1  
00:00:04,490 --> 00:00:01,760  
I have an interview coming up with UFO

2  
00:00:08,900 --> 00:00:04,500  
researcher Richard Dolan here are some

3  
00:00:11,450 --> 00:00:08,910  
clips we met with the guy at the DoD but

4  
00:00:14,299 --> 00:00:11,460  
he's a whistleblower all the information

5  
00:00:16,849 --> 00:00:14,309  
he revealed well none of its classified

6  
00:00:19,760 --> 00:00:16,859  
her top secret the kid who took that

7  
00:00:21,859 --> 00:00:19,770  
innocently took a selfie I'm being

8  
00:00:24,859 --> 00:00:21,869  
inside the submarine he's in prison and

9  
00:00:26,570 --> 00:00:24,869  
this is the biggest thing ever happened

10  
00:00:29,029 --> 00:00:26,580  
15 days a year

11  
00:00:30,529 --> 00:00:29,039  
I wouldn't say that Elizondo necessarily

12  
00:00:33,470 --> 00:00:30,539  
classifies as a whistleblower I don't

13  
00:00:36,440 --> 00:00:33,480

know I mean he all of these people are

14

00:00:38,360 --> 00:00:36,450

self-serving so the folks at TTS a it's

15

00:00:40,100 --> 00:00:38,370

not like you know they're all angels and

16

00:00:42,650 --> 00:00:40,110

they have no other ulterior motives what

17

00:00:44,840 --> 00:00:42,660

they do all these guys who are the

18

00:00:47,270 --> 00:00:44,850

military that was their pledge are we at

19

00:00:50,209 --> 00:00:47,280

a different point where we've totally

20

00:00:51,770 --> 00:00:50,219

given up on the idea that we need to

21

00:00:54,290 --> 00:00:51,780

hold these people accountable is that

22

00:00:55,549 --> 00:00:54,300

just kind of out the window and good

23

00:00:57,410 --> 00:00:55,559

question where we are in a post

24

00:00:59,840 --> 00:00:57,420

constitutional phase I mean look we're

25

00:01:02,209 --> 00:00:59,850

in a an upside-down world where what I

26

00:01:03,830 --> 00:01:02,219

call this thing now legal illegalities

27

00:01:09,170 --> 00:01:03,840

that's really what it is it's like this

28

00:01:11,800 --> 00:01:09,180

legal framework to to protect what is

29

00:01:14,890 --> 00:01:11,810

fundamentally should be illegal in any

30

00:01:18,109 --> 00:01:14,900

democratic oriented society

31

00:01:22,550 --> 00:01:18,119

consciousness clearly is important in

32

00:01:26,780 --> 00:01:22,560

some fundamental way to this nature of

33

00:01:30,590 --> 00:01:26,790

our reality and secondly we have in an

34

00:01:32,569 --> 00:01:30,600

enormous hole in our general

35

00:01:34,340 --> 00:01:32,579

understanding of reality itself like

36

00:01:36,590 --> 00:01:34,350

there's things we don't get and so in

37

00:01:40,670 --> 00:01:36,600

that hole are things like UFOs

38

00:01:42,679 --> 00:01:40,680

in that hole are things like you know

39

00:01:45,530 --> 00:01:42,689

synchronicities and spirituality and

40

00:01:47,600 --> 00:01:45,540

maybe even like you know definitely like

41

00:01:50,149 --> 00:01:47,610

psychic phenomena psy phenomenon

42

00:01:52,780 --> 00:01:50,159

absolutely fit in there stay with us for

43

00:02:00,249 --> 00:01:52,790

skeptic Oh

44

00:02:09,859 --> 00:02:05,480

when it's all said and done the UFO /et

45

00:02:13,130 --> 00:02:09,869

thing is going to be understood as well

46

00:02:16,910 --> 00:02:13,140

one of the biggest things in our history

47

00:02:20,690 --> 00:02:16,920

I mean it is after all at the center of

48

00:02:23,900 --> 00:02:20,700

just about every question we can ask who

49

00:02:27,110 --> 00:02:23,910

are we why are we here and that makes it

50

00:02:29,930 --> 00:02:27,120

at the center of not just our history

51  
00:02:32,960 --> 00:02:29,940  
but also the center of our science and

52  
00:02:37,400 --> 00:02:32,970  
maybe even the center of our

53  
00:02:41,270 --> 00:02:37,410  
spirituality so if the UFO ET thing is

54  
00:02:44,780 --> 00:02:41,280  
be big thing then what are we to make of

55  
00:02:45,199 --> 00:02:44,790  
today's guest because for the last 20

56  
00:02:47,600 --> 00:02:45,209  
years

57  
00:02:50,900 --> 00:02:47,610  
Oxford trained historian and Rhodes

58  
00:02:53,539 --> 00:02:50,910  
Scholar finalist Richard Dolan has been

59  
00:02:56,890 --> 00:02:53,549  
widely acknowledged as one of the most

60  
00:03:00,170 --> 00:02:56,900  
respected authoritative and influential

61  
00:03:01,970 --> 00:03:00,180  
researchers within this field as many

62  
00:03:04,069 --> 00:03:01,980  
books I have some of them up on the

63  
00:03:06,140 --> 00:03:04,079

screen if you're watching this and his

64

00:03:09,410 --> 00:03:06,150

extensive research articles that I

65

00:03:12,710 --> 00:03:09,420

continue to profit from and lean on all

66

00:03:15,340 --> 00:03:12,720

the time have brought a new level of

67

00:03:19,160 --> 00:03:15,350

scholarship and in particular

68

00:03:22,340 --> 00:03:19,170

respectability to a field that really

69

00:03:25,099 --> 00:03:22,350

needed it especially needed it a few

70

00:03:28,069 --> 00:03:25,109

years back when Richard started this

71

00:03:30,170 --> 00:03:28,079

adventure he's the author of a number of

72

00:03:32,780 --> 00:03:30,180

books as I mentioned including the

73

00:03:36,440 --> 00:03:32,790

seminal UFO in the national security

74

00:03:37,819 --> 00:03:36,450

state series also but another book we're

75

00:03:41,270 --> 00:03:37,829

going to talk about one that he wrote

76  
00:03:42,890 --> 00:03:41,280  
with Bryce is Abel and as you all know

77  
00:03:45,440 --> 00:03:42,900  
richard has appeared on many many

78  
00:03:48,440 --> 00:03:45,450  
documentaries TV programs he's the host

79  
00:03:50,449 --> 00:03:48,450  
of the very excellent Richard Dolan show

80  
00:03:53,660 --> 00:03:50,459  
that we might play some clips of later

81  
00:03:55,699 --> 00:03:53,670  
in this interview and it's just a real

82  
00:03:57,440 --> 00:03:55,709  
pleasure and joy to have him join me

83  
00:03:59,630 --> 00:03:57,450  
Richard thanks so much for being here

84  
00:04:01,759 --> 00:03:59,640  
Alex it's a pleasure thank you for that

85  
00:04:04,940 --> 00:04:01,769  
very nice introduction it's nice to be

86  
00:04:08,890 --> 00:04:04,950  
here well you're welcome in I don't want

87  
00:04:11,379 --> 00:04:08,900  
to start off with a total cheese ball

88  
00:04:13,030 --> 00:04:11,389

question but this is going to maybe

89

00:04:15,280 --> 00:04:13,040

sound like

90

00:04:17,680 --> 00:04:15,290

on anyway and that's what are we to make

91

00:04:19,240 --> 00:04:17,690

of your legacy and have you thought

92

00:04:20,469 --> 00:04:19,250

about your legacy and that you know that

93

00:04:22,629 --> 00:04:20,479

makes it immediately sound like we're

94

00:04:24,580 --> 00:04:22,639

kind of putting you out to pasture or

95

00:04:29,129 --> 00:04:24,590

something but I really want to hone in

96

00:04:31,540 --> 00:04:29,139

on this because you know the UFO field

97

00:04:34,659 --> 00:04:31,550

anyone who's in that has to pretty much

98

00:04:38,290 --> 00:04:34,669

accept the fact that you are going to be

99

00:04:41,680 --> 00:04:38,300

ignored by all the mainstream praise

100

00:04:43,930 --> 00:04:41,690

givers reward reward errs and honor

101  
00:04:46,240 --> 00:04:43,940  
giving entities you're gonna be outside

102  
00:04:49,540 --> 00:04:46,250  
of the loop on that but as a historian

103  
00:04:53,529 --> 00:04:49,550  
you know that sometimes history kind of

104  
00:04:55,330 --> 00:04:53,539  
straightens out those oversights so

105  
00:04:57,430 --> 00:04:55,340  
without I'm you're a pretty modest guy

106  
00:04:59,650 --> 00:04:57,440  
from what I can tell but have you given

107  
00:05:03,279 --> 00:04:59,660  
any thought to what it might look like

108  
00:05:06,279 --> 00:05:03,289  
in terms of your career in the longer

109  
00:05:07,420 --> 00:05:06,289  
lens of history interesting I've

110  
00:05:12,870 --> 00:05:07,430  
actually never been asked that question

111  
00:05:16,150 --> 00:05:12,880  
before so well I have thought about and

112  
00:05:17,980 --> 00:05:16,160  
whatever impact my contribution may have

113  
00:05:21,100 --> 00:05:17,990

had to ufology in general so when I

114

00:05:23,830 --> 00:05:21,110

think back on the publication of my

115

00:05:27,189 --> 00:05:23,840

first book UFOs in the national security

116

00:05:30,070 --> 00:05:27,199

state and in the first edition of that

117

00:05:32,710 --> 00:05:30,080

book I self-published back in the year

118

00:05:36,820 --> 00:05:32,720

2000 that was about a year and a half

119

00:05:39,339 --> 00:05:36,830

before 9/11 and I do remember the

120

00:05:41,290 --> 00:05:39,349

reaction that it got from some of the

121

00:05:45,339 --> 00:05:41,300

old-timers in the field at the time and

122

00:05:47,050 --> 00:05:45,349

I I was aware that it had a very it

123

00:05:50,320 --> 00:05:47,060

seemed to have a strong impact for a lot

124

00:05:54,060 --> 00:05:50,330

of people because it was I feel even now

125

00:05:57,189 --> 00:05:54,070

it was probably the first attempt to

126  
00:05:59,230 --> 00:05:57,199  
sort of mainstream UFO history within a

127  
00:06:01,000 --> 00:05:59,240  
broader context of American and world

128  
00:06:03,879 --> 00:06:01,010  
history so I don't think anyone had ever

129  
00:06:06,460 --> 00:06:03,889  
done that before and that in itself at

130  
00:06:08,200 --> 00:06:06,470  
the time was kind of a radical thing I

131  
00:06:11,020 --> 00:06:08,210  
could have done that book a lot better

132  
00:06:12,610 --> 00:06:11,030  
looking back on it but the funny thing

133  
00:06:16,060 --> 00:06:12,620  
is writing that first book was my

134  
00:06:18,520 --> 00:06:16,070  
education in the field I started in 1995

135  
00:06:20,230 --> 00:06:18,530  
94 and basically ground zero of

136  
00:06:23,830 --> 00:06:20,240  
knowledge of the subject I mean nothing

137  
00:06:26,290 --> 00:06:23,840  
so I I started really throwing myself

138  
00:06:29,080 --> 00:06:26,300

into the old literature

139

00:06:30,730 --> 00:06:29,090

old books Kehoe Lorenz ins Hynek

140

00:06:32,409 --> 00:06:30,740

repelled all those guys and every up

141

00:06:35,680 --> 00:06:32,419

everyone else that had been forgotten

142

00:06:37,480 --> 00:06:35,690

and and then a lot of the modern what

143

00:06:41,469 --> 00:06:37,490

was then modern work on it and put

144

00:06:43,930 --> 00:06:41,479

together a narrative yeah that had not

145

00:06:46,360 --> 00:06:43,940

really been done before so I think and

146

00:06:49,300 --> 00:06:46,370

there was at the time it was a radical

147

00:06:52,149 --> 00:06:49,310

interpretation of the UFO cover-up I

148

00:06:53,980 --> 00:06:52,159

used the phrase national security state

149

00:06:56,619 --> 00:06:53,990

in the title itself which actually I

150

00:06:59,350 --> 00:06:56,629

borrowed from an essay by gore Vidal

151

00:07:01,260 --> 00:06:59,360

from the 1980s who had written an

152

00:07:03,820 --> 00:07:01,270

article like that I think for the nation

153

00:07:05,800 --> 00:07:03,830

but I think it was a radical

154

00:07:08,770 --> 00:07:05,810

interpretation of the cover-up which

155

00:07:11,399 --> 00:07:08,780

when I look back on that book now it

156

00:07:14,260 --> 00:07:11,409

seems very almost conservative in its

157

00:07:17,469 --> 00:07:14,270

thesis you know I think there been

158

00:07:19,719 --> 00:07:17,479

people have gone far far more radical

159

00:07:23,110 --> 00:07:19,729

and sometimes in a good way sometimes in

160

00:07:24,969 --> 00:07:23,120

a very unproductive way but I guess what

161

00:07:27,490 --> 00:07:24,979

I would say as far as legacy is that

162

00:07:29,409 --> 00:07:27,500

that work and then my subsequent volume

163

00:07:34,059 --> 00:07:29,419

and other work that have done since have

164

00:07:37,019 --> 00:07:34,069

helped to open up like I guess I'll say

165

00:07:41,709 --> 00:07:37,029

a better political analysis of the UFO

166

00:07:43,120 --> 00:07:41,719

phenomenon and coverup and and then if

167

00:07:46,360 --> 00:07:43,130

there's any other legacy that I would

168

00:07:47,740 --> 00:07:46,370

have this isn't mine specifically other

169

00:07:52,540 --> 00:07:47,750

people have done this as well or better

170

00:07:56,890 --> 00:07:52,550

for sure but is to try to study this

171

00:08:01,059 --> 00:07:56,900

subject with with respect that is by

172

00:08:03,369 --> 00:08:01,069

looking at the data not trying to

173

00:08:05,369 --> 00:08:03,379

pretend that I've understood all of the

174

00:08:07,719 --> 00:08:05,379

data and all of the information and

175

00:08:10,330 --> 00:08:07,729

showing respect enough to the phenomenon

176

00:08:11,589 --> 00:08:10,340

himself to have questions and deposit

177

00:08:14,469 --> 00:08:11,599

let out and not to pretend that I know

178

00:08:16,180 --> 00:08:14,479

everything one thing that I just I get

179

00:08:18,339 --> 00:08:16,190

frustrated by sometimes as by

180

00:08:21,219 --> 00:08:18,349

individuals in this field who act like

181

00:08:22,059 --> 00:08:21,229

they've got everything figured out you

182

00:08:24,430 --> 00:08:22,069

know that's interesting

183

00:08:27,399 --> 00:08:24,440

um you know the one thing I can really

184

00:08:29,409 --> 00:08:27,409

relate to having followed the UFO field

185

00:08:32,589 --> 00:08:29,419

kind of from the outside especially when

186

00:08:35,740 --> 00:08:32,599

when you got started but was still super

187

00:08:38,800 --> 00:08:35,750

aware of the shift that came about with

188

00:08:39,550 --> 00:08:38,810

you doing things in the way that you did

189

00:08:42,640 --> 00:08:39,560

it bringing

190

00:08:45,310 --> 00:08:42,650

level of just confidence Authority and

191

00:08:46,300 --> 00:08:45,320

scholarship did you one more question on

192

00:08:47,410 --> 00:08:46,310

this then we're going to move on cuz I

193

00:08:50,769 --> 00:08:47,420

have so many things I want to talk to

194

00:08:54,010 --> 00:08:50,779

you about but did you get a sense for

195

00:08:56,590 --> 00:08:54,020

that shift because I think a lot of

196

00:08:58,450 --> 00:08:56,600

people felt that shift you know domme

197

00:09:02,260 --> 00:08:58,460

comes out and he's hitting this stuff

198

00:09:03,640 --> 00:09:02,270

hard he's in terms of the real stuff but

199

00:09:05,440 --> 00:09:03,650

he's doing in a very matter-of-fact

200

00:09:08,230 --> 00:09:05,450

scholarly way we can handle this stuff

201  
00:09:10,210 --> 00:09:08,240  
boom here it is were you surprised by

202  
00:09:12,250 --> 00:09:10,220  
the shift did you notice the shift I

203  
00:09:14,290 --> 00:09:12,260  
didn't notice it for a while I have to

204  
00:09:17,560 --> 00:09:14,300  
honestly say that like because I wasn't

205  
00:09:20,110 --> 00:09:17,570  
active in this field in the 1990s I was

206  
00:09:22,000 --> 00:09:20,120  
a lone wolf researching this all through

207  
00:09:23,440 --> 00:09:22,010  
the 90s no one knew who I was so I

208  
00:09:24,970 --> 00:09:23,450  
didn't go to any conferences I didn't

209  
00:09:26,800 --> 00:09:24,980  
really know anyone I didn't talk to

210  
00:09:28,660 --> 00:09:26,810  
anyone I'd very limited correspondence

211  
00:09:32,110 --> 00:09:28,670  
it's crazy when I look back how we did

212  
00:09:34,030 --> 00:09:32,120  
that book over that five-year period so

213  
00:09:35,380 --> 00:09:34,040

when I entered the field I don't I don't

214

00:09:38,230 --> 00:09:35,390

really think I had a true appreciation

215

00:09:40,269 --> 00:09:38,240

of how others were perceiving me that's

216

00:09:43,000 --> 00:09:40,279

the truth like I could tell that there

217

00:09:44,650 --> 00:09:43,010

were individuals who told me that they

218

00:09:48,190 --> 00:09:44,660

appreciate what I did and I mean I got

219

00:09:51,240 --> 00:09:48,200

that early on and that that has grown

220

00:09:55,210 --> 00:09:51,250

over the years certainly in the last

221

00:09:57,370 --> 00:09:55,220

decade even 15 years it's been it's been

222

00:09:59,950 --> 00:09:57,380

shocking to me to be honest to see the

223

00:10:02,440 --> 00:09:59,960

response that people get from me I'm

224

00:10:07,030 --> 00:10:02,450

it's humbling I'll honestly say but in

225

00:10:08,770 --> 00:10:07,040

the early years I know I don't think I

226

00:10:12,870 --> 00:10:08,780

can't say that I was really aware I I

227

00:10:19,120 --> 00:10:12,880

think that I was I was very focused on

228

00:10:21,700 --> 00:10:19,130

on pursuing what I felt was an original

229

00:10:26,260 --> 00:10:21,710

approach to this at least as far as I

230

00:10:28,570 --> 00:10:26,270

could tell and I know it's a hard

231

00:10:32,410 --> 00:10:28,580

question to answer I think over over

232

00:10:34,900 --> 00:10:32,420

time I've come to appreciate that that

233

00:10:37,480 --> 00:10:34,910

my that whatever it is that I've done

234

00:10:40,570 --> 00:10:37,490

has had its own niche its own place in

235

00:10:44,050 --> 00:10:40,580

ufology and and that's that's definitely

236

00:10:49,890 --> 00:10:44,060

good feeling so one of the things that

237

00:10:53,250 --> 00:10:49,900

you've done I guess is really give us a

238

00:10:56,250 --> 00:10:53,260

reorientation to the word disclosure

239

00:10:58,280 --> 00:10:56,260

and what that means and you've kind of

240

00:11:00,960 --> 00:10:58,290

come back to that again and again and

241

00:11:02,490 --> 00:11:00,970

when we chatted before the interview one

242

00:11:05,760 --> 00:11:02,500

of the things that I said I really was

243

00:11:07,860 --> 00:11:05,770

anxious to talk to you about was kind of

244

00:11:10,410 --> 00:11:07,870

a follow up to a book that you published

245

00:11:14,000 --> 00:11:10,420

a few years ago after disclosure which I

246

00:11:16,350 --> 00:11:14,010

thought at the time was again is such a

247

00:11:18,120 --> 00:11:16,360

I'm gonna stop singing your praises here

248

00:11:20,580 --> 00:11:18,130

in Menna cos getting uncomfortable but

249

00:11:23,280 --> 00:11:20,590

it really was a novel way to kind of

250

00:11:25,680 --> 00:11:23,290

deal with the question of how can there

251  
00:11:28,230 --> 00:11:25,690  
be this reality that seems to be

252  
00:11:30,660 --> 00:11:28,240  
acknowledged by so many people and

253  
00:11:32,760 --> 00:11:30,670  
understood by so many people and yet

254  
00:11:34,800 --> 00:11:32,770  
it's cut under wraps and we keep

255  
00:11:36,900 --> 00:11:34,810  
spinning around in that circle and then

256  
00:11:39,840 --> 00:11:36,910  
somebody jumps ahead and says okay wait

257  
00:11:41,970 --> 00:11:39,850  
a minute let's say what happens after

258  
00:11:43,710 --> 00:11:41,980  
disclosure so anyways that's what the

259  
00:11:47,100 --> 00:11:43,720  
book was about many people we know about

260  
00:11:49,410 --> 00:11:47,110  
that book but then I found a fantastic

261  
00:11:52,200 --> 00:11:49,420  
presentation you did the new face of

262  
00:11:54,420 --> 00:11:52,210  
disclosure and the YouTube video is up

263  
00:11:59,400 --> 00:11:54,430

you gave it in Copenhagen in July of

264

00:12:03,360 --> 00:11:59,410

2019 and back to the pre-interview thing

265

00:12:07,200 --> 00:12:03,370

we were having I wanted to ask you what

266

00:12:09,090 --> 00:12:07,210

you think now now that a lot of us would

267

00:12:11,880 --> 00:12:09,100

look around and say disclosure has

268

00:12:13,980 --> 00:12:11,890

happened or is happening what do you

269

00:12:17,190 --> 00:12:13,990

think about disclosure now let me play a

270

00:12:19,730 --> 00:12:17,200

clip from your presentation and then

271

00:12:23,220 --> 00:12:19,740

let's chat about that a little bit so

272

00:12:25,140 --> 00:12:23,230

can the establishment truly dominate the

273

00:12:27,000 --> 00:12:25,150

narrative if they are rolling out this

274

00:12:28,560 --> 00:12:27,010

disclosure narrative I think it'd be

275

00:12:31,170 --> 00:12:28,570

very difficult for anyone who's trying

276

00:12:33,480 --> 00:12:31,180

to control the narrative really there's

277

00:12:35,460 --> 00:12:33,490

a lot of questions that will come up you

278

00:12:38,040 --> 00:12:35,470

know when when we did after disclosure

279

00:12:40,560 --> 00:12:38,050

ten years ago Bryce and I really asked

280

00:12:42,120 --> 00:12:40,570

about these things for me the big

281

00:12:45,920 --> 00:12:42,130

question is if you make an

282

00:12:48,720 --> 00:12:45,930

acknowledgement that UFOs are real ever

283

00:12:50,610 --> 00:12:48,730

then wouldn't it be the case that people

284

00:12:56,700 --> 00:12:50,620

would say oh my god so how have you been

285

00:12:58,410 --> 00:12:56,710

lying to us all this time okay let's

286

00:13:01,140 --> 00:12:58,420

let's talk about that I mean that's

287

00:13:02,970 --> 00:13:01,150

enough of a tee up right there just what

288

00:13:05,760 --> 00:13:02,980

do you think

289

00:13:07,770 --> 00:13:05,770

well um first thing I'll just say is

290

00:13:10,490 --> 00:13:07,780

it's funny about disclosure I did not

291

00:13:13,050 --> 00:13:10,500

ever want to write about disclosure ever

292

00:13:15,300 --> 00:13:13,060

15 plus years ago people were talking

293

00:13:17,400 --> 00:13:15,310

about disclosure this is back in two

294

00:13:19,740 --> 00:13:17,410

thousand two three four and I would say

295

00:13:22,650 --> 00:13:19,750

ah way too early to talk about that

296

00:13:24,600 --> 00:13:22,660

we've still have to get into the nature

297

00:13:26,250 --> 00:13:24,610

of the cover-up and disclosures

298

00:13:29,670 --> 00:13:26,260

premature and but the problem is I kept

299

00:13:31,200 --> 00:13:29,680

getting roped in to Steve Bassett sex

300

00:13:32,610 --> 00:13:31,210

conferences which were about disclosure

301  
00:13:35,520 --> 00:13:32,620  
and all these other disclosure

302  
00:13:37,560 --> 00:13:35,530  
conversations I was naturally brought in

303  
00:13:40,590 --> 00:13:37,570  
because of the political analysis that I

304  
00:13:44,120 --> 00:13:40,600  
used to do and I've always done so yeah

305  
00:13:46,710 --> 00:13:44,130  
when when we wrote after disclosure

306  
00:13:49,140 --> 00:13:46,720  
that's a book I'm really happy I had a

307  
00:13:52,080 --> 00:13:49,150  
great co-author Bryce Abel was and is a

308  
00:13:53,370 --> 00:13:52,090  
script screenwriter producer he's got a

309  
00:13:55,560 --> 00:13:53,380  
lot of good Hollywood experience he did

310  
00:13:58,470 --> 00:13:55,570  
the TV show dark skies which many still

311  
00:14:01,740 --> 00:13:58,480  
remember and his improvement is really

312  
00:14:03,330 --> 00:14:01,750  
definitely visible on that book but in

313  
00:14:07,320 --> 00:14:03,340

terms of what I was talking about in

314

00:14:08,760 --> 00:14:07,330

that clip there in Copenhagen I still

315

00:14:10,860 --> 00:14:08,770

maintain this I've always believed that

316

00:14:13,620 --> 00:14:10,870

any kind of official announcement from

317

00:14:14,970 --> 00:14:13,630

any government body particularly the

318

00:14:17,490 --> 00:14:14,980

United States government is going to be

319

00:14:22,230 --> 00:14:17,500

a really difficult one for them to

320

00:14:24,180 --> 00:14:22,240

control because the UFOs people think

321

00:14:27,960 --> 00:14:24,190

they contain this subject and it cannot

322

00:14:29,220 --> 00:14:27,970

be tamed it's it's too big of a reality

323

00:14:31,980 --> 00:14:29,230

transformation and that is why I

324

00:14:34,980 --> 00:14:31,990

actually don't believe that where we're

325

00:14:37,710 --> 00:14:34,990

seeing disclosure right now when when

326

00:14:39,930 --> 00:14:37,720

the mainstream narrative changed

327

00:14:42,270 --> 00:14:39,940

starting at the end of 2017 in the New

328

00:14:44,490 --> 00:14:42,280

York Times did their few pieces Politico

329

00:14:49,020 --> 00:14:44,500

and then all of the follow up and we

330

00:14:50,790 --> 00:14:49,030

have seen so much transformation it is

331

00:14:52,620 --> 00:14:50,800

easy to come to the conclusion oh well

332

00:14:55,350 --> 00:14:52,630

this is completely government controlled

333

00:14:57,360 --> 00:14:55,360

it's a PSYOP it's a disclosure narrative

334

00:14:59,370 --> 00:14:57,370

whatever I know you really pushed back

335

00:15:02,070 --> 00:14:59,380

hard on me when we were talking and I

336

00:15:05,460 --> 00:15:02,080

said Richard to me this is obviously a

337

00:15:09,240 --> 00:15:05,470

