***THE
PARAPOLITICAL
MIDDLE***

FEATURING

RECLUSE

1
00:00:03,030 --> 00:00:01,829
start the sequence we've got activity on

2
00:00:04,470 --> 00:00:03,040
the hotline

3
00:00:08,790 --> 00:00:04,480
they've had their chance no no

4
00:00:13,910 --> 00:00:11,589
that's a clip from well i don't know

5
00:00:17,510 --> 00:00:13,920
wait a minute does it even matter i mean

6
00:00:21,109 --> 00:00:17,520
i think that's the sum of all fears but

7
00:00:24,470 --> 00:00:21,119
doesn't even matter it's just some other

8
00:00:27,710 --> 00:00:24,480
phony baloney orchestrated

9
00:00:31,910 --> 00:00:27,720
intelligence community

10
00:00:33,670 --> 00:00:31,920
propaganda psyop major motion picture

11
00:00:35,270 --> 00:00:33,680
[h__\h] and i guess if you're

12
00:00:36,150 --> 00:00:35,280
uncomfortable with that idea if you're

13
00:00:38,069 --> 00:00:36,160

uncomfortable

14

00:00:39,350 --> 00:00:38,079

with the idea that you're being

15

00:00:42,830 --> 00:00:39,360

constantly

16

00:00:45,830 --> 00:00:42,840

played manipulated by some

17

00:00:46,310 --> 00:00:45,840

parapolitical psyop machine that we

18

00:00:49,590 --> 00:00:46,320

can't

19

00:00:52,229 --> 00:00:49,600

even begin to wrap our head around

20

00:00:53,670 --> 00:00:52,239

then you might have a hard time with

21

00:00:56,229 --> 00:00:53,680

today's interview with

22

00:00:57,990 --> 00:00:56,239

recluse here's a clip i want people to

23

00:00:59,750 --> 00:00:58,000

understand the techniques especially

24

00:01:01,189 --> 00:00:59,760

in terms of psychological operations

25

00:01:02,790 --> 00:01:01,199

that are being used i mean not just so

26

00:01:04,549 --> 00:01:02,800

you can recognize them but so you can

27

00:01:05,990 --> 00:01:04,559

learn how to use them yourselves because

28

00:01:07,990 --> 00:01:06,000

i mean effectively

29

00:01:09,990 --> 00:01:08,000

if we are going to have a third position

30

00:01:11,830 --> 00:01:10,000

or we are simply going to try to sway

31

00:01:12,789 --> 00:01:11,840

one of the two dominant positions in a

32

00:01:14,789 --> 00:01:12,799

more

33

00:01:16,390 --> 00:01:14,799

just say humanitarian direction what

34

00:01:18,149 --> 00:01:16,400

they're currently geared towards

35

00:01:19,990 --> 00:01:18,159

we have to understand their techniques

36

00:01:21,910 --> 00:01:20,000

and their methods welcome to skeptico

37

00:01:23,190 --> 00:01:21,920

where we explore controversial science

38

00:01:25,270 --> 00:01:23,200

and spirituality

39

00:01:27,670 --> 00:01:25,280

with leading researchers thinkers and

40

00:01:30,789 --> 00:01:27,680

their critics i'm your host alex sacaris

41

00:01:34,230 --> 00:01:30,799

and today we welcome steven snyder

42

00:01:36,230 --> 00:01:34,240

aka recluse to skeptico reckless is the

43

00:01:37,510 --> 00:01:36,240

author of a new book

44

00:01:40,310 --> 00:01:37,520

i have up on the screen if you're

45

00:01:43,749 --> 00:01:40,320

watching a special relationship

46

00:01:45,469 --> 00:01:43,759

trump epstein and the secret

47

00:01:48,310 --> 00:01:45,479

and the secret history of the

48

00:01:51,190 --> 00:01:48,320

anglo-american establishment

49

00:01:52,230 --> 00:01:51,200

i also wanted to mention another great

50

00:01:56,389 --> 00:01:52,240

book

51

00:01:59,510 --> 00:01:56,399

that stephen did along with his

52

00:02:01,190 --> 00:01:59,520

co-host co-creator of the excellent the

53

00:02:04,550 --> 00:02:01,200

farm podcast

54

00:02:07,030 --> 00:02:04,560

and that is a book titled strange tales

55

00:02:10,229 --> 00:02:07,040

of the parapolitical

56

00:02:11,350 --> 00:02:10,239

post-war nazis mercenaries and other

57

00:02:14,710 --> 00:02:11,360

secret history

58

00:02:16,790 --> 00:02:14,720

you can find that book on amazon but

59

00:02:18,630 --> 00:02:16,800

the other place and the real place to go

60

00:02:19,670 --> 00:02:18,640

to find that and the new book that's

61

00:02:23,350 --> 00:02:19,680

coming out

62

00:02:25,670 --> 00:02:23,360

is the visip blog that

63

00:02:27,110 --> 00:02:25,680

recluse does and you can go right there

64

00:02:29,589 --> 00:02:27,120

to the store

65

00:02:31,430 --> 00:02:29,599

and it's better for him i mean he gets a

66

00:02:33,509 --> 00:02:31,440

little bit more

67

00:02:35,750 --> 00:02:33,519

out of it which we definitely want when

68

00:02:39,030 --> 00:02:35,760

you're doing your own books like that

69

00:02:41,830 --> 00:02:39,040

so if you're unfamiliar with

70

00:02:42,309 --> 00:02:41,840

his work uh oh you're in for a real

71

00:02:45,509 --> 00:02:42,319

treat

72

00:02:47,350 --> 00:02:45,519

i mean recluse is very much of a deep

73

00:02:51,750 --> 00:02:47,360

dive kind of guy

74

00:02:54,869 --> 00:02:51,760

tons of research backed up with

75

00:02:56,070 --> 00:02:54,879

tons of really solid references and a

76

00:02:59,430 --> 00:02:56,080

lot of

77

00:03:02,070 --> 00:02:59,440

if only things were that simple

78

00:03:05,190 --> 00:03:02,080

kind of insights which i i love because

79

00:03:05,670 --> 00:03:05,200

that's kind of this level three kind of

80

00:03:08,869 --> 00:03:05,680

stuff

81

00:03:11,509 --> 00:03:08,879

it's never simple it's never one way so

82

00:03:14,229 --> 00:03:11,519

it's gonna be great fun for me i've been

83

00:03:17,589 --> 00:03:14,239

really looking forward to this one

84

00:03:19,350 --> 00:03:17,599

recluse man welcome to skeptico thanks

85

00:03:22,390 --> 00:03:19,360

so much for joining me

86

00:03:24,390 --> 00:03:22,400

yeah well thanks for having me on alex

87

00:03:25,750 --> 00:03:24,400

so you know what i thought we'd do is

88

00:03:28,949 --> 00:03:25,760

just uh

89

00:03:32,309 --> 00:03:28,959

jump in why don't you give folks

90

00:03:35,430 --> 00:03:32,319

a quick scan overview

91

00:03:37,670 --> 00:03:35,440

of those two books because what i'm

92

00:03:39,830 --> 00:03:37,680

really hoping to do is kind of stitch

93

00:03:41,350 --> 00:03:39,840

stomachs stitch some of this stuff

94

00:03:44,470 --> 00:03:41,360

together particularly

95

00:03:45,990 --> 00:03:44,480

as it's relating to the craziness that

96

00:03:48,869 --> 00:03:46,000

is unfolding on a

97

00:03:50,229 --> 00:03:48,879

daily basis and i love how you're

98

00:03:53,589 --> 00:03:50,239

pulling the lens

99

00:03:56,470 --> 00:03:53,599

back to this parapolitical perspective

100

00:03:58,710 --> 00:03:56,480

that is a little bit removed from the

101
00:03:59,429 --> 00:03:58,720
normal kind of conspiracy theory

102
00:04:02,229 --> 00:03:59,439
perspective

103
00:04:03,110 --> 00:04:02,239
but is absolutely essential to

104
00:04:06,070 --> 00:04:03,120
understanding

105
00:04:08,070 --> 00:04:06,080
any of this so with that kind of lens

106
00:04:11,190 --> 00:04:08,080
that i've already applied to the thing

107
00:04:13,270 --> 00:04:11,200
tell us about uh these two books that

108
00:04:15,429 --> 00:04:13,280
people might be interested in

109
00:04:17,270 --> 00:04:15,439
well the first one strange tales was

110
00:04:18,229 --> 00:04:17,280
kind of an anthology it was a collection

111
00:04:20,629 --> 00:04:18,239
of essays that

112
00:04:22,069 --> 00:04:20,639
myself and frank zero had written frank

113
00:04:22,790 --> 00:04:22,079

did like the introduction and i think

114

00:04:25,830 --> 00:04:22,800

the uh was

115

00:04:27,030 --> 00:04:25,840

the rfid chip one uh and then i did

116

00:04:29,270 --> 00:04:27,040

three myself

117

00:04:31,189 --> 00:04:29,280

one of them was on the uh you know

118

00:04:33,030 --> 00:04:31,199

famous or infamous

119

00:04:34,310 --> 00:04:33,040

uh point of view melon family of

120

00:04:36,070 --> 00:04:34,320

pittsburgh

121

00:04:38,469 --> 00:04:36,080

uh they've certainly been involved in a

122

00:04:40,230 --> 00:04:38,479

lot of intrigues uh a very wealthy

123

00:04:43,030 --> 00:04:40,240

family of course thomas mellon was the

124

00:04:44,710 --> 00:04:43,040

infamous secretary of treasury during uh

125

00:04:46,390 --> 00:04:44,720

the 1920s leading up to the

126
00:04:48,469 --> 00:04:46,400
can i just interject i just want to make

127
00:04:50,870 --> 00:04:48,479
sure you hit the high levels

128
00:04:53,710 --> 00:04:50,880
because you know for folks who are

129
00:04:56,870 --> 00:04:53,720
coming at this cold

130
00:04:58,629 --> 00:04:56,880
parapolitical is really really

131
00:05:00,790 --> 00:04:58,639
interesting in terms of where you're

132
00:05:01,430 --> 00:05:00,800
taking that i mean maybe break it down

133
00:05:03,870 --> 00:05:01,440
at that

134
00:05:05,270 --> 00:05:03,880
basic of a level of what does

135
00:05:08,230 --> 00:05:05,280
parapolitical

136
00:05:09,189 --> 00:05:08,240
mean to you and why would kind of most

137
00:05:11,270 --> 00:05:09,199
people that run across

138
00:05:12,950 --> 00:05:11,280

would go oh he's just a conspiracy

139

00:05:14,390 --> 00:05:12,960

conspiracy theory guy

140

00:05:16,310 --> 00:05:14,400

yeah well yeah yeah well that's actually

141

00:05:17,990 --> 00:05:16,320

what we're trying to like get away from

142

00:05:19,670 --> 00:05:18,000

essentially i mean parapolitical was

143

00:05:20,550 --> 00:05:19,680

essentially an attempt to do a more of a

144

00:05:22,390 --> 00:05:20,560

scholarly

145

00:05:24,629 --> 00:05:22,400

approach to deep politics i mean it

146

00:05:27,590 --> 00:05:24,639

would be a field that was uh

147

00:05:29,430 --> 00:05:27,600

really pioneered i think uh going into

148

00:05:30,150 --> 00:05:29,440

the 70s by researchers like peter dale

149

00:05:33,430 --> 00:05:30,160

scott

150

00:05:34,870 --> 00:05:33,440

or alfred mccooy and uh you know you can

151

00:05:36,550 --> 00:05:34,880

sort of see the lineage going on with

152

00:05:39,029 --> 00:05:36,560

people like douglas valentine with the

153

00:05:40,550 --> 00:05:39,039

great jeffrey bale those types of people

154

00:05:42,230 --> 00:05:40,560

but essentially i mean it was where you

155

00:05:42,870 --> 00:05:42,240

were actually doing your research you

156

00:05:44,230 --> 00:05:42,880

know

157

00:05:46,150 --> 00:05:44,240

i mean one of the things that i've

158

00:05:47,909 --> 00:05:46,160

learned doing this about 10 you know for

159

00:05:48,790 --> 00:05:47,919

10 years or so now that i mean the

160

00:05:52,469 --> 00:05:48,800

really

161

00:05:54,710 --> 00:05:52,479

stories are not the ones that you're

162

00:05:57,189 --> 00:05:54,720

going to find necessarily online and

163

00:05:57,749 --> 00:05:57,199

youtube videos or even in books frankly

164

00:06:00,150 --> 00:05:57,759

i mean they're

165

00:06:01,430 --> 00:06:00,160

going to be in private papers that are

166

00:06:03,270 --> 00:06:01,440

stashed away at all these different

167

00:06:04,790 --> 00:06:03,280

universities across the country they're

168

00:06:06,309 --> 00:06:04,800

going to be in personal interviews with

169

00:06:07,830 --> 00:06:06,319

some of these characters

170

00:06:09,670 --> 00:06:07,840

but i mean that's where you find the

171

00:06:11,350 --> 00:06:09,680

stuff that nobody's ever really heard of

172

00:06:13,510 --> 00:06:11,360

before and that's really

173

00:06:15,029 --> 00:06:13,520

to me the essence of true research i

174

00:06:15,990 --> 00:06:15,039

mean it's not just you know looking at

175

00:06:17,990 --> 00:06:16,000

some of the you know

176
00:06:19,590 --> 00:06:18,000
time-warned droves conspiracy culture

177
00:06:21,830 --> 00:06:19,600
like the old apparel horse and using

178
00:06:24,070 --> 00:06:21,840
that as a citation over and over again

179
00:06:25,430 --> 00:06:24,080
it's doing a legitimate and original

180
00:06:27,110 --> 00:06:25,440
research to try to bring

181
00:06:28,469 --> 00:06:27,120
new perspectives into a lot of these

182
00:06:29,510 --> 00:06:28,479
topics and that to me is what

183
00:06:32,150 --> 00:06:29,520
differentiates

184
00:06:33,990 --> 00:06:32,160
politics from conspiracy theory you know

185
00:06:36,070 --> 00:06:34,000
i absolutely agree with you

186
00:06:37,830 --> 00:06:36,080
but i'd add something else because i

187
00:06:40,870 --> 00:06:37,840
think there's so much more

188
00:06:42,790 --> 00:06:40,880

to what uh you're doing here

189

00:06:44,309 --> 00:06:42,800

in the i know maybe so much more is

190

00:06:48,070 --> 00:06:44,319

maybe a little bit too much

191

00:06:52,150 --> 00:06:48,080

but just to me there's a lens focus kind

192

00:06:54,629 --> 00:06:52,160

of shift in that we live

193

00:06:57,029 --> 00:06:54,639

i think we've we've now adapted to the

194

00:06:57,670 --> 00:06:57,039

parapolitical culture that we live in

195

00:06:59,990 --> 00:06:57,680

you know

196

00:07:01,670 --> 00:07:00,000

i'm an older guy than you are so i

197

00:07:05,670 --> 00:07:01,680

remember back you know the jfk

198

00:07:08,150 --> 00:07:05,680

assassination we ground on that you know

199

00:07:08,790 --> 00:07:08,160

all the books and the doubts and all

200

00:07:12,390 --> 00:07:08,800

that stuff

201
00:07:15,430 --> 00:07:12,400
for years and years and years jfk

202
00:07:16,550 --> 00:07:15,440
is parapolitical it always was

203
00:07:19,589 --> 00:07:16,560
parapolitical

204
00:07:21,110 --> 00:07:19,599
but we never had that lens so i think

205
00:07:24,550 --> 00:07:21,120
then we lived through that

206
00:07:27,029 --> 00:07:24,560
and we got into this conspiracy you know

207
00:07:28,550 --> 00:07:27,039
famous bush up there kind of laying out

208
00:07:30,950 --> 00:07:28,560
the word you know don't believe these

209
00:07:33,990 --> 00:07:30,960
conspiracy kind of things and we shifted

210
00:07:36,150 --> 00:07:34,000
and i think what you're doing is

211
00:07:37,909 --> 00:07:36,160
bringing that shift back and saying you

212
00:07:38,150 --> 00:07:37,919
know really this is the only way to look

213
00:07:39,990 --> 00:07:38,160

at

214

00:07:41,510 --> 00:07:40,000

any of this stuff is through this

215

00:07:43,189 --> 00:07:41,520

paraplegic and you're living in a

216

00:07:45,350 --> 00:07:43,199

parapolitical world

217

00:07:47,510 --> 00:07:45,360

that's what i see you saying so to me

218

00:07:49,830 --> 00:07:47,520

it's not even so much that we have to

219

00:07:51,270 --> 00:07:49,840

uh throw things away because they're too

220

00:07:53,350 --> 00:07:51,280

conspiratorial or

221

00:07:54,309 --> 00:07:53,360

they're citing the same references over

222

00:07:56,790 --> 00:07:54,319

and over again

223

00:07:58,070 --> 00:07:56,800

to me what you're really doing is a lens

224

00:08:00,869 --> 00:07:58,080

change and saying

225

00:08:01,589 --> 00:08:00,879

wait all this stuff that you think is

226

00:08:05,670 --> 00:08:01,599

real

227

00:08:08,150 --> 00:08:05,680

engineering it's mind games it's

228

00:08:10,230 --> 00:08:08,160

all this psyop kind of stuff what do you

229

00:08:12,710 --> 00:08:10,240

think about that lens

230

00:08:14,550 --> 00:08:12,720

shift kind of thing well i mean

231

00:08:16,550 --> 00:08:14,560

certainly i think in my case really

232

00:08:18,469 --> 00:08:16,560

that's what i've been trying to do a lot

233

00:08:19,670 --> 00:08:18,479

i mean especially relatively recently

234

00:08:23,350 --> 00:08:19,680

and trying to actually look

235

00:08:25,110 --> 00:08:23,360

more at um conspiracy culture itself

236

00:08:26,869 --> 00:08:25,120

because i mean it's very much a part of

237

00:08:28,070 --> 00:08:26,879

all of this i mean as much as anything

238

00:08:29,749 --> 00:08:28,080

and i mean it's really been

239

00:08:31,990 --> 00:08:29,759

instrumental i think in fragmenting the

240

00:08:33,190 --> 00:08:32,000

world view of civilization as a whole

241

00:08:35,110 --> 00:08:33,200

you know which we're definitely living

242

00:08:36,709 --> 00:08:35,120

in right now very much

243

00:08:38,550 --> 00:08:36,719

uh it's you know it's frankly been

244

00:08:40,230 --> 00:08:38,560

terrible consequences in that sense and

245

00:08:41,909 --> 00:08:40,240

that's one of the reasons why

246

00:08:43,110 --> 00:08:41,919

i've been trying to put such an emphasis

247

00:08:44,870 --> 00:08:43,120

on that because i want people to

248

00:08:46,949 --> 00:08:44,880

understand how all these psychological

249

00:08:48,470 --> 00:08:46,959

work their operations you know function

250

00:08:49,750 --> 00:08:48,480

and how they affect us and how they

251

00:08:52,150 --> 00:08:49,760

affect the different narratives that

252

00:08:54,230 --> 00:08:52,160

shape our reality essentially

253

00:08:56,230 --> 00:08:54,240

that's a great point and with that maybe

254

00:08:58,310 --> 00:08:56,240

i'd bring you back to this

255

00:09:01,110 --> 00:08:58,320

this book the strange terror tales of

256

00:09:03,350 --> 00:09:01,120

the parapolitical because

257

00:09:05,030 --> 00:09:03,360

one of the things you do in there and

258

00:09:08,389 --> 00:09:05,040

it's kind of an interesting

259

00:09:09,030 --> 00:09:08,399

contrast to the epstein book because the

260

00:09:11,269 --> 00:09:09,040

new

261

00:09:12,870 --> 00:09:11,279

epstein book which you know we're

262

00:09:15,430 --> 00:09:12,880

recording this

263

00:09:16,310 --> 00:09:15,440

october 23rd and that is supposed to

264

00:09:18,389 --> 00:09:16,320

drop

265

00:09:19,590 --> 00:09:18,399

