Contactee Experience  
OBE

1  
00:00:09,990 --> 00:00:06,389  
are you ready to do your duty for rome

2  
00:00:14,310 --> 00:00:10,000  
yes father you will not be

3  
00:00:17,990 --> 00:00:15,990  
which was all the man is to take my

4  
00:00:22,230 --> 00:00:18,000  
place my pals

5  
00:00:25,509 --> 00:00:22,240  
will pass to maximus to hold in trust

6  
00:00:27,589 --> 00:00:25,519  
until the senate is ready to rule once

7  
00:00:31,990 --> 00:00:27,599  
more

8  
00:00:34,150 --> 00:00:32,000  
rome is to be a republic again

9  
00:00:36,229 --> 00:00:34,160  
that's a clip from gladiator and

10  
00:00:39,190 --> 00:00:36,239  
although the movie is fiction

11  
00:00:40,709 --> 00:00:39,200  
people who really know roman history

12  
00:00:43,510 --> 00:00:40,719  
like today's guest

13  
00:00:44,069 --> 00:00:43,520

joseph atwell will tell you that the

14

00:00:47,270 --> 00:00:44,079

movie

15

00:00:50,470 --> 00:00:47,280

is spot on when it comes to the kind of

16

00:00:53,830 --> 00:00:50,480

political manipulation mind control

17

00:00:54,950 --> 00:00:53,840

and conspiracy wielding that the romans

18

00:00:59,110 --> 00:00:54,960

had mastered

19

00:00:59,670 --> 00:00:59,120

2 000 years ago of course this movie has

20

00:01:02,389 --> 00:00:59,680

another

21

00:01:03,270 --> 00:01:02,399

side to it a very deep interpersonal

22

00:01:06,550 --> 00:01:03,280

family and

23

00:01:09,910 --> 00:01:06,560

spiritual angle to it which as we all

24

00:01:13,350 --> 00:01:09,920

know plays a much greater role in the

25

00:01:15,670 --> 00:01:13,360

rough and tumble world of world politics

26

00:01:18,710 --> 00:01:15,680

and social engineering

27

00:01:21,350 --> 00:01:18,720

i love this next piece even then it was

28

00:01:24,469 --> 00:01:21,360

as if you didn't want me for your son

29

00:01:27,830 --> 00:01:24,479

your false as a son

30

00:01:30,550 --> 00:01:27,840

is my failure as a father

31

00:01:32,310 --> 00:01:30,560

today's guest on skeptico joseph atwell

32

00:01:35,190 --> 00:01:32,320

author of caesar's messiah

33

00:01:36,630 --> 00:01:35,200

has become a real cornerstone in my

34

00:01:38,710 --> 00:01:36,640

understanding of

35

00:01:40,149 --> 00:01:38,720

how we should approach so many of the

36

00:01:42,190 --> 00:01:40,159

deepest most important

37

00:01:43,590 --> 00:01:42,200

questions about religion and

38

00:01:46,230 --> 00:01:43,600

spirituality

39

00:01:46,950 --> 00:01:46,240

well from a skeptical perspective at

40

00:01:49,830 --> 00:01:46,960

least

41

00:01:51,109 --> 00:01:49,840

at any rate it was so great to reconnect

42

00:01:53,910 --> 00:01:51,119

with joe

43

00:01:54,630 --> 00:01:53,920

and be reminded how especially relevant

44

00:01:57,830 --> 00:01:54,640

his work

45

00:02:01,749 --> 00:01:57,840

is today yeah i i actually am quite

46

00:02:04,550 --> 00:02:01,759

um intrigued and supportive of your

47

00:02:06,230 --> 00:02:04,560

perspective on consciousness because of

48

00:02:09,270 --> 00:02:06,240

its political aspect

49

00:02:11,270 --> 00:02:09,280

and and of course given my background

50

00:02:12,630 --> 00:02:11,280

obviously the first thing i'm looking at

51

00:02:16,790 --> 00:02:12,640

is

52

00:02:18,790 --> 00:02:16,800

manipulated politically

53

00:02:20,630 --> 00:02:18,800

right have we been basically given an

54

00:02:22,869 --> 00:02:20,640

idea about our consciousness

55

00:02:24,710 --> 00:02:22,879

that is untrue just so that we can be

56

00:02:28,630 --> 00:02:24,720

more easily ruled

57

00:02:31,910 --> 00:02:28,640

and the idea that we are an illusion

58

00:02:35,509 --> 00:02:31,920

um is in my mind a decadent

59

00:02:38,949 --> 00:02:35,519

uh you know political position

60

00:02:40,790 --> 00:02:38,959

and it's not even worthwhile discussing

61

00:02:41,910 --> 00:02:40,800

in terms of it as spirituality because

62

00:02:44,150 --> 00:02:41,920

you already have this

63

00:02:45,750 --> 00:02:44,160

enormous problem that if you think of

64

00:02:48,070 --> 00:02:45,760

yourself as an illusion if you think of

65

00:02:51,110 --> 00:02:48,080

life as something that is absurd

66

00:02:52,790 --> 00:02:51,120

or meaningless then you basically

67

00:02:54,710 --> 00:02:52,800

don't have the right uh kind of

68

00:02:56,150 --> 00:02:54,720

resiliency in terms of coherent

69

00:02:58,949 --> 00:02:56,160

political

70

00:03:00,710 --> 00:02:58,959

uh perspective welcome to skeptico where

71

00:03:02,869 --> 00:03:00,720

we explore controversial science and

72

00:03:05,350 --> 00:03:02,879

spirituality with leading researchers

73

00:03:06,229 --> 00:03:05,360

thinkers and their critics i'm your host

74

00:03:09,030 --> 00:03:06,239

alex sacaris

75

00:03:10,630 --> 00:03:09,040

and i'm going to make the case because i

76

00:03:13,190 --> 00:03:10,640

believe it to be true

77

00:03:14,949 --> 00:03:13,200

that today's guest is the most important

78

00:03:18,550 --> 00:03:14,959

biblical scholar

79

00:03:19,030 --> 00:03:18,560

in modern times and that sounds like a

80

00:03:21,030 --> 00:03:19,040

lot

81

00:03:22,790 --> 00:03:21,040

but it kind of goes even further than

82

00:03:23,910 --> 00:03:22,800

that because the bible whether we like

83

00:03:26,390 --> 00:03:23,920

it or not

84

00:03:28,789 --> 00:03:26,400

is so deeply woven into our culture our

85

00:03:31,910 --> 00:03:28,799

legal system our political system

86

00:03:32,229 --> 00:03:31,920

and our collective psyche well all of

87

00:03:36,390 --> 00:03:32,239

that

88

00:03:39,350 --> 00:03:36,400

makes joe atwell kind of a really

89

00:03:40,149 --> 00:03:39,360

really important figure in my opinion

90

00:03:42,470 --> 00:03:40,159

but again

91

00:03:43,670 --> 00:03:42,480

i'm going to make the case in this show

92

00:03:46,630 --> 00:03:43,680

and you can judge

93

00:03:47,910 --> 00:03:46,640

for yourself now joe has been on the

94

00:03:51,110 --> 00:03:47,920

show before

95

00:03:53,190 --> 00:03:51,120

um the proposition that he makes is

96

00:03:57,190 --> 00:03:53,200

rather simple at least the way that i

97

00:04:00,630 --> 00:03:57,200

understand it and that is that the bible

98

00:04:03,030 --> 00:04:00,640

is pro-roman and the best

99

00:04:03,990 --> 00:04:03,040

and really the only non-wacky

100

00:04:07,270 --> 00:04:04,000

metaphysical

101  
00:04:08,470 --> 00:04:07,280  
explanation for this provable historical

102  
00:04:12,309 --> 00:04:08,480  
fact

103  
00:04:15,910 --> 00:04:12,319  
is that the bible is part of a political

104  
00:04:17,990 --> 00:04:15,920  
psyop so that's a lot for people to take

105  
00:04:20,789 --> 00:04:18,000  
i know i've covered this topic before

106  
00:04:22,310 --> 00:04:20,799  
and it immediately triggers people so

107  
00:04:25,830 --> 00:04:22,320  
let me interject

108  
00:04:28,150 --> 00:04:25,840  
and clarify a little bit you know that

109  
00:04:29,350 --> 00:04:28,160  
proposition that i just laid out there

110  
00:04:33,110 --> 00:04:29,360  
that doesn't mean

111  
00:04:34,310 --> 00:04:33,120  
at least to me that the bible can't be

112  
00:04:37,430 --> 00:04:34,320  
transmitting some

113  
00:04:38,950 --> 00:04:37,440

deeper spiritual truths that the bible

114

00:04:42,310 --> 00:04:38,960

can't be the foundation

115

00:04:43,670 --> 00:04:42,320

for some wonderful traditions that are

116

00:04:46,310 --> 00:04:43,680

somehow

117

00:04:47,030 --> 00:04:46,320

transmitted through that truth and it

118

00:04:51,270 --> 00:04:47,040

doesn't

119

00:04:54,230 --> 00:04:51,280

that we don't totally understand

120

00:04:54,870 --> 00:04:54,240

people are connecting through the bible

121

00:04:57,909 --> 00:04:54,880

with

122

00:05:00,629 --> 00:04:57,919

some kind of extended consciousness

123

00:05:01,189 --> 00:05:00,639

spiritual experience that we talk so

124

00:05:05,029 --> 00:05:01,199

much

125

00:05:08,469 --> 00:05:05,039

about on this show but what it does mean

126  
00:05:13,029 --> 00:05:08,479  
at least to me is that if the bible

127  
00:05:14,469 --> 00:05:13,039  
does fit this understanding that we have

128  
00:05:16,870 --> 00:05:14,479  
of what a

129  
00:05:17,510 --> 00:05:16,880  
political control mechanism is what a

130  
00:05:21,189 --> 00:05:17,520  
political

131  
00:05:21,830 --> 00:05:21,199  
psy-op is then we really have to deal

132  
00:05:25,110 --> 00:05:21,840  
with that

133  
00:05:26,870 --> 00:05:25,120  
first so joe is not only an

134  
00:05:28,950 --> 00:05:26,880  
unbelievable authority on all of that

135  
00:05:31,029 --> 00:05:28,960  
stuff but as we'll find out and

136  
00:05:34,469 --> 00:05:31,039  
hopefully explore again on this show

137  
00:05:38,230 --> 00:05:34,479  
he's really taken where that

138  
00:05:40,310 --> 00:05:38,240

amazing discovery from gosh 15 years ago

139

00:05:43,430 --> 00:05:40,320

now since the original publication

140

00:05:46,150 --> 00:05:43,440

of the of caesar's messiah

141

00:05:48,629 --> 00:05:46,160

he's really taken that in a number of

142

00:05:51,990 --> 00:05:48,639

different directions in terms of

143

00:05:55,110 --> 00:05:52,000

what these kind of control mechanisms if

144

00:05:57,830 --> 00:05:55,120

they exist and these political psyops

145

00:05:59,510 --> 00:05:57,840

if they are running in the background

146

00:06:01,029 --> 00:05:59,520

what they might mean for us what they

147

00:06:02,550 --> 00:06:01,039

might mean for our culture

148

00:06:05,270 --> 00:06:02,560

and i'm sure you're going to see a lot

149

00:06:08,870 --> 00:06:05,280

of tie-ins to

150

00:06:12,870 --> 00:06:08,880

everything we're experiencing right now

151  
00:06:15,270 --> 00:06:12,880  
so joseph atwell fantastic to have you

152  
00:06:16,070 --> 00:06:15,280  
back it's always such a great treat for

153  
00:06:17,749 --> 00:06:16,080  
me

154  
00:06:19,990 --> 00:06:17,759  
to have a chance to talk with you so

155  
00:06:23,510 --> 00:06:20,000  
welcome thank you for having me

156  
00:06:29,189 --> 00:06:27,189  
so um i don't know

157  
00:06:30,629 --> 00:06:29,199  
i don't know quite where to begin but

158  
00:06:31,830 --> 00:06:30,639  
but i will say this here's where i

159  
00:06:34,469 --> 00:06:31,840  
wanted to begin

160  
00:06:35,510 --> 00:06:34,479  
because you know whenever have whenever

161  
00:06:37,670 --> 00:06:35,520  
people say

162  
00:06:39,189 --> 00:06:37,680  
hey joseph atwell's been on the show

163  
00:06:40,629 --> 00:06:39,199

before and you can learn about his

164

00:06:41,909 --> 00:06:40,639

background just go back and listen to a

165

00:06:43,670 --> 00:06:41,919

prior interview

166

00:06:45,110 --> 00:06:43,680

whenever i hear that on another show i'm

167

00:06:46,469 --> 00:06:45,120

like hey man i ain't going back and

168

00:06:48,150 --> 00:06:46,479

listen to that interview or maybe

169

00:06:49,589 --> 00:06:48,160

sometimes i will but what we ought to

170

00:06:53,270 --> 00:06:49,599

start with is

171

00:06:55,749 --> 00:06:53,280

give people a sketch of who you are

172

00:06:56,550 --> 00:06:55,759

who you were before you wrote caesar's

173

00:06:58,950 --> 00:06:56,560

messiah

174

00:06:59,749 --> 00:06:58,960

who you became after you wrote caesar's

175

00:07:02,309 --> 00:06:59,759

messiah

176

00:07:03,270 --> 00:07:02,319

and what you've been doing in the last

177

00:07:06,150 --> 00:07:03,280

you know

178

00:07:06,629 --> 00:07:06,160

10 10 years really since kind of the the

179

00:07:10,070 --> 00:07:06,639

main

180

00:07:10,390 --> 00:07:10,080

fervor over the whole book happened give

181

00:07:14,070 --> 00:07:10,400

us

182

00:07:15,189 --> 00:07:14,080

that broad sketch of who you are yeah um

183

00:07:17,990 --> 00:07:15,199

i don't think anything particularly

184

00:07:19,350 --> 00:07:18,000

unusual i i i grew up out of the united

185

00:07:23,589 --> 00:07:19,360

states for

186

00:07:26,230 --> 00:07:23,599

a bit most of my education was in japan

187

00:07:28,710 --> 00:07:26,240

my father was not in the military but he

188

00:07:30,710 --> 00:07:28,720

had a family chemical company and so

189

00:07:32,070 --> 00:07:30,720

it's an unusual childhood in the sense

190

00:07:36,950 --> 00:07:32,080

that

191

00:07:39,110 --> 00:07:36,960

kind of where i got into

192

00:07:40,870 --> 00:07:39,120

interest in the bible and and also

193

00:07:42,390 --> 00:07:40,880

reading in general because basically i

194

00:07:45,510 --> 00:07:42,400

went to a

195

00:07:46,950 --> 00:07:45,520

catholic school that um you know

196

00:07:49,189 --> 00:07:46,960

provided me with most of the

197

00:07:50,550 --> 00:07:49,199

stimulation that i was able to

198

00:07:54,070 --> 00:07:50,560

experience and uh

199

00:07:57,029 --> 00:07:54,080

and so i just kind of um was interested

200

00:07:57,990 --> 00:07:57,039

in it as literature um and even though i

201  
00:08:01,110 --> 00:07:58,000  
fell away from the

202  
00:08:04,390 --> 00:08:01,120  
faith uh for no particular reason i

203  
00:08:05,589 --> 00:08:04,400  
just you know in my teenage i just

204  
00:08:08,469 --> 00:08:05,599  
found other things that were more

205  
00:08:09,589 --> 00:08:08,479  
interesting um i always retain kind of

206  
00:08:13,189 --> 00:08:09,599  
the interest

207  
00:08:16,230 --> 00:08:13,199  
in uh in jesus um and so

208  
00:08:19,350 --> 00:08:16,240  
uh i was in business um

209  
00:08:21,909 --> 00:08:19,360  
some companies sold the companies uh

210  
00:08:22,790 --> 00:08:21,919  
i i became a reasonably successful you

211  
00:08:26,629 --> 00:08:22,800  
know investor

212  
00:08:29,670 --> 00:08:26,639  
type person um uh not great wealth but

213  
00:08:32,790 --> 00:08:29,680

uh self-sufficient and uh um

214

00:08:34,230 --> 00:08:32,800

and so you know i was able to pursue uh

215

00:08:36,630 --> 00:08:34,240

academic hobbies

216

00:08:38,230 --> 00:08:36,640

and uh one of them was uh basically the

217

00:08:40,550 --> 00:08:38,240

dead sea scrolls

218

00:08:42,469 --> 00:08:40,560

uh which were fascinating to me because

219

00:08:45,590 --> 00:08:42,479

uh two reasons one

220

00:08:48,790 --> 00:08:45,600

um they uh there was a scandal

221

00:08:50,230 --> 00:08:48,800

concerning them um in in the sense that

222

00:08:51,750 --> 00:08:50,240

they hadn't been released there were a

223

00:08:53,030 --> 00:08:51,760

whole collection of the scrolls that

224

00:08:56,310 --> 00:08:53,040

hadn't been released

225

00:08:58,310 --> 00:08:56,320

30 years after their discovery and also

226

00:09:03,110 --> 00:08:58,320

because they described

227

00:09:06,870 --> 00:09:03,120

a messianic cult but one that was

228

00:09:08,870 --> 00:09:06,880

basically xenophobic and

229

00:09:10,389 --> 00:09:08,880

militaristic and this is completely in

230

00:09:13,110 --> 00:09:10,399

opposition to the

231

00:09:14,630 --> 00:09:13,120

you know the cult of christ and uh and

232

00:09:16,470 --> 00:09:14,640

so my question was well how did these

233

00:09:18,630 --> 00:09:16,480

two groups get along um

234

00:09:20,870 --> 00:09:18,640

in in in the gospels they're not

235

00:09:23,430 --> 00:09:20,880

mentioned this other alternative

236

00:09:24,470 --> 00:09:23,440

warrior structure messianic movement is

237

00:09:26,949 --> 00:09:24,480

not mentioned

238

00:09:28,790 --> 00:09:26,959

this seemed odd to me and so i tried to

239

00:09:31,030 --> 00:09:28,800

get a better historical perspective of

240

00:09:32,470 --> 00:09:31,040

the gospels and that led me

241

00:09:34,790 --> 00:09:32,480

as it leads everyone because there's

242

00:09:37,110 --> 00:09:34,800

only one source of information about

243

00:09:39,190 --> 00:09:37,120

this era and this geography

244

00:09:40,630 --> 00:09:39,200

is to josephus and i started reading

245

00:09:42,389 --> 00:09:40,640

josephus

246

00:09:44,550 --> 00:09:42,399

and just trying to get a better and more

247

00:09:45,670 --> 00:09:44,560

informed position about the gospels and

248

00:09:47,910 --> 00:09:45,680

that was when

249

00:09:50,070 --> 00:09:47,920

i started recognizing that there was a

250

00:09:51,829 --> 00:09:50,080

strange relationship between the gospels

251

00:09:54,470 --> 00:09:51,839

and the history of this

252

00:09:56,230 --> 00:09:54,480

military campaign in judea can i

253

00:09:58,949 --> 00:09:56,240

interject with a question

254

00:09:59,910 --> 00:09:58,959

number one what gave you the confidence

255

00:10:03,030 --> 00:09:59,920

that you had

256

00:10:06,230 --> 00:10:03,040

the i don't know intellectual

257

00:10:09,590 --> 00:10:06,240

biblical scholarship chops to kind of

258

00:10:11,350 --> 00:10:09,600

dive in in that way i mean i would have

259

00:10:13,670 --> 00:10:11,360

most 90 percent of people would have

260

00:10:15,829 --> 00:10:13,680

been in total totally intimidated that's

261

00:10:18,630 --> 00:10:15,839

question number one and then number two

262

00:10:20,389 --> 00:10:18,640

as you start having these inklings how

263

00:10:21,190 --> 00:10:20,399

did you even have the confidence to kind

264

00:10:24,710 --> 00:10:21,200

of pursue

265

00:10:27,190 --> 00:10:24,720

such radical ideas well i could just see

266

00:10:29,670 --> 00:10:27,200

that there was no coherent explanation

267

00:10:32,630 --> 00:10:29,680

i mean there was it's sort of like my

268

00:10:34,790 --> 00:10:32,640

analysis of shakespeare it it uh

269

00:10:35,750 --> 00:10:34,800

it doesn't come so much from uh you know

270

00:10:38,949 --> 00:10:35,760

just a position

271

00:10:41,269 --> 00:10:38,959

of you know arrogance in regards to

272

00:10:43,269 --> 00:10:41,279

existing scholarship it's just that

273

00:10:45,670 --> 00:10:43,279

the existing scholarship couldn't really

274

00:10:48,870 --> 00:10:45,680

explain the text

275

00:10:50,710 --> 00:10:48,880

that that was the basic kind of format

276

00:10:51,829 --> 00:10:50,720

that i was operating under i i really

277

00:10:54,389 --> 00:10:51,839

didn't

278

00:10:55,829 --> 00:10:54,399

even have because i wasn't an academic i

279

00:10:57,269 --> 00:10:55,839

didn't have any connections into

280

00:10:59,110 --> 00:10:57,279

academia i could

281

00:11:00,710 --> 00:10:59,120

care less what they thought they hadn't

282

00:11:01,990 --> 00:11:00,720

produced anything

283

00:11:03,670 --> 00:11:02,000

in the literature that i had read and i

284

00:11:04,949 --> 00:11:03,680

was very well read in christian

285

00:11:06,069 --> 00:11:04,959

scholarship of the

286

00:11:07,829 --> 00:11:06,079

you know the different sort of

287

00:11:08,790 --> 00:11:07,839

well-known names i was i was very

288

00:11:11,509 --> 00:11:08,800

interested in the

289

00:11:13,110 --> 00:11:11,519

historical basis for uh christianity and

290

00:11:15,269 --> 00:11:13,120

for jesus so i was well

291

00:11:17,269 --> 00:11:15,279

read in this area and nothing was really

292

00:11:18,949 --> 00:11:17,279

very satisfying and that was really what

293

00:11:20,310 --> 00:11:18,959

was you know to be honest that was

294

00:11:22,310 --> 00:11:20,320

really the

295

00:11:24,310 --> 00:11:22,320

uh you know you'd like what is the basis

296

00:11:26,069 --> 00:11:24,320

for my you know kind of making these

297

00:11:27,829 --> 00:11:26,079

these assertions it was

298

00:11:29,269 --> 00:11:27,839

it was just the fact that i hadn't been

299

00:11:32,470 --> 00:11:29,279

satisfied with the

300

00:11:34,150 --> 00:11:32,480

prior literature and felt i was just

301  
00:11:37,269 --> 00:11:34,160  
curious as to what i could just see

302  
00:11:40,550 --> 00:11:37,279  
it was just curiosity and so when i

303  
00:11:43,030 --> 00:11:40,560  
but it took quite a while it um

304  
00:11:43,829 --> 00:11:43,040  
it took uh several months you know of

305  
00:11:45,430 --> 00:11:43,839  
analysis

306  
00:11:47,190 --> 00:11:45,440  
to really come to the point where i

307  
00:11:48,310 --> 00:11:47,200  
could see that there was a deliberate

308  
00:11:50,550 --> 00:11:48,320  
