1
00:00:14,110 --> 00:00:11,839
Sunday November 14th 2004 morning

2
00:00:18,109 --> 00:00:14,120
the Nimitz deck crew is busy launching

3
00:00:20,929 --> 00:00:18,119
f-18s super hornets helicopters and e-2

4
00:00:29,779 --> 00:00:20,939
Hawkeye electronic warfare planes the

5
00:00:32,780 --> 00:00:29,789
mission will get back to that in a

6
00:00:34,940 --> 00:00:32,790
minute but first first this morning

7
00:00:37,430 --> 00:00:34,950
we're going to be talking to Leslie King

8
00:00:41,299 --> 00:00:37,440
New York Times reporter who first

9
00:00:44,209 --> 00:00:41,309
reported on the Navy Department's

10
00:00:46,670 --> 00:00:44,219
release of UFO footage that really

11
00:00:50,779 --> 00:00:46,680
changed the world it was one of

12
00:00:52,700 --> 00:00:50,789
history's most important stories and I'm

13
00:00:54,889 --> 00:00:52,710

very proud now that was Whitley Strieber

14

00:00:57,560 --> 00:00:54,899

interviewing of course Leslie Cain who

15

00:01:00,650 --> 00:00:57,570

you've heard on this show who broke the

16

00:01:03,979 --> 00:01:00,660

New York Times story the obvious at

17

00:01:08,149 --> 00:01:03,989

least to me politically controlled SIOB

18

00:01:10,880 --> 00:01:08,159

release of UFO information but I want to

19

00:01:14,480 --> 00:01:10,890

play that clip because Whitley does put

20

00:01:17,090 --> 00:01:14,490

it in perspective this is the biggest

21

00:01:20,660 --> 00:01:17,100

news story ever

22

00:01:25,280 --> 00:01:20,670

and if Whitley's to Alt alt media for

23

00:01:26,870 --> 00:01:25,290

you go to Fox News UFOs have captivated

24

00:01:28,580 --> 00:01:26,880

the public interest for decades but

25

00:01:31,730 --> 00:01:28,590

they've always been dismissed including

26
00:01:34,370 --> 00:01:31,740
by me as the province of wackos but that

27
00:01:36,230 --> 00:01:34,380
is changing thanks to some remarkable

28
00:01:37,910 --> 00:01:36,240
videotape and first-hand accounts from

29
00:01:39,319 --> 00:01:37,920
very sober people who are trained to

30
00:01:41,330 --> 00:01:39,329
identify aircraft

31
00:01:42,440 --> 00:01:41,340
these are aircraft apparently that are

32
00:01:44,810 --> 00:01:42,450
moving in ways that appear to violate

33
00:01:46,969 --> 00:01:44,820
physics that are flying very differently

34
00:01:49,730 --> 00:01:46,979
from any aircraft ever observed and way

35
00:01:52,249 --> 00:01:49,740
faster than any plane that we know any

36
00:01:54,530 --> 00:01:52,259
foreign country has what is this that's

37
00:01:57,709 --> 00:01:54,540
of course Tucker Carlson doing amia

38
00:02:00,260 --> 00:01:57,719

coppa on the UFO thing so the point

39

00:02:03,740 --> 00:02:00,270

being how could this have happened right

40

00:02:09,260 --> 00:02:03,750

under our noses right during our watch

41

00:02:12,979 --> 00:02:09,270

and why do so many people still not get

42

00:02:14,000 --> 00:02:12,989

it well some people get it there by the

43

00:02:16,399 --> 00:02:14,010

guided missile

44

00:02:19,070 --> 00:02:16,409

or USS Princeton has been tracking

45

00:02:21,860 --> 00:02:19,080

unknown aircraft that appear and

46

00:02:25,970 --> 00:02:21,870

disappear from her sophisticated Aegis

47

00:02:28,720 --> 00:02:25,980

radar screens the spy-1 radar is one of

48

00:02:31,610 --> 00:02:28,730

the most advanced sensors ever deployed

49

00:02:33,830 --> 00:02:31,620

Princeton's main role is air defense of

50

00:02:36,949 --> 00:02:33,840

the strike group for the past few days

51
00:02:39,470 --> 00:02:36,959
senior chief kevin day has noticed these

52
00:02:43,100 --> 00:02:39,480
peculiar craft appearing on his radar

53
00:02:45,649 --> 00:02:43,110
screen that's today's guest kevin day

54
00:02:49,130 --> 00:02:45,659
20-year Navy veteran and Top Gun

55
00:02:52,970 --> 00:02:49,140
operator who was drawn right in the

56
00:02:55,490 --> 00:02:52,980
middle not only of the disclosure event

57
00:02:58,160 --> 00:02:55,500
but into the middle of a contact

58
00:03:00,349 --> 00:02:58,170
experience after this now-famous

59
00:03:02,059 --> 00:03:00,359
commander flavor intercept happened I

60
00:03:03,470 --> 00:03:02,069
went back up into combat and I found one

61
00:03:05,030 --> 00:03:03,480
of these things on the radar and they

62
00:03:06,860 --> 00:03:05,040
got the Relling relative bearing from

63
00:03:08,119 --> 00:03:06,870

the ship I went up topside and they

64

00:03:10,759 --> 00:03:08,129

looked at that thing through the bigeye

65

00:03:12,740 --> 00:03:10,769

binoculars and I think that's the moment

66

00:03:14,960 --> 00:03:12,750

when I if I had to say there was a

67

00:03:16,130 --> 00:03:14,970

moment that was probably it when I saw

68

00:03:17,960 --> 00:03:16,140

with my eyeball

69

00:03:20,300 --> 00:03:17,970

whatever affected me happened then I

70

00:03:22,280 --> 00:03:20,310

mean when Chakotay told me that I was

71

00:03:26,390 --> 00:03:22,290

incredibly important to what's about to

72

00:03:29,990 --> 00:03:26,400

happen I didn't know what to think this

73

00:03:32,890 --> 00:03:30,000

is a multi-layered multi-dimensional

74

00:03:36,430 --> 00:03:32,900

multi tunnels down the rabbit hole

75

00:03:39,229 --> 00:03:36,440

adventure I'm tempted to try and

76

00:03:41,000 --> 00:03:39,239

deconstruct it and pull it all apart but

77

00:03:43,970 --> 00:03:41,010

it's another one of those where I

78

00:03:47,390 --> 00:03:43,980

probably need to just let it go and see

79

00:03:51,310 --> 00:03:47,400

where you take it stick around for my

80

00:03:58,790 --> 00:03:51,320

interview with Kevin day

81

00:04:04,290 --> 00:04:02,010

today we welcome Kevin day to skeptic Oh

82

00:04:06,780 --> 00:04:04,300

Kevin is a retired 20-year naval

83

00:04:09,840 --> 00:04:06,790

operations specialist who worked aboard

84

00:04:12,630 --> 00:04:09,850

all those big giant Navy ships that I

85

00:04:13,320 --> 00:04:12,640

see off the coast of San Diego where I

86

00:04:15,750 --> 00:04:13,330

live

87

00:04:20,130 --> 00:04:15,760

but none of that prepared him for what

88

00:04:24,810 --> 00:04:20,140

he saw in 2004 when he was part of this

89

00:04:27,570 --> 00:04:24,820

huge UFO encounter that later just last

90

00:04:30,030 --> 00:04:27,580

year became the centerpiece for probably

91

00:04:34,830 --> 00:04:30,040

the biggest official UFO disclosure

92

00:04:37,800 --> 00:04:34,840

rollout in history and since Kevin right

93

00:04:40,650 --> 00:04:37,810

here is the guy who really orchestrated

94

00:04:42,570 --> 00:04:40,660

that whole event in terms of controlling

95

00:04:45,750 --> 00:04:42,580

all the planes and all the pilots and

96

00:04:47,970 --> 00:04:45,760

because that then eventually drew Kevin

97

00:04:51,000 --> 00:04:47,980

into the spotlight last year when all

98

00:04:53,940 --> 00:04:51,010

this thing became public I thought it

99

00:04:56,660 --> 00:04:53,950

was a great opportunity to have Kevin on

100

00:05:01,110 --> 00:04:56,670

skeptic oh and talk not only about that

101
00:05:04,740 --> 00:05:01,120
but how that was just the beginning of a

102
00:05:08,430 --> 00:05:04,750
much deeper more complex in in many ways

103
00:05:11,610 --> 00:05:08,440
more disturbing story about what's

104
00:05:14,510 --> 00:05:11,620
really going on so Kevin with that long

105
00:05:16,700 --> 00:05:14,520
somewhat stumbled through introduction

106
00:05:19,380 --> 00:05:16,710
welcome thanks for joining me

107
00:05:20,900 --> 00:05:19,390
well thanks for having me Alex I'm very

108
00:05:24,060 --> 00:05:20,910
happy to be here with you today

109
00:05:28,110 --> 00:05:24,070
well thanks let's start with just kind

110
00:05:31,080 --> 00:05:28,120
of a basic who is Kevin day yeah

111
00:05:33,690 --> 00:05:31,090
during the Navy in 86 had a pretty

112
00:05:35,340 --> 00:05:33,700
standard career I'd graduated pretty

113
00:05:36,900 --> 00:05:35,350

highly in my in my school's when I

114

00:05:39,360 --> 00:05:36,910

joined the Navy and I ended up getting

115

00:05:42,570 --> 00:05:39,370

orders to the USS then sends out to San

116

00:05:45,210 --> 00:05:42,580

Diego it was the first age of ship and I

117

00:05:46,770 --> 00:05:45,220

remained with a just my entire career

118

00:05:49,110 --> 00:05:46,780

and the event you're talking about in

119

00:05:50,940 --> 00:05:49,120

2004 by the way I'll kind of jump ahead

120

00:05:52,740 --> 00:05:50,950

a little bit was happened to be my very

121

00:05:55,409 --> 00:05:52,750

last underway in the Navy and it was

122

00:05:56,970 --> 00:05:55,419

also my very last intercept I was

123

00:05:59,400 --> 00:05:56,980

calling him UFOs at the time because I

124

00:06:00,900 --> 00:05:59,410

didn't even know what a UAP was at the

125

00:06:03,600 --> 00:06:00,910

time and you know because I was ever a

126
00:06:05,909 --> 00:06:03,610
UFO guy my whole life this happened to

127
00:06:08,100 --> 00:06:05,919
me and I have had to learn very quickly

128
00:06:09,900 --> 00:06:08,110
about all this whole subject over the

129
00:06:11,430 --> 00:06:09,910
last few years yeah I thought that was

130
00:06:12,300 --> 00:06:11,440
an interesting part of your story when

131
00:06:15,420 --> 00:06:12,310
you said you

132
00:06:19,050 --> 00:06:15,430
walked off of the ship in 2004 in San

133
00:06:21,420 --> 00:06:19,060
Diego and said to yourself wow you know

134
00:06:24,240 --> 00:06:21,430
this is all over and I just saw my first

135
00:06:26,670 --> 00:06:24,250
UFO and that especially is interesting

136
00:06:28,350 --> 00:06:26,680
given all the things that happen later

137
00:06:30,360 --> 00:06:28,360
because that was kind of the beginning

138
00:06:32,340 --> 00:06:30,370

of your story but I don't want to jump

139

00:06:34,830 --> 00:06:32,350

too far ahead either so please go on

140

00:06:37,770 --> 00:06:34,840

yeah I know I immediately went to work

141

00:06:39,600 --> 00:06:37,780

for a department of defense contractor

142

00:06:42,270 --> 00:06:39,610

removed to Phoenix with my family

143

00:06:44,610 --> 00:06:42,280

and I you know the UFO thing really

144

00:06:46,020 --> 00:06:44,620

bugged me and I didn't I didn't even

145

00:06:47,880 --> 00:06:46,030

know how to tell people about cuz I knew

146

00:06:49,560 --> 00:06:47,890

no one was gonna believe me and in fact

147

00:06:51,690 --> 00:06:49,570

when I told my own family about it I

148

00:06:53,610 --> 00:06:51,700

kind of got the long look down the nose

149

00:06:55,800 --> 00:06:53,620

like are you okay you know that that

150

00:06:57,750 --> 00:06:55,810

type of a reaction so I wrote I wrote a

151

00:06:59,370 --> 00:06:57,760

short story I fictionalized it to

152

00:07:01,320 --> 00:06:59,380

protect people still in uniform at the

153

00:07:03,270 --> 00:07:01,330

time and I published it in the Library

154

00:07:06,120 --> 00:07:03,280

of Congress to provide some sort of

155

00:07:08,010 --> 00:07:06,130

evidence if this story ever really did

156

00:07:10,380 --> 00:07:08,020

come to light let me just interject

157

00:07:12,810 --> 00:07:10,390

something here is a timetable thing

158

00:07:15,930 --> 00:07:12,820

because this is like an important detail

159

00:07:19,350 --> 00:07:15,940

to me in the way this story rolls out

160

00:07:23,670 --> 00:07:19,360

and in the way it's presented to us this

161

00:07:26,040 --> 00:07:23,680

event happens in 2004 the video that

162

00:07:28,440 --> 00:07:26,050

eventually winds up making it and all

163

00:07:31,680 --> 00:07:28,450

the news organizations and stuff was in

164

00:07:34,650 --> 00:07:31,690

your in basket and your email in basket

165

00:07:37,560 --> 00:07:34,660

the next day in 2004 so now as you

166

00:07:39,960 --> 00:07:37,570

described you leave the Navy but you're

167

00:07:44,660 --> 00:07:39,970

still trying to come to grips with what

168

00:07:47,280 --> 00:07:44,670

happened and in 2008 four years later

169

00:07:50,670 --> 00:07:47,290

you published the account which anyone

170

00:07:53,460 --> 00:07:50,680

can go read that is you know it's it's

171

00:07:55,410 --> 00:07:53,470

fictionalized only in the to a certain

172

00:08:00,060 --> 00:07:55,420

extent it's a pretty good telling of

173

00:08:02,040 --> 00:08:00,070

what happened and then in 2017 this

174

00:08:05,220 --> 00:08:02,050

whole thing rolls out so people need to

175

00:08:07,710 --> 00:08:05,230

understand there's a lot of time that

176

00:08:10,170 --> 00:08:07,720

goes on in between here and sometimes

177

00:08:12,540 --> 00:08:10,180

when it's presented particularly this

178

00:08:14,400 --> 00:08:12,550

case is presented it all gets kind of

179

00:08:17,880 --> 00:08:14,410

mashed together like all this just

180

00:08:20,670 --> 00:08:17,890

happened how long has it been 14 15

181

00:08:22,830 --> 00:08:20,680

years now I didn't know what was wrong

182

00:08:24,990 --> 00:08:22,840

with me I knew I had changed I knew my

183

00:08:26,020 --> 00:08:25,000

personality has changed I hesitate to

184

00:08:28,330 --> 00:08:26,030

say it that I can't

185

00:08:31,000 --> 00:08:28,340

became smarter I became more prescient I

186

00:08:33,430 --> 00:08:31,010

started having really strange dreams of

187

00:08:35,350 --> 00:08:33,440

the end of the world type disaster

188

00:08:36,940 --> 00:08:35,360

dreams out of the blue and that's really

189

00:08:38,860 --> 00:08:36,950

what started this whole thing I started

190

00:08:40,420 --> 00:08:38,870

having these dreams and um the dreams

191

00:08:42,460 --> 00:08:40,430

themselves didn't really affect me that

192

00:08:45,130 --> 00:08:42,470

much because everyone has nightmares you

193

00:08:47,680 --> 00:08:45,140

know you just kind of blow them off but

194

00:08:50,650 --> 00:08:47,690

remembering the dreams the next day or

195

00:08:52,150 --> 00:08:50,660

two following it resurfaced some some

196

00:08:54,070 --> 00:08:52,160

more of my unpleasant memories from the

197

00:08:55,990 --> 00:08:54,080

Navy and I started to experience that I

198

00:08:57,220 --> 00:08:56,000

can only describe his flashbacks I don't

199

00:08:59,290 --> 00:08:57,230

know how else to say it I would just

200

00:09:00,610 --> 00:08:59,300

stop and stare into space for a minute

201

00:09:02,350 --> 00:09:00,620

well I was having these these weird

202

00:09:04,510 --> 00:09:02,360

memories that's kind of how this whole

203

00:09:07,270 --> 00:09:04,520

thing kicked off it started to affect my

204

00:09:08,410 --> 00:09:07,280

work I ended up quitting my DoD job kind

205

00:09:11,260 --> 00:09:08,420

of jumped out of that plane without a

206

00:09:13,780 --> 00:09:11,270

chute looking back on it went to

207

00:09:15,700 --> 00:09:13,790

Sacramento with my wife I ended up going

208

00:09:18,100 --> 00:09:15,710

to school at Sac State during that time

209

00:09:19,360 --> 00:09:18,110

my wife and I became separated and you

210

00:09:20,560 --> 00:09:19,370

know looking back I don't blame her

211

00:09:23,770 --> 00:09:20,570

because I was probably acting pretty

212

00:09:26,680 --> 00:09:23,780

strangely I graduated in 13 moving back

213

00:09:28,810 --> 00:09:26,690

to Oregon and ended up back on my

214

00:09:31,240 --> 00:09:28,820

family's mining claim back in the county

215

00:09:33,220 --> 00:09:31,250

OPS's wilderness I had become obsessed

216

00:09:35,650 --> 00:09:33,230

with this idea that I could actually

217

00:09:38,470 --> 00:09:35,660

find the mother lode which strangely

218

00:09:40,780 --> 00:09:38,480

enough I did you did in what respect I

219

00:09:43,560 --> 00:09:40,790

mean you found I'm not a I'm not a

220

00:09:45,640 --> 00:09:43,570

geologist I had no background in geology

221

00:09:47,350 --> 00:09:45,650

no background in satellite

222

00:09:49,510 --> 00:09:47,360

interpretation none of that stuff but

223

00:09:51,670 --> 00:09:49,520

putting all that stuff together going in

224

00:09:54,550 --> 00:09:51,680

and reviewing the literature of other

225

00:09:56,920 --> 00:09:54,560

geologists I was able to deduce that my

226

00:09:59,350 --> 00:09:56,930

remaining claim actually sits on top of

227

00:10:01,420 --> 00:09:59,360

the massive sulphide deposit from a

228

00:10:03,730 --> 00:10:01,430

formation called the Josefina feel light

229

00:10:05,830 --> 00:10:03,740

which is a Cypress type of Aafia light

230

00:10:07,930 --> 00:10:05,840

which is basically a hundred and fifty

231

00:10:09,460 --> 00:10:07,940

four million year old sea bottom that

232

00:10:11,470 --> 00:10:09,470

instead of going underneath the

233

00:10:13,200 --> 00:10:11,480

continental plate it actually got stuck

234

00:10:16,000 --> 00:10:13,210

on top the continental plate in the

235

00:10:18,820 --> 00:10:16,010

entire section of land off to the west

236

00:10:21,550 --> 00:10:18,830

of my hometown here is completely loaded

237

00:10:24,730 --> 00:10:21,560

with rare earth elements and gold and

238

00:10:27,040 --> 00:10:24,740

nobody really knew about it I discovered

239

00:10:28,570 --> 00:10:27,050

it there's some other geological things

240

00:10:30,220 --> 00:10:28,580

like a I realized there was there had

241

00:10:33,100 --> 00:10:30,230

been a massive landslide so I was able

242

00:10:34,960 --> 00:10:33,110

to describe that kind of back it up a

243

00:10:38,230 --> 00:10:34,970

little bit there is a paper written by

244

00:10:39,790 --> 00:10:38,240

doctors Valley and dr. Davis's I've got

245

00:10:42,970 --> 00:10:39,800

the exact name of it but it

246

00:10:45,519 --> 00:10:42,980

basically categorizes the type of high

247

00:10:47,170 --> 00:10:45,529

strangeness they called it the people

248

00:10:49,329 --> 00:10:47,180

encountered after you know the post

249

00:10:50,980 --> 00:10:49,339

effects from observing you ap or even

250

00:10:53,110 --> 00:10:50,990

the consciousness behind the you Epis

251
00:10:54,639 --> 00:10:53,120
can I jump in there for a second I want

252
00:10:56,560 --> 00:10:54,649
to interject a couple things because I

253
00:10:58,900 --> 00:10:56,570
kind of pulled you a little bit as an

254
00:11:00,639 --> 00:10:58,910
aside on the motherlode thing because

255
00:11:02,829 --> 00:11:00,649
it's just interesting somebody says they

256
00:11:05,019 --> 00:11:02,839
discovered the mother lode and you know

257
00:11:07,600 --> 00:11:05,029
you got to ask that question so that's

258
00:11:09,670 --> 00:11:07,610
totally to the side of this story but it

259
00:11:11,170 --> 00:11:09,680
was interesting when I asked you you had

260
00:11:13,660 --> 00:11:11,180
a pretty good answer there you obviously

261
00:11:15,910 --> 00:11:13,670
have done some real geological kind of

262
00:11:17,590 --> 00:11:15,920
investigation and yeah and it's it's

263
00:11:18,130 --> 00:11:17,600

strangely connected to this story too

264

00:11:21,130 --> 00:11:18,140

but go ahead

265

00:11:24,490 --> 00:11:21,140

all right Wow okay I'm dying to hear

266

00:11:25,990 --> 00:11:24,500

that how it's connected but I just want

267

00:11:29,019 --> 00:11:26,000

to make sure when we make some of these

268

00:11:32,170 --> 00:11:29,029

jumps that people follow us because now

269

00:11:33,940 --> 00:11:32,180

you're referring to the paper of dr.