and people can find it on your website

266

00:09:21,910 --> 00:09:19,600

like

267

00:09:23,590 --> 00:09:21,920

when in a week or two kind of thing yes

268

00:09:24,389 --> 00:09:23,600

yes hopefully within the next week or

269

00:09:25,990 --> 00:09:24,399

two

270

00:09:27,590 --> 00:09:26,000

but so we'll definitely get it out

271

00:09:29,829 --> 00:09:27,600

before the election

272

00:09:32,150 --> 00:09:29,839

yeah that would be that would be a must

273

00:09:33,430 --> 00:09:32,160

but the interesting thing i find between

274

00:09:37,190 --> 00:09:33,440

these two books

275

00:09:39,829 --> 00:09:37,200

is if there are these lingering doubts

276

00:09:41,910 --> 00:09:39,839

among people the advantage of the

277

00:09:44,870 --> 00:09:41,920

strange tales of the parapolitical

278

00:09:46,470 --> 00:09:44,880

is that it isn't rolling out in real

279

00:09:47,829 --> 00:09:46,480

time like the epstein book

280

00:09:50,470 --> 00:09:47,839

you know even though you're going back

281

00:09:52,470 --> 00:09:50,480

and tracing the history of it

282

00:09:54,710 --> 00:09:52,480

back to the 60s and even before that

283

00:09:57,829 --> 00:09:54,720

it's it's rolling in real time

284

00:09:58,150 --> 00:09:57,839

i mean maxwell's still in prison you

285

00:10:00,230 --> 00:09:58,160

know

286

00:10:01,750 --> 00:10:00,240

but that thing hasn't been resolved this

287

00:10:04,790 --> 00:10:01,760

one because

288

00:10:07,110 --> 00:10:04,800

you look at like post-war nazis down in

289

00:10:09,590 --> 00:10:07,120

south america and all the shenanigans

290

00:10:12,190 --> 00:10:09,600

they played clearly with the cia

291

00:10:13,670 --> 00:10:12,200

we have a little bit of a of a

292

00:10:15,990 --> 00:10:13,680

historical

293

00:10:17,750 --> 00:10:16,000

distance from it and when you start

294

00:10:18,949 --> 00:10:17,760

laying out the evidence which is

295

00:10:21,590 --> 00:10:18,959

undeniable

296

00:10:22,870 --> 00:10:21,600

i think it's it it's kind of harder for

297

00:10:26,150 --> 00:10:22,880

people to reject

298

00:10:27,990 --> 00:10:26,160

that the premise of it that this is

299

00:10:29,350 --> 00:10:28,000

what's in play and this is how you have

300

00:10:31,269 --> 00:10:29,360

to look at this stuff

301

00:10:33,110 --> 00:10:31,279

compared to like i say the new book

302

00:10:35,590 --> 00:10:33,120

epson we have lived through it

303

00:10:36,949 --> 00:10:35,600

but i think we're still kind of in shock

304

00:10:38,150 --> 00:10:36,959

about it yeah

305

00:10:40,310 --> 00:10:38,160

well that was you know one of the

306

00:10:42,150 --> 00:10:40,320

reasons too why i did try to uh

307

00:10:43,990 --> 00:10:42,160

focus essentially so much on that whole

308

00:10:46,230 --> 00:10:44,000

period between the 1930s and

309

00:10:47,670 --> 00:10:46,240

1960s where you know sort of the genesis

310

00:10:49,110 --> 00:10:47,680

of epstein's network

311

00:10:51,030 --> 00:10:49,120

came from in the first book because i

312

00:10:52,870 --> 00:10:51,040

mean that is something that we do have a

313

00:10:54,230 --> 00:10:52,880

certain advantage of time that's passed

314

00:10:55,430 --> 00:10:54,240

and there has been a lot of different

315

00:10:57,190 --> 00:10:55,440

works now that have been published

316

00:10:58,230 --> 00:10:57,200

especially in regards to perfume because

317

00:11:00,230 --> 00:10:58,240

that's

318

00:11:02,230 --> 00:11:00,240

it's such an enigmatic scandal it's

319

00:11:04,310 --> 00:11:02,240

really very much like the uk's jfk

320

00:11:06,470 --> 00:11:04,320

assassination it's never really been

321

00:11:08,230 --> 00:11:06,480

satisfactory explained and now we do

322

00:11:10,230 --> 00:11:08,240

have those so many different testimonies

323

00:11:12,470 --> 00:11:10,240

regarding it so you do have a certain

324

00:11:15,190 --> 00:11:12,480

advantage in reconstructing events now

325

00:11:16,710 --> 00:11:15,200

tell people the basics on that and then

326

00:11:18,389 --> 00:11:16,720

i think they'll see the links but then

327

00:11:19,910 --> 00:11:18,399

the links to how it

328

00:11:21,430 --> 00:11:19,920

goes all the way forward to what we're

329

00:11:23,509 --> 00:11:21,440

living in now

330

00:11:26,069 --> 00:11:23,519

well perfume was a scandal that broke

331

00:11:28,550 --> 00:11:26,079

out in 1963 it had its origins though

332

00:11:29,990 --> 00:11:28,560

about two years earlier in 61

333

00:11:31,910 --> 00:11:30,000

and it basically involved a love

334

00:11:33,590 --> 00:11:31,920

triangle uh involving a woman named

335

00:11:34,470 --> 00:11:33,600

christine keeler who was having an

336

00:11:37,190 --> 00:11:34,480

affair with

337

00:11:38,790 --> 00:11:37,200

um john perfume who was a member of uh

338

00:11:39,910 --> 00:11:38,800

harold macmillan the prime minister's

339

00:11:42,949 --> 00:11:39,920

cabinet

340

00:11:45,829 --> 00:11:42,959

and um yuri ivanov who was

341

00:11:46,630 --> 00:11:45,839

a soviet naval attache there and also a

342

00:11:48,790 --> 00:11:46,640

gru

343

00:11:50,790 --> 00:11:48,800

agent on the side which is uh russia's

344

00:11:52,310 --> 00:11:50,800

uh still actually the principal military

345

00:11:54,310 --> 00:11:52,320

intelligence division

346

00:11:56,069 --> 00:11:54,320

and um obviously this created some

347

00:11:57,430 --> 00:11:56,079

issues you now essentially had a

348

00:11:58,710 --> 00:11:57,440

prominent british official who was

349

00:11:59,110 --> 00:11:58,720

having affair with the woman who was

350

00:12:01,590 --> 00:11:59,120

also

351

00:12:02,870 --> 00:12:01,600

sleeping with a uh you know spy

352

00:12:04,790 --> 00:12:02,880

effectively

353

00:12:06,230 --> 00:12:04,800

but um you know kind of further mudding

354

00:12:07,910 --> 00:12:06,240

the waters as christine

355

00:12:09,670 --> 00:12:07,920

was essentially one of the girls for

356

00:12:12,790 --> 00:12:09,680

this guy called stephen ward

357

00:12:14,150 --> 00:12:12,800

so-called society osteopath who

358

00:12:15,990 --> 00:12:14,160

was well connected throughout the

359

00:12:18,389 --> 00:12:16,000

british establishment and a lot of the

360

00:12:20,389 --> 00:12:18,399

americans were over there as well

361

00:12:21,590 --> 00:12:20,399

and that just goes into an incredible

362

00:12:23,829 --> 00:12:21,600

world of these just

363

00:12:24,870 --> 00:12:23,839

strange doings with these uh you know

364

00:12:26,470 --> 00:12:24,880

vip sex

365

00:12:27,990 --> 00:12:26,480

rings i mean you see just all these

366

00:12:28,790 --> 00:12:28,000

incredible things i mean some of this

367

00:12:31,509 --> 00:12:28,800

weird you know

368

00:12:33,350 --> 00:12:31,519

cult stuff frankly uh i mean the

369

00:12:34,629 --> 00:12:33,360

indications that the reminders involved

370

00:12:36,150 --> 00:12:34,639

in some of this

371

00:12:37,829 --> 00:12:36,160

but i mean it just brings up so many

372

00:12:39,190 --> 00:12:37,839

different levels and effectively this

373

00:12:41,269 --> 00:12:39,200

you know was instrumental in bringing

374

00:12:43,670 --> 00:12:41,279

down harold mcmillan's government

375

00:12:45,430 --> 00:12:43,680

in 1963 in the uk when the scandal

376

00:12:46,949 --> 00:12:45,440

started to break and then also i think

377

00:12:49,430 --> 00:12:46,959

it played a pretty crucial role in the

378

00:12:51,110 --> 00:12:49,440

kennedy assassination over here as well

379

00:12:52,790 --> 00:12:51,120

and that's also kind of another angle

380

00:12:54,310 --> 00:12:52,800

too that i mean americans who have

381

00:12:55,430 --> 00:12:54,320

looked at the kennedy assassination

382

00:12:57,110 --> 00:12:55,440

haven't really

383

00:12:58,550 --> 00:12:57,120

paid as much attention to as they

384

00:13:00,069 --> 00:12:58,560

probably should have and that was the

385

00:13:00,949 --> 00:13:00,079

goal of foreign governments in it as

386

00:13:02,470 --> 00:13:00,959

well

387

00:13:04,069 --> 00:13:02,480

um certainly i do think you can look at

388

00:13:05,990 --> 00:13:04,079

the elements of the uk being involved

389

00:13:07,670 --> 00:13:06,000

probably the israelis as well and so

390

00:13:08,870 --> 00:13:07,680

forth but i mean that's kind of like the

391

00:13:10,470 --> 00:13:08,880

same thing you're getting at with like

392

00:13:11,990 --> 00:13:10,480

uh you know the uh essay i did in

393

00:13:13,829 --> 00:13:12,000

colonial dignidad for instance in

394

00:13:16,069 --> 00:13:13,839

strange tales it's like

395

00:13:17,590 --> 00:13:16,079

colonia dignidot it's just it's so weird

396

00:13:19,670 --> 00:13:17,600

it almost doesn't seem like a place like

397

00:13:22,389 --> 00:13:19,680

that could even exist in the real world

398

00:13:23,670 --> 00:13:22,399

again recluse back up in and talk about

399

00:13:26,550 --> 00:13:23,680

that for people who

400

00:13:26,949 --> 00:13:26,560

who are coming at it cold there's also

401

00:13:31,990 --> 00:13:26,959

great

402

00:13:33,670 --> 00:13:32,000

documentary doesn't it

403

00:13:35,269 --> 00:13:33,680

that or not a documentary it's actually

404

00:13:37,190 --> 00:13:35,279

a movie uh called colonnade

405

00:13:38,310 --> 00:13:37,200

yes yes colony yes this is that was

406

00:13:39,990 --> 00:13:38,320

actually a pretty good one too

407

00:13:42,069 --> 00:13:40,000

recounting of it but um

408

00:13:46,230 --> 00:13:42,079

yeah it was essentially set up around uh

409

00:13:49,350 --> 00:13:46,240

1959 1960 thereabouts uh dignidad

410

00:13:51,910 --> 00:13:49,360

um by what was his name paul schaefer

411

00:13:54,470 --> 00:13:51,920

who uh had been some member of the uh

412

00:13:56,310 --> 00:13:54,480

nazi party at some point uh he ended up

413

00:13:57,430 --> 00:13:56,320

at setting up essentially this compound

414

00:13:59,110 --> 00:13:57,440

in chile

415

00:14:00,550 --> 00:13:59,120

it was a massive place i think around

416

00:14:01,430 --> 00:14:00,560

three or four hundred acres in its

417

00:14:03,030 --> 00:14:01,440

heyday

418

00:14:04,710 --> 00:14:03,040

essentially you had a whole german

419

00:14:06,870 --> 00:14:04,720

community that was living there

420

00:14:09,269 --> 00:14:06,880

um they almost at all immigrated over

421

00:14:12,389 --> 00:14:09,279

witch shaper in the early 60s

422

00:14:13,990 --> 00:14:12,399

uh they had you know they were

423

00:14:16,150 --> 00:14:14,000

segregated by the sexes in different

424

00:14:17,829 --> 00:14:16,160

compounds they were 14 hour days

425

00:14:19,430 --> 00:14:17,839

they had these confessional periods that

426

00:14:19,990 --> 00:14:19,440

were kind of like quiet time with the

427

00:14:21,829 --> 00:14:20,000

immoral

428

00:14:23,829 --> 00:14:21,839

armament movement and what's thought

429

00:14:24,150 --> 00:14:23,839

that type of thing it was a cult which

430

00:14:26,710 --> 00:14:24,160

is

431

00:14:27,750 --> 00:14:26,720

like key but the the other thing about

432

00:14:30,710 --> 00:14:27,760

it is

433

00:14:33,030 --> 00:14:30,720

it kind of provides again this lens on

434

00:14:35,430 --> 00:14:33,040

what the nazis were really all about

435

00:14:36,790 --> 00:14:35,440

and that we sometimes forget it was

436

00:14:40,150 --> 00:14:36,800

about total

437

00:14:43,430 --> 00:14:40,160

societal uh control

438

00:14:45,670 --> 00:14:43,440

and and and engineering you know at that

439

00:14:47,030 --> 00:14:45,680

cult level at that deep psychological

440

00:14:50,310 --> 00:14:47,040

level probably at

441

00:14:52,870 --> 00:14:50,320

uh an occult level and then

442

00:14:53,509 --> 00:14:52,880

certainly in terms of uh traumatizing

443

00:14:55,269 --> 00:14:53,519

people

444

00:14:57,430 --> 00:14:55,279

with sex and violence and everything

445

00:14:59,590 --> 00:14:57,440

else i mean it had all the

446

00:15:01,590 --> 00:14:59,600

all the buttons and then you know of

447

00:15:04,470 --> 00:15:01,600

course the tie back that you do

448

00:15:06,230 --> 00:15:04,480

in parapolitical is we had absolutely we

449

00:15:09,590 --> 00:15:06,240

as in the united states government

450

00:15:10,550 --> 00:15:09,600

had absolutely no problem partnering

451
00:15:12,790 --> 00:15:10,560
with these people

452
00:15:13,829 --> 00:15:12,800
learning from these people going oh wow

453
00:15:16,870 --> 00:15:13,839
that's a good one

454
00:15:20,550 --> 00:15:16,880
how can we how can we learn for at your

455
00:15:23,189 --> 00:15:20,560
footsteps and how can we bring you in

456
00:15:23,829 --> 00:15:23,199
to do our projects here or do our

457
00:15:26,310 --> 00:15:23,839
projects

458
00:15:27,110 --> 00:15:26,320
abroad and that raises all sorts of

459
00:15:29,990 --> 00:15:27,120
questions

460
00:15:31,509 --> 00:15:30,000
not just from a parapolitical standpoint

461
00:15:32,230 --> 00:15:31,519
but also you know as we'll get into

462
00:15:36,230 --> 00:15:32,240
later

463
00:15:38,870 --> 00:15:36,240

from a more deep you know spiritual

464

00:15:39,590 --> 00:15:38,880

kind of what should we be doing that is

465

00:15:41,509 --> 00:15:39,600

good and

466

00:15:43,430 --> 00:15:41,519

where should we draw the line between

467

00:15:46,550 --> 00:15:43,440

what's good and bad and moral

468

00:15:47,590 --> 00:15:46,560

so i i think you know all these points

469

00:15:49,509 --> 00:15:47,600

that you're raising and that's why i

470

00:15:51,670 --> 00:15:49,519

said this is so deep to get into

471

00:15:54,710 --> 00:15:51,680

are all jumping off points for some

472

00:15:58,230 --> 00:15:54,720

really really big questions any thoughts

473

00:15:59,910 --> 00:15:58,240

on on that linkage i mean really you

474

00:16:02,790 --> 00:15:59,920

know getting into this the whole

475

00:16:04,150 --> 00:16:02,800

uh the cold war era i mean really and

476

00:16:05,509 --> 00:16:04,160

this is something again that i mean a

477

00:16:07,350 --> 00:16:05,519

lot of people don't realize but there

478

00:16:09,350 --> 00:16:07,360

really was just this

479

00:16:11,590 --> 00:16:09,360

fascination with using these different

480

00:16:12,389 --> 00:16:11,600

kinds of cults and cult ideologies to

481

00:16:15,350 --> 00:16:12,399

advance u.s

482

00:16:17,269 --> 00:16:15,360

policy objectives abroad and um i mean

483

00:16:18,790 --> 00:16:17,279

you know you would reach into the nazi

484

00:16:21,110 --> 00:16:18,800

regime for this type of thing but i mean

485

00:16:22,310 --> 00:16:21,120

it was much more universal honestly than

486

00:16:23,829 --> 00:16:22,320

that i mean

487

00:16:25,829 --> 00:16:23,839

one of the more notorious ones that

488

00:16:27,030 --> 00:16:25,839

we've looked at on the farm recently was

489

00:16:29,189 --> 00:16:27,040

uh the unification

490

00:16:31,590 --> 00:16:29,199

church and i mean you know again this is

491

00:16:33,670 --> 00:16:31,600

another outfit that had all the textbook

492

00:16:35,189 --> 00:16:33,680

hallmarks of cult control i mean when

493

00:16:36,389 --> 00:16:35,199

you really study these things it's just

494

00:16:38,069 --> 00:16:36,399

amazing i mean how many of these

495

00:16:40,629 --> 00:16:38,079

techniques you see over and over again i

496

00:16:42,870 --> 00:16:40,639

mean the 14-hour work days segregation

497

00:16:45,030 --> 00:16:42,880

sexes confessionals public shaming and

498

00:16:47,269 --> 00:16:45,040

humiliations and whatnot

499

00:16:48,470 --> 00:16:47,279

uh and it's all rolled out going into

500

00:16:49,749 --> 00:16:48,480

the cold war

501
00:16:51,590 --> 00:16:49,759
with different groups some of them have

502
00:16:52,230 --> 00:16:51,600
been around like moral armament you had

503
00:16:54,230 --> 00:16:52,240
people like

504
00:16:55,269 --> 00:16:54,240
moonies you had places like colonial

505
00:16:57,189 --> 00:16:55,279
dignitad

506
00:16:58,870 --> 00:16:57,199
possibly scientology there's been a lot

507
00:17:00,629 --> 00:16:58,880
of rumors about that for years i don't

508
00:17:02,310 --> 00:17:00,639
know how true it is at this point or not

509
00:17:02,710 --> 00:17:02,320
but you know there are some interesting

510
00:17:05,189 --> 00:17:02,720
uh

511
00:17:06,710 --> 00:17:05,199
speculations on that but i mean this

512
00:17:09,429 --> 00:17:06,720
really was the kind of thing

513
00:17:11,429 --> 00:17:09,439

that we embraced you know nominally to

514

00:17:13,829 --> 00:17:11,439

defeat communism whether or not this

515

00:17:15,590 --> 00:17:13,839

purpose is debatable but that's what he

516

00:17:17,510 --> 00:17:15,600

gave as the reason for it

517

00:17:19,429 --> 00:17:17,520

and yeah i mean it did have a profound

518

00:17:20,150 --> 00:17:19,439

effect on our society because you really

519

00:17:22,069 --> 00:17:20,160

were

520

00:17:23,829 --> 00:17:22,079

empowering a lot of these just terrible

521

00:17:25,429 --> 00:17:23,839

and fringe ideologies and

522

00:17:27,350 --> 00:17:25,439

a lot of this stuff has corrupted into

523

00:17:28,470 --> 00:17:27,360

society at a more broader level at this

524

00:17:30,710 --> 00:17:28,480

point

525

00:17:31,909 --> 00:17:30,720

um you know that was something uh you

526

00:17:33,350 --> 00:17:31,919

know with the moonies i hadn't even

