1
00:00:07,110 --> 00:00:03,030
the tide is turning against

2
00:00:14,390 --> 00:00:10,230
our movement didn't start in washington

3
00:00:17,990 --> 00:00:16,630
that's a clip from the netflix series

4
00:00:20,790 --> 00:00:18,000
mrs america

5
00:00:22,710 --> 00:00:20,800
a fictionalized account of gloria

6
00:00:25,269 --> 00:00:22,720
steinem's role in the women's

7
00:00:26,550 --> 00:00:25,279
movement this is a topic i've touched on

8
00:00:29,589 --> 00:00:26,560
a couple times in this show

9
00:00:32,389 --> 00:00:29,599
and i probably way over did it in this

10
00:00:33,510 --> 00:00:32,399
episode with the very excellent dr gail

11
00:00:37,030 --> 00:00:33,520
kimball

12
00:00:41,190 --> 00:00:37,040
but i think this idea of being

13
00:00:43,590 --> 00:00:41,200

able to understand how psyops

14

00:00:44,549 --> 00:00:43,600

might change the way we look at

15

00:00:47,510 --> 00:00:44,559

everything

16

00:00:48,869 --> 00:00:47,520

including our current understanding of

17

00:00:51,910 --> 00:00:48,879

consciousness

18

00:00:54,549 --> 00:00:51,920

needs to be the starting point for

19

00:00:55,990 --> 00:00:54,559

so many of the conversations we have on

20

00:00:57,750 --> 00:00:56,000

skeptico

21

00:01:00,790 --> 00:00:57,760

here's a clip from the upcoming

22

00:01:07,190 --> 00:01:04,630

so if you're asking me do i

23

00:01:09,190 --> 00:01:07,200

think there's a psyop all i can say is i

24

00:01:10,230 --> 00:01:09,200

don't have enough information to know i

25

00:01:13,190 --> 00:01:10,240

can't tell you

26
00:01:13,590 --> 00:01:13,200
yes i believe in it because i don't know

27
00:01:16,550 --> 00:01:13,600
who

28
00:01:17,670 --> 00:01:16,560
it is that these mysterious manipulators

29
00:01:20,870 --> 00:01:17,680
are

30
00:01:23,590 --> 00:01:20,880
i'm inviting you to push back as

31
00:01:25,109 --> 00:01:23,600
hard as you can on this destroy the

32
00:01:26,789 --> 00:01:25,119
narrative that i just laid out

33
00:01:29,190 --> 00:01:26,799
destroy the narrative that gloria

34
00:01:31,350 --> 00:01:29,200
steinem was a lifetime cia player

35
00:01:32,469 --> 00:01:31,360
because the answer you gave me in the

36
00:01:34,789 --> 00:01:32,479
email

37
00:01:36,710 --> 00:01:34,799
gail it was so completely inadequate it

38
00:01:37,350 --> 00:01:36,720

was the opposite of everything we should

39

00:01:40,390 --> 00:01:37,360

be about

40

00:01:42,630 --> 00:01:40,400

because what you said was i don't

41

00:01:43,510 --> 00:01:42,640

care because she did a lot of good

42

00:01:46,870 --> 00:01:43,520

things

43

00:01:49,910 --> 00:01:46,880

we must never succumb to

44

00:01:52,630 --> 00:01:49,920

i don't care about the manipulators

45

00:01:53,990 --> 00:01:52,640

i don't care how i'm being controlled i

46

00:01:56,389 --> 00:01:54,000

only could care about

47

00:01:57,990 --> 00:01:56,399

what they give me at the end we must

48

00:02:00,950 --> 00:01:58,000

never succumb to that we must

49

00:02:02,950 --> 00:02:00,960

always be about the truth welcome to

50

00:02:04,870 --> 00:02:02,960

skeptico where we explore controversial

51
00:02:07,109 --> 00:02:04,880
science and spirituality

52
00:02:08,150 --> 00:02:07,119
with leading researchers thinkers and

53
00:02:10,949 --> 00:02:08,160
their critics

54
00:02:12,229 --> 00:02:10,959
i'm your host alex cicaras and today we

55
00:02:15,350 --> 00:02:12,239
welcome dr gail

56
00:02:16,309 --> 00:02:15,360
kimball to skeptico gail is a professor

57
00:02:19,430 --> 00:02:16,319
ameriti

58
00:02:21,510 --> 00:02:19,440
from uc chico and was the first

59
00:02:22,309 --> 00:02:21,520
coordinator of their women's studies

60
00:02:24,949 --> 00:02:22,319
program

61
00:02:25,670 --> 00:02:24,959
she's also a nautilus award-winning

62
00:02:27,430 --> 00:02:25,680
author

63
00:02:29,830 --> 00:02:27,440

we're going to talk about some of her

64

00:02:31,190 --> 00:02:29,840

great books today

65

00:02:34,470 --> 00:02:31,200

and you know one of the great things

66

00:02:37,910 --> 00:02:34,480

about gail is she is familiar with the

67

00:02:44,229 --> 00:02:40,309

you did you know do you remember that i

68

00:02:49,509 --> 00:02:47,910

last year so i'm very familiar

69

00:02:50,949 --> 00:02:49,519

i i do and i really appreciate it i

70

00:02:54,070 --> 00:02:50,959

think we have a good chat

71

00:02:56,790 --> 00:02:54,080

and i i really look forward to having uh

72

00:02:58,630 --> 00:02:56,800

that kind of chat again today because

73

00:03:01,509 --> 00:02:58,640

you know as i just mentioned

74

00:03:02,390 --> 00:03:01,519

you you have these books that are really

75

00:03:04,550 --> 00:03:02,400

right up

76

00:03:06,790 --> 00:03:04,560

our alley here at skeptico and the kind

77

00:03:08,790 --> 00:03:06,800

of stuff that you know we talk about

78

00:03:10,470 --> 00:03:08,800

and that you're passionate about too in

79

00:03:12,869 --> 00:03:10,480

terms of materialism

80

00:03:13,509 --> 00:03:12,879

reality consciousness and all the rest

81

00:03:17,750 --> 00:03:13,519

of that

82

00:03:19,670 --> 00:03:17,760

so let's start then by at least

83

00:03:21,830 --> 00:03:19,680

describing these books talk about what

84

00:03:24,949 --> 00:03:21,840

they're about mysteries of reality

85

00:03:28,309 --> 00:03:24,959

mysteries of knowledge beyond our senses

86

00:03:30,390 --> 00:03:28,319

and mysteries of healing the mysteries

87

00:03:31,509 --> 00:03:30,400

trilogy but it's really quite an

88

00:03:33,990 --> 00:03:31,519

accomplishment and

89

00:03:35,110 --> 00:03:34,000

the list of people that you've

90

00:03:37,670 --> 00:03:35,120

interviewed for this

91

00:03:39,350 --> 00:03:37,680

for these books is super impressive and

92

00:03:41,030 --> 00:03:39,360

will be known to

93

00:03:42,869 --> 00:03:41,040

a lot of people who listen to the show

94

00:03:44,869 --> 00:03:42,879

will immediately recognize

95

00:03:46,070 --> 00:03:44,879

so many of the folks that you've talked

96

00:03:48,070 --> 00:03:46,080

to so

97

00:03:49,670 --> 00:03:48,080

tell us about this project how you got

98

00:03:51,030 --> 00:03:49,680

started on it and

99

00:03:53,910 --> 00:03:51,040

what people are going to find when they

100

00:04:00,309 --> 00:03:57,910

the way it started is i do energy work

101
00:04:01,110 --> 00:04:00,319
and i was trained to do clairvoyant and

102
00:04:03,509 --> 00:04:01,120
healing work

103
00:04:04,869 --> 00:04:03,519
with techniques from the berkeley

104
00:04:07,149 --> 00:04:04,879
psychic institute

105
00:04:08,789 --> 00:04:07,159
and it's all with intention and

106
00:04:11,750 --> 00:04:08,799
visualization

107
00:04:14,070 --> 00:04:11,760
and it's not hands-on and so i wanted

108
00:04:18,069 --> 00:04:14,080
something as part of my

109
00:04:20,550 --> 00:04:18,079
personal practice that involved the body

110
00:04:23,270 --> 00:04:20,560
in a more specific way so i was really

111
00:04:26,310 --> 00:04:23,280
drawn to the energy psychologies

112
00:04:28,390 --> 00:04:26,320
where you tap on acupressure points

113
00:04:30,150 --> 00:04:28,400

and work with the meridians and that

114

00:04:33,110 --> 00:04:30,160

kind of thing

115

00:04:35,990 --> 00:04:33,120

so i went to the canadian energy

116

00:04:39,270 --> 00:04:36,000

psychology conference in toronto

117

00:04:41,030 --> 00:04:39,280

in november of 2018

118

00:04:42,790 --> 00:04:41,040

and you know i've been to all kinds of

119

00:04:45,670 --> 00:04:42,800

those conferences before

120

00:04:47,110 --> 00:04:45,680

the science and consciousness kind of

121

00:04:50,390 --> 00:04:47,120

conferences but

122

00:04:50,909 --> 00:04:50,400

it just struck me here are these people

123

00:04:53,909 --> 00:04:50,919

with

124

00:04:57,110 --> 00:04:53,919

phds and mds

125

00:05:00,070 --> 00:04:57,120

who are doing distant healing and

126
00:05:01,029 --> 00:05:00,080
it just it's so unusual in terms of the

127
00:05:04,469 --> 00:05:01,039
dominant

128
00:05:05,189 --> 00:05:04,479
materialist paradigm of how scientists

129
00:05:08,150 --> 00:05:05,199
and

130
00:05:10,310 --> 00:05:08,160
graduate school educated people are in

131
00:05:12,629 --> 00:05:10,320
their belief system i thought

132
00:05:14,710 --> 00:05:12,639
i've got to talk to these people i need

133
00:05:15,830 --> 00:05:14,720
to explore more how you can have the

134
00:05:19,189 --> 00:05:15,840
courage

135
00:05:19,990 --> 00:05:19,199
to oppose the dominant paradigm that

136
00:05:24,390 --> 00:05:20,000
says

137
00:05:27,749 --> 00:05:24,400
doing research in psy phenomena is like

138
00:05:31,670 --> 00:05:27,759

why would you want to study can pigs fly

139

00:05:32,230 --> 00:05:31,680

alcon and reber they obviously we don't

140

00:05:34,070 --> 00:05:32,240

study

141

00:05:35,830 --> 00:05:34,080

pig slime because they don't fly they

142

00:05:36,710 --> 00:05:35,840

have the same attitudes towards psy

143

00:05:39,189 --> 00:05:36,720

phenomena

144

00:05:40,150 --> 00:05:39,199

so it takes a lot of guts to do this

145

00:05:42,950 --> 00:05:40,160

kind of

146

00:05:43,270 --> 00:05:42,960

research and writing so i wanted to find

147

00:05:46,230 --> 00:05:43,280

out

148

00:05:47,270 --> 00:05:46,240

personally why they have that kind of

149

00:05:50,469 --> 00:05:47,280

courage

150

00:05:53,830 --> 00:05:50,479

because most academics i would say don't

151
00:05:57,270 --> 00:05:53,840
and i wanted to see what they could

152
00:06:00,870 --> 00:05:57,280
tell us about what's real and i i think

153
00:06:03,350 --> 00:06:00,880
you and i share a quest that we assume

154
00:06:05,110 --> 00:06:03,360
a lot of people do that maybe they don't

155
00:06:08,870 --> 00:06:05,120
as to why are we here

156
00:06:11,990 --> 00:06:08,880
what's the meaning of life um how does

157
00:06:15,110 --> 00:06:12,000
reality work what's real and

158
00:06:16,550 --> 00:06:15,120
so i had those two two goals in mind who

159
00:06:18,950 --> 00:06:16,560
are they as people

160
00:06:20,070 --> 00:06:18,960
that they have this kind of courage and

161
00:06:23,670 --> 00:06:20,080
what can they

162
00:06:25,350 --> 00:06:23,680
tell us about what's real

163
00:06:26,710 --> 00:06:25,360

let me ask you this because you know

164

00:06:29,990 --> 00:06:26,720

even in what you're saying there

165

00:06:32,230 --> 00:06:30,000

you're kind of playing with a very very

166

00:06:33,189 --> 00:06:32,240

central theme to this whole project that

167

00:06:36,469 --> 00:06:33,199

i've been about

168

00:06:39,350 --> 00:06:36,479

in that you're talking about the bravery

169

00:06:41,029 --> 00:06:39,360

of these scientists to go against the

170

00:06:43,029 --> 00:06:41,039

dominant paradigm

171

00:06:45,590 --> 00:06:43,039

and i think what's implied in that is

172

00:06:48,629 --> 00:06:45,600

this understanding that we have

173

00:06:49,830 --> 00:06:48,639

that you have that i have and for me

174

00:06:54,950 --> 00:06:49,840

it's come

175

00:06:56,950 --> 00:06:54,960

interviews a lot of time i've

176

00:06:58,309 --> 00:06:56,960

railed against this idea could these

177

00:07:00,469 --> 00:06:58,319

could this really be

178

00:07:01,990 --> 00:07:00,479

wrong this dominant paradigm and i think

179

00:07:03,430 --> 00:07:02,000

you've come to the same conclusion

180

00:07:04,550 --> 00:07:03,440

so what do you think about that what's

181

00:07:05,589 --> 00:07:04,560

going through your mind at that

182

00:07:07,270 --> 00:07:05,599

conference when you're talking about

183

00:07:09,189 --> 00:07:07,280

bravery

184

00:07:11,670 --> 00:07:09,199

it sounds like you've settled on the

185

00:07:13,909 --> 00:07:11,680

idea that that dominant paradigm is

186

00:07:17,029 --> 00:07:13,919

flawed right is that true

187

00:07:18,150 --> 00:07:17,039

i think we can just stick in the realm

188

00:07:21,110 --> 00:07:18,160

of science

189

00:07:22,230 --> 00:07:21,120

and quantum physicists have said from

190

00:07:26,150 --> 00:07:22,240

the beginning of the

191

00:07:26,790 --> 00:07:26,160

last century that the reality is we know

192

00:07:34,070 --> 00:07:26,800

it

193

00:07:37,350 --> 00:07:34,080

frequencies there could be 11 dimensions

194

00:07:38,070 --> 00:07:37,360

there's multi-worlds atoms don't really

195

00:07:43,990 --> 00:07:38,080

exist

196

00:07:46,230 --> 00:07:44,000

many worlds of potentiality

197

00:07:47,749 --> 00:07:46,240

so quantum physicists were telling us

198

00:07:51,189 --> 00:07:47,759

that that

199

00:07:52,230 --> 00:07:51,199

you think that time is linear there's no

200

00:07:55,430 --> 00:07:52,240

such thing as

201

00:07:57,909 --> 00:07:55,440

precognition or retrocausality

202

00:07:59,670 --> 00:07:57,919

no quantum physics tells it is so

203

00:08:02,950 --> 00:07:59,680

everything we know about time

204

00:08:03,990 --> 00:08:02,960

space future past what's real what's

205

00:08:06,390 --> 00:08:04,000

material

206

00:08:07,350 --> 00:08:06,400

quantum physics is just blew it up in

207

00:08:09,430 --> 00:08:07,360

our faces

208

