1
00:00:13,360 --> 00:00:09,300
be careful what you wish for

2
00:00:28,189 --> 00:00:23,300
sane human being not Clint Eastwood I'm

3
00:00:31,220 --> 00:00:28,199
Bruce Nolan that's Jim Carrey from the

4
00:00:35,090 --> 00:00:31,230
movie Bruce Almighty talking about his

5
00:00:37,190 --> 00:00:35,100
problems with separation it's a topic we

6
00:00:42,020 --> 00:00:37,200
talked quite a bit about with today's

7
00:00:43,819 --> 00:00:42,030
guest UFO researcher crane Cameron we go

8
00:00:45,950 --> 00:00:43,829
back to the fact that there is just

9
00:00:47,510 --> 00:00:45,960
experience that's all there is if you

10
00:00:49,310 --> 00:00:47,520
take a look at we talked about the evil

11
00:00:51,889 --> 00:00:49,320
alien okay so we say there's evil aliens

12
00:00:53,360 --> 00:00:51,899
that's the general impression and if you

13
00:00:56,060 --> 00:00:53,370

go and you do the free survey you see

14

00:00:57,470 --> 00:00:56,070

the 84% of all experience you say if

15

00:00:59,660 --> 00:00:57,480

they were given the chance to have it

16

00:01:01,819 --> 00:00:59,670

stopped they would say no only nine

17

00:01:03,049 --> 00:01:01,829

percent say it's evil and nine percent

18

00:01:04,939 --> 00:01:03,059

is not zero but it's getting pretty

19

00:01:07,670 --> 00:01:04,949

close there are no victims there are

20

00:01:10,609 --> 00:01:07,680

just volunteers it's all experienced so

21

00:01:12,980 --> 00:01:10,619

I appreciate the distinction Jersey I do

22

00:01:14,510 --> 00:01:12,990

I mean you're you're saying at some

23

00:01:17,149 --> 00:01:14,520

point we have to move to something else

24

00:01:19,850 --> 00:01:17,159

so what are we moving towards here's the

25

00:01:22,850 --> 00:01:19,860

kicker and the important part for for

26

00:01:25,249 --> 00:01:22,860

people who don't believe like so many of

27

00:01:27,020 --> 00:01:25,259

the academics or humanists materialists

28

00:01:28,640 --> 00:01:27,030

atheist paradigm and they don't have to

29

00:01:30,499 --> 00:01:28,650

deal with any of this [h__\h] but for

30

00:01:32,330 --> 00:01:30,509

people like you and I who acknowledge an

31

00:01:35,300 --> 00:01:32,340

extended consciousness realm when

32

00:01:37,300 --> 00:01:35,310

somebody tells me yeah I'm I'm abusing

33

00:01:39,950 --> 00:01:37,310

these kids and let me tell you this

34

00:01:42,050 --> 00:01:39,960

spirit being this entity in the extended

35

00:01:44,270 --> 00:01:42,060

consciousness realm and he's really into

36

00:01:45,800 --> 00:01:44,280

it too and he's bringing all this power

37

00:01:48,319 --> 00:01:45,810

into the group and he's doing these

38

00:01:50,389 --> 00:01:48,329

physical things and if I do this ritual

39

00:01:53,810 --> 00:01:50,399

in a certain way it brings even more

40

00:01:58,840 --> 00:01:53,820

power into me and that's my download he

41

00:02:08,300 --> 00:02:05,890

[Music]

42

00:02:10,160 --> 00:02:08,310

welcome to skeptic oh where we explore

43

00:02:13,040 --> 00:02:10,170

controversial science and spirituality

44

00:02:14,300 --> 00:02:13,050

with leading researchers thinkers and

45

00:02:17,300 --> 00:02:14,310

their critics

46

00:02:20,570 --> 00:02:17,310

I'm your host Alex Karras and today we

47

00:02:23,059 --> 00:02:20,580

welcome back to skeptic Oh grant Cameron

48

00:02:25,820 --> 00:02:23,069

grant is without question one of the top

49

00:02:28,490 --> 00:02:25,830

UFO researchers in the world he's well

50

00:02:30,979 --> 00:02:28,500

known for his website White House UFOs

51
00:02:33,410 --> 00:02:30,989
we're way back in the day he explored

52
00:02:36,290 --> 00:02:33,420
the connection between the United States

53
00:02:38,930 --> 00:02:36,300
Presidents and UFOs but in more recent

54
00:02:41,930 --> 00:02:38,940
years he's been tracking down the

55
00:02:45,680 --> 00:02:41,940
connection between the UFO phenomenon

56
00:02:48,979 --> 00:02:45,690
and consciousness of course a topic that

57
00:02:52,400 --> 00:02:48,989
we are so so interested in on this show

58
00:02:54,680 --> 00:02:52,410
well grant is also as many of you know

59
00:02:56,360 --> 00:02:54,690
the author of several terrific books I'm

60
00:02:59,720 --> 00:02:56,370
showing some of them up on the screen

61
00:03:02,059 --> 00:02:59,730
and from what I understand grant even

62
00:03:04,819 --> 00:03:02,069
has a couple other books in the works

63
00:03:06,140 --> 00:03:04,829

that are especially relevant through the

64

00:03:08,720 --> 00:03:06,150

topics we're going to be talking about

65

00:03:12,289 --> 00:03:08,730

today I'm sure we'll hear more about

66

00:03:15,140 --> 00:03:12,299

that grant it's so awesome to always

67

00:03:17,330 --> 00:03:15,150

talk to you it's just amazing the new

68

00:03:19,340 --> 00:03:17,340

information you bring forward in I'm

69

00:03:21,020 --> 00:03:19,350

looking forward to this one because you

70

00:03:23,330 --> 00:03:21,030

know I kind of teed this up I had an

71

00:03:26,569 --> 00:03:23,340

interview with Dolan a while back and

72

00:03:29,390 --> 00:03:26,579

you were part of our discussion and I

73

00:03:32,000 --> 00:03:29,400

wanted to kind of thread this into an

74

00:03:33,560 --> 00:03:32,010

ongoing this level three kind of

75

00:03:38,210 --> 00:03:33,570

discussions that's really cool to have

76

00:03:39,740 --> 00:03:38,220

you here Alex because in the way that I

77

00:03:40,460 --> 00:03:39,750

have done consciousness over the last

78

00:03:43,130 --> 00:03:40,470

eight years

79

00:03:45,319 --> 00:03:43,140

you two have gone down that road when it

80

00:03:47,720 --> 00:03:45,329

really wasn't all that popular and I'll

81

00:03:49,220 --> 00:03:47,730

become sort of a buzzword but you were

82

00:03:51,530 --> 00:03:49,230

there at the beginning and you've taken

83

00:03:54,110 --> 00:03:51,540

the same sort of interest in the

84

00:03:56,080 --> 00:03:54,120

consciousness aspect to reality as I

85

00:03:58,699 --> 00:03:56,090

have so I'm honored to be talking to you

86

00:04:01,310 --> 00:03:58,709

well you know what's kind of cool is

87

00:04:03,380 --> 00:04:01,320

that we kind of came at it from two

88

00:04:06,680 --> 00:04:03,390

separate angles that kind of intersect

89

00:04:10,970 --> 00:04:06,690

and I have to say you are really one of

90

00:04:12,140 --> 00:04:10,980

the people that pull me into the UFO

91

00:04:16,129 --> 00:04:12,150

world

92

00:04:17,689 --> 00:04:16,139

deeper than I was going on my own you

93

00:04:19,340 --> 00:04:17,699

know I mean so I was down the

94

00:04:20,840 --> 00:04:19,350

consciousness path and I was exploring

95

00:04:22,730 --> 00:04:20,850

near-death experience first ice

96

00:04:24,110 --> 00:04:22,740

exploring anyone who's listening the

97

00:04:25,960 --> 00:04:24,120

show knows this but if they're just

98

00:04:28,879 --> 00:04:25,970

popping in you know I was down the

99

00:04:32,029 --> 00:04:28,889

parapsychology path but really let's

100

00:04:33,850 --> 00:04:32,039

like look at science is precognition

101
00:04:36,290 --> 00:04:33,860
real you know because all these

102
00:04:37,999 --> 00:04:36,300
materialist skeptics deniers I'm gonna

103
00:04:39,499 --> 00:04:38,009
say it isn't and then that led me to

104
00:04:41,960 --> 00:04:39,509
near-death experience that led me to

105
00:04:43,340 --> 00:04:41,970
extended consciousness medium

106
00:04:47,090 --> 00:04:43,350
communication and all the rest of this

107
00:04:49,219 --> 00:04:47,100
stuff and then grant Cameron pops along

108
00:04:53,689 --> 00:04:49,229
and says hey wait a minute I'm saying

109
00:04:55,490 --> 00:04:53,699
all these connections between this UFO

110
00:04:59,180 --> 00:04:55,500
phenomenon we're talking about and the

111
00:05:02,560 --> 00:04:59,190
et contact experience and consciousness

112
00:05:06,710 --> 00:05:02,570
and we talked about that quite

113
00:05:09,350 --> 00:05:06,720

extensively in my interview with Richard

114

00:05:13,969 --> 00:05:09,360

Dolan and we went over that whole

115

00:05:17,210 --> 00:05:13,979

history and he along with me identifies

116

00:05:20,540 --> 00:05:17,220

you as one of the key people in making

117

00:05:23,750 --> 00:05:20,550

that startling connection between the

118

00:05:25,159 --> 00:05:23,760

Wilbert Smith memo and I won't go over

119

00:05:26,719 --> 00:05:25,169

that whole thing with people because we

120

00:05:28,879 --> 00:05:26,729

did a whole show on it and you've talked

121

00:05:33,170 --> 00:05:28,889

about it many times but the connection

122

00:05:35,719 --> 00:05:33,180

between that and consciousness so if you

123

00:05:38,629 --> 00:05:35,729

want you know we could do here I mean I

124

00:05:42,439 --> 00:05:38,639

don't know where to really start this

125

00:05:44,990 --> 00:05:42,449

but let's start it with you updating us

126
00:05:47,719 --> 00:05:45,000
on what's going on in your world and

127
00:05:50,060 --> 00:05:47,729
then I'm gonna jump into that Dolan

128
00:05:52,939 --> 00:05:50,070
interview and a rather lengthy clip and

129
00:05:55,820 --> 00:05:52,949
we can pick up on that conversation but

130
00:05:57,740 --> 00:05:55,830
grant I just got you on the phone how

131
00:05:59,510 --> 00:05:57,750
are you doing what's what's going on in

132
00:06:00,439 --> 00:05:59,520
your world you got a lot of stuff going

133
00:06:03,770 --> 00:06:00,449
on as usual

134
00:06:06,500 --> 00:06:03,780
tell us what's up lots of stuff is going

135
00:06:08,899 --> 00:06:06,510
on it's the most active period of my

136
00:06:11,740 --> 00:06:08,909
life as we were talking about with the

137
00:06:13,790 --> 00:06:11,750
consciousness thing it starts with the

138
00:06:16,580 --> 00:06:13,800

consciousness download that I get in

139

00:06:18,649 --> 00:06:16,590

2012 and it's sort of like people who

140

00:06:21,140 --> 00:06:18,659

maybe have had a near-death experience I

141

00:06:23,300 --> 00:06:21,150

didn't choose to have it it happened it

142

00:06:25,610 --> 00:06:23,310

flipped me into this world I wasn't

143

00:06:29,510 --> 00:06:25,620

intending to go there and

144

00:06:31,850 --> 00:06:29,520

about 2017 I had a more dramatic lengthy

145

00:06:33,409 --> 00:06:31,860

sort of noetic experience where I was

146

00:06:35,810 --> 00:06:33,419

given about 24 different things about

147

00:06:39,800 --> 00:06:35,820

how the universe worked and it's been

148

00:06:41,659 --> 00:06:39,810

sort of high-end excitement since then

149

00:06:43,159 --> 00:06:41,669

the books I'm working on now sir try to

150

00:06:45,170 --> 00:06:43,169

tie everything together so it starts

151
00:06:46,370 --> 00:06:45,180
with this consciousness aspect where I'm

152
00:06:48,560 --> 00:06:46,380
told this has all got to do with

153
00:06:50,840 --> 00:06:48,570
consciousness and now the books I'm

154
00:06:51,680 --> 00:06:50,850
working on more tied together all the

155
00:06:53,570 --> 00:06:51,690
stuff you're talking about at the

156
00:06:55,219 --> 00:06:53,580
beginning near-death experiences you

157
00:06:58,100 --> 00:06:55,229
know mediums I'm big into physical

158
00:06:59,390 --> 00:06:58,110
mediums now and I tie all these elements

159
00:07:01,310 --> 00:06:59,400
together so I'm doing a book called

160
00:07:05,180 --> 00:07:01,320
contact modalities which should be out

161
00:07:07,520 --> 00:07:05,190
momentarily and it basically looks at

162
00:07:09,379 --> 00:07:07,530
all the different modalities and yeah

163
00:07:10,850 --> 00:07:09,389

the concept is that everything is in the

164

00:07:14,659 --> 00:07:10,860

field all the information is in the

165

00:07:16,400 --> 00:07:14,669

field and various people through the

166

00:07:19,460 --> 00:07:16,410

ability to shut down the noise in their

167

00:07:21,680 --> 00:07:19,470

brain and with us mediums or people

168

00:07:24,050 --> 00:07:21,690

who've having our body experiences or

169

00:07:26,060 --> 00:07:24,060

near-death experiences or people who

170

00:07:27,650 --> 00:07:26,070

have brain hemorrhages or brain injuries

171

00:07:29,000 --> 00:07:27,660

that they're able to pop in the field

172

00:07:32,089 --> 00:07:29,010

can grab the material so I've got about

173

00:07:34,400 --> 00:07:32,099

70 different contact modalities and I

174

00:07:35,659 --> 00:07:34,410

put them all together the other thing

175

00:07:38,180 --> 00:07:35,669

I'm working on I'm working on a book

176

00:07:40,640 --> 00:07:38,190

called extraterrestrial or maybe not and

177

00:07:43,190 --> 00:07:40,650

in there I look at I've gotten the

178

00:07:44,629 --> 00:07:43,200

Jacmel a route where Jacques delays

179

00:07:46,580 --> 00:07:44,639

always said I'd be very surprised if

180

00:07:49,430 --> 00:07:46,590

this turns out to be extraterrestrials

181

00:07:51,830 --> 00:07:49,440

I'm going down the same road now where I

182

00:07:53,029 --> 00:07:51,840

say it's basically all tied together so

183

00:07:55,670 --> 00:07:53,039

what I've been doing just in the last

184

00:07:57,830 --> 00:07:55,680

month is I'm tying together experiences

185

00:07:59,900 --> 00:07:57,840

that happen in the spirit world that

186

00:08:02,210 --> 00:07:59,910

happened in physical mediumship and in

187

00:08:05,689 --> 00:08:02,220

the UFO and they're absolutely identical

188

00:08:07,580 --> 00:08:05,699

I'll give you two examples I have an

189

00:08:09,980 --> 00:08:07,590

interview that's up on my Facebook page

190

00:08:11,659 --> 00:08:09,990

right now or on my Whitehouse UFO

191

00:08:14,360 --> 00:08:11,669

youtube channel with a guy by name of

192

00:08:17,930 --> 00:08:14,370

Ron Johnson who's a guy is a Mormon guy

193

00:08:20,620 --> 00:08:17,940

out of Salt Lake City area who has this

194

00:08:23,180 --> 00:08:20,630

cities experiences starting in 1960s and

195

00:08:25,040 --> 00:08:23,190

as part of his UFO experiences he has

196

00:08:27,140 --> 00:08:25,050

three dozen out-of-body experiences

197

00:08:29,719 --> 00:08:27,150

where he believes that the beings

198

00:08:31,040 --> 00:08:29,729

actually take him out and in three of

199

00:08:32,540 --> 00:08:31,050

those occasions they take him to the

200

00:08:34,459 --> 00:08:32,550

spirit world he goes into the spirit

201
00:08:36,680 --> 00:08:34,469
world and he's interacting with his

202
00:08:38,630 --> 00:08:36,690
mother in the spirit world and she takes

203
00:08:39,260 --> 00:08:38,640
him to a building in the spirit world

204
00:08:40,909 --> 00:08:39,270
she says

205
00:08:43,279 --> 00:08:40,919
when you die because he's got very

206
00:08:44,690 --> 00:08:43,289
advanced heart disease when you die when

207
00:08:47,570 --> 00:08:44,700
you come here you're going to get a room

208
00:08:49,910 --> 00:08:47,580
in this building so he says I go into

209
00:08:51,650 --> 00:08:49,920
the building and he says I'm surprised

210
00:08:52,910 --> 00:08:51,660
it's way bigger on the inside of the

211
00:08:54,829 --> 00:08:52,920
building that is on the outside of the

212
00:08:57,920 --> 00:08:54,839
building and as soon as he said that I

213
00:08:59,840 --> 00:08:57,930

said that's UFO stuff Chris Bledsoe

214

00:09:02,060 --> 00:08:59,850

who's now sort of becoming a very famous

215

00:09:03,860 --> 00:09:02,070

experience in the UFO world at one point

216

00:09:05,810 --> 00:09:03,870

told me that he had flown the craft and

217

00:09:07,970 --> 00:09:05,820

you fly the craft with your mind it's

218

00:09:10,550 --> 00:09:07,980

done telepathically you become one with

219

00:09:12,410 --> 00:09:10,560

the craft the craft is alive and during

220

00:09:13,820 --> 00:09:12,420

that interview I said tell me I want you

221

00:09:16,850 --> 00:09:13,830

to start from the beginning go to the

222

00:09:19,220 --> 00:09:16,860

end and I want you to tell me how do you

223

00:09:21,110 --> 00:09:19,230

fly craft so he starts and he says well

224

00:09:23,150 --> 00:09:21,120

the object is on the ground is shaped

225

00:09:25,910 --> 00:09:23,160

like an egg it has this sort of a

226

00:09:27,590 --> 00:09:25,920

doorway I go in and he says I suddenly

227

00:09:28,730 --> 00:09:27,600

realized it's way bigger on the inside

228

00:09:30,740 --> 00:09:28,740

of the craft that is on the other side

229

00:09:32,210 --> 00:09:30,750

and he goes he looks back out and it's

230

00:09:34,579 --> 00:09:32,220

small he looks inside and it's way

231

00:09:36,500 --> 00:09:34,589

bigger it's identical story and it's not

232

00:09:37,790 --> 00:09:36,510

kind of a story you're gonna make up if

233

00:09:39,769 --> 00:09:37,800

you're gonna try to make something up

234

00:09:41,780 --> 00:09:39,779

the other story to give you an example

235

00:09:43,220 --> 00:09:41,790

Ron Johnson tells me when he's in this

236

00:09:45,440 --> 00:09:43,230

in this building with his mother in the

237

00:09:47,350 --> 00:09:45,450

spirit world she takes him and she shows

238

00:09:50,750 --> 00:09:47,360

him this table with crystals on it and

239

00:09:52,760 --> 00:09:50,760

she tells him the story that all these

240

00:09:54,500 --> 00:09:52,770

crystals are the stories of people's

241

00:09:56,329 --> 00:09:54,510

lives and so you look into the crystal

242

00:09:59,329 --> 00:09:56,339

at a certain angle and you can see her

243

00:10:01,160 --> 00:09:59,339

entire life 3d back as far as you want

244

00:10:03,560 --> 00:10:01,170

to go and he takes a look at his dog's

245

00:10:06,290 --> 00:10:03,570

crystal is this crystal his dog comes up

246

00:10:07,790 --> 00:10:06,300

and he looks at his dog and he sees how

247

00:10:09,199 --> 00:10:07,800

his dog died he didn't know how the dog

248

00:10:11,000 --> 00:10:09,209

died he realized that it had been shot

249

00:10:12,620 --> 00:10:11,010

by the neighbor so and he said my

250

00:10:14,420 --> 00:10:12,630

crystal doesn't come up until I'm in the

251

00:10:16,850 --> 00:10:14,430

spirit world so he's telling this story

252

00:10:19,670 --> 00:10:16,860

okay now we go back and we look at a

253

00:10:21,710 --> 00:10:19,680

1988 documentary UFO documentaries full

254

00:10:24,560 --> 00:10:21,720

cover-up line which is always rumored to

255

00:10:26,000 --> 00:10:24,570

be a documentary where the CIA was

256

00:10:27,920 --> 00:10:26,010

dropping stuff into your folk committee

257

00:10:29,329 --> 00:10:27,930

is that in the final days of the Reagan

258

00:10:31,460 --> 00:10:29,339

administration and during that

259

00:10:33,800 --> 00:10:31,470

documentary they talked Richard Doty

260

00:10:35,990 --> 00:10:33,810

who's the Falken who's now becoming sort

261

00:10:37,850 --> 00:10:36,000

of famous this Richard Doty guy says the

262

00:10:41,329 --> 00:10:37,860

most amazing thing I saw of all the

263

00:10:43,460 --> 00:10:41,339

evidence I saw was an octagonal crystal

264

00:10:45,350 --> 00:10:43,470

that the aliens held and they held this

265

00:10:46,819 --> 00:10:45,360

crystal up and you looked at it at a

266

00:10:48,620 --> 00:10:46,829

certain angle and you could see the

267

00:10:50,420 --> 00:10:48,630

entire history of the whole world and

268

00:10:52,040 --> 00:10:50,430

the rumor back in the 1980s when the

269

00:10:53,350 --> 00:10:52,050

story was going around is that they had

270

00:10:55,239 --> 00:10:53,360

actually shown the u.s.

