

Russell Brand

be quick to see where religious
people the right

1
00:00:04,760 --> 00:00:02,780
if well I heard that like twas be quick

2
00:00:06,320 --> 00:00:04,770
to see where religious people are right

3
00:00:07,970 --> 00:00:06,330
you know it's all really obvious where

4
00:00:09,440 --> 00:00:07,980
religious people are wrong you know

5
00:00:11,150 --> 00:00:09,450
because we sort of hear about it on the

6
00:00:12,799 --> 00:00:11,160
news but like what where religious

7
00:00:15,680 --> 00:00:12,809
people are right you know togetherness

8
00:00:17,599 --> 00:00:15,690
selflessness relationship with a deeper

9
00:00:19,910 --> 00:00:17,609
self acceptance of death and the

10
00:00:21,740 --> 00:00:19,920
possibility of transcendence of the you

11
00:00:23,779 --> 00:00:21,750
know human primal self those things were

12
00:00:26,269 --> 00:00:23,789
all really beautiful ideas that have

13
00:00:27,890 --> 00:00:26,279

kind of lost their way in a scientist

14

00:00:29,450 --> 00:00:27,900

eye until you know that term scientism

15

00:00:31,009 --> 00:00:29,460

the idea that sort of science has got

16

00:00:32,630 --> 00:00:31,019

into territories that science can really

17

00:00:34,280 --> 00:00:32,640

handle cuz we come to a judge ring full

18

00:00:36,080 --> 00:00:34,290

stop at certain points you know like
