Contactee Experience

OBE

1
00:00:09,589 --> 00:00:05,829
as friends we've gathered

2
00:00:12,789 --> 00:00:09,599
hearts are true spirits near we call to

3
00:00:19,830 --> 00:00:17,269
daddy we found the money

4
00:00:21,510 --> 00:00:19,840
that's a scene from the movie ouija

5
00:00:24,150 --> 00:00:21,520
origins of evil

6
00:00:25,109 --> 00:00:24,160
where the family is gathering around the

7
00:00:28,150 --> 00:00:25,119
ouija board

8
00:00:31,429 --> 00:00:28,160
and get some rather unexpected

9
00:00:33,590 --> 00:00:31,439
results it's a cautionary tale that

10
00:00:37,030 --> 00:00:33,600
seems to fit with today's

11
00:00:37,590 --> 00:00:37,040
interview with dr mark pitzek who along

12
00:00:39,590 --> 00:00:37,600
with

13
00:00:40,709 --> 00:00:39,600

dr gary schwartz from the university of

14

00:00:44,709 --> 00:00:40,719

arizona

15

00:00:47,670 --> 00:00:44,719

have designed patented and are marketing

16

00:00:48,389 --> 00:00:47,680

the soul phone here's a clip from the

17

00:00:51,350 --> 00:00:48,399

interview

18

00:00:53,510 --> 00:00:51,360

and stick around after the show for the

19

00:00:55,750 --> 00:00:53,520

one question i have on this one

20

00:00:58,150 --> 00:00:55,760

is uh interesting and i think it's one

21

00:01:00,389 --> 00:00:58,160

i'd really really like to get

22

00:01:02,630 --> 00:01:00,399

input on so if you do stick around to

23

00:01:04,869 --> 00:01:02,640

the end let me know what you think

24

00:01:07,030 --> 00:01:04,879

okay here goes the interview first of

25

00:01:07,990 --> 00:01:07,040

all people need to understand that the

26

00:01:10,550 --> 00:01:08,000

research

27

00:01:11,030 --> 00:01:10,560

of dr schwartz the university of arizona

28

00:01:14,070 --> 00:01:11,040

is

29

00:01:16,550 --> 00:01:14,080

as far as we know the only truly

30

00:01:18,710 --> 00:01:16,560

scientific replicated control

31

00:01:20,789 --> 00:01:18,720

double-blind all that then i mentioned

32

00:01:21,749 --> 00:01:20,799

research being done the others you

33

00:01:24,870 --> 00:01:21,759

mentioned

34

00:01:27,190 --> 00:01:24,880

are medium mystic research and some

35

00:01:29,429 --> 00:01:27,200

mediums or rock stars yeah it was how

36

00:01:31,190 --> 00:01:29,439

dr schwartz got into this area when he

37

00:01:32,710 --> 00:01:31,200

after he left yale and came to

38

00:01:36,069 --> 00:01:32,720

university of arizona

39
00:01:38,310 --> 00:01:36,079
20 some years ago documenting that some

40
00:01:39,270 --> 00:01:38,320
mediums are very highly evidential but

41
00:01:41,910 --> 00:01:39,280
again

42
00:01:43,990 --> 00:01:41,920
some of those have bad days make

43
00:01:46,310 --> 00:01:44,000
mistakes etc

44
00:01:47,030 --> 00:01:46,320
but mark i mean the the problems here

45
00:01:50,149 --> 00:01:47,040
are almost

46
00:01:53,190 --> 00:01:50,159
too many to even start with

47
00:01:55,350 --> 00:01:53,200
but you're the guys who open that up

48
00:01:56,789 --> 00:01:55,360
why why do you think you can open up the

49
00:01:59,510 --> 00:01:56,799
door and say

50
00:02:02,870 --> 00:01:59,520
trust us we know what we're doing we

51
00:02:05,350 --> 00:02:02,880
talk to the a team and by the way the 18

52
00:02:06,230 --> 00:02:05,360
includes michael jackson who you know

53
00:02:09,109 --> 00:02:06,240
the

54
00:02:10,309 --> 00:02:09,119
jesus juice reach around pedophile

55
00:02:13,589 --> 00:02:10,319
michael jackson

56
00:02:15,750 --> 00:02:13,599
he's on the a-team right welcome to

57
00:02:17,430 --> 00:02:15,760
skeptico where we explore controversial

58
00:02:20,150 --> 00:02:17,440
science and spirituality

59
00:02:22,790 --> 00:02:20,160
with leading researchers thinkers and

60
00:02:26,309 --> 00:02:22,800
their critics i'm your host alex accaris

61
00:02:28,869 --> 00:02:26,319
and you know i don't usually read bios

62
00:02:29,830 --> 00:02:28,879
into the intros of these interviews but

63
00:02:32,229 --> 00:02:29,840

mark has

64

00:02:33,350 --> 00:02:32,239

an exceptionally impressive and an

65

00:02:37,830 --> 00:02:33,360

exceptionally

66

00:02:40,309 --> 00:02:37,840

good one so i thought i would read it

67

00:02:42,309 --> 00:02:40,319

dr mark pittstick has over 40 years

68

00:02:45,030 --> 00:02:42,319

experience in hospitals

69

00:02:45,910 --> 00:02:45,040

pastoral counseling settings mental

70

00:02:48,309 --> 00:02:45,920

health centers

71

00:02:48,949 --> 00:02:48,319

and private practice his training

72

00:02:51,350 --> 00:02:48,959

includes

73

00:02:54,070 --> 00:02:51,360

pre-medical degree graduate and theology

74

00:02:56,630 --> 00:02:54,080

and pastoral counseling studies

75

00:02:59,190 --> 00:02:56,640

master's in clinical psychology and

76

00:03:01,910 --> 00:02:59,200

doctorate in chiropractic health

77

00:03:03,509 --> 00:03:01,920

which is no joke in my opinion is

78

00:03:05,910 --> 00:03:03,519

fantastic

79

00:03:06,710 --> 00:03:05,920

he has also provided suicide prevention

80

00:03:09,270 --> 00:03:06,720

counseling

81

00:03:09,990 --> 00:03:09,280

and education to many many people he

82

00:03:13,030 --> 00:03:10,000

began

83

00:03:16,070 --> 00:03:13,040

having clairvoyant experiences

84

00:03:18,229 --> 00:03:16,080

around the age of 10 and has been

85

00:03:19,110 --> 00:03:18,239

blessed with numerous miracles in his

86

00:03:21,910 --> 00:03:19,120

life

87

00:03:24,070 --> 00:03:21,920

revelatory experiences spiritually

88

00:03:26,470 --> 00:03:24,080

transformative experiences are you

89

00:03:27,589 --> 00:03:26,480

getting a kind of feeling for why i

90

00:03:29,509 --> 00:03:27,599

wanted to read all this in

91

00:03:30,789 --> 00:03:29,519

pretty amazing after working in

92

00:03:34,470 --> 00:03:30,799

hospitals with many

93

00:03:37,350 --> 00:03:34,480

suffering and dying adults and children

94

00:03:38,309 --> 00:03:37,360

he was motivated to find sensible

95

00:03:41,350 --> 00:03:38,319

evidence-based

96

00:03:41,830 --> 00:03:41,360

answers to the questions that many

97

00:03:45,110 --> 00:03:41,840

people

98

00:03:48,149 --> 00:03:45,120

be

99

00:03:50,630 --> 00:03:48,159

asking more on a regular basis

100

00:03:51,910 --> 00:03:50,640

who am i why am i here what happens

101
00:03:54,470 --> 00:03:51,920
after i die

102
00:03:55,830 --> 00:03:54,480
will i see departed loved ones again is

103
00:03:59,830 --> 00:03:55,840
there god

104
00:04:01,670 --> 00:03:59,840
why is there so much

105
00:04:03,110 --> 00:04:01,680
so his books documentary films and

106
00:04:05,750 --> 00:04:03,120
workshops

107
00:04:07,750 --> 00:04:05,760
have grown to address all of these

108
00:04:11,030 --> 00:04:07,760
questions

109
00:04:14,309 --> 00:04:11,040
dr pittstick wrote soul proof compelling

110
00:04:17,189 --> 00:04:14,319
evidence that no one really dies

111
00:04:17,509 --> 00:04:17,199
and radiant wellness a holistic guide

112
00:04:20,069 --> 00:04:17,519
for

113
00:04:21,509 --> 00:04:20,079

optimal body mind and spirit and i think

114

00:04:24,070 --> 00:04:21,519

there's another book in there that i

115

00:04:25,990 --> 00:04:24,080

may not have mentioned but i'm sure we

116

00:04:28,550 --> 00:04:26,000

will get mark to talk about it

117

00:04:30,070 --> 00:04:28,560

mark welcome to skeptico thanks for

118

00:04:31,830 --> 00:04:30,080

coming on i should mention to people

119

00:04:34,310 --> 00:04:31,840

you know the primary reason you're here

120

00:04:35,909 --> 00:04:34,320

today is to talk about this soul phone

121

00:04:38,230 --> 00:04:35,919

project which

122

00:04:39,030 --> 00:04:38,240

a lot of people have heard about i've

123

00:04:40,950 --> 00:04:39,040

referenced

124

00:04:42,550 --> 00:04:40,960

on this show a couple times i have a lot

125

00:04:45,110 --> 00:04:42,560

of questions about it so

126

00:04:47,030 --> 00:04:45,120

it's great to have you here thank you

127

00:04:50,550 --> 00:04:47,040

alex my pleasure

128

00:04:51,510 --> 00:04:50,560

let's dive in do it what's the cell

129

00:04:54,550 --> 00:04:51,520

phone for for

130

00:04:55,030 --> 00:04:54,560

the uninitiated give us the the big

131

00:04:58,790 --> 00:04:55,040

picture

132

00:05:02,230 --> 00:04:58,800

you how many days do you have

133

00:05:04,390 --> 00:05:02,240

uh keep it brief because my audience

134

00:05:05,430 --> 00:05:04,400

knows this stuff and we're gonna get to

135

00:05:08,230 --> 00:05:05,440

level three

136

00:05:10,150 --> 00:05:08,240

really really quick on this i mean so

137

00:05:13,350 --> 00:05:10,160

just give us the high level

138

00:05:17,510 --> 00:05:13,360

okay uh the soul phone project alex

139

00:05:20,469 --> 00:05:17,520

is being conducted by dr gary schwartz

140

00:05:21,909 --> 00:05:20,479

as you mentioned and his team of

141

00:05:24,790 --> 00:05:21,919

electrical engineers

142

00:05:26,629 --> 00:05:24,800

optical physicists software programmers

143

00:05:28,310 --> 00:05:26,639

and evidential mediums

144

00:05:30,629 --> 00:05:28,320

at the university of arizona's

145

00:05:31,670 --> 00:05:30,639

laboratory for advances in consciousness

146

00:05:34,870 --> 00:05:31,680

and health

147

00:05:37,990 --> 00:05:34,880

he's been working for 16 years to

148

00:05:41,430 --> 00:05:38,000

capture the signal of spirit and

149

00:05:44,629 --> 00:05:41,440

the trick is capturing their signal

150

00:05:47,590 --> 00:05:44,639

amidst the noise

151
00:05:49,590 --> 00:05:47,600
there are four anticipated devices right

152
00:05:51,749 --> 00:05:49,600
now we are working on the soul

153
00:05:53,189 --> 00:05:51,759
switch we say which is a binary

154
00:05:56,790 --> 00:05:53,199
indicator

155
00:05:58,710 --> 00:05:56,800
for yes no answers from those living in

156
00:06:00,390 --> 00:05:58,720
the next realm what we call post

157
00:06:01,990 --> 00:06:00,400
material persons

158
00:06:03,510 --> 00:06:02,000
quick side note we don't call them

159
00:06:05,110 --> 00:06:03,520
spirits we

160
00:06:06,870 --> 00:06:05,120
definitely don't call them dead or

161
00:06:08,070 --> 00:06:06,880
departed or deceased because they're

162
00:06:10,710 --> 00:06:08,080
none of that

163
00:06:12,629 --> 00:06:10,720

it turns out and we know this from a

164

00:06:15,510 --> 00:06:12,639

series of different experiments

165

00:06:16,710 --> 00:06:15,520

they are just as physical as we or can

166

00:06:18,070 --> 00:06:16,720

be if they wish

167

00:06:19,990 --> 00:06:18,080

there's good evidence they can

168

00:06:22,390 --> 00:06:20,000

multilocate they can

169

00:06:24,309 --> 00:06:22,400

be pure energy or they can manifest in

170

00:06:27,430 --> 00:06:24,319

physical form so we call them

171

00:06:28,790 --> 00:06:27,440

post material persons and those of us

172

00:06:32,309 --> 00:06:28,800

who are living on earth

173

00:06:34,230 --> 00:06:32,319

material persons so the switch

174

00:06:35,749 --> 00:06:34,240

the soul switch then allows them to

175

00:06:37,749 --> 00:06:35,759

answer yes no

176
00:06:39,510 --> 00:06:37,759
we've been using what we call the plasma

177
00:06:43,110 --> 00:06:39,520
globe system which uses a

178
00:06:45,189 --> 00:06:43,120
tesla coil to to measure

179
00:06:46,950 --> 00:06:45,199
