MKULTRA
FLYPAPER

FEATURING

WHITLEY STRIEBER

1
00:00:05,030 --> 00:00:03,590
let me tell you something about black

2
00:00:08,150 --> 00:00:05,040
magic

3
00:00:11,990 --> 00:00:08,160
first it's quite real and second

4
00:00:16,150 --> 00:00:12,000
it's like fly paper you touch it

5
00:00:17,189 --> 00:00:16,160
you can never escape never escape an

6
00:00:23,269 --> 00:00:17,199
organization

7
00:00:27,509 --> 00:00:23,279
it

8
00:00:30,550 --> 00:00:27,519
who i would maintain

9
00:00:33,750 --> 00:00:30,560
is one of the most important

10
00:00:34,630 --> 00:00:33,760
figures in our who are we why are we

11
00:00:40,630 --> 00:00:34,640
here

12
00:00:44,310 --> 00:00:40,640
movie communion

13
00:00:46,229 --> 00:00:44,320

which was based on his new york times

14

00:00:46,869 --> 00:00:46,239

number one best-selling book of the same

15

00:00:49,670 --> 00:00:46,879

name which

16

00:00:51,990 --> 00:00:49,680

really doesn't even give it credit in

17

00:00:52,790 --> 00:00:52,000

terms of the significance it had to our

18

00:00:56,549 --> 00:00:52,800

culture but

19

00:01:00,310 --> 00:00:58,150

people have seen the same sort of things

20

00:01:00,950 --> 00:01:00,320

you have which group of aliens abducted

21

00:01:03,270 --> 00:01:00,960

you

22

00:01:04,210 --> 00:01:03,280

bob we are not victims we are

23

00:01:08,789 --> 00:01:04,220

participants

24

00:01:11,990 --> 00:01:11,670

so there's some pretty dark stuff there

25

00:01:15,270 --> 00:01:12,000

but

26

00:01:19,429 --> 00:01:15,280

whitley does offer a path forward

27

00:01:22,789 --> 00:01:19,439

a way out of the vortex there's only one

28

00:01:26,550 --> 00:01:22,799

way to escape and that is to

29

00:01:31,030 --> 00:01:26,560

live a life of love

30

00:01:35,109 --> 00:01:31,040

compassion and humility if you do not

31

00:01:38,550 --> 00:01:35,119

actively work on that

32

00:01:40,310 --> 00:01:38,560

you will not escape

33

00:01:42,870 --> 00:01:40,320

welcome to skeptico where we explore

34

00:01:45,429 --> 00:01:42,880

controversial science and spirituality

35

00:01:46,310 --> 00:01:45,439

with leading researchers thinkers and

36

00:01:49,030 --> 00:01:46,320

their critics

37

00:01:51,830 --> 00:01:49,040

i'm your host alex accaris and today we

38

00:01:54,230 --> 00:01:51,840

welcome whitley strieber to skeptic co

39

00:01:55,910 --> 00:01:54,240

he's here to talk about his new book

40

00:01:56,389 --> 00:01:55,920

which we have up on the screen there on

41

00:02:00,469 --> 00:01:56,399

amazon

42

00:02:02,630 --> 00:02:00,479

a new world very affordably priced i've

43

00:02:06,069 --> 00:02:02,640

got a little discount on mine but

44

00:02:09,190 --> 00:02:06,079

eight bucks just an unbelievably classic

45

00:02:12,070 --> 00:02:09,200

book but we'll get into that in a minute

46

00:02:13,589 --> 00:02:12,080

and uh we might also learn what's going

47

00:02:16,949 --> 00:02:13,599

on with his very

48

00:02:19,910 --> 00:02:16,959

excellent website unknown country

49

00:02:21,670 --> 00:02:19,920

and of course his podcast that i'm sure

50

00:02:22,869 --> 00:02:21,680

many of you have checked out at various

51
00:02:26,390 --> 00:02:22,879
times

52
00:02:29,589 --> 00:02:26,400
dreamland so you know

53
00:02:31,910 --> 00:02:29,599
before we jumped into all that i wanted

54
00:02:35,270 --> 00:02:31,920
to pause for a minute

55
00:02:38,869 --> 00:02:35,280
and bring a little bit of perspective to

56
00:02:40,710 --> 00:02:38,879
today's talk because you know as i've

57
00:02:41,990 --> 00:02:40,720
kind of said on this show there really

58
00:02:45,910 --> 00:02:42,000
are only two

59
00:02:48,790 --> 00:02:45,920
questions who are we and why are we here

60
00:02:50,790 --> 00:02:48,800
so if you go look at science that's all

61
00:02:52,630 --> 00:02:50,800
science really fundamentally is ever

62
00:02:53,270 --> 00:02:52,640
asking that's all philosophy is ever

63
00:02:55,110 --> 00:02:53,280

asking

64

00:02:57,030 --> 00:02:55,120

you might even say that's all religion

65

00:02:59,750 --> 00:02:57,040

is ever asking

66

00:03:00,949 --> 00:02:59,760

and if you look at those two questions

67

00:03:04,869 --> 00:03:00,959

and you look at this

68

00:03:07,990 --> 00:03:04,879

new now to close disclosed reality

69

00:03:10,470 --> 00:03:08,000

about the lights in the sky about the

70

00:03:11,110 --> 00:03:10,480

craft that has been video released on

71

00:03:15,190 --> 00:03:11,120

the

72

00:03:18,309 --> 00:03:15,200

times and

73

00:03:21,030 --> 00:03:18,319

all the the news rep news reporters

74

00:03:21,350 --> 00:03:21,040

it's on mainstream news everybody and if

75

00:03:24,390 --> 00:03:21,360

we

76

00:03:27,430 --> 00:03:24,400

think how fundamentally

77

00:03:29,430 --> 00:03:27,440

that has shifted that has answered

78

00:03:31,750 --> 00:03:29,440

or at least begun to answer those two

79

00:03:34,949 --> 00:03:31,760

questions who are we why are we here

80

00:03:37,270 --> 00:03:34,959

and then you ask yourself name one

81

00:03:41,190 --> 00:03:37,280

person

82

00:03:43,910 --> 00:03:41,200

the center

83

00:03:45,910 --> 00:03:43,920

of that monumental shift in all of

84

00:03:47,430 --> 00:03:45,920

history of answering those two questions

85

00:03:49,430 --> 00:03:47,440

paradigm shift now we have a whole new

86

00:03:51,350 --> 00:03:49,440

way of answering them

87

00:03:53,509 --> 00:03:51,360

whitley strieber has to be in there i

88

00:03:53,910 --> 00:03:53,519

mean he has to be i think he's the one

89

00:03:58,070 --> 00:03:53,920

but

90

00:04:01,429 --> 00:03:58,080

he's certainly one of the very few

91

00:04:02,470 --> 00:04:01,439

so there aren't a lot of uh seminal

92

00:04:05,509 --> 00:04:02,480

events

93

00:04:06,710 --> 00:04:05,519

in this kind of paradigm shift this new

94

00:04:09,990 --> 00:04:06,720

understanding of

95

00:04:11,589 --> 00:04:10,000

who we are and why we're here but maybe

96

00:04:14,309 --> 00:04:11,599

if we were just gonna pick out

97

00:04:15,030 --> 00:04:14,319

three of them randomly we'd say okay

98

00:04:17,430 --> 00:04:15,040

maybe

99

00:04:18,870 --> 00:04:17,440

roswell that certainly kind of was a

100

00:04:20,310 --> 00:04:18,880

paradigm shift no matter what you think

101
00:04:22,069 --> 00:04:20,320
about roswell no matter what your

102
00:04:25,749 --> 00:04:22,079
opinion is

103
00:04:30,310 --> 00:04:25,759
a second one would be the current

104
00:04:33,590 --> 00:04:32,150
disclosure i guess we could call it that

105
00:04:35,510 --> 00:04:33,600
we're going through that some people

106
00:04:36,310 --> 00:04:35,520
call it a psyop but it certainly is an

107
00:04:40,230 --> 00:04:36,320
official

108
00:04:43,030 --> 00:04:40,240
event would have to be

109
00:04:43,990 --> 00:04:43,040
the publication of whitley's book

110
00:04:46,230 --> 00:04:44,000
communion

111
00:04:47,189 --> 00:04:46,240
which if people don't remember because

112
00:04:50,790 --> 00:04:47,199
they're not

113
00:04:52,629 --> 00:04:50,800

older when communion

114

00:04:54,150 --> 00:04:52,639

was in the bookshelves back when they

115

00:04:59,110 --> 00:04:54,160

had bookstores

116

00:05:01,510 --> 00:04:59,120

it stopped people in their tracks

117

00:05:03,350 --> 00:05:01,520

they were not not mesmerized i was going

118

00:05:07,590 --> 00:05:03,360

to say but that isn't the correct word

119

00:05:11,189 --> 00:05:07,600

they were they were transformed

120

00:05:13,270 --> 00:05:11,199

by their real memories of things that

121

00:05:16,550 --> 00:05:13,280

had happened to them

122

00:05:19,990 --> 00:05:16,560

that's how significant that book was

123

00:05:23,749 --> 00:05:20,000

it shifted our whole perception

124

00:05:27,270 --> 00:05:23,759

of this phenomenon from a nuts

125

00:05:30,870 --> 00:05:27,280

and bolts technology phenomenon

126
00:05:34,390 --> 00:05:30,880
to an experienter phenomenon

127
00:05:34,950 --> 00:05:34,400
whitley did that and then he changed it

128
00:05:39,830 --> 00:05:34,960
again

129
00:05:42,230 --> 00:05:39,840
along the way just by his own raw

130
00:05:42,870 --> 00:05:42,240
discovery and sharing that discovery

131
00:05:47,270 --> 00:05:42,880
with us

132
00:05:51,029 --> 00:05:47,280
he shifted it again to a consciousness

133
00:05:52,310 --> 00:05:51,039
centered experience saying that it's not

134
00:05:54,150 --> 00:05:52,320
just about the experience

135
00:05:55,909 --> 00:05:54,160
it's about what the experience means at

136
00:05:57,430 --> 00:05:55,919
that consciousness level

137
00:05:59,110 --> 00:05:57,440
and then finally if you've followed his

138
00:06:01,430 --> 00:05:59,120

work in the last few years

139

00:06:03,510 --> 00:06:01,440

he shifted it again in the most

140

00:06:06,070 --> 00:06:03,520

significant way from a

141

00:06:08,150 --> 00:06:06,080

consciousness centered which really

142

00:06:11,510 --> 00:06:08,160

means mind for a lot of people

143

00:06:14,629 --> 00:06:11,520

to an extended consciousness perspective

144

00:06:16,950 --> 00:06:14,639

the work with his departed wife anne

145

00:06:19,430 --> 00:06:16,960

and her near-death experience and then

146

00:06:22,469 --> 00:06:19,440

her after death communication

147

00:06:25,590 --> 00:06:22,479

and whitley's ongoing

148

00:06:27,990 --> 00:06:25,600

extended consciousness communication

149

00:06:29,029 --> 00:06:28,000

with these ones that he calls the

150

00:06:32,390 --> 00:06:29,039

visitors

151
00:06:34,469 --> 00:06:32,400
and what that means at a deep dare i say

152
00:06:36,790 --> 00:06:34,479
spiritual level but we have to because

153
00:06:40,309 --> 00:06:36,800
that's what it's at

154
00:06:43,510 --> 00:06:40,319
it's phenomenal phenomenal

155
00:06:46,870 --> 00:06:43,520
person in our in our history

156
00:06:49,430 --> 00:06:46,880
which we just don't we just don't

157
00:06:51,270 --> 00:06:49,440
appreciate it do you have any

158
00:06:53,350 --> 00:06:51,280
any thoughts on your position in all

159
00:06:55,510 --> 00:06:53,360
this your legacy position or anything

160
00:06:58,230 --> 00:06:55,520
like that

161
00:06:59,270 --> 00:06:58,240
yeah i certainly thought about it a lot

162
00:07:01,029 --> 00:06:59,280
uh you know

163
00:07:02,550 --> 00:07:01,039

how did i end up dropped into this

164

00:07:05,749 --> 00:07:02,560

particular

165

00:07:07,909 --> 00:07:05,759

bag i was uh not

166

00:07:09,830 --> 00:07:07,919

living a life that was connected with

167

00:07:13,589 --> 00:07:09,840

this in any way

168

00:07:16,710 --> 00:07:13,599

when i was uh when when it happened

169

00:07:19,990 --> 00:07:16,720

at least that's not i thought i wasn't

170

00:07:23,909 --> 00:07:20,000

but that wasn't the case uh

171

00:07:30,629 --> 00:07:27,110

and my father were involved in the

172

00:07:33,270 --> 00:07:30,639

in the whole secret world in some ways

173

00:07:35,029 --> 00:07:33,280

my uncle pretty much opened up to me and

174

00:07:36,550 --> 00:07:35,039

introduced me to general arthur

175

00:07:39,430 --> 00:07:36,560

excellent who

176

00:07:40,790 --> 00:07:39,440

and i based what they told me i based my

177

00:07:43,350 --> 00:07:40,800

novel majestic

178

00:07:44,070 --> 00:07:43,360

on what they told me about roswell in

179

00:07:47,029 --> 00:07:44,080

the aftermath

180

00:07:47,990 --> 00:07:47,039

of roswell and since then i've pretty

181

00:07:51,350 --> 00:07:48,000

well

182

00:07:52,550 --> 00:07:51,360

gotten the whole story straight so i

183

00:07:56,309 --> 00:07:52,560

have a

184

00:07:59,430 --> 00:07:56,319

a a really quite accurate timeline

185

00:08:02,150 --> 00:07:59,440

from there to here and uh

186

00:08:04,550 --> 00:08:02,160

the difficulty has been that i've been

187

00:08:07,909 --> 00:08:04,560

asked to keep

188

00:08:09,749 --> 00:08:07,919

secrets in in in some cases and

189

00:08:11,029 --> 00:08:09,759

there are therefore holes in the

190

00:08:14,070 --> 00:08:11,039

narrative

191

00:08:17,270 --> 00:08:14,080

and i'm hoping that i will get

192

00:08:20,869 --> 00:08:17,280

some kind of cloture

193

00:08:24,309 --> 00:08:20,879

on this at some point but as far as my

194

00:08:24,710 --> 00:08:24,319

personal life is concerned i wrote a

195

00:08:28,790 --> 00:08:24,720

book

196

00:08:32,230 --> 00:08:28,800

years ago called the secret school

197

00:08:35,029 --> 00:08:32,240

which is a sort of an exploration of

198

00:08:37,589 --> 00:08:35,039

strange childhood memories or are they

199

00:08:40,469 --> 00:08:37,599

memories i've never been sure

200

00:08:41,509 --> 00:08:40,479

some of them i'm pretty sure of

201
00:08:44,630 --> 00:08:41,519
ironically the

202
00:08:46,389 --> 00:08:44,640
one i'm most sure of i did not mention

203
00:08:49,350 --> 00:08:46,399
in the book because i didn't remember it

204
00:08:52,070 --> 00:08:49,360
when i was writing the book only later

205
00:08:52,829 --> 00:08:52,080
and that is that i was in some kind of

206
00:09:00,550 --> 00:08:52,839
very

207
00:09:03,110 --> 00:09:00,560
disturbing educational program

208
00:09:03,910 --> 00:09:03,120
as a little boy i thought at first it

209
00:09:07,269 --> 00:09:03,920
happened

210
00:09:10,949 --> 00:09:07,279
in 1947 when i was uh would have been

211
00:09:15,030 --> 00:09:10,959
three or four would have been four um

212
00:09:18,550 --> 00:09:15,040
but it actually happened in 1952

213
00:09:21,670 --> 00:09:18,560

and it involved yeah it using

214

00:09:26,470 --> 00:09:21,680

something called a skinner box exactly

215

00:09:30,550 --> 00:09:26,480

and uh i was

216

00:09:34,150 --> 00:09:30,560

very unsure about this memory

217

00:09:34,710 --> 00:09:34,160

until i mentioned it to a man who is in

