1
00:00:04,870 --> 00:00:02,470
let them shake their group think heads

2
00:00:07,670 --> 00:00:04,880
at you let them be ashamed of you

3
00:00:09,589 --> 00:00:07,680
embarrassed of you pissed off at you

4
00:00:10,470 --> 00:00:09,599
they will call you names and you must

5
00:00:13,830 --> 00:00:10,480
let them

6
00:00:16,630 --> 00:00:13,840
laugh

7
00:00:18,070 --> 00:00:16,640
be resistant to their mockery be the

8
00:00:21,510 --> 00:00:18,080
fodder for their jokes

9
00:00:24,310 --> 00:00:21,520
be a magnificent failure in their eyes

10
00:00:25,189 --> 00:00:24,320
a tiger does not lose sleep over the

11
00:00:28,550 --> 00:00:25,199
opinion of

12
00:00:30,630 --> 00:00:28,560
sheep go ahead be the scar tissue of

13
00:00:34,150 --> 00:00:30,640

their worldview their

14

00:00:37,030 --> 00:00:34,160

normality they will loathe you

15

00:00:39,750 --> 00:00:37,040

they will fear you they'll wish they

16

00:00:43,350 --> 00:00:41,670

that's david ike speaking to a huge

17

00:00:45,029 --> 00:00:43,360

crowd that gathered to see him at

18

00:00:47,350 --> 00:00:45,039

wembley arena

19

00:00:49,270 --> 00:00:47,360

that is before he was banned from

20

00:00:51,990 --> 00:00:49,280

youtube and facebook for

21

00:00:52,709 --> 00:00:52,000

advocating non-violence freedom of

22

00:00:55,590 --> 00:00:52,719

speech

23

00:00:57,430 --> 00:00:55,600

free thought and love your neighbor here

24

00:00:58,229 --> 00:00:57,440

he's in today's interview on skeptico

25

00:01:01,270 --> 00:00:58,239

talking about

26

00:01:04,310 --> 00:01:01,280

science and consciousness

27

00:01:06,390 --> 00:01:04,320

you were one of the first people to

28

00:01:09,670 --> 00:01:06,400

really blow the whistle

29

00:01:12,550 --> 00:01:09,680

on this fake scientific understanding

30

00:01:12,950 --> 00:01:12,560

of consciousness and its insistence that

31

00:01:15,590 --> 00:01:12,960

we

32

00:01:16,310 --> 00:01:15,600

are biological robots in a meaningless

33

00:01:18,789 --> 00:01:16,320

universe

34

00:01:20,070 --> 00:01:18,799

and we should accept our empty lives and

35

00:01:22,550 --> 00:01:20,080

just get on with it

36

00:01:25,429 --> 00:01:22,560

what you've just described is the

37

00:01:27,910 --> 00:01:25,439

foundation to mass human control

38

00:01:29,350 --> 00:01:27,920

without which mass human control cannot

39

00:01:32,550 --> 00:01:29,360

happen

40

00:01:35,590 --> 00:01:32,560

because if you know that you

41

00:01:37,749 --> 00:01:35,600

are in your true eye an

42

00:01:38,789 --> 00:01:37,759

expression of consciousness a point of

43

00:01:41,670 --> 00:01:38,799

attention within an

44

00:01:43,429 --> 00:01:41,680

infinite flow of consciousness then

45

00:01:44,389 --> 00:01:43,439

there's no way that a handful of

46

00:01:46,550 --> 00:01:44,399

psychopaths

47

00:01:48,870 --> 00:01:46,560

and idiots which is basically the

48

00:01:51,990 --> 00:01:48,880

combination that runs the world

49

00:01:53,109 --> 00:01:52,000

can impose themselves on your life in

50

00:01:55,830 --> 00:01:53,119

the way that you will

51
00:01:57,109 --> 00:01:55,840
acquiesce to whatever they tell you you

52
00:02:00,389 --> 00:01:57,119
won't do it

53
00:02:02,709 --> 00:02:00,399
because you know you are

54
00:02:04,950 --> 00:02:02,719
consciousness you know you are an

55
00:02:07,749 --> 00:02:04,960
infinite expression of consciousness

56
00:02:09,270 --> 00:02:07,759
and that will never allow itself to be

57
00:02:13,510 --> 00:02:09,280
subjugated

58
00:02:15,350 --> 00:02:13,520
and intimidated into submission

59
00:02:17,510 --> 00:02:15,360
welcome to skeptico where we explore

60
00:02:18,949 --> 00:02:17,520
controversial science and spirituality

61
00:02:21,750 --> 00:02:18,959
with leading researchers

62
00:02:22,790 --> 00:02:21,760
thinkers and their critics i'm your host

63
00:02:26,869 --> 00:02:22,800

alex akaris

64

00:02:30,390 --> 00:02:26,879

and every year time magazine

65

00:02:33,110 --> 00:02:30,400

publishes a list of the world's 100 most

66

00:02:34,869 --> 00:02:33,120

influential people of course it's time

67

00:02:37,990 --> 00:02:34,879

magazine so it's a farce

68

00:02:40,309 --> 00:02:38,000

but the professed criteria that the

69

00:02:43,350 --> 00:02:40,319

editors use is actually quite beautiful

70

00:02:44,550 --> 00:02:43,360

here's what they write they claim to

71

00:02:47,350 --> 00:02:44,560

look for people

72

00:02:48,309 --> 00:02:47,360

that in one way or another embody a

73

00:02:50,150 --> 00:02:48,319

breakthrough

74

00:02:51,509 --> 00:02:50,160

they broke the rules broke the record

75

00:02:54,869 --> 00:02:51,519

broke the silence

76
00:02:58,710 --> 00:02:54,879
broke the boundaries to reveal what we

77
00:03:01,750 --> 00:02:58,720
are capable of boy oh boy today's guest

78
00:03:05,270 --> 00:03:01,760
david ike although he's never appeared

79
00:03:08,630 --> 00:03:05,280
on that times list of the world's most

80
00:03:11,190 --> 00:03:08,640
100 influential people

81
00:03:12,470 --> 00:03:11,200
based on those criteria he certainly

82
00:03:13,350 --> 00:03:12,480
should be he should be one of those

83
00:03:16,630 --> 00:03:13,360
people that

84
00:03:18,790 --> 00:03:16,640
year after year is on that list when you

85
00:03:19,990 --> 00:03:18,800
look at the amazing achievements of

86
00:03:22,630 --> 00:03:20,000
david ike

87
00:03:23,670 --> 00:03:22,640
over his 30-year career he would

88
00:03:27,190 --> 00:03:23,680

certainly fit

89

00:03:29,670 --> 00:03:27,200

those criteria but

90

00:03:31,270 --> 00:03:29,680

instead we're faced with an orwellian

91

00:03:35,110 --> 00:03:31,280

banning on youtube

92

00:03:38,149 --> 00:03:35,120

and facebook but the deep admiration

93

00:03:40,309 --> 00:03:38,159

appreciation respect of all of us who've

94

00:03:42,550 --> 00:03:40,319

benefited so much from

95

00:03:43,910 --> 00:03:42,560

truly one of the bravest thinkers of our

96

00:03:47,030 --> 00:03:43,920

time

97

00:03:49,750 --> 00:03:47,040

david has a very important new book out

98

00:03:51,589 --> 00:03:49,760

called the answer we're gonna dive into

99

00:03:52,550 --> 00:03:51,599

that and hopefully talk about some other

100

00:03:55,429 --> 00:03:52,560

things

101
00:03:55,910 --> 00:03:55,439
it's just a real pleasure to have you on

102
00:03:58,470 --> 00:03:55,920
david

103
00:03:59,350 --> 00:03:58,480
welcome thanks for being here thank you

104
00:04:01,429 --> 00:03:59,360
alex

105
00:04:04,229 --> 00:04:01,439
i've got a black shirt on today for one

106
00:04:07,030 --> 00:04:04,239
reason i'm not in mourning

107
00:04:08,229 --> 00:04:07,040
it's the only color that won't show me

108
00:04:11,670 --> 00:04:08,239
um

109
00:04:15,030 --> 00:04:11,680
pouring the sweat out uh because

110
00:04:18,069 --> 00:04:15,040
we're going through a a real heat wave

111
00:04:22,150 --> 00:04:18,079
in britain at the moment and uh

112
00:04:25,670 --> 00:04:22,160
my uh my lighting system

113
00:04:29,030 --> 00:04:25,680

is the window so um

114

00:04:31,350 --> 00:04:29,040

it's uh it's hot in here but anyway

115

00:04:33,189 --> 00:04:31,360

it's hot in the world at the moment hey

116

00:04:33,670 --> 00:04:33,199

david you're rolling out this this new

117

00:04:37,110 --> 00:04:33,680

book

118

00:04:38,950 --> 00:04:37,120

there's a ton of buzz about it it's

119

00:04:40,310 --> 00:04:38,960

it it couldn't have been a prophecy i

120

00:04:42,629 --> 00:04:40,320

don't know how you did it but tell

121

00:04:43,749 --> 00:04:42,639

people about the answer uh what you're

122

00:04:46,870 --> 00:04:43,759

trying to get across

123

00:04:49,909 --> 00:04:46,880

and what's it about well um

124

00:04:52,550 --> 00:04:49,919

you talk about you know uh prophecy but

125

00:04:55,270 --> 00:04:52,560

synchronicity uh has been remarkable

126

00:04:59,670 --> 00:04:55,280

because i started writing the answer

127

00:05:01,749 --> 00:04:59,680

in uh in october 2019

128

00:05:03,110 --> 00:05:01,759

and we came up with the title the answer

129

00:05:06,469 --> 00:05:03,120

because that's basically

130

00:05:10,870 --> 00:05:06,479

what the whole book's about and we

131

00:05:15,270 --> 00:05:10,880

decided a publication date which is now

132

00:05:16,230 --> 00:05:15,280

um and then i wrote 85 percent of the

133

00:05:19,510 --> 00:05:16,240

book

134

00:05:22,710 --> 00:05:19,520

and i was just rounding off the end

135

00:05:25,749 --> 00:05:22,720

and bang then came the uh

136

00:05:28,870 --> 00:05:25,759

the pandemic uh hoax

137

00:05:32,310 --> 00:05:28,880

uh as i show in the book um totally

138

00:05:35,110 --> 00:05:32,320

hoax and um i uh

139

00:05:35,990 --> 00:05:35,120

watched over the months that have

140

00:05:40,710 --> 00:05:36,000

followed

141

00:05:42,550 --> 00:05:40,720

uh the the first 85 percent of the book

142

00:05:43,830 --> 00:05:42,560

where i said this is what the plan is

143

00:05:47,110 --> 00:05:43,840

um which is where they want to take

144

00:05:49,029 --> 00:05:47,120

humanity unfold before me eyes

145

00:05:50,390 --> 00:05:49,039

and uh that period also gave me the

146

00:05:54,070 --> 00:05:50,400

opportunity uh to

147

00:05:57,110 --> 00:05:54,080

take apart the um the official um

148

00:05:59,670 --> 00:05:57,120

quote virus narrative which if people

149

00:06:02,309 --> 00:05:59,680

would prepare to do their own research

150

00:06:03,189 --> 00:06:02,319

and talk to doctors and virologists and

151
00:06:04,870 --> 00:06:03,199
other

152
00:06:07,029 --> 00:06:04,880
medical professionals who would never

153
00:06:11,350 --> 00:06:07,039
get on cnn or msnbc

154
00:06:14,469 --> 00:06:11,360
or the bbc they would realize

155
00:06:15,990 --> 00:06:14,479
that this narrative coming out of the

156
00:06:17,590 --> 00:06:16,000
world health organization and being

157
00:06:19,590 --> 00:06:17,600
defended by silicon valley in the

158
00:06:22,309 --> 00:06:19,600
mainstream media

159
00:06:24,230 --> 00:06:22,319
is so nonsensical it's so unsupportable

160
00:06:26,469 --> 00:06:24,240
by the facts

161
00:06:29,110 --> 00:06:26,479
and this is the point of the censorship

162
00:06:32,230 --> 00:06:29,120
that the only way you can protect it

163
00:06:33,510 --> 00:06:32,240

from being dismantled is by censoring

164

00:06:36,870 --> 00:06:33,520

those who are

165

00:06:39,189 --> 00:06:36,880

seeking to do that so this is where the

166

00:06:40,629 --> 00:06:39,199

copyright this theory of copyright

167

00:06:42,469 --> 00:06:40,639

through silicon valley in the mainstream

168

00:06:43,830 --> 00:06:42,479

media has come from particularly silicon

169

00:06:48,550 --> 00:06:43,840

valley these days

170

00:06:51,589 --> 00:06:48,560

um it's not primarily being done because

171

00:06:51,990 --> 00:06:51,599

oh look look at the power we have we are

172

00:06:54,629 --> 00:06:52,000

going to

173

00:06:56,469 --> 00:06:54,639

copyright they've got no choice they have

174

00:06:58,950 --> 00:06:56,479

no choice but to copyright

175

00:06:59,670 --> 00:06:58,960

because unless they do their official

176
00:07:03,350 --> 00:06:59,680
narrative

177
00:07:04,950 --> 00:07:03,360
will be in pieces on the floor

178
00:07:07,189 --> 00:07:04,960
can i ask you a couple of questions here

179
00:07:10,469 --> 00:07:07,199
because now that this is

180
00:07:12,230 --> 00:07:10,479
man i am so with you in terms of what

181
00:07:12,870 --> 00:07:12,240
you've revealed and what you've told us

182
00:07:15,749 --> 00:07:12,880
about

183
00:07:16,710 --> 00:07:15,759
the pandemic and how it fits into this

184
00:07:18,390 --> 00:07:16,720
overall plan

185
00:07:19,990 --> 00:07:18,400
and you know you talk about prophetic

186
00:07:22,909 --> 00:07:20,000
it's unbelievable

187
00:07:24,550 --> 00:07:22,919
i i listen to an interview you gave in

188
00:07:27,189 --> 00:07:24,560

2007

189

00:07:28,950 --> 00:07:27,199

when the swine flu came out and it's

190

00:07:29,670 --> 00:07:28,960

like you're listening to the interview

191

00:07:32,870 --> 00:07:29,680

today

192

00:07:34,950 --> 00:07:32,880

so many important you know

193

00:07:36,070 --> 00:07:34,960

step by step how they're going to run it

194

00:07:38,230 --> 00:07:36,080

how they're going to do it

195

00:07:39,350 --> 00:07:38,240

and let's just give credit to nicole

196

00:07:41,830 --> 00:07:39,360

marie from

197

00:07:43,350 --> 00:07:41,840

the news for the soul show if anyone

198

00:07:44,070 --> 00:07:43,360

wants to check out that interview they

199

00:07:45,670 --> 00:07:44,080

should

200

00:07:47,830 --> 00:07:45,680

but here's the thing here's what

201
00:07:50,469 --> 00:07:47,840
concerns me a little bit david i've done

202
00:07:51,430 --> 00:07:50,479
a ton of debunking of fake science on

203
00:07:53,430 --> 00:07:51,440
this show

204
00:07:55,189 --> 00:07:53,440
yeah i've been at it for 10 years you've

205
00:07:57,350 --> 00:07:55,199
been at it for a hell of a lot longer

206
00:07:58,710 --> 00:07:57,360
because uh because you just do this

207
00:08:00,309 --> 00:07:58,720
stuff and i don't know how you keep your

208
00:08:03,430 --> 00:08:00,319
energy up in your workup

209
00:08:04,710 --> 00:08:03,440
but to me and i hesitate to even say

210
00:08:08,550 --> 00:08:04,720
this because in some ways this

211
00:08:11,510 --> 00:08:08,560
isn't even central to your thing but

212
00:08:12,070 --> 00:08:11,520
when you say let's get down to specifics

213
00:08:14,869 --> 00:08:12,080

when you

214

00:08:15,749 --> 00:08:14,879

say that they've never isolated the

215

00:08:17,830 --> 00:08:15,759

virus

216

00:08:19,589 --> 00:08:17,840

yeah i want to know what you really mean

217

00:08:19,990 --> 00:08:19,599

because when i look at the science

218

00:08:22,469 --> 00:08:20,000

behind

219

00:08:23,830 --> 00:08:22,479

it i think they've isolated the virus i

220

00:08:25,830 --> 00:08:23,840

don't think that's the deal

221

00:08:27,909 --> 00:08:25,840

i think the deal is whether they

222

00:08:29,909 --> 00:08:27,919

engineered the virus in the first place

223

00:08:32,149 --> 00:08:29,919

and whether they already engineered the

224

00:08:34,469 --> 00:08:32,159

vaccine to it which is

225

00:08:35,829 --> 00:08:34,479

what you revealed in that 2007 interview

226

00:08:38,870 --> 00:08:35,839

that baxter labs and

227

00:08:40,469 --> 00:08:38,880

in the priorly in the prior case but

228

00:08:42,310 --> 00:08:40,479

so i'm sorry go ahead please tell me

229

00:08:45,750 --> 00:08:42,320

what you think well two things

230

00:08:49,430 --> 00:08:45,760

um on the second point we agree um

231

00:08:52,790 --> 00:08:49,440

they have um already

232

00:08:55,750 --> 00:08:52,800

and i said this in an interview way back

233

00:08:56,949 --> 00:08:55,760

even before the lockdown kicked in that

234

00:08:59,110 --> 00:08:56,959

um

235

00:09:01,430 --> 00:08:59,120

the contents of the vaccine the gates

236

00:09:04,550 --> 00:09:01,440

vaccine will already be in place

237

00:09:07,509 --> 00:09:04,560

because they're playing the hoax in part

238

00:09:09,030 --> 00:09:07,519

to get the uh the the vaccine inside

239

00:09:10,949 --> 00:09:09,040

every man woman a child on the planet

240

00:09:12,550 --> 00:09:10,959

which would

241

00:09:15,110 --> 00:09:12,560

people's alarm bells should go on off

242

00:09:18,230 --> 00:09:15,120

with that um immediately

243

00:09:24,790 --> 00:09:18,240

but on the other side um there

244

00:09:27,829 --> 00:09:24,800

is not a scientific paper

245

00:09:29,670 --> 00:09:27,839

or a scientific study that has been

246

00:09:31,590 --> 00:09:29,680

revealed and i've been saying this and

247

00:09:33,350 --> 00:09:31,600

people like dr andrew kaufman

248

00:09:35,030 --> 00:09:33,360

in america and others have been saying

249

00:09:39,350 --> 00:09:35,040

this for

250

00:09:42,550 --> 00:09:39,360

months now that um isolates the virus as

251

00:09:46,150 --> 00:09:42,560

a only in and of itself with

252

00:09:49,030 --> 00:09:46,160

no other contamination uh whatsoever

253

00:09:50,790 --> 00:09:49,040

uh and uh we've now reached the point

254

00:09:52,550 --> 00:09:50,800

where people are

255

00:09:55,110 --> 00:09:52,560

doing freedom of information act

256

00:09:59,910 --> 00:09:55,120

requests

257

00:10:03,670 --> 00:09:59,920

asking for government agencies to

258

00:10:06,230 --> 00:10:03,680

reveal any papers that do that and

259

00:10:08,470 --> 00:10:06,240

they they can't look i think that's not

260

00:10:09,430 --> 00:10:08,480

even central to the most important part

261

00:10:11,910 --> 00:10:09,440

of what you're revealing

262

00:10:13,590 --> 00:10:11,920

but like here's a paper in nature and

263

00:10:15,750 --> 00:10:13,600

like when i look at fake science

264

00:10:17,269 --> 00:10:15,760

they don't roll out fake science in

265

