1
00:00:07,130 --> 00:00:04,370
I'm bonded to you and what you are

2
00:00:08,690 --> 00:00:07,140
that's Nick from Supernatural talking

3
00:00:12,070 --> 00:00:08,700
about his on-again off-again

4
00:00:16,860 --> 00:00:12,080
relationship with Lucifer I don't know

5
00:00:26,590 --> 00:00:16,870
who I am if I'm not you

6
00:00:35,829 --> 00:00:28,990
I don't wanna feel now what I didn't

7
00:00:42,470 --> 00:00:39,200
NIC's experienced a lot of pain in his

8
00:00:44,660 --> 00:00:42,480
life of course he didn't have to go

9
00:00:46,579 --> 00:00:44,670
ahead and become a serial killer did he

10
00:00:48,979 --> 00:00:46,589
for those of you who've been following

11
00:00:53,380 --> 00:00:48,989
the last few episodes of skeptic oh you

12
00:00:56,779 --> 00:00:53,390
know I've taken this deep dive into evil

13
00:00:58,750 --> 00:00:56,789

now not all the sinners have taken that

14

00:01:01,789 --> 00:00:58,760

dive with me there's been a lot of

15

00:01:05,479 --> 00:01:01,799

unsubscribing along the way and I get

16

00:01:09,290 --> 00:01:05,489

that but I still maintain that this evil

17

00:01:12,020 --> 00:01:09,300

thing might be one of the best lenses we

18

00:01:14,350 --> 00:01:12,030

have for coming to grips with our

19

00:01:17,090 --> 00:01:14,360

relationship with this extended

20

00:01:19,279 --> 00:01:17,100

consciousness realm and while I haven't

21

00:01:22,730 --> 00:01:19,289

until this point offered my personal

22

00:01:24,800 --> 00:01:22,740

working hypothesis on the nature of evil

23

00:01:27,889 --> 00:01:24,810

I might lean on those script writers

24

00:01:31,580 --> 00:01:27,899

from Supernatural and use Nick's quote I

25

00:01:34,969 --> 00:01:31,590

don't want to feel now what I didn't

26

00:01:39,670 --> 00:01:34,979

feel then I mean maybe that's what this

27

00:01:43,730 --> 00:01:39,680

evil thing is about escaping feelings

28

00:01:46,639 --> 00:01:43,740

escaping energy that doesn't fit the way

29

00:01:49,599 --> 00:01:46,649

we want it to fit and even if the

30

00:01:52,609 --> 00:01:49,609

actions and behaviors that leads us to

31

00:01:55,849 --> 00:01:52,619

seem wicked and evil to everyone else

32

00:02:00,139 --> 00:01:55,859

they at least get rid of those feelings

33

00:02:03,279 --> 00:02:00,149

for a little while but what about evil

34

00:02:06,440 --> 00:02:03,289

that extends beyond our personal domain

35

00:02:09,160 --> 00:02:06,450

what about today's guest John Brisson

36

00:02:12,199 --> 00:02:09,170

and his deep and amazingly thorough

37

00:02:15,140 --> 00:02:12,209

investigation of the finders cult a

38

00:02:19,090 --> 00:02:15,150

group with undeniable links to the CIA

39

00:02:22,550 --> 00:02:19,100

FBI and high-level intelligence

40

00:02:24,740 --> 00:02:22,560

organizations in our government and a

41

00:02:28,990 --> 00:02:24,750

group whose purpose seemed to be the

42

00:02:32,270 --> 00:02:29,000

cultivation of the Jeffrey Epstein esque

43

00:02:35,990 --> 00:02:32,280

sexual blackmailing network that could

44

00:02:39,789 --> 00:02:36,000

be used for intelligence gathering what

45

00:02:43,430 --> 00:02:39,799

are we to make of this kind of

46

00:02:45,440 --> 00:02:43,440

institutionalized evil I don't know but

47

00:02:47,510 --> 00:02:45,450

maybe the first step is to take a good

48

00:02:48,890 --> 00:02:47,520

long look

49

00:02:51,350 --> 00:02:48,900

here's a clip from my interview with

50

00:02:52,250 --> 00:02:51,360

John you know labels are important

51
00:02:53,930 --> 00:02:52,260
because they're the way people

52
00:02:56,240 --> 00:02:53,940
understand it and people are gonna

53
00:02:58,070 --> 00:02:56,250
pigeonhole you is a conspiracy theorist

54
00:02:59,990 --> 00:02:58,080
especially when you come out yourself

55
00:03:02,720 --> 00:03:00,000
and call yourself that and maybe that's

56
00:03:04,070 --> 00:03:02,730
a good thing but I'm doing my best just

57
00:03:06,110 --> 00:03:04,080
to own it because that's what people are

58
00:03:07,370 --> 00:03:06,120
gonna call me as where as as an

59
00:03:09,260 --> 00:03:07,380
investigative journalist I guess would

60
00:03:10,820 --> 00:03:09,270
be a better way of putting it as far as

61
00:03:12,800 --> 00:03:10,830
the Finers case is concerned I am

62
00:03:14,840 --> 00:03:12,810
bringing new documents to the table that

63
00:03:17,360 --> 00:03:14,850

were not previously seen like Ramon Jay

64

00:03:18,740 --> 00:03:17,370

Martinez's whistleblower complaint I am

65

00:03:20,720 --> 00:03:18,750

interviewing people to have not

66

00:03:22,160 --> 00:03:20,730

previously been interviewed before or at

67

00:03:24,410 --> 00:03:22,170

least information had not been released

68

00:03:26,540 --> 00:03:24,420

like you know people pertained to the

69

00:03:29,750 --> 00:03:26,550

finders case like a prosecuting attorney

70

00:03:33,350 --> 00:03:29,760

Willie Meg's or or US Customs John

71

00:03:37,460 --> 00:03:33,360

Sullivan or Ramon Jay Martinez's partner

72

00:03:39,680 --> 00:03:37,470

Bob Harold and so I am moving this case

73

00:03:42,080 --> 00:03:39,690

further than the information that was

74

00:03:44,900 --> 00:03:42,090

previously given to us by other

75

00:03:46,430 --> 00:03:44,910

researchers so that is true

76

00:03:48,560 --> 00:03:46,440

investigative journalism that is true

77

00:03:50,300 --> 00:03:48,570

following the leads and following the

78

00:03:54,180 --> 00:03:50,310

information as it goes

79

00:04:01,890 --> 00:03:54,190

stay with us for skeptic Oh

80

00:04:05,950 --> 00:04:04,360

welcome to skeptical where we explore

81

00:04:08,740 --> 00:04:05,960

controversial science and spirituality

82

00:04:09,730 --> 00:04:08,750

with leading researchers thinkers and

83

00:04:12,490 --> 00:04:09,740

their critics

84

00:04:16,420 --> 00:04:12,500

I'm your host Alex Karras and as you

85

00:04:18,449 --> 00:04:16,430

know I'm always impressed by independent

86

00:04:20,620 --> 00:04:18,459

researchers who managed to make

87

00:04:23,940 --> 00:04:20,630

monumental contributions to our

88

00:04:26,230 --> 00:04:23,950

understanding the world without any

89

00:04:29,170 --> 00:04:26,240

institutional support with barely any

90

00:04:32,380 --> 00:04:29,180

financial support and usually while

91

00:04:36,400 --> 00:04:32,390

battling against forces that seek to

92

00:04:39,430 --> 00:04:36,410

keep us locked in to whatever prevailing

93

00:04:42,430 --> 00:04:39,440

narrative they want I mean consider

94

00:04:45,580 --> 00:04:42,440

today's guest John Brisson and what he

95

00:04:49,050 --> 00:04:45,590

brings to this ongoing discussion I've

96

00:04:51,580 --> 00:04:49,060

been having about the nature of evil

97

00:04:54,220 --> 00:04:51,590

so I'll just remind you if you've been

98

00:04:57,310 --> 00:04:54,230

following along with me on this little

99

00:05:01,170 --> 00:04:57,320

journey you know I've talked to some

100

00:05:04,030 --> 00:05:01,180

very legitimate experts on the topic

101
00:05:08,070 --> 00:05:04,040
highly respected religious professors

102
00:05:11,260 --> 00:05:08,080
like Jeff [h__h] Hugh Urban top-notch

103
00:05:14,170 --> 00:05:11,270
anthropologists like brian hayden and

104
00:05:17,170 --> 00:05:14,180
gregory shushan these are real

105
00:05:19,780 --> 00:05:17,180
legitimate academics who are going to

106
00:05:23,710 --> 00:05:19,790
conferences publishing papers and are

107
00:05:26,200 --> 00:05:23,720
being supported by major institutions

108
00:05:28,360 --> 00:05:26,210
major universities and you know IBM

109
00:05:32,050 --> 00:05:28,370
kicked these ideas around with the likes

110
00:05:33,940 --> 00:05:32,060
of Dean Radin and Rupert Sheldrake but

111
00:05:36,370 --> 00:05:33,950
time and time again I've been

112
00:05:39,430 --> 00:05:36,380
disappointed to find that these folks

113
00:05:44,640 --> 00:05:39,440

are I don't know they just seem to be

114

00:05:47,890 --> 00:05:44,650

unwilling to look at the deep abyss that

115

00:05:51,760 --> 00:05:47,900

goes with the data the compelling data

116

00:05:55,360 --> 00:05:51,770

that forces us to confront the reality

117

00:05:58,510 --> 00:05:55,370

of some benevolent forces that are in

118

00:06:02,710 --> 00:05:58,520

this extended consciousness realm to put

119

00:06:04,900 --> 00:06:02,720

it in kind of skeptical terms so back

120

00:06:05,920 --> 00:06:04,910

today today's guest John Burris and who

121

00:06:08,290 --> 00:06:05,930

runs a

122

00:06:11,469 --> 00:06:08,300

YouTube channel called we've read the

123

00:06:14,800 --> 00:06:11,479

documents which usually features John

124

00:06:16,270 --> 00:06:14,810

reading documents offered secret

125

00:06:19,600 --> 00:06:16,280

documents that have been released

126
00:06:22,840 --> 00:06:19,610
through FOIA requests but John is also

127
00:06:26,499 --> 00:06:22,850
the author of an upcoming book on the

128
00:06:30,010 --> 00:06:26,509
finders cult an organization with not

129
00:06:32,560 --> 00:06:30,020
just provable links to satanic ritual

130
00:06:33,580 --> 00:06:32,570
abuse but unfortunately provable and I'm

131
00:06:34,390 --> 00:06:33,590
going to emphasize that wording

132
00:06:38,110 --> 00:06:34,400
improvable

133
00:06:40,600 --> 00:06:38,120
he's got the documents links to United

134
00:06:44,350 --> 00:06:40,610
States intelligence organizations like

135
00:06:48,339 --> 00:06:44,360
the CIA and the FBI who were tapping

136
00:06:51,279 --> 00:06:48,349
into this evil in order to compromise

137
00:06:53,650 --> 00:06:51,289
foreign diplomats and other individuals

138
00:06:55,870 --> 00:06:53,660

they wanted to control through blackmail

139

00:06:57,100 --> 00:06:55,880

through sexual blackmail and that's

140

00:07:00,900 --> 00:06:57,110

going to be a topic we're going to talk

141

00:07:03,490 --> 00:07:00,910

a great deal about today so you know

142

00:07:06,249 --> 00:07:03,500

John and I were just spending one second

143

00:07:08,650 --> 00:07:06,259

talking before this and this is gonna be

144

00:07:10,330 --> 00:07:08,660

a rough ride for a lot of people I know

145

00:07:12,399 --> 00:07:10,340

a lot of people have already tuned off

146

00:07:13,659 --> 00:07:12,409

they saw the title or whatever and

147

00:07:17,439 --> 00:07:13,669

they're not going to listen to this I

148

00:07:19,779 --> 00:07:17,449

know in my own personal life very few

149

00:07:21,520 --> 00:07:19,789

people I can talk to about this people

150

00:07:24,850 --> 00:07:21,530

in my family I can't talk to you about

151
00:07:29,890 --> 00:07:24,860
this they shut down they just no matter

152
00:07:33,279 --> 00:07:29,900
you can pile the data why deny it don't

153
00:07:37,210 --> 00:07:33,289
matter man they don't want to go there

154
00:07:40,149 --> 00:07:37,220
and that's what I so appreciate about

155
00:07:42,969 --> 00:07:40,159
John and his approach his methodology

156
00:07:46,570 --> 00:07:42,979
he's very very much into following the

157
00:07:49,629 --> 00:07:46,580
data checking his sources but he's also

158
00:07:51,700 --> 00:07:49,639
willing to go there John it's great to

159
00:07:52,870 --> 00:07:51,710
have you back on skeptical thanks so

160
00:07:55,330 --> 00:07:52,880
much for joining me and listening to

161
00:07:57,159 --> 00:07:55,340
that long introduction thank you very

162
00:07:58,810 --> 00:07:57,169
much for having me back on Alex I'm very

163
00:08:01,749 --> 00:07:58,820

welcome to come back on skeptical and

164

00:08:05,290 --> 00:08:01,759

discuss this you know issue and it's a

165

00:08:07,930 --> 00:08:05,300

ritual abuse and government institutions

166

00:08:10,270 --> 00:08:07,940

being involved in it and how very

167

00:08:14,140 --> 00:08:10,280

actually widespread it is and we do have

168

00:08:17,110 --> 00:08:14,150

documentation I know there are many you

169

00:08:19,670 --> 00:08:17,120

know claims that can be made about these

170

00:08:21,770 --> 00:08:19,680

different cases whether it's

171

00:08:24,980 --> 00:08:21,780

the Franklin scandal or big Martin

172

00:08:28,249 --> 00:08:24,990

preschool or the finders and some are

173

00:08:30,379 --> 00:08:28,259

very hard to substantiate and the claims

174

00:08:33,110 --> 00:08:30,389

that have been made in these cases but I

175

00:08:36,320 --> 00:08:33,120

do believe at the bare minimum with a

176

00:08:39,500 --> 00:08:36,330

majority of these cases that children

177

00:08:42,620 --> 00:08:39,510

were abused at the bare minimum and at

178

00:08:45,470 --> 00:08:42,630

the grand maximum it was ritual abuse by

179

00:08:48,290 --> 00:08:45,480

the highest levels of governments around

180

00:08:50,420 --> 00:08:48,300

the world now John I know where you're

181

00:08:55,519 --> 00:08:50,430

coming from when you say stuff like that

182

00:08:57,620 --> 00:08:55,529

but I almost think that kind of blurs

183

00:09:00,140 --> 00:08:57,630

the message when we start saying the

184

00:09:04,600 --> 00:09:00,150

minimum the maximum and all this it's

185

00:09:08,420 --> 00:09:04,610

like no what we're talking about here is

186

00:09:11,449 --> 00:09:08,430

unimaginable for most people and what I

187

00:09:15,110 --> 00:09:11,459

think you reveal and you've been a big

188

00:09:17,420 --> 00:09:15,120

part of you know like I say I contacted

189

00:09:20,510 --> 00:09:17,430

you a couple of months instead hey I

190

00:09:21,949 --> 00:09:20,520

want to dig into this satanic ritual

191

00:09:25,400 --> 00:09:21,959

abuse thing and I want to know if

192

00:09:27,620 --> 00:09:25,410

there's any reality to it and it's funny

193

00:09:29,930 --> 00:09:27,630

for me because I've encountered you know

194

00:09:31,370 --> 00:09:29,940

I did this a couple of years ago I have

195

00:09:37,130 --> 00:09:31,380

up on the screen like an interview I did

196

00:09:41,269 --> 00:09:37,140

with FBI undercover agent Bob hammer who

197

00:09:44,600 --> 00:09:41,279

on his last project infiltrated mammoth

198

00:09:47,000 --> 00:09:44,610

the man-boy love Association which

199

00:09:49,490 --> 00:09:47,010

motive muslimists know from the the

200

00:09:51,050 --> 00:09:49,500

craziness that they portrayed it in

201
00:09:54,140 --> 00:09:51,060
South Park but it's a real organization

202
00:09:56,769 --> 00:09:54,150
and I've told the story before but now

203
00:10:00,769 --> 00:09:56,779
I'll tell it again you know I remember

204
00:10:04,310 --> 00:10:00,779
hearing the passion and emotional anger

205
00:10:07,699 --> 00:10:04,320
in this FBI agents voice when he said he

206
00:10:10,579 --> 00:10:07,709
was recounting being in New York in

207
00:10:12,440 --> 00:10:10,589
Manhattan and going on again he's

208
00:10:15,890 --> 00:10:12,450
undercover with these pedophiles and

209
00:10:18,560 --> 00:10:15,900
he's in New York City at Toys R Us and

210
00:10:21,079 --> 00:10:18,570
they're leaning over the rail talking

211
00:10:22,940 --> 00:10:21,089
about the violence that they and sex

212
00:10:25,820 --> 00:10:22,950
acts but also connected with violence

213
00:10:27,980 --> 00:10:25,830

that they want to perpetrate on these

214

00:10:29,510 --> 00:10:27,990

kids that they see playing these are our

215

00:10:31,680 --> 00:10:29,520

kids you got kids

216

00:10:33,630 --> 00:10:31,690

I got kids my kids are a little little

217

00:10:36,120 --> 00:10:33,640

now but you know these are five year old

218

00:10:39,900 --> 00:10:36,130

kids and the horrible things that these

219

00:10:41,640 --> 00:10:39,910

guys want to do and at the time you know

220

00:10:44,520 --> 00:10:41,650

the reason I did that interview was

221

00:10:47,100 --> 00:10:44,530

because it was about evil it was about

222

00:10:50,430 --> 00:10:47,110

people who want to deny that evil even

223

00:10:53,220 --> 00:10:50,440

exists you know and hear that people are

224

00:10:55,230 --> 00:10:53,230

denying that this stuff exists but

225

00:10:56,130 --> 00:10:55,240

here's the point when I came back to you

226

00:10:58,530 --> 00:10:56,140

two months ago

227

00:11:00,540 --> 00:10:58,540

I said John I still can't really get my

228

00:11:04,940 --> 00:11:00,550

head around this is this really

229

00:11:08,280 --> 00:11:04,950

happening is satanic ritual abuse

230

00:11:10,170 --> 00:11:08,290

against children really something that's

231

00:11:13,860 --> 00:11:10,180

happening because when you google it

232

00:11:17,850 --> 00:11:13,870

the first freaking 100 entries are about

233

00:11:20,400 --> 00:11:17,860

satanic panic yes they are and then tell

234

00:11:23,840 --> 00:11:20,410

folks a little bit about a book that

235

00:11:26,760 --> 00:11:23,850

you've referenced called the witch hunt

236

00:11:30,960 --> 00:11:26,770

narrative I have a right here in my hand

237

00:11:32,940 --> 00:11:30,970

it was written by Rossi Chet who is a

238

00:11:34,380 --> 00:11:32,950

professor Brown University and the

239

00:11:36,390 --> 00:11:34,390

reason what it was the Ivy League

240

00:11:38,100 --> 00:11:36,400

professors the reason why I wanted to

241

00:11:40,200 --> 00:11:38,110

frame it like I do in that is because

242

00:11:42,360 --> 00:11:40,210

it's so hard for people to realize how

243

00:11:44,850 --> 00:11:42,370

evil or how deep this goes that the

244

00:11:47,630 --> 00:11:44,860

label is a witch hunt which completely

245

00:11:50,550 --> 00:11:47,640

negates the victims of all these cases

246

00:11:52,260 --> 00:11:50,560

that were abused and made it seem like

247

00:11:54,240 --> 00:11:52,270

they were not abused at all so that's

248

00:11:55,860 --> 00:11:54,250

why I usually frame it you know he

249

00:11:57,930 --> 00:11:55,870

frames it from this - this book is not

250

00:12:01,410 --> 00:11:57,940

conspiratorial at all in the slightest

251

00:12:03,240 --> 00:12:01,420

bit it does not really tackle the ritual

252

00:12:05,280 --> 00:12:03,250

sexual abuse side of things of how dark

253

00:12:08,130 --> 00:12:05,290

things and how evil things can get this

254

00:12:10,200 --> 00:12:08,140

book is factually based that the

255

00:12:12,570 --> 00:12:10,210

children in majority of these cases

256

00:12:13,830 --> 00:12:12,580

whether it's Glendale monastery school

257

00:12:15,960 --> 00:12:13,840

which is one of the cases that I'm

258

00:12:17,910 --> 00:12:15,970

investigating in I've gotten the store

259

00:12:20,130 --> 00:12:17,920

afford or police department records and

260

00:12:22,500 --> 00:12:20,140

the court records about James towered

261

00:12:24,840 --> 00:12:22,510

and how they label his case is a satanic

262

00:12:26,670 --> 00:12:24,850

panic but it is obvious from when you

263

00:12:29,280 --> 00:12:26,680

read you know the police report the

264

00:12:31,200 --> 00:12:29,290

court documents that James tower he was

265

00:12:33,030 --> 00:12:31,210

you know he he was right in his

266

00:12:35,250 --> 00:12:33,040

conviction as well as I was even uphold

267

00:12:37,440 --> 00:12:35,260

by psychiatrists later who said that

268

00:12:43,770 --> 00:12:37,450

tower was likely to offend if he was to

269

00:12:45,600 --> 00:12:43,780

be released from prison information on

270

00:12:48,300 --> 00:12:45,610

people and I

271

00:12:50,400 --> 00:12:48,310

pick through your stuff and I gonna have

272

00:12:52,889 --> 00:12:50,410

to alert people cuz we're just gonna tap

273

00:12:55,019 --> 00:12:52,899

we're gonna dip into this yes and if

274

00:12:56,579 --> 00:12:55,029

they go to your channel and they

275

00:12:58,949 --> 00:12:56,589

listen to some of the interviews that

276

00:13:00,750 --> 00:12:58,959

you've done and you're writing a book

277

00:13:02,790 --> 00:13:00,760

under the finders cult which we're going

278

00:13:04,680 --> 00:13:02,800

to talk about in a minute which plays

279

00:13:07,460 --> 00:13:04,690

into this as well but I kind of wanted

280

00:13:12,030 --> 00:13:07,470

to alert people to the kind of

281

00:13:15,030 --> 00:13:12,040

interviews that you do John cuz like you

282

00:13:18,150 --> 00:13:15,040

did one of you did an interview with an

283

00:13:22,019 --> 00:13:18,160

investigator yes from this Glendale

284

00:13:24,500 --> 00:13:22,029

Montessori case Henry Clements so this

285

00:13:28,699 --> 00:13:24,510

is someone who was boots on the ground

286

00:13:31,199 --> 00:13:28,709

called in by law enforcement to

287

00:13:34,259 --> 00:13:31,209

investigate this Montessori School and

288

00:13:36,990 --> 00:13:34,269

he finds evidence of satanic ritual

289

00:13:39,150 --> 00:13:37,000

abuse so he finds doors that can only be

290

00:13:41,040 --> 00:13:39,160

locked from the outside and the lock is

291

00:13:43,019 --> 00:13:41,050

like eight feet up so that the kids

292

00:13:45,509 --> 00:13:43,029

can't reach it or six feet up I should

293

00:13:47,550 --> 00:13:45,519

say he finds chloroform he finds all

294

00:13:49,110 --> 00:13:47,560

this stuff that the investigators kind

295

00:13:50,970 --> 00:13:49,120

of suspected but didn't find and he

296

00:13:53,090 --> 00:13:50,980

finds it they're relying on him and he

297

00:13:55,019 --> 00:13:53,100

had a kid it went there and it's like

298

00:13:56,819 --> 00:13:55,029

verified and then when you're

299

00:13:59,550 --> 00:13:56,829

referencing back to this book by this

300

00:14:00,990 --> 00:13:59,560

Brown University professor one of the

301
00:14:03,720 --> 00:14:01,000
one of the cases that everyone's heard

302
00:14:05,340 --> 00:14:03,730
about is McMartin preschool even my wife

303
00:14:07,530 --> 00:14:05,350
was a forensic psychologist she's

304
00:14:09,960 --> 00:14:07,540
bashing me she goes yeah like that fake

305
00:14:13,019 --> 00:14:09,970
McMartin preschool satanic panic thing

306
00:14:16,290 --> 00:14:13,029
and I like I go go do it then we can do

307
00:14:17,730 --> 00:14:16,300
this go to Amazon and look inside you

308
00:14:20,810 --> 00:14:17,740
know like you can don't even have to buy

309
00:14:24,150 --> 00:14:20,820
the book he has it documented their

310
00:14:26,970 --> 00:14:24,160
physicians the physicians that that did

311
00:14:29,370 --> 00:14:26,980
medical exams on the McMartin kids and

312
00:14:32,160 --> 00:14:29,380
said there's physical evidence that we

313
00:14:34,500 --> 00:14:32,170

normally associate with sexual activity

314

00:14:37,199 --> 00:14:34,510

for a three and a half year old and it's

315

00:14:39,569 --> 00:14:37,209

not the parents because the kid is

316

00:14:42,509 --> 00:14:39,579

saying it was my teacher so this whole

317

00:14:44,939 --> 00:14:42,519

satanic panic thing is an orchestrated

318

00:14:47,610 --> 00:14:44,949

lie to pull our attention away from

319

00:14:50,730 --> 00:14:47,620

what's going on I mean you know look at

320

00:14:52,519 --> 00:14:50,740

Oliver Stone's directed movie about

321

00:14:55,319 --> 00:14:52,529

McMartin preschool in with James Woods

322

00:14:58,319 --> 00:14:55,329

it's all by design you know they frame

323

00:14:58,930 --> 00:14:58,329

McMartin as those expensive trial that

324

00:15:00,640 --> 00:14:58,940

never

325

00:15:02,950 --> 00:15:00,650

to a single conviction you know

326

00:15:04,840 --> 00:15:02,960

therefore Raymond Buckey is innocent and

327

00:15:06,370 --> 00:15:04,850

he you know never did anything wrong

328

00:15:08,650 --> 00:15:06,380

when you read the witch-hunt narrative

329

00:15:11,050 --> 00:15:08,660

Rossi Chet again it's not going to

330

00:15:12,580 --> 00:15:11,060

discuss the actual satanic ritual abuse

331

00:15:13,870 --> 00:15:12,590

that I believe that went on in Mid

332

00:15:15,970 --> 00:15:13,880

Martin it's not going to discuss that

333

00:15:18,550 --> 00:15:15,980

per se but it's gonna discuss the actual

334

00:15:20,470 --> 00:15:18,560

forensic evidence that children were

335

00:15:22,690 --> 00:15:20,480

molested by Raymond Buckey there's

336

00:15:25,150 --> 00:15:22,700

enough medical evidence in here to show

337

00:15:28,360 --> 00:15:25,160

that that Judy Johnson was not some

338

00:15:30,280 --> 00:15:28,370

crackpot alcoholic mother who just you

339

00:15:33,280 --> 00:15:30,290

know started this whole theory to

340

00:15:36,010 --> 00:15:33,290

slander the McMartin preschool that she

341

00:15:38,140 --> 00:15:36,020

was driven to alcoholism by people

342

00:15:40,690 --> 00:15:38,150

attacking her and slamming her character

343

00:15:42,310 --> 00:15:40,700

which she later later died from the

344

00:15:45,550 --> 00:15:42,320

evidence in here directly

345

00:15:48,310 --> 00:15:45,560

Judy Johnson's son was sodomized by

346

00:15:50,200 --> 00:15:48,320

Raymond Buckey this is a kid who if I

347

00:15:53,320 --> 00:15:50,210

remember right is three-and-a-half years

348

00:15:55,870 --> 00:15:53,330

old and comes home and can't even

349

00:15:57,790 --> 00:15:55,880

verbalize it in sexual terms but it's

350

00:16:00,150 --> 00:15:57,800

kind of describing these things that are

351

00:16:04,060 --> 00:16:00,160

going on at the school and the mom

352

00:16:05,980 --> 00:16:04,070

totally flips but Leiper saying first

353

00:16:09,760 --> 00:16:05,990

thing she does is what a parent would do

354

00:16:12,430 --> 00:16:09,770

take him yes he D attrition and the

355

00:16:14,740 --> 00:16:12,440

pediatrician says yeah this kid's been

356

00:16:17,170 --> 00:16:14,750

sexually molested but it was even more

357

00:16:19,180 --> 00:16:17,180

than that he she took him to dr. Scott

358

00:16:22,720 --> 00:16:19,190

McGarry who was like you know kind of

359

00:16:25,060 --> 00:16:22,730

like a um like the child's you know

360

00:16:26,800 --> 00:16:25,070

doctor and he said well yeah this is

361

00:16:28,510 --> 00:16:26,810

really bad because he's you know

362

00:16:30,820 --> 00:16:28,520

bleeding from the anus you need to take

363

00:16:32,950 --> 00:16:30,830

him to UCLA so they take him to the

364

00:16:35,740 --> 00:16:32,960

Marion Davies Children's Clinic at UCLA

365

00:16:38,500 --> 00:16:35,750

and you know both dr. Linda Gordon and

366

00:16:40,450 --> 00:16:38,510

dr. gene H Simpson salary who are both

367

00:16:42,100 --> 00:16:40,460

you know P attrition is you know salary

368

00:16:44,200 --> 00:16:42,110

you know graduated from John Hopkins had

369

00:16:45,520 --> 00:16:44,210

five years experience in pediatrics they

370

00:16:47,950 --> 00:16:45,530

come to inclusion that was fairly

371

00:16:49,990 --> 00:16:47,960

significant findings of sexual abuse and

372

00:16:52,210 --> 00:16:50,000

even later a doctor that was hired by

373

00:16:56,050 --> 00:16:52,220

the defense came to the same conclusion

374

00:16:59,170 --> 00:16:56,060

to as well that Matthew Johnson was

375

00:17:01,990 --> 00:16:59,180

severely anally molested so it's all

376

00:17:03,940 --> 00:17:02,000

there but yet you know cording to you

377

00:17:06,700 --> 00:17:03,950

know Nathan and Shai Decker's book about

378

00:17:09,250 --> 00:17:06,710

it all being a witch hunt you know it

379

00:17:11,710 --> 00:17:09,260

was a young intern that examined Matthew

380

00:17:12,610 --> 00:17:11,720

Johnson no it wasn't these are esteemed

381

00:17:14,710 --> 00:17:12,620

doctor

382

00:17:16,780 --> 00:17:14,720

I mean it was it just some intern that

383

00:17:18,160 --> 00:17:16,790

examined him you know it's not even that

384

00:17:21,010 --> 00:17:18,170

there were Steve doctors they're just

385

00:17:22,960 --> 00:17:21,020

doctors doing their job yeah yeah so

386

00:17:24,730 --> 00:17:22,970

it's like a parent taking a kid in and

387

00:17:27,100 --> 00:17:24,740

saying what's wrong with my kid and

388

00:17:29,530 --> 00:17:27,110

[h__h] you know this I've seen this

389

00:17:31,090 --> 00:17:29,540

before this isn't good and and then it

390

00:17:33,010 --> 00:17:31,100

leads to a police investigation the

391

00:17:34,780 --> 00:17:33,020

police get in they say oh we've seen

392

00:17:36,970 --> 00:17:34,790

this [h__h] before this isn't good

393

00:17:39,520 --> 00:17:36,980

so again pulling back you know because

394

00:17:41,470 --> 00:17:39,530

you're into documentation and proof but

395

00:17:43,540 --> 00:17:41,480

we always have to pull back too yeah the

396

00:17:48,010 --> 00:17:43,550

controlled narrative why is the

397

00:17:51,310 --> 00:17:48,020

narrative so strongly strongly on this

398

00:17:53,680 --> 00:17:51,320

crazy idea that this is all panic this

399

00:17:55,960 --> 00:17:53,690

is not real when it's so easily or

400

00:17:59,680 --> 00:17:55,970

relatively easily if you can get past it

401
00:18:02,080 --> 00:17:59,690
you're programming the obviously

402
00:18:04,120 --> 00:18:02,090
provable by these documents and that's

403
00:18:08,500 --> 00:18:04,130
what I wanted so let me shift gears for

404
00:18:10,270 --> 00:18:08,510
a minute no one most of the people

405
00:18:11,890 --> 00:18:10,280
listening this show unless they followed

406
00:18:15,700 --> 00:18:11,900
your work which is fantastic

407
00:18:17,860 --> 00:18:15,710
know anything about the finders cult and

408
00:18:20,530 --> 00:18:17,870
this is going to blow people away but

409
00:18:23,049 --> 00:18:20,540
it's also going to catapult us right in

410
00:18:27,490 --> 00:18:23,059
the middle of events that are unfolding

