Near-Death Experience  
Spirituality  
Skeptics/Skepticism  
Psi  
Psychics & Mediums  
Atheism  
UFO  
Neuroscience  
Conspiracy Theories  
Contactee Experience  
OBE

1  
00:00:03,740 --> 00:00:01,760  
welcome to skeptic Oh where we explore

2  
00:00:05,869 --> 00:00:03,750  
controversial science and spirituality

3  
00:00:08,240 --> 00:00:05,879  
with leading researchers thinkers and

4  
00:00:12,530 --> 00:00:08,250  
their critics I'm your host Alex Karras

5  
00:00:15,620 --> 00:00:12,540  
now today I know is going to be a tough

6  
00:00:17,930 --> 00:00:15,630  
show for a lot of people because even if

7  
00:00:20,929 --> 00:00:17,940  
I tell you that during the more than six

8  
00:00:24,200 --> 00:00:20,939  
years I've known returning guests mary

9  
00:00:28,120 --> 00:00:24,210  
Rodwell that i've always found her to be

10  
00:00:33,410 --> 00:00:28,130  
among the most forthright open honest

11  
00:00:35,650 --> 00:00:33,420  
researchers in the UFO and ET non human

12  
00:00:39,889 --> 00:00:35,660  
intelligence contact kind of field

13  
00:00:43,040 --> 00:00:39,899

that's not gonna amount to much and even

14

00:00:46,069 --> 00:00:43,050

if I told you which I will that mary has

15

00:00:49,069 --> 00:00:46,079

always been among the first people to

16

00:00:52,340 --> 00:00:49,079

look for a scientific understanding what

17

00:00:54,650 --> 00:00:52,350

she does for academic verification of

18

00:00:56,720 --> 00:00:54,660

what she does and that that's why she

19

00:00:59,500 --> 00:00:56,730

collaborated with the folks from the

20

00:01:03,290 --> 00:00:59,510

free group to compile the first academic

21

00:01:06,800 --> 00:01:03,300

survey of contact experience and even if

22

00:01:08,899 --> 00:01:06,810

I told you that she's world renowned and

23

00:01:11,690 --> 00:01:08,909

recognized as an expert in this field

24

00:01:13,370 --> 00:01:11,700

and that she's authored books like the

25

00:01:18,010 --> 00:01:13,380

one you can see on the screen the new

26  
00:01:20,840 --> 00:01:18,020  
human awakening to our cosmic heritage I

27  
00:01:24,260 --> 00:01:20,850  
can tell you all that stuff and in a lot

28  
00:01:29,050 --> 00:01:24,270  
of ways it just isn't going to matter

29  
00:01:31,999 --> 00:01:29,060  
because unfortunately the result of

30  
00:01:35,270 --> 00:01:32,009  
Mary's research the inevitable

31  
00:01:36,830 --> 00:01:35,280  
conclusion that she's come to is really

32  
00:01:39,859 --> 00:01:36,840  
going to shake you to your core it

33  
00:01:43,190 --> 00:01:39,869  
shakes me to my core still and I've got

34  
00:01:45,260 --> 00:01:43,200  
all this time to marinate in it and talk

35  
00:01:48,590 --> 00:01:45,270  
with her and interview her multiple

36  
00:01:51,200 --> 00:01:48,600  
times and debate with David Jacobs and

37  
00:01:55,850 --> 00:01:51,210  
all the rest of it that we've done it's

38  
00:01:58,850 --> 00:01:55,860

just hard stuff to take but if anything

39

00:02:01,730 --> 00:01:58,860

that's what gives me even more respect

40

00:02:04,639 --> 00:02:01,740

for this woman in this amazing

41

00:02:07,789 --> 00:02:04,649

researcher who has stuck by her guns

42

00:02:10,540 --> 00:02:07,799

stuck by her methodology and year after

43

00:02:14,710 --> 00:02:10,550

year has just compiled more

44

00:02:19,560 --> 00:02:14,720

more evidence of this rather remarkable

45

00:02:23,580 --> 00:02:19,570

astonishing story that we are really

46

00:02:25,270 --> 00:02:23,590

part of a cosmic heritage and part of a

47

00:02:30,250 --> 00:02:25,280

genetic engineering

48

00:02:33,370 --> 00:02:30,260

we're really not in control of so Mary

49

00:02:35,620 --> 00:02:33,380

it is so great to talk to you again and

50

00:02:39,370 --> 00:02:35,630

welcome you back and thanks for joining

51  
00:02:41,920 --> 00:02:39,380  
me Alex it's always a pleasure what can

52  
00:02:44,350 --> 00:02:41,930  
I say and thank you for the intro

53  
00:02:48,010 --> 00:02:44,360  
you're already preparing people to have

54  
00:02:52,720 --> 00:02:48,020  
their paradigm just slightly shaken and

55  
00:02:56,820 --> 00:02:52,730  
stirred well you know it's it's funny

56  
00:02:59,830 --> 00:02:56,830  
because I posted before this interview a

57  
00:03:01,900 --> 00:02:59,840  
list of uh you know opposed to say hey I

58  
00:03:04,090 --> 00:03:01,910  
have upcoming any upcoming questions for

59  
00:03:06,270 --> 00:03:04,100  
Mary ride well and I was surprised

60  
00:03:09,940 --> 00:03:06,280  
because the skeptical audience is really

61  
00:03:12,070 --> 00:03:09,950  
on it you know we cover all the topics

62  
00:03:15,490 --> 00:03:12,080  
related to consciousness extended

63  
00:03:17,320 --> 00:03:15,500

consciousness and ease contact modalities

64

00:03:20,500 --> 00:03:17,330

eating the whole thing they're on it

65

00:03:23,229 --> 00:03:20,510

there's still all this resistance and I

66

00:03:26,620 --> 00:03:23,239

get it I understand it and I don't need

67

00:03:30,010 --> 00:03:26,630

to defend you your work stands on its

68

00:03:33,130 --> 00:03:30,020

own but I just kept saying to folks I I

69

00:03:37,030 --> 00:03:33,140

don't get it you know I I tell you every

70

00:03:40,510 --> 00:03:37,040

way I look at her work I cannot poke

71

00:03:42,850 --> 00:03:40,520

holes in her work her results are

72

00:03:45,280 --> 00:03:42,860

extraordinary but her methodology and

73

00:03:46,930 --> 00:03:45,290

the person she is just shines through so

74

00:03:48,220 --> 00:03:46,940

I'm just gonna wind up saying the same

75

00:03:49,930 --> 00:03:48,230

thing but people can go watch your

76

00:03:51,520 --> 00:03:49,940

presentations and the only hard thing

77

00:03:54,940 --> 00:03:51,530

about it is just that the matter-of-fact

78

00:03:56,770 --> 00:03:54,950

way that you deliver the goods you just

79

00:04:00,130 --> 00:03:56,780

stand up there and say this is it this

80

00:04:01,810 --> 00:04:00,140

is what I found well at the end of the

81

00:04:04,540 --> 00:04:01,820

day if you're not authentic

82

00:04:06,550 --> 00:04:04,550

quite honestly Alex people soon see

83

00:04:09,580 --> 00:04:06,560

through you and you've obviously got a

84

00:04:12,580 --> 00:04:09,590

wonderful audience that has a very

85

00:04:14,620 --> 00:04:12,590

healthy left brain and for me that's

86

00:04:16,900 --> 00:04:14,630

really important because so of I I

87

00:04:19,659 --> 00:04:16,910

haven't come from being a nurse and a

88

00:04:21,400 --> 00:04:19,669

midwife to being a councillor for 35

89

00:04:24,010 --> 00:04:21,410  
years working in the field both of

90

00:04:27,850 --> 00:04:24,020  
health and psychology

91

00:04:30,820 --> 00:04:27,860  
I know how mainstream works and I also

92

00:04:34,180 --> 00:04:30,830  
have that that side of me that wants to

93

00:04:36,640 --> 00:04:34,190  
see the evidence because too many people

94

00:04:37,540 --> 00:04:36,650  
are quite keen to just believe because

95

00:04:44,650 --> 00:04:37,550  
it sounds good

96

00:04:46,930 --> 00:04:44,660  
to have the the data that backs up your

97

00:04:50,260 --> 00:04:46,940  
hypothesis as much as you can do given

98

00:04:54,520 --> 00:04:50,270  
the fact as you well know with free and

99

00:04:56,999 --> 00:04:54,530  
what we've discovered is that's that 25%

100

00:05:01,110 --> 00:04:57,009  
of the contact with non-human

101  
00:05:04,749 --> 00:05:01,120  
intelligences is generally the physical

102  
00:05:07,990 --> 00:05:04,759  
75% is non-physical out-of-body now

103  
00:05:09,730 --> 00:05:08,000  
where do you go with that because we're

104  
00:05:13,270 --> 00:05:09,740  
still struggling to understand what

105  
00:05:16,450 --> 00:05:13,280  
consciousness is that we actually have a

106  
00:05:18,939 --> 00:05:16,460  
part of ourselves that is the essence of

107  
00:05:21,610 --> 00:05:18,949  
who we are that operates within this

108  
00:05:25,240 --> 00:05:21,620  
biological body that seems to have the

109  
00:05:27,460 --> 00:05:25,250  
ability to leave it in our dreams and

110  
00:05:30,159 --> 00:05:27,470  
some do it consciously and go to other

111  
00:05:32,589 --> 00:05:30,169  
realms that much we're understanding

112  
00:05:35,110 --> 00:05:32,599  
near-death experiences there's hundreds

113  
00:05:37,629 --> 00:05:35,120

of books out there now showing that we

114

00:05:39,580 --> 00:05:37,639

do exist outside our body so I mean how

115

00:05:42,700 --> 00:05:39,590

much evidence do you really want that

116

00:05:44,800 --> 00:05:42,710

this is possible the bottom line for me

117

00:05:47,050 --> 00:05:44,810

and people say to me you know where is

118

00:05:49,629 --> 00:05:47,060

the evidence that people are having

119

00:05:52,870 --> 00:05:49,639

these interactions where is the evidence

120

00:05:54,159 --> 00:05:52,880

that you know they don't come back with

121

00:05:56,740 --> 00:05:54,169

a piece of the craft

122

00:05:59,920 --> 00:05:56,750

you know they don't come back with you

123

00:06:03,309 --> 00:05:59,930

know anything that they feel is tangible

124

00:06:06,790 --> 00:06:03,319

but what is tangible and what we do know

125

00:06:09,249 --> 00:06:06,800

is that if you've had a real experience

126

00:06:12,189 --> 00:06:09,259

it affects you on every level

127

00:06:15,700 --> 00:06:12,199

both emotionally and psychologically and

128

00:06:18,070 --> 00:06:15,710

spiritually and time and time again we

129

00:06:22,360 --> 00:06:18,080

have found with our research with free

130

00:06:26,409 --> 00:06:22,370

remember that was 4200 people conscious

131

00:06:29,589 --> 00:06:26,419

recall saying that 85% of those people

132

00:06:32,260 --> 00:06:29,599

had psycho-spiritual transformation and

133

00:06:34,329 --> 00:06:32,270

what we mean by that is everything in

134

00:06:37,149 --> 00:06:34,339

their life they've reappraised they way

135

00:06:37,900 --> 00:06:37,159

they live is changed their spiritual

136

00:06:41,380 --> 00:06:37,910

orientation

137

00:06:42,910 --> 00:06:41,390

has changed that you know that even what

138

00:06:44,710 --> 00:06:42,920

they eat has changed they're more

139

00:06:46,960 --> 00:06:44,720

holistic in their understanding they

140

00:06:49,390 --> 00:06:46,970

feel more connected to the greater

141

00:06:51,970 --> 00:06:49,400

reality they you know don't want to harm

142

00:06:54,700 --> 00:06:51,980

anything they care about the planet all

143

00:06:58,000 --> 00:06:54,710

these things may be a major shift from

144

00:06:59,530 --> 00:06:58,010

their materialistic lies prior to this

145

00:07:01,720 --> 00:06:59,540

where they suddenly lose complete

146

00:07:03,160 --> 00:07:01,730

interest in making money and getting the

147

00:07:06,250 --> 00:07:03,170

bigger house and the yacht in the back

148

00:07:08,380 --> 00:07:06,260

garden and say I want to live a more

149

00:07:10,210 --> 00:07:08,390

holistic life on a piece of land where

150

00:07:12,790 --> 00:07:10,220

I'm growing my own food where I care

151  
00:07:15,640 --> 00:07:12,800  
about the animals all this kind of thing

152  
00:07:18,760 --> 00:07:15,650  
now that doesn't happen because they've

153  
00:07:21,790 --> 00:07:18,770  
had a hallucination but what also goes

154  
00:07:24,940 --> 00:07:21,800  
with that and I'm I'm putting together a

155  
00:07:26,770 --> 00:07:24,950  
particular presentation because I'm

156  
00:07:28,570 --> 00:07:26,780  
going to Brazil in a month's time and

157  
00:07:30,790 --> 00:07:28,580  
it's called triggers of consciousness

158  
00:07:33,360 --> 00:07:30,800  
and what it's showing is the other

159  
00:07:36,700 --> 00:07:33,370  
things that accompany their changes

160  
00:07:39,730 --> 00:07:36,710  
suddenly out of the blue they may start

161  
00:07:42,160 --> 00:07:39,740  
to do strange art work they may start to

162  
00:07:44,860 --> 00:07:42,170  
find themselves doing codes or scripts

163  
00:07:47,920 --> 00:07:44,870

they may find themselves coming out with

164

00:07:50,290 --> 00:07:47,930

these strange languages for example and

165

00:07:52,140 --> 00:07:50,300

it's amazing the numbers of people that

166

00:07:54,760 --> 00:07:52,150

have never picked up a paintbrush

167

00:07:56,830 --> 00:07:54,770

suddenly find that because of their

168

00:07:59,020 --> 00:07:56,840

experiences they're triggered into

169

00:08:01,300 --> 00:07:59,030

bringing in this artwork that they say

170

00:08:04,600 --> 00:08:01,310

almost materializes in front of them

171

00:08:07,120 --> 00:08:04,610

they have no input in it this is the

172

00:08:09,550 --> 00:08:07,130

kind of thing I'm seeing so where is the

173

00:08:12,010 --> 00:08:09,560

evidence the evidence is it changes

174

00:08:15,190 --> 00:08:12,020

people in dramatic ways from this

175

00:08:17,920 --> 00:08:15,200

experience that in itself is evidence of

176

00:08:21,250 --> 00:08:17,930

a reality so you know you can't dismiss

177

00:08:23,320 --> 00:08:21,260

that well you know what I love about

178

00:08:24,880 --> 00:08:23,330

what you just did and I think a lot of

179

00:08:28,750 --> 00:08:24,890

people listening to this show will be

180

00:08:31,750 --> 00:08:28,760

able to appreciate it is you reveal they

181

00:08:34,060 --> 00:08:31,760

are the scientific mind that you always

182

00:08:35,800 --> 00:08:34,070

have applied to this and I think that's

183

00:08:39,790 --> 00:08:35,810

why you were such a natural fit with

184

00:08:44,260 --> 00:08:39,800

free who just said hey let's buckle down

185

00:08:46,390 --> 00:08:44,270

and do an academic research survey like

186

00:08:48,280 --> 00:08:46,400

is done in every other field like if

187

00:08:50,079 --> 00:08:48,290

somebody has pain in the hospital and

188

00:08:51,610 --> 00:08:50,089

you want to find out you know you just

189

00:08:53,410 --> 00:08:51,620

go ask a bunch of people

190

00:08:56,110 --> 00:08:53,420

that's how you do it it's a scientific

191

00:08:58,540 --> 00:08:56,120

medical survey and you were just such a

192

00:09:00,700 --> 00:08:58,550

natural fit because you think in those

193

00:09:02,410 --> 00:09:00,710

lines and I think if we deconstructed

194

00:09:02,980 --> 00:09:02,420

and we don't want to take all the time

195

00:09:04,930 --> 00:09:02,990

to do that

196

00:09:07,030 --> 00:09:04,940

what you said that's what we would find

197

00:09:09,340 --> 00:09:07,040

you know you're saying okay what is a

198

00:09:11,829 --> 00:09:09,350

factor that we could really rely on what

199

00:09:13,780 --> 00:09:11,839

evidence could we would be mostly all

200

00:09:15,910 --> 00:09:13,790

these things that you start stacking up

201  
00:09:17,470 --> 00:09:15,920  
okay well we look at changes over time

202  
00:09:20,079 --> 00:09:17,480  
and people's personalities because we

203  
00:09:22,329 --> 00:09:20,089  
know that personalities may are

204  
00:09:24,220 --> 00:09:22,339  
relatively fixed in the ways that we've

205  
00:09:27,570 --> 00:09:24,230  
studied them and understood them you're

206  
00:09:30,550 --> 00:09:27,580  
a counselor you've been accredited and

207  
00:09:32,620 --> 00:09:30,560  
within the UK in their system they said

208  
00:09:34,630 --> 00:09:32,630  
yes this person is qualified they're in

209  
00:09:37,540 --> 00:09:34,640  
Australia you've done the same so one of

210  
00:09:39,100 --> 00:09:37,550  
the points I wanted to raise and draw

211  
00:09:42,460 --> 00:09:39,110  
people's attention to because they might

212  
00:09:45,370 --> 00:09:42,470  
not know or appreciate it is exactly

213  
00:09:48,370 --> 00:09:45,380

this so I know it's going a couple steps

214

00:09:51,430 --> 00:09:48,380

back from all the amazing stuff that

215

00:09:54,310 --> 00:09:51,440

you've done but I do feel a need to

216

00:09:57,400 --> 00:09:54,320

remind people that you are someone who

217

00:09:58,480 --> 00:09:57,410

is professionally minded academic minded

218

00:10:01,360 --> 00:09:58,490

you're always thinking of those

219

00:10:02,650 --> 00:10:01,370

standards and that the other couple

220

00:10:04,269 --> 00:10:02,660

things I just wanted to touch on and

221

00:10:05,620 --> 00:10:04,279

then I want you to talk more about your

222

00:10:08,980 --> 00:10:05,630

methodology because you have some

223

00:10:10,960 --> 00:10:08,990

specific things that you've done when

224

00:10:14,170 --> 00:10:10,970

you'd work with people that I think

225

00:10:16,810 --> 00:10:14,180

makes your results more reliable and

226

00:10:21,070 --> 00:10:16,820

more trustworthy but the second point I

227

00:10:24,250 --> 00:10:21,080

wanted to make is you are among a number

228

00:10:26,590 --> 00:10:24,260

of researchers who have found the same

229

00:10:28,690 --> 00:10:26,600

thing so you know some of these things

230

00:10:33,070 --> 00:10:28,700

that you're talking about lately with

231

00:10:35,949 --> 00:10:33,080

the art and music advanced skills are

232

00:10:38,470 --> 00:10:35,959

truly things that you've kind of broken

233

00:10:40,510 --> 00:10:38,480

some ground on but even in those areas

234

00:10:42,730 --> 00:10:40,520

we can find other researchers that are

235

00:10:44,079 --> 00:10:42,740

kind of finding the same thing so one of

236

00:10:47,350 --> 00:10:44,089

the things that I think people naturally

237

00:10:48,220 --> 00:10:47,360

do they go oh this is crazy Mary rod

238

00:10:51,220 --> 00:10:48,230

well excuse me

239

00:10:53,140 --> 00:10:51,230

well she is one of a number of

240

00:10:56,380 --> 00:10:53,150

researchers who have different opinions

241

00:10:59,199 --> 00:10:56,390

but who among those difference opinions

242

00:11:01,990 --> 00:10:59,209

we see a lot of commonality in their

243

00:11:04,870 --> 00:11:02,000

things and then the last point I hope

244

00:11:07,770 --> 00:11:04,880

you touch on because it is still to this

245

00:11:11,200 --> 00:11:07,780

day a hot-button issue with people is

246

00:11:13,480 --> 00:11:11,210

hypnosis and regression if people

247

00:11:15,520 --> 00:11:13,490

immediately freak out oh my god forget

248

00:11:17,950 --> 00:11:15,530

it forget everything it's written it's

249

00:11:19,840 --> 00:11:17,960

like that's not how it works folks I

250

00:11:22,740 --> 00:11:19,850

mean there's still a lot of countries

251  
00:11:25,900 --> 00:11:22,750  
other than the United States that allow

252  
00:11:28,060 --> 00:11:25,910  
professionally done hypnotic regression

253  
00:11:30,340 --> 00:11:28,070  
to be allowed into court and under

254  
00:11:32,050 --> 00:11:30,350  
circumstances to beat testimony it's

255  
00:11:33,610 --> 00:11:32,060  
it's and it used to be that way in the

256  
00:11:35,530 --> 00:11:33,620  
United States and it's still used for

257  
00:11:37,270 --> 00:11:35,540  
different purposes so the whole idea

258  
00:11:40,630 --> 00:11:37,280  
that people have these kind of triggers

259  
00:11:42,670 --> 00:11:40,640  
like that doesn't really add up to the

260  
00:11:47,650 --> 00:11:42,680  
to the true science if you look to it so

261  
00:11:50,440 --> 00:11:47,660  
Mary speak to the issue of methodology

262  
00:11:52,780 --> 00:11:50,450  
and why that's important to you and some

263  
00:11:54,640 --> 00:11:52,790

of the things you've done to make sure

264

00:11:59,200 --> 00:11:54,650

that what you're finding really does

265

00:12:01,630 --> 00:11:59,210

stack up a very good question the

266

00:12:04,810 --> 00:12:01,640

methodology really was similar to what

267

00:12:09,370 --> 00:12:04,820

free did and remember we had dr. clemo

268

00:12:12,070 --> 00:12:09,380

professor of psychology for 40 years dr.