00:10:19,269 --> 00:10:17,279

nature usually

266

00:10:20,470 --> 00:10:19,279

because there's real labs there's real

267

00:10:22,630 --> 00:10:20,480

people involved

268

00:10:23,829 --> 00:10:22,640

but i mean here's where they you know

269

00:10:27,670 --> 00:10:23,839

kind of lay out

270

00:10:31,030 --> 00:10:27,680

exactly the yeah so so so they say

271

00:10:34,710 --> 00:10:31,040

what i would say to people um is to go

272

00:10:36,790 --> 00:10:34,720

to the videos of um of dr

273

00:10:38,389 --> 00:10:36,800

andrew kaufman uh who's been on this

274

00:10:41,550 --> 00:10:38,399

from the start

275

00:10:44,790 --> 00:10:41,560

and uh also look at those

276

00:10:46,630 --> 00:10:44,800

websites um that have gone to the

277

00:10:48,230 --> 00:10:46,640

studies themselves

278

00:10:49,750 --> 00:10:48,240

they've gone to the scientists

279

00:10:53,030 --> 00:10:49,760

themselves

280

00:10:56,470 --> 00:10:53,040

and they've asked the question

281

00:11:00,790 --> 00:10:56,480

did you purify the this

282

00:11:04,550 --> 00:11:00,800

virus and the answer is always no

283

00:11:07,750 --> 00:11:04,560

um and without that you cannot

284

00:11:10,310 --> 00:11:07,760

say that you had a virus you have a

285

00:11:13,350 --> 00:11:10,320

virus you've shown that virus exists

286

00:11:16,630 --> 00:11:13,360

and the other thing is you see if you

287

00:11:20,230 --> 00:11:16,640

have a real virus

288

00:11:20,710 --> 00:11:20,240

and you um you have a virus that is

289

00:11:24,949 --> 00:11:20,720

quote

290

00:11:27,590 --> 00:11:24,959

deadly and you have a virus that is um

291

00:11:29,269 --> 00:11:27,600

very uh sinister in terms of human

292

00:11:32,710 --> 00:11:29,279

health

293

00:11:33,910 --> 00:11:32,720

then what you um what you don't have to

294

00:11:38,150 --> 00:11:33,920

do

295

00:11:41,350 --> 00:11:38,160

certificates

296

00:11:42,310 --> 00:11:41,360

all over the world when people have died

297

00:11:45,750 --> 00:11:42,320

of other things

298

00:11:49,910 --> 00:11:45,760

and you don't have to invoke

299

00:11:53,269 --> 00:11:49,920

financial incentives in america

300

00:11:56,470 --> 00:11:53,279

to get hospitals to diagnose

301
00:11:59,509 --> 00:11:56,480
respiratory symptoms as covid19

302
00:12:02,949 --> 00:11:59,519
and not something else what we

303
00:12:06,629 --> 00:12:02,959
also have is um the rtPCR

304
00:12:08,470 --> 00:12:06,639
test which is not testing for a virus

305
00:12:10,150 --> 00:12:08,480
when you've got people like Kerry Mullis

306
00:12:10,870 --> 00:12:10,160
who invented the thing I got the Nobel

307
00:12:13,990 --> 00:12:10,880
prize for

308
00:12:16,949 --> 00:12:14,000
it saying that um these um this

309
00:12:18,230 --> 00:12:16,959
test should not be used to diagnose

310
00:12:20,710 --> 00:12:18,240
infectious disease and

311
00:12:22,310 --> 00:12:20,720
that's where the cases are coming from i

312
00:12:25,110 --> 00:12:22,320
mean you know you

313
00:12:26,150 --> 00:12:25,120

if people read the answer and the two uh

314

00:12:29,509 --> 00:12:26,160

chapters i've done

315

00:12:32,389 --> 00:12:29,519

on this uh like i say quoting

316

00:12:34,470 --> 00:12:32,399

um doctors virologists medical

317

00:12:36,230 --> 00:12:34,480

professionals etc who you'll never see

318

00:12:39,190 --> 00:12:36,240

in the mainstream media

319

00:12:40,629 --> 00:12:39,200

they'll see um the scale of the scam

320

00:12:42,069 --> 00:12:40,639

that's gone on

321

00:12:44,150 --> 00:12:42,079

david i don't want to get too far in the

322

00:12:46,389 --> 00:12:44,160

weeds on this because

323

00:12:47,190 --> 00:12:46,399

the overall picture that you're painting

324

00:12:49,269 --> 00:12:47,200

in terms of

325

00:12:51,430 --> 00:12:49,279

the ability to shift the numbers shift

326

00:12:53,670 --> 00:12:51,440

the deaths shift the testing

327

00:12:55,269 --> 00:12:53,680

all that stuff i'm totally down with

328

00:12:57,190 --> 00:12:55,279

that all the research i've done

329

00:12:59,350 --> 00:12:57,200

confirms that i just want to know if

330

00:13:02,870 --> 00:12:59,360

you're open to the possibility

331

00:13:05,590 --> 00:13:02,880

that you know you mentioned the

332

00:13:05,990 --> 00:13:05,600

the postulate that we can isolate the

333

00:13:09,509 --> 00:13:06,000

virus

334

00:13:12,629 --> 00:13:09,519

the possibility

335

00:13:13,990 --> 00:13:12,639

that they have done that just like they

336

00:13:16,470 --> 00:13:14,000

did it with the

337

00:13:17,990 --> 00:13:16,480

sars virus but i mean virologists this

338

00:13:19,269 --> 00:13:18,000

is what they do all day long they do it

339

00:13:21,350 --> 00:13:19,279

for chickens they do it for

340

00:13:23,110 --> 00:13:21,360

cows they do it for pigs and they also

341

00:13:24,230 --> 00:13:23,120

do it for human beings they isolate

342

00:13:26,150 --> 00:13:24,240

viruses they

343

00:13:28,389 --> 00:13:26,160

culture them in labs and stuff first of

344

00:13:30,949 --> 00:13:28,399

all we we can go to and throw it

345

00:13:31,590 --> 00:13:30,959

on this forever people should read the

346

00:13:33,990 --> 00:13:31,600

answer

347

00:13:35,190 --> 00:13:34,000

and look at the evidence put forward

348

00:13:37,590 --> 00:13:35,200

there which is immense

349

00:13:39,030 --> 00:13:37,600

they should go to the videos of dr

350

00:13:42,470 --> 00:13:39,040

andrew kaufman

351
00:13:43,910 --> 00:13:42,480
and they should look at other people who

352
00:13:46,790 --> 00:13:43,920
are challenging this

353
00:13:47,430 --> 00:13:46,800
and you'll see how they explain away

354
00:13:50,069 --> 00:13:47,440
this

355
00:13:51,750 --> 00:13:50,079
claim to have been isolated i mean if

356
00:13:54,949 --> 00:13:51,760
you're going back

357
00:13:56,389 --> 00:13:54,959
as many many people have now to the

358
00:13:59,350 --> 00:13:56,399
original scientists

359
00:14:00,629 --> 00:13:59,360
who claim to have isolated and purified

360
00:14:02,150 --> 00:14:00,639
the virus

361
00:14:03,829 --> 00:14:02,160
and you're going to those that have

362
00:14:06,069 --> 00:14:03,839
produced these papers and you're asking

363
00:14:08,310 --> 00:14:06,079

them a simple question

364

00:14:11,110 --> 00:14:08,320

are were you dealing with a purified

365

00:14:14,389 --> 00:14:11,120

isolated virus and they say no

366

00:14:15,189 --> 00:14:14,399

well i mean you know where do you go

367

00:14:17,110 --> 00:14:15,199

from there

368

00:14:18,470 --> 00:14:17,120

but no i i hear you and i don't even

369

00:14:19,430 --> 00:14:18,480

want to i don't want to hammer it on

370

00:14:21,350 --> 00:14:19,440

anymore like i said

371

00:14:23,350 --> 00:14:21,360

go to the answer read the book there's

372

00:14:26,389 --> 00:14:23,360

tons of stuff on your website as well

373

00:14:29,269 --> 00:14:26,399

it's great your time is limited so

374

00:14:30,230 --> 00:14:29,279

you are the man on consciousness that's

375

00:14:32,629 --> 00:14:30,240

been the main

376

00:14:34,550 --> 00:14:32,639

focus of this show hundreds of

377

00:14:36,870 --> 00:14:34,560

interviews with some of the leading

378

00:14:38,310 --> 00:14:36,880

consciousness researchers on the

379

00:14:41,189 --> 00:14:38,320

frontier of that

380

00:14:43,350 --> 00:14:41,199

technology or that science i should say

381

00:14:44,389 --> 00:14:43,360

but you take it at such a deeper level

382

00:14:45,910 --> 00:14:44,399

and you connect it

383

00:14:47,430 --> 00:14:45,920

in some really important ways that i

384

00:14:49,910 --> 00:14:47,440

think are central to

385

00:14:52,150 --> 00:14:49,920

if you will the answer through all of

386

00:14:53,590 --> 00:14:52,160

this but where i wanted to start on the

387

00:14:56,150 --> 00:14:53,600

consciousness question

388

00:14:57,750 --> 00:14:56,160

is you really truly were one of the

389

00:15:00,790 --> 00:14:57,760

first people

390

00:15:03,590 --> 00:15:00,800

to really blow the whistle on this

391

00:15:05,990 --> 00:15:03,600

fake scientific understanding of

392

00:15:08,710 --> 00:15:06,000

consciousness and its insistence

393

00:15:10,069 --> 00:15:08,720

that we are biological robots in a

394

00:15:12,550 --> 00:15:10,079

meaningless universe

395

00:15:13,829 --> 00:15:12,560

and we should accept our empty lives and

396

00:15:16,230 --> 00:15:13,839

just get on with it

397

00:15:17,910 --> 00:15:16,240

and i think that is one of the central

398

00:15:19,509 --> 00:15:17,920

central conspiracies

399

00:15:21,430 --> 00:15:19,519

to this whole thing and you've

400

00:15:23,189 --> 00:15:21,440

completely deconstructed that and

401
00:15:25,990 --> 00:15:23,199
destroyed that from the very beginning

402
00:15:26,790 --> 00:15:26,000
do you want to talk about science's

403
00:15:28,310 --> 00:15:26,800
claim that

404
00:15:30,310 --> 00:15:28,320
you are nothing you are a meaningless

405
00:15:31,990 --> 00:15:30,320
robot in a meaningless universe and how

406
00:15:34,949 --> 00:15:32,000
that fits into the overall

407
00:15:35,509 --> 00:15:34,959
plan the overall agenda well two things

408
00:15:42,790 --> 00:15:35,519
um

409
00:15:45,189 --> 00:15:42,800
quote covid19 i think there is a virus

410
00:15:46,389 --> 00:15:45,199
but it's not a fiscal virus it's a mind

411
00:15:51,030 --> 00:15:46,399
virus

412
00:15:52,870 --> 00:15:51,040
over vast ways of the human race and

413
00:15:54,790 --> 00:15:52,880

that's what's driving this thing

414

00:15:55,910 --> 00:15:54,800

and on the other other side what you've

415

00:15:59,829 --> 00:15:55,920

just described

416

00:16:02,230 --> 00:15:59,839

is the foundation to mass human control

417

00:16:03,670 --> 00:16:02,240

without which mass human control cannot

418

00:16:06,710 --> 00:16:03,680

happen

419

00:16:10,470 --> 00:16:06,720

because um if you know

420

00:16:13,509 --> 00:16:10,480

that you are in your true eye

421

00:16:15,910 --> 00:16:13,519

uh an expression of consciousness a

422

00:16:17,670 --> 00:16:15,920

point of attention within an infinite uh

423

00:16:19,749 --> 00:16:17,680

flow of consciousness

424

00:16:20,710 --> 00:16:19,759

and that your point of attention can be

425

00:16:24,550 --> 00:16:20,720

the size of a p

426

00:16:27,509 --> 00:16:24,560

or it can be infinite it's just how um

427

00:16:29,749 --> 00:16:27,519

open and what level of consciousness you

428

00:16:31,749 --> 00:16:29,759

want to choose to allow in

429

00:16:33,269 --> 00:16:31,759

then there's no way that a handful of

430

00:16:34,870 --> 00:16:33,279

psychopaths and

431

00:16:37,590 --> 00:16:34,880

idiots which is basically the

432

00:16:41,430 --> 00:16:37,600

combination that runs the world

433

00:16:43,590 --> 00:16:41,440

can impose themselves on your life

434

00:16:45,189 --> 00:16:43,600

in the way that you will acquiesce to

435

00:16:49,030 --> 00:16:45,199

whatever they tell you

436

00:16:52,069 --> 00:16:49,040

you won't do it because you know

437

00:16:54,550 --> 00:16:52,079

you are consciousness you know you are

438

00:16:57,269 --> 00:16:54,560

an infinite expression of consciousness

439

00:16:58,790 --> 00:16:57,279

and that will never allow itself to be

440

00:17:01,910 --> 00:16:58,800

subjugated

441

00:17:05,110 --> 00:17:01,920

and uh intimidated into submission

442

00:17:06,069 --> 00:17:05,120

by um by the said psychopaths and uh and

443

00:17:09,029 --> 00:17:06,079

idiots

444

00:17:10,789 --> 00:17:09,039

so what you have to do if you want mass

445

00:17:11,669 --> 00:17:10,799

control this been going on for a long

446

00:17:14,390 --> 00:17:11,679

time

447

00:17:14,949 --> 00:17:14,400

you have to isolate what i call in the

448

00:17:18,470 --> 00:17:14,959

answer

449

00:17:19,909 --> 00:17:18,480

five sense mind from the infinite level

450

00:17:22,390 --> 00:17:19,919

of consciousness

451
00:17:23,829 --> 00:17:22,400
so five sense mind should be an

452
00:17:27,750 --> 00:17:23,839
expression

453
00:17:28,309 --> 00:17:27,760
of a greater self but once you isolate

454
00:17:31,430 --> 00:17:28,319
that

455
00:17:33,029 --> 00:17:31,440
into what i uh symbolize in the book is

456
00:17:35,669 --> 00:17:33,039
a bubble

457
00:17:37,190 --> 00:17:35,679
if you can isolate five sense mind in in

458
00:17:41,029 --> 00:17:37,200
this symbolic bubble

459
00:17:45,430 --> 00:17:41,039
and then within the bubble feed

460
00:17:47,669 --> 00:17:45,440
that isolated mind a sense of reality

461
00:17:49,510 --> 00:17:47,679
by controlling the education system all

462
00:17:50,789 --> 00:17:49,520
the way through the formative years by

463
00:17:52,710 --> 00:17:50,799

controlling the

464

00:17:54,950 --> 00:17:52,720

um the mainstream media the silicon

465

00:17:58,390 --> 00:17:54,960

valley media and and so on

466

00:18:00,710 --> 00:17:58,400

then you can um first of all isolate

467

00:18:02,470 --> 00:18:00,720

mind from expanded consciousness and

468

00:18:06,549 --> 00:18:02,480

then you can program that

469

00:18:09,750 --> 00:18:06,559

isolated mind with a sense of reality

470

00:18:10,830 --> 00:18:09,760

which is all about little me it's all

471

00:18:13,350 --> 00:18:10,840

about

472

00:18:13,669 --> 00:18:13,360

self-identification with labels what i

473

00:18:17,350 --> 00:18:13,679

call

474

00:18:19,750 --> 00:18:17,360

imr i am a man i am a woman i am

475

00:18:22,870 --> 00:18:19,760

are black i am our white i am i am this

476

00:18:25,510 --> 00:18:22,880

sexuality i am our that sexuality

477

00:18:26,630 --> 00:18:25,520

um and and what you're doing is you're

478

00:18:30,230 --> 00:18:26,640

creating a

479

00:18:33,110 --> 00:18:30,240

what i call a phantom self

480

00:18:34,710 --> 00:18:33,120

where you are manipulating five sense

481

00:18:38,070 --> 00:18:34,720

mind to perceive

482

00:18:40,710 --> 00:18:38,080

its true eye

483

00:18:42,070 --> 00:18:40,720

as what it is experiencing because all

484

00:18:45,029 --> 00:18:42,080

those labels i've just

485

00:18:46,549 --> 00:18:45,039

reeled off are not who we are they're

486

00:18:49,909 --> 00:18:46,559

they're what who we are

487

00:18:53,270 --> 00:18:49,919

is experiencing and once you you

488

00:18:56,630 --> 00:18:53,280

um lose um the the

489

00:18:58,070 --> 00:18:56,640

understanding of that now you are at the

490

00:19:00,549 --> 00:18:58,080

mercy

491

00:19:01,590 --> 00:19:00,559

of those that control the information uh

492

00:19:03,350 --> 00:19:01,600

in society and

493

00:19:06,390 --> 00:19:03,360

we talk about being in the information

494

00:19:08,230 --> 00:19:06,400

age and who controls information

495

00:19:10,549 --> 00:19:08,240

it runs everything well there's a simple

496

00:19:13,750 --> 00:19:10,559

reason for that because from

497

00:19:17,909 --> 00:19:13,760

information received comes perceptions

498

00:19:21,190 --> 00:19:17,919

formed and from perceptions formed comes

499

00:19:22,830 --> 00:19:21,200

behavior played out so controlling

500

00:19:25,270 --> 00:19:22,840

information

501
00:19:27,110 --> 00:19:25,280
overwhelmingly uh manipulates perception

502
00:19:29,430 --> 00:19:27,120
which then leads to behavior you control

503
00:19:31,110 --> 00:19:29,440
information you control behavior

504
00:19:32,950 --> 00:19:31,120
david can you add because i've heard you

505
00:19:34,070 --> 00:19:32,960
talk about this before and it's been a

506
00:19:37,110 --> 00:19:34,080
hot button for me

507
00:19:39,350 --> 00:19:37,120
can you speak more about how science

508
00:19:41,110 --> 00:19:39,360
in particular as we've come to as we've

509
00:19:45,270 --> 00:19:41,120
come to understand it

510
00:19:49,110 --> 00:19:45,280
uh psychology biology neurology

511
00:19:49,990 --> 00:19:49,120
how all that has been wrapped up in what

512
00:19:53,190 --> 00:19:50,000
you call this

513
00:19:55,909 --> 00:19:53,200

five senses kind of bubble and

514

00:19:56,950 --> 00:19:55,919

isolate it and this idea that never will

515

00:19:58,630 --> 00:19:56,960

extend beyond that

516

00:20:00,150 --> 00:19:58,640

we'll never consider the kind of

517

00:20:02,470 --> 00:20:00,160

extended consciousness

518

00:20:03,990 --> 00:20:02,480

experiences that you had that were so

519

00:20:05,430 --> 00:20:04,000

transformative to you

520

00:20:07,510 --> 00:20:05,440

that thousands and now millions of

521

00:20:09,190 --> 00:20:07,520

people have had and said hey i had this

522

00:20:10,950 --> 00:20:09,200

near-death experience or i had this

523

00:20:11,590 --> 00:20:10,960

out-of-body experience this shamanic

524

00:20:13,430 --> 00:20:11,600

experience

525

00:20:15,990 --> 00:20:13,440

and it totally transformed me and then

526
00:20:17,909 --> 00:20:16,000
we have science as an institution saying

527
00:20:19,669 --> 00:20:17,919
no that just never happened it's

528
00:20:20,710 --> 00:20:19,679