218

00:09:39,509 --> 00:09:34,720

an

219

00:09:42,310 --> 00:09:39,519

different career path from mine

220

00:09:44,630 --> 00:09:42,320

a very successful man one of the world

221

00:09:45,670 --> 00:09:44,640

leaders in his field who also happens to

222

00:09:48,710 --> 00:09:45,680

be

223

00:09:50,630 --> 00:09:48,720

arguably my closest friend and

224

00:09:52,470 --> 00:09:50,640

we have been friends since childhood and

225

00:09:54,630 --> 00:09:52,480

our family friendship

226

00:09:56,150 --> 00:09:54,640

you know in the southeast and anywhere

227

00:09:58,870 --> 00:09:56,160

in the country for that matter

228

00:10:01,030 --> 00:09:58,880

these family friendships can go back a

229

00:10:01,990 --> 00:10:01,040

long time goes back three generations

230

00:10:04,310 --> 00:10:02,000

now

231

00:10:06,310 --> 00:10:04,320

and our kids and grandkids are the

232

00:10:07,910 --> 00:10:06,320

fourth and fifth generation so it's a

233

00:10:10,150 --> 00:10:07,920

long friendship

234

00:10:12,470 --> 00:10:10,160

and i trust him deeply i trust him i

235

00:10:15,430 --> 00:10:12,480

would trust him with my soul

236

00:10:17,030 --> 00:10:15,440

uh and i mentioned it to him and to my

237

00:10:19,350 --> 00:10:17,040

amazement he said well you know they

238

00:10:22,630 --> 00:10:19,360

tried to recruit me too

239

00:10:25,750 --> 00:10:22,640

i was seven when this happened

240

00:10:27,350 --> 00:10:25,760

he was not and and there's a great deal

241

00:10:29,430 --> 00:10:27,360

of difference between the mind of a

242

00:10:33,350 --> 00:10:29,440

seven-year-old and a nine-year-old

243

00:10:36,389 --> 00:10:33,360

he remembers very well being in the room

244

00:10:39,509 --> 00:10:36,399

when the two air force

245

00:10:41,269 --> 00:10:39,519

people a man and a woman who his parents

246

00:10:44,630 --> 00:10:41,279

knew they were friends

247

00:10:45,269 --> 00:10:44,640

tried to recruit him for the program and

248

00:10:49,190 --> 00:10:45,279

they

249

00:10:50,790 --> 00:10:49,200

extremely bright children

250

00:10:53,350 --> 00:10:50,800

and that there would only be a few

251

00:10:55,350 --> 00:10:53,360

people in san antonio selected for it

252

00:10:57,670 --> 00:10:55,360

only five or six children

253

00:11:00,630 --> 00:10:57,680

and uh he was one of them because they

254

00:11:01,030 --> 00:11:00,640

had that the air force had been behind

255

00:11:04,630 --> 00:11:01,040

the

256

00:11:05,590 --> 00:11:04,640

general eye general iq testing of

257

00:11:08,069 --> 00:11:05,600

children

258

00:11:09,829 --> 00:11:08,079

aren't you lucky aren't you the lucky

259

00:11:11,590 --> 00:11:09,839

not not really

260

00:11:13,430 --> 00:11:11,600

but and you know when i heard you when i

261

00:11:15,110 --> 00:11:13,440

heard you uh the first time i heard you

262

00:11:19,350 --> 00:11:15,120

tell this story

263

00:11:22,790 --> 00:11:19,360

i was stunned by the your openness

264

00:11:25,910 --> 00:11:22,800

about struggling to come to grips with

265

00:11:28,150 --> 00:11:25,920

it and how the account of your friend

266

00:11:29,350 --> 00:11:28,160

and his parents who basically said

267

00:11:31,269 --> 00:11:29,360

get the hell out of here you're not

268

00:11:33,110 --> 00:11:31,279

putting my son in any skin or box i

269

00:11:35,030 --> 00:11:33,120

don't care what you call it

270

00:11:36,150 --> 00:11:35,040

and what you keep adding to the story

271

00:11:38,230 --> 00:11:36,160

which is

272

00:11:39,670 --> 00:11:38,240

is just revealing more and more layers

273

00:11:41,430 --> 00:11:39,680

whitley it's not like you're adding

274

00:11:43,190 --> 00:11:41,440

anything to the story you're revealing

275

00:11:44,630 --> 00:11:43,200

more about the story but the two things

276

00:11:45,110 --> 00:11:44,640

i just want you to touch on about that

277

00:11:49,030 --> 00:11:45,120

story

278

00:11:51,829 --> 00:11:49,040

was uh number one that you're

279

00:11:54,069 --> 00:11:51,839

for it's a horrible word complicit but

280

00:11:55,590 --> 00:11:54,079

your family was complicit in this at a

281

00:11:56,710 --> 00:11:55,600

level that you didn't understand until

282

00:11:58,710 --> 00:11:56,720

you were much older

283

00:12:00,230 --> 00:11:58,720

so there was no option on their their

284

00:12:01,590 --> 00:12:00,240

part they had already kind of

285

00:12:03,350 --> 00:12:01,600

signed up for this and we don't even

286

00:12:05,350 --> 00:12:03,360

know what they had done before

287

00:12:06,949 --> 00:12:05,360

but i remember the other thing i

288

00:12:08,069 --> 00:12:06,959

remember about your story that was

289

00:12:09,750 --> 00:12:08,079

particularly

290

00:12:11,190 --> 00:12:09,760

poignant to me and and i want you to

291

00:12:12,949 --> 00:12:11,200

retell it if it's true but

292

00:12:14,470 --> 00:12:12,959

you dressing up as your in your sunday

293

00:12:17,430 --> 00:12:14,480

best to you know

294

00:12:18,230 --> 00:12:17,440

go for the special program and sitting

295

00:12:20,150 --> 00:12:18,240

and waiting

296

00:12:21,750 --> 00:12:20,160

and doing that for the first weekend but

297

00:12:24,710 --> 00:12:21,760

then the second weekend

298

00:12:26,790 --> 00:12:24,720

you had this like fear and panic and the

299

00:12:28,790 --> 00:12:26,800

parents were like oh get ready

300

00:12:30,870 --> 00:12:28,800

we're all ready and you're like not even

301
00:12:33,590 --> 00:12:30,880
knowing how to process that but saying

302
00:12:34,150 --> 00:12:33,600
this is not something that's right or

303
00:12:38,230 --> 00:12:34,160
good

304
00:12:41,110 --> 00:12:38,240
or proper well first of all a couple of

305
00:12:43,350 --> 00:12:41,120
logistical corrections it was thursday

306
00:12:47,430 --> 00:12:43,360
nights not weekends

307
00:12:50,870 --> 00:12:47,440
uh and it was and we were

308
00:12:54,150 --> 00:12:50,880
when mother began to dress us

309
00:12:55,990 --> 00:12:54,160
for this to get us to dress because she

310
00:12:58,470 --> 00:12:56,000
wanted us to look our best

311
00:13:00,230 --> 00:12:58,480
my parents had no they had not been told

312
00:13:01,350 --> 00:13:00,240
the truth about what was happening i'm

313
00:13:04,790 --> 00:13:01,360

sure

314

00:13:07,670 --> 00:13:04,800

um let me let me go back to the strange

315

00:13:09,269 --> 00:13:07,680

one thing my father has to have been one

316

00:13:10,870 --> 00:13:09,279

of the most tight-lipped human beings

317

00:13:14,470 --> 00:13:10,880

who ever existed

318

00:13:16,710 --> 00:13:14,480

he was very very

319

00:13:18,829 --> 00:13:16,720

kept everything everything very close to

320

00:13:22,389 --> 00:13:18,839

the chest but

321

00:13:26,310 --> 00:13:22,399

um colonel guy hicks

322

00:13:29,350 --> 00:13:26,320

who was the officer in command

323

00:13:34,310 --> 00:13:29,360

uh when uh captain

324

00:13:37,350 --> 00:13:34,320

mantell back in 19 in the early 50s

325

00:13:40,870 --> 00:13:37,360

uh flew his mustang

326

00:13:42,870 --> 00:13:40,880

toward a ufo and crashed

327

00:13:45,110 --> 00:13:42,880

and it's a famous ufo incident the

328

00:13:48,310 --> 00:13:45,120

mantel incident

329

00:13:48,710 --> 00:13:48,320

his family ended up living just down

330

00:13:51,829 --> 00:13:48,720

this

331

00:13:54,949 --> 00:13:51,839

just just a block away from us and

332

00:13:56,470 --> 00:13:54,959

my father and mother specifically sent

333

00:13:59,750 --> 00:13:56,480

me over there

334

00:14:03,110 --> 00:13:59,760

to play with his children and i

335

00:14:04,310 --> 00:14:03,120

remember perhaps them asking me

336

00:14:07,350 --> 00:14:04,320

questions about it but i

337

00:14:09,750 --> 00:14:07,360

i don't remember in any detail

338

00:14:10,550 --> 00:14:09,760

but what was going on that he was even

339

00:14:14,069 --> 00:14:10,560

there

340

00:14:14,949 --> 00:14:14,079

down the street across the street from

341

00:14:18,069 --> 00:14:14,959

us

342

00:14:19,430 --> 00:14:18,079

so something was up that and you're

343

00:14:21,590 --> 00:14:19,440

right i think when you say there was

344

00:14:23,910 --> 00:14:21,600

some kind of locomotion there

345

00:14:24,949 --> 00:14:23,920

i don't think my parents realized how

346

00:14:27,509 --> 00:14:24,959

traumatic this

347

00:14:29,509 --> 00:14:27,519

was going to be they probably didn't

348

00:14:31,110 --> 00:14:29,519

know what a skinner box was but the

349

00:14:34,230 --> 00:14:31,120

other parents the

350

00:14:37,110 --> 00:14:34,240

the husband was a trial lawyer

351

00:14:39,030 --> 00:14:37,120

and he had been involved in a

352

00:14:41,430 --> 00:14:39,040

brainwashing case and so he knew

353

00:14:43,990 --> 00:14:41,440

everything there was to know about

354

00:14:45,750 --> 00:14:44,000

mind control and mind mind-changing

355

00:14:49,269 --> 00:14:45,760

systems and so forth

356

00:14:52,150 --> 00:14:49,279

so that was why they declined uh

357

00:14:52,710 --> 00:14:52,160

to let their child go into this it was

358

00:14:55,829 --> 00:14:52,720

pitched

359

00:14:57,269 --> 00:14:55,839

to the parents as he tells me i don't

360

00:14:58,389 --> 00:14:57,279

remember my parents never mentioned

361

00:15:02,389 --> 00:14:58,399

anything about

362

00:15:05,430 --> 00:15:02,399

what they had been told uh as a real

363

00:15:08,629 --> 00:15:05,440

honor you know that and

364

00:15:09,910 --> 00:15:08,639

but they took my sister and a boy who

365

00:15:13,430 --> 00:15:09,920

lived across the street

366

00:15:16,470 --> 00:15:13,440

with us with me because

367

00:15:21,110 --> 00:15:16,480

they what they were really going to do

368

00:15:24,310 --> 00:15:21,120

was not pleasant and they they needed

369

00:15:26,310 --> 00:15:24,320

i think they needed the the some

370

00:15:27,269 --> 00:15:26,320

companionship for me because i think i

371

00:15:29,990 --> 00:15:27,279

would have been

372

00:15:30,550 --> 00:15:30,000

too panicked to function had i not had

373

00:15:33,269 --> 00:15:30,560

other

374

00:15:34,629 --> 00:15:33,279

children who were familiar to me with me

375

00:15:36,150 --> 00:15:34,639

as i recall

376

00:15:38,710 --> 00:15:36,160

there may have been other children

377

00:15:42,550 --> 00:15:38,720

involved i have all kinds of weird

378

00:15:46,389 --> 00:15:42,560

half imaginary half maybe real memories

379

00:15:48,310 --> 00:15:46,399

of uh of uh

380

00:15:49,590 --> 00:15:48,320

that i don't discuss because they're too

381

00:15:52,790 --> 00:15:49,600

vague and too

382

00:15:54,470 --> 00:15:52,800

incendiary really but i do remember one

383

00:15:56,870 --> 00:15:54,480

time being uh

384

00:15:58,310 --> 00:15:56,880

so upset that they took me to the flight

385

00:16:02,550 --> 00:15:58,320

line

386

00:16:05,430 --> 00:16:02,560

and uh now this did happen on a weekend

387

00:16:07,189 --> 00:16:05,440

and they they dad took me out to the

388

00:16:10,949 --> 00:16:07,199

base to the air force base

389

00:16:13,670 --> 00:16:10,959

and uh they showed me around

390

00:16:15,189 --> 00:16:13,680

and they were very nice to me and they

391

00:16:18,150 --> 00:16:15,199

took me to the flight line

392

00:16:19,829 --> 00:16:18,160

and let me sit in a saber jet and they

393

00:16:23,590 --> 00:16:19,839

were trying to

394

00:16:27,110 --> 00:16:23,600

make my make me more comfortable there

395

00:16:30,310 --> 00:16:27,120

and but that didn't work and

396

00:16:32,150 --> 00:16:30,320

this the the program started in august

397

00:16:33,590 --> 00:16:32,160

just before school started about two

398

00:16:37,110 --> 00:16:33,600

weeks before school started

399

00:16:38,870 --> 00:16:37,120

i think by october

400

00:16:40,870 --> 00:16:38,880

my immune system had completely

401
00:16:43,590 --> 00:16:40,880
collapsed and i was getting

402
00:16:45,509 --> 00:16:43,600
sickness i i was getting cold after cold

403
00:16:48,710 --> 00:16:45,519
disease after disease

404
00:16:51,749 --> 00:16:48,720
my mother took me to our doctor

405
00:16:53,509 --> 00:16:51,759
and he told her that i had no white

406
00:16:55,829 --> 00:16:53,519
blood cells

407
00:16:57,590 --> 00:16:55,839
and she mentioned she talked about this

408
00:16:58,790 --> 00:16:57,600
before and the result was that i was

409
00:17:02,829 --> 00:16:58,800
taken

410
00:17:06,630 --> 00:17:02,839
not to uh uh

411
00:17:10,230 --> 00:17:06,640
a hospital like a

412
00:17:12,309 --> 00:17:10,240
local like a local children's hospital

413
00:17:14,549 --> 00:17:12,319

i was taken to brook general hospital

414

00:17:18,870 --> 00:17:14,559

the military hospital

415

00:17:20,710 --> 00:17:18,880

and i was isolated there for about uh

416

00:17:23,029 --> 00:17:20,720

maybe three or four days i know mother

417

00:17:23,510 --> 00:17:23,039

came and slept with me one night or

418

00:17:25,829 --> 00:17:23,520

maybe

419

00:17:28,309 --> 00:17:25,839

all nights i don't know and i was given

420

00:17:31,190 --> 00:17:28,319

shots of glamour globulin

421

00:17:33,110 --> 00:17:31,200

then i was taken home and not allowed to

422

00:17:35,110 --> 00:17:33,120

go to school

423

00:17:36,870 --> 00:17:35,120

and not allowed to see any other

424

00:17:40,230 --> 00:17:36,880

children

425

00:17:41,270 --> 00:17:40,240

until uh the until the january of that

426
00:17:43,510 --> 00:17:41,280
year came i was

427
00:17:44,549 --> 00:17:43,520
i was out of school until january that

428
00:17:47,590 --> 00:17:44,559
was in october

429
00:17:51,909 --> 00:17:47,600
and i was no longer in the program

430
00:17:55,750 --> 00:17:51,919
so that's that that's what happened