their signal and seven different

180
00:06:49,510 --> 00:06:46,960
experiments have clearly

181
00:06:51,029 --> 00:06:49,520
shown their accuracy in doing this we've

182
00:06:53,430 --> 00:06:51,039
collected over 1

183
00:06:54,790 --> 00:06:53,440
trillion bits of information in

184
00:06:58,950 --> 00:06:54,800
something like

185
00:07:01,909 --> 00:06:58,960
excuse me 4500 sessions with them

186
00:07:02,950 --> 00:07:01,919
over the last year however the plasma

187
00:07:05,830 --> 00:07:02,960
globe system

188
00:07:07,510 --> 00:07:05,840

isn't commercializable it's too large

189

00:07:09,909 --> 00:07:07,520

and so now we're working on

190

00:07:10,629 --> 00:07:09,919

what's called the electronic sole switch

191

00:07:13,350 --> 00:07:10,639

which

192

00:07:14,309 --> 00:07:13,360

could be the size eventually of a cell

193

00:07:17,670 --> 00:07:14,319

phone

194

00:07:20,870 --> 00:07:17,680

which would allow 98 accurate

195

00:07:21,270 --> 00:07:20,880

instantaneous yes no answers however

196

00:07:24,550 --> 00:07:21,280

even

197

00:07:27,110 --> 00:07:24,560

that amazing as it is isn't considered

198

00:07:28,950 --> 00:07:27,120

to be a commercializable device the main

199

00:07:31,909 --> 00:07:28,960

use for the sole switch

200

00:07:33,029 --> 00:07:31,919

is to connect about 40 of those in

201
00:07:35,990 --> 00:07:33,039
parallel

202
00:07:37,749 --> 00:07:36,000
and create a soul keyboard just like we

203
00:07:40,870 --> 00:07:37,759
have 40 some keys on

204
00:07:41,909 --> 00:07:40,880
the laptop in front of you that then

205
00:07:45,029 --> 00:07:41,919
will allow much

206
00:07:49,749 --> 00:07:45,039
greater quality and quantity of input

207
00:07:52,150 --> 00:07:49,759
from what we call our a-team 30 or so

208
00:07:54,230 --> 00:07:52,160
post-material luminaries people like

209
00:07:57,589 --> 00:07:54,240
carl sagan and nikola tesla

210
00:07:59,589 --> 00:07:57,599
einstein edison david bowman others

211
00:08:01,909 --> 00:07:59,599
who have been feeding pieces of

212
00:08:02,710 --> 00:08:01,919
information via evidential mediums to

213
00:08:04,629 --> 00:08:02,720

date

214

00:08:07,270 --> 00:08:04,639

but even the best evidential mediums

215

00:08:08,230 --> 00:08:07,280

have off days monkey mind gets involved

216

00:08:10,469 --> 00:08:08,240

etc

217

00:08:11,430 --> 00:08:10,479

so once we have the keyboard to allow

218

00:08:13,189 --> 00:08:11,440

substantial

219

00:08:15,430 --> 00:08:13,199

input of quality and quantity of

220

00:08:17,909 --> 00:08:15,440

information then

221

00:08:19,110 --> 00:08:17,919

the creation of the last two devices

222

00:08:21,350 --> 00:08:19,120

soul voice

223

00:08:23,029 --> 00:08:21,360

like talking on the cell phone soul

224

00:08:26,309 --> 00:08:23,039

video like we're doing now

225

00:08:28,070 --> 00:08:26,319

facetime zoom skype should be

226
00:08:29,909 --> 00:08:28,080
possible so this is happening in our

227
00:08:32,870 --> 00:08:29,919
time

228
00:08:34,389 --> 00:08:32,880
for communicating with our quote

229
00:08:37,029 --> 00:08:34,399
departed loved ones

230
00:08:38,389 --> 00:08:37,039
but also tapping into those luminaries

231
00:08:41,909 --> 00:08:38,399
who want to help us

232
00:08:46,630 --> 00:08:44,389
boy man i i don't know where to begin

233
00:08:48,550 --> 00:08:46,640
because i have so many

234
00:08:49,990 --> 00:08:48,560
you kind of get me riled up with a lot

235
00:08:51,910 --> 00:08:50,000
of that stuff so i

236
00:08:54,389 --> 00:08:51,920
will just kind of take it one step at a

237
00:08:55,030 --> 00:08:54,399
time like i said you know before we got

238
00:08:57,030 --> 00:08:55,040

on air

239

00:08:58,790 --> 00:08:57,040

i i've known gary schwartz for a long

240

00:09:00,949 --> 00:08:58,800

time talked to him years ago

241

00:09:02,150 --> 00:09:00,959

have interviewed julie boschel on this

242

00:09:04,310 --> 00:09:02,160

show uh

243

00:09:05,670 --> 00:09:04,320

many times have interviewed some of the

244

00:09:09,190 --> 00:09:05,680

mediums who are

245

00:09:11,590 --> 00:09:09,200

in your uh panel of advisors

246

00:09:12,870 --> 00:09:11,600

so i'm very familiar with the topic very

247

00:09:16,949 --> 00:09:12,880

familiar with the area

248

00:09:19,829 --> 00:09:16,959

i am super impressed i think the most

249

00:09:22,710 --> 00:09:19,839

amazing thing uh what you guys are doing

250

00:09:25,829 --> 00:09:22,720

is you're essentially doing the next

251
00:09:29,269 --> 00:09:25,839
version of the double slit experiment so

252
00:09:33,190 --> 00:09:29,279
in terms of just where it is in

253
00:09:36,870 --> 00:09:33,200
in further solidifying or falsifying

254
00:09:39,430 --> 00:09:36,880
materialism i think is phenomenal

255
00:09:41,509 --> 00:09:39,440
it's an extension of dean rayden's uh uh

256
00:09:42,070 --> 00:09:41,519
double slit experiment of a meditator

257
00:09:43,350 --> 00:09:42,080
because you

258
00:09:44,790 --> 00:09:43,360
what you guys are doing maybe we should

259
00:09:46,389 --> 00:09:44,800
talk a little bit about that before i

260
00:09:48,230 --> 00:09:46,399
hammer on you on

261
00:09:50,389 --> 00:09:48,240
michael jackson's reach around and why

262
00:09:52,949 --> 00:09:50,399
he'd be on your a-team and

263
00:09:54,630 --> 00:09:52,959

why god needs our help with your cell

264

00:09:57,670 --> 00:09:54,640

phone and your commercialized

265

00:09:59,190 --> 00:09:57,680

soul switch before we get there let's

266

00:10:00,630 --> 00:09:59,200

talk about the device

267

00:10:03,110 --> 00:10:00,640

because i think people who are

268

00:10:06,470 --> 00:10:03,120

interested scientifically

269

00:10:09,509 --> 00:10:06,480

a photon beam and a camera

270

00:10:10,389 --> 00:10:09,519

are the technology that are now within

271

00:10:12,550 --> 00:10:10,399

reach

272

00:10:14,150 --> 00:10:12,560

economically to kind of make some of

273

00:10:17,430 --> 00:10:14,160

this stuff viable

274

00:10:20,550 --> 00:10:17,440

explain to people the basic setup for

275

00:10:23,910 --> 00:10:20,560

why you would even be so bold

276

00:10:27,030 --> 00:10:23,920

to suggest you could do this stuff

277

00:10:28,949 --> 00:10:27,040

well first of all because as mentioned

278

00:10:30,069 --> 00:10:28,959

seven different experiments yielding a

279

00:10:33,190 --> 00:10:30,079

ton of data

280

00:10:35,110 --> 00:10:33,200

have indicated and

281

00:10:37,110 --> 00:10:35,120

the the terms we have to use and there's

282

00:10:40,389 --> 00:10:37,120

a long list are

283

00:10:43,509 --> 00:10:40,399

these uh research experiments are

284

00:10:46,630 --> 00:10:43,519

replicated which means they've been um

285

00:10:49,509 --> 00:10:46,640

done by other people in other centers

286

00:10:50,550 --> 00:10:49,519

they are controlled which means anytime

287

00:10:54,069 --> 00:10:50,560

we allow

288

00:10:56,550 --> 00:10:54,079

a post material participant to

289

00:10:58,630 --> 00:10:56,560

signal an answer ask them a yes or no

290

00:11:01,430 --> 00:10:58,640

there's a corresponding baseline

291

00:11:02,310 --> 00:11:01,440

period control where nobody is doing

292

00:11:04,230 --> 00:11:02,320

anything so

293

00:11:05,350 --> 00:11:04,240

for each experiment we can see the

294

00:11:07,509 --> 00:11:05,360

difference between

295

00:11:11,110 --> 00:11:07,519

baseline which is kind of like the

296

00:11:12,310 --> 00:11:11,120

horizontal axis flat line eeg or ekg not

297

00:11:15,350 --> 00:11:12,320

much happening

298

00:11:17,750 --> 00:11:15,360

versus the spikes when they

299

00:11:19,430 --> 00:11:17,760

touch the particular device to answer

300

00:11:22,150 --> 00:11:19,440

yes or no

301

00:11:24,389 --> 00:11:22,160

this research is also double-blinded

302

00:11:26,870 --> 00:11:24,399

sometimes dr schwartz

303

00:11:28,069 --> 00:11:26,880

uh doesn't know who's going to be

304

00:11:31,430 --> 00:11:28,079

involved

305

00:11:34,470 --> 00:11:31,440

when at which lab and so on and

306

00:11:36,790 --> 00:11:34,480

finally it's peer-reviewed been

307

00:11:41,509 --> 00:11:36,800

published in peer-reviewed

308

00:11:43,910 --> 00:11:41,519

scientific journals in 2010-2011

309

00:11:44,790 --> 00:11:43,920

most recently an explorer coming out

310

00:11:46,710 --> 00:11:44,800

this year

311

00:11:48,389 --> 00:11:46,720

and the seminal paper being written

312

00:11:51,750 --> 00:11:48,399

right now hopefully for

313

00:11:55,430 --> 00:11:51,760

science advances so there's been

314

00:11:56,949 --> 00:11:55,440

real scientific research and

315

00:11:58,629 --> 00:11:56,959

you know alex a lot of people have

316

00:12:01,430 --> 00:11:58,639

beliefs about whether there is an

317

00:12:04,310 --> 00:12:01,440

afterlife or how some of this works

318

00:12:05,030 --> 00:12:04,320

but the true scientist has to follow the

319

00:12:09,350 --> 00:12:05,040

data

320

00:12:13,110 --> 00:12:09,360

this clear of a

321

00:12:15,030 --> 00:12:13,120

picture then one needs to follow that

322

00:12:16,790 --> 00:12:15,040

i'll pop up on the screen here for

323

00:12:18,310 --> 00:12:16,800

people here and i'm going to refer to

324

00:12:18,949 --> 00:12:18,320

this a couple times because it's got

325

00:12:21,030 --> 00:12:18,959

some good

326

00:12:22,230 --> 00:12:21,040

stuff in it it's a press release that

327

00:12:25,670 --> 00:12:22,240

you guys issued

328

00:12:27,590 --> 00:12:25,680

a couple years ago in 2017 and i like

329

00:12:29,350 --> 00:12:27,600

you know so again you have multiple

330

00:12:31,110 --> 00:12:29,360

kinds of experiments mark that you've

331

00:12:33,509 --> 00:12:31,120

done and that gary has done

332

00:12:35,509 --> 00:12:33,519

in case people are interested in coming

333

00:12:37,190 --> 00:12:35,519

at this from purely a physics

334

00:12:40,790 --> 00:12:37,200

perspective

335

00:12:43,350 --> 00:12:40,800

one of the most elegant beautiful

336

00:12:44,230 --> 00:12:43,360

physics experiments in the world is the

337

00:12:47,670 --> 00:12:44,240

double slit

338

00:12:49,430 --> 00:12:47,680

experiment where a photon beam is

339

00:12:50,870 --> 00:12:49,440

shot through and it either becomes

340

00:12:52,949 --> 00:12:50,880

everybody knows the experiment it's

341

00:12:55,350 --> 00:12:52,959

either a wave or a pattern

342

00:12:56,230 --> 00:12:55,360

based on whether there is an observer

343

00:12:59,110 --> 00:12:56,240

and all this

344

00:13:01,350 --> 00:12:59,120

implies that consciousness is somehow

345

00:13:02,629 --> 00:13:01,360

fundamental and that the standard model

346

00:13:05,110 --> 00:13:02,639

of materialism

347

00:13:05,750 --> 00:13:05,120

fails and the early experiments that you

348

00:13:09,829 --> 00:13:05,760

did

349

00:13:12,389 --> 00:13:09,839

was setting up a photon beam in a lab

350

00:13:14,550 --> 00:13:12,399

and shooting a camera at it so that you

351
00:13:18,389 --> 00:13:14,560
could watch that photon beam

352
00:13:22,230 --> 00:13:18,399
and then doing your thing in terms of

353
00:13:25,030 --> 00:13:22,240
querying these hypothesized

354
00:13:27,670 --> 00:13:25,040
entities in this extended consciousness