270

00:11:36,579 --> 00:11:33,950

jacques filet which is a name that

271

00:11:39,370 --> 00:11:36,589

everyone will immediately recognize and

272

00:11:42,759 --> 00:11:39,380

the he published along with davis and

273

00:11:46,000 --> 00:11:42,769

they what they studied was all these

274

00:11:48,190 --> 00:11:46,010

people who have had these encounters in

275

00:11:51,519 --> 00:11:48,200

one way or another with i always use the

276

00:11:53,110 --> 00:11:51,529

term UFO because the UAP thing I think

277

00:11:55,540 --> 00:11:53,120

always just throws people for a loop and

278

00:11:57,340 --> 00:11:55,550

we got to go with what people are common

279

00:11:59,920 --> 00:11:57,350

with but they're both the same but these

280

00:12:02,829 --> 00:11:59,930

people who have these encounters and

281

00:12:04,480 --> 00:12:02,839

then lo and behold they they just it

282

00:12:06,940 --> 00:12:04,490

seems random to them but they seem to

283

00:12:09,100 --> 00:12:06,950

have all these experiences extraordinary

284

00:12:11,710 --> 00:12:09,110

experiences psychic experiences

285

00:12:14,710 --> 00:12:11,720

telekinesis experiences that kind of

286

00:12:16,750 --> 00:12:14,720

dream experiences that you had all sorts

287

00:12:19,510 --> 00:12:16,760

of things but what I wanted to link that

288

00:12:22,569 --> 00:12:19,520

back to because you just kind of brushed

289

00:12:25,630 --> 00:12:22,579

over this as part of the story is you're

290

00:12:27,130 --> 00:12:25,640

really suffering here after this and a

291

00:12:30,310 --> 00:12:27,140

lot of these things that you're

292

00:12:33,670 --> 00:12:30,320

experiencing I think people would chock

293

00:12:36,329 --> 00:12:33,680

up to as PTSD post-traumatic stress

294

00:12:39,400 --> 00:12:36,339

disorder that unfortunately so many

295

00:12:41,949 --> 00:12:39,410

servicemen and women are experiencing

296

00:12:43,600 --> 00:12:41,959

today and more importantly and this is

297

00:12:46,120 --> 00:12:43,610

kind of a part of your story have

298

00:12:48,790 --> 00:12:46,130

experience throughout time right so you

299

00:12:51,069 --> 00:12:48,800

go back in your daughter right World War

300

00:12:53,620 --> 00:12:51,079

two that's a yes you talk to Korean vets

301

00:12:56,800 --> 00:12:53,630

yes also this is a part of war

302

00:12:59,500 --> 00:12:56,810

but you know my my question that I'm

303

00:13:02,830 --> 00:12:59,510

wondering if you've probed this have you

304

00:13:08,050 --> 00:13:02,840

found that what you experienced in terms

305

00:13:12,010 --> 00:13:08,060

of PTSD was in any way different because

306

00:13:15,400 --> 00:13:12,020

of the UFO encounter and did other

307

00:13:18,880 --> 00:13:15,410

people onboard that ship or on board

308

00:13:22,540 --> 00:13:18,890

those aircraft have similar experiences

309

00:13:27,700 --> 00:13:22,550

that you have a hunch are specifically

310

00:13:30,370 --> 00:13:27,710

tied to that experience in 2004 I guess

311

00:13:35,170 --> 00:13:30,380

the short answer is no and yes I didn't

312

00:13:36,940 --> 00:13:35,180

really relate a UFO thing at all to the

313

00:13:39,010 --> 00:13:36,950

problems that was having and that that

314

00:13:40,780 --> 00:13:39,020

happened just recently when I discovered

315

00:13:43,210 --> 00:13:40,790

it hey maybe I'm not crazy after all

316

00:13:45,280 --> 00:13:43,220

maybe there was a real reason why this

317

00:13:47,230 --> 00:13:45,290

thing happened to me who I am why I've

318

00:13:48,790 --> 00:13:47,240

changed but that that's only been

319

00:13:50,380 --> 00:13:48,800

recently I've struggled I struggle with

320

00:13:53,230 --> 00:13:50,390

thing just said for years and years and

321

00:13:55,720 --> 00:13:53,240

years all on my own in fact the as you

322

00:13:58,510 --> 00:13:55,730

know the VA diagnosed me with a complex

323

00:14:01,240 --> 00:13:58,520

case of PTSD and all these years I just

324

00:14:03,520 --> 00:14:01,250

kind of figured I was just having

325

00:14:05,800 --> 00:14:03,530

trouble adjusting back to civilian life

326

00:14:09,130 --> 00:14:05,810

and I had failed myself and everyone

327

00:14:11,410 --> 00:14:09,140

else and now Kevin as you've connected

328

00:14:13,120 --> 00:14:11,420

more and this is to use your term

329

00:14:15,670 --> 00:14:13,130

jumping ahead in the story but I know

330

00:14:18,550 --> 00:14:15,680

from listening to other interviews with

331

00:14:21,520 --> 00:14:18,560

you you've formed a connection with

332

00:14:24,700 --> 00:14:21,530

other servicemen and women who were on

333

00:14:27,190 --> 00:14:24,710

board the ships that and planes that

334

00:14:30,900 --> 00:14:27,200

were a part of this 2004 encounter are

335

00:14:33,640 --> 00:14:30,910

they telling you anything that confirms

336

00:14:36,760 --> 00:14:33,650

some of the what you've experienced as

337

00:14:39,790 --> 00:14:36,770

being part of the overall phenomena I

338

00:14:42,460 --> 00:14:39,800

don't know of any specific cases I've

339

00:14:44,260 --> 00:14:42,470

heard rumors from well when Lou

340

00:14:45,760 --> 00:14:44,270

Elizondo came to see me he told me that

341

00:14:48,160 --> 00:14:45,770

he had talked to other people that were

342

00:14:49,630 --> 00:14:48,170

experiencing similar things to me but

343

00:14:51,550 --> 00:14:49,640

you know he didn't tell me any names and

344

00:14:53,890 --> 00:14:51,560

and I'm not really surprised by that cuz

345

00:14:56,650 --> 00:14:53,900

this it's a really personal thing and I

346

00:14:59,080 --> 00:14:56,660

just it's a hard thing to admit you know

347

00:15:00,850 --> 00:14:59,090

that you're having problems like that I

348

00:15:03,910 --> 00:15:00,860

mean it's a real tough thing to admit

349

00:15:06,590 --> 00:15:03,920

publicly and and totally inside of the

350

00:15:08,960 --> 00:15:06,600

Navy macho Top Gun

351

00:15:12,199 --> 00:15:08,970

culture it's even harder right yeah and

352

00:15:14,210 --> 00:15:12,209

I I decided to do it basically to I

353

00:15:17,689 --> 00:15:14,220

don't know I to throw myself under the

354

00:15:19,639 --> 00:15:17,699

bus so other people can avoid going

355

00:15:20,749 --> 00:15:19,649

through what I went through and I think

356

00:15:22,249 --> 00:15:20,759

that's part of the problem here because

357

00:15:24,230 --> 00:15:22,259

some of these some of these these

358

00:15:26,180 --> 00:15:24,240

effects and I don't know why it happens

359

00:15:28,430 --> 00:15:26,190

it could be a result of the technology

360

00:15:30,230 --> 00:15:28,440

itself it could be a result of just a

361

00:15:32,629 --> 00:15:30,240

pure shock a having your world turned

362

00:15:34,189 --> 00:15:32,639

upside down or it could be the

363

00:15:36,139 --> 00:15:34,199

consciousness that is apparently behind

364

00:15:37,699 --> 00:15:36,149

this phenomenon I don't really don't

365

00:15:39,259 --> 00:15:37,709

know but I actually don't think it

366

00:15:41,329 --> 00:15:39,269

really matters that much because I know

367

00:15:43,730 --> 00:15:41,339

it's real I know it changes you in

368

00:15:45,620 --> 00:15:43,740

extraordinary ways you can change you

369

00:15:48,829 --> 00:15:45,630

physically and mentally and if you don't

370

00:15:51,620 --> 00:15:48,839

know that's happening it's the effects

371

00:15:52,939 --> 00:15:51,630

are so insidious you could lead you to

372

00:15:55,430 --> 00:15:52,949

believe that you're going crazy perhaps

373

00:15:57,949 --> 00:15:55,440

and other people notice it too and isn't

374

00:16:00,860 --> 00:15:57,959

that really the point of the research

375

00:16:04,449 --> 00:16:00,870

that valet and Davis published is they

376

00:16:07,610 --> 00:16:04,459

did a systematic scientific study to say

377

00:16:09,499 --> 00:16:07,620

hey these things are not just random

378

00:16:12,970 --> 00:16:09,509

there seems to be a correlation here and

379

00:16:15,519 --> 00:16:12,980

it seems to be somehow related to this

380

00:16:17,780 --> 00:16:15,529

phenomenon that we can't really

381

00:16:19,759 --> 00:16:17,790

understand completely but we're just

382

00:16:23,420 --> 00:16:19,769

kind of playing around with

383

00:16:24,499 --> 00:16:23,430

understanding so and I I think that you

384

00:16:26,840 --> 00:16:24,509

know the other part of your story is

385

00:16:30,889 --> 00:16:26,850

you're alluding to you're getting

386

00:16:34,100 --> 00:16:30,899

contact with folks inside the government

387

00:16:35,780 --> 00:16:34,110

slash military who are rolling out this

388

00:16:38,660 --> 00:16:35,790

information and they're kind of nudging

389

00:16:41,990 --> 00:16:38,670

you in a direction towards there is

390

00:16:44,360 --> 00:16:42,000

something Kevin that is real about what

391

00:16:46,730 --> 00:16:44,370

you're experiencing right they're kind

392

00:16:49,129 --> 00:16:46,740

of mirroring back to you some

393

00:16:52,670 --> 00:16:49,139

confirmation of what you're experiencing

394

00:16:55,550 --> 00:16:52,680

right yeah and in the spring of 2016

395

00:16:58,400 --> 00:16:55,560

I was befriended by a couple guys

396

00:17:01,189 --> 00:16:58,410

through another friend it's kind of an

397

00:17:03,259 --> 00:17:01,199

interesting story in itself their name

398

00:17:04,789 --> 00:17:03,269

was shocked at Ian Forrest they never

399

00:17:06,470 --> 00:17:04,799

did tell me their last names but anyway

400

00:17:09,500 --> 00:17:06,480

they were extremely interested in my

401
00:17:11,630 --> 00:17:09,510
mining claim and their cover story was

402
00:17:13,490 --> 00:17:11,640
they wanted to do trains spec ops

403
00:17:14,960 --> 00:17:13,500
because it's so damn rugged back in

404
00:17:17,120 --> 00:17:14,970
those mountains and they thought it was

405
00:17:18,189 --> 00:17:17,130
a perfect place to do spec ops but at

406
00:17:20,030 --> 00:17:18,199
this point I was already kind of

407
00:17:20,750 --> 00:17:20,040
suspicious of these guys cuz they were

408
00:17:21,770 --> 00:17:20,760
still

409
00:17:25,010 --> 00:17:21,780
that they were telling me didn't really

410
00:17:26,570 --> 00:17:25,020
add up that well and so Eddie in a way I

411
00:17:28,370 --> 00:17:26,580
took my cousin and some of our other

412
00:17:31,130 --> 00:17:28,380
friends we went up to the mountains and

413
00:17:32,900 --> 00:17:31,140

I took him back I took him back there to

414

00:17:35,510 --> 00:17:32,910

the mining claim and I'm I'm not really

415

00:17:37,130 --> 00:17:35,520

sure why at this point I don't know if

416

00:17:39,500 --> 00:17:37,140

they're interested in the earth elements

417

00:17:42,160 --> 00:17:39,510

or back there or they were just trying

418

00:17:44,150 --> 00:17:42,170

to convince me that they weren't really

419

00:17:46,220 --> 00:17:44,160

visiting me for the reason that it

420

00:17:48,200 --> 00:17:46,230

turned out that they did visit me which

421

00:17:50,480 --> 00:17:48,210

was about the tic-tacs I didn't know

422

00:17:52,880 --> 00:17:50,490

that till recently but anyway this that

423

00:17:54,440 --> 00:17:52,890

mining claim is is oddly connected to

424

00:17:56,780 --> 00:17:54,450

this thing and in fact when I told you

425

00:17:59,750 --> 00:17:56,790

that I found the mother lode I think I

426

00:18:02,690 --> 00:17:59,760

did I think I was able to find it as a

427

00:18:05,270 --> 00:18:02,700

direct result of my the changes that had

428

00:18:06,890 --> 00:18:05,280

happened to me I displayed pieces of the

429

00:18:09,590 --> 00:18:06,900

puzzle we'll just popped into my head

430

00:18:11,930 --> 00:18:09,600

out of nowhere and I was able to figure

431

00:18:14,150 --> 00:18:11,940

it out and I think I was helped somehow

432

00:18:17,180 --> 00:18:14,160

I'm a lot damn smarter than I used to be

433

00:18:21,140 --> 00:18:17,190

I hesitate to say that no no I would

434

00:18:23,630 --> 00:18:21,150

probably laugh at me but it's apparently

435

00:18:25,130 --> 00:18:23,640

true and I I think those effects is one

436

00:18:27,740 --> 00:18:25,140

of the things that helped me discover

437

00:18:30,560 --> 00:18:27,750

that the things that I discovered out in

438

00:18:32,030 --> 00:18:30,570

that wilderness as it turns out now Luke

439

00:18:34,160 --> 00:18:32,040

confirmed this to me when they came to

440

00:18:36,440 --> 00:18:34,170

visit me over the summer over what

441

00:18:40,340 --> 00:18:36,450

summer this past summer Lou and Tom

442

00:18:44,560 --> 00:18:40,350

DeLonge came to my house your enjoy 2018

443

00:18:47,180 --> 00:18:44,570

and they film me for an upcoming TV

