1
00:00:13,070 --> 00:00:09,440
look I'm just not ready ask Laraine out

2
00:00:15,259 --> 00:00:13,080
to the dance and not you or anybody else

3
00:00:22,790 --> 00:00:15,269
on this planet is gonna make me change

4
00:00:25,880 --> 00:00:22,800
my mind that's a clip from the sci-fi

5
00:00:28,400 --> 00:00:25,890
classic back to the future and although

6
00:00:30,439 --> 00:00:28,410
today's show is in about time travel it

7
00:00:33,470 --> 00:00:30,449
is about changing your mind changing

8
00:00:36,470 --> 00:00:33,480
your beliefs but as often happens on

9
00:00:39,830 --> 00:00:36,480
these shows it kind of turned into a

10
00:00:41,569 --> 00:00:39,840
show about something else I mean how

11
00:00:46,369 --> 00:00:41,579
else can you explain how I could go from

12
00:00:48,740 --> 00:00:46,379
this you seem to follow data wherever it

13
00:00:51,080 --> 00:00:48,750

leads so that's what I care about it and

14

00:00:54,200 --> 00:00:51,090

that's what I hear from your show it's

15

00:00:57,139 --> 00:00:54,210

awesome it's rare to this well well I

16

00:00:58,549 --> 00:00:57,149

would end it there because you know you

17

00:01:00,500 --> 00:00:58,559

want to change my mind you know I don't

18

00:01:03,020 --> 00:01:00,510

think it's gonna happen you know do I

19

00:01:04,549 --> 00:01:03,030

have to justify my faith to you what's

20

00:01:06,289 --> 00:01:04,559

your need to change my mind that I get

21

00:01:08,450 --> 00:01:06,299

that it sounds like I'm desperate to

22

00:01:10,609 --> 00:01:08,460

change your mind I'm really not this is

23

00:01:12,920 --> 00:01:10,619

the skeptical process for me it's like

24

00:01:14,240 --> 00:01:12,930

follow the data wherever it leads and I

25

00:01:15,800 --> 00:01:14,250

see in you someone who's following the

26

00:01:17,359 --> 00:01:15,810

data and then when it comes to this

27

00:01:19,039 --> 00:01:17,369

what's like well no I don't really need

28

00:01:21,260 --> 00:01:19,049

to follow that data it's like I hear all

29

00:01:24,469 --> 00:01:21,270

the time from people and they say I'm a

30

00:01:27,230 --> 00:01:24,479

smart guy if that was true I would know

31

00:01:29,660 --> 00:01:27,240

it so this episode has a lot of layers

32

00:01:32,149 --> 00:01:29,670

to it and I'm tempted to pull them all

33

00:01:34,550 --> 00:01:32,159

apart and lay them all out and explain

34

00:01:38,030 --> 00:01:34,560

him to you but I don't really think

35

00:01:40,580 --> 00:01:38,040

that's what you want or what I want it's

36

00:01:43,370 --> 00:01:40,590

better for you just to listen to it

37

00:01:45,410 --> 00:01:43,380

experience it and see what you think I

38

00:01:48,740 --> 00:01:45,420

want to let you know up front that the

39

00:01:51,920 --> 00:01:48,750

episode has a lot of political flavor to

40

00:01:54,469 --> 00:01:51,930

it but not for the sake of politics this

41

00:01:58,039 --> 00:01:54,479

is an episode about what I used to

42

00:02:01,069 --> 00:01:58,049

believe why I believed it and then how I

43

00:02:02,899 --> 00:02:01,079

came to change those beliefs and the

44

00:02:05,480 --> 00:02:02,909

fact that those beliefs happened to be

45

00:02:08,419 --> 00:02:05,490

about Donald Trump are just really

46

00:02:10,400 --> 00:02:08,429

secondary I guess so just one more note

47

00:02:12,460 --> 00:02:10,410

on the political thing I'm gonna leave

48

00:02:15,920 --> 00:02:12,470

it to you to decide whether

49

00:02:18,290 --> 00:02:15,930

creepy sexual kind of perverted stuff

50

00:02:21,260 --> 00:02:18,300

the Donald Trump is mixed up with is

51
00:02:22,220 --> 00:02:21,270
better or worse than the accused

52
00:02:26,090 --> 00:02:22,230
pedophile

53
00:02:28,970 --> 00:02:26,100
John Podesta or the accused rapist Bill

54
00:02:32,180 --> 00:02:28,980
Clinton or the Satanic friendly Hillary

55
00:02:35,840 --> 00:02:32,190
Clinton or the pedo Pope or and if it

56
00:02:38,060 --> 00:02:35,850
rested this crazy stuff when you have to

57
00:02:40,640 --> 00:02:38,070
start making those kind of comparisons I

58
00:02:42,590 --> 00:02:40,650
think it's pointless but I do think this

59
00:02:45,770 --> 00:02:42,600
process of trying to figure out what's

60
00:02:48,350 --> 00:02:45,780
real even if it requires us to look into

61
00:02:51,530 --> 00:02:48,360
the abyss I think that process is

62
00:02:56,570 --> 00:02:51,540
important I want to stay open to that

63
00:02:58,760 --> 00:02:56,580

process and I hope you're willing to go

64

00:03:00,050 --> 00:02:58,770

there with me because maybe I've missed

65

00:03:02,210 --> 00:03:00,060

something maybe I got something

66

00:03:04,310 --> 00:03:02,220

completely wrong and I think I'll be

67

00:03:06,949 --> 00:03:04,320

better off going there if you'll go

68

00:03:10,520 --> 00:03:06,959

there with me and that's what I'm asking

69

00:03:13,400 --> 00:03:10,530

you to do in this episode so see what

70

00:03:15,560 --> 00:03:13,410

you think here's my interview with that

71

00:03:22,080 --> 00:03:15,570

opperman

72

00:03:27,410 --> 00:03:24,640

[Music]