527

00:17:35,029 --> 00:17:33,360

really thought of but i mean my friend

528

00:17:37,029 --> 00:17:35,039

keith had pointed out on our podcast i

529

00:17:40,470 --> 00:17:37,039

mean everything from like taekwondo

530

00:17:43,029 --> 00:17:40,480

to sushi i mean you know where i want to

531

00:17:44,710 --> 00:17:43,039

tie this back because it ties directly

532

00:17:47,830 --> 00:17:44,720

back to the presentation

533

00:17:51,270 --> 00:17:47,840

you recently did on what was the

534

00:17:54,470 --> 00:17:51,280

the title of the conspira normal uh

535

00:17:56,070 --> 00:17:54,480

kind of uh conference that you guys did

536

00:17:57,270 --> 00:17:56,080

the virtual conference and you gave a

537

00:18:00,870 --> 00:17:57,280

presentation on

538

00:18:02,390 --> 00:18:00,880

mk ultra and cybernetics which i thought

539

00:18:05,669 --> 00:18:02,400

was fantastic

540

00:18:09,510 --> 00:18:05,679

and again tied these pieces together

541

00:18:12,789 --> 00:18:09,520

in terms of how the mind control

542

00:18:14,870 --> 00:18:12,799

agenda that we were keen on doing

543

00:18:16,230 --> 00:18:14,880

just kind of ran wild and it was that's

544

00:18:17,350 --> 00:18:16,240

what i think you're alluding to here

545

00:18:19,909 --> 00:18:17,360

it's like hey

546

00:18:21,270 --> 00:18:19,919

unification church moonies great what

547

00:18:24,470 --> 00:18:21,280

are they doing how can we do

548

00:18:26,549 --> 00:18:24,480

how can we profit from what they're

549

00:18:28,310 --> 00:18:26,559

learning oh it's abusive to people it's

550

00:18:29,669 --> 00:18:28,320

destroying people's lives ah don't worry

551

00:18:31,270 --> 00:18:29,679

about that maybe we can

552

00:18:34,710 --> 00:18:31,280

sprinkle it over here weaponize it over

553

00:18:38,150 --> 00:18:36,549

i don't want to shift gears too much and

554

00:18:41,270 --> 00:18:38,160

bounce all over the place

555

00:18:43,669 --> 00:18:41,280

but maybe tell us because we've talked

556

00:18:47,669 --> 00:18:43,679

about mca ultra quite a bit on this show

557

00:18:49,510 --> 00:18:47,679

how that also has the same

558

00:18:51,110 --> 00:18:49,520

pathway into this because that's when i

559

00:18:51,990 --> 00:18:51,120

think you you were alluding to that

560

00:18:53,990 --> 00:18:52,000

right in your brain

561

00:18:55,350 --> 00:18:54,000

yeah yeah yeah yeah yeah i mean the

562

00:18:56,710 --> 00:18:55,360

presentation i was doing was called

563

00:18:58,630 --> 00:18:56,720

among the cybermen

564

00:19:00,150 --> 00:18:58,640

uh essentially the secret history of

565

00:19:01,909 --> 00:19:00,160

conspirators

566

00:19:03,270 --> 00:19:01,919

but yeah i mean a lot of this stuff sort

567

00:19:05,270 --> 00:19:03,280

of went back to

568

00:19:08,150 --> 00:19:05,280

um the initial macy's conference that

569

00:19:10,390 --> 00:19:08,160

was done in 1942 i believe which was

570

00:19:12,390 --> 00:19:10,400

sponsored by the macy foundation

571

00:19:14,390 --> 00:19:12,400

uh which incidentally also later became

572

00:19:15,190 --> 00:19:14,400

a major funding conduit of nk ultra

573

00:19:16,390 --> 00:19:15,200

later

574

00:19:18,390 --> 00:19:16,400

you brought together a lot of these

575

00:19:20,870 --> 00:19:18,400

prominent scientists psychologists

576

00:19:22,470 --> 00:19:20,880

this type of thing and this is uh really

577

00:19:23,750 --> 00:19:22,480

what produced the whole discipline of

578

00:19:25,190 --> 00:19:23,760

cybernetics which

579

00:19:27,750 --> 00:19:25,200

you know as i essentially argued in the

580

00:19:30,230 --> 00:19:27,760

presentation cybernetics is

581

00:19:32,310 --> 00:19:30,240

a very esoteric i mean almost occultic

582

00:19:33,110 --> 00:19:32,320

ideology i feel like it was essentially

583

00:19:35,750 --> 00:19:33,120

a way

584

00:19:37,750 --> 00:19:35,760

much like union psychology that was

585

00:19:39,830 --> 00:19:37,760

devised to rationalize really a lot of

586

00:19:40,630 --> 00:19:39,840

what were effectively occult doctrines

587

00:19:42,630 --> 00:19:40,640

and kind of apply

588

00:19:44,070 --> 00:19:42,640

some kind of scientific jargon to it so

589

00:19:45,430 --> 00:19:44,080

that you could get funding for this kind

590

00:19:47,190 --> 00:19:45,440

of stuff in a level that was really

591

00:19:48,390 --> 00:19:47,200

unprecedented in human history up to

592

00:19:50,789 --> 00:19:48,400

that point

593

00:19:51,669 --> 00:19:50,799

as you point out recluse it's it's not

594

00:19:54,950 --> 00:19:51,679

even

595

00:19:57,190 --> 00:19:54,960

like a leap there i mean you got

596

00:19:59,590 --> 00:19:57,200

you got references where they were doing

597

00:20:01,830 --> 00:19:59,600

occult practices they were doing

598

00:20:02,950 --> 00:20:01,840

when we say cold practices i mean they

599

00:20:06,149 --> 00:20:02,960

were trying to

600

00:20:09,270 --> 00:20:06,159

summon entities in order

601
00:20:11,750 --> 00:20:09,280
to see if they could affect these

602
00:20:15,110 --> 00:20:11,760
different things it isn't like

603
00:20:17,190 --> 00:20:15,120
obscure i mean it it is you know

604
00:20:18,630 --> 00:20:17,200
let's nail nail that down for us again

605
00:20:20,310 --> 00:20:18,640
because i'm kind of vague on

606
00:20:23,669 --> 00:20:20,320
the details but i remember i was stunned

607
00:20:25,909 --> 00:20:23,679
when with the stuff that you had there

608
00:20:27,590 --> 00:20:25,919
well i mean really a lot of i mean

609
00:20:29,669 --> 00:20:27,600
really a crucial thing i think to all

610
00:20:31,909 --> 00:20:29,679
this is synchronicity of course that was

611
00:20:33,750 --> 00:20:31,919
a big concept in jungian psychology but

612
00:20:35,190 --> 00:20:33,760
i also think cybernetics was offensive

613
00:20:35,750 --> 00:20:35,200

essentially trying to come up with a way

614

00:20:37,350 --> 00:20:35,760

of

615

00:20:39,350 --> 00:20:37,360

explaining this as well through the

616

00:20:40,310 --> 00:20:39,360

different orders of cybernetics and so

617

00:20:43,350 --> 00:20:40,320

forth

618

00:20:45,830 --> 00:20:43,360

but in cybernetics okay essentially

619

00:20:47,830 --> 00:20:45,840

all of the universe different subjects

620

00:20:49,590 --> 00:20:47,840

subsections of it are constructed by

621

00:20:51,669 --> 00:20:49,600

feedback and these different loops and

622

00:20:53,270 --> 00:20:51,679

so forth so there's positive feedback

623

00:20:54,630 --> 00:20:53,280

there's negative feedback

624

00:20:56,390 --> 00:20:54,640

negative feedback being systems

625

00:20:57,669 --> 00:20:56,400

sustaining positive feedback being

626
00:21:00,070 --> 00:20:57,679
chaotic

627
00:21:01,350 --> 00:21:00,080
law of attraction right yes well that's

628
00:21:03,029 --> 00:21:01,360
yeah it really is very much an

629
00:21:04,789 --> 00:21:03,039
explanation of the law of attractions

630
00:21:05,669 --> 00:21:04,799
essentially the secret any of that kind

631
00:21:07,430 --> 00:21:05,679
of stuff

632
00:21:09,110 --> 00:21:07,440
but yes every thought every action

633
00:21:10,789 --> 00:21:09,120
creates different feedback loops and

634
00:21:12,470 --> 00:21:10,799
they all bounce off of one another and

635
00:21:13,669 --> 00:21:12,480
so forth and that's what creates these

636
00:21:15,029 --> 00:21:13,679
systems

637
00:21:16,630 --> 00:21:15,039
and then of course you go through the

638
00:21:18,470 --> 00:21:16,640

different orders of cybernetics until

639

00:21:19,750 --> 00:21:18,480

you get to the mysterious third order of

640

00:21:22,630 --> 00:21:19,760

cybernetics

641

00:21:24,070 --> 00:21:22,640

and this is when you notice the system

642

00:21:26,549 --> 00:21:24,080

and the system notices you

643

00:21:27,830 --> 00:21:26,559

noticing the system and in theory and

644

00:21:29,590 --> 00:21:27,840

some of these more arcane

645

00:21:30,070 --> 00:21:29,600

interpretations of it this is what would

646

00:21:31,830 --> 00:21:30,080

produce

647

00:21:33,190 --> 00:21:31,840

a lot of effects of high strangeness

648

00:21:34,549 --> 00:21:33,200

this is when you would start having the

649

00:21:36,710 --> 00:21:34,559

poltergeist activities

650

00:21:38,230 --> 00:21:36,720

the ufos and all that other crazy stuff

651
00:21:38,710 --> 00:21:38,240
the mechanical elves whatever you want

652
00:21:40,710 --> 00:21:38,720
to say

653
00:21:42,390 --> 00:21:40,720
but i mean that's when things start

654
00:21:44,390 --> 00:21:42,400
getting really weird

655
00:21:45,830 --> 00:21:44,400
and you know it's my belief that

656
00:21:47,750 --> 00:21:45,840
essentially uh

657
00:21:50,549 --> 00:21:47,760
this was really what mk ultra was

658
00:21:52,070 --> 00:21:50,559
devised to explain essentially

659
00:21:53,830 --> 00:21:52,080
these different kinds of cybernetic

660
00:21:55,990 --> 00:21:53,840
principles uh also doing

661
00:21:58,310 --> 00:21:56,000
psychology and so forth and how

662
00:22:01,430 --> 00:21:58,320
effectively all these things

663
00:22:02,950 --> 00:22:01,440

affect reality itself more or less

664

00:22:05,029 --> 00:22:02,960

but just to be clear where i was going

665

00:22:07,830 --> 00:22:05,039

and correct me if i'm wrong here

666

00:22:08,630 --> 00:22:07,840

but so that's your setup if you will

667

00:22:13,270 --> 00:22:08,640

that's your

668

00:22:16,390 --> 00:22:13,280

uh your orientation intellectually

669

00:22:18,630 --> 00:22:16,400

academically it's what you're saying in

670

00:22:19,510 --> 00:22:18,640

your reports to your superiors as you're

671

00:22:21,430 --> 00:22:19,520

doing this

672

00:22:23,110 --> 00:22:21,440

but then when a guy walks in and says

673

00:22:26,149 --> 00:22:23,120

hey i'm a

674

00:22:27,669 --> 00:22:26,159

chaos magician i'm a wizard i'm a

675

00:22:30,870 --> 00:22:27,679

whatever i call myself

676

00:22:33,909 --> 00:22:30,880

i'm wicca whatever and i can make

677

00:22:36,310 --> 00:22:33,919

that happen i can manifest this or that

678

00:22:37,669 --> 00:22:36,320

inside of the framework that you've

679

00:22:39,430 --> 00:22:37,679

established

680

00:22:42,390 --> 00:22:39,440

well you can see where someone would be

681

00:22:45,590 --> 00:22:42,400

well god i've kind of already opened

682

00:22:45,990 --> 00:22:45,600

opened myself up to wanting to look at

683

00:22:48,950 --> 00:22:46,000

that

684

00:22:50,789 --> 00:22:48,960

so let's see if you can play my game and

685

00:22:53,270 --> 00:22:50,799

if you can then

686

00:22:54,310 --> 00:22:53,280

you know i'm in i mean this is a men who

687

00:22:57,430 --> 00:22:54,320

stare at goats

688

00:22:59,350 --> 00:22:57,440

kind of thing you know where yeah

689

00:23:01,270 --> 00:22:59,360

i mean absolutely but i mean also though

690

00:23:03,350 --> 00:23:01,280

there is that sort of connection as well

691

00:23:05,350 --> 00:23:03,360

that magic has essentially to

692

00:23:07,029 --> 00:23:05,360

uh public relations uh which was dealt

693

00:23:08,070 --> 00:23:07,039

with and what was euros and magic and

694

00:23:10,630 --> 00:23:08,080

renaissance and

695

00:23:12,230 --> 00:23:10,640

um psychological warfare for that matter

696

00:23:13,350 --> 00:23:12,240

too which is another reason why it would

697

00:23:15,190 --> 00:23:13,360

have been so

698

00:23:16,710 --> 00:23:15,200

fascinating to people involved in this i

699

00:23:19,190 --> 00:23:16,720

mean you know just look at um

700

00:23:20,950 --> 00:23:19,200

the roster crucial manifestos okay

701

00:23:22,950 --> 00:23:20,960

basically they were alarmed

702

00:23:25,029 --> 00:23:22,960

you know i mean they came out in what 16

703

00:23:26,789 --> 00:23:25,039

10 16 14 or something like that talking

704

00:23:27,990 --> 00:23:26,799

about this great fraternal brotherhood

705

00:23:30,710 --> 00:23:28,000

this secret society

706

00:23:32,230 --> 00:23:30,720

kind of it existed none of it but then

707

00:23:33,909 --> 00:23:32,240

suddenly you have this whole occult you

708

00:23:35,430 --> 00:23:33,919

know renaissance now i mean you've got

709

00:23:36,310 --> 00:23:35,440

masons and all these secret orders

710

00:23:38,470 --> 00:23:36,320

everywhere

711

00:23:40,149 --> 00:23:38,480

and that in essence is a magical working

712

00:23:42,070 --> 00:23:40,159

because you manifested something that

713

00:23:43,510 --> 00:23:42,080

did not exist previously

714

00:23:45,110 --> 00:23:43,520

and you did it through these you know

715

00:23:45,990 --> 00:23:45,120

these documents which were basically

716

00:23:48,950 --> 00:23:46,000

larps

717

00:23:50,950 --> 00:23:48,960

well here here's the here's the rub and

718

00:23:52,070 --> 00:23:50,960

again i hope anyone can follow this

719

00:23:53,269 --> 00:23:52,080

conversation because they're going to

720

00:23:56,070 --> 00:23:53,279

bounce all over the place

721

00:23:56,870 --> 00:23:56,080

but one of the central questions for me

722

00:24:01,350 --> 00:23:56,880

there

723

00:24:03,590 --> 00:24:01,360

reality thing so

724

00:24:05,269 --> 00:24:03,600

you know you kind of played it really

725

00:24:07,510 --> 00:24:05,279

straight there in saying

726

00:24:10,230 --> 00:24:07,520

they it was a larp and then they created

727

00:24:12,470 --> 00:24:10,240

it by these documents

728

00:24:13,510 --> 00:24:12,480

i might open it up and say did they

729

00:24:17,190 --> 00:24:13,520

create it by

730

00:24:20,230 --> 00:24:17,200

the collective

731

00:24:22,310 --> 00:24:20,240

consciousness of believing it's so

732

00:24:23,830 --> 00:24:22,320

and is this kind of a tulpa you know if

733

00:24:25,830 --> 00:24:23,840

you're familiar with the

734

00:24:27,750 --> 00:24:25,840

buddhist tibetan buddhist concept of you

735

00:24:29,990 --> 00:24:27,760

know this thought creation kind of thing

736

00:24:31,350 --> 00:24:30,000

which to me just seems obvious we see it

737

00:24:33,430 --> 00:24:31,360

over and over again

738

00:24:34,710 --> 00:24:33,440

especially in this extended realm where

739

00:24:37,669 --> 00:24:34,720

people are contacting

740

00:24:39,750 --> 00:24:37,679

spirit entities and they're manifesting

741

00:24:41,430 --> 00:24:39,760

spirit enemies that don't even exist and

742

00:24:42,950 --> 00:24:41,440

yet these spirit enemies are coming back

743

00:24:45,830 --> 00:24:42,960

and

744

00:24:46,950 --> 00:24:45,840

now they do exist you know we we did i

745

00:24:49,830 --> 00:24:46,960

did a bunch of interviews

746

00:24:50,470 --> 00:24:49,840

on this evil thing and you look at satan

747

00:24:53,909 --> 00:24:50,480

that is

748

00:24:56,149 --> 00:24:53,919

satan because you look all the way back

749

00:24:57,830 --> 00:24:56,159

you know in the the jews and the oldest

750

00:25:00,310 --> 00:24:57,840

writings they don't have satan

751
00:25:02,310 --> 00:25:00,320
and then zoryasser comes along and and

752
00:25:03,830 --> 00:25:02,320
he you know kind of has this good bad

753
00:25:07,110 --> 00:25:03,840
you know kind of thing saying

754
00:25:09,830 --> 00:25:07,120
next thing you know the same stories

755
00:25:11,430 --> 00:25:09,840
that were in the old torah you know now

756
00:25:12,070 --> 00:25:11,440
they're showing up again and now a

757
00:25:16,470 --> 00:25:12,080
character

758
00:25:19,430 --> 00:25:16,480
but would anyone at this

759
00:25:20,390 --> 00:25:19,440
so it's it's obviously literature to

760
00:25:23,110 --> 00:25:20,400
some degree

761
00:25:24,870 --> 00:25:23,120
but would anyone at this point deny that

762
00:25:27,190 --> 00:25:24,880
there is some

763
00:25:28,310 --> 00:25:27,200

satan something that i i shouldn't say

764

00:25:30,070 --> 00:25:28,320

anyone because a lot of people would

765

00:25:33,430 --> 00:25:30,080

deny it but

766

00:25:35,909 --> 00:25:33,440

it also seems definitely a possibility

767

00:25:36,630 --> 00:25:35,919

that we have now through our collective

768

00:25:39,669 --> 00:25:36,640

consciousness

769

00:25:41,669 --> 00:25:39,679

created exactly what we've

770

00:25:43,510 --> 00:25:41,679

talked about for the last two 000 years

771

00:25:43,830 --> 00:25:43,520

and people have put all this energy into

772

00:25:47,990 --> 00:25:43,840

and

773

00:25:49,750 --> 00:25:48,000

that stuff so are we co-creators of this

774

00:25:51,350 --> 00:25:49,760

reality and how do we pull that out of

775

00:25:52,870 --> 00:25:51,360

this whole thing

776

00:25:54,710 --> 00:25:52,880

well i mean yeah it's definitely

777

00:25:56,230 --> 00:25:54,720

something you have to consider i mean i

778

00:25:57,990 --> 00:25:56,240

don't know that

779

00:25:59,510 --> 00:25:58,000

everyone who signed one of this believed

780

00:26:01,190 --> 00:25:59,520

that but i mean i do certainly think

781

00:26:02,630 --> 00:26:01,200

that there were some people in very

782

00:26:04,390 --> 00:26:02,640

senior levels of the government in the

783

00:26:06,390 --> 00:26:04,400

intelligence community that did come to

784

00:26:08,070 --> 00:26:06,400

believe very much that we could create

785

00:26:09,909 --> 00:26:08,080

our own realities

786

00:26:11,590 --> 00:26:09,919

by manifesting these beliefs on a

787

00:26:13,350 --> 00:26:11,600

popular enough level in the public at

788

00:26:16,149 --> 00:26:13,360

large i mean it is a