444

00:18:49,460 --> 00:18:47,190

special that's yet to be announced and

445

00:18:52,400 --> 00:18:49,470

so I really can't say too much about it

446

00:18:55,640 --> 00:18:52,410

but I'm gonna be on one of the national

447

00:18:58,880 --> 00:18:55,650

TV networks as a part of a series that

448

00:19:00,350 --> 00:18:58,890

they're doing anyway they confirmed that

449

00:19:02,900 --> 00:19:00,360

these guys yeah they came to see you

450

00:19:05,150 --> 00:19:02,910

about tip-cat Kevin they shall hold it

451

00:19:07,280 --> 00:19:05,160

hold it we got it we gotta pull that

452

00:19:09,680 --> 00:19:07,290

apart I mean that's the one thing that I

453

00:19:11,810 --> 00:19:09,690

think yeah yeah right I mean because

454

00:19:15,080 --> 00:19:11,820

this is this is the stuff that drives

455

00:19:17,780 --> 00:19:15,090

folks crazy and folks like me crazy

456

00:19:20,150 --> 00:19:17,790

and then in turn drives listeners crazy

457

00:19:21,920 --> 00:19:20,160

because there's so much information and

458

00:19:23,780 --> 00:19:21,930

it's the way you fill through the

459

00:19:24,980 --> 00:19:23,790

information the way you package it the

460

00:19:27,830 --> 00:19:24,990

way you put it together the way you

461

00:19:29,690 --> 00:19:27,840

process it makes all the difference in

462

00:19:31,340 --> 00:19:29,700

the world I go back to the timeline

463

00:19:34,190 --> 00:19:31,350

Kevin that we have to drill into

464

00:19:37,789 --> 00:19:34,200

people's head 2004

465

00:19:40,099 --> 00:19:37,799

you're out in the ocean and you and a

466

00:19:43,070 --> 00:19:40,109

bunch of other people probably a hundred

467

00:19:45,019 --> 00:19:43,080

people in total witness and experience

468

00:19:48,379 --> 00:19:45,029

probably one of the most extraordinary

469

00:19:50,840 --> 00:19:48,389

UFO encounters in naval history although

470

00:19:53,570 --> 00:19:50,850

we don't know because they don't reveal

471

00:19:56,509 --> 00:19:53,580

this stuff when it does happen there's

472

00:19:59,749 --> 00:19:56,519

all these crafts and they're flying in

473

00:20:02,840 --> 00:19:59,759

this extraordinary way you know flying

474

00:20:05,149 --> 00:20:02,850

from 57,000 feet down to the surface of

475

00:20:08,149 --> 00:20:05,159

the ocean in a second and then flying

476
00:20:11,690 --> 00:20:08,159
back up and moving and going in places

477
00:20:14,389 --> 00:20:11,700
where people are thinking they might go

478
00:20:16,609 --> 00:20:14,399
or shouldn't go and all this telekinesis

479
00:20:18,889 --> 00:20:16,619
kind of stuff going on so this is all

480
00:20:21,349 --> 00:20:18,899
this crazy stuff and it happens in 2004

481
00:20:22,970 --> 00:20:21,359
you walk off the ship and go wow that

482
00:20:25,940 --> 00:20:22,980
was my last true that was my last

483
00:20:27,619 --> 00:20:25,950
intercept mission and I had this at UFO

484
00:20:29,599 --> 00:20:27,629
experience then you start having all

485
00:20:34,070 --> 00:20:29,609
these UFO experiences you write a book

486
00:20:37,310 --> 00:20:34,080
in 2008 everything goes away and in 2016

487
00:20:40,999 --> 00:20:37,320
a year before they roll this story out

488
00:20:42,769 --> 00:20:41,009

in every major paper including the New

489

00:20:44,180 --> 00:20:42,779

York Times which they never let us

490

00:20:46,580 --> 00:20:44,190

forget that they rolled it out in the

491

00:20:49,129 --> 00:20:46,590

New York Times you're visited by two

492

00:20:50,899 --> 00:20:49,139

guys you've gone through all this stuff

493

00:20:52,609 --> 00:20:50,909

you go through hell and back you've kind

494

00:20:54,739 --> 00:20:52,619

of completely forgotten about this stuff

495

00:20:57,499 --> 00:20:54,749

it isn't in the public domain you're not

496

00:20:59,479 --> 00:20:57,509

in the spotlight and these two guys come

497

00:21:03,320 --> 00:20:59,489

and visit you and say we want to look at

498

00:21:06,739 --> 00:21:03,330

your mind and then a year later you're

499

00:21:08,180 --> 00:21:06,749

visited by Tom DeLonge and he says yeah

500

00:21:10,369 --> 00:21:08,190

that's what those guys were about and

501
00:21:13,310 --> 00:21:10,379
then six months later they roll this

502
00:21:14,479 --> 00:21:13,320
thing out in the New York Times this is

503
00:21:19,909 --> 00:21:14,489
an unbelievable story

504
00:21:21,710 --> 00:21:19,919
yeah yeah that I was actually working at

505
00:21:23,599 --> 00:21:21,720
the golf course I'm volunteering it

506
00:21:25,940 --> 00:21:23,609
locally here I'm trying to save it from

507
00:21:27,409 --> 00:21:25,950
bankruptcy which we did by the way which

508
00:21:29,479 --> 00:21:27,419
is another part of this story but anyway

509
00:21:32,090 --> 00:21:29,489
I was waiting tables for free one day in

510
00:21:35,210 --> 00:21:32,100
the CNN story broke and that was

511
00:21:37,460 --> 00:21:35,220
December what was at December 17 now or

512
00:21:38,899 --> 00:21:37,470
18 I'm sorry because I've said the wrong

513
00:21:42,200 --> 00:21:38,909

date a couple times folks and I

514

00:21:44,029 --> 00:21:42,210

apologize it was December of 2017 a

515

00:21:47,119 --> 00:21:44,039

little bit more than a year ago please

516

00:21:47,900 --> 00:21:47,129

go ahead and so anyway I you know it

517

00:21:51,500 --> 00:21:47,910

stunned me

518

00:21:52,790 --> 00:21:51,510

like oh [h__\h] really I went home and I

519

00:21:55,580 --> 00:21:52,800

got on the computer and I found a

520

00:21:58,460 --> 00:21:55,590

youtube video that Robert Powell had

521

00:22:00,920 --> 00:21:58,470

produced and I ended up leaving a note

522

00:22:04,460 --> 00:22:00,930

you know on the YouTube chat section and

523

00:22:06,530 --> 00:22:04,470

he ended up contacting me and everything

524

00:22:09,890 --> 00:22:06,540

kind of went from there my life changed

525

00:22:11,270 --> 00:22:09,900

again and I was able to finally figure

526

00:22:13,190 --> 00:22:11,280

out what the hell had happened to me

527

00:22:15,920 --> 00:22:13,200

what do you mean by that what did you

528

00:22:17,690 --> 00:22:15,930

figure out happened well shaaka Tate was

529

00:22:19,100 --> 00:22:17,700

kind of I think he wanted to tell me why

530

00:22:21,170 --> 00:22:19,110

he was everybody couldn't for some

531

00:22:23,750 --> 00:22:21,180

reason I don't know why but he left

532

00:22:25,790 --> 00:22:23,760

enough hints that I was able to figure

533

00:22:28,850 --> 00:22:25,800

it out later I think Chakotay in forest

534

00:22:30,860 --> 00:22:28,860

and probably others too knew that I was

535

00:22:34,310 --> 00:22:30,870

under the influence of Valley Davis

536

00:22:36,410 --> 00:22:34,320

post-effects long before I ever did I

537

00:22:39,860 --> 00:22:36,420

didn't even know who'd Valle Davis was

538

00:22:41,960 --> 00:22:39,870

until just several months ago but he

539

00:22:43,940 --> 00:22:41,970

left he left me hints um some of those

540

00:22:45,530 --> 00:22:43,950

things that he said just kind of shook

541

00:22:46,940 --> 00:22:45,540

me right before they left and I never

542

00:22:49,250 --> 00:22:46,950

saw him again after that he looked me

543

00:22:52,010 --> 00:22:49,260

right in the eye he was emotional and he

544

00:22:53,600 --> 00:22:52,020

said Kevin you are incredibly important

545

00:22:55,610 --> 00:22:53,610

to what's about to happen that's the

546

00:22:59,390 --> 00:22:55,620

last thing he ever said to me this is

547

00:23:00,620 --> 00:22:59,400

just really really wild stuff I didn't

548

00:23:03,290 --> 00:23:00,630

know what the hell he was talking about

549

00:23:05,240 --> 00:23:03,300

okay well we've heard this stuff over

550

00:23:08,210 --> 00:23:05,250

and over again and it's also interesting

551

00:23:11,360 --> 00:23:08,220

how it matches up to your dreams and I'm

552

00:23:13,930 --> 00:23:11,370

not suggesting that we take it on the

553

00:23:16,880 --> 00:23:13,940

surface level cuz we don't know how many

554

00:23:18,980 --> 00:23:16,890

tricks they have up their sleeve or how

555

00:23:20,990 --> 00:23:18,990

much of this is manipulation how much of

556

00:23:23,360 --> 00:23:21,000

it is totally genuine how much of this

557

00:23:25,910 --> 00:23:23,370

is directed by some higher consciousness

558

00:23:27,800 --> 00:23:25,920

how much of it is imitating and

559

00:23:29,750 --> 00:23:27,810

counterfeiting some higher intelligence

560

00:23:32,090 --> 00:23:29,760

in order to make us feel like we're part

561

00:23:35,090 --> 00:23:32,100

of some greater spiritual truth I mean

562

00:23:38,030 --> 00:23:35,100

isn't all that stuff's on the table from

563

00:23:40,370 --> 00:23:38,040

your experience oh absolutely

564

00:23:42,200 --> 00:23:40,380

um and I haven't discounted the

565

00:23:43,640 --> 00:23:42,210

possibility that I could be crazy you

566

00:23:45,830 --> 00:23:43,650

know to be honest with you completely

567

00:23:50,270 --> 00:23:45,840

honest about it well Kevin you know what

568

00:23:53,330 --> 00:23:50,280

they say I mean people who doubt their

569

00:23:56,390 --> 00:23:53,340

own sanity in a lucid straightforward

570

00:23:59,090 --> 00:23:56,400

way like you are it's the surest sign

571

00:24:00,800 --> 00:23:59,100

that they're not crazy it's like what

572

00:24:01,370 --> 00:24:00,810

someone could break down the whole thing

573

00:24:03,050 --> 00:24:01,380

in

574

00:24:04,700 --> 00:24:03,060

analyze it and say gee I don't know if

575

00:24:06,140 --> 00:24:04,710

I'm crazy when all those crazy things

576
00:24:08,930 --> 00:24:06,150
have happened to you that's the surest

577
00:24:09,320 --> 00:24:08,940
sign of sanity that you can have I hope

578
00:24:12,800 --> 00:24:09,330
so

579
00:24:14,300 --> 00:24:12,810
Davis post-effects of course I was drawn

580
00:24:16,400 --> 00:24:14,310
to that possibility because I don't want

581
00:24:19,040 --> 00:24:16,410
to think I'm crazy either the effects

582
00:24:22,760 --> 00:24:19,050
that I've experienced um exactly mirror

583
00:24:24,680 --> 00:24:22,770
with those two physicists wrote some of

584
00:24:26,120 --> 00:24:24,690
the things that have happened to me you

585
00:24:28,220 --> 00:24:26,130
asked me earlier if others you know on

586
00:24:29,660 --> 00:24:28,230
the in the strike group have experienced

587
00:24:32,630 --> 00:24:29,670
the same thing I've heard rumors that

588
00:24:34,750 --> 00:24:32,640

yes that they have but I just I just

589

00:24:37,250 --> 00:24:34,760

don't know who and to what extent

590

00:24:39,920 --> 00:24:37,260

perhaps I'll find out soon but I right

591

00:24:42,620 --> 00:24:39,930

now I don't know but I have to suspect

592

00:24:45,470 --> 00:24:42,630

that's the case you know Kevin this show

593

00:24:48,080 --> 00:24:45,480

skeptic OH is about or at least where I

594

00:24:51,560 --> 00:24:48,090

always try and take it is this crossover

595

00:24:55,820 --> 00:24:51,570

between science and spirituality and I

596

00:24:59,360 --> 00:24:55,830

think your case in so many ways is that

597

00:25:02,300 --> 00:24:59,370

path because here you are amassed in

598

00:25:05,330 --> 00:25:02,310

this unbelievably technical environment

599

00:25:08,990 --> 00:25:05,340

I mean the tools that you use that you

600

00:25:11,870 --> 00:25:09,000

were a super expert in among the best of

601
00:25:14,360 --> 00:25:11,880
anyone in our in our armed forces that

602
00:25:16,400 --> 00:25:14,370
using this technology and understanding

603
00:25:20,450 --> 00:25:16,410
this technology so you were in that

604
00:25:23,540 --> 00:25:20,460
world but what is being hinted at here

605
00:25:26,030 --> 00:25:23,550
is a spiritual dimension that you've

606
00:25:27,650 --> 00:25:26,040
been pulled into too and I guess I have

607
00:25:31,460 --> 00:25:27,660
to stop there and ask are you

608
00:25:33,830 --> 00:25:31,470
comfortable with the term spiritual in

609
00:25:35,570 --> 00:25:33,840
that sense or is that maybe taking it in

610
00:25:40,330 --> 00:25:35,580
the wrong direction when we talk about

611
00:25:43,280 --> 00:25:40,340
these extraordinary kind of non-physical

612
00:25:46,120 --> 00:25:43,290
metaphysical experiences that you're

613
00:25:48,530 --> 00:25:46,130

having how do you feel about the the

614

00:25:51,950 --> 00:25:48,540

spirituality part of this do you think

615

00:25:54,110 --> 00:25:51,960

there's anything to that I absolutely do

616

00:25:56,900 --> 00:25:54,120

I was back in that wilderness and for

617

00:25:58,730 --> 00:25:56,910

some reason I I just felt a huge sense

618

00:26:00,830 --> 00:25:58,740

of gratitude and I started thanking God

619