73

00:03:30,080 --> 00:03:27,420

today we welcome Edie Opperman to

74

00:03:32,600 --> 00:03:30,090

skeptic oh it is a private investigator

75

00:03:36,020 --> 00:03:32,610

turned independent journalist radio

76

00:03:38,450 --> 00:03:36,030

broadcaster and podcaster and the

77

00:03:39,260 --> 00:03:38,460

creator and host of the very very

78

00:03:42,320 --> 00:03:39,270

excellent

79

00:03:44,590 --> 00:03:42,330

Opperman report Edie welcome to

80

00:03:47,500 --> 00:03:44,600

sceptical thanks so much for joining me

81

00:03:50,870 --> 00:03:47,510

thank you so much I'm happy to be here

82

00:03:54,350 --> 00:03:50,880

well great you know I've just had an

83

00:03:57,260 --> 00:03:54,360

awesome time binging on the Oppermann

84

00:03:59,360 --> 00:03:57,270

Report preparing for this show and I

85

00:04:01,790 --> 00:03:59,370

gotta tell folks they're gonna see is

86

00:04:05,060 --> 00:04:01,800

this thing unravels the connections with

87

00:04:09,050 --> 00:04:05,070

skeptic oh and we're all about but the

88

00:04:12,470 --> 00:04:09,060

deep investigations that you do into

89

00:04:14,570 --> 00:04:12,480

news stories that others are just well

90

00:04:18,050 --> 00:04:14,580

they're just unwilling or for some

91

00:04:21,400 --> 00:04:18,060

reason they're unable to go there this

92

00:04:23,540 --> 00:04:21,410

is amazing work and you're really to be

93

00:04:26,390 --> 00:04:23,550

congratulated and I'm just blown away by

94

00:04:27,950 --> 00:04:26,400

what you've done here No thank you very

95

00:04:30,530 --> 00:04:27,960

much I appreciate that very much I

96

00:04:33,950 --> 00:04:30,540

really do well and I gotta add you know

97

00:04:36,470 --> 00:04:33,960

the thing that really drew me and got me

98

00:04:39,590 --> 00:04:36,480

excited about your work is you seem to

99

00:04:42,680 --> 00:04:39,600

follow the the motto of this show

100

00:04:45,680 --> 00:04:42,690

skeptic Oh which is follow the data

101
00:04:49,190 --> 00:04:45,690
wherever it leads so you have guests on

102
00:04:51,620 --> 00:04:49,200
your show who clearly have a different

103
00:04:54,800 --> 00:04:51,630
political view of from yours or maybe a

104
00:04:55,880 --> 00:04:54,810
different worldview than yours and you

105
00:04:58,580 --> 00:04:55,890
don't seem to care about any of that

106
00:05:01,520 --> 00:04:58,590
you're just like hey did the guy do a

107
00:05:03,140 --> 00:05:01,530
good investigation has he risen to the

108
00:05:05,150 --> 00:05:03,150
level where I can trust what he's saying

109
00:05:06,110 --> 00:05:05,160
and that's what I care about it and

110
00:05:08,659 --> 00:05:06,120
that's what I hear

111
00:05:10,880 --> 00:05:08,669
from your show it's awesome it's rare do

112
00:05:14,000 --> 00:05:10,890
you want to speak to that am I getting

113
00:05:15,469 --> 00:05:14,010

that right yeah I guess the way I look

114

00:05:16,640 --> 00:05:15,479

at it is you know I'm here to take their

115

00:05:19,340 --> 00:05:16,650

statement and get them down on the

116

00:05:20,750 --> 00:05:19,350

record I'm not really a they here to

117

00:05:21,920 --> 00:05:20,760

argue what people convinced them you

118

00:05:24,290 --> 00:05:21,930

know or get into a big debate with

119

00:05:26,540 --> 00:05:24,300

people you know and you know for the

120

00:05:27,680 --> 00:05:26,550

most part you know sometimes I do get

121

00:05:28,730 --> 00:05:27,690

into a little debate but for the most

122

00:05:30,530 --> 00:05:28,740

part I just want to get this statement

123

00:05:32,750 --> 00:05:30,540

down on the record for posterity you

124

00:05:34,850 --> 00:05:32,760

know for the you know for the future it

125

00:05:36,500 --> 00:05:34,860

would allow these people and a lot of

126

00:05:38,090 --> 00:05:36,510

people to you know let happen meet and

127

00:05:40,760 --> 00:05:38,100

ask tough questions Hackney and nail him

128

00:05:42,230 --> 00:05:40,770

to the wall because when I'm working as

129

00:05:43,700 --> 00:05:42,240

a private investigator taking witness

130

00:05:44,900 --> 00:05:43,710

statements you know you don't get into a

131

00:05:46,640 --> 00:05:44,910

debate with the guy am i trying to

132

00:05:47,930 --> 00:05:46,650

influence what he's trying to say I want

133

00:05:50,090 --> 00:05:47,940

to get his record down on the statement

134

00:05:52,700 --> 00:05:50,100

later on we can cross-examine him on the

135

00:05:53,690 --> 00:05:52,710

witness stand but you kind of wanna have

136

00:05:55,730 --> 00:05:53,700

a friendly attitude with people

137

00:05:58,100 --> 00:05:55,740

establish a rapport get them comfortable

138

00:06:00,080 --> 00:05:58,110

and get them talking you know like I

139

00:06:03,110 --> 00:06:00,090

just did a recent interview with the the

140

00:06:05,120 --> 00:06:03,120

FBI agent with the anthrax case and if

141

00:06:06,980 --> 00:06:05,130

people listen to that carefully you know

142

00:06:10,570 --> 00:06:06,990

I asked them a lot of questions and he

143

00:06:13,940 --> 00:06:12,680

you know I don't know what more you want

144

00:06:15,290 --> 00:06:13,950

you want me to start yelling at him hey

145

00:06:17,330 --> 00:06:15,300

the whole thing was a cover-up and you

146

00:06:18,620 --> 00:06:17,340

know it's so just take a statement and

147

00:06:21,650 --> 00:06:18,630

it's there for the record people didn't

148

00:06:25,250 --> 00:06:21,660

concede it well you know let me say I

149

00:06:28,370 --> 00:06:25,260

think you asked great questions you

150

00:06:30,500 --> 00:06:28,380

asked questions that you know they they

151
00:06:31,850 --> 00:06:30,510
come from an investigator's standpoint I

152
00:06:33,560 --> 00:06:31,860
can tell that because they're different

153
00:06:35,600 --> 00:06:33,570
than the one that I would think and then

154
00:06:38,630 --> 00:06:35,610
it's like wow that really does kind of

155
00:06:41,000 --> 00:06:38,640
get to something without revealing all

156
00:06:43,430 --> 00:06:41,010
your cards which I see but what I was

157
00:06:44,870 --> 00:06:43,440
really alluding to is something a little

158
00:06:46,969 --> 00:06:44,880
bit different and maybe it's just in

159
00:06:49,159 --> 00:06:46,979
your DNA and you don't even see it but

160
00:06:52,730 --> 00:06:49,169
there's a lot of people who talk a good

161
00:06:55,010 --> 00:06:52,740
game about just show me the data and you

162
00:06:58,219 --> 00:06:55,020
know I'll be convinced show me the facts

163
00:07:00,080 --> 00:06:58,229

but they don't really live that and so

164

00:07:01,700 --> 00:07:00,090

you know you're kind of a left-leaning

165

00:07:03,950 --> 00:07:01,710

guy and we'll talk about that a little

166

00:07:07,460 --> 00:07:03,960

bit you have no problem talking to

167

00:07:10,640 --> 00:07:07,470

people who have conservative political

168

00:07:13,580 --> 00:07:10,650

views and you just want to know their

169

00:07:16,490 --> 00:07:13,590

this seems to me and what I admire and

170

00:07:19,190 --> 00:07:16,500

the link to skeptic code is you seem to

171

00:07:21,740 --> 00:07:19,200

be open to what they say as long as

172

00:07:24,110 --> 00:07:21,750

they've done an investigation that makes

173

00:07:26,360 --> 00:07:24,120

sense and man that is just rare these

174

00:07:28,130 --> 00:07:26,370

days because everyone has a real hard

175

00:07:30,770 --> 00:07:28,140

time getting out of their own beliefs

176

00:07:33,320 --> 00:07:30,780

and saying evaluating whether or not

177

00:07:36,170 --> 00:07:33,330

they can believe somebody based on the

178

00:07:37,880 --> 00:07:36,180

evidence yeah I definitely what you're

179

00:07:39,500 --> 00:07:37,890

talking about and it's been very few

180

00:07:41,750 --> 00:07:39,510

times were you know I just got so

181

00:07:43,300 --> 00:07:41,760

disgusted I just had like I'm thinking

182

00:07:45,529 --> 00:07:43,310

about that guy Kesler you know who

183

00:07:47,130 --> 00:07:45,539

started defending torture and stuff like

184

00:07:51,440 --> 00:07:47,140

that and I just couldn't take it anymore

185

00:07:57,570 --> 00:07:54,090

everybody's all women you know I tell

186

00:08:00,480 --> 00:07:57,580

you what let me start with one of your

187

00:08:03,540 --> 00:08:00,490

kind of favorite leadoff questions who

188

00:08:06,420 --> 00:08:03,550

is a top ermine well you know I'm a dad

189

00:08:07,770 --> 00:08:06,430

you know I'm a dad to my kids a teen

190

00:08:09,120 --> 00:08:07,780

year old daughter's going me to college

191

00:08:11,460 --> 00:08:09,130

I think I did a good job with this kid

192

00:08:12,510 --> 00:08:11,470

she's a president of debate team getting

193

00:08:13,830 --> 00:08:12,520

accepted so a lot of really good

194

00:08:15,980 --> 00:08:13,840

colleges she wants to go into journalism

195

00:08:18,480 --> 00:08:15,990

or politics or the law

196

00:08:20,430 --> 00:08:18,490

so first I'm a dad I'm a Christian you

197

00:08:22,260 --> 00:08:20,440

know I believe in Jesus Christ I try and

198

00:08:23,460 --> 00:08:22,270

live my life according to the precepts

199

00:08:24,660 --> 00:08:23,470

of the Bible and stuff like that you

200

00:08:26,100 --> 00:08:24,670

want to others you want to you you don't

201

00:08:28,170 --> 00:08:26,110

want kind of stuff love your brother

202

00:08:32,580 --> 00:08:28,180

love your neighbor you know aren't those

203

00:08:34,200 --> 00:08:32,590

nice things I am a leftist left-leaning

204

00:08:36,030 --> 00:08:34,210

people love to say left-leaning but I'm

205

00:08:39,350 --> 00:08:36,040

gonna leftist man I'm not you know I

206

00:08:41,280 --> 00:08:39,360

look at you go Chavez with suspicion

207

00:08:43,470 --> 00:08:41,290

guys now left enough for me I'm a

208

00:08:44,790 --> 00:08:43,480

socialist I believe we should be

209

00:08:46,590 --> 00:08:44,800

nationalized in the oil industry and

210

00:08:48,120 --> 00:08:46,600

things like that I'm a real hardline

211

00:08:50,460 --> 00:08:48,130

socialist not this kind of wishy-washy

212

00:08:52,970 --> 00:08:50,470

stuff you see Bernie Sanders and stuff I

213

00:08:55,320 --> 00:08:52,980

am private investigator for a living I

214

00:08:56,700 --> 00:08:55,330

still am a full-time private

215

00:08:58,710 --> 00:08:56,710

investigator and a digital forensic

216

00:09:00,810 --> 00:08:58,720

investigator I do all the regular stuff

217

00:09:02,550 --> 00:09:00,820

of PI's do acid searches and locates

218

00:09:04,920 --> 00:09:02,560

adoption investigations background

219

00:09:06,900 --> 00:09:04,930

reports I specialize in that a lot of

220

00:09:09,510 --> 00:09:06,910

internet type investigations like email

221

00:09:10,980 --> 00:09:09,520

tracing invented this search where I can

222

00:09:12,840 --> 00:09:10,990

trace an email address back to online

223

00:09:15,060 --> 00:09:12,850

dating websites and catch people

224

00:09:16,350 --> 00:09:15,070

cheating online I also do digital

225

00:09:18,330 --> 00:09:16,360

forensics where he's sending a cell

226

00:09:19,590 --> 00:09:18,340

phone or hard drive we capture all the

227

00:09:21,810 --> 00:09:19,600

information off the hard drive or the

228

00:09:24,090 --> 00:09:21,820

cell phone we reduce it down to a report

229

00:09:25,410 --> 00:09:24,100

that can be used in court that's pretty

230

00:09:28,500 --> 00:09:25,420

much what I do we're all full-time

231

00:09:30,240 --> 00:09:28,510

living I'm an investigative reporter

232

00:09:32,400 --> 00:09:30,250

radio host I like to call myself I like

233

00:09:33,660 --> 00:09:32,410

to have conversations with people and

234

00:09:36,780 --> 00:09:33,670

meet the most interesting people in the

235

00:09:38,970 --> 00:09:36,790

world and I enjoy that I'm a single guy

236

00:09:41,520 --> 00:09:38,980

I'm out there in a dating a hopeless

237

00:09:44,150 --> 00:09:41,530

dating world of Las Vegas and I guess

238

00:09:47,130 --> 00:09:44,160

that's about it and then I can think of

239

00:09:47,580 --> 00:09:47,140

great you're also you're a guy from the

240

00:09:51,210 --> 00:09:47,590

Bronx

241

00:09:53,250 --> 00:09:51,220

yes you got a little bit of that og vibe

242

00:09:55,880 --> 00:09:53,260

to you you've you've kind of seen some

243

00:09:58,980 --> 00:09:55,890

things and seeing some different people

244

00:10:00,540 --> 00:09:58,990

that kind of work on both sides of the

245

00:10:02,130 --> 00:10:00,550

street if you will and

246

00:10:03,840 --> 00:10:02,140

that comes through and your personality

247

00:10:06,570 --> 00:10:03,850

and your show do you want to speak about

248

00:10:08,300 --> 00:10:06,580

that background at all well yeah I've

249

00:10:12,000 --> 00:10:08,310

lived an interesting life you might say

250

00:10:13,199 --> 00:10:12,010

I grew up in the Bronx and you know in a

251
00:10:15,210 --> 00:10:13,209
really fascinating neighbor in the

252
00:10:17,699 --> 00:10:15,220
Bronson Soundview neighborhood right by

253
00:10:19,560 --> 00:10:17,709
Soundview Avenue on Crozier near the

254
00:10:22,889 --> 00:10:19,570
Schuyler house buildings right between

255
00:10:24,360 --> 00:10:22,899
Sam you have anew and Parkchester

256
00:10:27,630 --> 00:10:24,370
nono st. Lawrence Avenue on there the

257
00:10:28,620 --> 00:10:27,640
number six train line and I fascinating

258
00:10:31,230 --> 00:10:28,630
and I went to school the same school

259
00:10:34,259 --> 00:10:31,240
it's a sort of my arrow went to the

260
00:10:35,910 --> 00:10:34,269
Supreme Court justice and Afrika

261
00:10:39,870 --> 00:10:35,920
Bambaataa was came out of our

262
00:10:42,000 --> 00:10:39,880
neighborhood and the friend of ours you

263
00:10:43,949 --> 00:10:42,010

know was dating Tommy Mottola you know

264

00:10:45,720 --> 00:10:43,959

back then a fascinating they brought

265

00:10:46,920 --> 00:10:45,730

artists and community activists and

266

00:10:49,139 --> 00:10:46,930

stuff it all with street gangs and stuff

267

00:10:51,540 --> 00:10:49,149

is a lot of crime we left there we went

268

00:10:53,130 --> 00:10:51,550

to Staten Island and I grew up in a

269

00:10:55,319 --> 00:10:53,140

working-class neighborhood cops and

270

00:10:57,690 --> 00:10:55,329

firemen but also a lot of organized

271

00:10:58,949 --> 00:10:57,700

crime figures you know you'd see them in

272

00:11:00,870 --> 00:10:58,959

the papers and stuff like that back in

273

00:11:02,579 --> 00:11:00,880

those days you know we you know we could

274

00:11:04,740 --> 00:11:02,589

say hey Jess so your uncle owned the

275

00:11:06,660 --> 00:11:04,750

newspapers you know running numbers and

276

00:11:08,100 --> 00:11:06,670

stuff and they would say no there's no

277

00:11:09,630 --> 00:11:08,110

such thing as mafia you know so you had

278

00:11:11,519 --> 00:11:09,640

to say there's no such thing swap and I

279

00:11:13,470 --> 00:11:11,529

had to say that so we grew up with all

280

00:11:16,170 --> 00:11:13,480

those characters and then later on I

281

00:11:18,329 --> 00:11:16,180

became a hung out in New York City with

282

00:11:23,310 --> 00:11:18,339

the yuppies I was a political activist

283

00:11:24,660 --> 00:11:23,320

with the AJ Weber men and oh boy almost

284

00:11:26,940 --> 00:11:24,670

characters down there at nine Bleecker

285

00:11:28,380 --> 00:11:26,950

Street and the punk scene down there and

286

00:11:31,019 --> 00:11:28,390

on the Lower East Side and Bowery

287

00:11:32,550 --> 00:11:31,029

Bleecker Washington Square Park and all

288

00:11:34,889 --> 00:11:32,560

that stuff and met a lot of famous

289

00:11:37,110 --> 00:11:34,899

people a lot of course passed a lot of

290

00:11:40,560 --> 00:11:37,120

people went into the nightclub business

291

00:11:43,650 --> 00:11:40,570

for a while there in Manhattan ran with

292

00:11:45,600 --> 00:11:43,660

the Bulls in Spain lived with a gospel

293

00:11:47,220 --> 00:11:45,610

tent ministry for about six years I

294

00:11:49,530 --> 00:11:47,230

traveled a gospel tent ministry up and

295

00:11:51,180 --> 00:11:49,540

down Maine to to New York down sit as

296

00:11:53,370 --> 00:11:51,190

low as a New Jersey southern New Jersey

297

00:11:54,510 --> 00:11:53,380

and stuff so you know interesting I

298

00:11:57,750 --> 00:11:54,520

found an interesting life I can't

299

00:11:59,579 --> 00:11:57,760

complain that is interesting quite a

300

00:12:02,250 --> 00:11:59,589

quite a varied background there and it

301
00:12:04,470 --> 00:12:02,260
does play into your show as people will

302
00:12:06,960 --> 00:12:04,480
listen to it and they'll hear how some

303
00:12:08,970 --> 00:12:06,970
of that background plays in tell you

304
00:12:11,910 --> 00:12:08,980
what I wanted to do try and do today

305
00:12:14,070 --> 00:12:11,920
because you know I sent you this long

306
00:12:15,900 --> 00:12:14,080
list of all the different

307
00:12:17,490 --> 00:12:15,910
topics we might cover and as you

308
00:12:20,760 --> 00:12:17,500
correctly pointed out Mook would spend

309
00:12:22,410 --> 00:12:20,770
10 hours 20 hours and anyone who listens

310
00:12:24,780 --> 00:12:22,420
to the Opera Mon report will understand

311
00:12:26,820 --> 00:12:24,790
that you do these deep dives I mean you

312
00:12:30,210 --> 00:12:26,830
keep going and going and going on these

313
00:12:31,830 --> 00:12:30,220

stories to as far as you can so there's

314

00:12:34,050 --> 00:12:31,840

gonna be a little bit of that flavor in

315

00:12:36,660 --> 00:12:34,060

there today but we can of course cover

316

00:12:40,740 --> 00:12:36,670

at all what I really want to focus on is

317

00:12:44,040 --> 00:12:40,750

this idea of beliefs and how we form our

318

00:12:45,450 --> 00:12:44,050

beliefs how we change our beliefs how as

319

00:12:47,400 --> 00:12:45,460

I just mentioned a minute ago how

320

00:12:50,160 --> 00:12:47,410

frustrating it is to hear people say oh

321

00:12:52,710 --> 00:12:50,170

just show me the facts just show me the

322

00:12:55,500 --> 00:12:52,720

facts I'll believe it just tell me and

323

00:12:57,600 --> 00:12:55,510

you show them the facts they want to run

324

00:13:02,790 --> 00:12:57,610

up as far away and as fast as they can

325

00:13:04,800 --> 00:13:02,800

from changing their beliefs and we want

326

00:13:06,660 --> 00:13:04,810

to talk about I think your experience

327

00:13:07,470 --> 00:13:06,670

with that what you've found what you

328

00:13:09,720 --> 00:13:07,480

think that means

329

00:13:12,660 --> 00:13:09,730

and also my experience and I was going

330

00:13:15,750 --> 00:13:12,670

to put myself as kind of a a guinea pig

331

00:13:19,020 --> 00:13:15,760

a lab rat here because you know one of

332

00:13:21,960 --> 00:13:19,030

the belief change things that I've gone

333

00:13:26,850 --> 00:13:21,970

through just recently courtesy of the

334

00:13:30,530 --> 00:13:26,860

opperman report is this understanding

335

00:13:34,050 --> 00:13:30,540

that I've come to about Donald Trump and

336

00:13:35,760 --> 00:13:34,060

I'm almost embarrassed to say now I'm

337

00:13:39,710 --> 00:13:35,770

not a super political guy that's not

338

00:13:44,520 --> 00:13:39,720

where the show has come from but I was I

339

00:13:46,650 --> 00:13:44,530

guess afraid to really look into the

340

00:13:50,040 --> 00:13:46,660

things that I had heard about Donald

341

00:13:53,520 --> 00:13:50,050

Trump until they were laid out on your

342

00:13:55,740 --> 00:13:53,530

show so again I'm embarrassed how slow I

343

00:13:58,830 --> 00:13:55,750

was to the party here but I want to put

344

00:14:02,010 --> 00:13:58,840

myself in the lab rat position here and

345

00:14:05,160 --> 00:14:02,020

dissect how that happened but I guess we

346

00:14:07,260 --> 00:14:05,170

have to start with the facts and since I

347

00:14:09,510 --> 00:14:07,270

wasn't aware of all the facts I'm sure

348

00:14:13,110 --> 00:14:09,520

there's other people out there who are

349

00:14:16,110 --> 00:14:13,120

not aware of all the facts and that is

350

00:14:19,230 --> 00:14:16,120

that Donald Trump is a creep I mean he's

351

00:14:22,920 --> 00:14:19,240

a sexual pervert and you've disclosed

352

00:14:25,470 --> 00:14:22,930

that rather thoroughly on your show but

353

00:14:27,990 --> 00:14:25,480

let me turn it over to you telling me

354

00:14:29,970 --> 00:14:28,000

how you would explain that to

355

00:14:32,310 --> 00:14:29,980

on who's starting Cana just from Ground

356

00:14:35,190 --> 00:14:32,320

Zero is open-minded doesn't have a point

357

00:14:37,740 --> 00:14:35,200

of view one way or another you know I

358

00:14:39,210 --> 00:14:37,750

tell you judging by that the emails and

359

00:14:40,890 --> 00:14:39,220

the messages I get you're probably the

360

00:14:42,990 --> 00:14:40,900

only person who's ever changed her mind

361

00:14:44,490 --> 00:14:43,000

over that Trump because they're reelin

362

00:14:45,840 --> 00:14:44,500

hit me first as far as I can tell

363

00:14:47,580 --> 00:14:45,850

everybody still died or the people who

364

00:14:51,540 --> 00:14:47,590

support him from the beginning are still

365

00:14:53,160 --> 00:14:51,550

diehard supporters in my first of all I

366

00:14:54,660 --> 00:14:53,170

grew up in New York City so I saw Trump

367

00:14:57,300 --> 00:14:54,670

you know from the early early days and

368

00:14:58,740 --> 00:14:57,310

stuff you know just in the news and

369

00:15:00,210 --> 00:14:58,750

stuff and I've had my own little brushes

370

00:15:03,390 --> 00:15:00,220

up against Trump and stuff I tell this

371

00:15:05,610 --> 00:15:03,400

story about how I'm always that girl

372

00:15:07,140 --> 00:15:05,620

Marla maples when she came out in the

373

00:15:10,110 --> 00:15:07,150

news and you know she was got caught

374

00:15:11,940 --> 00:15:10,120

cheating on Trump's wife Ivana she went

375

00:15:14,160 --> 00:15:11,950

hiding out she was hiding out from the

376

00:15:15,120 --> 00:15:14,170

paparazzi at my friend's apartment I

377

00:15:16,890 --> 00:15:15,130

used to hang out with these flight

378

00:15:18,930 --> 00:15:16,900

attendants and she was hiding out in

379

00:15:20,310 --> 00:15:18,940

their apartment and I made this little

380

00:15:21,630 --> 00:15:20,320

joke about hey let's go in there and tap

381

00:15:24,000 --> 00:15:21,640

the phone so we could salted an answer

382

00:15:25,200 --> 00:15:24,010

Enquirer so I made that joke later on to

383

00:15:27,330 --> 00:15:25,210

some people who knew Trump and it got

384

00:15:29,430 --> 00:15:27,340

back to him with him with such a healthy

385

00:15:31,170 --> 00:15:29,440

situation for me and it was one time at

386

00:15:32,700 --> 00:15:31,180

the US Open where he was giving me dirty

387

00:15:35,490 --> 00:15:32,710

looks throughout the whole US Open

388

00:15:36,780 --> 00:15:35,500

tennis game there so growing up in New

389

00:15:38,100 --> 00:15:36,790

York I was very familiar with Trump and

390

00:15:39,570 --> 00:15:38,110

went to Trump Tower all the time to

391

00:15:40,950 --> 00:15:39,580

Atlantic City he's got a Linux at you

392

00:15:43,620 --> 00:15:40,960

all the time all the ties and fights and

393

00:15:45,570 --> 00:15:43,630

stuff so very familiar with trompin is a

394

00:15:47,100 --> 00:15:45,580

background the allegations about Trump

395

00:15:49,020 --> 00:15:47,110

that we all knew back in New York this

396

00:15:50,220 --> 00:15:49,030

kind of show him in common they're

397

00:15:53,730 --> 00:15:50,230

cheating on his wife this kind of

398

00:15:55,500 --> 00:15:53,740

character now in my work I deal with a

399

00:15:58,350 --> 00:15:55,510

lot of stuff where people are involved

400

00:16:01,290 --> 00:15:58,360

in romance scams people are a victim of

401
00:16:03,060 --> 00:16:01,300
scams they're victims of con artists and

402
00:16:04,380 --> 00:16:03,070
I know they come they ki get him on the

403
00:16:06,180 --> 00:16:04,390
phone I got him all convinced listen

404
00:16:08,190 --> 00:16:06,190
this guy's stealing your money he's a

405
00:16:10,440 --> 00:16:08,200
Nigerian he doesn't really love you

406
00:16:11,700 --> 00:16:10,450
you gotta cancel your email you got to

407
00:16:13,710 --> 00:16:11,710
change your phone number don't ever talk

408
00:16:14,760 --> 00:16:13,720
to this guy again oh oh you're right

409
00:16:16,560 --> 00:16:14,770
you're right I don't know what I was

410
00:16:17,970 --> 00:16:16,570
thinking a half hour later they're back

411
00:16:20,030 --> 00:16:17,980
on the phone with me but he says you're

412
00:16:22,350 --> 00:16:20,040
the one that's trying to steal from me

413
00:16:24,240 --> 00:16:22,360

people people want to believe their

414

00:16:25,980 --> 00:16:24,250

conman they want to believe their common

415

00:16:27,180 --> 00:16:25,990

loves them they don't want to believe

416

00:16:28,710 --> 00:16:27,190

they've been conned they don't want to

417

00:16:29,940 --> 00:16:28,720

believe they've been tricked they don't

418

00:16:31,560 --> 00:16:29,950

want to think that they've been gullible

419

00:16:32,850 --> 00:16:31,570

and no one wants to think that I don't

420

00:16:34,650 --> 00:16:32,860

want to think that I want to I've been

421

00:16:38,160 --> 00:16:34,660

ripped off I've been scammed I don't

422

00:16:41,369 --> 00:16:38,170

like to even think about it but and so I

423

00:16:44,249 --> 00:16:41,379

just I can smell that in Trump the con

424

00:16:47,279 --> 00:16:44,259

in him is so obvious to me Trump

425

00:16:49,259 --> 00:16:47,289

University all these kind of things and

426
00:16:52,019 --> 00:16:49,269
then you know you start hearing these

427
00:16:55,019 --> 00:16:52,029
stories about you know Trump modeling

428
00:16:57,749 --> 00:16:55,029
agency where he's importing these little

429
00:16:59,549 --> 00:16:57,759
girls as young as 12 years old and he's

430
00:17:02,489 --> 00:16:59,559
got them stacked up in his little studio

431
00:17:04,499 --> 00:17:02,499
apartments six to a studio and bunk beds

432
00:17:05,819 --> 00:17:04,509
you know and then he's he's sending them

433
00:17:07,590 --> 00:17:05,829
out and he's modeling gigs and he

434
00:17:09,299 --> 00:17:07,600
charged them for limousine and FedEx and

435
00:17:11,129 --> 00:17:09,309
stuff like that there in this country

436
00:17:12,960 --> 00:17:11,139
brings me this country on these hp1

437
00:17:14,789 --> 00:17:12,970
visas claiming they're gonna be making

438
00:17:15,240 --> 00:17:14,799

\$80,000 a year this little girl from

439

00:17:17,789 --> 00:17:15,250

Haiti

440

00:17:20,639 --> 00:17:17,799

and she winds up making \$12,000 a year

441

00:17:22,919 --> 00:17:20,649

because of all the expenses associated

442

00:17:24,539 --> 00:17:22,929

with Trump modeling agency and if we

443

00:17:29,100 --> 00:17:24,549

can't jump a little bit ahead in the

444

00:17:30,659 --> 00:17:29,110

story here because Trump is now what

445

00:17:33,779 --> 00:17:30,669

you're doing is connecting that which he

446

00:17:35,850 --> 00:17:33,789

clearly is is child trafficking yes the

447

00:17:38,369 --> 00:17:35,860

guy is a sexual pervert now we've you

448

00:17:40,499 --> 00:17:38,379

find that out later and then you tie

449

00:17:42,029 --> 00:17:40,509

that back to the modeling thing because

450

00:17:44,249 --> 00:17:42,039

otherwise you know it's easy to

451
00:17:46,649 --> 00:17:44,259
apologize well maybe it's this maybe it

452
00:17:50,669 --> 00:17:46,659
says but you put the pieces together at

453
00:17:53,190 --> 00:17:50,679
80% of those visas that he's asked for

454
00:17:55,680 --> 00:17:53,200
for to let people into the country to

455
00:17:57,899 --> 00:17:55,690
work for him or for this modeling agency

456
00:18:01,080 --> 00:17:57,909
and there are these young girls who are

457
00:18:03,360 --> 00:18:01,090
the same kind of girls that Epstein

458
00:18:05,990 --> 00:18:03,370
Lolita Express everyone wants to hear

459
00:18:08,490 --> 00:18:06,000
about you know and knows is is a

460
00:18:10,529 --> 00:18:08,500
horribly terrible deal

461
00:18:12,269 --> 00:18:10,539
the connection is is right there so I

462
00:18:14,220 --> 00:18:12,279
don't want to jump too far ahead but I

463
00:18:17,399 --> 00:18:14,230

don't want to I don't want to let people

464

00:18:19,350 --> 00:18:17,409

play a play through their mind oh you

465

00:18:21,060 --> 00:18:19,360

know there isn't any really hard stuff

466

00:18:22,649 --> 00:18:21,070

here I mean do you got a ton of really

467

00:18:24,570 --> 00:18:22,659

hard stuff and I know you're gonna get

468

00:18:25,710 --> 00:18:24,580

to it oh yeah also too you know if you

469

00:18:27,180 --> 00:18:25,720

even go back and listen to the old

470

00:18:28,619 --> 00:18:27,190

