1
00:00:09,560 --> 00:00:07,789
welcome to skeptic oh where we explore

2
00:00:12,080 --> 00:00:09,570
controversial science and spirituality

3
00:00:14,089 --> 00:00:12,090
with leading researchers thinkers and

4
00:00:16,279 --> 00:00:14,099
their critics I'm your host Alex seekers

5
00:00:20,090 --> 00:00:16,289
and I'm really excited about today's

6
00:00:22,640 --> 00:00:20,100
show because I'm not just a podcaster

7
00:00:24,470 --> 00:00:22,650
and I'm a podcaster for a long time but

8
00:00:26,960 --> 00:00:24,480
I got into podcasting because I was a

9
00:00:31,400 --> 00:00:26,970
listener and I still AM a podcast

10
00:00:34,040 --> 00:00:31,410
listener today and I love to share the

11
00:00:36,319 --> 00:00:34,050
work of people who really inspire me and

12
00:00:38,540 --> 00:00:36,329
there's a guy who has really been

13
00:00:39,830 --> 00:00:38,550

knocking it out of the park lately you

14

00:00:42,470 --> 00:00:39,840

might have seen him on the show before

15

00:00:44,959 --> 00:00:42,480

his name is Richard Cox but he has a

16

00:00:49,790 --> 00:00:44,969

show the deep state consciousness

17

00:00:53,900 --> 00:00:49,800

podcast so Richard thanks so much for

18

00:00:56,959 --> 00:00:53,910

joining me and welcome to skeptic OH

19

00:01:01,970 --> 00:00:56,969

welcome back guys thank you nice to

20

00:01:03,830 --> 00:01:01,980

feedback so let's see of course you are

21

00:01:04,549 --> 00:01:03,840

being roped into playing sceptical

22

00:01:07,130 --> 00:01:04,559

jeopardy

23

00:01:10,429 --> 00:01:07,140

you've knew that coming in so there's

24

00:01:13,730 --> 00:01:10,439

kind of no no secrets in any of that I

25

00:01:15,200 --> 00:01:13,740

am more high tech than last time I was

26

00:01:16,399 --> 00:01:15,210

on this is really cuz I listened to the

27

00:01:18,950 --> 00:01:16,409

show I hadn't seen this this is like

28

00:01:19,969 --> 00:01:18,960

really like when the game show now yeah

29

00:01:21,679 --> 00:01:19,979

yeah you're right

30

00:01:25,490 --> 00:01:21,689

we're taking it to the next level sure

31

00:01:27,920 --> 00:01:25,500

sure okay I'm gonna read The Skeptical

32

00:01:30,530 --> 00:01:27,930

jeopardy board for those who are just

33

00:01:35,330 --> 00:01:30,540

listening along it starts out with deep

34

00:01:41,630 --> 00:01:35,340

States 911 podcasting cult ish trauma

35

00:01:44,359 --> 00:01:41,640

medium non-duality suicide and et now

36

00:01:47,210 --> 00:01:44,369

you have not been given a heads up in

37

00:01:51,139 --> 00:01:47,220

any of these topics so we're gonna get

38

00:01:54,109 --> 00:01:51,149

the raw unedited version of Richard Cox

39

00:01:55,760 --> 00:01:54,119

I'm gonna pick the first one because I

40

00:01:58,490 --> 00:01:55,770

think it's only appropriate since I did

41

00:02:02,690 --> 00:01:58,500

just a little bit of an introduction you

42

00:02:05,899 --> 00:02:02,700

tell us more about the podcast okay well

43

00:02:07,580 --> 00:02:05,909

I never intended to do a podcast I fell

44

00:02:10,339 --> 00:02:07,590

into it because I was doing some work

45

00:02:11,690 --> 00:02:10,349

with Tim freak philosopher and previous

46

00:02:14,780 --> 00:02:11,700

guest on the show we

47

00:02:16,070 --> 00:02:14,790

some of his books and I felt like Tim

48

00:02:18,140 --> 00:02:16,080

goes through so many different things

49

00:02:20,210 --> 00:02:18,150

there's a lot of subjects he called in

50

00:02:21,800 --> 00:02:20,220

the past exam and gurus that written

51
00:02:23,000 --> 00:02:21,810
books on perhaps but there was nothing

52
00:02:24,559 --> 00:02:23,010
on YouTube and I thought hey someone

53
00:02:26,300 --> 00:02:24,569
should interview about this and no one

54
00:02:27,559 --> 00:02:26,310
was so I fall right I throw my hat in

55
00:02:29,390 --> 00:02:27,569
the ring and see if I could pull off an

56
00:02:31,910 --> 00:02:29,400
interview and it wasn't too awful people

57
00:02:33,440 --> 00:02:31,920
told me so I sort of liked it and then I

58
00:02:35,900 --> 00:02:33,450
realized that I knew all these

59
00:02:38,720 --> 00:02:35,910
interesting people who were just quietly

60
00:02:41,270 --> 00:02:38,730
living their lives and I felt the world

61
00:02:43,460 --> 00:02:41,280
deserved to hear a bit more from them so

62
00:02:45,440 --> 00:02:43,470
initially if I'll just do one or two and

63
00:02:46,670 --> 00:02:45,450

then I kept finding that I knew more and

64

00:02:48,949 --> 00:02:46,680

more interesting people so that's how I

65

00:02:52,789 --> 00:02:48,959

I kind of slipped into the whole podcast

66

00:02:55,670 --> 00:02:52,799

thing maybe we'll just leave it at that

67

00:02:59,360 --> 00:02:55,680

because I think we'll get into that as I

68

00:03:01,180 --> 00:02:59,370

let you pick the next topic that we

69

00:03:03,789 --> 00:03:01,190

might go to

70

00:03:07,069 --> 00:03:03,799

I'm gonna run roughshod over all these

71

00:03:08,960 --> 00:03:07,079

boundary start to watch me there Alex I

72

00:03:10,970 --> 00:03:08,970

mean just I could I could follow up on

73

00:03:12,380 --> 00:03:10,980

why you're saying there was the the 9/11

74

00:03:15,650 --> 00:03:12,390

and spirituality thing all the

75

00:03:18,830 --> 00:03:15,660

conspiracy and spirituality if if that's

76

00:03:23,539 --> 00:03:18,840

please do well yeah I think that's them

77

00:03:26,120 --> 00:03:23,549

impart a product of my age that I'm 36

78

00:03:28,729 --> 00:03:26,130

now which means I was 18 when 9/11

79

00:03:31,849 --> 00:03:28,739

happened and that coincided with me

80

00:03:35,420 --> 00:03:31,859

leaving school and it was also a time in

81

00:03:37,580 --> 00:03:35,430

my life where I suppose yes to pick a

82

00:03:39,910 --> 00:03:37,590

tarot card the tower tarot card would be

83

00:03:42,979 --> 00:03:39,920

the appropriate world where my belief in

84

00:03:45,140 --> 00:03:42,989

the society as it is structures as they

85

00:03:46,970 --> 00:03:45,150

are the system the establishment that

86

00:03:48,979 --> 00:03:46,980

was all coming tumbling down and I

87

00:03:50,319 --> 00:03:48,989

didn't really have anything to replace

88

00:03:53,479 --> 00:03:50,329

it with and it was leading to a rather

89

00:03:55,210 --> 00:03:53,489

despair for place of does anyone have a

90

00:03:58,490 --> 00:03:55,220

clue what's what's going on here and

91

00:04:00,650 --> 00:03:58,500

things like your president george w bush

92

00:04:03,020 --> 00:04:00,660

being elected that shot pieces my faith

93

00:04:05,180 --> 00:04:03,030

in the the concept of a leader of the

94

00:04:08,960 --> 00:04:05,190

free will for reasons I don't think I

95

00:04:10,729 --> 00:04:08,970

need to explain and and then in well I

96

00:04:13,580 --> 00:04:10,739

think let me take that back I think you

97

00:04:16,640 --> 00:04:13,590

do need to explain for a couple reasons

98

00:04:19,339 --> 00:04:16,650

one my audience is largely American

99

00:04:20,779 --> 00:04:19,349

you're British you're in particularly

100

00:04:21,069 --> 00:04:20,789

around the Isle of Man which is even

101
00:04:24,129 --> 00:04:21,079
more

102
00:04:28,210 --> 00:04:24,139
kind of interested and kind of isolated

103
00:04:30,700 --> 00:04:28,220
in a way but you know what was your what

104
00:04:32,619 --> 00:04:30,710
why do you say that because I go I go a

105
00:04:40,360 --> 00:04:32,629
million different directions with that I

106
00:04:43,300 --> 00:04:40,370
go skullenbones CIA literally nothing

107
00:04:46,420 --> 00:04:43,310
that deep initially for me so here see

108
00:04:48,430 --> 00:04:46,430
have to understand that open till about

109
00:04:52,059 --> 00:04:48,440
the age of sixteen seventeen I believed

110
00:04:54,430 --> 00:04:52,069
in the system right as as everyone doors

111
00:04:56,499 --> 00:04:54,440
really and say I remember being a little

112
00:04:58,029 --> 00:04:56,509
kid and we had to make a model house and

113
00:05:01,360 --> 00:04:58,039

I made the White House because I heard

114

00:05:03,219 --> 00:05:01,370

like George Bush Senior being the

115

00:05:05,020 --> 00:05:03,229

president and he done something to

116

00:05:06,790 --> 00:05:05,030

protect Golden Eagles and I thought that

117

00:05:08,619 --> 00:05:06,800

sounded great and presidents protect

118

00:05:11,350 --> 00:05:08,629

Golden Eagles and they're the leaders of

119

00:05:13,029 --> 00:05:11,360

the free world and I felt everything was

120

00:05:16,080 --> 00:05:13,039

figured out and we have the scientific

121

00:05:20,189 --> 00:05:16,090

theories we have and for very well

122

00:05:22,540 --> 00:05:20,199

thought-out reasons okay and even if

123

00:05:25,089 --> 00:05:22,550

random mutations in evolutionary biology

124

00:05:26,409 --> 00:05:25,099

might not make sense to me it certainly

125

00:05:28,330 --> 00:05:26,419

makes sense the boffins at Oxford

126

00:05:29,740 --> 00:05:28,340

University okay and that they've might

127

00:05:31,839 --> 00:05:29,750

if I could get like talk to people like

128

00:05:33,430 --> 00:05:31,849

that my questions will be answered and

129

00:05:35,469 --> 00:05:33,440

even if economic systems maybe don't

130

00:05:37,420 --> 00:05:35,479

appear quite right sometimes of course

131

00:05:39,219 --> 00:05:37,430

that we all have the the economic

132

00:05:41,200 --> 00:05:39,229

policies we have because they are the

133

00:05:45,129 --> 00:05:41,210

best ones and it couldn't be any other

134

00:05:46,330 --> 00:05:45,139

way and so what one of many things have

135

00:05:47,649 --> 00:05:46,340

grown another thing be my just direct

136

00:05:49,450 --> 00:05:47,659

experience of going to the educational

137

00:05:52,540 --> 00:05:49,460

system but with the with the bush thing

138

00:05:53,830 --> 00:05:52,550

and initially I was cooked by just the

139

00:05:56,050 --> 00:05:53,840

what seemed to me like the most

140

00:05:58,420 --> 00:05:56,060

incredible coincidence off in a country

141

00:06:00,189 --> 00:05:58,430

300 million people the sense the idea

142

00:06:02,469 --> 00:06:00,199

the job one before getting it in it's

143

00:06:05,110 --> 00:06:02,479

like gosh is there some is there some

144

00:06:06,909 --> 00:06:05,120

fundamental reversion to monarchy that

145

00:06:08,170 --> 00:06:06,919

human societies just go through are we

146

00:06:10,300 --> 00:06:08,180

sort of that primitive that we just

147

00:06:12,640 --> 00:06:10,310

revert back to what seems like a less

148

00:06:13,809 --> 00:06:12,650

evolved form of government and then I

149

00:06:15,790 --> 00:06:13,819

thought well maybe it's you know maybe

150

00:06:17,439 --> 00:06:15,800

sometimes like the the children of great

151
00:06:19,420 --> 00:06:17,449
athletes or themselves great athletes

152
00:06:20,740 --> 00:06:19,430
for genetic reasons so maybe the Bush

153
00:06:22,629 --> 00:06:20,750
family are just the best of the bunch

154
00:06:24,700 --> 00:06:22,639
and George junior you know he really is

155
00:06:26,680 --> 00:06:24,710
the brightest America has to offer

156
00:06:29,050 --> 00:06:26,690
literally I thought this prior to seeing

157
00:06:31,600 --> 00:06:29,060
him on TV and that I did and it became

158
00:06:33,420 --> 00:06:31,610
apparent to me that the United States

159
00:06:34,710 --> 00:06:33,430
did have better to offer

160
00:06:36,750 --> 00:06:34,720
you know in terms of intellectual

161
00:06:38,460 --> 00:06:36,760
capacity and it's just something very

162
00:06:40,140 --> 00:06:38,470
wrong with this picture this the picture

163
00:06:42,510 --> 00:06:40,150

no longer makes sense you know so that

164

00:06:47,250 --> 00:06:42,520

was one of many cracks that were

165

00:06:49,950 --> 00:06:47,260

appearing at that time so roll that then

166

00:06:53,879 --> 00:06:49,960

I kind of sidetracked the story a little

167

00:06:56,670 --> 00:06:53,889

bit we have to roll that into 911 and I

168

00:06:59,670 --> 00:06:56,680

guess in particular if I was going to

169

00:07:02,700 --> 00:06:59,680

hone in because you've done so much work

170

00:07:05,310 --> 00:07:02,710

on it that we could spend an hour just

171

00:07:08,909 --> 00:07:05,320

talking about that what interested me

172

00:07:10,890 --> 00:07:08,919

from a skeptical perspective and this is

173

00:07:13,650 --> 00:07:10,900

jumping right into the middle of this

174

00:07:16,320 --> 00:07:13,660

story folks because again Richard has

175

00:07:18,719 --> 00:07:16,330

done so much work on this is a point

176

00:07:20,550 --> 00:07:18,729

where it was almost an aside almost a

177

00:07:23,760 --> 00:07:20,560

throwaway point Richard but you go you

178

00:07:27,480 --> 00:07:23,770

know hey look I can look at the building

179

00:07:30,080 --> 00:07:27,490

7 collapse and understand why people see

180

00:07:33,540 --> 00:07:30,090

that as a smoking gun you don't cover

181

00:07:38,490 --> 00:07:33,550

building seven you did this deep dive

182

00:07:40,710 --> 00:07:38,500

into the CIA into all these shenanigans

183

00:07:44,040 --> 00:07:40,720

that are going back and forth between

184

00:07:46,560 --> 00:07:44,050

the CIA and the FBI following all these

185

00:07:50,159 --> 00:07:46,570

guys and then you get and you start

186

00:07:53,190 --> 00:07:50,169

unraveling the the craziness of the

187

00:07:57,750 --> 00:07:53,200

intelligence agencies covering their ass

188

00:08:01,379 --> 00:07:57,760

when clearly they were following these

189

00:08:04,320 --> 00:08:01,389

guys knew about this thing and then were

190

00:08:07,710 --> 00:08:04,330

maneuvered by whatever force is out

191

00:08:12,629 --> 00:08:07,720

there to do that to kind of look the

192

00:08:15,120 --> 00:08:12,639

other way and bypass this yeah well just

193

00:08:17,010 --> 00:08:15,130

to give some backstory of this at 9/11

194

00:08:21,029 --> 00:08:17,020

is always kind of interesting me because

195

00:08:22,469 --> 00:08:21,039

I as I say it happened at this time of

196

00:08:24,659 --> 00:08:22,479

like where was just getting into

197

00:08:26,939 --> 00:08:24,669

spiritual awakening and these two things

198

00:08:28,529 --> 00:08:26,949

seemed awfully joined to me like the

199

00:08:30,120 --> 00:08:28,539

inner world in the outer right that

200

00:08:32,430 --> 00:08:30,130

there are deep mysteries in our own

201
00:08:33,719 --> 00:08:32,440
consciousness and also there are deep

202
00:08:35,339 --> 00:08:33,729
mysteries in the world the surface

203
00:08:37,890 --> 00:08:35,349
appearance that we are presented with in

204
00:08:39,839 --> 00:08:37,900
the nightly news is is not true and I

205
00:08:41,390 --> 00:08:39,849
think it back then there was also some

206
00:08:43,149 --> 00:08:41,400
way to recognition me that I didn't have

207
00:08:44,980 --> 00:08:43,159
enough world in

208
00:08:46,210 --> 00:08:44,990
in context to take on those questions

209
00:08:48,220 --> 00:08:46,220
and things like the internet just won't

210
00:08:50,800 --> 00:08:48,230
in the state they're in now obviously so

211
00:08:52,150 --> 00:08:50,810
I kind of I left it for a few years and

212
00:08:54,790 --> 00:08:52,160
came back to it and left it again and

213
00:08:56,710 --> 00:08:54,800

most recently I kind of stumbled into

214

00:08:59,439 --> 00:08:56,720

meeting this chap Adam Fitzgerald and

215

00:09:01,480 --> 00:08:59,449

he's the real hardcore 9/11 researcher

216

00:09:03,970 --> 00:09:01,490

so I've been working as him on the

217

00:09:07,240 --> 00:09:03,980

series and looking at the geopolitical

218

00:09:09,730 --> 00:09:07,250

history okay because building seven and

219

00:09:12,790 --> 00:09:09,740

the collapse of the towers has become

220

00:09:14,710 --> 00:09:12,800

9/11 for the conspiracy angle it's it's

221

00:09:16,960 --> 00:09:14,720

gonna consume this immense amount of

222

00:09:18,670 --> 00:09:16,970

attention perhaps for good reason but we

223

00:09:21,220 --> 00:09:18,680

certainly feel that there are ways you

224

00:09:22,720 --> 00:09:21,230

can prove government complicity in the

225

00:09:25,509 --> 00:09:22,730

attacks without mentioning the

226

00:09:27,220 --> 00:09:25,519

demolition of buildings at all and it's

227

00:09:29,740 --> 00:09:27,230

not the way we will never touch the

228

00:09:32,139 --> 00:09:29,750

buildings we actually just recorded with

229

00:09:34,600 --> 00:09:32,149

David Chandler last night the physicists

230

00:09:37,300 --> 00:09:34,610

who who did a lot of work on the

231

00:09:39,460 --> 00:09:37,310

collapse off the buildings and and he's

232

00:09:41,559 --> 00:09:39,470

the guy that forced NIST the National

233

00:09:44,019 --> 00:09:41,569

Institute of Standards and Technology to

234

00:09:46,119 --> 00:09:44,029

admit a period of freefall in there so

235

00:09:49,809 --> 00:09:46,129

we've had to step into that because it's

236

00:09:53,379 --> 00:09:49,819

too big to ignore but my feeling about

237

00:09:57,670 --> 00:09:53,389

it is people do not necessarily accept

238

00:09:59,740 --> 00:09:57,680

things for EM physics or statistical

239

00:10:01,240 --> 00:09:59,750

reasons alone okay so klasky example

240

00:10:04,540 --> 00:10:01,250

ever notices dr. Semmelweis the fellow

241

00:10:06,280 --> 00:10:04,550

who discovered that surgeons who work

242

00:10:08,920 --> 00:10:06,290

with corpses and then go straight into

243

00:10:12,309 --> 00:10:08,930

the maternity ward vastly increase the

244

00:10:13,540 --> 00:10:12,319

death rate of newborn babies and mothers

245

00:10:15,429 --> 00:10:13,550

and even though we could demonstrate

246

00:10:17,110 --> 00:10:15,439

this beyond all doubt statistically

247

00:10:18,819 --> 00:10:17,120

people wouldn't have it because there

248

00:10:20,199 --> 00:10:18,829

was no plausible mechanism for how a

249

00:10:22,569 --> 00:10:20,209

little bit of skin under the fingernails

250

00:10:24,790 --> 00:10:22,579

from a court could cause these kind of

251
00:10:26,799 --> 00:10:24,800
them these kind of effects prior to germ

252
