49

00:02:05,359 --> 00:02:02,280

from a spirit standpoint what is spirit

50

00:02:07,969 --> 00:02:05,369

telling us why do people have those how

51  
00:02:10,969 --> 00:02:07,979  
are they different from OBE astral

52  
00:02:13,240 --> 00:02:10,979  
travel lucid dreaming this extended

53  
00:02:18,370 --> 00:02:13,250  
realm how does it map out with

54  
00:02:20,080 --> 00:02:18,380  
to those different ways of being so it's

55  
00:02:21,640 --> 00:02:20,090  
really cool to talk to Marisa is so cool

56  
00:02:24,340 --> 00:02:21,650  
in fact that when we were done I

57  
00:02:26,200 --> 00:02:24,350  
couldn't resist asking her to do a

58  
00:02:27,640 --> 00:02:26,210  
reading for me and I paid for it and all

59  
00:02:30,310 --> 00:02:27,650  
that there wasn't any kind of quid pro

60  
00:02:33,430 --> 00:02:30,320  
quo but but I wanted to see if she could

61  
00:02:35,350 --> 00:02:33,440  
do it do it for me and since one of the

62  
00:02:38,320 --> 00:02:35,360  
big things going on in my life as the

63  
00:02:41,230 --> 00:02:38,330

father of four teenagers as long as you

64

00:02:43,090 --> 00:02:41,240

stretched that age limit a little bit so

65

00:02:45,780 --> 00:02:43,100

I asked her questions about parenting

66

00:02:47,860 --> 00:02:45,790

and parenting help and advice basically

67

00:02:49,150 --> 00:02:47,870

so I don't wanna play that whole reading

68

00:02:50,620 --> 00:02:49,160

because it's kind of personal

69

00:02:53,800 --> 00:02:50,630

but I can tell you a little anecdote

70

00:02:55,840 --> 00:02:53,810

that I think is significant to me and

71

00:02:58,270 --> 00:02:55,850

that's that we're doing this reading and

72

00:03:01,030 --> 00:02:58,280

she connects with my father on the other

73

00:03:02,530 --> 00:03:01,040

side spirit form if you believe all this

74

00:03:04,510 --> 00:03:02,540

stuff which if you're listening to this

75

00:03:07,120 --> 00:03:04,520

I guess you probably do or at least open

76

00:03:08,590 --> 00:03:07,130

to it so I'm like dad come on man help

77

00:03:11,979 --> 00:03:08,600

me out here what are you doing I'm kind

78

00:03:13,330 --> 00:03:11,989

of praying to you to help me and there

79

00:03:16,120 --> 00:03:13,340

was the point here is the point

80

00:03:19,570 --> 00:03:16,130

here's the point what would you expect

81

00:03:22,539 --> 00:03:19,580

put yourself in that scenario what would

82

00:03:25,060 --> 00:03:22,549

you expect this medium who was a woman

83

00:03:27,640 --> 00:03:25,070

who was a mother of her own who was

84

00:03:31,360 --> 00:03:27,650

comforting what would you expect her to

85

00:03:33,220 --> 00:03:31,370

say at that point if you were skeptical

86

00:03:36,550 --> 00:03:33,230

if you said okay she's gonna say some

87

00:03:40,780 --> 00:03:36,560

standard stuff what would you expect her

88

00:03:42,670 --> 00:03:40,790

to say how about this like I hear I'm

89

00:03:44,770 --> 00:03:42,680

saying what do you mean it's I'm

90

00:03:47,830 --> 00:03:44,780

supposed to jump in and help he's like

91

00:03:52,780 --> 00:03:47,840

you're on your own well I gotta tell you

92

00:03:56,199 --> 00:03:52,790

when she said that I nearly fell off my

93

00:03:59,199 --> 00:03:56,209

chair because that's my dad that's my

94

00:04:04,539 --> 00:03:59,209

dad I can't tell you how many times he

95

00:04:07,840 --> 00:04:04,549

said that exact phrase so this is the

96

00:04:11,530 --> 00:04:07,850

part of medium readings that is hard to

97

00:04:14,440 --> 00:04:11,540

convey to people who are not convinced

98

00:04:18,190 --> 00:04:14,450

or super skeptical who don't want to try

99

00:04:21,760 --> 00:04:18,200

or be open to something more it's not

100

00:04:24,630 --> 00:04:21,770

about the data that data is great the

101  
00:04:26,930 --> 00:04:24,640  
researcher dr. Julie by shal confirming

102  
00:04:29,060 --> 00:04:26,940  
statistically scientific

103  
00:04:30,980 --> 00:04:29,070  
that this stuff happens after death

104  
00:04:33,950 --> 00:04:30,990  
communication is statistically

105  
00:04:37,220 --> 00:04:33,960  
significant that's great but what really

106  
00:04:41,390 --> 00:04:37,230  
happens that really changes people is

107  
00:04:42,710 --> 00:04:41,400  
they have this kind of connection but

108  
00:04:44,150 --> 00:04:42,720  
that's not the approach I took in the

109  
00:04:45,680 --> 00:04:44,160  
interview of course what I asked in the

110  
00:04:47,840 --> 00:04:45,690  
interview was just all the big-picture

111  
00:04:49,910 --> 00:04:47,850  
kind of skeptical stuff and it was

112  
00:04:51,650 --> 00:04:49,920  
really really interesting doesn't mean

113  
00:04:54,140 --> 00:04:51,660

she's right about everything but it's

114

00:04:56,240 --> 00:04:54,150

really interesting given that she can

115

00:05:00,260 --> 00:04:56,250

bring forth this other kind of stuff and

116

00:05:04,160 --> 00:05:00,270

have it be so meaningful it does make me

117

00:05:07,250 --> 00:05:04,170

wonder about the other stuff she has to

118

00:05:08,930 --> 00:05:07,260

say so all that's coming up I think

119

00:05:13,130 --> 00:05:08,940

you'll really enjoy this interview but

120

00:05:15,890 --> 00:05:13,140

before we get to it I want to ask for

121

00:05:19,460 --> 00:05:15,900

your help now you know skeptic Oh is

122

00:05:22,220 --> 00:05:19,470

free there's no pay while there's no ads

123

00:05:23,900 --> 00:05:22,230

there's no anything I do it because it

124

00:05:26,210 --> 00:05:23,910

doesn't cost a lot of money to do it and

125

00:05:29,180 --> 00:05:26,220

I love to do it and the reason I love to

126

00:05:32,240 --> 00:05:29,190

do it is because I grow so much by doing

127

00:05:34,850 --> 00:05:32,250

it and I grow so much by connecting with

128

00:05:37,100 --> 00:05:34,860

you you the listeners of skeptic oh and

129

00:05:38,990 --> 00:05:37,110

so many of you have become friends real

130

00:05:41,810 --> 00:05:39,000

friends and in a much deeper way than

131

00:05:44,240 --> 00:05:41,820

many of the people I know in my life but

132

00:05:47,510 --> 00:05:44,250

that connection that community is what

133

00:05:50,120 --> 00:05:47,520

it's all about to me and I haven't

134

00:05:52,970 --> 00:05:50,130

always found the best way to create that

135

00:05:55,340 --> 00:05:52,980

community or promote that community but

136

00:06:00,320 --> 00:05:55,350

it's a new year it's a new beginning and

137

00:06:03,500 --> 00:06:00,330

I want to try again to do that so what

138

00:06:06,950 --> 00:06:03,510

I'd ask you to do is just simply to

139

00:06:08,510 --> 00:06:06,960

connect and I'm gonna have a big easy

140

00:06:13,040 --> 00:06:08,520

way to do that if you visit the

141

00:06:14,960 --> 00:06:13,050

skeptical website at sk EPT lko and you

142

00:06:16,460 --> 00:06:14,970

can join the newsletter and it isn't

143

00:06:18,920 --> 00:06:16,470

really a newsletter it'll just be a way

144

00:06:22,220 --> 00:06:18,930

of us talking I'm not selling anything

145

00:06:24,110 --> 00:06:22,230

I'm not any interest in giving the list

146

00:06:26,810 --> 00:06:24,120

away or anything like that but it's just

147

00:06:28,760 --> 00:06:26,820

a way to connect and if you don't want

148

00:06:31,010 --> 00:06:28,770

to do that then please join the

149

00:06:32,600 --> 00:06:31,020

skeptical forum I want to be really

150

00:06:34,730 --> 00:06:32,610

active over there and I think I have

151

00:06:36,950 --> 00:06:34,740

been pretty active but if you join the

152

00:06:39,590 --> 00:06:36,960

skeptical forum it's just kind of a way

153

00:06:40,440 --> 00:06:39,600

for us to dive deeper and I know we can

154

00:06:43,590 --> 00:06:40,450

do that on a bunch

155

00:06:46,350 --> 00:06:43,600

other social media platforms but I just

156

00:06:49,200 --> 00:06:46,360

don't always wind up getting over there

157

00:06:51,240 --> 00:06:49,210

to those but I will if that's where you

158

00:06:53,040 --> 00:06:51,250

want me to go and along those same lines

159

00:06:55,200 --> 00:06:53,050

you know when you do connect with me I

160

00:06:58,740 --> 00:06:55,210

hope we can also have a dialogue about

161

00:07:01,050 --> 00:06:58,750

where you'd like to see the show go and

162

00:07:03,000 --> 00:07:01,060

I say that with the caveat that that

163

00:07:05,940 --> 00:07:03,010

doesn't mean necessarily that's where

164

00:07:08,120 --> 00:07:05,950

I'm gonna take the show but I at least

165

00:07:11,790 --> 00:07:08,130

want to know where you're coming from

166

00:07:14,520 --> 00:07:11,800

what you like what you don't like what

167

00:07:16,470 --> 00:07:14,530

guest you'd like to see if you'd like to

168

00:07:18,480 --> 00:07:16,480

help me bring some of those guests

169

00:07:19,830 --> 00:07:18,490

forward which is something I always ask

170

00:07:22,050 --> 00:07:19,840

people to do because I like to get

171

00:07:24,330 --> 00:07:22,060

people involved in the show on that

172

00:07:27,570 --> 00:07:24,340

level rather than kind of take this

173

00:07:30,390 --> 00:07:27,580

passive like okay dish up the next show

174

00:07:32,940 --> 00:07:30,400

because you owe me because I subscribe

175

00:07:35,370 --> 00:07:32,950

to your podcast kind of thing I mean

176  
00:07:37,980 --> 00:07:35,380  
that's not where I'm coming from where

177  
00:07:40,410 --> 00:07:37,990  
I'm coming from is look we're trying to

178  
00:07:44,940 --> 00:07:40,420  
figure this stuff out together so I'll

179  
00:07:46,710 --> 00:07:44,950  
do my part you do your part so you know

180  
00:07:48,660 --> 00:07:46,720  
that's I guess the first part of this

181  
00:07:50,490 --> 00:07:48,670  
connection thing so I'm asking you I'm

182  
00:07:53,340 --> 00:07:50,500  
reaching out to you come on reach back

183  
00:07:56,160 --> 00:07:53,350  
and tell me that you're out there and

184  
00:07:59,580 --> 00:07:56,170  
then let's figure out where we're gonna

185  
00:08:03,300 --> 00:07:59,590  
go with this really cool skeptical thing

186  
00:08:06,120 --> 00:08:03,310  
we've created okay so enough of that

187  
00:08:08,690 --> 00:08:06,130  
let's get on to my interview with

188  
00:08:22,610 --> 00:08:08,700

Marissa Ryan

189

00:08:24,290 --> 00:08:22,620

Oh Marissa is a talented psychic and

190

00:08:26,540 --> 00:08:24,300

medium whose abilities have been

191

00:08:28,340 --> 00:08:26,550

verified by our friend dr. Julie by

192

00:08:30,890 --> 00:08:28,350

she'll at the Wynn bridge Institute and

193

00:08:33,740 --> 00:08:30,900

by the person who most recently

194

00:08:36,050 --> 00:08:33,750

recommended her to me a skeptical

195

00:08:39,200 --> 00:08:36,060

listener Johnny who's helped me book

196

00:08:40,700 --> 00:08:39,210

some shows previously Marissa it's great

197

00:08:45,140 --> 00:08:40,710

to have you here thanks for joining me

198

00:08:48,020 --> 00:08:45,150

thank you so much as I just mentioned to

199

00:08:49,910 --> 00:08:48,030

you having listened to some of your

200

00:08:52,730 --> 00:08:49,920

YouTube presentations and some of your

201  
00:08:55,520 --> 00:08:52,740  
interviews as well as some of the shows

202  
00:08:57,670 --> 00:08:55,530  
that you do I know you're pretty much

203  
00:09:00,560 --> 00:08:57,680  
comfortable with the rapid-fire

204  
00:09:02,990 --> 00:09:00,570  
questioning thing so I thought we must

205  
00:09:04,820 --> 00:09:03,000  
we might just jump right into this and

206  
00:09:08,150 --> 00:09:04,830  
see where it goes

207  
00:09:10,790 --> 00:09:08,160  
oh absolutely go for it rapid fire away

208  
00:09:13,040 --> 00:09:10,800  
hahaha well I have to start by saying

209  
00:09:16,850 --> 00:09:13,050  
you're about the only person I've ever

210  
00:09:19,579 --> 00:09:16,860  
heard of who started their psychic slash

211  
00:09:22,250 --> 00:09:19,589  
a medium career as a psychic detective

212  
00:09:24,200 --> 00:09:22,260  
that the first case they ever did the

213  
00:09:25,610 --> 00:09:24,210

first experience they ever did do you

214

00:09:28,880 --> 00:09:25,620

want to tell folks a little bit about

215

00:09:33,410 --> 00:09:28,890

that yeah well I mean really how I

216

00:09:35,240 --> 00:09:33,420

started was I never had I've never

217

00:09:36,920 --> 00:09:35,250

talked to spirits I didn't think I was

218

00:09:39,740 --> 00:09:36,930

psychic my entire life growing up and

219

00:09:42,430 --> 00:09:39,750

then I had a tragic loss of my mother

220

00:09:45,170 --> 00:09:42,440

and niece both died two days apart and

221

00:09:48,200 --> 00:09:45,180

that kind of made me starting to wonder

222

00:09:50,810 --> 00:09:48,210

like okay where did they go what happens

223

00:09:53,150 --> 00:09:50,820

when they die you know and I started

224

00:09:55,940 --> 00:09:53,160

doing some research but you know a year

225

00:09:57,950 --> 00:09:55,950

went by and life gotten away and I had a

226

00:10:01,190 --> 00:09:57,960

baby that was a surprise and all these

227

00:10:04,340 --> 00:10:01,200

things happen and then really started

228

00:10:06,110 --> 00:10:04,350

looking into my niece's death because I

229

00:10:09,590 --> 00:10:06,120

didn't understand why she would have

230

00:10:11,210 --> 00:10:09,600

died being in perfect health and what

231

00:10:14,840 --> 00:10:11,220

happened was a friend of mine had

232

