***UNIVERSAL

TRAP***

FEATURING

AL BOREALIS

1
00:00:03,429 --> 00:00:02,070
i would remember well how could you if

2
00:00:04,230 --> 00:00:03,439
it just erased your memory that's not

3
00:00:08,629 --> 00:00:04,240
how it works

4
00:00:09,830 --> 00:00:08,639
off okay i'm interviewing you no you

5
00:00:11,270 --> 00:00:09,840
said that i'd be conducting the

6
00:00:13,430 --> 00:00:11,280
interview when i walked in here now

7
00:00:14,629 --> 00:00:13,440
exactly that's a clip from a fun youtube

8
00:00:17,910 --> 00:00:14,639
video titled the

9
00:00:21,109 --> 00:00:17,920
office as zodiac signs where they play

10
00:00:21,830 --> 00:00:21,119
various clips from the office if you're

11
00:00:25,029 --> 00:00:21,840
like

12
00:00:28,870 --> 00:00:25,039
my family you've kind of looked to as

13
00:00:29,349 --> 00:00:28,880

a port in the storm as we look for a way

14

00:00:32,870 --> 00:00:29,359

to

15

00:00:35,430 --> 00:00:32,880

get through this incredible medical

16

00:00:38,549 --> 00:00:35,440

tyranny that we're experiencing

17

00:00:38,950 --> 00:00:38,559

but this theme of astrology is something

18

00:00:42,150 --> 00:00:38,960

that

19

00:00:43,430 --> 00:00:42,160

me and today's guest al from forum

20

00:00:46,549 --> 00:00:43,440

borealis

21

00:00:49,990 --> 00:00:46,559

kind of rolled into as the

22

00:00:52,150 --> 00:00:50,000

preamble to our conversation

23

00:00:53,830 --> 00:00:52,160

so i thought i'd play a little bit of

24

00:00:56,790 --> 00:00:53,840

that preamble

25

00:00:59,830 --> 00:00:56,800

according to astrologers the last time

26

00:01:02,709 --> 00:00:59,840

jupiter saturn and pluto were conjunct

27

00:01:04,070 --> 00:01:02,719

in capricorn was two thousand years ago

28

00:01:05,030 --> 00:01:04,080

actually a little over three thousand

29

00:01:08,950 --> 00:01:05,040

years ago and

30

00:01:12,310 --> 00:01:08,960

now it's up it's happening again um

31

00:01:15,429 --> 00:01:12,320

and the triple conjunction

32

00:01:16,950 --> 00:01:15,439

was they interpreted

33

00:01:19,350 --> 00:01:16,960

last time it happened triggered the

34

00:01:21,670 --> 00:01:19,360

birth of the great empire of babylon and

35

00:01:23,109 --> 00:01:21,680

the sumerian people that went on to rule

36

00:01:24,070 --> 00:01:23,119

and dominate the world for many

37

00:01:27,109 --> 00:01:24,080

millennia

38

00:01:27,510 --> 00:01:27,119

after so they're thinking this event

39

00:01:29,030 --> 00:01:27,520

could

40

00:01:30,710 --> 00:01:29,040

trigger a change that will have

41

00:01:31,510 --> 00:01:30,720

worldwide effects into the near future

42

00:01:34,870 --> 00:01:31,520

we certainly

43

00:01:38,149 --> 00:01:34,880

see movements on the ground now but

44

00:01:39,910 --> 00:01:38,159

three uh we

45

00:01:41,749 --> 00:01:39,920

experienced yet another great triple

46

00:01:45,510 --> 00:01:41,759

conjunction now too

47

00:01:47,990 --> 00:01:45,520

um because the last one

48

00:01:49,190 --> 00:01:48,000

okay it just lasted a few months this

49

00:01:53,429 --> 00:01:49,200

one

50

00:01:56,630 --> 00:01:53,439

we lost entire year 2021

51

00:02:00,310 --> 00:01:56,640

and that's super rare

52

00:02:01,350 --> 00:02:00,320

uh and it marks significantly great

53

00:02:04,550 --> 00:02:01,360

change that

54

00:02:07,030 --> 00:02:04,560

that for example when they when buddha

55

00:02:08,630 --> 00:02:07,040

pitogras and loud say came to the world

56

00:02:12,470 --> 00:02:08,640

was during this

57

00:02:14,710 --> 00:02:12,480

energy just uh last time

58

00:02:16,869 --> 00:02:14,720

and when satan and jupiter meet it's

59

00:02:20,830 --> 00:02:16,879

called a great conjunction

60

00:02:27,830 --> 00:02:25,430

like every 200 years or something

61

00:02:28,470 --> 00:02:27,840

but now there is a third planet into the

62

00:02:31,750 --> 00:02:28,480

mix

63

00:02:33,430 --> 00:02:31,760

and it all happens on winter solstice

64

00:02:37,910 --> 00:02:33,440

which is kind of

65

00:02:41,750 --> 00:02:39,509

one last thing if you manage to see the

66

00:02:42,390 --> 00:02:41,760

crescent moon past jupiter and saturn

67

00:02:45,589 --> 00:02:42,400

this week

68

00:02:47,910 --> 00:02:45,599

you'll have noticed something else

69

00:02:50,790 --> 00:02:47,920

about the two largest planets they are

70

00:02:54,150 --> 00:02:50,800

now really really close to each other

71

00:02:56,790 --> 00:02:54,160

and yesterday they

72

00:02:58,390 --> 00:02:56,800

almost appear to collide to become one

73

00:03:00,070 --> 00:02:58,400

super bright point of light

74

00:03:02,149 --> 00:03:00,080

you can probably still see it in the

75

00:03:04,390 --> 00:03:02,159

night sky so

76

00:03:05,589 --> 00:03:04,400

that's why they were called a double

77

00:03:09,270 --> 00:03:05,599

planet

78

00:03:12,070 --> 00:03:09,280

uh in the middle ages so it's all uh

79

00:03:13,190 --> 00:03:12,080

it's all rather interesting um i never

80

00:03:16,390 --> 00:03:13,200

tend to think that

81

00:03:17,990 --> 00:03:16,400

you can predict directly you can look at

82

00:03:20,949 --> 00:03:18,000

the astrological map

83

00:03:22,790 --> 00:03:20,959

and you can look back and you can see oh

84

00:03:24,229 --> 00:03:22,800

this happened and look at what happened

85

00:03:27,670 --> 00:03:24,239

on the globe right

86

00:03:28,309 --> 00:03:27,680

that's easy but to do it ahead i never

87

00:03:30,550 --> 00:03:28,319

trust that

88

00:03:32,470 --> 00:03:30,560

because it's so down to interpretations

89

00:03:35,670 --> 00:03:32,480

under so many various

90

00:03:38,070 --> 00:03:35,680

manifestations so what what i'm sure of

91

00:03:39,830 --> 00:03:38,080

is something is going to change

92

00:03:41,910 --> 00:03:39,840

something is going to happen

93

00:03:44,070 --> 00:03:41,920

but exactly what i don't know it could

94

00:03:47,190 --> 00:03:44,080

be good it could be bad

95

00:03:49,190 --> 00:03:47,200

it could be subtle it could be overt

96

00:03:51,350 --> 00:03:49,200

yeah i'm just trying to think how to

97

00:03:53,030 --> 00:03:51,360

process all that because i have a lot of

98

00:03:56,470 --> 00:03:53,040

different uh

99

00:03:59,350 --> 00:03:56,480

you know i've come to agree

100

00:04:00,710 --> 00:03:59,360

with the basic concept i kind of

101
00:04:02,149 --> 00:04:00,720
approached it from a different way that

102
00:04:05,429 --> 00:04:02,159
you did you're saying

103
00:04:07,910 --> 00:04:05,439
kind of a retrospective historical

104
00:04:09,190 --> 00:04:07,920
analysis there's a correlation there

105
00:04:10,710 --> 00:04:09,200
that's undeniable

106
00:04:12,789 --> 00:04:10,720
i mean i think the other thing that

107
00:04:15,990 --> 00:04:12,799
people grab onto is just

108
00:04:18,229 --> 00:04:16,000
their astrology sign matches their

109
00:04:19,990 --> 00:04:18,239
personality more often than it doesn't

110
00:04:21,270 --> 00:04:20,000
and people will argue with that and some

111
00:04:23,430 --> 00:04:21,280
people say they don't

112
00:04:25,670 --> 00:04:23,440
but i think the general sense for most

113
00:04:27,350 --> 00:04:25,680

people is when they have a decent

114

00:04:30,469 --> 00:04:27,360

astrological reading

115

00:04:33,110 --> 00:04:30,479

they're just like wow that is uncannily

116

00:04:34,629 --> 00:04:33,120

accurate in terms of who i am i also

117

00:04:35,830 --> 00:04:34,639

agree with you in terms of the

118

00:04:39,189 --> 00:04:35,840

predictive power

119

00:04:41,830 --> 00:04:39,199

is uh very very weak in terms of

120

00:04:43,510 --> 00:04:41,840

it's clouded by interpretation but you

121

00:04:45,430 --> 00:04:43,520

know the the interview that i did that

122

00:04:46,550 --> 00:04:45,440

really changed my mind as i interviewed

123

00:04:53,430 --> 00:04:46,560

it

124

00:04:56,790 --> 00:04:53,440

we talk i talked to renee alsup who

125

00:05:00,469 --> 00:04:56,800

is this super duper smart

126
00:05:02,629 --> 00:05:00,479
phd you know statistics kind of

127
00:05:03,909 --> 00:05:02,639
genius who's also interested in

128
00:05:07,510 --> 00:05:03,919
astrology

129
00:05:10,870 --> 00:05:07,520
and she did a statistical analysis

130
00:05:11,350 --> 00:05:10,880
of a particular orientation of the

131
00:05:12,550 --> 00:05:11,360
planets

132
00:05:14,710 --> 00:05:12,560
you were talking about and its

133
00:05:18,390 --> 00:05:14,720
correlation to followers

134
00:05:19,830 --> 00:05:18,400
and she used twitter as her model base

135
00:05:23,390 --> 00:05:19,840
her data model

136
00:05:26,469 --> 00:05:23,400
for you know if people have this

137
00:05:29,110 --> 00:05:26,479
configuration in their chart

138
00:05:30,070 --> 00:05:29,120

are they statistically more likely to

139

00:05:31,830 --> 00:05:30,080

have

140

00:05:34,790 --> 00:05:31,840

you know just a massive amount of

141

00:05:37,990 --> 00:05:34,800

followers and the data was overwhelming

142

00:05:40,310 --> 00:05:38,000

it was overwhelming in that in favor

143

00:05:42,070 --> 00:05:40,320

so here's the question i guess i'd lead

144

00:05:42,469 --> 00:05:42,080

here's the question i guess i'd lead

145

00:05:50,790 --> 00:05:42,479

that

146

00:05:53,909 --> 00:05:50,800

we have this

147

00:05:55,749 --> 00:05:53,919

we how do we manage to disassociate that

148

00:05:57,590 --> 00:05:55,759

fact you know those couple of facts we

149

00:06:00,230 --> 00:05:57,600

just said about astrology

150

00:06:01,510 --> 00:06:00,240

from the larger thing of the

151
00:06:04,870 --> 00:06:01,520
implications of that

152
00:06:05,510 --> 00:06:04,880
which is that we are connected to the

153
00:06:07,430 --> 00:06:05,520
whole

154
00:06:09,350 --> 00:06:07,440
freaking universe i mean that's what

155
00:06:10,950 --> 00:06:09,360
it's kind of in your face telling us

156
00:06:12,629 --> 00:06:10,960
and we just play around with it like

157
00:06:14,950 --> 00:06:12,639
it's a toy but it's

158
00:06:15,990 --> 00:06:14,960
the the deeper deeper implications are

159
00:06:18,790 --> 00:06:16,000
we're fricken

160
00:06:19,430 --> 00:06:18,800
connected yeah and if you are there

161
00:06:21,189 --> 00:06:19,440
should be

162
00:06:23,029 --> 00:06:21,199
ways to measure that by the way are we

163
00:06:25,590 --> 00:06:23,039

on have we started

164

00:06:27,430 --> 00:06:25,600

of course this little clip here isn't

165

00:06:28,309 --> 00:06:27,440

really a good reflection of the entire

166

00:06:31,590 --> 00:06:28,319

show

167

00:06:33,350 --> 00:06:31,600

al like i said is a very deep guy and

168

00:06:37,150 --> 00:06:33,360

every once in a while

169

00:06:39,670 --> 00:06:37,160

he lays some absolutely

170

00:06:42,870 --> 00:06:39,680

paradigm-shifting nuggets

171

00:06:45,350 --> 00:06:42,880

on us like how about this one

172

00:06:46,469 --> 00:06:45,360

it's not about what system do we live in

173

00:06:48,870 --> 00:06:46,479

it's about

174

00:06:50,309 --> 00:06:48,880

how many people accept the system we

175

00:06:52,230 --> 00:06:50,319

live in

176
00:06:54,710 --> 00:06:52,240
welcome to skeptico where we explore

177
00:06:57,350 --> 00:06:54,720
controversial science and spirituality

178
00:06:58,550 --> 00:06:57,360
with leading researchers thinkers and

179
00:07:01,430 --> 00:06:58,560
their critics

180
00:07:01,990 --> 00:07:01,440
i'm your host alex sakaris and today we

181
00:07:04,150 --> 00:07:02,000
welcome

182
00:07:06,230 --> 00:07:04,160
back see i stumbled on my own name

183
00:07:09,110 --> 00:07:06,240
because i have an owl with me

184
00:07:11,270 --> 00:07:09,120
but today we welcome back al from the

185
00:07:13,350 --> 00:07:11,280
very excellent forum borealis i always

186
00:07:13,830 --> 00:07:13,360
call him al borealis because he likes to

187
00:07:16,870 --> 00:07:13,840
stay

188
00:07:19,430 --> 00:07:16,880

stealthy with that last name

189

00:07:21,830 --> 00:07:19,440

al if you've listened to the show you

190

00:07:26,070 --> 00:07:21,840

know we've connected a few times

191

00:07:29,430 --> 00:07:26,080

on his show in my show and this is a guy

192

00:07:32,870 --> 00:07:29,440

i am always just blown away

193

00:07:34,710 --> 00:07:32,880

at the depth of his insights

194

00:07:36,550 --> 00:07:34,720

the depth of his interviews he's

195

00:07:38,469 --> 00:07:36,560

actually changed the style of my

196

00:07:39,589 --> 00:07:38,479

interviews sometimes and allows me to go

197

00:07:43,270 --> 00:07:39,599

a little bit deeper

198

00:07:45,029 --> 00:07:43,280

which he is an absolute master at so

199

00:07:46,869 --> 00:07:45,039

we just did a rolling introduction that

200

00:07:48,390 --> 00:07:46,879

i will include

201
00:07:50,070 --> 00:07:48,400
either at the beginning of the show or

202
00:07:51,270 --> 00:07:50,080
the back of the show but we can come

203
00:07:54,629 --> 00:07:51,280
back and pick it up

204
00:07:57,749 --> 00:07:54,639
but what i really wanted to do today

205
00:08:00,869 --> 00:07:57,759
if he will allow it is kind of turn this

206
00:08:04,390 --> 00:08:00,879
into a 2020

207
00:08:07,909 --> 00:08:04,400
end of year review show

208
00:08:09,990 --> 00:08:07,919
and talk about some of our favorite and

209
00:08:13,589 --> 00:08:10,000
not so favorite moments

210
00:08:15,189 --> 00:08:13,599
on both forum borealis and skeptica and

211
00:08:15,830 --> 00:08:15,199
i thought that would be really fun and i

212
00:08:18,230 --> 00:08:15,840
thought

213
00:08:19,430 --> 00:08:18,240

it would just be a great great person to

214

00:08:22,950 --> 00:08:19,440

do it with

215

00:08:24,309 --> 00:08:22,960

i love this guy al welcome back to

216

00:08:27,189 --> 00:08:24,319

skeptico

217

00:08:27,830 --> 00:08:27,199

thank you bro i always love to discuss

218

00:08:30,869 --> 00:08:27,840

with you

219

00:08:33,829 --> 00:08:30,879

we were just chatting a minute ago about

220

00:08:35,509 --> 00:08:33,839

um astrology and in particular because

221

00:08:39,029 --> 00:08:35,519

we're recording this

222

00:08:41,350 --> 00:08:39,039

the day after the winter solstice and

223

00:08:42,310 --> 00:08:41,360

maybe you do want to recap for people a

224

00:08:45,670 --> 00:08:42,320

little bit

225

00:08:48,949 --> 00:08:45,680

just from your understanding uh

226

00:08:49,670 --> 00:08:48,959

how significant this winter solstice is

227

00:08:52,790 --> 00:08:49,680

and what it's

228

00:08:54,070 --> 00:08:52,800

uh you know kind of bringing in now i'm

229

00:08:55,750 --> 00:08:54,080

gonna have to play some of that because

230

00:08:57,190 --> 00:08:55,760

i don't want to repeat everything i said

231

00:08:58,150 --> 00:08:57,200

and i don't want you to have to repeat

232

00:09:00,550 --> 00:08:58,160

everything you said

233

00:09:01,990 --> 00:09:00,560

but first of all help people understand

234

00:09:02,630 --> 00:09:02,000

where you're coming from this is not

235

00:09:04,230 --> 00:09:02,640

like your

236

00:09:05,990 --> 00:09:04,240

thing you know that you do on a

237

00:09:09,670 --> 00:09:06,000

full-time basis you're just

238

00:09:11,829 --> 00:09:09,680

a curious person who

239

00:09:13,750 --> 00:09:11,839

sees some of this as being important

240

00:09:16,630 --> 00:09:13,760

right it's true but i do have

241

00:09:17,910 --> 00:09:16,640

close friends who are masters of this

242

00:09:20,710 --> 00:09:17,920

craft

243

00:09:21,590 --> 00:09:20,720

known people since i was 16 who's deep

244

00:09:25,190 --> 00:09:21,600

into this but

245

00:09:25,509 --> 00:09:25,200

what made it for me you know astrology

246

00:09:28,550 --> 00:09:25,519

is

247

00:09:31,269 --> 00:09:28,560

it's like any other unprotected field

248

00:09:33,190 --> 00:09:31,279

if something is popular and it's not

249

00:09:34,310 --> 00:09:33,200

regulated i'm not talking about from the

250

00:09:36,310 --> 00:09:34,320

state but

251

00:09:38,150 --> 00:09:36,320

at least from the industry itself from

252

00:09:40,389 --> 00:09:38,160

the skilled people itself

253

00:09:43,829 --> 00:09:40,399

anyone can call themselves an astrologer

254

00:09:47,990 --> 00:09:43,839

so i i'll say and i'm i'm probably being

255

00:09:49,829 --> 00:09:48,000

generous but i'd say probably 80 percent

256

00:09:51,910 --> 00:09:49,839

of the people who practice this are

257

00:09:53,190 --> 00:09:51,920

clueless

258

00:09:55,350 --> 00:09:53,200

they're into it for all the wrong

259

00:09:58,310 --> 00:09:55,360

reasons so

260

00:10:00,150 --> 00:09:58,320

uh the chances for an average joe who

261

00:10:02,710 --> 00:10:00,160

has no clue about astro

262

00:10:03,750 --> 00:10:02,720

getting some decent input on asteroids

263

00:10:05,670 --> 00:10:03,760

very low because

264

00:10:07,910 --> 00:10:05,680

first off they don't even have a tool to

265

00:10:09,910 --> 00:10:07,920

know how to get a good astrologer if

266

00:10:12,310 --> 00:10:09,920

they even could get one

267

00:10:13,110 --> 00:10:12,320

the best ones don't waste time giving

268

00:10:15,350 --> 00:10:13,120

readings

269

00:10:16,829 --> 00:10:15,360

but back to the point what did it for me

270

00:10:21,110 --> 00:10:16,839

it was actually

271

00:10:23,269 --> 00:10:21,120

science three different

272

00:10:25,590 --> 00:10:23,279

or maybe i should include four uh

273

00:10:27,269 --> 00:10:25,600

include studies and cycles but

274

00:10:29,190 --> 00:10:27,279

there are at least three different

275

00:10:32,550 --> 00:10:29,200

scientific

276

00:10:34,870 --> 00:10:32,560

evidences for korean relations

277

00:10:36,150 --> 00:10:34,880

if not causations because causation

278

00:10:38,870 --> 00:10:36,160

isn't important here

279

00:10:39,910 --> 00:10:38,880

it's not you don't have to believe that

280

00:10:42,870 --> 00:10:39,920

a planet is

281

00:10:43,190 --> 00:10:42,880

beaming array into your skull and making

282

00:10:46,870 --> 00:10:43,200

you

283

00:10:50,389 --> 00:10:46,880

that medieval view

284

00:10:53,590 --> 00:10:50,399

but my point is that if everything

285

00:10:55,430 --> 00:10:53,600

in existence is following laws laws of

286

00:10:59,110 --> 00:10:55,440

nature laws or whatever

287

00:11:02,470 --> 00:10:59,120

then and everything is following rhythms

288

00:11:06,069 --> 00:11:02,480

uh and faces and cycles then

289

00:11:09,269 --> 00:11:06,079

you can use the heavens as a

290

00:11:11,910 --> 00:11:09,279

mirror as a map and

291

00:11:14,150 --> 00:11:11,920

if you do that uh over enough time like

292

00:11:15,670 --> 00:11:14,160

the mayans did like the babylonians they

293

00:11:16,630 --> 00:11:15,680

loved the chinese did like everyone's

294

00:11:18,790 --> 00:11:16,640

done indians

295

00:11:20,069 --> 00:11:18,800

so you see oh hmm here's some changes in

296

00:11:22,069 --> 00:11:20,079

the heavens and look

297

00:11:23,190 --> 00:11:22,079

look folks there's some changes going on

298

00:11:25,509 --> 00:11:23,200

in earth too

299

00:11:27,750 --> 00:11:25,519

now after a hundred years thousand years

300

00:11:28,389 --> 00:11:27,760

oh look it's the same kind of changes

301
00:11:31,910 --> 00:11:28,399
happening

302
00:11:34,389 --> 00:11:31,920
when it's the same kind of movement

303
00:11:35,750 --> 00:11:34,399
changes going on on earth so it's as

304
00:11:38,150 --> 00:11:35,760
above so below

305
00:11:39,509 --> 00:11:38,160
so what's the chicken what's the egg

306
00:11:42,630 --> 00:11:39,519
what's influencing what

307
00:11:45,829 --> 00:11:42,640
if if not indeed both are following a

308
00:11:46,790 --> 00:11:45,839
mutual deeper causation but that's not

309
00:11:49,230 --> 00:11:46,800
the important thing

310
00:11:51,910 --> 00:11:49,240
what's the causation there is an

311
00:11:54,150 --> 00:11:51,920
undisputed correlation and i'm not just

312
00:11:56,069 --> 00:11:54,160
saying that for my own personal

313
00:11:57,350 --> 00:11:56,079

conviction i'm saying that because of

314

00:11:59,590 --> 00:11:57,360

scientific evidence

315

00:12:01,190 --> 00:11:59,600

i have three different uh books

316

00:12:03,670 --> 00:12:01,200

scientific reports about this

317

00:12:05,350 --> 00:12:03,680

plus books about cycles and it's all

318

00:12:06,470 --> 00:12:05,360

very known for those who want to know

319

00:12:08,550 --> 00:12:06,480

one of them very

320

00:12:10,389 --> 00:12:08,560

famous and this kind of research was

321

00:12:12,870 --> 00:12:10,399

done mostly before

322

00:12:14,629 --> 00:12:12,880

because nowadays skeptics pseudoscrap

323

00:12:15,350 --> 00:12:14,639

aesthetic and all the most of science

324