431
00:17:59,029 --> 00:17:55,760
i i attribute the visitors

432
00:18:00,630 --> 00:17:59,039
coming into my life somehow or another

433
00:18:02,630 --> 00:18:00,640
to that program

434
00:18:04,710 --> 00:18:02,640
tell me to kind of lay out a couple of

435
00:18:06,789 --> 00:18:04,720
connections that i've stumbled upon

436
00:18:09,190 --> 00:18:06,799
and i want you to comment them on

437
00:18:11,669 --> 00:18:09,200
because you have

438
00:18:13,990 --> 00:18:11,679

you've laid out these threads but i

439

00:18:17,590 --> 00:18:14,000

appreciate that you are reluctant

440

00:18:18,870 --> 00:18:17,600

to stitch things together in a neat and

441

00:18:21,270 --> 00:18:18,880

tidy way

442

00:18:23,029 --> 00:18:21,280

when it doesn't belong in a neat and

443

00:18:23,909 --> 00:18:23,039

tidy way and i really respect that you

444

00:18:25,430 --> 00:18:23,919

can't do that

445

00:18:27,350 --> 00:18:25,440

then you're then you're living an

446

00:18:29,510 --> 00:18:27,360

illusion

447

00:18:31,510 --> 00:18:29,520

and and that's why we we trust you and

448

00:18:33,190 --> 00:18:31,520

that's why you know in your book you

449

00:18:34,710 --> 00:18:33,200

you say at the beginning that you're not

450

00:18:37,990 --> 00:18:34,720

a liar and you don't

451
00:18:40,470 --> 00:18:38,000
uh tolerate you don't tolerate liars

452
00:18:41,029 --> 00:18:40,480
and i love that because that's what we

453
00:18:43,510 --> 00:18:41,039
need

454
00:18:45,029 --> 00:18:43,520
so a couple of pieces to string together

455
00:18:47,909 --> 00:18:45,039
here one of course is the

456
00:18:48,310 --> 00:18:47,919
mk ultra program which all indications

457
00:18:50,549 --> 00:18:48,320
would

458
00:18:51,830 --> 00:18:50,559
seem to point to the fact that this was

459
00:18:53,830 --> 00:18:51,840
part of the

460
00:18:55,510 --> 00:18:53,840
mk ultra program people looked into it

461
00:18:56,470 --> 00:18:55,520
know that you know it's not just a

462
00:18:58,630 --> 00:18:56,480
couple of

463
00:19:00,789 --> 00:18:58,640

doctors up there in canada fooling

464

00:19:02,950 --> 00:19:00,799

around there are 150 programs

465

00:19:04,549 --> 00:19:02,960

at least that we've traced before they

466

00:19:07,430 --> 00:19:04,559

shut down all the information

467

00:19:09,270 --> 00:19:07,440

many places throughout the united states

468

00:19:09,990 --> 00:19:09,280

one of the little tidbits that i picked

469

00:19:13,190 --> 00:19:10,000

up from

470

00:19:15,430 --> 00:19:13,200

ufo researcher grant cameron who i

471

00:19:16,789 --> 00:19:15,440

i like and respect and he had a great

472

00:19:20,070 --> 00:19:16,799

point about the

473

00:19:21,909 --> 00:19:20,080

wilbert smith memo that's pretty famous

474

00:19:24,390 --> 00:19:21,919

and was released back in the 50s through

475

00:19:25,750 --> 00:19:24,400

a freedom of information act

476

00:19:27,510 --> 00:19:25,760

i won't repeat that sir because i've

477

00:19:28,630 --> 00:19:27,520

told so many times and i'm sure you know

478

00:19:31,430 --> 00:19:28,640

it but

479

00:19:34,310 --> 00:19:31,440

you know he's a canadian he's working

480

00:19:37,110 --> 00:19:34,320

the canadian weird desk if you will

481

00:19:38,150 --> 00:19:37,120

and finally he enough ufo stuff piles up

482

00:19:40,390 --> 00:19:38,160

on his desks

483

00:19:41,669 --> 00:19:40,400

that he's he's tells his boss i need to

484

00:19:43,350 --> 00:19:41,679

go down to the states

485

00:19:44,789 --> 00:19:43,360

and he goes down and he meets fandom our

486

00:19:45,430 --> 00:19:44,799

bush and he meets all these other guys

487

00:19:46,950 --> 00:19:45,440

and they say

488

00:19:48,390 --> 00:19:46,960

you got some good stuff so you're in the

489

00:19:49,590 --> 00:19:48,400

club we can tell you a little bit about

490

00:19:51,750 --> 00:19:49,600

what's going on

491

00:19:52,789 --> 00:19:51,760

and they say yeah this is the main thing

492

00:19:55,990 --> 00:19:52,799

the ufo thing

493

00:20:02,630 --> 00:19:59,190

pardon me but would he throw what

494

00:20:04,710 --> 00:20:02,640

what is in the wilbert smith memo

495

00:20:05,990 --> 00:20:04,720

to his boss that was never supposed to

496

00:20:09,110 --> 00:20:06,000

be public

497

00:20:12,630 --> 00:20:09,120

is the last sentence says

498

00:20:15,990 --> 00:20:12,640

they understand it to be a mental

499

00:20:19,510 --> 00:20:16,000

phenomenon and are pursuing it

500

00:20:20,950 --> 00:20:19,520

in those lines and he suspects and i

501
00:20:24,310 --> 00:20:20,960
agree with him

502
00:20:27,430 --> 00:20:24,320
that the rise and the impetus for the

503
00:20:30,230 --> 00:20:27,440
mk ultra program was at least

504
00:20:31,510 --> 00:20:30,240
partially if not significantly driven by

505
00:20:33,990 --> 00:20:31,520
the fact

506
00:20:35,909 --> 00:20:34,000
that they had made some kind of contact

507
00:20:38,830 --> 00:20:35,919
and they had immediately

508
00:20:40,310 --> 00:20:38,840
had to give up this idea of this

509
00:20:43,350 --> 00:20:40,320
materialistic

510
00:20:45,110 --> 00:20:43,360
you are a biological robot

511
00:20:48,149 --> 00:20:45,120
in a meaning it because they were

512
00:20:50,950 --> 00:20:48,159
speaking or communicating telepathically

513
00:20:52,789 --> 00:20:50,960

and then they in typical military

514

00:20:54,950 --> 00:20:52,799

fashion then it became okay how do we do

515

00:20:56,870 --> 00:20:54,960

it how do we weaponize it

516

00:20:58,789 --> 00:20:56,880

and so that's one thread i want you to

517

00:20:59,909 --> 00:20:58,799

pick up on but the other thread that's

518

00:21:02,310 --> 00:20:59,919

really sad

519

00:21:03,029 --> 00:21:02,320

is the splitting is the disassociative

520

00:21:05,430 --> 00:21:03,039

identity

521

00:21:06,310 --> 00:21:05,440

disorder and the weaponization of that

522

00:21:09,510 --> 00:21:06,320

as we've learned

523

00:21:10,950 --> 00:21:09,520

through cult practices through satanic

524

00:21:12,710 --> 00:21:10,960

ritual abuse practices

525

00:21:14,549 --> 00:21:12,720

in the very real way that we study it

526

00:21:17,990 --> 00:21:14,559

among criminals who do that

527

00:21:19,909 --> 00:21:18,000

that this is somehow in some way we

528

00:21:23,270 --> 00:21:19,919

don't completely understand

529

00:21:26,950 --> 00:21:23,280

a tool a mechanism to crack

530

00:21:30,470 --> 00:21:26,960

people open to somehow make them more

531

00:21:32,230 --> 00:21:30,480

pliable in this extended consciousness

532

00:21:33,190 --> 00:21:32,240

realm that again we don't completely

533

00:21:37,110 --> 00:21:33,200

understand

534

00:21:41,750 --> 00:21:37,120

well i think that what happened to me

535

00:21:43,430 --> 00:21:41,760

in that three or four month period

536

00:21:45,350 --> 00:21:43,440

cracked the cosmic egg i know it

537

00:21:47,029 --> 00:21:45,360

shattered my sister and it shattered the

538

00:21:50,230 --> 00:21:47,039

boy from across the street

539

00:21:51,270 --> 00:21:50,240

it ruined their lives and i attribute

540

00:21:54,230 --> 00:21:51,280

they both had

541

00:21:54,789 --> 00:21:54,240

very difficult lives and i attributed to

542

00:21:56,390 --> 00:21:54,799

this

543

00:21:58,149 --> 00:21:56,400

because i don't see there's anything

544

00:22:01,990 --> 00:21:58,159

else to explain it

545

00:22:02,630 --> 00:22:02,000

it was a very placid normal 1950s

546

00:22:03,750 --> 00:22:02,640

neighborhood

547

00:22:05,669 --> 00:22:03,760

you know in other words there was

548

00:22:09,510 --> 00:22:05,679

nothing there except

549

00:22:13,909 --> 00:22:09,520

this that to make them what they became

550

00:22:17,350 --> 00:22:13,919

and uh the boy across the street

551
00:22:20,149 --> 00:22:17,360
lived at home he barely he

552
00:22:20,789 --> 00:22:20,159
had sort of a marriage but he was he

553
00:22:23,430 --> 00:22:20,799
lived in

554
00:22:24,950 --> 00:22:23,440
in the in the room he grew up in until

555
00:22:28,070 --> 00:22:24,960
the day he died

556
00:22:31,750 --> 00:22:28,080
at 53 and

557
00:22:35,510 --> 00:22:31,760
he was interviewed by edward conroy

558
00:22:38,950 --> 00:22:35,520
and he mentioned remembering

559
00:22:39,990 --> 00:22:38,960
something about our childhood that i

560
00:22:42,950 --> 00:22:40,000
think

561
00:22:44,470 --> 00:22:42,960
was verifying in a way that somebody

562
00:22:47,029 --> 00:22:44,480
didn't like

563
00:22:47,909 --> 00:22:47,039

and that's my theory because it of

564

00:22:49,510 --> 00:22:47,919

course

565

00:22:51,350 --> 00:22:49,520

what i'm going to tell you is involves a

566

00:22:56,149 --> 00:22:51,360

va hospital so it could have just been

567

00:22:58,149 --> 00:22:56,159

malpractice but uh he fell off a ladder

568

00:22:59,270 --> 00:22:58,159

and went to the va hospital and they

569

00:23:03,990 --> 00:22:59,280

loaded him up

570

00:23:06,149 --> 00:23:04,000

with so much uh cortisone that he died

571

00:23:07,590 --> 00:23:06,159

and i don't know if they murdered him or

572

00:23:08,710 --> 00:23:07,600

it was malpractice could have been

573

00:23:12,310 --> 00:23:08,720

either

574

00:23:16,710 --> 00:23:12,320

um but uh

575

00:23:21,750 --> 00:23:16,720

the and my sister had a very difficult

576

00:23:24,149 --> 00:23:21,760

life she could never settle somehow

577

00:23:24,789 --> 00:23:24,159

to my knowledge neither of them had any

578

00:23:28,070 --> 00:23:24,799

memory

579

00:23:31,669 --> 00:23:28,080

of the events that took place in

580

00:23:36,310 --> 00:23:31,679

uh in randolph and i'm

581

00:23:38,870 --> 00:23:36,320

they both died before i r but my the um

582

00:23:39,510 --> 00:23:38,880

neighbor died before i remembered it and

583

00:23:41,430 --> 00:23:39,520

my sister

584

00:23:43,669 --> 00:23:41,440

didn't have any memory of it i asked her

585

00:23:45,029 --> 00:23:43,679

about it when she was alive she's passed

586

00:23:48,070 --> 00:23:45,039

on now

587

00:23:51,590 --> 00:23:48,080

but what i think is this

588

00:23:55,430 --> 00:23:51,600

with regard to mk ultra

589

00:23:58,710 --> 00:23:55,440

when the files were released

590

00:24:01,990 --> 00:23:58,720

the judge ordered or allowed

591

00:24:04,070 --> 00:24:02,000

the withholding of a quite a number of

592

00:24:06,310 --> 00:24:04,080

records which are still classified

593

00:24:07,990 --> 00:24:06,320

and still are hidden away at this point

594

00:24:10,310 --> 00:24:08,000

i'm not sure they can be legally

595

00:24:12,710 --> 00:24:10,320

classified anymore

596

00:24:15,669 --> 00:24:12,720

i think it was 44 boxes of files in

597

00:24:19,029 --> 00:24:15,679

other words a lot of files

598

00:24:21,350 --> 00:24:19,039

i believe that these files

599

00:24:22,950 --> 00:24:21,360

probably included maybe among other

600

00:24:25,990 --> 00:24:22,960

things

601
00:24:29,029 --> 00:24:26,000
uh material about

602
00:24:32,149 --> 00:24:29,039
this type of program and they were

603
00:24:34,870 --> 00:24:32,159
withheld because it was so incendiary

604
00:24:35,350 --> 00:24:34,880
that children had been involved but

605
00:24:38,470 --> 00:24:35,360
children

606
00:24:41,590 --> 00:24:38,480
still are involved it's not over

607
00:24:42,230 --> 00:24:41,600
it's not over and you know and you talk

608
00:24:45,350 --> 00:24:42,240
about

609
00:24:48,310 --> 00:24:45,360
ritual abuse and the bizarre

610
00:24:49,909 --> 00:24:48,320
story of the finders comes to mind which

611
00:24:50,710 --> 00:24:49,919
you may have discussed on your show

612
00:24:52,789 --> 00:24:50,720
before

613
00:24:54,470 --> 00:24:52,799

that yeah you're nodding so i won't go

614

00:24:56,789 --> 00:24:54,480

into it in too much detail

615

00:24:59,190 --> 00:24:56,799

but i know an enormous amount about it

616

00:25:03,909 --> 00:25:02,470

in this program was very like in some

617

00:25:07,029 --> 00:25:03,919

ways i think what

618

00:25:11,190 --> 00:25:07,039

what was done to us and what was so

619

00:25:16,950 --> 00:25:14,870

was when i read the finder's material

620

00:25:21,029 --> 00:25:16,960

first when it first showed up

621

00:25:25,190 --> 00:25:21,039

years ago back in the in the in the 80s

622

00:25:28,310 --> 00:25:27,190

of course but then later when i

623

00:25:31,510 --> 00:25:28,320

remembered my

624

00:25:33,029 --> 00:25:31,520

experiences more clearly back in the in

625

00:25:35,350 --> 00:25:33,039

the late 90s

626

00:25:37,909 --> 00:25:35,360

of randolph there was more to it than

627

00:25:40,870 --> 00:25:37,919

that there was also a trip to mexico

628

00:25:43,269 --> 00:25:40,880

to monterey when would when does that

629

00:25:48,549 --> 00:25:43,279

fit into the time frame

630

00:25:50,310 --> 00:25:48,559

uh i'm not sure i i must have been

631

00:25:53,669 --> 00:25:50,320

it must have been during that same

632

00:25:56,310 --> 00:25:53,679

period probably in my seventh year

633

00:25:57,110 --> 00:25:56,320

uh and it was in the it was i remember

634

00:26:00,310 --> 00:25:57,120

the flight

635

00:26:03,430 --> 00:26:00,320

was very exciting to me because we

636

00:26:06,789 --> 00:26:03,440

i believe we drew drove to el paso to uh

637

00:26:08,710 --> 00:26:06,799

laredo and then flew to monterey but it

638

00:26:11,430 --> 00:26:08,720

was on a wonderful

639

00:26:13,430 --> 00:26:11,440

one of those old ford tri-motors an old

640

00:26:15,190 --> 00:26:13,440

airplane which in those days were still

641

00:26:17,590 --> 00:26:15,200

flying in mexico

642

00:26:19,430 --> 00:26:17,600

uh you know they were not you know this

643

00:26:21,590 --> 00:26:19,440

was this was the early 50s and so they

644