00:10:15,350 --> 00:10:14,850

emailed me about it's just really crazy

233

00:10:17,180 --> 00:10:15,360

story

234

00:10:20,350 --> 00:10:17,190

her cats went missing and she emailed me

235

00:10:22,430 --> 00:10:20,360

that she had gone to some pet medium and

236

00:10:24,500 --> 00:10:22,440

psychic or something like that to find

237

00:10:28,620 --> 00:10:24,510

out why her cat her cats were missing

238

00:10:30,420 --> 00:10:28,630

and this murder victim came in

239

00:10:32,160 --> 00:10:30,430

happen to have lived in the neighborhood

240

00:10:34,530 --> 00:10:32,170

that we had lived in that I had lived in

241

00:10:36,500 --> 00:10:34,540

prior and so long story short she sends

242

00:10:39,480 --> 00:10:36,510

me to email the article of this girl

243

00:10:40,710 --> 00:10:39,490

saying hey do you remember her you know

244

00:10:43,560 --> 00:10:40,720

she used to ride her bike in our

245

00:10:45,060 --> 00:10:43,570

neighborhood and I went to talk about my

246

00:10:46,860 --> 00:10:45,070

caste and all of a sudden this murder

247

00:10:50,100 --> 00:10:46,870

girl came in and she had brought my name

248

00:10:51,630 --> 00:10:50,110

up you know Marisa and she's like I

249

00:10:54,660 --> 00:10:51,640

don't understand what's going on and I

250

00:10:56,220 --> 00:10:54,670

of course me I'm thinking I my friends a

251  
00:10:57,660 --> 00:10:56,230  
little kooky and I'm thinking I don't

252  
00:11:00,180 --> 00:10:57,670  
know what you think I'm gonna do about

253  
00:11:01,800 --> 00:11:00,190  
it anyways I looked at the article and I

254  
00:11:04,050 --> 00:11:01,810  
went wow what a sad story and I closed

255  
00:11:06,570 --> 00:11:04,060  
my computer and when I did that all of a

256  
00:11:10,080 --> 00:11:06,580  
sudden I heard my name being called then

257  
00:11:12,600 --> 00:11:10,090  
I turned around and I saw the spirit of

258  
00:11:14,640 --> 00:11:12,610  
a of the girl that was in the article

259  
00:11:18,270 --> 00:11:14,650  
standing in front of me and as she was

260  
00:11:22,410 --> 00:11:18,280  
moving back and forth and around I could

261  
00:11:26,190 --> 00:11:22,420  
see touch where her head arms and legs

262  
00:11:28,110 --> 00:11:26,200  
were and so I at first thought I was

263  
00:11:31,590 --> 00:11:28,120

just seeing things and losing my mind as

264

00:11:35,520 --> 00:11:31,600

normal I'm a pretty I'm pretty much a

265

00:11:39,540 --> 00:11:35,530

skeptic myself so she started talking to

266

00:11:40,950 --> 00:11:39,550

me and I was like okay and okay if I'm

267

00:11:42,900 --> 00:11:40,960

making this up let's go for it we'll

268

00:11:45,660 --> 00:11:42,910

just go along with it and she started

269

00:11:48,660 --> 00:11:45,670

showing me her murder when I was like a

270

00:11:50,460 --> 00:11:48,670

video playing and I could see in my mind

271

00:11:52,050 --> 00:11:50,470

this whole murder like I was floating

272

00:11:53,940 --> 00:11:52,060

above watching the whole thing and she's

273

00:11:56,220 --> 00:11:53,950

like narrating it as words she's showing

274

00:11:57,390 --> 00:11:56,230

it to me and then I was kind of like

275

00:11:59,520 --> 00:11:57,400

okay I don't know what to do with this

276

00:12:01,350 --> 00:11:59,530

thank you and then I just was like I'm

277

00:12:04,980 --> 00:12:01,360

going to bed because this is just so

278

00:12:07,080 --> 00:12:04,990

weird and she wouldn't leave my bed she

279

00:12:08,730 --> 00:12:07,090

wouldn't leave my bedroom and she kept

280

00:12:12,600 --> 00:12:08,740

saying you have to call the police so

281

00:12:15,000 --> 00:12:12,610

the next day very reluctantly I I called

282

00:12:17,040 --> 00:12:15,010

the I went back to that article and

283

00:12:19,110 --> 00:12:17,050

found out what police department was and

284

00:12:21,090 --> 00:12:19,120

called them up and said hey you're gonna

285

00:12:22,470 --> 00:12:21,100

think I'm nuts but and I left this on a

286

00:12:24,660 --> 00:12:22,480

voicemail message because they did not

287

00:12:27,770 --> 00:12:24,670

answer the type of fitness of the phone

288

00:12:31,590 --> 00:12:27,780

I said I think I just spoke to this

289

00:12:33,450 --> 00:12:31,600

spirit of this murdered girl and I had a

290

00:12:34,710 --> 00:12:33,460

phone call back in five minutes come on

291

00:12:38,190 --> 00:12:34,720

and we're going to put the handcuffs on

292

00:12:40,500 --> 00:12:38,200

you which is difficult right well I mean

293

00:12:42,120 --> 00:12:40,510

the first thing I told them I said yeah

294

00:12:44,100 --> 00:12:42,130

I'm just I'm a mom you know

295

00:12:45,930 --> 00:12:44,110

I have a job and my mom I go I don't

296

00:12:47,580 --> 00:12:45,940

even know what I'm doing I go but this

297

00:12:49,350 --> 00:12:47,590

girl showed up and I go yeah I know

298

00:12:50,940 --> 00:12:49,360

you're gonna think I'm crazy and of

299

00:12:52,800 --> 00:12:50,950

course the first thing they said was you

300

00:12:54,420 --> 00:12:52,810

know well what did she say and I said

301  
00:12:58,790 --> 00:12:54,430  
well she told me you haven't found her

302  
00:13:01,260 --> 00:12:58,800  
head yet and the minute I said that

303  
00:13:05,250 --> 00:13:01,270  
because nothing was in the article about

304  
00:13:06,960 --> 00:13:05,260  
how she was killed then they said we

305  
00:13:10,530 --> 00:13:06,970  
want to meet with you and so that

306  
00:13:14,040 --> 00:13:10,540  
afternoon I met with them in the parking

307  
00:13:16,020 --> 00:13:14,050  
lot of a target a local target and they

308  
00:13:18,090 --> 00:13:16,030  
had a whole file on me with my picture

309  
00:13:20,790 --> 00:13:18,100  
and they wanted to know all this

310  
00:13:22,890 --> 00:13:20,800  
information about me and because they

311  
00:13:24,570 --> 00:13:22,900  
thought I knew things I guess that no

312  
00:13:25,830 --> 00:13:24,580  
one else knew and so of course they

313  
00:13:27,690 --> 00:13:25,840

thought I would be there a part of the

314

00:13:32,040 --> 00:13:27,700

murder or I knew who the murderers were

315

00:13:34,230 --> 00:13:32,050

and so yeah from basically I drove them

316

00:13:37,230 --> 00:13:34,240

about 15 miles around this lake and

317

00:13:40,140 --> 00:13:37,240

pointed out areas that she claimed

318

00:13:42,120 --> 00:13:40,150

information and that she was in the car

319

00:13:43,830 --> 00:13:42,130

showing me where to drive and they ended

320

00:13:45,810 --> 00:13:43,840

up finding her body parts in one of the

321

00:13:48,180 --> 00:13:45,820

locations and so then they really

322

00:13:51,510 --> 00:13:48,190

thought something but they had no proof

323

00:13:53,820 --> 00:13:51,520

that I was involved and from that moment

324

00:13:55,170 --> 00:13:53,830

on she told everybody on the other side

325

00:13:57,870 --> 00:13:55,180

I could hear her and see her and then

326

00:14:01,440 --> 00:13:57,880

they all started showing up and then it

327

00:14:03,480 --> 00:14:01,450

was like okay so what's going on and I

328

00:14:05,580 --> 00:14:03,490

so I was at my job and I would start

329

00:14:09,450 --> 00:14:05,590

seeing spirits of people standing behind

330

00:14:11,220 --> 00:14:09,460

you know the store owners and people

331

00:14:13,380 --> 00:14:11,230

following people and I could tell the

332

00:14:17,610 --> 00:14:13,390

difference between spirit and a real

333

00:14:22,020 --> 00:14:17,620

person and yeah I just kind of went

334

00:14:25,710 --> 00:14:22,030

crazy from there and it became my life I

335

00:14:27,090 --> 00:14:25,720

I mean I loved my career I had I really

336

00:14:28,830 --> 00:14:27,100

didn't want to leave my career but after

337

00:14:31,050 --> 00:14:28,840

three years of doing both I actually

338

00:14:32,490 --> 00:14:31,060

ended up leaving my career because I was

339

00:14:35,700 --> 00:14:32,500

kind of going insane trying to do both

340

00:14:37,680 --> 00:14:35,710

but yeah and it's basically been my

341

00:14:41,880 --> 00:14:37,690

career ever since I mean that was 16

342

00:14:45,000 --> 00:14:41,890

years ago and it's been an amazing ride

343

00:14:48,540 --> 00:14:45,010

and it's you know was very hard at first

344

00:14:51,900 --> 00:14:48,550

it kind of takes over your body and your

345

00:14:55,410 --> 00:14:51,910

mind and you know spirits are very

346

00:14:58,229 --> 00:14:55,420

persistent but it's very rewarding

347

00:15:00,389 --> 00:14:58,239

I've learned a lot of crazy things like

348

00:15:02,100 --> 00:15:00,399

you can you know set hours and have

349

00:15:05,179 --> 00:15:02,110

boundaries and which I didn't know

350

00:15:08,039 --> 00:15:05,189

either I mean I seek the help of other

351

00:15:10,439 --> 00:15:08,049

psychics of I don't know what I'm doing

352

00:15:12,389 --> 00:15:10,449

and can you help me and you know they

353

00:15:15,449 --> 00:15:12,399

were like nope this is your thing you

354

00:15:18,689 --> 00:15:15,459

need to do this but I anyway yeah it's

355

00:15:21,689 --> 00:15:18,699

been a crazy wonderful ride and I talk

356

00:15:23,999 --> 00:15:21,699

to the dead every single day for

357

00:15:27,449 --> 00:15:24,009

thousands of people and I you know I'm

358

00:15:29,970 --> 00:15:27,459

kind of on a mission right now to teach

359

00:15:32,789 --> 00:15:29,980

other people to do what I do and to open

360

00:15:34,829 --> 00:15:32,799

up their god-given gifts because it's

361

00:15:37,710 --> 00:15:34,839

really needed because it creates a lot

362

00:15:40,139 --> 00:15:37,720

of healing and um but it's been really

363

00:15:42,780 --> 00:15:40,149

fun the one question I guess is an

364

00:15:46,139 --> 00:15:42,790

awesome story I've studied the psychic

365

00:15:49,470 --> 00:15:46,149

detective kind of phenomenon on the show

366

00:15:51,960 --> 00:15:49,480

and have actually done some sessions I

367

00:15:54,960 --> 00:15:51,970

did an extensive kind of interview with

368

00:15:56,429 --> 00:15:54,970

a skeptic guy who we both investigated

369

00:15:59,400 --> 00:15:56,439

this case and we interviewed the police

370

00:16:01,229 --> 00:15:59,410

detectives and the psychic detective and

371

00:16:04,280 --> 00:16:01,239

was really pretty interesting thing we

372

00:16:06,269 --> 00:16:04,290

did years ago I have to ask was the case

373

00:16:08,340 --> 00:16:06,279

resolved for the police were they able

374

00:16:09,780 --> 00:16:08,350

to solve the case because a lot of

375

00:16:12,499 --> 00:16:09,790

people don't realize just because you

376

00:16:14,489 --> 00:16:12,509

give them valid information doesn't

377

00:16:18,929 --> 00:16:14,499

necessarily mean they can solve the case

378

00:16:21,150 --> 00:16:18,939

in this instance were they able to no no

379

00:16:23,929 --> 00:16:21,160

no they were not able to solve it I

380

00:16:27,119 --> 00:16:23,939

thought that I was meant to solve it and

381

00:16:28,859 --> 00:16:27,129

later to just realize I really wasn't

382

00:16:30,720 --> 00:16:28,869

meant to solve it the biggest issue is

383

00:16:33,559 --> 00:16:30,730

weed I searched for a year and a half

384

00:16:38,039 --> 00:16:33,569

for her head we never found her head and

385

00:16:41,069 --> 00:16:38,049

I sketched the three men that did it and

386

00:16:42,900 --> 00:16:41,079

they ended up validating about eight

387

00:16:45,119 --> 00:16:42,910

months later that they were the three

388

00:16:49,889 --> 00:16:45,129

men that they thought had done it but

389

00:16:52,919 --> 00:16:49,899

one of the men who's now dead one of the

390

00:16:55,199 --> 00:16:52,929

men was an attorney and once they had

391

00:16:57,929 --> 00:16:55,209

alibis and one of them failed a

392

00:17:03,329 --> 00:16:57,939

polygraph but the problem was is with no

393

00:17:07,260 --> 00:17:03,339

witness with no weapon and they were

394

00:17:09,030 --> 00:17:07,270

missing some DNA they could not pin them

395

00:17:11,190 --> 00:17:09,040

on this you

396

00:17:14,750 --> 00:17:11,200

though they knew to a point where one of

397

00:17:17,340 --> 00:17:14,760

the detectives literally two years ago

398

00:17:19,950 --> 00:17:17,350

called me up and said hey I'm retired

399

00:17:22,350 --> 00:17:19,960

now but I can't stop working on this

400

00:17:24,990 --> 00:17:22,360

case like I have to see closure

401  
00:17:26,400 --> 00:17:25,000  
will you help me one of them have one of

402  
00:17:28,020 --> 00:17:26,410  
them died and I want to see if you can

403  
00:17:32,280 --> 00:17:28,030  
contact him and he'll tell it give you

404  
00:17:33,840 --> 00:17:32,290  
more information and yeah and I was like

405  
00:17:35,460 --> 00:17:33,850  
and he brought the key still had the

406  
00:17:38,250 --> 00:17:35,470  
case and we had breakfast and he showed

407  
00:17:41,760 --> 00:17:38,260  
me the case and everything long story

408  
00:17:44,280 --> 00:17:41,770  
short is I I could not get the guy to

409  
00:17:45,480 --> 00:17:44,290  
come to me the spirit would not come to

410  
00:17:50,730 --> 00:17:45,490  
me he didn't want to tell me anything

411  
00:17:53,160 --> 00:17:50,740  
and so no and so many people in you know

412  
00:17:55,500 --> 00:17:53,170  
criticized and said oh yeah she solved

413  
00:17:57,930 --> 00:17:55,510

the case or she thinks she did or what

414