political side of despair because you

338

00:15:11,010 --> 00:15:09,250

don't think you totally disagree yeah

339

00:15:12,600 --> 00:15:11,020

well I I can understand the point of

340

00:15:14,100 --> 00:15:12,610

view but here's I'll tell you why I

341

00:15:16,140 --> 00:15:14,110

disagree

342

00:15:16,790 --> 00:15:16,150

can I can I can I ask you to pause that

343

00:15:18,800 --> 00:15:16,800

let me add a

344

00:15:22,130 --> 00:15:18,810

clip to it and then you can respond

345

00:15:25,009 --> 00:15:22,140

directly because we both like I think

346

00:15:28,940 --> 00:15:25,019

you know and appreciate Leslie Kane

347

00:15:31,490 --> 00:15:28,950

right who of course and indeed has the

348

00:15:34,610 --> 00:15:31,500

byline to that New York Times story and

349

00:15:36,860 --> 00:15:34,620

I had a chance to interview her and I

350

00:15:38,600 --> 00:15:36,870

love Leslie she's awesome she's been on

351

00:15:40,220 --> 00:15:38,610

the show a couple times a lot of respect

352

00:15:43,940 --> 00:15:40,230

for it but I hammered her pretty hard

353

00:15:47,660 --> 00:15:43,950

and we play this clip yeah Leslie who

354

00:15:52,100 --> 00:15:47,670

comes forward this is not a day he's not

355

00:15:54,699 --> 00:15:52,110

a whistleblower right this is you are

356

00:15:58,460 --> 00:15:54,709

such a good journalist writer

357

00:16:00,290 --> 00:15:58,470

investigative journalist beyond to

358

00:16:01,850 --> 00:16:00,300

colleagues at the times that are even

359

00:16:03,949 --> 00:16:01,860

more experienced than I am that we're in

360

00:16:06,199 --> 00:16:03,959

on this with me so we're not just

361

00:16:09,800 --> 00:16:06,209

looking at it from from the big picture

362

00:16:12,530 --> 00:16:09,810

where is an example of a where anyone

363

00:16:15,829 --> 00:16:12,540

inside the government has come out and

364

00:16:18,620 --> 00:16:15,839

said anything even like this I mean the

365

00:16:20,150 --> 00:16:18,630

kid went to jail for having a picture of

366

00:16:22,180 --> 00:16:20,160

a submarine in his background I mean

367

00:16:24,829 --> 00:16:22,190

this is not a day and age where people

368

00:16:27,170 --> 00:16:24,839

inside the government with deep state

369

00:16:30,139 --> 00:16:27,180

secrets like this are allowed to speak

370

00:16:32,630 --> 00:16:30,149

freely he was not breaking boundaries

371

00:16:34,519 --> 00:16:32,640

are saying all this crazy stuff that no

372

00:16:36,590 --> 00:16:34,529

one wanted to say this is a controlled

373

00:16:39,680 --> 00:16:36,600

release no I don't agree with that I

374

00:16:41,480 --> 00:16:39,690

mean none of our work ever led me to get

375

00:16:44,449 --> 00:16:41,490

to that conclusion or any of us and we

376

00:16:46,340 --> 00:16:44,459

talked to a lot of people the point is

377

00:16:50,240 --> 00:16:46,350

none of the information that he brought

378

00:16:52,519 --> 00:16:50,250

forward was classified information is

379

00:16:54,440 --> 00:16:52,529

about classified information that's the

380

00:16:56,300 --> 00:16:54,450

distinction right that distinction is

381

00:17:00,230 --> 00:16:56,310

meaningless at this point this is the

382

00:17:02,060 --> 00:17:00,240

biggest story probably in the in oral in

383

00:17:03,350 --> 00:17:02,070

the history of our lives certainly a lot

384

00:17:05,689 --> 00:17:03,360

of people are saying in the history of

385

00:17:07,929 --> 00:17:05,699

the world and to suggest that this

386

00:17:10,880 --> 00:17:07,939

somehow and some phony-baloney

387

00:17:12,590 --> 00:17:10,890

classified not classified top secret

388

00:17:15,049 --> 00:17:12,600

this isn't classified and that's

389

00:17:19,100 --> 00:17:15,059

supposed to be the the mark I I don't

390

00:17:21,140 --> 00:17:19,110

see it okay so of course the he were

391

00:17:23,449 --> 00:17:21,150

talking about is Louella Zotto

392

00:17:24,829 --> 00:17:23,459

and what do you make of that you know

393

00:17:27,520 --> 00:17:24,839

this thing that oh this wasn't

394

00:17:29,230 --> 00:17:27,530

classified so that's why it came out

395

00:17:32,470 --> 00:17:29,240

so funny i find myself agreeing with

396

00:17:34,450 --> 00:17:32,480

leslie on this issue I mean I've known

397

00:17:36,430 --> 00:17:34,460

Leslie for many years and and like and

398

00:17:38,590 --> 00:17:36,440

respect her and we've I just chatted

399

00:17:41,159 --> 00:17:38,600

with her again last summer but I haven't

400

00:17:44,409 --> 00:17:41,169

always agreed with her perspective on

401  
00:17:48,159 --> 00:17:44,419  
public or public statements on this but

402  
00:17:51,310 --> 00:17:48,169  
I agree with her here although I didn't

403  
00:17:53,560 --> 00:17:51,320  
probably initially agree so I'll tell

404  
00:17:55,930 --> 00:17:53,570  
you why I would agree with you I would

405  
00:17:58,029 --> 00:17:55,940  
agree with you because perhaps like you

406  
00:18:01,330 --> 00:17:58,039  
I I don't have a trust of the New York

407  
00:18:04,539 --> 00:18:01,340  
Times and I don't have a trust of any of

408  
00:18:07,299 --> 00:18:04,549  
the mainstream corporate journalists

409  
00:18:08,590 --> 00:18:07,309  
media establishment that exists in the

410  
00:18:11,590 --> 00:18:08,600  
Western world I think all of it is

411  
00:18:13,270 --> 00:18:11,600  
hopelessly corrupt and servants of the

412  
00:18:15,640 --> 00:18:13,280  
national security apparatus and the

413  
00:18:17,560 --> 00:18:15,650

global financial apparatus so anything

414

00:18:19,899 --> 00:18:17,570

that comes out of the New York Times I

415

00:18:23,649 --> 00:18:19,909

think you have to be very very careful

416

00:18:25,029 --> 00:18:23,659

of and and you know considering that the

417

00:18:29,919 --> 00:18:25,039

New York Times said seventy five years

418

00:18:32,950 --> 00:18:29,929

or so of consistent anti UFO I mean the

419

00:18:34,990 --> 00:18:32,960

worst snarky smarmy only exceeded by The

420

00:18:36,399 --> 00:18:35,000

Washington Post probably which is which

421

00:18:39,100 --> 00:18:36,409

is actually the worst but the New York

422

00:18:42,279 --> 00:18:39,110

Times has been so bad on this and then

423

00:18:43,390 --> 00:18:42,289

suddenly boom what's this all about so

424

00:18:44,980 --> 00:18:43,400

I'm gonna give you my take on what

425

00:18:46,630 --> 00:18:44,990

happened here all right

426

00:18:49,630 --> 00:18:46,640

you can really lay this at the doorstep

427

00:18:51,909 --> 00:18:49,640

of the folks at T TSA now we can talk

428

00:18:52,779 --> 00:18:51,919

about what we think T TSA is you can yes

429

00:18:55,990 --> 00:18:52,789

we will

430

00:18:58,000 --> 00:18:56,000

oh there are CIA but let's just leave

431

00:19:00,580 --> 00:18:58,010

that aside for a moment and we'll let's

432

00:19:02,289 --> 00:19:00,590

put a pin in that as I say so T TSA

433

00:19:06,100 --> 00:19:02,299

rolls out their press conference in

434

00:19:08,860 --> 00:19:06,110

October of 2017 and is you'll probably

435

00:19:10,810 --> 00:19:08,870

remember that's where really the first

436

00:19:13,299 --> 00:19:10,820

public statement of what became known as

437

00:19:15,580 --> 00:19:13,309

the Tic Tac UFO even though that had

438

00:19:17,680 --> 00:19:15,590

been in that had been discussed and

439

00:19:19,690 --> 00:19:17,690

above top-secret all of that but really

440

00:19:21,730 --> 00:19:19,700

you have these guys talking about it and

441

00:19:24,909 --> 00:19:21,740

it's a heck of an encounter and they're

442

00:19:27,010 --> 00:19:24,919

talking also about a tip in that October

443

00:19:28,840 --> 00:19:27,020

press release I'm not sure if they used

444

00:19:30,940 --> 00:19:28,850

a name a tip but they certainly said the

445

00:19:33,610 --> 00:19:30,950

Pentagon's been studying this so it was

446

00:19:37,000 --> 00:19:33,620

actually that TDS a press conference

447

00:19:38,299 --> 00:19:37,010

that outed the tic-tac and the a tip

448

00:19:42,409 --> 00:19:38,309

program

449

00:19:44,810 --> 00:19:42,419

so now you've got a legit journalist

450

00:19:46,879 --> 00:19:44,820

like Leslie who is legit interested in

451  
00:19:49,159 --> 00:19:46,889  
UFOs not pretend but she's genuinely

452  
00:19:51,049 --> 00:19:49,169  
interested and she's got her in rows

453  
00:19:53,359 --> 00:19:51,059  
with the New York Times and she's got a

454  
00:19:56,029 --> 00:19:53,369  
couple of allies there Blumenthal and

455  
00:19:59,719 --> 00:19:56,039  
Helene Cooper and they're dealing with a

456  
00:20:02,539 --> 00:19:59,729  
New York Times establishment that does

457  
00:20:04,219 --> 00:20:02,549  
not want to cover this but I asked

458  
00:20:06,469 --> 00:20:04,229  
Leslie about this myself last summer and

459  
00:20:08,330 --> 00:20:06,479  
she didn't give me an answer as to why

460  
00:20:09,859 --> 00:20:08,340  
the New York Times covered this but I'm

461  
00:20:11,779 --> 00:20:09,869  
gonna give you my answer as to why I

462  
00:20:14,359 --> 00:20:11,789  
believe the New York Times covered this

463  
00:20:16,579 --> 00:20:14,369

because they knew that this story was

464

00:20:20,570 --> 00:20:16,589

going to break and I believe that they

465

00:20:22,249 --> 00:20:20,580

said all right we will we'll do this but

466

00:20:23,839 --> 00:20:22,259

we're gonna handle it our way and what

467

00:20:26,899 --> 00:20:23,849

they ended up doing if you look at those

468

00:20:30,849 --> 00:20:26,909

articles as they brought in particularly

469

00:20:32,810 --> 00:20:30,859

with the a tip piece ridiculous

470

00:20:34,129 --> 00:20:32,820

skeptical statements that had no meaning

471

00:20:35,899 --> 00:20:34,139

like by James Oberg

472

00:20:38,899 --> 00:20:35,909

Oberg like what is he even doing in this

473

00:20:40,639 --> 00:20:38,909

article and this meaningless astronomer

474

00:20:42,619 --> 00:20:40,649

from I think yell or Harvard who had

475

00:20:44,959 --> 00:20:42,629

zero to say about this but these were

476

00:20:46,459 --> 00:20:44,969

skeptical placeholders psychological

477

00:20:48,859 --> 00:20:46,469

placeholders so what the New York Times

478

00:20:52,070 --> 00:20:48,869

did is basically their attempt to

479

00:20:54,079 --> 00:20:52,080

control this narrative so that not to

480

00:20:56,649 --> 00:20:54,089

let it get out of control what happened

481

00:20:59,959 --> 00:20:56,659

is that because the New York Times gave

482

00:21:02,180 --> 00:20:59,969

even some validation of UFOs I think

483

00:21:03,229 --> 00:21:02,190

this became much bigger than the

484

00:21:09,320 --> 00:21:03,239

leadership at the times would have

485

00:21:15,560 --> 00:21:09,330

expected boy I just will have to

486

00:21:17,659 --> 00:21:15,570

disagree on this and I do okay just

487

00:21:20,899 --> 00:21:17,669

address the point I mean to me it's so

488

00:21:22,339 --> 00:21:20,909

patently just ludicrous and you know the

489

00:21:23,959 --> 00:21:22,349

other thing I always like to end what's

490

00:21:26,810 --> 00:21:23,969

ludicrous what's little Kris exactly

491

00:21:29,959 --> 00:21:26,820

first of all the idea that Louella Zadar

492

00:21:33,159 --> 00:21:29,969

is a whistleblower it's just it just

493

00:21:35,389 --> 00:21:33,169

doesn't it just doesn't add up but the

494

00:21:36,769 --> 00:21:35,399

whistleblower I think that she just did

495

00:21:38,479 --> 00:21:36,779

she just did she said he's a

496

00:21:40,339 --> 00:21:38,489

whistleblower and and I mean the idea

497

00:21:43,519 --> 00:21:40,349

that we met we met with the guy at the

498

00:21:46,430 --> 00:21:43,529

DoD but he's a whistleblower all the

499

00:21:49,129 --> 00:21:46,440

information he revealed well none of its

500

00:21:51,379 --> 00:21:49,139

classified or top-secret it's like I'm

501  
00:21:51,980 --> 00:21:51,389  
like I mentioned you know the kid who

502  
00:21:58,370 --> 00:21:51,990  
took

503  
00:22:00,860 --> 00:21:58,380  
being inside the submarine he's in

504  
00:22:01,520 --> 00:22:00,870  
prison and this is the biggest thing

505  
00:22:03,920 --> 00:22:01,530  
ever

506  
00:22:06,350 --> 00:22:03,930  
this happened 15 days ago here I

507  
00:22:07,880 --> 00:22:06,360  
wouldn't say that Elizondo necessarily

508  
00:22:10,790 --> 00:22:07,890  
classifies as a whistleblower I don't

509  
00:22:13,760 --> 00:22:10,800  
know I mean he all of these people are

510  
00:22:15,710 --> 00:22:13,770  
self-serving so the folks at T TSA it's

511  
00:22:17,450 --> 00:22:15,720  
not like you know they're all angels and

512  
00:22:20,930 --> 00:22:17,460  
they have no other ulterior motives what

513  
00:22:22,160 --> 00:22:20,940

they do it's all about money it's all

514

00:22:25,910 --> 00:22:22,170

about getting a piece of the action

515

00:22:27,770 --> 00:22:25,920

I I would hazard to guess that they want

516

00:22:29,270 --> 00:22:27,780

maybe they want some defense money maybe

517

00:22:31,190 --> 00:22:29,280

they want some contracts maybe they want

518

00:22:33,320 --> 00:22:31,200

access to what they know is classified

519

00:22:36,440 --> 00:22:33,330

technology there may be other things

520

00:22:38,990 --> 00:22:36,450

going on here where it's not all

521

00:22:42,020 --> 00:22:39,000

philanthropic I I would be shocked if it

522

00:22:43,340 --> 00:22:42,030

were who whoever acts like that so I

523

00:22:45,710 --> 00:22:43,350

don't know there's the alternative

524

00:22:48,620 --> 00:22:45,720

here's the alternative read on that that

525

00:22:50,900 --> 00:22:48,630

that I take and a lot other people take

526

00:22:53,120 --> 00:22:50,910

is that number one it's political the

527

00:22:55,790 --> 00:22:53,130

word political is important here not

528

00:22:57,500 --> 00:22:55,800

because I have any political stake in

529

00:23:00,560 --> 00:22:57,510

the left versus the right I think the

530

00:23:03,320 --> 00:23:00,570

whole thing's is a scripted nonsensical

531

00:23:04,940 --> 00:23:03,330

joke at this medium level and that

532

00:23:06,860 --> 00:23:04,950

there's a layer above it that just

533

00:23:10,070 --> 00:23:06,870

ignores all that anyway but this is

534

00:23:11,780 --> 00:23:10,080

clearly coming from the Podesta Clinton

535

00:23:14,210 --> 00:23:11,790

camp that was trying to release the year

536

00:23:16,400 --> 00:23:14,220

before it sure looked they were hooked

537

00:23:18,140 --> 00:23:16,410

up with Tom DeLonge and that whole thing

538

00:23:20,330 --> 00:23:18,150

and they were announcing they were kind

539

00:23:22,490 --> 00:23:20,340

of preheating us for the release they

540

00:23:24,410 --> 00:23:22,500

didn't win the election so they just

541

00:23:27,050 --> 00:23:24,420

kind of rolled it out anyway is how it

542

00:23:29,270 --> 00:23:27,060

looked to me I think the whole the whole

543

00:23:31,850 --> 00:23:29,280

thing the whole Peter Levin did Tom with

544

00:23:33,080 --> 00:23:31,860

a long thing it just was the story just

545

00:23:35,300 --> 00:23:33,090

never made any sense

546

00:23:37,040 --> 00:23:35,310

Peter lavinda well you know Tom DeLonge

547

00:23:39,500 --> 00:23:37,050

called me up I was like wow is this

548

00:23:42,320 --> 00:23:39,510

really Tom DeLonge he's like yeah buddy

549

00:23:44,630 --> 00:23:42,330

we got to go to the CIA and get to the

550

00:23:47,450 --> 00:23:44,640

bottom of the UFO story because it's

551

00:23:50,360 --> 00:23:47,460

never been told it's like uh is this

552

00:23:52,730 --> 00:23:50,370

like some kind of bad screaming drink or

553

00:23:55,400 --> 00:23:52,740

some reality and some non reality in

554

00:23:57,110 --> 00:23:55,410

that so I would say I've never believed

555

00:24:00,470 --> 00:23:57,120

that Hillary and Podesta were ever gonna

556

00:24:01,640 --> 00:24:00,480

be a disclosure team ever I don't I

557

00:24:02,870 --> 00:24:01,650

didn't believe it then I don't believe

558

00:24:04,340 --> 00:24:02,880

in now I don't think it would ever have

559

00:24:05,420 --> 00:24:04,350

happened if she had been elected

560

00:24:07,520 --> 00:24:05,430

president

561

00:24:09,260 --> 00:24:07,530

there would be no more disclosure than

562

00:24:09,800 --> 00:24:09,270

there is now I don't think that was a

563

00:24:12,020 --> 00:24:09,810

plan

564

00:24:16,330 --> 00:24:12,030

I do believe Podesta is very smart and

565

00:24:19,700 --> 00:24:16,340

as a UFO savvy guy which he clearly is

566

00:24:21,470 --> 00:24:19,710

recognized that his candidate who was

567

00:24:24,440 --> 00:24:21,480

desperately in need of an additional

568

00:24:26,930 --> 00:24:24,450

cool factor in her campaign could

569

00:24:28,760 --> 00:24:26,940

benefit from being kind of a UFO knowing

570

00:24:30,440 --> 00:24:28,770

also that the New York Times would not

571

00:24:32,660 --> 00:24:30,450

trash her since they basically own the

572

00:24:35,140 --> 00:24:32,670

New York Times coverage anyway so she

573

00:24:38,480 --> 00:24:35,150

she could get away with being a UFO

574

00:24:41,690 --> 00:24:38,490

candidate go on Jimmy Kimmel you know

575

00:24:43,760 --> 00:24:41,700

try her hand at that whole thing and

576

00:24:45,560 --> 00:24:43,770

maybe win a few votes that's all that

577

00:24:48,710 --> 00:24:45,570

I've ever believed there's no evidence

578

00:24:50,720 --> 00:24:48,720

to me that in any of the DeLonge Podesta

579

00:24:53,330 --> 00:24:50,730

communications that Podesta was actually

580

00:24:55,370 --> 00:24:53,340

serious about this like someone please

581

00:24:57,860 --> 00:24:55,380

show me where where does Podesta show

582

00:25:01,570 --> 00:24:57,870

that yes we're gonna do disclosure this

583

00:25:04,280 --> 00:25:01,580

is all day long all his thing Podesta

584

00:25:07,010 --> 00:25:04,290

allowed some communications to happen

585

00:25:08,900 --> 00:25:07,020

and then of course the whole thing was

586

00:25:10,670 --> 00:25:08,910

they turned the lights on WikiLeaks came

587

00:25:14,500 --> 00:25:10,680

out and they all ran for cover and put

588

00:25:19,370 --> 00:25:14,510

it and along came up with his B team but

589

00:25:21,890 --> 00:25:19,380

Hillary thing I don't I I don't think I

590

00:25:26,000 --> 00:25:21,900

believe that okay I think that they were

591

00:25:28,910 --> 00:25:26,010

I think put DeLong's people might have

592

00:25:30,410 --> 00:25:28,920

had these had these illusions yes I

593

00:25:31,850 --> 00:25:30,420

think that's entirely possible that they

594

00:25:33,610 --> 00:25:31,860

would have thought oh yes we're gonna

595

00:25:38,120 --> 00:25:33,620

get Hillary and Podesta to be disclosure

596

00:25:40,070 --> 00:25:38,130

candidates but I seriously doubt that

597

00:25:42,230 --> 00:25:40,080

Hillary Clinton or Podesta would have

598

00:25:44,000 --> 00:25:42,240

considered moving ahead with a UFO

599

00:25:45,920 --> 00:25:44,010

disclosure well one of the things that

600

00:25:48,530 --> 00:25:45,930

people really appreciate about your work

601  
00:25:50,120 --> 00:25:48,540  
Richard and I respect as well is you

602  
00:25:53,750 --> 00:25:50,130  
move very carefully

603  
00:25:56,180 --> 00:25:53,760  
according to direct evidence that you

604  
00:25:57,710 --> 00:25:56,190  
have are you we can't really say direct

605  
00:26:00,950 --> 00:25:57,720  
evidence but as close as you can get to

606  
00:26:05,030 --> 00:26:00,960  
five-seven it's I respect that try at

607  
00:26:06,770 --> 00:26:05,040  
the same time I think I think there is a

608  
00:26:08,600 --> 00:26:06,780  
need to kind of fill in some of these

609  
00:26:11,150 --> 00:26:08,610  
blanks and that's what I'm trying to do

610  
00:26:14,210 --> 00:26:11,160  
here as well but let's move on to kind

611  
00:26:16,670 --> 00:26:14,220  
of a relay enjoy this I just discussing

612  
00:26:18,930 --> 00:26:16,680  
this well when I listen to your

613  
00:26:21,599 --> 00:26:18,940

Copenhagen presentation I

614

00:26:24,589 --> 00:26:21,609

kinda think here in many respects in the

615

00:26:26,729 --> 00:26:24,599

same camp when you lay out really the

616

00:26:29,999 --> 00:26:26,739

like you say the walk The Washington

617

00:26:32,039 --> 00:26:30,009

Post and his appearance on Fox that is

618

00:26:34,409 --> 00:26:32,049

Lou Elizondo and then all this other

619

00:26:36,180 --> 00:26:34,419

stuff you kind of make the case on both

620

00:26:38,580 --> 00:26:36,190

sides and that you come down on one or

621

00:26:40,889 --> 00:26:38,590

the other which is totally I get respect

622

00:26:44,339 --> 00:26:40,899

here's something we're gonna move on to

623

00:26:46,919 --> 00:26:44,349

what do you dubbed the leak of the

624

00:26:49,169 --> 00:26:46,929

century yes and we're going to talk

625

00:26:52,109 --> 00:26:49,179

about that but we're gonna and that is

626  
00:26:55,440 --> 00:26:52,119  
the release five of the Thomas Wilson

627  
00:26:57,869 --> 00:26:55,450  
memo but I'm gonna do it through the

628  
00:27:01,499 --> 00:26:57,879  
words of this guy who we see up on the

629  
00:27:04,680 --> 00:27:01,509  
screen dr. Edgar Mitchell Apollo

630  
00:27:06,599 --> 00:27:04,690  
astronaut support our troop dr. Edgar

631  
00:27:07,680 --> 00:27:06,609  
Mitchell let me play a couple of clips

632  
00:27:09,419 --> 00:27:07,690  
from this and I might have to skip

633  
00:27:12,269 --> 00:27:09,429  
around because a long clip but I want to

634  
00:27:13,799 --> 00:27:12,279  
get a couple of things in there so first

635  
00:27:17,310 --> 00:27:13,809  
I thought we just play a little bit of

636  
00:27:23,430 --> 00:27:17,320  
the Afro because the guy is so I call to

637  
00:27:27,210 --> 00:27:23,440  
the podium a distinguished American man

638  
00:27:31,589 --> 00:27:27,220

who is in fact someone who has the right

639

00:27:34,700 --> 00:27:31,599

stuff we includes a doctor in

640

00:27:38,330 --> 00:27:34,710

aeronautics and Astronautics from MIT

641

00:27:41,339 --> 00:27:38,340

selection to the NASA Apollo program

642

00:27:48,749 --> 00:27:41,349

selection to a bass it's going to go

643

00:27:51,889 --> 00:27:48,759

through his long list yeah this now he's

644

00:28:01,889 --> 00:27:51,899

going to be talking about husband French

645

00:28:04,289 --> 00:28:01,899

people because I just add in here Edgar

646

00:28:09,119 --> 00:28:04,299

Mitchell is from Texas but it really

647

00:28:10,919 --> 00:28:09,129

claims to be from Roswell because people

648

00:28:13,200 --> 00:28:10,929

like in the Sheriff's Department who had

649

00:28:18,509 --> 00:28:13,210

been to the crash site and were

650

00:28:21,599 --> 00:28:18,519

supervising traffic my friend and friend

651

00:28:23,129 --> 00:28:21,609

of our family the major who was so

652

00:28:25,289 --> 00:28:23,139

because he does have a little bit of

653

00:28:27,839 --> 00:28:25,299

that Texas draw in here in New Yorker

654

00:28:31,919 --> 00:28:27,849

and I'm a Chicago guy we needed speed up

655

00:28:32,820 --> 00:28:31,929

here he basically says and I want you to

656

00:28:35,639 --> 00:28:32,830

respond to this yeah

657

00:28:37,560 --> 00:28:35,649

any doubters about Roswell should be

658

00:28:40,590 --> 00:28:37,570

doubters know more about Apollo

659

00:28:42,870 --> 00:28:40,600

astronaut walked on the moon 2009 he

660

00:28:44,970 --> 00:28:42,880

comes and says hey it's real I know it

661

00:28:46,560 --> 00:28:44,980

from the best authorities that I have

662

00:28:49,649 --> 00:28:46,570

and I'm a local and I know it and it

663

00:28:52,350 --> 00:28:49,659

also jives with what I know from my

664

00:28:53,970 --> 00:28:52,360

professional career so that we're going

665

00:28:55,919 --> 00:28:53,980

to put a pin in that but I do want you

666

00:28:59,159 --> 00:28:55,929

to come back to address it and I wanted

667

00:29:01,740 --> 00:28:59,169

to bring go forward a little bit in this

668

00:29:04,860 --> 00:29:01,750

conversation to the real point of what I

669

00:29:10,830 --> 00:29:04,870

was trying to get you to respond to get

670

00:29:13,680 --> 00:29:10,840

that and about 10 years ago and I can't

671

00:29:17,399 --> 00:29:13,690

remember what date it was right now when

672

00:29:20,310 --> 00:29:17,409

the disclosure movement was under going

673

00:29:25,139 --> 00:29:20,320

strongly I came here to Washington with

674

00:29:28,350 --> 00:29:25,149

a navy commander the name of \$12 and dr.

