1
00:00:11,270 --> 00:00:07,280
I have an interview coming up in a

2
00:00:14,089 --> 00:00:11,280
minute with russ dizdar this is gonna be

3
00:00:16,400 --> 00:00:14,099
a tough one for a lot of folks for a lot

4
00:00:19,880 --> 00:00:16,410
of different reasons here are some clips

5
00:00:21,800 --> 00:00:19,890
I was in Worthington OHIO at the police

6
00:00:23,929 --> 00:00:21,810
academy called Okada a law enforcement

7
00:00:26,330 --> 00:00:23,939
agent named Thomas wedge who wrote a

8
00:00:27,950 --> 00:00:26,340
book called the Satan hunter for law

9
00:00:30,800 --> 00:00:27,960
enforcement so I'm going through all of

10
00:00:32,810 --> 00:00:30,810
this the very evening that I get home I

11
00:00:35,150 --> 00:00:32,820
get a phone call from a frantic woman

12
00:00:37,610 --> 00:00:35,160
who said somebody gave me your phone

13
00:00:40,220 --> 00:00:37,620

number I have a stepdaughter it's in the

14

00:00:41,990 --> 00:00:40,230

psych ward she's gonna kill herself her

15

00:00:44,119 --> 00:00:42,000

mother's doing she goes into all the

16

00:00:45,920 --> 00:00:44,129

stores about satanic stuff and rituals

17

00:00:48,170 --> 00:00:45,930

and blood rituals and animals being

18

00:00:50,090 --> 00:00:48,180

sacrificed and I sat down with a

19

00:00:52,639 --> 00:00:50,100

thirteen-year-old she's there because

20

00:00:54,500 --> 00:00:52,649

she keeps writing over and over and over

21

00:00:56,029 --> 00:00:54,510

at the ritual of the flames the ritual

22

00:00:58,490 --> 00:00:56,039

of the flames the ritual of the flames

23

00:01:00,439 --> 00:00:58,500

when I finally got enough engagement

24

00:01:02,299 --> 00:01:00,449

with her to talk about it she said it's

25

00:01:04,700 --> 00:01:02,309

a ritual that she has to do on her 14th

26

00:01:08,179 --> 00:01:04,710

birthday to prove her love for her

27

00:01:10,910 --> 00:01:08,189

mother her mother a satanic priestess so

28

00:01:13,160 --> 00:01:10,920

victim this this little girl as I'm

29

00:01:16,550 --> 00:01:13,170

engaging her began to have other

30

00:01:18,649 --> 00:01:16,560

personalities come up again you know I'm

31

00:01:21,859 --> 00:01:18,659

a counselor I'm trained I'm in school

32

00:01:23,570 --> 00:01:21,869

I'm trained to do things I'm listening

33

00:01:25,969 --> 00:01:23,580

to this thirteen-year-old that I'm

34

00:01:29,359 --> 00:01:25,979

listening to a male personality then I'm

35

00:01:33,170 --> 00:01:29,369

listening to another personality why is

36

00:01:35,840 --> 00:01:33,180

that so hard to accept for most people

37

00:01:38,690 --> 00:01:35,850

what and moreover why is it completely

38

00:01:40,370 --> 00:01:38,700

misrepresented in the media first I

39

00:01:42,710 --> 00:01:40,380

would say the first part of this is the

40

00:01:44,389 --> 00:01:42,720

issue of grid in the when you talk about

41

00:01:46,670 --> 00:01:44,399

investigative journalists that I deal

42

00:01:49,760 --> 00:01:46,680

with psychiatrists police officers feds

43

00:01:51,770 --> 00:01:49,770

if it's not in your grid in other words

44

00:01:53,389 --> 00:01:51,780

if you're trying to deal with ms-13 a

45

00:01:55,520 --> 00:01:53,399

gang they're real they're real gang

46

00:01:58,730 --> 00:01:55,530

they're a drug gang they're in my city

47

00:02:00,429 --> 00:01:58,740

now up here in Canton Ohio they have

48

00:02:03,380 --> 00:02:00,439

certain markings certain hand signs

49

00:02:05,510 --> 00:02:03,390

certain clothing so there's certain

50

00:02:08,660 --> 00:02:05,520

characteristics about a real gang so

51
00:02:11,750 --> 00:02:08,670
when we deal with satanic crimes the

52
00:02:13,850 --> 00:02:11,760
very little teaching on that subject and

53
00:02:16,200 --> 00:02:13,860
I want to make sure we talk about

54
00:02:18,900 --> 00:02:16,210
mkultra you've thrown it out there we've

55
00:02:22,410 --> 00:02:18,910
investigated it extensively on this show

56
00:02:26,430 --> 00:02:22,420
it was in response to what they thought

57
00:02:29,160 --> 00:02:26,440
was a threat from Russia who was engaged

58
00:02:31,230 --> 00:02:29,170
in a lot of this activity but there was

59
00:02:33,840 --> 00:02:31,240
also as you point out and I'm sure you

60
00:02:36,180 --> 00:02:33,850
will there was a direct Nazi connection

61
00:02:38,880 --> 00:02:36,190
or we had just picked up their research

62
00:02:41,160 --> 00:02:38,890
and said gee horrible thing that you've

63
00:02:41,820 --> 00:02:41,170

done but let's see if we can do it

64

00:02:44,550 --> 00:02:41,830

better

65

00:02:46,560 --> 00:02:44,560

Alex you're a million percent right on

66

00:02:49,080 --> 00:02:46,570

that issue when it comes to Sai warriors

67

00:02:50,760 --> 00:02:49,090

no question about the United States knew

68

00:02:53,280 --> 00:02:50,770

that they had to do something in the 50s

69

00:02:54,720 --> 00:02:53,290

to counteract the what they learned

70

00:02:57,570 --> 00:02:54,730

about the Russians what they were doing

71

00:02:59,280 --> 00:02:57,580

what nobody was saying though that step

72

00:03:02,100 --> 00:02:59,290

back like you just did step back another

73

00:03:05,370 --> 00:03:02,110

step where did the Russians get it where

74

00:03:07,410 --> 00:03:05,380

do the Americans get it so you do go

75

00:03:09,000 --> 00:03:07,420

back to the Nazis I mean you don't have

76

00:03:10,770 --> 00:03:09,010

to go all the way there with the Nazis

77

00:03:12,510 --> 00:03:10,780

but you can't deny that they were

78

00:03:14,370 --> 00:03:12,520

interested in they are cold you can't

79

00:03:17,070 --> 00:03:14,380

deny that those SS uniforms had the

80

00:03:19,259 --> 00:03:17,080

little skull and crossbones on them and

81

00:03:21,840 --> 00:03:19,269

they were and that they were actively

82

00:03:24,330 --> 00:03:21,850

trying to seek all these occult objects

83

00:03:27,900 --> 00:03:24,340

in order to empower what they would do

84

00:03:29,720 --> 00:03:27,910

tell us what you saw and experienced

85

00:03:32,130 --> 00:03:29,730

when you were in the castle in Germany

86

00:03:33,960 --> 00:03:32,140

well that's that was the whole issue

87

00:03:36,060 --> 00:03:33,970

where did it come from that we just we

88

00:03:38,160 --> 00:03:36,070

kept following the trail follow the

89

00:03:40,890 --> 00:03:38,170

evidence so I'll say this real quick

90

00:03:44,610 --> 00:03:40,900

modern-day sagina commercial abuse is

91

00:03:46,830 --> 00:03:44,620

nothing less than the extension of the

92

00:03:50,610 --> 00:03:46,840

agenda of the master race there's an

93

00:03:52,740 --> 00:03:50,620

Ozzy started in 1939 stay with us for

94

00:03:59,649 --> 00:03:52,750

skeptic Oh

95

00:04:01,940 --> 00:03:59,659

[Music]