00:10:28,660 --> 00:10:26,809
theory and you will of course see this

253
00:10:32,049 --> 00:10:28,670
with them psychical research and things

254
00:10:33,759 --> 00:10:32,059
so physics aside I think if you're gonna

255
00:10:38,049 --> 00:10:33,769
make those kind of claims you need to

256
00:10:40,480 --> 00:10:38,059
demonstrate what kind of geopolitical

257
00:10:43,600 --> 00:10:40,490
context what kind of structures in the

258
00:10:45,670 --> 00:10:43,610
deep state the CIA whoever else could

259
00:10:47,889 --> 00:10:45,680
give rise to ringing a building with

260
00:10:49,720 --> 00:10:47,899
explosive charges and so that's why

261
00:10:54,189 --> 00:10:49,730
we've we've laid towards the

262
00:10:56,140 --> 00:10:54,199
geopolitical in a strongly yeah I I hear

263
00:10:57,640 --> 00:10:56,150

that and I guess how

264

00:10:59,290 --> 00:10:57,650

we can turn this into something other

265

00:11:00,700 --> 00:10:59,300

than just kind of rambling discussion

266

00:11:03,670 --> 00:11:00,710

but it might just be a rambling

267

00:11:06,040 --> 00:11:03,680

discussion between two podcasters to me

268

00:11:08,350 --> 00:11:06,050

you're doing a lot more and you're doing

269

00:11:10,210 --> 00:11:08,360

a lot of deeper work in the kind of deep

270

00:11:12,220 --> 00:11:10,220

spiritual kind of thing that you said

271

00:11:15,130 --> 00:11:12,230

because I would maybe challenge you a

272

00:11:17,050 --> 00:11:15,140

little bit on that idea that oh you know

273

00:11:21,700 --> 00:11:17,060

the reason that people didn't accept

274

00:11:25,120 --> 00:11:21,710

that there's these unseen forces being

275

00:11:27,460 --> 00:11:25,130

germs and bacteria that caused women to

276

00:11:29,890 --> 00:11:27,470

get died when they're infected by the

277

00:11:31,900 --> 00:11:29,900

surgeon no people just did it because

278

00:11:33,790 --> 00:11:31,910

they just followed Authority I mean they

279

00:11:34,870 --> 00:11:33,800

were just told this is the truth and

280

00:11:36,970 --> 00:11:34,880

they just accepted it

281

00:11:40,300 --> 00:11:36,980

then it read the current science and

282

00:11:43,210 --> 00:11:40,310

then were you know converted by the data

283

00:11:46,180 --> 00:11:43,220

and in the same way 9/11 I mean people

284

00:11:49,000 --> 00:11:46,190

no one's gonna change their mind on this

285

00:11:52,870 --> 00:11:49,010

people not not no one I shouldn't say no

286

00:11:55,090 --> 00:11:52,880

a vast majority of people are not going

287

00:11:57,520 --> 00:11:55,100

to change their mind and the government

288

00:11:59,200 --> 00:11:57,530

agencies on the world basis you know we

289

00:12:01,060 --> 00:11:59,210

have ours here you have yours there and

290

00:12:03,130 --> 00:12:01,070

then there's something above that that

291

00:12:06,340 --> 00:12:03,140

we don't totally understand they rely on

292

00:12:08,320 --> 00:12:06,350

the fact that most people just do what

293

00:12:10,660 --> 00:12:08,330

they're told and most people are so

294

00:12:11,890 --> 00:12:10,670

involved in the day-to-day struggles of

295

00:12:13,810 --> 00:12:11,900

their life that they really don't have

296

00:12:15,760 --> 00:12:13,820

any time to look at any of this stuff in

297

00:12:17,710 --> 00:12:15,770

that so that's kind of one point that

298

00:12:19,330 --> 00:12:17,720

I'd make but the other point is we

299

00:12:21,370 --> 00:12:19,340

should never rely on intelligence

300

00:12:23,350 --> 00:12:21,380

organizations to do anything other than

301

00:12:25,270 --> 00:12:23,360

exactly what they did own absolutely

302

00:12:29,010 --> 00:12:25,280

absolutely just to address your first

303

00:12:31,570 --> 00:12:29,020

point briefly and I'm I appreciate the

304

00:12:33,760 --> 00:12:31,580

pessimism is true strong strong word but

305

00:12:35,290 --> 00:12:33,770

the pragmatism may be that you bring

306

00:12:36,790 --> 00:12:35,300

these kind of conversations in a world

307

00:12:39,190 --> 00:12:36,800

of spirituality where everyone thinks

308

00:12:41,020 --> 00:12:39,200

that the Age of Aquarius is dawning or

309

00:12:43,150 --> 00:12:41,030

something or we're going to have a

310

00:12:45,310 --> 00:12:43,160

revolution and overthrow the deep state

311

00:12:47,110 --> 00:12:45,320

and live in peace and happiness forever

312

00:12:49,090 --> 00:12:47,120

you've always been a bit more pragmatic

313

00:12:51,700 --> 00:12:49,100

on that and said no this is always going

314

00:12:55,600 --> 00:12:51,710

to be an issue the population and I

315

00:12:56,980 --> 00:12:55,610

appreciate that so when I say trying to

316

00:12:59,380 --> 00:12:56,990

demonstrate a plausibility to such a

317

00:13:01,180 --> 00:12:59,390

thing as bombs and buildings and I don't

318

00:13:02,350 --> 00:13:01,190

mean so that we can finally stick it in

319

00:13:03,640 --> 00:13:02,360

the face of the populace and they will

320

00:13:05,620 --> 00:13:03,650

have to come round and millions of

321

00:13:08,740 --> 00:13:05,630

people will take to the streets I mean

322

00:13:09,790 --> 00:13:08,750

to allow for an understanding of that

323

00:13:12,670 --> 00:13:09,800

firstly for myself

324

00:13:13,780 --> 00:13:12,680

and because I have gaps there - I don't

325

00:13:15,610 --> 00:13:13,790

know who could have given the order for

326

00:13:18,009 --> 00:13:15,620

such a thing and within the deep state

327

00:13:20,199 --> 00:13:18,019

and and then to allow for people who

328

00:13:22,449 --> 00:13:20,209

want to know - to come to know that but

329

00:13:24,910 --> 00:13:22,459

you dead and the second point yeah I

330

00:13:27,430 --> 00:13:24,920

think it's M it's beyond doubt comes in

331

00:13:29,650 --> 00:13:27,440

in September 11 itself that the CIA were

332

00:13:32,560 --> 00:13:29,660

protecting at least two of the hijackers

333

00:13:34,420 --> 00:13:32,570

and that can be demonstrated beyond all

334

00:13:37,720 --> 00:13:34,430

doubt and additionally going back to the

335

00:13:40,180 --> 00:13:37,730

1993 bombing it's clear that they were

336

00:13:41,769 --> 00:13:40,190

protecting the brooklyn cell and the

337

00:13:45,100 --> 00:13:41,779

nearly brought down the trade center

338

00:13:48,819 --> 00:13:45,110

then as part of an historic relationship

339

00:13:50,740 --> 00:13:48,829

with Islamist militant types which

340

00:13:52,420 --> 00:13:50,750

ratcheted up seriously in the nineteen

341

00:13:54,970 --> 00:13:52,430

eighties the you can go way back with it

342

00:13:58,030 --> 00:13:54,980

because there there are convenient proxy

343

00:14:00,460 --> 00:13:58,040

army to carry out geo strategic games

344

00:14:01,750 --> 00:14:00,470

and that's that's what the CIA and

345

00:14:03,160 --> 00:14:01,760

assorted intelligence agencies do

346

00:14:07,990 --> 00:14:03,170

they're not there to protect Americans

347

00:14:10,540 --> 00:14:08,000

from terror threats yeah there's just so

348

00:14:13,660 --> 00:14:10,550

many threads to pull on I might even if

349

00:14:15,160 --> 00:14:13,670

I have the time dig up a clip that you

350

00:14:18,010 --> 00:14:15,170

have from one of the things where you

351

00:14:21,100 --> 00:14:18,020

play in an interview from Richard Clarke

352

00:14:23,019 --> 00:14:21,110

who was in the White House what was his

353

00:14:25,120 --> 00:14:23,029

official position the White House he was

354

00:14:27,639 --> 00:14:25,130

national security coordinator in the

355

00:14:30,750 --> 00:14:27,649

White House so he oversaw different

356

00:14:33,400 --> 00:14:30,760

agencies in their relationship to the

357

00:14:35,199 --> 00:14:33,410

executive branch then the the the

358

00:14:36,699 --> 00:14:35,209

stunning thing about about that for me

359

00:14:39,760 --> 00:14:36,709

that kind of encapsulates this whole

360

00:14:42,190 --> 00:14:39,770

thing is Richard Clarke was just really

361

00:14:44,260 --> 00:14:42,200

hung out to dry on nests you know like

362

00:14:45,940 --> 00:14:44,270

gosh how did you blow this you know cuz

363

00:14:48,010 --> 00:14:45,950

we have to find somebody to blame and he

364

00:14:50,410 --> 00:14:48,020

fought back a little bit by kind of

365

00:14:54,370 --> 00:14:50,420

outing some people and in this interview

366

00:14:55,990 --> 00:14:54,380

he kind of outs the CIA and the FBI in

367

00:14:58,420 --> 00:14:56,000

terms of information he's getting back

368

00:15:02,410 --> 00:14:58,430

and he goes right up to the verge of

369

00:15:05,439 --> 00:15:02,420

saying clearly you know these guys lied

370

00:15:07,480 --> 00:15:05,449

you know including Mueller and from the

371

00:15:10,180 --> 00:15:07,490

FBI including all these other guys but

372

00:15:13,449 --> 00:15:10,190

then he backs off in typical you know

373

00:15:16,449 --> 00:15:13,459

intelligence fashion which is all we'll

374

00:15:18,850 --> 00:15:16,459

ever get and that's my bottom line and

375

00:15:21,519 --> 00:15:18,860

this is all we'll ever get is Richard

376

00:15:23,620 --> 00:15:21,529

Clarke saying well it could be this

377

00:15:28,300 --> 00:15:23,630

which is totally ridiculous

378

00:15:31,329 --> 00:15:28,310

don't know what it is yep

379

00:15:34,629 --> 00:15:31,339

so Richard call cloths clip is both

380

00:15:36,759 --> 00:15:34,639

deeply revealing and probably not

381

00:15:38,499 --> 00:15:36,769

entirely true okay oh we could certainly

382

00:15:40,600 --> 00:15:38,509

question the narrative ease each Pony

383

00:15:43,180 --> 00:15:40,610

across because and just to give the

384

00:15:46,269 --> 00:15:43,190

listener the narrative and to off the

385

00:15:48,129 --> 00:15:46,279

hijackers who Alderley boarded flight 77

386

00:15:51,189 --> 00:15:48,139

which went into the Pentagon the CIA

387

00:15:53,620 --> 00:15:51,199

knew they came into the country and not

388

00:15:54,819 --> 00:15:53,630

only failed to inform the FBI who should

389

00:15:57,129 --> 00:15:54,829

have taken over the case then but

390

00:15:58,720 --> 00:15:57,139

deliberately absolutely blocked the FBI

391

00:16:00,999 --> 00:15:58,730

from ever finding out they were there

392

00:16:03,069 --> 00:16:01,009

and whilst these guys were ferried

393

00:16:05,499 --> 00:16:03,079

around by Saudi intelligence with links

394

00:16:08,350 --> 00:16:05,509

to the royal family open to the point

395

00:16:11,680 --> 00:16:08,360

that they board the planes and so this

396

00:16:15,160 --> 00:16:11,690

is like a total crime right and Richard

397

00:16:16,749 --> 00:16:15,170

Clarke's and hypothesizes that the CIA

398

00:16:18,160 --> 00:16:16,759

were trying to flip these guys because

399

00:16:22,269 --> 00:16:18,170

they didn't have agents inside al-qaeda

400

00:16:24,040 --> 00:16:22,279

right and that's the bit though and it

401
00:16:25,509 --> 00:16:24,050
doesn't really make sense on in a lot of

402
00:16:27,610 --> 00:16:25,519
ways okay when you when you're going and

403
00:16:30,009 --> 00:16:27,620
we've just interviewed a an FBI agent

404
00:16:32,309 --> 00:16:30,019
who was involved in Alex ation at the

405
00:16:34,629 --> 00:16:32,319
time that's the CIA's bin Laden unit and

406
00:16:36,639 --> 00:16:34,639
who is also of that opinion who is also

407
00:16:38,499 --> 00:16:36,649
used and is very angry about it about

408
00:16:39,759 --> 00:16:38,509
how the CIA would not let him pass this

409
00:16:42,160 --> 00:16:39,769
information on to his colleagues at the

410
00:16:43,449 --> 00:16:42,170
FBI and and you know when you talk

411
00:16:44,800 --> 00:16:43,459
someone who's on the inside and they can

412
00:16:48,129 --> 00:16:44,810
resolve your question sometimes in the

413
00:16:49,990 --> 00:16:48,139

girl okay now I see and thus far that's

414

00:16:52,540 --> 00:16:50,000

not the sense we've come away with we've

415

00:16:54,910 --> 00:16:52,550

still come away feeling like yeah he

416

00:16:56,530 --> 00:16:54,920

actually makes far more sense if you

417

00:16:59,620 --> 00:16:56,540

look at it but certain people in the CIA

418

00:17:01,870 --> 00:16:59,630

wanted these attacks to to go ahead to

419

00:17:05,439 --> 00:17:01,880

me that looks like a more sensible

420

00:17:10,720 --> 00:17:05,449

picture yeah or the way I would phrase

421

00:17:14,710 --> 00:17:10,730

it is they had a ire instruction or

422

00:17:16,779 --> 00:17:14,720

mission to not intervene at some point

423

00:17:20,649 --> 00:17:16,789

not that they even knew what that was

424

00:17:24,669 --> 00:17:20,659

about and then after the attacks they

425

00:17:29,860 --> 00:17:24,679

had another you know mission and that

426

00:17:32,710 --> 00:17:29,870

was to not get killed suicided or you

427

00:17:36,820 --> 00:17:32,720

know completely sent to prison for not

428

00:17:40,870 --> 00:17:36,830

disclosing this so to me it just kind of

429

00:17:43,510 --> 00:17:40,880

is it's very instructive the series of

430

00:17:45,640 --> 00:17:43,520

interviews you did into exactly the

431

00:17:47,290 --> 00:17:45,650

psychology that must be going on in

432

00:17:49,120 --> 00:17:47,300

these people's minds you know I mean

433

00:17:50,920 --> 00:17:49,130

they're given a job to do they're doing

434

00:17:53,020 --> 00:17:50,930

the job the best they can and at some

435

00:17:56,110 --> 00:17:53,030

point they go WOW but shouldn't we be

436

00:17:57,940 --> 00:17:56,120

you know telling somebody then you put

437

00:17:59,530 --> 00:17:57,950

that aside and then 9/11 happens you

438

00:18:00,970 --> 00:17:59,540

what can you do I mean you there's

439

00:18:03,240 --> 00:18:00,980

nothing you can do you got to go along

440

00:18:06,340 --> 00:18:03,250

with the program now

441

00:18:08,110 --> 00:18:06,350

yeah and it's it's not speculative to

442

00:18:10,150 --> 00:18:08,120

say about getting in trouble all people

443

00:18:11,710 --> 00:18:10,160

that blew whistles on things after 9/11

444

00:18:13,480 --> 00:18:11,720

did get in serious trouble did have FBI

445

00:18:15,610 --> 00:18:13,490

agents bursting into their houses and

446

00:18:17,170 --> 00:18:15,620

putting guns to their head and some of

447

00:18:18,760 --> 00:18:17,180

them did do time in jail or lost their

448

00:18:20,920 --> 00:18:18,770

jobs or ended up a court at the very

449

00:18:22,750 --> 00:18:20,930

least so whereas all the people who and

450

00:18:25,540 --> 00:18:22,760

participated in the pre 9/11 cover-up

451
00:18:28,060 --> 00:18:25,550
and continued that Corp afterwards they

452
00:18:32,020 --> 00:18:28,070
all got promoted so it's entirely

453
00:18:33,490 --> 00:18:32,030
accurate yeah you know the thing I tell

454
00:18:36,010 --> 00:18:33,500
you is there there's no such thing as

455
00:18:38,550 --> 00:18:36,020
whistleblowers anymore if you see a

456
00:18:41,430 --> 00:18:38,560
whistleblower you should be immediately

457
00:18:45,580 --> 00:18:41,440
suspect and in a minute we'll talk about

458
00:18:48,100 --> 00:18:45,590
ET and the t TSA to the Stars Academy

459
00:18:50,740 --> 00:18:48,110
and the controlled disclosure on all

460
00:18:53,950 --> 00:18:50,750
that and to me one of the first telltale

461
00:18:55,960 --> 00:18:53,960
signs of that whole thing is the guy

462
00:18:58,600 --> 00:18:55,970
claims to be a whistleblower and he's

463
00:19:01,180 --> 00:18:58,610

not a whistleblower so it's it's a

464

00:19:03,790 --> 00:19:01,190

controlled fake with whistleblowers wind

465

00:19:06,880 --> 00:19:03,800

up in jail or dead that's the way it is

466

00:19:08,770 --> 00:19:06,890

now yeah absolutely yeah I'm not saying

467

00:19:11,140 --> 00:19:08,780

there's no time you know there are

468

00:19:12,910 --> 00:19:11,150

people who go through hardship and that

469

00:19:13,900 --> 00:19:12,920

that would indicate you know through

470

00:19:15,820 --> 00:19:13,910

whistleblowing and that would indicate

471

00:19:18,280 --> 00:19:15,830

maybe there's something more serious

472

00:19:19,660 --> 00:19:18,290

about their story but and yes that's the

473

00:19:22,930 --> 00:19:19,670

general path we have to be very careful

474

00:19:24,460 --> 00:19:22,940

and discerning in to me what's really

475

00:19:26,830 --> 00:19:24,470

really significant about what you're

476

00:19:29,380 --> 00:19:26,840

doing is you are connecting it as we

477

00:19:32,620 --> 00:19:29,390

said from the very beginning to the deep

478

00:19:37,120 --> 00:19:32,630

state contemplation that is the personal

479

00:19:41,200 --> 00:19:37,130

spiritual journey kind of thing and I've

480

00:19:44,650 --> 00:19:41,210

always felt that the conspiracy stuff

481

00:19:47,519 --> 00:19:44,660

the conspiracy science if you will the

482

00:19:50,820 --> 00:19:47,529

conspiracy ethos

483

00:19:53,430 --> 00:19:50,830

has a role to play in that because the

484

00:19:55,560 --> 00:19:53,440

folks that I encountered in I encounter

485

00:19:58,379 --> 00:19:55,570

over and over again who are not willing

486

00:20:01,499 --> 00:19:58,389

to go there are not willing to look at

487

00:20:03,269 --> 00:20:01,509

that shadow because 9/11 is a shadow we

488

00:20:06,180 --> 00:20:03,279

don't know where the shadow goes and I

489

00:20:08,789 --> 00:20:06,190

don't particularly care to spend my

490

00:20:11,879 --> 00:20:08,799

whole life tracing down those shadows

491

00:20:14,399 --> 00:20:11,889

but I do think as part of my spiritual

492

00:20:17,519 --> 00:20:14,409

path it's important to understand that

493

00:20:18,899 --> 00:20:17,529

there is a shadow there we had an

494

00:20:21,379 --> 00:20:18,909

interesting conversation I don't know a

495

00:20:24,480 --> 00:20:21,389

year or so ago with Tim Freak who I

496

00:20:26,940 --> 00:20:24,490

loved him and he's awesome but he's just

497

00:20:28,379 --> 00:20:26,950

not willing to go there on any of this

498

00:20:30,570 --> 00:20:28,389

stuff I have a similar kind of

499

00:20:34,549 --> 00:20:30,580

relationship with my buddy Rick Archer

500

00:20:39,060 --> 00:20:34,559

