1
00:00:09,799 --> 00:00:08,179
welcome to skeptic Oh where we explore

2
00:00:12,350 --> 00:00:09,809
controversial science with leading

3
00:00:15,440 --> 00:00:12,360
researchers thinkers and of course their

4
00:00:19,220 --> 00:00:15,450
critics one thing that especially

5
00:00:22,340 --> 00:00:19,230
fascinates me is things hidden in plain

6
00:00:24,500 --> 00:00:22,350
sight things that are not obvious until

7
00:00:27,160 --> 00:00:24,510
someone points it out and then once they

8
00:00:29,720 --> 00:00:27,170
do you're like yeah I kind of knew that

9
00:00:34,370 --> 00:00:29,730
it's hard for me to imagine a better

10
00:00:37,610 --> 00:00:34,380
example then the stars in the sky in the

11
00:00:38,270 --> 00:00:37,620
universal stories that are told about

12
00:00:41,860 --> 00:00:38,280
those

13
00:00:45,529 --> 00:00:41,870

I mean why all the epic myths by the

14

00:00:49,490 --> 00:00:45,539

heroic warrior God adventures and why

15

00:00:51,830 --> 00:00:49,500

the heck are all civilizations from all

16

00:00:54,590 --> 00:00:51,840

different parts of the world telling the

17

00:00:57,139 --> 00:00:54,600

same story think about that last one for

18

00:01:00,650 --> 00:00:57,149

a minute so there's this ancient guy in

19

00:01:03,290 --> 00:01:00,660

Polynesia sitting on a surfboard looking

20

00:01:04,729 --> 00:01:03,300

up at some random blob of stars because

21

00:01:08,300 --> 00:01:04,739

that's what they look like to most of us

22

00:01:12,350 --> 00:01:08,310

and he's telling the same sacred story

23

00:01:14,929 --> 00:01:12,360

as some Viking in Iceland who's buried

24

00:01:19,190 --> 00:01:14,939

up to his waist and snow and the same

25

00:01:21,590 --> 00:01:19,200

story that some african tribesmen hold

26
00:01:25,429 --> 00:01:21,600
sacred as something that's been passed

27
00:01:29,660 --> 00:01:25,439
on forever that's not supposed to happen

28
00:01:32,660 --> 00:01:29,670
that's not explainable by our current

29
00:01:35,359 --> 00:01:32,670
understanding of how anthropology works

30
00:01:37,700 --> 00:01:35,369
we don't have any archaeological

31
00:01:40,550 --> 00:01:37,710
evidence to support why all these

32
00:01:44,569 --> 00:01:40,560
civilizations would be connected in that

33
00:01:47,859 --> 00:01:44,579
way well today's returning guest David

34
00:01:51,590 --> 00:01:47,869
Matheson has almost single-handedly

35
00:01:54,350 --> 00:01:51,600
changed the way we think about stars and

36
00:01:57,560 --> 00:01:54,360
the star mists associated with them and

37
00:02:00,830 --> 00:01:57,570
this hidden in plain sight

38
00:02:04,249 --> 00:02:00,840

kind of thing that I just talked about

39

00:02:06,440 --> 00:02:04,259

his books star mists of the world vol 1

40

00:02:09,169 --> 00:02:06,450

2 3 I think you're defying for now

41

00:02:11,970 --> 00:02:09,179

aren't you do ya I'm going for is Norse

42

00:02:14,130 --> 00:02:11,980

myths and it was published in 2018 Alex

43

00:02:15,990 --> 00:02:14,140

I say I'm one volume behind hard to keep

44

00:02:18,059 --> 00:02:16,000

up with this guy and he's got a bunch of

45

00:02:21,830 --> 00:02:18,069

other books that will introduce you to

46

00:02:24,050 --> 00:02:21,840

excellent books overwhelmingly clear

47

00:02:28,500 --> 00:02:24,060

convincing I would say at this point

48

00:02:32,490 --> 00:02:28,510

undeniable evidence for the universal

49

00:02:34,229 --> 00:02:32,500

star myth hypothesis but what's really

50

00:02:35,910 --> 00:02:34,239

cool and I'm going on here for a while

51
00:02:38,520 --> 00:02:35,920
but I want to get it up to this point

52
00:02:40,650 --> 00:02:38,530
because what's really cool about today's

53
00:02:45,300 --> 00:02:40,660
interview and what we're going to get

54
00:02:47,490 --> 00:02:45,310
into is the messages behind those myths

55
00:02:50,220 --> 00:02:47,500
so if we can get to the point of saying

56
00:02:52,339 --> 00:02:50,230
yeah that seems pretty undeniable then

57
00:02:55,740 --> 00:02:52,349
we ought to take the next step and say

58
00:02:58,770 --> 00:02:55,750
what might be the message behind it I

59
00:03:01,319 --> 00:02:58,780
mean if there was some great teacher and

60
00:03:03,240 --> 00:03:01,329
just put a pin in that for a second who

61
00:03:06,210 --> 00:03:03,250
took the trouble to spread this

62
00:03:08,940 --> 00:03:06,220
perennial wisdom throughout our world

63
00:03:11,610 --> 00:03:08,950

throughout ancient civilizations to our

64

00:03:13,440 --> 00:03:11,620

planet then maybe we ought to figure out

65

00:03:15,030 --> 00:03:13,450

what they were trying to tell us so

66

00:03:18,900 --> 00:03:15,040

that's what we're gonna do today

67

00:03:21,270 --> 00:03:18,910

with fantastic guest star myth master

68

00:03:24,330 --> 00:03:21,280

David Matheson who I have total respect

69

00:03:26,960 --> 00:03:24,340

for as a fellow seeker on the path I

70

00:03:30,059 --> 00:03:26,970

pranaam to you even though in typical

71

00:03:32,940 --> 00:03:30,069

skeptical fashion of inquiry to

72

00:03:35,009 --> 00:03:32,950

perpetuate doubt I'm probably gonna have

73

00:03:38,009 --> 00:03:35,019

some contentious points with you on a

74

00:03:39,780 --> 00:03:38,019

couple of these issues but that's the

75

00:03:41,879 --> 00:03:39,790

kind of stuff I like the level 3

76

00:03:44,340 --> 00:03:41,889

discussion beyond the kind of usual

77

00:03:46,440 --> 00:03:44,350

stuff it's so great to have you back

78

00:03:48,180 --> 00:03:46,450

David I'm so glad you initiated this

79

00:03:50,670 --> 00:03:48,190

because this whole conversation is

80

00:03:52,559 --> 00:03:50,680

taking on a life of its own that I am

81

00:03:55,500 --> 00:03:52,569

really really excited to get in the

82

00:03:57,509 --> 00:03:55,510

middle of so let me step back and say

83

00:03:59,490 --> 00:03:57,519

welcome and thank you for joining me

84

00:04:02,490 --> 00:03:59,500

well thank you Alex and thank you for

85

00:04:05,789 --> 00:04:02,500

that kind and generous introduction

86

00:04:07,020 --> 00:04:05,799

so the conversation that we will have

87

00:04:08,900 --> 00:04:07,030

will be different than any other

88

00:04:11,819 --> 00:04:08,910

conversation because you'll bring out

89

00:04:13,319 --> 00:04:11,829

questions from your experience and

90

00:04:16,699 --> 00:04:13,329

background and perspective that nobody

91

00:04:20,130 --> 00:04:16,709

else can oh yeah you can count on that

92

00:04:23,910 --> 00:04:20,140

hey as I as I told you I'm kind of into

93

00:04:26,070 --> 00:04:23,920

my skeptical jeopardy phase

94

00:04:27,960 --> 00:04:26,080

leave em phone for me I hope people are

95

00:04:30,750 --> 00:04:27,970

receiving it well and that's what I

96

00:04:34,020 --> 00:04:30,760

thought we play today as a way of kind

97

00:04:36,360 --> 00:04:34,030

of framing up this chat we might have

98

00:04:38,730 --> 00:04:36,370

and for those who are listening to the

99

00:04:42,480 --> 00:04:38,740

sceptical jeopardy board here it is

100

00:04:46,020 --> 00:04:42,490

stars purposely concealed authentic self

101
00:04:50,100 --> 00:04:46,030
the spiritual path contact modalities on

102
00:04:54,390 --> 00:04:50,110
that wall myth versus history academia

103
00:04:57,030 --> 00:04:54,400
and ancient aliens you know we really

104
00:05:00,060 --> 00:04:57,040
probably ought to start even though I

105
00:05:05,190 --> 00:05:00,070
did a long introduction with stars

106
00:05:07,230 --> 00:05:05,200
because that's what this is about and on

107
00:05:09,840 --> 00:05:07,240
your website your excellent website I

108
00:05:12,480 --> 00:05:09,850
picked up three phrases that I think are

109
00:05:14,490 --> 00:05:12,490
kind of key to the whole thing so I

110
00:05:17,520 --> 00:05:14,500
explained what the star myth thing is

111
00:05:20,360 --> 00:05:17,530
but please do it in your own language

112
00:05:23,670 --> 00:05:20,370
and the three words are verifiable

113
00:05:25,980 --> 00:05:23,680

Universal and profound profound

114

00:05:29,790 --> 00:05:25,990

invisible realm that it opens this up to

115

00:05:32,100 --> 00:05:29,800

so maybe you want to kind of take off on

116

00:05:35,610 --> 00:05:32,110

that great yeah I'm already liking your

117

00:05:36,840 --> 00:05:35,620

format so I'll take stars four stars for

118

00:05:42,540 --> 00:05:36,850

a hundred thousand and if you hear

119

00:05:44,070 --> 00:05:42,550

that's a hundred things a game where you

120

00:05:44,940 --> 00:05:44,080

can only win the money you can't

121

00:05:46,350 --> 00:05:44,950

actually lose money

122

00:05:50,760 --> 00:05:46,360

I can't lose 100 thousand with this

123

00:05:53,490 --> 00:05:50,770

question Kenneth so yeah I've got my my

124

00:05:55,890 --> 00:05:53,500

dog is calmly in nearby he likes to be

125

00:05:59,580 --> 00:05:55,900

nearby so if you hear any distracting

126

00:06:04,440 --> 00:05:59,590

noises don't blame me it's he's you he's

127

00:06:07,230 --> 00:06:04,450

in his place so star myths the phrase I

128

00:06:09,810 --> 00:06:07,240

like to use is that virtually all of the

129

00:06:11,580 --> 00:06:09,820

world's ancient myths scriptures and

130

00:06:15,120 --> 00:06:11,590

sacred stories as you said in the

131

00:06:17,850 --> 00:06:15,130

introduction are based on a system of

132

00:06:20,580 --> 00:06:17,860

celestial metaphor and people sometimes

133

00:06:24,110 --> 00:06:20,590

say what what are you talking about well

134

00:06:26,820 --> 00:06:24,120

to make it even more precise I would say

135

00:06:31,320 --> 00:06:26,830

virtually all the characters and

136

00:06:33,990 --> 00:06:31,330

episodes of the various myths whether

137

00:06:35,950 --> 00:06:34,000

it's the myths of ancient Greece the

138

00:06:38,200 --> 00:06:35,960

Norse myths

139

00:06:40,600 --> 00:06:38,210

from the Pacific like you alluded to in

140

00:06:43,570 --> 00:06:40,610

the opening or from Maya or from North

141

00:06:46,600 --> 00:06:43,580

America Africa Australia virtually all

142

00:06:50,350 --> 00:06:46,610

those characters and the episodes can be

143

00:06:54,430 --> 00:06:50,360

shown can be shown to be based on

144

00:06:56,080 --> 00:06:54,440

specific constellations the problem that

145

00:06:59,020 --> 00:06:56,090

many people have in getting their minds

146

00:07:00,939 --> 00:06:59,030

around even what I just said it is it's

147

00:07:02,860 --> 00:07:00,949

very difficult for most people to

148

00:07:05,189 --> 00:07:02,870

envision the constellation because we

149

00:07:07,779 --> 00:07:05,199

haven't been taught the constellations

150

00:07:10,680 --> 00:07:07,789

that might be in a different Square on

151
00:07:14,140 --> 00:07:10,690
Jeopardy but for one reason or another

152
00:07:18,879 --> 00:07:14,150
if I say even to somebody who maybe

153
00:07:21,370 --> 00:07:18,889
reads astrology columns every day if I

154
00:07:22,659 --> 00:07:21,380
said can you sketch out the stars of

155
00:07:28,529 --> 00:07:22,669
Sagittarius

156
00:07:30,580 --> 00:07:28,539
or the stars of the constellation Gemini

157
00:07:33,219 --> 00:07:30,590
they might have a difficult time

158
00:07:35,529 --> 00:07:33,229
actually sketching out the Stars the

159
00:07:36,610 --> 00:07:35,539
outline or even pointing them out to me

160
00:07:39,700 --> 00:07:36,620
in the heavens even though they know

161
00:07:43,510 --> 00:07:39,710
very extensive knowledge about the

162
00:07:45,370 --> 00:07:43,520
system of what Gemini represents or you

163
00:07:48,040 --> 00:07:45,380

know what characteristics are associated

164

00:07:50,860 --> 00:07:48,050

with Gemini maybe let me just interject

165

00:07:53,700 --> 00:07:50,870

in here that's all the time I mean the

166

00:07:56,860 --> 00:07:53,710

modern understanding of those

167

00:07:59,200 --> 00:07:56,870

constellations are that they must have

168

00:08:02,800 --> 00:07:59,210

been really really bored and had a

169

00:08:05,830 --> 00:08:02,810

really wild imagination because so look

170

00:08:08,649 --> 00:08:05,840

at those random patterns and see what

171

00:08:11,890 --> 00:08:08,659

they see doesn't make any sense that is

172

00:08:13,810 --> 00:08:11,900

the modern interpretation of it so you

173

00:08:16,029 --> 00:08:13,820

kind of have two levels to bridge there

174

00:08:18,850 --> 00:08:16,039

one is people are dismissing it because

175

00:08:21,219 --> 00:08:18,860

it's like I can't see those things up

176
00:08:22,600 --> 00:08:21,229
there and then number two if even if you

177
00:08:24,129 --> 00:08:22,610
pointed out to me I'd say well it's just

178
00:08:26,140 --> 00:08:24,139
kind of silly from a bunch of people who

179
00:08:27,040 --> 00:08:26,150
are really Borden had a vivid

180
00:08:28,510 --> 00:08:27,050
imagination

181
00:08:31,060 --> 00:08:28,520
that's right sometimes the term

182
00:08:34,000 --> 00:08:31,070
pareidolia comes up you know seeing

183
00:08:37,959 --> 00:08:34,010
shapes in the clouds well we all can do

184
00:08:39,880 --> 00:08:37,969
that paranoia is the human tendency some

185
00:08:41,980 --> 00:08:39,890
say it was an evolutionary tendency to

186
00:08:46,210 --> 00:08:41,990
see faces because if you're an infant a

187
00:08:48,189 --> 00:08:46,220
smiling adult face could be your means

188
00:08:49,580 --> 00:08:48,199

of sustenance so we kind of start to see

189

00:08:52,030 --> 00:08:49,590

faces everywhere

190

00:08:54,500 --> 00:08:52,040

look at that tree I see a face in it

191

00:08:56,630 --> 00:08:54,510

that's that there's a term for that

192

00:08:59,240 --> 00:08:56,640

called pareidolia Carl Sagan actually

193

00:09:01,820 --> 00:08:59,250

talked about it in this essay he wrote

194

00:09:05,090 --> 00:09:01,830

called the demon haunted world where he

195

00:09:07,990 --> 00:09:05,100

said oh people kind of imagine demons

196

00:09:11,870 --> 00:09:08,000

it's kind of an Angels it's kind of a

197

00:09:14,660 --> 00:09:11,880

outgrowth of pareidolia so so I I'm

198

00:09:16,820 --> 00:09:14,670

trying to put a put the full weight of

199

00:09:18,740 --> 00:09:16,830

the anti argument and now I actually

200

00:09:20,840 --> 00:09:18,750

didn't say one further we have to bridge

201
00:09:23,330 --> 00:09:20,850
even a third thing from what you said

202
00:09:25,610 --> 00:09:23,340
you're right how do you know you say oh

203
00:09:27,980 --> 00:09:25,620
that's just pareidolia Dave you're just

204
00:09:29,510 --> 00:09:27,990
seeing some shapes that you see I don't

205
00:09:32,030 --> 00:09:29,520
even see those I see different ones

206
00:09:36,410 --> 00:09:32,040
who's the same and you're wrong or

207
00:09:39,770 --> 00:09:36,420
you're right none wrong but even further

208
00:09:44,660 --> 00:09:39,780
Tina swallowed like a piece of dust even

209
00:09:48,260 --> 00:09:44,670
further would be to say now it would be

210
00:09:51,740 --> 00:09:48,270
very unlikely for a culture in

211
00:09:54,890 --> 00:09:51,750
Polynesian islands scattered across the

212
00:09:58,160 --> 00:09:54,900
Pacific to connect those stars the same

213
00:10:01,780 --> 00:09:58,170

way as ancient Greece on the entire

214

00:10:04,460 --> 00:10:01,790

opposite side of the globe without any

215

00:10:06,530 --> 00:10:04,470

contact and not too many people would in

216

00:10:09,080 --> 00:10:06,540

academia would allege that ancient

217

00:10:13,270 --> 00:10:09,090

Egyptian were in contact with ancient

218

00:10:18,440 --> 00:10:13,280

Maya or ancient Polynesia or Pacific

219

00:10:20,260 --> 00:10:18,450

Ocean in some constellations people

220

00:10:23,480 --> 00:10:20,270

could say well you know what the the

221

00:10:25,250 --> 00:10:23,490

northern round it's very distinctive it

222

00:10:28,670 --> 00:10:25,260

looks like an arc I could see that being

223

00:10:30,860 --> 00:10:28,680

imagined as a necklace or a crown in

224

00:10:32,990 --> 00:10:30,870

many different cultures because humans

225

00:10:35,060 --> 00:10:33,000

wear necklaces we all have next they

226

00:10:37,130 --> 00:10:35,070

wear crowns we all have heads that

227

00:10:39,190 --> 00:10:37,140

constellation I could see that cropping

228

00:10:43,370 --> 00:10:39,200

up but some of these connections are so

229

00:10:45,020 --> 00:10:43,380

arcane so obscure and some of these

230

00:10:46,580 --> 00:10:45,030

constellations are very difficult to

231

00:10:50,930 --> 00:10:46,590

pick out even if you know what you're

232

00:10:55,090 --> 00:10:50,940

looking for that it would be very hard

233

00:10:58,700 --> 00:10:55,100

to argue that around the world people

234

00:11:00,110 --> 00:10:58,710

imagined the same constellations and

235

00:11:01,730 --> 00:11:00,120

imbued them with the same

236

00:11:03,380 --> 00:11:01,740

characteristics and yet that's what we

237

00:11:07,760 --> 00:11:03,390

find in a myth so

238

00:11:09,320 --> 00:11:07,770

setting up an even higher bill or high

239

00:11:12,580 --> 00:11:09,330

jump that I have to try and jump on to

240

00:11:16,720 --> 00:11:12,590

and yet this is just what the evidence

241

00:11:19,220 --> 00:11:16,730

overwhelmingly overwhelmingly suggests

242

00:11:22,250 --> 00:11:19,230

yeah exactly I mean you don't even have

243

00:11:27,440 --> 00:11:22,260

to get very far into this I mean you are

244

00:11:30,530 --> 00:11:27,450

truly um you're a researcher I mean you

245

00:11:34,580 --> 00:11:30,540

used to teach college there at West

246

00:11:37,280 --> 00:11:34,590

Point right so you're and you understand

247

00:11:40,550 --> 00:11:37,290

academia you understand what it takes to

248

00:11:42,800 --> 00:11:40,560

convince you know a body of intelligent

249

00:11:44,540 --> 00:11:42,810

people and you've way overshoot the

250

00:11:46,400 --> 00:11:44,550

target right I mean anyone who picks up

251
00:11:47,960 --> 00:11:46,410
your book volume one two three four I

252
00:11:50,120 --> 00:11:47,970
mean you're just gonna be blown away

253
00:11:52,550 --> 00:11:50,130
there's there's no way this stuff can be

254
00:11:55,180 --> 00:11:52,560
explained away and what's left is this

255
00:11:57,800 --> 00:11:55,190
huge mystery which never will be

256
00:11:59,510 --> 00:11:57,810
explained away because at least that's

257
00:12:02,870 --> 00:11:59,520
my contention is that the part of the

258
00:12:06,920 --> 00:12:02,880
process we don't there's maybe that's

259
00:12:11,440 --> 00:12:06,930
another skeptic Oh jeopardy a bored

260
00:12:14,530 --> 00:12:11,450
piece here because purposely concealed

261
00:12:16,910 --> 00:12:14,540
relates not so much to the

262
00:12:18,850 --> 00:12:16,920
constellations but one of the things I

263
00:12:22,280 --> 00:12:18,860

picked up on what you talked about

264

00:12:26,300 --> 00:12:22,290

alluded to is that at some point in our

265

00:12:29,900 --> 00:12:26,310

history the chain of this spreading of

266

00:12:33,950 --> 00:12:29,910

wisdom was intentionally broken and we

267

00:12:38,630 --> 00:12:33,960

kind of wound up with you know this

268

00:12:42,230 --> 00:12:38,640

disconnect from this esoteric wisdom do

269

00:12:46,130 --> 00:12:42,240

you want to touch on that at all yeah so

270

00:12:49,250 --> 00:12:46,140

this is this is a big part of the part

271

00:12:50,990 --> 00:12:49,260

of the story and when you say we you

272

00:12:53,420 --> 00:12:51,000

know it's almost worldwide at this point

273

00:12:56,690 --> 00:12:53,430

but really you had up on you're

274

00:13:01,910 --> 00:12:56,700

skeptical square jeopardy Square Roman

275

00:13:03,800 --> 00:13:01,920

and it primarily happened I would argue

276

00:13:07,810 --> 00:13:03,810

in the Roman Empire in places at the

277

00:13:10,070 --> 00:13:07,820

Roman Empire conquered and those other

278

00:13:12,620 --> 00:13:10,080

parts of the world that didn't get

279

00:13:16,670 --> 00:13:12,630

conquered by the Roman Empire such as

280

00:13:18,829 --> 00:13:16,680

India or China or North

281

00:13:22,639 --> 00:13:18,839

America Central America South America

282

00:13:25,670 --> 00:13:22,649

the Pacific stayed more in touch with

283

00:13:28,639 --> 00:13:25,680

their quote-unquote original

284

00:13:30,440 --> 00:13:28,649

instructions their ancient wisdom the

285

00:13:32,900 --> 00:13:30,450

term original instructions I'll give

286

00:13:34,220 --> 00:13:32,910

credit to Peter Kingsley and author that

287

00:13:36,519 --> 00:13:34,230

people might want to check out Peter

288

00:13:40,370 --> 00:13:36,529

Kingsley write some very interesting

289

00:13:42,829 --> 00:13:40,380

analysis and fantastic books the

290

00:13:44,750 --> 00:13:42,839

original instructions of every culture

291

00:13:47,150 --> 00:13:44,760

wouldn't it be nice if we were all still

292

00:13:51,860 --> 00:13:47,160

in touch with the original instructions

293

00:13:54,380 --> 00:13:51,870

but what happened at some point and this

294

00:13:57,139 --> 00:13:54,390

is not really debatable is something

295

00:14:00,170 --> 00:13:57,149

called literalist Christianity was

296

00:14:04,180 --> 00:14:00,180

instituted in the Roman Empire how it

297

00:14:06,710 --> 00:14:04,190

how it went from a small group to

298

00:14:09,400 --> 00:14:06,720

Emperor Constantine declaring that he

299

00:14:13,070 --> 00:14:09,410

