Neuroscience  
Conspiracy Theories  
Contactee Experience  
OBE

1  
00:00:14,240 --> 00:00:12,200  
no reason about that sorcery whole

2  
00:00:16,010 --> 00:00:14,250  
town's on edge about it everyone that

3  
00:00:18,050 --> 00:00:16,020  
comes in here that's all they want to

4  
00:00:20,689 --> 00:00:18,060  
talk about well you can tell them all

5  
00:00:25,370 --> 00:00:20,699  
was just a withered no aliens in Fargo

6  
00:00:27,200 --> 00:00:25,380  
right now yeah that we know well without

7  
00:00:29,450 --> 00:00:27,210  
the clip from the new History Channel

8  
00:00:31,550 --> 00:00:29,460  
series Project Blue Book and although

9  
00:00:34,250 --> 00:00:31,560  
some claim that the series doesn't stick

10  
00:00:37,280 --> 00:00:34,260  
close enough to the real history of the

11  
00:00:40,850 --> 00:00:37,290  
US government's investigation into UFOs

12  
00:00:43,729 --> 00:00:40,860  
and ET I would suggest that it does a

13  
00:00:45,860 --> 00:00:43,739

pretty good job of reminding us of that

14

00:00:49,040 --> 00:00:45,870

history and documenting that history

15

00:00:52,459 --> 00:00:49,050

because of course the problem is real

16

00:00:54,350 --> 00:00:52,469

science of this kind the kind that dr.

17

00:01:00,250 --> 00:00:54,360

Allen Hynek and Project Blue Book was

18

00:01:02,720 --> 00:01:00,260

trying to do is hard to come by we had

19

00:01:05,630 --> 00:01:02,730

involved in this we had a PC

20

00:01:08,000 --> 00:01:05,640

statistician involved dr. Russell scalp

21

00:01:10,310 --> 00:01:08,010

owned we had the advice of dr. Dean

22

00:01:12,560 --> 00:01:10,320

Radin throughout this process so it was

23

00:01:16,219 --> 00:01:12,570

really a collaborative research effort

24

00:01:19,429 --> 00:01:16,229

with academics and researchers this is a

25

00:01:21,950 --> 00:01:19,439

total paradigm shift I don't care how

26

00:01:24,649 --> 00:01:21,960

much you've studied UFOs I don't care

27

00:01:27,620 --> 00:01:24,659

how on the cutting edge you think you

28

00:01:29,780 --> 00:01:27,630

are of conspiracy you all-news whatever

29

00:01:32,780 --> 00:01:29,790

what we're asking people to do is take

30

00:01:35,600 --> 00:01:32,790

that leap to say okay well then somebody

31

00:01:37,850 --> 00:01:35,610

has to study what's going on and here is

32

00:01:40,100 --> 00:01:37,860

a guy who studied it and he studied it

33

00:01:42,429 --> 00:01:40,110

scientifically and now let's talk about

34

00:01:47,060 --> 00:01:42,439

his findings and we're talking about

35

00:01:49,940 --> 00:01:47,070

fricken reptilians versus greys versus

36

00:01:53,120 --> 00:01:49,950

spirit beings and we're comparing and

37

00:01:55,460 --> 00:01:53,130

contrasting the percentage of people who

38

00:01:58,550 --> 00:01:55,470

said they had this kind of contact or

39

00:02:00,289 --> 00:01:58,560

that kind of contact so before I get on

40

00:02:04,090 --> 00:02:00,299

to this interview with the very

41

00:02:07,039 --> 00:02:04,100

excellent ray Hernandez who has nearly

42

00:02:09,699 --> 00:02:07,049

single-handedly created this entire

43

00:02:13,369 --> 00:02:09,709

movement of the scientific investigation

44

00:02:15,410 --> 00:02:13,379

of contact experiences and he's drawn to

45

00:02:18,380 --> 00:02:15,420

him some of the brightest and most

46

00:02:21,140 --> 00:02:18,390

important advanced thinkers we have of

47

00:02:23,420 --> 00:02:21,150

our time I just can't say enough about

48

00:02:25,729 --> 00:02:23,430

what he's done and about what he reveals

49

00:02:28,430 --> 00:02:25,739

in this interview but before we get to

50

00:02:31,070 --> 00:02:28,440

that interview and my poking at ray

51  
00:02:33,619 --> 00:02:31,080  
which you got to know I'm going to do

52  
00:02:35,900 --> 00:02:33,629  
let me return to the Project Blue Book

53  
00:02:38,809 --> 00:02:35,910  
clip because there's another interesting

54  
00:02:44,960 --> 00:02:38,819  
little point from that scene that

55  
00:02:45,860 --> 00:02:44,970  
relates to today's interview so he likes

56  
00:02:49,130 --> 00:02:45,870  
on the game would have given off

57  
00:02:51,140 --> 00:02:49,140  
approximately 50,000 women on a clear

58  
00:02:53,660 --> 00:02:51,150  
night 5,000 feet that would diffuse to

59  
00:02:58,729 --> 00:02:53,670  
approximately on hunting taking the

60  
00:02:59,710 --> 00:02:58,739  
fraction when currents cone-shaped what

61  
00:03:02,180 --> 00:02:59,720  
do you say

62  
00:03:07,250 --> 00:03:02,190  
[Music]

63  
00:03:09,080 --> 00:03:07,260

did you just put on that song what then

64

00:03:12,800 --> 00:03:09,090

your notes you said that fuller said a

65

00:03:19,130 --> 00:03:12,810

song that song told him that he was in

66

00:03:21,680 --> 00:03:19,140

danger and you just put it on because

67

00:03:27,170 --> 00:03:21,690

one of the findings from Ray's work and

68

00:03:31,820 --> 00:03:27,180

a messy finding it is is that the UFO et

69

00:03:35,870 --> 00:03:31,830

stuff cannot be easily separated from

70

00:03:37,640 --> 00:03:35,880

all that which we call paranormal these

71

00:03:40,070 --> 00:03:37,650

were overwhelmingly positive experiences

72

00:03:42,470 --> 00:03:40,080

number two it resulted in a positive

73

00:03:44,780 --> 00:03:42,480

transformation of the experimenter number

74

00:03:47,270 --> 00:03:44,790

three and four is that these experiences

75

00:03:49,970 --> 00:03:47,280

were primarily not physical they were

76  
00:03:52,040 --> 00:03:49,980  
primarily paranormal that was number

77  
00:03:54,230 --> 00:03:52,050  
three number four is that these

78  
00:03:57,200 --> 00:03:54,240  
experiences involve a manipulation of

79  
00:04:01,490 --> 00:03:57,210  
space-time stick around I have a great

80  
00:04:10,220 --> 00:04:01,500  
chat coming up with ray Hernandez

81  
00:04:12,809 --> 00:04:10,230  
[Music]