675

00:29:30,840 --> 00:29:28,360

Steven Greer and we had were able to get

676  
00:29:32,970 --> 00:29:30,850  
an appointment at the Pentagon to talk

677  
00:29:34,919 --> 00:29:32,980  
about what we do who are what we

678  
00:29:40,529 --> 00:29:34,929  
allegedly knew what we thought we know

679  
00:29:42,419 --> 00:29:40,539  
and Witten told our strawberry and the

680  
00:29:46,019 --> 00:29:42,429  
power should be in the Intelligence

681  
00:29:52,049 --> 00:29:46,029  
Committee of the Joint Chiefs of Staff

682  
00:29:55,320 --> 00:29:52,059  
listen to our story and said the Admiral

683  
00:29:56,519 --> 00:29:55,330  
said well I don't know that story I

684  
00:30:00,080 --> 00:29:56,529  
don't know that that's true

685  
00:30:03,060 --> 00:30:00,090  
but I will find out so we departed

686  
00:30:05,879 --> 00:30:03,070  
because I want you to pick up and you've

687  
00:30:10,139 --> 00:30:05,889  
written extensively and done some

688  
00:30:13,169 --> 00:30:10,149

extensive shows on this and again you

689

00:30:15,060 --> 00:30:13,179

dubbed it the what leak did you say you

690

00:30:16,529 --> 00:30:15,070

have a leak of the century so people

691

00:30:17,970 --> 00:30:16,539

learn a little bit and tell us what

692

00:30:19,649 --> 00:30:17,980

Edgar Mitchell's talking about

693

00:30:22,080 --> 00:30:19,659

absolutely I'm glad you found that clip

694

00:30:24,710 --> 00:30:22,090

by the way Alex I was sitting in that

695

00:30:27,750 --> 00:30:24,720

audience looking at him he did that and

696

00:30:32,940 --> 00:30:27,760

it's funny how I forgot this is a 2009

697

00:30:34,970 --> 00:30:32,950

that was yeah yeah but anyway I've known

698

00:30:40,409 --> 00:30:34,980

about this since 2006

699

00:30:43,139 --> 00:30:40,419

so in fact I communicated with Edgar

700

00:30:45,149 --> 00:30:43,149

about that in back in oh six as well but

701  
00:30:46,530 --> 00:30:45,159  
essentially here's here's a story back

702  
00:30:49,710 --> 00:30:46,540  
in 1997 a

703  
00:30:51,810 --> 00:30:49,720  
that year Edgar Mitchell commander will

704  
00:30:54,480 --> 00:30:51,820  
Miller who we just mentioned dr. Steven

705  
00:30:56,190 --> 00:30:54,490  
Greer a couple of other people Greer was

706  
00:30:59,340 --> 00:30:56,200  
really leading this effort at the time

707  
00:31:01,230 --> 00:30:59,350  
to make the rounds in Washington to talk

708  
00:31:04,530 --> 00:31:01,240  
to anyone within Congress anyone in

709  
00:31:08,730 --> 00:31:04,540  
power about the UFO cover-up issue and

710  
00:31:11,600 --> 00:31:08,740  
and his particular take largely accurate

711  
00:31:13,560 --> 00:31:11,610  
I would have to say on black-budget

712  
00:31:15,390 --> 00:31:13,570  
nature of the UFO cover-up the

713  
00:31:16,980 --> 00:31:15,400

privatization the rogue nature of the

714

00:31:20,310 --> 00:31:16,990

secrecy as I think he would call it and

715

00:31:21,660 --> 00:31:20,320

I would call it so let me just interject

716

00:31:24,480 --> 00:31:21,670

here so I want you to break that down

717

00:31:26,520 --> 00:31:24,490

for people because I'd listen to like to

718

00:31:29,370 --> 00:31:26,530

Bauer's that you've given on that and

719

00:31:33,320 --> 00:31:29,380

it's spellbinding in terms of these

720

00:31:35,460 --> 00:31:33,330

secret programs the different levels of

721

00:31:36,840 --> 00:31:35,470

authorization non authorization

722

00:31:39,990 --> 00:31:36,850

knowledge that's it and then the

723

00:31:42,930 --> 00:31:40,000

privatization thing in the it's really a

724

00:31:45,390 --> 00:31:42,940

ploy to move it outside of the purview

725

00:31:48,360 --> 00:31:45,400

of the Freedom of Information Act so

726

00:31:50,250 --> 00:31:48,370

just kind of at a high level go over

727

00:31:53,520 --> 00:31:50,260

that game that's being played as that

728

00:31:56,100 --> 00:31:53,530

fits into this well let me I'll continue

729

00:31:57,510 --> 00:31:56,110

by just by telling the story but I will

730

00:32:00,270 --> 00:31:57,520

definitely want to bring that analytic

731

00:32:02,070 --> 00:32:00,280

in because it's important when it ended

732

00:32:04,710 --> 00:32:02,080

up happening and and everyone has agreed

733

00:32:06,390 --> 00:32:04,720

to this that that Greer and his group

734

00:32:09,680 --> 00:32:06,400

were able to meet with Admiral Thomas R

735

00:32:11,460 --> 00:32:09,690

Wilson who at the time was vice chair of

736

00:32:14,700 --> 00:32:11,470

intelligence for the Joint Chiefs of

737

00:32:16,650 --> 00:32:14,710

Staff the position known as j2 very

738

00:32:18,120 --> 00:32:16,660

shortly after that Wilson became head of

739

00:32:20,550 --> 00:32:18,130

intelligence for the Joint Chiefs and

740

00:32:22,050 --> 00:32:20,560

then within two years of that became

741

00:32:24,300 --> 00:32:22,060

head of the Defense Intelligence Agency

742

00:32:27,570 --> 00:32:24,310

then retired went off into private

743

00:32:31,170 --> 00:32:27,580

industry in the early Bush years but

744

00:32:33,390 --> 00:32:31,180

here we are 97 and Greer actually did a

745

00:32:35,460 --> 00:32:33,400

presentation for Wilson and Wilson's

746

00:32:38,280 --> 00:32:35,470

colleagues and one of Wilson's bosses

747

00:32:40,260 --> 00:32:38,290

and other colleagues were there and it

748

00:32:43,200 --> 00:32:40,270

was all about UFOs in fact one of the

749

00:32:45,000 --> 00:32:43,210

things mentioned was Philip J Corsos

750

00:32:48,660 --> 00:32:45,010

book the day after Roswell

751

00:32:52,820 --> 00:32:48,670

so UFO crashes so all of that is

752

00:32:55,920 --> 00:32:52,830

official in 2006 someone very close to

753

00:32:57,420 --> 00:32:55,930

all of that but not at the meeting with

754

00:33:00,720 --> 00:32:57,430

someone close to Mitchell someone close

755

00:33:04,409 --> 00:33:00,730

to that whole group

756

00:33:07,169 --> 00:33:04,419

met with me personally and we and showed

757

00:33:09,149 --> 00:33:07,179

me a couple of pages and I've never

758

00:33:11,639 --> 00:33:09,159

remembered if it's two or three pages

759

00:33:13,830 --> 00:33:11,649

it's one or the other might be two pages

760

00:33:15,450 --> 00:33:13,840

might be three pages of what looked like

761

00:33:18,210 --> 00:33:15,460

a transcript of sorts it turned out to

762

00:33:21,810 --> 00:33:18,220

be Eric Davis's notes but a transcript

763

00:33:24,450 --> 00:33:21,820

between one person writing down his

764

00:33:26,880 --> 00:33:24,460

interview with someone else and this

765

00:33:30,299 --> 00:33:26,890

individual that I was speaking with told

766

00:33:33,750 --> 00:33:30,309

me yeah this person was in the Joint

767

00:33:36,269 --> 00:33:33,760

Chiefs and met with career and was told

768

00:33:38,909 --> 00:33:36,279

about the black budget program of UFOs

769

00:33:42,930 --> 00:33:38,919

and went looking and within two months

770

00:33:44,820 --> 00:33:42,940

was found the program or one of the

771

00:33:47,220 --> 00:33:44,830

programs and then was denied access by

772

00:33:48,510 --> 00:33:47,230

the lawyers by the corporate lawyer and

773

00:33:50,490 --> 00:33:48,520

the program manager because he didn't

774

00:33:52,799 --> 00:33:50,500

ever need to know and was very upset

775

00:33:54,210 --> 00:33:52,809

about it so and then the other thing was

776

00:33:55,769 --> 00:33:54,220

that he got a that I remembered reading

777

00:33:57,960 --> 00:33:55,779

is that he had confirmation that this

778

00:34:01,889 --> 00:33:57,970

was technology not of this earth not

779

00:34:03,750 --> 00:34:01,899

made by human hands I wasn't given any

780

00:34:05,159 --> 00:34:03,760

names during that meeting but shortly

781

00:34:06,870 --> 00:34:05,169

after that I read Stephen Guerrero's

782

00:34:08,310 --> 00:34:06,880

book hidden truth forbidden knowledge

783

00:34:10,980 --> 00:34:08,320

where he wrote about his meeting with

784

00:34:12,869 --> 00:34:10,990

Wilson and I wrote back to my contact I

785

00:34:16,079 --> 00:34:12,879

said oh I guess I know who it is it's

786

00:34:17,609 --> 00:34:16,089

Wilson and he said yep ended up having a

787

00:34:19,859 --> 00:34:17,619

quick phone conversation with Admiral

788

00:34:20,940 --> 00:34:19,869

Wilson I communicated with Edgar

789

00:34:23,579 --> 00:34:20,950

Mitchell about this

790

00:34:29,730 --> 00:34:23,589

I even communicated with Steven Greer

791

00:34:32,849 --> 00:34:29,740

briefly and long story short Wilson

792

00:34:34,829 --> 00:34:32,859

would not admit whatsoever first that he

793

00:34:36,899 --> 00:34:34,839

even had the meeting then he was forced

794

00:34:38,399 --> 00:34:36,909

to admit he had the meeting and then

795

00:34:39,839 --> 00:34:38,409

said no but I never did anything after

796

00:34:41,879 --> 00:34:39,849

that I never looked into it so it was

797

00:34:43,820 --> 00:34:41,889

nonsense which is patently untrue and

798

00:34:46,829 --> 00:34:43,830

here's you have Mitchell's statement

799

00:34:48,510 --> 00:34:46,839

saying that that Wilson did look into it

800

00:34:50,579 --> 00:34:48,520

of course we don't really know like no

801  
00:34:54,089 --> 00:34:50,589  
one literally would know but what we do

802  
00:34:57,180 --> 00:34:54,099  
have is Eric Davis of National Institute

803  
00:34:58,500 --> 00:34:57,190  
of Discovery Science who was friendly

804  
00:35:00,450 --> 00:34:58,510  
with Edgar Mitchell they were all on the

805  
00:35:03,480 --> 00:35:00,460  
knids board back in those days run by

806  
00:35:06,030 --> 00:35:03,490  
Robert Bigelow the head of the board was

807  
00:35:08,550 --> 00:35:06,040  
kicked green another important member

808  
00:35:10,290 --> 00:35:08,560  
was helped put off Colm Kelleher all of

809  
00:35:13,000 --> 00:35:10,300  
these people they all knew each other

810  
00:35:15,700 --> 00:35:13,010  
and what I always call them as Bigelow

811  
00:35:17,500 --> 00:35:15,710  
club they're the people trying to work

812  
00:35:19,300 --> 00:35:17,510  
their way into the labyrinth they all

813  
00:35:21,220 --> 00:35:19,310

had their own security clearances to one

814

00:35:24,070 --> 00:35:21,230

extent or another they all knew a lot

815

00:35:26,890 --> 00:35:24,080

about UFOs they all shared what they

816

00:35:30,250 --> 00:35:26,900

could share on this matter and they did

817

00:35:35,530 --> 00:35:30,260

it for years and they still do the

818

00:35:38,520 --> 00:35:35,540

accepted again so so here in 2002 Davis

819

00:35:40,210 --> 00:35:38,530

has an opportunity to meet with Wilson

820

00:35:42,700 --> 00:35:40,220

where's the two thousand three two

821

00:35:45,610 --> 00:35:42,710

thousand three excuse me he has an

822

00:35:49,270 --> 00:35:45,620

opportunity to meet with Wilson and he

823

00:35:51,790 --> 00:35:49,280

goes and it's an roughly an hour or so

824

00:35:53,230 --> 00:35:51,800

long meeting and it's in a car and Davis

825

00:35:55,870 --> 00:35:53,240

either had recorded it or wrote these

826

00:35:59,110 --> 00:35:55,880

notes down and brings it back to the

827

00:36:05,560 --> 00:35:59,120

crew back to greenback to putt off back

828

00:36:11,260 --> 00:36:05,570

to Bigelow back to Mitchell and and when

829

00:36:15,550 --> 00:36:11,270

Mitchell died you know in 2017 his

830

00:36:17,080 --> 00:36:15,560

papers mostly were taken by his family

831

00:36:20,560 --> 00:36:17,090

like his Apollo stuff and all of that

832

00:36:21,610 --> 00:36:20,570

but the papers that had to do with mids

833

00:36:23,970 --> 00:36:21,620

the papers that had to do with

834

00:36:26,980 --> 00:36:23,980

consciousness that had to do with UFOs

835

00:36:28,390 --> 00:36:26,990

they were going to be destroyed and the

836

00:36:32,170 --> 00:36:28,400

family had no interest in it but one

837

00:36:34,180 --> 00:36:32,180

individual and I've actually don't know

838

00:36:38,260 --> 00:36:34,190

the person's full name anyway so it's no

839

00:36:42,910 --> 00:36:38,270

point but I know about this person was

840

00:36:45,250 --> 00:36:42,920

able allowed legally to take a certain

841

00:36:47,890 --> 00:36:45,260

amount of these papers out of the house

842

00:36:51,220 --> 00:36:47,900

and they have some of them had been jpg

843

00:36:55,300 --> 00:36:51,230

and one of those papers are the Eric

844

00:36:56,920 --> 00:36:55,310

Davis notes that you know were about his

845

00:36:59,050 --> 00:36:56,930

meeting with Thomas Wilson that

846

00:37:01,840 --> 00:36:59,060

confirmed things like mj-12

847

00:37:03,700 --> 00:37:01,850

that confirm the deep privatization of

848

00:37:06,010 --> 00:37:03,710

the UFO secret which we could get into

849

00:37:09,760 --> 00:37:06,020

that confirm Wilson's utter frustration

850

00:37:12,820 --> 00:37:09,770

at attempting and failing to get into

851

00:37:14,980 --> 00:37:12,830

this black budget world of special

852

00:37:18,220 --> 00:37:14,990

access program reverse engineering UFO

853

00:37:21,340 --> 00:37:18,230

Tech and maybe even et bodies although

854

00:37:24,790 --> 00:37:21,350

that didn't come up in the notes so all

855

00:37:26,260 --> 00:37:24,800

of that and I am personally waiting for

856

00:37:28,060 --> 00:37:26,270

more of these notes to come out

857

00:37:29,260 --> 00:37:28,070

know that there are more I don't know if

858

00:37:29,920 --> 00:37:29,270

they're bombshells I don't know if

859

00:37:32,010 --> 00:37:29,930

they're duds

860

00:37:34,360 --> 00:37:32,020

but I know that there's more and I think

861

00:37:36,280 --> 00:37:34,370

I'm hopeful that there will be more of

862

00:37:38,560 --> 00:37:36,290

these that come out now relating to UFO

863

00:37:42,040 --> 00:37:38,570

privatization I'll simply Oh before you

864

00:37:43,090 --> 00:37:42,050

get into that are you a little bit too

865

00:37:45,220 --> 00:37:43,100

comfortable with that

866

00:37:47,290 --> 00:37:45,230

have you been desensitized to that a

867

00:37:49,600 --> 00:37:47,300

little bit Richard because here's my

868

00:37:52,690 --> 00:37:49,610

point you know you've done an awesome

869

00:37:55,300 --> 00:37:52,700

job so this has now reached the Dolan

870

00:37:56,980 --> 00:37:55,310

level of credibility which you already

871

00:37:59,080 --> 00:37:56,990

have told this is pretty high you need

872

00:38:01,930 --> 00:37:59,090

the sources you need the documents you

873

00:38:06,420 --> 00:38:01,940

know and now you have the documents you

874

00:38:08,860 --> 00:38:06,430

say ad after disclosure are we after

875

00:38:12,580 --> 00:38:08,870

Constitution when we have these

876

00:38:15,100 --> 00:38:12,590

high-level people in disclosing that you

877

00:38:18,070 --> 00:38:15,110

know this support and defend the

878

00:38:20,260 --> 00:38:18,080

Constitution against all powers foreign

879

00:38:22,240 --> 00:38:20,270

and domestic which is what everyone

880

00:38:24,130 --> 00:38:22,250

pledges all these guys who are the

881

00:38:26,860 --> 00:38:24,140

military that was their pledge Edgar

882

00:38:28,360 --> 00:38:26,870

Mitchell that was his pledge and you can

883

00:38:30,370 --> 00:38:28,370

say he's a good guy or he didn't

884

00:38:33,370 --> 00:38:30,380

disclose enough but that was his pledge

885

00:38:36,520 --> 00:38:33,380

Wilson that was his plan and they're not

886

00:38:38,920 --> 00:38:36,530

doing it and you know are we at a

887

00:38:41,860 --> 00:38:38,930

different point where we've totally

888

00:38:43,420 --> 00:38:41,870

given up on the idea that we need to

889

00:38:45,940 --> 00:38:43,430

hold these people accountable is that

890

00:38:47,200 --> 00:38:45,950

just kind of out the window and good

891

00:38:49,060 --> 00:38:47,210

question where we are at a post

892

00:38:51,490 --> 00:38:49,070

constitutional phase I mean look we're

893

00:38:53,860 --> 00:38:51,500

in a an upside-down world where what I

894

00:38:55,450 --> 00:38:53,870

call this thing now legal illegalities

895

00:39:00,820 --> 00:38:55,460

that's really what it is it's like this

896

00:39:03,480 --> 00:39:00,830

legal framework to to protect what is

897

00:39:08,650 --> 00:39:03,490

fundamentally should be illegal in any

898

00:39:12,730 --> 00:39:11,050

that's huge you say that again I mean

899

00:39:14,800 --> 00:39:12,740

what that's what I say you know you're

900

00:39:17,530 --> 00:39:14,810

awesome but some legal illegality yeah

901  
00:39:21,250 --> 00:39:17,540  
your calmness the calmness that you

902  
00:39:25,300 --> 00:39:21,260  
bring to that the poly side calmness you

903  
00:39:28,120 --> 00:39:25,310  
know it doesn't fully bring people into

904  
00:39:30,220 --> 00:39:28,130  
what you're saying about this point we

905  
00:39:32,160 --> 00:39:30,230  
are in this thing we call the United

906  
00:39:34,660 --> 00:39:32,170  
States and we're talking about really

907  
00:39:35,980 --> 00:39:34,670  
jumping past maybe I have been

908  
00:39:37,900 --> 00:39:35,990  
desensitized I've been talking about

909  
00:39:39,840 --> 00:39:37,910  
this for 20 years I mean since 9/11

910  
00:39:42,570 --> 00:39:39,850  
again it's a lot of trouble

911  
00:39:44,880 --> 00:39:42,580  
to Psalm at least over my 911 comments

912  
00:39:46,620 --> 00:39:44,890  
that's a whole other episode perhaps but

913  
00:39:48,570 --> 00:39:46,630

I've been I've been on the other side of

914

00:39:49,950 --> 00:39:48,580

this for a long time and I've I don't

915

00:39:53,040 --> 00:39:49,960

think I've been under an illusion that

916

00:39:54,870 --> 00:39:53,050

we have a truly functioning Democratic

917

00:39:56,550 --> 00:39:54,880

Republican system I hold on to the dream

918

00:39:59,690 --> 00:39:56,560

of that because what else can I hold on

919

00:40:02,070 --> 00:39:59,700

to we what we're living in is a world of

920

00:40:03,750 --> 00:40:02,080

24/7 global fascistic type of

921

00:40:05,760 --> 00:40:03,760

surveillance set in which no one will

922

00:40:07,980 --> 00:40:05,770

ever have an inkling the privacy ever

923

00:40:09,810 --> 00:40:07,990

again for the rest of our lifetimes and

924

00:40:11,250 --> 00:40:09,820

our grandchildren's lifetimes and I'm

925

00:40:14,070 --> 00:40:11,260

still trying to wrap my head around that

926  
00:40:16,740 --> 00:40:14,080  
so that's a whole other thing so we're

927  
00:40:19,170 --> 00:40:16,750  
living in a completely different world

928  
00:40:21,720 --> 00:40:19,180  
than what we were taught in our fifth

929  
00:40:23,640 --> 00:40:21,730  
grade civics class of what American life

930  
00:40:26,280 --> 00:40:23,650  
is supposed to be and that goes for any

931  
00:40:30,150 --> 00:40:26,290  
country but in terms of the secrecy of

932  
00:40:34,200 --> 00:40:30,160  
UFOs it's so it is so profound it's so

933  
00:40:38,820 --> 00:40:34,210  
deep so for example when this whole leak

934  
00:40:41,460 --> 00:40:38,830  
came out all right I wrote I got a I got

935  
00:40:42,810 --> 00:40:41,470  
a no comment from how put off and I got

936  
00:40:44,940 --> 00:40:42,820  
a no comment a month later from kid

937  
00:40:46,800 --> 00:40:44,950  
green and I'm just gonna say like I know

938  
00:40:48,750 --> 00:40:46,810

both of these guys reasonably well

939

00:40:52,890 --> 00:40:48,760

particularly putt-off I've known for

940

00:40:56,040 --> 00:40:52,900

years and I just said you know look why

941

00:40:59,520 --> 00:40:56,050

don't why doesn't your group come out

942

00:41:01,260 --> 00:40:59,530

and own these documents because you know

943

00:41:04,680 --> 00:41:01,270

they're real you know it's the real deal

944

00:41:06,740 --> 00:41:04,690

just for posterity you're all getting up

945

00:41:12,900 --> 00:41:06,750

there like what are you hanging on to

946

00:41:14,550 --> 00:41:12,910

why are you doing this and you know all

947

00:41:18,720 --> 00:41:14,560

of them it's not just it's not just him

948

00:41:22,590 --> 00:41:18,730

it's all of them they're all in this

949

00:41:25,170 --> 00:41:22,600

world of clearances and they are

950

00:41:27,870 --> 00:41:25,180

terrified of losing their clearances all

951  
00:41:29,640 --> 00:41:27,880  
of them every last one they they don't

952  
00:41:31,470 --> 00:41:29,650  
want to acknowledge and and the funny

953  
00:41:33,780 --> 00:41:31,480  
thing about this particular document is

954  
00:41:35,310 --> 00:41:33,790  
this is Eric Davis's private notes the

955  
00:41:37,410 --> 00:41:35,320  
document itself is not a classified

956  
00:41:41,120 --> 00:41:37,420  
government document it's a private

957  
00:41:44,700 --> 00:41:41,130  
document about a classified program and

958  
00:41:47,790 --> 00:41:44,710  
legally there's nothing classified about

959  
00:41:50,100 --> 00:41:47,800  
that document like there's no reason

960  
00:41:52,050 --> 00:41:50,110  
that it should have to be classified

961  
00:41:53,460 --> 00:41:52,060  
it's a private document written by Eric

962  
00:41:55,560 --> 00:41:53,470  
Davis about a meeting

963  
00:41:58,350 --> 00:41:55,570

with someone about a classified subject

964

00:42:00,600 --> 00:41:58,360

and yet they still won't own it because

965

00:42:02,730 --> 00:42:00,610

it will reflect badly on them and they

966

00:42:05,190 --> 00:42:02,740

don't want to lose the clearances that

967

00:42:08,400 --> 00:42:05,200

they've had I spoke to someone in that

968

00:42:12,150 --> 00:42:08,410

in that crowd a number of years ago who

969

00:42:14,640 --> 00:42:12,160

told me explicitly about their knowledge

970

00:42:18,780 --> 00:42:14,650

of deep black programs that have alien

971

00:42:21,960 --> 00:42:18,790

tech and alien bodies and and they this

972

00:42:23,850 --> 00:42:21,970

person said yeah and what do I do with

973

00:42:25,470 --> 00:42:23,860

this information he said what if I told

974

00:42:28,560 --> 00:42:25,480

you that I know the names of like the

975

00:42:31,350 --> 00:42:28,570

top 10 12 15 people who are most in on

976

00:42:32,640 --> 00:42:31,360

this secret and and I leaked that

977

00:42:34,980 --> 00:42:32,650

information let's say a leak into the

978

00:42:36,300 --> 00:42:34,990

air New York Times hey what would the

979

00:42:38,400 --> 00:42:36,310

New York Times do with it probably

980

00:42:40,950 --> 00:42:38,410

nothing but if the New York Times were

981

00:42:42,390 --> 00:42:40,960

to publish it it would very likely be

982

00:42:43,890 --> 00:42:42,400

traced back to me and I would lose all

983

00:42:47,160 --> 00:42:43,900

of my clearances and then I'm out of the

984

00:42:49,080 --> 00:42:47,170

game and so that's the game all these

985

00:42:49,620 --> 00:42:49,090

people are playing now then there's

986

00:42:51,150 --> 00:42:49,630

threats

987

00:42:55,050 --> 00:42:51,160

I wrote to Mitchell on one occasion

988

00:42:56,670 --> 00:42:55,060

about this I was writing to Edgar

989

00:42:59,970 --> 00:42:56,680

Mitchell a lot in oh six oh seven oh

990

00:43:02,280 --> 00:42:59,980

eight and I said look you know you told

991

00:43:05,040 --> 00:43:02,290

me personally one time and Mitchell did

992

00:43:08,220 --> 00:43:05,050

it oh four he told me alone in a room he

993

00:43:10,260 --> 00:43:08,230

said he had two individuals at the

994

00:43:13,050 --> 00:43:10,270

highest level clearances who confirmed

995

00:43:15,600 --> 00:43:13,060

to him the existence of alien bodies and

996

00:43:17,640 --> 00:43:15,610

ET tech being held Mitchell said this to

997

00:43:20,040 --> 00:43:17,650

me in 2004 and he made this statement

998

00:43:21,960 --> 00:43:20,050

once or twice publicly but he said it to

999

00:43:24,000 --> 00:43:21,970

me and I wrote to him a few years later

1000

00:43:25,560 --> 00:43:24,010

and said look you tell me you like my

1001  
00:43:28,410 --> 00:43:25,570  
work so why don't you throw me a bone

1002  
00:43:30,810 --> 00:43:28,420  
and point me in a direction that can

1003  
00:43:32,970 --> 00:43:30,820  
help me I'm not asking you to give up

1004  
00:43:36,300 --> 00:43:32,980  
anyone but can you just give me

1005  
00:43:39,060 --> 00:43:36,310  
something and and what he wrote back was

1006  
00:43:41,400 --> 00:43:39,070  
kind of amazing he said look I support

1007  
00:43:44,340 --> 00:43:41,410  
what you do however the people who came

1008  
00:43:47,330 --> 00:43:44,350  
to me did who gave me this information

1009  
00:43:50,640 --> 00:43:47,340  
did so at great risk he said

1010  
00:43:52,980 --> 00:43:50,650  
professionally personally and risk to

1011  
00:43:54,540 --> 00:43:52,990  
their families and I will not

1012  
00:43:55,740 --> 00:43:54,550  
essentially he will not further Munder

1013  
00:43:56,650 --> 00:43:55,750

the bus while they were still alive and

1014

00:43:59,230 --> 00:43:56,660

he never

1015

00:44:01,740 --> 00:43:59,240

so risk to their families you know you

1016

00:44:03,460 --> 00:44:01,750

fill in the blank what that means but

1017

00:44:06,250 --> 00:44:03,470

these people

1018

00:44:09,070 --> 00:44:06,260

there's carrot-and-stick for them both

1019

00:44:10,270 --> 00:44:09,080

like the carrot is you play ball you're

1020

00:44:12,040 --> 00:44:10,280

a team player it's like being in

1021

00:44:14,770 --> 00:44:12,050

Goodfellas like you're a made man you

1022

00:44:16,780 --> 00:44:14,780

get you get all of these nice little

1023

00:44:19,510 --> 00:44:16,790

openings in your career for you if you

1024

00:44:22,270 --> 00:44:19,520

do not play ball they bring the hammer

1025

00:44:24,400 --> 00:44:22,280

down and however hard what one of them

1026

00:44:28,060 --> 00:44:24,410

also said this to me all right I'm not

1027

00:44:29,740 --> 00:44:28,070

giving up names when I cannot give up a

1028

00:44:32,860 --> 00:44:29,750

name I will not give up a name but one

1029

00:44:35,500 --> 00:44:32,870

of them said a lot of these programs do

1030

00:44:38,170 --> 00:44:35,510

not require you to sign an NDA or

1031

00:44:42,520 --> 00:44:38,180

security he says look when you get into

1032

00:44:51,880 --> 00:44:42,530

these programs you know you don't talk

1033

00:44:53,290 --> 00:44:51,890

about it and the Mafia yeah but anyway

1034

00:44:57,460 --> 00:44:53,300

the privatization I'll just leave you

1035

00:44:59,320 --> 00:44:57,470

with this there was a very good article

1036

00:45:02,650 --> 00:44:59,330

I was led to early on in my research

1037

00:45:05,800 --> 00:45:02,660

like a 102 by a fella named Bill

1038

00:45:07,870 --> 00:45:05,810

Sweetman who is an aviation writer he's

1039

00:45:11,110 --> 00:45:07,880

still around he did a lot of work with

1040

00:45:14,470 --> 00:45:11,120

Jim Goodall on like stealth technology

1041

00:45:17,740 --> 00:45:14,480

not UFO so much really just advanced

1042

00:45:18,910 --> 00:45:17,750

aerospace aviation work Sweetman is a

1043

00:45:20,740 --> 00:45:18,920

really good writer he wrote on the

1044

00:45:23,050 --> 00:45:20,750

aurora craft your own stealth fighter

1045

00:45:25,210 --> 00:45:23,060

stealth bomber a lot of other he's a

1046

00:45:27,970 --> 00:45:25,220

real area 51 expert and he wrote this

1047

00:45:32,860 --> 00:45:27,980

article for jane's international defense

1048

00:45:34,390 --> 00:45:32,870

in 2000 Kerli 2000 on i forget the name

1049

00:45:37,450 --> 00:45:34,400

of it black budget special access

1050

00:45:39,010 --> 00:45:37,460

programs and it was a good analysis for

1051  
00:45:41,320 --> 00:45:39,020  
a mainstream journalist for sure and he

1052  
00:45:44,950 --> 00:45:41,330  
talked about how the SI p world is

1053  
00:45:46,780 --> 00:45:44,960  
dominated was even then by private money

1054  
00:45:48,730 --> 00:45:46,790  
not by DOD personnel he said when I

1055  
00:45:51,640 --> 00:45:48,740  
looked into this to my surprise I found

1056  
00:45:54,100 --> 00:45:51,650  
that this is a totally privatized and

1057  
00:45:56,290 --> 00:45:54,110  
