

**SK≡PTIKO**  
science & spirituality

**#483**

# ***DANGEROUS CONSPIRACIES***

**FEATURING**

**ISAAC WEISHAAPT**

1  
00:00:00,719 --> 00:00:13,030  
remove the subject's clothes

2  
00:00:19,189 --> 00:00:16,230  
let us stare upon his baby's skin

3  
00:00:19,990 --> 00:00:19,199  
that's will ferrell yucking it up with a

4  
00:00:23,349 --> 00:00:20,000  
mock

5  
00:00:27,349 --> 00:00:23,359  
satanic ritual on true tv

6  
00:00:29,990 --> 00:00:27,359  
mock because there is no such thing as

7  
00:00:31,109 --> 00:00:30,000  
consciousness extended consciousness

8  
00:00:34,630 --> 00:00:31,119  
spirits god

9  
00:00:38,150 --> 00:00:34,640  
angels demons none of that stuff has

10  
00:00:39,430 --> 00:00:38,160  
any reality well maybe it does maybe it

11  
00:00:40,709 --> 00:00:39,440  
doesn't

12  
00:00:43,190 --> 00:00:40,719  
here's a clip from my interview with

13  
00:00:45,910 --> 00:00:43,200

today's guest isaac wisehop

14

00:00:46,549 --> 00:00:45,920

i'm saying that when you understand how

15

00:00:49,430 --> 00:00:46,559

these people

16

00:00:51,910 --> 00:00:49,440

think they believe that there's a sort

17

00:00:53,189 --> 00:00:51,920

of ceremonial ritual magic they can

18

00:00:55,910 --> 00:00:53,199

conduct

19

00:00:56,470 --> 00:00:55,920

where they can literally transform the

20

00:00:58,790 --> 00:00:56,480

world

21

00:01:01,510 --> 00:00:58,800

and this goes back we could finish our

22

00:01:03,990 --> 00:01:01,520

thought on who the illuminati was

23

00:01:06,789 --> 00:01:04,000

there was conspiracy theories back in

24

00:01:09,429 --> 00:01:06,799

the late 1700s that the illuminati was

25

00:01:11,190 --> 00:01:09,439

behind the french revolution

26  
00:01:13,590 --> 00:01:11,200  
welcome to skeptico where we explore

27  
00:01:16,390 --> 00:01:13,600  
controversial science and spirituality

28  
00:01:18,950 --> 00:01:16,400  
with leading researchers thinkers

29  
00:01:20,070 --> 00:01:18,960  
and their critics i'm your host alex

30  
00:01:23,749 --> 00:01:20,080  
sacaris today

31  
00:01:26,950 --> 00:01:23,759  
we welcome isaac wisehop to skeptico

32  
00:01:30,630 --> 00:01:26,960  
isaac is the author of several

33  
00:01:33,830 --> 00:01:30,640  
actually many high-ranking books on

34  
00:01:35,350 --> 00:01:33,840  
amazon if you are watching a youtube on

35  
00:01:37,109 --> 00:01:35,360  
this you can see me

36  
00:01:39,030 --> 00:01:37,119  
pulling them up and they kind of stream

37  
00:01:41,510 --> 00:01:39,040  
past really quick but

38  
00:01:42,149 --> 00:01:41,520

he's done a lot and some of them i've

39

00:01:43,990 --> 00:01:42,159

gotten

40

00:01:46,630 --> 00:01:44,000

up there in the kind of five percent

41

00:01:47,510 --> 00:01:46,640

realm on amazon which is pretty hard to

42

00:01:50,710 --> 00:01:47,520

do

43

00:01:54,149 --> 00:01:50,720

and he's also the host and

44

00:01:56,389 --> 00:01:54,159

creator of conspiracy theories in

45

00:01:59,510 --> 00:01:56,399

unpopular culture

46

00:02:00,789 --> 00:01:59,520

a podcast that i'm sure all skeptical

47

00:02:04,550 --> 00:02:00,799

listeners

48

00:02:06,550 --> 00:02:04,560

are subscribed to i say that i say that

49

00:02:09,109 --> 00:02:06,560

kiddingly because

50

00:02:10,630 --> 00:02:09,119

one of the real reasons i wanted to have

51

00:02:15,030 --> 00:02:10,640

isaac on the show today

52

00:02:17,510 --> 00:02:15,040

is because you know we did

53

00:02:19,030 --> 00:02:17,520

an episode on his show he was nice

54

00:02:20,949 --> 00:02:19,040

enough to invite me on

55

00:02:23,430 --> 00:02:20,959

and we had really i thought a great talk

56

00:02:25,270 --> 00:02:23,440

about why evil matters and he had some

57

00:02:28,470 --> 00:02:25,280

good perspectives on that

58

00:02:31,589 --> 00:02:28,480

and i just kept thinking you know

59

00:02:33,270 --> 00:02:31,599

one of the things i feel like is

60

00:02:35,990 --> 00:02:33,280

difficult for me with skeptico

61

00:02:37,670 --> 00:02:36,000

is i've been doing it for so long and i

62

00:02:41,270 --> 00:02:37,680

know i have this

63

00:02:42,869 --> 00:02:41,280

base of not only listeners because it's

64

00:02:45,430 --> 00:02:42,879

not about listeners it's about us

65

00:02:46,070 --> 00:02:45,440

all kind of growing in this information

66

00:02:48,390 --> 00:02:46,080

together

67

00:02:50,869 --> 00:02:48,400

but have this base of interviews and

68

00:02:54,390 --> 00:02:50,879

knowledge that i've gained

69

00:02:56,550 --> 00:02:54,400

whose origin is in science like psy

70

00:02:58,390 --> 00:02:56,560

you know and like uh near-death

71

00:02:59,430 --> 00:02:58,400

experience and like parapsychology

72

00:03:01,350 --> 00:02:59,440

researchers and

73

00:03:03,190 --> 00:03:01,360

rupert shelter dean rayden and all those

74

00:03:06,470 --> 00:03:03,200

people i super respect

75

00:03:08,070 --> 00:03:06,480

and people i still interview like i have

76

00:03:10,949 --> 00:03:08,080

an interview in the hopper

77

00:03:13,990 --> 00:03:10,959

with dr stephen browdy who anyone who's

78

00:03:17,670 --> 00:03:14,000

in the parapsychology community knows

79

00:03:23,270 --> 00:03:20,710

you know that i've also been headed down

80

00:03:25,670 --> 00:03:23,280

the conspiracy path

81

00:03:27,750 --> 00:03:25,680

and as i've said several times i didn't

82

00:03:31,190 --> 00:03:27,760

choose that

83

00:03:34,229 --> 00:03:31,200

it chose me because ultimately my

84

00:03:37,910 --> 00:03:34,239

finding in this show

85

00:03:41,030 --> 00:03:37,920

is that science as we know it

86

00:03:42,229 --> 00:03:41,040

scientism the idea that you're a

87

00:03:45,350 --> 00:03:42,239

biological robot

88

00:03:47,110 --> 00:03:45,360

in a meaningless universe is a [h\_\_h]