82  
00:04:15,600 --> 00:04:12,819  
today's guests Rey Hernandez heads an

83  
00:04:18,240 --> 00:04:15,610  
organization and I've been trying to

84  
00:04:20,729 --> 00:04:18,250  
think how to say this but there's really

85  
00:04:23,310 --> 00:04:20,739  
no other way because Rey Hernandez is

86  
00:04:24,990 --> 00:04:23,320  
free organization is doing some of the

87  
00:04:27,719 --> 00:04:25,000  
most important research in the world

88  
00:04:30,960 --> 00:04:27,729

period I mean when you get a group of

89

00:04:34,110 --> 00:04:30,970

top PhD scientists researching the

90

00:04:37,320 --> 00:04:34,120

nature of and implications of our

91

00:04:40,260 --> 00:04:37,330

ongoing contact with highly advanced

92

00:04:43,110 --> 00:04:40,270

non-human intelligence what most people

93

00:04:45,390 --> 00:04:43,120

call et and in a minute Ray's gonna go

94

00:04:48,360 --> 00:04:45,400

even way beyond that but when you even

95

00:04:50,159 --> 00:04:48,370

have that what is more important than

96

00:04:52,170 --> 00:04:50,169

that and you know I want to kind of

97

00:04:54,480 --> 00:04:52,180

frame this up and I was just chatting

98

00:04:56,490 --> 00:04:54,490

with ray a little bit beforehand cuz

99

00:05:01,409 --> 00:04:56,500

it's kind of strange you know I think

100

00:05:05,100 --> 00:05:01,419

deep down we all know that this what I

101  
00:05:09,120 --> 00:05:05,110  
call UFO et thing is a central question

102  
00:05:11,730 --> 00:05:09,130  
but even after we have disclosure and I

103  
00:05:14,279 --> 00:05:11,740  
mean folks don't forget and don't let

104  
00:05:17,909 --> 00:05:14,289  
your hanger-on doubter friends forget

105  
00:05:21,510 --> 00:05:17,919  
that this has been disclosed the reality

106  
00:05:24,150 --> 00:05:21,520  
of this New York Times CBS News Fox News

107  
00:05:27,570 --> 00:05:24,160  
as I was just chatting to Ray about what

108  
00:05:30,600 --> 00:05:27,580  
why am I not battling for air time with

109  
00:05:33,210 --> 00:05:30,610  
Anderson Cooper and Tucker Carlson to

110  
00:05:35,820 --> 00:05:33,220  
talk to Ray Hernandez who is the only

111  
00:05:38,190 --> 00:05:35,830  
guy whose it has a public group with top

112  
00:05:41,670 --> 00:05:38,200  
scientists that's researching this stuff

113  
00:05:44,159 --> 00:05:41,680

it's a rather strange situation that we

114

00:05:46,890 --> 00:05:44,169

find ourselves in but at the same time

115

00:05:49,730 --> 00:05:46,900

we know that some of this stuff we're

116

00:05:52,379 --> 00:05:49,740

gonna talk about today is uncomfortable

117

00:05:55,350 --> 00:05:52,389

it's uncomfortable to the level that we

118

00:06:00,180 --> 00:05:55,360

want to kind of push it down and push it

119

00:06:04,140 --> 00:06:00,190

aside and think about more stupid CNN

120

00:06:06,360 --> 00:06:04,150

24-hour news cycle stuff but I digress

121

00:06:07,650 --> 00:06:06,370

even from the beginning because what I

122

00:06:10,020 --> 00:06:07,660

really want to do is get in this

123

00:06:12,570 --> 00:06:10,030

conversation with this remarkable guy

124

00:06:15,420 --> 00:06:12,580

ray Hernandez who by the way is still a

125

00:06:17,610 --> 00:06:15,430

full-time practicing attorney master's

126  
00:06:19,320 --> 00:06:17,620  
degree from Cornell working on his PhD

127  
00:06:22,379 --> 00:06:19,330  
from Berkeley in the spirit in his spare

128  
00:06:25,709 --> 00:06:22,389  
time just how smart this guy

129  
00:06:28,050 --> 00:06:25,719  
author of amazing super important book

130  
00:06:30,749 --> 00:06:28,060  
beyond UFOs the science of consciousness

131  
00:06:34,230 --> 00:06:30,759  
and contact with non-human intelligence

132  
00:06:35,820 --> 00:06:34,240  
ray it is absolutely terrific to have

133  
00:06:37,920 --> 00:06:35,830  
you back on it's been a couple years

134  
00:06:39,929 --> 00:06:37,930  
you've done even so much more since then

135  
00:06:41,939 --> 00:06:39,939  
thanks so much for coming back on and

136  
00:06:44,550 --> 00:06:41,949  
skeptical and joining me thank you for

137  
00:06:45,959 --> 00:06:44,560  
that wonderful introduction Alex and I

138  
00:06:50,730 --> 00:06:45,969

just want to let your audience members

139

00:06:54,689 --> 00:06:50,740

know that I turned to you and also to

140

00:06:57,019 --> 00:06:54,699

Jeffrey Mishlove to get my my training

141

00:07:00,709 --> 00:06:57,029

my chops on consciousness research

142

00:07:03,379 --> 00:07:00,719

because once I found out that my

143

00:07:06,059 --> 00:07:03,389

paranormal experiences that I was having

144

00:07:08,879 --> 00:07:06,069

is related to consciousness

145

00:07:12,029 --> 00:07:08,889

I then devoured so many of your

146

00:07:15,540 --> 00:07:12,039

interviews over the many years and and

147

00:07:19,320 --> 00:07:15,550

and I just found them as as fundamental

148

00:07:21,179 --> 00:07:19,330

as foundational educational pieces for

149

00:07:24,959 --> 00:07:21,189

my proper understanding of what was

150

00:07:27,540 --> 00:07:24,969

happening to me as an experienter and my

151

00:07:32,700 --> 00:07:27,550

experience began in April of 2012 so

152

00:07:36,240 --> 00:07:32,710

it's been a crash course of receiving

153

00:07:37,950 --> 00:07:36,250

training both from whatever the

154

00:07:40,140 --> 00:07:37,960

intelligence that I've been interacting

155

00:07:41,969 --> 00:07:40,150

with but also from people like yourself

156

00:07:44,240 --> 00:07:41,979

and Jeffrey Mitchell off and others and

157

00:07:48,089 --> 00:07:44,250

Edgar Mitchell as well and Rudy shields

158

00:07:51,959 --> 00:07:48,099

so it was a tremendous learning that

159

00:07:54,329 --> 00:07:51,969

that took place since 2012 well that's

160

00:07:58,740 --> 00:07:54,339

great to hear you know where I thought

161

00:08:03,059 --> 00:07:58,750

we would go is back to that 2012 story

162

00:08:05,790 --> 00:08:03,069

because it is an amazing account I think

163

00:08:07,980 --> 00:08:05,800

it sets the stage for so many launching

164

00:08:10,980 --> 00:08:07,990

off points that we could have and it's

165

00:08:14,429 --> 00:08:10,990

just a terrific personal story from a

166

00:08:16,920 --> 00:08:14,439

guy as you described you know I mean who

167

00:08:18,600 --> 00:08:16,930

you are at that time 2012 you're an

168

00:08:20,249 --> 00:08:18,610

attorney you're a busy guy you're not

169

00:08:22,439 --> 00:08:20,259

like into spirituality or none of the

170

00:08:26,429 --> 00:08:22,449

UFOs you know any of this stuff you're

171

00:08:30,029 --> 00:08:26,439

just a guy successful guy and tell that

172

00:08:33,230 --> 00:08:30,039

story what happens yes as as I've told

173

00:08:36,010 --> 00:08:33,240

you earlier several years ago I was a

174

00:08:39,730 --> 00:08:36,020

rationalist materialist

175

00:08:43,390 --> 00:08:39,740

theists with little understanding and

176

00:08:46,720 --> 00:08:43,400

zero interest in all this topics that

177

00:08:51,610 --> 00:08:46,730

are discussed on your show and then one

178

00:08:53,710 --> 00:08:51,620

evening on March the the 3rd 2012 our 15

179

00:08:56,680 --> 00:08:53,720

year old Jack Russell Terrier became

180

00:08:59,020 --> 00:08:56,690

paralyzed and she had been very very ill

181

00:09:01,090 --> 00:08:59,030

even before then she couldn't run she

182

00:09:05,020 --> 00:09:01,100

couldn't jump she was taking Viagra for

183

00:09:07,900 --> 00:09:05,030

her heart Durrett extraflex s liquids in

184

00:09:10,540 --> 00:09:07,910

her body and so we knew you know she had

185

00:09:13,900 --> 00:09:10,550

limited time to be with us but she was

186

00:09:16,180 --> 00:09:13,910

like our daughter our first child and so

187

00:09:18,670 --> 00:09:16,190

that evening on a Saturday evening she

188

00:09:21,400 --> 00:09:18,680

became totally paralyzed I then called

189

00:09:24,730 --> 00:09:21,410

our vet who was a good friend of mine of

190

00:09:26,830 --> 00:09:24,740

my wife and I dr. Phil Cruz and he I

191

00:09:28,240 --> 00:09:26,840

described what the symptoms and she said

192

00:09:30,490 --> 00:09:28,250

what you're telling me it seems like she

193

00:09:32,680 --> 00:09:30,500

had a cerebral hemorrhage a stroke and

194

00:09:36,100 --> 00:09:32,690

I'll open up my office tomorrow to

195

00:09:37,690 --> 00:09:36,110

ethanize her because you know I told

196

00:09:40,030 --> 00:09:37,700

him I was very uncomfortable waiting all

197

00:09:44,440 --> 00:09:40,040

weekend for her being totally paralyzed

198

00:09:47,080 --> 00:09:44,450

and in front of us so then my wife had

199

00:09:50,260 --> 00:09:47,090

just come from a three-day Catholic

200

00:09:54,400 --> 00:09:50,270

Church prayer retreat three days

201  
00:09:56,110 --> 00:09:54,410  
non-stop just pure prayer and so when

202  
00:09:58,780 --> 00:09:56,120  
she came home that's Saturday night at

203  
00:10:00,520 --> 00:09:58,790  
about 8:00 at 8:30 I told her what had

204  
00:10:04,120 --> 00:10:00,530  
happened and she immediately began to

205  
00:10:06,310 --> 00:10:04,130  
pray and 11 o'clock or so I went to

206  
00:10:08,590 --> 00:10:06,320  
sleep and she continued praying all

207  
00:10:11,050 --> 00:10:08,600  
night and then in the morning we both

208  
00:10:13,420 --> 00:10:11,060  
woke up we checked the dog the dog was

209  
00:10:16,780 --> 00:10:13,430  
still totally paralyzed so I went back

210  
00:10:18,610 --> 00:10:16,790  
to bed and she carried the dog down the

211  
00:10:22,420 --> 00:10:18,620  
stairs to see if she can go to the

212  
00:10:25,090 --> 00:10:22,430  
bathroom and so what happened was that

213  
00:10:27,280 --> 00:10:25,100

she saw an object and in the corner of

214

00:10:28,900 --> 00:10:27,290

our living room that floated 4 feet off

215

00:10:32,860 --> 00:10:28,910

the ground and it looked like an

216

00:10:35,500 --> 00:10:32,870

upside-down you it was roughly about a

217

00:10:38,980 --> 00:10:35,510

half a foot width and about a foot and a

218

00:10:43,930 --> 00:10:38,990

half and a half in height and she me

219

00:10:46,150 --> 00:10:43,940

before it was an angelic spirit or an

220

00:10:48,730 --> 00:10:46,160

angel because she had been praying for

221

00:10:49,929 --> 00:10:48,740

an angelic intervention so she knelt

222

00:10:52,899 --> 00:10:49,939

down started to pray

223

00:10:56,379 --> 00:10:52,909

right there and this object beamed on

224

00:10:59,349 --> 00:10:56,389

her these are two green lasers and so

225

00:11:01,599 --> 00:10:59,359

then at that point she began to call me

226

00:11:03,939 --> 00:11:01,609

so I could see her angel as well she

227

00:11:06,399 --> 00:11:03,949

wasn't scared at all because in her mind

228

00:11:10,449 --> 00:11:06,409

these were angels this was an angel and

229

00:11:12,219 --> 00:11:10,459

so after me being non-responsive this is

230

00:11:15,489 --> 00:11:12,229

Sunday morning at six o'clock I needed

231

00:11:18,489 --> 00:11:15,499

my beauty rest she ran upstairs and she

232

00:11:20,739 --> 00:11:18,499

hailed me out of bed and and she forced

233

00:11:22,989 --> 00:11:20,749

me to see what this was and she wouldn't

234

00:11:24,519 --> 00:11:22,999

tell me the details and then when we

235

00:11:26,919 --> 00:11:24,529

both went down the stairs she was in

236

00:11:28,659 --> 00:11:26,929

front of me down the stairs maybe two or

237

00:11:30,460 --> 00:11:28,669

three steps right in the middle of

238

00:11:33,159 --> 00:11:30,470

everyone she disappeared and the dog

239

00:11:35,289 --> 00:11:33,169

disappeared and then immediately some

240

00:11:37,809 --> 00:11:35,299

type of intelligence took over my

241

00:11:40,779 --> 00:11:37,819

consciousness I didn't care that my wife

242

00:11:43,629 --> 00:11:40,789

had gone the dog had gone and then I had

243

00:11:46,539 --> 00:11:43,639

I didn't have any peripheral vision all

244

00:11:48,879 --> 00:11:46,549

I was able to see is like a little uh if

245

00:11:51,579 --> 00:11:48,889

you put your rounded finger to your eyes

246

00:11:53,679 --> 00:11:51,589

like you're looking at a binocular I was

247

00:11:55,749 --> 00:11:53,689

just see this small portion of our

248

00:11:58,089 --> 00:11:55,759

living room and they're floating four

249

00:12:01,359 --> 00:11:58,099

feet off the ground was what I now call

250

00:12:05,769 --> 00:12:01,369

an energy being it was roughly two feet

251  
00:12:08,189 --> 00:12:05,779  
wide by about a foot in height it was

252  
00:12:11,099 --> 00:12:08,199  
like a like a mirage in the desert

253  
00:12:14,769 --> 00:12:11,109  
translucent like that waving energy

254  
00:12:17,139 --> 00:12:14,779  
multicolored semi-transparent and then

255  
00:12:19,809 --> 00:12:17,149  
basically I squinted at it I looked at

256  
00:12:21,969 --> 00:12:19,819  
it then I waved my hand at it I said IBS

257  
00:12:24,579 --> 00:12:21,979  
this is what she got me up for for this

258  
00:12:27,039 --> 00:12:24,589  
for this junk you know and then I turned

259  
00:12:29,879 --> 00:12:27,049  
around and I walked up the stairs and

260  
00:12:32,619 --> 00:12:29,889  
immediately it knocked me out in my bed

261  
00:12:35,319 --> 00:12:32,629  
45 minutes later when I woke up I was

262  
00:12:38,259 --> 00:12:35,329  
now fully conscious and I was like what

263  
00:12:41,979 --> 00:12:38,269

you know what and I ran down the stairs

264

00:12:44,739 --> 00:12:41,989

and then my wife poof like reappears she

265

00:12:46,179 --> 00:12:44,749

looks down on the floor and the dog is

266

00:12:47,529 --> 00:12:46,189

running around the whole living room and

267

00:12:49,779 --> 00:12:47,539

she starts to celebrate

268

00:12:52,479 --> 00:12:49,789

hallelujah hallelujah the Angels hear

269

00:12:54,789 --> 00:12:52,489

the angels cured and so to me it was

270

00:12:58,479 --> 00:12:54,799

like an atom bomb had exploded in my

271

00:13:00,489 --> 00:12:58,489

brain and so my wife I later found out

272

00:13:03,519 --> 00:13:00,499

six months later that what she had was

273

00:13:06,819 --> 00:13:03,529

missing time those 45 minutes that she

274

00:13:08,439 --> 00:13:06,829

gone she had no recollection that they

275

00:13:10,869 --> 00:13:08,449

were gone to her was like she had gone

276

00:13:12,460 --> 00:13:10,879

down the stairs she looked down the dog

277

00:13:14,829 --> 00:13:12,470

was running around she started to

278

00:13:17,650 --> 00:13:14,839

celebrate but it was 45 minutes because

279

00:13:20,230 --> 00:13:17,660

I had looked at them at the clock and so

280

00:13:21,759 --> 00:13:20,240

it was different stories different you

281

00:13:25,090 --> 00:13:21,769

know perceptions of what we both saw

282

00:13:26,949 --> 00:13:25,100

because we both were not there when we

283

00:13:30,129 --> 00:13:26,959

initially saw what we saw

284

00:13:32,319 --> 00:13:30,139

and then bewilderment it was chaos it

285

00:13:34,150 --> 00:13:32,329

was like mind blowing and then after

286

00:13:38,199 --> 00:13:34,160

that I thought was paranormal related

287

00:13:40,480 --> 00:13:38,209

and so I spent several months going to

288

00:13:43,420 --> 00:13:40,490

the Internet thinking was paranormal but

289

00:13:45,670 --> 00:13:43,430

then she had also told me in Spanish say

290

00:13:48,280 --> 00:13:45,680

parasya communal Navi pequeña which

291

00:13:50,980 --> 00:13:48,290

translate it almost appeared to be like

292

00:13:53,230 --> 00:13:50,990

a little small craft so then I said you

293

00:13:55,299 --> 00:13:53,240

know well UFOs are supposed to be

294

00:13:57,910 --> 00:13:55,309

outside it's must be huge this thing

295

00:14:00,699 --> 00:13:57,920

can't be a UFO but let me type in UFO to

296

00:14:03,460 --> 00:14:00,709

see what I can learn about it and so for

297

00:14:05,470 --> 00:14:03,470

the next two months that's all I did six

298

00:14:08,110 --> 00:14:05,480

to eight hours a day researching

299

00:14:10,360 --> 00:14:08,120

paranormal UFO and nothing on the

300

00:14:12,850 --> 00:14:10,370

Internet supported what had happened to

301  
00:14:15,819 --> 00:14:12,860  
my wife and I and then two months later

302  
00:14:18,309 --> 00:14:15,829  
the door woke my wife up at 3:30 in the

303  
00:14:20,439 --> 00:14:18,319  
morning my wife then went downstairs and

304  
00:14:21,759 --> 00:14:20,449  
opened the back door but the dog didn't

305  
00:14:24,340 --> 00:14:21,769  
want to go to the back door she was

306  
00:14:26,619 --> 00:14:24,350  
jumping on the front door and then after

307  
00:14:30,009 --> 00:14:26,629  
about a minute she looked up and there

308  
00:14:33,819 --> 00:14:30,019  
was a huge gigantic craft or a UFO or

309  
00:14:36,759 --> 00:14:33,829  
UAP we prefer the term UAP unidentified

310  
00:14:39,309 --> 00:14:36,769  
aerial phenomenon because most of the

311  
00:14:43,059 --> 00:14:39,319  
time what people see are not physical

312  
00:14:46,720 --> 00:14:43,069  
crafts quote-unquote it's all types of

313  
00:14:49,660 --> 00:14:46,730

um of light configurations and energy

314

00:14:52,269 --> 00:14:49,670

configurations in in the sky so anyway

315

00:14:54,189 --> 00:14:52,279

so when I woke up that morning she says

316

00:14:56,679 --> 00:14:54,199

oh my angels came and visited me last

317

00:14:58,929 --> 00:14:56,689

night they came in a beautiful angelic

318

00:15:01,299 --> 00:14:58,939

craft that had stained-glass windows

319

00:15:03,579 --> 00:15:01,309

just like our church and I'll say what

320

00:15:05,860 --> 00:15:03,589

you saw an angel described it then she

321

00:15:08,319 --> 00:15:05,870

described it and then she I asked to

322

00:15:10,449 --> 00:15:08,329

redraw it I said what you saw was a UFO

323

00:15:14,530 --> 00:15:10,459

she goes oh you wouldn't understand

324

00:15:16,700 --> 00:15:14,540

because you're an atheist you know was

325

00:15:19,730 --> 00:15:16,710

at that point that I said oh my

326

00:15:22,070 --> 00:15:19,740

god this is ufo-related you know and so

327

00:15:24,890 --> 00:15:22,080

then it was you know heavy duty UFO on

328

00:15:26,960 --> 00:15:24,900

the internet and then about a month and

329

00:15:29,810 --> 00:15:26,970

a half later this is a early June

330

00:15:32,570 --> 00:15:29,820

my wife went down to Mexico she spent an

331

00:15:35,780 --> 00:15:32,580

entire month with my daughter and stayed

332

00:15:38,030 --> 00:15:35,790

with family members and multiple times

333

00:15:41,600 --> 00:15:38,040

about four times she called down her

334

00:15:43,310 --> 00:15:41,610

angels to be praying and wanting to see

335

00:15:46,310 --> 00:15:43,320

the angels that had interacted with her

336

00:15:50,240 --> 00:15:46,320

and each time a big UFO would show up

337

00:15:52,580 --> 00:15:50,250

and one time it stopped Airport traffic

338

00:15:55,520 --> 00:15:52,590

in Veracruz Airport and it's all

339

00:15:58,460 --> 00:15:55,530

documented in the newspapers and it was

340

00:16:00,350 --> 00:15:58,470

even a TV interview on the local TV and

341

00:16:03,610 --> 00:16:00,360

our cruise that I was able to pull up

342

00:16:06,610 --> 00:16:03,620

and and the man that was going to go to

343

00:16:10,160 --> 00:16:06,620

her brother's are actually her nieces

344

00:16:12,740 --> 00:16:10,170

baptism party that Sunday right after

345

00:16:15,080 --> 00:16:12,750

that a UFO aircraft over Veracruz

346

00:16:19,220 --> 00:16:15,090

Airport he was one of those people that

347

00:16:20,630 --> 00:16:19,230

was stuck going around Veracruz and he

348

00:16:24,290 --> 00:16:20,640

said everybody in the plane was taking

349

00:16:27,650 --> 00:16:24,300

videos of the UFO and he was showing the

350

00:16:30,260 --> 00:16:27,660

video in that the baptism party and so

351  
00:16:32,240 --> 00:16:30,270  
and then my wife also saw these three

352  
00:16:34,820 --> 00:16:32,250  
very tall beings she described them as

353  
00:16:37,400 --> 00:16:34,830  
eight a seven to eight feet tall dressed

354  
00:16:39,710 --> 00:16:37,410  
in white monk's robes they didn't look

355  
00:16:42,590 --> 00:16:39,720  
completely human they had like a bald

356  
00:16:44,450 --> 00:16:42,600  
head different facial features but she

357  
00:16:46,580 --> 00:16:44,460  
couldn't tell what it was because she

358  
00:16:48,560 --> 00:16:46,590  
was seeing it sideways and she couldn't

359  
00:16:50,930 --> 00:16:48,570  
fully tell what it was their face looked

360  
00:16:53,930 --> 00:16:50,940  
like but they floated in front of her

361  
00:16:56,150 --> 00:16:53,940  
about a foot off the ground for about

362  
00:16:59,540 --> 00:16:56,160  
twenty seconds and then they disappeared

363  
00:17:01,550 --> 00:16:59,550

and then my wife when she got back home

364

00:17:04,870 --> 00:17:01,560

she was having all these paranormal

365

00:17:07,220 --> 00:17:04,880

experiences especially precognition and

366

00:17:09,320 --> 00:17:07,230

I won't go into those details because

367

00:17:11,780 --> 00:17:09,330

there was so many of them and then in

368

00:17:13,400 --> 00:17:11,790

August roughly six months after that

369

00:17:15,949 --> 00:17:13,410

initial experience in the living room I

370

00:17:18,320 --> 00:17:15,959

for the first time ever purposely tried

371

00:17:20,480 --> 00:17:18,330

to call down the intelligence that my

372

00:17:22,400 --> 00:17:20,490

wife had been interacting with and this

373

00:17:24,590 --> 00:17:22,410

is in the evening in August of

374

00:17:27,079 --> 00:17:24,600

mid-august I think it was and it

375

00:17:29,769 --> 00:17:27,089

appeared this huge gigantic object

376

00:17:31,899 --> 00:17:29,779

appeared the size of a football stadium

377

00:17:34,149 --> 00:17:31,909

right on top of my next-door neighbor's

378

00:17:38,049 --> 00:17:34,159