269

00:12:15,190 --> 00:12:12,080

Bob Davis a neuroscientist for example

270

00:12:18,310 --> 00:12:15,200

and many other credible researchers in

271

00:12:21,130 --> 00:12:18,320

the field all putting in their input to

272

00:12:24,370 --> 00:12:21,140

the question six hundred questions asked

273

00:12:26,920 --> 00:12:24,380

in multiple ways to make sure we had a

274

00:12:29,170 --> 00:12:26,930

clarity on what people were saying about

275

00:12:31,840 --> 00:12:29,180

their experiences and this was all

276

00:12:35,320 --> 00:12:31,850

deliberately conscious recall we haven't

277

00:12:37,660 --> 00:12:35,330

even gone into hypnosis at this point we

278

00:12:40,180 --> 00:12:37,670

haven't gone into even the paranormal

279

00:12:43,060 --> 00:12:40,190

what do you consciously remember about

280

00:12:45,430 --> 00:12:43,070

you but you have gone into and I want

281

00:12:48,460 --> 00:12:45,440

people to know yet that you know so the

282

00:12:51,700 --> 00:12:48,470

free backs up winds up support the free

283

00:12:53,800 --> 00:12:51,710

academic survey winds up backing up and

284

00:12:57,220 --> 00:12:53,810

supporting the work that you've done for

285

00:12:59,170 --> 00:12:57,230

years and years and I just want people

286

00:13:00,760 --> 00:12:59,180

to know that that research when you talk

287

00:13:02,590 --> 00:13:00,770

about that when we get into this and you

288

00:13:05,650 --> 00:13:02,600

start talking about cases and you're

289

00:13:08,170 --> 00:13:05,660

gonna blow people away with these cases

290

00:13:10,780 --> 00:13:08,180

and with these kids and I want what I

291

00:13:13,570 --> 00:13:10,790

want them to know is that you are a

292

00:13:16,180 --> 00:13:13,580

careful researcher and the way you go

293

00:13:17,340 --> 00:13:16,190

about collecting this data and you

294

00:13:20,760 --> 00:13:17,350

always have been

295

00:13:22,770 --> 00:13:20,770

and when I did the the interview back

296

00:13:23,850 --> 00:13:22,780

and forth but I would love for be able

297

00:13:26,310 --> 00:13:23,860

to go back and listen to because it

298

00:13:30,120 --> 00:13:26,320

really was so amazing to me but with

299

00:13:32,460 --> 00:13:30,130

david jacobs who is a PhD social science

300

00:13:34,350 --> 00:13:32,470

and considers his standards to be very

301

00:13:36,270 --> 00:13:34,360

he's very proud of his standards

302

00:13:38,460 --> 00:13:36,280

you are right their point on point in

303

00:13:40,620 --> 00:13:38,470

terms of how you did it and more than

304

00:13:42,660 --> 00:13:40,630

held your own so i want to remind people

305

00:13:45,690 --> 00:13:42,670

of that that even before the free study

306

00:13:47,300 --> 00:13:45,700

you've always been about methodology

307

00:13:49,830 --> 00:13:47,310

about science

308

00:13:52,340 --> 00:13:49,840

it's been extremely important because

309

00:13:54,750 --> 00:13:52,350

when I wrote the book awakening as a

310

00:13:57,180 --> 00:13:54,760

therapeutic resource book for people who

311

00:14:00,000 --> 00:13:57,190

had nowhere to go no one to talk to or

312

00:14:01,020 --> 00:14:00,010

didn't feel safe to this was a process

313

00:14:04,080 --> 00:14:01,030

that will help you through your

314

00:14:07,200 --> 00:14:04,090

experiences going on all the patterns of

315

00:14:09,060 --> 00:14:07,210

experience that many hundreds of people

316

00:14:11,550 --> 00:14:09,070

were telling me the questions they came

317

00:14:14,040 --> 00:14:11,560

up with how do I know this is real how

318

00:14:16,320 --> 00:14:14,050

do I know I'm not crazy what do I do

319

00:14:20,100 --> 00:14:16,330

about the fear what about my children

320

00:14:23,820 --> 00:14:20,110

and because I am a therapist you know

321

00:14:26,130 --> 00:14:23,830

I've been a counselor 35 years okay so

322

00:14:27,990 --> 00:14:26,140

this is a it's still a human experience

323

00:14:30,960 --> 00:14:28,000

what do you do with trauma what do you

324

00:14:33,660 --> 00:14:30,970

do with validating how it's affecting

325

00:14:36,180 --> 00:14:33,670

people what strategies can you use so

326

00:14:38,970 --> 00:14:36,190

the book was written as a therapist and

327

00:14:40,650 --> 00:14:38,980

I did a whole chapter for the therapist

328

00:14:43,590 --> 00:14:40,660

saying if you want to know my

329

00:14:47,340 --> 00:14:43,600

methodology this is where it's based on

330

00:14:49,860 --> 00:14:47,350

you know primary counseling from you

331

00:14:52,680 --> 00:14:49,870

know my training so it's all going back

332

00:14:54,330 --> 00:14:52,690

to honoring the experience honoring the

333

00:14:57,180 --> 00:14:54,340

person's wisdom and their understanding

334

00:14:59,220 --> 00:14:57,190

it's not about me interpreting it's

335

00:15:01,890 --> 00:14:59,230

about giving them the art the way to

336

00:15:03,930 --> 00:15:01,900

interpret it however they choose to from

337

00:15:06,870 --> 00:15:03,940

their particular lens of reality or

338

00:15:09,480 --> 00:15:06,880

whatever it is but my bottom line was

339

00:15:12,300 --> 00:15:09,490

the whole time that anyone can pick that

340

00:15:14,390 --> 00:15:12,310

book up and say that that there was

341

00:15:17,220 --> 00:15:14,400

nothing that contradicts normal

342

00:15:19,080 --> 00:15:17,230

therapeutic approach and in fun

343

00:15:23,100 --> 00:15:19,090

interesting I've only recently a

344

00:15:25,260 --> 00:15:23,110

hypnotherapist in Germany is translating

345

00:15:27,810 --> 00:15:25,270

into German and the awakening and said

346

00:15:30,420 --> 00:15:27,820

every psychologist in the world should

347

00:15:31,110 --> 00:15:30,430

read this was what her what she said

348

00:15:34,019 --> 00:15:31,120

mean are they

349

00:15:35,880 --> 00:15:34,029

there's the qualification what I said

350

00:15:39,540 --> 00:15:35,890

was how it can transform your life

351  
00:15:42,780 --> 00:15:39,550  
because that's exactly what I was seeing

352  
00:15:45,870 --> 00:15:42,790  
yes I saw trauma yes I saw many

353  
00:15:48,300 --> 00:15:45,880  
initially being terrified but what I

354  
00:15:50,100 --> 00:15:48,310  
also saw was the more that they looked

355  
00:15:52,470 --> 00:15:50,110  
into it they more they started to

356  
00:15:54,750 --> 00:15:52,480  
understand what was going on the more

357  
00:15:57,780 --> 00:15:54,760  
that that changed into a whole new

358  
00:16:00,960 --> 00:15:57,790  
understanding of what that meant for

359  
00:16:03,630 --> 00:16:00,970  
them and it ended up being for many of

360  
00:16:06,390 --> 00:16:03,640  
them a completely transformed experience

361  
00:16:08,790 --> 00:16:06,400  
I mean I call the the UFO experience the

362  
00:16:11,670 --> 00:16:08,800  
modern-day shamanic wake-up call because

363  
00:16:13,590 --> 00:16:11,680

as the shaman you have to transcend your

364

00:16:16,500 --> 00:16:13,600

fears to operate in a multi-dimensional

365

00:16:18,810 --> 00:16:16,510

world and this is exactly what I see

366

00:16:21,210 --> 00:16:18,820

happening through the this contact

367

00:16:22,740 --> 00:16:21,220

experiences you go through the fear to

368

00:16:25,860 --> 00:16:22,750

another level of awareness

369

00:16:28,440 --> 00:16:25,870

if you transcend it but my getting back

370

00:16:31,530 --> 00:16:28,450

to my methodology it always came from my

371

00:16:33,540 --> 00:16:31,540

baseline or my counseling practice so

372

00:16:34,890 --> 00:16:33,550

having done that and of course that's

373

00:16:38,010 --> 00:16:34,900

what happened with free was they

374

00:16:40,920 --> 00:16:38,020

qualified all the patterns that I was

375

00:16:43,530 --> 00:16:40,930

seeing because for me that was the

376

00:16:46,530 --> 00:16:43,540

reality if you sit if you hear time and

377

00:16:49,110 --> 00:16:46,540

time again the same things from people

378

00:16:52,050 --> 00:16:49,120

from all over the globe all cultures all

379

00:16:54,390 --> 00:16:52,060

belief systems or professions from

380

00:16:57,269 --> 00:16:54,400

children of six and seven years old to

381

00:16:58,769 --> 00:16:57,279

70 or 80 years old then you've got to

382

00:17:02,090 --> 00:16:58,779

say hold on a minute are they also

383

00:17:04,439 --> 00:17:02,100

loosen ating or are they actually

384

00:17:07,049 --> 00:17:04,449

experiencing something and you know come

385

00:17:08,640 --> 00:17:07,059

on you know where does skip sudden get

386

00:17:11,549 --> 00:17:08,650

to a point where hold on a minute you

387

00:17:16,199 --> 00:17:11,559

know what this is a little bit too much

388

00:17:18,630 --> 00:17:16,209

like this is real and and for so for me

389

00:17:21,540 --> 00:17:18,640

that came in not knowing for sure about

390

00:17:23,730 --> 00:17:21,550

anything I came in with an open mind I

391

00:17:27,480 --> 00:17:23,740

always say you know the open mindedness

392

00:17:30,299 --> 00:17:27,490

doesn't equate to gullibility it means

393

00:17:32,070 --> 00:17:30,309

you're open to what you don't know and I

394

00:17:34,740 --> 00:17:32,080

don't know what I don't know is so the

395

00:17:37,530 --> 00:17:34,750

only way to find out is to get enough

396

00:17:39,419 --> 00:17:37,540

testimony from credible people now I'm

397

00:17:41,790 --> 00:17:39,429

talking about people who had PhDs on

398

00:17:44,370 --> 00:17:41,800

lawyers doctors nurses social social

399

00:17:44,990 --> 00:17:44,380

workers you know farmers housewives and

400

00:17:46,700 --> 00:17:45,000

children

401  
00:17:48,950 --> 00:17:46,710  
seven or eight years old that are

402  
00:17:51,170 --> 00:17:48,960  
describing to me similar patterns of

403  
00:17:53,510 --> 00:17:51,180  
experience and children of course don't

404  
00:17:56,240 --> 00:17:53,520  
watch talk shows they don't you know

405  
00:17:59,060 --> 00:17:56,250  
they don't be folks and they're coming

406  
00:18:01,040 --> 00:17:59,070  
out with complex concepts and you've

407  
00:18:02,690 --> 00:18:01,050  
gotta say now hold on a minute where did

408  
00:18:04,430 --> 00:18:02,700  
these come from and they say well we

409  
00:18:06,140 --> 00:18:04,440  
learned them on the graft you know this

410  
00:18:07,580 --> 00:18:06,150  
is what we're being taught this is where

411  
00:18:10,040 --> 00:18:07,590  
we're being taken this is what we're

412  
00:18:12,940 --> 00:18:10,050  
we're shown to do things drawing exactly

413  
00:18:15,560 --> 00:18:12,950

the same types of beings adults draw and

414

00:18:18,020 --> 00:18:15,570

explaining the same things only in more

415

00:18:20,150 --> 00:18:18,030

childish language often there's not so

416

00:18:22,760 --> 00:18:20,160

my methodology was simple I gathered as

417

00:18:25,250 --> 00:18:22,770

much data as I could and I looked at the

418

00:18:27,440 --> 00:18:25,260

data and I saw where all the patterns

419

00:18:30,500 --> 00:18:27,450

were and then in the end it's like it

420

00:18:33,380 --> 00:18:30,510

speaks for itself and and that for me is

421

00:18:36,170 --> 00:18:33,390

is the validity of this hundreds of

422

00:18:38,240 --> 00:18:36,180

thousands and now you know I about three

423

00:18:40,760 --> 00:18:38,250

three and a half thousand families and

424

00:18:42,740 --> 00:18:40,770

children globally I get emails from all

425

00:18:44,660 --> 00:18:42,750

over the world telling me the same

426

00:18:46,130 --> 00:18:44,670

things that I'm getting from the

427

00:18:48,620 --> 00:18:46,140

english-speaking world so that is the

428

00:18:50,270 --> 00:18:48,630

number of people you've worked with

429

00:18:53,540 --> 00:18:50,280

right yes

430

00:18:57,590 --> 00:18:53,550

yes so let me take that in folks this is

431

00:19:00,560 --> 00:18:57,600

one person and her research base at this

432

00:19:03,470 --> 00:19:00,570

point is a counselor trained counselor

433

00:19:06,700 --> 00:19:03,480

research bases 3,000 3,500 people have

434

00:19:10,190 --> 00:19:06,710

had that contact experience mean come on

435

00:19:12,080 --> 00:19:10,200

so I tell you what Mary we I kind of

436

00:19:14,930 --> 00:19:12,090

have been putting together this little

437

00:19:16,730 --> 00:19:14,940

board game skeptical jeopardy and I have

438

00:19:19,970 --> 00:19:16,740

my we already talked about methodology

439

00:19:21,440 --> 00:19:19,980

for the folks who are just hearing this

440

00:19:24,050 --> 00:19:21,450

and aren't seeing it let me go through

441

00:19:26,300 --> 00:19:24,060

the other categories new human which is

442

00:19:28,310 --> 00:19:26,310

the title of your most recent book

443

00:19:29,990 --> 00:19:28,320

couple years old now but still one we

444

00:19:32,150 --> 00:19:30,000

should talk about and I want to go there

445

00:19:35,720 --> 00:19:32,160

next but I also have some other topics

446

00:19:38,300 --> 00:19:35,730

tech vs. spiritual a really interesting

447

00:19:40,990 --> 00:19:38,310

topic to me in terms of understanding

448

00:19:43,940 --> 00:19:41,000

the relationship between consciousness

449

00:19:46,400 --> 00:19:43,950

technology and spirituality and if there

450

00:19:49,010 --> 00:19:46,410

is a line there or how blur that line is

451  
00:19:51,770 --> 00:19:49,020  
star children which again blows people

452  
00:19:55,490 --> 00:19:51,780  
away but we just have to follow the data

453  
00:19:56,840 --> 00:19:55,500  
and consider the possibility that there

454  
00:19:59,540 --> 00:19:56,850  
are these children

455  
00:20:03,020 --> 00:19:59,550  
that are especially being seated in some

456  
00:20:06,680 --> 00:20:03,030  
way that is beyond belief you've dug

457  
00:20:09,440 --> 00:20:06,690  
into the DNA a research I want to say or

458  
00:20:11,180 --> 00:20:09,450  
you've sought scientific understanding

459  
00:20:13,850 --> 00:20:11,190  
to support some of your findings in a

460  
00:20:16,400 --> 00:20:13,860  
very open way and I think that's awesome

461  
00:20:20,090 --> 00:20:16,410  
I want to talk about stranger things the

462  
00:20:23,300 --> 00:20:20,100  
Netflix show and both good and bad of

463  
00:20:25,730 --> 00:20:23,310

that I think I have a couple of other

464

00:20:28,160 --> 00:20:25,740

pet topics a mind beyond the the main

465

00:20:30,260 --> 00:20:28,170

book but you know how far advanced is

466

00:20:33,740 --> 00:20:30,270

some of this technology consciousness

467

00:20:38,600 --> 00:20:33,750

and et related non-human intelligence

468

00:20:40,670 --> 00:20:38,610

related good-versus-evil ET I gotta

469

00:20:42,620 --> 00:20:40,680

bring that up Richard Dolan has been all

470

00:20:43,730 --> 00:20:42,630

over there and talking about it and I

471

00:20:45,680 --> 00:20:43,740

just think there's something interesting

472

00:20:47,330 --> 00:20:45,690

going on there that needs to be talked

473

00:20:48,950 --> 00:20:47,340

about and I want to leave plenty of time

474

00:20:52,010 --> 00:20:48,960

to talk about the cases because the

475

00:20:53,960 --> 00:20:52,020

cases just are stunning and they're

476  
00:20:55,670 --> 00:20:53,970  
going to blow people away so I'm going

477  
00:20:57,920 --> 00:20:55,680  
to pick the next one because I want to

478  
00:20:59,840 --> 00:20:57,930  
go to new human and after that I want

479  
00:21:05,780 --> 00:20:59,850  
you to direct this and we'll just go as

480  
00:21:09,440 --> 00:21:05,790  
far as we can so tell us then about the

481  
00:21:11,690 --> 00:21:09,450  
book the new human and the cosmic

482  
00:21:13,130 --> 00:21:11,700  
heritage is the term you've used I had a

483  
00:21:16,100 --> 00:21:13,140  
couple other bullet points I know you'll

484  
00:21:18,800 --> 00:21:16,110  
hit on is the upgrade and then the one

485  
00:21:21,490 --> 00:21:18,810  
question I'd have related to that is to

486  
00:21:26,240 --> 00:21:21,500  
what extent is do you think this is a

487  
00:21:29,360 --> 00:21:26,250  
recent now kind of thing versus is it

488  
00:21:33,230 --> 00:21:29,370

does it fit in the longer lens of an

489

00:21:37,400 --> 00:21:33,240

ongoing process so start wherever you'd

490

00:21:39,440 --> 00:21:37,410

like with the book the new human well

491

00:21:43,100 --> 00:21:39,450

the reason I wrote the new human was

492

00:21:45,710 --> 00:21:43,110

once I come to terms with the reality

493

00:21:48,320 --> 00:21:45,720

and how I can help those waking up to

494

00:21:51,410 --> 00:21:48,330

their experiences and finding a way

495