96

00:04:03,830 --> 00:04:01,950

welcome to skeptical where we explore

97

00:04:06,619 --> 00:04:03,840

controversial science and spirituality

98

00:04:07,910 --> 00:04:06,629

with leading researchers thinkers and

99

00:04:11,300 --> 00:04:07,920

their critics

100

00:04:13,759 --> 00:04:11,310

I'm your host Alex Icarus and as you may

101
00:04:16,729 --> 00:04:13,769
know by now if you've listened to this

102
00:04:21,890 --> 00:04:16,739
show very much lately you know I've been

103
00:04:23,120 --> 00:04:21,900
kind of into the evil thing and I gotta

104
00:04:25,730 --> 00:04:23,130
tell you you know it's not because I

105
00:04:28,850 --> 00:04:25,740
have any special interest or attraction

106
00:04:31,189 --> 00:04:28,860
to the topic it's just it seems to me to

107
00:04:33,680 --> 00:04:31,199
be kind of one of the fundamental

108
00:04:36,529 --> 00:04:33,690
central questions we can ask about the

109
00:04:38,409 --> 00:04:36,539
nature of who we are why we why we're

110
00:04:42,620 --> 00:04:38,419
here the whole consciousness question

111
00:04:45,740 --> 00:04:42,630
evil is something that is fundamental to

112
00:04:49,430 --> 00:04:45,750
that so again as you know I've spent

113
00:04:53,230 --> 00:04:49,440

quite a bit of time exposing the

114

00:04:55,580 --> 00:04:53,240

completely inept materialistic atheistic

115

00:04:58,580 --> 00:04:55,590

scientific dogma that would have us

116

00:05:01,129 --> 00:04:58,590

completely sidestep any of these

117

00:05:03,260 --> 00:05:01,139

questions claiming that evil doesn't

118

00:05:06,680 --> 00:05:03,270

exist good doesn't exist because

119

00:05:08,420 --> 00:05:06,690

consciousness doesn't even exist you

120

00:05:12,260 --> 00:05:08,430

also know we've gone a few rounds with

121

00:05:15,670 --> 00:05:12,270

11 like folks who are equally convinced

122

00:05:18,379 --> 00:05:15,680

that evil is just something that's

123

00:05:21,760 --> 00:05:18,389

understood as a bad idea and can be

124

00:05:25,100 --> 00:05:21,770

banished with a couple of good positive

125

00:05:28,370 --> 00:05:25,110

affirmations on this show you've even

126

00:05:30,830 --> 00:05:28,380

heard from magic practitioners who

127

00:05:33,710 --> 00:05:30,840

reluctantly acknowledge the existence of

128

00:05:35,350 --> 00:05:33,720

evil but fall back into the idea that it

129

00:05:38,779 --> 00:05:35,360

doesn't really matter as long as you

130

00:05:44,959 --> 00:05:38,789

marshal those spirits to join your side

131

00:05:49,040 --> 00:05:44,969

and ultimately do what thou wilt but one

132

00:05:51,730 --> 00:05:49,050

angle we haven't covered and that's one

133

00:05:55,310 --> 00:05:51,740

that we're going to cover today is

134

00:05:59,749 --> 00:05:55,320

talking to someone who claims to kind of

135

00:06:03,110 --> 00:05:59,759

have insider knowledge about evil in a

136

00:06:03,679 --> 00:06:03,120

boots on the ground fighting evil kind

137

00:06:07,009 --> 00:06:03,689

of

138

00:06:10,669 --> 00:06:07,019

and that's what we're gonna hear today

139

00:06:13,369 --> 00:06:10,679

because today's guest russ dizdar is an

140

00:06:16,219 --> 00:06:13,379

ordained minister former police chaplain

141

00:06:19,759 --> 00:06:16,229

and a guy who's taught college-level

142

00:06:21,859 --> 00:06:19,769

courses on occult and satanic crimes

143

00:06:23,929 --> 00:06:21,869

Russell's work with a number of victims

144

00:06:26,479 --> 00:06:23,939

of satanic ritual abuse he's

145

00:06:29,600 --> 00:06:26,489

investigated satanic crimes cult crimes

146

00:06:31,999 --> 00:06:29,610

a lot of mind-control stuff that's going

147

00:06:34,369 --> 00:06:32,009

to be very interesting and dovetail with

148

00:06:37,100 --> 00:06:34,379

a lot of the research if you will or

149

00:06:38,929 --> 00:06:37,110

interviews we've done on this show he's

150

00:06:40,189 --> 00:06:38,939

the author of several books including

151
00:06:43,249 --> 00:06:40,199
one that we're going to talk about today

152
00:06:45,229 --> 00:06:43,259
the black awakening and maybe some of

153
00:06:49,209 --> 00:06:45,239
those other books you can hear him on

154
00:06:52,159 --> 00:06:49,219
his long-running show ragged edge radio

155
00:06:52,790 --> 00:06:52,169
Russ welcome to skeptical thanks for

156
00:06:54,979 --> 00:06:52,800
joining me

157
00:06:59,239 --> 00:06:54,989
good to be with the Alex pace appreciate

158
00:07:02,659 --> 00:06:59,249
being here today ok today I left some

159
00:07:07,189 --> 00:07:02,669
stuff out of that intro we should best

160
00:07:11,149 --> 00:07:07,199
start by telling folks more about who

161
00:07:13,579 --> 00:07:11,159
you are and how you've really got a m--

162
00:07:16,639 --> 00:07:13,589
to this work and then the research that

163
00:07:18,649 --> 00:07:16,649

you've done sure I I mean we go back 40

164

00:07:20,149 --> 00:07:18,659

years then I mean that's 40 years ago in

165

00:07:22,059 --> 00:07:20,159

the beginning of this you know I was

166

00:07:27,409 --> 00:07:22,069

raised in through the 60s early 70s

167

00:07:28,999 --> 00:07:27,419

lived a wild crazy life drugs bar fight

168

00:07:30,859 --> 00:07:29,009

and all those kind of crazy things well

169

00:07:32,929 --> 00:07:30,869

I tried to clean it all up I wouldn't I

170

00:07:35,269 --> 00:07:32,939

got into Buddhism and went to a temple

171

00:07:37,639 --> 00:07:35,279

for three years got to do a lot of other

172

00:07:39,139 --> 00:07:37,649

things the cult isn't myself now in the

173

00:07:41,929 --> 00:07:39,149

context of that I was never raised in

174

00:07:44,779 --> 00:07:41,939

church but just just to say what

175

00:07:47,719 --> 00:07:44,789

occurred to me in 1975 for the first

176
00:07:49,939 --> 00:07:47,729
time I heard the message of Jesus and I

177
00:07:51,679 --> 00:07:49,949
heard the message that he's alive he's

178
00:07:54,649 --> 00:07:51,689
real he'll come into my life changed my

179
00:07:56,509 --> 00:07:54,659
life well all I could tell you Alex that

180
00:08:00,229 --> 00:07:56,519
night when I received Christ in my life

181
00:08:01,669 --> 00:08:00,239
and he came in I've known him now and

182
00:08:03,439 --> 00:08:01,679
don't walk with God just you know

183
00:08:05,929 --> 00:08:03,449
knowing God and walking with God that's

184
00:08:08,959 --> 00:08:05,939
where it all started as far as just new

185
00:08:11,509 --> 00:08:08,969
life for me and and if you want to call

186
00:08:14,809 --> 00:08:11,519
it being born again being awakened to

187
00:08:17,080 --> 00:08:14,819
who God is you know that's the biblical

188
00:08:20,560 --> 00:08:17,090

picture of that salvation so

189

00:08:24,430 --> 00:08:20,570

in that I really feel like I recognized

190

00:08:26,530 --> 00:08:24,440

what evil really was I was you know

191

00:08:29,680 --> 00:08:26,540

there were some episodes of spiritual

192

00:08:32,709 --> 00:08:29,690

things entities visitations that I had

193

00:08:36,579 --> 00:08:32,719

prior to that salvation where I almost

194

00:08:40,180 --> 00:08:36,589

lost my life so when I became a believer

195

00:08:43,269 --> 00:08:40,190

in Jesus a Christian then I began to get

196

00:08:47,260 --> 00:08:43,279

into ministry well from that time in the

197

00:08:50,860 --> 00:08:47,270

late 70s on we've always engaged the

198

00:08:53,410 --> 00:08:50,870

underworld I began to deal with young

199

00:08:56,320 --> 00:08:53,420

people in Satanism in the late 70s then

200

00:08:58,930 --> 00:08:56,330

we got into in the early like 1980 1981

201
00:09:02,530 --> 00:08:58,940
we got involved with satanic ritual

202
00:09:04,630 --> 00:09:02,540
abuse multiple personality disorder can

203
00:09:07,810 --> 00:09:04,640
I jump in there with a cleared sure

204
00:09:10,150 --> 00:09:07,820
because one of the things that you know

205
00:09:12,820 --> 00:09:10,160
straight up we're gonna have to kind of

206
00:09:16,120 --> 00:09:12,830
deal with is even like I said in the

207
00:09:19,650 --> 00:09:16,130
intro establishing idea that there is

208
00:09:22,960 --> 00:09:19,660
such a thing as evil and in particular

209
00:09:25,690 --> 00:09:22,970
when you talk about satanic ritual abuse

210
00:09:29,130 --> 00:09:25,700
you know straight up and you know this

211
00:09:32,050 --> 00:09:29,140
most people you go to Google in you

212
00:09:35,800 --> 00:09:32,060
Google satanic ritual abuse and the

213
00:09:40,600 --> 00:09:35,810

first 10 pages first 100 entries are

214

00:09:43,360 --> 00:09:40,610

about the hoax so the satanic ritual

215

00:09:46,120 --> 00:09:43,370

abuse as this kind of meme as this kind

216

00:09:49,570 --> 00:09:46,130

of joke now if we've explored it on the

217

00:09:51,130 --> 00:09:49,580

show in some different ways but I guess

218

00:09:55,090 --> 00:09:51,140

one of the things I was hoping you could

219

00:09:58,000 --> 00:09:55,100

do is from your experience in law

220

00:10:03,090 --> 00:09:58,010

enforcement in particular kind of nail

221

00:10:07,360 --> 00:10:03,100

down that this is real this is out there

222

00:10:10,090 --> 00:10:07,370

even without if you would it without the

223

00:10:12,550 --> 00:10:10,100

the religious overlay I mean there are

224

00:10:16,180 --> 00:10:12,560

people out there who are doing this

225

00:10:18,640 --> 00:10:16,190

stuff and to a certain extent law

226
00:10:20,050 --> 00:10:18,650
enforcement from what I understand and

227
00:10:24,490 --> 00:10:20,060
talking to some of these people they

228
00:10:25,840 --> 00:10:24,500
kind of feel constricted in reporting it

229
00:10:28,750 --> 00:10:25,850
and talking about it so they go out to a

230
00:10:30,670 --> 00:10:28,760
scene and it's a crime scene and there's

231
00:10:33,129 --> 00:10:30,680
all sort of sorts of satanic

232
00:10:36,299 --> 00:10:33,139
all over the place symbols and other

233
00:10:39,400 --> 00:10:36,309
stuff and they feel obligated to kind of

234
00:10:42,609 --> 00:10:39,410
not report that can you give us some

235
00:10:45,579 --> 00:10:42,619
kind of boots-on-the-ground evidence

236
00:10:48,220 --> 00:10:45,589
that you've had that this is something

237
00:10:50,350 --> 00:10:48,230
that's real beyond the Google search of

238
00:10:52,869 --> 00:10:50,360

satanic panic which is what always comes

239

00:10:54,340 --> 00:10:52,879

up sure and that's that's that's the

240

00:10:55,540 --> 00:10:54,350

vital part of all of it

241

00:10:57,340 --> 00:10:55,550

and that was asked that on

242

00:10:59,410 --> 00:10:57,350

coast-to-coast years ago when it came to

243

00:11:01,090 --> 00:10:59,420

sickening panic and you know there was a

244

00:11:04,269 --> 00:11:01,100

big battle over that whole issue in

245

00:11:06,119 --> 00:11:04,279

1990s actually and so the big issue is

246

00:11:09,639 --> 00:11:06,129

then what do we do with all the victims

247

00:11:11,949 --> 00:11:09,649

in 40 years I have worked with hundreds

248

00:11:13,629 --> 00:11:11,959

of victims of satanic ritual abuse now

249

00:11:17,590 --> 00:11:13,639

when I first begin to hear about Alex

250

00:11:19,540 --> 00:11:17,600

that's when I said this is so bizarre

251
00:11:22,299 --> 00:11:19,550
this is you know we know about Satanism

252
00:11:24,910 --> 00:11:22,309
like Anton LaVey and popular Satanism

253
00:11:27,699 --> 00:11:24,920
rock and roll Satanism we know all about

254
00:11:31,540 --> 00:11:27,709
that but we didn't understand this

255
00:11:33,790 --> 00:11:31,550
deeper level in real rituals so i formed

256
00:11:35,379 --> 00:11:33,800
a team back in the early 1980s which is

257
00:11:37,210 --> 00:11:35,389
now called the SII you

258
00:11:39,850 --> 00:11:37,220
it's an investigative team private

259
00:11:42,429 --> 00:11:39,860
investigative team and so we began to

260
00:11:44,499 --> 00:11:42,439
hunt it down we begin to go after it

261
00:11:46,269 --> 00:11:44,509
when we had victims come in we would

262
00:11:48,369 --> 00:11:46,279
listen to the stories we would do a we

263
00:11:50,499 --> 00:11:48,379

do to help them and see them help get

264

00:11:52,869 --> 00:11:50,509

safety and we're talking safe housing

265

00:11:54,790 --> 00:11:52,879

them hiding them out we get into talking

266

00:11:57,400 --> 00:11:54,800

about program personalities triggers

267

00:12:02,100 --> 00:11:57,410

coming people coming Watchers so I've

268

00:12:05,429 --> 00:12:02,110

got over 38 years of engaging victims

269

00:12:07,869 --> 00:12:05,439

extracting victims hiding victims out

270

00:12:11,499 --> 00:12:07,879

spending thousands and thousands of

271

00:12:13,629 --> 00:12:11,509

hours with victims so on just a secular

272

00:12:16,629 --> 00:12:13,639

look at this the American Psychological

273

00:12:18,850 --> 00:12:16,639

Association : Ross being one of the

274

00:12:20,169 --> 00:12:18,860

world renowned psychiatrist out of

275

00:12:22,989 --> 00:12:20,179

Canada he's now in the United States

276

00:12:24,519 --> 00:12:22,999

you're at a book project Bluebird the

277

00:12:26,739 --> 00:12:24,529

purposeful creation of multiple

278

00:12:27,999 --> 00:12:26,749

personality disorder and there's a lot

279

00:12:30,340 --> 00:12:28,009

of there's a ton of books now there's a

280

00:12:31,869 --> 00:12:30,350

lot of content out there now here's what

281

00:12:35,499 --> 00:12:31,879

we got to do here's a big question that

282

00:12:36,789 --> 00:12:35,509

I I scream at at conferences when I did

283

00:12:39,639 --> 00:12:36,799

teach a little bit in law enforcement

284

00:12:41,919 --> 00:12:39,649

police academies the big issue was where

285

00:12:43,700 --> 00:12:41,929

did all the victims come from you cannot

286

00:12:45,980 --> 00:12:43,710

have a person have

287

00:12:47,990 --> 00:12:45,990

personality that called everybody in

288

00:12:50,260 --> 00:12:48,000

psychology knows it comes from massive

289

00:12:53,570 --> 00:12:50,270

trauma and usually begins in childhood

290

00:12:57,050 --> 00:12:53,580

so where did all of the numbers like for

291

00:13:00,320 --> 00:12:57,060

example 1992 Holly Hector from

292

00:13:03,260 --> 00:13:00,330

Centennial Hospital in Denver in a book

293

00:13:06,490 --> 00:13:03,270

called Satan associates they gave an

294

00:13:10,430 --> 00:13:06,500

estimation of 2.4 million victims in

295

00:13:13,670 --> 00:13:10,440

1992 and these are people that have the

296

00:13:16,700 --> 00:13:13,680

trauma-based splitting of personalities

297

00:13:20,630 --> 00:13:16,710

and the evidence of programming and

298

00:13:25,130 --> 00:13:20,640

control abuses she mentioned in her

299

00:13:26,150 --> 00:13:25,140

report in 1992 that 87 percent of the

300

00:13:28,400 --> 00:13:26,160

victims they're dealing with

301
00:13:29,210 --> 00:13:28,410
come from a satanic ritual abuse

302
00:13:32,120 --> 00:13:29,220
background

303
00:13:35,210 --> 00:13:32,130
well then jump forward 10 years or so to

304
00:13:37,070 --> 00:13:35,220
call it let's let's stop right there cuz

305
00:13:40,010 --> 00:13:37,080
I want you to kind of nail that down a

306
00:13:42,530 --> 00:13:40,020
little bit more it's an important where

307
00:13:47,000 --> 00:13:42,540
you're going is super important and it's

308
00:13:49,100 --> 00:13:47,010
it's backed up by some of the research

309
00:13:51,110 --> 00:13:49,110
we've done in this show from a [h__h] on

310
00:13:54,470 --> 00:13:51,120
Christian perspective I am NOT a

311
00:13:57,980 --> 00:13:54,480
Christian I like I told you in the email

312
00:13:59,930 --> 00:13:57,990
I accept the reality of extended

313
00:14:02,240 --> 00:13:59,940

consciousness and Christ consciousness

314

00:14:03,940 --> 00:14:02,250

only because I'm forced to because

315

00:14:06,080 --> 00:14:03,950

that's where the data leads you follow

316

00:14:08,030 --> 00:14:06,090

near-death experience people are

317

00:14:10,640 --> 00:14:08,040

encountering Jesus they're encountering

318

00:14:12,140 --> 00:14:10,650

Christ you can't dismiss that in the

319

00:14:14,180 --> 00:14:12,150

same way that you can't dismiss the

320

00:14:16,250 --> 00:14:14,190

entire near-death experience but I don't

321

00:14:17,720 --> 00:14:16,260

want to get off on my thing sure but but

322

00:14:22,820 --> 00:14:17,730

I also want to kind of say that this

323

00:14:25,100 --> 00:14:22,830

trauma based realization of this

324

00:14:27,770 --> 00:14:25,110

extended realm in connection with this

325

00:14:30,140 --> 00:14:27,780

extended realm is again something we've

326

00:14:32,420 --> 00:14:30,150

run across again and again and again in

327

00:14:34,670 --> 00:14:32,430

our investigations again from a

328

00:14:37,610 --> 00:14:34,680

non-christian perspective so there's a

329

00:14:40,370 --> 00:14:37,620

lot of overlay there but I'm hoping you

330

00:14:42,440 --> 00:14:40,380

can maybe back up Russ and you know

331

00:14:46,310 --> 00:14:42,450

you've done this for so long you've been

332

00:14:48,320 --> 00:14:46,320

this warrior on the front line helping

333

00:14:50,780 --> 00:14:48,330

people so no matter what people think of

334

00:14:53,810 --> 00:14:50,790

the Christian overlay I want to help

335

00:14:57,300 --> 00:14:53,820

people get more of a sense of what

336

00:14:59,760 --> 00:14:57,310

you've seen on firsthand Bay

337

00:15:02,160 --> 00:14:59,770

is like you said maybe from more of a

338

00:15:05,490 --> 00:15:02,170

secular perspective where you said wow

339

00:15:07,470 --> 00:15:05,500

this is just this is just undeniable no

340

00:15:10,650 --> 00:15:07,480

matter what I might think about this

341

00:15:13,980 --> 00:15:10,660

this is really happening

342

00:15:15,510 --> 00:15:13,990

sure I mean it again in in that's that's

343

00:15:17,880 --> 00:15:15,520

that's one of the questions we all have

344

00:15:21,050 --> 00:15:17,890

to answer regardless of any background

345

00:15:23,610 --> 00:15:21,060

and and and as much as we dealt with

346

00:15:25,410 --> 00:15:23,620

psychiatrists psychologists with no

347

00:15:26,700 --> 00:15:25,420

Christian overlay when I'm in law

348

00:15:28,200 --> 00:15:26,710

enforcement they don't want me to talk

349

00:15:29,820 --> 00:15:28,210

anything about religion when I'm

350

00:15:31,560 --> 00:15:29,830

teaching me a police academy when they

351

00:15:33,810 --> 00:15:31,570

allowed me to you you know don't talk

352

00:15:36,930 --> 00:15:33,820

about that just deal with evidence and

353

00:15:40,320 --> 00:15:36,940

facts and and how to investigate this

354

00:15:43,040 --> 00:15:40,330

stuff so the big the big issue is again

355

00:15:45,210 --> 00:15:43,050

victims why are there so many victims

356

00:15:47,640 --> 00:15:45,220

where do they come from why are there

357

00:15:49,769 --> 00:15:47,650

thousands in the 80s hundreds of

358

00:15:52,140 --> 00:15:49,779

thousands in the 90s and I do agree with

359

00:15:54,140 --> 00:15:52,150

the assessment that many others in the

360

00:15:57,480 --> 00:15:54,150

second Darrell not us I'm quoting

361

00:15:59,910 --> 00:15:57,490

secular content when I say they now

362

00:16:02,250 --> 00:15:59,920

believe : Ross the secular counselor a

363

00:16:04,380 --> 00:16:02,260

psychiatrist he's world renowned knowing

364

00:16:07,350 --> 00:16:04,390

about all this he's written a lot about

365

00:16:10,829 --> 00:16:07,360

this numerous books he believes in an

366

00:16:13,920 --> 00:16:10,839

assessment of ten million victims in the

367

00:16:16,650 --> 00:16:13,930

United States alone now I could talk

368

00:16:20,610 --> 00:16:16,660

about going to Scotland Germany France

369

00:16:22,860 --> 00:16:20,620

Poland Canada I could talk about how why

370

00:16:24,270 --> 00:16:22,870

are they worldwide were the poskim there

371

00:16:26,730 --> 00:16:24,280

and all these other continents also

372

00:16:29,820 --> 00:16:26,740

where do they come from the DSM three

373

00:16:31,860 --> 00:16:29,830

the diagnostic manual the DSM 4 the

374

00:16:35,670 --> 00:16:31,870

diagnostic manual for psychology and

375

00:16:39,000 --> 00:16:35,680

psychiatry it wasn't in there the DSM 1

376

00:16:41,370 --> 00:16:39,010

and 2 the phenomena began to pour in the

377

00:16:42,960 --> 00:16:41,380

late 70s victims began to show up

378

00:16:45,600 --> 00:16:42,970

everywhere and that's what happened to

379

00:16:48,810 --> 00:16:45,610

us in the early 80s victims my first

380

00:16:51,540 --> 00:16:48,820

victim I had to show up at a children's

381

00:16:55,079 --> 00:16:51,550

Psychiatric Center a thirteen-year-old

382

00:16:57,329 --> 00:16:55,089

girl she's writing she has all these

383

00:16:59,690 --> 00:16:57,339

drawings that she's showing me she's

384

00:17:03,060 --> 00:16:59,700

there because they're afraid she's gonna

385

00:17:05,040 --> 00:17:03,070

commit suicide because she keeps writing

386

00:17:06,600 --> 00:17:05,050

over and over and over at the ritual of

387

00:17:08,880 --> 00:17:06,610

the flames the ritual of the flames

388

00:17:10,710 --> 00:17:08,890

original of the flames when I finally

389

00:17:11,100 --> 00:17:10,720

got enough engagement with her to talk

390

00:17:13,049 --> 00:17:11,110

about

391

00:17:15,659 --> 00:17:13,059

she said it's a ritual that she has to

392

00:17:18,419 --> 00:17:15,669

do on her 14th birthday to prove her

393

00:17:21,509 --> 00:17:18,429

love for her mother her mother a satanic

394

00:17:24,480 --> 00:17:21,519

priestess I've engaged her I looked at

395

00:17:26,340 --> 00:17:24,490

all the writings the the pyramid the

396

00:17:28,620 --> 00:17:26,350

languages that we don't even know of

397

00:17:31,409 --> 00:17:28,630

ancient languages so I'm looking at

398

00:17:34,500 --> 00:17:31,419

things that I've never seen this is like

399

00:17:36,720 --> 00:17:34,510

1981 to 82 83 and East in these early

400

00:17:39,720 --> 00:17:36,730

days I'm looking at content and

401
00:17:41,519 --> 00:17:39,730
materials that I've not seen that we all

402
00:17:44,850 --> 00:17:41,529
of us hadn't had to scurry around and

403
00:17:49,169 --> 00:17:44,860
scour everywhere for information so

404
00:17:51,419 --> 00:17:49,179
victim this this little girl as I'm

405
00:17:55,710 --> 00:17:51,429
engaging her began to have other

406
00:17:57,840 --> 00:17:55,720
personalities come up again you know I'm

407
00:18:01,019 --> 00:17:57,850
a counselor I'm trained I'm in school

408
00:18:02,730 --> 00:18:01,029
I'm trained to do things I'm listening

409
00:18:05,100 --> 00:18:02,740
to this thirteen-year-old that I'm

410
00:18:07,230 --> 00:18:05,110
listening to a male personality then I'm

411
00:18:09,299 --> 00:18:07,240
listening to another personality can I

412
00:18:11,279 --> 00:18:09,309
ask you what what brought you to the

413
00:18:13,649 --> 00:18:11,289

hospital paint that scene for a minute

414

00:18:16,830 --> 00:18:13,659

why are you called who are you at that

415

00:18:19,470 --> 00:18:16,840

point and then pick it up from there

416

00:18:22,789 --> 00:18:19,480

sure I was in Worthington OHIO

417

00:18:25,320 --> 00:18:22,799

at the police academy called Okada a a

418

00:18:27,419 --> 00:18:25,330

law enforcement agent named Thomas wedge

419

00:18:30,330 --> 00:18:27,429

who wrote a book called the Satan hunter

420

00:18:31,289 --> 00:18:30,340

for law enforcement caliber press was

421

00:18:34,680 --> 00:18:31,299

for law enforcement

422

00:18:36,570 --> 00:18:34,690

he kind of snuck us in under the carpet

423

00:18:39,029 --> 00:18:36,580

to be in the police academy to go

424

00:18:40,799 --> 00:18:39,039

through this training advanced training

425

00:18:42,810 --> 00:18:40,809

roll call CD into crimes so I'm going

426

00:18:44,970 --> 00:18:42,820

through all of this the very evening

427

00:18:47,789 --> 00:18:44,980

that I get home I get a phone call from

428

00:18:50,039 --> 00:18:47,799

a frantic woman who said somebody gave

429

00:18:51,360 --> 00:18:50,049

me your phone number I have a

430

00:18:53,220 --> 00:18:51,370

stepdaughter it's in the psych ward

431

00:18:55,470 --> 00:18:53,230

she's gonna kill herself

432

00:18:57,600 --> 00:18:55,480

her mother's doing she goes into all the

433

00:18:59,460 --> 00:18:57,610

stores about satanic stuff and rituals

434

00:19:02,009 --> 00:18:59,470

and blood rituals and animals being

435

00:19:04,649 --> 00:19:02,019

sacrificed the two brothers are involved

436

00:19:07,740 --> 00:19:04,659

so she's the one that begged me to go to

437

00:19:11,430 --> 00:19:07,750

the psych ward there in Akron Children's

438

00:19:14,250 --> 00:19:11,440

psych ward and I just saw so I did I

439

00:19:16,110 --> 00:19:14,260

just went to the psych ward they got

440

00:19:18,930 --> 00:19:16,120

they had somehow get gotten permission

441

00:19:21,029 --> 00:19:18,940

for me to come in and I sat down with a

442

00:19:23,649 --> 00:19:21,039

thirteen-year-old in it you know that

443

00:19:26,080 --> 00:19:23,659

that engagement back then has

444

00:19:30,489 --> 00:19:26,090

to this very day I still know that

445

00:19:33,249 --> 00:19:30,499

person and we work with that person so I

446

00:19:35,619 --> 00:19:33,259

can go so when you say that you've

447

00:19:38,560 --> 00:19:35,629

worked with victims I just want to make

448

00:19:41,379 --> 00:19:38,570

sure that people understand it anyone in

449

00:19:43,749 --> 00:19:41,389

that situation particular you coming

450

00:19:45,700 --> 00:19:43,759

from a law enforcement you know that's

451

00:19:49,090 --> 00:19:45,710

your training that's going to be your

452

00:19:50,919 --> 00:19:49,100

career I mean that's just kind of real

453

00:19:53,289 --> 00:19:50,929

stuff that I want people to understand

454

00:19:55,180 --> 00:19:53,299

when you say victims what do you do with

455

00:19:58,779 --> 00:19:55,190

that evidence and and I guess that's a

456

00:20:00,789 --> 00:19:58,789

follow-on question what additional cases

457

00:20:02,259 --> 00:20:00,799

did you have and now you're coming to

458

00:20:05,049 --> 00:20:02,269