house 30 feet the bottom of the crowd of

379

00:17:40,479 --> 00:17:38,059

this object was less than 30 feet away

380

00:17:43,419 --> 00:17:40,489

from us and my daughter wound up seeing

381

00:17:45,539 --> 00:17:43,429

it and three adult friends and there was

382

00:17:50,229 --> 00:17:45,549

telepathic communication that took place

383

00:17:52,419 --> 00:17:50,239

really you know some crazy stuff and and

384

00:17:55,830 --> 00:17:52,429

that it was after that experience that

385

00:17:58,450 --> 00:17:55,840

it began for me two years of non-stop

386

00:18:02,019 --> 00:17:58,460

paranormal experiences that really

387

00:18:03,669 --> 00:18:02,029

lasted two years and and even let the

388

00:18:07,180 --> 00:18:03,679

formation of free over a two-day period

389

00:18:09,399 --> 00:18:07,190

as well let's put a pause right there

390

00:18:11,649 --> 00:18:09,409

pause mark cuz I want to talk about the

391

00:18:13,869 --> 00:18:11,659

free organization but I want to go back

392

00:18:15,879 --> 00:18:13,879

to how I started this show because it

393

00:18:19,029 --> 00:18:15,889

sounded like hype folks

394

00:18:22,930 --> 00:18:19,039

it sounded like hype most important

395

00:18:26,560 --> 00:18:22,940

research in the world it's not hype if

396

00:18:31,119 --> 00:18:26,570

this is real if this guy this attorney

397

00:18:32,889 --> 00:18:31,129

from Miami who spent this is 2012 who

398

00:18:36,459 --> 00:18:32,899

spent the last seven years of his life

399

00:18:38,409 --> 00:18:36,469

creating this incredibly relevant and

400

00:18:40,899 --> 00:18:38,419

important organization that everyone

401  
00:18:43,839 --> 00:18:40,909  
points to this free organization Harvard

402  
00:18:47,049 --> 00:18:43,849  
PhDs a dozen PhDs from around the world

403  
00:18:48,549 --> 00:18:47,059  
all drawn to it all saying mr. Hernandez

404  
00:18:50,979 --> 00:18:48,559  
what you're doing is so important

405  
00:18:53,680 --> 00:18:50,989  
validated by peer-reviewed journals all

406  
00:18:55,570 --> 00:18:53,690  
that stuff has happened from one guy who

407  
00:18:58,450 --> 00:18:55,580  
had these extraordinary experiences

408  
00:19:00,849 --> 00:18:58,460  
similar experiences to what thousands of

409  
00:19:02,859 --> 00:19:00,859  
other people have reported similar

410  
00:19:05,859 --> 00:19:02,869  
experiences to what has now been

411  
00:19:10,389 --> 00:19:05,869  
disclosed and is emitted - how is this

412  
00:19:12,459 --> 00:19:10,399  
not the most important topic in the

413  
00:19:14,709 --> 00:19:12,469

world Ray's going to talk about our

414

00:19:17,589 --> 00:19:14,719

relationship to the phenomenon or the

415

00:19:19,359 --> 00:19:17,599

phenomena that is out there but I like

416

00:19:20,799 --> 00:19:19,369

to keep it in simpler terms since this

417

00:19:23,950 --> 00:19:20,809

is what we've been programmed to think

418

00:19:25,029 --> 00:19:23,960

of ETS and UFOs so that's the term I use

419

00:19:28,450 --> 00:19:25,039

because that's where we've been

420

00:19:31,299 --> 00:19:28,460

programmed how is not our relationship

421

00:19:33,419 --> 00:19:31,309

with this super advanced intelligence

422

00:19:36,459 --> 00:19:33,429

that has this ability to manipulate

423

00:19:39,009 --> 00:19:36,469

consciousness as Ray's talking about in

424

00:19:41,739 --> 00:19:39,019

a way that we don't understand how is

425

00:19:43,150 --> 00:19:41,749

that not topic number one and before you

426

00:19:45,820 --> 00:19:43,160

get on to the free organization

427

00:19:49,540 --> 00:19:45,830

I did want to highlight a couple of

428

00:19:51,340 --> 00:19:49,550

points from your experience but I did

429

00:19:54,760 --> 00:19:51,350

think it might be interesting if we

430

00:19:57,730 --> 00:19:54,770

could to recap some important points

431

00:20:01,630 --> 00:19:57,740

from that first experience right because

432

00:20:03,490 --> 00:20:01,640

so many things that people hear and then

433

00:20:07,240 --> 00:20:03,500

you encapsulate them off multiple

434

00:20:10,690 --> 00:20:07,250

witnesses healing again a spiritual

435

00:20:13,020 --> 00:20:10,700

dimension to it after-effects so you

436

00:20:16,750 --> 00:20:13,030

have this experience and then long after

437

00:20:18,780 --> 00:20:16,760

your wife starts having these advanced

438

00:20:21,370 --> 00:20:18,790

consciousness experiences telepathy

439

00:20:23,380 --> 00:20:21,380

precognition all the rest of stuff you

440

00:20:25,990 --> 00:20:23,390

do too and then you have this crazy

441

00:20:29,080 --> 00:20:26,000

memory screening thing where someone

442

00:20:31,150 --> 00:20:29,090

some thing some entity some intelligence

443

00:20:33,040 --> 00:20:31,160

is taking over your brain I love that

444

00:20:34,750 --> 00:20:33,050

part of the story that you walk down

445

00:20:36,670 --> 00:20:34,760

it's the most extraordinary experience

446

00:20:39,580 --> 00:20:36,680

in your life and your brain clicks in

447

00:20:42,280 --> 00:20:39,590

and goes oh this is I need to

448

00:20:45,280 --> 00:20:42,290

go back upstairs and go to sleep so

449

00:20:48,280 --> 00:20:45,290

these are some of the elements to this

450

00:20:51,400 --> 00:20:48,290

that are there and then drive you later

451  
00:20:54,040 --> 00:20:51,410  
on to start trying to put your arms

452  
00:20:57,010 --> 00:20:54,050  
around this in a scientific way and

453  
00:20:59,590 --> 00:20:57,020  
that's what you've done with this free

454  
00:21:02,110 --> 00:20:59,600  
organization so I know we're covering

455  
00:21:04,540 --> 00:21:02,120  
ground that's been covered before but I

456  
00:21:06,340 --> 00:21:04,550  
just feel like we have to start here

457  
00:21:08,560 --> 00:21:06,350  
because otherwise it all just sounds

458  
00:21:10,840 --> 00:21:08,570  
like inside baseball crap to people that

459  
00:21:13,750 --> 00:21:10,850  
they can't follow so you were just about

460  
00:21:16,630 --> 00:21:13,760  
to say that there's this amazing set of

461  
00:21:19,990 --> 00:21:16,640  
coincidences that lead you to found this

462  
00:21:21,430 --> 00:21:20,000  
free organization but so tell that story

463  
00:21:23,110 --> 00:21:21,440

however you want but I almost feel like

464

00:21:26,110 --> 00:21:23,120

we need to jump to the end of what free

465

00:21:28,660 --> 00:21:26,120

is today the books it's publishing the

466

00:21:31,210 --> 00:21:28,670

respect it's getting the importance it's

467

00:21:33,790 --> 00:21:31,220

seeing not only when the inside the UFO

468

00:21:35,620 --> 00:21:33,800

community but wink and a nod a lot of

469

00:21:38,350 --> 00:21:35,630

people in the scientific community are

470

00:21:41,140 --> 00:21:38,360

looking over going hey you know this is

471

00:21:43,270 --> 00:21:41,150

really important stuff so tell us about

472

00:21:45,910 --> 00:21:43,280

the free realization the free

473

00:21:48,940 --> 00:21:45,920

organization from my perspective was

474

00:21:52,060 --> 00:21:48,950

orchestrated by non-human intelligence

475

00:21:54,310 --> 00:21:52,070

it was literally set up within a two day

476

00:21:56,280 --> 00:21:54,320

period I don't want to go into all the

477

00:21:58,260 --> 00:21:56,290

details of how it was formed

478

00:22:02,460 --> 00:21:58,270

it's in a book in the preface that I

479

00:22:05,280 --> 00:22:02,470

wrote to our book beyond UFOs but just a

480

00:22:08,040 --> 00:22:05,290

synopsis of it I was driving down a

481

00:22:11,040 --> 00:22:08,050

major thoroughfare in Miami Florida

482

00:22:12,660 --> 00:22:11,050

middle of a traffic jam going into

483

00:22:15,720 --> 00:22:12,670

downtown Miami at 8:30 in the morning

484

00:22:18,210 --> 00:22:15,730

and then listening to this radio

485

00:22:21,720 --> 00:22:18,220

interview of this man doing a

486

00:22:25,590 --> 00:22:21,730

documentary on art fat which came from

487

00:22:27,900 --> 00:22:25,600

his own liposuction and so I was

488

00:22:29,370 --> 00:22:27,910

listening to this thing and I was you

489

00:22:31,590 --> 00:22:29,380

know I was fascinated by it

490

00:22:35,430 --> 00:22:31,600

all of a sudden I'm I'm not in my car

491

00:22:38,730 --> 00:22:35,440

anymore I have nobody I'm just mind it's

492

00:22:40,880 --> 00:22:38,740

just pure mind and um little by little

493

00:22:44,220 --> 00:22:40,890

I'm inside this huge spinning wheel and

494

00:22:46,710 --> 00:22:44,230

the wheel becomes materialized and then

495

00:22:49,350 --> 00:22:46,720

I see spokes it's like if you could

496

00:22:51,840 --> 00:22:49,360

imagine you're inside a huge ferris

497

00:22:54,000 --> 00:22:51,850

wheel that's like ten times the size of

498

00:22:55,320 --> 00:22:54,010

a ferris wheel you're at the fulcrum in

499

00:22:58,080 --> 00:22:55,330

the center of it and you're looking out

500

00:23:01,440 --> 00:22:58,090

and it's spinning around slowly and then

501  
00:23:05,700 --> 00:23:01,450  
each of the different spokes has a video

502  
00:23:07,770 --> 00:23:05,710  
and one video was UFO contact

503  
00:23:09,600 --> 00:23:07,780  
experiences another was near-death

504  
00:23:12,870 --> 00:23:09,610  
experiences and other words out-of-body

505  
00:23:14,850 --> 00:23:12,880  
experiences another one communication

506  
00:23:16,980 --> 00:23:14,860  
would ghost his spirits another one had

507  
00:23:20,760 --> 00:23:16,990  
remote viewing another one with shamanic

508  
00:23:22,410 --> 00:23:20,770  
journeys etc etc etc all the different

509  
00:23:24,390 --> 00:23:22,420  
ways that humans are piercing the wheel

510  
00:23:27,450 --> 00:23:24,400  
and having contact with non-human

511  
00:23:29,460 --> 00:23:27,460  
intelligence and then it wasn't the

512  
00:23:32,040 --> 00:23:29,470  
voice it was pure information that

513  
00:23:34,320 --> 00:23:32,050

informed me that humans are approaching

514

00:23:36,570 --> 00:23:34,330

all these different ways that they're

515

00:23:40,500 --> 00:23:36,580

communicating with them and they said

516

00:23:43,530 --> 00:23:40,510

them whatever them is and a separate and

517

00:23:46,650 --> 00:23:43,540

distinct phenomenon but in fact it's all

518

00:23:49,200 --> 00:23:46,660

one phenomenon and they said and the key

519

00:23:51,510 --> 00:23:49,210

to be able to understand it humans are

520

00:23:55,050 --> 00:23:51,520

calling it consciousness but in fact

521

00:23:57,150 --> 00:23:55,060

it's the fabric of our reality and then

522

00:23:59,340 --> 00:23:57,160

it gave me instructions of what I needed

523

00:24:02,760 --> 00:23:59,350

to do and again it wasn't a voice it was

524

00:24:04,980 --> 00:24:02,770

just straight information and it said I

525

00:24:07,470 --> 00:24:04,990

need to inform humanity of the

526

00:24:09,480 --> 00:24:07,480

relationship between them the spirit

527

00:24:14,160 --> 00:24:09,490

world and consciousness

528

00:24:15,960 --> 00:24:14,170

what is that relationship and as this

529

00:24:18,600 --> 00:24:15,970

information was being put into my

530

00:24:21,540 --> 00:24:18,610

consciousness I had no idea what they're

531

00:24:23,730 --> 00:24:21,550

talking about you know what this was can

532

00:24:26,730 --> 00:24:23,740

I ask a quick question there ray because

533

00:24:28,710 --> 00:24:26,740

when you say them was it and this is

534

00:24:30,540 --> 00:24:28,720

gonna freak people out but who cares we

535

00:24:34,049 --> 00:24:30,550

have to just kind of deal with it is it

536

00:24:36,480 --> 00:24:34,059

a voice now from an entity is it just a

537

00:24:39,390 --> 00:24:36,490

knowing kind of absorbing into your mind

538

00:24:41,730 --> 00:24:39,400

is it happening in a flash and immediate

539

00:24:44,400 --> 00:24:41,740

download is it an ongoing kind of like

540

00:24:48,180 --> 00:24:44,410

normal conversation if you will in terms

541

00:24:50,070 --> 00:24:48,190

of timeline any details that would help

542

00:24:52,380 --> 00:24:50,080

it was outside of you know definitely

543

00:24:54,419 --> 00:24:52,390

space-time it was outside of space and

544

00:24:56,790 --> 00:24:54,429

outside of time because when I was

545

00:24:59,100 --> 00:24:56,800

returned that interview that I was

546

00:25:01,830 --> 00:24:59,110

listening to did not skip a beat you

547

00:25:05,880 --> 00:25:01,840

know was there was not a second that had

548

00:25:11,490 --> 00:25:05,890

gone by with that interview back typing

549

00:25:13,770 --> 00:25:11,500

section art yes and as a matter of fact

550

00:25:16,169 --> 00:25:13,780

someone doubted me and he did the

551

00:25:18,690 --> 00:25:16,179

research and he found that date that

552

00:25:20,310 --> 00:25:18,700

interview on public radio here in Miami

553

00:25:22,860 --> 00:25:20,320

about this man being interviewed for

554

00:25:24,270 --> 00:25:22,870

that and he showed me the link he says

555

00:25:27,240 --> 00:25:24,280

you know ray I doubted you but you were

556

00:25:29,880 --> 00:25:27,250

right and so but it seemed like it was

557

00:25:31,830 --> 00:25:29,890

about twenty to thirty minutes that I

558

00:25:34,680 --> 00:25:31,840

was having this type of experience and

559

00:25:36,750 --> 00:25:34,690

in terms of it wasn't a voice it's

560

00:25:39,090 --> 00:25:36,760

difficult to describe Alex it's it's

561

00:25:42,060 --> 00:25:39,100

what it is is I guess it's like people

562

00:25:44,730 --> 00:25:42,070

that do like mystical meditation and get

563

00:25:46,560 --> 00:25:44,740

like downloads of information like

564

00:25:47,250 --> 00:25:46,570

knowingness but it was much more

565

00:25:49,980 --> 00:25:47,260

tangible

566

00:25:52,590 --> 00:25:49,990

it wasn't like so abstract it was like

567

00:25:54,960 --> 00:25:52,600

someone was putting these thoughts in

568

00:25:57,090 --> 00:25:54,970

your brain without a voice you know

569

00:25:59,180 --> 00:25:57,100

there's no words to describe it I guess

570

00:26:03,330 --> 00:25:59,190

it's like an NDE a near-death experience

571

00:26:06,180 --> 00:26:03,340

when this being identified as God speaks

572

00:26:07,620 --> 00:26:06,190

to the dead person you know and they're

573

00:26:10,650 --> 00:26:07,630

getting a life review and they're

574

00:26:12,660 --> 00:26:10,660

getting instructions and from from

575

00:26:16,110 --> 00:26:12,670

quote-unquote God from this are high

576

00:26:18,659 --> 00:26:16,120

level intelligence they don't describe

577

00:26:20,460 --> 00:26:18,669

it as a voice they just describe it it's

578

00:26:22,740 --> 00:26:20,470

just like an instant knowingness instant

579

00:26:23,010 --> 00:26:22,750

information so I would describe it to

580

00:26:26,370 --> 00:26:23,020

say

581

00:26:29,130 --> 00:26:26,380

way and so they said this is not about

582

00:26:31,080 --> 00:26:29,140

you getting rich and secondly the the

583

00:26:34,110 --> 00:26:31,090

people you need gonna need help and

584

00:26:37,500 --> 00:26:34,120

there's one criteria for that you have

585

00:26:39,600 --> 00:26:37,510

to identify people with minimal ego so

586

00:26:43,400 --> 00:26:39,610

once it said that boom I was back in my

587

00:26:46,080 --> 00:26:43,410

car and I was freaking out okay and then

588

00:26:48,810 --> 00:26:46,090

you know just totally bewildered you

589

00:26:50,610 --> 00:26:48,820

know I was freaking out and then later

590

00:26:53,580 --> 00:26:50,620

that afternoon I got an email from Mary

591

00:26:56,010 --> 00:26:53,590

rod well six months earlier I had sent

592

00:26:58,950 --> 00:26:56,020

an email to like 10 very famous names of

593

00:27:00,030 --> 00:26:58,960

people in ufology wanting someone to

594

00:27:02,820 --> 00:27:00,040

talk to

595

00:27:05,460 --> 00:27:02,830

Whitley Schreiber our grant Cameron Stan

596

00:27:08,730 --> 00:27:05,470

Friedman you know Mary rod will Kathy

597

00:27:10,680 --> 00:27:08,740

Martin etc etc these big names in

598

00:27:13,350 --> 00:27:10,690

ufology because I wanted someone to talk

599

00:27:15,990 --> 00:27:13,360

to I had no one to communicate with and

600

00:27:17,670 --> 00:27:16,000

so Mary had responded and she says dear

601  
00:27:18,840 --> 00:27:17,680  
ray I'm not sorry I'm responding to an

602  
00:27:21,450 --> 00:27:18,850  
email that you had sent me six months

603  
00:27:25,920 --> 00:27:21,460  
ago but it's just six months ago and it

604  
00:27:28,530 --> 00:27:25,930  
arrives the day after or the day of your

605  
00:27:30,200 --> 00:27:28,540  
download experience I mean again we can

606  
00:27:32,730 --> 00:27:30,210  
just kind of breeze past that as

607  
00:27:35,100 --> 00:27:32,740  
coincidence coincidence coincidence but

608  
00:27:37,320 --> 00:27:35,110  
it was held up in cyberspace and you

609  
00:27:39,900 --> 00:27:37,330  
could ask Mary Rodwell if you ever do

610  
00:27:42,480 --> 00:27:39,910  
interview her again ask her that

611  
00:27:44,550 --> 00:27:42,490  
question and she'll verify it and so

612  
00:27:46,530 --> 00:27:44,560  
then she showed me how to use Skype I

613  
00:27:48,690 --> 00:27:46,540

had never used Skype and we were on

614

00:27:51,180 --> 00:27:48,700

skype to like 1:30 in the morning

615

00:27:53,310 --> 00:27:51,190

and then I had told her Mary I need to

616

00:27:54,600 --> 00:27:53,320

go to sleep I got work tomorrow and then

617

00:27:56,970 --> 00:27:54,610

the very next day I got a phone call

618

00:28:00,720 --> 00:27:56,980

hello this is Ray Hernandez yes who's

619

00:28:01,440 --> 00:28:00,730

this dr. Rudy shields who had no idea

620

00:28:03,300 --> 00:28:01,450

who this man was

621

00:28:04,940 --> 00:28:03,310

he's an emeritus professor of

622

00:28:07,770 --> 00:28:04,950

astrophysics from Harvard University

623

00:28:10,830 --> 00:28:07,780

very dear friend of the late dr. John

624

00:28:14,670 --> 00:28:10,840

Mack very very dear friend of the late

625

00:28:16,620 --> 00:28:14,680

Edgar Mitchell and and he is like a

626  
00:28:20,130 --> 00:28:16,630  
Stephen Hawking's type of person I mean

627  
00:28:22,110 --> 00:28:20,140  
his expertise is black holes and had

628  
00:28:23,940 --> 00:28:22,120  
been a member of the astrophysics

629  
00:28:26,220 --> 00:28:23,950  
department at Harvard for more than 40

630  
00:28:28,230 --> 00:28:26,230  
years so here's this man giving me a

631  
00:28:30,960 --> 00:28:28,240  
call at 9:30 in the morning the day

632  
00:28:32,550 --> 00:28:30,970  
after my experience and what had

633  
00:28:34,590 --> 00:28:32,560  
happened was that Mary had jumped the

634  
00:28:37,060 --> 00:28:34,600  
gun she had sent him my experience

635  
00:28:38,710 --> 00:28:37,070  
because I also had physics download

636  
00:28:40,420 --> 00:28:38,720  
and it was a download about

637  
00:28:43,810 --> 00:28:40,430  
consciousness how it works how it

638  
00:28:46,300 --> 00:28:43,820

operates and so Rudy got the email from

639

00:28:48,520 --> 00:28:46,310

Mary but I didn't have time to read the

640

00:28:50,350 --> 00:28:48,530

email that Mary had sent me asking for

641

00:28:53,290 --> 00:28:50,360

my permission for her to send that

642

00:28:55,780 --> 00:28:53,300

information and so Rudy just immediately

643

00:28:58,480 --> 00:28:55,790

gave me a call and at that point he was

644

00:29:01,090 --> 00:28:58,490

like blown away he says ray the

645

00:29:02,890 --> 00:29:01,100

information that you received is Edgar

646

00:29:05,010 --> 00:29:02,900

Mitchell's quantum hologram theory of

647

00:29:08,890 --> 00:29:05,020

consciousness of how it operates and

648

00:29:11,380 --> 00:29:08,900

Edgar always speculated that what Rudy

649

00:29:13,300 --> 00:29:11,390

called the modern miracles and Edgar

650

00:29:15,970 --> 00:29:13,310

also called the modern miracles that

651  
00:29:18,150 --> 00:29:15,980  
they're all interrelated and then he

652  
00:29:20,680 --> 00:29:18,160  
told me that he also you know

653  
00:29:22,720 --> 00:29:20,690  
hypothesizes this as well the

654  
00:29:25,090 --> 00:29:22,730  
information that was given to me but he

655  
00:29:26,710 --> 00:29:25,100  
said I was given it very directly so

656  
00:29:28,330 --> 00:29:26,720  
then he started talking about Edgar

657  
00:29:30,340 --> 00:29:28,340  
Mitchell's quantum hologram theory of

658  
00:29:33,520 --> 00:29:30,350  
consciousness which is a physics-based

659  
00:29:36,250 --> 00:29:33,530  
theory of information how information

660  
00:29:38,440 --> 00:29:36,260  
works with our consciousness our brain

661  
00:29:41,140 --> 00:29:38,450  
and and the information fields of our

662  
00:29:44,410 --> 00:29:41,150  
reality and very very detailed and

663  
00:29:46,180 --> 00:29:44,420

complex and then towards the end he said

664

00:29:48,010 --> 00:29:46,190

look ray I want to help you out you were

665

00:29:50,470 --> 00:29:48,020

given a clear mission I will be a

666

00:29:52,000 --> 00:29:50,480

scientific adviser but it's important

667

00:29:54,010 --> 00:29:52,010

that you write down this telephone

668

00:29:55,720 --> 00:29:54,020

number and I wrote it down and he says

669

00:29:58,420 --> 00:29:55,730

did the telephone number of my mentor I

670

00:30:01,030 --> 00:29:58,430

said was who's your mentor he goes Edgar

671

00:30:02,650 --> 00:30:01,040

Mitchell and so I was like blown away

672

00:30:04,990 --> 00:30:02,660

because I knew who had give me a was and

673

00:30:05,530 --> 00:30:05,000

so I waited like four hours to give him

674

00:30:08,050 --> 00:30:05,540

a call

675

00:30:10,660 --> 00:30:08,060

Edgar Mitchell just for those who you

676

00:30:14,380 --> 00:30:10,670

know astronaut I think like sixth guy to

677

00:30:16,480 --> 00:30:14,390

walk on the moon which nowadays younger

678

00:30:18,220 --> 00:30:16,490

people can't process that but like I was