89

00:03:50,149 --> 00:03:47,120

conspiracy

90

00:03:54,229 --> 00:03:50,159

it's not accidental it's best

91

00:03:58,789 --> 00:03:54,239

understood as a conspiracy

92

00:04:01,670 --> 00:03:58,799

and that opened me up to

93

00:04:03,750 --> 00:04:01,680

guys like isaac who have been coming at

94

00:04:07,030 --> 00:04:03,760

the conspiracy thing

95

00:04:09,270 --> 00:04:07,040

for a long time going hard

96

00:04:11,110 --> 00:04:09,280

and really really digging up some

97

00:04:14,869 --> 00:04:11,120

important information that

98

00:04:18,789 --> 00:04:14,879

you know if i was to run across

99

00:04:21,509 --> 00:04:18,799

isaac's books and his podcast

100

00:04:24,629 --> 00:04:21,519

five years ago i would have just

101

00:04:28,629 --> 00:04:24,639

dismissed it as all crazy stuff

102

00:04:30,469 --> 00:04:28,639

now i look at it i read it and it looks

103

00:04:33,350 --> 00:04:30,479

like we're gonna talk about this because

104

00:04:36,710 --> 00:04:33,360

i just told him yesterday it looks like

105

00:04:39,030 --> 00:04:36,720

truth it looks like much closer to truth

106

00:04:40,830 --> 00:04:39,040

than the stuff i was conditioned to

107

00:04:45,110 --> 00:04:40,840

believe

108

00:04:47,830 --> 00:04:45,120

so long intro but i think it's necessary

109

00:04:49,350 --> 00:04:47,840

hopefully for anyone who's listening who

110

00:04:51,430 --> 00:04:49,360

who kind of needed that

111

00:04:52,629 --> 00:04:51,440

but also i think i'm hoping that that

112

00:04:56,150 --> 00:04:52,639

might help

113

00:04:57,350 --> 00:04:56,160

isaac understand what i'm hoping to do

114

00:05:00,550 --> 00:04:57,360

in this show

115

00:05:04,670 --> 00:05:00,560

and why i want him to give us

116

00:05:07,749 --> 00:05:04,680

kind of a a a teaspoon at a time

117

00:05:10,870 --> 00:05:07,759

introduction to his world

118

00:05:11,909 --> 00:05:10,880

and uh illuminati and what that really

119

00:05:13,990 --> 00:05:11,919

means if you can

120

00:05:15,830 --> 00:05:14,000

kind of get past that oh my god you know

121

00:05:17,029 --> 00:05:15,840

this is crazy conspiracy thing

122

00:05:19,510 --> 00:05:17,039

what does that really mean what does

123

00:05:20,629 --> 00:05:19,520

illuminati really mean all the symbolism

124

00:05:24,150 --> 00:05:20,639

that we see around

125

00:05:26,150 --> 00:05:24,160

in pop culture and you know so overblown

126  
00:05:27,350 --> 00:05:26,160  
up right now what does that really mean

127  
00:05:30,310 --> 00:05:27,360  
what is what is

128  
00:05:30,790 --> 00:05:30,320  
jay-z wrapping with ibranovich what's

129  
00:05:39,590 --> 00:05:30,800  
that

130  
00:05:42,390 --> 00:05:39,600  
and he's going to bring us there and

131  
00:05:43,670 --> 00:05:42,400  
hopefully he'll be that bridge from

132  
00:05:46,950 --> 00:05:43,680  
psy which he doesn't even know what the

133  
00:05:48,950 --> 00:05:46,960  
[h\_\_\h] sai is to

134  
00:05:51,029 --> 00:05:48,960  
all that stuff that he's all about does

135  
00:05:54,150 --> 00:05:51,039  
that sound okay man

136  
00:05:56,230 --> 00:05:54,160  
oh dude yes absolutely i uh first off

137  
00:05:57,909 --> 00:05:56,240  
thank you i appreciate the the kind

138  
00:06:01,189 --> 00:05:57,919

words and allowing me to

139

00:06:02,309 --> 00:06:01,199

be on your show um my as you alluded to

140

00:06:06,070 --> 00:06:02,319

my

141

00:06:09,270 --> 00:06:06,080

try

142

00:06:11,670 --> 00:06:09,280

to keep it a bit more low brow

143

00:06:13,430 --> 00:06:11,680

so hopefully we can kind of learn from

144

00:06:15,270 --> 00:06:13,440

each other today a little bit

145

00:06:17,270 --> 00:06:15,280

uh i don't know what the [h\_\_h] psy means

146

00:06:21,430 --> 00:06:17,280

but i'm about to find out today

147

00:06:24,629 --> 00:06:21,440

um but i do think that there's

148

00:06:27,189 --> 00:06:24,639

it's curious to me because

149

00:06:28,790 --> 00:06:27,199

my my journey down this path uh roughly

150

00:06:30,790 --> 00:06:28,800

10 years of me getting really

151

00:06:32,469 --> 00:06:30,800

deep into this stuff looking at

152

00:06:33,990 --> 00:06:32,479

symbolism and saying

153

00:06:35,830 --> 00:06:34,000

you know why are these celebrities doing

154

00:06:36,230 --> 00:06:35,840

these symbols and why do these movies

155

00:06:37,990 --> 00:06:36,240

keep

156

00:06:40,469 --> 00:06:38,000

telling us the same stories over and

157

00:06:42,390 --> 00:06:40,479

over and a lot of folks

158

00:06:43,909 --> 00:06:42,400

have gone that far down the rabbit hole

159

00:06:46,150 --> 00:06:43,919

because you know i talked to

160

00:06:47,189 --> 00:06:46,160

i talked to like normal people that

161

00:06:49,510 --> 00:06:47,199

aren't on the

162

00:06:50,870 --> 00:06:49,520

in the truth or community right and and

163

00:06:52,790 --> 00:06:50,880

most people are familiar with these

164

00:06:55,909 --> 00:06:52,800

ideas

165

00:06:57,430 --> 00:06:55,919

but this year the last 12 months i

166

00:06:59,909 --> 00:06:57,440

should say

167

00:07:01,670 --> 00:06:59,919

there's been this they call it the great

168

00:07:04,150 --> 00:07:01,680

awakening

169

00:07:05,430 --> 00:07:04,160

there's been this renewed interest in

170

00:07:08,950 --> 00:07:05,440

this because

171

00:07:09,589 --> 00:07:08,960

it went from talking about this stuff as

172

00:07:13,189 --> 00:07:09,599

a theory

173

00:07:16,870 --> 00:07:13,199

to holy crap this might be real

174

00:07:19,029 --> 00:07:16,880

and to me it's very unnerving and

175

00:07:20,309 --> 00:07:19,039

and i got to apologize in advance you

176

00:07:22,469 --> 00:07:20,319

caught me on a i'm

177

00:07:23,350 --> 00:07:22,479

in a very shook mood right now i'm very

178

00:07:27,990 --> 00:07:23,360

triggered

179

00:07:30,230 --> 00:07:28,000

totally no no i i i mean the monumental

180

00:07:32,150 --> 00:07:30,240

thing that happened at the capitol

181

00:07:34,150 --> 00:07:32,160

building there

182

00:07:35,350 --> 00:07:34,160

i mean i don't know if i get and i guess

183

00:07:38,550 --> 00:07:35,360

it's because i've been like

184

00:07:39,990 --> 00:07:38,560

i went deep down the rabbit hole on the

185

00:07:41,270 --> 00:07:40,000

great reset because i'm not a

186

00:07:42,950 --> 00:07:41,280

geopolitical guy i don't

187

00:07:44,469 --> 00:07:42,960

i don't really get into that hold up

188

00:07:47,110 --> 00:07:44,479

hold up

189

00:07:47,589 --> 00:07:47,120

because the great reset is something we

190

00:07:50,950 --> 00:07:47,599

are going to

191

00:07:51,670 --> 00:07:50,960

really have to de deconstruct for for my

192

00:07:55,909 --> 00:07:51,680

audience

193

00:07:57,909 --> 00:07:55,919

for me for me for me for me because

194

00:07:58,950 --> 00:07:57,919

you've done some phenomenal stuff on it

195

00:08:02,390 --> 00:07:58,960

but we have to

196

00:08:03,430 --> 00:08:02,400

a teaspoon at a time and i get that

197

00:08:05,350 --> 00:08:03,440

we're recording

198

00:08:07,110 --> 00:08:05,360

this you know the day after the capital

199

00:08:08,070 --> 00:08:07,120

thing which is the ultimate theater i

200

00:08:11,189 --> 00:08:08,080

don't know

201  
00:08:13,110 --> 00:08:11,199  
is the ultimate

202  
00:08:15,430 --> 00:08:13,120  
it's the ultimate theater you know and

203  
00:08:17,350 --> 00:08:15,440  
it's like somebody really close to me

204  
00:08:19,909 --> 00:08:17,360  
and my family came down and said

205  
00:08:21,670 --> 00:08:19,919  
oh my god you know people died you know

206  
00:08:24,469 --> 00:08:21,680  
and stuff like that

207  
00:08:24,869 --> 00:08:24,479  
you know how many people die every day

208  
00:08:28,070 --> 00:08:24,879  
from

209  
00:08:32,230 --> 00:08:28,080  
suicide related to the stress

210  
00:08:33,829 --> 00:08:32,240  
of a very suspect kind of circumstances

211  
00:08:36,949 --> 00:08:33,839  
that have been placed on us

212  
00:08:40,709 --> 00:08:36,959  
with a certain uh viral infection

213  
00:08:41,670 --> 00:08:40,719

that has i mean we this last 12 months

214

00:08:44,149 --> 00:08:41,680

has been

215

00:08:44,710 --> 00:08:44,159

extremely strange and a lot of people

216

00:08:48,230 --> 00:08:44,720

have

217

00:08:50,870 --> 00:08:48,240