the point where you're training other

459

00:20:06,479 --> 00:20:05,059

law enforcement or you were in the past

460

00:20:09,999 --> 00:20:06,489

training other law enforcement

461

00:20:12,279 --> 00:20:10,009

professionals how to deal with this

462

00:20:14,259 --> 00:20:12,289

number one what do you tell them and

463

00:20:16,719 --> 00:20:14,269

then number two I get the sense that

464

00:20:19,119 --> 00:20:16,729

they don't really want you to do that

465

00:20:22,359 --> 00:20:19,129

training anymore so how is that all

466

00:20:25,060 --> 00:20:22,369

evolved well that you're right Alex

467

00:20:26,710 --> 00:20:25,070

rightfully right on that because I talk

468

00:20:28,629 --> 00:20:26,720

about it not being in the grid even when

469

00:20:31,389 --> 00:20:28,639

it comes to psychics psychiatrists

470

00:20:33,969 --> 00:20:31,399

psychologists most of them and for

471

00:20:35,169 --> 00:20:33,979

30-some years psychologists

472

00:20:37,389 --> 00:20:35,179

psychiatrists have been taking in

473

00:20:40,330 --> 00:20:37,399

victims would that have they now called

474

00:20:41,919 --> 00:20:40,340

EIG dissociative identity disorder they

475

00:20:44,279 --> 00:20:41,929

they all they all have dealt with this

476
00:20:46,810 --> 00:20:44,289
they have all across the United States

477
00:20:48,609 --> 00:20:46,820
every psych ward councillor

478
00:20:50,499 --> 00:20:48,619
psychiatrists they've all dealt with

479
00:20:52,479 --> 00:20:50,509
this for over 30 years you can't deny

480
00:20:54,519 --> 00:20:52,489
the numbers you get deny the victims the

481
00:20:57,879 --> 00:20:54,529
issue is when they start telling you

482
00:21:00,369 --> 00:20:57,889
stories of being in boxes with spiders

483
00:21:02,549 --> 00:21:00,379
and being you know blood and a baby and

484
00:21:06,460 --> 00:21:02,559
altar and people in hoods and and

485
00:21:07,960 --> 00:21:06,470
candles and strange languages and

486
00:21:10,769 --> 00:21:07,970
they'll talk even about the dark side

487
00:21:14,320 --> 00:21:10,779
demons and all that so the issue is

488
00:21:16,539 --> 00:21:14,330

police officers that's the name crews in

489

00:21:20,129 --> 00:21:16,549

the Academy and and you can go through

490

00:21:23,229 --> 00:21:20,139

25 criminology books training books of

491

00:21:26,919 --> 00:21:23,239

forensic psychology books textbooks I I

492

00:21:28,989 --> 00:21:26,929

collect them there's no grid Alex

493

00:21:31,119 --> 00:21:28,999

there's they don't they don't teach all

494

00:21:32,889 --> 00:21:31,129

the officers that I know that when we've

495

00:21:35,649 --> 00:21:32,899

gotten into cases and we've taken

496

00:21:36,920 --> 00:21:35,659

content to those officers to federal

497

00:21:40,220 --> 00:21:36,930

officers

498

00:21:43,430 --> 00:21:40,230

the it's bizarre to them and the issue

499

00:21:45,860 --> 00:21:43,440

is then how do you investigate this when

500

00:21:48,380 --> 00:21:45,870

you take a Jeffrey Dahmer and you do

501
00:21:50,000 --> 00:21:48,390
catch him he did kill those people but

502
00:21:52,370 --> 00:21:50,010
nobody brought out the fact that he was

503
00:21:54,830 --> 00:21:52,380
multiple personality nobody brought out

504
00:21:56,750 --> 00:21:54,840
the fact that he had an alter bill out

505
00:21:58,100 --> 00:21:56,760
of human thigh bones in his in his

506
00:21:59,990 --> 00:21:58,110
apartment where he killed all those

507
00:22:02,300 --> 00:22:00,000
people nobody brought out the fact that

508
00:22:05,090 --> 00:22:02,310
he did this he had a power cone the

509
00:22:07,790 --> 00:22:05,100
shape of a triangle of human skulls

510
00:22:08,930 --> 00:22:07,800
where you conjure here's what that

511
00:22:11,210 --> 00:22:08,940
here's what the trainer in the law

512
00:22:13,100 --> 00:22:11,220
enforcement told us tom wedge he told

513
00:22:14,750 --> 00:22:13,110

all the law-enforcement people don't

514

00:22:15,980 --> 00:22:14,760

worry about what you know is whatever

515

00:22:17,810 --> 00:22:15,990

you believe whatever your background

516

00:22:20,900 --> 00:22:17,820

Christian non-christian whatever it is

517

00:22:23,120 --> 00:22:20,910

the point is they believe it's real

518

00:22:25,280 --> 00:22:23,130

that's what matters

519

00:22:26,600 --> 00:22:25,290

they believe that's a really important

520

00:22:28,220 --> 00:22:26,610

point there's so many points to pull

521

00:22:30,110 --> 00:22:28,230

apart there one also just correct me if

522

00:22:32,210 --> 00:22:30,120

I'm wrong but Dahmer directly said he

523

00:22:34,100 --> 00:22:32,220

was in contact with spiritual beings

524

00:22:36,440 --> 00:22:34,110

that were telling him to do this stuff

525

00:22:38,960 --> 00:22:36,450

and I think he also said his father had

526

00:22:40,820 --> 00:22:38,970

similar contact and that's and that's

527

00:22:43,070 --> 00:22:40,830

the point that's what I'm saying in the

528

00:22:45,770 --> 00:22:43,080

investigative side of this there's no

529

00:22:48,170 --> 00:22:45,780

what we call I call a web if I meet

530

00:22:50,870 --> 00:22:48,180

today if I meet a satanic ritual abuse

531

00:22:51,740 --> 00:22:50,880

person if they're 21 years old here's

532

00:22:54,830 --> 00:22:51,750

what I knew already

533

00:22:56,750 --> 00:22:54,840

they are third generation it means that

534

00:22:59,300 --> 00:22:56,760

they have family background where

535

00:23:01,280 --> 00:22:59,310

there's other multiples they have a

536

00:23:03,860 --> 00:23:01,290

grandmother that's probably been

537

00:23:05,500 --> 00:23:03,870

multiple also in in you know involved in

538

00:23:08,180 --> 00:23:05,510

all this it because it's generational

539

00:23:09,980 --> 00:23:08,190

I'm talking to five years of this when

540

00:23:11,960 --> 00:23:09,990

we meet victims I don't care if it's an

541

00:23:13,940 --> 00:23:11,970

eight-year-old in a psych ward now in a

542

00:23:16,040 --> 00:23:13,950

children's psych ward or I meet a if I

543

00:23:18,740 --> 00:23:16,050

meet a 68 year old with which is

544

00:23:21,590 --> 00:23:18,750

first-generation many of them are the MK

545

00:23:24,260 --> 00:23:21,600

ULTRA the monarch those are the ones

546

00:23:26,840 --> 00:23:24,270

that we have heard about the most in on

547

00:23:28,610 --> 00:23:26,850

the web and books and things I could

548

00:23:31,280 --> 00:23:28,620

talk about the the Fort Bragg side

549

00:23:33,500 --> 00:23:31,290

warrior we're gonna talk about that in

550

00:23:35,930 --> 00:23:33,510

in it I'm gonna bring it back though to

551
00:23:38,000 --> 00:23:35,940
something else that you just said and

552
00:23:40,040 --> 00:23:38,010
I'm not just interrupting you for the

553
00:23:42,830 --> 00:23:40,050
sake of ripping you that some people

554
00:23:45,470 --> 00:23:42,840
accuse it's something interesting that I

555
00:23:47,450 --> 00:23:45,480
want to make sure people get from your

556
00:23:50,240 --> 00:23:47,460
experience with law enforcement what I

557
00:23:52,160 --> 00:23:50,250
heard you say is that

558
00:23:54,890 --> 00:23:52,170
there's physical evidence that they have

559
00:23:57,560 --> 00:23:54,900
to deal with she walk into a crime scene

560
00:24:00,860 --> 00:23:57,570
there's an inverted Pentagon there's

561
00:24:04,070 --> 00:24:00,870
blood ritual circle all this stuff you

562
00:24:06,320 --> 00:24:04,080
can't get past that so one of the things

563
00:24:08,990 --> 00:24:06,330

you do this is what you're telling me is

564

00:24:11,960 --> 00:24:09,000

you say well it doesn't matter if

565

00:24:13,880 --> 00:24:11,970

there's a reality to it these people

566

00:24:16,310 --> 00:24:13,890

think there's a reality to it and I have

567

00:24:18,680 --> 00:24:16,320

to deal with that but then what you said

568

00:24:21,320 --> 00:24:18,690

and I've heard this before to people who

569

00:24:25,120 --> 00:24:21,330

listen to the show isn't it if we get

570

00:24:27,740 --> 00:24:25,130

past that kind of narrowly minded

571

00:24:29,780 --> 00:24:27,750

atheistic kind of there's no reality to

572

00:24:32,450 --> 00:24:29,790

any of this stuff and we start listening

573

00:24:36,020 --> 00:24:32,460

to these people they say oh no it's real

574

00:24:38,660 --> 00:24:36,030

in that I have this contact with this

575

00:24:40,940 --> 00:24:38,670

extended realm that's telling me to do

576
00:24:44,270 --> 00:24:40,950
this and then there's even evidence of

577
00:24:48,620 --> 00:24:44,280
them making contact with that so what

578
00:24:51,380 --> 00:24:48,630
what is what is this whole thing why do

579
00:24:55,280 --> 00:24:51,390
we get such misinformation and

580
00:24:58,520 --> 00:24:55,290
disinformation about this if this is if

581
00:25:01,310 --> 00:24:58,530
not common at least understood to be

582
00:25:02,480 --> 00:25:01,320
part of law enforcement and you know

583
00:25:06,770 --> 00:25:02,490
we've interviewed some folks on this

584
00:25:09,620 --> 00:25:06,780
show then why is that so hard to accept

585
00:25:12,530 --> 00:25:09,630
for most people what in moreover why is

586
00:25:14,480 --> 00:25:12,540
it completely misrepresented in the

587
00:25:17,300 --> 00:25:14,490
media first I would say the first part

588
00:25:18,980 --> 00:25:17,310

of this is the issue of grid in the when

589

00:25:20,780 --> 00:25:18,990

you talk about investigative journalists

590

00:25:23,630 --> 00:25:20,790

that I deal with psychiatrists police

591

00:25:25,880 --> 00:25:23,640

officers feds if it's not in your grid

592

00:25:27,920 --> 00:25:25,890

in other words if you're trying to deal

593

00:25:30,050 --> 00:25:27,930

with ms-13 a gang they're real they're

594

00:25:33,500 --> 00:25:30,060

real gang they're a drug gang they're in

595

00:25:35,350 --> 00:25:33,510

my city now up here in Canton Ohio they

596

00:25:38,330 --> 00:25:35,360

have certain markings certain hand signs

597

00:25:40,220 --> 00:25:38,340

certain clothing so there's certain

598

00:25:43,460 --> 00:25:40,230

characteristics about a real gang and

599

00:25:44,720 --> 00:25:43,470

and law enforcement has to alert that

600

00:25:46,220 --> 00:25:44,730

that's why they have a gang unit they

601
00:25:49,070 --> 00:25:46,230
had a drug unit they got a Sex Crimes

602
00:25:53,060 --> 00:25:49,080
Unit the pedophile sets off the wall -

603
00:25:55,280 --> 00:25:53,070
so when we deal with satanic crimes very

604
00:25:56,960 --> 00:25:55,290
little teaching on that subject if they

605
00:26:00,680 --> 00:25:56,970
go to a location where there's a rain

606
00:26:02,860 --> 00:26:00,690
and candles and a inverted pentagram and

607
00:26:06,280 --> 00:26:02,870
ancient writing that they leave

608
00:26:09,190 --> 00:26:06,290
what it is malakian could be in Agua

609
00:26:12,220 --> 00:26:09,200
delta shari these ancient ritual

610
00:26:13,630 --> 00:26:12,230
languages at summon so again forget

611
00:26:14,980 --> 00:26:13,640
about the spiritual side for a moment

612
00:26:18,160 --> 00:26:14,990
let's just deal with trace evidence

613
00:26:20,650 --> 00:26:18,170

let's just deal with forensic you know

614

00:26:22,900 --> 00:26:20,660

that that that kind of evidence so you

615

00:26:23,530 --> 00:26:22,910

got a Dahmer you got dead bodies you got

616

00:26:28,450 --> 00:26:23,540

meat

617

00:26:31,210 --> 00:26:28,460

but what they didn't tell you in all of

618

00:26:32,350 --> 00:26:31,220

the all of the documentaries even the

619

00:26:34,270 --> 00:26:32,360

newest one that I've because I've

620

00:26:36,310 --> 00:26:34,280

watched them all when I learned when I

621

00:26:38,919 --> 00:26:36,320

was at Def Tech a SWAT team training in

622

00:26:40,570 --> 00:26:38,929

Geneva Ohio when Tom weds the law

623

00:26:44,530 --> 00:26:40,580

enforcement agent brought in the actual

624

00:26:47,320 --> 00:26:44,540

large books from madam Morris and also

625

00:26:50,320 --> 00:26:47,330

from from Jeffrey Dahmer's inside the

626

00:26:52,330 --> 00:26:50,330

house the crime-scene pictures they

627

00:26:54,610 --> 00:26:52,340

didn't they didn't know what to do with

628

00:26:56,200 --> 00:26:54,620

an altar what they didn't know what that

629

00:26:58,600 --> 00:26:56,210

was like a little table bill out of

630

00:27:01,540 --> 00:26:58,610

human thigh bones they didn't know what

631

00:27:04,270 --> 00:27:01,550

that triangle was with the skulls what

632

00:27:06,669 --> 00:27:04,280

is that so here's what I tell them when

633

00:27:08,620 --> 00:27:06,679

I met was in even even in the last year

634

00:27:11,320 --> 00:27:08,630

meeting with detectives in Pennsylvania

635

00:27:14,110 --> 00:27:11,330

fed individuals state troopers here's

636

00:27:17,549 --> 00:27:14,120

what I tell them it what they believe

637

00:27:19,390 --> 00:27:17,559

goes to the motivation of the crime

638

00:27:22,060 --> 00:27:19,400

forget whether you believe there's a

639

00:27:24,450 --> 00:27:22,070

saint or not they believe it that's

640

00:27:27,720 --> 00:27:24,460

their motivation to slaughter and kill

641

00:27:30,310 --> 00:27:27,730

we have cases of two girls I have a Fed

642

00:27:32,500 --> 00:27:30,320

billboard picture on our website we put

643

00:27:35,770 --> 00:27:32,510

up a lot of Sarah and Kathy that's our

644

00:27:37,480 --> 00:27:35,780

case it has been taken over eventually

645

00:27:37,870 --> 00:27:37,490

by the feds they've never solved the

646

00:27:39,280 --> 00:27:37,880

case

647

00:27:42,880 --> 00:27:39,290

even though we turned over state's

648

00:27:46,060 --> 00:27:42,890

evidence the Fed the the primary Fed now

649

00:27:49,090 --> 00:27:46,070

over that case out of Pennsylvania out

650

00:27:50,850 --> 00:27:49,100

of Pittsburgh his whole issue was but

651
00:27:53,410 --> 00:27:50,860
Russ that's bizarre

652
00:27:55,450 --> 00:27:53,420
one of the other cases in in Allenstown

653
00:27:57,310 --> 00:27:55,460
a little boy went missing the whole

654
00:27:59,560 --> 00:27:57,320
story of a victim we took there after 10

655
00:28:02,110 --> 00:27:59,570
years of cooperating the stories and all

656
00:28:03,970 --> 00:28:02,120
that they could not they could not when

657
00:28:05,860 --> 00:28:03,980
when they sat for four hours to

658
00:28:09,580 --> 00:28:05,870
interrogate the victim that watched a

659
00:28:13,450 --> 00:28:09,590
little boy be sexually abused richly cut

660
00:28:15,310 --> 00:28:13,460
you know killed cannibalized the boys

661
00:28:16,600 --> 00:28:15,320
never been found to this day I think

662
00:28:19,390 --> 00:28:16,610
some 15 16 years

663
00:28:21,460 --> 00:28:19,400

later his name's Louis the detective

664

00:28:23,770 --> 00:28:21,470

after all of us said he could not deny

665

00:28:24,310 --> 00:28:23,780

what she had to say here's what he said

666

00:28:28,539 --> 00:28:24,320

Alex

667

00:28:31,480 --> 00:28:28,549

they detective on the case it's just too

668

00:28:34,900 --> 00:28:31,490

bizarre so this is why I'm saying that

669

00:28:37,120 --> 00:28:34,910

the the grid when when you're gonna

670

00:28:37,960 --> 00:28:37,130

investigate a crime what's the

671

00:28:40,390 --> 00:28:37,970

motivation

672

00:28:42,910 --> 00:28:40,400

what about Berkowitz the processed

673

00:28:44,830 --> 00:28:42,920

Church what about what about John Wayne

674

00:28:46,930 --> 00:28:44,840

Gacy and Ted Bundy both of them being

675

00:28:49,180 --> 00:28:46,940

multiple where did they get those other

676

00:28:51,730 --> 00:28:49,190

personalities hold on let me just make

677

00:28:53,740 --> 00:28:51,740

sure everyone understands what you're

678

00:28:56,530 --> 00:28:53,750

saying you say the grid because what I

679

00:29:00,120 --> 00:28:56,540

hear you saying is that people get

680

00:29:02,919 --> 00:29:00,130

locked into a certain belief system that

681

00:29:06,150 --> 00:29:02,929

literally makes it impossible for them

682

00:29:09,610 --> 00:29:06,160

to in this case do their job or take in

683

00:29:11,740 --> 00:29:09,620

information just in an objective way

684

00:29:13,510 --> 00:29:11,750

that's that's what you mean right

685

00:29:16,090 --> 00:29:13,520

yeah yeah because I've been atheist like

686

00:29:18,850 --> 00:29:16,100

when I was in Scotland not too long this

687

00:29:20,830 --> 00:29:18,860

is like this last year in a ritual abuse

688

00:29:23,260 --> 00:29:20,840

conference there you do have strong

689

00:29:25,450 --> 00:29:23,270

atheist nowadays not a lot of them but

690

00:29:28,020 --> 00:29:25,460

like they just discard all of this none

691

00:29:30,520 --> 00:29:28,030

of this is true so when we say to them

692

00:29:32,440 --> 00:29:30,530

what do you do with the victims what

693

00:29:35,140 --> 00:29:32,450

about the ritual sites what about the

694

00:29:36,730 --> 00:29:35,150

symbolism again in law enforcement if

695

00:29:39,700 --> 00:29:36,740

they don't know what an inverted

696

00:29:42,730 --> 00:29:39,710

pentagram is or a pinnacle a pinnacle is

697

00:29:43,360 --> 00:29:42,740

witchcraft and Pagan an inverted

698

00:29:47,860 --> 00:29:43,370

pentagram

699

00:29:50,200 --> 00:29:47,870

that's satanic certain writings you if

700

00:29:53,140 --> 00:29:50,210

you know the language if you know the

701
00:29:56,980 --> 00:29:53,150
content of the AMA launch or working of

702
00:29:59,020 --> 00:29:56,990
Aleister Crowley if you if you know how

703
00:30:00,820 --> 00:29:59,030
to read that like I don't speak I'd

704
00:30:03,100 --> 00:30:00,830
loved I don't speak German I don't speak

705
00:30:05,380 --> 00:30:03,110
I know a couple of words I don't speak

706
00:30:07,450 --> 00:30:05,390
Russian I know it were so so if someone

707
00:30:09,909 --> 00:30:07,460
gives me a whole sentence in Russian I'm

708
00:30:11,919 --> 00:30:09,919
lost I don't know what they said I don't

709
00:30:15,010 --> 00:30:11,929
know how to engage that so when law

710
00:30:19,090 --> 00:30:15,020
enforcement shows up with a kid or or a

711
00:30:21,520 --> 00:30:19,100
debt our dead body that has a tongue cut

712
00:30:24,100 --> 00:30:21,530
out or a left hand cut off or a satanic

713
00:30:26,830 --> 00:30:24,110

justice symbol carved into their chest

714

00:30:29,880 --> 00:30:26,840

in the context of a ritual site that has

715

00:30:31,050 --> 00:30:29,890

candles blood symbols and they

716

00:30:32,970 --> 00:30:31,060

can't read any of that they don't know

717

00:30:36,330 --> 00:30:32,980

the language they don't know what it's

718

00:30:39,630 --> 00:30:36,340

for until they begin to learn well a

719

00:30:43,980 --> 00:30:39,640

satanic just assemble imprinted that

720

00:30:45,930 --> 00:30:43,990

involves the fact that the coven has has

721

00:30:49,020 --> 00:30:45,940

taken this person because they told the

722

00:30:51,930 --> 00:30:49,030

secrets and satanic justice is they've

723

00:30:53,370 --> 00:30:51,940

killed them and part of the issue of

724

00:30:55,680 --> 00:30:53,380

cutting off the tongue is because they

725

00:30:57,870 --> 00:30:55,690

spoke they shouldn't have theirs rituals

726

00:30:59,520 --> 00:30:57,880

that involve you got to understand the

727

00:31:02,550 --> 00:30:59,530

language of rituals why are certain

728

00:31:04,620 --> 00:31:02,560

rituals done what what did what are they

729

00:31:06,600 --> 00:31:04,630

what are they about what do they mean so

730

00:31:09,810 --> 00:31:06,610

the two girls that I talk about that we

731

00:31:12,150 --> 00:31:09,820

have on our site a lot we put up both of

732

00:31:13,830 --> 00:31:12,160

them for example I share I share with a

733

00:31:17,160 --> 00:31:13,840

federal officer and here's what again

734

00:31:19,350 --> 00:31:17,170

just looking at facts Sara Bane was

735

00:31:21,990 --> 00:31:19,360

abducted out of Rochester Pennsylvania

736

00:31:24,800 --> 00:31:22,000

she ended up here in Ohio in a back

737

00:31:29,580 --> 00:31:24,810

field that was known for satanic rituals

738

00:31:33,150 --> 00:31:29,590

Kathy Menendez a month later Sara was

739

00:31:37,530 --> 00:31:33,160

killed slaughtered and killed on demon

740

00:31:39,840 --> 00:31:37,540

revels early July on the Satanic

741

00:31:43,260 --> 00:31:39,850

calendar in August is satanic rebels

742

00:31:45,390 --> 00:31:43,270

Kathy Menendez so there so when you look

743

00:31:47,820 --> 00:31:45,400

at the Satanic calendar and the kind of

744

00:31:49,830 --> 00:31:47,830

ritual that is demanded blood sacrifice

745

00:31:52,560 --> 00:31:49,840

usually a girl between seven seventeen

746

00:31:55,890 --> 00:31:52,570

when you begin to look and when you have

747

00:31:58,620 --> 00:31:55,900

that in the mode of operation and in how

748

00:32:01,490 --> 00:31:58,630

they operate what they used no different

749

00:32:04,590 --> 00:32:01,500

than a burglar or a cat burglar or a

750

00:32:06,810 --> 00:32:04,600

drug lord and you and you see the tools

751
00:32:11,010 --> 00:32:06,820
they use you see the methods they use

752
00:32:15,030 --> 00:32:11,020
well we have to learn and and have in

753
00:32:17,670 --> 00:32:15,040
the grid of our understanding the ritual

754
00:32:21,090 --> 00:32:17,680
dates the reason for rituals the types

755
00:32:24,540 --> 00:32:21,100
of rituals and the things that are done

756
00:32:27,420 --> 00:32:24,550
to individuals that will tell you was

757
00:32:30,110 --> 00:32:27,430
this a satanic ritual was this a darker

758
00:32:32,910 --> 00:32:30,120
occult ritual in the crow Lydian sense

759
00:32:35,790 --> 00:32:32,920
was this simply a meeting of pay of

760
00:32:38,280 --> 00:32:35,800
Wicca and didn't involve blood of human

761
00:32:40,380 --> 00:32:38,290
but it was a ritual site and and yet

762
00:32:42,880 --> 00:32:40,390
there's no what so you've got to know

763
00:32:45,220 --> 00:32:42,890

the difference between pagan Wiccan

764

00:32:48,760 --> 00:32:45,230

and and just simply know their language

765

00:32:50,890 --> 00:32:48,770

and okay so I get that from that well

766

00:32:52,720 --> 00:32:50,900

said and and you're saying from a law

767

00:32:54,310 --> 00:32:52,730

enforcement standpoint there's two

768

00:32:57,220 --> 00:32:54,320

problems one there's the grid problem

769

00:32:59,650 --> 00:32:57,230

the belief system worldview that doesn't

770

00:33:01,510 --> 00:32:59,660

let this or doesn't want to allow this

771

00:33:03,790 --> 00:33:01,520

in because almost like the stories you

772

00:33:05,950 --> 00:33:03,800

tell almost suggest like I don't want to

773

00:33:07,840 --> 00:33:05,960

go there you know it's not I just I just

774

00:33:09,970 --> 00:33:07,850

it's too uncomfortable and we don't

775

00:33:13,090 --> 00:33:09,980

expect to hear that from law enforcement

776

00:33:15,190 --> 00:33:13,100

but I'm sure it's there what game is the

777

00:33:16,930 --> 00:33:15,200

media playing in this cuz I kind of

778

00:33:20,470 --> 00:33:16,940

understand where you're going in the law

779

00:33:22,180 --> 00:33:20,480

enforcement grid slash worldview but is

780

00:33:25,450 --> 00:33:22,190

there something more that's going on

781

00:33:27,360 --> 00:33:25,460

with mainstream media Hollywood media in

782

00:33:31,270 --> 00:33:27,370

terms of how they're portraying this

783

00:33:33,490 --> 00:33:31,280

yeah Alex because of the everybody has a

784

00:33:35,830 --> 00:33:33,500

bias I can just say my bias is I believe

785

00:33:38,290 --> 00:33:35,840

in God I believe in Jesus a Bible you

786

00:33:39,850 --> 00:33:38,300

know that kind of stuff everybody has a

787

00:33:42,460 --> 00:33:39,860

certain bias and so when it comes to

788

00:33:46,660 --> 00:33:42,470

journalists and in local news media and

789

00:33:49,090 --> 00:33:46,670

and there's there's clearly again their

790

00:33:51,460 --> 00:33:49,100

grid their bias they have no language

791

00:33:54,610 --> 00:33:51,470

for some of this stuff but you know we

792

00:33:57,390 --> 00:33:54,620

get conspiratorial the sense it is there

793

00:33:59,950 --> 00:33:57,400

a certain level law enforcement media

794

00:34:03,040 --> 00:33:59,960

psychiatry and so forth that that

795

00:34:04,240 --> 00:34:03,050

purposely wants to downplay this I can

796

00:34:07,540 --> 00:34:04,250

tell you about being in a Police Academy

797

00:34:10,330 --> 00:34:07,550

where the trainer said to all the cadets

798

00:34:13,690 --> 00:34:10,340

all the officers all the detectives in

799

00:34:16,630 --> 00:34:13,700

the whole Academy don't tell the public

800

00:34:18,940 --> 00:34:16,640

if you find pentagrams pentagrams carved

801
00:34:19,510 --> 00:34:18,950
into a chest if you if you find this

802
00:34:21,250 --> 00:34:19,520
content

803
00:34:23,500 --> 00:34:21,260
don't tell the public it'll kind of

804
00:34:25,600 --> 00:34:23,510
heard that before while I was the I mean

805
00:34:26,919 --> 00:34:25,610
we've seen that over and over again we

806
00:34:28,510 --> 00:34:26,929
take the opposite view that's what I'm

807
00:34:30,880 --> 00:34:28,520
not that's why I'm not in law

808
00:34:32,440 --> 00:34:30,890
enforcement directly although we have we

809
00:34:34,450 --> 00:34:32,450
have former law enforcement that work

810
00:34:36,940 --> 00:34:34,460
with us we have particular people that

811
00:34:39,399 --> 00:34:36,950
we work with in law enforcement when it

812
00:34:42,550 --> 00:34:39,409
comes to crimes and death and even the

813
00:34:44,409 --> 00:34:42,560

issue of just sexual abuse if we touch

814

00:34:46,270 --> 00:34:44,419

on the Catholic thing most of the

815

00:34:48,610 --> 00:34:46,280

thousands and thousands of these folks

816

00:34:51,430 --> 00:34:48,620

out of the Catholic system the courts

817

00:34:54,190 --> 00:34:51,440

just wanted to hear about the abuse what

818

00:34:56,139 --> 00:34:54,200

we're not hearing is that many of those

819

00:34:56,629 --> 00:34:56,149

cases were satanic ritual abuse the

820

00:34:57,930 --> 00:34:56,639

black were

821

00:35:02,860 --> 00:34:57,940

[Music]