all the security clearances are held in

1058  
00:45:57,940 --> 00:45:56,300  
private industry and you know 10 years

1059  
00:46:01,240 --> 00:45:57,950  
later the Washington Post of all

1060  
00:46:05,050 --> 00:46:01,250  
publications did a study called think

1061  
00:46:08,950 --> 00:46:05,060  
America top secret Dana Miller bill

1062  
00:46:10,270 --> 00:46:08,960  
Arkin did that similar conclusions it's

1063  
00:46:12,370 --> 00:46:10,280

just last summer I'm talking with kid

1064

00:46:16,060 --> 00:46:12,380

green about this and he says absolutely

1065

00:46:18,280 --> 00:46:16,070

it's all when you retire from the CIA or

1066

00:46:20,710 --> 00:46:18,290

any federal group and you go into

1067

00:46:22,960 --> 00:46:20,720

private industry your clearances go up

1068

00:46:24,610 --> 00:46:22,970

and they become better and more numerous

1069

00:46:26,110 --> 00:46:24,620

he said because that's what the brain

1070

00:46:28,810 --> 00:46:26,120

power is that's where the money is

1071

00:46:30,850 --> 00:46:28,820

that's where the power is the federal

1072

00:46:32,770 --> 00:46:30,860

government in other words is just

1073

00:46:35,980 --> 00:46:32,780

holding the ball for these guys and your

1074

00:46:40,600 --> 00:46:35,990

tax dollars my tax dollars pay for the

1075

00:46:43,450 --> 00:46:40,610

security of these privatized programs to

1076

00:46:45,040 --> 00:46:43,460

make [h\_\_h] loads of money if I could say

1077

00:46:48,340 --> 00:46:45,050

that on your show if not you'll have to

1078

00:46:53,320 --> 00:46:48,350

edit me happy um to say to make a lot of

1079

00:46:57,600 --> 00:46:53,330

money off of exotic technology some of

1080

00:47:03,520 --> 00:47:00,970

not our own work so well we had we had

1081

00:47:06,160 --> 00:47:03,530

Diana Walsh Basilica on and you know her

1082

00:47:09,130 --> 00:47:06,170

book I'm nervous man I mean she just

1083

00:47:11,950 --> 00:47:09,140

directly lays it out you know here it is

1084

00:47:14,080 --> 00:47:11,960

here's the there's the secret College

1085

00:47:16,840 --> 00:47:14,090

you know where stuff's brought in here's

1086

00:47:17,830 --> 00:47:16,850

the privatized Silicon Valley guys and

1087

00:47:18,580 --> 00:47:17,840

there's just no reason to believe that

1088

00:47:21,250 --> 00:47:18,590

isn't true

1089

00:47:24,670 --> 00:47:21,260

no she also hit right into that very

1090

00:47:25,750 --> 00:47:24,680

very and a weird way too because we're

1091

00:47:27,640 --> 00:47:25,760

gonna come back and swing down that

1092

00:47:29,560 --> 00:47:27,650

because the spirituality part you know

1093

00:47:31,420 --> 00:47:29,570

she kind of gets into to with the

1094

00:47:33,040 --> 00:47:31,430

Catholic Church and all that but I just

1095

00:47:36,030 --> 00:47:33,050

wanted to close the loop on what you

1096

00:47:39,460 --> 00:47:36,040

just said because the the privatization

1097

00:47:41,500 --> 00:47:39,470

first and foremost it's an end run on

1098

00:47:43,180 --> 00:47:41,510

the Constitution right something that

1099

00:47:46,780 --> 00:47:43,190

that's really what it's about

1100

00:47:48,580 --> 00:47:46,790

that's that's exactly so you have it I

1101  
00:47:50,110 --> 00:47:48,590  
mean what this is something that's been

1102  
00:47:52,390 --> 00:47:50,120  
going on since the bullet went through

1103  
00:47:54,520 --> 00:47:52,400  
Abraham Lincoln's brain in 1865 if you

1104  
00:48:00,040 --> 00:47:54,530  
really go back to history this has been

1105  
00:48:02,260 --> 00:48:00,050  
going on since that moment and and it's

1106  
00:48:04,360 --> 00:48:02,270  
just one degree after another after

1107  
00:48:07,120 --> 00:48:04,370  
another and we're now in this

1108  
00:48:10,210 --> 00:48:07,130  
upside-down world where but and it's

1109  
00:48:11,400 --> 00:48:10,220  
like I'm in my very first book I brought

1110  
00:48:13,950 --> 00:48:11,410  
in a quote

1111  
00:48:16,349 --> 00:48:13,960  
Nicolo Machiavelli from his discourses

1112  
00:48:18,660 --> 00:48:16,359  
on Livy the good book the great book and

1113  
00:48:21,180 --> 00:48:18,670

he essentially said look if you really

1114

00:48:24,120 --> 00:48:21,190

want to have a functioning revolution

1115

00:48:26,120 --> 00:48:24,130

like a revolution from above he says the

1116

00:48:29,069 --> 00:48:26,130

way to do it is you've got to retain a

1117

00:48:30,839 --> 00:48:29,079

semblance of the old forms because

1118

00:48:34,049 --> 00:48:30,849

that's all people notice that's all that

1119

00:48:35,819 --> 00:48:34,059

they're used to so it says if you you

1120

00:48:37,289 --> 00:48:35,829

can change the fundamental structure of

1121

00:48:39,450 --> 00:48:37,299

something but if you keep the exterior

1122

00:48:41,490 --> 00:48:39,460

looking the same way people will almost

1123

00:48:43,289 --> 00:48:41,500

inevitably go along and that's what's

1124

00:48:44,490 --> 00:48:43,299

exactly happening here so you've got you

1125

00:48:46,470 --> 00:48:44,500

still have presidents we still have

1126

00:48:49,410 --> 00:48:46,480

Supreme Court we still have the two

1127

00:48:51,839 --> 00:48:49,420

houses of Congress we have this system

1128

00:48:53,849 --> 00:48:51,849

in place but the bodies kind of dead and

1129

00:48:55,650 --> 00:48:53,859

it's like in the movie alien where the

1130

00:48:58,140 --> 00:48:55,660

thing comes out of the chest so you've

1131

00:49:01,140 --> 00:48:58,150

got this corpse and this new thing has

1132

00:49:02,970 --> 00:49:01,150

come out I called it the national

1133

00:49:05,039 --> 00:49:02,980

security state you can call it deep

1134

00:49:07,799 --> 00:49:05,049

state you can call it the global

1135

00:49:10,770 --> 00:49:07,809

financial system I mean it's something

1136

00:49:12,390 --> 00:49:10,780

that is standing behind and much more

1137

00:49:16,200 --> 00:49:12,400

powerful than our official political

1138

00:49:17,849 --> 00:49:16,210

institutions and how to get control back

1139

00:49:21,180 --> 00:49:17,859

in the name of the people is really our

1140

00:49:22,769 --> 00:49:21,190

single most important thing and relating

1141

00:49:24,529 --> 00:49:22,779

to UFOs I mean it's a fascinating

1142

00:49:26,450 --> 00:49:24,539

subject on every level to me

1143

00:49:29,430 --> 00:49:26,460

philosophically scientifically

1144

00:49:32,670 --> 00:49:29,440

absolutely but to me the most important

1145

00:49:34,829 --> 00:49:32,680

thing is politically because I'm not

1146

00:49:39,180 --> 00:49:34,839

interested in a world where this

1147

00:49:42,690 --> 00:49:39,190

disclosure happens to me in a completely

1148

00:49:44,370 --> 00:49:42,700

controlled manner by our social betters

1149

00:49:45,870 --> 00:49:44,380

and our political betters I got no

1150

00:49:47,640 --> 00:49:45,880

interest in that I just put me in a

1151

00:49:50,039 --> 00:49:47,650

rocket ship and I'll live on the moon I

1152

00:49:52,799 --> 00:49:50,049

don't want to live in this world I'm

1153

00:49:55,260 --> 00:49:52,809

interested in in getting to some level

1154

00:49:58,049 --> 00:49:55,270

of truth so that citizens can at least

1155

00:50:00,660 --> 00:49:58,059

have a dream of some level of

1156

00:50:07,890 --> 00:50:00,670

sovereignty and I think the UFO secret

1157

00:50:10,710 --> 00:50:07,900

has has seriously moved us it's not the

1158

00:50:13,650 --> 00:50:10,720

only thing that's created this this

1159

00:50:16,260 --> 00:50:13,660

world that we live in of a privatized

1160

00:50:18,029 --> 00:50:16,270

secrecy and legal illegality but it's

1161

00:50:20,700 --> 00:50:18,039

definitely contributed a lot and

1162

00:50:21,790 --> 00:50:20,710

political science people to this day

1163

00:50:23,320 --> 00:50:21,800

don't

1164

00:50:27,700 --> 00:50:23,330

appreciate just how important it has

1165

00:50:31,390 --> 00:50:27,710

been in creating that world I want to

1166

00:50:35,350 --> 00:50:31,400

move on I want to talk about good ET bad

1167

00:50:38,500 --> 00:50:35,360

ET because one of the things I also

1168

00:50:42,550 --> 00:50:38,510

really respect about your work Richard

1169

00:50:45,010 --> 00:50:42,560

is I feel like even though the political

1170

00:50:48,280 --> 00:50:45,020

side the national security side is your

1171

00:50:51,190 --> 00:50:48,290

swing zone you've allowed yourself to be

1172

00:50:54,520 --> 00:50:51,200

stretched in some really important ways

1173

00:50:55,780 --> 00:50:54,530

and you seemed willing and I'm just

1174

00:50:59,410 --> 00:50:55,790

surprised at how many people are

1175

00:51:02,560 --> 00:50:59,420

unwilling to go over that next hill be

1176  
00:51:05,440 --> 00:51:02,570  
it consciousness be it spirituality be

1177  
00:51:07,570 --> 00:51:05,450  
it you're unbelievable four-part

1178  
00:51:09,670 --> 00:51:07,580  
interview series and maybe even grow

1179  
00:51:11,980 --> 00:51:09,680  
beyond that with Chris Bledsoe where

1180  
00:51:16,300 --> 00:51:11,990  
he's talking about angels and we're

1181  
00:51:19,450 --> 00:51:16,310  
gonna play a clip from that so you and

1182  
00:51:20,940 --> 00:51:19,460  
your wife Tracy who is an experimenter I

1183  
00:51:23,620 --> 00:51:20,950  
don't know does she call this up an

1184  
00:51:25,570 --> 00:51:23,630  
experience or an abductee I mean that's

1185  
00:51:27,940 --> 00:51:25,580  
something we can even pull up I think

1186  
00:51:29,920 --> 00:51:27,950  
she would probably say experience there

1187  
00:51:31,300 --> 00:51:29,930  
a good thing that's her go-to because

1188  
00:51:33,070 --> 00:51:31,310

she doesn't she wouldn't say that she

1189

00:51:36,700 --> 00:51:33,080

knows she's an abductee so I was saying

1190

00:51:38,110 --> 00:51:36,710

that she she does she does believe

1191

00:51:40,630 --> 00:51:38,120

strongly that she's had a couple of

1192

00:51:44,170 --> 00:51:40,640

experiences with non-human intelligences

1193

00:51:47,440 --> 00:51:44,180

well you guys did an incredible YouTube

1194

00:51:51,400 --> 00:51:47,450

video on this that is like 80,000 views

1195

00:51:52,990 --> 00:51:51,410

and it's just incredible in terms of its

1196

00:51:54,370 --> 00:51:53,000

breadth and covering a lot of these

1197

00:51:56,800 --> 00:51:54,380

topics but there's some I wanted to

1198

00:51:58,510 --> 00:51:56,810

drill him further and I thought this

1199

00:52:00,310 --> 00:51:58,520

would be a time to do it and I think it

1200

00:52:01,600 --> 00:52:00,320

also pairs up well with as I was I

1201  
00:52:03,880 --> 00:52:01,610  
saying the recent series you've done

1202  
00:52:06,700 --> 00:52:03,890  
with Chris Bledsoe here's a guy we both

1203  
00:52:08,440 --> 00:52:06,710  
know and like respect grant camera and

1204  
00:52:10,030 --> 00:52:08,450  
he's been on my show a couple times I

1205  
00:52:12,880 --> 00:52:10,040  
know you're friends with them let me

1206  
00:52:16,000 --> 00:52:12,890  
play this clip from grant and then let's

1207  
00:52:17,470 --> 00:52:16,010  
talk about that his wife suddenly wants

1208  
00:52:22,030 --> 00:52:17,480  
to talk about I'd like to talk about

1209  
00:52:24,610 --> 00:52:22,040  
entanglement and I'm thinking why would

1210  
00:52:27,070 --> 00:52:24,620  
you ask us your husband is a PhD in

1211  
00:52:30,280 --> 00:52:27,080  
physics he's right he run the

1212  
00:52:33,550 --> 00:52:30,290  
parapsychology the they what they called

1213  
00:52:36,010 --> 00:52:33,560

a phenomenology desk at the CIA with us

1214

00:52:39,280 --> 00:52:36,020

and what people have to realize is that

1215

00:52:41,380 --> 00:52:39,290

when the CIA calls it phenomenology that

1216

00:52:42,580 --> 00:52:41,390

is a hint as to what's going on it is

1217

00:52:46,300 --> 00:52:42,590

not UFOs its

1218

00:52:47,170 --> 00:52:46,310

remote-viewing ghosts parapsychology the

1219

00:52:48,970 --> 00:52:47,180

telepathy

1220

00:52:51,310 --> 00:52:48,980

it's the whole ball of wax because it's

1221

00:52:52,840 --> 00:52:51,320

all consciousness that's the ground of

1222

00:52:54,850 --> 00:52:52,850

being it's consciousness and they know

1223

00:52:57,490 --> 00:52:54,860

that and that's why when the Canadian

1224

00:52:59,410 --> 00:52:57,500

government documents said in 1950 that

1225

00:53:00,490 --> 00:52:59,420

mental phenomena may be involved the

1226  
00:53:02,710 --> 00:53:00,500  
top-secret finding government documents

1227  
00:53:04,390 --> 00:53:02,720  
said mental phenomena may be involved in

1228  
00:53:05,890 --> 00:53:04,400  
flying saucers that's when they started

1229  
00:53:07,240 --> 00:53:05,900  
the MKULTRA stop that's when they

1230  
00:53:08,950 --> 00:53:07,250  
started all acting trying to figure out

1231  
00:53:11,560 --> 00:53:08,960  
how to consciousness work because they

1232  
00:53:13,300 --> 00:53:11,570  
had a live alien in 1947 that's how the

1233  
00:53:15,310 --> 00:53:13,310  
Americans knew to tell the Canadians in

1234  
00:53:17,680 --> 00:53:15,320  
1950 the mental phenomena was involved

1235  
00:53:19,420 --> 00:53:17,690  
nobody was talking to aliens in 1950 the

1236  
00:53:20,800 --> 00:53:19,430  
Adamski and Williamson would not come

1237  
00:53:23,140 --> 00:53:20,810  
forward until a couple days after the

1238  
00:53:24,430 --> 00:53:23,150

detonation of a hydrogen bomb Betty and

1239

00:53:25,180 --> 00:53:24,440

Barney Hill would not become public for

1240

00:53:26,800 --> 00:53:25,190

mid-60s

1241

00:53:29,170 --> 00:53:26,810

nobody said they're talking to aliens in

1242

00:53:30,760 --> 00:53:29,180

public at least and so therefore how did

1243

00:53:32,020 --> 00:53:30,770

they know that mental phenomena was

1244

00:53:33,880 --> 00:53:32,030

involved because they had a live alien

1245

00:53:35,530 --> 00:53:33,890

and they knew that the alien talked is

1246

00:53:37,360 --> 00:53:35,540

telepathic and gets in your head and

1247

00:53:40,360 --> 00:53:37,370

they went wow man if we could discover

1248

00:53:42,370 --> 00:53:40,370

how this worked and now I don't know

1249

00:53:47,890 --> 00:53:42,380

you're a New Yorker and you talk fast

1250

00:53:54,010 --> 00:53:47,900

but no one talks as fast and he's had in

1251

00:53:56,200 --> 00:53:54,020

Winnipeg Manitoba how does he do that we

1252

00:53:58,150 --> 00:53:56,210

don't we don't quite get that Graham's

1253

00:53:59,860 --> 00:53:58,160

great well I just want to give grant

1254

00:54:01,960 --> 00:53:59,870

credit because as far as I know he is

1255

00:54:03,670 --> 00:54:01,970

the first person really to key in on the

1256

00:54:06,840 --> 00:54:03,680

significance of that phrase mental

1257

00:54:10,080 --> 00:54:06,850

phenomena in the Wilbert Smithsonian

1258

00:54:12,610 --> 00:54:10,090

Department of Transport way back in 1950

1259

00:54:14,110 --> 00:54:12,620

you know we looked at other people have

1260

00:54:16,780 --> 00:54:14,120

looked at other parts of that memo for

1261

00:54:18,880 --> 00:54:16,790

years yeah the subjects more important

1262

00:54:23,640 --> 00:54:18,890

than the h-bomb and so forth but grant

1263

00:54:27,370 --> 00:54:23,650

grant keyed in below that where this

1264

00:54:28,720 --> 00:54:27,380

aspect of mental phenomena was was very

1265

00:54:31,570 --> 00:54:28,730

considered very important by the US

1266

00:54:33,850 --> 00:54:31,580

government and he uses that to catapult

1267

00:54:35,830 --> 00:54:33,860

us into a whole bunch of stuff that

1268

00:54:40,030 --> 00:54:35,840

jumps us right into the middle of this

1269

00:54:42,250 --> 00:54:40,040

good et bad et you know Richard my my

1270

00:54:44,260 --> 00:54:42,260

approach to this whole thing the whole

1271

00:54:45,710 --> 00:54:44,270

skeptical approach has been from

1272

00:54:47,410 --> 00:54:45,720

consciousness

1273

00:54:50,270 --> 00:54:47,420

that's what I was interested in

1274

00:54:51,740 --> 00:54:50,280

answering for myself you know who are we

1275

00:54:53,180 --> 00:54:51,750

why are we here well let's look at what

1276  
00:54:56,060 --> 00:54:53,190  
people are saying about consciousness

1277  
00:54:57,800 --> 00:54:56,070  
let's look at near-death experience

1278  
00:55:00,080 --> 00:54:57,810  
let's look at out-of-body experience

1279  
00:55:01,849 --> 00:55:00,090  
after death communication parapsychology

1280  
00:55:03,740 --> 00:55:01,859  
you know you look at the first 200

1281  
00:55:06,290 --> 00:55:03,750  
interviews I did that's what Dean Radin

1282  
00:55:09,380 --> 00:55:06,300  
Rupert Sheldrake parapsychology people

1283  
00:55:13,010 --> 00:55:09,390  
dr. Julie Daschle so it was interesting

1284  
00:55:15,950 --> 00:55:13,020  
when I met grant and Saint Dan I I think

1285  
00:55:18,589 --> 00:55:15,960  
I was influential to grant and saying do

1286  
00:55:22,130 --> 00:55:18,599  
you understand how consciousness how we

1287  
00:55:25,160 --> 00:55:22,140  
are how we are being part of the

1288  
00:55:27,800 --> 00:55:25,170

conspiracy is this idea that science

1289

00:55:29,930 --> 00:55:27,810

continues to tell us for biological

1290

00:55:33,890 --> 00:55:29,940

robots in a meaningless universe while

1291

00:55:36,280 --> 00:55:33,900

at the same time acting like we're just

1292

00:55:39,320 --> 00:55:36,290

saying in the kind of secret but legal

1293

00:55:40,609 --> 00:55:39,330

illegalities a they're doing Stargate

1294

00:55:43,280 --> 00:55:40,619

they're doing men who stare at goats

1295

00:55:45,280 --> 00:55:43,290

they're way beyond consciousness is an

1296

00:55:48,950 --> 00:55:45,290

illusion is an epiphenomena of the brain

1297

00:55:50,630 --> 00:55:48,960

and then grant like you said puts in the

1298

00:55:52,670 --> 00:55:50,640

missing puzzle piece and goes yeah

1299

00:55:54,490 --> 00:55:52,680

that's because in the 1950s they knew it

1300

00:55:57,349 --> 00:55:54,500

and then that makes us rethink the whole

1301  
00:56:00,020 --> 00:55:57,359  
MK ULTRA thing and what our orientation

1302  
00:56:03,170 --> 00:56:00,030  
is to evil because there's clearly evil

1303  
00:56:06,530 --> 00:56:03,180  
in MK ULTRA where we're trying to white

1304  
00:56:11,079 --> 00:56:06,540  
people's minds clean and reprogram them

1305  
00:56:16,760 --> 00:56:11,089  
and all this other stuff so jump us into

1306  
00:56:19,280 --> 00:56:16,770  
what has been your I guess process of

1307  
00:56:21,170 --> 00:56:19,290  
getting into these deeper questions and

1308  
00:56:24,530 --> 00:56:21,180  
because it also gets into spirituality

1309  
00:56:26,510 --> 00:56:24,540  
very very quickly and as as I already

1310  
00:56:28,550 --> 00:56:26,520  
hinted that and you jumped in both feet

1311  
00:56:30,530 --> 00:56:28,560  
with Chris Bledsoe so there I've laid

1312  
00:56:32,359 --> 00:56:30,540  
like 50,000 things unless let's do it so

1313  
00:56:33,980 --> 00:56:32,369

I'm I am and by the way I don't know

1314

00:56:36,109 --> 00:56:33,990

what time limit you have but I I'm

1315

00:56:38,630 --> 00:56:36,119

really enjoying this so I'll go as long

1316

00:56:41,000 --> 00:56:38,640

as you want to go I'm having a great

1317

00:56:43,070 --> 00:56:41,010

time here I will start by telling a

1318

00:56:45,500 --> 00:56:43,080

story that I have told once in a while

1319

00:56:47,599 --> 00:56:45,510

but not that often and for me it was a

1320

00:56:50,290 --> 00:56:47,609

defining moment in my life I was I think

1321

00:56:52,280 --> 00:56:50,300

20 or 21 years old at the time

1322

00:56:53,990 --> 00:56:52,290

and you know I've always thought about

1323

00:56:56,690 --> 00:56:54,000

these types of issues of free will and

1324

00:56:57,840 --> 00:56:56,700

determinism and spirituality and I think

1325

00:56:59,910 --> 00:56:57,850

a lot of people have

1326  
00:57:01,440 --> 00:56:59,920  
who's always thought about it and I went

1327  
00:57:04,920 --> 00:57:01,450  
through a very strong period where I was

1328  
00:57:08,250 --> 00:57:04,930  
I guess I was an atheist I was 19 20

1329  
00:57:11,550 --> 00:57:08,260  
years old and I had my reasons all laid

1330  
00:57:13,260 --> 00:57:11,560  
out as to why I did not believe in any

1331  
00:57:15,840 --> 00:57:13,270  
kind of transcendental reality I thought

1332  
00:57:18,060 --> 00:57:15,850  
that was all based on wish fulfillment I

1333  
00:57:20,220 --> 00:57:18,070  
just started reading Freud I remembered

1334  
00:57:22,140 --> 00:57:20,230  
and a lot of other philosophers and

1335  
00:57:24,900 --> 00:57:22,150  
existentialist you know how it is and I

1336  
00:57:26,400 --> 00:57:24,910  
thought well that's all just you know we

1337  
00:57:28,710 --> 00:57:26,410  
believe in an afterlife because were

1338  
00:57:31,140 --> 00:57:28,720

afraid of death and and we don't want to

1339

00:57:35,730 --> 00:57:31,150

come to terms so and then I I had a dog

1340

00:57:37,920 --> 00:57:35,740

and I was feeding my dog I can see this

1341

00:57:39,390 --> 00:57:37,930

in my mind even now so I've got a can of

1342

00:57:40,950 --> 00:57:39,400

dog food out and I'm opening up the can

1343

00:57:43,230 --> 00:57:40,960

and he knows exactly what I'm doing he's

1344

00:57:45,690 --> 00:57:43,240

watching me he's excited and cuz he

1345

00:57:47,340 --> 00:57:45,700

knows that I'm about to feed him and and

1346

00:57:48,270 --> 00:57:47,350

I'm observing him as he's eating and I'm

1347

00:57:49,950 --> 00:57:48,280

thinking at least a very intelligent

1348

00:57:52,970 --> 00:57:49,960

creature like he knows me he knew that

1349

00:57:55,590 --> 00:57:52,980

there was that can represented dog food

1350

00:57:57,000 --> 00:57:55,600

and plus I knew like he was aware of

1351  
00:58:00,510 --> 00:57:57,010  
many things that I wasn't aware of like

1352  
00:58:01,830 --> 00:58:00,520  
smells sounds but I thought here's

1353  
00:58:04,380 --> 00:58:01,840  
something he doesn't know he doesn't

1354  
00:58:06,450 --> 00:58:04,390  
know how the food got into that cam like

1355  
00:58:09,480 --> 00:58:06,460  
he'll never he'll never grasp that

1356  
00:58:12,120 --> 00:58:09,490  
because dog brain like it just doesn't

1357  
00:58:13,620 --> 00:58:12,130  
work like that he doesn't know what the

1358  
00:58:14,820 --> 00:58:13,630  
stars are if he looks up at them he

1359  
00:58:16,140 --> 00:58:14,830  
doesn't know what the moon is he didn't

1360  
00:58:17,940 --> 00:58:16,150  
know that he's been taken out of his

1361  
00:58:20,550 --> 00:58:17,950  
natural environment and all these other

1362  
00:58:23,040 --> 00:58:20,560  
things and I'll G Richard you're so damn

1363  
00:58:25,800 --> 00:58:23,050

smart so your dogs at this level you're

1364

00:58:27,660 --> 00:58:25,810

at this level what's here

1365

00:58:29,750 --> 00:58:27,670

what's there what's there what's there

1366

00:58:35,580 --> 00:58:29,760

and and it suddenly occurred to me that

1367

00:58:38,120 --> 00:58:35,590

my insistence on this complete like no

1368

00:58:42,090 --> 00:58:38,130

transcendental reality or that how

1369

00:58:43,950 --> 00:58:42,100

ridiculously arrogant for me to say that

1370

00:58:45,960 --> 00:58:43,960

and then of course as you go through

1371

00:58:47,220 --> 00:58:45,970

life and you realize you go back and you

1372

00:58:48,420 --> 00:58:47,230

look at people in the past and

1373

00:58:51,150 --> 00:58:48,430

everyone's always believed that they had

1374

00:58:53,490 --> 00:58:51,160

all figured out like everyone go back to

1375

00:58:55,140 --> 00:58:53,500

ancient Egypt 5,000 years ago talk to an

1376  
00:58:57,330 --> 00:58:55,150  
Egyptian peasant living on the Nile and

1377  
00:58:59,340 --> 00:58:57,340  
he'd tell you yeah when that Sun thing

1378  
00:59:00,870 --> 00:58:59,350  
goes down that's the god raw and he goes

1379  
00:59:02,580 --> 00:59:00,880  
below the disk of the earth it's shaped

1380  
00:59:04,140 --> 00:59:02,590  
like a coin and he's gonna be battling

1381  
00:59:05,700 --> 00:59:04,150  
the demons of the underworld you better

1382  
00:59:07,740 --> 00:59:05,710  
hope he wins because if he doesn't the

1383  
00:59:09,690 --> 00:59:07,750  
world will laugh like that's what they

1384  
00:59:11,470 --> 00:59:09,700  
believed we could look back and think

1385  
00:59:13,300 --> 00:59:11,480  
well that's really

1386  
00:59:16,710 --> 00:59:13,310  
but we now believe we've got our all

1387  
00:59:20,020 --> 00:59:16,720  
figured out like clearly we don't and

1388  
00:59:22,000 --> 00:59:20,030

more fundamentally our brains themselves

1389

00:59:26,590 --> 00:59:22,010

are the limitation like our brains are

1390

00:59:28,510 --> 00:59:26,600

amazing they can allow us to engage in

1391

00:59:30,550 --> 00:59:28,520

all kinds of incredible ideas and

1392

00:59:33,460 --> 00:59:30,560

realities but they have their limits and

1393

00:59:36,430 --> 00:59:33,470

in fact we understand some the limits

1394

00:59:38,890 --> 00:59:36,440

are we organize reality spatially and

1395

00:59:41,440 --> 00:59:38,900

temporally do space and time actually

1396

00:59:44,380 --> 00:59:41,450

exist the way that our minds tell us

1397

00:59:46,890 --> 00:59:44,390

well even guys like a manual can't 200

1398

00:59:49,060 --> 00:59:46,900

plus years ago said nope not really and

1399

00:59:51,670 --> 00:59:49,070

Einstein and others kind of confirmed

1400

00:59:54,550 --> 00:59:51,680

that so we know that our brains organize

1401

00:59:57,580 --> 00:59:54,560

reality so with that said I look at

1402

00:59:59,350 --> 00:59:57,590

anomalies in our world today as you I

1403

01:00:01,660 --> 00:59:59,360

think you know I published a couple of

1404

01:00:05,680 --> 01:00:01,670

books by Mike Cleland the a little guy

1405

01:00:07,870 --> 01:00:05,690

and Mike Mike's amazing his work to me

1406

01:00:10,240 --> 01:00:07,880

Mike is the true heir to people like

1407

01:00:14,350 --> 01:00:10,250

Jack velay and John keel in terms of

1408

01:00:16,690 --> 01:00:14,360

looking at this synchronistic world that

1409

01:00:19,630 --> 01:00:16,700

we live in with this meta intelligence

1410

01:00:21,820 --> 01:00:19,640

that really does seem at times to be

1411

01:00:23,740 --> 01:00:21,830

guiding us like we're each characters in

1412

01:00:25,720 --> 01:00:23,750

a video game it's like someone out there

1413

01:00:28,330 --> 01:00:25,730

saying yeah I've got I have Alex Sybaris

1414

01:00:30,550 --> 01:00:28,340

for a couple of years I'll have Dolan

1415

01:00:32,470 --> 01:00:30,560

let's have them do an interview in early

1416

01:00:36,280 --> 01:00:32,480

2020 ok cools put that on the calendar

1417

01:00:39,180 --> 01:00:36,290

like ice I whimsically wonder if things

1418

01:00:42,550 --> 01:00:39,190

like this because there are very bizarre

1419

01:00:43,840 --> 01:00:42,560

very bizarre anomalies and

1420

01:00:45,670 --> 01:00:43,850

synchronicities that happen in this

1421

01:00:47,740 --> 01:00:45,680

world and I don't pretend that I know

1422

01:00:52,020 --> 01:00:47,750

what it is but here's what I why I'm

1423

01:00:56,320 --> 01:00:52,030

getting into this because consciousness

1424

01:00:59,590 --> 01:00:56,330

clearly is important in some fundamental

1425

01:01:01,900 --> 01:00:59,600

way to this nature of our reality there

1426

01:01:04,120 --> 01:01:01,910

is no question in my mind anymore we've

1427

01:01:06,460 --> 01:01:04,130

done enough genuine scientific

1428

01:01:11,200 --> 01:01:06,470

experimentation that can support that

1429

01:01:16,780 --> 01:01:11,210

and and secondly we have in an enormous

1430

01:01:18,160 --> 01:01:16,790

hole in our general understanding of

1431

01:01:20,980 --> 01:01:18,170

reality itself like there's things we

1432

01:01:24,890 --> 01:01:20,990

don't get and so in that hole are things

1433

01:01:26,809 --> 01:01:24,900

like UFOs in that hole are things like

1434

01:01:30,620 --> 01:01:26,819