00:26:03,080 --> 00:26:00,840

a lot and I've never been a religious

620

00:26:05,090 --> 00:26:03,090

person ever since I was a little kid I

621

00:26:07,280 --> 00:26:05,100

just I mean I've always believed in God

622

00:26:08,630 --> 00:26:07,290

but I just I just felt compelled to tell

623

00:26:10,430 --> 00:26:08,640

God thanks and that was the only

624

00:26:11,870 --> 00:26:10,440

conversation that I had with him I'd

625

00:26:13,910 --> 00:26:11,880

ever asked him for anything even though

626

00:26:15,120 --> 00:26:13,920

I was pretty down and out at the time

627

00:26:16,950 --> 00:26:15,130

but I just

628

00:26:18,330 --> 00:26:16,960

I felt embarrassed to ask God for

629

00:26:21,509 --> 00:26:18,340

anything because I'd already been given

630

00:26:23,999 --> 00:26:21,519

everything so I just said thank you

631

00:26:27,149 --> 00:26:24,009

that's kind of when I started to realize

632

00:26:30,749 --> 00:26:27,159

that well actually my cousin my cousin

633

00:26:32,310 --> 00:26:30,759

is the one that first noticed it we

634

00:26:34,379 --> 00:26:32,320

would we would actually play games with

635

00:26:36,480 --> 00:26:34,389

it I apparently have the ability to

636

00:26:37,919 --> 00:26:36,490

manifest stuff and that's the only way I

637

00:26:40,019 --> 00:26:37,929

can describe it now maybe that's not

638

00:26:42,450 --> 00:26:40,029

really what's happening maybe it's

639

00:26:44,159 --> 00:26:42,460

actually retrocausality that I can

640

00:26:46,440 --> 00:26:44,169

actually see the future that feels like

641

00:26:48,269 --> 00:26:46,450

a manifesting stuff right so give kind

642

00:26:49,769 --> 00:26:48,279

of ordinary examples of saying I love

643

00:26:52,230 --> 00:26:49,779

you up on them we'd be up in the

644

00:26:54,659 --> 00:26:52,240

mountains and on that subject us say ice

645

00:26:55,980 --> 00:26:54,669

cream would come up right and we in the

646

00:26:58,369 --> 00:26:55,990

next day our friend would show up with

647

00:27:00,690 --> 00:26:58,379

ice cream up on the mountain or

648

00:27:03,810 --> 00:27:00,700

cigarettes for my cousin or a beer for

649

00:27:05,190 --> 00:27:03,820

my cousin or hey and we started playing

650

00:27:06,869 --> 00:27:05,200

games with it he would he would say

651
00:27:08,730 --> 00:27:06,879
something around really random like

652
00:27:11,639 --> 00:27:08,740
marbles and within a day or two that

653
00:27:14,220 --> 00:27:11,649
marbles made their appearance somehow

654
00:27:16,980 --> 00:27:14,230
you know this is somehow ended working

655
00:27:19,379 --> 00:27:16,990
out and this stuff is easy to kind of

656
00:27:21,149 --> 00:27:19,389
dismiss especially in the retelling of

657
00:27:23,490 --> 00:27:21,159
it and I've encountered this a bunch of

658
00:27:26,100 --> 00:27:23,500
times you know it's like there's there's

659
00:27:29,100 --> 00:27:26,110
just this huge difference from being a

660
00:27:31,590 --> 00:27:29,110
part of it and being in the middle of

661
00:27:34,110 --> 00:27:31,600
these synchronistic and syncro

662
00:27:36,360 --> 00:27:34,120
spiritualistic kind of experiences and

663
00:27:37,919 --> 00:27:36,370

kind of telling it and someone goes well

664

00:27:40,919 --> 00:27:37,929

gosh you know that happens all the day

665

00:27:43,649 --> 00:27:40,929

and you're like no yeah it isn't like

666

00:27:45,060 --> 00:27:43,659

that man you have to have felt it right

667

00:27:47,610 --> 00:27:45,070

I mean is that's I get a sense that

668

00:27:50,430 --> 00:27:47,620

that's kind of what oh yeah and it's

669

00:27:52,740 --> 00:27:50,440

it's still happening um so anyway we we

670

00:27:55,980 --> 00:27:52,750

got chased off the mountain winter came

671

00:27:58,409 --> 00:27:55,990

and we I ended up a friend's ranch down

672

00:28:01,980 --> 00:27:58,419

here in the valley and I was there for

673

00:28:03,899 --> 00:28:01,990

living in an 18-foot 1974 travel trailer

674

00:28:05,700 --> 00:28:03,909

right you know I had I had but I

675

00:28:07,289 --> 00:28:05,710

completely busted down you know I I was

676

00:28:09,029 --> 00:28:07,299

down and out and there I found myself

677

00:28:11,070 --> 00:28:09,039

anyway that the second house on his

678

00:28:12,690 --> 00:28:11,080

ranch became available for rent and he

679

00:28:14,669 --> 00:28:12,700

ended up renting it to someone else and

680

00:28:16,409 --> 00:28:14,679

I understood because the other guy had

681

00:28:18,690 --> 00:28:16,419

him a lot better offer than I had and

682

00:28:20,220 --> 00:28:18,700

all that so anyway at that moment I just

683

00:28:21,690 --> 00:28:20,230

said I was gonna go fine I was in to go

684

00:28:25,710 --> 00:28:21,700

into town I was gonna find me a house

685

00:28:26,580 --> 00:28:25,720

and within two hours I had I went to eat

686

00:28:28,409 --> 00:28:26,590

breakfast I was looking on Craigslist

687

00:28:28,860 --> 00:28:28,419

because I wanted to find something for

688

00:28:30,720 --> 00:28:28,870

sale by

689

00:28:32,640 --> 00:28:30,730

with this no small down paying that type

690

00:28:34,560 --> 00:28:32,650

thing and there was nothing I ordered

691

00:28:37,130 --> 00:28:34,570

breakfast and got done eating went back

692

00:28:39,480 --> 00:28:37,140

on Craigslist and there was house and

693

00:28:41,340 --> 00:28:39,490

strangely enough I knew the house I'd

694

00:28:42,990 --> 00:28:41,350

been there many many times when I was a

695

00:28:45,180 --> 00:28:43,000

little boy mm-hmm

696

00:28:48,180 --> 00:28:45,190

I'm sorry this this kind of it's kind of

697

00:28:51,269 --> 00:28:48,190

emotional for me I get it right and

698

00:28:53,460 --> 00:28:51,279

because I my mom used to taking out

699

00:28:59,549 --> 00:28:53,470

there and the old lady really liked now

700

00:29:01,710 --> 00:28:59,559

was six years old and I went out I build

701
00:29:04,169 --> 00:29:01,720
him they email me right back

702
00:29:06,810 --> 00:29:04,179
they I met him out the house and within

703
00:29:08,730 --> 00:29:06,820
within one day I was in escrow talk

704
00:29:10,470 --> 00:29:08,740
about a miracle right there emailing

705
00:29:12,720 --> 00:29:10,480
somebody on Craigslist and having an

706
00:29:17,730 --> 00:29:12,730
email you right back that's somewhat of

707
00:29:19,470 --> 00:29:17,740
a man yeah absolutely and you know I

708
00:29:20,850 --> 00:29:19,480
bought the house it was an incredible

709
00:29:23,549 --> 00:29:20,860
deal I don't still don't know why they

710
00:29:25,380 --> 00:29:23,559
sold it so cheap it was like the best

711
00:29:27,539 --> 00:29:25,390
some of the best farmland anywhere in

712
00:29:29,159 --> 00:29:27,549
this valley it was one of the original

713
00:29:32,399 --> 00:29:29,169

homesteads out there in the Holland Loop

714

00:29:34,080 --> 00:29:32,409

area I intended to stay there for the

715

00:29:36,389 --> 00:29:34,090

rest of my life because I liked it out

716

00:29:39,870 --> 00:29:36,399

there grew up out in the area and I knew

717

00:29:41,070 --> 00:29:39,880

the house and I felt like home so anyway

718

00:29:43,080 --> 00:29:41,080

I was in a home again I started

719

00:29:45,810 --> 00:29:43,090

volunteering at the golf course because

720

00:29:48,180 --> 00:29:45,820

I wanted to help save it from bankruptcy

721

00:29:49,769 --> 00:29:48,190

and I met a little gentleman

722

00:29:51,899 --> 00:29:49,779

I met a whole bunch of people there that

723

00:29:54,810 --> 00:29:51,909

really helped me out and one of them was

724

00:29:56,460 --> 00:29:54,820

an Old World War two vet and we both had

725

00:29:58,019 --> 00:29:56,470

both served in Pearl Harbor he was there

726

00:29:59,639 --> 00:29:58,029

when the Japanese attacked he was on

727

00:30:01,799 --> 00:29:59,649

that submarine that was out to sea when

728

00:30:03,299 --> 00:30:01,809

they came in but he came back they came

729

00:30:05,880 --> 00:30:03,309

back into part he was doing rescue with

730

00:30:08,460 --> 00:30:05,890

assistance and so we had a lot of

731

00:30:10,440 --> 00:30:08,470

stories we and then he passed then I

732

00:30:12,510 --> 00:30:10,450

didn't know it at the time until later

733

00:30:14,730 --> 00:30:12,520

but he had told his family that to give

734

00:30:16,230 --> 00:30:14,740

me a chance to buy his house and it's

735

00:30:18,360 --> 00:30:16,240

one of the best houses in this whole

736

00:30:20,909 --> 00:30:18,370

valley and so when I was given the

737

00:30:22,919 --> 00:30:20,919

opportunity I I put in a no I'm not a

738

00:30:23,240 --> 00:30:22,929

marijuana grower myself I just not my

739

00:30:27,330 --> 00:30:23,250

thing

740

00:30:29,100 --> 00:30:27,340

but I put in a offense in my old house I

741

00:30:31,649 --> 00:30:29,110

put in an irrigation system and I told

742

00:30:34,130 --> 00:30:31,659

the local realtor here to sell it as a

743

00:30:36,510 --> 00:30:34,140

turnkey farm he sold it in four hours

744

00:30:39,149 --> 00:30:36,520

for a hundred and seventy five thousand

745

00:30:42,440 --> 00:30:39,159

dollars cash and I had only owned it for

746

00:30:44,970 --> 00:30:42,450

two years and my wife's back with me

747

00:30:47,190 --> 00:30:44,980

fantastic and it's super glad to hear

748

00:30:49,440 --> 00:30:47,200

that you've bounced back you went

749

00:30:51,960 --> 00:30:49,450

through quite and quite an ordeal with

750

00:30:54,420 --> 00:30:51,970

this thing what do you think looking

751
00:30:57,450 --> 00:30:54,430
back just over the last year and a half

752
00:31:00,780 --> 00:30:57,460
or a year and I guess you're in a couple

753
00:31:05,910 --> 00:31:00,790
months what do you think was going on

754
00:31:08,160 --> 00:31:05,920
with the rollout of this story and what

755
00:31:10,080 --> 00:31:08,170
do you make of your involvement in it

756
00:31:12,930 --> 00:31:10,090
because you know another aspect of this

757
00:31:14,880 --> 00:31:12,940
that maybe you could touch on is in one

758
00:31:17,580 --> 00:31:14,890
of the prior interviews I heard with you

759
00:31:19,290 --> 00:31:17,590
you kind of got pulled into this because

760
00:31:21,750 --> 00:31:19,300
the story was going in a different

761
00:31:23,700 --> 00:31:21,760
direction in terms of when this thing

762
00:31:26,010 --> 00:31:23,710
rolls out and it looks from all

763
00:31:29,010 --> 00:31:26,020

indication to me that this was a planned

764

00:31:31,650 --> 00:31:29,020

orchestrated rollout of the UFO thing

765

00:31:33,270 --> 00:31:31,660

they wanted this to be the event because

766

00:31:35,160 --> 00:31:33,280

the event had happened long ago but they

767

00:31:37,230 --> 00:31:35,170

just kind of built it up and made this

768

00:31:39,419 --> 00:31:37,240

the thing but when it came out it didn't

769

00:31:42,270 --> 00:31:39,429

go as they expected and a lot of people

770

00:31:44,970 --> 00:31:42,280

started just challenging it on this kind

771

00:31:46,860 --> 00:31:44,980

of hyper skeptical kind of route and

772

00:31:49,320 --> 00:31:46,870

it's almost like you got pulled into can

773

00:31:52,080 --> 00:31:49,330

to defend some of the servicemen in the

774

00:31:54,120 --> 00:31:52,090

airmen who were a part of it could you

775

00:31:55,980 --> 00:31:54,130

elaborate on that part of the story one

776

00:31:58,710 --> 00:31:55,990

of the things that happened is once I

777

00:32:00,900 --> 00:31:58,720

kind of came up publicly I discovered a

778

00:32:03,600 --> 00:32:00,910

Facebook group there called a tip just

779

00:32:05,820 --> 00:32:03,610

like the Pentagon program and threw

780

00:32:07,860 --> 00:32:05,830

people on that website there's like two

781

00:32:11,070 --> 00:32:07,870

hundred and 60 some-odd members it's a

782

00:32:13,919 --> 00:32:11,080

close group with very well-known names

783

00:32:15,570 --> 00:32:13,929

and people in that group like Dave Dave

784

00:32:17,700 --> 00:32:15,580

Beattie he just did the Nimitz encounter

785

00:32:19,110 --> 00:32:17,710

video that's on YouTube and for anyone

786

00:32:21,390 --> 00:32:19,120

listening if you haven't seen that video

787

00:32:23,220 --> 00:32:21,400

is called the Nimitz Encounters it's got

788

00:32:25,260 --> 00:32:23,230

like a million and a half to use just in

789

00:32:27,630 --> 00:32:25,270

the last few months George Knapp is

790

00:32:30,450 --> 00:32:27,640

there Jeremy Corbyn shows up once in a

791

00:32:32,940 --> 00:32:30,460

while I mean no Diane polka just joined

792

00:32:34,440 --> 00:32:32,950

the new author of American cosmetic

793

00:32:36,780 --> 00:32:34,450

talked to her a little bit about this

794