a lot of

218

00:08:52,470 --> 00:08:50,880

strange things have occurred and i think

219

00:08:54,790 --> 00:08:52,480

that people who are just

220

00:08:55,509 --> 00:08:54,800

especially over the top triggered by

221

00:08:58,790 --> 00:08:55,519

what happened

222

00:09:01,829 --> 00:08:58,800

yesterday are in my mind

223

00:09:02,790 --> 00:09:01,839

not seeing the bigger theater picture

224

00:09:04,150 --> 00:09:02,800

but there i go man

225

00:09:05,750 --> 00:09:04,160

i'm jumping into that debate i don't

226

00:09:06,470 --> 00:09:05,760

wanna i don't want not to bait that

227

00:09:08,230 --> 00:09:06,480

discussion

228

00:09:09,750 --> 00:09:08,240

and i don't want to have it i tell you

229

00:09:13,030 --> 00:09:09,760

what i want to start with

230

00:09:14,949 --> 00:09:13,040

because uh when i was on your show i i

231

00:09:17,509 --> 00:09:14,959

told you something that is just really

232

00:09:20,949 --> 00:09:17,519

true like i read the introduction

233

00:09:23,509 --> 00:09:20,959

to your book on the illuminati

234

00:09:25,190 --> 00:09:23,519

and if you can recapture that for people

235

00:09:28,150 --> 00:09:25,200

and tell people about

236

00:09:29,509 --> 00:09:28,160

what the illuminati is in just kind of

237

00:09:32,470 --> 00:09:29,519

simple terms

238

00:09:34,150 --> 00:09:32,480

um because i think it's very very useful

239

00:09:36,389 --> 00:09:34,160

it's a real thing

240

00:09:37,750 --> 00:09:36,399

people need it as kind of a launching

241

00:09:41,910 --> 00:09:37,760

point to

242

00:09:44,870 --> 00:09:41,920

understanding the reality in history

243

00:09:46,070 --> 00:09:44,880

and then how it gets pulled and reframed

244

00:09:48,389 --> 00:09:46,080

in one direction

245

00:09:50,070 --> 00:09:48,399

and how it it it's it's all these

246

00:09:52,710 --> 00:09:50,080

different things that we think it is

247

00:09:53,670 --> 00:09:52,720

it is exaggerated by one side but there

248

00:09:55,829 --> 00:09:53,680

is an ultimate

249

00:09:57,269 --> 00:09:55,839

reality to it too that's very strange

250

00:09:59,190 --> 00:09:57,279

and very dark

251

00:10:00,790 --> 00:09:59,200

can we start there do you feel

252

00:10:02,870 --> 00:10:00,800

comfortable just kind of doing the

253

00:10:05,910 --> 00:10:02,880

illuminati thing

254

00:10:08,630 --> 00:10:05,920

for sure man yeah absolutely the um

255

00:10:10,389 --> 00:10:08,640

the curious thing uh okay so if we talk

256

00:10:11,590 --> 00:10:10,399

about the illuminati and we and we look

257

00:10:14,389 --> 00:10:11,600

at it from the

258

00:10:16,310 --> 00:10:14,399

sort of like 50 000 uh you know foot

259

00:10:18,470 --> 00:10:16,320

view

260

00:10:19,910 --> 00:10:18,480

to me and and and here's where it gets a

261

00:10:22,949 --> 00:10:19,920

little dicey because

262

00:10:25,910 --> 00:10:22,959

different theorists describe it as

263

00:10:27,670 --> 00:10:25,920

different things to me when i talk about

264

00:10:29,990 --> 00:10:27,680

the illuminati

265

00:10:32,470 --> 00:10:30,000

that i'm referring to sort of like the

266

00:10:35,110 --> 00:10:32,480

youtube definition of it where

267

00:10:36,630 --> 00:10:35,120

you've got this this long line of

268

00:10:40,550 --> 00:10:36,640

thought leaders

269

00:10:44,069 --> 00:10:40,560

that are employing dark arts

270

00:10:47,750 --> 00:10:44,079

uh using occult forces using symbolism

271

00:10:50,870 --> 00:10:47,760

using knowledge of how the mind works

272

00:10:52,790 --> 00:10:50,880

knowledge of consciousness

273

00:10:54,710 --> 00:10:52,800

otherworldly entities i mean you you

274

00:10:56,550 --> 00:10:54,720

throw it all together in a blender

275

00:10:58,069 --> 00:10:56,560

and this is what i i would argue the

276

00:10:59,910 --> 00:10:58,079

illuminati is

277

00:11:02,790 --> 00:10:59,920

uh then you've got like your textbook

278

00:11:03,990 --> 00:11:02,800

definition which goes back to item adam

279

00:11:06,069 --> 00:11:04,000

vicehoff which

280

00:11:07,509 --> 00:11:06,079

i forgot the caveat every time i'm going

281

00:11:09,670 --> 00:11:07,519

shows for the first time i have to

282

00:11:11,269 --> 00:11:09,680

i have to uh make sure i tell people

283

00:11:12,710 --> 00:11:11,279

that's not my real name isaac wiseau is

284

00:11:15,910 --> 00:11:12,720

not my real name at all

285

00:11:17,350 --> 00:11:15,920

uh it was a terribly foolish pseudonym i

286

00:11:20,630 --> 00:11:17,360

chose many years ago

287

00:11:22,069 --> 00:11:20,640

uh and it stuck and unfortunately that's

288

00:11:23,670 --> 00:11:22,079

that's now something i got to explain

289

00:11:25,350 --> 00:11:23,680

everywhere i go not terrible at all

290

00:11:27,910 --> 00:11:25,360

explain why top

291

00:11:29,430 --> 00:11:27,920

so what why sobs the uh well and i i

292

00:11:31,550 --> 00:11:29,440

chose it because

293

00:11:33,030 --> 00:11:31,560

my my blog started out it's called

294

00:11:36,470 --> 00:11:33,040

illuminatiwatcher.com

295

00:11:39,110 --> 00:11:36,480

and i got invited to do a radio show

296

00:11:40,470 --> 00:11:39,120

back in like 2011 and i was kind of like

297

00:11:42,150 --> 00:11:40,480

you know i was just a dude going

298

00:11:44,310 --> 00:11:42,160

i was taking a break before i started

299

00:11:47,590 --> 00:11:44,320

grad school and did a blog

300

00:11:48,150 --> 00:11:47,600

and i uh i thought what the heck am i

301  
00:11:51,030 --> 00:11:48,160  
going to call

302  
00:11:52,550 --> 00:11:51,040  
use my real name because this is like at

303  
00:11:54,629 --> 00:11:52,560  
the time it was like this is really

304  
00:11:57,110 --> 00:11:54,639  
bonkers territory you know

305  
00:11:58,790 --> 00:11:57,120  
and i just chose the i and the w out of

306  
00:12:00,710 --> 00:11:58,800  
there and went with isaac wisehop

307  
00:12:01,910 --> 00:12:00,720  
because i thought it was clever uh but

308  
00:12:04,310 --> 00:12:01,920  
you know people people

309  
00:12:04,949 --> 00:12:04,320  
roast me on that and incessantly i mean

310  
00:12:06,470 --> 00:12:04,959  
i must get

311  
00:12:08,310 --> 00:12:06,480  
a question every day on social media

312  
00:12:10,550 --> 00:12:08,320  
about from some new you know

313  
00:12:12,550 --> 00:12:10,560

person says wait a minute dude you're

314

00:12:15,670 --> 00:12:12,560

related to adam weishaupt you know

315

00:12:16,550 --> 00:12:15,680

so yeah i'm a shield because again tell

316

00:12:20,470 --> 00:12:16,560

them who adam

317

00:12:24,550 --> 00:12:20,480

weisaw this jesuit priest who um

318

00:12:26,710 --> 00:12:24,560

he or a jesuit uh college graduate he um

319

00:12:29,910 --> 00:12:26,720

he in bavaria back in like germany right

320

00:12:33,350 --> 00:12:29,920

in 1776 he started the secret society

321

00:12:36,949 --> 00:12:33,360

um and they had and much like you see

322

00:12:38,790 --> 00:12:36,959

with the goals of the great reset

323

00:12:40,389 --> 00:12:38,800

they have a lot of interesting ideas

324

00:12:43,350 --> 00:12:40,399

that seem noble

325

00:12:43,829 --> 00:12:43,360

uh and it's always semantics right like

326

00:12:51,030 --> 00:12:43,839

the

327

00:12:54,150 --> 00:12:51,040

to fight injustice to

328

00:12:56,870 --> 00:12:54,160

um facilitate uh

329

00:12:58,389 --> 00:12:56,880

knowledge through science and not just

330

00:13:00,629 --> 00:12:58,399

rely on the church

331

00:13:01,910 --> 00:13:00,639

to give you the full version of reality

332

00:13:02,949 --> 00:13:01,920

because that's kind of how it was back

333

00:13:05,269 --> 00:13:02,959

then

334

00:13:06,150 --> 00:13:05,279

and he employed all the sort of things

335

00:13:09,030 --> 00:13:06,160

that you would expect

336

00:13:12,230 --> 00:13:09,040

from a secret society gave people you

337

00:13:14,870 --> 00:13:12,240

know secret names secret handshakes

338

00:13:15,750 --> 00:13:14,880

and even uh infiltrated some masonic

339

00:13:17,910 --> 00:13:15,760

lodges

340

00:13:19,990 --> 00:13:17,920

and what was curious a curious

341

00:13:21,509 --> 00:13:20,000

connection into my realm of studying pop

342

00:13:24,710 --> 00:13:21,519

culture in the occult

343

00:13:25,990 --> 00:13:24,720