pattern

309  
00:11:51,350 --> 00:11:50,560  
um i thought at first that the parallels

310  
00:11:53,990 --> 00:11:51,360  
were simply

311  
00:11:55,590 --> 00:11:54,000  
a satire that they might be aware that

312  
00:11:58,470 --> 00:11:55,600  
josephus was

313  
00:11:59,670 --> 00:11:58,480

was mocking um you know roman

314

00:12:02,389 --> 00:11:59,680

christianity

315

00:12:03,509 --> 00:12:02,399

but then i really the the key insight

316

00:12:05,430 --> 00:12:03,519

was simply that i

317

00:12:06,949 --> 00:12:05,440

eventually saw that the relationships

318

00:12:09,110 --> 00:12:06,959

these parallels that i was

319

00:12:09,990 --> 00:12:09,120

kind of trying to understand they

320

00:12:12,790 --> 00:12:10,000

occurred in the same

321

00:12:14,230 --> 00:12:12,800

sequence and that that was really

322

00:12:16,069 --> 00:12:14,240

revolutionary um

323

00:12:17,990 --> 00:12:16,079

and i didn't you know you don't really

324

00:12:21,110 --> 00:12:18,000

need um

325

00:12:24,150 --> 00:12:21,120

uh academic uh sort of

326

00:12:26,870 --> 00:12:24,160

you know competence to uh

327

00:12:28,790 --> 00:12:26,880

to recognize a sequence because it just

328

00:12:30,310 --> 00:12:28,800

is a sequence or it isn't and since i

329

00:12:32,629 --> 00:12:30,320

could see that they were all these

330

00:12:35,030 --> 00:12:32,639

parallels occurring in the same order

331

00:12:35,910 --> 00:12:35,040

i could see that that was obviously

332

00:12:38,230 --> 00:12:35,920

deliberate

333

00:12:39,190 --> 00:12:38,240

and you know you get to your idea of it

334

00:12:40,949 --> 00:12:39,200

being a

335

00:12:43,670 --> 00:12:40,959

you know that the the gospels are a

336

00:12:44,470 --> 00:12:43,680

psyops well that was when i could see it

337

00:12:48,710 --> 00:12:44,480

because

338

00:12:53,190 --> 00:12:48,720

this was clearly um the the pattern

339

00:12:56,150 --> 00:12:53,200

in the gospels was obviously relating to

340

00:12:58,470 --> 00:12:56,160

uh the military campaign of the roman

341

00:13:00,629 --> 00:12:58,480

caesars the flavian family

342

00:13:01,509 --> 00:13:00,639

and so at that point i could you know

343

00:13:03,430 --> 00:13:01,519

crit the

344

00:13:05,110 --> 00:13:03,440

the confusion i had about the

345

00:13:06,389 --> 00:13:05,120

historicity of christianity just fell

346

00:13:09,430 --> 00:13:06,399

away i mean

347

00:13:11,269 --> 00:13:09,440

once you have as you're basically

348

00:13:14,069 --> 00:13:11,279

foundation understanding christianity

349

00:13:15,829 --> 00:13:14,079

that it was roman literature

350

00:13:17,670 --> 00:13:15,839

then you'll see that you can read

351

00:13:19,430 --> 00:13:17,680

through the gospels

352

00:13:22,230 --> 00:13:19,440

and suddenly they make perfect sense i

353

00:13:25,110 --> 00:13:22,240

mean all of the mystery about jesus

354

00:13:26,550 --> 00:13:25,120

all of the kind of puzzle passages the

355

00:13:27,910 --> 00:13:26,560

stuff that the scholars have been

356

00:13:30,470 --> 00:13:27,920

arguing about for

357

00:13:31,750 --> 00:13:30,480

2000 years it all just disappears i mean

358

00:13:33,110 --> 00:13:31,760

it just becomes very very

359

00:13:35,670 --> 00:13:33,120

straightforward

360

00:13:36,389 --> 00:13:35,680

and at the end of the uh of the story

361

00:13:38,710 --> 00:13:36,399

you you

362

00:13:40,069 --> 00:13:38,720

have uh jesus predicting this individual

363

00:13:41,829 --> 00:13:40,079

is going to be coming

364

00:13:44,150 --> 00:13:41,839  
and he's going to bring all of this

365

00:13:44,870 --> 00:13:44,160  
destruction and then all of these events

366

00:13:48,150 --> 00:13:44,880  
are in fact

367

00:13:50,389 --> 00:13:48,160  
brought to pass by the flavian caesar

368

00:13:51,750 --> 00:13:50,399  
well at this point you have the identity

369

00:13:54,949 --> 00:13:51,760  
of the individual that jesus

370

00:13:57,509 --> 00:13:54,959  
is predicting it just becomes um

371

00:13:58,710 --> 00:13:57,519  
self-evident and and so that's what

372

00:14:02,310 --> 00:13:58,720  
happened to me i i

373

00:14:04,870 --> 00:14:02,320  
um i really didn't set out to

374

00:14:08,069 --> 00:14:04,880  
revolutionize christianity

375

00:14:09,189 --> 00:14:08,079  
i just set out to uh see if i could have

376

00:14:11,269 --> 00:14:09,199

a better

377

00:14:14,470 --> 00:14:11,279

explanation for the text than the

378

00:14:16,710 --> 00:14:14,480

literature that i've been reading

379

00:14:18,790 --> 00:14:16,720

so you know what the way i always try

380

00:14:19,750 --> 00:14:18,800

and explain this to people because i

381

00:14:22,470 --> 00:14:19,760

know

382

00:14:24,069 --> 00:14:22,480

my encounter first with caesar's messiah

383

00:14:24,790 --> 00:14:24,079

and then through numerous conversations

384

00:14:28,150 --> 00:14:24,800

with you

385

00:14:30,389 --> 00:14:28,160

i was kind of i always questioned

386

00:14:31,750 --> 00:14:30,399

myself you know could this possibly be

387

00:14:33,829 --> 00:14:31,760

true you know

388

00:14:35,430 --> 00:14:33,839

you don't have to go very far to find

389

00:14:36,790 --> 00:14:35,440

joseph atwell critics

390

00:14:38,550 --> 00:14:36,800

and i think we should explore that we

391

00:14:39,269 --> 00:14:38,560

have in the past but it'll probably come

392

00:14:42,629 --> 00:14:39,279

up again

393

00:14:44,389 --> 00:14:42,639

but you know just recently i was kind of

394

00:14:46,550 --> 00:14:44,399

re-listening to and trying to come up to

395

00:14:48,870 --> 00:14:46,560

speed on some of your more

396

00:14:50,870 --> 00:14:48,880

recent interviews and i saw a great

397

00:14:51,670 --> 00:14:50,880

interview you did with robert price who

398

00:14:55,110 --> 00:14:51,680

is a very

399

00:14:56,710 --> 00:14:55,120

noted bill biblical scholar and

400

00:14:58,389 --> 00:14:56,720

someone who interestingly enough you

401  
00:15:01,350 --> 00:14:58,399  
know was not super

402  
00:15:03,189 --> 00:15:01,360  
charitable about your work kind of at

403  
00:15:06,629 --> 00:15:03,199  
the beginning a few years back

404  
00:15:09,110 --> 00:15:06,639  
but without doing a full meacopa has

405  
00:15:11,750 --> 00:15:09,120  
kind of come around to

406  
00:15:13,350 --> 00:15:11,760  
basically agreeing with the premise of

407  
00:15:14,870 --> 00:15:13,360  
caesar's messiah like some of these

408  
00:15:16,230 --> 00:15:14,880  
biblical scholars have they kind of

409  
00:15:18,470 --> 00:15:16,240  
don't want to really

410  
00:15:20,710 --> 00:15:18,480  
straight on say yeah that's probably the

411  
00:15:21,189 --> 00:15:20,720  
truth that needs to be the starting

412  
00:15:24,629 --> 00:15:21,199  
point

413  
00:15:27,910 --> 00:15:24,639

truth with which we look through

414

00:15:28,230 --> 00:15:27,920

this the lens here but anyways i'm kind

415

00:15:30,790 --> 00:15:28,240

of

416

00:15:32,470 --> 00:15:30,800

digressing because as i was listening to

417

00:15:33,990 --> 00:15:32,480

that one thing that came out

418

00:15:35,509 --> 00:15:34,000

is the thing that always impressed me is

419

00:15:37,749 --> 00:15:35,519

the pro-roman

420

00:15:39,189 --> 00:15:37,759

aspect because you just said the big

421

00:15:42,550 --> 00:15:39,199

switch for you

422

00:15:45,590 --> 00:15:42,560

was looking at the bible as roman

423

00:15:46,389 --> 00:15:45,600

literature or i would take it one step

424

00:15:50,069 --> 00:15:46,399

further as

425

00:15:51,590 --> 00:15:50,079

a as a roman psyop because that's i

426

00:15:52,069 --> 00:15:51,600

think the implications of what you're

427

00:15:54,949 --> 00:15:52,079

saying

428

00:15:55,509 --> 00:15:54,959

but just as roman literature the one of

429

00:15:58,550 --> 00:15:55,519

the key

430

00:16:00,710 --> 00:15:58,560

pivot points for me was this idea that

431

00:16:03,030 --> 00:16:00,720

the bible is pro-roman so i was

432

00:16:04,790 --> 00:16:03,040

listening to you and bob price and you

433

00:16:07,990 --> 00:16:04,800

were talking about

434

00:16:09,670 --> 00:16:08,000

some of the more recent scholarship

435

00:16:11,749 --> 00:16:09,680

in addition to some of the older

436

00:16:13,590 --> 00:16:11,759

scholarship that just

437

00:16:15,430 --> 00:16:13,600

in rather obvious ways where you can

438

00:16:18,550 --> 00:16:15,440

kind of point to and say

439

00:16:20,470 --> 00:16:18,560

that's that's strangely pro-roman

440

00:16:21,590 --> 00:16:20,480

given the times given what we know about

441

00:16:23,189 --> 00:16:21,600

judea and giving

442

00:16:24,949 --> 00:16:23,199

we know you know the struggles that were

443

00:16:26,150 --> 00:16:24,959

going on and say you know give unto

444

00:16:28,310 --> 00:16:26,160

caesar what is caesar

445

00:16:30,310 --> 00:16:28,320

you know i say carry his backpack not

446

00:16:31,910 --> 00:16:30,320

one mile two miles i mean

447

00:16:33,350 --> 00:16:31,920

talk about that a little bit talk about

448

00:16:34,870 --> 00:16:33,360

the pro-roman

449

00:16:38,389 --> 00:16:34,880

part of the bible that if you're not

450

00:16:41,829 --> 00:16:38,399

trained to see it is pretty stunning

451

00:16:44,389 --> 00:16:41,839

well um just to you know

452

00:16:45,670 --> 00:16:44,399

explain the the passage you were

453

00:16:48,470 --> 00:16:45,680

describing

454

00:16:49,430 --> 00:16:48,480

uh jesus uh you know says to his

455

00:16:52,710 --> 00:16:49,440

disciples

456

00:16:56,150 --> 00:16:52,720

you know uh when asked you know to

457

00:16:58,550 --> 00:16:56,160

to to carry the pack uh you know go the

458

00:17:00,790 --> 00:16:58,560

extra mile this is a famous

459

00:17:01,990 --> 00:17:00,800

expression you know in our vernacular

460

00:17:02,470 --> 00:17:02,000

and people don't understand what it

461

00:17:05,270 --> 00:17:02,480

means

462

00:17:06,549 --> 00:17:05,280

um what he's referring to is the

463

00:17:10,069 --> 00:17:06,559

requirement

464

00:17:10,630 --> 00:17:10,079

in a occupied nation and remember at

465

00:17:13,990 --> 00:17:10,640

this point

466

00:17:14,789 --> 00:17:14,000

rome is in a prison of nations basically

467

00:17:17,909 --> 00:17:14,799

it has

468

00:17:20,150 --> 00:17:17,919

conquered all of these areas and one of

469

00:17:23,350 --> 00:17:20,160

the aspects of the colonialization

470

00:17:24,309 --> 00:17:23,360

was that a roman soldier and all roman

471

00:17:27,429 --> 00:17:24,319

soldiers

472

00:17:30,470 --> 00:17:27,439

had this power could ask

473

00:17:34,070 --> 00:17:30,480

any individual who was a member of the

474

00:17:35,909 --> 00:17:34,080

conquered nation to carry their backpack

475

00:17:37,430 --> 00:17:35,919

for one mile and this is why they have

476

00:17:39,270 --> 00:17:37,440

milestones that's what the

477

00:17:40,950 --> 00:17:39,280

expression means it refers to the

478

00:17:44,230 --> 00:17:40,960

distance that uh

479

00:17:46,870 --> 00:17:44,240

a constricted uh you know

480

00:17:48,230 --> 00:17:46,880

native would have to carry a roman

481

00:17:50,390 --> 00:17:48,240

backpack and they were heavy they

482

00:17:52,789 --> 00:17:50,400

weighed like 35 40 pounds so

483

00:17:55,909 --> 00:17:52,799

it was a big deal but jesus said no no

484

00:17:59,430 --> 00:17:55,919

don't go one mile go the extra mile

485

00:18:00,950 --> 00:17:59,440

and this would be um i mean today this

486

00:18:03,909 --> 00:18:00,960

would be like uh

487

00:18:05,669 --> 00:18:03,919

don't just wear your mask inside uh

488

00:18:08,870 --> 00:18:05,679

costco and trader joe's but

489

00:18:10,870 --> 00:18:08,880

wear it on the street you know so that

490

00:18:12,870 --> 00:18:10,880

so yeah or the the other way i think of

491

00:18:15,350 --> 00:18:12,880

it it'd be like telling

492

00:18:16,230 --> 00:18:15,360

it'd be like telling one of those antifa

493

00:18:18,710 --> 00:18:16,240

goons

494

00:18:20,230 --> 00:18:18,720

you know go shine the boots of an

495

00:18:21,990 --> 00:18:20,240

investment banker

496

00:18:23,669 --> 00:18:22,000

and i'll tell you what don't just shine

497

00:18:25,909 --> 00:18:23,679

one pair of his boots

498

00:18:28,070 --> 00:18:25,919

tell him to go to his closet shine two

499

00:18:30,789 --> 00:18:28,080

pairs of his boots it's like

500

00:18:32,230 --> 00:18:30,799

because put it in the context of you

501  
00:18:35,110 --> 00:18:32,240  
know the conflict

502  
00:18:37,190 --> 00:18:35,120  
the feeling this was this was the most

503  
00:18:40,950 --> 00:18:37,200  
violent century

504  
00:18:42,390 --> 00:18:40,960  
um in the history of uh of israel rome

505  
00:18:45,590 --> 00:18:42,400  
had conquered it

506  
00:18:49,029 --> 00:18:45,600  
uh sarah typically they

507  
00:18:49,990 --> 00:18:49,039  
they were able to become uh basically

508  
00:18:52,310 --> 00:18:50,000  
allied

509  
00:18:53,190 --> 00:18:52,320  
with one of the native kings the family

510  
00:18:55,990 --> 00:18:53,200  
of herod

511  
00:18:58,150 --> 00:18:56,000  
who were the roman puppets and then they

512  
00:19:00,710 --> 00:18:58,160  
were able to um

513  
00:19:01,909 --> 00:19:00,720

uh basically slither into power one inch

514

00:19:04,310 --> 00:19:01,919

at a time

515

00:19:05,270 --> 00:19:04,320

uh and then finally they just were the

516

00:19:08,070 --> 00:19:05,280

uh authority

517

00:19:10,150 --> 00:19:08,080

um and the hasmonean kingdom was over

518

00:19:13,190 --> 00:19:10,160

and now you had this this uh

519

00:19:16,070 --> 00:19:13,200

you know the the herodian era um

520

00:19:17,029 --> 00:19:16,080

herod's were the tax collector of rome

521

00:19:18,950 --> 00:19:17,039

now

522

00:19:20,630 --> 00:19:18,960

during this period from like the year

523

00:19:24,710 --> 00:19:20,640

one through uh

524

00:19:26,310 --> 00:19:24,720

you know 135 uh ce the period during

525

00:19:27,430 --> 00:19:26,320

which you had the ministry of jesus

526

00:19:29,350 --> 00:19:27,440

purportedly

527

00:19:30,870 --> 00:19:29,360

you had just one revolution after

528

00:19:34,230 --> 00:19:30,880

another

529

00:19:37,350 --> 00:19:34,240

rome insisted upon placing

530

00:19:38,870 --> 00:19:37,360

images of the caesars inside

531

00:19:40,870 --> 00:19:38,880

the temples it was the only real

532

00:19:42,230 --> 00:19:40,880

requirement of colonialization in terms

533

00:19:44,710 --> 00:19:42,240

of religion they could

534

00:19:46,310 --> 00:19:44,720

the roman colonialists colonies could

535

00:19:47,590 --> 00:19:46,320

have any religion they wanted that rome

536

00:19:50,950 --> 00:19:47,600

could care less

537

00:19:54,150 --> 00:19:50,960

but they had to permit caesar worship

538

00:19:54,789 --> 00:19:54,160

the imperial cult was a great propaganda

539

00:19:56,390 --> 00:19:54,799

tool and

540

00:19:58,230 --> 00:19:56,400

and so it was just mandated that

541

00:20:01,510 --> 00:19:58,240

everyone had to have um

542

00:20:03,830 --> 00:20:01,520

images of caesar and uh

543

00:20:05,350 --> 00:20:03,840

herod basically was carrying out this

544

00:20:08,310 --> 00:20:05,360

edict inside

545

00:20:08,870 --> 00:20:08,320

the temple of jerusalem the religious

546

00:20:11,270 --> 00:20:08,880

jews

547

00:20:12,310 --> 00:20:11,280

saw this of course as completely in

548

00:20:15,909 --> 00:20:12,320

opposition to

549

00:20:17,909 --> 00:20:15,919

their religious fundamentals and so they

550

00:20:20,070 --> 00:20:17,919

rebelled

551  
00:20:21,990 --> 00:20:20,080  
and there was one after another after

552  
00:20:24,549 --> 00:20:22,000  
another and these weren't

553  
00:20:26,390 --> 00:20:24,559  
you know a couple hundred people you

554  
00:20:27,909 --> 00:20:26,400  
have to look at the history closely and

555  
00:20:30,070 --> 00:20:27,919  
see just how

556  
00:20:31,350 --> 00:20:30,080  
catastrophic the rebellions were to the

557  
00:20:34,230 --> 00:20:31,360  
roman empire

558  
00:20:36,310 --> 00:20:34,240  
um there were three major rebellions and

559  
00:20:39,669 --> 00:20:36,320  
perhaps a dozen minor one

560  
00:20:41,750 --> 00:20:39,679  
the the famous rebellion of uh 66

561  
00:20:42,950 --> 00:20:41,760  
through 73 where the temple was

562  
00:20:46,070 --> 00:20:42,960  
destroyed

563  
00:20:48,149 --> 00:20:46,080

um in that period the uh

564

00:20:49,430 --> 00:20:48,159

the jewish revolutionaries were actually

565

00:20:53,029 --> 00:20:49,440

able to drive rome

566

00:20:55,990 --> 00:20:53,039

out of their nation and to establish a

567

00:20:57,350 --> 00:20:56,000

independent nation state right in the

568

00:21:00,310 --> 00:20:57,360

middle

569

00:21:00,950 --> 00:21:00,320

of the roman empire um so this was a

570

00:21:04,470 --> 00:21:00,960

just

571

00:21:07,190 --> 00:21:04,480

an absolute uh catastrophe for

572

00:21:07,830 --> 00:21:07,200

uh rome colonial interests and so this

573

00:21:11,029 --> 00:21:07,840

led to the

574

00:21:11,510 --> 00:21:11,039

seven year war um but that wasn't the

575

00:21:15,190 --> 00:21:11,520

end of it

576

00:21:16,789 --> 00:21:15,200

and then in um in 112 115

577

00:21:18,310 --> 00:21:16,799

you had another rebellion and this

578

00:21:20,070 --> 00:21:18,320

rebellion there's some historical

579

00:21:22,950 --> 00:21:20,080

documentation of but

580

00:21:24,789 --> 00:21:22,960

in general it's been swept under the rug

581

00:21:27,750 --> 00:21:24,799

but it was an absolute bloodbath

582

00:21:29,270 --> 00:21:27,760

um the the jews were able to gain

583

00:21:32,789 --> 00:21:29,280

military

584

00:21:35,110 --> 00:21:32,799

control over cyprus and they

585

00:21:37,510 --> 00:21:35,120

genocided the entire gentile population

586

00:21:40,070 --> 00:21:37,520

supposedly a quarter million people

587

00:21:41,750 --> 00:21:40,080

they drove rome completely out of egypt

588

00:21:43,510 --> 00:21:41,760

for a period of time

589

00:21:46,470 --> 00:21:43,520

and it's just incredible to think about

590

00:21:48,789 --> 00:21:46,480

this this is rome's bread basket so

591

00:21:50,230 --> 00:21:48,799

um rome was able eventually to get that

592

00:21:51,669 --> 00:21:50,240

under control and then the rebellion

593

00:21:54,950 --> 00:21:51,679

broke out again in 133

594

00:21:56,549 --> 00:21:54,960

barcock this was the one where you ended

595

00:21:58,310 --> 00:21:56,559

up with the diaspora they just wouldn't

596

00:22:00,070 --> 00:21:58,320

let the jews even come into israel

597

00:22:01,750 --> 00:22:00,080

because i felt that the geographical

598

00:22:04,390 --> 00:22:01,760

aspect of religion was

599

00:22:05,590 --> 00:22:04,400

part of what was formatting rebellion

600

00:22:08,549 --> 00:22:05,600

but that rebellion

601  
00:22:09,350 --> 00:22:08,559  
was just again it was just catastrophic

602  
00:22:12,789 --> 00:22:09,360  
to the roman

603  
00:22:14,470 --> 00:22:12,799  
emperor empire and so and again i mean i

604  
00:22:17,350 --> 00:22:14,480  
think that's something that we can

605  
00:22:18,390 --> 00:22:17,360  
probably relate to more in these times

606  
00:22:20,070 --> 00:22:18,400  
that we're in because

607  
00:22:21,510 --> 00:22:20,080  
if you read this history the way it's

608  
00:22:24,549 --> 00:22:21,520  
normally presented

609  
00:22:26,070 --> 00:22:24,559  
what comes through is yeah it was a pain

610  
00:22:27,430 --> 00:22:26,080  
for the romans but

611  
00:22:29,110 --> 00:22:27,440  
they knew they were going to win i mean

612  
00:22:30,870 --> 00:22:29,120  
this is the roman empire this

613  
00:22:32,149 --> 00:22:30,880

little skirmish isn't going to really

614

00:22:34,149 --> 00:22:32,159

mess things up

615

00:22:35,590 --> 00:22:34,159

but put it in the context of like what

616

00:22:38,789 --> 00:22:35,600

we've been seeing on tv

617

00:22:41,510 --> 00:22:38,799

you know so the antifa folks

618

00:22:43,430 --> 00:22:41,520

are gonna take over seattle how does

619

00:22:43,990 --> 00:22:43,440

that feel to us it's like wait a minute