00:26:26,149 --> 00:26:21,600

were still in operation

645

00:26:30,470 --> 00:26:28,710

in any case in the finders material you

646

00:26:31,350 --> 00:26:30,480

will find that the children said that

647

00:26:42,070 --> 00:26:31,360

they were

648

00:26:45,190 --> 00:26:42,080

and that shocked me and frightened me

649

00:26:47,110 --> 00:26:45,200

and the reason is i have

650

00:26:49,590 --> 00:26:47,120

which i am not going to go into detail

651
00:26:53,029 --> 00:26:49,600
about because i don't know their

652
00:26:54,710 --> 00:26:53,039
their their their their locomotion

653
00:26:58,470 --> 00:26:54,720
within my mind

654
00:27:02,789 --> 00:26:58,480
i have horrifying memories of that place

655
00:27:05,990 --> 00:27:02,799
uh when i went to mexico with my wife

656
00:27:07,909 --> 00:27:06,000
some years ago uh

657
00:27:09,750 --> 00:27:07,919
we stopped in monterey we stayed at the

658
00:27:10,950 --> 00:27:09,760
same hotel i had stayed in with my

659
00:27:13,510 --> 00:27:10,960
sister and dad the

660
00:27:15,750 --> 00:27:13,520
grand and sarah really why did you

661
00:27:19,110 --> 00:27:15,760
choose to do that

662
00:27:22,870 --> 00:27:19,120
i wanted to well we were going to uh

663
00:27:25,029 --> 00:27:22,880

meet friends in um in mexico we i

664

00:27:27,110 --> 00:27:25,039

i'm part mexican so i have a lot of

665

00:27:29,830 --> 00:27:27,120

mexican friends friends and family

666

00:27:30,950 --> 00:27:29,840

but why go back to that same hotel was

667

00:27:34,070 --> 00:27:30,960

it closure for you

668

00:27:34,950 --> 00:27:34,080

i was trying to i was trying to reignite

669

00:27:37,590 --> 00:27:34,960

the memories

670

00:27:38,470 --> 00:27:37,600

i did it very intentionally and then i

671

00:27:40,549 --> 00:27:38,480

also drove

672

00:27:42,149 --> 00:27:40,559

up and down the streets in the hills

673

00:27:46,230 --> 00:27:42,159

above monterey

674

00:27:47,990 --> 00:27:46,240

trying to uh trying to find the place

675

00:27:52,230 --> 00:27:48,000

frankly and i never did i didn't find

676
00:27:55,269 --> 00:27:52,240
anything that that uh

677
00:27:58,230 --> 00:27:55,279
that that was connected that that

678
00:28:00,149 --> 00:27:58,240
that's struck any familiar chord in my

679
00:28:02,310 --> 00:28:00,159
mind i didn't see anything

680
00:28:03,909 --> 00:28:02,320
that i would say was that that though

681
00:28:05,269 --> 00:28:03,919
that was the place that was what i was

682
00:28:07,830 --> 00:28:05,279
trying i was trying to re

683
00:28:09,430 --> 00:28:07,840
to to reconnect with with buried

684
00:28:14,470 --> 00:28:09,440
memories basically

685
00:28:17,830 --> 00:28:14,480
um and i failed uh

686
00:28:22,070 --> 00:28:17,840
but i i'm sure that it that happened

687
00:28:23,830 --> 00:28:22,080
and if it was if the memories i have of

688
00:28:26,549 --> 00:28:23,840

it are true

689

00:28:29,990 --> 00:28:26,559

then it was an absolute nightmare and

690

00:28:33,269 --> 00:28:30,000

the purpose of it would have been

691

00:28:36,310 --> 00:28:33,279

to cause the children to

692

00:28:39,750 --> 00:28:36,320

feel guilty

693

00:28:42,870 --> 00:28:39,760

and to therefore uh

694

00:28:45,909 --> 00:28:45,510

cement their loyalty i wrote a book

695

00:28:49,029 --> 00:28:45,919

called

696

00:28:53,110 --> 00:28:49,039

in hitler's house uh under a

697

00:28:55,190 --> 00:28:53,120

pseudonym of jonathan lane which

698

00:28:56,870 --> 00:28:55,200

mentions something that hitler called

699

00:29:03,590 --> 00:28:56,880

blootkit

700

00:29:11,990 --> 00:29:08,070

blood uh loyalty

701
00:29:16,789 --> 00:29:12,000
and the way this worked was

702
00:29:20,070 --> 00:29:16,799
when a person was inducted into the ss

703
00:29:23,909 --> 00:29:20,080
they were made to do something really

704
00:29:25,350 --> 00:29:23,919
really terrible that everyone else had

705
00:29:27,269 --> 00:29:25,360
done

706
00:29:29,110 --> 00:29:27,279
in the group and then they it made them

707
00:29:30,950 --> 00:29:29,120
feel part of the group

708
00:29:32,710 --> 00:29:30,960
and they had a horrible secret so

709
00:29:34,470 --> 00:29:32,720
terrible they could never tell anyone

710
00:29:36,549 --> 00:29:34,480
this is also what was used in the

711
00:29:39,590 --> 00:29:36,559
recruiting of children in uh

712
00:29:42,470 --> 00:29:39,600
in uh africa in

713
00:29:43,669 --> 00:29:42,480

in the wars that used child armies i

714

00:29:46,230 --> 00:29:43,679

mean this is a standard

715

00:29:47,510 --> 00:29:46,240

standard playbook gangs blood in blood

716

00:29:49,909 --> 00:29:47,520

out uh

717

00:29:51,590 --> 00:29:49,919

you know every criminal organization has

718

00:29:53,190 --> 00:29:51,600

picked up on it it's been around for a

719

00:29:56,070 --> 00:29:53,200

long time doesn't make it

720

00:29:56,870 --> 00:29:56,080

better or anything like that no but it

721

00:30:00,470 --> 00:29:56,880

it was

722

00:30:01,990 --> 00:30:00,480

hitler himself

723

00:30:03,830 --> 00:30:02,000

can i interject a question because when

724

00:30:04,470 --> 00:30:03,840

you're talking about the finders and i

725

00:30:07,590 --> 00:30:04,480

don't want to

726
00:30:08,149 --> 00:30:07,600
trace that whole history for people can

727
00:30:10,149 --> 00:30:08,159
go back

728
00:30:11,190 --> 00:30:10,159
and find it in this show and in other

729
00:30:12,630 --> 00:30:11,200
places and

730
00:30:14,470 --> 00:30:12,640
john brisson was the guy we've

731
00:30:15,190 --> 00:30:14,480
interviewed who's done some terrific

732
00:30:17,990 --> 00:30:15,200
work

733
00:30:20,710 --> 00:30:18,000
original research interviewing uh

734
00:30:24,389 --> 00:30:20,720
martinez who is the customs officer

735
00:30:26,230 --> 00:30:24,399
his partner in dc who kind of crack the

736
00:30:27,669 --> 00:30:26,240
case

737
00:30:30,950 --> 00:30:27,679
here's what's interesting about the

738
00:30:34,230 --> 00:30:30,960

finders which i'd like you to speak to

739

00:30:36,070 --> 00:30:34,240

is the horror the weaponization

740

00:30:38,070 --> 00:30:36,080

i don't take horror out of it because it

741

00:30:40,789 --> 00:30:38,080

immediately throws people off

742

00:30:42,630 --> 00:30:40,799

the weaponization of these extended

743

00:30:45,110 --> 00:30:42,640

consciousness realms

744

00:30:46,310 --> 00:30:45,120

bleeds together into multiple purposes

745

00:30:49,750 --> 00:30:46,320

like you're saying

746

00:30:51,190 --> 00:30:49,760

one hey it it silences people they're

747

00:30:52,789 --> 00:30:51,200

bonded now they can't

748

00:30:55,269 --> 00:30:52,799

they're bonded through fear they're

749

00:30:57,509 --> 00:30:55,279

traumatized and they can't do that

750

00:30:58,789 --> 00:30:57,519

it also creates a situation where you

751

00:31:01,750 --> 00:30:58,799

know in the finders

752

00:31:02,710 --> 00:31:01,760

cult we can now find hey isn't this a

753

00:31:05,029 --> 00:31:02,720

tool to

754

00:31:07,110 --> 00:31:05,039

blackmail other people you know and the

755

00:31:08,789 --> 00:31:07,120

would do a jeffrey epstein brownstoning

756

00:31:09,430 --> 00:31:08,799

operation way back then which they were

757

00:31:12,950 --> 00:31:09,440

doing

758

00:31:16,149 --> 00:31:12,960

but again cross purposes but the third

759

00:31:16,830 --> 00:31:16,159

aspect of it which i think is really

760

00:31:20,070 --> 00:31:16,840

most

761

00:31:21,509 --> 00:31:20,080

intriguing to me and i suspect it is to

762

00:31:22,710 --> 00:31:21,519

you too because i've seen your writing

763

00:31:26,070 --> 00:31:22,720

on it

764

00:31:30,070 --> 00:31:26,080

is the breaking open the cracking

765

00:31:33,190 --> 00:31:30,080

open in order to create

766

00:31:35,350 --> 00:31:33,200

an entry point for

767

00:31:36,230 --> 00:31:35,360

extended consciousness including the

768

00:31:38,549 --> 00:31:36,240

visitors

769

00:31:39,269 --> 00:31:38,559

including what we would call demonic

770

00:31:42,230 --> 00:31:39,279

beings

771

00:31:42,630 --> 00:31:42,240

and again this is i interviewed you know

772

00:31:44,630 --> 00:31:42,640

dr

773

00:31:47,590 --> 00:31:44,640

tom zinzer as a clinical psychologist in

774

00:31:50,389 --> 00:31:47,600

grand rapids michigan who worked

775

00:31:52,549 --> 00:31:50,399

20 years with a lot of people with

776

00:31:54,230 --> 00:31:52,559

dissociative identity disorder and many

777

00:31:56,310 --> 00:31:54,240

many of them satanic ritual abuse

778

00:31:58,710 --> 00:31:56,320

victims and that is exactly his finding

779

00:32:00,230 --> 00:31:58,720

is that that's why they do it they

780

00:32:03,430 --> 00:32:00,240

intentionally try and create

781

00:32:05,750 --> 00:32:03,440

this did situation because

782

00:32:07,029 --> 00:32:05,760

without even fully understanding it they

783

00:32:10,789 --> 00:32:07,039

know it creates

784

00:32:13,110 --> 00:32:10,799

an entry point and i i wonder if we were

785

00:32:14,389 --> 00:32:13,120

as horrible as it is if our intelligence

786

00:32:16,230 --> 00:32:14,399

organizations had

787

00:32:17,750 --> 00:32:16,240

halfway figured that out and we're

788

00:32:22,070 --> 00:32:17,760

fooling around with

789

00:32:23,750 --> 00:32:22,080

how to create that that entry point

790

00:32:26,070 --> 00:32:23,760

you know let me let me tell you

791

00:32:29,110 --> 00:32:26,080

something about black magic

792

00:32:32,950 --> 00:32:29,120

first it's quite real and second

793

00:32:36,950 --> 00:32:32,960

it's like fly paper you touch it

794

00:32:39,750 --> 00:32:36,960

you can never escape can never escape

795

00:32:42,230 --> 00:32:39,760

an organization touches it that

796

00:32:46,230 --> 00:32:42,240

organization is part of it

797

00:32:49,509 --> 00:32:46,240

every country a country too

798

00:32:50,630 --> 00:32:49,519

and it it the more you try to escape

799

00:32:54,149 --> 00:32:50,640

from it

800

00:32:55,990 --> 00:32:54,159

the deeper you get there's only one way

801
00:32:59,590 --> 00:32:56,000
to escape

802
00:33:03,750 --> 00:32:59,600
and that is to live a life

803
00:33:06,950 --> 00:33:03,760
of love compassion and humility

804
00:33:10,389 --> 00:33:06,960
if you do not actively work

805
00:33:14,070 --> 00:33:10,399
on that you will

806
00:33:18,789 --> 00:33:14,080
not escape and you have these

807
00:33:21,830 --> 00:33:18,799
this whole community of people who are

808
00:33:24,470 --> 00:33:21,840
who are so arrogant i know many

809
00:33:26,630 --> 00:33:24,480
people in intelligence work i grew up in

810
00:33:27,909 --> 00:33:26,640
a family that was involved in it for

811
00:33:31,190 --> 00:33:27,919
god's sakes

812
00:33:35,029 --> 00:33:31,200
and it makes people arrogant

813
00:33:35,830 --> 00:33:35,039

to if if you can if you can know secrets

814

00:33:39,269 --> 00:33:35,840

that your

815

00:33:42,470 --> 00:33:39,279

neighbor can't know it feeds the ego

816

00:33:46,710 --> 00:33:42,480

in a very sick way

817

00:33:49,830 --> 00:33:46,720

you have to work hard to be humble

818

00:33:51,590 --> 00:33:49,840

you know the first lesson the visitors

819

00:33:55,750 --> 00:33:51,600

when the visitors really started to work

820

00:33:59,350 --> 00:33:57,909

the first lesson was a lesson in

821

00:34:02,870 --> 00:33:59,360

humility

822

00:34:05,990 --> 00:34:02,880

now the dark side is extremely clever

823

00:34:09,589 --> 00:34:06,000

and it would know that i might be drawn

824

00:34:13,030 --> 00:34:09,599

in to accepting it

825

00:34:16,310 --> 00:34:13,040

as not the dark side because

826

00:34:17,510 --> 00:34:16,320

it gave me lessons in things like

827

00:34:21,190 --> 00:34:17,520

humility

828

00:34:24,230 --> 00:34:21,200

and compassion but you have to

829

00:34:26,869 --> 00:34:24,240

live those lessons and it might

830

00:34:29,190 --> 00:34:26,879

it very well give you those lessons in

831

00:34:32,710 --> 00:34:29,200

an effort to recruit you

832

00:34:34,310 --> 00:34:32,720

into something very dark in or to trick

833

00:34:36,470 --> 00:34:34,320

you into believing it's

834

00:34:38,389 --> 00:34:36,480

the demons want to trick you into

835

00:34:41,990 --> 00:34:38,399

believing their angels

836

00:34:45,030 --> 00:34:42,000

but if you get deeper than that

837

00:34:47,829 --> 00:34:45,040

you find you're in control

838

00:34:48,710 --> 00:34:47,839

you can control it and these all of

839

00:34:51,990 --> 00:34:48,720

these

840

00:34:55,109 --> 00:34:52,000

asses who were trying and

841

00:34:55,589 --> 00:34:55,119

are trying to basically engage the dark

842

00:34:58,150 --> 00:34:55,599

side

843

00:34:59,510 --> 00:34:58,160

on behalf of the united states of

844

00:35:02,550 --> 00:34:59,520

america

845

00:35:03,349 --> 00:35:02,560

have failed in that respect in my

846

00:35:05,990 --> 00:35:03,359

opinion

847

00:35:06,470 --> 00:35:06,000

and you keep seeing little things bleed

848

00:35:09,750 --> 00:35:06,480

out

849

00:35:10,710 --> 00:35:09,760

like the like the jeffrey epstein stuff

850

00:35:16,150 --> 00:35:10,720

and the

851

00:35:17,750 --> 00:35:16,160

recruitment that took place for years

852

00:35:22,470 --> 00:35:17,760

inside the catholic church

853

00:35:26,950 --> 00:35:22,480

which has been been publicly exposed

854

00:35:28,790 --> 00:35:26,960

as ritual abuse but the but the deeper

855

00:35:30,790 --> 00:35:28,800

processes of recruitment that were

856

00:35:32,550 --> 00:35:30,800

involved have never been publicly

857

00:35:32,870 --> 00:35:32,560

exposed and probably never will be but

858

00:35:36,069 --> 00:35:32,880

they

859

00:35:40,230 --> 00:35:36,079

epstein

860

00:35:43,270 --> 00:35:40,240