impossible because you are merely your

529
00:20:24,710 --> 00:20:20,720
brain

530
00:20:28,230 --> 00:20:24,720
yeah well um if you

531
00:20:31,270 --> 00:20:28,240
chart back into the ancient world

532
00:20:34,390 --> 00:20:31,280
um you had a widespread

533
00:20:37,110 --> 00:20:34,400
perception that

534
00:20:38,630 --> 00:20:37,120
we are consciousness they you know

535
00:20:41,270 --> 00:20:38,640
different names different

536
00:20:43,990 --> 00:20:41,280
uh descriptions to an extent but

537
00:20:46,950 --> 00:20:44,000
basically there was a widespread

538
00:20:48,470 --> 00:20:46,960

um belief that we are consciousness and

539

00:20:50,710 --> 00:20:48,480

that there are other

540

00:20:51,909 --> 00:20:50,720

worlds there there there is an an

541

00:20:55,510 --> 00:20:51,919

infinite um

542

00:20:59,470 --> 00:20:55,520

experience but like i said earlier

543

00:21:02,470 --> 00:20:59,480

if you have people in that

544

00:21:04,070 --> 00:21:02,480

self-identity they become a nightmare to

545

00:21:07,909 --> 00:21:04,080

control

546

00:21:09,830 --> 00:21:07,919

so what happened is the the global cult

547

00:21:10,149 --> 00:21:09,840

as i call it i explain what that is in

548

00:21:16,789 --> 00:21:10,159

the

549

00:21:19,270 --> 00:21:16,799

as it created mainstream medicine

550

00:21:24,549 --> 00:21:19,280

through the rockefeller family

551
00:21:30,390 --> 00:21:27,909
cult science shall we say is basically

552
00:21:34,390 --> 00:21:30,400
can i see it touch it say taste it

553
00:21:36,470 --> 00:21:34,400
hear it um okay exist then

554
00:21:37,590 --> 00:21:36,480
and if i can't then it it probably

555
00:21:40,630 --> 00:21:37,600
doesn't

556
00:21:42,630 --> 00:21:40,640
and what i've just described is exactly

557
00:21:45,990 --> 00:21:42,640
what i described a few minutes ago

558
00:21:50,470 --> 00:21:46,000
about the five sense mind science

559
00:21:55,029 --> 00:21:50,480
itself is an institutional

560
00:21:58,870 --> 00:21:55,039
um expression of the five sense mind

561
00:21:59,830 --> 00:21:58,880
and if therefore um your only tool is a

562
00:22:03,110 --> 00:21:59,840
hammer

563
00:22:04,070 --> 00:22:03,120

every situation looks like a nail and

564

00:22:06,310 --> 00:22:04,080

that's what is

565

00:22:07,990 --> 00:22:06,320

has happened with mainstream science but

566

00:22:10,870 --> 00:22:08,000

there's also talking of the

567

00:22:13,590 --> 00:22:10,880

of of the hammer the way these

568

00:22:15,909 --> 00:22:13,600

institutions are policed the way

569

00:22:17,110 --> 00:22:15,919

uh the medical profession with regard to

570

00:22:19,029 --> 00:22:17,120

this quote virus

571

00:22:21,590 --> 00:22:19,039

is being policed now i can tell you i

572

00:22:25,669 --> 00:22:21,600

haven't talked to enough of them

573

00:22:29,029 --> 00:22:25,679

is by um the carrot and the stick

574

00:22:30,310 --> 00:22:29,039

that is if you um parrot the official

575

00:22:32,070 --> 00:22:30,320

narrative

576

00:22:33,990 --> 00:22:32,080

then you'll get letters after your name

577

00:22:37,029 --> 00:22:34,000

you'll get fated you'll get uh

578

00:22:38,310 --> 00:22:37,039

your peers are um are in awe of you and

579

00:22:41,190 --> 00:22:38,320

you will become a

580

00:22:42,870 --> 00:22:41,200

um a celebrated scientist or at least

581

00:22:44,230 --> 00:22:42,880

you'll survive in the scientific

582

00:22:47,270 --> 00:22:44,240

profession

583

00:22:49,510 --> 00:22:47,280

but as we've seen through um

584

00:22:51,110 --> 00:22:49,520

so long if you are a maverick and what

585

00:22:52,870 --> 00:22:51,120

is a maverick it's someone that wants to

586

00:22:55,350 --> 00:22:52,880

think outside of the box

587

00:22:57,110 --> 00:22:55,360

and go into places that the institutions

588

00:22:58,630 --> 00:22:57,120

don't want you to go because if you do

589

00:23:00,710 --> 00:22:58,640

you might find something out that they

590

00:23:03,110 --> 00:23:00,720

don't want the people to know

591

00:23:04,710 --> 00:23:03,120

and so you have this self-policing

592

00:23:07,830 --> 00:23:04,720

mechanism

593

00:23:09,190 --> 00:23:07,840

whereby you benefit if you sing from the

594

00:23:12,070 --> 00:23:09,200

song she

595

00:23:13,029 --> 00:23:12,080

and you take the consequences if you

596

00:23:16,549 --> 00:23:13,039

don't

597

00:23:18,390 --> 00:23:16,559

um try getting um funding

598

00:23:19,990 --> 00:23:18,400

if you're challenging human cause

599

00:23:23,190 --> 00:23:20,000

climate change

600

00:23:25,669 --> 00:23:23,200

try getting funding if you are um

601
00:23:26,310 --> 00:23:25,679
singing from the song sheet no problem

602
00:23:28,950 --> 00:23:26,320
easy

603
00:23:29,750 --> 00:23:28,960
so this is how it's self-policing and

604
00:23:33,270 --> 00:23:29,760
and um

605
00:23:36,549 --> 00:23:33,280
so there's a reason for that

606
00:23:39,590 --> 00:23:36,559
and the reason is science

607
00:23:42,549 --> 00:23:39,600
in its true um nature

608
00:23:44,549 --> 00:23:42,559
in its true expression which is the

609
00:23:47,830 --> 00:23:44,559
unbridled pursuit of

610
00:23:49,750 --> 00:23:47,840
knowledge would come across

611
00:23:50,950 --> 00:23:49,760
this stuff i mean you go into the

612
00:23:53,990 --> 00:23:50,960
quantum physics

613
00:23:57,029 --> 00:23:54,000

realm uh they're already

614

00:23:59,990 --> 00:23:57,039

well along that road um

615

00:24:01,029 --> 00:24:00,000

but i mean i even you know you even see

616

00:24:04,549 --> 00:24:01,039

that you see

617

00:24:04,870 --> 00:24:04,559

that where the the quantum disciplines

618

00:24:11,510 --> 00:24:04,880

of

619

00:24:13,669 --> 00:24:11,520

acknowledge that yes the quantum physics

620

00:24:15,029 --> 00:24:13,679

exists we can't ignore that

621

00:24:17,110 --> 00:24:15,039

but they crack on with their own

622

00:24:19,110 --> 00:24:17,120

discipline as if there is no quantum

623

00:24:20,470 --> 00:24:19,120

well it's shut up and calculate you know

624

00:24:23,269 --> 00:24:20,480

yes shut up about the

625

00:24:25,110 --> 00:24:23,279

philosophical implications and uh and

626

00:24:25,430 --> 00:24:25,120

calculate hey can i shift gears though

627

00:24:26,789 --> 00:24:25,440

because

628

00:24:29,269 --> 00:24:26,799

there's so many topics i want to talk

629

00:24:31,269 --> 00:24:29,279

about you just mentioned

630

00:24:33,029 --> 00:24:31,279

the cult of science and everything you

631

00:24:35,830 --> 00:24:33,039

said that i thought was

632

00:24:37,909 --> 00:24:35,840

just so uh beautiful and there's so many

633

00:24:40,470 --> 00:24:37,919

subtleties there that i hope people can

634

00:24:41,029 --> 00:24:40,480

pull out of that but the cult word is

635

00:24:42,630 --> 00:24:41,039

such an

636

00:24:44,950 --> 00:24:42,640

important word you know a couple years

637

00:24:45,669 --> 00:24:44,960

ago you wrote a very important book the

638

00:24:48,549 --> 00:24:45,679

trigger

639

00:24:49,190 --> 00:24:48,559

that not only provided probably the most

640

00:24:52,630 --> 00:24:49,200

complete

641

00:24:56,230 --> 00:24:52,640

breakdown of 9 11

642

00:25:00,549 --> 00:24:56,240

act as a part of this control process

643

00:25:03,190 --> 00:25:00,559

but you also connected it to a deeper

644

00:25:04,230 --> 00:25:03,200

cultish connection of this sabbatian

645

00:25:06,789 --> 00:25:04,240

frankish

646

00:25:08,950 --> 00:25:06,799

death cult and this idea that if we

647

00:25:10,710 --> 00:25:08,960

can't all be saints then let's all be

648

00:25:14,070 --> 00:25:10,720

sinner which was the

649

00:25:17,510 --> 00:25:14,080

go-to ideology of the

650

00:25:20,549 --> 00:25:17,520

sabbatian franchise can you review

651
00:25:21,909 --> 00:25:20,559
that for us and connect it to what

652
00:25:23,990 --> 00:25:21,919
you're talking about

653
00:25:26,549 --> 00:25:24,000
in the answer because i think people

654
00:25:28,789 --> 00:25:26,559
really struggle you know what you do

655
00:25:29,590 --> 00:25:28,799
that no one else does is you connect all

656
00:25:31,190 --> 00:25:29,600
these dots

657
00:25:33,029 --> 00:25:31,200
so you just can lay it out on the

658
00:25:34,630 --> 00:25:33,039
science side and now you can you're

659
00:25:36,310 --> 00:25:34,640
going to talk about the cultish

660
00:25:37,909 --> 00:25:36,320
death cult and its connection to

661
00:25:40,390 --> 00:25:37,919
religion which is the other

662
00:25:41,430 --> 00:25:40,400
the twin pairing of that and then you

663
00:25:44,070 --> 00:25:41,440

can even go

664

00:25:45,830 --> 00:25:44,080

hopefully we'll be able to get to the

665

00:25:47,830 --> 00:25:45,840

e.t and the ufo phenomena which

666

00:25:49,430 --> 00:25:47,840

everybody always wants to you know

667

00:25:51,029 --> 00:25:49,440

stovepipe this stuff

668

00:25:52,710 --> 00:25:51,039

and treat them like they're separate and

669

00:25:55,269 --> 00:25:52,720

you're the only guy who can

670

00:25:57,510 --> 00:25:55,279

kind of do full spectrum but talk for a

671

00:26:00,710 --> 00:25:57,520

minute about that that sabbateen francis

672

00:26:02,470 --> 00:26:00,720

death cult transgression do the opposite

673

00:26:05,669 --> 00:26:02,480

of what the right thing in your heart

674

00:26:06,390 --> 00:26:05,679

is to do has been this ongoing recurring

675

00:26:10,149 --> 00:26:06,400

theme

676

00:26:12,390 --> 00:26:10,159

of these folks well um i i do talk uh i

677

00:26:15,269 --> 00:26:12,400

do uh talk about the seventeen francis

678

00:26:16,149 --> 00:26:15,279

uh cult in um in the answer and weave it

679

00:26:18,149 --> 00:26:16,159

in with

680

00:26:19,510 --> 00:26:18,159

with with current events as well as much

681

00:26:23,990 --> 00:26:19,520

much else

682

00:26:27,750 --> 00:26:24,000

um but um you know to break this down

683

00:26:31,909 --> 00:26:27,760

into a into a simple um

684

00:26:34,549 --> 00:26:31,919

explanation um i've been writing for

685

00:26:35,029 --> 00:26:34,559

a long time decades really here in

686

00:26:39,350 --> 00:26:35,039

different

687

00:26:41,590 --> 00:26:39,360

what i call a mine virus

688

00:26:43,190 --> 00:26:41,600

and when i say mind virus and i mention

689

00:26:46,390 --> 00:26:43,200

it already in our chat

690

00:26:48,710 --> 00:26:46,400

i'm not talking about um the kind of

691

00:26:49,510 --> 00:26:48,720

virus that people say is a physical

692

00:26:52,549 --> 00:26:49,520

virus

693

00:26:59,430 --> 00:26:52,559

the

694

00:27:02,549 --> 00:26:59,440

and um it basically works

695

00:27:03,669 --> 00:27:02,559

in the human mind in the same way that

696

00:27:07,669 --> 00:27:03,679

computer virus works

697

00:27:10,390 --> 00:27:07,679

so um if you think of a computer

698

00:27:11,750 --> 00:27:10,400

that's the five sense mind and then

699

00:27:14,710 --> 00:27:11,760

you've got the person

700

00:27:16,870 --> 00:27:14,720

on the keyboard with the mouse that's

701
00:27:18,950 --> 00:27:16,880
expanded consciousness

702
00:27:20,310 --> 00:27:18,960
now when there's a virus that takes over

703
00:27:24,149 --> 00:27:20,320
the computer

704
00:27:24,950 --> 00:27:24,159
um if it's bad enough the person on the

705
00:27:27,269 --> 00:27:24,960
um

706
00:27:28,549 --> 00:27:27,279
the keyboard and the and the mouse is

707
00:27:30,630 --> 00:27:28,559
banging away

708
00:27:32,630 --> 00:27:30,640
and the computer is not reacting it's

709
00:27:34,149 --> 00:27:32,640
now gone its own way something else has

710
00:27:36,070 --> 00:27:34,159
taken over

711
00:27:37,909 --> 00:27:36,080
and i say and i've been saying for a

712
00:27:42,149 --> 00:27:37,919
long long long time

713
00:27:45,750 --> 00:27:42,159

that there is um a a consciousness

714

00:27:48,870 --> 00:27:45,760

that is in a very distorted state

715

00:27:53,190 --> 00:27:48,880

um that and that distortion

716

00:27:56,950 --> 00:27:53,200

makes it malevolent in its intent

717

00:27:58,230 --> 00:27:56,960

which um attaches to the human mind it

718

00:28:00,950 --> 00:27:58,240

particularly uh

719

00:28:01,669 --> 00:28:00,960

because it's of a frequency in and of

720

00:28:04,389 --> 00:28:01,679

itself

721

00:28:06,389 --> 00:28:04,399

and not a high frequency either if you

722

00:28:08,710 --> 00:28:06,399

get pulled into low vibrational

723

00:28:12,470 --> 00:28:08,720

emotional states like depression and

724

00:28:14,630 --> 00:28:12,480

anxiety and fear and

725

00:28:16,630 --> 00:28:14,640

resentment hatred all these low

726

00:28:17,669 --> 00:28:16,640

vibrational emotions then you you are

727

00:28:20,630 --> 00:28:17,679

basically

728

00:28:22,630 --> 00:28:20,640

moving your your frequency state into

729

00:28:25,350 --> 00:28:22,640

its stadium

730

00:28:27,830 --> 00:28:25,360

um a drug uh taking and stuff like that

731

00:28:31,190 --> 00:28:27,840

can pull you into its stadium

732

00:28:32,950 --> 00:28:31,200

and um what i was um uh reading the

733

00:28:33,909 --> 00:28:32,960

other day and i've just got a book which

734

00:28:37,510 --> 00:28:33,919

i'm

735

00:28:39,669 --> 00:28:37,520

quite away into already um was the um

736

00:28:41,590 --> 00:28:39,679

native american concept of what they

737

00:28:44,310 --> 00:28:41,600

call a teacup

738

00:28:45,590 --> 00:28:44,320

which is in the way it's described and

739

00:28:47,750 --> 00:28:45,600

many many different

740

00:28:50,549 --> 00:28:47,760

native american groups have different

741

00:28:51,990 --> 00:28:50,559

names but watico is one of them

742

00:28:53,590 --> 00:28:52,000

what they're describing is what i've

743

00:28:57,590 --> 00:28:53,600

been describing my books over the years

744

00:29:01,430 --> 00:28:57,600

as a com equivalent to a computer virus

745

00:29:04,549 --> 00:29:01,440

and so if you take that symbolism

746

00:29:06,389 --> 00:29:04,559

of the computer and the uh the guy at

747

00:29:07,029 --> 00:29:06,399

the keyboard the guy the keyboard being

748

00:29:09,669 --> 00:29:07,039

the

749

00:29:10,070 --> 00:29:09,679

symbolic of expanded consciousness what

750

00:29:14,710 --> 00:29:10,080

this

751

00:29:18,470 --> 00:29:14,720

um mind virus does is get into that

752

00:29:21,269 --> 00:29:18,480

that that gap for want of a word

753

00:29:22,549 --> 00:29:21,279

between the five sense mind and expanded

754

00:29:25,750 --> 00:29:22,559

awareness

755

00:29:27,909 --> 00:29:25,760

and it can isolate uh you in these

756

00:29:31,110 --> 00:29:27,919

bubbles that i'm talking about

757

00:29:34,070 --> 00:29:31,120

and the um the whole the whole thing

758

00:29:35,909 --> 00:29:34,080

takes place in the subconscious mind

759

00:29:38,870 --> 00:29:35,919

this mind virus operates in the

760

00:29:40,710 --> 00:29:38,880

subconscious mind the conscious mind

761

00:29:42,070 --> 00:29:40,720

believes it's making its own decisions

762

00:29:44,549 --> 00:29:42,080

and coming to its own

763

00:29:45,909 --> 00:29:44,559

um conclusions and perceptions but

764

00:29:49,830 --> 00:29:45,919

actually they're being fed

765

00:29:53,430 --> 00:29:49,840

um out of the subconscious mind uh and i

766

00:29:56,870 --> 00:29:53,440

have seen this such a tremendous

767

00:29:57,269 --> 00:29:56,880

amount in the last few months where i've

768

00:30:01,029 --> 00:29:57,279

seen

769

00:30:02,870 --> 00:30:01,039

people who have concluded

770

00:30:04,549 --> 00:30:02,880

their perceptions of this quote virus

771

00:30:05,590 --> 00:30:04,559

situation and what should happen and all

772

00:30:07,510 --> 00:30:05,600

the rest of it

773

00:30:09,990 --> 00:30:07,520

and these are my opinions this is what i

774

00:30:11,990 --> 00:30:10,000

think and then you listen to them

775

00:30:14,149 --> 00:30:12,000

and they're simply repeating the

776

00:30:16,389 --> 00:30:14,159

official narrative

777

00:30:17,590 --> 00:30:16,399

and what which they've taken to be their

778

00:30:20,549 --> 00:30:17,600

own

779

00:30:21,350 --> 00:30:20,559

perception and one of the concepts of

780

00:30:24,549 --> 00:30:21,360

watico

781

00:30:26,630 --> 00:30:24,559

is that it's a mind blindness

782

00:30:28,549 --> 00:30:26,640

which convinces the conscious mind that

783

00:30:31,590 --> 00:30:28,559

it's not blind

784

00:30:33,590 --> 00:30:31,600

thus people are operating um

785

00:30:35,350 --> 00:30:33,600

in a state of mind blindness while

786

00:30:37,909 --> 00:30:35,360

thinking they're not

787

00:30:38,630 --> 00:30:37,919

and it's it works in the subconscious in

788

00:30:42,230 --> 00:30:38,640

the very

789

00:30:43,990 --> 00:30:42,240

similar way to subliminal inserts and

790

00:30:46,149 --> 00:30:44,000

advertisements

791

00:30:47,430 --> 00:30:46,159

whereby the conscious mind looks in

792

00:30:49,350 --> 00:30:47,440

advertisement and there's