271

00:10:57,309 --> 00:10:55,249

the crucifixion of Jesus Christ on this

272

00:10:58,900 --> 00:10:57,319

crystal it's the same story you go to

273

00:11:00,489 --> 00:10:58,910

Michael Newton Michael Newton says in

274

00:11:02,259 --> 00:11:00,499

the spirit world you're in the life

275

00:11:04,030 --> 00:11:02,269

between lives people are looking at the

276
00:11:06,280 --> 00:11:04,040
books he says you open up the book and

277
00:11:07,780 --> 00:11:06,290
there's a crystal in it and you look at

278
00:11:09,460 --> 00:11:07,790
a certain angle if the crystal and you

279
00:11:11,499 --> 00:11:09,470
plan your future lives you can see your

280
00:11:12,850 --> 00:11:11,509
past lives you go all that so these are

281
00:11:14,439 --> 00:11:12,860
the connections are starting to make and

282
00:11:16,629 --> 00:11:14,449
there's so many connections where I'm

283
00:11:19,059 --> 00:11:16,639
starting to say I don't really know if

284
00:11:22,179 --> 00:11:19,069
this is et this may be just spirits

285
00:11:23,679 --> 00:11:22,189
higher self whatever who are putting on

286
00:11:27,039 --> 00:11:23,689
a different mask because now we're in

287
00:11:29,229 --> 00:11:27,049
the now we're in the space age and if

288
00:11:30,669 --> 00:11:29,239

you take a look you have I'm doing

289

00:11:32,019 --> 00:11:30,679

people with light language now these

290

00:11:33,579 --> 00:11:32,029

people who can speak these weird light

291

00:11:35,979 --> 00:11:33,589

languages and people who can speak 20 of

292

00:11:37,929 --> 00:11:35,989

them it all hasn't happened for the last

293

00:11:39,309 --> 00:11:37,939

ten years no more than that I go and

294

00:11:40,479 --> 00:11:39,319

people are dealing with reptilians I

295

00:11:42,910 --> 00:11:40,489

said where was the first reptilian

296

00:11:45,429 --> 00:11:42,920

experience 1988 when was the first grey

297

00:11:47,350 --> 00:11:45,439

experience 1961 with Betty and Barney

298

00:11:48,699 --> 00:11:47,360

Hill and they were wearing hats and you

299

00:11:51,100 --> 00:11:48,709

see these bizarre things and you're

300

00:11:53,019 --> 00:11:51,110

going like maybe this isn't alien at all

301
00:11:55,299 --> 00:11:53,029
maybe this is just because we're in the

302
00:11:57,729 --> 00:11:55,309
Space Age they've come in and portrayed

303
00:11:59,019 --> 00:11:57,739
themselves as aliens and it's because

304
00:11:59,979 --> 00:11:59,029
it's basically the same message that

305
00:12:02,590 --> 00:11:59,989
you're gonna get in near-death

306
00:12:04,359 --> 00:12:02,600
experiences in people who are claiming

307
00:12:06,220 --> 00:12:04,369
they're talking to soul guys we're

308
00:12:08,019 --> 00:12:06,230
talking to their higher self people who

309
00:12:09,729 --> 00:12:08,029
are channeling it's the same message

310
00:12:12,090 --> 00:12:09,739
coming through all these different

311
00:12:14,379 --> 00:12:12,100
entities okay

312
00:12:17,859 --> 00:12:14,389
excellent way to tee it up and I'm

313
00:12:20,439 --> 00:12:17,869

tempted so attempted to jump in there on

314

00:12:22,509 --> 00:12:20,449

like a million different points but I'm

315

00:12:25,989 --> 00:12:22,519

gonna hold on for a minute I want to

316

00:12:27,340 --> 00:12:25,999

play the Dolan clip and then then we'll

317

00:12:30,579 --> 00:12:27,350

pick up the conversation cuz I have a

318

00:12:34,659 --> 00:12:30,589

couple of interesting little paths to

319

00:12:36,579 --> 00:12:34,669

take us down sure and I'm with grant in

320

00:12:38,049 --> 00:12:36,589

the sense that and I'm with Chris

321

00:12:41,439 --> 00:12:38,059

Bledsoe in the sense that I don't think

322

00:12:43,960 --> 00:12:41,449

that it's all negative but I'm not with

323

00:12:45,819 --> 00:12:43,970

I don't know I don't know where grant

324

00:12:47,949 --> 00:12:45,829

stands on this actually but I wouldn't

325

00:12:50,229 --> 00:12:47,959

be with him if he were to say it's all

326

00:12:51,699 --> 00:12:50,239

positive I don't believe that

327

00:12:53,829 --> 00:12:51,709

I mean Steven Greer would say it's all

328

00:12:56,590 --> 00:12:53,839

positive too and I strongly disagree

329

00:12:58,689 --> 00:12:56,600

with that I think that's just foolish so

330

00:13:00,489 --> 00:12:58,699

I think that's almost to me the third

331

00:13:02,169 --> 00:13:00,499

dimension of it because I want to recap

332

00:13:04,170 --> 00:13:02,179

what you talked about which I find so

333

00:13:06,480 --> 00:13:04,180

intriguing the first

334

00:13:08,550 --> 00:13:06,490

dimensioned isn't the proper word

335

00:13:11,610 --> 00:13:08,560

forgive me but the first question that

336

00:13:13,650 --> 00:13:11,620

pops to mind is what is the interface

337

00:13:15,450 --> 00:13:13,660

with our physical reality you know

338

00:13:17,160 --> 00:13:15,460

because we're interested in that we have

339

00:13:21,690 --> 00:13:17,170

this kind of curious engineering mood

340

00:13:24,480 --> 00:13:21,700

how did he make the lights shift and the

341

00:13:28,560 --> 00:13:24,490

second I think a question that pops up

342

00:13:31,769 --> 00:13:28,570

is what is the technology of the

343

00:13:32,910 --> 00:13:31,779

consciousness interface and I think

344

00:13:35,310 --> 00:13:32,920

that's particularly interesting because

345

00:13:37,560 --> 00:13:35,320

when we look at et and you start looking

346

00:13:39,660 --> 00:13:37,570

at the cases there's clearly as Grant

347

00:13:42,360 --> 00:13:39,670

pointed out in that clip we played from

348

00:13:44,310 --> 00:13:42,370

the 1950s we understood there's mental

349

00:13:45,780 --> 00:13:44,320

telepathy is the means of communication

350

00:13:49,019 --> 00:13:45,790

we go little [h__h] we don't know how to

351
00:13:51,630 --> 00:13:49,029
do that but apparently they do and they

352
00:13:53,460 --> 00:13:51,640
have it like a app on their iPhone so

353
00:13:55,560 --> 00:13:53,470
there's a technology component to

354
00:13:57,900 --> 00:13:55,570
consciousness that we just totally don't

355
00:14:00,390 --> 00:13:57,910
get and it also relates this time-space

356
00:14:02,610 --> 00:14:00,400
thing that we don't get but then the

357
00:14:04,620 --> 00:14:02,620
third dimension of it which you just

358
00:14:06,840 --> 00:14:04,630
just touched on it and I think it's so

359
00:14:09,180 --> 00:14:06,850
fascinating and I really want to get to

360
00:14:11,970 --> 00:14:09,190
it because it gets to the heart of the

361
00:14:15,780 --> 00:14:11,980
video that you did with Tracy and that's

362
00:14:18,660 --> 00:14:15,790
the good versus evil but moral

363
00:14:20,640 --> 00:14:18,670

imperative it's so challenging because

364

00:14:22,199 --> 00:14:20,650

we've all gone through you know you said

365

00:14:23,820 --> 00:14:22,209

you went through an atheistic phase any

366

00:14:25,620 --> 00:14:23,830

thinking person doesn't go through an

367

00:14:29,940 --> 00:14:25,630

atheistic place the muscles are fed with

368

00:14:31,880 --> 00:14:29,950

this kind of marrow Christian dogma get

369

00:14:35,130 --> 00:14:31,890

on the ark kind of stuff but when we

370

00:14:38,850 --> 00:14:35,140

blast past that we're still faced with

371

00:14:41,190 --> 00:14:38,860

is there good and bad and how does that

372

00:14:43,590 --> 00:14:41,200

work you've talked about grant let me

373

00:14:45,480 --> 00:14:43,600

play but grant has to say about that and

374

00:14:49,800 --> 00:14:45,490

then I want to get your taking then I

375

00:14:51,600 --> 00:14:49,810

often I take there's good and bad there

376

00:14:54,300 --> 00:14:51,610

is a moral difference you know take the

377

00:14:56,400 --> 00:14:54,310

most extreme example the guy who's

378

00:14:57,870 --> 00:14:56,410

taking little kids and cutting them up

379

00:15:00,240 --> 00:14:57,880

and selling their body parts and

380

00:15:03,269 --> 00:15:00,250

sexually molesting them that in my mind

381

00:15:05,160 --> 00:15:03,279

is is bad it's evil and then there were

382

00:15:07,290 --> 00:15:05,170

there's a bunch of shades in between and

383

00:15:08,850 --> 00:15:07,300

then there's some really holy good

384

00:15:10,140 --> 00:15:08,860

people that I don't know how they do it

385

00:15:12,000 --> 00:15:10,150

but they keep all their [h__h] together

386

00:15:14,240 --> 00:15:12,010

and they really do it well how's your

387

00:15:15,740 --> 00:15:14,250

universe is there good in bed

388

00:15:17,810 --> 00:15:15,750

some people in the consciousness camp

389

00:15:20,480 --> 00:15:17,820

said well there's really no good and bad

390

00:15:22,340 --> 00:15:20,490

it all just kind of you know well if you

391

00:15:24,020 --> 00:15:22,350

go to the noon stuff know if you get

392

00:15:25,820 --> 00:15:24,030

into reincarnation it's all experience

393

00:15:27,890 --> 00:15:25,830

if you is with the mistake you make is

394

00:15:29,480 --> 00:15:27,900

you you did it in that sentence you say

395

00:15:31,760 --> 00:15:29,490

okay this is guys who cut up little

396

00:15:34,790 --> 00:15:31,770

people or whatever okay and then there's

397

00:15:36,980 --> 00:15:34,800

these good people who basically have it

398

00:15:38,720 --> 00:15:36,990

all together and I would go to don't I

399

00:15:40,040 --> 00:15:38,730

have to quote the Bible but we with the

400

00:15:41,780 --> 00:15:40,050

whole thing with the prostitute Jesus

401
00:15:42,350 --> 00:15:41,790
said lead he who's perfect cast the

402
00:15:44,600 --> 00:15:42,360
first stone

403
00:15:46,160 --> 00:15:44,610
all you have you do not have good people

404
00:15:59,600 --> 00:15:46,170
and bad people you do not have good

405
00:16:03,020 --> 00:15:59,610
aliens okay so one quick it she warns us

406
00:16:06,350 --> 00:16:03,030
right into an ongoing kind of discussion

407
00:16:08,030 --> 00:16:06,360
you pick it up argument okay I guess the

408
00:16:10,490 --> 00:16:08,040
good good evil thing I have not changed

409
00:16:14,810 --> 00:16:10,500
my position this is this is like a

410
00:16:18,170 --> 00:16:14,820
religious dogma good versus evil

411
00:16:20,770 --> 00:16:18,180
it's a scientific religious superstition

412
00:16:23,210 --> 00:16:20,780
that there's there's positive negative

413
00:16:25,310 --> 00:16:23,220

basically we go back to the fact that

414

00:16:27,110 --> 00:16:25,320

there is just experience that's all

415

00:16:28,880 --> 00:16:27,120

there is if you take a look at we talked

416

00:16:30,380 --> 00:16:28,890

about the evil alien okay so we say

417

00:16:32,870 --> 00:16:30,390

there's evil aliens that's the general

418

00:16:34,670 --> 00:16:32,880

impression and if you go and you do the

419

00:16:36,410 --> 00:16:34,680

pre-survey you see the eighty-four

420

00:16:37,820 --> 00:16:36,420

percent of all experience just say if

421

00:16:40,010 --> 00:16:37,830

they were given the chance to have it

422

00:16:42,320 --> 00:16:40,020

stopped they would say no only nine

423

00:16:43,340 --> 00:16:42,330

percent say it's evil and nine percent

424

00:16:45,560 --> 00:16:43,350

is not zero but it's getting pretty

425

00:16:46,850 --> 00:16:45,570

close and when Ray Hernandez went back

426

00:16:48,920 --> 00:16:46,860

and interviewed those nine percent

427

00:16:51,350 --> 00:16:48,930

basically the vast majority of them said

428

00:16:52,490 --> 00:16:51,360

why do you think they're evil and it

429

00:16:53,810 --> 00:16:52,500

said because they scared the living

430

00:16:56,090 --> 00:16:53,820

daylights out of me they were tall

431

00:16:58,130 --> 00:16:56,100

8-foot tall reptilian-type or whatever

432

00:16:59,630 --> 00:16:58,140

and that was being race it that's it

433

00:17:00,980 --> 00:16:59,640

that's basically why you're calling them

434

00:17:03,650 --> 00:17:00,990

evil and they said yeah that's basically

435

00:17:05,929 --> 00:17:03,660

it they're in in the in the real world

436

00:17:08,600 --> 00:17:05,939

in a nice I say the word the way the

437

00:17:10,640 --> 00:17:08,610

world works is the universe is neutral

438

00:17:12,890 --> 00:17:10,650

and we get these dogmas we get these

439

00:17:15,710 --> 00:17:12,900

belief systems about good and bad and

440

00:17:18,530 --> 00:17:15,720

separation there is only one thing it is

441

00:17:20,449 --> 00:17:18,540

all one thing and we move into duality

442

00:17:22,130 --> 00:17:20,459

we create these little worlds where

443

00:17:24,169 --> 00:17:22,140

we're the good guy and then there's bad

444

00:17:26,540 --> 00:17:24,179

guys and you can take a look at the

445

00:17:28,180 --> 00:17:26,550

little children the pedophile thing so I

446

00:17:29,920 --> 00:17:28,190

would say to you okay you and I

447

00:17:32,830 --> 00:17:29,930

I was in County here in the United

448

00:17:34,120 --> 00:17:32,840

States in World War two we thought we

449

00:17:36,490 --> 00:17:34,130

were saving the world and we went to

450

00:17:38,650 --> 00:17:36,500

Germany and we were fighting Hitler and

451
00:17:41,530 --> 00:17:38,660
we'd invented this technique in 1942 or

452
00:17:44,080 --> 00:17:41,540
we started these fire bombings where we

453
00:17:47,710 --> 00:17:44,090
created this this firestorm where we

454
00:17:50,080 --> 00:17:47,720
cremated 25,000 people in one night now

455
00:17:52,000 --> 00:17:50,090
if you say pedophilia is 10 out of 10

456
00:17:55,630 --> 00:17:52,010
weird is dropping at a bomb and

457
00:17:57,850 --> 00:17:55,640
cremating 25,000 people alive go where

458
00:17:59,950 --> 00:17:57,860
it is dropping two atomic bombs it's all

459
00:18:02,890 --> 00:17:59,960
10 out of 10 I will agree there are

460
00:18:05,950 --> 00:18:02,900
things that are that are good things

461
00:18:09,370 --> 00:18:05,960
that are bad but in the end if you take

462
00:18:12,880 --> 00:18:09,380
a look Google near-death experience and

463
00:18:15,220 --> 00:18:12,890

a Google oneness and a video will pop up

464

00:18:16,540 --> 00:18:15,230

of a woman who will talk about the fact

465

00:18:18,400 --> 00:18:16,550

that she had a vision so she has a

466

00:18:19,810 --> 00:18:18,410

near-death experience you can say okay

467

00:18:22,060 --> 00:18:19,820

she had this near-death experience and

468

00:18:23,680 --> 00:18:22,070

we believe all this and then she starts

469

00:18:26,350 --> 00:18:23,690

talking about the vision she had there

470

00:18:28,450 --> 00:18:26,360

are no victims there are only volunteers

471

00:18:31,390 --> 00:18:28,460

I have got a number of people who have

472

00:18:33,340 --> 00:18:31,400

pulled me identical stories and having

473

00:18:35,110 --> 00:18:33,350

near-death experiences there are no

474

00:18:37,930 --> 00:18:35,120

victims there are just volunteers it's

475

00:18:41,170 --> 00:18:37,940

all experienced the idea we have to kind

476
00:18:43,870 --> 00:18:41,180
of step back because if consciousness is

477
00:18:46,870 --> 00:18:43,880
primary if consciousness is fundamental

478
00:18:48,850 --> 00:18:46,880
like you and I both believe that it is

479
00:18:51,220 --> 00:18:48,860
and the best science keeps coming back

480
00:18:53,800 --> 00:18:51,230
and saying gee every time we run the

481
00:18:56,410 --> 00:18:53,810
double-slit experiment every time we run

482
00:19:00,190 --> 00:18:56,420
it's consciousness is fundamental okay

483
00:19:02,050 --> 00:19:00,200
so then this whole discussion is kind of

484
00:19:04,660 --> 00:19:02,060
moved to a certain point because it's

485
00:19:07,090 --> 00:19:04,670
all just droplets in the ocean and that

486
00:19:09,940 --> 00:19:07,100
we're identifying as waves or foam or

487
00:19:11,710 --> 00:19:09,950
currents or it's just the ocean but at

488
00:19:13,300 --> 00:19:11,720

some point we have to we have

489

00:19:16,180 --> 00:19:13,310

discernment we have to start making

490

00:19:19,000 --> 00:19:16,190

these distinctions so I appreciate the

491

00:19:22,240 --> 00:19:19,010

distinctions you're saying I just what

492

00:19:23,860 --> 00:19:22,250

we have to I mean you're you're saying

493

00:19:25,120 --> 00:19:23,870

at some point we have to move to

494

00:19:27,910 --> 00:19:25,130

something else so what are we moving

495

00:19:30,310 --> 00:19:27,920

towards well I didn't mean it that way

496

00:19:33,310 --> 00:19:30,320

if that word threw you off in terms of

497

00:19:35,320 --> 00:19:33,320

distinctions I'm talking about what

498

00:19:37,360 --> 00:19:35,330

you're saying the conclusions that

499

00:19:39,560 --> 00:19:37,370

you're making are some distinctions

500

00:19:41,600 --> 00:19:39,570

within the ocean right because

501
00:19:44,120 --> 00:19:41,610
it's an ocean of consciousness there's

502
00:19:47,810 --> 00:19:44,130
really nothing to talk about it all is

503
00:19:49,520 --> 00:19:47,820
one but we are interested as human

504
00:19:51,740 --> 00:19:49,530
beings and as people who are trying to

505
00:19:53,420 --> 00:19:51,750
figure out what is the right thing to do

506
00:19:55,730 --> 00:19:53,430
with our lives and our time and our

507
00:19:58,100 --> 00:19:55,740
energy we're making distinctions and

508
00:19:59,780 --> 00:19:58,110
reading interpreting stories a

509
00:20:01,220 --> 00:19:59,790
particular way so I'm gonna challenge

510
00:20:05,000 --> 00:20:01,230
you on a couple of things that you said

511
00:20:09,110 --> 00:20:05,010
because we're you know there's few

512
00:20:12,560 --> 00:20:09,120
people who I feel have such a deep grasp

513
00:20:14,960 --> 00:20:12,570

of this thing like you do so it's super

514

00:20:16,310 --> 00:20:14,970

great opportunity and I don't want

515

00:20:18,950 --> 00:20:16,320

people to think I'm like getting in your

516

00:20:19,750 --> 00:20:18,960

face here but you have to go kind of

517

00:20:22,220 --> 00:20:19,760

thing

518

00:20:24,680 --> 00:20:22,230

so here that you're the problems I have

519

00:20:29,120 --> 00:20:24,690

with it one is I kind of feel sometimes

520

00:20:32,660 --> 00:20:29,130

like you're kind of jumping on the data

521

00:20:33,920 --> 00:20:32,670

one way when the data really as I read

522

00:20:37,010 --> 00:20:33,930

it comes back the other way

523

00:20:39,050 --> 00:20:37,020

I like how you reference Michael Newton

524

00:20:42,440 --> 00:20:39,060

and then are you familiar with rich

525

00:20:43,310 --> 00:20:42,450

martini absolutely sure okay so rich

526
00:20:45,830 --> 00:20:43,320
martini

527
00:20:48,740 --> 00:20:45,840
since Michael Newton has passed on he's

528
00:20:50,390 --> 00:20:48,750
the between lives researcher and martini

529
00:20:53,120 --> 00:20:50,400
actually got to interview him for this

530
00:20:55,790 --> 00:20:53,130
movie that he did flipside and he has

531
00:20:58,640 --> 00:20:55,800
since interviewed many many people who

532
00:21:01,070 --> 00:20:58,650
have both facilitated these between live

533
00:21:02,870 --> 00:21:01,080
regressions and have participated in

534
00:21:05,240 --> 00:21:02,880
them and I don't take every one of those

535
00:21:09,260 --> 00:21:05,250
stories as gospel because you can't you

536
00:21:11,750 --> 00:21:09,270
know that you know you let me finish

537
00:21:13,490 --> 00:21:11,760
grant because here's the point that

538
00:21:16,100 --> 00:21:13,500

you're just completely glossing over

539

00:21:18,530 --> 00:21:16,110

you're suggesting that that research

540

00:21:22,960 --> 00:21:18,540

suggests that there's no judgment the

541

00:21:24,170 --> 00:21:22,970

the martini documents in his film with

542

00:21:26,240 --> 00:21:24,180

experiencers

543

00:21:29,240 --> 00:21:26,250

that it's just the opposite they

544

00:21:31,460 --> 00:21:29,250

definitely felt a hot like I like to

545

00:21:34,610 --> 00:21:31,470

call it a hierarchy of consciousness a

546

00:21:36,590 --> 00:21:34,620

moral imperative good and bad you know

547

00:21:38,210 --> 00:21:36,600

one of the most for anyone who's watched

548

00:21:41,510 --> 00:21:38,220

that film one of the most compelling

549

00:21:44,090 --> 00:21:41,520

scenes is a woman who is being led it

550

00:21:47,300 --> 00:21:44,100

goes back to a past life memory of her

551
00:21:51,560 --> 00:21:47,310
being in the Nazi concentration camps

552
00:21:53,460 --> 00:21:51,570
and being led to the gas chamber and she

553
00:21:56,250 --> 00:21:53,470
thinks about resisting and then she says

554
00:21:58,380 --> 00:21:56,260
no I'm with my people this is the path

555
00:22:00,149 --> 00:21:58,390
that I have to play this is the role

556
00:22:04,080 --> 00:22:00,159
that I have to play in this but at the

557
00:22:07,649 --> 00:22:04,090
same time she feels the weight and

558
00:22:10,799 --> 00:22:07,659
burden that her perpetrators will have

559
00:22:14,279 --> 00:22:10,809
to carry in working out the deeds that

560
00:22:16,830 --> 00:22:14,289
they're doing embedded in all that Grant

561
00:22:20,070 --> 00:22:16,840
is a judgment is a moral imperative is

562
00:22:22,680 --> 00:22:20,080
it good is it bad is a this is the thing

563
00:22:25,500 --> 00:22:22,690

to do this is not the thing to do

564

00:22:28,560 --> 00:22:25,510

is that my actions matter that is

565

00:22:31,350 --> 00:22:28,570

central to the near-death experience if

566

00:22:33,240 --> 00:22:31,360

you look at it you know Jeff long you

567

00:22:35,149 --> 00:22:33,250

know Jeff long he's not trying to help

568

00:22:37,500 --> 00:22:35,159

you guys in the free organization

569

00:22:39,810 --> 00:22:37,510

clearly and you know for my interviews

570

00:22:41,730 --> 00:22:39,820

I've talked to them overwhelmingly the

571

00:22:44,669 --> 00:22:41,740

message is that there is a moral

572

00:22:47,490 --> 00:22:44,679

imperative there is good there is bad

573

00:22:50,720 --> 00:22:47,500

there is a hierarchy there are choices

574

00:22:54,000 --> 00:22:50,730

it's not judgmental in the old fashioned

