- 1
00:00:04,999 --> 00:00:01,340
I have antenna been coming up in a
- 2
00:00:08,089 --> 00:00:05,009
minute with the creator of the fantastic
- 3
00:00:11,629 --> 00:00:08,099
movie third eye spies a true story of
- 4
00:00:13,900 --> 00:00:11,639
CIA psychics buying and I could leave it
- 5
00:00:16,849 --> 00:00:13,910
at that that would be a good level one
- 6
00:00:18,980 --> 00:00:16,859
introduction but I'm not in the level
- 7
00:00:23,450 --> 00:00:18,990
one as you know I'm into level three
- 8
00:00:25,609 --> 00:00:23,460
third I spy Stargate program CIA 1970s
- 9
00:00:28,250 --> 00:00:25,619
spying on the Russians using psychics
- 10
00:00:30,560 --> 00:00:28,260
before they spy on us the whole psychic
- 11
00:00:32,720 --> 00:00:30,570
spying program is really important
- 12
00:00:35,060 --> 00:00:32,730
because it shatters but mine equals
- 13
00:00:37,700 --> 00:00:35,070

brain crazy paradigm that we live in

14

00:00:39,950 --> 00:00:37,710

these guys were way past that they knew

15

00:00:41,780 --> 00:00:39,960

that consciousness extends beyond our

16

00:00:44,479 --> 00:00:41,790

brain because they were doing it

17

00:00:46,549 --> 00:00:44,489

everyday in practice but at the same

18

00:00:50,299 --> 00:00:46,559

time they were engaged in some pretty

19

00:00:52,130 --> 00:00:50,309

dark MKULTRA mind control kind of stuff

20

00:00:54,020 --> 00:00:52,140

now on one hand that isn't even

21

00:00:56,510 --> 00:00:54,030

controversial in the movie you'll hear

22

00:00:58,849 --> 00:00:56,520

them talk about their boss dr. Sidney

23

00:01:01,069 --> 00:00:58,859

Gottlieb the US version of Joseph

24

00:01:03,889 --> 00:01:01,079

Mengele is some people calling Joseph

25

00:01:05,359 --> 00:01:03,899

Mengele you know infamous Nazi doctors

26

00:01:07,940 --> 00:01:05,369

well in the movie they kind of play that

27

00:01:10,190 --> 00:01:07,950

off as oh you know we didn't really

28

00:01:11,719 --> 00:01:10,200

agree with what Sydney was doing well

29

00:01:13,880 --> 00:01:11,729

you might not have agreed with them but

30

00:01:15,649 --> 00:01:13,890

Sydney was the tempo of the thing and he

31

00:01:18,560 --> 00:01:15,659

was the boss of this operation too

32

00:01:20,749 --> 00:01:18,570

because all this stuff including the

33

00:01:23,570 --> 00:01:20,759

psychic spying program fell under this

34

00:01:26,719 --> 00:01:23,580

umbrella of mind control and that fell

35

00:01:29,600 --> 00:01:26,729

under this range of programs over 150

36

00:01:32,149 --> 00:01:29,610

programs called MKULTRA so how about

37

00:01:33,530 --> 00:01:32,159

that for more than level one and finally

38

00:01:35,300 --> 00:01:33,540

and you'll hear this in the interview

39

00:01:37,999 --> 00:01:35,310

although we don't cover it completely

40

00:01:41,719 --> 00:01:38,009

you got the whole UFO thing these

41

00:01:44,660 --> 00:01:41,729

psychic spies joseph mechanical Ingo

42

00:01:46,999 --> 00:01:44,670

Swann others they're remote viewing Mars

43

00:01:48,920 --> 00:01:47,009

they're remote viewing the dark side of

44

00:01:50,690 --> 00:01:48,930

the Moon and they're saying hey there's

45

00:01:53,149 --> 00:01:50,700

people there there's bases there there's

46

00:01:55,730 --> 00:01:53,159

technology there there's aliens there

47

00:01:59,030 --> 00:01:55,740

and anyone around this program will tell

48

00:02:01,100 --> 00:01:59,040

you if Ingo Swann said it it's true he

49

00:02:03,770 --> 00:02:01,110

didn't lie he didn't make stuff up so

50

00:02:05,480 --> 00:02:03,780

that kind of puts us in a tough level-3

51
00:02:07,760 --> 00:02:05,490
position what are we supposed to do

52
00:02:10,010 --> 00:02:07,770
believe Jimmy Carter when he says that

53
00:02:11,869 --> 00:02:10,020
these remote viewers found a downed

54
00:02:13,820 --> 00:02:11,879
plane that no one else could find in

55
00:02:15,980 --> 00:02:13,830
Africa on the other hand were so

56
00:02:18,080 --> 00:02:15,990
do not believe and totally discredit

57
00:02:20,180 --> 00:02:18,090
their other findings well now you get a

58
00:02:22,220 --> 00:02:20,190
sense of why it's so hard but at the

59
00:02:26,210 --> 00:02:22,230
same time necessary to get past the

60
00:02:28,760 --> 00:02:26,220
level one here's a great new movie which

61
00:02:31,370 --> 00:02:28,770
it is here's the best movie that's ever

62
00:02:34,100 --> 00:02:31,380
been made about Stargate which it is

63
00:02:37,790 --> 00:02:34,110

here's a great filmmaker who's done a

64

00:02:40,490 --> 00:02:37,800

great job Lance munguia which he is but

65

00:02:42,710 --> 00:02:40,500

you might also understand why don't

66

00:02:44,740 --> 00:02:42,720

agree with them a lot of stuff and why

67

00:02:48,260 --> 00:02:44,750

there's this underlying tension

68

00:02:50,930 --> 00:02:48,270

throughout this interview here are some

69

00:02:53,000 --> 00:02:50,940

clips from the show and I might jump in

70

00:02:56,000 --> 00:02:53,010

after some of these clips too because I

71

00:02:58,640 --> 00:02:56,010

can't resist adding some more level 3

72

00:03:02,000 --> 00:02:58,650

stuff the storyline that the movie

73

00:03:04,670 --> 00:03:02,010

follows is that Russell Targ who is of

74

00:03:07,490 --> 00:03:04,680

course one of the original principal

75

00:03:09,949 --> 00:03:07,500

investigators in this Stargate remote

76

00:03:12,770 --> 00:03:09,959

viewing program and he's going to

77

00:03:16,790 --> 00:03:12,780

reconnect with all these people that

78

00:03:19,400 --> 00:03:16,800

have been a part of this amazing program

79

00:03:22,160 --> 00:03:19,410

he literally showed up at my door with a

80

00:03:24,830 --> 00:03:22,170

big box full of documents that were

81

00:03:27,380 --> 00:03:24,840

marked classified and then that had been

82

00:03:29,420 --> 00:03:27,390

released and he starts laying out all of

83

00:03:30,920 --> 00:03:29,430

these documents on a table and I started

84

00:03:34,280 --> 00:03:30,930

to actually question it because it was

85

00:03:35,690 --> 00:03:34,290

so incredible that I I remember going to

86

00:03:38,720 --> 00:03:35,700

bed after after meeting him the first

87

00:03:40,280 --> 00:03:38,730

night and thinking is this guy like for

88

00:03:42,560 --> 00:03:40,290

real I mean this this is something that

89

00:03:44,960 --> 00:03:42,570

is so incredible that I'm only gonna

90

00:03:47,180 --> 00:03:44,970

really be able to do something like this

91

00:03:48,590 --> 00:03:47,190

if I can get everybody because it was

92

00:03:50,420 --> 00:03:48,600

one of those things worth it's just one

93

00:03:54,680 --> 00:03:50,430

person saying it it just it sounds too

94

00:03:57,050 --> 00:03:54,690

outlandish the conspiratorial guy that I

95

00:03:59,870 --> 00:03:57,060

am one of the first questions I had from

96

00:04:02,990 --> 00:03:59,880

the beginning is why do you think they

97

00:04:05,509 --> 00:04:03,000

released all these documents I have a

98

00:04:09,410 --> 00:04:05,519

hard time believing it's just for the

99

00:04:12,440 --> 00:04:09,420

vanity or the the interest of this sweet

100

00:04:15,979 --> 00:04:12,450

old man professor Russell Targ versus oh

101
00:04:19,610 --> 00:04:15,989
I have all kinds of thoughts on that you

102
00:04:22,580 --> 00:04:19,620
know we think of government as a

103
00:04:24,650 --> 00:04:22,590
monolithic thing that government is

104
00:04:27,080 --> 00:04:24,660
coming up to this or the government is

105
00:04:29,870 --> 00:04:27,090
hiding this

106
00:04:31,850 --> 00:04:29,880
government intentionally is very

107
00:04:34,280 --> 00:04:31,860
dysfunctional so this is actually a

108
00:04:36,290 --> 00:04:34,290
great point intentionally dysfunctional

109
00:04:37,969 --> 00:04:36,300
I love it and I thought he was going

110
00:04:39,980 --> 00:04:37,979
someplace with it but if you listen to

111
00:04:41,930 --> 00:04:39,990
the interview he really doesn't go

112
00:04:43,490 --> 00:04:41,940
anyplace with it he goes back to saying

113
00:04:44,900 --> 00:04:43,500

well you know these things kind of

114

00:04:45,890 --> 00:04:44,910

happen in one hand doesn't know where

115

00:04:48,439 --> 00:04:45,900

the other hands doing

116

00:04:50,810 --> 00:04:48,449

plants if it's intentionally

117

00:04:53,150 --> 00:04:50,820

dysfunctional then it's not really

118

00:04:54,230 --> 00:04:53,160

dysfunctional there's any intention

119

00:04:56,870 --> 00:04:54,240

behind it

120

00:05:00,050 --> 00:04:56,880

who's driving the agenda behind that

121

00:05:01,610 --> 00:05:00,060

intention the presidents and elected

122

00:05:04,610 --> 00:05:01,620

officials are always the last to know

123

00:05:07,879 --> 00:05:04,620

say the CIA director often falls in that

124

00:05:09,830 --> 00:05:07,889

category too because I would yeah yeah I

125

00:05:11,450 --> 00:05:09,840

mean possibly you know I would say the

126
00:05:15,170 --> 00:05:11,460
CIA director probably knows more than

127
00:05:17,300 --> 00:05:15,180
the president does but but Russell and

128
00:05:19,969 --> 00:05:17,310
how the two scientists that started this

129
00:05:23,390 --> 00:05:19,979
program in the 70s were we're both

130
00:05:26,420 --> 00:05:23,400
already vetted people working within

131
00:05:28,520 --> 00:05:26,430
established intelligence circles let me

132
00:05:31,129 --> 00:05:28,530
just clarify you're saying as opposed to

133
00:05:33,710 --> 00:05:31,139
as we do understand it now some programs

134
00:05:35,150 --> 00:05:33,720
that are just black yeah these were not

135
00:05:37,129 --> 00:05:35,160
black programs these were these were

136
00:05:39,560 --> 00:05:37,139
secret programs but they had oversight

137
00:05:41,540 --> 00:05:39,570
and and if you think about something

138
00:05:43,070 --> 00:05:41,550

like remote viewing how easy is it to do

139

00:05:46,490 --> 00:05:43,080

remote viewing basically you close your

140

00:05:48,680 --> 00:05:46,500

eyes you imagine where your target is is

141

00:05:50,420 --> 00:05:48,690

hiding and then you write down what

142

00:05:53,330 --> 00:05:50,430

comes to your mind the first unexpected

143

00:05:55,690 --> 00:05:53,340

images that you get and that's it you

144

00:05:57,950 --> 00:05:55,700

know so so the it's it doesn't take

145

00:06:00,170 --> 00:05:57,960

billions of dollars it doesn't take

146

00:06:03,320 --> 00:06:00,180

fighter jets but the government is

147

00:06:04,010 --> 00:06:03,330

uniquely placed to be able to find out

148

00:06:07,810 --> 00:06:04,020

if you're right or wrong

149

00:06:10,070 --> 00:06:07,820

so you can infiltrate the regular

150

00:06:12,080 --> 00:06:10,080

intelligence agencies by giving them

151
00:06:14,150 --> 00:06:12,090
information and and not telling them

152
00:06:16,010 --> 00:06:14,160
where it comes from well this is such a

153
00:06:18,379 --> 00:06:16,020
cool point and it's something I never

154
00:06:21,290 --> 00:06:18,389
thought of before as Lance points out

155
00:06:24,080 --> 00:06:21,300
this is kind of the ultimate tool on so

156
00:06:26,629 --> 00:06:24,090
many levels first it has this huge yield

157
00:06:28,940 --> 00:06:26,639
you have to put almost no money into it

158
00:06:31,040 --> 00:06:28,950
and you get this huge intelligence

159
00:06:33,200 --> 00:06:31,050
payoff on the other end but the other

160
00:06:35,300 --> 00:06:33,210
thing as Lance points out it has this

161
00:06:37,610 --> 00:06:35,310
power the kind of power that only

162
00:06:39,390 --> 00:06:37,620
secrets can bring because you have

163
00:06:41,820 --> 00:06:39,400

information that only

164

00:06:45,300 --> 00:06:41,830

convinced that these guys are playing

165

00:06:48,210 --> 00:06:45,310

this disinformation misinformation and

166

00:06:50,250 --> 00:06:48,220

spread of information at a 3d chess

167

00:06:52,830 --> 00:06:50,260

level that we don't totally even get

168

00:06:56,700 --> 00:06:52,840

absolute what you're saying and extended

169

00:06:59,010 --> 00:06:56,710

to that who knows you know what's going

170

00:07:01,530 --> 00:06:59,020

on so then what do you think those guys

171

00:07:03,540 --> 00:07:01,540

are doing with the UFO disclosure thing

172

00:07:06,990 --> 00:07:03,550

well that's that's right where I was

173

00:07:09,480 --> 00:07:07,000

going to go you know the the my take on

174

00:07:11,969 --> 00:07:09,490

both them with remote viewing and them

175

00:07:13,230 --> 00:07:11,979

with the UFO thing and I am talking

176

00:07:15,420 --> 00:07:13,240

specifically about people that I

177

00:07:17,219 --> 00:07:15,430

interviewed that were still sort of

178

00:07:20,580 --> 00:07:17,229

involved in these kinds of projects even

179

00:07:22,460 --> 00:07:20,590

by their own admission is that these are

180

00:07:25,680 --> 00:07:22,470

people who are in the end on the inside

181

00:07:27,330 --> 00:07:25,690

but they're not really on the inside let

182

00:07:29,310 --> 00:07:27,340

me just throw this out cuz I all right

183

00:07:31,110 --> 00:07:29,320

died to get some of this opinion on this

184

00:07:33,960 --> 00:07:31,120

who's truly the thought about it and

185

00:07:36,060 --> 00:07:33,970

studied it as you are it seems to me

186

00:07:38,189 --> 00:07:36,070

that there's this straight-up political

187

00:07:40,670 --> 00:07:38,199

thing that's going on that too few

188

00:07:43,800 --> 00:07:40,680

people talk about there's a left-right

189

00:07:46,800 --> 00:07:43,810

Republican Democrat if you will kind of

190

00:07:48,990 --> 00:07:46,810

flavor to some of this so this the UFO

191

00:07:50,279 --> 00:07:49,000

disclosure thing is clearly coming from

192

00:07:53,310 --> 00:07:50,289

the left and I don't say that to

193

00:07:56,670 --> 00:07:53,320

prejudice it in any way it just clearly

194

00:07:58,230 --> 00:07:56,680

clearly is it's Podesta and Clinton were

195

00:08:00,540 --> 00:07:58,240

originally the ones to pick wanted to

196

00:08:02,790 --> 00:08:00,550

bring it out and they weren't elected so

197

00:08:04,860 --> 00:08:02,800

Tom DeLonge who was hooked into that

198

00:08:06,930 --> 00:08:04,870

went ahead and brought it out anyway and

199

00:08:09,029 --> 00:08:06,940

Peter Levin de who was part of that

200

00:08:11,640 --> 00:08:09,039

whole thing which was lifetime spook I'm

201
00:08:14,939 --> 00:08:11,650
just saying in broad strokes that seems

202
00:08:16,800 --> 00:08:14,949
to be one of the the overlays on this

203
00:08:20,550 --> 00:08:16,810
and I'd love to hear anything you think

204
00:08:23,760 --> 00:08:20,560
about that well number one Trump will be

205
00:08:25,140 --> 00:08:23,770
the last person they ever tell he'll be

206
00:08:27,150 --> 00:08:25,150
the last one on the boat I think but oh

207
00:08:28,680 --> 00:08:27,160
but he has his own he has his own people

208
00:08:30,810 --> 00:08:28,690
who are telling him I mean well they're

209
00:08:32,459 --> 00:08:30,820
very starting space for us and we don't

210
00:08:35,699 --> 00:08:32,469
know why and all this kind of stuff yes

211
00:08:37,560 --> 00:08:35,709
but but you've got to look at I think I

212
00:08:40,409 --> 00:08:37,570
don't know that it's left versus right

213
00:08:42,360 --> 00:08:40,419

as much as it is sort of logic versus

214

00:08:43,800 --> 00:08:42,370

superstition so I said there's some

215

00:08:45,570 --> 00:08:43,810

tension in this interview and at this

216

00:08:47,880 --> 00:08:45,580

point you can feel it whenever I stumble

217

00:08:50,220 --> 00:08:47,890

into these political discussions I'm

218

00:08:51,980 --> 00:08:50,230

always blindsided because to me it's

219

00:08:54,680 --> 00:08:51,990

clear that politics is

220

00:08:56,600 --> 00:08:54,690

nonsense it's such a low-level game and

221

00:08:59,570 --> 00:08:56,610

that the real players are at a much

222

00:09:01,580 --> 00:08:59,580

higher level than this and that'll do it

223

00:09:03,140 --> 00:09:01,590

for interruptions in commentary before

224

00:09:04,850 --> 00:09:03,150

the interview you know I've never done

225

00:09:07,760 --> 00:09:04,860

this before if you listen to this show

226

00:09:10,220 --> 00:09:07,770

so I don't know if people are gonna like

227

00:09:12,020 --> 00:09:10,230

this or not like this but before you

228

00:09:15,230 --> 00:09:12,030

tell me let me give you a chance to

229

00:09:23,870 --> 00:09:15,240

listen to my complete interview with

230

00:09:25,940 --> 00:09:23,880

Lance munguia welcome to skeptic Oh

231

00:09:27,770 --> 00:09:25,950

where we explore controversial science

232

00:09:30,710 --> 00:09:27,780

and spirituality with leading

233

00:09:33,620 --> 00:09:30,720

researchers thinkers and their critics

234

00:09:36,650 --> 00:09:33,630

I'm your host Alex Karras and at this

235

00:09:39,440 --> 00:09:36,660

point we're all familiar with remote

236

00:09:42,110 --> 00:09:39,450

viewing and the history of psychic

237

00:09:44,660 --> 00:09:42,120

spying that began in the 1970s with the

238

00:09:47,380 --> 00:09:44,670

Stargate program at Stanford Research

239

00:09:50,180 --> 00:09:47,390

Institute but today's guest

240

00:09:54,520 --> 00:09:50,190

award-winning filmmaker Lance munguia

241

00:09:57,740 --> 00:09:54,530

has a film out third eye spies that is

242

00:10:00,890 --> 00:09:57,750

really a deeper look into this history

243

00:10:03,290 --> 00:10:00,900

and its implications not just for

244

00:10:05,990 --> 00:10:03,300

proving that were more than biological

245

00:10:09,710 --> 00:10:06,000

robots in a meaningless universe but

246

00:10:12,770 --> 00:10:09,720

also a deep dive into the politics of

247

00:10:16,750 --> 00:10:12,780

secrecy the ongoing tension between

248

00:10:20,360 --> 00:10:16,760

liberty and security and ultimately

249

00:10:23,780 --> 00:10:20,370

about our place within this thing we

250

00:10:26,480 --> 00:10:23,790

call consciousness Lance this is going

251
00:10:28,700 --> 00:10:26,490
to be a super exciting interview for me

252
00:10:31,490 --> 00:10:28,710
thank you so much for joining me on

253
00:10:33,200 --> 00:10:31,500
skeptic oh hey thank you so much for

254
00:10:35,540 --> 00:10:33,210
having me this is like a lot of fun and

255
00:10:38,180 --> 00:10:35,550
I really appreciate your your having me

256
00:10:40,460 --> 00:10:38,190
on well great you know we were just

257
00:10:44,330 --> 00:10:40,470
chatting a minute ago the more I get to

258
00:10:46,160 --> 00:10:44,340
know your project third I spies which is

259
00:10:47,930 --> 00:10:46,170
a great movie and we should mention by

260
00:10:50,900 --> 00:10:47,940
the way you know if people haven't seen

261
00:10:53,570 --> 00:10:50,910
a movie it's now even available on

262
00:10:55,340 --> 00:10:53,580
Amazon Prime or you can just go watch it

263
00:10:57,860 --> 00:10:55,350

for free which is wow that's a great

264

00:10:59,900 --> 00:10:57,870

deal why did you decide to put it out on

265

00:11:02,000 --> 00:10:59,910

Amazon Prime just to kind of spread it

266

00:11:04,850 --> 00:11:02,010

out to some more people could get to it

267

00:11:05,750 --> 00:11:04,860

or well well yes

268

00:11:08,030 --> 00:11:05,760

you know Amazon

269

00:11:09,800 --> 00:11:08,040

Prime you know is is if you have Amazon

270

00:11:11,870 --> 00:11:09,810

Prime membership the film is free there

271

00:11:15,680 --> 00:11:11,880

and you know it's also available on

272

00:11:16,850 --> 00:11:15,690

iTunes it's available on Vimeo you know

273

00:11:19,520 --> 00:11:16,860

pretty much anywhere that you can get

274

00:11:22,810 --> 00:11:19,530

digital downloads but we really wouldn't

275

00:11:25,760 --> 00:11:22,820

wanted to make the film available for

276

00:11:28,490 --> 00:11:25,770

free if possible you know like through

277

00:11:30,620 --> 00:11:28,500

something like Amazon Prime or Netflix

278

00:11:33,380 --> 00:11:30,630

and and we ultimately decided on Amazon

279

00:11:34,640 --> 00:11:33,390

Prime because you know it just seems

280

00:11:36,590 --> 00:11:34,650

like that really was where the audience

281

00:11:39,110 --> 00:11:36,600

was at and and actually we've been doing

282

00:11:40,610 --> 00:11:39,120

you know well there seems like a lot of

283

00:11:43,490 --> 00:11:40,620

people are finding the film there and