case what happened to all of the videos

861

00:35:46,390 --> 00:35:43,280

there's a silence has come about that

862

00:35:47,829 --> 00:35:46,400

who has them i remember back years and

863

00:35:50,550 --> 00:35:47,839

years ago

864

00:35:51,910 --> 00:35:50,560

you know my family had a lot of

865

00:35:56,950 --> 00:35:51,920

connections politically

866

00:35:59,670 --> 00:35:56,960

in texas and there was much laughter

867

00:36:00,870 --> 00:35:59,680

about the fact that lbj had gotten a

868

00:36:03,910 --> 00:36:00,880

hold

869

00:36:07,430 --> 00:36:03,920

of some film

870

00:36:10,470 --> 00:36:07,440

of uh j edgar hoover

871

00:36:14,390 --> 00:36:10,480

dancing around in a dress

872

00:36:17,510 --> 00:36:14,400

and that film resulted in

873

00:36:21,030 --> 00:36:17,520

johnson getting a hold of all of

874

00:36:21,829 --> 00:36:21,040

hoover's files hoover's secret files on

875

00:36:26,230 --> 00:36:21,839

politics

876

00:36:29,349 --> 00:36:26,240

johnson took over from hoover basically

877

00:36:30,870 --> 00:36:29,359

and uh uh then later

878

00:36:32,390 --> 00:36:30,880

of course it was revealed it was all

879

00:36:34,710 --> 00:36:32,400

quite true and hoover

880

00:36:37,109 --> 00:36:34,720

was a cross-dresser and there were big

881

00:36:38,870 --> 00:36:37,119

parties fbi parties with cross-dressing

882

00:36:41,430 --> 00:36:38,880

and stuff

883

00:36:43,589 --> 00:36:41,440

people who do those things there's

884

00:36:47,270 --> 00:36:43,599

nothing wrong with it now

885

00:36:51,990 --> 00:36:47,280

in other words we we've we've

886

00:36:55,910 --> 00:36:52,000

we've uh we've disenfranchised

887

00:36:58,069 --> 00:36:55,920

that as an evil act but in those days it

888

00:37:00,790 --> 00:36:58,079

was extremely secret and considered

889

00:37:02,310 --> 00:37:00,800

very very perverse and bizarre and

890

00:37:04,870 --> 00:37:02,320

that's how the people who

891

00:37:06,470 --> 00:37:04,880

needed to do it these poor people

892

00:37:08,550 --> 00:37:06,480

thought of themselves including someone

893

00:37:11,190 --> 00:37:08,560

like hoover um

894

00:37:12,150 --> 00:37:11,200

and uh yeah but i i think hoover was was

895

00:37:14,790 --> 00:37:12,160

pretty dark

896

00:37:15,750 --> 00:37:14,800

in other ways too it's not just a guy

897

00:37:18,950 --> 00:37:15,760

who like

898

00:37:21,589 --> 00:37:18,960

you know so he he like so many

899

00:37:22,310 --> 00:37:21,599

of those victims became a perpetrator

900

00:37:25,670 --> 00:37:22,320

right i mean

901
00:37:29,270 --> 00:37:25,680
alex it's ego ego ego ego

902
00:37:32,230 --> 00:37:29,280
you have to work hard to understand

903
00:37:33,030 --> 00:37:32,240
that you are not your ego what you're

904
00:37:35,109 --> 00:37:33,040
talking about

905
00:37:36,710 --> 00:37:35,119
is your spiritual journey in your

906
00:37:39,109 --> 00:37:36,720
spiritual practice

907
00:37:41,430 --> 00:37:39,119
and i think we should be explicit about

908
00:37:44,550 --> 00:37:41,440
that because it's it's ego in the sense

909
00:37:48,310 --> 00:37:44,560
that ego is getting in the way of your

910
00:37:51,030 --> 00:37:48,320
true divine love-filled

911
00:37:52,710 --> 00:37:51,040
spirit but i know you you know that hit

912
00:37:55,589 --> 00:37:52,720
let me let me direct you to

913
00:37:56,710 --> 00:37:55,599

a couple of questions that i think are

914

00:38:00,310 --> 00:37:56,720

from your book

915

00:38:03,750 --> 00:38:00,320

a new world which again is phenomenal

916

00:38:04,150 --> 00:38:03,760

it's seminal it's 150 pages you can get

917

00:38:07,349 --> 00:38:04,160

more

918

00:38:09,670 --> 00:38:07,359

in 150 pages here to

919

00:38:10,470 --> 00:38:09,680

kind of turn your world upside down

920

00:38:11,910 --> 00:38:10,480

again

921

00:38:14,470 --> 00:38:11,920

you know even if it's already turned

922

00:38:16,390 --> 00:38:14,480

upside down in a good way

923

00:38:17,589 --> 00:38:16,400

but one of the things that people you've

924

00:38:19,190 --> 00:38:17,599

returned to this already in our

925

00:38:20,150 --> 00:38:19,200

conversation you've touched on this two

926
00:38:22,150 --> 00:38:20,160
or three times

927
00:38:23,430 --> 00:38:22,160
but it's a question that i know pops up

928
00:38:26,150 --> 00:38:23,440
it did for me

929
00:38:26,470 --> 00:38:26,160
whenever i hear you talk and whenever i

930
00:38:29,990 --> 00:38:26,480
hear

931
00:38:32,710 --> 00:38:30,000
your journey from being

932
00:38:34,710 --> 00:38:32,720
you know not just horrified but uh

933
00:38:37,990 --> 00:38:34,720
completely

934
00:38:40,550 --> 00:38:38,000
outraged at the at the visitors um

935
00:38:41,510 --> 00:38:40,560
mad at the visitors scared as hell at

936
00:38:43,990 --> 00:38:41,520
the visitors

937
00:38:45,510 --> 00:38:44,000
to kind of a different kind of evolving

938
00:38:45,990 --> 00:38:45,520

relationship with the visitors but what

939

00:38:49,190 --> 00:38:46,000

is at the

940

00:38:50,390 --> 00:38:49,200

center of this is the quote from a new

941

00:38:54,310 --> 00:38:50,400

world is

942

00:38:57,030 --> 00:38:54,320

when a shark devours an innocent swimmer

943

00:38:59,190 --> 00:38:57,040

it is terrible but it isn't evil it's

944

00:39:01,430 --> 00:38:59,200

just nature being nature

945

00:39:04,150 --> 00:39:01,440

the same thing holds true when a person

946

00:39:06,870 --> 00:39:04,160

is attacked in the night

947

00:39:07,750 --> 00:39:06,880

their spine extracted and their

948

00:39:11,349 --> 00:39:07,760

energetic

949

00:39:12,870 --> 00:39:11,359

body captured it's just nature being

950

00:39:15,829 --> 00:39:12,880

nature

951
00:39:16,310 --> 00:39:15,839
yeah that that particular passage is

952
00:39:19,750 --> 00:39:16,320
about

953
00:39:22,870 --> 00:39:19,760
something that i'm fairly sure happened

954
00:39:25,030 --> 00:39:22,880
and happens it is a

955
00:39:26,829 --> 00:39:25,040
where and it's related to the cattle

956
00:39:30,630 --> 00:39:26,839
mutilations

957
00:39:33,829 --> 00:39:30,640
where the um

958
00:39:36,069 --> 00:39:33,839
when the visitors some will sometimes

959
00:39:39,109 --> 00:39:36,079
take me out of my body

960
00:39:43,750 --> 00:39:39,119
and when they do that i can feel a

961
00:39:47,030 --> 00:39:43,760
shock going down my spine as the

962
00:39:49,750 --> 00:39:47,040
places between that that hold this

963
00:39:51,510 --> 00:39:49,760

the elect of electromagnetic body if you

964

00:39:54,550 --> 00:39:51,520

will or the second body

965

00:39:58,470 --> 00:39:54,560

to the first body are opened and then

966

00:40:02,550 --> 00:39:58,480

i come right out and i'm still conscious

967

00:40:05,270 --> 00:40:02,560

i'm well able to function in the world

968

00:40:06,950 --> 00:40:05,280

uh i can be seen often by people i've

969

00:40:09,589 --> 00:40:06,960

interacted with people

970

00:40:10,309 --> 00:40:09,599

i uh was seen by linda howell much to

971

00:40:13,349 --> 00:40:10,319

her

972

00:40:16,309 --> 00:40:13,359

annoyance one time i've been seen and

973

00:40:16,710 --> 00:40:16,319

interacted with other people as well so

974

00:40:22,630 --> 00:40:16,720

it's

975

00:40:23,510 --> 00:40:22,640

now there are predatory levels of this

976
00:40:26,870 --> 00:40:23,520
whole thing

977
00:40:27,990 --> 00:40:26,880
there's a whole world outside of the

978
00:40:31,349 --> 00:40:28,000
physical world

979
00:40:33,270 --> 00:40:31,359
a bigger world filled with entities

980
00:40:34,390 --> 00:40:33,280
and i think some of those entities are

981
00:40:36,710 --> 00:40:34,400
just like

982
00:40:38,710 --> 00:40:36,720
sharks i mean they're like they're like

983
00:40:41,190 --> 00:40:38,720
almost almost not

984
00:40:42,550 --> 00:40:41,200
not they're let's call them brilliant

985
00:40:45,109 --> 00:40:42,560
animals

986
00:40:46,790 --> 00:40:45,119
and they will they will attack people

987
00:40:48,710 --> 00:40:46,800
they are predators

988
00:40:50,790 --> 00:40:48,720

they attack cattle then they

989

00:40:51,430 --> 00:40:50,800

occasionally attack human beings i think

990

00:40:53,829 --> 00:40:51,440

that

991

00:40:55,510 --> 00:40:53,839

when they're they do attack human beings

992

00:40:58,950 --> 00:40:55,520

if they are stopped

993

00:41:01,990 --> 00:40:58,960

uh i i think that there's a case

994

00:41:04,470 --> 00:41:02,000

uh there that the cases i mentioned in

995

00:41:06,309 --> 00:41:04,480

a new world i think happened i think

996

00:41:10,309 --> 00:41:06,319

they happened in brooklyn

997

00:41:12,630 --> 00:41:10,319

and i and i uh i can't say much

998

00:41:14,710 --> 00:41:12,640

much about them because they're so

999

00:41:16,870 --> 00:41:14,720

they're so buried

1000

00:41:19,030 --> 00:41:16,880

but i don't think they happen all that

1001
00:41:19,990 --> 00:41:19,040
often i think they happen from time to

1002
00:41:22,069 --> 00:41:20,000
time

1003
00:41:23,109 --> 00:41:22,079
when people are vulnerable but a

1004
00:41:26,630 --> 00:41:23,119
particularly

1005
00:41:29,829 --> 00:41:26,640
type of people these were all people

1006
00:41:30,630 --> 00:41:29,839
who had kind of no lives in other words

1007
00:41:32,950 --> 00:41:30,640
they had

1008
00:41:34,870 --> 00:41:32,960
they were street people they didn't have

1009
00:41:37,510 --> 00:41:34,880
any associations any

1010
00:41:38,390 --> 00:41:37,520
any friends or anything like that and

1011
00:41:42,950 --> 00:41:38,400
they

1012
00:41:46,150 --> 00:41:42,960
taken

1013
00:41:48,069 --> 00:41:46,160

their spines were damaged in this way

1014

00:41:49,510 --> 00:41:48,079

that would have as soon as you damage

1015

00:41:51,349 --> 00:41:49,520

the spine that way

1016

00:41:53,430 --> 00:41:51,359

that second body is going to come right

1017

00:41:54,710 --> 00:41:53,440

out and if somebody is there who knows

1018

00:41:57,750 --> 00:41:54,720

how to capture it

1019

00:41:59,589 --> 00:41:57,760

they will or they can and they use it as

1020

00:42:02,309 --> 00:41:59,599

a form of energy

1021

00:42:02,950 --> 00:42:02,319

they eat it apparently what about the

1022

00:42:05,190 --> 00:42:02,960

sexual

1023

00:42:06,309 --> 00:42:05,200

assault that is reported over and over

1024

00:42:09,510 --> 00:42:06,319

again

1025

00:42:10,710 --> 00:42:09,520

i experienced it i i know you did i i i

1026

00:42:13,270 --> 00:42:10,720

totally i totally

1027

00:42:14,870 --> 00:42:13,280

understand that you did and there's so

1028

00:42:16,870 --> 00:42:14,880

there's also

1029

00:42:18,230 --> 00:42:16,880

um it's might be easier to even talk

1030

00:42:19,510 --> 00:42:18,240

about other cases

1031

00:42:21,829 --> 00:42:19,520

other than your own but you're welcome

1032

00:42:23,910 --> 00:42:21,839

to talk about your case

1033

00:42:25,270 --> 00:42:23,920

i know loads of cases i've got hundreds

1034

00:42:27,430 --> 00:42:25,280

of them in my files

1035

00:42:29,109 --> 00:42:27,440

what do you make of that particularly it

1036

00:42:32,470 --> 00:42:29,119

it just starts looking as a

1037

00:42:35,190 --> 00:42:32,480

as below so above i mean uh

1038

00:42:36,309 --> 00:42:35,200

publicly in in this extended realm

1039

00:42:38,630 --> 00:42:36,319

publicly

1040

00:42:39,990 --> 00:42:38,640

uh sexually assaulting someone

1041

00:42:43,510 --> 00:42:40,000

dominating someone

1042

00:42:45,910 --> 00:42:43,520

uh shifting all that kind of stuff

1043

00:42:47,589 --> 00:42:45,920

it is deception right after the

1044

00:42:50,230 --> 00:42:47,599

communion experience i wrote a

1045

00:42:51,910 --> 00:42:50,240

short story called pain which is about

1046

00:42:55,109 --> 00:42:51,920

sexual domination

1047

00:42:56,710 --> 00:42:55,119

because i was felt i had never felt

1048

00:42:58,630 --> 00:42:56,720

anything like sexual domination

1049

00:43:00,309 --> 00:42:58,640

being dominated sexually before in my

1050

00:43:03,030 --> 00:43:00,319

life until that night

1051
00:43:03,430 --> 00:43:03,040
and that's exactly how i felt i mean

1052
00:43:06,950 --> 00:43:03,440
they

1053
00:43:13,270 --> 00:43:06,960
with a

1054
00:43:14,710 --> 00:43:13,280
like a it's called an electro stimulator

1055
00:43:18,069 --> 00:43:14,720
um

1056
00:43:21,030 --> 00:43:18,079
they they extracted semen from me

1057
00:43:23,190 --> 00:43:21,040
uh you talk about and i was totally in

1058
00:43:25,349 --> 00:43:23,200
completely helpless the whole time

1059
00:43:27,750 --> 00:43:25,359
it was sexual domination there's no

1060
00:43:30,870 --> 00:43:27,760
question about that's what it was

1061
00:43:34,630 --> 00:43:30,880
but i i came to a point

1062
00:43:37,109 --> 00:43:34,640
where i had to make a choice

1063
00:43:37,750 --> 00:43:37,119

i knew they were at this point that they

1064

00:43:39,670 --> 00:43:37,760

were real

1065

00:43:40,870 --> 00:43:39,680

and they were either permanently part of

1066

00:43:42,950 --> 00:43:40,880

the physical world

1067

00:43:44,870 --> 00:43:42,960

and very clever at concealing themselves

1068

00:43:46,710 --> 00:43:44,880

or they were something else

1069

00:43:48,230 --> 00:43:46,720

that would project themselves into the

1070

00:43:51,190 --> 00:43:48,240

physical world

1071

00:43:52,069 --> 00:43:51,200

i still can't tell you which exactly is

1072

00:43:54,230 --> 00:43:52,079

the case

1073

00:43:56,390 --> 00:43:54,240

although i think that it's probably a

1074

00:43:59,109 --> 00:43:56,400

mix of

1075

00:44:01,030 --> 00:43:59,119

there's probably a spectrum of of this

1076
00:44:03,589 --> 00:44:01,040
of some kind

1077
00:44:04,230 --> 00:44:03,599
but i had to make a choice either i was

1078