00:21:55,010 --> 00:21:51,420

through understanding and integrating it

496

00:21:58,280 --> 00:21:55,020

in a way that was helpful to them I then

497

00:22:01,970 --> 00:21:58,290

began to see a pattern of what I believe

498

00:22:04,850 --> 00:22:01,980

was an upgrading of the genetic line so

499

00:22:06,770 --> 00:22:04,860

it was intergenerational that's been

500

00:22:09,530 --> 00:22:06,780

well known that it goes through family

501  
00:22:10,670 --> 00:22:09,540  
lines so that if your father or your

502  
00:22:12,200 --> 00:22:10,680  
grandfather's had it

503  
00:22:14,570 --> 00:22:12,210  
experiences it will come through to the

504  
00:22:16,550 --> 00:22:14,580  
grandchildren or whether it's a maternal

505  
00:22:18,110 --> 00:22:16,560  
side of it it will come through those

506  
00:22:19,190 --> 00:22:18,120  
life and I just interject one thing

507  
00:22:22,100 --> 00:22:19,200  
because you say that very

508  
00:22:24,590 --> 00:22:22,110  
matter-of-factly and you should but what

509  
00:22:28,880 --> 00:22:24,600  
I want people to know is that this is

510  
00:22:32,240 --> 00:22:28,890  
something that evidentially is is backed

511  
00:22:34,040 --> 00:22:32,250  
up by multiple researchers over and over

512  
00:22:38,210 --> 00:22:34,050  
again just statistically you're much

513  
00:22:40,730 --> 00:22:38,220

more likely to be in this family line of

514

00:22:41,900 --> 00:22:40,740

having contact than not so I just want

515

00:22:43,580 --> 00:22:41,910

people to know you're not just kind of

516

00:22:45,560 --> 00:22:43,590

saying that off hand again you've had

517

00:22:47,360 --> 00:22:45,570

3,000 cases of your own but there's

518

00:22:49,070 --> 00:22:47,370

other people that have had thousands and

519

00:22:51,380 --> 00:22:49,080

thousands of cases in overwhelmingly

520

00:22:54,380 --> 00:22:51,390

this is statistically just the way the

521

00:22:56,960 --> 00:22:54,390

data Falls absolutely if I ask someone

522

00:22:59,870 --> 00:22:56,970

who's had experiences has your mother or

523

00:23:03,020 --> 00:22:59,880

your father or grandparents ever said

524

00:23:05,330 --> 00:23:03,030

anything unusual or was a bit different

525

00:23:07,550 --> 00:23:05,340

in terms of more psychic or whatever

526

00:23:10,670 --> 00:23:07,560

often they'll say you know grandad was

527

00:23:12,890 --> 00:23:10,680

always into UFOs or whatever or grandma

528

00:23:15,470 --> 00:23:12,900

was a bit Faye you know she always had

529

00:23:17,530 --> 00:23:15,480

she saw things and whatever then I think

530

00:23:20,690 --> 00:23:17,540

there you go there's your family line

531

00:23:22,850 --> 00:23:20,700

and it may be the paternal side it

532

00:23:26,120 --> 00:23:22,860

doesn't matter but that is what I was

533

00:23:28,820 --> 00:23:26,130

fascinated by because it tied into what

534

00:23:31,370 --> 00:23:28,830

I understand about the DNA because the

535

00:23:33,500 --> 00:23:31,380

bottom line here of course is why I'm

536

00:23:36,320 --> 00:23:33,510

talking about connecting to a cosmic

537

00:23:38,330 --> 00:23:36,330

heritage is that the research that I've

538

00:23:40,430 --> 00:23:38,340

done and the whistleblowers I've talked

539

00:23:43,520 --> 00:23:40,440

to molecular biologists geneticists that

540

00:23:45,800 --> 00:23:43,530

have seen within our DNA the fact that

541

00:23:48,640 --> 00:23:45,810

we've been altered and changed because

542

00:23:51,080 --> 00:23:48,650

the whole thing is if that's the case

543

00:23:53,720 --> 00:23:51,090

first of all it explains why they're so

544

00:23:56,030 --> 00:23:53,730

interested in us and secondly it

545

00:23:59,060 --> 00:23:56,040

explains what I'm seeing is the what I

546

00:24:00,920 --> 00:23:59,070

call the upgrades of human coming down

547

00:24:03,590 --> 00:24:00,930

the family lines because what I was

548

00:24:06,200 --> 00:24:03,600

seeing was if granddad or grandma had

549

00:24:09,200 --> 00:24:06,210

experiences then you had the parent

550

00:24:11,390 --> 00:24:09,210

having things happen usually a little

551  
00:24:14,150 --> 00:24:11,400  
bit more aware and then you got the

552  
00:24:16,730 --> 00:24:14,160  
child that's quite comfortable with

553  
00:24:18,490 --> 00:24:16,740  
talking about yes I go up on spacecraft

554  
00:24:22,240 --> 00:24:18,500  
they showing you how to use my abilities

555  
00:24:25,960 --> 00:24:22,250  
etc etc the thing that

556  
00:24:27,640 --> 00:24:25,970  
really was to me a light bulb moment was

557  
00:24:29,770 --> 00:24:27,650  
the whole thing was where is the

558  
00:24:32,620 --> 00:24:29,780  
evidence in a mainstream way of

559  
00:24:35,110 --> 00:24:32,630  
understanding it metaphysically you've

560  
00:24:37,330 --> 00:24:35,120  
got those that talk about the indigo

561  
00:24:40,080 --> 00:24:37,340  
children the crystal children children

562  
00:24:43,360 --> 00:24:40,090  
of like noticing children with different

563  
00:24:46,000 --> 00:24:43,370

awareness for want of a better word but

564

00:24:48,760 --> 00:24:46,010

I wanted something that was to me more

565

00:24:51,790 --> 00:24:48,770

mainstream tangible and what I was

566

00:24:54,580 --> 00:24:51,800

seeing was that we were getting more and

567

00:24:59,680 --> 00:24:54,590

more children born with such things as

568

00:25:02,560 --> 00:24:59,690

ADHD Asperger's dyslexia on some forms

569

00:25:05,320 --> 00:25:02,570

of autism and these were often born to

570

00:25:06,700 --> 00:25:05,330

people having experiences and I'm

571

00:25:09,070 --> 00:25:06,710

thinking there hold on a minute if this

572

00:25:11,770 --> 00:25:09,080

is supposed to be an upgrade why do they

573

00:25:15,160 --> 00:25:11,780

appear to be dysfunctional unless

574

00:25:17,860 --> 00:25:15,170

they're not dysfunctional we are and the

575

00:25:19,480 --> 00:25:17,870

reason I say that is one light bulb

576  
00:25:22,240 --> 00:25:19,490  
moment was when I was talking to Neal

577  
00:25:25,270 --> 00:25:22,250  
gold in Hong Kong who told me he was in

578  
00:25:29,290 --> 00:25:25,280  
his 50s before he realized that he was

579  
00:25:32,290 --> 00:25:29,300  
ADHD he said I always saw a matrix a

580  
00:25:35,020 --> 00:25:32,300  
complexity of reality that nobody else

581  
00:25:38,650 --> 00:25:35,030  
seemed to see and he wrote a book Close

582  
00:25:41,860 --> 00:25:38,660  
Encounters of the ADHD kind and he said

583  
00:25:43,930 --> 00:25:41,870  
and so what he was saying was that I

584  
00:25:45,670 --> 00:25:43,940  
didn't know why I saw things differently

585  
00:25:49,990 --> 00:25:45,680  
and why behave differently and he's

586  
00:25:52,780 --> 00:25:50,000  
actually retranslated ADHD into always

587  
00:25:55,960 --> 00:25:52,790  
dialed into higher dimensions there's a

588  
00:25:58,660 --> 00:25:55,970

clue what I was seeing was why are

589

00:26:00,360 --> 00:25:58,670

people who are having experiences ending

590

00:26:03,310 --> 00:26:00,370

up having children with so-called

591

00:26:07,180 --> 00:26:03,320

dysfunctions unless they're not

592

00:26:10,090 --> 00:26:07,190

dysfunctions and another scientists that

593

00:26:11,590 --> 00:26:10,100

has helped me with understanding this is

594

00:26:14,350 --> 00:26:11,600

dr. Lena Olson who's a molecular

595

00:26:16,840 --> 00:26:14,360

biologist in Sweden she calls them

596

00:26:21,010 --> 00:26:16,850

letter people part Asperger's part

597

00:26:24,220 --> 00:26:21,020

autistic a little bit of ADHD and she

598

00:26:26,760 --> 00:26:24,230

said I am one I am one of these letter

599

00:26:28,870 --> 00:26:26,770

people and she's had lots of it

600

00:26:31,870 --> 00:26:28,880

multidimensional experiences but she

601  
00:26:35,380 --> 00:26:31,880  
noticed through scientifically testing

602  
00:26:35,810 --> 00:26:35,390  
she's got a higher sensitivity in her

603  
00:26:38,690 --> 00:26:35,820  
sense

604  
00:26:43,160 --> 00:26:38,700  
it's both touch hearing is it she can

605  
00:26:45,580 --> 00:26:43,170  
hear a broader level of sound her eyes

606  
00:26:48,560 --> 00:26:45,590  
can see a broader spectrum of light

607  
00:26:51,140 --> 00:26:48,570  
everything is more sensitive and she's

608  
00:26:53,900 --> 00:26:51,150  
tested this within herself as she's a

609  
00:26:55,970 --> 00:26:53,910  
scientist and she said and this is what

610  
00:26:59,270 --> 00:26:55,980  
is happening with the children they are

611  
00:27:02,090 --> 00:26:59,280  
having these higher senses the problem

612  
00:27:05,150 --> 00:27:02,100  
we are seeing is they don't operate so

613  
00:27:06,980 --> 00:27:05,160

well in what we term our 3d reality

614

00:27:10,070 --> 00:27:06,990

because we don't understand this

615

00:27:11,840 --> 00:27:10,080

sensitivity the fact that why are they

616

00:27:15,020 --> 00:27:11,850

so sensitive well because they're an

617

00:27:18,080 --> 00:27:15,030

upgrade right and you know I just want

618

00:27:19,490 --> 00:27:18,090

to jump in there I I do I'm with you I

619

00:27:22,250 --> 00:27:19,500

think you're breaking some important

620

00:27:25,040 --> 00:27:22,260

ground there I don't see a one-to-one

621

00:27:28,780 --> 00:27:25,050

connection but it's it's not complete

622

00:27:32,800 --> 00:27:28,790

it's like hey there's a link between

623

00:27:35,060 --> 00:27:32,810

vaccines especially the untested

624

00:27:37,310 --> 00:27:35,070

multiple vaccines that are given in

625

00:27:39,590 --> 00:27:37,320

autism so this doesn't take away from

626  
00:27:41,270 --> 00:27:39,600  
that and it doesn't take away from that

627  
00:27:45,350 --> 00:27:41,280  
there that every person who has

628  
00:27:48,680 --> 00:27:45,360  
Asperger's is a starseed child what I

629  
00:27:51,110 --> 00:27:48,690  
think you're raising is just the the

630  
00:27:53,090 --> 00:27:51,120  
sound the alarm to hate do we need to

631  
00:27:56,360 --> 00:27:53,100  
potentially understand this differently

632  
00:27:59,780 --> 00:27:56,370  
when we start opening up - I like how

633  
00:28:01,910 --> 00:27:59,790  
you say multiple dimensions extended

634  
00:28:04,100 --> 00:28:01,920  
consciousness thing and the other thing

635  
00:28:06,950 --> 00:28:04,110  
that you've thrown on the table and

636  
00:28:08,000 --> 00:28:06,960  
please go back to which are what you

637  
00:28:09,440 --> 00:28:08,010  
were talking about before because I

638  
00:28:11,270 --> 00:28:09,450

don't want to totally take you off that

639

00:28:13,040 --> 00:28:11,280

point but you another thing that you

640

00:28:17,000 --> 00:28:13,050

said that I think it's really kind of

641

00:28:19,340 --> 00:28:17,010

when we get to it I'm sorry gear that

642

00:28:23,770 --> 00:28:19,350

really struck me and stayed with me is

643

00:28:26,750 --> 00:28:23,780

the idea that if you look at the counter

644

00:28:29,030 --> 00:28:26,760

hypothesis a little bit so if you take

645

00:28:30,770 --> 00:28:29,040

and accept that we're in disclosure mode

646

00:28:33,170 --> 00:28:30,780

I mean I still after beep at every

647

00:28:35,750 --> 00:28:33,180

freaking show I think it's like folks it

648

00:28:38,630 --> 00:28:35,760

was in the New York Times it was on Fox

649

00:28:41,630 --> 00:28:38,640

News it was on CBS News the Department

650

00:28:45,020 --> 00:28:41,640

of Defense has said it's okay to say we

651  
00:28:46,700 --> 00:28:45,030  
have videos of UFOs and if you think

652  
00:28:47,930 --> 00:28:46,710  
there's UFOs and you're still one of

653  
00:28:50,779 --> 00:28:47,940  
those people say I believe in you up

654  
00:28:52,730 --> 00:28:50,789  
believing et then I don't know where

655  
00:28:54,860 --> 00:28:52,740  
you're coming from with that but you can

656  
00:28:56,990 --> 00:28:54,870  
go have your own private conversation so

657  
00:28:59,060 --> 00:28:57,000  
that is part of the disclosure thing and

658  
00:29:00,769 --> 00:28:59,070  
then all these things are on the table

659  
00:29:03,259 --> 00:29:00,779  
so you take all the stuff you've talked

660  
00:29:05,990 --> 00:29:03,269  
about and now the way I put it is the

661  
00:29:08,090 --> 00:29:06,000  
burden of proof shifts it shifts to all

662  
00:29:11,090 --> 00:29:08,100  
the people who don't like these ideas to

663  
00:29:13,730 --> 00:29:11,100

say well but you got acknowledged et is

664

00:29:16,009 --> 00:29:13,740

there it's done so now you prove that it

665

00:29:18,320 --> 00:29:16,019

isn't there and here's the little tidbit

666

00:29:21,560 --> 00:29:18,330

that I wanted you to talk about because

667

00:29:25,899 --> 00:29:21,570

it just it was a drop the mic moment for

668

00:29:29,990 --> 00:29:25,909

me when you said perhaps the reason why

669

00:29:32,930 --> 00:29:30,000

this is so pressing and so such an

670

00:29:34,960 --> 00:29:32,940

important time is that we have reached

671

00:29:38,450 --> 00:29:34,970

the point in our medical and biological

672

00:29:42,529 --> 00:29:38,460

technology where genetic engineering is

673

00:29:46,460 --> 00:29:42,539

a reality to us and we will discover the

674

00:29:49,159 --> 00:29:46,470

extent to which our our genetics have

675

00:29:52,970 --> 00:29:49,169

been engineered it is inevitable it

676

00:29:55,310 --> 00:29:52,980

wasn't before but in the last 10 20 30

677

00:29:57,230 --> 00:29:55,320

years its Mouse and some of the stuff

678

00:29:58,730 --> 00:29:57,240

that you throw out you know Francis

679

00:30:00,950 --> 00:29:58,740

Crick and the rest this if people have

680

00:30:03,049 --> 00:30:00,960

speculated it and now we can go in and

681

00:30:05,419 --> 00:30:03,059

we can do the CRISPR gene splicing and

682

00:30:08,240 --> 00:30:05,429

we can look at China and say no no don't

683

00:30:10,820 --> 00:30:08,250

do what you just did we are there so

684

00:30:12,680 --> 00:30:10,830

anyone who is also part of non-human

685

00:30:15,909 --> 00:30:12,690

intelligence who's part of this genetic

686

00:30:18,289 --> 00:30:15,919

engineering is gonna go okay the gigs up

687

00:30:21,080 --> 00:30:18,299

they're gonna understand at least to a

688

00:30:22,879 --> 00:30:21,090

certain extent what we're doing so we

689

00:30:24,889 --> 00:30:22,889

gotta kind of shift strategies or

690

00:30:28,310 --> 00:30:24,899

something along those lines do you want

691

00:30:30,409 --> 00:30:28,320

to comment on that at all I mean I think

692

00:30:33,830 --> 00:30:30,419

it's really important for people to get

693

00:30:37,070 --> 00:30:33,840

the baseline of why I have this

694

00:30:39,769 --> 00:30:37,080

hypothesis and it's because as a former

695

00:30:42,769 --> 00:30:39,779

nurse and midwife I want that the DNA is

696

00:30:44,690 --> 00:30:42,779

that is the key to why they're

697

00:30:47,930 --> 00:30:44,700

interested in us in the first place and

698

00:30:50,330 --> 00:30:47,940

that is because we know anyway that we

699

00:30:52,369 --> 00:30:50,340

went from cro-magnon and the and earth

700

00:30:54,769 --> 00:30:52,379

all and there was the missing link and

701  
00:30:58,999 --> 00:30:54,779  
all of a sudden Homo sapiens sapiens

702  
00:31:01,340 --> 00:30:59,009  
appeared with twice the brain size 223

703  
00:31:01,700 --> 00:31:01,350  
genes that were a sideways insertion of

704  
00:31:04,460 --> 00:31:01,710  
Jeanette

705  
00:31:06,889 --> 00:31:04,470  
material nobody can explain and

706  
00:31:09,680 --> 00:31:06,899  
interestingly I met a scientist

707  
00:31:12,230 --> 00:31:09,690  
geneticist when I was in South Australia

708  
00:31:14,060 --> 00:31:12,240  
some years ago who worked with dr.

709  
00:31:18,169 --> 00:31:14,070  
Francis Crick who was co-founder of the

710  
00:31:21,289 --> 00:31:18,179  
DNA molecule and he said marry those 223

711  
00:31:25,399 --> 00:31:21,299  
genes do not exist in any other species

712  
00:31:28,010 --> 00:31:25,409  
on this planet just Homo sapiens sapiens

713  
00:31:30,889 --> 00:31:28,020

and we're talking about twice the brain

714

00:31:33,260 --> 00:31:30,899

size all to do with higher psychological

715

00:31:34,700 --> 00:31:33,270

functioning right so there's your

716

00:31:37,490 --> 00:31:34,710

baseline you get Whistleblower

717

00:31:40,669 --> 00:31:37,500

geneticists that are saying the evidence

718

00:31:44,330 --> 00:31:40,679

of us being spliced is there that we

719

00:31:46,399 --> 00:31:44,340

have been engineered so then you get dr.