793

00:30:50,630 --> 00:30:49,360

there's a subliminal insert there

794

00:30:52,950 --> 00:30:50,640

subliminal

795

00:30:55,909 --> 00:30:52,960

below threshold below the threshold of

796

00:30:57,830 --> 00:30:55,919

the conscious mind and it won't see it

797

00:30:59,350 --> 00:30:57,840

but once someone points out the

798

00:31:01,350 --> 00:30:59,360

subliminal insert

799

00:31:03,110 --> 00:31:01,360

and this is i've experienced this it

800

00:31:05,509 --> 00:31:03,120

absolutely happens

801
00:31:07,190 --> 00:31:05,519
from that moment on the conscious mind

802
00:31:08,870 --> 00:31:07,200
every time it looks at that advert

803
00:31:11,830 --> 00:31:08,880
the first thing it will see will be the

804
00:31:16,549 --> 00:31:15,669
implant insert and one of the concepts

805
00:31:18,950 --> 00:31:16,559
of watiko

806
00:31:20,950 --> 00:31:18,960
is that if when the conscious mind

807
00:31:25,029 --> 00:31:20,960
becomes aware

808
00:31:28,470 --> 00:31:25,039
of its influence

809
00:31:33,990 --> 00:31:28,480
that its influence wanes and goes

810
00:31:40,630 --> 00:31:37,190
a quick way to um

811
00:31:42,070 --> 00:31:40,640
bypass this mine virus which goes under

812
00:31:44,789 --> 00:31:42,080
endless different names in endless

813
00:31:48,710 --> 00:31:44,799

different cultures the same concept

814

00:31:52,950 --> 00:31:50,669

redesignation re-evaluation of

815

00:31:57,269 --> 00:31:52,960

self-identity

816

00:31:57,990 --> 00:31:57,279

because while we are self-identifying

817

00:32:01,830 --> 00:31:58,000

with our

818

00:32:05,590 --> 00:32:01,840

labels what are we self-identifying with

819

00:32:07,430 --> 00:32:05,600

with five sense concepts

820

00:32:08,630 --> 00:32:07,440

and thus we're pulled into the five

821

00:32:12,870 --> 00:32:08,640

sense realm

822

00:32:16,230 --> 00:32:12,880

by our um by our perception of

823

00:32:19,230 --> 00:32:16,240

of that being the eye but

824

00:32:20,389 --> 00:32:19,240

when you um re-evaluate your

825

00:32:23,029 --> 00:32:20,399

self-identity

826

00:32:24,070 --> 00:32:23,039

from i am my labels to i am the

827

00:32:26,870 --> 00:32:24,080

consciousness

828

00:32:27,269 --> 00:32:26,880

having the experience called the labels

829

00:32:30,149 --> 00:32:27,279

then

830

00:32:31,590 --> 00:32:30,159

immediately your perception of self

831

00:32:34,230 --> 00:32:31,600

expands

832

00:32:34,710 --> 00:32:34,240

you no longer ethel on the checkout or

833

00:32:37,350 --> 00:32:34,720

bill

834

00:32:39,430 --> 00:32:37,360

at the call center that's an experience

835

00:32:41,590 --> 00:32:39,440

you are the consciousness ultimately

836

00:32:42,630 --> 00:32:41,600

infinite in nature that is having that

837

00:32:46,310 --> 00:32:42,640

experience

838

00:32:48,549 --> 00:32:46,320

and as you um expand your self-identity

839

00:32:51,430 --> 00:32:48,559

you expand your consciousness

840

00:32:52,230 --> 00:32:51,440

your consciousness moves into higher

841

00:32:55,750 --> 00:32:52,240

frequencies

842

00:32:59,190 --> 00:32:55,760

of um of resonance and you are

843

00:33:00,789 --> 00:32:59,200

you are leaving the realm of what's he

844

00:33:04,070 --> 00:33:00,799

called the mind virus the

845

00:33:04,630 --> 00:33:04,080

mind blindness look that is outstanding

846

00:33:07,269 --> 00:33:04,640

and there

847

00:33:08,950 --> 00:33:07,279

i want every bit of that in there but i

848

00:33:10,950 --> 00:33:08,960

also want to return you

849

00:33:13,110 --> 00:33:10,960

particularly because there's like a

850

00:33:16,070 --> 00:33:13,120

number of different plays

851

00:33:16,870 --> 00:33:16,080

in the playbook right so the watico is

852

00:33:21,430 --> 00:33:16,880

one

853

00:33:25,110 --> 00:33:21,440

really think what you tuned into

854

00:33:29,430 --> 00:33:25,120

with this sabbatian cult of evil

855

00:33:32,230 --> 00:33:29,440

and which is only available to us

856

00:33:33,750 --> 00:33:32,240

because of the cult of religion so we

857

00:33:35,909 --> 00:33:33,760

take a cult like

858

00:33:37,669 --> 00:33:35,919

the the jewish cult just like the

859

00:33:40,470 --> 00:33:37,679

christian cult just like all

860

00:33:42,149 --> 00:33:40,480

religions taken obfuscate our true

861

00:33:44,310 --> 00:33:42,159

relationship to the largest

862

00:33:46,310 --> 00:33:44,320

to the larger consciousness in order to

863

00:33:47,909 --> 00:33:46,320

kind of create this control mechanisms

864

00:33:49,750 --> 00:33:47,919

that's what religions do

865

00:33:51,430 --> 00:33:49,760

it doesn't mean that some spirituality

866

00:33:53,350 --> 00:33:51,440

can't come through them but

867

00:33:54,630 --> 00:33:53,360

what i think is particularly important

868

00:33:58,549 --> 00:33:54,640

that you point out

869

00:34:01,350 --> 00:33:58,559

is this idea of transgression

870

00:34:02,470 --> 00:34:01,360

the idea of redemption through sin the

871

00:34:05,190 --> 00:34:02,480

idea that it's

872

00:34:05,990 --> 00:34:05,200

best to do the worst and that will

873

00:34:08,069 --> 00:34:06,000

somehow so

874

00:34:10,230 --> 00:34:08,079

that is another it's almost like a

875

00:34:10,629 --> 00:34:10,240

different mind virus that gets played

876
00:34:12,069 --> 00:34:10,639
out

877
00:34:14,069 --> 00:34:12,079
but what i thought you did such a

878
00:34:16,790 --> 00:34:14,079
beautiful job of explaining is

879
00:34:17,909 --> 00:34:16,800
i think a lot of people have a trouble

880
00:34:20,950 --> 00:34:17,919
understanding

881
00:34:24,310 --> 00:34:20,960
how these folks could do such

882
00:34:24,950 --> 00:34:24,320
horrible horrible things and i think you

883
00:34:27,030 --> 00:34:24,960
really

884
00:34:28,069 --> 00:34:27,040
tuned into it there is that they are

885
00:34:31,349 --> 00:34:28,079
raising

886
00:34:33,669 --> 00:34:31,359
that horror to uh something that they

887
00:34:35,190 --> 00:34:33,679
celebrate as being their highest form of

888
00:34:38,230 --> 00:34:35,200

their spiritual expression

889

00:34:38,950 --> 00:34:38,240

and as twisted as that might be they've

890

00:34:41,190 --> 00:34:38,960

made that

891

00:34:42,149 --> 00:34:41,200

their religion do you have any thoughts

892

00:34:45,510 --> 00:34:42,159

on any of that

893

00:34:46,550 --> 00:34:45,520

well um i was just going to complete the

894

00:34:49,510 --> 00:34:46,560

um

895

00:34:50,790 --> 00:34:49,520

the the the uh sequence of what i was

896

00:34:53,669 --> 00:34:50,800

talking about

897

00:34:55,349 --> 00:34:53,679

which was going to bring me into sabote

898

00:34:56,310 --> 00:34:55,359

and francis and was going to bring me

899

00:34:59,349 --> 00:34:56,320

into this

900

00:35:00,550 --> 00:34:59,359

global death cult that i expose in the

901
00:35:03,990 --> 00:35:00,560
answer

902
00:35:07,190 --> 00:35:04,000
because having described

903
00:35:11,190 --> 00:35:07,200
what's he called this um

904
00:35:13,750 --> 00:35:11,200
this deeply imbalanced deeply distorted

905
00:35:16,470 --> 00:35:13,760
state of consciousness

906
00:35:18,390 --> 00:35:16,480
and what this death cult is whether it's

907
00:35:18,950 --> 00:35:18,400
the sabbaty and frank is part of it or

908
00:35:22,310 --> 00:35:18,960
whether it's

909
00:35:23,190 --> 00:35:22,320
um other expressions and the the global

910
00:35:26,390 --> 00:35:23,200
cultures

911
00:35:30,310 --> 00:35:26,400
as a whole it is a

912
00:35:33,510 --> 00:35:30,320
completely wateco controlled

913
00:35:36,790 --> 00:35:33,520

state of mind state of

914

00:35:38,950 --> 00:35:36,800

consciousness state of perception so

915

00:35:40,069 --> 00:35:38,960

when you look at sabote and francism for

916

00:35:43,030 --> 00:35:40,079

instance

917

00:35:44,950 --> 00:35:43,040

one of the things it does is invert

918

00:35:48,230 --> 00:35:44,960

everything

919

00:35:50,230 --> 00:35:48,240

and what is this distortion this

920

00:35:52,150 --> 00:35:50,240

distorted consciousness that the native

921

00:35:53,030 --> 00:35:52,160

americans call watico i call the mind

922

00:35:56,069 --> 00:35:53,040

virus

923

00:35:59,349 --> 00:35:56,079

it is a distortion

924

00:36:03,829 --> 00:35:59,359

of balanced

925

00:36:05,990 --> 00:36:03,839

love based reality um and

926
00:36:07,270 --> 00:36:06,000
you know if you look through through

927
00:36:10,069 --> 00:36:07,280
history you

928
00:36:12,150 --> 00:36:10,079
wherever you go whether it's a religion

929
00:36:15,270 --> 00:36:12,160
or whether it's a native

930
00:36:18,390 --> 00:36:15,280
um kind of

931
00:36:21,190 --> 00:36:18,400
culture you have this constant

932
00:36:22,069 --> 00:36:21,200
theme of good versus evil and all that

933
00:36:24,630 --> 00:36:22,079
stuff

934
00:36:26,950 --> 00:36:24,640
and i would suggest this comes from this

935
00:36:29,390 --> 00:36:26,960
distorted consciousness

936
00:36:31,270 --> 00:36:29,400
that seeks to manipulate and and

937
00:36:34,550 --> 00:36:31,280
assimilate

938
00:36:37,430 --> 00:36:34,560

other consciousness into itself

939

00:36:39,589 --> 00:36:37,440

and and that which is love which is

940

00:36:43,109 --> 00:36:39,599

balance that which is harmony

941

00:36:46,710 --> 00:36:43,119

etc and so

942

00:36:49,910 --> 00:36:46,720

you have this mind virus but this cult

943

00:36:55,030 --> 00:36:49,920

is its human expression because

944

00:37:01,670 --> 00:36:58,310

is based on its distortion

945

00:37:04,390 --> 00:37:01,680

this is why this death cult um is

946

00:37:05,190 --> 00:37:04,400

connected and i've connected it so many

947

00:37:09,109 --> 00:37:05,200

times

948

00:37:09,670 --> 00:37:09,119

to satanism to pedophilia to the banking

949

00:37:13,109 --> 00:37:09,680

system

950

00:37:16,150 --> 00:37:13,119

crushing human uh human lives

951
00:37:19,510 --> 00:37:16,160
all these things that have gone on

952
00:37:21,190 --> 00:37:19,520
all the things that we'd rather like the

953
00:37:22,950 --> 00:37:21,200
world to be rid of

954
00:37:24,630 --> 00:37:22,960
including current events i would

955
00:37:27,030 --> 00:37:24,640
strongly suggest

956
00:37:28,550 --> 00:37:27,040
are actually expressions through this

957
00:37:34,270 --> 00:37:28,560
cult

958
00:37:38,150 --> 00:37:34,280
of this mind virus and it's seeking to

959
00:37:41,670 --> 00:37:38,160
manipulate the general population

960
00:37:45,750 --> 00:37:41,680
into these low states of

961
00:37:48,950 --> 00:37:45,760
emotional frequency i mean look around

962
00:37:53,190 --> 00:37:48,960
alex at current events

963
00:37:56,069 --> 00:37:53,200

what what level of anxiety and fear

964

00:37:57,430 --> 00:37:56,079

uh is coming off people what

965

00:38:00,790 --> 00:37:57,440

increasingly i see

966

00:38:01,430 --> 00:38:00,800

what what level of hatred is coming off

967

00:38:04,950 --> 00:38:01,440

people

968

00:38:07,349 --> 00:38:04,960

all these divisions in society this is

969

00:38:08,550 --> 00:38:07,359

classic expressions of this mind virus

970

00:38:11,910 --> 00:38:08,560

and this cult

971

00:38:12,630 --> 00:38:11,920

which in in its um if you like physical

972

00:38:16,829 --> 00:38:12,640

human

973

00:38:18,950 --> 00:38:16,839

form um is

974

00:38:20,069 --> 00:38:18,960

structuring and manipulating human

975

00:38:22,870 --> 00:38:20,079

society to

976
00:38:24,230 --> 00:38:22,880
generate these low vibrational emotions

977
00:38:27,349 --> 00:38:24,240
so what does that do

978
00:38:29,430 --> 00:38:27,359
it starts to um make a

979
00:38:31,190 --> 00:38:29,440
vibrational fusion between this

980
00:38:32,630 --> 00:38:31,200
distortion and the increasingly

981
00:38:35,750 --> 00:38:32,640
distorted

982
00:38:37,510 --> 00:38:35,760
human perceptual uh states

983
00:38:40,870 --> 00:38:37,520
caused by the way that society is

984
00:38:44,470 --> 00:38:40,880
manipulated so the answer

985
00:38:47,910 --> 00:38:44,480
the answer is is not to find a solution

986
00:38:51,829 --> 00:38:47,920
it's to go the other way uh

987
00:38:54,790 --> 00:38:51,839
to stop getting um pulled into these

988
00:38:57,349 --> 00:38:54,800

low vibrational emotions because again

989

00:38:59,910 --> 00:38:57,359

you go back to the watico concept

990

00:39:00,550 --> 00:38:59,920

um the native americans and and others

991

00:39:02,150 --> 00:39:00,560

who have

992

00:39:03,670 --> 00:39:02,160

different names for the same concept

993

00:39:04,790 --> 00:39:03,680

talk about the fact i've mentioned it

994

00:39:07,990 --> 00:39:04,800

already

995

00:39:11,030 --> 00:39:08,000

that once you identify

996

00:39:12,550 --> 00:39:11,040

its influence upon you with the

997

00:39:15,670 --> 00:39:12,560

conscious mind

998

00:39:20,069 --> 00:39:15,680

it loses its power uh

999

00:39:23,190 --> 00:39:20,079

and you know when you uh you read um

1000

00:39:23,510 --> 00:39:23,200

articles by psychologists and and you

1001
00:39:26,710 --> 00:39:23,520
see

1002
00:39:29,510 --> 00:39:26,720
various studies that have been done they

1003
00:39:32,150 --> 00:39:29,520
estimate that 95

1004
00:39:33,829 --> 00:39:32,160
of human action which is usually

1005
00:39:37,109 --> 00:39:33,839
reaction

1006
00:39:39,270 --> 00:39:37,119
is subconscious in nature you can see

1007
00:39:42,470 --> 00:39:39,280
that actually the conscious mind

1008
00:39:45,270 --> 00:39:42,480
um becomes a spectator

1009
00:39:47,510 --> 00:39:45,280
to the subconscious mind and it's in the

1010
00:39:48,550 --> 00:39:47,520
subconscious that this mind virus

1011
00:39:51,349 --> 00:39:48,560
operates

1012
00:39:53,510 --> 00:39:51,359
and thus um is hidden from the conscious

1013
00:39:56,069 --> 00:39:53,520

mind but when it ceases to be hidden

1014

00:39:58,069 --> 00:39:56,079

then it loses its power david what is

1015

00:40:01,190 --> 00:39:58,079

part of your daily process

1016

00:40:02,630 --> 00:40:01,200

your practice to return to that larger

1017

00:40:05,829 --> 00:40:02,640

consciousness

1018

00:40:10,230 --> 00:40:05,839

i don't do anything i don't do anything

1019

00:40:12,150 --> 00:40:10,240

um except one thing i always do what i

1020

00:40:14,710 --> 00:40:12,160

what i know to be right what i what i

1021

00:40:17,990 --> 00:40:14,720

what i i feel to be right

1022

00:40:21,430 --> 00:40:18,000

so um for instance um if i

1023

00:40:23,510 --> 00:40:21,440

um feel i know

1024

00:40:24,790 --> 00:40:23,520

not least through endless scientific

1025

00:40:28,069 --> 00:40:24,800

studies

1026
00:40:29,270 --> 00:40:28,079
but um wearing a mask is a bad for your

1027
00:40:31,829 --> 00:40:29,280
health and b

1028
00:40:32,390 --> 00:40:31,839
it is actually not about health talk the

1029
00:40:34,550 --> 00:40:32,400
masks

1030
00:40:36,870 --> 00:40:34,560
it's about subjugation it's about

1031
00:40:41,109 --> 00:40:36,880
submission it's about a symbol of

1032
00:40:44,550 --> 00:40:41,119
of um submission if i believe that

1033
00:40:46,870 --> 00:40:44,560
and i do if i know that to be right here

1034
00:40:47,670 --> 00:40:46,880
then i'm not going to wear a mask and

1035
00:40:49,349 --> 00:40:47,680
i'm going to

1036
00:40:51,589 --> 00:40:49,359
whatever the consequences are of that i

1037
00:40:52,950 --> 00:40:51,599
i well they'll have to take their course

1038
00:40:54,630 --> 00:40:52,960

because i'm doing what i know to be

1039

00:40:58,069 --> 00:40:54,640

right

1040

00:41:01,270 --> 00:40:58,079

if if you you're in a state where

1041

00:41:04,870 --> 00:41:01,280

you you feel that

1042

00:41:07,990 --> 00:41:04,880

but what are the consequences for me

1043

00:41:11,109 --> 00:41:08,000

uh then

1044

00:41:14,230 --> 00:41:11,119

witico's got you so righteous

1045

00:41:17,750 --> 00:41:14,240

righteous action is it's heart

1046

00:41:22,309 --> 00:41:17,760

see when you open your heart it's not

1047

00:41:23,030 --> 00:41:22,319

you know the the love of pure attraction

1048

00:41:25,910 --> 00:41:23,040

which was

1049

00:41:28,550 --> 00:41:25,920

is associated with the again the

1050

00:41:31,190 --> 00:41:28,560

distortion of what love is

1051
00:41:31,829 --> 00:41:31,200
what we call love is innate intelligence

1052
00:41:34,309 --> 00:41:31,839
why

1053
00:41:36,790 --> 00:41:34,319
because it's it's a massive connection

1054
00:41:38,550 --> 00:41:36,800
to expanded awareness

1055
00:41:40,069 --> 00:41:38,560
which is why this cult wants to shut the

1056
00:41:43,750 --> 00:41:40,079
heart down

1057
00:41:46,950 --> 00:41:43,760
my heart aches my heart is broken

1058
00:41:49,270 --> 00:41:46,960
look at all the associations of heart

1059
00:41:49,990 --> 00:41:49,280
to states of human perception and states

1060
00:41:53,910 --> 00:41:50,000
of human

1061
00:41:57,109 --> 00:41:53,920
emotion it's not just attraction

1062
00:41:57,510 --> 00:41:57,119
it's innate intelligence and something

1063
00:42:00,950 --> 00:41:57,520