575

00:22:57,299 --> 00:22:54,010

Bible Christian thumper dogmatic I

576

00:23:01,190 --> 00:22:57,309

decide who goes to hell thing it's more

577

00:23:03,930 --> 00:23:01,200

your souls journey in deciding what is

578

00:23:05,789 --> 00:23:03,940

discernment again deciding what is the

579

00:23:09,690 --> 00:23:05,799

path what is the good thing but this

580

00:23:12,060 --> 00:23:09,700

idea of this there's no good there's no

581

00:23:14,580 --> 00:23:12,070

evil it's all just kind of a blob of

582

00:23:16,890 --> 00:23:14,590

consciousness completely flies in the

583

00:23:18,960 --> 00:23:16,900

face of the between lives data and the

584

00:23:21,390 --> 00:23:18,970

near-death experience data as well as

585

00:23:23,760 --> 00:23:21,400

the after death communication data you

586

00:23:25,950 --> 00:23:23,770

know and I have good research on that

587

00:23:27,779 --> 00:23:25,960

but it comes back over and over again

588

00:23:29,909 --> 00:23:27,789

that there's good things to do and

589

00:23:32,130 --> 00:23:29,919

there's bad things to do and there's

590

00:23:34,289 --> 00:23:32,140

consequences and the consequences are

591

00:23:38,960 --> 00:23:34,299

your own consequences in terms of what

592

00:23:40,140 --> 00:23:38,970

that how you will judge that later on

593

00:23:42,330 --> 00:23:40,150

okay

594

00:23:44,520 --> 00:23:42,340

the way I see my Newton and I've studied

595

00:23:46,740 --> 00:23:44,530

Newton as much as anybody is that when

596

00:23:48,690 --> 00:23:46,750

you have the life review it is you

597

00:23:51,000 --> 00:23:48,700

basically reviewing your own life and

598

00:23:53,130 --> 00:23:51,010

that everybody is asked only one

599

00:23:55,140 --> 00:23:53,140

question how did it work out because you

600

00:23:56,640 --> 00:23:55,150

set up the play you set up the

601
00:23:58,049 --> 00:23:56,650
volunteered for this you volunteer for

602
00:23:59,970 --> 00:23:58,059
that we did this we did that and

603
00:24:00,840 --> 00:23:59,980
everybody says the same five word answer

604
00:24:02,760 --> 00:24:00,850
I could have done better

605
00:24:06,120 --> 00:24:02,770
I just forgot to do this I was going to

606
00:24:07,240 --> 00:24:06,130
do that and so when you when you when

607
00:24:09,220 --> 00:24:07,250
you get down

608
00:24:11,230 --> 00:24:09,230
the whole thing my definition of evil

609
00:24:14,169 --> 00:24:11,240
and there there is evil my definition of

610
00:24:16,419 --> 00:24:14,179
evil is all that we consider to be evil

611
00:24:19,480 --> 00:24:16,429
in the modern world it is the mistaken

612
00:24:21,760 --> 00:24:19,490
belief in separation what if you believe

613
00:24:23,669 --> 00:24:21,770

you are separate then things become

614

00:24:28,029 --> 00:24:23,679

objects we can do whatever we want and

615

00:24:30,070 --> 00:24:28,039

we do these things and when we have the

616

00:24:31,630 --> 00:24:30,080

judgment thing we realize oh we should

617

00:24:33,909 --> 00:24:31,640

have done that should have done this and

618

00:24:36,850 --> 00:24:33,919

I say that in the end we're judging

619

00:24:39,039 --> 00:24:36,860

people save whatever whatever we have we

620

00:24:40,840 --> 00:24:39,049

have a problem with this person and in

621

00:24:43,240 --> 00:24:40,850

the end I simply believe the cording to

622

00:24:44,860 --> 00:24:43,250

Newton that you if you do not understand

623

00:24:46,840 --> 00:24:44,870

this person's position you're going to

624

00:24:48,789 --> 00:24:46,850

come back in that position to have

625

00:24:50,380 --> 00:24:48,799

empathy and understanding we can go to

626
00:24:53,250 --> 00:24:50,390
if you want to do scientific evidence we

627
00:24:55,990 --> 00:24:53,260
go to Jill Bolte Taylor PhD

628
00:24:57,880 --> 00:24:56,000
neuroanatomist no stupid woman who has

629
00:25:01,180 --> 00:24:57,890
the left brain hemorrhage and she says

630
00:25:02,890 --> 00:25:01,190
that all of the idea of separation comes

631
00:25:04,960 --> 00:25:02,900
from a little area the size of a peanut

632
00:25:07,690 --> 00:25:04,970
in your left brain and she said when

633
00:25:09,760 --> 00:25:07,700
those windows nurse those neurons go

634
00:25:12,789 --> 00:25:09,770
offline as hers did when it was flooded

635
00:25:15,460 --> 00:25:12,799
with blood she suddenly realized I am

636
00:25:17,890 --> 00:25:15,470
NOT separate the I am NOT there is no

637
00:25:19,659 --> 00:25:17,900
ego there is no I I am one with the

638
00:25:21,340 --> 00:25:19,669

universe and the idea that you are

639

00:25:24,549 --> 00:25:21,350

separate from everybody else in the

640

00:25:25,779 --> 00:25:24,559

universe is an illusion and she says it

641

00:25:28,480 --> 00:25:25,789

quite clearly if you listen to her

642

00:25:29,890 --> 00:25:28,490

interviews and her TED talks that it's

643

00:25:31,060 --> 00:25:29,900

just an illusion that you think it's

644

00:25:32,740 --> 00:25:31,070

like do you think the world is flat you

645

00:25:34,060 --> 00:25:32,750

think the world is coming around the

646

00:25:37,930 --> 00:25:34,070

more evidence you get the more you

647

00:25:39,399 --> 00:25:37,940

realize that it's all it's all one thing

648

00:25:41,110 --> 00:25:39,409

and when you believe you're separate

649

00:25:43,149 --> 00:25:41,120

then I'm better than this person I can

650

00:25:45,399 --> 00:25:43,159

use them I can use objects I can chop

651
00:25:46,720 --> 00:25:45,409
down the last tree cat the last fish out

652
00:25:48,520 --> 00:25:46,730
of the ocean it really doesn't matter

653
00:25:50,890 --> 00:25:48,530
they're just objects I'm separate from

654
00:25:52,960 --> 00:25:50,900
them once you believe that that you are

655
00:25:55,120 --> 00:25:52,970
one then you become like the Italian

656
00:25:56,860 --> 00:25:55,130
standing on the under their deck with

657
00:25:58,960 --> 00:25:56,870
their little cell phones all singing has

658
00:26:01,570 --> 00:25:58,970
won that we have to realize that we are

659
00:26:03,909 --> 00:26:01,580
one we are all together and if we do not

660
00:26:05,049 --> 00:26:03,919
realize that we are that we are one and

661
00:26:07,720 --> 00:26:05,059
that we are separate and we're gonna

662
00:26:09,159 --> 00:26:07,730
have me versus you good versus bad we're

663
00:26:10,419 --> 00:26:09,169

going to destroy the world it's all over

664

00:26:13,600 --> 00:26:10,429

except for the screaming and crying as

665

00:26:16,659 --> 00:26:13,610

far as I'm concerned okay I have to say

666

00:26:20,860 --> 00:26:16,669

grant you've you've really been a key

667

00:26:22,930 --> 00:26:20,870

part of this ongoing dialogue

668

00:26:24,580 --> 00:26:22,940

that I've been generating these series

669

00:26:29,830 --> 00:26:24,590

of shows that I've been generating on

670

00:26:33,490 --> 00:26:29,840

the nature of evil and your voice inside

671

00:26:36,430 --> 00:26:33,500

my head has been ongoing because I agree

672

00:26:38,020 --> 00:26:36,440

you know philosophically and spiritually

673

00:26:40,480 --> 00:26:38,030

with so many of the things that you're

674

00:26:42,940 --> 00:26:40,490

saying but I just think you're making

675

00:26:44,830 --> 00:26:42,950

some distinctions a little bit

676
00:26:46,660 --> 00:26:44,840
differently well quite a bit differently

677
00:26:49,090 --> 00:26:46,670
than I would make and it relates again

678
00:26:52,270 --> 00:26:49,100
to this ocean of consciousness that then

679
00:26:53,890 --> 00:26:52,280
becomes a blob of consciousness here's

680
00:26:56,110 --> 00:26:53,900
where I'm coming from and let's see if I

681
00:26:59,320 --> 00:26:56,120
can corral you into this ongoing

682
00:27:02,290 --> 00:26:59,330
discussion I've had extended

683
00:27:05,380 --> 00:27:02,300
consciousness is something that you and

684
00:27:07,270 --> 00:27:05,390
I are both comfortable with we're

685
00:27:10,270 --> 00:27:07,280
comfortable with the notion you're

686
00:27:14,260 --> 00:27:10,280
referring to contact modalities I would

687
00:27:16,600 --> 00:27:14,270
kind of almost merge that with my what

688
00:27:19,840 --> 00:27:16,610

I'm calling extended consciousness so

689

00:27:22,540 --> 00:27:19,850

the shamanic journey I goes and licks

690

00:27:25,060 --> 00:27:22,550

the toad and as a DMT experience he's in

691

00:27:28,180 --> 00:27:25,070

extended consciousness the et

692

00:27:30,160 --> 00:27:28,190

experiencer is onboard a ship but as you

693

00:27:32,380 --> 00:27:30,170

can see his body down there he's an

694

00:27:35,530 --> 00:27:32,390

extended consciousness near-death

695

00:27:37,660 --> 00:27:35,540

experiencers same thing you know what

696

00:27:40,090 --> 00:27:37,670

extended consciousness again and I think

697

00:27:42,280 --> 00:27:40,100

you're calling that contact modalities

698

00:27:43,720 --> 00:27:42,290

here's a point that I think is

699

00:27:46,450 --> 00:27:43,730

interesting that I haven't heard a lot

700

00:27:50,230 --> 00:27:46,460

of people explore and that is my

701
00:27:53,650 --> 00:27:50,240
contention that evil is a lens through

702
00:27:57,460 --> 00:27:53,660
which we can explore extended

703
00:27:59,500 --> 00:27:57,470
consciousness in a very real way so I

704
00:28:03,610 --> 00:27:59,510
just popped up on the screen some of the

705
00:28:06,760 --> 00:28:03,620
people I've been interviewing about this

706
00:28:08,860 --> 00:28:06,770
evil and I do it not because I'm

707
00:28:11,290 --> 00:28:08,870
particularly interested in evil I'm

708
00:28:13,900 --> 00:28:11,300
particularly interested in satanic

709
00:28:16,990 --> 00:28:13,910
ritual abuse which is one of the topics

710
00:28:20,290 --> 00:28:17,000
that I cover but take satanic ritual

711
00:28:22,270 --> 00:28:20,300
abuse really interesting topic and I can

712
00:28:24,430 --> 00:28:22,280
bring back some of the people that I had

713
00:28:26,169 --> 00:28:24,440

up on the screen there but Annika Lucas

714

00:28:29,710 --> 00:28:26,179

is interesting because she's six years

715

00:28:32,770 --> 00:28:29,720

old when her mother sells her into

716

00:28:34,899 --> 00:28:32,780

slavery with a cult that turns out to be

717

00:28:37,750 --> 00:28:34,909

in Belgium this is unfortunate

718

00:28:39,850 --> 00:28:37,760

turns out to be a satanic cult that not

719

00:28:42,610 --> 00:28:39,860

only sexually abuses rapes these kids

720

00:28:44,440 --> 00:28:42,620

but then murders them and this is

721

00:28:46,539 --> 00:28:44,450

reported over and over again so I have

722

00:28:48,639 --> 00:28:46,549

various other interviews with a bunch of

723

00:28:50,409 --> 00:28:48,649

people that confirm this and there's

724

00:28:53,139 --> 00:28:50,419

studies that confirm this and there's a

725

00:28:55,180 --> 00:28:53,149

brown university scholar who's done

726

00:28:58,330 --> 00:28:55,190

research on it and I have up on the

727

00:29:00,820 --> 00:28:58,340

screen Bob hammer who's 20 years FBI

728

00:29:03,549 --> 00:29:00,830

undercover agent who went in and

729

00:29:07,350 --> 00:29:03,559

infiltrated ma'am Allah who is organized

730

00:29:09,370 --> 00:29:07,360

our ring that's organizing these

731

00:29:11,740 --> 00:29:09,380

expeditions where these fifty year old

732

00:29:14,350 --> 00:29:11,750

men can rape these young boys the

733

00:29:18,430 --> 00:29:14,360

priests and I go into all that is two

734

00:29:21,100 --> 00:29:18,440

points one is with anyone's sensibility

735

00:29:23,500 --> 00:29:21,110

anyone you'll talk to they say that is

736

00:29:25,419 --> 00:29:23,510

that is evil in just kind of the way

737

00:29:28,210 --> 00:29:25,429

that I would understand evil but here's

738

00:29:30,850 --> 00:29:28,220

the kicker here's the kicker and the

739

00:29:34,570 --> 00:29:30,860

important part that everyone in my

740

00:29:38,830 --> 00:29:34,580

opinion seems to be looking past in the

741

00:29:43,299 --> 00:29:38,840

case of satanic ritual abuse these folks

742

00:29:46,419 --> 00:29:43,309

are actively seeking connection with the

743

00:29:48,850 --> 00:29:46,429

extended consciousness realms and beings

744

00:29:52,899 --> 00:29:48,860

in those extended consciousness realms

745

00:29:55,659 --> 00:29:52,909

in order to further carry out the deeds

746

00:29:57,490 --> 00:29:55,669

now is that connection what they're

747

00:29:59,590 --> 00:29:57,500

getting out of that connection we can

748

00:30:03,340 --> 00:29:59,600

only listen to what they say but the

749

00:30:05,980 --> 00:30:03,350

fact C for people who don't believe you

750

00:30:07,299 --> 00:30:05,990

know like so many of the academics you

751
00:30:08,649 --> 00:30:07,309
know let's [h__\h] it doesn't matter what

752
00:30:10,060 --> 00:30:08,659
people believe about the extended

753
00:30:11,799 --> 00:30:10,070
consciousness room because the extent of

754
00:30:13,480 --> 00:30:11,809
consciousness realm doesn't exist so

755
00:30:16,029 --> 00:30:13,490
it's all just crazy belief system it's

756
00:30:18,220 --> 00:30:16,039
why people believe weird things because

757
00:30:20,019 --> 00:30:18,230
they're locked in to their materialist

758
00:30:21,820 --> 00:30:20,029
paradigm their humanist materialist

759
00:30:23,440 --> 00:30:21,830
atheist paradigm and they don't have to

760
00:30:25,299 --> 00:30:23,450
deal with any of this [h__\h] but for

761
00:30:27,129 --> 00:30:25,309
people like you and I who acknowledge an

762
00:30:30,340 --> 00:30:27,139
extended consciousness realm when

763
00:30:32,100 --> 00:30:30,350

somebody tells me yeah I'm I'm abusing

764

00:30:34,750 --> 00:30:32,110

these kids and let me tell you this

765

00:30:36,850 --> 00:30:34,760

spirit being this entity in the extended

766

00:30:39,070 --> 00:30:36,860

consciousness realm and he's really into

767

00:30:40,600 --> 00:30:39,080

it too and he's bringing all this power

768

00:30:43,120 --> 00:30:40,610

into the group and he's doing these

769

00:30:45,190 --> 00:30:43,130

physical things and if I do this ritual

770

00:30:48,220 --> 00:30:45,200

in a certain way it brings even more

771

00:30:51,250 --> 00:30:48,230

power into me and that's my dial

772

00:30:53,260 --> 00:30:51,260

Lode he says that's my experience it's

773

00:30:55,900 --> 00:30:53,270

not just about me in this room it's

774

00:31:00,070 --> 00:30:55,910

about me connecting with that extended

775

00:31:02,710 --> 00:31:00,080

realm that is the lens grant that I

776

00:31:05,020 --> 00:31:02,720

would suggest catapults this into a

777

00:31:07,240 --> 00:31:05,030

whole different way that we have to look

778

00:31:09,039 --> 00:31:07,250

at it and understand it and let me jump

779

00:31:12,010 --> 00:31:09,049

in there with one more really important

780

00:31:14,440 --> 00:31:12,020

point I have no idea how it works I

781

00:31:16,750 --> 00:31:14,450

don't understand the mind of God I don't

782

00:31:18,970 --> 00:31:16,760

have a map of extended consciousness

783

00:31:21,760 --> 00:31:18,980

realms to be able to say this means this

784

00:31:25,570 --> 00:31:21,770

and this means that but that data does

785

00:31:29,350 --> 00:31:25,580

compel me to consider this evil question

786

00:31:32,830 --> 00:31:29,360

much more interdimensionally than I

787

00:31:35,440 --> 00:31:32,840

think most people are looking at it okay

788

00:31:37,450 --> 00:31:35,450

a lot of stuff I mean when it comes to

789

00:31:39,310 --> 00:31:37,460

extending human consciousness I would

790

00:31:41,799 --> 00:31:39,320

maybe see a little bit different it's

791

00:31:43,750 --> 00:31:41,809

all consciousness there is no us and

792

00:31:45,520 --> 00:31:43,760

then extended consciousness it's all

793

00:31:47,799 --> 00:31:45,530

just consciousness and it's the ability

794

00:31:50,260 --> 00:31:47,809

to get in to the consciousness by

795

00:31:52,210 --> 00:31:50,270

shutting down the left brain shutting

796

00:31:54,430 --> 00:31:52,220

down the rational analytical brain so

797

00:31:56,380 --> 00:31:54,440

it's hardest women I don't want to

798

00:31:59,350 --> 00:31:56,390

interrupt you too much but see this is

799

00:32:01,270 --> 00:31:59,360

part of the discussion that hey I'm with

800

00:32:03,130 --> 00:32:01,280

you we can go to sea of consciousness

801
00:32:05,080 --> 00:32:03,140
and we can just shut down and have the

802
00:32:08,140 --> 00:32:05,090
discussion but you just talked about 40

803
00:32:10,480 --> 00:32:08,150
contact modalities that implicit in that

804
00:32:12,010 --> 00:32:10,490
is this idea that there is this extended

805
00:32:15,580 --> 00:32:12,020
consciousness room that we connect to

806
00:32:17,770 --> 00:32:15,590
and it's all of consciousness and that

807
00:32:19,659 --> 00:32:17,780
we use we shut down the left Russia

808
00:32:21,370 --> 00:32:19,669
little brain and we can pop in through

809
00:32:24,299 --> 00:32:21,380
these different modalities so you get

810
00:32:27,190 --> 00:32:24,309
into the - the - this whole thing and

811
00:32:30,370 --> 00:32:27,200
the expression that that I've heard is

812
00:32:32,919 --> 00:32:30,380
if your higher self if you believe that

813
00:32:35,110 --> 00:32:32,929

there's a devil and there's Satan your

814

00:32:36,490 --> 00:32:35,120

higher self will come as the devil

815

00:32:38,200 --> 00:32:36,500

because if it comes as anything else

816

00:32:40,270 --> 00:32:38,210

you're not going to so whatever it is

817

00:32:42,549 --> 00:32:40,280

you want to manifest in your little

818

00:32:44,320 --> 00:32:42,559

consciousness realm you can manifest you

819

00:32:46,020 --> 00:32:44,330

can manifest good you can manifest evil

820

00:32:48,850 --> 00:32:46,030

there's an experiment that's done in the

821

00:32:50,860 --> 00:32:48,860

1970s in Toronto it's called a fillip

822

00:32:52,390 --> 00:32:50,870

experiment that where they create the

823

00:32:54,039 --> 00:32:52,400

ghosts whether they actually create a

824

00:32:55,840 --> 00:32:54,049

ghost and they make up this story about

825

00:32:57,610 --> 00:32:55,850

this ghost from the 16th century and

826

00:32:59,080 --> 00:32:57,620

then they start doing the meditation

827

00:33:00,640 --> 00:32:59,090

thing and they can't get it to work and

828

00:33:02,080 --> 00:33:00,650

then they start going in to say on

829

00:33:04,480 --> 00:33:02,090

saying and they actually pretty

830

00:33:06,490 --> 00:33:04,490

this ghost that actually responds and

831

00:33:09,060 --> 00:33:06,500

levitates tables and all bezel is star

832

00:33:11,500 --> 00:33:09,070

stuff so what I would say is that

833

00:33:13,180 --> 00:33:11,510

everything that you do your manifesting

834

00:33:15,220 --> 00:33:13,190

and as much as we can build a building

835

00:33:16,990 --> 00:33:15,230

in the spiritual world and that anything

836

00:33:18,970 --> 00:33:17,000

that is negative there we have

837

00:33:19,570 --> 00:33:18,980

manifested we have created because it's

838

00:33:22,810 --> 00:33:19,580

just us

839

00:33:24,430 --> 00:33:22,820

there is just one there is just me there

840

00:33:25,870 --> 00:33:24,440

is not me and then extended

841

00:33:27,970 --> 00:33:25,880

consciousness it's just me and I

842

00:33:29,590 --> 00:33:27,980

manifest and we have built these worlds

843

00:33:32,560 --> 00:33:29,600

so if you commit suicide you're going to

844

00:33:34,269 --> 00:33:32,570

leave a very negative energy and my

845

00:33:36,190 --> 00:33:34,279

question to you is be do you think that

846

00:33:38,200 --> 00:33:36,200

all these people who do these very evil

847

00:33:39,430 --> 00:33:38,210

things at 5 years old have decided I

848

00:33:41,200 --> 00:33:39,440

think I'm going to grow up and I'm gonna

849

00:33:42,909 --> 00:33:41,210

be a pedophile and I'm gonna molest

850

00:33:45,549 --> 00:33:42,919

little children and kill them and stuff

851

00:33:46,899 --> 00:33:45,559

like that people don't is the same as

852

00:33:48,399 --> 00:33:46,909

when I went to a homeless shelter I work

853

00:33:50,830 --> 00:33:48,409

at a homeless shelter and they said take

854

00:33:52,720 --> 00:33:50,840

a look these people did not decide to be

855

00:33:54,490 --> 00:33:52,730

here and homeless and I think you're

856

00:33:56,799 --> 00:33:54,500

just setting yourself up that you can go

857

00:33:58,360 --> 00:33:56,809

to the world and you say Alex after your

858

00:34:00,519 --> 00:33:58,370

thing you had a real problem with these

859

00:34:02,139 --> 00:34:00,529

pedophiles maybe what you should do

860

00:34:03,340 --> 00:34:02,149

we're gonna send you back to be where

861

00:34:06,130 --> 00:34:03,350

these pedophiles you can have

862

00:34:07,840 --> 00:34:06,140

understanding and then and understand

863

00:34:09,930 --> 00:34:07,850

why these people went down this road

864

00:34:13,119 --> 00:34:09,940

because people go down also Thoreau's

865

00:34:14,829 --> 00:34:13,129

homelessness alcohol all sorts of things

866

00:34:17,770 --> 00:34:14,839

and nobody intends to do it it just

867

00:34:20,440 --> 00:34:17,780

happens you're just saying things that

868

00:34:23,020 --> 00:34:20,450

kind of contradict each other I mean

869

00:34:24,730 --> 00:34:23,030

yeah you are cuz it's like on one hand

870

00:34:27,159 --> 00:34:24,740

you're saying that you know none of

871

00:34:29,710 --> 00:34:27,169

these experiences really matter because

872

00:34:31,750 --> 00:34:29,720

we manifest them all and we can manifest

873

00:34:35,079 --> 00:34:31,760

whatever we want and then you tell

874

00:34:36,760 --> 00:34:35,089

stories which I mean look maybe that

875

00:34:39,339 --> 00:34:36,770

came out the wrong way is too negative

876
00:34:42,520 --> 00:34:39,349
because this is all impossible I think

877
00:34:45,310 --> 00:34:42,530
in for us to fully understand or even

878