284

00:11:44,690 --> 00:11:43,500

are able to see it and for me that was

285

00:11:46,850 --> 00:11:44,700

the most important thing more than

286

00:11:49,760 --> 00:11:46,860

anything else was just simply being able

287

00:11:51,380 --> 00:11:49,770

to you know have the film out there and

288

00:11:53,270 --> 00:11:51,390

have it be seen by people you know

289

00:11:56,390 --> 00:11:53,280

because it's a subject a lot of people

290

00:11:58,670 --> 00:11:56,400

don't know about and you know it's it

291

00:11:59,990 --> 00:11:58,680

represents Russell Targ life work and so

292

00:12:02,990 --> 00:12:00,000

it was very important for me just that

293

00:12:05,540 --> 00:12:03,000

it be out there in such a way that that

294

00:12:06,980 --> 00:12:05,550

it's easily findable and Amazon Prime

295

00:12:08,840 --> 00:12:06,990

really gave us that opportunity and

296

00:12:12,190 --> 00:12:08,850

we're really grateful for that for

297

00:12:15,500 --> 00:12:12,200

anyone who isn't familiar with the movie

298

00:12:21,110 --> 00:12:15,510

third-eye spies let me go ahead and play

299

00:12:24,590 --> 00:12:21,120

a trailer from the movie if you had an

300

00:12:28,220 --> 00:12:24,600

ability to be able to remotely perceive

301
00:12:31,740 --> 00:12:28,230
stuff any place in the world that could

302
00:12:34,230 --> 00:12:31,750
be an extraordinary intelligence source

303
00:12:37,110 --> 00:12:34,240
we found that many individuals are able

304
00:12:40,139 --> 00:12:37,120
to accurately describe what's going on

305
00:12:42,480 --> 00:12:40,149
in distant locations are you saying the

306
00:12:44,759 --> 00:12:42,490
work you've been doing is classified it

307
00:12:50,129 --> 00:12:44,769
was a research facility that was all

308
00:12:53,520 --> 00:12:50,139
that we were gonna tell the Russians

309
00:12:58,060 --> 00:12:53,530
have been spending millions of dollar

310
00:13:00,320 --> 00:12:58,070
investigating so-called ESP psychic

311
00:13:03,019 --> 00:13:00,330
spies

312
00:13:04,430 --> 00:13:03,029
almost a psychic arms race here is there

313
00:13:06,230 --> 00:13:04,440

any real application to this

314

00:13:08,360 --> 00:13:06,240

I think remote viewing has been

315

00:13:09,530 --> 00:13:08,370

demonstrated over the 20 years of work

316

00:13:12,650 --> 00:13:09,540

that it's been sponsored by the

317

00:13:17,000 --> 00:13:12,660

government producing crucial and vital

318

00:13:19,430 --> 00:13:17,010

intelligence to the NSA CIA DEA and the

319

00:13:22,269 --> 00:13:19,440

Secret Service I began to feel

320

00:13:26,150 --> 00:13:22,279

frightened the KGB did a mess

321

00:13:28,910 --> 00:13:26,160

what's really going on here thanks also

322

00:13:30,620 --> 00:13:28,920

disaster nation at the CIA was lying

323

00:13:34,639 --> 00:13:30,630

they wanted to kill the further storm

324

00:13:36,280 --> 00:13:34,649

brewing it seems really I say no more

325

00:13:42,769 --> 00:13:36,290

secrets

326

00:13:45,889 --> 00:13:42,779

let this information out well great

327

00:13:50,750 --> 00:13:45,899

great it was actually really a very cool

328

00:13:52,519 --> 00:13:50,760

trip it is a cool trailer it's a cool

329

00:13:56,960 --> 00:13:52,529

movie people who haven't seen the movie

330

00:14:01,010 --> 00:13:56,970

this is cinematography this is theater

331

00:14:02,600 --> 00:14:01,020

quality documentary and I think a lot of

332

00:14:06,050 --> 00:14:02,610

people have praised you for it and and

333

00:14:07,430 --> 00:14:06,060

you deserve that that praise so anything

334

00:14:10,519 --> 00:14:07,440

else you want to tell us about the

335

00:14:13,030 --> 00:14:10,529

moviemaking process or third eye spies

336

00:14:16,579 --> 00:14:13,040

that isn't covered there in the trailer

337

00:14:18,199 --> 00:14:16,589

well the movie itself took you know

338

00:14:20,870 --> 00:14:18,209

quite a long time to make mainly because

339

00:14:23,000 --> 00:14:20,880

I was doing it you know as a labor of

340

00:14:24,790 --> 00:14:23,010

love I mean I was working on this kind

341

00:14:28,880 --> 00:14:24,800

of sporadically as I was also trying to

342

00:14:31,730 --> 00:14:28,890

you know do other things and you know it

343

00:14:33,350 --> 00:14:31,740

it really represents the first time that

344

00:14:35,660 --> 00:14:33,360

a lot of the people that are in the film

345

00:14:37,310 --> 00:14:35,670

have actually been on camera one of the

346

00:14:39,470 --> 00:14:37,320

reasons that the film took so long was

347

00:14:42,530 --> 00:14:39,480

because I had to personally reach out to

348

00:14:44,420 --> 00:14:42,540

a lot of people who were very kind of

349

00:14:46,790 --> 00:14:44,430

skittish you know to be on camera and

350

00:14:50,060 --> 00:14:46,800

that process actually took a number of

351

00:14:53,480 --> 00:14:50,070

months for me to reach out to people

352

00:14:56,389 --> 00:14:53,490

like kit green like Ken kress who was

353

00:14:58,670 --> 00:14:56,399

the CIA program manager for the remote

354

00:15:00,050 --> 00:14:58,680

viewing program the first one in this

355

00:15:01,880 --> 00:15:00,060

let me jump in there because we're gonna

356

00:15:03,800 --> 00:15:01,890

throw around a lot of names that some

357

00:15:05,900 --> 00:15:03,810

people will not be familiar with or

358

00:15:08,360 --> 00:15:05,910

really kind of vaguely familiar with but

359

00:15:11,390 --> 00:15:08,370

the storyline that the movie follows is

360

00:15:12,140 --> 00:15:11,400

that Russell Targ who is of course one

361

00:15:14,780 --> 00:15:12,150

of the

362

00:15:18,110 --> 00:15:14,790

original principle investigators in this

363

00:15:22,370 --> 00:15:18,120

Stargate remote viewing program along

364

00:15:24,260 --> 00:15:22,380

with Hal put off is kind of on this you

365

00:15:27,170 --> 00:15:24,270

know final mission you know he's an

366

00:15:29,420 --> 00:15:27,180

older guy and he's going to reconnect

367

00:15:32,420 --> 00:15:29,430

through you you're with him every step

368

00:15:35,780 --> 00:15:32,430

of the way with all these people that

369

00:15:38,540 --> 00:15:35,790

have been a part of this amazing program

370

00:15:40,760 --> 00:15:38,550

and he gets these documents released and

371

00:15:44,450 --> 00:15:40,770

then the threat of the story is okay

372

00:15:47,630 --> 00:15:44,460

guys we can now tell the story that we

373

00:15:49,610 --> 00:15:47,640

wanted to tell for so long and let's go

374

00:15:52,070 --> 00:15:49,620

do it and you go was sit down with these

375

00:15:54,740 --> 00:15:52,080

people all over the world and they fill

376

00:15:56,510 --> 00:15:54,750

in the blanks of this story that we kind

377

00:15:59,450 --> 00:15:56,520

of have known about the story of psychic

378

00:16:04,310 --> 00:15:59,460

spying but it just gets a lot deeper

379

00:16:06,860 --> 00:16:04,320

than that yeah I actually knew something

380

00:16:09,230 --> 00:16:06,870

about this whole program even since I

381

00:16:12,200 --> 00:16:09,240

was a child like I remember before this

382

00:16:14,090 --> 00:16:12,210

was even Declassified reading an episode

383

00:16:17,570 --> 00:16:14,100

of the my grandmother's Reader's Digest

384

00:16:19,250 --> 00:16:17,580

and I was talking about this like on you

385

00:16:21,079 --> 00:16:19,260

know top-secret Army remote viewing

386

00:16:25,010 --> 00:16:21,089

program there'd been leaks about I think

387

00:16:26,750 --> 00:16:25,020

this was in the 80s and and and I kept

388

00:16:29,600 --> 00:16:26,760

this like dog-eared copy of Reader's

389

00:16:31,040 --> 00:16:29,610

Digest for decades like you know into

390

00:16:32,269 --> 00:16:31,050

college I had this because I always

391

00:16:35,900 --> 00:16:32,279

thought you know wow this would make a

392

00:16:37,250 --> 00:16:35,910

really interesting film someday and you

393

00:16:38,810 --> 00:16:37,260

know but I didn't know a whole lot about

394

00:16:40,310 --> 00:16:38,820

it but I had also researched some of

395

00:16:42,260 --> 00:16:40,320

them helped put offs work and some of

396

00:16:46,250 --> 00:16:42,270

Russell's daughter's work sort of

397

00:16:47,510 --> 00:16:46,260

through healing and and through you know

398

00:16:50,000 --> 00:16:47,520

sort of the way consciousness kind of

399

00:16:52,670 --> 00:16:50,010

works so I was familiar with them when I

400

00:16:55,280 --> 00:16:52,680

got a call from a mutual friend of

401
00:16:57,079 --> 00:16:55,290
Russell targ's to say that Russell Targ

402
00:16:59,810 --> 00:16:57,089
was interested in in speaking with me

403
00:17:01,310 --> 00:16:59,820
because he had seen another film that I

404
00:17:02,810 --> 00:17:01,320
had done he saw a film called six string

405
00:17:05,179 --> 00:17:02,820
samurai which you can find also on

406
00:17:08,419 --> 00:17:05,189
Amazon Prime and on you know the

407
00:17:09,620 --> 00:17:08,429
Internet and and he just thought it was

408
00:17:12,319 --> 00:17:09,630
a really visually interesting film and

409
00:17:14,059 --> 00:17:12,329
he had a script that he wanted to turn

410
00:17:16,309 --> 00:17:14,069
into a movie which was a narrative film

411
00:17:18,740 --> 00:17:16,319
which had nothing to do with with remote

412
00:17:21,079 --> 00:17:18,750
viewing it was about ESP but it was done

413
00:17:23,090 --> 00:17:21,089

in a clever narrative way and I read his

414

00:17:24,649 --> 00:17:23,100

script and and and then we spoke on the

415

00:17:25,909 --> 00:17:24,659

phone about it and

416

00:17:27,339 --> 00:17:25,919

I said look I said you know the real

417

00:17:29,269 --> 00:17:27,349

story here I think is this

418

00:17:30,109 --> 00:17:29,279

remote-viewing stuff that you did for

419

00:17:31,669 --> 00:17:30,119

the government I mean this is a

420

00:17:34,070 --> 00:17:31,679

fantastic story can we even talk about

421

00:17:36,200 --> 00:17:34,080

it and he said you know he said my

422

00:17:37,940 --> 00:17:36,210

friend Ingo died last year you know he

423

00:17:39,499 --> 00:17:37,950

was one of my subjects and and I'm

424

00:17:40,999 --> 00:17:39,509

afraid that all of these people are

425

00:17:43,339 --> 00:17:41,009

gonna pass away and we're not gonna get

426

00:17:44,989 --> 00:17:43,349

ever get their stories on cameras like

427

00:17:47,180 --> 00:17:44,999

yeah I would love to do that and so he

428

00:17:50,029 --> 00:17:47,190

literally flew out to LA and we spent a

429

00:17:51,979 --> 00:17:50,039

long weekend together um just talking

430

00:17:54,080 --> 00:17:51,989

about the possibilities and frankly he

431

00:17:56,839 --> 00:17:54,090

literally showed up at my door with a

432

00:17:59,570 --> 00:17:56,849

big box full of documents that were

433

00:18:01,129 --> 00:17:59,580

marked you know classified you know and

434

00:18:04,399 --> 00:18:01,139

then and then that had been you know

435

00:18:05,810 --> 00:18:04,409

released you know and and he starts

436

00:18:09,139 --> 00:18:05,820

laying out all of these documents on a

437

00:18:11,539 --> 00:18:09,149

table and I literally even though I knew

438

00:18:14,389 --> 00:18:11,549

something about this I did not at all

439

00:18:16,369 --> 00:18:14,399

know the extent to what had happened

440

00:18:19,310 --> 00:18:16,379

with this program that had gone back

441

00:18:21,379 --> 00:18:19,320

over 20 years you know and what they had

442

00:18:24,710 --> 00:18:21,389

done and I started to actually question

443

00:18:26,450 --> 00:18:24,720

it because it was so incredible that I I

444

00:18:27,820 --> 00:18:26,460

remember going to bed after after

445

00:18:30,739 --> 00:18:27,830

meeting him the first night and thinking

446

00:18:32,629 --> 00:18:30,749

is this guy like for real I mean this

447

00:18:34,789 --> 00:18:32,639

this is something that is so incredible

448

00:18:36,889 --> 00:18:34,799

that I'm only going to really be able to

449

00:18:40,339 --> 00:18:36,899

do something like this if I can get

450

00:18:42,889 --> 00:18:40,349

everybody that is still alive that I can

451
00:18:45,680 --> 00:18:42,899
find on you know enough credible

452
00:18:46,940 --> 00:18:45,690
witnesses you know to really discuss

453
00:18:48,889 --> 00:18:46,950
this because it was one of those things

454
00:18:50,599 --> 00:18:48,899
worth it's just one person saying it it

455
00:18:52,190 --> 00:18:50,609
just it sounds too outlandish you need

456
00:18:53,599 --> 00:18:52,200
to hear it from a bunch of different

457
00:18:55,940 --> 00:18:53,609
people and so that was really in my

458
00:18:57,320 --> 00:18:55,950
condition going into the film and and we

459
00:18:58,700 --> 00:18:57,330
actually talked also at the beginning

460
00:19:01,580 --> 00:18:58,710
and something I don't think I've talked

461
00:19:04,580 --> 00:19:01,590
about before about the possibility that

462
00:19:06,769 --> 00:19:04,590
we may be still stumbling into ongoing

463
00:19:08,869 --> 00:19:06,779

classified work and you know we didn't

464

00:19:10,879 --> 00:19:08,879

know like what CIA and what some of

465

00:19:12,979 --> 00:19:10,889

these other agencies were we're still

466

00:19:14,839 --> 00:19:12,989

doing or what they might not want us to

467

00:19:18,109 --> 00:19:14,849

talk about so there was actually like a

468

00:19:19,820 --> 00:19:18,119

real conversation about like what do we

469

00:19:21,469 --> 00:19:19,830

really want to do this and and

470

00:19:23,469 --> 00:19:21,479

ultimately we decided that enough of the

471

00:19:26,089 --> 00:19:23,479

work had been already Declassified and

472

00:19:27,349 --> 00:19:26,099

and that we were going to be talking

473

00:19:29,330 --> 00:19:27,359

about the history and we wouldn't be

474

00:19:31,159 --> 00:19:29,340

going into any kind of speculation

475

00:19:33,049 --> 00:19:31,169

because I think where this sort of falls

476

00:19:34,969 --> 00:19:33,059

apart is when you go into speculation

477

00:19:36,589 --> 00:19:34,979

and you start talking about what well I

478

00:19:38,100 --> 00:19:36,599

know but I can't tell you what my

479

00:19:39,990 --> 00:19:38,110

sources are or or

480

00:19:41,910 --> 00:19:40,000

whatever and then and then it becomes a

481

00:19:43,980 --> 00:19:41,920

sort of second hand and and we wanted

482

00:19:46,230 --> 00:19:43,990

this to actually be a historical

483

00:19:48,900 --> 00:19:46,240

document not a speculative document you

484

00:19:51,539 --> 00:19:48,910

know because everything in it is is very

485

00:19:54,539 --> 00:19:51,549

well documented you know there's so many

486

00:19:56,760 --> 00:19:54,549

story threads in the movie and in turn

487

00:19:58,980 --> 00:19:56,770

there's so many story threads in the

488

00:20:01,919 --> 00:19:58,990

part that you just lay it on us right

489

00:20:04,590 --> 00:20:01,929

there because like one little bit that

490

00:20:06,810 --> 00:20:04,600

you mentioned about your tattered copy

491

00:20:10,530 --> 00:20:06,820

of Reader's Digest is one of the things

492

00:20:13,890 --> 00:20:10,540

your movie reminded me is that this was

493

00:20:16,830 --> 00:20:13,900

outed like 20 years ago so you have film

494

00:20:18,570 --> 00:20:16,840

clips of Ted Koppel's who for folks who

495

00:20:21,060 --> 00:20:18,580

are a little bit younger and don't

496

00:20:24,180 --> 00:20:21,070

remember but he was it you know in terms

497

00:20:27,180 --> 00:20:24,190

of serious nighttime news you know he

498

00:20:29,789 --> 00:20:27,190

was the guy and he's out saying hey

499

00:20:31,320 --> 00:20:29,799

there's a psychic spying thing going on

500

00:20:33,510 --> 00:20:31,330

we're in a race with the Russians

501

00:20:36,150 --> 00:20:33,520

they're doing it we're doing basically

502

00:20:39,930 --> 00:20:36,160

lays the whole thing out but part of the

503

00:20:41,760 --> 00:20:39,940

storyline is that that changes and then

504

00:20:43,919 --> 00:20:41,770

we move away from men we move into this

505

00:20:46,230 --> 00:20:43,929

kind of skeptical denying did it really

506

00:20:48,750 --> 00:20:46,240

happen kind of thing we don't really

507

00:20:50,730 --> 00:20:48,760

ever get to understanding what the

508

00:20:53,310 --> 00:20:50,740

purpose of that why the narrative

509

00:20:56,610 --> 00:20:53,320

changed from kind of this openness which

510

00:20:59,610 --> 00:20:56,620

there was about it to this denial of it

511

00:21:01,110 --> 00:20:59,620

yeah so we can kind of go down that and

512

00:21:02,940 --> 00:21:01,120

then at the same time I want to throw

513

00:21:05,240 --> 00:21:02,950

this I'll throw this on the table too

514

00:21:08,340 --> 00:21:05,250

because you you touched on the ongoing

515

00:21:11,520 --> 00:21:08,350

nature of these programs and you have

516

00:21:14,310 --> 00:21:11,530

just a little bit of the tease at the

517

00:21:15,690 --> 00:21:14,320

very end with I think it was kid green

518

00:21:19,500 --> 00:21:15,700

but it might have won one of the other

519

00:21:22,140 --> 00:21:19,510

you know super duper insiders mm-hmm in

520

00:21:24,810 --> 00:21:22,150

an elevator saying oh yeah these

521

00:21:27,780 --> 00:21:24,820

programs are still ongoing I know it

522

00:21:30,360 --> 00:21:27,790

from my most trusted reliable source

523

00:21:34,200 --> 00:21:30,370

which of course all of us who've really

524

00:21:38,220 --> 00:21:34,210

studied this have said duh of course if

525

00:21:40,710 --> 00:21:38,230

you can gather any information you want

526

00:21:43,230 --> 00:21:40,720

the most secretive information in the

527

00:21:44,640 --> 00:21:43,240

world from your enemies of course you're

528

00:21:47,690 --> 00:21:44,650

going to continue to do it you're not

529

00:21:51,560 --> 00:21:47,700

going to stop doing it just because some

530

00:21:53,499 --> 00:21:51,570

senator has some religious objections or

531

00:21:56,629 --> 00:21:53,509

you know you know that's that's actually

532

00:21:58,519 --> 00:21:56,639

when I first again started this looking

533

00:22:00,889 --> 00:21:58,529

at this from circle makers respected

534

00:22:03,229 --> 00:22:00,899

from a storytelling perspective I would

535

00:22:04,489 --> 00:22:03,239

ask people and especially Russell being

536

00:22:07,190 --> 00:22:04,499

you know a producer on the project

537

00:22:09,229 --> 00:22:07,200

Russell Targ who was the founding when

538

00:22:11,210 --> 00:22:09,239

Co founding scientists who started all

539

00:22:13,849 --> 00:22:11,220

of this who's the villain

540

00:22:15,950 --> 00:22:13,859

you know like who's the the bad guy in

541

00:22:17,389 --> 00:22:15,960

this I mean you know what is and he

542

00:22:21,139 --> 00:22:17,399

didn't even think about it he just said

543

00:22:24,109 --> 00:22:21,149

it's it's it's the the the religious

544

00:22:25,999 --> 00:22:24,119

dogma you know the the the scientific

545

00:22:29,090 --> 00:22:26,009

dogma to a certain extent but mainly

546

00:22:31,639 --> 00:22:29,100

religious dogma and and I didn't believe

547

00:22:33,080 --> 00:22:31,649

him you know frankly I I thought you

548

00:22:35,029 --> 00:22:33,090

know that's this way too outlandish you

549

00:22:36,590 --> 00:22:35,039

have a useful tool you're not gonna tell

550

00:22:38,330 --> 00:22:36,600

me that some guy that thinks it's you

551
00:22:40,039 --> 00:22:38,340
know the devil's work or something is

552
00:22:43,639 --> 00:22:40,049
going to keep you from doing it and and

553
00:22:45,320 --> 00:22:43,649
what I learned you know through years of

554
00:22:49,369 --> 00:22:45,330
going out and interviewing you know

555
00:22:51,019 --> 00:22:49,379
these people that did this was yeah I

556
00:22:52,789 --> 00:22:51,029
mean I mean that that pretty much was

557
00:22:55,999 --> 00:22:52,799
one of the biggest obstacles that they

558
00:22:58,180 --> 00:22:56,009
had was just not only a scientific

559
00:23:00,259 --> 00:22:58,190
skepticism but a completely illogical

560
00:23:02,029 --> 00:23:00,269
skepticism that wouldn't even look at

561
00:23:05,269 --> 00:23:02,039
the data that wouldn't even entertain

562
00:23:09,349 --> 00:23:05,279
the idea that this could even be because

563
00:23:12,399 --> 00:23:09,359