789

00:26:18,310 --> 00:26:16,159

fascinating concept but i mean you know

790

00:26:20,549 --> 00:26:18,320

two though it also begs the question is

791

00:26:22,390 --> 00:26:20,559

it just any individual or is it specific

792

00:26:23,669 --> 00:26:22,400

individuals as well i mean i don't know

793

00:26:24,710 --> 00:26:23,679

i'm sure you probably read american

794

00:26:27,029 --> 00:26:24,720

cosmos right

795

00:26:28,390 --> 00:26:27,039

um that's sort of a book where they get

796

00:26:29,990 --> 00:26:28,400

into some of these notions about

797

00:26:33,029 --> 00:26:30,000

possibly through being genetic

798

00:26:34,390 --> 00:26:33,039

um you know some kind of genetic code or

799

00:26:36,230 --> 00:26:34,400

something like that for people who

800

00:26:37,029 --> 00:26:36,240

experience high strangers and that type

801
00:26:38,310 --> 00:26:37,039
of thing

802
00:26:40,230 --> 00:26:38,320
i mean i'll tell you something really

803
00:26:42,149 --> 00:26:40,240
weird that sort of relates to this okay

804
00:26:44,070 --> 00:26:42,159
so i'm working on this podcast right now

805
00:26:45,990 --> 00:26:44,080
penny royal which is affiliated with uh

806
00:26:46,470 --> 00:26:46,000
the hell your show that's on amazon and

807
00:26:51,110 --> 00:26:46,480
whatnot

808
00:26:53,190 --> 00:26:51,120
had a lot of strange meetings with the

809
00:26:54,789 --> 00:26:53,200
guys who do this the penny royal guys

810
00:26:55,830 --> 00:26:54,799
they're a series of synchronicities and

811
00:26:58,230 --> 00:26:55,840
whatnot

812
00:26:58,870 --> 00:26:58,240
but um and talking to them i figured out

813
00:27:00,870 --> 00:26:58,880

that

814

00:27:02,310 --> 00:27:00,880

all three of us have been tested uh as

815

00:27:03,830 --> 00:27:02,320

gifted children

816

00:27:05,909 --> 00:27:03,840

and that's interesting to me because

817

00:27:07,269 --> 00:27:05,919

gifted testing essentially looks for

818

00:27:09,029 --> 00:27:07,279

students that have unusual high

819

00:27:10,549 --> 00:27:09,039

abilities for pattern recognition

820

00:27:12,390 --> 00:27:10,559

seeing different things that aren't

821

00:27:14,470 --> 00:27:12,400

usually evident to people in different

822

00:27:16,950 --> 00:27:14,480

disciplines and so forth

823

00:27:18,549 --> 00:27:16,960

so you get people like us involved in

824

00:27:19,430 --> 00:27:18,559

something like this and it does kind of

825

00:27:21,190 --> 00:27:19,440

beg the question

826

00:27:22,789 --> 00:27:21,200

well is this kind of making the whole

827

00:27:25,190 --> 00:27:22,799

experience that we're having looking

828

00:27:26,630 --> 00:27:25,200

into these things even stranger because

829

00:27:28,230 --> 00:27:26,640

we have had a lot of that you know

830

00:27:29,590 --> 00:27:28,240

different leads and researches i mean i

831

00:27:31,830 --> 00:27:29,600

know just talking to the penny royal

832

00:27:33,830 --> 00:27:31,840

guys they start looking at this area

833

00:27:35,590 --> 00:27:33,840

they pick up on one cult possibly being

834

00:27:37,269 --> 00:27:35,600

active here and then after studying it

835

00:27:39,029 --> 00:27:37,279

for almost two years there's like half a

836

00:27:41,029 --> 00:27:39,039

dozen cults that they found

837

00:27:42,310 --> 00:27:41,039

so at some point we have sort of stepped

838

00:27:43,909 --> 00:27:42,320

back and wondered

839

00:27:45,510 --> 00:27:43,919

were all these cults really here before

840

00:27:48,950 --> 00:27:45,520

we started looking at it

841

00:27:50,870 --> 00:27:48,960

or who knows you know but i mean it is a

842

00:27:52,789 --> 00:27:50,880

strange thing and i do

843

00:27:55,110 --> 00:27:52,799

you know i try to sit on the fence as

844

00:27:56,549 --> 00:27:55,120

much as this as i possibly can

845

00:27:58,230 --> 00:27:56,559

but on the flip side of the coin i've

846

00:27:59,990 --> 00:27:58,240

had some strange experiences

847

00:28:01,830 --> 00:28:00,000

this that i have to wonder in some level

848

00:28:04,310 --> 00:28:01,840

how much belief really does manifest the

849

00:28:06,710 --> 00:28:04,320

reality that we live in and specifically

850

00:28:08,470 --> 00:28:06,720

is it also particular individuals who

851
00:28:09,110 --> 00:28:08,480
are manipulated in the beliefs who have

852
00:28:11,430 --> 00:28:09,120
a higher

853
00:28:12,389 --> 00:28:11,440
capacity to influence this type of thing

854
00:28:14,630 --> 00:28:12,399
as artists or

855
00:28:16,789 --> 00:28:14,640
you know any other type of medium oh but

856
00:28:19,350 --> 00:28:16,799
it is very strange

857
00:28:21,350 --> 00:28:19,360
see that's a super interesting question

858
00:28:25,830 --> 00:28:21,360
isn't it and that's kind of a next

859
00:28:27,830 --> 00:28:25,840
level question um which is

860
00:28:29,990 --> 00:28:27,840
unless a next level to me what that

861
00:28:31,510 --> 00:28:30,000
means is

862
00:28:33,269 --> 00:28:31,520
once you get past the idea that we're

863
00:28:34,549 --> 00:28:33,279

co-creators of this reality

864

00:28:36,710 --> 00:28:34,559

right which you can sit there and

865

00:28:39,590 --> 00:28:36,720

wrestle someone back and forth

866

00:28:41,350 --> 00:28:39,600

but screw that just take that as a given

867

00:28:43,590 --> 00:28:41,360

and now start asking the questions that

868

00:28:46,950 --> 00:28:43,600

you're asking which is just an awesome

869

00:28:50,630 --> 00:28:46,960

opening question are some people

870

00:28:53,110 --> 00:28:50,640

more effective at manifesting

871

00:28:54,470 --> 00:28:53,120

a consensus reality that we can all

872

00:28:57,269 --> 00:28:54,480

experience

873

00:28:58,549 --> 00:28:57,279

than other people wow what an

874

00:29:01,029 --> 00:28:58,559

interesting question

875

00:29:01,909 --> 00:29:01,039

and then you tied it into another

876

00:29:05,190 --> 00:29:01,919

question there

877

00:29:07,269 --> 00:29:05,200

is that you know so you

878

00:29:09,909 --> 00:29:07,279

had certain traits when you were born

879

00:29:14,149 --> 00:29:09,919

and they called them gifted

880

00:29:17,269 --> 00:29:14,159

is there possibly a genetic

881

00:29:20,870 --> 00:29:17,279

tie to that correlation to that um

882

00:29:23,990 --> 00:29:20,880

and do multiple people share that

883

00:29:24,470 --> 00:29:24,000

genetic makeup if we were able to look

884

00:29:26,230 --> 00:29:24,480

at it

885

00:29:27,830 --> 00:29:26,240

which again to me you know we can't

886

00:29:30,870 --> 00:29:27,840

avoid the uh

887

00:29:33,110 --> 00:29:30,880

the et ufo thing and

888

00:29:35,830 --> 00:29:33,120

it always surprises me when that doesn't

889

00:29:37,510 --> 00:29:35,840

come into these conversations because

890

00:29:39,110 --> 00:29:37,520

it's so front and center i don't know

891

00:29:41,669 --> 00:29:39,120

how we're leaving it out so

892

00:29:43,190 --> 00:29:41,679

one of the things i pinged you with

893

00:29:44,710 --> 00:29:43,200

beforehand

894

00:29:46,630 --> 00:29:44,720

because we're going to talk about this

895

00:29:49,750 --> 00:29:46,640

and i don't know where you're at

896

00:29:53,430 --> 00:29:49,760

on this so i thought it'd be interesting

897

00:29:55,110 --> 00:29:53,440

but i interviewed ufo researcher grant

898

00:29:56,789 --> 00:29:55,120

cameron i've interviewed him several

899

00:29:58,149 --> 00:29:56,799

times i kind of pissed him off the last

900

00:30:01,269 --> 00:29:58,159

time so i don't know if we'll

901
00:30:02,789 --> 00:30:01,279
do it again but he's done some fantastic

902
00:30:04,470 --> 00:30:02,799
work over the years

903
00:30:06,149 --> 00:30:04,480
but one of the things that he did that

904
00:30:09,830 --> 00:30:06,159
always stuck with me

905
00:30:13,669 --> 00:30:09,840
is he along with the

906
00:30:15,269 --> 00:30:13,679
late great uh stanton freeman who

907
00:30:17,350 --> 00:30:15,279
recently passed away

908
00:30:18,470 --> 00:30:17,360
did a freedom of information act in

909
00:30:21,269 --> 00:30:18,480
canada

910
00:30:23,350 --> 00:30:21,279
and it's kind of like i i'm sure you've

911
00:30:23,830 --> 00:30:23,360
done a lot of foia requests i have not

912
00:30:25,190 --> 00:30:23,840
but

913
00:30:27,110 --> 00:30:25,200

you know every once in a while you get a

914

00:30:28,389 --> 00:30:27,120

little gem that just pops up and these

915

00:30:31,750 --> 00:30:28,399

guys got a gem

916

00:30:33,510 --> 00:30:31,760

when the wilbert smith memo was released

917

00:30:34,389 --> 00:30:33,520

and wilbert smith was kind of running

918

00:30:37,190 --> 00:30:34,399

the strange

919

00:30:38,070 --> 00:30:37,200

desk in canada if you will at the time

920

00:30:41,190 --> 00:30:38,080

in the 50s

921

00:30:43,510 --> 00:30:41,200

so this is where all the supposedly just

922

00:30:45,510 --> 00:30:43,520

radio waves and stuff were thing but he

923

00:30:47,029 --> 00:30:45,520

was also getting all the ufo reports

924

00:30:48,710 --> 00:30:47,039

so the weirdest i mean those were the

925

00:30:50,310 --> 00:30:48,720

guys specifically tasked

926
00:30:51,750 --> 00:30:50,320
i think really was trying to understand

927
00:30:53,350 --> 00:30:51,760
a lot of this phenomena in the first

928
00:30:54,789 --> 00:30:53,360
place i mean that in itself is very

929
00:30:57,190 --> 00:30:54,799
significant

930
00:30:59,029 --> 00:30:57,200
absolutely and and so i'm just gonna

931
00:31:00,549 --> 00:30:59,039
retell this story for the benefit of the

932
00:31:02,230 --> 00:31:00,559
audience even though a lot of people

933
00:31:03,029 --> 00:31:02,240
listen this show i've heard it 50 times

934
00:31:06,310 --> 00:31:03,039
before

935
00:31:07,990 --> 00:31:06,320
but wilbert smith is there and so he

936
00:31:09,430 --> 00:31:08,000
starts collecting all the the reports

937
00:31:11,590 --> 00:31:09,440
are landing on his desk and eventually

938
00:31:12,950 --> 00:31:11,600

goes to his bus and he goes

939

00:31:14,870 --> 00:31:12,960

we gotta figure you know something's

940

00:31:16,789 --> 00:31:14,880

going on here how about

941

00:31:17,990 --> 00:31:16,799

you know we go talk to the yanks and see

942

00:31:20,950 --> 00:31:18,000

what they know

943

00:31:22,630 --> 00:31:20,960

and so he goes yeah let's do it so he

944

00:31:24,389 --> 00:31:22,640

starts sharing stuff and that's probably

945

00:31:26,149 --> 00:31:24,399

the only reason they let him in the tent

946

00:31:29,590 --> 00:31:26,159

down here in the united states

947

00:31:30,389 --> 00:31:29,600

is he she shared some [h__h] and they were

948

00:31:32,230 --> 00:31:30,399

like whoa

949

00:31:34,230 --> 00:31:32,240

come on down you got some good stuff

950

00:31:34,630 --> 00:31:34,240

that we want too so he goes down he

951
00:31:36,789 --> 00:31:34,640
meets

952
00:31:37,669 --> 00:31:36,799
all the the right people band of our

953
00:31:40,630 --> 00:31:37,679
bush and

954
00:31:42,310 --> 00:31:40,640
you know he names names in this secret

955
00:31:44,149 --> 00:31:42,320
memo that is later released

956
00:31:46,149 --> 00:31:44,159
but the other thing he releases in this

957
00:31:49,190 --> 00:31:46,159
memo which ties back

958
00:31:51,190 --> 00:31:49,200
to i guess the cybernetics mk

959
00:31:52,630 --> 00:31:51,200
ultra you know what these guys were

960
00:31:56,230 --> 00:31:52,640
really up to thing

961
00:31:59,430 --> 00:31:56,240
he said to not bury the lead his memo

962
00:32:02,789 --> 00:31:59,440
is that ufo thing is real

963
00:32:05,990 --> 00:32:02,799

e.t is real it is the highest

964

00:32:08,310 --> 00:32:06,000

most important most secret secret

965

00:32:10,549 --> 00:32:08,320

that the u.s has higher than the

966

00:32:11,350 --> 00:32:10,559

hydrogen bomb so imagine the 50s this is

967

00:32:13,430 --> 00:32:11,360

like

968

00:32:16,230 --> 00:32:13,440

say higher than hydrogen bomb you're up

969

00:32:19,269 --> 00:32:16,240

there but then in the last

970

00:32:21,830 --> 00:32:19,279

sentence what these guys picked up on is

971

00:32:22,870 --> 00:32:21,840

that it has something to do with a

972

00:32:26,630 --> 00:32:22,880

mental

973

00:32:29,750 --> 00:32:26,640

phenomenon now that

974

00:32:32,870 --> 00:32:29,760

catapults us into a different

975

00:32:36,310 --> 00:32:32,880

kind of space what it says is that

976
00:32:37,110 --> 00:32:36,320
they had made contact with e.t and made

977
00:32:39,430 --> 00:32:37,120
contact

978
00:32:40,950 --> 00:32:39,440
at this telepathic level although we're

979
00:32:41,590 --> 00:32:40,960
not even sure that that's the right word

980
00:32:43,590 --> 00:32:41,600
for it

981
00:32:46,230 --> 00:32:43,600
but in this extended realm they had

982
00:32:48,470 --> 00:32:46,240
connected with e.t

983
00:32:50,789 --> 00:32:48,480
and that they believed that it was

984
00:32:51,990 --> 00:32:50,799
necessary to better understand that

985
00:32:54,710 --> 00:32:52,000
extended realm

986
00:32:55,990 --> 00:32:54,720
because this was both a threat and an

987
00:32:59,029 --> 00:32:56,000
opportunity like these guys

988
00:33:02,950 --> 00:32:59,039

always look at everything and so

989

00:33:05,350 --> 00:33:02,960

grant's view is in and really my

990

00:33:06,710 --> 00:33:05,360

i've kind of pushed this is that that

991

00:33:09,990 --> 00:33:06,720

has to be

992

00:33:12,870 --> 00:33:10,000

factored into the equation with mk

993

00:33:13,830 --> 00:33:12,880

ultra that that had to be maybe one of

994

00:33:16,149 --> 00:33:13,840

the agendas

995

00:33:17,750 --> 00:33:16,159

in terms of we got to figure this out

996

00:33:19,909 --> 00:33:17,760

because

997

00:33:23,590 --> 00:33:19,919

we're already talking to et and we ain't

998

00:33:26,549 --> 00:33:23,600

talking through them through no radio

999

00:33:27,190 --> 00:33:26,559

oh yeah absolutely well i mean again you

1000

00:33:29,990 --> 00:33:27,200

know

1001

00:33:31,990 --> 00:33:30,000

my kind of working theory on the the

1002

00:33:33,750 --> 00:33:32,000

obsession with the ufo phenomenon sort

1003

00:33:35,029 --> 00:33:33,760

of ties into what we've been discussing

1004

00:33:37,830 --> 00:33:35,039

about um

1005

00:33:38,630 --> 00:33:37,840

belief potentially manifesting reality

1006

00:33:40,389 --> 00:33:38,640

see there were

1007

00:33:42,470 --> 00:33:40,399

two really excellent books that were

1008

00:33:44,710 --> 00:33:42,480

written by um

1009

00:33:46,389 --> 00:33:44,720

james carrion i believe his name is one

1010

00:33:48,470 --> 00:33:46,399

is the rosetta deception and the other

1011

00:33:51,269 --> 00:33:48,480

one is the roswell deception

1012

00:33:52,789 --> 00:33:51,279

and he does a really great job of laying

1013

00:33:54,950 --> 00:33:52,799

out how some of these early ufo

1014

00:33:56,389 --> 00:33:54,960

encounters were effectively uh deception

1015

00:33:58,789 --> 00:33:56,399

operations that the us

1016

00:34:00,710 --> 00:33:58,799

and the uk were running and specifically

1017

00:34:01,269 --> 00:34:00,720

with the ghost rocket flap that you had

1018

00:34:04,789 --> 00:34:01,279

in the

1019

00:34:05,509 --> 00:34:04,799

aftermath of the second world war

1020

00:34:07,990 --> 00:34:05,519

basically

1021

00:34:08,950 --> 00:34:08,000

to convince the soviets that there were

1022

00:34:10,869 --> 00:34:08,960

these you know

1023

00:34:12,389 --> 00:34:10,879

super weapons this actually terrestrial

1024

00:34:14,069 --> 00:34:12,399

race and what have you around so that

1025

00:34:15,430 --> 00:34:14,079

they would you know invest tons of money

1026

00:34:17,190 --> 00:34:15,440

looking into this and

1027

00:34:18,550 --> 00:34:17,200

i know that sounds outlandish but this

1028

00:34:19,909 --> 00:34:18,560

is the type of thing that we really did

1029

00:34:21,270 --> 00:34:19,919

throughout the cold war i mean the

1030

00:34:22,389 --> 00:34:21,280

strategic defense initiative for

1031

00:34:23,669 --> 00:34:22,399

instance we never really thought

1032

00:34:25,669 --> 00:34:23,679

work it was just a way to get the

1033

00:34:27,270 --> 00:34:25,679

soviet to waste money

1034

00:34:28,950 --> 00:34:27,280

okay so we're doing all these deception

1035

00:34:30,389 --> 00:34:28,960

operations and at the highest levels of

1036

00:34:31,909 --> 00:34:30,399

government you know we know these things

1037

00:34:33,430 --> 00:34:31,919

aren't real right

1038

00:34:35,109 --> 00:34:33,440

but then i think something happened that

1039

00:34:38,149 --> 00:34:35,119

really shook everybody

1040

00:34:38,629 --> 00:34:38,159

they actually started to appear nobody

1041

00:34:41,669 --> 00:34:38,639

had

1042

00:34:43,190 --> 00:34:41,679

any idea why they were showing off

1043

00:34:44,950 --> 00:34:43,200

because they weren't supposed to exist

1044

00:34:45,990 --> 00:34:44,960

we knew that they weren't supposed to

1045

00:34:47,430 --> 00:34:46,000

exist

1046

00:34:48,790 --> 00:34:47,440

and this was roughly right around the

1047

00:34:51,510 --> 00:34:48,800

time when you start seeing all these

1048

00:34:53,669 --> 00:34:51,520

projects initiating chatter bluebird

1049

00:34:55,190 --> 00:34:53,679

uh the early ones initially with the

1050

00:34:57,030 --> 00:34:55,200

navy and then going into the

1051
00:34:58,790 --> 00:34:57,040
ultra stuff and so forth and it's also