00:08:10,469 --> 00:08:09,440

so we don't have to go into metaphysics

209

00:08:14,070 --> 00:08:10,479

we can just

210

00:08:15,270 --> 00:08:14,080

stick with with them and einstein said

211

00:08:17,990 --> 00:08:15,280

imagination

212

00:08:19,350 --> 00:08:18,000

is what counts he was a very spiritual

213

00:08:21,110 --> 00:08:19,360

person

214

00:08:22,469 --> 00:08:21,120

right and maybe you want to tell folks a

215

00:08:25,110 --> 00:08:22,479

little bit about how you

216

00:08:26,629 --> 00:08:25,120

approach that in your books in these

217

00:08:27,909 --> 00:08:26,639

three books you're talking about because

218

00:08:30,469 --> 00:08:27,919

really when we talk about quantum

219

00:08:31,029 --> 00:08:30,479

physics it immediately throws people off

220

00:08:33,269 --> 00:08:31,039

it's like

221

00:08:34,149 --> 00:08:33,279

you're reaching for some kind of woo-woo

222

00:08:36,230 --> 00:08:34,159

science

223

00:08:37,430 --> 00:08:36,240

what i think you do in the book through

224

00:08:39,029 --> 00:08:37,440

your many

225

00:08:40,709 --> 00:08:39,039

interviews with and you maybe want to

226

00:08:43,589 --> 00:08:40,719

mention some of these top

227

00:08:44,870 --> 00:08:43,599

researchers is take it in all the

228

00:08:48,389 --> 00:08:44,880

different ways

229

00:08:50,070 --> 00:08:48,399

that this paradigm is really

230

00:08:51,750 --> 00:08:50,080

i don't want to say destroyed or

231

00:08:53,350 --> 00:08:51,760

falsified but it is

232

00:08:55,509 --> 00:08:53,360

and and i would go back and say that the

233

00:08:56,710 --> 00:08:55,519

whole thing is really it was so absurd

234

00:09:00,230 --> 00:08:56,720

from the beginning

235

00:09:01,269 --> 00:09:00,240

it almost doesn't do it right to kind of

236

00:09:03,350 --> 00:09:01,279

prop it up and

237

00:09:04,870 --> 00:09:03,360

and try and meticulously tear it apart

238

00:09:06,470 --> 00:09:04,880

yet that's what we have to do that's

239

00:09:07,190 --> 00:09:06,480

what you do in the books and piling on

240

00:09:10,870 --> 00:09:07,200

this data

241

00:09:12,310 --> 00:09:10,880

yes um i'm thinking of a nobel prize

242

00:09:15,190 --> 00:09:12,320

winner in physics for

243

00:09:15,829 --> 00:09:15,200

quantum tunneling brian josephson he's

244

00:09:18,070 --> 00:09:15,839

one of the

245

00:09:18,870 --> 00:09:18,080

the people that i interviewed in the

246

00:09:21,990 --> 00:09:18,880

book

247

00:09:25,030 --> 00:09:22,000

and he talks about consensus

248

00:09:28,389 --> 00:09:25,040

science so he faults

249

00:09:31,670 --> 00:09:28,399

science today for only

250

00:09:33,750 --> 00:09:31,680

sticking to what's the party line just

251
00:09:35,269 --> 00:09:33,760
just we agree that everything is

252
00:09:36,710 --> 00:09:35,279
material

253
00:09:38,949 --> 00:09:36,720
there's the hard problem of

254
00:09:42,470 --> 00:09:38,959
consciousness but we don't get into that

255
00:09:46,470 --> 00:09:42,480
we just shut up and calculate because

256
00:09:49,190 --> 00:09:46,480
we are in a dogma our blinders say

257
00:09:50,870 --> 00:09:49,200
the only thing that exists is material

258
00:09:53,829 --> 00:09:50,880
so josephson

259
00:09:54,870 --> 00:09:53,839
says no that that's ridiculous science

260
00:09:59,310 --> 00:09:54,880
leaves out

261
00:10:03,269 --> 00:09:59,320
so many phenomena and ignores it like

262
00:10:06,310 --> 00:10:03,279
parapsychology or the memory of water

263
00:10:07,190 --> 00:10:06,320

or the the systems that exist in all of

264

00:10:10,790 --> 00:10:07,200

nature

265

00:10:14,630 --> 00:10:10,800

so um we don't have to go very

266

00:10:15,670 --> 00:10:14,640

far to find outstanding award-winning

267

00:10:18,230 --> 00:10:15,680

scientists

268

00:10:20,310 --> 00:10:18,240

who critique the dominant paradigm but

269

00:10:22,949 --> 00:10:20,320

he's been really punished for it

270

00:10:25,190 --> 00:10:22,959

because josephine said in in our

271

00:10:28,389 --> 00:10:25,200

interview in the in his chapter

272

00:10:31,590 --> 00:10:28,399

that his graduate students

273

00:10:32,150 --> 00:10:31,600

are advised not to work with him so his

274

00:10:34,069 --> 00:10:32,160

research

275

00:10:35,590 --> 00:10:34,079

has been really slowed because he

276

00:10:39,030 --> 00:10:35,600

doesn't have the brain

277

00:10:41,110 --> 00:10:39,040

power of graduate students to help him

278

00:10:42,310 --> 00:10:41,120

so he he's been his hand has been

279

00:10:46,069 --> 00:10:42,320

slapped in

280

00:10:49,190 --> 00:10:46,079

many ways for critiquing consensus

281

00:10:49,750 --> 00:10:49,200

science boy oh boy you've just kind of

282

00:10:52,550 --> 00:10:49,760

led me

283

00:10:54,069 --> 00:10:52,560

into kind of one of the central themes i

284

00:10:56,949 --> 00:10:54,079

wanted to talk about

285

00:10:58,470 --> 00:10:56,959

in our conversation today because again

286

00:10:59,990 --> 00:10:58,480

you know the skeptical drill and i like

287

00:11:03,110 --> 00:11:00,000

kind of getting to that

288

00:11:05,110 --> 00:11:03,120

level three analysis of things and it's

289

00:11:06,710 --> 00:11:05,120

taken me a long time to get here i mean

290

00:11:08,230 --> 00:11:06,720

i've been at this for over 10 years

291

00:11:09,910 --> 00:11:08,240

hundreds and hundreds of interviews

292

00:11:11,269 --> 00:11:09,920

just going down the lines that you're

293

00:11:12,150 --> 00:11:11,279

going down go talk to the best

294

00:11:14,230 --> 00:11:12,160

scientists

295

00:11:16,790 --> 00:11:14,240

go talk to the people that oppose them

296

00:11:19,030 --> 00:11:16,800

and try and sort this out

297

00:11:21,430 --> 00:11:19,040

but i'll tell you what gail after doing

298

00:11:24,310 --> 00:11:21,440

that for years

299

00:11:25,829 --> 00:11:24,320

i really have to wonder if there isn't

300

00:11:29,350 --> 00:11:25,839

something more going on

301
00:11:32,310 --> 00:11:29,360
and if that more part isn't really

302
00:11:33,910 --> 00:11:32,320
central to what's going on i want to

303
00:11:34,790 --> 00:11:33,920
play for you a clip i did from an

304
00:11:37,190 --> 00:11:34,800
interview

305
00:11:38,230 --> 00:11:37,200
with david ike do you know who david ike

306
00:11:40,949 --> 00:11:38,240
is

307
00:11:42,389 --> 00:11:40,959
right the reptile guy the good the

308
00:11:44,550 --> 00:11:42,399
reptile guy well he

309
00:11:46,069 --> 00:11:44,560
he's more than the reptile guy he's also

310
00:11:49,110 --> 00:11:46,079
someone who has recently

311
00:11:53,030 --> 00:11:49,120
banned on youtube and facebook

312
00:11:55,590 --> 00:11:53,040
for advocating free speech free thought

313
00:11:57,110 --> 00:11:55,600

advocating love your enemy one of the

314

00:11:59,590 --> 00:11:57,120

things that he recommends

315

00:12:00,310 --> 00:11:59,600

doing to the people who oppose him is

316

00:12:03,590 --> 00:12:00,320

not

317

00:12:05,190 --> 00:12:03,600

respond to them with anger or any of the

318

00:12:07,829 --> 00:12:05,200

negative energy they bring

319

00:12:08,310 --> 00:12:07,839

but just to respond to them with love

320

00:12:10,470 --> 00:12:08,320

because

321

00:12:11,990 --> 00:12:10,480

that's what consciousness is all about

322

00:12:15,269 --> 00:12:12,000

so let me play this

323

00:12:15,990 --> 00:12:15,279

clip from david ike in my interview with

324

00:12:18,710 --> 00:12:16,000

him that i think

325

00:12:20,949 --> 00:12:18,720

will tee up exactly what we were just

326

00:12:23,990 --> 00:12:20,959

talking about

327

00:12:27,509 --> 00:12:24,000

you were one of the first people to

328

00:12:29,509 --> 00:12:27,519

really blow the whistle on this fake

329

00:12:31,910 --> 00:12:29,519

scientific understanding of

330

00:12:34,629 --> 00:12:31,920

consciousness and its insistence

331

00:12:35,990 --> 00:12:34,639

that we are biological robots in a

332

00:12:38,470 --> 00:12:36,000

meaningless universe

333

00:12:39,670 --> 00:12:38,480

and we should accept our empty lives and

334

00:12:42,230 --> 00:12:39,680

just get on with it

335

00:12:45,110 --> 00:12:42,240

what you've just described is the

336

00:12:47,590 --> 00:12:45,120

foundation to mass human control

337

00:12:48,949 --> 00:12:47,600

without which mass human control cannot

338

00:12:52,870 --> 00:12:48,959

happen

339

00:12:55,910 --> 00:12:52,880

because if you know that you are

340

00:12:56,710 --> 00:12:55,920

in your true eye an expression of

341

00:12:59,350 --> 00:12:56,720

consciousness

342

00:13:01,110 --> 00:12:59,360

a point of attention within an infinite

343

00:13:03,110 --> 00:13:01,120

flow of consciousness

344

00:13:04,629 --> 00:13:03,120

then there's no way that a handful of

345

00:13:06,230 --> 00:13:04,639

psychopaths and

346

00:13:08,550 --> 00:13:06,240

idiots which is basically the

347

00:13:11,670 --> 00:13:08,560

combination that runs the world

348

00:13:13,750 --> 00:13:11,680

can impose themselves on your life in

349

00:13:15,269 --> 00:13:13,760

the way that you will acquiesce to

350

00:13:19,110 --> 00:13:15,279

whatever they tell you

351
00:13:22,150 --> 00:13:19,120
you won't do it because you know

352
00:13:24,629 --> 00:13:22,160
you are consciousness you know you are

353
00:13:27,430 --> 00:13:24,639
an infinite expression of consciousness

354
00:13:28,870 --> 00:13:27,440
and that will never allow itself to be

355
00:13:32,949 --> 00:13:28,880
subjugated

356
00:13:36,310 --> 00:13:32,959
and uh intimidated into submission

357
00:13:39,430 --> 00:13:36,320
okay so gail what do you think is this

358
00:13:41,590 --> 00:13:39,440
biological robot meaningless universe

359
00:13:43,430 --> 00:13:41,600
materialism that we're talking about is

360
00:13:47,110 --> 00:13:43,440
it part of a

361
00:13:49,509 --> 00:13:47,120
mind control meme is it a psyop

362
00:13:50,790 --> 00:13:49,519
you know is it a psychological operation

363
00:13:53,990 --> 00:13:50,800

or is it just

364

00:13:55,189 --> 00:13:54,000

you know boy's gone wild science boys

365

00:13:57,350 --> 00:13:55,199

just oh my gosh

366

00:13:59,189 --> 00:13:57,360

they fumbled that one again they can't

367

00:14:02,069 --> 00:13:59,199

seem to understand

368

00:14:02,790 --> 00:14:02,079

the double slit experiment oh golly g

369

00:14:06,470 --> 00:14:02,800

what do you think

370

00:14:09,189 --> 00:14:06,480

psyop or just you know well

371

00:14:11,189 --> 00:14:09,199

bernardo castro is one of the people in

372

00:14:13,509 --> 00:14:11,199

the book who's really well known now

373

00:14:15,590 --> 00:14:13,519

writing articles for scientific american

374

00:14:18,470 --> 00:14:15,600

about the the paradigm shift

375

00:14:19,509 --> 00:14:18,480

um he says that the masses of people

376

00:14:22,389 --> 00:14:19,519

walk around

377

00:14:23,110 --> 00:14:22,399

in a kind of haze and it's kind of like

378

00:14:40,550 --> 00:14:23,120

a

379

00:14:43,110 --> 00:14:40,560

or self-responsibility

380

00:14:44,310 --> 00:14:43,120

in some ways it negates free will to say

381

00:14:47,350 --> 00:14:44,320

we're only the

382

00:14:50,470 --> 00:14:47,360

result of our chemical processes

383

00:14:53,509 --> 00:14:50,480

so yes i think the masses of people

384

00:14:57,110 --> 00:14:53,519

are kind of stupid in

385

00:14:59,670 --> 00:14:57,120

drinking beer and watching fox news and

386

00:15:00,470 --> 00:14:59,680

whatever ways they self-medicate from

387

00:15:03,990 --> 00:15:00,480

their

388

00:15:07,189 --> 00:15:04,000

pain but your question is itself

389

00:15:10,790 --> 00:15:07,199

is it social engineered as you call it

390

00:15:14,069 --> 00:15:10,800

or is it just people being

391

00:15:17,189 --> 00:15:14,079

resistant to change um

392

00:15:21,269 --> 00:15:17,199

well a lot of people think that that the

393

00:15:23,189 --> 00:15:21,279

wealthy elite have engineered the system

394

00:15:26,069 --> 00:15:23,199

in a way that they're dominant

395

00:15:28,069 --> 00:15:26,079

and we know that that that society

396

00:15:31,749 --> 00:15:28,079

globally has gotten more and more

397

00:15:35,110 --> 00:15:31,759

unequal there's more and more hunger

398

00:15:37,590 --> 00:15:35,120

there's more and more autocrats um

399

00:15:39,189 --> 00:15:37,600

so some people think it's deliberately

400

00:15:42,389 --> 00:15:39,199

intelligently

401
00:15:46,389 --> 00:15:42,399
engineered and others don't i

402
00:15:46,949 --> 00:15:46,399
i i think what matters is that we resist

403
00:15:50,389 --> 00:15:46,959
it

404
00:15:53,110 --> 00:15:50,399
and and don't accept that we're

405
00:15:54,310 --> 00:15:53,120
those kind of robots who don't think and

406
00:15:58,230 --> 00:15:54,320
question and

407
00:16:01,110 --> 00:15:58,240
have responsibility for our actions

408
00:16:03,189 --> 00:16:01,120
gail if we don't come down with a

409
00:16:04,790 --> 00:16:03,199
decision as to whether or not it's a

410
00:16:07,670 --> 00:16:04,800
psyop

411
00:16:07,990 --> 00:16:07,680
how would we resist it what would be

412
00:16:10,870 --> 00:16:08,000