else

1064

00:42:03,910 --> 00:42:00,960

it is without that which

1065

00:42:06,470 --> 00:42:03,920

enslaves humanity more than anything

1066

00:42:09,109 --> 00:42:06,480

else it is without fear

1067

00:42:10,950 --> 00:42:09,119

because this knows it doesn't think this

1068

00:42:14,710 --> 00:42:10,960

thinks

1069

00:42:17,990 --> 00:42:14,720

it knows that we are

1070

00:42:21,349 --> 00:42:18,000

an expression of infinite awareness that

1071

00:42:25,190 --> 00:42:21,359

that is on an infinite journey

1072

00:42:29,990 --> 00:42:25,200

of explanation of forever forever

1073

00:42:32,470 --> 00:42:30,000

so what is there to fear

1074

00:42:35,589 --> 00:42:32,480

from that state of self i i wrote to

1075

00:42:38,870 --> 00:42:35,599

somebody today i said life starts

1076
00:42:39,510 --> 00:42:38,880
when fear of death ends it's one of the

1077
00:42:42,790 --> 00:42:39,520
great

1078
00:42:46,790 --> 00:42:44,950
fears fear of the unknown which is it's

1079
00:42:49,589 --> 00:42:46,800
an expression of

1080
00:42:51,910 --> 00:42:49,599
um and so this does what it knows to be

1081
00:42:53,430 --> 00:42:51,920
right so if you open your heart

1082
00:42:55,829 --> 00:42:53,440
first of all it takes you beyond the

1083
00:42:58,069 --> 00:42:55,839
wateco frequency

1084
00:42:59,430 --> 00:42:58,079
which eco can't influence that it could

1085
00:43:02,710 --> 00:42:59,440
close the heart

1086
00:43:04,870 --> 00:43:02,720
and close this heart vortex but it can't

1087
00:43:07,670 --> 00:43:04,880
influence

1088
00:43:08,390 --> 00:43:07,680

what what this heart vortex in an open

1089

00:43:11,589 --> 00:43:08,400

state

1090

00:43:13,589 --> 00:43:11,599

is um is connecting with because it's

1091

00:43:18,550 --> 00:43:13,599

out of its frequency range

1092

00:43:22,230 --> 00:43:18,560

um and if you um if you are without fear

1093

00:43:24,870 --> 00:43:22,240

then you are without intimidation

1094

00:43:26,950 --> 00:43:24,880

and without intimidation the few cannot

1095

00:43:28,710 --> 00:43:26,960

possibly control the many

1096

00:43:30,710 --> 00:43:28,720

one of the things alex that's come out

1097

00:43:34,150 --> 00:43:30,720

of this is um

1098

00:43:35,990 --> 00:43:34,160

is putting to bed at least in a vast

1099

00:43:37,990 --> 00:43:36,000

number of new people

1100

00:43:40,069 --> 00:43:38,000

the idea that i've been told again and

1101
00:43:41,990 --> 00:43:40,079
again in the last 30 years a few people

1102
00:43:45,109 --> 00:43:42,000
can't control the world

1103
00:43:47,910 --> 00:43:45,119
but they can because you've just

1104
00:43:49,829 --> 00:43:47,920
watched it happen you've just watched

1105
00:43:50,950 --> 00:43:49,839
billions under house arrest because a

1106
00:43:52,950 --> 00:43:50,960
tiny few people

1107
00:43:55,670 --> 00:43:52,960
said that it should happen now how does

1108
00:43:59,910 --> 00:43:55,680
that happen it happens because

1109
00:44:02,950 --> 00:43:59,920
those um who are uh told to submit to it

1110
00:44:06,550 --> 00:44:02,960
acquiesce to it it's a whole

1111
00:44:09,109 --> 00:44:06,560
um sequence of

1112
00:44:10,790 --> 00:44:09,119
imposition by the few acquiescence by

1113
00:44:12,550 --> 00:44:10,800

the many impositioned by the few

1114

00:44:15,750 --> 00:44:12,560

acquiescence by the many

1115

00:44:16,470 --> 00:44:15,760

now when this opens when you connect

1116

00:44:19,190 --> 00:44:16,480

with that

1117

00:44:20,550 --> 00:44:19,200

what we call love but that it's that's

1118

00:44:23,589 --> 00:44:20,560

been so

1119

00:44:24,550 --> 00:44:23,599

uh discredited as in its real meaning we

1120

00:44:26,870 --> 00:44:24,560

have to use things like

1121

00:44:28,550 --> 00:44:26,880

unconditional love or infinite love to

1122

00:44:31,589 --> 00:44:28,560

try to get anywhere near it

1123

00:44:32,710 --> 00:44:31,599

once that happens you you you're not in

1124

00:44:36,069 --> 00:44:32,720

fear

1125

00:44:38,950 --> 00:44:36,079

thus you're not um intimidated thus you

1126

00:44:43,270 --> 00:44:38,960

will always do what you know to be right

1127

00:44:45,109 --> 00:44:43,280

um and if enough people did that

1128

00:44:46,790 --> 00:44:45,119

then it would be game over because the

1129

00:44:48,630 --> 00:44:46,800

few can only control the many of them

1130

00:44:50,470 --> 00:44:48,640

any acquiesce to it

1131

00:44:51,670 --> 00:44:50,480

david you give me chills i mean you

1132

00:44:53,910 --> 00:44:51,680

literally give me chills

1133

00:44:55,030 --> 00:44:53,920

that's so eloquent and now we understand

1134

00:44:58,790 --> 00:44:55,040

why you fill up

1135

00:45:00,790 --> 00:44:58,800

you're allowed to travel and be

1136

00:45:02,829 --> 00:45:00,800

in other countries while you speak to

1137

00:45:06,470 --> 00:45:02,839

thousands and thousands of people

1138

00:45:09,910 --> 00:45:06,480

unprecedented uh really for for someone

1139

00:45:10,870 --> 00:45:09,920

of in the lane that you're riding in to

1140

00:45:12,309 --> 00:45:10,880

do that

1141

00:45:13,750 --> 00:45:12,319

but i want to return to a question i

1142

00:45:16,230 --> 00:45:13,760

asked kind of at the beginning because i

1143

00:45:18,069 --> 00:45:16,240

think it's also something that

1144

00:45:20,710 --> 00:45:18,079

people struggle with people who are

1145

00:45:23,990 --> 00:45:20,720

spiritually minded struggle with

1146

00:45:27,589 --> 00:45:24,000

and that is the action versus

1147

00:45:31,270 --> 00:45:27,599

being part like i need to just be

1148

00:45:32,150 --> 00:45:31,280

my spiritual self and evolve my

1149

00:45:34,790 --> 00:45:32,160

spiritual self

1150

00:45:36,950 --> 00:45:34,800

versus i need to take action and

1151

00:45:39,589 --> 00:45:36,960

sometimes that action might be

1152

00:45:41,750 --> 00:45:39,599

in conflict ultimately with someone else

1153

00:45:45,510 --> 00:45:41,760

even if i don't seek that out

1154

00:45:48,630 --> 00:45:45,520

how do you balance that action versus

1155

00:45:50,150 --> 00:45:48,640

being the doing versus being part that

1156

00:45:52,390 --> 00:45:50,160

you you get what i'm saying in terms of

1157

00:45:55,990 --> 00:45:52,400

those are common terms common questions

1158

00:45:59,430 --> 00:45:56,000

inside spiritual communities but your

1159

00:46:01,990 --> 00:45:59,440

being becomes your doing

1160

00:46:03,589 --> 00:46:02,000

you're doing is an expression of your

1161

00:46:07,030 --> 00:46:03,599

being

1162

00:46:08,630 --> 00:46:07,040

and i do find alex and you know i've

1163

00:46:10,069 --> 00:46:08,640

been on this journey a long time

1164

00:46:11,670 --> 00:46:10,079

and and i've seen a lot of things i've

1165

00:46:15,190 --> 00:46:11,680

met a lot of people

1166

00:46:17,510 --> 00:46:15,200

um the height of what was called the new

1167

00:46:21,829 --> 00:46:17,520

age movement

1168

00:46:25,670 --> 00:46:21,839

i saw um i met some lovely people

1169

00:46:29,950 --> 00:46:25,680

but i saw an enormous amount

1170

00:46:36,069 --> 00:46:29,960

of denial and

1171

00:46:39,349 --> 00:46:36,079

escapism masquerading as spirituality

1172

00:46:43,270 --> 00:46:39,359

whereby um i'm just working on my

1173

00:46:44,630 --> 00:46:43,280

being and that being an excuse not to

1174

00:46:47,990 --> 00:46:44,640

express

1175

00:46:51,349 --> 00:46:48,000

a doing because you'd rather not

1176

00:46:53,829 --> 00:46:51,359

face the consequences of doing it

1177

00:46:54,790 --> 00:46:53,839

and so they used to say about because

1178

00:46:58,069 --> 00:46:54,800

when i when i

1179

00:47:01,270 --> 00:46:58,079

started going around america

1180

00:47:04,550 --> 00:47:01,280

in the early 1990s or mid 1990s

1181

00:47:06,870 --> 00:47:04,560

um i was invited to speak

1182

00:47:08,870 --> 00:47:06,880

here and there at those big whole life

1183

00:47:10,710 --> 00:47:08,880

expos they used to have

1184

00:47:12,309 --> 00:47:10,720

things won out of los angeles one out of

1185

00:47:14,309 --> 00:47:12,319

san francisco

1186

00:47:15,910 --> 00:47:14,319

and i would be the strange conspiracy

1187

00:47:17,349 --> 00:47:15,920

guy um at uh

1188

00:47:18,950 --> 00:47:17,359

ten o'clock at night when everyone had

1189

00:47:22,549 --> 00:47:18,960

gone home

1190

00:47:26,150 --> 00:47:22,559

um and they used to say

1191

00:47:29,349 --> 00:47:26,160

but what you're saying is negative

1192

00:47:32,470 --> 00:47:29,359

and well two things to that uh

1193

00:47:35,190 --> 00:47:32,480

well they also used to say um you

1194

00:47:37,270 --> 00:47:35,200

you you you're getting people to go go

1195

00:47:40,150 --> 00:47:37,280

into fear

1196

00:47:41,430 --> 00:47:40,160

well two things well a number of things

1197

00:47:44,630 --> 00:47:41,440

never mind two

1198

00:47:47,910 --> 00:47:44,640

one if you are if you are

1199

00:47:50,069 --> 00:47:47,920

spiritually kind of open as you say you

1200

00:47:51,750 --> 00:47:50,079

are so what what why are you talking

1201
00:47:53,349 --> 00:47:51,760
about fear

1202
00:47:55,109 --> 00:47:53,359
you know fear should not be affecting

1203
00:47:56,630 --> 00:47:55,119
you if you if you if you're really

1204
00:47:59,589 --> 00:47:56,640
connected

1205
00:48:00,790 --> 00:47:59,599
and this is the other point i used to

1206
00:48:04,829 --> 00:48:00,800
hear them say

1207
00:48:11,270 --> 00:48:07,510
yes but

1208
00:48:15,589 --> 00:48:11,280
in that case wouldn't it be a good idea

1209
00:48:18,790 --> 00:48:15,599
to address what is keeping them asleep

1210
00:48:22,470 --> 00:48:18,800
because if you if you read my books alex

1211
00:48:25,270 --> 00:48:22,480
i never cover in a book

1212
00:48:28,069 --> 00:48:25,280
the name states places nature of the

1213
00:48:30,630 --> 00:48:28,079

conspiracy without doing the

1214

00:48:31,589 --> 00:48:30,640

go into the spiritual nature of reality

1215

00:48:35,109 --> 00:48:31,599

because the two

1216

00:48:36,309 --> 00:48:35,119

are not um apart from each other they

1217

00:48:39,829 --> 00:48:36,319

are expressions of

1218

00:48:42,870 --> 00:48:39,839

each other uh and you know

1219

00:48:44,950 --> 00:48:42,880

i don't think myself that we come into

1220

00:48:47,670 --> 00:48:44,960

this reality

1221

00:48:49,910 --> 00:48:47,680

as it is to then try to convince

1222

00:48:51,910 --> 00:48:49,920

ourselves that we haven't

1223

00:48:53,430 --> 00:48:51,920

and therefore we we we don't have to go

1224

00:48:55,470 --> 00:48:53,440

into areas that

1225

00:48:57,349 --> 00:48:55,480

we'd rather not go into true

1226

00:49:01,190 --> 00:48:57,359

spirituality

1227

00:49:03,349 --> 00:49:01,200

the great spiritual people of history

1228

00:49:06,309 --> 00:49:03,359

were not necessarily and overwhelmingly

1229

00:49:10,069 --> 00:49:06,319

were not those who went to church

1230

00:49:13,670 --> 00:49:10,079

they weren't those who who ran some

1231

00:49:14,069 --> 00:49:13,680

some covenant or cult they were the ones

1232

00:49:17,030 --> 00:49:14,079

that

1233

00:49:19,349 --> 00:49:17,040

actually said this is not right and i am

1234

00:49:20,230 --> 00:49:19,359

going to do what i can to make a

1235

00:49:22,150 --> 00:49:20,240

difference about

1236

00:49:23,510 --> 00:49:22,160

it and they didn't call themselves

1237

00:49:26,309 --> 00:49:23,520

spiritual

1238

00:49:27,510 --> 00:49:26,319

they didn't call themselves religious

1239

00:49:29,430 --> 00:49:27,520

they just

1240

00:49:32,230 --> 00:49:29,440

did what they knew to be right and

1241

00:49:34,549 --> 00:49:32,240

they're the people that change things

1242

00:49:35,430 --> 00:49:34,559

because they face head-on what needs

1243

00:49:38,870 --> 00:49:35,440

changing

1244

00:49:40,069 --> 00:49:38,880

rather than trying to find an excuse not

1245

00:49:41,430 --> 00:49:40,079

to go there

1246

00:49:43,990 --> 00:49:41,440

i'll give you an example just a quick

1247

00:49:47,670 --> 00:49:44,000

one are there there's someone

1248

00:49:49,190 --> 00:49:47,680

in britain who uh kind of

1249

00:49:51,190 --> 00:49:49,200

claims to be part of the alternative

1250

00:49:54,950 --> 00:49:51,200

media um

1251
00:49:57,829 --> 00:49:54,960
but when the mass came in um

1252
00:49:59,670 --> 00:49:57,839
for mandatory mastering shops they said

1253
00:50:01,589 --> 00:49:59,680
that they had made a decision

1254
00:50:02,710 --> 00:50:01,599
that they were going to wear a mask in

1255
00:50:05,589 --> 00:50:02,720
shops

1256
00:50:07,670 --> 00:50:05,599
because they said they they didn't want

1257
00:50:09,589 --> 00:50:07,680
old people to feel unsafe

1258
00:50:11,030 --> 00:50:09,599
right so you're listening to that you're

1259
00:50:14,230 --> 00:50:11,040
saying no

1260
00:50:17,670 --> 00:50:14,240
let me just rephras um translate that

1261
00:50:20,230 --> 00:50:17,680
you want an excuse not to

1262
00:50:20,710 --> 00:50:20,240
um disobey authority that's what you do

1263
00:50:23,270 --> 00:50:20,720

you want

1264

00:50:24,630 --> 00:50:23,280

and so you've come up with that and

1265

00:50:27,670 --> 00:50:24,640

this is what i mean

1266

00:50:28,950 --> 00:50:27,680

about finding an excuse not to do what

1267

00:50:31,349 --> 00:50:28,960

you know to be right

1268

00:50:32,710 --> 00:50:31,359

and for me once you do this everything

1269

00:50:36,069 --> 00:50:32,720

changes everything

1270

00:50:40,470 --> 00:50:36,079

everything changes not least because

1271

00:50:43,030 --> 00:50:40,480

um as this takes you out there

1272

00:50:44,870 --> 00:50:43,040

to levels of perception level of insight

1273

00:50:47,510 --> 00:50:44,880

levels of awareness

1274

00:50:49,270 --> 00:50:47,520

that are not within this bubble but are

1275

00:50:53,589 --> 00:50:49,280

well beyond the bubble

1276

00:50:57,349 --> 00:50:53,599

you can um observe this reality

1277

00:50:59,510 --> 00:50:57,359

from outside this reality and so instead

1278

00:51:01,270 --> 00:50:59,520

of within the bubble everything's random

1279

00:51:04,069 --> 00:51:01,280

dots what's going on

1280

00:51:05,990 --> 00:51:04,079

you see the picture when you go into

1281

00:51:07,510 --> 00:51:06,000

this expanded state of awareness

1282

00:51:09,589 --> 00:51:07,520

and you know i'm not sitting on a

1283

00:51:11,109 --> 00:51:09,599

mountain like the buddha

1284

00:51:12,870 --> 00:51:11,119

saying look you know i've found

1285

00:51:16,870 --> 00:51:12,880

enlightenment um

1286

00:51:19,750 --> 00:51:16,880

this is this is our natural state

1287

00:51:21,670 --> 00:51:19,760

is it okay for the buddha to sit on the

1288

00:51:23,829 --> 00:51:21,680

mountain is it okay for that

1289

00:51:26,230 --> 00:51:23,839

yogi to sit in the caves in the

1290

00:51:28,230 --> 00:51:26,240

himalayas is he maybe doing his right

1291

00:51:30,710 --> 00:51:28,240

action because i love what you're saying

1292

00:51:31,670 --> 00:51:30,720

i totally you're so totally congruent in

1293

00:51:33,670 --> 00:51:31,680

what you're saying

1294

00:51:35,109 --> 00:51:33,680

can people express that differently or

1295

00:51:37,990 --> 00:51:35,119

or is non-action

1296

00:51:38,870 --> 00:51:38,000

always an excuse but but of course they

1297

00:51:45,030 --> 00:51:38,880

can

1298

00:51:47,829 --> 00:51:45,040

but then again you know when you take

1299

00:51:51,030 --> 00:51:47,839

the story of the buddha

1300

00:51:55,030 --> 00:51:51,040

it wasn't about non-action

1301
00:51:57,510 --> 00:51:55,040
sharing um knowledge is not non-action

1302
00:51:59,670 --> 00:51:57,520
it does action doesn't have to mean that

1303
00:52:04,470 --> 00:51:59,680
you you gra you grab

1304
00:52:07,190 --> 00:52:04,480
a a poster and go out on the street

1305
00:52:08,069 --> 00:52:07,200
in fact i think that's that's a waste of

1306
00:52:15,190 --> 00:52:08,079
of

1307
00:52:17,109 --> 00:52:15,200
um you know i see um people um

1308
00:52:18,470 --> 00:52:17,119
mistaking in my view i can only come

1309
00:52:20,150 --> 00:52:18,480
from from where i'm coming from other

1310
00:52:22,710 --> 00:52:20,160
people have a different view and they're

1311
00:52:23,270 --> 00:52:22,720
entitled to it the right to it but i see

1312
00:52:27,910 --> 00:52:23,280
people

1313
00:52:30,309 --> 00:52:27,920

um going out on protests

1314

00:52:31,030 --> 00:52:30,319

i i'll give you an example we had a

1315

00:52:33,589 --> 00:52:31,040

protest

1316

00:52:35,430 --> 00:52:33,599

uh in britain um against the up against

1317

00:52:36,710 --> 00:52:35,440

the government against the establishment

1318

00:52:38,710 --> 00:52:36,720

right it was an basically an

1319

00:52:40,710 --> 00:52:38,720

anti-establishment protest

1320

00:52:42,630 --> 00:52:40,720

but everyone was wearing a mask or vast

1321

00:52:46,630 --> 00:52:42,640

numbers were wearing a mask

1322