00:32:38,610 --> 00:32:36,790

and she was just wowed by it too but

795

00:32:39,960 --> 00:32:38,620

she's been very busy I haven't really

796

00:32:42,690 --> 00:32:39,970

had a chance to really talk to her eat

797

00:32:44,640 --> 00:32:42,700

that much yet but long story short I

798

00:32:47,250 --> 00:32:44,650

through the help of Dave and the people

799

00:32:49,919 --> 00:32:47,260

on that a tip site we've slowly been

800

00:32:51,510 --> 00:32:49,929

surely been finding other witnesses and

801
00:32:53,580 --> 00:32:51,520
other people have started to come

802
00:32:55,590 --> 00:32:53,590
forward to tell their story and back us

803
00:32:56,100 --> 00:32:55,600
all up pretty much I'd have to say we're

804
00:32:58,950 --> 00:32:56,110
all pretty

805
00:33:01,049 --> 00:32:58,960
telling pretty much just the same story

806
00:33:03,960 --> 00:33:01,059
they're little iterations here and there

807
00:33:06,270 --> 00:33:03,970
you know I was never asked to sign a

808
00:33:08,580 --> 00:33:06,280
nondisclosure agreement that apparently

809
00:33:11,220 --> 00:33:08,590
some of the witnesses were I'm not sure

810
00:33:12,990 --> 00:33:11,230
why somewhere in some work but I I was

811
00:33:14,880 --> 00:33:13,000
never told not to talk about I was I

812
00:33:16,950 --> 00:33:14,890
never signed any disclosure agreement

813
00:33:19,410 --> 00:33:16,960

promising I wouldn't talk about it

814

00:33:22,200 --> 00:33:19,420

and the good news is in March at the UFO

815

00:33:24,150 --> 00:33:22,210

Megacon in Nevada Laughlin Nevada at

816

00:33:26,580 --> 00:33:24,160

then very last week of March we're gonna

817

00:33:27,720 --> 00:33:26,590

have a military witness panel even now

818

00:33:29,130 --> 00:33:27,730

we're still fighting people who are

819

00:33:30,840 --> 00:33:29,140

gonna join us at that panel

820

00:33:32,970 --> 00:33:30,850

Robert caveat is gonna be the moderator

821

00:33:34,980 --> 00:33:32,980

in we're gonna talk about what happened

822

00:33:37,049 --> 00:33:34,990

my whole goal and I'm trying to tell

823

00:33:39,480 --> 00:33:37,059

everyone we pretty much our function is

824

00:33:42,180 --> 00:33:39,490

to confirm that the Tic Tac II that

825

00:33:44,190 --> 00:33:42,190

actually really happened and try to stay

826
00:33:44,970 --> 00:33:44,200
away from any speculation on what it was

827
00:33:47,010 --> 00:33:44,980
because this

828
00:33:48,960 --> 00:33:47,020
I've always felt that's not really my

829
00:33:50,460 --> 00:33:48,970
role I I just want to get the story out

830
00:33:53,400 --> 00:33:50,470
there and make people understand that

831
00:33:56,070 --> 00:33:53,410
yes this really did happen and there

832
00:33:57,720 --> 00:33:56,080
really is something in our skies and I

833
00:33:59,730 --> 00:33:57,730
think that we need to find out what it

834
00:34:01,980 --> 00:33:59,740
is okay let's say that disclosure or

835
00:34:05,340 --> 00:34:01,990
confirmation happens on a real wide

836
00:34:07,320 --> 00:34:05,350
scale and six billion people all go

837
00:34:09,629 --> 00:34:07,330
through what I went through because of

838
00:34:11,280 --> 00:34:09,639

encounters with this thing is you're at

839

00:34:13,859 --> 00:34:11,290

least a possibility that's not gonna end

840

00:34:16,200 --> 00:34:13,869

well I'm not sure what we have to do but

841

00:34:17,340 --> 00:34:16,210

I think people need to be warned ahead

842

00:34:20,099 --> 00:34:17,350

of time what they're about to go through

843

00:34:22,409 --> 00:34:20,109

see I'm not sure what we should do or

844

00:34:25,710 --> 00:34:22,419

what we have to do I think is just the

845

00:34:27,810 --> 00:34:25,720

awareness I think just being aware cuz

846

00:34:29,129 --> 00:34:27,820

it helped me tremendously I'm I'm a

847

00:34:31,139 --> 00:34:29,139

different person now than I was a year

848

00:34:32,820 --> 00:34:31,149

ago because I now I understand what the

849

00:34:34,950 --> 00:34:32,830

hell happened to me that part was

850

00:34:36,720 --> 00:34:34,960

missing before you know right and that's

851

00:34:39,119 --> 00:34:36,730

great and that's your personal journey

852

00:34:42,510 --> 00:34:39,129

in your personal spiritual journey and

853

00:34:43,800 --> 00:34:42,520

you know I mean I just don't know where

854

00:34:46,109 --> 00:34:43,810

to go with this because there's so many

855

00:34:48,419 --> 00:34:46,119

directions I would take it but you know

856

00:34:50,190 --> 00:34:48,429

one of the guys I really like who I've

857

00:34:52,409 --> 00:34:50,200

encountered on this show is a guy named

858

00:34:54,899 --> 00:34:52,419

ray Hernandez and he started this

859

00:34:57,420 --> 00:34:54,909

organization with dr. Edgar Mitchell you

860

00:34:59,900 --> 00:34:57,430

know the former astronaut yep and they

861

00:35:02,190 --> 00:34:59,910

started this organization all about

862

00:35:05,790 --> 00:35:02,200

experiencers because they said hey this

863

00:35:08,070 --> 00:35:05,800

UFO phenomena it's we're kind of looking

864

00:35:09,760 --> 00:35:08,080

in the wrong way when we look at the

865

00:35:10,660 --> 00:35:09,770

sightings and all that what wait

866

00:35:13,080 --> 00:35:10,670

not that there's anything wrong with

867

00:35:15,580 --> 00:35:13,090

that but we need to focus on

868

00:35:17,740 --> 00:35:15,590

experiencers and we need to focus on

869

00:35:20,500 --> 00:35:17,750

their experience and we need to start

870

00:35:22,750 --> 00:35:20,510

looking at it in a systematic scientific

871

00:35:25,960 --> 00:35:22,760

way and one of the things that he found

872

00:35:28,440 --> 00:35:25,970

the big surprise finding is that you

873

00:35:31,540 --> 00:35:28,450

know the abduction term that we've been

874

00:35:33,540 --> 00:35:31,550

told or conditioned to believe doesn't

875

00:35:36,430 --> 00:35:33,550

really fit and that most of these people

876

00:35:38,530 --> 00:35:36,440

this is different than your encounter

877

00:35:40,570 --> 00:35:38,540

because at least you don't have memories

878

00:35:43,840 --> 00:35:40,580

of or can't say that you had a an

879

00:35:46,470 --> 00:35:43,850

abduction contact experience in that way

880

00:35:50,440 --> 00:35:46,480

but the people who have many of them

881

00:35:52,540 --> 00:35:50,450

understand it over time as a spiritually

882

00:35:54,910 --> 00:35:52,550

transformative experience and in fact

883

00:35:57,970 --> 00:35:54,920

their experience lines up with the

884

00:36:00,700 --> 00:35:57,980

near-death experience so one of the

885

00:36:02,620 --> 00:36:00,710

findings from Ray's group was that hey

886

00:36:05,560 --> 00:36:02,630

we've mischaracterized these things as

887

00:36:08,440 --> 00:36:05,570

abductions for most people not for all

888

00:36:10,360 --> 00:36:08,450

people but for most people it seems to

889

00:36:13,030 --> 00:36:10,370

be this kind of related to healing

890

00:36:14,620 --> 00:36:13,040

spiritual awakening kind of thing so

891

00:36:16,720 --> 00:36:14,630

that was one of their findings and

892

00:36:19,150 --> 00:36:16,730

that's one things that I'm interested in

893

00:36:21,160 --> 00:36:19,160

exploring and talking to you about but

894

00:36:23,380 --> 00:36:21,170

these are another part of this that's a

895

00:36:25,060 --> 00:36:23,390

much kind of darker more sinister part

896

00:36:28,300 --> 00:36:25,070

that we've touched down a little bit

897

00:36:30,340 --> 00:36:28,310

here and I see that in this story in

898

00:36:33,520 --> 00:36:30,350

your story too I mean you had a direct

899

00:36:35,620 --> 00:36:33,530

experience so nothing can take that away

900

00:36:38,380 --> 00:36:35,630

and I certainly don't want to take that

901
00:36:41,800 --> 00:36:38,390
away but when I look at the roll out in

902
00:36:45,070 --> 00:36:41,810
December of 2017 of the tick-tack

903
00:36:47,800 --> 00:36:45,080
encounter it looks like a PSYOP to me

904
00:36:50,800 --> 00:36:47,810
not that the event wasn't real but the

905
00:36:52,660 --> 00:36:50,810
way that it was rolled out it sure seems

906
00:36:55,120 --> 00:36:52,670
to me like it had a different purpose

907
00:36:57,070 --> 00:36:55,130
and I've interviewed Leslie Cain who I

908
00:36:58,660 --> 00:36:57,080
greatly liked in respect and who wrote

909
00:37:01,060 --> 00:36:58,670
the New York Times story I've

910
00:37:03,700 --> 00:37:01,070
interviewed her on this show but the

911
00:37:06,340 --> 00:37:03,710
story just doesn't add up

912
00:37:08,980 --> 00:37:06,350
or make sense that this 12-year old case

913
00:37:11,740 --> 00:37:08,990

that a lot of people know about became

914

00:37:15,540 --> 00:37:11,750

this centerpiece for this rollout it

915

00:37:19,180 --> 00:37:15,550

seems to me like the plan was to somehow

916

00:37:21,790 --> 00:37:19,190

further this agenda of conditioning

917

00:37:22,480 --> 00:37:21,800

everyone to the idea that this is real

918

00:37:23,890 --> 00:37:22,490

not that we

919

00:37:26,910 --> 00:37:23,900

Genet conditioned them to it because it

920

00:37:32,650 --> 00:37:26,920

is real but I wonder what the underlying

921

00:37:35,500 --> 00:37:32,660

political / SIOP agenda is to this kind

922

00:37:37,470 --> 00:37:35,510

of controlled disclosure so let me went

923

00:37:41,290 --> 00:37:37,480

on for a long time they're in I'm glad

924

00:37:44,350 --> 00:37:41,300

that you and other people who were there

925

00:37:47,890 --> 00:37:44,360

first hand are taking control of the

926
00:37:51,460 --> 00:37:47,900
story I'm super glad about that but I'm

927
00:37:53,590 --> 00:37:51,470
not willing to just look away from the

928
00:37:57,190 --> 00:37:53,600
fact that the way this story was

929
00:37:59,740 --> 00:37:57,200
orchestrated rolled out and even you

930
00:38:03,190 --> 00:37:59,750
know Tom DeLonge seems like a great guy

931
00:38:04,630 --> 00:38:03,200
but when Tom DeLonge says well we had to

932
00:38:07,210 --> 00:38:04,640
figure out what was going on

933
00:38:09,130 --> 00:38:07,220
so we had to go to the government we had

934
00:38:10,540 --> 00:38:09,140
to go to the military we had to go to

935
00:38:13,090 --> 00:38:10,550
the guys who've been lying up there

936
00:38:15,760 --> 00:38:13,100
lying out their ass for the last 50

937
00:38:18,100 --> 00:38:15,770
years about this stuff it just doesn't

938
00:38:20,590 --> 00:38:18,110

ring true to me so I don't know if you

939

00:38:23,109 --> 00:38:20,600

have any thoughts on the controlled

940

00:38:25,810 --> 00:38:23,119

disclosure aspect of this or what the

941

00:38:28,390 --> 00:38:25,820

agenda is but if you do I'd love to hear

942

00:38:31,030 --> 00:38:28,400

it I think there's people that have come

943

00:38:32,920 --> 00:38:31,040

to the same level of concern that I have

944

00:38:35,080 --> 00:38:32,930

I hesitate to say this too but I'm I

945

00:38:36,970 --> 00:38:35,090

have what they call a high moral compass

946

00:38:39,310 --> 00:38:36,980

high ethical compass I'm most people

947

00:38:40,870 --> 00:38:39,320

consider me a pretty decent person but

948

00:38:43,270 --> 00:38:40,880

what if these effects happen to someone

949

00:38:46,570 --> 00:38:43,280

that does not like us someone that's

950

00:38:48,940 --> 00:38:46,580

malevolent right it's gonna affect them

951
00:38:50,670 --> 00:38:48,950
too just the same and what are they

952
00:38:53,950 --> 00:38:50,680
gonna do with their new abilities and

953
00:38:56,550 --> 00:38:53,960
did this all happen before enact equity

954
00:38:59,230 --> 00:38:56,560
you know it's not some pre diluvial

955
00:39:01,420 --> 00:38:59,240
civilization in it who did we did it end

956
00:39:04,180 --> 00:39:01,430
up going badly back then and could it

957
00:39:07,210 --> 00:39:04,190
happen again I I think that question is

958
00:39:09,280 --> 00:39:07,220
the reason behind the way this is being

959
00:39:11,290 --> 00:39:09,290
rolled out I think there's people that

960
00:39:13,330 --> 00:39:11,300
really know about this stuff that are

961
00:39:13,780 --> 00:39:13,340
every bit are more concerned than I am

962
00:39:15,640 --> 00:39:13,790
about it

963
00:39:17,710 --> 00:39:15,650

and I'm not saying it's a bad thing I I

964

00:39:20,050 --> 00:39:17,720

think this has to happen but I think

965

00:39:21,310 --> 00:39:20,060

you're psyching I think I'm a good case

966

00:39:23,920 --> 00:39:21,320

history for him because once I

967

00:39:25,750 --> 00:39:23,930

understood what was happening I was able

968

00:39:29,260 --> 00:39:25,760

to turn it around for good you know and

969

00:39:31,210 --> 00:39:29,270

improve myself and my condition up until

970

00:39:33,130 --> 00:39:31,220