good at the gas pump just close to this

501
00:20:43,700 --> 00:20:39,070
aspect which to me seems to close them

502
00:20:46,889 --> 00:20:43,710
off from a greater part of this

503
00:20:51,840 --> 00:20:46,899
spiritual path that needs to be explored

504
00:20:55,320 --> 00:20:51,850
where does 9/11 fit with you and your

505
00:20:58,080 --> 00:20:55,330
deeply spiritual show you know I'm not

506
00:21:00,749 --> 00:20:58,090
entirely sure it very much arises from

507
00:21:03,299 --> 00:21:00,759
the felt place in me that these things

508
00:21:04,919 --> 00:21:03,309
are connected and maybe one day I'll

509
00:21:06,360 --> 00:21:04,929
conclude that they're not and there

510
00:21:10,169 --> 00:21:06,370
really is no link between spirituality

511
00:21:12,690 --> 00:21:10,179
and events like 9/11 for my felt senses

512
00:21:14,009 --> 00:21:12,700
and that there is I think you know if my

513
00:21:16,740 --> 00:21:14,019

podcast is about anything it's about

514

00:21:21,659 --> 00:21:16,750

being with what is and how we perceive

515

00:21:23,460 --> 00:21:21,669

the world and how things aren't what

516

00:21:25,289 --> 00:21:23,470

they appear to be and 9/11 is certainly

517

00:21:28,850 --> 00:21:25,299

something that isn't what it appears to

518

00:21:31,139 --> 00:21:28,860

be so it draws me in in that way and and

519

00:21:33,330 --> 00:21:31,149

then the question becomes well how deep

520

00:21:36,029 --> 00:21:33,340

does that rabbit hole go are we going

521

00:21:39,180 --> 00:21:36,039

all the way into you know Illuminati

522

00:21:40,590 --> 00:21:39,190

type groups and connections with all the

523

00:21:42,779 --> 00:21:40,600

worlds the entities they're all really

524

00:21:44,940 --> 00:21:42,789

behind I don't not how are we not

525

00:21:47,190 --> 00:21:44,950

that's the inevitable thing I think

526

00:21:49,740 --> 00:21:47,200

arises when we acknowledge okay

527

00:21:53,820 --> 00:21:49,750

you know dr. Julie by Schiller's showing

528

00:21:56,129 --> 00:21:53,830

us that there's a validity to this or

529

00:21:57,480 --> 00:21:56,139

the worldly contact in some way if we

530

00:21:59,639 --> 00:21:57,490

thought we needed that maybe our

531

00:22:00,539 --> 00:21:59,649

personal anecdotal experience as shown

532

00:22:03,299 --> 00:22:00,549

as that

533

00:22:05,009 --> 00:22:03,309

and then furthermore we see that that's

534

00:22:06,389 --> 00:22:05,019

not all sweetness and light there are a

535

00:22:08,129 --> 00:22:06,399

percentage of people who have very

536

00:22:10,199 --> 00:22:08,139

negative experiences which there seems

537

00:22:11,549 --> 00:22:10,209

to be whatever's going on over there it

538

00:22:14,959 --> 00:22:11,559

seems to be a spectrum of good and bad

539

00:22:17,399 --> 00:22:14,969

and so I've interviewed the

540

00:22:20,940 --> 00:22:17,409

psychotherapist Gerry Mezvinsky on my

541

00:22:23,430 --> 00:22:20,950

show who who worked with people in both

542

00:22:25,349 --> 00:22:23,440

in the mental institution and in prisons

543

00:22:27,719 --> 00:22:25,359

suffering with what was called

544

00:22:30,419 --> 00:22:27,729

schizophrenia this hearing of tormenting

545

00:22:32,369 --> 00:22:30,429

of voices continuously encouraging them

546

00:22:34,649 --> 00:22:32,379

to do negative violent things running

547

00:22:37,319 --> 00:22:34,659

them down the whole time and he became

548

00:22:39,989 --> 00:22:37,329

firmly convinced this was all the

549

00:22:41,909 --> 00:22:39,999

worldly spirit contact coming through it

550

00:22:43,829 --> 00:22:41,919

was factor of that he derived a method

551
00:22:46,169 --> 00:22:43,839
which helped people from viewing it that

552
00:22:50,459 --> 00:22:46,179
way okay but if we go with that then

553
00:22:52,709 --> 00:22:50,469
it's the question of what effect has

554
00:22:54,839 --> 00:22:52,719
that world had on this historically

555
00:22:58,499 --> 00:22:54,849
becomes what we just can't not ask

556
00:23:00,029 --> 00:22:58,509
anymore okay because we tend to look at

557
00:23:01,919 --> 00:23:00,039
it at individual levels both good and

558
00:23:03,839 --> 00:23:01,929
bad like people might have mediumistic

559
00:23:05,759 --> 00:23:03,849
contact with family members or people

560
00:23:07,440 --> 00:23:05,769
might be tormented by something they

561
00:23:09,930 --> 00:23:07,450
consider to be a Hungry Ghost or a

562
00:23:11,399 --> 00:23:09,940
demonic entity but it's surely not just

563
00:23:12,810 --> 00:23:11,409

then on an individual that were what

564

00:23:15,060 --> 00:23:12,820

what if we acknowledge the existence

565

00:23:17,159 --> 00:23:15,070

this realm it becomes inevitable that is

566

00:23:20,099 --> 00:23:17,169

having a global effect doesn't it that's

567

00:23:24,839 --> 00:23:20,109

the way I'd look at it absolutely and

568

00:23:27,839 --> 00:23:24,849

when I heard you say that on the show it

569

00:23:29,099 --> 00:23:27,849

was like an aha moment of like of course

570

00:23:32,159 --> 00:23:29,109

of course

571

00:23:34,319 --> 00:23:32,169

and why aren't more people going there

572

00:23:36,989 --> 00:23:34,329

and I understand it you know I

573

00:23:39,239 --> 00:23:36,999

understand we get into near-death

574

00:23:41,909 --> 00:23:39,249

experience for example and we're going

575

00:23:43,049 --> 00:23:41,919

to kind of plow through all the first

576

00:23:45,239 --> 00:23:43,059

we're going to look at the science you

577

00:23:46,979 --> 00:23:45,249

know it is it real is it the last gasp

578

00:23:48,629 --> 00:23:46,989

of a dying bringing and we're gonna beat

579

00:23:49,889 --> 00:23:48,639

down all the skeptics and all that and

580

00:23:51,419 --> 00:23:49,899

then we're going to take such pride and

581

00:23:53,489 --> 00:23:51,429

wrap ourselves around the data that we

582

00:23:57,810 --> 00:23:53,499

have it is real my god

583

00:23:59,729 --> 00:23:57,820

you know you do and then you're gonna

584

00:24:02,819 --> 00:23:59,739

dive into the accounts and you're gonna

585

00:24:04,940 --> 00:24:02,829

look at all the accounts and say wow you

586

00:24:06,719 --> 00:24:04,950

know isn't is awesome and life

587

00:24:08,399 --> 00:24:06,729

transforming and spiritually

588

00:24:10,879 --> 00:24:08,409

transformative experience and how you're

589

00:24:12,899 --> 00:24:10,889

changed and all that stuff it is awesome

590

00:24:14,040 --> 00:24:12,909

but then when you're going to take a

591

00:24:16,830 --> 00:24:14,050

step back

592

00:24:20,370 --> 00:24:16,840

you're gonna say what does this now mean

593

00:24:22,980 --> 00:24:20,380

in terms of the larger implications for

594

00:24:24,690 --> 00:24:22,990

extended consciousness and you arrive at

595

00:24:28,260 --> 00:24:24,700

the kind of questions that you just

596

00:24:32,150 --> 00:24:28,270

asked well if there are these other

597

00:24:36,650 --> 00:24:32,160

forces and they are both monovalent and

598

00:24:39,570 --> 00:24:36,660

benevolent what how are they impacting

599

00:24:42,510 --> 00:24:39,580

the rest of the world that I lived I

600

00:24:45,780 --> 00:24:42,520

live in beyond me beyond my family

601
00:24:48,840 --> 00:24:45,790
beyond my mother who I connected with in

602
00:24:52,800 --> 00:24:48,850
a medium reading how are they connecting

603
00:24:58,680 --> 00:24:52,810
with these people who perpetrated 9/11

604
00:25:01,710 --> 00:24:58,690
why I that's a question that I think is

605
00:25:03,510 --> 00:25:01,720
a way that you connect these things that

606
00:25:06,090 --> 00:25:03,520
we need so much more of because I don't

607
00:25:09,270 --> 00:25:06,100
know who else is stepping into that

608
00:25:10,530 --> 00:25:09,280
void well I seen historically like

609
00:25:13,320 --> 00:25:10,540
you've had them I think his name is

610
00:25:14,880 --> 00:25:13,330
Jason Horsley on the show and he talked

611
00:25:18,030 --> 00:25:14,890
about his research I read all the people

612
00:25:20,160 --> 00:25:18,040
saying the same thing about him John D

613
00:25:22,650 --> 00:25:20,170

is considered the intellectual architect

614

00:25:27,330 --> 00:25:22,660

of the British Empire he had the idea of

615

00:25:30,420 --> 00:25:27,340

this maritime Empire and he got it out

616

00:25:33,240 --> 00:25:30,430

of scrying sessions where some spirit

617

00:25:35,730 --> 00:25:33,250

being claiming to be the alka Archangel

618

00:25:38,610 --> 00:25:35,740

Michael came through and given the whole

619

00:25:40,620 --> 00:25:38,620

idea of this so the British Empire I

620

00:25:42,540 --> 00:25:40,630

suppose you could say morphed into the

621

00:25:45,390 --> 00:25:42,550

anglo-american Empire so you have the

622

00:25:48,600 --> 00:25:45,400

dominant power structure of the past 300

623

00:25:51,380 --> 00:25:48,610

years came through a spirit being

624

00:25:53,400 --> 00:25:51,390

claimed from the Archangel Michael no

625

00:25:55,470 --> 00:25:53,410

how do you write that into a history

626
00:25:57,240 --> 00:25:55,480
books you know well and then take that

627
00:25:59,040 --> 00:25:57,250
one step further because this is the

628
00:26:02,640 --> 00:25:59,050
kind of deep dive stuff that we got to

629
00:26:05,210 --> 00:26:02,650
do because you're talking about hungry

630
00:26:08,430 --> 00:26:05,220
ghosts and you're talking about

631
00:26:09,870 --> 00:26:08,440
deception in that realm which is really

632
00:26:13,590 --> 00:26:09,880
where we have to go and we have to start

633
00:26:17,660 --> 00:26:13,600
pulling that apart and that experience

634
00:26:21,120 --> 00:26:17,670
of John Dee has all the earmarks of

635
00:26:23,820 --> 00:26:21,130
deception so like you had a great

636
00:26:26,010 --> 00:26:23,830
interview with Claire broad who I just

637
00:26:26,850 --> 00:26:26,020
interviewed recently as well and my

638
00:26:28,799 --> 00:26:26,860

interview is not

639

00:26:29,820 --> 00:26:28,809

but you guys did a great great job in

640

00:26:33,180 --> 00:26:29,830

that interview and one of the things

641

00:26:35,480 --> 00:26:33,190

that you asked Claire is hey I have a

642

00:26:37,880 --> 00:26:35,490

number of people who are worried about

643

00:26:40,889 --> 00:26:37,890

you know encountering

644

00:26:43,440 --> 00:26:40,899

evil entities Minh Evelyn entities in

645

00:26:45,810 --> 00:26:43,450

this other room and she was very I think

646

00:26:47,399 --> 00:26:45,820

she's awesome person I really really

647

00:26:49,200 --> 00:26:47,409

appreciate her and I think she was being

648

00:26:51,060 --> 00:26:49,210

totally upfront when she says look I

649

00:26:53,430 --> 00:26:51,070

don't encounter that I've been doing

650

00:26:55,200 --> 00:26:53,440

this for 22 years it does not come up

651
00:26:59,039 --> 00:26:55,210
and that couple times it does come up I

652
00:27:02,759 --> 00:26:59,049
don't go there and it goes away I get

653
00:27:04,740 --> 00:27:02,769
that from my own spiritual understanding

654
00:27:06,360 --> 00:27:04,750
I get the secret of the ascent is to

655
00:27:09,659 --> 00:27:06,370
always look up that you can always

656
00:27:13,440 --> 00:27:09,669
choose light over dark and I get that on

657
00:27:15,299 --> 00:27:13,450
a as above so below level in terms of

658
00:27:18,840 --> 00:27:15,309
you you want to go looking for darkness

659
00:27:21,629 --> 00:27:18,850
to enter the spiritual realm you can

660
00:27:23,460 --> 00:27:21,639
just drive around your neighborhood and

661
00:27:24,810 --> 00:27:23,470
you'll find plenty of darkness and

662
00:27:28,169 --> 00:27:24,820
you'll find plenty of people who are

663
00:27:32,629 --> 00:27:28,179

doing horribly evil things so I get that

664

00:27:38,789 --> 00:27:32,639

on both of those levels what I don't

665

00:27:42,570 --> 00:27:38,799

fully understand is how we connect that

666

00:27:45,230 --> 00:27:42,580

with the deep impact that that these

667

00:27:47,519 --> 00:27:45,240

beings seem to be having on our

668

00:27:51,840 --> 00:27:47,529

governments on our there's no other way

669

00:27:56,279 --> 00:27:51,850

to put it I mean our it's hard to see

670

00:28:00,750 --> 00:27:56,289

back to 9/11 it's hard to see that other

671

00:28:03,720 --> 00:28:00,760

than evil on so many levels and not evil

672

00:28:07,110 --> 00:28:03,730

in terms of I mean evil are evil the

673

00:28:08,820 --> 00:28:07,120

United States are evil if we pull in

674

00:28:11,820 --> 00:28:08,830

other people's Mossad is evil is

675

00:28:14,370 --> 00:28:11,830

Israel's evil Saudi Arabia is evil so be

676

00:28:16,230 --> 00:28:14,380

it but there's a lot of you there's

677

00:28:19,019 --> 00:28:16,240

enough to go around there where's the

678

00:28:20,399 --> 00:28:19,029

light in that I'll just return to the

679

00:28:21,750 --> 00:28:20,409

point I made earlier that this is if

680

00:28:23,789 --> 00:28:21,760

you're crossing the line into

681

00:28:25,019 --> 00:28:23,799

acknowledging the reality of this realm

682

00:28:26,669 --> 00:28:25,029

whatever it is it becomes an

683

00:28:28,139 --> 00:28:26,679

inevitability right that it's having

684

00:28:31,259 --> 00:28:28,149

this massive effect in the world that

685

00:28:31,889 --> 00:28:31,269

we're not acknowledging and as to what I

686

00:28:34,590 --> 00:28:31,899

think of it

687

00:28:36,180 --> 00:28:34,600

I want to proceed cautiously because I

688

00:28:38,549 --> 00:28:36,190

feel around the kind of thing we've done

689

00:28:40,350 --> 00:28:38,559

with the CIA and Alex Asian and Islamic

690

00:28:41,820 --> 00:28:40,360

hijackers

691

00:28:43,289 --> 00:28:41,830

we've stepped very cautiously step by

692

00:28:45,060 --> 00:28:43,299

step proving everything along the way to

693

00:28:47,100 --> 00:28:45,070

have something that's very solid okay

694

00:28:49,560 --> 00:28:47,110

and whilst I might take the leaps in

695

00:28:51,330 --> 00:28:49,570

speculative conversations I want to take

696

00:28:55,230 --> 00:28:51,340

my time and receive very cautiously in

697

00:28:57,539 --> 00:28:55,240

this kind of area too and I wonder about

698

00:29:01,200 --> 00:28:57,549

that Richard and that's one thing I plan

699

00:29:04,770 --> 00:29:01,210

on doing differently as I move forward

700

00:29:07,020 --> 00:29:04,780

is a lot more leaps because because

701

00:29:09,030 --> 00:29:07,030

you're there but I interview so many

702

00:29:11,760 --> 00:29:09,040

people that need to be pushed into that

703

00:29:15,240 --> 00:29:11,770

leap yeah so um

704

00:29:17,820 --> 00:29:15,250

I certainly agree with you know placing

705

00:29:21,480 --> 00:29:17,830

our attention on that area and taking

706

00:29:24,049 --> 00:29:21,490

leaps and such however what I what I

707

00:29:26,880 --> 00:29:24,059

also see and this is not a factor in

708

00:29:30,450 --> 00:29:26,890

skeptical right but I do see out there

709

00:29:31,890 --> 00:29:30,460

that there can be people people take a

710

00:29:34,640 --> 00:29:31,900

lot of leaps in the conspiracy world

711

00:29:35,820 --> 00:29:34,650

into very unsubstantiated information

712

00:29:38,310 --> 00:29:35,830

okay

713

00:29:40,230 --> 00:29:38,320

and I think certain traps are set for

714

00:29:43,799 --> 00:29:40,240

people right there's two ways you can

715

00:29:46,919 --> 00:29:43,809

short down a solid investigation into

716

00:29:48,659 --> 00:29:46,929

state violence one is to be dismissive

717

00:29:49,980 --> 00:29:48,669

off it and say you're a bunch of fools

718

00:29:52,320 --> 00:29:49,990

you're exaggerating your fans sister of

719

00:29:54,210 --> 00:29:52,330

conspiracy theorists and the other is to

720

00:29:55,320 --> 00:29:54,220

say yeah and not only that but the

721

00:29:57,060 --> 00:29:55,330

planes were Holograms and they were

722

00:29:59,850 --> 00:29:57,070

being directed by energy weapons from

723

00:30:01,140 --> 00:29:59,860

outer space now whilst I can't you know

724

00:30:07,440 --> 00:30:01,150

glue the flames well the ground and so

725

00:30:10,140 --> 00:30:07,450

on and grossly exaggerated claims are a

726

00:30:11,820 --> 00:30:10,150

way of covering things up so conspiracy

727

00:30:14,909 --> 00:30:11,830

theory can become a part of the official

728

00:30:17,330 --> 00:30:14,919

core and that's all I mean by not easily

729

00:30:21,000 --> 00:30:17,340

I would go one step further is it always

730

00:30:24,180 --> 00:30:21,010

is always a tactic as part of the

731

00:30:27,180 --> 00:30:24,190

cover-up so I look at you know what's

732

00:30:29,970 --> 00:30:27,190

going on today I'd say one that that I

733

00:30:33,060 --> 00:30:29,980

have a hunch kind of from another angle

734

00:30:36,090 --> 00:30:33,070

the whole flat earth thing absolutely

735

00:30:38,930 --> 00:30:36,100

the traction that it got yeah what are

736

00:30:43,110 --> 00:30:38,940

your things my hunch is that that was

737

00:30:45,180 --> 00:30:43,120

fed watered and nurtured along as a way

738

00:30:47,730 --> 00:30:45,190

of kind of pointing at something and

739

00:30:49,919 --> 00:30:47,740

going and look at how stupid people are

740

00:30:51,930 --> 00:30:49,929

to believe that well both of those

741

00:30:53,910 --> 00:30:51,940

things I was a bit ahead of the curve if

742

00:30:56,520 --> 00:30:53,920

you're part of my expression on

743

00:30:57,840 --> 00:30:56,530

Flattr of kazan years ago I had a bit of

744

00:30:59,370 --> 00:30:57,850

philosophy of science course and my

745

00:31:01,380 --> 00:30:59,380

teacher he always wanted to base like

746

00:31:03,060 --> 00:31:01,390

the whole year's course around the flat

747

00:31:04,560 --> 00:31:03,070

earth right and this is this is when

748

00:31:06,930 --> 00:31:04,570

they were like ten legitimate flat

749

00:31:08,880 --> 00:31:06,940

earthers in the world okay so I'm

750

00:31:11,850 --> 00:31:08,890

assuming he's delighted by the recent

751

00:31:13,410 --> 00:31:11,860

turn of events I on the other hand did

752

00:31:15,210 --> 00:31:13,420