was a Christian and then eventually

300

00:14:15,110 --> 00:14:13,080

declaring that Christianity was the was

301

00:14:18,410 --> 00:14:15,120

the official religion of the Roman

302

00:14:21,350 --> 00:14:18,420

Empire and some successive Emperor's

303

00:14:24,410 --> 00:14:21,360

between Constantine and Theodosius kept

304

00:14:25,910 --> 00:14:24,420

upping the requirement to where ok

305

00:14:27,560 --> 00:14:25,920

Christianity is an official religion

306

00:14:29,990 --> 00:14:27,570

okay now we've got to get rid of all the

307

00:14:33,980 --> 00:14:30,000

pagan gods okay now we're going to shut

308

00:14:35,449 --> 00:14:33,990

down the temple at Delphi that had been

309

00:14:37,610 --> 00:14:35,459

in operation for at least eight

310

00:14:39,290 --> 00:14:37,620

centuries maybe longer the Eleusinian

311

00:14:41,960 --> 00:14:39,300

mysteries of Greece they were still

312

00:14:45,440 --> 00:14:41,970

going the Eleusinian mysteries had found

313

00:14:47,660 --> 00:14:45,450

been going for 800 years or more when

314

00:14:52,340 --> 00:14:47,670

Theodosius shut them down in the late

315

00:14:54,470 --> 00:14:52,350

300 AD this is all historical pretty

316

00:14:55,850 --> 00:14:54,480

indisputable some people might dispute

317

00:14:59,120 --> 00:14:55,860

it but it's pretty well established that

318

00:15:02,690 --> 00:14:59,130

the Roman Empire became literalist

319

00:15:03,350 --> 00:15:02,700

Christian that in itself is a bit of a

320

00:15:05,569 --> 00:15:03,360

head-scratcher

321

00:15:08,510 --> 00:15:05,579

if you're a Christian literalist you

322

00:15:12,680 --> 00:15:08,520

would say well it's God's providence it

323

00:15:16,160 --> 00:15:12,690

would be pretty hard to take over the

324

00:15:19,730 --> 00:15:16,170

Roman Empire well let's we have to throw

325

00:15:22,819 --> 00:15:19,740

in there the kind of counter explanation

326
00:15:24,980 --> 00:15:22,829
for what's going on with Constantine and

327
00:15:27,110 --> 00:15:24,990
the Romans and it's uncomfortable for

328
00:15:29,540 --> 00:15:27,120
people because it's sound so

329
00:15:31,970 --> 00:15:29,550
conspiratorial but it to me

330
00:15:35,630 --> 00:15:31,980
it's the best way to line up with the

331
00:15:38,510 --> 00:15:35,640
facts one the church quote unquote that

332
00:15:45,040 --> 00:15:38,520
Constantine establishes is really an

333
00:15:47,420 --> 00:15:45,050
exact redo reboot of the Roman existing

334
00:15:49,430 --> 00:15:47,430
system that they have with the 12

335
00:15:53,570 --> 00:15:49,440
pillars and the twelfth ideal whole

336
00:15:56,840 --> 00:15:53,580
thing and then further this is this is

337
00:16:00,770 --> 00:15:56,850
ushered in with serfdom right so rights

338
00:16:02,810 --> 00:16:00,780

of all the subjects are taken away you

339

00:16:04,640 --> 00:16:02,820

can no longer own land you can no longer

340

00:16:08,380 --> 00:16:04,650

even choose what job you have you have

341

00:16:11,600 --> 00:16:08,390

to choose the profession of your of your

342

00:16:13,520 --> 00:16:11,610

parents and all these other restrictions

343

00:16:16,180 --> 00:16:13,530

that basically turn people into slaves

344

00:16:18,920 --> 00:16:16,190

and in turn what you get for that is

345

00:16:20,270 --> 00:16:18,930

eternal salvation oh here we have now

346

00:16:22,190 --> 00:16:20,280

have this state religion that we're

347

00:16:24,680 --> 00:16:22,200

going to support and you're gonna follow

348

00:16:25,790 --> 00:16:24,690

it and then you'll get yours in heaven

349

00:16:28,040 --> 00:16:25,800

I'll get mine now

350

00:16:31,120 --> 00:16:28,050

so I mean you don't even have to be that

351
00:16:34,250 --> 00:16:31,130
cynical to see this as a massive kind of

352
00:16:37,340 --> 00:16:34,260
social engineering social control kind

353
00:16:39,380 --> 00:16:37,350
of thing and certainly even if you don't

354
00:16:40,580 --> 00:16:39,390
if you have a hard time wrapping your

355
00:16:41,810 --> 00:16:40,590
head around that then you just

356
00:16:44,090 --> 00:16:41,820
fast-forward and you see how it plays

357
00:16:46,400 --> 00:16:44,100
out I mean that's exactly how it plays

358
00:16:47,840 --> 00:16:46,410
out so even if you don't accept that

359
00:16:50,500 --> 00:16:47,850
that was the intention from the

360
00:16:54,020 --> 00:16:50,510
beginning it's kind of hard to deny that

361
00:16:56,300 --> 00:16:54,030
well yeah that's a that's an interesting

362
00:16:59,900 --> 00:16:56,310
way of putting it I might not choose the

363
00:17:02,450 --> 00:16:59,910

exact same words in my description but

364

00:17:04,370 --> 00:17:02,460

I'm in generally agreeing with what

365

00:17:08,180 --> 00:17:04,380

you're saying because that is what grew

366

00:17:09,800 --> 00:17:08,190

out of basically I mean some questions

367

00:17:11,300 --> 00:17:09,810

to be asked to be well why would you do

368

00:17:15,320 --> 00:17:11,310

it with Christianity if you've already

369

00:17:18,650 --> 00:17:15,330

got the pagan God so-called or their

370

00:17:21,290 --> 00:17:18,660

ancient gods and the Vestal Virgins and

371

00:17:24,440 --> 00:17:21,300

all the different institutions of the

372

00:17:28,250 --> 00:17:24,450

the Senate was kind of the protector of

373

00:17:32,450 --> 00:17:28,260

the traditional religion in the Roman

374

00:17:35,120 --> 00:17:32,460

Empire but all those gods that you

375

00:17:37,700 --> 00:17:35,130

mentioned we know we're pretty familiar

376

00:17:41,270 --> 00:17:37,710

with the correspondence with the gods of

377

00:17:43,200 --> 00:17:41,280

ancient Greece Zeus goes right with

378

00:17:47,820 --> 00:17:43,210

Jupiter in fact this

379

00:17:51,780 --> 00:17:47,830

Potter Pantera means father in Roman or

380

00:17:55,350 --> 00:17:51,790

Latin Zeus Potter or Jupiter the Zeus

381

00:17:56,640 --> 00:17:55,360

the Father Jove the father corresponds

382

00:17:59,670 --> 00:17:56,650

directly to Zeus and they were very

383

00:18:02,490 --> 00:17:59,680

comfortable with this Mars corresponds

384

00:18:03,990 --> 00:18:02,500

with Ares Venus with Aphrodite and even

385

00:18:07,860 --> 00:18:04,000

when the Romans would be fighting the

386

00:18:10,290 --> 00:18:07,870

Germanic peoples of northern Europe you

387

00:18:13,140 --> 00:18:10,300

can read the accounts there's plenty of

388

00:18:14,490 --> 00:18:13,150

the texts and surviving accounts where

389

00:18:18,030 --> 00:18:14,500

they would say oh well they have this

390

00:18:19,530 --> 00:18:18,040

God who corresponds to our Mars they

391

00:18:24,140 --> 00:18:19,540

have this God who corresponds to our

392

00:18:27,330 --> 00:18:24,150

Hercules they had no problem seeing

393

00:18:30,180 --> 00:18:27,340

around the world that their work around

394

00:18:32,250 --> 00:18:30,190

their world that the gods of other

395

00:18:34,130 --> 00:18:32,260

peoples even under different names with

396

00:18:36,570 --> 00:18:34,140

slightly different clothing or

397

00:18:39,680 --> 00:18:36,580

characteristics or maybe facial hair and

398

00:18:44,520 --> 00:18:39,690

you know Odin has a beard whereas

399

00:18:46,080 --> 00:18:44,530

mercury doesn't or you know some

400

00:18:48,510 --> 00:18:46,090

slightly different ways of worshipping

401
00:18:50,220 --> 00:18:48,520
they still perceived well this God

402
00:18:55,680 --> 00:18:50,230
corresponds to this god and even today

403
00:18:58,860 --> 00:18:55,690
we have Thursday Thursday in Latin eight

404
00:19:02,760 --> 00:18:58,870
languages or Romance languages is named

405
00:19:06,060 --> 00:19:02,770
after Jove waveace in Spanish or

406
00:19:09,030 --> 00:19:06,070
miércoles Mercury's day that's our

407
00:19:11,220 --> 00:19:09,040
Wednesday Odin's day really interesting

408
00:19:13,230 --> 00:19:11,230
that correspondence was understood so

409
00:19:15,540 --> 00:19:13,240
why did they have to get rid of that

410
00:19:17,730 --> 00:19:15,550
system or what yeah hold on I mean

411
00:19:20,520 --> 00:19:17,740
that's that's awesome and I'm with you

412
00:19:21,660 --> 00:19:20,530
on all that but in there I think is the

413
00:19:24,450 --> 00:19:21,670

answer the question that you're asking

414

00:19:26,190 --> 00:19:24,460

the reason that they had to do it they

415

00:19:28,620 --> 00:19:26,200

didn't have to do it but that whole

416

00:19:30,570 --> 00:19:28,630

strategy was a co-opting conquer

417

00:19:33,360 --> 00:19:30,580

strategy right so they weren't

418

00:19:35,340 --> 00:19:33,370

interested in really assimilating with

419

00:19:37,050 --> 00:19:35,350

the Germanic people that was just a way

420

00:19:39,570 --> 00:19:37,060

of budding up to him before they slid

421

00:19:41,460 --> 00:19:39,580

all their throats right so I mean they

422

00:19:43,320 --> 00:19:41,470

go in and they say hey you know what

423

00:19:46,050 --> 00:19:43,330

we're a lot alike

424

00:19:48,030 --> 00:19:46,060

you got sadder we have Saturn you have

425

00:19:50,670 --> 00:19:48,040

you know all this kind of stuff so but

426

00:19:52,790 --> 00:19:50,680

then I mean the the Druids are still

427

00:19:55,860 --> 00:19:52,800

gonna be slaughtered right so was mass

428

00:19:57,000 --> 00:19:55,870

extinction of the of the Druids it's not

429

00:19:59,340 --> 00:19:57,010

like they really risk

430

00:20:01,080 --> 00:19:59,350

the religion this is a Roman kind of

431

00:20:01,860 --> 00:20:01,090

deal I mean Romans conquered that's what

432

00:20:04,799 --> 00:20:01,870

they're good at

433

00:20:06,840 --> 00:20:04,809

so the the fact that they did the reboot

434

00:20:08,640 --> 00:20:06,850

for Christianity I understand you don't

435

00:20:10,409 --> 00:20:08,650

have to go there or you don't go there

436

00:20:14,070 --> 00:20:10,419

and you don't have to go there but to me

437

00:20:15,930 --> 00:20:14,080

that seems totally in line with what

438

00:20:17,669 --> 00:20:15,940

they always did you know it's a kind of

439

00:20:18,270 --> 00:20:17,679

bait and switch give them this take it

440

00:20:22,020 --> 00:20:18,280

away

441

00:20:24,090 --> 00:20:22,030

that's my dad well I mean this is an

442

00:20:25,860 --> 00:20:24,100

interesting conversation and it's not

443

00:20:28,860 --> 00:20:25,870

the area that I taught at the college

444

00:20:31,110 --> 00:20:28,870

level so you know professionals in this

445

00:20:33,090 --> 00:20:31,120

area might take exception to the

446

00:20:36,330 --> 00:20:33,100

direction that we take it but I might

447

00:20:38,970 --> 00:20:36,340

suggest that the Romans had an empire

448

00:20:40,590 --> 00:20:38,980

that was very successful because they

449

00:20:42,330 --> 00:20:40,600

did things slightly differently than

450

00:20:45,510 --> 00:20:42,340

some other empires they were actually

451
00:20:48,240 --> 00:20:45,520
very simple artistic or syncretic in

452
00:20:50,580 --> 00:20:48,250
that they would say to the they weren't

453
00:20:54,780 --> 00:20:50,590
really the cut everyone's throat when we

454
00:20:56,340 --> 00:20:54,790
conquered you Empire certainly right

455
00:20:58,380 --> 00:20:56,350
certainly I'm not suggesting they were

456
00:21:01,260 --> 00:20:58,390
cuddly and friendly they were hardcore

457
00:21:03,450 --> 00:21:01,270
very effective fighters but they would

458
00:21:06,240 --> 00:21:03,460
generally say hey we'll set your gods up

459
00:21:09,630 --> 00:21:06,250
right here next to our gods they weren't

460
00:21:11,190 --> 00:21:09,640
necessarily evangelistic with their gods

461
00:21:13,500 --> 00:21:11,200
there like I said they would say oh you

462
00:21:15,840 --> 00:21:13,510
know well we correspond in with Hercules

463
00:21:17,760 --> 00:21:15,850

you want to have a with Venus you

464

00:21:20,250 --> 00:21:17,770

want to have a temple to Isis and

465

00:21:22,830 --> 00:21:20,260

actually you know the ISIS mysteries

466

00:21:25,130 --> 00:21:22,840

became a big deal in Rome and that's

467

00:21:28,650 --> 00:21:25,140

really coming obviously from Egypt so

468

00:21:31,289 --> 00:21:28,660

it's really Christianity later on under

469

00:21:33,630 --> 00:21:31,299

in the time of what you're talking about

470

00:21:36,960 --> 00:21:33,640

the feudal system that was set up after

471

00:21:39,900 --> 00:21:36,970

Rome quote/unquote fell we could talk

472

00:21:41,970 --> 00:21:39,910

about that too it was actually more

473

00:21:44,669 --> 00:21:41,980

convenient for these large families that

474

00:21:46,620 --> 00:21:44,679

now had lots of land to say hey let's

475

00:21:48,750 --> 00:21:46,630

get rid of these pesky Emperor's because

476
00:21:50,400 --> 00:21:48,760
Emperor's are a pain they're constantly

477
00:21:52,950 --> 00:21:50,410
overthrowing one another and causing

478
00:21:55,770 --> 00:21:52,960
havoc and having all these intrigues and

479
00:21:57,600 --> 00:21:55,780
this Emperor March of this one want to

480
00:21:59,820 --> 00:21:57,610
be Emperor marches in gathers up a bunch

481
00:22:02,340 --> 00:21:59,830
of troops marches in to attack the

482
00:22:03,600 --> 00:22:02,350
existing Emperor and it just messes up

483
00:22:06,630 --> 00:22:03,610
our economy let's get rid of that

484
00:22:09,780 --> 00:22:06,640
Emperor and we can have a much more

485
00:22:13,500 --> 00:22:09,790
lucrative system of collecting rents off

486
00:22:16,800 --> 00:22:13,510
all this land that we've got so okay so

487
00:22:18,120 --> 00:22:16,810
I think that did happen we could you

488
00:22:19,920 --> 00:22:18,130

know I don't want to get too bogged down

489

00:22:22,140 --> 00:22:19,930

in it but I don't want to get bogged

490

00:22:23,790 --> 00:22:22,150

down and either because I took us there

491

00:22:27,180 --> 00:22:23,800

but I made a note I mean this is a

492

00:22:29,250 --> 00:22:27,190

future Skeptical episode because I've

493

00:22:31,410 --> 00:22:29,260

had this floating around and you know

494

00:22:33,270 --> 00:22:31,420

certainly I had Joseph that well on the

495

00:22:34,980 --> 00:22:33,280

show a couple times and he feels like

496

00:22:36,570 --> 00:22:34,990

he's got this wired and that's exactly

497

00:22:38,070 --> 00:22:36,580

the way it is but there's another guest

498

00:22:40,980 --> 00:22:38,080

out there I'm not gonna reveal who it is

499

00:22:44,220 --> 00:22:40,990

I think really has this wired as well

500

00:22:46,710 --> 00:22:44,230

and that's great everything everything

501
00:22:48,690 --> 00:22:46,720
you said was great it but it is kind of

502
00:22:50,670 --> 00:22:48,700
a little bit off topic for all the

503
00:22:52,740 --> 00:22:50,680
amazing stuff that you have so I'm gonna

504
00:22:55,140 --> 00:22:52,750
back off here and this is the skeptical

505
00:22:59,780 --> 00:22:55,150
jeopardy board and you should pick where

506
00:23:02,640 --> 00:22:59,790
we go next David great well why don't we

507
00:23:04,710 --> 00:23:02,650
just before we pick will keep the

508
00:23:06,180 --> 00:23:04,720
listeners in its to suspense for just a

509
00:23:10,410 --> 00:23:06,190
second and there was another thing you

510
00:23:12,930 --> 00:23:10,420
said about academia having a hard time

511
00:23:15,450 --> 00:23:12,940
getting their arms around us I forget

512
00:23:19,490 --> 00:23:15,460
exactly how you phrased it but really I

513
00:23:23,100 --> 00:23:19,500

think it's in line with the skeptical

514

00:23:26,760 --> 00:23:23,110

mission statement of exploring paradigms

515

00:23:29,640 --> 00:23:26,770

how do paradigms change you know when

516

00:23:34,680 --> 00:23:29,650

when you say Oh David has written so

517

00:23:38,910 --> 00:23:34,690

much has written so may I written really

518

00:23:41,130 --> 00:23:38,920

over 5,000 pages of books that you say

519

00:23:43,650 --> 00:23:41,140

it should be just proven now some people

520

00:23:46,770 --> 00:23:43,660

might say but wait a minute how many

521

00:23:49,770 --> 00:23:46,780

pages of peer-reviewed papers has David

522

00:23:52,560 --> 00:23:49,780

published and then I'll tell you I've

523

00:23:54,000 --> 00:23:52,570

sent in some academic style papers I

524

00:23:56,610 --> 00:23:54,010

know how to write an academic style

525

00:23:58,830 --> 00:23:56,620

paper and I politely told this isn't

526
00:24:01,950 --> 00:23:58,840
very interesting or this doesn't exactly

527
00:24:03,480 --> 00:24:01,960
fit or this is and I'm like what do you

528
00:24:05,370 --> 00:24:03,490
mean it doesn't exactly fit this is

529
00:24:07,170 --> 00:24:05,380
right in your wheelhouse but the problem

530
00:24:09,450 --> 00:24:07,180
is if it is outside of the existing

531
00:24:12,690 --> 00:24:09,460
paradigm or if it threatens the existing

532
00:24:13,980 --> 00:24:12,700
paradigm then it's going to meet with

533
00:24:17,250 --> 00:24:13,990
resistance not necessarily

534
00:24:20,630 --> 00:24:17,260
conspiratorial resistance either but you

535
00:24:23,100 --> 00:24:20,640
know there are institutional types of

536
00:24:24,870 --> 00:24:23,110
resistance or if I'm a

537
00:24:26,880 --> 00:24:24,880
I've worked my way up through academia

538
00:24:28,530 --> 00:24:26,890

through all these hurdles that I have to

539

00:24:30,720 --> 00:24:28,540

go through and now I'm a tenure and a

540

00:24:34,350 --> 00:24:30,730

nearly tenured professor / if I start

541

00:24:37,230 --> 00:24:34,360

talking about a paradigm that's as there

542

00:24:39,570 --> 00:24:37,240

seems to be a similar thing or even a

543

00:24:42,990 --> 00:24:39,580

common man system being operated in

544

00:24:44,610 --> 00:24:43,000

ancient Egypt and the sacred stories of

545

00:24:47,340 --> 00:24:44,620

Australia sacred stories of North

546

00:24:50,730 --> 00:24:47,350

America or even sacred stories of the

547

00:24:53,549 --> 00:24:50,740

Norse that causes problems if I were to

548

00:24:55,500 --> 00:24:53,559

show maybe connections between the stars

549

00:24:58,289 --> 00:24:55,510

and the Greek myths and stay within that

550

00:25:00,450 --> 00:24:58,299

system that might have some interest but

551
00:25:04,590 --> 00:25:00,460
the minute you say this appears to be a

552
00:25:07,980 --> 00:25:04,600
worldwide system that extends to explode

553
00:25:09,900 --> 00:25:07,990
the existing paradigm and and what

554
00:25:11,730 --> 00:25:09,910
happens with paradigm paradigm shift

555
00:25:14,370 --> 00:25:11,740
over time we know this in science we can

556
00:25:17,549 --> 00:25:14,380
see that say plate tectonics introduced

557
00:25:19,950 --> 00:25:17,559
in 1906 by Alfred Wegener was ridiculed

558
00:25:22,320 --> 00:25:19,960
and people said there's no way that the

559
00:25:24,510 --> 00:25:22,330
the continental the floors underneath

560
00:25:26,220 --> 00:25:24,520
the sea can let those continents move

561
00:25:28,320 --> 00:25:26,230
around because there are all solid well

562
00:25:31,440 --> 00:25:28,330
after world war ii with increasing

563
00:25:33,090 --> 00:25:31,450

technology and submarine sensing they

564

00:25:34,320 --> 00:25:33,100

said whoa look at all these ridges on

565

00:25:37,530 --> 00:25:34,330

the bottom of the ocean maybe this

566

00:25:40,409 --> 00:25:37,540

theory finally a 60s and 70s it began to

567

00:25:42,360 --> 00:25:40,419

be it began to be accepted and what I

568

00:25:45,419 --> 00:25:42,370

would say about a paradigm is it will

569

00:25:47,700 --> 00:25:45,429

explain usually a lot of things but

570

00:25:49,740 --> 00:25:47,710

there's always this like outlier I call

571

00:25:51,930 --> 00:25:49,750

it the little bag of parts this is a

572

00:25:53,430 --> 00:25:51,940

metaphor if you've ever taken apart an

573

00:25:54,870 --> 00:25:53,440

engine or tried to fix something in your

574

00:25:56,610 --> 00:25:54,880

car engine and you put it all back

575

00:25:58,470 --> 00:25:56,620

together and get a little ziploc bag

576

00:26:00,480 --> 00:25:58,480

full of nuts and bolts that are left

577

00:26:03,630 --> 00:26:00,490

over you know you didn't put it back

578

00:26:05,909 --> 00:26:03,640

together exactly right yeah whoops where

579

00:26:07,230 --> 00:26:05,919

how did all these things fit in there

580

00:26:10,289 --> 00:26:07,240

well there are these are like the

581

00:26:12,750 --> 00:26:10,299

anomalous evidence that shows that the

582

00:26:14,220 --> 00:26:12,760

paradigm is not put together completely

583

00:26:15,750 --> 00:26:14,230

right and eventually someone will come

584

00:26:18,180 --> 00:26:15,760

along and say you know if we put it

585

00:26:19,919 --> 00:26:18,190

together this way all those bolts would

586

00:26:21,539 --> 00:26:19,929

fall into place all that anomalous

587

00:26:23,430 --> 00:26:21,549

evidence would fall into place and this

588

00:26:26,100 --> 00:26:23,440

happens over and over I would argue in

589

00:26:27,690 --> 00:26:26,110

the world of paradigms right I'm the

590

00:26:31,110 --> 00:26:27,700

paradigm thing I mean that's that's all

591

00:26:32,460 --> 00:26:31,120

good and we got 250 shows but I wasn't

592

00:26:34,380 --> 00:26:32,470

that I wasn't I would just I would

593

00:26:35,360 --> 00:26:34,390

disagree on a couple of fronts I mean

594

00:26:36,980 --> 00:26:35,370

number one

595

00:26:39,649 --> 00:26:36,990