411
00:18:31,180 --> 00:18:27,500
today in terms of a term that you use

412
00:18:34,570 --> 00:18:31,190
called the peda cracy but tell us back

413
00:18:39,010 --> 00:18:34,580

up take a big breath tell us how you

414

00:18:42,100 --> 00:18:39,020

even got interested in looking at the

415

00:18:44,799 --> 00:18:42,110

finders cult because let me pause again

416

00:18:46,180 --> 00:18:44,809

because I wanted to mention this you

417

00:18:49,960 --> 00:18:46,190

know John you've been on skeptical

418

00:18:52,330 --> 00:18:49,970

before for fix your gut which is a book

419

00:18:54,690 --> 00:18:52,340

that you wrote and that's how I

420

00:18:58,180 --> 00:18:54,700

originally found you because I had had

421

00:19:02,410 --> 00:18:58,190

medical problems that led me to you I

422

00:19:05,830 --> 00:19:02,420

found your research which you did kind

423

00:19:09,700 --> 00:19:05,840

of driven by a personal tragedy that you

424

00:19:11,380 --> 00:19:09,710

had experienced in your family with kind

425

00:19:13,320 --> 00:19:11,390

of mainstream medicine that led you to

426

00:19:16,000 --> 00:19:13,330

look for some kind of alternative routes

427

00:19:18,570 --> 00:19:16,010

totally on top of the information I

428

00:19:22,930 --> 00:19:18,580

found your research to be incredibly

429

00:19:25,260 --> 00:19:22,940

useful supported by the real research

430

00:19:26,820 --> 00:19:25,270

that's out there and

431

00:19:29,190 --> 00:19:26,830

you know I really enjoyed you coming on

432

00:19:30,780 --> 00:19:29,200

people can find that I even referred you

433

00:19:32,700 --> 00:19:30,790

to my daughter and you kind of helped

434

00:19:35,580 --> 00:19:32,710

her so I know the kind of work you've

435

00:19:39,120 --> 00:19:35,590

done and people like know you from the

436

00:19:40,860 --> 00:19:39,130

fix your gut book that you wrote and the

437

00:19:46,380 --> 00:19:40,870

work and interviews that you've done on

438

00:19:50,790 --> 00:19:46,390

that can you tell us how that even led

439

00:19:52,710 --> 00:19:50,800

or what was behind this new kind of

440

00:19:56,580 --> 00:19:52,720

investigation you've been doing into

441

00:19:59,520 --> 00:19:56,590

this evil that is these crimes against

442

00:20:01,080 --> 00:19:59,530

children it's actually not new I just

443

00:20:04,200 --> 00:20:01,090

had come out with doing a YouTube

444

00:20:06,030 --> 00:20:04,210

channel and doing interviews out in the

445

00:20:08,160 --> 00:20:06,040

public about my knowledge of

446

00:20:09,720 --> 00:20:08,170

conspiracies YouTube channels started

447

00:20:11,280 --> 00:20:09,730

about eight months ago of me actually

448

00:20:12,750 --> 00:20:11,290

being public and me actually doing

449

00:20:15,210 --> 00:20:12,760

something with the knowledge that I had

450

00:20:18,060 --> 00:20:15,220

but my father was a conspiracy theorist

451

00:20:19,800 --> 00:20:18,070

I grew up you know just you know I was I

452

00:20:22,200 --> 00:20:19,810

was a neoconservative at the time I had

453

00:20:24,930 --> 00:20:22,210

my grandfather's political beliefs and I

454

00:20:26,400 --> 00:20:24,940

thought my father was a little bit crazy

455

00:20:27,840 --> 00:20:26,410

and a lot of things that he believed in

456

00:20:29,730 --> 00:20:27,850

god I wish I could tell him now if he

457

00:20:32,940 --> 00:20:29,740

was still living all right he was about

458

00:20:35,520 --> 00:20:32,950

the world but so I I mean I I knew you

459

00:20:38,400 --> 00:20:35,530

know JFK assassination was a government

460

00:20:39,960 --> 00:20:38,410

plot and but I still I couldn't wrap my

461

00:20:41,490 --> 00:20:39,970

head around it I didn't believe you know

462

00:20:43,260 --> 00:20:41,500

what my father was telling me or not to

463

00:20:44,490 --> 00:20:43,270

trust what happened at 9/11 and stuff

464

00:20:48,780 --> 00:20:44,500

like that everything so I'd always had

465

00:20:52,980 --> 00:20:48,790

that basis and I listened to Alex Jones

466

00:20:55,260 --> 00:20:52,990

about 2008 one night I also seen a coast

467

00:20:56,970 --> 00:20:55,270

to coast am very late and he started

468

00:21:00,360 --> 00:20:56,980

breaking down of how 9/11 was an inside

469

00:21:02,040 --> 00:21:00,370

job and so from there I started you know

470

00:21:03,630 --> 00:21:02,050

looking into researching conspiracies

471

00:21:07,230 --> 00:21:03,640

and around that time to Alex Jones had

472

00:21:10,050 --> 00:21:07,240

Joel Wallach on you know who talks a lot

473

00:21:12,060 --> 00:21:10,060

about natural health and so that got me

474

00:21:15,270 --> 00:21:12,070

into natural health so I was around the

475

00:21:16,560 --> 00:21:15,280

same time that I started doing both or

476

00:21:19,080 --> 00:21:16,570

researching both and I've been a

477

00:21:21,660 --> 00:21:19,090

researcher for both ever since now as

478

00:21:23,880 --> 00:21:21,670

far as you know fix your gut yeah I

479

00:21:25,830 --> 00:21:23,890

started that you know actually making

480

00:21:27,900 --> 00:21:25,840

you know a business and helping people

481

00:21:29,820 --> 00:21:27,910

and coaching and writing books and stuff

482

00:21:32,760 --> 00:21:29,830

like that long before I've done anything

483

00:21:35,190 --> 00:21:32,770

with conspiracy just because I felt

484

00:21:38,850 --> 00:21:35,200

compelled to do so my own self being ill

485

00:21:39,120 --> 00:21:38,860

me you know losing both my parents when

486

00:21:40,890 --> 00:21:39,130

I was

487

00:21:42,750 --> 00:21:40,900

young to illness and you know losing a

488

00:21:44,340 --> 00:21:42,760

son trying to help him with the

489

00:21:46,830 --> 00:21:44,350

condition that he had you know and

490

00:21:48,330 --> 00:21:46,840

everything and so I was you know very

491

00:21:53,310 --> 00:21:48,340

compelled to do that but then eventually

492

00:21:55,500 --> 00:21:53,320

I was like well I might as well release

493

00:21:59,160 --> 00:21:55,510

the conspiracy research I'm doing too as

494

00:22:01,190 --> 00:21:59,170

well so I just started coming out with

495

00:22:03,180 --> 00:22:01,200

that I mean some of my first interviews

496

00:22:04,140 --> 00:22:03,190

something yeah they were a fixture gut

497

00:22:07,500 --> 00:22:04,150

related but some of them are also

498

00:22:10,020 --> 00:22:07,510

conspiracy going back to 2016 so it's

499

00:22:11,730 --> 00:22:10,030

always been both it's just now that I'm

500

00:22:16,440 --> 00:22:11,740

actually putting my research out there

501
00:22:20,100 --> 00:22:16,450
is really the only difference what I see

502
00:22:22,260 --> 00:22:20,110
in your research is again an independent

503
00:22:23,730 --> 00:22:22,270
researcher who's just following the data

504
00:22:26,310 --> 00:22:23,740
and trying to get the bottom of things

505
00:22:27,840 --> 00:22:26,320
and I hate lonely you know labels are

506
00:22:29,520 --> 00:22:27,850
important because they're the way people

507
00:22:31,890 --> 00:22:29,530
understand it and people are gonna

508
00:22:33,660 --> 00:22:31,900
pigeonhole you as a conspiracy theorists

509
00:22:35,580 --> 00:22:33,670
especially when you come out yourself

510
00:22:38,310 --> 00:22:35,590
and call yourself that and maybe that's

511
00:22:39,630 --> 00:22:38,320
a good thing but I'm doing my best just

512
00:22:41,700 --> 00:22:39,640
to own it cuz that's what people are

513
00:22:42,960 --> 00:22:41,710

gonna call me as whereas as an

514

00:22:44,790 --> 00:22:42,970

investigative journalist I guess would

515

00:22:46,410 --> 00:22:44,800

be a better way of putting it as far as

516

00:22:48,240 --> 00:22:46,420

the Finers case is concerned I am

517

00:22:50,430 --> 00:22:48,250

bringing new documents to the table that

518

00:22:52,950 --> 00:22:50,440

were not previously seen like Ramon Jay

519

00:22:54,330 --> 00:22:52,960

Martinez's whistleblower complaint I am

520

00:22:56,310 --> 00:22:54,340

interviewing people to have not

521

00:22:57,930 --> 00:22:56,320

previously been interviewed before or at

522

00:23:00,060 --> 00:22:57,940

least information had not been released

523

00:23:02,370 --> 00:23:00,070

like you know people pertained to the

524

00:23:05,340 --> 00:23:02,380

finders case like a prosecuting attorney

525

00:23:08,940 --> 00:23:05,350

Willy Meigs or or US Customs John

526
00:23:13,050 --> 00:23:08,950
Sullivan or Ramone J Martinez's partner

527
00:23:15,240 --> 00:23:13,060
Bob Harold and so I am moving this case

528
00:23:17,820 --> 00:23:15,250
further than the information that was

529
00:23:20,490 --> 00:23:17,830
previously given to us by other

530
00:23:22,020 --> 00:23:20,500
researchers so that is true

531
00:23:24,150 --> 00:23:22,030
investigative journalism that is true

532
00:23:27,600 --> 00:23:24,160
following the leads and following the

533
00:23:29,580 --> 00:23:27,610
information as it goes now you've just

534
00:23:32,730 --> 00:23:29,590
kind of done a brain dump on people

535
00:23:35,040 --> 00:23:32,740
there that's gonna force them to jump

536
00:23:39,750 --> 00:23:35,050
right in the middle of this so let's go

537
00:23:43,680 --> 00:23:39,760
back and talk about like for someone

538
00:23:46,380 --> 00:23:43,690

who's totally uninitiated do government

539

00:23:48,170 --> 00:23:46,390

intelligence organizations like the CIA

540

00:23:51,930 --> 00:23:48,180

Mossad FBI

541

00:23:52,950 --> 00:23:51,940

do they ever use blackmail and can we

542

00:24:00,360 --> 00:23:52,960

prove that

543

00:24:03,660 --> 00:24:00,370

that involve the idea of brownstone

544

00:24:05,940 --> 00:24:03,670

operations or sexual blackmail so we

545

00:24:07,770 --> 00:24:05,950

have the franklin scandal which has

546

00:24:08,940 --> 00:24:07,780

implicated at the highest levels of

547

00:24:13,710 --> 00:24:08,950

government of them being blackmailed

548

00:24:17,280 --> 00:24:13,720

George HW Bush Ronald Wilson Reagan Bill

549

00:24:19,530 --> 00:24:17,290

Casey of them being around the Nexus of

550

00:24:21,870 --> 00:24:19,540

Lawrence E King that's been reported

551
00:24:24,870 --> 00:24:21,880
both in John decamp former Nebraska

552
00:24:27,000 --> 00:24:24,880
state senators book the Franklin scandal

553
00:24:28,770 --> 00:24:27,010
Nick Bryant's the Franklin cover-up him

554
00:24:31,560 --> 00:24:28,780
being investigated reporter and Henry

555
00:24:34,530 --> 00:24:31,570
Vincent confessions of a DC madam who

556
00:24:36,030 --> 00:24:34,540
was around the Nexus of Lawrence E King

557
00:24:38,610 --> 00:24:36,040
and Craig Spence

558
00:24:40,620 --> 00:24:38,620
so in that case it's very well

559
00:24:43,860 --> 00:24:40,630
documented for those who look into it

560
00:24:47,520 --> 00:24:43,870
Jeffrey Epstein was just they've been

561
00:24:52,710 --> 00:24:47,530
using this template forever why why

562
00:24:55,140 --> 00:24:52,720
would our CIA why would our FBI why

563
00:24:57,780 --> 00:24:55,150

would they blackmail people that's not

564

00:24:59,430 --> 00:24:57,790

in the Constitution they're not supposed

565

00:25:02,790 --> 00:24:59,440

to do that why would they blackmail

566

00:25:04,500 --> 00:25:02,800

people let alone sexual blackmail CIA's

567

00:25:08,070 --> 00:25:04,510

not supposed to operate in American soil

568

00:25:11,270 --> 00:25:08,080

but they still do when people look into

569

00:25:14,580 --> 00:25:11,280

it if they're halfway open to just

570

00:25:17,160 --> 00:25:14,590

understanding how power works blackmail

571

00:25:20,520 --> 00:25:17,170

is your go-to tool in any respect

572

00:25:24,480 --> 00:25:20,530

because if you pay somebody to do

573

00:25:26,550 --> 00:25:24,490

something then you're only go as far as

574

00:25:29,040 --> 00:25:26,560

that money goes and if somebody pays

575

00:25:30,390 --> 00:25:29,050

them more or if they have enough money

576

00:25:33,690 --> 00:25:30,400

they don't have to do it anymore

577

00:25:36,420 --> 00:25:33,700

exactly particularly sexual blackmail of

578

00:25:38,360 --> 00:25:36,430

this kind is just a much more effective

579

00:25:41,070 --> 00:25:38,370

tool it's almost it's almost an

580

00:25:43,440 --> 00:25:41,080

irresistible tools to because when we're

581

00:25:45,060 --> 00:25:43,450

gonna talk about the finders in and what

582

00:25:47,670 --> 00:25:45,070

they did and the extent to which they

583

00:25:50,490 --> 00:25:47,680

got involved with this horrible evil

584

00:25:52,020 --> 00:25:50,500

people are gonna recoil and go no we

585

00:25:54,570 --> 00:25:52,030

wouldn't have done that and it's like

586

00:25:56,670 --> 00:25:54,580

the temptation is super great here to do

587

00:25:58,890 --> 00:25:56,680

sexual blackmail right I mean obviously

588

00:26:00,900 --> 00:25:58,900

I mean what the sexual blackmail comes

589

00:26:04,200 --> 00:26:00,910

power you can get people to vote for

590

00:26:06,390 --> 00:26:04,210

whatever you want them to you can use it

591

00:26:08,400 --> 00:26:06,400

as a form of initiation that they are

592

00:26:09,990 --> 00:26:08,410

to do so that they're willing to do

593

00:26:12,060 --> 00:26:10,000

other things I mean there's many

594

00:26:14,310 --> 00:26:12,070

different reasons why this black Bell

595

00:26:15,960 --> 00:26:14,320

would take place by these intelligence

596

00:26:18,540 --> 00:26:15,970

agencies by the highest levels of

597

00:26:21,180 --> 00:26:18,550

government by the world order it's also

598

00:26:23,580 --> 00:26:21,190

a good tool like I mentioned earlier to

599

00:26:26,280 --> 00:26:23,590

weed out okay so this person is willing

600

00:26:29,310 --> 00:26:26,290

to do this for example let's say it's as

601
00:26:30,600 --> 00:26:29,320
simple as having an affair with another

602
00:26:32,670 --> 00:26:30,610
you know if they're married have an

603
00:26:35,820 --> 00:26:32,680
affair well then are they also willing

604
00:26:38,730 --> 00:26:35,830
to be you know have sex with underage

605
00:26:40,890 --> 00:26:38,740
children it's the test how far someone

606
00:26:43,290 --> 00:26:40,900
can go and what you can you know hold

607
00:26:45,419 --> 00:26:43,300
against them and use against them it's

608
00:26:47,580 --> 00:26:45,429
all of that it's like a nexus of total

609
00:26:49,860 --> 00:26:47,590
control over someone where it's not

610
00:26:52,530 --> 00:26:49,870
constantly having to buy someone off

611
00:26:57,510 --> 00:26:52,540
once you have the blackmail once you can

612
00:26:59,040 --> 00:26:57,520
threaten to use it forever so you kind

613
00:27:01,020 --> 00:26:59,050

of mix a couple of different ideas there

614

00:27:02,810 --> 00:27:01,030

and we can't pull all this apart because

615

00:27:06,630 --> 00:27:02,820

you're not a law enforcement

616

00:27:09,710 --> 00:27:06,640

professional and we can't know for sure

617

00:27:12,870 --> 00:27:09,720

what's going on tell us what you do know

618

00:27:15,720 --> 00:27:12,880

so back up for a minute what is the

619

00:27:20,330 --> 00:27:15,730

finders cult how did you first come

620

00:27:23,780 --> 00:27:20,340

across it and then how does it tie in to

621

00:27:26,700 --> 00:27:23,790

intelligence organization involvement

622

00:27:29,820 --> 00:27:26,710

the finders call is a cult that was

623

00:27:32,340 --> 00:27:29,830

headed by Marian de petty who has many

624

00:27:33,330 --> 00:27:32,350

many connections to Adela gence

625

00:27:36,600 --> 00:27:33,340

organizations

626

00:27:38,850 --> 00:27:36,610

I ran apartment buildings for OSS

627

00:27:41,280 --> 00:27:38,860

members office issues of services during

628

00:27:43,710 --> 00:27:41,290

war to where he would give them you know

629

00:27:45,690 --> 00:27:43,720

rooms some people say to gain

630

00:27:47,990 --> 00:27:45,700

intelligence some people say it was at

631

00:27:50,190 --> 00:27:48,000

the beginning of a brownstone operation

632

00:27:51,210 --> 00:27:50,200

brownstone operation what's a brownstone

633

00:27:53,160 --> 00:27:51,220

operation

634

00:27:55,410 --> 00:27:53,170

pretty much blackmail detective Jim

635

00:27:57,000 --> 00:27:55,420

Rothstein is that talked about a links

636

00:27:58,950 --> 00:27:57,010

about brownstone operations

637

00:28:01,860 --> 00:27:58,960

Bronson operations is a way that you

638

00:28:04,320 --> 00:28:01,870

bring someone to a certain area where

639

00:28:06,120 --> 00:28:04,330

you know there's filming equipment or

640

00:28:09,180 --> 00:28:06,130

you can get some sort of evidence or

641

00:28:12,419 --> 00:28:09,190

documenting evidence a camera something

642

00:28:14,460 --> 00:28:12,429

so into a room there's hidden cameras

643

00:28:17,550 --> 00:28:14,470

hidden microphones they don't know that

644

00:28:19,460 --> 00:28:17,560

they're being recorded they're doing

645

00:28:20,610 --> 00:28:19,470

some act that they don't want to get out

646

00:28:21,780 --> 00:28:20,620

you

647

00:28:23,730 --> 00:28:21,790

few years ago it used to be

648

00:28:26,130 --> 00:28:23,740

homosexuality now nobody cares about

649

00:28:28,980 --> 00:28:26,140

that or it used to be infidelity

650

00:28:30,360 --> 00:28:28,990

yes cares about that so it ups the ante

651
00:28:33,780 --> 00:28:30,370
but people still do care about that

652
00:28:35,670 --> 00:28:33,790
whatever you can get them to do whatever

653
00:28:38,310 --> 00:28:35,680
their weaknesses whether it's just doing

654
00:28:40,380 --> 00:28:38,320
cocaine you know or smoking weed or

655
00:28:42,540 --> 00:28:40,390
something like that anything that could

656
00:28:46,130 --> 00:28:42,550
compromise them you're gonna record it

657
00:28:49,100 --> 00:28:46,140
and then you're gonna start in on this

658
00:28:52,020 --> 00:28:49,110
blackmail thing that's a brownstone

659
00:28:53,580 --> 00:28:52,030
operation right yes yes so even back

660
00:28:55,770 --> 00:28:53,590
then you're taking pictures of you

661
00:28:58,590 --> 00:28:55,780
entering the hostel with a prostitute

662
00:29:00,419 --> 00:28:58,600
for example so yeah I mean any any

663
00:29:03,630 --> 00:29:00,429

evidence that they can give where it's

664

00:29:06,060 --> 00:29:03,640

it's to setup to blackmail you that is a

665

00:29:07,650 --> 00:29:06,070

brownstone operation for example there's

666

00:29:09,270 --> 00:29:07,660

been instances of Craig B Spence

667

00:29:11,310 --> 00:29:09,280

throwing parties at his house where his

668

00:29:13,740 --> 00:29:11,320

party was wire his house was wired up

669

00:29:16,320 --> 00:29:13,750

with two-way mirrors and recording

670

00:29:18,150 --> 00:29:16,330

devices and famous people would go to

671

00:29:20,190 --> 00:29:18,160

his parties and there would be you know

672

00:29:23,100 --> 00:29:20,200

children provided there by Lauren cking

673

00:29:25,140 --> 00:29:23,110

for them to sexual blackmail and even

674

00:29:26,940 --> 00:29:25,150

practice ritual satanic abuse at those

675

00:29:29,040 --> 00:29:26,950

parties the same could be said about

676

00:29:31,710 --> 00:29:29,050

Jeffrey because that's gonna that's

677

00:29:34,470 --> 00:29:31,720

gonna throw people and and what we

678

00:29:37,110 --> 00:29:34,480

understand now is that kind of what you

679

00:29:40,470 --> 00:29:37,120

eluded to before it kind of becomes

680

00:29:42,590 --> 00:29:40,480

somewhat of a slippery evil slope in

681

00:29:47,160 --> 00:29:42,600

that you know if you caught me doing

682

00:29:49,020 --> 00:29:47,170

cocaine with a prostitute then I'm in

683

00:29:53,970 --> 00:29:49,030

your club and you're inviting me to your

684

00:29:56,220 --> 00:29:53,980

party I may not approve of people

685

00:29:58,680 --> 00:29:56,230

molesting five-year-old and

686

00:30:00,510 --> 00:29:58,690

four-year-old kids but I'm at the party

687

00:30:03,330 --> 00:30:00,520

with other people you know strange

688

00:30:06,540 --> 00:30:03,340

bedfellows kind of thing who are I may

689

00:30:08,640 --> 00:30:06,550

not be into satanic ritual abuse but I

690

00:30:11,330 --> 00:30:08,650

am now at a party where there's other

691

00:30:13,470 --> 00:30:11,340

people who are trying to tap into these

692

00:30:15,570 --> 00:30:13,480

malevolent forces and we'll talk about

693

00:30:20,120 --> 00:30:15,580

that for a reason and that's their thing

694

00:30:23,610 --> 00:30:20,130

so it's almost like this kind of crazy

695

00:30:25,620 --> 00:30:23,620

brownstone blackmail thing creates this

696

00:30:30,660 --> 00:30:25,630

kind of cesspool that doesn't

697

00:30:33,660 --> 00:30:30,670

necessarily have to have a full on you

698

00:30:34,320 --> 00:30:33,670

know purpose for joining all these

699

00:30:36,300 --> 00:30:34,330

different

700

00:30:39,330 --> 00:30:36,310

together they just kind of congregate by

701
00:30:41,940 --> 00:30:39,340
the force of the brownstone blackmail

702
00:30:44,010 --> 00:30:41,950
operation yes and of course everybody

703
00:30:46,650 --> 00:30:44,020
who's gone to this these parties may

704
00:30:49,410 --> 00:30:46,660
have not participated in you know the

705
00:30:52,530 --> 00:30:49,420
darkest things that occur like ritual

706
00:30:53,850 --> 00:30:52,540
satanic abuse or child abuse at these

707
00:30:55,470 --> 00:30:53,860
parties some of the can be

708
00:30:58,530 --> 00:30:55,480
compartmentalize I agree with you on

709
00:31:00,330 --> 00:30:58,540
that now to separate that separate the

710
00:31:02,460 --> 00:31:00,340
wheat from the chaff as they say that

711
00:31:04,020 --> 00:31:02,470
could be very difficult you usually have

712
00:31:06,240 --> 00:31:04,030
to look at someone's position within the

713
00:31:08,250 --> 00:31:06,250

world order how much power they have you

714

00:31:10,140 --> 00:31:08,260

know I seriously doubt you know Bill

715

00:31:12,450 --> 00:31:10,150

Clinton didn't do anything wrong with

716

00:31:13,950 --> 00:31:12,460

the Lolita Express for example and we're

717

00:31:16,200 --> 00:31:13,960

you know Donald Trump you know hanging

718

00:31:17,610 --> 00:31:16,210

around Epstein too as well going to his

719

00:31:20,100 --> 00:31:17,620

house frequently and everything like

720

00:31:21,960 --> 00:31:20,110

that and you know order shoe it's just

721

00:31:26,160 --> 00:31:21,970

because he's an attorney and he yeah I

722

00:31:28,230 --> 00:31:26,170

mean I agree and I think this is like

723

00:31:32,010 --> 00:31:28,240

another important point and the point I

724

00:31:35,300 --> 00:31:32,020

would make is burden of proof at what

725

00:31:39,530 --> 00:31:35,310

point does the burden of proof shift to

726

00:31:42,720 --> 00:31:39,540

these people need to prove to us that

727

00:31:46,350 --> 00:31:42,730

they weren't involved if you were in the

728

00:31:50,190 --> 00:31:46,360

Franklin scandal party with King and we

729

00:31:53,730 --> 00:31:50,200

know that he was trafficking children

730

00:31:56,250 --> 00:31:53,740

sexually abusing children doing child

731

00:31:59,100 --> 00:31:56,260

pornography and all these other crazy

732

00:32:01,800 --> 00:31:59,110

stuff then the burden of proof I think

733

00:32:05,670 --> 00:32:01,810

just shifts to you you were at the party

734

00:32:08,250 --> 00:32:05,680

you should have known or probably knew

735

00:32:10,320 --> 00:32:08,260

that these things were going on proof to

736

00:32:13,230 --> 00:32:10,330

us that it's not true and in the news

737

00:32:16,200 --> 00:32:13,240

recently we have Prince Andrew he cannot

738

00:32:19,290 --> 00:32:16,210

prove that so now he looks he looks

739

00:32:22,200 --> 00:32:19,300

really bad because he can't establish we

740

00:32:23,760 --> 00:32:22,210

all accept this idea of brooding burden

741

00:32:26,070 --> 00:32:23,770

of proof and the burden of proof has now

742

00:32:28,350 --> 00:32:26,080

shifted so I'm sorry go ahead

743

00:32:30,120 --> 00:32:28,360

no I was gonna say I'm here 100% right

744

00:32:31,890 --> 00:32:30,130

of course with Prince Andrew he claims

745

00:32:34,650 --> 00:32:31,900

the picture that he took with Virginia

746

00:32:37,140 --> 00:32:34,660

Roberts go free it was a doctorate

747

00:32:39,570 --> 00:32:37,150

picture would obviously that is her and

748

00:32:41,490 --> 00:32:39,580

him with you know she's a Maxwell

749

00:32:44,100 --> 00:32:41,500

standing behind them you know it's

750

00:32:46,380 --> 00:32:44,110

obviously not a Photoshop picture but

751
00:32:48,060 --> 00:32:46,390
that's what he's claiming you know so he

752
00:32:50,700 --> 00:32:48,070
can't just like what

753
00:32:53,070 --> 00:32:50,710
and cking and other people asked well if

754
00:32:54,720 --> 00:32:53,080
these if this is true the why aren't

755
00:32:56,220 --> 00:32:54,730
these cases prosecuted to the full

756
00:32:58,590 --> 00:32:56,230
extent of the law why are these people

757
00:33:00,960 --> 00:32:58,600
in jail I mean if you believe in a world

758
00:33:02,250 --> 00:33:00,970
order type structure or however you want

759
00:33:03,690 --> 00:33:02,260
to put it that you know the government's

760
00:33:04,940 --> 00:33:03,700
going to protect its own self-interest

761
00:33:07,230 --> 00:33:04,950
when they're running these operations

762
00:33:09,930 --> 00:33:07,240
that's not gonna happen the only T King

763
00:33:12,420 --> 00:33:09,940

did not go to jail for you know running

764

00:33:14,040 --> 00:33:12,430

a massive sexual blackbell ring and

765

00:33:16,260 --> 00:33:14,050

molesting children and everything like

766

00:33:18,240 --> 00:33:16,270

that he went to jail for embezzlement of

767

00:33:21,080 --> 00:33:18,250

the bezel ins from the Franklin

768

00:33:23,820 --> 00:33:21,090

Community Credit Union worse yet his

769

00:33:25,890 --> 00:33:23,830

co-conspirators in Lincoln Nebraska we

770

00:33:27,600 --> 00:33:25,900

have to keep backing up and I don't know

771

00:33:29,100 --> 00:33:27,610

how this is gonna work or you know again

772

00:33:30,720 --> 00:33:29,110

people are just gonna tune out or

773

00:33:31,620 --> 00:33:30,730

they've already heard all this stuff and

774

00:33:32,940 --> 00:33:31,630

they think we're not going to cover

775

00:33:35,550 --> 00:33:32,950

anything new and we are going to cover

776

00:33:38,100 --> 00:33:35,560

something new but the Franklin scandal

777

00:33:39,780 --> 00:33:38,110

is kind of well-documented but what I

778

00:33:41,750 --> 00:33:39,790

was going to point out the real tragedy

779

00:33:45,630 --> 00:33:41,760

I think that people find in this is that

780

00:33:49,650 --> 00:33:45,640

when it came to prosecutions they

781

00:33:53,730 --> 00:33:49,660

actually prosecuted the victims yes got

782

00:33:55,290 --> 00:33:53,740

him convicted for perjury which when we

783

00:33:57,390 --> 00:33:55,300

look at it through the lens of now

784

00:33:59,970 --> 00:33:57,400

knowing that clearly those people were

785

00:34:03,300 --> 00:33:59,980

guilty clearly I mean when they first

786

00:34:07,260 --> 00:34:03,310

raided King who was set up to run this

787

00:34:10,050 --> 00:34:07,270

follow me Boulogne Savings and Loan and

788

00:34:11,820 --> 00:34:10,060

was running it I was running it into the

789

00:34:13,950 --> 00:34:11,830

ground and was embezzling all this money

790

00:34:15,870 --> 00:34:13,960

but they go grab his computer and they

791

00:34:18,330 --> 00:34:15,880

find all sorts of child porn on the

792

00:34:20,610 --> 00:34:18,340

computer so again it's physical evidence

793

00:34:22,260 --> 00:34:20,620

that this stuff is going on and he's

794

00:34:25,110 --> 00:34:22,270

taking the kids and kids say yeah they

795

00:34:27,360 --> 00:34:25,120

took me to Bohemian Grove and I was sold

796

00:34:30,900 --> 00:34:27,370

out and all this stuff but then these

797

00:34:33,450 --> 00:34:30,910

kids these kids are actually prosecuted

798

00:34:35,430 --> 00:34:33,460

for because they were there now

799

00:34:40,640 --> 00:34:35,440

testifying against some very very

800

00:34:43,590 --> 00:34:40,650

powerful people in the Lincoln Nebraska

801
00:34:45,240 --> 00:34:43,600
connected elite and they get the whole

802
00:34:48,000 --> 00:34:45,250
thing reversed and get these guys

803
00:34:51,510 --> 00:34:48,010
convicted of perjury which is just an

804
00:34:53,070 --> 00:34:51,520
absurd you know injustice another thing

805
00:34:54,780 --> 00:34:53,080
I want to mention you keep throwing

806
00:34:57,000 --> 00:34:54,790
World Order and you've kind of said that

807
00:34:58,770 --> 00:34:57,010
a couple times I don't want to say that

808
00:35:01,250 --> 00:34:58,780
I don't want to go there because that's

809
00:35:03,470 --> 00:35:01,260
a whole other discussion I

810
00:35:05,270 --> 00:35:03,480
we can if we ever do get back to the

811
00:35:07,790 --> 00:35:05,280
finders goal which we keep trying to get

812
00:35:11,300 --> 00:35:07,800
back to there's there's many different

813
00:35:14,270 --> 00:35:11,310

ways to understand it and one clear way

814

00:35:16,580 --> 00:35:14,280

of understanding it is that what we

815

00:35:19,280 --> 00:35:16,590

talked about in terms of brown stoning

816

00:35:22,490 --> 00:35:19,290

in a brownstone operation and and

817

00:35:26,930 --> 00:35:22,500

blackmail and that this would be in just

818