not want to do that because I felt there

753

00:31:17,070 --> 00:31:15,220

are so many real controversies in the

754

00:31:18,900 --> 00:31:17,080

world like the things that science takes

755

00:31:21,570 --> 00:31:18,910

absolutely for granted which I don't

756

00:31:23,310 --> 00:31:21,580

think should be the fastest is not worth

757

00:31:25,530 --> 00:31:23,320

my time and I like continued of that so

758

00:31:27,240 --> 00:31:25,540

I think two things one I hope to live

759

00:31:29,310 --> 00:31:27,250

long enough to see the CIA documents

760

00:31:31,980 --> 00:31:29,320

Declassified ago they did see the Flat

761

00:31:35,010 --> 00:31:31,990

Earth story on t YouTube okay they will

762

00:31:36,840 --> 00:31:35,020

hustle of course of course I suspect

763

00:31:39,030 --> 00:31:36,850

that it's been helped along of course

764

00:31:41,220 --> 00:31:39,040

and and the second floor again I'm just

765

00:31:42,960 --> 00:31:41,230

just parroting what what you said Alex

766

00:31:44,880 --> 00:31:42,970

it's an interesting sociological

767

00:31:46,920 --> 00:31:44,890

phenomena that breakdown of trust

768

00:31:49,020 --> 00:31:46,930

because I remember myself and make the

769

00:31:50,370 --> 00:31:49,030

admission I was and I was not a flat

770

00:31:52,710 --> 00:31:50,380

earther but I certainly questioned

771

00:31:54,270 --> 00:31:52,720

things when I was 10 right because I'm

772

00:31:56,550 --> 00:31:54,280

very interested in science and I

773

00:31:58,350 --> 00:31:56,560

remember like holding a ball open

774

00:32:00,480 --> 00:31:58,360

imagining it hands walking around it in

775

00:32:01,440 --> 00:32:00,490

my school class and thinking like if it

776

00:32:03,060 --> 00:32:01,450

why don't people in the southern

777

00:32:04,800 --> 00:32:03,070

hemisphere fall off right because this

778

00:32:06,510 --> 00:32:04,810

is natural impulse to move downwards

779

00:32:08,550 --> 00:32:06,520

this is that and then you know I found

780

00:32:12,450 --> 00:32:08,560

out about gravity in Newton and oh okay

781

00:32:14,070 --> 00:32:12,460

that's it so I think and if I was to

782

00:32:16,550 --> 00:32:14,080

take something positive from this it

783

00:32:18,570 --> 00:32:16,560

seems like maybe on a societal level and

784

00:32:21,150 --> 00:32:18,580

society is going through that kind of

785

00:32:22,560 --> 00:32:21,160

hang on I trust so little of what you

786

00:32:24,600 --> 00:32:22,570

say now I don't even believe you've got

787

00:32:26,610 --> 00:32:24,610

the shape of the earth right okay and I

788

00:32:29,880 --> 00:32:26,620

can take a positive from it in that way

789

00:32:31,140 --> 00:32:29,890

in there I imagine a lot of people who

790

00:32:34,710 --> 00:32:31,150

were that other there's two or three

791

00:32:36,300 --> 00:32:34,720

years ago or are now will not be now or

792

00:32:37,470 --> 00:32:36,310

will not be in five years time I

793

00:32:38,340 --> 00:32:37,480

wouldn't be surprised at all it's

794

00:32:40,200 --> 00:32:38,350

something they want to do very

795

00:32:42,600 --> 00:32:40,210

interesting things in other areas and

796

00:32:45,330 --> 00:32:42,610

this is like the foundational thing for

797

00:32:47,700 --> 00:32:45,340

them and indeed and one thing I learned

798

00:32:48,720 --> 00:32:47,710

from spending time on your forum I'm not

799

00:32:50,010 --> 00:32:48,730

going to get the term right but there

800

00:32:53,220 --> 00:32:50,020

were two gentlemen on there talking

801
00:32:55,050 --> 00:32:53,230
about how there's a way of inquiry that

802
00:32:56,910 --> 00:32:55,060
when you start off by going to the most

803
00:32:58,770 --> 00:32:56,920
extreme proposition and then working

804
00:33:00,180 --> 00:32:58,780
your way into the center I can't recall

805
00:33:01,710 --> 00:33:00,190
that I'd keep me need to go back home

806
00:33:03,930 --> 00:33:01,720
from through the skeptical forums and

807
00:33:05,730 --> 00:33:03,940
find the term because I was a new one to

808
00:33:07,320 --> 00:33:05,740
me but I think that's that it's

809
00:33:09,090 --> 00:33:07,330
something that I've won

810
00:33:11,419 --> 00:33:09,100
the adopted and maybe what I see people

811
00:33:14,039 --> 00:33:11,429
adopting now with with the Flat Earth

812
00:33:18,239 --> 00:33:14,049
interesting interesting

813
00:33:21,239 --> 00:33:18,249

let's return to the non-dual thing yep

814

00:33:26,960 --> 00:33:21,249

and explaining what that is what spend

815

00:33:29,759 --> 00:33:26,970

your experience with it and if it is I

816

00:33:33,060 --> 00:33:29,769

don't know want to say an alternative to

817

00:33:35,549 --> 00:33:33,070

but it does seem to be from my own

818

00:33:39,180 --> 00:33:35,559

experience with it and it being part of

819

00:33:41,999 --> 00:33:39,190

my spiritual path being somewhat of an

820

00:33:46,590 --> 00:33:42,009

answer to the questions that we were

821

00:33:49,979 --> 00:33:46,600

raising in terms of the Hungry Ghost the

822

00:33:53,330 --> 00:33:49,989

malevolent forces that are so dominant

823

00:33:58,919 --> 00:33:53,340

in our political lives and in our

824

00:34:01,440 --> 00:33:58,929

society yeah well I think it's a it's an

825

00:34:03,629 --> 00:34:01,450

answer to everything but the detail okay

826

00:34:06,180 --> 00:34:03,639

so it's a way we can navigate our way

827

00:34:07,739 --> 00:34:06,190

through all these subjects and without

828

00:34:09,990 --> 00:34:07,749

necessarily knowing all the hungry

829

00:34:11,099 --> 00:34:10,000

ghosts aliens or alien hungry ghosts and

830

00:34:13,139 --> 00:34:11,109

some of the detail like that it doesn't

831

00:34:14,579 --> 00:34:13,149

give us but in terms of like if you're

832

00:34:18,750 --> 00:34:14,589

being attacked by a Hungry Ghost how

833

00:34:21,210 --> 00:34:18,760

what do you do about that then and we

834

00:34:22,680 --> 00:34:21,220

can look there for support in that so

835

00:34:25,250 --> 00:34:22,690

what would you like on would you like a

836

00:34:28,079 --> 00:34:25,260

biography for me of my involvement or

837

00:34:31,950 --> 00:34:28,089

yeah that'd be that'd be fine would

838

00:34:33,839 --> 00:34:31,960

elevate the biographies probably one of

839

00:34:35,399 --> 00:34:33,849

more interesting things about me I

840

00:34:38,339 --> 00:34:35,409

suppose somehow I'll give you that and

841

00:34:40,230 --> 00:34:38,349

so it started for me is like reasonably

842

00:34:42,980 --> 00:34:40,240

jaded sixteen-year-old who had rejected

843

00:34:47,280 --> 00:34:42,990

his religious upbringing in favor of a

844

00:34:49,559 --> 00:34:47,290

materialist atheism and finding the lack

845

00:34:51,780 --> 00:34:49,569

of meaning contained within that was

846

00:34:56,129 --> 00:34:51,790

starting to weigh evermore heavily okay

847

00:34:58,530 --> 00:34:56,139

as I dragged into that position and I've

848

00:35:00,960 --> 00:34:58,540

never heard anyone else quite have this

849

00:35:03,270 --> 00:35:00,970

story but for me it started with going

850

00:35:06,690 --> 00:35:03,280

to the pub and drinking some whiskey

851
00:35:08,940 --> 00:35:06,700
okay and whatever that did to me okay

852
00:35:12,270 --> 00:35:08,950
the next day I would wake up in this

853
00:35:15,270 --> 00:35:12,280
kind of absolute all the world off just

854
00:35:17,339 --> 00:35:15,280
bliss and I would like walk around in

855
00:35:19,599 --> 00:35:17,349
the garden feeling the life force in the

856
00:35:22,789 --> 00:35:19,609
trees and the grass under my feet

857
00:35:23,749 --> 00:35:22,799
struggling to find any description of

858
00:35:26,210 --> 00:35:23,759
what just happened to me

859
00:35:27,920 --> 00:35:26,220
but the best I could come up with

860
00:35:29,809 --> 00:35:27,930
fitting into a kind of the Christian

861
00:35:31,759 --> 00:35:29,819
upbringing I had was like it felt like I

862
00:35:34,249 --> 00:35:31,769
knew that heaven existed in this world

863
00:35:36,499 --> 00:35:34,259

was a small part of something timeless

864

00:35:38,589 --> 00:35:36,509

beyond it that we come from and return

865

00:35:43,190 --> 00:35:38,599

to and that sense of knowledge

866

00:35:44,630 --> 00:35:43,200

eradicated my sense of panic about life

867

00:35:46,430 --> 00:35:44,640

my worrying about the future my

868

00:35:49,039 --> 00:35:46,440

threatening about what I hadn't done and

869

00:35:50,870 --> 00:35:49,049

everything was just bliss and then war

870

00:35:53,269 --> 00:35:50,880

off by the next day and I was back like

871

00:35:54,829 --> 00:35:53,279

it went Garside and start to broke my

872

00:35:56,630 --> 00:35:54,839

hand against the trillion think where

873

00:35:58,460 --> 00:35:56,640

did that amazing sense of how alive this

874

00:36:01,880 --> 00:35:58,470

tree was it's completely gone I'm locked

875

00:36:03,769 --> 00:36:01,890

in what just happened and I'd never

876

00:36:06,680 --> 00:36:03,779

heard anyone talk about this door fro I

877

00:36:08,599 --> 00:36:06,690

was there I would I remembered some

878

00:36:10,249 --> 00:36:08,609

fragments of some poem by Blake about

879

00:36:12,049 --> 00:36:10,259

eternity in the palm fronds hand and

880

00:36:13,640 --> 00:36:12,059

heaven in a wild flower and that sounded

881

00:36:15,349 --> 00:36:13,650

kind of similar sand maybe but I didn't

882

00:36:16,640 --> 00:36:15,359

know as far as I was concerned I could

883

00:36:18,079 --> 00:36:16,650

be the only person that ever experiences

884

00:36:22,190 --> 00:36:18,089

know what no was talking about it and

885

00:36:23,720 --> 00:36:22,200

and how that was a reoccurring thing

886

00:36:25,759 --> 00:36:23,730

then bright I knew it was something to

887

00:36:27,289 --> 00:36:25,769

do with shifting consciousness right so

888

00:36:29,240 --> 00:36:27,299

like that's drugs and meditation you

889

00:36:30,950 --> 00:36:29,250

know one of those words and I got into

890

00:36:34,609 --> 00:36:30,960

eastern martial arts and sort of

891

00:36:38,630 --> 00:36:34,619

practicing meditation and my initial

892

00:36:43,099 --> 00:36:38,640

experience of that was them very not

893

00:36:44,660 --> 00:36:43,109

like what I'd experienced then because I

894

00:36:47,180 --> 00:36:44,670

heard this thing about being the moment

895

00:36:48,710 --> 00:36:47,190

in Zen life oh yeah I know I never

896

00:36:51,049 --> 00:36:48,720

thought about it that way but I was very

897

00:36:53,990 --> 00:36:51,059

at the moment for those for those times

898

00:36:55,460 --> 00:36:54,000

but it seemed very cart before horse to

899

00:36:57,109 --> 00:36:55,470

me as well that seemed like if you

900

00:36:59,210 --> 00:36:57,119

continue to push yourself into the

901
00:37:00,680 --> 00:36:59,220
moment and you know korvac will gently

902
00:37:02,599 --> 00:37:00,690
pull your attention back they're

903
00:37:05,180 --> 00:37:02,609
continuously then you'll start to feel

904
00:37:07,880 --> 00:37:05,190
really good and to me that was mistaken

905
00:37:09,349 --> 00:37:07,890
the result for the cause okay because

906
00:37:10,640 --> 00:37:09,359
it's like no no something happened deep

907
00:37:12,049 --> 00:37:10,650
within me I'm not quite sure about and

908
00:37:13,220 --> 00:37:12,059
that allowed me to be very relaxed and

909
00:37:16,099 --> 00:37:13,230
present in the moment it's not that I

910
00:37:18,410 --> 00:37:16,109
this is very arduous and my experience

911
00:37:21,079 --> 00:37:18,420
is anything bought and but I did get

912
00:37:22,490 --> 00:37:21,089
drawn into that and it was an experience

913
00:37:24,559 --> 00:37:22,500

of being because I didn't have a better

914

00:37:26,809 --> 00:37:24,569

solution I threw my lot and of that one

915

00:37:28,309 --> 00:37:26,819

it got sold to me and that was my

916

00:37:30,380 --> 00:37:28,319

experience being involved in somewhat

917

00:37:31,930 --> 00:37:30,390

coltish mentality and thinking I was

918

00:37:33,460 --> 00:37:31,940

gonna attain lightened and

919

00:37:35,470 --> 00:37:33,470

I was gonna make my mind go snap and I

920

00:37:37,089 --> 00:37:35,480

did it probably good overall that I had

921

00:37:40,630 --> 00:37:37,099

that in my life that experience of like

922

00:37:43,779 --> 00:37:40,640

being an idiot and because um if I can

923

00:37:45,549 --> 00:37:43,789

reflect upon it now but then I really

924

00:37:47,020 --> 00:37:45,559

after two or three years started to

925

00:37:52,359 --> 00:37:47,030

question the underpinnings of what I was

926
00:37:54,370 --> 00:37:52,369
doing and moved away from that into I

927
00:38:00,099 --> 00:37:54,380
was very influenced by a radical Tony

928
00:38:01,480 --> 00:38:00,109
Parsons acceptance of what is and then I

929
00:38:05,200 --> 00:38:01,490
suppose really through through meeting

930
00:38:07,120 --> 00:38:05,210
Tim and exploring his work more this

931
00:38:11,529 --> 00:38:07,130
sense of finding a return to that place

932
00:38:12,910 --> 00:38:11,539
and opening up non-dual States but doing

933
00:38:15,430 --> 00:38:12,920
it the way that was more obvious to me

934
00:38:17,380 --> 00:38:15,440
of delving into this deeper in a sense

935
00:38:19,089 --> 00:38:17,390
of consciousness that's very connected

936
00:38:21,010 --> 00:38:19,099
or perhaps the same as the sleep stage

937
00:38:24,160 --> 00:38:21,020
but going there consciously and that

938
00:38:26,500 --> 00:38:24,170

then changing world al woods and and and

939

00:38:28,809 --> 00:38:26,510

refined in that place very like TS Eliot

940

00:38:30,430 --> 00:38:28,819

hmm the end of all our traveling we

941

00:38:31,750 --> 00:38:30,440

shall arrive back at place from where we

942

00:38:34,150 --> 00:38:31,760

started and know it for the first time

943

00:38:36,819 --> 00:38:34,160

that was what what struck over about a

944

00:38:40,150 --> 00:38:36,829

10-year period of likely finding that 16

945

00:38:42,339 --> 00:38:40,160

year old experience and I take it from

946

00:38:46,089 --> 00:38:42,349

understanding your biography deeper not

947

00:38:48,789 --> 00:38:46,099

an easy path not a path without bumps

948

00:38:50,380 --> 00:38:48,799

and doubts and all the other things well

949

00:38:53,980 --> 00:38:50,390

the big one was there was a period of

950

00:38:55,599 --> 00:38:53,990

depression when I things were generally

951

00:38:58,150 --> 00:38:55,609

only up for me until I got to about 23

952

00:38:59,620 --> 00:38:58,160

life was better my social contacts got

953

00:39:02,410 --> 00:38:59,630

it so I thought you know so all go to

954

00:39:03,579 --> 00:39:02,420

the right direction and then this this

955

00:39:05,260 --> 00:39:03,589

overwhelming sense of depression

956

00:39:07,839 --> 00:39:05,270

engulfed me which was a big surprise

957

00:39:09,880 --> 00:39:07,849

right because it was not know what I

958

00:39:12,609 --> 00:39:09,890

expected not the way things have been

959

00:39:15,460 --> 00:39:12,619

going and and that the way things are

960

00:39:19,660 --> 00:39:15,470

drawn up and paths that you were

961

00:39:21,519 --> 00:39:19,670

supposedly and yeah I mean yeah I can't

962

00:39:23,079 --> 00:39:21,529

remember if I was I think I was shocked

963

00:39:24,160 --> 00:39:23,089

I think I cuz I thought if I encountered

964

00:39:27,279 --> 00:39:24,170

something like that it maybe last a day

965

00:39:29,380 --> 00:39:27,289

or two and then I'd you know get myself

966

00:39:30,970 --> 00:39:29,390

out of it I mean I was aware of John of

967

00:39:31,900 --> 00:39:30,980

the Cross and talking I didn't soul and

968

00:39:34,900 --> 00:39:31,910

that kind of thing but I don't know how

969

00:39:36,279 --> 00:39:34,910

much I really related to it and it went

970

00:39:37,510 --> 00:39:36,289

on for so long I felt like well maybe

971

00:39:39,339 --> 00:39:37,520

this is it for me maybe it's you know

972

00:39:41,559 --> 00:39:39,349

time to start taking lithium and making

973

00:39:42,789 --> 00:39:41,569

the best of it I didn't really think

974

00:39:44,289 --> 00:39:42,799

about how I feel about how to you know

975

00:39:45,100 --> 00:39:44,299

maybe just don't forget how to live with

976

00:39:48,040 --> 00:39:45,110

this rather than

977

00:39:49,960 --> 00:39:48,050

then get over it and bought two to give

978

00:39:51,940 --> 00:39:49,970

us of esoteric analysis of that what was

979

00:39:55,570 --> 00:39:51,950

going on for me was it was a transition

980

00:39:58,360 --> 00:39:55,580

between from belief to the real okay so

981

00:40:00,460 --> 00:39:58,370

what I found I dog was I bought into a

982

00:40:03,400 --> 00:40:00,470

lot of concepts like the law of garden

983

00:40:04,960 --> 00:40:03,410

and so on and and believed in that and

984

00:40:06,880 --> 00:40:04,970

during my meditations with great

985

00:40:09,250 --> 00:40:06,890

aspiration as I would come into contact

986

00:40:10,960 --> 00:40:09,260

with such a feeling and after a certain

987

00:40:13,000 --> 00:40:10,970

time period having to recognize round

988

00:40:15,220 --> 00:40:13,010

yeah it's not really real for me

989

00:40:17,530 --> 00:40:15,230

something I believe in but I've never

990

00:40:19,360 --> 00:40:17,540

felt the love of God rather all the love

991

00:40:20,710 --> 00:40:19,370

I felt comes from other people and

992

00:40:25,600 --> 00:40:20,720

that's transient it's here one minute

993

00:40:27,370 --> 00:40:25,610

gone the next and this sense of what I

994

00:40:30,070 --> 00:40:27,380

find inside myself and I look into my

995

00:40:31,390 --> 00:40:30,080

depth is a sense of emptiness I used to

996

00:40:33,210 --> 00:40:31,400

call it the noth-nothing because it

997

00:40:36,070 --> 00:40:33,220

wasn't even nothingness it was just an

998

00:40:37,690 --> 00:40:36,080

absence and absolute absence of meaning

999

00:40:40,030 --> 00:40:37,700

anything and when I would meditate

1000

00:40:41,590 --> 00:40:40,040

that's what I'd find that horrified me

1001
00:40:43,900 --> 00:40:41,600