679

00:30:21,580 --> 00:30:18,230

just telling my kids the other day this

680

00:30:24,190 --> 00:30:21,590

is like rock star superstar athlete most

681

00:30:26,640 --> 00:30:24,200

important sexy Hollywood guy in the

682

00:30:30,010 --> 00:30:26,650

world that's what an astronaut was and

683

00:30:31,480 --> 00:30:30,020

then this guy goes and does that he's

684

00:30:33,190 --> 00:30:31,490

not one of the first guys but he's the

685

00:30:35,950 --> 00:30:33,200

sixth guy it just like super work and

686

00:30:39,130 --> 00:30:35,960

then he goes on and he has this epiphany

687

00:30:40,920 --> 00:30:39,140

on the way back and it leads him to

688

00:30:43,000 --> 00:30:40,930

dedicate the rest of his life to

689

00:30:46,060 --> 00:30:43,010

understanding again what were broadly

690

00:30:49,240 --> 00:30:46,070

calling consciousness here and that's

691

00:30:50,630 --> 00:30:49,250

okay and then he starts the ion group

692

00:30:52,789 --> 00:30:50,640

you know ions

693

00:30:55,220 --> 00:30:52,799

who knows it too for noetic sciences

694

00:30:57,190 --> 00:30:55,230

Dean Radin everybody knows we've talked

695

00:30:59,390 --> 00:30:57,200

to so many of those people forefront

696

00:31:01,669 --> 00:30:59,400

parapsychology research all the rest of

697

00:31:05,390 --> 00:31:01,679

that so please continue with the story

698

00:31:07,250 --> 00:31:05,400

but that's who that guy is or was he

699

00:31:09,940 --> 00:31:07,260

just passed away a couple years ago or a

700

00:31:12,320 --> 00:31:09,950

year ago yeah about in February of

701  
00:31:14,950 --> 00:31:12,330  
almost three years ago I think it is was

702  
00:31:17,750 --> 00:31:14,960  
and just for your audience members

703  
00:31:20,390 --> 00:31:17,760  
Edgar is also known as the father of the

704  
00:31:23,060 --> 00:31:20,400  
modern UFO disclosure movement because

705  
00:31:26,630 --> 00:31:23,070  
he was the most prominent astronaut that

706  
00:31:28,850 --> 00:31:26,640  
was out open talking about UFOs that

707  
00:31:30,850 --> 00:31:28,860  
they exist and he's appeared in numerous

708  
00:31:33,740 --> 00:31:30,860  
conferences over the years it's gone

709  
00:31:36,110 --> 00:31:33,750  
numerous interviews so he pretty much is

710  
00:31:38,659 --> 00:31:36,120  
the the father of the UFO disclosure

711  
00:31:42,220 --> 00:31:38,669  
movement but more importantly I think he

712  
00:31:45,110 --> 00:31:42,230  
should be known as the father of modern

713  
00:31:47,510 --> 00:31:45,120

consciousness research he laid the

714

00:31:50,270 --> 00:31:47,520

foundation for what Dean Radin is doing

715

00:31:52,750 --> 00:31:50,280

today and he was a brilliant man very

716

00:31:55,539 --> 00:31:52,760

very loving and kind he also did videos

717

00:31:58,280 --> 00:31:55,549

about how we're destroying our planet

718

00:32:00,080 --> 00:31:58,290

also about spirituality that we need to

719

00:32:02,870 --> 00:32:00,090

become more spiritual

720

00:32:05,720 --> 00:32:02,880

Edgar really was the full package so

721

00:32:08,000 --> 00:32:05,730

again if you do interview Rudy shields

722

00:32:10,460 --> 00:32:08,010

dr. Rudy shields ask him about what I

723

00:32:13,400 --> 00:32:10,470

just told you I said look Rudy ray just

724

00:32:16,159 --> 00:32:13,410

told me this crazy story is this true

725

00:32:18,260 --> 00:32:16,169

and you'll see he'll back it up and then

726

00:32:20,270 --> 00:32:18,270

you could have also asked Edgar but

727

00:32:22,220 --> 00:32:20,280

Edgar's passed away so what happened was

728

00:32:24,620 --> 00:32:22,230

I worked up the courage four hours later

729

00:32:26,320 --> 00:32:24,630

after I hung up with Rudy to give Edgar

730

00:32:29,240 --> 00:32:26,330

called it was about three o'clock or so

731

00:32:31,490 --> 00:32:29,250

and then he told me that he and Rudy had

732

00:32:34,220 --> 00:32:31,500

a very lengthy conversation shortly

733

00:32:37,100 --> 00:32:34,230

after I spoke with Rudy and Edgar was

734

00:32:39,950 --> 00:32:37,110

definitely intrigued and he says ray

735

00:32:41,480 --> 00:32:39,960

what are you doing tomorrow I said well

736

00:32:43,100 --> 00:32:41,490

you know I'm just working I don't have

737

00:32:44,870 --> 00:32:43,110

any set plans he said would it be

738

00:32:46,940 --> 00:32:44,880

possible for you come to my place at 10

739

00:32:49,100 --> 00:32:46,950

o'clock I said well where you located he

740

00:32:49,760 --> 00:32:49,110

says Lake Worth Florida which is 90

741

00:32:52,909 --> 00:32:49,770

minutes away

742

00:32:55,970 --> 00:32:52,919

I said sure would be an honor so we set

743

00:32:57,590 --> 00:32:55,980

a time for me to go to his house so mind

744

00:32:59,240 --> 00:32:57,600

you now this is two days after my

745

00:33:01,430 --> 00:32:59,250

experience I would I was at Edgar

746

00:33:03,290 --> 00:33:01,440

Mitchell's house and I was there like

747

00:33:04,460 --> 00:33:03,300

for six hours I won't give you the

748

00:33:07,130 --> 00:33:04,470

details of what

749

00:33:10,010 --> 00:33:07,140

place there but basically Edgar told me

750

00:33:11,840 --> 00:33:10,020

his whole life he told me about how all

751  
00:33:14,260 --> 00:33:11,850  
the astronauts and the cosmonauts were

752  
00:33:17,600 --> 00:33:14,270  
having paranormal experiences in space

753  
00:33:21,260 --> 00:33:17,610  
he told me about his experiences but he

754  
00:33:23,180 --> 00:33:21,270  
never saw UFO but he one thing that I

755  
00:33:25,970 --> 00:33:23,190  
realized was that Edgar has been

756  
00:33:29,000 --> 00:33:25,980  
speaking with so many different contact

757  
00:33:32,600 --> 00:33:29,010  
experiences people that are that it had

758  
00:33:35,600 --> 00:33:32,610  
in DES Opie's UFO contact experiences

759  
00:33:37,399 --> 00:33:35,610  
edgar knew the full gambit and the

760  
00:33:40,070 --> 00:33:37,409  
interrelationship of these experiences

761  
00:33:41,450 --> 00:33:40,080  
and so he said look right Rudi and I

762  
00:33:44,299 --> 00:33:41,460  
already discussed it we will be your

763  
00:33:46,669 --> 00:33:44,309

scientific advisors for whatever you

764

00:33:49,460 --> 00:33:46,679

decide to do and I said but Edgar I

765

00:33:50,960 --> 00:33:49,470

haven't even thought about what mission

766

00:33:53,870 --> 00:33:50,970

I was given you know let alone what I'm

767

00:33:55,279 --> 00:33:53,880

gonna be doing and he says don't worry

768

00:33:58,279 --> 00:33:55,289

ray it'll come to you

769

00:34:00,620 --> 00:33:58,289

it always works that way and to me I was

770

00:34:02,690 --> 00:34:00,630

like perplexed I mean look what this man

771

00:34:04,850 --> 00:34:02,700

is saying you know it'll come to you it

772

00:34:06,140 --> 00:34:04,860

always works that way it was like he was

773

00:34:10,339 --> 00:34:06,150

speaking in riddles

774

00:34:11,990 --> 00:34:10,349

you know and finally what happened was

775

00:34:14,329 --> 00:34:12,000

that Edgar had been working with so many

776

00:34:17,629 --> 00:34:14,339

experiences Edgar had been involved in

777

00:34:21,589 --> 00:34:17,639

the paranormal world for so long that he

778

00:34:24,980 --> 00:34:21,599

knew how you know synchronicities a take

779

00:34:27,950 --> 00:34:24,990

place and downloads and and how the

780

00:34:30,919 --> 00:34:27,960

orchestration takes place with non-human

781

00:34:33,109 --> 00:34:30,929

intelligence so then I called Mary later

782

00:34:34,940 --> 00:34:33,119

on we had a Skype call and I told her

783

00:34:36,139 --> 00:34:34,950

what had happened with routing what had

784

00:34:38,570 --> 00:34:36,149

happened with that girl and I said would

785

00:34:40,490 --> 00:34:38,580

you like to join us so two days after

786

00:34:42,649 --> 00:34:40,500

that initial experience that out-of-body

787

00:34:44,329 --> 00:34:42,659

experience where I was taking I was

788

00:34:47,690 --> 00:34:44,339

taken to that what I now call a matrix

789

00:34:51,950 --> 00:34:47,700

reality the free organization was born

790

00:34:54,349 --> 00:34:51,960

great so ray since we did start at the

791

00:34:58,010 --> 00:34:54,359

beginning we're gonna be weighted down

792

00:34:59,690 --> 00:34:58,020

with kind of covering stuff that you've

793

00:35:01,579 --> 00:34:59,700

covered a million times and you probably

794

00:35:04,099 --> 00:35:01,589

get tired of talking about but I think

795

00:35:08,470 --> 00:35:04,109

we're on a roll here of trying to create

796

00:35:10,700 --> 00:35:08,480

this completed picture of this just so

797

00:35:13,670 --> 00:35:10,710

important history fundamentally

798

00:35:17,180 --> 00:35:13,680

important history so one of the really

799

00:35:18,140 --> 00:35:17,190

important things that you decide to

800

00:35:21,500 --> 00:35:18,150

undertake

801  
00:35:24,830 --> 00:35:21,510  
as part of this free organization is you

802  
00:35:26,840 --> 00:35:24,840  
say throw science at it throw science at

803  
00:35:29,650 --> 00:35:26,850  
it well the first thing you do that is

804  
00:35:32,540 --> 00:35:29,660  
truly unique and it doesn't sound

805  
00:35:34,610 --> 00:35:32,550  
remarkable at this point but if we look

806  
00:35:36,650 --> 00:35:34,620  
back even a little bit in this history

807  
00:35:39,350 --> 00:35:36,660  
and I'm gonna keep using the term UFO

808  
00:35:40,490 --> 00:35:39,360  
and ET people because I don't like the

809  
00:35:42,170 --> 00:35:40,500  
other terms because you know what they

810  
00:35:45,800 --> 00:35:42,180  
mean but when we look at the history of

811  
00:35:49,640 --> 00:35:45,810  
the UFO thing the shift you made is to

812  
00:35:53,570 --> 00:35:49,650  
say hey everyone's talking about landing

813  
00:35:56,780 --> 00:35:53,580

sites nuts and bolts propulsion why

814

00:35:59,240 --> 00:35:56,790

don't we talk about experiencers why

815

00:36:02,480 --> 00:35:59,250

don't we talk about the experience that

816

00:36:04,790 --> 00:36:02,490

people have had huge shift right huge

817

00:36:08,080 --> 00:36:04,800

huge shift and then the second thing you

818

00:36:11,840 --> 00:36:08,090

do is you say okay let's throw some

819

00:36:14,330 --> 00:36:11,850

science at it because again the folks

820

00:36:17,000 --> 00:36:14,340

who like to kind of hold onto the reins

821

00:36:19,250 --> 00:36:17,010

of mainstream science and misdirect us

822

00:36:21,200 --> 00:36:19,260

and misguide us will tell you that human

823

00:36:24,380 --> 00:36:21,210

experience cannot be studied

824

00:36:26,750 --> 00:36:24,390

scientifically but anyone knows that

825

00:36:29,570 --> 00:36:26,760

that's of course nonsense of course any

826  
00:36:32,300 --> 00:36:29,580  
discussion of pain every pain medication

827  
00:36:33,890 --> 00:36:32,310  
depression all these things are human

828  
00:36:36,170 --> 00:36:33,900  
experiences that we've studied

829  
00:36:37,450 --> 00:36:36,180  
scientifically for the longest time and

830  
00:36:39,680 --> 00:36:37,460  
we have billions of dollars of

831  
00:36:41,390 --> 00:36:39,690  
pharmaceutical companies that study all

832  
00:36:44,390 --> 00:36:41,400  
that whether they're good or bad believe

833  
00:36:49,370 --> 00:36:44,400  
that aside your point was let's study

834  
00:36:52,040 --> 00:36:49,380  
the human experience of contact with ET

835  
00:36:55,750 --> 00:36:52,050  
non-human intelligence and you throw at

836  
00:36:59,480 --> 00:36:55,760  
it this scientific methodology of

837  
00:37:03,050 --> 00:36:59,490  
medical scientific survey so tell us

838  
00:37:06,410 --> 00:37:03,060

about that process and then tell us

839

00:37:09,710 --> 00:37:06,420

about some of the huge takeaways from

840

00:37:12,650 --> 00:37:09,720

that initial survey work that you did

841

00:37:15,770 --> 00:37:12,660

okay it's important to lay out the

842

00:37:19,040 --> 00:37:15,780

foundation when I was having these

843

00:37:20,890 --> 00:37:19,050

experiences I began to do like anyone

844

00:37:23,540 --> 00:37:20,900

that has an academic background an

845

00:37:25,760 --> 00:37:23,550

academic literature review of what has

846

00:37:28,520 --> 00:37:25,770

been written academically about UFO

847

00:37:31,520 --> 00:37:28,530

contact experiences which is normal and

848

00:37:32,039 --> 00:37:31,530

logical and what I found out was that

849

00:37:33,799 --> 00:37:32,049

all

850

00:37:36,089 --> 00:37:33,809

most nothing has been written

851

00:37:39,120 --> 00:37:36,099

academically about UFO contact

852

00:37:41,699 --> 00:37:39,130

experiences there have been a few very

853

00:37:44,069 --> 00:37:41,709

small studies that were done for example

854

00:37:46,559 --> 00:37:44,079

dr. Kenneth ring I believe you might

855

00:37:49,499 --> 00:37:46,569

have interviewed him I'm not sure not

856

00:37:50,939 --> 00:37:49,509

yet okay yet dr. Kenneth ring for you

857

00:37:53,429 --> 00:37:50,949

audience members is one of the world's

858

00:37:56,489 --> 00:37:53,439

leading researchers on near-death

859

00:37:58,140 --> 00:37:56,499

experiences he was a tenured professor

860

00:38:01,890 --> 00:37:58,150

at the University of Connecticut for

861

00:38:04,829 --> 00:38:01,900

many many years and in 1988 he published

862

00:38:08,279 --> 00:38:04,839

really a historic book titled the Omega

863

00:38:11,299 --> 00:38:08,289

project and in that book he compared

864

00:38:15,150 --> 00:38:11,309

roughly 85 individuals that had

865

00:38:18,719 --> 00:38:15,160

ufo-related contact experiences mainly

866

00:38:21,689 --> 00:38:18,729

abductees with 85 individuals that had

867

00:38:23,699 --> 00:38:21,699

near-death experiences now he didn't ask

868

00:38:26,219 --> 00:38:23,709

anywhere near the number of questions

869

00:38:28,529 --> 00:38:26,229

that we ask in our free experience or

870

00:38:30,599 --> 00:38:28,539

research studies survey but one of the

871

00:38:33,289 --> 00:38:30,609

main areas that he focused on was how

872

00:38:35,219 --> 00:38:33,299

that these individuals change

873

00:38:38,279 --> 00:38:35,229

psychologically what is their

874

00:38:40,349 --> 00:38:38,289

personality profile now and and then

875

00:38:43,289 --> 00:38:40,359

there were other smaller studies for

876

00:38:47,039 --> 00:38:43,299

example Kathy Martin and Denis stoner

877

00:38:50,400 --> 00:38:47,049

Kathy is a member of our board and she

878

00:38:53,549 --> 00:38:50,410

is the director of mul Fonts experience

879

00:38:57,479 --> 00:38:53,559

her research division and she had done a

880

00:39:00,660 --> 00:38:57,489

study with approximately 50 experiencers

881

00:39:02,519 --> 00:39:00,670

again mainly abductees and most of the

882

00:39:05,160 --> 00:39:02,529

questions were sent around the abduction

883

00:39:07,259 --> 00:39:05,170

phenomenon it was 50 questions so it was

884

00:39:09,179 --> 00:39:07,269

extremely limited and there were a

885

00:39:11,219 --> 00:39:09,189

couple of others Leo sprinkle dr. Leo

886

00:39:12,779 --> 00:39:11,229

sprinkle who was a professor of

887

00:39:16,109 --> 00:39:12,789

psychology at the University of Wyoming

888

00:39:18,329 --> 00:39:16,119

he had published some articles on UFO

889

00:39:20,429 --> 00:39:18,339

contact experiences but as basically he

890

00:39:23,759 --> 00:39:20,439

administered the Minnesota Mental Health

891

00:39:26,609 --> 00:39:23,769

I always forget the acronym it's a it's

892

00:39:28,979 --> 00:39:26,619

a mental health assessment battery to

893

00:39:30,749 --> 00:39:28,989

determine whether you know someone is is

894

00:39:33,059 --> 00:39:30,759

a nutjob or not you know whether they

895

00:39:35,279 --> 00:39:33,069

have mental health problems and what he

896

00:39:38,429 --> 00:39:35,289

concluded was that they're just as

897

00:39:41,519 --> 00:39:38,439

normal as the mainstream population this

898

00:39:45,849 --> 00:39:41,529

is the UFO contact experiences so it was

899

00:39:48,910 --> 00:39:45,859

very very limited data and so because

900

00:39:51,420 --> 00:39:48,920

was given the information that all of

901  
00:39:55,390 --> 00:39:51,430  
these contact experiences were all

902  
00:39:57,969 --> 00:39:55,400  
interrelated okay how are we able to be

903  
00:40:00,549 --> 00:39:57,979  
do a comparative analysis between UFO

904  
00:40:03,059 --> 00:40:00,559  
contact experiences with near-death

905  
00:40:06,190 --> 00:40:03,069  
experiences without a body experiences

906  
00:40:09,789 --> 00:40:06,200  
given the fact that there was zero data

907  
00:40:12,670 --> 00:40:09,799  
on the UFO contact experiences okay all

908  
00:40:16,089 --> 00:40:12,680  
you had existing at that time were books

909  
00:40:20,190 --> 00:40:16,099  
on individual cases or individuals that

910  
00:40:22,539 --> 00:40:20,200  
had put together hypnotic regression

911  
00:40:25,180 --> 00:40:22,549  
information asking tons of leading

912  
00:40:28,569 --> 00:40:25,190  
questions from a very very biased

913  
00:40:31,209 --> 00:40:28,579

perspectives ie David Jacobson and Budd

914

00:40:32,799 --> 00:40:31,219

Hopkins you know it's not putting

915

00:40:34,839 --> 00:40:32,809

someone on your table and asking them

916

00:40:36,370 --> 00:40:34,849

leading questions under hypnotic

917

00:40:39,160 --> 00:40:36,380

regression that's not scientific

918

00:40:41,440 --> 00:40:39,170

academic research so in other words

919

00:40:42,880 --> 00:40:41,450

there was nothing there to be able to to

920

00:40:45,519 --> 00:40:42,890

compare to be able to use it for a

921

00:40:48,160 --> 00:40:45,529

comparative analysis to understand how

922

00:40:51,459 --> 00:40:48,170

what I now call the contact modalities

923

00:40:53,199 --> 00:40:51,469

is interrelated so and let me just jump

924

00:40:55,539 --> 00:40:53,209

in there because I don't want to get

925

00:40:58,029 --> 00:40:55,549

things sidetracked I'm not sure where I

926  
00:41:00,279 --> 00:40:58,039  
come down on David Jacobs interviewed

927  
00:41:03,699 --> 00:41:00,289  
him a couple times interviewed him and

928  
00:41:06,130 --> 00:41:03,709  
Mary Rodwell kind of you know and in ER

929  
00:41:08,650 --> 00:41:06,140  
leave the interviews I just don't want

930  
00:41:12,039 --> 00:41:08,660  
people to tune out immediately and say

931  
00:41:14,559 --> 00:41:12,049  
oh this guy is in this camp and this guy

932  
00:41:17,140 --> 00:41:14,569  
is in that camp because and you're

933  
00:41:18,819 --> 00:41:17,150  
getting to this Ray but the important

934  
00:41:21,759 --> 00:41:18,829  
thing about your research is its

935  
00:41:24,699 --> 00:41:21,769  
scientific research it was done in a way

936  
00:41:27,430 --> 00:41:24,709  
to take if you have a bias against David

937  
00:41:33,339 --> 00:41:27,440  
Jacobs my contention is that bias does

938  
00:41:35,920 --> 00:41:33,349

not show up in your survey correct you

939

00:41:37,900 --> 00:41:35,930

did design a survey to debunk this or to

940

00:41:40,029 --> 00:41:37,910

stress this position or that you set out

941

00:41:43,599 --> 00:41:40,039

to say okay how can I ask these

942

00:41:45,640 --> 00:41:43,609

questions in as broad away as possible

943

00:41:47,499 --> 00:41:45,650

scientific how can I do the thing like I

944

00:41:48,959 --> 00:41:47,509

asked the question multiple times see if

945

00:41:51,160 --> 00:41:48,969

they repeat it how can I have a

946

00:41:53,739 --> 00:41:51,170

researcher who's done social science

947

00:41:55,180 --> 00:41:53,749

work like this review all the questions

948

00:41:57,219 --> 00:41:55,190

make sure they're the right questions

949

00:41:58,299 --> 00:41:57,229

that was your approach track because

950

00:41:59,829 --> 00:41:58,309

there was zero

951  
00:42:01,959 --> 00:41:59,839  
that was their the reason I threw out

952  
00:42:03,819 --> 00:42:01,969  
his name and I could throw out other

953  
00:42:06,699 --> 00:42:03,829  
people who do hypnotic regression

954  
00:42:09,969 --> 00:42:06,709  
research that's not you know scientific

955  
00:42:12,309 --> 00:42:09,979  
academic research and so therefore we

956  
00:42:14,439 --> 00:42:12,319  
had to establish a baseline of what is

957  
00:42:16,809 --> 00:42:14,449  
the scientific data that's out there

958  
00:42:19,529 --> 00:42:16,819  
what is the testicle data so we needed

959  
00:42:23,289 --> 00:42:19,539  
to understand undertake a comprehensive

960  
00:42:25,689 --> 00:42:23,299  
statistical data collection done or are

961  
00:42:28,569 --> 00:42:25,699  
many countries you know multinational

962  
00:42:30,910 --> 00:42:28,579  
and in many languages and so what we did

963  
00:42:33,489 --> 00:42:30,920

is we spent the nine months we already

964

00:42:36,009 --> 00:42:33,499

had established a research team with

965

00:42:38,019 --> 00:42:36,019

many PhD academics and with many

966

00:42:40,469 --> 00:42:38,029

researchers people like Mary rod wall

967

00:42:44,259 --> 00:42:40,479

Kathleen Martin Barbara and Leo sprinkle

968

00:42:46,120 --> 00:42:44,269

etc people that had been had their boots

969

00:42:48,130 --> 00:42:46,130

on the ground working with experiencers

970

00:42:50,349 --> 00:42:48,140

for many many years so we put together

971

00:42:52,989 --> 00:42:50,359

the academics with the researchers and

972

00:42:56,439 --> 00:42:52,999

we say okay how do you go about studying

973

00:42:58,539 --> 00:42:56,449

UFO contact experiences and John clemo

974

00:43:00,489 --> 00:42:58,549

who taught research methodology for

975

00:43:03,549 --> 00:43:00,499

forty five years dr. John clemo a

976

00:43:05,380 --> 00:43:03,559

professor of psychology who basically

977

00:43:07,599 --> 00:43:05,390

had focused on the paranormal for over