the the the fact that there's the

596

00:26:42,499 --> 00:26:39,659

paradigm change and it changes one

597

00:26:44,960 --> 00:26:42,509

funeral at a time is true in one sense

598

00:26:47,960 --> 00:26:44,970

another sense there's an organized

599

00:26:49,279 --> 00:26:47,970

systematic effort on the part of certain

600

00:26:50,539 --> 00:26:49,289

individuals and their different groups

601
00:26:52,669 --> 00:26:50,549
for different things whether it's

602
00:26:54,350 --> 00:26:52,679
medicine you know they don't want the

603
00:26:57,619 --> 00:26:54,360
paradigm to change those economic

604
00:26:59,749 --> 00:26:57,629
interests often involved in this so it's

605
00:27:02,299 --> 00:26:59,759
not like it's a fair game it's not like

606
00:27:05,889 --> 00:27:02,309
everyone's trying to do their best out

607
00:27:08,090 --> 00:27:05,899
there and it's just you know oh I'm so

608
00:27:10,279 --> 00:27:08,100
my ego of my thing

609
00:27:13,580 --> 00:27:10,289
no it's organized controlled and

610
00:27:18,830 --> 00:27:13,590
systematic and regard to with regard to

611
00:27:20,690 --> 00:27:18,840
this latest thing I mean what amazes me

612
00:27:22,100 --> 00:27:20,700
and what has happened over and over

613
00:27:24,109 --> 00:27:22,110

again just on the recent episodes of

614

00:27:26,419 --> 00:27:24,119

skeptic oh I'll have guests on and

615

00:27:28,460 --> 00:27:26,429

they're fantastic yes and they've done

616

00:27:30,680 --> 00:27:28,470

all this research but you got to do this

617

00:27:32,649 --> 00:27:30,690

silly double-talk kind of thing you got

618

00:27:35,149 --> 00:27:32,659

to say you know you've done great

619

00:27:38,029 --> 00:27:35,159

considering you've been in academia for

620

00:27:40,820 --> 00:27:38,039

30 years and you got a hold of some

621

00:27:43,279 --> 00:27:40,830

line I mean last guest I had on

622

00:27:44,720 --> 00:27:43,289

gregory shushan you know same kind of

623

00:27:46,190 --> 00:27:44,730

thing super but you know he's got to be

624

00:27:48,649 --> 00:27:46,200

very careful he's got to talk in this

625

00:27:50,960 --> 00:27:48,659

you know consider we have to consider

626
00:27:52,310 --> 00:27:50,970
the postmodernist that no experience

627
00:27:54,409 --> 00:27:52,320
matters like now we don't

628
00:27:57,230 --> 00:27:54,419
it's totally freaking absurd no one in

629
00:28:00,350 --> 00:27:57,240
the right mind would would wrap their

630
00:28:03,049 --> 00:28:00,360
head around these crazy ideas worths

631
00:28:05,570 --> 00:28:03,059
I talked to you before that in

632
00:28:07,489 --> 00:28:05,580
anthropology same kind of thing I have

633
00:28:10,789 --> 00:28:07,499
to carefully tread so carefully so I

634
00:28:13,580 --> 00:28:10,799
don't even like to it's it's a ok this

635
00:28:16,700 --> 00:28:13,590
forced we have this false equality when

636
00:28:20,509 --> 00:28:16,710
we say oh well you know we have to kind

637
00:28:23,480 --> 00:28:20,519
of give equal time to the consideration

638
00:28:25,129 --> 00:28:23,490

of these nitwits who won't let go of

639

00:28:27,799 --> 00:28:25,139

their theory I don't want to go there

640

00:28:29,930 --> 00:28:27,809

okay I hear you

641

00:28:31,789 --> 00:28:29,940

frustration there and I'm not trying I'm

642

00:28:33,919 --> 00:28:31,799

not in academia so I'm not trying to not

643

00:28:37,190 --> 00:28:33,929

step on anyone's toes I'm quite critical

644

00:28:40,100 --> 00:28:37,200

but I would say there is there's room to

645

00:28:42,739 --> 00:28:40,110

say there is probably venality at work

646

00:28:44,299 --> 00:28:42,749

in some cases venal Denali what I was

647

00:28:46,100 --> 00:28:44,309

just describing and are people who

648

00:28:48,600 --> 00:28:46,110

they're I don't want my job to be

649

00:28:52,080 --> 00:28:48,610

threatened and then there

650

00:28:54,240 --> 00:28:52,090

is also I would I would certainly grant

651
00:28:56,279 --> 00:28:54,250
you I'm certainly not shying away from

652
00:28:59,549 --> 00:28:56,289
the explanation of there's also

653
00:29:02,519 --> 00:28:59,559
conspiracy or conspiratorial interests

654
00:29:04,350 --> 00:29:02,529
at work power interests economic

655
00:29:05,759 --> 00:29:04,360
interest big-time power and economic

656
00:29:07,830 --> 00:29:05,769
interest don't all the way back to what

657
00:29:09,810 --> 00:29:07,840
we talked about with the Roman so I'm

658
00:29:12,090 --> 00:29:09,820
glad we touched on the Roman because

659
00:29:14,190 --> 00:29:12,100
that gave the that gave shape to the

660
00:29:17,250 --> 00:29:14,200
Western basically the Western Roman

661
00:29:20,009 --> 00:29:17,260
Empire gave shape to Western Europe with

662
00:29:21,330 --> 00:29:20,019
which was controlled by large land

663
00:29:24,330 --> 00:29:21,340

holding families calling themselves

664

00:29:27,840 --> 00:29:24,340

Noble or aristocrat meaning I'm better

665

00:29:30,060 --> 00:29:27,850

and the church and those two were

666

00:29:31,500 --> 00:29:30,070

basically a revolving door back and

667

00:29:33,450 --> 00:29:31,510

forth between those two and they're

668

00:29:36,259 --> 00:29:33,460

controlled everything and that's really

669

00:29:41,310 --> 00:29:36,269

if you want to get into the left-right

670

00:29:44,789 --> 00:29:41,320

split came out of France and the

671

00:29:48,509 --> 00:29:44,799

Enlightenment attempts to try to hey

672

00:29:50,639 --> 00:29:48,519

let's try and improve on this feudal

673

00:29:53,460 --> 00:29:50,649

system let's get let's get rid of this

674

00:29:55,289 --> 00:29:53,470

collect rent for just basically sitting

675

00:29:57,600 --> 00:29:55,299

back and hey I wonder wonder how much

676

00:29:59,759 --> 00:29:57,610

rent rolled in today from my lands I I

677

00:30:04,139 --> 00:29:59,769

need to go hunting I will see what the

678

00:30:07,740 --> 00:30:04,149

peasants send me today and and getting

679

00:30:09,899 --> 00:30:07,750

rid of that rent collecting system is

680

00:30:13,200 --> 00:30:09,909

still a struggle that's going on today

681

00:30:15,149 --> 00:30:13,210

so hold on I mean back to what we're

682

00:30:17,820 --> 00:30:15,159

talking about here in terms of academia

683

00:30:20,159 --> 00:30:17,830

kind of throwing the holy water on your

684

00:30:22,620 --> 00:30:20,169

work well why that's never going to

685

00:30:24,779 --> 00:30:22,630

happen and and I'd go further I here I

686

00:30:26,519 --> 00:30:24,789

am I think I'm kind of defending your

687

00:30:28,680 --> 00:30:26,529

position which I don't know how we got

688

00:30:31,860 --> 00:30:28,690

switched in roles here but like you said

689

00:30:34,649 --> 00:30:31,870

earlier I mean there is no there is no

690

00:30:38,669 --> 00:30:34,659

reasonable explanation on one hand if

691

00:30:40,860 --> 00:30:38,679

you go to a anthropology there's no one

692

00:30:43,080 --> 00:30:40,870

who would say yeah those ancient

693

00:30:45,810 --> 00:30:43,090

Polynesians and the Mayans and the

694

00:30:49,950 --> 00:30:45,820

Romans and the Africans and the Norse

695

00:30:54,299 --> 00:30:49,960

they all created these myths this way no

696

00:30:56,310 --> 00:30:54,309

one says that right so there isn't some

697

00:30:57,510 --> 00:30:56,320

when you say oh well maybe you know

698

00:30:59,610 --> 00:30:57,520

let's give them the benefit of the doubt

699

00:31:01,710 --> 00:30:59,620

maybe it says no let's not give them the

700

00:31:02,250 --> 00:31:01,720

benefit yeah based on everything they've

701

00:31:04,260 --> 00:31:02,260

publish

702

00:31:06,539 --> 00:31:04,270

based on what they've said there's no

703

00:31:08,760 --> 00:31:06,549

way to explain the universality of these

704

00:31:11,850 --> 00:31:08,770

star nests so the fact that they don't

705

00:31:14,580 --> 00:31:11,860

is we don't know how much of it is just

706

00:31:17,190 --> 00:31:14,590

ego people holding on to their jobs in

707

00:31:20,010 --> 00:31:17,200

their work or how much of it is the the

708

00:31:21,510 --> 00:31:20,020

remnants of hey you know that's kind of

709

00:31:23,250 --> 00:31:21,520

we don't want to get into that esoteric

710

00:31:25,169 --> 00:31:23,260

wisdom because it opens up a big can of

711

00:31:26,940 --> 00:31:25,179

worms but we don't know which of those

712

00:31:29,490 --> 00:31:26,950

two it is but we know it's one of those

713

00:31:31,650 --> 00:31:29,500

two we know there isn't any reasonable

714

00:31:33,390 --> 00:31:31,660

explanation on their part they can't

715

00:31:36,299 --> 00:31:33,400

invent something new to fill that gap

716

00:31:38,370 --> 00:31:36,309

right right so this is great and we're

717

00:31:40,350 --> 00:31:38,380

not I don't think we're arguing against

718

00:31:43,440 --> 00:31:40,360

each other I think we're building the

719

00:31:45,000 --> 00:31:43,450

point up from from the friction of our

720

00:31:46,470 --> 00:31:45,010

conversation of our minds working on

721

00:31:50,400 --> 00:31:46,480

this question so I would say number one

722

00:31:53,820 --> 00:31:50,410

my work certainly threatens the

723

00:31:55,560 --> 00:31:53,830

literalist Christian paradigm because it

724

00:31:57,810 --> 00:31:55,570

shows that you know what I said about

725

00:31:59,520 --> 00:31:57,820

the characters and events of the myths

726

00:32:02,280 --> 00:31:59,530

of the world being based on the stars

727

00:32:03,900 --> 00:32:02,290

can be shown with overwhelming amounts

728

00:32:08,340 --> 00:32:03,910

of evidence for the characters and

729

00:32:11,070 --> 00:32:08,350

events in the Bible which has been even

730

00:32:14,250 --> 00:32:11,080

up to a couple hundred years ago it was

731

00:32:16,740 --> 00:32:14,260

actually dominated academia to where you

732

00:32:20,159 --> 00:32:16,750

couldn't you couldn't argue against

733

00:32:22,350 --> 00:32:20,169

let's say the flood as as described in

734

00:32:24,720 --> 00:32:22,360

the Bible or the age of the earth and so

735

00:32:26,760 --> 00:32:24,730

there's a tremendous backlash that

736

00:32:30,210 --> 00:32:26,770

happened against that within academia

737

00:32:32,039 --> 00:32:30,220

but anyway this this threatens that but

738

00:32:33,630 --> 00:32:32,049

it also threatened so you said well

739

00:32:36,570 --> 00:32:33,640

there's bill there's nobody talking

740

00:32:38,340 --> 00:32:36,580

about all this because there's really no

741

00:32:40,530 --> 00:32:38,350

way to explain it within their current

742

00:32:41,669 --> 00:32:40,540

paradigm there are other ways to explain

743

00:32:43,409 --> 00:32:41,679

and we're gonna explore some of those

744

00:32:45,299 --> 00:32:43,419

you could explain it by wall it could be

745

00:32:46,740 --> 00:32:45,309

some kind of collective unconscious

746

00:32:49,530 --> 00:32:46,750

that's what Jung said or some kind of

747

00:32:51,450 --> 00:32:49,540

psychic connection or it could be that

748

00:32:53,700 --> 00:32:51,460

still that's totally off the table right

749

00:32:55,020 --> 00:32:53,710

that's off the table because it's we

750

00:32:57,630 --> 00:32:55,030

have a materialistic science that

751
00:32:59,100 --> 00:32:57,640
doesn't acknowledge that so except for

752
00:33:00,539 --> 00:32:59,110
the hammer you on this I'm gonna help me

753
00:33:02,070 --> 00:33:00,549
on this because you're going to go far

754
00:33:04,440 --> 00:33:02,080
afield with all these different

755
00:33:07,320 --> 00:33:04,450
explanations it's I get into this all

756
00:33:09,539 --> 00:33:07,330
the time with with other stuff inside

757
00:33:12,810 --> 00:33:09,549
the paradigm there's no way to explain

758
00:33:15,659 --> 00:33:12,820
this period why do we have to try and

759
00:33:16,080 --> 00:33:15,669
let them back in the door well here's

760
00:33:19,170 --> 00:33:16,090
what

761
00:33:21,900 --> 00:33:19,180
let me go back to my engine being put

762
00:33:23,670 --> 00:33:21,910
back together wrong metaphor what I'm

763
00:33:25,920 --> 00:33:23,680

throwing what I'm holding up is not just

764

00:33:28,140 --> 00:33:25,930

a little bag of nuts and bolts I'm

765

00:33:30,990 --> 00:33:28,150

holding up things like here's a

766

00:33:33,960 --> 00:33:31,000

crankshaft how do you you forgot this

767

00:33:36,390 --> 00:33:33,970

and they're like yeah but my paradigm is

768

00:33:39,480 --> 00:33:36,400

working and I'm like yeah you're firing

769

00:33:41,430 --> 00:33:39,490

on three cylinders out of eight and it

770

00:33:43,110 --> 00:33:41,440

sounds awful and it gets terrible gas

771

00:33:45,480 --> 00:33:43,120

mileage and they're like don't mess with

772

00:33:47,550 --> 00:33:45,490

my engine I'm moving forward down the

773

00:33:50,190 --> 00:33:47,560

road and I'm like you're on three

774

00:33:53,010 --> 00:33:50,200

cylinders and gobekli tepe is another

775

00:33:54,720 --> 00:33:53,020

giant like drive shaft or a flywheel

776

00:33:58,830 --> 00:33:54,730

that's been left left off gobekli tepe

777

00:34:01,400 --> 00:33:58,840

is six thousand years at least there are

778

00:34:05,100 --> 00:34:01,410

two earliest dynastic Egypt and it's

779

00:34:07,170 --> 00:34:05,110

beautifully precise stones aligned with

780

00:34:10,020 --> 00:34:07,180

celestial alignments by the way that

781

00:34:13,140 --> 00:34:10,030

throws a problem into the paradigm but

782

00:34:14,730 --> 00:34:13,150

what I'm discovering it doesn't throw

783

00:34:17,160 --> 00:34:14,740

them into what I'm discovering at all

784

00:34:20,310 --> 00:34:17,170

because you could say well possibly the

785

00:34:23,210 --> 00:34:20,320

reason why this is dispersed all around

786

00:34:25,590 --> 00:34:23,220

the world is there's some very ancient

787

00:34:28,290 --> 00:34:25,600

civilizations or cultures that far

788

00:34:32,040 --> 00:34:28,300

predate Mesopotamia ancient Mesopotamia

789

00:34:35,130 --> 00:34:32,050

and Sumer far predate Egypt far predate

790

00:34:37,050 --> 00:34:35,140

ancient India because all those cultures

791

00:34:38,340 --> 00:34:37,060

are already using this system they must

792

00:34:40,160 --> 00:34:38,350

have come from something much more

793

00:34:42,270 --> 00:34:40,170

ancient nobody wants to consider

794

00:34:44,820 --> 00:34:42,280

something much more ancient that could

795

00:34:46,500 --> 00:34:44,830

also be advanced so they said no wait a

796

00:34:48,450 --> 00:34:46,510

minute that was only primitive humans or

797

00:34:50,580 --> 00:34:48,460

early humans they call them that'll mess

798

00:34:52,520 --> 00:34:50,590

up all our textbooks that show we

799

00:34:55,890 --> 00:34:52,530

basically lived in caves or we were

800

00:34:57,990 --> 00:34:55,900

pastoral or we were hunter-gatherers and

801
00:34:59,310 --> 00:34:58,000
then poof Egypt and Mesopotamia just

802
00:35:01,800 --> 00:34:59,320
spring out of the ground out of nowhere

803
00:35:04,500 --> 00:35:01,810
and they would say well dad you or your

804
00:35:06,540 --> 00:35:04,510
your obviously your you're exaggerating

805
00:35:09,420 --> 00:35:06,550
not a little bit but basically they say

806
00:35:11,850 --> 00:35:09,430
that yeah we just all of a sudden those

807
00:35:16,590 --> 00:35:11,860
cultures received what they had from

808
00:35:18,150 --> 00:35:16,600
somewhere probably far in the past and

809
00:35:19,710 --> 00:35:18,160
that would help explain what's going on

810
00:35:21,330 --> 00:35:19,720
around the world but that's also outside

811
00:35:23,400 --> 00:35:21,340
the paradigm but the paradigm is going

812
00:35:27,240 --> 00:35:23,410
to have to change because gobekli tepe

813
00:35:29,640 --> 00:35:27,250

kind of recently late 90s early 2000s

814

00:35:31,049 --> 00:35:29,650

through a giant crankshaft into it like

815

00:35:33,599 --> 00:35:31,059

hey how are you gonna explain this and

816

00:35:36,059 --> 00:35:33,609

they and so far the paradigm the

817

00:35:38,309 --> 00:35:36,069

existing paradigm cannot incorporate it

818

00:35:39,569 --> 00:35:38,319

and then just in paradigm has a problem

819

00:35:42,299 --> 00:35:39,579

with what I'm talking about too and

820

00:35:44,480 --> 00:35:42,309

that's why it's almost like when

821

00:35:46,799 --> 00:35:44,490

somebody's paradigm is threatened

822

00:35:49,109 --> 00:35:46,809

there's like blindness that actually

823

00:35:51,720 --> 00:35:49,119

sets in if your wife is cheating on you

824

00:35:53,670 --> 00:35:51,730

and it will take over your whole world

825

00:35:56,160 --> 00:35:53,680

your gut is going to know it before your

826

00:35:58,769 --> 00:35:56,170

mind admits it you're gonna actually be

827

00:36:01,259 --> 00:35:58,779

blind to the evidence while your gut is

828

00:36:03,420 --> 00:36:01,269

like I know something's going on and

829

00:36:04,589 --> 00:36:03,430

your mind is like I'm not gonna look I'm

830

00:36:06,779 --> 00:36:04,599

not going to look over there I'm not

831

00:36:08,099 --> 00:36:06,789

going to look over there so and I would

832

00:36:10,529 --> 00:36:08,109

say that when you're talking about

833

00:36:12,089 --> 00:36:10,539

conspiracy that's going on in the United

834

00:36:14,069 --> 00:36:12,099

States right now there's all kinds of

835

00:36:14,670 --> 00:36:14,079

evidence that people don't even want to

836

00:36:17,849 --> 00:36:14,680

look at

837

00:36:21,299 --> 00:36:17,859

well let's always always been the case

838

00:36:26,390 --> 00:36:21,309

gotta move on next story let's go to

839

00:36:29,549 --> 00:36:26,400

authentic self let's take self for 300

840

00:36:33,120 --> 00:36:29,559

ok 300 that's very conservative but I'd

841

00:36:37,200 --> 00:36:33,130

like the pig alright so what I would

842

00:36:39,120 --> 00:36:37,210

argue people might say man I I think I

843

00:36:40,739 --> 00:36:39,130

understand what he's saying that all the

844

00:36:42,450 --> 00:36:40,749

myths are based on the stars but why

845

00:36:45,210 --> 00:36:42,460

would they do that and why would

846

00:36:47,249 --> 00:36:45,220

somebody want to get rid of that I mean

847

00:36:49,920 --> 00:36:47,259

I don't usually emphasize the

848

00:36:54,089 --> 00:36:49,930

conspiratorial part too much but what I

849

00:36:55,859 --> 00:36:54,099

would argue is that the ancient wisdom

850

00:36:57,989 --> 00:36:55,869

that has given to the world that is

851
00:36:59,970 --> 00:36:57,999
given to virtually every culture on the

852
00:37:03,150 --> 00:36:59,980
planet like I said when I say I've

853
00:37:05,329 --> 00:37:03,160
written 5,000 pages are not bragging I'm

854
00:37:08,190 --> 00:37:05,339
saying there's so much evidence there

855
00:37:10,410 --> 00:37:08,200
that it's almost it's almost hard to

856
00:37:12,569 --> 00:37:10,420
write a short book about it my most

857
00:37:14,549 --> 00:37:12,579
recent book is 900 pages I don't you

858
00:37:16,470 --> 00:37:14,559
know it's not really the way you market

859
00:37:18,210 --> 00:37:16,480
a book but I wanted to show it all in

860
00:37:20,400 --> 00:37:18,220
one place but when I say I've written

861
00:37:22,410 --> 00:37:20,410
five thousand pages the next sentence is

862
00:37:24,690 --> 00:37:22,420
and I've only barely scratched the

863
00:37:26,039 --> 00:37:24,700

surface only barely scratch the surface

864

00:37:28,289 --> 00:37:26,049

there's plenty of cultures I haven't

865

00:37:31,099 --> 00:37:28,299

even gotten to there's plenty of stuff

866

00:37:33,809 --> 00:37:31,109

in one culture that could make ten books

867

00:37:36,390 --> 00:37:33,819

even one book of the Bible I could write

868

00:37:38,700 --> 00:37:36,400

a series just on the stories in Genesis

869

00:37:41,729 --> 00:37:38,710

in the connection to the stars let alone

870

00:37:43,380 --> 00:37:41,739

the Mahabharat of ancient India which is

871

00:37:44,880 --> 00:37:43,390

like seven times long

872

00:37:46,589 --> 00:37:44,890

in the Odyssey and the only had combined

873

00:37:48,059 --> 00:37:46,599

and it's all based on the Stars I would

874

00:37:50,609 --> 00:37:48,069

argue and I've shown some of those

875

00:37:52,130 --> 00:37:50,619

connections so when I say 5000 pages and

876

00:37:56,460 --> 00:37:52,140

it's only scratched the surface

877

00:38:01,289 --> 00:37:56,470

it's what I'm saying is every culture

878

00:38:03,380 --> 00:38:01,299

has this ancient wisdom what was it

879

00:38:08,250 --> 00:38:03,390

doing and why was it based on the Stars

880

00:38:09,779 --> 00:38:08,260

well at this point I've got some

881

00:38:13,710 --> 00:38:09,789

suggestions I'm not going to be dogmatic

882

00:38:16,319 --> 00:38:13,720

I can be dogmatic about the evidence and

883

00:38:18,240 --> 00:38:16,329

say look this constellation is clearly

884

00:38:20,910 --> 00:38:18,250

lining up with this and this and this

885

00:38:23,519 --> 00:38:20,920

what it means now we're getting into a

886

00:38:25,140 --> 00:38:23,529

little bit more of my interpretation but

887

00:38:27,450 --> 00:38:25,150

after studying it for 10 years pretty

888

00:38:31,829 --> 00:38:27,460

intensively I would argue that one of

889

00:38:37,049 --> 00:38:31,839

the things that's doing is conveying to

890

00:38:40,579 --> 00:38:37,059

us messages in an esoteric way like mr.