00:52:49,670 --> 00:52:46,640

so you you're going on a protest

1323

00:52:51,109 --> 00:52:49,680

against the establishment yeah are you

1324

00:52:53,270 --> 00:52:51,119

wearing a mask why

1325

00:52:54,549 --> 00:52:53,280

well well because they told us we have

1326

00:52:58,069 --> 00:52:54,559

to uh yeah okay

1327

00:53:00,710 --> 00:52:58,079

so how does that work out you know

1328

00:53:02,390 --> 00:53:00,720

and you go out and you protest okay you

1329

00:53:04,549 --> 00:53:02,400

protested and you know it makes you feel

1330

00:53:08,150 --> 00:53:04,559

good okay that's no problem with that

1331

00:53:10,230 --> 00:53:08,160

but then what um or are you gonna we

1332

00:53:11,750 --> 00:53:10,240

gotta fight the enemy oh yeah

1333

00:53:14,549 --> 00:53:11,760

we're gonna fight the enemy we're gonna

1334

00:53:19,510 --> 00:53:14,559

stop our weapons we're gonna fight them

1335

00:53:23,030 --> 00:53:19,520

um and yet none of that is necessary

1336

00:53:25,030 --> 00:53:23,040

all that is necessary is

1337

00:53:26,790 --> 00:53:25,040

i'm going to do what i know to be right

1338

00:53:28,309 --> 00:53:26,800

and different people will

1339

00:53:30,870 --> 00:53:28,319

come to different conclusions but you're

1340

00:53:35,349 --> 00:53:30,880

doing what you know to be right

1341

00:53:38,069 --> 00:53:35,359

uh and therefore you're not just

1342

00:53:39,270 --> 00:53:38,079

in that perceptual state you are going

1343

00:53:42,790 --> 00:53:39,280

to express it

1344

00:53:46,390 --> 00:53:42,800

it's not just a being it's a doing

1345

00:53:52,069 --> 00:53:46,400

and therefore

1346

00:53:59,349 --> 00:53:56,230

you are making a massive statement and

1347

00:54:03,349 --> 00:53:59,359

collectively you are making a a

1348

00:54:08,829 --> 00:54:03,359

transformation of society with a simple

1349

00:54:15,030 --> 00:54:11,270

no

1350

00:54:18,230 --> 00:54:15,040

can be an incredibly powerfully positive

1351
00:54:20,309 --> 00:54:18,240
word you are going to do this because we

1352
00:54:23,510 --> 00:54:20,319
the few have said you will do it

1353
00:54:27,349 --> 00:54:23,520
no won't do it no no panna

1354
00:54:31,670 --> 00:54:27,359
no protest no stockpiling weapons

1355
00:54:34,790 --> 00:54:31,680
no not doing it um and and whenever

1356
00:54:37,990 --> 00:54:34,800
thousands of people have

1357
00:54:42,230 --> 00:54:38,000
refused to acquiesce

1358
00:54:46,710 --> 00:54:42,240
refuse to obey um

1359
00:54:48,710 --> 00:54:46,720
the all-powerful state

1360
00:54:49,750 --> 00:54:48,720
doesn't know what to do with them

1361
00:54:53,430 --> 00:54:49,760
because the

1362
00:54:55,430 --> 00:54:53,440
the state power and cult power behind

1363
00:54:58,950 --> 00:54:55,440

the state

1364

00:55:02,150 --> 00:54:58,960

depend on human acquiescence it

1365

00:55:06,069 --> 00:55:02,160

it um it depends on

1366

00:55:09,430 --> 00:55:06,079

people saying yes sir

1367

00:55:13,190 --> 00:55:09,440

when they really would rather say no

1368

00:55:16,950 --> 00:55:13,200

but what are the consequences for me

1369

00:55:19,990 --> 00:55:16,960

the heart would never do that

1370

00:55:21,510 --> 00:55:20,000

that's incredible two

1371

00:55:24,069 --> 00:55:21,520

maybe three more questions if i can

1372

00:55:27,510 --> 00:55:24,079

squeeze it in one could you speak

1373

00:55:29,990 --> 00:55:27,520

to religion because

1374

00:55:32,470 --> 00:55:30,000

many people get offended they feel like

1375

00:55:33,349 --> 00:55:32,480

religious beliefs are somehow protected

1376
00:55:36,470 --> 00:55:33,359
beliefs

1377
00:55:38,069 --> 00:55:36,480
and to many other folks it just looks

1378
00:55:39,910 --> 00:55:38,079
like a complete

1379
00:55:41,109 --> 00:55:39,920
another aspect of this social

1380
00:55:44,789 --> 00:55:41,119
engineering project

1381
00:55:47,270 --> 00:55:44,799
it's a way of getting between us

1382
00:55:48,069 --> 00:55:47,280
and our connection to that ultimate

1383
00:55:51,270 --> 00:55:48,079
extended

1384
00:55:52,309 --> 00:55:51,280
consciousness it takes many forms it has

1385
00:55:55,589 --> 00:55:52,319
many of the

1386
00:55:56,789 --> 00:55:55,599
aspects of control that you've talked

1387
00:56:00,549 --> 00:55:56,799
about

1388
00:56:02,950 --> 00:56:00,559

1388 speak to religious beliefs and

1389

00:56:05,270 --> 00:56:02,960

whatever you have to say about that well

1390

00:56:06,870 --> 00:56:05,280

i'm i i call it in general the god

1391

00:56:10,150 --> 00:56:06,880

program

1392

00:56:12,390 --> 00:56:10,160

and we have all these religions alex

1393

00:56:14,789 --> 00:56:12,400

but when you break it down when you

1394

00:56:18,069 --> 00:56:14,799

break the god program down

1395

00:56:19,589 --> 00:56:18,079

it it operates same it's a blueprint

1396

00:56:21,990 --> 00:56:19,599

and all the different names and

1397

00:56:24,390 --> 00:56:22,000

different rituals they kind of

1398

00:56:26,549 --> 00:56:24,400

obscure the fact that actually it is a

1399

00:56:29,190 --> 00:56:26,559

very simple blueprint

1400

00:56:30,150 --> 00:56:29,200

and you've mentioned part of it there in

1401

00:56:32,309 --> 00:56:30,160

that

1402

00:56:33,190 --> 00:56:32,319

you know i talk about this with eco

1403

00:56:37,030 --> 00:56:33,200

virus

1404

00:56:40,789 --> 00:56:37,040

spaces

1405

00:56:43,510 --> 00:56:40,799

mind

1406

00:56:44,549 --> 00:56:43,520

and uh expanded awareness well look at

1407

00:56:48,150 --> 00:56:44,559

the blueprint

1408

00:56:50,470 --> 00:56:48,160

of religion okay so what are you

1409

00:56:51,910 --> 00:56:50,480

i'm a christian what does that mean well

1410

00:56:55,589 --> 00:56:51,920

i go to church

1411

00:56:59,190 --> 00:56:55,599

and this man in a frock

1412

00:57:00,390 --> 00:56:59,200

these women often now uh tells me what

1413

00:57:03,109 --> 00:57:00,400

god wants me to do

1414

00:57:05,190 --> 00:57:03,119

okay well that's interesting and uh he

1415

00:57:07,349 --> 00:57:05,200

tells me the consequences of me not

1416

00:57:10,390 --> 00:57:07,359

doing what god wants me to do

1417

00:57:12,230 --> 00:57:10,400

okay are you oh i'm a muslim

1418

00:57:13,750 --> 00:57:12,240

what does that mean well i go to the

1419

00:57:16,870 --> 00:57:13,760

mosque and this man

1420

00:57:19,990 --> 00:57:16,880

um in in in a frock he tells me

1421

00:57:22,870 --> 00:57:20,000

what god uh uh wants me to do and what

1422

00:57:24,549 --> 00:57:22,880

god will do if i don't do what god says

1423

00:57:25,589 --> 00:57:24,559

which is what this man in a frock tells

1424

00:57:29,349 --> 00:57:25,599

me he says

1425

00:57:30,549 --> 00:57:29,359

okay you oh i i follow judaism

1426

00:57:33,109 --> 00:57:30,559

what does that mean well i go to the

1427

00:57:34,950 --> 00:57:33,119

synagogue for this man in a frock he

1428

00:57:36,390 --> 00:57:34,960

tells me what god wants me to do and

1429

00:57:38,309 --> 00:57:36,400

that there'll be hell and damn nation if

1430

00:57:42,150 --> 00:57:38,319

i don't do what he says

1431

00:57:44,150 --> 00:57:42,160

uh and um and that's that that that's

1432

00:57:46,150 --> 00:57:44,160

what judaism is and so you go on and you

1433

00:57:50,069 --> 00:57:46,160

go on and you go on

1434

00:57:52,390 --> 00:57:50,079

um and what are those people in frocks

1435

00:57:55,190 --> 00:57:52,400

actually doing alex they're getting in

1436

00:57:58,630 --> 00:57:55,200

the spaces

1437

00:58:01,750 --> 00:57:58,640

between the five sense mind and expanded

1438

00:58:03,349 --> 00:58:01,760

consciousness they do not want a direct

1439

00:58:09,990 --> 00:58:03,359

connection

1440

00:58:10,870 --> 00:58:10,000

correct and it's only a human language

1441

00:58:14,309 --> 00:58:10,880

because

1442

00:58:17,990 --> 00:58:14,319

is all

1443

00:58:22,069 --> 00:58:18,000

one does not connect it just is

1444

00:58:25,109 --> 00:58:22,079

um and what what happens is that we get

1445

00:58:27,190 --> 00:58:25,119

a disconnection of

1446

00:58:28,390 --> 00:58:27,200

influence it doesn't mean we're not

1447

00:58:30,470 --> 00:58:28,400

still part of the

1448

00:58:32,150 --> 00:58:30,480

the great forever we always are and

1449

00:58:34,789 --> 00:58:32,160

always will be it's that it's not

1450

00:58:36,150 --> 00:58:34,799

influencing us because of this

1451

00:58:38,549 --> 00:58:36,160

perceptual isolation

1452

00:58:39,670 --> 00:58:38,559

which religion has played a major major

1453

00:58:43,670 --> 00:58:39,680

part in

1454

00:58:48,150 --> 00:58:43,680

so what you had originally

1455

00:58:51,589 --> 00:58:48,160

was uh a forms of culture

1456

00:58:52,710 --> 00:58:51,599

that for all their flaws and there were

1457

00:58:56,309 --> 00:58:52,720

many

1458

00:58:58,230 --> 00:58:56,319

um they practiced a

1459

00:59:00,069 --> 00:58:58,240

direct connection with what they

1460

00:59:03,270 --> 00:59:00,079

perceived as the creator or

1461

00:59:06,630 --> 00:59:03,280

um what i call the one

1462

00:59:11,510 --> 00:59:06,640

and then religion came in

1463

00:59:14,789 --> 00:59:11,520

and it um created that blueprint

1464

00:59:16,069 --> 00:59:14,799

and we got the only through this can you

1465

00:59:19,670 --> 00:59:16,079

get to god

1466

00:59:21,829 --> 00:59:19,680

only through me only through me um

1467

00:59:22,789 --> 00:59:21,839

only through believing me and what i say

1468

00:59:25,670 --> 00:59:22,799

um can you

1469

00:59:26,870 --> 00:59:25,680

can you get there and by the way um

1470

00:59:32,309 --> 00:59:26,880

we're going to give you a

1471

00:59:35,190 --> 00:59:32,319

of rules and regulations

1472

00:59:35,990 --> 00:59:35,200

and if you don't follow them well you

1473

00:59:40,150 --> 00:59:36,000

well

1474

00:59:44,630 --> 00:59:40,160

that's where you're going mate

1475

00:59:47,349 --> 00:59:44,640

and then as the impact of that

1476
00:59:48,710 --> 00:59:47,359
and what was that there was a it was a

1477
00:59:53,910 --> 00:59:48,720
tiny tiny

1478
00:59:54,630 --> 00:59:53,920
um perceptual state that's being sold

1479
00:59:56,630 --> 00:59:54,640
here

1480
00:59:58,230 --> 00:59:56,640
you can't question it because you're

1481
01:00:01,190 --> 00:59:58,240
black you're a blasphemer if you do and

1482
01:00:03,349 --> 01:00:01,200
you're out you're not one of us anymore

1483
01:00:06,390 --> 01:00:03,359
but as people started to reject that

1484
01:00:09,510 --> 01:00:06,400
then in came mainstream science

1485
01:00:14,069 --> 01:00:09,520
and we went from a

1486
01:00:15,910 --> 01:00:14,079
situation where you can only get to the

1487
01:00:17,510 --> 01:00:15,920
state of expanded consciousness as i

1488
01:00:20,309 --> 01:00:17,520

would call it

1489

01:00:23,109 --> 01:00:20,319

if you do what we tell you because we

1490

01:00:26,309 --> 01:00:23,119

know what god wants we went to

1491

01:00:27,510 --> 01:00:26,319

actually there is no state of expanded

1492

01:00:31,109 --> 01:00:27,520

consciousness

1493

01:00:32,870 --> 01:00:31,119

there's just you and you come out of

1494

01:00:34,069 --> 01:00:32,880

nowhere three score years and ten if

1495

01:00:37,030 --> 01:00:34,079

you're lucky and then

1496

01:00:38,789 --> 01:00:37,040

you go back into nowhere so and now

1497

01:00:43,589 --> 01:00:38,799

basically you've got these two

1498

01:00:46,710 --> 01:00:43,599

working uh simultaneously with the

1499

01:00:49,190 --> 01:00:46,720

the science through technology and

1500

01:00:51,910 --> 01:00:49,200

the technocracy that's developing

1501

01:00:54,230 --> 01:00:51,920

control by technocrats not politicians

1502

01:00:56,549 --> 01:00:54,240

um is is now becoming more and more and

1503

01:00:59,109 --> 01:00:56,559

more more dominant

1504

01:01:00,309 --> 01:00:59,119

and there's a common theme i mean just

1505

01:01:03,589 --> 01:01:00,319

look at the common themes

1506

01:01:06,710 --> 01:01:03,599

everywhere that this system

1507

01:01:11,430 --> 01:01:06,720

this cult behind the system is

1508

01:01:14,870 --> 01:01:11,440

um emphasizing everywhere and that is

1509

01:01:17,990 --> 01:01:14,880

you you cannot have a direct connection

1510

01:01:20,150 --> 01:01:18,000

with expanded states of consciousness

1511

01:01:21,430 --> 01:01:20,160

you did have that direct connection and

1512

01:01:23,670 --> 01:01:21,440

i wonder if you could

1513

01:01:25,910 --> 01:01:23,680

tell us how that inform this whole

1514

01:01:28,549 --> 01:01:25,920

process because a lot of people go back

1515

01:01:29,990 --> 01:01:28,559

they'll look they'll read in your books

1516

01:01:31,510 --> 01:01:30,000

and maybe you want to mention the books

1517

01:01:33,030 --> 01:01:31,520

that actually detail

1518

01:01:34,549 --> 01:01:33,040

you being on the mountain and having

1519

01:01:37,190 --> 01:01:34,559

that experience direct

1520

01:01:37,990 --> 01:01:37,200

experience personal experience and then

1521

01:01:40,470 --> 01:01:38,000

interacting with

1522

01:01:42,069 --> 01:01:40,480

nature in a strange way that we hear so

1523

01:01:43,030 --> 01:01:42,079

often you know the cloud comes over i

1524

01:01:44,470 --> 01:01:43,040

can't only tell you

1525

01:01:46,549 --> 01:01:44,480

how many times i've heard that from

1526

01:01:48,630 --> 01:01:46,559

other people who've had these shamanic

1527

01:01:49,670 --> 01:01:48,640

journeys but you experienced this

1528

01:01:51,750 --> 01:01:49,680

extended realm

1529

01:01:53,510 --> 01:01:51,760

it even changed you in this

1530

01:01:55,190 --> 01:01:53,520

transformational way where

1531

01:01:56,950 --> 01:01:55,200

a lot of people struggle reintegrating

1532

01:01:58,950 --> 01:01:56,960

that and you did for a few months

1533

01:02:00,309 --> 01:01:58,960

but then you just explode in terms of

1534

01:02:01,750 --> 01:02:00,319

your knowledge and what you've been able

1535

01:02:03,990 --> 01:02:01,760

to bring forth with that

1536

01:02:04,789 --> 01:02:04,000

but i also want you to expl explain if

1537

01:02:06,630 --> 01:02:04,799

you can

1538

01:02:09,109 --> 01:02:06,640

what you learned about the other realms

1539

01:02:10,789 --> 01:02:09,119

of that extended realm

1540

01:02:13,029 --> 01:02:10,799

in particular maybe some of the darker

1541

01:02:14,549 --> 01:02:13,039

aspects of it can you tie that into it

1542

01:02:15,829 --> 01:02:14,559

your direct experience and where we can

1543

01:02:17,990 --> 01:02:15,839

learn more about that

1544

01:02:20,470 --> 01:02:18,000

well i mean what what happened to me is

1545

01:02:22,390 --> 01:02:20,480

um just very quickly uh i was a

1546

01:02:23,990 --> 01:02:22,400

television presenter with the bbc

1547

01:02:26,710 --> 01:02:24,000

and a national spokesman for the british

1548

01:02:29,750 --> 01:02:26,720

green party at the time in the 1980s

1549

01:02:33,589 --> 01:02:29,760

um i had this strange experience uh

1550

01:02:34,950 --> 01:02:33,599

over a year where when i was in a room

1551

01:02:36,789 --> 01:02:34,960

alone it seemed like

1552

01:02:38,549 --> 01:02:36,799

there was someone else there this got

1553

01:02:39,829 --> 01:02:38,559

more and more tangible more and more

1554

01:02:43,190 --> 01:02:39,839

powerful

1555

01:02:44,870 --> 01:02:43,200

and eventually i um spoke out into an

1556

01:02:46,470 --> 01:02:44,880

empty hotel room

1557

01:02:48,549 --> 01:02:46,480

if you're there would you please contact

1558

01:02:52,230 --> 01:02:48,559

me because you're driving me up the wall

1559

01:02:55,190 --> 01:02:52,240

and a few days later not many days

1560

01:02:56,870 --> 01:02:55,200

i was in a bookstore just down the road

1561

01:02:58,309 --> 01:02:56,880

from here still there not a bookstore so

1562

01:03:02,470 --> 01:02:58,319

much as a news shop

1563

01:03:05,589 --> 01:03:02,480

news agent and i had this experience

1564

01:03:09,829 --> 01:03:05,599

um where suddenly

1565

01:03:12,230 --> 01:03:09,839

my feet uh were stuck to the ground

1566

01:03:14,309 --> 01:03:12,240

um i was standing at the entrance uh

1567

01:03:16,630 --> 01:03:14,319

like magnets were pulling them down

1568

01:03:17,589 --> 01:03:16,640

to the ground and i had this it wasn't a

1569

01:03:19,910 --> 01:03:17,599

voice it was a

1570

01:03:21,510 --> 01:03:19,920

thought form a strong thought form it

1571

01:03:23,589 --> 01:03:21,520

said go and look at the books on the far

1572

01:03:25,589 --> 01:03:23,599

side now i'm new to all this at the time

1573

01:03:28,950 --> 01:03:25,599

this is 30 years ago

1574

01:03:31,430 --> 01:03:28,960

uh and i'm bewildered of what's going on

1575

01:03:32,549 --> 01:03:31,440

and and i start walking towards the very

1576

01:03:34,870 --> 01:03:32,559

few books in this

1577

01:03:36,549 --> 01:03:34,880

shop because it sold tourist things