00:34:48,700 --> 00:34:45,320
partially understand with our limited

879
00:34:51,010 --> 00:34:48,710
brain I'm never gonna figure this out I

880
00:34:53,980 --> 00:34:51,020
don't know but like you know the story

881
00:34:56,109 --> 00:34:53,990
you told early on about the crystals and

882
00:35:00,430 --> 00:34:56,119
then you felt like there was some kind

883
00:35:03,310 --> 00:35:00,440
of confirmation in the 1988 UFO film

884
00:35:05,200 --> 00:35:03,320
with Dodie in it and the crystal and you

885
00:35:07,079 --> 00:35:05,210
talked about that thing like it's real

886
00:35:10,060 --> 00:35:07,089
right I

887
00:35:12,970 --> 00:35:10,070
why would but why do you feel like that's

888
00:35:15,380 --> 00:35:12,980

real and then all this other stuff is

889

00:35:17,660 --> 00:35:15,390

just manifestation you know I just

890

00:35:21,500 --> 00:35:17,670

listen to an interview I interviewed not

891

00:35:23,470 --> 00:35:21,510

too long ago Rob and Trish McGregor who

892

00:35:25,759 --> 00:35:23,480

are two really interesting people they

893

00:35:28,279 --> 00:35:25,769

fantastically successful authors written

894

00:35:30,980 --> 00:35:28,289

like a hundred books between him where I

895

00:35:33,170 --> 00:35:30,990

was written all the books for Lucas with

896

00:35:34,609 --> 00:35:33,180

the Star Wars books anyways he just

897

00:35:35,960 --> 00:35:34,619

published this interview because in the

898

00:35:39,500 --> 00:35:35,970

interview I had with him he told me

899

00:35:42,410 --> 00:35:39,510

about this guy in Texas Wes Meeks this

900

00:35:45,019 --> 00:35:42,420

guy is a former police officer in Texas

901
00:35:47,690 --> 00:35:45,029
one of the people you kind of trust

902
00:35:49,250 --> 00:35:47,700
he's talks about incredible auto body

903
00:35:51,109 --> 00:35:49,260
experiences and he talks about

904
00:35:53,269 --> 00:35:51,119
physically all the auto body things

905
00:35:55,309 --> 00:35:53,279
being out of body seeing things that are

906
00:35:57,019 --> 00:35:55,319
going on at a very young age being able

907
00:35:59,150 --> 00:35:57,029
to follow his brother as he went to the

908
00:36:01,190 --> 00:35:59,160
bathroom at night and see him turn on

909
00:36:04,009 --> 00:36:01,200
the light you know and then later in

910
00:36:07,339 --> 00:36:04,019
life he has the auto body experiences he

911
00:36:09,980 --> 00:36:07,349
travels to the spiritual realm he sees

912
00:36:11,539 --> 00:36:09,990
the Akashic records now he sees the

913
00:36:14,029 --> 00:36:11,549

Akashic records different than I've

914

00:36:15,980 --> 00:36:14,039

heard anyone else see him different jars

915

00:36:18,710 --> 00:36:15,990

and stuff like that he meets this woman

916

00:36:20,690 --> 00:36:18,720

this woman shave shifts and he has this

917

00:36:23,620 --> 00:36:20,700

incredible sexual experience with this

918

00:36:26,839 --> 00:36:23,630

woman I mean so that doesn't immediately

919

00:36:28,160 --> 00:36:26,849

like throw this thing out the window but

920

00:36:30,620 --> 00:36:28,170

if you listen to the whole account

921

00:36:33,559 --> 00:36:30,630

you're like well that doesn't exactly

922

00:36:37,009 --> 00:36:33,569

jive with every other account I've heard

923

00:36:40,279 --> 00:36:37,019

of the Akashic records so you're kind of

924

00:36:42,019 --> 00:36:40,289

forced to to go go it good no because

925

00:36:44,569 --> 00:36:42,029

what you're doing is you're manifesting

926

00:36:46,460 --> 00:36:44,579

so all the accounts in the spirit world

927

00:36:48,440 --> 00:36:46,470

are gonna have some variation because

928

00:36:50,180 --> 00:36:48,450

you're creating it it's not like we're

929

00:36:51,980 --> 00:36:50,190

here and then there's this spirit world

930

00:36:53,720 --> 00:36:51,990

that has the stuff to of the contact

931

00:36:56,029 --> 00:36:53,730

modalities I do our number one lucid

932

00:36:58,039 --> 00:36:56,039

dreaming and I do the this psychedelic

933

00:37:00,289 --> 00:36:58,049

stuff with John Hopkins the psilocybin

934

00:37:02,720 --> 00:37:00,299

stuff and they both say the same thing

935

00:37:04,549 --> 00:37:02,730

they both say that you are creating your

936

00:37:07,269 --> 00:37:04,559

manifesting in that world and that

937

00:37:11,120 --> 00:37:07,279

things are all symbolic so in the in the

938

00:37:13,309 --> 00:37:11,130

thing with Donna Stanford with the lucid

939

00:37:16,069 --> 00:37:13,319

dream stuff if you come up against the

940

00:37:17,990 --> 00:37:16,079

evil alien or the evil devil and this is

941

00:37:21,140 --> 00:37:18,000

told quite clearly when you come up

942

00:37:22,370 --> 00:37:21,150

against it if you go and you treat it

943

00:37:23,859 --> 00:37:22,380

with unconditional loving to give it a

944

00:37:26,059 --> 00:37:23,869

big hug and kiss it will turn into a

945

00:37:28,790 --> 00:37:26,069

positive being and give you a positive

946

00:37:30,530 --> 00:37:28,800

message so it is all manifestation

947

00:37:32,000 --> 00:37:30,540

when we go in when my friend goes into

948

00:37:34,490 --> 00:37:32,010

the spirit world with his mother that's

949

00:37:37,220 --> 00:37:34,500

all manifestation there is no there is

950

00:37:38,900 --> 00:37:37,230

no physical things is there is no time

951
00:37:41,270 --> 00:37:38,910
and space there's no physical thing it

952
00:37:42,980 --> 00:37:41,280
is all only stuff we are creating it all

953
00:37:44,690 --> 00:37:42,990
with our brain so when you go into the

954
00:37:46,250 --> 00:37:44,700
physical world all the accounts of the

955
00:37:47,360 --> 00:37:46,260
Akashic records all the accounts are

956
00:37:49,430 --> 00:37:47,370
gonna have some sort of variation

957
00:37:51,230 --> 00:37:49,440
because it's us that are manifesting

958
00:37:52,730 --> 00:37:51,240
even if you look at the Newton stuff

959
00:37:55,100 --> 00:37:52,740
when people know they hang on when

960
00:37:57,260 --> 00:37:55,110
people are Newton ask them the question

961
00:37:59,990 --> 00:37:57,270
when you were in the spirit world and

962
00:38:02,750 --> 00:38:00,000
you meet somebody how do you know which

963
00:38:03,950 --> 00:38:02,760

body to present to that other person

964

00:38:05,630 --> 00:38:03,960

because you've lived a thousand

965

00:38:07,250 --> 00:38:05,640

different lives and he said it depends

966

00:38:09,740 --> 00:38:07,260

upon who I'm talking to

967

00:38:11,630 --> 00:38:09,750

I can screen as images whatever I want

968

00:38:13,910 --> 00:38:11,640

based upon the life I had with that

969

00:38:16,100 --> 00:38:13,920

person it's all manifestation it's all

970

00:38:18,200 --> 00:38:16,110

Lily stuff it's all created there is no

971

00:38:20,870 --> 00:38:18,210

out there world there is no spirit world

972

00:38:24,290 --> 00:38:20,880

it's all us creating this thing through

973

00:38:26,000 --> 00:38:24,300

our our consciousness we are all one we

974

00:38:28,010 --> 00:38:26,010

come in we make the separation and we

975

00:38:29,300 --> 00:38:28,020

build this world based on a

976

00:38:30,380 --> 00:38:29,310

consciousness it's not like there's

977

00:38:31,910 --> 00:38:30,390

consciousness and then there's the

978

00:38:33,320 --> 00:38:31,920

spirit world and there's consciousness

979

00:38:35,180 --> 00:38:33,330

and there's a physical world it's all

980

00:38:38,210 --> 00:38:35,190

consciousness it's all created by

981

00:38:43,600 --> 00:38:38,220

consciousness I'm with you to to a

982

00:38:49,520 --> 00:38:47,630

it's oh well but but you are saying a

983

00:38:52,250 --> 00:38:49,530

minute ago about how the planet is

984

00:38:55,220 --> 00:38:52,260

doomed unless we get together and start

985

00:38:58,880 --> 00:38:55,230

hugging trees er not wrong by plastic

986

00:39:00,890 --> 00:38:58,890

bottles this is all manifested reality

987

00:39:02,960 --> 00:39:00,900

why are you why do you feel so

988

00:39:04,280 --> 00:39:02,970

comfortable making these judgments I've

989

00:39:08,180 --> 00:39:04,290

heard you make I heard you make

990

00:39:10,520 --> 00:39:08,190

judgments that the the et is basically

991

00:39:24,110 --> 00:39:10,530

more liberal in their politics and

992

00:39:27,230 --> 00:39:24,120

conservative to say all the things that

993

00:39:30,770 --> 00:39:27,240

you're saying what yeah something that's

994

00:39:34,700 --> 00:39:30,780

capitalist about an alien look the whole

995

00:39:38,900 --> 00:39:34,710

I could pick tons of cases Richard Doty

996

00:39:41,420 --> 00:39:38,910

who you cited him it ago is completely

997

00:39:43,910 --> 00:39:41,430

entrenched in the in the machine

998

00:39:47,870 --> 00:39:43,920

in whatever the game is that's being

999

00:39:49,940 --> 00:39:47,880

played in terms of I mean you've got me

1000

00:39:52,490 --> 00:39:49,950

scrambling because it's just so obvious

1001
00:39:54,800 --> 00:39:52,500
and apparent the the SIOP that's been

1002
00:39:57,620 --> 00:39:54,810
run and you've talked about in terms of

1003
00:40:00,350 --> 00:39:57,630
disclosure all those guys are not

1004
00:40:02,180 --> 00:40:00,360
playing the game that you're that you're

1005
00:40:03,500 --> 00:40:02,190
talking about they're they're playing a

1006
00:40:06,170 --> 00:40:03,510
different game they're playing the

1007
00:40:07,640 --> 00:40:06,180
control game they're playing the the

1008
00:40:10,240 --> 00:40:07,650
fear game they're playing to

1009
00:40:13,490 --> 00:40:10,250
disinformation the separation game

1010
00:40:15,770 --> 00:40:13,500
they're in separation they're in us

1011
00:40:17,630 --> 00:40:15,780
versus them were military there's bad

1012
00:40:19,220 --> 00:40:17,640
guys around the world and we need to

1013
00:40:22,160 --> 00:40:19,230

develop this to create some weapons

1014

00:40:24,020 --> 00:40:22,170

there is a separation here against that

1015

00:40:25,820 --> 00:40:24,030

and you're saying here against that I'm

1016

00:40:27,380 --> 00:40:25,830

against separation absolutely I mean two

1017

00:40:30,140 --> 00:40:27,390

one against it then you're in the

1018

00:40:32,060 --> 00:40:30,150

duality my friend what am I in duality

1019

00:40:33,350 --> 00:40:32,070

you're in the duality I'll tell you a

1020

00:40:36,410 --> 00:40:33,360

story I heard that I thought was

1021

00:40:39,710 --> 00:40:36,420

extremely relevant to this and it's a

1022

00:40:42,890 --> 00:40:39,720

very touching story I heard it through

1023

00:40:47,000 --> 00:40:42,900

that the Dalai Lama reports that when

1024

00:40:50,300 --> 00:40:47,010

the evil horrible Communist Chinese came

1025

00:40:52,870 --> 00:40:50,310

in and over in Tibet and they did they

1026

00:40:56,570 --> 00:40:52,880

took this little country and they just

1027

00:40:59,150 --> 00:40:56,580

took it over right in the north yeah

1028

00:41:00,770 --> 00:40:59,160

yeah and then they dragged the monks out

1029

00:41:02,930 --> 00:41:00,780

in the street and they made him

1030

00:41:07,310 --> 00:41:02,940

fornicate in the street just to show hey

1031

00:41:10,610 --> 00:41:07,320

as we probably were atheists and and and

1032

00:41:13,850 --> 00:41:10,620

we want to show you how your beliefs

1033

00:41:17,300 --> 00:41:13,860

don't hold up to the barrel of a gun so

1034

00:41:21,070 --> 00:41:17,310

this one monk went through this horrible

1035

00:41:23,660 --> 00:41:21,080

experience and imprisonment with Chinese

1036

00:41:25,250 --> 00:41:23,670

the evil Chinese I'm gonna throw that in

1037

00:41:29,930 --> 00:41:25,260

just to kind of rally up a little bit

1038

00:41:33,740 --> 00:41:29,940

and then he comes back and he's

1039

00:41:36,470 --> 00:41:33,750

recounting his things and he goes it it

1040

00:41:39,410 --> 00:41:36,480

was horrible I I experienced great great

1041

00:41:41,780 --> 00:41:39,420

great danger and they said wow you

1042

00:41:45,110 --> 00:41:41,790

really thought you're gonna die at some

1043

00:41:49,670 --> 00:41:45,120

point and he said no I thought at some

1044

00:41:53,450 --> 00:41:49,680

point I would lose my compassion I would

1045

00:41:54,760 --> 00:41:53,460

lose my ability to see that there is no

1046

00:41:57,640 --> 00:41:54,770

separation

1047

00:42:01,120 --> 00:41:57,650

right so I would suggest to you that you

1048

00:42:04,030 --> 00:42:01,130

cannot at the same time oppose this

1049

00:42:06,820 --> 00:42:04,040

group or oppose this what you see is

1050

00:42:08,710 --> 00:42:06,830

capitalistic or incite outside and then

1051

00:42:10,450 --> 00:42:08,720

say oh no cuz it's all about

1052

00:42:12,220 --> 00:42:10,460

consciousness and it's all about no

1053

00:42:17,410 --> 00:42:12,230

separation but I'm not being separate

1054

00:42:19,170 --> 00:42:17,420

I just know these everybody's gonna be

1055

00:42:21,040 --> 00:42:19,180

the six six year old girl in a cage

1056

00:42:22,630 --> 00:42:21,050

everybody's going to be floating around

1057

00:42:24,550 --> 00:42:22,640

the Mediterranean learning to drown

1058

00:42:26,620 --> 00:42:24,560

everybody's going to wander the world we

1059

00:42:28,270 --> 00:42:26,630

don't get to be the rich guy in in

1060

00:42:30,310 --> 00:42:28,280

America every single time we don't get

1061

00:42:31,750 --> 00:42:30,320

to be have the good life everybody's

1062

00:42:36,670 --> 00:42:31,760

going to get to play all the different

1063

00:42:38,080 --> 00:42:36,680

roles so if that's final you don't know

1064

00:42:41,320 --> 00:42:38,090

that and general I get what you're

1065

00:42:44,740 --> 00:42:41,330

saying but you the data doesn't like

1066

00:42:48,160 --> 00:42:44,750

exactly conform to what you're saying

1067

00:42:49,570 --> 00:42:48,170

I already told you how you're

1068

00:42:52,510 --> 00:42:49,580

misinterpreting the Newton data and the

1069

00:42:56,710 --> 00:42:52,520

Newton data is all about making good

1070

00:42:59,220 --> 00:42:56,720

choices so that you can somehow that

1071

00:43:03,520 --> 00:42:59,230

there is an active process of

1072

00:43:06,370 --> 00:43:03,530

transmuting this evil if you will that

1073

00:43:09,820 --> 00:43:06,380

it is our job operation in this soul

1074

00:43:11,380 --> 00:43:09,830

journey to do better we didn't just we

1075

00:43:12,880 --> 00:43:11,390

don't just like you're saying yeah well

1076

00:43:15,100 --> 00:43:12,890

you're gonna come back as a pedophile on

1077

00:43:16,840 --> 00:43:15,110

your and experience that no when you

1078

00:43:19,510 --> 00:43:16,850

come back as a pedophile

1079

00:43:22,750 --> 00:43:19,520

I would suggest my read of the Newton

1080

00:43:26,290 --> 00:43:22,760

data is you do what the person who

1081

00:43:29,680 --> 00:43:26,300

rescued Annika Lukas out of certain

1082

00:43:32,260 --> 00:43:29,690

murder did and that's that that person

1083

00:43:34,030 --> 00:43:32,270

rescued her rescued that ten-year-old

1084

00:43:37,030 --> 00:43:34,040

girl who was going to be killed because

1085

00:43:39,250 --> 00:43:37,040

they had used her to the extent that

1086

00:43:42,730 --> 00:43:39,260

they didn't want her to escape and

1087

00:43:46,060 --> 00:43:42,740

reveal their satanic ritual abuse plot

1088

00:43:47,950 --> 00:43:46,070

and you know he was a perpetrator he

1089

00:43:50,190 --> 00:43:47,960

pulled her out of that horror he paid

1090

00:43:55,410 --> 00:43:50,200

for it with his life he was later killed

1091

00:43:59,170 --> 00:43:55,420

but he did in that act something that

1092

00:44:03,220 --> 00:43:59,180

propelled his soul forward so there is

1093

00:44:06,220 --> 00:44:03,230

good there is evil there is choice and

1094

00:44:08,160 --> 00:44:06,230

we make those choices all the time and

1095

00:44:11,190 --> 00:44:08,170

to diminish

1096

00:44:13,440 --> 00:44:11,200

or to not see that is the miss the whole

1097

00:44:15,450 --> 00:44:13,450

point of the thing the whole point is

1098

00:44:17,819 --> 00:44:15,460

oneness versus separation that when you

1099

00:44:19,770 --> 00:44:17,829

believe in separation you will do evil

1100

00:44:22,140 --> 00:44:19,780

and if you want to get rid of the evil

1101

00:44:24,210 --> 00:44:22,150

you have to go to oneness if you believe

1102

00:44:25,859 --> 00:44:24,220

that you and I are actually the same

1103

00:44:27,000 --> 00:44:25,869

person when I look in your eyes I'm

1104

00:44:29,609 --> 00:44:27,010

looking in my own eyes

1105

00:44:31,470 --> 00:44:29,619

then how can you do evil how can I kill

1106

00:44:33,720 --> 00:44:31,480

you how can I do whatever it's the

1107

00:44:36,180 --> 00:44:33,730

belief in separation that these people

1108

00:44:37,890 --> 00:44:36,190

are objects that whether it's the

1109

00:44:39,870 --> 00:44:37,900

Communist Chinese whether it's Richard

1110

00:44:42,390 --> 00:44:39,880

Doty everybody's into their thing of

1111

00:44:45,030 --> 00:44:42,400

separation where it's me versus the the

1112

00:44:47,789 --> 00:44:45,040

the people outside the country or I need

1113

00:44:49,650 --> 00:44:47,799

more stuff and it's always separation

1114

00:44:52,559 --> 00:44:49,660

that is the thing and all evil I

1115

00:44:54,329 --> 00:44:52,569

maintain will disappear if you suddenly

1116

00:44:56,160 --> 00:44:54,339

realize that everything is separate

1117

00:44:58,230 --> 00:44:56,170

everything is a lot everything's one

1118

00:45:00,180 --> 00:44:58,240

almost like Jill Bolte Taylor said I'm

1119

00:45:02,940 --> 00:45:00,190

one with the universe there I'm not an

1120

00:45:04,319 --> 00:45:02,950

individual that was an illusion once you

1121

00:45:06,960 --> 00:45:04,329

realize that you're part of the universe

1122

00:45:08,190 --> 00:45:06,970

then you become like the Italians where

1123

00:45:09,990 --> 00:45:08,200

you're sitting there singing and you're

1124

00:45:11,819 --> 00:45:10,000

trying to survive together and it brings

1125

00:45:13,890 --> 00:45:11,829

people together when you believe that

1126

00:45:17,280 --> 00:45:13,900

you're separate and that I am better

1127

00:45:18,780 --> 00:45:17,290

than you and I'm special then that's

1128

00:45:21,240 --> 00:45:18,790

when evil takes place because we start

1129

00:45:25,380 --> 00:45:21,250

treating people like like objects and we

1130

00:45:27,870 --> 00:45:25,390

move away separation is the basic the

1131

00:45:29,910 --> 00:45:27,880

mistaken belief in separation so even

1132

00:45:31,230 --> 00:45:29,920

though these people may believe in

1133

00:45:32,849 --> 00:45:31,240

separation it doesn't exist just because

1134

00:45:34,700 --> 00:45:32,859

people believe separation exists it

1135

00:45:38,250 --> 00:45:34,710

doesn't exist

1136

00:45:41,339 --> 00:45:38,260

yeah we're we just keep repeating

1137

00:45:43,170 --> 00:45:41,349

ourselves I guess I'll pull back to to

1138

00:45:44,880 --> 00:45:43,180

one point to see if we can kind of nail

1139

00:45:47,190 --> 00:45:44,890

this down and then we don't have to just

1140

00:45:49,260 --> 00:45:47,200

keep hammering on it but and and I have

1141

00:45:51,000 --> 00:45:49,270

to again repeat that you know it's kind

1142

00:45:53,069 --> 00:45:51,010

of funny because it's ongoing dialogue

1143

00:45:56,549 --> 00:45:53,079

even if it looks like we are arguing a

1144

00:45:58,200 --> 00:45:56,559

bit has moved me forward has propelled

1145

00:46:00,720 --> 00:45:58,210

me forward because what I think is

1146

00:46:02,789 --> 00:46:00,730

interesting about the satanic ritual

1147

00:46:06,150 --> 00:46:02,799

abuse stuff is that it's a clear example

1148

00:46:09,780 --> 00:46:06,160

where evil is trying to connect with

1149

00:46:12,030 --> 00:46:09,790

evil in the extended consciousness realm

1150

00:46:15,210 --> 00:46:12,040

and I think unless we look at that

1151
00:46:19,530 --> 00:46:15,220
objectively and say oh okay that seems

1152
00:46:21,930 --> 00:46:19,540
to be highly suggestive of the idea that

1153
00:46:24,200 --> 00:46:21,940
we have to resolve inside

1154
00:46:27,270 --> 00:46:24,210
in my opinion we have to resolve

1155
00:46:31,020 --> 00:46:27,280
relative to the near-death experience

1156
00:46:33,329 --> 00:46:31,030
data and the afterlife or I'm sorry and

1157
00:46:37,290 --> 00:46:33,339
between lives Michael Newton data and

1158
00:46:41,460 --> 00:46:37,300
that is there seemed to be entities that

1159
00:46:44,760 --> 00:46:41,470
are not actively trying to advance their

1160
00:46:47,760 --> 00:46:44,770
soul in this kind of timeframe that

1161
00:46:52,319 --> 00:46:47,770
we're in there in that other realm and

1162
00:46:54,180 --> 00:46:52,329
it's a as below so above world where we

1163
00:46:57,510 --> 00:46:54,190

all understand that we can look in this

1164

00:47:01,650 --> 00:46:57,520

world and see people who choose to do

1165

00:47:04,230 --> 00:47:01,660

horrible things to each other and to

1166

00:47:06,359 --> 00:47:04,240

themselves but now I think we have to

1167

00:47:09,900 --> 00:47:06,369

face the evidence that somehow or

1168

00:47:12,690 --> 00:47:09,910

another in this extended realm which is

1169

00:47:17,309 --> 00:47:12,700

vast and multi-layered there seem to be

1170

00:47:19,230 --> 00:47:17,319

entities that are of that of that ilk

1171

00:47:21,690 --> 00:47:19,240

and we've seen them throughout history

1172

00:47:24,329 --> 00:47:21,700

and we don't really understand them I

1173

00:47:26,790 --> 00:47:24,339

stand with you and that I don't think

1174

00:47:28,800 --> 00:47:26,800

that is the that is the part of the

1175

00:47:31,290 --> 00:47:28,810

picture that we need to focus on and I

1176

00:47:34,020 --> 00:47:31,300

think we can transcend that I think we

1177

00:47:37,440 --> 00:47:34,030

can transmute that I think we can we can

1178

00:47:38,430 --> 00:47:37,450