891

00:38:43,200 --> 00:38:40,589

Miyagi taught Danielson and conveying

892

00:38:45,299 --> 00:38:43,210

profound messages to us like mr. Miyagi

893

00:38:48,150 --> 00:38:45,309

taught daniel-san with wax on wax off

894

00:38:49,769 --> 00:38:48,160

something that seemed totally different

895

00:38:52,079 --> 00:38:49,779

from what he was actually teaching in

896

00:38:54,539 --> 00:38:52,089

was karate mr. Miyagi wasn't trying to

897

00:38:56,400 --> 00:38:54,549

hide karate from daniel-san he was

898

00:39:00,210 --> 00:38:56,410

trying to explain karate to daniel-san

899

00:39:04,740 --> 00:39:00,220

but it involved some things that were

900

00:39:06,990 --> 00:39:04,750

profound that were invisible so to speak

901
00:39:10,769 --> 00:39:07,000
hard to grasp and by the way daniel-san

902
00:39:13,109 --> 00:39:10,779
also came from he wasn't a very trusting

903
00:39:15,450 --> 00:39:13,119
individual because he'd been he he was a

904
00:39:18,180 --> 00:39:15,460
very doubting individual and he'd been

905
00:39:20,460 --> 00:39:18,190
burned a lot he was I might even argue

906
00:39:23,999 --> 00:39:20,470
traumatized and isolated from who he

907
00:39:26,069 --> 00:39:24,009
really was and but did the natural

908
00:39:29,339 --> 00:39:26,079
question that rises up this yeah who

909
00:39:32,099 --> 00:39:29,349
would do this yeah why would they do it

910
00:39:34,230 --> 00:39:32,109
in that way right right because because

911
00:39:37,470 --> 00:39:34,240
hold on because you talk about this I've

912
00:39:39,539 --> 00:39:37,480
heard so many interviews with you and we

913
00:39:41,130 --> 00:39:39,549

did an interview before and it seems

914

00:39:43,160 --> 00:39:41,140

like we get up to this point and we talk

915

00:39:45,450 --> 00:39:43,170

about all this great stuff and

916

00:39:47,970 --> 00:39:45,460

reintegrating with yourself and the

917

00:39:50,490 --> 00:39:47,980

twins and isn't that this which

918

00:39:53,670 --> 00:39:50,500

fantastic stuff I'm all into that beside

919

00:39:57,329 --> 00:39:53,680

me and that's me man been a spiritual

920

00:40:00,089 --> 00:39:57,339

seeker but what you're saying

921

00:40:02,969 --> 00:40:00,099

begs these questions of who would do

922

00:40:06,630 --> 00:40:02,979

this in such a manner as this because if

923

00:40:09,630 --> 00:40:06,640

we accept your 5000 pages then there was

924

00:40:12,749 --> 00:40:09,640

a this is like a very human kind of

925

00:40:15,420 --> 00:40:12,759

teaching you know this allegory with

926
00:40:18,410 --> 00:40:15,430
look at the stars when you look up here

927
00:40:22,079 --> 00:40:18,420
remember this story and then this story

928
00:40:26,039 --> 00:40:22,089
you should apply it this way that's not

929
00:40:28,499 --> 00:40:26,049
a thunderbolt near-death experience

930
00:40:31,650 --> 00:40:28,509
voice of God kind of stuff that's your

931
00:40:35,370 --> 00:40:31,660
second grade teacher kind of stuff who

932
00:40:39,059 --> 00:40:35,380
did this and why did they feel that was

933
00:40:41,390 --> 00:40:39,069
important to teach in this way this kind

934
00:40:46,170 --> 00:40:41,400
of perennial wisdom yeah good

935
00:40:48,539 --> 00:40:46,180
obviously it was quote-unquote a kung-fu

936
00:40:50,459 --> 00:40:48,549
master but not a kung-fu master but it's

937
00:40:53,130 --> 00:40:50,469
like mr. Murat you had mr. Miyagi had to

938
00:40:55,589 --> 00:40:53,140

be a master he already had to be he had

939

00:40:57,779 --> 00:40:55,599

to have karate or kung fu or whatever he

940

00:40:59,219 --> 00:40:57,789

was teaching in his bones to such a

941

00:41:01,709 --> 00:40:59,229

degree that he could say well how can I

942

00:41:05,690 --> 00:41:01,719

teach this to this guy I'll invent wax

943

00:41:08,309 --> 00:41:05,700

on wax off you already had to know

944

00:41:11,309 --> 00:41:08,319

profound things to come up with this

945

00:41:13,499 --> 00:41:11,319

system let me just say that now when you

946

00:41:14,099 --> 00:41:13,509

say it's like second grade stuff yeah

947

00:41:16,469 --> 00:41:14,109

maybe it is

948

00:41:19,979 --> 00:41:16,479

maybe a lot of our problems started in

949

00:41:22,109 --> 00:41:19,989

our second grade age or earlier because

950

00:41:23,969 --> 00:41:22,119

look given that's a given I'm just I

951

00:41:26,160 --> 00:41:23,979

don't want to get off on that thing I'm

952

00:41:29,700 --> 00:41:26,170

just saying in terms of these are not

953

00:41:31,559 --> 00:41:29,710

like you know quantum physics kind of

954

00:41:33,959 --> 00:41:31,569

stuff this is kind of basic kind of

955

00:41:36,779 --> 00:41:33,969

stuff so keep keep going but I want you

956

00:41:38,759 --> 00:41:36,789

also get what you know mr. Miyagi is

957

00:41:41,279 --> 00:41:38,769

visiting all that you know you gotta

958

00:41:45,089 --> 00:41:41,289

bring it back to the to the profundity

959

00:41:47,400 --> 00:41:45,099

of the totally busting the paradigm and

960

00:41:48,959 --> 00:41:47,410

the crankshaft and thousands of

961

00:41:50,849 --> 00:41:48,969

researchers are the round the world who

962

00:41:52,920 --> 00:41:50,859

don't get it I mean make that connection

963

00:41:55,289 --> 00:41:52,930

how do you have mr. Miyagi go into all

964

00:41:58,829 --> 00:41:55,299

these different places right so like I

965

00:42:01,079 --> 00:41:58,839

said before I don't actually believe

966

00:42:05,670 --> 00:42:01,089

that you have to have a mr. Miyagi

967

00:42:09,140 --> 00:42:05,680

figure or Quetzalcoatl figure moving

968

00:42:14,349 --> 00:42:09,150

from continent to continent distributing

969

00:42:17,150 --> 00:42:14,359

the same system it could also be from a

970

00:42:18,710 --> 00:42:17,160

very ancient civilization or ancient

971

00:42:21,410 --> 00:42:18,720

culture it could have been worldwide

972

00:42:23,690 --> 00:42:21,420

could have been in one area we don't

973

00:42:25,730 --> 00:42:23,700

know that was wiped out or nearly wiped

974

00:42:28,640 --> 00:42:25,740

out by a cataclysm and there's plenty of

975

00:42:30,740 --> 00:42:28,650

evidence on our planet for cataclysms

976

00:42:33,140 --> 00:42:30,750

whether there are solar flares like

977

00:42:34,880 --> 00:42:33,150

Professor Robert Schoch our use for

978

00:42:37,279 --> 00:42:34,890

solar activity could actually make the

979

00:42:38,420 --> 00:42:37,289

whole ground radioactive for decades

980

00:42:40,490 --> 00:42:38,430

where people have to actually live

981

00:42:43,039 --> 00:42:40,500

underground could have been some kind of

982

00:42:45,529 --> 00:42:43,049

impact from some sort of object in outer

983

00:42:46,849 --> 00:42:45,539

space like Graham Hancock and Randall

984

00:42:50,930 --> 00:42:46,859

Carlson have been talking a lot about

985

00:42:54,200 --> 00:42:50,940

recently that caused the remnants of

986

00:42:57,620 --> 00:42:54,210

that Cataclysm who had their memory of

987

00:42:59,329 --> 00:42:57,630

all this very profound and advanced and

988

00:43:01,069 --> 00:42:59,339

maybe they were also technologically

989

00:43:03,170 --> 00:43:01,079

advanced I mean we see all these giant

990

00:43:06,079 --> 00:43:03,180

stones all around the world and then

991

00:43:07,700 --> 00:43:06,089

they they had to basically live

992

00:43:09,710 --> 00:43:07,710

underground for a long time and then

993

00:43:11,930 --> 00:43:09,720

they repopulated or spread around and

994

00:43:14,150 --> 00:43:11,940

over the thousands of years the stories

995

00:43:16,099 --> 00:43:14,160

changed in different climates like you

996

00:43:17,390 --> 00:43:16,109

said the Norse myths have a very

997

00:43:19,069 --> 00:43:17,400

different feel from the myths of the

998

00:43:20,779 --> 00:43:19,079

Pacific for the myths of ancient India

999

00:43:22,160 --> 00:43:20,789

and they're living in a very different

1000

00:43:23,660 --> 00:43:22,170

climate that's probably the reason why

1001

00:43:25,910 --> 00:43:23,670

but they had a different culture and

1002

00:43:27,559 --> 00:43:25,920

different landscape that they were in

1003

00:43:29,510 --> 00:43:27,569

and different so their gods took on a

1004

00:43:31,789 --> 00:43:29,520

different flavor but an explanation

1005

00:43:34,609 --> 00:43:31,799

could be instead of someone going around

1006

00:43:36,500 --> 00:43:34,619

horizontally traveling in a boat across

1007

00:43:38,359 --> 00:43:36,510

the oceans that they all descend like

1008

00:43:40,339 --> 00:43:38,369

from a tree from some ancient

1009

00:43:42,799 --> 00:43:40,349

predecessor source that's now forgotten

1010

00:43:44,150 --> 00:43:42,809

and that potentially was wiped out or

1011

00:43:46,660 --> 00:43:44,160

nearly wiped out by some kind of

1012

00:43:48,920 --> 00:43:46,670

Cataclysm but let me also go back to

1013

00:43:51,049 --> 00:43:48,930

your point about well this is simple

1014

00:43:54,680 --> 00:43:51,059

second-grade stuff I would say look this

1015

00:43:56,930 --> 00:43:54,690

is profound mastery stuff let me just

1016

00:43:59,180 --> 00:43:56,940

say we're living in a culture that is

1017

00:44:01,910 --> 00:43:59,190

severely traumatized so we haven't got

1018

00:44:05,210 --> 00:44:01,920

this figured out if we've got millions

1019

00:44:06,650 --> 00:44:05,220

of people dying from addiction that's

1020

00:44:09,859 --> 00:44:06,660

because you're separated from your

1021

00:44:12,470 --> 00:44:09,869

authentic self is what the psychologists

1022

00:44:15,769 --> 00:44:12,480

and psychiatrists like dr. Gabor maté a

1023

00:44:19,400 --> 00:44:15,779

dr. Peter Levine say look I dealt with

1024

00:44:21,559 --> 00:44:19,410

addicts in downtown East Vancouver for

1025

00:44:22,360 --> 00:44:21,569

decades and I never met one single

1026
00:44:24,880 --> 00:44:22,370
addict

1027
00:44:26,830 --> 00:44:24,890
whoo it wasn't traumatized as a child I

1028
00:44:28,660 --> 00:44:26,840
never met one single female who came

1029
00:44:31,030 --> 00:44:28,670
into my clinic who wasn't actually

1030
00:44:36,130 --> 00:44:31,040
sexually abused as a child

1031
00:44:38,400 --> 00:44:36,140
so trauma the the the modern definition

1032
00:44:40,600 --> 00:44:38,410
of psychological trauma is actually

1033
00:44:42,070 --> 00:44:40,610
separation from your authentic self and

1034
00:44:44,590 --> 00:44:42,080
maybe some people are tuning out and

1035
00:44:47,380 --> 00:44:44,600
saying or just a minute I wasn't

1036
00:44:49,840 --> 00:44:47,390
traumatized the society we have that

1037
00:44:52,090 --> 00:44:49,850
came from that society that stamped out

1038
00:44:53,770 --> 00:44:52,100

all this ancient wisdom is a society

1039

00:44:56,680 --> 00:44:53,780

that traumatizes you whether it's on

1040

00:44:59,470 --> 00:44:56,690

purpose conspiratorial or just the way

1041

00:45:03,670 --> 00:44:59,480

it got set up it traumatizes people and

1042

00:45:05,350 --> 00:45:03,680

even if you didn't experience I would

1043

00:45:07,090 --> 00:45:05,360

say almost everybody experiences trauma

1044

00:45:08,770 --> 00:45:07,100

but if the ancient myths are talking

1045

00:45:11,560 --> 00:45:08,780

about reconnecting with your authentic

1046

00:45:13,900 --> 00:45:11,570

self then it must be even part of the

1047

00:45:16,000 --> 00:45:13,910

human condition that we lose connection

1048

00:45:18,040 --> 00:45:16,010

with our authentic self and I would say

1049

00:45:19,450 --> 00:45:18,050

that's not that be great if you learn

1050

00:45:21,550 --> 00:45:19,460

how to connect with your authentic self

1051
00:45:23,830 --> 00:45:21,560
as a second grader but I would say there

1052
00:45:26,440 --> 00:45:23,840
are CEOs of corporations successful

1053
00:45:28,180 --> 00:45:26,450
billionaires who get paid you know 300

1054
00:45:30,340 --> 00:45:28,190
million dollars a year who are separated

1055
00:45:32,530 --> 00:45:30,350
from our authentic self so this isn't a

1056
00:45:34,930 --> 00:45:32,540
small problem this is a huge issue

1057
00:45:36,760 --> 00:45:34,940
that's why people take yoga or get into

1058
00:45:38,320 --> 00:45:36,770
meditation because they're trying to

1059
00:45:40,720 --> 00:45:38,330
find their authentic self and I would

1060
00:45:43,270 --> 00:45:40,730
say that myths are part of that ancient

1061
00:45:44,830 --> 00:45:43,280
system to point us on how to reconnect

1062
00:45:47,140 --> 00:45:44,840
where they're authentic self so it's

1063
00:45:49,480 --> 00:45:47,150

like a huge issue and it'd be great if

1064

00:45:50,740 --> 00:45:49,490

you learned it by second grade but a big

1065

00:45:52,480 --> 00:45:50,750

part of the problem is we're all still

1066

00:45:57,760 --> 00:45:52,490

struggling with that that's what I would

1067

00:46:00,070 --> 00:45:57,770

says how's that does that I mean like we

1068

00:46:02,140 --> 00:46:00,080

can get it alive I'm all about authentic

1069

00:46:05,650 --> 00:46:02,150

self okay I'm all about reconnecting

1070

00:46:07,690 --> 00:46:05,660

with my authentic self I'm all about the

1071

00:46:11,710 --> 00:46:07,700

non-dual path which is the authentic

1072

00:46:13,960 --> 00:46:11,720

self in yoga right so it's like there is

1073

00:46:19,060 --> 00:46:13,970

the you and then there's the outside the

1074

00:46:23,110 --> 00:46:19,070

doer and you are not that but this is my

1075

00:46:25,660 --> 00:46:23,120

personal kind of 24/7 spiritual path

1076
00:46:28,600 --> 00:46:25,670
kind of thing what what interests me and

1077
00:46:30,700 --> 00:46:28,610
is challenging to me as well is that we

1078
00:46:33,580 --> 00:46:30,710
have to connect that with the the world

1079
00:46:36,280 --> 00:46:33,590
that we live in one thing I thought was

1080
00:46:40,600 --> 00:46:36,290
interesting about the traumatization is

1081
00:46:42,760 --> 00:46:40,610
we live in will you are part of your

1082
00:46:44,560 --> 00:46:42,770
culture from the beginning and I mean

1083
00:46:46,360 --> 00:46:44,570
you're gonna have to deconstruct that in

1084
00:46:49,210 --> 00:46:46,370
a way that we can understand it but you

1085
00:46:52,690 --> 00:46:49,220
were in the military you served and then

1086
00:46:54,520 --> 00:46:52,700
you taught and there is an ultimate

1087
00:46:56,290 --> 00:46:54,530
truth to what I have up on the screen

1088
00:46:58,150 --> 00:46:56,300

you want me on that wall you need me on

1089

00:47:01,120 --> 00:46:58,160

that wall is real right

1090

00:47:04,000 --> 00:47:01,130

so one that's real is that I live in my

1091

00:47:05,980 --> 00:47:04,010

phony baloney lifestyle because someone

1092

00:47:09,280 --> 00:47:05,990

else has taken care of that messy

1093

00:47:11,260 --> 00:47:09,290

killing people around the world to

1094

00:47:13,510 --> 00:47:11,270

quote-unquote keep me safe and if I

1095

00:47:15,190 --> 00:47:13,520

don't like that and I don't like the way

1096

00:47:16,660 --> 00:47:15,200

they're doing that then I can do it a

1097

00:47:18,790 --> 00:47:16,670

different way but history isn't very

1098

00:47:22,300 --> 00:47:18,800

kind to people who aren't aggressively

1099

00:47:25,180 --> 00:47:22,310

protecting their right to exist moreover

1100

00:47:27,490 --> 00:47:25,190

when you talk about trauma forget that

1101
00:47:31,050 --> 00:47:27,500
for a second and take about the what

1102
00:47:34,870 --> 00:47:31,060
I've heard people say we live by the

1103
00:47:37,900 --> 00:47:34,880
descendants of people who engaged in

1104
00:47:38,710 --> 00:47:37,910
hand-to-hand combat and murder on a mass

1105
00:47:43,060 --> 00:47:38,720
scale

1106
00:47:45,490 --> 00:47:43,070
they were the winners right so whether

1107
00:47:49,300 --> 00:47:45,500
it's the Vikings that came in there and

1108
00:47:52,570 --> 00:47:49,310
just mass killed everybody or Genghis

1109
00:47:55,180 --> 00:47:52,580
Khan who you know every or the Romans

1110
00:47:57,610 --> 00:47:55,190
you know behead that at ten heads and

1111
00:47:59,230 --> 00:47:57,620
leave one a lot I mean we are the

1112
00:48:02,020 --> 00:47:59,240
descendants of these mass murders so

1113
00:48:04,960 --> 00:48:02,030

there's there's enough trauma there so

1114

00:48:07,300 --> 00:48:04,970

I'm just not comfortable with quickly

1115

00:48:10,840 --> 00:48:07,310

putting all the pieces together because

1116

00:48:13,270 --> 00:48:10,850

of the Gemini constellation it has some

1117

00:48:17,010 --> 00:48:13,280

esoteric wisdom that we all should have

1118

00:48:19,840 --> 00:48:17,020

gotten on from the beginning okay

1119

00:48:21,610 --> 00:48:19,850

interesting lots of lots of stuff to

1120

00:48:25,660 --> 00:48:21,620

dive into so let me talk about you

1121

00:48:28,120 --> 00:48:25,670

talked you talked about we're all in

1122

00:48:31,540 --> 00:48:28,130

society and therefore you know we all

1123

00:48:33,760 --> 00:48:31,550

get a bunch of stuff laid on us whether

1124

00:48:36,010 --> 00:48:33,770

you went into that particular part of

1125

00:48:39,280 --> 00:48:36,020

society like the military yeah I

1126
00:48:43,660 --> 00:48:39,290
graduated from West Point and they use

1127
00:48:45,970 --> 00:48:43,670
some they use some stress based stress

1128
00:48:48,160 --> 00:48:45,980
based training during the beast barracks

1129
00:48:49,720 --> 00:48:48,170
and fleet year and

1130
00:48:51,400 --> 00:48:49,730
I could we could spend the rest of the

1131
00:48:53,770 --> 00:48:51,410
time talking about funny quote unquote

1132
00:48:55,390 --> 00:48:53,780
funny stories of stuff that they do to

1133
00:48:57,880 --> 00:48:55,400
you when they're screaming in your face

1134
00:48:59,650 --> 00:48:57,890
I graduated from Ranger School I

1135
00:49:01,780 --> 00:48:59,660
graduated from Airborne School I

1136
00:49:04,809 --> 00:49:01,790
graduated from the 82nd airborne as

1137
00:49:07,960 --> 00:49:04,819
jumpmaster school that's a particular

1138
00:49:12,359 --> 00:49:07,970

part of society that lays a grid on your

1139

00:49:14,680 --> 00:49:12,369

brain even more heavily maybe that other

1140

00:49:17,289 --> 00:49:14,690

societal pursuits that people could

1141

00:49:20,859 --> 00:49:17,299

engage in but the connection with

1142

00:49:22,420 --> 00:49:20,869

society is part of what separates us

1143

00:49:24,970 --> 00:49:22,430

from an authentic self and our goal all

1144

00:49:26,859 --> 00:49:24,980

the way back to the very earliest record

1145

00:49:30,700 --> 00:49:26,869

very earliest human record that we have

1146

00:49:32,200 --> 00:49:30,710

is the Gilgamesh well the Mesopotamian

1147

00:49:34,660 --> 00:49:32,210

clay tablets that were found in the

1148

00:49:36,819 --> 00:49:34,670

library of Ashurbanipal contained that

1149

00:49:40,720 --> 00:49:36,829

Gilgamesh Gilgamesh epic and in there

1150

00:49:44,170 --> 00:49:40,730

you've got Enkidu and Gilgamesh who are

1151

00:49:46,900 --> 00:49:44,180

almost twins but Enkidu is this wild man

1152

00:49:49,349 --> 00:49:46,910

he lives out in nature among the animals

1153

00:49:51,309 --> 00:49:49,359

he was naked he's covered with hair and

1154

00:49:54,970 --> 00:49:51,319

Gilgamesh is the king and he's

1155

00:49:56,319 --> 00:49:54,980

two-thirds divine and Enkidu lives among

1156

00:49:58,599 --> 00:49:56,329

the wild animals and he's connected with

1157

00:50:02,650 --> 00:49:58,609

the wild animals until he gets entangled

1158

00:50:05,589 --> 00:50:02,660

with society and the first part is

1159

00:50:08,140 --> 00:50:05,599

through sexual intercourse with the

1160

00:50:09,730 --> 00:50:08,150

temple prostitutes on both you see the

1161

00:50:11,109 --> 00:50:09,740

king is approached and said hey there's

1162

00:50:13,599 --> 00:50:11,119

a wild man out in the woods and don't

1163

00:50:16,569 --> 00:50:13,609

Ganesh says no problem just take this

1164

00:50:18,700 --> 00:50:16,579

beautiful temple prostitutes on pot out

1165

00:50:20,049 --> 00:50:18,710

there once she sleeps with them the

1166

00:50:21,490 --> 00:50:20,059

animals won't want anything to do with

1167

00:50:23,589 --> 00:50:21,500

him in fact he'll get tangled into

1168

00:50:25,450 --> 00:50:23,599

society and he'll he'll become one of us

1169

00:50:27,760 --> 00:50:25,460

which is exactly what happens and that

1170

00:50:31,900 --> 00:50:27,770

myth that most ancient tablet that we

1171

00:50:34,480 --> 00:50:31,910

have shows Enkidu after he sleeps with

1172

00:50:36,280 --> 00:50:34,490

her he finds the animals run away from

1173

00:50:39,069 --> 00:50:36,290

him he no longer has strength in his

1174

00:50:42,700 --> 00:50:39,079

legs to keep up with them but like in

1175

00:50:47,319 --> 00:50:42,710

the Rocky movie Nick says women ruined

1176
00:50:49,980 --> 00:50:47,329
legs rock back so that's what happens to

1177
00:50:54,280 --> 00:50:49,990
Enkidu he's like hmm I'm not the same

1178
00:50:56,770 --> 00:50:54,290
man I was before but now I'm getting a

1179
00:50:58,809 --> 00:50:56,780
haircut like Samson I'm starting to eat

1180
00:51:00,370 --> 00:50:58,819
bread and wine hmm where I've heard that

1181
00:51:01,440 --> 00:51:00,380
in other myths before that's the first

1182
00:51:03,569 --> 00:51:01,450
thing that is easy

1183
00:51:05,250 --> 00:51:03,579
and some people say well it's bread and

1184
00:51:07,020 --> 00:51:05,260
beer doesn't matter it's the same

1185
00:51:10,310 --> 00:51:07,030
constellations this is all related to

1186
00:51:13,140 --> 00:51:10,320
constellations but what it's showing is

1187
00:51:16,339 --> 00:51:13,150
once you're connected with society you

1188
00:51:19,920 --> 00:51:16,349

can't go back to the state of nature you

1189

00:51:22,140 --> 00:51:19,930

enkidu can't go back to being - you

1190

00:51:23,910 --> 00:51:22,150

can't undo it's like they said after

1191

00:51:25,980 --> 00:51:23,920

we've invented the atomic laws not

1192

00:51:28,140 --> 00:51:25,990

connecting with ourself connecting with

1193

00:51:30,060 --> 00:51:28,150

our authentic self is going back is the

1194

00:51:33,150 --> 00:51:30,070

journey back so it's actually a journey

1195

00:51:35,730 --> 00:51:33,160

yes but it's not back to Enkidu doesn't

1196

00:51:37,800 --> 00:51:35,740

end up where he was before he meets up

1197

00:51:40,380 --> 00:51:37,810

with Gilgamesh and actually I would

1198

00:51:44,099 --> 00:51:40,390

argue that Gilgamesh and Enkidu are not

1199

00:51:46,290 --> 00:51:44,109

two people castor and pollux one twin is

1200

00:51:49,859 --> 00:51:46,300

divine one twin is mortal they're not

1201

00:51:51,780 --> 00:51:49,869

two people it's like in I've been lately

1202

00:51:54,510 --> 00:51:51,790

using the Lord of the Rings Gandalf the

1203

00:51:56,490 --> 00:51:54,520

Grey before he follows with the Balrog

1204

00:51:59,099 --> 00:51:56,500

and Gandalf the light they're not two

1205

00:52:03,000 --> 00:51:59,109

people but he's different afterwards and

1206

00:52:05,430 --> 00:52:03,010

Gilgamesh and Enkidu they become so

1207

00:52:07,440 --> 00:52:05,440

close that they're as close as a husband

1208

00:52:09,410 --> 00:52:07,450

and a wife as what it says and modern

1209

00:52:12,660 --> 00:52:09,420

academia says oh good we can talk about

1210

00:52:14,190 --> 00:52:12,670

homoerotic ancient literature I would

1211

00:52:16,740 --> 00:52:14,200

say it's not homoerotic ancient

1212

00:52:19,920 --> 00:52:16,750

literature I'm not not saying you can't

1213

00:52:23,069 --> 00:52:19,930

see that in in literature but it's

1214

00:52:24,750 --> 00:52:23,079

actually - two sides of one person

1215

00:52:27,000 --> 00:52:24,760

that's why the Bible says there's a

1216

00:52:28,589 --> 00:52:27,010

friend that sticketh closer than a

1217

00:52:29,790 --> 00:52:28,599

brother it's closer than a brother

1218

00:52:32,040 --> 00:52:29,800

because it's in you

1219

00:52:34,620 --> 00:52:32,050

you have to refined your authentic self

1220

00:52:38,099 --> 00:52:34,630

in your mind you showed some pictures of

1221

00:52:42,089 --> 00:52:38,109

like Yogananda and meditation your mind

1222

00:52:44,040 --> 00:52:42,099

is not you it's part of you it's a tool

1223

00:52:47,370 --> 00:52:44,050

but it can run away with you

1224

00:52:50,640 --> 00:52:47,380

it can trick you your mind has to be put

1225

00:52:53,069 --> 00:52:50,650

in its place like my dog you know thinks

1226

00:52:54,839 --> 00:52:53,079

it owns the house and when a male man

1227

00:52:56,069 --> 00:52:54,849

comes up with a package my dog thinks he

1228

00:52:57,870 --> 00:52:56,079

has to defend the house and I have to

1229

00:52:59,640 --> 00:52:57,880

stay hold on you don't own the whole

1230

00:53:01,680 --> 00:52:59,650

house go sit over there that's what your

1231

00:53:04,980 --> 00:53:01,690

mind does your mind is this defense

1232

00:53:07,620 --> 00:53:04,990

mechanism that you developed because you

1233

00:53:10,010 --> 00:53:07,630

live in society and that defense

1234

00:53:12,660 --> 00:53:10,020

mechanism right but you know I could

1235

00:53:14,720 --> 00:53:12,670

thousands and thousands of people and

1236

00:53:17,000 --> 00:53:14,730

teachers who've spent

1237

00:53:19,880 --> 00:53:17,010

millions and millions of hours trying to

1238

00:53:22,580 --> 00:53:19,890

instruct people about these very things

1239

00:53:25,609 --> 00:53:22,590

you know this is the non-dual path this

1240

00:53:28,099 --> 00:53:25,619

is the the monkey mind sometimes they

1241

00:53:30,560 --> 00:53:28,109

call it in India now the problem with

1242

00:53:33,830 --> 00:53:30,570

that is you know we are gonna get really

1243

00:53:37,880 --> 00:53:33,840

particular because I do how to pronounce

1244

00:53:39,920 --> 00:53:37,890

you are on the path and I am on my own

1245

00:53:43,040 --> 00:53:39,930

path we can all only take this path

1246

00:53:46,280 --> 00:53:43,050

ourselves so I wouldn't agree with the

1247

00:53:48,710 --> 00:53:46,290

language I don't try in a boss my mind

1248

00:53:50,870 --> 00:53:48,720

around or wrestle with my mind or try

1249

00:53:54,340 --> 00:53:50,880

and control my mind I don't think that

1250

00:53:58,099 --> 00:53:54,350

works but that's a particular

1251
00:54:00,890 --> 00:53:58,109
understanding I have of my spiritual

1252
00:54:04,280 --> 00:54:00,900
path and how I do it what I'm trying to

1253
00:54:07,250 --> 00:54:04,290