822

00:35:04,660 --> 00:35:02,870

all across Multi Continental and we've

823

00:35:06,100 --> 00:35:04,670

engaged it over the years but when it

824

00:35:08,340 --> 00:35:06,110

comes to law enforcement when it comes

825

00:35:10,600 --> 00:35:08,350

to the courts when it comes to suing an

826

00:35:13,030 --> 00:35:10,610

institution here's what they tell you

827

00:35:16,510 --> 00:35:13,040

leave out all this religious stuff let's

828

00:35:19,720 --> 00:35:16,520

just deal with the physical harm the

829

00:35:24,070 --> 00:35:19,730

sexual harm let's just deal with those

830

00:35:25,090 --> 00:35:24,080

factors as far as litigation that that's

831

00:35:29,530 --> 00:35:25,100

just something that happens constantly

832

00:35:32,710 --> 00:35:29,540

and you guys go conspiratorial a loser

833

00:35:34,420 --> 00:35:32,720

because I don't know how you can't to be

834

00:35:37,650 --> 00:35:34,430

honest you know like I've told people

835

00:35:40,270 --> 00:35:37,660

when I started this show I didn't have a

836

00:35:42,310 --> 00:35:40,280

conspiratorial angle at all I was just

837

00:35:45,310 --> 00:35:42,320

following the data I was following the

838

00:35:47,020 --> 00:35:45,320

data on the science meme that were

839

00:35:49,510 --> 00:35:47,030

biological robots and a meaningless

840

00:35:51,730 --> 00:35:49,520

universe I was like that's [h__h] of

841

00:35:53,890 --> 00:35:51,740

course we're more than that I don't know

842

00:35:55,690 --> 00:35:53,900

what we are you know I know my Christian

843

00:35:58,210 --> 00:35:55,700

upbringing told me one thing but I'm

844

00:36:01,390 --> 00:35:58,220

open to whatever it was but why is there

845

00:36:03,970 --> 00:36:01,400

this meme in science this atheistic mean

846

00:36:05,310 --> 00:36:03,980

and why is it survived so wrong when all

847

00:36:08,400 --> 00:36:05,320

the evidence points in another direction

848

00:36:11,890 --> 00:36:08,410

that led me to believing that there's

849

00:36:14,920 --> 00:36:11,900

there's a conspiratorial angle to that

850

00:36:17,830 --> 00:36:14,930

there's a reason why that mean by that

851

00:36:20,500 --> 00:36:17,840

grid if you will that worldview gets

852

00:36:22,300 --> 00:36:20,510

perpetuated and I've got to tell you I

853

00:36:24,940 --> 00:36:22,310

just see the same thing here all over

854

00:36:27,940 --> 00:36:24,950

the place I mean the way this is

855

00:36:29,800 --> 00:36:27,950

reported is just absurd it's just so

856

00:36:31,930 --> 00:36:29,810

distorted from the reality that if

857

00:36:33,490 --> 00:36:31,940

anyone does five minutes of research

858

00:36:35,740 --> 00:36:33,500

they go wait that's not true

859

00:36:39,490 --> 00:36:35,750

sure there are there and let's get this

860

00:36:43,360 --> 00:36:39,500

out there there are cases of satanic

861

00:36:47,170 --> 00:36:43,370

panic there are satanic hoaxes there are

862

00:36:48,850 --> 00:36:47,180

the woman in England who is in a custody

863

00:36:50,650 --> 00:36:48,860

battle with her husband even though

864

00:36:52,090 --> 00:36:50,660

she's had her kids taken away from her a

865

00:36:55,660 --> 00:36:52,100

couple times because she's not a good

866

00:36:58,060 --> 00:36:55,670

mom she raises the you know satanic

867

00:37:02,080 --> 00:36:58,070

panic flag and it has a certain effect

868

00:37:05,080 --> 00:37:02,090

those things happen that's a reality but

869

00:37:07,900 --> 00:37:05,090

it's so the way that reality gets

870

00:37:09,839 --> 00:37:07,910

portrayed in the media versus this other

871

00:37:12,689 --> 00:37:09,849

reality that you're talking about

872

00:37:14,430 --> 00:37:12,699

which far outweighs in terms of number

873

00:37:16,620 --> 00:37:14,440

in terms of importance and in terms of

874

00:37:20,130 --> 00:37:16,630

everything else how do you not see that

875

00:37:23,099 --> 00:37:20,140

as some kind of controlled release of

876

00:37:24,630 --> 00:37:23,109

this information well I mean and again I

877

00:37:28,049 --> 00:37:24,640

think in a law enforcement even in psych

878

00:37:28,920 --> 00:37:28,059

I just in a societal way look at the

879

00:37:31,170 --> 00:37:28,930

drug lords

880

00:37:33,900 --> 00:37:31,180

do they not operate secretly do they not

881

00:37:36,059 --> 00:37:33,910

operate in in threat of punishment if

882

00:37:37,589 --> 00:37:36,069

any of their people would you know tell

883

00:37:39,509 --> 00:37:37,599

what about the mafia and they're not

884

00:37:42,989 --> 00:37:39,519

operating in a secretive way organized

885

00:37:45,479 --> 00:37:42,999

crime does the drug lords do human

886

00:37:47,459 --> 00:37:45,489

trafficking of a millions of kids and

887

00:37:50,279 --> 00:37:47,469

boys and girls they operate in deep

888

00:37:53,849 --> 00:37:50,289

secrecy and a fear factor if you get out

889

00:37:57,120 --> 00:37:53,859

and telling you know what is it snitches

890

00:38:00,150 --> 00:37:57,130

get stitches yeah so there is there is

891

00:38:02,009 --> 00:38:00,160

this whole issue of the fear factor so

892

00:38:03,900 --> 00:38:02,019

what I keep telling everybody didn't

893

00:38:07,410 --> 00:38:03,910

just keep dealing with the individual

894

00:38:10,009 --> 00:38:07,420

victims because you cannot have split

895

00:38:12,660 --> 00:38:10,019

personality without massive trauma

896

00:38:13,979 --> 00:38:12,670

usually sexual mental emotional over and

897

00:38:16,680 --> 00:38:13,989

over again everybody knows that in

898

00:38:18,779 --> 00:38:16,690

psychiatry you can't be di de without

899

00:38:20,910 --> 00:38:18,789

that then the other question is why

900

00:38:21,989 --> 00:38:20,920

there why are there so many of them why

901
00:38:24,180 --> 00:38:21,999
have they all of a sudden showing up

902
00:38:25,920 --> 00:38:24,190
everywhere every so we deal with that

903
00:38:28,289 --> 00:38:25,930
part of it if you're gonna engage a

904
00:38:29,910 --> 00:38:28,299
child is they're sexually there's

905
00:38:32,670 --> 00:38:29,920
certain indicators look at the private

906
00:38:34,349 --> 00:38:32,680
parts of a child or a young person or in

907
00:38:36,630 --> 00:38:34,359
a rape case with law enforcement is

908
00:38:39,479 --> 00:38:36,640
there evidence of a rape is there

909
00:38:43,259 --> 00:38:39,489
evidence of sexual abuse are there marks

910
00:38:46,229 --> 00:38:43,269
are there tears are there you know so

911
00:38:48,989 --> 00:38:46,239
all of the forensic evidence in a rape

912
00:38:50,910 --> 00:38:48,999
case in a sexual abuse case that has to

913
00:38:52,349 --> 00:38:50,920

come into play so if someone comes

914

00:38:53,759 --> 00:38:52,359

forward and says I've been raped I've

915

00:38:55,680 --> 00:38:53,769

been this happened in these people and

916

00:38:57,779 --> 00:38:55,690

my uncle did this and the teacher at the

917

00:38:59,489 --> 00:38:57,789

school did this and they've been rabid

918

00:39:01,289 --> 00:38:59,499

rate four times and occurred last night

919

00:39:03,180 --> 00:39:01,299

and occurred last week well they go in

920

00:39:05,160 --> 00:39:03,190

to get a physical checkup by by

921

00:39:07,170 --> 00:39:05,170

competent doctors and multiple doctors

922

00:39:08,880 --> 00:39:07,180

and they're all saying this person

923

00:39:10,499 --> 00:39:08,890

hasn't been touched or this girl is

924

00:39:12,089 --> 00:39:10,509

still a virgin and she hasn't been

925

00:39:14,069 --> 00:39:12,099

touched there's no physical markings

926

00:39:16,380 --> 00:39:14,079

there's no tech you know vaginal tears

927

00:39:20,209 --> 00:39:16,390

you know none of the characteristics of

928

00:39:23,009 --> 00:39:20,219

real physical stuff occurred so that's

929

00:39:23,760 --> 00:39:23,019

that then begins to tell you you know

930

00:39:33,450 --> 00:39:23,770

the

931

00:39:34,380 --> 00:39:33,460

understand what you're saying because I

932

00:39:38,450 --> 00:39:34,390

don't want people to get the wrong

933

00:39:42,270 --> 00:39:38,460

impression you're saying cases that are

934

00:39:45,300 --> 00:39:42,280

misreported or intentionally fabricated

935

00:39:47,310 --> 00:39:45,310

can pretty easily in a lot of cases when

936

00:39:49,020 --> 00:39:47,320

people are talking about physical abuse

937

00:39:50,430 --> 00:39:49,030

law enforcement has a lot of experience

938

00:39:52,740 --> 00:39:50,440

that they can get to the bottom of it

939

00:39:54,780 --> 00:39:52,750

what I hear you saying over and over

940

00:39:57,390 --> 00:39:54,790

again is what do you do with the fact

941

00:39:59,670 --> 00:39:57,400

that they get to all that and they go

942

00:40:01,880 --> 00:39:59,680

yes this really did happen and then

943

00:40:04,530 --> 00:40:01,890

they're forced to deal with the

944

00:40:07,530 --> 00:40:04,540

eyewitness testimony the experience or

945

00:40:09,270 --> 00:40:07,540

the victim who says and this is how it

946

00:40:11,370 --> 00:40:09,280

happened I was brought into a circle

947

00:40:13,950 --> 00:40:11,380

these people had hoods they were doing

948

00:40:15,330 --> 00:40:13,960

these crazy ceremonies and all the rest

949

00:40:17,070 --> 00:40:15,340

of that and you're saying what they do

950

00:40:19,890 --> 00:40:17,080

is they have to accept the physical

951

00:40:23,070 --> 00:40:19,900

evidence of in this case maybe sexual

952

00:40:25,530 --> 00:40:23,080

abuse they seem to not be able to deal

953

00:40:29,580 --> 00:40:25,540

with everything else which is kind of a

954

00:40:31,860 --> 00:40:29,590

strange way of handling the data right

955

00:40:34,140 --> 00:40:31,870

because you know for let's just say

956

00:40:36,780 --> 00:40:34,150

let's take like a forensic attitude

957

00:40:39,180 --> 00:40:36,790

towards multiple personality disorder

958

00:40:41,280 --> 00:40:39,190

individuals what everybody pretty much

959

00:40:43,200 --> 00:40:41,290

knows is that means there's been mental

960

00:40:46,320 --> 00:40:43,210

emotional and most likely physical and

961

00:40:49,170 --> 00:40:46,330

sexual abuses that caused such trauma

962

00:40:50,940 --> 00:40:49,180

that it tore the personality so there's

963

00:40:52,470 --> 00:40:50,950

no debate on that subject it's in the

964

00:40:55,350 --> 00:40:52,480

DSM 3 H DSM fors

965

00:40:57,240 --> 00:40:55,360

that's all secular content that's that's

966

00:41:00,360 --> 00:40:57,250

world you know that's worldwide on that

967

00:41:01,980 --> 00:41:00,370

issue on the that now if you have a

968

00:41:04,410 --> 00:41:01,990

person coming forward that they were

969

00:41:06,600 --> 00:41:04,420

raped by a coven I can let me just give

970

00:41:09,090 --> 00:41:06,610

me one story right by a coven this thing

971

00:41:11,130 --> 00:41:09,100

occurred so when we hear these stories

972

00:41:13,470 --> 00:41:11,140

this is what we started doing Alex way

973

00:41:14,370 --> 00:41:13,480

back in the 80s we decided we're gonna

974

00:41:16,920 --> 00:41:14,380

go after

975

00:41:18,720 --> 00:41:16,930

is there really a location they gave us

976

00:41:20,640 --> 00:41:18,730

a location is there really a barn there

977

00:41:23,910 --> 00:41:20,650

is zerah is there a basement is there a

978

00:41:25,890 --> 00:41:23,920

secret door is there a is it in a wooded

979

00:41:27,540 --> 00:41:25,900

area in a cemetery area is there a lid

980

00:41:30,000 --> 00:41:27,550

we can lift off and look in there and

981

00:41:32,640 --> 00:41:30,010

see what what they told us so when we

982

00:41:35,760 --> 00:41:32,650

hear here the content or over the years

983

00:41:37,050 --> 00:41:35,770

hundreds of times we've taken victims

984

00:41:39,300 --> 00:41:37,060

with us as

985

00:41:42,600 --> 00:41:39,310

you got you show us you take us to the

986

00:41:46,110 --> 00:41:42,610

spot you show us where it occurred so if

987

00:41:50,220 --> 00:41:46,120

we in in some cases blatant evidence

988

00:41:52,050 --> 00:41:50,230

very very clear in in other cases it's

989

00:41:52,950 --> 00:41:52,060

not here any longer they must have moved

990

00:41:55,800 --> 00:41:52,960

it

991

00:41:59,580 --> 00:41:55,810

there's no the pentagram on the floor is

992

00:42:03,510 --> 00:41:59,590

gone so that's when you have to as an

993

00:42:07,530 --> 00:42:03,520

investigator look at the facts and begin

994

00:42:08,970 --> 00:42:07,540

to see is this a domestic thing where

995

00:42:11,520 --> 00:42:08,980

somebody's just trying to get custody

996

00:42:14,340 --> 00:42:11,530

and it's it's you know and that's that's

997

00:42:16,760 --> 00:42:14,350

but that's bad enough we're we're maybe

998

00:42:20,370 --> 00:42:16,770

one of those spouse is trying to tell

999

00:42:22,550 --> 00:42:20,380

get the child to say all the sexual

1000

00:42:24,960 --> 00:42:22,560

abuse occurred or satanic abuse occurred

1001
00:42:27,840 --> 00:42:24,970
only to get custody and only they had

1002
00:42:29,850 --> 00:42:27,850
the other spouse put away it's pretty

1003
00:42:31,380 --> 00:42:29,860
it's it's also a crime to accuse

1004
00:42:33,630 --> 00:42:31,390
somebody of things they've never been it

1005
00:42:37,410 --> 00:42:33,640
they've never done I think it's a l

1006
00:42:39,090 --> 00:42:37,420
think it's a it's a it's also abuse when

1007
00:42:41,100 --> 00:42:39,100
you accuse somebody of being a Satanist

1008
00:42:43,290 --> 00:42:41,110
a pedophile or whatever and there's no

1009
00:42:46,080 --> 00:42:43,300
possibility as they are so again

1010
00:42:49,140 --> 00:42:46,090
following evidence is very very key but

1011
00:42:51,330 --> 00:42:49,150
if that evidence includes weird ancient

1012
00:42:53,190 --> 00:42:51,340
languages maybe you did find this site

1013
00:42:55,110 --> 00:42:53,200

maybe you did like we didn't find find a

1014

00:42:57,720 --> 00:42:55,120

basement that had blood all over it that

1015

00:42:59,820 --> 00:42:57,730

had symbols on the wall what did the

1016

00:43:02,850 --> 00:42:59,830

symbols mean what did the language mean

1017

00:43:05,720 --> 00:43:02,860

why are words written backwards so all

1018

00:43:08,130 --> 00:43:05,730

of that has meaning to the people that

1019

00:43:11,340 --> 00:43:08,140

sacrificed an animal or sacrificed a

1020

00:43:14,640 --> 00:43:11,350

human being or did a sex ritual with tie

1021

00:43:17,640 --> 00:43:14,650

downs of course if you find pictures or

1022

00:43:19,650 --> 00:43:17,650

if you find flash drives that's then

1023

00:43:25,170 --> 00:43:19,660

you're talking more smoking-gun stuff

1024

00:43:27,660 --> 00:43:25,180

and and that's part of the whole of

1025

00:43:28,950 --> 00:43:27,670

investigating so I don't have any

1026
00:43:30,240 --> 00:43:28,960
problem with an atheist saying well I

1027
00:43:32,430 --> 00:43:30,250
don't believe any of this I don't think

1028
00:43:35,130 --> 00:43:32,440
it's all like when Kenneth landing the

1029
00:43:37,830 --> 00:43:35,140
federal officer back in the 90s it went

1030
00:43:40,080 --> 00:43:37,840
out and say I searched this out and I

1031
00:43:42,510 --> 00:43:40,090
studied all the investigating there's no

1032
00:43:44,520 --> 00:43:42,520
there's no there's no nationwide satanic

1033
00:43:47,630 --> 00:43:44,530
ring no kid is landing the federal

1034
00:43:49,800 --> 00:43:47,640
officer made most of those

1035
00:43:50,880 --> 00:43:49,810
investigations by phone calls from his

1036
00:43:55,680 --> 00:43:50,890
office

1037
00:43:57,750 --> 00:43:55,690
is where I'll get myself in trouble with

1038
00:43:59,579 --> 00:43:57,760

this ended up in a psych ward himself

1039

00:44:01,410 --> 00:43:59,589

I'm not gonna listen to Ken Lanning

1040

00:44:02,670 --> 00:44:01,420

I'm gonna listen to the hundreds of

1041

00:44:04,799 --> 00:44:02,680

victims and I've personally dealt with

1042

00:44:07,740 --> 00:44:04,809

to the thousands and across the board

1043

00:44:11,390 --> 00:44:07,750

and here's what we have to answer who

1044

00:44:14,279 --> 00:44:11,400

did this to them what tools did they use

1045

00:44:16,349 --> 00:44:14,289

because you can you can you can you

1046

00:44:19,049 --> 00:44:16,359

could be brutally sexually abused as a

1047

00:44:20,549 --> 00:44:19,059

three-year-old and also split in your

1048

00:44:24,690 --> 00:44:20,559

personality and it didn't involve

1049

00:44:28,079 --> 00:44:24,700

Satanism most of the sra or the or the d

1050

00:44:30,210 --> 00:44:28,089

ID issues do involve Satanism a very

1051
00:44:32,759 --> 00:44:30,220
sophisticated kind so if you think in

1052
00:44:35,549 --> 00:44:32,769
terms of satanic ritual abuse think in

1053
00:44:41,130 --> 00:44:35,559
terms of mafia think in terms of drug

1054
00:44:43,740 --> 00:44:41,140
lord terror if you tell is such secrecy

1055
00:44:45,960 --> 00:44:43,750
so if we can understand that there's

1056
00:44:48,839 --> 00:44:45,970
drug lords and drug cartels and our

1057
00:44:51,210 --> 00:44:48,849
global billion-dollar industries that

1058
00:44:54,049 --> 00:44:51,220
nobody can bring down and they're

1059
00:44:57,630 --> 00:44:54,059
sophisticated they even use drones now

1060
00:44:59,400 --> 00:44:57,640
then we know that you know and most of

1061
00:45:01,859 --> 00:44:59,410
the drug pimps most of the drug lords

1062
00:45:03,509 --> 00:45:01,869
are not caught most of the mafia people

1063
00:45:07,559 --> 00:45:03,519

most of the mafia crime they're not

1064

00:45:11,039 --> 00:45:07,569

caught when it comes it's not it's not

1065

00:45:13,589 --> 00:45:11,049

too hard to extend that and say if we

1066

00:45:16,950 --> 00:45:13,599

know there is this issue of satanic

1067

00:45:20,220 --> 00:45:16,960

practices tied to crime why would we not

1068

00:45:23,130 --> 00:45:20,230

at the very least expect the same kind

1069