and not just in an intellectual when it

1002
00:40:45,310 --> 00:40:43,910
was a deep embodied sense of horror that

1003
00:40:49,800 --> 00:40:45,320
that's what was underpinning all things

1004
00:40:51,970 --> 00:40:49,810
absolute absence of meaning and I had I

1005
00:40:52,840 --> 00:40:51,980
eventually encountered the writing

1006
00:40:55,990 --> 00:40:52,850
someone who'd gone through a similar

1007
00:40:57,940 --> 00:40:56,000
experience and I feel what I'd lacked on

1008
00:41:00,430 --> 00:40:57,950
to that point was the tenacity to just

1009
00:41:03,550 --> 00:41:00,440
stay on the edge of that inner blackness

1010
00:41:06,490 --> 00:41:03,560
for long enough and in reading this

1011
00:41:09,340 --> 00:41:06,500
account and I resolved to do just that

1012
00:41:10,810 --> 00:41:09,350
and i sat up into the night and on the

1013
00:41:12,970 --> 00:41:10,820

edge of despair until I got really late

1014

00:41:14,230 --> 00:41:12,980

or I'd better go to bed but I will be

1015

00:41:17,110 --> 00:41:14,240

resuming this tomorrow morning this is

1016

00:41:18,640 --> 00:41:17,120

what are we doing forevermore now and I

1017

00:41:22,420 --> 00:41:18,650

would often wake up for a fit of despair

1018

00:41:23,530 --> 00:41:22,430

at about 4 a.m. and seem to sweat a lot

1019

00:41:26,080 --> 00:41:23,540

when you're depressed had very sweaty

1020

00:41:28,120 --> 00:41:26,090

feet at that time so I woke up for my

1021

00:41:30,100 --> 00:41:28,130

usual fidget is there and I saw everyone

1022

00:41:30,640 --> 00:41:30,110

I knew and who had some meeting my

1023

00:41:34,030 --> 00:41:30,650

wife's like

1024

00:41:37,390 --> 00:41:34,040

still around me and it's very vivid

1025

00:41:38,860 --> 00:41:37,400

dreaming wake like state and they all

1026

00:41:40,690 --> 00:41:38,870

started shooting off into the distance

1027

00:41:42,250 --> 00:41:40,700

and everyone represented a little supply

1028

00:41:44,320 --> 00:41:42,260

of logs that was coming into me that was

1029

00:41:46,450 --> 00:41:44,330

now gone until they got down to bomb

1030

00:41:48,790 --> 00:41:46,460

person who had been like err and very

1031

00:41:50,590 --> 00:41:48,800

kind to me as we could friend there was

1032

00:41:52,390 --> 00:41:50,600

a big sister kind of thing and then she

1033

00:41:55,170 --> 00:41:52,400

went and I just had this bone of the

1034

00:41:58,360 --> 00:41:55,180

fetal loneliness and then his oceanic

1035

00:41:59,050 --> 00:41:58,370

infinite sense of love opened up okay it

1036

00:42:01,660 --> 00:41:59,060

was just like

1037

00:42:05,200 --> 00:42:01,670

bigger than the universe and it was this

1038

00:42:06,700 --> 00:42:05,210

classical advisor non-dual experience if

1039

00:42:09,100 --> 00:42:06,710

we are swimming in an ocean of log when

1040

00:42:10,710 --> 00:42:09,110

I saw all these people in that I saw

1041

00:42:12,850 --> 00:42:10,720

people had problems with and I felt

1042

00:42:14,920 --> 00:42:12,860

apologetic that I'd ever needed them to

1043

00:42:18,580 --> 00:42:14,930

be a certain way because I was this and

1044

00:42:20,050 --> 00:42:18,590

we were all this and much like people

1045

00:42:22,360 --> 00:42:20,060

say with the near-death experience thing

1046

00:42:23,800 --> 00:42:22,370

of p.m. at water would say say that the

1047

00:42:26,260 --> 00:42:23,810

the proof of the pudding is in the

1048

00:42:27,820 --> 00:42:26,270

lasting effects saying I woke up the

1049

00:42:29,680 --> 00:42:27,830

next morning and my depression was gone

1050

00:42:31,210 --> 00:42:29,690

right and I didn't know there was gone

1051
00:42:33,580 --> 00:42:31,220
for a while I'd get like a couple of

1052
00:42:35,590 --> 00:42:33,590
weeks went by I was like is it not going

1053
00:42:37,840 --> 00:42:35,600
back and I really knew what I went and

1054
00:42:39,730 --> 00:42:37,850
got drunk and it would always really hit

1055
00:42:41,770 --> 00:42:39,740
me if I was drunk and I got drunk with a

1056
00:42:44,440 --> 00:42:41,780
friend and wasn't there at all and then

1057
00:42:46,860 --> 00:42:44,450
and never did never never resurface that

1058
00:42:49,110 --> 00:42:46,870
was and then my subsequent

1059
00:42:52,450 --> 00:42:49,120
investigations of non-duality were like

1060
00:42:55,510 --> 00:42:52,460
what was that and how do i l've sort of

1061
00:42:56,740 --> 00:42:55,520
fallen into this into this they prove a

1062
00:42:59,530 --> 00:42:56,750
lot of intensity and a lot of suffering

1063
00:43:04,120 --> 00:42:59,540

but and let's try to understand that a

1064

00:43:07,600 --> 00:43:04,130

bit more properly awesome just totally

1065

00:43:10,120 --> 00:43:07,610

are some stuff to questions I guess what

1066

00:43:11,560 --> 00:43:10,130

have you discovered since then what are

1067

00:43:14,380 --> 00:43:11,570

some of the most meaningful discussions

1068

00:43:18,040 --> 00:43:14,390

I know you still are interested in

1069

00:43:22,060 --> 00:43:18,050

trauma and in grief and in people who

1070

00:43:25,390 --> 00:43:22,070

are overcoming and I think you feel a

1071

00:43:28,840 --> 00:43:25,400

need to support people in that wonderful

1072

00:43:31,120 --> 00:43:28,850

way but I can't help but tying this back

1073

00:43:34,860 --> 00:43:31,130

to the earlier part of our conversation

1074

00:43:38,950 --> 00:43:34,870

why is still there that you need to

1075

00:43:41,470 --> 00:43:38,960

understand it in terms of our world like

1076

00:43:43,540 --> 00:43:41,480

9/11 because the the world is a

1077

00:43:45,490 --> 00:43:43,550

reflection of consciousness I think it's

1078

00:43:47,320 --> 00:43:45,500

in such a dream okay so not on a

1079

00:43:49,750 --> 00:43:47,330

collective level we tried 9/11 in some

1080

00:43:52,780 --> 00:43:49,760

way and what's this but let me offer a

1081

00:43:54,550 --> 00:43:52,790

counter hypothesis that you'll hear on

1082

00:43:56,890 --> 00:43:54,560

the non-dual path and I've shared it on

1083

00:43:59,170 --> 00:43:56,900

this show it's the mother hugging Saint

1084

00:44:03,600 --> 00:43:59,180

world what world you know so Amma is

1085

00:44:05,890 --> 00:44:03,610

this woman who at 13 had this amazing

1086

00:44:07,780 --> 00:44:05,900

spiritually transformative experience in

1087

00:44:09,550 --> 00:44:07,790

India she was incredibly impoverished

1088

00:44:12,010 --> 00:44:09,560

but she knew she just had to devote her

1089

00:44:12,650 --> 00:44:12,020

life to God and she has and she goes

1090

00:44:14,390 --> 00:44:12,660

around

1091

00:44:16,150 --> 00:44:14,400

supposedly does all these wonderful

1092

00:44:18,830 --> 00:44:16,160

things with people it works tirelessly

1093

00:44:20,900 --> 00:44:18,840

18 hours a day just helping people

1094

00:44:23,090 --> 00:44:20,910

helping people helping people and one of

1095

00:44:24,950 --> 00:44:23,100

her devotees goes here and says oh my

1096

00:44:26,180 --> 00:44:24,960

you're so busy you're doing all this

1097

00:44:28,610 --> 00:44:26,190

stuff for the world and yet you're

1098

00:44:30,620 --> 00:44:28,620

telling us we're not of this world and

1099

00:44:33,710 --> 00:44:30,630

that's what we hear from spiritual

1100

00:44:36,080 --> 00:44:33,720

masters all the time which would this is

1101
00:44:37,970 --> 00:44:36,090
not this is not skeptical because I'm in

1102
00:44:40,670 --> 00:44:37,980
the world right I'm interested in this

1103
00:44:42,830 --> 00:44:40,680
stuff I'm interested in 9/11 and why

1104
00:44:44,690 --> 00:44:42,840
science is wrong about almost everything

1105
00:44:48,140 --> 00:44:44,700
and all these other things but there is

1106
00:44:50,900 --> 00:44:48,150
a part of me that says I'm doing that as

1107
00:44:54,320 --> 00:44:50,910
a way of just kind of occupying myself

1108
00:44:56,540 --> 00:44:54,330
because I really know that on a deeper

1109
00:44:59,180 --> 00:44:56,550
deeper sense it really doesn't matter

1110
00:45:01,160 --> 00:44:59,190
like in the same way that you know some

1111
00:45:03,620 --> 00:45:01,170
of the near-death experiencers you've

1112
00:45:05,810 --> 00:45:03,630
had come on and said that said it on my

1113
00:45:10,250 --> 00:45:05,820

show - is it this is all just middle

1114

00:45:13,130 --> 00:45:10,260

stuff it doesn't cause me a problem or I

1115

00:45:16,370 --> 00:45:13,140

don't feel there's a contradiction now

1116

00:45:18,950 --> 00:45:16,380

if you have some sort of psychological

1117

00:45:20,420 --> 00:45:18,960

issue where in watching a film at the

1118

00:45:22,310 --> 00:45:20,430

cinema you started to believe it was

1119

00:45:26,270 --> 00:45:22,320

real okay you would really want to stop

1120

00:45:29,240 --> 00:45:26,280

that right and so if you're having that

1121

00:45:30,620 --> 00:45:29,250

kind of issue of not knowing it's an

1122

00:45:32,120 --> 00:45:30,630

illusion you need to solve that first

1123

00:45:34,040 --> 00:45:32,130

you need to get your mind answer yeah

1124

00:45:36,110 --> 00:45:34,050

it's okay I'm in a cinema it's fine

1125

00:45:37,910 --> 00:45:36,120

it's all good let's enjoy the show and

1126

00:45:39,590 --> 00:45:37,920

that's what I feel about the world

1127

00:45:43,340 --> 00:45:39,600

really I don't necessarily think it's

1128

00:45:45,410 --> 00:45:43,350

immensely important and on a grander

1129

00:45:47,300 --> 00:45:45,420

scheme of things but this is the dream

1130

00:45:50,030 --> 00:45:47,310

I'm having this is the art I'm observing

1131

00:45:53,750 --> 00:45:50,040

so I want to fully engage with it and

1132

00:45:55,340 --> 00:45:53,760

indeed I think the non-dual allows

1133

00:45:57,200 --> 00:45:55,350

altima Lee for deeper engagement because

1134

00:45:58,910 --> 00:45:57,210

again if you think the film is real

1135

00:46:00,380 --> 00:45:58,920

you're just going to want to run or

1136

00:46:01,700 --> 00:46:00,390

you're going to scream or something it

1137

00:46:02,840 --> 00:46:01,710

doesn't allow you to really involve

1138

00:46:04,940 --> 00:46:02,850

yourself with anyone you know it's not

1139

00:46:07,220 --> 00:46:04,950

real if you have a sense the world isn't

1140

00:46:09,130 --> 00:46:07,230

real and that well we're that the

1141

00:46:11,620 --> 00:46:09,140

deepest part of us isn't in the world

1142

00:46:15,080 --> 00:46:11,630

then there's the freedom to engage fully

1143

00:46:17,810 --> 00:46:15,090

of that answer I agree I didn't see that

1144

00:46:21,979 --> 00:46:17,820

coming but you're right okay you pick

1145

00:46:28,789 --> 00:46:25,099

I'm gonna say away from et well I what

1146

00:46:31,700 --> 00:46:28,799

do i suicide is that I thought you did

1147

00:46:34,099 --> 00:46:31,710

an excellent shadow suicide in

1148

00:46:37,789 --> 00:46:34,109

near-death experience with Angie

1149

00:46:40,880 --> 00:46:37,799

Fenimore thumbnail sketch of her story

1150

00:46:45,620 --> 00:46:40,890

it's fascinating you know sexually

1151
00:46:49,039 --> 00:46:45,630
abused traumatic yeah buries it all gets

1152
00:46:53,420 --> 00:46:49,049
to a point contemplates suicide attempt

1153
00:46:55,880 --> 00:46:53,430
suicide has an NDE some people would

1154
00:46:58,789 --> 00:46:55,890
call it a hellish nde or traumatic NDE

1155
00:47:00,620 --> 00:46:58,799
but she says no this is the turning

1156
00:47:02,450 --> 00:47:00,630
point in that life and you know all

1157
00:47:06,009 --> 00:47:02,460
these things and she comes out of it

1158
00:47:09,440 --> 00:47:06,019
with a mission to tell others that

1159
00:47:11,479 --> 00:47:09,450
suicide just can't possibly be an answer

1160
00:47:13,069 --> 00:47:11,489
because it's just didn't intermediary

1161
00:47:16,670 --> 00:47:13,079
step you know it doesn't get you

1162
00:47:18,229 --> 00:47:16,680
anywhere so an Angie Fenimore wrote a

1163
00:47:20,420 --> 00:47:18,239

book back in 90s called beyond the

1164

00:47:22,839 --> 00:47:20,430

darkness and it was a story of her life

1165

00:47:25,759 --> 00:47:22,849

which had a lot of trauma in it from

1166

00:47:29,120 --> 00:47:25,769

childhood on up and then dealing of the

1167

00:47:31,069 --> 00:47:29,130

effects of that trauma in throughout her

1168

00:47:35,319 --> 00:47:31,079

adult life then her relationships and

1169

00:47:39,049 --> 00:47:35,329

such so all of this ultimately led to a

1170

00:47:40,759 --> 00:47:39,059

serious suicide attempt and she said she

1171

00:47:42,620 --> 00:47:40,769

she didn't attempt it she actually

1172

00:47:45,229 --> 00:47:42,630

succeeded actually she did cross over

1173

00:47:49,940 --> 00:47:45,239

that line into being dead and from

1174

00:47:52,819 --> 00:47:49,950

taking a lot of medication and inspired

1175

00:47:54,920 --> 00:47:52,829

somewhat by near-death experience we've

1176
00:47:55,819 --> 00:47:54,930
had I've just try to pull some my memory

1177
00:47:58,099 --> 00:47:55,829
of her stepmother

1178
00:47:59,660 --> 00:47:58,109
who had made suicide attempt and talked

1179
00:48:01,729 --> 00:47:59,670
about this beautiful sense of love and

1180
00:48:03,109 --> 00:48:01,739
light on the other side and I think

1181
00:48:05,059 --> 00:48:03,119
she'd come into contact with some other

1182
00:48:07,459 --> 00:48:05,069
literature around it and felt like

1183
00:48:09,589 --> 00:48:07,469
that's the ultimate escape from the

1184
00:48:11,719 --> 00:48:09,599
trauma of the world is to go off into

1185
00:48:14,959 --> 00:48:11,729
this this place of love and light then

1186
00:48:18,469 --> 00:48:14,969
and and that's not what she encountered

1187
00:48:20,930 --> 00:48:18,479
she encountered a sense of stepping out

1188
00:48:22,700 --> 00:48:20,940

of her body but the problems all still

1189

00:48:24,559 --> 00:48:22,710

being there if she was still the same

1190

00:48:25,940 --> 00:48:24,569

and then a sense of all the people being

1191

00:48:29,109 --> 00:48:25,950

around it who had just done a similar

1192

00:48:31,489 --> 00:48:29,119

thing and going to this place where

1193

00:48:32,539 --> 00:48:31,499

people were very very lost felt like

1194

00:48:33,819 --> 00:48:32,549

they've been there a long time just

1195

00:48:37,120 --> 00:48:33,829

drawn into their own

1196

00:48:39,400 --> 00:48:37,130

suffering consumed by it and realizing

1197

00:48:41,680 --> 00:48:39,410

that this hasn't solved anything then

1198

00:48:44,589 --> 00:48:41,690

calling upon the light and having a

1199

00:48:47,349 --> 00:48:44,599

sense of God and Jesus coming and an

1200

00:48:48,819 --> 00:48:47,359

interaction with them then and this

1201
00:48:50,589 --> 00:48:48,829
sends people talk about it being more

1202
00:48:53,769 --> 00:48:50,599
real than the waking world and

1203
00:48:57,279 --> 00:48:53,779
ultimately waking off with a sense of

1204
00:48:59,079 --> 00:48:57,289
them a new sense of purpose and a new

1205
00:49:00,940 --> 00:48:59,089
sense of spirituality and then I don't

1206
00:49:03,579 --> 00:49:00,950
think everything has been sweetness and

1207
00:49:07,150 --> 00:49:03,589
light since then for her bought for me

1208
00:49:10,120 --> 00:49:07,160
the book was I found very powerful in

1209
00:49:13,059 --> 00:49:10,130
the sense of like I might have had a

1210
00:49:16,259 --> 00:49:13,069
certain ideation around suicide nobody

1211
00:49:18,549 --> 00:49:16,269
was ever like close to acting it out and

1212
00:49:21,699 --> 00:49:18,559
brought in in this sense of wanting to

1213
00:49:24,880 --> 00:49:21,709

escape the trance of the world and it

1214

00:49:27,729 --> 00:49:24,890

sort of reshaped that in my mind so I

1215

00:49:30,249 --> 00:49:27,739

saw the potential for it to reshape that

1216

00:49:32,559 --> 00:49:30,259

for the people then it's not without its

1217

00:49:34,120 --> 00:49:32,569

problems and and and and let me just

1218

00:49:35,829 --> 00:49:34,130

interject a couple parts that I found

1219

00:49:39,039 --> 00:49:35,839

particularly meaningful because first

1220

00:49:42,519 --> 00:49:39,049

this idea of contemplating suicide at

1221

00:49:44,199 --> 00:49:42,529

one point or another is probably I don't

1222

00:49:46,299 --> 00:49:44,209

know what the stats are I'm sure it's in

1223

00:49:48,160 --> 00:49:46,309

the majority of the population we just

1224

00:49:51,640 --> 00:49:48,170

don't talk about it we just don't talk

1225

00:49:53,559 --> 00:49:51,650

about that darkness that it comes in the

1226

00:49:55,180 --> 00:49:53,569

middle of the night for everyone no

1227

00:49:57,009 --> 00:49:55,190

matter who you are and unless you're

1228

00:49:58,599 --> 00:49:57,019

kind of totally stuffing it down and

1229

00:50:00,670 --> 00:49:58,609

then it comes up in other places when

1230

00:50:03,509 --> 00:50:00,680

you're down there eating ice cream at

1231

00:50:06,009 --> 00:50:03,519

two o'clock think about it you know but

1232

00:50:10,209 --> 00:50:06,019

what I found interesting about her story

1233

00:50:12,249 --> 00:50:10,219

is and again it's like you back to I

1234

00:50:15,099 --> 00:50:12,259

loved your thing about the movie because

1235

00:50:18,249 --> 00:50:15,109

here's some reality that we have to pack

1236

00:50:20,920 --> 00:50:18,259

back in so part of the reality is she's

1237

00:50:25,390 --> 00:50:20,930

faced with contemplating suicide and

1238

00:50:28,569 --> 00:50:25,400

she's shown instructed told by this

1239

00:50:30,759 --> 00:50:28,579

higher being that you should not do this

1240

00:50:33,789 --> 00:50:30,769

because look what it will do to your

1241

00:50:37,089 --> 00:50:33,799

children it will do this it will do this

1242

00:50:39,640 --> 00:50:37,099

it will you will lose out this now it

1243

00:50:42,489 --> 00:50:39,650

says so much about one it says this

1244

00:50:44,019 --> 00:50:42,499

about there are lessons that we have to

1245

00:50:44,980 --> 00:50:44,029

learn and whether we learn them on this

1246

00:50:46,930 --> 00:50:44,990

level or

1247

00:50:49,450 --> 00:50:46,940

we learn them through help from these

1248

00:50:51,820 --> 00:50:49,460