also actively include not include it as

1179

00:47:41,130 --> 00:47:38,440

part of our thing

1180

00:47:43,829 --> 00:47:41,140

but I kind of hear a little bit of a

1181

00:47:47,430 --> 00:47:43,839

denial that there is even that that

1182

00:47:51,720 --> 00:47:47,440

reality there is no separation there are

1183

00:47:53,130 --> 00:47:51,730

no evil people out there who have that

1184

00:47:54,900 --> 00:47:53,140

are separate from the consciousness

1185

00:47:55,490 --> 00:47:54,910

there may be these out there they're

1186

00:47:58,069 --> 00:47:55,500

demons

1187

00:48:00,839 --> 00:47:58,079

okay demon so there may be there may be

1188

00:48:03,390 --> 00:48:00,849

beings out there who like us have

1189

00:48:05,010 --> 00:48:03,400

believed in separation and people will

1190

00:48:07,050 --> 00:48:05,020

bring up the evil alien so I say okay

1191

00:48:09,599 --> 00:48:07,060

evil aliens have they dropped an atomic

1192

00:48:11,370 --> 00:48:09,609

bomb yeah I mean if there are these evil

1193

00:48:13,589 --> 00:48:11,380

aliens out there I mean have they done

1194

00:48:17,130 --> 00:48:13,599

this have they cremated in this the

1195

00:48:19,170 --> 00:48:17,140

firestorm of 1945 over Tokyo where we

1196

00:48:21,569 --> 00:48:19,180

dropped it on the civilian areas and we

1197

00:48:25,559 --> 00:48:21,579

cremated eighty thousand people in two

1198

00:48:27,210 --> 00:48:25,569

nights alive civilians have they done

1199

00:48:29,760 --> 00:48:27,220

anything like this yet so we can say oh

1200

00:48:31,920 --> 00:48:29,770

they're bringing that up why do you keep

1201

00:48:33,420 --> 00:48:31,930

bringing that up as if that's because

1202

00:48:33,960 --> 00:48:33,430

we're separating ourselves we're saying

1203

00:48:36,000 --> 00:48:33,970

there see

1204

00:48:40,640 --> 00:48:36,010

were the good guys we've done everything

1205

00:48:44,609 --> 00:48:43,020

nobody's good enough to go to heaven

1206

00:48:46,440 --> 00:48:44,619

nobody's bad enough to go to hell we're

1207

00:48:49,320 --> 00:48:46,450

all just floating around in between in

1208

00:48:50,910 --> 00:48:49,330

reincarnation learning lunch the Bible

1209

00:48:52,830 --> 00:48:50,920

says all have sinned and fallen short of

1210

00:48:54,660 --> 00:48:52,840

the glory God judge not that you be not

1211

00:48:56,609 --> 00:48:54,670

judged it goes over and over and over

1212

00:48:59,160 --> 00:48:56,619

you there is no separation there are

1213

00:49:00,089 --> 00:48:59,170

people who have gotten into the belief

1214

00:49:01,710 --> 00:49:00,099

of separation

1215

00:49:04,620 --> 00:49:01,720

that's where evil comes from end of

1216

00:49:10,770 --> 00:49:04,630

story yeah I always like when people say

1217

00:49:13,020 --> 00:49:10,780

end of story okay to you it's the bottom

1218

00:49:15,210 --> 00:49:13,030

line to me you can bring up pedophiles

1219

00:49:17,070 --> 00:49:15,220

I'll bring up fire bombings and atomic

1220

00:49:19,080 --> 00:49:17,080

bombs and the things that we've got

1221

00:49:21,390 --> 00:49:19,090

we've got people in Guantanamo Bay 20

1222

00:49:22,950 --> 00:49:21,400

years without trial and without charges

1223

00:49:25,230 --> 00:49:22,960

like we think we've got this thing

1224

00:49:26,820 --> 00:49:25,240

everybody has sinned and fallen short of

1225

00:49:28,170 --> 00:49:26,830

the glory and it all comes from the

1226

00:49:30,150 --> 00:49:28,180

belief in separation when you believe

1227

00:49:32,490 --> 00:49:30,160

there are terrorists who do not do not

1228

00:49:35,520 --> 00:49:32,500

have rights and you can treat them as

1229

00:49:37,710 --> 00:49:35,530

animals and as objects the belief in

1230

00:49:40,339 --> 00:49:37,720

separation I don't know your enemy your

1231

00:49:43,370 --> 00:49:40,349

enemy is you we are all the same thing I

1232

00:49:47,130 --> 00:49:43,380

don't think that but I don't understand

1233

00:49:50,690 --> 00:49:47,140

how you are so you feel so comfortable

1234

00:49:53,660 --> 00:49:50,700

making these discernments these

1235

00:49:56,849 --> 00:49:53,670

judgments but when other people make

1236

00:49:59,430 --> 00:49:56,859

similar kind of judgments then you you

1237

00:50:01,650 --> 00:49:59,440

you immediately dismiss that but none of

1238

00:50:04,290 --> 00:50:01,660

that can possibly be important or

1239

00:50:06,390 --> 00:50:04,300

meaningful those judgments because it's

1240

00:50:09,420 --> 00:50:06,400

all about this single issue of

1241

00:50:11,099 --> 00:50:09,430

separation the separation part as I

1242

00:50:14,089 --> 00:50:11,109

explained at the beginning we are in

1243

00:50:16,740 --> 00:50:14,099

sync if it is an ocean of consciousness

1244

00:50:19,230 --> 00:50:16,750

ultimately that's what the data comes

1245

00:50:24,329 --> 00:50:19,240

back and says what we're trying to

1246

00:50:27,390 --> 00:50:24,339

understand is the nature of all the

1247

00:50:30,300 --> 00:50:27,400

steps in between that ocean all the

1248

00:50:33,210 --> 00:50:30,310

waves all the foam on the sea all the

1249

00:50:35,400 --> 00:50:33,220

deep waters of it and if you don't want

1250

00:50:37,320 --> 00:50:35,410

to make those distinctions then don't

1251
00:50:40,980 --> 00:50:37,330
make them at all but I don't see how you

1252
00:50:42,930 --> 00:50:40,990
can you know want to make and hold on to

1253
00:50:44,940 --> 00:50:42,940
your distinctions about contact

1254
00:50:47,770 --> 00:50:44,950
modalities and about crystals that

1255
00:50:49,750 --> 00:50:47,780
review lives but you're uncomfortable

1256
00:50:51,370 --> 00:50:49,760
with the distinctions that I'm making

1257
00:50:54,430 --> 00:50:51,380
that are drawn from a lot of the same

1258
00:50:56,680 --> 00:50:54,440
data part of the download I got is there

1259
00:50:57,880 --> 00:50:56,690
are no nouns as soon as you start saying

1260
00:51:00,040 --> 00:50:57,890
there's this there's that there's this

1261
00:51:02,230 --> 00:51:00,050
that is scientific religious

1262
00:51:05,380 --> 00:51:02,240
superstition that is creating nouns

1263
00:51:07,840 --> 00:51:05,390

there is only consciousness there is one

1264

00:51:11,170 --> 00:51:07,850

thing it's all consciousness and it will

1265

00:51:12,850 --> 00:51:11,180

all unravel at some point in in the

1266

00:51:15,580 --> 00:51:12,860

future everything is going to move

1267

00:51:18,640 --> 00:51:15,590

towards the good everybody has just lost

1268

00:51:21,640 --> 00:51:18,650

anybody who's doing evil is believing in

1269

00:51:22,540 --> 00:51:21,650

sin the separation and it that's the me

1270

00:51:24,640 --> 00:51:22,550

it's the bottom line it's all

1271

00:51:26,950 --> 00:51:24,650

consciousness there it's a verb there

1272

00:51:29,440 --> 00:51:26,960

are no nouns when you start getting now

1273

00:51:31,000 --> 00:51:29,450

and so you try to you know this person

1274

00:51:32,530 --> 00:51:31,010

that person this thing that thing it's

1275

00:51:35,200 --> 00:51:32,540

all just it's all just a sea of

1276

00:51:36,820 --> 00:51:35,210

consciousness and we manifest in that

1277

00:51:39,100 --> 00:51:36,830

sea of consciousness and we can create

1278

00:51:41,470 --> 00:51:39,110

good things we can create bad things we

1279

00:51:43,990 --> 00:51:41,480

are creating it all in consciousness and

1280

00:51:50,130 --> 00:51:44,000

the bad is created by the belief in

1281

00:51:55,210 --> 00:51:53,650

then how is the good created you know

1282

00:52:04,060 --> 00:51:55,220

one of the things there is no there is

1283

00:52:07,000 --> 00:52:04,070

no superstitions all going to nouns

1284

00:52:09,640 --> 00:52:07,010

there are no no it's just consciousness

1285

00:52:12,040 --> 00:52:09,650

great you realize that one minute ago I

1286

00:52:20,920 --> 00:52:12,050

can replay the tape they said there's

1287

00:52:22,930 --> 00:52:20,930

good and then there's bad and bad but

1288

00:52:25,060 --> 00:52:22,940

it's all still just energy it's all

1289

00:52:27,100 --> 00:52:25,070

still just consciousness be good and the

1290

00:52:29,560 --> 00:52:27,110

bad is all created by consciousness

1291

00:52:31,750 --> 00:52:29,570

there's no good and bad separate from

1292

00:52:33,880 --> 00:52:31,760

consciousness it's all consciousness all

1293

00:52:36,220 --> 00:52:33,890

right we'll wrap this up but I want to

1294

00:52:39,220 --> 00:52:36,230

play one more clip for you because it's

1295

00:52:41,170 --> 00:52:39,230

a case that you are very have been very

1296

00:52:45,190 --> 00:52:41,180

involved in and are very knowledgable of

1297

00:52:47,230 --> 00:52:45,200

and it's the crisp bledsoe story Richard

1298

00:52:51,220 --> 00:52:47,240

Dolan did an excellent series of

1299

00:52:53,740 --> 00:52:51,230

interviews with Chris here is a clip

1300

00:52:56,020 --> 00:52:53,750

from that and the church don't want to

1301
00:52:59,860 --> 00:52:56,030
believe it they think demonic the

1302
00:53:01,540 --> 00:52:59,870
Madonna UFO world rejected it because of

1303
00:53:05,290 --> 00:53:01,550
these individual

1304
00:53:08,290 --> 00:53:05,300
that were controlling the thing and here

1305
00:53:11,770 --> 00:53:08,300
I'm stuck and I've got these entities

1306
00:53:13,780 --> 00:53:11,780
telling me you gotta tell your story you

1307
00:53:16,060 --> 00:53:13,790
gotta tell your story they tell what you

1308
00:53:18,040 --> 00:53:16,070
know and not told mudflow and I believe

1309
00:53:20,830 --> 00:53:18,050
there were angels I'll just put it right

1310
00:53:22,570 --> 00:53:20,840
out there and to do today I'm pretty

1311
00:53:25,090 --> 00:53:22,580
sure that's what we're experiencing

1312
00:53:29,980 --> 00:53:25,100
maybe I'm wrong but I don't think so

1313
00:53:33,790 --> 00:53:29,990

okay there it is so grant tell us

1314

00:53:36,880 --> 00:53:33,800

because you have a history of being with

1315

00:53:39,670 --> 00:53:36,890

Kris you guys have a friendship you are

1316

00:53:41,710 --> 00:53:39,680

a researcher of that case give people a

1317

00:53:45,010 --> 00:53:41,720

little background who he is and then

1318

00:53:46,960 --> 00:53:45,020

your reputation of what he's saying okay

1319

00:53:49,450 --> 00:53:46,970

Kris that was a big-time business guy

1320

00:53:52,030 --> 00:53:49,460

Inca in North Carolina that his

1321

00:53:53,470 --> 00:53:52,040

experience in 2007 sort of an awakening

1322

00:53:55,900 --> 00:53:53,480

experience him and four other people

1323

00:53:57,400 --> 00:53:55,910

including his son he sort of falls off

1324

00:53:59,530 --> 00:53:57,410

the edge of the earth he's very

1325

00:54:01,150 --> 00:53:59,540

depressed his wife tells him you're not

1326

00:54:03,220 --> 00:54:01,160

gonna talk about this to me you're not

1327

00:54:05,830 --> 00:54:03,230

talking to the kids about it he's in a

1328

00:54:07,690 --> 00:54:05,840

Southern Baptist Pentecostal area he

1329

00:54:10,450 --> 00:54:07,700

says basically nobody that he works for

1330

00:54:12,250 --> 00:54:10,460

will ever talk to him his in-laws have

1331

00:54:13,960 --> 00:54:12,260

nothing to do with him and he basically

1332

00:54:15,820 --> 00:54:13,970

says for nine months in a room and

1333

00:54:19,210 --> 00:54:15,830

basically prays to God to take him away

1334

00:54:21,070 --> 00:54:19,220

that I can't take this and and then he

1335

00:54:23,230 --> 00:54:21,080

has an experience with what he called

1336

00:54:25,030 --> 00:54:23,240

what he calls the Reba lady in light

1337

00:54:27,640 --> 00:54:25,040

I call it the shining lady has like an

1338

00:54:29,380 --> 00:54:27,650

angelic type experience on almost

1339

00:54:32,080 --> 00:54:29,390

exactly the same day when I have my

1340

00:54:35,560 --> 00:54:32,090

download experience in 2012 he has this

1341

00:54:39,030 --> 00:54:35,570

encounter with this shining lady and so

1342

00:54:41,020 --> 00:54:39,040

he interprets his experience based upon

1343

00:54:43,300 --> 00:54:41,030

biblical stuff which I would tend to

1344

00:54:45,190 --> 00:54:43,310

agree and he basically is pointing out

1345

00:54:48,490 --> 00:54:45,200

the fact that he believes it's a

1346

00:54:50,680 --> 00:54:48,500

positive phenomena it's he's relating it

1347

00:54:52,780 --> 00:54:50,690

back to a religious interpretation based

1348

00:54:55,090 --> 00:54:52,790

upon this woman that it's angelic but

1349

00:54:56,770 --> 00:54:55,100

he's basically seeing it as a positive

1350

00:54:58,450 --> 00:54:56,780

experience and there was some some weird

1351
00:55:00,580 --> 00:54:58,460
things that happened with him and me

1352
00:55:03,220 --> 00:55:00,590
with this dog bizarre thing with the dog

1353
00:55:04,810 --> 00:55:03,230
bleeding and stuff I got so some of the

1354
00:55:06,820 --> 00:55:04,820
stuff could be interpreted as kind of

1355
00:55:08,590 --> 00:55:06,830
negative stuff but he basically looks at

1356
00:55:10,780 --> 00:55:08,600
it as an angelic experience and he's

1357
00:55:14,220 --> 00:55:10,790
here like a messiah to deliver a message

1358
00:55:16,080 --> 00:55:14,230
to the world let's add a couple other

1359
00:55:17,400 --> 00:55:16,090
interesting points here one and you

1360
00:55:18,260 --> 00:55:17,410
covered this but you kind of went over

1361
00:55:21,450 --> 00:55:18,270
it quickly

1362
00:55:24,180 --> 00:55:21,460
Chris's experience has multiple

1363
00:55:27,599 --> 00:55:24,190

witnesses he didn't just experience this

1364

00:55:30,510 --> 00:55:27,609

once and he didn't just experience this

1365

00:55:33,440 --> 00:55:30,520

all by himself so that's significant

1366

00:55:36,630 --> 00:55:33,450

he's invited a number of very

1367

00:55:39,720 --> 00:55:36,640

respectable researchers including

1368

00:55:41,430 --> 00:55:39,730

yourself to investigate this with him

1369

00:55:43,530 --> 00:55:41,440

and they've all kind of come to the same

1370

00:55:47,790 --> 00:55:43,540

conclusion this is an outstanding case

1371

00:55:50,070 --> 00:55:47,800

in terms of evidential value he's a guy

1372

00:55:52,800 --> 00:55:50,080

that we would call like a high-level

1373

00:55:55,170 --> 00:55:52,810

contactee and so what has happened is he

1374

00:55:57,480 --> 00:55:55,180

has been contacted by a whole series of

1375

00:55:59,160 --> 00:55:57,490

people trying to find out why have you

1376

00:56:02,520 --> 00:55:59,170

got this contact who are you talking to

1377

00:56:06,630 --> 00:56:02,530

and these include people like Jim semi

1378

00:56:09,030 --> 00:56:06,640

man who was a top guy inside the CIA I

1379

00:56:11,220 --> 00:56:09,040

think Ron covert ops for two years and

1380

00:56:14,099 --> 00:56:11,230

Jim sent me van had the beings in his

1381

00:56:15,960 --> 00:56:14,109

room as well and so he went to Chris to

1382

00:56:17,640 --> 00:56:15,970

try to find out you know who is he

1383

00:56:19,800 --> 00:56:17,650

dealing with what's going on here and

1384

00:56:22,560 --> 00:56:19,810

he's had even he showed me at one point

1385

00:56:24,570 --> 00:56:22,570

to show you how high level these people

1386

00:56:26,520 --> 00:56:24,580

may be who are trying to tap into Chris

1387

00:56:27,960 --> 00:56:26,530

to figure it out because that's what how

1388

00:56:30,180 --> 00:56:27,970

that's my impression this the government

1389

00:56:31,740 --> 00:56:30,190

may have Crash's material they may have

1390

00:56:32,670 --> 00:56:31,750

bodies but they have no idea what's

1391

00:56:34,349 --> 00:56:32,680

going on because it's got to it's

1392

00:56:36,900 --> 00:56:34,359

consciousness it's way above their pay

1393

00:56:40,080 --> 00:56:36,910

grade and so he showed me at one point a

1394

00:56:42,030 --> 00:56:40,090

medal that he had gotten and I said to

1395

00:56:43,770 --> 00:56:42,040

him I said well what's this medal would

1396

00:56:45,120 --> 00:56:43,780

you get this medallion from and he said

1397

00:56:47,010 --> 00:56:45,130

I can't tell I could just tell you where

1398

00:56:49,170 --> 00:56:47,020

it came from and he flips the screen on

1399

00:56:51,780 --> 00:56:49,180

his cell phone and it's a it's a mailing

1400

00:56:53,970 --> 00:56:51,790

M but with from Camp David and then he

1401
00:56:56,130 --> 00:56:53,980
shows me he talks about healing people

1402
00:56:58,320 --> 00:56:56,140
and you'll see that with the UFO

1403
00:57:00,120 --> 00:56:58,330
experiences 50% of all experiences claim

1404
00:57:02,250 --> 00:57:00,130
that they were healed or that they can

1405
00:57:04,200 --> 00:57:02,260
heal other people Chris is by far and

1406
00:57:06,000 --> 00:57:04,210
away one of the best sort of known

1407
00:57:08,310 --> 00:57:06,010
healers there was people sending him

1408
00:57:10,500 --> 00:57:08,320
clothes and he became sort of very

1409
00:57:13,109 --> 00:57:10,510
famous for this ability to heal and he

1410
00:57:15,720 --> 00:57:13,119
has he has almost constant contact he

1411
00:57:18,000 --> 00:57:15,730
can you can go to his place and he will

1412
00:57:20,190 --> 00:57:18,010
call him in and they will appear and

1413
00:57:21,540 --> 00:57:20,200

that's why the governments in the

1414

00:57:23,099 --> 00:57:21,550

military and all these people have so

1415

00:57:24,840 --> 00:57:23,109

much interest in him is they're trying

1416

00:57:27,420 --> 00:57:24,850

to figure out what's different with this

1417

00:57:27,960 --> 00:57:27,430

guy how is he able to make contact and

1418

00:57:31,349 --> 00:57:27,970

who

1419

00:57:33,359 --> 00:57:31,359

dealing with what are your answer to

1420

00:57:35,190 --> 00:57:33,369

that question because in some ways that

1421

00:57:38,430 --> 00:57:35,200

does seem to fly in the face of your

1422

00:57:40,560 --> 00:57:38,440

it's only about separation kind of thing

1423

00:57:43,200 --> 00:57:40,570

we now have all these different actors

1424

00:57:46,109 --> 00:57:43,210

and players involved and you're kind of

1425

00:57:48,630 --> 00:57:46,119

saying good and evil and angels and

1426

00:57:50,880 --> 00:57:48,640

healing and all that stuff and that we

1427

00:57:54,870 --> 00:57:50,890

can also in Chris's story also includes

1428

00:57:57,180 --> 00:57:54,880

the kind of nefarious not-so-nice I mean

1429

00:58:00,000 --> 00:57:57,190

he really gets raked over the coals by

1430

00:58:01,620 --> 00:58:00,010

MUFON he it's a highly deceptive

1431

00:58:03,750 --> 00:58:01,630

practice that they used to try and

1432

00:58:06,630 --> 00:58:03,760

discredit him there's some other players

1433

00:58:09,930 --> 00:58:06,640

involved here that are clearly opposing

1434

00:58:12,510 --> 00:58:09,940

what he's doing so you can make of that

1435

00:58:14,880 --> 00:58:12,520

what you may but that's the part of the

1436

00:58:17,099 --> 00:58:14,890

story as well well all the human figures

1437

00:58:19,770 --> 00:58:17,109

are in separation so whatever their

1438

00:58:21,839 --> 00:58:19,780

thing is there MUFON is into getting

1439

00:58:24,240 --> 00:58:21,849

technology they're into he's a bad guy

1440

00:58:26,520 --> 00:58:24,250

he failed a lie-detector test the

1441

00:58:28,589 --> 00:58:26,530

government is in - same thing these

1442

00:58:31,230 --> 00:58:28,599

could be evil aliens they could be here

1443

00:58:32,760 --> 00:58:31,240

to eat us or whatever and so they're

1444

00:58:34,170 --> 00:58:32,770

looking and everybody's playing their

1445

00:58:37,200 --> 00:58:34,180

own little thing based upon separation

1446

00:58:39,390 --> 00:58:37,210

but it it comes down to what did he

1447

00:58:41,370 --> 00:58:39,400

experience and his experience was a

1448

00:58:43,320 --> 00:58:41,380

positive experience he believed that

1449

00:58:46,349 --> 00:58:43,330

these these beings are here to help them

1450

00:58:49,260 --> 00:58:46,359

and I basically will say that his

1451

00:58:51,180 --> 00:58:49,270

interpretation of what he sees will be

1452

00:58:53,010 --> 00:58:51,190

based upon his manifestations so because

1453

00:58:55,680 --> 00:58:53,020

he has a religious background he's gonna

1454

00:58:57,060 --> 00:58:55,690

see it in terms of a religious figure it

1455

00:58:59,430 --> 00:58:57,070

doesn't mean that it's not true but he

1456

00:59:01,140 --> 00:58:59,440

is picking up out of the field he's been

1457

00:59:03,390 --> 00:59:01,150

able to get in the field one of the

1458

00:59:05,280 --> 00:59:03,400

better to be able to bypass the noise

1459

00:59:08,250 --> 00:59:05,290

and the left brain get into the field

1460

00:59:09,720 --> 00:59:08,260

and he has a positive view of it but the

1461

00:59:12,030 --> 00:59:09,730

people outside him whether it's the

1462

00:59:13,680 --> 00:59:12,040

government or where this MUFON or people

1463

00:59:15,359 --> 00:59:13,690

he knows everybody's doing their own

1464

00:59:17,400 --> 00:59:15,369

little thing like the same as the church

1465

00:59:19,140 --> 00:59:17,410

they had separation I mean he's dealing

1466

00:59:20,460 --> 00:59:19,150

with the devil and he gots he was a he

1467

00:59:21,960 --> 00:59:20,470

was a deacon in the Pentecostal church

1468

00:59:23,250 --> 00:59:21,970

and they threw him out because you're

1469

00:59:25,079 --> 00:59:23,260

dealing with the devil you are on the

1470

00:59:27,329 --> 00:59:25,089

other side and this is good versus bad

1471

00:59:30,120 --> 00:59:27,339

and what about the people he's healing

1472

00:59:31,200 --> 00:59:30,130

grant are they in separation well sure

1473

00:59:33,210 --> 00:59:31,210

they're in separation everything

1474

00:59:35,160 --> 00:59:33,220

separation but the people come forward

1475

00:59:37,500 --> 00:59:35,170

how is that evening a meaningful term

1476

00:59:38,880 --> 00:59:37,510