this was something that was you know

564

00:23:13,549 --> 00:23:12,409

supernatural and and in spooky and and

565

00:23:16,849 --> 00:23:13,559

scary

566

00:23:20,299 --> 00:23:16,859

did that well and exactly what you said

567

00:23:23,389 --> 00:23:20,309

it's not just spooky and scary it is the

568

00:23:27,200 --> 00:23:23,399

devil's work you know and you have a

569

00:23:29,629 --> 00:23:27,210

clip in the film with Joe menescal has

570

00:23:32,119 --> 00:23:29,639

been on this show and I think it's

571

00:23:34,609 --> 00:23:32,129

terrific in a number of ways although I

572

00:23:38,180 --> 00:23:34,619

also had an interview with Ed May and

573

00:23:41,180 --> 00:23:38,190

who ran the program after Russell Targ

574

00:23:42,950 --> 00:23:41,190

and how put off left and he's an

575

00:23:45,349 --> 00:23:42,960

interesting character because he kind of

576

00:23:47,119 --> 00:23:45,359

says he's friends with Joe but then on

577

00:23:49,279 --> 00:23:47,129

the other end contradicts what Joe's

578

00:23:50,810 --> 00:23:49,289

saying because Joe sees these deeper

579

00:23:53,810 --> 00:23:50,820

spiritual connections with like

580

00:23:56,779 --> 00:23:53,820

near-death experience and consciousness

581

00:23:59,629 --> 00:23:56,789

in general but I digress because one of

582

00:24:02,899 --> 00:23:59,639

the points that again stuck out to me in

583

00:24:03,800 --> 00:24:02,909

third eye spies is this point where Joe

584

00:24:05,780 --> 00:24:03,810

really become

585

00:24:09,940 --> 00:24:05,790

kind of passionate talking to Roscoe's

586

00:24:12,920 --> 00:24:09,950

Russell we survived five presidential

587

00:24:15,550 --> 00:24:12,930

administrations and you get the sense of

588

00:24:19,250 --> 00:24:15,560

I we had to put up with all this

589

00:24:21,590 --> 00:24:19,260

craziness political craziness that was

590

00:24:25,310 --> 00:24:21,600

sometimes driven by purely this

591

00:24:28,640 --> 00:24:25,320

financial Christian kind of craziness

592

00:24:31,030 --> 00:24:28,650

about you know how we should understand

593

00:24:34,520 --> 00:24:31,040

this stuff from this very narrow

594

00:24:35,690 --> 00:24:34,530

religious perspective that I think

595

00:24:38,240 --> 00:24:35,700

you're talking about right here and

596

00:24:42,680 --> 00:24:38,250

there's just no way to soften that or to

597

00:24:44,750 --> 00:24:42,690

make that go away it is and it it really

598

00:24:47,300 --> 00:24:44,760

struck me that this was a reality in

599

00:24:49,550 --> 00:24:47,310

these guys lives it wasn't just kind of

600

00:24:51,950 --> 00:24:49,560

a conceptual kind of thing to toss

601
00:24:53,780 --> 00:24:51,960
around yeah you know it's it's the old

602
00:24:56,060 --> 00:24:53,790
adage the more things change the more

603
00:24:58,190 --> 00:24:56,070
they stay the same

604
00:25:01,970 --> 00:24:58,200
you know I believe that they had the

605
00:25:04,190 --> 00:25:01,980
same issues with the a tip program you

606
00:25:05,360 --> 00:25:04,200
know studying UFOs like you know from

607
00:25:07,730 --> 00:25:05,370
accounts that have come out from that it

608
00:25:09,290 --> 00:25:07,740
sounds exactly like what they went

609
00:25:10,820 --> 00:25:09,300
through with remote viewing program in

610
00:25:14,500 --> 00:25:10,830
that when you're dealing with something

611
00:25:17,090 --> 00:25:14,510
that does not fall within the normal

612
00:25:19,820 --> 00:25:17,100
scientific and sort of religious

613
00:25:22,130 --> 00:25:19,830

paradigm that a lot of people just

614

00:25:23,540 --> 00:25:22,140

cannot get their head wrapped around it

615

00:25:26,780 --> 00:25:23,550

they don't want to rock their world view

616

00:25:29,840 --> 00:25:26,790

as as you know Jessica it's in our film

617

00:25:32,210 --> 00:25:29,850

says and and so they will do anything

618

00:25:34,160 --> 00:25:32,220

they can to stay inside this box that

619

00:25:35,540 --> 00:25:34,170

they have created for themselves and and

620

00:25:38,120 --> 00:25:35,550

if you think about it you can go all the

621

00:25:40,910 --> 00:25:38,130

way back to Galileo and and you know

622

00:25:42,830 --> 00:25:40,920

Galileo creating a telescope and going

623

00:25:44,210 --> 00:25:42,840

out into the streets and pointing this

624

00:25:46,310 --> 00:25:44,220

thing up at the sky and trying to get

625

00:25:47,960 --> 00:25:46,320

somebody to look through it and and by

626

00:25:50,840 --> 00:25:47,970

his account no one would look through it

627

00:25:53,450 --> 00:25:50,850

remote viewing and and psychic ability

628

00:25:55,850 --> 00:25:53,460

in general is that you can overlay

629

00:25:58,520 --> 00:25:55,860

pretty much whatever belief system you

630

00:26:00,740 --> 00:25:58,530

want on top of it and and no one can

631

00:26:02,690 --> 00:26:00,750

prove you wrong I mean I interviewed at

632

00:26:04,400 --> 00:26:02,700

may you know for the film and

633

00:26:07,640 --> 00:26:04,410

unfortunately he didn't you know make it

634

00:26:09,380 --> 00:26:07,650

into the film but um you know he said

635

00:26:12,050 --> 00:26:09,390

you know you we can study this for

636

00:26:14,420 --> 00:26:12,060

another 50 years and never know how this

637

00:26:16,910 --> 00:26:14,430

actually works they just know that it

638

00:26:18,410 --> 00:26:16,920

works well it may says the happy

639

00:26:20,210 --> 00:26:18,420

cuz that's how it's good and then that's

640

00:26:22,220 --> 00:26:20,220

how it's gonna come out I wasn't

641

00:26:24,770 --> 00:26:22,230

impressed at all with that made talking

642

00:26:27,340 --> 00:26:24,780

about a dogmatic materialist he's there

643

00:26:30,290 --> 00:26:27,350

in my interview he's slamming

644

00:26:33,590 --> 00:26:30,300

parapsychology he says in grade he's

645

00:26:36,680 --> 00:26:33,600

slamming a Joe McMahon achill it's it's

646

00:26:40,130 --> 00:26:36,690

just the same old kind of turf war kind

647

00:26:41,960 --> 00:26:40,140

of [h__\h] yeah it has all these

648

00:26:45,230 --> 00:26:41,970

limitations that we've come to expect

649

00:26:48,050 --> 00:26:45,240

with science so that's those are the two

650

00:26:50,360 --> 00:26:48,060

storylines that emerge from the movie

651
00:26:53,230 --> 00:26:50,370
one is kind of this crazy religious

652
00:26:55,400 --> 00:26:53,240
dogma that creates this crazy political

653
00:26:58,220 --> 00:26:55,410
process that where things have to be

654
00:26:59,720 --> 00:26:58,230
compartmentalized and and couched in a

655
00:27:02,780 --> 00:26:59,730
certain way in order to get this

656
00:27:04,280 --> 00:27:02,790
miniscule amount of funding but then the

657
00:27:06,530 --> 00:27:04,290
other on the other hand there's this

658
00:27:10,310 --> 00:27:06,540
other force out there that is this

659
00:27:12,650 --> 00:27:10,320
sceptical scientific Ray Hyman who shows

660
00:27:14,330 --> 00:27:12,660
up in the film because late on later on

661
00:27:17,360 --> 00:27:14,340
in the game he looks at the whole

662
00:27:20,540 --> 00:27:17,370
program and says yeah none of this shows

663
00:27:23,630 --> 00:27:20,550

any any scientific value or any

664

00:27:26,420 --> 00:27:23,640

operational value for the CIA and that's

665

00:27:28,760 --> 00:27:26,430

why the program was killed so you have

666

00:27:30,320 --> 00:27:28,770

to contrast that with the crazy

667

00:27:32,540 --> 00:27:30,330

Christians on one hand and then you have

668

00:27:34,340 --> 00:27:32,550

the crazy atheists on the other and

669

00:27:37,040 --> 00:27:34,350

that's right them what's their political

670

00:27:39,560 --> 00:27:37,050

agenda that's right and is that it's the

671

00:27:42,290 --> 00:27:39,570

boat is it's a it's it's dogma on either

672

00:27:43,850 --> 00:27:42,300

side because it's it's a you know it's

673

00:27:46,280 --> 00:27:43,860

about someone who thinks they have it

674

00:27:47,930 --> 00:27:46,290

all figured out and and unfortunately or

675

00:27:50,450 --> 00:27:47,940

fortunately science should be about what

676

00:27:51,860 --> 00:27:50,460

you don't understand and and every

677

00:27:55,160 --> 00:27:51,870

advance in science throughout history

678

00:27:57,800 --> 00:27:55,170

has always been in the cracks that we

679

00:27:59,600 --> 00:27:57,810

have missed you knows but but I want to

680

00:28:02,030 --> 00:27:59,610

mention about Ray Hyman even ray Hyman

681

00:28:04,490 --> 00:28:02,040

who is the noted skeptic actually said

682

00:28:06,800 --> 00:28:04,500

there was something to the statistical

683

00:28:09,320 --> 00:28:06,810

data of remote viewing he just didn't

684

00:28:11,180 --> 00:28:09,330

say that it was useful to intelligence

685

00:28:12,260 --> 00:28:11,190

gathering that really gets back to the

686

00:28:16,370 --> 00:28:12,270

question that you were asking earlier

687

00:28:19,100 --> 00:28:16,380

which is what has happened since the 80s

688

00:28:21,080 --> 00:28:19,110

when this was on Ted Koppel and in the

689

00:28:23,150 --> 00:28:21,090

70s when this was really pursued to now

690

00:28:27,620 --> 00:28:23,160

and I and I do think that a certain

691

00:28:29,930 --> 00:28:27,630

amount of that is is guided you know I

692

00:28:30,890 --> 00:28:29,940

do think that this is a useful tool and

693

00:28:35,930 --> 00:28:30,900

I think

694

00:28:38,420 --> 00:28:35,940

that if I was someone using this in a

695

00:28:41,060 --> 00:28:38,430

large way I certainly wouldn't want it

696

00:28:44,780 --> 00:28:41,070

to be known widely how useful and how

697

00:28:47,600 --> 00:28:44,790

good it is because that that would mean

698

00:28:49,880 --> 00:28:47,610

that just about anybody can use it you

699

00:28:51,410 --> 00:28:49,890

know and and maybe as an intelligence

700

00:28:52,180 --> 00:28:51,420

tool I might think that's dangerous Oh

701
00:28:55,520 --> 00:28:52,190
No

702
00:28:58,100 --> 00:28:55,530
Wow I mean he just touched on a bunch of

703
00:29:01,700 --> 00:28:58,110
topics that could become entire

704
00:29:03,170 --> 00:29:01,710
interviews in of themselves one of the

705
00:29:07,070 --> 00:29:03,180
things I thought was interesting about

706
00:29:09,290 --> 00:29:07,080
the movie on this level that I think I

707
00:29:11,750 --> 00:29:09,300
hope people will appreciate once they

708
00:29:15,890 --> 00:29:11,760
get into it is that this is a really a

709
00:29:19,250 --> 00:29:15,900
unique look at secret programs and how

710
00:29:22,430 --> 00:29:19,260
they're run because one of the questions

711
00:29:26,630 --> 00:29:22,440
I had for you Lance is the

712
00:29:28,280 --> 00:29:26,640
conspiratorial guy that I am one of the

713
00:29:31,670 --> 00:29:28,290

first questions I had from the beginning

714

00:29:34,310 --> 00:29:31,680

is why do you think they released all

715

00:29:37,400 --> 00:29:34,320

these documents I have a hard time

716

00:29:40,880 --> 00:29:37,410

believing it's just for the vanity or

717

00:29:44,180 --> 00:29:40,890

the interest of this sweet old man

718

00:29:46,970 --> 00:29:44,190

professor Russell Targ IRS's I'd like to

719

00:29:49,370 --> 00:29:46,980

I'd like to do this final tour and oh

720

00:29:51,560 --> 00:29:49,380

the BC Isis oh great well here are

721

00:29:53,990 --> 00:29:51,570

60,000 documents that we never released

722

00:29:55,970 --> 00:29:54,000

before let's let the public know what

723

00:29:58,370 --> 00:29:55,980

really happened during the Stargate

724

00:30:02,410 --> 00:29:58,380

program what are your thoughts oh I have

725

00:30:05,540 --> 00:30:02,420

all kinds of thoughts on that you know

726
00:30:08,540 --> 00:30:05,550
we think of government as a monolithic

727
00:30:11,770 --> 00:30:08,550
thing that government is coming up to

728
00:30:15,110 --> 00:30:11,780
this or the government is hiding this

729
00:30:17,150 --> 00:30:15,120
government intentionally is very

730
00:30:18,830 --> 00:30:17,160
dysfunctional you know and and

731
00:30:20,480 --> 00:30:18,840
intentionally is very compartmentalized

732
00:30:22,880 --> 00:30:20,490
especially in the intelligence community

733
00:30:25,010 --> 00:30:22,890
you know if you don't want somebody to

734
00:30:27,050 --> 00:30:25,020
know about something you you just kind

735
00:30:28,310 --> 00:30:27,060
of sprinkle it around in different ways

736
00:30:30,350 --> 00:30:28,320
and you and you do what's called

737
00:30:32,930 --> 00:30:30,360
stovepiping where where there's there's

738
00:30:34,910 --> 00:30:32,940

a very vertical amount of people that

739

00:30:37,280 --> 00:30:34,920

know about this and and they don't talk

740

00:30:39,140 --> 00:30:37,290

to other groups of other people in the

741

00:30:40,190 --> 00:30:39,150

intelligence community it's not like you

742

00:30:42,050 --> 00:30:40,200

know Department of Homeland Security

743

00:30:44,390 --> 00:30:42,060

where they're trying to track everything

744

00:30:48,080 --> 00:30:44,400

that's going on it's exactly the

745

00:30:50,990 --> 00:30:48,090

you know and and so even within the

746

00:30:54,320 --> 00:30:51,000

Pentagon or even within CIA or NSA or

747

00:30:56,120 --> 00:30:54,330

anything else you know they're not

748

00:30:58,280 --> 00:30:56,130

talking to each other and and they're

749

00:31:00,070 --> 00:30:58,290

not filing something in some centralized

750

00:31:04,010 --> 00:31:00,080

database where everybody can look at it

751

00:31:06,320 --> 00:31:04,020

and in fact over time a lot of things

752

00:31:07,820 --> 00:31:06,330

are probably really lost because the

753

00:31:11,660 --> 00:31:07,830

people that know the information get old

754

00:31:15,680 --> 00:31:11,670

you know they they you know you lose

755

00:31:17,120 --> 00:31:15,690

stuff and I really went into this

756

00:31:19,280 --> 00:31:17,130

thinking that there was this kind of

757

00:31:21,620 --> 00:31:19,290

monolithic force that has sort of

758

00:31:24,710 --> 00:31:21,630

protected this and and and worked on

759

00:31:26,090 --> 00:31:24,720

this and and by the end I realized no

760

00:31:28,640 --> 00:31:26,100

the left hand doesn't know what the

761

00:31:30,980 --> 00:31:28,650

right hand is doing and and in fact um

762

00:31:33,380 --> 00:31:30,990

when we interviewed Ken kress who was

763

00:31:35,810 --> 00:31:33,390

the program manager that runs a remote

764

00:31:38,600 --> 00:31:35,820

viewing program for a CIA for the first

765

00:31:40,280 --> 00:31:38,610

few years he had never done an interview

766

00:31:42,080 --> 00:31:40,290

before he didn't know what he could talk

767

00:31:43,940 --> 00:31:42,090

about what he couldn't and every

768

00:31:45,340 --> 00:31:43,950

question that we asked him and

769

00:31:48,740 --> 00:31:45,350

everything that he wanted to talk about

770

00:31:51,169 --> 00:31:48,750

he had to send off to CIA to get

771

00:31:53,270 --> 00:31:51,179

approved and and when he told me that

772

00:31:54,860 --> 00:31:53,280

after like months of like back-and-forth

773

00:31:57,110 --> 00:31:54,870

with him getting him you know to do the

774

00:31:58,880 --> 00:31:57,120

interview my heart sank because I went

775

00:32:00,080 --> 00:31:58,890

don't know they're gonna like Nix

776

00:32:01,700 --> 00:32:00,090

everything I'm not gonna be able to talk

777

00:32:06,350 --> 00:32:01,710

about anything you know this is gonna be

778

00:32:08,060 --> 00:32:06,360

the end of it and and he got back this

779

00:32:09,710 --> 00:32:08,070

response from them and he sent me you

780

00:32:11,900 --> 00:32:09,720

know all of the the questions and the

781

00:32:13,790 --> 00:32:11,910

answers you know before the interview

782

00:32:17,120 --> 00:32:13,800

and I'm looking at this I'm going oh my

783

00:32:18,770 --> 00:32:17,130

god this is incredible I mean he's

784

00:32:21,260 --> 00:32:18,780

talking about like the CIA running

785

00:32:24,140 --> 00:32:21,270

remote viewers internally against Libya

786

00:32:25,790 --> 00:32:24,150

and like other countries and you know

787

00:32:27,890 --> 00:32:25,800

stuff that I didn't even know stuff that

788

00:32:30,380 --> 00:32:27,900

Russell didn't even know you know and

789

00:32:32,180 --> 00:32:30,390

and they released all of this data you

790

00:32:36,770 --> 00:32:32,190

know and so you gotta ask why is like is

791

00:32:39,410 --> 00:32:36,780

this a plot like are they trying oh no

792

00:32:43,130 --> 00:32:39,420

it's not a plot is it's it's it's

793

00:32:45,290 --> 00:32:43,140

because the guy at the desk at CIA knows

794

00:32:46,910 --> 00:32:45,300

nothing about this and thinks this is

795

00:32:47,930 --> 00:32:46,920

like a joke I mean he's looking at this

796

00:32:49,880 --> 00:32:47,940

and going oh I don't know anything about

797

00:32:50,990 --> 00:32:49,890

this sure you want to talk about it go

798

00:32:52,940 --> 00:32:51,000

ahead like you know like all that

799

00:32:56,480 --> 00:32:52,950

stuff's old news you know it's it's it's

800

00:32:57,289 --> 00:32:56,490

to a certain extent there's a there's a

801
00:33:00,200 --> 00:32:57,299
loss

802
00:33:02,509 --> 00:33:00,210
of continuity of how the information

803
00:33:06,139 --> 00:33:02,519
comes out now that's on the one hand now

804
00:33:08,779 --> 00:33:06,149
on the other hand all of Russell's work

805
00:33:11,090 --> 00:33:08,789
originally was marked automatic do not

806
00:33:12,169 --> 00:33:11,100
downgrade you know classified like

807
00:33:14,690 --> 00:33:12,179
normally when things were Declassified

808
00:33:16,580 --> 00:33:14,700
they automatically become public after

809
00:33:20,299 --> 00:33:16,590
25 years you can request them if you

810
00:33:21,619 --> 00:33:20,309
know about them but in this case Russell

811
00:33:24,200 --> 00:33:21,629
said when he tried to get some of his

812
00:33:26,180 --> 00:33:24,210
work Declassified he he got back to

813
00:33:28,519 --> 00:33:26,190

stamp automatic do not downgrade you

814

00:33:31,340 --> 00:33:28,529

know you cannot declassify this so the

815

00:33:33,499 --> 00:33:31,350

only way to get it Declassified was he

816

00:33:36,139 --> 00:33:33,509

had to go to politicians he had to go to

817

00:33:38,570 --> 00:33:36,149

people within the Defense Department and

818

00:33:40,159 --> 00:33:38,580

and basically start this like legal

819

00:33:42,470 --> 00:33:40,169

battle with his son where it went back

820

00:33:45,139 --> 00:33:42,480

and forth just to get basically the Pat

821

00:33:48,139 --> 00:33:45,149

price stuff and the Ingo Swann early

822

00:33:50,570 --> 00:33:48,149

stuff you know Declassified you know

823

00:33:52,009 --> 00:33:50,580

looking at Soviet weapon sites and you

824

00:33:55,070 --> 00:33:52,019

know stuff that was twenty thirty years

825

00:33:58,099 --> 00:33:55,080

old by that time and see but here's the

826

00:34:00,560 --> 00:33:58,109

part that kind of contradicts that and

827

00:34:04,159 --> 00:34:00,570

it's right out of your movie and it's

828

00:34:08,329 --> 00:34:04,169

the the UFO link yeah you know fast

829

00:34:11,599 --> 00:34:08,339

forward now to where we're at now and lo

830

00:34:16,780 --> 00:34:11,609

and behold who's up on stage Tom DeLonge

831

00:34:19,520 --> 00:34:16,790

it was right behind him how there's how

832

00:34:23,030 --> 00:34:19,530

lifetime player another thing your movie

833

00:34:26,450 --> 00:34:23,040

reveals is Hal was a naval intelligence

834

00:34:28,520 --> 00:34:26,460

agency from the beginning and when Hal

835

00:34:29,930 --> 00:34:28,530

put off in Russell Targ have a little

836

00:34:32,869 --> 00:34:29,940

bit of a split I don't want to

837

00:34:35,500 --> 00:34:32,879

exaggerate that it does seem like there

838

00:34:39,079 --> 00:34:35,510

are these two different guys there's the

839

00:34:41,149 --> 00:34:39,089

researcher Russell Targ who's the mad

840

00:34:43,940 --> 00:34:41,159

scientist and there's this other guy

841

00:34:47,000 --> 00:34:43,950

who's also a researcher but at the end

842

00:34:49,399 --> 00:34:47,010

of the day is a lifetime player in the

843

00:34:52,669 --> 00:34:49,409

intelligence agency and knows how to

844

00:34:56,539 --> 00:34:52,679

work inside those circles so if this was