978

00:43:09,609 --> 00:43:07,609

40 years he was a tenured faculty member

979

00:43:11,679 --> 00:43:09,619

one of the few that was a tenured

980

00:43:13,539 --> 00:43:11,689

faculty member focusing mainly on the

981

00:43:15,549 --> 00:43:13,549

paranormal so he was the chair of our

982

00:43:17,890 --> 00:43:15,559

committee and we spent nine months

983

00:43:20,349 --> 00:43:17,900

trying to develop a methodology which

984

00:43:22,660 --> 00:43:20,359

resulted in three surveys

985

00:43:25,419 --> 00:43:22,670

two of them were quantitative in nature

986

00:43:28,989 --> 00:43:25,429

totaling more than 700 questions and

987

00:43:31,779 --> 00:43:28,999

then we developed our fair Survey three

988

00:43:36,279 --> 00:43:31,789

which is open-ended qualitative

989

00:43:38,559 --> 00:43:36,289

questionnaire 70 questions and then we

990

00:43:41,469 --> 00:43:38,569

advertised this my goodness we

991

00:43:44,429 --> 00:43:41,479

advertised this all over the place we

992

00:43:47,829 --> 00:43:44,439

advertised it in over 500 Facebook sites

993

00:43:51,339 --> 00:43:47,839

we had a mailing list of thousands over

994

00:43:54,009 --> 00:43:51,349

5,000 names that we sent it out to both

995

00:43:56,919 --> 00:43:54,019

the UFO folks the paranormal folks the

996

00:43:59,019 --> 00:43:56,929

consciousness researchers ghosts and

997

00:44:01,539 --> 00:43:59,029

spirits and the e researchers OBE

998

00:44:03,309 --> 00:44:01,549

researchers anyone that might have had

999

00:44:05,650 --> 00:44:03,319

contact with non-human intelligence

1000

00:44:09,220 --> 00:44:05,660

specifically our focus was ufo-related

1001

00:44:11,290 --> 00:44:09,230

contact experiences we sent it out to

1002

00:44:13,630 --> 00:44:11,300

and let me jump in there jump in there

1003

00:44:16,000 --> 00:44:13,640

again because I've heard this before and

1004

00:44:19,870 --> 00:44:16,010

I know what's percolating in people's

1005

00:44:22,480 --> 00:44:19,880

mind is that that somehow invalidates

1006

00:44:25,270 --> 00:44:22,490

your results because you went out to the

1007

00:44:27,910 --> 00:44:25,280

broad population or in this case you

1008

00:44:30,040 --> 00:44:27,920

went out to specific groups and sought

1009

00:44:32,230 --> 00:44:30,050

their participation in the survey and

1010

00:44:34,630 --> 00:44:32,240

I'll just cut to the chase here that

1011

00:44:36,880 --> 00:44:34,640

does not invalidate this kind of work

1012

00:44:39,130 --> 00:44:36,890

this is the way that work is of this

1013

00:44:41,950 --> 00:44:39,140

kind is done all the time if you're

1014

00:44:44,170 --> 00:44:41,960

doing a pain survey you don't go out and

1015

00:44:45,730 --> 00:44:44,180

interview everyone whether or not

1016

00:44:48,100 --> 00:44:45,740

they've experienced a certain kind of

1017

00:44:50,080 --> 00:44:48,110

chronic arthritic pain you know to go

1018

00:44:51,850 --> 00:44:50,090

out to the general population you seek

1019

00:44:54,220 --> 00:44:51,860

out people that have had that kind of

1020

00:44:56,020 --> 00:44:54,230

experience and then you ask them things

1021

00:44:58,720 --> 00:44:56,030

about that so I don't know why people

1022

00:45:03,300 --> 00:44:58,730

have this fixed in their head that you

1023

00:45:06,010 --> 00:45:03,310

can't go out and publicize and promote

1024

00:45:07,960 --> 00:45:06,020

participation in these surveys this is

1025

00:45:10,060 --> 00:45:07,970

how it's done there's no other way so

1026

00:45:11,920 --> 00:45:10,070

you don't have to address that I just

1027

00:45:14,020 --> 00:45:11,930

wanted to throw that all right I get

1028

00:45:15,580 --> 00:45:14,030

that back it's we threw out our fishing

1029

00:45:21,670 --> 00:45:15,590

net

1030

00:45:23,890 --> 00:45:21,680

interviews we identified 500 Facebook

1031

00:45:26,950 --> 00:45:23,900

organizations as I said before dealing

1032

00:45:29,530 --> 00:45:26,960

with this vast array of experiences

1033

00:45:30,760 --> 00:45:29,540

mainly focused on the the UFO phenomenon

1034

00:45:33,430 --> 00:45:30,770

because that was the nature of our

1035

00:45:36,190 --> 00:45:33,440

research study and we did this on a

1036

00:45:39,430 --> 00:45:36,200

weekly basis we posted in these 500

1037

00:45:42,880 --> 00:45:39,440

Facebook sites our research study and we

1038

00:45:45,010 --> 00:45:42,890

also are only allowed conscious explicit

1039

00:45:46,960 --> 00:45:45,020

memory and that memory from hypnotic

1040

00:45:49,120 --> 00:45:46,970

regressions lucid dreams channeling

1041

00:45:50,770 --> 00:45:49,130

because we knew that if eventually we

1042

00:45:54,010 --> 00:45:50,780

want to publish this in a peer-reviewed

1043

00:45:56,230 --> 00:45:54,020

journal if you're using memories from

1044

00:45:57,700 --> 00:45:56,240

lucid dreams and channeling and notic

1045

00:46:01,090 --> 00:45:57,710

regression it's going to be totally

1046

00:46:03,100 --> 00:46:01,100

debunked and so that's why we for phase

1047

00:46:05,680 --> 00:46:03,110

one and to the quantitative aspects of

1048

00:46:08,710 --> 00:46:05,690

it we allowed only conscious explicit

1049

00:46:10,300 --> 00:46:08,720

memory however for phase 3 which is the

1050

00:46:11,860 --> 00:46:10,310

qualitative instrument where people got

1051

00:46:14,200 --> 00:46:11,870

to write down the details of their

1052

00:46:17,200 --> 00:46:14,210

experiences to write it out we did allow

1053

00:46:19,860 --> 00:46:17,210

these other type of memory recollections

1054

00:46:21,670 --> 00:46:19,870

but they had to identify this

1055

00:46:22,840 --> 00:46:21,680

information came from a hypnotic

1056

00:46:24,700 --> 00:46:22,850

regression this

1057

00:46:26,770 --> 00:46:24,710

one came from a lucid dream this came

1058

00:46:29,920 --> 00:46:26,780

from a channeling this was conscious

1059

00:46:31,270 --> 00:46:29,930

explicit memory etc etc so we didn't

1060

00:46:34,120 --> 00:46:31,280

totally exclude it but not for the

1061

00:46:36,070 --> 00:46:34,130

quantitative data and then we developed

1062

00:46:38,680 --> 00:46:36,080

the surveys in English Spanish French

1063

00:46:42,460 --> 00:46:38,690

German Slovak and very soon it's gonna

1064

00:46:44,200 --> 00:46:42,470

be administered in in Chinese so and

1065

00:46:46,690 --> 00:46:44,210

again we had numerous piece the

1066

00:46:49,990 --> 00:46:46,700

academics involved in this I believe

1067

00:46:52,120 --> 00:46:50,000

also you interviewed dr. Bob Davis yes

1068

00:46:54,460 --> 00:46:52,130

Bob Davis is a retired professor of

1069

00:46:57,190 --> 00:46:54,470

neuroscience from the State University

1070

00:46:59,560 --> 00:46:57,200

of New York again someone that's

1071

00:47:02,770 --> 00:46:59,570

extremely interested in these topics are

1072

00:47:05,560 --> 00:47:02,780

very brilliant mind and he helped us

1073

00:47:08,740 --> 00:47:05,570

tremendously we had a PC statistician

1074

00:47:11,770 --> 00:47:08,750

involved dr. Russell scalp owned we had

1075

00:47:14,290 --> 00:47:11,780

the advice of dr. Dean Radin throughout

1076

00:47:17,440 --> 00:47:14,300

this process so it was really a

1077

00:47:20,770 --> 00:47:17,450

collaborative research effort with

1078

00:47:24,570 --> 00:47:20,780

academics and researchers and ok right

1079

00:47:28,690 --> 00:47:24,580

yes right let's jump ahead then the big

1080

00:47:31,870 --> 00:47:28,700

takeaways from this work and I think

1081

00:47:36,490 --> 00:47:31,880

again when we truly step back we can see

1082

00:47:37,750 --> 00:47:36,500

how significant this shift is and for

1083

00:47:38,290 --> 00:47:37,760

folks who listen to sceptical all the

1084

00:47:40,720 --> 00:47:38,300

time

1085

00:47:42,400 --> 00:47:40,730

they might not immediately see it

1086

00:47:44,680 --> 00:47:42,410

because we talk about it all the time

1087

00:47:46,180 --> 00:47:44,690

but here is a guy ray Hernandez in the

1088

00:47:49,000 --> 00:47:46,190

free organization with all these

1089

00:47:51,190 --> 00:47:49,010

academics and PhDs behind it that went

1090

00:47:54,580 --> 00:47:51,200

out and did this survey look for the

1091

00:47:57,520 --> 00:47:54,590

answer and what you find is number one

1092

00:48:00,550 --> 00:47:57,530

let's talk about the word abduction and

1093

00:48:01,900 --> 00:48:00,560

whether or not how that fits into this

1094

00:48:04,510 --> 00:48:01,910

and then the other thing I want you to

1095

00:48:06,750 --> 00:48:04,520

hit on is the you know you call it

1096

00:48:09,820 --> 00:48:06,760

contact modalities but the

1097

00:48:13,800 --> 00:48:09,830

interconnectedness of this phenomenon

1098

00:48:16,600 --> 00:48:13,810

with all these other phenomenon correct

1099

00:48:18,700 --> 00:48:16,610

just for the background we had over four

1100

00:48:20,500 --> 00:48:18,710

thousand two individuals respond to our

1101  
00:48:22,960 --> 00:48:20,510  
surveys for more than a hundred

1102  
00:48:25,720 --> 00:48:22,970  
countries to our English language survey

1103  
00:48:27,850 --> 00:48:25,730  
we also did a statistical analysis where

1104  
00:48:30,840 --> 00:48:27,860  
we did country groupings all the

1105  
00:48:33,490 --> 00:48:30,850  
responses for the United States Canada

1106  
00:48:35,230 --> 00:48:33,500  
the United Kingdom mainland Europe and

1107  
00:48:35,660 --> 00:48:35,240  
then we grouped Australia and New

1108  
00:48:38,059 --> 00:48:35,670  
Zealand

1109  
00:48:40,870 --> 00:48:38,069  
together and all of these different

1110  
00:48:43,430 --> 00:48:40,880  
country groupings had less than a 10%

1111  
00:48:45,740 --> 00:48:43,440  
statistical variability and how they

1112  
00:48:47,329 --> 00:48:45,750  
responded to these questions so that

1113  
00:48:50,270 --> 00:48:47,339

means that no matter where you lived

1114

00:48:52,490 --> 00:48:50,280

people responding almost the same exact

1115

00:48:55,490 --> 00:48:52,500

way to all of these questions so it's a

1116

00:48:57,559 --> 00:48:55,500

universal phenomenon secondly we had

1117

00:48:59,210 --> 00:48:57,569

four major findings and and let me

1118

00:49:01,579 --> 00:48:59,220

address the abduction related questions

1119

00:49:03,470 --> 00:49:01,589

within my four major findings first of

1120

00:49:05,450 --> 00:49:03,480

all there were hundreds of other smaller

1121

00:49:07,130 --> 00:49:05,460

findings but let me just get that again

1122

00:49:10,180 --> 00:49:07,140

at the big picture here okay

1123

00:49:13,160 --> 00:49:10,190

as you were saying alluding to before

1124

00:49:16,549 --> 00:49:13,170

most of this the the research in this

1125

00:49:18,890 --> 00:49:16,559

field focused mainly on what is called

1126

00:49:20,569 --> 00:49:18,900

the abduction phenomenon even whitley

1127

00:49:23,839 --> 00:49:20,579

strieber when he interviewed me he said

1128

00:49:26,770 --> 00:49:23,849

abduction researcher Rey Hernandez and I

1129

00:49:29,900 --> 00:49:26,780

said Whitley what our survey data

1130

00:49:33,109 --> 00:49:29,910

revealed is that this is everything but

1131

00:49:35,329 --> 00:49:33,119

abductions and what we determined was

1132

00:49:37,609 --> 00:49:35,339

that only one-third of the individuals

1133

00:49:40,910 --> 00:49:37,619

had what is commonly called an abduction

1134

00:49:44,930 --> 00:49:40,920

which is a forced physical taking and

1135

00:49:47,299 --> 00:49:44,940

being relocated to another place and we

1136

00:49:50,359 --> 00:49:47,309

had almost double the number of people

1137

00:49:52,819 --> 00:49:50,369

that had seen a UFO and had been brought

1138

00:49:56,270 --> 00:49:52,829

to what we call a matrix reality which

1139

00:49:58,370 --> 00:49:56,280

is a non-3d interdimensional reality

1140

00:50:01,069 --> 00:49:58,380

almost double the number then people

1141

00:50:03,079 --> 00:50:01,079

have been abducted abducted you will dis

1142

00:50:05,000 --> 00:50:03,089

intersect here because now you're

1143

00:50:08,240 --> 00:50:05,010

getting into specifics and people need

1144

00:50:11,809 --> 00:50:08,250

to go to the the website the free

1145

00:50:13,910 --> 00:50:11,819

website and find the survey because the

1146

00:50:16,700 --> 00:50:13,920

summary of it like a hundred pages of

1147

00:50:19,339 --> 00:50:16,710

the book beyond UFO is there for free

1148

00:50:21,200 --> 00:50:19,349

for people to read and analyze and you

1149

00:50:24,950 --> 00:50:21,210

can get so much of this valuable

1150

00:50:26,630 --> 00:50:24,960

information that is the summation of all

1151  
00:50:28,520 --> 00:50:26,640  
these surveys amazing what you just said

1152  
00:50:30,650 --> 00:50:28,530  
four thousand people around the world

1153  
00:50:32,359 --> 00:50:30,660  
you know cross correlated to see if it's

1154  
00:50:33,650 --> 00:50:32,369  
consistent and it is all the rest of

1155  
00:50:36,170 --> 00:50:33,660  
this and the other thing I wanted to

1156  
00:50:39,770 --> 00:50:36,180  
point out is so now you're talking about

1157  
00:50:41,240 --> 00:50:39,780  
you know UFO abduction UFO abductions

1158  
00:50:43,210 --> 00:50:41,250  
all you see on TV that's all you see in

1159  
00:50:45,289 --> 00:50:43,220  
the movies and now you're saying well

1160  
00:50:46,520 --> 00:50:45,299  
what I really hear you saying cuz I

1161  
00:50:48,170 --> 00:50:46,530  
don't want to bury it challenge the

1162  
00:50:50,690 --> 00:50:48,180  
other way is there's an

1163  
00:50:52,069 --> 00:50:50,700

that that can be interpreted that way we

1164

00:50:54,440 --> 00:50:52,079

don't want to take away that experience

1165

00:50:56,059 --> 00:50:54,450

from people who experience that way but

1166

00:50:58,190 --> 00:50:56,069

when you look at the survey data when

1167

00:51:01,089 --> 00:50:58,200

you look at raised it really the results

1168

00:51:04,010 --> 00:51:01,099

she says that's a minority experience

1169

00:51:06,049 --> 00:51:04,020

very small part yeah doesn't even

1170

00:51:07,970 --> 00:51:06,059

compare it to the story that you told us

1171

00:51:10,339 --> 00:51:07,980

at the beginning the story you have is a

1172

00:51:12,380 --> 00:51:10,349

phenomenal account I don't call the

1173

00:51:15,079 --> 00:51:12,390

story and a phenomenal account it is not

1174

00:51:16,730 --> 00:51:15,089

an abduction account so we have to

1175

00:51:19,160 --> 00:51:16,740

figure out what's going on but part of

1176

00:51:23,089 --> 00:51:19,170

the part of doing that is we need data

1177

00:51:25,010 --> 00:51:23,099

and that's what you've given us reality

1178

00:51:26,510 --> 00:51:25,020

I'm just wanted you know you know you're

1179

00:51:28,390 --> 00:51:26,520

gonna talk in a minute about matrix

1180

00:51:30,799 --> 00:51:28,400

reality then you're gonna talk about

1181

00:51:32,960 --> 00:51:30,809

abduction and the reality of that and

1182

00:51:35,210 --> 00:51:32,970

all these different kind of contact

1183

00:51:37,039 --> 00:51:35,220

experiences that people have and I want

1184

00:51:39,559 --> 00:51:37,049

people to follow what you're talking

1185

00:51:41,809 --> 00:51:39,569

about even if they haven't gone and read

1186

00:51:44,450 --> 00:51:41,819

the research yep let me address the four

1187

00:51:47,440 --> 00:51:44,460

major findings and all in sequence first

1188

00:51:49,970 --> 00:51:47,450

of all what we determined is that the

1189

00:51:52,010 --> 00:51:49,980

overwhelming percentage of these

1190

00:51:53,900 --> 00:51:52,020

experiences are positive experiences

1191

00:51:56,359 --> 00:51:53,910

they're not negative but if you go to

1192

00:51:58,819 --> 00:51:56,369

these UFO conferences and if you go to

1193

00:52:01,309 --> 00:51:58,829

the internet and numerous websites

1194

00:52:02,750 --> 00:52:01,319

you'll think that it's all negative okay

1195

00:52:04,789 --> 00:52:02,760

you'll think that it's all these little

1196

00:52:07,940 --> 00:52:04,799

evil greys that are doing all of this

1197

00:52:11,359 --> 00:52:07,950

well please it's everything but that

1198

00:52:13,700 --> 00:52:11,369

number two hold on I do have to jump in

1199

00:52:16,519 --> 00:52:13,710

there right because I think this again

1200

00:52:19,220 --> 00:52:16,529

has the potential to lead us down the

1201  
00:52:22,039 --> 00:52:19,230  
wrong path I've been down this road like

1202  
00:52:24,049 --> 00:52:22,049  
I told you for so many years with NDEs

1203  
00:52:28,400 --> 00:52:24,059  
and if you want to start telling people

1204  
00:52:30,980 --> 00:52:28,410  
that their hellish NDE experience isn't

1205  
00:52:34,160 --> 00:52:30,990  
significant because it's amateur it's a

1206  
00:52:36,920 --> 00:52:34,170  
minority experience which it is you're

1207  
00:52:42,430 --> 00:52:36,930  
gonna lose an important part of it

1208  
00:52:47,870 --> 00:52:45,950  
percentage of it well it's not even that

1209  
00:52:51,700 --> 00:52:47,880  
you just said it's a third you know so

1210  
00:52:54,500 --> 00:52:51,710  
it's not a small it's a let me backtrack

1211  
00:52:56,809 --> 00:52:54,510  
while people have had an abduction 70

1212  
00:53:00,440 --> 00:52:56,819  
percent now of the abductees call

1213  
00:53:01,910 --> 00:53:00,450

themselves contactees why and against

1214

00:53:04,670 --> 00:53:01,920

this gets a little complicated

1215

00:53:07,370 --> 00:53:04,680

because over time they've had numerous

1216

00:53:09,890 --> 00:53:07,380

contact experiences their experiences

1217

00:53:12,830 --> 00:53:09,900

change over time from negative

1218

00:53:16,510 --> 00:53:12,840

experiences to positive experiences for

1219

00:53:19,070 --> 00:53:16,520

example many people start off having a

1220

00:53:21,350 --> 00:53:19,080

little gray visiting them in their

1221

00:53:22,940 --> 00:53:21,360

bedroom then they're paralyzed and

1222

00:53:26,270 --> 00:53:22,950

they're being inspected by these greys

1223

00:53:28,730 --> 00:53:26,280

okay over the years then people are now

1224

00:53:31,550 --> 00:53:28,740

having the ability to be brought to a

1225

00:53:35,840 --> 00:53:31,560

UFO craft perceived craft they're moving

1226

00:53:37,810 --> 00:53:35,850

about the craft over 250 people are

1227

00:53:40,490 --> 00:53:37,820

actually allowed to operate the craft

1228

00:53:44,890 --> 00:53:40,500

for the abductees it's only for about

1229

00:53:48,050 --> 00:53:44,900

440 people abductees okay and then the

1230

00:53:50,840 --> 00:53:48,060

roughly 200 and change are able to even

1231

00:53:53,270 --> 00:53:50,850

operate a craft okay and then later on

1232

00:53:56,090 --> 00:53:53,280

they begin interacting with non Grey's

1233

00:53:58,700 --> 00:53:56,100

with human looking beings and then also

1234

00:54:00,980 --> 00:53:58,710

many of them with what is called spirit

1235

00:54:03,110 --> 00:54:00,990

beings okay and that's where all these

1236

00:54:05,810 --> 00:54:03,120

lessons come in so they might have

1237

00:54:08,270 --> 00:54:05,820

started off as an abductee with highly

1238

00:54:11,390 --> 00:54:08,280

negative experiences but over time the

1239

00:54:13,550 --> 00:54:11,400

experiences change the people that have

1240

00:54:15,110 --> 00:54:13,560

had that answered the most negative

1241

00:54:16,640 --> 00:54:15,120

experience for example we had this

1242

00:54:18,860 --> 00:54:16,650

question how will you describe your

1243

00:54:21,380 --> 00:54:18,870

experiences okay very simple turn

1244

00:54:23,270 --> 00:54:21,390

positive negative or neutral sixty-six

1245

00:54:25,880 --> 00:54:23,280

percent it was positive neutral

1246

00:54:28,220 --> 00:54:25,890

twenty-nine percent and negative was

1247

00:54:30,650 --> 00:54:28,230

five percent we asked that question of

1248

00:54:33,320 --> 00:54:30,660

positive negative or neutral in multiple

1249

00:54:35,210 --> 00:54:33,330

ways over 40 questions because how you

1250

00:54:38,150 --> 00:54:35,220

ask a question you'll get a different

1251  
00:54:39,860 --> 00:54:38,160  
response we even asked that question for

1252  
00:54:43,610 --> 00:54:39,870  
the different types of non-human

1253  
00:54:46,490 --> 00:54:43,620  
intelligence that people were realizing

1254  
00:54:48,800 --> 00:54:46,500  
for example the energy being was the

1255  
00:54:51,710 --> 00:54:48,810  
number one type of being not the short

1256  
00:54:54,590 --> 00:54:51,720  
greys 55 percent of the people had

1257  
00:54:56,960 --> 00:54:54,600  
encounters with energy beings out of

1258  
00:54:59,330 --> 00:54:56,970  
those only seven percent said that that

1259  
00:55:02,300 --> 00:54:59,340  
experience was mainly negative the human

1260  
00:55:05,470 --> 00:55:02,310  
looking was 52 percent only five percent

1261  
00:55:08,000 --> 00:55:05,480  
it was mainly negative the short greys

1262  
00:55:10,700 --> 00:55:08,010  
51 percent of the people had experiences

1263  
00:55:13,640 --> 00:55:10,710

with short greys only 11 percent said

1264

00:55:15,680 --> 00:55:13,650

that their experiences were negative in

1265

00:55:18,230 --> 00:55:15,690

fact 29 person about the

1266

00:55:20,270 --> 00:55:18,240

reptilians well let me go through the

1267

00:55:23,050 --> 00:55:20,280

different categories okay

1268

00:55:26,180 --> 00:55:23,060

the ghost in the spirit forms were 47%

1269

00:55:29,990 --> 00:55:26,190

46 percent said it was positive 7

1270

00:55:32,359 --> 00:55:30,000

percent 7 percent negative 40 percent 47

1271

00:55:34,490 --> 00:55:32,369

percent said it was neutral ok now let's

1272

00:55:37,430 --> 00:55:34,500

get down a couple of different types of

1273

00:55:40,520 --> 00:55:37,440

beings now to the reptilians ok we had

1274

00:55:42,620 --> 00:55:40,530

600 let me need the categories the

1275