620

00:22:45,830 --> 00:22:44,000

we're looking

621

00:22:47,590 --> 00:22:45,840

they've taken over they've blocked it

622

00:22:48,070 --> 00:22:47,600

off they've said you can't come in this

623

00:22:50,870 --> 00:22:48,080

is now

624

00:22:52,070 --> 00:22:50,880

ours we know that isn't gonna last we

625

00:22:54,950 --> 00:22:52,080

know that eventually

626  
00:22:55,430 --> 00:22:54,960  
we'll put down that rebellion but it

627  
00:22:58,789 --> 00:22:55,440  
sure

628  
00:23:02,149 --> 00:22:58,799  
is very you know disconcerting

629  
00:23:03,830 --> 00:23:02,159  
uncomfortable it is a huge problem so

630  
00:23:05,190 --> 00:23:03,840  
i think it's such an important point

631  
00:23:08,789 --> 00:23:05,200  
that you're making about

632  
00:23:11,110 --> 00:23:08,799  
these times and then really to imagine

633  
00:23:13,110 --> 00:23:11,120  
like whoever was the the leader the

634  
00:23:14,789 --> 00:23:13,120  
supreme leader of the antifa

635  
00:23:16,950 --> 00:23:14,799  
group that has now taken over the whole

636  
00:23:17,350 --> 00:23:16,960  
west coast for him to come forward and

637  
00:23:20,789 --> 00:23:17,360  
say

638  
00:23:22,470 --> 00:23:20,799

yeah shine their shoes you know and uh

639

00:23:23,990 --> 00:23:22,480

give them what's theirs and you know

640

00:23:26,630 --> 00:23:24,000

here's how we should it

641

00:23:28,390 --> 00:23:26,640

doesn't make any sense we just wouldn't

642

00:23:29,830 --> 00:23:28,400

trust that we wouldn't believe that any

643

00:23:32,390 --> 00:23:29,840

more than we believe that

644

00:23:33,270 --> 00:23:32,400

jeffrey epstein hung himself while

645

00:23:35,510 --> 00:23:33,280

guarded by

646

00:23:37,270 --> 00:23:35,520

you know a half dozen prisoners or a

647

00:23:40,390 --> 00:23:37,280

half dozen prison guards

648

00:23:42,149 --> 00:23:40,400

well it's the thing we have what we

649

00:23:44,230 --> 00:23:42,159

believe is a history

650

00:23:45,430 --> 00:23:44,240

and to the extent we believe it as

651  
00:23:47,750 --> 00:23:45,440  
history as

652  
00:23:49,669 --> 00:23:47,760  
things that actually occurred we are

653  
00:23:53,510 --> 00:23:49,679  
basically

654  
00:23:55,510 --> 00:23:53,520  
being manipulated um you know as

655  
00:23:57,190 --> 00:23:55,520  
as you know my my position is we really

656  
00:23:58,390 --> 00:23:57,200  
can't trust any history at this point

657  
00:24:00,789 --> 00:23:58,400  
there's

658  
00:24:04,149 --> 00:24:00,799  
they were able to um manipulate us with

659  
00:24:06,950 --> 00:24:04,159  
the the history of jesus christ

660  
00:24:08,549 --> 00:24:06,960  
the history of so-called uh the author

661  
00:24:11,190 --> 00:24:08,559  
shakespeare

662  
00:24:13,350 --> 00:24:11,200  
and i think really what we have is

663  
00:24:17,110 --> 00:24:13,360

history we need to be skeptical about i

664

00:24:19,190 --> 00:24:17,120

i just personally do not uh um

665

00:24:20,390 --> 00:24:19,200

you know i i need to have different ways

666

00:24:23,350 --> 00:24:20,400

of understanding it

667

00:24:24,630 --> 00:24:23,360

uh than just what they tell us you know

668

00:24:27,750 --> 00:24:24,640

because really we're

669

00:24:28,789 --> 00:24:27,760

run by a controlled by uh you know you

670

00:24:31,830 --> 00:24:28,799

mentioned the term

671

00:24:32,710 --> 00:24:31,840

psychological operation well whoever is

672

00:24:35,350 --> 00:24:32,720

doing that

673

00:24:37,110 --> 00:24:35,360

has to remain secret it doesn't work if

674

00:24:39,029 --> 00:24:37,120

everyone knows that this is

675

00:24:40,310 --> 00:24:39,039

you know basically just a psychological

676  
00:24:42,870 --> 00:24:40,320  
operation to

677  
00:24:43,669 --> 00:24:42,880  
to influence us so they have to be

678  
00:24:46,149 --> 00:24:43,679  
secret

679  
00:24:46,710 --> 00:24:46,159  
we have to give them trust which means

680  
00:24:48,630 --> 00:24:46,720  
that you're

681  
00:24:50,070 --> 00:24:48,640  
dealing with people that i call lifetime

682  
00:24:52,390 --> 00:24:50,080  
actors

683  
00:24:53,350 --> 00:24:52,400  
they're not real the personality that

684  
00:24:55,190 --> 00:24:53,360  
you're seeing is

685  
00:24:56,630 --> 00:24:55,200  
is artificially created just to

686  
00:25:00,149 --> 00:24:56,640  
manipulate us

687  
00:25:02,470 --> 00:25:00,159  
the history they're giving us is um

688  
00:25:04,390 --> 00:25:02,480

basically just there to to you know

689

00:25:08,470 --> 00:25:04,400

create influence in our minds

690

00:25:10,870 --> 00:25:08,480

um and this isn't you know a um

691

00:25:12,950 --> 00:25:10,880

very theoretical at this point i think

692

00:25:16,310 --> 00:25:12,960

if you look at the whole covid

693

00:25:17,750 --> 00:25:16,320

uh you know uh phenomena and and how we

694

00:25:19,669 --> 00:25:17,760

responded to it how the government's

695

00:25:22,149 --> 00:25:19,679

responded i think this is

696

00:25:23,669 --> 00:25:22,159

is obviously very well organized it's

697

00:25:26,710 --> 00:25:23,679

very artificial

698

00:25:28,310 --> 00:25:26,720

the response and it's taking us to a to

699

00:25:31,029 --> 00:25:28,320

a place um

700

00:25:32,230 --> 00:25:31,039

that we are not being told about you

701

00:25:34,870 --> 00:25:32,240

know they're they're going to

702

00:25:37,430 --> 00:25:34,880

in my opinion they're going to uh uh

703

00:25:40,870 --> 00:25:37,440

basically wreck the economy this is done

704

00:25:42,950 --> 00:25:40,880

to create poverty um and

705

00:25:44,070 --> 00:25:42,960

from there they're able to implement a

706

00:25:47,269 --> 00:25:44,080

much more

707

00:25:50,230 --> 00:25:47,279

uh locked down kind of slave state

708

00:25:51,350 --> 00:25:50,240

um i do hear what you're saying about

709

00:25:53,909 --> 00:25:51,360

the covet thing

710

00:25:57,110 --> 00:25:53,919

yeah i'm reluctant to go there i want

711

00:25:59,909 --> 00:25:57,120

some more time to pass uh

712

00:26:01,190 --> 00:25:59,919

you know i i think sometimes looking at

713

00:26:03,430 --> 00:26:01,200

these

714

00:26:04,230 --> 00:26:03,440

major major what that would be you know

715

00:26:07,029 --> 00:26:04,240

a major

716

00:26:08,070 --> 00:26:07,039

cultural operation cultural psyop is

717

00:26:10,710 --> 00:26:08,080

best

718

00:26:12,070 --> 00:26:10,720

examined through a longer lens and in a

719

00:26:14,950 --> 00:26:12,080

minute

720

00:26:16,149 --> 00:26:14,960

one thing that we can one one such

721

00:26:19,350 --> 00:26:16,159

example that i think

722

00:26:21,430 --> 00:26:19,360

really brings light to this is the work

723

00:26:23,830 --> 00:26:21,440

that you've done on gloria steinem and

724

00:26:25,510 --> 00:26:23,840

it's something else that i bring up

725

00:26:27,510 --> 00:26:25,520

quite frequently on this show because i

726

00:26:30,070 --> 00:26:27,520

think it really highlights

727

00:26:31,190 --> 00:26:30,080

how our modern history is being

728

00:26:34,630 --> 00:26:31,200

manipulated

729

00:26:37,269 --> 00:26:34,640

spun in different ways and how these

730

00:26:38,390 --> 00:26:37,279

lifetime actors as you described it are

731

00:26:41,909 --> 00:26:38,400

really shaping the thing

732

00:26:43,750 --> 00:26:41,919

particularly because gloria steinem is

733

00:26:45,029 --> 00:26:43,760

in the news and there's these new

734

00:26:47,190 --> 00:26:45,039

netflix streaming

735

00:26:48,950 --> 00:26:47,200

specials on it she's never really come

736

00:26:51,830 --> 00:26:48,960

clean about all the just

737

00:26:53,430 --> 00:26:51,840

facts the facts that we could look up

738

00:26:56,070 --> 00:26:53,440

and we'll talk about

739

00:26:57,430 --> 00:26:56,080

on this show so i guess we could go to

740

00:27:01,590 --> 00:26:57,440

gloria steinem

741

00:27:03,830 --> 00:27:01,600

next or i'm almost tempted to put off

742

00:27:06,950 --> 00:27:03,840

gloria steinem because

743

00:27:07,990 --> 00:27:06,960

again one of my one of my frustrations

744

00:27:11,350 --> 00:27:08,000

or one of my

745

00:27:11,669 --> 00:27:11,360

needs in this work this book i'm working

746

00:27:15,750 --> 00:27:11,679

on

747

00:27:18,830 --> 00:27:15,760

why evil matters is to really

748

00:27:21,909 --> 00:27:18,840

flesh out the christian

749

00:27:25,510 --> 00:27:21,919

perspective because i don't

750

00:27:28,549 --> 00:27:25,520

think christians well-meaning

751  
00:27:30,870 --> 00:27:28,559  
honest respectable christians

752  
00:27:32,549 --> 00:27:30,880  
understand the extent to which they're

753  
00:27:34,789 --> 00:27:32,559  
complicit

754  
00:27:37,269 --> 00:27:34,799  
in a lot of this stuff that's going on

755  
00:27:40,630 --> 00:27:37,279  
and i'd say particularly complicit

756  
00:27:41,590 --> 00:27:40,640  
in our understanding and inability to

757  
00:27:44,149 --> 00:27:41,600  
deal with evil

758  
00:27:45,750 --> 00:27:44,159  
and the way i think they are complicit

759  
00:27:47,510 --> 00:27:45,760  
relates directly to

760  
00:27:49,510 --> 00:27:47,520  
what we're just talking about because i

761  
00:27:52,389 --> 00:27:49,520  
think if you're not willing to

762  
00:27:54,950 --> 00:27:52,399  
thoroughly dive in and say oh my gosh is

763  
00:27:58,070 --> 00:27:54,960

he right could he possibly be bright

764

00:27:59,590 --> 00:27:58,080

is what really drove the formation of

765

00:28:02,710 --> 00:27:59,600

this

766

00:28:04,950 --> 00:28:02,720

religion cult was it really

767

00:28:06,630 --> 00:28:04,960

a political psyop like all these other

768

00:28:08,310 --> 00:28:06,640

political sciops i know about was it

769

00:28:10,310 --> 00:28:08,320

really about controlling people

770

00:28:11,750 --> 00:28:10,320

was it really about hey this might just

771

00:28:13,590 --> 00:28:11,760

be a better way to

772

00:28:15,350 --> 00:28:13,600

get a handle on these jews that are

773

00:28:18,230 --> 00:28:15,360

driving us nuts over there

774

00:28:19,110 --> 00:28:18,240

could that possibly be true and that's

775

00:28:21,990 --> 00:28:19,120

what i think

776

00:28:23,269 --> 00:28:22,000

is so so important about what you're

777

00:28:25,870 --> 00:28:23,279

talking about here

778

00:28:27,110 --> 00:28:25,880

beyond the kind of atheistic

779

00:28:29,029 --> 00:28:27,120

conspiratorial

780

00:28:30,389 --> 00:28:29,039

you know oh you know screw those

781

00:28:32,389 --> 00:28:30,399

christians they don't know what's going

782

00:28:32,710 --> 00:28:32,399

on there is no god into that i mean i'm

783

00:28:36,389 --> 00:28:32,720

not

784

00:28:39,430 --> 00:28:36,399

don't think that's the place to go

785

00:28:40,070 --> 00:28:39,440

i'm just saying from my point of view

786

00:28:41,909 --> 00:28:40,080

you know in

787

00:28:43,590 --> 00:28:41,919

why evil matters i don't think

788

00:28:45,830 --> 00:28:43,600

christians understand

789

00:28:48,070 --> 00:28:45,840

how they have become complicit because

790

00:28:50,549 --> 00:28:48,080

they don't understand the psyop

791

00:28:51,750 --> 00:28:50,559

do you have any thoughts on that well

792

00:28:55,190 --> 00:28:51,760

just that it's true

793

00:28:58,549 --> 00:28:55,200

um if you don't understand kind of the

794

00:29:00,789 --> 00:28:58,559

you know the origin of the uh

795

00:29:03,590 --> 00:29:00,799

cult and i think that's the correct

796

00:29:06,549 --> 00:29:03,600

phrase that that you're involved with

797

00:29:08,470 --> 00:29:06,559

and you don't understand the the purpose

798

00:29:11,350 --> 00:29:08,480

for the rulers

799

00:29:12,950 --> 00:29:11,360

um basically you cannot avoid being

800

00:29:16,310 --> 00:29:12,960

complicit

801  
00:29:19,510 --> 00:29:16,320  
in evil because it starts out with um

802  
00:29:22,950 --> 00:29:19,520  
secrecy i mean you don't need secrecy

803  
00:29:23,990 --> 00:29:22,960  
if if there is uh you know not evil

804  
00:29:27,110 --> 00:29:24,000  
afoot

805  
00:29:29,510 --> 00:29:27,120  
and so since christianity is

806  
00:29:30,230 --> 00:29:29,520  
ruled through secrecy and comes from

807  
00:29:32,389 --> 00:29:30,240  
secrecy

808  
00:29:33,909 --> 00:29:32,399  
then you know you know there is there is

809  
00:29:36,630 --> 00:29:33,919  
purposes for it

810  
00:29:37,750 --> 00:29:36,640  
uh which had to be kept secret so you

811  
00:29:40,630 --> 00:29:37,760  
are complicit

812  
00:29:41,190 --> 00:29:40,640  
and and you really should um i think if

813  
00:29:44,310 --> 00:29:41,200

you're

814

00:29:45,750 --> 00:29:44,320

honest with yourself try to uh

815

00:29:47,830 --> 00:29:45,760

see if there is some way of

816

00:29:51,190 --> 00:29:47,840

understanding the origin of the religion

817

00:29:51,590 --> 00:29:51,200

um because here here's the thing i guess

818

00:29:53,830 --> 00:29:51,600

that

819

00:29:55,510 --> 00:29:53,840

you know i hammer on this from a couple

820

00:29:57,110 --> 00:29:55,520

angles and people don't like either one

821

00:29:59,350 --> 00:29:57,120

but we'll try it again

822

00:30:00,549 --> 00:29:59,360

if if someone was to really do a deep

823

00:30:02,870 --> 00:30:00,559

dive into

824

00:30:04,070 --> 00:30:02,880

the christian pedo thing and the

825

00:30:05,430 --> 00:30:04,080

pedopope thing

826  
00:30:07,110 --> 00:30:05,440  
and they were to come out on the other

827  
00:30:09,110 --> 00:30:07,120  
side and say wow you know

828  
00:30:10,549 --> 00:30:09,120  
overwhelming evidence that at the

829  
00:30:13,190 --> 00:30:10,559  
highest level

830  
00:30:14,789 --> 00:30:13,200  
that institution has been compromised to

831  
00:30:17,110 --> 00:30:14,799  
the extent that

832  
00:30:18,389 --> 00:30:17,120  
the burden of proof is on them to show

833  
00:30:21,190 --> 00:30:18,399  
that there isn't a

834  
00:30:22,630 --> 00:30:21,200  
systematic abuse of children going on

835  
00:30:23,830 --> 00:30:22,640  
from the highest down to the lowest

836  
00:30:25,350 --> 00:30:23,840  
levels of that organization

837  
00:30:26,950 --> 00:30:25,360  
if someone was to come to that

838  
00:30:29,830 --> 00:30:26,960

conclusion which i think

839

00:30:31,590 --> 00:30:29,840

a reasonable person could then what do

840

00:30:32,710 --> 00:30:31,600

you do on sunday when you go into the

841

00:30:34,950 --> 00:30:32,720

catholic church and they

842

00:30:35,990 --> 00:30:34,960

pass the plate around well you do what

843

00:30:37,990 --> 00:30:36,000

you've always done is

844

00:30:39,590 --> 00:30:38,000

you throw a few bucks in there or you

845

00:30:42,310 --> 00:30:39,600

throw in your little envelope that says

846

00:30:45,190 --> 00:30:42,320

i gave at the office or whatever it is

847

00:30:46,070 --> 00:30:45,200

but now your complicity really becomes

848

00:30:49,029 --> 00:30:46,080

clear

849

00:30:50,230 --> 00:30:49,039

you've put money in the plate and you

850

00:30:52,549 --> 00:30:50,240

know now

851  
00:30:53,669 --> 00:30:52,559  
where some of that money is going and

852  
00:30:56,870 --> 00:30:53,679  
that kind of hits us

853  
00:30:59,350 --> 00:30:56,880  
at another level but that is still

854  
00:31:02,710 --> 00:30:59,360  
that's not the conversation we're having

855  
00:31:04,310 --> 00:31:02,720  
the conversation we're having even among

856  
00:31:06,149 --> 00:31:04,320  
you know christians who are struggling

857  
00:31:09,190 --> 00:31:06,159  
with their religion is

858  
00:31:10,389 --> 00:31:09,200  
more along the lines of kind of the

859  
00:31:12,549 --> 00:31:10,399  
apologetics

860  
00:31:13,830 --> 00:31:12,559  
which is how they'll come at you know

861  
00:31:15,590 --> 00:31:13,840  
your work and say well

862  
00:31:17,190 --> 00:31:15,600  
you know well what about this and

863  
00:31:17,990 --> 00:31:17,200

they'll quote this scripture or this

864

00:31:20,789 --> 00:31:18,000

scholar

865

00:31:22,470 --> 00:31:20,799

and again i i just want to emphasize

866

00:31:24,149 --> 00:31:22,480

that to me

867

00:31:25,830 --> 00:31:24,159

they've kind of missed the point i mean

868

00:31:28,549 --> 00:31:25,840

the first point is

869

00:31:30,149 --> 00:31:28,559

all that is important and can be hashed

870

00:31:32,389 --> 00:31:30,159

out you know and what this

871

00:31:33,909 --> 00:31:32,399

guy said when and who wrote this back

872

00:31:37,190 --> 00:31:33,919

then and what this

873

00:31:40,870 --> 00:31:37,200

verse contradicts with all that is

874

00:31:44,070 --> 00:31:40,880

secondary to the basic premise that

875

00:31:45,909 --> 00:31:44,080

it's roman literature it's pro-roman it

876  
00:31:46,549 --> 00:31:45,919  
doesn't make any sense at the highest

877  
00:31:50,070 --> 00:31:46,559  
level

878  
00:31:52,149 --> 00:31:50,080  
that this document this

879  
00:31:53,990 --> 00:31:52,159  
this writing would come out and would

880  
00:31:57,669 --> 00:31:54,000  
wind up being pro-roman

881  
00:32:00,630 --> 00:31:57,679  
deal with that first well

882  
00:32:00,950 --> 00:32:00,640  
particularly now that uh you know the uh

883  
00:32:05,269 --> 00:32:00,960  
this

884  
00:32:08,870 --> 00:32:05,279  
relationship which incidentally was

885  
00:32:11,830 --> 00:32:08,880  
was created to be understood um

886  
00:32:13,509 --> 00:32:11,840  
uh now that that's sort of in existence

887  
00:32:15,669 --> 00:32:13,519  
people really should actually

888  
00:32:17,430 --> 00:32:15,679

take a pass at it and just see what they

889

00:32:21,110 --> 00:32:17,440

you know what they can make of it

890

00:32:22,630 --> 00:32:21,120

um the the quality of the evidence

891

00:32:24,389 --> 00:32:22,640

in caesar's messiah is completely

892

00:32:26,950 --> 00:32:24,399

different than in other

893

00:32:29,110 --> 00:32:26,960

sort of historical kind of attempts to

894

00:32:32,389 --> 00:32:29,120

understand christianity because

895

00:32:35,830 --> 00:32:32,399

what it does is it just takes two texts

896

00:32:36,549 --> 00:32:35,840

and lays them side by side and then just

897

00:32:39,029 --> 00:32:36,559

says look

898

00:32:40,070 --> 00:32:39,039

uh here are these relationships which

899

00:32:43,350 --> 00:32:40,080

any normal

900

00:32:46,070 --> 00:32:43,360

person can see are uh completely

901  
00:32:48,149 --> 00:32:46,080  
you know uh linked they are one in fact

902  
00:32:50,149 --> 00:32:48,159  
in many cases it's the exact same

903  
00:32:52,470 --> 00:32:50,159  
event you know that jesus is simply

904  
00:32:55,990 --> 00:32:52,480  
predicting something that comes about

905  
00:32:57,909 --> 00:32:56,000  
now the overall sequence of the entire

906  
00:32:59,269 --> 00:32:57,919  
ministry the adult ministry of jesus is

907  
00:33:02,310 --> 00:32:59,279  
made up of these

908  
00:33:05,590 --> 00:33:02,320  
linked events basically and therefore

909  
00:33:06,230 --> 00:33:05,600  
it's deliberate and once that is

910  
00:33:08,710 --> 00:33:06,240  
understood

911  
00:33:09,750 --> 00:33:08,720  
then it's it's there's really no way to

912  
00:33:11,830 --> 00:33:09,760  
uh

913  
00:33:13,830 --> 00:33:11,840

explain it other than the fact that this

914

00:33:16,070 --> 00:33:13,840

was produced by rome

915

00:33:17,669 --> 00:33:16,080

and that their rome had a purpose

916

00:33:19,269 --> 00:33:17,679

everything is self-evident from that

917

00:33:20,470 --> 00:33:19,279

point on alex i mean you don't really

918

00:33:23,430 --> 00:33:20,480

need to do

919

00:33:23,990 --> 00:33:23,440

kind of complicated analysis to to

920

00:33:26,389 --> 00:33:24,000

understand

921

00:33:28,789 --> 00:33:26,399

why christianity was produced by rome

922

00:33:31,029 --> 00:33:28,799

they wanted another version of judaism

923

00:33:31,990 --> 00:33:31,039

they wanted one that was pro-roman

924

00:33:33,990 --> 00:33:32,000

you've done this uh

925

00:33:35,350 --> 00:33:34,000

a hundred times joe but just kind of

926  
00:33:38,470 --> 00:33:35,360  
quickly

927  
00:33:39,750 --> 00:33:38,480  
go over some of those parallels some of

928  