720

00:31:48,620 --> 00:31:46,409

Francis Crick who always said that he

721

00:31:52,100 --> 00:31:48,630

believed that we were intelligently

722

00:31:54,710 --> 00:31:52,110

designed saying they programmed into our

723

00:31:57,440 --> 00:31:54,720

DNA that when we got to a certain level

724

00:32:00,470 --> 00:31:57,450

of awareness and I'm putting stroke

725

00:32:04,100 --> 00:32:00,480

technology we would then discover who we

726  
00:32:07,010 --> 00:32:04,110  
are people may not know that in one gram

727  
00:32:08,720 --> 00:32:07,020  
of DNA everything that's on the internet

728  
00:32:12,710 --> 00:32:08,730  
right now would fit into that one gram

729  
00:32:15,470 --> 00:32:12,720  
of DNA we have encoded I believe in our

730  
00:32:18,409 --> 00:32:15,480  
DNA everything we need to know and we

731  
00:32:20,090 --> 00:32:18,419  
are discovering that as it gets activate

732  
00:32:23,450 --> 00:32:20,100  
and that's another story about them

733  
00:32:27,310 --> 00:32:23,460  
getting us advancing as a species but

734  
00:32:31,220 --> 00:32:27,320  
the bottom line is that we've we have

735  
00:32:32,960 --> 00:32:31,230  
DNA that nobody can explain in terms of

736  
00:32:36,289 --> 00:32:32,970  
it's called dormant DNA they used to

737  
00:32:37,580 --> 00:32:36,299  
call it junk DNA they have got no clue

738  
00:32:40,159 --> 00:32:37,590

what it's there for

739

00:32:43,039 --> 00:32:40,169

so you've got this whole mystery and

740

00:32:45,950 --> 00:32:43,049

we've got 95 percent 90 to 95 percent

741

00:32:48,440 --> 00:32:45,960

junk DNA what is the junk you know does

742

00:32:52,279 --> 00:32:48,450

nature do anything without a reason I

743

00:32:54,529 --> 00:32:52,289

don't think so so what is it and because

744

00:32:57,230 --> 00:32:54,539

what's happening now and that leads into

745

00:32:59,180 --> 00:32:57,240

the whole thing about people starting to

746

00:33:01,610 --> 00:32:59,190

feel they're from somewhere else and

747

00:33:04,159 --> 00:33:01,620

that's a whole new story I can go into

748

00:33:06,230 --> 00:33:04,169

why do they because I believe they're

749

00:33:09,139 --> 00:33:06,240

being activated and when you say why now

750

00:33:11,690 --> 00:33:09,149

well I'll tell you what I think now is

751  
00:33:14,629 --> 00:33:11,700  
because we've reached a certain level of

752  
00:33:15,600 --> 00:33:14,639  
technology and these intelligences which

753  
00:33:17,730 --> 00:33:15,610  
I believe

754  
00:33:18,840 --> 00:33:17,740  
of our ancestry or our ancestors are

755  
00:33:22,950 --> 00:33:18,850  
saying hold on a minute

756  
00:33:25,410 --> 00:33:22,960  
our little sibling our little prodigy

757  
00:33:27,750 --> 00:33:25,420  
down there are getting a bit too cheeky

758  
00:33:29,730 --> 00:33:27,760  
you know they're starting to create

759  
00:33:31,700 --> 00:33:29,740  
technology that could destroy them you

760  
00:33:34,230 --> 00:33:31,710  
know the silly little monkeys you know

761  
00:33:36,720 --> 00:33:34,240  
we've got to do something about this and

762  
00:33:39,390 --> 00:33:36,730  
that is why I believe there's this big

763  
00:33:41,910 --> 00:33:39,400

push to upgrade humanity and we're

764

00:33:43,710 --> 00:33:41,920

seeing evidence of this even more and

765

00:33:47,700 --> 00:33:43,720

more now over the last few generations

766

00:33:49,890 --> 00:33:47,710

of children who are exhibiting this

767

00:33:51,990 --> 00:33:49,900

multi-dimensional awareness and are

768

00:33:53,970 --> 00:33:52,000

coming in with it where they're telling

769

00:33:55,500 --> 00:33:53,980

you what planet they're from they're

770

00:33:57,180 --> 00:33:55,510

telling you why they've come in what

771

00:33:59,159 --> 00:33:57,190

their abilities are and what how they're

772

00:34:02,280 --> 00:33:59,169

going to help the planet when you've got

773

00:34:04,260 --> 00:34:02,290

this kind of awareness in a 6 7 8 9 year

774

00:34:05,490 --> 00:34:04,270

old child you're having to say well

775

00:34:07,710 --> 00:34:05,500

there's certainly an upgrade on the

776

00:34:12,359 --> 00:34:07,720

older models like me we still have a

777

00:34:15,300 --> 00:34:12,369

sleep so the bottom line for me is that

778

00:34:17,340 --> 00:34:15,310

is what I'm seeing and and the other

779

00:34:20,970 --> 00:34:17,350

thing that I want to say the people is

780

00:34:23,879 --> 00:34:20,980

why would they create what appears to be

781

00:34:26,280 --> 00:34:23,889

dysfunctional children unless there is a

782

00:34:28,710 --> 00:34:26,290

reason behind it and then when you look

783

00:34:30,750 --> 00:34:28,720

at one of the things we know is the

784

00:34:33,300 --> 00:34:30,760

reason many of us deny our

785

00:34:35,909 --> 00:34:33,310

multi-dimensional cells deny our psychic

786

00:34:37,859 --> 00:34:35,919

abilities our awareness our intuition we

787

00:34:40,560 --> 00:34:37,869

all have it why do we do it because

788

00:34:42,810 --> 00:34:40,570

we're programmed to not believe in it

789

00:34:44,790 --> 00:34:42,820

we're programmed to tell us it's not

790

00:34:46,830 --> 00:34:44,800

real psychology says as soon as you

791

00:34:51,720 --> 00:34:46,840

start hearing stuff you are on the road

792

00:34:53,790 --> 00:34:51,730

to craziness though aren't we this is

793

00:34:56,159 --> 00:34:53,800

this is the program this is what

794

00:34:58,920 --> 00:34:56,169

mainstream psychology says you can't

795

00:35:01,950 --> 00:34:58,930

feel sense energies you can't see

796

00:35:04,830 --> 00:35:01,960

spirits you can't feel and sensor know

797

00:35:06,750 --> 00:35:04,840

stuff from the future precognition you

798

00:35:08,460 --> 00:35:06,760

can't do this because it's not normal

799

00:35:11,580 --> 00:35:08,470

our psychology says there's something

800

00:35:13,470 --> 00:35:11,590

wrong with you so what needs to happen a

801  
00:35:15,990 --> 00:35:13,480  
different kind of programming well if

802  
00:35:18,540 --> 00:35:16,000  
you are wired differently you're not so

803  
00:35:20,940 --> 00:35:18,550  
easily programmable are you that's what

804  
00:35:22,650 --> 00:35:20,950  
do they do with ADHD they stick them

805  
00:35:25,200 --> 00:35:22,660  
full of ritalin to slow them down so

806  
00:35:26,910 --> 00:35:25,210  
they can be programmed when in fact we

807  
00:35:28,020 --> 00:35:26,920  
should be realizing they're an upgrade

808  
00:35:30,300 --> 00:35:28,030  
of human

809  
00:35:32,300 --> 00:35:30,310  
where that is not relevant programming

810  
00:35:35,070 --> 00:35:32,310  
to them because they are already

811  
00:35:37,230 --> 00:35:35,080  
operating multi-dimensionally and they

812  
00:35:41,160 --> 00:35:37,240  
will tell you so if they feel safe

813  
00:35:43,740 --> 00:35:41,170

enough with you to tell you there's a

814

00:35:46,080 --> 00:35:43,750

whole bunch of topics related to that

815

00:35:48,060 --> 00:35:46,090

that you've touched on and we've touched

816

00:35:51,060 --> 00:35:48,070

on parapsychology is beginning to look

817

00:35:53,640 --> 00:35:51,070

at that in terms of ESP abilities and

818

00:35:56,100 --> 00:35:53,650

and that kind of stuff but I want to

819

00:35:59,490 --> 00:35:56,110

leave open the space and time to go to

820

00:36:01,710 --> 00:35:59,500

different topics so I did say I would

821

00:36:05,460 --> 00:36:01,720

let you pick and I picked up don't also

822

00:36:10,590 --> 00:36:05,470

very would you might like to go next on

823

00:36:12,990 --> 00:36:10,600

our Jeopardy board there oh look what I

824

00:36:14,730 --> 00:36:13,000

mean I will give you some some of the

825

00:36:17,460 --> 00:36:14,740

cases that have been very profound

826

00:36:19,680 --> 00:36:17,470

recently because the one thing that's

827

00:36:22,760 --> 00:36:19,690

come up and you mentioned dr. Jacobs for

828

00:36:25,950 --> 00:36:22,770

example and okay so if we're changing

829

00:36:28,860 --> 00:36:25,960

and these children are different are

830

00:36:32,100 --> 00:36:28,870

they a threat you know IFIF threat to

831

00:36:34,290 --> 00:36:32,110

humanity people talk about hybrids well

832

00:36:35,970 --> 00:36:34,300

some of these people not just the

833

00:36:40,170 --> 00:36:35,980

children are mentioning to me they're

834

00:36:43,320 --> 00:36:40,180

hybrids one is a one particular case

835

00:36:45,540 --> 00:36:43,330

it's a 16 year old Spanish girl who said

836

00:36:49,770 --> 00:36:45,550

that when she reached 15 she had this

837

00:36:52,650 --> 00:36:49,780

encoded in a DNA and as this was encoded

838

00:36:54,990 --> 00:36:52,660

it actually became she became aware of

839

00:36:57,450 --> 00:36:55,000

it at 15 she was a star kid she was a

840

00:37:00,060 --> 00:36:57,460

hybrid she said there are many types of

841

00:37:02,190 --> 00:37:00,070

hybrids that in fact were all hybrids

842

00:37:05,610 --> 00:37:02,200

anyway you know that's that's a rare as

843

00:37:08,580 --> 00:37:05,620

far as I'm concerned but we're talking

844

00:37:12,570 --> 00:37:08,590

about different programs of hybrid and

845

00:37:14,550 --> 00:37:12,580

some of them are less aware than others

846

00:37:16,890 --> 00:37:14,560

depending on the program that they are I

847

00:37:18,780 --> 00:37:16,900

believe ADHD is one program I believe

848

00:37:21,060 --> 00:37:18,790

those with Asperger's are another

849

00:37:23,580 --> 00:37:21,070

program those are dyslexic another

850

00:37:25,910 --> 00:37:23,590

program people who are very empathic is

851  
00:37:28,770 --> 00:37:25,920  
another program because we're needing

852  
00:37:30,930 --> 00:37:28,780  
different programs for what's going on

853  
00:37:32,520 --> 00:37:30,940  
in this planet but are they taking over

854  
00:37:34,560 --> 00:37:32,530  
well we've already taken over the planet

855  
00:37:37,170 --> 00:37:34,570  
because we've taken it over pre I breads

856  
00:37:39,420 --> 00:37:37,180  
so you know what's what's the big deal

857  
00:37:40,920 --> 00:37:39,430  
what is different though well hold on

858  
00:37:41,370 --> 00:37:40,930  
because I think there is an important

859  
00:37:43,350 --> 00:37:41,380  
question

860  
00:37:44,430 --> 00:37:43,360  
there that a lot of people have and I

861  
00:37:48,870 --> 00:37:44,440  
think it's a very legitimate question

862  
00:37:50,970 --> 00:37:48,880  
because one of the views on this and

863  
00:37:52,140 --> 00:37:50,980

it's supported by you know I just

864

00:37:55,470 --> 00:37:52,150

interviewed I think I'm in the last

865

00:37:57,510 --> 00:37:55,480

episode as these come out dr. Courtney

866

00:38:01,410 --> 00:37:57,520

Brown who is famous for remote viewing

867

00:38:03,270 --> 00:38:01,420

and has done some rather extensive and I

868

00:38:06,030 --> 00:38:03,280

have to say impressive remote viewing

869

00:38:08,400 --> 00:38:06,040

projects looking at different kinds of

870

00:38:10,200 --> 00:38:08,410

contact experiments and one thing that I

871

00:38:14,070 --> 00:38:10,210

think that he says that really resonates

872

00:38:15,510 --> 00:38:14,080

with me is the multiple agendas and he

873

00:38:17,220 --> 00:38:15,520

says you know why is it that we're

874

00:38:19,710 --> 00:38:17,230

totally comfortable with the idea that

875

00:38:22,290 --> 00:38:19,720

we're going to work with China but we

876

00:38:24,510 --> 00:38:22,300

realized that China has a different

877

00:38:26,520 --> 00:38:24,520

agenda and then further we realize that

878

00:38:28,710 --> 00:38:26,530

there are different groups within China

879

00:38:30,180 --> 00:38:28,720

that have a different agenda and those

880

00:38:32,100 --> 00:38:30,190

different groups within America that

881

00:38:35,130 --> 00:38:32,110

have a different agenda and Australia in

882

00:38:38,160 --> 00:38:35,140

that somehow sometimes when we talk

883

00:38:40,170 --> 00:38:38,170

about non-human intelligence and et

884

00:38:43,830 --> 00:38:40,180

contact we immediately shift into this

885

00:38:46,590 --> 00:38:43,840

mode of this total unified agenda that

886

00:38:49,920 --> 00:38:46,600

doesn't seem to be the history there

887

00:38:53,520 --> 00:38:49,930

seems to be a lot of pretty violent

888

00:38:55,710 --> 00:38:53,530

activity in that past of aliens

889

00:38:57,060 --> 00:38:55,720

contacting each other and we gotta

890

00:38:58,710 --> 00:38:57,070

believe that some of that is still going

891

00:39:01,730 --> 00:38:58,720

on and then we have the whole

892

00:39:03,630 --> 00:39:01,740

interaction they have with some of our

893

00:39:05,370 --> 00:39:03,640

intelligence organizations and

894

00:39:07,110 --> 00:39:05,380

intelligence organization so that I

895

00:39:08,930 --> 00:39:07,120

don't want to go too far afield there

896

00:39:11,850 --> 00:39:08,940

but you get what I'm saying I mean

897

00:39:14,040 --> 00:39:11,860

multiple multiple agendas multiple

898

00:39:16,170 --> 00:39:14,050

multiple visitors visitors with

899

00:39:18,750 --> 00:39:16,180

different levels of Technology and you

900

00:39:22,550 --> 00:39:18,760

you put that into some complex matrix

901  
00:39:26,790 --> 00:39:22,560  
and gosh how how do you sort through all

902  
00:39:31,860 --> 00:39:26,800  
or the one thing that I've tried never

903  
00:39:34,920 --> 00:39:31,870  
to do is interpret because I am fully

904  
00:39:38,490 --> 00:39:34,930  
aware that I'm looking at something that

905  
00:39:40,940 --> 00:39:38,500  
is multi dimensional multi complex we're

906  
00:39:42,900 --> 00:39:40,950  
talking not just about physical

907  
00:39:45,060 --> 00:39:42,910  