he actually would have his higher up

344

00:13:27,990 --> 00:13:26,000

initiates

345

00:13:29,110 --> 00:13:28,000

separate and severe ties from their

346

00:13:32,790 --> 00:13:29,120

friends and family

347

00:13:34,150 --> 00:13:32,800

which is sort of an occult ritualistic

348

00:13:37,269 --> 00:13:34,160

tendency you see with

349

00:13:38,470 --> 00:13:37,279

with with certain events like for

350

00:13:40,389 --> 00:13:38,480

example the mask

351  
00:13:41,910 --> 00:13:40,399  
right we talk about the masks for about

352  
00:13:44,710 --> 00:13:41,920  
a whole year now

353  
00:13:45,750 --> 00:13:44,720  
and what they do in freemasonic rituals

354  
00:13:48,150 --> 00:13:45,760  
they put a hood wink

355  
00:13:50,870 --> 00:13:48,160  
with a mask over your eyes and the idea

356  
00:13:54,629 --> 00:13:50,880  
is you suppress the ego you suppress

357  
00:13:56,790 --> 00:13:54,639  
the initiate sense of self and

358  
00:13:58,790 --> 00:13:56,800  
they can sort of create a new

359  
00:14:01,990 --> 00:13:58,800  
environment which therefore they can

360  
00:14:03,829 --> 00:14:02,000  
sort of be reborn into these new ideas

361  
00:14:05,269 --> 00:14:03,839  
so adam weishaupt would have his

362  
00:14:07,269 --> 00:14:05,279  
initiates

363  
00:14:08,389 --> 00:14:07,279

uh separate from friends and family

364

00:14:10,230 --> 00:14:08,399

completely which

365

00:14:11,829 --> 00:14:10,240

has been a recurring theme in like every

366

00:14:13,189 --> 00:14:11,839

disney movie right like the parents

367

00:14:15,590 --> 00:14:13,199

always have to die

368

00:14:17,189 --> 00:14:15,600

uh you know i went through this in my i

369

00:14:19,829 --> 00:14:17,199

wrote a whole book on star wars

370

00:14:20,629 --> 00:14:19,839

franchise and like the story is loaded

371

00:14:22,790 --> 00:14:20,639

with

372

00:14:24,069 --> 00:14:22,800

parental trauma of like you know you

373

00:14:25,509 --> 00:14:24,079

know like luke's got to kill his own

374

00:14:29,189 --> 00:14:25,519

father i mean

375

00:14:31,269 --> 00:14:29,199

and and darth vader as a young man

376

00:14:33,030 --> 00:14:31,279

his mother was killed in front of him

377

00:14:34,710 --> 00:14:33,040

you know it's like it goes on and on and

378

00:14:36,550 --> 00:14:34,720

it turns out this is connected into like

379

00:14:39,110 --> 00:14:36,560

secret society stuff

380

00:14:41,750 --> 00:14:39,120

but um well let's pause there for just

381

00:14:44,629 --> 00:14:41,760

let's pause there for just a sec

382

00:14:45,990 --> 00:14:44,639

so we don't lose anybody so secret

383

00:14:48,629 --> 00:14:46,000

society

384

00:14:49,829 --> 00:14:48,639

um i want to really break that down

385

00:14:51,829 --> 00:14:49,839

because as our

386

00:14:53,269 --> 00:14:51,839

past president the good old george bush

387

00:14:55,030 --> 00:14:53,279

said i can't tell you anything about it

388

00:14:55,670 --> 00:14:55,040

it's secret and a big old smile on his

389

00:14:57,750 --> 00:14:55,680

face

390

00:15:00,470 --> 00:14:57,760

like that wink in a non thing is always

391

00:15:02,790 --> 00:15:00,480

in play but there's a reality to it too

392

00:15:04,790 --> 00:15:02,800

so there's a reality to skull and bones

393

00:15:06,629 --> 00:15:04,800

what other whatever reality you think it

394

00:15:08,550 --> 00:15:06,639

is that's george bush's

395

00:15:09,750 --> 00:15:08,560

secret society where they actually have

396

00:15:12,629 --> 00:15:09,760

video of them

397

00:15:13,350 --> 00:15:12,639

performing very dark rituals that you

398

00:15:14,949 --> 00:15:13,360

know most of us

399

00:15:16,550 --> 00:15:14,959

you could just say oh that's strange

400

00:15:18,790 --> 00:15:16,560

creepy stuff that people do

401  
00:15:19,670 --> 00:15:18,800  
so there's always this kind of wink and

402  
00:15:22,069 --> 00:15:19,680  
nod

403  
00:15:22,949 --> 00:15:22,079  
kind of acknowledgement of it but at the

404  
00:15:25,110 --> 00:15:22,959  
same time

405  
00:15:27,430 --> 00:15:25,120  
make light of it that's okay you can

406  
00:15:31,509 --> 00:15:27,440  
take either camp you want

407  
00:15:33,990 --> 00:15:31,519  
what i really wanted to nail down for

408  
00:15:36,670 --> 00:15:34,000  
people who are are kind of doubtful is

409  
00:15:40,949 --> 00:15:36,680  
okay there's a real history

410  
00:15:43,430 --> 00:15:40,959  
1776. there's a real meaning behind it

411  
00:15:44,230 --> 00:15:43,440  
there's real people who did it and i

412  
00:15:48,430 --> 00:15:44,240  
would go back

413  
00:15:54,949 --> 00:15:51,590

1666 sabatia zev

414

00:15:55,910 --> 00:15:54,959

right sabatia zev 1666 this is real

415

00:15:59,430 --> 00:15:55,920

history

416

00:16:02,949 --> 00:15:59,440

two one two million followers

417

00:16:06,150 --> 00:16:02,959

his main thing was we got a break free

418

00:16:07,749 --> 00:16:06,160

of judaism uh which is a cult

419

00:16:09,350 --> 00:16:07,759

at the time it's like this high

420

00:16:11,269 --> 00:16:09,360

rule-based kind of

421

00:16:13,350 --> 00:16:11,279

wacky religion you can only do this and

422

00:16:15,829 --> 00:16:13,360

he's like rebel against that and you

423

00:16:18,710 --> 00:16:15,839

know how we should rebel against it

424

00:16:19,910 --> 00:16:18,720

do the opposite because look in our book

425

00:16:23,350 --> 00:16:19,920

you know this is our book

426

00:16:26,870 --> 00:16:23,360

the bible which is all our book

427

00:16:29,509 --> 00:16:26,880

he's going to come when everybody's good

428

00:16:31,749 --> 00:16:29,519

or everybody's bad and we've already

429

00:16:34,230 --> 00:16:31,759

tried the good thing that ain't working

430

00:16:37,509 --> 00:16:34,240

so let's try the bad thing redemption

431

00:16:38,710 --> 00:16:37,519

through sin let's do the most sinful

432

00:16:41,749 --> 00:16:38,720

things

433

00:16:45,430 --> 00:16:41,759

to our children to other children

434

00:16:47,749 --> 00:16:45,440

to uh you know let's have orgies let's

435

00:16:49,269 --> 00:16:47,759

do stuff on the sabbath let's make it

436

00:16:52,310 --> 00:16:49,279

secret let's lie

437

00:16:55,910 --> 00:16:52,320

let's deceive let's infiltrate do

438

00:16:57,509 --> 00:16:55,920

all the things that are the most evil

439

00:16:59,990 --> 00:16:57,519

that we can do because that's going to

440

00:17:03,590 --> 00:17:00,000

bring about the second coming

441

00:17:04,069 --> 00:17:03,600

i think there's a direct lineage between

442

00:17:07,270 --> 00:17:04,079

uh

443

00:17:09,750 --> 00:17:07,280

the sabbatians and then the francis

444

00:17:11,350 --> 00:17:09,760

who follow and you can follow that

445

00:17:14,230 --> 00:17:11,360

history and it goes right into

446

00:17:15,669 --> 00:17:14,240

islam but it's the same thing it's the

447

00:17:18,710 --> 00:17:15,679

exact same thing

448

00:17:19,990 --> 00:17:18,720

it's the do with thou wilt stuff and

449

00:17:24,309 --> 00:17:20,000

it's the

450

00:17:26,949 --> 00:17:24,319

kind of uh i can do anything to promote

451  
00:17:28,390 --> 00:17:26,959  
my end goals and i will deceive you with

452  
00:17:30,070 --> 00:17:28,400  
saying it's one thing or saying it's

453  
00:17:31,750 --> 00:17:30,080  
another and i will infiltrate

454  
00:17:33,750 --> 00:17:31,760  
and we'll be secret and we'll be all

455  
00:17:35,190 --> 00:17:33,760  
this stuff so

456  
00:17:38,150 --> 00:17:35,200  
here's the connection i'm trying to make

457  
00:17:41,430 --> 00:17:38,160  
anyone who wants to investigate this

458  
00:17:44,630 --> 00:17:41,440  
these parts are undeniable the

459  
00:17:47,990 --> 00:17:44,640  
sabbateen frankish to

460  
00:17:50,070 --> 00:17:48,000  
illuminati stuff there is a clear line

461  
00:17:51,510 --> 00:17:50,080  
you just can't deny it so you can deny

462  
00:17:53,270 --> 00:17:51,520  
all the rest of this stuff but

463  
00:17:55,590 --> 00:17:53,280

there's a certain part of this that

464

00:17:57,669 --> 00:17:55,600

you're talking about that's just history

465

00:17:59,190 --> 00:17:57,679

and the fact that people are able to

466

00:18:03,669 --> 00:17:59,200

dismiss it so

467

00:18:06,150 --> 00:18:03,679

easily is part of the [h\_\_\h]