00:33:42,789 --> 00:33:39,760  
those sequences

929  
00:33:45,590 --> 00:33:42,799  
and then most importantly highlight how

930  
00:33:46,149 --> 00:33:45,600  
what what josephus so so the end play

931  
00:33:49,190 --> 00:33:46,159  
here let me

932  
00:33:51,190 --> 00:33:49,200  
recap if i can for people josephus

933  
00:33:53,269 --> 00:33:51,200  
if you don't know if you haven't kind of

934  
00:33:55,029 --> 00:33:53,279  
done the deep dive already which i never

935  
00:33:55,590 --> 00:33:55,039  
knew who josephus was before i talked to

936  
00:33:58,149 --> 00:33:55,600  
you

937  
00:33:59,830 --> 00:33:58,159  
but he is this sometimes characterized

938  
00:34:04,950 --> 00:33:59,840

as a roman historian

939

00:34:07,350 --> 00:34:04,960

but who he really is is a jewish

940

00:34:08,310 --> 00:34:07,360

jewish well he was a jewish rabbi he was

941

00:34:11,109 --> 00:34:08,320

also a jewish

942

00:34:12,069 --> 00:34:11,119

general and he was the first boots on

943

00:34:16,149 --> 00:34:12,079

the ground guy

944

00:34:16,869 --> 00:34:16,159

in galilee when the romans came in to do

945

00:34:20,149 --> 00:34:16,879

their

946

00:34:23,950 --> 00:34:20,159

said hey guys

947

00:34:27,190 --> 00:34:23,960

through some strange very very shady

948

00:34:28,230 --> 00:34:27,200

unbelievably unbelievable uh set of

949

00:34:31,589 --> 00:34:28,240

circumstances

950

00:34:33,829 --> 00:34:31,599

came to ally himself with the romans

951  
00:34:35,430 --> 00:34:33,839  
and most importantly what you always

952  
00:34:38,550 --> 00:34:35,440  
point out is that

953  
00:34:41,349 --> 00:34:38,560  
in this process he had this

954  
00:34:41,669 --> 00:34:41,359  
spiritually revelatory experience and

955  
00:34:44,550 --> 00:34:41,679  
this

956  
00:34:45,589 --> 00:34:44,560  
is his claim from his jewish rabbi that

957  
00:34:49,589 --> 00:34:45,599  
everything he

958  
00:34:52,149 --> 00:34:49,599  
understood about judaism was wrong

959  
00:34:52,869 --> 00:34:52,159  
and that what the messiah was really all

960  
00:34:54,629 --> 00:34:52,879  
about

961  
00:34:56,550 --> 00:34:54,639  
what the second coming was really all

962  
00:34:59,190 --> 00:34:56,560  
about was

963  
00:35:01,030 --> 00:34:59,200

roman caesar and that therefore i mean

964

00:35:04,069 --> 00:35:01,040

this is so transparent at this point

965

00:35:06,710 --> 00:35:04,079

this is so uh therefore you know

966

00:35:07,990 --> 00:35:06,720

this is who we should really this is why

967

00:35:11,750 --> 00:35:08,000

we should be pro roman

968

00:35:13,510 --> 00:35:11,760

because this is the this is where our uh

969

00:35:15,510 --> 00:35:13,520

this is what has been prophesized all

970

00:35:16,150 --> 00:35:15,520

along so i'm sorry i went on and on

971

00:35:18,550 --> 00:35:16,160

there

972

00:35:20,230 --> 00:35:18,560

lay out some of those parallels and then

973

00:35:23,270 --> 00:35:20,240

add anything you can to

974

00:35:26,710 --> 00:35:23,280

the the big picture story here yeah

975

00:35:28,230 --> 00:35:26,720

there uh you know um it depends how

976

00:35:31,270 --> 00:35:28,240

you'd want to characterize it but there

977

00:35:35,430 --> 00:35:31,280

might be as many as 70

978

00:35:37,109 --> 00:35:35,440

events which are linked from between the

979

00:35:39,109 --> 00:35:37,119

adult ministry of jesus that is

980

00:35:42,230 --> 00:35:39,119

characterized in the gospels

981

00:35:46,150 --> 00:35:42,240

and the history of the war that josephus

982

00:35:47,670 --> 00:35:46,160

recorded um some of the parallels are

983

00:35:50,069 --> 00:35:47,680

actually quite complicated

984

00:35:51,030 --> 00:35:50,079

and most of the critics of caesar's

985

00:35:54,069 --> 00:35:51,040

messiah would

986

00:35:57,990 --> 00:35:54,079

go to the most complex and then say

987

00:36:01,510 --> 00:35:58,000

look it's hallucination by atwell this

988

00:36:03,270 --> 00:36:01,520

is parallel mania um but the fact is you

989

00:36:06,630 --> 00:36:03,280

can simply

990

00:36:09,589 --> 00:36:06,640

basically look at events which are

991

00:36:11,990 --> 00:36:09,599

are not complicated which in fact are in

992

00:36:14,870 --> 00:36:12,000

many cases simply the historical events

993

00:36:16,870 --> 00:36:14,880

and see that the story of jesus was made

994

00:36:20,790 --> 00:36:16,880

up of uh events from the uh

995

00:36:23,190 --> 00:36:20,800

from the war um the his adult ministry

996

00:36:25,670 --> 00:36:23,200

starts at the sea of galilee

997

00:36:28,150 --> 00:36:25,680

uh where he tells his disciples that if

998

00:36:30,550 --> 00:36:28,160

they follow him they will fish for men

999

00:36:32,950 --> 00:36:30,560

uh this is the same location where titus

1000

00:36:34,790 --> 00:36:32,960

flavius begins his military campaign at

1001  
00:36:37,190 --> 00:36:34,800  
the sea of galilee and

1002  
00:36:38,390 --> 00:36:37,200  
he uh sinks the jewish fishing fleet and

1003  
00:36:42,310 --> 00:36:38,400  
then they

1004  
00:36:45,750 --> 00:36:42,320  
fish for the jews with their spears um

1005  
00:36:47,510 --> 00:36:45,760  
the um the locations of the two

1006  
00:36:49,190 --> 00:36:47,520  
stories are the same and occur in the

1007  
00:36:52,069 --> 00:36:49,200  
same sequence so

1008  
00:36:54,870 --> 00:36:52,079  
um jesus you know after the galilean

1009  
00:36:58,630 --> 00:36:54,880  
ministry goes on to jerusalem

1010  
00:37:01,349 --> 00:36:58,640  
titus does the same you um

1011  
00:37:02,790 --> 00:37:01,359  
you have like a series of historical

1012  
00:37:05,190 --> 00:37:02,800  
events the

1013  
00:37:06,470 --> 00:37:05,200

basically jerusalem is encircled with a

1014

00:37:09,430 --> 00:37:06,480

wall

1015

00:37:09,750 --> 00:37:09,440

you have the abomination of desolation

1016

00:37:11,109 --> 00:37:09,760

um

1017

00:37:13,030 --> 00:37:11,119

and then you have the temple being

1018

00:37:16,150 --> 00:37:13,040

raised i mean

1019

00:37:17,270 --> 00:37:16,160

these events uh are are known to be

1020

00:37:19,270 --> 00:37:17,280

basically uh

1021

00:37:20,710 --> 00:37:19,280

from the jewish war these are these are

1022

00:37:22,870 --> 00:37:20,720

prophecies in

1023

00:37:24,310 --> 00:37:22,880

in the gospels but our historical events

1024

00:37:27,270 --> 00:37:24,320

in jesus

1025

00:37:29,829 --> 00:37:27,280

um you have the um amazing three

1026

00:37:32,230 --> 00:37:29,839

crucified one survives taken down by

1027

00:37:34,870 --> 00:37:32,240

joseph of arimathea parallel

1028

00:37:37,030 --> 00:37:34,880

uh which came out in caesar's messiah

1029

00:37:39,190 --> 00:37:37,040

even though

1030

00:37:41,030 --> 00:37:39,200

it's just so incredibly obvious that the

1031

00:37:44,150 --> 00:37:41,040

two stories are the same

1032

00:37:46,150 --> 00:37:44,160

um why it had never become part of

1033

00:37:47,990 --> 00:37:46,160

modern scholarship is just beyond me

1034

00:37:50,950 --> 00:37:48,000

there was one other scholar cliff

1035

00:37:53,829 --> 00:37:50,960

carrington an australian auto didac

1036

00:37:54,550 --> 00:37:53,839

uh who had also noticed it but he hadn't

1037

00:37:56,710 --> 00:37:54,560

published it

1038

00:37:57,589 --> 00:37:56,720

so we were unaware of one another's work

1039

00:38:00,470 --> 00:37:57,599

uh

1040

00:38:01,990 --> 00:38:00,480

um and then you know and we should just

1041

00:38:03,589 --> 00:38:02,000

we should just add there so we don't get

1042

00:38:07,109 --> 00:38:03,599

to bible geeky

1043

00:38:08,150 --> 00:38:07,119

quick big picture these writings of

1044

00:38:11,030 --> 00:38:08,160

josephus

1045

00:38:11,430 --> 00:38:11,040

who really you kind of even pierced

1046

00:38:15,829 --> 00:38:11,440

through

1047

00:38:16,470 --> 00:38:15,839

that paper-thin idea of josephus and

1048

00:38:19,990 --> 00:38:16,480

suggest

1049

00:38:22,950 --> 00:38:20,000

hey let's just say this is the

1050

00:38:23,910 --> 00:38:22,960

the roman court historians it's their

1051  
00:38:26,710 --> 00:38:23,920  
version

1052  
00:38:28,069 --> 00:38:26,720  
but what's really important is among

1053  
00:38:30,870 --> 00:38:28,079  
biblical scholars

1054  
00:38:32,470 --> 00:38:30,880  
if you really push them they won't even

1055  
00:38:35,430 --> 00:38:32,480  
disagree with the idea

1056  
00:38:35,910 --> 00:38:35,440  
that the gospels as they say are quote

1057  
00:38:39,190 --> 00:38:35,920  
unquote

1058  
00:38:42,310 --> 00:38:39,200  
dependent on josephus which means

1059  
00:38:43,270 --> 00:38:42,320  
it kind of is this flowery way of kind

1060  
00:38:46,550 --> 00:38:43,280  
of softly

1061  
00:38:49,430 --> 00:38:46,560  
you know admitting that

1062  
00:38:49,910 --> 00:38:49,440  
josephus was used to write the gospels

1063  
00:38:52,790 --> 00:38:49,920

that

1064

00:38:53,910 --> 00:38:52,800

should be game over and it's kind of

1065

00:38:56,310 --> 00:38:53,920

interesting to me

1066

00:38:57,190 --> 00:38:56,320

that that isn't game over but that is

1067

00:38:58,790 --> 00:38:57,200

also

1068

00:38:59,990 --> 00:38:58,800

you know taking this in a slightly

1069

00:39:02,230 --> 00:39:00,000

different direction but it's one i

1070

00:39:05,109 --> 00:39:02,240

always wanted you to comment on

1071

00:39:06,550 --> 00:39:05,119

so caesar's messiah is not going to

1072

00:39:08,550 --> 00:39:06,560

change the world

1073

00:39:10,069 --> 00:39:08,560

and you know even when i talk to you

1074

00:39:11,510 --> 00:39:10,079

five seven years ago i think the first

1075

00:39:13,349 --> 00:39:11,520

time i talked to you

1076

00:39:15,670 --> 00:39:13,359

i guess i always had in the back of my

1077

00:39:19,109 --> 00:39:15,680

mind that hey as more people

1078

00:39:22,630 --> 00:39:19,119

understand this this is really gonna

1079

00:39:23,750 --> 00:39:22,640

make a huge difference and i have to say

1080

00:39:27,030 --> 00:39:23,760

with all respect

1081

00:39:29,109 --> 00:39:27,040

joe it hasn't and it's almost more

1082

00:39:29,910 --> 00:39:29,119

interesting in the reasons that it

1083

00:39:35,990 --> 00:39:29,920

hasn't

1084

00:39:37,589 --> 00:39:36,000

kind of supports your case even further

1085

00:39:38,790 --> 00:39:37,599

because the reason it hasn't is number

1086

00:39:40,630 --> 00:39:38,800

one

1087

00:39:43,510 --> 00:39:40,640

the organization you're against is a

1088

00:39:46,150 --> 00:39:43,520

cult and cults don't go down like that

1089

00:39:49,109 --> 00:39:46,160

they don't go down with logical rational

1090

00:39:51,190 --> 00:39:49,119

information and the second reason the

1091

00:39:54,550 --> 00:39:51,200

second reason is that

1092

00:39:56,550 --> 00:39:54,560

you're you're against you're exposing a

1093

00:40:00,230 --> 00:39:56,560

political psyop

1094

00:40:01,430 --> 00:40:00,240

so by definition the hidden controllers

1095

00:40:03,990 --> 00:40:01,440

behind this

1096

00:40:05,430 --> 00:40:04,000

are quite satisfied with the narrative

1097

00:40:08,470 --> 00:40:05,440

the way that it is

1098

00:40:11,109 --> 00:40:08,480

so we wouldn't expect it to change

1099

00:40:12,630 --> 00:40:11,119

just because somebody says hey isn't

1100

00:40:14,870 --> 00:40:12,640

this obvious this is uh

1101

00:40:15,829 --> 00:40:14,880

this is what's really going on any

1102

00:40:18,470 --> 00:40:15,839

thoughts on that

1103

00:40:19,030 --> 00:40:18,480

well i mean basically you described it

1104

00:40:22,069 --> 00:40:19,040

very well

1105

00:40:25,510 --> 00:40:22,079

um there are christian scholars

1106

00:40:27,430 --> 00:40:25,520

who in private will accept my analysis

1107

00:40:28,870 --> 00:40:27,440

and will even mention to me that it

1108

00:40:32,150 --> 00:40:28,880

seems coherent

1109

00:40:35,990 --> 00:40:32,160

but will attack me publicly and

1110

00:40:39,190 --> 00:40:36,000

defend uh christianity you know um

1111

00:40:39,750 --> 00:40:39,200

as uh you know based on a historical

1112

00:40:45,109 --> 00:40:39,760

jesus

1113

00:40:47,829 --> 00:40:45,119

um you know everything can be nuanced or

1114

00:40:48,790 --> 00:40:47,839

you know diced to to a kind of a point

1115

00:40:51,349 --> 00:40:48,800

where

1116

00:40:53,349 --> 00:40:51,359

uh you have doubt and if there's any

1117

00:40:55,349 --> 00:40:53,359

doubt whatsoever then

1118

00:40:57,510 --> 00:40:55,359

uh they can just you know put that

1119

00:40:59,670 --> 00:40:57,520

forward slowing showing that uh you know

1120

00:41:03,270 --> 00:40:59,680

that we don't need to pay attention to

1121

00:41:05,190 --> 00:41:03,280

to this kind of analysis um i

1122

00:41:06,870 --> 00:41:05,200

i when i brought caesar's messiah out i

1123

00:41:07,510 --> 00:41:06,880

was curious as to how it was all going

1124

00:41:09,510 --> 00:41:07,520

to

1125

00:41:11,750 --> 00:41:09,520

you know play out i really wasn't

1126

00:41:14,790 --> 00:41:11,760

looking forward to some

1127

00:41:15,030 --> 00:41:14,800

enormous you know cultural over upheaval

1128

00:41:23,109 --> 00:41:15,040

i

1129

00:41:25,990 --> 00:41:23,119

book

1130

00:41:26,710 --> 00:41:26,000

is only uh promoted through word of

1131

00:41:30,230 --> 00:41:26,720

mouth

1132

00:41:33,430 --> 00:41:30,240

i have no you know attempts whatsoever

1133

00:41:35,430 --> 00:41:33,440

to uh to promote it um and it has sold

1134

00:41:37,430 --> 00:41:35,440

over a hundred thousand copies which

1135

00:41:40,230 --> 00:41:37,440

in terms of new testament scholarship

1136

00:41:43,750 --> 00:41:40,240

makes it basically a kind of bestseller

1137

00:41:47,670 --> 00:41:43,760

there's a documentary which now has been

1138

00:41:51,589 --> 00:41:47,680

you know a youtube uh like like

1139

00:41:54,550 --> 00:41:51,599

watched count of over four million so

1140

00:41:55,670 --> 00:41:54,560

it has it has slowly kind of worked

1141

00:41:58,710 --> 00:41:55,680

itself into

1142

00:42:01,430 --> 00:41:58,720

consciousness of the kind of collective

1143

00:42:02,069 --> 00:42:01,440

cultural consciousness um but i wouldn't

1144

00:42:04,790 --> 00:42:02,079

be surprised

1145

00:42:06,069 --> 00:42:04,800

if it took you know on if it was just

1146

00:42:08,069 --> 00:42:06,079

like under a natural

1147

00:42:09,109 --> 00:42:08,079

process of like 50 years for it to

1148

00:42:11,030 --> 00:42:09,119

really have

1149

00:42:13,109 --> 00:42:11,040

you know kind of uh kind of sort of an

1150

00:42:15,670 --> 00:42:13,119

upheaval aspect to it but

1151  
00:42:17,430 --> 00:42:15,680  
more and more people um people who read

1152  
00:42:19,910 --> 00:42:17,440  
the analysis

1153  
00:42:20,710 --> 00:42:19,920  
uh just spread the word to other people

1154  
00:42:22,309 --> 00:42:20,720  
um

1155  
00:42:24,870 --> 00:42:22,319  
and like you say like a really good

1156  
00:42:25,750 --> 00:42:24,880  
example of sort of sort of the power of

1157  
00:42:28,829 --> 00:42:25,760  
how

1158  
00:42:32,069 --> 00:42:28,839  
dr

1159  
00:42:33,030 --> 00:42:32,079  
price the bible geek who's you know one

1160  
00:42:35,829 --> 00:42:33,040  
of the very best

1161  
00:42:38,069 --> 00:42:35,839  
known and probably very best new

1162  
00:42:40,470 --> 00:42:38,079  
testament scholars in the world

1163  
00:42:42,550 --> 00:42:40,480

and when the book came out he did a very

1164

00:42:44,790 --> 00:42:42,560

negative review which i still

1165

00:42:46,390 --> 00:42:44,800

suffer from in which he he accused me of

1166

00:42:48,150 --> 00:42:46,400

parallel mania

1167

00:42:51,190 --> 00:42:48,160

you know he said this is clever but

1168

00:42:55,109 --> 00:42:51,200

basically it's a hallucination

1169

00:42:56,710 --> 00:42:55,119

but being a very honest person uh he

1170

00:42:58,710 --> 00:42:56,720

you know when he began to have doubts he

1171

00:43:00,390 --> 00:42:58,720

went back and did more analysis

1172

00:43:02,309 --> 00:43:00,400

and then you saw the recent video that

1173

00:43:03,829 --> 00:43:02,319

we did where he now is

1174

00:43:06,790 --> 00:43:03,839

basically accepting the premise of

1175

00:43:09,190 --> 00:43:06,800

caesar's messiah which is that

1176  
00:43:10,710 --> 00:43:09,200  
the son of man that jesus predicts is in

1177  
00:43:13,109 --> 00:43:10,720  
fact the flavian caesar

1178  
00:43:15,430 --> 00:43:13,119  
so the conclusion of caesar's messiah is

1179  
00:43:17,190 --> 00:43:15,440  
now something that he is promoting is

1180  
00:43:18,470 --> 00:43:17,200  
just routine you know new zealand

1181  
00:43:22,630 --> 00:43:18,480  
scholarship so

1182  
00:43:24,630 --> 00:43:22,640  
there has been a change uh and um

1183  
00:43:26,069 --> 00:43:24,640  
you know how long it would it will take

1184  
00:43:30,069 --> 00:43:26,079  
gee i have no idea

1185  
00:43:32,150 --> 00:43:30,079  
it it um uh

1186  
00:43:33,190 --> 00:43:32,160  
there there are such great and and kind

1187  
00:43:35,109 --> 00:43:33,200  
of momentous

1188  
00:43:36,870 --> 00:43:35,119

upheavals going on in our world right

1189

00:43:38,870 --> 00:43:36,880

now um i think

1190

00:43:40,790 --> 00:43:38,880

under those conditions christianity is

1191

00:43:42,150 --> 00:43:40,800

something people cling to

1192

00:43:44,710 --> 00:43:42,160

you know harder than they would

1193

00:43:47,670 --> 00:43:44,720

otherwise are not open oh but you know

1194

00:43:49,510 --> 00:43:47,680

people who have an atheistic lens and

1195

00:43:50,790 --> 00:43:49,520

i'm not saying you do i'm not saying you

1196

00:43:52,870 --> 00:43:50,800

don't but i know that

1197

00:43:53,829 --> 00:43:52,880

a lot of people who follow you have that

1198

00:43:56,069 --> 00:43:53,839

lens

1199

00:43:57,750 --> 00:43:56,079

they become like christian apologists

1200

00:43:58,390 --> 00:43:57,760

you know they're sorting through the

1201  
00:44:01,270 --> 00:43:58,400  
data

1202  
00:44:03,430 --> 00:44:01,280  
trying to spin it in the way that they

1203  
00:44:05,510 --> 00:44:03,440  
want but this idea that there's some

1204  
00:44:07,670 --> 00:44:05,520  
movement away from the cult of

1205  
00:44:08,309 --> 00:44:07,680  
christianity or there's a movement away

1206  
00:44:11,510 --> 00:44:08,319  
from

1207  
00:44:12,309 --> 00:44:11,520  
spirituality i mean to what the the the

1208  
00:44:15,349 --> 00:44:12,319  
problem

1209  
00:44:18,309 --> 00:44:15,359  
atheism

1210  
00:44:20,710 --> 00:44:18,319  
is philosophically completely bankrupt

1211  
00:44:22,710 --> 00:44:20,720  
and it's because that scientifically it

1212  
00:44:24,630 --> 00:44:22,720  
never made any sense from the beginning

1213  
00:44:26,230 --> 00:44:24,640

from the time 100 years ago we did the

1214

00:44:29,589 --> 00:44:26,240

double slit experiment

1215

00:44:32,950 --> 00:44:29,599

the observer effect is is is the

1216

00:44:33,990 --> 00:44:32,960

philosophical hurdle that atheism can't

1217

00:44:37,030 --> 00:44:34,000

jump over

1218

00:44:37,910 --> 00:44:37,040

we are part of the process we are more

1219

00:44:39,910 --> 00:44:37,920

than this

1220

00:44:41,510 --> 00:44:39,920

biological robot in a meaningless

1221

00:44:44,630 --> 00:44:41,520

universe so there's a dead

1222

00:44:46,309 --> 00:44:44,640

end there and anyone who pull pursues it

1223

00:44:47,750 --> 00:44:46,319

down that what's traditionally been

1224

00:44:50,470 --> 00:44:47,760

called the mythicist

1225

00:44:52,309 --> 00:44:50,480

what is really the atheist perspective

1226  
00:44:54,710 --> 00:44:52,319  
they're never going to make any headway

1227  
00:44:57,750 --> 00:44:54,720  
in my opinion

1228  
00:44:59,030 --> 00:44:57,760  
well the headway will be very difficult

1229  
00:45:01,030 --> 00:44:59,040  
to make because

1230  
00:45:03,030 --> 00:45:01,040  
you know even in like the experiments

1231  
00:45:03,990 --> 00:45:03,040  
that you mentioned it's so difficult to

1232  
00:45:07,910 --> 00:45:04,000  
really

1233  
00:45:11,030 --> 00:45:07,920  
make progress from there in our world

1234  