00:44:07,270 --> 00:44:04,240
going to

1079
00:44:10,230 --> 00:44:07,280
try to see what they were all about

1080
00:44:10,550 --> 00:44:10,240
and to see if they would engage with me

1081
00:44:14,150 --> 00:44:10,560
on

1082
00:44:16,710 --> 00:44:14,160
some more acceptable level

1083
00:44:17,910 --> 00:44:16,720
or not and that's why i started walking

1084
00:44:19,030 --> 00:44:17,920
out in the woods in the middle of the

1085
00:44:20,790 --> 00:44:19,040
night

1086
00:44:22,069 --> 00:44:20,800
knowing what had happened to me at that

1087
00:44:24,790 --> 00:44:22,079
point i knew very well

1088
00:44:26,150 --> 00:44:24,800

what they had done and i did not know

1089

00:44:28,069 --> 00:44:26,160

whether or not

1090

00:44:29,990 --> 00:44:28,079

i would ever come back when i went out

1091

00:44:31,589 --> 00:44:30,000

there because i thought they were

1092

00:44:34,470 --> 00:44:31,599

incredibly dangerous

1093

00:44:36,309 --> 00:44:34,480

and i still do i don't think that there

1094

00:44:38,550 --> 00:44:36,319

it's all sweetness and light and

1095

00:44:39,670 --> 00:44:38,560

you know you have these people out there

1096

00:44:42,150 --> 00:44:39,680

who who are

1097

00:44:44,069 --> 00:44:42,160

basically kind of blaming us because

1098

00:44:47,030 --> 00:44:44,079

we're scared then they're

1099

00:44:49,109 --> 00:44:47,040

you know you have you have a lot of

1100

00:44:52,950 --> 00:44:49,119

people in the ufo community

1101

00:44:54,150 --> 00:44:52,960

who do ce fives and so forth

1102

00:44:56,470 --> 00:44:54,160

who are saying that they're all

1103

00:44:57,750 --> 00:44:56,480

sweetness and light but these are also

1104

00:45:00,550 --> 00:44:57,760

people who had

1105

00:45:02,309 --> 00:45:00,560

have very little empathy for other human

1106

00:45:04,150 --> 00:45:02,319

beings in my opinion

1107

00:45:06,309 --> 00:45:04,160

because it's not all sweetness and light

1108

00:45:09,510 --> 00:45:06,319

it's a hard experience

1109

00:45:09,910 --> 00:45:09,520

and making it i've tried my best to make

1110

00:45:13,430 --> 00:45:09,920

it

1111

00:45:17,190 --> 00:45:13,440

something of value for me but

1112

00:45:20,230 --> 00:45:17,200

boy i'm telling you right now i'm not

1113

00:45:23,990 --> 00:45:20,240

i don't trust the visitors i trust

1114

00:45:24,470 --> 00:45:24,000

my innate goodness as a human being that

1115

00:45:28,790 --> 00:45:24,480

i do

1116

00:45:32,150 --> 00:45:28,800

not

1117

00:45:35,430 --> 00:45:32,160

trust their various attempts

1118

00:45:36,309 --> 00:45:35,440

to make themselves seem more angelic to

1119

00:45:39,430 --> 00:45:36,319

me

1120

00:45:40,309 --> 00:45:39,440

i think that they got caught in a dark

1121

00:45:43,030 --> 00:45:40,319

vortex

1122

00:45:43,589 --> 00:45:43,040

a long time ago some of them did and

1123

00:45:47,030 --> 00:45:43,599

they are

1124

00:45:47,990 --> 00:45:47,040

trapped in it and i'm not there i am not

1125

00:45:50,870 --> 00:45:48,000

trapped in it

1126
00:45:52,870 --> 00:45:50,880
and i am also not involved i do not have

1127
00:45:55,910 --> 00:45:52,880
stockholm syndrome at all

1128
00:45:57,990 --> 00:45:55,920
i've i've worried about that a lot

1129
00:46:01,829 --> 00:45:58,000
because i don't want to be an apologist

1130
00:46:06,390 --> 00:46:01,839
for monsters and

1131
00:46:09,430 --> 00:46:06,400
frankly you can you can make a choice

1132
00:46:13,030 --> 00:46:09,440
you can take what they have to

1133
00:46:17,670 --> 00:46:13,040
dish out and make it your own

1134
00:46:20,470 --> 00:46:17,680
and make it part of your growth and your

1135
00:46:22,069 --> 00:46:20,480
your exploration of your own ethical

1136
00:46:25,510 --> 00:46:22,079
journey

1137
00:46:27,990 --> 00:46:25,520
or you can fall into a trap which is you

1138
00:46:30,309 --> 00:46:28,000

can decide that they're really angels

1139

00:46:32,069 --> 00:46:30,319

or you can decide that there are demons

1140

00:46:34,550 --> 00:46:32,079

and i don't want a goddamn thing to do

1141

00:46:38,710 --> 00:46:34,560

with them you can do those things

1142

00:46:41,109 --> 00:46:38,720

i chose the other path the middle path

1143

00:46:41,990 --> 00:46:41,119

you know there's so many uh profound

1144

00:46:44,309 --> 00:46:42,000

points to that

1145

00:46:45,589 --> 00:46:44,319

that we're not going to be able to get

1146

00:46:48,950 --> 00:46:45,599

into but

1147

00:46:50,069 --> 00:46:48,960

profound profound the vortex of evil

1148

00:46:52,630 --> 00:46:50,079

that they are

1149

00:46:54,230 --> 00:46:52,640

found themselves in and are ultimately

1150

00:46:56,230 --> 00:46:54,240

trying to get out of and i would tie

1151
00:46:59,510 --> 00:46:56,240
that back to your fly paper

1152
00:47:01,670 --> 00:46:59,520
comment that we may be entering in

1153
00:47:03,030 --> 00:47:01,680
that same vortex and we'll find

1154
00:47:06,069 --> 00:47:03,040
ourselves trying to find

1155
00:47:07,349 --> 00:47:06,079
our way out of it which maybe we are

1156
00:47:09,030 --> 00:47:07,359
maybe we're not even to the point where

1157
00:47:09,589 --> 00:47:09,040
we realize we do need to find our way

1158
00:47:11,750 --> 00:47:09,599
out of it

1159
00:47:12,950 --> 00:47:11,760
the question i ask because i've

1160
00:47:14,710 --> 00:47:12,960
interviewed so many near-death

1161
00:47:15,349 --> 00:47:14,720
experience researchers and i've found

1162
00:47:20,309 --> 00:47:15,359
that

1163
00:47:23,589 --> 00:47:20,319

point with over 200 peer-reviewed papers

1164

00:47:24,230 --> 00:47:23,599

so meaningful to not only me if somebody

1165

00:47:26,390 --> 00:47:24,240

who's never

1166

00:47:28,309 --> 00:47:26,400

ex never had a near-death experience i

1167

00:47:30,790 --> 00:47:28,319

know your wife did i know it was

1168

00:47:32,150 --> 00:47:30,800

key to her spiritual journey and maybe

1169

00:47:34,230 --> 00:47:32,160

we could talk about that

1170

00:47:35,430 --> 00:47:34,240

but the let one of the lessons we get

1171

00:47:39,349 --> 00:47:35,440

from the near-death

1172

00:47:42,870 --> 00:47:39,359

experience is that it is about

1173

00:47:45,589 --> 00:47:42,880

this journey to and through the light

1174

00:47:46,230 --> 00:47:45,599

and that what i find profound profound

1175

00:47:49,109 --> 00:47:46,240

about that

1176

00:47:50,470 --> 00:47:49,119

is the idea that yes you will be judged

1177

00:47:54,470 --> 00:47:50,480

you will be judged for

1178

00:47:58,230 --> 00:47:54,480

every action every thought every deed

1179

00:48:00,950 --> 00:47:58,240

but not by someone else but by yourself

1180

00:48:03,030 --> 00:48:00,960

by your soul by that voice that has

1181

00:48:04,950 --> 00:48:03,040

always been with us

1182

00:48:06,150 --> 00:48:04,960

from the time we're a little kid where

1183

00:48:08,710 --> 00:48:06,160

we know

1184

00:48:09,349 --> 00:48:08,720

what's right and what's wrong so in the

1185

00:48:13,030 --> 00:48:09,359

book

1186

00:48:16,390 --> 00:48:13,040

a new world you have a gran

1187

00:48:18,230 --> 00:48:16,400

just an opening here that we

1188

00:48:19,430 --> 00:48:18,240

you will you will not close which you

1189

00:48:21,190 --> 00:48:19,440

shouldn't close because we don't have

1190

00:48:23,589 --> 00:48:21,200

any complete closure on it but here's

1191

00:48:27,270 --> 00:48:26,150

what we would appear to be looking at

1192

00:48:29,910 --> 00:48:27,280

then

1193

00:48:32,470 --> 00:48:29,920

in both the close encounter and the

1194

00:48:36,950 --> 00:48:32,480

near-death experiences

1195

00:48:38,870 --> 00:48:36,960

is a massive increase in initiation

1196

00:48:40,950 --> 00:48:38,880

so do you want to speak about uh

1197

00:48:42,710 --> 00:48:40,960

near-death experience its connection or

1198

00:48:44,710 --> 00:48:42,720

anything else there

1199

00:48:45,829 --> 00:48:44,720

well i would like to first speak about

1200

00:48:53,670 --> 00:48:45,839

initiation

1201
00:48:55,829 --> 00:48:53,680
is not fun uh

1202
00:48:56,950 --> 00:48:55,839
all the way back to the beginning of

1203
00:48:59,829 --> 00:48:56,960
initiatory

1204
00:49:01,910 --> 00:48:59,839
activities in this world a real

1205
00:49:04,950 --> 00:49:01,920
initiation

1206
00:49:08,790 --> 00:49:04,960
involves a real challenge

1207
00:49:13,349 --> 00:49:08,800
of death when jesus says

1208
00:49:16,470 --> 00:49:13,359
uh he talks about in various ways

1209
00:49:19,750 --> 00:49:16,480
of dying to this world and then you will

1210
00:49:20,870 --> 00:49:19,760
never taste of death again what he's

1211
00:49:23,910 --> 00:49:20,880
talking about is

1212
00:49:28,069 --> 00:49:23,920
an initiatory experience

1213
00:49:31,910 --> 00:49:28,079

that causes you to

1214

00:49:35,510 --> 00:49:31,920

face and live through

1215

00:49:39,349 --> 00:49:35,520

death and come out on the other side

1216

00:49:42,470 --> 00:49:39,359

knowing that you that there is

1217

00:49:43,109 --> 00:49:42,480

more to this to this experience than the

1218

00:49:46,549 --> 00:49:43,119

physical

1219

00:49:47,670 --> 00:49:46,559

world and that's exactly what happened

1220

00:49:50,790 --> 00:49:47,680

to ann

1221

00:49:53,829 --> 00:49:50,800

she went she had a massive

1222

00:49:56,549 --> 00:49:53,839

stroke she

1223

00:49:57,990 --> 00:49:56,559

was i was told by the doctors on the

1224

00:50:00,390 --> 00:49:58,000

night they brought her in that she would

1225

00:50:03,910 --> 00:50:00,400

not last until the morning

1226
00:50:06,069 --> 00:50:03,920
but they saved her they did it it wasn't

1227
00:50:09,109 --> 00:50:06,079
a miracle it was medical

1228
00:50:10,150 --> 00:50:09,119
skill and they brought her all the way

1229
00:50:13,190 --> 00:50:10,160
back

1230
00:50:16,069 --> 00:50:13,200
from the other side of death

1231
00:50:18,390 --> 00:50:16,079
to this life again and she had a

1232
00:50:22,150 --> 00:50:18,400
near-death experience in the

1233
00:50:24,950 --> 00:50:22,160
in the um in in this

1234
00:50:26,309 --> 00:50:24,960
process it wasn't a classic near-death

1235
00:50:27,910 --> 00:50:26,319
experience

1236
00:50:30,390 --> 00:50:27,920
going into the light of seeing the light

1237
00:50:32,710 --> 00:50:30,400
etc and so forth it was much more

1238
00:50:34,069 --> 00:50:32,720

down to earth and ann like she ended up

1239

00:50:37,190 --> 00:50:34,079

in a bus station

1240

00:50:39,349 --> 00:50:37,200

which which where she was seeing

1241

00:50:42,150 --> 00:50:39,359

saw people all sitting on benches with

1242

00:50:43,910 --> 00:50:42,160

big parcels in their hands

1243

00:50:45,670 --> 00:50:43,920

and she didn't have anything in her

1244

00:50:46,870 --> 00:50:45,680

hands and she was told she could either

1245

00:50:49,270 --> 00:50:46,880

go on

1246

00:50:51,349 --> 00:50:49,280

or come back if she wished and she

1247

00:50:53,990 --> 00:50:51,359

decided to come back

1248

00:50:55,670 --> 00:50:54,000

and after that she was no longer afraid

1249

00:50:58,790 --> 00:50:55,680

of death in any way

1250

00:51:01,430 --> 00:50:58,800

when it came time for her to

1251
00:51:02,309 --> 00:51:01,440
go her body was collapsing i mean her

1252
00:51:05,349 --> 00:51:02,319
brain was

1253
00:51:09,109 --> 00:51:05,359
she was having stroke after stroke

1254
00:51:11,589 --> 00:51:09,119
because of cancer the result of

1255
00:51:13,270 --> 00:51:11,599
they're being unable to take a tumor

1256
00:51:14,790 --> 00:51:13,280
entirely out of her brain

1257
00:51:16,309 --> 00:51:14,800
and the weight of the tumor was

1258
00:51:19,349 --> 00:51:16,319
destroying her brain

1259
00:51:20,390 --> 00:51:19,359
and she had lost lost the entire right

1260
00:51:28,549 --> 00:51:20,400
side of her body

1261
00:51:29,829 --> 00:51:28,559
she said to me one day in july of 2015

1262
00:51:32,870 --> 00:51:29,839
whitley it's time

1263
00:51:35,910 --> 00:51:32,880

i'm going and i said

1264

00:51:37,750 --> 00:51:35,920

i was just heartbroken of course because

1265

00:51:41,349 --> 00:51:37,760

i wanted anne with me

1266

00:51:42,150 --> 00:51:41,359

physically in any form she happened to

1267

00:51:44,870 --> 00:51:42,160

be

1268

00:51:46,710 --> 00:51:44,880

sick or healthy but i could well

1269

00:51:47,990 --> 00:51:46,720

understand she couldn't even get up out

1270

00:51:50,390 --> 00:51:48,000

of bed she had to be helped

1271

00:51:51,349 --> 00:51:50,400

to do everything and that would be the

1272

00:51:54,069 --> 00:51:51,359

case

1273

00:51:54,390 --> 00:51:54,079

until something ghastly happened like

1274

00:51:58,150 --> 00:51:54,400

she

1275

00:52:00,390 --> 00:51:58,160

became locked in or uh her lungs stopped

1276

00:52:04,390 --> 00:52:00,400

working and she died of suffocation

1277

00:52:06,790 --> 00:52:04,400

and so i called hospice

1278

00:52:07,990 --> 00:52:06,800

and they came and they talked to anne

1279

00:52:10,150 --> 00:52:08,000

and at that point i was

1280

00:52:11,030 --> 00:52:10,160

i had to be out of the picture legally

1281

00:52:14,069 --> 00:52:11,040

we didn't have

1282

00:52:14,630 --> 00:52:14,079

you you didn't have you had to you had

1283

00:52:22,150 --> 00:52:14,640

to

1284

00:52:25,109 --> 00:52:22,160

the supreme court had decided

1285

00:52:25,589 --> 00:52:25,119

if you did that then you had the right

1286

00:52:31,510 --> 00:52:25,599

to

1287

00:52:34,309 --> 00:52:31,520

that's what she did and she only lasted

1288

00:52:37,910 --> 00:52:34,319

a few days and those were the hardest

1289

00:52:40,760 --> 00:52:37,920

and most extraordinary days of my life

1290

00:52:41,910 --> 00:52:40,770

she came back she died at 7 15

1291

00:52:44,549 --> 00:52:41,920

[Music]