355
00:13:29,590 --> 00:13:27,680
realm and getting them to answer it

356
00:13:30,949 --> 00:13:29,600
you may be right about the details of

357
00:13:33,350 --> 00:13:30,959
that alex

358
00:13:35,190 --> 00:13:33,360
but it was before my time on i've been

359
00:13:37,910 --> 00:13:35,200
with gary now for four years

360
00:13:38,710 --> 00:13:37,920
the the photon beam experiment that he

361
00:13:42,470 --> 00:13:38,720
was doing

362
00:13:45,750 --> 00:13:42,480
at that time involved a photon beam

363
00:13:49,110 --> 00:13:45,760

or a laser beam going from

364

00:13:49,509 --> 00:13:49,120

point a to point b and a sensor measured

365

00:13:51,829 --> 00:13:49,519

in

366

00:13:53,829 --> 00:13:51,839

how long it took and the table is pretty

367

00:13:54,389 --> 00:13:53,839

long like 10 feet long but it was in

368

00:13:57,509 --> 00:13:54,399

nano

369

00:13:59,829 --> 00:13:57,519

seconds then a

370

00:14:01,990 --> 00:13:59,839

the control was of course nobody is in

371

00:14:05,269 --> 00:14:02,000

the room nobody's doing anything so we

372

00:14:08,310 --> 00:14:05,279

know that set time then for the

373

00:14:11,350 --> 00:14:08,320

human angle on things

374

00:14:13,030 --> 00:14:11,360

we put a human hand through the beam or

375

00:14:15,750 --> 00:14:13,040

a plexiglass

376

00:14:16,629 --> 00:14:15,760

hand through the beam and showed a

377

00:14:18,949 --> 00:14:16,639

marked

378

00:14:20,949 --> 00:14:18,959

decrease in the time it took to get from

379

00:14:23,509 --> 00:14:20,959

point a to point b

380

00:14:24,710 --> 00:14:23,519

then one of the quote spirit

381

00:14:27,670 --> 00:14:24,720

participants

382

00:14:28,949 --> 00:14:27,680

put their hand through again because

383

00:14:32,470 --> 00:14:28,959

they still have

384

00:14:34,790 --> 00:14:32,480

density or can have and indeed it was

385

00:14:35,590 --> 00:14:34,800

less than a human or plexiglass of

386

00:14:38,550 --> 00:14:35,600

course they're

387

00:14:41,189 --> 00:14:38,560

in another dimension hello but it was

388

00:14:44,310 --> 00:14:41,199

highly statistically significant

389

00:14:45,430 --> 00:14:44,320

versus the control groups perfect that's

390

00:14:47,829 --> 00:14:45,440

that's great so that's

391

00:14:48,790 --> 00:14:47,839

and that's just one of the experiments

392

00:14:50,389 --> 00:14:48,800

and there's a bunch of different

393

00:14:53,269 --> 00:14:50,399

experiments that have been done

394

00:14:55,030 --> 00:14:53,279

and as you said they've been replicated

395

00:14:57,189 --> 00:14:55,040

across multiple labs

396

00:14:59,350 --> 00:14:57,199

completely flies in the face of a

397

00:15:01,110 --> 00:14:59,360

materialistic explanation for that again

398

00:15:01,590 --> 00:15:01,120

you guys are playing by the rules right

399

00:15:04,150 --> 00:15:01,600

so

400

00:15:05,509 --> 00:15:04,160

science says sets it up and says these

401
00:15:06,150 --> 00:15:05,519
are the rules this is how you would

402
00:15:08,310 --> 00:15:06,160
determine

403
00:15:10,069 --> 00:15:08,320
whether you know you can measure things

404
00:15:12,389 --> 00:15:10,079
and in that way

405
00:15:15,030 --> 00:15:12,399
you did that so we're beyond that but

406
00:15:18,389 --> 00:15:15,040
here's where the problem gets in

407
00:15:21,509 --> 00:15:18,399
all the other stuff you've said is

408
00:15:24,310 --> 00:15:21,519
an interpretation of that that not

409
00:15:24,949 --> 00:15:24,320
everyone's on board with i mean even

410
00:15:27,030 --> 00:15:24,959
take

411
00:15:28,790 --> 00:15:27,040
dr julie bishol over at the windbridge

412
00:15:30,470 --> 00:15:28,800
institute they've been doing this for a

413
00:15:32,790 --> 00:15:30,480

long time with mediums

414

00:15:33,829 --> 00:15:32,800

they're not coming to exactly the same

415

00:15:36,470 --> 00:15:33,839

conclusions

416

00:15:37,350 --> 00:15:36,480

you talk to mediums mediums they're

417

00:15:39,030 --> 00:15:37,360

coming to all

418

00:15:40,230 --> 00:15:39,040

i've interviewed them on this show even

419

00:15:41,509 --> 00:15:40,240

the ones who are doing this as

420

00:15:44,150 --> 00:15:41,519

scientifically as i can

421

00:15:46,230 --> 00:15:44,160

as they can they're coming to all sorts

422

00:15:49,189 --> 00:15:46,240

of different conclusions about

423

00:15:51,110 --> 00:15:49,199

how these extended realms work who is

424

00:15:53,430 --> 00:15:51,120

involved in these extended realms

425

00:15:55,110 --> 00:15:53,440

and i think a lot of people would be

426

00:15:58,629 --> 00:15:55,120

very hesitant to say

427

00:15:59,350 --> 00:15:58,639

that your a team with uh michael jackson

428

00:16:05,110 --> 00:15:59,360

and uh

429

00:16:08,150 --> 00:16:05,120

sir arthur conan doyle that you are

430

00:16:09,110 --> 00:16:08,160

really connecting with those we don't

431

00:16:11,030 --> 00:16:09,120

even know what

432

00:16:13,030 --> 00:16:11,040

what to what those spirit beings would

433

00:16:14,790 --> 00:16:13,040

begin to to

434

00:16:16,310 --> 00:16:14,800

we can't even you don't like my term

435

00:16:19,189 --> 00:16:16,320

spirit being i had a

436

00:16:21,110 --> 00:16:19,199

spirit being i don't like whatever term

437

00:16:23,590 --> 00:16:21,120

you're associating with it

438

00:16:24,310 --> 00:16:23,600

we just do we really know enough about

439

00:16:27,189 --> 00:16:24,320

to start

440

00:16:29,110 --> 00:16:27,199

saying that stuff so i don't know matter

441

00:16:31,030 --> 00:16:29,120

of factly

442

00:16:32,949 --> 00:16:31,040

that's a fair question first of all

443

00:16:33,990 --> 00:16:32,959

people need to understand that the

444

00:16:36,550 --> 00:16:34,000

research

445

00:16:37,030 --> 00:16:36,560

of dr schwartz the university of arizona

446

00:16:39,990 --> 00:16:37,040

is

447

00:16:41,189 --> 00:16:40,000

as far as we know the only truly

448

00:16:43,430 --> 00:16:41,199

scientific

449

00:16:44,710 --> 00:16:43,440

replicated control double-blind all that

450

00:16:46,790 --> 00:16:44,720

that i mentioned

451

00:16:47,749 --> 00:16:46,800

research being done the others you

452

00:16:50,790 --> 00:16:47,759

mentioned

453

00:16:52,310 --> 00:16:50,800

are mediumistic research and some

454

00:16:54,389 --> 00:16:52,320

mediums or rock stars

455

00:16:56,870 --> 00:16:54,399

yeah it was how dr schwartz got into

456

00:16:59,269 --> 00:16:56,880

this area when he after he left yale and

457

00:17:00,710 --> 00:16:59,279

came to university of arizona 20 some

458

00:17:03,030 --> 00:17:00,720

years ago

459

00:17:05,189 --> 00:17:03,040

documenting that some mediums are very

460

00:17:07,829 --> 00:17:05,199

highly evidential but again

461

00:17:09,590 --> 00:17:07,839

some of those have bad days make

462

00:17:13,189 --> 00:17:09,600

mistakes etc

463

00:17:15,189 --> 00:17:13,199

but to answer the question of how we

464

00:17:19,029 --> 00:17:15,199

have a very high degree of certainty

465

00:17:22,150 --> 00:17:19,039

about who we're dealing with

466

00:17:24,069 --> 00:17:22,160

first of all about 10

467

00:17:25,750 --> 00:17:24,079

of the evidential mediums and you

468

00:17:29,029 --> 00:17:25,760

probably know them all

469

00:17:31,590 --> 00:17:29,039

the gary research in the late 1990s

470

00:17:32,230 --> 00:17:31,600

became colleagues and this is really how

471

00:17:35,029 --> 00:17:32,240

all this

472

00:17:36,470 --> 00:17:35,039

launched they started independently

473

00:17:39,750 --> 00:17:36,480

saying

474

00:17:41,990 --> 00:17:39,760

gary albert einstein keeps coming to me

475

00:17:43,669 --> 00:17:42,000

and he keeps telling me that you need to

476

00:17:46,230 --> 00:17:43,679

create technology

477

00:17:47,110 --> 00:17:46,240

to allow widespread communication

478

00:17:49,830 --> 00:17:47,120

between

479

00:17:50,950 --> 00:17:49,840

dimensions and so that's how i got

480

00:17:54,310 --> 00:17:50,960

started on it

481

00:17:56,390 --> 00:17:54,320

so that's one clue secondly

482

00:17:57,750 --> 00:17:56,400

we have developed a series of tests the

483

00:17:59,430 --> 00:17:57,760

first is called the personal

484

00:18:02,789 --> 00:17:59,440

identification test

485

00:18:05,110 --> 00:18:02,799

in which we ask 20 questions 10

486

00:18:06,950 --> 00:18:05,120

for which the answer should be no 10 the

487

00:18:09,270 --> 00:18:06,960

answer should be yes

488

00:18:10,710 --> 00:18:09,280

again we have control period where

489

00:18:13,669 --> 00:18:10,720

nothing is happening

490

00:18:13,990 --> 00:18:13,679

but they're hitting 80 percent accuracy

491

00:18:17,110 --> 00:18:14,000

and we

492

00:18:17,590 --> 00:18:17,120

consider that the other 20 is not that

493

00:18:19,669 --> 00:18:17,600

they're

494

00:18:21,830 --> 00:18:19,679

wrong about where they grew up or what

495

00:18:24,950 --> 00:18:21,840

their mom or dad's name was

496

00:18:27,510 --> 00:18:24,960

it's just the limitations in our uh

497

00:18:29,350 --> 00:18:27,520

tech our technology right now to measure

498

00:18:31,830 --> 00:18:29,360

their signals accurately

499

00:18:33,110 --> 00:18:31,840

the next test is called the expert

500

00:18:37,350 --> 00:18:33,120

knowledge test

501
00:18:40,150 --> 00:18:37,360
where we show a very rarely known

502
00:18:41,029 --> 00:18:40,160
very arcane piece of information for

503
00:18:44,390 --> 00:18:41,039
example

504
00:18:46,710 --> 00:18:44,400
part of albert dr einstein's

505
00:18:47,669 --> 00:18:46,720
theory of relativity i mean something no

506
00:18:49,830 --> 00:18:47,679
one would know and

507
00:18:53,190 --> 00:18:49,840
no one would certainly understand and

508
00:18:56,310 --> 00:18:53,200
show this on the computer screen and say

509
00:18:58,549 --> 00:18:56,320
einstein please signal yes if this is

510
00:19:01,110 --> 00:18:58,559
part of your theory of relativity

511
00:19:01,909 --> 00:19:01,120
or if it's worked by another prominent

512
00:19:05,110 --> 00:19:01,919
physicist

513
00:19:07,590 --> 00:19:05,120

back then the answer should be no so

514

00:19:08,830 --> 00:19:07,600

by doing a series of tests like this and

515

00:19:11,669 --> 00:19:08,840

all this

516

00:19:15,110 --> 00:19:11,679

independent evidential medium

517

00:19:18,310 --> 00:19:15,120

corroboration personal identity test

518

00:19:19,909 --> 00:19:18,320

the the expert knowledge test we have a

519

00:19:22,230 --> 00:19:19,919

high degree of certainty but we would

520

00:19:23,990 --> 00:19:22,240

never say we have absolute proof

521

00:19:26,710 --> 00:19:24,000

we definitively know who we're dealing

522

00:19:28,870 --> 00:19:26,720

with that appears who are dealing with

523

00:19:29,990 --> 00:19:28,880

one last thing on that at this point

524

00:19:33,830 --> 00:19:30,000

we're actually not

525

00:19:36,310 --> 00:19:33,840

talking about the a team much you know

526

00:19:37,990 --> 00:19:36,320

gary and his wife rhonda who's an

527

00:19:41,669 --> 00:19:38,000

evidential medium we're trying

528

00:19:44,390 --> 00:19:41,679

to be transparent share all this

529

00:19:45,350 --> 00:19:44,400

and years ago again before i came on

530