that point I was struggle and I didn't

971

00:39:35,140 --> 00:39:33,140

know what the hell happened to me or why

972

00:39:36,200 --> 00:39:35,150

I had changed or I didn't know what to

973

00:39:39,440 --> 00:39:36,210

do where to go

974

00:39:41,090 --> 00:39:39,450

I figured I was just having trouble you

975

00:39:42,950 --> 00:39:41,100

know I was having trouble transitioning

976

00:39:45,290 --> 00:39:42,960

back into the Vienna civilian again and

977

00:39:47,930 --> 00:39:45,300

it turns out maybe that wasn't the case

978

00:39:49,460 --> 00:39:47,940

maybe there's really good reasons why

979

00:39:51,710 --> 00:39:49,470

the things happened to me the way they

980

00:39:53,930 --> 00:39:51,720

didn't so Kevin you you've kind of

981

00:39:57,410 --> 00:39:53,940

described a little bit where you plan to

982

00:40:00,140 --> 00:39:57,420

take this and the UFO conference coming

983

00:40:03,530 --> 00:40:00,150

up in Laughlin and you're out there

984

00:40:06,470 --> 00:40:03,540

you're public about this you're doing

985

00:40:09,380 --> 00:40:06,480

this TV appearance that's going to be on

986

00:40:11,660 --> 00:40:09,390

national TV what other plans do you have

987

00:40:13,190 --> 00:40:11,670

how much of this is going to be a part

988

00:40:14,810 --> 00:40:13,200

of your life going forward and how much

989

00:40:17,240 --> 00:40:14,820

of this do you plan I'm just kind of

990

00:40:19,820 --> 00:40:17,250

letting the wave pass and then just

991

00:40:23,450 --> 00:40:19,830

returning to your awesome life up there

992

00:40:25,820 --> 00:40:23,460

with the motherlode in Oregon I have

993

00:40:28,580 --> 00:40:25,830

determined that I'm gonna play a role in

994

00:40:30,680 --> 00:40:28,590

helping to make people understand what's

995

00:40:33,080 --> 00:40:30,690

about to happen in whatever way I can

996

00:40:35,390 --> 00:40:33,090

and I think that's it's starting now in

997

00:40:38,330 --> 00:40:35,400

fact and I hope to go to Congress to

998

00:40:38,600 --> 00:40:38,340

testify I hope to talk to President

999

00:40:41,720 --> 00:40:38,610

Trump

1000

00:40:43,100 --> 00:40:41,730

personally about this just our

1001
00:40:45,170 --> 00:40:43,110
government takes starts to take this

1002
00:40:47,150 --> 00:40:45,180
seriously what makes you think that they

1003
00:40:48,920 --> 00:40:47,160
haven't taken it seriously well that's

1004
00:40:50,180 --> 00:40:48,930
that's the point maybe they have and

1005
00:40:51,980 --> 00:40:50,190
that we just didn't know about it which

1006
00:40:53,300 --> 00:40:51,990
is fine I mean they maybe they have

1007
00:40:56,270 --> 00:40:53,310
their reasons that's the thing that

1008
00:40:58,070 --> 00:40:56,280
again I guess I can't resolve completely

1009
00:40:59,270 --> 00:40:58,080
so I have to dive back in there they

1010
00:41:03,050 --> 00:40:59,280
roll this thing out in the New York

1011
00:41:05,540 --> 00:41:03,060
Times December 2017 you know when

1012
00:41:07,760 --> 00:41:05,550
Richard Dolan UFO researcher wrote a

1013
00:41:11,750 --> 00:41:07,770

book a few years ago after disclosure

1014

00:41:13,670 --> 00:41:11,760

was the name of the book he had a idea

1015

00:41:15,560 --> 00:41:13,680

of how things would happen that everyone

1016

00:41:17,510 --> 00:41:15,570

embraced and he said you know there will

1017

00:41:20,270 --> 00:41:17,520

never be disclosure because the

1018

00:41:22,160 --> 00:41:20,280

questions will never stop and then we

1019

00:41:24,980 --> 00:41:22,170

had disclosure and there were no

1020

00:41:27,860 --> 00:41:24,990

questions so to me it's like the big

1021

00:41:30,800 --> 00:41:27,870

head fake it's like know if tic-tac was

1022

00:41:33,140 --> 00:41:30,810

real then it's all [h__h] real the Foo

1023

00:41:36,140 --> 00:41:33,150

Fighters were real the ancient aliens

1024

00:41:39,050 --> 00:41:36,150

were real the 1950 contactees were real

1025

00:41:41,270 --> 00:41:39,060

all that [h__h] now has to be examined as

1026
00:41:43,910 --> 00:41:41,280
real the Travis Walton thing was real

1027
00:41:45,530 --> 00:41:43,920
all the stuff that they've held behind

1028
00:41:47,030 --> 00:41:45,540
the dam with their little fingers in the

1029
00:41:49,370 --> 00:41:47,040
dam saying don't believe any of that

1030
00:41:52,310 --> 00:41:49,380
it's not real well you can't swing all

1031
00:41:56,090 --> 00:41:52,320
her and say oh yeah it is real but it

1032
00:41:58,490 --> 00:41:56,100
just happened this one time in 2004 off

1033
00:42:01,460 --> 00:41:58,500
the coast of San Diego that's that is

1034
00:42:03,980 --> 00:42:01,470
not the story that just doesn't add up

1035
00:42:05,510 --> 00:42:03,990
so if that's real then the whole thing's

1036
00:42:08,360 --> 00:42:05,520
real and they've known about it all

1037
00:42:11,360 --> 00:42:08,370
along certainly since the 50s because we

1038
00:42:14,810 --> 00:42:11,370

have the memos that say this is the most

1039

00:42:16,970 --> 00:42:14,820

highly guarded secret in the American

1040

00:42:18,920 --> 00:42:16,980

government higher than the h-bomb and

1041

00:42:20,540 --> 00:42:18,930

they're not only looking at the physical

1042

00:42:23,960 --> 00:42:20,550

parts of it but they're looking at the

1043

00:42:27,470 --> 00:42:23,970

mental aspects of it that's from the

1044

00:42:28,730 --> 00:42:27,480

memo of Wilbert Smith that he wrote to

1045

00:42:30,500 --> 00:42:28,740

the Canadian government that was

1046

00:42:34,180 --> 00:42:30,510

released and the Freedom of Information

1047

00:42:38,900 --> 00:42:34,190

Act in Canada and that's in the 1950s so

1048

00:42:41,450 --> 00:42:38,910

they know [h__\h] yes they know I have to

1049

00:42:43,820 --> 00:42:41,460

agree with you some there's people that

1050

00:42:45,470 --> 00:42:43,830

know yeah Alex maybe instead of dezirian

1051
00:42:47,810 --> 00:42:45,480
of our disdain maybe they're deserving

1052
00:42:49,790 --> 00:42:47,820
to medals because maybe they were

1053
00:42:51,560 --> 00:42:49,800
protecting us for some reason I don't

1054
00:42:53,660 --> 00:42:51,570
know I I'm just saying that's possible

1055
00:42:55,850 --> 00:42:53,670
that's a great point let's just dive

1056
00:42:57,710 --> 00:42:55,860
into that a little bit because the US

1057
00:43:00,140 --> 00:42:57,720
military there's a lot of people who

1058
00:43:02,450 --> 00:43:00,150
want to crap on the US military or the

1059
00:43:05,270 --> 00:43:02,460
this big power in how we exercise our

1060
00:43:08,060 --> 00:43:05,280
power and how we destroy but the flip

1061
00:43:11,930 --> 00:43:08,070
side of that is take a look at the other

1062
00:43:14,450 --> 00:43:11,940
dominant powers in the world and maybe

1063
00:43:18,080 --> 00:43:14,460

we ought to feel a little more grateful

1064

00:43:20,570 --> 00:43:18,090

that one particular power has emerged

1065

00:43:21,950 --> 00:43:20,580

and is flexing its muscles and is if

1066

00:43:24,680 --> 00:43:21,960

somebody's going to control the world

1067

00:43:27,200 --> 00:43:24,690

maybe they're doing to your point maybe

1068

00:43:29,060 --> 00:43:27,210

they're doing an okay job of controlling

1069

00:43:31,520 --> 00:43:29,070

the world as it were I do have any

1070

00:43:33,560 --> 00:43:31,530

thoughts on that I think it's entirely

1071

00:43:35,000 --> 00:43:33,570

possible it's the one thing that makes

1072

00:43:37,070 --> 00:43:35,010

sense to me that let's assume the case

1073

00:43:38,840 --> 00:43:37,080

that yeah the government does know about

1074

00:43:40,640 --> 00:43:38,850

this or this faction of the government

1075

00:43:43,310 --> 00:43:40,650

that it's been dealing this with this

1076
00:43:44,960 --> 00:43:43,320
for 75 years or more than that I have to

1077
00:43:48,850 --> 00:43:44,970
think that maybe they have damn good

1078
00:43:50,900 --> 00:43:48,860
reasons for not letting this come out

1079
00:43:53,600 --> 00:43:50,910
what those reasons are I don't know I

1080
00:43:55,700 --> 00:43:53,610
just think it's possible I can't think

1081
00:43:57,770 --> 00:43:55,710
of any other reason why they wouldn't

1082
00:43:59,750 --> 00:43:57,780
want it to come out I mean we because

1083
00:44:02,240 --> 00:43:59,760
the problem you know that the technology

1084
00:44:03,490 --> 00:44:02,250
is pretty promising I mean like it could

1085
00:44:07,390 --> 00:44:03,500
solve our energy

1086
00:44:09,670 --> 00:44:07,400
for example you know worldwide right now

1087
00:44:12,250 --> 00:44:09,680
the flip side of that you know solve all

1088
00:44:14,140 --> 00:44:12,260

the world's energy problems is maybe not

1089

00:44:16,210 --> 00:44:14,150

a solution either like when we talk

1090

00:44:17,650 --> 00:44:16,220

about what might really be going on

1091

00:44:19,330 --> 00:44:17,660

behind the behind the scenes that we

1092

00:44:21,700 --> 00:44:19,340

don't understand there's a certain

1093

00:44:26,050 --> 00:44:21,710

equilibrium that's been established with

1094

00:44:27,940 --> 00:44:26,060

our energy use and consumption and if

1095

00:44:31,060 --> 00:44:27,950

you totally overnight throw that all out

1096

00:44:32,470 --> 00:44:31,070

of whack you talk about world chaos and

1097

00:44:35,230 --> 00:44:32,480

you talk about power shift and power

1098

00:44:36,430 --> 00:44:35,240

grab you know that might not be the best

1099

00:44:38,950 --> 00:44:36,440

thing either

1100

00:44:40,120 --> 00:44:38,960

I don't know I'm totally speculating but

1101

00:44:42,760 --> 00:44:40,130

I just think it's that kind of

1102

00:44:45,040 --> 00:44:42,770

speculation at a deeper level that has

1103

00:44:47,260 --> 00:44:45,050

to happen in order for us to even begin

1104

00:44:48,940 --> 00:44:47,270

to try and make sense of what the game

1105

00:44:51,430 --> 00:44:48,950

right really be do you know what I mean

1106

00:44:54,040 --> 00:44:51,440

I do and I i hesitate to speculate

1107

00:44:56,050 --> 00:44:54,050

consistent it's really not my role in

1108

00:44:58,240 --> 00:44:56,060

this and there's lots of smart people

1109

00:44:59,849 --> 00:44:58,250

out there trying to figure this out

1110

00:45:02,349 --> 00:44:59,859

you've mentioned two of them you know

1111

00:45:03,940 --> 00:45:02,359

Valley and Davis for example there

1112

00:45:05,920 --> 00:45:03,950

they've been on top of this for years

1113

00:45:08,470 --> 00:45:05,930

now and you know I don't know what the

1114

00:45:09,849 --> 00:45:08,480

hell it was I just don't so I'm just I

1115

00:45:11,470 --> 00:45:09,859

decided a long time ago I wasn't gonna

1116

00:45:13,000 --> 00:45:11,480

really speculate too much I have my

1117

00:45:14,980 --> 00:45:13,010

personal opinions but that's all they

1118

00:45:16,780 --> 00:45:14,990

are my message is pretty clear though

1119

00:45:20,320 --> 00:45:16,790

right I want to convince people that

1120

00:45:22,120 --> 00:45:20,330

this happened it really did happen and I

1121

00:45:24,849 --> 00:45:22,130

also want to convince people that to

1122

00:45:26,740 --> 00:45:24,859

expect changes if they ever encountered

1123

00:45:28,900 --> 00:45:26,750

this type of thing themselves it's got

1124

00:45:32,079 --> 00:45:28,910

it's going to change you there's no if

1125

00:45:33,400 --> 00:45:32,089

an or abouts about it and I think part

1126

00:45:36,220 --> 00:45:33,410

of the reason why I was affected

1127

00:45:37,390 --> 00:45:36,230

probably to a greater degree than some

1128

00:45:39,520 --> 00:45:37,400

of the other people in the strike group

1129

00:45:41,980 --> 00:45:39,530

because I I in there just wasn't one

1130

00:45:45,310 --> 00:45:41,990

object Alex we there wasn't just one you

1131

00:45:47,440 --> 00:45:45,320

a TA during the several days before the

1132

00:45:50,130 --> 00:45:47,450

adex event where we intercepted him and

1133

00:45:53,230 --> 00:45:50,140

then several days after I counted over

1134

00:45:55,510 --> 00:45:53,240

100 separate objects in the sky they

1135

00:45:57,820 --> 00:45:55,520

came in group between about 5 and 10 off

1136

00:46:00,579 --> 00:45:57,830

the coast of Catalina Island and just

1137

00:46:02,589 --> 00:46:00,589

kind of lazily tracked down to the South

1138

00:46:04,329 --> 00:46:02,599

off the coast of Mexico and there when I

1139

00:46:05,920 --> 00:46:04,339

was seeing him there about 28,000 feet

1140

00:46:08,290 --> 00:46:05,930

going about 100 knots which is kind of

1141

00:46:10,150 --> 00:46:08,300

odd and we were really scratching our

1142

00:46:12,579 --> 00:46:10,160

heads I'd back-channel with some of my

1143

00:46:13,750 --> 00:46:12,589