you know synchronicities and

1435

01:01:32,989 --> 01:01:30,630

spirituality and maybe even like you

1436

01:01:36,019 --> 01:01:32,999

know definitely like psychic phenomena

1437

01:01:39,559 --> 01:01:36,029

psy phenomenon absolutely fit in there

1438

01:01:41,239 --> 01:01:39,569

so we don't get it yet and I'm hopeful

1439

01:01:44,239 --> 01:01:41,249

that we might one day have a better

1440

01:01:46,789 --> 01:01:44,249

understanding of it I don't consider it

1441

01:01:48,109 --> 01:01:46,799

paranormal I consider it I consider

1442

01:01:50,170 --> 01:01:48,119

those things normal but we don't have a

1443

01:01:53,509 --> 01:01:50,180

full understanding of it so back to

1444

01:01:55,910 --> 01:01:53,519

grant and his whole focus on everything

1445

01:02:00,229 --> 01:01:55,920

is consciousness well you know what

1446

01:02:02,930 --> 01:02:00,239

maybe I was gonna say why don't we throw

1447

01:02:06,910 --> 01:02:02,940

I was doing a little out of order but

1448

01:02:10,519 --> 01:02:06,920

let's throw Chris Bledsoe on the pod

1449

01:02:12,979 --> 01:02:10,529

fantastic again folks you got to listen

1450

01:02:17,390 --> 01:02:12,989

to these series of interviews but before

1451  
01:02:19,489 --> 01:02:17,400  
we do do you want to just intro Chris a

1452  
01:02:22,190 --> 01:02:19,499  
little short and tell people you know

1453  
01:02:24,259 --> 01:02:22,200  
who he is a little bit of the backstory

1454  
01:02:26,299 --> 01:02:24,269  
a little bit of the story of this

1455  
01:02:28,279 --> 01:02:26,309  
four-part interview series you did and

1456  
01:02:30,229 --> 01:02:28,289  
then you gotta play the clip that really

1457  
01:02:33,650 --> 01:02:30,239  
gets to the point of Angel because I

1458  
01:02:35,900 --> 01:02:33,660  
want to hone in on this good et baddie T

1459  
01:02:39,170 --> 01:02:35,910  
and get to the really big stuff I mean

1460  
01:02:40,849 --> 01:02:39,180  
is this God but first who is Chris

1461  
01:02:43,099 --> 01:02:40,859  
Bledsoe and what did you do in this

1462  
01:02:44,959 --> 01:02:43,109  
interview series Chris we may do a fifth

1463  
01:02:47,089 --> 01:02:44,969

part by the way I'm hopeful that we'll

1464

01:02:47,690 --> 01:02:47,099

do that but Chris lives in North

1465

01:02:51,499 --> 01:02:47,700

Carolina

1466

01:02:55,400 --> 01:02:51,509

he's guy who built built homes for

1467

01:03:00,259 --> 01:02:55,410

living as a nice big family lots of kids

1468

01:03:03,680 --> 01:03:00,269

and had he's had a near-death experience

1469

01:03:08,079 --> 01:03:03,690

as a child which I think was significant

1470

01:03:12,259 --> 01:03:08,089

but essentially as an adult starting in

1471

01:03:15,140 --> 01:03:12,269

2007 had a remarkable UFO encounter with

1472

01:03:18,349 --> 01:03:15,150

his son and three other men while they

1473

01:03:24,229 --> 01:03:18,359

were fishing and in the aftermath of

1474

01:03:25,640 --> 01:03:24,239

that had has had a series of other very

1475

01:03:27,319 --> 01:03:25,650

very incredible encounters I mean the

1476

01:03:29,380 --> 01:03:27,329

thing about his case that makes it so

1477

01:03:32,250 --> 01:03:29,390

difficult is

1478

01:03:35,040 --> 01:03:32,260

the stories seem really fantastic too

1479

01:03:36,880 --> 01:03:35,050

particularly a modern temperament like

1480

01:03:39,580 --> 01:03:36,890

encounters with what appears to be like

1481

01:03:43,870 --> 01:03:39,590

an angelic being multiple times and

1482

01:03:45,310 --> 01:03:43,880

balls of light and like and he is

1483

01:03:48,040 --> 01:03:45,320

convinced by the way that these are very

1484

01:03:51,430 --> 01:03:48,050

benevolent beings and he's had them

1485

01:03:57,880 --> 01:03:51,440

repeatedly but what what makes his story

1486

01:04:01,150 --> 01:03:57,890

hard to dismiss for me is a the the man

1487

01:04:03,610 --> 01:04:01,160

himself which I realize is not a very

1488

01:04:05,590 --> 01:04:03,620

good source of proof like I really like

1489

01:04:08,380 --> 01:04:05,600

him and I trust him but on top of that

1490

01:04:10,720 --> 01:04:08,390

he's had a lot of corroboration from

1491

01:04:13,240 --> 01:04:10,730

other individuals who have been around

1492

01:04:14,980 --> 01:04:13,250

him when things have gotten crazy that

1493

01:04:16,720 --> 01:04:14,990

includes Grant Cameron that includes

1494

01:04:18,970 --> 01:04:16,730

chase Colette ski that includes John

1495

01:04:21,850 --> 01:04:18,980

Alexander and I'm sure there are other

1496

01:04:23,800 --> 01:04:21,860

people as well oh yeah oh yes well

1497

01:04:26,110 --> 01:04:23,810

that's they're very close and in here

1498

01:04:29,380 --> 01:04:26,120

very close as as is revealed in your

1499

01:04:31,630 --> 01:04:29,390

interview series he is the real deal in

1500

01:04:36,340 --> 01:04:31,640

terms of you know you were talking about

1501

01:04:39,160 --> 01:04:36,350

a tip and paying being a case that the

1502

01:04:42,640 --> 01:04:39,170

United States government was very very

1503

01:04:45,010 --> 01:04:42,650

interested in they were on it MUFON was

1504

01:04:46,540 --> 01:04:45,020

on it did a real head trip and have to

1505

01:04:49,750 --> 01:04:46,550

wonder about some kind of covert

1506

01:04:52,480 --> 01:04:49,760

activity again all this is spelled out

1507

01:04:54,100 --> 01:04:52,490

in the interview because I can even see

1508

01:04:55,900 --> 01:04:54,110

your kind of trepidation and talking

1509

01:04:57,910 --> 01:04:55,910

about the angel stuff but that makes it

1510

01:05:00,190 --> 01:04:57,920

even more significant that Dolan was

1511

01:05:02,440 --> 01:05:00,200

able was willing to go there so without

1512

01:05:06,880 --> 01:05:02,450

further ado let me play the angel clip

1513

01:05:08,530 --> 01:05:06,890

let's talk about good et bad et and the

1514

01:05:11,770 --> 01:05:08,540

church don't want to believe it they

1515

01:05:15,010 --> 01:05:11,780

think it's demonic the Madonna of the

1516

01:05:18,130 --> 01:05:15,020

world rejected it because of these

1517

01:05:21,490 --> 01:05:18,140

individuals that were controlling the

1518

01:05:24,970 --> 01:05:21,500

thing and here I'm stuck and I've got

1519

01:05:27,340 --> 01:05:24,980

these entities telling me you've got to

1520

01:05:29,560 --> 01:05:27,350

tell your story you got to tell your

1521

01:05:31,720 --> 01:05:29,570

story they tell what you know and I told

1522

01:05:34,060 --> 01:05:31,730

month on I believed there were angels I

1523

01:05:36,520 --> 01:05:34,070

just put it right out there and to do

1524

01:05:38,490 --> 01:05:36,530

today I'm pretty sure that's what we're

1525

01:05:42,110 --> 01:05:38,500

experiencing maybe I'm wrong

1526

01:05:45,630 --> 01:05:42,120

but I don't think so okay there it is

1527

01:05:47,640 --> 01:05:45,640

there it is indeed and again I just

1528

01:05:49,560 --> 01:05:47,650

realized this opportunity to say the

1529

01:05:53,370 --> 01:05:49,570

same thing over and over again listen to

1530

01:05:56,550 --> 01:05:53,380

Richards for parts this is a UFO case of

1531

01:05:59,640 --> 01:05:56,560

the first order you know has multiple

1532

01:06:01,800 --> 01:05:59,650

eyewitnesses reported consistent with

1533

01:06:04,080 --> 01:06:01,810

all the other not all the other but with

1534

01:06:06,570 --> 01:06:04,090

many other UFO cases this isn't a

1535

01:06:08,760 --> 01:06:06,580

one-off kind of thing and then he drops

1536

01:06:11,310 --> 01:06:08,770

the angel bomb on us which we've heard

1537

01:06:14,460 --> 01:06:11,320

in various ways that hey we're really

1538

01:06:16,380 --> 01:06:14,470

talking about God here in some way or

1539

01:06:19,890 --> 01:06:16,390

something close to her associated with

1540

01:06:22,110 --> 01:06:19,900

what we honor most is spirituality what

1541

01:06:25,470 --> 01:06:22,120

do you think Richard it's it's amazing

1542

01:06:27,360 --> 01:06:25,480

having talked with him and I'll just

1543

01:06:32,340 --> 01:06:27,370

point out if those four interviews I I

1544

01:06:35,370 --> 01:06:32,350

felt that I really I told Chris I said I

1545

01:06:38,040 --> 01:06:35,380

want to I want to get this story out

1546

01:06:41,160 --> 01:06:38,050

logically and thoroughly and you have to

1547

01:06:42,870 --> 01:06:41,170

allow me to ask you questions that are

1548

01:06:44,580 --> 01:06:42,880

going to challenge you but I want to

1549

01:06:47,700 --> 01:06:44,590

give you ultimate ly the opportunity to

1550

01:06:50,190 --> 01:06:47,710

tell your story and we developed a very

1551

01:06:51,870 --> 01:06:50,200

I think a very gentle rapport back and

1552

01:06:52,350 --> 01:06:51,880

forth and so I was very pleased about

1553

01:06:58,440 --> 01:06:52,360

that

1554

01:07:00,450 --> 01:06:58,450

in terms of his his account of things he

1555

01:07:03,960 --> 01:07:00,460

challenges me to be perfectly honest

1556

01:07:06,510 --> 01:07:03,970

like my instinct is to I don't like

1557

01:07:09,840 --> 01:07:06,520

these types of cases my instinct says I

1558

01:07:11,610 --> 01:07:09,850

want I want a material physical nuts and

1559

01:07:15,900 --> 01:07:11,620

bolts gays to deal with I'm not gonna

1560

01:07:17,490 --> 01:07:15,910

lie like what I got into 25 years ago is

1561

01:07:20,040 --> 01:07:17,500

this idea that there's a physical

1562

01:07:22,530 --> 01:07:20,050

phenomenon this out there that there are

1563

01:07:24,690 --> 01:07:22,540

very likely beings of some sort that are

1564

01:07:26,400 --> 01:07:24,700

running it out they don't seem to be us

1565

01:07:29,730 --> 01:07:26,410

they're probably physical maybe they've

1566

01:07:31,350 --> 01:07:29,740

got magical type technology that makes

1567

01:07:34,020 --> 01:07:31,360

them seem spiritual like this is how I

1568

01:07:36,840 --> 01:07:34,030

would think it through and as time has

1569

01:07:39,150 --> 01:07:36,850

gone by that has been challenged and

1570

01:07:41,440 --> 01:07:39,160

Chris without doubt it's challenged it

1571

01:07:43,810 --> 01:07:41,450

very very strongly for me so

1572

01:07:46,150 --> 01:07:43,820

um you know I'm at the point now in my

1573

01:07:49,870 --> 01:07:46,160

life I'm almost 60 which is shocks me

1574

01:07:51,490 --> 01:07:49,880

I'm 57 and well a lot of waters gone

1575

01:07:53,740 --> 01:07:51,500

under the bridge in the years that I've

1576

01:07:58,230 --> 01:07:53,750

done this and I would say I'm at a point

1577

01:08:02,950 --> 01:07:58,240

in my life where I actually do believe

1578

01:08:07,359 --> 01:08:02,960

in a dimension of reality beyond this

1579

01:08:08,950 --> 01:08:07,369

physical realm that we live in and I'll

1580

01:08:11,380 --> 01:08:08,960

tell I'll share a story that I have

1581

01:08:12,790 --> 01:08:11,390

actually I've told on my website on the

1582

01:08:15,069 --> 01:08:12,800

members site but I've not said this

1583

01:08:18,220 --> 01:08:15,079

publicly and I'm happy to say it here my

1584

01:08:21,670 --> 01:08:18,230

father died just over a year ago he was

1585

01:08:27,039 --> 01:08:21,680

a month before he turned 80 in December

1586

01:08:30,190 --> 01:08:27,049

of 2018 right he and I were quite close

1587

01:08:33,130 --> 01:08:30,200

his name was also Richard and I mean I

1588

01:08:34,360 --> 01:08:33,140

had very kind of tight relationship with

1589

01:08:38,019 --> 01:08:34,370

him his whole life he was a retired New

1590

01:08:41,140 --> 01:08:38,029

York City cop worked at the World Trade

1591

01:08:43,539 --> 01:08:41,150

Center and had September 11th off that

1592

01:08:45,820 --> 01:08:43,549

day many other things many shared his

1593

01:08:48,130 --> 01:08:45,830

job with was killed that day but my dad

1594

01:08:52,479 --> 01:08:48,140

and I were always close and he died on

1595

01:08:53,829 --> 01:08:52,489

December 2nd of 2018 living about a

1596

01:08:55,420 --> 01:08:53,839

hundred and fifty miles away from me

1597

01:08:59,559 --> 01:08:55,430

I've spoken with him on the phone

1598

01:09:01,209 --> 01:08:59,569

earlier that day and I didn't expect he

1599

01:09:04,860 --> 01:09:01,219

was in the hospital he was not feeling

1600

01:09:09,490 --> 01:09:04,870

well but no one thought he was gonna die

1601  
01:09:10,780 --> 01:09:09,500  
and then in that evening in around 8:20

1602  
01:09:13,660 --> 01:09:10,790  
in the evening I was sitting on the

1603  
01:09:18,039 --> 01:09:13,670  
couch next to Tracy we were both working

1604  
01:09:20,470 --> 01:09:18,049  
on our laptops and I had just had two

1605  
01:09:22,599 --> 01:09:20,480  
little ceiling lights installed like a

1606  
01:09:24,999 --> 01:09:22,609  
few months earlier in my living room and

1607  
01:09:27,280 --> 01:09:25,009  
they were on a dimmer setting a dim

1608  
01:09:28,390 --> 01:09:27,290  
setting and Tracy noticed at first she

1609  
01:09:30,789 --> 01:09:28,400  
looked up because look at those lights

1610  
01:09:34,720 --> 01:09:30,799  
are going crazy they're going bright dim

1611  
01:09:36,849 --> 01:09:34,730  
bright dim bright dim bright dim and me

1612  
01:09:39,010 --> 01:09:36,859  
I you know I got it all worked out my

1613  
01:09:41,979 --> 01:09:39,020

god stupid lights what's going on with

1614

01:09:44,920 --> 01:09:41,989

ASA and I get up and I'm staring at the

1615

01:09:46,840 --> 01:09:44,930

lights and I'm watching them freaking

1616

01:09:50,289 --> 01:09:46,850

like these lights is freaking out I'm

1617

01:09:52,519 --> 01:09:50,299

thinking I got I got that wiring myself

1618

01:09:54,169 --> 01:09:52,529

I got know exactly what it was I had a

1619

01:09:55,609 --> 01:09:54,179

Isis contractor would install them I

1620

01:10:00,439 --> 01:09:55,619

watched him go in they were rock-solid

1621

01:10:01,970 --> 01:10:00,449

and I turned the light on and off a few

1622

01:10:04,430 --> 01:10:01,980

times and jammed to switch up and down

1623

01:10:06,709 --> 01:10:04,440

the dimmer setting and that stopped it

1624

01:10:08,359 --> 01:10:06,719

15 minutes later my sister called me to

1625

01:10:10,790 --> 01:10:08,369

tell me that her dad had died 15 minutes

1626

01:10:13,189 --> 01:10:10,800

earlier and and I think about that and

1627

01:10:15,799 --> 01:10:13,199

like all right so that just a

1628

01:10:17,540 --> 01:10:15,809

coincidence so some of you are really

1629

01:10:19,609 --> 01:10:17,550

skeptical guests who've been on here in

1630

01:10:20,720 --> 01:10:19,619

the past or say just a coincidence but

1631

01:10:23,209 --> 01:10:20,730

how many times you have to have a

1632

01:10:26,240 --> 01:10:23,219

coincidence like that to think something

1633

01:10:28,580 --> 01:10:26,250

happened here now what really got me

1634

01:10:30,500 --> 01:10:28,590

thinking was how the hell would my

1635

01:10:33,020 --> 01:10:30,510

father have done that would he have

1636

01:10:34,609 --> 01:10:33,030

flown instantly 150 miles over the New

1637

01:10:36,859 --> 01:10:34,619

York State Thruway gotten into the

1638

01:10:38,750 --> 01:10:36,869

wiring of my home and shouted hey Reggie

1639

01:10:42,580 --> 01:10:38,760

take a look at this like is that what he

1640

01:10:45,589 --> 01:10:42,590

was doing or how did he arrive and no

1641

01:10:47,479 --> 01:10:45,599

like if you want to go down this road to

1642

01:10:49,700 --> 01:10:47,489

go to those lights which had just been

1643

01:10:52,189 --> 01:10:49,710

installed and which were on a dim

1644

01:10:53,330 --> 01:10:52,199

setting and to play with them like how

1645

01:10:54,680 --> 01:10:53,340

does that whole thing work like I don't

1646

01:10:57,799 --> 01:10:54,690

know how that works

1647

01:11:00,410 --> 01:10:57,809

but but there's something in our physics

1648

01:11:03,410 --> 01:11:00,420

and yes I'm gonna just say I choose to

1649

01:11:05,299 --> 01:11:03,420

believe that somehow the my father's

1650

01:11:07,760 --> 01:11:05,309

death and that light phenomena are

1651

01:11:10,250 --> 01:11:07,770

related I don't know how it's related I

1652

01:11:14,750 --> 01:11:10,260

don't know who did that or what that was

1653

01:11:17,540 --> 01:11:14,760

but that tells me or it hints to me

1654

01:11:20,810 --> 01:11:17,550

that's just one more example of our

1655

01:11:24,379 --> 01:11:20,820

world giving us these hints that there's

1656

01:11:27,589 --> 01:11:24,389

something much bigger going on here and

1657

01:11:29,540 --> 01:11:27,599

and I'm with grant in the sense that and

1658

01:11:31,720 --> 01:11:29,550

I'm with Chris Bledsoe in the sense that

1659

01:11:35,600 --> 01:11:31,730

I don't think that it's all negative but

1660

01:11:37,520 --> 01:11:35,610

I'm not with I don't know I don't know

1661

01:11:39,500 --> 01:11:37,530

where grant stands on this actually but

1662

01:11:41,899 --> 01:11:39,510

I wouldn't be with him if he were to say

1663

01:11:42,169 --> 01:11:41,909

it's all positive like I don't believe

1664

01:11:43,760 --> 01:11:42,179

that

1665

01:11:45,919 --> 01:11:43,770

I mean Steven Greer would say it's all

1666

01:11:49,520 --> 01:11:45,929

positive - and I strongly disagree with

1667

01:11:51,589 --> 01:11:49,530

that I think that's just foolish so I

1668

01:11:53,390 --> 01:11:51,599

think that's almost to me the third

1669

01:11:55,069 --> 01:11:53,400

dimension of it because I want to recap

1670

01:11:58,399 --> 01:11:55,079

what you talked about which I find so

1671

01:12:00,950 --> 01:11:58,409

intriguing the first dimension isn't the

1672

01:12:03,830 --> 01:12:00,960

proper word forgive me but the first

1673

01:12:05,989 --> 01:12:03,840

question that pops to mind is what is

1674

01:12:07,939 --> 01:12:05,999

the interface with our physical reality

1675

01:12:09,919 --> 01:12:07,949

yeah cuz we're interested in that we

1676

01:12:12,140 --> 01:12:09,929

have this kind of curious engineering

1677

01:12:15,259 --> 01:12:12,150

mind how did he make the lights shift

1678

01:12:18,799 --> 01:12:15,269

like right exactly and the second I

1679

01:12:22,540 --> 01:12:18,809

think a question that pops up is what is

1680

01:12:24,859 --> 01:12:22,550

the technology of the consciousness

1681

01:12:26,120 --> 01:12:24,869

interface and I think that's

1682

01:12:28,430 --> 01:12:26,130

particularly interesting because when we

1683

01:12:30,859 --> 01:12:28,440

look at ET and we start looking at the

1684

01:12:32,750 --> 01:12:30,869

cases there's clearly as Grant pointed

1685

01:12:35,270 --> 01:12:32,760

out in that clip we played from the

1686

01:12:37,219 --> 01:12:35,280

1950s we understood there's mental

1687

01:12:38,870 --> 01:12:37,229

telepathy is the means of communication

1688

01:12:41,930 --> 01:12:38,880

we've a little [h\_\_\h] we don't how to do

1689

01:12:44,540 --> 01:12:41,940

that but apparently they do and they

1690

01:12:46,370 --> 01:12:44,550

have it like a app on their iPhone so

1691

01:12:48,469 --> 01:12:46,380

there's a technology component to

1692

01:12:50,810 --> 01:12:48,479

consciousness that we just totally don't

1693

01:12:53,299 --> 01:12:50,820

get and it also relates this time-space

1694

01:12:55,549 --> 01:12:53,309

thing that we don't get but then the

1695

01:12:57,560 --> 01:12:55,559

third dimension of it which you just

1696

01:12:59,779 --> 01:12:57,570

just touched on it and I think is so

1697

01:13:02,120 --> 01:12:59,789

fascinating and I really want to get to

1698

01:13:04,910 --> 01:13:02,130

it because it gets to the heart of the

1699

01:13:08,719 --> 01:13:04,920

video that you did with Tracy and that's

1700

01:13:11,450 --> 01:13:08,729

the good versus evil but moral

1701

01:13:13,580 --> 01:13:11,460

imperative it's so challenging because

1702

01:13:15,080 --> 01:13:13,590

we've all gone through you know you said

1703

01:13:16,729 --> 01:13:15,090

you went through an atheistic phase any

1704

01:13:18,529 --> 01:13:16,739

thinking person doesn't go through an

1705

01:13:22,160 --> 01:13:18,539

atheistic phase because muscles are fed

1706

01:13:24,439 --> 01:13:22,170

with this kind of narrow Christian dogma

1707

01:13:27,140 --> 01:13:24,449

if you get on the ark kind of stuff but

1708

01:13:31,310 --> 01:13:27,150

when we blast past that we're still

1709

01:13:33,830 --> 01:13:31,320

faced with is there good and bad and how

1710

01:13:35,870 --> 01:13:33,840

does that work you talking about grant

1711

01:13:37,939 --> 01:13:35,880

let me play what grant has to say about

1712

01:13:40,600 --> 01:13:37,949

that and then I want to get your take

1713

01:13:43,430 --> 01:13:40,610

and then I'll offer my take on it

1714

01:13:44,689 --> 01:13:43,440

there's good and bad there is a moral

1715

01:13:48,350 --> 01:13:44,699

difference you know take the most

1716

01:13:50,060 --> 01:13:48,360

extreme example the guy who's taking

1717

01:13:51,770 --> 01:13:50,070

little kids and cutting them up and

1718

01:13:54,709 --> 01:13:51,780

selling their body parts and sexually

1719

01:13:57,049 --> 01:13:54,719

molesting them that in my mind is is bad

1720

01:13:59,060 --> 01:13:57,059

it's evil and then there were there's a

1721

01:14:01,189 --> 01:13:59,070

bunch of shades in between and then

1722

01:14:02,479 --> 01:14:01,199

there's some really holy good people

1723

01:14:03,919 --> 01:14:02,489

that I don't know how they do it but

1724

01:14:06,529 --> 01:14:03,929

they keep all their [h\_\_h] together and

1725

01:14:08,209 --> 01:14:06,539

they really do it how's your universe is

1726

01:14:10,310 --> 01:14:08,219

there good in bed because some people in

1727

01:14:12,169 --> 01:14:10,320

the consciousness camp say well there's

1728

01:14:14,540 --> 01:14:12,179

really no good and bad it all just kind

1729

01:14:16,040 --> 01:14:14,550

of you know well if you go to the nude

1730

01:14:17,810 --> 01:14:16,050

and stuff no if you get into

1731

01:14:19,629 --> 01:14:17,820

reincarnation it's all experience if you

1732

01:14:21,759 --> 01:14:19,639

is wait the mistake you make is you

1733

01:14:23,500 --> 01:14:21,769

you did it in that sentence you say okay

1734

01:14:25,389 --> 01:14:23,510

this is guys to cut up little people or

1735

01:14:28,359 --> 01:14:25,399

whatever okay and then there's these

1736

01:14:30,580 --> 01:14:28,369

good people who basically have it all

1737

01:14:32,319 --> 01:14:30,590

together and I would go to don't I have

1738

01:14:33,699 --> 01:14:32,329

to quote the Bible but we with the whole

1739

01:14:35,439 --> 01:14:33,709

thing with the prostitute Jesus said

1740

01:14:37,540 --> 01:14:35,449

lead he who's perfect cast the first

1741

01:14:39,459 --> 01:14:37,550

stone all you have you do not have good

1742

01:14:42,040 --> 01:14:39,469

people and bad people you do not have

1743

01:14:44,709 --> 01:14:42,050

good aliens and that is you have it see

1744

01:14:48,699 --> 01:14:44,719

for their good deeds in there there is a

1745

01:14:50,949 --> 01:14:48,709

42 Rey Hernandez it oh shoot I didn't

1746

01:14:52,689 --> 01:14:50,959

mean to cut that off but I did so let's

1747

01:14:53,799 --> 01:14:52,699

just let's just leave it right there I

1748

01:14:56,770 --> 01:14:53,809

do have to give a shout out to my

1749

01:15:00,069 --> 01:14:56,780

friends at Graham Erica who hosted this

1750

01:15:03,129 --> 01:15:00,079

conversation between grant and I but you

1751

01:15:04,089 --> 01:15:03,139

get the gist of it what do you think oh

1752

01:15:06,580 --> 01:15:04,099

man

1753

01:15:09,909 --> 01:15:06,590

you ever read the Grand Inquisitor by

1754

01:15:11,620 --> 01:15:09,919

Dostoyevsky yes I'm aware but I can't

1755

01:15:15,250 --> 01:15:11,630

say that all these classics I just have

1756

01:15:18,909 --> 01:15:15,260

awareness amazing so if two brothers are

1757

01:15:21,009 --> 01:15:18,919

debating one is a pious priest to be and

1758

01:15:23,770 --> 01:15:21,019

one as an atheist intellectual and the

1759

01:15:25,929 --> 01:15:23,780

atheist wrote this story the Grand

1760

01:15:29,169 --> 01:15:25,939

Inquisitor and basically he was talking

1761

01:15:31,509 --> 01:15:29,179

about his his his belief where he says

1762

01:15:33,520 --> 01:15:31,519

look I don't believe in a god I don't

1763

01:15:38,770 --> 01:15:33,530

believe that there's any any salvation

1764

01:15:41,919 --> 01:15:38,780

enough that could justify you know the

1765

01:15:44,259 --> 01:15:41,929

kinds of crimes that of torturing

1766

01:15:45,850 --> 01:15:44,269

children or killing children or abusing

1767

01:15:47,739 --> 01:15:45,860

people in such a horrible way like

1768

01:15:49,839 --> 01:15:47,749

there's no when you take someone who's

1769

01:15:52,779 --> 01:15:49,849

innocent and you do such a horrible

1770

01:15:55,179 --> 01:15:52,789

thing and you're telling me God forgives

1771

01:15:59,669 --> 01:15:55,189

all Ivan the brother says I don't want

1772

01:16:03,159 --> 01:15:59,679

that God I rebel against that God and

1773

01:16:04,959 --> 01:16:03,169

you know grant grants I have never

1774

01:16:06,959 --> 01:16:04,969

resolved this myself I mean honestly I

1775

01:16:09,969 --> 01:16:06,969

can tell you that I've struggled with it

1776

01:16:14,319 --> 01:16:09,979

like I believe in my heart that there's

1777

01:16:16,750 --> 01:16:14,329

good and evil I do and I know evil and I

1778

01:16:20,379 --> 01:16:16,760

see it and I know good when I see it but

1779

01:16:24,909 --> 01:16:20,389

I get grants point here like you know

1780

01:16:27,219 --> 01:16:24,919

our world is a dis little dot it's a

1781

01:16:29,859 --> 01:16:27,229

little dot and when you step back you

1782

01:16:30,610 --> 01:16:29,869

can see there's this grand movement

1783

01:16:33,160 --> 01:16:30,620

happening and

1784

01:16:35,220 --> 01:16:33,170

and when we do terrible things why do we

1785

01:16:38,980 --> 01:16:35,230

do terrible things is it because we

1786

01:16:40,570 --> 01:16:38,990

because you could say maybe we lack we

1787

01:16:42,970 --> 01:16:40,580

lack the knowledge of the greater the

1788

01:16:45,640 --> 01:16:42,980

greater good I don't know where I stand

1789

01:16:48,220 --> 01:16:45,650

on that I may be struggling with that

1790

01:16:51,130 --> 01:16:48,230

till the day I die I mean I can see both

1791

01:16:52,930 --> 01:16:51,140

sides of it I think in my daily life

1792

01:16:55,420 --> 01:16:52,940

I'm absolutely one of the people who

1793

01:16:57,040 --> 01:16:55,430

sees good and evil so on a practical

1794

01:16:59,830 --> 01:16:57,050

level there's good and on a practical

1795

01:17:03,280 --> 01:16:59,840

level there's evil I don't know probably

1796

01:17:07,560 --> 01:17:03,290

after evil people is it possible that et

1797

01:17:10,540 --> 01:17:07,570

is representative of that dichotomy in

1798

01:17:14,380 --> 01:17:10,550

individual cases because absolutely you

1799

01:17:17,440 --> 01:17:14,390

know are there bad ETS who are I think

1800

01:17:19,480 --> 01:17:17,450

what when people when people deny this I

1801

01:17:23,740 --> 01:17:19,490

think like what did you just like fall

1802

01:17:26,230 --> 01:17:23,750

off the turnip truck like how how naive

1803

01:17:30,460 --> 01:17:26,240

do you have to be so I command if we

1804

01:17:31,890 --> 01:17:30,470

went back in history 2,000 years two or

1805

01:17:33,760 --> 01:17:31,900

three thousand years like ancient

1806

01:17:36,580 --> 01:17:33,770

ancient Greece

1807

01:17:38,830 --> 01:17:36,590

you know 2,500 years ago and in our nice

1808

01:17:42,760 --> 01:17:38,840

clothing with our little iPhones and our

1809

01:17:46,060 --> 01:17:42,770

technology and our shiny teeth and our

1810

01:17:48,520 --> 01:17:46,070

nice you know whatever we've got and we

1811

01:17:50,260 --> 01:17:48,530

talked to the Greek people there and

1812

01:17:51,970 --> 01:17:50,270

they'd be like wow they've got this [h\_\_h]