00:12:17,910 --> 00:12:15,360

but

325

00:12:19,910 --> 00:12:17,920

in the 70s there were very good and one

326

00:12:22,230 --> 00:12:19,920

of them michelle goguilen i think is his

327

00:12:25,590 --> 00:12:22,240

name a frenchman he even killed himself

328

00:12:27,910 --> 00:12:25,600

because no matter how much good info

329

00:12:29,829 --> 00:12:27,920

he threw on the table look look at the

330

00:12:33,030 --> 00:12:29,839

facts for look at the facts

331

00:12:35,670 --> 00:12:33,040

didn't help ad hominem

332

00:12:37,430 --> 00:12:35,680

everyone went after him it's the same

333

00:12:38,870 --> 00:12:37,440

tune we've heard it a thousand times and

334

00:12:41,110 --> 00:12:38,880

you've covered it many times

335

00:12:42,389 --> 00:12:41,120

in your excellent shows every time a

336

00:12:46,069 --> 00:12:42,399

scientist

337

00:12:49,030 --> 00:12:46,079

steps outside of the accepted paradigm

338

00:12:50,710 --> 00:12:49,040

paradigm forks not the research not the

339

00:12:53,829 --> 00:12:50,720

methodology

340

00:12:55,990 --> 00:12:53,839

but paradigm and

341

00:12:57,590 --> 00:12:56,000

prove something with it if it debunks

342

00:12:59,430 --> 00:12:57,600

something with it that's okay you can go

343

00:13:01,190 --> 00:12:59,440

outside the paradigm and debunk but if

344

00:13:03,110 --> 00:13:01,200

you prove something

345

00:13:04,470 --> 00:13:03,120

you gotta you gotta bring him down so

346

00:13:07,110 --> 00:13:04,480

that's my uh

347

00:13:08,150 --> 00:13:07,120

my in general why i'm but then i have a

348

00:13:11,190 --> 00:13:08,160

personal element

349

00:13:14,629 --> 00:13:11,200

i used chemistry horoscopes

350

00:13:17,509 --> 00:13:14,639

which means you make two charts

351
00:13:19,030 --> 00:13:17,519
one where you make one shot but you base

352
00:13:20,470 --> 00:13:19,040
it upon

353
00:13:22,150 --> 00:13:20,480
two different people it doesn't even

354
00:13:23,190 --> 00:13:22,160
have to be people it can be you and an

355
00:13:25,910 --> 00:13:23,200
advent or

356
00:13:27,350 --> 00:13:25,920
whatever but you make a like a chemistry

357
00:13:30,389 --> 00:13:27,360
reading

358
00:13:33,430 --> 00:13:30,399
and i did that for

359
00:13:36,150 --> 00:13:33,440
decades i did that in connection with

360
00:13:40,389 --> 00:13:38,150
the best motivation in the world man

361
00:13:43,189 --> 00:13:40,399
because you you you don't accept any

362
00:13:46,550 --> 00:13:43,199
excuses it's just tangible results right

363
00:13:46,949 --> 00:13:46,560

and indeed i did get that so so after

364

00:13:51,430 --> 00:13:46,959

that

365

00:13:52,949 --> 00:13:51,440

it was a close case for me don't deal

366

00:13:55,430 --> 00:13:52,959

there's so many interesting parts about

367

00:13:58,310 --> 00:13:55,440

that and we were chatting about it

368

00:13:58,710 --> 00:13:58,320

before so uh i'm i am going to repeat a

369

00:14:01,829 --> 00:13:58,720

little

370

00:14:03,269 --> 00:14:01,839

bit of that because you know science is

371

00:14:04,310 --> 00:14:03,279

gonna have to be one of the things we

372

00:14:07,910 --> 00:14:04,320

talk about

373

00:14:08,870 --> 00:14:07,920

today because i think 2020 in a year in

374

00:14:12,389 --> 00:14:08,880

review

375

00:14:15,750 --> 00:14:12,399

was kind of the the final assault

376

00:14:17,910 --> 00:14:15,760

on science as i see it it was the final

377

00:14:20,470 --> 00:14:17,920

breakdown of like we don't even need

378

00:14:20,949 --> 00:14:20,480

science we're just past these edicts and

379

00:14:26,550 --> 00:14:20,959

just

380

00:14:29,350 --> 00:14:26,560

we don't care about the science but

381

00:14:32,629 --> 00:14:29,360

like there's so many subtle shades to it

382

00:14:35,590 --> 00:14:32,639

that uh that need to be understood

383

00:14:36,870 --> 00:14:35,600

i know some people are going to react to

384

00:14:39,509 --> 00:14:36,880

when you say

385

00:14:41,350 --> 00:14:39,519

uh causation doesn't matter but i think

386

00:14:44,629 --> 00:14:41,360

you're you're just absolutely

387

00:14:45,110 --> 00:14:44,639

spot on and here's the bigger picture

388

00:14:48,550 --> 00:14:45,120

for me

389

00:14:51,590 --> 00:14:48,560

from a scientific standpoint is that one

390

00:14:53,189 --> 00:14:51,600

a correlation is the beginning of all

391

00:14:55,990 --> 00:14:53,199

scientific inquiry

392

00:14:56,310 --> 00:14:56,000

i mean that that is called observation

393

00:14:58,790 --> 00:14:56,320

we

394

00:15:00,550 --> 00:14:58,800

observe something that seems to be

395

00:15:03,750 --> 00:15:00,560

correlated with something else

396

00:15:06,710 --> 00:15:03,760

and that begins our observation so on

397

00:15:07,030 --> 00:15:06,720

astrology you know the the people that

398

00:15:08,870 --> 00:15:07,040

that

399

00:15:11,269 --> 00:15:08,880

kind of don't understand the correlation

400

00:15:14,150 --> 00:15:11,279

thing and the critics will point to

401
00:15:15,990 --> 00:15:14,160
well you know every year this uh

402
00:15:18,389 --> 00:15:16,000
insurance company will say

403
00:15:19,509 --> 00:15:18,399
which drivers are the most accident

404
00:15:22,470 --> 00:15:19,519
prone and they'll say

405
00:15:23,110 --> 00:15:22,480
capricorn and then they'll go ha ha ha

406
00:15:25,350 --> 00:15:23,120
we were just

407
00:15:27,189 --> 00:15:25,360
data mining every year it changes we

408
00:15:30,389 --> 00:15:27,199
just take the statistical most

409
00:15:33,350 --> 00:15:30,399
accidents by this age by this uh

410
00:15:35,189 --> 00:15:33,360
date you know and da da da well so they

411
00:15:38,870 --> 00:15:35,199
are correct in pointing out

412
00:15:41,590 --> 00:15:38,880
how correlation can be misapplied

413
00:15:43,150 --> 00:15:41,600

but what they're losing sight of is that

414

00:15:46,310 --> 00:15:43,160

fundamentally

415

00:15:49,910 --> 00:15:46,320

statistics are about

416

00:15:52,150 --> 00:15:49,920

correlation properly applied so when i

417

00:15:53,990 --> 00:15:52,160

said a minute ago about the research

418

00:15:55,910 --> 00:15:54,000

that you know really impressed me

419

00:15:57,829 --> 00:15:55,920

of renee alsup who was on the show and

420

00:16:01,189 --> 00:15:57,839

did this

421

00:16:04,310 --> 00:16:01,199

very uh refined pure and peer-reviewed

422

00:16:05,829 --> 00:16:04,320

uh sophisticated monte carlo statistical

423

00:16:07,590 --> 00:16:05,839

kind of thing you know all this stuff

424

00:16:09,350 --> 00:16:07,600

that's way over my head but you can read

425

00:16:10,550 --> 00:16:09,360

it and at least say that person knows

426

00:16:11,269 --> 00:16:10,560

what they're talking about because they

427

00:16:13,670 --> 00:16:11,279

reached

428

00:16:15,189 --> 00:16:13,680

my state my limit of my understanding of

429

00:16:16,550 --> 00:16:15,199

statistics and that was like in the

430

00:16:19,910 --> 00:16:16,560

first two sentences

431

00:16:21,829 --> 00:16:19,920

but what she found was a highly

432

00:16:25,189 --> 00:16:21,839

statistical

433

00:16:28,949 --> 00:16:25,199

correlation between

434

00:16:30,710 --> 00:16:28,959

a particular uh planet correlation you

435

00:16:34,150 --> 00:16:30,720

know the witcher

436

00:16:37,269 --> 00:16:34,160

planet juxtaposition planet alignment

437

00:16:39,430 --> 00:16:37,279

and the extent to which those

438

00:16:40,949 --> 00:16:39,440

people who had that in their chart would

439

00:16:43,269 --> 00:16:40,959

have a lot of followers

440

00:16:44,710 --> 00:16:43,279

a massive amount of followers on twitter

441

00:16:47,350 --> 00:16:44,720

so

442

00:16:48,230 --> 00:16:47,360

i guess i'm just trying to uh back up

443

00:16:49,670 --> 00:16:48,240

what you're saying

444

00:16:51,590 --> 00:16:49,680

because i think it's it's a super

445

00:16:53,110 --> 00:16:51,600

important point and it's about the

446

00:16:56,069 --> 00:16:53,120

subtleties of science

447

00:16:57,030 --> 00:16:56,079

that at this point you know i don't know

448

00:17:10,710 --> 00:16:57,040

i

449

00:17:13,829 --> 00:17:10,720

where you can't separate out uh

450

00:17:14,309 --> 00:17:13,839

these methodological issues and and

451
00:17:19,990 --> 00:17:14,319
these

452
00:17:22,309 --> 00:17:20,000
along with the baggage of science so

453
00:17:24,549 --> 00:17:22,319
maybe we want to talk about that for a

454
00:17:28,230 --> 00:17:24,559
minute just in terms of

455
00:17:30,390 --> 00:17:28,240
how how science is under under attack

456
00:17:31,270 --> 00:17:30,400
yeah but let me just say about the

457
00:17:34,870 --> 00:17:31,280
correlation

458
00:17:38,710 --> 00:17:36,630
of course it matters what's the

459
00:17:41,430 --> 00:17:38,720
causation if you really want to crack

460
00:17:42,630 --> 00:17:41,440
open the mechanism of something but in

461
00:17:45,830 --> 00:17:42,640
terms of

462
00:17:49,510 --> 00:17:45,840
just knowing that

463
00:17:52,310 --> 00:17:49,520

or i i prefer the word astro sophie to

464

00:17:53,669 --> 00:17:52,320

distinguish it from the trash astrology

465

00:17:58,470 --> 00:17:53,679

but

466

00:18:02,630 --> 00:18:00,470

even though we may have not have mapped

467

00:18:06,310 --> 00:18:02,640

every ounce and aspect of it

468

00:18:07,909 --> 00:18:06,320

um then you just need a correlation

469

00:18:09,750 --> 00:18:07,919

it's it's the same as you can you know

470

00:18:12,870 --> 00:18:09,760

if you talk with a nurse

471

00:18:14,150 --> 00:18:12,880

she will tell you yes it's true i i

472

00:18:15,669 --> 00:18:14,160

guess we could talk about it from a

473

00:18:17,669 --> 00:18:15,679

couple of different ways but one

474

00:18:19,590 --> 00:18:17,679

yeah and and this is kind of the geeky

475

00:18:21,110 --> 00:18:19,600

sciency stuff though that is interesting

476

00:18:22,070 --> 00:18:21,120

to me in having these kind of

477

00:18:24,870 --> 00:18:22,080

conversations

478

00:18:25,270 --> 00:18:24,880

because you realize how this is so often

479

00:18:27,669 --> 00:18:25,280

left

480

00:18:29,430 --> 00:18:27,679

off the table when someone says wear a

481

00:18:31,830 --> 00:18:29,440

mask don't wear a mask and you go well

482

00:18:35,190 --> 00:18:31,840

where's your scientific evidence

483

00:18:36,789 --> 00:18:35,200

for how that is efficacious in

484

00:18:38,710 --> 00:18:36,799

the real world and you do have to break

485

00:18:41,190 --> 00:18:38,720

those things down so i'd go back to

486

00:18:41,990 --> 00:18:41,200

correlation causation i would say we

487

00:18:45,190 --> 00:18:42,000

will never

488

00:18:46,950 --> 00:18:45,200

know the causation of everything because

489

00:18:49,190 --> 00:18:46,960

from an occulted standpoint from an

490

00:18:51,190 --> 00:18:49,200

extended consciousness standpoint

491

00:18:53,029 --> 00:18:51,200

you know one of the things that's my

492

00:18:55,590 --> 00:18:53,039

first book why science is wrong is

493

00:18:58,230 --> 00:18:55,600

we will never know that completely so

494

00:19:02,230 --> 00:18:58,240

yes we can add more and more

495

00:19:04,310 --> 00:19:02,240

uh causations as control mechanisms

496

00:19:05,830 --> 00:19:04,320

but we only like them because they have

497

00:19:08,950 --> 00:19:05,840

a high higher degree

498

00:19:09,750 --> 00:19:08,960

of correlation with the outcome right so

499

00:19:12,789 --> 00:19:09,760

if we say

500

00:19:13,510 --> 00:19:12,799

gee you know when it rains the plants

501
00:19:16,549 --> 00:19:13,520
grow

502
00:19:19,669 --> 00:19:16,559
and we go and test that we find that

503
00:19:23,350 --> 00:19:19,679
the the the rainfall is highly

504
00:19:25,669 --> 00:19:23,360
correlated with the the plants growth

505
00:19:26,470 --> 00:19:25,679
and then we find some biological reason

506
00:19:28,950 --> 00:19:26,480
for that

507
00:19:29,830 --> 00:19:28,960
but we also have other things that we've

508
00:19:31,750 --> 00:19:29,840
left out

509
00:19:34,230 --> 00:19:31,760
you know like someone was giving an

510
00:19:36,230 --> 00:19:34,240
intention to have that particular crop

511
00:19:37,909 --> 00:19:36,240
grow well we didn't factor that in

512
00:19:40,150 --> 00:19:37,919
so we can't really say that we've

513
00:19:43,430 --> 00:19:40,160

totally nailed the causation

514

00:19:45,590 --> 00:19:43,440

all we can say is we've identified some

515

00:19:47,750 --> 00:19:45,600

causative elements that are highly

516

00:19:49,669 --> 00:19:47,760

correlated with the outcome we want

517

00:19:50,789 --> 00:19:49,679

so i i'm not disagreeing with what

518

00:19:53,909 --> 00:19:50,799

you're saying i'm just saying

519

00:19:56,549 --> 00:19:53,919

that a lot of times that this smirky

520

00:19:57,430 --> 00:19:56,559

uh scientific materialism that we've all

521

00:19:59,190 --> 00:19:57,440

just come to

522

00:20:00,549 --> 00:19:59,200

to completely distrust because it's

523

00:20:04,149 --> 00:20:00,559

completely fake

524

00:20:05,590 --> 00:20:04,159

has always been fake and we've just been

525

00:20:07,909 --> 00:20:05,600

kind of conditioned

526
00:20:08,950 --> 00:20:07,919
by their language to kind of accept what

527
00:20:11,430 --> 00:20:08,960
they're saying

528
00:20:13,430 --> 00:20:11,440
a lot more than we probably should and

529
00:20:14,149 --> 00:20:13,440
this year is the final insult you know

530
00:20:16,870 --> 00:20:14,159
2020.

531
00:20:18,230 --> 00:20:16,880
yeah yeah no but that's normal there's

532
00:20:21,909 --> 00:20:18,240
always been a clash

533
00:20:25,190 --> 00:20:21,919
between those theories regions and

534
00:20:25,909 --> 00:20:25,200
you know practice because i was about to

535
00:20:27,909 --> 00:20:25,919
say like

536
00:20:29,590 --> 00:20:27,919
if you ask a nurse she'll tell you that

537
00:20:32,549 --> 00:20:29,600
yeah it's true

538
00:20:32,870 --> 00:20:32,559

on the full moon more babies are born

539

00:20:35,990 --> 00:20:32,880

and

540

00:20:37,430 --> 00:20:36,000

under darkmoon the opposite more people

541

00:20:40,840 --> 00:20:37,440

die

542

00:20:42,390 --> 00:20:40,850

and so they always have more um

543

00:20:44,390 --> 00:20:42,400

[Music]

544

00:20:46,630 --> 00:20:44,400

baby nurses what's it called so they

545

00:20:50,390 --> 00:20:46,640

have more midwives and birth nurses

546

00:20:51,990 --> 00:20:50,400

at work every full moon and at every

547

00:20:54,390 --> 00:20:52,000

document they have more of those

548

00:20:55,990 --> 00:20:54,400

who work with death at work because they

549

00:20:57,590 --> 00:20:56,000

know in advance it will happen they

550

00:20:59,830 --> 00:20:57,600

don't care why

551
00:21:00,870 --> 00:20:59,840
and they may come some kind of egghead

552
00:21:03,990 --> 00:21:00,880
in and say

553
00:21:05,909 --> 00:21:04,000
no this is superstition and

554
00:21:07,830 --> 00:21:05,919
it has nothing to do with the moon and

555
00:21:09,669 --> 00:21:07,840
blah blah blah

556
00:21:11,350 --> 00:21:09,679
but he could say that to women too in

557
00:21:12,549 --> 00:21:11,360
terms of menstruation right but they

558
00:21:13,110 --> 00:21:12,559
wouldn't listen to him they would

559
00:21:15,750 --> 00:21:13,120
probably

560
00:21:16,789 --> 00:21:15,760
indulge him but as soon as he was gone

561
00:21:18,630 --> 00:21:16,799
they would go back to

562
00:21:20,710 --> 00:21:18,640
you know business as usual more people

563
00:21:22,390 --> 00:21:20,720

at work then so that's what i'm saying

564

00:21:24,230 --> 00:21:22,400

from a practical standpoint

565

00:21:25,669 --> 00:21:24,240

if there is a correlation we can work

566

00:21:28,470 --> 00:21:25,679

with that

567

00:21:30,470 --> 00:21:28,480

the question of core session is more

568

00:21:33,830 --> 00:21:30,480

important because then it's not just

569

00:21:35,029 --> 00:21:33,840

you know everyday life how are we

570

00:21:38,230 --> 00:21:35,039

relating to it that is

571

00:21:39,590 --> 00:21:38,240

understanding why is it so we can change

572

00:21:42,470 --> 00:21:39,600

it or manipulate it

573

00:21:43,430 --> 00:21:42,480

somehow so yeah that's when real signs

574

00:21:44,870 --> 00:21:43,440

enter in

575

00:21:46,630 --> 00:21:44,880

and that's where they can get away with

576

00:21:49,190 --> 00:21:46,640

things because you're very right

577

00:21:49,990 --> 00:21:49,200

the ultimate causations and as an

578

00:21:51,990 --> 00:21:50,000

association

579

00:21:53,190 --> 00:21:52,000

that's what we're working with right so

580

00:21:55,909 --> 00:21:53,200

the ultimate course

581

00:21:57,590 --> 00:21:55,919

is i mean can't explain emmanuel can't

582

00:22:00,710 --> 00:21:57,600

explain that to us long ago

583

00:22:01,830 --> 00:22:00,720

the thing in itself you can never really

584

00:22:05,590 --> 00:22:01,840

know

585

00:22:09,350 --> 00:22:05,600

thing in itself

586

00:22:13,270 --> 00:22:09,360

has to be filtered through in order to

587

00:22:15,750 --> 00:22:13,280

be recognized perceived whatever

588

00:22:16,390 --> 00:22:15,760

and so it's true we cannot that's

589

00:22:19,590 --> 00:22:16,400

because

590

00:22:21,110 --> 00:22:19,600

existence is rigged against us it's

591

00:22:25,350 --> 00:22:21,120

rigged against us in

592

00:22:28,230 --> 00:22:25,360

the way that we only have five windows

593

00:22:29,029 --> 00:22:28,240

maybe you could argue we have a six one

594

00:22:31,190 --> 00:22:29,039

which is

595

00:22:33,669 --> 00:22:31,200

half open but we have only five windows

596

00:22:36,870 --> 00:22:33,679

between ourselves

597

00:22:39,990 --> 00:22:36,880

which is the ultimate reality and

598

00:22:42,070 --> 00:22:40,000

the world those five

599

00:22:44,230 --> 00:22:42,080

windows those five sensors are super

600

00:22:47,590 --> 00:22:44,240

limited and we are so indeed

601
00:22:51,029 --> 00:22:47,600
ingenious because we create tools

602
00:22:53,350 --> 00:22:51,039
to broaden them more

603
00:22:55,669 --> 00:22:53,360
so we can know more what's going on

604
00:22:56,630 --> 00:22:55,679
that's for example an x-ray machine does

605
00:22:58,230 --> 00:22:56,640
that

606
00:23:01,029 --> 00:22:58,240
but then on the other hand we're so

607
00:23:03,350 --> 00:23:01,039
stupid too human beings that we try to

608
00:23:04,470 --> 00:23:03,360
fill those frequencies that we normally

609
00:23:07,669 --> 00:23:04,480
don't interact with

610
00:23:11,270 --> 00:23:07,679
no as in 5g right where we

611
00:23:13,750 --> 00:23:11,280
pollute and you know the

612
00:23:16,230 --> 00:23:13,760
problem then and then that's when we

613
00:23:19,350 --> 00:23:16,240

have to discuss causation is

614

00:23:22,470 --> 00:23:19,360

what what um

615

00:23:23,350 --> 00:23:22,480

backlash does it give and if you can't

616

00:23:25,909 --> 00:23:23,360

immediately

617

00:23:26,870 --> 00:23:25,919

uncover it and document it hundred

618

00:23:29,270 --> 00:23:26,880

percent then

619

00:23:31,430 --> 00:23:29,280

they can get away with it because you

620

00:23:32,470 --> 00:23:31,440

know it's so hard to find real

621

00:23:34,789 --> 00:23:32,480

causations and

622

00:23:35,510 --> 00:23:34,799

and that's so much crime is getting away

623

00:23:38,310 --> 00:23:35,520

with it

624

00:23:38,710 --> 00:23:38,320

so but in terms of the pandemic i think

625

00:23:41,909 --> 00:23:38,720

there's

626

00:23:44,149 --> 00:23:41,919

different causations going on

627

00:23:45,350 --> 00:23:44,159

and then the correlations are you know

628

00:23:49,510 --> 00:23:45,360

whatever

629

00:23:52,070 --> 00:23:49,520

the total balance of those different uh

630

00:23:54,549 --> 00:23:52,080

inputs come when they come and play

631

00:23:57,909 --> 00:23:54,559

together they find some kind of

632

00:23:59,750 --> 00:23:57,919

um way to you know

633

00:24:01,029 --> 00:23:59,760

it's like different waves being clashed

634

00:24:03,669 --> 00:24:01,039

into each other and

635

00:24:04,630 --> 00:24:03,679

wherever is the midpoint that's that's

636

00:24:07,669 --> 00:24:04,640

the uh

637

00:24:09,350 --> 00:24:07,679

correlation we uh find ourselves in

638

00:24:11,669 --> 00:24:09,360

tell me what you mean there let's i i

639

00:24:13,269 --> 00:24:11,679

wasn't this this isn't really where i

640

00:24:15,350 --> 00:24:13,279

was planning on going but let's

641

00:24:17,190 --> 00:24:15,360

let's go there let's talk about the

642

00:24:19,590 --> 00:24:17,200

pandemic it was obviously

643

00:24:20,630 --> 00:24:19,600

one of the most important events of

644

00:24:23,669 --> 00:24:20,640

2020.