00:45:25,680 --> 00:45:23,140

of activity being performed and I'm with

1070

00:45:28,380 --> 00:45:25,690

you 100% and I love that you're trying

1071

00:45:30,210 --> 00:45:28,390

to apply kind of a secular filter to it

1072

00:45:32,370 --> 00:45:30,220

which I appreciate because that's not

1073

00:45:34,499 --> 00:45:32,380

your orientation and you have a

1074

00:45:37,259 --> 00:45:34,509

particular view on that which we will

1075

00:45:38,819 --> 00:45:37,269

hear and we need to hear but let me

1076

00:45:40,620 --> 00:45:38,829

switch gears because you brought this up

1077

00:45:44,309 --> 00:45:40,630

a couple of times and I want to make

1078

00:45:46,079 --> 00:45:44,319

sure we talk about the MK ULTRA you've

1079

00:45:49,380 --> 00:45:46,089

thrown it out there we've investigated

1080

00:45:52,319 --> 00:45:49,390

it extensively on this show we've also

1081

00:45:56,999 --> 00:45:52,329

investigated just the psy phenomena

1082

00:46:02,130 --> 00:45:57,009

inside researchers but tell me what you

1083

00:46:04,450 --> 00:46:02,140

think MK ULTRA is all about and what

1084

00:46:07,390 --> 00:46:04,460

these people were doing because

1085

00:46:10,690 --> 00:46:07,400

there is I want to inject a little bit

1086

00:46:13,150 --> 00:46:10,700

of my overlay my grid if you will is

1087

00:46:16,960 --> 00:46:13,160

that initially when a lot of this stuff

1088

00:46:21,310 --> 00:46:16,970

started it was in response to what they

1089

00:46:23,680 --> 00:46:21,320

thought was a threat from the enemy if

1090

00:46:26,349 --> 00:46:23,690

you will the enemy being Russia who was

1091

00:46:28,359 --> 00:46:26,359

engaged in a lot of this activity but

1092

00:46:30,730 --> 00:46:28,369

there was also as you point out and I'm

1093

00:46:32,740 --> 00:46:30,740

sure you will there was a direct Nazi

1094

00:46:35,710 --> 00:46:32,750

connection or we had just picked up

1095

00:46:37,900 --> 00:46:35,720

their research and said gee horrible

1096

00:46:40,920 --> 00:46:37,910

thing that you've done but let's see if

1097

00:46:43,960 --> 00:46:40,930

we can do it better kind of thing

1098

00:46:46,060 --> 00:46:43,970

Alex you're a million percent right on

1099

00:46:47,859 --> 00:46:46,070

that issue because that's part of the

1100

00:46:50,230 --> 00:46:47,869

issue of 30-some years of researching it

1101
00:46:52,930 --> 00:46:50,240
and wanting to have the facts and

1102
00:46:54,010 --> 00:46:52,940
wanting to have those things because if

1103
00:46:55,870 --> 00:46:54,020
they're really they're there we need to

1104
00:46:57,760 --> 00:46:55,880
deal with it it's really that content we

1105
00:46:59,680 --> 00:46:57,770
need to understand understand it what it

1106
00:47:01,720 --> 00:46:59,690
is so you're absolutely right when it

1107
00:47:04,390 --> 00:47:01,730
comes to SCI warriors no question about

1108
00:47:07,000 --> 00:47:04,400
United States knew that they had to do

1109
00:47:08,650 --> 00:47:07,010
something in the 50s to counteract the

1110
00:47:10,599 --> 00:47:08,660
what they learned about the Russians

1111
00:47:13,240 --> 00:47:10,609
what they were doing what nobody was

1112
00:47:14,680 --> 00:47:13,250
saying though that the step back like

1113
00:47:17,530 --> 00:47:14,690

you just did step back another step

1114

00:47:19,690 --> 00:47:17,540

where did the Russians get it where did

1115

00:47:21,040 --> 00:47:19,700

the Americans get it then when you do a

1116

00:47:22,660 --> 00:47:21,050

little further research where did the

1117

00:47:25,060 --> 00:47:22,670

Brits get it where did the Canadians get

1118

00:47:28,810 --> 00:47:25,070

it where do the Australians get it they

1119

00:47:31,540 --> 00:47:28,820

all went in to some of these projects so

1120

00:47:33,160 --> 00:47:31,550

you do go back to the Nazis and I know

1121

00:47:35,560 --> 00:47:33,170

that some will say it's just pure

1122

00:47:37,870 --> 00:47:35,570

conspiracy but you could mean it I could

1123

00:47:40,270 --> 00:47:37,880

read 200 books on the Nazi regime and

1124

00:47:41,950 --> 00:47:40,280

all that they did everything everybody

1125

00:47:43,990 --> 00:47:41,960

knows they taught about a master race

1126
00:47:45,460 --> 00:47:44,000
they believed in a master race whether

1127
00:47:47,520 --> 00:47:45,470
we want to believe in the spiritual side

1128
00:47:50,079 --> 00:47:47,530
of that forget that part of it again

1129
00:47:53,020 --> 00:47:50,089
did they really did Himmler really

1130
00:47:56,290 --> 00:47:53,030
believe that they could back breed to

1131
00:47:59,170 --> 00:47:56,300
become the great super soldiers or the

1132
00:48:00,930 --> 00:47:59,180
Godman small G did he really believe

1133
00:48:03,490 --> 00:48:00,940
that absolutely he was a breeder he

1134
00:48:06,520 --> 00:48:03,500
believed that so he believed the

1135
00:48:09,550 --> 00:48:06,530
spiritual doctrine I believed Hitler did

1136
00:48:12,310 --> 00:48:09,560
that too and and many of the top SS they

1137
00:48:15,250 --> 00:48:12,320
believed in this so much so they created

1138
00:48:18,390 --> 00:48:15,260

Levens war the secret birthing centers

1139

00:48:22,109 --> 00:48:18,400

all over Germany in the 1938

1140

00:48:24,089 --> 00:48:22,119

in 39 1940 where they took Germans that

1141

00:48:27,510 --> 00:48:24,099

they thought they could prove had the

1142

00:48:29,760 --> 00:48:27,520

occult version of the Aryan one the god

1143

00:48:32,309 --> 00:48:29,770

men if they could just make them mate

1144

00:48:35,789 --> 00:48:32,319

and breed the next generation the new

1145

00:48:38,279 --> 00:48:35,799

laymen's born babies the the new master

1146

00:48:40,589 --> 00:48:38,289

race babies they would have they would

1147

00:48:42,420 --> 00:48:40,599

become more powerful we'll use them as

1148

00:48:45,289 --> 00:48:42,430

soldiers and they would continue that

1149

00:48:48,930 --> 00:48:45,299

process so there's no question about

1150

00:48:51,720 --> 00:48:48,940

they believed in a master race that they

1151

00:48:55,109 --> 00:48:51,730

actually applied that to genetic

1152

00:48:57,690 --> 00:48:55,119

birthing centers they believed in it so

1153

00:48:59,430 --> 00:48:57,700

much so that Himmler said anybody fun

1154

00:49:02,460 --> 00:48:59,440

now you could find this quote in the web

1155

00:49:05,970 --> 00:49:02,470

Hitler said if we could create but 200

1156

00:49:10,470 --> 00:49:05,980

million of these super soldiers are

1157

00:49:13,710 --> 00:49:10,480

these Godman these Nordic hyper humans

1158

00:49:15,210 --> 00:49:13,720

or hybrid humans as he called him if we

1159

00:49:16,710 --> 00:49:15,220

could do if we can build it two hundred

1160

00:49:16,859 --> 00:49:16,720

million not only could we conquer the

1161

00:49:18,839 --> 00:49:16,869

earth

1162

00:49:20,730 --> 00:49:18,849

you know conquer the world but we could

1163

00:49:23,819 --> 00:49:20,740

maintain it rule it for a thousand years

1164

00:49:27,150 --> 00:49:23,829

now that's what he believed it bizarre

1165

00:49:29,670 --> 00:49:27,160

yes stupid yes of course I've been to

1166

00:49:31,920 --> 00:49:29,680

Auschwitz I stood in the gas chambers I

1167

00:49:34,650 --> 00:49:31,930

we've tracked this to Hitler's castle

1168

00:49:38,130 --> 00:49:34,660

I've been in the Hall of the Dead tell

1169

00:49:40,950 --> 00:49:38,140

us about that story that your trip to

1170

00:49:43,769 --> 00:49:40,960

the Hall of the Dead and again the

1171

00:49:46,789 --> 00:49:43,779

physical evidence that you found you

1172

00:49:49,019 --> 00:49:46,799

know the symbolism what we know now

1173

00:49:51,859 --> 00:49:49,029

happened you know a lot of people are

1174

00:49:54,120 --> 00:49:51,869

interested in the Nazi occult link and

1175

00:49:57,029 --> 00:49:54,130

people have a lot of different spins on

1176

00:49:58,700 --> 00:49:57,039

it but it's undeniable it's undeniable

1177

00:50:01,589 --> 00:49:58,710

that they were heavily heavily

1178

00:50:03,000 --> 00:50:01,599

influenced by that and then we pick that

1179

00:50:05,190 --> 00:50:03,010

up as you're going to talk about in a

1180

00:50:07,170 --> 00:50:05,200

minute with them k ultra and say well

1181

00:50:10,140 --> 00:50:07,180

gee golly gee just to defend our country

1182

00:50:11,880 --> 00:50:10,150

if the spirits can be on our side if the

1183

00:50:13,529 --> 00:50:11,890

demons can be on our side we'd better

1184

00:50:16,200 --> 00:50:13,539

get him on our side which is kind of a

1185

00:50:19,170 --> 00:50:16,210

bizarre for most of us is kind of a

1186

00:50:20,940 --> 00:50:19,180

completely bizarre idea in the same way

1187

00:50:23,910 --> 00:50:20,950

but maybe we'll talk later about

1188

00:50:26,640 --> 00:50:23,920

Aleister Crowley in the desert you know

1189

00:50:30,240 --> 00:50:26,650

trying to bring about the Antichrist

1190

00:50:32,170 --> 00:50:30,250

with I ron hubbard as the guy he's right

1191

00:50:34,480 --> 00:50:32,180

there yeah Hortis

1192

00:50:38,290 --> 00:50:34,490

hating in that increase Scientology and

1193

00:50:40,270 --> 00:50:38,300

there's also links to Mormonism that

1194

00:50:42,700 --> 00:50:40,280

maybe we will we will or will not get

1195

00:50:44,440 --> 00:50:42,710

into but all that stuff is like document

1196

00:50:46,839 --> 00:50:44,450

I just interviewed let me go on for just

1197

00:50:48,390 --> 00:50:46,849

a second I just interviewed dr. Hugh

1198

00:50:51,549 --> 00:50:48,400

Urban from Ohio State University

1199

00:50:54,040 --> 00:50:51,559

comparative religion professor written a

1200

00:50:57,280 --> 00:50:54,050

book on Scientology and written a book

1201
00:50:59,260 --> 00:50:57,290
on cults in general but he documents

1202
00:51:01,540 --> 00:50:59,270
very carefully that exactly this

1203
00:51:05,620 --> 00:51:01,550
happened this ritualistic ceremony in

1204
00:51:07,990 --> 00:51:05,630
the desert of the United States to bring

1205
00:51:10,990 --> 00:51:08,000
about the Antichrist these guys were

1206
00:51:14,380 --> 00:51:11,000
serious about that and yet we treat it

1207
00:51:17,140 --> 00:51:14,390
in in academia even doctor urban just

1208
00:51:18,970 --> 00:51:17,150
kind of blows by that and goes okay and

1209
00:51:21,940 --> 00:51:18,980
here's the next thing to deal with as if

1210
00:51:25,329 --> 00:51:21,950
we can completely divorce ourselves from

1211
00:51:26,890 --> 00:51:25,339
the potential spiritual reality whatever

1212
00:51:28,510 --> 00:51:26,900
you believe but you have a Christian

1213
00:51:30,730 --> 00:51:28,520

overlay on that or whether you think

1214

00:51:32,410 --> 00:51:30,740

that you have to look beyond the

1215

00:51:35,290 --> 00:51:32,420

Christian overland and I guess I tie

1216

00:51:36,789 --> 00:51:35,300

that back to your think about Germany

1217

00:51:38,920 --> 00:51:36,799

and the Nazis because it's the same

1218

00:51:41,020 --> 00:51:38,930

thing folks I mean you don't have to go

1219

00:51:42,579 --> 00:51:41,030

all the way there with the Nazis but you

1220

00:51:44,829 --> 00:51:42,589

can't deny that they were interested in

1221

00:51:46,539 --> 00:51:44,839

the occult you can't deny that those SS

1222

00:51:48,940 --> 00:51:46,549

uniforms had the little skull and

1223

00:51:51,309 --> 00:51:48,950

crossbones on them and they were and

1224

00:51:53,650 --> 00:51:51,319

that they were actively trying to seek

1225

00:51:56,020 --> 00:51:53,660

all these occult objects in order to

1226
00:51:58,049 --> 00:51:56,030
empower what they would do I mean the

1227
00:52:00,579 --> 00:51:58,059
Raiders of the Lost Ark they didn't

1228
00:52:02,620 --> 00:52:00,589
Lucas just didn't make that up out of

1229
00:52:05,799 --> 00:52:02,630
thin air but there was a reality to all

1230
00:52:09,400 --> 00:52:05,809
that so with that and Andy going on tell

1231
00:52:11,859 --> 00:52:09,410
us what you saw and experienced when you

1232
00:52:13,780 --> 00:52:11,869
were in the castle in Germany well

1233
00:52:15,339 --> 00:52:13,790
that's that was the whole issue where

1234
00:52:17,500 --> 00:52:15,349
did it come from that we just we kept

1235
00:52:20,200 --> 00:52:17,510
following the trail follow the evidence

1236
00:52:22,569 --> 00:52:20,210
so I'll say this real quick modern-day

1237
00:52:25,620 --> 00:52:22,579
if you want to call MKULTRA it's kind of

1238
00:52:27,819 --> 00:52:25,630

old but modern-day MKULTRA here

1239

00:52:31,569 --> 00:52:27,829

modern-day sagina commercial abuse is

1240

00:52:34,059 --> 00:52:31,579

nothing less than the extension of the

1241

00:52:37,270 --> 00:52:34,069

agenda of the master race that the Nazi

1242

00:52:39,430 --> 00:52:37,280

started in 1939 there's a reason they

1243

00:52:41,380 --> 00:52:39,440

believed it there's a reason why like

1244

00:52:44,020 --> 00:52:41,390

think of terms Alex of the final

1245

00:52:45,700 --> 00:52:44,030

solution when the Nazis met in a

1246

00:52:48,940 --> 00:52:45,710

secretive meeting to

1247

00:52:51,400 --> 00:52:48,950

discuss the camp's they would build the

1248

00:52:53,970 --> 00:52:51,410

ovens that would be built to be large

1249

00:52:56,440 --> 00:52:53,980

enough the way in which they would

1250

00:52:58,359 --> 00:52:56,450

gather up the Jews and others and

1251
00:53:01,270 --> 00:52:58,369
gypsies and so forth and and how they

1252
00:53:05,050 --> 00:53:01,280
can bring them down to the camps they

1253
00:53:06,970 --> 00:53:05,060
sat there in a sophisticated way that

1254
00:53:09,790 --> 00:53:06,980
involved engineering that involved

1255
00:53:12,280 --> 00:53:09,800
moving that involves so many things in

1256
00:53:14,980 --> 00:53:12,290
plotting and planning there the final

1257
00:53:18,010 --> 00:53:14,990
solution in eradicating Jews Gypsies

1258
00:53:19,750 --> 00:53:18,020
whoever else was in their way so that

1259
00:53:22,180 --> 00:53:19,760
all occurred the camps you know there's

1260
00:53:24,490 --> 00:53:22,190
900 more so actually more than just a

1261
00:53:27,010 --> 00:53:24,500
few so the same things true concerning

1262
00:53:29,470 --> 00:53:27,020
you know when I wanted to know where

1263
00:53:30,910 --> 00:53:29,480

where are thousands or even millions of

1264

00:53:33,790 --> 00:53:30,920

satanic richly abused

1265

00:53:34,800 --> 00:53:33,800

multiple-personality all this where's it

1266

00:53:37,150 --> 00:53:34,810

coming from

1267

00:53:39,670 --> 00:53:37,160

so we kept tracking and tracking and

1268

00:53:42,070 --> 00:53:39,680

we've had over three decades that led us

1269

00:53:43,839 --> 00:53:42,080

to Germany when we met Fort Bragg Side

1270

00:53:46,180 --> 00:53:43,849

warriors when I met a federal officers

1271

00:53:48,970 --> 00:53:46,190

wife first here's a here's a point

1272

00:53:51,579 --> 00:53:48,980

that's important in the first generation

1273

00:53:54,510 --> 00:53:51,589

of multiple personality disorder that

1274

00:53:56,740 --> 00:53:54,520

started in the late 70s early 80s when

1275

00:53:58,660 --> 00:53:56,750

30 year olds and others were starting to

1276

00:54:00,820 --> 00:53:58,670

come in the psychiatric community

1277

00:54:03,160 --> 00:54:00,830

psychology community they don't know

1278

00:54:04,480 --> 00:54:03,170

what to do and and they begin to every

1279

00:54:06,490 --> 00:54:04,490

psych ward all the counselors were

1280

00:54:08,680 --> 00:54:06,500

getting them so they came up with the

1281

00:54:12,849 --> 00:54:08,690

DSM 3 and he they said here's the

1282

00:54:15,790 --> 00:54:12,859

diagnostic tests and the evidences for a

1283

00:54:20,620 --> 00:54:15,800

multiple personality disorder that

1284

00:54:22,720 --> 00:54:20,630

phrase so that the psych ward world

1285

00:54:25,030 --> 00:54:22,730

began to deal with that they had to deal

1286

00:54:26,620 --> 00:54:25,040

with that but they didn't go tracking it

1287

00:54:28,270 --> 00:54:26,630

they dealt with that in an academic way

1288

00:54:31,300 --> 00:54:28,280

they dealt with that in the office way

1289

00:54:32,890 --> 00:54:31,310

our way of dealing with it was we're

1290

00:54:34,150 --> 00:54:32,900

gonna go take this to the ends of the

1291

00:54:36,460 --> 00:54:34,160

earth and we're gonna search we're gonna

1292

00:54:38,530 --> 00:54:36,470

go wherever we need to go which led us

1293

00:54:40,990 --> 00:54:38,540

to Germany so I'm going to tell you this

1294

00:54:43,750 --> 00:54:41,000

modern-day MKULTRA the military side is

1295

00:54:45,900 --> 00:54:43,760

a sanitized version of the development

1296

00:54:47,410 --> 00:54:45,910

of the master race an altered human

1297

00:54:49,599 --> 00:54:47,420

enhanced humans

1298

00:54:51,520 --> 00:54:49,609

that's what SCI warrior ISM is all about

1299

00:54:53,890 --> 00:54:51,530

where the russian whether United States

1300

00:54:56,390 --> 00:54:53,900

whether remote viewers at at Fort Meade

1301
00:54:58,700 --> 00:54:56,400
in Stargate

1302
00:55:00,650 --> 00:54:58,710
the the for drag goat lab where they

1303
00:55:02,779 --> 00:55:00,660
were using sigh powers to explode the

1304
00:55:03,859 --> 00:55:02,789
the heart of a goat those that were in

1305
00:55:05,660 --> 00:55:03,869
the program that we dealt with

1306
00:55:08,120 --> 00:55:05,670
personally they were there they knew

1307
00:55:10,009 --> 00:55:08,130
that alexsei the folks at new sidney

1308
00:55:11,749 --> 00:55:10,019
gottlieb directly the folks that know

1309
00:55:12,380 --> 00:55:11,759
john alexander the folks that know

1310
00:55:14,569 --> 00:55:12,390
Stubblebine

1311
00:55:17,779 --> 00:55:14,579
all these folks that we dealt with on

1312
00:55:20,539 --> 00:55:17,789
that level there's no question about the

1313
00:55:22,549 --> 00:55:20,549

research level the reality level the

1314

00:55:23,569 --> 00:55:22,559