1813

01:17:53,800 --> 01:17:51,980

together you must have figured all of

1814

01:17:56,500 --> 01:17:53,810

your problems out like you probably

1815

01:17:58,320 --> 01:17:56,510

don't even have any war and we just look

1816

01:18:03,070 --> 01:17:58,330

at each other and like don't say a word

1817

01:18:05,710 --> 01:18:03,080

the fact is advanced technology and

1818

01:18:08,620 --> 01:18:05,720

capabilities clearly we have learned

1819

01:18:10,780 --> 01:18:08,630

does not mean that we are any better or

1820

01:18:12,430 --> 01:18:10,790

different ethically than those people we

1821

01:18:14,650 --> 01:18:12,440

we have change in a lot of ways it's

1822

01:18:17,410 --> 01:18:14,660

true like the overt kind of brutality

1823

01:18:19,390 --> 01:18:17,420

that's gone away we're transforming

1824

01:18:21,730 --> 01:18:19,400

ourselves physiologically and

1825

01:18:22,990 --> 01:18:21,740

evolutionarily because of civilization

1826

01:18:24,160 --> 01:18:23,000

is something I'd love to talk about

1827

01:18:28,450 --> 01:18:24,170

because I think it's affected our

1828

01:18:30,340 --> 01:18:28,460

psychic abilities to the worst but but

1829

01:18:32,740 --> 01:18:30,350

but basically we're still human beings

1830

01:18:34,510 --> 01:18:32,750

we're still aggressive we're supposed to

1831

01:18:36,340 --> 01:18:34,520

be aggressive by the way that's a that's

1832

01:18:38,050 --> 01:18:36,350

a canard that like we're all supposed to

1833

01:18:40,780 --> 01:18:38,060

be peace-loving and all that nonsense

1834

01:18:43,390 --> 01:18:40,790

that's that's stupid in my opinion like

1835

01:18:44,239 --> 01:18:43,400

you have to have aggression if you want

1836

01:18:47,140 --> 01:18:44,249

to survive

1837

01:18:50,029 --> 01:18:47,150

in a world like you have to be able to

1838

01:18:51,739 --> 01:18:50,039

fight you have to be able to defend it

1839

01:18:53,930 --> 01:18:51,749

if nothing else against wild animals you

1840

01:18:57,469 --> 01:18:53,940

know you go you have to be able to do

1841

01:19:00,410 --> 01:18:57,479

that that requires certain qualities

1842

01:19:01,939 --> 01:19:00,420

particularly traditionally in men that

1843

01:19:03,410 --> 01:19:01,949

is testosterone that is aggression

1844

01:19:06,080 --> 01:19:03,420

that's like that's what you do to

1845

01:19:07,250 --> 01:19:06,090

survive and to what we're seeing this is

1846

01:19:08,870 --> 01:19:07,260

I'm getting off track here but we're

1847

01:19:10,939 --> 01:19:08,880

seeing our civilization really siphoning

1848

01:19:12,439 --> 01:19:10,949

those qualities out of men and they're

1849

01:19:16,040 --> 01:19:12,449

siphoning other qualities out of women

1850

01:19:18,950 --> 01:19:16,050

as well but the fact is back to good and

1851

01:19:21,859 --> 01:19:18,960

bad if we were to go back to that

1852

01:19:23,660 --> 01:19:21,869

ancient period those people might be

1853

01:19:25,399 --> 01:19:23,670

fooled into thinking that we've got it

1854

01:19:27,560 --> 01:19:25,409

all figured out and we don't have it all

1855

01:19:30,350 --> 01:19:27,570

figured out and so if we move ahead and

1856

01:19:32,959 --> 01:19:30,360

we look at these other species that are

1857

01:19:35,890 --> 01:19:32,969

out there that have abilities that we

1858

01:19:39,080 --> 01:19:35,900

lack the real danger

1859

01:19:41,719 --> 01:19:39,090

the foolish danger is that people will

1860

01:19:43,069 --> 01:19:41,729

think oh well yeah they would have they

1861

01:19:44,899 --> 01:19:43,079

have to be good because otherwise that

1862

01:19:46,700 --> 01:19:44,909

it would destroyed us by now which is

1863

01:19:48,589 --> 01:19:46,710

what you hear Steven Greer saying and

1864

01:19:50,750 --> 01:19:48,599

he's been saying forever you know we

1865

01:19:52,669 --> 01:19:50,760

would know if they were aggressive they

1866

01:19:54,919 --> 01:19:52,679

would have shown that to which I would

1867

01:19:56,540 --> 01:19:54,929

certainly beg to differ I don't think

1868

01:19:59,629 --> 01:19:56,550

that's a logical point whatsoever

1869

01:20:03,169 --> 01:19:59,639

there's lots of ways there's lots of

1870

01:20:06,979 --> 01:20:03,179

reasons that any life-form should at

1871

01:20:09,379 --> 01:20:06,989

least if not being mistrustful then at

1872

01:20:12,680 --> 01:20:09,389

least be cautious when dealing with a

1873

01:20:15,379 --> 01:20:12,690

new life-form because the fact is I'm

1874

01:20:18,529 --> 01:20:15,389

not a utopian I'm a realist and what a

1875

01:20:21,250 --> 01:20:18,539

realist says is that all life forms and

1876

01:20:23,959 --> 01:20:21,260

all species have their own goals and

1877

01:20:27,290 --> 01:20:23,969

it's not always win-win by the way

1878

01:20:29,870 --> 01:20:27,300

that's that's another [h\_\_h] ideology

1879

01:20:31,580 --> 01:20:29,880

that we've taken on in the last couple

1880

01:20:34,160 --> 01:20:31,590

of hundred years in our society that

1881

01:20:36,950 --> 01:20:34,170

oh it's everyone can win all the time I

1882

01:20:38,660 --> 01:20:36,960

would say win-win happens sometimes it

1883

01:20:40,160 --> 01:20:38,670

can happen and sometimes it doesn't

1884

01:20:41,060 --> 01:20:40,170

happen it all depends on the

1885

01:20:44,799 --> 01:20:41,070

circumstances

1886

01:20:46,759 --> 01:20:44,809

so I don't know if these ETS are evil or

1887

01:20:48,319 --> 01:20:46,769

some of them or if they're just

1888

01:20:50,899 --> 01:20:48,329

following their own imperative for their

1889

01:20:54,410 --> 01:20:50,909

own species and doing what they do which

1890

01:20:56,479 --> 01:20:54,420

might might damage our interests like

1891

01:20:57,810 --> 01:20:56,489

that's totally possible well let me jump

1892

01:21:00,990 --> 01:20:57,820

over and play devil's

1893

01:21:02,700 --> 01:21:01,000

might help us you know and and I guess

1894

01:21:07,950 --> 01:21:02,710

I'll and play the clip but I would just

1895

01:21:10,500 --> 01:21:07,960

say I'm not confident that we have a

1896

01:21:12,240 --> 01:21:10,510

whole lot of information on the

1897

01:21:14,040 --> 01:21:12,250

motivations of these beings I've talked

1898

01:21:16,110 --> 01:21:14,050

in depth to David Jacobs I've talked in

1899

01:21:18,570 --> 01:21:16,120

death to the love and light crowd as

1900

01:21:20,310 --> 01:21:18,580

well and like everyone's got their own

1901  
01:21:23,970 --> 01:21:20,320  
take on this and I'm not convinced that

1902  
01:21:25,710 --> 01:21:23,980  
anyone really has nailed it fully so

1903  
01:21:27,570 --> 01:21:25,720  
that I so that I sit back and think oh

1904  
01:21:29,070 --> 01:21:27,580  
yes this is the person who's got it

1905  
01:21:31,710 --> 01:21:29,080  
correct like I just haven't gotten to

1906  
01:21:33,330 --> 01:21:31,720  
that point yet I think every day David

1907  
01:21:34,980 --> 01:21:33,340  
Jacobs is really interesting had him on

1908  
01:21:36,420 --> 01:21:34,990  
the show a couple of times had a kind of

1909  
01:21:38,370 --> 01:21:36,430  
threaded debate with him and Mary

1910  
01:21:41,820 --> 01:21:38,380  
Radwell who you would kind of call more

1911  
01:21:44,010 --> 01:21:41,830  
of the love and Mary I asked and but I

1912  
01:21:45,990 --> 01:21:44,020  
love respect Mary Robbo because I

1913  
01:21:48,330 --> 01:21:46,000

respect her methodology her protocols

1914

01:21:50,430 --> 01:21:48,340

seem solid she seems very aware of that

1915

01:21:54,570 --> 01:21:50,440

you know of how to do the clinical

1916

01:21:57,090 --> 01:21:54,580

practice in terms of hypnosis but Lee

1917

01:21:59,610 --> 01:21:57,100

was fooled by the firefighter who turned

1918

01:22:02,970 --> 01:21:59,620

himself blue on skype just gotta say

1919

01:22:04,680 --> 01:22:02,980

that was a whole but you just run you

1920

01:22:06,150 --> 01:22:04,690

just kind of run the numbers it what I

1921

01:22:08,460 --> 01:22:06,160

was gonna really say for me at the end

1922

01:22:10,770 --> 01:22:08,470

of that is you know I thought Mary was

1923

01:22:12,210 --> 01:22:10,780

making a really good case and David is

1924

01:22:14,640 --> 01:22:12,220

making a very good case too and then I

1925

01:22:18,270 --> 01:22:14,650

asked me and I said David is insist on

1926

01:22:20,610 --> 01:22:18,280

one thing that it is a program and she

1927

01:22:23,790 --> 01:22:20,620

paused and goes well yeah it is a

1928

01:22:25,920 --> 01:22:23,800

program I was like what what do you mean

1929

01:22:27,450 --> 01:22:25,930

it's a program there's an agenda there's

1930

01:22:29,850 --> 01:22:27,460

an initiative they are trying to

1931

01:22:31,170 --> 01:22:29,860

accomplish something I don't see how

1932

01:22:33,720 --> 01:22:31,180

that fits with your overall narrative

1933

01:22:35,850 --> 01:22:33,730

but let me digress further because yeah

1934

01:22:38,850 --> 01:22:35,860

I'm friend with did with Ray Hernandez

1935

01:22:42,350 --> 01:22:38,860

the beyond UFO people they wrote that

1936

01:22:45,060 --> 01:22:42,360

book and right at Garissa foundation guy

1937

01:22:49,110 --> 01:22:45,070

super nice guy and the one thing that

1938

01:22:52,770 --> 01:22:49,120

that Ray has at this point is he has

1939

01:22:55,080 --> 01:22:52,780

data and you can not like his data or

1940

01:22:56,970 --> 01:22:55,090

you can argue with the methods of his

1941

01:22:59,490 --> 01:22:56,980

that he used for collecting that data

1942

01:23:01,350 --> 01:22:59,500

yes and yes so I would just say yes and

1943

01:23:02,610 --> 01:23:01,360

yes for me but everything sure I'm not

1944

01:23:04,590 --> 01:23:02,620

sure you'd I think you'd have to really

1945

01:23:06,510 --> 01:23:04,600

drill into that you know he has now

1946

01:23:09,240 --> 01:23:06,520

partnered with dr. Jeffrey long who is

1947

01:23:09,750 --> 01:23:09,250

radiation oncologist from Louisiana who

1948

01:23:12,180 --> 01:23:09,760

is

1949

01:23:16,070 --> 01:23:12,190

the largest database of near-death

1950

01:23:18,330 --> 01:23:16,080

experience and having spoken with

1951

01:23:20,520 --> 01:23:18,340

Jeffers New York Times best selling off

1952

01:23:23,960 --> 01:23:20,530

their in very accomplished scientific

1953

01:23:26,340 --> 01:23:23,970

researcher a lot of people kind of have

1954

01:23:28,710 --> 01:23:26,350

negative things disparaging things to

1955

01:23:31,890 --> 01:23:28,720

say about those surveys but they don't

1956

01:23:34,110 --> 01:23:31,900

do it in a very scientific way if their

1957

01:23:36,000 --> 01:23:34,120

criticism is not scientific because I

1958

01:23:38,520 --> 01:23:36,010

always remind people that you know if

1959

01:23:40,320 --> 01:23:38,530

you want to talk about pain research its

1960

01:23:42,960 --> 01:23:40,330

experiential if you want to talk about

1961

01:23:46,880 --> 01:23:42,970

depression research grief research so we

1962

01:23:50,970 --> 01:23:46,890

have a pretty understood methodology for

1963

01:23:53,220 --> 01:23:50,980

collecting organizing experience so you

1964

01:23:56,070 --> 01:23:53,230

look at the way that Ray did it I don't

1965

01:23:59,400 --> 01:23:56,080

find a lot of holes in his methodology

1966

01:24:02,220 --> 01:23:59,410

is his data set as complete as it needs

1967

01:24:04,440 --> 01:24:02,230

to be are people being left out of the

1968

01:24:05,310 --> 01:24:04,450

conversation that would add a different

1969

01:24:07,530 --> 01:24:05,320

flavor to it

1970

01:24:09,750 --> 01:24:07,540

I'll think that is possibly true and I've

1971

01:24:11,430 --> 01:24:09,760

been very direct and telling ray that

1972

01:24:13,710 --> 01:24:11,440

and say don't wind up on the wrong side

1973

01:24:15,900 --> 01:24:13,720

of this by pushing your agenda too far

1974

01:24:17,580 --> 01:24:15,910

but and there is a definite agenda

1975

01:24:20,610 --> 01:24:17,590

that's being pushed on that by that book

1976

01:24:22,560 --> 01:24:20,620

which I I'm uncomfortable with I don't I

1977

01:24:24,030 --> 01:24:22,570

don't think I see if you have to back

1978

01:24:26,850 --> 01:24:24,040

that up I think you'd have to back that

1979

01:24:29,490 --> 01:24:26,860

up support that the idea that there's an

1980

01:24:32,760 --> 01:24:29,500

agenda because what they would say is

1981

01:24:34,380 --> 01:24:32,770

that the agenda and and grant Cameron's

1982

01:24:37,020 --> 01:24:34,390

right there with him right I mean he is

1983

01:24:40,440 --> 01:24:37,030

part of a project he would say that the

1984

01:24:42,330 --> 01:24:40,450

agenda if you will fell out of the data

1985

01:24:44,130 --> 01:24:42,340

now I know that to be true of the

1986

01:24:46,130 --> 01:24:44,140

near-death experience research in jeez

1987

01:24:49,830 --> 01:24:46,140

like I say please I have too many

1988

01:24:51,810 --> 01:24:49,840

interviews with trusted academic

1989

01:24:53,400 --> 01:24:51,820

peer-reviewed scholars has been over 200

1990

01:24:54,810 --> 01:24:53,410

period papers and near-death experience

1991

01:24:57,150 --> 01:24:54,820

and I get the same [h\_\_\h] from

1992

01:24:58,710 --> 01:24:57,160

skeptics all the time they just don't

1993

01:25:00,030 --> 01:24:58,720

know the data they don't know the

1994

01:25:01,560 --> 01:25:00,040

methodology they don't know the

1995

01:25:04,380 --> 01:25:01,570

researchers and then they say oh that's

1996

01:25:06,270 --> 01:25:04,390

adrenogenital and I'm like who has the

1997

01:25:08,160 --> 01:25:06,280

agenda not these guys know like I want

1998

01:25:09,180 --> 01:25:08,170

to jump it so I actually agree with that

1999

01:25:12,390 --> 01:25:09,190

last statement you make and I think

2000

01:25:13,680 --> 01:25:12,400

skeptics are way way they they're funny

2001  
01:25:17,160 --> 01:25:13,690  
because they don't realize how ignorant

2002  
01:25:20,010 --> 01:25:17,170  
they are my only critique I think beyond

2003  
01:25:21,030 --> 01:25:20,020  
UFOs has a lot of does have merit to it

2004  
01:25:22,080 --> 01:25:21,040  
so I don't want to just dismiss the

2005  
01:25:24,149 --> 01:25:22,090  
whole thing but

2006  
01:25:25,800 --> 01:25:24,159  
I don't like about it is this is my

2007  
01:25:26,970 --> 01:25:25,810  
understanding maybe you can correct me

2008  
01:25:31,439 --> 01:25:26,980  
and I have not spoken with ray

2009  
01:25:35,030 --> 01:25:31,449  
so I'll just say that but that it was

2010  
01:25:37,379 --> 01:25:35,040  
it's all self-reported experiences and

2011  
01:25:40,859 --> 01:25:37,389  
without without any real investigation

2012  
01:25:42,870 --> 01:25:40,869  
so you and I both I have spoken with

2013  
01:25:45,030 --> 01:25:42,880

countless people who've volunteered

2014

01:25:47,459 --> 01:25:45,040

their experiences to me and they told me

2015

01:25:49,740 --> 01:25:47,469

their story and I'll just tell you like

2016

01:25:51,479 --> 01:25:49,750

on a personal level a lot of those

2017

01:25:53,520 --> 01:25:51,489

people seem very credible to me and a

2018

01:25:55,800 --> 01:25:53,530

lot of them do not seem credible to me a

2019

01:25:58,080 --> 01:25:55,810

lot of them do not seem credible to me

2020

01:26:01,020 --> 01:25:58,090

and a lot of them frankly seem mentally

2021

01:26:02,609 --> 01:26:01,030

unstable and mentally ill and this is

2022

01:26:04,919 --> 01:26:02,619

something no one ever talks about but

2023

01:26:06,359 --> 01:26:04,929

it's definitely a reality and the other

2024

01:26:08,609 --> 01:26:06,369

thing is a lot of it is very

2025

01:26:13,250 --> 01:26:08,619

ideologically driven and I guess I'll

2026

01:26:15,870 --> 01:26:13,260

just say like New Age ideology so a huge

2027

01:26:18,209 --> 01:26:15,880

from what I could gather a significant

2028

01:26:20,700 --> 01:26:18,219

portion of the respondents to that

2029

01:26:23,669 --> 01:26:20,710

survey and I don't know this for a fact

2030

01:26:25,350 --> 01:26:23,679

but I they seem to be from basically

2031

01:26:29,879 --> 01:26:25,360

Southern California

2032

01:26:32,820 --> 01:26:29,889

maybe Sedona very like New Age cultural

2033

01:26:34,919 --> 01:26:32,830

centers now I know that's not entirely

2034

01:26:36,540 --> 01:26:34,929

true and and I don't know what the

2035

01:26:39,240 --> 01:26:36,550

numbers are but it strikes me as a very

2036

01:26:41,910 --> 01:26:39,250

high percentage so you've got a very

2037

01:26:44,640 --> 01:26:41,920

strong ideological component already

2038

01:26:46,680 --> 01:26:44,650

going into that where all of those

2039

01:26:48,570 --> 01:26:46,690

people probably almost every last one of

2040

01:26:50,250 --> 01:26:48,580

them will say yeah our space brothers

2041

01:26:54,419 --> 01:26:50,260

our Galactic Federation are here to help

2042

01:26:55,709 --> 01:26:54,429

us I have a nice collection a little bit

2043

01:26:57,479 --> 01:26:55,719

that I've that I've looked into his

2044

01:26:59,339 --> 01:26:57,489

research and spoken with ray a couple

2045

01:27:01,320 --> 01:26:59,349

times and again I'm pretty pretty

2046

01:27:02,669 --> 01:27:01,330

well-versed in how this research works

2047

01:27:05,129 --> 01:27:02,679

and one thing I have to do is kind of

2048

01:27:07,859 --> 01:27:05,139

dispel the notion that if you do the

2049

01:27:09,930 --> 01:27:07,869

survey right that shouldn't come into

2050

01:27:12,240 --> 01:27:09,940

play so we can then look at the

2051  
01:27:14,490 --> 01:27:12,250  
methodology that they use and say hey

2052  
01:27:16,050 --> 01:27:14,500  
their methodology failed in this respect

2053  
01:27:17,939 --> 01:27:16,060  
like you're saying the sample size was

2054  
01:27:19,800 --> 01:27:17,949  
not big enough the sample size was

2055  
01:27:21,780 --> 01:27:19,810  
skewed or biased in this way or that way

2056  
01:27:23,100 --> 01:27:21,790  
but there's ways to get around that

2057  
01:27:24,510 --> 01:27:23,110  
there's ways to control that because

2058  
01:27:26,339 --> 01:27:24,520  
they do it all the time like I'm saying

2059  
01:27:28,649 --> 01:27:26,349  
if you're doing a research on pain

2060  
01:27:29,630 --> 01:27:28,659  
you're asking people the same questions

2061  
01:27:31,610 --> 01:27:29,640  
we rely on that

2062  
01:27:33,800 --> 01:27:31,620  
have a method of doing it now in the

2063  
01:27:36,050 --> 01:27:33,810

people he's had on board who helped him

2064

01:27:38,420 --> 01:27:36,060

dr. Leo sprinkle dr. Rudy Shields

2065

01:27:40,400 --> 01:27:38,430

Harvard physicist I mean he has a panel

2066

01:27:42,320 --> 01:27:40,410

of very smart people that yeah they're

2067

01:27:43,670 --> 01:27:42,330

good people and again like I'm going

2068

01:27:45,380 --> 01:27:43,680

over this a million times like in

2069

01:27:47,060 --> 01:27:45,390

parapsychology research and I remember

2070

01:27:49,880 --> 01:27:47,070

Rupert Sheldrake with biologists from

2071

01:27:51,350 --> 01:27:49,890

Cambridge and you know he's done all

2072

01:27:53,180 --> 01:27:51,360

this research and then to the sceptics

2073

01:27:54,770 --> 01:27:53,190

and then you talk to Rupert and he's a

2074

01:27:56,480 --> 01:27:54,780

pretty calm guy but then when you really

2075

01:27:57,770 --> 01:27:56,490

get him wound up he says you don't think

2076

01:27:59,570 --> 01:27:57,780

I thought about that the first five

2077

01:28:00,980 --> 01:27:59,580

minutes after I thought of this thing I

2078

01:28:02,510 --> 01:28:00,990

thought how am I going to control for

2079

01:28:04,520 --> 01:28:02,520

sample size how am I going to control

2080

01:28:06,350 --> 01:28:04,530

for you know being skewed this way or

2081

01:28:08,960 --> 01:28:06,360

that way so people who know how to do

2082

01:28:10,670 --> 01:28:08,970

this do it correctly so the question

2083

01:28:13,550 --> 01:28:10,680

would be someone needs to dig into that

2084

01:28:14,960 --> 01:28:13,560

and say here are the faults I see in the

2085

01:28:16,940 --> 01:28:14,970

methodology and I just throw one other

2086

01:28:19,100 --> 01:28:16,950

thing it's like people say you can't do

2087

01:28:21,290 --> 01:28:19,110

online surveys well there's been all

2088

01:28:24,350 --> 01:28:21,300

sorts of published work that suggests

2089

01:28:27,440 --> 01:28:24,360

that online surveys are no less reliable

2090

01:28:29,270 --> 01:28:27,450

than in-person surveys and depending on

2091

01:28:30,800 --> 01:28:29,280

the subject and by the way I guess we

2092

01:28:32,230 --> 01:28:30,810

should just tell people I'm sure many

2093

01:28:34,430 --> 01:28:32,240

listeners are aware but this study

2094

01:28:37,700 --> 01:28:34,440

essentially concludes that the vast

2095

01:28:39,620 --> 01:28:37,710

majority of what we might call a alien

2096

01:28:41,810 --> 01:28:39,630

or ET encounters are very positive very

2097

01:28:44,840 --> 01:28:41,820

benign I think it's like 80 percent or

2098

01:28:47,000 --> 01:28:44,850

more are very positive right something

2099

01:28:50,740 --> 01:28:47,010

like that by the by the respondents and

2100

01:28:54,920 --> 01:28:50,750

something like 5,000 individuals I think

2101

01:28:58,640 --> 01:28:54,930

gave their data on this so it's a it's a

2102

01:29:01,190 --> 01:28:58,650

fairly large survey and and I I don't

2103

01:29:02,450 --> 01:29:01,200

think that you can't do online surveys I

2104

01:29:05,060 --> 01:29:02,460

don't think that that's necessarily the

2105

01:29:07,550 --> 01:29:05,070

case but for something like ET

2106

01:29:09,290 --> 01:29:07,560

experiences I would be a little careful

2107

01:29:12,680 --> 01:29:09,300

you know when I talk with David Jacobs

2108

01:29:14,300 --> 01:29:12,690

for example about this so as you might

2109

01:29:16,190 --> 01:29:14,310

imagine David just would roll his eyes

2110

01:29:18,350 --> 01:29:16,200

at that and think oh my god they've got

2111

01:29:20,840 --> 01:29:18,360

it all wrong but his reasoning is as

2112

01:29:22,640 --> 01:29:20,850

such he would say because when you're

2113

01:29:26,030 --> 01:29:22,650

dealing with these beings they deal in

2114

01:29:28,070 --> 01:29:26,040

deception and he said when I when I put

2115

01:29:31,040 --> 01:29:28,080

someone through hypnotic regression I've

2116

01:29:34,280 --> 01:29:31,050

got to go several times with them I've

2117

01:29:36,920 --> 01:29:34,290

gotta go deep until I can expect to

2118

01:29:40,190 --> 01:29:36,930

actually reach something past all the

2119

01:29:41,540 --> 01:29:40,200

mental shielding that's there now you

2120

01:29:42,740 --> 01:29:41,550

can take what he says and say well

2121

01:29:45,830 --> 01:29:42,750

you're just

2122

01:29:47,960 --> 01:29:45,840

that's just your way of of peeling away

2123

01:29:51,650 --> 01:29:47,970

whatever resistance to get to your

2124

01:29:53,810 --> 01:29:51,660

preconceived notion of what what that is

2125

01:29:58,460 --> 01:29:53,820

who knows what is true here I don't I

2126

01:30:01,880 --> 01:29:58,470

don't really know but I have I don't

2127

01:30:04,820 --> 01:30:01,890

know how much stock I put in that that

2128

01:30:06,290 --> 01:30:04,830

that free study beyond UFOs I'm just not

2129

01:30:08,450 --> 01:30:06,300

sure and it does strike me as a bit

2130

01:30:11,510 --> 01:30:08,460

strike magnitude I have to say like the

2131

01:30:14,120 --> 01:30:11,520

way they can come across ray can come

2132

01:30:16,130 --> 01:30:14,130

across as strident and I think and I've

2133

01:30:19,100 --> 01:30:16,140

said that him person I'll say it on the

2134

01:30:21,110 --> 01:30:19,110

air I don't think that helps him or

2135

01:30:23,330 --> 01:30:21,120

helps what he's trying to do he should

2136

01:30:24,770 --> 01:30:23,340

have been like evangelistic for his but

2137

01:30:26,870 --> 01:30:24,780

should be about that he should be about

2138

01:30:29,540 --> 01:30:26,880

the data and that's how near-death

2139

01:30:31,370 --> 01:30:29,550

experience science has advanced because

2140

01:30:33,500 --> 01:30:31,380

it's always about the data and you take

2141

01:30:36,050 --> 01:30:33,510

criticisms of the data to heart and you

2142

01:30:38,720 --> 01:30:36,060

make the data stronger and stronger and

2143

01:30:40,640 --> 01:30:38,730

I think you'll see that in the future it

2144

01:30:42,110 --> 01:30:40,650

is a first step and I do have to say you

2145

01:30:43,940 --> 01:30:42,120

know the other thing if you drill into

2146

01:30:45,710 --> 01:30:43,950

the data which is always what I do with

2147

01:30:48,530 --> 01:30:45,720

with Ray when I talk to them I say ray

2148

01:30:50,750 --> 01:30:48,540

yeah but you got my you got fifteen or I

2149

01:30:52,100 --> 01:30:50,760

don't forget what it is I think by my

2150

01:30:55,430 --> 01:30:52,110

account it was above twenty percent you

2151  
01:30:57,890 --> 01:30:55,440  
got my lab what the f is a my is my lab

2152  
01:30:59,960 --> 01:30:57,900  
doing in there this is if this is god

2153  
01:31:02,000 --> 01:30:59,970  
what you're gonna be in in your near

2154  
01:31:04,160 --> 01:31:02,010  
death uh in your near-death experience

2155  
01:31:06,410 --> 01:31:04,170  
life review when et has to go through

2156  
01:31:08,480 --> 01:31:06,420  
their life review what are they gonna

2157  
01:31:11,150 --> 01:31:08,490  
say about that my lab experience what do

2158  
01:31:13,190 --> 01:31:11,160  
they say about the reptilians raping you

2159  
01:31:14,960 --> 01:31:13,200  
know some some woman what are they gonna

2160  
01:31:17,270 --> 01:31:14,970  
say about that what does the et look

2161  
01:31:20,060 --> 01:31:17,280  
like in their life from you I I think

2162  
01:31:21,650 --> 01:31:20,070  
that that that data is out there and I

2163  
01:31:24,670 --> 01:31:21,660

agree with you to the respect that I

2164

01:31:29,060 --> 01:31:24,680

that data doesn't come through enough in

2165

01:31:30,860 --> 01:31:29,070

Ray's work it is worrisome to me that

2166

01:31:32,180 --> 01:31:30,870

data has to be in there because we we do

2167

01:31:35,450 --> 01:31:32,190

understand that to be part of this

2168

01:31:36,770 --> 01:31:35,460

experience I was good I think yes I

2169

01:31:38,960 --> 01:31:36,780

agree I'm glad you mentioned that I

2170

01:31:41,870 --> 01:31:38,970

think that um the whole good versus bad

2171

01:31:43,850 --> 01:31:41,880

et thing a lot of it is guided by our

2172

01:31:46,010 --> 01:31:43,860

you'd almost say our political

2173

01:31:47,810 --> 01:31:46,020

orientation liberal or conservative I

2174

01:31:50,390 --> 01:31:47,820

mean it's almost that simple I think

2175

01:31:52,010 --> 01:31:50,400

people who are by their natural

2176  
01:31:53,149 --> 01:31:52,020  
personality would consider themselves

2177  
01:31:55,580 --> 01:31:53,159  
very liberal

2178  
01:31:58,520 --> 01:31:55,590  
are much more likely in my experience

2179  
01:32:01,429 --> 01:31:58,530  
looking at this for 20 years - look at

2180  
01:32:04,069 --> 01:32:01,439  
these beings as part of you know the

2181  
01:32:06,169 --> 01:32:04,079  
Galactic community and as good and these

2182  
01:32:09,679 --> 01:32:06,179  
are the people who are I find more

2183  
01:32:12,889 --> 01:32:09,689  
likely to interpret their telepathic

2184  
01:32:16,580 --> 01:32:12,899  
downloads as a positive experience and

2185  
01:32:18,770 --> 01:32:16,590  
so on and I think those who are more

2186  
01:32:21,259 --> 01:32:18,780  
inclined to interpret this phenomenon in

2187  
01:32:22,669 --> 01:32:21,269  
a as an adversarial or negative way tend

2188  
01:32:24,919 --> 01:32:22,679

to be a little bit more conservative in

2189

01:32:26,659 --> 01:32:24,929

their overall orientation that's my own

2190

01:32:28,520 --> 01:32:26,669

observation I know there's exceptions

2191

01:32:30,799 --> 01:32:28,530

and the other the other thing to

2192

01:32:33,500 --> 01:32:30,809

distinguish is physical versus non

2193

01:32:35,540 --> 01:32:33,510

physical contact so when people tell me

2194

01:32:39,259 --> 01:32:35,550

that they get a download or they have a

2195

01:32:41,209 --> 01:32:39,269

non physical encounter I don't I don't

2196

01:32:44,859 --> 01:32:41,219

always dismiss it but you've got to

2197

01:32:46,939 --> 01:32:44,869

really bring me some reason to believe

2198

01:32:48,739 --> 01:32:46,949

we're as opposed to people who talk

2199

01:32:50,239 --> 01:32:48,749

about physical encounters I'm much more

2200

01:32:55,750 --> 01:32:50,249

interested in those and when you look at

2201

01:32:58,279 --> 01:32:55,760

the physical encounters that you know

2202

01:33:00,290 --> 01:32:58,289

see I'm not sure what you're biased I'm

2203

01:33:01,759 --> 01:33:00,300

not sure about your bias there Richard I

2204

01:33:04,279 --> 01:33:01,769

mean you're to go back by flickering

2205

01:33:06,639 --> 01:33:04,289

lights I mean I've heard this thing over

2206

01:33:08,839 --> 01:33:06,649

and over again that is a non-physical

2207

01:33:12,169 --> 01:33:08,849

interface I know you got me you got me

2208

01:33:14,479 --> 01:33:12,179

there I'm gonna admit that but it is a

2209

01:33:16,699 --> 01:33:14,489

bias my bias is toward physical material

2210

01:33:17,869 --> 01:33:16,709

encounters I'm not going to deny that so

2211

01:33:22,149 --> 01:33:17,879

maybe that's something I'll have to keep

2212

01:33:24,979 --> 01:33:22,159

working on I'm admitting that here but

2213

01:33:28,009 --> 01:33:24,989

but I'll also say that a lot of people

2214

01:33:31,069 --> 01:33:28,019

who have come to me with encounter

2215

01:33:33,649 --> 01:33:31,079

stories I guess all I would say is

2216

01:33:35,719 --> 01:33:33,659

they're not they're not always credible

2217

01:33:37,040 --> 01:33:35,729

people and it's not something that

2218

01:33:38,989 --> 01:33:37,050

people ever like we don't like to

2219

01:33:40,459 --> 01:33:38,999

discuss this in this field we don't like

2220

01:33:44,810 --> 01:33:40,469

to talk about the fact that there's a

2221

01:33:46,759 --> 01:33:44,820

lot of seriously damaged individuals I

2222

01:33:49,219 --> 01:33:46,769

hate to say this but there are a lot of

2223

01:33:51,199 --> 01:33:49,229

damaged people who are drawn to this

2224

01:33:54,560 --> 01:33:51,209

field sometimes because they've had

2225

01:33:56,540 --> 01:33:54,570

experiences but sometimes though because

2226

01:33:59,839 --> 01:33:56,550

they're damaged and like it's hard to

2227

01:34:01,770 --> 01:33:59,849

distinguish like what what is what and

2228

01:34:03,120 --> 01:34:01,780

and

2229

01:34:07,080 --> 01:34:03,130

I don't know if I relevant be able to

2230

01:34:09,270 --> 01:34:07,090

figure it out but so I have I have

2231

01:34:11,130 --> 01:34:09,280

sympathy and I have have compassion for

2232

01:34:13,800 --> 01:34:11,140

all of those people because you can tell

2233

01:34:15,960 --> 01:34:13,810

they're in pain but beyond that I have

2234

01:34:17,550 --> 01:34:15,970

to try to get to like what is true and I

2235

01:34:20,730 --> 01:34:17,560

don't I don't know how to get to the

2236

01:34:22,200 --> 01:34:20,740

truth of some of those stories you know

2237

01:34:25,350 --> 01:34:22,210

it went back in the days on a new Budd

2238

01:34:26,700 --> 01:34:25,360

Hopkins I was at his place once and he

2239

01:34:28,920 --> 01:34:26,710

showed me all this collection of

2240

01:34:30,780 --> 01:34:28,930

photographs of scoop marks and marked

2241

01:34:34,860 --> 01:34:30,790

body marks and all that he had a huge

2242

01:34:38,730 --> 01:34:34,870

collection of that bud was all about

2243

01:34:40,530 --> 01:34:38,740

getting physical evidence and to

2244

01:34:42,440 --> 01:34:40,540

whatever extent possible even even

2245

01:34:46,140 --> 01:34:42,450

though he didn't hypnotic regression

2246

01:34:49,350 --> 01:34:46,150

that was his his predilection and and

2247

01:34:52,230 --> 01:34:49,360

that's that remains mine because it's

2248

01:34:54,030 --> 01:34:52,240

it's something that I I guess I could

2249

01:34:56,070 --> 01:34:54,040

say I know how to do like I know how to

2250

01:34:59,490 --> 01:34:56,080

to deal with the physical world

2251

01:35:01,440 --> 01:34:59,500

I mean said all about I've been

2252

01:35:03,660 --> 01:35:01,450

struggling for the last decade or more

2253

01:35:06,000 --> 01:35:03,670

and trying to incorporate a true

2254

01:35:08,040 --> 01:35:06,010

understanding of consciousness into my

2255

01:35:10,920 --> 01:35:08,050

understanding of ufology and of the

2256

01:35:14,670 --> 01:35:10,930

world itself so I'm open to it I don't

2257

01:35:16,950 --> 01:35:14,680

throw it out but I I try to I try to

2258

01:35:18,600 --> 01:35:16,960

treat it carefully I don't I'm not

2259

01:35:21,380 --> 01:35:18,610

someone who's ever just going to embrace

2260

01:35:24,150 --> 01:35:21,390

it because it seems like a good idea

2261

01:35:26,100 --> 01:35:24,160

with we have to find out a way to be I

2262

01:35:27,510 --> 01:35:26,110

don't know how to be evidence-based with

2263

01:35:30,480 --> 01:35:27,520

some of this consciousness type of

2264

01:35:32,640 --> 01:35:30,490

eminence may be what raised on on to is

2265

01:35:35,640 --> 01:35:32,650

a good idea like you get you do survey

2266

01:35:38,490 --> 01:35:35,650

and you get as many people as you can

2267

01:35:42,980 --> 01:35:38,500

get but are all you doing is just

2268

01:35:46,080 --> 01:35:42,990