really get to is trying to understand

1254
00:54:10,520 --> 00:54:07,260
that in relation to what you're talking

1255
00:54:13,300 --> 00:54:10,530
about in the star myth so you know David

1256
00:54:17,660 --> 00:54:13,310
you don't have to convince me that

1257
00:54:20,060 --> 00:54:17,670
number one the star myth hypothesis is

1258
00:54:23,780 --> 00:54:20,070
real you don't have to convince me that

1259
00:54:26,090 --> 00:54:23,790
it's hidden in plain sight from academic

1260
00:54:28,490 --> 00:54:26,100
stick-in-the-muds who this totally blows

1261
00:54:32,890 --> 00:54:28,500
their world away you don't have to

1262
00:54:36,440 --> 00:54:32,900
convince me that there is an perennial

1263
00:54:40,730 --> 00:54:36,450

esoteric wisdom that talks about

1264

00:54:44,630 --> 00:54:40,740

returning to our authentic self what you

1265

00:54:46,640 --> 00:54:44,640

do have to convince me about is late I

1266

00:54:48,500 --> 00:54:46,650

got a great I got a great figure let me

1267

00:54:52,940 --> 00:54:48,510

fill it up no I've already did that a

1268

00:54:54,590 --> 00:54:52,950

lot did it a male Ian's no it's like I

1269

00:54:59,120 --> 00:54:54,600

got off on the screen I'm not saying

1270

00:55:00,950 --> 00:54:59,130

it's aliens but it's aliens yep you went

1271

00:55:02,210 --> 00:55:00,960

ahead to a new topic before you let me

1272

00:55:04,670 --> 00:55:02,220

address in this stuff you said at the

1273

00:55:06,230 --> 00:55:04,680

start of this where you said I don't

1274

00:55:08,300 --> 00:55:06,240

believe you have to boss it around or

1275

00:55:09,890 --> 00:55:08,310

that's not how it works for my mind when

1276
00:55:12,920 --> 00:55:09,900
did I ever say you have to boss around

1277
00:55:14,300 --> 00:55:12,930
okay I said my dog I put him calmly in

1278
00:55:17,300 --> 00:55:14,310
his place that's like when you're

1279
00:55:20,030 --> 00:55:17,310
meditating look those spiritual teachers

1280
00:55:22,400 --> 00:55:20,040
that you're referring to they use my

1281
00:55:24,320 --> 00:55:22,410
teacher never taught meditation okay all

1282
00:55:25,790 --> 00:55:24,330
my teachers never taught meditation I

1283
00:55:26,450 --> 00:55:25,800
think man is you know what because you

1284
00:55:28,190 --> 00:55:26,460
know what

1285
00:55:30,020 --> 00:55:28,200
like so we could get into this whole

1286
00:55:31,670 --> 00:55:30,030
thing like I heard you say I'm yoga I've

1287
00:55:34,040 --> 00:55:31,680
done yoga for 35 years right

1288
00:55:36,260 --> 00:55:34,050

so I understand I go sit in ice bath six

1289

00:55:38,060 --> 00:55:36,270

days a week at 35 degrees temperature to

1290

00:55:40,220 --> 00:55:38,070

remind me that I'm not my mind you know

1291

00:55:42,530 --> 00:55:40,230

you have all sorts of disciplines you're

1292

00:55:44,359 --> 00:55:42,540

freaking Ranger you know what I mean you

1293

00:55:46,339 --> 00:55:44,369

understand the kind of things that you

1294

00:55:49,430 --> 00:55:46,349

do but I don't accept that as really

1295

00:55:50,810 --> 00:55:49,440

being part of my path if I was if I was

1296

00:55:52,820 --> 00:55:50,820

better I wouldn't have to sit in that

1297

00:55:54,589 --> 00:55:52,830

frickin ice bath to remind myself but

1298

00:55:57,200 --> 00:55:54,599

I'm kind of stupid so I have to go there

1299

00:55:58,910 --> 00:55:57,210

and go oh okay I'm not my body and my

1300

00:56:01,820 --> 00:55:58,920

mind can you amaura way and it doesn't

1301
00:56:04,790 --> 00:56:01,830
matter so we're going to talk that whole

1302
00:56:06,040 --> 00:56:04,800
discussion is like this you know we

1303
00:56:08,930 --> 00:56:06,050
could have a heart-to-heart three-hour

1304
00:56:11,060 --> 00:56:08,940
personal discussion about how we have

1305
00:56:14,300 --> 00:56:11,070
our own conception of our mind and how

1306
00:56:16,670 --> 00:56:14,310
it works so please I okay but before we

1307
00:56:18,950 --> 00:56:16,680
go to aliens I just want to say look and

1308
00:56:21,430 --> 00:56:18,960
I'm not prescribing any one path I'm

1309
00:56:25,550 --> 00:56:21,440
saying in the ancient world had

1310
00:56:27,140 --> 00:56:25,560
meditation it had drumming it had breath

1311
00:56:30,380 --> 00:56:27,150
control which I'm sure you do when you

1312
00:56:33,920 --> 00:56:30,390
get into the ice bath it had martial

1313
00:56:36,500 --> 00:56:33,930

arts and it had nits you don't have to

1314

00:56:38,480 --> 00:56:36,510

use you can become you can rediscover

1315

00:56:39,950 --> 00:56:38,490

your authentic self by many different

1316

00:56:41,660 --> 00:56:39,960

paths and you don't have to use the

1317

00:56:45,050 --> 00:56:41,670

myths either there's probably plenty of

1318

00:56:47,210 --> 00:56:45,060

masters of men and women who have

1319

00:56:48,650 --> 00:56:47,220

recovered their authentic self and never

1320

00:56:51,430 --> 00:56:48,660

used the myth but I'll tell you that

1321

00:56:55,520 --> 00:56:51,440

those teachers their yoga teachers like

1322

00:56:59,950 --> 00:56:55,530

the Ashtanga story of Patanjali

1323

00:57:02,660 --> 00:56:59,960

talks about him having serpent coils

1324

00:57:05,240 --> 00:57:02,670

coming down and having coils of a

1325

00:57:06,950 --> 00:57:05,250

serpent serpent like it's mythical it's

1326

00:57:09,950 --> 00:57:06,960

actually related to constellations we

1327

00:57:12,140 --> 00:57:09,960

could go into that myth but the the the

1328

00:57:14,420 --> 00:57:12,150

myths don't tell you to yell at your or

1329

00:57:15,770 --> 00:57:14,430

order your monkey mind around because

1330

00:57:17,990 --> 00:57:15,780

you're absolutely right it'll just get

1331

00:57:21,020 --> 00:57:18,000

stronger if you do if I yell at my dog

1332

00:57:23,570 --> 00:57:21,030

barked at me even worse but it shows

1333

00:57:27,349 --> 00:57:23,580

this in pictures like in the

1334

00:57:30,410 --> 00:57:27,359

bhagavad-gita where Arjun and his divine

1335

00:57:33,020 --> 00:57:30,420

charioteer Krishna are getting ready to

1336

00:57:35,030 --> 00:57:33,030

go into his battle of kuruksetra Arjun

1337

00:57:39,289 --> 00:57:35,040

is seized by doubt and wants to withdraw

1338

00:57:41,779 --> 00:57:39,299

just like doubting Thomas and Jesus or

1339

00:57:44,389 --> 00:57:41,789

like in the story of Eros and Psyche

1340

00:57:46,819 --> 00:57:44,399

psyche has all these doubts and she

1341

00:57:52,159 --> 00:57:46,829

loses her connection with arrows in this

1342

00:57:54,259 --> 00:57:52,169

ancient Greek myth and in Thomas Jesus

1343

00:57:55,849 --> 00:57:54,269

doesn't restore Thomas by yelling at him

1344

00:57:58,069 --> 00:57:55,859

and saying what a crappy disciple you

1345

00:58:01,309 --> 00:57:58,079

are you're the worst one you are so full

1346

00:58:03,199 --> 00:58:01,319

of doubt and and Krishna doesn't know

1347

00:58:05,479 --> 00:58:03,209

her origin from his doubts in the

1348

00:58:07,219 --> 00:58:05,489

Bhagavad Gita by saying you're fired

1349

00:58:08,689 --> 00:58:07,229

Arjun you're not even gonna be in this

1350

00:58:11,449 --> 00:58:08,699

battle I'll handle it

1351
00:58:13,999 --> 00:58:11,459
he restores him the way he restores them

1352
00:58:16,009 --> 00:58:14,009
helps us to understand the relationship

1353
00:58:18,709 --> 00:58:16,019
the proper relationship between our

1354
00:58:22,370 --> 00:58:18,719
higher self or our authentic self and

1355
00:58:23,929 --> 00:58:22,380
our egoic mind our egoic mind is full of

1356
00:58:26,749 --> 00:58:23,939
doubts because it's racing ahead into

1357
00:58:28,299 --> 00:58:26,759
the future or into the past and going

1358
00:58:31,009 --> 00:58:28,309
all over the place you know our

1359
00:58:33,949 --> 00:58:31,019
authentic self is just who we really are

1360
00:58:37,249 --> 00:58:33,959
it's our essence it's a your now mind

1361
00:58:39,249 --> 00:58:37,259
right it's the and so what I'm saying is

1362
00:58:42,409 --> 00:58:39,259
the myths show that in pictures and

1363
00:58:47,089 --> 00:58:42,419

extremely helpful show that in pictures

1364

00:58:50,209 --> 00:58:47,099

I don't disagree with some people some

1365

00:58:53,120 --> 00:58:50,219

people relate to miss I relate to this

1366

00:58:55,609 --> 00:58:53,130

in very simple logical terms you are not

1367

00:58:57,649 --> 00:58:55,619

what you observe anything you observe

1368

00:59:00,859 --> 00:58:57,659

that can't be you you must be something

1369

00:59:02,659 --> 00:59:00,869

else Oh light bulb goes off there's

1370

00:59:06,620 --> 00:59:02,669

another part of me that I didn't realize

1371

00:59:09,859 --> 00:59:06,630

non-dual apart so hey miss our great

1372

00:59:12,979 --> 00:59:09,869

stories are great you know that

1373

00:59:15,139 --> 00:59:12,989

throughout all this I mean the link that

1374

00:59:20,049 --> 00:59:15,149

I think you're making that is important

1375

00:59:23,870 --> 00:59:20,059

here is that you've done this exhaustive

1376

00:59:26,209 --> 00:59:23,880

important chronicling of these star

1377

00:59:31,159 --> 00:59:26,219

myths and how they're connected to all

1378

00:59:34,839 --> 00:59:31,169

these ancient civilizations it is not at

1379

00:59:38,359 --> 00:59:34,849

all surprising to me that those myths

1380

00:59:41,899 --> 00:59:38,369

correspond to spiritual teachers past

1381

00:59:43,909 --> 00:59:41,909

present and current you know present I

1382

00:59:45,379 --> 00:59:43,919

guess its current current teachers who

1383

00:59:46,939 --> 00:59:45,389

are saying the same thing from their

1384

00:59:48,829 --> 00:59:46,949

personal experience they're not saying

1385

00:59:52,189 --> 00:59:48,839

oh this was passed on to me they're

1386

00:59:52,580 --> 00:59:52,199

saying no I sat here I meditated I came

1387

00:59:55,570 --> 00:59:52,590

to the

1388

00:59:58,760 --> 00:59:55,580

realization and the realization matches

1389

01:00:04,460 --> 00:59:58,770

completely with what you're saying the

1390

01:00:07,670 --> 01:00:04,470

myths say so to me again we're maybe I'm

1391

01:00:10,040 --> 01:00:07,680

taking too much of it Tony but my point

1392

01:00:11,990 --> 01:00:10,050

is that that's the point that interests

1393

01:00:14,720 --> 01:00:12,000

me you don't have to teach me about

1394

01:00:18,020 --> 01:00:14,730

authentic self integration kind of thing

1395

01:00:20,120 --> 01:00:18,030

I mean like I say I'm 24/7 tell me what

1396

01:00:25,460 --> 01:00:20,130

why where that's coming from

1397

01:00:28,160 --> 01:00:25,470

well who and why these star myths that

1398

01:00:29,750 --> 01:00:28,170

we can't date back that far why they

1399

01:00:31,700 --> 01:00:29,760

exist and you maybe you felt like you

1400

01:00:33,560 --> 01:00:31,710

handled that when you said you sit in

1401

01:00:36,470 --> 01:00:33,570

place where you say there was some

1402

01:00:38,750 --> 01:00:36,480

ancient civilization and they wanted to

1403

01:00:40,280 --> 01:00:38,760

do that I would then even ask see but

1404

01:00:43,160 --> 01:00:40,290

then that generates to me an interesting

1405

01:00:44,810 --> 01:00:43,170

question why would they why would they

1406

01:00:47,360 --> 01:00:44,820

do that because at the same time you

1407

01:00:49,220 --> 01:00:47,370

know if you really look at the some of

1408

01:00:52,580 --> 01:00:49,230

the evidence that's come up about Mars

1409

01:00:55,160 --> 01:00:52,590

right it looks like from a number of

1410

01:00:57,110 --> 01:00:55,170

different points of reference here one

1411

01:00:57,890 --> 01:00:57,120

being the remote viewing of Joe

1412

01:00:59,810 --> 01:00:57,900

mcmoneagle

1413

01:01:03,500 --> 01:00:59,820

who I think is like one of the top

1414

01:01:06,020 --> 01:01:03,510

remote viewers in the world you know

1415

01:01:07,970 --> 01:01:06,030

secret spy number zero zero zero and

1416

01:01:10,330 --> 01:01:07,980

then I just interviewed Courtney brown

1417

01:01:13,220 --> 01:01:10,340

who's currently a remote viewer both

1418

01:01:15,800 --> 01:01:13,230

same thing independently remote view

1419

01:01:18,140 --> 01:01:15,810

Mars ancient civilization maybe our

1420

01:01:19,880 --> 01:01:18,150

ancestors and then I got John

1421

01:01:21,920 --> 01:01:19,890

Brandenburg where I was interviewed and

1422

01:01:25,790 --> 01:01:21,930

he says hey I take it from a physicists

1423

01:01:27,830 --> 01:01:25,800

standpoint ancient traces hundreds of

1424

01:01:31,910 --> 01:01:27,840

millions of years ago of a nuclear

1425

01:01:35,840 --> 01:01:31,920

explosion on Mars that Lee has all the

1426

01:01:38,480 --> 01:01:35,850

signatures of a bomb so I just throw

1427

01:01:41,530 --> 01:01:38,490

that out because it establishes another

1428

01:01:44,930 --> 01:01:41,540

data point there is the potential that

1429

01:01:46,940 --> 01:01:44,940

there are some ancient civilizations

1430

01:01:49,940 --> 01:01:46,950

that are off planet there's one that's

1431

01:01:51,740 --> 01:01:49,950

close by and and that that comes up over

1432

01:01:53,510 --> 01:01:51,750

and over again I had a slide up there of

1433

01:01:55,460 --> 01:01:53,520

the Dogon right so you go talk to the

1434

01:01:58,220 --> 01:01:55,470

Dogon but you talk to all sorts of star

1435

01:01:59,810 --> 01:01:58,230

uh indigenous people and I just had an

1436

01:02:01,640 --> 01:01:59,820

expert on and we're all saying the same

1437

01:02:03,650 --> 01:02:01,650

thing star people star people star

1438

01:02:05,990 --> 01:02:03,660

people they came and they passed on this

1439

01:02:08,810 --> 01:02:06,000

wisdom so if you want to say the

1440

01:02:10,760 --> 01:02:08,820

you stand apart from that and say no I

1441

01:02:12,800 --> 01:02:10,770

don't go there I don't think that's

1442

01:02:15,650 --> 01:02:12,810

necessary I think it could have been an

1443

01:02:17,750 --> 01:02:15,660

ancient civilization that was Atlantean

1444

01:02:19,970 --> 01:02:17,760

and was buried under the rocks for

1445

01:02:21,380 --> 01:02:19,980

30,000 years fine I just want to know

1446

01:02:24,050 --> 01:02:21,390

what you think about that because to me

1447

01:02:27,650 --> 01:02:24,060

it seems that all the evidence points

1448

01:02:29,840 --> 01:02:27,660

towards alien visitation alien genetic

1449

01:02:32,450 --> 01:02:29,850

engineering alien passing along

1450

01:02:37,010 --> 01:02:32,460

intelligence but then that that raises a

1451

01:02:39,380 --> 01:02:37,020

bunch of questions - all right so once

1452

01:02:40,790 --> 01:02:39,390

again I do want to get to the thing that

1453

01:02:42,320 --> 01:02:40,800

you ended with but the thing that you

1454

01:02:44,090 --> 01:02:42,330

said at the beginning at the very

1455

01:02:45,890 --> 01:02:44,100

beginning of this question that your

1456

01:02:48,860 --> 01:02:45,900

framing you said I got it

1457

01:02:51,680 --> 01:02:48,870

I'm 24/7 so you don't have to convince

1458

01:02:53,450 --> 01:02:51,690

me about connection with the authentic

1459

01:02:55,130 --> 01:02:53,460

self but I would say this ties into the

1460

01:03:00,350 --> 01:02:55,140

whole story and we'll get to the aliens

1461

01:03:03,050 --> 01:03:00,360

in a second it ties in because we are

1462

01:03:07,430 --> 01:03:03,060

not living in a society I would say

1463

01:03:10,390 --> 01:03:07,440

these myths were given to uplift men and

1464

01:03:12,560 --> 01:03:10,400

women prevent oppression prevent tyranny

1465

01:03:14,150 --> 01:03:12,570

there are people who would argue with me

1466

01:03:16,430 --> 01:03:14,160

about that and say no these myths are

1467

01:03:19,250 --> 01:03:16,440

meant to bind you into religion but hold

1468

01:03:21,140 --> 01:03:19,260

on so okay yeah good I think they're

1469

01:03:23,570 --> 01:03:21,150

there to uplift people it's great that

1470

01:03:25,190 --> 01:03:23,580

you're 24/7 but there also has to be a

1471

01:03:27,470 --> 01:03:25,200

societal component we want to uplift

1472

01:03:29,170 --> 01:03:27,480

others as well or we should at least be

1473

01:03:33,230 --> 01:03:29,180

saying wait a minute

1474

01:03:35,780 --> 01:03:33,240

after the 101 and at the off-ramp

1475

01:03:39,250 --> 01:03:35,790

I see tent after tent after tent of

1476

01:03:43,550 --> 01:03:39,260

people who are homeless what's going on

1477

01:03:46,760 --> 01:03:43,560

the there's our society is not we're not

1478

01:03:50,360 --> 01:03:46,770

all 24/7 reconnecting with our authentic

1479

01:03:52,280 --> 01:03:50,370

self our society is actually engineered

1480

01:03:53,990 --> 01:03:52,290

to disconnect you from Erath in excel so

1481

01:03:56,420 --> 01:03:54,000

you're looking for solutions outside of

1482

01:03:58,160 --> 01:03:56,430

yourself by consuming this or buying

1483

01:04:00,920 --> 01:03:58,170

that or maybe the next person I date

1484

01:04:03,140 --> 01:04:00,930

will will solve my problems and it's

1485

01:04:06,020 --> 01:04:03,150

outside of you and we're endlessly

1486

01:04:07,310 --> 01:04:06,030

rushing after a solution that's outside

1487

01:04:08,330 --> 01:04:07,320

even a lot of people are going to point

1488

01:04:09,410 --> 01:04:08,340

to you and say what are you talking

1489

01:04:12,730 --> 01:04:09,420

about you are part of this

1490

01:04:14,930 --> 01:04:12,740

military-industrial complex that has us

1491

01:04:16,790 --> 01:04:14,940

dominating the world and living our

1492

01:04:18,240 --> 01:04:16,800

phony baloney lifestyle by basically

1493

01:04:20,370 --> 01:04:18,250

oppressing everyone else

1494

01:04:22,320 --> 01:04:20,380

world and that's what we've done now you

1495

01:04:25,440 --> 01:04:22,330

want to stand apart from that I mean I

1496

01:04:27,599 --> 01:04:25,450

don't know I'm certainly not in the

1497

01:04:29,880 --> 01:04:27,609

military right now and I wasn't one of

1498

01:04:31,650 --> 01:04:29,890

the guys at the top I tell you that I'm

1499

01:04:33,660 --> 01:04:31,660

a part of it I'm a part of it I was

1500

01:04:35,609 --> 01:04:33,670

never in the military but I don't want

1501

01:04:37,470 --> 01:04:35,619

to give up everything you know by virtue

1502

01:04:41,609 --> 01:04:37,480

of the fact that we don't want to give

1503

01:04:43,080 --> 01:04:41,619

up what we have I just that's a whole

1504

01:04:45,300 --> 01:04:43,090

other discussion and when you start

1505

01:04:48,300 --> 01:04:45,310

talking about societal changes there are

1506

01:04:50,970 --> 01:04:48,310

a group of people who always stood aside

1507

01:04:54,390 --> 01:04:50,980

and said you guys can go play whatever

1508

01:04:56,520 --> 01:04:54,400

game you want with this world I am NOT I

1509

01:04:58,050 --> 01:04:56,530

am in this world but I'm not of that

1510

01:04:59,490 --> 01:04:58,060

world that's the only thing that makes

1511

01:05:01,260 --> 01:04:59,500

sense for me because as soon as you want

1512

01:05:02,760 --> 01:05:01,270

to start going handed out money to

1513

01:05:04,230 --> 01:05:02,770

people in tents then you got a bunch of

1514

01:05:06,030 --> 01:05:04,240

other people I mean I don't know how you

1515

01:05:08,070 --> 01:05:06,040

solve that from if you want to go there

1516

01:05:09,300 --> 01:05:08,080

let's go there but it doesn't make a lot

1517

01:05:11,390 --> 01:05:09,310

of sense to be over there but let's

1518

01:05:14,010 --> 01:05:11,400

let's go back to the military point

1519

01:05:16,170 --> 01:05:14,020

there's a proper use for the military

1520

01:05:20,520 --> 01:05:16,180

there's a proper use for strength

1521

01:05:22,859 --> 01:05:20,530

violence or force and swords and spears

1522

01:05:26,370 --> 01:05:22,869

and now we have rifles and other things

1523

01:05:29,760 --> 01:05:26,380

and that's to protect people protect the

1524

01:05:32,089 --> 01:05:29,770

weak if I am protecting other people if

1525

01:05:35,160 --> 01:05:32,099

someone is about to be raped or murdered

1526

01:05:37,260 --> 01:05:35,170

and I come in and stop them that's a

1527

01:05:38,730 --> 01:05:37,270

proper use of force if I'm using it to

1528

01:05:40,770 --> 01:05:38,740

go around and rape and murder people

1529

01:05:42,300 --> 01:05:40,780

that's an improper use of force and I

1530

01:05:43,349 --> 01:05:42,310

would draw a distinction between those

1531

01:05:46,290 --> 01:05:43,359

two things and when I was in the

1532

01:05:48,570 --> 01:05:46,300

military I thought that the US Army was

1533

01:05:50,700 --> 01:05:48,580

for defending democracy peace and

1534

01:05:52,680 --> 01:05:50,710

freedom by the way I have not yet

1535

01:05:54,720 --> 01:05:52,690

learned all I've learned about the myths

1536

01:05:57,270 --> 01:05:54,730

in fact I hadn't even started down this

1537

01:05:58,290 --> 01:05:57,280

path when I got out of the Army and I'll

1538

01:05:59,970 --> 01:05:58,300

tell you that what I've learned about

1539

01:06:02,970 --> 01:05:59,980

the myths have changed a lot of the

1540

01:06:05,310 --> 01:06:02,980

things I believe I was a literalist

1541

01:06:08,160 --> 01:06:05,320

Christian at that time I'm no longer a

1542

01:06:09,599 --> 01:06:08,170

littlest Christian I no longer believe

1543

01:06:10,980 --> 01:06:09,609

that the military is being used for

1544

01:06:12,720 --> 01:06:10,990

defending peace and freedom and

1545

01:06:14,579 --> 01:06:12,730

democracy around the world it shouldn't

1546

01:06:17,099 --> 01:06:14,589

go there we can go there but the

1547

01:06:18,630 --> 01:06:17,109

military is not being used to protect

1548

01:06:20,940 --> 01:06:18,640

this country it's being used to take

1549

01:06:24,420 --> 01:06:20,950

over other countries and take their

1550

01:06:25,920 --> 01:06:24,430

resources Afghanistan is not going to

1551
01:06:29,640 --> 01:06:25,930
invade us and yet we've been there for

1552
01:06:31,859 --> 01:06:29,650
18 years but what I'm saying is I don't

1553
01:06:35,069 --> 01:06:31,869
disagree I don't deny that there

1554
01:06:37,739 --> 01:06:35,079
a proper role for forced and militaries

1555
01:06:40,019 --> 01:06:37,749
my favorite of the ancient myths is

1556
01:06:42,960 --> 01:06:40,029
probably the Odyssey Odysseus was a

1557
01:06:46,109 --> 01:06:42,970
badass fighter right but Odysseus

1558
01:06:48,359 --> 01:06:46,119
we see in that we see in that epic we

1559
01:06:50,039 --> 01:06:48,369
actually see him to his mind we see his

1560
01:06:52,319 --> 01:06:50,049
mind running away from them at certain

1561
01:06:56,549 --> 01:06:52,329
points where he starts to panic and then

1562
01:06:58,739 --> 01:06:56,559
Athena shows up and inspires him and he

1563
01:07:01,920 --> 01:06:58,749

stops panicking and gets back to the

1564

01:07:03,839 --> 01:07:01,930

moment and actually survives and in time

1565

01:07:06,390 --> 01:07:03,849

after time in that book he would have

1566

01:07:09,690 --> 01:07:06,400

perished when he met Circe he would have

1567

01:07:10,950 --> 01:07:09,700

perished when he met still and Charybdis

1568

01:07:12,329 --> 01:07:10,960

he would have perished when he went down

1569

01:07:14,759 --> 01:07:12,339

into the underworld all these different

1570

01:07:17,759 --> 01:07:14,769

times but he had help from Hermes or

1571

01:07:19,670 --> 01:07:17,769

help from Athena what is that so I'm

1572

01:07:22,079 --> 01:07:19,680

saying if you want to be a better

1573

01:07:25,559 --> 01:07:22,089

basketball player at the top of your

1574

01:07:28,259 --> 01:07:25,569

game or a better you know any human

1575

01:07:32,579 --> 01:07:28,269

endeavor martial arts or military arts

1576

01:07:35,609 --> 01:07:32,589

you you will do better if your higher

1577

01:07:39,089 --> 01:07:35,619

mind or your authentic mind and your

1578

01:07:41,059 --> 01:07:39,099

egoic mind that is able to go into the

1579

01:07:43,349 --> 01:07:41,069

future in the past are in harmony and

1580

01:07:45,479 --> 01:07:43,359

you will you will be able to realize

1581

01:07:47,099 --> 01:07:45,489

your potential better now what do you do

1582

01:07:49,410 --> 01:07:47,109

with that potential hopefully you do

1583

01:07:52,140 --> 01:07:49,420

things like defending the weak and

1584

01:07:53,609 --> 01:07:52,150

helpless rather than oppressing that

1585

01:07:55,109 --> 01:07:53,619

weak and helpless so I think there's

1586

01:07:56,729 --> 01:07:55,119

there's an individual component and

1587

01:07:58,739 --> 01:07:56,739

there's a societal component so I didn't

1588

01:08:01,019 --> 01:07:58,749

want to I didn't want to leave that

1589

01:08:02,640 --> 01:08:01,029

behind when you were saying hey this is

1590

01:08:06,420 --> 01:08:02,650

all great and we're in agreement that we

1591

01:08:07,979 --> 01:08:06,430

should be working on you know ice baths

1592

01:08:09,420 --> 01:08:07,989

or whatever it is that helps you get

1593

01:08:10,979 --> 01:08:09,430

into touch with your authentic self I

1594

01:08:12,930 --> 01:08:10,989

totally agree with that but I also don't

1595

01:08:14,849 --> 01:08:12,940

think that we should as you said drop

1596

01:08:16,200 --> 01:08:14,859

out from society completely and said

1597

01:08:18,180 --> 01:08:16,210

well it's great I'm reaching

1598

01:08:22,649 --> 01:08:18,190

enlightenment to heck with the guys who

1599

01:08:25,200 --> 01:08:22,659

are I'm saying I can't do that I'm but I

1600

01:08:27,899 --> 01:08:25,210

am saying you can do that I'm saying you

1601
01:08:29,939 --> 01:08:27,909
know what become more godlike and

1602
01:08:32,070 --> 01:08:29,949
everything takes care of itself you

1603
01:08:34,610 --> 01:08:32,080
don't have to get in to figure out what

1604
01:08:37,439 --> 01:08:34,620
would Jesus do just become like Jesus

1605
01:08:38,879 --> 01:08:37,449
maybe we'll do like Jesus you don't need

1606
01:08:40,289 --> 01:08:38,889
to figure it out you don't need to

1607
01:08:42,629 --> 01:08:40,299
figure out how to solve the homeless

1608
01:08:43,860 --> 01:08:42,639
problem or how to solve geopolitical

1609
01:08:45,510 --> 01:08:43,870
problems you don't need to do any of

1610
01:08:47,700 --> 01:08:45,520
that just be a better

1611
01:08:49,289 --> 01:08:47,710
are you and then you will act

1612
01:08:52,470 --> 01:08:49,299
accordingly and however you act you know

1613
01:08:54,690 --> 01:08:52,480

whether you're like you know my good