friends and other ships I ascertained

1144

00:46:15,910 --> 00:46:13,760

that these things were real it wasn't

1145

00:46:16,359 --> 00:46:15,920

any type of malfunction yet it so anyway

1146

00:46:18,459 --> 00:46:16,369

I

1147

00:46:20,410 --> 00:46:18,469

after this now-famous commander flavor

1148

00:46:21,670 --> 00:46:20,420

intercept happened I went back up into

1149

00:46:23,289 --> 00:46:21,680

combat and I found one of these things

1150

00:46:24,940 --> 00:46:23,299

on the radar and they got the Relling

1151
00:46:27,400 --> 00:46:24,950
relative bearing from the ship I went up

1152
00:46:29,890 --> 00:46:27,410
topside and I looked at that thing

1153
00:46:31,959 --> 00:46:29,900
through the bigeye binoculars and I

1154
00:46:33,640 --> 00:46:31,969
think that's the moment when I I think

1155
00:46:35,890 --> 00:46:33,650
that if I had to say there was a moment

1156
00:46:36,670 --> 00:46:35,900
that was probably it when I saw with my

1157
00:46:38,979 --> 00:46:36,680
eyeball

1158
00:46:41,410 --> 00:46:38,989
whatever affected me happened in wow

1159
00:46:44,709 --> 00:46:41,420
that is a great part of the story but

1160
00:46:47,469 --> 00:46:44,719
I've never heard before because that is

1161
00:46:49,150 --> 00:46:47,479
a physical contact I mean it is a

1162
00:46:52,299 --> 00:46:49,160
physical contact in the sense that you

1163
00:46:54,130 --> 00:46:52,309

had visual visual confirmation of it and

1164

00:46:56,769 --> 00:46:54,140

you know I've avoided all of the

1165

00:46:59,140 --> 00:46:56,779

technical talk that sometimes gets drawn

1166

00:47:01,870 --> 00:46:59,150

into the describing of this because I

1167

00:47:03,099 --> 00:47:01,880

really wanted to highlight this part of

1168

00:47:04,959 --> 00:47:03,109

the story that you've done such an

1169

00:47:07,209 --> 00:47:04,969

awesome job and you're so honest and

1170

00:47:09,339 --> 00:47:07,219

forthright about bring about but for

1171

00:47:11,829 --> 00:47:09,349

those who are interested with the

1172

00:47:13,719 --> 00:47:11,839

technical part you just covered it

1173

00:47:15,759 --> 00:47:13,729

beautifully but is there anything else

1174

00:47:20,559 --> 00:47:15,769

to add that would put to rest

1175

00:47:23,229 --> 00:47:20,569

anyone's doubts about you know who saw

1176

00:47:25,599 --> 00:47:23,239

this how they saw it what technology was

1177

00:47:28,180 --> 00:47:25,609

involved you know that people like to

1178

00:47:30,489 --> 00:47:28,190

hear about that stuff what can you tell

1179

00:47:32,799 --> 00:47:30,499

people that would who are in the know

1180

00:47:34,329 --> 00:47:32,809

that would let them know that one you

1181

00:47:37,359 --> 00:47:34,339

know what the hell you're doing you're a

1182

00:47:40,420 --> 00:47:37,369

Top Gun interceptor and yeah really

1183

00:47:41,950 --> 00:47:40,430

happened yeah I was an operational

1184

00:47:44,019 --> 00:47:41,960

specialist in the Navy we were basically

1185

00:47:46,539 --> 00:47:44,029

the radar I mean we're the guys that sit

1186

00:47:48,880 --> 00:47:46,549

up in combat Information Center on the

1187

00:47:52,029 --> 00:47:48,890

small boys and combat directions Center

1188

00:47:54,519 --> 00:47:52,039

on the carriers and we are trained to

1189

00:47:56,620 --> 00:47:54,529

identify stuff around us that's what we

1190

00:47:58,150 --> 00:47:56,630

do and we have certain procedures and

1191

00:48:00,430 --> 00:47:58,160

protocols that every time I get a new

1192

00:48:03,430 --> 00:48:00,440

contact I go through certain steps to

1193

00:48:05,559 --> 00:48:03,440

identify it these objects defied all

1194

00:48:07,769 --> 00:48:05,569

that we were unable to identify these

1195

00:48:09,279 --> 00:48:07,779

things and they still remain

1196

00:48:11,469 --> 00:48:09,289

unidentified

1197

00:48:14,620 --> 00:48:11,479

you were talking about highly highly

1198

00:48:16,539 --> 00:48:14,630

highly trained observers not to mention

1199

00:48:19,599 --> 00:48:16,549

the pilots that's commander Faber I

1200

00:48:21,279 --> 00:48:19,609

believe had I know 18 years in the fna

1201
00:48:22,839 --> 00:48:21,289
18 at the time he made this intercept be

1202
00:48:24,219 --> 00:48:22,849
one of the most highly trained probably

1203
00:48:27,670 --> 00:48:24,229
one of the most highly trained pilots in

1204
00:48:29,770 --> 00:48:27,680
naval history actually and just you know

1205
00:48:32,080 --> 00:48:29,780
if he says he saw it

1206
00:48:33,760 --> 00:48:32,090
gonna believe him because he he does the

1207
00:48:35,710 --> 00:48:33,770
same type of stuff in his aircraft when

1208
00:48:37,540 --> 00:48:35,720
he you know he has to identify stuff and

1209
00:48:40,720 --> 00:48:37,550
let me just interject because sometimes

1210
00:48:41,410 --> 00:48:40,730
when you guys retell this you're being

1211
00:48:44,170 --> 00:48:41,420
modest

1212
00:48:46,120 --> 00:48:44,180
in a way that maybe obscures a story a

1213
00:48:49,950 --> 00:48:46,130

little bit you're top of the heap here

1214

00:48:53,920 --> 00:48:49,960

top gun top dog guy at running this

1215

00:48:57,250 --> 00:48:53,930

orchestrating this array of the most

1216

00:48:59,350 --> 00:48:57,260

technical highly sophisticated machinery

1217

00:49:01,570 --> 00:48:59,360

in the world and you did it for 20 years

1218

00:49:04,090 --> 00:49:01,580

so this is something that happens on a

1219

00:49:06,730 --> 00:49:04,100

routine basis and hundreds of times

1220

00:49:08,710 --> 00:49:06,740

you've you've seen stuff that shows up

1221

00:49:10,510 --> 00:49:08,720

probably thousands of times I don't know

1222

00:49:12,460 --> 00:49:10,520

how many times and you go through the

1223

00:49:14,830 --> 00:49:12,470

same procedure and you go through all

1224

00:49:18,370 --> 00:49:14,840

you and you identify it or you don't

1225

00:49:21,970 --> 00:49:18,380

identify it so when you say this stood

1226
00:49:25,570 --> 00:49:21,980
apart from all those this was unique I

1227
00:49:26,530 --> 00:49:25,580
mean that is really saying something

1228
00:49:28,390 --> 00:49:26,540
right

1229
00:49:29,800 --> 00:49:28,400
it is these objects that we encountered

1230
00:49:31,630 --> 00:49:29,810
I wasn't really concerned about them

1231
00:49:33,450 --> 00:49:31,640
being any type of threat because we were

1232
00:49:36,010 --> 00:49:33,460
off the coast of San Diego and they were

1233
00:49:39,790 --> 00:49:36,020
still quite a ways from the strike group

1234
00:49:41,380 --> 00:49:39,800
in terms of miles but my my concern was

1235
00:49:43,570 --> 00:49:41,390
safety of flight when we started

1236
00:49:45,340 --> 00:49:43,580
launching aircraft to do the adex and

1237
00:49:47,740 --> 00:49:45,350
that's how I convinced captain red Smith

1238
00:49:50,770 --> 00:49:47,750

to agree to intercepting one of these

1239

00:49:52,810 --> 00:49:50,780

things so up up and to that point I knew

1240

00:49:54,820 --> 00:49:52,820

they were anomalous but I I don't know

1241

00:49:56,350 --> 00:49:54,830

if I was really thinking UFO at that

1242

00:49:58,450 --> 00:49:56,360

point because they hadn't done anything

1243

00:49:59,950 --> 00:49:58,460

strange there were 28,000 feet going 100

1244

00:50:03,550 --> 00:49:59,960

knots which you string but not really

1245

00:50:04,780 --> 00:50:03,560

that strange I guess let me just jump in

1246

00:50:06,700 --> 00:50:04,790

there let me just jump in there I hate

1247

00:50:09,370 --> 00:50:06,710

to probe that but you know I've heard

1248

00:50:12,760 --> 00:50:09,380

you say that over and over again do you

1249

00:50:15,940 --> 00:50:12,770

ever look back and wonder if there isn't

1250

00:50:18,270 --> 00:50:15,950

some mind-control aspect to that because

1251

00:50:21,580 --> 00:50:18,280

it to me that sounds extraordinarily

1252

00:50:23,920 --> 00:50:21,590

strange it also sounds extraordinary

1253

00:50:25,570 --> 00:50:23,930

that everyone else is seeing it and

1254

00:50:27,730 --> 00:50:25,580

everyone else is going

1255

00:50:30,100 --> 00:50:27,740

oh yeah that's what's supposed to happen

1256

00:50:32,740 --> 00:50:30,110

and I gotta interject cuz I was telling

1257

00:50:34,870 --> 00:50:32,750

you a minute ago about the story with my

1258

00:50:36,670 --> 00:50:34,880

friend ray Hernandez who started the

1259

00:50:38,740 --> 00:50:36,680

free group he's not only a guy who's

1260

00:50:40,420 --> 00:50:38,750

researched but he's an experimenter and

1261

00:50:42,160 --> 00:50:40,430

his experience I'll make this really

1262

00:50:43,660 --> 00:50:42,170

brief but I can't help but feel it

1263

00:50:46,180 --> 00:50:43,670

relates to your story

1264

00:50:48,700 --> 00:50:46,190

he and his wife are in their bed one

1265

00:50:52,330 --> 00:50:48,710

night and his wife jumps up out of bed

1266

00:50:54,490 --> 00:50:52,340

cuz there's this glowing white orb down

1267

00:50:56,140 --> 00:50:54,500

in the room and she runs down there with

1268

00:50:58,930 --> 00:50:56,150

their little dog that is gonna be put

1269

00:51:00,550 --> 00:50:58,940

down the next day and when we say that

1270

00:51:03,100 --> 00:51:00,560

cuz the dog gets healed as part of this

1271

00:51:05,260 --> 00:51:03,110

experience but Rey follows his wife down

1272

00:51:07,570 --> 00:51:05,270

there and this his wife is now having

1273

00:51:10,690 --> 00:51:07,580

this extraordinary experience encounter

1274

00:51:14,110 --> 00:51:10,700

with this intelligent orb and you know

1275

00:51:16,480 --> 00:51:14,120

what Rey's thought is oh this is nothing

1276

00:51:19,900 --> 00:51:16,490

I should go back upstairs and go to

1277

00:51:22,870 --> 00:51:19,910

sleep and he walks back upstairs and he

1278

00:51:26,110 --> 00:51:22,880

gets in his bed and he goes to sleep and

1279

00:51:29,730 --> 00:51:26,120

that is a story that gets retold over

1280

00:51:33,430 --> 00:51:29,740

and over and over with these encounter

1281

00:51:35,860 --> 00:51:33,440

experiences it just doesn't add up

1282

00:51:37,540 --> 00:51:35,870

so I'm a I don't want to lead you but

1283

00:51:40,060 --> 00:51:37,550

when I hear that part of the story it's

1284

00:51:43,000 --> 00:51:40,070

like oh yeah I didn't pay any attention

1285

00:51:47,080 --> 00:51:43,010

to him cuz they were flying at a hundred

1286

00:51:49,270 --> 00:51:47,090

knots super slow at how many thousand

1287

00:51:52,480 --> 00:51:49,280

feet and they were just way up in this

1288

00:51:53,920 --> 00:51:52,490

guy I mean do you think do you think

1289

00:51:55,990 --> 00:51:53,930

there's anything to that that you

1290

00:51:58,570 --> 00:51:56,000

weren't drawn to that and that the other

1291

00:52:01,150 --> 00:51:58,580

people around you weren't drawn to that

1292

00:52:04,240 --> 00:52:01,160

yeah a lot of people ask me why do why

1293

00:52:06,160 --> 00:52:04,250

didn't we do something sooner why did we

1294

00:52:07,360 --> 00:52:06,170

wait so long well it's kind of

1295

00:52:09,760 --> 00:52:07,370

complicated we didn't have any aircraft

1296

00:52:11,440 --> 00:52:09,770

available to us and until we did out

1297

00:52:13,030 --> 00:52:11,450

there at sea they flew on board the

1298

00:52:15,400 --> 00:52:13,040

carrier landed and they set up shop and

1299

00:52:17,920 --> 00:52:15,410

everything but at the moment I had

1300

00:52:20,800 --> 00:52:17,930

aircraft to work with I recommended that

1301
00:52:22,930 --> 00:52:20,810
we go intercept one and that's when I've

1302
00:52:25,600 --> 00:52:22,940
really understood that we were looking

1303
00:52:27,700 --> 00:52:25,610
at UFOs because as soon as commander

1304
00:52:31,060 --> 00:52:27,710
flavor started approaching it that's

1305
00:52:33,750 --> 00:52:31,070
when it did the anomalous maneuvers like

1306
00:52:36,100 --> 00:52:33,760
drop in from 28,000 feet down to 50 feet

1307
00:52:38,920 --> 00:52:36,110
just above the surface of the ocean in

1308
00:52:41,410 --> 00:52:38,930
less than a second zooming us out of you

1309
00:52:44,560 --> 00:52:41,420
know over the horizon away from him in

1310
00:52:46,090 --> 00:52:44,570
about the same amount of time that's you

1311
00:52:47,890 --> 00:52:46,100
know what can do that that's that's when

1312
00:52:50,440 --> 00:52:47,900
I became convinced that this we were

1313
00:52:52,270 --> 00:52:50,450

looking at UFOs up into that point I was

1314

00:52:53,710 --> 00:52:52,280

I had my mind was open about it I did I

1315

00:52:55,690 --> 00:52:53,720

wasn't I didn't know what to think I

1316

00:52:57,250 --> 00:52:55,700

just knew what they weren't I didn't

1317

00:52:58,630 --> 00:52:57,260

know what they were do I think