845

00:35:01,730 --> 00:34:56,549

part of the agenda that is to roll out

846

00:35:05,660 --> 00:35:01,740

the the UFO fake SIOB disclosure that

847

00:35:07,190 --> 00:35:05,670

became in 2017 not that it wasn't fake

848

00:35:09,530 --> 00:35:07,200

not that those things really didn't

849

00:35:09,980 --> 00:35:09,540

happen but it seemed to be it seems to

850

00:35:12,140 --> 00:35:09,990

me

851

00:35:14,780 --> 00:35:12,150

to a lot of people to be a very

852

00:35:16,940 --> 00:35:14,790

controlled kind of disclosure of an

853

00:35:18,590 --> 00:35:16,950

event that happened 10 years ago and

854

00:35:21,260 --> 00:35:18,600

they've been sitting on for all this

855

00:35:23,410 --> 00:35:21,270

time and yet they rolled it out like hey

856

00:35:27,200 --> 00:35:23,420

this is happening now

857

00:35:29,810 --> 00:35:27,210

are you sure that maybe what they

858

00:35:32,600 --> 00:35:29,820

released you guys wasn't part of a

859

00:35:35,510 --> 00:35:32,610

larger project of let's kind of push

860

00:35:38,150 --> 00:35:35,520

this stuff out there see where it goes I

861

00:35:40,310 --> 00:35:38,160

love your comment earlier that you just

862

00:35:42,590 --> 00:35:40,320

sprinkle it around a little bit and kind

863

00:35:46,040 --> 00:35:42,600

of see where it goes and then you deal

864

00:35:49,760 --> 00:35:46,050

with the pieces after after it's out

865

00:35:51,170 --> 00:35:49,770

there well number one any time you deal

866

00:35:54,980 --> 00:35:51,180

with the intelligence community or

867

00:35:57,109 --> 00:35:54,990

people who are lifelong you know people

868

00:35:59,600 --> 00:35:57,119

with security clearances it's always

869

00:36:02,210 --> 00:35:59,610

peeling away the layers of an onion you

870

00:36:03,590 --> 00:36:02,220

you never are gonna know what they know

871

00:36:05,720 --> 00:36:03,600

because they're not gonna tell you you

872

00:36:07,250 --> 00:36:05,730

know like the even even when Ken cress

873

00:36:08,750 --> 00:36:07,260

got all those questions released he said

874

00:36:10,370 --> 00:36:08,760

there was a ton of other stuff that he

875

00:36:12,080 --> 00:36:10,380

wanted to talk about he wasn't allowed

876

00:36:13,220 --> 00:36:12,090

to talk about and and I've called him

877

00:36:15,980 --> 00:36:13,230

since and said hey can we talk about

878

00:36:18,950 --> 00:36:15,990

that and he hasn't you know ever

879

00:36:22,700 --> 00:36:18,960

received a final response back on it so

880

00:36:23,990 --> 00:36:22,710

it's it's it's not that I I want to

881

00:36:25,430 --> 00:36:24,000

clarify my earlier statement because

882

00:36:27,470 --> 00:36:25,440

it's not that it's all just in disarray

883

00:36:31,700 --> 00:36:27,480

and nobody knows there's people that

884

00:36:33,560 --> 00:36:31,710

know there's just you know it depends on

885

00:36:34,760 --> 00:36:33,570

what you're really talking about because

886

00:36:36,470 --> 00:36:34,770

there's there's other even more

887

00:36:38,150 --> 00:36:36,480

classified things that we still don't

888

00:36:39,920 --> 00:36:38,160

know I mean how at the time I

889

00:36:42,080 --> 00:36:39,930

interviewed him said that probably 70%

890

00:36:43,730 --> 00:36:42,090

of what they had done in the remote

891

00:36:46,000 --> 00:36:43,740

viewing program is still to this day

892

00:36:48,710 --> 00:36:46,010

classified you couldn't talk about it so

893

00:36:50,480 --> 00:36:48,720

there's there's definitely a lot of that

894

00:36:52,210 --> 00:36:50,490

and and now I'm getting the question of

895

00:36:55,010 --> 00:36:52,220

is this some sort of intentional

896

00:36:57,380 --> 00:36:55,020

disclosure in terms of remote viewing

897

00:36:59,390 --> 00:36:57,390

program it was the opposite because what

898

00:37:01,730 --> 00:36:59,400

happened was that that Russell basically

899

00:37:05,210 --> 00:37:01,740

got specific things that he had done

900

00:37:06,740 --> 00:37:05,220

officially Declassified the army guys

901
00:37:08,470 --> 00:37:06,750
that had been getting out of the army

902
00:37:12,440 --> 00:37:08,480
and going and talking about this stuff

903
00:37:14,470 --> 00:37:12,450
were reviled by the CIA you know is is

904
00:37:17,599 --> 00:37:14,480
what I'm what I will later learn the CIA

905
00:37:19,820 --> 00:37:17,609
hated the fact that the army had a

906
00:37:21,920 --> 00:37:19,830
remote viewing program now while they

907
00:37:22,890 --> 00:37:21,930
were saying that they hated it they were

908
00:37:24,390 --> 00:37:22,900
still using it

909
00:37:26,520 --> 00:37:24,400
I mean they were the biggest customer of

910
00:37:28,500 --> 00:37:26,530
the army guys but but the head of the

911
00:37:31,410 --> 00:37:28,510
CIA would publicly go before Committees

912
00:37:32,850 --> 00:37:31,420
of Congress and and berate the fact that

913
00:37:35,220 --> 00:37:32,860

they even had a remotely feeding program

914

00:37:37,170 --> 00:37:35,230

they wanted it gone and and now in my

915

00:37:40,230 --> 00:37:37,180

own opinion and it's just an opinion as

916

00:37:42,660 --> 00:37:40,240

a layperson I believe the reason they

917

00:37:44,850 --> 00:37:42,670

wanted it gone was probably because the

918

00:37:47,580 --> 00:37:44,860

Army is too leaky you know like the guys

919

00:37:50,550 --> 00:37:47,590

getting out of the army are not a career

920

00:37:52,410 --> 00:37:50,560

like lifelong intelligence agents you

921

00:37:53,880 --> 00:37:52,420

know like rock-solid will always be

922

00:37:55,530 --> 00:37:53,890

there look at how the army and retire

923

00:37:58,650 --> 00:37:55,540

and they want to make movies they want

924

00:38:00,420 --> 00:37:58,660

to you know go write a book you know

925

00:38:02,640 --> 00:38:00,430

they want to teach remote viewing you

926
00:38:05,310 --> 00:38:02,650
know there's a whole other sort of mode

927
00:38:06,750 --> 00:38:05,320
of somebody who's an Army grunt who just

928
00:38:09,660 --> 00:38:06,760
learned how to do remote viewing versus

929
00:38:13,740 --> 00:38:09,670
a lifelong intelligence agent for CIA

930
00:38:15,750 --> 00:38:13,750
and that's one possible explanation but

931
00:38:17,250 --> 00:38:15,760
let me throw out another explanation and

932
00:38:20,460 --> 00:38:17,260
again this is something you touched on

933
00:38:23,870 --> 00:38:20,470
earlier is one of the things that your

934
00:38:27,840 --> 00:38:23,880
movie reveals is again the longtime

935
00:38:29,700 --> 00:38:27,850
problems and challenges that a a secret

936
00:38:32,400 --> 00:38:29,710
program like this faces and we're

937
00:38:35,210 --> 00:38:32,410
talking about Joe mechanicals standing

938
00:38:37,560 --> 00:38:35,220

up and saying we survived five

939

00:38:39,900 --> 00:38:37,570

administrations and that gets to this

940

00:38:42,690 --> 00:38:39,910

continuity of government kind of thing

941

00:38:46,290 --> 00:38:42,700

right it's necessary right you can't

942

00:38:49,020 --> 00:38:46,300

have a country's intelligence agencies

943

00:38:51,330 --> 00:38:49,030

spinning on a dime just because a new

944

00:38:54,210 --> 00:38:51,340

president is elected that would be

945

00:38:56,430 --> 00:38:54,220

disastrous to so these old-timers have

946

00:39:01,080 --> 00:38:56,440

been around for a long time they see the

947

00:39:04,320 --> 00:39:01,090

value in kind of keeping it close to the

948

00:39:06,510 --> 00:39:04,330

vest and not maybe sharing the stuff

949

00:39:10,680 --> 00:39:06,520

with people the way the Constitution

950

00:39:13,650 --> 00:39:10,690

says it should so your film kind of

951
00:39:16,740 --> 00:39:13,660
shows how that plays out how these CI

952
00:39:20,100 --> 00:39:16,750
even the CIA directors are saying rather

953
00:39:22,410 --> 00:39:20,110
kind of absurd things in light of what's

954
00:39:23,940 --> 00:39:22,420
really going on in terms of a lot larger

955
00:39:27,780 --> 00:39:23,950
picture that you're telling

956
00:39:32,400 --> 00:39:27,790
so is it isn't that just another point

957
00:39:34,620 --> 00:39:32,410
of confusion well number one you know

958
00:39:35,200 --> 00:39:34,630
the presidents and elected officials are

959
00:39:38,109 --> 00:39:35,210
always the

960
00:39:41,740 --> 00:39:38,119
- no and and in Russell target help it

961
00:39:43,599 --> 00:39:41,750
off you had say the CIA director often

962
00:39:46,720 --> 00:39:43,609
falls in that category too because I

963
00:39:48,310 --> 00:39:46,730

would yeah yeah I mean possibly you know

964

00:39:51,280 --> 00:39:48,320

I would say the CIA director probably

965

00:39:54,370 --> 00:39:51,290

knows more than the President does but

966

00:39:56,260 --> 00:39:54,380

but Russell and how the two scientists

967

00:40:00,490 --> 00:39:56,270

that started this program in the 70s

968

00:40:03,040 --> 00:40:00,500

were were both already vetted people

969

00:40:05,050 --> 00:40:03,050

working within established intelligence

970

00:40:07,420 --> 00:40:05,060

circles they were both the pioneers of

971

00:40:10,180 --> 00:40:07,430

lasers and things like that so they were

972

00:40:11,349 --> 00:40:10,190

they were both really very respected

973

00:40:14,109 --> 00:40:11,359

people within the intelligence community

974

00:40:15,460 --> 00:40:14,119

already and and they were respected

975

00:40:19,450 --> 00:40:15,470

within the intelligence community that

976

00:40:21,490 --> 00:40:19,460

had an official oversight you know like

977

00:40:24,010 --> 00:40:21,500

they were reporting to you know Congress

978

00:40:25,570 --> 00:40:24,020

committees and you know that people high

979

00:40:27,400 --> 00:40:25,580

up in government so there was an

980

00:40:29,440 --> 00:40:27,410

official channel already to work through

981

00:40:31,390 --> 00:40:29,450

that was overseen by elected officials

982

00:40:34,380 --> 00:40:31,400

so when they took their remote viewing

983

00:40:36,970 --> 00:40:34,390

experiments to people in government

984

00:40:39,790 --> 00:40:36,980

there was an official channel you know

985

00:40:42,400 --> 00:40:39,800

to go through and let me just clarify

986

00:40:44,470 --> 00:40:42,410

you're saying as opposed to as we do

987

00:40:47,020 --> 00:40:44,480

understand it now some programs that are

988

00:40:49,390 --> 00:40:47,030

just black young black from we're not

989

00:40:50,980 --> 00:40:49,400

tuning these were not black programs

990

00:40:53,859 --> 00:40:50,990

these were these were secret programs

991

00:40:55,089 --> 00:40:53,869

but they had oversight and and if you

992

00:40:56,740 --> 00:40:55,099

think about something like remote

993

00:40:58,210 --> 00:40:56,750

viewing how easy is it to do remote

994

00:41:01,480 --> 00:40:58,220

viewing basically you close your eyes

995

00:41:03,640 --> 00:41:01,490

you imagine where your target is is

996

00:41:05,380 --> 00:41:03,650

hiding and then you write down what

997

00:41:08,290 --> 00:41:05,390

comes to your mind the first unexpected

998

00:41:10,650 --> 00:41:08,300

images that you get and that's it you

999

00:41:12,910 --> 00:41:10,660

know so so the it's it doesn't take

1000

00:41:15,160 --> 00:41:12,920

billions of dollars it doesn't take

1001
00:41:18,310 --> 00:41:15,170
fighter jets but the government is

1002
00:41:19,960 --> 00:41:18,320
uniquely placed to be able to find out

1003
00:41:21,370 --> 00:41:19,970
if you're right or wrong you know like I

1004
00:41:23,020 --> 00:41:21,380
can talk about what's going on in Russia

1005
00:41:26,130 --> 00:41:23,030
but I have no idea if I'm right or wrong

1006
00:41:29,890 --> 00:41:26,140
they do you know so so you can

1007
00:41:32,050 --> 00:41:29,900
infiltrate the regular intelligence

1008
00:41:34,030 --> 00:41:32,060
agencies by giving them information and

1009
00:41:35,650 --> 00:41:34,040
and not telling them where it comes from

1010
00:41:39,790 --> 00:41:35,660
say that again let's talk about that

1011
00:41:41,380 --> 00:41:39,800
well okay so so let's say me right now

1012
00:41:44,980 --> 00:41:41,390
in this room I have a team of five

1013
00:41:46,270 --> 00:41:44,990

remote viewers and there's one contact

1014

00:41:48,580 --> 00:41:46,280

from government that has reached out to

1015

00:41:51,130 --> 00:41:48,590

us and I and I am I look

1016

00:41:53,260 --> 00:41:51,140

a bunch of locations you look at I send

1017

00:41:54,790 --> 00:41:53,270

him that data no idea if it's right or

1018

00:41:58,090 --> 00:41:54,800

wrong I may never know if it's right or

1019

00:41:59,470 --> 00:41:58,100

wrong but he knows and he may be the

1020

00:42:02,140 --> 00:41:59,480

only one that knows where that

1021

00:42:03,880 --> 00:42:02,150

information he where he's getting it but

1022

00:42:07,510 --> 00:42:03,890

then he's feeding it into the mainstream

1023

00:42:09,550 --> 00:42:07,520

apparatus of intelligence and and so

1024

00:42:11,790 --> 00:42:09,560

even the intelligence agencies themselves

1025

00:42:14,050 --> 00:42:11,800

may not know who this guy's contact is

1026

00:42:15,520 --> 00:42:14,060

but they're gonna still use the

1027

00:42:17,620 --> 00:42:15,530

information if it turns out to be useful

1028

00:42:19,240 --> 00:42:17,630

and if it turns out to be useful once

1029

00:42:21,420 --> 00:42:19,250

then the chances are it's gonna be

1030

00:42:24,070 --> 00:42:21,430

useful again and again and again and

1031

00:42:28,000 --> 00:42:24,080

nobody has to know how that information

1032

00:42:29,500 --> 00:42:28,010

is being gathered you know it's not

1033

00:42:32,830 --> 00:42:29,510

there's no oversight there doesn't have

1034

00:42:36,670 --> 00:42:32,840

to be it moreover if I'm into the game

1035

00:42:39,280 --> 00:42:36,680

of misinformation disinformation even

1036

00:42:41,200 --> 00:42:39,290

within my agency which is often the case

1037

00:42:43,630 --> 00:42:41,210

you know and we'll talk a little story

1038

00:42:45,570 --> 00:42:43,640

about kid green where he admits that

1039

00:42:49,540 --> 00:42:45,580

that you know but there were constantly

1040

00:42:51,820 --> 00:42:49,550

tests done against him to see where his

1041

00:42:53,860 --> 00:42:51,830

information would go so these guys are

1042

00:42:56,770 --> 00:42:53,870

playing this disinformation

1043

00:42:59,740 --> 00:42:56,780

misinformation and spread of information

1044

00:43:02,050 --> 00:42:59,750

at a 3d chess level that we don't

1045

00:43:04,870 --> 00:43:02,060

totally even get absolutely what you're

1046

00:43:08,410 --> 00:43:04,880

saying and extended to that who knows

1047

00:43:11,020 --> 00:43:08,420

you know what's going on absolutely and

1048

00:43:13,840 --> 00:43:11,030

I and I am constantly confused by by

1049

00:43:15,430 --> 00:43:13,850

people like you know KITT and people who

1050

00:43:17,020 --> 00:43:15,440

are lifelong intelligence agencies and

1051
00:43:18,010 --> 00:43:17,030
you you have to always look at it

1052
00:43:19,540 --> 00:43:18,020
through the prism that they're not

1053
00:43:21,520 --> 00:43:19,550
telling you everything and that there

1054
00:43:23,320 --> 00:43:21,530
may be an agenda and you know and and

1055
00:43:26,020 --> 00:43:23,330
you just you have to but but you can

1056
00:43:27,970 --> 00:43:26,030
still extrapolate out from that because

1057
00:43:29,350 --> 00:43:27,980
there's enough public information out

1058
00:43:30,630 --> 00:43:29,360
there and enough people that aren't

1059
00:43:33,280 --> 00:43:30,640
directly in the intelligence community

1060
00:43:35,250 --> 00:43:33,290
so so that you can kind of get at like

1061
00:43:38,320 --> 00:43:35,260
what's real and what's not

1062
00:43:41,080 --> 00:43:38,330
well no can you that's really the

1063
00:43:44,500 --> 00:43:41,090

question because it KITT Green is a

1064

00:43:48,580 --> 00:43:44,510

classic example of that lifetime player

1065

00:43:51,760 --> 00:43:48,590

your movie is fantastic in the way that

1066

00:43:54,640 --> 00:43:51,770

it captures KITT green not just the

1067

00:43:57,550 --> 00:43:54,650

information that he gives in the film

1068

00:44:01,390 --> 00:43:57,560

which is terrific but as you're alluding

1069

00:44:01,980 --> 00:44:01,400

to you get a sense for this kind of wily

1070

00:44:04,740 --> 00:44:01,990

fine

1071

00:44:07,500 --> 00:44:04,750

who kind of knows so much more than it

1072

00:44:08,880 --> 00:44:07,510

ever reveal and in a way is kind of

1073

00:44:11,579 --> 00:44:08,890

playing with you

1074

00:44:15,120 --> 00:44:11,589

like if you poke at just the right

1075

00:44:17,310 --> 00:44:15,130

questions I might tell you more but if

1076

00:44:20,700 --> 00:44:17,320

you can't bring the level of discourse

1077

00:44:23,190 --> 00:44:20,710

up to that level then I'm gonna divert

1078

00:44:26,460 --> 00:44:23,200

you over this way do you want to talk

1079

00:44:28,290 --> 00:44:26,470

about that any further there's there's a

1080

00:44:30,420 --> 00:44:28,300

distinct difference between somebody

1081

00:44:33,300 --> 00:44:30,430

like Russell Targ and somebody like how

1082

00:44:34,589 --> 00:44:33,310

put off work it green or or some of

1083

00:44:37,829 --> 00:44:34,599

these other people in that in that

1084

00:44:41,700 --> 00:44:37,839

Russell always was first and foremost a

1085

00:44:44,130 --> 00:44:41,710

a researcher who was looking to publish

1086

00:44:46,890 --> 00:44:44,140

you know he wanted to publish papers he

1087

00:44:48,510 --> 00:44:46,900

wanted to get the word out about like

1088

00:44:51,000 --> 00:44:48,520

what he was finding because what he was

1089

00:44:54,120 --> 00:44:51,010

finding was world-changing you know the

1090

00:44:57,510 --> 00:44:54,130

the fact that that there is you know

1091

00:44:59,670 --> 00:44:57,520

proof of something like ESP you know

1092

00:45:02,040 --> 00:44:59,680

like there is something that exists that

1093

00:45:04,820 --> 00:45:02,050

we don't understand that allows a person

1094

00:45:06,750 --> 00:45:04,830

to see outside of space and time and and

1095

00:45:09,960 --> 00:45:06,760

gather information they otherwise

1096

00:45:11,430 --> 00:45:09,970

shouldn't have and so he became a lot

1097

00:45:15,270 --> 00:45:11,440

more frustrated over the years because

1098

00:45:16,920 --> 00:45:15,280

as this got better and better use the

1099

00:45:20,849 --> 00:45:16,930

amount of information going out got less

1100

00:45:23,970 --> 00:45:20,859

and less and less right and now how and

1101

00:45:25,230 --> 00:45:23,980

and kit both were much more company men

1102

00:45:27,480 --> 00:45:25,240

you know like like yeah like you said

1103

00:45:30,780 --> 00:45:27,490

how had a background with NSA and with

1104

00:45:33,300 --> 00:45:30,790

and with intelligence kit claims that he

1105

00:45:36,510 --> 00:45:33,310

still consults with CIA and other

1106

00:45:40,290 --> 00:45:36,520

intelligence agencies so they're having

1107

00:45:43,109 --> 00:45:40,300

an agenda that is not necessarily the

1108

00:45:46,380 --> 00:45:43,119

best agenda to get good science out

1109

00:45:48,060 --> 00:45:46,390

because it may not be their objective to

1110

00:45:50,010 --> 00:45:48,070

get best science out I don't know I'm

1111

00:45:51,839 --> 00:45:50,020

not in there click it really isn't even

1112

00:45:53,760 --> 00:45:51,849

a matter of science at the end of the

1113

00:45:55,589 --> 00:45:53,770

day and that's where I think you are I

1114

00:45:58,020 --> 00:45:55,599

want to explore that with you personally

1115

00:46:01,700 --> 00:45:58,030

in terms of spirituality and your

1116

00:46:04,170 --> 00:46:01,710

understanding of spirituality because

1117

00:46:07,050 --> 00:46:04,180

ultimately that's what we're talking

1118

00:46:10,910 --> 00:46:07,060

about here when we talk about Russell

1119

00:46:14,040 --> 00:46:10,920

Targ and we understand that he wants to

1120

00:46:15,359 --> 00:46:14,050

make the world a better world in some

1121

00:46:17,670 --> 00:46:15,369

way that

1122

00:46:20,730 --> 00:46:17,680

supposed to connect with consciousness

1123

00:46:23,339 --> 00:46:20,740

and being psychic which is okay I can go

1124

00:46:26,640 --> 00:46:23,349