Howard Stern Show when when Trump would

471

00:18:30,629 --> 00:18:28,629

come on talking about going into his

472

00:18:34,619 --> 00:18:30,639

teen modeling agency you know and his

473

00:18:36,869 --> 00:18:34,629

team pageant team Miss USA what is that

474

00:18:38,549 --> 00:18:36,879

all Trump one teen US with USA pageant

475

00:18:40,590 --> 00:18:38,559

for you know and even there's an

476

00:18:42,330 --> 00:18:40,600

interview to where Marla maples says

477

00:18:43,560 --> 00:18:42,340

yeah that's right up your alley and when

478

00:18:45,840 --> 00:18:43,570

she was getting toward the end she

479

00:18:47,220 --> 00:18:45,850

wanted a divorce him so but then like

480

00:18:50,490 --> 00:18:47,230

you said so all the stuff comes out

481

00:18:52,560 --> 00:18:50,500

about Jeffrey Epstein the notorious now

482

00:18:54,119 --> 00:18:52,570

he's famous tip of everybody's tongue

483

00:18:55,600 --> 00:18:54,129

I'm watching this morning on morning joe

484

00:18:57,350 --> 00:18:55,610

they're talking about

485

00:19:00,440 --> 00:18:57,360

even though they've been friends with

486

00:19:02,660 --> 00:19:00,450

Trump for years and years convicted

487

00:19:06,020 --> 00:19:02,670

pedophile lives right next door to Trump

488

00:19:09,590 --> 00:19:06,030

tellin mar-a-lago there's a Vicky Ward a

489

00:19:12,350 --> 00:19:09,600

New Yorker answered article from way

490

00:19:13,850 --> 00:19:12,360

back in 2008 around that time talking to

491

00:19:17,270 --> 00:19:13,860

my Trump saying Jeffrey Epstein has been

492

00:19:18,950 --> 00:19:17,280

my friend for 15 years and people say he

493

00:19:20,930 --> 00:19:18,960

likes beautiful women just as much as I

494

00:19:23,330 --> 00:19:20,940

do many on the younger side boy Jeff

495

00:19:24,710 --> 00:19:23,340

sure likes all I have is fun so it's not

496

00:19:26,120 --> 00:19:24,720

like this was a mystery what Jeffrey

497

00:19:28,690 --> 00:19:26,130

Epstein was up to

498

00:19:31,120 --> 00:19:28,700

Trump has fallen on Epstein's playing

499

00:19:33,770 --> 00:19:31,130

Epstein has flown on trump's plane

500

00:19:36,170 --> 00:19:33,780

Epstein flew on Trump's plane and he

501
00:19:37,490 --> 00:19:36,180
brought a little teenage girl with him

502
00:19:39,500 --> 00:19:37,500
on trump's plane we have an eyewitness

503
00:19:41,930 --> 00:19:39,510
today who wrote an article in Golf

504
00:19:43,280 --> 00:19:41,940
Digest and he said he had a little girl

505
00:19:45,140 --> 00:19:43,290
with him she was all made up to look

506
00:19:46,370 --> 00:19:45,150
older but she was a young girl I don't

507
00:19:49,250 --> 00:19:46,380
know how young I don't know it was legal

508
00:19:51,950 --> 00:19:49,260
or not but he was there we got Epstein's

509
00:19:53,660 --> 00:19:51,960
main victim because Victoria Roberts was

510
00:19:57,650 --> 00:19:53,670
a trump employee worked at mar-a-lago

511
00:19:59,120 --> 00:19:57,660
and 16 years old in the folding towels

512
00:20:01,340 --> 00:19:59,130
there and their little girls of the

513
00:20:03,020 --> 00:20:01,350

ladies locker room where she was picked

514

00:20:05,390 --> 00:20:03,030

up by Gish Layne Maxwell and turned over

515

00:20:07,490 --> 00:20:05,400

to Epstein and then ultimately turned

516

00:20:08,570 --> 00:20:07,500

over to Prince Andrew and Dershowitz and

517

00:20:10,490 --> 00:20:08,580

all these other people she claims she's

518

00:20:12,880 --> 00:20:10,500

been turned over to so we have all those

519

00:20:15,200 --> 00:20:12,890

connections okay Trump's been on

520

00:20:16,250 --> 00:20:15,210

Epstein's playing his own playing what

521

00:20:18,530 --> 00:20:16,260

do you need to be an MC explain for

522

00:20:19,910 --> 00:20:18,540

little sidetrack here for just a second

523

00:20:21,950 --> 00:20:19,920

and we could do a million of these so I

524

00:20:25,040 --> 00:20:21,960

don't want to do too many but Dershowitz

525

00:20:27,890 --> 00:20:25,050

is interesting Alan Dershowitz Harvard

526

00:20:30,200 --> 00:20:27,900

Law School professor one of the most

527

00:20:33,620 --> 00:20:30,210

high-profile lawyers in the country and

528

00:20:37,100 --> 00:20:33,630

oh just so happen defense attorney for

529

00:20:40,550 --> 00:20:37,110

Epstein when he's on trial for these

530

00:20:42,500 --> 00:20:40,560

horrible crimes against children and he

531

00:20:45,260 --> 00:20:42,510

gets the thing reduced down to almost

532

00:20:49,010 --> 00:20:45,270

nothing but he is eventually convicted

533

00:20:51,650 --> 00:20:49,020

so maybe you just want to speak to that

534

00:20:54,320 --> 00:20:51,660

a little bit in terms how high-powered

535

00:20:57,020 --> 00:20:54,330

these guys are and then tying it back

536

00:20:59,780 --> 00:20:57,030

again to the deep deep connection that

537

00:21:02,540 --> 00:20:59,790

has been glossed over between Epstein

538

00:21:03,950 --> 00:21:02,550

and Trump but you're doing you're laying

539

00:21:04,820 --> 00:21:03,960

out the story wonderfully so I don't

540

00:21:06,830 --> 00:21:04,830

want to stop you go ahead

541

00:21:08,820 --> 00:21:06,840

well Dershowitz was actually friends

542

00:21:11,400 --> 00:21:08,830

with Epstein before he was attorney

543

00:21:13,290 --> 00:21:11,410

and an Epstein was donating huge amounts

544

00:21:14,610 --> 00:21:13,300

of money to Harvard Law School as in

545

00:21:18,270 --> 00:21:14,620

fact he seemed walking around Harvard

546

00:21:21,120 --> 00:21:18,280

the t-shirt all time so there's that and

547

00:21:23,850 --> 00:21:21,130

also to a gosh lean max what no I mean

548

00:21:25,140 --> 00:21:23,860

Virginia Roberts claims that dersh which

549

00:21:26,550 --> 00:21:25,150

was right that she was forced to have

550

00:21:28,500 --> 00:21:26,560

sex with Dershowitz as well she says

551
00:21:30,510 --> 00:21:28,510
with that while she was servicing

552
00:21:32,040 --> 00:21:30,520
Epstein Hirsch which was right there in

553
00:21:33,690 --> 00:21:32,050
the same room just having a conversation

554
00:21:36,360 --> 00:21:33,700
there's just a natural conversation

555
00:21:39,030 --> 00:21:36,370
that's how bizarre that a relationship

556
00:21:40,500 --> 00:21:39,040
was and there she was in his defense of

557
00:21:43,200 --> 00:21:40,510
all that says well the way I met them

558
00:21:47,310 --> 00:21:43,210
mr. Epstein was at a party at Evelyn

559
00:21:49,710 --> 00:21:47,320
Rothschilds house that's his idea of

560
00:21:51,330 --> 00:21:49,720
defending this situation so he got an

561
00:21:53,490 --> 00:21:51,340
Epstein that's an interesting character

562
00:21:55,110 --> 00:21:53,500
who grew up in Brooklyn we know nothing

563
00:21:57,450 --> 00:21:55,120

about his parents and working-class

564

00:21:59,130 --> 00:21:57,460

people he went to a Welcome Back Kotter

565

00:22:00,240 --> 00:21:59,140

type high school in Brooklyn I always

566

00:22:02,250 --> 00:22:00,250

forget the name of it but it was like

567

00:22:04,530 --> 00:22:02,260

one honest type of like Coney Island

568

00:22:06,480 --> 00:22:04,540

high school went on to this big

569

00:22:08,640 --> 00:22:06,490

brokerage firm first he wanted to teach

570

00:22:10,590 --> 00:22:08,650

at a at a middle school

571

00:22:11,760 --> 00:22:10,600

Dalton school in Manhattan with a little

572

00:22:13,740 --> 00:22:11,770

girls wear those little Catholic school

573

00:22:16,770 --> 00:22:13,750

outfits I became friends with a little

574

00:22:18,090 --> 00:22:16,780

girl her father brought him into one of

575

00:22:20,130 --> 00:22:18,100

these brokerage house ID which once

576

00:22:22,890 --> 00:22:20,140

Lehman Brothers or or Stern's one of

577

00:22:25,710 --> 00:22:22,900

those if again and then went out on his

578

00:22:28,170 --> 00:22:25,720

own had one one client Lesley Wexler

579

00:22:29,340 --> 00:22:28,180

who's the guy behind Victoria's Secret's

580

00:22:30,810 --> 00:22:29,350

and the limited and all kind of stuff

581

00:22:32,610 --> 00:22:30,820

like this when you wonder why when you

582

00:22:34,230 --> 00:22:32,620

see the little kids at the limited - and

583

00:22:35,370 --> 00:22:34,240

those outfits or the limited to where

584

00:22:37,890 --> 00:22:35,380

these little girl would dress like

585

00:22:39,300 --> 00:22:37,900

well let's see what slur owns that place

586

00:22:40,190 --> 00:22:39,310

you might wonder why what's going on

587

00:22:44,670 --> 00:22:40,200

there

588

00:22:45,780 --> 00:22:44,680

so a notorious behavior all throughout

589

00:22:47,880 --> 00:22:45,790

Manhattan

590

00:22:49,920 --> 00:22:47,890

if you read the Vicky Ward article from

591

00:22:51,930 --> 00:22:49,930

way back talking about parties at an

592

00:22:54,600 --> 00:22:51,940

Epstein house where there was a bunch of

593

00:22:56,670 --> 00:22:54,610

teenage Eastern European girls who look

594

00:22:58,710 --> 00:22:56,680

like prostitutes you know his

595

00:23:01,550 --> 00:22:58,720

relationship with the Jean Luc Brunel

596

00:23:05,010 --> 00:23:01,560

the modeling scout who was a notorious

597

00:23:07,680 --> 00:23:05,020

60-minutes expose on him about giving

598

00:23:09,030 --> 00:23:07,690

roofies and stuff to models I've had

599

00:23:10,410 --> 00:23:09,040

I've interviewed some models that know

600

00:23:11,940 --> 00:23:10,420

all these characters that a couple of

601
00:23:14,130 --> 00:23:11,950
shows on I'm one with Barbara pilling

602
00:23:16,170 --> 00:23:14,140
they just came out who talks about how

603
00:23:18,960 --> 00:23:16,180
Trump hit on her when she was 16 years

604
00:23:20,850 --> 00:23:18,970
old at a party and that she met a young

605
00:23:22,150 --> 00:23:20,860
girl who was a I think was a Haitian

606
00:23:24,340 --> 00:23:22,160
girl she said

607
00:23:26,830 --> 00:23:24,350
was 17 that dated Trump and was dating

608
00:23:28,390 --> 00:23:26,840
Trump for a while we hear other stories

609
00:23:30,250 --> 00:23:28,400
have come forward since then about other

610
00:23:33,220 --> 00:23:30,260
members of the Trump family same exact

611
00:23:33,790 --> 00:23:33,230
story recently in the past couple of

612
00:23:37,360 --> 00:23:33,800
years

613
00:23:39,550 --> 00:23:37,370

Trump employees dating Trump men okay

614

00:23:42,880 --> 00:23:39,560

and they're underage so this stuff is

615

00:23:44,920 --> 00:23:42,890

going on up until today I don't see how

616

00:23:46,720 --> 00:23:44,930

you can deny any of this Trump and

617

00:23:49,480 --> 00:23:46,730

Epstein were co-defendants in a lawsuit

618

00:23:51,640 --> 00:23:49,490

where there were three affidavits of

619

00:23:53,080 --> 00:23:51,650

witnesses all stating the same thing

620

00:23:55,570 --> 00:23:53,090

that this little thirteen-year-old girl

621

00:23:57,660 --> 00:23:55,580

was raped by Trump and raped by Epstein

622

00:24:00,910 --> 00:23:57,670

there was another girl named Maria who

623

00:24:02,320 --> 00:24:00,920

disappeared we have a Wayne Madison did

624

00:24:04,210 --> 00:24:02,330

some investigation into this he claims

625

00:24:06,640 --> 00:24:04,220

he located and identified the young girl

626
00:24:08,170 --> 00:24:06,650
Maria I'm not talking percent convinced

627
00:24:10,060 --> 00:24:08,180
but it's out there well people don't

628
00:24:12,490 --> 00:24:10,070
look at that themselves it's Madison

629
00:24:16,030 --> 00:24:12,500
right yeah Madison yeah Wayne Mets and

630
00:24:17,400 --> 00:24:16,040
yeah I had him on the show and he he

631
00:24:19,450 --> 00:24:17,410
bought a really long investigation

632
00:24:23,890 --> 00:24:19,460
article on us he's he believes he

633
00:24:25,210 --> 00:24:23,900
located Maria and in New Jersey that

634
00:24:27,730 --> 00:24:25,220
when she was abducted from New Jersey

635
00:24:29,430 --> 00:24:27,740
and put into it so it's possible I'm not

636
00:24:33,880 --> 00:24:29,440
a hundred percent convinced no you know

637
00:24:36,300 --> 00:24:33,890
but so yeah so to Trump's connection

638
00:24:38,860 --> 00:24:36,310

with him with Epstein and you can't deny

639

00:24:40,660 --> 00:24:38,870

and when people start talking about

640

00:24:42,910 --> 00:24:40,670

things like Lolita expressed the the

641

00:24:46,360 --> 00:24:42,920

airplane Epsilon's airplane and

642

00:24:49,120 --> 00:24:46,370

pedophile island a lot of that is is

643

00:24:50,710 --> 00:24:49,130

this info that's being there's a lot of

644

00:24:53,440 --> 00:24:50,720

interference being run and that's a

645

00:24:55,060 --> 00:24:53,450

whole story where a lot of stuff isn't

646

00:24:57,400 --> 00:24:55,070

coming out that should be coming out

647

00:24:58,960 --> 00:24:57,410

like the whole business about Epstein

648

00:25:01,510 --> 00:24:58,970

claiming that he helped create the

649

00:25:02,950 --> 00:25:01,520

Clinton Foundation I have a 24 page

650

00:25:05,010 --> 00:25:02,960

letter in my members section and

651
00:25:08,140 --> 00:25:05,020
opperman report comm written by

652
00:25:09,640 --> 00:25:08,150
Epstein's lawyer Gerry left court who

653
00:25:13,840 --> 00:25:09,650
was Abby Hoffman's lawyer

654
00:25:14,230 --> 00:25:13,850
back in the 80s okay he became Epstein's

655
00:25:18,310 --> 00:25:14,240
lawyer

656
00:25:21,100 --> 00:25:18,320
Florida Roy black one almost powerful

657
00:25:24,040 --> 00:25:21,110
noise and in Miami in Florida a Ken

658
00:25:26,350 --> 00:25:24,050
Starr you know and the Ken Starr law

659
00:25:28,570 --> 00:25:26,360
firm a bunch of lawyers from there who

660
00:25:31,510 --> 00:25:28,580
were all connected to this guy Alexander

661
00:25:33,700 --> 00:25:31,520
Acosta who later on Trump made the the

662
00:25:34,880 --> 00:25:33,710
Secretary of Labor and was even floating

663
00:25:38,330 --> 00:25:34,890

him and to be a

664

00:25:39,860 --> 00:25:38,340

Attorney General okay Alexander Acosta

665

00:25:42,529 --> 00:25:39,870

gave a sweetheart deal to Epson we only

666

00:25:43,730 --> 00:25:42,539

got 13 months I've only served 13 once

667

00:25:47,029 --> 00:25:43,740

actually got 18 let's say I could've got

668

00:25:48,950 --> 00:25:47,039

40 years I got this sweetheart deal and

669

00:25:50,750 --> 00:25:48,960

then a cos that comes out with the

670

00:25:52,100 --> 00:25:50,760

street page letter saying well you know

671

00:25:53,180 --> 00:25:52,110

I was under a lot of pressure I was

672

00:25:54,950 --> 00:25:53,190

being investigated they were

673

00:25:56,840 --> 00:25:54,960

investigating my family and following me

674

00:25:58,789 --> 00:25:56,850

and putting pressure on the Justice

675

00:26:00,799 --> 00:25:58,799

Department and the PI people in the Bush

676

00:26:04,430 --> 00:26:00,809

administration to force me to do this

677

00:26:06,830 --> 00:26:04,440

and he leaks that or he's not leaks it

678

00:26:09,230 --> 00:26:06,840

but he um puts that out through Conchita

679

00:26:11,389 --> 00:26:09,240

Sarnoff who wrote a book about the

680

00:26:12,799 --> 00:26:11,399

trafficking about Epstein turns out

681

00:26:13,940 --> 00:26:12,809

though Conchita thrown off his friends

682

00:26:15,259 --> 00:26:13,950

with Epstein she's friends with Trump

683

00:26:17,570 --> 00:26:15,269

and she's friends with - Lane Maxwell

684

00:26:19,820 --> 00:26:17,580

lifelong friends with these people and

685

00:26:23,840 --> 00:26:19,830

her book is published by Victor

686

00:26:25,700 --> 00:26:23,850

Ostrovsky Mossad agent who wrote his own

687

00:26:28,730 --> 00:26:25,710

book about using deception to get your

688

00:26:31,460 --> 00:26:28,740

own way and through the Mossad and his

689

00:26:35,360 --> 00:26:31,470

polishing company it has bizarre names

690

00:26:37,610 --> 00:26:35,370

like the cover story the true story the

691

00:26:39,080 --> 00:26:37,620

cover-up you know I forget exactly what

692

00:26:41,149 --> 00:26:39,090

they are but they were along those lines

693

00:26:43,970 --> 00:26:41,159

so there's a lot a lot a lot of stuff

694

00:26:45,320 --> 00:26:43,980

it's all Epstein stuff if you really

695

00:26:48,560 --> 00:26:45,330

want to get into that man you could

696

00:26:51,500 --> 00:26:48,570

spend weeks on it and unfortunately what

697

00:26:53,960 --> 00:26:51,510

we see even in alternative media is a

698

00:26:55,370 --> 00:26:53,970

lot of the low-hanging fruit and what we

699

00:26:56,600 --> 00:26:55,380

see on Morning Joe and stuff like that

700

00:27:00,200 --> 00:26:56,610

that's forgetting that's not that you

701
00:27:01,820 --> 00:27:00,210
know not even a tip the iceberg and so

702
00:27:04,490 --> 00:27:01,830
we've just given people a blast out of

703
00:27:07,430 --> 00:27:04,500
the fire hydrant there and there's tons

704
00:27:09,440 --> 00:27:07,440
and tons of shows that you've done you

705
00:27:11,570 --> 00:27:09,450
know people need to understand that when

706
00:27:12,769 --> 00:27:11,580
you talk about some of this stuff it's

707
00:27:15,110 --> 00:27:12,779
because you've actually had the people

708
00:27:18,289 --> 00:27:15,120
on the show and you've interviewed the

709
00:27:20,570 --> 00:27:18,299
models who were hit on at those parties

710
00:27:22,639 --> 00:27:20,580
you've interviewed people who've read

711
00:27:25,310 --> 00:27:22,649
written books who've done thorough

712
00:27:27,560 --> 00:27:25,320
investigations so it's really deep the

713
00:27:29,779 --> 00:27:27,570

amount of work that you've done into

714

00:27:31,879 --> 00:27:29,789

this and you're just to be commended for

715

00:27:34,700 --> 00:27:31,889

it and I think it's give people a sense

716

00:27:37,549 --> 00:27:34,710

of what they can find at the Opera Man

717

00:27:39,590 --> 00:27:37,559

report and if they go there please go

718

00:27:43,100 --> 00:27:39,600

and become a member and support this guy

719

00:27:45,379 --> 00:27:43,110

because as he just said this work isn't

720

00:27:48,139 --> 00:27:45,389

being done by other people even other

721

00:27:48,820 --> 00:27:48,149

people in the alternative media as you

722

00:27:50,620 --> 00:27:48,830

just alluded

723

00:27:53,590 --> 00:27:50,630

- you know everyone kind of gets the

724

00:27:56,830 --> 00:27:53,600

Lolita Express thing and that's become

725

00:27:59,799 --> 00:27:56,840

this cartoon version of what's going on

726

00:28:03,399 --> 00:27:59,809

and as you point out hey look at Mara

727

00:28:05,560 --> 00:28:03,409

Largo look at Manhattan of course we're

728

00:28:08,350 --> 00:28:05,570

just staring into the abyss here but we

729

00:28:10,810 --> 00:28:08,360

do have to stare into the abyss a little

730

00:28:14,169 --> 00:28:10,820

bit in order to kind of gain some

731

00:28:16,690 --> 00:28:14,179

perspective on this right yeah and with

732

00:28:18,340 --> 00:28:16,700

the I've been so involved with this case

733

00:28:20,680 --> 00:28:18,350

I've been reporting on this in fact five

734

00:28:22,029 --> 00:28:20,690

years now you know and there's mine in

735

00:28:23,350 --> 00:28:22,039

fact the first show I did on this I

736

00:28:24,789 --> 00:28:23,360

couldn't even find a guest to come on

737

00:28:26,320 --> 00:28:24,799

and talk about cuz no one was talking

738

00:28:28,200 --> 00:28:26,330

about this nobody knew anything but this

739

00:28:30,820 --> 00:28:28,210

one first stood on this so I've become

740

00:28:32,139 --> 00:28:30,830

friendly and involved with the lawyers

741

00:28:33,490 --> 00:28:32,149

and their investigators and all kind of

742

00:28:35,710 --> 00:28:33,500

people involved either people firsthand

743

00:28:38,039 --> 00:28:35,720

that or Baba we don't come on the air so

744

00:28:41,320 --> 00:28:38,049

you know well I can tell you right now

745

00:28:42,879 --> 00:28:41,330

with the settlement it's trying to be

746

00:28:46,419 --> 00:28:42,889

portrayed in the news and you know there

747

00:28:49,320 --> 00:28:46,429

was just a settlement with Epstein and

748

00:28:52,690 --> 00:28:49,330

Brad Edwards who was the attorney for

749

00:28:54,340 --> 00:28:52,700

Virginia Roberts and and a couple of

750

00:28:56,440 --> 00:28:54,350

other victims - against the US

751
00:28:58,450 --> 00:28:56,450
government because when the government

752
00:29:00,789 --> 00:28:58,460
gave the sweetheart deal to Epstein they

753
00:29:02,080 --> 00:29:00,799
never notified the victims so Brad

754
00:29:04,210 --> 00:29:02,090
Edwards took this case he's been

755
00:29:06,730 --> 00:29:04,220
handling on many many of these cases and

756
00:29:09,580 --> 00:29:06,740
it's hey Edie can you quickly sketch out

757
00:29:12,009 --> 00:29:09,590
the sweetheart deal I mean that is the

758
00:29:15,700 --> 00:29:12,019
charges that Epstein faced down in

759
00:29:17,919 --> 00:29:15,710
Florida and then what happened well

760
00:29:20,080 --> 00:29:17,929
there was 30 victims 30 little girls and

761
00:29:20,740 --> 00:29:20,090
you can read the the search warrant

762
00:29:24,279 --> 00:29:20,750
affidavit

763
00:29:26,769 --> 00:29:24,289

I don't align the probable cause

764

00:29:28,210 --> 00:29:26,779

affidavit and it talks about how these

765

00:29:29,950 --> 00:29:28,220

investigators went to these little

766

00:29:31,389 --> 00:29:29,960

girl's houses and first they denied it

767

00:29:32,620 --> 00:29:31,399

you know just imagine you know you're

768

00:29:34,299 --> 00:29:32,630

sitting at ground dinner which a little

769

00:29:36,129 --> 00:29:34,309

15 year old girl cops come knocking on a

770

00:29:37,899 --> 00:29:36,139

door hey we need to talk to you about

771

00:29:40,000 --> 00:29:37,909

your daughter she was being molested by

772

00:29:41,680 --> 00:29:40,010

this guy and the kid denies it

773

00:29:42,909 --> 00:29:41,690

you know and then the parents go back

774

00:29:43,840 --> 00:29:42,919

and tell him you know we talk to our

775

00:29:45,759 --> 00:29:43,850

daughter here you're right everything

776

00:29:48,039 --> 00:29:45,769

you're saying is true so they had about

777

00:29:51,090 --> 00:29:48,049

30 victims this Constanta Florida Palm

778

00:29:53,350 --> 00:29:51,100

Beach Police Department and video and

779

00:29:54,940 --> 00:29:53,360

all kinds of evidence when they did

780

00:29:57,310 --> 00:29:54,950

search his house he was tipped off that

781

00:29:59,379 --> 00:29:57,320

his house was gonna be searched and they

782

00:30:00,760 --> 00:29:59,389

had dismantled cameras and stuff like

783

00:30:02,230 --> 00:30:00,770

that were in the house he had taken down

784

00:30:02,560 --> 00:30:02,240

all these nude photographs that he had

785

00:30:05,889 --> 00:30:02,570

all

786

00:30:07,060 --> 00:30:05,899

behind like that their high school

787

00:30:09,519 --> 00:30:07,070

transcripts like their school

788

00:30:12,159 --> 00:30:09,529

transcripts somehow Jeffrey Epstein had

789

00:30:13,870 --> 00:30:12,169

copies of these kids school transcripts

790

00:30:15,399 --> 00:30:13,880

so he knew the kids that were in trouble

791

00:30:18,669 --> 00:30:15,409

came from troubled homes and all kind of

792

00:30:20,620 --> 00:30:18,679

stuff so you know there was a big

793

00:30:21,940 --> 00:30:20,630

negotiation was facing a long time if

794

00:30:24,730 --> 00:30:21,950

the federal government would have

795

00:30:27,519 --> 00:30:24,740

prosecuted him because it was the way

796

00:30:30,249 --> 00:30:27,529

they prosecute everyone else right I

797

00:30:32,110 --> 00:30:30,259

mean nothing exceptional right I got

798

00:30:33,850 --> 00:30:32,120

clients local clients right here sitting

799

00:30:38,680 --> 00:30:33,860

in jail right now on much less charges

800

00:30:39,730 --> 00:30:38,690

you know stupid stuff you know but that

801
00:30:41,740 --> 00:30:39,740
would he call it the night so you know

802
00:30:43,029 --> 00:30:41,750
instead of they gave a deal you know and

803
00:30:43,990 --> 00:30:43,039
you could see there were a lot of it's

804
00:30:45,610 --> 00:30:44,000
being published now that the

805
00:30:47,919 --> 00:30:45,620
negotiations back and forth they gave a

806
00:30:51,759 --> 00:30:47,929
sweetheart deal and he got convicted to

807
00:30:54,460 --> 00:30:51,769
18 months but he only served 13 in a

808
00:30:55,659 --> 00:30:54,470
private wing of the sheriff so the count

809
00:30:58,480 --> 00:30:55,669
in the sheriff's jail not even the

810
00:31:01,299 --> 00:30:58,490
county jail or the state jail in a

811
00:31:03,999 --> 00:31:01,309
sheriff said wing where there were no

812
00:31:05,590 --> 00:31:04,009
other inmates in there just him and he

813
00:31:07,480 --> 00:31:05,600

was allowed to leave during the day and

814

00:31:09,940 --> 00:31:07,490

go to his office he hired off-duty

815

00:31:11,379 --> 00:31:09,950

sheriff's to transport him back and

816

00:31:13,330 --> 00:31:11,389

forth and company and stand in front his

817

00:31:17,289 --> 00:31:13,340

office so well that's just come out

818

00:31:19,269 --> 00:31:17,299

recently he had visitors every possible

819

00:31:21,610 --> 00:31:19,279

visiting day Jingu Bernal came down and

820

00:31:23,919 --> 00:31:21,620

visiting and that the perverted a

821

00:31:26,619 --> 00:31:23,929

modeling scout came down to visit him

822

00:31:28,840 --> 00:31:26,629

every day so yeah so he should have

823

00:31:30,190 --> 00:31:28,850

gotten 40 years easily you know with

824

00:31:32,139 --> 00:31:30,200

that many victims with that much

825

00:31:34,659 --> 00:31:32,149

evidence against them but not only did

826

00:31:36,369 --> 00:31:34,669

he get to down to 13 months but everyone

827

00:31:39,700 --> 00:31:36,379

involved with him all his code of

828

00:31:42,820 --> 00:31:39,710

co-conspirators we got immunity so

829

00:31:45,700 --> 00:31:42,830

hopefully now Edwards in this suit

830

00:31:48,460 --> 00:31:45,710

against the US government can get that

831

00:31:50,950 --> 00:31:48,470

deal thrown out because it does violate

832

00:31:53,470 --> 00:31:50,960

the rights of the victims and it's an

833

00:31:56,440 --> 00:31:53,480

uphill road you know and probably Epson

834

00:31:57,789 --> 00:31:56,450

will die before it ever happens but so

835

00:31:59,110 --> 00:31:57,799

that's whether the suit right now with

836

00:32:01,600 --> 00:31:59,120

Edwards he's trying to get that and

837

00:32:04,419 --> 00:32:01,610

that's the big suit where Brad Edwards

838

00:32:06,039 --> 00:32:04,429

former federal judge attorney frigid for

839

00:32:06,970 --> 00:32:06,049

Virginia Roberts is so in the federal

840

00:32:08,560 --> 00:32:06,980

government trying to get that deal

841

00:32:11,490 --> 00:32:08,570

overturned and get damages for his

842

00:32:12,820 --> 00:32:11,500

clients now in the course of all this

843

00:32:14,889 --> 00:32:12,830

Dershowitz

844

00:32:16,180 --> 00:32:14,899

files a lawsuit a defamation lawsuit

845

00:32:17,499 --> 00:32:16,190

against great

846

00:32:18,610 --> 00:32:17,509

this is what just happened everybody's

847

00:32:20,139 --> 00:32:18,620

reading about in the paper with this

848

00:32:21,879 --> 00:32:20,149

settlement that just came out to where

849

00:32:24,490 --> 00:32:21,889

the poor victims will never get their

850

00:32:26,049 --> 00:32:24,500

story up because Jeffrey Epstein settled

851

00:32:28,240 --> 00:32:26,059

with the plaintiffs and it doesn't even

852

00:32:30,190 --> 00:32:28,250

describe correctly that Epstein was a

853

00:32:32,169 --> 00:32:30,200

defendant in this case and that ad Brad

854

00:32:35,230 --> 00:32:32,179

Edwards was the plaintiff but whatever

855

00:32:37,060 --> 00:32:35,240

so and I said oh my god this is a

856

00:32:38,440 --> 00:32:37,070

horrible blow to the victims they won't

857

00:32:40,539 --> 00:32:38,450

be able to testify and get their stories

858

00:32:42,519 --> 00:32:40,549

out well no the original lawsuit is

859

00:32:44,350 --> 00:32:42,529

still there the one with the lawsuit for

860

00:32:47,919 --> 00:32:44,360

the victims is still there a hundred

861

00:32:50,710 --> 00:32:47,929

percent and gang busters how this other

862

00:32:52,560 --> 00:32:50,720

lawsuit came about okay that everybody's

863

00:32:55,389 --> 00:32:52,570

trying to paint as a defeat is

864

00:32:57,039 --> 00:32:55,399

Dershowitz sued Brad Edwards for

865

00:32:59,200 --> 00:32:57,049

defamation Edwards

866

00:33:01,139 --> 00:32:59,210

turn around sued Dershowitz back and

867

00:33:04,889 --> 00:33:01,149

sued Epstein for defamation

868

00:33:07,149 --> 00:33:04,899

Dershowitz dropped his suit okay and

869

00:33:08,980 --> 00:33:07,159

Edwards dropped his suit against Hirsch

870

00:33:10,950 --> 00:33:08,990

which they they found them to press

871

00:33:13,749 --> 00:33:10,960

releases on a Friday night or an e p.m.