00:55:44,780 --> 00:55:42,630

energy being was at our thousand three

1276

00:55:47,150 --> 00:55:44,790

hundred and five human looking a

1277

00:55:48,589 --> 00:55:47,160

thousand one hundred ninety five the

1278

00:55:50,960 --> 00:55:48,599

short grazed a thousand one hundred

1279

00:55:54,010 --> 00:55:50,970

seventy three the ghosts and spirits a

1280

00:55:56,990 --> 00:55:54,020

thousand and sixty nine the tall greys

1281

00:56:00,200 --> 00:55:57,000

770 the reptilians were six hundred and

1282

00:56:01,910 --> 00:56:00,210

forty four and the insectoid the Mantid

1283

00:56:02,359 --> 00:56:01,920

beings were five hundred and

1284

00:56:04,490 --> 00:56:02,369

eighty-three

1285

00:56:07,010 --> 00:56:04,500

so now let's focus on the reptilians

1286

00:56:10,280 --> 00:56:07,020

okay six hundred and forty four people

1287

00:56:12,700 --> 00:56:10,290

had seen them okay huge numbers out of

1288

00:56:14,660 --> 00:56:12,710

those six hundred and forty-four people

1289

00:56:17,420 --> 00:56:14,670

seventeen percent said that their

1290

00:56:19,190 --> 00:56:17,430

experiences was positive twenty three

1291

00:56:21,890 --> 00:56:19,200

percent stated that their experiences

1292

00:56:24,140 --> 00:56:21,900

were negative and sixty percent said

1293

00:56:26,630 --> 00:56:24,150

that their experiences were neutral now

1294

00:56:28,520 --> 00:56:26,640

when we turn to phase three where people

1295

00:56:30,829 --> 00:56:28,530

were asked to write out the details of

1296

00:56:33,079 --> 00:56:30,839

their contact experiences we looked at

1297

00:56:35,120 --> 00:56:33,089

the people that had reptilian contact

1298

00:56:37,190 --> 00:56:35,130

experiences out of those twenty three

1299

00:56:39,650 --> 00:56:37,200

percent that said it was mainly negative

1300

00:56:41,780 --> 00:56:39,660

we looked at what they wrote out and

1301

00:56:44,540 --> 00:56:41,790

they wasn't that these reptilians were

1302

00:56:46,670 --> 00:56:44,550

you know raping their spouse and eating

1303

00:56:48,740 --> 00:56:46,680

their children and that Barack Obama was

1304

00:56:51,260 --> 00:56:48,750

a reptilian know what it was was the

1305

00:56:54,050 --> 00:56:51,270

ontological shock of the physicality of

1306

00:56:56,140 --> 00:56:54,060

that be you had these beings that were

1307

00:56:59,599 --> 00:56:56,150

described as seven to eight feet tall

1308

00:57:02,180 --> 00:56:59,609

400 to 500 pounds like these massive

1309

00:57:07,309 --> 00:57:02,190

football players on steroids with a

1310

00:57:09,859 --> 00:57:07,319

crocodile head lizard eyes and you know

1311

00:57:12,770 --> 00:57:09,869

greenish brownish greenish color and so

1312

00:57:14,660 --> 00:57:12,780

when people had these beings most of the

1313

00:57:17,240 --> 00:57:14,670

time almost all the time they just

1314

00:57:21,200 --> 00:57:17,250

stared and looked at them okay with okay

1315

00:57:25,309 --> 00:57:21,210

bit right hold on this yeah I don't know

1316

00:57:28,260 --> 00:57:25,319

I'm gonna keep you because I this is a

1317

00:57:31,140 --> 00:57:28,270

total paradigm shift for

1318

00:57:33,660 --> 00:57:31,150

99% of people out there I don't care how

1319

00:57:36,360 --> 00:57:33,670

much you've studied UFOs I don't care

1320

00:57:39,990 --> 00:57:36,370

how on the cutting edge you think you

1321

00:57:43,800 --> 00:57:40,000

are of conspiracy alt News whatever this

1322

00:57:45,900 --> 00:57:43,810

is a total paradigm shift for everyone

1323

00:57:48,030 --> 00:57:45,910

so like I told you at the beginning you

1324

00:57:50,400 --> 00:57:48,040

know I did this whole thing on the what

1325

00:57:53,220 --> 00:57:50,410

I think was the fake UFO disclosure but

1326  
00:57:55,710 --> 00:57:53,230  
it's a real disclosure in December 2017

1327  
00:57:57,810 --> 00:57:55,720  
New York Times Leslie Kane header on

1328  
00:57:59,580 --> 00:57:57,820  
talked about it New York Times oh gosh

1329  
00:58:01,440 --> 00:57:59,590  
they really dug into this oh we

1330  
00:58:03,930 --> 00:58:01,450  
understood it and then it finally makes

1331  
00:58:06,450 --> 00:58:03,940  
it breaks through Fox News I just want

1332  
00:58:08,370 --> 00:58:06,460  
you to step back and now realize what

1333  
00:58:10,680 --> 00:58:08,380  
we're asking people to do what we're

1334  
00:58:12,990 --> 00:58:10,690  
asking people to do is take that leap to

1335  
00:58:15,330 --> 00:58:13,000  
say okay well then somebody has to study

1336  
00:58:17,310 --> 00:58:15,340  
what's going on and here is a guy who

1337  
00:58:19,530 --> 00:58:17,320  
studied it and he studied it

1338  
00:58:21,860 --> 00:58:19,540

scientifically and now let's talk about

1339

00:58:26,490 --> 00:58:21,870

his findings and we're talking about

1340

00:58:29,360 --> 00:58:26,500

fricken reptilians versus greys versus

1341

00:58:32,670 --> 00:58:29,370

spirit beings and we're comparing in

1342

00:58:34,980 --> 00:58:32,680

contrasting the numbers of the

1343

00:58:37,170 --> 00:58:34,990

percentage of people who said they had

1344

00:58:41,130 --> 00:58:37,180

this kind of contact or that kind of

1345

00:58:44,840 --> 00:58:41,140

contact I think we need another way to

1346

00:58:48,060 --> 00:58:44,850

kind of step back and let people absorb

1347

00:58:50,610 --> 00:58:48,070

what's going on here and what it would

1348

00:58:53,460 --> 00:58:50,620

even mean to start asking these

1349

00:58:55,710 --> 00:58:53,470

questions I want to get to having a

1350

00:58:57,600 --> 00:58:55,720

level three discussion with you talk

1351  
00:59:00,750 --> 00:58:57,610  
about the stuff that really interests me

1352  
00:59:02,970 --> 00:59:00,760  
that the cross correlates with what I'm

1353  
00:59:05,640 --> 00:59:02,980  
finding out about people who are deeply

1354  
00:59:07,890 --> 00:59:05,650  
studying spirituality and near-death

1355  
00:59:09,630 --> 00:59:07,900  
experiences and non-dual experiences I

1356  
00:59:12,060 --> 00:59:09,640  
don't want to force those questions we

1357  
00:59:15,330 --> 00:59:12,070  
don't have to get there but I do want to

1358  
00:59:18,900 --> 00:59:15,340  
kind of take the audience and take all

1359  
00:59:21,540 --> 00:59:18,910  
of us a big step back and realize the

1360  
00:59:25,350 --> 00:59:21,550  
world we're entering where we're going

1361  
00:59:28,920 --> 00:59:25,360  
to start talking about these things in a

1362  
00:59:31,020 --> 00:59:28,930  
real way because we have to it's the

1363  
00:59:33,240 --> 00:59:31,030

most important thing we can talk about

1364

00:59:35,850 --> 00:59:33,250

so back to the reptilians let me

1365

00:59:38,600 --> 00:59:35,860

interject a skeptical kind of question

1366

00:59:41,880 --> 00:59:38,610

because there are a lot of accounts of

1367

00:59:45,300 --> 00:59:41,890

reptilians having forced sexual

1368

00:59:47,400 --> 00:59:45,310

contact with people they may not be in

1369

00:59:50,280 --> 00:59:47,410

the hundreds of thousands or even the

1370

00:59:51,960 --> 00:59:50,290

hundreds but there are those accounts we

1371

00:59:55,260 --> 00:59:51,970

have to take them seriously

1372

00:59:58,110 --> 00:59:55,270

we can't Jam those back into what we

1373

01:00:01,200 --> 00:59:58,120

normally understand as a spiritual

1374

01:00:02,730 --> 01:00:01,210

positive contact experience of any kind

1375

01:00:04,560 --> 01:00:02,740

whether if we're talking about et

1376

01:00:07,410 --> 01:00:04,570

contact experience or just the general

1377

01:00:10,260 --> 01:00:07,420

contact experience someone having forced

1378

01:00:13,560 --> 01:00:10,270

sexual relationships with people in our

1379

01:00:15,390 --> 01:00:13,570

society with our morality we say no that

1380

01:00:18,360 --> 01:00:15,400

shouldn't happen and yet that is

1381

01:00:20,010 --> 01:00:18,370

occurring so I'm okay with your finding

1382

01:00:22,860 --> 01:00:20,020

because you've convinced me that you've

1383

01:00:25,500 --> 01:00:22,870

done the work but the outlying data is

1384

01:00:27,990 --> 01:00:25,510

interesting to me as well it's like the

1385

01:00:30,090 --> 01:00:28,000

hellish NDEs they may not be a large

1386

01:00:32,610 --> 01:00:30,100

number but they're interesting as an

1387

01:00:34,470 --> 01:00:32,620

outline piece of information so what

1388

01:00:36,660 --> 01:00:34,480

about the sex with a lone only four

1389

01:00:38,250 --> 01:00:36,670

individuals stated that out of the six

1390

01:00:39,960 --> 01:00:38,260

hundred forty four people are you

1391

01:00:42,270 --> 01:00:39,970

suggesting that they did not accurately

1392

01:00:44,490 --> 01:00:42,280

report but how I'm not saying that I'm

1393

01:00:47,970 --> 01:00:44,500

just saying only four individuals

1394

01:00:50,580 --> 01:00:47,980

reported so-so whatsoever affiliates how

1395

01:00:53,280 --> 01:00:50,590

would we understand that in the larger

1396

01:00:56,340 --> 01:00:53,290

context of what we're talking about in

1397

01:00:59,060 --> 01:00:56,350

terms of contact modalities what is in

1398

01:01:02,100 --> 01:00:59,070

this extended consciousness realm this

1399

01:01:04,890 --> 01:01:02,110

advanced intelligence realm that is

1400

01:01:07,830 --> 01:01:04,900

doing that in a way that we would

1401

01:01:11,190 --> 01:01:07,840

possibly understand well this is we're

1402

01:01:14,880 --> 01:01:11,200

sort of jumping the gun on a couple of

1403

01:01:17,580 --> 01:01:14,890

additional components here but what I

1404

01:01:20,610 --> 01:01:17,590

believe is happening is that non-human

1405

01:01:23,040 --> 01:01:20,620

intelligence can encompass different

1406

01:01:26,010 --> 01:01:23,050

forms for different reasons just like in

1407

01:01:27,600 --> 01:01:26,020

shamanic experiences many people

1408

01:01:30,320 --> 01:01:27,610

describe that they're you know

1409

01:01:33,000 --> 01:01:30,330

physically being torn torn into pieces

1410

01:01:35,130 --> 01:01:33,010

and then being rebuilt again a lot of

1411

01:01:38,070 --> 01:01:35,140

people experience like death and rebirth

1412

01:01:39,750 --> 01:01:38,080

numerous times in many paranormal

1413

01:01:42,120 --> 01:01:39,760

experiences and shamanic type of

1414

01:01:44,250 --> 01:01:42,130

journeys I think there's a reason for

1415

01:01:46,800 --> 01:01:44,260

these experiences that are people are

1416

01:01:50,730 --> 01:01:46,810

having and and I and this is where I'm

1417

01:01:54,330 --> 01:01:50,740

heading towards 85% of these individuals

1418

01:01:55,170 --> 01:01:54,340

have undergone a dramatic positive

1419

01:01:58,260 --> 01:01:55,180

transfer

1420

01:02:00,540 --> 01:01:58,270

of their personality profile dr. Kenneth

1421

01:02:02,790 --> 01:02:00,550

ring had asked these questions he had as

1422

01:02:05,010 --> 01:02:02,800

close to 60 questions how were you

1423

01:02:07,440 --> 01:02:05,020

before how were you after and we

1424

01:02:10,799 --> 01:02:07,450

duplicated his research findings because

1425

01:02:14,849 --> 01:02:10,809

he had roughly 85% of both the NDE folks

1426

01:02:17,190 --> 01:02:14,859

and the UFE UFO contact folks underwent

1427

01:02:19,349 --> 01:02:17,200

the total personality change it was like

1428

01:02:21,870 --> 01:02:19,359

a butterfly came out of out of this

1429

01:02:24,450 --> 01:02:21,880

cocoon and the cocoon is this experience

1430

01:02:27,839 --> 01:02:24,460

that people were having people became

1431

01:02:29,970 --> 01:02:27,849

much more spiritual less religious they

1432

01:02:31,710 --> 01:02:29,980

no longer fear death they became more

1433

01:02:36,150 --> 01:02:31,720

empathic more loving to the Brethren

1434

01:02:37,530 --> 01:02:36,160

they became ecologically friendly all of

1435

01:02:40,500 --> 01:02:37,540

a sudden they became more consciously

1436

01:02:43,049 --> 01:02:40,510

aware etcetera etcetera etc it was a

1437

01:02:45,540 --> 01:02:43,059

tolling rebirth of a new personality

1438

01:02:48,030 --> 01:02:45,550

we discovered that 85% of these people

1439

01:02:51,180 --> 01:02:48,040

made that transition over a lengthy

1440

01:02:53,819 --> 01:02:51,190

period of time now as I said before in

1441

01:02:55,980 --> 01:02:53,829

the beginning 37 percent of the

1442

01:02:58,890 --> 01:02:55,990

individuals initially viewed their

1443

01:03:00,900 --> 01:02:58,900

experiences as negative okay but towards

1444

01:03:03,120 --> 01:03:00,910

the end only five percent viewed their

1445

01:03:06,599 --> 01:03:03,130

experiences mainly negative even the

1446

01:03:09,180 --> 01:03:06,609

people have had abductions only thirty

1447

01:03:11,250 --> 01:03:09,190

percent call themselves abductees but

1448

01:03:13,680 --> 01:03:11,260

even then the most negative type of

1449

01:03:16,410 --> 01:03:13,690

abductees was like less than than 8

1450

01:03:18,660 --> 01:03:16,420

percent so instead this traumatic

1451

01:03:21,150 --> 01:03:18,670

transition that takes place of the

1452

01:03:22,319 --> 01:03:21,160

individual so I think these experiences

1453

01:03:25,260 --> 01:03:22,329

are people are having with these

1454

01:03:28,280 --> 01:03:25,270

entities these are being utilized by

1455

01:03:31,500 --> 01:03:28,290

non-human intelligence to stimulate

1456

01:03:32,400 --> 01:03:31,510

responses thoughts reactions for the

1457

01:03:35,280 --> 01:03:32,410

people have had the most negative

1458

01:03:38,010 --> 01:03:35,290

experiences are the people we determine

1459

01:03:40,470 --> 01:03:38,020

we we did a Status of how many

1460

01:03:45,089 --> 01:03:40,480

experiences you've had okay and we

1461

01:03:49,920 --> 01:03:45,099

grouped them like from from 1 to 2 to 3

1462

01:03:51,930 --> 01:03:49,930

3 to 5 and then 5 to 10 10 to 15 15 to

1463

01:03:55,140 --> 01:03:51,940

20 then more than 20 and what we

1464

01:03:56,849 --> 01:03:55,150

discovered we did a bar chart on this we

1465

01:04:00,720 --> 01:03:56,859

discovered the more experiences you had

1466

01:04:03,240 --> 01:04:00,730

the more positive was your outlook of

1467

01:04:05,730 --> 01:04:03,250

the positivity outlook became much more

1468

01:04:06,870 --> 01:04:05,740

positive in your responses and there was

1469

01:04:08,849 --> 01:04:06,880

the people that only had one or two

1470

01:04:10,289 --> 01:04:08,859

experiences in particular

1471

01:04:13,410 --> 01:04:10,299

the people that had abduction

1472

01:04:15,299 --> 01:04:13,420

experiences that they were frozen on the

1473

01:04:16,979 --> 01:04:15,309

table being medically examined and

1474

01:04:18,630 --> 01:04:16,989

that's all they had that's all they

1475

01:04:21,269 --> 01:04:18,640

couldn't remember those are the people

1476  
01:04:23,190 --> 01:04:21,279  
are most traumatized because right yes

1477  
01:04:24,150 --> 01:04:23,200  
let me jump in there with it I'm gonna

1478  
01:04:26,640 --> 01:04:24,160  
jump right ahead

1479  
01:04:28,200 --> 01:04:26,650  
yeah you said and and get into a couple

1480  
01:04:29,640 --> 01:04:28,210  
of skeptical questions because this is

1481  
01:04:32,009 --> 01:04:29,650  
where the rubber meets the road I love

1482  
01:04:33,420 --> 01:04:32,019  
everything you're saying it's it's vital

1483  
01:04:34,799 --> 01:04:33,430  
that you're doing this research it's

1484  
01:04:36,960 --> 01:04:34,809  
vital but it's also vital that we have

1485  
01:04:38,849 --> 01:04:36,970  
this advanced kind of level 3 dialogue

1486  
01:04:41,849 --> 01:04:38,859  
because no one else is having it well

1487  
01:04:44,549 --> 01:04:41,859  
this is this is the next two findings

1488  
01:04:45,749 --> 01:04:44,559

discussed the initial two which is that

1489

01:04:48,329 --> 01:04:45,759

these were overwhelmingly positive

1490

01:04:49,829 --> 01:04:48,339

experiences number two it resulted in a

1491

01:04:52,140 --> 01:04:49,839

positive transformation of the

1492

01:04:54,420 --> 01:04:52,150

experiencer number three and four is

1493

01:04:56,660 --> 01:04:54,430

that these experiences were primarily

1494

01:04:59,579 --> 01:04:56,670

not physical they were primarily

1495

01:05:02,099 --> 01:04:59,589

paranormal that was number three number

1496

01:05:05,099 --> 01:05:02,109

four is that these experiences involve a

1497

01:05:06,989 --> 01:05:05,109

manipulation of space-time and that in

1498

01:05:09,059 --> 01:05:06,999

turn leads to the hypothesis that these

1499

01:05:12,690 --> 01:05:09,069

experiences might be interdimensional

1500

01:05:15,900 --> 01:05:12,700

and Jacques Vallee alluded to that over

1501  
01:05:18,269 --> 01:05:15,910  
forty five years ago of the manipulation

1502  
01:05:21,029 --> 01:05:18,279  
of space-time components so I think with

1503  
01:05:23,729 --> 01:05:21,039  
the paranormal versus the being

1504  
01:05:25,589 --> 01:05:23,739  
primarily paranormal and not physical

1505  
01:05:27,479 --> 01:05:25,599  
and then the manipular space-time then

1506  
01:05:30,390 --> 01:05:27,489  
we can begin to get it to some

1507  
01:05:33,690 --> 01:05:30,400  
interesting discussions my concern is

1508  
01:05:35,400 --> 01:05:33,700  
that we're still despite as far as you

1509  
01:05:37,229 --> 01:05:35,410  
are advancing the ball and you are

1510  
01:05:40,220 --> 01:05:37,239  
advancing the ball way down the field

1511  
01:05:42,630 --> 01:05:40,230  
that we're still filling this big

1512  
01:05:44,849 --> 01:05:42,640  
consciousness question with a bunch of

1513  
01:05:47,099 --> 01:05:44,859

assumptions and maybe we can't help but

1514

01:05:50,460 --> 01:05:47,109

do that and maybe I don't have any way

1515

01:05:52,519 --> 01:05:50,470

out of that but my role of skeptical

1516

01:05:54,839 --> 01:05:52,529

inquiry to perpetuate doubt in the

1517

01:05:57,299 --> 01:05:54,849

Neddie Neddie Neddie not this not this

1518

01:06:00,150 --> 01:05:57,309

is to kind of constantly poke endpoint

1519

01:06:02,370 --> 01:06:00,160

at the the kind of contradictions I'm

1520

01:06:04,049 --> 01:06:02,380

gonna do a interview in just a couple of

1521

01:06:06,660 --> 01:06:04,059

weeks with a guy who's very prominent

1522

01:06:09,539 --> 01:06:06,670

near-death experience researcher he's

1523

01:06:11,970 --> 01:06:09,549

also a Christian and he comes at he's

1524

01:06:14,880 --> 01:06:11,980

he's a solid guy very open-minded guy

1525

01:06:17,420 --> 01:06:14,890

but he takes the near-death experience

1526

01:06:20,370 --> 01:06:17,430

accounts of people who've had direct

1527

01:06:23,010 --> 01:06:20,380

experiences with Jesus I always want to

1528

01:06:25,110 --> 01:06:23,020

turn that into you mean Christ conscious

1529

01:06:26,760 --> 01:06:25,120

because it isn't Jesus right it's at

1530

01:06:28,830 --> 01:06:26,770

this spiritual dimension and then

1531

01:06:30,750 --> 01:06:28,840

there's this discussion about know if

1532

01:06:32,550 --> 01:06:30,760

you might say that technically but here

1533

01:06:34,500 --> 01:06:32,560

are the holes in his hands and here are

1534

01:06:36,990 --> 01:06:34,510

this and here's the experience that

1535

01:06:38,070 --> 01:06:37,000

people have had with Jesus and then you

1536

01:06:40,230 --> 01:06:38,080

get into the discussion of the

1537

01:06:42,780 --> 01:06:40,240

historical Jesus well what do you do

1538

01:06:45,030 --> 01:06:42,790

with that information do you deny that

1539

01:06:47,430 --> 01:06:45,040

someone has had an experience with Jesus

1540

01:06:49,410 --> 01:06:47,440

or is it my definition of Christ

1541

01:06:53,220 --> 01:06:49,420

consciousness no matter which way you

1542

01:06:55,860 --> 01:06:53,230

turn on that Ray you are kind of stumped

1543

01:06:58,110 --> 01:06:55,870

because we don't understand the nature

1544

01:07:00,000 --> 01:06:58,120

in the origin of that experience and

1545

01:07:02,760 --> 01:07:00,010

here's what makes it even more difficult

1546

01:07:05,160 --> 01:07:02,770

we like for example we like the

1547

01:07:08,480 --> 01:07:05,170

near-death experience because it has

1548

01:07:11,280 --> 01:07:08,490

some kind of medical jumping-off point a

1549

01:07:13,860 --> 01:07:11,290

neurological jumping-off point that has

1550

01:07:15,540 --> 01:07:13,870

an acknowledged mystery the brain is

1551  
01:07:16,890 --> 01:07:15,550  
functioning at a time when the brain is

1552  
01:07:18,510 --> 01:07:16,900  
not supposed to be functioning and

1553  
01:07:21,150 --> 01:07:18,520  
they're having this extraordinary

1554  
01:07:22,920 --> 01:07:21,160  
experience so we can shut up all the

1555  
01:07:24,210 --> 01:07:22,930  
neuroscientists and say nananana and

1556  
01:07:25,500 --> 01:07:24,220  
that don't say anything because you

1557  
01:07:27,540 --> 01:07:25,510  
don't have any way to explain how they

1558  
01:07:29,310 --> 01:07:27,550  
had this experience so now I can begin

1559  
01:07:31,290 --> 01:07:29,320  
talking about that experience but as

1560  
01:07:33,900 --> 01:07:31,300  
soon as we talk about that experience we

1561  
01:07:36,090 --> 01:07:33,910  
wind up in these kind of contradictions

1562  
01:07:37,920 --> 01:07:36,100  
was it Jesus was it not Jesus if this

1563  
01:07:39,600 --> 01:07:37,930

guy found Jesus when he's dead what

1564

01:07:41,190 --> 01:07:39,610

about this person who found Jesus when

1565

01:07:43,230 --> 01:07:41,200

they're praying at church and then what

1566

01:07:45,990 --> 01:07:43,240

about this survey that says it's really

1567

01:07:48,840 --> 01:07:46,000

not about Jesus so I'll stop there

1568

01:07:50,760 --> 01:07:48,850

that's one but then I'm gonna jump over

1569

01:07:53,370 --> 01:07:50,770

in a minute and talk about the interview

1570

01:07:55,560 --> 01:07:53,380

I just did with the very excellent dr.