00:17:59,700 --> 00:17:57,940

no I didn't get solved and just because

415

00:18:02,700 --> 00:17:59,710

I mean given information doesn't mean

416

00:18:03,660 --> 00:18:02,710

I'm solving I have solved their missing

417

00:18:06,120 --> 00:18:03,670

persons cases

418

00:18:11,370 --> 00:18:06,130

that I got closure and we found the

419

00:18:12,900 --> 00:18:11,380

bodies but no this never was solved well

420

00:18:15,600 --> 00:18:12,910

that's interesting isn't it I mean

421

00:18:18,510 --> 00:18:15,610

there's a lot to kind of unpack there in

422

00:18:19,710 --> 00:18:18,520

a million different ways but let me kind

423

00:18:22,560 --> 00:18:19,720

of take it in a slightly different

424

00:18:25,320 --> 00:18:22,570

direction because so a lot of people

425

00:18:27,480 --> 00:18:25,330

hear that story and they'll have all the

426

00:18:29,100 --> 00:18:27,490

reservations that people have about all

427

00:18:31,500 --> 00:18:29,110

this stuff and then it's added

428

00:18:33,780 --> 00:18:31,510

compounded by the fact like he said that

429

00:18:35,160 --> 00:18:33,790

people get hung up on well then why you

430

00:18:38,010 --> 00:18:35,170

know if she could communicate with you

431

00:18:39,630 --> 00:18:38,020

why didn't she say this and that and I

432

00:18:42,510 --> 00:18:39,640

don't even want to go there necessarily

433

00:18:44,820 --> 00:18:42,520

because those are kind of these level 1

434

00:18:46,230 --> 00:18:44,830

questions that I've handled over and

435

00:18:48,030 --> 00:18:46,240

over and over again over the years and

436

00:18:50,280 --> 00:18:48,040

if people want to they can go back and

437

00:18:53,160 --> 00:18:50,290

listen to all those previous shows and

438

00:18:54,780 --> 00:18:53,170

my interviews with dr. Julie by Sholem

439

00:18:56,730 --> 00:18:54,790

Bridge Institute and all that stuff but

440

00:18:59,310 --> 00:18:56,740

one question I wanted to ask about Wynn

441

00:19:01,170 --> 00:18:59,320

bridge I know her testing process is

442

00:19:03,210 --> 00:19:01,180

really extensive and I've heard from

443

00:19:04,950 --> 00:19:03,220

other mediums who have gone through it

444

00:19:07,350 --> 00:19:04,960

that it's just incredibly rigorous what

445

00:19:09,450 --> 00:19:07,360

was it like for you being quote/unquote

446

00:19:11,540 --> 00:19:09,460

tested is that something you wanted to

447

00:19:15,510 --> 00:19:11,550

do and what was it like going through it

448

00:19:18,330 --> 00:19:15,520

yeah well you know I find myself up for

449

00:19:21,880 --> 00:19:18,340

when she was with dr. Gary Schwartz and

450

00:19:23,470 --> 00:19:21,890

then way back at the very beginning huh

451  
00:19:25,990 --> 00:19:23,480  
back at the very beginning because I

452  
00:19:27,730 --> 00:19:26,000  
this is a safe I'm a skeptic and even

453  
00:19:29,080 --> 00:19:27,740  
though I do what I do it took a lot for

454  
00:19:31,660 --> 00:19:29,090  
me to believe that I was doing what I do

455  
00:19:35,290 --> 00:19:31,670  
I thought I was making it all up it took

456  
00:19:39,220 --> 00:19:35,300  
a lot of validation and I really wanted

457  
00:19:41,740 --> 00:19:39,230  
to go a step further and and I get more

458  
00:19:44,800 --> 00:19:41,750  
proof if you can actually get more proof

459  
00:19:46,630 --> 00:19:44,810  
and so I signed up to do it and then my

460  
00:19:48,220 --> 00:19:46,640  
father became ill and I had to move him

461  
00:19:49,840 --> 00:19:48,230  
in and take care of him so I dropped out

462  
00:19:52,510 --> 00:19:49,850  
of the program because I didn't have the

463  
00:19:55,900 --> 00:19:52,520

time but then Julie started up Lynn

464

00:19:58,690 --> 00:19:55,910

bridge and I you know saw that and I

465

00:20:01,180 --> 00:19:58,700

thought you know I have fine now so I

466

00:20:02,770 --> 00:20:01,190

really wanted to do it I call I you know

467

00:20:04,330 --> 00:20:02,780

I emailed her and said hey I really want

468

00:20:07,570 --> 00:20:04,340

to do this I think that was the last

469

00:20:10,120 --> 00:20:07,580

medium brought on and it was it was

470

00:20:12,010 --> 00:20:10,130

extensive I mean I didn't find it hard

471

00:20:15,780 --> 00:20:12,020

it could be intimidating it's it's

472

00:20:19,300 --> 00:20:15,790

complete blind study so it is she is

473

00:20:23,170 --> 00:20:19,310

incredible at the way she does the

474

00:20:25,480 --> 00:20:23,180

process of keeping everything you know

475

00:20:27,520 --> 00:20:25,490

completely under wraps we don't know

476

00:20:30,010 --> 00:20:27,530

anything sometimes we don't even hear a

477

00:20:33,660 --> 00:20:30,020

voice we don't even know a name we don't

478

00:20:36,640 --> 00:20:33,670

know anything and I've actually flown in

479

00:20:39,040 --> 00:20:36,650

to where Winn bridges and done some

480

00:20:41,410 --> 00:20:39,050

testing through like blood analysis and

481

00:20:44,280 --> 00:20:41,420

things like that as well and we don't

482

00:20:46,210 --> 00:20:44,290

even get results those are all

483

00:20:49,210 --> 00:20:46,220

confidential so we don't even get the

484

00:20:53,140 --> 00:20:49,220

results all I know is whatever I did in

485

00:20:55,720 --> 00:20:53,150

the process of you know what she puts us

486

00:20:57,670 --> 00:20:55,730

through I passed and became one of the

487

00:21:00,070 --> 00:20:57,680

research mediums and it's a fantastic

488

00:21:02,740 --> 00:21:00,080

process that she has and it's really a

489

00:21:05,530 --> 00:21:02,750

wonderful Institute and it's for a great

490

00:21:07,270 --> 00:21:05,540

cause and you know even to this day and

491

00:21:12,190 --> 00:21:07,280

I've been doing this for 16 years I

492

00:21:13,930 --> 00:21:12,200

still question everything and I want to

493

00:21:16,480 --> 00:21:13,940

say to you Pete when you and made the

494

00:21:19,150 --> 00:21:16,490

comment that you don't want to go there

495

00:21:21,160 --> 00:21:19,160

because people think that spirit is

496

00:21:22,720 --> 00:21:21,170

supposed to don't have all the knowledge

497

00:21:25,240 --> 00:21:22,730

and why aren't they giving us the

498

00:21:27,520 --> 00:21:25,250

information I kind of like to go there

499

00:21:30,400 --> 00:21:27,530

because this is the thing we have

500

00:21:32,110 --> 00:21:30,410

mediums we don't have all the answers we

501  
00:21:33,940 --> 00:21:32,120  
don't know why they give us what they do

502  
00:21:34,760 --> 00:21:33,950  
and why they don't give us what they

503  
00:21:37,190 --> 00:21:34,770  
won't

504  
00:21:40,370 --> 00:21:37,200  
um we just we're just here to receive

505  
00:21:42,230 --> 00:21:40,380  
and we're lucky we get anything and you

506  
00:21:44,570 --> 00:21:42,240  
know spirit from what my understanding

507  
00:21:46,070 --> 00:21:44,580  
few years and years of doing this now is

508  
00:21:50,900 --> 00:21:46,080  
they don't have all the answers either

509  
00:21:53,240 --> 00:21:50,910  
and so yeah maybe it wasn't solved and

510  
00:21:55,310 --> 00:21:53,250  
maybe it's for a reason there wasn't it

511  
00:21:58,340 --> 00:21:55,320  
wasn't supposed to be solved you know I

512  
00:22:01,490 --> 00:21:58,350  
had heard that there was possibly family

513  
00:22:04,430 --> 00:22:01,500

involved and there was you know there's

514

00:22:06,410 --> 00:22:04,440

reason there's reasons and I'm that is

515

00:22:08,120 --> 00:22:06,420

something to me creator only knows his

516

00:22:11,720 --> 00:22:08,130

reasons and I may never find out those

517

00:22:14,720 --> 00:22:11,730

reasons so you know it it's a good

518

00:22:17,630 --> 00:22:14,730

question for people to ask why is spirit

519

00:22:20,450 --> 00:22:17,640

not giving me all the details believe me

520

00:22:23,810 --> 00:22:20,460

I've had screaming matches arguments

521

00:22:25,610 --> 00:22:23,820

with the spirits themselves of why and I

522

00:22:28,010 --> 00:22:25,620

still don't always get all the answers

523

00:22:30,230 --> 00:22:28,020

and that's you know that's just that's I

524

00:22:32,650 --> 00:22:30,240

guess called fate but you just have to

525

00:22:35,210 --> 00:22:32,660

go with what you get well that's really

526

00:22:39,800 --> 00:22:35,220

interesting too and I'm glad you brought

527

00:22:41,690 --> 00:22:39,810

that up where I've tried to go with this

528

00:22:45,200 --> 00:22:41,700

thing and I've been at it for a long way

529

00:22:47,120 --> 00:22:45,210

is try to blend in the best we have of

530

00:22:49,760 --> 00:22:47,130

science and I put science and the air

531

00:22:52,480 --> 00:22:49,770

quotes there because so much of the

532

00:22:55,910 --> 00:22:52,490

science we have is tied to this very

533

00:22:58,700 --> 00:22:55,920

mechanistic materialistic nonsense that

534

00:23:00,770 --> 00:22:58,710

completely isn't looking at this but

535

00:23:02,830 --> 00:23:00,780

then like you like we both said you know

536

00:23:05,600 --> 00:23:02,840

Julie's doing good work because she's

537

00:23:08,450 --> 00:23:05,610

handling the the natural doubts that

538

00:23:10,310 --> 00:23:08,460

curious people have in a way that tries

539

00:23:12,920 --> 00:23:10,320

to help them purchase from a reason

540

00:23:14,060 --> 00:23:12,930

standpoint and then at this other hand

541

00:23:15,830 --> 00:23:14,070

you know we have to jump over to what

542

00:23:19,450 --> 00:23:15,840

you're saying is saying if you really

543

00:23:21,950 --> 00:23:19,460

want solid kind of lockdown reasoned

544

00:23:23,930 --> 00:23:21,960

answers to all this forget it you're not

545

00:23:26,990 --> 00:23:23,940

going to get that at the end so we're

546

00:23:28,640 --> 00:23:27,000

kind of walking in these two worlds and

547

00:23:31,070 --> 00:23:28,650

that's really where I wanted to take you

548

00:23:33,410 --> 00:23:31,080

in this interview because I have a lot

549

00:23:34,970 --> 00:23:33,420

of questions and these are like beep you

550

00:23:37,430 --> 00:23:34,980

know the other thing like you said did

551  
00:23:38,690 --> 00:23:37,440  
you ask me anything and it's like I was

552  
00:23:40,820 --> 00:23:38,700  
preparing for the cinder ground I'm like

553  
00:23:43,400 --> 00:23:40,830  
this is kind of insane in a way I mean

554  
00:23:45,410 --> 00:23:43,410  
I'm asking the biggest questions and I'm

555  
00:23:48,380 --> 00:23:45,420  
just turning him over to Marisa because

556  
00:23:51,050 --> 00:23:48,390  
she can talk to spirit and therefore

557  
00:23:53,300 --> 00:23:51,060  
I'm gonna get like all this big big

558  
00:23:55,310 --> 00:23:53,310  
picture answers like well why should we

559  
00:23:58,850 --> 00:23:55,320  
expect it to be that simple so of course

560  
00:24:00,980 --> 00:23:58,860  
it isn't but we shall try so here's for

561  
00:24:04,250 --> 00:24:00,990  
example you know one of the things that

562  
00:24:07,070 --> 00:24:04,260  
I investigated pretty early on is like

563  
00:24:09,260 --> 00:24:07,080

the work of dr. Dean Radin who is this

564

00:24:12,200 --> 00:24:09,270

guy who's done this amazing scientific

565

00:24:14,150 --> 00:24:12,210

work on precognition or presentiment

566

00:24:16,670 --> 00:24:14,160

feeling the future and he has these

567

00:24:18,890 --> 00:24:16,680

great experiments that show no question

568

00:24:21,410 --> 00:24:18,900

that these people in these laboratory

569

00:24:24,200 --> 00:24:21,420

settings are able to you know I have

570

00:24:27,260 --> 00:24:24,210

precognitive precognitive experiences

571

00:24:29,450 --> 00:24:27,270

well what the hell does that mean what

572

00:24:33,950 --> 00:24:29,460

does that mean about our relationship to

573

00:24:35,480 --> 00:24:33,960

time yeah exactly and that's something

574

00:24:38,600 --> 00:24:35,490

that we may not ever get an explanation

575

00:24:41,570 --> 00:24:38,610

on why are we fed bits and pieces and

576  
00:24:44,060 --> 00:24:41,580  
it's frustrating because people expect

577  
00:24:46,070 --> 00:24:44,070  
the spirit to be able to give their

578  
00:24:48,530 --> 00:24:46,080  
address social security number blood

579  
00:24:51,530 --> 00:24:48,540  
type and you know I I don't know why

580  
00:24:53,300 --> 00:24:51,540  
they don't that's that's up to them what

581  
00:24:55,910 --> 00:24:53,310  
a spirit telling you about time and

582  
00:24:58,400 --> 00:24:55,920  
about the future and about precognition

583  
00:25:01,070 --> 00:24:58,410  
and what that might mean in terms of how

584  
00:25:04,640 --> 00:25:01,080  
we experience this kind of time strip

585  
00:25:07,100 --> 00:25:04,650  
that we're in well what they tell me is

586  
00:25:09,560 --> 00:25:07,110  
the time there's two different

587  
00:25:12,590 --> 00:25:09,570  
dimensions there's the other side which

588  
00:25:16,280 --> 00:25:12,600

is where the souls live and then there's

589

00:25:19,820 --> 00:25:16,290

the human dimension where we are here

590

00:25:22,130 --> 00:25:19,830

three dimensionally and this is what

591

00:25:25,370 --> 00:25:22,140

they're telling me is that the time is

592

00:25:30,050 --> 00:25:25,380

much faster over there okay much faster

593

00:25:32,750 --> 00:25:30,060

this is a much slower pace here but that

594

00:25:34,790 --> 00:25:32,760

and that they can come and go they can

595

00:25:37,820 --> 00:25:34,800