anymore grant when you're you went on

1477

00:59:41,400 --> 00:59:38,890

one hand you seem to be making a

1478

00:59:44,250 --> 00:59:41,410

distinction about how these

1479

00:59:45,780 --> 00:59:44,260

evil Pentecostals threw him out because

1480

00:59:48,180 --> 00:59:45,790

they thought it was all satanic and

1481

00:59:50,610 --> 00:59:48,190

their navigation Bible but he has other

1482

00:59:52,500 --> 00:59:50,620

people that he's that he's healing and

1483

00:59:54,860 --> 00:59:52,510

he's doing good I mean you you do

1484

00:59:57,360 --> 00:59:54,870

anyways you're kind of saying it both

1485

00:59:58,500 --> 00:59:57,370

because a person gets healed doesn't

1486

01:00:00,480 --> 00:59:58,510

mean they're a good person or a bad

1487

01:00:06,780 --> 01:00:00,490

person just a person they get healed if

1488

01:00:10,080 --> 01:00:06,790

you go to process the healing processes

1489

01:00:12,630 --> 01:00:10,090

is the Bankston healing method Bankston

1490

01:00:15,090 --> 01:00:12,640

runs the the academy of scientific

1491

01:00:16,560 --> 01:00:15,100

exploration or inspiration I went to

1492

01:00:18,540 --> 01:00:16,570

Chicago to be trained on this healing

1493

01:00:20,790 --> 01:00:18,550

thing and what Bankston says is they do

1494

01:00:22,410 --> 01:00:20,800

this rapid image cycling which we UFO

1495

01:00:25,980 --> 01:00:22,420

experiences report as well it was

1496

01:00:27,810 --> 01:00:25,990

reported in the 1994 school case where

1497

01:00:29,880 --> 01:00:27,820

they see these images and what banks

1498

01:00:32,280 --> 01:00:29,890

that teaches you to do is to flip these

1499

01:00:33,570 --> 01:00:32,290

ego images in your brain you get 20 of

1500

01:00:35,070 --> 01:00:33,580

them you flip them and they teach you

1501

01:00:37,020 --> 01:00:35,080

how to flip these things at a thousand

1502

01:00:39,030 --> 01:00:37,030

or two thousand a second and they teach

1503

01:00:41,250 --> 01:00:39,040

it and what it does is it shuts the left

1504

01:00:43,050 --> 01:00:41,260

brain down because the ego this is how

1505

01:00:43,710 --> 01:00:43,060

it works listen you're laughing but this

1506

01:00:45,840 --> 01:00:43,720

is how it works

1507

01:00:48,180 --> 01:00:45,850

Bankston says nobody is doing the

1508

01:00:50,070 --> 01:00:48,190

healing wood this process what it is is

1509

01:00:52,080 --> 01:00:50,080

to get the healer out of the way and

1510

01:00:54,150 --> 01:00:52,090

once the ego the healer gets out of the

1511

01:00:56,910 --> 01:00:54,160

way the left brain gets shut down then

1512

01:00:58,050 --> 01:00:56,920

the the the the energy flows and the

1513

01:00:59,970 --> 01:00:58,060

healing takes place but it has nothing

1514

01:01:02,280 --> 01:00:59,980

to do with people are good people are

1515

01:01:04,470 --> 01:01:02,290

bad people there are methods of healing

1516

01:01:06,240 --> 01:01:04,480

and it has to do with some people can do

1517

01:01:07,860 --> 01:01:06,250

it and it has to do with getting the

1518

01:01:16,500 --> 01:01:07,870

healer out of the way and allowing the

1519

01:01:17,640 --> 01:01:16,510

energy to come through I don't see what

1520

01:01:20,220 --> 01:01:17,650

you're I don't see what you're trying to

1521

01:01:21,630 --> 01:01:20,230

get out I mean you know like you know

1522

01:01:23,970 --> 01:01:21,640

because he heals somebody then there's a

1523

01:01:25,740 --> 01:01:23,980

bad guy and there's a good guy and it's

1524

01:01:27,240 --> 01:01:25,750

just it's like crazy stuff I mean it's

1525

01:01:30,120 --> 01:01:27,250

like we're into this thing where power

1526

01:01:32,880 --> 01:01:30,130

do you keep saying you keep you keep

1527

01:01:35,550 --> 01:01:32,890

your story suggest that there's an

1528

01:01:38,490 --> 01:01:35,560

element of good to some of these things

1529

01:01:40,170 --> 01:01:38,500

in your story also and then and that you

1530

01:01:41,940 --> 01:01:40,180

have this like think built-in where as

1531

01:01:43,800 --> 01:01:41,950

soon as you say that then when I point

1532

01:01:46,590 --> 01:01:43,810

out that you're kind of saying hey he

1533

01:01:48,030 --> 01:01:46,600

had he sees it as an angelic experient

1534

01:01:50,310 --> 01:01:48,040

he sees it as a positive experience

1535

01:01:52,530 --> 01:01:50,320

that's his report that there is good and

1536

01:01:54,330 --> 01:01:52,540

that he should move towards the light

1537

01:01:56,370 --> 01:01:54,340

and all this then it's like well that's

1538

01:01:59,620 --> 01:01:56,380

just his interpretation

1539

01:02:02,589 --> 01:01:59,630

interpretation everything every is

1540

01:02:06,460 --> 01:02:02,599

everybody's interpretation like you were

1541

01:02:08,049 --> 01:02:06,470

quoting me raise survey right she made a

1542

01:02:10,269 --> 01:02:08,059

big deal out of only nine percent

1543

01:02:12,339 --> 01:02:10,279

thought it was evil that doesn't mean

1544

01:02:15,249 --> 01:02:12,349

anything based on what you're saying if

1545

01:02:17,109 --> 01:02:15,259

you want to go with stats then we then

1546

01:02:18,730 --> 01:02:17,119

let's look at the stats and let's look

1547

01:02:21,519 --> 01:02:18,740

at Jeff Long's

1548

01:02:24,940 --> 01:02:21,529

stats and he says it like in the 90

1549

01:02:27,579 --> 01:02:24,950

percent that people believe from their

1550

01:02:29,920 --> 01:02:27,589

experience directly from experience that

1551
01:02:31,809 --> 01:02:29,930
there is God as we would understand it

1552
01:02:34,569 --> 01:02:31,819
there's a hierarchy of consciousness

1553
01:02:37,390 --> 01:02:34,579
there is a moral imperative that's a 90

1554
01:02:39,700 --> 01:02:37,400
percent or grant so you can say you

1555
01:02:42,730 --> 01:02:39,710
don't believe that's just separation you

1556
01:02:45,299 --> 01:02:42,740
can just shut me down but that's the day

1557
01:02:47,529 --> 01:02:45,309
that we have so you can just say well

1558
01:02:48,730 --> 01:02:47,539
consciousness there's no separate

1559
01:02:50,380 --> 01:02:48,740
there's nothing separate from

1560
01:02:52,890 --> 01:02:50,390
consciousness when you get the data

1561
01:02:55,359 --> 01:02:52,900
suggest otherwise the data suggest other

1562
01:02:57,309 --> 01:02:55,369
body experience you have moved into a

1563
01:02:58,960 --> 01:02:57,319

contact modality the same as you do with

1564

01:03:01,839 --> 01:02:58,970

healing that you've gotten into the

1565

01:03:04,599 --> 01:03:01,849

field yeah but you say great you know

1566

01:03:06,430 --> 01:03:04,609

that we're just looking why were you why

1567

01:03:08,829 --> 01:03:06,440

were you comfortable reporting raised

1568

01:03:13,089 --> 01:03:08,839

data and you want to shout me down when

1569

01:03:15,549 --> 01:03:13,099

I report you Jeff Long's the modern view

1570

01:03:17,349 --> 01:03:15,559

of UFOs is they're evil aliens and when

1571

01:03:18,849 --> 01:03:17,359

you actually talk to the experiences

1572

01:03:21,009 --> 01:03:18,859

which is what I see you have to do

1573

01:03:22,779 --> 01:03:21,019

you've got to talk to the people who are

1574

01:03:24,759 --> 01:03:22,789

interacting with the phenomena and

1575

01:03:26,739 --> 01:03:24,769

listen to what they're saying and that

1576

01:03:28,839 --> 01:03:26,749

when you look at the data the idea that

1577

01:03:31,839 --> 01:03:28,849

there are evil aliens is total nonsense

1578

01:03:35,410 --> 01:03:31,849

we're not arguing that we're arguing

1579

01:03:37,660 --> 01:03:35,420

whether there is anything at all like

1580

01:03:40,120 --> 01:03:37,670

evil do you see there's a difference

1581

01:03:43,630 --> 01:03:40,130

between saying what percentage of the

1582

01:03:48,640 --> 01:03:43,640

aliens are evil and saying is there such

1583

01:03:50,259 --> 01:03:48,650

a thing as evil and whatever to you what

1584

01:03:53,259 --> 01:03:50,269

I'm reporting to you and you haven't

1585

01:03:57,069 --> 01:03:53,269

really directly responded to is Jeff

1586

01:03:59,259 --> 01:03:57,079

long data most recent best-selling New

1587

01:04:00,609 --> 01:03:59,269

York Times best-selling book he's a guy

1588

01:04:03,609 --> 01:04:00,619

who's just following the data

1589

01:04:07,839 --> 01:04:03,619

he says hierarchy of consciousness yes

1590

01:04:09,160 --> 01:04:07,849

god yes moral imperative yes at a super

1591

01:04:13,120 --> 01:04:09,170

high percentage like

1592

01:04:15,880 --> 01:04:13,130

90% so how do you counter that data

1593

01:04:18,130 --> 01:04:15,890

other than just to say no no no I don't

1594

01:04:19,720 --> 01:04:18,140

say no no no I say that when you go into

1595

01:04:22,569 --> 01:04:19,730

an auto body experience and you have

1596

01:04:25,720 --> 01:04:22,579

your your your situation or you have you

1597

01:04:27,730 --> 01:04:25,730

have a the life review when you die in

1598

01:04:30,730 --> 01:04:27,740

the Newton at work which is 35,000

1599

01:04:32,680 --> 01:04:30,740

regressions then it's basically the fact

1600

01:04:34,240 --> 01:04:32,690

that people judge themselves and you

1601
01:04:35,980 --> 01:04:34,250
realize I could have done this better I

1602
01:04:37,510 --> 01:04:35,990
could have done that better and but it

1603
01:04:39,160 --> 01:04:37,520
all still comes down to the belief in

1604
01:04:41,200 --> 01:04:39,170
separation that you when you believe

1605
01:04:43,630 --> 01:04:41,210
that you're separate then you you make

1606
01:04:45,760 --> 01:04:43,640
these you say that that's not jeff

1607
01:04:48,730 --> 01:04:45,770
long's finding jeff long's finding

1608
01:04:51,520 --> 01:04:48,740
doesn't contradict that directly but

1609
01:04:53,980 --> 01:04:51,530
that is not his finding his finding is

1610
01:04:56,470 --> 01:04:53,990
God as we would and that's an

1611
01:04:59,140 --> 01:04:56,480
uncomfortable word but it's the best

1612
01:05:02,460 --> 01:04:59,150
kind of colloquial phrase we can use

1613
01:05:05,289 --> 01:05:02,470

they come back and report hierarchy of

1614

01:05:09,220 --> 01:05:05,299

consciousness beings that they

1615

01:05:11,680 --> 01:05:09,230

understand at the time to be if you will

1616

01:05:13,990 --> 01:05:11,690

somewhat further on the path somewhat

1617

01:05:21,220 --> 01:05:14,000

higher that's the finding grant so you

1618

01:05:23,980 --> 01:05:21,230

can sweep that under the rug inside have

1619

01:05:27,370 --> 01:05:23,990

the different levels of beings that

1620

01:05:29,710 --> 01:05:27,380

based upon their knowledge of separation

1621

01:05:31,270 --> 01:05:29,720

and under and and and oneness and that

1622

01:05:32,650 --> 01:05:31,280

it goes by color so it's the white color

1623

01:05:34,839 --> 01:05:32,660

and it goes up to yellow and then it

1624

01:05:37,569 --> 01:05:34,849

goes to blue and then it goes to to mow

1625

01:05:39,460 --> 01:05:37,579

the colors of the the higher spiritual

1626

01:05:41,950 --> 01:05:39,470

beings yes that's all true but it

1627

01:05:44,200 --> 01:05:41,960

doesn't mean that there are that they

1628

01:05:45,730 --> 01:05:44,210

same came out of somewhere they all went

1629

01:05:47,530 --> 01:05:45,740

through the same process that you and I

1630

01:05:49,750 --> 01:05:47,540

will go through that process and we can

1631

01:05:51,430 --> 01:05:49,760

elevate ourselves in the spiritual world

1632

01:05:53,890 --> 01:05:51,440

but it's all done by one thing

1633

01:05:55,240 --> 01:05:53,900

separation and oneness that if you do

1634

01:05:57,010 --> 01:05:55,250

separation you're going to move down the

1635

01:05:58,180 --> 01:05:57,020

scale and if you do oneness you're gonna

1636

01:06:00,549 --> 01:05:58,190

move up the scale and you're going to

1637

01:06:02,799 --> 01:06:00,559

move towards and the idea of God is just

1638

01:06:05,200 --> 01:06:02,809

a noun it's all consciousness there is

1639

01:06:07,990 --> 01:06:05,210

only one thing call it whatever you want

1640

01:06:09,880 --> 01:06:08,000

it is consciousness I just disagree with

1641

01:06:11,859 --> 01:06:09,890

this names and this is good and bad

1642

01:06:14,440 --> 01:06:11,869

these and that and it's it's all

1643

01:06:15,730 --> 01:06:14,450

manifestations do you see that in in the

1644

01:06:17,500 --> 01:06:15,740

near-death experiences you see that in

1645

01:06:19,220 --> 01:06:17,510

the lucid dreaming where you can

1646

01:06:22,010 --> 01:06:19,230

actually change the scene in the

1647

01:06:24,290 --> 01:06:22,020

dream and the and I go back to where I

1648

01:06:26,900 --> 01:06:24,300

started is when you do if you're gonna

1649

01:06:28,280 --> 01:06:26,910

refer to near-death experiences

1650

01:06:30,560 --> 01:06:28,290

you take the near-death experience and

1651

01:06:32,150 --> 01:06:30,570

you do the oneness you put it in a

1652

01:06:34,400 --> 01:06:32,160

Google search that girl's video will

1653

01:06:37,460 --> 01:06:34,410

come up and she says her impression

1654

01:06:40,430 --> 01:06:37,470

based upon her experience was there are

1655

01:06:42,140 --> 01:06:40,440

no victims there are just volunteers and

1656

01:06:44,060 --> 01:06:42,150

I have talked to people who have had

1657

01:06:46,070 --> 01:06:44,070

that enough question than pathlength I

1658

01:06:47,599 --> 01:06:46,080

are you sure that's what you were told

1659

01:06:50,060 --> 01:06:47,609

and that's what happened you mentioned

1660

01:06:53,120 --> 01:06:50,070

this girl in the in the the whole deal

1661

01:06:55,130 --> 01:06:53,130

with martinis video when she's in the in

1662

01:06:58,310 --> 01:06:55,140

the death camp she says I volunteered

1663

01:07:00,230 --> 01:06:58,320

for that and and and martini looks over

1664

01:07:01,820 --> 01:07:00,240

the camera and he says that is the most

1665

01:07:04,520 --> 01:07:01,830

inappropriate thing I've ever heard and

1666

01:07:06,620 --> 01:07:04,530

that's the whole idea is it random or

1667

01:07:08,510 --> 01:07:06,630

are is this just a big play where we

1668

01:07:09,140 --> 01:07:08,520

come in and you kill me this time and I

1669

01:07:10,970 --> 01:07:09,150

kill you

1670

01:07:12,980 --> 01:07:10,980

that really gets into Newton stuff which

1671

01:07:15,050 --> 01:07:12,990

is really out on the edge that people

1672

01:07:17,210 --> 01:07:15,060

really can't accept the fact that there

1673

01:07:18,500 --> 01:07:17,220

are no there are no victims we like to

1674

01:07:20,359 --> 01:07:18,510

be Jesus we'd like to get up on the

1675

01:07:22,760 --> 01:07:20,369

cross and say oh we're being persecuted

1676

01:07:24,800 --> 01:07:22,770

and my god everybody's against this and

1677

01:07:26,300 --> 01:07:24,810

and and basically we got to get off the

1678

01:07:28,760 --> 01:07:26,310

cross they need the wood I mean it's

1679

01:07:30,590 --> 01:07:28,770

idea that we are victims once you take

1680

01:07:32,210 --> 01:07:30,600

responsibility whatever is happening if

1681

01:07:34,670 --> 01:07:32,220

you take responsibility for the fact

1682

01:07:36,099 --> 01:07:34,680

that you may have encountered you may

1683

01:07:39,170 --> 01:07:36,109

have brought these things into your life

1684

01:07:40,880 --> 01:07:39,180

you will so you will start to advance as

1685

01:07:42,380 --> 01:07:40,890

long as you think you're a victim and

1686

01:07:44,000 --> 01:07:42,390

that you're being abducted or the

1687

01:07:45,650 --> 01:07:44,010

government's after you or whatever you

1688

01:07:47,630 --> 01:07:45,660

are never going to resolve anything you

1689

01:07:50,540 --> 01:07:47,640

have to take responsibility for the fact

1690

01:07:52,580 --> 01:07:50,550

that maybe I put these things in my way

1691

01:07:54,830 --> 01:07:52,590

I put these stones in my path and that

1692

01:07:56,540 --> 01:07:54,840

everything that happens to me is going

1693

01:07:58,940 --> 01:07:56,550

to happen for reason because what you

1694

01:08:00,410 --> 01:07:58,950

basically is happening is we're playing

1695

01:08:02,030 --> 01:08:00,420

a game where we're sitting at the poker

1696

01:08:03,380 --> 01:08:02,040

table and the dealer's they're dealing us

1697

01:08:04,790 --> 01:08:03,390

the cards and we can't take

1698

01:08:06,230 --> 01:08:04,800

responsibility that we got to play the

1699

01:08:07,910 --> 01:08:06,240

cards were dealt we just sit there and

1700

01:08:09,800 --> 01:08:07,920

we whine and complain and we want the

1701

01:08:11,540 --> 01:08:09,810

dealer to keep changing the deck don't

1702

01:08:13,550 --> 01:08:11,550

deal me bad cards just deal me good

1703

01:08:16,340 --> 01:08:13,560

cards we have to play the cards were

1704

01:08:19,579 --> 01:08:16,350

dealt and I say personal responsibility

1705

01:08:21,979 --> 01:08:19,589

I would ever happen to me I agree that I

1706

01:08:23,599 --> 01:08:21,989

put that in my past that I agreed to it

1707

01:08:28,010 --> 01:08:23,609

and I'm going to play it the best way I

1708

01:08:30,110 --> 01:08:28,020

can I almost feel like this is a good

1709

01:08:33,729 --> 01:08:30,120

place to end there's so many points to

1710

01:08:36,320 --> 01:08:33,739

that that I agree with I just can't

1711

01:08:38,930 --> 01:08:36,330

get through to you and the points that I

1712

01:08:42,589 --> 01:08:38,940

guess I I mean we're just slicing the

1713

01:08:45,050 --> 01:08:42,599

same stuff a bunch of different ways I

1714

01:08:47,419 --> 01:08:45,060

don't disagree with personal

1715

01:08:48,829 --> 01:08:47,429

responsibility but you know all those

1716

01:08:51,050 --> 01:08:48,839

colors that you meant you'd say I will I

1717

01:08:54,289 --> 01:08:51,060

can't McCarran says although sometimes

1718

01:08:57,649 --> 01:08:54,299

you mentioned colors are nouns all right

1719

01:09:07,149 --> 01:08:57,659

so that's the white so people will

1720

01:09:11,959 --> 01:09:10,249

but you could give me all the cases and

1721

01:09:15,109 --> 01:09:11,969

I could we don't we don't disagree on

1722

01:09:18,109 --> 01:09:15,119

the cases go screaming there's no

1723

01:09:19,729 --> 01:09:18,119

physical this is not physical it's all

1724

01:09:21,769 --> 01:09:19,739

screen image when my father give you an

1725

01:09:24,890 --> 01:09:21,779

example my father was a very sort of

1726

01:09:28,220 --> 01:09:24,900

skeptical type guy two days before he

1727

01:09:29,660 --> 01:09:28,230

dies his father comes to see him now was

1728

01:09:30,919 --> 01:09:29,670

it his father that came to see him

1729

01:09:32,510 --> 01:09:30,929

because his father would lived a

1730

01:09:34,700 --> 01:09:32,520

thousand different lives and if it was

1731

01:09:36,769 --> 01:09:34,710

his father why did he come as his as my

1732

01:09:38,660 --> 01:09:36,779

grandfather because I had come as

1733

01:09:39,800 --> 01:09:38,670

anything else he wouldn't my father

1734

01:09:41,930 --> 01:09:39,810

wouldn't know who he was it wouldn't

1735

01:09:43,999 --> 01:09:41,940

meant anything he screen imaged he came

1736

01:09:45,979 --> 01:09:44,009

across and I'll give you another example

1737

01:09:48,260 --> 01:09:45,989

sherry Wilder a few there reader she

1738

01:09:49,700 --> 01:09:48,270

goes on board the ship and she says she

1739

01:09:51,680 --> 01:09:49,710

said has at fifteen years old she's on

1740

01:09:53,930 --> 01:09:51,690

board the ship and they bring out Albert

1741

01:09:55,370 --> 01:09:53,940

Einstein Albert Schweitzer and they

1742

01:09:57,200 --> 01:09:55,380

bring out Tesla and they bring out a

1743

01:10:00,169 --> 01:09:57,210

bunch of famous people and of course I

1744

01:10:02,149 --> 01:10:00,179

said to her I said okay you saw these

1745

01:10:04,220 --> 01:10:02,159

people you talk to them and I said okay

1746

01:10:06,050 --> 01:10:04,230

were they physical were they physical

1747

01:10:07,330 --> 01:10:06,060

human and she says I know exactly where

1748

01:10:09,890 --> 01:10:07,340

you're going with it I'll tell you what

1749

01:10:12,169 --> 01:10:09,900

it may have been and it may have been a

1750

01:10:13,879 --> 01:10:12,179

hologram but they sure look real to me

1751

01:10:15,169 --> 01:10:13,889

so that's the question did Albert

1752

01:10:17,330 --> 01:10:15,179

Einstein actually come back into the

1753

01:10:20,359 --> 01:10:17,340

physical body and come on a ship or is

1754

01:10:22,640 --> 01:10:20,369

this all screen imaging it's all early

1755

01:10:24,859 --> 01:10:22,650

stuff in the you learn that in the in

1756

01:10:26,120 --> 01:10:24,869

the the lucid dream stuff when you go in

1757

01:10:27,379 --> 01:10:26,130

there and you can actually change the

1758

01:10:29,209 --> 01:10:27,389

characters you can actually move things

1759

01:10:31,970 --> 01:10:29,219

around and the lucid dream people will

1760

01:10:34,339 --> 01:10:31,980

say it's more real than the real world

1761

01:10:35,689 --> 01:10:34,349

which means this is the dream I know

1762

01:10:37,850 --> 01:10:35,699

I've heard all that stuff too but I've

1763

01:10:40,640 --> 01:10:37,860

also heard of physical manifestations of

1764

01:10:43,729 --> 01:10:40,650

people that are as real as you and me so

1765

01:10:48,440 --> 01:10:43,739

there's all sorts of different okay

1766

01:10:50,870 --> 01:10:48,450

or they just well screen image is a very

1767

01:10:52,790 --> 01:10:50,880

kind of touchy kind of phrase especially

1768

01:10:54,950 --> 01:10:52,800

when we get into this idea that it's all

1769

01:10:57,140 --> 01:10:54,960

consciousness that in somehow we're

1770

01:10:59,150 --> 01:10:57,150

co-creators of a reality that there's an

1771

01:11:01,010 --> 01:10:59,160

you know we started this we never even

1772

01:11:03,380 --> 01:11:01,020

got into it you know I interviewed do

1773