872

00:33:15,519 --> 00:33:13,759

where dish was tried to come off Josh

873

00:33:17,259 --> 00:33:15,529

was actually apologized in his press

874

00:33:23,860 --> 00:33:17,269

release but tried to come off like he

875

00:33:27,220 --> 00:33:23,870

won but Edwards is cool Miles Davis okay

876

00:33:29,919 --> 00:33:27,230

and in his response but now what we have

877

00:33:31,570 --> 00:33:29,929

here is Epstein lost this he lost this

878

00:33:33,700 --> 00:33:31,580

settlement he had to apologize and he

879

00:33:35,049 --> 00:33:33,710

had come up with more money which is the

880

00:33:37,539 --> 00:33:35,059

goal in all this stuff people want to

881

00:33:39,730 --> 00:33:37,549

get paid you know so he anybody hit him

882

00:33:41,799 --> 00:33:39,740

in a pocket there and he got hit there

883

00:33:43,810 --> 00:33:41,809

and he had apologized as well to but the

884

00:33:45,369 --> 00:33:43,820

original lawsuit still stands and

885

00:33:48,399 --> 00:33:45,379

nothing's changed with that all this

886

00:33:50,590 --> 00:33:48,409

stuff was an ad on that our side won and

887

00:33:52,210 --> 00:33:50,600

I guess the one of the big picture

888

00:33:55,060 --> 00:33:52,220

takeaways that we have to stay focused

889

00:33:58,749 --> 00:33:55,070

on is that when you hear Epstein

890

00:34:00,820 --> 00:33:58,759

think Trump yeah because there there's

891

00:34:03,700 --> 00:34:00,830

no difference in terms of what these

892

00:34:06,820 --> 00:34:03,710

guys are up to so back to you know I

893

00:34:08,879 --> 00:34:06,830

return to one of the factoids that you

894

00:34:12,760 --> 00:34:08,889

brought out that just stuck with me is

895

00:34:15,339 --> 00:34:12,770

80% of the visas are going at least 12

896

00:34:15,970 --> 00:34:15,349

and 13 year old girls from Eastern

897

00:34:19,149 --> 00:34:15,980

Europe

898

00:34:22,329 --> 00:34:19,159

that's what Trump's about clearly man

899

00:34:24,940 --> 00:34:22,339

that's just that just fits hand in glove

900

00:34:25,839 --> 00:34:24,950

with all this crazy sex trafficking

901
00:34:28,659 --> 00:34:25,849
stuff

902
00:34:29,919 --> 00:34:28,669
Clinton sex trafficking epstein sex

903
00:34:33,159 --> 00:34:29,929
trafficking this

904
00:34:35,859 --> 00:34:33,169
and a cesspool of activity that that

905
00:34:38,230 --> 00:34:35,869
then ties into you know political

906
00:34:39,879 --> 00:34:38,240
blackmail right of all these different

907
00:34:42,250 --> 00:34:39,889
varieties that we can't even wrap our

908
00:34:45,129 --> 00:34:42,260
heads around but that's why as you point

909
00:34:47,740 --> 00:34:45,139
out it's it's crazy to think that

910
00:34:51,990 --> 00:34:47,750
there's really gonna be any movement on

911
00:34:55,149 --> 00:34:52,000
this in terms of prosecution or any

912
00:34:57,940 --> 00:34:55,159
draining of the swamp if you will is

913
00:35:00,190 --> 00:34:57,950

because these guys are in like an old

914

00:35:02,680 --> 00:35:00,200

cowboy western reference drawn on

915

00:35:04,390 --> 00:35:02,690

everyone drawing the gun and pointed it

916

00:35:06,040 --> 00:35:04,400

at everyone else I call blackmail you

917

00:35:08,710 --> 00:35:06,050

for this while black you mail you for

918

00:35:11,290 --> 00:35:08,720

this so it's just another layer of the

919

00:35:15,069 --> 00:35:11,300

to think that any of this stuff

920

00:35:17,200 --> 00:35:15,079

is gonna change yeah and don't forget to

921

00:35:19,540 --> 00:35:17,210

you know this is Trump's lifestyle look

922

00:35:21,700 --> 00:35:19,550

at the stormy Daniels and character all

923

00:35:24,190 --> 00:35:21,710

that kind of stuff too as well this is

924

00:35:28,120 --> 00:35:24,200

his lifestyle prostitutes and porn and

925

00:35:29,940 --> 00:35:28,130

all this kind of stuff now also to Bill

926

00:35:32,170 --> 00:35:29,950

Clinton to don't done we're not

927

00:35:33,849 --> 00:35:32,180

diminishing Bill Clinton's involvement

928

00:35:35,500 --> 00:35:33,859

in this cuz he's up to his neck and all

929

00:35:37,720 --> 00:35:35,510

this as well but so are people like

930

00:35:40,120 --> 00:35:37,730

Katie Couric and George Stephanopoulos

931

00:35:42,099 --> 00:35:40,130

and Woody Allen who's often seen with

932

00:35:43,569 --> 00:35:42,109

Epstein at Chris Tucker who flew on

933

00:35:45,339 --> 00:35:43,579

Epstein's playing when Bill Clinton is

934

00:35:46,630 --> 00:35:45,349

on there and Chris Tucker has his

935

00:35:50,140 --> 00:35:46,640

connections that are Michael Jackson

936

00:35:52,180 --> 00:35:50,150

garand the Gavin RV no case okay when

937

00:35:56,430 --> 00:35:52,190

the Martin Bashir documentary came out

938

00:35:58,780 --> 00:35:56,440

and Gavin RV know was portrayed as

939

00:36:00,309 --> 00:35:58,790

sleeping in Michael Jackson's bed and

940

00:36:02,380 --> 00:36:00,319

the paparazzi swooped down on him

941

00:36:04,180 --> 00:36:02,390

Michael Jackson called a Chris Tucker

942

00:36:06,609 --> 00:36:04,190

who has his own private plane as well

943

00:36:08,620 --> 00:36:06,619

and said hey Chris go pick him up and

944

00:36:10,270 --> 00:36:08,630

bring him to me and Chris said okay I'll

945

00:36:12,730 --> 00:36:10,280

go get him Mike he's got nothing better

946

00:36:14,849 --> 00:36:12,740

to do with his plane okay Kevin Spacey

947

00:36:19,630 --> 00:36:14,859

was on that plane

948

00:36:21,849 --> 00:36:19,640

who was the other one i Courtney Love

949

00:36:23,920 --> 00:36:21,859

you know I talked to her father all the

950

00:36:25,089 --> 00:36:23,930

time she has her own childhood

951

00:36:27,130 --> 00:36:25,099

involvement with these kind of

952

00:36:30,160 --> 00:36:27,140

activities and escort services and

953

00:36:32,079 --> 00:36:30,170

Madam's and dominatrix and stuff so you

954

00:36:34,450 --> 00:36:32,089

know it's not it's not a small group you

955

00:36:36,609 --> 00:36:34,460

know if you look at the list of people

956

00:36:39,400 --> 00:36:36,619

that flew on Epstein's plane you got

957

00:36:41,500 --> 00:36:39,410

people Prime Minister of Israel you know

958

00:36:42,740 --> 00:36:41,510

that the President of Colombia you know

959

00:36:46,910 --> 00:36:42,750

this is no

960

00:36:49,760 --> 00:36:46,920

and isolated Bunch there's a rich and

961

00:36:51,830 --> 00:36:49,770

powerful so what I want to try and do

962

00:36:54,890 --> 00:36:51,840

now is is pull back a little bit and

963

00:36:57,710 --> 00:36:54,900

kind of re reorient ourselves in a

964

00:37:01,370 --> 00:36:57,720

couple of different ways from to this I

965

00:37:03,470 --> 00:37:01,380

eventually want to get to something you

966

00:37:07,120 --> 00:37:03,480

mentioned very early on in terms of the

967

00:37:08,930 --> 00:37:07,130

the spirituality your spirituality my

968

00:37:11,060 --> 00:37:08,940

spirituality you know one of the

969

00:37:12,440 --> 00:37:11,070

frustrations I have with I don't know if

970

00:37:14,360 --> 00:37:12,450

you can call this conspiracy work

971

00:37:17,150 --> 00:37:14,370

because it's not conspiracy work folks

972

00:37:19,790 --> 00:37:17,160

it's just reality work it's it's the way

973

00:37:22,940 --> 00:37:19,800

things really are as close as we can

974

00:37:25,190 --> 00:37:22,950

figure it out but I guess my point is if

975

00:37:30,080 --> 00:37:25,200

that eventually doesn't lead back to

976
00:37:33,350 --> 00:37:30,090
some kind of adjustment in our spiritual

977
00:37:36,770 --> 00:37:33,360
outlook ie how do I live my life in a

978
00:37:39,350 --> 00:37:36,780
meaningful way how do I figure out what

979
00:37:41,960 --> 00:37:39,360
I'm supposed to do at anytime then all

980
00:37:43,820 --> 00:37:41,970
this is just it's just another

981
00:37:45,350 --> 00:37:43,830
form of entertainment and I don't think

982
00:37:46,940 --> 00:37:45,360
it is supposed to be another form of

983
00:37:49,070 --> 00:37:46,950
entertainment I think we're supposed to

984
00:37:51,650 --> 00:37:49,080
take the kind of information that you're

985
00:37:53,300 --> 00:37:51,660
sharing the kind of investigations

986
00:37:55,700 --> 00:37:53,310
you're doing and I think we're supposed

987
00:37:59,180 --> 00:37:55,710
to do something with it so I want to get

988
00:38:00,830 --> 00:37:59,190

there eventually but in the meantime I

989

00:38:04,910 --> 00:38:00,840

want to get back and talk about this

990

00:38:07,100 --> 00:38:04,920

issue of beliefs how we form our beliefs

991

00:38:08,450 --> 00:38:07,110

how we get stuck on our beliefs and I

992

00:38:11,810 --> 00:38:08,460

want to put myself in the middle of that

993

00:38:15,440 --> 00:38:11,820

and tell you kind of how I got sucked

994

00:38:17,930 --> 00:38:15,450

into the Trump thing so that we can kind

995

00:38:21,710 --> 00:38:17,940

of dissect it and look at it in a

996

00:38:25,370 --> 00:38:21,720

broader sense because this show skeptic

997

00:38:27,860 --> 00:38:25,380

oh I really started it with an interest

998

00:38:28,790 --> 00:38:27,870

in big-picture kind of stuff who are we

999

00:38:32,830 --> 00:38:28,800

why are we here

1000

00:38:35,300 --> 00:38:32,840

I started then by looking at science

1001
00:38:37,700 --> 00:38:35,310
parapsychology because they seem to be

1002
00:38:39,800 --> 00:38:37,710
on the cutting edge of that you know who

1003
00:38:42,200 --> 00:38:39,810
are we question you know are we are we

1004
00:38:43,490 --> 00:38:42,210
just as science says biological robots

1005
00:38:46,160 --> 00:38:43,500
in a meaningless universe you know

1006
00:38:48,230 --> 00:38:46,170
atheistic science materialistic science

1007
00:38:50,900 --> 00:38:48,240
that's what it tells us you know your

1008
00:38:52,790 --> 00:38:50,910
daughters in school I got four kids one

1009
00:38:53,750 --> 00:38:52,800
two of them are almost the same age as

1010
00:38:55,130 --> 00:38:53,760
your daughter

1011
00:38:56,210 --> 00:38:55,140
same thing they've gone through all

1012
00:38:57,440 --> 00:38:56,220
school

1013
00:38:59,540 --> 00:38:57,450

their whole life and that's what they

1014

00:39:03,050 --> 00:38:59,550

learn you know you are a biological

1015

00:39:04,760 --> 00:39:03,060

robot there's no real love it's just

1016

00:39:07,430 --> 00:39:04,770

this chemical reaction in your brain

1017

00:39:11,300 --> 00:39:07,440

kind of and so that's where I

1018

00:39:14,630 --> 00:39:11,310

started and then that led me to kind of

1019

00:39:17,030 --> 00:39:14,640

the more edgy spiritual stuff like the

1020

00:39:18,890 --> 00:39:17,040

near-death experience stuff which gets

1021

00:39:21,940 --> 00:39:18,900

right at that question of you know why

1022

00:39:24,560 --> 00:39:21,950

are we here when you do encounter a

1023

00:39:26,300 --> 00:39:24,570

spiritually transformative experience

1024

00:39:29,150 --> 00:39:26,310

what is that experience about what are

1025

00:39:31,220 --> 00:39:29,160

we learning from those that's what

1026

00:39:34,490 --> 00:39:31,230

really led me to the conspiracy stuff

1027

00:39:37,760 --> 00:39:34,500

because what I found is that science and

1028

00:39:40,490 --> 00:39:37,770

that scientific materialism that insists

1029

00:39:44,720 --> 00:39:40,500

that you are just this biological robot

1030

00:39:47,900 --> 00:39:44,730

is a huge conspiracy as is the whole

1031

00:39:51,109 --> 00:39:47,910

atheist social engineering agenda it's

1032

00:39:55,040 --> 00:39:51,119

truly is a conspiracy what I want to

1033

00:39:58,010 --> 00:39:55,050

talk about I guess is the lonely path of

1034

00:40:01,370 --> 00:39:58,020

the person who starts discovering these

1035

00:40:01,790 --> 00:40:01,380

conspiracies and here's what happened to

1036

00:40:06,740 --> 00:40:01,800

me

1037

00:40:10,070 --> 00:40:06,750

on election night 2016 so first of all

1038

00:40:12,829 --> 00:40:10,080

I'm not paying any attention to the

1039

00:40:16,250 --> 00:40:12,839

election cuz I've investigated enough

1040

00:40:18,589 --> 00:40:16,260

conspiracy to just resolve myself to the

1041

00:40:22,400 --> 00:40:18,599

fact that it's all it's just

1042

00:40:25,400 --> 00:40:22,410

it's just complete and utter so

1043

00:40:28,400 --> 00:40:25,410

I thought there was absolutely no way

1044

00:40:30,050 --> 00:40:28,410

that Clinton would not prevail you know

1045

00:40:33,800 --> 00:40:30,060

it's just like that fixes in she's gonna

1046

00:40:36,320 --> 00:40:33,810

get it and my wife was you know I my

1047

00:40:39,050 --> 00:40:36,330

wife is awesome I love my wife but she

1048

00:40:41,599 --> 00:40:39,060

totally buys she's an NPR kind of person

1049

00:40:43,640 --> 00:40:41,609

you know it's like so she's totally

1050

00:40:45,980 --> 00:40:43,650

Clinton you know totally Clinton

1051
00:40:49,099 --> 00:40:45,990
something like hey I'm gonna keep peace

1052
00:40:52,370 --> 00:40:49,109
in the family vote for Clinton sure

1053
00:40:54,020 --> 00:40:52,380
honey I'm voting for Hillary won I live

1054
00:40:57,410 --> 00:40:54,030
in California so my vote doesn't matter

1055
00:41:00,349 --> 00:40:57,420
it's gonna go Democrat anyway so I vote

1056
00:41:02,780 --> 00:41:00,359
for Clinton and I just am in my in my

1057
00:41:05,540 --> 00:41:02,790
computer room working on my stuff my

1058
00:41:07,940 --> 00:41:05,550
skeptical stuff an election night my

1059
00:41:09,810 --> 00:41:07,950
wife comes in and she goes you got a

1060
00:41:12,210 --> 00:41:09,820
look at this you're not gonna believe it

1061
00:41:14,550 --> 00:41:12,220
now literally this is how out of the

1062
00:41:16,770 --> 00:41:14,560
political loop I am I'm not even

1063
00:41:20,490 --> 00:41:16,780

watching any of the coverage and she

1064

00:41:23,910 --> 00:41:20,500

says come in and look at this and Donald

1065

00:41:26,160 --> 00:41:23,920

Trump wins and for a moment I guess I'm

1066

00:41:29,700 --> 00:41:26,170

like oh my god

1067

00:41:34,250 --> 00:41:29,710

it is possible it is possible because

1068

00:41:36,780 --> 00:41:34,260

for a minute Edie suspend if you can

1069

00:41:39,300 --> 00:41:36,790

everything you know about Donald Trump

1070

00:41:41,670 --> 00:41:39,310

because I didn't know those things so

1071

00:41:45,270 --> 00:41:41,680

suspend that for a minute and look at

1072

00:41:47,520 --> 00:41:45,280

Donald Trump as I did which at a very

1073

00:41:50,460 --> 00:41:47,530

high level that he clearly is an

1074

00:41:50,820 --> 00:41:50,470

outsider because the Republicans hate

1075

00:41:53,160 --> 00:41:50,830

him

1076
00:41:55,530 --> 00:41:53,170
you got conservatives like George Will

1077
00:41:58,170 --> 00:41:55,540
writing articles that say hey even if

1078
00:42:02,820 --> 00:41:58,180
this guy gets all the electoral votes

1079
00:42:05,250 --> 00:42:02,830
let's not let's go against the the whole

1080
00:42:07,770 --> 00:42:05,260
electoral process and not nominate this

1081
00:42:10,680 --> 00:42:07,780
guy as our candidate and George will

1082
00:42:12,420 --> 00:42:10,690
isn't citing Lolita Express and Mara

1083
00:42:15,990 --> 00:42:12,430
Largo is one of the reasons he's doing

1084
00:42:18,630 --> 00:42:16,000
it he's saying that because purely

1085
00:42:20,970 --> 00:42:18,640
political things so I look at this guy

1086
00:42:24,720 --> 00:42:20,980
and say this guy is clearly an outsider

1087
00:42:27,660 --> 00:42:24,730
this guy is tapped into something in the

1088
00:42:31,320 --> 00:42:27,670

American people and hey wouldn't it be

1089

00:42:34,980 --> 00:42:31,330

awesome if it really was possible for

1090

00:42:36,450 --> 00:42:34,990

the people to vote somebody in and

1091

00:42:40,020 --> 00:42:36,460

that's what I saw

1092

00:42:44,190 --> 00:42:40,030

in Donald Trump I saw that just crazy

1093

00:42:46,940 --> 00:42:44,200

insane CNN NPR media which is just

1094

00:42:50,580 --> 00:42:46,950

incredibly Fox all of them just

1095

00:42:52,560 --> 00:42:50,590

incredibly biased I mean it's just it's

1096

00:42:55,050 --> 00:42:52,570

beyond what we can even imagine and

1097

00:42:58,140 --> 00:42:55,060

that's what I saw and that's what I held

1098

00:42:59,760 --> 00:42:58,150

on to and obviously I held on to it too

1099

00:43:01,340 --> 00:42:59,770

long because that's the other thing I

1100

00:43:05,460 --> 00:43:01,350

think that happens with these beliefs is

1101
00:43:06,960 --> 00:43:05,470
we want to see something and we see it

1102
00:43:10,680 --> 00:43:06,970
and we want to believe because we're

1103
00:43:12,780 --> 00:43:10,690
we're weary of all the that like

1104
00:43:15,180 --> 00:43:12,790
you just laid out and how that can be

1105
00:43:17,820 --> 00:43:15,190
weighing on your soul of how hard that

1106
00:43:21,300 --> 00:43:17,830
is and that's what I think I saw in

1107
00:43:23,490 --> 00:43:21,310
Trump and that's why when I heard the

1108
00:43:27,330 --> 00:43:23,500
rumors of what was going on

1109
00:43:30,420 --> 00:43:27,340
I fail to thoroughly investigate it

1110
00:43:33,589 --> 00:43:30,430
because I've wanted to believe that it

1111
00:43:37,589 --> 00:43:33,599
was true that there was a chance for

1112
00:43:39,060 --> 00:43:37,599
people to outside of the system I don't

1113
00:43:40,589 --> 00:43:39,070

really care if it's left or right but

1114

00:43:43,530 --> 00:43:40,599

just that the people could actually

1115

00:43:45,870 --> 00:43:43,540

exercise some power in this process

1116

00:43:47,700 --> 00:43:45,880

because I see for the most part their

1117

00:43:51,750 --> 00:43:47,710

power is being completely drained from

1118

00:43:56,339 --> 00:43:51,760

the process so that's my catharsis

1119

00:43:58,800 --> 00:43:56,349

that's my story and just any thoughts on

1120

00:44:00,690 --> 00:43:58,810

that or any place we can pick up on that

1121

00:44:03,420 --> 00:44:00,700

and talk about that is how it relates to

1122

00:44:06,230 --> 00:44:03,430

what you've seen and and with other

1123

00:44:11,339 --> 00:44:06,240

people and how your work affects people

1124

00:44:13,290 --> 00:44:11,349

yeah first of all and I could never

1125

00:44:15,690 --> 00:44:13,300

support the Clintons as bad as Trump is

1126

00:44:18,030 --> 00:44:15,700

as evil as he is I could never support

1127

00:44:20,130 --> 00:44:18,040

the Clintons because they're just as

1128

00:44:21,839 --> 00:44:20,140

evil you know and and you know my god I

1129

00:44:23,339 --> 00:44:21,849

mean you look at the stealing money from

1130

00:44:24,900 --> 00:44:23,349

earthquake victims you know people are

1131

00:44:26,700 --> 00:44:24,910

buried under rocks and that's where they

1132

00:44:28,800 --> 00:44:26,710

go to steal money from you talk about

1133

00:44:31,710 --> 00:44:28,810

Haiti now right yeah in Haiti yeah yeah

1134

00:44:33,240 --> 00:44:31,720

you know oh my god yeah and we can get

1135

00:44:35,579 --> 00:44:33,250

as all the details on that you know the

1136

00:44:39,780 --> 00:44:35,589

Clinton the Haiti relief fund is called

1137

00:44:41,910 --> 00:44:39,790

the HRC Rodham Clinton had commissioned

1138

00:44:43,680 --> 00:44:41,920

that it's calling Human Rights quotient

1139

00:44:44,880 --> 00:44:43,690

whatever's of human relief but you know

1140

00:44:46,410 --> 00:44:44,890

it's the same initials as Hillary Rodham

1141

00:44:47,849 --> 00:44:46,420

Clinton and that everything goes through

1142

00:44:49,380 --> 00:44:47,859

the Clinton Foundation down there they

1143

00:44:51,180 --> 00:44:49,390

they stole that Haiti is no doubt about

1144

00:44:52,950 --> 00:44:51,190

that but also to by the way there's many

1145

00:44:56,660 --> 00:44:52,960

Republicans involved in that stealing

1146

00:44:58,410 --> 00:44:56,670

too even Obama was involved in the whole

1147

00:45:02,040 --> 00:44:58,420

Clinton theft when he was still a

1148

00:45:03,359 --> 00:45:02,050

senator so was Bush so was a Wesley

1149

00:45:04,500 --> 00:45:03,369

Clark they were all on the board of

1150

00:45:06,510 --> 00:45:04,510

directors for those companies was still

1151
00:45:08,880 --> 00:45:06,520
running them up but anyway I could the

1152
00:45:10,740 --> 00:45:08,890
Clinton versus Trump I couldn't support

1153
00:45:11,670 --> 00:45:10,750
the Clintons my god the most evil people

1154
00:45:13,740 --> 00:45:11,680
on the planet plus they would have

1155
00:45:14,520 --> 00:45:13,750
another 30 year reign in this country we

1156
00:45:16,770 --> 00:45:14,530
can't allow that

1157
00:45:18,180 --> 00:45:16,780
so as evil as Trump was man I kind of

1158
00:45:19,410 --> 00:45:18,190
threw my support behind Trump although I

1159
00:45:21,450 --> 00:45:19,420
didn't vote either because there's no

1160
00:45:23,690 --> 00:45:21,460
doesn't matter you know cuz Nevada would

1161
00:45:26,660 --> 00:45:23,700
behind Clint 90%

1162
00:45:28,099 --> 00:45:26,670
now I believe - I know a lot of people

1163
00:45:29,750 --> 00:45:28,109

say well they're selected they're not

1164

00:45:31,250 --> 00:45:29,760

elected you know and we have no our vote

1165

00:45:33,530 --> 00:45:31,260

doesn't count I don't believe I used to

1166

00:45:36,200 --> 00:45:33,540

think that I don't believe that at all

1167

00:45:38,270 --> 00:45:36,210

especially after my involvement recently

1168

00:45:40,190 --> 00:45:38,280

I like I actually I'm connected with

1169

00:45:42,050 --> 00:45:40,200

people at a level right now where I

1170

00:45:44,240 --> 00:45:42,060

actually got a copy of the Democratic

1171

00:45:46,430 --> 00:45:44,250

platform before it was published

1172

00:45:48,890 --> 00:45:46,440

I got it in advance so and I had people

1173

00:45:50,930 --> 00:45:48,900

down there at the conventions and stuff

1174

00:45:53,960 --> 00:45:50,940

you know people who I know very very

1175

00:45:56,569 --> 00:45:53,970

well so I believe it all votes to make a

1176

00:45:58,790 --> 00:45:56,579

difference and we can organize locally

1177

00:46:01,849 --> 00:45:58,800

and get our own candidates in there I'm

1178

00:46:03,470 --> 00:46:01,859

convinced of all that you know you also

1179

00:46:05,690 --> 00:46:03,480

- you mentioned how George Will and

1180

00:46:07,310 --> 00:46:05,700

stuff like then how they weren't against

1181

00:46:10,880 --> 00:46:07,320

Trump because of his connection with

1182

00:46:14,210 --> 00:46:10,890

Epstein interesting you know the girl