00:19:47,270 --> 00:19:45,360

board

531

00:19:49,029 --> 00:19:47,280

they were ridiculed and criticized

532

00:19:51,909 --> 00:19:49,039

pretty heavily oh really you know

533

00:19:55,990 --> 00:19:51,919

michael jackson harry houdini

534

00:19:56,789 --> 00:19:56,000

and so a few years ago they said you

535

00:19:59,350 --> 00:19:56,799

know what

536

00:20:01,510 --> 00:19:59,360

we are not going to talk about more

537

00:20:02,310 --> 00:20:01,520

because we are getting closer and closer

538

00:20:05,350 --> 00:20:02,320

every day

539

00:20:08,710 --> 00:20:05,360

to letting them speak for themselves

540

00:20:12,070 --> 00:20:08,720

uh letting them type through messages

541

00:20:12,549 --> 00:20:12,080

letting them do webinars and then they

542

00:20:14,310 --> 00:20:12,559

can

543

00:20:17,669 --> 00:20:14,320

explain a lot of these questions for

544

00:20:20,070 --> 00:20:17,679

themselves so it's really a side track

545

00:20:20,789 --> 00:20:20,080

but mark i mean the the problems here

546

00:20:23,830 --> 00:20:20,799

are almost

547

00:20:26,870 --> 00:20:23,840

too many to even start with

548

00:20:28,870 --> 00:20:26,880

but you're the guys who open that up

549

00:20:30,549 --> 00:20:28,880

what why why do you think you can open

550

00:20:33,190 --> 00:20:30,559

up the door and say

551
00:20:35,110 --> 00:20:33,200
trust us we know what we're doing we

552
00:20:36,630 --> 00:20:35,120
talked to the a-team and by the way the

553
00:20:39,270 --> 00:20:36,640
a-team

554
00:20:40,470 --> 00:20:39,280
includes middle michael jackson who you

555
00:20:43,270 --> 00:20:40,480
know the

556
00:20:44,549 --> 00:20:43,280
jesus juice reach around pedophile

557
00:20:47,510 --> 00:20:44,559
michael jackson

558
00:20:48,470 --> 00:20:47,520
he's on the a-team right so he's he's

559
00:20:50,549 --> 00:20:48,480
one of the 18

560
00:20:51,669 --> 00:20:50,559
guys i think you are going to get a lot

561
00:20:52,789 --> 00:20:51,679
of heat for that

562
00:20:55,029 --> 00:20:52,799
just like you're going to get a lot of

563
00:21:00,070 --> 00:20:55,039

heat for the idea that that

564

00:21:03,750 --> 00:21:03,430

you're you're somehow validating a form

565

00:21:06,950 --> 00:21:03,760

that

566

00:21:09,909 --> 00:21:06,960

we don't we can't even begin to describe

567

00:21:10,310 --> 00:21:09,919

what this form of consciousness is in

568

00:21:13,110 --> 00:21:10,320

this

569

00:21:15,510 --> 00:21:13,120

extended realm it seems to me like like

570

00:21:18,549 --> 00:21:15,520

i like to call it backdoor materialism

571

00:21:19,029 --> 00:21:18,559

it's like okay guys we're past this idea

572

00:21:21,590 --> 00:21:19,039

of

573

00:21:23,190 --> 00:21:21,600

materialism and you know everything is

574

00:21:25,590 --> 00:21:23,200

building blocks and

575

00:21:26,950 --> 00:21:25,600

we're meaningless robots and then you're

576

00:21:29,190 --> 00:21:26,960

starting to make all these

577

00:21:30,070 --> 00:21:29,200

assumptions about how the extended

578

00:21:33,110 --> 00:21:30,080

consciousness

579

00:21:35,830 --> 00:21:33,120

realm works i mean i don't get how you

580

00:21:38,470 --> 00:21:35,840

can do that so let's we'll start

581

00:21:39,590 --> 00:21:38,480

with the 18 michael jackson thing so a

582

00:21:42,470 --> 00:21:39,600

lot of people

583

00:21:43,190 --> 00:21:42,480

have serious questions legitimate

584

00:21:46,630 --> 00:21:43,200

questions

585

00:21:48,549 --> 00:21:46,640

about the moral standards of this one

586

00:21:50,310 --> 00:21:48,559

individual

587

00:21:51,669 --> 00:21:50,320

a lot of people wouldn't think he'd be

588

00:21:53,590 --> 00:21:51,679

on the good side

589

00:21:55,669 --> 00:21:53,600

over on that other realm that he might

590

00:21:57,990 --> 00:21:55,679

be on that other side

591

00:21:58,870 --> 00:21:58,000

why would we trust michael jackson why

592

00:22:01,190 --> 00:21:58,880

would we trust

593

00:22:02,870 --> 00:22:01,200

the spirit entity that is coming through

594

00:22:04,789 --> 00:22:02,880

is it identifying themselves as

595

00:22:06,230 --> 00:22:04,799

michael jackson even if they know all

596

00:22:07,909 --> 00:22:06,240

the personal information

597

00:22:10,710 --> 00:22:07,919

and are somehow getting all the rest of

598

00:22:12,710 --> 00:22:10,720

that well first of all you made a

599

00:22:13,190 --> 00:22:12,720

statement earlier we're asking people to

600

00:22:16,070 --> 00:22:13,200

trust

601
00:22:17,190 --> 00:22:16,080
us we're not in fact we're not doing

602
00:22:20,310 --> 00:22:17,200
much media

603
00:22:22,230 --> 00:22:20,320
outreach right now for this very reason

604
00:22:23,830 --> 00:22:22,240
because we're waiting until we have the

605
00:22:26,149 --> 00:22:23,840
multi-center studies

606
00:22:27,590 --> 00:22:26,159
involving six different universities and

607
00:22:30,149 --> 00:22:27,600
institutes

608
00:22:32,230 --> 00:22:30,159
and other things in place before we do

609
00:22:34,070 --> 00:22:32,240
the public demonstration others we could

610
00:22:36,149 --> 00:22:34,080
talk about all day alex

611
00:22:39,029 --> 00:22:36,159
but it's another whole another thing to

612
00:22:42,070 --> 00:22:39,039
see the public demonstrations

613
00:22:45,110 --> 00:22:42,080

verified by skeptical scientists

614

00:22:47,750 --> 00:22:45,120

independent uh people that it's

615

00:22:49,510 --> 00:22:47,760

all above board what would they be

616

00:22:55,270 --> 00:22:49,520

verifying

617

00:22:55,990 --> 00:22:55,280

in other words looking at the control

618

00:22:57,830 --> 00:22:56,000

looking at

619

00:22:59,510 --> 00:22:57,840

when we're purportedly measuring the

620

00:23:02,310 --> 00:22:59,520

signal of spirit

621

00:23:03,430 --> 00:23:02,320

and making sure that there's no trickery

622

00:23:05,909 --> 00:23:03,440

involved

623

00:23:07,110 --> 00:23:05,919

everything is above board just like dr

624

00:23:09,350 --> 00:23:07,120

schwartz did was

625

00:23:11,510 --> 00:23:09,360

with his uh evidential medium

626
00:23:14,230 --> 00:23:11,520
experiments as described in this book

627
00:23:16,070 --> 00:23:14,240
the afterlife experiment so again we're

628
00:23:17,830 --> 00:23:16,080
not trusting anybody and we're being

629
00:23:19,750 --> 00:23:17,840
very selective about

630
00:23:21,110 --> 00:23:19,760
doing interviews and probably won't do

631
00:23:23,750 --> 00:23:21,120
any more because

632
00:23:24,950 --> 00:23:23,760
until we're ready for all that because

633
00:23:28,149 --> 00:23:24,960
um

634
00:23:30,070 --> 00:23:28,159
we are you know we are not trying to

635
00:23:31,430 --> 00:23:30,080
describe the nature of reality the only

636
00:23:33,630 --> 00:23:31,440
thing we will say

637
00:23:35,430 --> 00:23:33,640
with absolute certainty and actually

638
00:23:38,470 --> 00:23:35,440

99.9

639

00:23:40,630 --> 00:23:38,480

certainty is that

640

00:23:42,549 --> 00:23:40,640

life continues after bodily death that's

641

00:23:43,510 --> 00:23:42,559

been indicated by these replicated

642

00:23:46,710 --> 00:23:43,520

experiments

643

00:23:48,830 --> 00:23:46,720

and at least some post material persons

644

00:23:49,990 --> 00:23:48,840

have demonstrated their ability to

645

00:23:53,909 --> 00:23:50,000

communicate

646

00:23:55,909 --> 00:23:53,919

and their memory of earthly events in

647

00:23:58,390 --> 00:23:55,919

other words we do tests where we say

648

00:24:00,470 --> 00:23:58,400

is this a giraffe yes or no is this a

649

00:24:01,430 --> 00:24:00,480

jet plane yes or no so they remember

650

00:24:05,590 --> 00:24:01,440

that

651
00:24:07,590 --> 00:24:05,600
as far as michael you have to understand

652
00:24:08,630 --> 00:24:07,600
as an open mind and intelligent person

653
00:24:10,870 --> 00:24:08,640
that you are

654
00:24:12,310 --> 00:24:10,880
that there's all kinds of evidence out

655
00:24:14,390 --> 00:24:12,320
there some

656
00:24:15,990 --> 00:24:14,400
horrible toward him that would yes make

657
00:24:18,390 --> 00:24:16,000
you think he's a pedophile

658
00:24:20,070 --> 00:24:18,400
but also some that say those are

659
00:24:22,149 --> 00:24:20,080
trumped-up charges those are on

660
00:24:25,830 --> 00:24:22,159
corroborate charges and i'm not

661
00:24:30,870 --> 00:24:25,840
prepared to get into all that um

662
00:24:34,310 --> 00:24:32,789
yeah like i say we're gonna let them

663
00:24:36,710 --> 00:24:34,320

speaking for themselves

664

00:24:38,950 --> 00:24:36,720

uh for people who want to focus on the

665

00:24:40,310 --> 00:24:38,960

negative and michael jackson is accused

666

00:24:42,149 --> 00:24:40,320

of being this

667

00:24:45,269 --> 00:24:42,159

then they can focus on that we're

668

00:24:48,149 --> 00:24:45,279

focusing on getting the working devices

669

00:24:49,830 --> 00:24:48,159

to the point uh dr schwartz has recently

670

00:24:50,470 --> 00:24:49,840

written two books and the first is

671

00:24:53,669 --> 00:24:50,480

called the

672

00:24:54,549 --> 00:24:53,679

case for truth about responsible truth

673

00:24:57,909 --> 00:24:54,559

seeking with an

674

00:25:00,310 --> 00:24:57,919

attorney alan bourie because as you know

675

00:25:03,510 --> 00:25:00,320

we live in a day and age where

676

00:25:05,909 --> 00:25:03,520

statements are made in a cavalier way

677

00:25:06,549 --> 00:25:05,919

whether there's any fact behind them or

678

00:25:09,750 --> 00:25:06,559

not

679

00:25:11,669 --> 00:25:09,760

so people are distrustful of science

680

00:25:12,950 --> 00:25:11,679

they're just stressful statements in the

681

00:25:15,029 --> 00:25:12,960

media and so on

682

00:25:16,630 --> 00:25:15,039

so dr schwartz want to write this to

683

00:25:19,669 --> 00:25:16,640

help people understand

684

00:25:23,830 --> 00:25:19,679

we are following the utmost ethics

685

00:25:26,870 --> 00:25:23,840

and so that what we say is based on

686

00:25:28,549 --> 00:25:26,880

science we are not making any new

687

00:25:29,350 --> 00:25:28,559

statements about michael or hearing

688

00:25:32,149 --> 00:25:29,360

anybody that's

689

00:25:34,789 --> 00:25:32,159

years old information the second book

690

00:25:36,630 --> 00:25:34,799

that dr schwartz has written is called

691

00:25:38,230 --> 00:25:36,640

extraordinary claims require

692

00:25:40,870 --> 00:25:38,240

extraordinary evidence

693

00:25:42,710 --> 00:25:40,880

and that's based on a statement by carl

694

00:25:45,190 --> 00:25:42,720

sagan and again

695

00:25:47,110 --> 00:25:45,200

making the case that yeah we're making

696

00:25:49,110 --> 00:25:47,120

extraordinary claim here that life

697

00:25:51,590 --> 00:25:49,120

continues after bodily death

698

00:25:53,669 --> 00:25:51,600

and at least some people can communicate

699

00:25:54,789 --> 00:25:53,679

and here's our extraordinary evidence

700

00:25:56,630 --> 00:25:54,799

behind that

701
00:25:58,710 --> 00:25:56,640
so if you want to talk about the cell

702
00:26:00,230 --> 00:25:58,720
phone devices the science the different

703
00:26:01,430 --> 00:26:00,240
experiments great but if you want to

704
00:26:04,630 --> 00:26:01,440
talk about the other

705
00:26:06,470 --> 00:26:04,640