645

00:24:26,390 --> 00:24:23,679

your shows were instrumental

646

00:24:27,430 --> 00:24:26,400

to my coming to grips with it pretty

647

00:24:31,190 --> 00:24:27,440

early on

648

00:24:33,350 --> 00:24:31,200

because i'll just maybe you can tell us

649

00:24:36,630 --> 00:24:33,360

you know what shows you've done

650

00:24:40,630 --> 00:24:36,640

on the pandemic and how it impacted you

651
00:24:43,110 --> 00:24:40,640
but then i can offer i can offer

652
00:24:44,549 --> 00:24:43,120
my opinion but go go ahead tell us tell

653
00:24:45,830 --> 00:24:44,559
us how you covered it

654
00:24:48,230 --> 00:24:45,840
and how you covered it from the

655
00:24:50,310 --> 00:24:48,240
beginning of the year through the end of

656
00:24:51,110 --> 00:24:50,320
the year and where you come down on it

657
00:24:53,669 --> 00:24:51,120
now

658
00:24:55,830 --> 00:24:53,679
okay and after that you tell me how you

659
00:25:00,710 --> 00:24:55,840
covered it

660
00:25:02,230 --> 00:25:00,720
i really didn't want to touch it at

661
00:25:05,590 --> 00:25:02,240
first because

662
00:25:08,390 --> 00:25:05,600
it was a 24-hour news cycle right right

663
00:25:11,110 --> 00:25:08,400

we were all fed up but then i realized

664

00:25:13,110 --> 00:25:11,120

damn i can't stay silenced on this

665

00:25:14,870 --> 00:25:13,120

so i started making some shows and

666

00:25:18,630 --> 00:25:14,880

interestingly

667

00:25:21,110 --> 00:25:18,640

as many people said we come to you to

668

00:25:22,470 --> 00:25:21,120

to get away from all this [h__h] that's

669

00:25:25,909 --> 00:25:22,480

when i realized oh

670

00:25:28,870 --> 00:25:25,919

damn that's a good function to have

671

00:25:30,789 --> 00:25:28,880

so but i had to cover the basics of it

672

00:25:34,470 --> 00:25:30,799

so i started with uh

673

00:25:38,549 --> 00:25:34,480

with our mutual friend robert ponoma

674

00:25:41,990 --> 00:25:40,870

first the financial aspect and that's

675

00:25:45,110 --> 00:25:42,000

because

676
00:25:45,590 --> 00:25:45,120
before the pandemic and i was one of the

677
00:25:47,830 --> 00:25:45,600
few

678
00:25:49,510 --> 00:25:47,840
voices out there who touched it but or

679
00:25:52,230 --> 00:25:49,520
it was completely ignored in a

680
00:25:53,350 --> 00:25:52,240
shame stream press and also in the

681
00:25:56,549 --> 00:25:53,360
independent media

682
00:25:59,990 --> 00:25:56,559
almost no focus but that's that the

683
00:26:02,070 --> 00:26:00,000
economy was crashing before the pandemic

684
00:26:04,390 --> 00:26:02,080
and of course the pandemic just

685
00:26:07,909 --> 00:26:04,400
escalated it even worse

686
00:26:11,110 --> 00:26:07,919
in fact before the pandemic

687
00:26:13,669 --> 00:26:11,120
half a year before the pandemic the fed

688
00:26:15,909 --> 00:26:13,679

rail reserve was pumping one trillion

689

00:26:17,430 --> 00:26:15,919

dollar a day into the stock market to

690

00:26:19,430 --> 00:26:17,440

make it afloat

691

00:26:22,390 --> 00:26:19,440

but you don't hear about that so we we

692

00:26:24,470 --> 00:26:22,400

had a show called the money game mmt ubi

693

00:26:27,909 --> 00:26:24,480

and the corona crash

694

00:26:30,149 --> 00:26:27,919

then i covered the virus itself

695

00:26:31,269 --> 00:26:30,159

in a show called what you should know

696

00:26:35,750 --> 00:26:31,279

about the pandemic

697

00:26:38,470 --> 00:26:35,760

and there i

698

00:26:39,830 --> 00:26:38,480

focused on the more sin because you you

699

00:26:43,110 --> 00:26:39,840

notice there's like two

700

00:26:46,470 --> 00:26:43,120

different uh polarities

701
00:26:49,510 --> 00:26:46,480
in the counter culture media

702
00:26:51,430 --> 00:26:49,520
about this one is the plandemic thing

703
00:26:54,149 --> 00:26:51,440
uh nothing to see here folks it's all a

704
00:26:56,310 --> 00:26:54,159
scam move on and the other is

705
00:26:57,510 --> 00:26:56,320
this is uh either a deliberate or an

706
00:27:00,710 --> 00:26:57,520
accidental

707
00:27:02,870 --> 00:27:00,720
bioweapon lab spill

708
00:27:04,149 --> 00:27:02,880
and it's not an either or but let me

709
00:27:05,909 --> 00:27:04,159
just say the third aspect

710
00:27:07,510 --> 00:27:05,919
the third show i did uh which was

711
00:27:09,590 --> 00:27:07,520
probably your favorite that's

712
00:27:10,950 --> 00:27:09,600
was with the university uh independent

713
00:27:14,070 --> 00:27:10,960

research investigative

714

00:27:15,350 --> 00:27:14,080

journalist george webb called spooky

715

00:27:17,029 --> 00:27:15,360

aspects of covenant

716

00:27:19,590 --> 00:27:17,039

who was the second one who was the

717

00:27:20,230 --> 00:27:19,600

second one with again it was a doctor

718

00:27:23,269 --> 00:27:20,240

yeah dr

719

00:27:25,909 --> 00:27:23,279

apsley uh great guy so

720

00:27:27,750 --> 00:27:25,919

um and the third was josh webb spooky

721

00:27:29,269 --> 00:27:27,760

aspects and there we went into

722

00:27:31,269 --> 00:27:29,279

actually a little bit about to follow

723

00:27:32,950 --> 00:27:31,279

the money a little about about the virus

724

00:27:36,230 --> 00:27:32,960

a little about how this is planned

725

00:27:39,269 --> 00:27:36,240

but in my world all this can be

726
00:27:39,590 --> 00:27:39,279
reconciled because you know as well as

727
00:27:42,789 --> 00:27:39,600
me

728
00:27:46,230 --> 00:27:42,799
that the shock doctrine has never been

729
00:27:49,269 --> 00:27:46,240
more in use than now they tested it out

730
00:27:51,350 --> 00:27:49,279
first in foreign countries and then

731
00:27:52,470 --> 00:27:51,360
after a while they started implementing

732
00:27:56,389 --> 00:27:52,480
it on

733
00:27:59,430 --> 00:27:56,399
uh american citizens too like 911 etc

734
00:28:02,389 --> 00:27:59,440
you could even argue jfk was

735
00:28:03,990 --> 00:28:02,399
kind of a shock doctrine so what they do

736
00:28:08,389 --> 00:28:04,000
whether you believe

737
00:28:12,070 --> 00:28:08,399
that the cave arabs with box cutters

738
00:28:15,269 --> 00:28:12,080

was behind the whole thing in 2001

739

00:28:17,590 --> 00:28:15,279

or you don't the fact is that

740

00:28:19,269 --> 00:28:17,600

when something like that happens they

741

00:28:26,070 --> 00:28:19,279

cease upon it

742

00:28:26,630 --> 00:28:26,080

and pre-tested scenarios it's not it's

743

00:28:28,870 --> 00:28:26,640

not like

744

00:28:30,149 --> 00:28:28,880

invented on the spot they have plans

745

00:28:31,830 --> 00:28:30,159

they want to implement

746

00:28:34,310 --> 00:28:31,840

and they've had it for years and they

747

00:28:37,669 --> 00:28:34,320

still do and we all know what that is

748

00:28:38,950 --> 00:28:37,679

and so every time something shocks the

749

00:28:42,389 --> 00:28:38,960

population because

750

00:28:45,110 --> 00:28:42,399

you know the battle isn't happening

751
00:28:46,070 --> 00:28:45,120
in the independent areas that's where

752
00:28:54,630 --> 00:28:46,080
the

753
00:28:57,510 --> 00:28:54,640
chambers and bubbles

754
00:28:59,029 --> 00:28:57,520
for everyone not just independent but

755
00:29:02,230 --> 00:28:59,039
the real battle is

756
00:29:06,149 --> 00:29:02,240
how many of the sleepwalkers can we

757
00:29:08,710 --> 00:29:06,159
reach and the thumb rule has always been

758
00:29:12,549 --> 00:29:08,720
for the powers that be anywhere anytime

759
00:29:14,870 --> 00:29:12,559
that you need to pacify a certain amount

760
00:29:17,029 --> 00:29:14,880
there's two ways to do it

761
00:29:19,430 --> 00:29:17,039
either by brutal force which was very

762
00:29:21,110 --> 00:29:19,440
popular in the past

763
00:29:22,950 --> 00:29:21,120

which is very risky and dangerous

764

00:29:27,350 --> 00:29:22,960

because the backlash is so

765

00:29:29,909 --> 00:29:27,360

bad i mean it's the diluting

766

00:29:30,710 --> 00:29:29,919

after that the other way is to pacify

767

00:29:33,830 --> 00:29:30,720

them

768

00:29:36,310 --> 00:29:33,840

you know the hollywood style the it's

769

00:29:38,149 --> 00:29:36,320

it's basically 1984 versus brave new

770

00:29:41,350 --> 00:29:38,159

world so brave new world

771

00:29:44,230 --> 00:29:41,360

keep them happy keep them fed

772

00:29:46,870 --> 00:29:44,240

and uh you know throw them some bones

773

00:29:49,590 --> 00:29:46,880

and let them play with that

774

00:29:50,710 --> 00:29:49,600

now the oligarch of today has forgotten

775

00:29:56,470 --> 00:29:50,720

all the lessons

776
00:29:59,909 --> 00:29:58,230
in the 30s and the 40s who brought you

777
00:30:02,789 --> 00:29:59,919
after the depression

778
00:30:04,630 --> 00:30:02,799
brought in the new deal and he was

779
00:30:05,590 --> 00:30:04,640
criticized oh you're a goddamn you're

780
00:30:08,789 --> 00:30:05,600
yielding to

781
00:30:09,190 --> 00:30:08,799
to the socialists and soviet and what

782
00:30:12,549 --> 00:30:09,200
not

783
00:30:15,510 --> 00:30:12,559
no no wizard i i

784
00:30:17,110 --> 00:30:15,520
saved capitalism because he understood

785
00:30:18,870 --> 00:30:17,120
we cannot

786
00:30:20,630 --> 00:30:18,880
error you know just destroy the whole

787
00:30:23,430 --> 00:30:20,640
middle class so

788
00:30:25,430 --> 00:30:23,440

but that lesson has been forgotten now

789

00:30:27,190 --> 00:30:25,440

we're in the exact same situation and

790

00:30:28,870 --> 00:30:27,200

now they're making it worse so it's

791

00:30:30,389 --> 00:30:28,880

going to be very interesting to see what

792

00:30:33,669 --> 00:30:30,399

happens

793

00:30:34,310 --> 00:30:33,679

but uh i talked myself away from the

794

00:30:37,350 --> 00:30:34,320

point

795

00:30:40,630 --> 00:30:37,360

um sorry well then maybe

796

00:30:42,549 --> 00:30:40,640

maybe you need to push on through so

797

00:30:45,110 --> 00:30:42,559

what are you really saying there in

798

00:30:48,630 --> 00:30:45,120

terms of you know the roosevelt's

799

00:30:50,950 --> 00:30:48,640

new deal versus the current

800

00:30:52,549 --> 00:30:50,960

global financial reset that a lot of

801
00:30:54,149 --> 00:30:52,559
people are talking about so if i can

802
00:30:56,310 --> 00:30:54,159
connect your dots thank you

803
00:30:57,830 --> 00:30:56,320
you're talking about our friend robert

804
00:31:00,230 --> 00:30:57,840
bonomo saying

805
00:31:01,350 --> 00:31:00,240
you know hey the thing doesn't really

806
00:31:03,830 --> 00:31:01,360
float you know

807
00:31:04,710 --> 00:31:03,840
we have these we were comfortable with

808
00:31:07,750 --> 00:31:04,720
the term

809
00:31:08,549 --> 00:31:07,760
zombie banks well now we have zombie

810
00:31:12,230 --> 00:31:08,559
nations

811
00:31:15,750 --> 00:31:12,240
of which the u.s is one and virtually

812
00:31:18,710 --> 00:31:15,760
every country in europe is one

813
00:31:20,389 --> 00:31:18,720

so you know how does that really go yeah

814

00:31:21,029 --> 00:31:20,399

it's very evident right now because in

815

00:31:24,389 --> 00:31:21,039

america

816

00:31:25,509 --> 00:31:24,399

in europe they keep us throwing us toys

817

00:31:28,470 --> 00:31:25,519

so we can sleep on

818

00:31:29,590 --> 00:31:28,480

everybody is getting bail out which of

819

00:31:31,990 --> 00:31:29,600

course when

820

00:31:33,350 --> 00:31:32,000

you force a lockdown hold on because

821

00:31:34,789 --> 00:31:33,360

because i did want to kind of get to the

822

00:31:36,549 --> 00:31:34,799

end point here which is what

823

00:31:38,070 --> 00:31:36,559

i never hear anyone talking about so

824

00:31:39,990 --> 00:31:38,080

everyone gets to this point that you're

825

00:31:41,430 --> 00:31:40,000

talking about and then the conversation

826

00:31:43,750 --> 00:31:41,440

just kind of

827

00:31:44,870 --> 00:31:43,760

peters out or it just goes okay so

828

00:31:46,950 --> 00:31:44,880

they're going to do a

829

00:31:48,470 --> 00:31:46,960

reset you know the other way to do a

830

00:31:50,630 --> 00:31:48,480

reset is war

831

00:31:52,470 --> 00:31:50,640

right yeah i mean you go to war with

832

00:31:53,110 --> 00:31:52,480

china you got to reset right i mean

833

00:31:56,149 --> 00:31:53,120

because

834

00:31:57,750 --> 00:31:56,159

you a straight up war you say okay well

835

00:31:58,870 --> 00:31:57,760

you're holding all the chips but what

836

00:32:01,750 --> 00:31:58,880

you're really holding

837

00:32:02,230 --> 00:32:01,760

hahaha is just notes again to us against

838

00:32:04,470 --> 00:32:02,240

us

839

00:32:06,310 --> 00:32:04,480

so now we say screw you we're not

840

00:32:08,470 --> 00:32:06,320

honoring any of the notes

841

00:32:09,830 --> 00:32:08,480

game over so that's another way to do

842

00:32:11,909 --> 00:32:09,840

the reset and i'm not

843

00:32:13,029 --> 00:32:11,919

advocating any of these people i'm just

844

00:32:14,950 --> 00:32:13,039

saying why don't

845

00:32:17,269 --> 00:32:14,960

that that seems to be off the table it's

846

00:32:19,830 --> 00:32:17,279

always like oh my gosh we're just

847

00:32:21,110 --> 00:32:19,840

printing more money it's like well so

848

00:32:24,710 --> 00:32:21,120

what do you know that

849

00:32:26,870 --> 00:32:24,720

why is that necessarily ever going to

850

00:32:27,990 --> 00:32:26,880

there's there's a couple ways to solve

851
00:32:30,669 --> 00:32:28,000
that problem

852
00:32:32,789 --> 00:32:30,679
and the the it's not it isn't

853
00:32:36,750 --> 00:32:32,799
necessarily

854
00:32:40,230 --> 00:32:36,760
uh you know this very global

855
00:32:42,310 --> 00:32:40,240
agenda-driven reset and i i hate when we

856
00:32:43,990 --> 00:32:42,320
start using that language again and

857
00:32:47,750 --> 00:32:44,000
again i'm not advocating i'm just saying

858
00:32:52,310 --> 00:32:51,190
no i agree but first off i want to just

859
00:32:54,549 --> 00:32:52,320
say

860
00:32:55,509 --> 00:32:54,559
i was getting originally to the point

861
00:32:58,230 --> 00:32:55,519
that

862
00:32:59,350 --> 00:32:58,240
you know virus vs pandemic it may be

863
00:33:02,549 --> 00:32:59,360

both

864

00:33:05,029 --> 00:33:02,559

there may have been an actual spill

865

00:33:06,870 --> 00:33:05,039

and they may have seen it and they then

866

00:33:07,509 --> 00:33:06,880

ceased upon it with the pandemic you see

867

00:33:09,750 --> 00:33:07,519

what i mean

868

00:33:10,710 --> 00:33:09,760

so it doesn't mean that oh there's no

869

00:33:13,350 --> 00:33:10,720

such thing as

870

00:33:14,630 --> 00:33:13,360

corvidan or you don't worry if you get

871

00:33:17,590 --> 00:33:14,640

it it may still be

872

00:33:18,789 --> 00:33:17,600

serious and on the other hand yes it may

873

00:33:20,870 --> 00:33:18,799

be exploited for

874

00:33:22,710 --> 00:33:20,880

a more sinister political purpose

875

00:33:23,750 --> 00:33:22,720

because that's what they do with crisis

876

00:33:26,710 --> 00:33:23,760

they take them

877

00:33:27,350 --> 00:33:26,720

and they try to shape because here's the

878

00:33:29,110 --> 00:33:27,360

thing

879

00:33:31,190 --> 00:33:29,120

i was talking about the fight to win

880

00:33:33,830 --> 00:33:31,200

over the uh sleepwalkers

881

00:33:35,669 --> 00:33:33,840

i i always have that in mind that there

882

00:33:37,190 --> 00:33:35,679

may be sleepwalkers listening to me so i

883

00:33:39,590 --> 00:33:37,200

always need to reach them i don't want

884

00:33:41,190 --> 00:33:39,600

to get too esoteric

885

00:33:42,950 --> 00:33:41,200

unless that's the whole point with the

886

00:33:46,230 --> 00:33:42,960

show so uh

887

00:33:47,669 --> 00:33:46,240

and that's brilliant opportunities for

888

00:33:50,549 --> 00:33:47,679

the powers to be because they could

889

00:33:51,669 --> 00:33:50,559

never look down stuff under normal

890

00:33:53,590 --> 00:33:51,679

circumstances

891

00:33:56,470 --> 00:33:53,600

the sleepwalkers wouldn't allow it

892

00:33:58,950 --> 00:33:56,480

because that would shock them so much

893

00:33:59,830 --> 00:33:58,960

that they would realize oh my god the

894

00:34:02,630 --> 00:33:59,840

world isn't

895

00:34:03,669 --> 00:34:02,640

as safe and comfortable and simple as i

896

00:34:06,310 --> 00:34:03,679

desperately

897

00:34:08,069 --> 00:34:06,320

wanted to believe i'm feeling it on my

898

00:34:11,669 --> 00:34:08,079

own body now

899

00:34:14,869 --> 00:34:11,679

and that's uh always good grounds for

900

00:34:17,510 --> 00:34:14,879

revolutions and reforms and changes from

901
00:34:18,790 --> 00:34:17,520
below because that's when everybody is

902
00:34:20,869 --> 00:34:18,800
losing

903
00:34:22,629 --> 00:34:20,879
they're waking up right this oh i've

904
00:34:23,589 --> 00:34:22,639
been hypnotized i've been a zombie okay

905
00:34:26,230 --> 00:34:23,599
come with us

906
00:34:27,669 --> 00:34:26,240
boys let's fight the man but the man

907
00:34:30,950 --> 00:34:27,679
does the same

908
00:34:34,069 --> 00:34:30,960
911 and now

909
00:34:35,030 --> 00:34:34,079
the majority are full full affair and

910
00:34:38,149 --> 00:34:35,040
disoriented

911
00:34:39,270 --> 00:34:38,159
and that's when you shovel down before

912
00:34:41,270 --> 00:34:39,280
they get to think about

913
00:34:43,510 --> 00:34:41,280

anything or organize or anything you

914

00:34:45,909 --> 00:34:43,520

shovel down through the throat

915

00:34:47,349 --> 00:34:45,919

insane measures that never could have

916

00:34:51,510 --> 00:34:47,359

gone through under normal

917

00:34:54,790 --> 00:34:51,520

circumstances so that's the big battle

918

00:34:59,910 --> 00:34:54,800

in crisis like this to win over the

919

00:35:04,069 --> 00:35:01,990

in eu can we pause there for a second

920

00:35:05,589 --> 00:35:04,079

and talk about sleepwalkers because

921

00:35:07,109 --> 00:35:05,599

you know this is going to be this is

922

00:35:09,190 --> 00:35:07,119

going to be our classic kind of

923

00:35:10,550 --> 00:35:09,200

conversation it could just kind of go on

924

00:35:11,349 --> 00:35:10,560

endlessly in all these different

925

00:35:13,910 --> 00:35:11,359

directions

926
00:35:15,270 --> 00:35:13,920
but your point i think is so so

927
00:35:17,190 --> 00:35:15,280
important and again i would

928
00:35:18,870 --> 00:35:17,200
because that's mom's up skeptica i'd

929
00:35:19,510 --> 00:35:18,880
have a slightly different perspective on

930
00:35:23,030 --> 00:35:19,520
that

931
00:35:25,510 --> 00:35:23,040
one and tell me what you think but i

932
00:35:26,790 --> 00:35:25,520
i will bet you anything your experience

933
00:35:30,069 --> 00:35:26,800
is the same

934
00:35:31,349 --> 00:35:30,079
it's not so much that we are waking the

935
00:35:33,829 --> 00:35:31,359
sleepwalker

936
00:35:34,870 --> 00:35:33,839
it's that we happen to be around when

937
00:35:37,829 --> 00:35:34,880
they wake up

938
00:35:38,630 --> 00:35:37,839

right because the the resistance to

939

00:35:41,430 --> 00:35:38,640

waking up

940

00:35:43,190 --> 00:35:41,440

is so strong and particularly from a

941

00:35:46,390 --> 00:35:43,200

spiritual perspective you know

942

00:35:48,950 --> 00:35:46,400

this is like a deeply ingrained pattern

943

00:35:50,870 --> 00:35:48,960

that might even span lifetimes we have

944

00:35:53,270 --> 00:35:50,880

to suspect for a lot of people

945

00:35:53,990 --> 00:35:53,280

because we see them and it is so deeply

946

00:35:57,030 --> 00:35:54,000

ingrained

947

00:35:59,109 --> 00:35:57,040

they can be given piles and piles of

948

00:35:59,430 --> 00:35:59,119

evidence and it just does not change

949

00:36:01,349 --> 00:35:59,440

them

950

00:36:03,349 --> 00:36:01,359

we need to look no further than our

951
00:36:04,710 --> 00:36:03,359
religious institutions you know and it's

952
00:36:06,710 --> 00:36:04,720
like no matter

953
00:36:08,310 --> 00:36:06,720
what is exposed you just keep following

954
00:36:10,230 --> 00:36:08,320
that there was a very famous book

955
00:36:13,109 --> 00:36:10,240
written when prophecy fails about

956
00:36:14,150 --> 00:36:13,119
cults and you that would make prophetic

957
00:36:15,829 --> 00:36:14,160
predictions

958
00:36:17,589 --> 00:36:15,839
and you would anticipate that when you

959
00:36:19,750 --> 00:36:17,599
say that the world is going to end

960
00:36:20,710 --> 00:36:19,760
on march 5th and the world doesn't end

961
00:36:22,069 --> 00:36:20,720
on march 5th

962
00:36:24,390 --> 00:36:22,079
you would say well that's probably the

963
00:36:26,710 --> 00:36:24,400

end of the cult and what he found was

964

00:36:28,950 --> 00:36:26,720

exactly the opposite yeah a few people

965

00:36:31,829 --> 00:36:28,960

drifted away but the majority

966

00:36:33,030 --> 00:36:31,839

double down and that is the sleepwalker

967

00:36:35,430 --> 00:36:33,040

phenomena so

968

00:36:36,390 --> 00:36:35,440

i think that what really is sleepwalking

969

00:36:39,190 --> 00:36:36,400

is about is

970

00:36:40,069 --> 00:36:39,200

we happen to be there when they wake up

971

00:36:43,829 --> 00:36:40,079

which is kind of

972

00:36:46,150 --> 00:36:43,839

a neat thing but i do so much agree with

973

00:36:48,710 --> 00:36:46,160

your other point which is

974

00:36:50,710 --> 00:36:48,720

i always think us in the alt alt

975

00:36:52,470 --> 00:36:50,720

community which we are because we're not

976
00:36:52,870 --> 00:36:52,480
even the alt community more we're the

977
00:37:00,390 --> 00:36:52,880
alt

978
00:37:04,150 --> 00:37:00,400
the power that that is in the hands

979
00:37:07,430 --> 00:37:04,160
of the social engineers of the mk ultra

980
00:37:09,109 --> 00:37:07,440
uh you know educated mk they went to the

981
00:37:11,190 --> 00:37:09,119
mk ultra institute

982
00:37:12,870 --> 00:37:11,200
50 years ago and they're so much further

983
00:37:14,950 --> 00:37:12,880
along than that and the thing that

984
00:37:16,310 --> 00:37:14,960
the tagline always uses they have not

985
00:37:18,390 --> 00:37:16,320
yet begun to fight

986
00:37:19,670 --> 00:37:18,400
so if you think there's going to be this

987
00:37:22,150 --> 00:37:19,680
massive uh

988
00:37:24,550 --> 00:37:22,160

waking up that is then going to kind of

989

00:37:28,230 --> 00:37:24,560

storm the gates of the castle with

990

00:37:31,589 --> 00:37:28,240

pitchforks and torches maybe

991

00:37:32,950 --> 00:37:31,599

but i would say be ready for a lot of

992

00:37:35,190 --> 00:37:32,960

counter attacks

993

00:37:36,069 --> 00:37:35,200

from weaponry that they have stacked up

994

00:37:38,630 --> 00:37:36,079

that we haven't

995

00:37:39,510 --> 00:37:38,640

even begun to contemplate what do you

996

00:37:42,230 --> 00:37:39,520

think

997

00:37:43,349 --> 00:37:42,240

oh my god this better be a three hour

998

00:37:47,430 --> 00:37:43,359

because

999

00:37:51,030 --> 00:37:47,440

i have an hour reply only to that one

1000

00:37:54,230 --> 00:37:51,040

but first off you're very right

1001
00:37:54,550 --> 00:37:54,240
uh it doesn't mean that first no first

1002
00:37:56,310 --> 00:37:54,560
off

1003
00:37:57,750 --> 00:37:56,320
who's waking then up you're right it's

1004
00:38:00,870 --> 00:37:57,760
not us

1005
00:38:05,030 --> 00:38:00,880
it's the material conditions

1006
00:38:05,910 --> 00:38:05,040
because we have a maslow hierarchy of

1007
00:38:08,950 --> 00:38:05,920
needs

1008
00:38:11,190 --> 00:38:08,960
and if you [h__\h] with my ninth priority

1009
00:38:13,190 --> 00:38:11,200
i may let it go i may you know it's not

1010
00:38:15,190 --> 00:38:13,200
worth the fight but if you [h__\h] with my

1011
00:38:17,589 --> 00:38:15,200
primary or secondary

1012
00:38:19,270 --> 00:38:17,599
i mean i need food in my belly and i

1013
00:38:22,230 --> 00:38:19,280

need roof over my head

1014

00:38:24,150 --> 00:38:22,240

and i need a whole lot of other things

1015

00:38:27,589 --> 00:38:24,160

before i can sit down having this

1016

00:38:29,589 --> 00:38:27,599

cornwall with you alex and so when they

1017

00:38:33,510 --> 00:38:29,599

take that away or they shake it up

1018

00:38:36,550 --> 00:38:33,520

for folks and you and me we can handle

1019

00:38:39,109 --> 00:38:36,560

i mean we can watch uh horror movies and

1020

00:38:41,670 --> 00:38:39,119

not flinch we can we can be abducted by

1021

00:38:42,390 --> 00:38:41,680

aliens and and ask doesn't it go any

1022

00:38:45,910 --> 00:38:42,400

faster

1023

00:38:47,430 --> 00:38:45,920

but if you just you know just uh the the

1024

00:38:49,829 --> 00:38:47,440

idea of a ghost

1025

00:38:51,030 --> 00:38:49,839

to a sleepwalker is shaking them up in

1026

00:38:54,150 --> 00:38:51,040

their

1027

00:38:56,230 --> 00:38:54,160

core so imagine how they are handling

1028

00:38:58,150 --> 00:38:56,240

because their their whole paradigm

1029

00:38:59,430 --> 00:38:58,160

sounds so arrogant of us

1030

00:39:01,430 --> 00:38:59,440

to call them that we are all

1031

00:39:03,349 --> 00:39:01,440

sleepworkers in different areas okay

1032

00:39:04,790 --> 00:39:03,359

so it's all about waking up nobody's

1033

00:39:07,430 --> 00:39:04,800

better than yes good point

1034

00:39:08,710 --> 00:39:07,440

yeah yeah but here's the thing when it

1035

00:39:12,390 --> 00:39:08,720

happens to them because

1036

00:39:15,030 --> 00:39:12,400

their value system and paradigm are 100

1037

00:39:16,069 --> 00:39:15,040

dependent on there's not going to be a

1038

00:39:22,630 --> 00:39:16,079

change

1039

00:39:26,470 --> 00:39:22,640

what you call it increase mentalism

1040

00:39:29,589 --> 00:39:26,480

and it's incremental and it's

1041

00:39:32,230 --> 00:39:29,599

it's just uh abstract and theoretic yeah

1042

00:39:33,510 --> 00:39:32,240

the russian revolution in 1917 all the

1043

00:39:36,630 --> 00:39:33,520

black plague yeah

1044

00:39:37,910 --> 00:39:36,640

i can get those concepts but don't talk

1045

00:39:40,630 --> 00:39:37,920

to me about

1046

00:39:42,470 --> 00:39:40,640

look at poor graham hancock why does

1047

00:39:45,030 --> 00:39:42,480

those guys get so much

1048

00:39:46,950 --> 00:39:45,040

they have all the facts on their side

1049

00:39:47,589 --> 00:39:46,960

and they go after the man that's because

1050

00:39:51,829 --> 00:39:47,599

you

1051

00:39:54,470 --> 00:39:51,839

say no the world can just

1052

00:39:56,630 --> 00:39:54,480

go under you know the the driest period

1053

00:39:58,630 --> 00:39:56,640