468

00:18:07,909 --> 00:18:06,160

thing what do you think about that am i

469

00:18:10,390 --> 00:18:07,919

stretching that too far

470

00:18:12,470 --> 00:18:10,400

no man you're 100 dead on because i've

471

00:18:13,190 --> 00:18:12,480

got i've got a stack of like a few books

472

00:18:15,750 --> 00:18:13,200

that go through

473

00:18:17,430 --> 00:18:15,760

like the history of the occult and sort

474

00:18:18,630 --> 00:18:17,440

of like major thought leaders of the

475

00:18:20,710 --> 00:18:18,640

past and to me

476

00:18:22,630 --> 00:18:20,720

to sort of simplify it because like i'm

477

00:18:24,470 --> 00:18:22,640

no scholar like i'm just trying to like

478

00:18:27,350 --> 00:18:24,480

sort of learn about these ideas learn

479

00:18:29,510 --> 00:18:27,360

about the history of the whole thing

480

00:18:31,350 --> 00:18:29,520

and history is you know sometimes it's a

481

00:18:32,390 --> 00:18:31,360

little muddled sometimes it's sort of

482

00:18:35,350 --> 00:18:32,400

rewritten

483

00:18:37,110 --> 00:18:35,360

by the powers that be of course but to

484

00:18:39,750 --> 00:18:37,120

me there's a clear line

485

00:18:40,870 --> 00:18:39,760

of the modern day occultist modern day

486

00:18:44,150 --> 00:18:40,880

thought leaders that

487

00:18:46,310 --> 00:18:44,160

would i would argue be um

488

00:18:48,070 --> 00:18:46,320

the ones in this illuminati that we call

489

00:18:49,909 --> 00:18:48,080

them there's a clear line from that

490

00:18:50,789 --> 00:18:49,919

going all the way back to the secret

491

00:18:54,310 --> 00:18:50,799

societies

492

00:18:55,590 --> 00:18:54,320

of uh you know ancient egypt and greece

493

00:18:58,470 --> 00:18:55,600

and rome

494

00:19:00,230 --> 00:18:58,480

and their practices they were doing sort

495

00:19:01,270 --> 00:19:00,240

of the same

496

00:19:02,390 --> 00:19:01,280

and the reason i think there's a clear

497

00:19:04,470 --> 00:19:02,400

lineage is because they're doing sort of

498

00:19:06,549 --> 00:19:04,480

the same thing you go back to

499

00:19:08,789 --> 00:19:06,559

pythagoras you know he started one of

500

00:19:10,549 --> 00:19:08,799

the first secret societies

501  
00:19:13,510 --> 00:19:10,559  
and he went around synthesizing all

502  
00:19:15,110 --> 00:19:13,520  
these secret teachings in egypt and uh

503  
00:19:16,870 --> 00:19:15,120  
you know in greece and all their and

504  
00:19:20,070 --> 00:19:16,880  
mesopotamia

505  
00:19:23,029 --> 00:19:20,080  
which you know fits into a much

506  
00:19:25,430 --> 00:19:23,039  
larger argument i have about the capitol

507  
00:19:27,590 --> 00:19:25,440  
building as a symbolic event but anyway

508  
00:19:28,950 --> 00:19:27,600  
i know it's a big rabbit hole sort of

509  
00:19:30,789 --> 00:19:28,960  
topic but

510  
00:19:32,310 --> 00:19:30,799  
you go back to the ancient secret

511  
00:19:34,470 --> 00:19:32,320  
societies and these occultists

512  
00:19:36,549 --> 00:19:34,480  
they've been practicing different

513  
00:19:38,630 --> 00:19:36,559

methods of making contact with a higher

514

00:19:41,510 --> 00:19:38,640

power a higher dimension

515

00:19:43,270 --> 00:19:41,520

kind of like you know like like you seem

516

00:19:44,870 --> 00:19:43,280

to believe in you know some element of

517

00:19:47,590 --> 00:19:44,880

spirituality and and

518

00:19:49,350 --> 00:19:47,600

i agree that to me there seems to be

519

00:19:51,590 --> 00:19:49,360

this weird sort of

520

00:19:52,630 --> 00:19:51,600

atheistic push to think that oh you know

521

00:19:55,110 --> 00:19:52,640

we just came from

522

00:19:56,789 --> 00:19:55,120

space dust and we're going to turn into

523

00:19:58,549 --> 00:19:56,799

worm food and that's it it's over

524

00:20:01,430 --> 00:19:58,559

there's nothing else to it and i

525

00:20:02,310 --> 00:20:01,440

i just don't believe that um for many

526  
00:20:05,669 --> 00:20:02,320  
reasons

527  
00:20:07,350 --> 00:20:05,679  
but the the mystery schools they all

528  
00:20:08,310 --> 00:20:07,360  
taught their initiates how to make

529  
00:20:09,990 --> 00:20:08,320  
contact

530  
00:20:12,230 --> 00:20:10,000  
with this other dimension this higher

531  
00:20:12,710 --> 00:20:12,240  
power the the divine as they would call

532  
00:20:15,669 --> 00:20:12,720  
it

533  
00:20:17,190 --> 00:20:15,679  
god uh through apollonian or dionysian

534  
00:20:21,029 --> 00:20:17,200  
rituals of

535  
00:20:24,310 --> 00:20:21,039  
uh you know sensory deprivation dance

536  
00:20:26,950 --> 00:20:24,320  
drugs you know drinking alcohol

537  
00:20:28,070 --> 00:20:26,960  
rhythmic dancing playing the drums like

538  
00:20:30,390 --> 00:20:28,080

you name it there's a lot

539

00:20:32,149 --> 00:20:30,400

it's either you're depriving the senses

540

00:20:35,430 --> 00:20:32,159

or you're overloading the senses

541

00:20:38,470 --> 00:20:35,440

and and kind of what you alluded to um

542

00:20:39,510 --> 00:20:38,480

there's this and that's one one theory

543

00:20:42,390 --> 00:20:39,520

about this whole thing

544

00:20:44,070 --> 00:20:42,400

why are they doing all of this uh is to

545

00:20:46,390 --> 00:20:44,080

bring about the apocalypse the great

546

00:20:49,990 --> 00:20:46,400

revealing and the end times

547

00:20:52,390 --> 00:20:50,000

which you know you could argue that

548

00:20:54,310 --> 00:20:52,400

if you look at um for instance robert

549

00:20:56,070 --> 00:20:54,320

anton wilson who wrote the illuminatus

550

00:20:57,909 --> 00:20:56,080

trilogy

551  
00:20:59,510 --> 00:20:57,919  
which i didn't read the whole thing it's

552  
00:21:01,909 --> 00:20:59,520  
very confusing for me like

553  
00:21:03,909 --> 00:21:01,919  
i'm not a good fiction reader but i read

554  
00:21:06,950 --> 00:21:03,919  
parts of it and

555  
00:21:08,549 --> 00:21:06,960  
he mentions that they tried you know

556  
00:21:10,630 --> 00:21:08,559  
we've tried capitalism we've tried

557  
00:21:12,390 --> 00:21:10,640  
communism we've tried fascism

558  
00:21:14,070 --> 00:21:12,400  
the only thing left for you know the

559  
00:21:15,909 --> 00:21:14,080  
illuminati the world

560  
00:21:17,270 --> 00:21:15,919  
octopus global controllers the only

561  
00:21:20,310 --> 00:21:17,280  
thing left for us to try

562  
00:21:22,789 --> 00:21:20,320  
is anarchism but try

563  
00:21:23,750 --> 00:21:22,799

for what exactly and that's that's the

564

00:21:26,070 --> 00:21:23,760

big question

565

00:21:27,669 --> 00:21:26,080

and like clearly i don't know the answer

566

00:21:29,909 --> 00:21:27,679

and it would take a whole lot of people

567

00:21:31,430 --> 00:21:29,919

on the inside to reveal that truth but

568

00:21:33,029 --> 00:21:31,440

to me i think there's

569

00:21:35,830 --> 00:21:33,039

always been a spiritual component to

570

00:21:36,870 --> 00:21:35,840

this and i think that continues to be

571

00:21:40,230 --> 00:21:36,880

found

572

00:21:43,510 --> 00:21:40,240

in like you alluded to this this

573

00:21:44,390 --> 00:21:43,520

theatrical sort of last 12 months we've

574

00:21:47,350 --> 00:21:44,400

had and

575

00:21:48,710 --> 00:21:47,360

i'm not saying like oh the virus is fake

576

00:21:50,549 --> 00:21:48,720

and this is all just

577

00:21:52,789 --> 00:21:50,559

you know hollywood special effects like

578

00:21:54,630 --> 00:21:52,799

i'm not saying that i'm saying that

579

00:21:56,310 --> 00:21:54,640

when you understand how these people

580

00:21:59,270 --> 00:21:56,320

think they believe

581

00:22:01,350 --> 00:21:59,280

that there's a sort of ceremonial ritual

582

00:22:04,070 --> 00:22:01,360

magic they can conduct

583

00:22:04,630 --> 00:22:04,080

where they can literally transform the

584

00:22:06,950 --> 00:22:04,640

world

585

00:22:09,669 --> 00:22:06,960

and this goes back we could finish our

586

00:22:12,149 --> 00:22:09,679

thought on who the illuminati was

587

00:22:14,950 --> 00:22:12,159

there was conspiracy theories back in

588

00:22:17,750 --> 00:22:14,960

the late 1700s that the illuminati was

589

00:22:21,110 --> 00:22:17,760

behind the french revolution

590

00:22:21,909 --> 00:22:21,120

and the way the the way the history

591