we'll need to abbreviate this we can

706
00:26:07,669 --> 00:26:06,480
we can of course abbreviate it at any

707
00:26:10,630 --> 00:26:07,679
time but the

708
00:26:10,950 --> 00:26:10,640
the the point about uh michael jackson

709
00:26:14,470 --> 00:26:10,960
is

710
00:26:17,350 --> 00:26:14,480
not whether he's uh guilty of

711
00:26:18,950 --> 00:26:17,360
the crimes that eyewitnesses have said

712
00:26:20,149 --> 00:26:18,960
they've been there and have seen and

713
00:26:22,070 --> 00:26:20,159

witnessed and

714

00:26:23,510 --> 00:26:22,080

and his attorneys have kind of come out

715

00:26:25,750 --> 00:26:23,520

and kind of said things

716

00:26:27,269 --> 00:26:25,760

that's not the point the point is the

717

00:26:30,310 --> 00:26:27,279

assumptions that you guys

718

00:26:30,870 --> 00:26:30,320

seem to be making that fly in the face

719

00:26:34,630 --> 00:26:30,880

of

720

00:26:37,110 --> 00:26:34,640

not just um other mediums who've

721

00:26:39,510 --> 00:26:37,120

reported these extended consciousness

722

00:26:43,269 --> 00:26:39,520

realms differently than you have

723

00:26:45,350 --> 00:26:43,279

but also all that excuse me alex so

724

00:26:48,789 --> 00:26:45,360

whether it can make some headway let me

725

00:26:52,230 --> 00:26:48,799

remark on that we are not making any uh

726

00:26:54,630 --> 00:26:52,240

claims about the nature of other

727

00:26:55,830 --> 00:26:54,640

uh realms what it's like there and so on

728

00:26:57,350 --> 00:26:55,840

so there's no

729

00:26:59,350 --> 00:26:57,360

there can't be a difference mark of

730

00:27:00,870 --> 00:26:59,360

course you are of course you are

731

00:27:02,710 --> 00:27:00,880

by the very nature of the way that you

732

00:27:04,870 --> 00:27:02,720

described it you described

733

00:27:06,230 --> 00:27:04,880

let me go back i can replay it for you i

734

00:27:08,950 --> 00:27:06,240

can give you the transcript

735

00:27:11,190 --> 00:27:08,960

you said that these are actual beings

736

00:27:13,029 --> 00:27:11,200

and entities that lived here

737

00:27:15,750 --> 00:27:13,039

and that they don't really die and that

738

00:27:17,510 --> 00:27:15,760

their personality continues

739

00:27:18,950 --> 00:27:17,520

maybe those weren't your exact words but

740

00:27:21,350 --> 00:27:18,960

you did those are

741

00:27:23,029 --> 00:27:21,360

all claims about how the extended

742

00:27:25,110 --> 00:27:23,039

consciousness realm works

743

00:27:27,190 --> 00:27:25,120

and that they have physicality and that

744

00:27:27,830 --> 00:27:27,200

they have density those are all based

745

00:27:29,990 --> 00:27:27,840

alex

746

00:27:31,190 --> 00:27:30,000

on a series of experiments so perhaps

747

00:27:33,750 --> 00:27:31,200

it'd be useful

748

00:27:34,789 --> 00:27:33,760

for your uh viewers and i would suggest

749

00:27:38,630 --> 00:27:34,799

mark is that

750

00:27:41,190 --> 00:27:38,640

i i i i love the experiment

751
00:27:42,070 --> 00:27:41,200
i love where you're going in terms of

752
00:27:45,430 --> 00:27:42,080
falsifla

753
00:27:47,269 --> 00:27:45,440
falsifying materialism and on our ex

754
00:27:49,269 --> 00:27:47,279
our expanded understanding of

755
00:27:51,190 --> 00:27:49,279
consciousness because i think that's the

756
00:27:53,510 --> 00:27:51,200
greatest contribution we could make

757
00:27:55,830 --> 00:27:53,520
i think it dovetails with the very

758
00:27:56,310 --> 00:27:55,840
important near-death experience research

759
00:27:58,789 --> 00:27:56,320
that

760
00:28:00,470 --> 00:27:58,799
has been going on for the last 20 years

761
00:28:03,430 --> 00:28:00,480
it dovetails with the

762
00:28:05,029 --> 00:28:03,440
reincarnation research like at the

763
00:28:07,350 --> 00:28:05,039

university of virginia

764

00:28:08,470 --> 00:28:07,360

on the near death experience i know you

765

00:28:11,510 --> 00:28:08,480

connected with

766

00:28:11,909 --> 00:28:11,520

ians and dr jeff long he's been on this

767

00:28:15,190 --> 00:28:11,919

show

768

00:28:17,510 --> 00:28:15,200

for many times and is very popular guest

769

00:28:18,310 --> 00:28:17,520

but if you go look at that research it

770

00:28:20,470 --> 00:28:18,320

is very

771

00:28:22,549 --> 00:28:20,480

problematic and they acknowledge that

772

00:28:25,110 --> 00:28:22,559

it's problematic if you go look at

773

00:28:26,230 --> 00:28:25,120

jeff long's database of near-death

774

00:28:28,310 --> 00:28:26,240

experiences

775

00:28:29,990 --> 00:28:28,320

they're contradictory they're all over

776
00:28:32,070 --> 00:28:30,000
the place i've interviewed people

777
00:28:33,750 --> 00:28:32,080
on this show that have had dramatic

778
00:28:35,830 --> 00:28:33,760
spiritually transformative

779
00:28:37,110 --> 00:28:35,840
experiences that are extremely

780
00:28:38,630 --> 00:28:37,120
christian-based

781
00:28:40,870 --> 00:28:38,640
ian mccormick as a near-death

782
00:28:42,950 --> 00:28:40,880
experiencer who now goes around to

783
00:28:44,070 --> 00:28:42,960
churches all around the world and his

784
00:28:46,870 --> 00:28:44,080
message is

785
00:28:47,750 --> 00:28:46,880
i saw jesus in my nde and i'll tell you

786
00:28:50,870 --> 00:28:47,760
what if you saw

787
00:28:51,590 --> 00:28:50,880
jesus in yours you had a real nde if you

788
00:28:54,230 --> 00:28:51,600

didn't

789

00:28:55,510 --> 00:28:54,240

it's probably satanic and you need to

790

00:28:57,510 --> 00:28:55,520

step back on that yeah

791

00:28:59,430 --> 00:28:57,520

okay the point is the point is i think

792

00:29:01,830 --> 00:28:59,440

you guys are making the same

793

00:29:02,870 --> 00:29:01,840

exact same mistake exact same mistake

794

00:29:06,149 --> 00:29:02,880

when you start making

795

00:29:08,389 --> 00:29:06,159

all these kind of very uh cut

796

00:29:10,149 --> 00:29:08,399

and dried matter-of-fact statements that

797

00:29:13,350 --> 00:29:10,159

you got out of your ouija board

798

00:29:16,630 --> 00:29:13,360

about how extended consciousness works

799

00:29:19,110 --> 00:29:16,640

well i would love to explain uh this to

800

00:29:21,110 --> 00:29:19,120

you alex if you would like to listen

801
00:29:22,710 --> 00:29:21,120
in our book greater reality living that

802
00:29:25,430 --> 00:29:22,720
dr schwartz and i wrote

803
00:29:26,630 --> 00:29:25,440
we broke down three types of evidence

804
00:29:29,510 --> 00:29:26,640
for afterlife

805
00:29:31,110 --> 00:29:29,520
and associated understandings one is

806
00:29:34,190 --> 00:29:31,120
scientific research

807
00:29:35,669 --> 00:29:34,200
which is defined as occurring in a

808
00:29:37,909 --> 00:29:35,679
university-based

809
00:29:38,710 --> 00:29:37,919
laboratory using all the things i

810
00:29:41,430 --> 00:29:38,720
mentioned before

811
00:29:42,549 --> 00:29:41,440
controlled double binder so on to our

812
00:29:45,269 --> 00:29:42,559
knowledge we have

813
00:29:46,950 --> 00:29:45,279

heard that there may be some research

814

00:29:49,830 --> 00:29:46,960

like this going on in china

815

00:29:51,990 --> 00:29:49,840

but otherwise no one else is doing this

816

00:29:54,149 --> 00:29:52,000

sort of scientific research

817

00:29:55,669 --> 00:29:54,159

that dr schwartz did first of all 20

818

00:29:57,669 --> 00:29:55,679

years ago with mediums

819

00:29:59,909 --> 00:29:57,679

as described in this book the afterlife

820

00:30:00,789 --> 00:29:59,919

experiments and secondly now with the

821

00:30:02,950 --> 00:30:00,799

soul phone

822

00:30:04,710 --> 00:30:02,960

project again seven different

823

00:30:07,669 --> 00:30:04,720

experiments which show

824

00:30:10,630 --> 00:30:07,679

by replicated data the ability of post

825

00:30:13,669 --> 00:30:10,640

material persons to have physicality

826

00:30:17,510 --> 00:30:13,679

to move air to make

827

00:30:21,029 --> 00:30:17,520

audio signals to be visualized

828

00:30:22,070 --> 00:30:21,039

video etc that is what i'm basing those

829

00:30:24,389 --> 00:30:22,080

experiments that were

830

00:30:26,549 --> 00:30:24,399

basically my statements on about the

831

00:30:29,750 --> 00:30:26,559

nature of post-material persons

832

00:30:32,230 --> 00:30:29,760

now you mentioned near-death experiences

833

00:30:33,590 --> 00:30:32,240

and other research that's what we call

834

00:30:36,470 --> 00:30:33,600

clinical research

835

00:30:37,350 --> 00:30:36,480

that's done by a university professors

836

00:30:40,549 --> 00:30:37,360

physicians

837

00:30:42,070 --> 00:30:40,559

and others in clinical settings but by

838

00:30:44,630 --> 00:30:42,080

the very nature of the

839

00:30:45,590 --> 00:30:44,640

of the experience near-death experiences

840

00:30:48,389 --> 00:30:45,600

for example

841

00:30:49,669 --> 00:30:48,399

you can't have control groups you can't

842

00:30:52,149 --> 00:30:49,679

have double-blind

843

00:30:53,110 --> 00:30:52,159

and all the different uh requirements

844

00:30:57,590 --> 00:30:53,120

needed for true

845

00:31:00,870 --> 00:30:57,600

scientific work and then the third

846

00:31:03,909 --> 00:31:00,880

group of information or evidence

847

00:31:05,669 --> 00:31:03,919

is termed experiential that is based on

848

00:31:08,230 --> 00:31:05,679

first-hand experience

849

00:31:08,710 --> 00:31:08,240

and that's where things can really get

850

00:31:11,990 --> 00:31:08,720

uh

851
00:31:12,630 --> 00:31:12,000
variable not objective whereas you say

852
00:31:17,110 --> 00:31:12,640
you have

853
00:31:20,310 --> 00:31:17,120
another person saying

854
00:31:22,710 --> 00:31:20,320
you know jesus wasn't there so it's very

855
00:31:25,430 --> 00:31:22,720
important alex because i know you're a

856
00:31:25,750 --> 00:31:25,440
strong voice in this and and i hope you

857
00:31:28,470 --> 00:31:25,760
uh

858
00:31:29,830 --> 00:31:28,480
take the time to understand this are we

859
00:31:32,870 --> 00:31:29,840
looking at scientific

860
00:31:34,630 --> 00:31:32,880
clinical or experiential evidence

861
00:31:36,149 --> 00:31:34,640
so let me try and back off and make this

862
00:31:37,110 --> 00:31:36,159
because i'm so supportive of what you

863
00:31:39,029 --> 00:31:37,120

guys are doing

864

00:31:40,950 --> 00:31:39,039

and i think it's so important and you're

865

00:31:43,190 --> 00:31:40,960

advancing the ball down the field

866

00:31:44,230 --> 00:31:43,200

in a super important way with your

867

00:31:48,149 --> 00:31:44,240

experiments

868

00:31:51,590 --> 00:31:48,159

there seems to be in my opinion kind of

869

00:31:53,669 --> 00:31:51,600

a a a problem here that i it seems

870

00:31:55,750 --> 00:31:53,679

obvious to me i don't know why you don't

871

00:31:57,909 --> 00:31:55,760

spot it more readily but

872

00:31:58,950 --> 00:31:57,919

with what you're calling your laboratory

873

00:32:02,710 --> 00:31:58,960

work

874

00:32:06,310 --> 00:32:02,720

you're introducing this hypothesized

875

00:32:06,950 --> 00:32:06,320

disincarnate entity as soon as you do

876

00:32:09,269 --> 00:32:06,960

that

877

00:32:10,630 --> 00:32:09,279

you're no longer doing strictly

878

00:32:12,870 --> 00:32:10,640

laboratory work

879

00:32:14,950 --> 00:32:12,880