00:35:29,300 --> 00:35:26,940

an irresistible tool for intelligence

819

00:35:31,490 --> 00:35:29,310

organizations to use they can say well

820

00:35:33,800 --> 00:35:31,500

we could send a dozen agents out in the

821

00:35:36,110 --> 00:35:33,810

field and we could try and you know get

822

00:35:39,890 --> 00:35:36,120

on the inside and penetrate this group

823

00:35:42,860 --> 00:35:39,900

or we could just film this one guy doing

824

00:35:45,140 --> 00:35:42,870

these horrible deeds to an 8 year old

825

00:35:48,140 --> 00:35:45,150

girl and then he'll give us the whole

826

00:35:50,000 --> 00:35:48,150

thing so which should we do a three year

827

00:35:52,640 --> 00:35:50,010

undercover operation that's going to

828

00:35:54,710 --> 00:35:52,650

cost all this money it may expose us to

829

00:35:56,690 --> 00:35:54,720

all this blowback

830

00:35:59,750 --> 00:35:56,700

or do we just do this one little trick

831

00:36:03,140 --> 00:35:59,760

over here but in in in doing that trick

832

00:36:07,550 --> 00:36:03,150

we have to partner with the most evil

833

00:36:12,250 --> 00:36:07,560

people in the world who you know groom

834

00:36:14,840 --> 00:36:12,260

and traffic little kids for sex and some

835

00:36:16,190 --> 00:36:14,850

intelligence guy says yeah but you know

836

00:36:18,410 --> 00:36:16,200

really when you look at it from a

837

00:36:20,420 --> 00:36:18,420

cost-benefit analysis maybe we should do

838

00:36:23,270 --> 00:36:20,430

that I mean that's what the finders cult

839

00:36:25,610 --> 00:36:23,280

is about or or maybe we should run guns

840

00:36:27,470 --> 00:36:25,620

or run drugs with the rank on rank

841

00:36:30,080 --> 00:36:27,480

rancher involves all three of them gun

842

00:36:32,570 --> 00:36:30,090

running child pornography and running

843

00:36:35,090 --> 00:36:32,580

through the franklin scandal and and day

844

00:36:37,520 --> 00:36:35,100

in drug running gun running so balls all

845

00:36:39,230 --> 00:36:37,530

of that so all the I guess I could say

846

00:36:40,700 --> 00:36:39,240

is yeah we're taking a long time to get

847

00:36:42,110 --> 00:36:40,710

to the finders but however it's

848

00:36:44,540 --> 00:36:42,120

important because we have to lay the

849

00:36:46,760 --> 00:36:44,550

groundwork and this isn't just one

850

00:36:49,280 --> 00:36:46,770

specific instance that this occurred

851

00:36:51,380 --> 00:36:49,290

it's occurred and multiple multiple

852

00:36:53,330 --> 00:36:51,390

instances I know Epstein is you know on

853

00:36:54,710 --> 00:36:53,340

everybody's minds now because that's the

854

00:36:58,730 --> 00:36:54,720

most recent one but they're I mean

855

00:37:01,250 --> 00:36:58,740

they're the pull the plural affair and

856

00:37:04,520 --> 00:37:01,260

in the 1960s and and then you know

857

00:37:07,880 --> 00:37:04,530

Franklin and McMartin and and in I mean

858

00:37:10,700 --> 00:37:07,890

it it's not just one isolated event and

859

00:37:12,770 --> 00:37:10,710

they're using all of this and in my

860

00:37:14,210 --> 00:37:12,780

guess as prosecutions never happened or

861

00:37:14,550 --> 00:37:14,220

at least a degree that they should have

862

00:37:17,280 --> 00:37:14,560

you

863

00:37:19,350 --> 00:37:17,290

the daycare scandal is to limit it all

864

00:37:20,490 --> 00:37:19,360

say I mean there's still they're

865

00:37:22,050 --> 00:37:20,500

limiting witch-hunt

866

00:37:25,110 --> 00:37:22,060

they're saying witch hunts today when it

867

00:37:27,270 --> 00:37:25,120

comes to trump and him being innocent

868

00:37:29,580 --> 00:37:27,280

and have it not to do anything you'll

869

00:37:31,800 --> 00:37:29,590

see the vernacular have people like

870

00:37:34,560 --> 00:37:31,810

Michael Savage who compared the the

871

00:37:36,930 --> 00:37:34,570

Russian Russian witch hunter trunk to

872

00:37:40,410 --> 00:37:36,940

McMartin and say well McMartins a witch

873

00:37:42,180 --> 00:37:40,420

hunt and so you know the very you know

874

00:37:44,100 --> 00:37:42,190

this is you know the Russian scandals

875

00:37:45,600 --> 00:37:44,110

witch hunt so you'll see that a lot of

876

00:37:48,180 --> 00:37:45,610

it's still being used in vernacular

877

00:37:49,710 --> 00:37:48,190

today and still being pushed by people

878

00:37:50,880 --> 00:37:49,720

that if they should be intelligence I

879

00:37:53,700 --> 00:37:50,890

mean Michael Savage wrote a book on

880

00:37:56,370 --> 00:37:53,710

famous witch hunts and in his book for

881

00:37:58,620 --> 00:37:56,380

McMartin he does not you know read this

882

00:38:01,410 --> 00:37:58,630

take the time or do anything he lists as

883

00:38:06,060 --> 00:38:01,420

his source a list verse article on

884

00:38:09,450 --> 00:38:06,070

McMartin I mean it's it's they does they

885

00:38:10,980 --> 00:38:09,460

made this by design in my opinion so

886

00:38:12,510 --> 00:38:10,990

that they could continue to get on with

887

00:38:14,100 --> 00:38:12,520

their brownstone operations because no

888

00:38:15,750 --> 00:38:14,110

one thinks twice about sending their

889

00:38:17,670 --> 00:38:15,760

children to daycares

890

00:38:19,740 --> 00:38:17,680

anymore no one thinks twice because if

891

00:38:22,200 --> 00:38:19,750

you think about it I it's just it's just

892

00:38:23,880 --> 00:38:22,210

satanic panic what are you doing why are

893

00:38:27,000 --> 00:38:23,890

you concerned about sending your kid off

894

00:38:28,710 --> 00:38:27,010

and I'm pretty sure abuses are still

895

00:38:30,300 --> 00:38:28,720

occurring we just don't hear about them

896

00:38:31,980 --> 00:38:30,310

anymore because reporters aren't going

897

00:38:33,840 --> 00:38:31,990

to report it because of what happened

898

00:38:38,550 --> 00:38:33,850

with all the day's day care scandals in

899

00:38:42,680 --> 00:38:38,560

the 1980s and 1990s so so let's take one

900

00:38:45,690 --> 00:38:42,690

more stab at going back to fires because

901
00:38:48,030 --> 00:38:45,700
we've kind of talked around about it and

902
00:38:54,120 --> 00:38:48,040
I kind of sent us maybe in a different

903
00:38:57,360 --> 00:38:54,130
direction so the finders cult what what

904
00:39:00,690 --> 00:38:57,370
is it why is it a cult per se and then

905
00:39:01,560 --> 00:39:00,700
what is the connection to what we're

906
00:39:05,370 --> 00:39:01,570
talking about these brownstones

907
00:39:08,430 --> 00:39:05,380
operations it's a cult because Mary Ann

908
00:39:10,470 --> 00:39:08,440
petty was the leader of a group of

909
00:39:13,530 --> 00:39:10,480
people that would enter an exit out of

910
00:39:14,910 --> 00:39:13,540
the finders and when they enter to the

911
00:39:17,040 --> 00:39:14,920
finders they would give up their

912
00:39:19,410 --> 00:39:17,050
monetary possessions they would give up

913
00:39:22,350 --> 00:39:19,420

their real estate which you would snore

914

00:39:24,300 --> 00:39:22,360

mele see with cults of how the leader

915

00:39:25,470 --> 00:39:24,310

would get everything and they put

916

00:39:27,270 --> 00:39:25,480

everything into what was called an

917

00:39:29,940 --> 00:39:27,280

invisible bank

918

00:39:31,650 --> 00:39:29,950

where they you know petit would say well

919

00:39:33,720 --> 00:39:31,660

if you left you'd get your stuff back

920

00:39:35,880 --> 00:39:33,730

well fighters members would later sue

921

00:39:37,980 --> 00:39:35,890

that would leave the cult that would not

922

00:39:41,370 --> 00:39:37,990

get you know what they put back into the

923

00:39:43,200 --> 00:39:41,380

visible bank back now I'd actually argue

924

00:39:45,600 --> 00:39:43,210

a cult and I've kind of changed it in

925

00:39:47,430 --> 00:39:45,610

the book I'm writing I have references

926
00:39:49,410 --> 00:39:47,440
as a cult to make it more palatable to

927
00:39:51,630 --> 00:39:49,420
people but I do actually think it's more

928
00:39:54,720 --> 00:39:51,640
should be more classified as the finders

929
00:39:56,510 --> 00:39:54,730
operation because that seems like what

930
00:39:58,500 --> 00:39:56,520
it is with you know Marion Petty's ties

931
00:40:01,650 --> 00:39:58,510
initially to the Office of Strategic

932
00:40:04,410 --> 00:40:01,660
Services him being part of the Air Force

933
00:40:06,300 --> 00:40:04,420
and later with the information that we

934
00:40:10,140 --> 00:40:06,310
have from the investigative leaves memo

935
00:40:12,900 --> 00:40:10,150
being trained in espionage the Jesuit

936
00:40:16,320 --> 00:40:12,910
college Georgetown University take us

937
00:40:20,340 --> 00:40:16,330
through a timeline with petit petit join

938
00:40:23,310 --> 00:40:20,350

the Air Force and he was so for too many

939

00:40:27,360 --> 00:40:23,320

famous people at the time he chauffeured

940

00:40:29,910 --> 00:40:27,370

harry s truman Dwight D Eisenhower HAP

941

00:40:32,310 --> 00:40:29,920

HAP Arnold who was a head of the Air

942

00:40:36,540 --> 00:40:32,320

Force was one heads an Air Force at the

943

00:40:39,270 --> 00:40:36,550

time so he chauffeured many many high up

944

00:40:40,980 --> 00:40:39,280

elite people around the time of World

945

00:40:44,520 --> 00:40:40,990

War two and afterwards and he was also

946

00:40:46,650 --> 00:40:44,530

owning these apartment buildings in

947

00:40:50,010 --> 00:40:46,660

Washington DC that he was renting to

948

00:40:51,870 --> 00:40:50,020

officer services members so he's had

949

00:40:53,790 --> 00:40:51,880

connections to the government the

950

00:40:56,010 --> 00:40:53,800

highest levels of government even back

951
00:40:58,890 --> 00:40:56,020
then now he claims that he got the money

952
00:41:03,210 --> 00:40:58,900
to start the finders and to buy property

953
00:41:04,650 --> 00:41:03,220
in Virginia by winning poker games over

954
00:41:06,990 --> 00:41:04,660
time and just saved up his money to buy

955
00:41:08,520 --> 00:41:07,000
land where the investigative leads memo

956
00:41:11,760 --> 00:41:08,530
that was later we still do the author of

957
00:41:13,970 --> 00:41:11,770
that is has made references to that it

958
00:41:17,340 --> 00:41:13,980
was him knowing people within

959
00:41:19,590 --> 00:41:17,350
intelligence was how he got that money

960
00:41:21,060 --> 00:41:19,600
because he had high level connections it

961
00:41:23,310 --> 00:41:21,070
wasn't that he was to buy all these

962
00:41:26,010 --> 00:41:23,320
hundreds of acres of land it wasn't from

963
00:41:28,710 --> 00:41:26,020

him winning poker games while he was in

964

00:41:30,900 --> 00:41:28,720

the military right and and that would be

965

00:41:34,020 --> 00:41:30,910

consistent with kind of what we're

966

00:41:37,109 --> 00:41:34,030

seeing with the latest breaking kind of

967

00:41:40,109 --> 00:41:37,119

inside story of the Epstein thing it may

968

00:41:42,989 --> 00:41:40,119

you want to talk about that is for most

969

00:41:45,450 --> 00:41:42,999

people that even begin to understand

970

00:41:47,940 --> 00:41:45,460

Epstein they weren't even awake to any

971

00:41:50,999 --> 00:41:47,950

of it until the phony hanging and then

972

00:41:54,269 --> 00:41:51,009

even just the average system goes come

973

00:41:56,880 --> 00:41:54,279

on that's just ridiculous the suicide

974

00:41:59,609 --> 00:41:56,890

thing it doesn't fit well the kind of

975

00:42:02,960 --> 00:41:59,619

next-level research that people are

976

00:42:06,299 --> 00:42:02,970

doing says really if you look at it

977

00:42:09,150 --> 00:42:06,309

Epstein looks a lot more like a frontman

978

00:42:12,239 --> 00:42:09,160

fall guy thing yes yes one of the

979

00:42:15,989 --> 00:42:12,249

tell-tale signs of that is the stuff is

980

00:42:18,749 --> 00:42:15,999

in his name no one puts their name on

981

00:42:22,200 --> 00:42:18,759

stuff when they're doing those kind of

982

00:42:24,089 --> 00:42:22,210

deeds and I think the same is true in

983

00:42:26,309 --> 00:42:24,099

what you're talking about

984

00:42:29,880 --> 00:42:26,319

whenever we see somebody I own the

985

00:42:31,499 --> 00:42:29,890

Lannon I own the apartments and I'm

986

00:42:33,329 --> 00:42:31,509

doing I'm part of this brownstone

987

00:42:36,539 --> 00:42:33,339

operation then it's like well you're

988

00:42:38,569 --> 00:42:36,549

probably just a frontman because no one

989

00:42:41,039 --> 00:42:38,579

who's really doing that stuff would be

990

00:42:43,019 --> 00:42:41,049

having their name on the line what do

991

00:42:44,819 --> 00:42:43,029

you think about that and and maybe fill

992

00:42:47,549 --> 00:42:44,829

people in on the Epstein thing that I

993

00:42:48,839 --> 00:42:47,559

might be leaving out no I mean I hundred

994

00:42:51,660 --> 00:42:48,849

percent agree with you if accorded

995

00:42:54,180 --> 00:42:51,670

obscene I think he was lower on the rung

996

00:42:55,559 --> 00:42:54,190

when it comes to is it like Lauren cking

997

00:42:57,329 --> 00:42:55,569

I think you know that they were people

998

00:43:00,180 --> 00:42:57,339

Craig B Spence was higher than Lauren

999

00:43:02,519 --> 00:43:00,190

cking there were people higher up within

1000

00:43:04,470 --> 00:43:02,529

these organizations and Lauren C King

1001
00:43:06,809 --> 00:43:04,480
was the fall man Jeffrey Epstein was the

1002
00:43:08,309 --> 00:43:06,819
fall man so at Jeffrey I do feel guilty

1003
00:43:10,710 --> 00:43:08,319
for me on the law of course of course

1004
00:43:12,420 --> 00:43:10,720
I'm not I'm just I'm not no I'm not

1005
00:43:14,609 --> 00:43:12,430
saying at all I'm just saying those

1006
00:43:18,809 --> 00:43:14,619
people go down the higher up people keep

1007
00:43:20,670 --> 00:43:18,819
their hands clean and and so because of

1008
00:43:22,410 --> 00:43:20,680
that you know I would say people that

1009
00:43:27,299 --> 00:43:22,420
are higher up than Jeffrey Epstein would

1010
00:43:30,299 --> 00:43:27,309
be Ghislaine Maxwell last Lex Wexner for

1011
00:43:32,370 --> 00:43:30,309
billionaire who gave Jeffrey Epstein his

1012
00:43:34,170 --> 00:43:32,380
New York City mansion for \$1 and

1013
00:43:36,150 --> 00:43:34,180

supposedly that mansion was wired up for

1014

00:43:38,720 --> 00:43:36,160

the brownstone operation that was three

1015

00:43:42,299 --> 00:43:38,730

or four million dollars worth of audio

1016

00:43:43,589 --> 00:43:42,309

property record and just no but I heard

1017

00:43:46,410 --> 00:43:43,599

is three or four million dollars yeah

1018

00:43:49,380 --> 00:43:46,420

audio video recording equipment and a

1019

00:43:52,589 --> 00:43:49,390

secret room underneath a stairway to

1020

00:43:54,750 --> 00:43:52,599

kind of manage and control it and upload

1021

00:43:57,780 --> 00:43:54,760

it and all the rest that so again

1022

00:43:59,940 --> 00:43:57,790

finders finders called the same

1023

00:44:02,760 --> 00:43:59,950

parallels right this guy is setting up

1024

00:44:04,770 --> 00:44:02,770

these apartments if you will and we

1025

00:44:07,140 --> 00:44:04,780

don't have the full story like we do on

1026
00:44:09,750 --> 00:44:07,150
Epstein yet now but probably the same

1027
00:44:11,430 --> 00:44:09,760
probably the same operation I think

1028
00:44:14,069 --> 00:44:11,440
you're right is instead calling it a

1029
00:44:17,010 --> 00:44:14,079
cult it's an operation from the very

1030
00:44:21,390 --> 00:44:17,020
beginning because it's good business to

1031
00:44:24,960 --> 00:44:21,400
run these these rings of blackmail yeah

1032
00:44:27,030 --> 00:44:24,970
so I mean Mary and petty buys all that

1033
00:44:28,620 --> 00:44:27,040
land from Charles Marsh I believe that

1034
00:44:31,349 --> 00:44:28,630
he wasn't just from from getting playing

1035
00:44:33,750 --> 00:44:31,359
poker it was because his connections

1036
00:44:36,059 --> 00:44:33,760
gave him the money to be able to set up

1037
00:44:37,349 --> 00:44:36,069
this free state because that was Mary a

1038
00:44:40,470 --> 00:44:37,359

petty he's made one of his main

1039

00:44:42,059 --> 00:44:40,480

operations separate from you know the

1040

00:44:45,630 --> 00:44:42,069

filming of child pornography are

1041

00:44:47,640 --> 00:44:45,640

separate from the darkness was that he

1042

00:44:50,220 --> 00:44:47,650

co-opted a lot of the human potential

1043

00:44:53,400 --> 00:44:50,230

movement and it seemed like that he was

1044

00:44:55,770 --> 00:44:53,410

the CIA's man to do so and to kind of

1045

00:44:57,900 --> 00:44:55,780

control it to steer it from what I've

1046

00:44:59,819 --> 00:44:57,910

seen I mean he also had connection to

1047

00:45:03,270 --> 00:44:59,829

connections that we know of to Timothy

1048

00:45:06,150 --> 00:45:03,280

Leary and that he was dealing with Walsh

1049

00:45:06,839 --> 00:45:06,160

I Decker who was Timothy Leary and Billy

1050

00:45:09,630 --> 00:45:06,849

Hitchcock

1051
00:45:12,000 --> 00:45:09,640
so time and time again you see that

1052
00:45:14,819 --> 00:45:12,010
petty can't just be lucky to have all

1053
00:45:17,520 --> 00:45:14,829
these connections to all of these famous

1054
00:45:20,069 --> 00:45:17,530
people and for him to be no one he

1055
00:45:23,510 --> 00:45:20,079
kitten chauffeured around Dwight the

1056
00:45:26,520 --> 00:45:23,520
Eisenhower Patton Lyndon Baines Johnson

1057
00:45:29,490 --> 00:45:26,530
Charles Edward Marsh and he couldn't

1058
00:45:32,700 --> 00:45:29,500
know all these people throughout his

1059
00:45:35,099 --> 00:45:32,710
whole life and just be like you and I

1060
00:45:39,780 --> 00:45:35,109
it's just the odds of that are just very

1061
00:45:42,660 --> 00:45:39,790
small okay so yeah I'm there's a lot of

1062
00:45:46,109 --> 00:45:42,670
kind of cult elements there that ring

1063
00:45:48,900 --> 00:45:46,119

bells with other cults we've seen again

1064

00:45:50,730 --> 00:45:48,910

I'm worried that we're not stitching

1065

00:45:52,289 --> 00:45:50,740

together the story in a way that people

1066

00:45:56,010 --> 00:45:52,299

are going to be able to follow it

1067

00:45:58,390 --> 00:45:56,020

okay so we have petty he's chauffeuring

1068

00:46:00,549 --> 00:45:58,400

around all these soup

1069

00:46:02,980 --> 00:46:00,559

high-level presidents and the highest

1070

00:46:05,740 --> 00:46:02,990

level in the military and as we know

1071

00:46:08,349 --> 00:46:05,750

chauffeur doesn't just mean you're a

1072

00:46:11,170 --> 00:46:08,359

good driver it also means you're a

1073

00:46:13,720 --> 00:46:11,180

confident because you see things yes it

1074

00:46:16,950 --> 00:46:13,730

other people aren't supposed to see and

1075

00:46:19,240 --> 00:46:16,960

you're trusted to keep secrets that

1076

00:46:21,490 --> 00:46:19,250

others might not and these people are

1077

00:46:23,380 --> 00:46:21,500

talking to him too right you know that's

1078

00:46:24,940 --> 00:46:23,390

mentioned to you know in interviews that

1079

00:46:26,890 --> 00:46:24,950

they are they're having discussions with

1080

00:46:28,480 --> 00:46:26,900

them telling him private information do

1081

00:46:30,819 --> 00:46:28,490

as well heads of state selling the

1082

00:46:34,120 --> 00:46:30,829

private information so let's skip ahead

1083

00:46:38,230 --> 00:46:34,130

in the story to where this find is group

1084

00:46:42,819 --> 00:46:38,240

and petty first encounter law

1085

00:46:45,970 --> 00:46:42,829

enforcement and I like the Tallahassee

1086

00:46:50,920 --> 00:46:45,980

police encounter because it seems like a

1087

00:46:54,190 --> 00:46:50,930

pretty clean clean slate investigation

1088

00:46:55,870 --> 00:46:54,200

of when these people are run into law

1089

00:46:57,910 --> 00:46:55,880

enforcement or maybe there's something

1090

00:46:59,829 --> 00:46:57,920

before that yes the only thing that we

1091

00:47:00,970 --> 00:46:59,839

have about the previous raids is a

1092

00:47:03,010 --> 00:47:00,980

little bit of the documents that were

1093

00:47:04,539 --> 00:47:03,020

release in the FBI fall from the

1094

00:47:05,740 --> 00:47:04,549

Metropolitan Police Department

1095

00:47:08,140 --> 00:47:05,750

investigation that was once labeled

1096

00:47:11,260 --> 00:47:08,150

secret but is not anymore because time

1097

00:47:13,059 --> 00:47:11,270

has passed picture there's a raid

1098

00:47:15,160 --> 00:47:13,069

what are they find in this warehouse

1099

00:47:16,450 --> 00:47:15,170

okay let me go to the Metropolitan

1100

00:47:18,670 --> 00:47:16,460

Police Department 7:00 to set everything

1101
00:47:21,990 --> 00:47:18,680
up for that raid okay so in there in

1102
00:47:25,349 --> 00:47:22,000
that raid they were they were you know

1103
00:47:28,240 --> 00:47:25,359
telling it starts the whole choreography

1104
00:47:30,460 --> 00:47:28,250
investigation and that they were raiding

1105
00:47:32,859 --> 00:47:30,470
the finders warehouse and interviewing

1106
00:47:34,750 --> 00:47:32,869
members of the finders that they were

1107
00:47:36,910 --> 00:47:34,760
shooting pornography at the warehouse

1108
00:47:39,940 --> 00:47:36,920
why did they suspect that why would the

1109
00:47:42,400 --> 00:47:39,950
police go and just randomly raid

1110
00:47:44,049 --> 00:47:42,410
somewhere else because we were because

1111
00:47:45,640 --> 00:47:44,059
according to all we have is Toby

1112
00:47:47,410 --> 00:47:45,650
Tourelles instance and in his book the

1113
00:47:48,819 --> 00:47:47,420

game caller the only thing I could piece

1114

00:47:51,190 --> 00:47:48,829

together from that was was they were

1115

00:47:55,359 --> 00:47:51,200

having women that were entering the

1116

00:47:57,099 --> 00:47:55,369

warehouse that were I mean it's like a

1117

00:47:59,559 --> 00:47:57,109

warehouse like you know surrounded by

1118

00:48:02,500 --> 00:47:59,569

other warehouses they were having

1119

00:48:04,510 --> 00:48:02,510

beautiful women entering the warehouse

1120

00:48:06,730 --> 00:48:04,520

so they thought pornography was being

1121

00:48:08,829 --> 00:48:06,740

shot there and when they went there and

1122

00:48:11,319 --> 00:48:08,839

raided the place they found the camera

1123

00:48:12,350 --> 00:48:11,329

in the staging area that would later be

1124

00:48:14,420 --> 00:48:12,360

implicated by

1125

00:48:16,760 --> 00:48:14,430

J Martinez that they were shooting

1126

00:48:18,890 --> 00:48:16,770

pornography there as well to child

1127

00:48:22,490 --> 00:48:18,900

pornography right so that makes sense

1128

00:48:24,160 --> 00:48:22,500

they're just some local Washington DC

1129

00:48:27,320 --> 00:48:24,170

cop they're doing their investigation

1130

00:48:29,240 --> 00:48:27,330

either in prostitution or whatever and

1131

00:48:31,460 --> 00:48:29,250

they go hey this looks strange and they

1132

00:48:34,340 --> 00:48:31,470

follow their suspicion and they raid the

1133

00:48:38,180 --> 00:48:34,350

place now take us to the Martinez thing

1134

00:48:40,430 --> 00:48:38,190

because who is he and what is he tasked

1135

00:48:41,510 --> 00:48:40,440

to do and how does he tie into this well

1136

00:48:43,280 --> 00:48:41,520

I guess maybe I should start with

1137

00:48:46,940 --> 00:48:43,290

Tallahassee's as far as doing the

1138

00:48:49,010 --> 00:48:46,950

timeline so later in 1987 which first

1139

00:48:50,900 --> 00:48:49,020

started this whole modern idea of what

1140

00:48:54,380 --> 00:48:50,910

we know about the finders case alex is

1141

00:48:56,420 --> 00:48:54,390

that two men were arrested Douglas

1142

00:48:58,700 --> 00:48:56,430

Edward a merman in James Michael

1143

00:49:01,190 --> 00:48:58,710

Halliwell were arrested on February 4th

1144

00:49:04,640 --> 00:49:01,200

1987 when a concerned citizen called in

1145

00:49:06,920 --> 00:49:04,650

and said they noticed many disheveled

1146

00:49:09,950 --> 00:49:06,930

dirty children that were behaving like

1147

00:49:12,620 --> 00:49:09,960

wild animals in Myers Park in

1148

00:49:13,430 --> 00:49:12,630

Tallahassee Florida and so the cops get

1149

00:49:17,270 --> 00:49:13,440

there two cops

1150

00:49:19,340 --> 00:49:17,280

Tony Mashburn and Judy shogi they both

1151

00:49:20,960 --> 00:49:19,350

you know arrived at the scene they

1152

00:49:23,360 --> 00:49:20,970

witnessed the children they witnessed

1153

00:49:25,220 --> 00:49:23,370

you know the two adults this witness the

1154

00:49:27,080 --> 00:49:25,230

van that was there the the blue

1155

00:49:29,870 --> 00:49:27,090

sportsman band that the children and the

1156

00:49:32,120 --> 00:49:29,880

adults were living out of and what are

1157

00:49:35,090 --> 00:49:32,130

the adults look like but they're wearing

1158

00:49:38,480 --> 00:49:35,100

suits so the kids are disheveled and

1159

00:49:40,970 --> 00:49:38,490

dirty and the adults are wearing suits

1160

00:49:42,770 --> 00:49:40,980

in Tallahassee Florida so they start

1161

00:49:45,140 --> 00:49:42,780

noticing something's off so they start

1162

00:49:46,910 --> 00:49:45,150

interviewing Hallowell and a merman so

1163

00:49:48,950 --> 00:49:46,920

you know the men mentioned that they

1164

00:49:52,760 --> 00:49:48,960

were taking the kids to a special school

1165

00:49:54,860 --> 00:49:52,770

in Mexico did not identify that they had

1166

00:49:57,020 --> 00:49:54,870

any relation to the kids whatsoever

1167

00:49:59,120 --> 00:49:57,030

police officers are automatically

1168

00:50:03,230 --> 00:49:59,130

suspicious but what is this I mean

1169

00:50:05,690 --> 00:50:03,240

anybody would you know so they moved to

1170

00:50:07,760 --> 00:50:05,700

arrest a Merman and a Halliwell and take

1171

00:50:10,520 --> 00:50:07,770

the children into custody and when they

1172

00:50:13,370 --> 00:50:10,530

do Halliwell refuses the talk and he

1173

00:50:15,320 --> 00:50:13,380

faints and planks on the ground and

1174

00:50:16,130 --> 00:50:15,330

there's actually video and Derrick Rose

1175

00:50:17,630 --> 00:50:16,140

is trying that he's another

1176

00:50:20,870 --> 00:50:17,640

investigators trying to hunt down this

1177

00:50:22,970 --> 00:50:20,880

video of them you know lifting hollawell

1178

00:50:25,700 --> 00:50:22,980

as he's planked on the ground and

1179

00:50:27,589 --> 00:50:25,710

putting him into the cop car

1180

00:50:29,450 --> 00:50:27,599

and that was filling it used to be you

1181

00:50:31,760 --> 00:50:29,460

know broadcast everywhere during the

1182

00:50:33,500 --> 00:50:31,770

fighters case the hall also had two

1183

00:50:36,589 --> 00:50:33,510

forms of Miranda rights with him when he

1184

00:50:38,839 --> 00:50:36,599

was arrested one state seeing that he

1185

00:50:42,530 --> 00:50:38,849

had something to hide in another stating

1186

00:50:46,370 --> 00:50:42,540

that he had nothing to hide so why all

1187

00:50:49,250 --> 00:50:46,380

of this you know because these guys are

1188

00:50:52,460 --> 00:50:49,260

arrested tell has he police they're our

1189

00:50:54,890 --> 00:50:52,470

mess they're like this is bizarre so

1190

00:50:56,390 --> 00:50:54,900

what happens next there are both a

1191

00:50:58,700 --> 00:50:56,400

childhood they were both charged with

1192

00:51:03,079 --> 00:50:58,710

child abuse and they were given \$100,000

1193

00:51:04,370 --> 00:51:03,089

bonds each and so from there the the

1194

00:51:05,960 --> 00:51:04,380

Tassie Police Department starts their

1195

00:51:08,120 --> 00:51:05,970

investigation they start looking at the

1196

00:51:10,430 --> 00:51:08,130

contents and the van in the contents of

1197

00:51:12,650 --> 00:51:10,440

the van you get a trs-80 computer which

1198

00:51:14,480 --> 00:51:12,660

was very sophisticated at the time that

1199

00:51:16,579 --> 00:51:14,490

the finders were using to connect to

1200

00:51:17,059 --> 00:51:16,589

telephone lines to communicate back to

1201

00:51:19,460 --> 00:51:17,069

DC

1202

00:51:22,010 --> 00:51:19,470

they're like BBS message boards and

1203

00:51:23,329 --> 00:51:22,020

messages that they privately had at that

1204

00:51:24,260 --> 00:51:23,339

time that they were using in

1205

00:51:25,940 --> 00:51:24,270

communication

1206

00:51:27,859 --> 00:51:25,950

they also found a Chinese English

1207

00:51:30,559 --> 00:51:27,869

dictionary which will get tino the

1208

00:51:32,930 --> 00:51:30,569

finders had many connections supposedly

1209

00:51:35,450 --> 00:51:32,940

to China and possibly through telexes

1210

00:51:38,210 --> 00:51:35,460

that there were selling of children to

1211

00:51:40,490 --> 00:51:38,220

China that the finders were facilitating

1212

00:51:43,339 --> 00:51:40,500

supposedly that Ramon J Martinez had

1213

00:51:44,660 --> 00:51:43,349

found during his investigation of both

1214

00:51:47,750 --> 00:51:44,670

the apartment building in the warehouse

1215

00:51:51,530 --> 00:51:47,760

later in Washington and they also found

1216

00:51:52,970 --> 00:51:51,540

pictures within the van and some of

1217

00:51:54,740 --> 00:51:52,980

those pictures were of naked children

1218

00:51:56,359 --> 00:51:54,750

now the finders would argue that those

1219

00:51:59,930 --> 00:51:56,369

pictures were just adults taking

1220

00:52:02,470 --> 00:51:59,940

pictures of their kids let's not let's

1221

00:52:06,160 --> 00:52:02,480

not muddy the water with [h__h]