come and go through the veil if you want

596

00:25:40,760 --> 00:25:37,830

to call it you know back and forth from

597

00:25:42,650 --> 00:25:40,770

the dimensions so that's something that

598

00:25:45,380 --> 00:25:42,660

they can do as far as is everything

599

00:25:47,480 --> 00:25:45,390

pre-written in the future no no we are

600

00:25:49,400 --> 00:25:47,490

given free will I mean look at how bad

601  
00:25:51,170 --> 00:25:49,410  
we've screwed up our planet I mean we're

602  
00:25:53,630 --> 00:25:51,180  
given free will to do a lot of things so

603  
00:25:56,090 --> 00:25:53,640  
not everything's pre written in stone

604  
00:25:57,920 --> 00:25:56,100  
it's not like we're in the matrix and

605  
00:26:00,950 --> 00:25:57,930  
we're living out a simulation you know

606  
00:26:02,150 --> 00:26:00,960  
that's not what it's about at all what

607  
00:26:04,690 --> 00:26:02,160  
does that say in

608  
00:26:07,580 --> 00:26:04,700  
how does that relate to the question of

609  
00:26:10,040 --> 00:26:07,590  
reincarnation I've had a great dialogue

610  
00:26:11,750 --> 00:26:10,050  
with dr. Jim Tucker from the University

611  
00:26:15,710 --> 00:26:11,760  
of Virginia they've done more research

612  
00:26:19,850 --> 00:26:15,720  
than anyone on this past life phenomenon

613  
00:26:21,440 --> 00:26:19,860

as as it relates to particular cases you

614

00:26:23,600 --> 00:26:21,450

know and they've done all that but then

615

00:26:26,180 --> 00:26:23,610

I've had other guests on the show that

616

00:26:28,640 --> 00:26:26,190

have said you know the our understanding

617

00:26:30,020 --> 00:26:28,650

of reincarnation is again mistaken

618

00:26:31,420 --> 00:26:30,030

because of our misunderstanding about

619

00:26:35,050 --> 00:26:31,430

time and that we're really living

620

00:26:37,490 --> 00:26:35,060

multiple lives simultaneously and then

621

00:26:39,650 --> 00:26:37,500

again the work from the University of

622

00:26:42,440 --> 00:26:39,660

Virginia says well no people here are

623

00:26:45,140 --> 00:26:42,450

now experiencing memories of like a

624

00:26:46,730 --> 00:26:45,150

direct past life like 50 years ago and

625

00:26:48,680 --> 00:26:46,740

here's all the evidence for that what a

626  
00:26:51,880 --> 00:26:48,690  
spare telling you about our relationship

627  
00:26:56,390 --> 00:26:51,890  
to our past lives

628  
00:26:59,600 --> 00:26:56,400  
okay so spirit shows me that we have one

629  
00:27:02,270 --> 00:26:59,610  
soul and that soul can inhabit a body

630  
00:27:05,030 --> 00:27:02,280  
multiple times and multiple lives and I

631  
00:27:08,120 --> 00:27:05,040  
mean it could be hundreds so and we have

632  
00:27:11,420 --> 00:27:08,130  
soul groups so imagine you're in a soul

633  
00:27:14,930 --> 00:27:11,430  
group that could be thousands and the

634  
00:27:17,570 --> 00:27:14,940  
majority of the group is together on the

635  
00:27:20,180 --> 00:27:17,580  
other side and that dimension getting

636  
00:27:23,030 --> 00:27:20,190  
ready to incarnate into the earth and

637  
00:27:25,640 --> 00:27:23,040  
take come into another a new life that

638  
00:27:27,710 --> 00:27:25,650

what we do is we will reincarnate into a

639

00:27:31,010 --> 00:27:27,720

new life and sometimes we it's the same

640

00:27:33,140 --> 00:27:31,020

players in the game you know we are moms

641

00:27:34,760 --> 00:27:33,150

could have been our daughter our father

642

00:27:36,890 --> 00:27:34,770

could have been our husband or you know

643

00:27:39,440 --> 00:27:36,900

when a week we exchange roles we have

644

00:27:41,390 --> 00:27:39,450

different themes that we come here we do

645

00:27:43,790 --> 00:27:41,400

why do we come here because we can

646

00:27:45,920 --> 00:27:43,800

because we want to learn there is

647

00:27:49,850 --> 00:27:45,930

fascinated with the human life

648

00:27:51,950 --> 00:27:49,860

experience as as we're fascinated in

649

00:27:55,430 --> 00:27:51,960

life after death they are just as

650

00:27:57,050 --> 00:27:55,440

fascinated so or shall I say weak weak

651  
00:27:59,720 --> 00:27:57,060  
because I'm a soul in a human body you

652  
00:28:02,000 --> 00:27:59,730  
are a solo human body so you know this

653  
00:28:03,830 --> 00:28:02,010  
is it your first go around so we're

654  
00:28:05,690 --> 00:28:03,840  
coming back here and new souls are

655  
00:28:08,270 --> 00:28:05,700  
created all the time I did a lot of I

656  
00:28:11,480 --> 00:28:08,280  
did some channeling to get information

657  
00:28:15,560 --> 00:28:11,490  
about you know a soul can fragment and

658  
00:28:17,989 --> 00:28:15,570  
create a new soul so that's

659  
00:28:20,330 --> 00:28:17,999  
new souls come about and there are such

660  
00:28:21,469 --> 00:28:20,340  
things as new souls you know baby souls

661  
00:28:23,690 --> 00:28:21,479  
old souls

662  
00:28:25,940 --> 00:28:23,700  
it just really is about how many times

663  
00:28:28,159 --> 00:28:25,950

you've been here I don't believe in

664

00:28:30,080 --> 00:28:28,169

parallel life two questions about that

665

00:28:33,409 --> 00:28:30,090

one you don't believe in parallel lives

666

00:28:36,889 --> 00:28:33,419

why and almost more importantly what do

667

00:28:38,509 --> 00:28:36,899

we do with the contradictions where you

668

00:28:39,830 --> 00:28:38,519

your because I can tell you and I can't

669

00:28:42,560 --> 00:28:39,840

remember off the top of my head the

670

00:28:44,869 --> 00:28:42,570

medium that I talked to but she's PhD

671

00:28:46,729 --> 00:28:44,879

written this book and boom she was like

672

00:28:49,009 --> 00:28:46,739

yeah it's all about parallel lives and

673

00:28:51,769 --> 00:28:49,019

forget about this idea of sequential

674

00:28:53,960 --> 00:28:51,779

lives so I'm not saying like you're

675

00:28:56,629 --> 00:28:53,970

wrong or she's wrong I'm just saying wow

676

00:28:58,669 --> 00:28:56,639

yeah but why is there that contradiction

677

00:29:00,409 --> 00:28:58,679

that like and you personally answered

678

00:29:02,930 --> 00:29:00,419

that at the beginning but try and take

679

00:29:06,320 --> 00:29:02,940

it again I've had clients tell me that

680

00:29:09,139 --> 00:29:06,330

they're they dream that they have dreams

681

00:29:10,700 --> 00:29:09,149

of them in a parallel life and I the

682

00:29:12,979 --> 00:29:10,710

information I get from spirit when I

683

00:29:15,379 --> 00:29:12,989

thought to guides is that no that's a

684

00:29:17,629 --> 00:29:15,389

past life they're experiencing I don't

685

00:29:20,719 --> 00:29:17,639

believe in parallel lives because we

686

00:29:23,539 --> 00:29:20,729

have one soul and the soul can inhabit a

687

00:29:27,320 --> 00:29:23,549

human body at one time it can't have it

688

00:29:30,529 --> 00:29:27,330

a human body that's multiple bodies at

689

00:29:33,080 --> 00:29:30,539

the same time it's there and what would

690

00:29:34,759 --> 00:29:33,090

be the purpose of having parallel one so

691

00:29:38,080 --> 00:29:34,769

having parallel lives that would being a

692

00:29:41,089 --> 00:29:38,090

soul who's having a human life is not

693

00:29:43,099 --> 00:29:41,099

whole there not a complete soul if

694

00:29:45,469 --> 00:29:43,109

they're also experiencing another life

695

00:29:48,139 --> 00:29:45,479

and the thing is is the point is is

696

00:29:50,060 --> 00:29:48,149

there's no proof there's no proof that

697

00:29:51,979 --> 00:29:50,070

that other person you interviewed is

698

00:29:55,940 --> 00:29:51,989

correct and there's no proof that I'm

699

00:29:58,519 --> 00:29:55,950

correct right there's no proof and so I

700

00:30:01,009 --> 00:29:58,529

can only give the information that I've

701  
00:30:02,930 --> 00:30:01,019  
been taught that I've learned or I've

702  
00:30:04,700 --> 00:30:02,940  
experienced that's why I always tell

703  
00:30:07,009 --> 00:30:04,710  
everybody you know you got to listen

704  
00:30:09,409 --> 00:30:07,019  
with your heart and you throw away the

705  
00:30:11,269 --> 00:30:09,419  
rest I don't see the point it'd be

706  
00:30:13,249 --> 00:30:11,279  
fascinating to have parallel lives

707  
00:30:14,450 --> 00:30:13,259  
yeah I'd I wouldn't mind having a couple

708  
00:30:17,479 --> 00:30:14,460  
lines going at one time and I can

709  
00:30:19,129 --> 00:30:17,489  
compare you know but I I be I can barely

710  
00:30:20,599 --> 00:30:19,139  
handle this life why would I want to be

711  
00:30:22,789 --> 00:30:20,609  
why would my soul want to be in another

712  
00:30:24,950 --> 00:30:22,799  
life at the same time I don't believe

713  
00:30:27,820 --> 00:30:24,960

it's possible and I don't believe that

714

00:30:29,330 --> 00:30:27,830

you're going to find any ancient

715

00:30:31,160 --> 00:30:29,340

cultures that

716

00:30:32,840 --> 00:30:31,170

gonna believe that either well that's

717

00:30:35,900 --> 00:30:32,850

interesting because from my experience

718

00:30:38,690 --> 00:30:35,910

and research I would agree with you that

719

00:30:40,790 --> 00:30:38,700

that isn't something that's common in

720

00:30:42,170 --> 00:30:40,800

all the wisdom traditions let me switch

721

00:30:43,570 --> 00:30:42,180

over to another topic and talk about

722

00:30:46,910 --> 00:30:43,580

near-death experience it's something

723

00:30:48,140 --> 00:30:46,920

again we've done we drove into a lot on

724

00:30:51,530 --> 00:30:48,150

this show because there's some great

725

00:30:53,060 --> 00:30:51,540

science it's emerging out of our medical

726

00:30:55,310 --> 00:30:53,070

technology and our ability to

727

00:30:57,200 --> 00:30:55,320

resuscitate people there's more and more

728

00:30:59,020 --> 00:30:57,210

people having near-death experiences

729

00:31:02,570 --> 00:30:59,030

they're more able to be verified

730

00:31:05,000 --> 00:31:02,580

medically a lot of my questions here are

731

00:31:07,160 --> 00:31:05,010

around this topic of mapping out these

732

00:31:11,270 --> 00:31:07,170

extended consciousness realms I mean

733

00:31:13,460 --> 00:31:11,280

what is the near-death experience from a

734

00:31:16,640 --> 00:31:13,470

spirit standpoint what is spirit telling

735

00:31:20,120 --> 00:31:16,650

us why do people have those how are they

736

00:31:22,910 --> 00:31:20,130

different from OBE astral travel lucid

737

00:31:25,480 --> 00:31:22,920

dreaming this extended realm how does it

738

00:31:30,500 --> 00:31:25,490

map out with regard to those different

739

00:31:32,600 --> 00:31:30,510

ways of being it's actually to me in my

740

00:31:34,580 --> 00:31:32,610

opinion it's not that different than

741

00:31:37,160 --> 00:31:34,590

having an out-of-body experience or

742

00:31:38,960 --> 00:31:37,170

astral traveling the thing is is our

743

00:31:43,090 --> 00:31:38,970

soul can leave our body at any time

744

00:31:45,770 --> 00:31:43,100

temporarily at any time so imagine

745

00:31:47,420 --> 00:31:45,780

you're anchored to your v your soul is

746

00:31:49,070 --> 00:31:47,430

anchored to your physical body and now

747

00:31:52,130 --> 00:31:49,080

your physical body is just broken down

748

00:31:55,070 --> 00:31:52,140

and it's actually died okay stop

749

00:31:57,170 --> 00:31:55,080

temporarily functioning your soul is

750

00:31:59,990 --> 00:31:57,180

like I'm out of here okay I'm out of

751  
00:32:02,510 --> 00:32:00,000  
here and it's usually at a time that

752  
00:32:04,880 --> 00:32:02,520  
it's not an actual death your soul will

753  
00:32:08,000 --> 00:32:04,890  
leave thinking you're going through the

754  
00:32:09,860 --> 00:32:08,010  
exit process of death and your soul is

755  
00:32:11,930 --> 00:32:09,870  
leaving and all of a sudden you've got

756  
00:32:14,210 --> 00:32:11,940  
people other Souls around you going

757  
00:32:17,630 --> 00:32:14,220  
you're not done where you going get back

758  
00:32:19,460 --> 00:32:17,640  
there and the body is being revived and

759  
00:32:22,040 --> 00:32:19,470  
when the body's being revived it's

760  
00:32:25,270 --> 00:32:22,050  
almost like a jolt of the soul being

761  
00:32:29,330 --> 00:32:25,280  
thrown right back into the body so

762  
00:32:31,790 --> 00:32:29,340  
they're experiencing the process of

763  
00:32:34,130 --> 00:32:31,800

death a near-death experience actually

764

00:32:35,780 --> 00:32:34,140

is the soul in the body now if you've

765

00:32:37,160 --> 00:32:35,790

asked those people they probably have

766

00:32:39,260 --> 00:32:37,170

not gone through their life review

767

00:32:40,850 --> 00:32:39,270

because they've established that they

768

00:32:44,120 --> 00:32:40,860

really aren't dead yet

769

00:32:46,519 --> 00:32:44,130

the body is still meaning that soul so

770

00:32:48,380 --> 00:32:46,529

that's my take on a near-death

771

00:32:50,210 --> 00:32:48,390

experiences the soul is left the body

772

00:32:52,279 --> 00:32:50,220

which I mean when you've got Alzheimer's

773

00:32:55,100 --> 00:32:52,289

Parkinson's a lot of there's a lot of

774

00:32:57,610 --> 00:32:55,110

diseases where our soul feels so trapped

775

00:33:00,970 --> 00:32:57,620

in that body that it leaves all the time

776

00:33:04,970 --> 00:33:00,980

but there's a difference because it's

777

00:33:07,730 --> 00:33:04,980

not leaving thinking oh my body's dead

