

Skeptiko #399

Ed Opperman

I get that it sounds like I'm
desperate to change your mind,
I'm really not

1
00:00:04,460 --> 00:00:01,760
well I would end it there because you

2
00:00:05,720 --> 00:00:04,470
know you want to change my mind you know

3
00:00:08,390 --> 00:00:05,730
I don't think it's gonna happen

4
00:00:10,070 --> 00:00:08,400
you know do I have to justify my faith

5
00:00:11,629 --> 00:00:10,080
to you what's your need to change my

6
00:00:13,820 --> 00:00:11,639
mind though I get that it sounds like

7
00:00:15,919 --> 00:00:13,830
I'm desperate to change your mind I'm

8
00:00:17,930 --> 00:00:15,929
really not this is the skeptical process

9
00:00:19,670 --> 00:00:17,940
for me it's like follow the day to

10
00:00:21,050 --> 00:00:19,680
wherever it leads and I see in you

11
00:00:22,580 --> 00:00:21,060
someone who's following the data and

12
00:00:24,019 --> 00:00:22,590
then when it comes to this what's like

13
00:00:25,580 --> 00:00:24,029

well no I don't really need to follow

14

00:00:28,339 --> 00:00:25,590

that data it's like I hear all the time