1222

00:52:08,240 --> 00:52:06,170

completely flat earth [h__h] kind of

1223

00:52:10,309 --> 00:52:08,250

explanations they found child

1224

00:52:12,740 --> 00:52:10,319

pornography they're cops they see it

1225

00:52:14,870 --> 00:52:12,750

they're on this case now right I mean

1226

00:52:16,700 --> 00:52:14,880

they are on this thing right so they're

1227

00:52:18,829 --> 00:52:16,710

trying they're trying to track down the

1228

00:52:20,299 --> 00:52:18,839

parents of the kids is what the

1229

00:52:22,930 --> 00:52:20,309

Tallahassee Police Department is trying

1230

00:52:26,000 --> 00:52:22,940

to do so when they take the kids into

1231

00:52:28,430 --> 00:52:26,010

the police station they start noticing

1232

00:52:32,299 --> 00:52:28,440

that the children don't understand like

1233

00:52:35,089 --> 00:52:32,309

modern objects like clocks typewriters

1234

00:52:37,789 --> 00:52:35,099

they start you know few of them start

1235

00:52:39,290 --> 00:52:37,799

urinating on the floor and so there have

1236

00:52:41,270 --> 00:52:39,300

very off behavior

1237

00:52:44,000 --> 00:52:41,280

and they talk about giving getting food

1238

00:52:47,210 --> 00:52:44,010

as a reward and that they follow a very

1239

00:52:49,040 --> 00:52:47,220

very strictly vegan diet and and so they

1240

00:52:52,070 --> 00:52:49,050

start you know interviewing the children

1241

00:52:54,560 --> 00:52:52,080

jordan Errico who was labeled as mary at

1242

00:52:57,320 --> 00:52:54,570

the time she every time they ask her

1243

00:52:58,760 --> 00:52:57,330

about sexual abuse she becomes very

1244

00:53:00,890 --> 00:52:58,770

fidgety and doesn't really want to

1245

00:53:02,810 --> 00:53:00,900

answer those questions how old are the

1246

00:53:06,640 --> 00:53:02,820

children they range anywhere between six

1247

00:53:12,260 --> 00:53:06,650

to three and how many of them are there

1248

00:53:14,420 --> 00:53:12,270

six okay so they're the very interesting

1249

00:53:16,640 --> 00:53:14,430

thing about this is when I want to

1250

00:53:19,820 --> 00:53:16,650

interviewed former Tallahassee Police

1251

00:53:21,800 --> 00:53:19,830

Department officer Ric Huffman so I had

1252

00:53:23,090 --> 00:53:21,810

always thought that through the FBI that

1253

00:53:24,950 --> 00:53:23,100

they would you know the mothers would

1254

00:53:26,810 --> 00:53:24,960

have came down they would have checked

1255

00:53:29,330 --> 00:53:26,820

the birth certificates or shown some

1256

00:53:31,730 --> 00:53:29,340

proof other than the children actually

1257

00:53:34,250 --> 00:53:31,740

you know responding to the parents like

1258

00:53:35,750 --> 00:53:34,260

this is my mother this is my father or

1259

00:53:37,010 --> 00:53:35,760

you know but there's the mothers that

1260

00:53:38,630 --> 00:53:37,020

went down but you know what I'm saying

1261

00:53:40,610 --> 00:53:38,640

so I thought there would have been more

1262

00:53:42,170 --> 00:53:40,620

proof of trying to back that up from

1263

00:53:45,410 --> 00:53:42,180

what I'm ascertaining what I'm finding

1264

00:53:48,050 --> 00:53:45,420

out that was not I'll need to find out

1265

00:53:50,210 --> 00:53:48,060

okay we jump back up for a minute here

1266

00:53:52,430 --> 00:53:50,220

because okay so these are cops they're

1267

00:53:53,810 --> 00:53:52,440

just doing what at this point they're

1268

00:53:56,270 --> 00:53:53,820

they know there's something odd they

1269

00:53:58,940 --> 00:53:56,280

just want to find the case so what do

1270

00:54:05,060 --> 00:53:58,950

they do next how do they contact these

1271

00:54:07,490 --> 00:54:05,070

kids who are like just feral animals how

1272

00:54:10,280 --> 00:54:07,500

do they contact their parents what do

1273

00:54:12,080 --> 00:54:10,290

they do who are their parents they're

1274

00:54:14,660 --> 00:54:12,090

trying to track down leads or getting

1275

00:54:18,020 --> 00:54:14,670

many calls from family members of the

1276

00:54:19,820 --> 00:54:18,030

finders like they got a call from yeah

1277

00:54:21,650 --> 00:54:19,830

but I mean do they did they call in the

1278

00:54:23,690 --> 00:54:21,660

media and say hey here are these kids

1279

00:54:25,130 --> 00:54:23,700

yes they call they call in the media

1280

00:54:27,380 --> 00:54:25,140

they're saying you know here are these

1281

00:54:28,880 --> 00:54:27,390

kids it's very well reported even

1282

00:54:30,440 --> 00:54:28,890

throughout the Associated Press it's

1283

00:54:32,540 --> 00:54:30,450

reported throughout the United States

1284

00:54:34,730 --> 00:54:32,550

they're trying to find the identities of

1285

00:54:36,650 --> 00:54:34,740

these children of who their parents are

1286

00:54:38,990 --> 00:54:36,660

if they were parents of members within

1287

00:54:41,270 --> 00:54:39,000

the cult they don't know there's a cult

1288

00:54:43,640 --> 00:54:41,280

at this point right I mean they have

1289

00:54:45,830 --> 00:54:43,650

some idea around that time yes right but

1290

00:54:47,570 --> 00:54:45,840

I mean they're just before we can say

1291

00:54:49,790 --> 00:54:47,580

cult I mean they just say who are the

1292

00:54:51,020 --> 00:54:49,800

parents of these kids because yes son we

1293

00:54:52,380 --> 00:54:51,030

want to reunite the kids with their

1294

00:54:55,170 --> 00:54:52,390

parents but number two

1295

00:54:58,259 --> 00:54:55,180

want to investigate what's going on so

1296

00:55:00,959 --> 00:54:58,269

how did they then connect these kids

1297

00:55:03,150 --> 00:55:00,969

with quote-unquote their parents

1298

00:55:05,670 --> 00:55:03,160

well eventually the parents after we

1299

00:55:07,319 --> 00:55:05,680

step up in contact detail has the police

1300

00:55:09,029 --> 00:55:07,329

department that they want to come from

1301

00:55:10,499 --> 00:55:09,039

Tallahassee that they were in California

1302

00:55:12,900 --> 00:55:10,509

and they waited because everybody was

1303

00:55:14,729 --> 00:55:12,910

blowing it out of proportion that you

1304

00:55:15,989 --> 00:55:14,739

know this was satanic ritual abuse and

1305

00:55:18,269 --> 00:55:15,999

they were satanic elements and they were

1306

00:55:21,029 --> 00:55:18,279

a fear for their life so they waited a

1307

00:55:23,130 --> 00:55:21,039

week to go down to Tallahassee to meet

1308

00:55:26,039 --> 00:55:23,140

with the taxi Police Department for them

1309

00:55:29,519 --> 00:55:26,049

to you know try to get custody of their

1310

00:55:32,160 --> 00:55:29,529

children how many parents are there 12

1311

00:55:34,679 --> 00:55:32,170

they're all within the finders okay so

1312

00:55:37,140 --> 00:55:34,689

there's 12 parents when you say they're

1313

00:55:38,880 --> 00:55:37,150

all in the finders will later find out

1314

00:55:40,949 --> 00:55:38,890

that they're associated with the finders

1315

00:55:43,319 --> 00:55:40,959

operation or finders cult but at this

1316

00:55:46,109 --> 00:55:43,329

point they're just adults who are living

1317

00:55:47,609 --> 00:55:46,119

in California what else do we know well

1318

00:55:49,019 --> 00:55:47,619

the girl they weren't living in

1319

00:55:51,809 --> 00:55:49,029

California the women were therefore

1320

00:55:53,670 --> 00:55:51,819

working they called it weaning the

1321

00:55:55,890 --> 00:55:53,680

children away from their mothers so they

1322

00:55:58,199 --> 00:55:55,900

were there at working in California but

1323

00:56:01,259 --> 00:55:58,209

their bases were still in the apartments

1324

00:56:04,140 --> 00:56:01,269

and in Washington DC area and we're

1325

00:56:06,089 --> 00:56:04,150

still in the warehouse but yes during

1326

00:56:08,429 --> 00:56:06,099

the investigation the ties the police

1327

00:56:10,259 --> 00:56:08,439

firing figures out that these were their

1328

00:56:12,900 --> 00:56:10,269

parents these were members of the

1329

00:56:14,910 --> 00:56:12,910

finders that they were a cult that's

1330

00:56:16,079 --> 00:56:14,920

what they were labeled as such now some

1331

00:56:17,939 --> 00:56:16,089

people have disagreements in there when

1332

00:56:19,799 --> 00:56:17,949

I talked to Rick Huffman and just like

1333

00:56:20,609 --> 00:56:19,809

you know he mentioned in the the paper

1334

00:56:23,400 --> 00:56:20,619

and everything like that

1335

00:56:24,959 --> 00:56:23,410

there's two ways of framing the finders

1336

00:56:26,939 --> 00:56:24,969

that happen like it happens with all

1337

00:56:28,739 --> 00:56:26,949

this oh they're just progressive the

1338

00:56:30,120 --> 00:56:28,749

progressive with how they raised the

1339

00:56:32,999 --> 00:56:30,130

children how the children were pretty

1340

00:56:34,079 --> 00:56:33,009

much wild and and previously beforehand

1341

00:56:36,059 --> 00:56:34,089

that we learned that they're you know

1342

00:56:38,569 --> 00:56:36,069

two children had left the warehouse area

1343

00:56:41,309 --> 00:56:38,579

and had been picked up by the police and

1344

00:56:43,559 --> 00:56:41,319

and had stayed certain amount of time in

1345

00:56:45,660 --> 00:56:43,569

foster care before this event even

1346

00:56:46,739 --> 00:56:45,670

happened so they kind of look at him and

1347

00:56:47,849 --> 00:56:46,749

well they're just progressives and

1348

00:56:50,519 --> 00:56:47,859

that's how they raised their kids and

1349

00:56:52,739 --> 00:56:50,529

there's that's okay anybody who tried to

1350

00:56:54,779 --> 00:56:52,749

fight for the kids like prosecuting

1351
00:56:57,329 --> 00:56:54,789
attorney Willie Meg's they just labeled

1352
00:56:59,669 --> 00:56:57,339
him as a Christian as a nut he's just a

1353
00:57:02,669 --> 00:56:59,679
nut he's just a seal it with a with a

1354
00:57:04,890 --> 00:57:02,679
with a chip on his shoulders you know

1355
00:57:05,970 --> 00:57:04,900
trying to keep the children away from

1356
00:57:07,349 --> 00:57:05,980
their parents

1357
00:57:09,630 --> 00:57:07,359
the finders and everything like that

1358
00:57:11,640 --> 00:57:09,640
they label him as such again it's the

1359
00:57:13,290 --> 00:57:11,650
whole witch hunt narrative they label

1360
00:57:14,609 --> 00:57:13,300
you know the people who are trying to

1361
00:57:15,960 --> 00:57:14,619
get down to the bottom of things and

1362
00:57:17,400 --> 00:57:15,970
trying to protect the children as

1363
00:57:19,349 --> 00:57:17,410

Christians and having Christian

1364

00:57:21,030 --> 00:57:19,359

proclivities and the people that say the

1365

00:57:24,540 --> 00:57:21,040

finders didn't do anything they were

1366

00:57:27,470 --> 00:57:24,550

more progressive well there's you know

1367

00:57:30,420 --> 00:57:27,480

we'll get into that there's a lot of

1368

00:57:33,540 --> 00:57:30,430

deep waters there that we have to kind

1369

00:57:35,430 --> 00:57:33,550

of tread as well I'm trying to put it

1370

00:57:37,530 --> 00:57:35,440

together and maybe a different way which

1371

00:57:38,609 --> 00:57:37,540

is you know you got to tell the stories

1372

00:57:41,010 --> 00:57:38,619

we're just two guys having a

1373

00:57:41,609 --> 00:57:41,020

conversation your change in the world or

1374

00:57:44,130 --> 00:57:41,619

anything like that

1375

00:57:46,710 --> 00:57:44,140

I'm trying to understand this I do think

1376

00:57:50,520 --> 00:57:46,720

the false narratives and repeating the

1377

00:57:53,340 --> 00:57:50,530

false narratives and the obviously false

1378

00:57:56,760 --> 00:57:53,350

narratives I don't think that helps the

1379

00:57:59,490 --> 00:57:56,770

story I don't think any reasonable

1380

00:58:02,090 --> 00:57:59,500

person would see this as fitting into

1381

00:58:03,500 --> 00:58:02,100

anything close to a progressive

1382

00:58:06,300 --> 00:58:03,510

child-rearing

1383

00:58:09,960 --> 00:58:06,310

especially when now our eyes have gone

1384

00:58:12,450 --> 00:58:09,970

more open to the grooming of children

1385

00:58:16,230 --> 00:58:12,460

and the involvement of children and sex

1386

00:58:18,720 --> 00:58:16,240

crimes and it fits so exactly into that

1387

00:58:20,490 --> 00:58:18,730

model that I just don't think we need to

1388

00:58:23,370 --> 00:58:20,500

spend a lot of time with those

1389

00:58:26,820 --> 00:58:23,380

alternative narratives even if they did

1390

00:58:29,880 --> 00:58:26,830

entertain people back in 1987 who cares

1391

00:58:31,680 --> 00:58:29,890

as we look back on it it's clearly these

1392

00:58:33,060 --> 00:58:31,690

kids were being but not everybody's

1393

00:58:34,890 --> 00:58:33,070

looking at it that way though they're

1394

00:58:38,580 --> 00:58:34,900

labeling as such that's why I'm bringing

1395

00:58:40,380 --> 00:58:38,590

that to the table that you know it's

1396

00:58:42,240 --> 00:58:40,390

it's third stuff it's it's fluttered

1397

00:58:45,330 --> 00:58:42,250

stuff you know and when I say flutter

1398

00:58:46,830 --> 00:58:45,340

stuff it's like it just we've seen this

1399

00:58:48,870 --> 00:58:46,840

over and over again in all these

1400

00:58:51,030 --> 00:58:48,880

different fields you know is even in the

1401
00:58:52,590 --> 00:58:51,040
more mundane stuff that I've done and

1402
00:58:56,160 --> 00:58:52,600
you know my show you know a near-death

1403
00:58:58,620 --> 00:58:56,170
experience you can sit in argue and

1404
00:59:01,109 --> 00:58:58,630
debate with people and I still sometimes

1405
00:59:03,570 --> 00:59:01,119
engage in it I'm these crazy you know

1406
00:59:06,300 --> 00:59:03,580
last gasp of a dying brain you know some

1407
00:59:08,880 --> 00:59:06,310
stuff that just doesn't add up and you

1408
00:59:11,099 --> 00:59:08,890
know yep mountains and mountains of

1409
00:59:14,160 --> 00:59:11,109
scientific papers that refute that over

1410
00:59:15,660 --> 00:59:14,170
and over again and this is a tactic you

1411
00:59:17,280 --> 00:59:15,670
know we have to but the thing is is with

1412
00:59:19,839 --> 00:59:17,290
this we don't have I mean we don't

1413
00:59:22,269 --> 00:59:19,849

there's so much pushback on

1414

00:59:23,890 --> 00:59:22,279

that you have to show why the other side

1415

00:59:26,289 --> 00:59:23,900

is wrong just like we talked about the

1416

00:59:28,329 --> 00:59:26,299

execution of Henriette and Igor the

1417

00:59:31,380 --> 00:59:28,339

children have participated in and how I

1418

00:59:33,579 --> 00:59:31,390

believe that to be a satanic ritual the

1419

00:59:36,099 --> 00:59:33,589

finders and everything that was reported

1420

00:59:38,979 --> 00:59:36,109

about it at the time you know I mean

1421

00:59:40,690 --> 00:59:38,989

later on at first they they presented it

1422

00:59:42,309 --> 00:59:40,700

as such as being a satanic ritual to

1423

00:59:43,180 --> 00:59:42,319

these children participated in but later

1424

00:59:45,999 --> 00:59:43,190

was changed

1425

00:59:47,680 --> 00:59:46,009

it was now looked upon in because you

1426
00:59:48,339 --> 00:59:47,690
got remember you the way you and I look

1427
00:59:51,009 --> 00:59:48,349
at things

1428
00:59:53,950 --> 00:59:51,019
our war with our eyes open is different

1429
00:59:55,539 --> 00:59:53,960
than the general public so when you know

1430
00:59:56,859 --> 00:59:55,549
when most of the general public look at

1431
00:59:58,749 --> 00:59:56,869
it they're going to go with the idea

1432
01:00:01,059 --> 00:59:58,759
that's being pushed to them that it was

1433
01:00:02,920 --> 01:00:01,069
just animal husbandry because that's

1434
01:00:04,599 --> 01:00:02,930
what the finders are trying us in the

1435
01:00:07,420 --> 01:00:04,609
media later on try to say it was that

1436
01:00:09,130 --> 01:00:07,430
the experience was just them teaching

1437
01:00:10,479 --> 01:00:09,140
you know if you were a butcher and

1438
01:00:12,099 --> 01:00:10,489

you're raising your kids in the art of

1439

01:00:13,719 --> 01:00:12,109

butchery then you would show them how to

1440

01:00:15,430 --> 01:00:13,729

butcher a goat and you would give a

1441

01:00:17,200 --> 01:00:15,440

three-year-old child the goat's head to

1442

01:00:19,870 --> 01:00:17,210

hold on a civil platter and a picture

1443

01:00:22,390 --> 01:00:19,880

and you know rip out the womb and and

1444

01:00:25,900 --> 01:00:22,400

you know you know pull the fetuses out

1445

01:00:28,359 --> 01:00:25,910

and you know that they've labeled that

1446

01:00:31,390 --> 01:00:28,369

as such so you have to show why that is

1447

01:00:33,880 --> 01:00:31,400

ludicrous and then a fact that it that's

1448

01:00:36,219 --> 01:00:33,890

what I'm trying to do see this is a this

1449

01:00:37,690 --> 01:00:36,229

is an interesting discussion and it's

1450

01:00:40,089 --> 01:00:37,700

one that we should have because only

1451
01:00:42,309 --> 01:00:40,099
people like you and I can have this kind

1452
01:00:45,579 --> 01:00:42,319
of discussion this level-3 discussion

1453
01:00:48,700 --> 01:00:45,589
see I don't think you do I don't think

1454
01:00:53,200 --> 01:00:48,710
you can get there from here so what

1455
01:00:55,209 --> 01:00:53,210
you're describing is again this and you

1456
01:00:57,039 --> 01:00:55,219
kind of hinted at out maybe people can

1457
01:01:01,420 --> 01:00:57,049
pick up the thread of that story is

1458
01:01:04,390 --> 01:01:01,430
there is this ritualistic slaughter of

1459
01:01:08,499 --> 01:01:04,400
this goat that clearly for anyone who's

1460
01:01:10,359 --> 01:01:08,509
looked into it is occulted satanic you

1461
01:01:13,059 --> 01:01:10,369
know with all the symbolism and stuff

1462
01:01:16,359 --> 01:01:13,069
like that and their explanation of it

1463
01:01:18,579 --> 01:01:16,369

was as you said just this absurd idea of

1464

01:01:20,739 --> 01:01:18,589

animal husbandry and why you would show

1465

01:01:22,719 --> 01:01:20,749

a three-year-old and have them have a

1466

01:01:26,229 --> 01:01:22,729

photo with the goat's head on the thing

1467

01:01:28,930 --> 01:01:26,239

yeah but my point is can't get there

1468

01:01:31,450 --> 01:01:28,940

from here but some people do but some

1469

01:01:33,670 --> 01:01:31,460

people do wake up though I woke up they

1470

01:01:36,220 --> 01:01:33,680

does happen and we can't cessation

1471

01:01:38,020 --> 01:01:36,230

things either like you know - and on

1472

01:01:42,190 --> 01:01:38,030

people saying that there's you know huge

1473

01:01:44,170 --> 01:01:42,200

adrenochrome farms where you know we're

1474

01:01:46,660 --> 01:01:44,180

trying to objectively follow the facts

1475

01:01:48,580 --> 01:01:46,670

of where they lead - you know and so

1476

01:01:52,030 --> 01:01:48,590

that's why I'm trying to present it you

1477

01:01:55,630 --> 01:01:52,040

know to present their argument is false

1478

01:01:58,450 --> 01:01:55,640

I have to show why it is false and some

1479

01:02:00,790 --> 01:01:58,460

people will read this who previously did

1480

01:02:01,960 --> 01:02:00,800

not believe in ritual satanic abuse or

1481

01:02:04,330 --> 01:02:01,970

did not believe that the government is

1482

01:02:06,100 --> 01:02:04,340

involved in such things some people will

1483

01:02:08,380 --> 01:02:06,110

come to the conclusion that it is a real

1484

01:02:09,910 --> 01:02:08,390

thing that's why it's important I mean I

1485

01:02:11,890 --> 01:02:09,920

even saw with Henry Clements when I

1486

01:02:14,500 --> 01:02:11,900

asked him claims that were written about

1487

01:02:16,000 --> 01:02:14,510

him in books of statements that he made

1488

01:02:18,010 --> 01:02:16,010

and he said I never made that statement

1489

01:02:19,930 --> 01:02:18,020

and him you know and me interviewing him

1490

01:02:22,060 --> 01:02:19,940

multiple multiple times in us having

1491

01:02:24,220 --> 01:02:22,070

conversations throughout many months and

1492

01:02:26,320 --> 01:02:24,230

him never changing his story and him

1493

01:02:30,460 --> 01:02:26,330

never adding things or embellishing

1494

01:02:33,460 --> 01:02:30,470

things or anything like that as an

1495

01:02:35,560 --> 01:02:33,470

author I have to you know show what the

1496

01:02:37,990 --> 01:02:35,570

evidence shows and not take things out

1497

01:02:40,750 --> 01:02:38,000

of context not put words in people's

1498

01:02:42,430 --> 01:02:40,760

mouths so I have you know I think it's

1499

01:02:44,560 --> 01:02:42,440

important for me to do these things

1500

01:02:46,930 --> 01:02:44,570

because there will be some people who

1501
01:02:49,300 --> 01:02:46,940
will not everyone you're right you can't

1502
01:02:51,310 --> 01:02:49,310
you can't get everyone to look at it

1503
01:02:54,010 --> 01:02:51,320
some people don't want to stare until

1504
01:02:55,570 --> 01:02:54,020
abyss and realize how evil this is want

1505
01:02:57,040 --> 01:02:55,580
to see that it goes to the top levels of

1506
01:02:58,630 --> 01:02:57,050
government they want to live with their

1507
01:03:01,300 --> 01:02:58,640
head buried in the sand because they

1508
01:03:04,000 --> 01:03:01,310
can't just face that cruel harsh true

1509
01:03:06,670 --> 01:03:04,010
reality of life in the world that we

1510
01:03:08,920 --> 01:03:06,680
live in but still for some that still

1511
01:03:11,860 --> 01:03:08,930
hold on to the objectivity you have to

1512
01:03:15,460 --> 01:03:11,870
show them of why these narratives are

1513
01:03:18,910 --> 01:03:15,470

wrong because if we go with if I just

1514

01:03:20,470 --> 01:03:18,920

start out with you know everything that

1515

01:03:22,420 --> 01:03:20,480

deals with satanic ritual abuse in all

1516

01:03:24,190 --> 01:03:22,430

of these cases and I just start out with

1517

01:03:25,990 --> 01:03:24,200

that it's gonna immediately turn a whole

1518

01:03:28,150 --> 01:03:26,000

bunch of people off that will not

1519

01:03:29,920 --> 01:03:28,160

recognize the true deaths of this and

1520

01:03:32,020 --> 01:03:29,930

there are people that do change their

1521

01:03:33,280 --> 01:03:32,030

minds you change your mind is you not

1522

01:03:37,270 --> 01:03:33,290

when you started looking into the

1523

01:03:40,240 --> 01:03:37,280

evidence yeah I mean but I was already

1524

01:03:41,890 --> 01:03:40,250

predisposed to I mean I think you go

1525

01:03:43,810 --> 01:03:41,900

through these layers it's like layers of

1526

01:03:45,310 --> 01:03:43,820

an onion you know I have a good personal

1527

01:03:47,480 --> 01:03:45,320

friend who did not believe it who worked

1528

01:03:49,190 --> 01:03:47,490

for CPS until he read the Franklin

1529

01:03:51,230 --> 01:03:49,200

and knew the reports that were given by

1530

01:03:54,050 --> 01:03:51,240

the CPS officials in the Franklin

1531

01:03:56,630 --> 01:03:54,060

scandal that that was what changed him

1532

01:03:58,550 --> 01:03:56,640

he went from not believing it to

1533

01:04:01,820 --> 01:03:58,560

believing it afterwards and doing

1534

01:04:03,290 --> 01:04:01,830

research on his own it happens I agree

1535

01:04:05,690 --> 01:04:03,300

with you and I think you make an

1536

01:04:08,180 --> 01:04:05,700

excellent point I love how you just laid

1537

01:04:09,770 --> 01:04:08,190

all that out again in this kind of

1538

01:04:11,420 --> 01:04:09,780

inside baseball discussion which is

1539

01:04:14,270 --> 01:04:11,430

interesting so I'm going to pursue it a

1540

01:04:18,190 --> 01:04:14,280

little bit further the flip side of that

1541

01:04:22,160 --> 01:04:18,200

that I was trying to tap into is that

1542

01:04:25,930 --> 01:04:22,170

the bunny trail stuff can get really

1543

01:04:30,530 --> 01:04:25,940

frustrating too you know so spending an

1544

01:04:34,670 --> 01:04:30,540

inordinate amount of time on the just

1545

01:04:37,190 --> 01:04:34,680

the ludicrous your story to me I just

1546

01:04:39,109 --> 01:04:37,200

been down that path a million times it's

1547

01:04:42,470 --> 01:04:39,119

flat earth kind of stuff it's like

1548

01:04:44,720 --> 01:04:42,480

obviously that's a manufactured story

1549

01:04:47,480 --> 01:04:44,730

I'm glad that you got the story out

1550

01:04:50,750 --> 01:04:47,490

there I just don't you know it's like

1551

01:04:53,570 --> 01:04:50,760

the false equivalency argument the

1552

01:04:55,670 --> 01:04:53,580

skeptical argument like there has to be

1553

01:04:57,980 --> 01:04:55,680

a balance we have to give equal time to

1554

01:05:01,970 --> 01:04:57,990

these other things and you're not saying

1555

01:05:05,540 --> 01:05:01,980

that I'm not I'm I'm saying this is what

1556

01:05:08,120 --> 01:05:05,550

they say this is why it's wrong that so

1557

01:05:11,780 --> 01:05:08,130

so I'm just super sensitive to that and

1558

01:05:14,900 --> 01:05:11,790

and because I want to get to not one

1559

01:05:16,940 --> 01:05:14,910

narrative like this is the answer kind

1560

01:05:19,190 --> 01:05:16,950

of narrative but I want to kind of

1561

01:05:23,200 --> 01:05:19,200

string this stuff together in a way

1562

01:05:25,640 --> 01:05:23,210

that's going to get us more quickly to

1563

01:05:27,680 --> 01:05:25,650

understanding this stuff from the big

1564

01:05:29,330 --> 01:05:27,690

picture standpoint so the fact that

1565

01:05:31,300 --> 01:05:29,340

there's this so here's where we're at I

1566

01:05:35,720 --> 01:05:31,310

mean back to our story

1567

01:05:38,480 --> 01:05:35,730

we got this finders operation that is

1568

01:05:40,910 --> 01:05:38,490

also a cult so it's pushing all the

1569

01:05:43,670 --> 01:05:40,920

buttons that we know to be the cult

1570

01:05:47,960 --> 01:05:43,680

buttons and getting people mind controls

1571

01:05:50,720 --> 01:05:47,970

and getting them to give up their common

1572

01:05:53,120 --> 01:05:50,730

sense in their their morals their sense

1573

01:05:56,570 --> 01:05:53,130

of self their sense of self all this

1574

01:05:58,730 --> 01:05:56,580

stuff in exchange for these other things

1575

01:06:00,730 --> 01:05:58,740

and in this case it's mixed in with this

1576

01:06:03,250 --> 01:06:00,740

sexual abuse of children and

1577

01:06:05,230 --> 01:06:03,260

the rest of that but so back to the to

1578

01:06:08,080 --> 01:06:05,240

the story I want to follow the

1579

01:06:10,090 --> 01:06:08,090

chronology if we can so we can imagine

1580

01:06:14,080 --> 01:06:10,100

at this point that the Tallahassee

1581

01:06:17,020 --> 01:06:14,090

police they may be acting like hey we're

1582

01:06:19,780 --> 01:06:17,030

just trying to you know reunite these

1583

01:06:22,990 --> 01:06:19,790

kids but you've got to believe that deep

1584

01:06:26,290 --> 01:06:23,000

down and again folks John brisson has

1585

01:06:29,230 --> 01:06:26,300

talked to got picked up the phone picked

1586

01:06:31,480 --> 01:06:29,240

up the Skype and talked to people from

1587

01:06:34,680 --> 01:06:31,490

the Tallahassee Police Department that

1588

01:06:38,650 --> 01:06:34,690

remember this case this is a real

1589

01:06:41,440 --> 01:06:38,660

researcher investigator who has unique

1590

01:06:43,120 --> 01:06:41,450

information to bring to this it's just

1591

01:06:47,290 --> 01:06:43,130

kind of remarkable you know back to the

1592

01:06:49,810 --> 01:06:47,300

beginning very beginning intro who the

1593

01:06:51,220 --> 01:06:49,820

hell is doing this you know I talked to

1594

01:06:53,350 --> 01:06:51,230

all these like I said all these

1595

01:06:55,840 --> 01:06:53,360

academics I talked to that want to

1596

01:06:58,540 --> 01:06:55,850

dismiss this or not want find and find a

1597

01:07:00,550 --> 01:06:58,550

reason not to believe it please call up

1598

01:07:03,540 --> 01:07:00,560

the Tallahassee Police like John did

1599

01:07:05,560 --> 01:07:03,550

please call up the Tallahassee Police

1600

01:07:08,950 --> 01:07:05,570

investigators who worked on the case

1601
01:07:11,109 --> 01:07:08,960
talk to them so back to the Tallahassee

1602
01:07:13,740 --> 01:07:11,119
Police I know a little bit about how

1603
01:07:16,420 --> 01:07:13,750
police investigations work these guys

1604
01:07:18,340 --> 01:07:16,430
know these people are guilty and they

1605
01:07:21,670 --> 01:07:18,350
want the parents to come in because they

1606
01:07:22,240 --> 01:07:21,680
want to get their testimony some of them

1607
01:07:28,180 --> 01:07:22,250
do

1608
01:07:30,849 --> 01:07:28,190
and they so they bring in okay so they

1609
01:07:33,790 --> 01:07:30,859
they take the children to be examined by

1610
01:07:36,099 --> 01:07:33,800
a doctor to see if any if any sexual

1611
01:07:38,830 --> 01:07:36,109
molestation had taken place

1612
01:07:41,020 --> 01:07:38,840
I'm still trying I'm still trying to

1613
01:07:42,730 --> 01:07:41,030

track down those reports or trying to

1614

01:07:44,859 --> 01:07:42,740

track down anybody that can verify

1615

01:07:47,710 --> 01:07:44,869

outside of Tallahassee Police Department

1616

01:07:49,750 --> 01:07:47,720

documents on those and so they bring in

1617

01:07:51,910 --> 01:07:49,760

dr. diamond greenberg well dr. diamond

1618

01:07:54,340 --> 01:07:51,920

Greenberg was for the defense of the

1619

01:07:57,370 --> 01:07:54,350

McMartin trial and he was one to lead

1620

01:08:00,520 --> 01:07:57,380

you know experts for the defense to cash

1621

01:08:02,170 --> 01:08:00,530

a donkey MacFarlane houki McFarlane was

1622

01:08:03,910 --> 01:08:02,180

you know the therapist he was

1623

01:08:05,200 --> 01:08:03,920

interviewing the children and the main

1624

01:08:06,070 --> 01:08:05,210

therapist was interviewing the children

1625

01:08:08,290 --> 01:08:06,080

for the McMartin case

1626

01:08:10,599 --> 01:08:08,300

hey David quickly interject a quick

1627

01:08:12,200 --> 01:08:10,609

question I have no idea why did they

1628

01:08:14,870 --> 01:08:12,210

bring him in

1629

01:08:17,120 --> 01:08:14,880

sounds very suspicious that he was the

1630

01:08:20,079 --> 01:08:17,130

guy who was brought in because there's a

1631

01:08:23,180 --> 01:08:20,089

man named grey collar who worked for the

1632

01:08:26,900 --> 01:08:23,190

NHS in Florida who used to live in

1633

01:08:29,870 --> 01:08:26,910

Chicago who knew Greenberg and Greenberg

1634

01:08:33,439 --> 01:08:29,880

set himself up as a lead expert in

1635

01:08:35,780 --> 01:08:33,449

trying to determine you know child abuse

1636

01:08:37,640 --> 01:08:35,790

he we had this organization called child

1637

01:08:39,919 --> 01:08:37,650

abuse unit for studies out of the

1638

01:08:41,510 --> 01:08:39,929

University of Illinois I guess you know

1639

01:08:43,820 --> 01:08:41,520

where I'm going and I'm trying to bring

1640

01:08:47,180 --> 01:08:43,830

the audience along what we've come to

1641

01:08:50,689 --> 01:08:47,190

understand is a lot of these groups that

1642

01:08:53,450 --> 01:08:50,699

routinely testify in defense of these

1643

01:08:56,180 --> 01:08:53,460

pedophiles in these trials are kind of a

1644

01:08:59,090 --> 01:08:56,190

well organized yes work of the false

1645

01:09:01,430 --> 01:08:59,100

memory soon yes phony baloney [h__h]