spirits whatever that means that that's

1249

00:50:54,609 --> 00:50:51,830

somehow part of it it also raises this

1250

00:50:56,950 --> 00:50:54,619

question of can we change this timeline

1251
00:50:58,300 --> 00:50:56,960
that we're on it's long been a question

1252
00:50:59,830 --> 00:50:58,310
mind that I don't think is fully

1253
00:51:02,980 --> 00:50:59,840
answered in the near-death experience

1254
00:51:05,500 --> 00:51:02,990
where you hear people say this is your

1255
00:51:07,359 --> 00:51:05,510
time this is not your time or you hear

1256
00:51:09,609 --> 00:51:07,369
people say hey this is your time and

1257
00:51:10,990 --> 00:51:09,619
they go no no no this is not my time and

1258
00:51:13,210 --> 00:51:11,000
then they're allowed to go back there's

1259
00:51:15,160 --> 00:51:13,220
a million questions that aren't

1260
00:51:17,440 --> 00:51:15,170
completely that aren't completely

1261
00:51:21,000 --> 00:51:17,450
answered by your interview with Angie

1262
00:51:24,370 --> 00:51:21,010
but are at least teed up yeah sure and I

1263
00:51:26,410 --> 00:51:24,380

think with the suicide thing you know if

1264

00:51:29,380 --> 00:51:26,420

there is this absolute stigma around

1265

00:51:30,640 --> 00:51:29,390

acknowledging any ideation whatsoever

1266

00:51:33,970 --> 00:51:30,650

and it's not something they don't want

1267

00:51:35,380 --> 00:51:33,980

to do and when I've talked to people

1268

00:51:37,060 --> 00:51:35,390

about this more and more people will

1269

00:51:38,470 --> 00:51:37,070

acknowledge that they have the thought

1270

00:51:41,200 --> 00:51:38,480

right and that they can be a million

1271

00:51:43,830 --> 00:51:41,210

miles away from doing it but I think

1272

00:51:44,980 --> 00:51:43,840

it's it's to our detriment that we

1273

00:51:46,630 --> 00:51:44,990

pathologized

1274

00:51:49,120 --> 00:51:46,640

thinking about it with any kind of

1275

00:51:51,010 --> 00:51:49,130

relationship you have the if it's

1276

00:51:52,660 --> 00:51:51,020

healthy there's the possibility to end

1277

00:51:55,090 --> 00:51:52,670

it with it's a job a part of anything

1278

00:51:59,170 --> 00:51:55,100

and in a sense have a relationship with

1279

00:52:01,359 --> 00:51:59,180

life okay and I think the the impulse to

1280

00:52:03,670 --> 00:52:01,369

say I have enough of this right I want

1281

00:52:05,620 --> 00:52:03,680

out well I'm not saying that's the way

1282

00:52:07,150 --> 00:52:05,630

to go but it's going to tell you a lot

1283

00:52:09,910 --> 00:52:07,160

about yourself if rather than being

1284

00:52:11,890 --> 00:52:09,920

afraid of that sense of I want out you

1285

00:52:14,410 --> 00:52:11,900

think okay why is that what is it that I

1286

00:52:16,390 --> 00:52:14,420

can't cope with in this moment so we

1287

00:52:18,010 --> 00:52:16,400

demonized the impulse to our detriment I

1288

00:52:20,950 --> 00:52:18,020

think and I wanted to engage Vangie and

1289

00:52:22,870 --> 00:52:20,960

on that level I was also interested to

1290

00:52:25,840 --> 00:52:22,880

ask her she wrote this book back in the

1291

00:52:27,640 --> 00:52:25,850

nineties okay and there's been so much

1292

00:52:30,520 --> 00:52:27,650

done since then on the a deaf experience

1293

00:52:33,160 --> 00:52:30,530

so how clear interpretation has maybe

1294

00:52:34,720 --> 00:52:33,170

changed since then okay so for example

1295

00:52:36,430 --> 00:52:34,730

Hannah needs the question I'm trying to

1296

00:52:38,349 --> 00:52:36,440

bury Christian experience okay but since

1297

00:52:39,730 --> 00:52:38,359

then she's read a lot about this

1298

00:52:42,760 --> 00:52:39,740

experience she's ready even Alexandra

1299

00:52:45,460 --> 00:52:42,770

and when all sorts and and she so I

1300

00:52:47,830 --> 00:52:45,470

asked her do you feel that you met Jesus

1301
00:52:49,690 --> 00:52:47,840
because he's the correct one he's the

1302
00:52:51,910 --> 00:52:49,700
one true God or because he's a symbol of

1303
00:52:54,190 --> 00:52:51,920
some people infinite consciousness and

1304
00:52:56,830 --> 00:52:54,200
she doesn't have an answer to that as

1305
00:52:58,660 --> 00:52:56,840
you know we don't put she says it's it's

1306
00:53:02,490 --> 00:52:58,670
come through more to her since

1307
00:53:04,450 --> 00:53:02,500
that you know maybe it's this deep

1308
00:53:05,890 --> 00:53:04,460
infinite mind law thing that's

1309
00:53:07,930 --> 00:53:05,900
expressing yourself in the right way we

1310
00:53:10,840 --> 00:53:07,940
can't be definite balance so our on the

1311
00:53:12,370 --> 00:53:10,850
details of it but that's and yeah and

1312
00:53:13,840 --> 00:53:12,380
there's something again I don't for me

1313
00:53:15,760 --> 00:53:13,850

also doesn't answer all all the things

1314

00:53:17,650 --> 00:53:15,770

like Angie's experience is it has his

1315

00:53:19,780 --> 00:53:17,660

very dualistic quality too unlike shoes

1316

00:53:21,250 --> 00:53:19,790

in the darkness and God was light and he

1317

00:53:22,480 --> 00:53:21,260

came to the edge of the darkness because

1318

00:53:24,760 --> 00:53:22,490

he couldn't go into the light and he

1319

00:53:26,140 --> 00:53:24,770

told her it she made a mistake in doing

1320

00:53:28,560 --> 00:53:26,150

this he brought her back to life so that

1321

00:53:31,090 --> 00:53:28,570

there's a dualism that's maintained

1322

00:53:33,640 --> 00:53:31,100

between that right like suicide is a bad

1323

00:53:35,050 --> 00:53:33,650

thing and you keep it away and I think

1324

00:53:37,300 --> 00:53:35,060

there's different ways of seeing it

1325

00:53:39,550 --> 00:53:37,310

there too in terms as I mentioned this

1326

00:53:41,830 --> 00:53:39,560

idea of integration of like what is the

1327

00:53:44,770 --> 00:53:41,840

what is the impulse a desire to end it

1328

00:53:46,180 --> 00:53:44,780

and have to tell me so that those are

1329

00:53:48,850 --> 00:53:46,190

things that came out alternate I wanted

1330

00:53:51,060 --> 00:53:48,860

to create something that will be

1331

00:53:52,960 --> 00:53:51,070

valuable to people as a resource in

1332

00:53:55,180 --> 00:53:52,970

maybe students those kind of feelings

1333

00:53:58,450 --> 00:53:55,190

and and this is the counterintuitive

1334

00:54:03,610 --> 00:53:58,460

part and helpfully people who might have

1335

00:54:05,200 --> 00:54:03,620

had a loved one go through suicide okay

1336

00:54:07,630 --> 00:54:05,210

because that's I say counterintuitive

1337

00:54:11,020 --> 00:54:07,640

because there's this this dark place

1338

00:54:13,270 --> 00:54:11,030

that they Angie talks about going to is

1339

00:54:15,100 --> 00:54:13,280

not necessarily what people want here

1340

00:54:16,840 --> 00:54:15,110

but I don't think people want 40 stories

1341

00:54:19,450 --> 00:54:16,850

about light and love in that sense and

1342

00:54:22,240 --> 00:54:19,460

what Angie came back with was the sense

1343

00:54:23,590 --> 00:54:22,250

of that she certainly didn't feel that

1344

00:54:25,960 --> 00:54:23,600

it was only her that got saved and

1345

00:54:27,220 --> 00:54:25,970

everyone else is screwed right there was

1346

00:54:28,960 --> 00:54:27,230

a sense of being able to connect from

1347

00:54:30,910 --> 00:54:28,970

lore through fourth forms through prayer

1348

00:54:33,760 --> 00:54:30,920

as previous guests some skeptical of

1349

00:54:35,320 --> 00:54:33,770

talked about and with with people on the

1350

00:54:37,120 --> 00:54:35,330

other side who maybe there is a

1351

00:54:38,800 --> 00:54:37,130

continuation of suffering and struggle

1352

00:54:41,440 --> 00:54:38,810

okay maybe not for everyone for some

1353

00:54:43,000 --> 00:54:41,450

people maybe that's the case but what we

1354

00:54:44,770 --> 00:54:43,010

what Angie doesn't leave us with is this

1355

00:54:48,070 --> 00:54:44,780

sense of that's an infinite divide then

1356

00:54:49,300 --> 00:54:48,080

this kind of religious and we get it

1357

00:54:50,920 --> 00:54:49,310

from Christianity a loss that

1358

00:54:54,280 --> 00:54:50,930

when you're lost you're lost forever

1359

00:54:56,650 --> 00:54:54,290

great so there's two more that I want to

1360

00:55:00,280 --> 00:54:56,660

make sure we get to I'll let you pick

1361

00:55:01,990 --> 00:55:00,290

the order but cultish and the et and I

1362

00:55:03,370 --> 00:55:02,000

know you're begging off the et but we

1363

00:55:05,380 --> 00:55:03,380

have to go there a little bit which one

1364

00:55:08,620 --> 00:55:05,390

would you like to go to do et at the end

1365

00:55:17,210 --> 00:55:13,820

so another really interesting interview

1366

00:55:19,339 --> 00:55:17,220

that you do is holy hell

1367

00:55:20,990 --> 00:55:19,349

tell folks a little bit about this and

1368

00:55:25,550 --> 00:55:21,000

then I'm going to talk more broadly

1369

00:55:28,609 --> 00:55:25,560

about what's going on with cults and how

1370

00:55:30,050 --> 00:55:28,619

it tips into a lot of the stuff that

1371

00:55:33,500 --> 00:55:30,060

we're talking about in a really

1372

00:55:38,109 --> 00:55:33,510

interesting way so please jump in at any

1373

00:55:41,270 --> 00:55:38,119

at any part you want so holy hell is a

1374

00:55:44,030 --> 00:55:41,280

documentary if you have Netflix you can

1375

00:55:46,910 --> 00:55:44,040

see it and it's a called documentary

1376
00:55:49,670 --> 00:55:46,920
okay and I sat down and watched it one

1377
00:55:50,839 --> 00:55:49,680
evening and for the first twenty or

1378
00:55:52,099 --> 00:55:50,849
thirty minutes you might think ah you

1379
00:55:54,410 --> 00:55:52,109
know this doesn't look too bad I don't

1380
00:55:55,760 --> 00:55:54,420
know what the what's gonna be the dark

1381
00:55:57,980 --> 00:55:55,770
side here it all looks like having a

1382
00:56:01,250 --> 00:55:57,990
lovely time and then it just goes off a

1383
00:56:03,079 --> 00:56:01,260
cliff and descends into insanity in

1384
00:56:07,570 --> 00:56:03,089
people's lives being ruined people being

1385
00:56:10,400 --> 00:56:07,580
sexually abused by their their guru just

1386
00:56:13,490 --> 00:56:10,410
awful traumatic experience for the

1387
00:56:16,160 --> 00:56:13,500
people involved and I interviewed Chris

1388
00:56:17,210 --> 00:56:16,170

Johnson one of the participants in the

1389

00:56:18,230 --> 00:56:17,220

interview I was just thinking about this

1390

00:56:20,420 --> 00:56:18,240

is the day actually is probably one of

1391

00:56:22,430 --> 00:56:20,430

the most interesting hours of my life

1392

00:56:27,109 --> 00:56:22,440

was was speaking to Chris and getting

1393

00:56:29,589 --> 00:56:27,119

his insights about how he is a young man

1394

00:56:31,849 --> 00:56:29,599

who was not lacking in streetwise and

1395

00:56:34,160 --> 00:56:31,859

had been approached by religious groups

1396

00:56:38,540 --> 00:56:34,170

on streets if I think I'm gonna be in LA

1397

00:56:39,800 --> 00:56:38,550

and the Moonies or whatever had laughed

1398

00:56:41,240 --> 00:56:39,810

and said all this is because it's the

1399

00:56:45,260 --> 00:56:41,250

course we knew what a cult was but then

1400

00:56:48,589 --> 00:56:45,270

still got involved in in a cult and end

1401
00:56:54,470 --> 00:56:48,599
up doing 20 years for 20 yeah about that

1402
00:56:56,450 --> 00:56:54,480
yeah yeah and the the guru thick arrived

1403
00:57:01,930 --> 00:56:56,460
he went by various names and I've

1404
00:57:05,470 --> 00:57:01,940
forgotten all of them and on a spot and

1405
00:57:09,079 --> 00:57:05,480
yes getting his insights on that how he

1406
00:57:11,210 --> 00:57:09,089
questions I was left with were was he

1407
00:57:12,859 --> 00:57:11,220
genuinely interested in in spirituality

1408
00:57:15,079 --> 00:57:12,869
and it kind of got to be he egotistical

1409
00:57:17,599 --> 00:57:15,089
or was it just a scam for him and these

1410
00:57:19,460 --> 00:57:17,609
kind of things and did Chris feel like

1411
00:57:20,180 --> 00:57:19,470
there were psychological factors in him

1412
00:57:22,490 --> 00:57:20,190
that drew

1413
00:57:23,630 --> 00:57:22,500

to that or was it just you know anyone

1414

00:57:27,109 --> 00:57:23,640

could have fallen for there's the con

1415

00:57:29,420 --> 00:57:27,119

job and and so on see yeah Alex go just

1416

00:57:32,059 --> 00:57:29,430

where do you want to go with that kind

1417

00:57:35,500 --> 00:57:32,069

of that whole thing there well you know

1418

00:57:38,599 --> 00:57:35,510

because you have this interest in

1419

00:57:41,150 --> 00:57:38,609

spirituality and in exploring these deep

1420

00:57:44,120 --> 00:57:41,160

states one of the questions I wanted to

1421

00:57:46,760 --> 00:57:44,130

ask you in particular is when you're

1422

00:57:50,180 --> 00:57:46,770

watching this movie this excellent brave

1423

00:57:53,720 --> 00:57:50,190

brave documentary for it for not only

1424

00:57:56,569 --> 00:57:53,730

Chris to kind of come out and say this

1425

00:57:59,859 --> 00:57:56,579

guy you know coerce me into having sex

1426

00:58:02,480 --> 00:57:59,869

but then and I think Chris is gay right

1427

00:58:04,309 --> 00:58:02,490

I'm not really sure to be honest why how

1428

00:58:06,740 --> 00:58:04,319

we would define that because the reason

1429

00:58:10,370 --> 00:58:06,750

I bring that up is you know even more

1430

00:58:13,880 --> 00:58:10,380

sadly in in a very confusing way there's

1431

00:58:17,809 --> 00:58:13,890

other young men who are heterosexual who

1432

00:58:20,089 --> 00:58:17,819

are coerced or you know whatever you

1433

00:58:23,150 --> 00:58:20,099

want to say into having sexual relations

1434

00:58:25,640 --> 00:58:23,160

with this guru who's just has this power

1435

00:58:29,150 --> 00:58:25,650

over them is doing therapy with them is

1436

00:58:31,039 --> 00:58:29,160

doing hypnosis with them and they wind

1437

00:58:34,339 --> 00:58:31,049

up having these you know sexual

1438

00:58:36,079 --> 00:58:34,349

encounters with them and again I hate to

1439

00:58:37,460 --> 00:58:36,089

have to say there's nothing wrong with

1440

00:58:39,380 --> 00:58:37,470

being gay of course there's nothing

1441

00:58:41,450 --> 00:58:39,390

wrong with being gay but you the trauma

1442

00:58:43,940 --> 00:58:41,460

and these people's lives say that's not

1443

00:58:46,490 --> 00:58:43,950

my sexual orientation and I look back at

1444

00:58:48,470 --> 00:58:46,500

that with this incredible shame because

1445

00:58:50,210 --> 00:58:48,480

you know how did I wind up in that

1446

00:58:51,589 --> 00:58:50,220

situation so there's these people who

1447

00:58:53,690 --> 00:58:51,599

come in the film that are incredibly

1448

00:58:58,309 --> 00:58:53,700

brave and they reveal this story which

1449

00:59:02,059 --> 00:58:58,319

as you say is not typical but then is

1450

00:59:03,950 --> 00:59:02,069

typical of what we see in cult but I

1451
00:59:08,029 --> 00:59:03,960
digress Richard and that's why this show

1452
00:59:10,700 --> 00:59:08,039
goes up a lot of questions the part I

1453
00:59:12,980 --> 00:59:10,710
found particularly interesting is the

1454
00:59:15,740 --> 00:59:12,990
Samadhi experiences that these people

1455
00:59:18,519 --> 00:59:15,750
have so when you talked about your

1456
00:59:23,480 --> 00:59:18,529
experience with the whiskey and the all

1457
00:59:25,990 --> 00:59:23,490
feeling of love there are certain people

1458
00:59:29,569 --> 00:59:26,000
on this planet that seemed to be able to

1459
00:59:32,829 --> 00:59:29,579
transmit that experience to other people

1460
00:59:36,079 --> 00:59:32,839
through a touch through a gaze through

1461
00:59:37,490 --> 00:59:36,089
any various number of waves and these

1462
00:59:40,160 --> 00:59:37,500
people have been reported through

1463
00:59:42,500 --> 00:59:40,170

history and they a lot of times sit up

1464

00:59:44,359 --> 00:59:42,510

on a cushion up on the stage and people

1465

00:59:48,230 --> 00:59:44,369

throw flowers and money at them because

1466

00:59:51,319 --> 00:59:48,240

we have such unbelievable respect but

1467

00:59:53,480 --> 00:59:51,329

more to the point the participants have

1468

00:59:56,029 --> 00:59:53,490

this if you have that incredible feeling

1469

00:59:57,890 --> 00:59:56,039

the most profound feeling of your life

1470

01:00:01,339 --> 00:59:57,900

like you talked about that next morning

1471

01:00:03,920 --> 01:00:01,349

after drinking the whiskey man it's hard

1472

01:00:07,430 --> 01:00:03,930

not to be attached to that and it's hard

1473

01:00:09,529 --> 01:00:07,440

not to attach yourself to the person who

1474

01:00:12,829 --> 01:00:09,539

you think transmitted that experience so

1475

01:00:16,099 --> 01:00:12,839

there's so much to pull apart there what

1476

01:00:18,650 --> 01:00:16,109

do we think is going on when someone

1477

01:00:23,299 --> 01:00:18,660

like this who is not a good person by

1478

01:00:28,819 --> 01:00:23,309

any measure seems to be able to affect

1479

01:00:31,120 --> 01:00:28,829

this inside of people yes I don't have a

1480

01:00:34,130 --> 01:00:31,130

final answer on this one but it's

1481

01:00:36,410 --> 01:00:34,140

something I've explored and journeyed on

1482

01:00:37,999 --> 01:00:36,420

myself so I think for one there's

1483

01:00:39,950 --> 01:00:38,009

definitely a sense in watching the film

1484

01:00:41,779 --> 01:00:39,960

of what for the grace of God there do I

1485

01:00:44,599 --> 01:00:41,789

there was a period in my life where I

1486

01:00:47,089 --> 01:00:44,609

can see definitely I could have taken

1487

01:00:49,579 --> 01:00:47,099

that course if I'd met the wrong people

1488

01:00:52,160 --> 01:00:49,589

at the right time yes I could have

1489

01:00:54,470 --> 01:00:52,170

fallen into that you know and at the

1490

01:00:56,630 --> 01:00:54,480

same time I do feel that getting

1491

01:00:58,789 --> 01:00:56,640

involved in spirituality in the early

1492

01:01:00,950 --> 01:00:58,799

noughties the first time I ever heard a

1493

01:01:03,559 --> 01:01:00,960