1052
00:34:59,990 --> 00:34:58,800
when a lot of these weird desks started

1053
00:35:01,430 --> 00:35:00,000
to show up too which

1054
00:35:03,589 --> 00:35:01,440
were never designed to just look at the

1055
00:35:04,870 --> 00:35:03,599
ufo stuff but all kinds of unusual and

1056
00:35:06,630 --> 00:35:04,880
unexplainable phenomenon

1057
00:35:07,990 --> 00:35:06,640
essentially kind of x-files divisions

1058
00:35:11,270 --> 00:35:08,000
for each you know major branch

1059
00:35:13,109 --> 00:35:11,280
us intelligence services so

1060
00:35:15,190 --> 00:35:13,119
you realize essentially that something

1061
00:35:16,710 --> 00:35:15,200
exists now that's not supposed to exist

1062
00:35:17,990 --> 00:35:16,720
and probably one of the most logical

1063
00:35:18,790 --> 00:35:18,000

explanations would have been this that

1064

00:35:20,550 --> 00:35:18,800

belief

1065

00:35:21,589 --> 00:35:20,560

factored into it i mean this was already

1066

00:35:23,750 --> 00:35:21,599

something that you're starting to see

1067

00:35:24,630 --> 00:35:23,760

currents pop up in psychology and so

1068

00:35:26,069 --> 00:35:24,640

forth

1069

00:35:27,670 --> 00:35:26,079

so i mean the next step from there

1070

00:35:29,589 --> 00:35:27,680

probably would have been logically to

1071

00:35:30,950 --> 00:35:29,599

see if you could actually contact us i

1072

00:35:32,150 --> 00:35:30,960

mean why not right

1073

00:35:33,829 --> 00:35:32,160

and if you're already doing it through

1074

00:35:35,030 --> 00:35:33,839

all these kind of kooky beans you know

1075

00:35:36,710 --> 00:35:35,040

going into stuff about belief

1076

00:35:38,390 --> 00:35:36,720

manifesting things well

1077

00:35:40,790 --> 00:35:38,400

who would be the people who would best

1078

00:35:42,630 --> 00:35:40,800

understand how to rationalize this and

1079

00:35:44,390 --> 00:35:42,640

contact something like that

1080

00:35:45,910 --> 00:35:44,400

well magicians you know they had already

1081

00:35:47,670 --> 00:35:45,920

been talking a lot about how belief

1082

00:35:49,109 --> 00:35:47,680

could be used to manifest reality for a

1083

00:35:50,950 --> 00:35:49,119

long time now

1084

00:35:52,470 --> 00:35:50,960

so that's when i think you start seeing

1085

00:35:53,910 --> 00:35:52,480

all these weird characters get brought

1086

00:35:54,630 --> 00:35:53,920

in i mean you have guys like katrina

1087

00:35:56,390 --> 00:35:54,640

kuharik

1088

00:35:57,990 --> 00:35:56,400

um the guy who would channel the nine

1089

00:35:58,710 --> 00:35:58,000

the so-called seance that changed the

1090

00:35:59,990 --> 00:35:58,720

world

1091

00:36:02,550 --> 00:36:00,000

was put onto that path by a

1092

00:36:03,829 --> 00:36:02,560

cyberneticist so i think that's sort of

1093

00:36:06,310 --> 00:36:03,839

where we got into some of this

1094

00:36:08,069 --> 00:36:06,320

stuff could we also contact these you

1095

00:36:09,750 --> 00:36:08,079

know so-called non-human intelligence or

1096

00:36:12,310 --> 00:36:09,760

what have you

1097

00:36:13,190 --> 00:36:12,320

see the problem i have with that is i

1098

00:36:16,470 --> 00:36:13,200

think that the

1099

00:36:18,069 --> 00:36:16,480

evidence for the ancient alien theory

1100

00:36:19,349 --> 00:36:18,079

for lack of a better term and

1101

00:36:21,589 --> 00:36:19,359

a lot of people hate that because they

1102

00:36:23,270 --> 00:36:21,599

hate the show i don't hate on the show i

1103

00:36:23,829 --> 00:36:23,280

think the show really kind of did a lot

1104

00:36:29,750 --> 00:36:23,839

of good

1105

00:36:31,510 --> 00:36:29,760

the evidence for that really stacks up

1106

00:36:34,950 --> 00:36:31,520

to the point of being

1107

00:36:38,230 --> 00:36:34,960

overwhelming particularly when you go to

1108

00:36:41,270 --> 00:36:38,240

cross culture cross time you know

1109

00:36:43,109 --> 00:36:41,280

and you go and you look at these tribes

1110

00:36:44,870 --> 00:36:43,119

in africa that have no contact with the

1111

00:36:46,870 --> 00:36:44,880

outside world and don't have a written

1112

00:36:48,710 --> 00:36:46,880

language and say yeah you know they're

1113

00:36:49,910 --> 00:36:48,720

wearing the headgear and the spacesuits

1114

00:36:52,950 --> 00:36:49,920

and they're

1115

00:36:54,790 --> 00:36:52,960

pointing to the pleiades and saying well

1116

00:36:56,550 --> 00:36:54,800

yeah yeah yeah and i don't necessarily

1117

00:36:58,470 --> 00:36:56,560

think that it does discount prior

1118

00:37:00,550 --> 00:36:58,480

contact with the same entities either

1119

00:37:01,990 --> 00:37:00,560

before you know the cold war era but see

1120

00:37:02,870 --> 00:37:02,000

something else i'll point out with that

1121

00:37:04,710 --> 00:37:02,880

as well

1122

00:37:06,550 --> 00:37:04,720

when you get into these early deception

1123

00:37:08,150 --> 00:37:06,560

operations they grew out of

1124

00:37:10,069 --> 00:37:08,160

a lot of the british efforts and what

1125

00:37:12,230 --> 00:37:10,079

have you that were organized around

1126
00:37:13,270 --> 00:37:12,240
the political warfare executive and so

1127
00:37:15,030 --> 00:37:13,280
forth

1128
00:37:16,470 --> 00:37:15,040
and you know a lot of guys involved in

1129
00:37:19,750 --> 00:37:16,480
that were people like

1130
00:37:21,270 --> 00:37:19,760
his name ronald ian fleming um

1131
00:37:23,270 --> 00:37:21,280
people that were in contact with a lot

1132
00:37:24,630 --> 00:37:23,280
of proliaits or people that knew a lot

1133
00:37:26,150 --> 00:37:24,640
of prominent occultists who were

1134
00:37:27,750 --> 00:37:26,160
initially tapped with doing these

1135
00:37:29,349 --> 00:37:27,760
deception operations

1136
00:37:30,950 --> 00:37:29,359
it kind of begs the question where were

1137
00:37:32,790 --> 00:37:30,960
they always magical workings in the

1138
00:37:34,310 --> 00:37:32,800

first place and their superiors had no

1139

00:37:36,069 --> 00:37:34,320

idea that they were

1140

00:37:37,670 --> 00:37:36,079

i mean certainly this is also concurrent

1141

00:37:39,349 --> 00:37:37,680

around the same time that jack parsons

1142

00:37:40,870 --> 00:37:39,359

is out there going to babylon working

1143

00:37:43,349 --> 00:37:40,880

and so forth

1144

00:37:44,790 --> 00:37:43,359

so i mean i don't i personally don't

1145

00:37:46,710 --> 00:37:44,800

think the belief alone is what

1146

00:37:47,349 --> 00:37:46,720

manifested the things i think that they

1147

00:37:49,670 --> 00:37:47,359

definitely

1148

00:37:50,950 --> 00:37:49,680

existed prior to that because it's like

1149

00:37:54,550 --> 00:37:50,960

i fast forward to

1150

00:37:57,349 --> 00:37:54,560

um have you read uh diana walsh

1151
00:37:57,990 --> 00:37:57,359
posalka's book american cosmetics oh

1152
00:37:59,910 --> 00:37:58,000
yeah

1153
00:38:01,270 --> 00:37:59,920
so did you do a show have you ever

1154
00:38:02,870 --> 00:38:01,280
talked to her

1155
00:38:04,150 --> 00:38:02,880
no no i would like to at some point i've

1156
00:38:05,190 --> 00:38:04,160
been telling her agent about that for a

1157
00:38:07,109 --> 00:38:05,200
little bit now

1158
00:38:08,470 --> 00:38:07,119
yeah you know she was doing she did an

1159
00:38:09,829 --> 00:38:08,480
interview with me back when she was

1160
00:38:10,630 --> 00:38:09,839
doing more interviews and then i think

1161
00:38:12,870 --> 00:38:10,640
she got

1162
00:38:14,790 --> 00:38:12,880
you know kind of interview weary a

1163
00:38:16,390 --> 00:38:14,800

little bit which we understand and

1164

00:38:18,790 --> 00:38:16,400

you know maybe she'll come back around

1165

00:38:21,829 --> 00:38:18,800

and and that kind of stuff but

1166

00:38:24,390 --> 00:38:21,839

that book to me is phenomenal

1167

00:38:25,990 --> 00:38:24,400

in so many ways and you know one of the

1168

00:38:27,670 --> 00:38:26,000

things that this is like a total

1169

00:38:29,510 --> 00:38:27,680

side to me but it's like so critical

1170

00:38:32,150 --> 00:38:29,520

she's catholic you know she's still

1171

00:38:34,069 --> 00:38:32,160

catholic that kind of a not a strict

1172

00:38:34,470 --> 00:38:34,079

catholic and kind of very open-minded

1173

00:38:38,390 --> 00:38:34,480

and

1174

00:38:40,950 --> 00:38:38,400

a really tenured professor

1175

00:38:41,829 --> 00:38:40,960

in religious studies so she's not like

1176

00:38:44,150 --> 00:38:41,839

you know

1177

00:38:44,870 --> 00:38:44,160

strictly religious person but the fact

1178

00:38:48,069 --> 00:38:44,880

that she's

1179

00:38:51,510 --> 00:38:48,079

out in the desert finding

1180

00:38:56,390 --> 00:38:51,520

crashed alien space junk that is being

1181

00:38:59,349 --> 00:38:56,400

reverse engineered directly into

1182

00:39:00,950 --> 00:38:59,359

multi-million dollar patents that her

1183

00:39:04,390 --> 00:39:00,960

gucci wearing buddy

1184

00:39:08,630 --> 00:39:04,400

is flying around on private jets kind of

1185

00:39:11,670 --> 00:39:08,640

drives a stake in the ground in terms of

1186

00:39:13,670 --> 00:39:11,680

the reality of this stuff because money

1187

00:39:16,470 --> 00:39:13,680

does that you know when someone's

1188

00:39:17,589 --> 00:39:16,480

cashing in that much just from the junk

1189

00:39:21,190 --> 00:39:17,599

and it also

1190

00:39:23,910 --> 00:39:21,200

drives a stake in the ground in terms of

1191

00:39:25,750 --> 00:39:23,920

i don't know something akin to a

1192

00:39:29,190 --> 00:39:25,760

breakaway civilization

1193

00:39:30,870 --> 00:39:29,200

at least a breakaway academia where

1194

00:39:32,630 --> 00:39:30,880

there are some people are in the know on

1195

00:39:36,230 --> 00:39:32,640

this and then there's just a bunch of

1196

00:39:38,950 --> 00:39:36,240

other people who are just completely

1197

00:39:40,230 --> 00:39:38,960

ignorant of it and most importantly

1198

00:39:43,270 --> 00:39:40,240

those are the people that we

1199

00:39:44,069 --> 00:39:43,280

normally would go to to say is this

1200

00:39:46,950 --> 00:39:44,079

stuff real

1201
00:39:48,710 --> 00:39:46,960
and you know it in a way it ties back to

1202
00:39:51,109 --> 00:39:48,720
the very first

1203
00:39:53,030 --> 00:39:51,119
question that i guess i was driving at

1204
00:39:57,270 --> 00:39:53,040
with you recluse is that

1205
00:40:01,349 --> 00:39:57,280
to me the kind of research you're doing

1206
00:40:04,470 --> 00:40:01,359
the parapolitical research is the new

1207
00:40:08,710 --> 00:40:04,480
standard for how to know because

1208
00:40:11,589 --> 00:40:08,720
if you do have this breakaway academia

1209
00:40:12,550 --> 00:40:11,599
you're never going there they that's a

1210
00:40:14,230 --> 00:40:12,560
fight club kind of

1211
00:40:15,670 --> 00:40:14,240
situation right the first rule of fight

1212
00:40:18,150 --> 00:40:15,680
clubs don't so the first rule of

1213
00:40:20,390 --> 00:40:18,160

breakaway academia is don't tell anyone

1214

00:40:22,710 --> 00:40:20,400

and then so the rest of the academia is

1215

00:40:24,390 --> 00:40:22,720

completely useful idiot kind of ville

1216

00:40:25,750 --> 00:40:24,400

where they don't know anything so where

1217

00:40:27,829 --> 00:40:25,760

do we turn we

1218

00:40:28,790 --> 00:40:27,839

it all comes to you buddy i mean we all

1219

00:40:31,430 --> 00:40:28,800

come back to you

1220

00:40:34,390 --> 00:40:31,440

and say okay so tell us what's really

1221

00:40:36,150 --> 00:40:34,400

going on the best you can

1222

00:40:37,589 --> 00:40:36,160

yeah well i mean i think that's you know

1223

00:40:39,030 --> 00:40:37,599

in essence what i've been trying to do

1224

00:40:39,430 --> 00:40:39,040

and especially looking into a lot of

1225

00:40:41,270 --> 00:40:39,440

this

1226
00:40:43,190 --> 00:40:41,280
you know these strange currents so to

1227
00:40:45,349 --> 00:40:43,200
speak um because i mean it really is

1228
00:40:47,990 --> 00:40:45,359
crucial i mean this is where

1229
00:40:49,270 --> 00:40:48,000
the real cutting edge science uh is

1230
00:40:51,109 --> 00:40:49,280
happening and again i always want to

1231
00:40:52,710 --> 00:40:51,119
emphasize you know

1232
00:40:54,150 --> 00:40:52,720
i'm not saying that i necessarily

1233
00:40:55,910 --> 00:40:54,160
believe that a lot of this stuff is

1234
00:40:57,510 --> 00:40:55,920
possible but there are certainly some

1235
00:40:59,270 --> 00:40:57,520
very powerful and very well

1236
00:41:00,790 --> 00:40:59,280
uh connected individuals who do think

1237
00:41:03,270 --> 00:41:00,800
that it's possible and have invested a

1238
00:41:05,030 --> 00:41:03,280

lot of time and resources into it

1239

00:41:06,950 --> 00:41:05,040

and it's just instrumental to try to

1240

00:41:08,470 --> 00:41:06,960

reconstruct this as much as we possibly

1241

00:41:09,990 --> 00:41:08,480

can to try to understand the true

1242

00:41:11,910 --> 00:41:10,000

history of what's really been happening

1243

00:41:12,790 --> 00:41:11,920

especially for the last 50 or 60 years

1244

00:41:14,950 --> 00:41:12,800

because it's so

1245

00:41:16,870 --> 00:41:14,960

instrumental to what is now unfolding to

1246

00:41:18,470 --> 00:41:16,880

uh for us right now in our modern

1247

00:41:20,230 --> 00:41:18,480

society

1248

00:41:22,309 --> 00:41:20,240

so let's talk let's talk a little bit

1249

00:41:23,190 --> 00:41:22,319

about right now modern society as it

1250

00:41:27,349 --> 00:41:23,200

relates to

1251

00:41:30,870 --> 00:41:27,359

your new book that's a cue for me to

1252

00:41:33,990 --> 00:41:33,190

a special relationship trump epstein and

1253

00:41:36,950 --> 00:41:34,000

the secret history

1254

00:41:38,630 --> 00:41:36,960

of the anglo-american establishment go

1255

00:41:41,270 --> 00:41:38,640

over one more time as i show

1256

00:41:43,510 --> 00:41:41,280

kind of the table of contents here where

1257

00:41:46,390 --> 00:41:43,520

you're trying to take us

1258

00:41:49,270 --> 00:41:46,400

with this book and then and i know

1259

00:41:51,349 --> 00:41:49,280

you're big on tracing the history but

1260

00:41:52,390 --> 00:41:51,359

come up bring us up to speed on right

1261

00:41:55,829 --> 00:41:52,400

now

1262

00:41:57,750 --> 00:41:55,839

how you think this plays out with

1263

00:41:59,670 --> 00:41:57,760

what we're experiencing real time like

1264

00:42:01,510 --> 00:41:59,680

just the debates last night you know the

1265

00:42:04,069 --> 00:42:01,520

third debate i mean this stuff is

1266

00:42:05,510 --> 00:42:04,079

right we're right in the middle of it

1267

00:42:06,950 --> 00:42:05,520

yeah absolutely

1268

00:42:08,950 --> 00:42:06,960

well i mean really i think that the

1269

00:42:10,309 --> 00:42:08,960

network i'm chronicling here was at the

1270

00:42:12,550 --> 00:42:10,319

heart of um

1271

00:42:13,510 --> 00:42:12,560

you know bro uh brexit in the uk and the

1272

00:42:15,829 --> 00:42:13,520

rise of trump

1273

00:42:16,550 --> 00:42:15,839

explain that okay well i mean

1274

00:42:18,390 --> 00:42:16,560

essentially

1275

00:42:20,069 --> 00:42:18,400

okay you have the second world war that

1276

00:42:22,630 --> 00:42:20,079

ends and you end up with a lot of these

1277

00:42:24,790 --> 00:42:22,640

spooks who were temporarily unemployed

1278

00:42:27,270 --> 00:42:24,800

and this sort of created this vast

1279

00:42:29,430 --> 00:42:27,280

network of private intelligence networks

1280

00:42:31,910 --> 00:42:29,440

among the us and the uk that have really

1281

00:42:33,670 --> 00:42:31,920

subsisted uh to this very day

1282

00:42:35,349 --> 00:42:33,680

now of course the uk was always a lot

1283

00:42:36,069 --> 00:42:35,359

more reliant on this network because

1284

00:42:37,829 --> 00:42:36,079

they weren't

1285

00:42:39,430 --> 00:42:37,839

great power essentially in the cold war

1286

00:42:41,109 --> 00:42:39,440

era they had to do things with much more

1287

00:42:42,230 --> 00:42:41,119

plausible deniability than we did in the

1288

00:42:44,230 --> 00:42:42,240

u.s here

1289

00:42:46,550 --> 00:42:44,240

but that's changing as well as america's

1290

00:42:47,910 --> 00:42:46,560

overall power starts to decline

1291

00:42:49,829 --> 00:42:47,920

but i mean this is where like the

1292

00:42:51,270 --> 00:42:49,839

private military sector comes from

1293

00:42:53,190 --> 00:42:51,280

especially which is one of the things

1294

00:42:56,470 --> 00:42:53,200

that i chronicle in the first book

1295

00:42:58,550 --> 00:42:56,480

the rise of the modern day pmcs and this

1296

00:42:59,349 --> 00:42:58,560

is the sort of legacy that if you fast

1297

00:43:02,069 --> 00:42:59,359

forward to

1298

00:43:03,910 --> 00:43:02,079

2020 where what i kind of think of as

1299

00:43:04,710 --> 00:43:03,920

the cambridge analytica network comes

1300

00:43:06,309 --> 00:43:04,720

from

1301
00:43:09,589 --> 00:43:06,319
you know what i'm saying you guys did a

1302
00:43:11,430 --> 00:43:09,599
great show on fourth generation warfare

1303
00:43:12,710 --> 00:43:11,440
and that's what i think you're alluding

1304
00:43:14,390 --> 00:43:12,720
to here and

1305
00:43:16,630 --> 00:43:14,400
it's such a great point but a lot of

1306
00:43:18,390 --> 00:43:16,640
people probably aren't

1307
00:43:19,670 --> 00:43:18,400
tuned into it until that you tell them

1308
00:43:21,109 --> 00:43:19,680