1183

00:46:15,650 --> 00:46:14,220

Katie Doe who filed the lawsuit against

1184

00:46:17,660 --> 00:46:15,660

Trump and Epstein the one that was raped

1185

00:46:20,780 --> 00:46:17,670

when she was a little kid by Trump and

1186

00:46:22,430 --> 00:46:20,790

Epstein she dropped out of that I was

1187

00:46:24,530 --> 00:46:22,440

like no the month of November was like

1188

00:46:26,150 --> 00:46:24,540

four days before the election she was

1189

00:46:27,650 --> 00:46:26,160

gonna have a press conference Lisa bloom

1190

00:46:29,240 --> 00:46:27,660

had come in on her case and we're gonna

1191

00:46:31,040 --> 00:46:29,250

do a press conference about all this and

1192

00:46:32,809 --> 00:46:31,050

they were hacked and they had a

1193

00:46:35,270 --> 00:46:32,819

denial-of-service attack on Lisa blooms

1194

00:46:37,550 --> 00:46:35,280

web strike and website and live stream

1195

00:46:39,890 --> 00:46:37,560

live stream was taken down by an

1196

00:46:42,620 --> 00:46:39,900

organized attack on there a live stream

1197

00:46:45,770 --> 00:46:42,630

service it's Tanabe state level you know

1198

00:46:49,910 --> 00:46:45,780

and so they she got panicked and quit

1199

00:46:52,190 --> 00:46:49,920

and that week Hannity was on the radio

1200

00:46:54,140 --> 00:46:52,200

and he had someone on like um

1201
00:46:55,970 --> 00:46:54,150
Lewandowski someone like Danny goes yeah

1202
00:46:57,980 --> 00:46:55,980
you know we dodged a bullet this week

1203
00:47:02,329 --> 00:46:57,990
and I guess is what do you mean it was

1204
00:47:04,430 --> 00:47:02,339
Epstein you know so you know it's not

1205
00:47:08,030 --> 00:47:04,440
like George will and he's people and and

1206
00:47:11,450 --> 00:47:08,040
I Joe Morning Joe and mica weren't aware

1207
00:47:13,400 --> 00:47:11,460
of all this everybody was they just saw

1208
00:47:15,859 --> 00:47:13,410
a Fitz overlooking until it was a you

1209
00:47:17,650 --> 00:47:15,869
know they can get some use out of it now

1210
00:47:19,760 --> 00:47:17,660
also to buy Trump being an outsider

1211
00:47:22,579 --> 00:47:19,770
Trump's lifelong friends with guys like

1212
00:47:24,890 --> 00:47:22,589
khashoggi odd not Khashoggi involved in

1213
00:47:27,050 --> 00:47:24,900

iran-contra and drug smuggling in and

1214

00:47:29,960 --> 00:47:27,060

you just to be clear though I'm not

1215

00:47:33,559 --> 00:47:29,970

saying he's a genuine outsider I'm

1216

00:47:35,660 --> 00:47:33,569

saying the optics of the thing were that

1217

00:47:37,040 --> 00:47:35,670

and and I feel like this is kind of

1218

00:47:37,730 --> 00:47:37,050

something important that I want to get

1219

00:47:42,560 --> 00:47:37,740

into with

1220

00:47:47,240 --> 00:47:42,570

you is that because you are so well

1221

00:47:50,450 --> 00:47:47,250

informed that in some ways it's hard for

1222

00:47:53,450 --> 00:47:50,460

us even to connect because you know so

1223

00:47:56,240 --> 00:47:53,460

much and I'm on the outside but but I'd

1224

00:47:58,100 --> 00:47:56,250

want to remind you of how a lot of

1225

00:48:01,490 --> 00:47:58,110

people looked at this thing and I think

1226

00:48:05,180 --> 00:48:01,500

that to deny that Trump resonated with a

1227

00:48:07,790 --> 00:48:05,190

lot of people who are just real people

1228

00:48:10,820 --> 00:48:07,800

at people that I can relate to who

1229

00:48:13,190 --> 00:48:10,830

aren't racist who aren't sexist who

1230

00:48:15,680 --> 00:48:13,200

aren't but just really believe that you

1231

00:48:18,500 --> 00:48:15,690

know what this is

1232

00:48:21,800 --> 00:48:18,510

you know I don't I'd see the transgender

1233

00:48:24,400 --> 00:48:21,810

bathrooms at a San Diego Airport where I

1234

00:48:27,440 --> 00:48:24,410

live and I don't have anything against

1235

00:48:30,609 --> 00:48:27,450

transgender people but I see that third

1236

00:48:33,560 --> 00:48:30,619

bathroom door and I say this is progress

1237

00:48:36,020 --> 00:48:33,570

this is where we want to go this is or I

1238

00:48:38,810 --> 00:48:36,030

live you know 30 miles from from the

1239

00:48:40,790 --> 00:48:38,820

border Tijuana and I hate when people

1240

00:48:43,310 --> 00:48:40,800

say this but I know plenty of Mexican

1241

00:48:46,070 --> 00:48:43,320

people and I'm close to a number of

1242

00:48:47,690 --> 00:48:46,080

Mexican people they're no different than

1243

00:48:49,160 --> 00:48:47,700

any other people you can't say through

1244

00:48:51,340 --> 00:48:49,170

this way that way but it's not like

1245

00:48:54,260 --> 00:48:51,350

anyone who lives in San Diego is not

1246

00:48:56,390 --> 00:48:54,270

doesn't understand it that's a total

1247

00:48:59,390 --> 00:48:56,400

scam I mean the immigration thing it's a

1248

00:49:02,180 --> 00:48:59,400

total scam so to deny that that there

1249

00:49:05,720 --> 00:49:02,190

was some reality that that resonated

1250

00:49:08,660 --> 00:49:05,730

with people that people wanted something

1251
00:49:10,490 --> 00:49:08,670
different and what they saw in Trump was

1252
00:49:13,040 --> 00:49:10,500
what they voted for and it was a

1253
00:49:16,070 --> 00:49:13,050
complete and run any Trump and Bernie

1254
00:49:18,050 --> 00:49:16,080
Sanders were really the two outsider

1255
00:49:19,520 --> 00:49:18,060
candidates and it was just awesome

1256
00:49:21,470 --> 00:49:19,530
I mean Bernie Sanders the thing was

1257
00:49:24,980 --> 00:49:21,480
stolen from him but it was just awesome

1258
00:49:28,520 --> 00:49:24,990
to see somebody prevail on the the

1259
00:49:30,650 --> 00:49:28,530
optics of being a true outsider truly

1260
00:49:31,400 --> 00:49:30,660
outside the system and do you see it

1261
00:49:33,290 --> 00:49:31,410
that way

1262
00:49:35,090 --> 00:49:33,300
well interesting because in some ways

1263
00:49:36,830 --> 00:49:35,100

Trump definitely was an outsider and I

1264

00:49:38,420 --> 00:49:36,840

saw with my own eyes because when we

1265

00:49:40,340 --> 00:49:38,430

went to the first Trump rally here in

1266

00:49:42,590 --> 00:49:40,350

Nevada way way way early in the

1267

00:49:43,940 --> 00:49:42,600

beginning he had no campaign staff

1268

00:49:46,130 --> 00:49:43,950

whatsoever there was no campaign

1269

00:49:48,320 --> 00:49:46,140

organization no political people at all

1270

00:49:50,540 --> 00:49:48,330

his the rally was run by New York City

1271

00:49:51,500 --> 00:49:50,550

cops off-duty New York City cops were in

1272

00:49:54,450 --> 00:49:51,510

that rally

1273

00:49:56,520 --> 00:49:54,460

the whole thing and their whole focus

1274

00:49:58,170 --> 00:49:56,530

was on just frisking people as they came

1275

00:50:00,120 --> 00:49:58,180

in and pretty much you're on your own

1276
00:50:01,319 --> 00:50:00,130
you know and wasn't till later on he had

1277
00:50:04,500 --> 00:50:01,329
some volunteers but even that was a

1278
00:50:06,359 --> 00:50:04,510
ragtag so you're writing he isn't in

1279
00:50:08,670 --> 00:50:06,369
that way he's not a part of the

1280
00:50:10,710 --> 00:50:08,680
political machines he's definitely not

1281
00:50:14,099 --> 00:50:10,720
but as far as being an outsider

1282
00:50:18,660 --> 00:50:14,109
I said Khashoggi and Erik Prince people

1283
00:50:20,250 --> 00:50:18,670
at Wilbur Ross Rand Rothschild Inc the

1284
00:50:21,900 --> 00:50:20,260
Commerce Secretary you know it's like

1285
00:50:23,579 --> 00:50:21,910
it's not I can I can see how much you

1286
00:50:33,420 --> 00:50:23,589
can call me an outsider he hooked up

1287
00:50:35,370 --> 00:50:33,430
with everybody he's all shriveled up and

1288
00:50:36,960 --> 00:50:35,380

dying but I understand you so he

1289

00:50:39,809 --> 00:50:36,970

definitely wasn't an outsider as far as

1290

00:50:42,120 --> 00:50:39,819

the political machines go you know and

1291

00:50:44,280 --> 00:50:42,130

paid off both parties and blackmail both

1292

00:50:45,839 --> 00:50:44,290

parties I'm sure you know he comes right

1293

00:50:47,460 --> 00:50:45,849

out and says when he somewhat the pissed

1294

00:50:50,870 --> 00:50:47,470

gate it comes right out and says hey all

1295

00:50:53,670 --> 00:50:50,880

those hotels have cameras I know they do

1296

00:50:55,170 --> 00:50:53,680

and it's coming out so my cameras in

1297

00:50:57,270 --> 00:50:55,180

hotels oh by the way - you're

1298

00:50:58,980 --> 00:50:57,280

interesting I told my trump and

1299

00:51:01,710 --> 00:50:58,990

blackmail you know the whole thing with

1300

00:51:05,430 --> 00:51:01,720

his son-in-law Jared Kushner you know

1301
00:51:07,470 --> 00:51:05,440
his dad got busted because he was so

1302
00:51:09,390 --> 00:51:07,480
desperate to donate money to Democrats

1303
00:51:11,160 --> 00:51:09,400
that he started creating these phony

1304
00:51:12,270 --> 00:51:11,170
partnerships and donating money are

1305
00:51:13,829 --> 00:51:12,280
there other people's name without them

1306
00:51:15,480 --> 00:51:13,839
realizing it and there was an

1307
00:51:18,120 --> 00:51:15,490
investigation and his brother-in-law

1308
00:51:19,289 --> 00:51:18,130
turned against him so what he did was he

1309
00:51:21,420 --> 00:51:19,299
hired a prostitute

1310
00:51:24,030 --> 00:51:21,430
to benefit to go with the brother-in-law

1311
00:51:26,599 --> 00:51:24,040
and tried to blackmail so let's get this

1312
00:51:29,010 --> 00:51:26,609
straight for folks Jared Kushner

1313
00:51:31,410 --> 00:51:29,020

connected to the Trump family obviously

1314

00:51:34,559 --> 00:51:31,420

but also connected to this presidency

1315

00:51:37,049 --> 00:51:34,569

deep inside of it blackmailed his

1316

00:51:38,819 --> 00:51:37,059

brother-in-law his sister's husband

1317

00:51:41,940 --> 00:51:38,829

blackmailed them with by hiring a

1318

00:51:43,710 --> 00:51:41,950

prostitute to go in come on to this guy

1319

00:51:45,780 --> 00:51:43,720

so he could tape it and then blackmail

1320

00:51:47,069 --> 00:51:45,790

him Yeah right just think of that was

1321

00:51:48,599 --> 00:51:47,079

your son-in-law your daughter was gonna

1322

00:51:50,579 --> 00:51:48,609

marry that guy whose father did this

1323

00:51:55,589 --> 00:51:50,589

blackmail deal like when you say hey you

1324

00:51:57,450 --> 00:51:55,599

know honey you know but interesting

1325

00:51:58,470 --> 00:51:57,460

though you know a black man with this

1326

00:52:01,220 --> 00:51:58,480

prostitute right

1327

00:52:03,920 --> 00:52:01,230

I was talking to him what's his name

1328

00:52:05,900 --> 00:52:03,930

Roseanne Barr husband what's his name

1329

00:52:08,599 --> 00:52:05,910

Tom Arnold it's talking to Tom one with

1330

00:52:11,000 --> 00:52:08,609

and I says hey man you know about this

1331

00:52:12,950 --> 00:52:11,010

you know about that and you know we

1332

00:52:14,269 --> 00:52:12,960

finish our conversation and he do be

1333

00:52:17,120 --> 00:52:14,279

talking about cushion and then he tweets

1334

00:52:20,180 --> 00:52:17,130

about Kushner and in the hashtag he put

1335

00:52:21,819 --> 00:52:20,190

Russian teens you know so I guess he

1336

00:52:24,200 --> 00:52:21,829

knows something about the the Kushner

1337

00:52:26,059 --> 00:52:24,210

blackmail is being teenagers Russian

1338

00:52:27,650 --> 00:52:26,069

teenagers you know which is kind of

1339

00:52:28,910 --> 00:52:27,660

interesting because you also got

1340

00:52:31,870 --> 00:52:28,920

cambridge channel it was talking about

1341

00:52:35,089 --> 00:52:31,880

how they they blackmail these people

1342

00:52:39,289 --> 00:52:35,099

using the you know young girls and stuff

1343

00:52:40,849 --> 00:52:39,299

like that okay let me kind of speed this

1344

00:52:43,039 --> 00:52:40,859

up a little bit because there are some

1345

00:52:44,990 --> 00:52:43,049

things i want to hit on we could talk

1346

00:52:47,390 --> 00:52:45,000

for hours and hours and any one of these

1347

00:52:50,390 --> 00:52:47,400

but i want to get your take on globalism

1348

00:52:52,670 --> 00:52:50,400

and i understand that

1349

00:52:56,990 --> 00:52:52,680

based on everything you've just said we

1350

00:53:00,079 --> 00:52:57,000

cannot say that Trump is disassociated

1351
00:53:03,430 --> 00:53:00,089
himself with globalism but I wonder do

1352
00:53:06,410 --> 00:53:03,440
you acknowledge that there is this

1353
00:53:09,829 --> 00:53:06,420
globalism versus nationalism divide

1354
00:53:11,930 --> 00:53:09,839
there's the climate change hoax the war

1355
00:53:15,740 --> 00:53:11,940
on terror hoax the immigration scream

1356
00:53:19,150 --> 00:53:15,750
all this stuff is is trying to move

1357
00:53:22,519 --> 00:53:19,160
people politically towards a certain

1358
00:53:24,680 --> 00:53:22,529
position one planet don't worry so much

1359
00:53:26,269 --> 00:53:24,690
about being a United States citizen

1360
00:53:28,849 --> 00:53:26,279
don't worry so much about the

1361
00:53:31,339 --> 00:53:28,859
Constitution we need to all kind of join

1362
00:53:34,010 --> 00:53:31,349
together under this one planet EU

1363
00:53:35,930 --> 00:53:34,020

extension kind of thing do you buy into

1364

00:53:39,710 --> 00:53:35,940

the notion that there is such a thing

1365

00:53:42,829 --> 00:53:39,720

called globalism if there is globalism

1366

00:53:45,200 --> 00:53:42,839

if there's a one world power controlling

1367

00:53:47,450 --> 00:53:45,210

everything or we're working toward that

1368

00:53:50,510 --> 00:53:47,460

it's the United States of America but

1369

00:53:52,609 --> 00:53:50,520

it's in charge of it let's let's leave

1370

00:53:54,740 --> 00:53:52,619

that let's leave that aside for a second

1371

00:53:56,740 --> 00:53:54,750

and just say I mean do you do you buy

1372

00:54:01,190 --> 00:53:56,750

into the idea that there is this

1373

00:54:02,900 --> 00:54:01,200

political movement that is I would to me

1374

00:54:05,510 --> 00:54:02,910

it looks brother obvious but he's even

1375

00:54:08,599 --> 00:54:05,520

larger than the politics the United

1376

00:54:11,000 --> 00:54:08,609

States or that that is towards this

1377

00:54:13,400 --> 00:54:11,010

one-world government kind of thing and

1378

00:54:15,559 --> 00:54:13,410

and ultimate control over people or just

1379

00:54:17,760 --> 00:54:15,569

increased level of control I mean we're

1380

00:54:19,020 --> 00:54:17,770

going to get

1381

00:54:20,490 --> 00:54:19,030

there's definitely an increase if we

1382

00:54:23,100 --> 00:54:20,500

have much less freon how old I were I'm

1383

00:54:24,180 --> 00:54:23,110

56 years old I have much less personal

1384

00:54:26,460 --> 00:54:24,190

freedom than I did back in the 70s

1385

00:54:29,130 --> 00:54:26,470

there's no doubt about that my mind but

1386

00:54:31,170 --> 00:54:29,140

as far as global control but the United

1387

00:54:32,790 --> 00:54:31,180

States of America is world domination we

1388

00:54:34,920 --> 00:54:32,800

are the dominant power in the world we

1389

00:54:36,960 --> 00:54:34,930

have more our military budget is higher

1390

00:54:39,360 --> 00:54:36,970

than the next top eight countries at and

1391

00:54:41,460 --> 00:54:39,370

half of those are our allies we have air

1392

00:54:44,100 --> 00:54:41,470

superiority over the entire planet

1393

00:54:47,030 --> 00:54:44,110

nobody denies that the more aircraft and

1394

00:54:49,110 --> 00:54:47,040

fighters in anywhere Russia that has one

1395

00:54:51,540 --> 00:54:49,120

aircraft carrier that they have to pull

1396

00:54:53,130 --> 00:54:51,550

around on a tugboat it's a diesel we

1397

00:54:55,590 --> 00:54:53,140

have to pull it with a tugboat has no

1398

00:54:57,240 --> 00:54:55,600

engines no working engines on it oh I

1399

00:54:59,160 --> 00:54:57,250

totally get that I mean I've been to

1400

00:55:00,780 --> 00:54:59,170

Russia a half-dozen times and when that

1401
00:55:03,660 --> 00:55:00,790
first thing started coming out about

1402
00:55:05,940 --> 00:55:03,670
Russia I go you you have no idea me just

1403
00:55:08,610 --> 00:55:05,950
go there I mean it's just a complete

1404
00:55:11,220 --> 00:55:08,620
farce to think that this is some power

1405
00:55:13,620 --> 00:55:11,230
on par with us but again let me bring it

1406
00:55:15,270 --> 00:55:13,630
down to an issue climate change hoax I

1407
00:55:18,210 --> 00:55:15,280
mean the science behind climate change

1408
00:55:21,570 --> 00:55:18,220
it's it's it's not real it's

1409
00:55:24,750 --> 00:55:21,580
just a scheme to create this currency

1410
00:55:26,400 --> 00:55:24,760
called carbons that they can then trade

1411
00:55:28,200 --> 00:55:26,410
and control and create an Internet of

1412
00:55:30,840 --> 00:55:28,210
Things where they can monitor and

1413
00:55:32,130 --> 00:55:30,850

control people that's the play here it

1414

00:55:34,920 --> 00:55:32,140

doesn't have anything I'm an

1415

00:55:36,300 --> 00:55:34,930

environmentalist I mean we I'm deeply

1416

00:55:38,100 --> 00:55:36,310

concerned with what we're doing to the

1417

00:55:40,230 --> 00:55:38,110

environment and that the planet may not

1418

00:55:41,970 --> 00:55:40,240

you know survived aren't enough fish

1419

00:55:44,700 --> 00:55:41,980

they're kind of there's all these other

1420

00:55:47,520 --> 00:55:44,710

things but the climate change Paris

1421

00:55:49,590 --> 00:55:47,530

thing I mean this is an obvious scam do

1422

00:55:51,390 --> 00:55:49,600

you see it that way I haven't looked

1423

00:55:53,160 --> 00:55:51,400

into it today I'd agree I can look out

1424

00:55:54,630 --> 00:55:53,170

you know I can look on turn on the TV

1425

00:55:55,830 --> 00:55:54,640

and see that the storms and the

1426
00:55:57,810 --> 00:55:55,840
earthquakes that stuff we have now are

1427
00:55:59,670 --> 00:55:57,820
greater than ever before you know I

1428
00:56:02,460 --> 00:55:59,680
lived in Staten Island and we had

1429
00:56:03,030 --> 00:56:02,470
hurricane sandy destroyed Jim people

1430
00:56:04,950 --> 00:56:03,040
died

1431
00:56:07,950 --> 00:56:04,960
you know kids were swept away in rushing

1432
00:56:11,880 --> 00:56:07,960
waters okay at you and I if you're up

1433
00:56:13,830 --> 00:56:11,890
for it I gotta I got plans for you buddy

1434
00:56:15,810 --> 00:56:13,840
we might we might if I can talk you into

1435
00:56:17,910 --> 00:56:15,820
it we might find a way to investigate

1436
00:56:19,560 --> 00:56:17,920
some of these things I think it was come

1437
00:56:24,390 --> 00:56:19,570
to the same conclusions you'll find all

1438
00:56:25,950 --> 00:56:24,400

the same trails of shenanigans that you

1439

00:56:29,850 --> 00:56:25,960

do and all the other things phony

1440

00:56:31,579 --> 00:56:29,860

reports faked data all with a political

1441

00:56:35,359 --> 00:56:31,589

agenda so I'm going to put

1442

00:56:36,469 --> 00:56:35,369

on hold for a minute and-and-and cuz I

1443

00:56:38,299 --> 00:56:36,479

want to move on to so many other things

1444

00:56:40,429 --> 00:56:38,309

one other thing I wanted to talk about

1445

00:56:41,779 --> 00:56:40,439

real quick and forgive me if slowed me

1446

00:56:43,789 --> 00:56:41,789

down if I'm going too fast here but I'd

1447

00:56:46,519 --> 00:56:43,799

want to cover a lot of stuff Alex Jones

1448

00:56:47,209 --> 00:56:46,529

is fascinating to me fascinating

1449

00:56:49,670 --> 00:56:47,219

character

1450

00:56:52,039 --> 00:56:49,680

I think you've exposed him in some

1451
00:56:55,819 --> 00:56:52,049
incredible ways they're just powerful

1452
00:56:59,989 --> 00:56:55,829
you're brilliant analysis of the James

1453
00:57:02,660 --> 00:56:59,999
elefantas apology I think is like a

1454
00:57:04,670 --> 00:57:02,670
level three kind of stuff but if people

1455
00:57:07,400 --> 00:57:04,680
can get there if they can get through

1456
00:57:09,469 --> 00:57:07,410
all your your work that you did on Pizza

1457
00:57:14,079 --> 00:57:09,479
Gate which is totally real you know I

1458
00:57:17,390 --> 00:57:14,089
interviewed FBI agent Bob hammer who

1459
00:57:19,489 --> 00:57:17,400
investigated that the NAMBLA thing and

1460
00:57:22,489 --> 00:57:19,499
he was really powerful and gave

1461
00:57:24,709 --> 00:57:22,499
testimony to how real in a related way

1462
00:57:26,839 --> 00:57:24,719
that is you've done a lot more work and

1463
00:57:29,709 --> 00:57:26,849

better work but I'm gonna return to Alex

1464

00:57:33,229 --> 00:57:29,719

Jones Ed bomb hammer ah yeah yeah yeah

1465

00:57:34,549 --> 00:57:33,239

good guy such an FBI guy yeah I never

1466

00:57:36,769 --> 00:57:34,559

thought to ask me about pizza gate but I

1467

00:57:38,329 --> 00:57:36,779

think was before Pizza game excellent

1468

00:57:40,699 --> 00:57:38,339

excellent work in his life and

1469

00:57:42,620 --> 00:57:40,709

infiltrating NAMBLA yeah yeah too much

1470

00:57:46,339 --> 00:57:42,630

so here's my question about Alex Jones

1471

00:57:50,509 --> 00:57:46,349

do you think he was ever legitimate I

1472

00:57:53,479 --> 00:57:50,519

mean Bohemian Grove 9/11 or was he ever

1473

00:57:55,849 --> 00:57:53,489

for real in your opinion okay that's

1474

00:57:58,759 --> 00:57:55,859

interesting um Danny Romero from

1475

00:58:01,039 --> 00:57:58,769

American freedom radio he knew Alex

1476

00:58:02,870 --> 00:58:01,049

Jones way way back when from Austin you

1477

00:58:05,179 --> 00:58:02,880

know when they were there in Texas in

1478

00:58:07,099 --> 00:58:05,189

those days when Alex's beginning of his

1479

00:58:09,199 --> 00:58:07,109

career so I don't know man but but I

1480

00:58:10,309 --> 00:58:09,209

think by the time and he never came

1481

00:58:12,709 --> 00:58:10,319

right out and said hey this guy's been a

1482

00:58:13,819 --> 00:58:12,719

show from the start you know bizarre

1483

00:58:15,319 --> 00:58:13,829

stories about him getting to fistfight

1484

00:58:19,219 --> 00:58:15,329

two people and run into the cops you and

1485

00:58:21,769 --> 00:58:19,229

weird things but definitely I don't

1486

00:58:23,380 --> 00:58:21,779

think he snuck into big Bohemian Grove

1487

00:58:26,839 --> 00:58:23,390

with our invitation I can't imagine

1488

00:58:28,699 --> 00:58:26,849

pulling that off just from what I know

1489

00:58:30,410 --> 00:58:28,709

about trying to sneak into places and

1490

00:58:32,059 --> 00:58:30,420

sneaking across borders and stuff like

1491