1571

01:07:57,900 --> 01:07:55,570

Jeffrey Martin who's gone and talked to

1572

01:08:00,800 --> 01:07:57,910

and and done his own work with people

1573

01:08:05,190 --> 01:08:00,810

who've tried to connect directly with

1574

01:08:09,380 --> 01:08:05,200

consciousness by using kind of the best

1575

01:08:12,780 --> 01:08:09,390

of the best techniques of meditation and

1576

01:08:16,050 --> 01:08:12,790

psychology to remove the mind from this

1577

01:08:18,630 --> 01:08:16,060

noisy brain that's going on and what his

1578

01:08:22,320 --> 01:08:18,640

findings are and how it's really not

1579

01:08:24,930 --> 01:08:22,330

even as it's problematic

1580

01:08:27,210 --> 01:08:24,940

no matter which way we turn so I've

1581

01:08:29,700 --> 01:08:27,220

thrown a lot on the table but we can

1582

01:08:33,480 --> 01:08:29,710

start right there with Jesus impossible

1583

01:08:35,460 --> 01:08:33,490

to pull that apart without understanding

1584

01:08:36,390 --> 01:08:35,470

at a level beyond what we could possibly

1585

01:08:38,430 --> 01:08:36,400

understand

1586

01:08:40,349 --> 01:08:38,440

and the nature of consciousness that's

1587

01:08:43,260 --> 01:08:40,359

where I come okay let me give you my

1588

01:08:47,309 --> 01:08:43,270

personal hypotheses okay and this is

1589

01:08:50,939 --> 01:08:47,319

based upon me speaking almost on a daily

1590

01:08:53,039 --> 01:08:50,949

basis with UFO contact experiences and

1591

01:08:55,829 --> 01:08:53,049

these experiences why they might have

1592

01:08:59,010 --> 01:08:55,839

seen a UFO and while they've might have

1593

01:09:01,380 --> 01:08:59,020

seen a few quote-unquote beings you know

1594

01:09:03,990 --> 01:09:01,390

non-human intelligence the vast majority

1595

01:09:06,570 --> 01:09:04,000

of their reality are paranormal in

1596

01:09:09,180 --> 01:09:06,580

nature okay and let me give you a couple

1597

01:09:12,180 --> 01:09:09,190

of illustrations and the conclusion all

1598

01:09:16,260 --> 01:09:12,190

the hypotheses that I've arrived at okay

1599

01:09:18,630 --> 01:09:16,270

I've spoken with numerous species that

1600

01:09:21,599 --> 01:09:18,640

are experiences one of my best friends

1601  
01:09:25,439 --> 01:09:21,609  
here in Miami I consider the number one

1602  
01:09:28,079 --> 01:09:25,449  
contact D in the world his life over the

1603  
01:09:30,870 --> 01:09:28,089  
last 40 years is basically living in

1604  
01:09:32,789 --> 01:09:30,880  
another reality his wife is the PhD

1605  
01:09:35,490 --> 01:09:32,799  
psychologists his daughters at the PhD

1606  
01:09:38,010 --> 01:09:35,500  
psychologists he's a retired federal DEA

1607  
01:09:38,990 --> 01:09:38,020  
agent okay and he's just analyst in

1608  
01:09:41,999 --> 01:09:39,000  
illustration

1609  
01:09:44,399 --> 01:09:42,009  
several weeks ago I spoke with a

1610  
01:09:47,249 --> 01:09:44,409  
pediatrician that lives in a Midwestern

1611  
01:09:50,189 --> 01:09:47,259  
state and again this woman has seen

1612  
01:09:53,459 --> 01:09:50,199  
non-human intelligence huge UFOs with

1613  
01:09:57,000 --> 01:09:53,469

her husband she's had a major near-death

1614

01:09:59,130 --> 01:09:57,010

experience that outside of space time

1615

01:10:00,919 --> 01:09:59,140

and she said was almost Ana seemed like

1616

01:10:03,450 --> 01:10:00,929

an eternity that she was away

1617

01:10:06,750 --> 01:10:03,460

out-of-body experiences but it was

1618

01:10:08,580 --> 01:10:06,760

mainly living a life of paranormal

1619

01:10:10,740 --> 01:10:08,590

experiences and these are just

1620

01:10:13,050 --> 01:10:10,750

illustrations of like hundreds of people

1621

01:10:14,850 --> 01:10:13,060

that I've spoken with but also the

1622

01:10:17,550 --> 01:10:14,860

people that have taken our surveys okay

1623

01:10:19,290 --> 01:10:17,560

and that was off the third major finding

1624

01:10:21,419 --> 01:10:19,300

is that these experiences are primarily

1625

01:10:24,060 --> 01:10:21,429

not physical they're primarily

1626

01:10:26,700 --> 01:10:24,070

paranormal in nature and consciousness

1627

01:10:28,919 --> 01:10:26,710

related okay now let me separate these

1628

01:10:31,470 --> 01:10:28,929

two components okay and these are just

1629

01:10:34,500 --> 01:10:31,480

illustrations here I've had people that

1630

01:10:37,830 --> 01:10:34,510

he and his wife both high-level

1631

01:10:41,399 --> 01:10:37,840

professionals with advanced degrees have

1632

01:10:44,060 --> 01:10:41,409

seen Ganesh okay other people and other

1633

01:10:46,860 --> 01:10:44,070

PR with several witnesses have seen

1634

01:10:48,790 --> 01:10:46,870

Anubis the the Egyptian god with the dog

1635

01:10:51,790 --> 01:10:48,800

head okay and

1636

01:10:53,680 --> 01:10:51,800

you name the type of entity people are

1637

01:10:56,080 --> 01:10:53,690

seeing okay we're talking about

1638

01:11:00,490 --> 01:10:56,090

thousands of different types of entities

1639

01:11:03,160 --> 01:11:00,500

okay so to myself you know one way of

1640

01:11:05,560 --> 01:11:03,170

thinking it is well ganesh came from

1641

01:11:08,140 --> 01:11:05,570

whatever reality ganesh lives that you

1642

01:11:11,109 --> 01:11:08,150

know interacts with and he came to have

1643

01:11:14,020 --> 01:11:11,119

give this experience to this person okay

1644

01:11:17,589 --> 01:11:14,030

this other person my best friend here

1645

01:11:19,660 --> 01:11:17,599

has seen christ several times a couple

1646

01:11:22,569 --> 01:11:19,670

of times you know with the the wounds

1647

01:11:24,580 --> 01:11:22,579

this is a physical being you know let us

1648

01:11:27,419 --> 01:11:24,590

appear to him he's seen the Virgin Mary

1649

01:11:29,589 --> 01:11:27,429

yet he's not Catholic her role has

1650

01:11:32,560 --> 01:11:29,599

rarely ever been in a Catholic Church

1651  
01:11:35,589 --> 01:11:32,570  
has no background in Catholicism okay

1652  
01:11:37,810 --> 01:11:35,599  
and and so you you say to yourself you

1653  
01:11:39,760 --> 01:11:37,820  
know are all these people seeing all of

1654  
01:11:43,660 --> 01:11:39,770  
these different types of beings do they

1655  
01:11:46,169 --> 01:11:43,670  
really exist or many experiences have

1656  
01:11:50,160 --> 01:11:46,179  
spoken that these intelligence can

1657  
01:11:53,229 --> 01:11:50,170  
masquerade in different formats for

1658  
01:11:55,359 --> 01:11:53,239  
specific you know reasons you know for

1659  
01:11:58,180 --> 01:11:55,369  
teachings to demonstrate whatever

1660  
01:12:00,850 --> 01:11:58,190  
objective there is okay and that's the

1661  
01:12:02,919 --> 01:12:00,860  
hypotheses that I have that whatever

1662  
01:12:05,620 --> 01:12:02,929  
this non-human intelligence we have zero

1663  
01:12:08,680 --> 01:12:05,630

data for that though we have we can't

1664

01:12:11,890 --> 01:12:08,690

even come up with a decent hypothesis

1665

01:12:14,319 --> 01:12:11,900

for how that would work or to separate

1666

01:12:16,299 --> 01:12:14,329

how it would work in this case in that

1667

01:12:19,600 --> 01:12:16,309

case you know it's like when I talked to

1668

01:12:23,140 --> 01:12:19,610

Dean Radin who I have the utmost respect

1669

01:12:26,439 --> 01:12:23,150

for it but he admits himself he's new to

1670

01:12:28,390 --> 01:12:26,449

this whole idea of spiritual realms and

1671

01:12:30,160 --> 01:12:28,400

a year ago if you would have even asked

1672

01:12:31,569 --> 01:12:30,170

him about spirit he would have kind of

1673

01:12:34,390 --> 01:12:31,579

chuckled behind his breath there's no

1674

01:12:36,280 --> 01:12:34,400

such thing so once we enter that realm

1675

01:12:39,459 --> 01:12:36,290

though I'm afraid we're filling the

1676

01:12:41,770 --> 01:12:39,469

vacuum with a bunch of assumptions what

1677

01:12:44,740 --> 01:12:41,780

I think we're I think we're at is at the

1678

01:12:47,379 --> 01:12:44,750

point of acknowledging that this is a

1679

01:12:49,930 --> 01:12:47,389

dimension that we cannot understand

1680

01:12:51,939 --> 01:12:49,940

during Radin is not going to be able to

1681

01:12:54,220 --> 01:12:51,949

pull it back in his lab and measure it

1682

01:12:56,169 --> 01:12:54,230

actually he is he's gonna pull it back

1683

01:12:58,359 --> 01:12:56,179

and measure it in his lab but the

1684

01:13:01,479 --> 01:12:58,369

results he's going to get are all going

1685

01:13:01,919 --> 01:13:01,489

to be highly suspect because we have no

1686

01:13:04,260 --> 01:13:01,929

way

1687

01:13:07,229 --> 01:13:04,270

of understanding the nature of that

1688

01:13:10,560 --> 01:13:07,239

reality and the same thing I don't know

1689

01:13:13,500 --> 01:13:10,570

what how Jesus exists on that other

1690

01:13:17,130 --> 01:13:13,510

dimension but I am not willing to say

1691

01:13:20,010 --> 01:13:17,140

that there isn't that reality or to

1692

01:13:21,419 --> 01:13:20,020

reduce it down and kind of introduce it

1693

01:13:23,520 --> 01:13:21,429

down to a thing of saying well that's

1694

01:13:25,800 --> 01:13:23,530

just the way they appear to kind of

1695

01:13:28,110 --> 01:13:25,810

teach or this or that I don't buy it

1696

01:13:30,660 --> 01:13:28,120

because the other piece of data that I

1697

01:13:32,250 --> 01:13:30,670

do have that comes back but I don't know

1698

01:13:33,720 --> 01:13:32,260

and I'm gonna throw this out because I'd

1699

01:13:36,000 --> 01:13:33,730

be interested to see because this is

1700

01:13:38,430 --> 01:13:36,010

something you just related to near-death

1701  
01:13:42,000 --> 01:13:38,440  
experience there have you ever heard of

1702  
01:13:42,689 --> 01:13:42,010  
dr. PMH Atwater as those yes yes yeah

1703  
01:13:45,030 --> 01:13:42,699  
okay

1704  
01:13:47,360 --> 01:13:45,040  
important work one of the few people who

1705  
01:13:50,370 --> 01:13:47,370  
said hey you know what this near-death

1706  
01:13:54,209 --> 01:13:50,380  
experience transformational spiritual

1707  
01:13:56,580 --> 01:13:54,219  
experience it ain't all roses and

1708  
01:13:59,160 --> 01:13:56,590  
rainbows these people go through

1709  
01:14:02,520 --> 01:13:59,170  
depression they go through alienation

1710  
01:14:05,310 --> 01:14:02,530  
they go through divorce they have a hard

1711  
01:14:07,649 --> 01:14:05,320  
time both reconciling their experience

1712  
01:14:09,870 --> 01:14:07,659  
with their worldly experience but they

1713  
01:14:13,740 --> 01:14:09,880

especially have a hard time reconciling

1714

01:14:16,800 --> 01:14:13,750

it with their family in their group now

1715

01:14:20,479 --> 01:14:16,810

you jump over to dr. Jeffrey Martin this

1716

01:14:24,320 --> 01:14:20,489

comprehensive world-changing research on

1717

01:14:27,950 --> 01:14:24,330

non-duality and persistent non-duality

1718

01:14:31,380 --> 01:14:27,960

consciousness you know meditation

1719

01:14:33,840 --> 01:14:31,390

enlightenment for a word same thing

1720

01:14:37,110 --> 01:14:33,850

don't think you're gonna be enlightened

1721

01:14:38,729 --> 01:14:37,120

and you might feel this incredible inner

1722

01:14:40,950 --> 01:14:38,739

peace but don't think it's gonna make

1723

01:14:43,860 --> 01:14:40,960

your life better cuz you're reliable to

1724

01:14:45,630 --> 01:14:43,870

get divorced lose your job lose all your

1725

01:14:48,570 --> 01:14:45,640

friends and all the rest of that because

1726

01:14:51,000 --> 01:14:48,580

they're not on board with it so you know

1727

01:14:53,640 --> 01:14:51,010

there's these what should we enter this

1728

01:14:56,160 --> 01:14:53,650

discussion this important discussion

1729

01:14:58,680 --> 01:14:56,170

that we have to have we have two ways of

1730

01:15:00,630 --> 01:14:58,690

measuring it one is the impact it has on

1731

01:15:02,399 --> 01:15:00,640

us that we can talk about like you're

1732

01:15:04,740 --> 01:15:02,409

going to lose your job you're 50 you're

1733

01:15:05,959 --> 01:15:04,750

50% more likely to get a divorce if you

1734

01:15:07,919 --> 01:15:05,969

have NDE

1735

01:15:09,540 --> 01:15:07,929

transformational experience I don't know

1736

01:15:11,250 --> 01:15:09,550

if that's the exact number but it's kind

1737

01:15:13,020 --> 01:15:11,260

of high and the same thing if you have

1738

01:15:14,910 --> 01:15:13,030

enlightenment experience same thing I

1739

01:15:15,459 --> 01:15:14,920

don't know what it is for it so we can

1740

01:15:17,469 --> 01:15:15,469

measure

1741

01:15:19,779 --> 01:15:17,479

that and we can talk about that but we

1742

01:15:22,209 --> 01:15:19,789

can't talk about people and their

1743

01:15:23,919 --> 01:15:22,219

encounter with Jesus just like we can't

1744

01:15:26,500 --> 01:15:23,929

really talk about their account or with

1745

01:15:28,330 --> 01:15:26,510

the reptilians we just don't know the

1746

01:15:29,529 --> 01:15:28,340

order in nature of that extended

1747

01:15:31,930 --> 01:15:29,539

consciousness realm

1748

01:15:34,239 --> 01:15:31,940

correct correct I agree with everything

1749

01:15:37,209 --> 01:15:34,249

that you've just said same thing happens

1750

01:15:39,549 --> 01:15:37,219

with UFO contact experiences is it's a

1751

01:15:42,219 --> 01:15:39,559

world shattering paradigm of their

1752

01:15:44,739 --> 01:15:42,229

reality and that does affect their

1753

01:15:48,069 --> 01:15:44,749

family relationship their jobs their

1754

01:15:51,129 --> 01:15:48,079

businesses their their worldview but

1755

01:15:53,189 --> 01:15:51,139

what you have is that your being is

1756

01:15:56,020 --> 01:15:53,199

being totally deconstructed and

1757

01:15:58,000 --> 01:15:56,030

reformatted again and because of that

1758

01:16:01,750 --> 01:15:58,010

you lose your friends you might lose a

1759

01:16:04,870 --> 01:16:01,760

spouse or relationship okay but at the

1760

01:16:06,759 --> 01:16:04,880

end of it all you're on your own hero's

1761

01:16:10,450 --> 01:16:06,769

journey it seems like for many

1762

01:16:12,549 --> 01:16:10,460

individuals because you are a you are an

1763

01:16:15,430 --> 01:16:12,559

experiencer you've had these realities

1764

01:16:18,729 --> 01:16:15,440

you cannot deny it okay but there are

1765

01:16:20,859 --> 01:16:18,739

numerous consequences associated but in

1766

01:16:22,839 --> 01:16:20,869

terms of your inner self your inner

1767

01:16:25,149 --> 01:16:22,849

being of who you are there's tremendous

1768

01:16:28,239 --> 01:16:25,159

positive transformation that results

1769

01:16:29,910 --> 01:16:28,249

from that so it's it's it's a dualistic

1770

01:16:32,350 --> 01:16:29,920

process here it's like you're being

1771

01:16:34,959 --> 01:16:32,360

deconstructed but you're being built up

1772

01:16:37,810 --> 01:16:34,969

again and and again it takes time for

1773

01:16:40,600 --> 01:16:37,820

that building up again a process now in

1774

01:16:42,279 --> 01:16:40,610

terms of the nature of the phenomenon my

1775

01:16:44,799 --> 01:16:42,289

perspective and the perspective of many

1776

01:16:48,669 --> 01:16:44,809

members of our board including Edgar and

1777

01:16:51,640 --> 01:16:48,679

Rudy is that we are just starting to

1778

01:16:54,759 --> 01:16:51,650

understand what questions to ask let

1779

01:16:56,589 --> 01:16:54,769

alone what answers okay because we're

1780

01:16:59,080 --> 01:16:56,599

now starting to understand through this

1781

01:17:01,540 --> 01:16:59,090

data and be able to see the contact

1782

01:17:05,410 --> 01:17:01,550

modalities in a more holistic way that

1783

01:17:07,419 --> 01:17:05,420

this is so freakin complex okay because

1784

01:17:08,020 --> 01:17:07,429

we're dealing with multi-dimensional

1785

01:17:10,149 --> 01:17:08,030

realities

1786

01:17:15,029 --> 01:17:10,159

we're dealing with manipulations of

1787

01:17:17,500 --> 01:17:15,039

space-time we're dealing with so many a

1788

01:17:19,719 --> 01:17:17,510

comparative aspects of these phenomenon

1789

01:17:21,339 --> 01:17:19,729

that are so similar we're dealing with

1790

01:17:22,870 --> 01:17:21,349

non-human intelligence we're dealing

1791

01:17:26,200 --> 01:17:22,880

with a whole multitude of non-human

1792

01:17:29,319 --> 01:17:26,210

intelligence that what I remember when

1793

01:17:32,350 --> 01:17:29,329

Jeffrey Mishlove asked Jacques Palais

1794

01:17:34,720 --> 01:17:32,360

35 years ago these complex questions

1795

01:17:36,700 --> 01:17:34,730

Jacque fillet did not directly respond

1796

01:17:39,970 --> 01:17:36,710

to that Misha lofts questions what he

1797

01:17:42,280 --> 01:17:39,980

said you know Jeffrey what what I gather

1798

01:17:45,970 --> 01:17:42,290

is that we just don't understand

1799

01:17:48,819 --> 01:17:45,980

space-time okay alluding to that that

1800

01:17:51,310 --> 01:17:48,829

these for the phenomenon involve a

1801  
01:17:53,470 --> 01:17:51,320  
manipulation of space-time and we just

1802  
01:17:56,530 --> 01:17:53,480  
don't understand space-time we don't

1803  
01:17:58,930 --> 01:17:56,540  
understand multiple realities we don't

1804  
01:18:02,560 --> 01:17:58,940  
understand whatever this intelligence is

1805  
01:18:04,510 --> 01:18:02,570  
we still can't get a handle on how it

1806  
01:18:07,060 --> 01:18:04,520  
interacts with space-time in and

1807  
01:18:10,149 --> 01:18:07,070  
multi-dimensional you know realities of

1808  
01:18:12,850 --> 01:18:10,159  
the spirit world you know other

1809  
01:18:14,950 --> 01:18:12,860  
universes whatever these are all issues

1810  
01:18:18,160 --> 01:18:14,960  
that we're just starting to understand

1811  
01:18:20,080 --> 01:18:18,170  
that they exist but we have no we're

1812  
01:18:22,479 --> 01:18:20,090  
totally clueless as to how it's all put

1813  
01:18:24,850 --> 01:18:22,489

together and and it'll take several

1814

01:18:27,459 --> 01:18:24,860

generations because before we get to

1815

01:18:29,649 --> 01:18:27,469

have a better understanding but at least

1816

01:18:32,439 --> 01:18:29,659

what we're doing in our organization and

1817

01:18:34,810 --> 01:18:32,449

our research study is that we are dental

1818

01:18:37,479 --> 01:18:34,820

identifying these aspects these

1819

01:18:39,910 --> 01:18:37,489

questions when before no one was asking

1820

01:18:41,859 --> 01:18:39,920

these questions I mean oh it's not true

1821

01:18:44,140 --> 01:18:41,869

yeah it's like look at nuts and bolts

1822

01:18:45,970 --> 01:18:44,150

ufology there you go to all of these

1823

01:18:48,430 --> 01:18:45,980

major you were phone conferences they're

1824

01:18:51,939 --> 01:18:48,440

still talking about that tongue belong

1825

01:18:54,280 --> 01:18:51,949

group or that the the secret space

1826

01:18:58,149 --> 01:18:54,290

program that man who just retired from

1827

01:19:01,689 --> 01:18:58,159

the the CIA that was in charge of you

1828

01:19:04,359 --> 01:19:01,699

UFO research we're talking about Roswell

1829

01:19:07,689 --> 01:19:04,369

for the five thousand time Rendlesham

1830

01:19:10,750 --> 01:19:07,699

forest oh here's a new videos gonna come

1831

01:19:14,140 --> 01:19:10,760

out of this uh of this jet fighter you

1832

01:19:17,129 --> 01:19:14,150

know so my question is what has that

1833

01:19:21,339 --> 01:19:17,139

paradigm given us in seventy years and

1834

01:19:23,799 --> 01:19:21,349

my response is one is very limited well

1835

01:19:28,689 --> 01:19:23,809

let me ask that question a different way

1836

01:19:32,200 --> 01:19:28,699

who has controlled that the questions

1837

01:19:35,770 --> 01:19:32,210

whose control the the creation of that

1838

01:19:37,990 --> 01:19:35,780

paradigm and the roll out of that and so

1839

01:19:40,479 --> 01:19:38,000

you know I love the way you put that and

1840

01:19:42,870 --> 01:19:40,489

we are totally on the same page ray and

1841

01:19:46,350 --> 01:19:42,880

thank God you were out there on that

1842

01:19:48,270 --> 01:19:46,360

edge doing that work one other way that

1843

01:19:50,190 --> 01:19:48,280

I was just alluding to that I think we

1844

01:19:52,500 --> 01:19:50,200

can't connect this to the real world in

1845

01:19:53,910 --> 01:19:52,510

a way that's important is and I love the

1846

01:19:55,920 --> 01:19:53,920

term conspiracy theory because it

1847

01:19:58,080 --> 01:19:55,930

immediately creates this knee-jerk

1848

01:20:01,140 --> 01:19:58,090

reaction to people when if you go and

1849

01:20:03,960 --> 01:20:01,150

look at who created the term conspiracy

1850

01:20:05,880 --> 01:20:03,970

theory who'd created into this

1851

01:20:08,310 --> 01:20:05,890

derogatory term that anyone who

1852

01:20:13,320 --> 01:20:08,320

questions any kind of authority so you

1853

01:20:16,170 --> 01:20:13,330

know the MIS info dis info aspect of

1854

01:20:19,230 --> 01:20:16,180

this has to be understood the history of

1855

01:20:22,010 --> 01:20:19,240

the UFO movement of the UFO conference

1856

01:20:25,650 --> 01:20:22,020

of the UFO disclosure is a history of

1857

01:20:28,260 --> 01:20:25,660

misinformation and disinformation some

1858

01:20:30,330 --> 01:20:28,270

of its been outed so you know when you

1859

01:20:32,220 --> 01:20:30,340

go to contact in the desert which you're

1860

01:20:33,690 --> 01:20:32,230

doing a presentation end and you're

1861

01:20:36,930 --> 01:20:33,700

doing a presentation at all these other

1862

01:20:38,580 --> 01:20:36,940

high-level UFO conferences fantastic got

1863

01:20:40,800 --> 01:20:38,590

to get that information out there but

1864

01:20:44,580 --> 01:20:40,810

you know there's missing folk diem

1865

01:20:46,470 --> 01:20:44,590

disinfo stuff going on there so how are

1866

01:20:47,700 --> 01:20:46,480

we supposed to and this might be the

1867

01:20:49,470 --> 01:20:47,710

question to wrap it up because you've

1868

01:20:53,580 --> 01:20:49,480

been so generous with your time how do

1869

01:20:56,840 --> 01:20:53,590

we understand that aspect of it and more

1870

01:21:00,450 --> 01:20:56,850

importantly how do you navigate that

1871

01:21:03,870 --> 01:21:00,460

going forward with your research and not

1872

01:21:06,390 --> 01:21:03,880

allow that to be tainted in that way

1873

01:21:08,760 --> 01:21:06,400

driving somebody else's agenda rather

1874

01:21:10,650 --> 01:21:08,770

than the truth agenda which is that what

1875

01:21:13,220 --> 01:21:10,660

I know you're really all about it's a

1876  
01:21:16,400 --> 01:21:13,230  
that's a very difficult question because

1877  
01:21:18,840 --> 01:21:16,410  
by nature I'm a very emotional person I

1878  
01:21:20,520 --> 01:21:18,850  
grew up in New York City in a

1879  
01:21:23,940 --> 01:21:20,530  
working-class you know neighborhood

1880  
01:21:26,820 --> 01:21:23,950  
actually right outside New York City in

1881  
01:21:28,710 --> 01:21:26,830  
West New York New Jersey of a factory

1882  
01:21:31,410 --> 01:21:28,720  
town working-class neighborhood you had

1883  
01:21:33,330 --> 01:21:31,420  
a you know you're always questioning

1884  
01:21:37,980 --> 01:21:33,340  
things and you become your very

1885  
01:21:41,550 --> 01:21:37,990  
emotional and so for me is extremely

1886  
01:21:44,820 --> 01:21:41,560  
frustrating because I also utilize those

1887  
01:21:47,370 --> 01:21:44,830  
terms I used to do it publicly the terms

1888  
01:21:51,120 --> 01:21:47,380

misinformation and disinformation now I

1889

01:21:53,430 --> 01:21:51,130

don't do it publicly anymore but I view

1890

01:21:56,790 --> 01:21:53,440

the field of ufology mainstream

1891

01:21:58,169 --> 01:21:56,800

materials as ufology is basically

1892

01:22:00,799 --> 01:21:58,179

I shouldn't be saying it but I'll say

1893

01:22:03,839 --> 01:22:00,809

what the hell as a cesspool of

1894

01:22:06,379 --> 01:22:03,849

misinformation and disinformation and

1895

01:22:09,390 --> 01:22:06,389

what it needs is we need to get some

1896

01:22:11,729 --> 01:22:09,400

disinfectant via academic research on

1897

01:22:14,640 --> 01:22:11,739

this phenomenon which illustrates that

1898

01:22:17,490 --> 01:22:14,650

this phenomenon is so much more complex

1899

01:22:20,520 --> 01:22:17,500

than what any of these material

1900

01:22:23,760 --> 01:22:20,530

rationalist might even speculate it to

1901

01:22:27,000 --> 01:22:23,770

be and it's a long term agenda long term

1902

01:22:29,399 --> 01:22:27,010

goal but I think what we need to be able

1903

01:22:31,799 --> 01:22:29,409

to do is people like yourself like

1904

01:22:33,899 --> 01:22:31,809

Jeffrey Mishlove dr. Bob Davis

1905