00:45:11,670 --> 00:45:11,040  
god if he exists does not make himself

1235  
00:45:14,550 --> 00:45:11,680  
known

1236  
00:45:16,470 --> 00:45:14,560  
in a clear way and so there's always

1237  
00:45:20,230 --> 00:45:16,480  
room for doubt we are

1238  
00:45:22,630 --> 00:45:20,240

just existentially precarious

1239

00:45:23,750 --> 00:45:22,640

uh i mean what is a human to make of his

1240

00:45:27,829 --> 00:45:23,760

experience

1241

00:45:31,190 --> 00:45:27,839

and him and his or herself um

1242

00:45:34,069 --> 00:45:31,200

uh you know believing in god uh is

1243

00:45:35,190 --> 00:45:34,079

you know makes coherent a lot of the

1244

00:45:38,069 --> 00:45:35,200

unexplainable

1245

00:45:38,550 --> 00:45:38,079

uh physical phenomena so but even even

1246

00:45:41,990 --> 00:45:38,560

when you

1247

00:45:45,510 --> 00:45:42,000

cast things as believing in god

1248

00:45:48,630 --> 00:45:45,520

that is a very narrow kind of

1249

00:45:52,309 --> 00:45:48,640

again it's kind of the atheistic apollo

1250

00:45:55,190 --> 00:45:52,319

spin on on it's the apologist

1251  
00:45:56,150 --> 00:45:55,200  
version of atheism right let's talk

1252  
00:45:57,990 --> 00:45:56,160  
about god

1253  
00:45:59,510 --> 00:45:58,000  
because no one can define god and we

1254  
00:46:01,190 --> 00:45:59,520  
immediately understand that

1255  
00:46:03,349 --> 00:46:01,200  
that's a term that's going to trigger

1256  
00:46:04,870 --> 00:46:03,359  
people i go back to consciousness and

1257  
00:46:07,910 --> 00:46:04,880  
you realize that

1258  
00:46:08,950 --> 00:46:07,920  
the the scientific position of the

1259  
00:46:12,230 --> 00:46:08,960  
atheists

1260  
00:46:14,550 --> 00:46:12,240  
are that consciousness is an illusion

1261  
00:46:15,430 --> 00:46:14,560  
so kneel down neil degrasse tyson you

1262  
00:46:17,829 --> 00:46:15,440  
know one of the

1263  
00:46:18,790 --> 00:46:17,839

most popular out there figures in

1264

00:46:22,150 --> 00:46:18,800

science

1265

00:46:24,470 --> 00:46:22,160

that's his position that is an absurd

1266

00:46:25,750 --> 00:46:24,480

idea you know i keep quoting all the

1267

00:46:28,230 --> 00:46:25,760

people that i come on they go

1268

00:46:29,829 --> 00:46:28,240

that is absolutely absurd no one in time

1269

00:46:31,750 --> 00:46:29,839

has ever believed that no culture has

1270

00:46:33,829 --> 00:46:31,760

ever believed that we've falsified it

1271

00:46:36,230 --> 00:46:33,839

scientifically over and over again why

1272

00:46:37,270 --> 00:46:36,240

is that meme perpetuated when it doesn't

1273

00:46:40,630 --> 00:46:37,280

make any sense

1274

00:46:41,670 --> 00:46:40,640

if you know only one thing you know that

1275

00:46:42,870 --> 00:46:41,680

you were conscious

1276

00:46:44,790 --> 00:46:42,880

you know i don't know if you're

1277

00:46:46,790 --> 00:46:44,800

conscious i don't know if you're a robot

1278

00:46:48,069 --> 00:46:46,800

but i know that i'm conscious and i'm

1279

00:46:50,630 --> 00:46:48,079

having this experience

1280

00:46:51,910 --> 00:46:50,640

so it that's philosophical but then like

1281

00:46:53,750 --> 00:46:51,920

i say if you go to the

1282

00:46:55,109 --> 00:46:53,760

quantum physics and you start doing the

1283

00:46:57,829 --> 00:46:55,119

double slit experiment

1284

00:46:59,589 --> 00:46:57,839

consciousness is fundamental that's what

1285

00:47:01,030 --> 00:46:59,599

everyone's saying that's what niels bohr

1286

00:47:03,670 --> 00:47:01,040

that's what niels bohr is saying that's

1287

00:47:04,950 --> 00:47:03,680

what uh schrodinger is saying that's

1288

00:47:07,190 --> 00:47:04,960

what everyone's saying right that's the

1289

00:47:11,270 --> 00:47:07,200

conclusion for that never been falsified

1290

00:47:13,510 --> 00:47:11,280

so the whole the whole logic and science

1291

00:47:15,190 --> 00:47:13,520

and philosophy behind the atheist

1292

00:47:17,190 --> 00:47:15,200

position is ridiculous

1293

00:47:18,790 --> 00:47:17,200

and the only way it's propped up i mean

1294

00:47:21,109 --> 00:47:18,800

this is the parallel to your work

1295

00:47:22,390 --> 00:47:21,119

it's propped up by another conspiracy i

1296

00:47:25,589 --> 00:47:22,400

mean if you want to

1297

00:47:29,109 --> 00:47:25,599

another way to con so so

1298

00:47:30,950 --> 00:47:29,119

driving people uh over to your religious

1299

00:47:31,510 --> 00:47:30,960

cult is a nice way to control them

1300

00:47:33,589 --> 00:47:31,520

because then

1301  
00:47:35,190 --> 00:47:33,599  
as long as you can control the dogma of

1302  
00:47:36,309 --> 00:47:35,200  
the cult you have a certain degree of

1303  
00:47:39,670 --> 00:47:36,319  
control over people

1304  
00:47:43,589 --> 00:47:39,680  
well pushing people towards this other

1305  
00:47:44,150 --> 00:47:43,599  
uh scientism uh cult and convincing them

1306  
00:47:45,829 --> 00:47:44,160  
that they're

1307  
00:47:47,670 --> 00:47:45,839  
biological robots in a meaningless

1308  
00:47:49,190 --> 00:47:47,680  
universe and they should be afraid

1309  
00:47:52,150 --> 00:47:49,200  
and they should be afraid of dying of

1310  
00:47:53,990 --> 00:47:52,160  
course but they should also be afraid of

1311  
00:47:56,150 --> 00:47:54,000  
everything because they have no control

1312  
00:47:58,630 --> 00:47:56,160  
over anything well that's another

1313  
00:47:59,990 --> 00:47:58,640

very effective means so you know you

1314

00:48:02,710 --> 00:48:00,000

have these two forces

1315

00:48:03,910 --> 00:48:02,720

that are perfectly uh synchronized in

1316

00:48:05,910 --> 00:48:03,920

terms of what they do

1317

00:48:07,270 --> 00:48:05,920

to the to the population and make them

1318

00:48:08,870 --> 00:48:07,280

just go hell

1319

00:48:11,109 --> 00:48:08,880

you know i don't know i'm but i'm

1320

00:48:12,630 --> 00:48:11,119

certainly not going to think very deeply

1321

00:48:16,309 --> 00:48:12,640

about things

1322

00:48:18,390 --> 00:48:16,319

yeah i i actually am quite um

1323

00:48:19,510 --> 00:48:18,400

intrigued and supportive of your

1324

00:48:21,430 --> 00:48:19,520

perspective

1325

00:48:22,870 --> 00:48:21,440

on consciousness because of its

1326

00:48:26,309 --> 00:48:22,880

political aspect

1327

00:48:26,710 --> 00:48:26,319

i mean i think that you know i don't

1328

00:48:29,750 --> 00:48:26,720

think

1329

00:48:33,190 --> 00:48:29,760

atheism is disprovable

1330

00:48:35,750 --> 00:48:33,200

to any more extent than god is provable

1331

00:48:37,030 --> 00:48:35,760

and i'm not sure that this is uh these

1332

00:48:38,309 --> 00:48:37,040

are actually the most important

1333

00:48:41,349 --> 00:48:38,319

questions which is

1334

00:48:42,069 --> 00:48:41,359

to me what is the correct understanding

1335

00:48:45,670 --> 00:48:42,079

of ourselves

1336

00:48:47,990 --> 00:48:45,680

and spirit you know and and of course

1337

00:48:49,109 --> 00:48:48,000

given my background obviously the first

1338

00:48:52,309 --> 00:48:49,119

thing i'm looking at

1339

00:48:54,549 --> 00:48:52,319

is how is our ideas about ourselves

1340

00:48:56,630 --> 00:48:54,559

manipulated politically

1341

00:48:58,470 --> 00:48:56,640

right have we been basically given an

1342

00:49:00,710 --> 00:48:58,480

idea about our consciousness

1343

00:49:02,549 --> 00:49:00,720

that is untrue just so that we can be

1344

00:49:06,390 --> 00:49:02,559

more easily ruled

1345

00:49:09,750 --> 00:49:06,400

and the idea that we are an illusion

1346

00:49:13,349 --> 00:49:09,760

um is in my mind a decadent

1347

00:49:16,710 --> 00:49:13,359

uh you know political position

1348

00:49:18,549 --> 00:49:16,720

and it's not even worthwhile discussing

1349

00:49:21,190 --> 00:49:18,559

in terms of it as spirituality because

1350

00:49:22,549 --> 00:49:21,200

you already have this enormous problem

1351

00:49:24,150 --> 00:49:22,559

that if you think of yourself as an

1352

00:49:25,910 --> 00:49:24,160

illusion if you think of life as

1353

00:49:29,190 --> 00:49:25,920

something that is absurd

1354

00:49:29,990 --> 00:49:29,200

or meaningless then you basically don't

1355

00:49:32,069 --> 00:49:30,000

have the right

1356

00:49:33,990 --> 00:49:32,079

uh kind of resiliency in terms of

1357

00:49:37,589 --> 00:49:34,000

coherent political

1358

00:49:41,510 --> 00:49:37,599

uh perspective you see so um

1359

00:49:44,069 --> 00:49:41,520

i think that uh the real um

1360

00:49:46,470 --> 00:49:44,079

one one of the ways that you can tell if

1361

00:49:50,150 --> 00:49:46,480

your if your perspective on spirituality

1362

00:49:54,230 --> 00:49:50,160

is uh is is valid is if it is

1363

00:49:56,710 --> 00:49:54,240

um if it's producing a a more powerful

1364

00:49:59,510 --> 00:49:56,720

position for you politically

1365

00:50:02,230 --> 00:49:59,520

i mean this to me is a better more

1366

00:50:04,230 --> 00:50:02,240

reasonable guide path approach than

1367

00:50:05,910 --> 00:50:04,240

you know even considering you know like

1368

00:50:07,829 --> 00:50:05,920

the ideas of like the french

1369

00:50:11,510 --> 00:50:07,839

existentialists or the

1370

00:50:13,910 --> 00:50:11,520

you know the modern uh you know quantum

1371

00:50:15,510 --> 00:50:13,920

theorist uh you know kind of ideas look

1372

00:50:17,589 --> 00:50:15,520

about consciousness

1373

00:50:19,349 --> 00:50:17,599

this this is this is structurally

1374

00:50:21,430 --> 00:50:19,359

nonsensical because

1375

00:50:23,190 --> 00:50:21,440

the first thing we want to do about our

1376

00:50:25,510 --> 00:50:23,200

understanding of our spirit

1377

00:50:26,549 --> 00:50:25,520

is arrange it into the world with

1378

00:50:29,109 --> 00:50:26,559

ourselves

1379

00:50:30,230 --> 00:50:29,119

and and we don't want to accept ideas

1380

00:50:32,470 --> 00:50:30,240

about ourselves

1381

00:50:33,589 --> 00:50:32,480

which make us impotent i mean this is

1382

00:50:35,750 --> 00:50:33,599

not the purpose

1383

00:50:37,829 --> 00:50:35,760

of uh of the of the of the original

1384

00:50:39,750 --> 00:50:37,839

analysis it's not why we were

1385

00:50:41,190 --> 00:50:39,760

having these questions we have the

1386

00:50:43,030 --> 00:50:41,200

questions about spirit because we want

1387

00:50:44,230 --> 00:50:43,040

to improve ourselves we want to improve

1388

00:50:48,309 --> 00:50:44,240

our lives

1389

00:50:51,750 --> 00:50:48,319

and so you have to have you know

1390

00:50:53,510 --> 00:50:51,760

some some basically resistance

1391

00:50:54,790 --> 00:50:53,520

to even enter into these kinds of

1392

00:50:56,630 --> 00:50:54,800

discussions because

1393

00:50:57,589 --> 00:50:56,640

not only are they nonsensical and of

1394

00:50:59,190 --> 00:50:57,599

course you're always dealing with

1395

00:51:02,069 --> 00:50:59,200

something which is unapprovable

1396

00:51:03,190 --> 00:51:02,079

but they're just decadent politically um

1397

00:51:06,309 --> 00:51:03,200

i i really

1398

00:51:08,549 --> 00:51:06,319

like uh your approach on evil i think

1399

00:51:09,990 --> 00:51:08,559

is on the on why its existence is

1400

00:51:12,870 --> 00:51:10,000

important

1401

00:51:14,950 --> 00:51:12,880

i mean this is such a great path for

1402

00:51:16,630 --> 00:51:14,960

people to walk down because

1403

00:51:18,549 --> 00:51:16,640

what it does i mean you're never going

1404

00:51:21,109 --> 00:51:18,559

to get people to you know who are

1405

00:51:22,390 --> 00:51:21,119

devout christians to give up their faith

1406

00:51:24,710 --> 00:51:22,400

you're never going to

1407

00:51:25,510 --> 00:51:24,720

i don't think change that kind of

1408

00:51:28,390 --> 00:51:25,520

fundamental

1409

00:51:30,309 --> 00:51:28,400

you know position but what you can do is

1410

00:51:31,750 --> 00:51:30,319

set a person up to have the right kind

1411

00:51:33,589 --> 00:51:31,760

of skepticism

1412

00:51:35,589 --> 00:51:33,599

which is why even like the title of your

1413

00:51:35,990 --> 00:51:35,599

show because that's really what we're

1414

00:51:39,030 --> 00:51:36,000

looking

1415

00:51:40,710 --> 00:51:39,040

for is just um individuals who are more

1416

00:51:41,990 --> 00:51:40,720

skeptical who are more facile

1417

00:51:45,670 --> 00:51:42,000

intellectually

1418

00:51:48,150 --> 00:51:45,680

who cannot be enslaved through ideas

1419

00:51:49,829 --> 00:51:48,160

you see this is really in my mind what

1420

00:51:51,510 --> 00:51:49,839

is important about caesar's messiah is

1421

00:51:53,589 --> 00:51:51,520

that it shows that look

1422

00:51:56,150 --> 00:51:53,599

we were enslaved we were intellectually

1423

00:51:58,790 --> 00:51:56,160

enslaved we were enslaved by propaganda

1424

00:51:59,990 --> 00:51:58,800

and the critical point is we didn't know

1425

00:52:01,990 --> 00:52:00,000

we were enslaved

1426

00:52:03,829 --> 00:52:02,000

we didn't understand it and how

1427

00:52:04,390 --> 00:52:03,839

important is that today with our current

1428

00:52:06,950 --> 00:52:04,400

position

1429

00:52:09,750 --> 00:52:06,960

right when we're our constitution is

1430

00:52:12,069 --> 00:52:09,760

being thrown away i mean

1431

00:52:13,829 --> 00:52:12,079

this this perspective the perspective

1432

00:52:17,270 --> 00:52:13,839

that you're offering in your show

1433

00:52:18,710 --> 00:52:17,280

um it is it's more important to me

1434

00:52:21,270 --> 00:52:18,720

politically than than

1435

00:52:22,390 --> 00:52:21,280

sort of analytically because i don't

1436

00:52:24,230 --> 00:52:22,400

really care

1437

00:52:26,069 --> 00:52:24,240

uh you know whether or not someone comes

1438

00:52:27,030 --> 00:52:26,079

up to the position that there is life

1439

00:52:29,710 --> 00:52:27,040

after death

1440

00:52:31,510 --> 00:52:29,720

what i want is for them to have a

1441

00:52:34,069 --> 00:52:31,520

spirituality

1442

00:52:36,309 --> 00:52:34,079

that is something that is is uh

1443

00:52:38,150 --> 00:52:36,319

beneficial to that individual

1444

00:52:39,990 --> 00:52:38,160

right and it isn't going to happen

1445

00:52:40,309 --> 00:52:40,000

through one of these psyop religions or

1446

00:52:43,829 --> 00:52:40,319

through

1447

00:52:46,309 --> 00:52:43,839

these psyop media programs i mean to me

1448

00:52:48,950 --> 00:52:46,319

things like cnn and fox news are just

1449

00:52:50,470 --> 00:52:48,960

other aspects of christian propaganda

1450

00:52:54,630 --> 00:52:50,480

basically they're just

1451  
00:52:57,030 --> 00:52:54,640  
uh the oligarchs using you know clever

1452  
00:52:58,549 --> 00:52:57,040  
manipulative techniques to to get people

1453  
00:53:01,030 --> 00:52:58,559  
into the position of

1454  
00:53:02,790 --> 00:53:01,040  
of accepting slavery without knowing it

1455  
00:53:04,470 --> 00:53:02,800  
promote spirituality that promotes

1456  
00:53:07,430 --> 00:53:04,480  
skepticism

1457  
00:53:08,230 --> 00:53:07,440  
but that that's awesome um and it might

1458  
00:53:10,710 --> 00:53:08,240  
be

1459  
00:53:11,750 --> 00:53:10,720  
it might serve as a really really nice

1460  
00:53:13,910 --> 00:53:11,760  
segue

1461  
00:53:15,270 --> 00:53:13,920  
into the glorious steinham thing because

1462  
00:53:16,630 --> 00:53:15,280  
i think so

1463  
00:53:18,790 --> 00:53:16,640

some of the work that you've done on

1464

00:53:20,710 --> 00:53:18,800

that and not just with the facts but the

1465

00:53:23,109 --> 00:53:20,720

way that you've connected it and tied it

1466

00:53:27,430 --> 00:53:23,119

together

1467

00:53:30,870 --> 00:53:27,440

left the progressive movement

1468

00:53:32,870 --> 00:53:30,880

which again is part of this atheistic

1469

00:53:35,190 --> 00:53:32,880

side of things and again folks i'm not a

1470

00:53:37,030 --> 00:53:35,200

christian i'm not a religious person

1471

00:53:39,190 --> 00:53:37,040

so i don't have that problem with the

1472

00:53:41,510 --> 00:53:39,200

atheist i just see it as a mere

1473

00:53:42,870 --> 00:53:41,520

image of the control mechanism and if

1474

00:53:45,990 --> 00:53:42,880

you see how i love

1475

00:53:49,270 --> 00:53:46,000

you know your term the lifetime

1476

00:53:52,950 --> 00:53:49,280

player so he

1477

00:53:56,069 --> 00:53:52,960

hit people up with the stuff they don't

1478

00:53:59,270 --> 00:53:56,079

know about gloria steinem and how that

1479

00:54:02,150 --> 00:53:59,280

fits so perfectly with just another

1480

00:54:02,870 --> 00:54:02,160

example another play major play in the

1481

00:54:05,750 --> 00:54:02,880

playbook

1482

00:54:06,630 --> 00:54:05,760

of the control minik the control

1483

00:54:10,390 --> 00:54:06,640

mechanism

1484

00:54:13,829 --> 00:54:10,400

the divide and rule theme

1485

00:54:17,109 --> 00:54:13,839

right um steinem is an example of

1486

00:54:20,710 --> 00:54:17,119

an individual that was

1487

00:54:24,309 --> 00:54:20,720

selected and trained by the

1488

00:54:28,710 --> 00:54:24,319

uh ruling class

1489

00:54:32,950 --> 00:54:28,720

she was selected in in college um

1490

00:54:35,750 --> 00:54:32,960

the um there was a a scholarship

1491

00:54:38,470 --> 00:54:35,760

which uh she was the only one that ever

1492

00:54:41,910 --> 00:54:38,480

basically received um

1493

00:54:44,390 --> 00:54:41,920

and uh this is the chester bowles

1494

00:54:46,309 --> 00:54:44,400

student fellowship that it was the

1495

00:54:48,390 --> 00:54:46,319

chester bowles scholarship

1496

00:54:50,390 --> 00:54:48,400

which then enabled her to travel to

1497

00:54:53,750 --> 00:54:50,400

india um

1498

00:54:54,789 --> 00:54:53,760

and this this was you know basically

1499

00:54:58,630 --> 00:54:54,799

chester bowles

1500

00:55:00,710 --> 00:54:58,640

then you can look back and and see that

1501  
00:55:02,390 --> 00:55:00,720  
he was in contact with alan dulles these

1502  
00:55:04,390 --> 00:55:02,400  
letters are in existence and he was

1503  
00:55:05,109 --> 00:55:04,400  
telling dulles that they needed to send

1504  
00:55:07,910 --> 00:55:05,119  
agents

1505  
00:55:08,950 --> 00:55:07,920  
for the purpose of social basically for

1506  
00:55:13,109 --> 00:55:08,960  
a kind of

1507  
00:55:17,030 --> 00:55:13,119  
promotion of the culture of the west

1508  
00:55:19,349 --> 00:55:17,040  
uh in areas where communism was emerging

1509  
00:55:20,710 --> 00:55:19,359  
as a kind of counterbalance and he

1510  
00:55:23,190 --> 00:55:20,720  
mentioned india

1511  
00:55:24,710 --> 00:55:23,200  
um and so then his scholarship was given

1512  
00:55:25,910 --> 00:55:24,720  
to steinem and she traveled to india

1513  
00:55:28,710 --> 00:55:25,920

with this money

1514

00:55:29,510 --> 00:55:28,720

um her activity there she claimed to

1515

00:55:32,549 --> 00:55:29,520

have written a book

1516

00:55:33,589 --> 00:55:32,559

but it's not in existence what is known

1517

00:55:36,630 --> 00:55:33,599

is that from there

1518

00:55:39,270 --> 00:55:36,640

she went into europe where

1519

00:55:41,430 --> 00:55:39,280

this part of her career is outed as a as

1520

00:55:42,069 --> 00:55:41,440

basically as a cia agent i mean this

1521

00:55:45,270 --> 00:55:42,079

this was

1522

00:55:47,190 --> 00:55:45,280

what was exposed um by the

1523

00:55:48,710 --> 00:55:47,200

red stockings which were a group of

1524

00:55:52,150 --> 00:55:48,720

feminists that were

1525

00:55:54,150 --> 00:55:52,160

um aghast that gloria steinem had taken

1526

00:55:55,670 --> 00:55:54,160

over their movement eventually

1527

00:55:57,510 --> 00:55:55,680

basically and that that she was giving

1528

00:55:59,349 --> 00:55:57,520

all this publicity so they did

1529

00:56:02,069 --> 00:55:59,359

this organization the red stockings did

1530

00:56:04,390 --> 00:56:02,079

research into her activity in europe and

1531

00:56:07,829 --> 00:56:04,400

they found that she was basically

1532

00:56:11,430 --> 00:56:07,839

an agent provocateur sent in to be

1533

00:56:14,549 --> 00:56:11,440

to break up um youth festivals

1534

00:56:16,150 --> 00:56:14,559

which were promoting uh socialism and