00:58:37,579 --> 00:58:32,069

that he said I don't think he could pull

1492

00:58:39,450 --> 00:58:37,589

that off and 9/11 one thing that always

1493

00:58:42,089 --> 00:58:39,460

sticks out in my head

1494

00:58:44,460 --> 00:58:42,099

as I watched him once Geraldo Rivera was

1495

00:58:47,370 --> 00:58:44,470

on doing a live segment in Times Square

1496

00:58:49,680 --> 00:58:47,380

or something like that and suddenly Alex

1497

00:58:51,180 --> 00:58:49,690

Jones showed up with a group of 911

1498

00:58:53,760 --> 00:58:51,190

truthers you know and he showed her and

1499

00:58:55,470 --> 00:58:53,770

I got right there to the to the rail you

1500

00:58:56,910 --> 00:58:55,480

know and it was all lit well and it was

1501

00:58:58,980 --> 00:58:56,920

Mike Doyle did the whole thing was a

1502

00:59:00,420 --> 00:58:58,990

setup is there's no debt I know the hell

1503

00:59:02,160 --> 00:59:00,430

those things are you know I know but

1504

00:59:03,900 --> 00:59:02,170

live TV I know but this kind of stuff

1505

00:59:06,150 --> 00:59:03,910

and I know but street protesting there's

1506

00:59:11,010 --> 00:59:06,160

just no way he could have got there and

1507

00:59:12,660 --> 00:59:11,020

been latent and miked the way he was so

1508

00:59:15,120 --> 00:59:12,670

that had to be some kind of setup I

1509

00:59:17,910 --> 00:59:15,130

don't know about that remember correctly

1510

00:59:20,370 --> 00:59:17,920

he was on a megaphone other people were

1511

00:59:25,530 --> 00:59:20,380

were around him they were not well lit

1512

00:59:28,109 --> 00:59:25,540

and my read of it was that Rivera was

1513

00:59:30,120 --> 00:59:28,119

genuinely kind of pissed off and he kind

1514

00:59:33,180 --> 00:59:30,130

of said some things now it could be all

1515

00:59:36,089 --> 00:59:33,190

staged but I mean that that's this

1516

00:59:38,910 --> 00:59:36,099

brings up another issue of you know I

1517

00:59:41,490 --> 00:59:38,920

like the stuff that's clearly one way or

1518

00:59:43,470 --> 00:59:41,500

another so I hear you that we don't know

1519

00:59:46,799 --> 00:59:43,480

how to interpret that but to me that

1520

00:59:48,450 --> 00:59:46,809

doesn't fall you know clearly into one

1521

00:59:50,760 --> 00:59:48,460

camp and I'd have to say the same thing

1522

00:59:54,299 --> 00:59:50,770

with Bohemian Grove I mean the flip side

1523

00:59:57,780 --> 00:59:54,309

of that is how does that add up that he

1524

01:00:00,599 --> 00:59:57,790

got an invite to expose that I mean in

1525

01:00:03,240 --> 01:00:00,609

whose interest was that I mean it it

1526

01:00:05,910 --> 01:00:03,250

kind of gets a little bit too far down

1527

01:00:08,490 --> 01:00:05,920

the rabbit hole for me yeah you know it

1528

01:00:10,770 --> 01:00:08,500

wasn't sure this it's beyond explanation

1529

01:00:13,049 --> 01:00:10,780

like who knows why he was invited into

1530

01:00:15,000 --> 01:00:13,059

this kind of thing but if he was some

1531

01:00:16,950 --> 01:00:15,010

kind of a truth or even back then or now

1532

01:00:19,039 --> 01:00:16,960

he wouldn't be making \$400,000 a month

1533

01:00:23,220 --> 01:00:19,049

you know with his penis pills and stuff

1534

01:00:24,839 --> 01:00:23,230

and that's the other thing I think you

1535

01:00:26,339 --> 01:00:24,849

know what we can talk at point but I

1536

01:00:29,130 --> 01:00:26,349

don't want to get into politics but the

1537

01:00:30,750 --> 01:00:29,140

the leftist thing a lot of times people

1538

01:00:33,599 --> 01:00:30,760

who are like that they have just

1539

01:00:36,569 --> 01:00:33,609

immediate distrust of anyone with money

1540

01:00:39,030 --> 01:00:36,579

maybe I have a lot of money I made a lot

1541

01:00:41,400 --> 01:00:39,040

of money in my life and I know a lot of

1542

01:00:43,589 --> 01:00:41,410

people that made a lot of money and the

1543

01:00:45,809 --> 01:00:43,599

values that the P of the people that I

1544

01:00:48,870 --> 01:00:45,819

know have made a lot of money are the

1545

01:00:51,329 --> 01:00:48,880

highest values for just living your life

1546

01:00:52,859 --> 01:00:51,339

you know that success its setting goals

1547

01:00:55,410 --> 01:00:52,869

its being

1548

01:00:58,499 --> 01:00:55,420

focused it's being you know controlling

1549

01:01:00,480 --> 01:00:58,509

your own mind and controlling your bad

1550

01:01:02,640 --> 01:01:00,490

habits and stuff like that so I don't

1551
01:01:05,460 --> 01:01:02,650
have an immediate distrust for someone

1552
01:01:07,049 --> 01:01:05,470
Alex Jones has figured out a way to sell

1553
01:01:08,400 --> 01:01:07,059
that stuff and I tell you one thing I

1554
01:01:09,720 --> 01:01:08,410
don't want to be a big defender of Alex

1555
01:01:11,759 --> 01:01:09,730
Jones but the one thing that he says

1556
01:01:13,710 --> 01:01:11,769
that resonates with me is like hey I'm

1557
01:01:15,930 --> 01:01:13,720
selling the same that Whole Foods

1558
01:01:18,059 --> 01:01:15,940
is selling and I'm selling it for a

1559
01:01:20,069 --> 01:01:18,069
lower price so you want to buy your

1560
01:01:22,620 --> 01:01:20,079
vitamins at Whole Foods buy him from me

1561
01:01:24,630 --> 01:01:22,630
and I think supplements are a good idea

1562
01:01:27,180 --> 01:01:24,640
I don't immediately discount the guy for

1563
01:01:28,799 --> 01:01:27,190

making millions of dollars a year so no

1564

01:01:30,150 --> 01:01:28,809

that's not what I'm saying at all and

1565

01:01:32,339 --> 01:01:30,160

I've made a lot of money in my life - I

1566

01:01:34,529 --> 01:01:32,349

had a nine club Manhattan it was a limo

1567

01:01:36,630 --> 01:01:34,539

driver 21st a I've had a lot of money

1568

01:01:38,640 --> 01:01:36,640

here at Canyon Ranch who you know had a

1569

01:01:40,019 --> 01:01:38,650

lot of money but the thing is is what

1570

01:01:42,599 --> 01:01:40,029

I'm saying is and I'm not when these

1571

01:01:44,370 --> 01:01:42,609

people that says that you know I did

1572

01:01:45,960 --> 01:01:44,380

socialism means you have to be poor or

1573

01:01:47,160 --> 01:01:45,970

that you can't be rich under socialism

1574

01:01:48,329 --> 01:01:47,170

I believe that we would all be much

1575

01:01:51,450 --> 01:01:48,339

richer than we are right now under

1576

01:01:53,009 --> 01:01:51,460

socialism the point I'm trying to make

1577

01:01:55,559 --> 01:01:53,019

with saying that he couldn't get away

1578

01:01:57,779 --> 01:01:55,569

with making \$400,000 a month if he was a

1579

01:01:58,620 --> 01:01:57,789

truther as I know that I've spoken out

1580

01:02:00,660 --> 01:01:58,630

on certain things

1581

01:02:03,930 --> 01:02:00,670

and I've had my credit card processing

1582

01:02:06,720 --> 01:02:03,940

shut down the next day okay and things

1583

01:02:09,930 --> 01:02:06,730

like I know that on on AM radio you

1584

01:02:11,999 --> 01:02:09,940

can't get on AM radio unless your right

1585

01:02:14,400 --> 01:02:12,009

wing you know they just they sabotage

1586

01:02:16,440 --> 01:02:14,410

you at every length even these sponsors

1587

01:02:18,870 --> 01:02:16,450

and the advertisers an AM radio will

1588

01:02:20,609 --> 01:02:18,880

sponsor will sabotage you if you're not

1589

01:02:23,870 --> 01:02:20,619

right-wing and towing that right-wing

1590

01:02:25,979 --> 01:02:23,880

line t-talk stream life you know who

1591

01:02:28,229 --> 01:02:25,989

supposedly run this kind of raining this

1592

01:02:30,749 --> 01:02:28,239

operation where they carry water for

1593

01:02:32,489 --> 01:02:30,759

what's-his-name a savage Michael Savage

1594

01:02:34,019 --> 01:02:32,499

every week Michael Savage has the high

1595

01:02:35,940 --> 01:02:34,029

screen and stuff like that I know for a

1596

01:02:38,339 --> 01:02:35,950

fact these guys sabotage if you're not

1597

01:02:39,779 --> 01:02:38,349

left if you're not right-wing then they

1598

01:02:44,549 --> 01:02:39,789

dismiss what they want right-wing people

1599

01:02:47,160 --> 01:02:44,559

in on radio so when I say that if Alex

1600

01:02:48,359 --> 01:02:47,170

Jones was really exposing things they

1601
01:02:49,859 --> 01:02:48,369
would shut him down they weren't allowed

1602
01:02:51,930 --> 01:02:49,869
to make 400 awesome thousand dollars a

1603
01:02:53,220 --> 01:02:51,940
month not that I think making \$400,000

1604
01:02:56,819 --> 01:02:53,230
is bad I would love to make fortune that

1605
01:03:00,059 --> 01:02:56,829
was awesome I looked it and these things

1606
01:03:03,520 --> 01:03:00,069
I could do to do it to me don't forget

1607
01:03:07,270 --> 01:03:03,530
things I do anyway okay you know well

1608
01:03:09,700 --> 01:03:07,280
here let me challenge part of that again

1609
01:03:11,050 --> 01:03:09,710
and and I appreciate that we can do this

1610
01:03:13,060 --> 01:03:11,060
and we can have this discussion because

1611
01:03:15,490 --> 01:03:13,070
I do so respect your work and I want to

1612
01:03:18,820 --> 01:03:15,500
hear your opinion sure one thing that

1613
01:03:20,830 --> 01:03:18,830

does concern me is the censorship of

1614

01:03:23,620 --> 01:03:20,840

Alex Jones no matter what you think

1615

01:03:26,680 --> 01:03:23,630

about Alex Jones to me is far and away

1616

01:03:29,620 --> 01:03:26,690

the biggest story that I've seen in the

1617

01:03:32,860 --> 01:03:29,630

in a number of years because you know

1618

01:03:35,410 --> 01:03:32,870

you talk about First Amendment which is

1619

01:03:36,940 --> 01:03:35,420

what we've all held on to as you know we

1620

01:03:39,900 --> 01:03:36,950

do have freedom of speech in this

1621

01:03:42,910 --> 01:03:39,910

country we've all held onto this and now

1622

01:03:46,440 --> 01:03:42,920

what happened to him with being shut

1623

01:03:48,790 --> 01:03:46,450

down the way he was simultaneously by

1624

01:03:50,980 --> 01:03:48,800

YouTube a lot of people say YouTube need

1625

01:03:52,630 --> 01:03:50,990

to get shut down a YouTube he

1626
01:03:54,760 --> 01:03:52,640
got shut down with YouTube who's owned

1627
01:03:57,190 --> 01:03:54,770
by Google and Google is the

1628
01:03:59,530 --> 01:03:57,200
Internet so he got shut down by that by

1629
01:04:02,260 --> 01:03:59,540
that and he/she got shut down by Apple

1630
01:04:04,900 --> 01:04:02,270
chai calm Apple and he got shut down by

1631
01:04:08,230 --> 01:04:04,910
Facebook and Twitter all the same day I

1632
01:04:10,360 --> 01:04:08,240
mean five years ago we would have all

1633
01:04:13,510 --> 01:04:10,370
said that's impossible or if that

1634
01:04:17,020 --> 01:04:13,520
happened we'll all go march on you know

1635
01:04:18,580 --> 01:04:17,030
Washington DC and instead what we all do

1636
01:04:20,890 --> 01:04:18,590
is sit around and talk about how not to

1637
01:04:23,800 --> 01:04:20,900
get demonetised on YouTube like that's

1638
01:04:26,350 --> 01:04:23,810

the the answer no I hear you

1639

01:04:28,240 --> 01:04:26,360

yeah it's definitely the suppression of

1640

01:04:30,430 --> 01:04:28,250

free speech you know but I wish shutdown

1641

01:04:32,170 --> 01:04:30,440

on YouTube three years ago you know but

1642

01:04:34,000 --> 01:04:32,180

I know I'm near the impact that the Alex

1643

01:04:37,090 --> 01:04:34,010

Jones has and even now it might have my

1644

01:04:38,380 --> 01:04:37,100

YouTube's on my but isn't isn't that the

1645

01:04:41,200 --> 01:04:38,390

point I mean that's the point that I'm

1646

01:04:43,450 --> 01:04:41,210

making is that hey of course the small

1647

01:04:45,790 --> 01:04:43,460

people get shut down and no one pays any

1648

01:04:47,710 --> 01:04:45,800

attention to it you know I heard Luke

1649

01:04:49,930 --> 01:04:47,720

Radomski from we are change has been

1650

01:04:52,750 --> 01:04:49,940

kind of a buddy of the show and years

1651

01:04:54,010 --> 01:04:52,760

ago years ago he was the first one I

1652

01:04:56,650 --> 01:04:54,020

ever heard to talk about being

1653

01:04:57,970 --> 01:04:56,660

demonetized on YouTube and he actually

1654

01:05:00,520 --> 01:04:57,980

put out the videos and he said look

1655

01:05:02,710 --> 01:05:00,530

here's my video it was making money

1656

01:05:04,570 --> 01:05:02,720

before and now it isn't and I remember I

1657

01:05:06,790 --> 01:05:04,580

talked to a guy who had supposedly had

1658

01:05:08,440 --> 01:05:06,800

connections at Google he was a friend of

1659

01:05:10,090 --> 01:05:08,450

mine and he was just like there is no

1660

01:05:12,670 --> 01:05:10,100

way they would never do that that

1661

01:05:15,100 --> 01:05:12,680

doesn't happen well of course it happens

1662

01:05:17,109 --> 01:05:15,110

but my point is if someone reaches the

1663

01:05:20,079 --> 01:05:17,119

point for Alex to

1664

01:05:22,359 --> 01:05:20,089

Alex Jones where as being you know cited

1665

01:05:24,999 --> 01:05:22,369

and CNN he's being said if they can take

1666

01:05:26,859 --> 01:05:25,009

him down we all know they can take you

1667

01:05:30,069 --> 01:05:26,869

down they can take me down but if they

1668

01:05:32,440 --> 01:05:30,079

can take him down for what for talking

1669

01:05:34,150 --> 01:05:32,450

about Sandy Hook let me say that into

1670

01:05:37,720 --> 01:05:34,160

the microphone Sandy Hook Sandy Hook

1671

01:05:39,940 --> 01:05:37,730

Sandy Hook if he can be taken down for

1672

01:05:41,230 --> 01:05:39,950

talking about Sandy Hook and that's the

1673

01:05:43,089 --> 01:05:41,240

other thing it gets me as people say

1674

01:05:45,309 --> 01:05:43,099

what he said about Sandy Hook was

1675

01:05:47,470 --> 01:05:45,319

insensitive to the parents you're a

1676

01:05:49,779 --> 01:05:47,480

parent I'm a parent you know what if

1677

01:05:53,079 --> 01:05:49,789

something that horrific happened to my

1678

01:05:55,329 --> 01:05:53,089

kids I would be I would be beyond

1679

01:05:57,759 --> 01:05:55,339

devastated but if I went to

1680

01:05:59,980 --> 01:05:57,769

investigators and said hey please do not

1681

01:06:02,019 --> 01:05:59,990

talk about that do not let that

1682

01:06:04,239 --> 01:06:02,029

out because it's killing me it's

1683

01:06:06,789 --> 01:06:04,249

driving me crazy you're connected with

1684

01:06:09,309 --> 01:06:06,799

it what would they say they'd say I'm

1685

01:06:10,690 --> 01:06:09,319

sorry but you know we got to do our

1686

01:06:12,430 --> 01:06:10,700

investigation the way we do our

1687

01:06:14,759 --> 01:06:12,440

investigation it can't be linked to

1688

01:06:17,410 --> 01:06:14,769

whether the parents are sensitive to

1689

01:06:21,339 --> 01:06:17,420

what's going to be revealed I mean it's

1690

01:06:25,809 --> 01:06:21,349

just upside down the logic of why that

1691

01:06:28,120 --> 01:06:25,819

would even be an issue I don't get what

1692

01:06:31,539 --> 01:06:28,130

people are thinking on that a couple of

1693

01:06:32,920 --> 01:06:31,549

things because I've been taking notes as

1694

01:06:35,410 --> 01:06:32,930

you've been talking that one thing is

1695

01:06:37,470 --> 01:06:35,420

about to back to YouTube per second is I

1696

01:06:39,940 --> 01:06:37,480

have chosen just to lead it over YouTube

1697

01:06:41,799 --> 01:06:39,950

with no explanation and I know got a

1698

01:06:44,499 --> 01:06:41,809

notice they just disappeared off YouTube

1699

01:06:46,509 --> 01:06:44,509

and also there's this paper for spree

1700

01:06:48,279 --> 01:06:46,519

curtail but I can't anymore

1701

01:06:50,170 --> 01:06:48,289

so for the certain shows you know

1702

01:06:54,970 --> 01:06:50,180

they're just somehow seem to get this

1703

01:06:58,839 --> 01:06:54,980

deleted and disappear now with Alex this

1704

01:07:01,299 --> 01:06:58,849

whole show of okay we're gonna be

1705

01:07:03,549 --> 01:07:01,309

censoring Alex for whatever reason it

1706

01:07:05,440 --> 01:07:03,559

may be it's more than likely he's part

1707

01:07:07,329 --> 01:07:05,450

of all that for whatever agenda maybe to

1708

01:07:10,960 --> 01:07:07,339

make the rest of us sort of fear you

1709

01:07:12,370 --> 01:07:10,970

know and and be more quiet do I believe

1710

01:07:13,509 --> 01:07:12,380

it's because of his talk about because

1711

01:07:14,559 --> 01:07:13,519

he's come out and said no I don't

1712

01:07:16,599 --> 01:07:14,569

believe Sandy Hook or whatever he's

1713

01:07:17,979 --> 01:07:16,609

doing I'm just an actor you know and his

1714

01:07:21,759 --> 01:07:17,989

divorce cases he says it's all

1715

01:07:22,900 --> 01:07:21,769

performance art and I think in what time

1716

01:07:24,430 --> 01:07:22,910

he said people would be crazy to believe

1717

01:07:26,380 --> 01:07:24,440

him and then he comes down he says no no

1718

01:07:27,609 --> 01:07:26,390

no I was lying over there so I don't

1719

01:07:29,290 --> 01:07:27,619

know I think he's part of all and

1720

01:07:32,320 --> 01:07:29,300

whatever's going on he's

1721

01:07:34,180 --> 01:07:32,330

for sure in cooperation he's got Trump

1722

01:07:39,000 --> 01:07:34,190

on there he's got Charlie Sheen on there

1723

01:07:43,810 --> 01:07:39,010

you know so you know I don't know man um

1724

01:07:46,300 --> 01:07:43,820

and in Sandy Hook you know I want

1725

01:07:48,400 --> 01:07:46,310

YouTube I see a lot of stuff that looks

1726

01:07:50,320 --> 01:07:48,410

suspicious about Sandy Hook but then I

1727

01:07:52,270 --> 01:07:50,330

slept the details of Sandy Hook I didn't

1728

01:07:53,350 --> 01:07:52,280

want to go there I don't mean in the bit

1729

01:07:54,820 --> 01:07:53,360

let me just finish saying this is that

1730

01:07:56,440 --> 01:07:54,830

you know then I meet some of the people

1731

01:07:57,700 --> 01:07:56,450

that put that out and I just find them

1732

01:07:59,170 --> 01:07:57,710

personally that they're flaky they're

1733

01:08:01,300 --> 01:07:59,180

trying to hire me for different cases

1734

01:08:03,280 --> 01:08:01,310

and stuff and it's just weird stuff and

1735

01:08:06,400 --> 01:08:03,290

they're just they're kind of crazy and

1736

01:08:09,280 --> 01:08:06,410

then when I was here in Vegas during the

1737

01:08:10,930 --> 01:08:09,290

Mandalay Bay shooting and then I see

1738

01:08:12,400 --> 01:08:10,940

stuff on YouTube and people talking

1739

01:08:15,820 --> 01:08:12,410

about it it they got everything wrong

1740

01:08:17,950 --> 01:08:15,830

that's not even close geography they got

1741

01:08:21,220 --> 01:08:17,960

wrong people's names they got wrong

1742

01:08:23,320 --> 01:08:21,230

locations a Las Vegas Metro Police

1743

01:08:25,330 --> 01:08:23,330

Department they caught the LVPD in an

1744

01:08:27,070 --> 01:08:25,340

event right that the Las Vegas coroner's

1745

01:08:28,810 --> 01:08:27,080

office it's the Clark County coroner's

1746

01:08:31,630 --> 01:08:28,820

office just the basic stuff they can't

1747

01:08:33,070 --> 01:08:31,640

get right and you know so and so it just

1748

01:08:35,620 --> 01:08:33,080

makes me even more suspect of these

1749

01:08:38,590 --> 01:08:35,630

things far away that one time believed

1750

01:08:41,950 --> 01:08:38,600

that now I'm well all my skepticism

1751

01:08:44,800 --> 01:08:41,960

doubles down the more I go on okay but

1752

01:08:47,470 --> 01:08:44,810

big big step back and and I'd ask you

1753

01:08:51,160 --> 01:08:47,480

this question do you believe we should

1754

01:08:55,840 --> 01:08:51,170

entertain the possibility that our

1755

01:08:58,830 --> 01:08:55,850

government has staged shootings in order

1756

01:09:00,940 --> 01:08:58,840

to advance a political agenda like

1757

01:09:02,950 --> 01:09:00,950

pulling the teeth out of the Second

1758

01:09:04,900 --> 01:09:02,960

Amendment should we should that be on

1759

01:09:07,150 --> 01:09:04,910

the radar is that within the realm of

1760

01:09:10,570 --> 01:09:07,160

possibility given everything we know

1761

01:09:13,030 --> 01:09:10,580

about 9/11 and the rest of the world is

1762

01:09:14,290 --> 01:09:13,040

it a possibility yeah we got a look at

1763

01:09:15,940 --> 01:09:14,300

everything okay and we left everything

1764

01:09:18,130 --> 01:09:15,950

left and come to it an open mind there's

1765

01:09:20,920 --> 01:09:18,140

no doubt about that but after looking at

1766

01:09:23,200 --> 01:09:20,930

this is that if every time they did one

1767

01:09:25,870 --> 01:09:23,210

of these shootings and gun sales go up

1768

01:09:28,000 --> 01:09:25,880

instead of down I can't see how the

1769

01:09:29,890 --> 01:09:28,010

motivation would be to take away guns if

1770

01:09:31,840 --> 01:09:29,900

they want to take away guns the gun

1771

01:09:34,210 --> 01:09:31,850

manufacturers are part of the 1% these

1772

01:09:37,750 --> 01:09:34,220

are piece of them they would just stop

1773

01:09:42,070 --> 01:09:37,760

you you know the other and I'll tell you

1774

01:09:44,110 --> 01:09:42,080

this when Clinton was on the front page

1775

01:09:47,230 --> 01:09:44,120

news about his connections to Epstein

1776

01:09:52,000 --> 01:09:47,240

suddenly there was this shooting in

1777

01:09:53,860 --> 01:09:52,010

Paris of some cartoonist okay and when

1778

01:09:56,440 --> 01:09:53,870

they chased down those shooters and he

1779

01:09:58,990 --> 01:09:56,450

had them cornered in any a warehouse and

1780

01:10:00,640 --> 01:09:59,000

a reporter call them up they said well

1781

01:10:04,060 --> 01:10:00,650

we would pay twenty thousand dollars to

1782

01:10:05,380 --> 01:10:04,070

do this okay right now and I think the

1783

01:10:07,570 --> 01:10:05,390

Clintons are more than capable of

1784

01:10:09,130 --> 01:10:07,580

pulling that off okay I heard a couple

1785

01:10:11,230 --> 01:10:09,140

of guys to do a shooting up in you know

1786

01:10:12,460 --> 01:10:11,240

the Muslim cartoons you know boy they

1787

01:10:15,220 --> 01:10:12,470

know how to do this kind of stuff and

1788

01:10:16,240 --> 01:10:15,230

also too it's not necessarily when

1789

01:10:18,130 --> 01:10:16,250

you're dealing with these kinds of

1790

01:10:20,350 --> 01:10:18,140

situations that it's the government

1791

01:10:21,970 --> 01:10:20,360

there's all kind of foreign governments

1792

01:10:22,960 --> 01:10:21,980

into this stuff back when I would say

1793

01:10:24,010 --> 01:10:22,970

hippies foreign governments were

1794