01:22:35,819 --> 01:22:33,909

you know Rudy shields Edgar that I just

1906

01:22:38,010 --> 01:22:35,829

passed away and many many other people

1907

01:22:40,709 --> 01:22:38,020

that are interested in this relationship

1908

01:22:43,520 --> 01:22:40,719

between trying to understand what is the

1909

01:22:46,350 --> 01:22:43,530

relationship between consciousness or

1910

01:22:48,060 --> 01:22:46,360

multi-dimensional reality and contact

1911

01:22:50,520 --> 01:22:48,070

with non-human intelligence via the

1912

01:22:52,500 --> 01:22:50,530

contact modalities we don't have any

1913

01:22:55,410 --> 01:22:52,510

answers we're totally clueless as to

1914

01:22:57,330 --> 01:22:55,420

this relationship we all hypothesize and

1915

01:22:59,339 --> 01:22:57,340

speculate that there is that

1916

01:23:01,200 --> 01:22:59,349

relationship there and and that's what

1917

01:23:03,390 --> 01:23:01,210

we need to keep on prying you know for

1918

01:23:05,459 --> 01:23:03,400

the rest of our lives so that the next

1919

01:23:08,040 --> 01:23:05,469

generation will have a much firmer

1920

01:23:10,049 --> 01:23:08,050

firmer foundation than what I

1921

01:23:12,689 --> 01:23:10,059

encountered which is basically you go to

1922

01:23:14,129 --> 01:23:12,699

the internet and you get BS you know and

1923

01:23:16,260 --> 01:23:14,139

you go to these you'll follow follow G

1924

01:23:17,729 --> 01:23:16,270

conferences and when I go to these

1925

01:23:19,560 --> 01:23:17,739

you'll follow G conference I don't

1926

01:23:21,030 --> 01:23:19,570

listen to these lectures Alex

1927

01:23:23,580 --> 01:23:21,040

I basically hang out with the

1928

01:23:25,709 --> 01:23:23,590

experiencers because they have the

1929

01:23:28,680 --> 01:23:25,719

kernel of truth of what really is

1930

01:23:30,870 --> 01:23:28,690

happening the experiencers and I always

1931

01:23:32,819 --> 01:23:30,880

say to everyone I said look don't be

1932

01:23:35,129 --> 01:23:32,829

waiting for disclosure to happen from

1933

01:23:37,049 --> 01:23:35,139

the top down because disclosure is

1934

01:23:39,720 --> 01:23:37,059

happening right now from the bottom up

1935

01:23:42,750 --> 01:23:39,730

from the experiences and I think as long

1936

01:23:46,200 --> 01:23:42,760

as we are able to really be continued to

1937

01:23:48,359 --> 01:23:46,210

educate humanity of this phenomenon and

1938

01:23:51,600 --> 01:23:48,369

to do comparative research studies of

1939

01:23:54,120 --> 01:23:51,610

how our NDEs related to OBEs how they

1940

01:23:55,979 --> 01:23:54,130

related to UFO contact experiences what

1941

01:23:58,379 --> 01:23:55,989

are the similarities with remote viewing

1942

01:24:01,830 --> 01:23:58,389

the people that are seeing ghosts and

1943

01:24:03,899 --> 01:24:01,840

spirits and the channeling how is all of

1944

01:24:06,270 --> 01:24:03,909

this phenomenon interrelated if we

1945

01:24:07,859 --> 01:24:06,280

continue pushing the envelope I think

1946

01:24:09,870 --> 01:24:07,869

it's going to be heading towards a

1947

01:24:11,140 --> 01:24:09,880

better understanding of our reality

1948

01:24:13,990 --> 01:24:11,150

which at this point

1949

01:24:16,300 --> 01:24:14,000

totally clueless no that's maybe an

1950

01:24:19,120 --> 01:24:16,310

awesome way to kind of turn the corner

1951

01:24:21,580 --> 01:24:19,130

this interview rate you have so many

1952

01:24:23,680 --> 01:24:21,590

things going on I mentioned your

1953

01:24:26,380 --> 01:24:23,690

presentation net contact in the desert

1954

01:24:28,930 --> 01:24:26,390

you also have the volume 2 of the book

1955

01:24:31,720 --> 01:24:28,940

coming out other book projects tell

1956

01:24:34,930 --> 01:24:31,730

folks what's coming out right now and

1957

01:24:38,919 --> 01:24:34,940

then how they can stay on top of this

1958

01:24:40,780 --> 01:24:38,929

important stuff ok we have a website and

1959

01:24:45,370 --> 01:24:40,790

the title of the website is

1960

01:24:47,169 --> 01:24:45,380

consciousness and contact dot org my

1961

01:24:51,669 --> 01:24:47,179

email that people want to reach me is

1962

01:24:54,610 --> 01:24:51,679

info at experience org info at

1963

01:24:58,390 --> 01:24:54,620

experienced org we do have available

1964

01:25:00,640 --> 01:24:58,400

chapter one from our first book beyond

1965

01:25:02,229 --> 01:25:00,650

UFOs the science of consciousness in

1966

01:25:04,689 --> 01:25:02,239

contact with non-human intelligence

1967

01:25:07,030 --> 01:25:04,699

chapter one which is over 120 pages

1968

01:25:08,380 --> 01:25:07,040

which is a summary of our statistical

1969

01:25:10,360 --> 01:25:08,390

research study that's free for the

1970

01:25:12,280 --> 01:25:10,370

public we also have several other

1971

01:25:14,649 --> 01:25:12,290

chapters with that we have available for

1972

01:25:17,950 --> 01:25:14,659

free one is a chapter on medical

1973

01:25:20,140 --> 01:25:17,960

healings we identified 50% of the people

1974

01:25:23,380 --> 01:25:20,150

that took our survey have had a medical

1975

01:25:25,780 --> 01:25:23,390

healing and that chapter the analysis of

1976

01:25:28,720 --> 01:25:25,790

that data was written by dr. Joseph

1977

01:25:32,140 --> 01:25:28,730

Burks who I believe you met he's a

1978

01:25:35,200 --> 01:25:32,150

retired emergency room physician and was

1979

01:25:39,220 --> 01:25:35,210

also jointly written by Preston Dennett

1980

01:25:42,790 --> 01:25:39,230

who just came out with a new book on 300

1981

01:25:46,780 --> 01:25:42,800

cases of medical healings by UFO related

1982

01:25:48,820 --> 01:25:46,790

non-human intelligence so it's a valid

1983

01:25:51,040 --> 01:25:48,830

phenomenon fully documented but yet is

1984

01:25:53,020 --> 01:25:51,050

not discussed at these conferences or in

1985

01:25:56,110 --> 01:25:53,030

the field of ufology so that's a

1986

01:25:58,689 --> 01:25:56,120

consciousness in contact or you download

1987

01:26:01,689 --> 01:25:58,699

these chapters as well as the conclusion

1988

01:26:04,180 --> 01:26:01,699

to our chap our book written by the late

1989

01:26:07,570 --> 01:26:04,190

Brad Steiger which is really the father

1990

01:26:09,310 --> 01:26:07,580

of paranormal research for those that

1991

01:26:13,530 --> 01:26:09,320

don't know Brad Steiger he has written

1992

01:26:16,120 --> 01:26:13,540

over goodness 200 books on various

1993

01:26:19,570 --> 01:26:16,130

topics within the paranormal phenomena

1994

01:26:21,010 --> 01:26:19,580

and he passed away right before we

1995

01:26:24,430 --> 01:26:21,020

published our book he actually wrote

1996

01:26:28,030 --> 01:26:24,440

that chapter I believe in hospice care

1997

01:26:31,630 --> 01:26:28,040

and and then we're working on two new

1998

01:26:33,400 --> 01:26:31,640

projects one project is a scientific

1999

01:26:36,700 --> 01:26:33,410

documentary which is going to be

2000

01:26:38,410 --> 01:26:36,710

focusing on the paranormal contact

2001

01:26:40,960 --> 01:26:38,420

modalities and it's going to be

2002

01:26:42,940 --> 01:26:40,970

presenting various scientific theories

2003

01:26:45,610 --> 01:26:42,950

mainly physics theories and some

2004

01:26:49,750 --> 01:26:45,620

psychological theories of other

2005

01:26:52,300 --> 01:26:49,760

paranormal contact modalities and data

2006

01:26:54,120 --> 01:26:52,310

from our research study and commentary

2007

01:26:55,990 --> 01:26:54,130

from many experiences besides

2008

01:26:59,260 --> 01:26:56,000

researchers we're gonna have Raymond

2009

01:27:02,320 --> 01:26:59,270

Moody there Jeffery long dr. Bob Davis

2010

01:27:05,650 --> 01:27:02,330

Jeffrey Mitchell off dr. John Alexander

2011

01:27:06,930 --> 01:27:05,660

and many many many other scientists dr.

2012

01:27:09,850 --> 01:27:06,940

Gary Schwartz

2013

01:27:12,130 --> 01:27:09,860

that we've interviewed for the last two

2014

01:27:14,290 --> 01:27:12,140

years and then the other project is a

2015

01:27:17,460 --> 01:27:14,300

tangential project - the documentary

2016

01:27:19,770 --> 01:27:17,470

which which is a hypothetical book and

2017

01:27:22,000 --> 01:27:19,780

extremely important this book is really

2018

01:27:26,140 --> 01:27:22,010

much more important than our first book

2019

01:27:28,360 --> 01:27:26,150

because what this book is as follows and

2020

01:27:30,310 --> 01:27:28,370

the way this topic was introduced was I

2021

01:27:30,760 --> 01:27:30,320

was having a conversation with dr. John

2022

01:27:35,140 --> 01:27:30,770

cleo

2023

01:27:38,380 --> 01:27:35,150

and John was a tenured professor of

2024

01:27:40,000 --> 01:27:38,390

psychology for 45 years mainly focusing

2025

01:27:43,420 --> 01:27:40,010

on the paranormal he's written books

2026

01:27:45,610 --> 01:27:43,430

about NDEs OBEs his most famous book is

2027

01:27:48,670 --> 01:27:45,620

on channeling he's written numerous

2028

01:27:51,640 --> 01:27:48,680

articles on unconsciousness the

2029

01:27:53,650 --> 01:27:51,650

paranormal I mean this man is an example

2030

01:27:57,040 --> 01:27:53,660

of research on the contact modalities

2031

01:27:59,410 --> 01:27:57,050

and consciousness so john about two

2032

01:28:02,890 --> 01:27:59,420

years ago had surgery for a brain cancer

2033

01:28:04,900 --> 01:28:02,900

and now he's a much much much better but

2034

01:28:07,330 --> 01:28:04,910

when he recovered I asked him I said

2035

01:28:11,110 --> 01:28:07,340

look John you know before you pay you

2036

01:28:14,140 --> 01:28:11,120

you transcend okay I want you to write

2037

01:28:16,170 --> 01:28:14,150

an article on on this thesis question

2038

01:28:20,080 --> 01:28:16,180

what is the relationship between

2039

01:28:22,870 --> 01:28:20,090

consciousness or cosmology and contact

2040

01:28:26,980 --> 01:28:22,880

with non-human intelligence via a

2041

01:28:30,180 --> 01:28:26,990

unified contact modalities okay because

2042

01:28:31,720 --> 01:28:30,190

I had spoken with so many

2043

01:28:34,360 --> 01:28:31,730

parapsychologist so many of the people

2044

01:28:36,130 --> 01:28:34,370

that you have interviewed Dean Radin for

2045

01:28:37,330 --> 01:28:36,140

example is a key example and I would ask

2046

01:28:39,850 --> 01:28:37,340

him I said look Dean

2047

01:28:41,680 --> 01:28:39,860

you know do you suspect that all of

2048

01:28:43,359 --> 01:28:41,690

these paranormal contact modalities

2049

01:28:45,370 --> 01:28:43,369

might be interrelated it says yes

2050

01:28:47,410 --> 01:28:45,380

it says well have you written any

2051  
01:28:48,879 --> 01:28:47,420  
article on that he says no has anyone

2052  
01:28:51,970 --> 01:28:48,889  
else written an article I'm not that he

2053  
01:28:53,859 --> 01:28:51,980  
says not that I know of I said but why

2054  
01:28:55,750 --> 01:28:53,869  
not since this is the key fundamental

2055  
01:28:57,970 --> 01:28:55,760  
question we're dealing with and his

2056  
01:29:00,430 --> 01:28:57,980  
response was that look you know my plate

2057  
01:29:03,779 --> 01:29:00,440  
is full already dealing with ESP you

2058  
01:29:06,850 --> 01:29:03,789  
know and uh and and his work on

2059  
01:29:10,390 --> 01:29:06,860  
precognition and and the work that he's

2060  
01:29:12,819 --> 01:29:10,400  
been doing at ions for many years his

2061  
01:29:15,910 --> 01:29:12,829  
plate is full let alone try to introduce

2062  
01:29:18,459 --> 01:29:15,920  
other complicated topics and I've spoken

2063  
01:29:21,600 --> 01:29:18,469

with many many other researchers Stanley

2064

01:29:24,250 --> 01:29:21,610

Christner as well and many many other

2065

01:29:26,589 --> 01:29:24,260

parapsychologists jeffrey Mishlove as

2066

01:29:28,299 --> 01:29:26,599

well so I asked John I said look you

2067

01:29:29,919 --> 01:29:28,309

know would it be possible for you to

2068

01:29:31,660 --> 01:29:29,929

write an article that would be a

2069

01:29:33,520 --> 01:29:31,670

hypothetical article a speculative

2070

01:29:35,919 --> 01:29:33,530

article as to what the hell is in your

2071

01:29:38,260 --> 01:29:35,929

brain what is your best hypothesis as

2072

01:29:40,990 --> 01:29:38,270

what the hell is going on okay and he

2073

01:29:43,689 --> 01:29:41,000

agreed to so then immediately said what

2074

01:29:46,149 --> 01:29:43,699

am i limiting it just a John why don't I

2075

01:29:48,669 --> 01:29:46,159

ask it to Bob Davis why don't I ask it

2076

01:29:53,470 --> 01:29:48,679

to you why don't I ask it to Jean Dean

2077

01:29:55,959 --> 01:29:53,480

Radin Jeffery long Raymond moody you

2078

01:29:59,350 --> 01:29:55,969

know so many of these people involved in

2079

01:30:01,270 --> 01:29:59,360

these paranormal experiences ask them a

2080

01:30:04,839 --> 01:30:01,280

question I said can you write a chapter

2081

01:30:06,729 --> 01:30:04,849

which is a speculative chapter what is

2082

01:30:09,129 --> 01:30:06,739

your best guess of how all of this is

2083

01:30:11,200 --> 01:30:09,139

interrelated how its put together you

2084

01:30:12,669 --> 01:30:11,210

know well and again very important the

2085

01:30:14,939 --> 01:30:12,679

thesis statement what is the

2086

01:30:18,120 --> 01:30:14,949

relationship between consciousness or

2087

01:30:21,339 --> 01:30:18,130

cosmology and contact with non-human

2088

01:30:23,859 --> 01:30:21,349

intelligence via a unified paranormal

2089

01:30:25,779 --> 01:30:23,869

contact modalities Rudy's writing an

2090

01:30:29,589 --> 01:30:25,789

article for it and so many other people

2091

01:30:31,629 --> 01:30:29,599

and and and so I believe that that book

2092

01:30:34,000 --> 01:30:31,639

is going to be extremely important

2093

01:30:37,029 --> 01:30:34,010

because you're going to be getting the

2094

01:30:38,859 --> 01:30:37,039

hypothesis the best hypotheses of these

2095

01:30:41,410 --> 01:30:38,869

great minds that have been working on

2096

01:30:44,049 --> 01:30:41,420

this central thematic topic question

2097

01:30:45,819 --> 01:30:44,059

most for over 30 years so it's like

2098

01:30:47,560 --> 01:30:45,829

getting all right Dean what is your best

2099

01:30:50,560 --> 01:30:47,570

shot as to what the hell is going on and

2100

01:30:50,839 --> 01:30:50,570

and that is due in the spring do it beep

2101

01:30:54,560 --> 01:30:50,849

oh

2102

01:30:57,409 --> 01:30:54,570

in the spring of 2020 and it's going to

2103

01:31:00,109 --> 01:30:57,419

be an extremely important book and and

2104

01:31:04,099 --> 01:31:00,119

what I tell everyone we are establishing

2105

01:31:07,279 --> 01:31:04,109

a new paradigm a new paradigm of reality

2106

01:31:09,020 --> 01:31:07,289

okay and the beginning very few people

2107

01:31:11,449 --> 01:31:09,030

are going to understand it it's going to

2108

01:31:15,229 --> 01:31:11,459

be totally dismissed certainly by the

2109

01:31:19,580 --> 01:31:15,239

field of mainstream ufology most of

2110

01:31:21,979 --> 01:31:19,590

mainstream NDE experiencers uh certainly

2111

01:31:24,830 --> 01:31:21,989

the consciousness study scholars etc etc

2112

01:31:26,509 --> 01:31:24,840

etc but what it's going to do is it's

2113

01:31:29,290 --> 01:31:26,519

going to establish a baseline for future

2114

01:31:31,279 --> 01:31:29,300

discussions over multiple generations

2115

01:31:36,500 --> 01:31:31,289

because we're establishing a new

2116

01:31:37,969 --> 01:31:36,510

paradigm well that is absolutely sounds

2117

01:31:39,919 --> 01:31:37,979

like the right thing at the right time

2118

01:31:43,129 --> 01:31:39,929

I'm not surprised

2119

01:31:46,580 --> 01:31:43,139

and if there's anyone who can bravely

2120

01:31:48,649 --> 01:31:46,590

launch into a new paradigm it's you mr.

2121

01:31:50,719 --> 01:31:48,659

ray Hernandez you've just done such an

2122

01:31:52,389 --> 01:31:50,729

incredible work we could go on and on

2123

01:31:54,889 --> 01:31:52,399

and we've had some great off air

2124

01:31:57,379 --> 01:31:54,899

conversations as well I think your work

2125

01:31:58,790 --> 01:31:57,389

is tremendous but your energy that you

2126

01:32:01,009 --> 01:31:58,800

put behind this in the bravery that

2127

01:32:03,259 --> 01:32:01,019

you've shown and kind of launching into

2128

01:32:04,489 --> 01:32:03,269

this is just truly amazing is there

2129

01:32:07,219 --> 01:32:04,499

anything else we need to talk about

2130

01:32:09,799 --> 01:32:07,229

before I let you go get on with your

2131

01:32:12,859 --> 01:32:09,809

normal life well I just want to thank

2132

01:32:15,619 --> 01:32:12,869

you personally Alex because when I first

2133

01:32:17,869 --> 01:32:15,629

had my conversation with you I was still

2134

01:32:20,179 --> 01:32:17,879

traumatized by all of these experiences

2135

01:32:25,099 --> 01:32:20,189

I I'm sure you probably knew at that

2136

01:32:26,899 --> 01:32:25,109

time talking to me I was literally in in

2137

01:32:30,739 --> 01:32:26,909

the middle of an ontological shock of

2138

01:32:33,109 --> 01:32:30,749

dealing with this reality and once I

2139

01:32:35,089 --> 01:32:33,119

managed to get a better understanding of

2140

01:32:36,830 --> 01:32:35,099

this phenomenon that indeed it was

2141

01:32:39,279 --> 01:32:36,840

consciousness base and that

2142

01:32:42,290 --> 01:32:39,289

consciousness was the key to all of this

2143

01:32:44,060 --> 01:32:42,300

and we can have a much more additional

2144

01:32:46,699 --> 01:32:44,070

discussion later on in this topic of

2145

01:32:50,299 --> 01:32:46,709

consciousness which we fully fully get

2146

01:32:53,089 --> 01:32:50,309

into but you were one of the people that

2147

01:32:55,549 --> 01:32:53,099

I turn to that really helped me out to

2148

01:32:57,529 --> 01:32:55,559

edge to educate me so I want to tell all

2149

01:33:00,349 --> 01:32:57,539

the audience members out there that are

2150

01:33:02,869 --> 01:33:00,359

indeed are interested in the paranormal

2151  
01:33:04,370 --> 01:33:02,879  
contact modalities and its relationship

2152  
01:33:06,890 --> 01:33:04,380  
with consciousness

2153  
01:33:09,350 --> 01:33:06,900  
to keep on tuning in to your podcast

2154  
01:33:10,729 --> 01:33:09,360  
because they're so extremely informative

2155  
01:33:13,820 --> 01:33:10,739  
and I just want to thank you

2156  
01:33:15,709 --> 01:33:13,830  
that's a nice array I appreciate it you

2157  
01:33:18,680 --> 01:33:15,719  
know I think even though I'm not an

2158  
01:33:21,800 --> 01:33:18,690  
experiencer in the sense that UFO

2159  
01:33:23,689 --> 01:33:21,810  
experiences or non-human contact

2160  
01:33:25,610 --> 01:33:23,699  
experience although I don't know about

2161  
01:33:28,310 --> 01:33:25,620  
that you know there's a certain

2162  
01:33:30,399 --> 01:33:28,320  
connection that we all have of that

2163  
01:33:33,080 --> 01:33:30,409

feeling of feeling a little less

2164

01:33:34,399 --> 01:33:33,090

alienated when someone does reach out

2165

01:33:37,100 --> 01:33:34,409

and I remember when you reached out to

2166

01:33:39,379 --> 01:33:37,110

me that wasn't my thought my thought was

2167

01:33:42,709 --> 01:33:39,389

hey terrific man there's somebody else

2168

01:33:44,660 --> 01:33:42,719

who's in the process of going through

2169

01:33:47,479 --> 01:33:44,670

this waking up transformational thing

2170

01:33:49,850 --> 01:33:47,489

and he seems like such a credible cool

2171

01:33:52,459 --> 01:33:49,860

guy I want to connect and talk to this

2172

01:33:54,260 --> 01:33:52,469

guy so that's why I'd encourage anyone

2173

01:33:58,610 --> 01:33:54,270

who's out there who has a similar kind

2174

01:34:00,410 --> 01:33:58,620

of experience you have made it easier

2175

01:34:02,959 --> 01:34:00,420

hopefully I've made it easier too but

2176  
01:34:05,300 --> 01:34:02,969  
you've taken that a giant step forward

2177  
01:34:08,840 --> 01:34:05,310  
and take terms of making it easier for

2178  
01:34:10,280 --> 01:34:08,850  
people to we hate to say advance but

2179  
01:34:11,060 --> 01:34:10,290  
that's what you're saying and that's

2180  
01:34:12,860 --> 01:34:11,070  
what I'm saying

2181  
01:34:14,570 --> 01:34:12,870  
you know this is the hero's journey like

2182  
01:34:16,879 --> 01:34:14,580  
you're saying and we're just all trying

2183  
01:34:18,590 --> 01:34:16,889  
to help each other on that journey know

2184  
01:34:21,220 --> 01:34:18,600  
stuff Lee I'm thank you Alex

2185  
01:34:24,050 --> 01:34:21,230  
take care of my friend god bless you

2186  
01:34:26,540 --> 01:34:24,060  
thanks again to Ray Hernandez soon to be

2187  
01:34:30,169 --> 01:34:26,550  
dr. ray Hernandez this guy you believe

2188  
01:34:33,800 --> 01:34:30,179

it or not he's working on a PhD from

2189

01:34:36,470 --> 01:34:33,810

Berkeley to go along with his master's

2190

01:34:39,470 --> 01:34:36,480

degree from Cornell and his Juris

2191

01:34:43,340 --> 01:34:39,480

Doctorate he's practicing lawyer this is

2192

01:34:45,410 --> 01:34:43,350

one smart guy and a hard-working guy

2193

01:34:48,919 --> 01:34:45,420

who's put an incredible amount of effort

2194

01:34:52,129 --> 01:34:48,929

into this very very important work I

2195

01:34:54,890 --> 01:34:52,139

can't emphasize enough how significant

2196

01:34:58,220 --> 01:34:54,900

this contribution is to our overall

2197

01:35:00,110 --> 01:34:58,230

understanding of what I keep calling the

2198

01:35:02,570 --> 01:35:00,120

extended consciousness realm or we could

2199

01:35:04,879 --> 01:35:02,580

just call consciousness if we want so

2200

01:35:08,000 --> 01:35:04,889

the question that falls out of that is a

2201  
01:35:10,100 --> 01:35:08,010  
natural one and it's a big one what does

2202  
01:35:13,189 --> 01:35:10,110  
ET have to do with our understanding of

2203  
01:35:15,260 --> 01:35:13,199  
human consciousness and wow there's so

2204  
01:35:17,299 --> 01:35:15,270  
many ways to take that and I'm tempted

2205  
01:35:19,939 --> 01:35:17,309  
to jump in there and out

2206  
01:35:23,870 --> 01:35:19,949  
but I'm not going to do that um and I'll

2207  
01:35:25,790 --> 01:35:23,880  
leave that for you and I hope you take a

2208  
01:35:29,839 --> 01:35:25,800  
stab at it and if you want to share that

2209  
01:35:31,850 --> 01:35:29,849  
with me skeptical forum is where I hang

2210  
01:35:34,549 --> 01:35:31,860  
out with folks and chat about these

2211  
01:35:37,069 --> 01:35:34,559  
ideas so you can find me over there of

2212  
01:35:39,529 --> 01:35:37,079  
course you can always email me or try

2213  
01:35:42,669 --> 01:35:39,539

and track me down on Facebook or however

2214

01:35:45,890 --> 01:35:42,679

I just always emphasize that I enjoy

2215

01:35:49,160 --> 01:35:45,900

connecting with people who connect with

2216

01:35:53,450 --> 01:35:49,170

this show so if that's you take the leap

2217

01:35:55,040 --> 01:35:53,460

and reach out and I will reach back be

2218

01:35:58,669 --> 01:35:55,050

sure to check out the skeptical website

2219

01:36:02,000 --> 01:35:58,679

over 400 shows all they're available for

2220

01:36:05,180 --> 01:36:02,010

you to download for free you can follow

2221

01:36:07,580 --> 01:36:05,190

my entire journey over however many

2222

01:36:10,189 --> 01:36:07,590

years it's been through all these

2223

01:36:12,410 --> 01:36:10,199

interviews on these deep questions of

2224

01:36:15,410 --> 01:36:12,420

who are we why are we here and what does

2225

01:36:18,260 --> 01:36:15,420

this thing called consciousness have to

2226

01:36:22,010 --> 01:36:18,270

do with it all please check it out and

2227

01:36:23,730 --> 01:36:22,020

until next time take care and bye for

2228

01:36:39,339 --> 01:36:23,740

now

2229

01:36:42,140 --> 01:36:39,349

[Music]

2230

01:36:44,000 --> 01:36:42,150

so thanks for watching this video if it

2231

01:36:46,580 --> 01:36:44,010

wasn't really a video but just an audio

2232

01:36:48,140 --> 01:36:46,590

stored as a video I apologize but

2233

01:36:50,089 --> 01:36:48,150

there's more videos out there as well

2234

01:36:51,950 --> 01:36:50,099

but please check out the skeptic Oh

2235

01:36:53,300 --> 01:36:51,960

website you can see it here we cover a

2236

01:36:56,120 --> 01:36:53,310

lot of different stuff you might be

2237

01:36:59,450 --> 01:36:56,130

interested in relating to controversial

2238

01:37:02,180 --> 01:36:59,460

science and spirituality a lot of shows

2239

01:37:05,000 --> 01:37:02,190

up there over 350 of them are so all

2240

01:37:07,390 --> 01:37:05,010

free all available for downloads so do