what

413
00:16:13,509 --> 00:16:10,880

would we be resisting if we don't

414

00:16:17,269 --> 00:16:13,519

understand that this is some kind of

415

00:16:20,230 --> 00:16:17,279

engineered plan to make us feel hopeless

416

00:16:22,949 --> 00:16:20,240

afraid make us feel meaningless make us

417

00:16:24,790 --> 00:16:22,959

feel less powerful if that is somehow

418

00:16:27,269 --> 00:16:24,800

being engineered as

419

00:16:29,829 --> 00:16:27,279

part of a social engineering project

420

00:16:33,509 --> 00:16:29,839

then i think we would respond one way

421

00:16:34,710 --> 00:16:33,519

if it's just a genuine misunderstanding

422

00:16:37,509 --> 00:16:34,720

by some guys who

423

00:16:39,350 --> 00:16:37,519

interpreted the data the wrong way i

424

00:16:41,990 --> 00:16:39,360

think we would respond in a completely

425

00:16:45,350 --> 00:16:42,000

different way wouldn't you agree

426
00:16:49,189 --> 00:16:45,360
um no because i think that the issue

427
00:16:52,230 --> 00:16:49,199
is that we follow real science

428
00:16:54,230 --> 00:16:52,240
not not consensus science but real

429
00:16:57,350 --> 00:16:54,240
science that looks at evidence

430
00:16:58,949 --> 00:16:57,360
looks at facts um says if you have

431
00:17:01,350 --> 00:16:58,959
thousands of double-blind

432
00:17:02,389 --> 00:17:01,360
studies that are repeated as in dean

433
00:17:05,669 --> 00:17:02,399
rayden's work

434
00:17:08,710 --> 00:17:05,679
then you pay attention to it so i think

435
00:17:10,710 --> 00:17:08,720
sticking to science is um can

436
00:17:12,949 --> 00:17:10,720
can solve the problem because it's hard

437
00:17:15,829 --> 00:17:12,959
to prove that it's socially engineered

438
00:17:17,590 --> 00:17:15,839

except that i'm thinking we know i think

439

00:17:21,510 --> 00:17:17,600

it's proven that

440

00:17:24,870 --> 00:17:21,520

commercials media manipulates us to feel

441

00:17:25,669 --> 00:17:24,880

inadequate so if i want to be more

442

00:17:27,909 --> 00:17:25,679

feminine

443

00:17:30,310 --> 00:17:27,919

i'll buy this lipstick and if you want

444

00:17:33,590 --> 00:17:30,320

to be more masculine you'll buy this

445

00:17:36,470 --> 00:17:33,600

sports car so definitely media

446

00:17:37,990 --> 00:17:36,480

i think that's proven manipulates us to

447

00:17:40,390 --> 00:17:38,000

feel insecure

448

00:17:41,270 --> 00:17:40,400

and inadequate so we'll buy their

449

00:17:43,990 --> 00:17:41,280

products

450

00:17:45,990 --> 00:17:44,000

so that's i think that's evident it's

451
00:17:49,270 --> 00:17:46,000
not as evident that there's a small

452
00:17:49,990 --> 00:17:49,280
elite um keeping us dumbed down so they

453
00:17:53,110 --> 00:17:50,000
can

454
00:17:55,669 --> 00:17:53,120
rule the world well

455
00:17:57,270 --> 00:17:55,679
you know backing up on the small elite

456
00:17:59,350 --> 00:17:57,280
rule the world thing

457
00:18:01,029 --> 00:17:59,360
well let's back off of that and just

458
00:18:04,310 --> 00:18:01,039
return to the idea

459
00:18:05,590 --> 00:18:04,320
of science and the you know because if

460
00:18:08,470 --> 00:18:05,600
you're saying that

461
00:18:10,870 --> 00:18:08,480
science can get us out of this mess

462
00:18:11,510 --> 00:18:10,880
again i'd kind of have to push back and

463
00:18:14,710 --> 00:18:11,520

say

464

00:18:17,750 --> 00:18:14,720

well really if we're to understand it

465

00:18:18,390 --> 00:18:17,760

as a psyop as a psychological mind

466

00:18:22,549 --> 00:18:18,400

control

467

00:18:26,070 --> 00:18:22,559

that we want

468

00:18:28,390 --> 00:18:26,080

in order to better run our society

469

00:18:30,150 --> 00:18:28,400

i can't see how we would not that

470

00:18:33,270 --> 00:18:30,160

wouldn't force us to

471

00:18:35,909 --> 00:18:33,280

approach it from a different perspective

472

00:18:37,190 --> 00:18:35,919

because then we would look at the tools

473

00:18:38,630 --> 00:18:37,200

of science

474

00:18:41,430 --> 00:18:38,640

in the way that it's working in the

475

00:18:44,549 --> 00:18:41,440

system as being part of the problem

476

00:18:46,070 --> 00:18:44,559

i actually think that's what your work

477

00:18:49,750 --> 00:18:46,080

in your books that we're talking about

478

00:18:53,430 --> 00:18:49,760

your mysteries trilogy reveals

479

00:18:56,390 --> 00:18:53,440

and even your story about josephson

480

00:18:57,430 --> 00:18:56,400

definitely reveals that it's a it's been

481

00:19:00,150 --> 00:18:57,440

systematized

482

00:19:00,870 --> 00:19:00,160

it's in the institution it's right when

483

00:19:04,150 --> 00:19:00,880

you break

484

00:19:05,750 --> 00:19:04,160

out you lose your funding you lose your

485

00:19:09,190 --> 00:19:05,760

associates you lose your

486

00:19:10,870 --> 00:19:09,200

interns so you don't get promoted

487

00:19:12,230 --> 00:19:10,880

don't get promoted you don't get hired

488

00:19:13,750 --> 00:19:12,240

you don't get tenure you don't get all

489

00:19:16,549 --> 00:19:13,760

the rest of that

490

00:19:17,350 --> 00:19:16,559

so at what point do you feel comfortable

491

00:19:19,350 --> 00:19:17,360

kind of saying

492

00:19:21,190 --> 00:19:19,360

okay there is something more to this

493

00:19:24,070 --> 00:19:21,200

than just

494

00:19:24,549 --> 00:19:24,080

gosh john boy's gone wild kind of thing

495

00:19:26,870 --> 00:19:24,559

who

496

00:19:28,789 --> 00:19:26,880

exactly do you think is doing the social

497

00:19:31,830 --> 00:19:28,799

engineering do you

498

00:19:35,190 --> 00:19:31,840

believe with ikey that it's reptilians

499

00:19:39,029 --> 00:19:35,200

who are ets or who who are these

500

00:19:42,390 --> 00:19:39,039

illuminati or who who are these cabal

501
00:19:43,990 --> 00:19:42,400
people that are manipulating us

502
00:19:46,310 --> 00:19:44,000
this is a this is a great question i

503
00:19:47,190 --> 00:19:46,320
love when people turn around and ask me

504
00:19:50,150 --> 00:19:47,200
questions and

505
00:19:51,029 --> 00:19:50,160
i'd say there's a good science principle

506
00:19:53,830 --> 00:19:51,039
here

507
00:19:55,590 --> 00:19:53,840
that needs to come into play one you're

508
00:19:57,270 --> 00:19:55,600
the one to talk about reptilians and

509
00:19:57,909 --> 00:19:57,280
illuminati i never brought up those

510
00:20:00,390 --> 00:19:57,919
topics

511
00:20:02,789 --> 00:20:00,400
but the science thing is at play the the

512
00:20:07,110 --> 00:20:02,799
science thing that is at play is that

513
00:20:08,870 --> 00:20:07,120

in order to falsify a theory

514

00:20:10,390 --> 00:20:08,880

i'm not required to replace it with

515

00:20:14,270 --> 00:20:10,400

another theory

516

00:20:17,270 --> 00:20:14,280

in order to falsify the idea that

517

00:20:18,870 --> 00:20:17,280

materialism biological robot meaningless

518

00:20:23,350 --> 00:20:18,880

universe

519

00:20:26,630 --> 00:20:23,360

mean is engineered

520

00:20:29,750 --> 00:20:26,640

all i have to do is show evidence like

521

00:20:31,750 --> 00:20:29,760

we're talking about here that one that

522

00:20:33,750 --> 00:20:31,760

kind of stuff does happen social

523

00:20:35,350 --> 00:20:33,760

engineering is in play and

524

00:20:37,110 --> 00:20:35,360

we're on board with that you talk about

525

00:20:39,190 --> 00:20:37,120

advertising and all the rest of that

526
00:20:40,230 --> 00:20:39,200
and then i can lay out the evidence for

527
00:20:42,950 --> 00:20:40,240
why we think

528
00:20:45,029 --> 00:20:42,960
why i think it's in play here like we

529
00:20:46,310 --> 00:20:45,039
just did with josephson or we could talk

530
00:20:48,630 --> 00:20:46,320
about

531
00:20:50,149 --> 00:20:48,640
the intentional deception that rupert

532
00:20:52,630 --> 00:20:50,159
sheldrick ran into

533
00:20:55,110 --> 00:20:52,640
or the you know laugh-in-your-face

534
00:20:58,789 --> 00:20:55,120
absurdity of dean raiden's

535
00:21:00,789 --> 00:20:58,799
multiply replicated experiments across

536
00:21:02,789 --> 00:21:00,799
many labs across the world that doesn't

537
00:21:04,789 --> 00:21:02,799
deserve the attention so i could pile up

538
00:21:06,870 --> 00:21:04,799

like i have over the years

539

00:21:08,549 --> 00:21:06,880

evidence upon evidence upon evidence

540

00:21:10,310 --> 00:21:08,559

like you have in your mysteries book

541

00:21:11,830 --> 00:21:10,320

and at some point i would maintain that

542

00:21:14,470 --> 00:21:11,840

then the burden of proof

543

00:21:15,990 --> 00:21:14,480

shifts over to someone else to say okay

544

00:21:19,590 --> 00:21:16,000

i've laid out the case

545

00:21:20,070 --> 00:21:19,600

that this is a psyop the burden proof is

546

00:21:24,789 --> 00:21:20,080

not

547

00:21:29,750 --> 00:21:27,510

um i'm thinking of some of my

548

00:21:30,710 --> 00:21:29,760

psychiatrists who are in the healing

549

00:21:33,750 --> 00:21:30,720

book

550

00:21:37,350 --> 00:21:33,760

and therapists discovered that there

551
00:21:38,710 --> 00:21:37,360
are entities who are negative and this

552
00:21:40,630 --> 00:21:38,720
ties in with your

553
00:21:43,029 --> 00:21:40,640
interest in evil and your book that's

554
00:21:46,789 --> 00:21:43,039
coming out in october about

555
00:21:48,870 --> 00:21:46,799
evil um so they they

556
00:21:49,909 --> 00:21:48,880
didn't initially believe in this kind of

557
00:21:53,270 --> 00:21:49,919
thing but they

558
00:21:56,549 --> 00:21:53,280
could see evidence and aura photos

559
00:21:59,590 --> 00:21:56,559
like um one of the psychiatrists

560
00:22:00,070 --> 00:21:59,600
did and so they concluded that there are

561
00:22:03,110 --> 00:22:00,080
these

562
00:22:06,230 --> 00:22:03,120
evil higher power

563
00:22:09,750 --> 00:22:06,240

or lower power entities out there that

564

00:22:14,070 --> 00:22:09,760

want evil for us

565

00:22:17,110 --> 00:22:14,080

so i um it's hard to get your

566

00:22:17,830 --> 00:22:17,120

rational left brain mind around that

567

00:22:20,470 --> 00:22:17,840

kind of thing

568

00:22:21,029 --> 00:22:20,480

but they they have experienced them work

569

00:22:24,149 --> 00:22:21,039

with them

570

00:22:29,750 --> 00:22:27,110

robert alcott psychiatrists says some of

571

00:22:33,350 --> 00:22:29,760

them he thinks are fallen angels

572

00:22:35,270 --> 00:22:33,360

who can be convinced to fall away from

573

00:22:37,830 --> 00:22:35,280

their evil masters

574

00:22:40,310 --> 00:22:37,840

and kind of come back to the light again

575

00:22:43,430 --> 00:22:40,320

and you use that expression the light

576

00:22:46,549 --> 00:22:43,440

versus the dark so um

577

00:22:49,750 --> 00:22:46,559

again so it's hard for your left brain

578

00:22:50,630 --> 00:22:49,760

common sense mind to grasp it or it is

579

00:22:53,990 --> 00:22:50,640

for mine

580

00:22:57,190 --> 00:22:54,000

but it does look like there are evil

581

00:22:57,669 --> 00:22:57,200

forces out there okay now you're coming

582

00:23:01,830 --> 00:22:57,679

into

583

00:23:04,870 --> 00:23:01,840

appreciate you mentioning that

584

00:23:05,430 --> 00:23:04,880

but i'm going to return us to this idea

585

00:23:08,230 --> 00:23:05,440

of the

586

00:23:09,750 --> 00:23:08,240

the psyop question because we don't know

587

00:23:13,870 --> 00:23:09,760

if it's true or not but

588

00:23:17,190 --> 00:23:13,880

is biological robot meaningless universe

589

00:23:20,070 --> 00:23:17,200

materialism is it a psyop

590

00:23:20,710 --> 00:23:20,080

i think that is such a central question

591

00:23:22,950 --> 00:23:20,720

and you know

592

00:23:24,230 --> 00:23:22,960

david ike the reptilian guy as you call

593

00:23:25,990 --> 00:23:24,240

them

594

00:23:27,510 --> 00:23:26,000

in my opinion the guy is one of the

595

00:23:30,390 --> 00:23:27,520

bravest

596

00:23:31,669 --> 00:23:30,400

thinkers of our time and that's why he

597

00:23:33,270 --> 00:23:31,679

was banned of course

598

00:23:35,190 --> 00:23:33,280

because he's brave and he just says

599

00:23:36,710 --> 00:23:35,200

stuff and then people go you can't say

600

00:23:38,470 --> 00:23:36,720

that you're not allowed to say that we

601
00:23:40,710 --> 00:23:38,480
gotta take you off of youtube

602
00:23:42,149 --> 00:23:40,720
because you said that but what he said

603
00:23:44,630 --> 00:23:42,159
so succinctly

604
00:23:45,750 --> 00:23:44,640
i feel like i was inadequate in spending

605
00:23:48,870 --> 00:23:45,760
all those years

606
00:23:50,789 --> 00:23:48,880
banging against you know uh

607
00:23:52,230 --> 00:23:50,799
you know all these skeptics and trying

608
00:23:55,590 --> 00:23:52,240
to challenge him and all that

609
00:23:57,990 --> 00:23:55,600
because if it is engineered in some way

610
00:23:59,669 --> 00:23:58,000
then it's really a different game so you

611
00:24:00,470 --> 00:23:59,679
know where i'm going with this gail

612
00:24:03,590 --> 00:24:00,480
because you are

613
00:24:05,750 --> 00:24:03,600

so nice and open and

614

00:24:07,669 --> 00:24:05,760

i do want to make sure that we don't go

615

00:24:10,230 --> 00:24:07,679