1292

00:52:45,109 --> 00:52:44,559

she began reconnecting with me through

1293

00:52:47,829 --> 00:52:45,119

friends

1294

00:52:49,270 --> 00:52:47,839

at 9 30 that night she didn't come

1295

00:52:51,910 --> 00:52:49,280

directly to me because she knew

1296

00:52:53,510 --> 00:52:51,920

i was too hard-headed i would never

1297

00:52:57,270 --> 00:52:53,520

believed it

1298

00:53:00,630 --> 00:52:57,280

but now i have learned

1299

00:53:03,510 --> 00:53:00,640

how to share this body with her

1300

00:53:04,309 --> 00:53:03,520

she can use it this is why symbolically

1301
00:53:06,710 --> 00:53:04,319
i wear both

1302
00:53:08,150 --> 00:53:06,720
rings because as far as i'm concerned

1303
00:53:11,190 --> 00:53:08,160
we're still married

1304
00:53:13,190 --> 00:53:11,200
we're just down to this one body anyway

1305
00:53:14,790 --> 00:53:13,200
it's all in

1306
00:53:17,430 --> 00:53:14,800
the book i wrote with anne after she

1307
00:53:19,510 --> 00:53:17,440
died the afterlife revolution

1308
00:53:21,190 --> 00:53:19,520
and you know there's such wisdom she's

1309
00:53:24,630 --> 00:53:21,200
had given me such

1310
00:53:27,349 --> 00:53:24,640
wisdom in in her afterlife

1311
00:53:28,150 --> 00:53:27,359
among the things that she said that are

1312
00:53:31,510 --> 00:53:28,160
great

1313
00:53:32,470 --> 00:53:31,520

are the human species is too young to

1314

00:53:35,030 --> 00:53:32,480

have beliefs

1315

00:53:36,790 --> 00:53:35,040

but we need are good questions and but

1316

00:53:39,829 --> 00:53:36,800

the other one that i think is

1317

00:53:42,870 --> 00:53:39,839

is it's a it's a

1318

00:53:46,069 --> 00:53:42,880

life aim that is

1319

00:53:47,990 --> 00:53:46,079

not reachable probably in life but is a

1320

00:53:50,549 --> 00:53:48,000

wonderful aim to have

1321

00:53:52,150 --> 00:53:50,559

it is that enlightenment is what happens

1322

00:53:56,790 --> 00:53:52,160

when there is nothing left of us

1323

00:54:00,069 --> 00:53:56,800

but love you start down that path

1324

00:54:05,349 --> 00:54:00,079

and immediately the dark side's having

1325

00:54:13,430 --> 00:54:09,349

quickly you got me choked up um

1326

00:54:16,309 --> 00:54:13,440

me too tell us tell us what's going on

1327

00:54:17,190 --> 00:54:16,319

with uh with you what else is going on

1328

00:54:18,390 --> 00:54:17,200

this new book

1329

00:54:20,870 --> 00:54:18,400

again people are going to want to check

1330

00:54:22,950 --> 00:54:20,880

out a new world and

1331

00:54:23,990 --> 00:54:22,960

of course the website what's going on

1332

00:54:27,589 --> 00:54:24,000

there

1333

00:54:31,270 --> 00:54:27,599

and what's next what's next for you

1334

00:54:35,829 --> 00:54:31,280

i am writing a book about jesus

1335

00:54:38,630 --> 00:54:35,839

it is not like other books about jesus

1336

00:54:39,349 --> 00:54:38,640

are you is the historical aspect of

1337

00:54:42,309 --> 00:54:39,359

jesus

1338

00:54:43,670 --> 00:54:42,319

important to you or are you okay with

1339

00:54:45,430 --> 00:54:43,680

those who understand

1340

00:54:47,430 --> 00:54:45,440

christ consciousness but are a little

1341

00:54:50,150 --> 00:54:47,440

bit less

1342

00:54:52,309 --> 00:54:50,160

sold on the historical aspects the way

1343

00:54:54,549 --> 00:54:52,319

it's been told to us what's your opinion

1344

00:54:56,789 --> 00:54:54,559

there are two histories of jesus there

1345

00:54:58,870 --> 00:54:56,799

there are three histories of jesus

1346

00:55:00,390 --> 00:54:58,880

one is the secular history of jesus

1347

00:55:05,510 --> 00:55:00,400

which you can

1348

00:55:07,349 --> 00:55:05,520

get in a book like zealot by reza aslan

1349

00:55:08,870 --> 00:55:07,359

which is essentially that he was a

1350

00:55:10,950 --> 00:55:08,880

revolutionary

1351

00:55:13,109 --> 00:55:10,960

there was no there were no real miracles

1352

00:55:17,030 --> 00:55:13,119

there was no resurrection all that

1353

00:55:20,789 --> 00:55:17,040

is uh just um hyperbole

1354

00:55:21,589 --> 00:55:20,799

or there is the traditional christian

1355

00:55:24,870 --> 00:55:21,599

jesus

1356

00:55:28,309 --> 00:55:24,880

he was a god come to earth

1357

00:55:33,349 --> 00:55:28,319

there's another jesus that is

1358

00:55:35,349 --> 00:55:33,359

unremarked but more important

1359

00:55:37,589 --> 00:55:35,359

three things have happened that caused

1360

00:55:39,990 --> 00:55:37,599

that other jesus to re-emerge

1361

00:55:42,230 --> 00:55:40,000

as he said if you do not awaken i will

1362

00:55:44,870 --> 00:55:42,240

return as a thief in the night

1363

00:55:46,870 --> 00:55:44,880

one is the shroud of turin the moment

1364

00:55:49,349 --> 00:55:46,880

the first photograph was taken of it in

1365

00:55:51,990 --> 00:55:49,359

1898 suddenly

1366

00:55:53,750 --> 00:55:52,000

we had a picture of him the second is

1367

00:55:55,589 --> 00:55:53,760

the gospel of thomas and the third is

1368

00:55:58,549 --> 00:55:55,599

the gospel of mary

1369

00:56:00,870 --> 00:55:58,559

those three things taken together add up

1370

00:56:03,870 --> 00:56:00,880

to a new vision of jesus

1371

00:56:05,750 --> 00:56:03,880

the uh shroud of turin was debunked in

1372

00:56:09,030 --> 00:56:05,760

1988

1373

00:56:09,750 --> 00:56:09,040

as being a medieval forgery this is

1374

00:56:12,309 --> 00:56:09,760

false

1375

00:56:15,109 --> 00:56:12,319

it is not a medieval forgery and there

1376
00:56:18,710 --> 00:56:15,119
is plenty of science that has been done

1377
00:56:21,910 --> 00:56:18,720
since then that shows that it is indeed

1378
00:56:24,870 --> 00:56:21,920
an extremely strange object it's the

1379
00:56:28,950 --> 00:56:24,880
strangest thing in the world

1380
00:56:32,549 --> 00:56:28,960
but it doesn't mean that jesus was a god

1381
00:56:35,190 --> 00:56:32,559
it means that we don't know what we

1382
00:56:35,910 --> 00:56:35,200
are just as you said at the beginning

1383
00:56:39,750 --> 00:56:35,920
this is the

1384
00:56:42,390 --> 00:56:39,760
central aim of human life

1385
00:56:44,630 --> 00:56:42,400
finding out who we are and my new book

1386
00:56:49,190 --> 00:56:44,640
about jesus is about just that

1387
00:56:52,069 --> 00:56:49,200
it's about using the example jesus said

1388
00:56:53,430 --> 00:56:52,079

to find out who we are and as far as the

1389

00:56:56,950 --> 00:56:53,440

idea that he didn't

1390

00:56:59,349 --> 00:56:56,960

actually exist at all

1391

00:57:00,630 --> 00:56:59,359

well that's a very interesting question

1392

00:57:02,950 --> 00:57:00,640

that i address in the book

1393

00:57:04,870 --> 00:57:02,960

extensively i think there was a

1394

00:57:07,990 --> 00:57:04,880

historical jesus

1395

00:57:10,710 --> 00:57:08,000

and i think that that the story

1396

00:57:11,190 --> 00:57:10,720

the real story of the historical jesus

1397

00:57:14,549 --> 00:57:11,200

is

1398

00:57:15,990 --> 00:57:14,559

also a story about a group of initiates

1399

00:57:18,309 --> 00:57:16,000

who worked with him

1400

00:57:20,069 --> 00:57:18,319

who you can find if you do a lot of

1401

00:57:22,950 --> 00:57:20,079

detective work and careful

1402

00:57:24,950 --> 00:57:22,960

reading of the gospels you can find

1403

00:57:27,430 --> 00:57:24,960

their presence they're like a shadow

1404

00:57:28,069 --> 00:57:27,440

in the gospels they don't really emerge

1405

00:57:30,470 --> 00:57:28,079

but i

1406

00:57:31,589 --> 00:57:30,480

i shined a light on them in my book i

1407

00:57:33,990 --> 00:57:31,599

hope

1408

00:57:35,030 --> 00:57:34,000

um when will that be out that's gonna

1409

00:57:37,510 --> 00:57:35,040

really be

1410

00:57:39,109 --> 00:57:37,520

interesting you know because let me just

1411

00:57:40,549 --> 00:57:39,119

interject here a little bit what i

1412

00:57:41,750 --> 00:57:40,559

always think is interesting about the

1413

00:57:44,069 --> 00:57:41,760

jesus thing

1414

00:57:45,349 --> 00:57:44,079

and it's mainly because of my work my

1415

00:57:47,270 --> 00:57:45,359

interest

1416

00:57:48,470 --> 00:57:47,280

in near-death experience science and

1417

00:57:50,549 --> 00:57:48,480

always throw science in there because

1418

00:57:53,510 --> 00:57:50,559

there's still a lot of people who are

1419

00:57:55,190 --> 00:57:53,520

don't understand that just because we

1420

00:57:55,510 --> 00:57:55,200

don't understand something completely

1421

00:57:56,549 --> 00:57:55,520

just

1422

00:57:57,910 --> 00:57:56,559

because we don't understand

1423

00:57:59,109 --> 00:57:57,920

consciousness just because we don't

1424

00:58:01,990 --> 00:57:59,119

understand

1425

00:58:03,510 --> 00:58:02,000

what anne experienced in that bus

1426
00:58:06,630 --> 00:58:03,520
station

1427
00:58:08,069 --> 00:58:06,640
doesn't mean that it isn't it isn't what

1428
00:58:10,710 --> 00:58:08,079
we would term real

1429
00:58:12,069 --> 00:58:10,720
you know but i've interviewed so many

1430
00:58:14,549 --> 00:58:12,079
people that have had

1431
00:58:16,230 --> 00:58:14,559
experiences with christ consciousness

1432
00:58:20,069 --> 00:58:16,240
and they have a knowing

1433
00:58:23,670 --> 00:58:20,079
and i always want to say that i totally

1434
00:58:25,510 --> 00:58:23,680
accept that on a very very real level

1435
00:58:27,670 --> 00:58:25,520
that not it's not just what they

1436
00:58:29,270 --> 00:58:27,680
believed that there is definitely a

1437
00:58:31,349 --> 00:58:29,280
reality to that

1438
00:58:33,030 --> 00:58:31,359

but i love the way that and i don't want

1439

00:58:35,270 --> 00:58:33,040

to put words in your mouth but

1440

00:58:36,789 --> 00:58:35,280

what i hear you saying is you remain

1441

00:58:41,829 --> 00:58:36,799

open to

1442

00:58:44,470 --> 00:58:41,839

that not paralleling a historical

1443

00:58:45,670 --> 00:58:44,480

figure in the way that in particular

1444

00:58:48,710 --> 00:58:45,680

christianity has

1445

00:58:51,589 --> 00:58:48,720

stitched that story together uh

1446

00:58:52,710 --> 00:58:51,599

and that there may be discoveries that

1447

00:58:55,030 --> 00:58:52,720

we need to make to

1448

00:58:56,630 --> 00:58:55,040

understand the connection between that

1449

00:58:58,630 --> 00:58:56,640

christ consciousness that we are a

1450

00:59:02,230 --> 00:58:58,640

co-creator of

1451
00:59:04,230 --> 00:59:02,240
and uh and the historical thing there so

1452
00:59:05,670 --> 00:59:04,240
any any thoughts on that before we leave

1453
00:59:07,670 --> 00:59:05,680
that and then do tell us when that book

1454
00:59:10,309 --> 00:59:07,680
will be out

1455
00:59:11,670 --> 00:59:10,319
well uh i'm shooting for january the

1456
00:59:15,510 --> 00:59:11,680
15th

1457
00:59:18,309 --> 00:59:15,520
i uh that right now is the pub date