1646

01:09:04,099 --> 01:09:01,440

connected with NAMBLA and this guy

1647

01:09:06,919 --> 01:09:04,109

sounds like kind of the same thing in

1648

01:09:10,249 --> 01:09:06,929

the fact he's kind of hand-picked to

1649

01:09:12,110 --> 01:09:10,259

come in and give testimony contradict

1650

01:09:14,900 --> 01:09:12,120

you know to put the facts in a certain

1651
01:09:18,769 --> 01:09:14,910
way have you done any investigation into

1652
01:09:21,410 --> 01:09:18,779
who might have been behind positioning

1653
01:09:22,999 --> 01:09:21,420
him in that way other than great Kohler

1654
01:09:24,709 --> 01:09:23,009
have not been able to figure out

1655
01:09:26,269 --> 01:09:24,719
anything else that goes higher than him

1656
01:09:28,370 --> 01:09:26,279
now Greenberg thinking of charging

1657
01:09:30,349 --> 01:09:28,380
Florida Health rehabilitative services a

1658
01:09:32,780 --> 01:09:30,359
hundred and sixty eight thousand dollars

1659
01:09:34,459 --> 01:09:32,790
for his work on the finders case I mean

1660
01:09:35,870 --> 01:09:34,469
he was offered nine contracts for his

1661
01:09:37,220 --> 01:09:35,880
work on the finders case to improve

1662
01:09:39,079 --> 01:09:37,230
florida's response and training to

1663
01:09:41,599 --> 01:09:39,089

handle child sexual abuse after the case

1664

01:09:43,340 --> 01:09:41,609

in greenberg even mentions through some

1665

01:09:44,749 --> 01:09:43,350

of the news articles that he does say

1666

01:09:46,939 --> 01:09:44,759

the children were neglected

1667

01:09:49,220 --> 01:09:46,949

unlike McMartin we didn't think nothing

1668

01:09:51,200 --> 01:09:49,230

happened but he later came to the

1669

01:09:53,930 --> 01:09:51,210

conclusion that they were not sexually

1670

01:09:56,330 --> 01:09:53,940

abused and so we the only evidence that

1671

01:09:58,729 --> 01:09:56,340

we have of sexual abuse is the

1672

01:10:00,140 --> 01:09:58,739

examinations by dr. Moore who I tried to

1673

01:10:02,450 --> 01:10:00,150

track down two that he's been deceased

1674

01:10:04,850 --> 01:10:02,460

for five years and I'm still trying to

1675

01:10:07,370 --> 01:10:04,860

track down Jane Patil of the Florida

1676

01:10:10,100 --> 01:10:07,380

Health rehabilitative services to see if

1677

01:10:13,010 --> 01:10:10,110

I can get her side but he mentioned that

1678

01:10:15,860 --> 01:10:13,020

it was in and this is preliminary review

1679

01:10:18,020 --> 01:10:15,870

this isn't you know this isn't I wish we

1680

01:10:19,250 --> 01:10:18,030

had something more substantive the

1681

01:10:21,440 --> 01:10:19,260

Disciplinary me that

1682

01:10:22,580 --> 01:10:21,450

I haven't you know there's more than

1683

01:10:25,010 --> 01:10:22,590

what's in the tax please for my

1684

01:10:26,630 --> 01:10:25,020

documents a max Livingstone lack Anil

1685

01:10:29,360 --> 01:10:26,640

speaker control consistent with previous

1686

01:10:31,880 --> 01:10:29,370

previous sodomy Jordan Rico's right

1687

01:10:33,740 --> 01:10:31,890

hymen was absent and a large vaginal

1688

01:10:36,410 --> 01:10:33,750

orifice which is consistent with digital

1689

01:10:39,620 --> 01:10:36,420

penetration that was never followed up

1690

01:10:41,840 --> 01:10:39,630

so rather than believe other them

1691

01:10:43,580 --> 01:10:41,850

eventually saying that nothing happened

1692

01:10:46,490 --> 01:10:43,590

both the Tai Chi Police Department and

1693

01:10:48,740 --> 01:10:46,500

the news media and dr. diamond Greenberg

1694

01:10:50,720 --> 01:10:48,750

okay so so here's the really interesting

1695

01:10:52,580 --> 01:10:50,730

part of this story and that's a

1696

01:10:54,650 --> 01:10:52,590

misstatement cuz the whole story is

1697

01:10:56,450 --> 01:10:54,660

interesting but let's skip ahead a

1698

01:10:59,180 --> 01:10:56,460

little bit because the Tallahassee

1699

01:11:02,030 --> 01:10:59,190

Police are still investigating this and

1700

01:11:03,650 --> 01:11:02,040

then they're called off it said hey

1701
01:11:06,920 --> 01:11:03,660
maybe you don't want to look there and

1702
01:11:08,900 --> 01:11:06,930
then let's lead back to as quickly as we

1703
01:11:11,210 --> 01:11:08,910
can Martinez because I think that

1704
01:11:14,620 --> 01:11:11,220
provides overwhelming evidence that

1705
01:11:18,380 --> 01:11:14,630
these kids were being sexually molested

1706
01:11:21,260 --> 01:11:18,390
abused tortured all the rest of it so

1707
01:11:23,240 --> 01:11:21,270
tie those strings together so as far the

1708
01:11:25,880 --> 01:11:23,250
ties the police department is concerned

1709
01:11:29,620 --> 01:11:25,890
skip Clements gave me in his interview

1710
01:11:33,710 --> 01:11:29,630
that the FBI in Jacksonville told the

1711
01:11:36,710 --> 01:11:33,720
FBI's to told the police department to

1712
01:11:38,150 --> 01:11:36,720
to wrap up their case where Kaufman on

1713
01:11:41,960 --> 01:11:38,160

the other hand just says the case was

1714

01:11:43,310 --> 01:11:41,970

done that he reunited the children with

1715

01:11:46,070 --> 01:11:43,320

their parents and it was up to the

1716

01:11:48,500 --> 01:11:46,080

courts to decide whether or not anything

1717

01:11:50,960 --> 01:11:48,510

had occurred when the shorter should be

1718

01:11:52,610 --> 01:11:50,970

released back to their parents I want to

1719

01:11:54,380 --> 01:11:52,620

talk to Scott hunt the taxi police

1720

01:11:56,870 --> 01:11:54,390

department was very vocal at the time he

1721

01:11:58,460 --> 01:11:56,880

was though organizer of the press about

1722

01:12:00,500 --> 01:11:58,470

what was going on that the children were

1723

01:12:03,020 --> 01:12:00,510

molested and that it was satanic ritual

1724

01:12:05,090 --> 01:12:03,030

abuse but he will not talk to anyone so

1725

01:12:07,130 --> 01:12:05,100

hopefully one day that Scott who never

1726

01:12:08,660 --> 01:12:07,140

listens to this interview I I hope that

1727

01:12:09,890 --> 01:12:08,670

he does reach out to me every time

1728

01:12:14,360 --> 01:12:09,900

Derrick Rose or just reaches out to

1729

01:12:17,570 --> 01:12:14,370

someone so that is the way it is framed

1730

01:12:19,100 --> 01:12:17,580

was that it's you know it just was a

1731

01:12:20,840 --> 01:12:19,110

natural course of vestigation and it was

1732

01:12:23,540 --> 01:12:20,850

wrapped up and it was put off to the

1733

01:12:25,190 --> 01:12:23,550

courts okay so just this is what I heard

1734

01:12:27,950 --> 01:12:25,200

and I guess I'm picking through these

1735

01:12:29,390 --> 01:12:27,960

little bits that I remember I heard

1736

01:12:31,520 --> 01:12:29,400

there's people in the Tallahassee Police

1737

01:12:33,050 --> 01:12:31,530

that are really pissed off and they're

1738

01:12:35,990 --> 01:12:33,060

like what the hell is going on what do

1739

01:12:37,280 --> 01:12:36,000

wrap up our investigation that's what

1740

01:12:38,570 --> 01:12:37,290

Clement said it I would have to agree

1741

01:12:43,030 --> 01:12:38,580

with them because the Tallahassee Police

1742

01:12:45,890 --> 01:12:43,040

Department documents are not redacted I

1743

01:12:47,330 --> 01:12:45,900

mean the FBI release its how has he

1744

01:12:49,400 --> 01:12:47,340

please Farber dock documents and they

1745

01:12:52,460 --> 01:12:49,410

redacted them and you're supposed to

1746

01:12:54,200 --> 01:12:52,470

redact certain information in most

1747

01:12:57,020 --> 01:12:54,210

documents those documents are not

1748

01:13:01,220 --> 01:12:57,030

redacted at all what I hear you saying

1749

01:13:03,560 --> 01:13:01,230

is they are making a statement in not

1750

01:13:07,040 --> 01:13:03,570

redacting those documents they're saying

1751

01:13:09,080 --> 01:13:07,050

we're not playing ball here and hiding

1752

01:13:12,620 --> 01:13:09,090

this crime that's what I hear you saying

1753

01:13:13,940 --> 01:13:12,630

I would have to say yes I have no firm

1754

01:13:15,110 --> 01:13:13,950

evidence on that I would just have to

1755

01:13:16,460 --> 01:13:15,120

say with what I know

1756

01:13:19,280 --> 01:13:16,470

yeah because most of time you're

1757

01:13:22,040 --> 01:13:19,290

supposed to redact certain information

1758

01:13:23,210 --> 01:13:22,050

the victims names sometimes or on

1759

01:13:25,100 --> 01:13:23,220

especially if they're children you're

1760

01:13:27,320 --> 01:13:25,110

supposed to redact their names no

1761

01:13:28,400 --> 01:13:27,330

reductions were performed even when I

1762

01:13:29,990 --> 01:13:28,410

got the stored forward a Police

1763

01:13:31,580 --> 01:13:30,000

Department documents on James Tower and

1764

01:13:33,440 --> 01:13:31,590

I've seen many many many different types

1765

01:13:37,010 --> 01:13:33,450

of documents ranging from law

1766

01:13:38,990 --> 01:13:37,020

enforcement to FBI to CIA you read just

1767

01:13:40,850 --> 01:13:39,000

you're supposed to redact certain things

1768

01:13:42,740 --> 01:13:40,860

Tyus at least and I'm grateful they

1769

01:13:44,510 --> 01:13:42,750

didn't redact anything nothing's

1770

01:13:46,670 --> 01:13:44,520

redacted antastic least Department

1771

01:13:48,890 --> 01:13:46,680

documents it's it's just the documents

1772

01:13:51,530 --> 01:13:48,900

and we have further evidence as the

1773

01:13:53,990 --> 01:13:51,540

story goes that would corroborate and

1774

01:13:56,810 --> 01:13:54,000

seem to be consistent with this idea

1775

01:13:58,820 --> 01:13:56,820

that they were pulled off of a case that

1776

01:14:01,040 --> 01:13:58,830

they didn't think they should be pulled

1777

01:14:04,010 --> 01:14:01,050

off of and that's what gets us to

1778

01:14:07,790 --> 01:14:04,020

Martinez when the same thing happens to

1779

01:14:09,710 --> 01:14:07,800

him so who is Ramon Jay Martinez and how

1780

01:14:11,960 --> 01:14:09,720

does he fit into the story so Ramon Jay

1781

01:14:13,460 --> 01:14:11,970

Martinez was an exemplary customs

1782

01:14:16,760 --> 01:14:13,470

officer who worked for the child

1783

01:14:20,270 --> 01:14:16,770

pornography division headed by John

1784

01:14:23,780 --> 01:14:20,280

Sullivan and you're what basic time

1785

01:14:27,530 --> 01:14:23,790

frame is this late 80s so this 1980s

1786

01:14:29,470 --> 01:14:27,540

he's working for the customs office what

1787

01:14:32,090 --> 01:14:29,480

is the customs office doing

1788

01:14:34,370 --> 01:14:32,100

investigating child pornography and one

1789

01:14:36,110 --> 01:14:34,380

time they did they don't anymore that

1790

01:14:39,590 --> 01:14:36,120

was ended after the finders and they

1791

01:14:40,910 --> 01:14:39,600

tried to get another bill passed by Tom

1792

01:14:42,380 --> 01:14:40,920

Lewis representative Tom Lewis in

1793

01:14:46,160 --> 01:14:42,390

Florida to reinstate the child

1794

01:14:48,020 --> 01:14:46,170

pornography unit he was not

1795

01:14:52,400 --> 01:14:48,030

basic letting you jump three steps ahead

1796

01:14:53,959 --> 01:14:52,410

you're in customs customs is responsible

1797

01:14:57,260 --> 01:14:53,969

for stuff that comes into the

1798

01:15:00,080 --> 01:14:57,270

trafficking trafficking bad stuff out

1799

01:15:03,010 --> 01:15:00,090

and only letting good stuff in so it

1800

01:15:05,150 --> 01:15:03,020

isn't too much of an extension of those

1801

01:15:08,120 --> 01:15:05,160

responsibilities to think that they

1802

01:15:10,850 --> 01:15:08,130

would be interested in children who are

1803

01:15:12,770 --> 01:15:10,860

not coming in and pornography that

1804

01:15:15,439 --> 01:15:12,780

violates our laws if we have child

1805

01:15:17,870 --> 01:15:15,449

pornography done by somebody overseas

1806

01:15:21,560 --> 01:15:17,880

that is not supposed to come in so that

1807

01:15:24,950 --> 01:15:21,570

might be under the purview of customs it

1808

01:15:27,500 --> 01:15:24,960

was in the 1980s so Martinez was

1809

01:15:29,959 --> 01:15:27,510

responsible for looking into this and

1810

01:15:33,130 --> 01:15:29,969

what does he stumble across in

1811

01:15:35,870 --> 01:15:33,140

Washington DC so when the Taha see

1812

01:15:37,400 --> 01:15:35,880

informations going on they contact the

1813

01:15:38,750 --> 01:15:37,410

Washington Metropolitan Police

1814

01:15:40,610 --> 01:15:38,760

Department once they find out that the

1815

01:15:42,530 --> 01:15:40,620

finders are involved at their Washington

1816

01:15:44,750 --> 01:15:42,540

so the Washington Metropolitan Police

1817

01:15:48,410 --> 01:15:44,760

Department contacts the FBI they contact

1818

01:15:50,990 --> 01:15:48,420

the customs agency so Ramon J Martinez

1819

01:15:53,330 --> 01:15:51,000

goes to investigate the finders

1820

01:15:56,780 --> 01:15:53,340

warehouse in the finders apartments

1821

01:15:59,600 --> 01:15:56,790

buildings on W Street and so during his

1822

01:16:01,850 --> 01:15:59,610

investigation which I later corroborated

1823

01:16:04,100 --> 01:16:01,860

I'm the first person that I know of to

1824

01:16:05,090 --> 01:16:04,110

get his partner Bob Herold on the record

1825

01:16:06,919 --> 01:16:05,100

with what he found

1826

01:16:08,750 --> 01:16:06,929

and Bob Harold okay so we've had Ramon

1827

01:16:10,070 --> 01:16:08,760

Jay Martinez's report of the fistic

1828

01:16:11,360 --> 01:16:10,080

investigation that's been on the

1829

01:16:14,240 --> 01:16:11,370

internet since the bat the days of

1830

01:16:15,860 --> 01:16:14,250

Usenet back in the 90s big picture what

1831

01:16:17,510 --> 01:16:15,870

does that report say and then tell me

1832

01:16:18,290 --> 01:16:17,520

about its partners so Larry's I want to

1833

01:16:19,580 --> 01:16:18,300

get to that except they're gonna

1834

01:16:21,950 --> 01:16:19,590

disclose something here that is not

1835

01:16:23,840 --> 01:16:21,960

previously known it's very important Bob

1836

01:16:26,660 --> 01:16:23,850

heralds report of investigation used to

1837

01:16:28,100 --> 01:16:26,670

be on Usenet - it's completely scrubbed

1838

01:16:30,560 --> 01:16:28,110

off the face of the internet and does

1839

01:16:32,030 --> 01:16:30,570

not exist I cannot find it Bob Harold

1840

01:16:33,800 --> 01:16:32,040

tried to find it he can't find it he

1841

01:16:37,310 --> 01:16:33,810

doesn't have a copy of it it does not

1842

01:16:38,840 --> 01:16:37,320

exist so they set up the narrative what

1843

01:16:41,689 --> 01:16:38,850

I'm about to tell you about Ramon J

1844

01:16:44,390 --> 01:16:41,699

Martinez that he was alone not her that

1845

01:16:46,340 --> 01:16:44,400

he did this to advance his position and

1846

01:16:49,820 --> 01:16:46,350

customs and that he made it all up

1847

01:16:52,070 --> 01:16:49,830

and try to bury any corroborating

1848

01:16:54,950 --> 01:16:52,080

evidence that had the to his report of

1849

01:16:58,550 --> 01:16:54,960

what he found and that is complete and

1850

01:17:00,050 --> 01:16:58,560

utter bull crap okay well it's again

1851

01:17:03,950 --> 01:17:00,060

we're going to get back that Oh

1852

01:17:07,700 --> 01:17:03,960

it's bullcrap because the Tallahassee

1853

01:17:09,380 --> 01:17:07,710

police in 1987 arrested these guys in

1854

01:17:12,590 --> 01:17:09,390

the park and there were all these kids

1855

01:17:15,740 --> 01:17:12,600

that were severely mistreated and the

1856

01:17:16,550 --> 01:17:15,750

kids tied back to Washington DC I mean

1857

01:17:19,370 --> 01:17:16,560

there's directness

1858

01:17:22,340 --> 01:17:19,380

that's why the Tallahassee police was

1859

01:17:25,460 --> 01:17:22,350

even able to tell Martinez and as you

1860

01:17:27,440 --> 01:17:25,470

point out watching DC police say oh yeah

1861

01:17:29,120 --> 01:17:27,450

that place we investigated that years

1862

01:17:30,740 --> 01:17:29,130

ago and we've been investigating it ever

1863

01:17:32,480 --> 01:17:30,750

seen over the past couple of years

1864

01:17:34,550 --> 01:17:32,490

because the reports that have called in

1865

01:17:37,640 --> 01:17:34,560

and stuff like that it's nothing new so

1866

01:17:39,110 --> 01:17:37,650

again that that false narrative I mean

1867

01:17:40,310 --> 01:17:39,120

we can spend some time on it like you're

1868

01:17:41,960 --> 01:17:40,320

saying to let people know that it's a

1869

01:17:44,500 --> 01:17:41,970

false narrative but we don't have to

1870

01:17:47,720 --> 01:17:44,510

overemphasize it cuz it's just frickin

1871

01:17:51,980 --> 01:17:47,730

ridiculous given everything we know so

1872

01:17:53,600 --> 01:17:51,990

now what does Martinez's report actually

1873

01:17:56,180 --> 01:17:53,610

say because we're have reason to believe

1874

01:17:59,390 --> 01:17:56,190

that that's more truthful than the false

1875

01:18:01,550 --> 01:17:59,400

narrative and how does you know Bob

1876

01:18:04,160 --> 01:18:01,560

Harold who you talked to directly what

1877

01:18:08,990 --> 01:18:04,170

are those reports collectively

1878

01:18:10,970 --> 01:18:09,000

let us know so first they raid the W

1879

01:18:13,910 --> 01:18:10,980

Street apartments and in there they find

1880

01:18:15,620 --> 01:18:13,920

finders members do miles Silverstone in

1881

01:18:17,630 --> 01:18:15,630

a room that contain many computers

1882

01:18:20,750 --> 01:18:17,640

printers and contain numerous documents

1883

01:18:22,520 --> 01:18:20,760

now when I talked to Harold he told me

1884

01:18:24,950 --> 01:18:22,530

that a majority of the computer

1885

01:18:26,360 --> 01:18:24,960

equipment was taken out before they had

1886

01:18:29,300 --> 01:18:26,370

gotten there someone had tipped them off

1887

01:18:31,100 --> 01:18:29,310

before they had raided the apartments

1888

01:18:33,320 --> 01:18:31,110

and the warehouse we talk about the

1889

01:18:34,550 --> 01:18:33,330

world warehouse rate later and the

1890

01:18:36,710 --> 01:18:34,560

computers that were in the warehouse

1891

01:18:38,810 --> 01:18:36,720

where they had equipment in there too as

1892

01:18:41,150 --> 01:18:38,820

well was completely gone okay so and

1893

01:18:43,640 --> 01:18:41,160

where else did they raid they did the

1894

01:18:45,560 --> 01:18:43,650

finders warehouse in Washington DC they

1895

01:18:46,880 --> 01:18:45,570

raided both places so they found

1896

01:18:48,320 --> 01:18:46,890

documents supposedly containing

1897

01:18:50,720 --> 01:18:48,330

instructions on obtaining children for

1898

01:18:53,270 --> 01:18:50,730

unknown purposes they found telex

1899

01:18:54,860 --> 01:18:53,280

messages with MCI account numbers they

1900

01:18:56,870 --> 01:18:54,870

found one telex ordered a purchase of

1901

01:18:58,370 --> 01:18:56,880

children of two children in Hong Kong

1902

01:19:00,920 --> 01:18:58,380

to be arranged from a contact in the

1903

01:19:03,230 --> 01:19:00,930

Chinese embassy in Hong Kong but they

1904

01:19:06,080 --> 01:19:03,240

found a Chinese national genius

1905

01:19:08,390 --> 01:19:06,090

sing-alongs who was an anatomy student

1906

01:19:11,840 --> 01:19:08,400

at Georgetown University who was staying

1907

01:19:13,370 --> 01:19:11,850

there too also and of course Mary who

1908

01:19:13,890 --> 01:19:13,380

was Jordan Rico to the Tallahassee

1909

01:19:15,959 --> 01:19:13,900

Police

1910

01:19:17,490 --> 01:19:15,969

Department she claims that you know

1911

01:19:18,660 --> 01:19:17,500

there were a lot of Chinese people that

1912

01:19:20,040 --> 01:19:18,670

were around the apartments and they

1913

01:19:22,740 --> 01:19:20,050

actually taught her to count to ten in

1914

01:19:25,290 --> 01:19:22,750

Chinese so this doesn't they also find

1915

01:19:26,100 --> 01:19:25,300

that that's fantastic information it's

1916

01:19:28,229 --> 01:19:26,110

horrible

1917

01:19:29,370 --> 01:19:28,239

information but I'm glad that you share

1918

01:19:30,959 --> 01:19:29,380

all that don't they also find

1919

01:19:33,330 --> 01:19:30,969

information on like kind of instruction

1920

01:19:36,180 --> 01:19:33,340

manuals and how to groom and part of

1921

01:19:38,220 --> 01:19:36,190

what photographers and child molesters

1922

01:19:41,160 --> 01:19:38,230

would would have other consistent

1923

01:19:44,280 --> 01:19:41,170

information with that they find books on

1924

01:19:46,649 --> 01:19:44,290

mind-control and they find books on

1925

01:19:49,050 --> 01:19:46,659

papers about the impregnation of the

1926

01:19:51,240 --> 01:19:49,060

women in the finders group operation

1927

01:19:54,120 --> 01:19:51,250

because it's horrific as this is people

1928

01:19:55,979 --> 01:19:54,130

should know that among some of these

1929

01:19:58,649 --> 01:19:55,989

groups that commit these horrible crimes

1930

01:20:02,850 --> 01:19:58,659

against children they're done at a very

1931

01:20:06,479 --> 01:20:02,860

young age so newborns infants you know

1932

01:20:09,300 --> 01:20:06,489

it's just prime property to this kind of

1933

01:20:11,310 --> 01:20:09,310

evil and and they also found a summary

1934

01:20:13,709 --> 01:20:11,320

of events of Tallahassee that was being

1935

01:20:16,080 --> 01:20:13,719

communicated by the finders operation

1936

01:20:17,399 --> 01:20:16,090

from them because there's two vans there

1937

01:20:19,649 --> 01:20:17,409

was a group of fighters members who were

1938

01:20:22,410 --> 01:20:19,659

not caught separate from a merman and

1939

01:20:24,020 --> 01:20:22,420

Halliwell that went back to DC

1940

01:20:26,310 --> 01:20:24,030

afterwards said they were sending

1941

01:20:28,470 --> 01:20:26,320

information from a second trs-80

1942

01:20:30,959 --> 01:20:28,480

computer that was found outside of the

1943

01:20:32,910 --> 01:20:30,969

University of Florida bingo so we have a

1944

01:20:35,040 --> 01:20:32,920

direct connection between the

1945

01:20:36,300 --> 01:20:35,050

Tallahassee case and again it's like

1946

01:20:37,860 --> 01:20:36,310

that's what pisses me off about the

1947

01:20:41,459 --> 01:20:37,870

false narrative stuff I'm why do we even

1948

01:20:42,600 --> 01:20:41,469

have to talk that much about it but I

1949

01:20:43,800 --> 01:20:42,610

know the interesting thing about I want

1950

01:20:45,180 --> 01:20:43,810

to get out is there was a series of

1951

01:20:46,800 --> 01:20:45,190

instruction we're also found how to

1952

01:20:49,560 --> 01:20:46,810

continue moving children to avoid police

1953

01:20:50,939 --> 01:20:49,570

detection well why what children what

1954

01:20:52,950 --> 01:20:50,949

children other than the six children

1955

01:20:56,070 --> 01:20:52,960

were they you know the do those children

1956

01:20:58,200 --> 01:20:56,080

were put into protective custody and so

1957

01:21:00,330 --> 01:20:58,210

you have a detailed summer of events of

1958

01:21:03,240 --> 01:21:00,340

what happened in Tallahassee why would

1959

01:21:06,240 --> 01:21:03,250

you get orders about moving children to

1960

01:21:10,410 --> 01:21:06,250

avoid police detection after that so we

1961

01:21:12,240 --> 01:21:10,420

have an incredibly creepy evil in the in

1962

01:21:13,590 --> 01:21:12,250

the way that that anyone would account

1963

01:21:14,880 --> 01:21:13,600

for it and we'll talk about extended

1964

01:21:16,919 --> 01:21:14,890

consciousness maybe when we talk about

1965

01:21:19,140 --> 01:21:16,929

Christianity and Satanism all that stuff

1966

01:21:22,379 --> 01:21:19,150

but this is evil right so this is yes

1967

01:21:25,379 --> 01:21:22,389

anyone would say anyone says this is

1968

01:21:27,870 --> 01:21:25,389

evil these are defenseless human beings

1969

01:21:28,320 --> 01:21:27,880

at such a tender age there are be

1970

01:21:30,780 --> 01:21:28,330

arrived

1971

01:21:32,940 --> 01:21:30,790

innocence their lives are destroyed it's

1972

01:21:34,920 --> 01:21:32,950

not innocence their entire lives are

1973

01:21:36,780 --> 01:21:34,930

destroyed their psyche is destroyed and

1974

01:21:39,210 --> 01:21:36,790

it's adding on they're adding on to it

1975

01:21:41,250 --> 01:21:39,220

mind control and all this other horrible

1976

01:21:43,080 --> 01:21:41,260

horrible horrific stuff how does that

1977

01:21:45,000 --> 01:21:43,090

connect to our United States government

1978

01:21:47,550 --> 01:21:45,010

because it does directly and you have

1979

01:21:49,500 --> 01:21:47,560

proof of it and we need to get that

1980

01:21:51,180 --> 01:21:49,510

proof out there and well I do want to

1981

01:21:53,550 --> 01:21:51,190

say about the warehouse real quick that

1982

01:21:55,650 --> 01:21:53,560

they did find a doctrine Asian center

1983

01:21:57,480 --> 01:21:55,660

they found video equipment they found

1984

01:22:00,000 --> 01:21:57,490

jars of urine and feces in the

1985

01:22:01,920 --> 01:22:00,010

residential area so the warehouse you

1986

01:22:04,470 --> 01:22:01,930

know like I when I talked about the

1987

01:22:06,630 --> 01:22:04,480

information with Harold he mentioned

1988

01:22:08,940 --> 01:22:06,640

that they had computer equipment there

1989

01:22:11,060 --> 01:22:08,950

that they were tipped off beforehand and