too far afield

616

00:24:11,510 --> 00:24:10,240

without returning people to these books

617

00:24:13,430 --> 00:24:11,520

because we haven't even talked about

618

00:24:15,990 --> 00:24:13,440

them and you're such a gracious guest

619

00:24:16,789 --> 00:24:16,000

you don't try and push us back to the

620

00:24:18,870 --> 00:24:16,799

book so

621

00:24:20,549 --> 00:24:18,880

i'm the one who's going to tell folks

622

00:24:21,510 --> 00:24:20,559

you do have to check out these books

623

00:24:24,630 --> 00:24:21,520

because

624

00:24:27,510 --> 00:24:24,640

all the people that gail is mentioning

625

00:24:28,390 --> 00:24:27,520

dr kimball has interviewed and put those

626

00:24:32,310 --> 00:24:28,400

interviews

627

00:24:34,950 --> 00:24:32,320

in the book so dean braden

628

00:24:36,710 --> 00:24:34,960

bernardo castro uh let's keep going is

629

00:24:39,269 --> 00:24:36,720

joe simpson in there

630

00:24:39,750 --> 00:24:39,279

yes joseph said what are some of the

631

00:24:43,190 --> 00:24:39,760

other

632

00:24:44,070 --> 00:24:43,200

big name jump off the page kind of

633

00:24:46,070 --> 00:24:44,080

people

634

00:24:47,350 --> 00:24:46,080

that uh you have in these books that

635

00:24:48,149 --> 00:24:47,360

people are going to find and that they

636

00:24:51,750 --> 00:24:48,159

can check out

637

00:24:54,789 --> 00:24:51,760

uh famous ones i would say um

638

00:24:57,110 --> 00:24:54,799

larry dossey larry dossie

639

00:24:57,830 --> 00:24:57,120

has been doing is really one of the

640

00:25:01,190 --> 00:24:57,840

leaders

641

00:25:04,310 --> 00:25:01,200

in healing and he's a doctor an

642

00:25:06,070 --> 00:25:04,320

md in texas who has

643

00:25:07,990 --> 00:25:06,080

gone against the system for the longest

644

00:25:08,789 --> 00:25:08,000

time and has compiled an incredible

645

00:25:11,430 --> 00:25:08,799

amount of

646

00:25:12,870 --> 00:25:11,440

very very compelling evidence he's not

647

00:25:13,990 --> 00:25:12,880

somebody you want to mess with because

648

00:25:17,510 --> 00:25:14,000

he knows his stuff

649

00:25:18,149 --> 00:25:17,520

who else um you know who i think is one

650

00:25:20,230 --> 00:25:18,159

of the most

651
00:25:22,470 --> 00:25:20,240
interesting i don't know how well known

652
00:25:25,269 --> 00:25:22,480
he is he's a sociology

653
00:25:25,909 --> 00:25:25,279
professor in new york and that's william

654
00:25:29,029 --> 00:25:25,919
benson

655
00:25:32,470 --> 00:25:29,039
have you had him on bankston healing

656
00:25:33,269 --> 00:25:32,480
phenomenal unbelievable again we have

657
00:25:35,350 --> 00:25:33,279
had him on

658
00:25:36,470 --> 00:25:35,360
in the experiment that he did if anyone

659
00:25:39,590 --> 00:25:36,480
doesn't know about

660
00:25:42,230 --> 00:25:39,600
it new he leaned he's a

661
00:25:44,310 --> 00:25:42,240
professor so he he ran into this

662
00:25:45,669 --> 00:25:44,320
hands-on healing thing that he was kind

663
00:25:48,310 --> 00:25:45,679

of stumbled into

664

00:25:49,990 --> 00:25:48,320

you can read it from his book or you can

665

00:25:52,390 --> 00:25:50,000

listen to the skeptical interview

666

00:25:54,070 --> 00:25:52,400

and it's amazing what he personally

667

00:25:56,870 --> 00:25:54,080

experienced and documented

668

00:25:57,669 --> 00:25:56,880

and did with a lab at new york

669

00:26:01,110 --> 00:25:57,679

university

670

00:26:04,230 --> 00:26:01,120

no joke kind of stuff but an incredible

671

00:26:05,350 --> 00:26:04,240

healing story yes you know what's

672

00:26:08,630 --> 00:26:05,360

interesting about

673

00:26:10,870 --> 00:26:08,640

benson is he found that

674

00:26:12,870 --> 00:26:10,880

for people who don't know his work he

675

00:26:15,830 --> 00:26:12,880

has the healers

676
00:26:17,669 --> 00:26:15,840
who are skeptics he only uses skeptics

677
00:26:19,750 --> 00:26:17,679
he doesn't want any believers he doesn't

678
00:26:22,070 --> 00:26:19,760
want anybody who thinks they're a healer

679
00:26:23,669 --> 00:26:22,080
he uses students and other people who

680
00:26:27,590 --> 00:26:23,679
are skeptics and they put

681
00:26:28,870 --> 00:26:27,600
hands around the mice cage the mice are

682
00:26:31,830 --> 00:26:28,880
injected with

683
00:26:34,149 --> 00:26:31,840
breast cancer cells and ordinarily they

684
00:26:36,390 --> 00:26:34,159
would die in about 27 days

685
00:26:39,190 --> 00:26:36,400
full stop right there i'm not sure how

686
00:26:41,669 --> 00:26:39,200
any of us feel about that

687
00:26:43,029 --> 00:26:41,679
but we do that and and we did that in

688
00:26:45,750 --> 00:26:43,039

this case but

689

00:26:47,110 --> 00:26:45,760

you know injecting animals who have

690

00:26:49,669 --> 00:26:47,120

consciousness

691

00:26:50,470 --> 00:26:49,679

with cancer so we can predictably see

692

00:26:54,230 --> 00:26:50,480

that they die

693

00:26:56,310 --> 00:26:54,240

so we can i i have i have mixed feelings

694

00:26:58,310 --> 00:26:56,320

about that i understand both sides of it

695

00:26:59,830 --> 00:26:58,320

but i don't want to just blow past that

696

00:27:00,470 --> 00:26:59,840

because and because then we make it

697

00:27:02,230 --> 00:27:00,480

sound like

698

00:27:04,549 --> 00:27:02,240

we're totally sure that that's a good

699

00:27:07,430 --> 00:27:04,559

thing to do and i'm not

700

00:27:08,549 --> 00:27:07,440

well i i tell you i kill rats in my

701
00:27:10,950 --> 00:27:08,559
house

702
00:27:11,830 --> 00:27:10,960
so um i have been known to be an animal

703
00:27:13,430 --> 00:27:11,840
killer

704
00:27:15,350 --> 00:27:13,440
i appreciate you saying that too because

705
00:27:18,470 --> 00:27:15,360
there's a realness to that

706
00:27:19,990 --> 00:27:18,480
in terms of how we operate in this world

707
00:27:22,230 --> 00:27:20,000
so i'm not coming down one way or

708
00:27:25,029 --> 00:27:22,240
another i just always

709
00:27:26,630 --> 00:27:25,039
you get where i'm coming from too is not

710
00:27:30,149 --> 00:27:26,640
sure how to play that

711
00:27:31,909 --> 00:27:30,159
okay so benson what he did is he found

712
00:27:34,149 --> 00:27:31,919
that the rats who were healed lived

713
00:27:37,350 --> 00:27:34,159

their normal two-year cycle

714

00:27:40,710 --> 00:27:37,360

and then what he's doing now is

715

00:27:44,149 --> 00:27:40,720

he's duplicating the frequency

716

00:27:47,190 --> 00:27:44,159

in the room where healers in his method

717

00:27:49,590 --> 00:27:47,200

are working on the mice and

718

00:27:51,110 --> 00:27:49,600

he thinks that can be a cure for cancer

719

00:27:54,389 --> 00:27:51,120

so you could

720

00:27:55,990 --> 00:27:54,399

can so to speak the frequencies and send

721

00:27:57,110 --> 00:27:56,000

it around the world you wouldn't have to

722

00:28:00,310 --> 00:27:57,120

have a human

723

00:28:02,149 --> 00:28:00,320

um healer present and what's interesting

724

00:28:05,110 --> 00:28:02,159

to me i was really interested

725

00:28:06,470 --> 00:28:05,120

in this because he needs to replicate it

726
00:28:08,789 --> 00:28:06,480
in other labs

727
00:28:10,549 --> 00:28:08,799
and no one will do it so i said okay i'm

728
00:28:12,870 --> 00:28:10,559
going to try so i talked to

729
00:28:13,990 --> 00:28:12,880
people at california state university

730
00:28:15,990 --> 00:28:14,000
chico in the

731
00:28:18,149 --> 00:28:16,000
biology and the nursing said will you do

732
00:28:20,630 --> 00:28:18,159
this this is he's cured cancer

733
00:28:22,549 --> 00:28:20,640
like this will be very exciting to see

734
00:28:25,990 --> 00:28:22,559
if we can replicate it here

735
00:28:27,590 --> 00:28:26,000
no so last i heard he was trying to find

736
00:28:29,350 --> 00:28:27,600
a lab in japan

737
00:28:30,870 --> 00:28:29,360
but that's another example of the

738
00:28:33,110 --> 00:28:30,880

materialist paradigm

739

00:28:35,510 --> 00:28:33,120

a cure for cancer and they don't want to

740

00:28:37,350 --> 00:28:35,520

explore it

741

00:28:41,430 --> 00:28:37,360

very telling that's a great that's a

742

00:28:43,590 --> 00:28:41,440

great little inside story i i love that

743

00:28:45,269 --> 00:28:43,600

who else who else should we mention uh

744

00:28:47,669 --> 00:28:45,279

that that people will

745

00:28:49,269 --> 00:28:47,679

be excited to hear about in the books

746

00:28:51,110 --> 00:28:49,279

well you know who's really interesting

747

00:28:54,549 --> 00:28:51,120

to me is susan blackmore

748

00:28:55,510 --> 00:28:54,559

because she's a skeptic and i tried very

749

00:28:58,310 --> 00:28:55,520

hard to get

750

00:28:58,950 --> 00:28:58,320

skeptical voices as part of the books

751
00:29:01,110 --> 00:28:58,960
because

752
00:29:02,950 --> 00:29:01,120
i wanted to hear what their criticisms

753
00:29:04,470 --> 00:29:02,960
were and see how we could respond to

754
00:29:07,430 --> 00:29:04,480
them and that kind of thing

755
00:29:09,510 --> 00:29:07,440
and all the skeptics that i approached

756
00:29:11,909 --> 00:29:09,520
said no but susan blackmore

757
00:29:14,470 --> 00:29:11,919
so she's interesting to me because she

758
00:29:16,870 --> 00:29:14,480
has the courage of her convictions

759
00:29:18,149 --> 00:29:16,880
and she's well known for writing about

760
00:29:21,510 --> 00:29:18,159
consciousness

761
00:29:22,389 --> 00:29:21,520
and had her own experiences with out of

762
00:29:25,590 --> 00:29:22,399
body

763
00:29:25,990 --> 00:29:25,600

travel while smoking hash and whatever

764

00:29:28,389 --> 00:29:26,000

when she

765

00:29:31,350 --> 00:29:28,399

was an undergrad but her her point of

766

00:29:34,710 --> 00:29:31,360

view is that everything

767

00:29:36,389 --> 00:29:34,720

can be explained by our brain functions

768

00:29:38,630 --> 00:29:36,399

that certain parts of our brains are

769

00:29:41,110 --> 00:29:38,640

triggered in such in such a way

770

00:29:42,389 --> 00:29:41,120

so she was interesting to me because i

771

00:29:45,590 --> 00:29:42,399

felt she was very

772

00:29:46,630 --> 00:29:45,600

sincere and spoke up for what she

773

00:29:48,549 --> 00:29:46,640

believed in

774

00:29:50,630 --> 00:29:48,559

you know i'm glad you brought her up

775

00:29:52,310 --> 00:29:50,640

because she came up

776
00:29:53,510 --> 00:29:52,320
as part of an interview that i did i

777
00:29:54,310 --> 00:29:53,520
think just the last one that was

778
00:29:55,909 --> 00:29:54,320
published

779
00:29:57,430 --> 00:29:55,919
it may not be the last one that comes

780
00:30:00,310 --> 00:29:57,440
out in the sequence that i

781
00:30:02,149 --> 00:30:00,320
gradually get these things out and she's

782
00:30:03,750 --> 00:30:02,159
going to be a perfect segue and to talk

783
00:30:04,630 --> 00:30:03,760
about this next topic that i want to

784
00:30:07,269 --> 00:30:04,640
talk about

785
00:30:07,990 --> 00:30:07,279
i don't think she's sincere at all i

786
00:30:11,590 --> 00:30:08,000
think she's

787
00:30:13,190 --> 00:30:11,600
a player in some sense uh an agent

788
00:30:14,789 --> 00:30:13,200

in some sense and i'll tell you why

789

00:30:18,149 --> 00:30:14,799

because i had an interview with her

790

00:30:19,750 --> 00:30:18,159

a direct interview with her and i was

791

00:30:21,830 --> 00:30:19,760

i was able to hold her feet to the fire

792

00:30:23,110 --> 00:30:21,840

on near-death experience science because

793

00:30:25,029 --> 00:30:23,120

she was making a bunch of claims that

794

00:30:28,070 --> 00:30:25,039

were just not true

795

00:30:29,990 --> 00:30:28,080

and i got her to admit that anyone can

796

00:30:32,470 --> 00:30:30,000

go back and listen to the interview

797

00:30:33,830 --> 00:30:32,480

but she says alex i haven't stayed on

798

00:30:34,470 --> 00:30:33,840

top of the research in near-death

799

00:30:37,350 --> 00:30:34,480

experience

800

00:30:38,950 --> 00:30:37,360

yeah she told me that too the next month

801
00:30:41,269 --> 00:30:38,960
she went out and gave a presentation on

802
00:30:43,669 --> 00:30:41,279
near death experience science

803
00:30:44,630 --> 00:30:43,679
and she maintained she maintained her

804
00:30:47,590 --> 00:30:44,640
position

805
00:30:50,389 --> 00:30:47,600
that is all brain based it's similar to

806
00:30:53,510 --> 00:30:50,399
this very distorted strange position

807
00:30:53,990 --> 00:30:53,520
that this buddhist atheism vein has

808
00:30:57,350 --> 00:30:54,000
risen

809
00:30:57,750 --> 00:30:57,360
you know it that they they whenever you

810
00:31:01,430 --> 00:30:57,760
hear

811
00:31:04,630 --> 00:31:01,440
someone say uh the buddhism and

812
00:31:05,029 --> 00:31:04,640
atheists are somehow compatible that's

813
00:31:08,549 --> 00:31:05,039

like

814

00:31:11,190 --> 00:31:08,559

a tip off of some meme that just

815

00:31:12,789 --> 00:31:11,200

doesn't fit because we all know that the

816

00:31:15,350 --> 00:31:12,799

buddha was into karma

817

00:31:17,110 --> 00:31:15,360

the buddha was into reincarnation not

818

00:31:20,549 --> 00:31:17,120

into it i guess i shouldn't say

819

00:31:23,509 --> 00:31:20,559