you know but you just kind of think it

1309
00:43:22,790 --> 00:43:21,119
through you know you're out there

1310
00:43:24,150 --> 00:43:22,800
battling with sticks and swords and it's

1311
00:43:26,630 --> 00:43:24,160
like whoever has the

1312
00:43:27,510 --> 00:43:26,640
most sticks and the best swords wins and

1313
00:43:28,950 --> 00:43:27,520

then you get

1314

00:43:30,790 --> 00:43:28,960

guns and you're like well whoever has

1315

00:43:32,390 --> 00:43:30,800

the best guns and planes wins

1316

00:43:34,390 --> 00:43:32,400

and then you get nuclear bombs and

1317

00:43:36,150 --> 00:43:34,400

you're like oh [h__h] well we can't really

1318

00:43:39,589 --> 00:43:36,160

do that anymore

1319

00:43:41,910 --> 00:43:39,599

all along you were doing the information

1320

00:43:43,030 --> 00:43:41,920

game the information war at every stage

1321

00:43:45,270 --> 00:43:43,040

you were doing that

1322

00:43:46,870 --> 00:43:45,280

but now it kind of shifts right and now

1323

00:43:49,670 --> 00:43:46,880

that becomes well

1324

00:43:51,589 --> 00:43:49,680

really the the tool that is gaining more

1325

00:43:54,950 --> 00:43:51,599

power is the information

1326
00:43:57,510 --> 00:43:54,960
aspect and it also becomes the most

1327
00:43:59,589 --> 00:43:57,520
viable one to kind of bring to the to

1328
00:44:01,910 --> 00:43:59,599
the battlefield so

1329
00:44:02,630 --> 00:44:01,920
that shift that you're talking about is

1330
00:44:05,430 --> 00:44:02,640
so

1331
00:44:06,790 --> 00:44:05,440
freaking central to all this and i just

1332
00:44:08,230 --> 00:44:06,800
want to make sure that

1333
00:44:10,309 --> 00:44:08,240
it's your point i just want to make sure

1334
00:44:11,750 --> 00:44:10,319
that we yeah yeah yeah

1335
00:44:13,589 --> 00:44:11,760
well i mean it's the shift with that but

1336
00:44:15,349 --> 00:44:13,599
i mean it's also i think the shift of a

1337
00:44:16,630 --> 00:44:15,359
lot of this stuff going from the public

1338
00:44:19,670 --> 00:44:16,640

to the private as well

1339

00:44:21,589 --> 00:44:19,680

too which is also instrumental in how

1340

00:44:22,309 --> 00:44:21,599

things are currently playing out right

1341

00:44:23,670 --> 00:44:22,319

now

1342

00:44:24,950 --> 00:44:23,680

and i mean it was kind of like the same

1343

00:44:26,710 --> 00:44:24,960

thing with the outsourcing of the

1344

00:44:28,069 --> 00:44:26,720

private military industry as well

1345

00:44:30,390 --> 00:44:28,079

because i mean it was so essential

1346

00:44:32,150 --> 00:44:30,400

around special operations forces so now

1347

00:44:33,670 --> 00:44:32,160

it's a situation where

1348

00:44:35,270 --> 00:44:33,680

you know you only need a handful of

1349

00:44:37,030 --> 00:44:35,280

soldiers to do what you used to need you

1350

00:44:39,510 --> 00:44:37,040

know a couple of battalions to do

1351

00:44:41,270 --> 00:44:39,520

uh you know a couple of decades ago and

1352

00:44:42,550 --> 00:44:41,280

now i mean going into the 21st century

1353

00:44:43,750 --> 00:44:42,560

it's the same thing with psychological

1354

00:44:45,190 --> 00:44:43,760

warfare operations

1355

00:44:46,710 --> 00:44:45,200

you know you need to need you need a

1356

00:44:48,230 --> 00:44:46,720

whole staff to do this now i mean you

1357

00:44:49,510 --> 00:44:48,240

need a couple of guys with keyboards

1358

00:44:51,990 --> 00:44:49,520

effectively

1359

00:44:53,670 --> 00:44:52,000

so now i mean a relatively small network

1360

00:44:56,309 --> 00:44:53,680

of private actors

1361

00:44:58,309 --> 00:44:56,319

can you know effectively do tremendous

1362

00:44:59,510 --> 00:44:58,319

damage to sovereign states i mean we're

1363

00:45:00,870 --> 00:44:59,520

seeing it right here in the united

1364

00:45:02,309 --> 00:45:00,880

states you know they're seeing it in the

1365

00:45:03,670 --> 00:45:02,319

uk with brexit

1366

00:45:05,109 --> 00:45:03,680

and i think if you really pull back the

1367

00:45:06,309 --> 00:45:05,119

curtain there probably aren't a lot of

1368

00:45:09,430 --> 00:45:06,319

people who were you know

1369

00:45:10,230 --> 00:45:09,440

uh who are players in this who are parts

1370

00:45:12,390 --> 00:45:10,240

of this

1371

00:45:14,390 --> 00:45:12,400

independent to whether or not it

1372

00:45:14,950 --> 00:45:14,400

reflects the quote-unquote will of the

1373

00:45:17,349 --> 00:45:14,960

people

1374

00:45:19,430 --> 00:45:17,359

right i mean they're doing this totally

1375

00:45:21,910 --> 00:45:19,440

for private agendas essentially

1376

00:45:22,950 --> 00:45:21,920

right but sometimes sometimes it

1377

00:45:24,950 --> 00:45:22,960

reflects

1378

00:45:27,190 --> 00:45:24,960

the will of the people so it's still

1379

00:45:29,190 --> 00:45:27,200

being engineered it's still being gamed

1380

00:45:31,430 --> 00:45:29,200

but it's being gamed i guess we could

1381

00:45:32,710 --> 00:45:31,440

argue or have to hash out whether it is

1382

00:45:34,870 --> 00:45:32,720

a a

1383

00:45:36,470 --> 00:45:34,880

virtuous game because it really is the

1384

00:45:39,030 --> 00:45:36,480

people and it's countering

1385

00:45:39,990 --> 00:45:39,040

a force that was trying to subvert the

1386

00:45:41,670 --> 00:45:40,000

will of the people

1387

00:45:43,109 --> 00:45:41,680

it's kind of like i just did the show on

1388

00:45:45,510 --> 00:45:43,119

you know the gloria steinem thing and

1389

00:45:48,309 --> 00:45:45,520

how she was a cia op from the beginning

1390

00:45:49,589 --> 00:45:48,319

and not just uh uh she she wasn't all

1391

00:45:49,829 --> 00:45:49,599

interested in the women's movement you

1392

00:45:52,230 --> 00:45:49,839

know

1393

00:45:52,950 --> 00:45:52,240

other than she was just a cia girl that

1394

00:45:56,150 --> 00:45:52,960

was out

1395

00:45:57,430 --> 00:45:56,160

doing things at the for student protests

1396

00:45:58,309 --> 00:45:57,440

and stuff like that and they recruited

1397

00:46:00,710 --> 00:45:58,319

her for this job

1398

00:46:02,390 --> 00:46:00,720

and it's like the problem with that is

1399

00:46:05,270 --> 00:46:02,400

that we needed

1400

00:46:05,990 --> 00:46:05,280

that nudge of you know it was pretty

1401

00:46:08,150 --> 00:46:06,000

unfair

1402

00:46:10,150 --> 00:46:08,160

in terms of how our laws were in our

1403

00:46:12,150 --> 00:46:10,160

society wasn't coming along in terms of

1404

00:46:13,990 --> 00:46:12,160

equal rights for women so it would be

1405

00:46:15,990 --> 00:46:14,000

easy to embrace that and say well by any

1406

00:46:19,030 --> 00:46:16,000

means necessary but on the other hand do

1407

00:46:21,750 --> 00:46:19,040

we really want the cia

1408

00:46:22,309 --> 00:46:21,760

behind that running the running that

1409

00:46:24,950 --> 00:46:22,319

program

1410

00:46:27,190 --> 00:46:24,960

and i'd say the same thing here you know

1411

00:46:28,309 --> 00:46:27,200

so if brexit really does reflect the

1412

00:46:30,309 --> 00:46:28,319

will of the people

1413

00:46:31,589 --> 00:46:30,319

some people could say well then that's a

1414

00:46:33,270 --> 00:46:31,599

good thing because

1415

00:46:35,190 --> 00:46:33,280

they were holding us down in terms of

1416

00:46:37,349 --> 00:46:35,200

controlling all the information so that

1417

00:46:39,670 --> 00:46:37,359

that couldn't be expressed but then

1418

00:46:42,710 --> 00:46:39,680

you're still in this dilemma because

1419

00:46:43,750 --> 00:46:42,720

you still in a manipulation situation do

1420

00:46:45,190 --> 00:46:43,760

you get what i mean what do you think

1421

00:46:46,950 --> 00:46:45,200

about all yeah yeah yeah yeah well i

1422

00:46:48,870 --> 00:46:46,960

mean because again you know it's just

1423

00:46:50,870 --> 00:46:48,880

we don't really have any legitimate uh

1424

00:46:53,589 --> 00:46:50,880

grass roots anymore i mean it's all like

1425

00:46:55,190 --> 00:46:53,599

astro turfing and so forth and that

1426
00:46:56,870 --> 00:46:55,200
is really especially what is so

1427
00:46:58,309 --> 00:46:56,880
dangerous about something like cambridge

1428
00:47:00,230 --> 00:46:58,319
i mean that's really what they do

1429
00:47:02,069 --> 00:47:00,240
i mean they create false movements they

1430
00:47:03,829 --> 00:47:02,079
try to encourage people to not vote i

1431
00:47:04,790 --> 00:47:03,839
mean just all this other kind of shady

1432
00:47:07,030 --> 00:47:04,800
stuff

1433
00:47:08,870 --> 00:47:07,040
that does manipulate the public will so

1434
00:47:09,990 --> 00:47:08,880
much and you know we're still i think

1435
00:47:12,550 --> 00:47:10,000
really unaware of how

1436
00:47:13,990 --> 00:47:12,560
all this affects us and again that's why

1437
00:47:15,589 --> 00:47:14,000
i mean you see this small group of

1438
00:47:17,030 --> 00:47:15,599

private actors who are able to

1439

00:47:20,470 --> 00:47:17,040

subvert the government of the most

1440

00:47:23,589 --> 00:47:20,480

powerful nation on earth allegedly

1441

00:47:25,589 --> 00:47:23,599

yes exactly and uh

1442

00:47:27,109 --> 00:47:25,599

you know i'll tell you what let me

1443

00:47:28,470 --> 00:47:27,119

there's again there's just so many

1444

00:47:29,109 --> 00:47:28,480

things and and hopefully we'll have an

1445

00:47:31,430 --> 00:47:29,119

ongoing

1446

00:47:32,950 --> 00:47:31,440

discussion about this and i know i'm i'm

1447

00:47:35,430 --> 00:47:32,960

going to come on the farm and i

1448

00:47:37,190 --> 00:47:35,440

i would love for that appearance just to

1449

00:47:37,990 --> 00:47:37,200

be kind of round two of this because

1450

00:47:40,790 --> 00:47:38,000

this is the stuff

1451

00:47:42,309 --> 00:47:40,800

i really think is it's just so great and

1452

00:47:44,390 --> 00:47:42,319

so next level which

1453

00:47:45,589 --> 00:47:44,400

you're able to do because you have this

1454

00:47:47,990 --> 00:47:45,599

immense

1455

00:47:49,750 --> 00:47:48,000

database now connected in your head of

1456

00:47:51,510 --> 00:47:49,760

all these different facts that a lot of

1457

00:47:55,190 --> 00:47:51,520

people don't have a handle on

1458

00:47:58,549 --> 00:47:55,200

but i wanted to talk about new world

1459

00:47:59,829 --> 00:47:58,559

order for a minute and i kind of

1460

00:48:01,670 --> 00:47:59,839

have to throw you a little bit of a

1461

00:48:03,670 --> 00:48:01,680

curve ball here and i kind of wish i

1462

00:48:05,990 --> 00:48:03,680

would have sent you this in advance but

1463

00:48:07,270 --> 00:48:06,000

i did an interview i don't know a couple

1464

00:48:10,150 --> 00:48:07,280

years ago

1465

00:48:12,230 --> 00:48:10,160

with this guy and he's a political side

1466

00:48:13,589 --> 00:48:12,240

professor at ohio state university and

1467

00:48:16,470 --> 00:48:13,599

really well respected

1468

00:48:18,309 --> 00:48:16,480

his name is dr alexander wendt you ever

1469

00:48:21,990 --> 00:48:18,319

heard of him

1470

00:48:25,270 --> 00:48:23,750

as the story goes on you might have

1471

00:48:26,710 --> 00:48:25,280

heard him because you wrote these couple

1472

00:48:27,670 --> 00:48:26,720

of papers that really got a lot of

1473

00:48:31,030 --> 00:48:27,680

traction

1474

00:48:31,750 --> 00:48:31,040

inside of the alternative conspiratorial

1475

00:48:33,990 --> 00:48:31,760

community

1476

00:48:34,950 --> 00:48:34,000

and both of them are super interesting

1477

00:48:37,750 --> 00:48:34,960

and these things just

1478

00:48:38,829 --> 00:48:37,760

just about cost him his job and

1479

00:48:41,030 --> 00:48:38,839

certainly cost him a lot of

1480

00:48:43,349 --> 00:48:41,040

respectability among his peers

1481

00:48:44,710 --> 00:48:43,359

but you know he's german guy and kind of

1482

00:48:46,549 --> 00:48:44,720

had this kind of

1483

00:48:48,150 --> 00:48:46,559

certain thing where he was kind of a

1484

00:48:48,549 --> 00:48:48,160

teflon like what are you talking about

1485

00:48:50,309 --> 00:48:48,559

i'm just

1486

00:48:51,829 --> 00:48:50,319

writing another poli-sci paper what are

1487

00:48:52,549 --> 00:48:51,839

you all worked up about but here is the

1488

00:48:56,470 --> 00:48:52,559

point

1489

00:48:58,390 --> 00:48:56,480

not to bury it the first paper was

1490

00:48:59,670 --> 00:48:58,400

well one world government yeah if you

1491

00:49:02,069 --> 00:48:59,680

really think about it

1492

00:49:04,069 --> 00:49:02,079

of course yeah how can it be otherwise

1493

00:49:04,790 --> 00:49:04,079

we're headed towards a one world

1494

00:49:06,710 --> 00:49:04,800

government

1495

00:49:07,829 --> 00:49:06,720

look at the long lens of history you

1496

00:49:09,510 --> 00:49:07,839

know you start with all these little

1497

00:49:11,109 --> 00:49:09,520

tribes and all these little states

1498

00:49:13,030 --> 00:49:11,119

and then they consolidate you know as

1499

00:49:15,349 --> 00:49:13,040

you were kind of saying as power gets

1500

00:49:16,710 --> 00:49:15,359

gets more consolidated then the states

1501

00:49:19,990 --> 00:49:16,720

get more consolidated and

1502

00:49:23,030 --> 00:49:20,000

sure that's where we're heading and as

1503

00:49:25,990 --> 00:49:23,040

kind of somewhat obvious as that is

1504

00:49:28,150 --> 00:49:26,000

it is a bit of a game changer when you

1505

00:49:30,549 --> 00:49:28,160

really step back and go oh

1506

00:49:31,910 --> 00:49:30,559

so what is the game that's really be

1507

00:49:32,549 --> 00:49:31,920

playing because if this guy can figure

1508

00:49:33,990 --> 00:49:32,559

it out

1509

00:49:35,829 --> 00:49:34,000

then there's a lot of other smart people

1510

00:49:39,510 --> 00:49:35,839

can figure that out and say

1511

00:49:41,829 --> 00:49:39,520

so we're all really heading towards

1512

00:49:42,710 --> 00:49:41,839

new world order one world's uh one world

1513

00:49:45,750 --> 00:49:42,720

kind of thing

1514

00:49:46,870 --> 00:49:45,760

we really don't like the way it's being

1515

00:49:49,990 --> 00:49:46,880

pushed by the

1516

00:49:52,870 --> 00:49:50,000

orwellian left-wing crowd but

1517

00:49:54,309 --> 00:49:52,880

as you kind of have delved into in the

1518

00:49:55,270 --> 00:49:54,319

last couple shows you've done on the

1519

00:49:58,390 --> 00:49:55,280

farm

1520

00:49:59,510 --> 00:49:58,400

is there's another force and it's not so

1521

00:50:02,150 --> 00:49:59,520

clear that in the

1522

00:50:02,950 --> 00:50:02,160

their end game isn't the world order one

1523

00:50:05,030 --> 00:50:02,960

world state

1524

00:50:06,790 --> 00:50:05,040

either because they see around the curve

1525

00:50:10,150 --> 00:50:06,800

and they see that that's probably

1526
00:50:13,109 --> 00:50:10,160
happening and yeah let's just let's just

1527
00:50:14,870 --> 00:50:13,119
throw that out well i mean yeah i mean

1528
00:50:17,030 --> 00:50:14,880
everybody sort of knows the sort of

1529
00:50:19,829 --> 00:50:17,040
globalist internationalist version of a

1530
00:50:22,230 --> 00:50:19,839
new world order so to speak but i mean

1531
00:50:24,230 --> 00:50:22,240
you had this sort of counter vision uh

1532
00:50:25,349 --> 00:50:24,240
which in the american experience really

1533
00:50:27,349 --> 00:50:25,359
went back to

1534
00:50:28,790 --> 00:50:27,359
the administration of william mckinley

1535
00:50:31,349 --> 00:50:28,800
which is really instrumental which is

1536
00:50:32,630 --> 00:50:31,359
why nobody talks about it but um

1537
00:50:34,790 --> 00:50:32,640
you had an individual in that

1538
00:50:36,470 --> 00:50:34,800

administration who went by the name of

1539

00:50:38,829 --> 00:50:36,480

theodore roosevelt

1540

00:50:41,430 --> 00:50:38,839

who was effectively america's first

1541

00:50:42,950 --> 00:50:41,440

neocon now roosevelt was of course a

1542

00:50:45,270 --> 00:50:42,960

major internationalist

1543

00:50:46,470 --> 00:50:45,280

um he was a big believer manifest

1544

00:50:48,790 --> 00:50:46,480

destiny

1545

00:50:49,990 --> 00:50:48,800

radical racist all kinds of wonderful

1546

00:50:52,829 --> 00:50:50,000

things

1547

00:50:54,309 --> 00:50:52,839

anyway he also wanted america to embrace

1548

00:50:56,950 --> 00:50:54,319

internationalism

1549

00:50:58,309 --> 00:50:56,960

but more than anything he wanted a great

1550

00:51:00,790 --> 00:50:58,319

glorious american

1551
00:51:02,790 --> 00:51:00,800
empire that would dominate the world and

1552
00:51:04,390 --> 00:51:02,800
effectively would model the world after

1553
00:51:06,230 --> 00:51:04,400
our values

1554
00:51:08,230 --> 00:51:06,240
and that was really at the cost of

1555
00:51:09,670 --> 00:51:08,240
always uh this sort of dispute between

1556
00:51:10,710 --> 00:51:09,680
the different elite factions you're sort

1557
00:51:12,150 --> 00:51:10,720
of conservative

1558
00:51:14,069 --> 00:51:12,160
internationalists in one hand and you're

1559
00:51:16,150 --> 00:51:14,079
globalists on the other hand

1560
00:51:17,990 --> 00:51:16,160
basically were we going to try to go

1561
00:51:19,430 --> 00:51:18,000
towards world government

1562
00:51:21,190 --> 00:51:19,440
that would have at least nominally

1563
00:51:24,069 --> 00:51:21,200

attempted to be more inclusive

1564

00:51:25,829 --> 00:51:24,079

and in fairness to the old guard you

1565

00:51:27,750 --> 00:51:25,839

know eastern establishment elites as