01:10:25,390 --> 01:10:24,020

infiltrating me when I was doing the

1795

01:10:27,010 --> 01:10:25,400

Sarah Palin investigations foreign

1796

01:10:29,050 --> 01:10:27,020

governments were infiltrating me so this

1797

01:10:32,860 --> 01:10:29,060

foreign governments dabble - there's big

1798

01:10:35,260 --> 01:10:32,870

the oil industry has their own security

1799

01:10:37,480 --> 01:10:35,270

forces and espionage departments you

1800

01:10:40,120 --> 01:10:37,490

know this big industry has their own

1801
01:10:41,410 --> 01:10:40,130
forces the Masons the Scientologists

1802
01:10:43,660 --> 01:10:41,420
they all got their own little guys we

1803
01:10:45,430 --> 01:10:43,670
run around doing things for hire all

1804
01:10:47,170 --> 01:10:45,440
kind of mercenaries out there so it's

1805
01:10:50,080 --> 01:10:47,180
not always the government either I hear

1806
01:10:51,460 --> 01:10:50,090
there's a lot to kind of a park there

1807
01:10:53,650 --> 01:10:51,470
that we're not going to be able to do

1808
01:10:55,900 --> 01:10:53,660
because I do want to hit on one last

1809
01:10:57,820 --> 01:10:55,910
issue because it's been part of this

1810
01:10:59,650 --> 01:10:57,830
show and it kind of grew into more and

1811
01:11:01,780 --> 01:10:59,660
more of a part of the show because again

1812
01:11:05,400 --> 01:11:01,790
I'm a follow the data wherever it leads

1813
01:11:08,220 --> 01:11:05,410

guy I'm interested in the the spiritual

1814

01:11:11,710 --> 01:11:08,230

understandings that we can gain from

1815

01:11:13,960 --> 01:11:11,720

analyzing the data in that way and I'm

1816

01:11:17,470 --> 01:11:13,970

just a little bit surprised by the the

1817

01:11:19,420 --> 01:11:17,480

Christian born-again thing on your part

1818

01:11:21,670 --> 01:11:19,430

and and I want to qualify this so people

1819

01:11:23,230 --> 01:11:21,680

understand because I always get in the

1820

01:11:25,150 --> 01:11:23,240

first part of these discussions with

1821

01:11:30,000 --> 01:11:25,160

people and I come off like a Christian

1822

01:11:33,550 --> 01:11:30,010

basher which I'm not I mean I believe in

1823

01:11:36,430 --> 01:11:33,560

however this is true I believe it to be

1824

01:11:38,740 --> 01:11:36,440

true that Christ consciousness that is

1825

01:11:42,010 --> 01:11:38,750

if you pray to Jesus there is a real

1826

01:11:44,410 --> 01:11:42,020

spiritual force that will come to your

1827

01:11:48,220 --> 01:11:44,420

aid that is connected to something

1828

01:11:50,260 --> 01:11:48,230

higher something more I understand that

1829

01:11:52,420 --> 01:11:50,270

as just reading the scientific data I

1830

01:11:54,850 --> 01:11:52,430

mean you go and look at the 200

1831

01:11:55,780 --> 01:11:54,860

peer-reviewed studies that have been

1832

01:11:58,660 --> 01:11:55,790

done on near

1833

01:12:02,850 --> 01:11:58,670

experience that are completely denied

1834

01:12:05,800 --> 01:12:02,860

and kind of misinformed and kind of

1835

01:12:08,830 --> 01:12:05,810

mutilated by the scientific community

1836

01:12:11,500 --> 01:12:08,840

because it goes against their stated

1837

01:12:14,010 --> 01:12:11,510

kind of dogma but if you go look at that

1838

01:12:17,320 --> 01:12:14,020

data it's all over it in terms of people

1839

01:12:19,810 --> 01:12:17,330

experiencing this extended consciousness

1840

01:12:21,910 --> 01:12:19,820

but when it comes to religion you know

1841

01:12:24,340 --> 01:12:21,920

first of all please disrespect my

1842

01:12:27,880 --> 01:12:24,350

religion any place you see it is

1843

01:12:29,740 --> 01:12:27,890

don't give me any cut me any slack cause

1844

01:12:31,750 --> 01:12:29,750

any religious beliefs because I'm not

1845

01:12:33,850 --> 01:12:31,760

gonna cut anyone any slack because they

1846

01:12:36,130 --> 01:12:33,860

say they have a religious belief I just

1847

01:12:39,970 --> 01:12:36,140

think that's crazy I've done all these

1848

01:12:44,950 --> 01:12:39,980

shows and I don't see where the

1849

01:12:49,380 --> 01:12:44,960

Christian story really adds up in terms

1850

01:12:55,060 --> 01:12:49,390

of you know the Yahweh thing this

1851
01:12:57,460 --> 01:12:55,070
Thunder God of the Jews who then turns

1852
01:12:59,380 --> 01:12:57,470
into as the story changes and you go

1853
01:13:01,390 --> 01:12:59,390
talk to biblical scholars like I have I

1854
01:13:03,790 --> 01:13:01,400
mean I've interviewed so many biblical

1855
01:13:05,350 --> 01:13:03,800
scholars and like I tell people I mean

1856
01:13:08,650 --> 01:13:05,360
these are folks that are arguing over

1857
01:13:11,680 --> 01:13:08,660
the curvature of a Greek letter and

1858
01:13:14,260 --> 01:13:11,690
whether that means Sun is the Sun in the

1859
01:13:15,940 --> 01:13:14,270
sky or Sun is the son of God kind of

1860
01:13:19,510 --> 01:13:15,950
thing I mean people are getting deep

1861
01:13:22,960 --> 01:13:19,520
into pulling the stuff apart the stories

1862
01:13:26,460 --> 01:13:22,970
just don't add up and the historical

1863
01:13:29,350 --> 01:13:26,470

Jesus is on really shaky ground so

1864

01:13:31,660 --> 01:13:29,360

whenever I encounter Christians my first

1865

01:13:35,830 --> 01:13:31,670

thing is you know how much have you

1866

01:13:38,410 --> 01:13:35,840

really looked into the Bible or are you

1867

01:13:40,960 --> 01:13:38,420

getting this from a direct spiritual

1868

01:13:43,660 --> 01:13:40,970

experience that you had and you know I

1869

01:13:45,220 --> 01:13:43,670

guess I feel like I hope this okay I

1870

01:13:47,740 --> 01:13:45,230

feel like I can ask you anything and

1871

01:13:49,810 --> 01:13:47,750

that's what I'm asking you I would say

1872

01:13:51,940 --> 01:13:49,820

both okay I've been read the Bible and

1873

01:13:53,260 --> 01:13:51,950

probably a dozen times back to back at

1874

01:13:55,150 --> 01:13:53,270

where the new Titans test we probably

1875

01:13:57,970 --> 01:13:55,160

got thirty times even probably more you

1876

01:14:00,780 --> 01:13:57,980

know like I said I live this you know I

1877

01:14:03,340 --> 01:14:00,790

lived with ten ministry fold that and

1878

01:14:05,830 --> 01:14:03,350

met a lot of people you want to take Ted

1879

01:14:08,470 --> 01:14:05,840

Wilkinson you know Ted Wilson

1880

01:14:09,230 --> 01:14:08,480

Time Square Church okay so like I said

1881

01:14:11,240 --> 01:14:09,240

I've said

1882

01:14:14,600 --> 01:14:11,250

the Korean I said the Bible you know

1883

01:14:16,730 --> 01:14:14,610

I've studied Josephus yes yes I'm

1884

01:14:18,290 --> 01:14:16,740

familiar with that and I'm not concerned

1885

01:14:19,790 --> 01:14:18,300

with that at all he said Jesus was

1886

01:14:20,060 --> 01:14:19,800

magician I'm not concerned with that at

1887

01:14:22,610 --> 01:14:20,070

all

1888

01:14:24,200 --> 01:14:22,620

okay just Cephas if you investigate it

1889

01:14:25,370 --> 01:14:24,210

and this would be another one that if

1890

01:14:28,370 --> 01:14:25,380

you wanted to we could look into

1891

01:14:30,680 --> 01:14:28,380

together Josephus is complete story

1892

01:14:31,340 --> 01:14:30,690

doesn't doesn't add up it doesn't make

1893

01:14:33,530 --> 01:14:31,350

sense

1894

01:14:35,240 --> 01:14:33,540

Josephus is conclusion at the end of the

1895

01:14:36,320 --> 01:14:35,250

day I mean do you even know Josephus

1896

01:14:38,090 --> 01:14:36,330

really is because a lot of people say

1897

01:14:40,070 --> 01:14:38,100

Josephus Josephus and they say the

1898

01:14:42,530 --> 01:14:40,080

Christians say Roman historian or they

1899

01:14:45,230 --> 01:14:42,540

say Christian historian I mean Josephus

1900

01:14:48,020 --> 01:14:45,240

is a is a is a Jew and he's in it he's

1901

01:14:51,560 --> 01:14:48,030

of the highest rabbi class but he's also

1902

01:14:53,990 --> 01:14:51,570

a general and the story that he says is

1903

01:14:56,540 --> 01:14:54,000

hey the Romans landed in Galilee and I

1904

01:14:58,670 --> 01:14:56,550

fought him the best I could and then we

1905

01:15:01,550 --> 01:14:58,680

went into this cave and we all committed

1906

01:15:04,280 --> 01:15:01,560

suicide but at the end I decided no you

1907

01:15:08,000 --> 01:15:04,290

know I need to ally myself with the with

1908

01:15:10,250 --> 01:15:08,010

the Romans because my Jewish tradition

1909

01:15:13,340 --> 01:15:10,260

is wrong Caesar is the Messiah

1910

01:15:16,400 --> 01:15:13,350

Caesar is the Messiah this is Josephus

1911

01:15:19,520 --> 01:15:16,410

claim this is what this is what all his

1912

01:15:21,410 --> 01:15:19,530

writing is about is that Caesar is the

1913

01:15:23,690 --> 01:15:21,420

Messiah we don't have to wait for the

1914

01:15:25,310 --> 01:15:23,700

Messiah Jewish people this is it well

1915

01:15:26,810 --> 01:15:25,320

that's a complete invention on the part

1916

01:15:28,610 --> 01:15:26,820

of Romans is one way to read that and I

1917

01:15:29,990 --> 01:15:28,620

think it's right but the other thing is

1918

01:15:32,750 --> 01:15:30,000

that and you'll see the biblical

1919

01:15:35,180 --> 01:15:32,760

scholars will agree to this the Bible is

1920

01:15:38,390 --> 01:15:35,190

pro Roman because the writers of the

1921

01:15:40,430 --> 01:15:38,400

gospel had access to Josephus so now a

1922

01:15:43,700 --> 01:15:40,440

short version of it you're sitting there

1923

01:15:45,830 --> 01:15:43,710

writing prophecy about Jesus and you

1924

01:15:47,600 --> 01:15:45,840

have the historical account with you you

1925

01:15:49,700 --> 01:15:47,610

have the you know World Book

1926

01:15:51,620 --> 01:15:49,710

Encyclopedia telling you what actually

1927

01:15:54,260 --> 01:15:51,630

happened in your prophesizing and it's

1928

01:15:57,080 --> 01:15:54,270

right out of Josephus that's what's

1929

01:15:59,000 --> 01:15:57,090

written into the Gospels I can prove

1930

01:16:02,120 --> 01:15:59,010

that to you if you want but it's like

1931

01:16:05,630 --> 01:16:02,130

the Bible is not reliable in the way

1932

01:16:10,180 --> 01:16:05,640

that most Christians think it is well I

1933

01:16:13,430 --> 01:16:10,190

don't know what to say okay I really

1934

01:16:15,650 --> 01:16:13,440

there's so many Bible scholars that have

1935

01:16:18,130 --> 01:16:15,660

devoted their life to this you know what

1936

01:16:22,350 --> 01:16:18,140

I mean over every little interpretation

1937

01:16:24,980 --> 01:16:22,360

and it's withstood the test of time

1938

01:16:26,940 --> 01:16:24,990

the calendar was changed over this the

1939

01:16:28,650 --> 01:16:26,950

prophecies from the Old Testament that

1940

01:16:31,980 --> 01:16:28,660

are revealed in a New Testament did

1941

01:16:34,110 --> 01:16:31,990

thousands then plus on top of that my

1942

01:16:36,000 --> 01:16:34,120

own daily life I've seen the results

1943

01:16:37,380 --> 01:16:36,010

coming from this that's totally separate

1944

01:16:39,030 --> 01:16:37,390

so take the first part of what you said

1945

01:16:40,710 --> 01:16:39,040

and we could deal with that

1946

01:16:43,920 --> 01:16:40,720

the second part of it is completely

1947

01:16:46,790 --> 01:16:43,930

separate because I'm with you you can

1948

01:16:49,530 --> 01:16:46,800

have a genuine Christ conscious

1949

01:16:51,480 --> 01:16:49,540

experience I get that I agree with you

1950

01:16:53,730 --> 01:16:51,490

the data supports that the first part of

1951

01:16:54,810 --> 01:16:53,740

that my investigation would say just the

1952

01:16:57,240 --> 01:16:54,820

opposite of what you're saying but

1953

01:17:00,000 --> 01:16:57,250

please continue I would end it there

1954

01:17:01,700 --> 01:17:00,010

because you know you want to change my

1955

01:17:04,620 --> 01:17:01,710

mind you know I don't think it's gonna

1956

01:17:06,270 --> 01:17:04,630

do I have to justify my faith to you

1957

01:17:08,610 --> 01:17:06,280

like I said I've started to by almost

1958

01:17:10,350 --> 01:17:08,620

read the Quran although the major text

1959

01:17:12,900 --> 01:17:10,360

you know and I believe I've settled on

1960

01:17:16,440 --> 01:17:12,910

this I have experienced it in my own

1961

01:17:19,530 --> 01:17:16,450

life I'm more than satisfied with the

1962

01:17:23,460 --> 01:17:19,540

the preservation of these texts call

1963

01:17:25,440 --> 01:17:23,470

today and I'm gonna prompt it where we

1964

01:17:29,720 --> 01:17:25,450

started what you need to change my mind

1965

01:17:33,030 --> 01:17:29,730

that I don't I know I know it sounds

1966

01:17:34,800 --> 01:17:33,040

your mind you need to change mine I get

1967

01:17:37,200 --> 01:17:34,810

that it sounds like that I get that it

1968

01:17:38,580 --> 01:17:37,210

sounds like I'm desperate to change your

1969

01:17:39,900 --> 01:17:38,590

mind I'm really not I talk to people all

1970

01:17:44,100 --> 01:17:39,910

the time and I get that I just talked to

1971

01:17:46,500 --> 01:17:44,110

the this guy fantastic guy who wrote

1972

01:17:47,520 --> 01:17:46,510

this book the the secret history of the

1973

01:17:49,950 --> 01:17:47,530

world

1974

01:17:51,930 --> 01:17:49,960

after that he sending me emails cuz I

1975

01:17:53,850 --> 01:17:51,940

had some of the similar kind of things

1976

01:17:55,590 --> 01:17:53,860

with him and he's a Christian as well no

1977

01:17:55,920 --> 01:17:55,600

man I'm not desperate to change your

1978

01:17:58,290 --> 01:17:55,930

mind

1979

01:18:00,810 --> 01:17:58,300

I just I'm pointing out in the same way

1980

01:18:03,240 --> 01:18:00,820

that you do that this to me is the

1981

01:18:05,250 --> 01:18:03,250

process this is the skeptical process

1982

01:18:07,020 --> 01:18:05,260

for me it's like follow the data

1983

01:18:08,370 --> 01:18:07,030

wherever it leads and I see and you

1984

01:18:09,900 --> 01:18:08,380

someone who's following the data and

1985

01:18:11,280 --> 01:18:09,910

then when it comes to this it's like

1986

01:18:13,140 --> 01:18:11,290

well no I don't really need to follow

1987

01:18:14,760 --> 01:18:13,150

that data because I've already done it

1988

01:18:16,350 --> 01:18:14,770

you know it's like I hear all the time

1989

01:18:18,450 --> 01:18:16,360

from people you don't want to talk them

1990

01:18:20,370 --> 01:18:18,460

to about anything like insights and they

1991

01:18:23,400 --> 01:18:20,380

say I'm a smart guy

1992

01:18:26,970 --> 01:18:23,410

I read all these papers if that was true

1993

01:18:29,820 --> 01:18:26,980

I would know it it's like it's not

1994

01:18:32,750 --> 01:18:29,830

that's not an explanation for whether or

1995

01:18:36,120 --> 01:18:32,760

not you've really dug into the data

1996

01:18:37,830 --> 01:18:36,130

wouldn't walking I suppose I could go in

1997

01:18:39,120 --> 01:18:37,840

especially for any current books I'm

1998

01:18:40,290 --> 01:18:39,130

really not interested people come up

1999

01:18:42,750 --> 01:18:40,300

with new theories and stuff like that

2000

01:18:45,090 --> 01:18:42,760

I'm really not concerned about and I

2001

01:18:47,129 --> 01:18:45,100

guess I could go and try to find you

2002

01:18:48,660 --> 01:18:47,139

know flaws and I'm sure there are flaws

2003

01:18:50,220 --> 01:18:48,670

I can't take everything literally that's

2004

01:18:52,919 --> 01:18:50,230

in the Bible but I'm more than satisfied

2005

01:18:54,720 --> 01:18:52,929

didn't didn't what I've found I don't

2006

01:18:57,689 --> 01:18:54,730

need to pursue that any further you're

2007

01:18:59,879 --> 01:18:57,699

you're satisfied you're happy and what

2008

01:19:01,500 --> 01:18:59,889

it's really about is is the process you

2009

01:19:04,169 --> 01:19:01,510

know is the process that we go through

2010

01:19:07,770 --> 01:19:04,179

to understand things I mean one of the

2011

01:19:09,660 --> 01:19:07,780

catch phrases of skeptic oh is inquiry

2012

01:19:12,270 --> 01:19:09,670

to perpetuate doubt

2013

01:19:14,760 --> 01:19:12,280

I think doubt is a beautiful thing I

2014

01:19:16,740 --> 01:19:14,770

think doubt is a very spiritual thing

2015

01:19:19,110 --> 01:19:16,750

and when I see people who are settled

2016

01:19:21,300 --> 01:19:19,120

I'm always like you can't be settled

2017

01:19:23,370 --> 01:19:21,310

don't be settled on anything always be

2018

01:19:24,899 --> 01:19:23,380

doubting always be questioning but

2019

01:19:26,370 --> 01:19:24,909

that's where I'm coming from that's not

2020

01:19:28,320 --> 01:19:26,380

necessarily where you're coming from I

2021

01:19:30,390 --> 01:19:28,330

think your work is awesome you know one

2022

01:19:32,250 --> 01:19:30,400

other thing and I just can't recommend

2023

01:19:34,979 --> 01:19:32,260

highly enough for people to check out

2024

01:19:38,640 --> 01:19:34,989

the opperman report you're incredibly

2025

01:19:40,320 --> 01:19:38,650

fair and balanced guy any of these

2026

01:19:43,229 --> 01:19:40,330

topics that were that we're talking

2027

01:19:45,419 --> 01:19:43,239

about here you will find deep deep

2028

01:19:47,310 --> 01:19:45,429

knowledge of one of the things I got a

2029

01:19:50,459 --> 01:19:47,320

hitch with before we leave and that's

2030

01:19:52,800 --> 01:19:50,469

the the UFO thing I don't see where

2031

01:19:55,320 --> 01:19:52,810

you're really kind of engaged with that

2032

01:19:57,149 --> 01:19:55,330

topic and you know take that you don't

2033

01:19:59,010 --> 01:19:57,159

like the Bible stuff okay I get it

2034

01:20:01,770 --> 01:19:59,020

UFO thing it's right out there in the

2035

01:20:05,010 --> 01:20:01,780

New York Times you know Leslie Kean has

2036

01:20:05,580 --> 01:20:05,020

done the story we had her on Louella

2037

01:20:08,340 --> 01:20:05,590

Sato

2038

01:20:10,379 --> 01:20:08,350

comes out and says I worked inside the

2039

01:20:12,629 --> 01:20:10,389

government we knew all this stuff and it

2040

01:20:12,990 --> 01:20:12,639

just is backed up by another 50 years of

2041

01:20:15,330 --> 01:20:13,000

stuff

2042

01:20:19,800 --> 01:20:15,340

why are you kind of on the outside

2043

01:20:22,649 --> 01:20:19,810

looking in on the UFO thing okay once

2044

01:20:24,240 --> 01:20:22,659

again you know what would you say if I

2045

01:20:28,050 --> 01:20:24,250

told you our bill didn't believe in UFOs

2046

01:20:31,110 --> 01:20:28,060

I don't I don't know I don't you know

2047

01:20:33,300 --> 01:20:31,120

who cares okay okay I'm just saying and

2048

01:20:36,419 --> 01:20:33,310

I've seen things up in the sky okay that

2049

01:20:40,379 --> 01:20:36,429

I can't explain so I can say that

2050

01:20:42,060 --> 01:20:40,389

firsthand right also to once again going

2051
01:20:43,110 --> 01:20:42,070
back to this whole thing you know there

2052
01:20:46,919 --> 01:20:43,120
was at once and I believed all that

2053
01:20:48,100 --> 01:20:46,929
stuff all the stuff that was a fan of

2054
01:20:50,890 --> 01:20:48,110
Kerry Cassidy's

2055
01:20:52,479 --> 01:20:50,900
Roger camel right and up but until then

2056
01:20:54,609 --> 01:20:52,489
when you start meeting these people and

2057
01:20:56,470 --> 01:20:54,619
dealing with them and you just find out

2058
01:21:00,129 --> 01:20:56,480
that many of them just full of you

2059
01:21:01,600 --> 01:21:00,139
know now can i conclusively say one way

2060
01:21:04,270 --> 01:21:01,610
or the other but I know what's going on

2061
01:21:05,680 --> 01:21:04,280
I've known people that worked at area 51

2062
01:21:07,810 --> 01:21:05,690
they're scientists and stuff like that

2063
01:21:09,310 --> 01:21:07,820

and you know you kind of they can't talk

2064

01:21:11,379 --> 01:21:09,320

about what they see there but then when

2065

01:21:14,410 --> 01:21:11,389

there's no indication and that there's a

2066

01:21:16,990 --> 01:21:14,420

they believe it's otherworldly is it

2067

01:21:18,879 --> 01:21:17,000

possible of course it's possible do I

2068

01:21:21,580 --> 01:21:18,889

think that I can solve this on my own

2069

01:21:23,410 --> 01:21:21,590

with the all the disinformation out

2070

01:21:26,229 --> 01:21:23,420

there on these kind of topics and all

2071

01:21:28,959 --> 01:21:26,239

the hoaxing and but are you aware the

2072

01:21:33,160 --> 01:21:28,969

New York Times disclosure in December of

2073

01:21:36,820 --> 01:21:33,170

2017 and and that whole thing I mean one

2074

01:21:38,500 --> 01:21:36,830

I think that was a politically SIOP kind

2075

01:21:40,899 --> 01:21:38,510

of controlled disclosure but it was a

2076
01:21:42,280 --> 01:21:40,909
disclosure nonetheless I mean they're

2077
01:21:43,870 --> 01:21:42,290
now showing the videos and the

2078
01:21:46,780 --> 01:21:43,880
government is saying we recorded these

2079
01:21:49,180 --> 01:21:46,790
off of an aircraft carrier and it's just

2080
01:21:52,570 --> 01:21:49,190
confirming what we've all known for

2081
01:21:54,280 --> 01:21:52,580
twenty years through discs accidentally

2082
01:21:55,959 --> 01:21:54,290
disclosed documents and Freedom of

2083
01:21:57,790 --> 01:21:55,969
Information documents that have slipped

2084
01:22:00,810 --> 01:21:57,800
out in the United States and Canada I

2085
01:22:04,300 --> 01:22:00,820
mean I don't know what art Bell and

2086
01:22:07,060 --> 01:22:04,310
Cassady Camelot has to do with just the

2087
01:22:09,490 --> 01:22:07,070
mountains of solid evidence we have well

2088
01:22:10,689 --> 01:22:09,500

yeah again to do I trust you but New

2089

01:22:13,090 --> 01:22:10,699

York Times and everything they have to

2090

01:22:15,189 --> 01:22:13,100

say I really don't you know and and

2091

01:22:18,520 --> 01:22:15,199

could that be accurate it could be I

2092

01:22:19,689 --> 01:22:18,530

don't know and you know I think there

2093

01:22:21,609 --> 01:22:19,699

are things up in the sky we can't

2094

01:22:23,950 --> 01:22:21,619

explain there's all kinds of phenomenon

2095

01:22:26,500 --> 01:22:23,960

we can't explain but what the source of

2096

01:22:29,770 --> 01:22:26,510

it is and whether it's a u.s. secret

2097

01:22:31,870 --> 01:22:29,780

space program or or who knows you know I

2098

01:22:34,060 --> 01:22:31,880

don't know yeah we can say that about

2099

01:22:35,800 --> 01:22:34,070

all the other stuff that that you've

2100

01:22:39,220 --> 01:22:35,810

investigated we don't know until we

2101
01:22:40,570 --> 01:22:39,230