it was fundamental to the belief system

820

00:31:24,870 --> 00:31:23,519

that they lived in it was fundamental to

821

00:31:27,750 --> 00:31:24,880

everything they believed

822

00:31:29,269 --> 00:31:27,760

so to suggest that that is somehow

823

00:31:31,750 --> 00:31:29,279

compatible

824

00:31:32,870 --> 00:31:31,760

with this materialistic biological robot

825

00:31:35,909 --> 00:31:32,880

meaningless universe

826

00:31:38,710 --> 00:31:35,919

meme is a complete distortion and i

827

00:31:42,310 --> 00:31:38,720

would suggest because

828

00:31:45,190 --> 00:31:42,320

dr blackmore she is a doctor right yes

829

00:31:46,950 --> 00:31:45,200

the fact that she has been told this

830

00:31:49,830 --> 00:31:46,960

repeatedly

831

00:31:50,310 --> 00:31:49,840

and yet she continues to not address it

832

00:31:52,470 --> 00:31:50,320

and just

833

00:31:54,310 --> 00:31:52,480

continue her party line like she did for

834

00:31:54,630 --> 00:31:54,320

you and she's very charming and she's

835

00:31:56,549 --> 00:31:54,640

very

836

00:31:59,110 --> 00:31:56,559

affable and she comes across and she has

837

00:32:02,389 --> 00:31:59,120

the cool hair and all the rest that's up

838

00:32:03,750 --> 00:32:02,399

it is a play it's an act it's just like

839

00:32:05,750 --> 00:32:03,760

it was with me where

840

00:32:07,750 --> 00:32:05,760

i i mean i really thought after my

841

00:32:11,190 --> 00:32:07,760

interview with her i thought wow

842

00:32:13,029 --> 00:32:11,200

how brave for someone to admit i'm wrong

843

00:32:14,950 --> 00:32:13,039

you know what i haven't stayed up on the

844

00:32:15,669 --> 00:32:14,960

research well that's what she said but

845

00:32:17,750 --> 00:32:15,679

the next month

846

00:32:20,149 --> 00:32:17,760

she has never changed her position she

847

00:32:22,070 --> 00:32:20,159

has never publicly said

848

00:32:23,590 --> 00:32:22,080

as an intellectual who speaks on these

849

00:32:26,470 --> 00:32:23,600

topics of consciousness

850

00:32:28,389 --> 00:32:26,480

i have now reviewed the research on

851
00:32:29,350 --> 00:32:28,399
near-death experience and i've come to

852
00:32:32,310 --> 00:32:29,360
the conclusion that

853
00:32:33,269 --> 00:32:32,320
every prominent near-death experiencer

854
00:32:35,430 --> 00:32:33,279
has come to

855
00:32:36,870 --> 00:32:35,440
and that is that consciousness survives

856
00:32:40,470 --> 00:32:36,880
death survives

857
00:32:42,710 --> 00:32:40,480
brain death she has never done that

858
00:32:45,110 --> 00:32:42,720
the way she gets around it like looking

859
00:32:47,669 --> 00:32:45,120
at even alexander's experiences

860
00:32:49,830 --> 00:32:47,679
who by the way is in the book um is that

861
00:32:52,389 --> 00:32:49,840
there's a little bit of memory still

862
00:32:53,669 --> 00:32:52,399
functioning so part the part of the

863
00:32:56,950 --> 00:32:53,679

brain that has

864

00:32:58,389 --> 00:32:56,960

memory capacity is there but then even

865

00:33:01,350 --> 00:32:58,399

alexander says no

866

00:33:03,029 --> 00:33:01,360

his memory parts of his brain which

867

00:33:05,350 --> 00:33:03,039

people don't even know where that is

868

00:33:06,230 --> 00:33:05,360

were completely destroyed his brain was

869

00:33:09,110 --> 00:33:06,240

pus

870

00:33:10,389 --> 00:33:09,120

so there's no there's no way that the

871

00:33:13,190 --> 00:33:10,399

physical brain

872

00:33:15,110 --> 00:33:13,200

could remember all those astral

873

00:33:18,149 --> 00:33:15,120

experiences he had

874

00:33:18,630 --> 00:33:18,159

um so he he really debunks her whole

875

00:33:22,230 --> 00:33:18,640

theory

876

00:33:23,509 --> 00:33:22,240

but she debunks his well gail you know

877

00:33:25,350 --> 00:33:23,519

you're just kind of it's almost like we

878

00:33:27,750 --> 00:33:25,360

rehearse this because you're like

879

00:33:28,950 --> 00:33:27,760

feeding me to the next point that's

880

00:33:30,549 --> 00:33:28,960

gonna make it that's because i do

881

00:33:33,509 --> 00:33:30,559

psychic work

882

00:33:34,070 --> 00:33:33,519

that's right you're you're a clairvoyant

883

00:33:36,549 --> 00:33:34,080

and that

884

00:33:37,750 --> 00:33:36,559

is coming into play how wonderful i

885

00:33:39,830 --> 00:33:37,760

didn't even real i didn't make that

886

00:33:41,830 --> 00:33:39,840

connection see i'm not clairvoyant i'm

887

00:33:44,870 --> 00:33:41,840

not psychic in any way

888

00:33:46,149 --> 00:33:44,880

i think all humans are well we probably

889

00:33:47,990 --> 00:33:46,159

are and that's what dean braden's

890

00:33:50,310 --> 00:33:48,000

experiment shows whether we like it or

891

00:33:52,870 --> 00:33:50,320

not our body is psychic

892

00:33:54,389 --> 00:33:52,880

so here's the point that we were uh kind

893

00:33:56,070 --> 00:33:54,399

of playing around with in the email

894

00:33:57,590 --> 00:33:56,080

exchange which i think is absolutely

895

00:34:00,950 --> 00:33:57,600

central to this whole thing

896

00:34:02,789 --> 00:34:00,960

and is so rarely explored i i love your

897

00:34:04,549 --> 00:34:02,799

your openness and your ability to hold

898

00:34:07,110 --> 00:34:04,559

on to these ideas loosely so i'm going

899

00:34:09,589 --> 00:34:07,120

to push you in some areas here

900

00:34:11,030 --> 00:34:09,599

i have a deep appreciation for the kind

901
00:34:13,669 --> 00:34:11,040
of work that you're doing here

902
00:34:15,430 --> 00:34:13,679
i also have deep appreciation for uh

903
00:34:15,909 --> 00:34:15,440
environmentalism which is something that

904
00:34:18,629 --> 00:34:15,919
you're

905
00:34:19,270 --> 00:34:18,639
is important to you and it is to me but

906
00:34:21,990 --> 00:34:19,280
also for

907
00:34:23,990 --> 00:34:22,000
social justice issues and that topic has

908
00:34:26,230 --> 00:34:24,000
been completely distorted

909
00:34:27,589 --> 00:34:26,240
by what goes on today i think it's

910
00:34:29,909 --> 00:34:27,599
anything but that

911
00:34:30,790 --> 00:34:29,919
in the way that it's playing out in our

912
00:34:33,750 --> 00:34:30,800
society

913
00:34:34,629 --> 00:34:33,760

but true social justice issues are super

914

00:34:37,750 --> 00:34:34,639

important to me

915

00:34:38,710 --> 00:34:37,760

including the rights of women the rights

916

00:34:41,349 --> 00:34:38,720

of people to

917

00:34:41,909 --> 00:34:41,359

express their sexuality in whatever way

918

00:34:44,230 --> 00:34:41,919

they want

919

00:34:46,389 --> 00:34:44,240

and certainly the issue of race is like

920

00:34:48,389 --> 00:34:46,399

absurd that we even have to talk about

921

00:34:50,149 --> 00:34:48,399

race as if as if there is such a thing

922

00:34:53,750 --> 00:34:50,159

as race right as if

923

00:34:56,629 --> 00:34:53,760

as if we aren't all some jumble of

924

00:34:57,190 --> 00:34:56,639

genes and races and all this ridiculous

925

00:34:58,630 --> 00:34:57,200

stuff

926
00:35:00,710 --> 00:34:58,640
but here's the point that i really

927
00:35:04,870 --> 00:35:00,720
wanted to get to

928
00:35:06,950 --> 00:35:04,880
we have to understand the psyop

929
00:35:09,030 --> 00:35:06,960
and just like when i pushed you on the

930
00:35:12,150 --> 00:35:09,040
is materialism messiah

931
00:35:14,230 --> 00:35:12,160
you were very open about that but you

932
00:35:15,030 --> 00:35:14,240
couldn't kind of come down one way or

933
00:35:17,670 --> 00:35:15,040
another

934
00:35:18,950 --> 00:35:17,680
so in the email exchange we had i

935
00:35:21,910 --> 00:35:18,960
pointed out to you

936
00:35:22,870 --> 00:35:21,920
how gloria steinem who is this figure

937
00:35:25,829 --> 00:35:22,880
who has now

938
00:35:26,630 --> 00:35:25,839

been exalt raised to this exalted level

939

00:35:28,390 --> 00:35:26,640

and she's on

940

00:35:29,670 --> 00:35:28,400

she's new in the news now she's on

941

00:35:31,109 --> 00:35:29,680

netflix and

942

00:35:33,349 --> 00:35:31,119

you know all this and she's not doing

943

00:35:36,470 --> 00:35:33,359

that she is a lifetime

944

00:35:39,109 --> 00:35:36,480

cia player she's an agent

945

00:35:40,230 --> 00:35:39,119

from the beginning and this is like

946

00:35:43,030 --> 00:35:40,240

super well

947

00:35:44,630 --> 00:35:43,040

documented but it's super important that

948

00:35:47,750 --> 00:35:44,640

people understand

949

00:35:49,190 --> 00:35:47,760

how both can be true how they can see in

950

00:35:52,790 --> 00:35:49,200

glorious steinham

951
00:35:53,670 --> 00:35:52,800
and advancement of social issues social

952
00:35:56,710 --> 00:35:53,680
agendas

953
00:35:57,670 --> 00:35:56,720
that they were in favor of because back

954
00:36:01,510 --> 00:35:57,680
in the

955
00:36:02,550 --> 00:36:01,520
50s for my mother she didn't have any

956
00:36:05,670 --> 00:36:02,560
opportunities

957
00:36:08,390 --> 00:36:05,680
she there a society had been built up

958
00:36:09,030 --> 00:36:08,400
that completely excluded her in so many

959
00:36:12,230 --> 00:36:09,040
ways

960
00:36:14,310 --> 00:36:12,240
and that needed to change but the fact

961
00:36:17,349 --> 00:36:14,320
that that change agent

962
00:36:18,470 --> 00:36:17,359
came in the form of someone who was

963
00:36:21,190 --> 00:36:18,480

being directed

964

00:36:22,310 --> 00:36:21,200

manipulated not even directed and

965

00:36:25,349 --> 00:36:22,320

manipulated

966

00:36:28,950 --> 00:36:25,359

who was being employed and was

967

00:36:31,030 --> 00:36:28,960

in cahoots with the cia

968

00:36:33,510 --> 00:36:31,040

is something that i think should trouble

969

00:36:33,910 --> 00:36:33,520

us a lot more than it seemed to trouble

970

00:36:35,910 --> 00:36:33,920

you

971

00:36:37,190 --> 00:36:35,920

in the email let me play a couple of

972

00:36:39,349 --> 00:36:37,200

clips

973

00:36:42,390 --> 00:36:39,359

and then i'll let you respond to that

974

00:36:45,750 --> 00:36:44,390

work for the cia then a private

975

00:36:48,069 --> 00:36:45,760

conversation that's right

976

00:36:49,190 --> 00:36:48,079

and and the the reason i think that

977

00:36:51,910 --> 00:36:49,200

comes as a

978

00:36:52,790 --> 00:36:51,920

surprise as it did to me at the time i

979

00:36:55,430 --> 00:36:52,800

mean i had

980

00:36:56,150 --> 00:36:55,440

the conventional liberals view of the

981

00:36:59,589 --> 00:36:56,160

cia

982

00:37:03,430 --> 00:36:59,599

as a right-wing incendiary group

983

00:37:05,349 --> 00:37:03,440

and i was amazed to discover

984

00:37:06,470 --> 00:37:05,359

that this was far from the case that

985

00:37:09,510 --> 00:37:06,480

they were enlightened

986

00:37:11,990 --> 00:37:09,520

liberal nonpartisan

987

00:37:14,790 --> 00:37:12,000

activists of the sort who characterized

988

00:37:17,829 --> 00:37:14,800

the kennedy administration for instance

989

00:37:20,630 --> 00:37:17,839

you have not been working now for the

990

00:37:23,109 --> 00:37:20,640

cia since 1962

991

00:37:24,710 --> 00:37:23,119

you still criticize uh you were down

992

00:37:27,750 --> 00:37:24,720

recently in washington

993

00:37:28,470 --> 00:37:27,760

yes when the when the story broke that i

994

00:37:31,349 --> 00:37:28,480

had

995

00:37:33,349 --> 00:37:31,359

once that's a complete lie we'll expose

996

00:37:35,510 --> 00:37:33,359

that later she was she continued to work

997

00:37:36,310 --> 00:37:35,520

for the cia was a lifetime player in the

998

00:37:39,670 --> 00:37:36,320

cia

999

00:37:41,670 --> 00:37:39,680

and even as recent as 2012

1000

00:37:42,950 --> 00:37:41,680

was working for the cia in their

1001
00:37:46,950 --> 00:37:42,960
operation in

1002
00:37:50,310 --> 00:37:46,960
syria with a totally fake contrived

1003
00:37:54,230 --> 00:37:50,320
uh attempt to oppose syria

1004
00:37:57,349 --> 00:37:54,240
in favor of isis

1005
00:37:59,190 --> 00:37:57,359
grasp that for a second she was she came

1006
00:38:01,510 --> 00:37:59,200
out with a position that was directly in

1007
00:38:05,670 --> 00:38:01,520
line with the cia's position

1008
00:38:07,670 --> 00:38:05,680
that syria should be admonished for

1009
00:38:09,829 --> 00:38:07,680
not honoring women's rights this is

1010
00:38:12,550 --> 00:38:09,839
syria the most progressive state

1011
00:38:12,950 --> 00:38:12,560
in the middle east at the time in favor

1012
00:38:16,870 --> 00:38:12,960
of

1013
00:38:20,069 --> 00:38:16,880

isis who was going into villages

1014

00:38:22,470 --> 00:38:20,079

and chopping off the hands of women who

1015

00:38:24,470 --> 00:38:22,480

weren't wearing their burqa or who were

1016

00:38:27,349 --> 00:38:24,480

exposing any parts of their body

1017

00:38:30,870 --> 00:38:27,359

this is a complete lie and that gloria

1018

00:38:33,109 --> 00:38:30,880

steinem if we really look at her history

1019

00:38:34,630 --> 00:38:33,119

it didn't start with feminism her

1020

00:38:37,750 --> 00:38:34,640

history with the cia

1021

00:38:40,630 --> 00:38:37,760

started back with the student movement

1022

00:38:42,230 --> 00:38:40,640

and she was her bosses we have memos

1023