778

00:33:11,870 --> 00:33:07,740

I'm now crossing over Marissa what is

779

00:33:13,669 --> 00:33:11,880

spirit telling you about one the kind of

780

00:33:16,519 --> 00:33:13,679

again the kind of contradictory idea

781

00:33:18,110 --> 00:33:16,529

that there's this mistake you know which

782

00:33:20,210 --> 00:33:18,120

we hear all the time you know people are

783

00:33:21,980 --> 00:33:20,220

on this path and okay they're they're

784

00:33:24,139 --> 00:33:21,990

dead and that's one of the things the

785

00:33:25,610 --> 00:33:24,149

researchers will tell you is from a

786

00:33:27,769 --> 00:33:25,620

medical standpoint it is not a

787

00:33:30,590 --> 00:33:27,779

near-death experience it is a death

788

00:33:34,460 --> 00:33:30,600

experience the body is dead and unless

789

00:33:37,159 --> 00:33:34,470

something you know happens medically you

790

00:33:39,889 --> 00:33:37,169

know amazingly they're gonna remain dead

791

00:33:42,860 --> 00:33:39,899

and a lot of times these people report

792

00:33:45,169 --> 00:33:42,870

that they were really content and moving

793

00:33:46,789 --> 00:33:45,179

towards you know accepting their death

794

00:33:48,409 --> 00:33:46,799

and many of them go through the life

795

00:33:51,080 --> 00:33:48,419

review and go through a lot of the rest

796

00:33:53,389 --> 00:33:51,090

of that and then there's this oh no you

797

00:33:56,000 --> 00:33:53,399

got a return thing and I always had the

798

00:33:58,220 --> 00:33:56,010

question of what's going on there I mean

799

00:34:00,139 --> 00:33:58,230

God made a mistake there whoops you know

800

00:34:02,269 --> 00:34:00,149

your time line is up it's like out of a

801  
00:34:04,310 --> 00:34:02,279  
cartoon or something you know the tap on

802  
00:34:08,320 --> 00:34:04,320  
the shoulder no you need to go back what

803  
00:34:11,960 --> 00:34:08,330  
spirit telling you about that process

804  
00:34:15,829 --> 00:34:11,970  
well what they tell me is that the soul

805  
00:34:17,720 --> 00:34:15,839  
can't necessarily control the body okay

806  
00:34:19,609 --> 00:34:17,730  
if the soul could control the body it

807  
00:34:22,609 --> 00:34:19,619  
could heal the body of cancer it could

808  
00:34:24,889 --> 00:34:22,619  
do all kinds of things so the soul can't

809  
00:34:26,629 --> 00:34:24,899  
control the fact that the hearts being

810  
00:34:30,169 --> 00:34:26,639  
stimulated and wanting to be brought

811  
00:34:31,970 --> 00:34:30,179  
back and it's my belief from spirit that

812  
00:34:36,139 --> 00:34:31,980  
our brain takes at least an hour to

813  
00:34:38,240 --> 00:34:36,149

really die before it's completely dead

814

00:34:40,639 --> 00:34:38,250

once the heart is stopped so there's

815

00:34:42,649 --> 00:34:40,649

still brain function going on and if

816

00:34:45,050 --> 00:34:42,659

that soul is still connected at all to

817

00:34:48,169 --> 00:34:45,060

that brain function it can still

818

00:34:49,909 --> 00:34:48,179

communicate so a lot of times the soul

819

00:34:52,430 --> 00:34:49,919

really does want to come back and finish

820

00:34:54,770 --> 00:34:52,440

that human consciousness probably

821

00:34:55,970 --> 00:34:54,780

doesn't there's I could see come

822

00:34:57,980 --> 00:34:55,980

back in having a near-death experience

823

00:35:00,740 --> 00:34:57,990

there being great depression because

824

00:35:02,780 --> 00:35:00,750

life's not easy here and when you cross

825

00:35:04,340 --> 00:35:02,790

over your freedom a lot I mean it's like

826

00:35:07,040 --> 00:35:04,350

the chains are broken you're freed of a

827

00:35:11,440 --> 00:35:07,050

lot so to have to be pulled back into

828

00:35:14,330 --> 00:35:11,450

the body is you know not an easy task

829

00:35:16,670 --> 00:35:14,340

but we have control over we can I mean

830

00:35:19,100 --> 00:35:16,680

we can commit suicide any time if we

831

00:35:21,490 --> 00:35:19,110

really wanted to end it so we do have

832

00:35:24,470 --> 00:35:21,500

control over stopping our physical body

833

00:35:28,550 --> 00:35:24,480

okay let's switch gears for a minute

834

00:35:31,220 --> 00:35:28,560

let's talk about entheogen s-- drugs LSD

835

00:35:33,650 --> 00:35:31,230

psychedelics that kind of stuff a lot of

836

00:35:35,690 --> 00:35:33,660

people report entering into this again I

837

00:35:37,190 --> 00:35:35,700

call it this extended consciousness

838

00:35:40,270 --> 00:35:37,200

realm but it seems they have a lot of

839

00:35:46,490 --> 00:35:40,280

overlap what is spirit telling you about

840

00:35:48,860 --> 00:35:46,500

that entry into this realm okay a couple

841

00:35:52,160 --> 00:35:48,870

things spirit doesn't really recommend

842

00:35:53,840 --> 00:35:52,170

the being for example doing this work

843

00:35:57,200 --> 00:35:53,850

and being under the influence is not

844

00:35:59,930 --> 00:35:57,210

really a good idea it's good to be more

845

00:36:01,850 --> 00:35:59,940

in mental control but obviously and you

846

00:36:04,550 --> 00:36:01,860

say LSD and things like that you're also

847

00:36:08,570 --> 00:36:04,560

talking ayahuasca mushrooms all of those

848

00:36:10,790 --> 00:36:08,580

peyote those experiences it does what it

849

00:36:14,920 --> 00:36:10,800

does is it does take the guard down of

850

00:36:18,290 --> 00:36:14,930

the ego and allows you to experience

851  
00:36:20,840 --> 00:36:18,300  
something your ego will not come in and

852  
00:36:23,540 --> 00:36:20,850  
block our ego is a pretty powerful thing

853  
00:36:27,770 --> 00:36:23,550  
I mean it's spirit condoning it not

854  
00:36:29,240 --> 00:36:27,780  
really but can it happen I mean I'm not

855  
00:36:30,890 --> 00:36:29,250  
sure I'm answering your question is the

856  
00:36:32,660 --> 00:36:30,900  
question what if they're saying about

857  
00:36:35,210 --> 00:36:32,670  
LSD is the spirit saying don't do it

858  
00:36:37,430 --> 00:36:35,220  
they're saying I need this body to

859  
00:36:40,460 --> 00:36:37,440  
finish out my life don't be doing drugs

860  
00:36:42,800 --> 00:36:40,470  
okay the solar literally like don't be

861  
00:36:44,600 --> 00:36:42,810  
doing drugs but happens is a lot of

862  
00:36:45,770 --> 00:36:44,610  
times souls are a different vibration

863  
00:36:48,020 --> 00:36:45,780

than our body and there's a chemical

864

00:36:49,610 --> 00:36:48,030

clash and we become very chemically

865

00:36:52,490 --> 00:36:49,620

imbalanced and what happens we start

866

00:36:54,500 --> 00:36:52,500

self-medicating right and I get that and

867

00:36:56,630 --> 00:36:54,510

I think you have to draw an important

868

00:36:58,610 --> 00:36:56,640

line and distinction there but if we

869

00:37:00,830 --> 00:36:58,620

it's interesting if we take it outside

870

00:37:02,960 --> 00:37:00,840

of our culture and it like you did you

871

00:37:05,150 --> 00:37:02,970

know you talk about ayahuasca or you go

872

00:37:07,970 --> 00:37:05,160

down to you know the cultures in

873

00:37:08,370 --> 00:37:07,980

southern Mexico where the magic mushroom

874

00:37:10,200 --> 00:37:08,380

was for

875

00:37:12,690 --> 00:37:10,210

discovered and they seem to have a

876

00:37:15,749 --> 00:37:12,700

different relationship to those

877

00:37:19,140 --> 00:37:15,759

chemicals and those substances and use

878

00:37:20,940 --> 00:37:19,150

them in a more I think what we would

879

00:37:23,519 --> 00:37:20,950

understand a more spiritually

880

00:37:26,190 --> 00:37:23,529

responsible kind of way does that change

881

00:37:27,390 --> 00:37:26,200

the equation and let me add to that

882

00:37:30,269 --> 00:37:27,400

question because I just interviewed

883

00:37:32,009 --> 00:37:30,279

fascinating woman Jan van ISIL Stein she

884

00:37:35,039 --> 00:37:32,019

spent last twenty five years studying

885

00:37:38,670 --> 00:37:35,049

these shamanic people of far eastern

886

00:37:40,170 --> 00:37:38,680

Siberia who are by all accounts just

887

00:37:42,150 --> 00:37:40,180

incredible I mean they live in this

888

00:37:45,029 --> 00:37:42,160

world and the other world at the same

889

00:37:47,370 --> 00:37:45,039

time in constant spirit communication is

890

00:37:50,640 --> 00:37:47,380

there a difference in terms of how we

891

00:37:52,190 --> 00:37:50,650

approach entering into these different

892

00:37:55,589 --> 00:37:52,200

realms and whether it's through

893

00:37:58,529 --> 00:37:55,599

ayahuasca or whether it's through a drum

894

00:38:00,660 --> 00:37:58,539

ceremony or some other you know being

895

00:38:03,420 --> 00:38:00,670

bit by ants or bees you know which is

896

00:38:05,549 --> 00:38:03,430

also this thing can we really put that

897

00:38:06,599 --> 00:38:05,559

moral judgment on it and say no you're

898

00:38:07,620 --> 00:38:06,609

not supposed to eat it you're not

899

00:38:09,660 --> 00:38:07,630

supposed to manipulate your

900

00:38:11,759 --> 00:38:09,670

consciousness to enter these other

901  
00:38:13,829 --> 00:38:11,769  
realms I'm okay if that's what you're

902  
00:38:16,890 --> 00:38:13,839  
hearing but I just want to clarify oh

903  
00:38:19,200 --> 00:38:16,900  
I'm Jerry I'm hearing it's okay there's

904  
00:38:21,690 --> 00:38:19,210  
a difference between there is a

905  
00:38:24,450 --> 00:38:21,700  
difference between going and doing

906  
00:38:27,380 --> 00:38:24,460  
recreational drugs because you want to

907  
00:38:31,289 --> 00:38:27,390  
escape your reality and not be

908  
00:38:32,880 --> 00:38:31,299  
responsible for your actions okay

909  
00:38:39,029 --> 00:38:32,890  
there's a difference between that and

910  
00:38:41,609 --> 00:38:39,039  
going and doing a cultural ceremony with

911  
00:38:43,589 --> 00:38:41,619  
inhibitors to be able to be in an

912  
00:38:45,180 --> 00:38:43,599  
altered state so that your ego can get

913  
00:38:47,400 --> 00:38:45,190

out of the way and you can maybe hear

914

00:38:49,470 --> 00:38:47,410

the voice of God or you can get

915

00:38:52,789 --> 00:38:49,480

information from spirit those are two

916

00:38:56,970 --> 00:38:52,799

completely different things I condone

917

00:38:59,759 --> 00:38:56,980

ceremonial medicines with caution yeah

918

00:39:02,370 --> 00:38:59,769

that's cool quick follow-up question

919

00:39:04,259 --> 00:39:02,380

about the LJ and again you know I

920

00:39:06,690 --> 00:39:04,269

totally respect where you're coming from

921

00:39:10,170 --> 00:39:06,700

there's no simple answers here but I'm

922

00:39:13,650 --> 00:39:10,180

interviewing Jan about the ultra the OL

923

00:39:16,200 --> 00:39:13,660

che again these ancient shamanic people

924

00:39:17,579 --> 00:39:16,210

of Siberia and one of the things she

925

00:39:20,249 --> 00:39:17,589

says hey this is something you'll find

926

00:39:21,550 --> 00:39:20,259

interesting the ol che have all have

927

00:39:25,600 --> 00:39:21,560

told me that

928

00:39:27,550 --> 00:39:25,610

don't go bother your ancestral spirits

929

00:39:29,410 --> 00:39:27,560

so this whole medium communication thing

930

00:39:31,420 --> 00:39:29,420

they're like don't do that

931

00:39:33,460 --> 00:39:31,430

the spirits aren't don't want to be

932

00:39:35,440 --> 00:39:33,470

bothered they're moving on they're doing

933

00:39:37,810 --> 00:39:35,450

all the rest of this and I even asked

934

00:39:40,450 --> 00:39:37,820

her because I do have enough experience

935

00:39:42,190 --> 00:39:40,460

with talking with gifted mediums like

936

00:39:44,080 --> 00:39:42,200

yourself and I said you know what I'm

937

00:39:46,210 --> 00:39:44,090

hearing from a lot of people is kind of

938

00:39:48,040 --> 00:39:46,220

the opposite of that is that the spirits

939

00:39:49,960 --> 00:39:48,050

have this love connection with us

940

00:39:53,230 --> 00:39:49,970

there's this soul group and they're

941

00:39:56,650 --> 00:39:53,240

eager to when called upon and in the

942

00:39:59,080 --> 00:39:56,660

appropriate way help us in our lives and

943

00:40:01,570 --> 00:39:59,090

further us guiding us how would you

944

00:40:05,440 --> 00:40:01,580

resolve that apparent contradiction

945

00:40:08,770 --> 00:40:05,450

they're such a great question because

946

00:40:12,790 --> 00:40:08,780

here's the thing okay a culture a

947

00:40:14,860 --> 00:40:12,800

culture is raised to believe that they

948

00:40:17,020 --> 00:40:14,870

respect their ancestors and they want to

949

00:40:19,450 --> 00:40:17,030

allow them to rest in peace and I get

950

00:40:21,880 --> 00:40:19,460

that that is a that could be a religious

951

00:40:25,030 --> 00:40:21,890

belief a cultural belief I understand

952

00:40:27,520 --> 00:40:25,040

that but when you say people say don't

953

00:40:33,160 --> 00:40:27,530

don't bother spirit let me just put it

954

00:40:35,620 --> 00:40:33,170

this way spirit bothered me true spirit

955

00:40:37,900 --> 00:40:35,630

bothered me I didn't ever go out set out

956

00:40:41,260 --> 00:40:37,910

to say hey I want to contact the day

957

00:40:43,600 --> 00:40:41,270

where it came to me for what reason

958

00:40:48,730 --> 00:40:43,610

I may never know the full read answer to

959

00:40:53,790 --> 00:40:48,740

that but they did because they could so

960

00:40:56,170 --> 00:40:53,800

I've never once had a spirit say to me

961

00:40:57,940 --> 00:40:56,180