00:22:24,950 --> 00:22:21,919

books teach it

592

00:22:25,830 --> 00:22:24,960

is that if the french revolution blew

593

00:22:27,350 --> 00:22:25,840

everyone's mind

594

00:22:30,549 --> 00:22:27,360

because before that it was just there

595

00:22:32,950 --> 00:22:30,559

was a uh aristocratic privileged elite

596

00:22:34,230 --> 00:22:32,960

bloodlines and and royalty and nobility

597

00:22:36,789 --> 00:22:34,240

and all that stuff

598

00:22:38,630 --> 00:22:36,799

and all of a sudden out of nowhere they

599

00:22:41,590 --> 00:22:38,640

get overthrown violently

600

00:22:42,630 --> 00:22:41,600

and now there's this egalitarian society

601  
00:22:48,310 --> 00:22:42,640  
and

602  
00:22:50,149 --> 00:22:48,320  
people have the freedom to do what they

603  
00:22:52,710 --> 00:22:50,159  
want they have the freedom to accumulate

604  
00:22:56,070 --> 00:22:52,720  
wealth for themselves and this was also

605  
00:22:58,390 --> 00:22:56,080  
very radical and it co it corresponded

606  
00:23:01,110 --> 00:22:58,400  
with the goals of the illuminati

607  
00:23:03,029 --> 00:23:01,120  
uh of the thinkers of the enlightenment

608  
00:23:04,950 --> 00:23:03,039  
the freemasons

609  
00:23:07,510 --> 00:23:04,960  
and a lot of these sort of like groups

610  
00:23:09,669 --> 00:23:07,520  
you hear about like the jack of beans

611  
00:23:10,549 --> 00:23:09,679  
but they all sort of have been saying

612  
00:23:12,390 --> 00:23:10,559  
this kind of stuff

613  
00:23:13,669 --> 00:23:12,400

and when you look at the great reset

614

00:23:15,990 --> 00:23:13,679

that's essentially

615

00:23:17,190 --> 00:23:16,000

what klaus schwab is saying from the

616

00:23:19,430 --> 00:23:17,200

world economic forum

617

00:23:21,190 --> 00:23:19,440

over there in davos switzerland if

618

00:23:24,950 --> 00:23:21,200

people are still with us

619

00:23:29,270 --> 00:23:24,960

the one question that might pop up is

620

00:23:29,830 --> 00:23:29,280

why would we associate the illuminati

621

00:23:31,669 --> 00:23:29,840

with

622

00:23:33,149 --> 00:23:31,679

all these good things that you're

623

00:23:36,149 --> 00:23:33,159

talking about

624

00:23:39,590 --> 00:23:36,159

egalitarian society

625

00:23:42,230 --> 00:23:39,600

and rights given to the people

626  
00:23:43,029 --> 00:23:42,240  
and overthrowing what is clearly a

627  
00:23:46,310 --> 00:23:43,039  
corrupt

628  
00:23:48,710 --> 00:23:46,320  
system of lineage you know power

629  
00:23:49,590 --> 00:23:48,720  
and transfer of power just by your

630  
00:23:52,549 --> 00:23:49,600  
bloodline

631  
00:23:54,230 --> 00:23:52,559  
or concentrated in some completely

632  
00:23:57,269 --> 00:23:54,240  
corrupt church where there's

633  
00:24:00,549 --> 00:23:57,279  
12 year old cardinal 12 year old uh

634  
00:24:04,070 --> 00:24:00,559  
bishops that are you know given all this

635  
00:24:05,750 --> 00:24:04,080  
land and all this power so how do we how

636  
00:24:08,230 --> 00:24:05,760  
do we sort that out

637  
00:24:09,990 --> 00:24:08,240  
the like because in a lot of ways i

638  
00:24:13,110 --> 00:24:10,000

think that's easier for people to

639

00:24:14,789 --> 00:24:13,120

understand and accept that there was a

640

00:24:17,510 --> 00:24:14,799

need for

641

00:24:17,990 --> 00:24:17,520

an illuminati force there was a good

642

00:24:21,029 --> 00:24:18,000

part

643

00:24:24,230 --> 00:24:21,039

of an illuminati ethos

644

00:24:26,070 --> 00:24:24,240

um even if it comes along with some

645

00:24:27,830 --> 00:24:26,080

other stuff that we can talk about can

646

00:24:30,830 --> 00:24:27,840

you help people square that

647

00:24:32,390 --> 00:24:30,840

in their mind and possibly bridge that

648

00:24:34,549 --> 00:24:32,400

reality

649

00:24:35,669 --> 00:24:34,559

first off i'm going to fail to square

650

00:24:37,029 --> 00:24:35,679

their mind with it because that's

651  
00:24:38,710 --> 00:24:37,039  
something i've been trying to do for

652  
00:24:40,789 --> 00:24:38,720  
years

653  
00:24:42,710 --> 00:24:40,799  
because i wonder the same exact things i

654  
00:24:45,990 --> 00:24:42,720  
look at all this stuff

655  
00:24:48,070 --> 00:24:46,000  
and i say and and ultimately

656  
00:24:49,909 --> 00:24:48,080  
i'll give you the sort of like i'll give

657  
00:24:51,510 --> 00:24:49,919  
you the uh the final takeaway first and

658  
00:24:53,510 --> 00:24:51,520  
then explain myself

659  
00:24:55,110 --> 00:24:53,520  
ultimately i think it's a ruse i think

660  
00:24:58,710 --> 00:24:55,120  
that

661  
00:25:00,470 --> 00:24:58,720  
all these things are being um

662  
00:25:02,070 --> 00:25:00,480  
are being sort of dangled in front of us

663  
00:25:02,710 --> 00:25:02,080

and it's not going to be the case i

664

00:25:07,269 --> 00:25:02,720

think it's

665

00:25:09,110 --> 00:25:07,279

i i fear that if we go into this idea of

666

00:25:10,549 --> 00:25:09,120

what they call the great reset the new

667

00:25:12,310 --> 00:25:10,559

normal this

668

00:25:14,070 --> 00:25:12,320

this global government that conspiracy

669

00:25:16,070 --> 00:25:14,080

theorists have been clamoring about for

670

00:25:17,830 --> 00:25:16,080

years and years and years saying oh my

671

00:25:19,750 --> 00:25:17,840

god they're consolidating power

672

00:25:21,669 --> 00:25:19,760

and you know it's going to be it's going

673

00:25:22,549 --> 00:25:21,679

to be bad news for everybody if american

674

00:25:24,789 --> 00:25:22,559

democracy

675

00:25:25,990 --> 00:25:24,799

fails and capitalism fails and we go

676

00:25:29,350 --> 00:25:26,000

into this communist

677

00:25:30,870 --> 00:25:29,360

sort of globalist government and and you

678

00:25:31,430 --> 00:25:30,880

know going back to ronald reagan ronald

679

00:25:33,269 --> 00:25:31,440

reagan

680

00:25:35,269 --> 00:25:33,279

said like well one way we could get

681

00:25:36,789 --> 00:25:35,279

there because he was he was a globalist

682

00:25:38,870 --> 00:25:36,799

uh one way we could get there is with

683

00:25:41,350 --> 00:25:38,880

the alien presence we could

684

00:25:42,470 --> 00:25:41,360

unite as a globe uh because he was

685

00:25:45,590 --> 00:25:42,480

planting that seed

686

00:25:47,590 --> 00:25:45,600

but i do think that they would like that

687

00:25:49,110 --> 00:25:47,600

and they're going to say look we need a

688

00:25:52,230 --> 00:25:49,120

global government

689

00:25:53,350 --> 00:25:52,240

because we need to sort of divvy out uh

690

00:25:54,630 --> 00:25:53,360

you know the

691

00:25:56,390 --> 00:25:54,640

this is what they say they're like we

692

00:25:57,830 --> 00:25:56,400

got to make sure you don't eat too much

693

00:25:59,750 --> 00:25:57,840

meat we got to make sure

694

00:26:01,190 --> 00:25:59,760

you're not contributing too much to

695

00:26:01,669 --> 00:26:01,200

pollution because you know the planet's

696

00:26:05,110 --> 00:26:01,679

in bad

697

00:26:05,669 --> 00:26:05,120

shape um and hold up there now tell us

698

00:26:09,430 --> 00:26:05,679

who

699

00:26:11,430 --> 00:26:09,440

specific stuff

700

00:26:13,750 --> 00:26:11,440

i i can't pin you down i keep trying to

701  
00:26:15,590 --> 00:26:13,760  
bring it back to the 1770s or

702  
00:26:17,190 --> 00:26:15,600  
that french revolution you don't want to

703  
00:26:18,470 --> 00:26:17,200  
go there you're chomping at the bit to

704  
00:26:22,149 --> 00:26:18,480  
go to this great reset

705  
00:26:23,909 --> 00:26:22,159  
so let's go no no let's go there

706  
00:26:25,750 --> 00:26:23,919  
because this has been an important part

707  
00:26:28,789 --> 00:26:25,760  
of your work recently

708  
00:26:31,269 --> 00:26:28,799  
but you can point people to

709  
00:26:33,110 --> 00:26:31,279  
the documents you can point people to

710  
00:26:36,789 --> 00:26:33,120  
the modern day groups

711  
00:26:38,630 --> 00:26:36,799  
what they've said and again if we laid

712  
00:26:41,430 --> 00:26:38,640  
enough of a kind of

713  
00:26:42,390 --> 00:26:41,440

hint on the table it sounds very

714

00:26:43,830 --> 00:26:42,400

enticing

715

00:26:46,549 --> 00:26:43,840

of course you have to control your

716

00:26:49,029 --> 00:26:46,559