00:38:45,510 --> 00:38:42,240

released from her bosses

1024

00:38:48,230 --> 00:38:45,520

that say she was the rising star

1025

00:38:48,950 --> 00:38:48,240

in the cia she was an agent they could

1026

00:38:51,910 --> 00:38:48,960

go in and

1027

00:38:53,829 --> 00:38:51,920

totally put undercover to bilk these

1028

00:38:55,430 --> 00:38:53,839

kids into believing what they could

1029

00:39:00,150 --> 00:38:55,440

let me play one more clip from here and

1030

00:39:01,750 --> 00:39:00,160

then i'll let you respond

1031

00:39:03,750 --> 00:39:01,760

well one of the things they told me was

1032

00:39:07,109 --> 00:39:03,760

that um

1033

00:39:09,109 --> 00:39:07,119

he was at the house one night and uh

1034

00:39:10,150 --> 00:39:09,119

we were told you talk and he started

1035

00:39:12,710 --> 00:39:10,160

laughing he said aaron what do you think

1036

00:39:15,829 --> 00:39:12,720

women's liberation was about

1037

00:39:17,589 --> 00:39:15,839

and uh i said i had pretty conventional

1038

00:39:19,349 --> 00:39:17,599

thinking about it at that point i said

1039

00:39:21,589 --> 00:39:19,359

things about women having the right

1040

00:39:23,349 --> 00:39:21,599

to work getting equal pay with men just

1041

00:39:24,870 --> 00:39:23,359

like they won the right to vote

1042

00:39:27,349 --> 00:39:24,880

you know and he started to laugh i said

1043

00:39:28,230 --> 00:39:27,359

you're an idiot and i said why am i an

1044

00:39:29,510 --> 00:39:28,240

idiot

1045

00:39:31,430 --> 00:39:29,520

he said you want me let me tell you what

1046

00:39:32,710 --> 00:39:31,440

that was about we the rockefellers

1047

00:39:35,829 --> 00:39:32,720

funded that

1048

00:39:37,349 --> 00:39:35,839

we funded women's lib you know and we're

1049

00:39:38,630 --> 00:39:37,359

the ones who got all over the newspapers

1050

00:39:40,390 --> 00:39:38,640

and television the rockefeller

1051
00:39:42,069 --> 00:39:40,400
foundation

1052
00:39:44,390 --> 00:39:42,079
he says and you wonder why he said there

1053
00:39:46,950 --> 00:39:44,400
were two primary reasons

1054
00:39:48,710 --> 00:39:46,960
and they were one reason was we couldn't

1055
00:39:51,109 --> 00:39:48,720
tax half the population

1056
00:39:52,390 --> 00:39:51,119
before women's live and the second

1057
00:39:53,829 --> 00:39:52,400
reason was

1058
00:39:55,910 --> 00:39:53,839
now we get the kids in school at an

1059
00:39:56,790 --> 00:39:55,920
early age we can indoctrinate the kids

1060
00:39:59,990 --> 00:39:56,800
how to think

1061
00:40:01,829 --> 00:40:00,000
which breaks up their family the

1062
00:40:03,430 --> 00:40:01,839
kids start looking at the state as the

1063
00:40:06,069 --> 00:40:03,440

family as a school

1064

00:40:08,630 --> 00:40:06,079

as the officials as their family not as

1065

00:40:10,470 --> 00:40:08,640

the parents teaching them

1066

00:40:11,990 --> 00:40:10,480

and so those are the two prima the

1067

00:40:13,750 --> 00:40:12,000

primary reasons for women's live which

1068

00:40:16,150 --> 00:40:13,760

which i thought up to that point

1069

00:40:17,990 --> 00:40:16,160

was a noble thing you know when i saw

1070

00:40:19,270 --> 00:40:18,000

their intentions behind it

1071

00:40:21,030 --> 00:40:19,280

where they were coming from when they

1072

00:40:23,510 --> 00:40:21,040

created it the thought of it

1073

00:40:28,550 --> 00:40:23,520

i saw i saw the evil behind what i

1074

00:40:32,630 --> 00:40:31,190

okay so and you understand where i'm

1075

00:40:35,349 --> 00:40:32,640

framing this up

1076

00:40:37,510 --> 00:40:35,359

i'm framing it up as if we don't

1077

00:40:41,030 --> 00:40:37,520

understand the psyop

1078

00:40:44,069 --> 00:40:41,040

if we're not able to at least consider

1079

00:40:45,670 --> 00:40:44,079

whether or not there is a psyop whether

1080

00:40:48,470 --> 00:40:45,680

it's susan blackmore

1081

00:40:50,150 --> 00:40:48,480

or neil degrasse tyson whether it's

1082

00:40:51,990 --> 00:40:50,160

you're a biological robot in a

1083

00:40:54,550 --> 00:40:52,000

meaningless universe so

1084

00:40:56,150 --> 00:40:54,560

don't even think about your connection

1085

00:40:58,150 --> 00:40:56,160

to a higher consciousness

1086

00:41:02,390 --> 00:40:58,160

if we can't identify that psyop then we

1087

00:41:08,790 --> 00:41:06,230

so if you're asking me do i

1088

00:41:10,870 --> 00:41:08,800

think there's a psyop all i can say is i

1089

00:41:11,829 --> 00:41:10,880

don't have enough information to know i

1090

00:41:14,790 --> 00:41:11,839

can't tell you

1091

00:41:15,270 --> 00:41:14,800

yes i believe in it because i don't know

1092

00:41:18,150 --> 00:41:15,280

who

1093

00:41:19,349 --> 00:41:18,160

it is that these mysterious manipulators

1094

00:41:21,829 --> 00:41:19,359

are

1095

00:41:22,710 --> 00:41:21,839

so i i can't say i believe in something

1096

00:41:26,150 --> 00:41:22,720

that it has

1097

00:41:27,670 --> 00:41:26,160

no face or no name do i just don't have

1098

00:41:29,430 --> 00:41:27,680

no i can't i can't let you off the hook

1099

00:41:31,829 --> 00:41:29,440

that easy girl

1100

00:41:33,190 --> 00:41:31,839

you were you were the the founding

1101
00:41:36,390 --> 00:41:33,200
coordinator

1102
00:41:39,510 --> 00:41:36,400
of the women's studies movement at uc

1103
00:41:45,349 --> 00:41:42,870
i'm sorry at csu chico no known here in

1104
00:41:49,270 --> 00:41:45,359
california is the party school

1105
00:41:50,390 --> 00:41:49,280
which is

1106
00:41:51,990 --> 00:41:50,400
they're trying to get rid of that

1107
00:41:52,790 --> 00:41:52,000
reputation hey isn't problem when i went

1108
00:41:55,430 --> 00:41:52,800
to

1109
00:41:57,270 --> 00:41:55,440
western illinois university that was the

1110
00:41:58,950 --> 00:41:57,280
party school in illinois it was a great

1111
00:42:00,790 --> 00:41:58,960
it was a great

1112
00:42:01,990 --> 00:42:00,800
well-rounded experience you had the

1113
00:42:03,430 --> 00:42:02,000

educational experience

1114

00:42:05,990 --> 00:42:03,440

and you also had the broader part of

1115

00:42:09,430 --> 00:42:06,000

that experience but you are well versed

1116

00:42:13,270 --> 00:42:09,440

in women's studies so you are welcome

1117

00:42:13,990 --> 00:42:13,280

i'm inviting you to push back as hard as

1118

00:42:16,069 --> 00:42:14,000

you can

1119

00:42:17,990 --> 00:42:16,079

on this destroy the narrative that i

1120

00:42:20,550 --> 00:42:18,000

just laid out destroy the narrative

1121

00:42:22,950 --> 00:42:20,560

that gloria steinem was a lifetime cia

1122

00:42:24,230 --> 00:42:22,960

player because the answer you gave me in

1123

00:42:26,630 --> 00:42:24,240

the email

1124

00:42:28,470 --> 00:42:26,640

gail it was so completely inadequate it

1125

00:42:29,109 --> 00:42:28,480

was the opposite of everything we should

1126

00:42:32,630 --> 00:42:29,119

be about

1127

00:42:36,069 --> 00:42:32,640

because what you said was i don't care

1128

00:42:40,150 --> 00:42:36,079

because she did a lot of good things we

1129

00:42:42,790 --> 00:42:40,160

must never succumb to i don't care

1130

00:42:44,150 --> 00:42:42,800

about the manipulators i don't care how

1131

00:42:46,550 --> 00:42:44,160

i'm being controlled

1132

00:42:47,589 --> 00:42:46,560

i only could care about what they give

1133

00:42:49,750 --> 00:42:47,599

me at the end

1134

00:42:52,309 --> 00:42:49,760

we must never succumb to that we must

1135

00:42:56,309 --> 00:42:52,319

always be about the truth

1136

00:42:59,430 --> 00:42:56,319

yeah i agree but i also agree that there

1137

00:43:03,190 --> 00:42:59,440

that human beings aren't just angels

1138

00:43:04,950 --> 00:43:03,200

or devils so think of martin luther king

1139

00:43:06,230 --> 00:43:04,960

i think you would agree that he did a

1140

00:43:08,950 --> 00:43:06,240

lot of good he

1141

00:43:10,230 --> 00:43:08,960

he fought for noble principles and he

1142

00:43:13,109 --> 00:43:10,240

also had a woman

1143

00:43:14,309 --> 00:43:13,119

in various cities he's an adulterer

1144

00:43:17,670 --> 00:43:14,319

smoker

1145

00:43:20,710 --> 00:43:17,680

um drinker accused of plagiarism

1146

00:43:22,230 --> 00:43:20,720

and with his thesis so he he was a

1147

00:43:25,030 --> 00:43:22,240

flawed human being

1148

00:43:25,990 --> 00:43:25,040

but he did a great deal of good let's

1149

00:43:29,990 --> 00:43:26,000

say that gloria

1150

00:43:31,670 --> 00:43:30,000

steinem was a total cia agent which is

1151

00:43:33,109 --> 00:43:31,680

people will have different points of

1152

00:43:35,670 --> 00:43:33,119

view some say she was

1153

00:43:37,670 --> 00:43:35,680

some say she wasn't some say it was just

1154

00:43:40,870 --> 00:43:37,680

like she went to a few

1155

00:43:41,349 --> 00:43:40,880

russian summer camps for youth so it's

1156

00:43:45,910 --> 00:43:41,359

it's

1157

00:43:47,829 --> 00:43:45,920

the debate i don't see i don't see any

1158

00:43:50,309 --> 00:43:47,839

credible debate on the other side it's

1159

00:43:52,309 --> 00:43:50,319

like saying susan blackmore is debatable

1160

00:43:54,630 --> 00:43:52,319

she i i just gave you the evidence so we

1161

00:43:56,230 --> 00:43:54,640

can you can contradict that evidence

1162

00:43:57,829 --> 00:43:56,240

or or then you have to accept the

1163

00:44:00,710 --> 00:43:57,839

hypothesis same with

1164

00:44:02,550 --> 00:44:00,720

gloria steinem in this case bring forth

1165

00:44:04,550 --> 00:44:02,560

bring forth the evidence that she wasn't

1166

00:44:07,589 --> 00:44:04,560

a lifetime player

1167

00:44:09,910 --> 00:44:07,599

okay let's say that she was so what

1168

00:44:10,950 --> 00:44:09,920

as i said to you in the email if she

1169

00:44:14,069 --> 00:44:10,960

does good

1170

00:44:17,270 --> 00:44:14,079

and the cia has certainly been flawed

1171

00:44:19,750 --> 00:44:17,280

run drugs killed assassinated leaders

1172

00:44:22,069 --> 00:44:19,760

it's it's been a very mixed institution

1173

00:44:24,550 --> 00:44:22,079

but do you want to get rid of the cia

1174

00:44:25,190 --> 00:44:24,560

don't we need an intelligence agency to

1175

00:44:28,550 --> 00:44:25,200

protect

1176

00:44:32,790 --> 00:44:28,560

our country so are you saying you only

1177

00:44:35,990 --> 00:44:32,800

um give credence to people who are pure

1178

00:44:37,990 --> 00:44:36,000

and you have to be either 100 pure or

1179

00:44:40,230 --> 00:44:38,000

we throw you out the baby out with the

1180

00:44:42,950 --> 00:44:40,240

back water

1181

00:44:44,710 --> 00:44:42,960

i appreciate number one i appreciate you

1182

00:44:46,630 --> 00:44:44,720

engaging in this because that really is

1183

00:44:47,109 --> 00:44:46,640

the kind of dialogue that i wanted to

1184

00:44:49,829 --> 00:44:47,119

have

1185

00:44:50,309 --> 00:44:49,839

and i think you are articulating a lot

1186

00:44:54,069 --> 00:44:50,319

of

1187

00:44:55,510 --> 00:44:54,079

they're

1188

00:44:57,190 --> 00:44:55,520

they need to be addressed because

1189

00:44:58,470 --> 00:44:57,200

they're important and they're reasonable

1190

00:45:00,390 --> 00:44:58,480

in a lot of ways

1191

00:45:02,309 --> 00:45:00,400

so two things two points i'd like to

1192

00:45:06,710 --> 00:45:02,319

make in response to that

1193

00:45:09,670 --> 00:45:06,720

first is that individuals

1194

00:45:11,109 --> 00:45:09,680

are flawed i'm very flawed i can i'm

1195

00:45:14,790 --> 00:45:11,119

reminded of that every day

1196

00:45:16,630 --> 00:45:14,800

anyone who's married and has kids

1197

00:45:18,069 --> 00:45:16,640

you're reminded of that by your your

1198

00:45:18,710 --> 00:45:18,079

spouse and you're reminded of that by

1199

00:45:21,270 --> 00:45:18,720

your kids

1200

00:45:22,710 --> 00:45:21,280

and i'd certainly fall in that category

1201

00:45:24,870 --> 00:45:22,720

but the other way that i'm reminded of

1202

00:45:27,270 --> 00:45:24,880

it is by this show i make mistakes

1203

00:45:28,630 --> 00:45:27,280

all the time and i have to retract and

1204

00:45:30,390 --> 00:45:28,640

go back and even if

1205

00:45:32,150 --> 00:45:30,400

you know do another interview to kind of

1206

00:45:33,750 --> 00:45:32,160

make it right

1207

00:45:35,829 --> 00:45:33,760

but i think there's a difference between

1208

00:45:39,349 --> 00:45:35,839

those individual

1209

00:45:40,550 --> 00:45:39,359

personal battles with being congruent

1210

00:45:43,270 --> 00:45:40,560

with who they are

1211

00:45:43,910 --> 00:45:43,280

and the institutional control and i

1212

00:45:45,510 --> 00:45:43,920

think we all

1213

00:45:47,150 --> 00:45:45,520

understand that and what i'm really

1214

00:45:49,589 --> 00:45:47,160

trying to get at is the

1215

00:45:50,710 --> 00:45:49,599

institutional part of this because

1216

00:45:54,309 --> 00:45:50,720

that's troubling

1217

00:45:56,790 --> 00:45:54,319

to all of us name those institutions

1218

00:45:58,870 --> 00:45:56,800

name those institutions well in in this

1219

00:46:01,349 --> 00:45:58,880

case we're talking about the the cia