1458
00:59:21,510 --> 00:59:18,319
uh but it might it might go a little

1459
00:59:24,390 --> 00:59:21,520
longer i'm not sure i'm still

1460
00:59:25,349 --> 00:59:24,400
fighting with myself about the title and

1461
00:59:27,109 --> 00:59:25,359
um

1462
00:59:28,549 --> 00:59:27,119
that's always hard because it has to

1463
00:59:30,230 --> 00:59:28,559

have the right title

1464

00:59:33,430 --> 00:59:30,240

the title has to tell the story of the

1465

00:59:36,470 --> 00:59:33,440

book in two or three words

1466

00:59:40,309 --> 00:59:36,480

and i've always been good at titles

1467

00:59:42,230 --> 00:59:40,319

but i always feel that i'm terribly bad

1468

00:59:45,030 --> 00:59:42,240

at titles when i'm working on one

1469

00:59:47,670 --> 00:59:45,040

so maybe a good title will come soon and

1470

00:59:51,589 --> 00:59:47,680

in which case we'll stay on track

1471

00:59:55,030 --> 00:59:51,599

uh now the

1472

00:59:58,829 --> 00:59:55,040

the question of what

1473

01:00:02,069 --> 00:59:58,839

initiation is is

1474

01:00:05,270 --> 01:00:02,079

central to an understanding

1475

01:00:08,710 --> 01:00:05,280

not only of our own experience now

1476

01:00:10,390 --> 01:00:08,720

because after all as annie

1477

01:00:12,630 --> 01:00:10,400

had a near-death experience and was

1478

01:00:15,109 --> 01:00:12,640

brought back by doctors

1479

01:00:16,309 --> 01:00:15,119

this is now commonplace this happens all

1480

01:00:19,990 --> 01:00:16,319

the time

1481

01:00:22,549 --> 01:00:20,000

uh this had to be induced

1482

01:00:23,190 --> 01:00:22,559

say in the mysteries in ancient times

1483

01:00:25,109 --> 01:00:23,200

you really

1484

01:00:26,710 --> 01:00:25,119

did have to be put in a position where

1485

01:00:28,870 --> 01:00:26,720

you were dying

1486

01:00:30,789 --> 01:00:28,880

and if you lived then you had been

1487

01:00:32,789 --> 01:00:30,799

initiated and if you died

1488

01:00:34,150 --> 01:00:32,799

then that turned out to have been a

1489

01:00:37,190 --> 01:00:34,160

mistake

1490

01:00:38,309 --> 01:00:37,200

uh there was one tribe and i forget

1491

01:00:41,990 --> 01:00:38,319

which one

1492

01:00:45,270 --> 01:00:42,000

where someone wanting to gain medicine

1493

01:00:49,430 --> 01:00:45,280

medicine would jump off a cliff

1494

01:00:50,549 --> 01:00:49,440

and if they lived they had medicine and

1495

01:00:55,430 --> 01:00:50,559

if they didn't

1496

01:01:02,470 --> 01:00:59,589

initiation is about getting past death

1497

01:01:03,910 --> 01:01:02,480

and it used to be very rare because you

1498

01:01:05,349 --> 01:01:03,920

know how many people are going to

1499

01:01:11,190 --> 01:01:05,359

actually

1500

01:01:13,750 --> 01:01:11,200

because medical science has made it

1501

01:01:16,549 --> 01:01:13,760

common this is an initiatory

1502

01:01:17,990 --> 01:01:16,559

culture now because we bring so many

1503

01:01:20,710 --> 01:01:18,000

people back from the death

1504

01:01:22,069 --> 01:01:20,720

from death most of them don't actually

1505

01:01:25,190 --> 01:01:22,079

remember anything

1506

01:01:27,589 --> 01:01:25,200

but some do and those are initiates

1507

01:01:29,270 --> 01:01:27,599

who do who do remember and whitley you

1508

01:01:30,630 --> 01:01:29,280

were drawing some parallels earlier in

1509

01:01:32,230 --> 01:01:30,640

the book

1510

01:01:34,470 --> 01:01:32,240

and i'd like you to kind of just string

1511

01:01:37,510 --> 01:01:34,480

that out as our time is running out here

1512

01:01:39,190 --> 01:01:37,520

between that and the increased contact

1513

01:01:40,470 --> 01:01:39,200

with the visitors because both our

1514

01:01:45,670 --> 01:01:40,480

initiatory

1515

01:01:47,349 --> 01:01:45,680

you know correlation causation kind of

1516

01:01:50,549 --> 01:01:47,359

thing going on there do they just happen

1517

01:01:52,630 --> 01:01:50,559

or are we misreading that

1518

01:01:54,549 --> 01:01:52,640

well no i don't think so there's a very

1519

01:01:57,270 --> 01:01:54,559

much of a correlation

1520

01:01:59,829 --> 01:01:57,280

the visitor experience is initiatory in

1521

01:02:01,829 --> 01:01:59,839

the sense that it overturns your life

1522

01:02:03,750 --> 01:02:01,839

and you have a choice either you're

1523

01:02:04,549 --> 01:02:03,760

going to sit there and say well god damn

1524

01:02:06,390 --> 01:02:04,559

them

1525

01:02:08,150 --> 01:02:06,400

or you're going to go for it and try to

1526
01:02:09,829 --> 01:02:08,160
figure out what the hell happened and

1527
01:02:11,270 --> 01:02:09,839
how you can make something out of it for

1528
01:02:14,630 --> 01:02:11,280
yourself

1529
01:02:17,349 --> 01:02:14,640
or you're just going to ignore it and

1530
01:02:18,470 --> 01:02:17,359
the memory will fade and fade into a

1531
01:02:21,510 --> 01:02:18,480
state of

1532
01:02:23,349 --> 01:02:21,520
sort of ptsd and there's a

1533
01:02:25,589 --> 01:02:23,359
i think the visitor experience is very

1534
01:02:28,630 --> 01:02:25,599
extensive and that there is a huge

1535
01:02:31,270 --> 01:02:28,640
subliminal level of ptsd in our

1536
01:02:33,109 --> 01:02:31,280
in our world and always has been and is

1537
01:02:34,789 --> 01:02:33,119
one of the reasons our history is so

1538
01:02:38,150 --> 01:02:34,799

violent

1539

01:02:40,870 --> 01:02:38,160

you know they're they're a big presence

1540

01:02:41,670 --> 01:02:40,880

it's not like a bunch of little aliens

1541

01:02:44,870 --> 01:02:41,680

running around

1542

01:02:47,990 --> 01:02:44,880

and trying to see what we're up to

1543

01:02:52,230 --> 01:02:48,000

this is part of the of the of

1544

01:02:55,750 --> 01:02:52,240

the blood of life it's that deep

1545

01:02:59,029 --> 01:02:55,760

and it emerges from time to time

1546

01:03:02,470 --> 01:02:59,039

in the into physical entity

1547

01:03:05,750 --> 01:03:02,480

that happened in the distant past uh

1548

01:03:07,910 --> 01:03:05,760

uh and you that's why you see these

1549

01:03:09,029 --> 01:03:07,920

images of entities that look something

1550

01:03:12,230 --> 01:03:09,039

like the grays

1551

01:03:13,029 --> 01:03:12,240

uh from from different periods and you

1552

01:03:17,349 --> 01:03:13,039

have

1553

01:03:20,870 --> 01:03:17,359

uh evidence in in uh the the um

1554

01:03:22,950 --> 01:03:20,880

in the in the literature of the past

1555

01:03:25,029 --> 01:03:22,960

that there were contacts of various

1556

01:03:26,710 --> 01:03:25,039

kinds i mean obviously ezekiel's wheel

1557

01:03:29,430 --> 01:03:26,720

and so forth

1558

01:03:30,870 --> 01:03:29,440

and it's happening again it's happening

1559

01:03:33,910 --> 01:03:30,880

now

1560

01:03:36,549 --> 01:03:33,920

it's a it's a it's a it's a re

1561

01:03:39,910 --> 01:03:36,559

another initiation i think we're going

1562

01:03:43,829 --> 01:03:39,920

into a period of tremendous upheaval

1563

01:03:45,270 --> 01:03:43,839

and that the soul the greater soul that

1564

01:03:48,309 --> 01:03:45,280

we are all part of

1565

01:03:48,630 --> 01:03:48,319

is preparing for it and that's why we

1566

01:03:50,870 --> 01:03:48,640

see

1567

01:03:52,309 --> 01:03:50,880

these things that we do that's why there

1568

01:03:54,549 --> 01:03:52,319

is a huge

1569

01:03:55,510 --> 01:03:54,559

wave of initiation across the whole

1570

01:04:01,190 --> 01:03:55,520

planet on

1571

01:04:07,750 --> 01:04:05,029

why those of us who know

1572

01:04:08,069 --> 01:04:07,760

anything at all about what's going on

1573

01:04:11,349 --> 01:04:08,079

have

1574

01:04:14,470 --> 01:04:11,359

got to make a personal choice

1575

01:04:16,390 --> 01:04:14,480

you have to choose the good you know in

1576

01:04:17,430 --> 01:04:16,400

the gospel of mary the word god isn't

1577

01:04:20,789 --> 01:04:17,440

mentioned

1578

01:04:23,190 --> 01:04:20,799

god is called the good you have to

1579

01:04:26,230 --> 01:04:23,200

choose the good

1580

01:04:27,430 --> 01:04:26,240

well what an awesome way maybe to end it

1581

01:04:30,390 --> 01:04:27,440

right there

1582

01:04:31,029 --> 01:04:30,400

um folks it's been or i should say

1583

01:04:33,750 --> 01:04:31,039

whitley

1584

01:04:35,349 --> 01:04:33,760

uh just terrific thank you again so much

1585

01:04:37,589 --> 01:04:35,359

our guest of course has been

1586

01:04:39,510 --> 01:04:37,599

whitley strieber you're going to want to

1587

01:04:41,349 --> 01:04:39,520

check out his new book

1588

01:04:43,349 --> 01:04:41,359

a new world you're going to want the

1589

01:04:45,510 --> 01:04:43,359

guy's written over 40 books so there's a

1590

01:04:48,710 --> 01:04:45,520

lot to choose from but this

1591

01:04:51,430 --> 01:04:48,720

last one important relevant right now

1592

01:04:52,829 --> 01:04:51,440

and his website excellent keeps walking

1593

01:04:55,990 --> 01:04:52,839

rocking along

1594

01:04:59,270 --> 01:04:56,000

dreamland uh excellent as well

1595

01:05:02,150 --> 01:04:59,280

it's been just uh awesome sharing this

1596

01:05:03,750 --> 01:05:02,160

time with you thank you thank you so

1597

01:05:05,589 --> 01:05:03,760

much

1598

01:05:07,029 --> 01:05:05,599

well thank you alex it's been a pleasure

1599

01:05:08,470 --> 01:05:07,039

and i'm glad that we finally got

1600

01:05:10,150 --> 01:05:08,480

together

1601
01:05:11,990 --> 01:05:10,160
thanks again to whitley strieber for

1602
01:05:13,670 --> 01:05:12,000
joining me today on skeptico

1603
01:05:15,270 --> 01:05:13,680
the one question i tee up is the

1604
01:05:16,950 --> 01:05:15,280
question i kinda teed up at the

1605
01:05:19,510 --> 01:05:16,960
beginning and that's

1606
01:05:20,470 --> 01:05:19,520
what do you make of the flypaper analogy

1607
01:05:24,710 --> 01:05:20,480
what do you make

1608
01:05:28,870 --> 01:05:24,720
of our need to know our ego stroking

1609
01:05:31,990 --> 01:05:28,880
our ego run wild feeling of knowing

1610
01:05:33,190 --> 01:05:32,000
of being an intelligence agent of being

1611
01:05:37,510 --> 01:05:33,200
a magician

1612
01:05:40,069 --> 01:05:37,520
of being someone who knows more

1613
01:05:40,789 --> 01:05:40,079

boy i get it i totally get it but i

1614

01:05:44,309 --> 01:05:40,799

wonder if it

1615

01:05:47,750 --> 01:05:44,319

is as whitley says black magic

1616

01:05:51,109 --> 01:05:47,760

if it is fly paper that sticks to us

1617

01:05:54,309 --> 01:05:51,119

and keeps us in the vortex of

1618

01:05:56,470 --> 01:05:54,319

evil what do you think let me know

1619

01:05:58,150 --> 01:05:56,480

no one's coming over the forum i don't

1620

01:06:01,270 --> 01:05:58,160

know i don't know what's up

1621

01:06:04,069 --> 01:06:01,280

but uh let me now buy whatever means

1622

01:06:05,270 --> 01:06:04,079

necessary got some good shows coming up