1614

01:08:56,670 --> 01:08:54,700

friend Rick our trip but if guess what

1615

01:08:58,620 --> 01:08:56,680

who doesn't show with five hundred shows

1616

01:09:01,170 --> 01:08:58,630

with spiritual teachers but can't wrap

1617

01:09:02,880 --> 01:09:01,180

his head around the climate change scam

1618

01:09:05,400 --> 01:09:02,890

and how that's just designed to

1619

01:09:07,590 --> 01:09:05,410

eliminate rights and take rights away so

1620

01:09:09,360 --> 01:09:07,600

if you're a lot an alarmist like he is

1621

01:09:11,160 --> 01:09:09,370

or if you're like I am and take more

1622

01:09:12,990 --> 01:09:11,170

kind of hey I don't know why they're

1623

01:09:14,700 --> 01:09:13,000

playing this game I don't know why they

1624

01:09:16,860 --> 01:09:14,710

did nine eleven I don't know why they

1625

01:09:19,050 --> 01:09:16,870

did the the coup that was the Kennedy

1626

01:09:20,789 --> 01:09:19,060

assassination I don't know why the

1627

01:09:23,190 --> 01:09:20,799

pedophile rings you know in the

1628

01:09:24,780 --> 01:09:23,200

blackmail rings I don't know that I

1629

01:09:26,970 --> 01:09:24,790

don't want to close my eyes from it

1630

01:09:29,070 --> 01:09:26,980

pretend it doesn't exist I agree with

1631

01:09:33,660 --> 01:09:29,080

you on the military thing our best hope

1632

01:09:36,750 --> 01:09:33,670

is the US Navy commercials a force for

1633

01:09:39,300 --> 01:09:36,760

good that's our best hope is to hold to

1634

01:09:41,579 --> 01:09:39,310

that ideal even if it's not true even if

1635

01:09:43,769 --> 01:09:41,589

we know it's we have to say you

1636

01:09:45,120 --> 01:09:43,779

know what we had some guys back a couple

1637

01:09:46,410 --> 01:09:45,130

hundred years ago that founded this

1638

01:09:49,140 --> 01:09:46,420

country they had some pretty damn good

1639

01:09:51,269 --> 01:09:49,150

ideas and they were like everyone just

1640

01:09:54,180 --> 01:09:51,279

has their own rights and then they'll do

1641

01:09:57,720 --> 01:09:54,190

the right stuff and you know so I'm just

1642

01:10:01,170 --> 01:09:57,730

saying I don't I don't buy the leap too

1643

01:10:02,880 --> 01:10:01,180

you know trust me on all because this

1644

01:10:05,400 --> 01:10:02,890

has been used to exploit people and

1645

01:10:08,520 --> 01:10:05,410

manipulate people and create cults is

1646

01:10:10,950 --> 01:10:08,530

hey don't you agree with everything I'm

1647

01:10:13,380 --> 01:10:10,960

saying about your authentic self now

1648

01:10:17,070 --> 01:10:13,390

what we're gonna do is this social

1649

01:10:20,820 --> 01:10:17,080

movement no pause I'm glad you're going

1650

01:10:23,160 --> 01:10:20,830

there Alex because you're clearly and

1651

01:10:24,030 --> 01:10:23,170

you asked me the last time and you

1652

01:10:27,240 --> 01:10:24,040

mentioned it when you talk about

1653

01:10:30,180 --> 01:10:27,250

Josaphat well the word SIOF right you've

1654

01:10:33,500 --> 01:10:30,190

used that word SIOF and our cults were

1655

01:10:36,090 --> 01:10:33,510

the coats that suddenly popped up a

1656

01:10:37,830 --> 01:10:36,100

PSYOP meaning were they more than just

1657

01:10:41,010 --> 01:10:37,840

an organic cult that just popped up it

1658

01:10:43,020 --> 01:10:41,020

was it possible that there were agencies

1659

01:10:45,960 --> 01:10:43,030

that were giving some of those cult

1660

01:10:47,520 --> 01:10:45,970

leaders cover like telling the police

1661

01:10:50,630 --> 01:10:47,530

well don't arrest that guy out in the

1662

01:10:52,890 --> 01:10:50,640

desert who's firing off machine guns you

1663

01:10:54,240 --> 01:10:52,900

know and the police are like why not

1664

01:10:55,590 --> 01:10:54,250

he's firing off machine guns

1665

01:10:57,810 --> 01:10:55,600

well I don't know but someone higher up

1666

01:10:59,069 --> 01:10:57,820

said don't touch him and then it turns

1667

01:11:01,770 --> 01:10:59,079

out it was Charles Manson

1668

01:11:03,419 --> 01:11:01,780

and the family hmm what's up with that

1669

01:11:06,450 --> 01:11:03,429

so the Colts actually is an interesting

1670

01:11:09,680 --> 01:11:06,460

point because what I told you about the

1671

01:11:12,180 --> 01:11:09,690

higher self in the the psyche when eros

1672

01:11:14,490 --> 01:11:12,190

restores psyche he doesn't destroy

1673

01:11:17,810 --> 01:11:14,500

psyche the Colts are like you need to

1674

01:11:20,180 --> 01:11:17,820

get rid of your your mind you mean

1675

01:11:23,790 --> 01:11:20,190

they're there they're a subtle

1676

01:11:26,100 --> 01:11:23,800

distortion or twisting of what the

1677

01:11:27,569 --> 01:11:26,110

ancient myths are trying to do instead

1678

01:11:31,709 --> 01:11:27,579

of uplifting you they're actually trying

1679

01:11:33,720 --> 01:11:31,719

to turn you into a slave but and you

1680

01:11:35,959 --> 01:11:33,730

mentioned Kennedy and all these things

1681

01:11:38,879 --> 01:11:35,969

I'm not sure if you were saying that

1682

01:11:41,569 --> 01:11:38,889

just if you get in touch maybe you were

1683

01:11:45,479 --> 01:11:41,579

posing this as an argument that others

1684

01:11:48,180 --> 01:11:45,489

do that others do that you think is a

1685

01:11:50,580 --> 01:11:48,190

false argument well if I get in touch

1686

01:11:53,069 --> 01:11:50,590

with myself that's the best I can do and

1687

01:11:55,649 --> 01:11:53,079

society will take care of itself and I

1688

01:11:57,839 --> 01:11:55,659

would say there's a societal component

1689

01:12:00,510 --> 01:11:57,849

to it that we as citizens men and women

1690

01:12:02,700 --> 01:12:00,520

can say to our government yes look I

1691

01:12:04,229 --> 01:12:02,710

swore an oath to support and defend the

1692

01:12:06,540 --> 01:12:04,239

Constitution in the United States

1693

01:12:07,830 --> 01:12:06,550

I'm totally dialed into the Constitution

1694

01:12:10,200 --> 01:12:07,840

in the United States but I'll tell you

1695

01:12:11,790 --> 01:12:10,210

that things that are going on like the

1696

01:12:13,560 --> 01:12:11,800

invasion of your privacy when your

1697

01:12:17,850 --> 01:12:13,570

iPhone is listening to you or Facebook

1698

01:12:19,530 --> 01:12:17,860

is writing down your conversations is a

1699

01:12:20,850 --> 01:12:19,540

violation of the Constitution in the

1700

01:12:23,760 --> 01:12:20,860

United States and Facebook as a

1701

01:12:26,220 --> 01:12:23,770

corporation gets certain privileges from

1702

01:12:27,810 --> 01:12:26,230

the government such as limited liability

1703

01:12:29,310 --> 01:12:27,820

such as a corporate charter and the

1704

01:12:31,939 --> 01:12:29,320

people of the United States can say you

1705

01:12:34,680 --> 01:12:31,949

know what I don't really like

1706

01:12:36,240 --> 01:12:34,690

corporations taking all my data and

1707

01:12:38,490 --> 01:12:36,250

listening to every single thing I say I

1708

01:12:40,350 --> 01:12:38,500

don't think that's right Congress

1709

01:12:41,910 --> 01:12:40,360

representatives in Congress please pull

1710

01:12:43,350 --> 01:12:41,920

their corporate charter or take away

1711

01:12:45,359 --> 01:12:43,360

their limited liability because that's

1712

01:12:48,270 --> 01:12:45,369

extended by society and when you have a

1713

01:12:50,939 --> 01:12:48,280

when you have a predator like Jeffrey

1714

01:12:55,260 --> 01:12:50,949

Epstein allowed out on the streets for

1715

01:12:57,330 --> 01:12:55,270

decades and preying upon the weakest you

1716

01:13:00,290 --> 01:12:57,340

know young girls who are under the age

1717

01:13:02,970 --> 01:13:00,300

of consent so there's no there's no

1718

01:13:05,729 --> 01:13:02,980

hiring of a prostitute that's what he

1719

01:13:08,040 --> 01:13:05,739

was quote-unquote convicted for in 2008

1720

01:13:10,200 --> 01:13:08,050

there's a little you can't have a

1721

01:13:11,850 --> 01:13:10,210

prostitute who's 14 15 or 16 because

1722

01:13:12,800 --> 01:13:11,860

they're under the age of consent in

1723

01:13:17,890 --> 01:13:12,810

Florida where this

1724

01:13:20,600 --> 01:13:17,900

happen so citizens can say hey I

1725

01:13:22,940 --> 01:13:20,610

meditate or i dunk myself in an ice bath

1726

01:13:26,140 --> 01:13:22,950

and I get in touch with my authentic

1727

01:13:28,910 --> 01:13:26,150

self but at the same time I demand that

1728

01:13:30,920 --> 01:13:28,920

the social contract is the reason we

1729

01:13:32,270 --> 01:13:30,930

have police and military and allow them

1730

01:13:33,950 --> 01:13:32,280

to have machine guns when I'm not

1731

01:13:36,230 --> 01:13:33,960

allowed to have an m60 in my house

1732

01:13:37,760 --> 01:13:36,240

machine gun they get to have it why

1733

01:13:39,590 --> 01:13:37,770

because of the social contract and part

1734

01:13:42,580 --> 01:13:39,600

of that social contract is keeping

1735

01:13:45,170 --> 01:13:42,590

predators off the street and if I see

1736

01:13:49,790 --> 01:13:45,180

evidence that there's like predators

1737

01:13:51,650 --> 01:13:49,800

being protected and allowed then I think

1738

01:13:53,570 --> 01:13:51,660

as citizens you also have to get

1739

01:13:55,130 --> 01:13:53,580

involved in that and demand just a

1740

01:13:57,260 --> 01:13:55,140

minute I demand that my 14 year old

1741

01:14:00,770 --> 01:13:57,270

daughter be protected from pedophiles is

1742

01:14:03,200 --> 01:14:00,780

that too much to ask no it's not I don't

1743

01:14:06,650 --> 01:14:03,210

know all I'm saying it though I guess my

1744

01:14:08,930 --> 01:14:06,660

point was and I mean this is the kind of

1745

01:14:10,460 --> 01:14:08,940

world here that we're talking about I

1746

01:14:13,040 --> 01:14:10,470

mean everything in the world is coming

1747

01:14:14,840 --> 01:14:13,050

up in this conversation and that's why I

1748

01:14:17,750 --> 01:14:14,850

keep trying to bring it back to star

1749

01:14:22,400 --> 01:14:17,760

myths because that's your thing

1750

01:14:24,920 --> 01:14:22,410

because like I can't tell people how to

1751

01:14:28,100 --> 01:14:24,930

process all the stuff that you just

1752

01:14:29,210 --> 01:14:28,110

processed because I sound like just

1753

01:14:32,090 --> 01:14:29,220

another idiot

1754

01:14:33,880 --> 01:14:32,100

old man with a bunch of opinions that

1755

01:14:36,920 --> 01:14:33,890

are different from anyone else's opinion

1756

01:14:39,920 --> 01:14:36,930

what I can relate to about what you're

1757

01:14:42,350 --> 01:14:39,930

saying is anyone who is on the journey

1758

01:14:44,450 --> 01:14:42,360

as I'm the spiritual journey is I'm

1759

01:14:47,390 --> 01:14:44,460

connecting with their authentic self

1760

01:14:50,630 --> 01:14:47,400

will organically come to the right

1761

01:14:54,410 --> 01:14:50,640

positions but I have to tell you I know

1762

01:14:56,480 --> 01:14:54,420

people who are on that path and they

1763

01:14:58,040 --> 01:14:56,490

come to some pretty weird conclusions

1764

01:15:00,760 --> 01:14:58,050

that are very different than the

1765

01:15:02,690 --> 01:15:00,770

conclusions I did and all I can say is I

1766

01:15:05,120 --> 01:15:02,700

brought on to you

1767

01:15:06,440 --> 01:15:05,130

my man because you know what that

1768

01:15:09,170 --> 01:15:06,450

journey I don't know where it's taking

1769

01:15:11,360 --> 01:15:09,180

you but that person grew up they are

1770

01:15:13,730 --> 01:15:11,370

clearly you're on that journey so I

1771

01:15:17,360 --> 01:15:13,740

don't know this gets into the nature of

1772

01:15:20,900 --> 01:15:17,370

evil question which i think is related

1773

01:15:22,430 --> 01:15:20,910

to these questions that we've been

1774

01:15:25,430 --> 01:15:22,440

talking about I mean that's a question

1775

01:15:26,430 --> 01:15:25,440

that is interesting to me I won't say

1776

01:15:29,130 --> 01:15:26,440

it's important because

1777

01:15:32,490 --> 01:15:29,140

I have some pretty fixed understandings

1778

01:15:34,740 --> 01:15:32,500

of that but who and why in terms of the

1779

01:15:37,860 --> 01:15:34,750

MIT ancient myths the who and why are

1780

01:15:40,530 --> 01:15:37,870

the big questions to me and then what is

1781

01:15:43,979 --> 01:15:40,540

the relation between that force that

1782

01:15:46,080 --> 01:15:43,989

energy that knowledge and the evil

1783

01:15:46,979 --> 01:15:46,090

because we do see evil so you know

1784

01:15:49,380 --> 01:15:46,989

Jeffrey Epstein

1785

01:15:53,070 --> 01:15:49,390

yada-yada we talked about him forever I

1786

01:15:56,220 --> 01:15:53,080

had an FBI agent on and who infiltrated

1787

01:15:58,740 --> 01:15:56,230

NAMBLA because interesting because

1788

01:16:01,110 --> 01:15:58,750

Jeffrey Epstein is too easy for people

1789

01:16:02,580 --> 01:16:01,120

to kind of relate to and yeah having

1790

01:16:04,410 --> 01:16:02,590

Trump ran around and I picked up some

1791

01:16:06,689 --> 01:16:04,420

young girls maybe they're too young now

1792

01:16:10,320 --> 01:16:06,699

go to NAMBLA go to NAMBLA where they

1793

01:16:13,740 --> 01:16:10,330

trade in four year old boys three year

1794

01:16:16,470 --> 01:16:13,750

old girls and then when they're done

1795

01:16:20,520 --> 01:16:16,480

they trade them off and then they make

1796

01:16:23,700 --> 01:16:20,530

films and then they ultimately kill in a

1797

01:16:26,130 --> 01:16:23,710

lot of cases so the reason I even go

1798

01:16:27,810 --> 01:16:26,140

there is not to kind of shock people or

1799

01:16:31,229 --> 01:16:27,820

anything like that is to say if you have

1800

01:16:32,850 --> 01:16:31,239

any doubts about the existence of each

1801

01:16:35,550 --> 01:16:32,860

evil I won't even go to the nature of

1802

01:16:39,150 --> 01:16:35,560

you but the existence of evil then that

1803

01:16:41,750 --> 01:16:39,160

kind of brings you oh okay I get it that

1804

01:16:44,400 --> 01:16:41,760

is of a different ilk that isn't just

1805

01:16:48,810 --> 01:16:44,410

something that we can easily understand

1806

01:16:50,640 --> 01:16:48,820

that is a force that we do see over and

1807

01:16:55,050 --> 01:16:50,650

over again so what is the relationship

1808

01:16:57,689 --> 01:16:55,060

between that force and a perennial

1809

01:16:59,459 --> 01:16:57,699

wisdom of the of the myths that's the

1810

01:17:01,680 --> 01:16:59,469

kind of stuff I'm interested in yeah

1811

01:17:04,800 --> 01:17:01,690

absolutely and the reason I raised the

1812

01:17:07,860 --> 01:17:04,810

Jeffrey Epstein issue is to say was to

1813

01:17:09,330 --> 01:17:07,870

point out that you can't there's nobody

1814

01:17:10,920 --> 01:17:09,340

who could argue that if I just get in

1815

01:17:13,020 --> 01:17:10,930

touch with my Higher Self whether I do

1816

01:17:17,220 --> 01:17:13,030

it through meditation drumming ice baths

1817

01:17:19,920 --> 01:17:17,230

yoga or whatever method then predators

1818

01:17:22,290 --> 01:17:19,930

will will be kept off the street what

1819

01:17:23,760 --> 01:17:22,300

I'm saying is you've got to have a

1820

01:17:26,310 --> 01:17:23,770

social component as well as a

1821

01:17:27,959 --> 01:17:26,320

self-improvement component because if I

1822

01:17:30,620 --> 01:17:27,969

just worry about self-improving

1823

01:17:33,600 --> 01:17:30,630

and think that that's gonna somehow stop

1824

01:17:36,080 --> 01:17:33,610

horrendous systemic dramatization of

1825

01:17:39,990 --> 01:17:36,090

children by NAMBLA or Jeffrey Epstein

1826
01:17:40,319 --> 01:17:40,000
then you're wrong so it gets tricky some

1827
01:17:43,010 --> 01:17:40,329
people

1828
01:17:45,410 --> 01:17:43,020
even tell you that in the grander

1829
01:17:47,819 --> 01:17:45,420
spiritual scheme of things including

1830
01:17:49,770 --> 01:17:47,829
reincarnation and souls that there is

1831
01:17:51,859 --> 01:17:49,780
some contract and this is all playing

1832
01:17:54,750 --> 01:17:51,869
out in a way that we don't completely

1833
01:17:57,780 --> 01:17:54,760
understand so that the victims and the

1834
01:17:59,970 --> 01:17:57,790
perpetrators are actors changing roles

1835
01:18:05,100 --> 01:17:59,980
now I don't get into that

1836
01:18:06,780 --> 01:18:05,110
I don't endorse that belief but I think

1837
01:18:09,419 --> 01:18:06,790
there's an element of that that is

1838
01:18:12,390 --> 01:18:09,429

somewhat undeniable even when we look at

1839

01:18:14,280 --> 01:18:12,400

our own history and how things emerge

1840

01:18:16,439 --> 01:18:14,290

for us and stuff like that so the only

1841

01:18:19,680 --> 01:18:16,449

thing I'd say with that is you know

1842

01:18:22,589 --> 01:18:19,690

again I'm treading lightly when someone

1843

01:18:24,990 --> 01:18:22,599

says you know grab the pitchforks and

1844

01:18:27,689 --> 01:18:25,000

the torches because God is on our side

1845

01:18:30,930 --> 01:18:27,699

on this one it's more like you know

1846

01:18:33,030 --> 01:18:30,940

everyone's on a journey and I wouldn't

1847

01:18:36,209 --> 01:18:33,040

want to be Jeffrey Epstein and facing

1848

01:18:38,250 --> 01:18:36,219

his near-death experience or his after

1849

01:18:42,899 --> 01:18:38,260

death experience and his life review

1850

01:18:45,839 --> 01:18:42,909

where he feels the emotions and the the

1851

01:18:47,700 --> 01:18:45,849

the feelings that he's inflicted on

1852

01:18:49,979 --> 01:18:47,710

other people I wouldn't want to be that

1853

01:18:53,819 --> 01:18:49,989

guy right now but beyond that in terms

1854

01:18:56,580 --> 01:18:53,829

of you know how I balance all the the

1855

01:18:58,439 --> 01:18:56,590

massive scales I don't know how to do it

1856

01:19:01,680 --> 01:18:58,449

yeah so I'm glad you brought that up

1857

01:19:05,100 --> 01:19:01,690

because if like you said there God is on

1858

01:19:08,580 --> 01:19:05,110

our side if if you're I would argue that

1859

01:19:13,709 --> 01:19:08,590

if you're using your beliefs to justify

1860

01:19:16,470 --> 01:19:13,719

the violation of other people's rights

1861

01:19:19,530 --> 01:19:16,480

then that's a form of mind control if

1862

01:19:21,660 --> 01:19:19,540

you're saying well we can overlook the

1863

01:19:24,680 --> 01:19:21,670

abuse and traumatization of those young

1864

01:19:28,319 --> 01:19:24,690

children sexual abuse physical abuse

1865

01:19:32,459 --> 01:19:28,329

because of this passage in this

1866

01:19:35,669 --> 01:19:32,469

scripture or that belief then you're

1867

01:19:38,189 --> 01:19:35,679

twisting it because the the ancient

1868

01:19:40,319 --> 01:19:38,199

myths show that their gods work their

1869

01:19:42,060 --> 01:19:40,329

will out through men and women their men

1870

01:19:44,549 --> 01:19:42,070

and women are precious every single

1871

01:19:46,080 --> 01:19:44,559

person is so if you're using it to

1872

01:19:48,240 --> 01:19:46,090

violate the rights of someone else

1873

01:19:50,490 --> 01:19:48,250

you're turning it upside down and that's

1874

01:19:52,350 --> 01:19:50,500

what I think actually happened with the

1875

01:19:54,110 --> 01:19:52,360

imposition of literalist Christianity

1876

01:19:57,000 --> 01:19:54,120

and wiping out the ancient

1877

01:19:59,460 --> 01:19:57,010

ancient beliefs in Europe starting with

1878

01:20:01,050 --> 01:19:59,470

the Greek and Roman gods but as you said

1879

01:20:02,640 --> 01:20:01,060

proceeding through the Druids and

1880

01:20:04,920 --> 01:20:02,650

working their way up to the Norse myths

1881

01:20:07,320 --> 01:20:04,930

and then starting to jump the ocean and

1882

01:20:08,820 --> 01:20:07,330

saying oh we better stamp out all the

1883

01:20:10,320 --> 01:20:08,830

beliefs of the Maya we better stand

1884

01:20:13,050 --> 01:20:10,330

about the beliefs of the North American

1885

01:20:14,880 --> 01:20:13,060

Native American nations we better stamp

1886

01:20:17,970 --> 01:20:14,890

out what's going on in the Pacific

1887

01:20:22,110 --> 01:20:17,980

Islands this has been stamping out in

1888

01:20:24,350 --> 01:20:22,120

order to excuse and justify well see I

1889

01:20:27,300 --> 01:20:24,360

would say that the gifts of the earth

1890

01:20:28,740 --> 01:20:27,310

like oil that's under the earth

1891

01:20:32,160 --> 01:20:28,750

the ancient Greeks would say well that's

1892

01:20:33,540 --> 01:20:32,170

a gift of pluton or Hades everything

1893

01:20:36,600 --> 01:20:33,550

under the earth all the riches of the

1894

01:20:38,220 --> 01:20:36,610

earth are given to that nation those

1895

01:20:40,020 --> 01:20:38,230

people that were allowed to be born

1896

01:20:42,300 --> 01:20:40,030

there by the gods and if I'm an oil

1897

01:20:44,280 --> 01:20:42,310

company I say I want to drill in your

1898

01:20:47,550 --> 01:20:44,290

country and the people of that country

1899

01:20:50,310 --> 01:20:47,560

say great that'll be 30 percent tax to

1900

01:20:53,370 --> 01:20:50,320

us for the riches of the gods that

1901

01:20:55,800 --> 01:20:53,380

you're taking out and the oil company

1902

01:20:58,170 --> 01:20:55,810

says hey politicians could you take care

1903

01:20:59,910 --> 01:20:58,180

of these pesky guys in that country who

1904

01:21:02,010 --> 01:20:59,920

are saying we have to pay a 30 percent

1905

01:21:03,630 --> 01:21:02,020

tax to them oh no problem

1906

01:21:05,580 --> 01:21:03,640

we'll get our guy installed in there

1907

01:21:07,500 --> 01:21:05,590

he'll collaborate with us we'll get that

1908

01:21:09,060 --> 01:21:07,510

tax down to two percent and if there's

1909

01:21:10,650 --> 01:21:09,070

any pesky peasants in the way of where

1910

01:21:12,750 --> 01:21:10,660

you want to drill we've got ways of

1911

01:21:15,300 --> 01:21:12,760

moving them out of the way - so so I

1912

01:21:17,720 --> 01:21:15,310

think this is actually all related the

1913

01:21:20,670 --> 01:21:17,730

the to the

1914

01:21:22,830 --> 01:21:20,680

all these issues but if you're excusing

1915

01:21:25,260 --> 01:21:22,840

look we've created a society that

1916

01:21:28,830 --> 01:21:25,270

traumatizes people and you just told me

1917

01:21:30,600 --> 01:21:28,840

about a group that systematically

1918

01:21:32,730 --> 01:21:30,610

trumpet Isis people or we have this

1919

01:21:35,370 --> 01:21:32,740

Epstein character who is systematically

1920

01:21:37,170 --> 01:21:35,380

traumatizing people I'm saying you've

1921

01:21:39,270 --> 01:21:37,180

got less resistance from the people if

1922

01:21:42,420 --> 01:21:39,280

they're all traumatized you've got less

1923

01:21:45,480 --> 01:21:42,430

ability for the Constitution to work and

1924

01:21:48,390 --> 01:21:45,490

for self-rule to stop predators if

1925

01:21:50,070 --> 01:21:48,400

everybody's traumatized so I'm not

1926

01:21:53,490 --> 01:21:50,080

denying far from it that there's

1927

01:21:54,240 --> 01:21:53,500

conspiracy type stuff involved in what

1928

01:21:58,050 --> 01:21:54,250

I'm talking about

1929

01:22:01,710 --> 01:21:58,060

the traumatization of the world by

1930

01:22:04,020 --> 01:22:01,720

literalness christianity is a topic they

1931

01:22:07,470 --> 01:22:04,030

basically slaughtered all the Native

1932

01:22:09,090 --> 01:22:07,480

Americans they justified slavery instead

1933

01:22:11,130 --> 01:22:09,100

and the david we're talking about the

1934

01:22:12,540 --> 01:22:11,140

whole world now so we're gonna get over

1935

01:22:15,000 --> 01:22:12,550

to china and we're going to talk about

1936

01:22:17,760 --> 01:22:15,010

the chai calm craziness right which is

1937

01:22:19,410 --> 01:22:17,770

worse in a lot of respects i don't want

1938

01:22:21,540 --> 01:22:19,420

to go to China right now I don't want to

1939

01:22:23,760 --> 01:22:21,550

be I don't want chai calm to run things

1940

01:22:26,490 --> 01:22:23,770

they don't have a little literalist

1941

01:22:28,500 --> 01:22:26,500

Christian interpretation they jumped on

1942

01:22:32,670 --> 01:22:28,510

the other bandwagon and are doing the

1943

01:22:36,990 --> 01:22:32,680

atheistic communist you know I

1944

01:22:39,270 --> 01:22:37,000

mean so to me that I don't I don't get

1945

01:22:42,930 --> 01:22:39,280

the connection that you're that you're

1946

01:22:44,220 --> 01:22:42,940

making there that's without getting back

1947

01:22:47,040 --> 01:22:44,230

to that without getting back to the

1948

01:22:48,900 --> 01:22:47,050

question that I'm asking is okay

1949

01:22:50,850 --> 01:22:48,910

who are they why are they here and

1950

01:22:52,740 --> 01:22:50,860

what's their connection whatever okay so

1951

01:22:54,180 --> 01:22:52,750

let me go to the nothing to go to the

1952

01:22:56,729 --> 01:22:54,190

aliens you know you put up the

1953

01:22:58,979 --> 01:22:56,739

interesting picture of Giorgio tsoukalos

1954

01:23:01,110 --> 01:22:58,989

there and I've met him that contact in

1955

01:23:03,810 --> 01:23:01,120

the desert and the point on the alien

1956

01:23:05,640 --> 01:23:03,820

thing is there's a ton of evidence that

1957

01:23:07,680 --> 01:23:05,650

points in that direction well we want to

1958

01:23:10,050 --> 01:23:07,690

go there you don't have to go there but

1959

01:23:13,229 --> 01:23:10,060

you can't deny that there's just a ton

1960

01:23:16,590 --> 01:23:13,239

of evidence you know part of your thing

1961

01:23:18,420 --> 01:23:16,600

is that and this is like another minor

1962

01:23:21,060 --> 01:23:18,430

point but it's one that I'd like to hear

1963

01:23:23,670 --> 01:23:21,070

you can't comment on we all understand

1964

01:23:26,310 --> 01:23:23,680

that people are in Stonehenge and

1965

01:23:29,040 --> 01:23:26,320

they're looking up at the stars we did

1966

01:23:32,040 --> 01:23:29,050

that but what it's a little detailed

1967

01:23:33,600 --> 01:23:32,050

point it's a David Matheson point they

1968

01:23:35,780 --> 01:23:33,610

weren't just looking at the Stars

1969

01:23:38,550 --> 01:23:35,790

they were looking at the constellations

1970

01:23:41,130 --> 01:23:38,560

right so constellations don't mean

1971

01:23:44,220 --> 01:23:41,140

anything but there's no independent

1972

01:23:46,530 --> 01:23:44,230

meaning of the constellations why do

1973

01:23:50,250 --> 01:23:46,540

they build these megalithic structures

1974

01:23:52,470 --> 01:23:50,260