1220

00:46:02,309 --> 00:46:01,359

but i think the cia is just really kind

1221

00:46:05,670 --> 00:46:02,319

of a

1222

00:46:09,030 --> 00:46:05,680

a holding place for an in

1223

00:46:11,190 --> 00:46:09,040

an intelligence control apparatus i mean

1224

00:46:13,750 --> 00:46:11,200

would we leave the nsa out of there

1225

00:46:14,390 --> 00:46:13,760

you know would you leave some other you

1226

00:46:18,470 --> 00:46:14,400

know

1227

00:46:21,589 --> 00:46:18,480

dia out of there i mean cia is kind of a

1228

00:46:23,589 --> 00:46:21,599

catch-all that we have but the idea is

1229

00:46:24,870 --> 00:46:23,599

that if we have someone who's being

1230

00:46:27,990 --> 00:46:24,880

propped up

1231

00:46:30,870 --> 00:46:28,000

as this person that

1232

00:46:32,710 --> 00:46:30,880

is all about feminism glorious sign him

1233

00:46:35,030 --> 00:46:32,720

and they are somehow being

1234

00:46:36,390 --> 00:46:35,040

manipulated as part of a larger plan

1235

00:46:36,710 --> 00:46:36,400

that i think we have to know about that

1236

00:46:40,470 --> 00:46:36,720

so

1237

00:46:43,190 --> 00:46:40,480

the first point is the individual uh

1238

00:46:45,270 --> 00:46:43,200

frailties or lack of you know

1239

00:46:46,870 --> 00:46:45,280

perfectness that we all get to versus

1240

00:46:47,430 --> 00:46:46,880

the institutional thing i think is

1241

00:46:49,190 --> 00:46:47,440

different

1242

00:46:50,630 --> 00:46:49,200

and the second point that you made was

1243

00:46:53,750 --> 00:46:50,640

the the so what

1244

00:46:54,150 --> 00:46:53,760

point and i think the so what point is

1245

00:46:56,390 --> 00:46:54,160

so

1246

00:46:58,150 --> 00:46:56,400

important and i'd address it in two ways

1247

00:47:01,430 --> 00:46:58,160

first is that

1248

00:47:04,950 --> 00:47:01,440

everything that we think is

1249

00:47:07,750 --> 00:47:04,960

worthy worthwhile important about

1250

00:47:09,510 --> 00:47:07,760

what we have here as the united states

1251
00:47:11,750 --> 00:47:09,520
and the ideals

1252
00:47:13,670 --> 00:47:11,760
with which it was established in which

1253
00:47:17,109 --> 00:47:13,680
we try and move it forward you know

1254
00:47:18,230 --> 00:47:17,119
your whole efforts in the social

1255
00:47:20,710 --> 00:47:18,240
sciences

1256
00:47:21,349 --> 00:47:20,720
at chico at with the women's studies

1257
00:47:24,549 --> 00:47:21,359
movement

1258
00:47:26,870 --> 00:47:24,559
was towards this ideal of who we

1259
00:47:28,390 --> 00:47:26,880
should be who what standard we hold

1260
00:47:31,910 --> 00:47:28,400
ourselves to

1261
00:47:32,470 --> 00:47:31,920
and so what is where we hold that

1262
00:47:35,589 --> 00:47:32,480
standard

1263
00:47:39,270 --> 00:47:35,599

we are a democracy we don't allow

1264

00:47:42,870 --> 00:47:39,280

secret organizations to make plans

1265

00:47:44,790 --> 00:47:42,880

about how our how we should be governed

1266

00:47:47,750 --> 00:47:44,800

without that being part of the public

1267

00:47:49,030 --> 00:47:47,760

discourse that is exactly the opposite

1268

00:47:52,309 --> 00:47:49,040

of what we do

1269

00:47:54,710 --> 00:47:52,319

and the powers that we give them we are

1270

00:47:56,470 --> 00:47:54,720

in control of those powers that's how it

1271

00:47:58,790 --> 00:47:56,480

is supposed to work

1272

00:48:01,109 --> 00:47:58,800

so none of us are comfortable with the

1273

00:48:04,069 --> 00:48:01,119

idea of jeffrey epstein

1274

00:48:04,710 --> 00:48:04,079

and his buddies sitting around a hot tub

1275

00:48:08,230 --> 00:48:04,720

in some

1276
00:48:09,510 --> 00:48:08,240
island deciding what the public agenda

1277
00:48:13,750 --> 00:48:09,520
will be

1278
00:48:17,109 --> 00:48:13,760
so so what is do you want this to be

1279
00:48:19,270 --> 00:48:17,119
a public discourse in a democracy

1280
00:48:20,870 --> 00:48:19,280
or do you want to just say go ahead

1281
00:48:24,470 --> 00:48:20,880
jeffrey whoever is the next

1282
00:48:25,670 --> 00:48:24,480
jeffrey epstein brownstone controlling

1283
00:48:29,349 --> 00:48:25,680
political

1284
00:48:31,510 --> 00:48:29,359
officials

1285
00:48:33,109 --> 00:48:31,520
go ahead you guys just get together and

1286
00:48:33,829 --> 00:48:33,119
you know rape little kids and tell us

1287
00:48:37,910 --> 00:48:33,839
what we should do

1288
00:48:39,670 --> 00:48:37,920

next right of course no one can excuse

1289

00:48:40,950 --> 00:48:39,680

that but i still haven't been able to

1290

00:48:43,670 --> 00:48:40,960

hear from you

1291

00:48:45,030 --> 00:48:43,680

who exactly is doing the social

1292

00:48:46,870 --> 00:48:45,040

engineering

1293

00:48:49,190 --> 00:48:46,880

well in this case i gave i gave example

1294

00:48:50,710 --> 00:48:49,200

after example where the cia was doing

1295

00:48:53,190 --> 00:48:50,720

social engineering right

1296

00:48:53,990 --> 00:48:53,200

right right see ya so so we can just

1297

00:48:57,829 --> 00:48:54,000

start with there

1298

00:48:59,750 --> 00:48:57,839

the cia hires i'll pull it up on the

1299

00:49:01,750 --> 00:48:59,760

here let me pull it up on the screen so

1300

00:49:01,990 --> 00:49:01,760

here i've pulled up this website people

1301

00:49:04,630 --> 00:49:02,000

can

1302

00:49:06,390 --> 00:49:04,640

read this it's really quite good there's

1303

00:49:09,510 --> 00:49:06,400

the url

1304

00:49:12,150 --> 00:49:09,520

it's titled black feminism the cia

1305

00:49:13,270 --> 00:49:12,160

in gloria steinem it shows how she

1306

00:49:16,069 --> 00:49:13,280

undermined not only

1307

00:49:18,309 --> 00:49:16,079

feminism but the black empowerment

1308

00:49:20,230 --> 00:49:18,319

movement the black feminist movement

1309

00:49:22,710 --> 00:49:20,240

it's listed if people can see it here

1310

00:49:26,390 --> 00:49:22,720

facts and facts and facts

1311

00:49:28,950 --> 00:49:26,400

names names of her cia organizer

1312

00:49:29,510 --> 00:49:28,960

names names of you know i love when when

1313

00:49:32,870 --> 00:49:29,520

they

1314

00:49:35,349 --> 00:49:32,880

her her boss calls her a whiz kid

1315

00:49:36,470 --> 00:49:35,359

because she's able to infiltrate student

1316

00:49:39,510 --> 00:49:36,480

festivals

1317

00:49:41,349 --> 00:49:39,520

right so this has nothing to do with

1318

00:49:43,030 --> 00:49:41,359

feminism this is before that

1319

00:49:44,390 --> 00:49:43,040

back when she's a student she's able to

1320

00:49:46,470 --> 00:49:44,400

infiltrate these

1321

00:49:48,950 --> 00:49:46,480

student festivals and she's a whiz kid

1322

00:49:51,030 --> 00:49:48,960

so what is her next assignment

1323

00:49:53,030 --> 00:49:51,040

feminism let's get her on that and

1324

00:49:55,670 --> 00:49:53,040

what's her assignment in 2012

1325

00:49:56,950 --> 00:49:55,680

well go attack syria because they're our

1326

00:49:59,349 --> 00:49:56,960

target now

1327

00:50:01,829 --> 00:49:59,359

so you wanted the evidence here's the

1328

00:50:03,910 --> 00:50:01,839

evidence anyone can come in and

1329

00:50:05,990 --> 00:50:03,920

i'm laying on here i'm saying fact after

1330

00:50:08,549 --> 00:50:06,000

fact after fact maybe they're wrong

1331

00:50:09,750 --> 00:50:08,559

maybe we need a fact checker to tell us

1332

00:50:12,950 --> 00:50:09,760

where we're wrong

1333

00:50:15,829 --> 00:50:12,960

but if it's right if the

1334

00:50:17,190 --> 00:50:15,839

feminist the real feminist from the red

1335

00:50:21,270 --> 00:50:17,200

stockings who first

1336

00:50:23,270 --> 00:50:21,280

outed gloria steinem as a cia agent

1337

00:50:24,870 --> 00:50:23,280

if she's incorrect but we already know

1338

00:50:26,870 --> 00:50:24,880

it's not correct we've already

1339

00:50:28,150 --> 00:50:26,880

she spun that back the other way as we

1340

00:50:29,829 --> 00:50:28,160

saw on the youtube

1341

00:50:31,510 --> 00:50:29,839

so she was outed you know the other

1342

00:50:32,790 --> 00:50:31,520

thing that's interesting here steinem

1343

00:50:34,230 --> 00:50:32,800

never came out and said i worked for the

1344

00:50:37,990 --> 00:50:34,240

cia

1345

00:50:38,870 --> 00:50:38,000

until she was outed by the red stockings

1346

00:50:41,109 --> 00:50:38,880

feminist

1347

00:50:43,190 --> 00:50:41,119

and they went and dug up the docks and

1348

00:50:45,190 --> 00:50:43,200

got it and proved it and then she said

1349

00:50:46,710 --> 00:50:45,200

well yeah i did work for the cia but you

1350

00:50:47,589 --> 00:50:46,720

know what she said what she said in the

1351
00:50:50,230 --> 00:50:47,599
youtube

1352
00:50:51,589 --> 00:50:50,240
they were really a great organization

1353
00:50:54,470 --> 00:50:51,599
and they were bipartisan

1354
00:50:56,150 --> 00:50:54,480
it's like are you kidding they overthrew

1355
00:50:58,710 --> 00:50:56,160
at this point in her career they had

1356
00:50:59,990 --> 00:50:58,720
overthrown every government in central

1357
00:51:03,030 --> 00:51:00,000
and south america

1358
00:51:06,790 --> 00:51:03,040
they had committed incredible uh

1359
00:51:09,829 --> 00:51:06,800
crimes against humanity in terms of uh

1360
00:51:12,150 --> 00:51:09,839
you know torturing people killing people

1361
00:51:12,950 --> 00:51:12,160
overthrowing governments oh no they were

1362
00:51:15,030 --> 00:51:12,960
bipartisan

1363
00:51:16,630 --> 00:51:15,040

i really found them to be great great

1364

00:51:18,790 --> 00:51:16,640

guys life

1365

00:51:21,349 --> 00:51:18,800

time thank you thank you that much

1366

00:51:23,510 --> 00:51:21,359

credit to the cia that they have turned

1367

00:51:25,349 --> 00:51:23,520

the whole world

1368

00:51:27,270 --> 00:51:25,359

that they have access to to zombies

1369

00:51:29,109 --> 00:51:27,280

right it's got to be more than the cia

1370

00:51:31,349 --> 00:51:29,119

they're a small player i would think

1371

00:51:33,190 --> 00:51:31,359

in the social engineering scheme of

1372

00:51:34,230 --> 00:51:33,200

things right but you know let's not go

1373

00:51:36,950 --> 00:51:34,240

too far down the

1374

00:51:38,230 --> 00:51:36,960

david ike path because remember the way

1375

00:51:40,630 --> 00:51:38,240

i'm tying this all back

1376
00:51:42,470 --> 00:51:40,640
the point is that you have to understand

1377
00:51:45,030 --> 00:51:42,480
social engineering

1378
00:51:48,150 --> 00:51:45,040
in order to fight it so that is not my

1379
00:51:50,710 --> 00:51:48,160
point that is not my point

1380
00:51:51,750 --> 00:51:50,720
my point is we have to be able to uh

1381
00:51:56,309 --> 00:51:51,760
identify

1382
00:51:59,349 --> 00:51:56,319
and understand the means so my point is

1383
00:52:00,309 --> 00:51:59,359
in reference to your excellent books the

1384
00:52:03,349 --> 00:52:00,319
mysteries

1385
00:52:05,030 --> 00:52:03,359
trilogies that you've written which are

1386
00:52:07,430 --> 00:52:05,040
outstanding

1387
00:52:08,470 --> 00:52:07,440
and they're important data points i want

1388
00:52:11,430 --> 00:52:08,480

to emphasize that

1389

00:52:12,790 --> 00:52:11,440

these books are great data points

1390

00:52:15,990 --> 00:52:12,800

they're reference points

1391

00:52:17,109 --> 00:52:16,000

for anyone who needs to bolster their

1392

00:52:19,829 --> 00:52:17,119

opinion

1393

00:52:21,349 --> 00:52:19,839

that this biological robot meaningless

1394

00:52:23,910 --> 00:52:21,359

universe

1395

00:52:25,589 --> 00:52:23,920

game is just a game and it isn't

1396

00:52:27,910 --> 00:52:25,599

supported by the data

1397

00:52:29,430 --> 00:52:27,920

but what i'm suggesting is until we get

1398

00:52:31,349 --> 00:52:29,440

to the next level we haven't really

1399

00:52:34,710 --> 00:52:31,359

gotten anywhere and the next level

1400

00:52:37,589 --> 00:52:34,720

is to is to to to

1401
00:52:39,270 --> 00:52:37,599
answer the the david ike challenge which

1402
00:52:41,750 --> 00:52:39,280
says well of course

1403
00:52:43,270 --> 00:52:41,760
of course that's been like that because

1404
00:52:45,190 --> 00:52:43,280
that's how you would

1405
00:52:46,870 --> 00:52:45,200
that would be your first go-to in

1406
00:52:49,510 --> 00:52:46,880
controlling people

1407
00:52:51,349 --> 00:52:49,520
have them think that they're nothing

1408
00:52:52,549 --> 00:52:51,359
have them think that their life is

1409
00:52:54,710 --> 00:52:52,559
meaningless

1410
00:52:55,829 --> 00:52:54,720
have them think that they are just these

1411
00:52:59,510 --> 00:52:55,839
biological

1412
00:53:02,069 --> 00:52:59,520
out of control no free will of course

1413
00:53:03,990 --> 00:53:02,079

you would engineer that into the system

1414

00:53:06,150 --> 00:53:04,000

so you have the data

1415

00:53:07,030 --> 00:53:06,160

i'm offering an interpretation of the

1416

00:53:08,790 --> 00:53:07,040

data

1417

00:53:12,230 --> 00:53:08,800

and then i'm saying that until we

1418

00:53:15,910 --> 00:53:12,240

understand the nature of psyop

1419

00:53:21,109 --> 00:53:15,920

we can't really get past the

1420

00:53:24,630 --> 00:53:23,910

um you asked about interesting people in

1421