in all that debate overnight

1054

00:40:01,030 --> 00:39:58,640

they they don't want to think about that

1055

00:40:03,829 --> 00:40:01,040

they're traumatized from atlantis okay

1056

00:40:05,430 --> 00:40:03,839

because astrology is just like the genes

1057

00:40:08,630 --> 00:40:05,440

it's just a map

1058

00:40:11,589 --> 00:40:08,640

it's not the genes driving me

1059

00:40:12,870 --> 00:40:11,599

it's a correlation and however i

1060

00:40:14,870 --> 00:40:12,880

experience life

1061

00:40:16,710 --> 00:40:14,880

influences my genes and it's the same

1062

00:40:17,190 --> 00:40:16,720

thing with the astrology just to close

1063

00:40:24,150 --> 00:40:17,200

that

1064

00:40:26,630 --> 00:40:24,160

uh the current debate so it's about

1065

00:40:27,510 --> 00:40:26,640

the material conditions and then yes

1066

00:40:29,990 --> 00:40:27,520

you're right

1067

00:40:31,589 --> 00:40:30,000

uh many will double down that's a very

1068

00:40:33,430 --> 00:40:31,599

good point you made

1069

00:40:34,870 --> 00:40:33,440

you'll see because they're not ready to

1070

00:40:37,990 --> 00:40:34,880

come out and admit

1071

00:40:39,349 --> 00:40:38,000

that you know they have been in an ally

1072

00:40:41,270 --> 00:40:39,359

in an illusion so

1073

00:40:42,870 --> 00:40:41,280

they have to fight even harder no you

1074

00:40:45,270 --> 00:40:42,880

have to wear a mask or a

1075

00:40:45,990 --> 00:40:45,280

god and kill you or you have to take the

1076

00:40:49,349 --> 00:40:46,000

vaccine

1077

00:40:53,430 --> 00:40:49,359

yes give me a chip yes so so they become

1078

00:40:56,550 --> 00:40:53,440

they are fastest weed proved in his book

1079

00:40:57,349 --> 00:40:56,560

the function of the orgasm it's very

1080

00:41:00,790 --> 00:40:57,359

connected to

1081

00:41:01,910 --> 00:41:00,800

our character and psychological design

1082

00:41:05,030 --> 00:41:01,920

now

1083

00:41:06,470 --> 00:41:05,040

even those guys have a hard limit and

1084

00:41:07,349 --> 00:41:06,480

i'll give you an example of where that's

1085

00:41:10,230 --> 00:41:07,359

been passed

1086

00:41:11,510 --> 00:41:10,240

just now lately but i also want to point

1087

00:41:14,390 --> 00:41:11,520

before the out

1088

00:41:16,069 --> 00:41:14,400

before that that even though many double

1089

00:41:18,710 --> 00:41:16,079

down and become

1090

00:41:20,470 --> 00:41:18,720

like crazy cultists for that big cult

1091

00:41:23,990 --> 00:41:20,480

called society

1092

00:41:26,870 --> 00:41:24,000

we get record numbers over to our side

1093

00:41:28,630 --> 00:41:26,880

which that means in broad terms the

1094

00:41:30,069 --> 00:41:28,640

counter culture side and i'm not going

1095

00:41:32,309 --> 00:41:30,079

left right here because

1096

00:41:33,349 --> 00:41:32,319

that whole thing in itself is is kind of

1097

00:41:35,430 --> 00:41:33,359

an illusion or

1098

00:41:36,550 --> 00:41:35,440

it's not an illusion it's a distraction

1099

00:41:39,589 --> 00:41:36,560

because it's true

1100

00:41:42,069 --> 00:41:39,599

in cultures matters in values but

1101

00:41:44,230 --> 00:41:42,079

not on the primary matters and that's

1102

00:41:45,109 --> 00:41:44,240

where populism has to bond together

1103

00:41:46,470 --> 00:41:45,119

because

1104

00:41:49,670 --> 00:41:46,480

for example if you're a right-wing

1105

00:41:51,589 --> 00:41:49,680

populist you are against wars

1106

00:41:52,950 --> 00:41:51,599

but mainly so because you don't want to

1107

00:41:54,309 --> 00:41:52,960

[h__\h] up other countries

1108

00:41:55,750 --> 00:41:54,319

because you're a nationalist and you

1109

00:41:57,430 --> 00:41:55,760

don't want other countries to [h__\h] up

1110

00:42:00,550 --> 00:41:57,440

your own you realize that

1111

00:42:04,790 --> 00:42:00,560

plus you don't want a blowback of

1112

00:42:06,790 --> 00:42:04,800

a million refugees etc or the bad karma

1113

00:42:08,710 --> 00:42:06,800

what you plus you don't want the money

1114

00:42:10,309 --> 00:42:08,720

to go to war industry you wanted to go

1115

00:42:12,309 --> 00:42:10,319

to build up your own country that you

1116

00:42:15,750 --> 00:42:12,319

love and and yourself that you need to

1117

00:42:18,790 --> 00:42:15,760

stay alive now if you're at the left

1118

00:42:19,750 --> 00:42:18,800

you will probably have more um emotional

1119

00:42:22,230 --> 00:42:19,760

and ideal

1120

00:42:23,190 --> 00:42:22,240

idealist reasons for it it could be in

1121

00:42:25,430 --> 00:42:23,200

general like you're

1122

00:42:27,510 --> 00:42:25,440

like buddhism oh i'm against you know

1123

00:42:28,470 --> 00:42:27,520

i'm a pacifist i'm against hurting

1124

00:42:31,030 --> 00:42:28,480

others anyway

1125

00:42:32,630 --> 00:42:31,040

or and you can share some like you you

1126
00:42:33,589 --> 00:42:32,640
want the money to be spent in your own

1127
00:42:37,270 --> 00:42:33,599
country for

1128
00:42:40,710 --> 00:42:37,280
you know social welfare whatever so

1129
00:42:43,990 --> 00:42:40,720
if you can get those two guys to fight

1130
00:42:47,270 --> 00:42:44,000
over you know cultural issues or or

1131
00:42:50,630 --> 00:42:47,280
identity you know gender issues or

1132
00:42:52,630 --> 00:42:50,640
abortion bomb you win and this i don't

1133
00:42:54,630 --> 00:42:52,640
i know i'm flogging a dead horse we've

1134
00:42:55,510 --> 00:42:54,640
been down this road many times so let's

1135
00:42:59,589 --> 00:42:55,520
just

1136
00:43:01,510 --> 00:42:59,599
put that to the side now in europe

1137
00:43:03,349 --> 00:43:01,520
hold on hold on that was that was

1138
00:43:04,309 --> 00:43:03,359

absolutely brilliant i don't care how

1139

00:43:07,030 --> 00:43:04,319

many times

1140

00:43:07,349 --> 00:43:07,040

uh we've we've covered it or it's been

1141

00:43:10,630 --> 00:43:07,359

said

1142

00:43:12,630 --> 00:43:10,640

you you very succinctly i think

1143

00:43:14,790 --> 00:43:12,640

captured something there that's awesome

1144

00:43:17,510 --> 00:43:14,800

i i loved hearing it so please continue

1145

00:43:18,630 --> 00:43:17,520

okay cool because uh i believe we can

1146

00:43:20,950 --> 00:43:18,640

cool light

1147

00:43:22,550 --> 00:43:20,960

not just across left and right wing but

1148

00:43:24,390 --> 00:43:22,560

across everything

1149

00:43:25,990 --> 00:43:24,400

but it's not about our differences

1150

00:43:28,950 --> 00:43:26,000

that's what they want to point out we

1151
00:43:30,390 --> 00:43:28,960
have to point to the goals so if people

1152
00:43:31,670 --> 00:43:30,400
let's say low freedom

1153
00:43:34,870 --> 00:43:31,680
let me pull you back in a different

1154
00:43:37,190 --> 00:43:34,880
direction here let me

1155
00:43:38,550 --> 00:43:37,200
piss on all that which i i kind of like

1156
00:43:41,829 --> 00:43:38,560
to do sometimes because

1157
00:43:45,030 --> 00:43:41,839
i am such an idealist i am such a

1158
00:43:47,910 --> 00:43:45,040
an advocate of just life and

1159
00:43:48,950 --> 00:43:47,920
love and and prosperity on a personal

1160
00:43:53,030 --> 00:43:48,960
level

1161
00:43:54,710 --> 00:43:53,040
so resonate with what you're saying

1162
00:43:57,589 --> 00:43:54,720
because it's so optimistic

1163
00:44:00,470 --> 00:43:57,599

but let me be less optimistic and let me

1164

00:44:03,270 --> 00:44:00,480

return to the point of

1165

00:44:04,950 --> 00:44:03,280

they have not yet begun to fight because

1166

00:44:07,589 --> 00:44:04,960

as you alluded to

1167

00:44:08,309 --> 00:44:07,599

some of the tools at their disposal is

1168

00:44:11,030 --> 00:44:08,319

like this

1169

00:44:11,430 --> 00:44:11,040

identity politics right they they can

1170

00:44:13,829 --> 00:44:11,440

play

1171

00:44:15,109 --> 00:44:13,839

they can undermine your glorious

1172

00:44:18,550 --> 00:44:15,119

strategy

1173

00:44:19,349 --> 00:44:18,560

as they have so effectively with just

1174

00:44:22,470 --> 00:44:19,359

something as

1175

00:44:24,470 --> 00:44:22,480

simple as identity politics yeah and

1176

00:44:27,270 --> 00:44:24,480

it's completely

1177

00:44:28,790 --> 00:44:27,280

effective i get it i agree with you but

1178

00:44:30,550 --> 00:44:28,800

let me give you even more hope

1179

00:44:32,870 --> 00:44:30,560

from because we have to be scientific

1180

00:44:35,990 --> 00:44:32,880

and not idealistic when we discuss this

1181

00:44:39,030 --> 00:44:36,000

so i'll back up my points from

1182

00:44:41,030 --> 00:44:39,040

reality not from my wish list if it was

1183

00:44:42,870 --> 00:44:41,040

my wish list we were discussing

1184

00:44:44,069 --> 00:44:42,880

i will paint an even better picture for

1185

00:44:47,109 --> 00:44:44,079

you so let's

1186

00:44:49,349 --> 00:44:47,119

let's anchor this in reality just

1187

00:44:51,270 --> 00:44:49,359

these days here something interesting

1188

00:44:53,030 --> 00:44:51,280

have happened on american left because

1189

00:44:55,670 --> 00:44:53,040

you know i make a point out of

1190

00:44:58,230 --> 00:44:55,680

not being in an echo chamber so unlike

1191

00:45:00,309 --> 00:44:58,240

most people in the independent field

1192

00:45:01,589 --> 00:45:00,319

i think unlike most i think i'm in a

1193

00:45:04,870 --> 00:45:01,599

minority

1194

00:45:05,670 --> 00:45:04,880

i deliberately keep oriented in all

1195

00:45:09,270 --> 00:45:05,680

areas

1196

00:45:10,950 --> 00:45:09,280

of existence that i uh you know can

1197

00:45:13,109 --> 00:45:10,960

you know within my resources and

1198

00:45:14,309 --> 00:45:13,119

politically i keep an eye both on the

1199

00:45:15,589 --> 00:45:14,319

left and the right because there's

1200

00:45:18,710 --> 00:45:15,599

interesting things going on

1201
00:45:19,670 --> 00:45:18,720
in both and right now as we speak you

1202
00:45:22,790 --> 00:45:19,680
know

1203
00:45:23,750 --> 00:45:22,800
uh 80 of americans want a universal

1204
00:45:26,470 --> 00:45:23,760
health care system

1205
00:45:27,990 --> 00:45:26,480
it's just nigeria and usa who hasn't got

1206
00:45:31,030 --> 00:45:28,000
it yet

1207
00:45:34,230 --> 00:45:31,040
and that's 80 percent of

1208
00:45:37,510 --> 00:45:34,240
uh no sorry it's 70 percent of american

1209
00:45:40,550 --> 00:45:37,520
it's 89 of democrats it's

1210
00:45:42,950 --> 00:45:40,560
55 of republicans and i don't remember

1211
00:45:46,150 --> 00:45:42,960
the number for independence but if the

1212
00:45:48,390 --> 00:45:46,160
overall number is 70 then the moth is

1213
00:45:50,470 --> 00:45:48,400

there now

1214

00:45:51,670 --> 00:45:50,480

politicians is the opposite you'll find

1215

00:45:53,910 --> 00:45:51,680

a handful

1216

00:45:56,069 --> 00:45:53,920

who probably support let's say bernie's

1217

00:45:57,990 --> 00:45:56,079

version of medicare for all because

1218

00:45:59,109 --> 00:45:58,000

make no mistake folks universal

1219

00:46:01,430 --> 00:45:59,119

healthcare

1220

00:46:02,150 --> 00:46:01,440

comes in five different versions from a

1221

00:46:05,750 --> 00:46:02,160

left-wing

1222

00:46:08,870 --> 00:46:05,760

solutions like uk and the nhs

1223

00:46:10,390 --> 00:46:08,880

to a right-wing solution which is what

1224

00:46:14,870 --> 00:46:10,400

they in america called

1225

00:46:18,790 --> 00:46:14,880

the pub public option

1226
00:46:20,390 --> 00:46:18,800
now that's not what america has you have

1227
00:46:23,430 --> 00:46:20,400
corporatism

1228
00:46:25,670 --> 00:46:23,440
and no politician is backing it and

1229
00:46:27,109 --> 00:46:25,680
you have here a lot of voices on the

1230
00:46:29,589 --> 00:46:27,119
left saying they want it

1231
00:46:31,510 --> 00:46:29,599
well look at what just happened jimmy

1232
00:46:33,990 --> 00:46:31,520
dore that loose cannon

1233
00:46:35,829 --> 00:46:34,000
you have to love the guy he's the alex

1234
00:46:41,109 --> 00:46:35,839
jones of the left

1235
00:46:44,390 --> 00:46:41,119
and he has now exposed

1236
00:46:46,309 --> 00:46:44,400
one of the biggest independent networks

1237
00:46:47,589 --> 00:46:46,319
out there that well the thing is they're

1238
00:46:50,790 --> 00:46:47,599

not independent anymore

1239

00:46:51,510 --> 00:46:50,800

namely the young turks they were once

1240

00:46:53,910 --> 00:46:51,520

upon a time

1241

00:46:54,790 --> 00:46:53,920

pretty innovative and independent but

1242

00:46:56,630 --> 00:46:54,800

long ago

1243

00:46:58,630 --> 00:46:56,640

been mainstream and they're in hillary

1244

00:47:01,270 --> 00:46:58,640

clinton's pocket and establishment

1245

00:47:04,710 --> 00:47:01,280

democrats and he's exposing it live

1246

00:47:05,349 --> 00:47:04,720

and he's turned 80 of the of the young

1247

00:47:08,710 --> 00:47:05,359

turks

1248

00:47:12,309 --> 00:47:08,720

uh audience against them why because

1249

00:47:15,750 --> 00:47:12,319

he is now find himself accidentally

1250

00:47:18,069 --> 00:47:15,760

at the spare head of a campaign to

1251

00:47:20,710 --> 00:47:18,079

expose the so-called progressive left

1252

00:47:22,470 --> 00:47:20,720

politicians like the squad aoc

1253

00:47:24,309 --> 00:47:22,480

and all the new ones that are coming in

1254

00:47:25,510 --> 00:47:24,319

because i'm bernie sanders too

1255

00:47:27,670 --> 00:47:25,520

because they're not fighting for

1256

00:47:29,109 --> 00:47:27,680

medicare for all because nancy pelosi

1257

00:47:32,150 --> 00:47:29,119

that old [h__h] can i

1258

00:47:35,270 --> 00:47:32,160

sorry uh beep that but

1259

00:47:38,390 --> 00:47:35,280

she's disgusting and she

1260

00:47:39,190 --> 00:47:38,400

they want aoc and those guys to force

1261

00:47:42,150 --> 00:47:39,200

her

1262

00:47:43,750 --> 00:47:42,160

to have a flaw vote on medicare for all

1263

00:47:45,510 --> 00:47:43,760

not that it's going to pass but they

1264

00:47:47,990 --> 00:47:45,520

want to see which politicians

1265

00:47:49,750 --> 00:47:48,000

in both parties that are actually going

1266

00:47:51,670 --> 00:47:49,760

to block it in the middle of a goddamn

1267

00:47:53,109 --> 00:47:51,680

depression where people lose their jobs

1268

00:47:55,349 --> 00:47:53,119

and for some weird reason

1269

00:47:56,309 --> 00:47:55,359

jobs that are attached to health care in

1270

00:47:58,870 --> 00:47:56,319

america

1271

00:48:00,470 --> 00:47:58,880

which keeps them you know slaves

1272

00:48:01,510 --> 00:48:00,480

attached to the jobs and not seeking

1273

00:48:03,510 --> 00:48:01,520

careers but

1274

00:48:05,349 --> 00:48:03,520

now they even lose that and they don't

1275

00:48:08,390 --> 00:48:05,359

have health care and it's a depression

1276

00:48:11,270 --> 00:48:08,400

and it's a good and pandemic

1277

00:48:12,230 --> 00:48:11,280

so they want to see which politicians

1278

00:48:15,750 --> 00:48:12,240

because if you go

1279

00:48:18,549 --> 00:48:15,760

get those names down they'll be

1280

00:48:19,990 --> 00:48:18,559

destroyed in the next elections because

1281

00:48:22,710 --> 00:48:20,000

now people care because

1282

00:48:23,430 --> 00:48:22,720

everybody wants it because nobody you

1283

00:48:25,510 --> 00:48:23,440

alex

1284

00:48:26,630 --> 00:48:25,520

are upper class so you don't feel the

1285

00:48:29,109 --> 00:48:26,640

pain but

1286

00:48:30,150 --> 00:48:29,119

your brothers and sisters are really

1287

00:48:33,109 --> 00:48:30,160

suffering now

1288

00:48:34,630 --> 00:48:33,119

50 are about to lose their homes and i'm

1289

00:48:36,470 --> 00:48:34,640

not blaming any

1290

00:48:38,150 --> 00:48:36,480

particular it's not like this is trump's

1291

00:48:40,870 --> 00:48:38,160

fault or russia's vote or

1292

00:48:43,030 --> 00:48:40,880

anything but it's congress it's it's

1293

00:48:46,230 --> 00:48:43,040

mostly to blame and that's democratic

1294

00:48:48,470 --> 00:48:46,240

uh governed now they

1295

00:48:50,630 --> 00:48:48,480

they have a leverage over nancy pelosi

1296

00:48:51,910 --> 00:48:50,640

because she needs their votes just one

1297

00:48:53,910 --> 00:48:51,920

vote

1298

00:48:55,670 --> 00:48:53,920

can boycott her as the new speaker in

1299

00:48:58,230 --> 00:48:55,680

the house she's going to renew

1300

00:48:59,430 --> 00:48:58,240

although she promised to step down she's

1301
00:49:01,270 --> 00:48:59,440
up for re-election

1302
00:49:03,510 --> 00:49:01,280
and so they had leveraged for the first

1303
00:49:06,549 --> 00:49:03,520
time aoc and those people are leverage

1304
00:49:08,470 --> 00:49:06,559
and what do they do nothing

1305
00:49:09,670 --> 00:49:08,480
nothing nothing nothing nothing they

1306
00:49:12,390 --> 00:49:09,680
just no no

1307
00:49:12,950 --> 00:49:12,400
you saw that in election too they said

1308
00:49:14,790 --> 00:49:12,960
no no

1309
00:49:16,309 --> 00:49:14,800
support biden support biden he won't

1310
00:49:16,950 --> 00:49:16,319
give you anything you want but support

1311
00:49:18,630 --> 00:49:16,960
biden

1312
00:49:20,710 --> 00:49:18,640
and it's the same now they're so loyal

1313
00:49:24,230 --> 00:49:20,720

and jimmy dore is not pushing and saying

1314

00:49:26,950 --> 00:49:24,240

people if they don't withheld

1315

00:49:28,870 --> 00:49:26,960

do like the tea party did on the right

1316

00:49:29,670 --> 00:49:28,880

withhold their vote for nancy pelosi

1317

00:49:33,109 --> 00:49:29,680

until she

1318

00:49:37,109 --> 00:49:33,119

gives a floorboard to medicare for then

1319

00:49:39,990 --> 00:49:37,119

we they're all exposed as fake

1320

00:49:41,349 --> 00:49:40,000

populists and others and young turks

1321

00:49:43,990 --> 00:49:41,359

came out against it but

1322

00:49:45,589 --> 00:49:44,000

everybody is for it and that's the

1323

00:49:48,630 --> 00:49:45,599

positive thing alex

1324

00:49:51,190 --> 00:49:48,640

when you see sleepwalkers because i

1325

00:49:51,829 --> 00:49:51,200

i believe there's at least as many

1326

00:49:54,309 --> 00:49:51,839

stupid

1327

00:49:56,069 --> 00:49:54,319

people on the left on the american left

1328

00:49:58,630 --> 00:49:56,079

as or on the american right

1329

00:49:59,670 --> 00:49:58,640

if not more and when you see they

1330

00:50:02,309 --> 00:49:59,680

realize

1331

00:50:03,510 --> 00:50:02,319

that everybody is a part of the game the

1332

00:50:06,630 --> 00:50:03,520

young turks

1333

00:50:09,109 --> 00:50:06,640

aoc nancy pelosi it's

1334

00:50:09,829 --> 00:50:09,119

all uh it's either the establishment

1335

00:50:13,030 --> 00:50:09,839

itself

1336

00:50:15,750 --> 00:50:13,040

or they are controlled or blackmailed or

1337

00:50:16,710 --> 00:50:15,760

or seduced or pressured so now it's a

1338

00:50:18,870 --> 00:50:16,720

real

1339

00:50:20,470 --> 00:50:18,880

populist uprising going on on the left

1340

00:50:22,950 --> 00:50:20,480

and not just in america

1341

00:50:24,309 --> 00:50:22,960

in india right now there's 200 million

1342

00:50:26,870 --> 00:50:24,319

people in the world's

1343

00:50:27,829 --> 00:50:26,880

biggest general strike because when the

1344

00:50:30,150 --> 00:50:27,839

media is sold

1345

00:50:32,150 --> 00:50:30,160

when the politicians are on the take

1346

00:50:33,430 --> 00:50:32,160

when every institute democratic

1347

00:50:36,230 --> 00:50:33,440

institution

1348

00:50:38,309 --> 00:50:36,240

that we can use to implement the

1349

00:50:39,990 --> 00:50:38,319

beautiful ideals you are describing that

1350

00:50:42,069 --> 00:50:40,000

you share with everyone

1351
00:50:43,030 --> 00:50:42,079
no matter their paradigm or their

1352
00:50:46,150 --> 00:50:43,040
political

1353
00:50:49,510 --> 00:50:46,160
affiliation or whatever just freedom

1354
00:50:53,510 --> 00:50:49,520
basic prosperity happy harmony whatever

1355
00:50:57,270 --> 00:50:53,520
then people band together

1356
00:51:01,430 --> 00:50:57,280
like they do now and jimmy dore

1357
00:51:05,829 --> 00:51:01,440
is adding it and it's the majority

1358
00:51:07,829 --> 00:51:05,839
and they are now realizing it is a lie

1359
00:51:09,750 --> 00:51:07,839
and this can spill over to other areas

1360
00:51:10,870 --> 00:51:09,760
too but hold on a second because this is

1361
00:51:14,069 --> 00:51:10,880
going to be

1362
00:51:16,950 --> 00:51:14,079
this might be a major rift not really

1363
00:51:17,670 --> 00:51:16,960

but but just a a dividing point in this

1364

00:51:21,510 --> 00:51:17,680

discussion

1365

00:51:24,069 --> 00:51:21,520

because like to me i'm so surprised

1366

00:51:24,710 --> 00:51:24,079

that you would go with universal health

1367

00:51:27,190 --> 00:51:24,720

care

1368

00:51:27,829 --> 00:51:27,200

because i think from my read of that

1369

00:51:31,109 --> 00:51:27,839

from

1370

00:51:33,750 --> 00:51:31,119

where i sit in the alt alt community is

1371

00:51:35,270 --> 00:51:33,760

that whole movement has taken about five

1372

00:51:37,430 --> 00:51:35,280

steps back

1373

00:51:39,349 --> 00:51:37,440

because we're now facing a medical

1374

00:51:41,750 --> 00:51:39,359

tyranny that is unlike

1375

00:51:43,510 --> 00:51:41,760

anything we could have anticipated we

1376

00:51:47,190 --> 00:51:43,520

didn't think they would get to

1377

00:51:50,870 --> 00:51:47,200

this level of control with an all-out

1378

00:51:53,349 --> 00:51:50,880

fake medical uh oppression of people

1379

00:51:54,950 --> 00:51:53,359

for 20 years and they've accelerated in

1380

00:51:56,870 --> 00:51:54,960

the last year they have it

1381

00:51:58,950 --> 00:51:56,880

i mean vaccines are going to be

1382

00:52:01,030 --> 00:51:58,960

mandatory to some extent

1383

00:52:02,549 --> 00:52:01,040

whether it's you can't fly on a plane or

1384

00:52:05,990 --> 00:52:02,559

you can't go to the ball game

1385

00:52:06,390 --> 00:52:06,000

or whatever the heck it is vaccines will

1386

00:52:08,790 --> 00:52:06,400

be

1387

00:52:11,030 --> 00:52:08,800

uh mandatory and once we're to that

1388

00:52:13,750 --> 00:52:11,040

point there really is no

1389

00:52:14,470 --> 00:52:13,760

there really is no fallback so i don't

1390

00:52:18,069 --> 00:52:14,480

want to be

1391

00:52:21,030 --> 00:52:18,079

any part of that medical system

1392

00:52:22,390 --> 00:52:21,040

universal health care i i understand my

1393

00:52:24,309 --> 00:52:22,400

brothers and sisters who are

1394

00:52:26,069 --> 00:52:24,319

who are suffering but i would suggest

1395

00:52:26,630 --> 00:52:26,079

that they need to re-examine their life

1396

00:52:29,430 --> 00:52:26,640

and see

1397

00:52:32,470 --> 00:52:29,440

how they can more effectively withdraw

1398

00:52:35,589 --> 00:52:32,480

from the phony

1399

00:52:36,390 --> 00:52:35,599

and ineffective medical uh system that

1400

00:52:38,390 --> 00:52:36,400

we have i

1401
00:52:39,589 --> 00:52:38,400
i don't know why we want to move into

1402
00:52:42,790 --> 00:52:39,599
that or no

1403
00:52:46,069 --> 00:52:42,800
you misunderstand let me clarify

1404
00:52:49,109 --> 00:52:46,079
okay so i'm just talking about

1405
00:52:51,670 --> 00:52:49,119
financing health

1406
00:52:53,510 --> 00:52:51,680
uh that can be done many different ways

1407
00:52:55,109 --> 00:52:53,520
financially

1408
00:52:57,349 --> 00:52:55,119
you're but if you're talking about the

1409
00:52:59,670 --> 00:52:57,359
contents of the health apparatus

1410
00:53:02,150 --> 00:52:59,680
that's actually another debate and it's

1411
00:53:04,790 --> 00:53:02,160
not tied automatically to finances

1412
00:53:07,270 --> 00:53:04,800
because for example in uk

1413
00:53:08,390 --> 00:53:07,280

homeopathy can't separate them can't

1414

00:53:12,549 --> 00:53:08,400

yeah

1415

00:53:15,190 --> 00:53:12,559

i'll i'll prove it in uk you have

1416

00:53:16,630 --> 00:53:15,200

a homeopathy accepted as part of the

1417

00:53:18,870 --> 00:53:16,640

public healthcare

1418

00:53:20,870 --> 00:53:18,880

so it's free like at the point of

1419

00:53:23,270 --> 00:53:20,880

service like anything else

1420

00:53:24,390 --> 00:53:23,280

and that's because they have their own

1421

00:53:26,309 --> 00:53:24,400

debates

1422

00:53:27,430 --> 00:53:26,319

the problem with what you're pointing

1423

00:53:31,430 --> 00:53:27,440

out isn't

1424

00:53:34,710 --> 00:53:31,440

who's financing it the problem is

1425

00:53:37,990 --> 00:53:34,720

that big multinational corporations

1426
00:53:39,510 --> 00:53:38,000
pfizer monsanto everyone we we know who

1427
00:53:42,150 --> 00:53:39,520
they are

1428
00:53:43,190 --> 00:53:42,160
not only are they the same as the owners

1429
00:53:45,670 --> 00:53:43,200
as the

1430
00:53:46,230 --> 00:53:45,680
digital corporations and the military

1431
00:53:49,829 --> 00:53:46,240
industry

1432
00:53:50,710 --> 00:53:49,839
and media but also they are calling the

1433
00:53:53,829 --> 00:53:50,720
shots

1434
00:53:54,790 --> 00:53:53,839
so they don't want to give you universal

1435
00:53:57,589 --> 00:53:54,800
healthcare because

1436
00:53:58,710 --> 00:53:57,599
they want a price gouge every you have a

1437
00:54:00,630 --> 00:53:58,720
scam system

1438
00:54:03,510 --> 00:54:00,640

first off you have a needless middleman

1439

00:54:06,390 --> 00:54:03,520

a mafia the insurance companies

1440

00:54:07,430 --> 00:54:06,400

who exploit it and their interest is not

1441

00:54:08,950 --> 00:54:07,440

to pay out

1442

00:54:10,790 --> 00:54:08,960

so even when you have healthcare you

1443

00:54:13,270 --> 00:54:10,800

don't really have it as your experience

1444

00:54:15,510 --> 00:54:13,280

when it manifests but secondary

1445

00:54:16,950 --> 00:54:15,520

what do you want al what do you want out

1446

00:54:18,870 --> 00:54:16,960

of the health care system

1447

00:54:20,390 --> 00:54:18,880

i can you know if i fall into that and

1448

00:54:22,390 --> 00:54:20,400

break my arm

1449

00:54:24,150 --> 00:54:22,400

i want something hold on i want

1450

00:54:26,150 --> 00:54:24,160

something i want something from if i

1451

00:54:27,510 --> 00:54:26,160

fall down and break my arm break my leg

1452

00:54:28,230 --> 00:54:27,520

i want something from the health care

1453

00:54:30,309 --> 00:54:28,240

system

1454

00:54:31,750 --> 00:54:30,319

in all other situations i can't think of

1455

00:54:32,309 --> 00:54:31,760

anything i want from those [h__h]