1990

01:22:13,710 --> 01:22:11,070

night before that they had Chinese

1991

01:22:15,930 --> 01:22:13,720

witnesses who owned a warehouse next to

1992

01:22:18,150 --> 01:22:15,940

the finders warehouse that they were

1993

01:22:21,330 --> 01:22:18,160

loading equipment in boxes and boxes

1994

01:22:23,150 --> 01:22:21,340

into vans the night before the raid

1995

01:22:26,220 --> 01:22:23,160

occurred so someone tipped them off

1996

01:22:28,740 --> 01:22:26,230

right which is important to know but we

1997

01:22:31,130 --> 01:22:28,750

have enough information there to sink

1998

01:22:35,100 --> 01:22:31,140

them a million times over and put them

1999

01:22:39,980 --> 01:22:35,110

way way down where they need to go so

2000

01:22:44,910 --> 01:22:39,990

imagine again this is a law enforcement

2001
01:22:46,560 --> 01:22:44,920
investigation Martinez and Harold are

2002
01:22:48,480 --> 01:22:46,570
there with the rest of their

2003
01:22:51,020 --> 01:22:48,490
investigators it's a raid we've seen him

2004
01:22:53,700 --> 01:22:51,030
on TV we know this is what this is like

2005
01:22:55,110 --> 01:22:53,710
but this raid only goes so far because

2006
01:22:57,720 --> 01:22:55,120
again they get the tap on the shoulder

2007
01:23:01,290 --> 01:22:57,730
right well the information disappears

2008
01:23:03,300 --> 01:23:01,300
when Martinez and Harold go to review

2009
01:23:04,860 --> 01:23:03,310
the information you know the Telex is

2010
01:23:07,650 --> 01:23:04,870
the documents that they had found when

2011
01:23:11,700 --> 01:23:07,660
they go to look at the evidence it's

2012
01:23:15,870 --> 01:23:11,710
gone it's miraculously disappeared it

2013
01:23:18,540 --> 01:23:15,880

cannot be found and then Martinez meets

2014

01:23:20,130 --> 01:23:18,550

with a source off the record that you

2015

01:23:22,230 --> 01:23:20,140

know pretty much tells them that's it

2016

01:23:23,820 --> 01:23:22,240

nothing that can be done you know

2017

01:23:26,670 --> 01:23:23,830

further investigation is gonna happen

2018

01:23:28,350 --> 01:23:26,680

and nothing happens of it how do they

2019

01:23:31,620 --> 01:23:28,360

understand this is linked to the CIA and

2020

01:23:34,260 --> 01:23:31,630

the FBI and the new documents that were

2021

01:23:36,900 --> 01:23:34,270

released by the FBI fall the CIA was

2022

01:23:38,220 --> 01:23:36,910

investigating the finders well within

2023

01:23:40,500 --> 01:23:38,230

the 1960s

2024

01:23:41,340 --> 01:23:40,510

Miriam Petty's wife Isabelle penny

2025

01:23:42,180 --> 01:23:41,350

worked for the Central Intelligence

2026

01:23:44,580 --> 01:23:42,190

Agency

2027

01:23:47,760 --> 01:23:44,590

secretary he put her in there to gain

2028

01:23:49,590 --> 01:23:47,770

information from the CIA the FBI was

2029

01:23:54,209 --> 01:23:49,600

investigating the finders as early as

2030

01:23:56,189 --> 01:23:54,219

the late 1960s the early 1970s as well

2031

01:23:58,020 --> 01:23:56,199

Toby Terrell worked for a company called

2032

01:23:59,610 --> 01:23:58,030

future enterprises where future

2033

01:24:02,700 --> 01:23:59,620

enterprises his computer training

2034

01:24:05,459 --> 01:24:02,710

company whose Toby Terrell he was very

2035

01:24:07,590 --> 01:24:05,469

high up within the finders operation his

2036

01:24:10,800 --> 01:24:07,600

name is Robert Gardner Tyrell and he was

2037

01:24:13,310 --> 01:24:10,810

Marian Petty's second-in-command what

2038

01:24:17,760 --> 01:24:13,320

other evidence do we have the finders

2039

01:24:20,280 --> 01:24:17,770

operation / cold had connections and was

2040

01:24:23,550 --> 01:24:20,290

part of this brownstone operation that

2041

01:24:25,680 --> 01:24:23,560

was ongoing inside of both the FBI and

2042

01:24:29,820 --> 01:24:25,690

the CIA because as we established early

2043

01:24:32,490 --> 01:24:29,830

on there is an irresistible desire for

2044

01:24:35,550 --> 01:24:32,500

these intelligence organizations to use

2045

01:24:37,080 --> 01:24:35,560

this exploitation of children regardless

2046

01:24:40,740 --> 01:24:37,090

of who's doing it in this case this

2047

01:24:43,439 --> 01:24:40,750

horrific finders group they still want

2048

01:24:45,870 --> 01:24:43,449

the kids so that they can entrap people

2049

01:24:48,240 --> 01:24:45,880

and blackmail them so how do we

2050

01:24:51,300 --> 01:24:48,250

establish that that connection really

2051

01:24:54,420 --> 01:24:51,310

did happen because of the equipment that

2052

01:24:56,970 --> 01:24:54,430

was found at the warehouse as well them

2053

01:24:59,550 --> 01:24:56,980

also taking supposedly video cassettes

2054

01:25:01,520 --> 01:24:59,560

and pictures out of the warehouse that

2055

01:25:04,680 --> 01:25:01,530

contained child pornography that

2056

01:25:07,050 --> 01:25:04,690

Martinez and Harold never were able to

2057

01:25:08,459 --> 01:25:07,060

look at again however there's many news

2058

01:25:09,990 --> 01:25:08,469

reports that those pictures were

2059

01:25:13,140 --> 01:25:10,000

carrying around in plastic bags as

2060

01:25:15,030 --> 01:25:13,150

evidence as well as in Toby Trails book

2061

01:25:17,280 --> 01:25:15,040

the game caller and I have not talked to

2062

01:25:20,130 --> 01:25:17,290

Athena peroneus yet former FBI agent but

2063

01:25:23,700 --> 01:25:20,140

I will talk with her he says that she

2064

01:25:26,520 --> 01:25:23,710

told him that you know because he was

2065

01:25:28,290 --> 01:25:26,530

she shows up and she well she calls him

2066

01:25:29,910 --> 01:25:28,300

at future enterprisers office wanting to

2067

01:25:31,530 --> 01:25:29,920

talk to him and he goes okay so he

2068

01:25:33,720 --> 01:25:31,540

because he's hiding out there at first

2069

01:25:36,060 --> 01:25:33,730

so he meets her down there and so they

2070

01:25:39,840 --> 01:25:36,070

talk and so she pretty much tells him

2071

01:25:41,729 --> 01:25:39,850

that don't worry be kept under wraps

2072

01:25:44,370 --> 01:25:41,739

that's not her exact quote that's using

2073

01:25:47,160 --> 01:25:44,380

the book but it's it's to that and so

2074

01:25:49,620 --> 01:25:47,170

you know when Athena of rhodius when all

2075

01:25:52,800 --> 01:25:49,630

when she goes to see the evidence that

2076

01:25:55,260 --> 01:25:52,810

Ramon Martinez had found and she goes to

2077

01:25:56,130 --> 01:25:55,270

investigate the warehouse and the

2078

01:25:58,590 --> 01:25:56,140

apartment building Zack

2079

01:26:03,090 --> 01:25:58,600

two words she says she finds nothing and

2080

01:26:04,950 --> 01:26:03,100

makes out that Martinez is a liar so

2081

01:26:08,070 --> 01:26:04,960

they were burying the FBI was burying it

2082

01:26:10,440 --> 01:26:08,080

from the get-go so that's circumstantial

2083

01:26:15,390 --> 01:26:10,450

evidence it's good what other evidence

2084

01:26:21,090 --> 01:26:15,400

do we have linking Martinez to CIA or

2085

01:26:22,830 --> 01:26:21,100

FBI programs what do you mean I mean

2086

01:26:25,110 --> 01:26:22,840

other than Clements giving the testimony

2087

01:26:27,900 --> 01:26:25,120

that you know the customs agents were

2088

01:26:30,360 --> 01:26:27,910

told by the intelligence operations to

2089

01:26:33,210 --> 01:26:30,370

stand down it's a second day of their

2090

01:26:35,160 --> 01:26:33,220

investigation of the of the warehouse in

2091

01:26:36,570 --> 01:26:35,170

apartment if I remember correctly and I

2092

01:26:37,980 --> 01:26:36,580

could be wrong because you know you're

2093

01:26:39,810 --> 01:26:37,990

the principal investigator I just think

2094

01:26:41,940 --> 01:26:39,820

you have an overflow of information in

2095

01:26:44,070 --> 01:26:41,950

your head they're told directly that

2096

01:26:46,230 --> 01:26:44,080

this is a CIA operation don't go yes

2097

01:26:49,350 --> 01:26:46,240

they're told directly this CIA operation

2098

01:26:52,320 --> 01:26:49,360

to stand down yes who was told when are

2099

01:26:55,200 --> 01:26:52,330

they told that's customs agents were

2100

01:26:56,760 --> 01:26:55,210

told this by testimony of Henry Clements

2101
01:26:59,100 --> 01:26:56,770
who was an investigator above Glendale

2102
01:27:01,050 --> 01:26:59,110
and the finders and who Ramon Jay

2103
01:27:03,120 --> 01:27:01,060
Martinez had a mission that he respected

2104
01:27:05,700 --> 01:27:03,130
Clements and his whistleblower complaint

2105
01:27:07,830 --> 01:27:05,710
to give you know Clements credibility he

2106
01:27:09,600 --> 01:27:07,840
was told through his investigation that

2107
01:27:11,550 --> 01:27:09,610
the customs agents were told that this

2108
01:27:13,740 --> 01:27:11,560
was a CIA operation we're told to stand

2109
01:27:15,360 --> 01:27:13,750
down just like the reports that were the

2110
01:27:16,770 --> 01:27:15,370
Metropolitan Police Department reports

2111
01:27:19,380 --> 01:27:16,780
our secret that were you know

2112
01:27:21,960 --> 01:27:19,390
Declassified that detective John

2113
01:27:23,610 --> 01:27:21,970

stitcher and Jim Bradley Jim Bradley he

2114

01:27:25,110 --> 01:27:23,620

mentions that there are connections to

2115

01:27:27,840 --> 01:27:25,120

the Central Intelligence Agency in his

2116

01:27:30,170 --> 01:27:27,850

report but however that there can gently

2117

01:27:33,330 --> 01:27:30,180

and that they were using the finders to

2118

01:27:35,130 --> 01:27:33,340

disseminate inaccurate information that

2119

01:27:36,480 --> 01:27:35,140

was the only involvement to the CIA had

2120

01:27:37,830 --> 01:27:36,490

with the finders that they would give

2121

01:27:40,710 --> 01:27:37,840

them inaccurate information to

2122

01:27:42,690 --> 01:27:40,720

disseminate to people kind of

2123

01:27:44,550 --> 01:27:42,700

disinformation campaign I mean John

2124

01:27:48,000 --> 01:27:44,560

stitcher who we don't have his full

2125

01:27:49,290 --> 01:27:48,010

report but I do have his chronology from

2126
01:27:51,240 --> 01:27:49,300
the Metropolitan Police Department there

2127
01:27:53,130 --> 01:27:51,250
was unredacted that Henry Clements gave

2128
01:27:55,620 --> 01:27:53,140
to me and I'm the only person with that

2129
01:27:58,440 --> 01:27:55,630
copy that I know of that states that

2130
01:28:03,420 --> 01:27:58,450
Marianne petit had passports to North

2131
01:28:04,380 --> 01:28:03,430
Korea in u.s. SSR in Vietnam through the

2132
01:28:06,150 --> 01:28:04,390
1950s

2133
01:28:07,650 --> 01:28:06,160
throughout the 1980s which would have

2134
01:28:09,450 --> 01:28:07,660
been almost impossible to have sent

2135
01:28:09,720 --> 01:28:09,460
passports or to returned back to United

2136
01:28:11,130 --> 01:28:09,730
States

2137
01:28:13,110 --> 01:28:11,140
soyal after visiting those places

2138
01:28:15,240 --> 01:28:13,120

without having some sort of higher in

2139

01:28:17,400 --> 01:28:15,250

connection to an intelligence agencies

2140

01:28:19,320 --> 01:28:17,410

which is listed in that chronology John

2141

01:28:23,490 --> 01:28:19,330

you keep bringing up these connections

2142

01:28:24,990 --> 01:28:23,500

to Communist foreign powers China North

2143

01:28:26,370 --> 01:28:25,000

Korea and stuff like that why do you

2144

01:28:28,890 --> 01:28:26,380

think that's important how do you think

2145

01:28:32,460 --> 01:28:28,900

that fits into this story I don't think

2146

01:28:36,060 --> 01:28:32,470

you're trying to disparage Chinese

2147

01:28:38,010 --> 01:28:36,070

people no no I'm just saying that's

2148

01:28:42,180 --> 01:28:38,020

where that that's just what the evidence

2149

01:28:45,300 --> 01:28:42,190

shows in that suspicions in terms of how

2150

01:28:47,070 --> 01:28:45,310

these links work well how is the game I

2151

01:28:48,990 --> 01:28:47,080

mean the people is they listen to this

2152

01:28:50,430 --> 01:28:49,000

they're like you are they're saying give

2153

01:28:51,600 --> 01:28:50,440

me the evidence give it the evidence but

2154

01:28:54,150 --> 01:28:51,610

then they're switching to the other side

2155

01:28:55,860 --> 01:28:54,160

and goes what's the big picture why why

2156

01:28:57,840 --> 01:28:55,870

North Korea why these other things and

2157

01:28:59,400 --> 01:28:57,850

it's cuz there's is rural job

2158

01:29:01,620 --> 01:28:59,410

trafficking usually through a lot of

2159

01:29:04,410 --> 01:29:01,630

those young child child trafficking it's

2160

01:29:06,470 --> 01:29:04,420

worldwide drug trafficking arms ringing

2161

01:29:09,990 --> 01:29:06,480

partnering with organizations

2162

01:29:13,350 --> 01:29:10,000

governments intelligence organizations

2163

01:29:16,920 --> 01:29:13,360

that have greater freedom and control to

2164

01:29:19,830 --> 01:29:16,930

do whatever the heck they want to people

2165

01:29:23,700 --> 01:29:19,840

yes and you know you to become allies in

2166

01:29:26,280 --> 01:29:23,710

evil deeds yeah I mean very much so so

2167

01:29:27,930 --> 01:29:26,290

they notice illa Tate all this it can't

2168

01:29:29,280 --> 01:29:27,940

just happen within the United States and

2169

01:29:30,660 --> 01:29:29,290

above itself you have to work with

2170

01:29:33,090 --> 01:29:30,670

foreign intelligence agencies and

2171

01:29:35,100 --> 01:29:33,100

foreign governments you don't have to

2172

01:29:37,140 --> 01:29:35,110

but it's a great cover right oh yeah

2173

01:29:39,390 --> 01:29:37,150

yeah I move it to China and now it's

2174

01:29:40,680 --> 01:29:39,400

buried you can't get to it it's just

2175

01:29:42,660 --> 01:29:40,690

like if I move it outside of the

2176
01:29:45,479 --> 01:29:42,670
government into some private contractor

2177
01:29:47,400 --> 01:29:45,489
DynCorp or whatever now it's harder for

2178
01:29:49,350 --> 01:29:47,410
you to get at or Mossad connections to

2179
01:29:51,330 --> 01:29:49,360
Jeffrey Epstein you know it makes about

2180
01:29:54,200 --> 01:29:51,340
that so so are there any parallels

2181
01:29:58,500 --> 01:29:54,210
between there are obviously between

2182
01:30:00,660 --> 01:29:58,510
finders and Jeffrey Epstein and what we

2183
01:30:02,390 --> 01:30:00,670
see and the suspicions that we have that

2184
01:30:05,130 --> 01:30:02,400
this is a Brown stoning operation

2185
01:30:07,260 --> 01:30:05,140
intelligence clearly there's all the

2186
01:30:09,330 --> 01:30:07,270
links to Mossad there but there's also

2187
01:30:11,850 --> 01:30:09,340
links to the CIA with the obscene case

2188
01:30:13,620 --> 01:30:11,860

right yes very much so so I mean with

2189

01:30:16,320 --> 01:30:13,630

Robert Maxwell and guzheng Maxwell

2190

01:30:19,470 --> 01:30:16,330

Robert Maxwell being termed you know the

2191

01:30:21,420 --> 01:30:19,480

Israeli super spy for the Mossad I mean

2192

01:30:23,729 --> 01:30:21,430

that with every brownstone operation

2193

01:30:26,220 --> 01:30:23,739

where there's Franklin or Epstein or the

2194

01:30:27,750 --> 01:30:26,230

finders you have connections to foreign

2195

01:30:29,700 --> 01:30:27,760

intelligence ease and connections to

2196

01:30:31,830 --> 01:30:29,710

heads of state of foreign governments or

2197

01:30:33,720 --> 01:30:31,840

even the governments of your own country

2198

01:30:35,489 --> 01:30:33,730

and I think you know they cooperate with

2199

01:30:38,129 --> 01:30:35,499

one other exactly like you said a minute

2200

01:30:39,629 --> 01:30:38,139

ago Alex it's the kind of you know I can

2201
01:30:40,979 --> 01:30:39,639
only investigate really so much what

2202
01:30:42,629 --> 01:30:40,989
happens in the United States I can't

2203
01:30:44,810 --> 01:30:42,639
really look into the Mossad connections

2204
01:30:47,370 --> 01:30:44,820
very easily in Freedom of Information

2205
01:30:48,959 --> 01:30:47,380
requests and at all over there in Israel

2206
01:30:50,580 --> 01:30:48,969
and try to get any information of

2207
01:30:52,200 --> 01:30:50,590
certain connections and maybe a more

2208
01:30:53,430 --> 01:30:52,210
China you know how am I going to

2209
01:30:54,839 --> 01:30:53,440
petition the Chinese government to

2210
01:30:56,580 --> 01:30:54,849
release any information about the

2211
01:30:58,109 --> 01:30:56,590
finders over there or any investigations

2212
01:31:00,120 --> 01:30:58,119
of finders occurred by the Chinese

2213
01:31:01,259 --> 01:31:00,130

government or Russia I mean it's hard

2214

01:31:05,370 --> 01:31:01,269

enough to get information from my own

2215

01:31:07,649 --> 01:31:05,380

government let alone four governments so

2216

01:31:09,810 --> 01:31:07,659

you're writing this book on the finders

2217

01:31:11,750 --> 01:31:09,820

cult slash operation to have a working

2218

01:31:15,750 --> 01:31:11,760

title at this point no I do not

2219

01:31:18,330 --> 01:31:15,760

where do you think this book is going to

2220

01:31:21,029 --> 01:31:18,340

take you what is the angle on the book

2221

01:31:23,339 --> 01:31:21,039

what are you trying to at the end of the

2222

01:31:24,839 --> 01:31:23,349

day what are you trying to reveal the

2223

01:31:28,620 --> 01:31:24,849

biggest thing that I'm trying to do with

2224

01:31:31,319 --> 01:31:28,630

this book is is a way to clear Ramon Jay

2225

01:31:33,180 --> 01:31:31,329

Martinez and that he has been slandered

2226

01:31:34,680 --> 01:31:33,190

by multiple people within the media

2227

01:31:36,959 --> 01:31:34,690

there's a guy trying to make a

2228

01:31:38,970 --> 01:31:36,969

documentary named Tyler rabbit you

2229

01:31:40,470 --> 01:31:38,980

interview many finders members and who

2230

01:31:42,540 --> 01:31:40,480

interviewed Ramon Jay Martinez and

2231

01:31:43,859 --> 01:31:42,550

everything and he's trying to push the

2232

01:31:45,060 --> 01:31:43,869

narrative that there's nothing to see

2233

01:31:47,189 --> 01:31:45,070

here that there were no intelligence

2234

01:31:48,839 --> 01:31:47,199

connections or anything like that the

2235

01:31:51,569 --> 01:31:48,849

basic narrative the finders were just a

2236

01:31:52,950 --> 01:31:51,579

progressive cult and so you know Ramon

2237

01:31:53,970 --> 01:31:52,960

Jay Martinez he lost everything

2238

01:31:56,189 --> 01:31:53,980

you know the customs department

2239

01:31:57,959 --> 01:31:56,199

railroaded him when you breed the

2240

01:32:01,200 --> 01:31:57,969

whistleblower complaint I mean they shut

2241

01:32:03,450 --> 01:32:01,210

him down they destroyed his career so

2242

01:32:05,879 --> 01:32:03,460

this book my main objective with this

2243

01:32:08,100 --> 01:32:05,889

book other than to get down to the

2244

01:32:10,560 --> 01:32:08,110

bottom of what really happened is to

2245

01:32:13,109 --> 01:32:10,570

clear ramon jay martinez has named the

2246

01:32:15,089 --> 01:32:13,119

best of my ability because you know

2247

01:32:16,770 --> 01:32:15,099

people still to this day they throw the

2248

01:32:18,779 --> 01:32:16,780

finders out because like Oh Ramon Jay

2249

01:32:21,330 --> 01:32:18,789

Martinez he's just a right-wing militia

2250

01:32:22,830 --> 01:32:21,340

nutter and you know and that's one of

2251
01:32:25,020 --> 01:32:22,840
the biggest problems that we have of all

2252
01:32:28,739 --> 01:32:25,030
this trying to show a body of evidence

2253
01:32:30,870 --> 01:32:28,749
that just that this occurred you know as

2254
01:32:34,950 --> 01:32:30,880
I mentioned very early on you have kind

2255
01:32:36,660 --> 01:32:34,960
of sent me on this journey but you know

2256
01:32:39,150 --> 01:32:36,670
when we interviewing

2257
01:32:43,260 --> 01:32:39,160
Oh Lucas who I just shared with you who

2258
01:32:47,010 --> 01:32:43,270
was sold into sex slavery by her mother

2259
01:32:48,090 --> 01:32:47,020
at six years old and one of the things I

2260
01:32:50,820 --> 01:32:48,100
thought that was interesting because I

2261
01:32:55,080 --> 01:32:50,830
want to return to the satanic part of

2262
01:32:57,900 --> 01:32:55,090
the ritual abuse so people have heard my

2263
01:33:01,830 --> 01:32:57,910

interview with Anika and she says how

2264

01:33:04,229 --> 01:33:01,840

she was you know just it's horrific

2265

01:33:05,910 --> 01:33:04,239

the rape over and over and over again

2266

01:33:08,580 --> 01:33:05,920

but have been eventually they were going

2267

01:33:11,160 --> 01:33:08,590

to kill her and then I'm asking her and

2268

01:33:14,660 --> 01:33:11,170

I said well some people like Ross dizdar

2269

01:33:18,360 --> 01:33:14,670

who I talked to also who has worked with

2270

01:33:20,550 --> 01:33:18,370

hundreds of victims of satanic ritual

2271

01:33:23,490 --> 01:33:20,560

abuse so he has people to come and say

2272

01:33:26,640 --> 01:33:23,500

it was satanic they were wearing robes

2273

01:33:30,209 --> 01:33:26,650

they were drawing these inverted

2274

01:33:32,220 --> 01:33:30,219

pentagram in blood and you know all this

2275

01:33:35,820 --> 01:33:32,230

other this other symbology and they were

2276

01:33:38,700 --> 01:33:35,830

repeating these satanic phrases and he

2277

01:33:41,580 --> 01:33:38,710

has as an investigator who's worked with

2278

01:33:43,470 --> 01:33:41,590

the police he says this is the evidence

2279

01:33:45,300 --> 01:33:43,480

you can make with it what you will but

2280

01:33:47,459 --> 01:33:45,310

this is what these people are reporting

2281

01:33:49,979 --> 01:33:47,469

so the interesting thing for me is I'm

2282

01:33:53,280 --> 01:33:49,989

talking to Annika and Annika you can

2283

01:33:56,189 --> 01:33:53,290

watch her you know 500,000 viewed

2284

01:33:58,470 --> 01:33:56,199

YouTube when she talks about this horror

2285

01:34:01,020 --> 01:33:58,480

of child sex trafficking that she went

2286

01:34:03,780 --> 01:34:01,030

through but the terms are even softened

2287

01:34:06,060 --> 01:34:03,790

its child sex trafficking it's not

2288

01:34:09,870 --> 01:34:06,070

repeatedly being raped and then being

2289

01:34:12,900 --> 01:34:09,880

yeah being on the block to be murdered

2290

01:34:14,820 --> 01:34:12,910

and is spared but here's the point I was

2291

01:34:16,470 --> 01:34:14,830

leading up to I said well what about the

2292

01:34:18,390 --> 01:34:16,480

satanic part because I just talked to

2293

01:34:19,560 --> 01:34:18,400

Russ and he's big on his tennis shoes oh

2294

01:34:23,430 --> 01:34:19,570

yeah

2295

01:34:25,080 --> 01:34:23,440

it was satanic ritual abuse and I was

2296

01:34:28,410 --> 01:34:25,090

like blown away like my stomach drops

2297

01:34:30,750 --> 01:34:28,420

cuz here's somebody and she presents as

2298

01:34:32,340 --> 01:34:30,760

this kind of European and she doesn't

2299

01:34:34,770 --> 01:34:32,350

like to throw that out there but when

2300

01:34:38,160 --> 01:34:34,780

she's pushed she says of course yeah

2301

01:34:42,090 --> 01:34:38,170

it's satanic so I think we need to

2302

01:34:44,939 --> 01:34:42,100

process that in a way that gets us to

2303

01:34:48,689 --> 01:34:44,949

that next level because you're Christian

2304

01:34:50,610 --> 01:34:48,699

and I don't respect anyone's religious

2305

01:34:52,560 --> 01:34:50,620

beliefs I'm sorry I don't respect

2306

01:34:54,900 --> 01:34:52,570

your religious beliefs I don't respect

2307

01:34:56,940 --> 01:34:54,910

anyone's religious beliefs because we're

2308

01:34:58,890 --> 01:34:56,950

not supposed to we're just supposed to

2309

01:35:03,360 --> 01:34:58,900

follow the data we're not this was they

2310

01:35:05,430 --> 01:35:03,370

have you don't need me to be kind to you

2311

01:35:07,530 --> 01:35:05,440

or not poke at you

2312

01:35:08,970 --> 01:35:07,540

because you have certain beliefs you put

2313

01:35:10,470 --> 01:35:08,980

your beliefs out there and you have to

2314

01:35:12,780 --> 01:35:10,480

back them up and that's what everybody

2315

01:35:15,630 --> 01:35:12,790

does but I want to get to that next you

2316

01:35:18,150 --> 01:35:15,640

are going to be attacked and you know

2317

01:35:21,270 --> 01:35:18,160

this and I'm sure you already are as a

2318

01:35:23,310 --> 01:35:21,280

crazy Christian who is trying to jam

2319

01:35:25,890 --> 01:35:23,320

everything back into a Christian

2320

01:35:27,120 --> 01:35:25,900

narrative and I want to talk so that's

2321

01:35:30,270 --> 01:35:27,130

one of the reasons I want to talk about

2322

01:35:33,030 --> 01:35:30,280

this and talk about you know we've just

2323

01:35:34,950 --> 01:35:33,040

had a two-hour discussion and you didn't

2324

01:35:36,630 --> 01:35:34,960

bring up Christianity at all you just

2325

01:35:38,640 --> 01:35:36,640

said this document followed by this

2326

01:35:40,950 --> 01:35:38,650

document followed by this police report

2327

01:35:44,430 --> 01:35:40,960

followed by this investigator who I

2328

01:35:50,190 --> 01:35:44,440

talked to who said this so that's not

2329

01:35:53,880 --> 01:35:50,200

been your agenda but now from us as a

2330

01:35:57,530 --> 01:35:53,890

skeptical guy I want to know why the

2331

01:36:00,180 --> 01:35:57,540

hell do you want to jam this back into a

2332

01:36:02,370 --> 01:36:00,190

Christian narrative why do you think it

2333

01:36:06,060 --> 01:36:02,380