1578

01:03:39,029 --> 01:03:36,559

buckets and spades

1579

01:03:39,910 --> 01:03:39,039

newspapers and stuff very few books and

1580

01:03:41,829 --> 01:03:39,920

they were

1581

01:03:43,109 --> 01:03:41,839

romantic novels overwhelmingly i knew

1582

01:03:44,470 --> 01:03:43,119

the shop well i thought

1583

01:03:46,710 --> 01:03:44,480

what what the hell am i going over here

1584

01:03:48,710 --> 01:03:46,720

for but

1585

01:03:50,150 --> 01:03:48,720

something was leading me there and i got

1586

01:03:51,670 --> 01:03:50,160

there and there was one book in among

1587

01:03:53,510 --> 01:03:51,680

the romantic novels and it was a book

1588

01:03:55,270 --> 01:03:53,520

called mind to mind by betty shine who

1589

01:03:56,549 --> 01:03:55,280

was a professional psychic i'd never

1590

01:03:58,789 --> 01:03:56,559

psychic before

1591

01:04:00,470 --> 01:03:58,799

but i i just had a year with this

1592

01:04:02,470 --> 01:04:00,480

presence around me and which was getting

1593

01:04:04,870 --> 01:04:02,480

more and more powerful so

1594

01:04:05,910 --> 01:04:04,880

i read her book i went to see her not

1595

01:04:08,470 --> 01:04:05,920

telling her anything

1596

01:04:10,950 --> 01:04:08,480

except that you know maybe her hands-on

1597

01:04:14,630 --> 01:04:10,960

healing might help side arthritis

1598

01:04:16,309 --> 01:04:14,640

and um in the three times three times

1599

01:04:17,430 --> 01:04:16,319

four times i went over a period of a

1600

01:04:20,630 --> 01:04:17,440

month

1601
01:04:22,230 --> 01:04:20,640
um she went into psychic mode and said i

1602
01:04:25,510 --> 01:04:22,240
was going to go out in a world stage and

1603
01:04:27,109 --> 01:04:25,520
reveal great secrets and basically

1604
01:04:28,630 --> 01:04:27,119
she described what has happened in the

1605
01:04:33,510 --> 01:04:28,640
last 30 years

1606
01:04:37,270 --> 01:04:33,520
um in um in in a few minutes

1607
01:04:39,510 --> 01:04:37,280
and then i

1608
01:04:41,349 --> 01:04:39,520
in a bewildered state because my life

1609
01:04:42,789 --> 01:04:41,359
was dramatically changing my

1610
01:04:44,510 --> 01:04:42,799
awareness my perceptions were

1611
01:04:48,630 --> 01:04:44,520
dramatically changing through

1612
01:04:50,950 --> 01:04:48,640
1990 and into early 1991 and suddenly i

1613
01:04:52,470 --> 01:04:50,960

um i had this overwhelming feeling to go

1614

01:04:58,950 --> 01:04:52,480

to peru

1615

01:05:00,630 --> 01:04:58,960

purely on i i know i know i need to go

1616

01:05:02,309 --> 01:05:00,640

there you know this this intuitive

1617

01:05:03,270 --> 01:05:02,319

knowing that we have when we open our

1618

01:05:05,109 --> 01:05:03,280

heart

1619

01:05:07,430 --> 01:05:05,119

uh and so i went there and lots of

1620

01:05:08,150 --> 01:05:07,440

amazing things happened uh but i ended

1621

01:05:10,150 --> 01:05:08,160

up on a

1622

01:05:11,589 --> 01:05:10,160

on a on a hill at a place called

1623

01:05:13,990 --> 01:05:11,599

siustani

1624

01:05:15,430 --> 01:05:14,000

uh not far from puno in uh near lake

1625

01:05:18,870 --> 01:05:15,440

city car car

1626

01:05:22,069 --> 01:05:18,880

and um i i i was

1627

01:05:23,750 --> 01:05:22,079

i was in a i was in a kind of a taxi bus

1628

01:05:25,190 --> 01:05:23,760

which i'd hired to take me there it was

1629

01:05:27,990 --> 01:05:25,200

out of season

1630

01:05:29,510 --> 01:05:28,000

uh and as we were driving away um i

1631

01:05:32,069 --> 01:05:29,520

looked at this hill

1632

01:05:33,430 --> 01:05:32,079

and uh all i could hear in my head was

1633

01:05:37,109 --> 01:05:33,440

come to me come to me

1634

01:05:38,950 --> 01:05:37,119

people

1635

01:05:40,470 --> 01:05:38,960

will appreciate when this is all new to

1636

01:05:41,589 --> 01:05:40,480

you you know you wonder what the hell's

1637

01:05:43,670 --> 01:05:41,599

happening to you

1638

01:05:45,109 --> 01:05:43,680

so anyway i said stop the bus please

1639

01:05:46,549 --> 01:05:45,119

because i'm going up that hill and i

1640

01:05:49,829 --> 01:05:46,559

went up the hill

1641

01:05:52,069 --> 01:05:49,839

and um as i was standing there

1642

01:05:53,589 --> 01:05:52,079

under a piercing hot peruvian sun with

1643

01:05:56,870 --> 01:05:53,599

no clouds

1644

01:05:57,430 --> 01:05:56,880

what um came through my through my head

1645

01:05:59,829 --> 01:05:57,440

was

1646

01:06:01,670 --> 01:05:59,839

um they'll be talking about this a

1647

01:06:04,630 --> 01:06:01,680

hundred years from now

1648

01:06:05,829 --> 01:06:04,640

um it will be over when you feel the

1649

01:06:09,029 --> 01:06:05,839

rain

1650

01:06:10,069 --> 01:06:09,039

which was a ridiculous thing under a

1651

01:06:13,349 --> 01:06:10,079

piercing hot

1652

01:06:15,270 --> 01:06:13,359

cloudless peruvian sky but anyway this

1653

01:06:16,870 --> 01:06:15,280

energy started to

1654

01:06:19,589 --> 01:06:16,880

go into the top of my head and through

1655

01:06:21,990 --> 01:06:19,599

my feet and then come the other way

1656

01:06:23,349 --> 01:06:22,000

and my arms went out at 45 degrees

1657

01:06:26,390 --> 01:06:23,359

without any conscious

1658

01:06:29,190 --> 01:06:26,400

decision to do it and

1659

01:06:31,670 --> 01:06:29,200

the energy was building up building up

1660

01:06:34,630 --> 01:06:31,680

my body started to shake

1661

01:06:36,150 --> 01:06:34,640

and um and i was going in and out of

1662

01:06:37,510 --> 01:06:36,160

consciousness like when you're driving a

1663

01:06:38,870 --> 01:06:37,520

car and you forget where the last two

1664

01:06:39,910 --> 01:06:38,880

miles has gone your subconscious has

1665

01:06:41,910 --> 01:06:39,920

been driving the car

1666

01:06:44,069 --> 01:06:41,920

thank goodness and it was a bit like

1667

01:06:44,630 --> 01:06:44,079

that and one of these times i came back

1668

01:06:48,230 --> 01:06:44,640

to

1669

01:06:49,829 --> 01:06:48,240

was um

1670

01:06:52,150 --> 01:06:49,839

a light grey mist over the distant

1671

01:06:53,270 --> 01:06:52,160

mountains and as i watched it happened

1672

01:06:56,069 --> 01:06:53,280

it was a quick

1673

01:06:56,710 --> 01:06:56,079

ridiculously quick like a like a a a

1674

01:07:00,230 --> 01:06:56,720

video

1675

01:07:01,910 --> 01:07:00,240

um on on fast forward and um

1676

01:07:03,670 --> 01:07:01,920

it got darker and darker and i thought

1677

01:07:05,750 --> 01:07:03,680

it's raining over those mountains

1678

01:07:06,710 --> 01:07:05,760

and in the next uh little while i

1679

01:07:10,069 --> 01:07:06,720

watched this

1680

01:07:12,470 --> 01:07:10,079

uh well it was just stair rod rain

1681

01:07:15,510 --> 01:07:12,480

coming towards me and and as it got

1682

01:07:18,549 --> 01:07:15,520

towards me it was straight out of some

1683

01:07:22,470 --> 01:07:18,559

b movie that no one would ever believe

1684

01:07:25,190 --> 01:07:22,480

it was a wall of rain coming towards me

1685

01:07:25,750 --> 01:07:25,200

and um eventually it hit me and i was

1686

01:07:29,029 --> 01:07:25,760

soaked

1687

01:07:33,430 --> 01:07:29,039

in a second and by this time my body is

1688

01:07:36,789 --> 01:07:33,440

shaking uh crazy with this energy

1689

01:07:39,829 --> 01:07:36,799

and um as soon as the the rain hit me

1690

01:07:43,510 --> 01:07:39,839

the the energy went stopped and now

1691

01:07:46,710 --> 01:07:43,520

my arms which didn't hurt before

1692

01:07:49,829 --> 01:07:46,720

agony my legs were like jelly

1693

01:07:56,069 --> 01:07:53,029

my life changed then um i i

1694

01:07:59,029 --> 01:07:56,079

i came back to england um

1695

01:08:01,109 --> 01:07:59,039

concepts and things uh insights were

1696

01:08:05,670 --> 01:08:01,119

pouring into my conscious mind

1697

01:08:07,430 --> 01:08:05,680

far far too many to process and um

1698

01:08:10,309 --> 01:08:07,440

it was like pressing too many keys on

1699

01:08:13,829 --> 01:08:10,319

the computer the computer froze couldn't

1700

01:08:14,549 --> 01:08:13,839

process it uh and i went through three

1701
01:08:18,950 --> 01:08:14,559
months

1702
01:08:19,749 --> 01:08:18,960
of um almost not knowing my name not

1703
01:08:21,910 --> 01:08:19,759
quite that

1704
01:08:23,590 --> 01:08:21,920
but but you get the point i didn't know

1705
01:08:23,990 --> 01:08:23,600
where i was what i was doing what was

1706
01:08:27,430 --> 01:08:24,000
happening

1707
01:08:31,829 --> 01:08:27,440
to me and then

1708
01:08:33,510 --> 01:08:31,839
um it was like the computer unfroze

1709
01:08:35,829 --> 01:08:33,520
after about three months and it happened

1710
01:08:36,870 --> 01:08:35,839
very good the unfreezing happened very

1711
01:08:40,390 --> 01:08:36,880
quickly

1712
01:08:43,910 --> 01:08:40,400
and suddenly i am who i was before

1713
01:08:45,990 --> 01:08:43,920

but not people who um

1714

01:08:47,269 --> 01:08:46,000

who i met were saying well i thought

1715

01:08:48,630 --> 01:08:47,279

you'd supposed to have gone crazy though

1716

01:08:50,070 --> 01:08:48,640

because it wasn't all the media i'd gone

1717

01:08:50,870 --> 01:08:50,080

mad because i was a television presenter

1718

01:08:56,550 --> 01:08:50,880

at the time

1719

01:09:00,470 --> 01:08:58,229

they said you've gone mad you're the

1720

01:09:03,590 --> 01:09:00,480

you're the dave always known

1721

01:09:04,630 --> 01:09:03,600

and i kind of was outwardly like i am

1722

01:09:07,510 --> 01:09:04,640

now

1723

01:09:08,229 --> 01:09:07,520

but uh i saw the world completely

1724

01:09:10,470 --> 01:09:08,239

differently

1725

01:09:12,950 --> 01:09:10,480

instead of instead of seeing the dots i

1726

01:09:16,870 --> 01:09:12,960

saw i saw how they connected

1727

01:09:18,550 --> 01:09:16,880

um i i would see what was really being

1728

01:09:23,030 --> 01:09:18,560

said as opposed to what the word

1729

01:09:26,390 --> 01:09:23,040

said and what i what happened was

1730

01:09:30,829 --> 01:09:26,400

my life became the synchronistic journey

1731

01:09:33,510 --> 01:09:30,839

of meeting people running into

1732

01:09:33,990 --> 01:09:33,520

experiences coming across documents and

1733

01:09:36,149 --> 01:09:34,000

books

1734

01:09:38,470 --> 01:09:36,159

and it was was like some force was

1735

01:09:41,590 --> 01:09:38,480

handing me puzzle pieces in the

1736

01:09:43,829 --> 01:09:41,600

to put into the picture and you know

1737

01:09:45,910 --> 01:09:43,839

i've got a stream of books here

1738

01:09:46,950 --> 01:09:45,920

a lot of them are very considerable

1739

01:09:48,630 --> 01:09:46,960

because they cover so many

1740

01:09:50,470 --> 01:09:48,640

interconnected subjects

1741

01:09:52,149 --> 01:09:50,480

and i would never have been able to

1742

01:09:57,189 --> 01:09:52,159

produce those books

1743

01:10:00,390 --> 01:09:57,199

if i was um just using my conscious mind

1744

01:10:02,870 --> 01:10:00,400

and there wasn't some other force

1745

01:10:04,390 --> 01:10:02,880

that was it was like walking through a

1746

01:10:06,630 --> 01:10:04,400

maze alex

1747

01:10:07,830 --> 01:10:06,640

and someone was opening and shutting the

1748

01:10:10,149 --> 01:10:07,840

doors uh

1749

01:10:10,950 --> 01:10:10,159

so you went in the right direction

1750

01:10:12,229 --> 01:10:10,960

without that

1751

01:10:14,390 --> 01:10:12,239

and that was coming from some other

1752

01:10:18,070 --> 01:10:14,400

level uh then you you

1753

01:10:20,070 --> 01:10:18,080

couldn't be done because what

1754

01:10:21,669 --> 01:10:20,080

what is what is being uncovered and what

1755

01:10:24,470 --> 01:10:21,679

i uncover in the answer

1756

01:10:25,669 --> 01:10:24,480

um does not want to be uncovered and

1757

01:10:27,669 --> 01:10:25,679

without

1758

01:10:29,189 --> 01:10:27,679

support from other levels of

1759

01:10:30,070 --> 01:10:29,199

consciousness reality whatever you want

1760

01:10:32,310 --> 01:10:30,080

to call them

1761

01:10:33,350 --> 01:10:32,320

you couldn't possibly have unraveled it

1762

01:10:35,590 --> 01:10:33,360

um and it is

1763

01:10:36,630 --> 01:10:35,600

you know i mean it's taken 30 years as

1764

01:10:39,830 --> 01:10:36,640

it is

1765

01:10:41,110 --> 01:10:39,840

but without that um without that uh that

1766

01:10:44,229 --> 01:10:41,120

that support that

1767

01:10:46,790 --> 01:10:44,239

um guidance uh

1768

01:10:47,830 --> 01:10:46,800

you couldn't be done david final

1769

01:10:50,550 --> 01:10:47,840

question

1770

01:10:52,070 --> 01:10:50,560

the new book the answer that is out just

1771

01:10:55,430 --> 01:10:52,080

now it's just coming out today

1772

01:10:58,149 --> 01:10:55,440

or tomorrow i think as as we speak here

1773

01:10:59,590 --> 01:10:58,159

what does it have to say about a topic

1774

01:11:03,189 --> 01:10:59,600

you've covered

1775

01:11:05,030 --> 01:11:03,199

uh more thoroughly and before anyone

1776

01:11:06,470 --> 01:11:05,040

really was on it again i mean it's like

1777

01:11:10,070 --> 01:11:06,480

a repeating story

1778

01:11:13,189 --> 01:11:10,080

about our connection to the

1779

01:11:15,189 --> 01:11:13,199

ufo et phenomenon and

1780

01:11:16,550 --> 01:11:15,199

in particular i wanted to hone in on a

1781

01:11:17,750 --> 01:11:16,560

couple of points you know in the last

1782

01:11:19,110 --> 01:11:17,760

couple of years here in the united

1783

01:11:22,229 --> 01:11:19,120

states

1784

01:11:23,910 --> 01:11:22,239

the department of defense has

1785

01:11:27,110 --> 01:11:23,920

taken hold of that narrative has

1786

01:11:29,910 --> 01:11:27,120

co-opted have spun it into

1787

01:11:32,149 --> 01:11:29,920

this political in my opinion what is a

1788

01:11:34,870 --> 01:11:32,159

political psyop disclosure

1789

01:11:35,830 --> 01:11:34,880
and it has very much of this is a

1790

01:11:38,630 --> 01:11:35,840
national defense

1791

01:11:39,830 --> 01:11:38,640
issue so we have that on one hand it's

1792

01:11:41,270 --> 01:11:39,840
almost like a parallel what you're

1793

01:11:42,229 --> 01:11:41,280
talking about oh we have science and

1794

01:11:46,070 --> 01:11:42,239
religion

1795

01:11:47,830 --> 01:11:46,080
each sandwiches us in to disrupt our

1796

01:11:49,110 --> 01:11:47,840
understanding of the consciousness here

1797

01:11:51,430 --> 01:11:49,120
we have the good e.t

1798

01:11:53,990 --> 01:11:51,440
bad et and we have both narratives

1799

01:11:57,270 --> 01:11:54,000
existing at the same time where the dod

1800

01:11:59,910 --> 01:11:57,280
is continuing to spin the

1801

01:12:01,669 --> 01:11:59,920

e.t is going to it's a national defense

1802

01:12:02,550 --> 01:12:01,679

issue so give us all the power to go and

1803

01:12:05,830 --> 01:12:02,560

deal with it

1804

01:12:08,870 --> 01:12:05,840

and then at the same time we have folks

1805

01:12:11,030 --> 01:12:08,880

in the ufo community the et

1806

01:12:13,510 --> 01:12:11,040

experiancer community are saying no

1807

01:12:16,229 --> 01:12:13,520

these are actually

1808

01:12:17,830 --> 01:12:16,239

bringers of spiritual transformation and

1809

01:12:19,669 --> 01:12:17,840

it's a good e.t and they're trying to

1810

01:12:23,350 --> 01:12:19,679

protect our environment

1811

01:12:25,750 --> 01:12:23,360

and so in the process of

1812

01:12:27,830 --> 01:12:25,760

if you can covering all that i also want

1813

01:12:30,550 --> 01:12:27,840

you to touch on the fact that

1814

01:12:32,229 --> 01:12:30,560

we are almost certainly looking at many

1815

01:12:35,350 --> 01:12:32,239

many species

1816

01:12:36,870 --> 01:12:35,360

with many many agendas with many from

1817

01:12:39,750 --> 01:12:36,880

different places so

1818

01:12:40,550 --> 01:12:39,760

you know we can't automatically just say

1819

01:12:42,709 --> 01:12:40,560

et

1820

01:12:44,149 --> 01:12:42,719

either can we so i know i laid a lot on

1821

01:12:46,550 --> 01:12:44,159

the table there but

1822

01:12:47,590 --> 01:12:46,560

anyone can handle it you can where do

1823

01:12:50,709 --> 01:12:47,600

you start well

1824

01:12:52,790 --> 01:12:50,719

i come from that angle from a different

1825

01:12:55,270 --> 01:12:52,800

point of view

1826

01:12:56,229 --> 01:12:55,280

just after the turn of the millennium uh

1827

01:13:46,229 --> 01:12:56,239

i

1828

01:13:49,030 --> 01:13:46,239

heck happened

1829

01:13:50,550 --> 01:13:49,040

we had no money we never went anywhere

1830

01:13:53,830 --> 01:13:50,560

because

1831

01:13:55,070 --> 01:13:53,840

we had no money and one day would have

1832

01:13:58,550 --> 01:13:55,080

been about

1833

01:14:00,070 --> 01:13:58,560

1958 59

1834

01:14:01,990 --> 01:14:00,080

my father walked down the stairs one

1835

01:14:06,149 --> 01:14:02,000

morning um and said

1836

01:14:07,910 --> 01:14:06,159

we're going to london and uh

1837

01:14:09,590 --> 01:14:07,920

i was shocked because i'd never been to

1838