don't bother me because I'm resting

962

00:41:01,540 --> 00:40:57,950

don't bother me I want to rest in peace

963

00:41:04,780 --> 00:41:01,550

they they come to me they I don't even

964

00:41:07,480 --> 00:41:04,790

give them permission and I it's not like

965

00:41:09,070 --> 00:41:07,490

I'm summoning them and and I'm taking

966

00:41:12,010 --> 00:41:09,080

them away from their restful peace

967

00:41:15,700 --> 00:41:12,020

they're coming to me and I'm just

968

00:41:18,610 --> 00:41:15,710

allowing it okay so they're the ones who

969

00:41:21,400 --> 00:41:18,620

bothered me so if anyone says that what

970

00:41:24,280 --> 00:41:21,410

am I supposed to I'm a polite person so

971

00:41:25,810 --> 00:41:24,290

I wouldn't say hey I don't want it I

972

00:41:27,940 --> 00:41:25,820

don't want to bother your Pete you know

973

00:41:30,790 --> 00:41:27,950

you're peaceful rest please I don't want

974

00:41:32,920 --> 00:41:30,800

to do that so that's just to me those

975

00:41:35,289 --> 00:41:32,930

are cultural beliefs which I totally

976

00:41:38,380 --> 00:41:35,299

respect 100%

977

00:41:40,989 --> 00:41:38,390

and I'm sure one of those Siberian you

978

00:41:42,849 --> 00:41:40,999

know ministers or would never even come

979

00:41:44,620 --> 00:41:42,859

to me for that because they don't

980

00:41:47,199 --> 00:41:44,630

believe in that and that's okay because

981

00:41:50,949 --> 00:41:47,209

yeah I mean you believe system is a

982

00:41:51,579 --> 00:41:50,959

whole nother show exactly exactly okay

983

00:41:53,979 --> 00:41:51,589

great

984

00:41:57,249 --> 00:41:53,989

one more question in terms of mapping

985

00:41:59,499 --> 00:41:57,259

out these extended realms another buddy

986

00:42:01,659 --> 00:41:59,509

of mine through the show Rey Hernandez

987

00:42:06,039 --> 00:42:01,669

done some fantastic work through the

988

00:42:07,809 --> 00:42:06,049

Edgar Mitchell free an institute they've

989

00:42:12,669 --> 00:42:07,819

published the most comprehensive survey

990

00:42:15,399 --> 00:42:12,679

of non-human intelligence contact ie the

991

00:42:19,120 --> 00:42:15,409

et contact experience they've kind of

992

00:42:21,339 --> 00:42:19,130

compared it with the NDE experience you

993

00:42:24,699 --> 00:42:21,349

know and find a lot of parallels between

994

00:42:27,279 --> 00:42:24,709

near-death experience and this et

995

00:42:31,929 --> 00:42:27,289

contact experience what a spirit telling

996

00:42:34,239 --> 00:42:31,939

you about ET contact experience in this

997

00:42:36,370 --> 00:42:34,249

other realm is it different is it a

998

00:42:39,339 --> 00:42:36,380

whole different ballgame is it kind of

999

00:42:42,669 --> 00:42:39,349

in the same space what is spirit telling

1000

00:42:45,219 --> 00:42:42,679

you Oh first of all what I've been told

1001

00:42:48,069 --> 00:42:45,229

by spirit is that there are there is

1002

00:42:51,459 --> 00:42:48,079

life on other planets they have souls

1003

00:42:55,299 --> 00:42:51,469

that are using their physical bodies as

1004

00:42:57,759 --> 00:42:55,309

well they also interact in the same soul

1005

00:43:00,189 --> 00:42:57,769

dimension that we do it's not really

1006

00:43:02,019 --> 00:43:00,199

different we can have it soul our soul

1007

00:43:03,309 --> 00:43:02,029

can go have a life on another planet and

1008

00:43:06,069 --> 00:43:03,319

then it can also come back and have a

1009

00:43:08,139 --> 00:43:06,079

life on this planet there's times when I

1010

00:43:10,870 --> 00:43:08,149

have seen spirits show up that didn't

1011

00:43:14,889 --> 00:43:10,880

look human they look something different

1012

00:43:17,079 --> 00:43:14,899

so I mean that's the thing I'm being

1013

00:43:19,029 --> 00:43:17,089

shown is that in the interaction is is

1014

00:43:21,189 --> 00:43:19,039

doing what like for example I have

1015

00:43:22,839 --> 00:43:21,199

astral travel to the other side took me

1016

00:43:26,859 --> 00:43:22,849

a while to believe I was doing it but I

1017

00:43:30,669 --> 00:43:26,869

finally got got the rhythm of it and I

1018

00:43:32,499 --> 00:43:30,679

have seen souls walking around that are

1019

00:43:34,089 --> 00:43:32,509

totally different I'm not sure if this

1020

00:43:36,699 --> 00:43:34,099

is your question but yes I do believe

1021

00:43:38,829 --> 00:43:36,709

that ETS have sold and I do believe that

1022

00:43:41,259 --> 00:43:38,839

they reside in the other dimension along

1023

00:43:44,739 --> 00:43:41,269

with our souls it's basically the souls

1024

00:43:46,629 --> 00:43:44,749

are sold and they can have lives on in

1025

00:43:47,940 --> 00:43:46,639

so many different dimensions it's by

1026

00:43:50,280 --> 00:43:47,950

choice

1027

00:43:54,060 --> 00:43:50,290

I love that that's very succinct let me

1028

00:43:56,730 --> 00:43:54,070

ask a related question about Science and

1029

00:43:59,760 --> 00:43:56,740

Technology because we do seem to be at

1030

00:44:02,720 --> 00:43:59,770

the point with some of our frontier

1031

00:44:06,570 --> 00:44:02,730

science or seem to be at the edge of

1032

00:44:08,430 --> 00:44:06,580

penetrating this realm if you will this

1033

00:44:11,190 --> 00:44:08,440

extended consciousness we have head

1034

00:44:14,910 --> 00:44:11,200

transplant strong AI you know genetic

1035

00:44:17,520 --> 00:44:14,920

engineering are we gonna have an iPhone

1036

00:44:20,070 --> 00:44:17,530

app for the spirit world and I say that

1037

00:44:22,410 --> 00:44:20,080

somewhat facetiously the real question

1038

00:44:25,130 --> 00:44:22,420

is what is the role what is the

1039

00:44:29,310 --> 00:44:25,140

relationship between technology and

1040

00:44:32,460 --> 00:44:29,320

spirit the relationship is that spirit

1041

00:44:34,890 --> 00:44:32,470

is magnetic and electrical enough that

1042

00:44:37,740 --> 00:44:34,900

they can utilize technology to

1043

00:44:40,530 --> 00:44:37,750

communicate with us we don't really need

1044

00:44:43,349 --> 00:44:40,540

a nap but just remember everything

1045

00:44:45,870 --> 00:44:43,359

that's an app is created by man and what

1046

00:44:49,050 --> 00:44:45,880

is you know Mad Men what do we have we

1047

00:44:50,700 --> 00:44:49,060

have egos right human humans have egos

1048

00:44:52,650 --> 00:44:50,710

so we're going to be creating the app by

1049

00:44:55,589 --> 00:44:52,660

that and there's apps out there that you

1050

00:44:57,660 --> 00:44:55,599

can like you know it you can see a

1051

00:44:59,310 --> 00:44:57,670

spirit walking around or a deem and

1052

00:45:02,040 --> 00:44:59,320

there's there's a most ridiculous thing

1053

00:45:05,400 --> 00:45:02,050

but spirit can actually manipulate

1054

00:45:10,050 --> 00:45:05,410

technology to communicate with us at

1055

00:45:12,480 --> 00:45:10,060

100% no different EVPs you know I've

1056

00:45:15,390 --> 00:45:12,490

listened to a 15-minute voicemail

1057

00:45:18,089 --> 00:45:15,400

message from a spirit that was after

1058

00:45:19,770 --> 00:45:18,099

they died I mean I've had phone calls

1059

00:45:23,040 --> 00:45:19,780

from spear I mean they can manipulate

1060

00:45:25,890 --> 00:45:23,050

all of that I totally accept that from

1061

00:45:28,760 --> 00:45:25,900

what I've encountered and researched and

1062

00:45:32,010 --> 00:45:28,770

I guess a related question to that is

1063

00:45:34,680 --> 00:45:32,020

when it comes to et it comes to

1064

00:45:36,990 --> 00:45:34,690

civilizations and species that are more

1065

00:45:41,640 --> 00:45:37,000

technologically advanced than ours are

1066

00:45:44,430 --> 00:45:41,650

we seeing in some cases that advanced

1067

00:45:45,870 --> 00:45:44,440

technology intersecting with the spirit

1068

00:45:48,030 --> 00:45:45,880

world in terms of you know people are

1069

00:45:51,450 --> 00:45:48,040

having screen memories people are having

1070

00:45:54,960 --> 00:45:51,460

you know shape-shifting time travel all

1071

00:45:56,910 --> 00:45:54,970

that stuff I mean are there entities and

1072

00:45:58,290 --> 00:45:56,920

I love how you said ego based because I

1073

00:46:00,580 --> 00:45:58,300

think that's kind of an important

1074

00:46:05,140 --> 00:46:00,590

element of this Arthur

1075

00:46:08,640 --> 00:46:05,150

based soul manifestations that have this

1076

00:46:11,770 --> 00:46:08,650

ability technological ability to

1077

00:46:14,830 --> 00:46:11,780

manipulate things in a really really

1078

00:46:16,930 --> 00:46:14,840

advanced way I mean as the question our

1079

00:46:19,510 --> 00:46:16,940

et's on other planets more advanced than

1080

00:46:21,790 --> 00:46:19,520

us absolutely I think that sometimes

1081

00:46:24,790 --> 00:46:21,800

we're still in the Stone Age they are

1082

00:46:27,700 --> 00:46:24,800

more advanced there are other species

1083

00:46:30,900 --> 00:46:27,710

that are more advanced than us but then

1084

00:46:34,240 --> 00:46:30,910

they also can cross over to to our

1085

00:46:35,320 --> 00:46:34,250

environment to observe I think that

1086

00:46:39,760 --> 00:46:35,330

we've gotten a lot of our technology

1087

00:46:43,030 --> 00:46:39,770

from ET presents ET contact or even

1088

00:46:46,780 --> 00:46:43,040

channeling that information marisa where

1089

00:46:48,430 --> 00:46:46,790

is God in all of this is there and I

1090

00:46:51,090 --> 00:46:48,440

don't mean that in a real churchy kind

1091

00:46:53,980 --> 00:46:51,100

of way I just made it in this kind of

1092

00:46:56,590 --> 00:46:53,990

hierarchy of consciousness that from my

1093

00:46:58,870 --> 00:46:56,600

investigation seems to pop up I mean

1094

00:47:01,210 --> 00:46:58,880

people do seem to reach the other side

1095

00:47:03,130 --> 00:47:01,220

and say well I'm at this level on the

1096

00:47:05,200 --> 00:47:03,140

other side but I know there's this next

1097

00:47:07,030 --> 00:47:05,210

level up and I know there's this next

1098

00:47:10,180 --> 00:47:07,040

level up and it seems to be pointing

1099

00:47:13,180 --> 00:47:10,190

towards something that's sounds a lot

1100

00:47:16,030 --> 00:47:13,190

like god I mean where do you come down

1101

00:47:18,370 --> 00:47:16,040

on that whole thing it's really

1102

00:47:20,920 --> 00:47:18,380

interesting when you're talking about

1103

00:47:23,860 --> 00:47:20,930

levels and people reaching levels the

1104

00:47:26,820 --> 00:47:23,870

first thing I heard was Scientology and

1105

00:47:29,110 --> 00:47:26,830

it was almost like you're it's like a

1106

00:47:32,560 --> 00:47:29,120

Scientology based oh I've got to get to

1107

00:47:34,630 --> 00:47:32,570

the next level but there aren't I don't

1108

00:47:36,880 --> 00:47:34,640

believe there are levels that our soul

1109

00:47:40,360 --> 00:47:36,890

is trying to elevate to a level you know

1110

00:47:41,890 --> 00:47:40,370

a B C or D god I may not ever have the

1111

00:47:43,390 --> 00:47:41,900

answer like the rest of the human race

1112

00:47:45,670 --> 00:47:43,400

I don't think science is ever gonna

1113

00:47:48,790 --> 00:47:45,680

figure out god I just know God I don't

1114

00:47:51,490 --> 00:47:48,800

believe as one person God does not

1115

00:47:55,510 --> 00:47:51,500

choose who has cancer who died so this

1116

00:47:58,660 --> 00:47:55,520

or that none of that God was not calling

1117

00:48:02,470 --> 00:47:58,670

the shot I do believe that there is an

1118

00:48:05,230 --> 00:48:02,480

energy based creator but can I tell you

1119

00:48:07,600 --> 00:48:05,240

who or what that is no what about the

1120

00:48:09,520 --> 00:48:07,610

accounts from the Indy years the

1121

00:48:11,200 --> 00:48:09,530

near-death experience people that's what

1122

00:48:13,540 --> 00:48:11,210

I was really kind of referring to where

1123

00:48:14,620 --> 00:48:13,550

they say you know one it's about love

1124

00:48:16,539 --> 00:48:14,630

right that's the first

1125

00:48:19,029 --> 00:48:16,549

that comes through it's about love it's

1126  
00:48:21,789 --> 00:48:19,039  
about this connection even the the life

1127  
00:48:23,620 --> 00:48:21,799  
review is about oh my gosh now I see

1128  
00:48:25,960 --> 00:48:23,630  
things from the perspective of these

1129  
00:48:28,599 --> 00:48:25,970  
other people that I was encountering and

1130  
00:48:32,170 --> 00:48:28,609  
and my love and compassion and empathy

1131  
00:48:34,329 --> 00:48:32,180  
is causing me both pleasure and pain you

1132  
00:48:38,200 --> 00:48:34,339  
know as I see what I've done but they do

1133  
00:48:40,269 --> 00:48:38,210  
point towards their being this higher

1134  
00:48:44,319 --> 00:48:40,279  
being of intelligence this higher order

1135  
00:48:45,819 --> 00:48:44,329  
of spirit and I guess I just want

1136  
00:48:48,099 --> 00:48:45,829  
clarification on that I'm not trying to

1137  
00:48:50,140 --> 00:48:48,109  
jam you in any one direction but no I

1138  
00:48:52,150 --> 00:48:50,150

understand I understand completely what

1139

00:48:55,779 --> 00:48:52,160

you're asking and my take on it from

1140

00:48:59,559 --> 00:48:55,789

spirit is that it's not necessarily like

1141

00:49:02,230 --> 00:48:59,569

there's a hierarchy exactly or there's

1142

00:49:04,029 --> 00:49:02,240

not like a panel or a government on the

1143

00:49:06,430 --> 00:49:04,039