1566

00:51:29,670 --> 00:51:27,760

vile as they were in many ways i mean i

1567

00:51:31,270 --> 00:51:29,680

do think that in the immediate aftermath

1568

00:51:32,870 --> 00:51:31,280

of the second world war there was

1569

00:51:34,150 --> 00:51:32,880

something of an effort to try

1570

00:51:35,750 --> 00:51:34,160

and do something that would be more

1571

00:51:36,549 --> 00:51:35,760

inclusive to the rest of the peoples in

1572

00:51:38,710 --> 00:51:36,559

the world

1573

00:51:39,910 --> 00:51:38,720

i like your qualifications there i think

1574

00:51:43,190 --> 00:51:39,920

those qualifications

1575

00:51:44,870 --> 00:51:43,200

are key but

1576

00:51:46,230 --> 00:51:44,880

um on the other hand i mean there was

1577

00:51:47,990 --> 00:51:46,240

just always a group that always

1578

00:51:49,510 --> 00:51:48,000

effectively wanted this america first

1579

00:51:51,990 --> 00:51:49,520

vision i mean later it sort of came to

1580

00:51:53,750 --> 00:51:52,000

also incorporate the uk in it

1581

00:51:55,589 --> 00:51:53,760

and essentially this sort of great

1582

00:51:57,750 --> 00:51:55,599

anglo-american empire that would

1583

00:51:59,910 --> 00:51:57,760

dominate the entire world

1584

00:52:01,670 --> 00:51:59,920

and effectively i mean they are both uh

1585

00:52:02,309 --> 00:52:01,680

internationalist visions of it but i

1586

00:52:05,670 --> 00:52:02,319

mean i think

1587

00:52:07,109 --> 00:52:05,680

uh the more utopian one quote unquote if

1588

00:52:09,190 --> 00:52:07,119

you will at least managed through the

1589

00:52:10,630 --> 00:52:09,200

u.n and what have you was attempting to

1590

00:52:13,190 --> 00:52:10,640

do so

1591

00:52:14,790 --> 00:52:13,200

more so in a long time period of war of

1592

00:52:16,390 --> 00:52:14,800

adoration you know kind of wearing

1593

00:52:18,790 --> 00:52:16,400

everybody down and gradually bringing

1594

00:52:21,670 --> 00:52:18,800

them into this sector whereas

1595

00:52:23,190 --> 00:52:21,680

the rooseveltian version was definitely

1596

00:52:25,190 --> 00:52:23,200

a much more militant one

1597

00:52:27,510 --> 00:52:25,200

it was more than willing to try to bring

1598

00:52:29,430 --> 00:52:27,520

about this great glorious empire by the

1599

00:52:30,710 --> 00:52:29,440

sword if that's what it took

1600

00:52:32,790 --> 00:52:30,720

and i think you really see that

1601
00:52:33,430 --> 00:52:32,800
especially very much in this day and age

1602
00:52:34,630 --> 00:52:33,440
with the

1603
00:52:36,630 --> 00:52:34,640
you know a lot of the rise of the

1604
00:52:37,510 --> 00:52:36,640
neocons the american bursters and the

1605
00:52:40,230 --> 00:52:37,520
american right

1606
00:52:41,829 --> 00:52:40,240
and so forth and it's really unsettling

1607
00:52:43,589 --> 00:52:41,839
because i mean again you know going back

1608
00:52:45,349 --> 00:52:43,599
to the old you know kind of anglo-er

1609
00:52:47,589 --> 00:52:45,359
eastern establishment the u.s the

1610
00:52:49,270 --> 00:52:47,599
rockefellers and all these people i mean

1611
00:52:51,589 --> 00:52:49,280
they had seen the second world war

1612
00:52:53,030 --> 00:52:51,599
firsthand they knew the kinds of weapons

1613
00:52:54,470 --> 00:52:53,040

that were being developed and they

1614

00:52:57,670 --> 00:52:54,480

understood that there were at least

1615

00:52:59,109 --> 00:52:57,680

certain lines that we should never cross

1616

00:53:01,750 --> 00:52:59,119

because otherwise there wouldn't be a

1617

00:53:03,750 --> 00:53:01,760

human species left essentially

1618

00:53:05,109 --> 00:53:03,760

yeah as you explored in a recent uh

1619

00:53:07,990 --> 00:53:05,119

episode on the farm

1620

00:53:10,790 --> 00:53:08,000

and and did so just really in this kind

1621

00:53:12,710 --> 00:53:10,800

of deep nuanced way

1622

00:53:14,150 --> 00:53:12,720

you get to end of that discussion and

1623

00:53:15,750 --> 00:53:14,160

you're like well

1624

00:53:17,270 --> 00:53:15,760

if i am gagged to be dragged into the

1625

00:53:22,069 --> 00:53:17,280

gutter in a fight

1626

00:53:23,910 --> 00:53:22,079

then i do have to fight so it's not like

1627

00:53:25,589 --> 00:53:23,920

and that's the the problem with all this

1628

00:53:28,230 --> 00:53:25,599

stuff is it it just

1629

00:53:29,510 --> 00:53:28,240

degrades you know into who's ever the

1630

00:53:33,750 --> 00:53:29,520

nastiest

1631

00:53:37,589 --> 00:53:33,760

wins out so it's not like one side

1632

00:53:41,270 --> 00:53:37,599

if we are engaged in this culture war

1633

00:53:44,710 --> 00:53:41,280

battle that that is the manifestation

1634

00:53:46,790 --> 00:53:44,720

of this deeper battle ideological battle

1635

00:53:48,150 --> 00:53:46,800

of what the new world order is going to

1636

00:53:49,349 --> 00:53:48,160

look like because that's what we're

1637

00:53:52,390 --> 00:53:49,359

saying here i guess

1638

00:53:55,829 --> 00:53:52,400

we're saying that there's two visions

1639

00:53:57,069 --> 00:53:55,839

for the eventuality of that one world

1640

00:53:59,750 --> 00:53:57,079

state the

1641

00:54:00,790 --> 00:53:59,760

inevitability of that one world state

1642

00:54:03,589 --> 00:54:00,800

that

1643

00:54:04,950 --> 00:54:03,599

my buddy alexander wendt is pointing to

1644

00:54:08,950 --> 00:54:04,960

and the one vision

1645

00:54:12,390 --> 00:54:08,960

is what we're seeing manifested by

1646

00:54:15,190 --> 00:54:12,400

kind of let's call it the left um

1647

00:54:17,030 --> 00:54:15,200

then the the counter to that especially

1648

00:54:19,510 --> 00:54:17,040

the way they're playing the game

1649

00:54:21,349 --> 00:54:19,520

is what you're talking about on the

1650

00:54:21,829 --> 00:54:21,359

right but it really can't be any other

1651
00:54:23,910 --> 00:54:21,839
way

1652
00:54:25,109 --> 00:54:23,920
it's kind of like the the christian

1653
00:54:27,030 --> 00:54:25,119
thing which we can

1654
00:54:28,710 --> 00:54:27,040
maybe get into religion and stuff like

1655
00:54:30,870 --> 00:54:28,720
that and i think we're actually being

1656
00:54:31,510 --> 00:54:30,880
dragged into a false duality with this

1657
00:54:33,750 --> 00:54:31,520
though i mean

1658
00:54:35,349 --> 00:54:33,760
i i mean essentially i would say we need

1659
00:54:37,109 --> 00:54:35,359
a third option you know because neither

1660
00:54:38,710 --> 00:54:37,119
one of these are really very good ones i

1661
00:54:40,309 --> 00:54:38,720
mean i think that

1662
00:54:42,390 --> 00:54:40,319
you know the globus one might be

1663
00:54:44,230 --> 00:54:42,400

somewhat a little better in some levels

1664

00:54:46,309 --> 00:54:44,240

i mean probably less people would die

1665

00:54:48,150 --> 00:54:46,319

but it's not pretty either a lot of

1666

00:54:50,789 --> 00:54:48,160

levels either let's just say that

1667

00:54:52,150 --> 00:54:50,799

so i mean i think that we need you know

1668

00:54:53,990 --> 00:54:52,160

to start looking at different

1669

00:54:55,750 --> 00:54:54,000

possibilities because yes the world is

1670

00:54:57,190 --> 00:54:55,760

going to become interconnected i mean

1671

00:54:58,230 --> 00:54:57,200

even more so than it is now i mean

1672

00:55:00,549 --> 00:54:58,240

that's inevitable with the way

1673

00:55:01,990 --> 00:55:00,559

technology is going and so forth

1674

00:55:04,069 --> 00:55:02,000

but that also gives us you know the

1675

00:55:06,150 --> 00:55:04,079

ability to not need i think as many of

1676

00:55:09,349 --> 00:55:06,160

these byzantine

1677

00:55:11,270 --> 00:55:09,359

uh structures over us be they you know a

1678

00:55:13,589 --> 00:55:11,280

kind of all-seeing world government

1679

00:55:15,349 --> 00:55:13,599

or multinational corporations that

1680

00:55:16,150 --> 00:55:15,359

effectively have the power of multiple

1681

00:55:18,630 --> 00:55:16,160

but do you think

1682

00:55:19,990 --> 00:55:18,640

the center can really hold this is the

1683

00:55:22,470 --> 00:55:20,000

point that you guys raised

1684

00:55:23,030 --> 00:55:22,480

in your in this show and i forget which

1685

00:55:24,630 --> 00:55:23,040

episode

1686

00:55:27,270 --> 00:55:24,640

it was because you've had so many

1687

00:55:30,549 --> 00:55:27,280

fantastic ones that they've all kind of

1688

00:55:33,030 --> 00:55:30,559

merged ahead in my merch together

1689

00:55:34,390 --> 00:55:33,040

i think society is going to survive

1690

00:55:37,109 --> 00:55:34,400

essentially

1691

00:55:38,309 --> 00:55:37,119

well but no because i i think and where

1692

00:55:40,870 --> 00:55:38,319

is the farm here

1693

00:55:41,349 --> 00:55:40,880

um oh because i want to show people some

1694

00:55:43,750 --> 00:55:41,359

of the

1695

00:55:45,910 --> 00:55:43,760

episodes that you've had here i i you

1696

00:55:47,670 --> 00:55:45,920

know there's always you know oh will

1697

00:55:49,349 --> 00:55:47,680

society survive and all the rest of this

1698

00:55:51,430 --> 00:55:49,359

it's like you know what i'm saying is

1699

00:55:52,710 --> 00:55:51,440

kind of a more and this is again this is

1700

00:55:53,270 --> 00:55:52,720

i think the point that you guys were

1701
00:55:55,589 --> 00:55:53,280
talking about

1702
00:55:57,750 --> 00:55:55,599
is like if you want to say i don't want

1703
00:55:58,549 --> 00:55:57,760
to take sides there has to be another

1704
00:56:01,109 --> 00:55:58,559
way

1705
00:56:02,150 --> 00:56:01,119
you know kind of what's popularized by

1706
00:56:04,549 --> 00:56:02,160
the alternative

1707
00:56:06,390 --> 00:56:04,559
uh the alt alt media that we're a part

1708
00:56:07,750 --> 00:56:06,400
of i just look at that and i just

1709
00:56:09,589 --> 00:56:07,760
have to kind of laugh a little bit it

1710
00:56:12,549 --> 00:56:09,599
seems so naive a little bit i mean

1711
00:56:14,150 --> 00:56:12,559
the amount of money and power that these

1712
00:56:16,870 --> 00:56:14,160
other two forces have

1713
00:56:17,750 --> 00:56:16,880

is just going to it makes it look

1714

00:56:19,670 --> 00:56:17,760

ridiculous

1715

00:56:21,829 --> 00:56:19,680

so yeah you know everyone wants a

1716

00:56:23,990 --> 00:56:21,839

everyone wants a pick on soros in his

1717

00:56:26,069 --> 00:56:24,000

billions that he's putting into

1718

00:56:27,750 --> 00:56:26,079

that one side of the agenda and as you

1719

00:56:29,510 --> 00:56:27,760

guys so rightly point out was like well

1720

00:56:29,990 --> 00:56:29,520

there's billions coming in on the other

1721

00:56:31,430 --> 00:56:30,000

side

1722

00:56:33,190 --> 00:56:31,440

and they're trying to co-op things and

1723

00:56:33,910 --> 00:56:33,200

manage things on the other side but the

1724

00:56:36,789 --> 00:56:33,920

idea

1725

00:56:37,750 --> 00:56:36,799

that and again i i hate to be the debbie

1726

00:56:39,190 --> 00:56:37,760

downer here but the

1727

00:56:40,789 --> 00:56:39,200

the idea that there's going to be this

1728

00:56:43,750 --> 00:56:40,799

organic middle

1729

00:56:44,950 --> 00:56:43,760

that will kind of rise up it's like no

1730

00:56:48,710 --> 00:56:44,960

to whatever extent

1731

00:56:51,430 --> 00:56:48,720

we are successful it will be in

1732

00:56:54,069 --> 00:56:51,440

making a small dent in shifting one of

1733

00:56:55,349 --> 00:56:54,079

those two polarities it's not a third

1734

00:56:56,710 --> 00:56:55,359

leg on the stool

1735

00:56:59,829 --> 00:56:56,720

just ain't gonna happen we don't have

1736

00:57:02,390 --> 00:56:59,839

enough power we're not enough money

1737

00:57:03,670 --> 00:57:02,400

well i mean yes and no i mean i do think

1738

00:57:05,589 --> 00:57:03,680

though with the rise of

1739

00:57:07,829 --> 00:57:05,599

the change in communications though that

1740

00:57:09,349 --> 00:57:07,839

does offer different possibilities that

1741

00:57:11,030 --> 00:57:09,359

we really haven't had

1742

00:57:12,470 --> 00:57:11,040

in human history up to this point in

1743

00:57:13,910 --> 00:57:12,480

time i mean obviously that could all

1744

00:57:15,750 --> 00:57:13,920

change if there is an attempt to

1745

00:57:17,349 --> 00:57:15,760

massively crack down on the internet or

1746

00:57:20,069 --> 00:57:17,359

something to that effect

1747

00:57:20,470 --> 00:57:20,079

but break down buddy i mean this is

1748

00:57:23,670 --> 00:57:20,480

again

1749

00:57:26,630 --> 00:57:23,680

to to

1750

00:57:27,430 --> 00:57:26,640

to pick on but you're because what i'm

1751
00:57:31,510 --> 00:57:27,440
doing

1752
00:57:33,829 --> 00:57:31,520
with your own

1753
00:57:35,190 --> 00:57:33,839
points you know that you've made because

1754
00:57:37,910 --> 00:57:35,200
and if you weren't

1755
00:57:38,789 --> 00:57:37,920
uh exploring both sides of this then i

1756
00:57:42,230 --> 00:57:38,799
wouldn't

1757
00:57:44,390 --> 00:57:42,240
for you because you're uh we all are

1758
00:57:47,270 --> 00:57:44,400
flip-flopping on all this stuff

1759
00:57:47,670 --> 00:57:47,280
so uh cambridge analytica is to your

1760
00:57:50,710 --> 00:57:47,680
point

1761
00:57:53,910 --> 00:57:50,720
is a few guys that are running this game

1762
00:57:54,309 --> 00:57:53,920
that it is impossible for us to right it

1763
00:57:56,390 --> 00:57:54,319

took

1764

00:57:57,510 --> 00:57:56,400

us forever to figure out that that's

1765

00:57:58,870 --> 00:57:57,520

what was going on

1766

00:58:00,870 --> 00:57:58,880

well they've already moved on to the

1767

00:58:02,789 --> 00:58:00,880

next level next level next level so for

1768

00:58:05,030 --> 00:58:02,799

us to get all excited because

1769

00:58:06,710 --> 00:58:05,040

we have uh have the internet and we can

1770

00:58:08,309 --> 00:58:06,720

podcast we talk to each other

1771

00:58:11,109 --> 00:58:08,319

hey i'm not putting that down i'm still

1772

00:58:13,750 --> 00:58:11,119

doing it i mean it doesn't mean that

1773

00:58:15,030 --> 00:58:13,760

that you stopped doing it oh and but it

1774

00:58:16,789 --> 00:58:15,040

does mean that you have to kind of

1775

00:58:18,549 --> 00:58:16,799

check yourself in terms of how this fits

1776

00:58:20,630 --> 00:58:18,559

into kind of the big picture

1777

00:58:22,069 --> 00:58:20,640

i mean i just talked to you know the

1778

00:58:23,910 --> 00:58:22,079

cancel culture

1779

00:58:26,390 --> 00:58:23,920

the the people that are just kind of

1780

00:58:27,190 --> 00:58:26,400

disappeared you know completely from the

1781

00:58:28,789 --> 00:58:27,200

conversation

1782

00:58:30,230 --> 00:58:28,799

this is something we never would have

1783

00:58:30,950 --> 00:58:30,240

even if you and i were having this

1784

00:58:33,670 --> 00:58:30,960

conversation

1785

00:58:35,589 --> 00:58:33,680

five years ago and one of us said that

1786

00:58:37,109 --> 00:58:35,599

the other one would be

1787

00:58:39,430 --> 00:58:37,119

they could never do that they could

1788

00:58:41,589 --> 00:58:39,440

never completely just across all these

1789

00:58:43,750 --> 00:58:41,599

platforms that shows this collusion

1790

00:58:45,109 --> 00:58:43,760

this talk about conspiracy shows this

1791

00:58:47,349 --> 00:58:45,119

compromise con

1792

00:58:48,549 --> 00:58:47,359

conspiratorial collusion that we could

1793

00:58:50,710 --> 00:58:48,559

never imagine

1794

00:58:52,470 --> 00:58:50,720

we would have never anticipated that

1795

00:58:53,030 --> 00:58:52,480

they could have done that now we live it

1796

00:58:56,230 --> 00:58:53,040

so

1797

00:58:57,030 --> 00:58:56,240

again i i just i think you're i think

1798

00:58:58,710 --> 00:58:57,040

you're

1799

00:59:00,630 --> 00:58:58,720

equally on board with that at different

1800

00:59:01,030 --> 00:59:00,640

times as i am but then you also want to

1801
00:59:02,950 --> 00:59:01,040
kind of

1802
00:59:05,990 --> 00:59:02,960
look at the bright side of things that

1803
00:59:07,910 --> 00:59:06,000
yeah yeah yeah well i mean also i always

1804
00:59:09,750 --> 00:59:07,920
i hate to tell people to try to support

1805
00:59:11,109 --> 00:59:09,760
the lesser of two evils in any real

1806
00:59:12,710 --> 00:59:11,119
faction i mean

1807
00:59:14,150 --> 00:59:12,720
i don't know i feel like that's a lot of

1808
00:59:16,390 --> 00:59:14,160
what has led us to this sad

1809
00:59:18,390 --> 00:59:16,400
juncture i mean we've just we've

1810
00:59:20,390 --> 00:59:18,400
continuously lowered our standards

1811
00:59:21,349 --> 00:59:20,400
generation after generation after

1812
00:59:23,589 --> 00:59:21,359
generation

1813
00:59:24,950 --> 00:59:23,599

it's well you can see just look at the

1814

00:59:26,549 --> 00:59:24,960

presidential debate we were

1815

00:59:29,430 --> 00:59:26,559

forced to witness last night and that's

1816

00:59:31,829 --> 00:59:29,440

what it's gotten us now

1817

00:59:32,789 --> 00:59:31,839

well i think well i don't want to get

1818

00:59:34,309 --> 00:59:32,799

off on another tangent

1819

00:59:36,230 --> 00:59:34,319

i think politics when you look at them

1820

00:59:37,990 --> 00:59:36,240

are really interesting because

1821

00:59:39,589 --> 00:59:38,000

and you have a little bit of that lens i

1822

00:59:41,349 --> 00:59:39,599

mean when you go back to uh

1823

00:59:43,510 --> 00:59:41,359

mckinley or whatever i mean there were

1824

00:59:46,230 --> 00:59:43,520

some really nasty [h__\h]