there but there is this natural tension

1125

00:46:29,099 --> 00:46:26,650

with this other group that says yeah but

1126

00:46:33,089 --> 00:46:29,109

you really don't want the Chinese

1127

00:46:36,839 --> 00:46:33,099

sending an EMI weapon like they did off

1128

00:46:40,319 --> 00:46:36,849

the coast of San Diego and wiping out

1129

00:46:42,569 --> 00:46:40,329

your entire grid either and that's a

1130

00:46:44,999 --> 00:46:42,579

reality and the Huns marching over the

1131

00:46:47,579 --> 00:46:45,009

hills have always been a reality and at

1132

00:46:50,700 --> 00:46:47,589

the end of the day this is this is kit

1133

00:46:53,880 --> 00:46:50,710

green this is how put off if you will

1134

00:46:56,339 --> 00:46:53,890

saying you care about your security more

1135

00:46:58,470 --> 00:46:56,349

than you care about anything else if you

1136

00:47:00,210 --> 00:46:58,480

care about your security more than you

1137

00:47:02,609 --> 00:47:00,220

think you care about this idea of

1138

00:47:05,069 --> 00:47:02,619

spirituality and consciousness and

1139

00:47:07,019 --> 00:47:05,079

loving everybody so let me tell you

1140

00:47:09,539 --> 00:47:07,029

right now I'm gonna go ahead and protect

1141

00:47:12,960 --> 00:47:09,549

you because at the end of the day that's

1142

00:47:16,140 --> 00:47:12,970

what you want so let's continue to

1143

00:47:19,319 --> 00:47:16,150

explore that because there is a reality

1144

00:47:22,710 --> 00:47:19,329

to that it does transcend quote-unquote

1145

00:47:25,710 --> 00:47:22,720

science if you will yeah I mean I I want

1146

00:47:27,660 --> 00:47:25,720

to start by saying that though I believe

1147

00:47:30,029 --> 00:47:27,670

that these guys were lifelong

1148

00:47:33,329 --> 00:47:30,039

intelligence agents are not able to say

1149

00:47:36,299 --> 00:47:33,339

everything and may have an agenda I I've

1150

00:47:38,910 --> 00:47:36,309

come to the conclusion that they ought

1151
00:47:42,229 --> 00:47:38,920
that that they do care about the science

1152
00:47:45,120 --> 00:47:42,239
and they do care about this not being a

1153
00:47:46,890 --> 00:47:45,130
dying mode of study you know meaning

1154
00:47:48,660 --> 00:47:46,900
that this work continues on that they

1155
00:47:50,400 --> 00:47:48,670
have done I'm talking specifically about

1156
00:47:52,650 --> 00:47:50,410
kit I'm talking specifically about how

1157
00:47:54,120 --> 00:47:52,660
put off you know people who may or may

1158
00:47:56,430 --> 00:47:54,130
not still be doing intelligence work

1159
00:47:59,729 --> 00:47:56,440
they still care about the work that has

1160
00:48:02,819 --> 00:47:59,739
been done my take on kit rain for

1161
00:48:04,349 --> 00:48:02,829
instance is is yeah he chairs about the

1162
00:48:07,739 --> 00:48:04,359
science he cares about what has been

1163
00:48:09,329 --> 00:48:07,749

done he wants it to be talked about it

1164

00:48:12,569 --> 00:48:09,339

he doesn't want it to be talked about in

1165

00:48:14,339 --> 00:48:12,579

a big way you know you know he doesn't

1166

00:48:17,069 --> 00:48:14,349

mind if the research continues but let's

1167

00:48:20,069 --> 00:48:17,079

not make it so big that that all of a

1168

00:48:21,930 --> 00:48:20,079

sudden this becomes mainstream so then

1169

00:48:24,420 --> 00:48:21,940

what do you think those guys are doing

1170

00:48:26,130 --> 00:48:24,430

with the UFO disclosure thing well

1171

00:48:28,520 --> 00:48:26,140

that's that's right where I was going to

1172

00:48:30,950 --> 00:48:28,530

go you know the the

1173

00:48:34,010 --> 00:48:30,960

my take on both them with remote viewing

1174

00:48:35,600 --> 00:48:34,020

and them with the UFO thing and I'm

1175

00:48:37,850 --> 00:48:35,610

talking specifically about people that I

1176

00:48:39,590 --> 00:48:37,860

interviewed that were still sort of

1177

00:48:42,950 --> 00:48:39,600

involved in these kinds of projects even

1178

00:48:44,830 --> 00:48:42,960

by their own admission is that these are

1179

00:48:48,050 --> 00:48:44,840

people who are in the in on the inside

1180

00:48:49,730 --> 00:48:48,060

but they're not really on the inside let

1181

00:48:51,680 --> 00:48:49,740

me just throw this out cuz I all right

1182

00:48:53,540 --> 00:48:51,690

died to get some of his opinion on this

1183

00:48:56,330 --> 00:48:53,550

who's truly the thought about it and

1184

00:48:58,430 --> 00:48:56,340

studied it as you are it seems to me

1185

00:49:00,590 --> 00:48:58,440

that there's this straight-up political

1186

00:49:03,040 --> 00:49:00,600

thing that's going on that too few

1187

00:49:06,140 --> 00:49:03,050

people talk about there's a left-right

1188

00:49:08,990 --> 00:49:06,150

Republican Democrat if you will kind of

1189

00:49:11,090 --> 00:49:09,000

flavor to some of this and that you know

1190

00:49:13,100 --> 00:49:11,100

so this the UFO disclosure thing is

1191

00:49:15,470 --> 00:49:13,110

clearly coming from the left and I don't

1192

00:49:19,220 --> 00:49:15,480

say that to prejudice it in any way it

1193

00:49:21,650 --> 00:49:19,230

just clearly clearly is it's Podesta and

1194

00:49:23,540 --> 00:49:21,660

Clinton were originally the ones that

1195

00:49:26,240 --> 00:49:23,550

wanted to bring it out and they weren't

1196

00:49:27,950 --> 00:49:26,250

elected so Tom DeLonge who was hooked

1197

00:49:30,590 --> 00:49:27,960

into that went ahead and brought it out

1198

00:49:31,970 --> 00:49:30,600

anyway and Peter Levin de who was part

1199

00:49:34,160 --> 00:49:31,980

of that whole thing which is lifetime

1200

00:49:36,920 --> 00:49:34,170

spook I don't know why anyone sees him

1201

00:49:39,620 --> 00:49:36,930

other than just like who is this new

1202

00:49:41,570 --> 00:49:39,630

Peter Levin de okay uh you know along

1203

00:49:43,640 --> 00:49:41,580

with Tom's along it you know his story

1204

00:49:47,120 --> 00:49:43,650

as I called up Tom DeLonge and it's like

1205

00:49:48,740 --> 00:49:47,130

tom is it really you oh my gosh well we

1206

00:49:50,990 --> 00:49:48,750

have to figure this out the only place

1207

00:49:53,510 --> 00:49:51,000

we can go is the CIA you know that's

1208

00:49:55,910 --> 00:49:53,520

right it's just a kind of a manufactured

1209

00:49:58,070 --> 00:49:55,920

story but it seems to be coming from one

1210

00:49:59,900 --> 00:49:58,080

side of the political spectrum again not

1211

00:50:02,480 --> 00:49:59,910

to prejudice it and it's interesting

1212

00:50:05,060 --> 00:50:02,490

kind of the crypto speak that the other

1213

00:50:07,130 --> 00:50:05,070

side brings out through Trump who is the

1214

00:50:07,790 --> 00:50:07,140

current mouthpiece like him or not for

1215

00:50:10,310 --> 00:50:07,800

that side

1216

00:50:12,320 --> 00:50:10,320

who's saying yeah I'm very skeptical of

1217

00:50:14,660 --> 00:50:12,330

that whole thing so they're kind of

1218

00:50:17,780 --> 00:50:14,670

taking that angle and in that there's

1219

00:50:19,880 --> 00:50:17,790

this we've all known for a long time and

1220

00:50:22,880 --> 00:50:19,890

as your movie kind of again points out

1221

00:50:26,390 --> 00:50:22,890

is there is this kind of straight-up

1222

00:50:28,700 --> 00:50:26,400

political way to understand intelligence

1223

00:50:31,970 --> 00:50:28,710

organizations particularly the CIA in

1224

00:50:34,520 --> 00:50:31,980

terms of this right left and the agenda

1225

00:50:37,040 --> 00:50:34,530

would seem to be for the UFO thing this

1226
00:50:39,290 --> 00:50:37,050
kind of one-world thing we need to you

1227
00:50:40,190 --> 00:50:39,300
know it's global warming it's UFOs it's

1228
00:50:42,140 --> 00:50:40,200
one world

1229
00:50:44,390 --> 00:50:42,150
your rights don't think about you being

1230
00:50:46,250 --> 00:50:44,400
this individual kind of country in

1231
00:50:48,880 --> 00:50:46,260
person and then we have the other side

1232
00:50:50,870 --> 00:50:48,890
saying no you should only think about

1233
00:50:53,390 --> 00:50:50,880
America first America is the greatest

1234
00:50:55,190 --> 00:50:53,400
kind of thing again I'm not trying to

1235
00:50:58,099 --> 00:50:55,200
flavor that in any way I'm just saying

1236
00:51:01,490 --> 00:50:58,109
in broad strokes that seems to be one of

1237
00:51:04,000 --> 00:51:01,500
the the overlays on this and I'd love to

1238
00:51:08,240 --> 00:51:04,010

hear anything you think about well

1239

00:51:11,480 --> 00:51:08,250

number one Trump will be the last person

1240

00:51:12,950 --> 00:51:11,490

they ever tell he'll be the last one on

1241

00:51:14,539 --> 00:51:12,960

the boat I think but oh but he has his

1242

00:51:16,160 --> 00:51:14,549

own he has his own people who are

1243

00:51:18,170 --> 00:51:16,170

telling him I mean they're they're

1244

00:51:20,299 --> 00:51:18,180

starting spaceforce and we don't know

1245

00:51:22,880 --> 00:51:20,309

why and all this kind of stuff yes but

1246

00:51:24,829 --> 00:51:22,890

but you've got to look at I think I

1247

00:51:27,620 --> 00:51:24,839

don't know that it's left versus right

1248

00:51:29,839 --> 00:51:27,630

as much as it is sort of logic versus

1249

00:51:32,799 --> 00:51:29,849

superstition and again you're talking

1250

00:51:36,589 --> 00:51:32,809

about a sort of very mainstream level of

1251
00:51:39,770 --> 00:51:36,599
oversight which probably doesn't exist

1252
00:51:42,380 --> 00:51:39,780
because most or all of this work at this

1253
00:51:44,030 --> 00:51:42,390
point is is no longer being done within

1254
00:51:46,339 --> 00:51:44,040
the government you know like you know

1255
00:51:49,309 --> 00:51:46,349
this the Clinton tried very hard in the

1256
00:51:50,750 --> 00:51:49,319
90s with Laurance Rockefeller you know

1257
00:51:52,520 --> 00:51:50,760
this is a topic that's covered in

1258
00:51:54,799 --> 00:51:52,530
another documentary that I'm producing

1259
00:51:57,319 --> 00:51:54,809
and editing right now called the

1260
00:51:59,900 --> 00:51:57,329
phenomenon with James Fox you know we

1261
00:52:02,990 --> 00:51:59,910
talk all about how in the 90s they tried

1262
00:52:06,109 --> 00:52:03,000
to get access to you know UFO records

1263
00:52:07,670 --> 00:52:06,119

from the US government and you know they

1264

00:52:10,750 --> 00:52:07,680

were told that nothing was there and in

1265

00:52:14,120 --> 00:52:10,760

fact in a very kind of haphazard

1266

00:52:17,390 --> 00:52:14,130

cover-up kind of a way so it's it's not

1267

00:52:18,950 --> 00:52:17,400

that they're being told something and

1268

00:52:20,569 --> 00:52:18,960

it's being ignored it's that they're not

1269

00:52:22,720 --> 00:52:20,579

being told anything which which then

1270

00:52:25,730 --> 00:52:22,730

brings me back to like people like T TSA

1271

00:52:27,740 --> 00:52:25,740

now I've thought a lot about like what

1272

00:52:29,329 --> 00:52:27,750

is their agenda like what is their what

1273

00:52:33,049 --> 00:52:29,339

are they trying to get at with this this

1274

00:52:34,430 --> 00:52:33,059

whole disclosure thing and you know at

1275

00:52:36,950 --> 00:52:34,440

first I thought well maybe there's some

1276
00:52:38,660 --> 00:52:36,960
you know like working disclosure going

1277
00:52:41,359 --> 00:52:38,670
on or this is something from the top and

1278
00:52:42,440 --> 00:52:41,369
and now I actually do think like getting

1279
00:52:46,760 --> 00:52:42,450
back to what I was just saying earlier

1280
00:52:48,799 --> 00:52:46,770
this is more about people who know

1281
00:52:50,900 --> 00:52:48,809
something who want to know more who are

1282
00:52:51,640 --> 00:52:50,910
trying to push the subject that's what I

1283
00:52:52,810 --> 00:52:51,650
think you know

1284
00:52:55,750 --> 00:52:52,820
in terms of what they're doing now

1285
00:52:58,390 --> 00:52:55,760
because they've been in the know but

1286
00:53:00,430 --> 00:52:58,400
there's probably other people somewhere

1287
00:53:03,220 --> 00:53:00,440
that either were associated with

1288
00:53:05,110 --> 00:53:03,230

government or are that know a lot more

1289

00:53:06,940 --> 00:53:05,120

you know and most likely they're working

1290

00:53:09,640 --> 00:53:06,950

in the private sector you know and they

1291

00:53:11,020 --> 00:53:09,650

have some classified contacts but

1292

00:53:12,820 --> 00:53:11,030

primarily they're working outside of

1293

00:53:15,250 --> 00:53:12,830

government because that's the only way

1294

00:53:17,620 --> 00:53:15,260

that you can prevent this kind of stuff

1295

00:53:19,600 --> 00:53:17,630

from leaking out because eventually

1296

00:53:21,040 --> 00:53:19,610

elected officials are probably going to

1297

00:53:23,200 --> 00:53:21,050

leak it out like there's gonna be loose

1298

00:53:25,000 --> 00:53:23,210

lips like something's gonna happen so

1299

00:53:26,350 --> 00:53:25,010

they keep this is so secretive that they

1300

00:53:28,330 --> 00:53:26,360

keep all of this off the books

1301
00:53:30,160 --> 00:53:28,340
completely I think that's probably what

1302
00:53:31,990 --> 00:53:30,170
happened with the remote viewing program

1303
00:53:33,250 --> 00:53:32,000
you know you you have it just off the

1304
00:53:35,320 --> 00:53:33,260
books it doesn't even exist anymore

1305
00:53:37,300 --> 00:53:35,330
within government you know there's

1306
00:53:39,730 --> 00:53:37,310
there's just so many layers to this but

1307
00:53:41,740 --> 00:53:39,740
it does get interesting the thing about

1308
00:53:44,770 --> 00:53:41,750
the UFO thing that I want to explore a

1309
00:53:47,740 --> 00:53:44,780
little bit further with you is UFO as a

1310
00:53:50,460 --> 00:53:47,750
placeholder it's a placeholder in the

1311
00:53:54,250 --> 00:53:50,470
public psyche that people can kind of

1312
00:53:57,370 --> 00:53:54,260
wrap their arms around at this point the

1313
00:53:59,860 --> 00:53:57,380

real question is non-human intelligence

1314

00:54:04,300 --> 00:53:59,870

that's what we really care about and

1315

00:54:06,670 --> 00:54:04,310

that's ET or whatever kind of spirit

1316

00:54:10,540 --> 00:54:06,680

communication is connected with that and

1317

00:54:13,000 --> 00:54:10,550

what that non-human intelligence might

1318

00:54:15,100 --> 00:54:13,010

be doing with our government or might be

1319

00:54:16,840 --> 00:54:15,110

doing with the population in general

1320

00:54:19,300 --> 00:54:16,850

that's where the stuff really gets

1321

00:54:20,860 --> 00:54:19,310

interesting I think and it even gets

1322

00:54:22,510 --> 00:54:20,870

interesting from an intelligence

1323

00:54:24,310 --> 00:54:22,520

standpoint you know one of the things

1324

00:54:26,860 --> 00:54:24,320

that really kind of turned my head

1325

00:54:28,990 --> 00:54:26,870

around this is a UFO researcher named

1326

00:54:30,820 --> 00:54:29,000

Craig Cameron it's probably done more

1327

00:54:33,250 --> 00:54:30,830

you know grant yeah I love Grant Cameron

1328

00:54:37,650 --> 00:54:33,260

yeah probably done more work than anyone

1329

00:54:40,630 --> 00:54:37,660

on revealing the presidential

1330

00:54:42,640 --> 00:54:40,640

understanding of UFOs throughout all

1331

00:54:45,940 --> 00:54:42,650

these administration's going way back to

1332

00:54:49,180 --> 00:54:45,950

Nixon you know and what he uncovered was

1333

00:54:51,700 --> 00:54:49,190

the Wilbert Smith that's bull Burt Smith

1334

00:54:53,950 --> 00:54:51,710

memo which was released of the Freedom

1335

00:54:56,590 --> 00:54:53,960

of Information Act in Canada because he

1336

00:54:59,410 --> 00:54:56,600

was the highest ranking official in

1337

00:55:03,340 --> 00:54:59,420

Canada who was basically responsible for

1338

00:55:04,760 --> 00:55:03,350

everything radio and out of outer space

1339

00:55:06,710 --> 00:55:04,770

related so all the you

1340

00:55:09,140 --> 00:55:06,720

those stuff wound up on his desk and

1341

00:55:12,320 --> 00:55:09,150

eventually he went to his bosses and

1342

00:55:14,960 --> 00:55:12,330

said hey I need to go down there and see

1343

00:55:17,630 --> 00:55:14,970

what the Yanks down there in the United

1344

00:55:19,550 --> 00:55:17,640

States know so he goes down and comes

1345

00:55:22,610 --> 00:55:19,560

back and he writes this memo that is

1346

00:55:24,680 --> 00:55:22,620

later truly released under Freedom of

1347

00:55:26,720 --> 00:55:24,690

Information it was just like a rarity

1348

00:55:31,580 --> 00:55:26,730

you know that isn't just leaked out

1349

00:55:34,820 --> 00:55:31,590

he says UFOs are the most secret most

1350

00:55:36,950 --> 00:55:34,830

important thing in the United States

1351

00:55:39,290 --> 00:55:36,960

government I met with that of our Bush

1352

00:55:40,820 --> 00:55:39,300

we now know is like super connected the

1353

00:55:43,070 --> 00:55:40,830

right guy and he mentions all these

1354

00:55:43,790 --> 00:55:43,080

other guys were the guys that you would

1355

00:55:46,220 --> 00:55:43,800

want to know

1356

00:55:49,460 --> 00:55:46,230

he says it's hot more secret than the

1357

00:55:52,280 --> 00:55:49,470

hydrogen bomb and then he reveals a tiny

1358

00:55:55,340 --> 00:55:52,290

little tidbit that ties into your story

1359

00:55:58,370 --> 00:55:55,350

of third-eye spies and remote viewing

1360

00:56:00,920 --> 00:55:58,380

and also ties into this larger story of

1361

00:56:05,030 --> 00:56:00,930

non-human intelligence he says that

1362

00:56:09,020 --> 00:56:05,040

there is a mental phenomenon associated

1363

00:56:11,390 --> 00:56:09,030

with this contact experience and from

1364

00:56:15,290 --> 00:56:11,400

there we have a greater understanding

1365

00:56:18,500 --> 00:56:15,300

for MK ULTRA which we'll have a chance

1366

00:56:21,080 --> 00:56:18,510

to talk about sure which is all about

1367

00:56:21,940 --> 00:56:21,090

mind control all about consciousness and

1368

00:56:26,030 --> 00:56:21,950

what that could be

1369

00:56:29,840 --> 00:56:26,040

including the weaponization of that but

1370

00:56:33,560 --> 00:56:29,850

I have to wonder that if this wasn't

1371

00:56:37,430 --> 00:56:33,570

always one of the primary objectives of

1372

00:56:41,780 --> 00:56:37,440

all this mental / consciousness work is

1373

00:56:45,920 --> 00:56:41,790

to try and understand what's going on

1374

00:56:48,890 --> 00:56:45,930

with et because contact with et was made

1375

00:56:51,050 --> 00:56:48,900

by the government a long time ago as

1376
00:56:54,440 --> 00:56:51,060
revealed in the will Burt Smith met Oh

1377
00:56:58,340 --> 00:56:54,450
from the 50s and is now kind of being

1378
00:57:01,760 --> 00:56:58,350
forced out in the latest you know to the

1379
00:57:03,110 --> 00:57:01,770
stars Academy release in December 2017

1380
00:57:05,120 --> 00:57:03,120
I know I've thrown a lot on the table

1381
00:57:06,680 --> 00:57:05,130
there no no no it's good and I and I

1382
00:57:09,740 --> 00:57:06,690
think that that's actually something I'd

1383
00:57:13,640 --> 00:57:09,750
love to talk about is the is the psychic

1384
00:57:14,750 --> 00:57:13,650
connection between ufology and and

1385
00:57:17,960 --> 00:57:14,760
everything else that I've just been

1386
00:57:18,470 --> 00:57:17,970
studying and and I have a lifelong

1387
00:57:20,599 --> 00:57:18,480
interest

1388
00:57:22,609 --> 00:57:20,609

apology - I love studying that stuff but

1389

00:57:25,720 --> 00:57:22,619

but what was so interesting to me

1390

00:57:28,609 --> 00:57:25,730

through making fertilized pies is that

1391

00:57:31,550 --> 00:57:28,619

the the sort of the weirdness the

1392

00:57:32,870 --> 00:57:31,560

strangeness that happens whether you're

1393

00:57:34,520 --> 00:57:32,880

dealing with something like remote

1394

00:57:37,819 --> 00:57:34,530

viewing or whether you're even dealing

1395

00:57:39,319 --> 00:57:37,829

with you know ufology and and seeing

1396

00:57:41,990 --> 00:57:39,329

UFOs and it's something that actually

1397

00:57:45,920 --> 00:57:42,000

really gets missed very often which is

1398

00:57:48,349 --> 00:57:45,930

that the phenomenon is not just seeing a

1399

00:57:51,560 --> 00:57:48,359

craft it's not just seeing a being it's

1400

00:57:54,589 --> 00:57:51,570

not just whatever it's it's a there's a

1401