1456

00:54:34,230 --> 00:54:32,319

people

1457

00:54:35,829 --> 00:54:34,240

i have a heart attack i'm not interested

1458

00:54:37,670 --> 00:54:35,839

i have a stroke not interested

1459

00:54:39,430 --> 00:54:37,680

i have cancer i'm certainly not

1460

00:54:41,750 --> 00:54:39,440

interested what the [h__h] do

1461

00:54:43,670 --> 00:54:41,760

i want from the [h__h] health care

1462

00:54:45,990 --> 00:54:43,680

system um

1463

00:54:47,910 --> 00:54:46,000

emergency triage if i have a cut if i

1464

00:54:50,390 --> 00:54:47,920

cut myself in the in the [h__h]

1465

00:54:51,430 --> 00:54:50,400

kitchen with a knife yeah i want them i

1466

00:54:54,470 --> 00:54:51,440

want to withdraw

1467

00:54:56,390 --> 00:54:54,480

90 [h__h] just because they uh yeah

1468

00:55:00,870 --> 00:54:56,400

they're gonna [h__h] placate the

1469

00:55:03,910 --> 00:55:00,880

the brits with their homie home op homie

1470

00:55:04,390 --> 00:55:03,920

whatever you know that's just fine it's

1471

00:55:07,750 --> 00:55:04,400

just

1472

00:55:09,829 --> 00:55:07,760

[h__h] i want to withdraw cut the

1473

00:55:11,990 --> 00:55:09,839

health care system by 90

1474

00:55:12,950 --> 00:55:12,000

but then i'm in you misunderstand man

1475

00:55:14,470 --> 00:55:12,960

and i'll

1476

00:55:16,549 --> 00:55:14,480

address your good points because i

1477

00:55:19,750 --> 00:55:16,559

understand your

1478

00:55:23,109 --> 00:55:19,760

protests but they are misplaced because

1479

00:55:26,390 --> 00:55:23,119

your concerns are not a problem

1480

00:55:27,109 --> 00:55:26,400

if you break your leg it's who's gonna

1481

00:55:29,670 --> 00:55:27,119

finance

1482

00:55:30,710 --> 00:55:29,680

the solution if you get cancer who's

1483

00:55:33,190 --> 00:55:30,720

gonna finance

1484

00:55:35,109 --> 00:55:33,200

the solution here's the point you're

1485

00:55:38,230 --> 00:55:35,119

saying you don't want to go to

1486

00:55:40,549 --> 00:55:38,240

aleopats to treat that that's fine

1487

00:55:41,990 --> 00:55:40,559

who says you the point is you're going

1488

00:55:44,630 --> 00:55:42,000

to have expenses

1489

00:55:46,789 --> 00:55:44,640

who's going to finance those expenses as

1490

00:55:49,990 --> 00:55:46,799

it now stands

1491

00:55:53,349 --> 00:55:50,000

in the whole world it's not

1492

00:55:55,349 --> 00:55:53,359

a profit it's not a commodity like i'm a

1493

00:55:55,589 --> 00:55:55,359

libertarian i think that you should have

1494

00:55:58,630 --> 00:55:55,599

an

1495

00:56:00,630 --> 00:55:58,640

open market place market

1496

00:56:02,710 --> 00:56:00,640

a town square kind of thing if you

1497

00:56:04,470 --> 00:56:02,720

invent something it belongs to you

1498

00:56:05,990 --> 00:56:04,480

internet was like this in the beginning

1499

00:56:07,990 --> 00:56:06,000

it was free

1500

00:56:10,470 --> 00:56:08,000

and that's how it should be but the

1501
00:56:11,990 --> 00:56:10,480
military should never be privatized to

1502
00:56:15,270 --> 00:56:12,000
corporations

1503
00:56:17,109 --> 00:56:15,280
and grown by them the police

1504
00:56:18,549 --> 00:56:17,119
and the prisons should but you have done

1505
00:56:19,750 --> 00:56:18,559
it with the prisons that's crazy and the

1506
00:56:21,510 --> 00:56:19,760
fire department

1507
00:56:24,549 --> 00:56:21,520
should not be run should not be a

1508
00:56:26,309 --> 00:56:24,559
business and the same with education and

1509
00:56:30,230 --> 00:56:26,319
the same with health

1510
00:56:32,549 --> 00:56:30,240
now does it mean that the state

1511
00:56:34,230 --> 00:56:32,559
or some special interest group or some

1512
00:56:36,470 --> 00:56:34,240
corporations are going to dictate the

1513
00:56:39,270 --> 00:56:36,480

philosophy of that health system no

1514

00:56:39,829 --> 00:56:39,280

because that's another matter and today

1515

00:56:42,470 --> 00:56:39,839

you don't

1516

00:56:44,630 --> 00:56:42,480

have a state-run health system and you

1517

00:56:46,549 --> 00:56:44,640

still have those people in power

1518

00:56:48,390 --> 00:56:46,559

and they are also very influential here

1519

00:56:50,230 --> 00:56:48,400

but less because

1520

00:56:52,789 --> 00:56:50,240

they can price coach medicines in

1521

00:56:54,549 --> 00:56:52,799

america like you can go to canada or

1522

00:56:56,390 --> 00:56:54,559

mexico and get it for one tenth of the

1523

00:56:56,950 --> 00:56:56,400

price because there's not a competition

1524

00:57:00,069 --> 00:56:56,960

there

1525

00:57:02,150 --> 00:57:00,079

about it here in norway

1526
00:57:03,109 --> 00:57:02,160
nobody has an interest in keeping me

1527
00:57:06,150 --> 00:57:03,119
sick

1528
00:57:08,069 --> 00:57:06,160
or or refraining me from getting health

1529
00:57:09,510 --> 00:57:08,079
care because of the insurance but in

1530
00:57:11,190 --> 00:57:09,520
america there's so many

1531
00:57:13,109 --> 00:57:11,200
poisonous incentives there's so much

1532
00:57:15,190 --> 00:57:13,119
criminality in the system

1533
00:57:16,950 --> 00:57:15,200
that they have taken over the state so

1534
00:57:20,630 --> 00:57:16,960
the fdr

1535
00:57:22,630 --> 00:57:20,640
uh food and drug is completely corrupt

1536
00:57:24,950 --> 00:57:22,640
and they are all influenced by the

1537
00:57:27,270 --> 00:57:24,960
multinational corporation and when they

1538
00:57:28,630 --> 00:57:27,280

those people become politicians they

1539

00:57:29,829 --> 00:57:28,640

influence politicians and those

1540

00:57:31,910 --> 00:57:29,839

politicians

1541

00:57:33,589 --> 00:57:31,920

work in those companies so it's a

1542

00:57:35,670 --> 00:57:33,599

revolving door it's

1543

00:57:36,870 --> 00:57:35,680

so there's a special interest have taken

1544

00:57:39,430 --> 00:57:36,880

over it's not about who

1545

00:57:40,549 --> 00:57:39,440

finances it and you can have a system

1546

00:57:43,430 --> 00:57:40,559

where you have

1547

00:57:45,349 --> 00:57:43,440

insurance this is the right-wing system

1548

00:57:47,349 --> 00:57:45,359

you you have private insurance but it's

1549

00:57:48,150 --> 00:57:47,359

a real competition among the insurance

1550

00:57:51,430 --> 00:57:48,160

companies

1551
00:57:52,870 --> 00:57:51,440
it's not like now rigged and those who

1552
00:57:54,309 --> 00:57:52,880
can't afford it

1553
00:57:55,589 --> 00:57:54,319
it's not it's not going to be tied to

1554
00:57:57,670 --> 00:57:55,599
your job by the way it's just going to

1555
00:57:59,910 --> 00:57:57,680
be tied to you what you pay

1556
00:58:00,870 --> 00:57:59,920
and what and the jobs and al i go back

1557
00:58:03,510 --> 00:58:00,880
to my question

1558
00:58:04,390 --> 00:58:03,520
what do you want out of the health care

1559
00:58:07,109 --> 00:58:04,400
system

1560
00:58:07,990 --> 00:58:07,119
i don't want i the what i want is so

1561
00:58:10,390 --> 00:58:08,000
minuscule

1562
00:58:12,549 --> 00:58:10,400
that we don't need to jump through all

1563
00:58:13,030 --> 00:58:12,559

these gyrations what are you worried

1564

00:58:16,309 --> 00:58:13,040

about

1565

00:58:17,030 --> 00:58:16,319

cancer treatment or i mean what are you

1566

00:58:20,789 --> 00:58:17,040

worried about

1567

00:58:21,270 --> 00:58:20,799

things like so i don't have any interest

1568

00:58:23,670 --> 00:58:21,280

in it

1569

00:58:24,309 --> 00:58:23,680

so yeah it's corrupt it's completely

1570

00:58:25,910 --> 00:58:24,319

corrupt

1571

00:58:27,670 --> 00:58:25,920

it's come from its core but it's

1572

00:58:30,309 --> 00:58:27,680

philosophically it's it's

1573

00:58:31,750 --> 00:58:30,319

it's not even based in reality so i

1574

00:58:33,430 --> 00:58:31,760

don't know why what you what you're

1575

00:58:33,990 --> 00:58:33,440

fighting for so back to the personal

1576

00:58:35,510 --> 00:58:34,000

question

1577

00:58:37,030 --> 00:58:35,520

what do you want what are you afraid of

1578

00:58:39,109 --> 00:58:37,040

that you're going to need to buy from

1579

00:58:42,230 --> 00:58:39,119

those phony baloney

1580

00:58:44,309 --> 00:58:42,240

health peddlers no uh i i

1581

00:58:46,789 --> 00:58:44,319

i mean nothing would change today i have

1582

00:58:49,750 --> 00:58:46,799

full freedom i only use the health

1583

00:58:51,510 --> 00:58:49,760

options i prefer okay and that's

1584

00:58:52,470 --> 00:58:51,520

probably because i haven't had any

1585

00:58:54,630 --> 00:58:52,480

serious health

1586

00:58:55,510 --> 00:58:54,640

incidents but if i get cancer for

1587

00:58:59,190 --> 00:58:55,520

example

1588

00:59:02,710 --> 00:58:59,200

i'm gonna go i'm not gonna take um

1589

00:59:05,829 --> 00:59:02,720

you know the radiation therapy but

1590

00:59:07,589 --> 00:59:05,839

i'm so lucky right i can choose because

1591

00:59:11,589 --> 00:59:07,599

i don't have to pay for this stuff

1592

00:59:15,349 --> 00:59:11,599

if you come visit me as a foreigner and

1593

00:59:17,670 --> 00:59:15,359

you are run over by a car

1594

00:59:18,789 --> 00:59:17,680

then you get free health care if you

1595

00:59:21,030 --> 00:59:18,799

come here

1596

00:59:22,549 --> 00:59:21,040

visit me as a foreigner and something

1597

00:59:24,710 --> 00:59:22,559

more serious happens

1598

00:59:26,549 --> 00:59:24,720

you get a long-term disease you get you

1599

00:59:29,430 --> 00:59:26,559

get treated for free here

1600

00:59:30,950 --> 00:59:29,440

so i don't have to worry about that so

1601
00:59:32,710 --> 00:59:30,960
there's a misconception that people in

1602
00:59:33,829 --> 00:59:32,720
europe have about the medical system in

1603
00:59:36,069 --> 00:59:33,839
the united states

1604
00:59:37,349 --> 00:59:36,079
it's it's not the it's not like that

1605
00:59:39,349 --> 00:59:37,359
it's not like if you go

1606
00:59:40,549 --> 00:59:39,359
if you go get admitted to the hospital

1607
00:59:42,069 --> 00:59:40,559
they turn you away

1608
00:59:43,589 --> 00:59:42,079
because you got in a car accident you

1609
00:59:45,510 --> 00:59:43,599
don't have insurance that's

1610
00:59:46,950 --> 00:59:45,520
that's just not the case and the way

1611
00:59:48,390 --> 00:59:46,960
that it always is you know because

1612
00:59:50,230 --> 00:59:48,400
you're talking about like

1613
00:59:52,470 --> 00:59:50,240

on a different level i don't know how

1614

00:59:53,670 --> 00:59:52,480

you process that inside of the medical

1615

00:59:54,309 --> 00:59:53,680

tyranny where they're going to make

1616

00:59:57,589 --> 00:59:54,319

people

1617

00:59:59,670 --> 00:59:57,599

uh take vaccines that are just

1618

01:00:01,829 --> 00:59:59,680

we don't know what the hell they are

1619

01:00:04,470 --> 01:00:01,839

because we don't know what the virus is

1620

01:00:06,230 --> 01:00:04,480

you know back if we rewind this all the

1621

01:00:07,750 --> 01:00:06,240

way back to your covert interviews

1622

01:00:09,750 --> 01:00:07,760

the great thing about your covert

1623

01:00:12,549 --> 01:00:09,760

interviews is at the very beginning

1624

01:00:13,750 --> 01:00:12,559

you identified this thing as if not a

1625

01:00:17,190 --> 01:00:13,760

bio weapon

1626

01:00:19,270 --> 01:00:17,200

certainly in engineered a a

1627

01:00:20,950 --> 01:00:19,280

virus and i think that's such an

1628

01:00:23,270 --> 01:00:20,960

important foundational

1629

01:00:25,270 --> 01:00:23,280

fundamental piece to have in place

1630

01:00:26,150 --> 01:00:25,280

because we can trace through my shows

1631

01:00:28,630 --> 01:00:26,160

over the year

1632

01:00:29,670 --> 01:00:28,640

over this last year but that became a

1633

01:00:31,510 --> 01:00:29,680

real hot issue

1634

01:00:33,670 --> 01:00:31,520

i interviewed david ike and he came on

1635

01:00:35,430 --> 01:00:33,680

and said there is no virus and i love

1636

01:00:37,670 --> 01:00:35,440

david ike to to death

1637

01:00:38,470 --> 01:00:37,680

but i i said david surely you don't

1638

01:00:41,109 --> 01:00:38,480

believe

1639

01:00:42,230 --> 01:00:41,119

that they have not isolated the virus

1640

01:00:45,589 --> 01:00:42,240

but this has become

1641

01:00:47,510 --> 01:00:45,599

a hot issue in the alt-fault community

1642

01:00:49,990 --> 01:00:47,520

and it shouldn't be it's flat earth

1643

01:00:52,470 --> 01:00:50,000

science and then when you exposed

1644

01:00:53,750 --> 01:00:52,480

with again your george webb thing was

1645

01:00:55,190 --> 01:00:53,760

phenomenal because there's an

1646

01:00:57,829 --> 01:00:55,200

investigative reporter

1647

01:00:59,190 --> 01:00:57,839

who starts at that point and then gets

1648

01:01:01,589 --> 01:00:59,200

back to your thing of

1649

01:01:04,069 --> 01:01:01,599

the pandemic you know it's like are they

1650

01:01:07,109 --> 01:01:04,079

just taking advantage of

1651

01:01:08,950 --> 01:01:07,119

uh capitalizing on an opportunity

1652

01:01:10,549 --> 01:01:08,960

implementing accelerating their plan

1653

01:01:14,150 --> 01:01:10,559

that they already had in place

1654

01:01:16,230 --> 01:01:14,160

or is it even more of a of a planned

1655

01:01:18,710 --> 01:01:16,240

orchestrated event

1656

01:01:20,069 --> 01:01:18,720

but i'll take all that that i just laid

1657

01:01:23,430 --> 01:01:20,079

out and i'll say

1658

01:01:24,069 --> 01:01:23,440

now please step back and tell me how you

1659

01:01:26,950 --> 01:01:24,079

pack that

1660

01:01:29,030 --> 01:01:26,960

back into how you could ever trust a

1661

01:01:31,109 --> 01:01:29,040

health care system that has put us

1662

01:01:32,230 --> 01:01:31,119

in this position how you could ever

1663

01:01:34,470 --> 01:01:32,240

trust them or

1664

01:01:36,309 --> 01:01:34,480

have any kind of a soap box to talk

1665

01:01:40,069 --> 01:01:36,319

about universal health care

1666

01:01:42,390 --> 01:01:40,079

[h__\h] that let me out of it

1667

01:01:44,390 --> 01:01:42,400

yeah well uh i don't see the relevance

1668

01:01:46,390 --> 01:01:44,400

between how you finance health care

1669

01:01:47,829 --> 01:01:46,400

and the corruption you're pointing out

1670

01:01:49,829 --> 01:01:47,839

in the

1671

01:01:51,430 --> 01:01:49,839

not just the healthcare system but among

1672

01:01:53,990 --> 01:01:51,440

it's an ideological

1673

01:01:55,990 --> 01:01:54,000

collusion basically and it's it's the

1674

01:01:57,829 --> 01:01:56,000

oligarchs who's behind it but

1675

01:01:59,670 --> 01:01:57,839

what what on earth does that have to

1676

01:02:01,029 --> 01:01:59,680

look if they want to force vaccines it's

1677

01:02:02,470 --> 01:02:01,039

going to happen in america where they

1678

01:02:03,910 --> 01:02:02,480

don't have universal health care and

1679

01:02:05,670 --> 01:02:03,920

it's going to happen in norway where we

1680

01:02:07,750 --> 01:02:05,680

have universal healthcare it's nothing

1681

01:02:09,910 --> 01:02:07,760

to do with how you finance it

1682

01:02:10,870 --> 01:02:09,920

so who gives a [h__h] about universal

1683

01:02:13,349 --> 01:02:10,880

healthcare

1684

01:02:15,670 --> 01:02:13,359

who the [h__h] cares how you get there

1685

01:02:17,029 --> 01:02:15,680

whether the public is financing 80

1686

01:02:20,069 --> 01:02:17,039

of it over here and the public is

1687

01:02:21,589 --> 01:02:20,079

financing 100 of it over there i i

1688

01:02:23,829 --> 01:02:21,599

know i understand where you want to take

1689

01:02:25,670 --> 01:02:23,839

it so i'm going to address that okay i'm

1690

01:02:26,789 --> 01:02:25,680

going to go to the vaccines but i have

1691

01:02:30,309 --> 01:02:26,799

to

1692

01:02:33,349 --> 01:02:30,319

uh

1693

01:02:35,190 --> 01:02:33,359

you know open your curtains

1694

01:02:36,390 --> 01:02:35,200

a little and show you some reality

1695

01:02:38,710 --> 01:02:36,400

you're not seeing

1696

01:02:40,390 --> 01:02:38,720

because what's happening now because of

1697

01:02:43,029 --> 01:02:40,400

the pandemic is that

1698

01:02:45,510 --> 01:02:43,039

not just individual jobs are lost

1699

01:02:46,630 --> 01:02:45,520

industries are destroyed

1700

01:02:49,029 --> 01:02:46,640

and it's not just that they are

1701
01:02:50,710 --> 01:02:49,039
destroyed they are destroyed by other

1702
01:02:54,150 --> 01:02:50,720
industries deliberately

1703
01:02:57,270 --> 01:02:54,160
for example the tech industry goes from

1704
01:03:00,309 --> 01:02:57,280
100 to a thousand

1705
01:03:02,390 --> 01:03:00,319
whereas for example the whole

1706
01:03:05,829 --> 01:03:02,400
hospitality industry

1707
01:03:08,950 --> 01:03:05,839
the whole travel industry

1708
01:03:11,990 --> 01:03:08,960
almost all small jobs personal

1709
01:03:13,990 --> 01:03:12,000
businesses like you started out

1710
01:03:15,750 --> 01:03:14,000
all of them are being destroyed not

1711
01:03:16,630 --> 01:03:15,760
because of their incompetence or

1712
01:03:19,990 --> 01:03:16,640
something they did

1713
01:03:21,349 --> 01:03:20,000

or whatever it's enforced upon them

1714

01:03:23,349 --> 01:03:21,359

no matter if you have universal

1715

01:03:24,710 --> 01:03:23,359

healthcare totally right has nothing to

1716

01:03:28,390 --> 01:03:24,720

do with health care

1717

01:03:31,990 --> 01:03:28,400

we sort this the result is that

1718

01:03:33,829 --> 01:03:32,000

all those people are without health care

1719

01:03:36,710 --> 01:03:33,839

because it's tied to their jobs not in

1720

01:03:39,829 --> 01:03:36,720

europa because they bought us

1721

01:03:42,589 --> 01:03:39,839

here as my friend don't you see the air

1722

01:03:44,870 --> 01:03:42,599

in your logic you've bought into this

1723

01:03:45,670 --> 01:03:44,880

fear-mongering that you've bought into

1724

01:03:47,990 --> 01:03:45,680

this idea

1725

01:03:49,990 --> 01:03:48,000

you've leaped from a couple of important

1726

01:03:52,950 --> 01:03:50,000

facts you've leaped from the facts

1727

01:03:55,109 --> 01:03:52,960

that yes they've destroyed all the all

1728

01:03:57,270 --> 01:03:55,119

the jobs that you could potentially have

1729

01:03:58,150 --> 01:03:57,280

so that they can con completely control

1730

01:04:00,789 --> 01:03:58,160

your life

1731

01:04:02,870 --> 01:04:00,799

but then you've been sold on this idea

1732

01:04:05,349 --> 01:04:02,880

that what they need to replace that with

1733

01:04:06,150 --> 01:04:05,359

is healthcare and i'm saying healthcare

1734

01:04:08,789 --> 01:04:06,160

is the biggest

1735

01:04:09,349 --> 01:04:08,799

fear-mongering [h__\h] system in the

1736

01:04:11,670 --> 01:04:09,359

world

1737

01:04:13,430 --> 01:04:11,680

you can't destroy entire lines of

1738

01:04:13,910 --> 01:04:13,440

businesses and replace it with health

1739

01:04:15,589 --> 01:04:13,920

care

1740

01:04:18,069 --> 01:04:15,599

first of people need money before they

1741

01:04:19,349 --> 01:04:18,079

need help health is like a secondary

1742

01:04:21,430 --> 01:04:19,359

concern i was talking about the

1743

01:04:22,870 --> 01:04:21,440

hierarchy of needs and that's what

1744

01:04:25,109 --> 01:04:22,880

they're doing now they're removing

1745

01:04:26,630 --> 01:04:25,119

people's primary and secondary needs and

1746

01:04:29,270 --> 01:04:26,640

people are going to fight to get

1747

01:04:31,029 --> 01:04:29,280

that back now the freedom aspect may get

1748

01:04:34,069 --> 01:04:31,039

lost in it i agree with you

1749

01:04:35,990 --> 01:04:34,079

if you get the tyranny of

1750

01:04:37,589 --> 01:04:36,000

big pharma which we already have by the

1751

01:04:40,230 --> 01:04:37,599

way but they are getting stronger

1752

01:04:41,589 --> 01:04:40,240

in this process we have to fight that

1753

01:04:43,109 --> 01:04:41,599

but that's not

1754

01:04:44,630 --> 01:04:43,119

that does nothing look we have to get

1755

01:04:48,630 --> 01:04:44,640

the jobs back

1756

01:04:51,029 --> 01:04:48,640

freedom is what we have to fight for and

1757

01:04:52,150 --> 01:04:51,039

so what's happening now is that the big

1758

01:04:54,309 --> 01:04:52,160

corporations are

1759

01:04:56,390 --> 01:04:54,319

taking those jobs i i think i said to

1760

01:04:58,150 --> 01:04:56,400

you in one of our conversations

1761

01:05:00,150 --> 01:04:58,160

if it wasn't to you i should have said

1762

01:05:01,029 --> 01:05:00,160

it because i've said it to others and

1763

01:05:03,910 --> 01:05:01,039

that's that

1764

01:05:05,270 --> 01:05:03,920

i fear that especially in america more

1765

01:05:06,870 --> 01:05:05,280

and more people are working for the

1766

01:05:09,589 --> 01:05:06,880

corporations

1767

01:05:11,910 --> 01:05:09,599

because then they will support hypocrisy

1768

01:05:14,789 --> 01:05:11,920

because they are dependent upon them

1769

01:05:15,829 --> 01:05:14,799

i'd much rather have a libertarian

1770

01:05:18,710 --> 01:05:15,839

society where

1771

01:05:20,789 --> 01:05:18,720

small businesses are thriving and not

1772

01:05:22,069 --> 01:05:20,799

the big corporations but the state has a

1773

01:05:23,829 --> 01:05:22,079

role in this because

1774

01:05:25,990 --> 01:05:23,839

today the state is in bed with the big

1775

01:05:29,190 --> 01:05:26,000

corporations i'm saying

1776

01:05:32,549 --> 01:05:29,200

give the bed give the state

1777

01:05:35,670 --> 01:05:32,559

the bed of the public people

1778

01:05:37,750 --> 01:05:35,680

so we can you know it's from the bottom

1779

01:05:39,270 --> 01:05:37,760

wealth is created it's their innovation

1780

01:05:42,789 --> 01:05:39,280

happens the corporations

1781

01:05:44,789 --> 01:05:42,799

are parasites they can uh

1782

01:05:46,789 --> 01:05:44,799

destroy other businesses they can take

1783

01:05:47,430 --> 01:05:46,799

over hostile they can buy them up they

1784

01:05:49,750 --> 01:05:47,440

can

1785

01:05:50,870 --> 01:05:49,760

do everything they undermine them with

1786

01:05:52,630 --> 01:05:50,880

prices etc

1787

01:05:54,390 --> 01:05:52,640

but they can never create they can never

1788

01:05:56,789 --> 01:05:54,400

contribute they can never

1789

01:05:58,630 --> 01:05:56,799

always when somebody do that it's being

1790

01:06:02,390 --> 01:05:58,640

swapped up by the bigger ones

1791

01:06:04,150 --> 01:06:02,400

so i think you conflate the idea

1792

01:06:05,510 --> 01:06:04,160

of having the freedom of not worrying

1793

01:06:09,349 --> 01:06:05,520

about your health

1794

01:06:12,630 --> 01:06:09,359

with being in some kind of

1795

01:06:14,950 --> 01:06:12,640

fascist structure where

1796

01:06:16,390 --> 01:06:14,960

as allopathy is shoveled down your

1797

01:06:18,870 --> 01:06:16,400

throat

1798

01:06:20,069 --> 01:06:18,880