01:11:05,840 --> 01:11:03,390

you know where is virk he has a book

1774

01:11:09,530 --> 01:11:05,850

called the simulation hypothesis yeah

1775

01:11:12,800 --> 01:11:09,540

brilliant guy MIT compute computer game

1776

01:11:18,470 --> 01:11:12,810

lab so he's like a super duper gaming

1777

01:11:20,150 --> 01:11:18,480

guy right you know it's an important

1778

01:11:21,740 --> 01:11:20,160

idea the idea of the of the and that's

1779

01:11:24,560 --> 01:11:21,750

where we're going so when I start in

1780

01:11:26,000 --> 01:11:24,570

2012 this was this was not really talked

1781

01:11:28,010 --> 01:11:26,010

about but now we're talking simulation

1782

01:11:29,090 --> 01:11:28,020

hypotheses we talk about the experiments

1783

01:11:30,620 --> 01:11:29,100

that are done with the kids that played

1784

01:11:31,970 --> 01:11:30,630

the gaming thing where they're in the

1785

01:11:34,100 --> 01:11:31,980

dream and suddenly they're being chased

1786

01:11:36,380 --> 01:11:34,110

by an evil whatever and they go oh

1787

01:11:38,209 --> 01:11:36,390

fantastic and they turn around and they

1788

01:11:40,970 --> 01:11:38,219

shoot them they think this is great and

1789

01:11:42,740 --> 01:11:40,980

it's all--it's it all goes to the thing

1790

01:11:45,080 --> 01:11:42,750

that we're now starting to learn it may

1791

01:11:47,140 --> 01:11:45,090

all be just a giant hologram a giant

1792

01:11:49,790 --> 01:11:47,150

simulation it's all just a game

1793

01:11:51,470 --> 01:11:49,800

simulation of what how do you do with

1794

01:11:53,780 --> 01:11:51,480

the infinite regress the infinite

1795

01:11:56,209 --> 01:11:53,790

regress is when people say it's a

1796

01:11:58,340 --> 01:11:56,219

simulation it's a simulation of what

1797

01:12:00,530 --> 01:11:58,350

what is it simulating is there some

1798

01:12:08,810 --> 01:12:00,540

analogy that it's simulating and is that

1799

01:12:10,520 --> 01:12:08,820

reality I'm saying that's the term

1800

01:12:12,830 --> 01:12:10,530

that's being used now and we're getting

1801

01:12:15,050 --> 01:12:12,840

closer to the idea that it's all just

1802

01:12:17,690 --> 01:12:15,060

early stuff it's all just an illusion

1803

01:12:19,820 --> 01:12:17,700

it's just it's like that the Maya stuff

1804

01:12:21,320 --> 01:12:19,830

it's it's not really physical I get that

1805

01:12:23,959 --> 01:12:21,330

it is my and we've been talking about

1806

01:12:25,850 --> 01:12:23,969

that forever but then why do you tell

1807

01:12:28,340 --> 01:12:25,860

these stories why do I tell these

1808

01:12:31,810 --> 01:12:28,350

stories because they're meaningful to us

1809

01:12:32,930 --> 01:12:31,820

in some way in terms of navigating our

1810

01:12:35,720 --> 01:12:32,940

experience

1811

01:12:36,650 --> 01:12:35,730

you can't just trounce all over

1812

01:12:41,720 --> 01:12:36,660

everybody

1813

01:12:43,850 --> 01:12:41,730

but the story Alex know you don't know

1814

01:12:47,150 --> 01:12:43,860

if your stories and your interpretation

1815

01:12:49,640 --> 01:12:47,160

of it are more valid than somebody

1816

01:12:53,380 --> 01:12:49,650

else's interpretation of it and to

1817

01:12:57,410 --> 01:12:53,390

reduce insisting that you will

1818

01:12:59,360 --> 01:12:57,420

arbitrarily at your given moment reduce

1819

01:13:02,090 --> 01:12:59,370

and everything down to its all

1820

01:13:05,900 --> 01:13:02,100

consciousness and therefore it's all

1821

01:13:08,479 --> 01:13:05,910

separation that loses its meaning it

1822

01:13:11,660 --> 01:13:08,489

takes to the meaning out of out of a lot

1823

01:13:13,490 --> 01:13:11,670

of these stories so I just put it out

1824

01:13:15,439 --> 01:13:13,500

there as a theory which is now starting

1825

01:13:16,280 --> 01:13:15,449

to be validated you can even go back to

1826

01:13:18,200 --> 01:13:16,290

the quantum physics

1827

01:13:19,970 --> 01:13:18,210

nothing gets behind consciousness all

1828

01:13:21,860 --> 01:13:19,980

these quantum physics guys seem to

1829

01:13:24,260 --> 01:13:21,870

realize that back in the day that

1830

01:13:26,419 --> 01:13:24,270

consciousness or John Wheeler it's a

1831

01:13:28,310 --> 01:13:26,429

participatory universe we're starting to

1832

01:13:30,380 --> 01:13:28,320

realize this is going to be the case it

1833

01:13:32,360 --> 01:13:30,390

may not be right but more and more as I

1834

01:13:34,370 --> 01:13:32,370

go along there's more and more evidence

1835

01:13:36,919 --> 01:13:34,380

that validates that theory that it's

1836

01:13:38,689 --> 01:13:36,929

just all a big illusion is all just a

1837

01:13:41,540 --> 01:13:38,699

big thing there is no physical there are

1838

01:13:43,760 --> 01:13:41,550

no nouns it's just us manifesting from

1839

01:13:47,060 --> 01:13:43,770

the one we are all the one final

1840

01:13:48,830 --> 01:13:47,070

question you just use the word us one of

1841

01:13:51,040 --> 01:13:48,840

the problems I have with a lot of people

1842

01:13:55,760 --> 01:13:51,050

who spin this stuff out there is

1843

01:13:59,000 --> 01:13:55,770

invariably our human consciousness works

1844

01:14:01,280 --> 01:13:59,010

its way into the center of the story we

1845

01:14:03,260 --> 01:14:01,290

kind of have this tendency to be kind of

1846

01:14:05,840 --> 01:14:03,270

egocentric about things and it's about

1847

01:14:08,590 --> 01:14:05,850

our consciousness and how we manifest

1848

01:14:11,150 --> 01:14:08,600

and we bring these things into existence

1849

01:14:13,910 --> 01:14:11,160

doesn't that seem a little bit in this

1850

01:14:16,040 --> 01:14:13,920

place in terms of that we have some

1851

01:14:20,120 --> 01:14:16,050

special role to play in this and that

1852

01:14:22,250 --> 01:14:20,130

our consciousness is somehow special in

1853

01:14:24,500 --> 01:14:22,260

some way what do you think let me go

1854

01:14:26,120 --> 01:14:24,510

back to Jill Bolte Taylor she said that

1855

01:14:29,060 --> 01:14:26,130

when she had the left brain hemorrhage

1856

01:14:32,300 --> 01:14:29,070

and when her left brain went offline

1857

01:14:35,240 --> 01:14:32,310

she realized I am NOT an individual that

1858

01:14:35,810 --> 01:14:35,250

is an illusion I am one with the

1859

01:14:39,979 --> 01:14:35,820

universe

1860

01:14:41,689 --> 01:14:39,989

there is just one yeah okay keep going

1861

01:14:43,430 --> 01:14:41,699

will you keep using the term us do you

1862

01:14:46,750 --> 01:14:43,440

believe oh I get a real specific

1863

01:14:51,650 --> 01:14:46,760

question do you believe that our

1864

01:14:55,580 --> 01:14:51,660

manifestation of consciousness is

1865

01:15:00,020 --> 01:14:55,590

somehow special unique different then

1866

01:15:03,979 --> 01:15:00,030

let's say let's hypothesize about two

1867

01:15:09,580 --> 01:15:03,989

other beings let's hypothesize about an

1868

01:15:11,419 --> 01:15:09,590

ET a visitor of a physical biological

1869

01:15:13,669 --> 01:15:11,429

visitor

1870

01:15:15,770 --> 01:15:13,679

another planet one of the questions I

1871

01:15:19,490 --> 01:15:15,780

always pose to people is what do you

1872

01:15:23,330 --> 01:15:19,500

think ET sees in its life review so my

1873

01:15:28,540 --> 01:15:23,340

question is the consciousness experience

1874

01:15:32,570 --> 01:15:28,550

that ET is manifesting how is that

1875

01:15:35,479 --> 01:15:32,580

different similar better worse than ours

1876

01:15:38,570 --> 01:15:35,489

and then the other example I'd say is a

1877

01:15:40,399 --> 01:15:38,580

spirit entity we have after death

1878

01:15:43,070 --> 01:15:40,409

communication people are connecting with

1879

01:15:46,250 --> 01:15:43,080

spirits same question for that what is

1880

01:15:47,959 --> 01:15:46,260

their experience in terms of manifesting

1881

01:15:49,550 --> 01:15:47,969

conscious and you can't just say it's

1882

01:15:51,530 --> 01:15:49,560

all one it's all the same there's no

1883

01:15:53,090 --> 01:15:51,540

separation it's all just one because

1884

01:15:55,490 --> 01:15:53,100

there's three different things there's

1885

01:15:57,770 --> 01:15:55,500

me there's ET and there's a spirit

1886

01:16:00,530 --> 01:15:57,780

there's no nouns there's just one thing

1887

01:16:02,270 --> 01:16:00,540

so you have ETS that are masquerading as

1888

01:16:04,280 --> 01:16:02,280

ETS you have spirit guides that are

1889

01:16:06,800 --> 01:16:04,290
masquerading as they're there in they

1890

01:16:07,970 --> 01:16:06,810
they have their one with us there's no

1891

01:16:10,580 --> 01:16:07,980
separation there one with us they're

1892

01:16:12,169 --> 01:16:10,590
higher they're higher beings that have

1893

01:16:13,610 --> 01:16:12,179
separated we've all separated we've come

1894

01:16:16,640 --> 01:16:13,620
across the river of forgetfulness and

1895

01:16:18,709 --> 01:16:16,650
when you talk about the the beings I

1896

01:16:20,030 --> 01:16:18,719
believe they're higher understanding

1897

01:16:21,500 --> 01:16:20,040
they understand oneness that's the

1898

01:16:23,810 --> 01:16:21,510
number one message that's given to

1899

01:16:25,550 --> 01:16:23,820
experiencers you cannot get off the

1900

01:16:27,020 --> 01:16:25,560
planet unless you understand its oneness

1901

01:16:29,510 --> 01:16:27,030

that was the question that was asked by

1902

01:16:30,830 --> 01:16:29,520

John Hudson to Ben rich from Lockheed

1903

01:16:33,709 --> 01:16:30,840

skunkworks he said how do they get here

1904

01:16:35,540 --> 01:16:33,719

how does it work and Ben rich said what

1905

01:16:36,500 --> 01:16:35,550

do you know about ESP and he said means

1906

01:16:38,660 --> 01:16:36,510

everything in time and space is

1907

01:16:40,370 --> 01:16:38,670

connected said that's all works there is

1908

01:16:42,860 --> 01:16:40,380

no time there is no space there is no

1909

01:16:43,939 --> 01:16:42,870

physical universe it's all one thing and

1910

01:16:45,410 --> 01:16:43,949

when you realize you're going to get off

1911

01:16:47,750 --> 01:16:45,420

the planet as long as you believe

1912

01:16:50,660 --> 01:16:47,760

there's separation and there's them and

1913

01:16:52,899 --> 01:16:50,670

us we aren't going anywhere so it's all

1914

01:16:55,370 --> 01:16:52,909

the same thing it's just a different

1915

01:16:57,229 --> 01:16:55,380

different element it's just a different

1916

01:17:00,410 --> 01:16:57,239

spirit and that's why I'm writing the

1917

01:17:02,180 --> 01:17:00,420

book ET or maybe not why are you writing

1918

01:17:03,470 --> 01:17:02,190

the book if it's all the same it's all

1919

01:17:05,270 --> 01:17:03,480

because I used to believe that there was

1920

01:17:06,979 --> 01:17:05,280

actual ETS that were coming from other

1921

01:17:07,550 --> 01:17:06,989

planets and and the more you look at it

1922

01:17:09,530 --> 01:17:07,560

you Mogo

1923

01:17:12,050 --> 01:17:09,540

know this looks like spirits this looks

1924

01:17:14,360 --> 01:17:12,060

like not to me no it looks like et's

1925

01:17:16,760 --> 01:17:14,370

from other planets and spirits and

1926

01:17:18,050 --> 01:17:16,770

shamanic journeying and all that other

1927

01:17:21,260 --> 01:17:18,060

stuff and they all came out of the one

1928

01:17:22,640 --> 01:17:21,270

they all came out of the one why are you

1929

01:17:24,510 --> 01:17:22,650

writing the book are you writing the

1930

01:17:26,150 --> 01:17:24,520

book because I

1931

01:17:28,350 --> 01:17:26,160

I'm gonna say it's all it's all one

1932

01:17:30,150 --> 01:17:28,360

grant grant has all the contact

1933

01:17:32,670 --> 01:17:30,160

modalities but it's all one it's all

1934

01:17:34,930 --> 01:17:32,680

about consciousness all those reports

1935

01:17:38,360 --> 01:17:34,940

are a waste of time

1936

01:17:48,720 --> 01:17:40,860

all the material leads us back to the

1937

01:17:50,130 --> 01:17:48,730

fact that it's all one if you look at

1938

01:17:51,720 --> 01:17:50,140

the free services so many people say I

1939

01:17:53,430 --> 01:17:51,730

was an alien last time there's a bunch

1940

01:18:10,320 --> 01:17:53,440

of people John Denver believed he was an

1941

01:18:12,540 --> 01:18:10,330

alien it's all one it doesn't matter I

1942

01:18:14,220 --> 01:18:12,550

don't say it doesn't matter I just say

1943

01:18:15,270 --> 01:18:14,230

it it's all what you're the one that's

1944

01:18:17,010 --> 01:18:15,280

putting the nouns the saying this

1945

01:18:21,750 --> 01:18:17,020

matters this is important this is it's

1946

01:18:23,760 --> 01:18:21,760

not how does it matter because I have a

1947

01:18:24,990 --> 01:18:23,770

path that has to take and I'm trying to

1948

01:18:26,460 --> 01:18:25,000

figure out what's the path I'm supposed

1949

01:18:28,260 --> 01:18:26,470

to take what I'm supposed to do and it

1950

01:18:30,570 --> 01:18:28,270

comes down to there is no time there is

1951

01:18:32,940 --> 01:18:30,580

no space living in the moment live live

1952

01:18:37,050 --> 01:18:32,950

how do you do how could what you do

1953

01:18:39,630 --> 01:18:37,060

possibly matter it's all good it's all

1954

01:18:42,330 --> 01:18:39,640

what yeah but you you could what you do

1955

01:18:44,580 --> 01:18:42,340

possibly matter how can doing anything

1956

01:18:46,320 --> 01:18:44,590

make a difference because it will

1957

01:18:48,780 --> 01:18:46,330

influence other people other people will

1958

01:18:50,610 --> 01:18:48,790

say oh I understand other people do

1959

01:18:53,750 --> 01:18:50,620

something different how does that make a

1960

01:18:56,280 --> 01:18:53,760

difference it's a it's a learning the

1961

01:18:58,260 --> 01:18:56,290

light is learning there's no learning

1962

01:19:00,510 --> 01:18:58,270

you just you come in here the enjoying

1963

01:19:03,030 --> 01:19:00,520

me you come me everybody gotta file this

1964

01:19:04,380 --> 01:19:03,040

time you're the evil alien X's you're

1965

01:19:06,090 --> 01:19:04,390

gonna learn doesn't make any difference

1966

01:19:07,830 --> 01:19:06,100

what do you mean learn what do you mean

1967

01:19:10,860 --> 01:19:07,840

learn you're in a diverse and crime

1968

01:19:12,800 --> 01:19:10,870

they're standing in empathy your per our

1969

01:19:16,140 --> 01:19:12,810

understanding and empathy good

1970

01:19:18,090 --> 01:19:16,150

absolutely because you're good you're

1971

01:19:21,180 --> 01:19:18,100

saying okay standing and empathy are

1972

01:19:22,800 --> 01:19:21,190

good something is good we want to move

1973

01:19:24,570 --> 01:19:22,810

towards something that's good right

1974

01:19:26,640 --> 01:19:24,580

exactly exactly

1975

01:19:28,800 --> 01:19:26,650

great so you use it's a process of

1976

01:19:30,720 --> 01:19:28,810

learning of me understanding how does

1977

01:19:32,400 --> 01:19:30,730

this work and what's my role and then

1978

01:19:34,920 --> 01:19:32,410

when I saw Michael Newton and I saw that

1979

01:19:37,350 --> 01:19:34,930

he influenced me I realized like oh this

1980

01:19:38,130 --> 01:19:37,360

makes sense that there is this this this

1981

01:19:39,630 --> 01:19:38,140

path

1982

01:19:41,430 --> 01:19:39,640

and that you take responsibility for

1983

01:19:44,130 --> 01:19:41,440

stuff you live in the present moment and

1984

01:19:46,860 --> 01:19:44,140

you live you live for others rather than

1985

01:19:48,210 --> 01:19:46,870

for self and that's basically with what

1986

01:19:50,430 --> 01:19:48,220

I come down to and I took personal

1987

01:19:55,050 --> 01:19:50,440

responsibility I don't try to blame the

1988

01:19:56,220 --> 01:19:55,060

Russians of the Jews because you realize

1989

01:19:57,750 --> 01:19:56,230

this kind of goes against what you're

1990

01:19:58,860 --> 01:19:57,760

saying earlier but that's okay I get it

1991

01:20:00,900 --> 01:19:58,870

because I think that's where your heart

1992

01:20:04,290 --> 01:20:00,910

really has at and that's where my heart

1993

01:20:06,120 --> 01:20:04,300

is at is we have to try and do we have

1994

01:20:08,370 --> 01:20:06,130

to try and do the right thing there is a

1995

01:20:11,970 --> 01:20:08,380

moral imperative there is a reality to

1996

01:20:17,790 --> 01:20:13,980

and there's the opposite of that too so

1997

01:20:20,160 --> 01:20:17,800

we should resist it with our choice with

1998

01:20:24,930 --> 01:20:20,170

our consciousness we should resist doing

1999

01:20:26,880 --> 01:20:24,940

things that move us away from that okay

2000

01:20:28,950 --> 01:20:26,890

I agree with you but when it comes to

2001

01:20:31,320 --> 01:20:28,960

other people you have to have and that

2002

01:20:33,750 --> 01:20:31,330

the that was the lesson it was turned to

2003

01:20:35,220 --> 01:20:33,760

me about the homeless I was at 500 per

2004

01:20:36,240 --> 01:20:35,230

person homeless shelter and the first

2005

01:20:40,080 --> 01:20:36,250

lesson they teach you is take a look

2006

01:20:41,400 --> 01:20:40,090

around nobody planned to be here but

2007

01:20:42,840 --> 01:20:41,410

will you say oh they're bad guys what

2008

01:20:44,610 --> 01:20:42,850

does he just go and stop drinking and

2009

01:20:46,500 --> 01:20:44,620

get a job and we don't have the empathy

2010

01:20:48,600 --> 01:20:46,510

wherever they're standing that there but

2011

01:20:49,950 --> 01:20:48,610

for the grace of God go i and that if I

2012

01:20:51,660 --> 01:20:49,960

was in their shoes and walked around

2013

01:20:52,770 --> 01:20:51,670

then maybe I'd understand maybe why

2014

01:20:54,450 --> 01:20:52,780

they're doing what they're doing

2015

01:20:56,490 --> 01:20:54,460

that's all I'm saying I totally get that

2016

01:20:59,340 --> 01:20:56,500

on one level one on another level you

2017

01:21:01,680 --> 01:20:59,350

know political debates I think I think

2018

01:21:03,390 --> 01:21:01,690

in a lot of ways and this is part of the

2019

01:21:07,440 --> 01:21:03,400

problem with this ongoing dialogue that

2020

01:21:10,650 --> 01:21:07,450

we're having political debates divide us

2021

01:21:14,790 --> 01:21:10,660

in a way that really does create the

2022

01:21:18,150 --> 01:21:14,800

separation to use your words because to

2023

01:21:21,090 --> 01:21:18,160

suggest that you know one political

2024

01:21:26,400 --> 01:21:21,100

point of view or one economic point of

2025

01:21:28,560 --> 01:21:26,410

view is inherently better than another I

2026

01:21:32,070 --> 01:21:28,570

think we have just too many examples

2027

01:21:35,700 --> 01:21:32,080

where it's really I just go back to what

2028

01:21:38,580 --> 01:21:35,710

you said it's in our heart already to

2029

01:21:41,340 --> 01:21:38,590

know what is right it's not that

2030

01:21:43,920 --> 01:21:41,350

complicated and we should try and do

2031

01:21:46,830 --> 01:21:43,930

what's right and it probably will wind

2032

01:21:49,320 --> 01:21:46,840

up being a pretty good decision to make

2033

01:21:50,570 --> 01:21:49,330

in the grand scheme of things that's do

2034

01:21:56,300 --> 01:21:50,580

what thou

2035

01:21:58,610 --> 01:21:56,310

wilt not a good strategy let me make one

2036

01:22:00,170 --> 01:21:58,620

final point on oneness you are the

2037

01:22:01,310 --> 01:22:00,180

United States of America the most

2038

01:22:02,780 --> 01:22:01,320

powerful country in the world because

2039

01:22:04,490 --> 01:22:02,790

it's the United States of America and

2040

01:22:05,960 --> 01:22:04,500

you now have separation you have half

2041

01:22:07,220 --> 01:22:05,970

the people believe one thing half the

2042

01:22:08,720 --> 01:22:07,230

people believe the other thing and

2043

01:22:10,130 --> 01:22:08,730

there's actually people posting friends

2044

01:22:11,390 --> 01:22:10,140

of mine went and posted and said we

2045

01:22:13,190 --> 01:22:11,400

should actually take these people up and

2046

01:22:16,460 --> 01:22:13,200

line them up and shoot them so now you

2047

01:22:18,320 --> 01:22:16,470

have a separation understanding where

2048

01:22:20,030 --> 01:22:18,330

it's one American versus another

2049

01:22:21,170 --> 01:22:20,040

American and when you get separation

2050

01:22:22,700 --> 01:22:21,180

you're going to get division you're

2051

01:22:24,380 --> 01:22:22,710

gonna get killing and it's going to go

2052

01:22:25,910 --> 01:22:24,390

downhill and the United States of

2053

01:22:27,770 --> 01:22:25,920

America was the most powerful country

2054

01:22:30,110 --> 01:22:27,780

and they like to the world because they

2055

01:22:33,350 --> 01:22:30,120

believed they were one they were all the

2056

01:22:35,120 --> 01:22:33,360

same all created under God what point in

2057

01:22:38,450 --> 01:22:35,130

history are you pointing to because the

2058

01:22:41,450 --> 01:22:38,460

more I read about and study my American

2059

01:22:43,840 --> 01:22:41,460

history the more I I don't see this

2060

01:22:46,910 --> 01:22:43,850

golden era that you're talking about

2061

01:22:48,530 --> 01:22:46,920

well the fact that you had a situation

2062

01:22:51,320 --> 01:22:48,540

where you in Congress you could actually

2063

01:22:53,090 --> 01:22:51,330

pass a bill in the house you've got 250

2064

01:22:55,220 --> 01:22:53,100

bills that don't even pass that you have

2065

01:22:57,410 --> 01:22:55,230

this total decay period what period are

2066

01:22:59,600 --> 01:22:57,420

you talking about is in the last year

2067

01:23:01,580 --> 01:22:59,610

where you can put what period in the

2068

01:23:05,420 --> 01:23:01,590

past are you talking about where there

2069

01:23:08,320 --> 01:23:05,430

was this golden age where democracy and

2070

01:23:10,940 --> 01:23:08,330

freedom reigned and there wasn't

2071

01:23:12,200 --> 01:23:10,950

corruption and well there's always going