1825

00:59:47,829 --> 00:59:46,240

going on in our history that makes

1826

00:59:50,950 --> 00:59:47,839

modern politics look

1827

00:59:53,109 --> 00:59:50,960

mild compared to what those guys did

1828

00:59:54,950 --> 00:59:53,119

and all those so it's always been why

1829

00:59:58,150 --> 00:59:54,960

wouldn't you you know if you can't

1830

00:59:59,430 --> 00:59:58,160

it's a great it's like the whole and i'm

1831

01:00:01,270 --> 00:59:59,440

not too

1832

01:00:03,109 --> 01:00:01,280

nick bostrom which is a fantastic

1833

01:00:05,190 --> 01:00:03,119

philosopher from uh

1834

01:00:06,309 --> 01:00:05,200

uh oxford and is kind of better known

1835

01:00:10,470 --> 01:00:06,319

for yeah so

1836

01:00:12,390 --> 01:00:10,480

you know if they can they will

1837

01:00:13,589 --> 01:00:12,400

is one of the quotes i like from him and

1838

01:00:15,670 --> 01:00:13,599

it's like

1839

01:00:17,270 --> 01:00:15,680

no matter how horrific you think you

1840

01:00:19,670 --> 01:00:17,280

know whatever it is whether it's

1841

01:00:20,390 --> 01:00:19,680

transhumanism or you know genetic

1842

01:00:22,750 --> 01:00:20,400

engineering

1843

01:00:24,309 --> 01:00:22,760

or you know cloning whatever

1844

01:00:26,870 --> 01:00:24,319

technologically

1845

01:00:28,710 --> 01:00:26,880

if we can we will it's just always been

1846

01:00:29,510 --> 01:00:28,720

and then you can't get away from it by

1847

01:00:31,030 --> 01:00:29,520

being a

1848

01:00:32,710 --> 01:00:31,040

luddite and sticking your head in the

1849

01:00:34,630 --> 01:00:32,720

ground and go well you know

1850

01:00:37,109 --> 01:00:34,640

we just got uh we just got in our house

1851
01:00:38,230 --> 01:00:37,119
the new uh virtual reality thing from

1852
01:00:41,750 --> 01:00:38,240
facebook you know

1853
01:00:42,069 --> 01:00:41,760
because it's like you as soon as you do

1854
01:00:43,829 --> 01:00:42,079
that

1855
01:00:45,270 --> 01:00:43,839
you're like well of course everyone's

1856
01:00:46,789 --> 01:00:45,280
going to be doing this everyone's going

1857
01:00:49,109 --> 01:00:46,799
to be fighting over

1858
01:00:50,390 --> 01:00:49,119
deciding how much of their life is

1859
01:00:52,630 --> 01:00:50,400
virtual versus how much

1860
01:00:55,349 --> 01:00:52,640
life is non-virtual it's it's a given if

1861
01:00:56,950 --> 01:00:55,359
you think that isn't going to happen

1862
01:00:58,950 --> 01:00:56,960
it's going to happen for the largest

1863
01:01:02,309 --> 01:00:58,960

percentage of the population it's

1864

01:01:03,030 --> 01:01:02,319

just like uh you know the neural link

1865

01:01:05,430 --> 01:01:03,040

stuff

1866

01:01:06,150 --> 01:01:05,440

and and all that you know i mean of

1867

01:01:09,030 --> 01:01:06,160

course

1868

01:01:09,510 --> 01:01:09,040

i i have a family member very close to

1869

01:01:13,190 --> 01:01:09,520

me

1870

01:01:15,670 --> 01:01:13,200

who has uh epilepsy they're not going to

1871

01:01:16,230 --> 01:01:15,680

sign up for the neural link if it stops

1872

01:01:18,710 --> 01:01:16,240

their

1873

01:01:20,150 --> 01:01:18,720

seizures of course they will well now

1874

01:01:21,190 --> 01:01:20,160

you're in the game right because

1875

01:01:22,630 --> 01:01:21,200

hey you know what else we can do with

1876

01:01:23,349 --> 01:01:22,640

this neural link we do this and this and

1877

01:01:24,549 --> 01:01:23,359

this and this

1878

01:01:26,549 --> 01:01:24,559

do you want any of this you want to shut

1879

01:01:29,670 --> 01:01:26,559

that down you know i mean it's like

1880

01:01:32,630 --> 01:01:29,680

of course we're heading there yeah

1881

01:01:34,230 --> 01:01:32,640

i mean it's definitely you know i mean

1882

01:01:35,990 --> 01:01:34,240

it's a strange position to be in

1883

01:01:37,510 --> 01:01:36,000

certainly and i mean

1884

01:01:39,829 --> 01:01:37,520

but i mean that's really essentially a

1885

01:01:41,270 --> 01:01:39,839

big part of why i do what i do because i

1886

01:01:43,109 --> 01:01:41,280

mean how they're applied and i mean

1887

01:01:43,670 --> 01:01:43,119

effectively how they can be used against

1888

01:01:45,990 --> 01:01:43,680

the different

1889

01:01:48,549 --> 01:01:46,000

factions as well i mean i think you know

1890

01:01:50,630 --> 01:01:48,559

if you really look at some of these more

1891

01:01:53,349 --> 01:01:50,640

arcane groups i mean what was it the

1892

01:01:54,630 --> 01:01:53,359

dkmu was it domino's chaotic marauder

1893

01:01:56,390 --> 01:01:54,640

underground or some of these other kind

1894

01:01:58,069 --> 01:01:56,400

of outfits they're already trying to do

1895

01:01:59,910 --> 01:01:58,079

something like that

1896

01:02:01,349 --> 01:01:59,920

you know i mean i think that's really at

1897

01:02:03,190 --> 01:02:01,359

this point in time the best bet that we

1898

01:02:06,789 --> 01:02:03,200

really have

1899

01:02:08,950 --> 01:02:06,799

i always say this and people

1900

01:02:11,190 --> 01:02:08,960

think i'm joking or something is you

1901

01:02:14,390 --> 01:02:11,200

know the the old navy commercials

1902

01:02:15,270 --> 01:02:14,400

you know a force for good they show this

1903

01:02:16,950 --> 01:02:15,280

big

1904

01:02:18,630 --> 01:02:16,960

aircraft character no it's a global

1905

01:02:20,710 --> 01:02:18,640

force for good oh yeah

1906

01:02:22,150 --> 01:02:20,720

that's you're so right buddy that's so

1907

01:02:23,510 --> 01:02:22,160

right right right we're close it's like

1908

01:02:25,750 --> 01:02:23,520

they've changed it now right

1909

01:02:26,549 --> 01:02:25,760

let's talk about programming but the old

1910

01:02:29,349 --> 01:02:26,559

one

1911

01:02:31,430 --> 01:02:29,359

which is just generic right i mean

1912

01:02:32,549 --> 01:02:31,440

whether it's global or whether it's

1913

01:02:34,870 --> 01:02:32,559

you know let's leave that out of the

1914

01:02:38,069 --> 01:02:34,880

debate but let's be

1915

01:02:41,190 --> 01:02:38,079

a force for good let's

1916

01:02:43,029 --> 01:02:41,200

uh you know tie into the american

1917

01:02:44,710 --> 01:02:43,039

ideals that we were never there are

1918

01:02:47,750 --> 01:02:44,720

deals we never lived them

1919

01:02:49,430 --> 01:02:47,760

really but we at least had those ideals

1920

01:02:52,870 --> 01:02:49,440

that's all i think we have to do

1921

01:02:53,589 --> 01:02:52,880

is just try and be a force for good in

1922

01:02:55,430 --> 01:02:53,599

our life

1923

01:02:56,870 --> 01:02:55,440

in our community and the people that we

1924

01:03:00,069 --> 01:02:56,880

come in contact with

1925

01:03:02,390 --> 01:03:00,079

oh absolutely that's the strongest

1926

01:03:04,150 --> 01:03:02,400

yep and that's the gravitational force

1927

01:03:07,510 --> 01:03:04,160

that's what pulls these two

1928

01:03:08,470 --> 01:03:07,520

polarized insanities you know need to be

1929

01:03:11,750 --> 01:03:08,480

attracted to

1930

01:03:13,430 --> 01:03:11,760

us rather than us try and glom onto them

1931

01:03:15,029 --> 01:03:13,440

what do you think about that as we try

1932

01:03:16,630 --> 01:03:15,039

and well absolutely and i mean i think

1933

01:03:18,630 --> 01:03:16,640

specifically you know to put these

1934

01:03:20,230 --> 01:03:18,640

techniques to a positive end and so

1935

01:03:22,150 --> 01:03:20,240

forth because i mean to a certain extent

1936

01:03:24,470 --> 01:03:22,160

you know you do need these psychological

1937

01:03:26,230 --> 01:03:24,480

constructs to formulate a society i mean

1938

01:03:28,390 --> 01:03:26,240

you need a certain mythos to base a

1939

01:03:30,630 --> 01:03:28,400

society around i mean they really don't

1940

01:03:32,150 --> 01:03:30,640

last if they don't have that and i mean

1941

01:03:33,349 --> 01:03:32,160

i think it's really up to us i mean

1942

01:03:35,109 --> 01:03:33,359

especially artists

1943

01:03:37,190 --> 01:03:35,119

political scholars that type of thing to

1944

01:03:38,470 --> 01:03:37,200

create a mythos that is a positive one

1945

01:03:39,589 --> 01:03:38,480

something that's more inclusive

1946

01:03:43,510 --> 01:03:39,599

something that's going to be the

1947

01:03:47,589 --> 01:03:45,589

awesome you know what i think that's a

1948

01:03:51,109 --> 01:03:47,599

good way to kind of round it

1949

01:03:53,270 --> 01:03:51,119

on home what else do we need to

1950

01:03:54,710 --> 01:03:53,280

share with people in terms of how they

1951

01:03:56,870 --> 01:03:54,720

need to uh

1952

01:03:58,150 --> 01:03:56,880

connect with what you're doing and and

1953

01:04:00,069 --> 01:03:58,160

and keep

1954

01:04:02,309 --> 01:04:00,079

keep up to speed on how to make that

1955

01:04:03,829 --> 01:04:02,319

good stuff happen

1956

01:04:05,990 --> 01:04:03,839

well i mean i just think you know you

1957

01:04:07,829 --> 01:04:06,000

need to step back sometimes i mean even

1958

01:04:09,589 --> 01:04:07,839

though i am kind of a political junkie i

1959

01:04:09,990 --> 01:04:09,599

mean i usually make a point you know at

1960

01:04:11,670 --> 01:04:10,000

least

1961

01:04:13,589 --> 01:04:11,680

a couple of hours a day really to just

1962

01:04:15,190 --> 01:04:13,599

get outside or something just get away

1963

01:04:17,109 --> 01:04:15,200

from all the technology and i mean

1964

01:04:18,870 --> 01:04:17,119

insanity and just try to

1965

01:04:20,549 --> 01:04:18,880

focus on what's really important to me

1966

01:04:21,829 --> 01:04:20,559

in my life i mean that's kind of another

1967

01:04:23,990 --> 01:04:21,839

thing you know you need something to

1968

01:04:25,750 --> 01:04:24,000

aspire towards goals and

1969

01:04:27,670 --> 01:04:25,760

just ultimately realize that there is

1970

01:04:29,270 --> 01:04:27,680

stuff that you can do i mean it just

1971

01:04:30,789 --> 01:04:29,280

seems like talking to

1972

01:04:32,549 --> 01:04:30,799

because i'm a cook professional like i

1973

01:04:33,990 --> 01:04:32,559

don't really do anything prestigious or

1974

01:04:34,870 --> 01:04:34,000

anything i'm around normal people pretty

1975

01:04:38,069 --> 01:04:34,880

regularly it just

1976

01:04:40,069 --> 01:04:38,079

seems like people get so daunted by

1977

01:04:41,750 --> 01:04:40,079

thinking that i'm just a little person i

1978

01:04:43,829 --> 01:04:41,760

can't really do anything constructive

1979

01:04:45,270 --> 01:04:43,839

with my life which is nonsense

1980

01:04:46,950 --> 01:04:45,280

you know you really just have to believe

1981

01:04:48,150 --> 01:04:46,960

in yourself

1982

01:04:49,510 --> 01:04:48,160

you know the other thing that you said

1983

01:04:51,349 --> 01:04:49,520

there that i think is kind of

1984

01:04:52,390 --> 01:04:51,359

interesting and people don't talk about

1985

01:04:54,710 --> 01:04:52,400

a lot

1986

01:04:56,069 --> 01:04:54,720

and it almost sounds it can sound a

1987

01:04:57,910 --> 01:04:56,079

little bit patronizing

1988

01:05:01,029 --> 01:04:57,920

when you say i'm around normal people a

1989

01:05:04,230 --> 01:05:01,039

lot but i know exactly what you mean

1990

01:05:05,190 --> 01:05:04,240

and i find that too i mean people have

1991

01:05:07,349 --> 01:05:05,200

to also i think

1992

01:05:09,029 --> 01:05:07,359

step out of their social structures too

1993

01:05:09,430 --> 01:05:09,039

because it just seems like so often

1994

01:05:11,270 --> 01:05:09,440

people

1995

01:05:13,029 --> 01:05:11,280

only want to especially nowadays we only

1996

01:05:14,470 --> 01:05:13,039

want to associate with other liberals or

1997

01:05:15,829 --> 01:05:14,480

we only want to associate with other

1998

01:05:17,750 --> 01:05:15,839

conservatives or we only want to

1999

01:05:19,349 --> 01:05:17,760

associate with other vegans or that type

2000

01:05:21,190 --> 01:05:19,359

of thing i mean

2001
01:05:23,190 --> 01:05:21,200
at least for me i've always tried to

2002
01:05:24,870 --> 01:05:23,200
have friends from very different

2003
01:05:26,549 --> 01:05:24,880
backgrounds over the course of my life

2004
01:05:28,069 --> 01:05:26,559
and i mean i think that's very useful

2005
01:05:29,750 --> 01:05:28,079
you know it exposes you to different

2006
01:05:32,069 --> 01:05:29,760
social structures and

2007
01:05:33,430 --> 01:05:32,079
a big part i think of being you know

2008
01:05:35,029 --> 01:05:33,440
trying to do positive things in the

2009
01:05:36,549 --> 01:05:35,039
world is understanding other people's

2010
01:05:38,150 --> 01:05:36,559
perspectives i mean

2011
01:05:39,829 --> 01:05:38,160
even if you find them appalling you

2012
01:05:41,270 --> 01:05:39,839
really can't help them get beyond their

2013
01:05:43,190 --> 01:05:41,280

perspectives if you don't understand

2014

01:05:45,589 --> 01:05:43,200

where they're coming from you know

2015

01:05:47,750 --> 01:05:45,599

it just seems like in general there's a

2016

01:05:49,349 --> 01:05:47,760

lack of mutual understanding nowadays in

2017

01:05:50,789 --> 01:05:49,359

our society an attempt to even try to

2018

01:05:52,309 --> 01:05:50,799

get where the other person is coming

2019

01:05:54,069 --> 01:05:52,319

from

2020

01:05:55,349 --> 01:05:54,079

you know you need to emphasize

2021

01:05:59,029 --> 01:05:55,359

ultimately with other people

2022

01:06:01,270 --> 01:05:59,039

to help them awesome well again folks

2023

01:06:03,670 --> 01:06:01,280

we've been talking to steven schneider

2024

01:06:06,630 --> 01:06:03,680

aka recluse

2025

01:06:07,990 --> 01:06:06,640

fantastic stuff i hope you got a taste

2026

01:06:10,150 --> 01:06:08,000

of it without getting too

2027

01:06:11,829 --> 01:06:10,160

overwhelmed check out his podcast it's

2028

01:06:16,470 --> 01:06:11,839

just terrific

2029

01:06:18,230 --> 01:06:16,480

long form but deep deep dives into stuff

2030

01:06:19,829 --> 01:06:18,240

strange tales of the parapolitical but

2031

01:06:20,950 --> 01:06:19,839

we're going to want you to go to his

2032

01:06:23,430 --> 01:06:20,960

website

2033

01:06:24,789 --> 01:06:23,440

to catch that where did i do with the

2034

01:06:26,549 --> 01:06:24,799

website

2035

01:06:28,069 --> 01:06:26,559

he's got a new book a special

2036

01:06:28,870 --> 01:06:28,079

relationship that you can get from the

2037

01:06:31,109 --> 01:06:28,880

website

2038

01:06:32,069 --> 01:06:31,119

as well as his other book on the

2039

01:06:35,430 --> 01:06:32,079

parapolitical

2040

01:06:38,150 --> 01:06:35,440

so it's been absolutely terrific

2041

01:06:40,069 --> 01:06:38,160

having you on recluse and uh look

2042

01:06:43,589 --> 01:06:40,079

forward to doing it again

2043

01:06:48,789 --> 01:06:46,630

well thanks again to stephen snyder aka

2044

01:06:50,470 --> 01:06:48,799

recluse for joining me today on skeptico

2045

01:06:52,309 --> 01:06:50,480

the one question i guess i t up from

2046

01:06:54,230 --> 01:06:52,319

this interview is the one that we kind

2047

01:06:55,510 --> 01:06:54,240

of reached at the end of this and that

2048

01:07:06,470 --> 01:06:55,520

is

2049

01:07:09,510 --> 01:07:06,480

one side and crazy right wing

2050

01:07:13,270 --> 01:07:09,520

mooney neocon or

2051
01:07:16,710 --> 01:07:13,280
die alternative on the other is there

2052
01:07:17,829 --> 01:07:16,720
a third way a middle way and how do we

2053
01:07:20,309 --> 01:07:17,839
find it

2054
01:07:22,710 --> 01:07:20,319
i guess that's the question i t up can't

2055
01:07:24,789 --> 01:07:22,720
get any bigger than that one really

2056
01:07:26,069 --> 01:07:24,799
so if you liked this interview if you

2057
01:07:27,029 --> 01:07:26,079
enjoyed it i thought it was a great

2058
01:07:29,190 --> 01:07:27,039
conversation

2059
01:07:31,029 --> 01:07:29,200
i have another one coming up with uh

2060
01:07:33,270 --> 01:07:31,039
recluse on his show

2061
01:07:34,870 --> 01:07:33,280
that'll be out pretty soon check that

2062
01:07:35,510 --> 01:07:34,880
out i've been doing a number of

2063
01:07:38,069 --> 01:07:35,520

interviews

2064

01:07:38,870 --> 01:07:38,079

on other shows and i continue to have

2065

01:07:41,430 --> 01:07:38,880

some

2066

01:07:42,549 --> 01:07:41,440

pretty good ones coming up on skeptico

2067

01:07:45,109 --> 01:07:42,559

as well so

2068

01:07:46,069 --> 01:07:45,119

stay with me for all of that until next