extraterrestrial beings we're talking

908  
00:39:47,940 --> 00:39:45,070  
about interdimensional intelligences

909  
00:39:50,790 --> 00:39:47,950  
extra dimensional transdimensional

910  
00:39:53,340 --> 00:39:50,800  
beings from our future and possibly

911  
00:39:55,109 --> 00:39:53,350  
others I don't have a clue about as far

912  
00:39:57,779 --> 00:39:55,119  
as I know so

913  
00:40:00,209 --> 00:39:57,789

when you're saying there's multiple and

914

00:40:03,920 --> 00:40:00,219

complex programs and for sure there is

915

00:40:06,809 --> 00:40:03,930

without question all I can do is when I

916

00:40:09,299 --> 00:40:06,819

are talking to individuals having these

917

00:40:11,969 --> 00:40:09,309

experiences I'm hearing what they say

918

00:40:13,920 --> 00:40:11,979

about themselves and how they understand

919

00:40:17,069 --> 00:40:13,930

themselves and what I'm discovering is

920

00:40:18,959 --> 00:40:17,079

many of them have awareness they've come

921

00:40:21,749 --> 00:40:18,969

from another planet

922

00:40:23,339 --> 00:40:21,759

another solar system another dimension

923

00:40:25,979 --> 00:40:23,349

year 10 year old saying he's come

924

00:40:29,609 --> 00:40:25,989

through a portal in the Sun you hear

925

00:40:32,160 --> 00:40:29,619

them say I was one one ten year old

926

00:40:35,309 --> 00:40:32,170

recently said to me I was a will of the

927

00:40:37,859 --> 00:40:35,319

wisp a spirit I saw the life that I

928

00:40:40,380 --> 00:40:37,869

wanted on this planet and then I found

929

00:40:43,079 --> 00:40:40,390

myself in mummys tummy so that was how

930

00:40:45,390 --> 00:40:43,089

he talked about incarnating into the

931

00:40:47,819 --> 00:40:45,400

human form I've come here with these

932

00:40:50,099 --> 00:40:47,829

this awareness I've come here and this

933

00:40:52,410 --> 00:40:50,109

is my job this is my mission coming here

934

00:40:54,839 --> 00:40:52,420

he's fully aware of his connection to

935

00:40:58,440 --> 00:40:54,849

these intelligences some of them are

936

00:41:01,109 --> 00:40:58,450

very physical to him and some of them he

937

00:41:03,479 --> 00:41:01,119

just sees maybe as energy or is aware of

938

00:41:06,749 --> 00:41:03,489

them as just light or whatever my point

939

00:41:08,670 --> 00:41:06,759

is that yes just like we've got many

940

00:41:11,089 --> 00:41:08,680

agendas on this planet for different

941

00:41:13,469 --> 00:41:11,099

things we've you know these

942

00:41:17,430 --> 00:41:13,479

intelligences are depending on their

943

00:41:19,739 --> 00:41:17,440

level of benevolence I suppose is a good

944

00:41:21,900 --> 00:41:19,749

word to put it and how less you know the

945

00:41:23,940 --> 00:41:21,910

ones that are less self-serving every

946

00:41:27,349 --> 00:41:23,950

single one of them will have their own

947

00:41:30,450 --> 00:41:27,359

agenda but we do see a collaboration

948

00:41:33,509 --> 00:41:30,460

with a number of those intelligences for

949

00:41:35,640 --> 00:41:33,519

certain objectives for example when an

950

00:41:37,229 --> 00:41:35,650

the eight-year-old told me she'd been

951  
00:41:39,900 --> 00:41:37,239  
taken to a planet to learn how to

952  
00:41:42,859 --> 00:41:39,910  
levitate and use her psychic abilities

953  
00:41:46,190 --> 00:41:42,869  
they also showed her how they did

954  
00:41:48,989 --> 00:41:46,200  
different they interbred various species

955  
00:41:51,180 --> 00:41:48,999  
for different planets as they seeded

956  
00:41:54,469 --> 00:41:51,190  
other planets for example as part of one

957  
00:41:58,559 --> 00:41:54,479  
of the bigger genetic agendas both

958  
00:42:00,479 --> 00:41:58,569  
humans both animals both plants all of

959  
00:42:02,700 --> 00:42:00,489  
this was shown to her another lady

960  
00:42:05,339 --> 00:42:02,710  
showed and told me that the mantis

961  
00:42:07,740 --> 00:42:05,349  
beings are master geneticists they

962  
00:42:10,430 --> 00:42:07,750  
basically are the ones that oversee

963  
00:42:13,530 --> 00:42:10,440

most of the genetic programs for example

964

00:42:15,300 --> 00:42:13,540

so I don't know whether that's true all

965

00:42:16,740 --> 00:42:15,310

I know is if enough people are telling

966

00:42:19,320 --> 00:42:16,750

me the same thing about their

967

00:42:21,990 --> 00:42:19,330

understanding of particular species then

968

00:42:23,790 --> 00:42:22,000

it you know it has veracity because

969

00:42:25,740 --> 00:42:23,800

that's all I can go on I don't know what

970

00:42:27,450 --> 00:42:25,750

the government knows behind the scenes

971

00:42:29,730 --> 00:42:27,460

and it would be nice to know what

972

00:42:31,950 --> 00:42:29,740

they're hiding from the rest of us but

973

00:42:34,800 --> 00:42:31,960

at the bottom line is for me my daughter

974

00:42:37,700 --> 00:42:34,810

comes from those that come to me and

975

00:42:41,930 --> 00:42:37,710

some of this will be conscious recall

976

00:42:45,420 --> 00:42:41,940

and some of it may come through hypnosis

977

00:42:47,550 --> 00:42:45,430

and I can go into the methodology of

978

00:42:50,220 --> 00:42:47,560

hypnosis and why I think it's extremely

979

00:42:52,500 --> 00:42:50,230

valuable if you want me to I'd love that

980

00:42:55,260 --> 00:42:52,510

but it's it's probably in the interest

981

00:42:58,200 --> 00:42:55,270

of time that's I think we hit that I

982

00:43:01,800 --> 00:42:58,210

mean anyone who doesn't believe you're

983

00:43:03,390 --> 00:43:01,810

legit and that we should it be you're

984

00:43:05,250 --> 00:43:03,400

just so open about it I mean that's

985

00:43:06,720 --> 00:43:05,260

pound in the desk saying you know you

986

00:43:08,700 --> 00:43:06,730

have to believe this or you have to

987

00:43:11,099 --> 00:43:08,710

believe that I love the way you're

988

00:43:14,339 --> 00:43:11,109

sharing it that topics covered pick

989

00:43:17,910 --> 00:43:14,349

another category from the board there

990

00:43:20,160 --> 00:43:17,920

and let's have some fun goodness me all

991

00:43:24,900 --> 00:43:20,170

right let's look at stranger things that

992

00:43:27,410 --> 00:43:24,910

is you know I know the program which has

993

00:43:31,650 --> 00:43:27,420

come up and I find it fascinating

994

00:43:34,140 --> 00:43:31,660

because our a number of levels one of

995

00:43:38,370 --> 00:43:34,150

the things that I do know and I think it

996

00:43:41,370 --> 00:43:38,380

illustrates in that story is that behind

997

00:43:44,520 --> 00:43:41,380

the scenes darker projects have been

998

00:43:47,880 --> 00:43:44,530

exploring the abilities of humans in

999

00:43:51,570 --> 00:43:47,890

terms of particularly children right yes

1000

00:43:53,910 --> 00:43:51,580

and I'm gonna say something that's going

1001  
00:43:57,359 --> 00:43:53,920  
to feel quite dark for some people but

1002  
00:44:00,000 --> 00:43:57,369  
the reality is these children many of

1003  
00:44:03,450 --> 00:44:00,010  
many of them know about these programs

1004  
00:44:06,390 --> 00:44:03,460  
because they've experienced it okay I

1005  
00:44:09,990 --> 00:44:06,400  
also I remember this young nine-year-old

1006  
00:44:11,790 --> 00:44:10,000  
explaining to me who know he knew he was

1007  
00:44:14,099 --> 00:44:11,800  
from the planet Orion he knew he was a

1008  
00:44:14,730 --> 00:44:14,109  
light physicist working on time travel

1009  
00:44:17,310 --> 00:44:14,740  
technology

1010  
00:44:19,560 --> 00:44:17,320  
he also said Mary I've been taken to one

1011  
00:44:21,390 --> 00:44:19,570  
of these underground bases and he

1012  
00:44:23,550 --> 00:44:21,400  
described in detail

1013  
00:44:27,330 --> 00:44:23,560

how we'd been put in a chair with a

1014

00:44:30,480 --> 00:44:27,340

woman in a what seemed like a military

1015

00:44:33,480 --> 00:44:30,490

uniform in front of him he said she had

1016

00:44:35,400 --> 00:44:33,490

technology to one side of her and what

1017

00:44:38,340 --> 00:44:35,410

she was doing was trying to lower my

1018

00:44:41,760 --> 00:44:38,350

frequency so she could take what I knew

1019

00:44:45,210 --> 00:44:41,770

but also put stuff that she wanted into

1020

00:44:47,850 --> 00:44:45,220

my consciousness and he said I'm aware

1021

00:44:50,940 --> 00:44:47,860

of what she was doing and because I kept

1022

00:44:53,550 --> 00:44:50,950

my frequency higher most of the time she

1023

00:44:56,400 --> 00:44:53,560

didn't succeed but he said I know there

1024

00:44:58,860 --> 00:44:56,410

are a lot of kids like me that are being

1025

00:45:01,440 --> 00:44:58,870

picked up and this is happening to them

1026

00:45:04,130 --> 00:45:01,450

one of the gentlemen that told me in

1027

00:45:06,630 --> 00:45:04,140

Sydney he'd been part of that program

1028

00:45:08,940 --> 00:45:06,640

he's now in his you know in his middle

1029

00:45:10,980 --> 00:45:08,950

years and had the flashback saying Mary

1030

00:45:13,590 --> 00:45:10,990

they were teaching us how to use our

1031

00:45:15,690 --> 00:45:13,600

psychic abilities including how to walk

1032

00:45:18,360 --> 00:45:15,700

through solid objects was one of the

1033

00:45:21,150 --> 00:45:18,370

things he explained because they know

1034

00:45:25,170 --> 00:45:21,160

what we can do and they know that it's a

1035

00:45:27,900 --> 00:45:25,180

potential for Humanity and they want to

1036

00:45:31,020 --> 00:45:27,910

be ahead of the game this is being done

1037

00:45:33,030 --> 00:45:31,030

in China China super psychics they are

1038

00:45:35,580 --> 00:45:33,040

studying these children that can

1039

00:45:36,600 --> 00:45:35,590

teleport things that can change the very

1040

00:45:39,150 --> 00:45:36,610

nature of DNA

1041

00:45:42,960 --> 00:45:39,160

it's called China super psychics by Paul

1042

00:45:45,810 --> 00:45:42,970

dong written in the 1980s we've got them

1043

00:45:48,180 --> 00:45:45,820

in Russia there's they are way ahead of

1044

00:45:51,090 --> 00:45:48,190

us in parapsychology working with

1045

00:45:54,420 --> 00:45:51,100

children and what they can do already

1046

00:45:57,180 --> 00:45:54,430

we've got evidence with training

1047

00:45:59,250 --> 00:45:57,190

children even over a few days how they

1048

00:46:02,370 --> 00:45:59,260

can see beyond their physical sight and

1049

00:46:04,140 --> 00:46:02,380

it's called extraocular vision and I

1050

00:46:07,790 --> 00:46:04,150

know a couple of ladies teaching it to

1051  
00:46:11,010 --> 00:46:07,800  
children from six to twelve and one lady

1052  
00:46:13,230 --> 00:46:11,020  
karen osborne came to agnes and there

1053  
00:46:16,590 --> 00:46:13,240  
was a few families that learnt it and

1054  
00:46:18,420 --> 00:46:16,600  
i've got video of a eight or nine year

1055  
00:46:22,410 --> 00:46:18,430  
old little girl after a few lessons

1056  
00:46:23,700 --> 00:46:22,420  
literally coloring with these goggles on

1057  
00:46:25,710 --> 00:46:23,710  
so you couldn't see anything she was

1058  
00:46:27,990 --> 00:46:25,720  
literally coloring in detail then

1059  
00:46:30,570 --> 00:46:28,000  
reading in detail and that was just in a

1060  
00:46:32,880 --> 00:46:30,580  
few lessons over a weekend so this is

1061  
00:46:34,589 --> 00:46:32,890  
our potential but the children already

1062  
00:46:37,609 --> 00:46:34,599  
showing us even

1063  
00:46:44,579 --> 00:46:37,619

this limited way what they're capable of

1064

00:46:48,299 --> 00:46:44,589

okay we're next well we've talked about

1065

00:46:49,859 --> 00:46:48,309

the star children and the hybrids I want

1066

00:46:51,930 --> 00:46:49,869

to tell you another little bit about

1067

00:46:53,880 --> 00:46:51,940

that because I'm putting together a

1068

00:46:57,210 --> 00:46:53,890

PowerPoint presentation they're not only

1069

00:46:59,729 --> 00:46:57,220

takes human children but it also takes

1070

00:47:02,120 --> 00:46:59,739

in the parents that are where they've

1071

00:47:05,039 --> 00:47:02,130

got hybrid children on board craft and

1072

00:47:07,559 --> 00:47:05,049

I'm actually going into detail because

1073

00:47:11,430 --> 00:47:07,569

I'm going to Brazil and this is a lady

1074

00:47:15,239 --> 00:47:11,440

in Brazil that contacted me she it was a

1075

00:47:16,859 --> 00:47:15,249

former air hostess and she said I

1076

00:47:18,870 --> 00:47:16,869

couldn't really talk about this to

1077

00:47:21,660 --> 00:47:18,880

ufologist she said and you're the only

1078

00:47:24,960 --> 00:47:21,670

one I feel I can talk to she said when I

1079

00:47:27,329 --> 00:47:24,970

was an air hostess I went in to go to

1080

00:47:30,359 --> 00:47:27,339

breakfast and she said I saw this little

1081

00:47:33,660 --> 00:47:30,369

girl standing in the hallway and I

1082

00:47:35,729 --> 00:47:33,670

thought to myself oh she's lost I wonder

1083

00:47:37,739 --> 00:47:35,739

where her mother is and as she's

1084

00:47:39,539 --> 00:47:37,749

thinking this she says this to the

1085

00:47:41,999 --> 00:47:39,549

little girl the little girl turns round

1086

00:47:45,359 --> 00:47:42,009

and she realizes although she looks

1087

00:47:49,170 --> 00:47:45,369

humanoid she's got this strange face and

1088

00:47:52,079 --> 00:47:49,180

she plainly isn't human she said I was

1089

00:47:55,380 --> 00:47:52,089

so scared that I ran away thinking she's

1090

00:47:59,309 --> 00:47:55,390

a monster and went and and probably

1091

00:48:01,499 --> 00:47:59,319

tried to forget it from that time she's

1092

00:48:04,170 --> 00:48:01,509

been up on board craft consciously

1093

00:48:07,680 --> 00:48:04,180