getting social you know social

2269

01:35:48,870 --> 01:35:46,090

prejudices and social ideologies instead

2270

01:35:51,630 --> 01:35:48,880

like is that all you're getting and I

2271

01:35:54,560 --> 01:35:51,640

suspect that a lot of it what he's

2272

01:35:59,070 --> 01:35:54,570

getting is that he's getting just people

2273

01:36:00,450 --> 01:35:59,080

offering an ideological take on maybe an

2274

01:36:01,860 --> 01:36:00,460

interesting dream experience they had

2275

01:36:04,170 --> 01:36:01,870

like something that might not can be

2276

01:36:06,240 --> 01:36:04,180

considered very strong evidence is being

2277

01:36:09,270 --> 01:36:06,250

considered evidence in some of these

2278

01:36:12,090 --> 01:36:09,280

accounts do you think that's that's an

2279

01:36:15,399 --> 01:36:12,100

unreasonable objection or well there's

2280

01:36:18,010 --> 01:36:15,409

something to do that you know I guess

2281

01:36:21,310 --> 01:36:18,020

I'd go back rewind it a little bit back

2282

01:36:23,680 --> 01:36:21,320

to what you said is we need somebody we

2283

01:36:25,030 --> 01:36:23,690

need both sides we need somebody who's

2284

01:36:27,760 --> 01:36:25,040

out there willing to collect the

2285

01:36:29,800 --> 01:36:27,770

evidence the best we can because you

2286

01:36:32,680 --> 01:36:29,810

know the thing about the god thing the

2287

01:36:36,070 --> 01:36:32,690

angel thing with Chris Bledsoe or the

2288

01:36:37,810 --> 01:36:36,080

god thing that Grant Cameron mentions

2289

01:36:39,550 --> 01:36:37,820

which is really I think a punt when I

2290

01:36:41,560 --> 01:36:39,560

say and I agree with you you know say

2291

01:36:43,810 --> 01:36:41,570

well there's no good or evil and you

2292

01:36:45,340 --> 01:36:43,820

know look at Michael Newton in between

2293

01:36:47,530 --> 01:36:45,350

lives and it all works out and we're

2294

01:36:49,270 --> 01:36:47,540

here for a purpose it's like I need

2295

01:36:51,820 --> 01:36:49,280

something more than that buddy you're

2296

01:36:53,979 --> 01:36:51,830

gonna have to explain the rape and

2297

01:36:55,750 --> 01:36:53,989

torture of those Reds system it you're

2298

01:36:58,090 --> 01:36:55,760

gonna have to explain it to me your

2299

01:37:00,610 --> 01:36:58,100

parent tell that's of that kid's parent

2300

01:37:02,620 --> 01:37:00,620

yeah tell us - tell that to yourself if

2301

01:37:05,350 --> 01:37:02,630

you are a parent tell that to yourself

2302

01:37:07,419 --> 01:37:05,360

if you're a victim if you have been

2303

01:37:09,729 --> 01:37:07,429

perfect this has been portrayed on you

2304

01:37:11,890 --> 01:37:09,739

don't we need to hear and respect your

2305

01:37:14,919 --> 01:37:11,900

story we don't need to take it and then

2306

01:37:16,990 --> 01:37:14,929

you know turn it into something that we

2307

01:37:19,390 --> 01:37:17,000

imagined it to be inside of our thing

2308

01:37:20,410 --> 01:37:19,400

but I gotta say like I think a lot of

2309

01:37:23,020 --> 01:37:20,420

those people I don't I don't know about

2310

01:37:25,450 --> 01:37:23,030

grant in particular and he is my friend

2311

01:37:28,180 --> 01:37:25,460

but I think a large number of those

2312

01:37:30,629 --> 01:37:28,190

people who have that opinion I really

2313

01:37:34,060 --> 01:37:30,639

wonder how how much of the world they've

2314

01:37:37,930 --> 01:37:34,070

experienced I truly wonder like have

2315

01:37:39,040 --> 01:37:37,940

they really experienced truly evil

2316

01:37:40,840 --> 01:37:39,050

people there's a lot of folks in this

2317

01:37:42,430 --> 01:37:40,850

world who live very insulated lives and

2318

01:37:49,149 --> 01:37:42,440

they they live in their own kind of

2319

01:37:50,260 --> 01:37:49,159

bubble so I'm not inclined you know yes

2320

01:37:52,720 --> 01:37:50,270

I understand in the greater

2321

01:37:54,600 --> 01:37:52,730

philosophical you step take 10 steps

2322

01:37:57,459 --> 01:37:54,610

back you can see the big picture

2323

01:37:59,410 --> 01:37:57,469

there's no good there's no evil okay you

2324

01:38:01,689 --> 01:37:59,420

can make that argument but in our world

2325

01:38:05,140 --> 01:38:01,699

I think there's definitely good and

2326

01:38:07,810 --> 01:38:05,150

there is definitely evil but it does get

2327

01:38:10,030 --> 01:38:07,820

complicated I mean that's why it's so

2328

01:38:12,550 --> 01:38:10,040

interesting and I think it's more than

2329

01:38:14,860 --> 01:38:12,560

just fun it's it's important to kind of

2330

01:38:18,070 --> 01:38:14,870

switch back to the Chris Bledsoe story

2331

01:38:21,129 --> 01:38:18,080

right and say here's someone who's run

2332

01:38:22,780 --> 01:38:21,139

the gauntlet done all the right stuff in

2333

01:38:25,330 --> 01:38:22,790

terms of trying to understand his

2334

01:38:27,920 --> 01:38:25,340

experience and seems to genuinely have

2335

01:38:30,470 --> 01:38:27,930

come to the conclusion

2336

01:38:32,300 --> 01:38:30,480

is unfortunately for you very much in

2337

01:38:34,370 --> 01:38:32,310

line with what ray is saying because

2338

01:38:38,990 --> 01:38:34,380

that is kind of that's just Bledsoe

2339

01:38:40,940 --> 01:38:39,000

story Chris Bledsoe story is repeated

2340

01:38:43,640 --> 01:38:40,950

over and over again in Ray's research

2341

01:38:45,260 --> 01:38:43,650

which is I was traumatized by this I

2342

01:38:48,710 --> 01:38:45,270

thought it was the worst thing in the

2343

01:38:51,980 --> 01:38:48,720

world and over time I came I came to

2344

01:38:54,430 --> 01:38:51,990

understand it as part of my path part of

2345

01:38:58,310 --> 01:38:54,440

my spiritual awakening and part of my

2346

01:39:01,310 --> 01:38:58,320

spiritual journey and that opens us up

2347

01:39:04,460 --> 01:39:01,320

like tea to you and to me it opens us up

2348

01:39:06,470 --> 01:39:04,470

to all sorts of abuse we've heard that

2349

01:39:08,120 --> 01:39:06,480

over and over again from every guy who's

2350

01:39:11,660 --> 01:39:08,130

spinning some cult or New Age religion

2351  
01:39:13,700 --> 01:39:11,670  
or even old world religion as a means to

2352  
01:39:16,070 --> 01:39:13,710  
get us and manipulate us and control us

2353  
01:39:17,450 --> 01:39:16,080  
but at the same time I think we have to

2354  
01:39:20,360 --> 01:39:17,460  
remain open to the possibility that

2355  
01:39:21,320 --> 01:39:20,370  
there may be some fundamental truth to

2356  
01:39:22,640 --> 01:39:21,330  
that and that's why I've been so

2357  
01:39:26,180 --> 01:39:22,650  
interested in a near death experience

2358  
01:39:28,070 --> 01:39:26,190  
because it does you know just to recap

2359  
01:39:30,380 --> 01:39:28,080  
people listen to show for this like a

2360  
01:39:33,070 --> 01:39:30,390  
thousand times but the brain is out of

2361  
01:39:36,110 --> 01:39:33,080  
the equation and near-death experience

2362  
01:39:37,720 --> 01:39:36,120  
experience science has brought us to the

2363  
01:39:40,310 --> 01:39:37,730

point where we can say that we have

2364

01:39:42,560 --> 01:39:40,320

resuscitation studies we have studies of

2365

01:39:45,260 --> 01:39:42,570

people who are under extreme anesthesia

2366

01:39:47,780 --> 01:39:45,270

in cardiac arrest we know that the brain

2367

01:39:49,430 --> 01:39:47,790

is out of the equation there and now

2368

01:39:52,190 --> 01:39:49,440

these people are having these kind of

2369

01:39:54,740 --> 01:39:52,200

encounters and experiences that have

2370

01:39:57,590 --> 01:39:54,750

this overlap with the et experience but

2371

01:40:00,200 --> 01:39:57,600

also have this transcendent chris

2372

01:40:03,740 --> 01:40:00,210

Bledsoe angel god kind of thing going on

2373

01:40:07,670 --> 01:40:03,750

too so we're kind of stuck with having

2374

01:40:09,290 --> 01:40:07,680

to deal with both and I love I bet

2375

01:40:12,110 --> 01:40:09,300

you're driving a stake in the ground on

2376

01:40:15,410 --> 01:40:12,120

one hand and saying I do have to hold

2377

01:40:16,640 --> 01:40:15,420

the dolmen line of evidence and at the

2378

01:40:18,050 --> 01:40:16,650

other hand you're still doing these

2379

01:40:21,140 --> 01:40:18,060

freaking interviews and you're gonna do

2380

01:40:22,400 --> 01:40:21,150

it Chris Bledsoe that's awesome it's

2381

01:40:25,310 --> 01:40:22,410

totally true and you know what's funny

2382

01:40:27,920 --> 01:40:25,320

is when I said a little while ago like

2383

01:40:30,080 --> 01:40:27,930

there's good and there's evil I I

2384

01:40:31,760 --> 01:40:30,090

realize like I better be careful with

2385

01:40:36,320 --> 01:40:31,770

that because like that's that could be a

2386

01:40:38,120 --> 01:40:36,330

very I mean I'm realizing I've

2387

01:40:39,770 --> 01:40:38,130

contradicted myself probably about

2388

01:40:40,929 --> 01:40:39,780

countless times in this interview

2389

01:40:44,469 --> 01:40:40,939

already

2390

01:40:47,529 --> 01:40:44,479

and and by stating that there's

2391

01:40:49,029 --> 01:40:47,539

absolutely good and evil well actually I

2392

01:40:51,520 --> 01:40:49,039

didn't say that I said there's relative

2393

01:40:52,929 --> 01:40:51,530

good and evil but I still have to be

2394

01:40:54,609 --> 01:40:52,939

very careful about that because when you

2395

01:40:56,109 --> 01:40:54,619

think about international relations for

2396

01:41:01,000 --> 01:40:56,119

example which is a very big interest of

2397

01:41:02,560 --> 01:41:01,010

mine you want to be really careful when

2398

01:41:04,120 --> 01:41:02,570

you start equating the interests of one

2399

01:41:05,919 --> 01:41:04,130

nation with good and another Asian

2400

01:41:10,870 --> 01:41:05,929

nation with evil like that's a really

2401  
01:41:13,959 --> 01:41:10,880  
bad bad mistake to make so I don't like

2402  
01:41:16,569 --> 01:41:13,969  
to make that mistake so I just I think

2403  
01:41:18,279 --> 01:41:16,579  
on a personal level there are evil

2404  
01:41:20,409 --> 01:41:18,289  
things that are done and on a there are

2405  
01:41:24,399 --> 01:41:20,419  
good things that are done and I I would

2406  
01:41:28,779 --> 01:41:24,409  
maintain that but we do have to be

2407  
01:41:30,669 --> 01:41:28,789  
careful like I don't like this is why I

2408  
01:41:32,409 --> 01:41:30,679  
don't like zealots and I don't I don't

2409  
01:41:35,020 --> 01:41:32,419  
like fanatics of almost any sort they

2410  
01:41:36,159 --> 01:41:35,030  
scare me and by the way I think we're

2411  
01:41:38,140 --> 01:41:36,169  
living in an era where people have

2412  
01:41:40,270 --> 01:41:38,150  
really becoming zealots in all different

2413  
01:41:42,640 --> 01:41:40,280

ways and I think it's by design I think

2414

01:41:44,529 --> 01:41:42,650

there that that's you know not to get

2415

01:41:47,919 --> 01:41:44,539

political because I don't play that but

2416

01:41:50,140 --> 01:41:47,929

I think that's the role of Donald Trump

2417

01:41:51,850 --> 01:41:50,150

that's why I think Donald Trump you know

2418

01:41:53,529 --> 01:41:51,860

and and several people have come out and

2419

01:41:55,000 --> 01:41:53,539

said this this is an original but I

2420

01:41:59,589 --> 01:41:55,010

think both those candidates were

2421

01:42:03,489 --> 01:41:59,599

suitable to a certain group that cares

2422

01:42:06,459 --> 01:42:03,499

about that stuff and Hillary I take both

2423

01:42:10,979 --> 01:42:06,469

Trump and Hillary were acceptable to a

2424

01:42:14,679 --> 01:42:10,989

certain ruling class that is the techno

2425

01:42:16,929 --> 01:42:14,689

do girls order banking finance

2426

01:42:18,729 --> 01:42:16,939

intelligence stuff that I don't fully

2427

01:42:21,790 --> 01:42:18,739

understand but seems to always be in

2428

01:42:24,399 --> 01:42:21,800

play whether it's 9/11 or whatever it is

2429

01:42:29,229 --> 01:42:24,409

but I think that one advantage of Trump

2430

01:42:32,620 --> 01:42:29,239

for that certain class above the classes

2431

01:42:35,529 --> 01:42:32,630

is that it created an incredible

2432

01:42:37,540 --> 01:42:35,539

divisive enough so that people don't

2433

01:42:39,879 --> 01:42:37,550

think about the fact that the Patriot

2434

01:42:41,969 --> 01:42:39,889

Act was rubber stamped at the same time

2435

01:42:44,649 --> 01:42:41,979

they were doing the charade about

2436

01:42:47,679 --> 01:42:44,659

impeachment or the rest of this divisive

2437

01:42:49,120 --> 01:42:47,689

'no still if you were playing the game

2438

01:42:50,889 --> 01:42:49,130

if you're trying and i'm getting into

2439

01:42:52,959 --> 01:42:50,899

this political rant which i just never

2440

01:42:54,310 --> 01:42:52,969

do but no I think you've absolutely

2441

01:42:56,440 --> 01:42:54,320

points I have a

2442

01:43:01,510 --> 01:42:56,450

take on Trump than you do but I do

2443

01:43:04,500 --> 01:43:01,520

believe absolutely that the divisive

2444

01:43:06,730 --> 01:43:04,510

Ness is something that's that's

2445

01:43:07,660 --> 01:43:06,740

definitely played up in this is

2446

01:43:09,010 --> 01:43:07,670

something by the way that the United

2447

01:43:11,200 --> 01:43:09,020

States intelligence community is the

2448

01:43:12,910 --> 01:43:11,210

master of doing around the world but

2449

01:43:15,070 --> 01:43:12,920

through I'm called color revolutions and

2450

01:43:16,870 --> 01:43:15,080

what we're now seeing is that that model

2451

01:43:20,010 --> 01:43:16,880

is almost being is being brought back

2452

01:43:24,880 --> 01:43:20,020

here to the United States way of

2453

01:43:27,340 --> 01:43:24,890

emphasizing cultural or linguistic or

2454

01:43:31,210 --> 01:43:27,350

ideological differences to divide people

2455

01:43:34,320 --> 01:43:31,220

so that's definitely happening yeah I

2456

01:43:37,060 --> 01:43:34,330

look at Trump a little differently than

2457

01:43:41,620 --> 01:43:37,070

some of my very like left-leaning

2458

01:43:43,840 --> 01:43:41,630

friends look at him but I I mean he's

2459

01:43:46,110 --> 01:43:43,850

not Jesus and he's not Hitler 2.0 like I

2460

01:43:50,800 --> 01:43:46,120

don't I don't either of those extremes

2461

01:43:53,620 --> 01:43:50,810

he's he's a self-serving politician who

2462

01:43:55,480 --> 01:43:53,630

probably didn't even expect to run for

2463

01:43:57,280 --> 01:43:55,490

president like I think I think he did it

2464

01:43:59,710 --> 01:43:57,290

from from I've heard different to

2465

01:44:02,890 --> 01:43:59,720

sources he did it basically to increase

2466

01:44:06,150 --> 01:44:02,900

his brand his personal brand but I

2467

01:44:10,390 --> 01:44:06,160

actually don't believe that he was the

2468

01:44:11,950 --> 01:44:10,400

tool of of the elites I think that would

2469

01:44:13,600 --> 01:44:11,960

have for the Republican Party I would

2470

01:44:16,330 --> 01:44:13,610

have thought Jeb Bush would have been

2471

01:44:19,510 --> 01:44:16,340

much more amenable I mean that the kind

2472

01:44:23,800 --> 01:44:19,520

of a the straight-up neocon globalist

2473

01:44:25,930 --> 01:44:23,810

type of model which has had for for many

2474

01:44:28,360 --> 01:44:25,940

many generations Democrat and Republican

2475

01:44:30,810 --> 01:44:28,370

both fulfilled that and and Trump kind

2476

01:44:33,700 --> 01:44:30,820

of didn't as a candidate he was actually

2477

01:44:35,350 --> 01:44:33,710

you know he was a candidate he was truly

2478

01:44:36,760 --> 01:44:35,360

outsider well I'm gonna push this just a

2479

01:44:38,320 --> 01:44:36,770

tiny bit further and we're gonna wrap it

2480

01:44:41,770 --> 01:44:38,330

up cuz you've been super generous with

2481

01:44:43,780 --> 01:44:41,780

your time well I'm a political the

2482

01:44:45,700 --> 01:44:43,790

political analyst in you one thing I've

2483

01:44:48,730 --> 01:44:45,710

always kind of thrown out there is that

2484

01:44:52,360 --> 01:44:48,740

I think we we can go down the wrong path

2485

01:44:55,060 --> 01:44:52,370

if we understand these maneuvers as

2486

01:44:57,940 --> 01:44:55,070

being proactive versus reactive in a lot

2487

01:44:59,950 --> 01:44:57,950

of cases so it's not like somebody is

2488

01:45:01,480 --> 01:44:59,960

working this is my take and I want to

2489

01:45:02,860 --> 01:45:01,490

give your opinion of it it's not like

2490

01:45:04,960 --> 01:45:02,870

someone is running a grand chessboard

2491

01:45:07,509 --> 01:45:04,970

it's more like they're letting the game

2492

01:45:09,100 --> 01:45:07,519

kind of play out a little bit Iran Oh

2493

01:45:10,660 --> 01:45:09,110

what's our next move from here they're

2494

01:45:12,970 --> 01:45:10,670

like jumping into somebody else's game

2495

01:45:14,229 --> 01:45:12,980

that plays out and the same thing like

2496

01:45:16,270 --> 01:45:14,239

you mentioned at the very beginning the

2497

01:45:18,279 --> 01:45:16,280

show disclosure they don't know which

2498

01:45:20,080 --> 01:45:18,289

way disclosures I don't know if time to

2499

01:45:22,209 --> 01:45:20,090

long if it's gonna hit but once it does

2500

01:45:24,009 --> 01:45:22,219

Oh what do we do with this oh you know

2501

01:45:25,689 --> 01:45:24,019

what we can do this with it we can do

2502

01:45:27,040 --> 01:45:25,699

that with it I don't know I agree with

2503

01:45:28,720 --> 01:45:27,050

you I think that's right I think it's

2504

01:45:32,830 --> 01:45:28,730

there's a lot of reactivity I'm glad you

2505

01:45:36,399 --> 01:45:32,840

brought this up I don't I don't believe

2506

01:45:38,049 --> 01:45:36,409

that I don't think there's like a

2507

01:45:39,489 --> 01:45:38,059

50-year plan on this I don't think

2508

01:45:40,899 --> 01:45:39,499

there's even a ten-year plan on this but

2509

01:45:45,189 --> 01:45:40,909

I do think that there are contingencies

2510

01:45:48,310 --> 01:45:45,199

that are in place and for example in

2511

01:45:50,020 --> 01:45:48,320

terms of disclosure what I would what I

2512

01:45:52,209 --> 01:45:50,030

would argue I've been saying this for a

2513

01:45:54,520 --> 01:45:52,219

while now especially like the last six

2514

01:45:56,290 --> 01:45:54,530

months where my take on this has really

2515

01:45:57,910 --> 01:45:56,300

crystallize a little bit more I think

2516

01:46:01,959 --> 01:45:57,920

what we're seeing are factions within

2517

01:46:04,839 --> 01:46:01,969

the elite groups so there is probably a

2518

01:46:06,669 --> 01:46:04,849

disclosure friendly faction and there's

2519

01:46:12,129 --> 01:46:06,679

definitely a disclosure unfriendly

2520

01:46:13,689 --> 01:46:12,139

faction and I think that TTS a is caught

2521

01:46:15,189 --> 01:46:13,699

like they're right and they're in the

2522

01:46:17,859 --> 01:46:15,199

midst of that they've got a couple of

2523

01:46:19,180 --> 01:46:17,869

people on their side within you say the

2524

01:46:20,470 --> 01:46:19,190

deep state that are helping that and

2525

01:46:22,810 --> 01:46:20,480

they have enemies they've got lots of

2526

01:46:24,640 --> 01:46:22,820

enemies in there as well think of it

2527

01:46:27,609 --> 01:46:24,650

this way like they we know that there's

2528

01:46:29,589 --> 01:46:27,619

at least six not just three videos but

2529

01:46:32,049 --> 01:46:29,599

at least six videos and probably more

2530

01:46:34,120 --> 01:46:32,059

that they know about that they have not

2531

01:46:36,189 --> 01:46:34,130

been able to get all those other ones

2532

01:46:37,689 --> 01:46:36,199

Declassified they got three Declassified

2533

01:46:41,379 --> 01:46:37,699

a couple of years ago and that's it they

2534

01:46:43,209 --> 01:46:41,389

have gotten nothing ever since and it

2535

01:46:46,930 --> 01:46:43,219

seems that Elizondo got a lot of that

2536

01:46:49,899 --> 01:46:46,940

stuff released through somewhat

2537

01:46:52,120 --> 01:46:49,909

deceptive means John Greenwald done some

2538

01:46:54,189 --> 01:46:52,130

research on this and uses that to

2539

01:46:56,140 --> 01:46:54,199

criticize Elizondo from some of these

2540

01:46:58,359 --> 01:46:56,150

emails in 2017 what I would say is

2541

01:47:01,479 --> 01:46:58,369

Elizondo was just being a little weasel

2542

01:47:04,689 --> 01:47:01,489

wording with what these videos were not

2543

01:47:07,450 --> 01:47:04,699

describing them as UFOs or UAP in order

2544

01:47:08,560 --> 01:47:07,460

to get them cleared I think the people

2545

01:47:11,500 --> 01:47:08,570

in the Pentagon who cleared them

2546

01:47:14,410 --> 01:47:11,510

probably didn't fully realize what they

2547

01:47:15,759 --> 01:47:14,420

were clearing and so then they were

2548

01:47:18,910 --> 01:47:15,769

cleared and the damage was done they

2549

01:47:20,410 --> 01:47:18,920

weren't supposed to be cleared that

2550

01:47:22,450 --> 01:47:20,420

I give him credit for frankly I think

2551

01:47:23,500 --> 01:47:22,460

that's a kind of a smooth move but I

2552

01:47:25,660 --> 01:47:23,510

don't think that's gonna happen anymore

2553

01:47:26,770 --> 01:47:25,670

so I think the gig is up for them and I

2554

01:47:31,600 --> 01:47:26,780

don't think they're gonna get anything

2555

01:47:33,340 --> 01:47:31,610

else cleared but but so I think they're

2556

01:47:36,370 --> 01:47:33,350

fighting their own little game here and

2557

01:47:40,150 --> 01:47:36,380

I don't it's not a CIA I don't care how

2558

01:47:42,310 --> 01:47:40,160

many times some randoms you just you

2559

01:47:45,970 --> 01:47:42,320

just laid you just laid an awesome

2560

01:47:48,160 --> 01:47:45,980

classic little Dolan factoid there that

2561

01:47:50,410 --> 01:47:48,170

fits into the puzzle and it kind of

2562

01:47:53,350 --> 01:47:50,420

turns it in a way and I commend you for

2563

01:47:57,520 --> 01:47:53,360

that but you know come on Richard it is

2564

01:48:00,670 --> 01:47:57,530

all a PSYOP it's just all what because

2565

01:48:03,040 --> 01:48:00,680

why exactly because it all gave a

2566

01:48:05,170 --> 01:48:03,050

presentation it all depends on what you

2567

01:48:06,430 --> 01:48:05,180

define as high up because we had this

2568

01:48:08,200 --> 01:48:06,440

like pre-interview this is a good

2569

01:48:09,670 --> 01:48:08,210

roundup will come full circle we have

2570

01:48:12,940 --> 01:48:09,680

this this pre-interview thing and you're

2571

01:48:14,680 --> 01:48:12,950

like hey man Alex don't push that SIOP

2572

01:48:22,540 --> 01:48:14,690

narrative on me it just doesn't fit in

2573

01:48:25,450 --> 01:48:22,550

this case which I out then then you've

2574

01:48:27,450 --> 01:48:25,460

got it here's the point here's my point

2575

01:48:30,070 --> 01:48:27,460

then I listened to your disclosure

2576

01:48:33,520 --> 01:48:30,080

presentation in Copenhagen and I'm like

2577

01:48:35,440 --> 01:48:33,530

oh no we don't and I are in the total on

2578

01:48:37,270 --> 01:48:35,450

the same page in this you know this is

2579

01:48:40,120 --> 01:48:37,280

manipulated this is done for a purpose

2580

01:48:42,160 --> 01:48:40,130

this is purposely done to you know get

2581

01:48:44,530 --> 01:48:42,170

this reaction now so it all comes down

2582

01:48:46,810 --> 01:48:44,540

to what you define as a PSYOP and I

2583

01:48:48,690 --> 01:48:46,820

think you put it in very stark terms at

2584

01:48:52,450 --> 01:48:48,700

the beginning reason we're a post

2585

01:48:55,690 --> 01:48:52,460

democracy post Constitution well [h\_\_h] in

2586

01:48:57,520 --> 01:48:55,700

that and now then everything is a PSYOP

2587

01:49:00,730 --> 01:48:57,530

is it means to control to manipulate

2588

01:49:06,070 --> 01:49:00,740

something so really okay so I guess yes

2589

01:49:08,170 --> 01:49:06,080

to that but whose SIOF so is is TTS a

2590

01:49:10,420 --> 01:49:08,180

doing a PSYOP do we just want to call

2591

01:49:12,220 --> 01:49:10,430

that a sigh up if we do then we're kind

2592

01:49:14,080 --> 01:49:12,230

of losing the meaning of the of the word

2593

01:49:19,480 --> 01:49:14,090

they've got their own spin

2594

01:49:24,070 --> 01:49:19,490

yes Peter lavinda Peter lavinda psyops

2595

01:49:26,740 --> 01:49:24,080

psyops I up why like why because I know

2596

01:49:30,280 --> 01:49:26,750

Peter I've spent years I don't know

2597

01:49:32,859 --> 01:49:30,290

Peter directly but to me he's kind of

2598

01:49:37,120 --> 01:49:32,869

come out as saying lifelong player

2599

01:49:39,070 --> 01:49:37,130

lifelong spook associated with that and

2600

01:49:41,200 --> 01:49:39,080

his story just doesn't wash his idea of

2601

01:49:43,540 --> 01:49:41,210

you know that the whole thing about my I

2602

01:49:45,189 --> 01:49:43,550

met Tom DeLonge I didn't know as him and

2603

01:49:47,500 --> 01:49:45,199

we got together and said we have to blow

2604

01:49:49,629 --> 01:49:47,510

the lid off this the only place we can

2605

01:49:51,459 --> 01:49:49,639

go is the CIA it just it just doesn't

2606

01:49:54,160 --> 01:49:51,469

ring true but I've digressed there

2607

01:49:55,479 --> 01:49:54,170

because you you don't have to agree with

2608

01:49:58,660 --> 01:49:55,489

that no one has to agree with that just

2609

01:50:02,050 --> 01:49:58,670

sounds very very suspicious well okay

2610

01:50:04,180 --> 01:50:02,060

but what no one has ever done the only

2611

01:50:05,680 --> 01:50:04,190

thesis I've ever heard from anyone who

2612

01:50:07,359 --> 01:50:05,690

says that this is a sia

2613

01:50:12,370 --> 01:50:07,369

particularly an intelligence community

2614

01:50:15,250 --> 01:50:12,380

siop is for the reason of amplifying

2615

01:50:18,550 --> 01:50:15,260

fear by talking about a threat a threat

2616

01:50:20,320 --> 01:50:18,560

from these UAP Elizondo does say that

2617

01:50:22,419 --> 01:50:20,330

quite a lot he loves that word threat on

2618

01:50:24,790 --> 01:50:22,429

the TV show unidentified he loves the

2619

01:50:26,800 --> 01:50:24,800

word for it or potential threat he does

2620

01:50:28,629 --> 01:50:26,810

it all the time and so that the idea is

2621

01:50:32,290 --> 01:50:28,639

in that they're using this threat

2622

01:50:33,399 --> 01:50:32,300

narrative to frighten the public and you

2623

01:50:36,430 --> 01:50:33,409

know tape and take your pick

2624

01:50:40,330 --> 01:50:36,440

increase defense spending for what to

2625

01:50:42,010 --> 01:50:40,340

protect against aliens or to do the UFO

2626  
01:50:43,930 --> 01:50:42,020  
alien reveal and scare the [h\_\_h] out of

2627  
01:50:45,700 --> 01:50:43,940  
people so that they come running to the

2628  
01:50:48,700 --> 01:50:45,710  
state for good like that's basically the

2629  
01:50:51,339 --> 01:50:48,710  
thesis and I just I'm not persuaded by

2630  
01:50:53,140 --> 01:50:51,349  
that at all not even remotely when

2631  
01:50:54,820 --> 01:50:53,150  
Elizondo is talking about a threat I

2632  
01:50:56,680 --> 01:50:54,830  
feel like I'm reading my first two

2633  
01:50:59,140 --> 01:50:56,690  
volumes of UFOs international security

2634  
01:51:01,209 --> 01:50:59,150  
state it's got the exact same what did I

2635  
01:51:03,760 --> 01:51:01,219  
do in those books I focused on military

2636  
01:51:06,550 --> 01:51:03,770  
encounters with unknown objects that

2637  
01:51:08,680 --> 01:51:06,560  
were indeed seen as a potential threat

2638  
01:51:10,570 --> 01:51:08,690

when you have unknown objects hanging

2639

01:51:12,580 --> 01:51:10,580

out over sensitive nuclear installations

2640

01:51:14,919 --> 01:51:12,590

that are not supposed to be there where

2641

01:51:17,020 --> 01:51:14,929

aircraft go to intercept and they zip

2642

01:51:19,959 --> 01:51:17,030

off and do their thing well well what's

2643

01:51:22,180 --> 01:51:19,969

that supposed to be like any reasonable

2644

01:51:24,970 --> 01:51:22,190

person responsible for air defense will

2645

01:51:27,459 --> 01:51:24,980

have to consider that at least a

2646

01:51:30,879 --> 01:51:27,469

potential threat the reason I focused on

2647

01:51:33,160 --> 01:51:30,889

those in my books is for several reasons

2648

01:51:35,680 --> 01:51:33,170

one because they have a paper trail

2649

01:51:37,120 --> 01:51:35,690

which is important to they prove the US

2650

01:51:39,970 --> 01:51:37,130

government's lying about its lack of

2651  
01:51:41,350 --> 01:51:39,980  
interest in UFOs but three the fact that

2652  
01:51:43,300 --> 01:51:41,360  
you've got these military encounters

2653  
01:51:44,709 --> 01:51:43,310  
it's like almost a way of shaking the

2654  
01:51:46,259 --> 01:51:44,719  
public and getting their attention it's

2655  
01:51:47,819 --> 01:51:46,269  
like you're not even looking at

2656  
01:51:49,379 --> 01:51:47,829  
those you don't give a [h\_\_h] about you of

2657  
01:51:51,689 --> 01:51:49,389  
those you're not talking about it but

2658  
01:51:55,259 --> 01:51:51,699  
take a look you're military is being

2659  
01:51:56,989 --> 01:51:55,269  
baffled by these again and again so I

2660  
01:52:00,529 --> 01:51:56,999  
don't think it's an illegitimate

2661  
01:52:05,759 --> 01:52:00,539  
approach I think I do think you can

2662  
01:52:09,419 --> 01:52:05,769  
overplay it absolutely but but my take

2663  
01:52:13,919 --> 01:52:09,429

on why they bring up the threat there

2664

01:52:15,899 --> 01:52:13,929

they are desperate TDS a is at a point

2665

01:52:19,169 --> 01:52:15,909

of desperation right now that people

2666

01:52:21,239 --> 01:52:19,179

don't even see this all right they can't

2667

01:52:23,220 --> 01:52:21,249

get Congress to do inquiry they had that

2668

01:52:24,569 --> 01:52:23,230

of a congressional briefing well that's

2669

01:52:26,609 --> 01:52:24,579

good but they haven't gone any further

2670

01:52:28,649 --> 01:52:26,619

as far as anyone can tell they're not

2671

01:52:32,339 --> 01:52:28,659

getting they get a little bit of press

2672

01:52:34,770 --> 01:52:32,349

follow up some Trump White House isn't

2673

01:52:37,140 --> 01:52:34,780

doing squat as far as we know you can

2674

01:52:39,930 --> 01:52:37,150

see like these guys are doing everything

2675

01:52:43,319 --> 01:52:39,940

they can do to say hey pay attention we

2676  
01:52:46,770 --> 01:52:43,329  
got a threat here which okay maybe it's

2677  
01:52:49,950 --> 01:52:46,780  
a tactic it's not an that's the Seban

2678  
01:52:53,819 --> 01:52:49,960  
little cool battle it's absolutely is it

2679  
01:52:56,549 --> 01:52:53,829  
a PSYOP I don't I think if someone's

2680  
01:52:58,109 --> 01:52:56,559  
gonna argue that what T TSA is doing is

2681  
01:52:59,430 --> 01:52:58,119  
a silent they had got to come up with a

2682  
01:53:03,750 --> 01:52:59,440  
better argument than what I've heard so

2683  
01:53:06,029 --> 01:53:03,760  
far like CIA like one one initial talk

2684  
01:53:08,520 --> 01:53:06,039  
about the volume but when you're turning

2685  
01:53:11,040 --> 01:53:08,530  
up the volume on the threat man you're

2686  
01:53:13,770 --> 01:53:11,050  
turning up the volume on the global

2687  
01:53:17,370 --> 01:53:13,780  
issue which is the other card they're

2688  
01:53:19,140 --> 01:53:17,380

playing you know we can call it

2689

01:53:21,540 --> 01:53:19,150

different terms but number one it's

2690

01:53:23,790 --> 01:53:21,550

political like you just said anyone who

2691

01:53:25,500 --> 01:53:23,800

doesn't see it as a political thing it

2692

01:53:27,959 --> 01:53:25,510

is political there's this guy who sits

2693

01:53:29,430 --> 01:53:27,969

in the White House right now and I can't

2694

01:53:31,200 --> 01:53:29,440

get over when I hear these conversations

2695

01:53:33,239 --> 01:53:31,210

and no one ever you you're talking about

2696

01:53:35,609 --> 01:53:33,249

Trump you know and I'm not saying I'm

2697

01:53:37,500 --> 01:53:35,619

Pro Trump or against Trump but you can't

2698

01:53:39,629 --> 01:53:37,510

have this conversation and not talk like

2699

01:53:41,399 --> 01:53:39,639

there isn't another side to this there

2700

01:53:43,410 --> 01:53:41,409

isn't another group you know and often

2701  
01:53:44,729 --> 01:53:43,420  
that's kind of a conversation like we're

2702  
01:53:46,649 --> 01:53:44,739  
just going to kind of carry on like so

2703  
01:53:48,239 --> 01:53:46,659  
what's that so number one that's it so

2704  
01:53:51,000 --> 01:53:48,249  
the globalization thing and the threat

2705  
01:53:56,770 --> 01:53:51,010  
thing to me when you're turning up the

2706  
01:54:01,200 --> 01:53:58,240  
it depends on how you want to define it

2707  
01:54:03,490 --> 01:54:01,210  
was a PSYOP is to me a PSYOP is

2708  
01:54:04,600 --> 01:54:03,500  
explicitly something that I would

2709  
01:54:07,660 --> 01:54:04,610  
associate with the intelligence

2710  
01:54:10,750 --> 01:54:07,670  
community manipulating public opinion

2711  
01:54:11,649 --> 01:54:10,760  
through the media for a particular end

2712  
01:54:13,839 --> 01:54:11,659  
or goal

2713  
01:54:15,939 --> 01:54:13,849

like that's classically you know

2714

01:54:19,029 --> 01:54:15,949

operation mockingbirds or had all of its

2715

01:54:22,240 --> 01:54:19,039

decades of operation and media control

2716

01:54:24,370 --> 01:54:22,250

which we all know is reality

2717

01:54:25,959 --> 01:54:24,380

those are psyops psyops can be done

2718

01:54:30,339 --> 01:54:25,969

against domestic populations they can be

2719

01:54:32,859 --> 01:54:30,349

done against foreign populations it's a

2720

01:54:34,060 --> 01:54:32,869

form of hybrid warfare which the u.s.