you're doing clinical work or you're

880

00:32:18,149 --> 00:32:14,960

doing experiential work

881

00:32:22,310 --> 00:32:18,159

just who you've substituted in there

882

00:32:25,830 --> 00:32:22,320

is now who not a person per se

883

00:32:28,789 --> 00:32:25,840

but it's a hypothesized person it's a

884

00:32:30,310 --> 00:32:28,799

hypothesized experience you can still do

885

00:32:32,149 --> 00:32:30,320

your laboratory work

886

00:32:33,669 --> 00:32:32,159

like you're doing in my opinion this is

887

00:32:34,630 --> 00:32:33,679

like i'm not i don't know this stuff

888

00:32:37,350 --> 00:32:34,640

like you guys do

889

00:32:37,830 --> 00:32:37,360

yeah seems to me a stretch to be saying

890

00:32:41,750 --> 00:32:37,840

that

891

00:32:44,789 --> 00:32:41,760

hypothesized

892

00:32:48,389 --> 00:32:44,799

disincarnate entity as just another

893

00:32:51,669 --> 00:32:48,399

instrument in the experiment

894

00:32:54,710 --> 00:32:51,679

i don't get that um yeah i really hope

895

00:32:57,029 --> 00:32:54,720

and in fact if you want to uh deep six

896

00:32:57,830 --> 00:32:57,039

this interview and read greater reality

897

00:32:59,590 --> 00:32:57,840

living i will

898

00:33:00,870 --> 00:32:59,600

send you literature so you can

899

00:33:04,149 --> 00:33:00,880

understand more because

900

00:33:06,950 --> 00:33:04,159

excuse me it's complicated alex and your

901
00:33:08,630 --> 00:33:06,960
viewers deserve to understand all the

902
00:33:11,549 --> 00:33:08,640
facts behind it so

903
00:33:12,789 --> 00:33:11,559
the the very reason we call them

904
00:33:16,470 --> 00:33:12,799
hypothesize

905
00:33:19,909 --> 00:33:16,480
collaborators

906
00:33:22,230 --> 00:33:19,919
is it is a hypothesis until it's proven

907
00:33:23,750 --> 00:33:22,240
but to date we have so many different

908
00:33:26,630 --> 00:33:23,760
experiments

909
00:33:28,870 --> 00:33:26,640
they are not the measurement we are

910
00:33:29,830 --> 00:33:28,880
measuring in seven different ways their

911
00:33:33,990 --> 00:33:29,840
presence

912
00:33:36,630 --> 00:33:34,000
and so by the research we're doing

913
00:33:37,430 --> 00:33:36,640

could be and has been done with humans

914

00:33:40,950 --> 00:33:37,440

involved

915

00:33:43,590 --> 00:33:40,960

only in some cases we have allegedly

916

00:33:44,310 --> 00:33:43,600

those who have passed on and their

917

00:33:48,070 --> 00:33:44,320

signals

918

00:33:49,509 --> 00:33:48,080

statistically

919

00:33:51,750 --> 00:33:49,519

significant that's part of the

920

00:33:51,990 --> 00:33:51,760

scientific method and and by the way i

921

00:33:54,470 --> 00:33:52,000

mean

922

00:33:55,750 --> 00:33:54,480

you read all my degrees and studies i

923

00:33:58,549 --> 00:33:55,760

thought i knew

924

00:34:00,789 --> 00:33:58,559

about science but actually i had to go

925

00:34:01,750 --> 00:34:00,799

back and edit my previous books like

926
00:34:04,830 --> 00:34:01,760
soul proof

927
00:34:06,149 --> 00:34:04,840
because i was guilty of making

928
00:34:09,190 --> 00:34:06,159
unsubstantiated

929
00:34:09,829 --> 00:34:09,200
statements statements that went beyond

930
00:34:13,190 --> 00:34:09,839
the current

931
00:34:14,950 --> 00:34:13,200
evidence but i can guarantee you that dr

932
00:34:15,669 --> 00:34:14,960
schwartz doesn't do that he's a true

933
00:34:18,710 --> 00:34:15,679
scientist

934
00:34:20,869 --> 00:34:18,720
been

935
00:34:23,990 --> 00:34:20,879
his colleagues and advocates

936
00:34:26,790 --> 00:34:24,000
unfortunately we live in a realm where

937
00:34:27,909 --> 00:34:26,800
yeah even studying consciousness is

938
00:34:29,510 --> 00:34:27,919

looked down upon

939

00:34:31,190 --> 00:34:29,520

and so some of the scientists have

940

00:34:32,710 --> 00:34:31,200

worked with him for decades

941

00:34:35,109 --> 00:34:32,720

some were his students when he was at

942

00:34:35,750 --> 00:34:35,119

harvard at yale a professor at harvard

943

00:34:38,629 --> 00:34:35,760

yale

944

00:34:40,230 --> 00:34:38,639

they say gary we believe in you we know

945

00:34:43,190 --> 00:34:40,240

you're the best of the best

946

00:34:43,669 --> 00:34:43,200

but we can't come out and publicly say

947

00:34:46,470 --> 00:34:43,679

it

948

00:34:48,389 --> 00:34:46,480

because we could lose our funding and so

949

00:34:49,990 --> 00:34:48,399

that's the state of things in our world

950

00:34:52,310 --> 00:34:50,000

right now if you know if you try to

951
00:34:54,629 --> 00:34:52,320
prove that life after death exists

952
00:34:56,230 --> 00:34:54,639
which is the number one fear and concern

953
00:35:00,150 --> 00:34:56,240
of so many people

954
00:35:03,430 --> 00:35:00,160
uh you're considered kooky uh so

955
00:35:05,910 --> 00:35:03,440
we're we're gonna change all that and

956
00:35:06,470 --> 00:35:05,920
it's coming i would just say uh to your

957
00:35:08,950 --> 00:35:06,480
viewers

958
00:35:09,829 --> 00:35:08,960
it's coming and you can learn a lot more

959
00:35:13,589 --> 00:35:09,839
about all this

960
00:35:16,710 --> 00:35:13,599
at the website soulphone.org

961
00:35:20,230 --> 00:35:16,720
and understand this these complex

962
00:35:24,069 --> 00:35:20,240
topics okay that's fair enough

963
00:35:27,910 --> 00:35:24,079

i i if you've stood up to all my

964

00:35:31,190 --> 00:35:27,920

toughest questions so i i'm very very

965

00:35:34,710 --> 00:35:31,200

uh skeptical of your use of the

966

00:35:37,270 --> 00:35:34,720

term laboratory experiments that include

967

00:35:38,310 --> 00:35:37,280

uh hypothesized disincarnated entities

968

00:35:40,310 --> 00:35:38,320

as just uh

969

00:35:41,990 --> 00:35:40,320

as like some photon beam over in the

970

00:35:45,670 --> 00:35:42,000

corner but we'll leave that

971

00:35:48,390 --> 00:35:45,680

where it is tell us um what's going on

972

00:35:50,069 --> 00:35:48,400

in in your world in terms of one of the

973

00:35:53,270 --> 00:35:50,079

things that you're doing that i think

974

00:35:56,470 --> 00:35:53,280

anyone should be able to get behind

975

00:35:57,990 --> 00:35:56,480

and embrace is you're a people helper

976

00:35:59,750 --> 00:35:58,000

you know when i read your bio

977

00:36:01,750 --> 00:35:59,760

you can read that you've dedicated your

978

00:36:04,550 --> 00:36:01,760

life to trying to help people and

979

00:36:07,990 --> 00:36:04,560

particularly when people are in

980

00:36:09,990 --> 00:36:08,000

a vulnerable grieving situation

981

00:36:11,430 --> 00:36:10,000

your whole life has been about trying to

982

00:36:13,109 --> 00:36:11,440

reach those people and connect with

983

00:36:15,109 --> 00:36:13,119

those people and no doubt

984

00:36:16,390 --> 00:36:15,119

that's driving this work because you see

985

00:36:18,550 --> 00:36:16,400

how

986

00:36:20,550 --> 00:36:18,560

comforting and transformational these

987

00:36:24,630 --> 00:36:20,560

kind of experience

988

00:36:25,510 --> 00:36:24,640

people specifically you seem to be

989

00:36:28,870 --> 00:36:25,520

setting up

990

00:36:30,550 --> 00:36:28,880

programs in order to bring that kind of

991

00:36:32,950 --> 00:36:30,560

relief to people

992

00:36:34,069 --> 00:36:32,960

through the soul phone foundation tell

993

00:36:36,470 --> 00:36:34,079

people more about

994

00:36:37,829 --> 00:36:36,480

what you're doing in in your personal

995

00:36:39,109 --> 00:36:37,839

practice in your books

996

00:36:41,990 --> 00:36:39,119

and also through the cell phone

997

00:36:45,750 --> 00:36:45,270

yeah we um dr schwartz and i saw early

998

00:36:47,270 --> 00:36:45,760

on

999

00:36:48,790 --> 00:36:47,280

that there was going to be a huge

1000

00:36:52,550 --> 00:36:48,800

paradigm shift

1001
00:36:54,790 --> 00:36:52,560
and um we wanted to help as many people

1002
00:36:56,790 --> 00:36:54,800
as possible prepare for that

1003
00:36:58,150 --> 00:36:56,800
wrap their heads around it i don't know

1004
00:37:00,470 --> 00:36:58,160
if you saw a netflix

1005
00:37:01,349 --> 00:37:00,480
movie a few years ago robert redford was

1006
00:37:03,109 --> 00:37:01,359
a star

1007
00:37:04,950 --> 00:37:03,119
and we were excited about it coming out

1008
00:37:07,030 --> 00:37:04,960
because the premise is very similar to

1009
00:37:09,990 --> 00:37:07,040
what we're actually doing in the lab

1010
00:37:11,190 --> 00:37:10,000
and that is a top scientist proved

1011
00:37:14,069 --> 00:37:11,200
without a doubt

1012
00:37:16,310 --> 00:37:14,079
life after death where they went with it

1013
00:37:18,069 --> 00:37:16,320

was extremely dark and that is a lot of

1014

00:37:21,109 --> 00:37:18,079

people around the world

1015

00:37:22,710 --> 00:37:21,119

committed suicide and we're like what

1016

00:37:25,670 --> 00:37:22,720

can you take a possibly

1017

00:37:26,630 --> 00:37:25,680

worse scenario from this but we

1018

00:37:30,870 --> 00:37:26,640

understand that

1019

00:37:33,510 --> 00:37:30,880

number one two so many people have had

1020

00:37:34,790 --> 00:37:33,520

spiritually transformed experiences out

1021

00:37:37,589 --> 00:37:34,800

of body experiences

1022

00:37:39,270 --> 00:37:37,599

after death communications shared death

1023

00:37:41,349 --> 00:37:39,280

experiences etc

1024

00:37:42,550 --> 00:37:41,359

but they think they're the only ones and

1025

00:37:44,470 --> 00:37:42,560

they are

1026

00:37:46,150 --> 00:37:44,480

considered they're afraid of being

1027

00:37:48,550 --> 00:37:46,160

considered kooky or crazy

1028

00:37:49,349 --> 00:37:48,560

you know it wasn't so long ago that if

1029

00:37:51,990 --> 00:37:49,359

someone

1030

00:37:53,670 --> 00:37:52,000

went to a psychiatrist and said hey when

1031

00:37:55,430 --> 00:37:53,680

almost i saw the light you know they

1032

00:37:57,589 --> 00:37:55,440

give them a hell doll

1033

00:38:00,150 --> 00:37:57,599

interestingly i had an interview with a

1034

00:38:01,270 --> 00:38:00,160

uh i was actually helping a psychiatrist

1035

00:38:03,349 --> 00:38:01,280

last week

1036

00:38:05,190 --> 00:38:03,359

and she was telling me about the various

1037

00:38:07,510 --> 00:38:05,200

after death communications from her

1038

00:38:10,069 --> 00:38:07,520

husband who passed on years ago

1039

00:38:12,550 --> 00:38:10,079

and she said i swear to god i'm not

1040

00:38:13,510 --> 00:38:12,560

crazy i really had these experiences and

1041

00:38:15,349 --> 00:38:13,520

i started laughing

1042

00:38:17,109 --> 00:38:15,359

she said you're laughing i said yeah i

1043

00:38:20,790 --> 00:38:17,119

never thought i'd live long enough

1044

00:38:22,390 --> 00:38:20,800

to have a psychiatrist try to convince

1045

00:38:23,670 --> 00:38:22,400

me she's not crazy

1046

00:38:25,750 --> 00:38:23,680

because she's having what i've been

1047

00:38:27,430 --> 00:38:25,760

teaching people about for 40 years so

1048

00:38:29,589 --> 00:38:27,440

maybe the world is ready

1049

00:38:31,990 --> 00:38:29,599

so we want to have these greater reality

1050

00:38:34,550 --> 00:38:32,000

living groups close to pandemic squash

1051
00:38:35,430 --> 00:38:34,560
those we had about 10 going in a couple

1052
00:38:38,069 --> 00:38:35,440
countries

1053