1535

00:56:17,910 --> 00:56:16,160

they had been uh

1536

00:56:19,589 --> 00:56:17,920

you know seen as something that could

1537

00:56:22,309 --> 00:56:19,599

lead to you know like a

1538

00:56:23,030 --> 00:56:22,319

lack of favor uh in the population

1539

00:56:26,390 --> 00:56:23,040

toward uh

1540

00:56:29,589 --> 00:56:26,400

capitalism and in the west so classic

1541

00:56:31,349 --> 00:56:29,599

classic infiltration co-opting

1542

00:56:33,109 --> 00:56:31,359

kind of thing right they get this

1543

00:56:34,950 --> 00:56:33,119

attractive young woman

1544

00:56:36,549 --> 00:56:34,960

she you're the perfect person to go to

1545

00:56:38,549 --> 00:56:36,559

these student festivals

1546

00:56:39,589 --> 00:56:38,559

you know get in with the people find out

1547

00:56:42,069 --> 00:56:39,599

who's who

1548

00:56:44,309 --> 00:56:42,079

also you know that's the initial play

1549

00:56:46,470 --> 00:56:44,319

and then the next play is you know maybe

1550

00:56:48,950 --> 00:56:46,480

to try and

1551

00:56:50,309 --> 00:56:48,960

misinform disinformation thing like

1552

00:56:50,710 --> 00:56:50,319

ninety percent of what you're saying is

1553

00:56:51,829 --> 00:56:50,720

right

1554

00:56:54,950 --> 00:56:51,839

ten percent of what you're saying is

1555

00:56:56,390 --> 00:56:54,960

wrong what i like what comes out of that

1556

00:56:57,270 --> 00:56:56,400

you know like part of the documentation

1557

00:57:00,789 --> 00:56:57,280

we have for it

1558

00:57:04,069 --> 00:57:00,799

i i love where we have actually the memo

1559

00:57:04,549 --> 00:57:04,079

from her boss at the time cia guy and he

1560

00:57:07,589 --> 00:57:04,559

says

1561

00:57:10,870 --> 00:57:07,599

wow this steinham she is a whiz kid

1562

00:57:12,950 --> 00:57:10,880

she's she's the best we have at this and

1563

00:57:14,630 --> 00:57:12,960

it's just and this is folks this is

1564

00:57:18,470 --> 00:57:14,640

completely unrelated

1565

00:57:21,670 --> 00:57:18,480

to the feminist thing this is just a cia

1566

00:57:23,510 --> 00:57:21,680

agent who is really good

1567

00:57:24,870 --> 00:57:23,520

at doing what she's doing and whether

1568

00:57:27,190 --> 00:57:24,880

you call her a cia

1569

00:57:29,109 --> 00:57:27,200

agent or whether you call her you know a

1570

00:57:30,870 --> 00:57:29,119

lifetime player that's connected to the

1571

00:57:32,789 --> 00:57:30,880

cia with some loose ties

1572

00:57:34,230 --> 00:57:32,799

i mean maybe you can even explore that

1573

00:57:35,270 --> 00:57:34,240

how do you think that works because a

1574

00:57:36,950 --> 00:57:35,280

lot of people go

1575

00:57:40,630 --> 00:57:36,960

you know show me your pay stub for the

1576  
00:57:42,150 --> 00:57:40,640  
cia oh no she was actually a an employed

1577  
00:57:44,710 --> 00:57:42,160  
agent and admitted such

1578  
00:57:46,789 --> 00:57:44,720  
if anyone's curious about this after she

1579  
00:57:50,150 --> 00:57:46,799  
was outed by the red stockings

1580  
00:57:53,190 --> 00:57:50,160  
um and and even this is like a very

1581  
00:57:56,789 --> 00:57:53,200  
um interesting and revealing story um

1582  
00:57:57,349 --> 00:57:56,799  
they did the analysis um she found out

1583  
00:57:59,670 --> 00:57:57,359  
about it

1584  
00:58:00,870 --> 00:57:59,680  
and brought suit against the publisher

1585  
00:58:02,390 --> 00:58:00,880  
that was going to bring it

1586  
00:58:03,910 --> 00:58:02,400  
against the publishing company that was

1587  
00:58:05,750 --> 00:58:03,920  
going to bring it out as a book

1588  
00:58:06,950 --> 00:58:05,760

she's prevented it from actually being

1589

00:58:09,030 --> 00:58:06,960

published

1590

00:58:10,390 --> 00:58:09,040

it was it was only brought to the public

1591

00:58:12,870 --> 00:58:10,400

because a

1592

00:58:14,470 --> 00:58:12,880

a student newspaper student housing

1593

00:58:17,190 --> 00:58:14,480

newspaper

1594

00:58:18,150 --> 00:58:17,200

of columbia university brought out the

1595

00:58:21,829 --> 00:58:18,160

analysis

1596

00:58:23,190 --> 00:58:21,839

because individuals there knew the

1597

00:58:24,470 --> 00:58:23,200

feminists in the red stockings

1598

00:58:26,150 --> 00:58:24,480

organization

1599

00:58:27,670 --> 00:58:26,160

and uh and they brought it out because

1600

00:58:29,030 --> 00:58:27,680

they felt this was first amendment

1601

00:58:31,270 --> 00:58:29,040

and so they brought out this this

1602

00:58:33,190 --> 00:58:31,280

analysis uh and evidence showing that

1603

00:58:35,670 --> 00:58:33,200

simon was a cia agent

1604

00:58:37,190 --> 00:58:35,680

so cynon was caught and she then had the

1605

00:58:39,030 --> 00:58:37,200

famous press conference where she said

1606

00:58:39,829 --> 00:58:39,040

yeah i was an agent i was a cia agent

1607

00:58:43,910 --> 00:58:39,839

but

1608

00:58:45,829 --> 00:58:43,920

the cia was a good liberal organization

1609

00:58:47,910 --> 00:58:45,839

and i felt that i was really helping

1610

00:58:50,950 --> 00:58:47,920

liberalism in other words she never

1611

00:58:53,190 --> 00:58:50,960

broke stride from her image as

1612

00:58:54,309 --> 00:58:53,200

a you know progressive left uh

1613

00:58:56,630 --> 00:58:54,319

intellectual

1614

00:58:58,069 --> 00:58:56,640

she said you know and it's more than she

1615

00:59:01,670 --> 00:58:58,079

never broke stride

1616

00:59:05,109 --> 00:59:01,680

in my opinion because i think her

1617

00:59:07,349 --> 00:59:05,119

the craftiness with which she re-spun

1618

00:59:10,309 --> 00:59:07,359

the story after she was exposed

1619

00:59:10,950 --> 00:59:10,319

is so telling it's almost like a direct

1620

00:59:13,670 --> 00:59:10,960

you know it's

1621

00:59:15,510 --> 00:59:13,680

another play out of the playbook it's

1622

00:59:17,910 --> 00:59:15,520

taking stuff that's true

1623

00:59:18,549 --> 00:59:17,920

but then you know giving it another

1624

00:59:20,470 --> 00:59:18,559

twist

1625

00:59:21,589 --> 00:59:20,480

but it's also at the same time denying

1626

00:59:25,270 --> 00:59:21,599

like when she says

1627

00:59:26,150 --> 00:59:25,280

yes i actually found that the cia was

1628

00:59:30,309 --> 00:59:26,160

like you said

1629

00:59:33,430 --> 00:59:30,319

a great help in advancing progressive

1630

00:59:34,150 --> 00:59:33,440

values towards the liberation of women

1631

00:59:36,470 --> 00:59:34,160

and everyone's like

1632

00:59:38,069 --> 00:59:36,480

wow yeah i guess maybe so well what

1633

00:59:39,589 --> 00:59:38,079

about the student festivals

1634

00:59:42,069 --> 00:59:39,599

what about the other you know all that

1635

00:59:44,390 --> 00:59:42,079

is kind of etched out of the

1636

00:59:46,069 --> 00:59:44,400

erased out of the story in order to keep

1637

00:59:49,510 --> 00:59:46,079

this narrative going

1638

00:59:50,549 --> 00:59:49,520

well moreover she was um on the board of

1639

00:59:53,990 --> 00:59:50,559

a directors

1640

00:59:54,549 --> 00:59:54,000

of a of an organization that at the time

1641

00:59:57,349 --> 00:59:54,559

of that

1642

00:59:58,309 --> 00:59:57,359

so she was talking about my history as a

1643

01:00:02,069 --> 00:59:58,319

cia agent

1644

01:00:03,750 --> 01:00:02,079

in the past but then as it then came out

1645

01:00:06,470 --> 01:00:03,760

she was still a member

1646

01:00:07,109 --> 01:00:06,480

of this organization um that was

1647

01:00:09,910 --> 01:00:07,119

receiving

1648

01:00:11,510 --> 01:00:09,920

cia money at the very time that that she

1649

01:00:13,190 --> 01:00:11,520

was having the press conference

1650

01:00:14,950 --> 01:00:13,200

and then if you look at the funding of

1651  
01:00:17,510 --> 01:00:14,960  
ms magazine

1652  
01:00:18,950 --> 01:00:17,520  
this is actually hilarious because the

1653  
01:00:21,990 --> 01:00:18,960  
individual clay felker

1654  
01:00:25,190 --> 01:00:22,000  
who or who excuse me um

1655  
01:00:27,270 --> 01:00:25,200  
arranged for the funding he was one of

1656  
01:00:28,549 --> 01:00:27,280  
the cia agents she was working with in

1657  
01:00:31,750 --> 01:00:28,559  
europe

1658  
01:00:32,950 --> 01:00:31,760  
so i mean it's just preposterous that

1659  
01:00:35,510 --> 01:00:32,960  
she could even

1660  
01:00:37,349 --> 01:00:35,520  
make the case with a straight face that

1661  
01:00:39,190 --> 01:00:37,359  
she was no longer see a agent

1662  
01:00:41,349 --> 01:00:39,200  
but you see here it becomes grim because

1663  
01:00:43,589 --> 01:00:41,359

now you're looking at ms magazine

1664

01:00:45,670 --> 01:00:43,599

as something that is actually being

1665

01:00:47,109 --> 01:00:45,680

brought into existence by the cia and so

1666

01:00:48,789 --> 01:00:47,119

now you have the question of

1667

01:00:50,230 --> 01:00:48,799

why are they mucking around in our

1668

01:00:53,270 --> 01:00:50,240

culture you see

1669

01:00:54,950 --> 01:00:53,280

why are they putting in such an extreme

1670

01:00:57,829 --> 01:00:54,960

version of feminism

1671

01:00:58,470 --> 01:00:57,839

there's a great interview with uh uh

1672

01:01:00,630 --> 01:00:58,480

kathy

1673

01:01:01,990 --> 01:01:00,640

sarah child who was a member of the red

1674

01:01:05,670 --> 01:01:02,000

stockings

1675

01:01:09,270 --> 01:01:05,680

and uh and she talks about how

1676

01:01:11,910 --> 01:01:09,280

steinem was given publicity that they

1677

01:01:13,030 --> 01:01:11,920

the the actual legitimate feminist could

1678

01:01:16,470 --> 01:01:13,040

never get

1679

01:01:19,510 --> 01:01:16,480

and she talks about her extrem extreme

1680

01:01:21,030 --> 01:01:19,520

anti-family and anti-male position as

1681

01:01:23,349 --> 01:01:21,040

really not being

1682

01:01:25,030 --> 01:01:23,359

uh something that the the original

1683

01:01:25,589 --> 01:01:25,040

feminists were promoting which they were

1684

01:01:29,670 --> 01:01:25,599

mainly

1685

01:01:30,950 --> 01:01:29,680

an economic um uh focused organization

1686

01:01:33,270 --> 01:01:30,960

they were they were looking for

1687

01:01:35,349 --> 01:01:33,280

you know equal pay for equal work this

1688

01:01:35,910 --> 01:01:35,359

whole idea about destroying the family i

1689

01:01:38,789 --> 01:01:35,920

mean

1690

01:01:40,150 --> 01:01:38,799

uh was not really part of their agenda

1691

01:01:42,950 --> 01:01:40,160

why was steinum

1692

01:01:44,470 --> 01:01:42,960

um suddenly given all the publicity and

1693

01:01:46,950 --> 01:01:44,480

so now you get into

1694

01:01:47,910 --> 01:01:46,960

basically the counterculture and you can

1695

01:01:50,789 --> 01:01:47,920

see that steinham

1696

01:01:52,150 --> 01:01:50,799

you can easily place her in the context

1697

01:01:54,390 --> 01:01:52,160

of an overall

1698

01:01:55,510 --> 01:01:54,400

psychological operation against our

1699

01:01:59,349 --> 01:01:55,520

culture

1700

01:02:02,069 --> 01:01:59,359

to produce a debased

1701

01:02:03,750 --> 01:02:02,079

population that has less family

1702

01:02:06,470 --> 01:02:03,760

production

1703

01:02:08,549 --> 01:02:06,480

has more single moms has more what i

1704

01:02:10,470 --> 01:02:08,559

would call pornographic males

1705

01:02:11,750 --> 01:02:10,480

because you have to remember alex every

1706

01:02:15,270 --> 01:02:11,760

time there that

1707

01:02:17,670 --> 01:02:15,280

a a organization is divided

1708

01:02:18,549 --> 01:02:17,680

one like an ethnicity is broken into

1709

01:02:22,309 --> 01:02:18,559

families

1710

01:02:24,390 --> 01:02:22,319

individual

1711

01:02:26,390 --> 01:02:24,400

uh sexes and now of course even the

1712

01:02:29,190 --> 01:02:26,400

sexes are being divided you know with

1713

01:02:29,990 --> 01:02:29,200

the transsexual movements every time

1714

01:02:31,750 --> 01:02:30,000

that is done

1715

01:02:33,270 --> 01:02:31,760

the individual that is produced by the

1716

01:02:36,309 --> 01:02:33,280

proce process

1717

01:02:37,910 --> 01:02:36,319

is less politically powerful because

1718

01:02:40,630 --> 01:02:37,920

that sounds roman

1719

01:02:41,190 --> 01:02:40,640

divide and rule you know how that quote

1720

01:02:44,910 --> 01:02:41,200

is that

1721

01:02:47,349 --> 01:02:44,920

uh latin that latin translation is often

1722

01:02:48,309 --> 01:02:47,359

mistranslated it's not divide and

1723

01:02:50,870 --> 01:02:48,319

conquer

1724

01:02:52,230 --> 01:02:50,880

it's divide and rule keep and this is

1725

01:02:53,430 --> 01:02:52,240

right out of the room this is exactly

1726

01:02:56,710 --> 01:02:53,440

what they did right

1727

01:03:00,069 --> 01:02:56,720

they'd go in they'd invade a territory

1728

01:03:02,309 --> 01:03:00,079

and then they'd go to the one uh uh

1729

01:03:03,910 --> 01:03:02,319

you know tribal leader and say hey you

1730

01:03:04,789 --> 01:03:03,920

know i just talked to that other guy

1731

01:03:07,910 --> 01:03:04,799

over there

1732

01:03:09,510 --> 01:03:07,920

what a jerk huh well yeah we've had some

1733

01:03:09,990 --> 01:03:09,520

problems with them in the past yeah i

1734

01:03:12,069 --> 01:03:10,000

know

1735

01:03:13,990 --> 01:03:12,079

i tell you what we'll protect you from

1736

01:03:14,470 --> 01:03:14,000

that guy we'll put up a little barrier

1737

01:03:16,309 --> 01:03:14,480

here

1738

01:03:18,069 --> 01:03:16,319

because you really need that don't you i

1739

01:03:19,670 --> 01:03:18,079

mean that's exactly what they did just

1740

01:03:23,349 --> 01:03:19,680

read roman history

1741

01:03:25,670 --> 01:03:23,359

exactly look there's only so many ways

1742

01:03:26,549 --> 01:03:25,680

that it is possible to manipulate humans

1743

01:03:27,670 --> 01:03:26,559

i mean there are

1744

01:03:29,829 --> 01:03:27,680

probably an infinite number of

1745

01:03:31,190 --> 01:03:29,839

variations but the broad structure is

1746

01:03:33,670 --> 01:03:31,200

always the same

1747

01:03:35,910 --> 01:03:33,680

you need to have trust so you need to

1748

01:03:37,829 --> 01:03:35,920

have an individual who is given trust

1749

01:03:39,430 --> 01:03:37,839

and then that trust is used to give

1750

01:03:43,029 --> 01:03:39,440

false narratives to give

1751

01:03:46,470 --> 01:03:43,039

fake history that's it so steinem is

1752

01:03:50,390 --> 01:03:46,480

created as a um a defender

1753

01:03:52,710 --> 01:03:50,400

and a heroine of the feminist cause

1754

01:03:53,910 --> 01:03:52,720

and so that's the lens that women look

1755

01:03:56,390 --> 01:03:53,920

at her through

1756

01:03:58,230 --> 01:03:56,400

they don't look past that image they

1757

01:03:59,990 --> 01:03:58,240

don't look to her cia background they

1758

01:04:01,109 --> 01:04:00,000

don't question the idea of what was this

1759

01:04:03,349 --> 01:04:01,119

deliberate

1760

01:04:05,510 --> 01:04:03,359

because to do so you see how clever the

1761

01:04:08,150 --> 01:04:05,520

propaganda is to do so

1762

01:04:09,510 --> 01:04:08,160

would make them have that um moment of

1763

01:04:11,190 --> 01:04:09,520

self-criticism

1764

01:04:13,190 --> 01:04:11,200

and you know it's fascinating to me you

1765

01:04:15,510 --> 01:04:13,200

mentioned it earlier in the show about

1766

01:04:18,150 --> 01:04:15,520

how hard it is for christians to do this

1767

01:04:19,430 --> 01:04:18,160

well think about someone who's grown up

1768

01:04:21,910 --> 01:04:19,440

as a feminist

1769

01:04:23,990 --> 01:04:21,920

how difficult that process the same

1770

01:04:26,870 --> 01:04:24,000

process would be for that individual

1771

01:04:28,470 --> 01:04:26,880

because to look at steinem realistically

1772

01:04:30,789 --> 01:04:28,480

is the same thing as for a christian

1773

01:04:33,029 --> 01:04:30,799

look at jesus realistically

1774

01:04:34,950 --> 01:04:33,039

you it's almost impossible to do because

1775

01:04:35,510 --> 01:04:34,960

your mind has been structured away from

1776

01:04:39,029 --> 01:04:35,520

the

1777

01:04:41,510 --> 01:04:39,039

to happen

1778

01:04:43,029 --> 01:04:41,520

hey just one more steinem story that i

1779

01:04:44,309 --> 01:04:43,039

always like to slip in in case there's

1780

01:04:45,829 --> 01:04:44,319

any lingering doubts

1781

01:04:48,309 --> 01:04:45,839

on the part of people and then i want to

1782

01:04:50,150 --> 01:04:48,319

ask you kind of the big devil's advocate

1783

01:04:52,230 --> 01:04:50,160

question on all of this stuff

1784

01:04:54,710 --> 01:04:52,240

but the the other story i wanted you to

1785

01:04:57,910 --> 01:04:54,720

get to i love this in this kind of

1786

01:05:01,670 --> 01:04:57,920

sad tragic humor dark humor kind of way

1787

01:05:04,950 --> 01:05:01,680

is the 2012 syrian

1788

01:05:08,069 --> 01:05:04,960

uh liberate women's liberation

1789

01:05:10,950 --> 01:05:08,079

ploy scam that she pulled you know

1790

01:05:12,710 --> 01:05:10,960

like uh do your do you have the the

1791

01:05:16,069 --> 01:05:12,720

details on that or should i pull it off

1792

01:05:17,670 --> 01:05:16,079

i don't i mean i i have actually um

1793

01:05:19,109 --> 01:05:17,680

the last couple years kind of gotten

1794

01:05:21,190 --> 01:05:19,119

away from steinem i

1795

01:05:22,870 --> 01:05:21,200

she's included in my new book but that

1796

01:05:23,829 --> 01:05:22,880

chapter was long since written and it's

1797

01:05:30,870 --> 01:05:23,839

really

1798

01:05:32,230 --> 01:05:30,880

emergence as a as a political person as

1799

01:05:33,270 --> 01:05:32,240

a famous person that's really kind of

1800

01:05:36,789 --> 01:05:33,280

the part i'm interested in

1801

01:05:37,990 --> 01:05:36,799

what happened in syria it did that let

1802

01:05:39,270 --> 01:05:38,000

me let me pull it up

1803

01:05:42,309 --> 01:05:39,280

yeah i'd like to hear about this

1804

01:05:42,870 --> 01:05:42,319

actually yeah this is a classic joke

1805

01:05:49,390 --> 01:05:42,880

just

1806

01:05:52,549 --> 01:05:49,400

under siege so in

1807

01:05:53,109 --> 01:05:52,559

2012 so if you remember back this was

1808

01:05:56,470 --> 01:05:53,119

kind of

1809

01:05:58,710 --> 01:05:56,480

in the middle of the whole syrian thing

1810

01:05:59,510 --> 01:05:58,720

which if people don't understand it

1811

01:06:03,190 --> 01:05:59,520

syria was

1812

01:06:03,990 --> 01:06:03,200

backed by the russians we were trying to

1813

01:06:07,349 --> 01:06:04,000

overthrow

1814

01:06:08,870 --> 01:06:07,359

syria through isis and again if people

1815

01:06:10,710 --> 01:06:08,880

are uncomfortable with that you have to

1816

01:06:12,789 --> 01:06:10,720

just go understand that

1817

01:06:14,870 --> 01:06:12,799

we were really the funding agency the

1818

01:06:17,829 --> 01:06:14,880

creation of isis from the beginning

1819

01:06:19,510 --> 01:06:17,839

and isis remember the ones who put

1820

01:06:21,750 --> 01:06:19,520

burqas on the women

1821

01:06:23,510 --> 01:06:21,760

cut off the arms if some if a woman was

1822

01:06:26,710 --> 01:06:23,520

found out with

1823

01:06:27,349 --> 01:06:26,720

outside and had any skin exposing that's

1824

01:06:31,750 --> 01:06:27,359

isis

1825

01:06:34,870 --> 01:06:31,760

right meanwhile syria is by all accounts

1826  
01:06:38,549 --> 01:06:34,880  
the most secular the most progressive

1827  
01:06:42,549 --> 01:06:38,559  
politically you know

1828  
01:06:45,430 --> 01:06:42,559  
state among the arab states in that area

1829  
01:06:45,990 --> 01:06:45,440  
so gloria steinem and again to your

1830  
01:06:48,150 --> 01:06:46,000  
point of

1831  
01:06:49,670 --> 01:06:48,160  
lifetime player right so you think oh

1832  
01:06:52,950 --> 01:06:49,680  
yeah she's just this old

1833  
01:06:53,910 --> 01:06:52,960  
feminist from the 70s this is 2012. her

1834  
01:06:57,430 --> 01:06:53,920  
group

1835  
01:07:01,670 --> 01:06:57,440  
women under siege project comes out

1836  
01:07:05,430 --> 01:07:01,680  
and denounces syria as

1837  
01:07:05,990 --> 01:07:05,440  
as you know not supporting the rights of

1838  
01:07:11,990 --> 01:07:06,000

women

1839

01:07:13,029 --> 01:07:12,000