Sai Baba was when I heard about the

1494

01:01:06,349 --> 01:01:03,569

accusations of PDA philia right so the

1495

01:01:08,329 --> 01:01:06,359

the Vanille was falling off the gurus

1496

01:01:11,029 --> 01:01:08,339

though the glass was falling away so

1497

01:01:12,559 --> 01:01:11,039

then okay we start we start out with

1498

01:01:14,150 --> 01:01:12,569

this idea that there are some people who

1499

01:01:17,029 --> 01:01:14,160

go into consciousness in such a profound

1500

01:01:18,740 --> 01:01:17,039

way that they can wave their hand above

1501

01:01:20,120 --> 01:01:18,750

your head and that will induce this

1502

01:01:22,160 --> 01:01:20,130

immense experience of you because they

1503

01:01:23,930 --> 01:01:22,170

are so enlightened purim selves okay

1504

01:01:26,539 --> 01:01:23,940

that's that's the sign in place of this

1505

01:01:27,650 --> 01:01:26,549

and then then the accusation surface

1506

01:01:29,630 --> 01:01:27,660

that these people are not holier than

1507

01:01:32,749 --> 01:01:29,640

thou they're doing stuff that's in some

1508

01:01:35,150 --> 01:01:32,759

cases not only dark but so dark it would

1509

01:01:37,309 --> 01:01:35,160

make them amongst the most evil 1% of

1510

01:01:39,620 --> 01:01:37,319

people in the population so then we have

1511

01:01:40,999 --> 01:01:39,630

to move that say okay well well people

1512

01:01:44,240 --> 01:01:41,009

can be enlightened on a very deep level

1513

01:01:45,560 --> 01:01:44,250

of consciousness and touch the infinite

1514

01:01:47,180 --> 01:01:45,570

and transmit that

1515

01:01:48,680 --> 01:01:47,190

in the middle it doesn't necessarily

1516

01:01:50,030 --> 01:01:48,690

purify their psyche and they can have

1517

01:01:52,370 --> 01:01:50,040

all these demons again so this power

1518

01:01:56,360 --> 01:01:52,380

comes through but you shouldn't

1519

01:01:58,850 --> 01:01:56,370

necessarily trust them and that's that's

1520

01:02:00,560 --> 01:01:58,860

a model and Tim Freak moved towards him

1521

01:02:03,500 --> 01:02:00,570

that sort of pickings up from there I

1522

01:02:04,940 --> 01:02:03,510

mention his name because and he came to

1523

01:02:07,040 --> 01:02:04,950

this great analogy of life look it's

1524

01:02:08,840 --> 01:02:07,050

like a rock star okay like you might

1525

01:02:11,000 --> 01:02:08,850

know one expects rock stars to be good

1526

01:02:12,020 --> 01:02:11,010

people in fact you know if they will

1527

01:02:13,610 --> 01:02:12,030

look at people that will probably would

1528

01:02:14,930 --> 01:02:13,620

have left out if they went backstage and

1529

01:02:16,760 --> 01:02:14,940

they were just drinking the herbal tea

1530

01:02:18,170 --> 01:02:16,770

and they were like sorta cocaine or

1531

01:02:20,420 --> 01:02:18,180

something you'd be a bit disappointed so

1532

01:02:22,340 --> 01:02:20,430

but they have a genius there's a genius

1533

01:02:24,200 --> 01:02:22,350

and for music and artists tormented

1534

01:02:26,090 --> 01:02:24,210

people and actually we should move gurus

1535

01:02:27,740 --> 01:02:26,100

out of the spiritually pure category and

1536

01:02:31,670 --> 01:02:27,750

put them in the tormented genius

1537

01:02:35,560 --> 01:02:31,680

category I love that and I think it also

1538

01:02:37,880 --> 01:02:35,570

speaks to your earlier point about

1539

01:02:40,070 --> 01:02:37,890

understanding the movie is the movie I

1540

01:02:42,560 --> 01:02:40,080

mean I have a friend who is a devotee of

1541

01:02:44,840 --> 01:02:42,570

Sully appreciate the EM recently

1542

01:02:46,640 --> 01:02:44,850

deceased Buddhist and you know he really

1543

01:02:50,180 --> 01:02:46,650

struggles cuz he knows full well he's a

1544

01:02:51,500 --> 01:02:50,190

nasty abusive guy who you know had sex

1545

01:02:54,170 --> 01:02:51,510

of all these young female

1546

01:02:56,240 --> 01:02:54,180

devotees but he struggles with he can't

1547

01:02:57,860 --> 01:02:56,250

ignore that the most profoundly shifting

1548

01:02:59,510 --> 01:02:57,870

moments of his life came in the presence

1549

01:03:01,760 --> 01:02:59,520

of this man or in his group and he's had

1550

01:03:03,290 --> 01:03:01,770

to you know wrestle of that and it's

1551

01:03:05,630 --> 01:03:03,300

different it gets right into our

1552

01:03:06,950 --> 01:03:05,640

attachment patterns and disorders and

1553

01:03:08,990 --> 01:03:06,960

probably how we were parented and what

1554

01:03:10,730 --> 01:03:09,000

we're unconsciously searching for in

1555

01:03:13,670 --> 01:03:10,740

that level so I understand like people

1556

01:03:15,620 --> 01:03:13,680

get a real lock into that and whilst I

1557

01:03:20,060 --> 01:03:15,630

agree it's part of the movie and the the

1558

01:03:22,160 --> 01:03:20,070

process then is to recognize why we're

1559

01:03:24,850 --> 01:03:22,170

being drawn to this for the person what

1560

01:03:28,130 --> 01:03:24,860

they give us in the way we are and to

1561

01:03:30,530 --> 01:03:28,140

come into our own sense of oneness and I

1562

01:03:32,380 --> 01:03:30,540

sympathize with that being a difficult

1563

01:03:37,460 --> 01:03:32,390

journey and one that can take time

1564

01:03:40,630 --> 01:03:37,470

totally agree okay Richard why don't you

1565

01:03:44,360 --> 01:03:40,640

take a tease right on your shoulder man

1566

01:03:48,560 --> 01:03:44,370

you are a teen isn't that what we found

1567

01:03:53,390 --> 01:03:48,570

out at the end of the day isn't that the

1568

01:03:55,730 --> 01:03:53,400

real reality here that we are et is it I

1569

01:03:58,550 --> 01:03:55,740

am I blame skeptical for this I was just

1570

01:03:59,300 --> 01:03:58,560

trying to do some basic meter metate own

1571

01:04:01,130 --> 01:03:59,310

near-death

1572

01:04:04,070 --> 01:04:01,140

research and then I stumbled across an

1573

01:04:05,660 --> 01:04:04,080

area rod wells interview that you can

1574

01:04:07,250 --> 01:04:05,670

talk to it and that that was stands the

1575

01:04:10,250 --> 01:04:07,260

rabbit hole I never wanted to fall down

1576

01:04:13,120 --> 01:04:10,260

but then I was down it and well Simon's

1577

01:04:14,870 --> 01:04:13,130

fall yeah that was another again

1578

01:04:19,160 --> 01:04:14,880

entirely by accident

1579

01:04:21,410 --> 01:04:19,170

Simon is a priest in the Church of

1580

01:04:25,730 --> 01:04:21,420

England which retired now a deeply

1581

01:04:27,320 --> 01:04:25,740

mystical contemplative man and that

1582

01:04:30,230 --> 01:04:27,330

aspects the church and I really wanted

1583

01:04:32,540 --> 01:04:30,240

to interview him on that and he wrote a

1584

01:04:34,310 --> 01:04:32,550

sci-fi book big fan of sci-fi so he

1585

01:04:36,470 --> 01:04:34,320

wrote a book about a priest who meets

1586

01:04:39,770 --> 01:04:36,480

aliens and bringing those two words

1587

01:04:42,770 --> 01:04:39,780

together I didn't really know his his

1588

01:04:44,870 --> 01:04:42,780

interest in this whole area was was

1589

01:04:47,750 --> 01:04:44,880

prompted by some personal experience of

1590

01:04:49,460 --> 01:04:47,760

contact okay so that came up in sci-fi

1591

01:04:50,720 --> 01:04:49,470

interview and then of course you've got

1592

01:04:53,270 --> 01:04:50,730

to go there so we did an alien

1593

01:04:56,600 --> 01:04:53,280

encounters and mainly encounters

1594

01:04:58,250 --> 01:04:56,610

interview so to me what I thought would

1595

01:05:00,970 --> 01:04:58,260

be kind of interesting to talk about and

1596

01:05:05,090 --> 01:05:00,980

just drag you into the deep water here

1597

01:05:07,910 --> 01:05:05,100

is that it's like stepping stones across

1598

01:05:10,970 --> 01:05:07,920

the river and I guess my earlier rant

1599

01:05:13,490 --> 01:05:10,980

about I do want to jump I would want to

1600

01:05:15,740 --> 01:05:13,500

launch into kind of conclusions and

1601
01:05:19,250 --> 01:05:15,750
that's not maybe exactly what I meant

1602
01:05:25,430 --> 01:05:19,260
but what I do feel like I want to do is

1603
01:05:28,820 --> 01:05:25,440
I don't want to not recognize when the

1604
01:05:31,730 --> 01:05:28,830
burden of proof kind of thing shifts in

1605
01:05:34,340 --> 01:05:31,740
a dramatic way and that we have to

1606
01:05:36,710 --> 01:05:34,350
change our belief system in a way that

1607
01:05:39,470 --> 01:05:36,720
says well I now have to accept that

1608
01:05:42,920 --> 01:05:39,480
until I'm proven otherwise

1609
01:05:46,130 --> 01:05:42,930
here are the stepping stones to me I was

1610
01:05:51,800 --> 01:05:46,140
like bringing up the New York Times Fox

1611
01:05:54,410 --> 01:05:51,810
News CBS News December 2017 is it you

1612
01:05:57,380 --> 01:05:54,420
know I think so yeah you know I mean

1613
01:05:58,880 --> 01:05:57,390

it's outed so the DoD is now come out

1614

01:06:01,640 --> 01:05:58,890

and said our government the United

1615

01:06:04,550 --> 01:06:01,650

States I said yeah they're here they're

1616

01:06:08,870 --> 01:06:04,560

UFOs so the stepping stone for me is

1617

01:06:12,890 --> 01:06:08,880

number one you lied your ass off about

1618

01:06:15,410 --> 01:06:12,900

that for at least 60 70 years

1619

01:06:17,809 --> 01:06:15,420

you threaten people you threatened to

1620

01:06:20,390 --> 01:06:17,819

kill people kill their families kill

1621

01:06:23,690 --> 01:06:20,400

everyone if they revealed this UFO

1622

01:06:25,670 --> 01:06:23,700

secret and now you just kind of casually

1623

01:06:28,999 --> 01:06:25,680

kind of slip it out there and a little

1624

01:06:31,370 --> 01:06:29,009

uh you know oh it would never was really

1625

01:06:33,499 --> 01:06:31,380

classified information anyway here's the

1626

01:06:36,319 --> 01:06:33,509

video you can see for it yourself

1627

01:06:40,519 --> 01:06:36,329

what surprises me and that is that

1628

01:06:43,220 --> 01:06:40,529

people seem unexplainably reluctant to

1629

01:06:46,430 --> 01:06:43,230

take the next step if we see the UFO

1630

01:06:48,380 --> 01:06:46,440

video that the DoD now is throwing the

1631

01:06:52,700 --> 01:06:48,390

holy water on and say yep that's real

1632

01:06:54,829 --> 01:06:52,710

that's real then certainly et is real

1633

01:06:58,519 --> 01:06:54,839

there's someone piloting those crafts

1634

01:07:00,640 --> 01:06:58,529

and it's et and then how would we not

1635

01:07:02,380 --> 01:07:00,650

connect that to the ancient alien

1636

01:07:06,859 --> 01:07:02,390

hypothesis which i think is

1637

01:07:09,950 --> 01:07:06,869

overwhelmingly just self-evident when

1638

01:07:14,120 --> 01:07:09,960

you go and you interview like I

1639

01:07:17,720 --> 01:07:14,130

interviewed rt6 killer Clark who is a

1640

01:07:19,849 --> 01:07:17,730

Native American anthropologist at

1641

01:07:24,410 --> 01:07:19,859

Montana State he does interviews all

1642

01:07:25,999 --> 01:07:24,420

these indigenous people in North America

1643

01:07:28,220 --> 01:07:26,009

and Canada United States and South

1644

01:07:31,160 --> 01:07:28,230

America and they say oh yes this is our

1645

01:07:33,229 --> 01:07:31,170

tradition the star people came and they

1646

01:07:35,420 --> 01:07:33,239

gave us all this and we are in fact the

1647

01:07:37,370 --> 01:07:35,430

star people and then you go over to

1648

01:07:40,370 --> 01:07:37,380

Africa and you talk to the Dogon they

1649

01:07:42,529 --> 01:07:40,380

say yes star people they came to this

1650

01:07:43,910 --> 01:07:42,539

and then you go and you look at Egypt

1651

01:07:45,650 --> 01:07:43,920

and you look at the lining of the

1652

01:07:47,620 --> 01:07:45,660

pyramids and of course they're with the

1653

01:07:53,720 --> 01:07:47,630

stars and it's a star people I mean

1654

01:07:55,640 --> 01:07:53,730

again if the pivot point is the DoD

1655

01:07:58,519 --> 01:07:55,650

release of the videos and saying yeah

1656

01:08:00,680 --> 01:07:58,529

this is real well then there does have

1657

01:08:03,950 --> 01:08:00,690

to be this kind of avalanche here of

1658

01:08:06,109 --> 01:08:03,960

accepting all these other things so the

1659

01:08:08,059 --> 01:08:06,119

merry rod will interview that you

1660

01:08:10,519 --> 01:08:08,069

mentioned that I did and we can just

1661

01:08:13,670 --> 01:08:10,529

oppose that to the interview you did you

1662

01:08:18,410 --> 01:08:13,680

just referenced that you did brings us

1663

01:08:21,649 --> 01:08:18,420

face to face with hybridization of us

1664

01:08:24,470 --> 01:08:21,659

the hybridization of ETS this genetic

1665

01:08:26,360 --> 01:08:24,480

transformation from all these different

1666

01:08:29,630 --> 01:08:26,370

species that might be

1667

01:08:32,420 --> 01:08:29,640

out there in the universe to something

1668

01:08:35,360 --> 01:08:32,430

that is us right now but is in the

1669

01:08:39,620 --> 01:08:35,370

process of constantly being tweaked and

1670

01:08:43,630 --> 01:08:39,630

changed that to me I'm not going to say

1671

01:08:48,170 --> 01:08:43,640

that certain I'm just saying that until

1672

01:08:52,550 --> 01:08:48,180

that can be thoroughly disproven that

1673

01:08:56,540 --> 01:08:52,560

has to become the most likely scenario

1674

01:08:58,880 --> 01:08:56,550

in my opinion and then the larger

1675

01:09:00,590 --> 01:08:58,890

question that I get to it all this back

1676

01:09:03,710 --> 01:09:00,600

to your hope this whole interview is

1677

01:09:05,780 --> 01:09:03,720

does that change anything about all

1678

01:09:08,570 --> 01:09:05,790

these conversations we were having about

1679

01:09:11,990 --> 01:09:08,580

deep spirituality does it change it at

1680

01:09:14,480 --> 01:09:12,000

all or is it just fit right into it

1681

01:09:17,090 --> 01:09:14,490

seamlessly so there's a ton on the table

1682

01:09:19,670 --> 01:09:17,100

there but go ahead yeah I could see it

1683

01:09:21,590 --> 01:09:19,680

not changing anything about deep

1684

01:09:25,690 --> 01:09:21,600

spirituality if you take this young

1685

01:09:27,950 --> 01:09:25,700

jewel idealist paradigm that the

1686

01:09:30,350 --> 01:09:27,960

feelings that big ocean of long from

1687

01:09:34,340 --> 01:09:30,360

presumably the UFOs or rising in that to

1688

01:09:35,630 --> 01:09:34,350

whatever they are so you know unless I

1689

01:09:37,100 --> 01:09:35,640

fundamentally misinterpreted my

1690

01:09:39,800 --> 01:09:37,110

experience there which is of course

1691

01:09:41,960 --> 01:09:39,810

always a possibility and I could see it

1692

01:09:45,650 --> 01:09:41,970

not changing that and this being another

1693

01:09:47,360 --> 01:09:45,660

aspect of the world we inhabit and I

1694

01:09:49,820 --> 01:09:47,370

think can we explore that for a minute

1695

01:09:51,320 --> 01:09:49,830

how does that work it sounds

1696

01:09:53,720 --> 01:09:51,330

self-evident to me somewhat can you

1697

01:09:56,570 --> 01:09:53,730

elaborate on the question of it in one

1698

01:10:00,260 --> 01:09:56,580

way I get that it's self-evident in

1699

01:10:02,930 --> 01:10:00,270

another way how come Angie isn't all

1700

01:10:05,360 --> 01:10:02,940

over that how come she isn't coming back

1701

01:10:08,510 --> 01:10:05,370

and that's the first thing she says the

1702

01:10:11,240 --> 01:10:08,520

variety of the manifestation of that one

1703

01:10:13,870 --> 01:10:11,250

love consciousness is infinite there's

1704

01:10:16,460 --> 01:10:13,880

like millions and millions of different

1705

01:10:18,770 --> 01:10:16,470

manifestations of it she doesn't say

1706

01:10:20,750 --> 01:10:18,780

that yeah well no but I mean think of

1707

01:10:22,820 --> 01:10:20,760

the context here Angie is not going into

1708

01:10:24,800 --> 01:10:22,830

this you know she's not taking tablets

1709

01:10:26,240 --> 01:10:24,810

to shut her heart down because she wants

1710

01:10:27,980 --> 01:10:26,250

to have this deep conscious experience

1711

01:10:29,990 --> 01:10:27,990

because she's a psycho nautical explorer

1712

01:10:34,640 --> 01:10:30,000

she's doing it in an active auto

1713

01:10:36,200 --> 01:10:34,650

desperation so it feels like well what

1714

01:10:38,720 --> 01:10:36,210

reaches out to her is the appropriate

1715

01:10:40,040 --> 01:10:38,730

image for this lady born into Christian

1716

01:10:43,430 --> 01:10:40,050

spirituality and has been this

1717

01:10:46,609 --> 01:10:43,440

she's clung to for her life for soulful

1718

01:10:48,020 --> 01:10:46,619

substance so it makes sense to be in

1719

01:10:50,000 --> 01:10:48,030

that way and maybe you know whereas by

1720

01:10:53,629 --> 01:10:50,010

contrast someone in a Rick Strassman

1721

01:10:55,580 --> 01:10:53,639

group taking DMT so they can explore the

1722

01:10:57,200 --> 01:10:55,590

depth and breadth for the universe might

1723

01:11:00,470 --> 01:10:57,210

have a different experience that that

1724

01:11:01,729 --> 01:11:00,480

speaks more to that so let's pause on

1725

01:11:03,080 --> 01:11:01,739

that because like this is like really

1726

01:11:05,660 --> 01:11:03,090

the conversation that I wanted to have

1727

01:11:10,220 --> 01:11:05,670

so does that really wash though because

1728

01:11:11,660 --> 01:11:10,230

one of Angie's concerns is she's hearing

1729

01:11:14,180 --> 01:11:11,670

the voice of God and she wants to make

1730

01:11:15,830 --> 01:11:14,190

sure she gets it down just right which

1731

01:11:19,069 --> 01:11:15,840

always strikes me as a little bit

1732

01:11:20,629 --> 01:11:19,079

strange although I love what Angie has

1733

01:11:23,959 --> 01:11:20,639

to say and what she brings forward is

1734

01:11:25,970 --> 01:11:23,969

phenomenal she's a she's gifted in terms

1735

01:11:28,189 --> 01:11:25,980

of her knowledge and her understanding

1736

01:11:30,470 --> 01:11:28,199

of it but I wanted to make sure I got

1737

01:11:32,569 --> 01:11:30,480

the voice of God just right do you

1738

01:11:34,910 --> 01:11:32,579

really think you God yeah like if it's

1739

01:11:37,040 --> 01:11:34,920