2721

01:54:35,799 --> 01:54:34,070

loves to say that the russians are

2722

01:54:38,740 --> 01:54:35,809

masters at but the u.s. itself is the

2723

01:54:42,490 --> 01:54:38,750

master of hybrid warfare so if i look at

2724

01:54:44,950 --> 01:54:42,500

TT SAS operation as a PSYOP some ones

2725

01:54:46,750 --> 01:54:44,960

that have to provide some reasonable

2726

01:54:48,370 --> 01:54:46,760

evidence more than the fact of saying

2727

01:54:51,160 --> 01:54:48,380

well some of these people are ex-cia

2728

01:54:55,899 --> 01:54:51,170

like that's sorry like that's a weak

2729

01:54:59,410 --> 01:54:55,909

argument that's a weak argument we're at

2730

01:55:03,700 --> 01:54:59,420

a point in in our world that I've it's

2731

01:55:07,029 --> 01:55:03,710

disturbing to me that it's almost like

2732

01:55:10,750 --> 01:55:07,039

post-modernism has invaded ufology to

2733

01:55:14,200 --> 01:55:10,760

this extent where we are now arguing

2734

01:55:16,569 --> 01:55:14,210

over someone's bona fides and what we

2735

01:55:18,069 --> 01:55:16,579

think they mean rather than listening to

2736

01:55:20,529 --> 01:55:18,079

the damn words that are coming out of

2737

01:55:24,850 --> 01:55:20,539

their mouths like we're I don't find a

2738

01:55:26,649 --> 01:55:24,860

lot of people listening to very smart

2739

01:55:28,359 --> 01:55:26,659

articles by chris mellon for example

2740

01:55:30,010 --> 01:55:28,369

that he's had on the hill and he's had

2741

01:55:32,200 --> 01:55:30,020

in other places on their website in fact

2742

01:55:33,970 --> 01:55:32,210

the tds a site he's put some very

2743

01:55:36,129 --> 01:55:33,980

interesting information on there

2744

01:55:37,930 --> 01:55:36,139

instead what people are doing is they're

2745

01:55:41,020 --> 01:55:37,940

they think they're smart enough to

2746

01:55:42,459 --> 01:55:41,030

analyze behind his words into his true

2747

01:55:44,439 --> 01:55:42,469

motivations whatever they think that

2748

01:55:46,899 --> 01:55:44,449

those are that's postmodern in my view

2749

01:55:48,669 --> 01:55:46,909

that's like taking critical analysis to

2750

01:55:50,560 --> 01:55:48,679

such an extreme that you're actually not

2751  
01:55:53,020 --> 01:55:50,570  
listening to the other person what

2752  
01:55:55,419 --> 01:55:53,030  
they're actually saying to me the most

2753  
01:55:58,450 --> 01:55:55,429  
important thing is actually listening to

2754  
01:56:00,189 --> 01:55:58,460  
what is being said in to listening to

2755  
01:56:02,470 --> 01:56:00,199  
what the information that is being

2756  
01:56:05,740 --> 01:56:02,480  
provided that's vastly more important

2757  
01:56:07,660 --> 01:56:05,750  
than all these people who think oh yeah

2758  
01:56:09,430 --> 01:56:07,670  
i know what they're trying to do

2759  
01:56:11,169 --> 01:56:09,440  
it's like stop that stop embarrassing

2760  
01:56:13,180 --> 01:56:11,179  
yourself and stop embarrassing the rest

2761  
01:56:15,970 --> 01:56:13,190  
of us by thinking you know what

2762  
01:56:18,669 --> 01:56:15,980  
everyone's motivation is and just listen

2763  
01:56:21,970 --> 01:56:18,679

like what they have provided for the

2764

01:56:24,340 --> 01:56:21,980

past to whatever years is a shitload of

2765

01:56:25,000 --> 01:56:24,350

information that no one else has put out

2766

01:56:28,810 --> 01:56:25,010

there yet

2767

01:56:31,629 --> 01:56:28,820

like that's the fact they they and they

2768

01:56:34,689 --> 01:56:31,639

alone are responsible for nearly all of

2769

01:56:38,070 --> 01:56:34,699

the US Navy's admissions they've been

2770

01:56:41,050 --> 01:56:38,080

pushing that they are responsible for

2771

01:56:44,020 --> 01:56:41,060

like all those New York Times piece is

2772

01:56:46,000 --> 01:56:44,030

that yes the New York Times is the

2773

01:56:47,859 --> 01:56:46,010

mouthpiece of the establishment but the

2774

01:56:50,560 --> 01:56:47,869

fact is when the New York Times

2775

01:56:53,950 --> 01:56:50,570

publishes halfway decent articles and

2776

01:56:56,189 --> 01:56:53,960

UFOs which they did last May in 2019 on

2777

01:56:58,359 --> 01:56:56,199

the USS Roosevelt like that was actually

2778

01:57:01,419 --> 01:56:58,369

that was a decent piece of journalism

2779

01:57:06,340 --> 01:57:01,429

that Leslie and Helene Cooper and Ralph

2780

01:57:08,649 --> 01:57:06,350

Blumenthal did that's TTS a getting that

2781

01:57:11,550 --> 01:57:08,659

information out there like they are

2782

01:57:13,359 --> 01:57:11,560

intimately involved in that so those are

2783

01:57:17,439 --> 01:57:13,369

significant things that they have done

2784

01:57:19,090 --> 01:57:17,449

and it I find a disheartening like the

2785

01:57:21,220 --> 01:57:19,100

day is gonna come when they're gone they

2786

01:57:22,689 --> 01:57:21,230

don't exist and they've broken up and

2787

01:57:25,450 --> 01:57:22,699

and we're gonna look back and think wow

2788

01:57:29,050 --> 01:57:25,460

we treated them really shitty well they

2789

01:57:30,280 --> 01:57:29,060

were out there working and trying to

2790

01:57:31,840 --> 01:57:30,290

move the ball a little bit down the

2791

01:57:34,270 --> 01:57:31,850

field that's what I think is gonna

2792

01:57:36,669 --> 01:57:34,280

happen you know that's an awesome take

2793

01:57:39,669 --> 01:57:36,679

and I'm gonna wrap things up here but I

2794

01:57:41,830 --> 01:57:39,679

want to draw people's attention to again

2795

01:57:44,080 --> 01:57:41,840

the if you're interested in that last

2796

01:57:46,479 --> 01:57:44,090

part of this discussion the presentation

2797

01:57:49,000 --> 01:57:46,489

you did on Copa in Copenhagen because

2798

01:57:51,459 --> 01:57:49,010

you lay out in a very retro and

2799

01:57:52,720 --> 01:57:51,469

systematic way one after another and one

2800

01:57:56,740 --> 01:57:52,730

little thing I was going to pick up on

2801  
01:57:58,990 --> 01:57:56,750  
is you trace document and support the

2802  
01:58:01,540 --> 01:57:59,000  
idea that that was the beginning of the

2803  
01:58:05,020 --> 01:58:01,550  
disclosure movement and then I think you

2804  
01:58:06,520 --> 01:58:05,030  
gravy on it in a very you know everyone

2805  
01:58:09,100 --> 01:58:06,530  
stops the New York Times like I do I

2806  
01:58:11,169 --> 01:58:09,110  
stop at the New York Times ago I did you

2807  
01:58:13,990 --> 01:58:11,179  
go no wait that's the beginning then

2808  
01:58:15,669 --> 01:58:14,000  
look at it look at look at the next

2809  
01:58:17,410 --> 01:58:15,679  
article that Leslie Leslie came

2810  
01:58:20,350 --> 01:58:17,420  
publishes look at this one look at this

2811  
01:58:20,830 --> 01:58:20,360  
one very you can't argue with that

2812  
01:58:23,320 --> 01:58:20,840  
because

2813  
01:58:25,120 --> 01:58:23,330

do let me say this this is me

2814

01:58:27,339 --> 01:58:25,130

contradicting myself again I I mean I

2815

01:58:29,020 --> 01:58:27,349

said we're not in a disclosure era

2816

01:58:32,320 --> 01:58:29,030

because it's not a government promoted

2817

01:58:34,290 --> 01:58:32,330

thing but I'll share with you something

2818

01:58:42,399 --> 01:58:34,300

that putt-off said to me in an email

2819

01:58:44,260 --> 01:58:42,409

earlier this year and you know he talked

2820

01:58:45,459 --> 01:58:44,270

I'm talking about I'm trying to remember

2821

01:58:48,430 --> 01:58:45,469

exactly what I asked him

2822

01:58:52,990 --> 01:58:48,440

oh this was in connection to the Wilson

2823

01:58:54,520 --> 01:58:53,000

league but he used the phrase with me so

2824

01:58:57,040 --> 01:58:54,530

yeah it's just more toothpaste out of

2825

01:59:00,339 --> 01:58:57,050

the tube and I've been using that phrase

2826

01:59:03,550 --> 01:59:00,349

for this year it's a really I proposed

2827

01:59:07,660 --> 01:59:03,560

statement it's what's happening is with

2828

01:59:08,830 --> 01:59:07,670

disclosure with the disclosures of these

2829

01:59:10,419 --> 01:59:08,840

various things that have been happening

2830

01:59:15,129 --> 01:59:10,429

it's more toothpaste out of the tube

2831

01:59:17,439 --> 01:59:15,139

it's not going back in and so now we're

2832

01:59:20,830 --> 01:59:17,449

at a point where there's a bit of

2833

01:59:21,640 --> 01:59:20,840

momentum for the first time in our

2834

01:59:25,200 --> 01:59:21,650

lifetimes

2835

01:59:28,780 --> 01:59:25,210

for the UFO subject actually to get a

2836

01:59:31,510 --> 01:59:28,790

little bit more and better coverage in

2837

01:59:33,760 --> 01:59:31,520

our official mainstream yes totally

2838

01:59:35,560 --> 01:59:33,770

corrupt corporate dominated media but

2839

01:59:40,120 --> 01:59:35,570

nonetheless is getting more coverage

2840

01:59:41,229 --> 01:59:40,130

that's very significant so the question

2841

01:59:43,300 --> 01:59:41,239

and that you're seeing like there's

2842

01:59:45,100 --> 01:59:43,310

media people I mean some people have

2843

01:59:46,750 --> 01:59:45,110

very strong opinions about Fox but

2844

01:59:50,979 --> 01:59:46,760

there's Tucker Carlson who's actually

2845

01:59:52,209 --> 01:59:50,989

doing superb journalism on UFO compared

2846

01:59:55,899 --> 01:59:52,219

with any other person out in the

2847

01:59:57,220 --> 01:59:55,909

mainstream like this guy seriously has

2848

02:00:00,240 --> 01:59:57,230

said some courageous things about this

2849

02:00:03,339 --> 02:00:00,250

and he's done some good work on this so

2850

02:00:06,780 --> 02:00:03,349

there is definitely momentum happening

2851

02:00:09,220 --> 02:00:06,790

the only question is how far will it go

2852

02:00:12,280 --> 02:00:09,230

but the problem that I just see here is

2853

02:00:14,200 --> 02:00:12,290

I like the the analogy of the

2854

02:00:16,450 --> 02:00:14,210

irresistible force versus here in

2855

02:00:20,169 --> 02:00:16,460

movable object so the disclosure

2856

02:00:23,290 --> 02:00:20,179

movement is is in possibly becoming an

2857

02:00:25,450 --> 02:00:23,300

irresistible force but secrecy is that

2858

02:00:27,520 --> 02:00:25,460

immovable object and and one one thing

2859

02:00:29,220 --> 02:00:27,530

you learn when you study the Eric Davis

2860

02:00:33,960 --> 02:00:29,230

notes on amber the Admiral Wilson

2861

02:00:35,520 --> 02:00:33,970

you is just how deep how privatized and

2862

02:00:37,260 --> 02:00:35,530

how deep and how secret a lot of this

2863

02:00:41,310 --> 02:00:37,270

you have a secret is and how difficult

2864

02:00:43,229 --> 02:00:41,320

it will be to get this pulled out into

2865

02:00:45,479 --> 02:00:43,239

the light of day I don't know how that's

2866

02:00:47,070 --> 02:00:45,489

going to work out you know DeLong last

2867

02:00:48,860 --> 02:00:47,080

summer dropped a couple of our

2868

02:00:51,479 --> 02:00:48,870

interesting tweets about this and people

2869

02:00:53,970 --> 02:00:51,489

love to laugh and dismiss this guy but

2870

02:00:56,760 --> 02:00:53,980

he said a couple of smart things and one

2871

02:00:58,800 --> 02:00:56,770

of the things had to do with he said you

2872

02:01:01,260 --> 02:00:58,810

think a tip was the whole the whole

2873

02:01:03,120 --> 02:01:01,270

program is and think again we're not

2874

02:01:05,130 --> 02:01:03,130

talking tens of millions it says try

2875

02:01:07,140 --> 02:01:05,140

hundreds of millions of dollars and I'm

2876

02:01:09,060 --> 02:01:07,150

guessing it's more than that but the

2877

02:01:11,010 --> 02:01:09,070

other thing he said is if you really

2878

02:01:14,670 --> 02:01:11,020

want to end this secrecy you need a

2879

02:01:18,210 --> 02:01:14,680

fundamental legal revolution and I think

2880

02:01:20,670 --> 02:01:18,220

that's right like the legality of this

2881

02:01:24,570 --> 02:01:20,680

illegal business has got to change

2882

02:01:27,270 --> 02:01:24,580

somehow and how to change it like this

2883

02:01:30,320 --> 02:01:27,280

is a serious issue like the only thing

2884

02:01:33,930 --> 02:01:30,330

that I can see is when enough people

2885

02:01:34,979 --> 02:01:33,940

when the culture changes like the only

2886

02:01:36,780 --> 02:01:34,989

way it's going to happen is if the

2887

02:01:39,330 --> 02:01:36,790

culture changes sufficiently so that

2888

02:01:40,770 --> 02:01:39,340

enough people realize like this is

2889

02:01:46,350 --> 02:01:40,780

really important we've got to do

2890

02:01:48,920 --> 02:01:46,360

something and then when a lot more

2891

02:01:51,479 --> 02:01:48,930

brains and ours are looking at this

2892

02:01:56,280 --> 02:01:51,489

talking about this and there's actual

2893

02:01:59,130 --> 02:01:56,290

pressure to open this up and then and

2894

02:02:02,130 --> 02:01:59,140

only then and maybe only then will we

2895

02:02:04,020 --> 02:02:02,140

have a chance that my big hope on when

2896

02:02:09,630 --> 02:02:04,030

with Bryce I wrote after disclosure a

2897

02:02:11,540 --> 02:02:09,640

decade ago was I thought something big

2898

02:02:13,950 --> 02:02:11,550

could happen we're in an unstable

2899

02:02:14,850 --> 02:02:13,960

civilization where there's WikiLeaks and

2900

02:02:16,110 --> 02:02:14,860

there's all these other leads and

2901  
02:02:18,120 --> 02:02:16,120  
there's all these everyone's got a

2902  
02:02:20,610 --> 02:02:18,130  
camcorder or their phones got video and

2903  
02:02:22,350 --> 02:02:20,620  
like I envisioned like there could be a

2904  
02:02:24,930 --> 02:02:22,360  
big event that would happen that would

2905  
02:02:27,420 --> 02:02:24,940  
cause like an avalanche and that

2906  
02:02:32,460 --> 02:02:27,430  
avalanche hasn't happened what we are

2907  
02:02:35,580 --> 02:02:32,470  
seeing though is drip drip drip drip and

2908  
02:02:37,850 --> 02:02:35,590  
it's becoming significant and I'm

2909  
02:02:41,940 --> 02:02:37,860  
waiting for that avalanche like I think

2910  
02:02:42,459 --> 02:02:41,950  
that's still likely when we get to a

2911  
02:02:43,479 --> 02:02:42,469  
certain crit

2912  
02:02:45,879 --> 02:02:43,489  
go mess and I don't know what that

2913  
02:02:50,560 --> 02:02:45,889

critical mass is I don't know how that

2914

02:02:54,640 --> 02:02:50,570

will be that is such an awesome leader

2915

02:02:57,339 --> 02:02:54,650

onst response throughout this interview

2916

02:02:59,529 --> 02:02:57,349

that is that is classic Richard Dolan I

2917

02:03:01,750 --> 02:02:59,539

don't know if you've totally picked me

2918

02:03:03,759 --> 02:03:01,760

up and turned me around but you kind of

2919

02:03:06,000 --> 02:03:03,769

maybe turn me around a little bit maybe

2920

02:03:08,739 --> 02:03:06,010

a few things as well unconsciousness

2921

02:03:10,779 --> 02:03:08,749

it's like a really fun little

2922

02:03:14,439 --> 02:03:10,789

intellectual wrestling match that we

2923

02:03:15,910 --> 02:03:14,449

just had here and there's no wrestling

2924

02:03:18,580 --> 02:03:15,920

with you man you're the year that you're

2925

02:03:22,239 --> 02:03:18,590

the boss you're the boss jujitsu dojo

2926

02:03:23,469 --> 02:03:22,249

master yeah and and you're doing you

2927

02:03:24,520 --> 02:03:23,479

know I mentioned this maybe in the

2928

02:03:26,770 --> 02:03:24,530

pre-interview role

2929

02:03:29,049 --> 02:03:26,780

I'm a Richard doll remember it's like

2930

02:03:30,250 --> 02:03:29,059

one of the best values out there for

2931

02:03:32,529 --> 02:03:30,260

anyone who's interested in this stuff

2932

02:03:34,899 --> 02:03:32,539

because you produce so much great

2933

02:03:36,939 --> 02:03:34,909

content and so much but you give away

2934

02:03:39,330 --> 02:03:36,949

for free but there's also stuff that's

2935

02:03:41,969 --> 02:03:39,340

behind the wall as it should be

2936

02:03:45,759 --> 02:03:41,979

can you tell people a little bit about

2937

02:03:48,520 --> 02:03:45,769

what you do and respect and stuff that's

2938

02:03:50,799 --> 02:03:48,530

coming up for for you that maybe people

2939

02:03:52,629 --> 02:03:50,809

should haven't look out for that

2940

02:03:53,919 --> 02:03:52,639

absolutely thank you Alex and thank you

2941

02:03:56,560 --> 02:03:53,929

for saying what you did about my site

2942

02:03:59,560 --> 02:03:56,570

that Tracy and I run that and it's a lot

2943

02:04:02,169 --> 02:03:59,570

of work but I've decided look if I want

2944

02:04:03,700 --> 02:04:02,179

to devote my life to this type of thing

2945

02:04:06,189 --> 02:04:03,710

that I do like I have to figure out a

2946

02:04:08,620 --> 02:04:06,199

way to make it work so I can't trust

2947

02:04:10,029 --> 02:04:08,630

YouTube because that's the hammer is

2948

02:04:14,259 --> 02:04:10,039

definitely coming down on YouTube in

2949

02:04:16,029 --> 02:04:14,269

every way so what I've decided is I mean

2950

02:04:17,979 --> 02:04:16,039

I sell some books I write books and sell

2951

02:04:20,200 --> 02:04:17,989

those but I've created this website

2952

02:04:22,839 --> 02:04:20,210

Richard only members where it's true I

2953

02:04:24,640 --> 02:04:22,849

put I put a tremendous amount of content

2954

02:04:26,890 --> 02:04:24,650

out there for people who want to go to

2955

02:04:28,569 --> 02:04:26,900

the site and people can complain they're

2956

02:04:30,100 --> 02:04:28,579

like well you know you're trying to make

2957

02:04:31,839 --> 02:04:30,110

money and I'm like yes I am trying to

2958

02:04:34,180 --> 02:04:31,849

make money like we're not 12 years old

2959

02:04:35,319 --> 02:04:34,190

like the people who say oh my god so

2960

02:04:38,109 --> 02:04:35,329

once i was trying to make money out of

2961

02:04:41,879 --> 02:04:38,119

the out of this field like are you a

2962

02:04:45,250 --> 02:04:41,889

child like what do you think people do

2963

02:04:48,549 --> 02:04:45,260

to live like it just never ceases to

2964

02:04:50,020 --> 02:04:48,559

amaze me so I got it's also I like the

2965

02:04:51,719 --> 02:04:50,030

way people put it and it's really true

2966

02:04:54,020 --> 02:04:51,729

it's the value for value exchange

2967

02:04:55,969 --> 02:04:54,030

exactly

2968

02:04:58,729 --> 02:04:55,979

and what else are you spending your

2969

02:05:01,430 --> 02:04:58,739

money on and you know what ways we're

2970

02:05:02,870 --> 02:05:01,440

all becoming used to it more right so we

2971

02:05:04,339 --> 02:05:02,880

pay for Netflix and then we're gonna

2972

02:05:06,649 --> 02:05:04,349

like I already paid for Netflix do I

2973

02:05:08,509 --> 02:05:06,659

really have to pay for ESPN Plus well

2974

02:05:10,609 --> 02:05:08,519

yes you have to pay for you ESPN Plus

2975

02:05:12,979 --> 02:05:10,619

and that's just the way it is so I don't

2976

02:05:15,020 --> 02:05:12,989

have I agree I think it's it's a

2977

02:05:17,810 --> 02:05:15,030

childish complaint and when you look at

2978

02:05:20,509 --> 02:05:17,820

the numbers I mean getting getting rich

2979

02:05:22,669 --> 02:05:20,519

I mean you know now now trying to lay a

2980

02:05:24,500 --> 02:05:22,679

few deep eyes getting rich but Richard

2981

02:05:27,080 --> 02:05:24,510

Dolan's not making millions of dollars

2982

02:05:28,879 --> 02:05:27,090

for this he's just hopefully we're

2983

02:05:31,819 --> 02:05:28,889

supporting him to continue to do that

2984

02:05:34,459 --> 02:05:31,829

who else thank you

2985

02:05:38,390 --> 02:05:34,469

yeah it allows me to live in and I'm

2986

02:05:40,339 --> 02:05:38,400

happy and it works so this is a model in

2987

02:05:42,410 --> 02:05:40,349

a system that is working for me for now

2988

02:05:47,479 --> 02:05:42,420

but in terms of what I'm working working

2989

02:05:49,640 --> 02:05:47,489

on in addition to doing the content for

2990

02:05:55,790 --> 02:05:49,650

my site which I'm very committed to

2991

02:05:56,989 --> 02:05:55,800

doing I had a couple of I guess I went a

2992

02:05:58,700 --> 02:05:56,999

couple of different directions over the

2993

02:06:00,799 --> 02:05:58,710

last few years and I think I've sorted

2994

02:06:02,989 --> 02:06:00,809

out finally so I thought I was going to

2995

02:06:05,209 --> 02:06:02,999

do a whole false flag book that was my

2996

02:06:07,100 --> 02:06:05,219

big big thing for a while and that can

2997

02:06:09,020 --> 02:06:07,110

still happen frankly I have a tremendous

2998

02:06:12,469 --> 02:06:09,030

amount of research on history of false

2999

02:06:16,100 --> 02:06:12,479

flags that I can and probably will turn

3000

02:06:17,989 --> 02:06:16,110

into a book but I decided maybe a year

3001

02:06:23,450 --> 02:06:17,999

ago that I was going back full time into

3002

02:06:25,989 --> 02:06:23,460

UFOs and and that means the third volume

3003

02:06:30,109 --> 02:06:25,999

of UFOs in a national security state

3004

02:06:32,020 --> 02:06:30,119

which is a dreaded project that's been

3005

02:06:36,439 --> 02:06:32,030

hanging over my head for a while but I

3006

02:06:37,819 --> 02:06:36,449

feel like I can do it now and the only

3007

02:06:38,779 --> 02:06:37,829

other thing well pardon me the only

3008

02:06:43,189 --> 02:06:38,789

other thing that might get in the way of

3009

02:06:44,810 --> 02:06:43,199

it is if I do a quick little 150 page

3010

02:06:47,209 --> 02:06:44,820

book on the last two three years of

3011

02:06:50,600 --> 02:06:47,219

ufology ufology turn it upside down

3012

02:06:52,219 --> 02:06:50,610

which to me is a fascinating story but I

3013

02:06:54,229 --> 02:06:52,229

may incorporate that into volume three

3014

02:06:56,620 --> 02:06:54,239  
of national security state but that

3015

02:06:59,450 --> 02:06:56,630  
that's what I'm working on I have just

3016

02:07:01,640 --> 02:06:59,460  
reorganized my main office which was in

3017

02:07:03,739 --> 02:07:01,650  
absolute state of disaster for the last

3018

02:07:05,800 --> 02:07:03,749  
year and a half and I can work there and

3019

02:07:08,770 --> 02:07:05,810  
I can actually get some writing done

3020

02:07:10,210 --> 02:07:08,780  
so that's my goal for 2020 is to focus

3021

02:07:13,660 --> 02:07:10,220  
as much of my writing as I can

3022

02:07:16,840 --> 02:07:13,670  
problem is frankly the problem and it's

3023

02:07:18,400 --> 02:07:16,850  
not a problem like people invite me to

3024

02:07:21,520 --> 02:07:18,410  
speak at various places and do various

3025

02:07:25,180 --> 02:07:21,530  
things and I enjoy those but those take

3026

02:07:27,670 --> 02:07:25,190

time out of my work and it's hard I've

3027

02:07:29,680 --> 02:07:27,680

actually I've been turning a lot of

3028

02:07:31,180 --> 02:07:29,690

events down because I have to stay home

3029

02:07:33,970 --> 02:07:31,190

and I've got to be able to focus on my

3030

02:07:36,460 --> 02:07:33,980

writing my work so I'm doing some travel

3031

02:07:37,740 --> 02:07:36,470

but hopefully not not as much as I've

3032

02:07:40,660 --> 02:07:37,750

done in the past

3033

02:07:43,360 --> 02:07:40,670

well we're counting on you to get in

3034

02:07:45,880 --> 02:07:43,370

that office crank it out like some we

3035

02:07:48,580 --> 02:07:45,890

only you could Richard's been an

3036

02:07:49,990 --> 02:07:48,590

absolute delight pleasure so much thank

3037

02:07:53,110 --> 02:07:50,000

you so much for joining me in spending

3038

02:07:55,600 --> 02:07:53,120

so much time with us and we'll stay in

3039

02:07:57,370 --> 02:07:55,610

touch I would do this again just let you

3040

02:07:59,200 --> 02:07:57,380

know I've enjoyed this very much it's

3041

02:08:01,330 --> 02:07:59,210

great conversation so thank you for

3042

02:08:03,520 --> 02:08:01,340

having me on Alex thanks again to

3043

02:08:06,310 --> 02:08:03,530

Richard Dolman for joining me on skeptic

3044

02:08:08,890 --> 02:08:06,320

oh what a great guest an open and

3045

02:08:12,310 --> 02:08:08,900

welcoming guy for someone who has done

3046

02:08:15,160 --> 02:08:12,320

all he has done inside of this field

3047

02:08:16,720 --> 02:08:15,170

it's just amazing to talk to him so one

3048

02:08:20,470 --> 02:08:16,730

question I'd have the tea up from this

3049

02:08:23,440 --> 02:08:20,480

interview is toothpaste is toothpaste

3050

02:08:25,450 --> 02:08:23,450

good or is toothpaste that good if you

3051

02:08:27,660 --> 02:08:25,460

remember from this interview Richards

3052

02:08:31,660 --> 02:08:27,670

point I think if I got it right was

3053

02:08:35,260 --> 02:08:31,670

squeezing that UFO disclosure toothpaste

3054

02:08:37,750 --> 02:08:35,270

out of the tube is probably a good thing

3055

02:08:40,720 --> 02:08:37,760

and maybe we shouldn't come down so hard

3056

02:08:44,530 --> 02:08:40,730

on those who are trying to do it or

3057

02:08:46,840 --> 02:08:44,540

maybe we should consider all the aspects

3058

02:08:50,650 --> 02:08:46,850

of what they're doing before we

3059

02:08:52,060 --> 02:08:50,660

criticize them as I sometimes do so if

3060

02:08:53,920 --> 02:08:52,070

you'd like to tee up that question with

3061

02:08:56,350 --> 02:08:53,930

me and other folks who listen to this

3062

02:08:59,530 --> 02:08:56,360

show please join us over on The

3063

02:09:01,720 --> 02:08:59,540

Skeptical forum which you can find all

3064

02:09:04,000 --> 02:09:01,730

our shows there and you can talk to

3065

02:09:05,890 --> 02:09:04,010

everybody about them and you can also go

3066

02:09:08,560 --> 02:09:05,900

to The Skeptical website of course and

3067

02:09:10,570 --> 02:09:08,570

download any of these shows for free no

3068

02:09:12,940 --> 02:09:10,580

ads or firewalls and you're free to

3069

02:09:15,070 --> 02:09:12,950

share them around and redistribute them

3070

02:09:17,610 --> 02:09:15,080

the idea is really just to get this

3071

02:09:20,100 --> 02:09:17,620

information out to people

3072

02:09:22,770 --> 02:09:20,110

who need it so if you know someone who

3073

02:09:27,630 --> 02:09:22,780

needs to hear this information please

3074

02:09:30,030 --> 02:09:27,640

share the show with them I have some

3075

02:09:32,130 --> 02:09:30,040

great episodes of skeptical coming up I

3076

02:09:34,710 --> 02:09:32,140

think this one was terrific again it's

3077

02:09:37,530 --> 02:09:34,720

so cruel to talk to a guy like Richard

3078

02:09:39,540 --> 02:09:37,540

Dolan who can kind of go up to the big

3079

02:09:41,610 --> 02:09:39,550

picture but can also dive into the

3080

02:09:43,440 --> 02:09:41,620

details great stuff and I have some

3081

02:09:46,920 --> 02:09:43,450

really terrific ones coming up too I

3082

02:09:50,520 --> 02:09:46,930

think so please do stay with me for all

3083

02:09:53,070 --> 02:09:50,530

of that until next time take care and