00:38:40,069 --> 00:38:38,079
where people can learn the evidence

1054
00:38:41,109 --> 00:38:40,079
share their personal experiences learn

1055
00:38:43,910 --> 00:38:41,119
how to

1056
00:38:44,430 --> 00:38:43,920
internalize this great news because a

1057
00:38:47,030 --> 00:38:44,440
dry

1058
00:38:48,230 --> 00:38:47,040
superficial intellectual knowing doesn't

1059
00:38:50,150 --> 00:38:48,240
get us through the day

1060
00:38:52,230 --> 00:38:50,160
when it gets tough you know we're dying

1061
00:38:55,270 --> 00:38:52,240
or a loved one passes or whatever

1062
00:38:56,630 --> 00:38:55,280
we want people to internalize know it to

1063
00:38:59,510 --> 00:38:56,640

learn all the benefits

1064

00:39:00,790 --> 00:38:59,520

that a company knowing a very high

1065

00:39:03,109 --> 00:39:00,800

degree of certainty that

1066

00:39:04,470 --> 00:39:03,119

all this is true and then finally how

1067

00:39:06,630 --> 00:39:04,480

can we serve others

1068

00:39:07,829 --> 00:39:06,640

and make our world a better place so

1069

00:39:10,630 --> 00:39:07,839

that's one of the

1070

00:39:11,750 --> 00:39:10,640

the focuses and people can learn more

1071

00:39:16,670 --> 00:39:11,760

about that

1072

00:39:20,069 --> 00:39:16,680

by visiting greaterrealityliving.com

1073

00:39:20,390 --> 00:39:20,079

greaterrealityliving.com i also just set

1074

00:39:22,550 --> 00:39:20,400

up

1075

00:39:23,589 --> 00:39:22,560

with the director of ins which you

1076

00:39:27,150 --> 00:39:23,599

mentioned earlier

1077

00:39:30,150 --> 00:39:27,160

chuck swedrock a series of monthly

1078

00:39:33,270 --> 00:39:30,160

presentations for the next year sharing

1079

00:39:36,390 --> 00:39:33,280

this with a lot of people

1080

00:39:37,109 --> 00:39:36,400

also i i'm very heavily involved with

1081

00:39:39,349 --> 00:39:37,119

the group

1082

00:39:40,470 --> 00:39:39,359

helping parents heal us on the board for

1083

00:39:43,510 --> 00:39:40,480

five years

1084

00:39:46,630 --> 00:39:43,520

i write their q a and i

1085

00:39:48,630 --> 00:39:46,640

train their leaders and their

1086

00:39:51,030 --> 00:39:48,640

caring listeners i think we have about

1087

00:39:54,069 --> 00:39:51,040

80 groups now around the world

1088

00:39:55,990 --> 00:39:54,079

so yes the yeah i've been doing this for

1089

00:39:58,150 --> 00:39:56,000

40 years

1090

00:39:59,670 --> 00:39:58,160

as as you said since working with all

1091

00:40:01,670 --> 00:39:59,680

these dying people

1092

00:40:04,470 --> 00:40:01,680

and before i had to lead with the

1093

00:40:07,829 --> 00:40:04,480

clinical and experiential evidence

1094

00:40:09,349 --> 00:40:07,839

which when taken together is very very

1095

00:40:11,109 --> 00:40:09,359

strongly indicating this

1096

00:40:14,470 --> 00:40:11,119

but now when you add the scientific

1097

00:40:17,589 --> 00:40:14,480

research that almost nobody knows about

1098

00:40:20,230 --> 00:40:17,599

it makes such a strong case and i've had

1099

00:40:21,349 --> 00:40:20,240

people write me and say you know i was

1100

00:40:23,589 --> 00:40:21,359

thinking about

1101

00:40:24,470 --> 00:40:23,599

ending my life but i decided to stick

1102

00:40:27,270 --> 00:40:24,480

around

1103

00:40:28,630 --> 00:40:27,280

because i see hope now and i want to see

1104

00:40:32,470 --> 00:40:28,640

how this works out

1105

00:40:34,550 --> 00:40:32,480

or how brief parents contact me and say

1106

00:40:36,069 --> 00:40:34,560

my husband and i didn't know how we were

1107

00:40:39,190 --> 00:40:36,079

going to get through this

1108

00:40:40,470 --> 00:40:39,200

but thanks to what you are doing sharing

1109

00:40:43,990 --> 00:40:40,480

all this evidence

1110

00:40:47,589 --> 00:40:44,000

and the hope of someday having

1111

00:40:49,990 --> 00:40:47,599

practical affordable widespread devices

1112

00:40:51,430 --> 00:40:50,000

not total certainty but a good

1113

00:40:54,550 --> 00:40:51,440

likelihood

1114

00:40:58,150 --> 00:40:54,560

you know that helps immensely

1115

00:41:00,230 --> 00:40:58,160

mark how do you handle religious issues

1116

00:41:01,829 --> 00:41:00,240

because again you know there's two sides

1117

00:41:04,829 --> 00:41:01,839

to that some people

1118

00:41:07,030 --> 00:41:04,839

find that comforting other people find

1119

00:41:09,430 --> 00:41:07,040

that oppressive

1120

00:41:10,069 --> 00:41:09,440

and particularly people find that in

1121

00:41:13,910 --> 00:41:10,079

their

1122

00:41:15,990 --> 00:41:13,920

been a

1123

00:41:17,430 --> 00:41:16,000

closing of a door rather than an opening

1124

00:41:19,030 --> 00:41:17,440

of doors so there's a whole spectrum

1125

00:41:20,069 --> 00:41:19,040

people understand that how do you deal

1126

00:41:24,150 --> 00:41:20,079

with it in terms of this

1127

00:41:26,309 --> 00:41:24,160

afterlife situation yeah good question

1128

00:41:28,870 --> 00:41:26,319

it depends on which hat i'm wearing alex

1129

00:41:29,670 --> 00:41:28,880

the uh if i'm the director of the soul

1130

00:41:32,790 --> 00:41:29,680

phone

1131

00:41:34,069 --> 00:41:32,800

foundation uh research assistant for the

1132

00:41:36,550 --> 00:41:34,079

soul phone foundation

1133

00:41:38,710 --> 00:41:36,560

we don't talk about it we quit because

1134

00:41:39,270 --> 00:41:38,720

we know it's just a quagmire and people

1135

00:41:42,309 --> 00:41:39,280

can get

1136

00:41:43,190 --> 00:41:42,319

so upset so quickly however from my

1137

00:41:46,309 --> 00:41:43,200

decades

1138

00:41:48,390 --> 00:41:46,319

wearing the sole proof hat i

1139

00:41:49,670 --> 00:41:48,400

addressed it head-on because it's such

1140

00:41:51,829 --> 00:41:49,680

an important topic

1141

00:41:54,390 --> 00:41:51,839

as you said i went to theology school

1142

00:41:57,430 --> 00:41:54,400

purposely to learn from myself

1143

00:41:59,510 --> 00:41:57,440

the true story the original meanings

1144

00:42:01,589 --> 00:41:59,520

of some of the sayings in the bible that

1145

00:42:03,750 --> 00:42:01,599

any child can hear and go

1146

00:42:06,870 --> 00:42:03,760

what what's up with that you got a god

1147

00:42:09,270 --> 00:42:06,880

of unfathomable love and caring

1148

00:42:10,309 --> 00:42:09,280

who depending on if we believe or do

1149

00:42:12,950 --> 00:42:10,319

certain things

1150

00:42:14,309 --> 00:42:12,960

will allow us or put us into a fiery

1151

00:42:17,430 --> 00:42:14,319

eternal hell forever

1152

00:42:19,670 --> 00:42:17,440

it's schizophrenic and as you say

1153

00:42:22,470 --> 00:42:19,680

many people have been turned off by

1154

00:42:24,950 --> 00:42:22,480

religion and i totally understand it

1155

00:42:26,470 --> 00:42:24,960

i've had many conversations with people

1156

00:42:29,990 --> 00:42:26,480

who claim to be

1157

00:42:31,990 --> 00:42:30,000

atheists or agnostics and when we talk

1158

00:42:33,349 --> 00:42:32,000

about it we find that actually what

1159

00:42:36,630 --> 00:42:33,359

they're rejecting

1160

00:42:39,030 --> 00:42:36,640

is the archaic dark ages notion of a

1161

00:42:40,630 --> 00:42:39,040

god is a big guy in the sky sitting on a

1162

00:42:43,510 --> 00:42:40,640

throne deciding who gets

1163

00:42:44,150 --> 00:42:43,520

smited and who goes to heaven forever

1164

00:42:47,670 --> 00:42:44,160

they

1165

00:42:50,630 --> 00:42:47,680

do recognize many of them however

1166

00:42:52,710 --> 00:42:50,640

like the force i mean the star star wars

1167

00:42:54,390 --> 00:42:52,720

series have done a better job

1168

00:42:56,829 --> 00:42:54,400

of helping people understand that

1169

00:42:59,589 --> 00:42:56,839

there's some creative

1170

00:43:02,230 --> 00:42:59,599

loving supportive

1171

00:43:04,069 --> 00:43:02,240

presence and power in the universe

1172

00:43:06,870 --> 00:43:04,079

better than most religions

1173

00:43:08,870 --> 00:43:06,880

and so they they get that some sort of

1174

00:43:11,990 --> 00:43:08,880

universal consciousness

1175

00:43:15,190 --> 00:43:12,000

one mind look at the nativistic

1176

00:43:17,270 --> 00:43:15,200

approaches great spirit etc so that's

1177

00:43:20,470 --> 00:43:17,280

why i try to make clear to people

1178

00:43:24,390 --> 00:43:20,480

like alice huxley wrote

1179

00:43:26,870 --> 00:43:24,400

about the um the golden threads the

1180

00:43:29,270 --> 00:43:26,880

perennial philosophy he called it

1181

00:43:31,750 --> 00:43:29,280

so also like thomas jefferson he said

1182

00:43:35,270 --> 00:43:31,760

look for the golden threads that run

1183

00:43:37,349 --> 00:43:35,280

among the world's great religions next

1184

00:43:39,349 --> 00:43:37,359

trust your inner voice what makes sense

1185

00:43:41,349 --> 00:43:39,359

to you about it and third

1186

00:43:43,750 --> 00:43:41,359

look at the contemporary evidence we

1187

00:43:45,910 --> 00:43:43,760

have and those three perhaps then

1188

00:43:47,750 --> 00:43:45,920

give one the best understanding of

1189

00:43:51,589 --> 00:43:47,760

what's going on let me give you just

1190

00:43:55,990 --> 00:43:53,589

you know we hear about heaven and hell

1191

00:43:58,550 --> 00:43:56,000

and those have morphed over time

1192

00:44:00,150 --> 00:43:58,560

into a place way up in the sky or deep

1193

00:44:02,390 --> 00:44:00,160

in the bowels of the earth

1194

00:44:04,069 --> 00:44:02,400

actually the aramaic which is the

1195

00:44:07,270 --> 00:44:04,079

formative language at the time

1196

00:44:07,990 --> 00:44:07,280

judaism islam and christianity form and

1197

00:44:11,109 --> 00:44:08,000

those

1198

00:44:12,069 --> 00:44:11,119

in that language the words for heaven

1199

00:44:14,950 --> 00:44:12,079

and hell

1200

00:44:16,630 --> 00:44:14,960

meant how you feel when you die and you

1201

00:44:19,670 --> 00:44:16,640

go through a passageway

1202

00:44:21,990 --> 00:44:19,680

experience a sorting out and you see

1203

00:44:23,829 --> 00:44:22,000

what you've done all right now let's go

1204

00:44:25,910 --> 00:44:23,839

fast forward a couple thousand years

1205

00:44:27,190 --> 00:44:25,920

with near-death experiences and so many

1206

00:44:29,030 --> 00:44:27,200

of them describing

1207

00:44:31,109 --> 00:44:29,040

one of the most transformative aspects

1208

00:44:34,069 --> 00:44:31,119

of the na nde being

1209

00:44:34,390 --> 00:44:34,079

the life review that they not only see

1210

00:44:37,430 --> 00:44:34,400

it

1211

00:44:38,069 --> 00:44:37,440

but feel what they did and said to

1212

00:44:40,150 --> 00:44:38,079

others

1213

00:44:41,589 --> 00:44:40,160

and so that can be very heavenly or it

1214

00:44:44,230 --> 00:44:41,599

can be very hellish

1215

00:44:46,390 --> 00:44:44,240

but that's and for example somebody like

1216

00:44:47,190 --> 00:44:46,400

hitler he may have to sleep for a long

1217

00:44:50,309 --> 00:44:47,200

time

1218

00:44:53,349 --> 00:44:50,319

he may have a hellish life review

1219

00:44:55,510 --> 00:44:53,359

but that's different from eternal fiery

1220

00:44:58,870 --> 00:44:55,520

hell

1221

00:45:00,550 --> 00:44:58,880

great great so mark it's uh again

1222

00:45:02,710 --> 00:45:00,560

super exciting about the work that