books that are involved but the people

1315

00:55:26,960 --> 00:55:23,579

that are involved also

1316

00:55:29,029 --> 00:55:26,970

David Morehouse psychic warrior one of

1317

00:55:30,829 --> 00:55:29,039

the remote viewers out of Stargate so

1318

00:55:33,349 --> 00:55:30,839

when you when you deal with all of them

1319

00:55:36,289 --> 00:55:33,359

all of that content you track it

1320

00:55:38,359 --> 00:55:36,299

backwards it all goes back to the Nazis

1321

00:55:41,269 --> 00:55:38,369

it all goes back to their belief system

1322

00:55:43,880 --> 00:55:41,279

spiritual it all ended up like the like

1323

00:55:46,099 --> 00:55:43,890

like Nazi ideology was actually

1324

00:55:48,380 --> 00:55:46,109

spiritual revelation whether we want to

1325

00:55:49,880 --> 00:55:48,390

we don't we don't have to say people

1326
00:55:52,789 --> 00:55:49,890
said you can say I don't believe in that

1327
00:55:55,400 --> 00:55:52,799
well they did they believed they were

1328
00:55:57,380 --> 00:55:55,410
engaging non-human entities in the Hall

1329
00:56:00,440 --> 00:55:57,390
of the Dead and the himmler castle in

1330
00:56:03,229 --> 00:56:00,450
which himmler was gonna turn the himmler

1331
00:56:05,269 --> 00:56:03,239
castle was going to be turned into a the

1332
00:56:07,849 --> 00:56:05,279
the place in which they would rule the

1333
00:56:09,410 --> 00:56:07,859
world from so down in the hall of the

1334
00:56:10,789 --> 00:56:09,420
Dead is where rituals were done now in

1335
00:56:13,279 --> 00:56:10,799
the hall of the Dead is where the 13

1336
00:56:14,749 --> 00:56:13,289
skulls were put in the indentions down

1337
00:56:17,150 --> 00:56:14,759
on the hall of the Dead is where Himmler

1338
00:56:19,130 --> 00:56:17,160

and Hitler villa got the ancient

1339

00:56:21,859 --> 00:56:19,140

sorcerer that was taken out of the psych

1340

00:56:24,170 --> 00:56:21,869

ward in Germany and Himmler had him as

1341

00:56:27,559 --> 00:56:24,180

the primary sorcerer they're doing

1342

00:56:30,049 --> 00:56:27,569

rituals in that in that in that hall of

1343

00:56:33,380 --> 00:56:30,059

the Dead that I stood in very charged

1344

00:56:37,700 --> 00:56:33,390

spiritually charged place so from that

1345

00:56:39,890 --> 00:56:37,710

place and after the war and all the Nazi

1346

00:56:43,220 --> 00:56:39,900

doctors and all the scientists were

1347

00:56:47,239 --> 00:56:43,230

taken here's what anybody can do track

1348

00:56:48,170 --> 00:56:47,249

the Nazi ratlines in the early 50s to

1349

00:56:50,839 --> 00:56:48,180

mid 50s

1350

00:56:52,700 --> 00:56:50,849

wherever the ratlines went in all the

1351
00:56:53,809 --> 00:56:52,710
world South America South Africa

1352
00:56:57,729 --> 00:56:53,819
Johannesburg

1353
00:57:00,890 --> 00:56:57,739
Vittoria into Chile to Argentina

1354
00:57:01,569 --> 00:57:00,900
wherever the ratlines went guess what

1355
00:57:06,289 --> 00:57:01,579
happens

1356
00:57:08,660 --> 00:57:06,299
you can now track the emergence twenty

1357
00:57:09,930 --> 00:57:08,670
five years later the emergence of the

1358
00:57:13,050 --> 00:57:09,940
victims of

1359
00:57:16,710 --> 00:57:13,060
of multiple personality mind-control

1360
00:57:19,620 --> 00:57:16,720
amico they begin to show up in Canada

1361
00:57:22,650 --> 00:57:19,630
Australia New Zealand South Africa South

1362
00:57:25,380 --> 00:57:22,660
America all over Europe in Britain

1363
00:57:27,059 --> 00:57:25,390

whoever whoever wherever the ratlines

1364

00:57:31,050 --> 00:57:27,069

went in the in the Catholic Church

1365

00:57:33,630 --> 00:57:31,060

system nationwide wherever the Nazi

1366

00:57:37,140 --> 00:57:33,640

became fake priests wherever they went

1367

00:57:39,660 --> 00:57:37,150

and we're not captured we're not dealt

1368

00:57:43,140 --> 00:57:39,670

with didn't go to Nuremberg they

1369

00:57:46,470 --> 00:57:43,150

continued the project the project both

1370

00:57:49,770 --> 00:57:46,480

has a spiritual component that you could

1371

00:57:52,410 --> 00:57:49,780

speak to but it also has what you're

1372

00:57:55,859 --> 00:57:52,420

referring to and I can confirm from

1373

00:57:57,020 --> 00:57:55,869

everything iPhone has a technological if

1374

00:58:00,150 --> 00:57:57,030

you will

1375

00:58:02,910 --> 00:58:00,160

component to it so that's when you say

1376

00:58:06,120 --> 00:58:02,920

the sanitized you could also use the

1377

00:58:09,720 --> 00:58:06,130

word you know perfected so when they

1378

00:58:12,809 --> 00:58:09,730

brought it into the lab Stargate and

1379

00:58:15,450 --> 00:58:12,819

Stanford Research Institute and how put

1380

00:58:17,910 --> 00:58:15,460

off in Russell Targ I'm not saying that

1381

00:58:21,630 --> 00:58:17,920

those guys in there sidney gottlieb you

1382

00:58:24,930 --> 00:58:21,640

know the doctor respected doctor but

1383

00:58:27,960 --> 00:58:24,940

many people outwardly say that he's the

1384

00:58:32,250 --> 00:58:27,970

josef mengele of the united states so

1385

00:58:34,440 --> 00:58:32,260

there's a undeniable reality to what

1386

00:58:38,150 --> 00:58:34,450

you're talking about how do you parse

1387

00:58:41,609 --> 00:58:38,160

that though how do you parse the

1388

00:58:45,930 --> 00:58:41,619

technology component the good soldier

1389

00:58:48,450 --> 00:58:45,940

component of i'm asked to do a job I'm

1390

00:58:50,819 --> 00:58:48,460

John Alexander I'm told to do this stuff

1391

00:58:53,880 --> 00:58:50,829

I'm Joe McDonald I'm told to do this

1392

00:58:56,359 --> 00:58:53,890

stuff and I do it because that's my

1393

00:58:59,010 --> 00:58:56,369

assignment and I can see some immediate

1394

00:59:02,520 --> 00:58:59,020

intelligence payoff for this I mean if I

1395

00:59:04,710 --> 00:59:02,530

can Remote View enemies location around

1396

00:59:08,609 --> 00:59:04,720

the world that doesn't seem to me to be

1397

00:59:12,599 --> 00:59:08,619

sure not see evil how do you parse the

1398

00:59:14,880 --> 00:59:12,609

as you said it you know the sanitized

1399

00:59:19,470 --> 00:59:14,890

version of it that seems to have a

1400

00:59:21,900 --> 00:59:19,480

genuine intelligence component with what

1401

00:59:23,940 --> 00:59:21,910

you're talking about which is really

1402

00:59:26,730 --> 00:59:23,950

kind of challenging but I think people

1403

00:59:30,000 --> 00:59:26,740

have to deal with it is the super

1404

00:59:31,860 --> 00:59:30,010

spiritual aspect of this sure well I

1405

00:59:34,590 --> 00:59:31,870

think at this point now the physical

1406

00:59:39,210 --> 00:59:34,600

side the reality of MKULTRA monarch you

1407

00:59:41,850 --> 00:59:39,220

know mind control program shooters there

1408

00:59:44,670 --> 00:59:41,860

I think that there's so many victims so

1409

00:59:46,770 --> 00:59:44,680

many have been investigating now for

1410

00:59:48,630 --> 00:59:46,780

decades I mean I've been involved 38

1411

00:59:51,030 --> 00:59:48,640

years in direct investigation of it in

1412

00:59:52,620 --> 00:59:51,040

the direct working with victims and all

1413

00:59:54,390 --> 00:59:52,630

over the place including military ones

1414

00:59:56,790 --> 00:59:54,400

including in McKee ultra including these

1415

00:59:59,190 --> 00:59:56,800

individuals and that occurs to this very

1416

01:00:01,470 --> 00:59:59,200

day we got cases all around us we have

1417

01:00:02,910 --> 01:00:01,480

threats all around us I was at the

1418

01:00:05,190 --> 01:00:02,920

mind-control conference in Richmond

1419

01:00:07,860 --> 01:00:05,200

Virginia when Allen chef Dean corydon

1420

01:00:09,960 --> 01:00:07,870

Hammond talked about the green bomb the

1421

01:00:12,210 --> 01:00:09,970

famous green bomb speech I was there at

1422

01:00:13,800 --> 01:00:12,220

that conference they they believe they

1423

01:00:16,440 --> 01:00:13,810

were not Christians they believed that

1424

01:00:18,420 --> 01:00:16,450

there was a nationwide conspiracy they

1425

01:00:20,700 --> 01:00:18,430

acknowledged the CIA's involvement they

1426

01:00:22,410 --> 01:00:20,710

acknowledged he had see a CIA presence

1427

01:00:24,420 --> 01:00:22,420

in that meeting

1428

01:00:26,010 --> 01:00:24,430

Gordon Hammond was getting out of it

1429

01:00:27,240 --> 01:00:26,020

because of the threats that he got but

1430

01:00:29,220 --> 01:00:27,250

let me do this Alex let me hold up

1431

01:00:32,250 --> 01:00:29,230

something to you this book here honor if

1432

01:00:34,200 --> 01:00:32,260

you ever seen this book I quoted this in

1433

01:00:36,960 --> 01:00:34,210

my book the black awakening ten years

1434

01:00:39,450 --> 01:00:36,970

ago I keep mentioning it left and right

1435

01:00:41,330 --> 01:00:39,460

you can get it on Amazon probably for

1436

01:00:44,820 --> 01:00:41,340

about 100 bucks hundred fifty bucks now

1437

01:00:46,890 --> 01:00:44,830

I'm amazed that there's hardly anybody

1438

01:00:49,290 --> 01:00:46,900

in all the books I buy every book I can

1439

01:00:51,750 --> 01:00:49,300

find that's out on MKULTRA every single

1440

01:00:53,580 --> 01:00:51,760

book on the subject Wow I mean that's

1441

01:00:56,880 --> 01:00:53,590

that's what we do that's what our teams

1442

01:01:01,620 --> 01:00:56,890

do this book right here is written by G

1443

01:01:03,900 --> 01:01:01,630

H Estabrooks world benign renowned

1444

01:01:06,510 --> 01:01:03,910

psychologist psychiatrist in the 1950s

1445

01:01:07,920 --> 01:01:06,520

world renowned had to be global kind of

1446

01:01:10,040 --> 01:01:07,930

like the world

1447

01:01:11,880 --> 01:01:10,050

American Psychological Association

1448

01:01:14,330 --> 01:01:11,890

Psychological Association of the world

1449

01:01:17,220 --> 01:01:14,340

he's considered one of the greatest

1450

01:01:20,670 --> 01:01:17,230

psychologists psychiatrists worldwide US

1451

01:01:24,450 --> 01:01:20,680

military hires him they be he begins to

1452

01:01:27,780 --> 01:01:24,460

work with them this book is put out here

1453

01:01:31,850 --> 01:01:27,790

in a chapter called weaponizing here's

1454

01:01:35,220 --> 01:01:31,860

what he says in 1947 this is put out

1455

01:01:35,700 --> 01:01:35,230

1947 here's what he says just like

1456

01:01:39,290 --> 01:01:35,710

you're saying

1457

01:01:42,480 --> 01:01:39,300

we in the arms race in the battle

1458

01:01:43,530 --> 01:01:42,490

developing weapons and so forth we know

1459

01:01:46,700 --> 01:01:43,540

that we have to do anything and

1460

01:01:50,010 --> 01:01:46,710

everything to be ahead of everybody else

1461

01:01:52,320 --> 01:01:50,020

he says here in that chapter and

1462

01:01:55,520 --> 01:01:52,330

weaponization we learned how to take

1463

01:01:58,920 --> 01:01:55,530

soldiers create here's his terminology

1464

01:02:01,349 --> 01:01:58,930

create multiple personalities create an

1465

01:02:04,670 --> 01:02:01,359

alter personality we learned how to

1466

01:02:07,890 --> 01:02:04,680

program those sub personalities to be

1467

01:02:11,910 --> 01:02:07,900

active assassin shooters disinformation

1468

01:02:14,339 --> 01:02:11,920

agents spies infiltrators we've learned

1469

01:02:16,440 --> 01:02:14,349

how to program them give them a trigger

1470

01:02:18,990 --> 01:02:16,450

and put them down inside the soldier

1471

01:02:21,359 --> 01:02:19,000

without the soldier knowing what's

1472

01:02:23,970 --> 01:02:21,369

really there you know what you know what

1473

01:02:25,260 --> 01:02:23,980

he says in this book in 1947 he says I

1474

01:02:27,630 --> 01:02:25,270

think he spilled the beans and they

1475

01:02:29,040 --> 01:02:27,640

tried to cover it up since here's the

1476

01:02:30,510 --> 01:02:29,050

guy that did all the stuff here's the

1477

01:02:32,910 --> 01:02:30,520

guy that did the stuff with Sidney

1478

01:02:36,180 --> 01:02:32,920

Gottlieb with all those people back in

1479

01:02:38,599 --> 01:02:36,190

that day he said what we need to do

1480

01:02:42,000 --> 01:02:38,609

after he explains and details the

1481

01:02:45,270 --> 01:02:42,010

effectiveness of creating alter

1482

01:02:47,220 --> 01:02:45,280

personalities creating the spies the the

1483

01:02:48,930 --> 01:02:47,230

program shooters the assassins and so

1484

01:02:52,050 --> 01:02:48,940

forth and how that works and how

1485

01:02:56,190 --> 01:02:52,060

successful they were he also details

1486

01:02:59,790 --> 01:02:56,200

this ghs Tobruk says I didn't say this

1487

01:03:02,940 --> 01:02:59,800

he did he says we need to create these

1488

01:03:05,700 --> 01:03:02,950

super soldiers and place them in every

1489

01:03:08,490 --> 01:03:05,710

department of US military so that down

1490

01:03:12,089 --> 01:03:08,500

the road we can have a hidden fifth

1491

01:03:15,960 --> 01:03:12,099

column of these super soldiers to call

1492

01:03:18,750 --> 01:03:15,970

up if we need to that's in this book

1493

01:03:20,040 --> 01:03:18,760

under weaponization he would have known

1494

01:03:22,530 --> 01:03:20,050

all he would have been at the very

1495

01:03:27,030 --> 01:03:22,540

forefront of MKULTRA this book was put

1496

01:03:29,339 --> 01:03:27,040

out in 1947 so this this psychiatry knew

1497

01:03:31,589 --> 01:03:29,349

this stuff psychologists knew this stuff

1498

01:03:34,500 --> 01:03:31,599

you know where he got it from from the

1499

01:03:36,510 --> 01:03:34,510

Nazis you know Russ this is powerful

1500

01:03:39,329 --> 01:03:36,520

stuff that you're bringing forward and I

1501

01:03:41,400 --> 01:03:39,339

love when you reference the direct

1502

01:03:44,130 --> 01:03:41,410

connection there and I think it helps

1503

01:03:46,890 --> 01:03:44,140

people because you know Nazi is such a

1504

01:03:49,120 --> 01:03:46,900

hard word it immediately discredits a

1505

01:03:51,640 --> 01:03:49,130

lot of people just go okay not

1506

01:03:52,450 --> 01:03:51,650

I'm out of here but in this case as your

1507

01:03:54,970 --> 01:03:52,460

document

1508

01:03:57,670 --> 01:03:54,980

you can't folks you just have to go and

1509

01:03:59,410 --> 01:03:57,680

follow the data and say why did this

1510

01:04:01,180 --> 01:03:59,420

happen you know why did these guys wind

1511

01:04:03,250 --> 01:04:01,190

up you're right people know project

1512

01:04:05,890 --> 01:04:03,260

paper why did that happen what was the

1513

01:04:09,520 --> 01:04:05,900

source of it I would bring it for folks

1514

01:04:11,890 --> 01:04:09,530

who don't like that Anglin or more into

1515

01:04:15,040 --> 01:04:11,900

the modern thing go watch the video from

1516

01:04:18,490 --> 01:04:15,050

Darren brown famous you came in to us

1517

01:04:20,200 --> 01:04:18,500

atheist I mean very outwardly in a way

1518

01:04:21,970 --> 01:04:20,210

that I think is kind of ridiculous the

1519

01:04:23,770 --> 01:04:21,980

atheist just sound kind of silly to me

1520

01:04:26,470 --> 01:04:23,780

at this point but he's an outspoken

1521

01:04:30,760 --> 01:04:26,480

atheist he's a Mentalist but he shows

1522

01:04:34,630 --> 01:04:30,770

you how to mind-control someone to set

1523

01:04:36,610 --> 01:04:34,640

him up to do sirhan sirhan Manchurian

1524

01:04:38,350 --> 01:04:36,620

Candidate thing he does the whole thing

1525

01:04:40,300 --> 01:04:38,360

and the guy goes into a theater and he

1526

01:04:42,160 --> 01:04:40,310

pulls a gun he doesn't know that the gun

1527

01:04:44,440 --> 01:04:42,170

only has blanks in it but there it is

1528

01:04:46,150 --> 01:04:44,450

there's the demonstration and again

1529

01:04:48,220 --> 01:04:46,160

secular this guy doesn't anything about

1530

01:04:50,680 --> 01:04:48,230

it and if you go to the sirhan sirhan

1531

01:04:52,330 --> 01:04:50,690

sirhan cases I guess I'm old enough that

1532

01:04:55,000 --> 01:04:52,340

I kind of remember it but a lot of

1533

01:04:58,960 --> 01:04:55,010

people have forgotten it I mean this is

1534

01:05:01,990 --> 01:04:58,970

the murder of Robert F Kennedy and you

1535

01:05:05,770 --> 01:05:02,000

know in in LA when he's about to take

1536

01:05:07,780 --> 01:05:05,780

the nomination and there's eight bullets

1537

01:05:10,300 --> 01:05:07,790

they pulled out of the wall and there's

1538

01:05:12,850 --> 01:05:10,310

only six bullets in Sirhan Sirhan's gun

1539

01:05:14,980 --> 01:05:12,860

and they go in when they get Sirhan

1540

01:05:16,390 --> 01:05:14,990

Sirhan he's just as you're talking about

1541

01:05:17,710 --> 01:05:16,400

as I've heard you talk about maybe you

1542

01:05:19,660 --> 01:05:17,720

can bring us up to date on these

1543

01:05:21,640 --> 01:05:19,670

modern-day shooters but it's the same

1544

01:05:23,290 --> 01:05:21,650

thing you look into his eyes and you

1545

01:05:25,330 --> 01:05:23,300

because something's not right here any

1546

01:05:26,530 --> 01:05:25,340

guy goes I don't know where I was I

1547

01:05:30,490 --> 01:05:26,540

don't know what happened there's this

1548

01:05:32,410 --> 01:05:30,500

complete memory erasure thing and when

1549

01:05:34,800 --> 01:05:32,420

you look at the documents that were

1550

01:05:37,150 --> 01:05:34,810

forced out by the Canadian government on

1551

01:05:38,920 --> 01:05:37,160

MKULTRA they go yeah that's where we're

1552

01:05:41,800 --> 01:05:38,930

trying to do it basically erase people's

1553

01:05:43,720 --> 01:05:41,810

brain and then it's very it's impossible

1554

01:05:46,480 --> 01:05:43,730

to deny that they were doing the rest of

1555

01:05:50,590 --> 01:05:46,490

this stuff so oh man I can only imagine

1556

01:05:52,150 --> 01:05:50,600

your frustration at two levels I mean we

1557

01:05:54,670 --> 01:05:52,160

haven't even again we've kept the

1558

01:05:56,680 --> 01:05:54,680

spiritual side of this out of this

1559

01:06:00,100 --> 01:05:56,690