carbon footprint my god the planet is at

717

00:26:50,950 --> 00:26:49,039

stake the whole environment of course

718

00:26:52,149 --> 00:26:50,960

you're going to give up your rights a

719

00:26:54,710 --> 00:26:52,159

little bit to do that

720

00:26:55,750 --> 00:26:54,720

of course we have a population control

721

00:26:57,190 --> 00:26:55,760

of course

722

00:26:58,789 --> 00:26:57,200

you're not going to have any money

723

00:27:00,230 --> 00:26:58,799

because we've had to

724

00:27:02,149 --> 00:27:00,240

you know shut down the whole economy

725

00:27:03,669 --> 00:27:02,159

well we'll give you money here just chip

726

00:27:07,029 --> 00:27:03,679

up and we'll give you money

727

00:27:10,390 --> 00:27:07,039

who is this santa claus

728

00:27:13,990 --> 00:27:10,400

guy and who is he really i mean who

729

00:27:17,029 --> 00:27:14,000

really is he and why is he so prominent

730

00:27:18,630 --> 00:27:17,039

in in this story right now why is bill

731

00:27:20,710 --> 00:27:18,640

gates

732

00:27:22,389 --> 00:27:20,720

allowed to talk on all these health

733

00:27:25,669 --> 00:27:22,399

matters what's his

734

00:27:27,029 --> 00:27:25,679

credential so who who is who are some of

735

00:27:30,950 --> 00:27:27,039

the players here

736

00:27:34,470 --> 00:27:30,960

that without us even realizing it are

737

00:27:36,950 --> 00:27:34,480

kind of ushering in this change

738

00:27:38,630 --> 00:27:36,960

ultimately it's the if you look at the

739

00:27:40,230 --> 00:27:38,640

you know klaus schwab he runs the world

740

00:27:43,190 --> 00:27:40,240

economic forum

741

00:27:44,950 --> 00:27:43,200

and they're like a major thought leaders

742

00:27:48,389 --> 00:27:44,960

in the globalist movement

743

00:27:49,669 --> 00:27:48,399

and they they the world economic forum

744

00:27:53,110 --> 00:27:49,679

is limited to

745

00:27:55,590 --> 00:27:53,120

the top 1 000 richest corporations

746

00:27:56,310 --> 00:27:55,600

and that's why i say it's a ruse because

747

00:27:59,350 --> 00:27:56,320

i'm always

748

00:28:00,789 --> 00:27:59,360

extremely critical of uh you know the

749

00:28:03,909 --> 00:28:00,799

corporations you know

750

00:28:05,269 --> 00:28:03,919

and that they want to say like this is

751

00:28:06,630 --> 00:28:05,279

literally what their argument is when

752

00:28:08,149 --> 00:28:06,640

you read his books and you read through

753

00:28:11,269 --> 00:28:08,159

all the documents and stuff

754

00:28:14,470 --> 00:28:11,279

their argument is look people are greedy

755

00:28:16,870 --> 00:28:14,480

and we need to make sure that we

756

00:28:19,190 --> 00:28:16,880

divvy out just enough for you to live so

757

00:28:20,789 --> 00:28:19,200

that you don't ruin it for everyone else

758

00:28:22,789 --> 00:28:20,799

and oh by the way the people that are

759

00:28:25,190 --> 00:28:22,799

going to do this are the greediest

760

00:28:28,549 --> 00:28:25,200

corporations that made it to the top

761

00:28:30,950 --> 00:28:28,559

of the uh of the economic system through

762

00:28:32,710 --> 00:28:30,960

you know all the all the nasty stuff

763

00:28:33,990 --> 00:28:32,720

that corporations do you know cutthroat

764

00:28:37,510 --> 00:28:34,000

stuff they do with

765

00:28:39,430 --> 00:28:37,520

you know sweatshops and slave labor and

766

00:28:41,750 --> 00:28:39,440

all that kind of stuff that's pretty

767

00:28:43,990 --> 00:28:41,760

seedy so they want to say like

768

00:28:45,590 --> 00:28:44,000

look you guys are greedy we're gonna let

769

00:28:47,750 --> 00:28:45,600

the greediest people on earth

770

00:28:49,029 --> 00:28:47,760

re-divvy out the goods so that you won't

771

00:28:50,789 --> 00:28:49,039

be so greedy like that's

772

00:28:52,070 --> 00:28:50,799

that's what they say and that's why i'm

773

00:28:53,510 --> 00:28:52,080

like man f that

774

00:28:55,830 --> 00:28:53,520

because i'm with you on the sense that

775

00:28:59,750 --> 00:28:58,149

the like the illuminati are they are

776

00:29:02,549 --> 00:28:59,760

they bad guys or good guys

777

00:29:04,710 --> 00:29:02,559

well like if this is the illuminati like

778

00:29:07,350 --> 00:29:04,720

i would say they're bad guys they have

779

00:29:08,470 --> 00:29:07,360

ideas that seem seem fair enough they

780

00:29:10,549 --> 00:29:08,480

seem very common

781

00:29:12,230 --> 00:29:10,559

not common sense that's the wrong term

782

00:29:14,950 --> 00:29:12,240

they seem uh

783

00:29:16,310 --> 00:29:14,960

you know appreciable like well maybe i

784

00:29:17,110 --> 00:29:16,320

don't think it's such a bad idea to

785

00:29:19,430 --> 00:29:17,120

worry about the

786

00:29:21,430 --> 00:29:19,440

the earth you know worry about how much

787

00:29:23,750 --> 00:29:21,440

uh how much

788

00:29:25,669 --> 00:29:23,760

meat we consume like because i i have

789

00:29:26,310 --> 00:29:25,679

concerns about those things too i'm by

790

00:29:28,710 --> 00:29:26,320

no means

791

00:29:29,350 --> 00:29:28,720

a vegan but like i try to be cognizant

792

00:29:32,389 --> 00:29:29,360

and not just

793

00:29:33,830 --> 00:29:32,399

mindlessly eat meat i appreciate uh you

794

00:29:35,669 --> 00:29:33,840

know the animal that gave its life for

795

00:29:37,350 --> 00:29:35,679

me like that kind of stuff

796

00:29:39,110 --> 00:29:37,360

but to see the people that are gonna

797

00:29:41,830 --> 00:29:39,120

orchestrate it that's where i

798

00:29:42,310 --> 00:29:41,840

think okay this isn't good this is bad

799

00:29:44,230 --> 00:29:42,320

this is

800

00:29:45,510 --> 00:29:44,240

everything that these conspiracy

801  
00:29:47,830 --> 00:29:45,520  
theorists have been

802  
00:29:49,269 --> 00:29:47,840  
warning us about for dozens of years you

803  
00:29:51,830 --> 00:29:49,279  
know what i mean

804  
00:29:53,590 --> 00:29:51,840  
so i think that um i think yeah there's

805  
00:29:56,470 --> 00:29:53,600  
a lot of concerns to be had

806  
00:29:57,510 --> 00:29:56,480  
with this great reset plan which by the

807  
00:30:00,470 --> 00:29:57,520  
way on the surface

808  
00:30:03,669 --> 00:30:00,480  
they'll flat out tell you the big

809  
00:30:06,830 --> 00:30:03,679  
problem is america they say america

810  
00:30:08,230 --> 00:30:06,840  
needs to be removed as the global

811  
00:30:11,350 --> 00:30:08,240  
superpower and

812  
00:30:13,750 --> 00:30:11,360  
america needs to be um

813  
00:30:15,350 --> 00:30:13,760

uh what do they say something about how

814

00:30:17,350 --> 00:30:15,360

western values

815

00:30:19,190 --> 00:30:17,360

need to be brought to their knees

816

00:30:21,510 --> 00:30:19,200

something to that effect

817

00:30:22,549 --> 00:30:21,520

and i mean what do you what do what does

818

00:30:23,909 --> 00:30:22,559

the world think we've been doing the

819

00:30:26,070 --> 00:30:23,919

last 12 months they've been

820

00:30:27,350 --> 00:30:26,080

testing every single thing we've got in

821

00:30:29,750 --> 00:30:27,360

capitalism

822

00:30:31,110 --> 00:30:29,760

throwing everything at it to try to shut

823

00:30:32,149 --> 00:30:31,120

it down and that's always been my

824

00:30:35,029 --> 00:30:32,159

argument

825

00:30:36,389 --> 00:30:35,039

uh because i don't believe in in qa9 and

826

00:30:39,029 --> 00:30:36,399

all that stuff

827

00:30:42,149 --> 00:30:39,039

but i think that when we see stuff like

828

00:30:44,470 --> 00:30:42,159

what happened at the capitol building

829

00:30:46,630 --> 00:30:44,480

i think that's that's helping out people

830

00:30:48,070 --> 00:30:46,640

like klaus schwab in this world economic

831

00:30:49,909 --> 00:30:48,080

forum great reset

832

00:30:51,909 --> 00:30:49,919

because what it does is that sends a

833

00:30:54,950 --> 00:30:51,919

signal out to the whole world

834

00:30:56,230 --> 00:30:54,960

globally like oh american democracy this

835

00:30:57,990 --> 00:30:56,240

is the thing we're supposed to model

836

00:31:00,630 --> 00:30:58,000

ourselves after the one that

837

00:31:01,830 --> 00:31:00,640

regular you know a bunch of people just

838

00:31:03,190 --> 00:31:01,840

walked in and could have done whatever

839

00:31:03,750 --> 00:31:03,200