00:57:57,829 --> 00:57:54,599
general strangeness and sort of uptick

1402
00:58:00,859 --> 00:57:57,839
in psychic ability uptick in just

1403
00:58:03,920 --> 00:58:00,869
bizarre occurrences PK like all of this

1404
00:58:06,319 --> 00:58:03,930
like very strange phenomenon that comes

1405
00:58:08,900 --> 00:58:06,329
along with that territory and and that

1406
00:58:10,010 --> 00:58:08,910
gets overlooked a lot by researchers

1407
00:58:12,290 --> 00:58:10,020
because it's too weird

1408
00:58:15,770 --> 00:58:12,300
you know like there's a in the movie

1409
00:58:18,770 --> 00:58:15,780
that I'm doing with James Fox you know

1410
00:58:22,040 --> 00:58:18,780
we have a photo of a guy from Australia

1411
00:58:23,870 --> 00:58:22,050
that has it's the first it's a perfect

1412
00:58:26,390 --> 00:58:23,880
image of a UFO that he shot with a

1413
00:58:28,280 --> 00:58:26,400

Polaroid camera you know 50 years ago

1414

00:58:32,329 --> 00:58:28,290

you know and it's part of the case

1415

00:58:36,410 --> 00:58:32,339

that's in the film and what's not in

1416

00:58:38,180 --> 00:58:36,420

that film is that this guy says I don't

1417

00:58:40,250 --> 00:58:38,190

want anything to do with this phenomenon

1418

00:58:41,750 --> 00:58:40,260

and it's not because of the prejudice or

1419

00:58:44,390 --> 00:58:41,760

because people came after me or anything

1420

00:58:46,790 --> 00:58:44,400

like that it's because after I took this

1421

00:58:48,829 --> 00:58:46,800

photo all I did was take a photo all of

1422

00:58:50,270 --> 00:58:48,839

this weird stuff started happening you

1423

00:58:52,430 --> 00:58:50,280

know there was all of this PK stuff

1424

00:58:54,829 --> 00:58:52,440

flying across the room there was he said

1425

00:58:56,359 --> 00:58:54,839

he said that in the in the middle of the

1426
00:58:58,520 --> 00:58:56,369
night he got a bang on his door and he

1427
00:59:01,490 --> 00:58:58,530
opens the door and there's a little

1428
00:59:03,530 --> 00:59:01,500
person like a like a dwarf dressed in

1429
00:59:05,780 --> 00:59:03,540
Edwardian outfit and he's and he's

1430
00:59:07,400 --> 00:59:05,790
berating them and berating the guy in

1431
00:59:08,930 --> 00:59:07,410
some weird accent he turns around and

1432
00:59:11,120 --> 00:59:08,940
takes a few steps and then disappears

1433
00:59:13,990 --> 00:59:11,130
right in front of his eyes you know it's

1434
00:59:17,089 --> 00:59:14,000
like completely non-scientific weird

1435
00:59:18,800 --> 00:59:17,099
crazy stuff you know and and you hear

1436
00:59:20,599 --> 00:59:18,810
this kind of stuff a lot from people who

1437
00:59:22,880 --> 00:59:20,609
experience these kinds of things and

1438
00:59:25,339 --> 00:59:22,890

it's never talked about because it's so

1439

00:59:28,540 --> 00:59:25,349

weird and so crazy that it's just not

1440

00:59:31,259 --> 00:59:28,550

dealt with but what it suggests is that

1441

00:59:33,929 --> 00:59:31,269

in general we're dealing

1442

00:59:36,359 --> 00:59:33,939

with almost like cracks in the fabric of

1443

00:59:38,819 --> 00:59:36,369

reality you know and and if we're gonna

1444

00:59:41,399 --> 00:59:38,829

accept that then we have to accept our

1445

00:59:43,469 --> 00:59:41,409

own role in reality you know and and the

1446

00:59:44,969 --> 00:59:43,479

fact that that we're probably a lot more

1447

00:59:47,479 --> 00:59:44,979

than what we give ourselves credit for

1448

00:59:50,279 --> 00:59:47,489

or a lot less in this physical

1449

00:59:52,679 --> 00:59:50,289

manifestation and a lot more in our

1450

00:59:55,039 --> 00:59:52,689

entire spiritual being which may be

1451

00:59:57,659 --> 00:59:55,049

partially here it may be partially

1452

00:59:59,159 --> 00:59:57,669

residing in some other realm that we

1453

01:00:01,019 --> 00:59:59,169

don't understand well that's that's

1454

01:00:03,679 --> 01:00:01,029

almost a given that's almost a given

1455

01:00:07,679 --> 01:00:03,689

because it's the only way that you can

1456

01:00:10,169 --> 01:00:07,689

see what's happening on you know the

1457

01:00:11,669 --> 01:00:10,179

rings of Jupiter you know like what like

1458

01:00:13,589 --> 01:00:11,679

Ingo Swann did he predicted there was

1459

01:00:14,880 --> 01:00:13,599

going to be ice rings around Jupiter

1460

01:00:16,589 --> 01:00:14,890

when everybody thought that he was crazy

1461

01:00:18,449 --> 01:00:16,599

and talking about Saturn it was a few

1462

01:00:20,489 --> 01:00:18,459

months before pioneers you know the

1463

01:00:22,289 --> 01:00:20,499

first probe got there the only way you

1464

01:00:24,149 --> 01:00:22,299

could know something like that that no

1465

01:00:27,329 --> 01:00:24,159

other human being on the planet actually

1466

01:00:29,370 --> 01:00:27,339

knows is is if somehow that information

1467

01:00:31,799 --> 01:00:29,380

is already in your head or you you have

1468

01:00:33,749 --> 01:00:31,809

access to all information you know this

1469

01:00:35,729 --> 01:00:33,759

is like what up what Edgar Cayce would

1470

01:00:39,629 --> 01:00:35,739

call the Akashic record right you know

1471

01:00:41,669 --> 01:00:39,639

so the the thing about that is that it

1472

01:00:43,799 --> 01:00:41,679

suggests that our consciousness is

1473

01:00:45,689 --> 01:00:43,809

non-local it doesn't just exist within

1474

01:00:47,639 --> 01:00:45,699

our brains you know and this isn't a

1475

01:00:49,439 --> 01:00:47,649

woowoo concept it's not a you know a

1476

01:00:51,479 --> 01:00:49,449

religious concept or spiritual concept

1477

01:00:53,309 --> 01:00:51,489

it's just what's being born out in in

1478

01:00:54,959 --> 01:00:53,319

you know experiments that have been done

1479

01:00:57,749 --> 01:00:54,969

you know is that there's no way that

1480

01:00:59,370 --> 01:00:57,759

this could have been known unless it was

1481

01:01:00,989 --> 01:00:59,380

non-local information that we are

1482

01:01:04,859 --> 01:01:00,999

picking up from some other part of

1483

01:01:07,199 --> 01:01:04,869

ourselves it's not existing in here you

1484

01:01:12,059 --> 01:01:07,209

know I had a chance to interview Kevin

1485

01:01:13,949 --> 01:01:12,069

day who was the top gun operator of the

1486

01:01:16,339 --> 01:01:13,959

naval fleet oh right

1487

01:01:20,099 --> 01:01:16,349

Tikrit sightings actually happened and

1488

01:01:22,889 --> 01:01:20,109

he tells an exact account of what you're

1489

01:01:25,589 --> 01:01:22,899

talking about in terms of these LA Davis

1490

01:01:27,929 --> 01:01:25,599

effects from Jean fillet and Davis wrote

1491

01:01:30,479 --> 01:01:27,939

a paper on it you know when you say the

1492

01:01:33,449 --> 01:01:30,489

edwardian little person that shows up at

1493

01:01:38,939 --> 01:01:33,459

the door that's Kevin's story is not

1494

01:01:42,779 --> 01:01:38,949

that but it's he's tracking these UFOs

1495

01:01:44,460 --> 01:01:42,789

and he's tracking them for days which is

1496

01:01:46,559 --> 01:01:44,470

kind of an interesting part of the story

1497

01:01:48,990 --> 01:01:46,569

because why would you be tracking these

1498

01:01:51,809 --> 01:01:49,000

things for four or five days that are

1499

01:01:53,579 --> 01:01:51,819

following you flying at 28,000 feet and

1500

01:01:56,130 --> 01:01:53,589

you wouldn't report this to your

1501

01:01:58,740 --> 01:01:56,140

superiors again there's some level of

1502

01:02:01,890 --> 01:01:58,750

mind control going on here that we don't

1503

01:02:04,140 --> 01:02:01,900

totally understand but put that side of

1504

01:02:06,720 --> 01:02:04,150

the story away for a minute he's

1505

01:02:09,540 --> 01:02:06,730

tracking them they finally send up

1506

01:02:12,930 --> 01:02:09,550

Faber and these other fighter pilots to

1507

01:02:16,170 --> 01:02:12,940

go check out the UFOs at the same time

1508

01:02:19,290 --> 01:02:16,180

Kevin says he walks up on the deck and

1509

01:02:23,099 --> 01:02:19,300

takes the glasses out and looks at the

1510

01:02:26,849 --> 01:02:23,109

UFOs and exactly to your point at that

1511

01:02:29,490 --> 01:02:26,859

moment something shifts in him and he

1512

01:02:32,520 --> 01:02:29,500

comes home he gets off the boat in San

1513

01:02:34,980 --> 01:02:32,530

Diego and he does his stuff but he winds

1514

01:02:38,599 --> 01:02:34,990

up retiring from the Navy after 20 years

1515

01:02:41,910 --> 01:02:38,609

and going through just all these strange

1516

01:02:43,680 --> 01:02:41,920

synchronicities extended consciousness

1517

01:02:45,809 --> 01:02:43,690

kind of things and he's really

1518

01:02:48,720 --> 01:02:45,819

struggling too in the same way that if

1519

01:02:50,970 --> 01:02:48,730

you study near-death experiencers they

1520

01:02:53,520 --> 01:02:50,980

come back and it's not just all love in

1521

01:02:55,559 --> 01:02:53,530

life it's a lot of depression struggling

1522

01:02:58,140 --> 01:02:55,569

reintegration in with this

1523

01:03:02,430 --> 01:02:58,150

what are these powers and abilities I

1524

01:03:04,589 --> 01:03:02,440

now have so it's it's interesting that

1525

01:03:07,260 --> 01:03:04,599

that happened to Kevin day as part of

1526

01:03:09,780 --> 01:03:07,270

the tic-tacs sighting but it's also

1527

01:03:13,620 --> 01:03:09,790

interesting that the guys we're talking

1528

01:03:14,910 --> 01:03:13,630

about who are the operational guys the

1529

01:03:17,809 --> 01:03:14,920

guys who are rolling out this

1530

01:03:20,670 --> 01:03:17,819

information and who are spinning it as

1531

01:03:23,700 --> 01:03:20,680

Department of Defense has to protect us

1532

01:03:25,680 --> 01:03:23,710

because these UFOs could be dangerous

1533

01:03:27,500 --> 01:03:25,690

and that's clearly the narrative that's

1534

01:03:31,050 --> 01:03:27,510

come out from that round of disclosure

1535

01:03:34,170 --> 01:03:31,060

they know Kevin's story they know about

1536

01:03:36,480 --> 01:03:34,180

this terror in the extended reality that

1537

01:03:38,640 --> 01:03:36,490

you're talking about and they also know

1538

01:03:43,020 --> 01:03:38,650

as your film points out and concludes

1539

01:03:46,140 --> 01:03:43,030

with Edgar Mitchell who says hey doesn't

1540

01:03:49,170 --> 01:03:46,150

this really transcend these little

1541

01:03:51,690 --> 01:03:49,180

warring factions that we have on this

1542

01:03:54,599 --> 01:03:51,700

planet and doesn't it suggest that we're

1543

01:03:58,230 --> 01:03:54,609

all much more deeply connected and have

1544

01:04:01,440 --> 01:03:58,240

a much deeper purpose so there is that

1545

01:04:03,540 --> 01:04:01,450

tension that is unresolved and is left

1546

01:04:06,329 --> 01:04:03,550

unresolved at the end of third eye spies

1547

01:04:10,800 --> 01:04:06,339

in terms of these guys they understand

1548

01:04:13,050 --> 01:04:10,810

that there is more yes yeah they do and

1549

01:04:14,430 --> 01:04:13,060

and and I mean I think that anybody that

1550

01:04:16,829 --> 01:04:14,440

studies this stuff there's there's

1551

01:04:18,540 --> 01:04:16,839

basically two types of people there's

1552

01:04:20,640 --> 01:04:18,550

there's people who have looked at the

1553

01:04:22,470 --> 01:04:20,650

data and then there's people who have

1554

01:04:24,359 --> 01:04:22,480

not looked at the data you know because

1555

01:04:27,089 --> 01:04:24,369

if you actually looked at the hundred

1556

01:04:29,849 --> 01:04:27,099

years or more of data in terms of

1557

01:04:31,770 --> 01:04:29,859

psychic functioning you're not going to

1558

01:04:33,240 --> 01:04:31,780

question whether or not it's real or not

1559

01:04:35,430 --> 01:04:33,250

you know you're gonna question what the

1560

01:04:37,109 --> 01:04:35,440

mechanism is you're gonna question you

1561

01:04:39,660 --> 01:04:37,119

know how it works but you can't question

1562

01:04:41,250 --> 01:04:39,670

whether or not it's real you know once

1563

01:04:43,500 --> 01:04:41,260

you've been exposed to it especially

1564

01:04:46,349 --> 01:04:43,510

firsthand you know there is a there

1565

01:04:48,300 --> 01:04:46,359

there and it's up to science to figure

1566

01:04:51,680 --> 01:04:48,310

out what that there is you know and how

1567

01:04:54,599 --> 01:04:51,690

it works and and and and move into that

1568

01:04:56,099 --> 01:04:54,609

and I think that when you're exposed to

1569

01:05:00,660 --> 01:04:56,109

something that is outside of your

1570

01:05:03,150 --> 01:05:00,670

paradigm it it's like it creates a crack

1571

01:05:05,910 --> 01:05:03,160

in your own consciousness that allows

1572

01:05:07,410 --> 01:05:05,920

more in and that can be very crazy

1573

01:05:08,520 --> 01:05:07,420

making you know it's like I don't

1574

01:05:10,700 --> 01:05:08,530

recommend somebody take up

1575

01:05:14,089 --> 01:05:10,710

remote-viewing without some sort of a

1576

01:05:16,020 --> 01:05:14,099

discipline and you know oversight and

1577

01:05:18,420 --> 01:05:16,030

you know you don't just want to do

1578

01:05:20,250 --> 01:05:18,430

something haphazardly because it that

1579

01:05:21,870 --> 01:05:20,260

you can't take away somebody's worldview

1580

01:05:23,490 --> 01:05:21,880

without giving them another one you know

1581

01:05:24,870 --> 01:05:23,500

that's that's in one of gentleman

1582

01:05:27,450 --> 01:05:24,880

monocles books actually which I really

1583

01:05:28,470 --> 01:05:27,460

love that statement because you know

1584

01:05:30,589 --> 01:05:28,480

you're because you're gonna fill those

1585

01:05:33,780 --> 01:05:30,599

gaps with a bunch of misinformation and

1586

01:05:35,820 --> 01:05:33,790

wrong stuff that it's just crazy making

1587

01:05:38,940 --> 01:05:35,830

you know and in reality it's just part

1588

01:05:39,900 --> 01:05:38,950

of who we are as human beings but you

1589

01:05:42,300 --> 01:05:39,910

know you said something really

1590

01:05:44,820 --> 01:05:42,310

interesting which is that Kevin day for

1591

01:05:47,250 --> 01:05:44,830

three days did not even report the the

1592

01:05:48,599 --> 01:05:47,260

radar sign I knew he had seen it for

1593

01:05:51,180 --> 01:05:48,609

four days I didn't know he didn't report

1594

01:05:54,089 --> 01:05:51,190

it for three days but this is a very

1595

01:05:55,200 --> 01:05:54,099

common occurrence and it's not I don't

1596

01:05:57,420 --> 01:05:55,210

think it's some sort of like mind

1597

01:05:59,490 --> 01:05:57,430

control from an ete I think it's simply

1598

01:06:02,070 --> 01:05:59,500

that when something is so far outside of

1599

01:06:04,920 --> 01:06:02,080

your paradigm that you find ways to

1600

01:06:07,440 --> 01:06:04,930

rationalize and and again and again and

1601
01:06:10,380 --> 01:06:07,450
again we have to be reminded of sort of

1602
01:06:12,690 --> 01:06:10,390
the more mysterious and and a

1603
01:06:15,509 --> 01:06:12,700
known in magical parts of life hey

1604
01:06:18,390 --> 01:06:15,519
that's all good I love all that and

1605
01:06:21,150 --> 01:06:18,400
that's right out of the positive vibe of

1606
01:06:23,940 --> 01:06:21,160
the movie and Russell Targ thing but it

1607
01:06:26,279 --> 01:06:23,950
just ain't that simple okay well guy

1608
01:06:28,259 --> 01:06:26,289
who's been on this show I really respect

1609
01:06:30,359 --> 01:06:28,269
guy named ray Hernandez who's done the

1610
01:06:33,180 --> 01:06:30,369
first comprehensive survey of contact

1611
01:06:37,019 --> 01:06:33,190
experiences and again

1612
01:06:39,329 --> 01:06:37,029
Rudy shields from Harvard collaborated

1613
01:06:41,430 --> 01:06:39,339

on the work it's real research but Ray's

1614

01:06:44,069 --> 01:06:41,440

personal story and it's a story you'll

1615

01:06:46,980 --> 01:06:44,079

hear repeated over and over by people

1616

01:06:50,460 --> 01:06:46,990

have had contact experience is direct

1617

01:06:53,519 --> 01:06:50,470

mind control by ET so ray is walking

1618

01:06:57,329 --> 01:06:53,529

down the stairs why while witnessing his

1619

01:07:00,000 --> 01:06:57,339

wife walking into an orb of light that

1620

01:07:02,579 --> 01:07:00,010

later does this miraculous healing on

1621

01:07:06,420 --> 01:07:02,589

their dog which is a long story I won't

1622

01:07:10,349 --> 01:07:06,430

get into here but Ray remembers walking

1623

01:07:13,200 --> 01:07:10,359

down the stairs and then having not a

1624

01:07:16,920 --> 01:07:13,210

voice but an understanding in his head

1625

01:07:18,599 --> 01:07:16,930

oh this is a bunch of baloney go back

1626

01:07:21,420 --> 01:07:18,609

upstairs and go to sleep

1627

01:07:24,299 --> 01:07:21,430

and he turns around and he goes back

1628

01:07:27,299 --> 01:07:24,309

upstairs and he goes to sleep now that

1629

01:07:29,549 --> 01:07:27,309

defies all logic right there's this

1630

01:07:32,009 --> 01:07:29,559

tremendous commotion downstairs there's

1631

01:07:33,480 --> 01:07:32,019

this huge strobe of light you're worried

1632

01:07:35,519 --> 01:07:33,490

about you know all sorts of different

1633

01:07:38,670 --> 01:07:35,529

things you walk down the stairs and then

1634

01:07:42,930 --> 01:07:38,680

oh no there's you just hear that over

1635

01:07:46,049 --> 01:07:42,940

and over again which again this is the

1636

01:07:48,029 --> 01:07:46,059

tension between the expanded

1637

01:07:52,529 --> 01:07:48,039

consciousness is great and we're all

1638

01:07:55,470 --> 01:07:52,539

going to be as one and that there is

1639

01:08:00,289 --> 01:07:55,480

some technology to consciousness that

1640

01:08:02,789 --> 01:08:00,299

other people and/or beings and or

1641

01:08:05,539 --> 01:08:02,799

advanced human intelligence have

1642

01:08:09,240 --> 01:08:05,549

mastered in a way that we haven't and

1643

01:08:12,599 --> 01:08:09,250

even that is kind of hinted at in your

1644

01:08:14,759 --> 01:08:12,609

movie with Jen Green who is really far

1645

01:08:17,249 --> 01:08:14,769

from a villain so I don't want to keep

1646

01:08:18,990 --> 01:08:17,259

spinning him as that as he says hey one

1647

01:08:20,610 --> 01:08:19,000

of the things that bugged me is we

1648

01:08:23,320 --> 01:08:20,620

didn't just try and find that the best

1649

01:08:24,910 --> 01:08:23,330

freakin people at doing this

1650

01:08:26,980 --> 01:08:24,920

and rather than six Oh Russell's out

1651

01:08:29,800 --> 01:08:26,990

there saying no this is a gift to

1652

01:08:32,320 --> 01:08:29,810

humanity and being psychic means that

1653

01:08:34,660 --> 01:08:32,330

we're all connected in cricket greens

1654

01:08:36,850 --> 01:08:34,670

like yada yada yada I want to find the

1655

01:08:39,340 --> 01:08:36,860

guy who's the best on the earth at doing

1656

01:08:44,920 --> 01:08:39,350

this so that I can operationalize it

1657

01:08:47,290 --> 01:08:44,930

protect and weaponize so neither one has

1658

01:08:49,720 --> 01:08:47,300

mutually exclusive neither neither point

1659

01:08:53,020 --> 01:08:49,730

of view is is is mutually exclusive I

1660

01:08:54,790 --> 01:08:53,030

mean are there things that are out there

1661

01:08:56,290 --> 01:08:54,800

that we don't understand I mean I don't

1662

01:08:59,460 --> 01:08:56,300

claim to know everything you know and

1663

01:09:01,540 --> 01:08:59,470

and are there experiencers of

1664

01:09:04,630 --> 01:09:01,550

extraterrestrial stuff that have had

1665

01:09:05,680 --> 01:09:04,640

really you know valid stories about

1666

01:09:07,000 --> 01:09:05,690

stuff just like what you're talking

1667

01:09:08,740 --> 01:09:07,010

about absolutely I don't just count

1668

01:09:10,480 --> 01:09:08,750

anything because I don't know well

1669

01:09:13,030 --> 01:09:10,490

they're in your movie right I mean Joe

1670

01:09:15,850 --> 01:09:13,040

joe says he experienced that in English

1671

01:09:17,440 --> 01:09:15,860

once as they beg sure sure sure sure the

1672

01:09:19,510 --> 01:09:17,450

movie has to draw a point and it can't

1673

01:09:21,520 --> 01:09:19,520

talk about everything when that stuff

1674

01:09:24,070 --> 01:09:21,530

does send things in a whole other

1675

01:09:26,350 --> 01:09:24,080

direction because they're viewing Mars a

1676

01:09:28,120 --> 01:09:26,360