2072

01:23:13,370 --> 01:23:12,210

to be corruption but twenty years ago

2073

01:23:17,380 --> 01:23:13,380

you could actually pass a bill now you

2074

01:23:21,200 --> 01:23:19,340

twenty years ago where people were

2075

01:23:22,340 --> 01:23:21,210

saying there's fifty percent we're

2076

01:23:23,660 --> 01:23:22,350

saying we should kill the other fifty

2077

01:23:25,370 --> 01:23:23,670

percent was you know at this kind of

2078

01:23:28,130 --> 01:23:25,380

stuff this is new once you get

2079

01:23:31,670 --> 01:23:28,140

separation 9/11 was an orchestrated

2080

01:23:34,250 --> 01:23:31,680

event that was designed to destroy the

2081

01:23:36,890 --> 01:23:34,260

fourth amendment which it did it's never

2082

01:23:39,290 --> 01:23:36,900

been restored a lot of people think it

2083

01:23:41,720 --> 01:23:39,300

was also designed to kind of cramp down

2084

01:23:43,460 --> 01:23:41,730

on the First Amendment and the Second

2085

01:23:44,270 --> 01:23:43,470

Amendment which it seems to be heading

2086

01:23:46,850 --> 01:23:44,280

in that direction

2087

01:23:54,050 --> 01:23:46,860

that's what happened twenty years ago so

2088

01:23:58,790 --> 01:23:54,060

twenty years ago is a is a glory day no

2089

01:24:00,980 --> 01:23:58,800

you said twenty years ago so differenc

2090

01:24:03,530 --> 01:24:00,990

at no time am i saying it's perfect I'm

2091

01:24:03,830 --> 01:24:03,540

saying it is better before than it is

2092

01:24:05,510 --> 01:24:03,840

now

2093

01:24:07,070 --> 01:24:05,520

because at no point did you have a

2094

01:24:09,890 --> 01:24:07,080

situation where somebody can stand up

2095

01:24:11,750 --> 01:24:09,900

and make a speech and every and 50% of

2096

01:24:13,669 --> 01:24:11,760

people will see one speech and the other

2097

01:24:16,070 --> 01:24:13,679

50% of people will see completely

2098

01:24:18,320 --> 01:24:16,080

different viewpoint is completely

2099

01:24:19,160 --> 01:24:18,330

divided and the more it divides the more

2100

01:24:20,810 --> 01:24:19,170

you're going to get into a situation

2101

01:24:23,689 --> 01:24:20,820

where you can have civil war and you can

2102

01:24:27,919 --> 01:24:23,699

have Americans fighting Americans if you

2103

01:24:29,870 --> 01:24:27,929

were playing the chessboard and don't

2104

01:24:32,120 --> 01:24:29,880

you dare use separation in your answer

2105

01:24:34,000 --> 01:24:32,130

to this if you were you if you were

2106

01:24:36,919 --> 01:24:34,010

playing the chessboard and you were

2107

01:24:38,750 --> 01:24:36,929

trying to win right because you thought

2108

01:24:43,070 --> 01:24:38,760

winning and you thought winning meant

2109

01:24:51,260 --> 01:24:43,080

controlling the herd then might you not

2110

01:24:54,109 --> 01:24:51,270

see an advantage in divisive nacelle

2111

01:24:57,020 --> 01:24:54,119

fear yourselves it makes money we clean

2112

01:24:58,490 --> 01:24:57,030

the stock market every 12 years the big

2113

01:25:00,620 --> 01:24:58,500

guys go take the money off the board and

2114

01:25:03,589 --> 01:25:00,630

then buy stuff back as 30% on the dollar

2115

01:25:05,419 --> 01:25:03,599

yeah separation and division sell it

2116

01:25:08,300 --> 01:25:05,429

makes lots of money I will agree with

2117

01:25:11,149 --> 01:25:08,310

that and I would say that it's not

2118

01:25:13,129 --> 01:25:11,159

really about the I mean ultimately it

2119

01:25:16,700 --> 01:25:13,139

can be about the money but it's also

2120

01:25:20,240 --> 01:25:16,710

about the herd it's about the control

2121

01:25:22,850 --> 01:25:20,250

your it when people are afraid when

2122

01:25:25,609 --> 01:25:22,860

people feel isolated when people feel

2123

01:25:30,020 --> 01:25:25,619

I'll use the word separation they are

2124

01:25:32,180 --> 01:25:30,030

much easier to control people that are

2125

01:25:34,370 --> 01:25:32,190

doing the controlling believe in

2126

01:25:36,589 --> 01:25:34,380

separation they believe that I am here

2127

01:25:38,300 --> 01:25:36,599

and you are just an object that I am

2128

01:25:40,310 --> 01:25:38,310

going to use whether you're a child

2129

01:25:43,040 --> 01:25:40,320

whether you're a person's money whatever

2130

01:25:44,629 --> 01:25:43,050

I am the guy you are just an object when

2131

01:25:46,220 --> 01:25:44,639

you suddenly realize that the people

2132

01:25:47,419 --> 01:25:46,230

that you are taking their money they're

2133

01:25:50,479 --> 01:25:47,429

doing whatever you're paying to them

2134

01:25:52,339 --> 01:25:50,489

when you realize that is me that's when

2135

01:25:54,080 --> 01:25:52,349

you suddenly realize that you've got to

2136

01:25:57,439 --> 01:25:54,090

stop doing it because we are all the

2137

01:25:58,879 --> 01:25:57,449

same person as long as we believe this I

2138

01:26:01,520 --> 01:25:58,889

agree with you I just don't think that

2139

01:26:04,370 --> 01:26:01,530

that map's quite as directly onto the

2140

01:26:08,120 --> 01:26:04,380

political process as you do that notion

2141

01:26:11,120 --> 01:26:08,130

that there is a political solution to

2142

01:26:14,570 --> 01:26:11,130

this or that there's a group that's a

2143

01:26:16,459 --> 01:26:14,580

party that somehow there isn't separate

2144

01:26:17,450 --> 01:26:16,469

from that no there isn't because they're

2145

01:26:19,250 --> 01:26:17,460

all doing the eagle

2146

01:26:21,200 --> 01:26:19,260

thing they're saying I there's a problem

2147

01:26:23,000 --> 01:26:21,210

and I'm the good Messiah who's gonna

2148

01:26:24,830 --> 01:26:23,010

save the thing that's not how it works

2149

01:26:27,260 --> 01:26:24,840

it's good nothing to it politics it's

2150

01:26:30,260 --> 01:26:27,270

just another division game well I think

2151

01:26:32,750 --> 01:26:30,270

the Jeffrey Epstein case has so much

2152

01:26:35,180 --> 01:26:32,760

more to say to this and if you really

2153

01:26:37,190 --> 01:26:35,190

look at Brown stoning and sexual

2154

01:26:40,340 --> 01:26:37,200

blackmail and you know you really start

2155

01:26:43,370 --> 01:26:40,350

tracing it back and you go oh wow gray :

2156

01:26:45,440 --> 01:26:43,380

oh wow back in the 80s oh wow there it

2157

01:26:46,850 --> 01:26:45,450

it pops up back in the 60s oh I just

2158

01:26:48,800 --> 01:26:46,860

listened to a guy who wrote an excellent

2159

01:26:50,840 --> 01:26:48,810

book about Watergate that's ultimately

2160

01:26:53,330 --> 01:26:50,850

what Watergate was about I'm Adam

2161

01:26:55,940 --> 01:26:53,340

another DC madam who had a little black

2162

01:26:58,460 --> 01:26:55,950

book and was sexually blackmail this is

2163

01:27:01,460 --> 01:26:58,470

an ongoing game I just interviewed John

2164

01:27:04,580 --> 01:27:01,470

Brisson about the finders cult if no

2165

01:27:06,860 --> 01:27:04,590

one's ever heard about that again if

2166

01:27:09,800 --> 01:27:06,870

you're in if you're in intelligence if

2167

01:27:12,890 --> 01:27:09,810

you're in and one of the alphabet letter

2168

01:27:16,430 --> 01:27:12,900

intelligence organizations and you have

2169

01:27:17,960 --> 01:27:16,440

are tasked with kind of infiltrating and

2170

01:27:20,000 --> 01:27:17,970

winning against some foreign government

2171

01:27:21,710 --> 01:27:20,010

well you can do a bunch of other stuff

2172

01:27:24,290 --> 01:27:21,720

but when somebody goes you know that

2173

01:27:26,600 --> 01:27:24,300

guy's into eight-year-old boys and I can

2174

01:27:28,250 --> 01:27:26,610

procure for you thirty year old boy and

2175

01:27:30,140 --> 01:27:28,260

get him in this hotel room we can

2176

01:27:32,000 --> 01:27:30,150

videotape the whole thing and we got

2177

01:27:35,000 --> 01:27:32,010

that [h__h] we got him for life

2178

01:27:38,480 --> 01:27:35,010

now even if you're a stand-up guy in the

2179

01:27:40,070 --> 01:27:38,490

CIA that is SuperDuper tempting because

2180

01:27:43,580 --> 01:27:40,080

you're like you know we've been trying

2181

01:27:46,340 --> 01:27:43,590

to crack the code with Egypt for twenty

2182

01:27:50,510 --> 01:27:46,350

years and we can't do it but if I just

2183

01:27:52,400 --> 01:27:50,520

do this one evil deed and I just further

2184

01:27:56,270 --> 01:27:52,410

destroy the life of this eight-year-old

2185

01:27:59,200 --> 01:27:56,280

boy I can in this you know balancing act

2186

01:28:02,230 --> 01:27:59,210

I can accomplish all these good things

2187

01:28:05,870 --> 01:28:02,240

against these people kind of thing so I

2188

01:28:08,750 --> 01:28:05,880

just I don't have the same lens that you

2189

01:28:13,340 --> 01:28:08,760

do on politics I think politics is

2190

01:28:16,460 --> 01:28:13,350

always a dirty win at all cost game and

2191

01:28:18,470 --> 01:28:16,470

I think the only way out is to be

2192

01:28:19,510 --> 01:28:18,480

completely out of it and to be

2193

01:28:22,070 --> 01:28:19,520

completely

2194

01:28:24,410 --> 01:28:22,080

apolitical and I think it comes down to

2195

01:28:25,880 --> 01:28:24,420

compassion all the things that you care

2196

01:28:27,910 --> 01:28:25,890

about I care about

2197

01:28:30,320 --> 01:28:27,920

we both resonated with the Dalai Lama

2198

01:28:31,129 --> 01:28:30,330

story of the monk who comes back and

2199

01:28:35,179 --> 01:28:31,139

says

2200

01:28:39,589 --> 01:28:35,189

lost at all I almost lost the ability to

2201
01:28:41,000 --> 01:28:39,599
see my worst enemy as just another part

2202
01:28:44,500 --> 01:28:41,010
of me which is what you've been saying

2203
01:28:47,719 --> 01:28:44,510
all yeah and and so when it gets too

2204
01:28:49,850 --> 01:28:47,729
political or sexual thing it's it always

2205
01:28:52,639 --> 01:28:49,860
comes down to this person is separate

2206
01:28:55,759 --> 01:28:52,649
from me they are an object I need to use

2207
01:28:57,319 --> 01:28:55,769
this object in order to benefit me or as

2208
01:28:59,689 --> 01:28:57,329
I think I'm going to do something good

2209
01:29:02,089 --> 01:28:59,699
by doing this once you see a person or a

2210
01:29:04,669 --> 01:29:02,099
thing as an object it is there to be

2211
01:29:07,129 --> 01:29:04,679
used and to be benefited by and you

2212
01:29:08,750 --> 01:29:07,139
relief lose the idea that everything is

2213
01:29:11,089 --> 01:29:08,760

conscious everything is sentient

2214

01:29:12,799 --> 01:29:11,099

everything is God and once once you

2215

01:29:15,500 --> 01:29:12,809

realize that you stop doing all this

2216

01:29:17,719 --> 01:29:15,510

crazy stuff two things that we believe

2217

01:29:20,509 --> 01:29:17,729

are just objects it's just an object to

2218

01:29:22,729 --> 01:29:20,519

sit the person it's just a bad guy from

2219

01:29:24,319 --> 01:29:22,739

another country it's just an oppressor

2220

01:29:26,659 --> 01:29:24,329

or whatever once you can make that

2221

01:29:32,259 --> 01:29:26,669

separation then you can do all manner of

2222

01:29:34,459 --> 01:29:32,269

evil our guest again has been ever so

2223

01:29:36,649 --> 01:29:34,469

magnificent grant camera and I hope

2224

01:29:40,279 --> 01:29:36,659

you've enjoyed this conversation the

2225

01:29:42,350 --> 01:29:40,289

give-and-take which you can only get

2226
01:29:44,569 --> 01:29:42,360
into with people that you really respect

2227
01:29:46,279 --> 01:29:44,579
at this level and you admire this level

2228
01:29:49,040 --> 01:29:46,289
grant in the time that we have left

2229
01:29:50,929 --> 01:29:49,050
please tell people how to stay in touch

2230
01:29:52,669 --> 01:29:50,939
with your work and what's coming up when

2231
01:29:55,040 --> 01:29:52,679
are these books coming out apparently

2232
01:29:57,589 --> 01:29:55,050
you said the contact modality book is

2233
01:30:02,000 --> 01:29:57,599
coming out right now what about the

2234
01:30:04,040 --> 01:30:02,010
airport book we didn't talk about i've

2235
01:30:06,560 --> 01:30:04,050
got about maybe six books that are sort

2236
01:30:08,359 --> 01:30:06,570
of in editing i'm not really into that

2237
01:30:10,639 --> 01:30:08,369
part of the thing i'm more into the

2238
01:30:12,319 --> 01:30:10,649

discovery so i know into physical

2239

01:30:15,469 --> 01:30:12,329

mediums people who are able to bring

2240

01:30:18,049 --> 01:30:15,479

Louie Armstrong into a room and play and

2241

01:30:20,330 --> 01:30:18,059

produce our ports and stuff like that so

2242

01:30:22,189 --> 01:30:20,340

I'm still the research guy most of my

2243

01:30:24,709 --> 01:30:22,199

stuff will be on my white house UFO

2244

01:30:26,149 --> 01:30:24,719

YouTube channel where I put a lot of

2245

01:30:28,040 --> 01:30:26,159

interviews that I do with people who I

2246

01:30:30,409 --> 01:30:28,050

think have an interesting story to tell

2247

01:30:32,540 --> 01:30:30,419

that sort of that goes into this kind of

2248

01:30:34,219 --> 01:30:32,550

stuff I'm doing a book on Mount Shasta

2249

01:30:36,109 --> 01:30:34,229

which is an experience when I was at

2250

01:30:38,449 --> 01:30:36,119

Mount Shasta where they had this being

2251

01:30:39,739 --> 01:30:38,459

appear there the mission Rama people if

2252

01:30:41,359 --> 01:30:39,749

you know that whole story I was there

2253

01:30:43,969 --> 01:30:41,369

when this happened I documented the

2254

01:30:44,870 --> 01:30:43,979

whole weekend in a book and the aport

2255

01:30:46,280 --> 01:30:44,880

book is

2256

01:30:48,229 --> 01:30:46,290

streaming important to manifestation and

2257

01:30:50,030 --> 01:30:48,239

a port but again they're all lined up

2258

01:30:51,620 --> 01:30:50,040

and if they get published to get

2259

01:30:53,030 --> 01:30:51,630

published if they don't they don't I'm

2260

01:30:55,729 --> 01:30:53,040

really not that concerned I'm more

2261

01:30:57,050 --> 01:30:55,739

interested in chasing down what I think

2262

01:30:59,390 --> 01:30:57,060

are very interesting people who have

2263

01:31:01,669 --> 01:30:59,400

stories and my main thing now is the

2264

01:31:03,830 --> 01:31:01,679

link between the spiritual world and the

2265

01:31:05,990 --> 01:31:03,840

UFO world which is going to be detailed

2266

01:31:08,360 --> 01:31:06,000

in this book extraterrestrial or maybe

2267

01:31:11,090 --> 01:31:08,370

not I look at the all the problems with

2268

01:31:12,830 --> 01:31:11,100

the extra-terrestrial theory you know

2269

01:31:14,390 --> 01:31:12,840

when I hear you talk like this I wonder

2270

01:31:16,220 --> 01:31:14,400

how we even managed to disagree on

2271

01:31:17,990 --> 01:31:16,230

everything I'm so in line with all your

2272

01:31:20,149 --> 01:31:18,000

fabulous work and everything that you're

2273

01:31:24,410 --> 01:31:20,159

doing and ultimately we are of the same

2274

01:31:25,879 --> 01:31:24,420

heart and I think this discussion will

2275

01:31:27,200 --> 01:31:25,889

help I think this is what people need to

2276

01:31:28,939 --> 01:31:27,210

hear even though it may sound a little

2277

01:31:30,709 --> 01:31:28,949

controversial ten years from now I don't

2278

01:31:32,899 --> 01:31:30,719

think it'll be as controversial as now

2279

01:31:34,910 --> 01:31:32,909

because people are just starting to get

2280

01:31:36,379 --> 01:31:34,920

into this and you and I and I say this

2281

01:31:38,959 --> 01:31:36,389

to the people in the UFO community I

2282

01:31:40,640 --> 01:31:38,969

have a new assistant sinead well ahem

2283

01:31:42,500 --> 01:31:40,650

who's joined me and she just had her

2284

01:31:44,330 --> 01:31:42,510

awakening about six eight months ago and

2285

01:31:46,399 --> 01:31:44,340

I keep telling her she need you got to

2286

01:31:48,560 --> 01:31:46,409

realize there are only a couple of

2287

01:31:50,120 --> 01:31:48,570

people who know what we need to talk

2288

01:31:52,010 --> 01:31:50,130

about consciousness you may have people

2289

01:31:53,959 --> 01:31:52,020

in the UFO Commedia use the word they

2290

01:31:56,390 --> 01:31:53,969

have no idea it's only at your level in

2291

01:31:58,370 --> 01:31:56,400

my level that people actually understand

2292

01:32:00,649 --> 01:31:58,380

the connection to the near-death

2293

01:32:01,970 --> 01:32:00,659

experience to the spirit world to all

2294

01:32:04,399 --> 01:32:01,980

this kind of stuff very few people

2295

01:32:05,930 --> 01:32:04,409

understand the consciousness angle and I

2296

01:32:08,090 --> 01:32:05,940

keep warning or I say you got to realize

2297

01:32:10,040 --> 01:32:08,100

there's not that many people and we are

2298

01:32:11,660 --> 01:32:10,050

the first people were on the front line

2299

01:32:13,520 --> 01:32:11,670

of this thing so ten years from now I

2300

01:32:15,979 --> 01:32:13,530

think you and I the conversations we've

2301
01:32:18,140 --> 01:32:15,989
had will mean a lot more to people they

2302
01:32:19,760 --> 01:32:18,150
will suddenly catch on that this is an

2303
01:32:21,530 --> 01:32:19,770
important aspect right now are we still

2304
01:32:24,050 --> 01:32:21,540
into you know where the aliens from

2305
01:32:25,310 --> 01:32:24,060
what's the technology you know we get

2306
01:32:27,830 --> 01:32:25,320
the free energy and they're into that

2307
01:32:29,360 --> 01:32:27,840
whole nuts and bolts saying you and I

2308
01:32:31,520 --> 01:32:29,370
are one of the few people I think

2309
01:32:33,830 --> 01:32:31,530
they're on the leading edge of this

2310
01:32:37,280 --> 01:32:33,840
consciousness thing which I believe is

2311
01:32:38,840 --> 01:32:37,290
going to answer all the questions Grant

2312
01:32:41,629 --> 01:32:38,850
awesome having you on thanks again

2313
01:32:43,370 --> 01:32:41,639

earful Thank You Ellis thanks so much

2314

01:32:44,750 --> 01:32:43,380

for grant camera for joining me today in

2315

01:32:46,879 --> 01:32:44,760

skeptical as I said during the interview

2316

01:32:50,300 --> 01:32:46,889

you know there's a lot of heated

2317

01:32:53,149 --> 01:32:50,310

exchanges between grant and I but that's

2318

01:32:56,600 --> 01:32:53,159

mainly because he's a guy I can get to

2319

01:32:58,379 --> 01:32:56,610

level three with on this discussion and

2320

01:33:00,149 --> 01:32:58,389

I want to get to level three with

2321

01:33:02,220 --> 01:33:00,159

so let me throw a lot of question it's

2322

01:33:05,970 --> 01:33:02,230

the the question I always teased with

2323

01:33:08,340 --> 01:33:05,980

and that's what is he TC in its life

2324

01:33:10,169 --> 01:33:08,350

review and the reason I like that

2325

01:33:12,899 --> 01:33:10,179

question is it kind of immediately

2326

01:33:16,229 --> 01:33:12,909

catapults us into all these important

2327

01:33:18,870 --> 01:33:16,239

questions about the moral imperative is

2328

01:33:23,070 --> 01:33:18,880

there good is there bad are we obligated

2329

01:33:26,550 --> 01:33:23,080

to try and do something for some reason

2330

01:33:29,189 --> 01:33:26,560

and it also obviously brings into focus

2331

01:33:32,160 --> 01:33:29,199

these extended consciousness realms and

2332

01:33:35,129 --> 01:33:32,170

these beings whether they be spirit

2333

01:33:37,020 --> 01:33:35,139

beings et beings or no beings at all if

2334

01:33:39,419 --> 01:33:37,030

you're a completely materialist atheist

2335

01:33:42,810 --> 01:33:39,429

that might exist in these extended

2336

01:33:45,120 --> 01:33:42,820

consciousness realms so let me know your

2337

01:33:46,379 --> 01:33:45,130

thoughts to that kind of question that I

2338

01:33:47,790 --> 01:33:46,389

kind of dragged down there and the place

2339

01:33:49,979 --> 01:33:47,800

to do it of course is the skeptical

2340

01:33:51,570 --> 01:33:49,989

forum please join me over there you know

2341

01:33:53,790 --> 01:33:51,580

I've said this before but I'll repeat it

2342

01:33:58,050 --> 01:33:53,800

one of the real pleasures I get out of

2343

01:34:00,350 --> 01:33:58,060

this show is interacting with you you

2344

01:34:03,830 --> 01:34:00,360

folks who listen to it and have so many

2345

01:34:08,040 --> 01:34:03,840

fantastic ideas I've gained so much from

2346

01:34:09,600 --> 01:34:08,050

people who share with me new information

2347

01:34:12,209 --> 01:34:09,610

things that they're learning things that

2348

01:34:14,640 --> 01:34:12,219

they're experiencing that's so so much a

2349

01:34:17,430 --> 01:34:14,650

part of this whole experience for me and

2350

01:34:20,669 --> 01:34:17,440

I've just found that the skeptical forum

2351

01:34:22,500 --> 01:34:20,679

is kind of a good place to do that so if

2352

01:34:25,950 --> 01:34:22,510

you haven't been over there in a while

2353

01:34:28,729 --> 01:34:25,960

come back see what's going on be part of

2354

01:34:33,180 --> 01:34:28,739

that community join us talk to us and

2355

01:34:36,000 --> 01:34:33,190

let's get that dialogue going and of

2356

01:34:38,970 --> 01:34:36,010

course while your fingers are typing be

2357

01:34:40,080 --> 01:34:38,980

2358

01:34:42,270 --> 01:34:40,090

2359

01:34:45,000 --> 01:34:42,280

free or just grab the link and share it

2360

01:34:48,750 --> 01:34:45,010

with share it with someone who you think

2361

01:34:51,080 --> 01:34:48,760

needs to hear this information I kind of

2362

01:34:55,140 --> 01:34:51,090

have this idea that the right person

2363

01:34:58,200 --> 01:34:55,150

finds a way to share this show with the

2364

01:35:00,600 --> 01:34:58,210

right person who needs it at the time

2365

01:35:03,479 --> 01:35:00,610

that they need it that's that's my

2366

01:35:06,359 --> 01:35:03,489

fantasy that that I play in my head so

2367

01:35:08,729 --> 01:35:06,369

see if that works for you I do have a

2368

01:35:11,360 --> 01:35:08,739

number of great shows I think coming up

2369

01:35:14,729 --> 01:35:11,370

2370

01:35:16,140 --> 01:35:14,739