1223

00:45:04,390 --> 00:45:02,720

you're doing what's the best way for

1224

00:45:06,550 --> 00:45:04,400

people to stay

1225

00:45:07,990 --> 00:45:06,560

on top of what's going on and let's say

1226

00:45:11,349 --> 00:45:08,000

we haven't talked at all

1227

00:45:13,190 --> 00:45:11,359

about uh your book what's the best

1228

00:45:15,030 --> 00:45:13,200

book we've mentioned several of them

1229

00:45:18,309 --> 00:45:15,040

what's the best

1230

00:45:20,790 --> 00:45:18,319

i don't know entry point in your opinion

1231

00:45:21,430 --> 00:45:20,800

for folks who are intrigued with this

1232

00:45:23,589 --> 00:45:21,440

yeah

1233

00:45:25,190 --> 00:45:23,599

well first of all the best there are two

1234

00:45:28,230 --> 00:45:25,200

websites that people should

1235

00:45:28,950 --> 00:45:28,240

see and the first is soul and i'm sorry

1236

00:45:33,430 --> 00:45:28,960

these are so

1237

00:45:36,550 --> 00:45:33,440

similar soul proof soulproof.com

1238

00:45:39,270 --> 00:45:36,560

that is mine i have now 75 free

1239

00:45:39,910 --> 00:45:39,280

articles on it that address the toughest

1240

00:45:41,750 --> 00:45:39,920

of the tough

1241

00:45:44,069 --> 00:45:41,760

questions and challenges people go

1242

00:45:50,150 --> 00:45:47,190

when when your child changes worlds

1243

00:45:50,950 --> 00:45:50,160

when a loved one's body is murdered when

1244

00:45:55,589 --> 00:45:50,960

a loved one

1245

00:45:57,510 --> 00:45:55,599

passes by suicide if you go to home

1246

00:45:59,589 --> 00:45:57,520

and then you'll see all the different

1247

00:45:59,990 --> 00:45:59,599

articles so these are free articles that

1248

00:46:03,190 --> 00:46:00,000

people

1249

00:46:04,630 --> 00:46:03,200

can read next yeah if you scroll down

1250

00:46:07,349 --> 00:46:04,640

you'll see some of these

1251
00:46:08,230 --> 00:46:07,359
by the way um there we go by the way

1252
00:46:11,670 --> 00:46:08,240
notice the

1253
00:46:13,349 --> 00:46:11,680
specific language when a loved one's

1254
00:46:16,230 --> 00:46:13,359
earthly body dies

1255
00:46:17,990 --> 00:46:16,240
the loved one doesn't die or at least a

1256
00:46:19,829 --> 00:46:18,000
wealth of scientific clinical and

1257
00:46:23,670 --> 00:46:19,839
experiential evidence

1258
00:46:26,069 --> 00:46:23,680
indicates that but the body does

1259
00:46:28,069 --> 00:46:26,079
so that's one free resource next if you

1260
00:46:28,470 --> 00:46:28,079
go to the top and to the right you'll

1261
00:46:31,670 --> 00:46:28,480
see

1262
00:46:35,190 --> 00:46:31,680
radio shows i was a radio show host

1263
00:46:37,829 --> 00:46:35,200

twice over the last 20 years and

1264

00:46:38,390 --> 00:46:37,839

i interviewed people like wayne dyer

1265

00:46:41,349 --> 00:46:38,400

brian

1266

00:46:43,109 --> 00:46:41,359

weiss michael newton before he passed

1267

00:46:43,829 --> 00:46:43,119

bernie siegel you know the best of the

1268

00:46:45,910 --> 00:46:43,839

best

1269

00:46:47,270 --> 00:46:45,920

yeah actually radio shows i think it's

1270

00:46:51,190 --> 00:46:47,280

further to the right

1271

00:46:54,470 --> 00:46:51,200

and so there are free interviews

1272

00:46:57,829 --> 00:46:54,480

uh with these great minds that people

1273

00:47:00,630 --> 00:46:57,839

can listen to there you go

1274

00:47:01,910 --> 00:47:00,640

and download i mean look at this list

1275

00:47:05,190 --> 00:47:01,920

carolyn mace

1276

00:47:07,349 --> 00:47:05,200

anita morijani bill guggenheim

1277

00:47:08,710 --> 00:47:07,359

pioneering after death communications

1278

00:47:12,069 --> 00:47:08,720

etc

1279

00:47:15,109 --> 00:47:12,079

and then that list below i mean giants

1280

00:47:17,270 --> 00:47:15,119

uh so that's another free resource the

1281

00:47:20,109 --> 00:47:17,280

next is sign up for the free

1282

00:47:23,510 --> 00:47:20,119

email newsletter so that's all with

1283

00:47:26,230 --> 00:47:23,520

soulproof.com and then i have five books

1284

00:47:28,309 --> 00:47:26,240

12 different transformative audio

1285

00:47:29,190 --> 00:47:28,319

experiences for example past life

1286

00:47:32,230 --> 00:47:29,200

aggression

1287

00:47:33,510 --> 00:47:32,240

training with brian weiss on holistic

1288

00:47:35,670 --> 00:47:33,520

breathing etc

1289

00:47:37,270 --> 00:47:35,680

to answer your question the book on the

1290

00:47:39,829 --> 00:47:37,280

upper left

1291

00:47:42,230 --> 00:47:39,839

is probably the best entry point for

1292

00:47:44,150 --> 00:47:42,240

many people by all this because it is

1293

00:47:45,510 --> 00:47:44,160

so vast and complex can seem

1294

00:47:47,829 --> 00:47:45,520

overwhelming

1295

00:47:49,349 --> 00:47:47,839

this is the most recent book is it the

1296

00:47:50,069 --> 00:47:49,359

big picture of life is that's what

1297

00:47:53,270 --> 00:47:50,079

you're different

1298

00:47:55,030 --> 00:47:53,280

yes that was written alex for ages 10

1299

00:47:55,670 --> 00:47:55,040

through 16 but the feedback we're

1300

00:47:58,150 --> 00:47:55,680

getting

1301
00:47:59,910 --> 00:47:58,160
is from adults they say i hate to say it

1302
00:48:02,390 --> 00:47:59,920
but i get a lot more out of

1303
00:48:04,309 --> 00:48:02,400
this kid's book than i did out of soul

1304
00:48:05,510 --> 00:48:04,319
proof and greater rowdy living and we

1305
00:48:09,030 --> 00:48:05,520
understand it

1306
00:48:10,470 --> 00:48:09,040
um so that's that part the second

1307
00:48:13,990 --> 00:48:10,480
website again

1308
00:48:17,349 --> 00:48:14,000
soul phone dot org and then that's

1309
00:48:20,710 --> 00:48:17,359
all about the soul phone project

1310
00:48:23,270 --> 00:48:20,720
uh research update and

1311
00:48:24,870 --> 00:48:23,280
a number of radio shows that i've done

1312
00:48:28,390 --> 00:48:24,880
so this is where people can

1313
00:48:30,230 --> 00:48:28,400

learn about this um

1314

00:48:34,230 --> 00:48:30,240

again because it's just such a big

1315

00:48:36,309 --> 00:48:34,240

subject it's it's mind-boggling really

1316

00:48:38,470 --> 00:48:36,319

well you've done a great job of laying

1317

00:48:39,750 --> 00:48:38,480

it out and i'm glad i had a chance to

1318

00:48:40,790 --> 00:48:39,760

ask you some of the questions that i

1319

00:48:44,950 --> 00:48:40,800

haven't heard you

1320

00:48:47,109 --> 00:48:44,960

asked on other shows so fantastic

1321

00:48:48,870 --> 00:48:47,119

again congratulations with all this

1322

00:48:51,430 --> 00:48:48,880

important work and uh

1323

00:48:52,870 --> 00:48:51,440

hey we will be looking forward to it it

1324

00:48:56,790 --> 00:48:52,880

can only

1325

00:48:58,470 --> 00:48:56,800

what you're bringing forward

1326
00:49:00,309 --> 00:48:58,480
one way or another we'll know we will

1327
00:49:02,710 --> 00:49:00,319
know more and that's always good so

1328
00:49:04,950 --> 00:49:02,720
thank you mark all right thank you alex

1329
00:49:06,790 --> 00:49:04,960
take care

1330
00:49:08,470 --> 00:49:06,800
thanks again to dr mark pittstick for

1331
00:49:11,670 --> 00:49:08,480
joining me today on skeptico

1332
00:49:13,910 --> 00:49:11,680
i know i kind of got in mark's face

1333
00:49:16,230 --> 00:49:13,920
and i guess indirectly gary schwartz's

1334
00:49:18,390 --> 00:49:16,240
face about their soul phone

1335
00:49:19,430 --> 00:49:18,400
and their soul phone quote-unquote

1336
00:49:22,870 --> 00:49:19,440
laboratory

1337
00:49:26,150 --> 00:49:22,880
experiments but in a way these

1338
00:49:29,670 --> 00:49:26,160

experiments are fantastic

1339

00:49:32,710 --> 00:49:29,680

so if they have a laboratory experiment

1340

00:49:36,630 --> 00:49:32,720

with a hypothesized spirit

1341

00:49:39,670 --> 00:49:36,640

entity isn't that kind of great in a way

1342

00:49:40,470 --> 00:49:39,680

in that it kind of forces the phony

1343

00:49:44,069 --> 00:49:40,480

baloney

1344

00:49:46,630 --> 00:49:44,079

physics materialism science is wrong

1345

00:49:48,710 --> 00:49:46,640

about almost everything it kind of

1346

00:49:51,270 --> 00:49:48,720

forces their hand right

1347

00:49:51,829 --> 00:49:51,280

because on one hand if you want to say

1348

00:49:54,710 --> 00:49:51,839

hey

1349

00:49:55,750 --> 00:49:54,720

that's not a legitimate experiment

1350

00:49:57,910 --> 00:49:55,760

because you have an

1351
00:49:59,190 --> 00:49:57,920
entity there that may be affecting that

1352
00:50:01,030 --> 00:49:59,200
experiment

1353
00:50:03,270 --> 00:50:01,040
well now you've acknowledged

1354
00:50:04,230 --> 00:50:03,280
consciousness not only consciousness but

1355
00:50:06,630 --> 00:50:04,240
the kind of

1356
00:50:07,670 --> 00:50:06,640
extended consciousness that we talk

1357
00:50:09,349 --> 00:50:07,680
about

1358
00:50:11,910 --> 00:50:09,359
on the other hand if you want to try and

1359
00:50:14,549 --> 00:50:11,920
hold the line and say well there's no

1360
00:50:17,510 --> 00:50:14,559
such thing as extended consciousness

1361
00:50:19,349 --> 00:50:17,520
then you gotta let his experiment in and

1362
00:50:21,589 --> 00:50:19,359
move him right to the front of the line

1363
00:50:22,950 --> 00:50:21,599

for the nobel prize hey he sure has my

1364

00:50:25,030 --> 00:50:22,960

nomination right

1365

00:50:27,510 --> 00:50:25,040

if you're gonna hold to your phony

1366

00:50:29,190 --> 00:50:27,520

baloney biological robot meaningless

1367

00:50:31,829 --> 00:50:29,200

universe science

1368

00:50:33,190 --> 00:50:31,839

then you gotta let in an experiment that

1369

00:50:36,630 --> 00:50:33,200

for all the rules

1370

00:50:38,950 --> 00:50:36,640

does everything right now

1371

00:50:41,190 --> 00:50:38,960

if we can get to that point which we

1372

00:50:42,870 --> 00:50:41,200

most certainly cannot

1373

00:50:44,549 --> 00:50:42,880

for all the reasons we talk about so

1374

00:50:45,589 --> 00:50:44,559

often on this show but if you can get to

1375

00:50:48,790 --> 00:50:45,599

that point

1376

00:50:51,430 --> 00:50:48,800

then you're really at the next level

1377

00:50:54,470 --> 00:50:51,440

where science needs to be because then

1378

00:50:56,950 --> 00:50:54,480

and only then can you talk about why we

1379

00:50:57,750 --> 00:50:56,960

might be a little bit uncomfortable with

1380

00:51:01,670 --> 00:50:57,760

the

1381

00:51:05,030 --> 00:51:01,680

reach around jesus juice michael jackson

1382

00:51:06,309 --> 00:51:05,040

purporting to be the guy who's on the

1383

00:51:09,750 --> 00:51:06,319

other end

1384

00:51:11,829 --> 00:51:09,760

of your ouija board but like i say

1385

00:51:13,430 --> 00:51:11,839

we'll probably never get there but the

1386

00:51:14,630 --> 00:51:13,440

first part of that question is pretty

1387

00:51:17,349 --> 00:51:14,640

interesting

1388

00:51:17,750 --> 00:51:17,359

what do you think hey the best place to

1389

00:51:20,630 --> 00:51:17,760

reach

1390

00:51:21,750 --> 00:51:20,640

me is skeptical forum you can also shoot

1391

00:51:23,670 --> 00:51:21,760

me an email

1392

00:51:25,270 --> 00:51:23,680

stick around i have some good shows

1393

00:51:29,760 --> 00:51:25,280

coming up i think

1394

00:51:34,829 --> 00:51:29,770

until next time take care and bye for