remembers seeing this little girl who's

1094

00:48:08,549 --> 00:48:07,690

part human part feline and realizes

1095

00:48:11,459 --> 00:48:08,559

that's her daughter

1096

00:48:15,380 --> 00:48:11,469

and in fact she's got several others

1097

00:48:17,789 --> 00:48:15,390

like this feline child on board craft

1098

00:48:20,190 --> 00:48:17,799

now there are two things that go with

1099

00:48:24,269 --> 00:48:20,200

that one is as a child she remembers his

1100

00:48:26,670 --> 00:48:24,279

tall being that looks feline almost had

1101  
00:48:29,430 --> 00:48:26,680  
a mother feeling about her and felt very

1102  
00:48:32,489 --> 00:48:29,440  
safe with her then she sees this little

1103  
00:48:36,120 --> 00:48:32,499  
girl on board craft but the thing that

1104  
00:48:40,829 --> 00:48:36,130  
blew me away was she said I've been on

1105  
00:48:43,529 --> 00:48:40,839  
board craft where my human daughter has

1106  
00:48:46,680 --> 00:48:43,539  
been there playing with her sibling

1107  
00:48:48,590 --> 00:48:46,690  
hybrid so they're actually having an

1108  
00:48:52,250 --> 00:48:48,600  
interaction her human daughter

1109  
00:48:55,640 --> 00:48:52,260  
now it gets even more more bizarre

1110  
00:48:57,860 --> 00:48:55,650  
because recently she said I got in my

1111  
00:49:00,200 --> 00:48:57,870  
head that my six-year-old or she's got

1112  
00:49:03,110 --> 00:49:00,210  
other children my six-year-old daughter

1113  
00:49:04,940 --> 00:49:03,120

is a hybrid and I just kept getting this

1114

00:49:07,940 --> 00:49:04,950

in my head that my daughters are hybrid

1115

00:49:10,040 --> 00:49:07,950

and she said and within a few days later

1116

00:49:13,010 --> 00:49:10,050

my husband woke me up at 4:00 in the

1117

00:49:15,140 --> 00:49:13,020

morning and out of the blue said you

1118

00:49:20,630 --> 00:49:15,150

know our daughters are hybrid don't you

1119

00:49:22,730 --> 00:49:20,640

she's a mantis and right now you make

1120

00:49:25,040 --> 00:49:22,740

something of that because this you can

1121

00:49:26,930 --> 00:49:25,050

imagine that she had it confirmed she's

1122

00:49:29,960 --> 00:49:26,940

my daughter does have six toes on one

1123

00:49:33,170 --> 00:49:29,970

foot she said but she's she is human

1124

00:49:35,570 --> 00:49:33,180

looking but she's remembering that she's

1125

00:49:37,430 --> 00:49:35,580

had these missing pregnancies where

1126

00:49:39,650 --> 00:49:37,440

she's been aware that she's been

1127

00:49:41,570 --> 00:49:39,660

pregnant for a short time and then

1128

00:49:44,210 --> 00:49:41,580

there's no pregnancy and this is such a

1129

00:49:46,010 --> 00:49:44,220

common thing with people who are having

1130

00:49:47,620 --> 00:49:46,020

encounters and I wrote a whole chapter

1131

00:49:50,180 --> 00:49:47,630

on missing pregnancies in Awakening

1132

00:49:53,060 --> 00:49:50,190

where they felt pregnant for a month

1133

00:49:55,160 --> 00:49:53,070

maybe sometimes two then all of a sudden

1134

00:49:57,920 --> 00:49:55,170

they feel this grief and this loss and

1135

00:50:00,290 --> 00:49:57,930

there's no pregnancy but they may

1136

00:50:03,650 --> 00:50:00,300

afterwards be taken up on board craft

1137

00:50:05,690 --> 00:50:03,660

and introduced to their hybrid children

1138

00:50:09,020 --> 00:50:05,700

where they'll feel this sense of love

1139

00:50:11,540 --> 00:50:09,030

and connection and part of that they are

1140

00:50:14,720 --> 00:50:11,550

understanding is that these hybrids need

1141

00:50:17,690 --> 00:50:14,730

human love as well as part for their

1142

00:50:20,960 --> 00:50:17,700

health if you like this is so common

1143

00:50:23,810 --> 00:50:20,970

Alex this is not the odd one here and

1144

00:50:27,020 --> 00:50:23,820

there I'm giving you a more extreme case

1145

00:50:30,050 --> 00:50:27,030

but this is something that is being

1146

00:50:32,180 --> 00:50:30,060

experienced by many hundreds of women

1147

00:50:34,040 --> 00:50:32,190

that I've spoken to and of course they

1148

00:50:35,870 --> 00:50:34,050

they've even had women that have been

1149

00:50:37,940 --> 00:50:35,880

told they can't have human children

1150

00:50:39,680 --> 00:50:37,950

they've gone to the doctor and the

1151  
00:50:41,270 --> 00:50:39,690  
doctors said to them and they've never

1152  
00:50:43,250 --> 00:50:41,280  
had a you know they've never had a

1153  
00:50:45,050 --> 00:50:43,260  
pregnancy date you know they was a lot

1154  
00:50:47,810 --> 00:50:45,060  
of them have never had any intimacy and

1155  
00:50:49,580 --> 00:50:47,820  
the doctor said to them where the scars

1156  
00:50:52,010 --> 00:50:49,590  
is seen is how many children have you

1157  
00:50:55,850 --> 00:50:52,020  
had and they've not had any children at

1158  
00:50:59,320 --> 00:50:55,860  
all well this is kind of a great point

1159  
00:51:01,790 --> 00:50:59,330  
to pause for a second because you know I

1160  
00:51:02,310 --> 00:51:01,800  
let off this interview by saying it's

1161  
00:51:05,220 --> 00:51:02,320  
just

1162  
00:51:07,230 --> 00:51:05,230  
really challenging for people and we

1163  
00:51:09,900 --> 00:51:07,240

tiptoed our way in but now people are

1164

00:51:12,750 --> 00:51:09,910

going to know what I mean what do you do

1165

00:51:15,270 --> 00:51:12,760

with these accounts if you're listening

1166

00:51:17,250 --> 00:51:15,280

to this what do you do with this person

1167

00:51:19,980 --> 00:51:17,260

who's in front of you Mary Robert we

1168

00:51:22,080 --> 00:51:19,990

just told you her methodology we've told

1169

00:51:24,030 --> 00:51:22,090

you how she's sought out she's been the

1170

00:51:27,030 --> 00:51:24,040

one to seek out science seek out

1171

00:51:29,060 --> 00:51:27,040

academic understanding of what she's

1172

00:51:33,240 --> 00:51:29,070

just encountered just in her work and

1173

00:51:37,140 --> 00:51:33,250

yet this is just so so hard to take and

1174

00:51:40,680 --> 00:51:37,150

let me pick a category here because I do

1175

00:51:43,290 --> 00:51:40,690

appreciate that this is hard on a number

1176

00:51:45,480 --> 00:51:43,300

of levels for the average person but

1177

00:51:48,440 --> 00:51:45,490

what always kind of surprises me is when

1178

00:51:51,930 --> 00:51:48,450

people with inside the UFO community

1179

00:51:54,840 --> 00:51:51,940

seem to really really struggle with this

1180

00:51:56,580 --> 00:51:54,850

topic and I think Richard Dolan is

1181

00:51:58,320 --> 00:51:56,590

fantastic and I haven't had a chance to

1182

00:52:01,560 --> 00:51:58,330

have him on the show and I'd like to at

1183

00:52:03,330 --> 00:52:01,570

some point and his wife Tracy seems like

1184

00:52:04,850 --> 00:52:03,340

a delightful person as well again I have

1185

00:52:09,150 --> 00:52:04,860

not met either one of them

1186

00:52:12,450 --> 00:52:09,160

Tracy Dolan has had numerous contact

1187

00:52:14,610 --> 00:52:12,460

experiences and she associates them with

1188

00:52:16,920 --> 00:52:14,620

abduction experiences very negative

1189

00:52:18,870 --> 00:52:16,930

experiences so that's okay that's her

1190

00:52:22,200 --> 00:52:18,880

experience and there are you know it's

1191

00:52:25,800 --> 00:52:22,210

not all it's not all rainbows and

1192

00:52:28,020 --> 00:52:25,810

unicorns and in happiness there are a

1193

00:52:30,540 --> 00:52:28,030

number of people out there that hold to

1194

00:52:31,980 --> 00:52:30,550

the fact that their experience has been

1195

00:52:35,310 --> 00:52:31,990

an abduction in every sense of the word

1196

00:52:36,900 --> 00:52:35,320

and I've referenced in this talk Mary

1197

00:52:40,320 --> 00:52:36,910

that we had a series of conversations

1198

00:52:43,650 --> 00:52:40,330

with David Jacobs who was kind of

1199

00:52:45,930 --> 00:52:43,660

famously along with Budd Hopkins really

1200

00:52:48,630 --> 00:52:45,940

kind of staked out that ground through

1201  
00:52:51,120 --> 00:52:48,640  
research that we have to accept I accept

1202  
00:52:53,340 --> 00:52:51,130  
that they did in a genuine way and they

1203  
00:52:55,530 --> 00:52:53,350  
collected data and their data was hey

1204  
00:53:00,270 --> 00:52:55,540  
these are abductions now

1205  
00:53:03,330 --> 00:53:00,280  
what impresses me about what your work

1206  
00:53:04,860 --> 00:53:03,340  
does but I want to I want to set the

1207  
00:53:08,400 --> 00:53:04,870  
table for people and then I want you to

1208  
00:53:09,630 --> 00:53:08,410  
deconstruct this because what I hear and

1209  
00:53:12,360 --> 00:53:09,640  
I think people will hear from this

1210  
00:53:14,910 --> 00:53:12,370  
interview is you seem to be open to all

1211  
00:53:16,050 --> 00:53:14,920  
of that you seem to be open to all the

1212  
00:53:18,960 --> 00:53:16,060  
different things that can happen

1213  
00:53:20,190 --> 00:53:18,970

my lab stuff yeah people are running

1214

00:53:22,920 --> 00:53:20,200

into the government they're doing all

1215

00:53:25,200 --> 00:53:22,930

sorts a nasty nasty thing stranger

1216

00:53:26,910 --> 00:53:25,210

things with kids they don't care and you

1217

00:53:29,190 --> 00:53:26,920

know Whitley Strieber yeah lock them in

1218

00:53:31,020 --> 00:53:29,200

a Skinner cage and you know break them

1219

00:53:33,090 --> 00:53:31,030

up they don't care they're out there

1220

00:53:36,330 --> 00:53:33,100

doing their thing like intelligence

1221

00:53:39,000 --> 00:53:36,340

agencies do so are there other bad

1222

00:53:41,580 --> 00:53:39,010

aliens evil aliens I don't think you've

1223

00:53:44,760 --> 00:53:41,590

ever said that that isn't out there as

1224

00:53:47,490 --> 00:53:44,770

well so we want to talk about that the

1225

00:53:49,350 --> 00:53:47,500

good versus the bad but I also want to

1226  
00:53:52,310 --> 00:53:49,360  
kind of put the hammer down a little bit

1227  
00:53:54,840 --> 00:53:52,320  
on the Richard Dolan it just really

1228  
00:53:56,790 --> 00:53:54,850  
surprised me when I watch this video and

1229  
00:53:58,590 --> 00:53:56,800  
it's very popular video on YouTube and

1230  
00:54:00,330 --> 00:53:58,600  
he kind of said well maybe it's kind of

1231  
00:54:02,190 --> 00:54:00,340  
an East Coast West Coast thing you know

1232  
00:54:05,640 --> 00:54:02,200  
I'm from New York and we kind of see the

1233  
00:54:07,110 --> 00:54:05,650  
tougher ETS and these other folks some

1234  
00:54:08,910 --> 00:54:07,120  
of these other people are from the West

1235  
00:54:11,460 --> 00:54:08,920  
Coast like Barbara Lam you know and they

1236  
00:54:13,590 --> 00:54:11,470  
see the love and light it's like I said

1237  
00:54:15,000 --> 00:54:13,600  
where are you coming from well everyone

1238  
00:54:17,790 --> 00:54:15,010

seems to be just be following the data

1239

00:54:21,600 --> 00:54:17,800

it's not like some East Coast West Coast

1240

00:54:24,450 --> 00:54:21,610

blood Crips it's it's just it's just

1241

00:54:27,270 --> 00:54:24,460

data and and we gotta somehow get our

1242

00:54:31,080 --> 00:54:27,280

arms around the data without in one way

1243

00:54:33,870 --> 00:54:31,090

or another being so quick to kind of

1244

00:54:37,080 --> 00:54:33,880

brush it aside or explain it away and

1245

00:54:40,740 --> 00:54:37,090

that's what I see happening so often

1246

00:54:43,820 --> 00:54:40,750

among people in the UFO community so two

1247

00:54:47,460 --> 00:54:43,830

points to address one is I don't think

1248

00:54:49,440 --> 00:54:47,470

Traci Dolan is making it up she's had

1249

00:54:51,660 --> 00:54:49,450

traumatic experiences that would be

1250

00:54:54,000 --> 00:54:51,670

traumatic to anyone and she's pissed off

1251  
00:54:56,460 --> 00:54:54,010  
and she has a right to be pissed off you

1252  
00:54:58,950 --> 00:54:56,470  
know that's point number one but point

1253  
00:55:02,670 --> 00:54:58,960  
number two is the UFO community in

1254  
00:55:04,860 --> 00:55:02,680  
general just can't deal with et

1255  
00:55:07,200 --> 00:55:04,870  
non-human intelligence contact it seems

1256  
00:55:09,360 --> 00:55:07,210  
to me it's a good one and it is an

1257  
00:55:12,540 --> 00:55:09,370  
important one and you're quite right I

1258  
00:55:16,020 --> 00:55:12,550  
have never made a categoric statement

1259  
00:55:19,980 --> 00:55:16,030  
ever that they're either all good or all

1260  
00:55:23,250 --> 00:55:19,990  
bad because that's not what I'm getting

1261  
00:55:25,850 --> 00:55:23,260  
I can only go on the data and I have got

1262  
00:55:29,300 --> 00:55:25,860  
no right to make any assumptions about

1263  
00:55:31,640 --> 00:55:29,310

anything other than the person and there

1264

00:55:35,570 --> 00:55:31,650

variance and that is what I focus on all

1265

00:55:38,180 --> 00:55:35,580

along I suspect there are some many

1266

00:55:41,660 --> 00:55:38,190

benevolent ones and there's also very

1267

00:55:44,240 --> 00:55:41,670

likely self-serving but first of all as

1268

00:55:46,970 --> 00:55:44,250

you know this is very complex what

1269

00:55:49,430 --> 00:55:46,980

people need to know is what I discovered

1270

00:55:52,010 --> 00:55:49,440

is some of the most most traumatized

1271

00:55:54,070 --> 00:55:52,020

were those that had my lab and what

1272

00:55:57,770 --> 00:55:54,080

we're talking about here is the military

1273

00:56:00,320 --> 00:55:57,780

orchestrated pseudo ET abductions they

1274

00:56:03,590 --> 00:56:00,330

like to make many of them appear to be

1275

00:56:05,900 --> 00:56:03,600

et and the reason I'm saying that is

1276

00:56:07,730 --> 00:56:05,910

because I mean and we know that dr.