01:14:10,630 --> 01:14:09,600

london it was a long time before i'd go

1839

01:14:13,990 --> 01:14:10,640

again

1840

01:14:17,830 --> 01:14:14,000

and what 1958 59 i would be

1841

01:14:21,350 --> 01:14:17,840

six or seven we're going to london

1842

01:14:25,149 --> 01:14:21,360

and i remember we went on a steam train

1843

01:14:26,310 --> 01:14:25,159

and my father said we're going to the

1844

01:14:28,630 --> 01:14:26,320

planetarium

1845

01:14:30,630 --> 01:14:28,640

right now i didn't know what a

1846

01:14:32,630 --> 01:14:30,640

planetarium was

1847

01:14:34,229 --> 01:14:32,640

i wasn't bothered i just want i just

1848

01:14:36,550 --> 01:14:34,239

wanted to go to london

1849

01:14:38,310 --> 01:14:36,560

i'd heard about it or so much about it

1850

01:14:40,070 --> 01:14:38,320

so we're on the steam train to london we

1851

01:14:41,990 --> 01:14:40,080

go to a planetarium which

1852

01:14:44,950 --> 01:14:42,000

i know the date because it had just

1853

01:14:47,270 --> 01:14:44,960

opened it opened in 1958 in london

1854

01:14:48,709 --> 01:14:47,280

next to madam to swords in london in

1855

01:14:52,149 --> 01:14:48,719

baker street

1856

01:14:54,709 --> 01:14:52,159

and um so i didn't what to expect so we

1857

01:14:56,709 --> 01:14:54,719

walk into this planetarium

1858

01:14:58,709 --> 01:14:56,719

and i sit down at the seat i don't know

1859

01:15:01,910 --> 01:14:58,719

what to expect and then suddenly

1860

01:15:05,270 --> 01:15:01,920

uh the roof the ceiling

1861

01:15:07,189 --> 01:15:05,280

dome ceiling became the night sky

1862

01:15:08,790 --> 01:15:07,199

and it must have been about midday we

1863

01:15:12,310 --> 01:15:08,800

were sitting there

1864

01:15:15,990 --> 01:15:12,320

and i looked at it and something hit me

1865

01:15:19,990 --> 01:15:16,000

that never left me that

1866

01:15:24,709 --> 01:15:23,430

that could be the night sky it looked

1867

01:15:28,070 --> 01:15:24,719

like that it was

1868

01:15:31,350 --> 01:15:28,080

midnight and the roof had come off

1869

01:15:32,870 --> 01:15:31,360

and that never left me and um when all

1870

01:15:36,070 --> 01:15:32,880

this started for me

1871

01:15:38,550 --> 01:15:36,080

that i've just described um i i looked

1872

01:15:39,590 --> 01:15:38,560

up at the sky one day and and it

1873

01:15:42,630 --> 01:15:39,600

appeared to me

1874

01:15:44,709 --> 01:15:42,640

as a gigantic dome like summing out of

1875

01:15:48,229 --> 01:15:44,719

the truman show you know

1876

01:15:51,669 --> 01:15:50,709

that all came back to me when i started

1877

01:15:54,550 --> 01:15:51,679

to

1878

01:15:55,110 --> 01:15:54,560

go down this road of this is some kind

1879

01:15:59,430 --> 01:15:55,120

of

1880

01:16:03,110 --> 01:15:59,440

holographic projection and

1881

01:16:04,870 --> 01:16:03,120

this comes into your question because

1882

01:16:08,550 --> 01:16:04,880

of course we know about this whole

1883

01:16:12,229 --> 01:16:08,560

concept of the was it the fermi paradox

1884

01:16:13,030 --> 01:16:12,239

of how there can be so many planets and

1885

01:16:17,110 --> 01:16:13,040

so many

1886

01:16:20,229 --> 01:16:17,120

stars and yet the amount of

1887

01:16:23,750 --> 01:16:20,239

conscious et activity

1888

01:16:27,590 --> 01:16:23,760

is ridiculously little

1889

01:16:32,830 --> 01:16:27,600

compared with that potential

1890

01:16:38,950 --> 01:16:35,110

um

1891

01:16:43,189 --> 01:16:38,960

the the lack of et activity

1892

01:16:46,390 --> 01:16:43,199

on the against the potential of it

1893

01:16:50,070 --> 01:16:46,400

is part of isolating

1894

01:16:50,470 --> 01:16:50,080

human perception you imagine if there

1895

01:16:54,149 --> 01:16:50,480

was

1896

01:16:55,910 --> 01:16:54,159

um there were uh other races what we

1897

01:16:58,870 --> 01:16:55,920

call ets

1898

01:17:01,270 --> 01:16:58,880

um interacting with the earth imagine

1899

01:17:04,630 --> 01:17:01,280

what would happen to human perception

1900

01:17:05,910 --> 01:17:04,640

would be dramatically different we would

1901

01:17:09,110 --> 01:17:05,920

be getting access

1902

01:17:10,470 --> 01:17:09,120

to tremendously different perceptions of

1903

01:17:13,430 --> 01:17:10,480

reality

1904

01:17:15,110 --> 01:17:13,440

perceptions of possibility how to look

1905

01:17:17,189 --> 01:17:15,120

at life how to look at this

1906

01:17:18,310 --> 01:17:17,199

and allowed to look at everything we

1907

01:17:22,070 --> 01:17:18,320

would be in a a

1908

01:17:25,189 --> 01:17:22,080

completely different knowledge base

1909

01:17:28,630 --> 01:17:25,199

but if you can isolate or perceptually

1910

01:17:31,030 --> 01:17:28,640

isolate people to the point where there

1911

01:17:32,950 --> 01:17:31,040

is no out there

1912

01:17:34,229 --> 01:17:32,960

or perceived to be no out there

1913

01:17:37,510 --> 01:17:34,239

certainly no

1914

01:17:40,870 --> 01:17:37,520

conscious interaction then you can

1915

01:17:41,669 --> 01:17:40,880

isolate this bubble again and you can

1916

01:17:47,990 --> 01:17:41,679

control

1917

01:17:49,669 --> 01:17:48,000

that the target population receives

1918

01:17:51,350 --> 01:17:49,679

which leads to its perception which

1919

01:17:53,910 --> 01:17:51,360

leads to its

1920

01:17:54,790 --> 01:17:53,920

behavior and i'm not saying for not for

1921

01:17:56,070 --> 01:17:54,800

a second

1922

01:17:58,630 --> 01:17:56,080

and i wouldn't because don't believe

1923

01:18:01,510 --> 01:17:58,640

it's true but um

1924

01:18:02,630 --> 01:18:01,520

what we call et's can't come into this

1925

01:18:06,950 --> 01:18:02,640

um

1926

01:18:10,229 --> 01:18:06,960

projected reality both malevolent and

1927

01:18:15,189 --> 01:18:10,239

um but the other kind but um

1928

01:18:21,110 --> 01:18:18,950

this this reality uh this astronomical

1929

01:18:23,189 --> 01:18:21,120

reality

1930

01:18:26,790 --> 01:18:23,199

is not teeming with life as you would

1931

01:18:31,830 --> 01:18:26,800

probably expect it to be

1932

01:18:35,030 --> 01:18:31,840

because if it was the ability to control

1933

01:18:36,550 --> 01:18:35,040

would not be a tiny fraction of what it

1934

01:18:38,830 --> 01:18:36,560

did be impossible in fact

1935

01:18:40,310 --> 01:18:38,840

there'll be too many sources of other

1936

01:18:44,470 --> 01:18:40,320

information

1937

01:18:47,510 --> 01:18:44,480

and i see this

1938

01:18:50,950 --> 01:18:47,520

one planet this one

1939

01:18:51,430 --> 01:18:50,960

green from a human physiological point

1940

01:18:54,310 --> 01:18:51,440

of view

1941

01:18:56,149 --> 01:18:54,320

inhabitable planet which according to

1942

01:18:56,390 --> 01:18:56,159

mainstream science anyway compared with

1943

01:19:01,110 --> 01:18:56,400

the

1944

01:19:03,750 --> 01:19:01,120

a billionth of a pinhead

1945

01:19:06,229 --> 01:19:03,760

and then i see all this all this uh

1946

01:19:06,239 --> 01:19:12,229

potential for life uh planets stars etc

1947

01:19:18,870 --> 01:19:15,990

that appear to not certainly within

1948

01:19:21,510 --> 01:19:18,880

within the frequency band of human sight

1949

01:19:24,950 --> 01:19:21,520

not to be inhabited

1950

01:19:27,990 --> 01:19:24,960

and it makes no sense to me whatsoever

1951

01:19:31,830 --> 01:19:28,000

that a planet so

1952

01:19:37,350 --> 01:19:31,840

small should have this

1953

01:19:39,510 --> 01:19:37,360

phenomenally beautiful environment

1954

01:19:42,390 --> 01:19:39,520

very unique environment and then you

1955

01:19:47,030 --> 01:19:44,790

and there's nothing else certainly

1956

01:19:49,669 --> 01:19:47,040

within

1957

01:19:50,709 --> 01:19:49,679

interaction range that's anything like

1958

01:19:58,310 --> 01:19:50,719

it

1959

01:20:01,590 --> 01:19:58,320

believe that

1960

01:20:07,189 --> 01:20:01,600

there is nothing out there and

1961

01:20:11,669 --> 01:20:07,199

it's another part of this isolation

1962

01:20:14,470 --> 01:20:11,679

and um i i wonder what it is

1963

01:20:16,229 --> 01:20:14,480

that we're looking at when we look at

1964

01:20:19,669 --> 01:20:16,239

the night sky

1965

01:20:21,590 --> 01:20:19,679

because that experience when i was six

1966

01:20:23,910 --> 01:20:21,600

or seven years old in the planetarium

1967

01:20:27,590 --> 01:20:23,920

hit me so powerfully

1968

01:20:29,910 --> 01:20:27,600

i never forgot it basically

1969

01:20:32,870 --> 01:20:29,920

well if i can see the night sky on the

1970

01:20:37,350 --> 01:20:32,880

top of a ceiling

1971

01:20:42,229 --> 01:20:40,470

um and and i'm still thinking like that

1972

01:20:45,350 --> 01:20:42,239

now

1973

01:20:48,870 --> 01:20:45,360

and um so i'm like like everything in

1974

01:20:52,310 --> 01:20:48,880

all reality there there are uh

1975

01:20:55,750 --> 01:20:52,320

benevolent expressions of all there is

1976

01:20:57,430 --> 01:20:55,760

and there are shall we say watiko

1977

01:21:01,270 --> 01:20:57,440

infested expressions

1978

01:21:04,470 --> 01:21:01,280

uh of all it is but i just wonder

1979

01:21:08,709 --> 01:21:04,480

what this what this night sky

1980

01:21:12,390 --> 01:21:08,719

really is what this space that we

1981

01:21:14,550 --> 01:21:12,400

perceive really is and whether it is

1982

01:21:16,390 --> 01:21:14,560

what we think it is or actually just a

1983

01:21:18,870 --> 01:21:16,400

holographic perception

1984

01:21:19,590 --> 01:21:18,880

which would uh projection rather which

1985

01:21:26,709 --> 01:21:19,600

would

1986

01:21:29,430 --> 01:21:26,719

incredibly real as it does

1987

01:21:30,550 --> 01:21:29,440

our guest again has been david ike truly

1988

01:21:32,629 --> 01:21:30,560

as i said at the beginning

1989

01:21:35,270 --> 01:21:32,639

one of the bravest i would say mo the

1990

01:21:36,950 --> 01:21:35,280

most important thinkers of our time

1991

01:21:40,149 --> 01:21:36,960

he's never going to make it on that

1992

01:21:43,189 --> 01:21:40,159

times list of one of the top 100 most

1993

01:21:45,590 --> 01:21:43,199

important thank god alex thank god

1994

01:21:46,550 --> 01:21:45,600

be sure to check out this new book the

1995

01:21:49,750 --> 01:21:46,560

answer

1996

01:21:51,430 --> 01:21:49,760

and hopefully it's an entry point if you

1997

01:21:54,550 --> 01:21:51,440

haven't to checking out

1998

01:21:56,070 --> 01:21:54,560

his other books i think trigger is

1999

01:21:57,669 --> 01:21:56,080

super duper important book if you

2000

01:21:59,830 --> 01:21:57,679

haven't looked at that but his website

2001

01:22:03,510 --> 01:21:59,840

is fantastic too i'm a member

2002

01:22:06,750 --> 01:22:03,520

many many videos blog posts

2003

01:22:08,149 --> 01:22:06,760

valuable stuff well well worth it

2004

01:22:10,390 --> 01:22:08,159

iconic.com

2005

01:22:11,510 --> 01:22:10,400

and we have to support even more we have

2006

01:22:15,030 --> 01:22:11,520

to support

2007

01:22:16,470 --> 01:22:15,040

this kind of work because part of the

2008

01:22:19,270 --> 01:22:16,480

process is to put this

2009

01:22:21,030 --> 01:22:19,280

boa constrictor stranglehold and

2010

01:22:24,149 --> 01:22:21,040

gradually try and

2011

01:22:24,870 --> 01:22:24,159

cut off the money that this important

2012

01:22:28,310 --> 01:22:24,880

research

2013

01:22:29,510 --> 01:22:28,320

deserves so david truly truly wonderful

2014

01:22:31,910 --> 01:22:29,520

having you on

2015

01:22:32,629 --> 01:22:31,920

thank you thank you so much thank you

2016

01:22:34,709 --> 01:22:32,639

and uh

2017

01:22:36,390 --> 01:22:34,719

we started iconic which now it's about

2018

01:22:40,310 --> 01:22:36,400

750 videos

2019

01:22:43,189 --> 01:22:40,320

and series and podcasts

2020

01:22:44,229 --> 01:22:43,199

and full-length feature films because we

2021

01:22:47,189 --> 01:22:44,239

could see this uh

2022

01:22:49,110 --> 01:22:47,199

we could see this severe censorship

2023

01:22:50,310 --> 01:22:49,120

coming and we wanted a place where this

2024

01:22:52,390 --> 01:22:50,320

could be available

2025

01:22:53,430 --> 01:22:52,400

and some great news uh i think is great

2026

01:22:56,470 --> 01:22:53,440

news anyway um

2027

01:22:58,070 --> 01:22:56,480

uh we've just uh licensed um vax you

2028

01:23:01,189 --> 01:22:58,080

know the movie vacs

2029

01:23:03,669 --> 01:23:01,199

oh yeah right yeah about vaccinations

2030

01:23:04,070 --> 01:23:03,679

which the big controversy with de niro's

2031

01:23:06,709 --> 01:23:04,080

um

2032

01:23:08,229 --> 01:23:06,719

film premiere if you remember uh we

2033

01:23:11,510 --> 01:23:08,239

we've licensed that so um

2034

01:23:13,910 --> 01:23:11,520

that that's on um uh iconic very soon

2035

01:23:15,350 --> 01:23:13,920

the only place you can see it streamed

2036

01:23:17,270 --> 01:23:15,360

you know what i'd like to do

2037

01:23:19,110 --> 01:23:17,280

i'd like to offer if anyone's stuck

2038

01:23:22,870 --> 01:23:19,120

around this long

2039

01:23:26,470 --> 01:23:22,880

i'm on a purchase for you for listeners

2040

01:23:29,990 --> 01:23:26,480

10 copies of the answer okay

2041

01:23:33,350 --> 01:23:30,000

and i'll assign those randomly for every

2042

01:23:33,830 --> 01:23:33,360

10th person that that gets to me okay so

2043

01:23:37,510 --> 01:23:33,840

the first

2044

01:23:40,229 --> 01:23:37,520

100 that email me every 10 one will

2045

01:23:41,910 --> 01:23:40,239

receive a copy of the answer compliments

2046

01:23:44,070 --> 01:23:41,920

of the show because it's so so

2047

01:23:46,229 --> 01:23:44,080

important and i hope when you receive

2048

01:23:46,550 --> 01:23:46,239

that the one thing i'd ask is that you

2049

01:23:49,350 --> 01:23:46,560

do

2050

01:23:51,030 --> 01:23:49,360

check out iconic and at least sign up

2051

01:23:53,030 --> 01:23:51,040

for a month and see if it doesn't

2052

01:23:54,790 --> 01:23:53,040

provide the kind of value

2053

01:23:56,870 --> 01:23:54,800

that i'm talking about okay so just

2054

01:23:58,390 --> 01:23:56,880

email me and i'll be honest about it

2055

01:23:59,030 --> 01:23:58,400

every 10th one i'll give you a copy the

2056

01:24:00,629 --> 01:23:59,040

answer

2057

01:24:02,790 --> 01:24:00,639

with the hope that you'll check out

2058

01:24:04,950 --> 01:24:02,800

iconic so david thanks again

2059

01:24:07,189 --> 01:24:04,960

good luck with the roll out of this and

2060

01:24:08,950 --> 01:24:07,199

all the terrific work that you're doing

2061

01:24:11,270 --> 01:24:08,960

real pleasure alex really lovely talking

2062

01:24:13,270 --> 01:24:11,280

to you thanks again to david ike for

2063

01:24:15,750 --> 01:24:13,280

joining me today on skeptico

2064

01:24:16,870 --> 01:24:15,760

i'm probably going to be diving further

2065

01:24:20,629 --> 01:24:16,880

into this topic

2066

01:24:23,030 --> 01:24:20,639

because i'm not so certain

2067

01:24:23,669 --> 01:24:23,040

about some of the science he's referring

2068

01:24:26,870 --> 01:24:23,679

to

2069

01:24:30,310 --> 01:24:26,880

the interview the

2070

01:24:33,990 --> 01:24:30,320

overall lay of the land that

2071

01:24:37,669 --> 01:24:34,000

he's describing is so

2072

01:24:38,310 --> 01:24:37,679

incredibly on target and way way too

2073

01:24:44,870 --> 01:24:38,320

close

2074

01:24:45,990 --> 01:24:44,880

to the truth so i guess that is the

2075

01:24:48,870 --> 01:24:46,000

question to tee

2076
01:24:49,590 --> 01:24:48,880
up from this interview and that is what

2077
01:24:52,870 --> 01:24:49,600
do you

2078
01:24:56,470 --> 01:24:52,880
take from david ike's view

2079
01:24:59,990 --> 01:24:56,480
of the covid19 plandemic

2080
01:25:02,310 --> 01:25:00,000
and what do you leave behind

2081
01:25:04,070 --> 01:25:02,320
love to hear your thoughts they will

2082
01:25:06,709 --> 01:25:04,080
inform me they will

2083
01:25:08,070 --> 01:25:06,719
drive me they will direct me in how i

2084
01:25:11,910 --> 01:25:08,080
move with this so

2085
01:25:12,550 --> 01:25:11,920
please let me know what you're thinking

2086
01:25:16,070 --> 01:25:12,560
and

2087
01:25:17,830 --> 01:25:16,080
thanks as usual so much for joining me

2088
01:25:20,149 --> 01:25:17,840

and for being a part of this

2089

01:25:20,870 --> 01:25:20,159

i have some good ones coming up i did

2090

01:25:24,310 --> 01:25:20,880

slip

2091

01:25:25,750 --> 01:25:24,320

david ike in here ahead of some other

2092

01:25:27,270 --> 01:25:25,760

ones i have some ones that are going to

2093

01:25:30,149 --> 01:25:27,280

be really delayed but

2094

01:25:31,910 --> 01:25:30,159

that's okay they'll all get out there

2095

01:25:35,510 --> 01:25:31,920

and the book will get out there too

2096

01:25:38,470 --> 01:25:35,520

and it'll all work out just the way

2097

01:25:39,270 --> 01:25:38,480

it's supposed to until next time take

2098

01:25:41,740 --> 01:25:39,280

care