and again this is when syria is battling

1840

01:07:15,349 --> 01:07:13,039

isis

1841

01:07:17,109 --> 01:07:15,359

so but what was the cia's position at

1842

01:07:17,589 --> 01:07:17,119

the time of course the cia's position

1843

01:07:20,950 --> 01:07:17,599

was

1844

01:07:26,150 --> 01:07:20,960

overthrow syria so

1845

01:07:32,870 --> 01:07:30,470

so here's the here's the kind of wacky

1846

01:07:33,589 --> 01:07:32,880

devil's advocate position that i want

1847

01:07:37,029 --> 01:07:33,599

you to

1848

01:07:38,950 --> 01:07:37,039

to try and sort out at the end of the

1849

01:07:42,069 --> 01:07:38,960

day

1850

01:07:43,910 --> 01:07:42,079

a lot of these conflicts are

1851

01:07:46,069 --> 01:07:43,920

i don't know comparable to war i mean

1852

01:07:49,270 --> 01:07:46,079

they really are we always do you know

1853

01:07:51,670 --> 01:07:49,280

and in war you know you have to do

1854

01:07:53,750 --> 01:07:51,680

certain things in order to get the job

1855

01:07:55,430 --> 01:07:53,760

done you got to sacrifice the men

1856

01:07:57,910 --> 01:07:55,440

on this hill and you know they're going

1857

01:07:59,349 --> 01:07:57,920

to die so you can send the guys around

1858

01:08:01,349 --> 01:07:59,359

the other side of the hill

1859

01:08:02,549 --> 01:08:01,359

and knock them out that way but you know

1860

01:08:06,230 --> 01:08:02,559

these guys are going to die

1861

01:08:09,829 --> 01:08:06,240

you know could one make the case

1862

01:08:14,309 --> 01:08:09,839

that in certain instances

1863

01:08:16,789 --> 01:08:14,319

our grand overlord controllers

1864

01:08:18,470 --> 01:08:16,799

are just doing the dirty work that we're

1865

01:08:21,510 --> 01:08:18,480

not willing to do

1866

01:08:24,950 --> 01:08:21,520

so the glorious steinham project

1867

01:08:26,149 --> 01:08:24,960

as evil as it was in its implementation

1868

01:08:29,269 --> 01:08:26,159

is underhanded

1869

01:08:32,709 --> 01:08:29,279

as secret society

1870

01:08:36,149 --> 01:08:32,719

sciopy was serving

1871

01:08:37,030 --> 01:08:36,159

the purpose of advancing the rights of

1872

01:08:39,590 --> 01:08:37,040

women

1873

01:08:40,470 --> 01:08:39,600

in a way that we were in unable to do

1874

01:08:42,709 --> 01:08:40,480

because really

1875

01:08:44,709 --> 01:08:42,719

you know why did women why did women not

1876

01:08:48,149 --> 01:08:44,719

have the vote until 1920

1877

01:08:50,550 --> 01:08:48,159

that's the so and why hadn't women

1878

01:08:51,669 --> 01:08:50,560

move forward more in terms of equality

1879

01:08:55,349 --> 01:08:51,679

at the time that

1880

01:08:58,229 --> 01:08:55,359

steinham was doing that so are they

1881

01:08:59,349 --> 01:08:58,239

sometimes moving the ball in the right

1882

01:09:01,269 --> 01:08:59,359

direction

1883

01:09:03,430 --> 01:09:01,279

world war ii are they allowing the

1884

01:09:06,470 --> 01:09:03,440

japanese to

1885

01:09:08,870 --> 01:09:06,480

bomb pearl harbor while we send the

1886

01:09:10,550 --> 01:09:08,880

the fleet of aircraft carriers out

1887

01:09:12,470 --> 01:09:10,560

because the number of

1888

01:09:14,070 --> 01:09:12,480

people who were behind getting in world

1889

01:09:16,950 --> 01:09:14,080

war ii was super low

1890

01:09:17,829 --> 01:09:16,960

and as soon as they bombed pearl harbor

1891

01:09:21,189 --> 01:09:17,839

everyone went

1892

01:09:25,030 --> 01:09:21,199

and enlisted

1893

01:09:26,470 --> 01:09:25,040

oh i would say uh if you have to use

1894

01:09:29,110 --> 01:09:26,480

secrecy

1895

01:09:30,070 --> 01:09:29,120

um there is something wrong with your

1896

01:09:33,269 --> 01:09:30,080

you know position

1897

01:09:36,550 --> 01:09:33,279

just from basic human moral

1898

01:09:40,789 --> 01:09:36,560

structure i mean i i i think that

1899

01:09:44,070 --> 01:09:40,799

um there is nothing that

1900

01:09:45,749 --> 01:09:44,080

would be uniquely and totally evil

1901

01:09:46,709 --> 01:09:45,759

i mean you look at the gospels you know

1902

01:09:47,990 --> 01:09:46,719

at the beginning of the show you were

1903

01:09:49,349 --> 01:09:48,000

talking about all of the good things

1904

01:09:53,189 --> 01:09:49,359

that are possible to

1905

01:09:57,430 --> 01:09:53,199

glean from it to make an operation

1906

01:09:59,669 --> 01:09:57,440

um widely held widely lightly supported

1907

01:10:02,310 --> 01:09:59,679

you have to have in part of what you

1908

01:10:04,070 --> 01:10:02,320

present to the public um

1909

01:10:05,750 --> 01:10:04,080

something that they find is is

1910

01:10:08,870 --> 01:10:05,760

beneficial it has to be

1911

01:10:11,189 --> 01:10:08,880

part and parcel of it um but

1912

01:10:12,709 --> 01:10:11,199

that simply creates the the hooks you

1913

01:10:15,270 --> 01:10:12,719

know for the control

1914

01:10:15,990 --> 01:10:15,280

which is hidden um and the public is

1915

01:10:17,669 --> 01:10:16,000

then taken

1916

01:10:19,189 --> 01:10:17,679

into a place that they would not have

1917

01:10:22,790 --> 01:10:19,199

gone otherwise

1918

01:10:25,110 --> 01:10:22,800

um it goes to basically democracy if um

1919

01:10:26,790 --> 01:10:25,120

if if this is a system that is

1920

01:10:29,030 --> 01:10:26,800

reasonable

1921

01:10:30,550 --> 01:10:29,040

then you have to resist propaganda and

1922

01:10:31,750 --> 01:10:30,560

whether or not from time to time it

1923

01:10:33,270 --> 01:10:31,760

takes you to

1924

01:10:35,270 --> 01:10:33,280

a better place and the public's would

1925

01:10:36,470 --> 01:10:35,280

have gone and if they were led to their

1926

01:10:38,950 --> 01:10:36,480

own device

1927

01:10:40,390 --> 01:10:38,960

um that's in my mind is a very small

1928

01:10:43,030 --> 01:10:40,400

part price to pay

1929

01:10:44,310 --> 01:10:43,040

for structures like world war ii or

1930

01:10:47,270 --> 01:10:44,320

world war one

1931

01:10:48,709 --> 01:10:47,280

or the civil war are uh you know things

1932

01:10:50,950 --> 01:10:48,719

like that i would regard as

1933

01:10:52,229 --> 01:10:50,960

as part of this for example like the

1934

01:10:56,229 --> 01:10:52,239

great depression

1935

01:10:58,310 --> 01:10:56,239

um you know that that i think are um

1936

01:11:00,070 --> 01:10:58,320

you know brought about through financial

1937

01:11:01,590 --> 01:11:00,080

techniques uh you know that are

1938

01:11:05,270 --> 01:11:01,600

deliberate so

1939

01:11:08,790 --> 01:11:05,280

um i i would i would say that

1940

01:11:12,149 --> 01:11:08,800

there isn't um you know

1941

01:11:13,910 --> 01:11:12,159

total perfection in democracy and total

1942

01:11:16,149 --> 01:11:13,920

evil and propaganda

1943

01:11:17,189 --> 01:11:16,159

but i would just vote for democracy

1944

01:11:20,310 --> 01:11:17,199

because i

1945

01:11:22,630 --> 01:11:20,320

i would think that uh

1946

01:11:24,390 --> 01:11:22,640

it ultimately will reflect the interests

1947

01:11:25,510 --> 01:11:24,400

of more people than if you just let the

1948

01:11:28,950 --> 01:11:25,520

oligarchs

1949

01:11:31,750 --> 01:11:28,960

um run things and i would also say that

1950

01:11:34,310 --> 01:11:31,760

um you know the problem with permitting

1951

01:11:36,390 --> 01:11:34,320

the oligarchs to run thing is that

1952

01:11:38,189 --> 01:11:36,400

you're risking something that democracy

1953

01:11:41,430 --> 01:11:38,199

would not permit which is

1954

01:11:44,550 --> 01:11:41,440

genocide i think genocide is one of our

1955

01:11:46,390 --> 01:11:44,560

major problems that's as a species

1956

01:11:48,149 --> 01:11:46,400

and particularly today i would say it's

1957

01:11:51,189 --> 01:11:48,159

something we should be considering

1958

01:11:53,189 --> 01:11:51,199

uh as you know

1959

01:11:54,950 --> 01:11:53,199

something we should be tempting to avoid

1960

01:11:57,030 --> 01:11:54,960

and so um

1961

01:11:59,830 --> 01:11:57,040

i i would just point out that that you

1962

01:12:02,470 --> 01:11:59,840

know open democracy disclosure

1963

01:12:03,750 --> 01:12:02,480

will is more likely to resist genocide

1964

01:12:07,270 --> 01:12:03,760

than

1965

01:12:10,070 --> 01:12:07,280

a few um brilliant people

1966

01:12:10,950 --> 01:12:10,080

at the hot tub of uh jeffrey epstein's

1967

01:12:13,189 --> 01:12:10,960

island

1968

01:12:15,510 --> 01:12:13,199

um sitting around planning you know what

1969

01:12:17,990 --> 01:12:15,520

the future could be for mankind i mean i

1970

01:12:19,510 --> 01:12:18,000

i i just given given the uh both the

1971

01:12:21,110 --> 01:12:19,520

results and uh

1972

01:12:24,470 --> 01:12:21,120

the natures of the process i i would

1973

01:12:27,830 --> 01:12:24,480

vote for democracy every single time

1974

01:12:30,950 --> 01:12:27,840

nice nice nice nice yeah

1975

01:12:34,310 --> 01:12:33,270

okay i mean i have to push that a little

1976

01:12:36,470 --> 01:12:34,320

bit further

1977

01:12:37,990 --> 01:12:36,480

because i'm all over that on one hand on

1978

01:12:41,430 --> 01:12:38,000

the other hand

1979

01:12:43,910 --> 01:12:41,440

there's an idealism there that doesn't

1980

01:12:47,990 --> 01:12:43,920

totally square with history

1981

01:12:50,550 --> 01:12:48,000

you know if you look at

1982

01:12:51,830 --> 01:12:50,560

you know i'll just i'll just i'll i'll

1983

01:12:55,030 --> 01:12:51,840

just leave it at that

1984

01:12:57,350 --> 01:12:55,040

i mean in a way you are

1985

01:12:59,590 --> 01:12:57,360

such a spiritual guy you have this kind

1986

01:13:01,030 --> 01:12:59,600

of spiritual idealism because

1987

01:13:03,189 --> 01:13:01,040

anyone who would look at history would

1988

01:13:08,070 --> 01:13:03,199

say nice joe but

1989

01:13:13,669 --> 01:13:11,750

yeah oh well i i would

1990

01:13:16,950 --> 01:13:13,679

i would agree with them um this

1991

01:13:20,390 --> 01:13:16,960

unfortunately it's a completely

1992

01:13:24,149 --> 01:13:20,400

muddled process um and both

1993

01:13:27,189 --> 01:13:24,159

both extremes uh total democracy and uh

1994

01:13:28,950 --> 01:13:27,199

and total dictatorship will um have good

1995

01:13:33,350 --> 01:13:28,960

moments and bad moments

1996

01:13:35,350 --> 01:13:33,360

um the the way to really

1997

01:13:36,790 --> 01:13:35,360

increase the quality of democracy

1998

01:13:38,950 --> 01:13:36,800

because obviously

1999

01:13:40,950 --> 01:13:38,960

democracy has this problem in it that it

2000

01:13:43,990 --> 01:13:40,960

makes stupid decisions

2001

01:13:45,750 --> 01:13:44,000

is to have um individuals inside

2002

01:13:47,350 --> 01:13:45,760

democracy that are

2003

01:13:48,870 --> 01:13:47,360

basically more skeptical have more

2004

01:13:52,149 --> 01:13:48,880

analytic power

2005

01:13:54,630 --> 01:13:52,159

um and and this this is why as you know

2006

01:13:57,590 --> 01:13:54,640

i'm such a big you know fan of your show

2007

01:13:58,550 --> 01:13:57,600

um because i think it helps promote that

2008

01:14:00,790 --> 01:13:58,560

i mean that's really

2009

01:14:02,950 --> 01:14:00,800

where righteousness is in my opinion

2010

01:14:04,149 --> 01:14:02,960

it's if you want democracy to be more

2011

01:14:06,070 --> 01:14:04,159

powerful

2012

01:14:07,910 --> 01:14:06,080

you need to have more skeptical and more

2013

01:14:12,830 --> 01:14:07,920

analytically powerful humans

2014

01:14:13,990 --> 01:14:12,840

and so the uh the recovery process from

2015

01:14:15,990 --> 01:14:14,000

christianity

2016

01:14:17,830 --> 01:14:16,000

and even from things like existentialism

2017

01:14:20,870 --> 01:14:17,840

from atheism

2018

01:14:23,750 --> 01:14:20,880

recovering from those

2019

01:14:25,669 --> 01:14:23,760

what i would regard as oligarchic

2020

01:14:29,030 --> 01:14:25,679

structures for the purpose of

2021

01:14:31,350 --> 01:14:29,040

mind control is a long hard one

2022

01:14:33,110 --> 01:14:31,360

you know and and we need lots and lots

2023

01:14:36,790 --> 01:14:33,120

of people like yourself trying to

2024

01:14:39,350 --> 01:14:36,800

to uh um move people to a more objective

2025

01:14:40,950 --> 01:14:39,360

more more realistic more sensory based

2026

01:14:44,070 --> 01:14:40,960

more analytic based

2027

01:14:47,110 --> 01:14:44,080

perspective um it is a

2028

01:14:49,510 --> 01:14:47,120

hard task because you know the

2029

01:14:51,669 --> 01:14:49,520

if you look at the media how powerful it

2030

01:14:53,350 --> 01:14:51,679

is and and who owns it and how easy it

2031

01:14:57,189 --> 01:14:53,360

is to manipulate people

2032

01:14:59,669 --> 01:14:57,199

but there is hope because

2033

01:15:00,630 --> 01:14:59,679

the independent media for there is no

2034

01:15:02,310 --> 01:15:00,640

hope

2035

01:15:04,470 --> 01:15:02,320

that's what i want to kind of throw out

2036

01:15:06,229 --> 01:15:04,480

there and

2037

01:15:08,390 --> 01:15:06,239

i want to i want to kind of pursue this

2038

01:15:11,350 --> 01:15:08,400

a little bit further with you

2039

01:15:13,910 --> 01:15:11,360

no the there there is no hope and that

2040

01:15:15,830 --> 01:15:13,920

is really what the spirituality is about

2041

01:15:17,669 --> 01:15:15,840

you know i mean it's the it's the other

2042

01:15:19,030 --> 01:15:17,679

aspect of the christian bible

2043

01:15:20,229 --> 01:15:19,040

you know that we never talked about this

2044

01:15:21,189 --> 01:15:20,239

back because i didn't want to kind of

2045

01:15:24,950 --> 01:15:21,199

cloud the

2046

01:15:28,229 --> 01:15:24,960

the discussion but the the real

2047

01:15:33,189 --> 01:15:28,239

conflict within christianity

2048

01:15:36,310 --> 01:15:33,199

is whether is people want to understand

2049

01:15:37,110 --> 01:15:36,320

how they can reconcile their spiritual

2050

01:15:39,910 --> 01:15:37,120

truth

2051  
01:15:40,550 --> 01:15:39,920  
that they feel is connected to the bible

2052  
01:15:43,990 --> 01:15:40,560  
with

2053  
01:15:45,750 --> 01:15:44,000  
the absurdity of the bible and i just

2054  
01:15:47,990 --> 01:15:45,760  
you know played a clip i had an

2055  
01:15:48,390 --> 01:15:48,000  
interview a couple times ago with this

2056  
01:15:51,110 --> 01:15:48,400  
guy

2057  
01:15:51,590 --> 01:15:51,120  
he's produced this really great science

2058  
01:15:54,229 --> 01:15:51,600  
film

2059  
01:15:55,669 --> 01:15:54,239  
that kind of supports this idea that you

2060  
01:15:57,510 --> 01:15:55,679  
know conscious that the idea that

2061  
01:15:59,510 --> 01:15:57,520  
consciousness is not fundamental just

2062  
01:16:01,590 --> 01:15:59,520  
isn't supported by the science

2063  
01:16:03,030 --> 01:16:01,600

but then what he tries to do is sneak in

2064

01:16:05,510 --> 01:16:03,040

catholicism you know

2065

01:16:07,189 --> 01:16:05,520

it's like yeah and you know the guy who

2066

01:16:08,390 --> 01:16:07,199

discovered it he was a catholic and he

2067

01:16:10,149 --> 01:16:08,400

turned catholic down

2068

01:16:12,310 --> 01:16:10,159

so i really kind of called him on that

2069

01:16:15,030 --> 01:16:12,320

and i called him on that by

2070

01:16:16,950 --> 01:16:15,040

pointing out you know oxford religious

2071

01:16:19,510 --> 01:16:16,960

scholar

2072

01:16:20,229 --> 01:16:19,520

richard smoley who and i played a quote

2073

01:16:23,270 --> 01:16:20,239

you know where

2074

01:16:26,070 --> 01:16:23,280

smallie says it's ridiculous you know no

2075

01:16:27,590 --> 01:16:26,080

thinking person could accept it it could

2076

01:16:29,750 --> 01:16:27,600

accept the adam and eve story

2077

01:16:31,189 --> 01:16:29,760

that god got so mad because this guy ate

2078

01:16:33,590 --> 01:16:31,199

a piece of fruit that you know he

2079

01:16:36,470 --> 01:16:33,600

conde he goes it is a preposterous kind

2080

01:16:39,910 --> 01:16:39,270

but see that is completely on a

2081

01:16:42,870 --> 01:16:39,920

different

2082

01:16:43,990 --> 01:16:42,880

track than where you are with caesar's

2083

01:16:46,870 --> 01:16:44,000

messiah right

2084

01:16:48,229 --> 01:16:46,880

it's back to people struggling with this

2085

01:16:51,350 --> 01:16:48,239

other question

2086

01:16:55,350 --> 01:16:51,360

which is how can i reconcile

2087

01:16:58,950 --> 01:16:55,360

these spiritual truths one of which is

2088

01:17:02,070 --> 01:16:58,960

this material world isn't all there

2089

01:17:04,390 --> 01:17:02,080

is so i can let go at least a little

2090

01:17:06,070 --> 01:17:04,400

bit of it i don't have to be totally

2091

01:17:07,110 --> 01:17:06,080

consumed with

2092

01:17:09,110 --> 01:17:07,120

you know whether we're going to well

2093

01:17:12,229 --> 01:17:09,120

we're going to wind up with a

2094

01:17:13,910 --> 01:17:12,239

social credit chinese style communist

2095

01:17:14,830 --> 01:17:13,920

state or whether we're going to wind up

2096

01:17:19,590 --> 01:17:14,840

with a

2097

01:17:22,550 --> 01:17:19,600

fascist uh whatever that means you know

2098

01:17:23,669 --> 01:17:22,560

controlled kind of state i can let go of

2099

01:17:26,149 --> 01:17:23,679

that a little bit

2100

01:17:27,990 --> 01:17:26,159

because in this larger extended

2101

01:17:31,990 --> 01:17:28,000

consciousness realm

2102

01:17:35,270 --> 01:17:32,000

that all has a different place than

2103

01:17:38,550 --> 01:17:35,280

it does in purely a materialistic way

2104

01:17:40,870 --> 01:17:38,560

so i have spiritual people on one hand

2105

01:17:42,950 --> 01:17:40,880

struggling with that struggling with

2106

01:17:45,270 --> 01:17:42,960

this truth that they know and feel

2107

01:17:47,030 --> 01:17:45,280

but can't reconcile with the cult that

2108

01:17:49,270 --> 01:17:47,040

they've been

2109

01:17:50,870 --> 01:17:49,280

found themselves in and then on the

2110

01:17:52,550 --> 01:17:50,880

other hand i have you know where you're

2111

01:17:55,750 --> 01:17:52,560

coming from which is to say

2112

01:17:56,950 --> 01:17:55,760

hey the only way out of the psyop is to

2113

01:18:00,390 --> 01:17:56,960

just be

2114

01:18:01,110 --> 01:18:00,400

super you know truthful and honest and

2115

01:18:03,510 --> 01:18:01,120

all that and

2116

01:18:05,669 --> 01:18:03,520

i mean for me like you're in business i

2117

01:18:08,390 --> 01:18:05,679

was in business

2118

01:18:10,709 --> 01:18:08,400

nothing gonna happen man i mean money's

2119

01:18:13,350 --> 01:18:10,719

gonna drive this stuff it ain't gonna be

2120

01:18:15,030 --> 01:18:13,360

the alt media you think any you think

2121

01:18:18,149 --> 01:18:15,040

any of those guys are the least

2122

01:18:20,310 --> 01:18:18,159

bit worried about the alt media

2123

01:18:21,669 --> 01:18:20,320

look at the game they've played already

2124

01:18:23,270 --> 01:18:21,679

with this thing like we're talking about

2125

01:18:25,669 --> 01:18:23,280

the beating off air

2126

01:18:27,669 --> 01:18:25,679

i mean if they can be this successful

2127

01:18:28,390 --> 01:18:27,679

with this and they haven't even played

2128

01:18:31,669 --> 01:18:28,400

you know

2129

01:18:33,350 --> 01:18:31,679

half their cards i mean i i just don't

2130

01:18:36,149 --> 01:18:33,360

see where they they would really have

2131

01:18:37,750 --> 01:18:36,159

any worry about their ability to

2132

01:18:39,510 --> 01:18:37,760

manipulate the system

2133

01:18:41,030 --> 01:18:39,520

do you kind of get a sense for where i'm

2134

01:18:42,790 --> 01:18:41,040

going with all that it's like unless you

2135

01:18:43,669 --> 01:18:42,800

get bigger unless you get outside of the

2136

01:18:46,390 --> 01:18:43,679

game

2137

01:18:48,149 --> 01:18:46,400

completely there's no reason to be

2138

01:18:51,510 --> 01:18:48,159

hopeful

2139

01:18:54,630 --> 01:18:51,520

oh it that's well said but it's

2140

01:18:56,070 --> 01:18:54,640

it's such a complicated uh you know kind

2141

01:18:59,430 --> 01:18:56,080

of position it's

2142

01:19:01,189 --> 01:18:59,440

um i i'm not sure actually that

2143

01:19:03,510 --> 01:19:01,199

there is this kind of uh mutual