1277

00:56:10,460 --> 00:56:07,740

Steven Greer has said you know a high

1278

00:56:13,580 --> 00:56:10,470

majority of abductions torment ones are

1279

00:56:15,530 --> 00:56:13,590

human orchestrated abductions and there

1280

00:56:18,530 --> 00:56:15,540

is a lot of evidence out there now niara

1281

00:56:20,900 --> 00:56:18,540

is Lee with her her book facing the

1282

00:56:23,780 --> 00:56:20,910

shadow embracing the light I did the

1283

00:56:25,580 --> 00:56:23,790

foreword for that she explained her my

1284

00:56:29,240 --> 00:56:25,590

lab experiences when she was in the

1285

00:56:32,000 --> 00:56:29,250

military etc etc there are many hundreds

1286

00:56:34,190 --> 00:56:32,010

of others Misha Johnson in in Las Vegas

1287

00:56:38,690 --> 00:56:34,200

she's another one that's had my lab and

1288

00:56:41,420 --> 00:56:38,700

what is that that is when the military

1289

00:56:43,340 --> 00:56:41,430

want to know what's going on they make

1290

00:56:44,930 --> 00:56:43,350

sure they pick up people they know have

1291

00:56:46,880 --> 00:56:44,940

had experiences because they want to

1292

00:56:48,830 --> 00:56:46,890

know what the ETS are doing what happens

1293

00:56:50,840 --> 00:56:48,840

on the craft what kind of things what

1294

00:56:53,180 --> 00:56:50,850

kind of data what's their motivation

1295

00:56:55,670 --> 00:56:53,190

they want to make sure they're as

1296

00:56:57,200 --> 00:56:55,680

informed as possible just like I do if

1297

00:56:59,180 --> 00:56:57,210

someone's had an experience what's been

1298

00:57:00,710 --> 00:56:59,190

going on they're doing the same thing

1299

00:57:02,990 --> 00:57:00,720

they're interrogating they're drugging

1300

00:57:05,150 --> 00:57:03,000

they're traumatizing they know full well

1301  
00:57:07,910 --> 00:57:05,160  
that most people won't believe it's

1302  
00:57:10,100 --> 00:57:07,920  
human orchestrated they know that what

1303  
00:57:12,800 --> 00:57:10,110  
people also may not know is program life

1304  
00:57:14,690 --> 00:57:12,810  
forms we do know from a lot of the

1305  
00:57:18,650 --> 00:57:14,700  
research coming out from whistleblowers

1306  
00:57:21,080 --> 00:57:18,660  
that they have generated programmed life

1307  
00:57:23,450 --> 00:57:21,090  
forms that look et they're not et

1308  
00:57:25,730 --> 00:57:23,460  
they're programmed by the military the

1309  
00:57:28,430 --> 00:57:25,740  
Zetas greys that are programmed

1310  
00:57:31,610 --> 00:57:28,440  
there are reptilians of the programmed

1311  
00:57:34,580 --> 00:57:31,620  
and I've discovered recently that some

1312  
00:57:37,820 --> 00:57:34,590  
of the mantis ones I mean one lady that

1313  
00:57:40,430 --> 00:57:37,830

I worked with was taken underground and

1314

00:57:42,050 --> 00:57:40,440

she was shown this huge terrifying

1315

00:57:45,140 --> 00:57:42,060

picture of a man

1316

00:57:47,180 --> 00:57:45,150

and she kept being told they are evil

1317

00:57:49,130 --> 00:57:47,190

they are evil they are evil this was

1318

00:57:51,290 --> 00:57:49,140

during a regression okay

1319

00:57:55,160 --> 00:57:51,300

so there's you can believe that or not

1320

00:57:57,100 --> 00:57:55,170

but so we do know there's a program to

1321

00:58:00,770 --> 00:57:57,110

make those that are picked up that way

1322

00:58:04,130 --> 00:58:00,780

terrified of non-human intelligences so

1323

00:58:07,190 --> 00:58:04,140

that is part of the problem is what is

1324

00:58:10,010 --> 00:58:07,200

human orchestrated what is trauma via

1325

00:58:12,860 --> 00:58:10,020

non-human intelligences and that can

1326

00:58:16,160 --> 00:58:12,870

sometimes be very blurred because of how

1327

00:58:18,620 --> 00:58:16,170

people are treated when someone comes to

1328

00:58:21,290 --> 00:58:18,630

me though that's had experiences they

1329

00:58:23,480 --> 00:58:21,300

may be traumatized but what they may be

1330

00:58:25,310 --> 00:58:23,490

fearful of isn't necessarily what

1331

00:58:26,900 --> 00:58:25,320

happened they may just be fearful

1332

00:58:29,540 --> 00:58:26,910

because they didn't know what happened

1333

00:58:30,650 --> 00:58:29,550

and they anticipated something terrible

1334

00:58:33,770 --> 00:58:30,660

happened to them

1335

00:58:36,620 --> 00:58:33,780

so why hypnosis is so useful is that

1336

00:58:39,110 --> 00:58:36,630

gives them a window into understanding

1337

00:58:41,870 --> 00:58:39,120

what actually happened rather than what

1338

00:58:44,210 --> 00:58:41,880

they believed happened because it you

1339

00:58:47,120 --> 00:58:44,220

know it's so out of their paradigm what

1340

00:58:49,580 --> 00:58:47,130

I've discovered for a majority of those

1341

00:58:51,680 --> 00:58:49,590

is once they've discovered the reality

1342

00:58:54,890 --> 00:58:51,690

of their experience it may not be

1343

00:58:57,500 --> 00:58:54,900

anything like they imagined many we had

1344

00:58:59,600 --> 00:58:57,510

the statistics that said fifty percent

1345

00:59:02,690 --> 00:58:59,610

of those surveyed had healing

1346

00:59:04,670 --> 00:59:02,700

experiences on board craft so I've taken

1347

00:59:07,490 --> 00:59:04,680

many of my clients they've seen

1348

00:59:10,460 --> 00:59:07,500

themselves on a table they've seen

1349

00:59:13,490 --> 00:59:10,470

genetic material taken and they've also

1350

00:59:15,440 --> 00:59:13,500

been told this is healing Forex wines

1351  
00:59:17,330 --> 00:59:15,450  
and we know they've been you know people

1352  
00:59:20,560 --> 00:59:17,340  
have been cured of all sorts of things

1353  
00:59:23,030 --> 00:59:20,570  
so then is where's the consent and

1354  
00:59:24,560 --> 00:59:23,040  
because they're in an altered state and

1355  
00:59:27,260 --> 00:59:24,570  
because they're tapping into their

1356  
00:59:29,180 --> 00:59:27,270  
subconscious superconscious there is an

1357  
00:59:30,920 --> 00:59:29,190  
awful lot of information available to

1358  
00:59:34,070 --> 00:59:30,930  
them that's not when they're conscious

1359  
00:59:36,710 --> 00:59:34,080  
so I'm saying to them so is this part of

1360  
00:59:41,330 --> 00:59:36,720  
what you would see your consented

1361  
00:59:43,700 --> 00:59:41,340  
mandate and they have often most often

1362  
00:59:45,850 --> 00:59:43,710  
said yes it's my contract with them

1363  
00:59:48,800 --> 00:59:45,860

because they said I'm one of them

1364

00:59:50,900 --> 00:59:48,810

because some will realize that the

1365

00:59:53,300 --> 00:59:50,910

beings they're interacting with they may

1366

00:59:55,460 --> 00:59:53,310

have actually in a previous existence

1367

00:59:57,950 --> 00:59:55,470

actually being one of the beings

1368

00:59:59,480 --> 00:59:57,960

that they're interacting with now now

1369

01:00:02,390 --> 00:59:59,490

they come out of it they may be

1370

01:00:04,640 --> 01:00:02,400

completely confused they may find it all

1371

01:00:06,079 --> 01:00:04,650

really too hard to cope with and they'll

1372

01:00:07,940 --> 01:00:06,089

say what do you think I said it's not

1373

01:00:10,520 --> 01:00:07,950

what I think does that resonate with you

1374

01:00:12,770 --> 01:00:10,530

on some level and they usually say yes

1375

01:00:14,779 --> 01:00:12,780

it does well now I said it's up to you

1376

01:00:17,480 --> 01:00:14,789

it's up to you to take that information

1377

01:00:19,819 --> 01:00:17,490

decide whether it makes sense to you and

1378

01:00:21,980 --> 01:00:19,829

the other thing that I say to them when

1379

01:00:23,809 --> 01:00:21,990

they say all I've been told the grades

1380

01:00:26,270 --> 01:00:23,819

are bad or I've been told this I'm

1381

01:00:29,089 --> 01:00:26,280

saying forget what you've been told

1382

01:00:30,440 --> 01:00:29,099

that's their experience what do you feel

1383

01:00:32,960 --> 01:00:30,450

from this intelligence

1384

01:00:35,690 --> 01:00:32,970

what is the sense you get and it can be

1385

01:00:38,569 --> 01:00:35,700

completely different so some have I'm

1386

01:00:40,940 --> 01:00:38,579

terrified I don't like this one I think

1387

01:00:43,220 --> 01:00:40,950

they're bad that's their experience it's

1388

01:00:44,480 --> 01:00:43,230

it's valid as much as the one that says

1389

01:00:47,240 --> 01:00:44,490

well I think they've got a sense of

1390

01:00:49,910 --> 01:00:47,250

humor or whatever but remember what

1391

01:00:53,210 --> 01:00:49,920

people don't know is that the Grays in

1392

01:00:55,520 --> 01:00:53,220

this lump greys I was told by one lady

1393

01:01:00,140 --> 01:00:55,530

that she knew of a hundred and sixty

1394

01:01:02,420 --> 01:01:00,150

five species of gray so do you lump them

1395

01:01:03,829 --> 01:01:02,430

all together it's like taking one human

1396

01:01:07,010 --> 01:01:03,839

being off the planet and saying that's

1397

01:01:09,349 --> 01:01:07,020

all humans what a load of nonsense so

1398

01:01:12,109 --> 01:01:09,359

there's so much we don't know but we can

1399

01:01:14,539 --> 01:01:12,119

only go on our own experience and our

1400

01:01:16,849 --> 01:01:14,549

own understanding of that particularly

1401

01:01:19,670 --> 01:01:16,859

how we choose to interpret it is up to

1402

01:01:22,339 --> 01:01:19,680

that person it's not to me you or anyone

1403

01:01:25,940 --> 01:01:22,349

else it's their experience and only they

1404

01:01:28,039 --> 01:01:25,950

can decide how to interpret it okay so

1405

01:01:30,500 --> 01:01:28,049

you've been super generous with your

1406

01:01:33,260 --> 01:01:30,510

time and you just deliver the goods it's

1407

01:01:35,720 --> 01:01:33,270

so awesome talking to you every topic

1408

01:01:37,640 --> 01:01:35,730

you're just gonna nail it there's one

1409

01:01:38,960 --> 01:01:37,650

more topic I'm gonna pick this one

1410

01:01:41,299 --> 01:01:38,970

because it's one of the last ones we

1411

01:01:43,490 --> 01:01:41,309

haven't talked then I'll let you get on

1412

01:01:46,220 --> 01:01:43,500

with the rest of your day this is a

1413

01:01:48,230 --> 01:01:46,230

topic that keeps coming up for me and I

1414

01:01:51,289 --> 01:01:48,240

keep bringing it up to people and I'm

1415

01:01:54,289 --> 01:01:51,299

never quite satisfied with the answer

1416

01:01:59,019 --> 01:01:54,299

and that is the relationship that ice

1417

01:02:02,510 --> 01:01:59,029

keeps bumping into between the

1418

01:02:04,099 --> 01:02:02,520

technological advances in consciousness

1419

01:02:08,599 --> 01:02:04,109

the relationship between consciousness

1420

01:02:09,319 --> 01:02:08,609

and technology versus true spirituality

1421

01:02:11,209 --> 01:02:09,329

I hate

1422

01:02:12,979 --> 01:02:11,219

to put that in those terms but I'll give

1423

01:02:17,059 --> 01:02:12,989

you an idea of what I'm talking about

1424

01:02:21,410 --> 01:02:17,069

clearly non-human intelligence contact

1425

01:02:24,589 --> 01:02:21,420

experiences suggest a technology to

1426

01:02:27,109 --> 01:02:24,599

consciousness that they if you'll allow

1427

01:02:30,140 --> 01:02:27,119

that have mastered in a way that we have

1428

01:02:34,130 --> 01:02:30,150

so whether it's telepathic communication

1429

01:02:36,410 --> 01:02:34,140

screened memories projected memories

1430

01:02:38,620 --> 01:02:36,420

good or bad these are all things that

1431

01:02:41,900 --> 01:02:38,630

come up again and again and come up in a

1432

01:02:44,719 --> 01:02:41,910

technology way and in the sense that we

1433

01:02:47,959 --> 01:02:44,729

can do that we have an iPhone app to do

1434

01:02:50,089 --> 01:02:47,969

that I jump over the other side and I

1435

01:02:54,109 --> 01:02:50,099

look at the near-death experience

1436

01:02:58,339 --> 01:02:54,119

science and I look at what Yogi's say

1437

01:03:01,759 --> 01:02:58,349

about the spirituality of the larger

1438

01:03:04,609 --> 01:03:01,769

whole and the message is different the

1439

01:03:06,769 --> 01:03:04,619

message isn't motivated towards fixing

1440

01:03:10,430 --> 01:03:06,779

the planet as important as that might be

1441

01:03:13,519 --> 01:03:10,440

they say things like world what world

1442

01:03:17,569 --> 01:03:13,529

they say in this world but not of this

1443

01:03:20,870 --> 01:03:17,579

world they say find the ocean of love

1444

01:03:22,130 --> 01:03:20,880

and jump into it find the Godhead and

1445

01:03:23,689 --> 01:03:22,140

these are from all these different

1446

01:03:27,079 --> 01:03:23,699

traditions and these are from people of

1447

01:03:29,239 --> 01:03:27,089

NDE experiences who come back and do

1448

01:03:31,489 --> 01:03:29,249

care about other people and care about

1449

01:03:33,529 --> 01:03:31,499

the planet but not in a way that want to

1450

01:03:35,989 --> 01:03:33,539

fix the planet in a way that just says

1451

01:03:37,939 --> 01:03:35,999

well you know I had a life review and

1452

01:03:39,529 --> 01:03:37,949

none of this stuff is really that

1453

01:03:42,170 --> 01:03:39,539

important we're all just kind of in the

1454

01:03:46,009 --> 01:03:42,180

middle ground so I'm not asking you to

1455

01:03:49,819 --> 01:03:46,019

endorse or any kind of spiritual belief

1456

01:03:51,650 --> 01:03:49,829

what I'm wondering is it almost seems

1457

01:03:53,660 --> 01:03:51,660

like there's two different ladders here

1458

01:03:55,759 --> 01:03:53,670

one that's leaned up against one wall

1459

01:03:57,769 --> 01:03:55,769

and one that's leaned up against another

1460

01:04:00,859 --> 01:03:57,779

and the one ladder is leaned up against

1461

01:04:02,930 --> 01:04:00,869

the technology and materialistic wall

1462

01:04:04,640 --> 01:04:02,940

and it's a wall that we all have to

1463

01:04:06,079 --> 01:04:04,650

climb because we all live in a world

1464

01:04:08,239 --> 01:04:06,089

where we have certain needs and we have

1465

01:04:11,509 --> 01:04:08,249

to get those needs met but there seems

1466

01:04:13,939 --> 01:04:11,519

to be another wall that is is not even

1467

01:04:16,670 --> 01:04:13,949

that concerned with that not concerned

1468

01:04:19,120 --> 01:04:16,680

with these kind of worldly things and

1469

01:04:22,880 --> 01:04:19,130

I'm just wondering if you have any

1470

01:04:23,150 --> 01:04:22,890

opinion on this consciousness technology

1471

01:04:25,400 --> 01:04:23,160

of

1472

01:04:27,980 --> 01:04:25,410

spirituality the way I always put the

1473

01:04:29,180 --> 01:04:27,990

question to people is does ET have a n

1474

01:04:31,760 --> 01:04:29,190

de life review

1475

01:04:33,200 --> 01:04:31,770

are they there once a og you know I had

1476

01:04:36,470 --> 01:04:33,210

a pretty good life but I could have done

1477

01:04:38,180 --> 01:04:36,480

that better and you know to truly be one

1478

01:04:41,330 --> 01:04:38,190

with the Godhead I probably should have

1479

01:04:46,010 --> 01:04:41,340

done this with that it is at the core

1480

01:04:48,800 --> 01:04:46,020

for me of the mystery because people may

1481

01:04:51,410 --> 01:04:48,810

not know that although I do hypnosis for

1482

01:04:54,460 --> 01:04:51,420

those having encounters I also do

1483

01:04:58,040 --> 01:04:54,470

hypnosis take people into past lives and

1484

01:05:00,740 --> 01:04:58,050

for me what this does is help me

1485

01:05:03,920 --> 01:05:00,750

understand my present journey my present

1486

01:05:07,130 --> 01:05:03,930

adventure on this planet so to start

1487

01:05:10,030 --> 01:05:07,140

with if I have taken someone from their

1488

01:05:12,530 --> 01:05:10,040

past life through the death sequence and

1489

01:05:14,630 --> 01:05:12,540

they're seeing themselves as a spirit

1490

01:05:16,280 --> 01:05:14,640

just like you know the NDE where they're

1491

01:05:18,440 --> 01:05:16,290

seeing themselves as a spirit and

1492

01:05:20,420 --> 01:05:18,450

whatever and I'll say to them what did

1493

01:05:22,250 --> 01:05:20,430

you learn in that life they may say well

1494

01:05:24,140 --> 01:05:22,260

I starve to death I learned about limits

1495

01:05:25,550 --> 01:05:24,150

or I learned about compassion or

1496

01:05:27,620 --> 01:05:25,560

whatever so they can give you what

1497

01:05:29,750 --> 01:05:27,630

they've learned the other thing and this

1498

01:05:32,600 --> 01:05:29,760

is leading into where I think this is

1499

01:05:34,640 --> 01:05:32,610

all about is the fact that from that

1500

01:05:37,820 --> 01:05:34,650

then they'll say now I chose to come

1501  
01:05:41,060 --> 01:05:37,830  
into human form I had you know I chose

1502  
01:05:44,540 --> 01:05:41,070  
my parents my siblings I chose the

1503  
01:05:47,420 --> 01:05:44,550  
journey I chose my challenges because I

1504  
01:05:52,220 --> 01:05:47,430  
wanted to explore physicality in this

1505  
01:05:56,090 --> 01:05:52,230  
particular time span and experience and

1506  
01:05:58,460 --> 01:05:56,100  
grow from that experience so for me that

1507  
01:06:00,260 --> 01:05:58,470  
doesn't contradict any of what the

1508  
01:06:02,690 --> 01:06:00,270  
Yogi's are saying is that we're spirit

1509  
01:06:05,750 --> 01:06:02,700  
we're consciousness we're connected to

1510  
01:06:07,520 --> 01:06:05,760  
all consciousness and we all perhaps are

1511  
01:06:09,200 --> 01:06:07,530  
connected to whatever that source of

1512  
01:06:12,020 --> 01:06:09,210  
consciousness is whatever name you want

1513  
01:06:13,880 --> 01:06:12,030

to give that I try not to use names

1514

01:06:16,730 --> 01:06:13,890

because everyone has a different idea of

1515

01:06:18,980 --> 01:06:16,740

what that collective consciousness is so

1516

01:06:20,660 --> 01:06:18,990

for me that makes absolute sense you

1517

01:06:23,150 --> 01:06:20,670

know you you talk to people who've done

1518

01:06:23,690 --> 01:06:23,160

many of their life between life dr.