to look at constellations well because

1975

01:23:56,940 --> 01:23:52,480

the constellations as you're telling us

1976

01:23:58,710 --> 01:23:56,950

have meaning oh that that's that kind of

1977

01:24:00,570 --> 01:23:58,720

changes the whole thing right because

1978

01:24:03,180 --> 01:24:00,580

when you hear the kind of standard tripe

1979

01:24:06,510 --> 01:24:03,190

about Stonehenge it's like well that's

1980

01:24:08,580 --> 01:24:06,520

your lunar eclipse and all that goes out

1981

01:24:10,290 --> 01:24:08,590

the window as soon as you say that they

1982

01:24:13,020 --> 01:24:10,300

were aligning with constellations same

1983

01:24:14,820 --> 01:24:13,030

thing with the Giza pyramids right Orion

1984

01:24:17,820 --> 01:24:14,830

I didn't know my god they aligned up

1985

01:24:20,070 --> 01:24:17,830

Orion by that and the other image I have

1986

01:24:20,780 --> 01:24:20,080

up here is the Dogon right so you go to

1987

01:24:23,450 --> 01:24:20,790

the Dogon

1988

01:24:28,190 --> 01:24:23,460

they say yeah well we did that cuz the

1989

01:24:30,650 --> 01:24:28,200

star people Sirius came down and told us

1990

01:24:32,390 --> 01:24:30,660

that so we have all this stuff that

1991

01:24:35,450 --> 01:24:32,400

lines up and in all points in the same

1992

01:24:39,010 --> 01:24:35,460

direction in each n aliens and then you

1993

01:24:41,240 --> 01:24:39,020

you seem super resistant to going there

1994

01:24:42,890 --> 01:24:41,250

y-yeah so I'm not actually resisted

1995

01:24:46,130 --> 01:24:42,900

going there so you people can go to my

1996

01:24:47,600 --> 01:24:46,140

blog and search for Dogon and find blog

1997

01:24:49,970 --> 01:24:47,610

posts I've written about the Dogon is

1998

01:24:51,740 --> 01:24:49,980

more than one the Dogon people more than

1999

01:24:53,870 --> 01:24:51,750

one blog post and people can go and

2000

01:24:56,420 --> 01:24:53,880

search on my blog for ancient aliens and

2001

01:24:58,520 --> 01:24:56,430

find not just blog post but videos I've

2002

01:25:02,630 --> 01:24:58,530

made about it so here's why because I

2003

01:25:06,460 --> 01:25:02,640

would argue that star people or these

2004

01:25:08,900 --> 01:25:06,470

encounters don't necessarily equal

2005

01:25:10,460 --> 01:25:08,910

extraterrestrials I'm not ruling that

2006

01:25:12,440 --> 01:25:10,470

out as a possibility if I'm an

2007

01:25:14,480 --> 01:25:12,450

investigator if I'm Sherlock Holmes I

2008

01:25:15,950 --> 01:25:14,490

don't go into the investigation saying

2009

01:25:18,890 --> 01:25:15,960

well I'm gonna rule out the possibility

2010

01:25:20,630 --> 01:25:18,900

that the butler did it

2011

01:25:22,250 --> 01:25:20,640

I'm not also gonna rule out the

2012

01:25:23,960 --> 01:25:22,260

possibility that the police might be in

2013

01:25:28,790 --> 01:25:23,970

on it I'm gonna have all those options

2014

01:25:32,920 --> 01:25:28,800

open but I'll tell you that what I think

2015

01:25:34,760 --> 01:25:32,930

is possible is that all this amazing

2016

01:25:37,100 --> 01:25:34,770

correspondences that we're talking about

2017

01:25:39,710 --> 01:25:37,110

the connections to the stars around the

2018

01:25:42,170 --> 01:25:39,720

world and the megalithic monuments I

2019

01:25:44,540 --> 01:25:42,180

mean first of all the building of the

2020

01:25:46,670 --> 01:25:44,550

Great Pyramid they're slinging around

2021

01:25:48,590 --> 01:25:46,680

some big blocks and there's still

2022

01:25:50,450 --> 01:25:48,600

controversy as to how those blocks got

2023

01:25:52,520 --> 01:25:50,460

put up at those Heights because the

2024

01:25:55,370 --> 01:25:52,530

ramps would have to be twice as big as

2025

01:25:56,900 --> 01:25:55,380

the pyramids if it was ramps but not

2026

01:25:59,450 --> 01:25:56,910

only that like you said they're

2027

01:26:01,040 --> 01:25:59,460

perfectly aligned almost perfectly

2028

01:26:03,230 --> 01:26:01,050

aligned north south east and west and

2029

01:26:06,740 --> 01:26:03,240

there are alignments with the shafts to

2030

01:26:09,950 --> 01:26:06,750

certain stars and there's even this is a

2031

01:26:12,110 --> 01:26:09,960

mind-blower proportional relationships

2032

01:26:14,600 --> 01:26:12,120

between the size of our spherical earth

2033

01:26:16,610 --> 01:26:14,610

and the size of the Great Pyramid and

2034

01:26:18,740 --> 01:26:16,620

people and people who are skeptical of

2035

01:26:20,480 --> 01:26:18,750

that might say yeah Dave there's

2036

01:26:22,490 --> 01:26:20,490

proportions between your house and the

2037

01:26:25,670 --> 01:26:22,500

size of the spherical earth we just have

2038

01:26:27,740 --> 01:26:25,680

to find the right memorably divide by

2039

01:26:29,390 --> 01:26:27,750

and we'll get the proportion yeah but

2040

01:26:33,919 --> 01:26:29,400

they're proportional to the size of the

2041

01:26:36,110 --> 01:26:33,929

earth by the number for 43,200

2042

01:26:38,510 --> 01:26:36,120

which is a precessional number which

2043

01:26:40,520 --> 01:26:38,520

relates to the precession of the

2044

01:26:42,470 --> 01:26:40,530

equinoxes the precession of the stars

2045

01:26:45,050 --> 01:26:42,480

and takes it's very hard to even figure

2046

01:26:47,330 --> 01:26:45,060

out the precessional constant it takes

2047

01:26:49,160 --> 01:26:47,340

years and years I still don't understand

2048

01:26:51,680 --> 01:26:49,170

why you don't accept DT you kind of

2049

01:26:54,050 --> 01:26:51,690

brush past at the point oh I don't

2050

01:26:56,270 --> 01:26:54,060

accept eyes it's not the evidence is

2051
01:26:59,330 --> 01:26:56,280
overwhelming now with it so we have the

2052
01:27:01,970 --> 01:26:59,340
dod videos of these aircraft and I have

2053
01:27:04,040 --> 01:27:01,980
the guy on the the UFOs I don't know how

2054
01:27:05,510 --> 01:27:04,050
people get to UFOs and accept that

2055
01:27:08,390 --> 01:27:05,520
there's UFOs that do these things we

2056
01:27:10,370 --> 01:27:08,400
can't do that a human being can't do and

2057
01:27:14,630 --> 01:27:10,380
that they're powered by somebody but

2058
01:27:17,810 --> 01:27:14,640
it's you won't go to et I like Jacques

2059
01:27:19,580 --> 01:27:17,820
valet who's no stranger in the head jock

2060
01:27:21,680 --> 01:27:19,590
filet on the show you know Jacques filet

2061
01:27:23,290 --> 01:27:21,690
throws that stuff out there and that's

2062
01:27:27,979 --> 01:27:23,300
great but that's just kind of

2063
01:27:29,630 --> 01:27:27,989

automatically equal look it's amazing

2064

01:27:31,130 --> 01:27:29,640

craft doesn't automatically equal

2065

01:27:33,380 --> 01:27:31,140

extraterrestrials now I'm not saying

2066

01:27:37,189 --> 01:27:33,390

that can fill in that captain amazing

2067

01:27:40,340 --> 01:27:37,199

craft from four throughout history you

2068

01:27:42,380 --> 01:27:40,350

know bob lazar who now was come out and

2069

01:27:43,820 --> 01:27:42,390

did that fantastic movie and he says yet

2070

01:27:46,280 --> 01:27:43,830

you know here's the craft we had it at

2071

01:27:47,750 --> 01:27:46,290

area 51 here's how we studied it here's

2072

01:27:50,470 --> 01:27:47,760

how I understood the propulsion to work

2073

01:27:55,910 --> 01:27:50,480

I had on Diana pasola

2074

01:27:57,740 --> 01:27:55,920

who you know is a PhD as a teacher she

2075

01:28:00,740 --> 01:27:57,750

goes out in the desert she finds the

2076

01:28:02,660 --> 01:28:00,750

craft pieces because a guy goes and

2077

01:28:04,850 --> 01:28:02,670

shows her and there's all these kind of

2078

01:28:06,320 --> 01:28:04,860

invisible College that knows all this

2079

01:28:08,750 --> 01:28:06,330

stuff is going on I just had Mary

2080

01:28:10,760 --> 01:28:08,760

arrived well on last week who is a

2081

01:28:13,459 --> 01:28:10,770

counselor for 30 years and helps people

2082

01:28:15,020 --> 01:28:13,469

talk about traumatized helps people who

2083

01:28:17,450 --> 01:28:15,030

are traumatized by their contact

2084

01:28:18,979 --> 01:28:17,460

experience so you know unless you want

2085

01:28:20,630 --> 01:28:18,989

to just take all that and pack it up in

2086

01:28:23,300 --> 01:28:20,640

a box and just throw it all away

2087

01:28:25,910 --> 01:28:23,310

then you got a big problem if you don't

2088

01:28:27,830 --> 01:28:25,920

accept et that this idea that people

2089

01:28:29,570 --> 01:28:27,840

throw around they just drop out Jack

2090

01:28:32,090 --> 01:28:29,580

belay and they're like okay so now I can

2091

01:28:36,290 --> 01:28:32,100

I can go on like et doesn't exist it's

2092

01:28:38,090 --> 01:28:36,300

all fairies again no you can't hey this

2093

01:28:39,280 --> 01:28:38,100

is great so I see you're passionate

2094

01:28:42,090 --> 01:28:39,290

about this

2095

01:28:46,800 --> 01:28:42,100

Alex let me tell you let me ask you this

2096

01:28:54,060 --> 01:28:46,810

would you discount the possibility that

2097

01:28:59,040 --> 01:28:54,070

some of the UFO hype and activity after

2098

01:29:01,660 --> 01:28:59,050

world war ii was a PSYOP can that be

2099

01:29:03,310 --> 01:29:01,670

considered as a possible explanation for

2100

01:29:03,790 --> 01:29:03,320

summons because let me tie back to the

2101

01:29:05,410 --> 01:29:03,800

myths

2102

01:29:07,420 --> 01:29:05,420

hold on hold on you asked the question

2103

01:29:11,590 --> 01:29:07,430

let me answer it of course everything is

2104

01:29:14,410 --> 01:29:11,600

a PSYOP everything is is a control but

2105

01:29:16,090 --> 01:29:14,420

what I just hit you with there is the

2106

01:29:19,360 --> 01:29:16,100

physical evidence so you might not like

2107

01:29:21,070 --> 01:29:19,370

Diana Walsh Basilica everyone does

2108

01:29:23,320 --> 01:29:21,080

I'm not saying she went out in the

2109

01:29:25,510 --> 01:29:23,330

desert and she finds these pieces of a

2110

01:29:27,100 --> 01:29:25,520

craft and they don't analyze it and they

2111

01:29:27,340 --> 01:29:27,110

say that and you'd mentioned Jacques de

2112

01:29:29,140 --> 01:29:27,350

l'Est

2113

01:29:31,390 --> 01:29:29,150

I had Jacque play on you know what he's

2114

01:29:34,720 --> 01:29:31,400

really interested in the same thing

2115

01:29:37,810 --> 01:29:34,730

she's friends with with while she was

2116

01:29:41,260 --> 01:29:37,820

friends with it he's interested in craft

2117

01:29:43,900 --> 01:29:41,270

right so there's no doubt that that

2118

01:29:45,940 --> 01:29:43,910

that's real so the whole is there SIOP

2119

01:29:48,100 --> 01:29:45,950

is there Project Blue Book was it a

2120

01:29:50,050 --> 01:29:48,110

complete cover-up did they reach some

2121

01:29:52,840 --> 01:29:50,060

point here's what the history that I

2122

01:29:54,520 --> 01:29:52,850

think reveals is that hey they were

2123

01:29:56,620 --> 01:29:54,530

surprised when all this stuff happens

2124

01:29:58,240 --> 01:29:56,630

back in the forties like wow so they're

2125

01:30:00,130 --> 01:29:58,250

just kind of releasing it and then

2126
01:30:01,540 --> 01:30:00,140
they're at a junction where they have to

2127
01:30:03,580 --> 01:30:01,550
go okay which way do we go

2128
01:30:05,740 --> 01:30:03,590
do we just kind of do the mind-control

2129
01:30:07,840 --> 01:30:05,750
thing like which relates to the Starman

2130
01:30:09,820 --> 01:30:07,850
thing and just go squash it and just go

2131
01:30:11,530 --> 01:30:09,830
missing form and just deny deny

2132
01:30:13,560 --> 01:30:11,540
misinformed misinformed do we go that

2133
01:30:15,790 --> 01:30:13,570
route or do we go this route of kind of

2134
01:30:17,380 --> 01:30:15,800
embracing it and trying to understand it

2135
01:30:18,430 --> 01:30:17,390
well we know what route they went to and

2136
01:30:19,930 --> 01:30:18,440
they just went from this information

2137
01:30:22,600 --> 01:30:19,940
route but that doesn't take away from

2138
01:30:24,730 --> 01:30:22,610

where we're at today we know that

2139

01:30:26,770 --> 01:30:24,740

there's a reality the Occam's razor is

2140

01:30:28,300 --> 01:30:26,780

that there's a reality to it you can

2141

01:30:30,280 --> 01:30:28,310

imagine all sorts of things but the

2142

01:30:32,440 --> 01:30:30,290

evidence is overwhelming that that's the

2143

01:30:34,870 --> 01:30:32,450

reality let me bring my area of

2144

01:30:37,960 --> 01:30:34,880

expertise into it Alex since you know

2145

01:30:39,730 --> 01:30:37,970

I'm not I'm not I haven't talked to

2146

01:30:42,790 --> 01:30:39,740

Jacque delay the reason I brought him up

2147

01:30:46,570 --> 01:30:42,800

was because he says UFOs does not

2148

01:30:48,700 --> 01:30:46,580

necessarily equal et at least not in

2149

01:30:50,560 --> 01:30:48,710

every case that's why I brought him up

2150

01:30:51,850 --> 01:30:50,570

but settings Yachvili aside I'm not

2151
01:30:52,630 --> 01:30:51,860
relying on the authority of Jacques

2152
01:30:55,720 --> 01:30:52,640
filet let me talk

2153
01:31:01,120 --> 01:30:55,730
about the star myths for a second it's

2154
01:31:03,550 --> 01:31:01,130
undeniable that many members of the UFOs

2155
01:31:07,300 --> 01:31:03,560
must be ETS all the way down through

2156
01:31:11,710 --> 01:31:07,310
history rely on or point to the myths

2157
01:31:15,100 --> 01:31:11,720
and say the crossing of the Red Sea was

2158
01:31:19,390 --> 01:31:15,110
caused by a UFO it parted the waters or

2159
01:31:22,720 --> 01:31:19,400
the vision of Ezekiel is describing an

2160
01:31:24,520 --> 01:31:22,730
alien craft and yet in the language that

2161
01:31:26,410 --> 01:31:24,530
they're trying to understand and what I

2162
01:31:29,700 --> 01:31:26,420
can bring I didn't go there I'm not I'm

2163
01:31:31,930 --> 01:31:29,710

not going there but Simeon yes Rael has

2164

01:31:33,850 --> 01:31:31,940

Rael tells you that when he was first

2165

01:31:36,130 --> 01:31:33,860

contacted they told him come back

2166

01:31:37,600 --> 01:31:36,140

tomorrow the spacecraft with the tall

2167

01:31:38,950 --> 01:31:37,610

alien is said come back tomorrow bring

2168

01:31:41,080 --> 01:31:38,960

your Bible and I'll tell you all the

2169

01:31:43,090 --> 01:31:41,090

things that we don't want so what

2170

01:31:45,210 --> 01:31:43,100

there's all sorts of alien cults there's

2171

01:31:51,010 --> 01:31:45,220

all sorts of alien beliefs and there's

2172

01:31:54,130 --> 01:31:51,020

tsunamis Anunnaki incision and Dolokhov

2173

01:31:56,860 --> 01:31:54,140

Sookie posits that a lot of these myths

2174

01:31:58,840 --> 01:31:56,870

work hard work a lot of these stories in

2175

01:32:00,940 --> 01:31:58,850

the Bible the Sun Stood Still for three

2176
01:32:02,950 --> 01:32:00,950
days that was because the Venus was

2177
01:32:06,240 --> 01:32:02,960
swooping around acrimony Velikovsky or

2178
01:32:09,250 --> 01:32:06,250
the Anunnaki described in the

2179
01:32:11,650 --> 01:32:09,260
Mesopotamian Epic over-zealous we get

2180
01:32:14,650 --> 01:32:11,660
that people can become so married to

2181
01:32:15,550 --> 01:32:14,660
their one kind of hammer that everything

2182
01:32:17,470 --> 01:32:15,560
looks like a nail

2183
01:32:20,470 --> 01:32:17,480
you know let's cut him some slack okay

2184
01:32:22,840 --> 01:32:20,480
cuz they were and to me everything in

2185
01:32:26,020 --> 01:32:22,850
the myths can be just going to be

2186
01:32:28,540 --> 01:32:26,030
explained as celestial metaphor I can

2187
01:32:30,790 --> 01:32:28,550
show you the crossing of the Red Sea I

2188
01:32:35,020 --> 01:32:30,800

can show you the Holy Grail you know

2189

01:32:37,630 --> 01:32:35,030

what what does that get you David is so

2190

01:32:39,700 --> 01:32:37,640

we're back to kind of to me though you

2191

01:32:41,680 --> 01:32:39,710

just kind of back to pounding on the

2192

01:32:44,320 --> 01:32:41,690

point that you that I concede it at the

2193

01:32:47,110 --> 01:32:44,330

beginning it's undeniable that there's

2194

01:32:52,030 --> 01:32:47,120

this connection so the question is who

2195

01:32:54,240 --> 01:32:52,040

and why and what is the relation to 80

2196

01:32:56,800 --> 01:32:54,250

and what is the relation to evil so

2197

01:33:00,670 --> 01:32:56,810

great I don't deny it good

2198

01:33:02,710 --> 01:33:00,680

so therefore if when people start

2199

01:33:04,930 --> 01:33:02,720

getting too close to what actually

2200

01:33:05,649 --> 01:33:04,940

happened we trot out well it's all

2201

01:33:08,259 --> 01:33:05,659

because of age

2202

01:33:09,699 --> 01:33:08,269

aliens that will lead us off into a

2203

01:33:12,489 --> 01:33:09,709

rabbit hole well you roll your eyes

2204

01:33:15,810 --> 01:33:12,499

but I'm saying can we discount the

2205

01:33:17,949 --> 01:33:15,820

possibility that let's say severe

2206

01:33:21,459 --> 01:33:17,959

skepticism will take me through your

2207

01:33:24,370 --> 01:33:21,469

scenario where does that lead you to if

2208

01:33:26,649 --> 01:33:24,380

I can take you away from the uplifting

2209

01:33:29,709 --> 01:33:26,659

power of the myths and say well let's

2210

01:33:31,419 --> 01:33:29,719

take it back to we we thought it was all

2211

01:33:33,879 --> 01:33:31,429

about these external characters such as

2212

01:33:35,439 --> 01:33:33,889

Jesus and Moses for centuries we had

2213

01:33:36,899 --> 01:33:35,449

them believing that that it was

2214

01:33:39,219 --> 01:33:36,909

literalistic

2215

01:33:41,109 --> 01:33:39,229

that kind of started to fall apart in

2216

01:33:43,479 --> 01:33:41,119

the 20th century because of technology

2217

01:33:46,689 --> 01:33:43,489

and other things going on so people

2218

01:33:47,409 --> 01:33:46,699

started to our control system I don't

2219

01:33:51,069 --> 01:33:47,419

know why you're rolling your eyes

2220

01:33:52,989 --> 01:33:51,079

because this is if you plug ET into the

2221

01:33:55,299 --> 01:33:52,999

orchestrator of your myths

2222

01:33:57,040 --> 01:33:55,309

how does that lessen your story in any

2223

01:33:59,109 --> 01:33:57,050

way it's like you're fighting it for no

2224

01:34:02,080 --> 01:33:59,119

reason because now it's external again

2225

01:34:03,850 --> 01:34:02,090

these stories are now about okay they're

2226

01:34:06,540 --> 01:34:03,860

not external where are they from them

2227

01:34:09,429 --> 01:34:06,550

they're not external where are they from

2228

01:34:10,959 --> 01:34:09,439

it could be from the spiritual realm it

2229

01:34:15,219 --> 01:34:10,969

could be what is the spiritual realm

2230

01:34:17,649 --> 01:34:15,229

well let's say let's say that shamans or

2231

01:34:21,219 --> 01:34:17,659

people I know that term is overused but

2232

01:34:27,659 --> 01:34:21,229

around the world there are people there

2233

01:34:32,290 --> 01:34:27,669

are institutions of the people who have

2234

01:34:34,750 --> 01:34:32,300

contact with the realm that's not

2235

01:34:38,199 --> 01:34:34,760

described by our materialist physics

2236

01:34:41,020 --> 01:34:38,209

let's just talk about for instance you

2237

01:34:42,640 --> 01:34:41,030

know you have a ayahuasca experience or

2238

01:34:43,989 --> 01:34:42,650

mushroom experience and you're

2239

01:34:46,209 --> 01:34:43,999

encountering and you're getting

2240

01:34:50,319 --> 01:34:46,219

information that you wouldn't get

2241

01:34:53,140 --> 01:34:50,329

otherwise or people don't need

2242

01:34:54,909 --> 01:34:53,150

substances to do that drumming is used

2243

01:34:56,640 --> 01:34:54,919

around the world and drums were actually

2244

01:34:58,540 --> 01:34:56,650

drumming was actually outlawed by the

2245

01:35:00,669 --> 01:34:58,550

literalist Christians when they got up

2246

01:35:02,979 --> 01:35:00,679

in northern Norway they took away all

2247

01:35:04,659 --> 01:35:02,989

the drums from the shamans are a bit

2248

01:35:06,279 --> 01:35:04,669

dated this is what this is what I talk

2249

01:35:08,290 --> 01:35:06,289

about all the time I'm skeptical right I

2250

01:35:09,850 --> 01:35:08,300

got 200 shows on your death experience

2251

01:35:11,529 --> 01:35:09,860

because not because I care about

2252

01:35:14,560 --> 01:35:11,539

near-death experience so much is because

2253

01:35:16,060 --> 01:35:14,570

it clearly crushes the materialistic

2254

01:35:17,880 --> 01:35:16,070

paranoia because now we have a medical

2255

01:35:20,850 --> 01:35:17,890

reason for that so you know

2256

01:35:22,920 --> 01:35:20,860

take the DMT take the DMT experiments of

2257

01:35:26,010 --> 01:35:22,930

Rick Strassman and when they reach those

2258

01:35:28,110 --> 01:35:26,020

other realms ET is there as much of as

2259

01:35:31,470 --> 01:35:28,120

well as all these shamanistic honestly

2260

01:35:33,990 --> 01:35:31,480

there you go no there you cannot I mean

2261

01:35:34,620 --> 01:35:34,000

you've got a substituted one thing for

2262

01:35:36,450 --> 01:35:34,630

another

2263

01:35:39,870 --> 01:35:36,460

but it doesn't explain the fundamental

2264

01:35:41,730 --> 01:35:39,880

question of why would spirits if you

2265

01:35:43,890 --> 01:35:41,740

want to just put spirits in there like

2266

01:35:46,050 --> 01:35:43,900

you want to take e.t out and then you

2267

01:35:48,120 --> 01:35:46,060

want put spirits in ok that's your

2268

01:35:51,000 --> 01:35:48,130

choice and then you want to put spirits

2269

01:35:54,810 --> 01:35:51,010

in tell me why the spirits did it in

2270

01:35:56,310 --> 01:35:54,820

this way and and did it in the Stars and

2271

01:35:57,960 --> 01:35:56,320

then did it you know with all these

2272

01:36:00,420 --> 01:35:57,970

stories throughout I like your other

2273

01:36:03,300 --> 01:36:00,430

explanation made more sense which is hey

2274

01:36:05,520 --> 01:36:03,310

it was um you didn't say Atlantis but

2275

01:36:07,400 --> 01:36:05,530

like some Atlantean ancient civilization

2276

01:36:09,450 --> 01:36:07,410

that went around in boats and

2277

01:36:13,320 --> 01:36:09,460

explanations Alex I think we're actually

2278

01:36:16,050 --> 01:36:13,330

in violent agreement because you just

2279

01:36:17,850 --> 01:36:16,060

said we can get information from the

2280

01:36:19,590 --> 01:36:17,860

other realm so these star people you

2281

01:36:21,600 --> 01:36:19,600

said look there's been zillions of star

2282

01:36:23,070 --> 01:36:21,610

people encounters around the world why

2283

01:36:26,250 --> 01:36:23,080

did those star people have to come from

2284

01:36:29,280 --> 01:36:26,260

the planet Syria if I go into the if I

2285

01:36:31,080 --> 01:36:29,290

go into the realm of the guy and I come

2286

01:36:32,340 --> 01:36:31,090

back and described it as gods or I come

2287

01:36:34,140 --> 01:36:32,350

back and describe it as something and

2288

01:36:36,900 --> 01:36:34,150

someone says oh that's an et gray or

2289

01:36:39,420 --> 01:36:36,910

whatever it doesn't doesn't mean that

2290

01:36:42,330 --> 01:36:39,430

that et gray came from the star Arcturus

2291

01:36:43,500 --> 01:36:42,340

i getcha this is the stuff I talk about

2292

01:36:45,360 --> 01:36:43,510

all the time but that's why I'm bringing

2293

01:36:47,040 --> 01:36:45,370

it back to the storm the thing and I

2294

01:36:49,140 --> 01:36:47,050

keep bringing up the same question and

2295

01:36:50,130 --> 01:36:49,150

you don't I guess we're not on the same

2296

01:36:52,020 --> 01:36:50,140

wavelength or

2297

01:36:55,290 --> 01:36:52,030

that's right different ways but here's

2298

01:36:59,190 --> 01:36:55,300

the thing it's like why why is this

2299

01:37:02,460 --> 01:36:59,200

particular esoteric wisdom and let me

2300

01:37:04,350 --> 01:37:02,470

back up and say again Dave you've you're

2301
01:37:07,950 --> 01:37:04,360
the guy you're the man you're the one

2302
01:37:10,410 --> 01:37:07,960
who's who's kind of stood against the

2303
01:37:12,780 --> 01:37:10,420
tide and said hey all this stuff is

2304
01:37:15,990 --> 01:37:12,790
connected and you got 5,000 pages and

2305
01:37:18,960 --> 01:37:16,000
now we have to go Wow he did it he

2306
01:37:21,510 --> 01:37:18,970
single-handedly has established and made

2307
01:37:23,790 --> 01:37:21,520
that undeniable I'm going to the next

2308
01:37:25,800 --> 01:37:23,800
question which you saying I've talked to

2309
01:37:27,750 --> 01:37:25,810
all these I've talked to all these

2310
01:37:30,210 --> 01:37:27,760
different people I've talked to mediums

2311
01:37:34,070 --> 01:37:30,220
I've talked to near-death experiencers

2312
01:37:36,270 --> 01:37:34,080
out-of-body experience travelers DMT

2313
01:37:38,790 --> 01:37:36,280

Ethne jinn kind of people all these

2314

01:37:42,000 --> 01:37:38,800

people shot shamanic people all these

2315

01:37:46,320 --> 01:37:42,010

people who are accessing the extended

2316

01:37:48,870 --> 01:37:46,330

realm I've never heard any stories about

2317

01:37:51,210 --> 01:37:48,880

this kind of thing there's there there's

2318

01:37:54,030 --> 01:37:51,220

nothing like this in any of the other

2319

01:37:56,010 --> 01:37:54,040

literature where they come down if you

2320

01:37:58,170 --> 01:37:56,020

will that's maybe not right where they

2321

01:38:01,830 --> 01:37:58,180

come down and they say we're gonna put

2322

01:38:05,460 --> 01:38:01,840

this in like a nursery school kind of

2323

01:38:08,160 --> 01:38:05,470

book and say here are the stars here is

2324

01:38:11,760 --> 01:38:08,170

the story here's what to think about

2325

01:38:14,340 --> 01:38:11,770

that that is unique there's nothing else

2326

01:38:15,660 --> 01:38:14,350

like that so why did they do it like

2327

01:38:17,820 --> 01:38:15,670

that do you suppose

2328

01:38:20,460 --> 01:38:17,830

from that extended realm whether that

2329

01:38:23,580 --> 01:38:20,470

extended realm was et or not right I

2330

01:38:24,210 --> 01:38:23,590

mean I actually think if we just take a

2331

01:38:27,090 --> 01:38:24,220

breath

2332

01:38:28,830 --> 01:38:27,100

we are talking about we're we agree

2333

01:38:30,540 --> 01:38:28,840

about all this non materialistic

2334

01:38:33,680 --> 01:38:30,550

paradigm and if you go back to my

2335

01:38:38,720 --> 01:38:33,690

blogpost I talked about nd ease Obi's

2336

01:38:41,670 --> 01:38:38,730

because to explain that invisible realm

2337

01:38:45,060 --> 01:38:41,680

it's like mr. Miyagi explaining Karate