other side that God controls or anything

1144

00:49:08,289 --> 00:49:06,440

like that it's all about experience

1145

00:49:10,240 --> 00:49:08,299

there's no religion on the other side

1146

00:49:12,609 --> 00:49:10,250

there's a belief and it's love there is

1147

00:49:14,980 --> 00:49:12,619

a feeling and it's love yes do we have

1148

00:49:17,499 --> 00:49:14,990

personalities as a soul yes we do do we

1149

00:49:20,019 --> 00:49:17,509

you know can we criticize yes we can

1150

00:49:22,960 --> 00:49:20,029

criticize it's not like all fairy tales

1151  
00:49:26,470 --> 00:49:22,970  
and unicorns on the other side and then

1152  
00:49:29,589 --> 00:49:26,480  
life review is that is not God judging

1153  
00:49:33,480 --> 00:49:29,599  
you that is not anybody judging you the

1154  
00:49:36,609 --> 00:49:33,490  
life review is your opportunity to learn

1155  
00:49:39,759 --> 00:49:36,619  
you came down here and just experienced

1156  
00:49:41,499 --> 00:49:39,769  
a life that had ups and downs and could

1157  
00:49:43,499 --> 00:49:41,509  
be difficult could be wonderful whatever

1158  
00:49:46,599 --> 00:49:43,509  
it is and now this is your chance to

1159  
00:49:49,029 --> 00:49:46,609  
actually get me out of a human state of

1160  
00:49:51,970 --> 00:49:49,039  
mind and be able to experience it as a

1161  
00:49:54,309 --> 00:49:51,980  
soul and it's like it's that learning

1162  
00:49:55,990 --> 00:49:54,319  
moment it's it is self judgment but not

1163  
00:49:58,269 --> 00:49:56,000

it's usually yourself judging yourself

1164

00:50:00,249 --> 00:49:58,279

in a loving way I mean that's the only

1165

00:50:02,940 --> 00:50:00,259

way I can describe it I don't there is

1166

00:50:05,620 --> 00:50:02,950

no judgment there's no hell there's no

1167

00:50:08,559 --> 00:50:05,630

creator going man you really blew it you

1168

00:50:10,150 --> 00:50:08,569

know there's not you might get over

1169

00:50:11,200 --> 00:50:10,160

there and go out okay I could have done

1170

00:50:15,789 --> 00:50:11,210

that better maybe I shouldn't have

1171

00:50:17,230 --> 00:50:15,799

killed him you know so people always ask

1172

00:50:18,849 --> 00:50:17,240

me like where's Hitler I'm sorry

1173

00:50:20,859 --> 00:50:18,859

Hitler's on F soul on the other side

1174

00:50:23,380 --> 00:50:20,869

like everyone else there's no hell that

1175

00:50:24,849 --> 00:50:23,390

he's burning it and people just don't

1176

00:50:27,530 --> 00:50:24,859

understand that they're like well how

1177

00:50:29,300 --> 00:50:27,540

can you even say that great well this is

1178

00:50:31,850 --> 00:50:29,310

credible you know like I say I'm

1179

00:50:33,590 --> 00:50:31,860

throwing the the biggest big-picture

1180

00:50:35,840 --> 00:50:33,600

questions out here and you're just

1181

00:50:37,670 --> 00:50:35,850

knocking them down one after another I

1182

00:50:39,230 --> 00:50:37,680

have one more and then I want to head

1183

00:50:40,910 --> 00:50:39,240

towards wrapping it up because I really

1184

00:50:43,880 --> 00:50:40,920

appreciate you spending this time with

1185

00:50:46,400 --> 00:50:43,890

me and the final question it's kind of a

1186

00:50:50,000 --> 00:50:46,410

little bit off to the side here but what

1187

00:50:53,840 --> 00:50:50,010

are we to make of the thought-form thing

1188

00:50:57,200 --> 00:50:53,850

the Buddhist tapa thing that everything

1189

00:51:01,190 --> 00:50:57,210

is a thought-form we are creating our

1190

00:51:03,170 --> 00:51:01,200

reality by our thoughts continuously and

1191

00:51:05,180 --> 00:51:03,180

you know that when you get into the

1192

00:51:06,740 --> 00:51:05,190

lucid dreaming thing I have a direct

1193

00:51:07,100 --> 00:51:06,750

experience with that in terms of lucid

1194

00:51:09,020 --> 00:51:07,110

dreams

1195

00:51:11,570 --> 00:51:09,030

you suddenly realize wow you know these

1196

00:51:13,730 --> 00:51:11,580

dreams I am creating these and then I'm

1197

00:51:15,110 --> 00:51:13,740

living it as I create it and the

1198

00:51:17,480 --> 00:51:15,120

Buddhists have said this all along and

1199

00:51:20,060 --> 00:51:17,490

other wisdom traditions have said this

1200

00:51:22,640 --> 00:51:20,070

what do you make of this thought form

1201  
00:51:24,920 --> 00:51:22,650  
that we are creating our reality kind of

1202  
00:51:26,750 --> 00:51:24,930  
thing what a spirit telling you what you

1203  
00:51:30,440 --> 00:51:26,760  
are creating your life that you're

1204  
00:51:34,040 --> 00:51:30,450  
creating is the reaction of your thought

1205  
00:51:37,940 --> 00:51:34,050  
so I don't believe like if I think I'm

1206  
00:51:39,890 --> 00:51:37,950  
rich all of a sudden I'm rich okay if I

1207  
00:51:42,410 --> 00:51:39,900  
think I'm sick all of a sudden I'm sick

1208  
00:51:44,330 --> 00:51:42,420  
I don't believe we're creating it that

1209  
00:51:46,280 --> 00:51:44,340  
way I don't feel like you can sit back

1210  
00:51:48,530 --> 00:51:46,290  
and have this daydream of what you want

1211  
00:51:50,900 --> 00:51:48,540  
your life to be like and then the second

1212  
00:51:53,570 --> 00:51:50,910  
you open your eyes it it magically

1213  
00:51:56,240 --> 00:51:53,580

appears so there's a fine line I mean

1214

00:51:59,360 --> 00:51:56,250

it's very broad what they're saying but

1215

00:52:00,950 --> 00:51:59,370

I understand in the I understand that

1216

00:52:04,370 --> 00:52:00,960

what it really is we are what we think

1217

00:52:06,710 --> 00:52:04,380

we are and I believe in that 100% you

1218

00:52:08,900 --> 00:52:06,720

know if you think if you think you're

1219

00:52:10,610 --> 00:52:08,910

fat then then that's what you're going

1220

00:52:13,310 --> 00:52:10,620

to perceive yourself as fat if you think

1221

00:52:15,650 --> 00:52:13,320

you're and I get this a lot from a lot

1222

00:52:18,170 --> 00:52:15,660

of clients if you think that you are

1223

00:52:20,690 --> 00:52:18,180

your life is doomed and you are a victim

1224

00:52:23,120 --> 00:52:20,700

and you're never going to have love or

1225

00:52:25,940 --> 00:52:23,130

compassion or a relationship if you

1226  
00:52:28,730 --> 00:52:25,950  
believe that that is going to happen you

1227  
00:52:30,680 --> 00:52:28,740  
will create that because you believe it

1228  
00:52:32,270 --> 00:52:30,690  
okay it's no different than when someone

1229  
00:52:34,820 --> 00:52:32,280  
says you have there's a curse then put

1230  
00:52:37,700 --> 00:52:34,830  
on you there's no curses but if you

1231  
00:52:40,160 --> 00:52:37,710  
believe there's a curse you will live

1232  
00:52:40,910 --> 00:52:40,170  
your life as if there is you will react

1233  
00:52:42,590 --> 00:52:40,920  
to everything

1234  
00:52:44,870 --> 00:52:42,600  
that there is and therefore you will

1235  
00:52:47,390 --> 00:52:44,880  
create it you can create it in your mind

1236  
00:52:49,790 --> 00:52:47,400  
so I understand what they're saying but

1237  
00:52:53,360 --> 00:52:49,800  
I think that it means it's a more broad

1238  
00:52:55,700 --> 00:52:53,370

I wonder how that relates to what we

1239

00:52:57,710 --> 00:52:55,710

started out talking about in the process

1240

00:52:59,930 --> 00:52:57,720

of mediumship and in particular like

1241

00:53:03,560 --> 00:52:59,940

your case of you know it's kind of

1242

00:53:06,140 --> 00:53:03,570

trauma related you're opening up to this

1243

00:53:08,050 --> 00:53:06,150

and boy when you study mediumship that

1244

00:53:10,970 --> 00:53:08,060

comes up over and over again as this

1245

00:53:14,660 --> 00:53:10,980

trauma being this opening and then in

1246

00:53:17,810 --> 00:53:14,670

its kind of worst case there's people

1247

00:53:20,180 --> 00:53:17,820

and in particular our government and

1248

00:53:22,280 --> 00:53:20,190

some you know MKULTRA and some other

1249

00:53:23,960 --> 00:53:22,290

agencies that have said oh great let's

1250

00:53:26,180 --> 00:53:23,970

try and get into that other realm by

1251  
00:53:28,580 --> 00:53:26,190  
breaking people open by traumatizing

1252  
00:53:30,830 --> 00:53:28,590  
people abusing people intentionally and

1253  
00:53:34,220 --> 00:53:30,840  
seeing if we can break into that other

1254  
00:53:37,370 --> 00:53:34,230  
world I don't think it's gonna work that

1255  
00:53:39,620 --> 00:53:37,380  
way but trauma does seem to be related

1256  
00:53:44,210 --> 00:53:39,630  
here in terms of breaking people open in

1257  
00:53:46,580 --> 00:53:44,220  
some weird way well it can be I mean I

1258  
00:53:50,090 --> 00:53:46,590  
yeah I'm not gonna say that the death of

1259  
00:53:52,040 --> 00:53:50,100  
my mother and my niece was traumatic it

1260  
00:53:54,650 --> 00:53:52,050  
was sad but I don't feel it was

1261  
00:53:56,300 --> 00:53:54,660  
traumatic and I've been I had as a child

1262  
00:53:58,820 --> 00:53:56,310  
there's been a lot of there was a lot of

1263  
00:54:00,440 --> 00:53:58,830

trauma in my life I'd been in a shootout

1264

00:54:01,610 --> 00:54:00,450

when I was a little kid there was lots

1265

00:54:04,370 --> 00:54:01,620

of little things and grew up with an

1266

00:54:06,710 --> 00:54:04,380

alcoholic father and you know here's the

1267

00:54:08,000 --> 00:54:06,720

thing Marianne Williamson said it said

1268

00:54:11,210 --> 00:54:08,010

it in an interview and I it really

1269

00:54:13,610 --> 00:54:11,220

really clicked for me when she said some

1270

00:54:15,410 --> 00:54:13,620

of the best intuitive psychic training

1271

00:54:16,420 --> 00:54:15,420

is being raised in a dysfunctional

1272

00:54:20,240 --> 00:54:16,430

family

1273

00:54:24,470 --> 00:54:20,250

so I don't necessarily think it's about

1274

00:54:25,850 --> 00:54:24,480

trauma trauma when somebody that has

1275

00:54:29,450 --> 00:54:25,860

trauma what do they do

1276  
00:54:31,580 --> 00:54:29,460  
number one they slow down right if you

1277  
00:54:33,200 --> 00:54:31,590  
have a trauma traumatic experience

1278  
00:54:36,140 --> 00:54:33,210  
whether it be physical mental or

1279  
00:54:38,080 --> 00:54:36,150  
emotional you're going to slow down and

1280  
00:54:41,390 --> 00:54:38,090  
start paying attention to your thoughts

1281  
00:54:44,180 --> 00:54:41,400  
you're going to start asking why why me

1282  
00:54:48,650 --> 00:54:44,190  
why did this happen to me so the key to

1283  
00:54:53,000 --> 00:54:48,660  
me to that is slowing down so for

1284  
00:54:54,840 --> 00:54:53,010  
example if you're if I'm like I grew up

1285  
00:54:56,910 --> 00:54:54,850  
with an alcoholic father I walked on a

1286  
00:54:59,640 --> 00:54:56,920  
shows my entire life can you imagine the

1287  
00:55:04,080 --> 00:54:59,650  
training of my having intuition and

1288  
00:55:06,600 --> 00:55:04,090

having to read my environment 24/7 so

1289

00:55:08,760 --> 00:55:06,610

what did that do that caused me to slow

1290

00:55:12,530 --> 00:55:08,770

down and be very aware of in my

1291

00:55:15,420 --> 00:55:12,540

environment aware of what I said aware

1292

00:55:20,150 --> 00:55:15,430

of my father's mood

1293

00:55:23,670 --> 00:55:20,160

my mother's mood all of that so trauma

1294

00:55:29,000 --> 00:55:23,680

slows people down and makes them start

1295

00:55:33,030 --> 00:55:29,010

questioning reality the why their belief

1296

00:55:37,740 --> 00:55:33,040

it starts changing how they think and

1297

00:55:39,390 --> 00:55:37,750

feel even if it's anger that to me is

1298

00:55:41,670 --> 00:55:39,400

that I don't think government really

1299

00:55:45,480 --> 00:55:41,680

needs to create trauma to get people to

1300

00:55:47,820 --> 00:55:45,490

start you know opening up but that's

1301  
00:55:48,900 --> 00:55:47,830  
what I believe is happening is the

1302  
00:55:51,240 --> 00:55:48,910  
trauma it's like the near-death

1303  
00:55:53,550 --> 00:55:51,250  
experience all of a sudden people you

1304  
00:55:55,170 --> 00:55:53,560  
know Daniel Green chill all of a sudden

1305  
00:55:56,970 --> 00:55:55,180  
you you know come out of a near-death

1306  
00:55:59,850 --> 00:55:56,980  
experience and now you feel like you're

1307  
00:56:03,470 --> 00:55:59,860  
seeing spirit well talk yes you may have

1308  
00:56:06,870 --> 00:56:03,480  
brought some of that with you but also

1309  
00:56:08,310 --> 00:56:06,880  
that made him he had a second chance you

1310  
00:56:10,890 --> 00:56:08,320  
know you get a second chance in life

1311  
00:56:12,360 --> 00:56:10,900  
you're gonna start asking why why did I

1312  
00:56:15,390 --> 00:56:12,370  
get a second chance in life and is it

1313  
00:56:18,000 --> 00:56:15,400

worth it if i worthy am i worthy and

1314

00:56:22,230 --> 00:56:18,010

what am i supposed to do with that to me

1315

00:56:24,330 --> 00:56:22,240

it's about slowing down and slowing your

1316

00:56:28,200 --> 00:56:24,340

conscious level down to being more aware

1317

00:56:30,810 --> 00:56:28,210

of every single thing around you once

1318

00:56:33,540 --> 00:56:30,820

people slow down you'd be amazed at what

1319

00:56:36,540 --> 00:56:33,550

you can hear see feel and think Marisa

1320

00:56:39,110 --> 00:56:36,550

what kind of people do you feel like

1321

00:56:42,870 --> 00:56:39,120

you're best suited to help you offer

1322

00:56:45,090 --> 00:56:42,880

medium and psychic readings for people