1519

01:06:26,360 --> 01:06:23,700

Newton

1520

01:06:28,640 --> 01:06:26,370

actually in journey of souls did

1521

01:06:30,170 --> 01:06:28,650

hundreds of of these regressions where

1522

01:06:32,720 --> 01:06:30,180

they found about the soul and the

1523

01:06:35,240 --> 01:06:32,730

spiritual mode and so what it then says

1524

01:06:36,650 --> 01:06:35,250

to me is so we've come in to this human

1525

01:06:39,589 --> 01:06:36,660

journey at this

1526

01:06:42,559 --> 01:06:39,599

time because we want to experience from

1527

01:06:44,150 --> 01:06:42,569

a material level which means everything

1528

01:06:45,920 --> 01:06:44,160

that goes with a material level

1529

01:06:48,980 --> 01:06:45,930

including technology

1530

01:06:51,049 --> 01:06:48,990

as part of the journey to growth because

1531

01:06:53,510 --> 01:06:51,059

we've come here for I call it a you know

1532

01:06:55,640 --> 01:06:53,520

a spiritual adventure we want to

1533

01:06:57,589 --> 01:06:55,650

challenge ourselves as as a

1534

01:06:58,940 --> 01:06:57,599

consciousness to experience certain

1535

01:07:00,890 --> 01:06:58,950

things and everybody has their own

1536

01:07:03,010 --> 01:07:00,900

journey with that which makes a lot of

1537

01:07:05,420 --> 01:07:03,020

sense to me is why some choose more

1538

01:07:07,520 --> 01:07:05,430

challenging physical journeys and some

1539

01:07:10,839 --> 01:07:07,530

more emotional or spiritual because

1540

01:07:13,339 --> 01:07:10,849

we're all different consciousness

1541

01:07:16,309 --> 01:07:13,349

wanting to explore greater than

1542

01:07:17,990 --> 01:07:16,319

ourselves so that's how I see it so in

1543

01:07:19,579 --> 01:07:18,000

fact when people say where's the free

1544

01:07:22,190 --> 01:07:19,589

will the free will is in your attitude

1545

01:07:24,170 --> 01:07:22,200

to it do you want to see as a victim or

1546

01:07:28,400 --> 01:07:24,180

do you want to see it as a way of

1547

01:07:31,160 --> 01:07:28,410

enabling you to expand in terms of your

1548

01:07:33,650 --> 01:07:31,170

understanding so when I approach

1549

01:07:35,779 --> 01:07:33,660

anything I get many many people that

1550

01:07:37,819 --> 01:07:35,789

really are interested in the spiritual

1551

01:07:40,880 --> 01:07:37,829

journey why am I here what's my mission

1552

01:07:44,150 --> 01:07:40,890

and I get this all the time so part of

1553

01:07:46,400 --> 01:07:44,160

my work is helping them to a place where

1554

01:07:48,109 --> 01:07:46,410

they can explore that you know and they

1555

01:07:50,390 --> 01:07:48,119

may go into a past life or they may

1556

01:07:52,880 --> 01:07:50,400

suddenly find themselves on another

1557

01:07:54,039 --> 01:07:52,890

planet or whatever sue me they may find

1558

01:07:56,990 --> 01:07:54,049

themselves in a parallel universe

1559

01:07:58,849 --> 01:07:57,000

different timeline I go anywhere doesn't

1560

01:08:01,940 --> 01:07:58,859

matter to me because as long as it gives

1561

01:08:05,599 --> 01:08:01,950

them more of a sense of them themselves

1562

01:08:06,650 --> 01:08:05,609

and their spiritual journey they can

1563

01:08:10,549 --> 01:08:06,660

experience anything they've seen

1564

01:08:12,980 --> 01:08:10,559

themselves as beings mantus beings grey

1565

01:08:15,829 --> 01:08:12,990

beings they seem cells as crystalline

1566

01:08:16,970 --> 01:08:15,839

beings energy beings light beings they

1567

01:08:19,849 --> 01:08:16,980

see themselves in all these different

1568

01:08:22,400 --> 01:08:19,859

roles as creator beings they see where I

1569

01:08:24,499 --> 01:08:22,410

go is more or less as no there's no

1570

01:08:28,160 --> 01:08:24,509

limits to that because there's no limits

1571

01:08:31,309 --> 01:08:28,170

to consciousness so for me it's it's

1572

01:08:33,559 --> 01:08:31,319

about okay so where are you at where it

1573

01:08:36,110 --> 01:08:33,569

you know I still do an ABC here and

1574

01:08:39,650 --> 01:08:36,120

adding up or are you doing calculus or

1575

01:08:42,320 --> 01:08:39,660

are you actually doing your degree so in

1576

01:08:44,930 --> 01:08:42,330

terms of awareness I as a counselor I'm

1577

01:08:46,459 --> 01:08:44,940

looking at the level that person finds

1578

01:08:48,530 --> 01:08:46,469

the most helpful to them in their

1579

01:08:49,939 --> 01:08:48,540

journey and for some it will be I want

1580

01:08:50,419 --> 01:08:49,949

to deal with the pollution of the planet

1581

01:08:56,689 --> 01:08:50,429

I want

1582

01:08:58,760 --> 01:08:56,699

will say I'm here just to be just to

1583

01:09:00,590 --> 01:08:58,770

experience it's all cool

1584

01:09:02,360 --> 01:09:00,600

because as long as they're happy with

1585

01:09:03,439 --> 01:09:02,370

how they understand themselves that's

1586

01:09:05,360 --> 01:09:03,449

all that matters so

1587

01:09:08,149 --> 01:09:05,370

some of us want to stay and work with

1588

01:09:10,010 --> 01:09:08,159

the 3d reality others want to actually

1589

01:09:12,050 --> 01:09:10,020

move to another level of understanding

1590

01:09:12,979 --> 01:09:12,060

and it doesn't really matter how we do

1591

01:09:15,289 --> 01:09:12,989

it through a near-death experience

1592

01:09:17,990 --> 01:09:15,299

out-of-body experience shamanic

1593

01:09:20,120 --> 01:09:18,000

experience healing experience we all

1594

01:09:22,610 --> 01:09:20,130

have different ways of reaching that

1595

01:09:25,820 --> 01:09:22,620

level of consciousness that we seek as a

1596

01:09:27,890 --> 01:09:25,830

soul so I don't know if that's answered

1597

01:09:30,559 --> 01:09:27,900

your question it does and I'm really

1598

01:09:32,930 --> 01:09:30,569

glad you brought up the counseling part

1599

01:09:34,399 --> 01:09:32,940

because I I don't hear you talk about

1600

01:09:36,649 --> 01:09:34,409

that very much of course that's the

1601

01:09:38,329 --> 01:09:36,659

first thing people focus on because

1602

01:09:40,430 --> 01:09:38,339

that's how people like to pigeonhole

1603

01:09:43,010 --> 01:09:40,440

people oh she's just selling books oh

1604

01:09:45,140 --> 01:09:43,020

she's just trying to do regressions you

1605

01:09:46,490 --> 01:09:45,150

know and that's not been my my

1606

01:09:48,140 --> 01:09:46,500

experience has been the opposite you

1607

01:09:52,099 --> 01:09:48,150

never lead with that I'm sure you have

1608

01:09:54,399 --> 01:09:52,109

more of that work then you probably it's

1609

01:09:57,709 --> 01:09:54,409

more of a burden than anything else if

1610

01:09:59,540 --> 01:09:57,719

anything I hope I'm so glad that you

1611

01:10:02,630 --> 01:09:59,550

brought that up I do want people to

1612

01:10:06,729 --> 01:10:02,640

check out this book and your other books

1613

01:10:08,750 --> 01:10:06,739

there's tons of extensive free youtube

1614

01:10:11,300 --> 01:10:08,760

presentations that you've given that are

1615

01:10:13,070 --> 01:10:11,310

up there for free that people can find

1616

01:10:15,620 --> 01:10:13,080

and I want you in a minute to talk about

1617

01:10:17,810 --> 01:10:15,630

your website but I do want to emphasize

1618

01:10:21,200 --> 01:10:17,820

this counseling thing because I think it

1619

01:10:23,630 --> 01:10:21,210

is so it's going to be so meaningful to

1620

01:10:27,430 --> 01:10:23,640

some people right now who are listening

1621

01:10:31,240 --> 01:10:27,440

to the show are going to be so thankful

1622

01:10:34,399 --> 01:10:31,250

that there's someone like you out there

1623

01:10:37,520 --> 01:10:34,409

who is open who is a trained

1624

01:10:41,330 --> 01:10:37,530

professional who they can go and confide

1625

01:10:45,320 --> 01:10:41,340

in and maybe find some answers to some

1626  
01:10:47,510 --> 01:10:45,330  
questions that they don't even dare you

1627  
01:10:50,750 --> 01:10:47,520  
know talk to their spouse about or talk

1628  
01:10:52,490 --> 01:10:50,760  
to their family about and yet with you

1629  
01:10:54,919 --> 01:10:52,500  
Mary they're gonna find somebody who's

1630  
01:10:56,689 --> 01:10:54,929  
you know been there done that it's not

1631  
01:10:58,580 --> 01:10:56,699  
there isn't going to be the judgement

1632  
01:11:02,419 --> 01:10:58,590  
because you've done it so many times

1633  
01:11:04,220 --> 01:11:02,429  
that it's okay it's okay to contact Mary

1634  
01:11:06,790 --> 01:11:04,230  
and if she has the time to talk to you

1635  
01:11:09,020 --> 01:11:06,800  
it could really be a healing experience

1636  
01:11:11,120 --> 01:11:09,030  
for I think a lot of people and I know

1637  
01:11:12,979 --> 01:11:11,130  
you've experienced that over and over

1638  
01:11:16,340 --> 01:11:12,989

again and maybe you want to just speak

1639

01:11:18,590 --> 01:11:16,350

to that a little bit more well that's

1640

01:11:20,450 --> 01:11:18,600

the core of everything I came in because

1641

01:11:22,490 --> 01:11:20,460

somebody came to me saying there's no

1642

01:11:24,770 --> 01:11:22,500

support groups marry for this they just

1643

01:11:28,370 --> 01:11:24,780

think you're crazy so people could

1644

01:11:31,070 --> 01:11:28,380

contact me with that am I crazy or is

1645

01:11:34,280 --> 01:11:31,080

this valid and if it's valid what do I

1646

01:11:36,650 --> 01:11:34,290

do with it so I'm there to be a sounding

1647

01:11:39,260 --> 01:11:36,660

board I'm there to offer information

1648

01:11:41,870 --> 01:11:39,270

that may help them validate it but more

1649

01:11:44,270 --> 01:11:41,880

than anything to give them the the

1650

01:11:46,130 --> 01:11:44,280

openness and permission to explore

1651

01:11:47,360 --> 01:11:46,140

whatever it is that's coming up and

1652

01:11:49,430 --> 01:11:47,370

they've said I've never been able to

1653

01:11:51,530 --> 01:11:49,440

talk about this to anyone they may have

1654

01:11:54,080 --> 01:11:51,540

spent their life with this dual reality

1655

01:11:55,490 --> 01:11:54,090

and never once been able to say it to

1656

01:11:57,439 --> 01:11:55,500

anyone because they're afraid of

1657

01:11:58,939 --> 01:11:57,449

judgment or afraid that people will

1658

01:12:02,300 --> 01:11:58,949

think they're they're crazy or whatever

1659

01:12:05,060 --> 01:12:02,310

so that is my main focus is helping

1660

01:12:07,070 --> 01:12:05,070

people open their own door to that

1661

01:12:10,100 --> 01:12:07,080

broader reality or that that

1662

01:12:12,620 --> 01:12:10,110

multidimensionality feel normal and know

1663

01:12:15,020 --> 01:12:12,630

that they're not they're not crazy but

1664

01:12:16,700 --> 01:12:15,030

there are actually more normal than most

1665

01:12:19,220 --> 01:12:16,710

people because they're actually

1666

01:12:22,729 --> 01:12:19,230

realizing they're multi-dimensional

1667

01:12:25,189 --> 01:12:22,739

rather than just a 3d solid meatball you

1668

01:12:26,750 --> 01:12:25,199

know and and for me that is why I do

1669

01:12:29,419 --> 01:12:26,760

what I'm doing why I'm doing this

1670

01:12:31,790 --> 01:12:29,429

interview why write the books is not

1671

01:12:34,580 --> 01:12:31,800

because it's it's it's about the

1672

01:12:37,939 --> 01:12:34,590

information and it's about the fact that

1673

01:12:40,070 --> 01:12:37,949

it gives people a way into honoring what

1674

01:12:42,640 --> 01:12:40,080

every one of us experience which is

1675

01:12:45,050 --> 01:12:42,650

intuition which is sensing and knowing

1676

01:12:48,290 --> 01:12:45,060

awareness that we are not just the

1677

01:12:51,590 --> 01:12:48,300

physical body and to have almost like

1678

01:12:55,340 --> 01:12:51,600

validation that they are okay and they

1679

01:12:57,890 --> 01:12:55,350

with that being okay means that they can

1680

01:12:59,870 --> 01:12:57,900

then can expand without being scared or

1681

01:13:02,720 --> 01:12:59,880

fearful that there's something wrong

1682

01:13:04,550 --> 01:13:02,730

Mary what's the best way for people to

1683

01:13:05,689 --> 01:13:04,560

connect with you I said that you know

1684

01:13:08,450 --> 01:13:05,699

you can obviously pick up a lot of

1685

01:13:11,810 --> 01:13:08,460

videos or the book the website and other

1686

01:13:13,189 --> 01:13:11,820

contact stuff we'll have links in the

1687

01:13:15,790 --> 01:13:13,199

show notes but for folks who are just

1688

01:13:17,520 --> 01:13:15,800

listening you want to share some of that

1689

01:13:20,430 --> 01:13:17,530

my website

1690

01:13:23,010 --> 01:13:20,440

a CERN comm which is the Australian

1691

01:13:26,580 --> 01:13:23,020

close encounter resource network

1692

01:13:29,250 --> 01:13:26,590

the other one is Mary Rodwell comm I'm

1693

01:13:31,110 --> 01:13:29,260

on if you just google me you'll find

1694

01:13:33,660 --> 01:13:31,120

loads of presentations come up and I'm

1695

01:13:35,370 --> 01:13:33,670

on Facebook it's not hard to contact me

1696

01:13:38,420 --> 01:13:35,380

you can contact me through any of those

1697

01:13:40,980 --> 01:13:38,430

venues well it's been just terrific

1698

01:13:43,110 --> 01:13:40,990

having you on the show again and and

1699

01:13:46,770 --> 01:13:43,120

reconnecting and the information share

1700

01:13:49,260 --> 01:13:46,780

is so great and I hope my introduction

1701

01:13:51,180 --> 01:13:49,270

turns out not to be true or at least not

1702

01:13:54,090 --> 01:13:51,190

to be true for most people and I hope

1703

01:13:57,120 --> 01:13:54,100

they're willing to kind of push past

1704

01:14:00,500 --> 01:13:57,130

this this barrier and really dive deep

1705

01:14:03,360 --> 01:14:00,510

in an open mind because it's just

1706

01:14:07,020 --> 01:14:03,370

paradigm shattering to use your words

1707

01:14:10,200 --> 01:14:07,030

but it's hard to deny thanks so much for

1708

01:14:12,780 --> 01:14:10,210

coming back on Mary it's been a pleasure

1709

01:14:15,360 --> 01:14:12,790

Alex and you always are such interesting

1710

01:14:18,750 --> 01:14:15,370

questions and I love that so thank you

1711

01:14:20,520 --> 01:14:18,760

for everything you contribute thanks

1712

01:14:23,130 --> 01:14:20,530

again to Mary Rodwell for joining me

1713

01:14:25,110 --> 01:14:23,140

today on sceptical the one question I

1714

01:14:27,660 --> 01:14:25,120

guess I'd have to tee up from this

1715

01:14:30,150 --> 01:14:27,670

interview it's the question I challenged

1716

01:14:32,760 --> 01:14:30,160

y'all with at the beginning is what

1717

01:14:35,820 --> 01:14:32,770

would it take to convince you of the

1718

01:14:37,950 --> 01:14:35,830

reality of Mary's research and after

1719

01:14:40,800 --> 01:14:37,960

stress again that it's not easy

1720

01:14:43,920 --> 01:14:40,810

it's a heath III I don't know if I'm

1721

01:14:45,720 --> 01:14:43,930

there all the way I mean I'm like of

1722

01:14:49,200 --> 01:14:45,730

step-by-step through the data and I

1723

01:14:51,120 --> 01:14:49,210

always wind up there but then I step

1724

01:14:53,700 --> 01:14:51,130

back and trying to live my life like

1725

01:14:56,850 --> 01:14:53,710

that I just don't know it's just way too

1726

01:14:59,130 --> 01:14:56,860

much to take in what do you think so let

1727

01:15:02,790 --> 01:14:59,140

me know find us through the skeptic Oh

1728

01:15:04,530 --> 01:15:02,800

website it's k EPT lko calm you'll find

1729

01:15:08,190 --> 01:15:04,540

all our previous shows they're available

1730

01:15:09,840 --> 01:15:08,200

for free for download to enjoy we do

1731

01:15:12,090 --> 01:15:09,850

whatever you like with sharing with

1732

01:15:14,220 --> 01:15:12,100

friends all that good stuff a lot of

1733

01:15:17,400 --> 01:15:14,230

topics we cover you can also click on

1734

01:15:18,870 --> 01:15:17,410

over to this skeptical forum I am active

1735

01:15:21,360 --> 01:15:18,880

on the skeptical forum so if you really

1736

01:15:23,790 --> 01:15:21,370

want to have a follow-on discussion with

1737

01:15:26,040 --> 01:15:23,800

me or a question you can check out the

1738

01:15:27,700 --> 01:15:26,050

skeptical forum and there's a lot of

1739

01:15:30,310 --> 01:15:27,710

good stuff there

1740

01:15:32,709 --> 01:15:30,320

I have some good interviews coming up I

1741

01:15:34,150 --> 01:15:32,719

thank some great guests please stick

1742

01:15:37,990 --> 01:15:34,160

around for all of that

1743

01:15:39,880 --> 01:15:38,000

until next time take care and bye for