million years ago and saying there's a

1677

01:09:30,610 --> 01:09:28,130

war on Mars and there's these giant

1678

01:09:32,260 --> 01:09:30,620

beings that are ETS and they're building

1679

01:09:35,530 --> 01:09:32,270

all these structures and then you have

1680

01:09:37,570 --> 01:09:35,540

people in your movie who say if Ingo

1681

01:09:40,090 --> 01:09:37,580

said it's true because Ingo never made

1682

01:09:41,770 --> 01:09:40,100

anything up and Ingo said that and so

1683

01:09:44,440 --> 01:09:41,780

don't know so what do you do with that

1684

01:09:48,550 --> 01:09:44,450

well first of all you know remote

1685

01:09:51,460 --> 01:09:48,560

viewing is always looking at potentials

1686

01:09:52,840 --> 01:09:51,470

it's an imaginal skill you know and and

1687

01:09:54,460 --> 01:09:52,850

a lot of times like for instance and in

1688

01:09:56,110 --> 01:09:54,470

goes book penetration you know he talks

1689

01:09:58,960 --> 01:09:56,120

about seeing stuff on the far side of

1690

01:10:01,660 --> 01:09:58,970

the Moon noticing a present know the

1691

01:10:03,370 --> 01:10:01,670

presence noticing him you know and and

1692

01:10:05,380 --> 01:10:03,380

and then and then looking there again

1693

01:10:08,860 --> 01:10:05,390

and seeing nothing there you know so

1694

01:10:10,810 --> 01:10:08,870

it's it's it's a you know like I said

1695

01:10:15,130 --> 01:10:10,820

reality is a lot more complicated than

1696

01:10:17,080 --> 01:10:15,140

we give it credit for and and it's but

1697

01:10:20,440 --> 01:10:17,090

the bottom line questions all of this

1698

01:10:25,090 --> 01:10:20,450

becomes very simply I think as Einstein

1699

01:10:27,000 --> 01:10:25,100

said do we live in a in a universe where

1700

01:10:29,950 --> 01:10:27,010

we're victims where where there is

1701

01:10:31,360 --> 01:10:29,960

basically no hope for us or do we live

1702

01:10:33,280 --> 01:10:31,370

in a universe that's basically rooting

1703

01:10:35,460 --> 01:10:33,290

for us I'm paraphrasing but you know the

1704

01:10:37,060 --> 01:10:35,470

do we do we live in a potentially

1705

01:10:40,960 --> 01:10:37,070

expansive universe that

1706

01:10:42,100 --> 01:10:40,970

have some control over and you know I

1707

01:10:44,050 --> 01:10:42,110

think that's really one of the

1708

01:10:45,640 --> 01:10:44,060

fundamental questions of humanity is

1709

01:10:47,620 --> 01:10:45,650

like you know like what is our place in

1710

01:10:50,950 --> 01:10:47,630

this universe like you know like and I

1711

01:10:54,070 --> 01:10:50,960

think that if we're figuring it out now

1712

01:10:55,450 --> 01:10:54,080

and there are other cultures out there

1713

01:10:57,820 --> 01:10:55,460

then they may have already figured it

1714

01:10:59,710 --> 01:10:57,830

out and and there may be cultures with

1715

01:11:01,960 --> 01:10:59,720

different agendas we don't know you know

1716

01:11:04,360 --> 01:11:01,970

so you know who knows here's another

1717

01:11:07,840 --> 01:11:04,370

fundamental question that we could kind

1718

01:11:11,440 --> 01:11:07,850

of dig into as we move towards wrapping

1719

01:11:14,260 --> 01:11:11,450

this thing up if there is this extended

1720

01:11:18,370 --> 01:11:14,270

consciousness realm and if there are

1721

01:11:21,840 --> 01:11:18,380

beings that have more power than we do

1722

01:11:24,370 --> 01:11:21,850

should we seek to marshal their forces

1723

01:11:28,030 --> 01:11:24,380

because that is what's at play here

1724

01:11:29,620 --> 01:11:28,040

should I do the magic thing that's part

1725

01:11:32,590 --> 01:11:29,630

of the shamanistic thing that you

1726

01:11:35,200 --> 01:11:32,600

mentioned in Siberia but it's also part

1727

01:11:37,360 --> 01:11:35,210

of the et contact thing it's kind of

1728

01:11:40,180 --> 01:11:37,370

hard weeks are there space brothers out

1729

01:11:43,150 --> 01:11:40,190

there or are there kind of the evil

1730

01:11:45,700 --> 01:11:43,160

alien reptilians out there and do we

1731

01:11:49,630 --> 01:11:45,710

want to somehow contact them and get

1732

01:11:52,060 --> 01:11:49,640

them to help us in this world or are we

1733

01:11:55,480 --> 01:11:52,070

should we not even play that game and

1734

01:11:57,040 --> 01:11:55,490

transcend I think it's undeniable when

1735

01:12:00,880 --> 01:11:57,050

we look at the fact that people are

1736

01:12:04,510 --> 01:12:00,890

practicing ritualistic practices in

1737

01:12:06,910 --> 01:12:04,520

order to marshal forces in this extended

1738

01:12:09,790 --> 01:12:06,920

consciousness realm that just can't be

1739

01:12:14,380 --> 01:12:09,800

disputed it also can't be disputed that

1740

01:12:17,380 --> 01:12:14,390

the MKULTRA program was not unwilling to

1741

01:12:20,740 --> 01:12:17,390

try and marshal those same forces and

1742

01:12:22,870 --> 01:12:20,750

it's also clear that in some cases that

1743

01:12:25,120 --> 01:12:22,880

they've done they've done that and that

1744

01:12:29,470 --> 01:12:25,130

intelligence agencies around the world

1745

01:12:33,460 --> 01:12:29,480

including Britain and Aleister Crowley

1746

01:12:35,560 --> 01:12:33,470

and Parsons on our side have have looked

1747

01:12:39,360 --> 01:12:35,570

into that for the longest time as well

1748

01:12:43,090 --> 01:12:39,370

so what about that what about using

1749

01:12:47,530 --> 01:12:43,100

those forces for good or for evil

1750

01:12:48,580 --> 01:12:47,540

well it'll sound really philosophical

1751

01:12:51,129 --> 01:12:48,590

but I think that whatever

1752

01:12:54,550 --> 01:12:51,139

you look for you'll probably find you

1753

01:12:57,220 --> 01:12:54,560

know I think that I think that the only

1754

01:13:00,729 --> 01:12:57,230

issue with that is that in a sense if

1755

01:13:03,580 --> 01:13:00,739

you're looking to do harm you're really

1756

01:13:05,320 --> 01:13:03,590

harming yourself you know and and it's

1757

01:13:07,300 --> 01:13:05,330

like when you really start to kind of

1758

01:13:10,060 --> 01:13:07,310

like understand where all of this kind

1759

01:13:12,370 --> 01:13:10,070

of leads you philosophically I am

1760

01:13:14,290 --> 01:13:12,380

inextricably linked to you you know

1761

01:13:19,030 --> 01:13:14,300

everybody else is inextricably linked to

1762

01:13:21,970 --> 01:13:19,040

me so when I start like you know trying

1763

01:13:24,160 --> 01:13:21,980

to use my magical powers to harm someone

1764

01:13:26,080 --> 01:13:24,170

in effect what I'm doing is I'm harming

1765

01:13:28,060 --> 01:13:26,090

myself and usually that'll just bounce

1766

01:13:29,919 --> 01:13:28,070

right back at you right I mean you know

1767

01:13:31,930 --> 01:13:29,929

didn't work out too well for Hitler you

1768

01:13:33,430 --> 01:13:31,940

know didn't work out too well for you

1769

01:13:35,740 --> 01:13:33,440

know everybody else that seems to have

1770

01:13:37,620 --> 01:13:35,750

tried that now can you use psychic

1771

01:13:40,750 --> 01:13:37,630

ability to create some sort of a

1772

01:13:45,070 --> 01:13:40,760

negative effect in someone or lead them

1773

01:13:47,680 --> 01:13:45,080

the wrong way or whatever I think that

1774

01:13:49,870 --> 01:13:47,690

that a coherent mind is probably the

1775

01:13:52,720 --> 01:13:49,880

most powerful thing on this planet you

1776

01:13:55,959 --> 01:13:52,730

know and and if you have a coherent mind

1777

01:13:57,760 --> 01:13:55,969

nothing can touch you you know it's what

1778

01:13:59,830 --> 01:13:57,770

you believe because all of this

1779

01:14:01,750 --> 01:13:59,840

basically you know now comes down to

1780

01:14:04,660 --> 01:14:01,760

belief systems and what do you believe

1781

01:14:08,290 --> 01:14:04,670

is going to work and in if you choose to

1782

01:14:09,879 --> 01:14:08,300

believe in really dark stuff then you

1783

01:14:11,919 --> 01:14:09,889

know okay well you best the world that

1784

01:14:14,140 --> 01:14:11,929

you're living in but I don't have to

1785

01:14:16,209 --> 01:14:14,150

share it with you are all ETS like this

1786

01:14:18,399 --> 01:14:16,219

benevolent thing that they're trying to

1787

01:14:20,950 --> 01:14:18,409

help us I don't know you know but it

1788

01:14:23,680 --> 01:14:20,960

would seem to me you know that just like

1789

01:14:26,080 --> 01:14:23,690

human beings have different agendas you

1790

01:14:27,399 --> 01:14:26,090

know probably somebody on some other

1791

01:14:29,500 --> 01:14:27,409

planet would have maybe competing

1792

01:14:30,820 --> 01:14:29,510

agendas as well you know again we just

1793

01:14:33,490 --> 01:14:30,830

like we can't think of government as

1794

01:14:36,070 --> 01:14:33,500

this one monolithic force we can't think

1795

01:14:38,770 --> 01:14:36,080

of this phenomenon that includes psychic

1796

01:14:41,770 --> 01:14:38,780

ability and et's and all these other

1797

01:14:43,600 --> 01:14:41,780

things as just one thing you know it's

1798

01:14:45,850 --> 01:14:43,610

it's maybe aspects of the same thing

1799

01:14:49,450 --> 01:14:45,860

aspects of consciousness in some way or

1800

01:14:50,830 --> 01:14:49,460

form but I think at the end of day this

1801
01:14:52,479 --> 01:14:50,840
is all going to come down to how

1802
01:14:55,000 --> 01:14:52,489
powerful do we realize that we are

1803
01:14:55,810 --> 01:14:55,010
ourselves you know and and that's really

1804
01:14:59,020 --> 01:14:55,820
what this is about

1805
01:15:02,350 --> 01:14:59,030
I don't disagree with you and I think

1806
01:15:05,940 --> 01:15:02,360
that's actually very deeply spiritual

1807
01:15:10,690 --> 01:15:05,950
I do think it's hard for people to

1808
01:15:13,600 --> 01:15:10,700
process that inside of one the country

1809
01:15:15,850 --> 01:15:13,610
that we live in for both we both live in

1810
01:15:19,060 --> 01:15:15,860
the United States of America we both

1811
01:15:22,570 --> 01:15:19,070
deal with the contradictions that we are

1812
01:15:25,450 --> 01:15:22,580
in terms of we do put ourselves out

1813
01:15:28,990 --> 01:15:25,460

there as being this beacon of Liberty

1814

01:15:31,120 --> 01:15:29,000

and truth and justice and yet we look at

1815

01:15:32,260 --> 01:15:31,130

our history we particularly look at our

1816

01:15:34,810 --> 01:15:32,270

history of some of the intelligence

1817

01:15:37,950 --> 01:15:34,820

agencies and we know that's not our

1818

01:15:40,210 --> 01:15:37,960

history and we know we've done the most

1819

01:15:41,980 --> 01:15:40,220

horrible things in our hemisphere we

1820

01:15:44,940 --> 01:15:41,990

just tried to overthrow every car that

1821

01:15:47,080 --> 01:15:44,950

we could with with coos we've

1822

01:15:50,140 --> 01:15:47,090

assassinated some of our own people

1823

01:15:53,470 --> 01:15:50,150

we've done Manchurian Candidate stuff we

1824

01:15:56,440 --> 01:15:53,480

fried cocaine in and mass doses and

1825

01:15:58,420 --> 01:15:56,450

we're at least turned a blind eye to the

1826
01:16:02,200 --> 01:15:58,430
cracker I mean you could go on and on

1827
01:16:07,270 --> 01:16:02,210
and on we're dealing with that we're

1828
01:16:11,680 --> 01:16:07,280
dealing with our complicity in being who

1829
01:16:14,710 --> 01:16:11,690
we are so again I Bravo I mean it's a

1830
01:16:17,350 --> 01:16:14,720
fantastic film and it generates for

1831
01:16:19,990 --> 01:16:17,360
anyone who's paying attention the film

1832
01:16:22,330 --> 01:16:20,000
brings those questions to the fore

1833
01:16:24,820 --> 01:16:22,340
because you pepper it with all these

1834
01:16:26,530 --> 01:16:24,830
little tidbits Lance like I was

1835
01:16:29,050 --> 01:16:26,540
mentioning about the guy who gets on the

1836
01:16:30,910 --> 01:16:29,060
elevator and says yeah yeah I know from

1837
01:16:32,980 --> 01:16:30,920
my most trusted sources that all this

1838
01:16:35,710 --> 01:16:32,990

work is still going on and you go what

1839

01:16:37,630 --> 01:16:35,720

yeah something that's debated over and

1840

01:16:39,220 --> 01:16:37,640

over again and on the internet and all

1841

01:16:41,920 --> 01:16:39,230

these channels and stuff like that so

1842

01:16:43,900 --> 01:16:41,930

it's a great film and the dialogue could

1843

01:16:47,470 --> 01:16:43,910

go on and has to go on but at least this

1844

01:16:48,940 --> 01:16:47,480

is a Kickstarter for it yeah and I and I

1845

01:16:52,540 --> 01:16:48,950

think the best that's just it it's like

1846

01:16:54,100 --> 01:16:52,550

you know if you if you can accept sort

1847

01:16:56,950 --> 01:16:54,110

of the reality of the work that's been

1848

01:16:58,780 --> 01:16:56,960

done then then it opens you up to at

1849

01:17:00,880 --> 01:16:58,790

least consider what's possible like

1850

01:17:02,950 --> 01:17:00,890

what's possible you know personally and

1851

01:17:04,480 --> 01:17:02,960

what's possible collectively and also

1852

01:17:06,520 --> 01:17:04,490

what's possible in terms of what your

1853

01:17:08,200 --> 01:17:06,530

government is doing or and or like I

1854

01:17:10,330 --> 01:17:08,210

said most likely it's not really the

1855

01:17:13,120 --> 01:17:10,340

government anymore it's most likely when

1856

01:17:14,890 --> 01:17:13,130

when you know he said that and he said

1857

01:17:16,180 --> 01:17:14,900

he said you know he'd be shocked and

1858

01:17:17,170 --> 01:17:16,190

people weren't still doing it

1859

01:17:18,670 --> 01:17:17,180

they're not doing it in government

1860

01:17:20,950 --> 01:17:18,680

they're not doing it with any oversight

1861

01:17:21,820 --> 01:17:20,960

anybody that has been publicly working

1862

01:17:24,700 --> 01:17:21,830

with the government

1863

01:17:26,980 --> 01:17:24,710

that's not still very much in the middle

1864

01:17:29,470 --> 01:17:26,990

of it is no longer involved like I don't

1865

01:17:32,740 --> 01:17:29,480

believe that that Joe mcmoneagle or any

1866

01:17:35,140 --> 01:17:32,750

of these other guys are still you know

1867

01:17:37,030 --> 01:17:35,150

on actively is that even a meaningful a

1868

01:17:38,950 --> 01:17:37,040

distinction as you just talked about

1869

01:17:42,700 --> 01:17:38,960

yesterday I mean these guys are masters

1870

01:17:45,340 --> 01:17:42,710

at all that stuff so they set up some

1871

01:17:47,020 --> 01:17:45,350

phony baloneys CIA cut out organization

1872

01:17:49,060 --> 01:17:47,030

that does it and yes passes the

1873

01:17:51,760 --> 01:17:49,070

information back I mean that's not an

1874

01:17:53,710 --> 01:17:51,770

important distinction but the obvious

1875

01:17:55,870 --> 01:17:53,720

point that I think comes through to you

1876

01:17:57,310 --> 01:17:55,880

why would you stop doing this right why

1877

01:17:59,290 --> 01:17:57,320

would you ever stop doing this you would

1878

01:18:01,690 --> 01:17:59,300

never stop doing this right it would be

1879

01:18:04,450 --> 01:18:01,700

irresponsible to stop doing this because

1880

01:18:07,720 --> 01:18:04,460

you can't trust that everyone else is

1881

01:18:09,490 --> 01:18:07,730

stopping doing it the Chinese this this

1882

01:18:13,330 --> 01:18:09,500

goes back to an earlier comment when we

1883

01:18:15,430 --> 01:18:13,340

were talking about the the way that the

1884

01:18:16,840 --> 01:18:15,440

thing has looked at the way this sort of

1885

01:18:18,310 --> 01:18:16,850

psychic ability has looked at today

1886

01:18:20,410 --> 01:18:18,320

compared to the way it was looked at in

1887

01:18:22,900 --> 01:18:20,420

the 80s in the 80s they didn't really

1888

01:18:24,340 --> 01:18:22,910

have their act totally together in terms

1889

01:18:25,030 --> 01:18:24,350

of like what they wanted to use this for

1890

01:18:27,730 --> 01:18:25,040

yet

1891

01:18:30,960 --> 01:18:27,740

now we're talking decades later and it's

1892

01:18:35,230 --> 01:18:30,970

a much more marginalized subject and

1893

01:18:37,870 --> 01:18:35,240

it's kept to the sort of fringes because

1894

01:18:39,850 --> 01:18:37,880

I believe that's convenient for people

1895

01:18:41,740 --> 01:18:39,860

who are actually using it to sort of to

1896

01:18:42,940 --> 01:18:41,750

say yeah we're not using this and we

1897

01:18:44,740 --> 01:18:42,950

fooled around with it and it was like

1898

01:18:47,080 --> 01:18:44,750

there was really nothing to it and and

1899

01:18:49,000 --> 01:18:47,090

in fact you know you probably find that

1900

01:18:52,120 --> 01:18:49,010

most modern governments are probably in

1901

01:18:53,740 --> 01:18:52,130

some way shape or form using things like

1902

01:18:55,060 --> 01:18:53,750

remote viewing and other kind of psychic

1903

01:18:57,240 --> 01:18:55,070

techniques I'm probably trying all kinds

1904

01:18:59,770 --> 01:18:57,250

of crazy things like just like you said

1905

01:19:02,710 --> 01:18:59,780

just to see what what sticks to the wall

1906

01:19:03,790 --> 01:19:02,720

and what works you know because we know

1907

01:19:05,170 --> 01:19:03,800

that there's something there and we

1908

01:19:06,550 --> 01:19:05,180

don't understand it and we don't

1909

01:19:08,830 --> 01:19:06,560

understand something we want to

1910

01:19:10,870 --> 01:19:08,840

understand it you know and so it that's

1911

01:19:14,020 --> 01:19:10,880

what it becomes about and especially if

1912

01:19:15,880 --> 01:19:14,030

it's useful you know and and so we don't

1913

01:19:18,100 --> 01:19:15,890

know how far down the rabbit hole this

1914

01:19:21,310 --> 01:19:18,110

goes and we can talk about that all day

1915

01:19:24,400 --> 01:19:21,320

long but for me the much more important

1916

01:19:26,260 --> 01:19:24,410

takeaway is what does it mean to you

1917

01:19:28,720 --> 01:19:26,270

what does it mean me you know like what

1918

01:19:29,920 --> 01:19:28,730

does it mean to human potential you know

1919

01:19:32,500 --> 01:19:29,930

like cuz that's that's really the

1920

01:19:34,780 --> 01:19:32,510

reason to talk about it you know it's

1921

01:19:36,580 --> 01:19:34,790

like if this stuff's been hidden since

1922

01:19:38,680 --> 01:19:36,590

the days of the guy on top of the Mayan

1923

01:19:42,030 --> 01:19:38,690

temple you know sacrificing victims or

1924

01:19:46,300 --> 01:19:42,040

you know as the guy on top of the Mayan

1925

01:19:49,030 --> 01:19:46,310

pyramid who's sacrificing human beings

1926

01:19:52,510 --> 01:19:49,040

and pulling their heart out he's playing

1927

01:19:55,990 --> 01:19:52,520

a different game than you and I want to

1928

01:19:59,440 --> 01:19:56,000

play he's not playing the be your

1929

01:20:02,230 --> 01:19:59,450

greatest self transcend all of this and

1930

01:20:07,030 --> 01:20:02,240

I think a lot of people struggle with

1931

01:20:11,500 --> 01:20:07,040

why would I not play the game of getting

1932

01:20:14,020 --> 01:20:11,510

what I want now in this life why I

1933

01:20:17,080 --> 01:20:14,030

wouldn't play that why I would say the

1934

01:20:19,630 --> 01:20:17,090

what you said the beautiful kind of

1935

01:20:22,660 --> 01:20:19,640

spiritual not duel you know to harm

1936

01:20:25,330 --> 01:20:22,670

myself is to harm everyone why would I

1937

01:20:27,190 --> 01:20:25,340

you know stab my left hand to get back

1938

01:20:29,290 --> 01:20:27,200

at my right hand you know kind of thing

1939

01:20:31,990 --> 01:20:29,300

we get that on one level but on the

1940

01:20:34,120 --> 01:20:32,000

other on the other hand we do look back

1941

01:20:35,470 --> 01:20:34,130

at that Mayan temple amigo no we get

1942

01:20:37,690 --> 01:20:35,480

that this shit's been going on forever

1943

01:20:39,910 --> 01:20:37,700

yeah but we've also get that people have

1944

01:20:41,680 --> 01:20:39,920

been doing stupid things forever I mean

1945

01:20:45,340 --> 01:20:41,690

and and it's like that you know you're

1946

01:20:48,040 --> 01:20:45,350

you're talking about you know fear is a

1947

01:20:50,020 --> 01:20:48,050

very very effective tool you know like

1948

01:20:53,950 --> 01:20:50,030

it's a very very effective tactic of

1949

01:20:56,020 --> 01:20:53,960

control you know and and it's also

1950

01:20:58,060 --> 01:20:56,030

you're talking about superstition and

1951

01:20:59,740 --> 01:20:58,070