2338

01:38:46,950 --> 01:38:45,070

Kid karate is invisible that's my the

2339

01:38:50,310 --> 01:38:46,960

metaphor as karate is invisible the

2340

01:38:53,160 --> 01:38:50,320

myths are saying there's an infinite

2341

01:38:54,510 --> 01:38:53,170

realm you could call it the infinite

2342

01:38:56,700 --> 01:38:54,520

realm you could call it the dream time

2343

01:38:58,860 --> 01:38:56,710

you could call it the other world I'm

2344

01:39:01,050 --> 01:38:58,870

going to tell you about it I'm going to

2345

01:39:03,510 --> 01:39:01,060

use this broad canvas of the Stars

2346

01:39:05,910 --> 01:39:03,520

because they're perfect for explaining

2347

01:39:09,570 --> 01:39:05,920

it I'm not saying that the constellation

2348

01:39:12,360 --> 01:39:09,580

of Hercules is the god zeus the god zeus

2349

01:39:14,010 --> 01:39:12,370

is an entity that dwells in the

2350

01:39:15,600 --> 01:39:14,020

invisible realm and why did you want to

2351

01:39:16,620 --> 01:39:15,610

say well he's part of your subconscious

2352

01:39:19,710 --> 01:39:16,630

Dave

2353

01:39:21,360 --> 01:39:19,720

okay I'll grant you that I mean oh but

2354

01:39:22,830 --> 01:39:21,370

my subconscious can next to the realm of

2355

01:39:24,870 --> 01:39:22,840

the gods because our subconscious can

2356

01:39:29,850 --> 01:39:24,880

somehow there's people who woke up

2357

01:39:31,710 --> 01:39:29,860

during the Vietnam War this is a an

2358

01:39:33,330 --> 01:39:31,720

illustration I like to point out that

2359

01:39:36,300 --> 01:39:33,340

shows that our subconscious knows a lot

2360

01:39:37,860 --> 01:39:36,310

more than our mind can grasp and any

2361

01:39:39,720 --> 01:39:37,870

material if still grant you that and say

2362

01:39:41,169 --> 01:39:39,730

yeah your gut is gathering information

2363

01:39:43,540 --> 01:39:41,179

that your mind doesn't even pay

2364

01:39:45,489 --> 01:39:43,550

- but our subconscious sometimes even

2365

01:39:47,410 --> 01:39:45,499

those things that it shouldn't be able

2366

01:39:49,120 --> 01:39:47,420

to know like I got a premonition that

2367

01:39:51,370 --> 01:39:49,130

something horrible happened to my child

2368

01:39:53,199 --> 01:39:51,380

and I woke up at 2:00 in the morning and

2369

01:39:55,540 --> 01:39:53,209

later I got a call from the Army and

2370

01:39:57,549 --> 01:39:55,550

that was exactly when he was in this

2371

01:39:59,259 --> 01:39:57,559

firefight in Vietnam and I'm a few

2372

01:40:01,179 --> 01:39:59,269

continents away from Vietnam right now

2373

01:40:04,060 --> 01:40:01,189

well how do my subconscious get that

2374

01:40:05,859 --> 01:40:04,070

message obviously through the realm of

2375

01:40:07,270 --> 01:40:05,869

the gods or whatever realm they want to

2376

01:40:11,229 --> 01:40:07,280

call it but it's outside of the material

2377

01:40:12,939 --> 01:40:11,239

experiment so how do I explain the rules

2378

01:40:15,069 --> 01:40:12,949

or not necessarily the rules but the

2379

01:40:17,649 --> 01:40:15,079

functioning of this invisible realm to

2380

01:40:19,899 --> 01:40:17,659

people who they're conscious mind or

2381

01:40:22,959 --> 01:40:19,909

their egoic mind was gonna choke on it

2382

01:40:24,969 --> 01:40:22,969

just like mr. Miyagi taught karate to

2383

01:40:27,640 --> 01:40:24,979

daniel-san his conscious mind would have

2384

01:40:29,140 --> 01:40:27,650

choked on it he said hold on I can't

2385

01:40:31,089 --> 01:40:29,150

just tell you about how to stop Jonny's

2386

01:40:33,790 --> 01:40:31,099

kick I got to show you wax on wax off

2387

01:40:35,859 --> 01:40:33,800

that's how they show us somebody who

2388

01:40:37,359 --> 01:40:35,869

knew all this stuff about all the things

2389

01:40:39,640 --> 01:40:37,369

you're talking about Oh bees and bees

2390

01:40:41,410 --> 01:40:39,650

the invisible realm the fact that we can

2391

01:40:43,209 --> 01:40:41,420

our subconscious can tap in somehow to

2392

01:40:44,620 --> 01:40:43,219

their realm with the gods

2393

01:40:46,810 --> 01:40:44,630

and you can call it something else if

2394

01:40:48,819 --> 01:40:46,820

you want said how am I gonna explain the

2395

01:40:50,439 --> 01:40:48,829

operation of this to people because they

2396

01:40:54,250 --> 01:40:50,449

need it it's profound but it's also very

2397

01:40:55,989 --> 01:40:54,260

practical I'm gonna use mr. Miyagi's wax

2398

01:40:58,449 --> 01:40:55,999

on wax off no wait a minute that's for

2399

01:41:01,109 --> 01:40:58,459

karate okay I'm going to use the Stars

2400

01:41:04,029 --> 01:41:01,119

because the stars are up from one

2401
01:41:05,949 --> 01:41:04,039
horizon and then you cross across the

2402
01:41:07,750 --> 01:41:05,959
realm of spirit and then they sink down

2403
01:41:10,239 --> 01:41:07,760
into the earth and that's and it's a

2404
01:41:13,750 --> 01:41:10,249
perfect illustration of our condition

2405
01:41:16,989 --> 01:41:13,760
here in this body of quote-unquote clay

2406
01:41:19,239 --> 01:41:16,999
which is water and dirt water and earth

2407
01:41:22,299 --> 01:41:19,249
that's where the stars go down into they

2408
01:41:24,429 --> 01:41:22,309
go down into the earth seemingly from

2409
01:41:26,319 --> 01:41:24,439
our okay so it's a perfect way of

2410
01:41:28,350 --> 01:41:26,329
explaining it that's what I okay and so

2411
01:41:30,310 --> 01:41:28,360
whoever these people were whatever

2412
01:41:34,060 --> 01:41:30,320
please don't say whoever these people

2413
01:41:35,500 --> 01:41:34,070

are just you just had a God doing this

2414

01:41:37,419 --> 01:41:35,510

and now you say whoever these people

2415

01:41:39,370 --> 01:41:37,429

with are do you realize that's kind of

2416

01:41:42,129 --> 01:41:39,380

confusing you can't say there was some

2417

01:41:44,439 --> 01:41:42,139

God sitting up on a cloud and one of the

2418

01:41:47,020 --> 01:41:44,449

gods decided okay my way of gonna do

2419

01:41:48,699 --> 01:41:47,030

this is going to be through these star

2420

01:41:50,679 --> 01:41:48,709

myths and that's how I'm going to do it

2421

01:41:52,629 --> 01:41:50,689

you know then you can't switch and then

2422

01:41:54,970 --> 01:41:52,639

say these people because then that's

2423

01:41:56,830 --> 01:41:54,980

kind of out of it so that it

2424

01:41:59,110 --> 01:41:56,840

what I'm pushing you on is that I've

2425

01:42:01,690 --> 01:41:59,120

talked to all these different people who

2426

01:42:04,420 --> 01:42:01,700

have accessed the extended consciousness

2427

01:42:07,120 --> 01:42:04,430

realm in that kind of way that you're

2428

01:42:08,410 --> 01:42:07,130

thinking it doesn't come up at all so of

2429

01:42:10,990 --> 01:42:08,420

course something that you are the

2430

01:42:13,900 --> 01:42:11,000

shamanic auto-ship I read Mircea Eliade

2431

01:42:15,430 --> 01:42:13,910

days book shamanism no you're

2432

01:42:18,460 --> 01:42:15,440

misinterpreting you're misinterpreting

2433

01:42:19,090 --> 01:42:18,470

what I'm saying what I'm saying what I'm

2434

01:42:20,440 --> 01:42:19,100

not done

2435

01:42:22,570 --> 01:42:20,450

you're gonna you're now gonna tell me

2436

01:42:24,460 --> 01:42:22,580

how the shamans had all these myths to

2437

01:42:26,800 --> 01:42:24,470

which is back just to proving to me that

2438

01:42:30,010 --> 01:42:26,810

it's undeniable that all the minute I

2439

01:42:33,310 --> 01:42:30,020

get it I get it I keep coming back to

2440

01:42:37,930 --> 01:42:33,320

why I keep coming back to why would they

2441

01:42:43,630 --> 01:42:37,940

do it in this way that is so you know

2442

01:42:50,350 --> 01:42:43,640

kind of uniquely peculiar in terms of

2443

01:42:54,250 --> 01:42:50,360

how it's done I mean like an hour I was

2444

01:42:56,560 --> 01:42:54,260

in the infantry I have a lot of head

2445

01:43:01,060 --> 01:42:56,570

injuries I need to explain to me

2446

01:43:03,400 --> 01:43:01,070

infantry simple man so like I might not

2447

01:43:04,780 --> 01:43:03,410

be I might I might not be the fastest

2448

01:43:06,550 --> 01:43:04,790

one to pick up on the question you're

2449

01:43:09,370 --> 01:43:06,560

actually asking but what I'm saying is

2450

01:43:11,229 --> 01:43:09,380

why couldn't this ancient culture this

2451
01:43:13,780 --> 01:43:11,239
ancient sophisticated culture that was

2452
01:43:16,270 --> 01:43:13,790
so much more ancient in than the ancient

2453
01:43:19,690 --> 01:43:16,280
Egyptians the earliest ancient Egyptian

2454
01:43:20,970 --> 01:43:19,700
dynasty or dynasty was ancient to us but

2455
01:43:24,910 --> 01:43:20,980
it was only five thousand years ago

2456
01:43:27,370 --> 01:43:24,920
gobekli tepe according to radiocarbon

2457
01:43:30,700 --> 01:43:27,380
dating of the walls must have been

2458
01:43:33,160 --> 01:43:30,710
buried by 8,000 BC so it was as ancient

2459
01:43:33,910 --> 01:43:33,170
to the earliest Egyptian dynasty as the

2460
01:43:35,770 --> 01:43:33,920
earliest emption

2461
01:43:37,420 --> 01:43:35,780
Egyptian dynasty is dust and probably

2462
01:43:40,090 --> 01:43:37,430
more ancient so there's more ancient

2463
01:43:41,950 --> 01:43:40,100

culture I say whoever they were because

2464

01:43:43,960 --> 01:43:41,960

we don't know who they were but why

2465

01:43:45,550 --> 01:43:43,970

could they not have been using shamanic

2466

01:43:47,560 --> 01:43:45,560

techniques and I know that words are

2467

01:43:49,630 --> 01:43:47,570

overused but these techniques that you

2468

01:43:51,580 --> 01:43:49,640

talk about the endings Obie's to tap

2469

01:43:53,680 --> 01:43:51,590

into the realm of the gods and put

2470

01:43:56,110 --> 01:43:53,690

together this system why did they put it

2471

01:43:57,610 --> 01:43:56,120

together this way the same way that we

2472

01:44:00,310 --> 01:43:57,620

were same reason to mr. miyagi taught

2473

01:44:02,500 --> 01:44:00,320

Daniels on that way because our egoic

2474

01:44:04,000 --> 01:44:02,510

minds which is a defense mechanism for

2475

01:44:06,970 --> 01:44:04,010

dealing with this world that we found

2476

01:44:08,380 --> 01:44:06,980

ourselves in from infancy it defends us

2477

01:44:10,570 --> 01:44:08,390

it's there it's like

2478

01:44:12,730 --> 01:44:10,580

outing Thomas why was doubting Thomas so

2479

01:44:14,740 --> 01:44:12,740

doubtful it was doubts were his defense

2480

01:44:16,930 --> 01:44:14,750

mechanism from getting burned when they

2481

01:44:18,460 --> 01:44:16,940

said we've seen Jesus he said yeah right

2482

01:44:21,150 --> 01:44:18,470

I'll believe it when I touch it a

2483

01:44:23,290 --> 01:44:21,160

defense our mind is a defense mechanism

2484

01:44:24,850 --> 01:44:23,300

Daniel son had all kinds of defense

2485

01:44:27,430 --> 01:44:24,860

mechanisms because he'd been hurt Eve

2486

01:44:29,200 --> 01:44:27,440

then he was full of doubts and he was a

2487

01:44:31,870 --> 01:44:29,210

very untrusting individual and mr.

2488

01:44:33,910 --> 01:44:31,880

miyagi said the way to reach this kid is

2489

01:44:35,680 --> 01:44:33,920

not through the direct route it's

2490

01:44:37,600 --> 01:44:35,690

through the indirect route and the

2491

01:44:39,840 --> 01:44:37,610

people who put this myths together and I

2492

01:44:41,410 --> 01:44:39,850

don't admit that it had to have

2493

01:44:45,450 --> 01:44:41,420

extraterrestrials from the planet

2494

01:44:48,850 --> 01:44:45,460

circling Arcturus it could have been a

2495

01:44:51,010 --> 01:44:48,860

sophisticated human culture that was

2496

01:44:54,000 --> 01:44:51,020

tapped into this and said how am I going

2497

01:44:56,920 --> 01:44:54,010

to teach this well we know that our mind

2498

01:44:58,420 --> 01:44:56,930

our defense mechanism mind that deals

2499

01:45:00,160 --> 01:44:58,430

with culture is gonna choke on it just

2500

01:45:02,040 --> 01:45:00,170

like Daniel son so we're gonna have to

2501
01:45:04,480 --> 01:45:02,050
use the mr. miyagi route and go around

2502
01:45:07,300 --> 01:45:04,490
where did they get this incredible

2503
01:45:08,530 --> 01:45:07,310
wisdom maybe from the realm of the Gods

2504
01:45:09,790 --> 01:45:08,540
which they might have accessed through

2505
01:45:11,290 --> 01:45:09,800
plants they might have access through

2506
01:45:13,600 --> 01:45:11,300
breathing I don't know how they accessed

2507
01:45:15,580 --> 01:45:13,610
it because it was so far in advance in

2508
01:45:17,230 --> 01:45:15,590
ancient Egypt nobody can tell you for

2509
01:45:19,660 --> 01:45:17,240
sure but if someone tells you for sure

2510
01:45:22,300 --> 01:45:19,670
it was Arcturians then my skeptical

2511
01:45:24,100 --> 01:45:22,310
meter goes Bing how the hell do you know

2512
01:45:26,380 --> 01:45:24,110
is for sure Arcturians well because we

2513
01:45:29,080 --> 01:45:26,390

trying to craft well what if I say that

2514

01:45:30,640 --> 01:45:29,090

craft could have been Nazis you go what

2515

01:45:31,900 --> 01:45:30,650

do you mean Nazis well they were working

2516

01:45:35,020 --> 01:45:31,910

on some pretty advanced craft and that

2517

01:45:36,940 --> 01:45:35,030

was 1942 so don't tell me you're sure

2518

01:45:39,930 --> 01:45:36,950

it's Arcturians that could be a saya

2519

01:45:45,100 --> 01:45:39,940

that's what I'm saying for sure but

2520

01:45:47,800 --> 01:45:45,110

we've I that we probably frustrated but

2521

01:45:53,920 --> 01:45:47,810

a lot of our audience but maybe said oh

2522

01:45:56,920 --> 01:45:53,930

I've had a good time it was me I take I

2523

01:45:59,950 --> 01:45:56,930

take blame but hey that's I should I get

2524

01:46:01,720 --> 01:45:59,960

to do what I want once a week like I

2525

01:46:03,160 --> 01:46:01,730

said I think every single individual

2526
01:46:04,840 --> 01:46:03,170
brings out something different and you

2527
01:46:06,580 --> 01:46:04,850
certainly brought out you took it in

2528
01:46:09,010 --> 01:46:06,590
some different ways and I think that's

2529
01:46:10,300 --> 01:46:09,020
valuable I don't I don't have any

2530
01:46:11,980 --> 01:46:10,310
problem with confrontation because as

2531
01:46:13,330 --> 01:46:11,990
you noticed I was there as you mentioned

2532
01:46:16,360 --> 01:46:13,340
I was in the military I don't

2533
01:46:18,160 --> 01:46:16,370
necessarily love to go that route but I

2534
01:46:20,140 --> 01:46:18,170
don't really have a thin skin I mean

2535
01:46:20,839 --> 01:46:20,150
I've been called everything wrong I was

2536
01:46:25,280 --> 01:46:20,849
in the army

2537
01:46:27,530 --> 01:46:25,290
well we are we are confronting I'm you

2538
01:46:29,540 --> 01:46:27,540

know like we both I said you know over

2539

01:46:31,370 --> 01:46:29,550

90 percent agreement and and the most

2540

01:46:37,339 --> 01:46:31,380

fundamental thing that you're saying is

2541

01:46:40,580 --> 01:46:37,349

this return to self is is I've recapped

2542

01:46:45,220 --> 01:46:40,590

the story over and over again but it's

2543

01:46:47,750 --> 01:46:45,230

phenomenal to think that the star myth

2544

01:46:51,140 --> 01:46:47,760

hypothesis that you've established so

2545

01:46:54,589 --> 01:46:51,150

beautifully has this deeper connection

2546

01:46:57,080 --> 01:46:54,599

with all the great wisdom traditions

2547

01:46:59,780 --> 01:46:57,090

that tell us that the real journey is

2548

01:47:02,330 --> 01:46:59,790

the journey to ourself and that that's

2549

01:47:04,790 --> 01:47:02,340

the journey that we should put foremost

2550

01:47:07,430 --> 01:47:04,800

in our life and then there's all these

2551

01:47:09,890 --> 01:47:07,440

awesome awesome stories that are

2552

01:47:13,189 --> 01:47:09,900

inspiring you know I mean it's not my

2553

01:47:16,339 --> 01:47:13,199

cup of tea but it's inspiring to so many

2554

01:47:20,450 --> 01:47:16,349

people and has been throughout the ages

2555

01:47:22,399 --> 01:47:20,460

and is that what the final question and

2556

01:47:25,939 --> 01:47:22,409

then we'll leave the skeptical board for

2557

01:47:30,470 --> 01:47:25,949

a minute what is what is your personal

2558

01:47:33,919 --> 01:47:30,480

kind of way that you like to kind of

2559

01:47:36,560 --> 01:47:33,929

learn and relate and I guess why do the

2560

01:47:39,859 --> 01:47:36,570

mists in allegory why do you think that

2561

01:47:41,000 --> 01:47:39,869

that draws you in because I like to see

2562

01:47:42,319 --> 01:47:41,010

connections that's a really good

2563

01:47:44,149 --> 01:47:42,329

question I'd like to see connections

2564

01:47:47,450 --> 01:47:44,159

between things and that's what metaphors

2565

01:47:48,740 --> 01:47:47,460

do their show connections between it's

2566

01:47:50,569 --> 01:47:48,750

like oh I want to show you this new

2567

01:47:51,950 --> 01:47:50,579

concept I'm gonna connect it to

2568

01:47:54,109 --> 01:47:51,960

something that you know a little better

2569

01:47:56,240 --> 01:47:54,119

to get you across the river to this

2570

01:47:58,100 --> 01:47:56,250

other side and I'm going to use

2571

01:47:59,750 --> 01:47:58,110

something that you some stepping stones

2572

01:48:01,669 --> 01:47:59,760

that will help you across that river and

2573

01:48:02,990 --> 01:48:01,679

that's what the myths I think I mean

2574

01:48:03,740 --> 01:48:03,000

that's what mr. Miyagi is doing with

2575

01:48:05,620 --> 01:48:03,750

daniel-san

2576

01:48:08,240 --> 01:48:05,630

Dainius on had no conception of

2577

01:48:09,859 --> 01:48:08,250

conception or this martial art that he

2578

01:48:11,600 --> 01:48:09,869

wanted to teach him so he taught him

2579

01:48:13,100 --> 01:48:11,610

through something more familiar and got

2580

01:48:14,510 --> 01:48:13,110

him to the other side and it's like a

2581

01:48:16,669 --> 01:48:14,520

magical moment that everyone remembers

2582

01:48:18,649 --> 01:48:16,679

when the lights finally go on for down

2583

01:48:20,300 --> 01:48:18,659

daniel-san like his mind jumps across

2584

01:48:22,010 --> 01:48:20,310

the river while these connections

2585

01:48:25,129 --> 01:48:22,020

between the stars

2586

01:48:27,350 --> 01:48:25,139

what are these constellations if not us

2587

01:48:29,870 --> 01:48:27,360

connecting the stars and then connecting

2588

01:48:32,689 --> 01:48:29,880

them to our condition in order to convey

2589

01:48:34,160 --> 01:48:32,699

these like I said profound but also very

2590

01:48:36,530 --> 01:48:34,170

practical truths

2591

01:48:38,030 --> 01:48:36,540

about each and every about yourself and

2592

01:48:39,800 --> 01:48:38,040

then each and every other man and woman

2593

01:48:41,390 --> 01:48:39,810

you ever meet that they have this

2594

01:48:45,170 --> 01:48:41,400

invisible component as well and that's

2595

01:48:47,600 --> 01:48:45,180

what that's why we have to to you know

2596

01:48:49,460 --> 01:48:47,610

respect and you know we had this kind of

2597

01:48:51,470 --> 01:48:49,470

discussion that got a little heated but

2598

01:48:53,480 --> 01:48:51,480

I recognize that every single other

2599

01:48:55,250 --> 01:48:53,490

person that I meet is this other as it's

2600

01:48:57,290 --> 01:48:55,260

divine components is down here wrestling

2601

01:48:59,060 --> 01:48:57,300

with this physical world it's like

2602

01:49:02,690 --> 01:48:59,070

that's why they say Namaskar amor

2603

01:49:04,250 --> 01:49:02,700

namaste is either that part of me

2604

01:49:06,080 --> 01:49:04,260

recognizes that part of you and we're

2605

01:49:08,570 --> 01:49:06,090

down here wrestling with this I'm not

2606

01:49:10,760 --> 01:49:08,580

mad about I don't get mad about that

2607

01:49:14,810 --> 01:49:10,770

nature and if we all took that view that

2608

01:49:16,670 --> 01:49:14,820

maybe would be more better off as a

2609

01:49:19,730 --> 01:49:16,680

society but anyway I do actually have a

2610

01:49:22,700 --> 01:49:19,740

hard stop in like four minutes so if we

2611

01:49:23,570 --> 01:49:22,710

could let's do that then I tell you what

2612

01:49:26,540 --> 01:49:23,580

but I think it's been a great

2613

01:49:28,940 --> 01:49:26,550

conversation oh I so appreciate it and I

2614

01:49:31,820 --> 01:49:28,950

and I the work is phenomenal I've said

2615

01:49:34,610 --> 01:49:31,830

that enough so David you write some as

2616

01:49:37,580 --> 01:49:34,620

you alluded to some fantastic blog posts

2617

01:49:40,220 --> 01:49:37,590

that cover a variety of topics you

2618

01:49:41,720 --> 01:49:40,230

podcast as well so people need to check

2619

01:49:43,880 --> 01:49:41,730

out these books to get the kind of

2620

01:49:46,520 --> 01:49:43,890

background but where can they stay more

2621

01:49:49,070 --> 01:49:46,530

up-to-date on your kind of

2622

01:49:51,020 --> 01:49:49,080

minute-by-minute stuff yeah thanks Alex

2623

01:49:54,680 --> 01:49:51,030

so I have a website that is called star

2624

01:49:56,620 --> 01:49:54,690

myth WorldCom so if you remember star

2625

01:49:59,270 --> 01:49:56,630

myths of the world it's star myth

2626
01:50:01,130 --> 01:49:59,280
world.com you can really just search for

2627
01:50:03,440 --> 01:50:01,140
my last name and the word stars you can

2628
01:50:06,740 --> 01:50:03,450
probably stumble upon something but star

2629
01:50:08,900 --> 01:50:06,750
myth worldcom has tons of content

2630
01:50:11,480 --> 01:50:08,910
there's two exciting events coming up

2631
01:50:13,430 --> 01:50:11,490
I'll be in October I'll be at the

2632
01:50:15,050 --> 01:50:13,440
conference on precession and ancient

2633
01:50:17,440 --> 01:50:15,060
knowledge where Robert Schoch will be

2634
01:50:18,920 --> 01:50:17,450
there Carmen bolter Alan green

2635
01:50:21,410 --> 01:50:18,930
Christopher Dunn

2636
01:50:23,390 --> 01:50:21,420
Walter Tim that's October fourth

2637
01:50:24,980 --> 01:50:23,400
fifth and six and there's a discount

2638
01:50:27,500 --> 01:50:24,990

code if you want to sign up just put my

2639

01:50:29,660 --> 01:50:27,510

last name Matheson in the discount code

2640

01:50:31,520 --> 01:50:29,670

you get \$50 off on that one that's in

2641

01:50:34,220 --> 01:50:31,530

Newport Beach California that'll be cool

2642

01:50:36,920 --> 01:50:34,230

lots of great speakers will be there and

2643

01:50:39,170 --> 01:50:36,930

then there's another event in April of

2644

01:50:40,550 --> 01:50:39,180

2020 that one's almost sold out it's

2645

01:50:42,800 --> 01:50:40,560

with the guys from dry America I know

2646

01:50:44,900 --> 01:50:42,810

you know them and also a couple guys

2647

01:50:46,460 --> 01:50:44,910

from the brothers of the serpent podcast

2648

01:50:48,520 --> 01:50:46,470

a newer podcast really interesting

2649

01:50:50,919 --> 01:50:48,530

that'll be in the

2650

01:50:52,510 --> 01:50:50,929

the high-altitude desert near Bryce

2651
01:50:54,040 --> 01:50:52,520
Canyon will be going to Bryce Canyon

2652
01:50:56,530 --> 01:50:54,050
look at the stars talk about the myths

2653
01:50:59,290 --> 01:50:56,540
and all these topics Hellickson I just

2654
01:51:02,680 --> 01:50:59,300
discussed that'll be in April of 2020

2655
01:51:04,570 --> 01:51:02,690
and that's contact at the cabin dot-com

2656
01:51:07,359 --> 01:51:04,580
so you can check out the details there

2657
01:51:10,359 --> 01:51:07,369
on that it's almost sold out to also

2658
01:51:12,189 --> 01:51:10,369
David fantastic you're great man thank

2659
01:51:14,439 --> 01:51:12,199
you so much for joining me thanks for

2660
01:51:17,160 --> 01:51:14,449
thanks for going in that direction and

2661
01:51:20,020 --> 01:51:17,170
keeping the you know under pressure

2662
01:51:22,479 --> 01:51:20,030
causes you to articulate more clearly

2663
01:51:30,040 --> 01:51:22,489

what you're trying to say so I'm I'm all

2664

01:51:32,950 --> 01:51:30,050

for your using the old Socratic method

2665

01:51:35,709 --> 01:51:32,960

on me there I see from your ancient

2666

01:51:37,030 --> 01:51:35,719

Greek roots Alex all right thanks a lot

2667

01:51:40,840 --> 01:51:37,040

it's been really fun and we'll talk

2668

01:51:43,270 --> 01:51:40,850

again thanks again to David Matheson for

2669

01:51:45,040 --> 01:51:43,280

joining me today on skeptic Oh final

2670

01:51:47,950 --> 01:51:45,050

question I guess I'd T up from this

2671

01:51:49,660 --> 01:51:47,960

episode and since I Bradley frustrated

2672

01:51:53,530 --> 01:51:49,670

the heck out of Dave with this question

2673

01:51:56,500 --> 01:51:53,540

I might as well ask you all who created

2674

01:51:58,330 --> 01:51:56,510

the star myths so if you listen to that

2675

01:52:01,030 --> 01:51:58,340

I don't need to add any more

2676

01:52:03,340 --> 01:52:01,040

context that but I would love to hear

2677

01:52:05,140 --> 01:52:03,350

your answer the best place if you're

2678

01:52:07,600 --> 01:52:05,150

interested in interacting with me and

2679

01:52:10,810 --> 01:52:07,610

other listeners is probably through the

2680

01:52:14,620 --> 01:52:10,820

skeptical forum you can find it from The

2681

01:52:16,959 --> 01:52:14,630

Skeptical website which is at s ke P tik

2682

01:52:20,379 --> 01:52:16,969

and while you're there of course you can

2683

01:52:22,689 --> 01:52:20,389

find links to all our previous episodes

2684

01:52:24,939 --> 01:52:22,699

over 400 of them all available for free

2685

01:52:28,390 --> 01:52:24,949

download you just get the mp3 and you're

2686

01:52:31,149 --> 01:52:28,400

off and can do what you like thanks so

2687

01:52:33,879 --> 01:52:31,159

much for joining me on skeptic oh I do

2688

01:52:36,100 --> 01:52:33,889

have I think some really good shows

2689

01:52:38,109 --> 01:52:36,110

coming up I'm continuing to just kind of

2690

01:52:40,479 --> 01:52:38,119

pound on these issues that are important

2691

01:52:43,000 --> 01:52:40,489

to me I'm trying to figure some stuff

2692

01:52:45,370 --> 01:52:43,010

out so this show might sound a little

2693

01:52:48,790 --> 01:52:45,380

bit different from other book interview

2694

01:52:51,640 --> 01:52:48,800

shows you hear but hey that's kind of

2695

01:52:53,800 --> 01:52:51,650

like that's got a my agenda if you will

2696

01:52:55,510 --> 01:52:53,810

so I hope you stick around I hope you

2697

01:52:57,879 --> 01:52:55,520

share it with anyone you think would be

2698

01:53:01,450 --> 01:52:57,889

interested in it and until next time