God talking to you then why are you just

1740

01:11:38,629 --> 01:11:37,050

getting that little sliver and then let

1741

01:11:41,299 --> 01:11:38,639

me jump over and I just interviewed

1742

01:11:43,520 --> 01:11:41,309

Deborah diamond who I think is a really

1743

01:11:44,839 --> 01:11:43,530

great medium and she's talked to you

1744

01:11:46,729 --> 01:11:44,849

know thousands of thousands of spirits

1745

01:11:49,100 --> 01:11:46,739

and spirits all the time and I asked her

1746

01:11:51,799 --> 01:11:49,110

and she's like well no I'm not sure I'm

1747

01:11:52,549 --> 01:11:51,809

down with reincarnation I mean what do

1748

01:11:54,350 --> 01:11:52,559

you mean you're not down with

1749

01:11:56,030 --> 01:11:54,360

reincarnation I already proved it over

1750

01:11:57,620 --> 01:11:56,040

at the University of Virginia and then

1751

01:11:59,629 --> 01:11:57,630

if you want to talk about aliens it's

1752

01:12:02,540 --> 01:11:59,639

like a whole different cuts like whoa I

1753

01:12:06,080 --> 01:12:02,550

don't know anything about that I mean it

1754

01:12:10,430 --> 01:12:06,090

doesn't it doesn't fit together in a way

1755

01:12:16,100 --> 01:12:10,440

that I would expect it to if the whole

1756

01:12:19,490 --> 01:12:16,110

et genetic we are et kind of story is

1757

01:12:24,919 --> 01:12:19,500

real I would expect to see that pop up

1758

01:12:27,020 --> 01:12:24,929

more um yeah I can only address the Andy

1759

01:12:29,030 --> 01:12:27,030

thing by being bit some theological and

1760

01:12:30,770 --> 01:12:29,040

making statements like God reaches out

1761

01:12:32,120 --> 01:12:30,780

to us in the form we can accept right

1762

01:12:33,770 --> 01:12:32,130

and then that fundamentally makes sense

1763

01:12:35,510 --> 01:12:33,780

to me okay because if I'm having a

1764

01:12:37,280 --> 01:12:35,520

conversation like this and then we're

1765

01:12:38,620 --> 01:12:37,290

exploring the nature of reality I'm not

1766

01:12:41,419 --> 01:12:38,630

Satya thinking what's the most

1767

01:12:43,939 --> 01:12:41,429

compassionate and kind way to speak to

1768

01:12:45,560 --> 01:12:43,949

Alex that won't upset his applecart you

1769

01:12:47,209 --> 01:12:45,570

know but if I if I'm you know

1770

01:12:48,859 --> 01:12:47,219

interacting of someone who's maybe the

1771

01:12:50,000 --> 01:12:48,869

big thing for them is their suffering

1772

01:12:52,510 --> 01:12:50,010

and struggling and they have a

1773

01:12:54,070 --> 01:12:52,520

particular religious view and

1774

01:12:56,020 --> 01:12:54,080

that that does come into play then and

1775

01:12:58,540 --> 01:12:56,030

I'm happy to fit into whatever language

1776

01:13:00,910 --> 01:12:58,550

bracket people feel comfortable if I can

1777

01:13:03,670 --> 01:13:00,920

you know be of some service in that way

1778

01:13:05,320 --> 01:13:03,680

so it makes sense to me to you know

1779

01:13:08,590 --> 01:13:05,330

extrapolate that's the way I would act

1780

01:13:11,350 --> 01:13:08,600

then you know it makes sense that that

1781

01:13:13,750 --> 01:13:11,360

carries are not so that when whatever

1782

01:13:15,370 --> 01:13:13,760

deeper being interacts with Angie in her

1783

01:13:17,290 --> 01:13:15,380

moment of suffering it makes sense it

1784

01:13:21,010 --> 01:13:17,300

would reach her in that in that form

1785

01:13:22,750 --> 01:13:21,020

because compassion from sex duration in

1786

01:13:26,650 --> 01:13:22,760

that moment God is working on a

1787

01:13:28,510 --> 01:13:26,660

need-to-know basis yeah I think I can't

1788

01:13:31,690 --> 01:13:28,520

say it makes sense we it's also not lost

1789

01:13:34,600 --> 01:13:31,700

on me Alex that okay I when I was 23 24

1790

01:13:36,100 --> 01:13:34,610

I was really into new advisor I looked

1791

01:13:39,190 --> 01:13:36,110

at the world that way or invited adapter

1792

01:13:41,500 --> 01:13:39,200

and what do you know my experience was a

1793

01:13:43,030 --> 01:13:41,510

very non jewel classical divided on to

1794

01:13:44,800 --> 01:13:43,040

experience I wanna coincidence I guess

1795

01:13:47,530 --> 01:13:44,810

that's the right one then okay or maybe

1796

01:13:49,690 --> 01:13:47,540

there's something very pure very non

1797

01:13:51,040 --> 01:13:49,700

mythological about the way I experienced

1798

01:13:55,300 --> 01:13:51,050

it okay I didn't meet Jesus or something

1799

01:13:57,760 --> 01:13:55,310

and but also maybe that's just you know

1800

01:13:59,470 --> 01:13:57,770

I'm seeing the part or feeling the part

1801

01:14:01,470 --> 01:13:59,480

of the elephant that I can feel in that

1802

01:14:03,790 --> 01:14:01,480

and I might have my own cognitive

1803

01:14:05,830 --> 01:14:03,800

restrictions because of the lens I've

1804

01:14:08,560 --> 01:14:05,840

I've picked up you know I don't doubt

1805

01:14:10,210 --> 01:14:08,570

that if I'd been very much to miss soul

1806

01:14:12,370 --> 01:14:10,220

searching for a more Christian lens I

1807

01:14:15,250 --> 01:14:12,380

would be speaking a different language

1808

01:14:17,050 --> 01:14:15,260

in in reporting it maybe not you know

1809

01:14:17,680 --> 01:14:17,060

maybe the same experience or maybe spear

1810

01:14:21,220 --> 01:14:17,690

to be a little different

1811

01:14:25,480 --> 01:14:21,230

I don't but related question as we start

1812

01:14:26,980 --> 01:14:25,490

to wrap this up are we looking at two

1813

01:14:29,290 --> 01:14:26,990

ladders that are leaning up against

1814

01:14:31,060 --> 01:14:29,300

different walls one ladder being the

1815

01:14:33,700 --> 01:14:31,070

spiritual ladder that you're talking

1816

01:14:36,250 --> 01:14:33,710

about and were trying to ascend

1817

01:14:38,020 --> 01:14:36,260

hopefully that ladder and then we have

1818

01:14:39,430 --> 01:14:38,030

these different experiences and all we

1819

01:14:41,350 --> 01:14:39,440

could call them non-dual that we could

1820

01:14:43,600 --> 01:14:41,360

call them christian we'd call them

1821

01:14:45,730 --> 01:14:43,610

mystical or Gnostic or all these are

1822

01:14:47,590 --> 01:14:45,740

things and we get under we understand

1823

01:14:49,960 --> 01:14:47,600

all the complexity and challenges of

1824

01:14:51,280 --> 01:14:49,970

that all the rest of that and then

1825

01:14:54,760 --> 01:14:51,290

there's this other ladder that we're

1826

01:14:57,040 --> 01:14:54,770

exploring which is you know what's going

1827

01:14:59,290 --> 01:14:57,050

on and how does science relate to that

1828

01:15:02,530 --> 01:14:59,300

and we are a genetic experiment and we

1829

01:15:04,270 --> 01:15:02,540

are being manipulated but our

1830

01:15:06,220 --> 01:15:04,280

consciousness is manifesting and they're

1831

01:15:06,710 --> 01:15:06,230

still in that ladder they're still

1832

01:15:12,260 --> 01:15:06,720

talking about

1833

01:15:14,630 --> 01:15:12,270

the purple Jaguar and all the rest of

1834

01:15:16,280 --> 01:15:14,640

that but when you really get up to the

1835

01:15:18,620 --> 01:15:16,290

top of these ladders you find they're on

1836

01:15:22,370 --> 01:15:18,630

two completely different walls and the

1837

01:15:25,010 --> 01:15:22,380

one ball is looking deeply at this time

1838

01:15:27,080 --> 01:15:25,020

space reality and it's just trying to

1839

01:15:29,030 --> 01:15:27,090

figure that out and not putting judgment

1840

01:15:31,280 --> 01:15:29,040

on that but just saying here are all the

1841

01:15:33,590 --> 01:15:31,290

things that we can experience in this

1842

01:15:36,140 --> 01:15:33,600

time-space reality and hey there's these

1843

01:15:38,630 --> 01:15:36,150

other beings that are seem to be popping

1844

01:15:41,120 --> 01:15:38,640

into it and experiencing it with us

1845

01:15:43,490 --> 01:15:41,130

and then this hypothesis then if I would

1846

01:15:47,390 --> 01:15:43,500

have ground it out would say this other

1847

01:15:50,960 --> 01:15:47,400

wall as you're ascending it at the top

1848

01:15:52,910 --> 01:15:50,970

of it it becomes more and more separated

1849

01:15:55,130 --> 01:15:52,920

from the other wall because the other

1850

01:15:59,180 --> 01:15:55,140

wall doesn't really it's just like a

1851

01:16:02,330 --> 01:15:59,190

game it's just kind of in experience but

1852

01:16:06,800 --> 01:16:02,340

at the end of the day this other true

1853

01:16:07,160 --> 01:16:06,810

spiritual ascension is what it's all

1854

01:16:10,340 --> 01:16:07,170

about

1855

01:16:12,290 --> 01:16:10,350

does that make any sense or does it no I

1856

01:16:13,610 --> 01:16:12,300

think so and then I think you could say

1857

01:16:15,680 --> 01:16:13,620

okay it depends on your perspective on

1858

01:16:18,680 --> 01:16:15,690

things like the other phenomena so for

1859

01:16:20,240 --> 01:16:18,690

example if like David Jacobs is got the

1860

01:16:22,850 --> 01:16:20,250

correct answer then the ladders are

1861

01:16:24,140 --> 01:16:22,860

quite separate and the UFOs the aliens

1862

01:16:25,400 --> 01:16:24,150

aren't here for any spiritual reason

1863

01:16:27,910 --> 01:16:25,410

they've just seen resources and they

1864

01:16:30,260 --> 01:16:27,920

want to take them and on the other hand

1865

01:16:31,840 --> 01:16:30,270

you know obviously like a Mary Rodwell

1866

01:16:36,110 --> 01:16:31,850

perspective would have that the two

1867

01:16:38,390 --> 01:16:36,120

ladders very conjoined I can't make

1868

01:16:39,830 --> 01:16:38,400

sense off the questions you asked

1869

01:16:41,630 --> 01:16:39,840

everything look like exactly there are

1870

01:16:42,770 --> 01:16:41,640

any questions to be asking regarding

1871

01:16:44,720 --> 01:16:42,780

like why does this person say

1872

01:16:47,510 --> 01:16:44,730

reincarnation and this person says you

1873

01:16:49,010 --> 01:16:47,520

know only three times and why does some

1874

01:16:50,270 --> 01:16:49,020

people say spirits won't close contact

1875

01:16:52,250 --> 01:16:50,280

with their families when they're gone

1876
01:16:53,360 --> 01:16:52,260
and you can do therapy around that and

1877
01:16:57,770 --> 01:16:53,370
others say no leave them alone they're

1878
01:17:02,380 --> 01:16:57,780
busy of their own thing and I I suspect

1879
01:17:04,940 --> 01:17:02,390
that it might be that our way of

1880
01:17:08,740 --> 01:17:04,950
understanding the world our rules of

1881
01:17:10,940 --> 01:17:08,750
logic and such are more limited and

1882
01:17:14,450 --> 01:17:10,950
we're dealing with something that's just

1883
01:17:15,820 --> 01:17:14,460
on another level and we can no more you

1884
01:17:19,669 --> 01:17:15,830
know what we're like if the ancient

1885
01:17:22,669 --> 01:17:19,679
Greeks try to understand

1886
01:17:23,899 --> 01:17:22,679
or found the facts we know about the

1887
01:17:25,669 --> 01:17:23,909
world about having the reasons they

1888
01:17:27,259 --> 01:17:25,679

wouldn't be able to understand quantum

1889

01:17:28,459 --> 01:17:27,269

mechanics or something it's just they're

1890

01:17:30,649 --> 01:17:28,469

now in a position where they can even

1891

01:17:31,819 --> 01:17:30,659

approach that and I suspect we're not in

1892

01:17:33,919 --> 01:17:31,829

a position where probe didn't move

1893

01:17:36,009 --> 01:17:33,929

didn't try and I appreciate that's all

1894

01:17:38,660 --> 01:17:36,019

from the cop-out answer but that's also

1895

01:17:40,040 --> 01:17:38,670

just because of the variety of the way

1896

01:17:41,689 --> 01:17:40,050

the phenomena is come through and how

1897

01:17:43,609 --> 01:17:41,699

other all these apparent contradictions

1898

01:17:45,169 --> 01:17:43,619

it makes me think that we would need to

1899

01:17:49,060 --> 01:17:45,179

look at this on a deeper level in some

1900

01:17:52,850 --> 01:17:49,070

way that we might have limited access to

1901

01:17:55,399 --> 01:17:52,860

hey it's either a cop-out or it's the

1902

01:17:57,379 --> 01:17:55,409

most deep profound answer it is the

1903

01:17:59,899 --> 01:17:57,389

world what world answer it is the AMA

1904

01:18:02,720 --> 01:17:59,909

answer right it's like hey I'm playing

1905

01:18:04,819 --> 01:18:02,730

the game as hard as I can but I still

1906

01:18:07,459 --> 01:18:04,829

see it as a movie I don't I don't forget

1907

01:18:09,259 --> 01:18:07,469

that so I think that's just awesome I

1908

01:18:13,160 --> 01:18:09,269

hope I can turn this into something that

1909

01:18:14,930 --> 01:18:13,170

is edutainment for at least some folks

1910

01:18:16,669 --> 01:18:14,940

out there it's been awesome to me

1911

01:18:20,109 --> 01:18:16,679

because as you can tell I've had a lot

1912

01:18:22,580 --> 01:18:20,119

of my own deep state consciousness

1913

01:18:25,250 --> 01:18:22,590

experiences while listening to your

1914

01:18:27,439 --> 01:18:25,260

excellent excellent show and I I really

1915

01:18:32,600 --> 01:18:27,449

hope people check it out you're really

1916

01:18:35,209 --> 01:18:32,610

in this glut of podcasting content

1917

01:18:37,939 --> 01:18:35,219

there's some so much fantastic stuff out

1918

01:18:40,520 --> 01:18:37,949

of it I do hope people find their way

1919

01:18:43,100 --> 01:18:40,530

over to your excellent show Richard as

1920

01:18:46,609 --> 01:18:43,110

we wrap it up tell folks what you have

1921

01:18:50,930 --> 01:18:46,619

coming up what you're working on okay

1922

01:18:53,540 --> 01:18:50,940

well I've just my mind is fried at the

1923

01:18:54,770 --> 01:18:53,550

moment I've spent the past month or so

1924

01:18:56,120 --> 01:18:54,780

working on interview with the fellow

1925

01:18:57,319 --> 01:18:56,130

from the FBI about the kind of

1926

01:18:59,899 --> 01:18:57,329

intelligence failures are talking about

1927

01:19:01,279 --> 01:18:59,909

we have gone into the ring over the

1928

01:19:04,399 --> 01:19:01,289

collapse of the towers think with the

1929

01:19:10,729 --> 01:19:04,409

physicist David Chandler and I also have

1930

01:19:14,689 --> 01:19:10,739

lined up a lady who she was a client of

1931

01:19:17,629 --> 01:19:14,699

dr. Janet Colley who worked with UFO

1932

01:19:19,370 --> 01:19:17,639

encounters and people having that and a

1933

01:19:21,919 --> 01:19:19,380

lady who's had a kind of spiritual

1934

01:19:23,419 --> 01:19:21,929

awakening through prolonged encounters

1935

01:19:26,689 --> 01:19:23,429

okay he was writing a book on the

1936

01:19:28,310 --> 01:19:26,699

subject and to explore the spirituality

1937

01:19:29,119 --> 01:19:28,320

of contact so that's something I'm very

1938

01:19:31,939 --> 01:19:29,129

much looking for

1939

01:19:33,319 --> 01:19:31,949

and to doing and the continuation was

1940

01:19:35,929 --> 01:19:33,329

Athene's basically there's all these

1941

01:19:37,849 --> 01:19:35,939

fumes which I I get completely absorbed

1942

01:19:39,169 --> 01:19:37,859

whatever I'm doing and forget everything

1943

01:19:40,609 --> 01:19:39,179

else exists and then oh yeah I did that

1944

01:19:41,989 --> 01:19:40,619

so there's a continuing thing I'm doing

1945

01:19:44,750 --> 01:19:41,999

looking at around the spirituality of

1946

01:19:46,729 --> 01:19:44,760

Hell I've got a Tibetan lucid dreamer

1947

01:19:48,979 --> 01:19:46,739

coming up next to continue that series

1948

01:19:53,569 --> 01:19:48,989

looking at the spiritual value in

1949

01:19:56,209 --> 01:19:53,579

hellish experiences awesome much for me

1950

01:19:58,790 --> 01:19:56,219

to to look forward to great listening

1951

01:20:01,129 --> 01:19:58,800

for a good walk on the beach Richard

1952

01:20:03,500 --> 01:20:01,139

it's been absolutely awesome having you

1953

01:20:05,089 --> 01:20:03,510

on I know I to kind of sprung this on

1954

01:20:07,189 --> 01:20:05,099

you at the last minute in terms of

1955

01:20:10,339 --> 01:20:07,199

turning this into a skeptic episode but

1956

01:20:12,979 --> 01:20:10,349

I'm I'm glad we did so great -

1957

01:20:15,649 --> 01:20:12,989

absolutely yeah fully enjoyed it thank

1958

01:20:17,270 --> 01:20:15,659

you very much Alex thanks again to

1959

01:20:19,879 --> 01:20:17,280

Richard Cox for joining me today on

1960

01:20:22,339 --> 01:20:19,889

skeptic oh one question I'd have to tee

1961

01:20:24,349 --> 01:20:22,349

up at the end of this interview what the

1962

01:20:26,899 --> 01:20:24,359

heck does 9/11 have to do with deep

1963

01:20:31,099 --> 01:20:26,909

spirituality I tried to make the link

1964

01:20:33,259 --> 01:20:31,109

because to me it's really so much of

1965

01:20:35,239 --> 01:20:33,269

what this show is all about but as

1966

01:20:37,429 --> 01:20:35,249

always I'm interested to hear what you

1967

01:20:39,830 --> 01:20:37,439

have to say your thoughts your ideas the

1968

01:20:41,959 --> 01:20:39,840

best place to connect with other people

1969

01:20:44,299 --> 01:20:41,969

are listening to the show and to connect

1970

01:20:46,790 --> 01:20:44,309

with me is through the skeptical forum

1971

01:20:49,969 --> 01:20:46,800

skeptic oh - forum comm you can find

1972

01:20:52,879 --> 01:20:49,979

that for the sceptical website aske pti

1973

01:20:55,159 --> 01:20:52,889

KO comm where you will find all our

1974

01:20:58,040 --> 01:20:55,169

previous shows available for free

1975

01:21:01,549 --> 01:20:58,050

download mp3 take them run with them do

1976

01:21:03,679 --> 01:21:01,559

what you will with them I have a number

1977

01:21:05,929 --> 01:21:03,689

of I think super interesting shows

1978

01:21:09,080 --> 01:21:05,939

coming up a couple of half-baked

1979

01:21:11,389 --> 01:21:09,090

projects that I am super excited to do I

1980

01:21:14,509 --> 01:21:11,399

hope you stay with me for that I hope

1981

01:21:16,849 --> 01:21:14,519

you join this community in any way that

1982

01:21:19,369 --> 01:21:16,859

seems to make sense for you and share it

1983

01:21:22,819 --> 01:21:19,379

with anyone you think needs to hear

1984

01:21:25,140 --> 01:21:22,829

about it until next time take care and