2144

01:19:06,630 --> 01:19:03,520

exclusivity i think that

2145

01:19:09,430 --> 01:19:06,640

leaving a cult uh can be

2146

01:19:10,870 --> 01:19:09,440

a path to you know much more intense

2147

01:19:13,990 --> 01:19:10,880

spirituality

2148

01:19:15,990 --> 01:19:14,000

um i agree so so

2149

01:19:17,750 --> 01:19:16,000

it's it's it has to do with the nature

2150

01:19:19,430 --> 01:19:17,760

of the cult the nature of the influence

2151

01:19:21,189 --> 01:19:19,440

of the cult on a person's

2152

01:19:23,270 --> 01:19:21,199

consciousness and how he perceives

2153

01:19:25,189 --> 01:19:23,280

himself

2154

01:19:27,110 --> 01:19:25,199

as far as the oligarchs not being

2155

01:19:27,669 --> 01:19:27,120

worried i i would disagree with that i

2156

01:19:30,310 --> 01:19:27,679

think that

2157

01:19:32,630 --> 01:19:30,320

actually um one of the reasons that

2158

01:19:34,070 --> 01:19:32,640

we're having so much oligarchic activity

2159

01:19:36,550 --> 01:19:34,080

at the moment is because the independent

2160

01:19:40,709 --> 01:19:36,560

media was actually starting to cut

2161

01:19:42,390 --> 01:19:40,719

um it's if you look at like for example

2162

01:19:45,590 --> 01:19:42,400

uh like the vaccine

2163

01:19:47,750 --> 01:19:45,600

statistics very interesting um i i was

2164

01:19:49,910 --> 01:19:47,760

sent some data showing that over 60

2165

01:19:51,750 --> 01:19:49,920

of the people now will refuse a

2166

01:19:53,830 --> 01:19:51,760

mandatory vaccine

2167

01:19:55,990 --> 01:19:53,840

um if this is true this is really a

2168

01:19:58,709 --> 01:19:56,000

revolution i mean that's really the

2169

01:20:00,070 --> 01:19:58,719

like an aspect of the influence of the

2170

01:20:03,189 --> 01:20:00,080

independent media

2171

01:20:04,870 --> 01:20:03,199

um and then just if you go back in our

2172

01:20:08,229 --> 01:20:04,880

history

2173

01:20:09,510 --> 01:20:08,239

where did the common person have access

2174

01:20:12,470 --> 01:20:09,520

to information before

2175

01:20:13,510 --> 01:20:12,480

i mean really there isn't ever been a

2176  
01:20:16,550 --> 01:20:13,520  
moment

2177  
01:20:20,149 --> 01:20:16,560  
i mean history in my opinion is

2178  
01:20:21,830 --> 01:20:20,159  
is all propaganda so when you have the

2179  
01:20:23,990 --> 01:20:21,840  
existence of the independent media when

2180  
01:20:27,669 --> 01:20:24,000  
it came into existence with gary webb

2181  
01:20:31,430 --> 01:20:27,679  
really and uh uh his uh you know his his

2182  
01:20:34,550 --> 01:20:31,440  
in investigations into uh the cia's

2183  
01:20:36,470 --> 01:20:34,560  
um selling of crack cocaine and he

2184  
01:20:39,510 --> 01:20:36,480  
decided that he would use this new

2185  
01:20:41,430 --> 01:20:39,520  
internet tool to post his data because

2186  
01:20:44,070 --> 01:20:41,440  
he couldn't get you know the

2187  
01:20:44,950 --> 01:20:44,080  
newspaper he's working with to do it

2188  
01:20:47,910 --> 01:20:44,960

well

2189

01:20:50,310 --> 01:20:47,920

suddenly there was this tool that people

2190

01:20:53,510 --> 01:20:50,320

could use to exchange information now

2191

01:20:56,149 --> 01:20:53,520

it's obvious it can be manipulated but

2192

01:20:57,830 --> 01:20:56,159

nevertheless there is a chance and i

2193

01:20:58,470 --> 01:20:57,840

think this is the very first time we've

2194

01:21:00,870 --> 01:20:58,480

ever had

2195

01:21:02,470 --> 01:21:00,880

in our entire history the word history

2196

01:21:06,070 --> 01:21:02,480

here is

2197

01:21:07,350 --> 01:21:06,080

well used um where we can exchange

2198

01:21:10,149 --> 01:21:07,360

information

2199

01:21:10,790 --> 01:21:10,159

and to date we've been completely under

2200

01:21:15,189 --> 01:21:10,800

under uh

2201  
01:21:17,669 --> 01:21:15,199  
intellectual control and so um as far as

2202  
01:21:19,510 --> 01:21:17,679  
what power it can eventually produce i

2203  
01:21:21,350 --> 01:21:19,520  
have no idea

2204  
01:21:22,790 --> 01:21:21,360  
i i don't know how much time it's going

2205  
01:21:25,510 --> 01:21:22,800  
to have to

2206  
01:21:27,510 --> 01:21:25,520  
to have influence but while it does

2207  
01:21:29,669 --> 01:21:27,520  
exist we can use it i mean just for an

2208  
01:21:30,950 --> 01:21:29,679  
example your show

2209  
01:21:32,790 --> 01:21:30,960  
50 years ago wouldn't have been

2210  
01:21:34,550 --> 01:21:32,800  
physically let alone

2211  
01:21:36,070 --> 01:21:34,560  
culturally possible for you to have such

2212  
01:21:39,270 --> 01:21:36,080  
a platform

2213  
01:21:42,870 --> 01:21:39,280

so it is it is interesting

2214

01:21:46,149 --> 01:21:42,880

there is hope um and uh

2215

01:21:48,790 --> 01:21:46,159

i i think that uh just

2216

01:21:49,590 --> 01:21:48,800

people should be governed by their

2217

01:21:52,550 --> 01:21:49,600

spirit

2218

01:21:53,030 --> 01:21:52,560

they should look at what process and

2219

01:21:57,189 --> 01:21:53,040

what

2220

01:22:00,709 --> 01:21:57,199

gives them

2221

01:22:04,390 --> 01:22:00,719

um basically a more intense uh

2222

01:22:06,790 --> 01:22:04,400

more vivid spirit and uh

2223

01:22:08,310 --> 01:22:06,800

and so you know when people when they

2224

01:22:10,870 --> 01:22:08,320

when they take the case that

2225

01:22:12,070 --> 01:22:10,880

um they've been blackpilled that they

2226

01:22:13,430 --> 01:22:12,080

know the truth

2227

01:22:15,350 --> 01:22:13,440

they know the oligarchs they know

2228

01:22:16,310 --> 01:22:15,360

propaganda and it's just left them

2229

01:22:20,149 --> 01:22:16,320

impotent

2230

01:22:21,669 --> 01:22:20,159

and i always respond by saying look

2231

01:22:23,990 --> 01:22:21,679

you have that feeling because you're not

2232

01:22:27,270 --> 01:22:24,000

fighting if you would if you would

2233

01:22:29,669 --> 01:22:27,280

have access to your normal energy that

2234

01:22:31,910 --> 01:22:29,679

any sentient being any being that comes

2235

01:22:34,149 --> 01:22:31,920

through the process of evolution

2236

01:22:35,110 --> 01:22:34,159

to whatever you know you believe in that

2237

01:22:36,950 --> 01:22:35,120

um

2238

01:22:39,510 --> 01:22:36,960

you're going to fight back then you'll

2239

01:22:40,870 --> 01:22:39,520

feel better you you want to find those

2240

01:22:43,030 --> 01:22:40,880

things that that

2241

01:22:44,870 --> 01:22:43,040

in life you know and activities that

2242

01:22:46,149 --> 01:22:44,880

will that will fill you with energy and

2243

01:22:47,590 --> 01:22:46,159

the euro you know you're on the right

2244

01:22:50,070 --> 01:22:47,600

path when when you

2245

01:22:52,070 --> 01:22:50,080

leaving the cult behind and moving into

2246

01:22:55,590 --> 01:22:52,080

a world of more intense energy

2247

01:22:59,350 --> 01:22:55,600

so i i'm actually optimistic i

2248

01:23:02,310 --> 01:22:59,360

i wouldn't be a bit surprised if um

2249

01:23:03,669 --> 01:23:02,320

there will be revelations um that will

2250

01:23:06,629 --> 01:23:03,679

be more

2251

01:23:08,950 --> 01:23:06,639

more powerful because of uh the uh

2252

01:23:09,510 --> 01:23:08,960

current oligarchic maneuvers you know to

2253

01:23:12,629 --> 01:23:09,520

increase

2254

01:23:15,030 --> 01:23:12,639

the uh the technologic observation

2255

01:23:16,070 --> 01:23:15,040

and slave state conditions i think

2256

01:23:19,030 --> 01:23:16,080

people will be more

2257

01:23:19,669 --> 01:23:19,040

ready you know for the the fruits of the

2258

01:23:23,110 --> 01:23:19,679

uh

2259

01:23:25,830 --> 01:23:23,120

of the independent media and um

2260

01:23:27,590 --> 01:23:25,840

they will um uh have more clear mind i

2261

01:23:29,110 --> 01:23:27,600

want to apologize for my voice act like

2262

01:23:31,350 --> 01:23:29,120

i was saying i've had a

2263

01:23:32,149 --> 01:23:31,360

a throat problem for about two weeks now

2264

01:23:33,990 --> 01:23:32,159

and it's

2265

01:23:35,910 --> 01:23:34,000

it left me like a frog i'm sorry for

2266

01:23:38,070 --> 01:23:35,920

that

2267

01:23:39,030 --> 01:23:38,080

no it was awesome and uh you know what

2268

01:23:41,830 --> 01:23:39,040

where else

2269

01:23:43,030 --> 01:23:41,840

would we expect to find a message of

2270

01:23:48,149 --> 01:23:43,040

hope than from

2271

01:23:51,189 --> 01:23:48,159

the guy wrote caesar's messiah

2272

01:23:53,590 --> 01:23:51,199

taking away all faith all

2273

01:23:55,750 --> 01:23:53,600

hope and it's really the only hope we

2274

01:23:58,070 --> 01:23:55,760

have that was really quite

2275

01:23:59,750 --> 01:23:58,080

it's beautifully poetic you leave the

2276

01:24:01,270 --> 01:23:59,760

cult and your enter into real hope

2277

01:24:03,189 --> 01:24:01,280

and then from there you're entered into

2278

01:24:06,229 --> 01:24:03,199

real behavior real activity

2279

01:24:07,430 --> 01:24:06,239

you'll be more powerful this is this is

2280

01:24:10,070 --> 01:24:07,440

what

2281

01:24:11,430 --> 01:24:10,080

i think the actual goal of skeptico is

2282

01:24:13,750 --> 01:24:11,440

is you're going to produce

2283

01:24:16,550 --> 01:24:13,760

more powerful individuals who will

2284

01:24:18,629 --> 01:24:16,560

produce a higher quality of democracy

2285

01:24:19,750 --> 01:24:18,639

and i told this to you years ago i said

2286

01:24:21,350 --> 01:24:19,760

that's why i really

2287

01:24:23,750 --> 01:24:21,360

love your show and i support it so much

2288

01:24:24,550 --> 01:24:23,760

is because to me it's just self-evident

2289

01:24:28,070 --> 01:24:24,560

that

2290

01:24:30,070 --> 01:24:28,080

you you listen systematically

2291

01:24:31,750 --> 01:24:30,080

you know to the to the kind of the stuff

2292

01:24:34,550 --> 01:24:31,760

that you bring out

2293

01:24:36,310 --> 01:24:34,560

you will become a better uh kind of more

2294

01:24:38,790 --> 01:24:36,320

powerful individual within democracy

2295

01:24:41,189 --> 01:24:38,800

be more skeptical but you'll also be

2296

01:24:43,990 --> 01:24:41,199

more active and so that's that's what i

2297

01:24:44,709 --> 01:24:44,000

i you know would like to to say that i

2298

01:24:46,229 --> 01:24:44,719

support and

2299

01:24:48,390 --> 01:24:46,239

and what what i hope my work brings

2300

01:24:51,110 --> 01:24:48,400

about as well

2301

01:24:52,790 --> 01:24:51,120

joe you keep referencing this new book

2302

01:24:53,910 --> 01:24:52,800

where are you at in that what's going on

2303

01:24:57,189 --> 01:24:53,920

with that

2304

01:24:59,110 --> 01:24:57,199

well um i was about ready to release it

2305

01:25:01,669 --> 01:24:59,120

before the covid thing and then that

2306

01:25:05,990 --> 01:25:01,679

produced the final chapter so

2307

01:25:07,750 --> 01:25:06,000

um hopefully if i can get it out um

2308

01:25:09,910 --> 01:25:07,760

within a month i'll be happy and i'll be

2309

01:25:12,390 --> 01:25:09,920

sending a copy to skeptical but i

2310

01:25:13,830 --> 01:25:12,400

i really did want to include my thoughts

2311

01:25:17,030 --> 01:25:13,840

on covid because in fact

2312

01:25:18,470 --> 01:25:17,040

this was uh i had sort of predicted that

2313

01:25:21,990 --> 01:25:18,480

this was going to come about

2314

01:25:24,870 --> 01:25:22,000

at uh one of the drafts that that i

2315

01:25:26,629 --> 01:25:24,880

um uh had worked on i mean i as i've

2316

01:25:30,149 --> 01:25:26,639

mentioned to you kind of the

2317

01:25:33,270 --> 01:25:30,159

uh the basic um structure of the book is

2318

01:25:36,550 --> 01:25:33,280

an analysis of brave new world by huxley

2319

01:25:39,669 --> 01:25:36,560

and um the dystopian

2320

01:25:40,950 --> 01:25:39,679

you know like world that that it

2321

01:25:44,550 --> 01:25:40,960

envisions

2322

01:25:46,390 --> 01:25:44,560

um is i think what is the uh end result

2323

01:25:47,110 --> 01:25:46,400

of the you know the whole covet process

2324

01:25:49,750 --> 01:25:47,120

so

2325

01:25:51,750 --> 01:25:49,760

that that's a complicated pro you know

2326

01:25:53,510 --> 01:25:51,760

story to go into but uh yeah that that's

2327

01:25:56,629 --> 01:25:53,520

kind of where the book is now it

2328

01:26:00,070 --> 01:25:56,639

you know it's um it

2329

01:26:02,870 --> 01:26:00,080

it just tries to summarize and to make

2330

01:26:04,390 --> 01:26:02,880

a conclusion to the other two books to

2331

01:26:06,629 --> 01:26:04,400

caesar's messiah and shakespeare's

2332

01:26:08,709 --> 01:26:06,639

secret messiah so that

2333

01:26:11,110 --> 01:26:08,719

you know my take on literature and on

2334

01:26:11,830 --> 01:26:11,120

and on the oligarchic use of literature

2335

01:26:15,270 --> 01:26:11,840

and history

2336

01:26:17,110 --> 01:26:15,280

um you know is um

2337

01:26:18,790 --> 01:26:17,120

uh something that the public has aware

2338

01:26:20,550 --> 01:26:18,800

of is aware of and uh

2339

01:26:22,070 --> 01:26:20,560

hopefully that'll be useful in dealing

2340

01:26:25,990 --> 01:26:22,080

things you know that

2341

01:26:26,470 --> 01:26:26,000

that we are given by by the media you

2342

01:26:30,390 --> 01:26:26,480

know as

2343

01:26:34,149 --> 01:26:30,400

as a terrifying and uh uh you know

2344

01:26:36,470 --> 01:26:34,159

and and things that we would give up our

2345

01:26:38,470 --> 01:26:36,480

freedom and give up our constitution

2346

01:26:39,750 --> 01:26:38,480

uh because of you know that's that's

2347

01:26:42,070 --> 01:26:39,760

what i'm hoping to

2348

01:26:44,149 --> 01:26:42,080

to bring and make people aware of at the

2349

01:26:46,709 --> 01:26:44,159

end of with this book

2350

01:26:48,310 --> 01:26:46,719

any thoughts of reviving the podcast i

2351

01:26:50,390 --> 01:26:48,320

used to really enjoy

2352

01:26:52,070 --> 01:26:50,400

what you occasionally put out there in

2353

01:26:55,669 --> 01:26:52,080

terms of more

2354

01:26:58,550 --> 01:26:55,679

up-to-date analysis of what's going on

2355

01:27:00,629 --> 01:26:58,560

well um if anyone wants to listen to

2356

01:27:02,830 --> 01:27:00,639

powers and principalities it's a weekly

2357

01:27:05,189 --> 01:27:02,840

podcast i do with tim kelly and it's

2358

01:27:06,950 --> 01:27:05,199

basically it covers just anything we're

2359

01:27:09,350 --> 01:27:06,960

interested in talking about

2360

01:27:12,229 --> 01:27:09,360

you know i i i have to apologize so this

2361

01:27:14,790 --> 01:27:12,239

is this is great i was able to find it

2362

01:27:15,590 --> 01:27:14,800

through a google search episode 160.

2363

01:27:18,550 --> 01:27:15,600

here we go

2364

01:27:20,870 --> 01:27:18,560

uh the legend of anthony fauci oh this

2365

01:27:23,910 --> 01:27:20,880

is great i can't wait

2366

01:27:25,750 --> 01:27:23,920

this is great okay i will have a link

2367

01:27:28,149 --> 01:27:25,760

i will correct this what i see is a

2368

01:27:31,350 --> 01:27:28,159

minor little glitch here by

2369

01:27:33,189 --> 01:27:31,360

putting a link but like you aren't even

2370

01:27:35,510 --> 01:27:33,199

no one would even know that this is you

2371

01:27:38,870 --> 01:27:35,520

powers and principalities episode 160

2372

01:27:39,750 --> 01:27:38,880

send to friends yeah you know it's funny

2373

01:27:42,070 --> 01:27:39,760

because um

2374

01:27:43,110 --> 01:27:42,080

what we find is that this avoids

2375

01:27:46,070 --> 01:27:43,120

censorship

2376

01:27:47,189 --> 01:27:46,080

when you put your name on and they have

2377

01:27:50,310 --> 01:27:47,199

it flagged

2378

01:27:52,950 --> 01:27:50,320

nothing i mean particularly youtube

2379

01:27:54,229 --> 01:27:52,960

because you youtube is really um you

2380

01:27:57,430 --> 01:27:54,239

know they want to prevent

2381

01:27:58,149 --> 01:27:57,440

discussion and analysis um and of course

2382

01:28:00,229 --> 01:27:58,159

we'll we'll

2383

01:28:01,669 --> 01:28:00,239

discuss everything and so therefore uh

2384

01:28:03,669 --> 01:28:01,679

you know they just try to

2385

01:28:05,030 --> 01:28:03,679

make it hard to get at and that's that's

2386

01:28:07,189 --> 01:28:05,040

this is how we get around it

2387

01:28:09,270 --> 01:28:07,199

most of the people who listen just do so

2388

01:28:09,990 --> 01:28:09,280

by subscription to tim's channel i think

2389

01:28:11,830 --> 01:28:10,000

there's like 20

2390

01:28:13,750 --> 01:28:11,840

000 people and it just goes out as an

2391

01:28:14,550 --> 01:28:13,760

email to them but then for the general

2392

01:28:16,950 --> 01:28:14,560

public

2393

01:28:17,750 --> 01:28:16,960

um they can find us through uh you know

2394

01:28:20,149 --> 01:28:17,760

that method

2395

01:28:22,310 --> 01:28:20,159

and then linking out to podomatic and

2396

01:28:25,189 --> 01:28:22,320

get getting it that way

2397

01:28:27,189 --> 01:28:25,199

awesome hey joe thank you so much for

2398

01:28:27,510 --> 01:28:27,199

the time today is there anything else we

2399

01:28:28,870 --> 01:28:27,520

should

2400

01:28:30,790 --> 01:28:28,880

i hope we can do it again let's do it

2401  
01:28:31,590 --> 01:28:30,800  
sooner i'd love to talk and there's so

2402  
01:28:33,350 --> 01:28:31,600  
many things

2403  
01:28:34,709 --> 01:28:33,360  
hopefully i'll have my voice back in a

2404  
01:28:37,189 --> 01:28:34,719  
week

2405  
01:28:39,350 --> 01:28:37,199  
well once you get the book out we should

2406  
01:28:41,189 --> 01:28:39,360  
just do

2407  
01:28:42,709 --> 01:28:41,199  
well that'll be there'll be controversy

2408  
01:28:45,830 --> 01:28:42,719  
when that comes out so uh

2409  
01:28:48,390 --> 01:28:45,840  
be a good time thanks again to joseph

2410  
01:28:50,790 --> 01:28:48,400  
atwell for joining me today on skeptico

2411  
01:28:51,830 --> 01:28:50,800  
the one question i'd have to tee up from

2412  
01:28:55,430 --> 01:28:51,840  
this interview

2413  
01:28:57,990 --> 01:28:55,440

is joe's question is the real tell

2414

01:28:59,510 --> 01:28:58,000

in the scientism biological robot

2415

01:29:03,110 --> 01:28:59,520

meaningless universe

2416

01:29:04,470 --> 01:29:03,120

meme what it does to us from a political

2417

01:29:06,950 --> 01:29:04,480

perspective

2418

01:29:07,830 --> 01:29:06,960

joe's point is that if you believe that

2419

01:29:10,390 --> 01:29:07,840

consciousness

2420

01:29:12,229 --> 01:29:10,400

is an illusion and that your existence

2421

01:29:15,189 --> 01:29:12,239

is absurd and meaningless

2422

01:29:17,990 --> 01:29:15,199

then how would you ever form a coherent

2423

01:29:19,990 --> 01:29:18,000

political perspective

2424

01:29:22,709 --> 01:29:20,000

i think that's quite a unique and

2425

01:29:26,070 --> 01:29:22,719

original insight from joe and i'd

2426

01:29:28,149 --> 01:29:26,080

love to hear what you think about it

2427

01:29:30,229 --> 01:29:28,159

so of course the best place to do that

2428

01:29:31,110 --> 01:29:30,239

for me is for you to come over to the

2429

01:29:34,470 --> 01:29:31,120

skeptico

2430

01:29:35,430 --> 01:29:34,480

forum and pop in there and make your

2431

01:29:38,310 --> 01:29:35,440

voice heard

2432

01:29:39,990 --> 01:29:38,320

so that i can find out what's on your

2433

01:29:43,830 --> 01:29:40,000

mind and i can grow from

2434

01:29:48,229 --> 01:29:46,229

if that's not your thing well that's not

2435

01:29:49,669 --> 01:29:48,239

your thing i hope you continue to listen

2436

01:29:50,790 --> 01:29:49,679

i think i have some really good shows

2437

01:29:53,590 --> 01:29:50,800

coming up

2438

01:29:56,229 --> 01:29:53,600

and i'm rounding out my interview series

2439

01:29:59,430 --> 01:29:56,239

on this book rival matters so

2440

01:30:02,310 --> 01:29:59,440

there will be a light at the end of this

2441

01:30:05,030 --> 01:30:02,320

evil tunnel but i don't know i can't

2442

01:30:07,750 --> 01:30:05,040

really promise how far out that might be

2443

01:30:09,110 --> 01:30:07,760

stick around anyway we'll have fun we'll

2444

01:30:13,090 --> 01:30:09,120

do something

2445

01:30:18,830 --> 01:30:13,100

until next time take care and bye for