00:53:28,230 --> 00:53:24,640

the book and

1422

00:53:31,030 --> 00:53:28,240

who comes to my mind right now is um

1423

00:53:32,950 --> 00:53:31,040

gary schwartz university of arizona uh

1424

00:53:35,829 --> 00:53:32,960

do you know about his soul phone

1425

00:53:37,589 --> 00:53:35,839

experiments i have it i have an

1426

00:53:39,190 --> 00:53:37,599

interview coming up

1427

00:53:41,349 --> 00:53:39,200

that is not gonna be a good interview

1428

00:53:43,190 --> 00:53:41,359

that's gonna be another one off

1429

00:53:45,030 --> 00:53:43,200

why is the cell phone talking to michael

1430

00:53:49,030 --> 00:53:45,040

jackson

1431

00:53:51,190 --> 00:53:49,040

not sure i'm not sure that's the guy

1432

00:53:54,150 --> 00:53:51,200

i'd want to be talking to and the other

1433

00:53:57,190 --> 00:53:54,160

thing about the soul phone is

1434

00:53:59,589 --> 00:53:57,200

god needs our help okay

1435

00:54:01,430 --> 00:53:59,599

okay gary i i get it i love gary

1436

00:54:03,910 --> 00:54:01,440

schwartz i mean you talk about

1437

00:54:04,630 --> 00:54:03,920

really i think his experiment with the

1438

00:54:07,190 --> 00:54:04,640

cell phone

1439

00:54:07,670 --> 00:54:07,200

he's misunderstood it because what it

1440

00:54:10,309 --> 00:54:07,680

does

1441

00:54:11,990 --> 00:54:10,319

is it completely puts the nail in the

1442

00:54:14,870 --> 00:54:12,000

coffin of materialism right

1443

00:54:16,549 --> 00:54:14,880

it is another instance of the double

1444

00:54:17,829 --> 00:54:16,559

slit experiment that now becomes

1445

00:54:20,390 --> 00:54:17,839

undeniable

1446

00:54:21,190 --> 00:54:20,400

but to to take it where he's taken it

1447

00:54:25,990 --> 00:54:21,200

with a

1448

00:54:29,670 --> 00:54:26,000

quote-unquote soul phone is problematic

1449

00:54:31,750 --> 00:54:29,680

because i don't know i don't know

1450

00:54:33,430 --> 00:54:31,760

well for people who are listening who

1451

00:54:35,589 --> 00:54:33,440

don't know about the double slit

1452

00:54:38,630 --> 00:54:35,599

experiment it's simply that if

1453

00:54:41,190 --> 00:54:38,640

if um like laser beams are observed it

1454

00:54:44,630 --> 00:54:41,200

changes how they manifest so it's that

1455

00:54:47,270 --> 00:54:44,640

the idea is that our focused attention

1456

00:54:48,710 --> 00:54:47,280

creates impact and that's what all the

1457

00:54:52,150 --> 00:54:48,720

sci

1458

00:54:52,630 --> 00:54:52,160

research shows it's small but if there's

1459

00:54:55,430 --> 00:54:52,640

any

1460

00:54:57,109 --> 00:54:55,440

deviance from chance it shows that

1461

00:55:00,069 --> 00:54:57,119

thoughts have power

1462

00:55:01,270 --> 00:55:00,079

and that's really profound so there's

1463

00:55:03,589 --> 00:55:01,280

thousands of

1464

00:55:04,390 --> 00:55:03,599

experiments that show that our intention

1465

00:55:07,510 --> 00:55:04,400

creates

1466

00:55:10,150 --> 00:55:07,520

physical change and the cell phone

1467

00:55:10,710 --> 00:55:10,160

and the work with mediums that gary's

1468

00:55:13,750 --> 00:55:10,720

doing

1469

00:55:17,670 --> 00:55:13,760

and winbridge and tresholde and

1470

00:55:19,990 --> 00:55:17,680

italy to me that shows that our view

1471

00:55:21,589 --> 00:55:20,000

the materialist view that there's just

1472

00:55:24,710 --> 00:55:21,599

this plane

1473

00:55:28,630 --> 00:55:24,720

is false and it's it's amazing to think

1474

00:55:31,589 --> 00:55:28,640

that we could communicate with grandma

1475

00:55:32,150 --> 00:55:31,599

on on the other side through this cell

1476

00:55:34,630 --> 00:55:32,160

phone

1477

00:55:35,510 --> 00:55:34,640

and gary's also had experiences with

1478

00:55:41,750 --> 00:55:35,520

angels

1479

00:55:44,710 --> 00:55:41,760

you know so maybe it's the old

1480

00:55:46,789 --> 00:55:44,720

christian tradition and jewish tradition

1481

00:55:48,390 --> 00:55:46,799

of angels are actually true they're not

1482

00:55:51,190 --> 00:55:48,400

just metaphors or

1483

00:55:52,549 --> 00:55:51,200

archetypes or something there are these

1484

00:55:54,309 --> 00:55:52,559

these evolved beings

1485

00:55:55,990 --> 00:55:54,319

and that that's really fun to think

1486

00:55:59,750 --> 00:55:56,000

about

1487

00:56:01,670 --> 00:55:59,760

where your

1488

00:56:03,030 --> 00:56:01,680

uh where people can get these books are

1489

00:56:05,190 --> 00:56:03,040

they out now

1490

00:56:07,349 --> 00:56:05,200

and um where else can they learn about

1491

00:56:10,990 --> 00:56:07,359

them on your website and elsewhere

1492

00:56:14,470 --> 00:56:12,470

www.gailkimble.info

1493

00:56:15,750 --> 00:56:14,480

and there's a bookstore where the books

1494

00:56:19,750 --> 00:56:15,760

are listed

1495

00:56:23,109 --> 00:56:19,760

and they can get knowledge and healing

1496

00:56:26,230 --> 00:56:23,119

from book babies bookshop and

1497

00:56:29,589 --> 00:56:26,240

reality won't be out until

1498

00:56:32,230 --> 00:56:29,599

march of 2021 are you intentionally

1499

00:56:34,549 --> 00:56:32,240

leaving out amazon are these on amazon

1500

00:56:35,670 --> 00:56:34,559

they are on amazon and i'd rather people

1501
00:56:39,030 --> 00:56:35,680
not

1502
00:56:43,349 --> 00:56:39,040
use them if they can help it why

1503
00:56:47,030 --> 00:56:43,359
because jeff buzos has so

1504
00:56:50,069 --> 00:56:47,040
much so many billions and his workers

1505
00:56:52,309 --> 00:56:50,079
complain about the conditions in the

1506
00:56:53,589 --> 00:56:52,319
the working sites oh don't listen to

1507
00:56:54,710 --> 00:56:53,599
those people don't listen to those

1508
00:56:56,789 --> 00:56:54,720
workers just

1509
00:56:58,710 --> 00:56:56,799
jeff is going to get us to that next

1510
00:57:02,069 --> 00:56:58,720
level he's going to help us get

1511
00:57:02,789 --> 00:57:02,079
everyone organized he's going to get

1512
00:57:06,549 --> 00:57:02,799
everyone

1513
00:57:09,270 --> 00:57:06,559

scanned in vaccinated

1514

00:57:11,349 --> 00:57:09,280

all that thing so jeff is jeff is our

1515

00:57:12,069 --> 00:57:11,359

go-to guy and i own a bunch of amazon

1516

00:57:16,950 --> 00:57:12,079

stocks so

1517

00:57:19,990 --> 00:57:16,960

please buy from amazon if you can

1518

00:57:22,390 --> 00:57:20,000

are you kidding not kidding about owning

1519

00:57:26,069 --> 00:57:22,400

amazon stock but i'm being facetious

1520

00:57:27,520 --> 00:57:26,079

about the evil of just jeff bezos but i

1521

00:57:29,030 --> 00:57:27,530

do own the stock

1522

00:57:31,589 --> 00:57:29,040

[Laughter]

1523

00:57:33,270 --> 00:57:31,599

it's done very well what can we say then

1524

00:57:35,670 --> 00:57:33,280

you can use the money for good

1525

00:57:37,270 --> 00:57:35,680

see so there sometimes things can be

1526

00:57:39,589 --> 00:57:37,280

gray

1527

00:57:40,710 --> 00:57:39,599

yeah i didn't think of that money for

1528

00:57:44,390 --> 00:57:40,720

good that's a

1529

00:57:47,430 --> 00:57:44,400

that's a heck of an idea um so

1530

00:57:48,549 --> 00:57:47,440

gail uh this has been a project that you

1531

00:57:52,870 --> 00:57:48,559

put a lot of time

1532

00:57:54,950 --> 00:57:52,880

into um do you have any other plans for

1533

00:57:56,710 --> 00:57:54,960

what you're going to do with this series

1534

00:57:59,270 --> 00:57:56,720

are you going to keep doing it

1535

00:58:00,630 --> 00:57:59,280

are you continuing to interview other

1536

00:58:04,630 --> 00:58:00,640

leading

1537

00:58:07,750 --> 00:58:04,640

you know scientists and thought leaders

1538

00:58:07,990 --> 00:58:07,760

um i have a new book out called calm how

1539

00:58:11,030 --> 00:58:08,000

to

1540

00:58:13,670 --> 00:58:11,040

thrive in challenging times and

1541

00:58:14,470 --> 00:58:13,680

parent excuse me calm parents and

1542

00:58:17,109 --> 00:58:14,480

children

1543

00:58:17,910 --> 00:58:17,119

so they're very specific hands-on

1544

00:58:20,069 --> 00:58:17,920

techniques

1545

00:58:21,589 --> 00:58:20,079

how to stay centered and grounded when

1546

00:58:24,789 --> 00:58:21,599

things are chaotic

1547

00:58:27,349 --> 00:58:24,799

so um i i wanted the

1548

00:58:28,309 --> 00:58:27,359

principles of the mysteries book to be

1549

00:58:31,109 --> 00:58:28,319

applied

1550

00:58:32,150 --> 00:58:31,119

to how can i use this in my daily life

1551
00:58:34,870 --> 00:58:32,160
and

1552
00:58:35,270 --> 00:58:34,880
i want listeners to know that they can

1553
00:58:37,030 --> 00:58:35,280
see

1554
00:58:39,109 --> 00:58:37,040
the interviews with a lot of my

1555
00:58:39,990 --> 00:58:39,119
visionary scientists on my youtube

1556
00:58:42,470 --> 00:58:40,000
channel

1557
00:58:43,109 --> 00:58:42,480
so that you can actually see them and

1558
00:58:46,230 --> 00:58:43,119
hear them

1559
00:58:49,670 --> 00:58:46,240
and also i'm almost finished with a book

1560
00:58:52,230 --> 00:58:49,680
where i've interviewed girl gen z

1561
00:58:53,030 --> 00:58:52,240
climate activists so they're they're

1562
00:58:55,589 --> 00:58:53,040
girls who are

1563
00:58:56,630 --> 00:58:55,599

fighting to save our world and they're

1564

00:58:59,990 --> 00:58:56,640

amazing they're so

1565

00:59:01,589 --> 00:59:00,000

young and so smart and so brave so that

1566

00:59:02,549 --> 00:59:01,599

they're kind of like the visionary

1567

00:59:05,349 --> 00:59:02,559

scientists

1568

00:59:07,430 --> 00:59:05,359

in their in their courage to take on the

1569

00:59:09,829 --> 00:59:07,440

establishment

1570

00:59:11,349 --> 00:59:09,839

well that's excellent i i just think

1571

00:59:13,990 --> 00:59:11,359

you've done great work here

1572

00:59:15,430 --> 00:59:14,000

um i'm so glad you contacted me while

1573

00:59:18,230 --> 00:59:15,440

over a year ago

1574

00:59:19,910 --> 00:59:18,240

and i thought i've really been excited

1575

00:59:21,030 --> 00:59:19,920

to follow along and what you've done and

1576

00:59:22,870 --> 00:59:21,040

i think these books

1577

00:59:25,030 --> 00:59:22,880

and the youtubes that you've put out are

1578

00:59:27,270 --> 00:59:25,040

great you just can't we can't get enough

1579

00:59:29,430 --> 00:59:27,280

of these terrific thinkers so you're to

1580

00:59:31,270 --> 00:59:29,440

be congratulated and i appreciate you

1581

00:59:33,910 --> 00:59:31,280

playing along with

1582

00:59:35,109 --> 00:59:33,920

my rants and all the rest of that so i

1583

00:59:38,069 --> 00:59:35,119

wasn't playing along i'm

1584

00:59:40,230 --> 00:59:38,079

thinking and i'm i'm my brain is is

1585

00:59:41,349 --> 00:59:40,240

digesting what you're saying so i i

1586

00:59:44,950 --> 00:59:41,359

appreciate your

1587

00:59:47,109 --> 00:59:44,960

you're making me think okay gail well

1588

00:59:49,510 --> 00:59:47,119

thanks again for joining me on skeptico

1589

00:59:52,710 --> 00:59:49,520

and let's stay in touch

1590

00:59:55,030 --> 00:59:52,720

great thank you thanks again to dr gail

1591

00:59:57,270 --> 00:59:55,040

kimball for joining me today on skeptico

1592

00:59:58,069 --> 00:59:57,280

please check out her excellent books i

1593

01:00:00,470 --> 00:59:58,079

did talk

1594

01:00:03,349 --> 01:00:00,480

a lot in this one partly because there's

1595

01:00:05,349 --> 01:00:03,359

some stuff here i wanted to get into

1596

01:00:07,349 --> 01:00:05,359

my new book and part of the thing is you

1597

01:00:08,470 --> 01:00:07,359

gotta say it so you can get it

1598

01:00:10,150 --> 01:00:08,480

transcribed so

1599

01:00:12,309 --> 01:00:10,160

i don't have to write it in the book i

1600

01:00:13,190 --> 01:00:12,319

can just include in the transcripts and

1601
01:00:16,069 --> 01:00:13,200
edit them

1602
01:00:17,190 --> 01:00:16,079
anyways that's my game now revealed to

1603
01:00:19,670 --> 01:00:17,200
you

1604
01:00:20,390 --> 01:00:19,680
but i do have one question to tee up it

1605
01:00:24,470 --> 01:00:20,400
is the

1606
01:00:28,069 --> 01:00:27,270
how are we to understand deal with

1607
01:00:31,270 --> 01:00:28,079
process

1608
01:00:34,630 --> 01:00:31,280
a psyop that moves things

1609
01:00:36,870 --> 01:00:34,640
in the direction that we want them to go

1610
01:00:38,150 --> 01:00:36,880
anyway the women's movement was a

1611
01:00:42,789 --> 01:00:38,160
quote-unquote good

1612
01:00:46,309 --> 01:00:42,799
thing there were valid social injustices

1613
01:00:46,870 --> 01:00:46,319

that needed to be corrected are these

1614

01:00:49,990 --> 01:00:46,880

kind of

1615

01:00:53,109 --> 01:00:50,000

social movements always a mixed bag

1616

01:00:56,870 --> 01:00:53,119

always a combination of

1617

01:00:58,789 --> 01:00:56,880

social engineering and public will

1618

01:01:00,390 --> 01:00:58,799

so i think you get the idea let me know

1619

01:01:03,430 --> 01:01:00,400

your thoughts love to hear

1620

01:01:05,589 --> 01:01:03,440

you over on the skeptical forum or

1621

01:01:07,589 --> 01:01:05,599

drop me an email i have a lot of great

1622

01:01:07,910 --> 01:01:07,599

shows coming up stick with me for all of