has to be one of the things that really

2334

01:36:08,820 --> 01:36:06,070

kind of pissed me off John is in the

2335

01:36:10,590 --> 01:36:08,830

email you sent me you kind of said yeah

2336

01:36:14,280 --> 01:36:10,600

as long as it all leads back to

2337

01:36:17,790 --> 01:36:14,290

Christianity why why does this evil have

2338

01:36:21,450 --> 01:36:17,800

to lead back to this narrow dogmatic

2339

01:36:24,540 --> 01:36:21,460

little book that is just one description

2340

01:36:26,220 --> 01:36:24,550

of what this universal evil that's been

2341

01:36:28,770 --> 01:36:26,230

reported by every culture throughout

2342

01:36:30,750 --> 01:36:28,780

time whether Christian or not why do we

2343

01:36:35,840 --> 01:36:30,760

need to jam it back into the Christian

2344

01:36:38,820 --> 01:36:35,850

narrative you have atheist reporters and

2345

01:36:43,920 --> 01:36:38,830

investigative journalists for example

2346

01:36:46,820 --> 01:36:43,930

George from Cabot org Dave McGowan who

2347

01:36:50,190 --> 01:36:46,830

have reported satanic ritual abuse

2348

01:36:52,380 --> 01:36:50,200

people who are either agnostic or don't

2349

01:36:54,960 --> 01:36:52,390

believe in God a religion period they

2350

01:36:58,200 --> 01:36:54,970

definitely don't believe in Christianity

2351

01:36:59,910 --> 01:36:58,210

like myself they came to the same

2352

01:37:04,230 --> 01:36:59,920

conclusion that the leads are

2353

01:37:06,570 --> 01:37:04,240

participating in satanic ritual abuse

2354

01:37:10,140 --> 01:37:06,580

seyton primarily being the adversary in

2355

01:37:12,420 --> 01:37:10,150

the old testament and the adversary and

2356

01:37:15,960 --> 01:37:12,430

the new testament so my question to you

2357

01:37:17,760 --> 01:37:15,970

is to throw it back is yes I'm I frame

2358

01:37:19,890 --> 01:37:17,770

it as such because of my own personal

2359

01:37:22,650 --> 01:37:19,900

faith and my own personal beliefs as

2360

01:37:25,770 --> 01:37:22,660

being satanic ritual abuse and I'd ask

2361

01:37:29,790 --> 01:37:25,780

you why don't you frame it as why do you

2362

01:37:32,160 --> 01:37:29,800

use the term satanic when why wouldn't

2363

01:37:36,350 --> 01:37:32,170

you just use ritual abuse why wouldn't

2364

01:37:39,600 --> 01:37:36,360

you just use religious ritual abuse

2365

01:37:41,730 --> 01:37:39,610

those people look at it objectively who

2366

01:37:44,160 --> 01:37:41,740

are not Christian and seen as such with

2367

01:37:47,760 --> 01:37:44,170

the inverted pentagrams the reference is

2368

01:37:53,510 --> 01:37:47,770

the Satan that the world elite use so if

2369

01:37:56,400 --> 01:37:53,520

they look at it as that then I mean I

2370

01:37:57,690 --> 01:37:56,410

got you there ejective as they are as

2371

01:37:59,490 --> 01:37:57,700

ejected is there because they're not

2372

01:38:02,550 --> 01:37:59,500

looking at it through my lens now

2373

01:38:06,090 --> 01:38:02,560

granted do I do my best to look at it

2374

01:38:09,260 --> 01:38:06,100

objectively outside of my faith yes do I

2375

01:38:11,910 --> 01:38:09,270

believe ultimately - this all leads to

2376
01:38:13,740 --> 01:38:11,920
Christianity to some degree or Judaism

2377
01:38:15,810 --> 01:38:13,750
as far as the beliefs in Satan the

2378
01:38:18,780 --> 01:38:15,820
beliefs of good and evil God versus

2379
01:38:21,540 --> 01:38:18,790
Satan yeah I do but someone like Dave

2380
01:38:22,770 --> 01:38:21,550
McGowan that's not the case some of my

2381
01:38:26,040 --> 01:38:22,780
George from cavador

2382
01:38:28,200 --> 01:38:26,050
that's not the case now russ dizdar yes

2383
01:38:30,060 --> 01:38:28,210
he's a Christian so he's gonna look at

2384
01:38:32,790 --> 01:38:30,070
it through that lens but these other

2385
01:38:35,400 --> 01:38:32,800
people who are not are also because the

2386
01:38:39,000 --> 01:38:35,410
elites practice it in such that regard

2387
01:38:42,380 --> 01:38:39,010
look at it and through that lens - as

2388
01:38:45,300 --> 01:38:42,390

well so again what do you have to say

2389

01:38:49,280 --> 01:38:45,310

thank you thank you for teeing up an

2390

01:38:52,290 --> 01:38:49,290

excellent question I in this vast

2391

01:38:56,790 --> 01:38:52,300

unplowed field that exists out there

2392

01:39:01,140 --> 01:38:56,800

between atheism and Christianity or some

2393

01:39:03,570 --> 01:39:01,150

other dogmatic religious belief John you

2394

01:39:04,980 --> 01:39:03,580

know I have a ton of respect like I've

2395

01:39:07,350 --> 01:39:04,990

already said for the work that you've

2396

01:39:09,510 --> 01:39:07,360

done here's where I'm coming at it from

2397

01:39:11,370 --> 01:39:09,520

and you know this from having listened

2398

01:39:14,160 --> 01:39:11,380

to some of the skeptical episodes yes of

2399

01:39:17,670 --> 01:39:14,170

course I have no doubt that Christ

2400

01:39:19,920 --> 01:39:17,680

consciousness is real I

2401
01:39:23,160 --> 01:39:19,930
don't know what Christ consciousness is

2402
01:39:25,530 --> 01:39:23,170
but I accept the scientific data that

2403
01:39:28,980 --> 01:39:25,540
leads us to the conclusion that

2404
01:39:30,570 --> 01:39:28,990
consciousness does exist it's real we

2405
01:39:32,970 --> 01:39:30,580
are not biological robots in a

2406
01:39:35,250 --> 01:39:32,980
meaningless universe and the other data

2407
01:39:39,150 --> 01:39:35,260
that you just get to scientifically

2408
01:39:42,120 --> 01:39:39,160
which is that near-death experience is

2409
01:39:44,160 --> 01:39:42,130
real right so we have the best

2410
01:39:46,880 --> 01:39:44,170
cardiologist in the world and

2411
01:39:50,040 --> 01:39:46,890
resuscitation experts and radiation

2412
01:39:51,840 --> 01:39:50,050
oncologist 200 peer-reviewed journals

2413
01:39:53,850 --> 01:39:51,850

and they're all telling us the same

2414

01:39:56,480 --> 01:39:53,860

thing that consciousness seems to

2415

01:39:59,460 --> 01:39:56,490

survive bodily death in a way that

2416

01:40:01,710 --> 01:39:59,470

completely blows our understanding of

2417

01:40:04,980 --> 01:40:01,720

this brain based consciousness apart

2418

01:40:08,610 --> 01:40:04,990

that then leads us to taking seriously

2419

01:40:11,550 --> 01:40:08,620

the accounts of the near-death

2420

01:40:14,790 --> 01:40:11,560

experience yes now many of those

2421

01:40:20,250 --> 01:40:14,800

accounts as you know point to the

2422

01:40:22,980 --> 01:40:20,260

reality of a Christian experience but if

2423

01:40:25,910 --> 01:40:22,990

you take the full body of that knowledge

2424

01:40:29,520 --> 01:40:25,920

it points to that not being an

2425

01:40:32,520 --> 01:40:29,530

exclusively true club what seems to

2426

01:40:34,560 --> 01:40:32,530

emerge and this isn't a huge leap but

2427

01:40:39,930 --> 01:40:34,570

it's just where the data has taken me is

2428

01:40:42,870 --> 01:40:39,940

that we are co-creators of reality that

2429

01:40:45,660 --> 01:40:42,880

there is this greater good there is this

2430

01:40:47,040 --> 01:40:45,670

light that we can access and we are

2431

01:40:50,100 --> 01:40:47,050

co-creators of it

2432

01:40:52,950 --> 01:40:50,110

so of course Christianity and in

2433

01:40:56,280 --> 01:40:52,960

particular Christ consciousness which I

2434

01:40:58,140 --> 01:40:56,290

maintain is all any Christian can ever

2435

01:40:58,980 --> 01:40:58,150

talk about because the books are

2436

01:41:03,180 --> 01:40:58,990

hopeless

2437

01:41:07,350 --> 01:41:03,190

no intelligently thinking Christian

2438

01:41:09,780 --> 01:41:07,360

really relies on literal scripture it

2439

01:41:12,660 --> 01:41:09,790

just doesn't make sense unbearably what

2440

01:41:14,670 --> 01:41:12,670

they say and what I respect is I have a

2441

01:41:16,710 --> 01:41:14,680

personal relationship with Jesus which

2442

01:41:18,960 --> 01:41:16,720

means I have a personal relationship

2443

01:41:19,890 --> 01:41:18,970

with Christ consciousness great I have

2444

01:41:21,990 --> 01:41:19,900

up on the screen

2445

01:41:24,180 --> 01:41:22,000

multiple people I've interviewed let me

2446

01:41:26,430 --> 01:41:24,190

interject I used to have your train of

2447

01:41:29,760 --> 01:41:26,440

thought I used to be Gnostic in my

2448

01:41:31,720 --> 01:41:29,770

beliefs a prized consciousness blends in

2449

01:41:35,780 --> 01:41:31,730

to Gnosticism going

2450

01:41:37,100 --> 01:41:35,790

but I understand that I have no problem

2451
01:41:38,360 --> 01:41:37,110
with you questioning mine I have no

2452
01:41:40,940 --> 01:41:38,370
issue with that whatsoever

2453
01:41:43,790 --> 01:41:40,950
great so you know there's no protected

2454
01:41:48,890 --> 01:41:43,800
belief system here and in the court of

2455
01:41:51,470 --> 01:41:48,900
public appearance at matters to your

2456
01:41:53,720 --> 01:41:51,480
credibility and so what what matters to

2457
01:41:57,590 --> 01:41:53,730
me is what you just said you you kind of

2458
01:41:59,660 --> 01:41:57,600
Miss characterized by I told you that my

2459
01:42:01,400 --> 01:41:59,670
belief in extended consciousness and

2460
01:42:03,770 --> 01:42:01,410
again I got four hundred shows that

2461
01:42:05,870 --> 01:42:03,780
document my long progression into

2462
01:42:08,440 --> 01:42:05,880
understanding one that consciousness

2463
01:42:11,750 --> 01:42:08,450

exists and that the atheistic

2464

01:42:15,980 --> 01:42:11,760

materialistic mean that we're I think is

2465

01:42:18,470 --> 01:42:15,990

is purposely perpetrated in order to

2466

01:42:21,200 --> 01:42:18,480

prevent us provide a blockage for us

2467

01:42:23,150 --> 01:42:21,210

really accessing extended consciousness

2468

01:42:25,460 --> 01:42:23,160

and a broader understanding of that but

2469

01:42:28,760 --> 01:42:25,470

then you never really responded to my

2470

01:42:31,280 --> 01:42:28,770

observation that there is no reason to

2471

01:42:34,550 --> 01:42:31,290

limit those extended consciousness

2472

01:42:36,110 --> 01:42:34,560

realms to christian only and as a matter

2473

01:42:39,320 --> 01:42:36,120

of fact you know all the near-death

2474

01:42:40,970 --> 01:42:39,330

experience accounts they are not Gnostic

2475

01:42:43,340 --> 01:42:40,980

in the way that you're talking about

2476

01:42:44,750 --> 01:42:43,350

they just aren't your mischaracterizing

2477

01:42:46,670 --> 01:42:44,760

them but you're framing it as Christ

2478

01:42:49,220 --> 01:42:46,680

consciousness and that is Gnosticism

2479

01:42:51,920 --> 01:42:49,230

cubed up that's your understanding of my

2480

01:42:54,050 --> 01:42:51,930

word Christ consciousness you can define

2481

01:42:57,290 --> 01:42:54,060

it as not so you're just you're just

2482

01:42:59,780 --> 01:42:57,300

fighting as human consciousness no I'm

2483

01:43:01,010 --> 01:42:59,790

saying look here's what I'm hearing is

2484

01:43:03,050 --> 01:43:01,020

that we have a soul that we have a

2485

01:43:05,170 --> 01:43:03,060

spirit that there is an afterlife of

2486

01:43:09,350 --> 01:43:05,180

some sort right or am I not mistaking

2487

01:43:14,050 --> 01:43:09,360

mistaken okay what I'm saying is that I

2488

01:43:17,780 --> 01:43:14,060

don't understand consciousness I do

2489

01:43:21,190 --> 01:43:17,790

understand from the data that it's

2490

01:43:24,770 --> 01:43:21,200

obvious that we have an awareness of

2491

01:43:28,400 --> 01:43:24,780

what we are and that I would call

2492

01:43:31,550 --> 01:43:28,410

consciousness and I'm also persuaded by

2493

01:43:35,840 --> 01:43:31,560

the data that that awareness extends

2494

01:43:38,780 --> 01:43:35,850

beyond our bodily death that realm and

2495

01:43:42,310 --> 01:43:38,790

extends beyond our body that realm of

2496

01:43:45,000 --> 01:43:42,320

extension I call extended consciousness

2497

01:43:48,210 --> 01:43:45,010

now in that extended conscious

2498

01:43:51,380 --> 01:43:48,220

this realm it's people are consistently

2499

01:43:55,410 --> 01:43:51,390

reporting that they are encountering all

2500

01:44:00,470 --> 01:43:55,420

kinds of spiritual beings some of them

2501
01:44:03,150 --> 01:44:00,480
appear to be benevolent guardian angels

2502
01:44:05,670 --> 01:44:03,160
relatives that are seem to be

2503
01:44:08,550 --> 01:44:05,680
cooperating and helping people in

2504
01:44:10,110 --> 01:44:08,560
meaningful ways in their life and they

2505
01:44:12,870 --> 01:44:10,120
come back and their life is transformed

2506
01:44:15,660 --> 01:44:12,880
or their life is healed so we have other

2507
01:44:18,360 --> 01:44:15,670
ways that is just normal common sense

2508
01:44:22,140 --> 01:44:18,370
people we would say gee that seems like

2509
01:44:24,630 --> 01:44:22,150
the benevolent cooperation of a spirit

2510
01:44:27,090 --> 01:44:24,640
in an extended realm without jamming

2511
01:44:30,240 --> 01:44:27,100
that into some fricking Christian or

2512
01:44:32,760 --> 01:44:30,250
Muslim or Buddhist thing that just seems

2513
01:44:36,360 --> 01:44:32,770

to be happening my use of the term

2514

01:44:40,260 --> 01:44:36,370

Christ consciousness is derived from the

2515

01:44:43,170 --> 01:44:40,270

fact that people say in that extended

2516

01:44:47,130 --> 01:44:43,180

realm they have reported needing the

2517

01:44:51,240 --> 01:44:47,140

spiritual being that they understand at

2518

01:44:54,270 --> 01:44:51,250

that time to be Jesus Christ of the

2519

01:44:56,640 --> 01:44:54,280

Christian tradition of the Bible so that

2520

01:44:58,860 --> 01:44:56,650

is the way I'm using Christ

2521

01:45:02,100 --> 01:44:58,870

consciousness for those specific people

2522

01:45:04,890 --> 01:45:02,110

that that is their report I don't know

2523

01:45:07,440 --> 01:45:04,900

what to make of their report so then I'm

2524

01:45:10,350 --> 01:45:07,450

leaping to the next level in saying it

2525

01:45:12,930 --> 01:45:10,360

doesn't take a genius to say there seems

2526

01:45:15,300 --> 01:45:12,940

to be good and bad in this extended

2527

01:45:17,730 --> 01:45:15,310

consciousness realm we seem to be

2528

01:45:20,100 --> 01:45:17,740

co-creators of this extended

2529

01:45:22,170 --> 01:45:20,110

consciousness realm we can create the

2530

01:45:24,390 --> 01:45:22,180

good we can look to the light we can

2531

01:45:28,080 --> 01:45:24,400

ascend and do good things with our

2532

01:45:30,870 --> 01:45:28,090

spirit or it seems to be the truth the

2533

01:45:34,200 --> 01:45:30,880

reality that we just talked about that

2534

01:45:38,390 --> 01:45:34,210

we can connect and identify with this

2535

01:45:41,910 --> 01:45:38,400

need for satisfying this material

2536

01:45:46,230 --> 01:45:41,920

existence here there's wanting of things

2537

01:45:48,030 --> 01:45:46,240

of power of sex of money of control and

2538

01:45:51,780 --> 01:45:48,040

this fear of death

2539

01:45:55,560 --> 01:45:51,790

this fear of annihilation of this ego

2540

01:45:56,110 --> 01:45:55,570

little mini-me that I've created that I

2541

01:45:59,140 --> 01:45:56,120

don't

2542

01:46:03,160 --> 01:45:59,150

that that seems to me so much broader

2543

01:46:06,370 --> 01:46:03,170

than this narrowly little defined one

2544

01:46:08,650 --> 01:46:06,380

religion kind of thing it once assumes

2545

01:46:10,600 --> 01:46:08,660

the other I don't know why we want to

2546

01:46:12,520 --> 01:46:10,610

try and jam it back in the other but

2547

01:46:15,550 --> 01:46:12,530

again I don't want to get distracted

2548

01:46:18,400 --> 01:46:15,560

that is just my read of the data John I

2549

01:46:20,860 --> 01:46:18,410

don't I don't know how one pulls that

2550

01:46:22,740 --> 01:46:20,870

data part any differently what I don't

2551

01:46:28,410 --> 01:46:22,750

get it

2552

01:46:33,420 --> 01:46:30,820

explain to me satanic ritual abuse

2553

01:46:35,800 --> 01:46:33,430

without using the Christian lens then of

2554

01:46:38,710 --> 01:46:35,810

people saying that inverted pentagrams

2555

01:46:42,310 --> 01:46:38,720

of you for used Satanism is involved

2556

01:46:46,390 --> 01:46:42,320

that they're invoking demons if it's not

2557

01:46:50,800 --> 01:46:46,400

that then you know if it's not that then

2558

01:46:52,360 --> 01:46:50,810

I want to know how you see it because

2559

01:46:56,170 --> 01:46:52,370

there are many people who are giving

2560

01:46:58,360 --> 01:46:56,180

that narrative let me give an attempt at

2561

01:47:00,670 --> 01:46:58,370

it and the last thing I want to do is

2562

01:47:03,280 --> 01:47:00,680

sound like I know anything here cuz I

2563

01:47:05,560 --> 01:47:03,290

don't but this is a topic that I am

2564

01:47:07,900 --> 01:47:05,570

going to dive into further and further

2565

01:47:10,660 --> 01:47:07,910

because again to me it's the unclogged

2566

01:47:13,870 --> 01:47:10,670

field and this whole spirituality

2567

01:47:16,180 --> 01:47:13,880

extended consciousness I pulled up on

2568

01:47:17,800 --> 01:47:16,190

the screen if you can ignore Joe at well

2569

01:47:19,990 --> 01:47:17,810

because I know you hate him I want to

2570

01:47:22,930 --> 01:47:20,000

point you don't okay I don't hate him as

2571

01:47:26,740 --> 01:47:22,940

a person I just dislike a lot of his

2572

01:47:29,320 --> 01:47:26,750

reasoning I'm gonna draw your attention

2573

01:47:32,230 --> 01:47:29,330

to the book by Richard Smalley who was

2574

01:47:33,580 --> 01:47:32,240

on the show how God became God one of

2575

01:47:37,750 --> 01:47:33,590

the things that I think is interesting

2576

01:47:40,240 --> 01:47:37,760

about this Oxford trained theologian

2577

01:47:41,950 --> 01:47:40,250

they're just researcher really it was

2578

01:47:44,320 --> 01:47:41,960

just written all these terrific books he

2579

01:47:49,540 --> 01:47:44,330

was very scholarly guy as he goes back

2580

01:47:54,010 --> 01:47:49,550

and he traces the kind of very early pre

2581

01:47:58,750 --> 01:47:54,020

Torah Judaic documents and what he finds

2582

01:48:02,350 --> 01:47:58,760

is no Satan so he finds all the stories

2583

01:48:05,320 --> 01:48:02,360

that wind up in the Torah in the Old

2584

01:48:08,710 --> 01:48:05,330

Testament with Satan in him but he finds

2585

01:48:10,000 --> 01:48:08,720

him with no Satan now let me ask you so

2586

01:48:13,210 --> 01:48:10,010

question about that does he

2587

01:48:15,340 --> 01:48:13,220

Joe possibly being written first and how

2588

01:48:18,700 --> 01:48:15,350

Satan is shown there as to be the

2589

01:48:20,290 --> 01:48:18,710

adversary but as an agent of God to to

2590

01:48:21,790 --> 01:48:20,300

challenge Joe because I have not

2591

01:48:23,590 --> 01:48:21,800

listened to an interview Loretta's book

2592

01:48:25,080 --> 01:48:23,600

so I don't know but I would assume that

2593

01:48:28,210 --> 01:48:25,090

is one of the conclusions that he makes

2594

01:48:29,560 --> 01:48:28,220

you know I can't tell you that at the

2595

01:48:31,480 --> 01:48:29,570

top of my head but I hope to have him

2596

01:48:33,010 --> 01:48:31,490

back on and I will ask him that exact

2597

01:48:36,630 --> 01:48:33,020

question but that doesn't directly

2598

01:48:40,260 --> 01:48:36,640

answer your question the direct answer

2599

01:48:44,230 --> 01:48:40,270

for me in your question is of course

2600

01:48:48,370 --> 01:48:44,240

Satan is real because we are co-creators

2601

01:48:52,840 --> 01:48:48,380

of that reality can shape themselves

2602

01:48:55,900 --> 01:48:52,850

into whatever our mind shapes them this

2603

01:48:58,240 --> 01:48:55,910

idea is repeated over and over in a lot

2604

01:49:00,700 --> 01:48:58,250

of great spiritual traditions and in a

2605

01:49:03,160 --> 01:49:00,710

lot of esoteric traditions and it just

2606

01:49:06,160 --> 01:49:03,170

seems to be a reality of the universe we

2607

01:49:11,010 --> 01:49:06,170

are co-creators so if your thought-form

2608

01:49:15,190 --> 01:49:11,020

goes to satan yes you will find

2609

01:49:20,070 --> 01:49:15,200

connection and the way I always put it

2610

01:49:23,310 --> 01:49:20,080

is as below so above I mean can you find

2611

01:49:27,820 --> 01:49:23,320

creepy people who are want to do

2612

01:49:31,120 --> 01:49:27,830

horribly pathetic psychopathic things

2613

01:49:33,880 --> 01:49:31,130

can you find them in this world you

2614

01:49:35,140 --> 01:49:33,890

certainly can like Ted Bundy and I know

2615

01:49:36,610 --> 01:49:35,150

you've heard the story and I heard of

2616

01:49:38,200 --> 01:49:36,620

that Ed opperman I don't want thredUP

2617

01:49:40,390 --> 01:49:38,210

herman on the bus he does a lot of

2618

01:49:42,880 --> 01:49:40,400

really great stuff but the story I love

2619

01:49:45,280 --> 01:49:42,890

about Ted Bundy is Ted Bundy isn't in

2620

01:49:48,040 --> 01:49:45,290

deceit antics yet he's into doing the

2621

01:49:51,940 --> 01:49:48,050

most evil he's connected with some evil

2622

01:49:53,980 --> 01:49:51,950

spiritual force that is you know aligned

2623

01:49:57,610 --> 01:49:53,990

with him as he's done these evil deeds

2624

01:50:00,280 --> 01:49:57,620

but is he open to satanic stuff when he

2625

01:50:02,230 --> 01:50:00,290

encounters another guy along his journey

2626
01:50:04,990 --> 01:50:02,240
and I forget the guys name he says oh

2627
01:50:06,910 --> 01:50:05,000
yeah man I'll tell you how to double

2628
01:50:09,490 --> 01:50:06,920
down on the power that you're tapping

2629
01:50:12,550 --> 01:50:09,500
into you here it is do this ritual do

2630
01:50:16,570 --> 01:50:12,560
this and Ted Bundy's like why the hell

2631
01:50:20,270 --> 01:50:16,580
not I mean I'm already my soul if you

2632
01:50:22,189 --> 01:50:20,280
will is already at that level why

2633
01:50:23,899 --> 01:50:22,199
be open to that I think that ties back

2634
01:50:25,970 --> 01:50:23,909
to what you're talking about that you

2635
01:50:28,609 --> 01:50:25,980
know you go to the party with King you

2636
01:50:32,720 --> 01:50:28,619
go to a party with Epstein you know

2637
01:50:35,629 --> 01:50:32,730
you're already sunk your battleship man

2638
01:50:38,029 --> 01:50:35,639

so I don't know that's my that's my

2639

01:50:40,250 --> 01:50:38,039

understanding of yes there's a reality

2640

01:50:42,589 --> 01:50:40,260

to it and you are a co-creator of that

2641

01:50:44,450 --> 01:50:42,599

reality so it's the satanic stuff

2642

01:50:47,240 --> 01:50:44,460

someone asked your question Alex do you

2643

01:50:49,879 --> 01:50:47,250

believe in a higher power and Nagada and

2644

01:50:51,169 --> 01:50:49,889

a creator I'm just curious well let me

2645

01:50:53,810 --> 01:50:51,179

take what I just said

2646

01:51:00,520 --> 01:50:53,820

well no outside of ourselves do you

2647

01:51:06,830 --> 01:51:02,479

see that's the problem with the

2648

01:51:12,200 --> 01:51:06,840

Christian thing you know Who am I to

2649

01:51:15,439 --> 01:51:12,210

presuppose that I understand the mind of

2650

01:51:17,060 --> 01:51:15,449

God no I'm saying is there a creator

2651
01:51:18,560 --> 01:51:17,070
separate from yours that's not just from

2652
01:51:20,419 --> 01:51:18,570
the Christian lens that is from many

2653
01:51:21,979 --> 01:51:20,429
different religions and I guess that's

2654
01:51:24,680 --> 01:51:21,989
my point John wanted me to be combative

2655
01:51:26,060 --> 01:51:24,690
because you're fantastic buddy and you

2656
01:51:30,260 --> 01:51:26,070
got to keep doing what you're doing I

2657
01:51:32,870 --> 01:51:30,270
think that overreaches my knowledge like

2658
01:51:35,450 --> 01:51:32,880
one of the things I take stock in is the

2659
01:51:38,540 --> 01:51:35,460
fact that so many people who reach this

2660
01:51:40,370 --> 01:51:38,550
extended consciousness realm have this

2661
01:51:42,859 --> 01:51:40,380
download of information have this

2662
01:51:45,830 --> 01:51:42,869
all-knowing but then they're not able to

2663
01:51:49,609 --> 01:51:45,840

maintain it I don't think in my you know

2664

01:51:53,510 --> 01:51:49,619

in my physical body I'm able to

2665

01:51:56,660 --> 01:51:53,520

understand the mind of God in enough to

2666

01:52:00,379 --> 01:51:56,670

understand what that means

2667

01:52:03,290 --> 01:52:00,389

in terms of God what I do think one of

2668

01:52:06,979 --> 01:52:03,300

my working things is that the secret to

2669

01:52:09,770 --> 01:52:06,989

the ascent is to always look up and that

2670

01:52:14,600 --> 01:52:09,780

answers the question for me I need to

2671

01:52:18,680 --> 01:52:14,610

ascend my soul needs to ascend I need to

2672

01:52:21,290 --> 01:52:18,690

do good things have good thoughts I need

2673

01:52:23,540 --> 01:52:21,300

to emanate the love that I see coming

2674

01:52:26,660 --> 01:52:23,550

through these people that are

2675

01:52:28,759 --> 01:52:26,670

transformed by these experiences that's

2676

01:52:31,220 --> 01:52:28,769

where I need to be and that's really

2677

01:52:34,069 --> 01:52:31,230

simple it's just not that complicated I

2678

01:52:37,579 --> 01:52:34,079

don't need to understand God I

2679