those are two different things we agree

1799

01:06:23,349 --> 01:06:20,079

that that's bad

1800

01:06:24,630 --> 01:06:23,359

and we can avoid that no matter if we

1801
01:06:26,950 --> 01:06:24,640
finance it

1802
01:06:28,710 --> 01:06:26,960
like we do in the whole world or if we

1803
01:06:31,190 --> 01:06:28,720
finance it like in nigeria

1804
01:06:32,309 --> 01:06:31,200
and usa because it's happening both

1805
01:06:38,630 --> 01:06:32,319
places

1806
01:06:41,430 --> 01:06:38,640
so yeah sign me up for fighting for more

1807
01:06:44,470 --> 01:06:41,440
sunlight more personal exercise etc

1808
01:06:45,990 --> 01:06:44,480
but the thing is people who don't have a

1809
01:06:50,549 --> 01:06:46,000
home now or a job now

1810
01:06:53,270 --> 01:06:50,559
or any income now they need something

1811
01:06:55,270 --> 01:06:53,280
and while we are waiting for that

1812
01:06:56,950 --> 01:06:55,280
solution to be implemented they need to

1813
01:06:59,589 --> 01:06:56,960

survive

1814

01:07:01,670 --> 01:06:59,599

and if we were beginning from scratch it

1815

01:07:04,309 --> 01:07:01,680

would be so easy then we could design

1816

01:07:05,109 --> 01:07:04,319

like a ron paul paradise right like uh

1817

01:07:06,630 --> 01:07:05,119

go back a

1818

01:07:08,950 --> 01:07:06,640

couple of hundred years not in terms of

1819

01:07:12,069 --> 01:07:08,960

technology but in terms of

1820

01:07:15,029 --> 01:07:12,079

personal freedom but we're not there

1821

01:07:16,630 --> 01:07:15,039

we're at the we are at uh it's dramatic

1822

01:07:18,549 --> 01:07:16,640

energies going on man and

1823

01:07:20,309 --> 01:07:18,559

and to tie that callback to what we

1824

01:07:22,470 --> 01:07:20,319

begin with the whole year

1825

01:07:24,390 --> 01:07:22,480

will be a year of change and we better

1826

01:07:26,069 --> 01:07:24,400

keep our tongue straight in our mouth

1827

01:07:27,990 --> 01:07:26,079

you better try to keep a clear

1828

01:07:30,789 --> 01:07:28,000

perspective because

1829

01:07:31,190 --> 01:07:30,799

we know who will cease upon this chaos

1830

01:07:33,589 --> 01:07:31,200

that's

1831

01:07:35,910 --> 01:07:33,599

the bad guys that we all agree about and

1832

01:07:37,750 --> 01:07:35,920

i'm telling you everybody agrees alex

1833

01:07:38,390 --> 01:07:37,760

the sleepwalkers too it's just that they

1834

01:07:39,990 --> 01:07:38,400

think

1835

01:07:42,470 --> 01:07:40,000

they don't know where the bad things are

1836

01:07:44,950 --> 01:07:42,480

coming from so they are tricked

1837

01:07:45,750 --> 01:07:44,960

into supporting you know they're taking

1838

01:07:48,230 --> 01:07:45,760

their

1839

01:07:48,870 --> 01:07:48,240

as a salvation they are going to take

1840

01:07:52,150 --> 01:07:48,880

their

1841

01:07:54,390 --> 01:07:52,160

the doom that's how it is so but

1842

01:07:55,589 --> 01:07:54,400

if you can point them to solutions to

1843

01:07:57,589 --> 01:07:55,599

what they want

1844

01:07:59,109 --> 01:07:57,599

like you said earlier in the show all

1845

01:08:01,589 --> 01:07:59,119

you want for society

1846

01:08:03,109 --> 01:08:01,599

everybody can support it but they don't

1847

01:08:06,630 --> 01:08:03,119

understand

1848

01:08:09,029 --> 01:08:06,640

which solution where it's coming from so

1849

01:08:11,349 --> 01:08:09,039

in crisis like this you can get people

1850

01:08:13,190 --> 01:08:11,359

to revolt against the powers that be

1851
01:08:15,430 --> 01:08:13,200
they're doing it on the goddamn left the

1852
01:08:17,590 --> 01:08:15,440
left who is so loyal to authority

1853
01:08:19,669 --> 01:08:17,600
who has been buying into reversal gate

1854
01:08:20,630 --> 01:08:19,679
history all this time even those people

1855
01:08:24,550 --> 01:08:20,640
are waking up

1856
01:08:27,269 --> 01:08:24,560
in the populist left they woke up before

1857
01:08:28,470 --> 01:08:27,279
right you because you're not looking

1858
01:08:30,070 --> 01:08:28,480
enough

1859
01:08:31,510 --> 01:08:30,080
but but you're just talking about on one

1860
01:08:34,789 --> 01:08:31,520
narrow issue that i think they're

1861
01:08:36,550 --> 01:08:34,799
sideways on anyway i think the whole

1862
01:08:38,149 --> 01:08:36,560
you know we've spent an hour now we've

1863
01:08:40,669 --> 01:08:38,159

spent all our time

1864

01:08:42,070 --> 01:08:40,679

talking about an issue that is such a

1865

01:08:44,070 --> 01:08:42,080

non-issue

1866

01:08:45,590 --> 01:08:44,080

because again you know you say that i'm

1867

01:08:46,789 --> 01:08:45,600

conflating things the thing i think

1868

01:08:50,829 --> 01:08:46,799

you're conflating

1869

01:08:53,590 --> 01:08:50,839

is our our modern medical

1870

01:08:53,990 --> 01:08:53,600

establishment you're conflating that

1871

01:08:56,149 --> 01:08:54,000

with

1872

01:08:58,390 --> 01:08:56,159

health and you know you want to talk

1873

01:09:01,669 --> 01:08:58,400

about correlation and causation

1874

01:09:02,630 --> 01:09:01,679

no [h__h] way you'd have to make that

1875

01:09:05,669 --> 01:09:02,640

case for me

1876

01:09:08,470 --> 01:09:05,679

over and over again you know my personal

1877

01:09:09,590 --> 01:09:08,480

experience with this a few years ago i

1878

01:09:11,189 --> 01:09:09,600

went because i had a

1879

01:09:12,950 --> 01:09:11,199

heart condition you know something wrong

1880

01:09:14,630 --> 01:09:12,960

with my heart so i went i went through

1881

01:09:15,269 --> 01:09:14,640

the whole gamut i went through the

1882

01:09:18,709 --> 01:09:15,279

medical

1883

01:09:21,829 --> 01:09:18,719

complementary

1884

01:09:22,550 --> 01:09:21,839

medical here in in san diego they're

1885

01:09:26,149 --> 01:09:22,560

just

1886

01:09:28,470 --> 01:09:26,159

full of [h__\h] and the the only thing that

1887

01:09:30,309 --> 01:09:28,480

we have now and people realize this

1888

01:09:32,229 --> 01:09:30,319

is the only thing we have that improves

1889

01:09:35,269 --> 01:09:32,239

it is we have

1890

01:09:38,229 --> 01:09:35,279

more sources of information so it's not

1891

01:09:40,550 --> 01:09:38,239

that everyone is full of [h__h] it's just

1892

01:09:43,349 --> 01:09:40,560

in order to find the people who are not

1893

01:09:45,749 --> 01:09:43,359

full of [h__h] you know i had to go do my

1894

01:09:48,870 --> 01:09:45,759

own research i had to go find

1895

01:09:50,829 --> 01:09:48,880

the research that in in italy from some

1896

01:09:53,349 --> 01:09:50,839

doctors who were doing some very

1897

01:09:54,950 --> 01:09:53,359

unconventional stuff and then i had to

1898

01:09:56,870 --> 01:09:54,960

bring it to my [h__h]

1899

01:09:58,870 --> 01:09:56,880

health care provider and they still [h__h]

1900

01:10:00,870 --> 01:09:58,880

all over it and said you know

1901
01:10:02,550 --> 01:10:00,880
you're ridiculous unless you take these

1902
01:10:03,990 --> 01:10:02,560
black box medicines you know

1903
01:10:05,750 --> 01:10:04,000
what are your wife what's your wife

1904
01:10:07,270 --> 01:10:05,760
gonna say when they haul you off

1905
01:10:09,189 --> 01:10:07,280
and i had to tell those people to [h__h]

1906
01:10:11,669 --> 01:10:09,199
off and i had to go do it myself

1907
01:10:12,630 --> 01:10:11,679
my experience is not different my

1908
01:10:15,669 --> 01:10:12,640
experience is

1909
01:10:16,709 --> 01:10:15,679
everybody's [h__h] experience if you go

1910
01:10:19,750 --> 01:10:16,719
in there if you

1911
01:10:22,790 --> 01:10:19,760
expect the health care system

1912
01:10:24,870 --> 01:10:22,800
to provide you health you're sunk

1913
01:10:27,270 --> 01:10:24,880

you're sunk from the beginning primary

1914

01:10:29,110 --> 01:10:27,280

needs it's more slow hierarchy of needs

1915

01:10:30,950 --> 01:10:29,120

when you don't have money you don't have

1916

01:10:32,550 --> 01:10:30,960

job maybe you don't have family maybe

1917

01:10:34,390 --> 01:10:32,560

you are

1918

01:10:35,750 --> 01:10:34,400

sick because you probably are sick if

1919

01:10:38,870 --> 01:10:35,760

you live in a city

1920

01:10:42,550 --> 01:10:38,880

big city and or a cog in the system

1921

01:10:44,310 --> 01:10:42,560

those people are uh at the brinkman and

1922

01:10:47,350 --> 01:10:44,320

when that happens you can reach them

1923

01:10:49,270 --> 01:10:47,360

with better values and i just used

1924

01:10:51,270 --> 01:10:49,280

medicare for all as an example that

1925

01:10:51,910 --> 01:10:51,280

wasn't i didn't even intend to discuss

1926

01:10:54,709 --> 01:10:51,920

it with you

1927

01:10:56,630 --> 01:10:54,719

i just said the fact that they are now

1928

01:10:57,110 --> 01:10:56,640

realizing that everybody is lying to

1929

01:10:59,189 --> 01:10:57,120

them

1930

01:11:00,390 --> 01:10:59,199

that they are now fighting like a tea

1931

01:11:03,030 --> 01:11:00,400

like the tea party

1932

01:11:03,990 --> 01:11:03,040

it's a movement they're all their own uh

1933

01:11:05,910 --> 01:11:04,000

masters

1934

01:11:07,189 --> 01:11:05,920

yes it's for this issue it could be for

1935

01:11:10,470 --> 01:11:07,199

any other issue

1936

01:11:12,550 --> 01:11:10,480

for example ubi or for example against

1937

01:11:15,030 --> 01:11:12,560

hang on in india in india they are

1938

01:11:17,990 --> 01:11:15,040

demonstrating against the lockdowns

1939

01:11:19,750 --> 01:11:18,000

i mean general strike in paris there are

1940

01:11:20,790 --> 01:11:19,760

hundreds of thousands on the streets

1941

01:11:22,950 --> 01:11:20,800

mainstream media

1942

01:11:24,870 --> 01:11:22,960

is censoring this in london there's

1943

01:11:26,550 --> 01:11:24,880

hundreds of thousands on the street

1944

01:11:28,390 --> 01:11:26,560

and it's not just one thing they are

1945

01:11:28,709 --> 01:11:28,400

fighting for but the main thing is they

1946

01:11:30,630 --> 01:11:28,719

look

1947

01:11:32,950 --> 01:11:30,640

down they're against the lockdown this

1948

01:11:34,470 --> 01:11:32,960

means citizens are rising up some

1949

01:11:36,630 --> 01:11:34,480

because they want healthcare some

1950

01:11:38,310 --> 01:11:36,640

because they want the freedom to move

1951

01:11:39,270 --> 01:11:38,320

about some because they are fighting for

1952

01:11:40,950 --> 01:11:39,280

their jobs

1953

01:11:43,030 --> 01:11:40,960

they don't want the corporate takeover

1954

01:11:45,590 --> 01:11:43,040

because everybody sees what's going on

1955

01:11:46,390 --> 01:11:45,600

that's my point it's an awakening not to

1956

01:11:48,630 --> 01:11:46,400

ev look

1957

01:11:50,310 --> 01:11:48,640

you want them to come all the way to the

1958

01:11:52,630 --> 01:11:50,320

thrones where you and me are sitting and

1959

01:11:55,830 --> 01:11:52,640

judging these plans right

1960

01:11:58,950 --> 01:11:55,840

like two lords you want them to you join

1961

01:12:00,149 --> 01:11:58,960

our luxury philosophical yes they can do

1962

01:12:02,630 --> 01:12:00,159

that eventually

1963

01:12:04,470 --> 01:12:02,640

if they can get the basic rigging and

1964

01:12:07,510 --> 01:12:04,480

controlling and tyranny

1965

01:12:07,990 --> 01:12:07,520

uh over overthrown and and make no

1966

01:12:10,709 --> 01:12:08,000

mistake

1967

01:12:12,790 --> 01:12:10,719

about it there's much more people

1968

01:12:15,350 --> 01:12:12,800

realizing what's going on

1969

01:12:15,990 --> 01:12:15,360

in terms of pandemic and and virus and

1970

01:12:19,110 --> 01:12:16,000

all that

1971

01:12:22,550 --> 01:12:19,120

because they're gambling when they

1972

01:12:24,870 --> 01:12:22,560

pull so dramatic uh things

1973

01:12:25,750 --> 01:12:24,880

that makes ordinary people uncertain and

1974

01:12:27,750 --> 01:12:25,760

afraid

1975

01:12:28,870 --> 01:12:27,760

they're shaking their paradigm so much

1976

01:12:32,229 --> 01:12:28,880

that they're they are

1977

01:12:33,350 --> 01:12:32,239

receptive to different to new things

1978

01:12:35,510 --> 01:12:33,360

that they want i agree

1979

01:12:37,189 --> 01:12:35,520

so so let me have a shot at this let me

1980

01:12:39,030 --> 01:12:37,199

have a shot at this because i agree with

1981

01:12:40,709 --> 01:12:39,040

that last part i believe that this is an

1982

01:12:41,270 --> 01:12:40,719

interesting discussion to have and that

1983

01:12:43,590 --> 01:12:41,280

is

1984

01:12:44,950 --> 01:12:43,600

are they over playing their hand which

1985

01:12:46,149 --> 01:12:44,960

is the expression i don't know if that

1986

01:12:48,550 --> 01:12:46,159

translates over

1987

01:12:49,189 --> 01:12:48,560

in norwegian but like if you play poker

1988

01:12:50,870 --> 01:12:49,199

and you over

1989

01:12:52,950 --> 01:12:50,880

bet it somebody's going to call your

1990

01:12:55,430 --> 01:12:52,960

bluff i get that people

1991

01:12:57,189 --> 01:12:55,440

are suffering and i get that first of

1992

01:12:59,510 --> 01:12:57,199

all i get that i live in a bubble

1993

01:13:01,590 --> 01:12:59,520

[h__h] a yes i live in a bugle bubble

1994

01:13:03,750 --> 01:13:01,600

i've orchestrated my [h__h] bubble and

1995

01:13:06,709 --> 01:13:03,760

i continue to orchestrate it every day

1996

01:13:08,550 --> 01:13:06,719

i understand that people are suffering i

1997

01:13:11,270 --> 01:13:08,560

understand that people have been

1998

01:13:11,910 --> 01:13:11,280

intentionally pushed to the brink

1999

01:13:14,310 --> 01:13:11,920

because

2000

01:13:15,510 --> 01:13:14,320

they're trying to play that fear game

2001

01:13:18,950 --> 01:13:15,520

and they're trying to turn

2002

01:13:20,310 --> 01:13:18,960

people into these more manipulated you

2003

01:13:21,750 --> 01:13:20,320

know because like you said at the very

2004

01:13:22,790 --> 01:13:21,760

beginning this is one of the ways that

2005

01:13:25,350 --> 01:13:22,800

you play them you know

2006

01:13:26,870 --> 01:13:25,360

you beat them down and then that's one

2007

01:13:28,390 --> 01:13:26,880

of the ways to control them is you just

2008

01:13:30,550 --> 01:13:28,400

beat the [h__h] [h__h] out of them

2009

01:13:31,430 --> 01:13:30,560

and i get it that's what they're doing

2010

01:13:34,790 --> 01:13:31,440

now the

2011

01:13:37,430 --> 01:13:34,800

the big thing i would call you out on

2012

01:13:38,630 --> 01:13:37,440

is you've fallen for one of the basic

2013

01:13:41,270 --> 01:13:38,640

[h__h] tricks

2014

01:13:43,669 --> 01:13:41,280

which is to say you you're now

2015

01:13:45,910 --> 01:13:43,679

empathizing with the beat down people

2016

01:13:47,270 --> 01:13:45,920

and you're saying and they won't even

2017

01:13:49,830 --> 01:13:47,280

give you health care

2018

01:13:50,709 --> 01:13:49,840

you need to you need to rise up and get

2019

01:13:54,149 --> 01:13:50,719

the health care

2020

01:13:56,390 --> 01:13:54,159

problem

2021

01:13:57,750 --> 01:13:56,400

it's part of the [h__h] tyranny that

2022

01:13:59,910 --> 01:13:57,760

they're trying to create

2023

01:14:01,189 --> 01:13:59,920

for you to focus on that and for you to

2024

01:14:03,910 --> 01:14:01,199

say that person

2025

01:14:05,270 --> 01:14:03,920

who has been beat down almost to the

2026

01:14:07,189 --> 01:14:05,280

point where they don't know

2027

01:14:08,790 --> 01:14:07,199

like this is what i think we're saying

2028

01:14:09,830 --> 01:14:08,800

they beat people down but what they

2029

01:14:12,870 --> 01:14:09,840

don't realize is

2030

01:14:14,149 --> 01:14:12,880

that that person is now down so low that

2031

01:14:15,590 --> 01:14:14,159

you don't know if they're going to

2032

01:14:17,669 --> 01:14:15,600

accept that handout

2033

01:14:18,870 --> 01:14:17,679

that you're coming along with to try and

2034

01:14:21,910 --> 01:14:18,880

reach them up

2035

01:14:24,229 --> 01:14:21,920

your phony baloney medical handout which

2036

01:14:25,270 --> 01:14:24,239

you know maybe will will pull them over

2037

01:14:27,189 --> 01:14:25,280

to your side

2038

01:14:28,470 --> 01:14:27,199

or if they're going to rise them say

2039

01:14:32,070 --> 01:14:28,480

[h__\h] you

2040

01:14:34,550 --> 01:14:32,080

[h__\h] all your [h__\h]

2041

01:14:35,910 --> 01:14:34,560

i'm taking my pitch i'm pitchfork i'm

2042

01:14:38,070 --> 01:14:35,920

taking my [h__\h] torch

2043

01:14:39,590 --> 01:14:38,080

and i'm marching to the castle don't

2044

01:14:42,229 --> 01:14:39,600

hand me any more

2045

01:14:43,990 --> 01:14:42,239

[h__\h] [h__\h] medicine or any of the

2046

01:14:45,430 --> 01:14:44,000

rest of the [h__\h] that you think is gonna

2047

01:14:47,030 --> 01:14:45,440

make my life better

2048

01:14:49,590 --> 01:14:47,040

i'll tell you what's gonna make my life

2049

01:14:50,070 --> 01:14:49,600

better is you not being around and when

2050

01:14:53,830 --> 01:14:50,080

i say

2051
01:14:56,950 --> 01:14:53,840
you i mean the [h__h] system that we've

2052
01:14:59,350 --> 01:14:56,960
created yeah but are you saying that

2053
01:15:01,430 --> 01:14:59,360
doctors have no worth personal

2054
01:15:03,630 --> 01:15:01,440
physicians

2055
01:15:04,790 --> 01:15:03,640
their worth is significantly

2056
01:15:07,830 --> 01:15:04,800
significantly

2057
01:15:09,990 --> 01:15:07,840
less than we've been led to believe many

2058
01:15:10,870 --> 01:15:10,000
physicians are whistleblowers now many

2059
01:15:14,070 --> 01:15:10,880
physicians are

2060
01:15:16,709 --> 01:15:14,080
trying to go against the big

2061
01:15:18,870 --> 01:15:16,719
uh health tyranny being implemented you

2062
01:15:21,350 --> 01:15:18,880
are aware of that right that we have

2063
01:15:22,149 --> 01:15:21,360

many allies there's there's all sorts of

2064

01:15:23,669 --> 01:15:22,159

individual

2065

01:15:26,709 --> 01:15:23,679

things you know like you know how many

2066

01:15:29,110 --> 01:15:26,719

people have died of of of uh diabetes

2067

01:15:30,149 --> 01:15:29,120

during the plandemic because how many

2068

01:15:31,830 --> 01:15:30,159

people died because

2069

01:15:34,310 --> 01:15:31,840

because they're not getting normal

2070

01:15:35,750 --> 01:15:34,320

health care because they're afraid to go

2071

01:15:37,189 --> 01:15:35,760

into a hospital because they've

2072

01:15:39,189 --> 01:15:37,199

convinced everyone that they're all

2073

01:15:42,070 --> 01:15:39,199

going to get sick

2074

01:15:43,510 --> 01:15:42,080

of this kind of medical disinformation

2075

01:15:45,830 --> 01:15:43,520

and medical tyranny

2076

01:15:46,870 --> 01:15:45,840

how you would look to those people as

2077

01:15:49,669 --> 01:15:46,880

some kind of

2078

01:15:51,270 --> 01:15:49,679

ally in the battle i i don't understand

2079

01:15:54,229 --> 01:15:51,280

that they are the biggest

2080

01:15:56,070 --> 01:15:54,239

[h__\h] part of this thing well let's

2081

01:15:59,990 --> 01:15:56,080

say you have diabetes

2082

01:16:03,590 --> 01:16:00,000

then you need a way to get

2083

01:16:05,590 --> 01:16:03,600

it handled treated even if it's not the

2084

01:16:07,990 --> 01:16:05,600

best treatment at least you need to

2085

01:16:09,990 --> 01:16:08,000

survive so that's a good example

2086

01:16:12,390 --> 01:16:10,000

let's say there's no pandemic and let's

2087

01:16:14,790 --> 01:16:12,400

say uh you don't have to

2088

01:16:16,630 --> 01:16:14,800

you know we it's no such thing as a free

2089

01:16:18,470 --> 01:16:16,640

health care we pay for our health care

2090

01:16:20,870 --> 01:16:18,480

you know here in norway stuff

2091

01:16:22,229 --> 01:16:20,880

that's the whole obamacare thing

2092

01:16:23,990 --> 01:16:22,239

everyone is covered here that's the

2093

01:16:26,149 --> 01:16:24,000

whole obamacare thing

2094

01:16:27,430 --> 01:16:26,159

they hit up rich people like me a lot

2095

01:16:31,669 --> 01:16:27,440

they hit up everybody

2096

01:16:35,590 --> 01:16:33,750

americans don't have health care yeah i

2097

01:16:38,630 --> 01:16:35,600

know you were forced into

2098

01:16:41,430 --> 01:16:38,640

having to buy into it and

2099

01:16:43,110 --> 01:16:41,440

but then you also bought their

2100

01:16:45,030 --> 01:16:43,120

explanation that everybody would be

2101

01:16:46,229 --> 01:16:45,040

covered i know for sure people

2102

01:16:48,550 --> 01:16:46,239

everybody aren't covered i know

2103

01:16:50,950 --> 01:16:48,560

personally people are not covered and

2104

01:16:52,550 --> 01:16:50,960

you don't look at the look at the

2105

01:16:55,430 --> 01:16:52,560

numbers but talk with anyone

2106

01:16:56,149 --> 01:16:55,440

uh it's a completely because you know

2107

01:16:58,390 --> 01:16:56,159

you they have an

2108

01:16:59,590 --> 01:16:58,400

incentive not to pay out i'll give you a

2109

01:17:00,630 --> 01:16:59,600

case like like you just mentioned

2110

01:17:03,189 --> 01:17:00,640

diabetes right

2111

01:17:04,070 --> 01:17:03,199

great great example you know like one of

2112

01:17:06,470 --> 01:17:04,080

the things uh

2113

01:17:07,669 --> 01:17:06,480

so like let's take out type 1 diabetes

2114

01:17:09,510 --> 01:17:07,679

people you know

2115

01:17:10,790 --> 01:17:09,520

juvenile diabetes people are born and

2116

01:17:11,990 --> 01:17:10,800

it's horrible and they're going to have

2117

01:17:13,030 --> 01:17:12,000

to take insulin their whole life and

2118

01:17:13,830 --> 01:17:13,040

they're going to have to manage it and

2119

01:17:15,990 --> 01:17:13,840

stuff like that

2120

01:17:18,070 --> 01:17:16,000

again the the cost of that at this point

2121

01:17:19,350 --> 01:17:18,080

is not astronomical right i mean we can

2122

01:17:21,350 --> 01:17:19,360

manage that

2123

01:17:23,189 --> 01:17:21,360

pretty cost effectively but take for

2124

01:17:26,229 --> 01:17:23,199

example type 2 diabetes

2125

01:17:28,550 --> 01:17:26,239

which is basically just

2126

01:17:30,870 --> 01:17:28,560

people who are not willing to control

2127

01:17:33,270 --> 01:17:30,880

their diet uh you know one of the things

2128

01:17:35,030 --> 01:17:33,280

i do personally is i do kind of the the

2129

01:17:35,669 --> 01:17:35,040

fasting intermittent fasting you know i

2130

01:17:38,149 --> 01:17:35,679

just

2131

01:17:39,750 --> 01:17:38,159

eat within this five hour five hour

2132

01:17:42,950 --> 01:17:39,760

window a day

2133

01:17:43,790 --> 01:17:42,960

the effects on that on type 2 diabetes

2134

01:17:46,390 --> 01:17:43,800

are

2135

01:17:49,750 --> 01:17:46,400

overwhelming overwhelming

2136

01:17:53,030 --> 01:17:49,760

they so swamp any other quote unquote

2137

01:17:54,070 --> 01:17:53,040

medical treatment that i'm like i don't

2138

01:17:56,790 --> 01:17:54,080

give a [\h__\h]