discussion and I think that that maybe

1560

01:06:01,710 --> 01:06:00,110

helps bring people along but maybe you

1561

01:06:04,220 --> 01:06:01,720

want to speak to either one of

1562

01:06:09,450 --> 01:06:04,230

those points that I raised in terms of

1563

01:06:11,460 --> 01:06:09,460

how this is kind of controlled this

1564

01:06:13,440 --> 01:06:11,470

information in terms of what we know and

1565

01:06:15,690 --> 01:06:13,450

why it turns people off what is your

1566

01:06:18,360 --> 01:06:15,700

understanding of the spiritual component

1567

01:06:21,390 --> 01:06:18,370

of it and how do you make that fit into

1568

01:06:22,920 --> 01:06:21,400

the larger problems that people have

1569

01:06:26,130 --> 01:06:22,930

with religion particularly with

1570

01:06:27,390 --> 01:06:26,140

Christianity you know Christianity a lot

1571

01:06:30,770 --> 01:06:27,400

of people would say it would be the last

1572

01:06:32,730 --> 01:06:30,780

ones we'd want to turn to to try and

1573

01:06:35,340 --> 01:06:32,740

particularly the Catholic Church which

1574

01:06:38,000 --> 01:06:35,350

is the original it is Christianity and

1575

01:06:40,770 --> 01:06:38,010

now it's understood to be systematically

1576

01:06:42,120 --> 01:06:40,780

institutionally completely corrupted

1577

01:06:45,710 --> 01:06:42,130

does it mean that there aren't good

1578

01:06:50,220 --> 01:06:45,720

people in there but as an institution

1579

01:06:51,720 --> 01:06:50,230

boy oh boy I don't know yeah because

1580

01:06:53,850 --> 01:06:51,730

they're all yeah cuz like someone say

1581

01:06:55,050 --> 01:06:53,860

you keep backing up and and all the

1582

01:06:57,240 --> 01:06:55,060

things you're bringing into it is

1583

01:06:58,890 --> 01:06:57,250

important because the facts need to be

1584

01:07:01,110 --> 01:06:58,900

there let me throw one thing out and

1585

01:07:03,360 --> 01:07:01,120

here's why here this is what's tons law

1586

01:07:05,570 --> 01:07:03,370

enforcement even psychologists here's

1587

01:07:08,580 --> 01:07:05,580

what here's what even the psychs know

1588

01:07:11,340 --> 01:07:08,590

when you have a first generation MKULTRA

1589

01:07:13,290 --> 01:07:11,350

or you know sr you know person that says

1590

01:07:15,390 --> 01:07:13,300

they have multiple personalities and

1591

01:07:17,940 --> 01:07:15,400

they've been diagnosed and they are and

1592

01:07:19,500 --> 01:07:17,950

they have personalities here's the

1593

01:07:21,240 --> 01:07:19,510

question I had to come up with why do

1594

01:07:22,920 --> 01:07:21,250

all of them we've dealt with all the

1595

01:07:27,510 --> 01:07:22,930

first generation ones who are now

1596

01:07:29,670 --> 01:07:27,520

between 55 and 70 - it would all begin

1597

01:07:32,070 --> 01:07:29,680

it began their the the the development

1598

01:07:33,000 --> 01:07:32,080

of splitting them began in the early 50s

1599

01:07:34,950 --> 01:07:33,010

and they you know they're so they're

1600

01:07:36,990 --> 01:07:34,960

born in like 50s and up from that point

1601

01:07:38,700 --> 01:07:37,000

on so all of those victims by the

1602

01:07:39,330 --> 01:07:38,710

hundreds of thousands of them where do

1603

01:07:42,360 --> 01:07:39,340

they come from

1604

01:07:45,240 --> 01:07:42,370

who did this to them why do why do all

1605

01:07:48,680 --> 01:07:45,250

of them Alex inside have a personality

1606

01:07:51,810 --> 01:07:48,690

that comes up that speaks fluent German

1607

01:07:54,090 --> 01:07:51,820

every single one of them every single

1608

01:07:55,800 --> 01:07:54,100

one of the first generation all have

1609

01:07:58,410 --> 01:07:55,810

personalities and speak fluent German

1610

01:08:01,350 --> 01:07:58,420

many the second generation even down to

1611

01:08:04,400 --> 01:08:01,360

the third generation 21 year olds they

1612

01:08:06,660 --> 01:08:04,410

also can do this so there's a reason why

1613

01:08:08,550 --> 01:08:06,670

that's why you take that you know it's

1614

01:08:10,170 --> 01:08:08,560

kind of it's one thing to web and

1615

01:08:12,270 --> 01:08:10,180

investigate the outside of everything

1616

01:08:14,610 --> 01:08:12,280

and then attract where did it come from

1617

01:08:15,650 --> 01:08:14,620

who did this the grandfathers did this

1618

01:08:18,589 --> 01:08:15,660

these mothers did

1619

01:08:20,450 --> 01:08:18,599

for example if I have a 21 year old and

1620

01:08:23,089 --> 01:08:20,460

this is a case numerous cases we have

1621

01:08:26,410 --> 01:08:23,099

right now if I have an SR a 21 year old

1622

01:08:29,030 --> 01:08:26,420

25 year old here's what I already know

1623

01:08:30,589 --> 01:08:29,040

probably the mother is moldable and the

1624

01:08:32,120 --> 01:08:30,599

grandmothers moldable and the

1625

01:08:34,849 --> 01:08:32,130

grandmother and the grandfather came

1626
01:08:36,890 --> 01:08:34,859
from Germany we already know this is a

1627
01:08:39,140 --> 01:08:36,900
generational thing and backs up to the

1628
01:08:41,809 --> 01:08:39,150
Germans this is repeated over and over

1629
01:08:45,410 --> 01:08:41,819
and over and over and over in cases so

1630
01:08:48,260 --> 01:08:45,420
you can get at the forensic investigate

1631
01:08:50,470 --> 01:08:48,270
in side of this you can get at the you

1632
01:08:54,919 --> 01:08:50,480
know where it's coming from

1633
01:08:56,599 --> 01:08:54,929
who did this what the agenda is then we

1634
01:08:58,760 --> 01:08:56,609
can ask that why did you why didn't you

1635
01:09:00,649 --> 01:08:58,770
knighted States military takes us in my

1636
01:09:02,209 --> 01:09:00,659
belief they've been given a Trojan horse

1637
01:09:04,970 --> 01:09:02,219
they didn't know they were given a gift

1638
01:09:06,499 --> 01:09:04,980

they thought the Nazi technology they

1639

01:09:08,059 --> 01:09:06,509

thought the Nazi enhancement they

1640

01:09:10,370 --> 01:09:08,069

thought the Nazi concept of super

1641

01:09:11,809 --> 01:09:10,380

soldier Sai warriors would be an

1642

01:09:14,990 --> 01:09:11,819

enhancement they didn't know it came

1643

01:09:17,720 --> 01:09:15,000

with a lot of other stuff so that's a

1644

01:09:20,539 --> 01:09:17,730

set there's so there's there is a in my

1645

01:09:24,879 --> 01:09:20,549

view in my personal belief about this I

1646

01:09:27,260 --> 01:09:24,889

believe our US military was infiltrated

1647

01:09:29,629 --> 01:09:27,270

purposely it's along the way from the

1648

01:09:31,760 --> 01:09:29,639

end of the 40s early 50s and this is

1649

01:09:33,680 --> 01:09:31,770

where monarch this is where modern-day

1650

01:09:35,899 --> 01:09:33,690

remote-viewing even came from and we can

1651

01:09:41,180 --> 01:09:35,909

get into that issue too because all all

1652

01:09:43,490 --> 01:09:41,190

of the sra multiple-personality victims

1653

01:09:46,660 --> 01:09:43,500

that we've dealt with have trained

1654

01:09:48,490 --> 01:09:46,670

remote viewer personalities all of them

1655

01:09:54,140 --> 01:09:48,500

where'd that come from

1656

01:09:56,540 --> 01:09:54,150

what and and and even though many of the

1657

01:09:57,680 --> 01:09:56,550

early remote viewers and this is

1658

01:10:00,680 --> 01:09:57,690

important because we've dealt with a lot

1659

01:10:02,959 --> 01:10:00,690

David Morehouse's direct individual we

1660

01:10:05,149 --> 01:10:02,969

dealt with we've in listened to for

1661

01:10:09,290 --> 01:10:05,159

years and years at Dame's mcmoneagle

1662

01:10:12,069 --> 01:10:09,300

monroe smith you can go on limb buchanan

1663

01:10:15,260 --> 01:10:12,079

and you go back to all of them and

1664

01:10:18,140 --> 01:10:15,270

though they say in a sense hardwired

1665

01:10:20,839 --> 01:10:18,150

wise there is a reality that we can do

1666

01:10:22,310 --> 01:10:20,849

some of this stuff but edie beams has

1667

01:10:24,080 --> 01:10:22,320

come out to acknowledge what we've been

1668

01:10:26,930 --> 01:10:24,090

screaming about for years and years and

1669

01:10:29,509 --> 01:10:26,940

years and names came out with it saitec

1670

01:10:32,479 --> 01:10:29,519

came out with it they're now all

1671

01:10:34,040 --> 01:10:32,489

acknowledging that the presence the way

1672

01:10:36,770 --> 01:10:34,050

they're able to remove you as they go

1673

01:10:38,959 --> 01:10:36,780

passive they connect to the Akashic

1674

01:10:41,239 --> 01:10:38,969

records they connect to the Hall of

1675

01:10:44,029 --> 01:10:41,249

Records they connect to an outside

1676

01:10:45,649 --> 01:10:44,039

source we've said that all along we said

1677

01:10:49,870 --> 01:10:45,659

it with the Edgar Mitchell and we're in

1678

01:10:53,870 --> 01:10:49,880

Roswell when when he was promoting homo

1679

01:10:56,779 --> 01:10:53,880

Nautica homo lumo the new development of

1680

01:11:00,020 --> 01:10:56,789

humanity there's more to remote viewing

1681

01:11:03,350 --> 01:11:00,030

and it is an advantage if you could

1682

01:11:07,609 --> 01:11:03,360

Remote View where the sniper is like

1683

01:11:11,839 --> 01:11:07,619

when Lieutenant Colonel Shannon in the

1684

01:11:13,549 --> 01:11:11,849

first Earth battalion manual that the

1685

01:11:14,899 --> 01:11:13,559

Fort Bragg side warrior you brought to

1686

01:11:18,709 --> 01:11:14,909

me it's now on the web you can get that

1687

01:11:21,169 --> 01:11:18,719

free on the web now so this manual was

1688

01:11:24,069 --> 01:11:21,179

to teach u.s. soldiers how did you how

1689

01:11:28,250 --> 01:11:24,079

to be clairvoyant how to engage with

1690

01:11:31,100 --> 01:11:28,260

telekinesis powers of how to use these

1691

01:11:32,989 --> 01:11:31,110

super abilities it's the super super

1692

01:11:35,660 --> 01:11:32,999

manual you know if people hear this

1693

01:11:37,310 --> 01:11:35,670

stuff and again I love if they're kind

1694

01:11:39,350 --> 01:11:37,320

of freaked out oh this guy's off the

1695

01:11:41,060 --> 01:11:39,360

wall now I don't go look it up I mean

1696

01:11:42,620 --> 01:11:41,070

they're directly talking about super

1697

01:11:46,370 --> 01:11:42,630

soldiers and yets

1698

01:11:47,959 --> 01:11:46,380

and they've they actually had many many

1699

01:11:50,180 --> 01:11:47,969

so you know many have been trained in

1700

01:11:52,009 --> 01:11:50,190

that so it's not it's lack of knowledge

1701
01:11:53,660 --> 01:11:52,019
that's why I'm saying back in the early

1702
01:11:57,200 --> 01:11:53,670
80s Alex when we first got to engage

1703
01:11:58,939 --> 01:11:57,210
this I know what salvation is what real

1704
01:12:00,350 --> 01:11:58,949
demons are that's me I know all that

1705
01:12:02,270 --> 01:12:00,360
stuff we dealt with that for years and

1706
01:12:03,859 --> 01:12:02,280
years and years and years but when it

1707
01:12:05,149 --> 01:12:03,869
came to the multiplicity thing when it

1708
01:12:07,189 --> 01:12:05,159
came to personalities that were

1709
01:12:08,870 --> 01:12:07,199
programmed when it came to a federal

1710
01:12:11,149 --> 01:12:08,880
officers wife that we dealt with in a

1711
01:12:13,759 --> 01:12:11,159
Fort Bragg side warrior and and other

1712
01:12:15,979 --> 01:12:13,769
military individuals that came in most

1713
01:12:18,739 --> 01:12:15,989

all of them victims wanting out of this

1714

01:12:20,600 --> 01:12:18,749

wanting freedom well we had to ask those

1715

01:12:23,959 --> 01:12:20,610

questions where did it come from

1716

01:12:27,049 --> 01:12:23,969

what's it connected to and there are

1717

01:12:29,450 --> 01:12:27,059

credible sources along the way that not

1718

01:12:32,810 --> 01:12:29,460

just not just going way back to Project

1719

01:12:36,259 --> 01:12:32,820

Paperclip but more intricately to see

1720

01:12:37,819 --> 01:12:36,269

where that led down the road and so when

1721

01:12:43,129 --> 01:12:37,829

people say today well where did all

1722

01:12:45,750 --> 01:12:43,139

these victims of mind control or the

1723

01:12:47,970 --> 01:12:45,760

where do they come from why do they keep

1724

01:12:49,850 --> 01:12:47,980

sir why have more and more we have more

1725

01:12:54,120 --> 01:12:49,860

now than we did 30 years ago

1726

01:12:55,860 --> 01:12:54,130

it's still an active issue not only

1727

01:12:58,680 --> 01:12:55,870

United States but in Canada Australia

1728

01:13:01,020 --> 01:12:58,690

New Zealand Scotland which I was just

1729

01:13:03,510 --> 01:13:01,030

there last year for a ritual abuse

1730

01:13:06,990 --> 01:13:03,520

conference on this very subject England

1731

01:13:09,060 --> 01:13:07,000

is saturated obviously in Germany it's

1732

01:13:11,300 --> 01:13:09,070

massively saturated and and there in the

1733

01:13:13,919 --> 01:13:11,310

Russians have took taking this into so

1734

01:13:15,899 --> 01:13:13,929

we can go back and just stop right there

1735

01:13:16,830 --> 01:13:15,909

and say well the Germans dated because

1736

01:13:18,300 --> 01:13:16,840

they thought it would give them

1737

01:13:19,919 --> 01:13:18,310

advantage the Germans did it because

1738

01:13:22,860 --> 01:13:19,929

they thought they can create an enhanced

1739

01:13:25,740 --> 01:13:22,870

or an Augmented human or an Augmented

1740

01:13:28,560 --> 01:13:25,750

soldier that's ultimately what they

1741

01:13:30,810 --> 01:13:28,570

thought they wanted an Augmented soldier

1742

01:13:32,840 --> 01:13:30,820

and they used the terminology not us

1743

01:13:36,720 --> 01:13:32,850

they did they used the terminology

1744

01:13:39,330 --> 01:13:36,730

god-man or a hybrid almost so you

1745

01:13:41,760 --> 01:13:39,340

mentioned the ritual and Mojave Desert

1746

01:13:45,360 --> 01:13:41,770

by Jack Parsons it's connected to the

1747

01:13:48,110 --> 01:13:45,370

crow lean so Jack Parsons the the

1748

01:13:51,570 --> 01:13:48,120

American rocket scientist

1749

01:13:53,820 --> 01:13:51,580

JPL scientist

1750

01:13:56,729 --> 01:13:53,830

here's a renowned scientist out of

1751

01:13:58,500 --> 01:13:56,739

Pasadena he's already known to be

1752

01:13:59,610 --> 01:13:58,510

intestate aided rituals dark things and

1753

01:14:01,709 --> 01:13:59,620

so forth of people around him they all

1754

01:14:05,790 --> 01:14:01,719

know that but he goes out to the Mojave

1755

01:14:09,870 --> 01:14:05,800

Desert not only does he do the Babylon

1756

01:14:13,200 --> 01:14:09,880

working the Babylon and the guy who's

1757

01:14:17,280 --> 01:14:13,210

there kind of playing a door whatever is

1758

01:14:19,800 --> 01:14:17,290

Iron Hubbard got Scientology founders

1759

01:14:21,990 --> 01:14:19,810

so yeah here in please continue with the

1760

01:14:23,760 --> 01:14:22,000

story sure and so they're there and

1761

01:14:25,709 --> 01:14:23,770

whether anybody wants to believe this or

1762

01:14:27,810 --> 01:14:25,719

not they're doing a ritual in and as far

1763

01:14:29,879 --> 01:14:27,820

as criminality if there's a woman

1764

01:14:31,439 --> 01:14:29,889
involved in a sex ritual that she's

1765

01:14:32,879 --> 01:14:31,449
compliant with and they're doing a

1766

01:14:33,959 --> 01:14:32,889
ritual and they're they're doing any

1767

01:14:35,760 --> 01:14:33,969
mumbo-jumbo

1768

01:14:40,680 --> 01:14:35,770
who law enforcement doesn't care about

1769

01:14:43,050 --> 01:14:40,690
that so that ritual was not a in a sense

1770

01:14:44,700 --> 01:14:43,060
of a criminal thing so nobody in law

1771

01:14:47,160 --> 01:14:44,710
enforcement could come and say stop this

1772

01:14:49,439 --> 01:14:47,170
so but the ritual what was the ritual

1773

01:14:51,930 --> 01:14:49,449
all about the ritual was all about

1774

01:14:54,209 --> 01:14:51,940
Aleister Crowley's moonchild it was all

1775

01:14:56,620 --> 01:14:54,219
about the the possibility they believed

1776

01:14:58,750 --> 01:14:56,630

that in the inciting and the

1777

01:15:00,520 --> 01:14:58,760

summoning now they believe that there

1778

01:15:03,669 --> 01:15:00,530

was the big entity the [h__h] of Babylon

1779

01:15:05,979 --> 01:15:03,679

the the the entity that could come and

1780

01:15:08,260 --> 01:15:05,989

this entity could come in the context of

1781

01:15:13,300 --> 01:15:08,270

the ritual the sex which will involve a

1782

01:15:16,870 --> 01:15:13,310

supernatural charging of conception that

1783

01:15:20,100 --> 01:15:16,880

in the in the act of that sexuality and

1784

01:15:24,750 --> 01:15:20,110

in the actual moment of conception that

1785

01:15:28,689 --> 01:15:24,760

non-human presence could be spliced in

1786

01:15:32,910 --> 01:15:28,699

to augment the new being and the new

1787

01:15:36,430 --> 01:15:32,920

being would be a hybrid a human

1788

01:15:38,860 --> 01:15:36,440

non-human mix and it's so it's

1789

01:15:41,950 --> 01:15:38,870

Antichrist I mean they it was the

1790

01:15:43,810 --> 01:15:41,960

Antichrist specifically according again

1791

01:15:45,129 --> 01:15:43,820

to their beliefs whether they believe

1792

01:15:46,600 --> 01:15:45,139

them or not that was what they were

1793

01:15:49,870 --> 01:15:46,610

summoning through the [h__h] of Babylon

1794

01:15:51,490 --> 01:15:49,880

and like I said folks it they will have

1795

01:15:53,140 --> 01:15:51,500

already heard people as in the show will

1796

01:15:55,450 --> 01:15:53,150

have already heard dr. Hugh Urban from

1797

01:15:57,939 --> 01:15:55,460

Ohio State University who doesn't really

1798

01:15:59,310 --> 01:15:57,949

have any skin in the game he's just

1799

01:16:02,890 --> 01:15:59,320

saying this is the history of silent

1800

01:16:05,590 --> 01:16:02,900

Scientology this is what we know so yeah

1801

01:16:06,939 --> 01:16:05,600

that's that's pretty stunning and this

1802

01:16:08,470 --> 01:16:06,949

is why it's of interest to me I'll just

1803

01:16:10,810 --> 01:16:08,480

I'll just release it real quick on a