01:52:41,239 --> 01:52:37,589

just need to be more like these people

2680

01:52:44,869 --> 01:52:41,249

that are emanating all that stuff that

2681

01:52:47,509 --> 01:52:44,879

seems to be godlike and I need to not do

2682

01:52:51,279 --> 01:52:47,519

the stuff oh that all these people do

2683

01:52:53,899 --> 01:52:51,289

that seem to be emanating this satanic

2684

01:52:56,529 --> 01:52:53,909

devil bad stuff

2685

01:52:59,179 --> 01:52:56,539

it ain't that freaking complicated I

2686

01:53:01,040 --> 01:52:59,189

can't I can't say that you can't do good

2687

01:53:02,659 --> 01:53:01,050

not you know being a Christian like an

2688

01:53:04,729 --> 01:53:02,669

atheist kid not a my senior atheist but

2689

01:53:07,939 --> 01:53:04,739

just using that as an example cannot do

2690

01:53:10,009 --> 01:53:07,949

good works I mean it happens but you

2691

01:53:11,629 --> 01:53:10,019

know the only the only difference

2692

01:53:14,449 --> 01:53:11,639

between me and you and that relief is

2693

01:53:17,439 --> 01:53:14,459

it's it's faith bursts vs. works faith

2694

01:53:21,379 --> 01:53:17,449

in God versus you know works as far as

2695

01:53:23,929 --> 01:53:21,389

you know as far as your soul we're going

2696

01:53:27,829 --> 01:53:23,939

to be after well why would you want to

2697

01:53:29,060 --> 01:53:27,839

have faith why not have doubt doubt is

2698

01:53:31,699 --> 01:53:29,070

the most spiritual thing

2699

01:53:33,739 --> 01:53:31,709

faith is decided I just you know one I

2700

01:53:35,779 --> 01:53:33,749

just spoke recently with that's not

2701
01:53:38,089 --> 01:53:35,789
necessarily true Christian spoke with

2702
01:53:40,689 --> 01:53:38,099
this woman who's in the ramp thought

2703
01:53:43,219 --> 01:53:40,699
cult you know and I kind of told her

2704
01:53:44,599 --> 01:53:43,229
skeptical inquiry to perpetuate doubt

2705
01:53:49,129 --> 01:53:44,609
and she goes oh no I don't have any

2706
01:53:51,979 --> 01:53:49,139
doubt I know I know because I hold hold

2707
01:53:53,359 --> 01:53:51,989
on did you talk to Jay Jay Jay Z Knight

2708
01:53:54,679 --> 01:53:53,369
the head of the Rancho School of

2709
01:53:58,009 --> 01:53:54,689
Enlightenment or someone that was in a

2710
01:54:01,669 --> 01:53:58,019
disciple let's talk about that off of

2711
01:54:02,869 --> 01:54:01,679
this but take this part off I mean to be

2712
01:54:05,599 --> 01:54:02,879
saying that but let's talk about let's

2713
01:54:06,919 --> 01:54:05,609

talk about that off air sometime I don't

2714

01:54:09,139 --> 01:54:06,929

know what we talked about off there it's

2715

01:54:11,209 --> 01:54:09,149

a cult no I mean me and you let's talk

2716

01:54:13,399 --> 01:54:11,219

about it off air sometimes their

2717

01:54:15,589 --> 01:54:13,409

connections to pushing Q and you know

2718

01:54:17,540 --> 01:54:15,599

and them LARPing the stuff since the

2719

01:54:18,829 --> 01:54:17,550

1990s and everything and then pushing

2720

01:54:21,529 --> 01:54:18,839

trumpet we'll talk about off that I'm

2721

01:54:24,799 --> 01:54:21,539

happy to but the the bottom line to me

2722

01:54:26,540 --> 01:54:24,809

is Christianity you know here's the I

2723

01:54:29,119 --> 01:54:26,550

guess the hard the hard edge question

2724

01:54:30,469 --> 01:54:29,129

related to this is that and I think a

2725

01:54:34,129 --> 01:54:30,479

lot of people would see it this way so

2726

01:54:37,489 --> 01:54:34,139

I'm not like uniquely pushing this but

2727

01:54:41,029 --> 01:54:37,499

what's been revealed so far particularly

2728

01:54:43,719 --> 01:54:41,039

like the Catholic Church thing or this

2729

01:54:47,810 --> 01:54:43,729

interview I did with Kevin and that

2730

01:54:51,080 --> 01:54:47,820

former minister for the church Canada

2731

01:54:54,439 --> 01:54:51,090

all these horrible crimes evil Church

2732

01:54:58,280 --> 01:54:54,449

against I mean the pedo Pope

2733

01:55:01,780 --> 01:54:58,290

none of that stuff from the optics from

2734

01:55:05,180 --> 01:55:01,790

the high-level would lead people to your

2735

01:55:08,180 --> 01:55:05,190

understanding of Christianity how how

2736

01:55:11,089 --> 01:55:08,190

you try and rescue Christianity from

2737

01:55:15,439 --> 01:55:11,099

that mess if it's much better with

2738

01:55:17,629 --> 01:55:15,449

that's not Christianity though it's the

2739

01:55:19,459 --> 01:55:17,639

same as me saying you know was your

2740

01:55:22,280 --> 01:55:19,469

child ever at a daycare or a public

2741

01:55:24,950 --> 01:55:22,290

school or a school period you know it's

2742

01:55:29,930 --> 01:55:24,960

really not because the Catholic Church

2743

01:55:31,399 --> 01:55:29,940

is the church right before a few years

2744

01:55:33,439 --> 01:55:31,409

ago there wasn't even any other

2745

01:55:34,580 --> 01:55:33,449

Christian Church other than the Catholic

2746

01:55:36,890 --> 01:55:34,590

Church but it from it's very inception

2747

01:55:40,010 --> 01:55:36,900

it wasn't like that though that's the

2748

01:55:42,560 --> 01:55:40,020

corruption of the of the the fruit of

2749

01:55:44,510 --> 01:55:42,570

the tree no one's arguing here now that

2750

01:55:46,310 --> 01:55:44,520

you're not gonna have bad faith factors

2751
01:55:47,780 --> 01:55:46,320
within any religion I mean you could say

2752
01:55:49,520 --> 01:55:47,790
the same thing about Islam you can see

2753
01:55:51,740 --> 01:55:49,530
thing hecka what about when I did my

2754
01:55:53,120 --> 01:55:51,750
series tracking their abuse throughout

2755
01:55:56,200 --> 01:55:53,130
our religions and the abuse that

2756
01:55:59,000 --> 01:55:56,210
occurred in Buddhist temples Buddhism

2757
01:56:01,160 --> 01:55:59,010
farthest from that but it's John that

2758
01:56:02,870 --> 01:56:01,170
supports that supports what I'm saying

2759
01:56:05,629 --> 01:56:02,880
it doesn't support what you're saying

2760
01:56:09,410 --> 01:56:05,639
but it happens and it happens outside of

2761
01:56:09,859 --> 01:56:09,420
religion to its point but that's my

2762
01:56:11,930 --> 01:56:09,869
point

2763
01:56:14,510 --> 01:56:11,940

again this is what Christians don't get

2764

01:56:16,220 --> 01:56:14,520

because there's so it's all apologetics

2765

01:56:17,569 --> 01:56:16,230

it's all bringing it back and jamming it

2766

01:56:20,990 --> 01:56:17,579

I'm not saying that there haven't been

2767

01:56:22,339 --> 01:56:21,000

evil things that have happened you're

2768

01:56:23,959 --> 01:56:22,349

not hearing my point I'm probably not

2769

01:56:26,959 --> 01:56:23,969

hearing your point but here's my point

2770

01:56:28,280 --> 01:56:26,969

is that just optics just looking at from

2771

01:56:30,260 --> 01:56:28,290

the big picture like I was talking about

2772

01:56:31,939 --> 01:56:30,270

in the narrative with you know why do we

2773

01:56:35,300 --> 01:56:31,949

have to explore these silly narratives

2774

01:56:37,100 --> 01:56:35,310

that the guy who's gonna defend the the

2775

01:56:38,359 --> 01:56:37,110

finders cult saying oh yeah well it's

2776

01:56:40,490 --> 01:56:38,369

we're teaching this three-year-old

2777

01:56:42,260 --> 01:56:40,500

animal husbandry and that's why we dip

2778

01:56:43,729 --> 01:56:42,270

their hands in the blood and you know

2779

01:56:45,050 --> 01:56:43,739

made him do it you know it's like that's

2780

01:56:49,250 --> 01:56:45,060

a crazy story

2781

01:56:51,919 --> 01:56:49,260

so I it's equally crazy to me to say oh

2782

01:56:55,430 --> 01:56:51,929

yeah well all these Christian groups in

2783

01:56:59,060 --> 01:56:55,440

the largest Christian sect of the cult

2784

01:57:01,520 --> 01:56:59,070

in in history the Catholics seemed to be

2785

01:57:04,250 --> 01:57:01,530

systemic Lee institutionally in

2786

01:57:07,370 --> 01:57:04,260

involved with sex crimes against children

2787

01:57:09,470 --> 01:57:07,380

but that doesn't matter there's a truer

2788

01:57:11,180 --> 01:57:09,480

christianity behind it Kevin and net

2789

01:57:13,400 --> 01:57:11,190

comes on and says oh yeah it's not just

2790

01:57:15,530 --> 01:57:13,410

the Catholics in Canada here it's the

2791

01:57:17,870 --> 01:57:15,540

Church of Canada and I have proof of it

2792

01:57:20,420 --> 01:57:17,880

oh but that doesn't shed but that

2793

01:57:22,220 --> 01:57:20,430

doesn't reflect poorly on Christianity

2794

01:57:24,740 --> 01:57:22,230

you know Jesus is still working behind

2795

01:57:25,580 --> 01:57:24,750

all this it doesn't it just doesn't

2796

01:57:28,160 --> 01:57:25,590

really add up

2797

01:57:32,450 --> 01:57:28,170

it doesn't really are you an American

2798

01:57:34,250 --> 01:57:32,460

citizen yes what about all the crimes at

2799

01:57:36,500 --> 01:57:34,260

the height okay I believe in the

2800

01:57:39,290 --> 01:57:36,510

American people as me being an American

2801

01:57:41,330 --> 01:57:39,300

citizen I believe in the ideals of the

2802

01:57:44,420 --> 01:57:41,340

American people what the American people

2803

01:57:46,400 --> 01:57:44,430

stand for you know but when you look at

2804

01:57:48,590 --> 01:57:46,410

America as a whole the founding fathers

2805

01:57:51,470 --> 01:57:48,600

majority of them were Masons majority of

2806

01:57:53,000 --> 01:57:51,480

them practiced you know a lot of things

2807

01:57:58,100 --> 01:57:53,010

that we would find just as in Horan

2808

01:57:59,900 --> 01:57:58,110

today as as you know our elites do now

2809

01:58:02,210 --> 01:57:59,910

okay so you're telling me

2810

01:58:04,130 --> 01:58:02,220

well yeah hi you know the hide the

2811

01:58:06,950 --> 01:58:04,140

Christian you know belief that you have

2812

01:58:08,780 --> 01:58:06,960

the Pope you have you know the the

2813

01:58:10,730 --> 01:58:08,790

crimes of the Southern Baptist Church to

2814

01:58:12,170 --> 01:58:10,740

the CMP like judge pop wrestler and

2815

01:58:14,870 --> 01:58:12,180

stuff like that you have all these

2816

01:58:15,980 --> 01:58:14,880

scandals within Christianity there for

2817

01:58:19,070 --> 01:58:15,990

you you know

2818

01:58:21,560 --> 01:58:19,080

there's also good fruits for example

2819

01:58:25,370 --> 01:58:21,570

what about the work that I have done as

2820

01:58:27,500 --> 01:58:25,380

a Christian or my mutt my best friend's

2821

01:58:29,450 --> 01:58:27,510

mother down the street who's a Catholic

2822

01:58:31,880 --> 01:58:29,460

who has no idea what happens at the top

2823

01:58:33,980 --> 01:58:31,890

of the Catholic Church but she spends

2824

01:58:36,590 --> 01:58:33,990

you know her weekends you know

2825

01:58:38,180 --> 01:58:36,600

volunteering and and being a good person

2826

01:58:40,880 --> 01:58:38,190

and stuff like that and everything just

2827

01:58:42,680 --> 01:58:40,890

fits better into my model than it does

2828

01:58:44,600 --> 01:58:42,690

into your mom no it does it because

2829

01:58:45,740 --> 01:58:44,610

you're an American citizen I'm America

2830

01:58:49,340 --> 01:58:45,750

so we know that the American government

2831

01:58:52,190 --> 01:58:49,350

has done horrific crimes horrific crimes

2832

01:58:54,290 --> 01:58:52,200

but yet we still choose to be citizens

2833

01:58:56,630 --> 01:58:54,300

of this country in the hope that you

2834

01:58:58,280 --> 01:58:56,640

know one day that the good that the

2835

01:58:59,860 --> 01:58:58,290

American public have done will outweigh

2836

01:59:02,900 --> 01:58:59,870

the bad of what the government has done

2837

01:59:06,950 --> 01:59:02,910

yes there are corruption within God's

2838

01:59:08,930 --> 01:59:06,960

church there's no denying that just like

2839

01:59:13,520 --> 01:59:08,940

there is corruption within any religion

2840

01:59:15,380 --> 01:59:13,530

so I mean that's not the tenets of

2841

01:59:17,390 --> 01:59:15,390

Christianity it just

2842

01:59:19,580 --> 01:59:17,400

like you know molestation and Buddhist

2843

01:59:24,350 --> 01:59:19,590

temples aren't the tenants of Buddhism

2844

01:59:26,120 --> 01:59:24,360

so or the or the or the ritual abuse

2845

01:59:32,600 --> 01:59:26,130

that happens in the mikvah baths

2846

01:59:34,640 --> 01:59:32,610

I mean you can throw stones I'm not I

2847

01:59:36,470 --> 01:59:34,650

just talked about Judas right there I'm

2848

01:59:38,810 --> 01:59:36,480

right there with you how about the fact

2849

01:59:42,380 --> 01:59:38,820

that most British most Buddhist cults

2850

01:59:45,140 --> 01:59:42,390

have not insects have not been open to

2851
01:59:46,940 --> 01:59:45,150
the or ordaining women I mean how do you

2852
01:59:47,720 --> 01:59:46,950
make any sense out of that it doesn't

2853
01:59:50,120 --> 01:59:47,730
make any sense

2854
01:59:51,380 --> 01:59:50,130
again we got to wrap things up because

2855
01:59:54,140 --> 01:59:51,390
you got me don't you've been so generous

2856
02:00:00,190 --> 01:59:54,150
with all your time here but it does not

2857
02:00:03,710 --> 02:00:00,200
to me just take a step back it is not a

2858
02:00:06,350 --> 02:00:03,720
supportive of your exclusively Christian

2859
02:00:08,630 --> 02:00:06,360
only Jesus is orchestrating the whole

2860
02:00:11,030 --> 02:00:08,640
thing it's much more consistent with

2861
02:00:13,520 --> 02:00:11,040
what I'm saying which is this stuff

2862
02:00:16,070 --> 02:00:13,530
isn't that hard to figure out we have to

2863
02:00:19,340 --> 02:00:16,080

ascend we have to try and raise our soul

2864

02:00:23,180 --> 02:00:19,350

to that higher consciousness that we all

2865

02:00:25,760 --> 02:00:23,190

know from a curly kid you know the stuff

2866

02:00:28,580 --> 02:00:25,770

you're supposed to do it you don't need

2867

02:00:31,070 --> 02:00:28,590

Jesus it's like my friend Kevin and that

2868

02:00:33,080 --> 02:00:31,080

says why is the World Order doing their

2869

02:00:36,140 --> 02:00:33,090

darndest to frame anybody who's a

2870

02:00:38,870 --> 02:00:36,150

Christian like myself as someone who is

2871

02:00:41,360 --> 02:00:38,880

just crazy lunatic insane if there was

2872

02:00:44,360 --> 02:00:41,370

not some truth within the New Testament

2873

02:00:48,110 --> 02:00:44,370

that's a weird question how is that

2874

02:00:51,020 --> 02:00:48,120

ridiculous because they frame it as a

2875

02:00:53,570 --> 02:00:51,030

satanic panic they frame it as crazy

2876
02:00:56,150 --> 02:00:53,580
Christians that's what they agreement

2877
02:00:59,150 --> 02:00:56,160
that's right but the purpose for that is

2878
02:01:01,550 --> 02:00:59,160
is more again it's like all the stuff we

2879
02:01:03,890 --> 02:01:01,560
talk about here it's just more you know

2880
02:01:06,590 --> 02:01:03,900
why do they do why do they do

2881
02:01:10,760 --> 02:01:06,600
brown-brown stoning because it advances

2882
02:01:13,640 --> 02:01:10,770
their agenda so if your agenda is to

2883
02:01:17,830 --> 02:01:13,650
control everybody and if you're in

2884
02:01:19,850 --> 02:01:17,840
concert with the most evil malevolent

2885
02:01:21,560 --> 02:01:19,860
spiritual forces which we don't

2886
02:01:22,730 --> 02:01:21,570
understand which I'm saying I don't

2887
02:01:24,320 --> 02:01:22,740
understand do you understand because

2888
02:01:26,330 --> 02:01:24,330

they're all in your thing there I'm

2889

02:01:28,100 --> 02:01:26,340

saying I don't understand them but I can

2890

02:01:28,860 --> 02:01:28,110

understand how someone in partner shares

2891

02:01:31,710 --> 02:01:28,870

every

2892

02:01:33,090 --> 02:01:31,720

and I say that I did I can understand

2893

02:01:37,200 --> 02:01:33,100

why someone in partnership with that

2894

02:01:39,090 --> 02:01:37,210

would completely object to to what

2895

02:01:40,320 --> 02:01:39,100

you're saying because you're you're at

2896

02:01:42,390 --> 02:01:40,330

the end of the day you're doing the same

2897

02:01:44,550 --> 02:01:42,400

thing I do you're trying to ascend

2898

02:01:47,370 --> 02:01:44,560

you're trying to raise your vibration

2899

02:01:49,170 --> 02:01:47,380

you're trying to raise your soul what do

2900

02:01:50,850 --> 02:01:49,180

you like those terms are not that's what

2901
02:01:53,970 --> 02:01:50,860
you're trying to try to go to heaven yes

2902
02:01:55,170 --> 02:01:53,980
so they're against it they're against me

2903
02:01:57,000 --> 02:01:55,180
as much as they're against you just

2904
02:01:58,500 --> 02:01:57,010
because I don't identify as a Christian

2905
02:01:59,940 --> 02:01:58,510
I didn't say they weren't I didn't say

2906
02:02:01,950 --> 02:01:59,950
they were not against you in that regard

2907
02:02:03,780 --> 02:02:01,960
as far as you trying to bring ritual

2908
02:02:06,360 --> 02:02:03,790
satanic abuse alighted and so this like

2909
02:02:09,270 --> 02:02:06,370
Dave McGowan was an atheist and they

2910
02:02:11,040 --> 02:02:09,280
were against him or George I'm just

2911
02:02:13,560 --> 02:02:11,050
saying is nationally though as a

2912
02:02:15,870 --> 02:02:13,570
collective they frame it specifically

2913
02:02:17,220 --> 02:02:15,880

against Christianity at least with here

2914

02:02:18,330 --> 02:02:17,230

in the United States and you can see it

2915

02:02:19,500 --> 02:02:18,340

also there with Europe now your

2916

02:02:20,970 --> 02:02:19,510

arguments that could be weird because

2917

02:02:22,770 --> 02:02:20,980

those are regional regions for

2918

02:02:24,690 --> 02:02:22,780

Christianity exists but there are

2919

02:02:27,870 --> 02:02:24,700

satanic ritual abuse cases throughout

2920

02:02:32,970 --> 02:02:27,880

the globe that are not in Christian

2921

02:02:37,170 --> 02:02:32,980

areas so you know again I we're you know

2922

02:02:40,620 --> 02:02:37,180

you and I are not going to are not going

2923

02:02:43,680 --> 02:02:40,630

to you know agree on this and we're just

2924

02:02:46,460 --> 02:02:43,690

we just won't and I do say the more that

2925

02:02:50,400 --> 02:02:46,470

you the more that you investigate

2926

02:02:52,620 --> 02:02:50,410

satanic ritual abuse the more just just

2927

02:02:54,710 --> 02:02:52,630

be on the lookout for and just see how

2928

02:02:58,110 --> 02:02:54,720

many instances were there trying to

2929

02:03:04,230 --> 02:02:58,120

degrade Christianity specifically of

2930

02:03:06,480 --> 02:03:04,240

course John is this book coming out

2931

02:03:09,330 --> 02:03:06,490

again our guest folks has been John

2932

02:03:12,390 --> 02:03:09,340

Britton you can find him at we read the

2933

02:03:15,090 --> 02:03:12,400

documents you can find many fantastic

2934

02:03:18,060 --> 02:03:15,100

interviews again it's a guy who does the

2935

02:03:21,260 --> 02:03:18,070

research so many of his interviews that

2936

02:03:23,910 --> 02:03:21,270

I've listened to have been extremely

2937

02:03:27,030 --> 02:03:23,920

fundamentally instructive for me and

2938

02:03:30,020 --> 02:03:27,040

understanding this so our little foray

2939

02:03:32,850 --> 02:03:30,030

into the Christian debate to me is

2940

02:03:35,130 --> 02:03:32,860

completely separate than the solid

2941

02:03:37,230 --> 02:03:35,140

research this guy is doing tell us more

2942

02:03:39,000 --> 02:03:37,240

about this book when you think I know

2943

02:03:41,830 --> 02:03:39,010

it's a huge project when you think that

2944

02:03:44,620 --> 02:03:41,840

might be out and how people can follow

2945

02:03:46,120 --> 02:03:44,630

your investigative work thank you Alex

2946

02:03:48,550 --> 02:03:46,130

again for having me on skeptical yeah

2947

02:03:52,450 --> 02:03:48,560

even though we had I did agree you know

2948

02:03:53,740 --> 02:03:52,460

how many call just just debating I still

2949

02:03:54,970 --> 02:03:53,750

you know appreciate you know your

2950

02:03:57,280 --> 02:03:54,980

friendship and appreciate you looking

2951
02:03:59,050 --> 02:03:57,290
into this and everything and and yeah

2952
02:04:00,820 --> 02:03:59,060
you guys can find me on we've read the

2953
02:04:01,270 --> 02:04:00,830
documents on YouTube we've read on

2954
02:04:03,850 --> 02:04:01,280
Twitter

2955
02:04:05,950 --> 02:04:03,860
hopefully this book will be out by the

2956
02:04:07,089 --> 02:04:05,960
end of this year I got about half of it

2957
02:04:09,520 --> 02:04:07,099
read about one hundred and fifty hundred

2958
02:04:11,560 --> 02:04:09,530
seventy pages but I'm still trying to

2959
02:04:13,600 --> 02:04:11,570
track down some more people to interview

2960
02:04:16,390 --> 02:04:13,610
to the case to be able to get more

2961
02:04:18,370 --> 02:04:16,400
information about the overall finders

2962
02:04:19,899 --> 02:04:18,380
Nexus some people have not been able to

2963
02:04:23,200 --> 02:04:19,909

fully been able to track down yet it's

2964

02:04:26,080 --> 02:04:23,210

possible sometimes even using Spokeo and

2965

02:04:27,399 --> 02:04:26,090

and in certain websites to try to track

2966

02:04:29,020 --> 02:04:27,409

down people it could be quite difficult

2967

02:04:30,850 --> 02:04:29,030

but there are you know I still want to

2968

02:04:32,800 --> 02:04:30,860

interview some of the children that were

2969

02:04:34,750 --> 02:04:32,810

put into custody down there Tallahassee

2970

02:04:36,310 --> 02:04:34,760

to try to get some information from the

2971

02:04:38,649 --> 02:04:36,320

finders Derek froze his interviewed

2972

02:04:40,750 --> 02:04:38,659

Robert Gardner Terrell and we've got an

2973

02:04:43,600 --> 02:04:40,760

interview with him on there just so I

2974

02:04:45,850 --> 02:04:43,610

want to you know ask them questions try

2975

02:04:47,709 --> 02:04:45,860

to gain more information and and also

2976

02:04:49,990 --> 02:04:47,719

when it try to interview former FBI

2977

02:04:51,640 --> 02:04:50,000

agent a fear of erroneous and you know

2978

02:04:53,680 --> 02:04:51,650

so I still have interviews that I want

2979

02:04:55,479 --> 02:04:53,690

to do for the book to try to get to ask

2980

02:04:58,030 --> 02:04:55,489

questions to try to get more information

2981

02:05:00,040 --> 02:04:58,040

out there and hopefully it will be

2982

02:05:02,050 --> 02:05:00,050

tentatively I'm looking towards any this

2983

02:05:03,520 --> 02:05:02,060

year for it to be out hopefully one of

2984

02:05:05,680 --> 02:05:03,530

the things I love about your work like

2985

02:05:07,479 --> 02:05:05,690

you're gonna interview a female I can't

2986

02:05:12,280 --> 02:05:07,489

wait that it's not gonna be a friendly

2987

02:05:14,109 --> 02:05:12,290

interview right now it's most people are

2988

02:05:16,120 --> 02:05:14,119

not brave enough to do those you know so

2989

02:05:18,640 --> 02:05:16,130

that's very cool I hope you should

2990

02:05:20,680 --> 02:05:18,650

probably won't do it you've done but I'm

2991

02:05:23,050 --> 02:05:20,690

gonna try yeah I have you've done other

2992

02:05:24,850 --> 02:05:23,060

ones with kind of non friendly so that's

2993

02:05:28,180 --> 02:05:24,860

that's real investigation

2994

02:05:29,919 --> 02:05:28,190

yes thank you Alex you're awesome John

2995

02:05:31,570 --> 02:05:29,929

thank you much for spending all this

2996

02:05:33,760 --> 02:05:31,580

time with us and I'll try and put this

2997

02:05:38,550 --> 02:05:33,770

into some form that people can maybe

2998

02:05:41,260 --> 02:05:38,560

understand thank you take care everybody

2999

02:05:43,750 --> 02:05:41,270

thanks again to John person for joining

3000

02:05:46,030 --> 02:05:43,760

me today on skeptic oh one question I'd

3001
02:05:48,490 --> 02:05:46,040
have to tee up from this interview and

3002
02:05:50,979 --> 02:05:48,500
it's the follow-on question that we

3003
02:05:53,589 --> 02:05:50,989
didn't get to to the end with all this

3004
02:05:55,120 --> 02:05:53,599
mounting evidence of satanic ritual

3005
02:05:58,510 --> 02:05:55,130
abuse

3006
02:06:01,660 --> 02:05:58,520
what are we to make of Satan and his

3007
02:06:04,140 --> 02:06:01,670
role and in particular what are we to

3008
02:06:07,780 --> 02:06:04,150
make of the very narrowly defined

3009
02:06:09,790 --> 02:06:07,790
Christian definition let me know your

3010
02:06:12,399 --> 02:06:09,800
thoughts as I mentioned at the beginning

3011
02:06:16,240 --> 02:06:12,409
of this show there's been somewhat of a

3012
02:06:19,090 --> 02:06:16,250
mass exodus from skeptical as I continue

3013
02:06:21,970 --> 02:06:19,100

to probe the topic of evil in all its

3014

02:06:24,399 --> 02:06:21,980

dimensions and I get that this is a

3015

02:06:26,830 --> 02:06:24,409

tough road so if you're with me if

3016

02:06:29,140 --> 02:06:26,840

you're still following along if you'd

3017

02:06:31,629 --> 02:06:29,150

like to jump in this dialogue and join

3018

02:06:34,419 --> 02:06:31,639

me please hop on over to the sceptical

3019

02:06:36,250 --> 02:06:34,429

form com leave me a note let me know

3020

02:06:38,530 --> 02:06:36,260

what you're thinking and let me know

3021

02:06:40,450 --> 02:06:38,540

your answer to that question I have a

3022

02:06:42,910 --> 02:06:40,460

number of great shows I think coming up

3023

02:06:45,870 --> 02:06:42,920

please stay with me for all of that till