1323

00:56:48,090 --> 00:56:45,100

well what kind of folks are you feel

1324

00:56:50,610 --> 00:56:48,100

like you're best able to help well what

1325

00:56:52,890 --> 00:56:50,620

I do I believe is about healing okay

1326

00:56:54,570 --> 00:56:52,900

it's about healing so I have to get a

1327

00:56:56,310 --> 00:56:54,580

lot of validation in my readings for

1328

00:56:57,630 --> 00:56:56,320

them to even start processing the

1329

00:56:59,550 --> 00:56:57,640

healing or they're not going to believe

1330

00:57:01,770 --> 00:56:59,560

what I'm saying so that to me getting

1331

00:57:03,390 --> 00:57:01,780

validation is very important people seek

1332

00:57:05,860 --> 00:57:03,400

me out because they want to connect with

1333

00:57:08,050 --> 00:57:05,870

someone who died to know they're okay

1334

00:57:09,820 --> 00:57:08,060

and you know to see if they you know

1335

00:57:11,680 --> 00:57:09,830

they can still connect with them or they

1336

00:57:14,710 --> 00:57:11,690

mad at me or where's the will or

1337

00:57:17,950 --> 00:57:14,720

whatever but also people connect with me

1338

00:57:19,780 --> 00:57:17,960

because why I'll put it this way why do

1339

00:57:21,330 --> 00:57:19,790

people go to psychics because they want

1340

00:57:24,520 --> 00:57:21,340

confirmation of what they already know

1341

00:57:26,140 --> 00:57:24,530

so when somebody already has a feeling

1342

00:57:28,540 --> 00:57:26,150

about something but they're not sure how

1343

00:57:30,910 --> 00:57:28,550

to choose or make for get an answer

1344

00:57:33,340 --> 00:57:30,920

they'll go to somebody who's a psychic

1345

00:57:35,340 --> 00:57:33,350

because if they sit there in silence and

1346

00:57:38,470 --> 00:57:35,350

all of a sudden this total stranger out

1347

00:57:40,830 --> 00:57:38,480

of their mouth says exactly what they

1348

00:57:42,970 --> 00:57:40,840

were thinking or exactly about the

1349

00:57:45,100 --> 00:57:42,980

decision they have to make all of a

1350

00:57:47,770 --> 00:57:45,110

sudden it becomes more real to them it's

1351  
00:57:49,180 --> 00:57:47,780  
that second validation of I'm going in

1352  
00:57:53,580 --> 00:57:49,190  
the right direction or I'm going in the

1353  
00:57:56,080 --> 00:57:53,590  
wrong direction so I think for me if

1354  
00:57:58,720 --> 00:57:56,090  
it's about healing if people want

1355  
00:58:00,520 --> 00:57:58,730  
healing healing with connect you know

1356  
00:58:03,490 --> 00:58:00,530  
connecting with somebody that has passed

1357  
00:58:05,200 --> 00:58:03,500  
there you know grieving a lot of

1358  
00:58:07,390 --> 00:58:05,210  
therapists and their grief clients to me

1359  
00:58:09,700 --> 00:58:07,400  
to be able to have that connection with

1360  
00:58:14,050 --> 00:58:09,710  
the deceased to have hope that we do go

1361  
00:58:17,680 --> 00:58:14,060  
on or to get some guidance from their

1362  
00:58:19,930 --> 00:58:17,690  
guide to help them make better decisions

1363  
00:58:22,180 --> 00:58:19,940

so they can live their best life that's

1364

00:58:25,660 --> 00:58:22,190

another thing I work with people's

1365

00:58:28,990 --> 00:58:25,670

guides because we have guides and that

1366

00:58:32,830 --> 00:58:29,000

can give them insight to directions they

1367

00:58:36,130 --> 00:58:32,840

need to change or keep going or

1368

00:58:38,680 --> 00:58:36,140

eliminate people in their life or create

1369

00:58:40,240 --> 00:58:38,690

you know careers create relationships

1370

00:58:42,940 --> 00:58:40,250

those are the kinds of that's basically

1371

00:58:46,810 --> 00:58:42,950

what I do is I communicate with spirit

1372

00:58:47,140 --> 00:58:46,820

for people Marisa do you still do any of

1373

00:58:49,710 --> 00:58:47,150

that

1374

00:58:51,970 --> 00:58:49,720

psychic detective work if people have

1375

00:58:53,260 --> 00:58:51,980

you know some kind of really horrible

1376

00:58:55,120 --> 00:58:53,270

thing that's going on and they want

1377

00:58:56,440 --> 00:58:55,130

answers to that do you help people with

1378

00:58:59,140 --> 00:58:56,450

that or is that something you don't do

1379

00:59:00,670 --> 00:58:59,150

so much anymore no I do I have people

1380

00:59:04,750 --> 00:59:00,680

that come to me all the time with

1381

00:59:07,240 --> 00:59:04,760

missing persons murder cases I probably

1382

00:59:09,280 --> 00:59:07,250

get at least five to six a month and I'm

1383

00:59:11,160 --> 00:59:09,290

very happy to work with them I don't

1384

00:59:13,540 --> 00:59:11,170

charge if I'm working with a missing

1385

00:59:15,640 --> 00:59:13,550

person or a murder case as far as

1386

00:59:17,200 --> 00:59:15,650

working with police I love to let people

1387

00:59:19,610 --> 00:59:17,210

know the police don't want to work with

1388

00:59:22,790 --> 00:59:19,620

psychics really because what we say

1389

00:59:26,290 --> 00:59:22,800

not admissible in court so if anyone I'm

1390

00:59:30,290 --> 00:59:26,300

not a psychic detective that is you know

1391

00:59:32,450 --> 00:59:30,300

hired by law enforcement usually the

1392

00:59:35,150 --> 00:59:32,460

family will bring the case to me and

1393

00:59:36,860 --> 00:59:35,160

then I give them information and they go

1394

00:59:38,540 --> 00:59:36,870

to the detectives with the information

1395

00:59:40,910 --> 00:59:38,550

I'd given them and then they deduct

1396

00:59:42,500 --> 00:59:40,920

detectives they show up at my house

1397

00:59:44,960 --> 00:59:42,510

because they either think I'm a part of

1398

00:59:48,320 --> 00:59:44,970

it how did I know the information and

1399

00:59:52,100 --> 00:59:48,330

then when I help them find a body then

1400

00:59:53,810 --> 00:59:52,110

they usually won't completely ride up in

1401

00:59:56,810 --> 00:59:53,820

the report that I did not say anything

1402

00:59:59,690 --> 00:59:56,820

helpful at all and then everyone's happy

1403

01:00:00,860 --> 00:59:59,700

oh yeah no I have TV producers all the

1404

01:00:02,900 --> 01:00:00,870

time saying they want to do a show with

1405

01:00:04,070 --> 01:00:02,910

you working with police I said you find

1406

01:00:06,620 --> 01:00:04,080

the police department it wants to work

1407

01:00:08,570 --> 01:00:06,630

with me and I will be happy to do it but

1408

01:00:09,800 --> 01:00:08,580

it I understand I used to do some law

1409

01:00:11,570 --> 01:00:09,810

enforcement I went to the police academy

1410

01:00:14,270 --> 01:00:11,580

and I understand why they can't my son's

1411

01:00:16,070 --> 01:00:14,280

a cop I understand yeah it's not just

1412

01:00:18,020 --> 01:00:16,080

the cops it's the prosecutors too so

1413

01:00:19,820 --> 01:00:18,030

it's a complex process that people need

1414

01:00:22,640 --> 01:00:19,830

to understand and as your story at the

1415

01:00:24,410 --> 01:00:22,650

very beginning confirmed I love the

1416

01:00:26,420 --> 01:00:24,420

story where you say you know the cop is

1417

01:00:28,520 --> 01:00:26,430

retired and comes back and comes to you

1418

01:00:31,340 --> 01:00:28,530

and says I still want to solve this case

1419

01:00:35,000 --> 01:00:31,350

and I know you're legit help me do it

1420

01:00:39,500 --> 01:00:35,010

that's a pretty powerful story yeah I

1421

01:00:41,570 --> 01:00:39,510

know I honestly just kind of had to let

1422

01:00:44,300 --> 01:00:41,580

that case go because it drove me crazy

1423

01:00:46,040 --> 01:00:44,310

for multiple years and it was just it's

1424

01:00:47,620 --> 01:00:46,050

not easy working with spirit let me just

1425

01:00:50,720 --> 01:00:47,630

say that it's not that easy

1426

01:00:53,240 --> 01:00:50,730

so again our guest today has been

1427

01:00:55,400 --> 01:00:53,250

Marissa Ryan if you want to check out

1428

01:00:56,930 --> 01:00:55,410

more I'll have a link to that in the

1429

01:01:00,050 --> 01:00:56,940

show notes to our website which is

1430

01:01:03,260 --> 01:01:00,060

really simple it's Marissa ryan calm

1431

01:01:05,570 --> 01:01:03,270

spelled with 1's and people are welcome

1432

01:01:07,850 --> 01:01:05,580

to go there and how long of a backlog do

1433

01:01:09,500 --> 01:01:07,860

you have right now for folks who want a

1434

01:01:11,300 --> 01:01:09,510

session are you able to get them in in a

1435

01:01:14,120 --> 01:01:11,310

couple months or how does it work out

1436

01:01:17,030 --> 01:01:14,130

for mine ok the end you know folks

1437

01:01:18,860 --> 01:01:17,040

you'll find that the best mediums are

1438

01:01:20,930 --> 01:01:18,870

going to have a similar kind of backlog

1439

01:01:23,960 --> 01:01:20,940

so I would encourage people not to be

1440

01:01:25,730 --> 01:01:23,970

discouraged by that but just to jump in

1441

01:01:28,130 --> 01:01:25,740

line and you know kind of see what

1442

01:01:30,590 --> 01:01:28,140

happens but by all accounts Marissa

1443

01:01:33,260 --> 01:01:30,600

you're fantastic and I just thank you so

1444

01:01:35,300 --> 01:01:33,270

much for handling these kind of

1445

01:01:36,830 --> 01:01:35,310

questions that I'm sure maybe I've

1446

01:01:39,590 --> 01:01:36,840

seemed a little bit off the wall at

1447

01:01:41,990 --> 01:01:39,600

times but were really really great so I

1448

01:01:43,940 --> 01:01:42,000

appreciate it thank you Alex for having

1449

01:01:47,450 --> 01:01:43,950

me on it's been great and a wonderful

1450

01:01:50,030 --> 01:01:47,460

question thanks again to Marissa Ryan

1451  
01:01:51,920 --> 01:01:50,040  
for joining me today on skeptic Oh the

1452  
01:01:54,650 --> 01:01:51,930  
one question I'd have to tee up from

1453  
01:01:59,300 --> 01:01:54,660  
this interview is to what extent should

1454  
01:02:01,430 --> 01:01:59,310  
we rely on slash trust what mediums tell

1455  
01:02:02,990 --> 01:02:01,440  
us that's a broad question because I

1456  
01:02:05,120 --> 01:02:03,000  
want to have a broad answer or a broad

1457  
01:02:07,580 --> 01:02:05,130  
discussion about all the possibilities

1458  
01:02:10,550 --> 01:02:07,590  
you know I gave you an example of some

1459  
01:02:12,500 --> 01:02:10,560  
personal stuff that she gave me that

1460  
01:02:16,070 --> 01:02:12,510  
just really resonated with me and I

1461  
01:02:19,030 --> 01:02:16,080  
trust that but does that mean I trust

1462  
01:02:21,710 --> 01:02:19,040  
her on all the other big-picture stuff

1463  
01:02:24,620 --> 01:02:21,720

well not necessarily in my case because

1464

01:02:27,140 --> 01:02:24,630

I have a bunch of other contradictory

1465

01:02:30,950 --> 01:02:27,150

evidence from other people that makes me

1466

01:02:33,200 --> 01:02:30,960

wonder not that Marissa is wrong but

1467

01:02:36,350 --> 01:02:33,210

that there may be another way of

1468

01:02:39,410 --> 01:02:36,360

understanding how multiple people can be

1469

01:02:42,230 --> 01:02:39,420

right that multiple points of view can

1470

01:02:44,960 --> 01:02:42,240

be right about this so that's really

1471

01:02:46,640 --> 01:02:44,970

kind of an interesting question to toss

1472

01:02:48,710 --> 01:02:46,650

back and forth because I think it could

1473

01:02:50,860 --> 01:02:48,720

go a lot of different ways and I think

1474

01:02:54,910 --> 01:02:50,870

it's the kind of thing that we should

1475

01:02:58,640 --> 01:02:54,920

follow up on in skeptic oh and do future

1476

01:03:00,530 --> 01:02:58,650

interviews and shows about but as I was

1477

01:03:02,390 --> 01:03:00,540

saying at the beginning you know if we

1478

01:03:04,790 --> 01:03:02,400

come together as a community I think we

1479

01:03:07,520 --> 01:03:04,800

can better figure out what's already

1480

01:03:11,420 --> 01:03:07,530

going on in that area what's being said

1481

01:03:14,000 --> 01:03:11,430

and then what we might be able to add to

1482

01:03:16,100 --> 01:03:14,010

that discussion so those are some of my

1483

01:03:17,720 --> 01:03:16,110

thoughts on where I'd like to take it so

1484

01:03:19,550 --> 01:03:17,730

as I said at the beginning connect with

1485

01:03:20,750 --> 01:03:19,560

me let's figure that out a place to do

1486

01:03:24,860 --> 01:03:20,760

it is of course through the skeptical

1487

01:03:27,380 --> 01:03:24,870

website ske P tik oat calm or you'll

1488

01:03:29,000 --> 01:03:27,390

find links to all the good stuff

1489

01:03:31,100 --> 01:03:29,010

including all the past shows that you

1490

01:03:33,410 --> 01:03:31,110

can download for free and enjoy a

1491

01:03:35,390 --> 01:03:33,420

hopefully and listen to so thanks for

1492

01:03:37,820 --> 01:03:35,400

watching this video if it wasn't really

1493

01:03:39,560 --> 01:03:37,830

a video but just an audio stored as a

1494

01:03:41,570 --> 01:03:39,570

video well I apologize but there's more

1495

01:03:43,520 --> 01:03:41,580

videos out there as well but please

1496

01:03:45,080 --> 01:03:43,530

check out the skeptical web site you can

1497

01:03:47,030 --> 01:03:45,090

see it here we cover a lot of different

1498

01:03:49,700 --> 01:03:47,040

stuff you might be interested in

1499

01:03:52,520 --> 01:03:49,710

relating to controversial science and

1500

01:03:55,670 --> 01:03:52,530

spirituality a lot of shows up there

1501

01:03:58,550 --> 01:03:55,680

over 350 of them or so all free all

1502

01:03:59,970 --> 01:03:58,560

available for download so do check it