2139

01:17:57,270 --> 01:17:56,800

i don't want to pay for someone to go in

2140

01:18:00,470 --> 01:17:57,280

and be

2141

01:18:03,030 --> 01:18:00,480

treated for for type 2 diabetes

2142

01:18:05,030 --> 01:18:03,040

because they can't control their diet i

2143

01:18:07,110 --> 01:18:05,040

don't have to pay for all that

2144

01:18:08,630 --> 01:18:07,120

now i'll give you some money and you can

2145

01:18:11,590 --> 01:18:08,640

spend it how you want

2146

01:18:13,189 --> 01:18:11,600

but don't tell me that i have to have an

2147

01:18:15,270 --> 01:18:13,199

infinite deep pocket

2148

01:18:17,350 --> 01:18:15,280

because you like [\h__\h] donuts and

2149

01:18:19,990 --> 01:18:17,360

[\h__\h] hamburgers

2150

01:18:21,430 --> 01:18:20,000

okay my retort to that would be that now

2151

01:18:24,470 --> 01:18:21,440

you're actually

2152

01:18:27,270 --> 01:18:24,480

without realizing it on the same

2153

01:18:28,630 --> 01:18:27,280

side as those who want to prioritize

2154

01:18:31,510 --> 01:18:28,640

allo pate

2155

01:18:32,950 --> 01:18:31,520

and not the other pates because now

2156

01:18:35,110 --> 01:18:32,960

you're going in and saying

2157

01:18:36,790 --> 01:18:35,120

yes there are two actually options that

2158

01:18:40,149 --> 01:18:36,800

both will lead to freedom

2159

01:18:43,510 --> 01:18:40,159

one is the one you are not in favor of

2160

01:18:45,189 --> 01:18:43,520

which is let every healthcare be free

2161

01:18:47,350 --> 01:18:45,199

and let people choose which one they

2162

01:18:48,550 --> 01:18:47,360

want to go to

2163

01:18:51,189 --> 01:18:48,560

and they don't have to worry about

2164

01:18:52,790 --> 01:18:51,199

payment but you are now saying no no no

2165

01:18:55,669 --> 01:18:52,800

we should

2166

01:18:57,270 --> 01:18:55,679

those who have lifestyle diseases those

2167

01:18:57,990 --> 01:18:57,280

should be excluded well then we could

2168

01:18:59,669 --> 01:18:58,000

also say

2169

01:19:01,189 --> 01:18:59,679

well everybody who needs acupuncture

2170

01:19:03,270 --> 01:19:01,199

should be excluded no

2171

01:19:04,550 --> 01:19:03,280

it's either or it's either or either

2172

01:19:07,590 --> 01:19:04,560

everything is on the table

2173

01:19:09,590 --> 01:19:07,600

and people choose freely uh according to

2174

01:19:12,070 --> 01:19:09,600

what they want and what they need

2175

01:19:12,630 --> 01:19:12,080

or nothing is in the table if you just

2176
01:19:15,590 --> 01:19:12,640
accept

2177
01:19:16,870 --> 01:19:15,600
some diseases or some or causations or

2178
01:19:19,430 --> 01:19:16,880
some treatments

2179
01:19:21,590 --> 01:19:19,440
then it's being corrupted but one option

2180
01:19:24,790 --> 01:19:21,600
is that the other is what you're saying

2181
01:19:25,590 --> 01:19:24,800
let people choose it by let it be

2182
01:19:29,189 --> 01:19:25,600
commercial

2183
01:19:32,390 --> 01:19:29,199
let it still be you know a business

2184
01:19:35,830 --> 01:19:32,400
to trade in your health but give

2185
01:19:36,470 --> 01:19:35,840
people the resources to finance it

2186
01:19:39,510 --> 01:19:36,480
either by

2187
01:19:41,510 --> 01:19:39,520
having work and conditions to create

2188
01:19:43,990 --> 01:19:41,520

it's always a business when people say

2189

01:19:45,669 --> 01:19:44,000

this no it's always a business somebody

2190

01:19:48,310 --> 01:19:45,679

always has to get paid

2191

01:19:49,430 --> 01:19:48,320

pfizer's [h__h] getting paid i don't

2192

01:19:51,510 --> 01:19:49,440

know why people

2193

01:19:53,510 --> 01:19:51,520

who advocate kind of universal

2194

01:19:55,030 --> 01:19:53,520

healthcare think finder isn't getting

2195

01:19:56,709 --> 01:19:55,040

their [h__h] cut

2196

01:19:58,790 --> 01:19:56,719

we haven't got the health care system

2197

01:20:00,630 --> 01:19:58,800

corrupted in terms of finances

2198

01:20:02,709 --> 01:20:00,640

everything else is corrupted and we're

2199

01:20:05,110 --> 01:20:02,719

still a part of the americanization and

2200

01:20:07,110 --> 01:20:05,120

the modernization and a materialization

2201

01:20:08,229 --> 01:20:07,120

and people get sick and they get

2202

01:20:10,790 --> 01:20:08,239

vaccinated

2203

01:20:12,390 --> 01:20:10,800

and they get 5g so of course we're going

2204

01:20:12,950 --> 01:20:12,400

to have the same diseases i'm just

2205

01:20:15,910 --> 01:20:12,960

saying

2206

01:20:17,270 --> 01:20:15,920

when we have them people should have

2207

01:20:18,950 --> 01:20:17,280

means to

2208

01:20:20,950 --> 01:20:18,960

actually they should have to worry about

2209

01:20:24,310 --> 01:20:20,960

them like today

2210

01:20:26,229 --> 01:20:24,320

i don't have to worry oh i can't quit my

2211

01:20:27,189 --> 01:20:26,239

job because of the good healthcare plan

2212

01:20:29,270 --> 01:20:27,199

although i'm

2213

01:20:31,910 --> 01:20:29,280

miserable in this job and i'm becoming

2214

01:20:33,350 --> 01:20:31,920

sick precisely because i hate this job

2215

01:20:33,990 --> 01:20:33,360

and that's why i need this goddamn

2216

01:20:35,270 --> 01:20:34,000

healthcare

2217

01:20:37,990 --> 01:20:35,280

and that's why i have to stay in that

2218

01:20:39,830 --> 01:20:38,000

job nobody norway thinks like that man

2219

01:20:42,870 --> 01:20:39,840

how are we gonna wrap this up we're not

2220

01:20:45,990 --> 01:20:42,880

wrapping up [h__h] by the way you said

2221

01:20:47,750 --> 01:20:46,000

uh people are overestimating no no

2222

01:20:50,470 --> 01:20:47,760

people underestimating the powers that

2223

01:20:52,790 --> 01:20:50,480

be i actually think

2224

01:20:55,189 --> 01:20:52,800

at least in our bubble and i'm talking

2225

01:20:57,830 --> 01:20:55,199

about that bubble that we share

2226
01:20:59,270 --> 01:20:57,840
um i think they're overestimating them i

2227
01:21:01,590 --> 01:20:59,280
don't think the powers that b

2228
01:21:03,669 --> 01:21:01,600
are calculating for the clash back i

2229
01:21:06,709 --> 01:21:03,679
think our oligarchs today

2230
01:21:07,350 --> 01:21:06,719
are dumber than the oligarchs back in

2231
01:21:10,950 --> 01:21:07,360
the day

2232
01:21:13,669 --> 01:21:10,960
they have to pacify for

2233
01:21:14,550 --> 01:21:13,679
fox either by like they do here brave

2234
01:21:17,669 --> 01:21:14,560
new world

2235
01:21:21,750 --> 01:21:17,679
have a bubble play a nut or

2236
01:21:22,149 --> 01:21:21,760
by brute force and america is in between

2237
01:21:25,750 --> 01:21:22,159
and i

2238
01:21:27,430 --> 01:21:25,760

say it again leonardo cohen he's a

2239

01:21:30,310 --> 01:21:27,440

goddamn prophet he said

2240

01:21:31,990 --> 01:21:30,320

it's coming to america first the cradle

2241

01:21:34,310 --> 01:21:32,000

of the best and the worst

2242

01:21:36,070 --> 01:21:34,320

it's there they've got the range and the

2243

01:21:39,110 --> 01:21:36,080

machinery for change

2244

01:21:41,510 --> 01:21:39,120

it's there they got the spiritual thirst

2245

01:21:42,629 --> 01:21:41,520

and i firmly believe he was right when

2246

01:21:45,430 --> 01:21:42,639

he said that

2247

01:21:47,110 --> 01:21:45,440

and we're seeing it in real time now and

2248

01:21:49,510 --> 01:21:47,120

we can't wrap this up

2249

01:21:52,790 --> 01:21:49,520

without pointing to the fact that if you

2250

01:21:56,229 --> 01:21:52,800

think you saw changes in 2020

2251
01:21:57,510 --> 01:21:56,239
man brace for 2021 and some of those

2252
01:22:00,629 --> 01:21:57,520
changes will be good

2253
01:22:04,229 --> 01:22:00,639
i'm insisting on that but yeah the

2254
01:22:06,870 --> 01:22:04,239
the shadow is going to be with us still

2255
01:22:07,430 --> 01:22:06,880
and the grip is going to be firmer for

2256
01:22:09,910 --> 01:22:07,440
sure

2257
01:22:11,750 --> 01:22:09,920
but the more they do that the more they

2258
01:22:13,669 --> 01:22:11,760
are forcing a a

2259
01:22:15,430 --> 01:22:13,679
gut reaction you know you know you know

2260
01:22:18,870 --> 01:22:15,440
polarity right

2261
01:22:22,229 --> 01:22:18,880
so you push down with one force

2262
01:22:24,790 --> 01:22:22,239
and the backlash is going to be the same

2263
01:22:26,470 --> 01:22:24,800

so i'm just saying you know you and me

2264

01:22:28,709 --> 01:22:26,480

have a big responsibility

2265

01:22:30,629 --> 01:22:28,719

although we're not reaching as many

2266

01:22:33,750 --> 01:22:30,639

people as we ought to or

2267

01:22:34,950 --> 01:22:33,760

we want to we're reaching enough and you

2268

01:22:37,189 --> 01:22:34,960

know as well as me

2269

01:22:38,790 --> 01:22:37,199

you know the six degrees of separation

2270

01:22:41,110 --> 01:22:38,800

you know about the 12th

2271

01:22:41,830 --> 01:22:41,120

the 10th monkey 100 monkey i mean 100

2272

01:22:44,310 --> 01:22:41,840

monkey

2273

01:22:44,950 --> 01:22:44,320

and you know about one man can change

2274

01:22:47,430 --> 01:22:44,960

etc

2275

01:22:48,870 --> 01:22:47,440

so and the butterfly here and the

2276

01:22:51,270 --> 01:22:48,880

revolution there so

2277

01:22:53,430 --> 01:22:51,280

when you and me are navigate people look

2278

01:22:57,669 --> 01:22:53,440

to us many look to us for advice

2279

01:23:00,629 --> 01:22:57,679

and at least they want to get their

2280

01:23:01,910 --> 01:23:00,639

viewpoints tested so that's why it's

2281

01:23:04,950 --> 01:23:01,920

great that you and me

2282

01:23:08,229 --> 01:23:04,960

can air disagreements like intelligent

2283

01:23:08,870 --> 01:23:08,239

gentleman and it's also incumbent upon

2284

01:23:15,750 --> 01:23:08,880

us be

2285

01:23:17,750 --> 01:23:15,760

not get too wrapped up in

2286

01:23:19,669 --> 01:23:17,760

subtracts because we have to have the

2287

01:23:21,510 --> 01:23:19,679

big picture to navigate through this

2288

01:23:23,750 --> 01:23:21,520

because i do agree with you that the

2289

01:23:26,470 --> 01:23:23,760

powers that be have clever ways to

2290

01:23:28,149 --> 01:23:26,480

you know manipulate and hijack and

2291

01:23:30,310 --> 01:23:28,159

distract and all that stuff

2292

01:23:31,430 --> 01:23:30,320

so we have to try to keep our tongue

2293

01:23:33,110 --> 01:23:31,440

straight in the mouth

2294

01:23:34,870 --> 01:23:33,120

i think you make a really good point and

2295

01:23:37,669 --> 01:23:34,880

it's one that you know as you were

2296

01:23:39,270 --> 01:23:37,679

saying it i was like [h__h] he's right

2297

01:23:42,149 --> 01:23:39,280

because i think everything that we're

2298

01:23:44,709 --> 01:23:42,159

seeing unfolding right now

2299

01:23:46,709 --> 01:23:44,719

suggests that they don't have a very

2300

01:23:48,229 --> 01:23:46,719

good handle on what the [h__h] they're

2301
01:23:49,910 --> 01:23:48,239
doing

2302
01:23:51,590 --> 01:23:49,920
i don't even say desperation i think

2303
01:23:54,870 --> 01:23:51,600
desperation is the wrong

2304
01:23:55,669 --> 01:23:54,880
word i think it more uh more what what

2305
01:23:57,830 --> 01:23:55,679
you kind of

2306
01:23:59,830 --> 01:23:57,840
were alluding to is kind of a

2307
01:24:03,030 --> 01:23:59,840
fundamental incompetence in

2308
01:24:04,470 --> 01:24:03,040
in terms of how to do this stuff and you

2309
01:24:05,510 --> 01:24:04,480
you said something kind of really

2310
01:24:07,830 --> 01:24:05,520
interesting and

2311
01:24:10,149 --> 01:24:07,840
you know the oligarchs of our day aren't

2312
01:24:12,709 --> 01:24:10,159
as good as the oligarchs

2313
01:24:13,669 --> 01:24:12,719

of the past it there always is the lens

2314

01:24:15,110 --> 01:24:13,679

you know the monday

2315

01:24:16,470 --> 01:24:15,120

morning quarterback and we're picking

2316

01:24:17,910 --> 01:24:16,480

and choosing i don't know that they were

2317

01:24:20,070 --> 01:24:17,920

ever that good before

2318

01:24:21,590 --> 01:24:20,080

but i think there's a fundamental truth

2319

01:24:23,270 --> 01:24:21,600

to what you're saying so let me put you

2320

01:24:23,830 --> 01:24:23,280

on the spot here because we didn't do

2321

01:24:25,750 --> 01:24:23,840

the

2322

01:24:26,870 --> 01:24:25,760

2020 show that i wanted but we are going

2323

01:24:30,070 --> 01:24:26,880

to do the prediction

2324

01:24:31,590 --> 01:24:30,080

aspect of it we are

2325

01:24:33,350 --> 01:24:31,600

i don't know how close you're following

2326

01:24:34,629 --> 01:24:33,360

this and i am so not

2327

01:24:37,430 --> 01:24:34,639

uh it's funny right at the beginning you

2328

01:24:38,870 --> 01:24:37,440

said you're not a 24-hour news cycle guy

2329

01:24:41,750 --> 01:24:38,880

i have worked so

2330

01:24:42,470 --> 01:24:41,760

hard to not be i will just shut myself

2331

01:24:45,270 --> 01:24:42,480

off from

2332

01:24:46,629 --> 01:24:45,280

news and you know my friends and family

2333

01:24:48,310 --> 01:24:46,639

will say something and they'll look at

2334

01:24:49,990 --> 01:24:48,320

me like are you a complete idiot you

2335

01:24:53,110 --> 01:24:50,000

didn't hear that that happened

2336

01:24:55,910 --> 01:24:53,120

but this last year i've i've been forced

2337

01:24:57,590 --> 01:24:55,920

to be more of in the news cycle and i'll

2338

01:24:58,870 --> 01:24:57,600

tell you what i'm in the news cycle on

2339

01:25:01,830 --> 01:24:58,880

right now which i think

2340

01:25:03,510 --> 01:25:01,840

is no doubt going to be one of the

2341

01:25:07,430 --> 01:25:03,520

fundamental

2342

01:25:10,629 --> 01:25:07,440

key events of i don't even want to say

2343

01:25:12,550 --> 01:25:10,639

2020 or 2021 because it feels to me like

2344

01:25:13,189 --> 01:25:12,560

a guy who's lived you know a few years

2345

01:25:15,750 --> 01:25:13,199

now

2346

01:25:17,510 --> 01:25:15,760

as one of the most fundamental profound

2347

01:25:20,390 --> 01:25:17,520

moments of our time

2348

01:25:22,470 --> 01:25:20,400

and that's that there's more and more

2349

01:25:23,350 --> 01:25:22,480

evidence that trump is going to fight

2350

01:25:25,990 --> 01:25:23,360

this thing

2351

01:25:27,669 --> 01:25:26,000

all the way and that he is not going

2352

01:25:31,189 --> 01:25:27,679

that he is going to

2353

01:25:32,070 --> 01:25:31,199

probably you know he's going to force

2354

01:25:34,629 --> 01:25:32,080

biden's hand

2355

01:25:35,750 --> 01:25:34,639

by threatening uh uh bringing him on

2356

01:25:37,590 --> 01:25:35,760

charges for treason

2357

01:25:39,030 --> 01:25:37,600

bringing his son on charges for trees

2358

01:25:40,229 --> 01:25:39,040

and bringing his brother on charges for

2359

01:25:42,870 --> 01:25:40,239

treason and

2360

01:25:44,709 --> 01:25:42,880

as well as you know arresting a bunch of

2361

01:25:47,430 --> 01:25:44,719

other people and under the insurrect

2362

01:25:48,950 --> 01:25:47,440

insurrection act and basically declaring

2363

01:25:51,189 --> 01:25:48,960

something close to a

2364

01:25:52,229 --> 01:25:51,199

martial i'm not saying that's going to

2365

01:25:55,189 --> 01:25:52,239

happen

2366

01:25:55,910 --> 01:25:55,199

i'm just saying anyone who isn't aware

2367

01:25:59,189 --> 01:25:55,920

that that

2368

01:26:02,550 --> 01:25:59,199

option is in play and being

2369

01:26:03,669 --> 01:26:02,560

actively actively considered at a very

2370

01:26:06,149 --> 01:26:03,679

serious level

2371

01:26:07,669 --> 01:26:06,159

and anyone who isn't considering the

2372

01:26:09,990 --> 01:26:07,679

implications of that

2373

01:26:11,030 --> 01:26:10,000

because that's not something you can do

2374

01:26:14,310 --> 01:26:11,040

halfway

2375

01:26:17,510 --> 01:26:14,320

if he goes that way he will be

2376

01:26:18,310 --> 01:26:17,520

forced to train the swamp something he's

2377

01:26:20,149 --> 01:26:18,320

been

2378

01:26:22,070 --> 01:26:20,159

people have said he's going to do but i

2379

01:26:23,590 --> 01:26:22,080

think i don't know what to make of trump

2380

01:26:24,229 --> 01:26:23,600

because he certainly hasn't drained the

2381

01:26:26,870 --> 01:26:24,239

swamp

2382

01:26:27,990 --> 01:26:26,880

yet he's demonstrated as being nothing

2383

01:26:31,350 --> 01:26:28,000

other than somebody who's

2384

01:26:34,550 --> 01:26:31,360

in the swamp but if he crosses

2385

01:26:35,590 --> 01:26:34,560

if he crosses the rubicon here he will

2386

01:26:38,550 --> 01:26:35,600

be forced

2387

01:26:39,110 --> 01:26:38,560

to play that out because he will be

2388

01:26:41,669 --> 01:26:39,120

taking

2389

01:26:42,709 --> 01:26:41,679

that step do you think that's going to

2390

01:26:45,030 --> 01:26:42,719

happen

2391

01:26:47,110 --> 01:26:45,040

and what do you think will be the the

2392

01:26:48,550 --> 01:26:47,120

impact either way if he does or if he

2393

01:26:50,390 --> 01:26:48,560

doesn't because if he doesn't what a lot

2394

01:26:53,430 --> 01:26:50,400

of people are saying is then

2395

01:26:53,910 --> 01:26:53,440

america is probably going to be very

2396

01:26:55,430 --> 01:26:53,920

different

2397

01:26:57,030 --> 01:26:55,440

just in terms of the people that are

2398

01:26:58,950 --> 01:26:57,040

taking control

2399

01:27:01,110 --> 01:26:58,960

clearly they have you know rigged the

2400

01:27:02,870 --> 01:27:01,120

election that

2401

01:27:04,390 --> 01:27:02,880

back to our statistics thing you know

2402

01:27:06,390 --> 01:27:04,400

the best proof for that is just

2403

01:27:07,750 --> 01:27:06,400

statistics in the same way we say other

2404

01:27:10,790 --> 01:27:07,760

elections are phony you know

2405

01:27:14,950 --> 01:27:10,800

you can't have 105 of

2406

01:27:17,030 --> 01:27:14,960

the precinct in wisconsin voting 105

2407

01:27:18,390 --> 01:27:17,040

that does it you know you can't have

2408

01:27:20,950 --> 01:27:18,400

that

2409

01:27:22,629 --> 01:27:20,960

and have a real legitimate election so

2410

01:27:24,310 --> 01:27:22,639

given that we didn't have a legitimate

2411

01:27:26,070 --> 01:27:24,320

election who cares we we

2412

01:27:27,750 --> 01:27:26,080

have a lot of illegitimate elections but

2413

01:27:29,350 --> 01:27:27,760

my point is if this

2414

01:27:31,350 --> 01:27:29,360

illegitimate election is allowed to

2415

01:27:33,270 --> 01:27:31,360

stand i think what a lot of people are

2416

01:27:34,870 --> 01:27:33,280

concerned about is how would you ever

2417

01:27:36,790 --> 01:27:34,880

you know how would you ever write the

2418

01:27:38,709 --> 01:27:36,800

ship after this when you've

2419

01:27:40,390 --> 01:27:38,719

kind of given the keys to the people i'm

2420

01:27:41,669 --> 01:27:40,400

a political here people i'm not saying

2421

01:27:44,790 --> 01:27:41,679

one way or another

2422

01:27:46,229 --> 01:27:44,800

one is good one is bad i just think i'd

2423

01:27:48,550 --> 01:27:46,239

like you to speak to

2424

01:27:49,910 --> 01:27:48,560

this moment in history that we're at and

2425

01:27:50,870 --> 01:27:49,920

which way you think this thing is going

2426
01:27:53,110 --> 01:27:50,880
to fall

2427
01:27:54,709 --> 01:27:53,120
yeah i'm going to be a bit more neutral

2428
01:27:58,149 --> 01:27:54,719
here i think because

2429
01:28:00,550 --> 01:27:58,159
um like in the financial thing i have

2430
01:28:01,830 --> 01:28:00,560
taken a side where which i think is the

2431
01:28:04,149 --> 01:28:01,840
best

2432
01:28:04,950 --> 01:28:04,159
working but here i haven't but i can

2433
01:28:07,910 --> 01:28:04,960
still offer

2434
01:28:08,950 --> 01:28:07,920
a fair perspective in terms of analysis

2435
01:28:11,990 --> 01:28:08,960
let me start with

2436
01:28:13,590 --> 01:28:12,000
using um russia against against trump as

2437
01:28:16,790 --> 01:28:13,600
a good example of

2438
01:28:19,030 --> 01:28:16,800

why i'm saying the current elite

2439

01:28:19,910 --> 01:28:19,040

is dumber than their previous because

2440

01:28:23,030 --> 01:28:19,920

the previous

2441

01:28:25,270 --> 01:28:23,040

had to fight its way against

2442

01:28:27,669 --> 01:28:25,280

uprising from the people they had to

2443

01:28:30,070 --> 01:28:27,679

pass they had to deal with world wars

2444

01:28:32,709 --> 01:28:30,080

they had to deal with the control

2445

01:28:35,590 --> 01:28:32,719

mechanism tools like hitler running

2446

01:28:36,629 --> 01:28:35,600

havoc and and it's like a dog they were

2447

01:28:38,709 --> 01:28:36,639

having in a leash

2448

01:28:40,229 --> 01:28:38,719

who freed himself and started inviting

2449

01:28:41,990 --> 01:28:40,239

them they had to

2450

01:28:43,990 --> 01:28:42,000

deal with the depression they had to

2451

01:28:45,910 --> 01:28:44,000

deal with i'm not saying this is

2452

01:28:47,669 --> 01:28:45,920

they they weren't a part of this they

2453

01:28:49,830 --> 01:28:47,679

precisely where they were playing they

2454

01:28:53,110 --> 01:28:49,840

even managed to face it from our

2455

01:28:53,830 --> 01:28:53,120

uh fast uh hard currency backed system

2456

01:28:57,430 --> 01:28:53,840

to our

2457

01:29:01,430 --> 01:28:57,440

fiat systems and they've implemented mmt

2458

01:29:04,870 --> 01:29:01,440

for all its worth now it's because

2459

01:29:06,629 --> 01:29:04,880

today's elite are inbred

2460

01:29:08,709 --> 01:29:06,639

more than the one in the past you know

2461

01:29:09,350 --> 01:29:08,719

even morgan i think was fighting himself

2462

01:29:12,470 --> 01:29:09,360

up from

2463

01:29:13,350 --> 01:29:12,480

from nothing so they are inbred yeah we

2464

01:29:16,070 --> 01:29:13,360

still have

2465

01:29:17,110 --> 01:29:16,080

inherited elites but there's a lot of

2466

01:29:19,030 --> 01:29:17,120

inbred

2467

01:29:20,550 --> 01:29:19,040

precisely because we have a lot of

2468

01:29:22,629 --> 01:29:20,560

inherited elites

2469

01:29:23,590 --> 01:29:22,639

it's not people fighting themselves to

2470

01:29:26,070 --> 01:29:23,600

the top anymore

2471

01:29:27,350 --> 01:29:26,080

even bill gates who people think first

2472

01:29:30,950 --> 01:29:27,360

off he didn't invent [h__h]