investigate yeah and and the more I've

2102
01:22:42,129 --> 01:22:40,580
looked into this I'm like I said it one

2103
01:22:43,330 --> 01:22:42,139
time I did believe you know and the more

2104
01:22:44,890 --> 01:22:43,340
I've looked into this and gotten to know

2105
01:22:46,570 --> 01:22:44,900
these people by you know but the main

2106
01:22:48,609 --> 01:22:46,580
people in the field you know I'm

2107
01:22:50,379 --> 01:22:48,619
unimpressed who are you who do you think

2108
01:22:54,820 --> 01:22:50,389
are the main people in the field I don't

2109
01:22:56,200 --> 01:22:54,830
want people like who's that guy well

2110
01:22:58,209 --> 01:22:56,210
Kerry Cassie would be one our call would

2111
01:23:01,430 --> 01:22:58,219
be another one Richard Hogan would be

2112
01:23:03,750 --> 01:23:01,440
another one what's that guy

2113
01:23:05,010 --> 01:23:03,760

David Wilcock young people like that you

2114

01:23:07,380 --> 01:23:05,020

know all these stories and stuff like

2115

01:23:10,020 --> 01:23:07,390

that I would find all that stuff an

2116

01:23:11,850 --> 01:23:10,030

incredible I wouldn't consider I'm not

2117

01:23:14,910 --> 01:23:11,860

putting those people in the the kind of

2118

01:23:17,280 --> 01:23:14,920

main people I mean I mean Jacques Vallee

2119

01:23:18,780 --> 01:23:17,290

I've never heard of Jonathan's like you

2120

01:23:22,290 --> 01:23:18,790

never heard of Jacques Vallee I mean

2121

01:23:24,150 --> 01:23:22,300

he's one of those Stanton you know San

2122

01:23:27,270 --> 01:23:24,160

Friedman I've heard of Stanton Friedman

2123

01:23:29,490 --> 01:23:27,280

you know not impressed we can't we can't

2124

01:23:33,030 --> 01:23:29,500

go there I mean I know we don't want to

2125

01:23:36,960 --> 01:23:33,040

you know because it's just it's really

2126

01:23:39,780 --> 01:23:36,970

not a field that I believe I can make

2127

01:23:40,560 --> 01:23:39,790

any difference in you know and like I

2128

01:23:42,660 --> 01:23:40,570

said too

2129

01:23:44,220 --> 01:23:42,670

you know the more you meet these people

2130

01:23:45,450 --> 01:23:44,230

you know talk about it and stuff like

2131

01:23:48,600 --> 01:23:45,460

that and then you just find out that

2132

01:23:52,020 --> 01:23:48,610

there's a full-of-shit and and and doing

2133

01:23:53,640 --> 01:23:52,030

hoaxes yeah that's that's not been my

2134

01:23:55,740 --> 01:23:53,650

experience my experience is the same

2135

01:23:57,720 --> 01:23:55,750

with all this stuff

2136

01:24:00,180 --> 01:23:57,730

I mean 90% of people are full of

2137

01:24:02,670 --> 01:24:00,190

and it's just a matter of sorting out

2138

01:24:04,710 --> 01:24:02,680

you know who is and who isn't and what

2139

01:24:06,960 --> 01:24:04,720

they have to say and how what their

2140

01:24:09,180 --> 01:24:06,970

method is and what their process is and

2141

01:24:11,310 --> 01:24:09,190

that's what I'm about is you know the

2142

01:24:13,530 --> 01:24:11,320

process of how somebody got there but

2143

01:24:14,880 --> 01:24:13,540

you know what I would tell you this I

2144

01:24:17,070 --> 01:24:14,890

tell you this okay back when I lived in

2145

01:24:18,900 --> 01:24:17,080

Staten Island right one night in the

2146

01:24:22,260 --> 01:24:18,910

middle of the night I looked out my

2147

01:24:24,210 --> 01:24:22,270

window and I saw this big giant UFO

2148

01:24:26,040 --> 01:24:24,220

okay there's big look like the Batman

2149

01:24:27,720 --> 01:24:26,050

you know the Batman signaler they would

2150

01:24:28,920 --> 01:24:27,730

achieve you know it was like halfway you

2151
01:24:31,020 --> 01:24:28,930
could barely see make it up through the

2152
01:24:34,320 --> 01:24:31,030
clouds it was the size of the Staten

2153
01:24:36,420 --> 01:24:34,330
Island more it was huge right and I sort

2154
01:24:37,500 --> 01:24:36,430
of have like a little paralysis to over

2155
01:24:40,470 --> 01:24:37,510
this kind of thing so i was like frozen

2156
01:24:41,880 --> 01:24:40,480
the next day I woke up I thought well

2157
01:24:44,370 --> 01:24:41,890
you know did I really see that was it a

2158
01:24:46,280 --> 01:24:44,380
dream what was it right and when I went

2159
01:24:48,570 --> 01:24:46,290
down a couple days later to the mailbox

2160
01:24:51,540 --> 01:24:48,580
someone had put up a note saying did

2161
01:24:52,950 --> 01:24:51,550
anybody else see that giant UFO okay so

2162
01:24:55,200 --> 01:24:52,960
obviously other people had seen this too

2163
01:24:57,660 --> 01:24:55,210

so this is all my soul my own eyes it

2164

01:24:59,130 --> 01:24:57,670

could not be I can't imagine that this

2165

01:25:00,510 --> 01:24:59,140

could be built on the earth it would

2166

01:25:02,160 --> 01:25:00,520

have to be built in outer space or and

2167

01:25:06,270 --> 01:25:02,170

all up in here somehow it was just too

2168

01:25:09,390 --> 01:25:06,280

big you know now was it mass hypnosis

2169

01:25:12,210 --> 01:25:09,400

it wasn't an illusion was it a hologram

2170

01:25:14,190 --> 01:25:12,220

I don't know it could be anything you

2171

01:25:16,740 --> 01:25:14,200

know and I haven't devoted my life to

2172

01:25:18,660 --> 01:25:16,750

studying that kind of thing in a and but

2173

01:25:19,920 --> 01:25:18,670

the people who I've met who have kind of

2174

01:25:21,720 --> 01:25:19,930

devoted their lives to studying these

2175

01:25:23,760 --> 01:25:21,730

things I'm just unimpressed with I'm

2176

01:25:25,770 --> 01:25:23,770

impressed with a lot of them I mean I

2177

01:25:27,630 --> 01:25:25,780

had Lesley came at the show on the show

2178

01:25:28,710 --> 01:25:27,640

and she's the one who wrote the New York

2179

01:25:30,870 --> 01:25:28,720

Times article

2180

01:25:33,000 --> 01:25:30,880

she's an impressive person in general

2181

01:25:35,460 --> 01:25:33,010

and has done other good investigative

2182

01:25:37,320 --> 01:25:35,470

work Richard Dolan I think is pretty

2183

01:25:39,900 --> 01:25:37,330

impressive guy I'm trying to get him on

2184

01:25:41,880 --> 01:25:39,910

the show but Grant Cameron you know the

2185

01:25:44,640 --> 01:25:41,890

other guy I've had on the show and yeah

2186

01:25:46,620 --> 01:25:44,650

Jacques filet people inside are just in

2187

01:25:49,590 --> 01:25:46,630

awe of his accomplishments you know he's

2188

01:25:51,480 --> 01:25:49,600

a PhD in physics and really well

2189

01:25:53,100 --> 01:25:51,490

connected in Silicon Valley and has been

2190

01:25:55,260 --> 01:25:53,110

in the middle a lot of things and I

2191

01:25:57,330 --> 01:25:55,270

think Stan Friedman is is solid

2192

01:25:59,640 --> 01:25:57,340

everything I've you know you can agree

2193

01:26:01,890 --> 01:25:59,650

and disagree with anyone but there's a

2194

01:26:03,240 --> 01:26:01,900

lot there's a lot there I think it's one

2195

01:26:05,160 --> 01:26:03,250

of the most fundamental important

2196

01:26:07,830 --> 01:26:05,170

questions that we can ask in terms of

2197

01:26:09,690 --> 01:26:07,840

the who are we thing and again I guess

2198

01:26:11,430 --> 01:26:09,700

you know I don't want to get back into

2199

01:26:12,990 --> 01:26:11,440

the Christian thing but I do see that a

2200

01:26:15,150 --> 01:26:13,000

lot with Christians it's like hey man

2201

01:26:16,290 --> 01:26:15,160

that's settled that's answered I don't

2202

01:26:19,350 --> 01:26:16,300

really want to look at anything that

2203

01:26:22,740 --> 01:26:19,360

might challenge that in some other way

2204

01:26:25,830 --> 01:26:22,750

but I don't want to go there because we

2205

01:26:27,780 --> 01:26:25,840

got to wrap this thing up and I want to

2206

01:26:29,520 --> 01:26:27,790

give you a chance to kind of put a put a

2207

01:26:31,560 --> 01:26:29,530

wrap on this because I appreciate your

2208

01:26:33,600 --> 01:26:31,570

openness and your disability to kind of

2209

01:26:37,140 --> 01:26:33,610

throw some things around that are kind

2210

01:26:39,870 --> 01:26:37,150

of outside your normal a swing zone so

2211

01:26:41,610 --> 01:26:39,880

what do you think it well I wouldn't say

2212

01:26:42,690 --> 01:26:41,620

that anybody should stop looking at you

2213

01:26:44,310 --> 01:26:42,700

if I was you can do whatever you want

2214

01:26:47,460 --> 01:26:44,320

you know look into that well they want

2215

01:26:48,750 --> 01:26:47,470

you know I have no no to just I don't

2216

01:26:53,250 --> 01:26:48,760

know it just doesn't interest me I'm

2217

01:26:54,510 --> 01:26:53,260

just not into that as far as like wrap

2218

01:26:57,000 --> 01:26:54,520

things up like how to find me that kind

2219

01:26:58,230 --> 01:26:57,010

of thing definitely how to find you in

2220

01:27:01,290 --> 01:26:58,240

and also you know you mentioned at the

2221

01:27:03,120 --> 01:27:01,300

beginning why people might find you and

2222

01:27:05,880 --> 01:27:03,130

I think what do people come to you for

2223

01:27:08,190 --> 01:27:05,890

that you can definitely help people with

2224

01:27:11,550 --> 01:27:08,200

where they might be having a problem in

2225

01:27:14,580 --> 01:27:11,560

terms of private investigation well one

2226

01:27:17,670 --> 01:27:14,590

thing if you are if you're some kind of

2227

01:27:20,130 --> 01:27:17,680

a victim like I'm me to case okay we're

2228

01:27:22,320 --> 01:27:20,140

all set up for that okay if you if you

2229

01:27:23,550 --> 01:27:22,330

have a situation where you've been

2230

01:27:25,050 --> 01:27:23,560

sexually harassed or something like that

2231

01:27:27,570 --> 01:27:25,060

I got all the lawyers all set up for you

2232

01:27:28,050 --> 01:27:27,580

we can document your case and get your

2233

01:27:29,790 --> 01:27:28,060

settlement we

2234

01:27:31,260 --> 01:27:29,800

can do that for sure I said anything

2235

01:27:32,640 --> 01:27:31,270

like that and kind of whistleblower kind

2236

01:27:35,430 --> 01:27:32,650

of stuff like that come to me I can

2237

01:27:36,840 --> 01:27:35,440

definitely help you out and regular P

2238

01:27:39,360 --> 01:27:36,850

nice stuff adoption investigation you

2239

01:27:40,890 --> 01:27:39,370

know even extortion cases and stuff like

2240

01:27:42,150 --> 01:27:40,900

that I've had clients being extorted and

2241

01:27:43,890 --> 01:27:42,160

blackmailed and stuff like that we've

2242

01:27:46,290 --> 01:27:43,900

been able to resolve their cases all

2243

01:27:49,260 --> 01:27:46,300

kinds of a stalker intervention kinds of

2244

01:27:50,730 --> 01:27:49,270

things so there's all that if any kind

2245

01:27:53,910 --> 01:27:50,740

of information want to get a hold of me

2246

01:27:55,170 --> 01:27:53,920

through the the radio show you know

2247

01:27:56,700 --> 01:27:55,180

whistleblower you've got some kind of

2248

01:27:58,080 --> 01:27:56,710

information a case here you want to

2249

01:28:00,030 --> 01:27:58,090

expose were always interested in that

2250

01:28:00,780 --> 01:28:00,040

kind of stuff as well you can find me on

2251

01:28:03,390 --> 01:28:00,790

my website

2252

01:28:05,670 --> 01:28:03,400

Opperman report.com or you can email me

2253

01:28:07,980 --> 01:28:05,680

it's an operand report at gmail.com or

2254

01:28:09,570 --> 01:28:07,990

if you have a p9 kind of stuff i prefer

2255

01:28:11,520 --> 01:28:09,580

it goes to Oppermann investigations at

2256

01:28:14,340 --> 01:28:11,530

gmail.com i got a website called email

2257

01:28:15,990 --> 01:28:14,350

revealer comm where we trace emails and

2258

01:28:18,270 --> 01:28:16,000

locate people identify people from their

2259

01:28:19,680 --> 01:28:18,280

email address and all kinds of digital

2260

01:28:22,680 --> 01:28:19,690

forensics you could find on there too as

2261

01:28:25,050 --> 01:28:22,690

well my members section and Opperman

2262

01:28:27,390 --> 01:28:25,060

reports comm all kinds of exclusive

2263

01:28:29,940 --> 01:28:27,400

stuff that you won't find anywhere else

2264

01:28:32,610 --> 01:28:29,950

really some good stuff - Steve BAM ins

2265

01:28:33,900 --> 01:28:32,620

porn and meth house I did exclusive

2266

01:28:36,900 --> 01:28:33,910

reporting there in the McMartin

2267

01:28:37,950 --> 01:28:36,910

preschool case where we had via the the

2268

01:28:41,010 --> 01:28:37,960

scientists who did the

2269

01:28:42,420 --> 01:28:41,020

ground-penetrating radar radar exclusive

2270

01:28:44,910 --> 01:28:42,430

interview with him no one's interviewed

2271

01:28:47,010 --> 01:28:44,920

him in 30 years and he's an eyewitness

2272

01:28:48,120 --> 01:28:47,020

to a hand-dug room that was underneath

2273

01:28:50,310 --> 01:28:48,130

the garage next to the McMartin

2274

01:28:51,690 --> 01:28:50,320

preschool and just to put just to put a

2275

01:28:54,770 --> 01:28:51,700

headline on that because it's super

2276

01:28:57,090 --> 01:28:54,780

important and I do hope despite me

2277

01:28:59,060 --> 01:28:57,100

hanging you here I can't have you back

2278

01:29:03,270 --> 01:28:59,070

on to talk about some of this stuff

2279

01:29:05,580 --> 01:29:03,280

satanic ritual abuse is real the whole

2280

01:29:08,400 --> 01:29:05,590

thing that they've kind of spun this

2281

01:29:10,950 --> 01:29:08,410

story that it's all false memory is the

2282

01:29:12,870 --> 01:29:10,960

real head fake on that you have that

2283

01:29:16,140 --> 01:29:12,880

thoroughly covered right am I getting

2284

01:29:17,610 --> 01:29:16,150

that right I would say so yeah it's

2285

01:29:19,740 --> 01:29:17,620

definitely real there was more than eyes

2286

01:29:21,390 --> 01:29:19,750

Satanism out there you know and there's

2287

01:29:23,190 --> 01:29:21,400

no doubt in my mind about that and

2288

01:29:24,450 --> 01:29:23,200

really high levels in high places and

2289

01:29:26,640 --> 01:29:24,460

very organized

2290

01:29:29,490 --> 01:29:26,650

so there's members section you're gonna

2291

01:29:32,280 --> 01:29:29,500

find tons of content there and and stuff

2292

01:29:33,750 --> 01:29:32,290

that people can get to right yeah if you

2293

01:29:35,610 --> 01:29:33,760

want to get a discount you can email me

2294

01:29:37,650 --> 01:29:35,620

I'll give you a thirteen months for \$65

2295

01:29:40,680 --> 01:29:37,660

great I hope people take you up on that

2296

01:29:41,910 --> 01:29:40,690

ed it's been just awesome getting to

2297

01:29:44,120 --> 01:29:41,920

know your work

2298

01:29:46,200 --> 01:29:44,130

a huge fan going forward and I

2299

01:29:49,920 --> 01:29:46,210

appreciate you straightening me out

2300

01:29:53,040 --> 01:29:49,930

about Trump hmm I can finally get off

2301

01:29:56,190 --> 01:29:53,050

the fantasy world that I was in that

2302

01:29:57,900 --> 01:29:56,200

this guy might be somehow legit I guess

2303

01:30:00,960 --> 01:29:57,910

I knew in my heart of hearts he wasn't

2304

01:30:02,280 --> 01:30:00,970

but that's one I can put to bed yeah

2305

01:30:03,540 --> 01:30:02,290

there's a lot of fantasy out there as a

2306

01:30:05,610 --> 01:30:03,550

matter of fact they just did a clip from

2307

01:30:07,410 --> 01:30:05,620

we're cuddle Montalban saying welcome to

2308

01:30:10,680 --> 01:30:07,420

Fantasy Island I'm gonna be popping in

2309

01:30:14,310 --> 01:30:10,690

there when I started going through these

2310

01:30:16,380 --> 01:30:14,320

topics you know nice yeah thank you so

2311

01:30:18,240 --> 01:30:16,390

much I really enjoyed this thanks again

2312

01:30:20,940 --> 01:30:18,250

to Ed opperman for joining me today on

2313

01:30:23,940 --> 01:30:20,950

skeptic oh I have to stand by my

2314

01:30:26,370 --> 01:30:23,950

original claim at the beginning at opera

2315

01:30:28,760 --> 01:30:26,380

man is fantastic I've learned a lot from

2316

01:30:30,810 --> 01:30:28,770

a lot of the interviews that he's done

2317

01:30:33,120 --> 01:30:30,820

there's a ton of valuable information

2318

01:30:36,570 --> 01:30:33,130

that I just haven't found anyplace else

2319

01:30:39,240 --> 01:30:36,580

at the same time as you heard in this

2320

01:30:42,000 --> 01:30:39,250

interview man we all have to check each

2321

01:30:44,190 --> 01:30:42,010

other and we all have to understand

2322

01:30:46,320 --> 01:30:44,200

where we're coming from and our beliefs

2323

01:30:48,660 --> 01:30:46,330

and our limitations and our worldviews

2324

01:30:51,060 --> 01:30:48,670

and all that stuff is kind of laid bare

2325

01:30:53,490 --> 01:30:51,070

here in a way that I think is

2326

01:30:55,560 --> 01:30:53,500

interesting and is also challenging in a

2327

01:30:57,510 --> 01:30:55,570

lot of ways so it's going to be

2328

01:30:59,910 --> 01:30:57,520

difficult to tee up just one question

2329

01:31:02,370 --> 01:30:59,920

from this interview because there's many

2330

01:31:05,520 --> 01:31:02,380

and there's also a lot of inside

2331

01:31:08,460 --> 01:31:05,530

baseball going on here I wanted to kind

2332

01:31:10,560 --> 01:31:08,470

of keep it rapid-fire and I want to

2333

01:31:13,290 --> 01:31:10,570

cover a lot of stuff with Ed but I

2334

01:31:15,750 --> 01:31:13,300

realized that I probably lost a lot of

2335

01:31:17,820 --> 01:31:15,760

people in the process because just like

2336

01:31:20,730 --> 01:31:17,830

everyone else there's little corners of

2337

01:31:22,770 --> 01:31:20,740

this big ol map that I've dug into more

2338

01:31:25,140 --> 01:31:22,780

and maybe some other people haven't dug

2339

01:31:27,030 --> 01:31:25,150

into more I don't know so so if there is

2340

01:31:29,430 --> 01:31:27,040

that kind of inside baseball stuff going

2341

01:31:31,620 --> 01:31:29,440

on and you don't know I mean please come

2342

01:31:33,390 --> 01:31:31,630

out of the skeptical forum join us over

2343

01:31:36,060 --> 01:31:33,400

there by the way it's it's really picked

2344

01:31:37,800 --> 01:31:36,070

up I really appreciate people coming

2345

01:31:39,600 --> 01:31:37,810

back so many of you have been there

2346

01:31:42,210 --> 01:31:39,610

before I've come back we have some new

2347

01:31:44,460 --> 01:31:42,220

software there that's really nice it

2348

01:31:47,670 --> 01:31:44,470

seems to work smoother and it's just

2349

01:31:49,470 --> 01:31:47,680

great to see the fantastic comments we

2350

01:31:51,600 --> 01:31:49,480

get it's unbelievable it's always been

2351
01:31:52,620 --> 01:31:51,610
one of the real strengths of this show

2352
01:31:56,669 --> 01:31:52,630
is the

2353
01:31:58,919 --> 01:31:56,679
brainpower that gets apply to the

2354
01:32:01,530 --> 01:31:58,929
skeptical forum after some of these

2355
01:32:03,990 --> 01:32:01,540
shows so if you do have questions or if

2356
01:32:04,560 --> 01:32:04,000
there is something that was unclear come

2357
01:32:06,600 --> 01:32:04,570
over there

2358
01:32:08,459 --> 01:32:06,610
put it down there and I'll probably

2359
01:32:11,250 --> 01:32:08,469
respond to it or if not somebody else

2360
01:32:13,140 --> 01:32:11,260
will and and I'm sure that you'll get

2361
01:32:15,689 --> 01:32:13,150
the answer that you're looking for there

2362
01:32:17,640 --> 01:32:15,699
but since I usually tee up one question

2363
01:32:19,470 --> 01:32:17,650

from these interviews I don't want to

2364

01:32:23,280 --> 01:32:19,480

break that trend and the one question

2365

01:32:25,890 --> 01:32:23,290

that I up is is it worth it trying to

2366

01:32:28,890 --> 01:32:25,900

find the truth when it comes to these

2367

01:32:33,270 --> 01:32:28,900

when it comes to these highly charged

2368

01:32:36,510 --> 01:32:33,280

public political expose kind of things

2369

01:32:38,520 --> 01:32:36,520

is this an area that we should just

2370

01:32:41,339 --> 01:32:38,530

avoid because we know it's going to be

2371

01:32:44,520 --> 01:32:41,349

so fraught with misinformation

2372

01:32:46,500 --> 01:32:44,530

disinformation differing opinions that

2373

01:32:49,500 --> 01:32:46,510

are going to upset people should we just

2374

01:32:51,060 --> 01:32:49,510

bypass the whole thing completely or

2375

01:32:53,819 --> 01:32:51,070

some of these questions and some of

2376

01:32:56,430 --> 01:32:53,829

these facts about our leaders so

2377

01:32:58,830 --> 01:32:56,440

important that we should try and dig for

2378

01:33:00,569 --> 01:32:58,840

these answers so there are a couple of

2379

01:33:03,510 --> 01:33:00,579

questions and I guess I'd add one more I

2380

01:33:08,240 --> 01:33:03,520

said one question but it's a bunch how

2381

01:33:11,760 --> 01:33:08,250

does this relate to your personal

2382

01:33:15,479 --> 01:33:11,770

spirituality to what extent can these

2383

01:33:19,319 --> 01:33:15,489

questions allow us to better understand

2384

01:33:20,640 --> 01:33:19,329

what we should do so there I'll kind of

2385

01:33:23,129 --> 01:33:20,650

let it out let me know what you think

2386

01:33:25,950 --> 01:33:23,139

again preferred choice skeptical forum

2387

01:33:28,709 --> 01:33:25,960

but feel free just to email me find me

2388

01:33:30,959 --> 01:33:28,719

on Facebook or wherever love to hear

2389

01:33:34,709 --> 01:33:30,969

from you and check out the skeptical

2390

01:33:37,140 --> 01:33:34,719

website ske p TI k o all the previous

2391

01:33:39,379 --> 01:33:37,150

shows all there for free use them how

2392

01:33:43,140 --> 01:33:39,389

you like that's it for this episode

2393

01:33:44,810 --> 01:33:43,150

until next time take care and bye for

2394

01:33:51,330 --> 01:33:44,820

now

2395

01:34:02,410 --> 01:33:58,340

[Music]

2396

01:34:04,090 --> 01:34:02,420

so thanks for watching this video and if

2397

01:34:06,970 --> 01:34:04,100

it wasn't really a video but just an

2398

01:34:08,530 --> 01:34:06,980

audio stored as a video I apologize but

2399

01:34:10,510 --> 01:34:08,540

there's more videos out there as well

2400

01:34:12,310 --> 01:34:10,520

but please check out the skeptical

2401

01:34:13,660 --> 01:34:12,320

website you can see it here we cover a

2402

01:34:16,510 --> 01:34:13,670

lot of different stuff you might be

2403

01:34:19,810 --> 01:34:16,520

interested in relating to controversial

2404

01:34:23,230 --> 01:34:19,820

science and spirituality a lot of shows

2405

01:34:26,230 --> 01:34:23,240

up there over 350 of them or so all free

2406

01:34:27,690 --> 01:34:26,240

all available for downloads so do check