1318

00:53:00,730 --> 00:52:58,640

your theory as possible yeah I do

1319

00:53:02,740 --> 00:53:00,740

actually do it I don't want to say we

1320

00:53:05,050 --> 00:53:02,750

were dumbed down to not paying attention

1321

00:53:06,910 --> 00:53:05,060

to him the looking back it may be a kind

1322

00:53:07,300 --> 00:53:06,920

of feels that way I think you might be

1323

00:53:08,440 --> 00:53:07,310

right

1324

00:53:10,420 --> 00:53:08,450

we should have done something sooner

1325

00:53:12,099 --> 00:53:10,430

maybe I don't know should have is is a

1326

00:53:14,170 --> 00:53:12,109

part of it you know I mean with the

1327

00:53:16,270 --> 00:53:14,180

Valais Davis I mean that's just right in

1328

00:53:18,310 --> 00:53:16,280

there that's just right right in the

1329

00:53:20,830 --> 00:53:18,320

smack of it smack in the middle of it is

1330

00:53:23,470 --> 00:53:20,840

that you know that's part of part of the

1331

00:53:25,390 --> 00:53:23,480

experience you have a really important

1332

00:53:29,410 --> 00:53:25,400

story to tell and you're incredibly

1333

00:53:31,450 --> 00:53:29,420

brave I really commend you and the moral

1334

00:53:34,180 --> 00:53:31,460

compass part of what you're saying just

1335

00:53:35,830 --> 00:53:34,190

comes through in spades and that is so

1336

00:53:41,230 --> 00:53:35,840

important in the telling of this story

1337

00:53:44,890 --> 00:53:41,240

so whoever picked you they picked the

1338

00:53:46,630 --> 00:53:44,900

right guy and I appreciate it and I

1339

00:53:49,780 --> 00:53:46,640

appreciate you coming on sceptical and

1340

00:53:52,090 --> 00:53:49,790

telling the story if people want to read

1341

00:53:55,120 --> 00:53:52,100

your book is that a good way for them to

1342

00:53:57,609 --> 00:53:55,130

learn more about this and how would they

1343

00:53:59,670 --> 00:53:57,619

go about doing that I see the link maybe

1344

00:54:00,849 --> 00:53:59,680

you can set it up on your blog

1345

00:54:03,160 --> 00:54:00,859

absolutely

1346

00:54:05,050 --> 00:54:03,170

so this online it's free and I encourage

1347

00:54:06,580 --> 00:54:05,060

people to read it that is actually an

1348

00:54:07,570 --> 00:54:06,590

interesting little tale and strangely

1349

00:54:09,160 --> 00:54:07,580

enough I don't know if you've had the

1350

00:54:11,349 --> 00:54:09,170

chance to read it but part of that

1351
00:54:13,450 --> 00:54:11,359
fictional story that I weave two guys

1352
00:54:15,640 --> 00:54:13,460
matching the description by the way of

1353
00:54:18,580 --> 00:54:15,650
shock Italian force come to visit me in

1354
00:54:22,810 --> 00:54:18,590
that book I didn't get to that part but

1355
00:54:24,790 --> 00:54:22,820
that isn't that because the book and it

1356
00:54:26,800 --> 00:54:24,800
takes place here there it takes place in

1357
00:54:28,359 --> 00:54:26,810
the calmy officers wilderness okay okay

1358
00:54:30,099 --> 00:54:28,369
we got it we got a dig into that right

1359
00:54:32,740 --> 00:54:30,109
because you published a book in what

1360
00:54:35,800 --> 00:54:32,750
year in 2008 and what year did they cut

1361
00:54:39,340 --> 00:54:35,810
16 the spring of 16 and they came and

1362
00:54:42,370 --> 00:54:39,350
visited you in the spring of 2016 and

1363
00:54:45,010 --> 00:54:42,380

you wrote it in the book in 2008 and

1364

00:54:46,900 --> 00:54:45,020

when they came in 2016 they said yeah

1365

00:54:48,790 --> 00:54:46,910

Kevin this is about to go down and

1366

00:54:50,830 --> 00:54:48,800

you're in the middle of it and it goes

1367

00:54:53,170 --> 00:54:50,840

down and you're in the middle of it yeah

1368

00:54:55,330 --> 00:54:53,180

but it was very cryptic they did they

1369

00:54:56,530 --> 00:54:55,340

didn't remember they didn't I didn't

1370

00:54:58,510 --> 00:54:56,540

know they were here because of the

1371

00:55:00,550 --> 00:54:58,520

tic-tac story right right I didn't

1372

00:55:02,680 --> 00:55:00,560

figure that out totally but he left me

1373

00:55:04,780 --> 00:55:02,690

enough hints they left me enough enough

1374

00:55:07,240 --> 00:55:04,790

hints that I was able to deduce that

1375

00:55:08,890 --> 00:55:07,250

later I mean when shock they told me

1376

00:55:10,440 --> 00:55:08,900

that I was incredibly important to

1377

00:55:13,650 --> 00:55:10,450

what's about to happen

1378

00:55:15,089 --> 00:55:13,660

I didn't know what to think I knew they

1379

00:55:18,120 --> 00:55:15,099

were two strange guys I just kind of

1380

00:55:20,130 --> 00:55:18,130

brushed it off um they were definitely

1381

00:55:23,130 --> 00:55:20,140

here to see me about tic-tac I think I

1382

00:55:24,049 --> 00:55:23,140

think they were trash hey Kevin he's

1383

00:55:27,059 --> 00:55:24,059

still there

1384

00:55:30,720 --> 00:55:27,069

over six full in there visit with me cuz

1385

00:55:34,170 --> 00:55:30,730

I they they may have uh-oh I'm getting

1386

00:55:36,210 --> 00:55:34,180

weird noises can you hear me I mean I

1387

00:55:38,130 --> 00:55:36,220

never make any big deal about the Skype

1388

00:55:41,099 --> 00:55:38,140

stuff cuz everybody has problems with

1389

00:55:43,710 --> 00:55:41,109

that type but isn't it yeah for the for

1390

00:55:46,289 --> 00:55:43,720

it to be right in mid-sentence of that

1391

00:55:48,510 --> 00:55:46,299

part of the story for the whole thing to

1392

00:55:52,920 --> 00:55:48,520

drop I mean isn't that a little bit

1393

00:55:55,200 --> 00:55:52,930

strange yeah I'm I'm absolutely positive

1394

00:55:57,390 --> 00:55:55,210

um being monitored I've been told that

1395

00:55:59,220 --> 00:55:57,400

and I believe it I know our Facebook

1396

00:56:00,390 --> 00:55:59,230

groups being monitored i I know I'm

1397

00:56:01,770 --> 00:56:00,400

personally being watched

1398

00:56:03,589 --> 00:56:01,780

it doesn't really scare me because I

1399

00:56:05,940 --> 00:56:03,599

don't really have anything to hide

1400

00:56:08,280 --> 00:56:05,950

that's just part it's just part of the

1401
00:56:09,960 --> 00:56:08,290
fact pattern here I remember last week

1402
00:56:12,390 --> 00:56:09,970
when we tried to do this show and my

1403
00:56:14,370 --> 00:56:12,400
computer my mouse took control of itself

1404
00:56:16,530 --> 00:56:14,380
and it was opening and closing documents

1405
00:56:18,720 --> 00:56:16,540
all by itself like two minutes before

1406
00:56:20,430 --> 00:56:18,730
the show started I couldn't control the

1407
00:56:24,809 --> 00:56:20,440
computer I had to do a hard reset on it

1408
00:56:29,549 --> 00:56:24,819
so yeah I'm I'm convinced that we're

1409
00:56:31,200 --> 00:56:29,559
being monitored here Alex and I and I

1410
00:56:33,210 --> 00:56:31,210
can only hope and pray that I'm doing

1411
00:56:34,920 --> 00:56:33,220
that I'm doing the right thing doing

1412
00:56:37,260 --> 00:56:34,930
what you're supposed to be doing I hear

1413
00:56:39,390 --> 00:56:37,270

you hope and pray that's all we got

1414

00:56:41,760 --> 00:56:39,400

yeah Kevin again our guest has been

1415

00:56:44,280 --> 00:56:41,770

Kevin day it's been absolutely great

1416

00:56:46,200 --> 00:56:44,290

having you on and I hope we stay in

1417

00:56:48,630 --> 00:56:46,210

touch and I will be following your work

1418

00:56:51,990 --> 00:56:48,640

the best I can because I do think like

1419

00:56:54,480 --> 00:56:52,000

they said you're right in the middle of

1420

00:56:57,180 --> 00:56:54,490

this for whatever reason and I hope to

1421

00:57:00,180 --> 00:56:57,190

fulfill that rule yep thank you alright

1422

00:57:02,609 --> 00:57:00,190

so that'll do it is everything good on

1423

00:57:04,710 --> 00:57:02,619

your end in terms of what we covered

1424

00:57:06,000 --> 00:57:04,720

there I just wanted to make sure we

1425

00:57:08,309 --> 00:57:06,010

throw out a good pitch for the UFO

1426

00:57:10,140 --> 00:57:08,319

Megacon coming up in March because we're

1427

00:57:11,910 --> 00:57:10,150

gonna have a military military panel

1428

00:57:14,190 --> 00:57:11,920

there with some of the whistleblowers

1429

00:57:16,770 --> 00:57:14,200

let's just add that in you bet people

1430

00:57:20,420 --> 00:57:16,780

could go on online and go to UF UFO

1431

00:57:23,910 --> 00:57:20,430

Megacon calm it's UFO Megacon calm and

1432

00:57:26,100 --> 00:57:23,920

it's gonna be the last week of March 29

1433

00:57:28,740 --> 00:57:26,110

I believe the dates are 25 to 30 March

1434

00:57:32,190 --> 00:57:28,750

in Laughlin of that at the Aquarius

1435

00:57:34,950 --> 00:57:32,200

Hotel and Casino there's gonna be 48

1436

00:57:36,450 --> 00:57:34,960

speakers some pretty recognizable names

1437

00:57:38,250 --> 00:57:36,460

I just learned that George Noory is

1438

00:57:40,260 --> 00:57:38,260

gonna show up for example there's also

1439

00:57:42,540 --> 00:57:40,270

gonna be a military panel and bobkid

1440

00:57:44,040 --> 00:57:42,550

yuxin to be doing we're all going to be

1441

00:57:45,570 --> 00:57:44,050

sitting around in chairs and just kind

1442

00:57:48,270 --> 00:57:45,580

of an in discussion about what happened

1443

00:57:50,100 --> 00:57:48,280

and Bob Brown and Lorien Fenton and

1444

00:57:52,050 --> 00:57:50,110

Melinda Leslie have put together some

1445

00:57:53,910 --> 00:57:52,060

really good packages to make this thing

1446

00:57:58,410 --> 00:57:53,920

as affordable as possible for people

1447

00:58:01,230 --> 00:57:58,420

who've had contact or think they may

1448

00:58:04,520 --> 00:58:01,240

have had contact related experiences

1449

00:58:08,340 --> 00:58:04,530

I've heard that these conferences can be

1450

00:58:10,530 --> 00:58:08,350

incredibly healing and I wonder if you

1451

00:58:12,030 --> 00:58:10,540

want to speak to that because yeah

1452

00:58:15,000 --> 00:58:12,040

you're right I think part of the reason

1453

00:58:17,220 --> 00:58:15,010

why they get portrayed as and I've only

1454

00:58:20,310 --> 00:58:17,230

been to a couple but you know the the

1455

00:58:24,210 --> 00:58:20,320

tinfoil hats thing no it's like people

1456

00:58:26,880 --> 00:58:24,220

trying to resolve stuff that's very real

1457

00:58:29,070 --> 00:58:26,890

in their life is what I see most of the

1458

00:58:30,210 --> 00:58:29,080

time I'm very much looking forward to

1459

00:58:31,500 --> 00:58:30,220

that I want to talk to some of these

1460

00:58:31,830 --> 00:58:31,510

doctors about what I've been going

1461

00:58:34,260 --> 00:58:31,840

through

1462

00:58:35,670 --> 00:58:34,270

I think it'll definitely help me there's

1463

00:58:37,980 --> 00:58:35,680

no question in my mind that I will I

1464

00:58:39,540 --> 00:58:37,990

will be all by going there thanks again

1465

00:58:41,550 --> 00:58:39,550

to Kevin Dave for joining me today on

1466

00:58:44,370 --> 00:58:41,560

skeptical the one question I'd have to

1467

00:58:46,920 --> 00:58:44,380

tee up from this interview is what do

1468

00:58:49,440 --> 00:58:46,930

you make of Kevin's message again his

1469

00:58:51,570 --> 00:58:49,450

message is twofold it's happening that

1470

00:58:54,510 --> 00:58:51,580

is not just the role lot of UFO

1471

00:58:58,020 --> 00:58:54,520

information he's alluding to something

1472

00:59:02,580 --> 00:58:58,030

more happening to the possibility of a

1473

00:59:09,000 --> 00:59:02,590

more widespread mass encounter with this

1474

00:59:11,880 --> 00:59:09,010

well whatever it is UFO et consciousness

1475

00:59:14,730 --> 00:59:11,890

thing so he's alluding to that and he's

1476

00:59:18,060 --> 00:59:14,740

alluding to the fact that he suspects

1477

00:59:22,290 --> 00:59:18,070

that when you encounter it it will

1478

00:59:25,980 --> 00:59:22,300

change you in some fundamental ways like

1479

00:59:28,290 --> 00:59:25,990

it did him and he points to foul a Davis

1480

00:59:31,059 --> 00:59:28,300

is documenting these and also points to

1481

00:59:34,989 --> 00:59:31,069

the fact that many contactees have

1482

00:59:37,719 --> 00:59:34,999

talked about it in similar ways that is

1483

00:59:41,949 --> 00:59:37,729

a lot to process what do you make of it

1484

00:59:45,819 --> 00:59:41,959

a good warning or somewhat controlled

1485

00:59:48,819 --> 00:59:45,829

messaging or both I said this was gonna

1486

00:59:51,849 --> 00:59:48,829

be multi-layered a deep dive down the

1487

00:59:55,449 --> 00:59:51,859

rabbit hole boy this is among the

1488

00:59:57,939 --> 00:59:55,459

deepest that I can remember so I'm gonna

1489

00:59:59,789 --> 00:59:57,949

need your help tell me where we should

1490

01:00:03,849 --> 00:59:59,799

go from here tell me where we should go

1491