2473

01:29:33,350 --> 01:29:30,960

he hijacked it he's a thief second gates

2474

01:29:34,550 --> 01:29:33,360

he's from uh not true i would i lived

2475

01:29:36,629 --> 01:29:34,560

through that whole thing

2476

01:29:39,750 --> 01:29:36,639

we kind of do a whole show on that but

2477

01:29:42,629 --> 01:29:39,760

gates is a very good computer programmer

2478

01:29:43,110 --> 01:29:42,639

he's born into an elite family he wasn't

2479

01:29:46,390 --> 01:29:43,120

like

2480

01:29:49,030 --> 01:29:46,400

so even he even those new rich people

2481

01:29:49,669 --> 01:29:49,040

we look at aren't really new rich yes he

2482

01:29:53,030 --> 01:29:49,679

became

2483

01:29:56,070 --> 01:29:53,040

a trillionaire by his own but he was

2484

01:29:59,110 --> 01:29:56,080

uh always a part of the elite and

2485

01:30:01,590 --> 01:29:59,120

so and also they are um

2486

01:30:02,470 --> 01:30:01,600

not just in bread but uh in america

2487

01:30:05,189 --> 01:30:02,480

especially

2488

01:30:07,189 --> 01:30:05,199

but more and more everywhere the elites

2489

01:30:08,550 --> 01:30:07,199

have been unaccountable for a long time

2490

01:30:10,870 --> 01:30:08,560

they weren't before

2491

01:30:12,709 --> 01:30:10,880

the only way an elite is falling now if

2492

01:30:14,229 --> 01:30:12,719

the other elites are turning against

2493

01:30:15,110 --> 01:30:14,239

them which is what they're trying to do

2494

01:30:18,550 --> 01:30:15,120

with trump

2495

01:30:20,310 --> 01:30:18,560

so uh you are failing upwards

2496

01:30:21,750 --> 01:30:20,320

and this has happened for a long time i

2497

01:30:25,110 --> 01:30:21,760

think at least since jfk

2498

01:30:28,470 --> 01:30:25,120

but after 2001 it was systematized

2499

01:30:31,669 --> 01:30:28,480

you saw that with obama in 108 they

2500

01:30:34,870 --> 01:30:31,679

rewarded the people who did the crimes

2501
01:30:36,629 --> 01:30:34,880
banksters corporations and look at the

2502
01:30:38,550 --> 01:30:36,639
you're saying how is trump still is

2503
01:30:41,110 --> 01:30:38,560
surrounded with the swamp look at the

2504
01:30:42,629 --> 01:30:41,120
steve mnuchin one of the perpetrators of

2505
01:30:45,030 --> 01:30:42,639
the 08 recession

2506
01:30:46,229 --> 01:30:45,040
you know who was supposed to go after

2507
01:30:50,709 --> 01:30:46,239
him as public

2508
01:30:52,790 --> 01:30:50,719
prosecutor kamala [h__h] harris

2509
01:30:54,950 --> 01:30:52,800
like so many other sins she has on her

2510
01:30:56,149 --> 01:30:54,960
plate which is why nobody was voting for

2511
01:30:58,310 --> 01:30:56,159
her in the primary

2512
01:31:00,149 --> 01:30:58,320
so she was elected because she was

2513
01:31:02,709 --> 01:31:00,159

accepted by wall street

2514

01:31:03,990 --> 01:31:02,719

and the perfect distraction the obama

2515

01:31:06,310 --> 01:31:04,000

card uh

2516

01:31:08,229 --> 01:31:06,320

doubling down not just a colored but

2517

01:31:11,510 --> 01:31:08,239

this time also female

2518

01:31:14,470 --> 01:31:11,520

well she was bribed by minutian

2519

01:31:16,709 --> 01:31:14,480

to not prosecute and now mnuchin is the

2520

01:31:21,110 --> 01:31:16,719

goddamn finance minister

2521

01:31:23,750 --> 01:31:21,120

so uh trump he ran on real populism

2522

01:31:25,510 --> 01:31:23,760

i do i believe parts of it was his own

2523

01:31:26,629 --> 01:31:25,520

but he was more concerned about winning

2524

01:31:29,750 --> 01:31:26,639

and he believed in

2525

01:31:31,189 --> 01:31:29,760

the populist advisers he had in 16 like

2526

01:31:33,990 --> 01:31:31,199

steve bannon

2527

01:31:34,950 --> 01:31:34,000

and so he understood that's this is a

2528

01:31:37,430 --> 01:31:34,960

way to win

2529

01:31:38,229 --> 01:31:37,440

or at least it aligned with his

2530

01:31:40,390 --> 01:31:38,239

interests

2531

01:31:42,310 --> 01:31:40,400

and i do believe some populism he he

2532

01:31:44,629 --> 01:31:42,320

really believes like

2533

01:31:47,270 --> 01:31:44,639

he is actually nationalistic he's always

2534

01:31:50,629 --> 01:31:47,280

been yeah but steve bannon was a coke

2535

01:31:52,950 --> 01:31:50,639

addict and and uh sex

2536

01:31:54,629 --> 01:31:52,960

nut but i don't get your prediction on

2537

01:31:55,590 --> 01:31:54,639

this i'm gonna be really really

2538

01:31:57,270 --> 01:31:55,600

disappointed

2539

01:31:59,030 --> 01:31:57,280

because all that stuff is ancient

2540

01:32:02,870 --> 01:31:59,040

history i want to know

2541

01:32:03,590 --> 01:32:02,880

your prediction look to the northern

2542

01:32:07,189 --> 01:32:03,600

lights

2543

01:32:09,350 --> 01:32:07,199

and tell me london calling

2544

01:32:10,709 --> 01:32:09,360

so here's the thing uh it's it's

2545

01:32:13,189 --> 01:32:10,719

irrelevant because

2546

01:32:14,149 --> 01:32:13,199

he lost all those people mike flynn

2547

01:32:17,270 --> 01:32:14,159

steve bannon

2548

01:32:19,750 --> 01:32:17,280

who actually helped him win he did

2549

01:32:20,470 --> 01:32:19,760

in 16 he and bernie ran on populism

2550

01:32:22,229 --> 01:32:20,480

saying they

2551
01:32:24,149 --> 01:32:22,239
actually trump said universal health

2552
01:32:28,229 --> 01:32:24,159
care no problem he said

2553
01:32:31,590 --> 01:32:28,239
we're gonna uh tariff and all that

2554
01:32:34,149 --> 01:32:31,600
tsa and all that stuff now

2555
01:32:34,629 --> 01:32:34,159
in 20 both him and bernie were running

2556
01:32:36,709 --> 01:32:34,639
on

2557
01:32:38,310 --> 01:32:36,719
identity politics because they have

2558
01:32:41,590 --> 01:32:38,320
horrible advisors so

2559
01:32:44,550 --> 01:32:41,600
trump is left alone in the swamp so

2560
01:32:47,030 --> 01:32:44,560
it's not a matter of you know if you're

2561
01:32:51,110 --> 01:32:47,040
right if trump is going to ride this off

2562
01:32:54,550 --> 01:32:51,120
it's going to be by actually doing a

2563
01:32:55,669 --> 01:32:54,560

military takeover and i don't believe he

2564

01:32:59,270 --> 01:32:55,679

has enough

2565

01:33:01,510 --> 01:32:59,280

support in the military uh the

2566

01:33:03,030 --> 01:33:01,520

courts is not going to help him we saw

2567

01:33:05,189 --> 01:33:03,040

that they're throwing out the case

2568

01:33:07,110 --> 01:33:05,199

even though it's his people in the court

2569

01:33:09,750 --> 01:33:07,120

they don't have the balls

2570

01:33:12,310 --> 01:33:09,760

and yes it's rigged i have had a program

2571

01:33:14,950 --> 01:33:12,320

about rigging in 16 already

2572

01:33:16,790 --> 01:33:14,960

and i said on twitter when people were

2573

01:33:18,870 --> 01:33:16,800

fighting about about this who's going to

2574

01:33:21,590 --> 01:33:18,880

be the next president biden or trump

2575

01:33:22,550 --> 01:33:21,600

i mean after the election so not who's

2576

01:33:24,229 --> 01:33:22,560

going to win

2577

01:33:25,910 --> 01:33:24,239

with votes but who's going to actually

2578

01:33:28,229 --> 01:33:25,920

end up and i said you know what

2579

01:33:30,149 --> 01:33:28,239

who's going to end up the winner the one

2580

01:33:33,270 --> 01:33:30,159

with the best rigging team

2581

01:33:34,550 --> 01:33:33,280

and so i i think trump's team is more

2582

01:33:37,590 --> 01:33:34,560

incompetent i think

2583

01:33:38,390 --> 01:33:37,600

his uh enemies are much more organized

2584

01:33:41,510 --> 01:33:38,400

because they

2585

01:33:44,950 --> 01:33:41,520

they have the cia and everyone on board

2586

01:33:47,990 --> 01:33:44,960

and i i trim i think trump's uh allies

2587

01:33:48,470 --> 01:33:48,000

are a minority within the elite but they

2588

01:33:51,189 --> 01:33:48,480

are there

2589

01:33:53,189 --> 01:33:51,199

and trump also has a fair portion of

2590

01:33:55,430 --> 01:33:53,199

maga people

2591

01:33:56,950 --> 01:33:55,440

who can't do anything wrong but trump

2592

01:33:57,620 --> 01:33:56,960

has an option now to

2593

01:33:59,990 --> 01:33:57,630

for example

2594

01:34:03,270 --> 01:34:00,000

[Music]

2595

01:34:05,830 --> 01:34:03,280

let assange and

2596

01:34:07,590 --> 01:34:05,840

snowden go free and he may do it just as

2597

01:34:09,189 --> 01:34:07,600

a finger up to obama

2598

01:34:11,270 --> 01:34:09,199

i don't believe he would do it for

2599

01:34:14,390 --> 01:34:11,280

ideological reasons but he would do it

2600

01:34:14,870 --> 01:34:14,400

because he knows the neolib's are going

2601
01:34:17,750 --> 01:34:14,880
to be

2602
01:34:20,149 --> 01:34:17,760
angry about that so it's i think it's

2603
01:34:23,350 --> 01:34:20,159
all up in the air trump has always been

2604
01:34:25,590 --> 01:34:23,360
like a gut guy who's a good tactician he

2605
01:34:28,709 --> 01:34:25,600
follows his gut in the now

2606
01:34:29,430 --> 01:34:28,719
so we re he could go anywhere he could

2607
01:34:34,310 --> 01:34:29,440
go to

2608
01:34:35,669 --> 01:34:34,320
like uh running again in 2024 and

2609
01:34:38,790 --> 01:34:35,679
accepting the defeat now

2610
01:34:40,070 --> 01:34:38,800
and making sure havoc like freeing

2611
01:34:43,030 --> 01:34:40,080
assange pardoning us

2612
01:34:44,790 --> 01:34:43,040
etc or he could go the way that you're

2613
01:34:47,669 --> 01:34:44,800

talking about but it's gonna be

2614

01:34:48,950 --> 01:34:47,679

remember i think he's also not as brave

2615

01:34:51,109 --> 01:34:48,960

as some would have him

2616

01:34:52,709 --> 01:34:51,119

he's thinking of his own ass the

2617

01:34:55,430 --> 01:34:52,719

backlash if he doesn't

2618

01:34:57,830 --> 01:34:55,440

get away with it is very big and it's

2619

01:34:59,590 --> 01:34:57,840

too late now to start the hot war

2620

01:35:00,950 --> 01:34:59,600

so i don't think he has enough support

2621

01:35:04,149 --> 01:35:00,960

in the system to do it

2622

01:35:08,390 --> 01:35:04,159

if he has he will do it

2623

01:35:10,629 --> 01:35:08,400

because he knows that

2624

01:35:11,590 --> 01:35:10,639

they are coming after him after the

2625

01:35:14,950 --> 01:35:11,600

election

2626

01:35:15,430 --> 01:35:14,960

so i i do not believe i never believed

2627

01:35:18,550 --> 01:35:15,440

those

2628

01:35:22,390 --> 01:35:18,560

who said that he will prosecute clinton

2629

01:35:24,870 --> 01:35:22,400

obama uh biden

2630

01:35:26,950 --> 01:35:24,880

they've said it q anon have said it for

2631

01:35:28,790 --> 01:35:26,960

years now it never happens and they're

2632

01:35:32,070 --> 01:35:28,800

always doubling down with the next

2633

01:35:34,629 --> 01:35:32,080

predicament and and it's like in cults

2634

01:35:35,189 --> 01:35:34,639

when it fails instead of saying that's

2635

01:35:37,910 --> 01:35:35,199

it

2636

01:35:40,229 --> 01:35:37,920

i've had enough they they fall for the

2637

01:35:42,229 --> 01:35:40,239

explanations and the rationalizations

2638

01:35:44,229 --> 01:35:42,239

and i haven't seen anything of this

2639

01:35:47,270 --> 01:35:44,239

behind the scenes war yet

2640

01:35:48,790 --> 01:35:47,280

in the deep state i don't think it's a

2641

01:35:50,709 --> 01:35:48,800

fight behind the scenes i think it's

2642

01:35:53,990 --> 01:35:50,719

like 90 percent

2643

01:35:55,430 --> 01:35:54,000

are still intact of the deep state and i

2644

01:35:58,709 --> 01:35:55,440

think

2645

01:35:59,990 --> 01:35:58,719

some deep staters and some people in the

2646

01:36:02,950 --> 01:36:00,000

white system

2647

01:36:03,990 --> 01:36:02,960

have supported trump for ideological

2648

01:36:09,990 --> 01:36:04,000

reasons

2649

01:36:10,629 --> 01:36:10,000

nationalistic and even fascist weed

2650

01:36:12,310 --> 01:36:10,639

reasons

2651

01:36:14,390 --> 01:36:12,320

i'm not saying trump is a fascist

2652

01:36:16,629 --> 01:36:14,400

because he isn't if he was

2653

01:36:18,390 --> 01:36:16,639

he would have taken this covet and

2654

01:36:19,750 --> 01:36:18,400

seized upon it he would have taken a

2655

01:36:22,070 --> 01:36:19,760

martial law long ago

2656

01:36:23,590 --> 01:36:22,080

like many countries did he would have

2657

01:36:25,990 --> 01:36:23,600

done a shock doctrine

2658

01:36:27,109 --> 01:36:26,000

to implement stuff instead he was

2659

01:36:28,870 --> 01:36:27,119

fighting

2660

01:36:30,870 --> 01:36:28,880

of course because he has he's in the

2661

01:36:31,270 --> 01:36:30,880

hotel business and he's being ruined by

2662

01:36:33,669 --> 01:36:31,280

this

2663

01:36:35,109 --> 01:36:33,679

but he was fighting the lockdown and he

2664

01:36:36,950 --> 01:36:35,119

was wanting

2665

01:36:38,310 --> 01:36:36,960

like every man for himself which is the

2666

01:36:41,669 --> 01:36:38,320

opposite of fascism

2667

01:36:43,590 --> 01:36:41,679

so he's not the fascist but he does have

2668

01:36:46,070 --> 01:36:43,600

like he has fascist enemies and he has

2669

01:36:48,390 --> 01:36:46,080

fascist allies actually

2670

01:36:50,470 --> 01:36:48,400

and so that's why i can't do a hard

2671

01:36:52,390 --> 01:36:50,480

prediction but i can say what i don't

2672

01:36:54,149 --> 01:36:52,400

believe i do not believe he will go

2673

01:36:58,310 --> 01:36:54,159

after the big power players because

2674

01:36:59,990 --> 01:36:58,320

he knows it's they're too powerful

2675

01:37:01,990 --> 01:37:00,000

and i'm not saying biden is powerful

2676

01:37:04,870 --> 01:37:02,000

biden is just a puppet

2677

01:37:06,310 --> 01:37:04,880

like all the other politicians actors

2678

01:37:09,189 --> 01:37:06,320

basically the real powers

2679

01:37:11,109 --> 01:37:09,199

are in the hands of the banks and the

2680

01:37:13,430 --> 01:37:11,119

multinational corporations because we

2681

01:37:15,270 --> 01:37:13,440

live in a hypocrisy folks

2682

01:37:17,430 --> 01:37:15,280

we don't live in socialism we don't live

2683

01:37:20,229 --> 01:37:17,440

in capitalism we live in hypocrisy

2684

01:37:21,910 --> 01:37:20,239

which in cultural and identity politic

2685

01:37:24,149 --> 01:37:21,920

tends to be more left or right

2686

01:37:25,350 --> 01:37:24,159

here and there but that bottom line

2687

01:37:28,470 --> 01:37:25,360

that's it and

2688

01:37:31,830 --> 01:37:28,480

trump alone cannot fight that

2689

01:37:35,350 --> 01:37:31,840

and uh my okay

2690

01:37:38,070 --> 01:37:35,360

i tend to think biden will take over and

2691

01:37:39,830 --> 01:37:38,080

the swamp will be reinforced yes they're

2692

01:37:43,030 --> 01:37:39,840

still strong

2693

01:37:45,590 --> 01:37:43,040

but it's going to be same boss

2694

01:37:46,229 --> 01:37:45,600

as before it's just going to be a new

2695

01:37:47,590 --> 01:37:46,239

face

2696

01:37:49,430 --> 01:37:47,600

that's one of the reasons they hate

2697

01:37:52,870 --> 01:37:49,440

trump because he doesn't put a pleasant

2698

01:37:55,990 --> 01:37:52,880

face on the machine uh biden

2699

01:37:59,189 --> 01:37:56,000

and obama certainly does but in

2700

01:38:02,470 --> 01:37:59,199

in terms of actions um i think

2701

01:38:04,470 --> 01:38:02,480

i think it will be a term for the worse

2702

01:38:07,430 --> 01:38:04,480

but i think it will be balanced by

2703

01:38:09,030 --> 01:38:07,440

people or pricing on different areas

2704

01:38:11,990 --> 01:38:09,040

when they uprise

2705

01:38:12,709 --> 01:38:12,000

against lockdown that they do all over

2706

01:38:15,270 --> 01:38:12,719

the world now

2707

01:38:15,990 --> 01:38:15,280

national strike national strike is one

2708

01:38:18,229 --> 01:38:16,000

general strike

2709

01:38:20,550 --> 01:38:18,239

is one of the left two last tools we

2710

01:38:23,590 --> 01:38:20,560

have left i was trying to say earlier

2711

01:38:26,550 --> 01:38:23,600

but when that happens i think

2712

01:38:27,830 --> 01:38:26,560

we can contain some of the worst [h__h]

2713

01:38:30,950 --> 01:38:27,840

coming down on us

2714

01:38:33,669 --> 01:38:30,960

from the politicians and

2715

01:38:34,550 --> 01:38:33,679

if trump actually goes the way you're

2716

01:38:36,629 --> 01:38:34,560

saying

2717

01:38:39,350 --> 01:38:36,639

it's going to be ugly because he won't

2718

01:38:41,990 --> 01:38:39,360

make a populism regime

2719

01:38:44,950 --> 01:38:42,000

it will be like some kind of bolsonaro

2720

01:38:48,390 --> 01:38:44,960

brazil thing or victor urban

2721

01:38:51,669 --> 01:38:48,400

in hungary which is more or less

2722

01:38:55,109 --> 01:38:51,679

not national one state

2723

01:38:55,750 --> 01:38:55,119

nationalist regime and then you can

2724

01:38:58,070 --> 01:38:55,760

discuss

2725

01:38:59,430 --> 01:38:58,080

is going to be worse or better than what

2726

01:39:02,390 --> 01:38:59,440

you got now

2727

01:39:04,470 --> 01:39:02,400

i can see how things can be much worse

2728

01:39:07,270 --> 01:39:04,480

but maybe it will actually be better

2729

01:39:07,990 --> 01:39:07,280

but that's what you're going to get but

2730

01:39:10,629 --> 01:39:08,000

i hope

2731

01:39:12,550 --> 01:39:10,639

what will happen is that people rise up

2732

01:39:12,790 --> 01:39:12,560

which they will do on different areas

2733

01:39:15,189 --> 01:39:12,800

and

2734

01:39:16,390 --> 01:39:15,199

you you don't smack it down because the

2735

01:39:18,709 --> 01:39:16,400

left and the right

2736

01:39:19,669 --> 01:39:18,719

you know when a left left goes out on

2737

01:39:21,109 --> 01:39:19,679

the street

2738

01:39:23,030 --> 01:39:21,119

black lives matter stuff like that

2739

01:39:26,470 --> 01:39:23,040

against the police the right says oh

2740

01:39:28,070 --> 01:39:26,480

no no [h__h] it this is uh we're against

2741

01:39:28,709 --> 01:39:28,080

this when the right goes out in the

2742

01:39:30,790 --> 01:39:28,719

streets

2743

01:39:32,070 --> 01:39:30,800

like against the mosques or whatever

2744

01:39:34,390 --> 01:39:32,080

then the leftists

2745

01:39:35,750 --> 01:39:34,400

are coming in and poo pooing that and as

2746

01:39:38,709 --> 01:39:35,760

long as people don't

2747

01:39:39,750 --> 01:39:38,719

just realize look we're all pissed we

2748

01:39:42,709 --> 01:39:39,760

have to get

2749

01:39:45,350 --> 01:39:42,719

on the streets with orange west's until

2750

01:39:48,310 --> 01:39:45,360

we take over the democratic institutions

2751

01:39:49,750 --> 01:39:48,320

until that happens big structural

2752

01:39:52,870 --> 01:39:49,760

changes won't happen

2753

01:39:55,109 --> 01:39:52,880

so for 2021 i think the most changes

2754

01:39:57,070 --> 01:39:55,119

would happen in the grassroots

2755

01:39:58,709 --> 01:39:57,080

i think it you will see lots more

2756

01:40:01,940 --> 01:39:58,719

demonstrations

2757

01:40:03,350 --> 01:40:01,950

fighting strikes um

2758

01:40:05,109 --> 01:40:03,360

[Music]

2759

01:40:06,790 --> 01:40:05,119

yeah different kind of populism

2760

01:40:08,950 --> 01:40:06,800

uprisings

2761

01:40:10,310 --> 01:40:08,960

and more much more i think you and me

2762

01:40:12,390 --> 01:40:10,320

will see more listeners

2763

01:40:14,790 --> 01:40:12,400

coming to us the independent will grow

2764

01:40:17,990 --> 01:40:14,800

the independent independent will grow

2765

01:40:19,830 --> 01:40:18,000

or the alt alt as you call it uh but the

2766

01:40:23,189 --> 01:40:19,840

huge structural changes

2767

01:40:26,470 --> 01:40:23,199

well they can happen overnight but

2768

01:40:29,189 --> 01:40:26,480

i can't see ending 2021 with

2769

01:40:31,830 --> 01:40:29,199

let's say a biden regime and still

2770

01:40:34,149 --> 01:40:31,840

having a corvette problem and

2771

01:40:36,070 --> 01:40:34,159

maybe even being closer to a mass mass

2772

01:40:37,189 --> 01:40:36,080

vaccination but more people than ever

2773

01:40:39,830 --> 01:40:37,199

will have

2774

01:40:41,350 --> 01:40:39,840

awakened man and that will be so

2775

01:40:43,430 --> 01:40:41,360

encouraging for us all

2776

01:40:45,030 --> 01:40:43,440

because it's not because it's not about

2777

01:40:47,990 --> 01:40:45,040

what system do we live in

2778

01:40:49,189 --> 01:40:48,000

it's about how many people accept the

2779

01:40:54,629 --> 01:40:49,199

system we live in

2780

01:40:58,070 --> 01:40:57,189

changes is going to happen you know i

2781

01:41:00,149 --> 01:40:58,080

wish i could

2782

01:41:01,830 --> 01:41:00,159

we could deconstruct that which we would

2783

01:41:02,709 --> 01:41:01,840

have to but we just don't have the time

2784

01:41:05,750 --> 01:41:02,719

to do it

2785

01:41:09,350 --> 01:41:05,760

but i think your analysis of trump

2786

01:41:10,470 --> 01:41:09,360

is very very nuanced and very very

2787

01:41:13,669 --> 01:41:10,480

insightful

2788

01:41:16,830 --> 01:41:13,679

in in a lot of ways all right my friend

2789

01:41:20,149 --> 01:41:16,840

our guest our guest again has been the

2790

01:41:22,629 --> 01:41:20,159

fantastic al borealis

2791

01:41:23,750 --> 01:41:22,639

check out forum borealis i'll obviously

2792

01:41:26,629 --> 01:41:23,760

have links

2793

01:41:28,790 --> 01:41:26,639

in the show and don't think this is

2794

01:41:29,510 --> 01:41:28,800

going to be the end of this conversation

2795

01:41:31,510 --> 01:41:29,520

there's

2796

01:41:33,189 --> 01:41:31,520

too much great stuff that we didn't have

2797

01:41:36,629 --> 01:41:33,199

a chance to talk about

2798

01:41:39,590 --> 01:41:36,639

so we'll have to do it again real soon

2799

01:41:40,149 --> 01:41:39,600

and see how this 2021 prediction of his

2800

01:41:43,270 --> 01:41:40,159

uh

2801

01:41:45,350 --> 01:41:43,280

kind of plays out so al my friend

2802

01:41:46,950 --> 01:41:45,360

thank you very much merry christmas

2803

01:41:48,470 --> 01:41:46,960

happy new year

2804

01:41:50,790 --> 01:41:48,480

you're the best buddy i really

2805

01:41:52,950 --> 01:41:50,800

appreciate you and great winter sources

2806

01:41:54,950 --> 01:41:52,960

to you

2807

01:41:57,510 --> 01:41:54,960

thanks again to al for joining me today

2808

01:41:59,189 --> 01:41:57,520

on skeptico the one question i guess i

2809

01:42:02,629 --> 01:41:59,199

tee up is the one that

2810

01:42:03,830 --> 01:42:02,639

we spent so much time on and not that i

2811

01:42:07,030 --> 01:42:03,840

think either one of us

2812

01:42:09,030 --> 01:42:07,040

anticipated it but it kind of led to an

2813

01:42:10,149 --> 01:42:09,040

interesting discussion on a number of

2814

01:42:14,070 --> 01:42:10,159

levels and that

2815

01:42:18,070 --> 01:42:14,080

is what do you make of universal

2816

01:42:21,109 --> 01:42:18,080

health care do you see that more as a

2817

01:42:21,910 --> 01:42:21,119

fundamental right that might give us a

2818

01:42:24,550 --> 01:42:21,920

little

2819

01:42:25,590 --> 01:42:24,560

port in the storm in these very

2820

01:42:28,870 --> 01:42:25,600

uncertain

2821

01:42:31,669 --> 01:42:28,880

and fear generating times

2822

01:42:33,990 --> 01:42:31,679

or do you see it as just another and

2823

01:42:37,910 --> 01:42:34,000

maybe even a primary

2824

01:42:41,350 --> 01:42:37,920

tool of control by a increasingly

2825

01:42:42,790 --> 01:42:41,360

engineered society

2826

01:42:45,830 --> 01:42:42,800

at least that's how i tee up that

2827

01:42:48,550 --> 01:42:45,840

question i'd be super interested to hear

2828

01:42:49,590 --> 01:42:48,560

your answers to it let me know what you

2829

01:42:51,350 --> 01:42:49,600

think

2830

01:42:53,189 --> 01:42:51,360

so i did after we wrapped up this

2831

01:42:57,270 --> 01:42:53,199

interview i did talk to al

2832

01:43:00,229 --> 01:42:57,280

about doing this end-of-year show

2833

01:43:02,070 --> 01:43:00,239

which we originally planned on doing so

2834

01:43:04,790 --> 01:43:02,080

we're now trying to arrange that i think

2835

01:43:05,750 --> 01:43:04,800

absolutely terrific to do with al since

2836

01:43:08,870 --> 01:43:05,760

i have

2837

01:43:11,189 --> 01:43:08,880

so much respect for not only his show

2838

01:43:14,390 --> 01:43:11,199

but his very deep

2839

01:43:16,870 --> 01:43:14,400

thinking on a lot of different topics so

2840

01:43:18,070 --> 01:43:16,880

hopefully we can put that together i

2841

01:43:21,030 --> 01:43:18,080

also have a bunch of

2842

01:43:22,950 --> 01:43:21,040

other shows coming up so please stay

2843

01:43:26,430 --> 01:43:22,960

with me for all of that