1804

01:16:13,780 --> 01:16:10,820

biblical side and a biblical prophetic

1805

01:16:15,820 --> 01:16:13,790

side in the in the the concept of what

1806

01:16:18,160 --> 01:16:15,830

we'll see if seems real what is he going

1807

01:16:19,510 --> 01:16:18,170

to do so just on that whole side of the

1808

01:16:22,660 --> 01:16:19,520

fence here's here's what I believe about

1809

01:16:25,750 --> 01:16:22,670

the so-called Antichrist he is

1810

01:16:27,879 --> 01:16:25,760

counterfeit to the real incarnation in

1811

01:16:29,620 --> 01:16:27,889

the incarnation of God

1812

01:16:32,500 --> 01:16:29,630

you know the Bible picture is God

1813

01:16:35,110 --> 01:16:32,510

Almighty causes the conception in a in a

1814

01:16:37,600 --> 01:16:35,120

woman marry that's bloodline genetically

1815

01:16:39,700 --> 01:16:37,610

all the way back to Adam so a real pure

1816

01:16:42,189 --> 01:16:39,710

human being so you have that the moment

1817

01:16:45,160 --> 01:16:42,199

of conception something miraculous

1818

01:16:47,530 --> 01:16:45,170

occurs and you have in the biblical

1819

01:16:50,379 --> 01:16:47,540

picture the god man God in human flesh

1820

01:16:53,410 --> 01:16:50,389

the law goes becomes human flesh so

1821

01:16:55,689 --> 01:16:53,420

that's just a biblical picture now let's

1822

01:16:58,450 --> 01:16:55,699

go to the satanic side and they want to

1823

01:17:00,790 --> 01:16:58,460

bring in Antichrist the Greek word onto

1824

01:17:03,689 --> 01:17:00,800

Christian meaning and instead of opposed

1825

01:17:07,810 --> 01:17:03,699

to but also instead of the real Christ

1826

01:17:08,140 --> 01:17:07,820

on to Christ how is he going to come

1827

01:17:10,890 --> 01:17:08,150

about

1828

01:17:14,050 --> 01:17:10,900

now here's what I believe and we know

1829

01:17:15,399 --> 01:17:14,060

we know over the years Alex and this is

1830

01:17:18,490 --> 01:17:15,409

where we getting into the spiritual side

1831

01:17:20,649 --> 01:17:18,500

of it I guess all those ritual things

1832

01:17:22,899 --> 01:17:20,659

and manuals that we confiscated all the

1833

01:17:25,090 --> 01:17:22,909

discussions with with them with those

1834

01:17:29,410 --> 01:17:25,100

who knew how to summon and explained in

1835

01:17:30,850 --> 01:17:29,420

detail these kind of rituals whether we

1836

01:17:35,979 --> 01:17:30,860

want to believe this or not here's what

1837

01:17:38,560 --> 01:17:35,989

they say the reason that in the creation

1838

01:17:41,560 --> 01:17:38,570

of multiple personality disorder which

1839

01:17:44,859 --> 01:17:41,570

is that's just a secular term if we want

1840

01:17:48,970 --> 01:17:44,869

to use this the Luciferian terminology

1841

01:17:51,729 --> 01:17:48,980

or Aleister Crowley's or Jack Parsons a

1842

01:17:56,500 --> 01:17:51,739

concept they were creating Babylon

1843

01:17:58,750 --> 01:17:56,510

working babies they were wanting to see

1844

01:18:00,700 --> 01:17:58,760

their believe that all these s Ras all

1845

01:18:03,520 --> 01:18:00,710

over the planet right now our Babylon

1846

01:18:06,040 --> 01:18:03,530

working babies they are the attempt to

1847

01:18:09,550 --> 01:18:06,050

go backwards to recreate and bring about

1848

01:18:13,000 --> 01:18:09,560

a splicing in and an altered human if

1849

01:18:16,840 --> 01:18:13,010

not a direct hybrid human that's what

1850

01:18:19,570 --> 01:18:16,850

the that's what the babylon working was

1851

01:18:23,459 --> 01:18:19,580

in the mojave desert that's what the

1852

01:18:29,160 --> 01:18:23,469

actual rituals done in order to select

1853

01:18:30,970 --> 01:18:29,170

cost conception and produce an SR a

1854

01:18:34,899 --> 01:18:30,980

split personality

1855

01:18:36,970 --> 01:18:34,909

mind control that's that where it stops

1856

01:18:39,700 --> 01:18:36,980

whether we believe it or not they

1857

01:18:41,770 --> 01:18:39,710

believe they have possibly altered DNA

1858

01:18:44,439 --> 01:18:41,780

or spliced in DNA

1859

01:18:47,770 --> 01:18:44,449

just like geneticists believe they can

1860

01:18:49,959 --> 01:18:47,780

take a gene from a panther that enables

1861

01:18:53,320 --> 01:18:49,969

it to see at night splice it into a

1862

01:18:55,300 --> 01:18:53,330

soldier's DNA and the soldier being able

1863

01:18:57,939 --> 01:18:55,310

to see you know the studies on the frog

1864

01:19:00,399 --> 01:18:57,949

that can grow up glow you take the the

1865

01:19:02,470 --> 01:19:00,409

the gene from the from the the firefly

1866

01:19:05,050 --> 01:19:02,480

and you put it into the Frog and now the

1867

01:19:08,020 --> 01:19:05,060

Frog with that gene-spliced end now that

1868

01:19:11,109 --> 01:19:08,030

frog can glow there's science behind

1869

01:19:13,030 --> 01:19:11,119

this there's physics behind this there's

1870

01:19:17,830 --> 01:19:13,040

physics concerning the Incarnation

1871

01:19:19,800 --> 01:19:17,840

there's physics concerning the the what

1872

01:19:21,910 --> 01:19:19,810

do you want to call the counter an

1873

01:19:24,370 --> 01:19:21,920

incarnation of the Antichrist

1874

01:19:28,260 --> 01:19:24,380

not only has Crowley tried not only

1875

01:19:31,510 --> 01:19:28,270

Jack Parsons tried but I I think that I

1876

01:19:35,620 --> 01:19:31,520

was at the 2045 meeting in Lincoln Plaza

1877

01:19:39,880 --> 01:19:35,630

New York when Dmitry Itskov the Russian

1878

01:19:41,500 --> 01:19:39,890

billionaire Google's head guy reycarts

1879

01:19:44,080 --> 01:19:41,510

while all the Genesis I was at that

1880

01:19:46,150 --> 01:19:44,090

meeting of the transhumanists did you

1881

01:19:49,800 --> 01:19:46,160

know that the transhumanists all believe

1882

01:19:52,830 --> 01:19:49,810

in a year they're trying to develop

1883

01:19:55,510 --> 01:19:52,840

immortality to wipe out death on that

1884

01:19:58,630 --> 01:19:55,520

stained stage with the geneticists

1885

01:20:01,090 --> 01:19:58,640

scientists inventors with gene splicers

1886

01:20:03,390 --> 01:20:01,100

with Ray Kurzweil and and all the rest

1887

01:20:05,950 --> 01:20:03,400

of them they brought in Russian cosmesis

1888

01:20:09,190 --> 01:20:05,960

who put on the screens the big screens

1889

01:20:11,500 --> 01:20:09,200

up that we saw in the stage this is what

1890

01:20:14,020 --> 01:20:11,510

they said it's not what we said the

1891

01:20:17,110 --> 01:20:14,030

Russian cosmos ed that the ancient gods

1892

01:20:19,540 --> 01:20:17,120

of the skies are guiding the modern day

1893

01:20:22,990 --> 01:20:19,550

inventors and scientists and guiding

1894

01:20:26,350 --> 01:20:23,000

them to help bring about immortality for

1895

01:20:29,980 --> 01:20:26,360

man because the ancient gods desire a

1896

01:20:31,630 --> 01:20:29,990

return of the god net so the motive

1897

01:20:34,660 --> 01:20:31,640

there's motivation even in the deep

1898

01:20:38,110 --> 01:20:34,670

science of transhumanism there's

1899

01:20:42,010 --> 01:20:38,120

elements of what we saw in Nazism in the

1900

01:20:44,080 --> 01:20:42,020

1939 1940 development of layman's war

1901

01:20:46,270 --> 01:20:44,090

you know that's that's incredible and I

1902

01:20:50,530 --> 01:20:46,280

have confirmation that we did a little

1903

01:20:54,100 --> 01:20:50,540

show on the whole CERN ritual you know

1904

01:20:57,010 --> 01:20:54,110

the Large Hadron Collider I'm in there

1905

01:20:59,440 --> 01:20:57,020

yeah and you know the ritual that they

1906

01:21:01,690 --> 01:20:59,450

performed at the opening of that it blew

1907

01:21:05,170 --> 01:21:01,700

people away and people like why are we

1908

01:21:07,660 --> 01:21:05,180

doing all these pagan rituals that have

1909

01:21:09,280 --> 01:21:07,670

all this these entities that we're

1910

01:21:11,530 --> 01:21:09,290

bringing in what is the connection there

1911

01:21:13,270 --> 01:21:11,540

and there's something deeper coming on

1912

01:21:14,880 --> 01:21:13,280

you've been incredibly generous with

1913

01:21:18,100 --> 01:21:14,890

your time you mentioned in the email

1914

01:21:20,830 --> 01:21:18,110

that we might have another chat there's

1915

01:21:25,300 --> 01:21:20,840

a lot more to talk about I'd love to

1916

01:21:28,240 --> 01:21:25,310

talk to you about near-death experience

1917

01:21:30,100 --> 01:21:28,250

because I think that plays into this and

1918

01:21:32,530 --> 01:21:30,110

in particular so there's some crossover

1919

01:21:35,230 --> 01:21:32,540

with people like Joseph McGonagall

1920

01:21:36,939 --> 01:21:35,240

psychics by number zero zero one who has

1921

01:21:39,640 --> 01:21:36,949

a near-death experience

1922

01:21:42,370 --> 01:21:39,650

and when he shows up at Stanford

1923

01:21:44,919 --> 01:21:42,380

Research Institute lo and behold they

1924

01:21:45,520 --> 01:21:44,929

pull the Raymond moody book out of his

1925

01:21:47,500 --> 01:21:45,530

file

1926

01:21:50,830 --> 01:21:47,510

Raymond moody being the guy who coined

1927

01:21:52,479 --> 01:21:50,840

the term your death experience there's a

1928

01:21:54,759 --> 01:21:52,489

number of people who've had a near-death

1929

01:21:56,890 --> 01:21:54,769

experience who see that as a Christian

1930

01:22:00,279 --> 01:21:56,900

experience I have a couple of them up

1931

01:22:02,589 --> 01:22:00,289

here on the on the screen if you're

1932

01:22:05,109 --> 01:22:02,599

watching this on YouTube but there's a

1933

01:22:07,509 --> 01:22:05,119

lot to process there but I'm not sure we

1934

01:22:10,479 --> 01:22:07,519

could get to all of it and do it in a

1935

01:22:12,459 --> 01:22:10,489

way that really does it justice so will

1936

01:22:14,439 --> 01:22:12,469

you come back and have another talk

1937

01:22:17,169 --> 01:22:14,449

about some of that stuff Alex you're fun

1938

01:22:19,149 --> 01:22:17,179

to talk with I'm loved we've only

1939

01:22:24,430 --> 01:22:19,159

scratched the surface of this content

1940

01:22:27,279 --> 01:22:24,440

and and again we can bring out track the

1941

01:22:28,989 --> 01:22:27,289

evidences evidences evidences and then

1942

01:22:31,479 --> 01:22:28,999

we can get to the is there a spiritual

1943

01:22:33,489 --> 01:22:31,489

backdrop is there a spiritual motivation

1944

01:22:35,770 --> 01:22:33,499

behind all this and what does it

1945

01:22:37,209 --> 01:22:35,780

ultimately lead you we needed that also

1946

01:22:39,790 --> 01:22:37,219

but I would love to come back and I

1947

01:22:42,850 --> 01:22:39,800

appreciate you having me on okay that's

1948

01:22:45,729 --> 01:22:42,860

great Russ tell people more about what

1949

01:22:47,890 --> 01:22:45,739

they can do you produce a tremendous

1950

01:22:50,620 --> 01:22:47,900

amount of content very high quality

1951

01:22:52,149 --> 01:22:50,630

content you're doing real investigations

1952

01:22:55,419 --> 01:22:52,159

and you're talking about those

1953

01:22:57,040 --> 01:22:55,429

investigations tell people how they can

1954

01:22:57,910 --> 01:22:57,050

follow your work and learn more about

1955

01:23:00,790 --> 01:22:57,920

what you're doing

1956

01:23:04,299 --> 01:23:00,800

sure well the main website we have is

1957

01:23:05,770 --> 01:23:04,309

shatter the darkness dotnet and there's

1958

01:23:07,180 --> 01:23:05,780

no question there's a it's a Christian

1959

01:23:10,600 --> 01:23:07,190

backdrop I have no question about Who I

1960

01:23:12,040 --> 01:23:10,610

am but I'm you don't understand me I'll

1961

01:23:14,830 --> 01:23:12,050

talk with anybody any place anywhere

1962

01:23:16,540 --> 01:23:14,840

anytime and we're engaged with all this

1963

01:23:18,189 --> 01:23:16,550

information so we put out a lot of

1964

01:23:20,140 --> 01:23:18,199

information I wrote a six hundred seven

1965

01:23:22,689 --> 01:23:20,150

page book on the subject matter that

1966

01:23:23,799 --> 01:23:22,699

deals with the the the factors were

1967

01:23:25,029 --> 01:23:23,809

talking about but it deals from the

1968

01:23:27,700 --> 01:23:25,039

spiritual side of it called the black

1969

01:23:30,819 --> 01:23:27,710

awakening and that term came off the

1970

01:23:32,259 --> 01:23:30,829

lips of a four-track side warrior they

1971

01:23:34,089 --> 01:23:32,269

ripped my shirt open to see if I was

1972

01:23:37,200 --> 01:23:34,099

wired that if I was recording them and

1973

01:23:39,100 --> 01:23:37,210

they said you have no idea what's coming

1974

01:23:42,129 --> 01:23:39,110

you have no idea what's going to happen

1975

01:23:46,390 --> 01:23:42,139

to the United States we have no idea of

1976

01:23:49,239 --> 01:23:46,400

the undercurrent and the coming chaos so

1977

01:23:50,740 --> 01:23:49,249

part of the I put that book I put that

1978

01:23:54,340 --> 01:23:50,750

term their purpose

1979

01:23:57,820 --> 01:23:54,350

to discuss you know why our if if

1980

01:24:01,630 --> 01:23:57,830

there's really worldwide over fifty

1981

01:24:03,640 --> 01:24:01,640

million of them why are they here who

1982

01:24:05,440 --> 01:24:03,650

created them what would we know what the

1983

01:24:07,720 --> 01:24:05,450

Nazis wanted but right now modern-day

1984

01:24:10,510 --> 01:24:07,730

who why does it who wants to use them

1985

01:24:16,270 --> 01:24:10,520

and so we that has to be addressed and

1986

01:24:18,490 --> 01:24:16,280

looked into so WWE chatter the darkness

1987

01:24:20,140 --> 01:24:18,500

got net that's the main site it'll give

1988

01:24:22,870 --> 01:24:20,150

you a tons of content like you said

1989

01:24:26,380 --> 01:24:22,880

hours and hours of subjects we touch on

1990

01:24:27,820 --> 01:24:26,390

all of these things and and we will be

1991

01:24:31,630 --> 01:24:27,830

glad and try to respond to anybody that

1992

01:24:33,580 --> 01:24:31,640

connects with us well fantastic I'm

1993

01:24:37,140 --> 01:24:33,590

super impressed at your ability

1994

01:24:42,550 --> 01:24:37,150

like you said Russ the Anytime Anywhere

1995

01:24:45,160 --> 01:24:42,560

thing impresses me to no end because the

1996

01:24:48,300 --> 01:24:45,170

number of people who say they can do

1997

01:24:50,740 --> 01:24:48,310

that and then can't do that can't handle

1998

01:24:53,050 --> 01:24:50,750

the questions that people really have

1999

01:24:55,090 --> 01:24:53,060

because they're outside of their grid as

2000

01:24:57,820 --> 01:24:55,100

you say or their worldview and you

2001

01:24:59,740 --> 01:24:57,830

certainly stand up to that you very

2002

01:25:01,270 --> 01:24:59,750

impressed with the way you handled all

2003

01:25:03,010 --> 01:25:01,280

the questioning and I look forward to

2004

01:25:05,530 --> 01:25:03,020

talking you again we'll have a great

2005

01:25:07,870 --> 01:25:05,540

follow-on conversation so thanks so much

2006

01:25:11,890 --> 01:25:07,880

Russ Bessel thank you blessings thank

2007

01:25:14,650 --> 01:25:11,900

you bye-bye thanks again to Russ Dizdar

2008

01:25:16,750 --> 01:25:14,660

for joining me today on SKEPTIC oh the

2009

01:25:21,160 --> 01:25:16,760

one question I'd have to tee up from

2010

01:25:23,470 --> 01:25:21,170

this interview is Nazis really Nazis

2011

01:25:27,870 --> 01:25:23,480

you're gonna go there haven't I always

2012

01:25:30,340 --> 01:25:27,880

said whoever says Nazis first loses I

2013

01:25:31,690 --> 01:25:30,350

don't know I said it in the interview

2014

01:25:33,940 --> 01:25:31,700

I'll say it again I'm super impressed

2015

01:25:37,470 --> 01:25:33,950

with this guy I don't care about the

2016

01:25:40,740 --> 01:25:37,480

Christian evangelical kind of stuff

2017

01:25:44,680 --> 01:25:40,750

somebody's got to grab the reality of

2018

01:25:47,290 --> 01:25:44,690

these extended consciousness realm and

2019

01:25:51,640 --> 01:25:47,300

try and tackle it and I don't have to

2020

01:25:53,860 --> 01:25:51,650

agree with his entire overlay as we kept

2021

01:25:56,680 --> 01:25:53,870

saying but we will go back and talk to

2022

01:26:00,490 --> 01:25:56,690

him again about that as well to say that

2023

01:26:03,520 --> 01:26:00,500

at least he's confronting some of the

2024

01:26:03,940 --> 01:26:03,530

data really interested to see what some

2025

01:26:06,400 --> 01:26:03,950

of you

2026

01:26:08,080 --> 01:26:06,410

think about this show of course my

2027

01:26:10,450 --> 01:26:08,090

favorite place to do that to connect

2028

01:26:12,850 --> 01:26:10,460

with you is the skeptical forum I'm

2029

01:26:16,270 --> 01:26:12,860

hoping we'll get some good conversation

2030

01:26:17,980 --> 01:26:16,280

going over there about that and be sure

2031

01:26:20,110 --> 01:26:17,990

to check out the skeptical website where

2032

01:26:22,870 --> 01:26:20,120

you can get all these shows for free for

2033

01:26:25,420 --> 01:26:22,880

download no paywall no ads how do we do

2034

01:26:27,430 --> 01:26:25,430

it it's really not that expensive to run

2035

01:26:30,700 --> 01:26:27,440

a podcast and I like sharing all this

2036

01:26:32,620 --> 01:26:30,710

stuff with you and with other folks who

2037

01:26:34,420 --> 01:26:32,630

don't know about it yet who you're gonna

2038

01:26:34,690 --> 01:26:34,430

go and tell them they should listen to

2039

01:26:37,870 --> 01:26:34,700

this

2040

01:26:39,460 --> 01:26:37,880

only if they should and we have a lot of

2041

01:26:41,820 --> 01:26:39,470

them up there you can see some on the

2042

01:26:46,380 --> 01:26:41,830

screen but you already know there's over

2043

01:26:49,840 --> 01:26:46,390

350 at this point but please check out

2044

01:26:52,360 --> 01:26:49,850

more episodes and share them as you will

2045

01:26:55,690 --> 01:26:52,370

I got some good ones coming up stay with

2046

01:26:58,520 --> 01:26:55,700

me for all of that until next time take