and and when someone's what are we

1952

01:21:02,890 --> 01:20:59,750

talking about in terms of superstition I

1953

01:21:06,850 --> 01:21:02,900

mean so the Chinese roll into Tibet and

1954

01:21:09,520 --> 01:21:06,860

they pull the Tibetan monks out of there

1955

01:21:11,380 --> 01:21:09,530

out of their monasteries and they force

1956

01:21:14,200 --> 01:21:11,390

them to have sex in the street with

1957

01:21:16,960 --> 01:21:14,210

women and they do all this other Q mili

1958

01:21:18,880 --> 01:21:16,970

a ting Abu Ghraib kind of stuff mm-hmm

1959

01:21:20,590 --> 01:21:18,890

that's because that's what they're

1960

01:21:22,600 --> 01:21:20,600

saying they start we're fighting

1961

01:21:25,090 --> 01:21:22,610

superstition and we're all looking at a

1962

01:21:27,250 --> 01:21:25,100

go no that's not superstition they are

1963

01:21:30,400 --> 01:21:27,260

accessing and manipulating consciousness

1964

01:21:32,320 --> 01:21:30,410

in the highest most profound way so be

1965

01:21:34,840 --> 01:21:32,330

careful with what we call superstition I

1966

01:21:37,450 --> 01:21:34,850

don't think I don't think meditation and

1967

01:21:39,820 --> 01:21:37,460

and consciousness manipulation is

1968

01:21:41,830 --> 01:21:39,830

superstition no that's a good point and

1969

01:21:42,470 --> 01:21:41,840

and it's not it's not what I mean is

1970

01:21:44,870 --> 01:21:42,480

that

1971

01:21:47,810 --> 01:21:44,880

you can and I didn't finish my previous

1972

01:21:50,660 --> 01:21:47,820

point there are real effects that you

1973

01:21:52,670 --> 01:21:50,670

can find through consciousness and those

1974

01:21:55,160 --> 01:21:52,680

effects are not explainable so what that

1975

01:21:57,530 --> 01:21:55,170

leads to is a whole lot of ritual and a

1976

01:21:59,570 --> 01:21:57,540

lot of other BS that gets involved in

1977

01:22:02,300 --> 01:21:59,580

the way that probably has absolutely

1978

01:22:04,400 --> 01:22:02,310

nothing to do with the effect but that's

1979

01:22:06,230 --> 01:22:04,410

what superstition is I mean superstition

1980

01:22:09,110 --> 01:22:06,240

is okay I saw an effect that I don't

1981

01:22:10,880 --> 01:22:09,120

understand so now I'm going to go you

1982

01:22:12,770 --> 01:22:10,890

know get a lucky rabbit's foot and I'm

1983

01:22:14,270 --> 01:22:12,780

gonna kill a cat and I'm gonna you know

1984

01:22:15,470 --> 01:22:14,280

go do all these other crazy things to

1985

01:22:17,960 --> 01:22:15,480

try to make it happen again

1986

01:22:20,180 --> 01:22:17,970

and if you believe strongly enough that

1987

01:22:21,230 --> 01:22:20,190

you want that to happen maybe you'll

1988

01:22:22,490 --> 01:22:21,240

make it happen again but it's not

1989

01:22:23,840 --> 01:22:22,500

because you went and got the lucky

1990

01:22:26,270 --> 01:22:23,850

rabbit's foot or did any of these other

1991

01:22:28,430 --> 01:22:26,280

weird things you know it's just because

1992

01:22:30,320 --> 01:22:28,440

you build that into your belief system

1993

01:22:34,190 --> 01:22:30,330

and and and what we're really talking

1994

01:22:36,380 --> 01:22:34,200

about is the fact that human imagination

1995

01:22:38,540 --> 01:22:36,390

is a very powerful thing and it acts as

1996

01:22:40,610 --> 01:22:38,550

an enabler you know and and that's

1997

01:22:42,440 --> 01:22:40,620

really what we're talking about I get

1998

01:22:43,610 --> 01:22:42,450

you I get you but that's maybe not all

1999

01:22:44,960 --> 01:22:43,620

we're talking about

2000

01:22:46,880 --> 01:22:44,970

like I'm saying and that's the

2001

01:22:48,320 --> 01:22:46,890

intriguing thing about ET because I

2002

01:22:50,720 --> 01:22:48,330

could talk about spirits all day long

2003

01:22:52,520 --> 01:22:50,730

and people are just oh yeah superstition

2004

01:22:53,780 --> 01:22:52,530

bla bla bla but it's not we know it's

2005

01:22:55,220 --> 01:22:53,790

not because we know when you have a

2006

01:22:56,810 --> 01:22:55,230

near-death experience you're an

2007

01:22:58,700 --> 01:22:56,820

accounting spirits we know mediums are

2008

01:23:00,470 --> 01:22:58,710

encountering experience and we can test

2009

01:23:02,230 --> 01:23:00,480

medium scientifically in the lab and

2010

01:23:05,330 --> 01:23:02,240

that's real and we know we do

2011

01:23:07,250 --> 01:23:05,340

experiments with DMT like Rick Strassman

2012

01:23:09,890 --> 01:23:07,260

did and they're encountering spirits and

2013

01:23:11,420 --> 01:23:09,900

they're encountering eet so but let's

2014

01:23:13,550 --> 01:23:11,430

take spirits out of it because it throws

2015

01:23:16,190 --> 01:23:13,560

everyone the wrong way let's and I'll go

2016

01:23:17,600 --> 01:23:16,200

back to my story ET is manipulating

2017

01:23:19,820 --> 01:23:17,610

consciousness we have just too much

2018

01:23:21,470 --> 01:23:19,830

evidence of that to look otherwise and

2019

01:23:23,450 --> 01:23:21,480

we also know that the government like in

2020

01:23:25,310 --> 01:23:23,460

Wilbert Smith met oh they understood

2021

01:23:28,070 --> 01:23:25,320

that they're playing in that realm all

2022

01:23:29,510 --> 01:23:28,080

communication with ET is telepathic we

2023

01:23:31,430 --> 01:23:29,520

don't know how to do that may know how

2024

01:23:33,860 --> 01:23:31,440

to do that so great I don't think we can

2025

01:23:36,110 --> 01:23:33,870

immediately say all the superstitious

2026

01:23:37,940 --> 01:23:36,120

stuff is superstitious stuff

2027

01:23:41,000 --> 01:23:37,950

what if it's both what if it's our human

2028

01:23:44,300 --> 01:23:41,010

nature to add this layer of crazy

2029

01:23:46,940 --> 01:23:44,310

superstition stuff but there's also this

2030

01:23:49,460 --> 01:23:46,950

Hungry Ghost element to it this extended

2031

01:23:51,920 --> 01:23:49,470

consciousness manipulation element to it

2032

01:23:54,740 --> 01:23:51,930

that we don't understand yet well take

2033

01:23:57,170 --> 01:23:54,750

for example the octave remote viewer

2034

01:23:59,930 --> 01:23:57,180

looking at a target many

2035

01:24:01,670 --> 01:23:59,940

or or for instance a whole bunch of mass

2036

01:24:02,720 --> 01:24:01,680

consciousness looking at something at

2037

01:24:05,030 --> 01:24:02,730

the same time like the

2038

01:24:06,650 --> 01:24:05,040

superconsciousness bro or yeah global

2039

01:24:10,310 --> 01:24:06,660

consciousness project heart math all

2040

01:24:12,080 --> 01:24:10,320

that stuff well you know when when

2041

01:24:13,760 --> 01:24:12,090

there's a lot of attention place or a

2042

01:24:15,740 --> 01:24:13,770

lot of belief placed on something it

2043

01:24:18,230 --> 01:24:15,750

gives it power you know so so I

2044

01:24:20,720 --> 01:24:18,240

literally could walk into a ancient

2045

01:24:23,840 --> 01:24:20,730

Egyptian temple and in a fine with the

2046

01:24:25,640 --> 01:24:23,850

right psychic maybe pick up on on you

2047

01:24:27,320 --> 01:24:25,650

know some ancient deity that once

2048

01:24:29,600 --> 01:24:27,330

inhabited that temple am I really

2049

01:24:32,030 --> 01:24:29,610

picking up on that or am i picking up on

2050

01:24:34,910 --> 01:24:32,040

the belief system of the consciousness

2051
01:24:36,140 --> 01:24:34,920
that once highly believed that you know

2052
01:24:39,440 --> 01:24:36,150
like like that's that's the thing it's

2053
01:24:42,740 --> 01:24:39,450
like if I'm like like okay I recently

2054
01:24:44,180 --> 01:24:42,750
had a remote viewer call me and say if

2055
01:24:46,130 --> 01:24:44,190
you have any property on the east coast

2056
01:24:47,750 --> 01:24:46,140
you need to get out because there's

2057
01:24:48,950 --> 01:24:47,760
gonna be a huge tsunami wave and it's

2058
01:24:52,370 --> 01:24:48,960
coming to the East Coast it's good

2059
01:24:55,430 --> 01:24:52,380
sometime in this September of 2018 you

2060
01:24:58,370 --> 01:24:55,440
know and and and I got really upset and

2061
01:25:00,440 --> 01:24:58,380
I said I said this is [h__h] because

2062
01:25:01,910 --> 01:25:00,450
how many times have had remote viewers

2063
01:25:03,470 --> 01:25:01,920

made these kinds of predictions other

2064

01:25:05,570 --> 01:25:03,480

psychics other prophets other things

2065

01:25:07,310 --> 01:25:05,580

made these do-or-die predictions they

2066

01:25:09,290 --> 01:25:07,320

never happened the way that you think

2067

01:25:11,120 --> 01:25:09,300

it's gonna happen because no matter how

2068

01:25:13,460 --> 01:25:11,130

much do we and and by the way she said

2069

01:25:14,510 --> 01:25:13,470

oh but no there was like twelve remote

2070

01:25:15,920 --> 01:25:14,520

viewers and they were all really

2071

01:25:17,720 --> 01:25:15,930

well-known and they all came up with the

2072

01:25:20,980 --> 01:25:17,730

same thing it's gonna happen this time

2073

01:25:24,320 --> 01:25:20,990

you know and I said well first of all

2074

01:25:26,570 --> 01:25:24,330

you don't know if if that is gonna

2075

01:25:28,130 --> 01:25:26,580

happen or if somebody had a bad dream

2076

01:25:30,980 --> 01:25:28,140

that it was going to happen and then

2077

01:25:32,300 --> 01:25:30,990

they contaminated your sample and and

2078

01:25:33,830 --> 01:25:32,310

they put that into the remote viewing

2079

01:25:36,260 --> 01:25:33,840

and now everybody's seeing the same

2080

01:25:38,000 --> 01:25:36,270

thing and and even if you were seeing

2081

01:25:39,980 --> 01:25:38,010

even if you take something like tarot

2082

01:25:42,020 --> 01:25:39,990

cards and you look at tarot cards and

2083

01:25:44,000 --> 01:25:42,030

you're asking like gee is my is my

2084

01:25:46,040 --> 01:25:44,010

girlfriend gonna cheat on you and you

2085

01:25:48,650 --> 01:25:46,050

put all these tarot cards out and and

2086

01:25:50,240 --> 01:25:48,660

then the psychic says yes absolutely you

2087

01:25:51,530 --> 01:25:50,250

know and then and then you go home and

2088

01:25:53,480 --> 01:25:51,540

you break up with your girlfriend or you

2089

01:25:55,400 --> 01:25:53,490

cause her to cheat or or for that matter

2090

01:25:57,860 --> 01:25:55,410

even just the act of you looking at

2091

01:26:00,380 --> 01:25:57,870

those cards now you as the observer have

2092

01:26:02,330 --> 01:26:00,390

a vote in that and as to which timeline

2093

01:26:04,370 --> 01:26:02,340

you're gonna land on so so there's so

2094

01:26:06,560 --> 01:26:04,380

there's all of these different kind of

2095

01:26:08,750 --> 01:26:06,570

aspects to consciousness and it's

2096

01:26:10,370 --> 01:26:08,760

intangible it doesn't you know

2097

01:26:12,740 --> 01:26:10,380

really apply like when you look at any

2098

01:26:14,120 --> 01:26:12,750

tea are you really seeing any tea or are

2099

01:26:16,190 --> 01:26:14,130

you seeing something within a

2100

01:26:17,570 --> 01:26:16,200

holographic matrix that's pretending to

2101
01:26:18,229 --> 01:26:17,580
be an ETA are you just talking about

2102
01:26:20,900 --> 01:26:18,239
energy

2103
01:26:23,030 --> 01:26:20,910
no I we have and we have you no evidence

2104
01:26:24,800 --> 01:26:23,040
of that we have evidence of a eighth

2105
01:26:27,770 --> 01:26:24,810
word trickster but it's the common term

2106
01:26:30,290 --> 01:26:27,780
that everyone uses there's a deceptive

2107
01:26:32,690 --> 01:26:30,300
aspect to that spiritual realm that we

2108
01:26:35,000 --> 01:26:32,700
don't at all understand either right but

2109
01:26:36,710 --> 01:26:35,010
but it's like we we can have an

2110
01:26:38,630 --> 01:26:36,720
encounter with an extraterrestrial

2111
01:26:42,080 --> 01:26:38,640
there's tons and tons and tons of stuff

2112
01:26:46,220 --> 01:26:42,090
in the record of actual material things

2113
01:26:49,220 --> 01:26:46,230

that have been found actual material you

2114

01:26:51,050 --> 01:26:49,230

know landing sites photographs you know

2115

01:26:54,130 --> 01:26:51,060

scars like there's there's all of this

2116

01:26:56,870 --> 01:26:54,140

stuff that's real but but again are we

2117

01:26:58,330 --> 01:26:56,880

we can't say definitively what it is

2118

01:27:00,830 --> 01:26:58,340

because we don't know is it really

2119

01:27:02,630 --> 01:27:00,840

extraterrestrial we don't know because

2120

01:27:04,880 --> 01:27:02,640

we don't know you know so but we can

2121

01:27:06,290 --> 01:27:04,890

it's fun to talk about and and it's and

2122

01:27:08,840 --> 01:27:06,300

it's it's interesting and I would

2123

01:27:10,070 --> 01:27:08,850

probably posit to say that that if

2124

01:27:12,200 --> 01:27:10,080

you're actually going to believe in this

2125

01:27:14,140 --> 01:27:12,210

consensus reality we're in that it's a

2126
01:27:16,340 --> 01:27:14,150
huge universe and we would be pretty

2127
01:27:20,240 --> 01:27:16,350
dense to think that there's no other

2128
01:27:24,229 --> 01:27:20,250
life in it but but but I will say that

2129
01:27:27,290 --> 01:27:24,239
that even that is inextricably linked to

2130
01:27:30,620 --> 01:27:27,300
our observation of it you know and and

2131
01:27:32,360 --> 01:27:30,630
uh you know I've seen UFO summoner's you

2132
01:27:34,940 --> 01:27:32,370
can sit there and do a meditation and

2133
01:27:37,310 --> 01:27:34,950
create like lights in the sky and stuff

2134
01:27:38,690 --> 01:27:37,320
like that are they creating an actual et

2135
01:27:39,170 --> 01:27:38,700
encounter or are they doing something

2136
01:27:41,660 --> 01:27:39,180
else

2137
01:27:44,510 --> 01:27:41,670
you know we don't know more and more

2138
01:27:46,700 --> 01:27:44,520

weirdness so folks we've gotten way off

2139

01:27:49,729 --> 01:27:46,710

of the trail but maybe we haven't too

2140

01:27:53,840 --> 01:27:49,739

much if you haven't seen third eye spies

2141

01:27:56,840 --> 01:27:53,850

watch it if you saw it a while ago when

2142

01:27:58,880 --> 01:27:56,850

it first came out watch it again after

2143

01:28:02,000 --> 01:27:58,890

this interview and maybe after getting

2144

01:28:05,120 --> 01:28:02,010

to know Lance a little bit more and the

2145

01:28:06,770 --> 01:28:05,130

deeper spiritual journey that he's on

2146

01:28:09,370 --> 01:28:06,780

that you can tell from this interview

2147

01:28:11,990 --> 01:28:09,380

and see if you don't see those threads

2148

01:28:14,120 --> 01:28:12,000

coming out in the movie more and more

2149

01:28:16,100 --> 01:28:14,130

Lance you've been tremendously generous

2150

01:28:18,560 --> 01:28:16,110

and sharing your time with us tell us

2151

01:28:21,260 --> 01:28:18,570

what else is going on it we did talk a

2152

01:28:22,280 --> 01:28:21,270

little bit about some projects that are

2153

01:28:24,350 --> 01:28:22,290

just fast and

2154

01:28:27,590 --> 01:28:24,360

that you're working on what can you tell

2155

01:28:30,620 --> 01:28:27,600

us about what's coming up well we're

2156

01:28:31,430 --> 01:28:30,630

definitely going to be shopping a TV

2157

01:28:33,110 --> 01:28:31,440

series soon

2158

01:28:37,100 --> 01:28:33,120

you know like that'll be you know one of

2159

01:28:39,500 --> 01:28:37,110

the next things I'm working on and as I

2160

01:28:42,320 --> 01:28:39,510

as I mentioned I'm producing and editing

2161

01:28:43,970 --> 01:28:42,330

a documentary with James Fox that he's

2162

01:28:46,190 --> 01:28:43,980

been working on for about five years on

2163

01:28:50,300 --> 01:28:46,200

the UFO phenomenon which which really is

2164

01:28:51,860 --> 01:28:50,310

basically the Silver Bullet of the

2165

01:28:55,390 --> 01:28:51,870

entire history of the phenomenon

2166

01:28:57,830 --> 01:28:55,400

starting in 1947 to the current day and

2167

01:28:59,120 --> 01:28:57,840

that'll be coming out sometime in the

2168

01:29:00,530 --> 01:28:59,130

spring and it's actually getting at the

2169

01:29:03,530 --> 01:29:00,540

Asheville release it's gonna be one of

2170

01:29:05,150 --> 01:29:03,540

the first UFO documentaries ever to get

2171

01:29:10,550 --> 01:29:05,160

a theatrical release so that'll be fun

2172

01:29:12,530 --> 01:29:10,560

um and and you know a YouTube channel I

2173

01:29:14,810 --> 01:29:12,540

was gonna play that excellent trailer

2174

01:29:16,820 --> 01:29:14,820

you did because again it's gonna send

2175

01:29:20,330 --> 01:29:16,830

people or reveal to people a whole

2176

01:29:22,520 --> 01:29:20,340

different side of you that is interested

2177

01:29:24,710 --> 01:29:22,530

in this kind of deep spirituality are

2178

01:29:26,270 --> 01:29:24,720

you doing anything with that and what

2179

01:29:28,910 --> 01:29:26,280

are your interests along those lines

2180

01:29:30,830 --> 01:29:28,920

absolutely I mean I've actually I have

2181

01:29:32,600 --> 01:29:30,840

just started to build up my YouTube

2182

01:29:36,470 --> 01:29:32,610

channel again after several years and

2183

01:29:38,750 --> 01:29:36,480

and then I had to go off to you know

2184

01:29:43,160 --> 01:29:38,760

produce this documentary with James like

2185

01:29:44,600 --> 01:29:43,170

I had to kind of stop but I definitely

2186

01:29:48,860 --> 01:29:44,610

plan on building that and I definitely

2187

01:29:51,020 --> 01:29:48,870

plan on sort of making that a a really

2188

01:29:52,430 --> 01:29:51,030

interesting space to talk about human

2189

01:29:55,100 --> 01:29:52,440

consciousness and to talk a lot about

2190

01:29:57,890 --> 01:29:55,110

these different kinds of phenomenon that

2191

01:30:00,830 --> 01:29:57,900

we see from remote viewing to the UFO

2192

01:30:03,170 --> 01:30:00,840

subject to sort of spirituality to

2193

01:30:05,300 --> 01:30:03,180

cutting-edge science you know I have so

2194

01:30:07,150 --> 01:30:05,310

many friends who who are basically you

2195

01:30:09,350 --> 01:30:07,160

know just really on the cutting edge of

2196

01:30:11,570 --> 01:30:09,360

science that I would love to sort of

2197

01:30:13,430 --> 01:30:11,580

talk more about and you know get on

2198

01:30:15,740 --> 01:30:13,440

there so so yeah I definitely plan on

2199

01:30:18,890 --> 01:30:15,750

building that it's um the the channel is

2200

01:30:21,050 --> 01:30:18,900

called waking universe TV or you can

2201

01:30:24,200 --> 01:30:21,060

just search my name Lance munguia mu n

2202

01:30:26,390 --> 01:30:24,210

GI a as my last name and you'll find the

2203

01:30:28,760 --> 01:30:26,400

YouTube channel and I do plan on sort of

2204

01:30:30,740 --> 01:30:28,770

becoming much more regular with like the

2205

01:30:32,210 --> 01:30:30,750

videos that I post soon I'm trying to

2206

01:30:32,810 --> 01:30:32,220

just kind of getting settled settled in

2207

01:30:35,360 --> 01:30:32,820

here

2208

01:30:36,170 --> 01:30:35,370

well you you just look like a working

2209

01:30:37,490 --> 01:30:36,180

moviemaker

2210

01:30:40,610 --> 01:30:37,500

that's just awesome that's how you're

2211

01:30:43,310 --> 01:30:40,620

supposed to be well it's just terrific

2212

01:30:46,340 --> 01:30:43,320

having yon and again congratulations on

2213

01:30:49,280 --> 01:30:46,350

this work and certainly we'll be keeping

2214

01:30:53,810 --> 01:30:49,290

an eye out for anything else that comes

2215

01:30:55,130 --> 01:30:53,820

out of Lance monkeys little lab oh one

2216

01:30:57,050 --> 01:30:55,140

other thing I want to mention there's a

2217

01:30:59,720 --> 01:30:57,060

possibility that my first film six

2218

01:31:01,220 --> 01:30:59,730

string samurai may be coming back to

2219

01:31:03,620 --> 01:31:01,230

theaters believe it or not you know it's

2220

01:31:05,090 --> 01:31:03,630

like over 20 years old and has

2221

01:31:05,300 --> 01:31:05,100

absolutely nothing to do with any of

2222

01:31:06,920 --> 01:31:05,310

this

2223

01:31:08,720 --> 01:31:06,930

topic matter that we're talking about

2224

01:31:10,820 --> 01:31:08,730

but it's really kind of a fun kind of

2225

01:31:12,650 --> 01:31:10,830

cult movie you know visually interesting

2226

01:31:16,070 --> 01:31:12,660

kung fu film and there's been some

2227

01:31:17,900 --> 01:31:16,080

discussion about them releasing it so so

2228

01:31:20,750 --> 01:31:17,910

that'll be and that's an Amazon you said

2229

01:31:22,250 --> 01:31:20,760