they wanted i mean thank goodness they

840

00:31:05,750 --> 00:31:03,760

didn't

841

00:31:07,110 --> 00:31:05,760

go violent with it i mean a couple

842

00:31:08,310 --> 00:31:07,120

people died but like

843

00:31:10,789 --> 00:31:08,320

you know that could have been a lot

844

00:31:12,710 --> 00:31:10,799

worse and i think

845

00:31:14,549 --> 00:31:12,720

that sent a lot of weird signals and

846

00:31:15,110 --> 00:31:14,559

there's gonna be a lot of weird rippling

847

00:31:17,669 --> 00:31:15,120

effects

848

00:31:18,870 --> 00:31:17,679

and it all supports this great reset

849

00:31:21,110 --> 00:31:18,880

because

850

00:31:21,909 --> 00:31:21,120

call schwab has been saying it america's

851  
00:31:23,509 --> 00:31:21,919  
the problem

852  
00:31:25,110 --> 00:31:23,519  
we need to bring it down because this is

853  
00:31:28,230 --> 00:31:25,120  
the last sort of bastion

854  
00:31:29,669 --> 00:31:28,240  
of capitalism and democracy why you just

855  
00:31:32,549 --> 00:31:29,679  
give it up and

856  
00:31:34,230 --> 00:31:32,559  
join in this global super uh you know

857  
00:31:37,509 --> 00:31:34,240  
dystopia that they want

858  
00:31:40,710 --> 00:31:37,519  
okay you went full bore there on me full

859  
00:31:41,669 --> 00:31:40,720  
for screw the teaspoon throw it out the

860  
00:31:45,269 --> 00:31:41,679  
window

861  
00:31:47,190 --> 00:31:45,279  
get the fire hose get the fire hose out

862  
00:31:49,750 --> 00:31:47,200  
i told you i'm feeling weird today alex

863  
00:31:51,509 --> 00:31:49,760

so i've been i've had anxiety for like

864

00:31:54,630 --> 00:31:51,519

two days straight and like i don't even

865

00:31:56,549 --> 00:31:54,640

know how to make sense of things because

866

00:31:59,430 --> 00:31:56,559

i don't know man i i'm very concerned

867

00:32:03,110 --> 00:31:59,440

about the the immediate future

868

00:32:06,710 --> 00:32:03,120

well and you know let me try and

869

00:32:10,149 --> 00:32:06,720

uh again stitch that back to

870

00:32:12,470 --> 00:32:10,159

skeptico as i generally do it so i

871

00:32:14,789 --> 00:32:12,480

alluded to the fact that i just did an

872

00:32:16,789 --> 00:32:14,799

interview not too long ago with this guy

873

00:32:17,990 --> 00:32:16,799

stephen browdy dr stephen browdy and you

874

00:32:20,710 --> 00:32:18,000

don't know him but he's kind of

875

00:32:22,230 --> 00:32:20,720

well-known in the parapsychology

876

00:32:24,230 --> 00:32:22,240

community well known the frontier

877

00:32:26,710 --> 00:32:24,240

science community

878

00:32:28,710 --> 00:32:26,720

editor of a really great journal journal

879

00:32:32,149 --> 00:32:28,720

scientific exploration

880

00:32:34,470 --> 00:32:32,159

so you know university professor

881

00:32:37,710 --> 00:32:34,480

all the the papers that are

882

00:32:39,830 --> 00:32:37,720

peer-reviewed in that journal are from

883

00:32:40,630 --> 00:32:39,840

university-affiliated people who are

884

00:32:44,070 --> 00:32:40,640

willing to

885

00:32:45,909 --> 00:32:44,080

explore kind of out there science like

886

00:32:48,230 --> 00:32:45,919

does telepathy really happen

887

00:32:50,470 --> 00:32:48,240

does remote viewing is that real what

888

00:32:51,509 --> 00:32:50,480

about these ufo things and stuff like

889

00:32:54,389 --> 00:32:51,519

that

890

00:32:54,789 --> 00:32:54,399

but here's the disappointing part about

891

00:32:58,070 --> 00:32:54,799

uh

892

00:33:00,230 --> 00:32:58,080

browdy and i can

893

00:33:01,830 --> 00:33:00,240

sometimes i don't know how but i wind up

894

00:33:04,070 --> 00:33:01,840

in some pretty uncomfortable

895

00:33:05,750 --> 00:33:04,080

interviews and it got a little bit

896

00:33:07,909 --> 00:33:05,760

uncomfortable with steven though

897

00:33:09,830 --> 00:33:07,919

wouldn't you know

898

00:33:11,509 --> 00:33:09,840

and and part of the reason for that is

899

00:33:14,389 --> 00:33:11,519

that

900

00:33:16,389 --> 00:33:14,399

people are so closed down to this idea

901  
00:33:18,549 --> 00:33:16,399  
of conspiracy

902  
00:33:20,549 --> 00:33:18,559  
that they don't even see it when it

903  
00:33:22,470 --> 00:33:20,559  
knocks at their own door

904  
00:33:26,070 --> 00:33:22,480  
so here's where it knocks at our own

905  
00:33:30,389 --> 00:33:26,080  
door in skeptico

906  
00:33:34,149 --> 00:33:30,399  
if you're interested in parapsychology

907  
00:33:36,149 --> 00:33:34,159  
uh you know telepathy esp

908  
00:33:37,430 --> 00:33:36,159  
you know for the old term one of the

909  
00:33:38,310 --> 00:33:37,440  
things you're going to be drawn to

910  
00:33:40,230 --> 00:33:38,320  
really quickly

911  
00:33:42,630 --> 00:33:40,240  
is the remote viewing project that was

912  
00:33:45,350 --> 00:33:42,640  
done by the united states government

913  
00:33:46,070 --> 00:33:45,360

at project stargate and they've released

914

00:33:47,269 --> 00:33:46,080

that now

915

00:33:49,110 --> 00:33:47,279

and you're from you're nodding your head

916

00:33:49,909 --> 00:33:49,120

you're familiar enough with that a

917

00:33:52,070 --> 00:33:49,919

little bit yes

918

00:33:53,750 --> 00:33:52,080

uh yeah i talked about that in my new uh

919

00:33:55,590 --> 00:33:53,760

my my new alien book uh

920

00:33:57,509 --> 00:33:55,600

yes because i because there's a mental

921

00:33:58,870 --> 00:33:57,519

component to all this right is what i

922

00:33:59,990 --> 00:33:58,880

would argue but yeah go ahead sorry

923

00:34:01,909 --> 00:34:00,000

exactly what

924

00:34:03,909 --> 00:34:01,919

that bonnie the guy had to always go

925

00:34:07,269 --> 00:34:03,919

down there did you ever

926

00:34:09,430 --> 00:34:07,279

run across uh ufo researcher grant

927

00:34:12,230 --> 00:34:09,440

cameron

928

00:34:13,669 --> 00:34:12,240

yes uh boy then it escapes me where that

929

00:34:16,149 --> 00:34:13,679

came from but yeah for sure

930

00:34:17,510 --> 00:34:16,159

i know that name well people will have

931

00:34:20,389 --> 00:34:17,520

to hear this for the 5

932

00:34:21,510 --> 00:34:20,399

000th time on skeptico but what grant is

933

00:34:22,069 --> 00:34:21,520

kind of one of the things he's well

934

00:34:25,109 --> 00:34:22,079

known for

935

00:34:26,470 --> 00:34:25,119

is the uncovering the

936

00:34:28,470 --> 00:34:26,480

he didn't actually the one to do it but

937

00:34:30,950 --> 00:34:28,480

kind of popularizing this

938

00:34:32,950 --> 00:34:30,960

release of this accidentally

939

00:34:34,310 --> 00:34:32,960

declassified document that turns out to

940

00:34:37,349 --> 00:34:34,320

be really key

941

00:34:38,869 --> 00:34:37,359

it's the wilbert smith memo in canada

942

00:34:41,589 --> 00:34:38,879

where he goes down to the united states

943

00:34:43,909 --> 00:34:41,599

and he goes he brings all his ufo stuff

944

00:34:45,270 --> 00:34:43,919

secretly down to the united states and

945

00:34:46,310 --> 00:34:45,280

says here i'll tell you what i know you

946

00:34:48,069 --> 00:34:46,320

tell me you know

947

00:34:49,909 --> 00:34:48,079

he comes back and he writes a memo to

948

00:34:52,950 --> 00:34:49,919

his boss and he says wow this stuff

949

00:34:54,950 --> 00:34:52,960

is top top priority

950

00:34:56,950 --> 00:34:54,960

higher more high secret than the

951  
00:34:58,870 --> 00:34:56,960  
hydrogen bomb

952  
00:35:00,230 --> 00:34:58,880  
here all the names the people i i met

953  
00:35:02,710 --> 00:35:00,240  
with uh

954  
00:35:04,630 --> 00:35:02,720  
vandervar bush uh i forget all the other

955  
00:35:05,030 --> 00:35:04,640  
names but the people who are well placed

956  
00:35:06,550 --> 00:35:05,040  
and

957  
00:35:08,470 --> 00:35:06,560  
in the right position to kind of know

958  
00:35:09,270 --> 00:35:08,480  
about this stuff but then what you just

959  
00:35:11,030 --> 00:35:09,280  
alluded to

960  
00:35:12,710 --> 00:35:11,040  
in the last sentence of this memo he

961  
00:35:15,349 --> 00:35:12,720  
says and

962  
00:35:16,150 --> 00:35:15,359  
they believe that there is a mental

963  
00:35:18,790 --> 00:35:16,160

component

964

00:35:19,990 --> 00:35:18,800

to this that is key to the whole thing

965

00:35:23,510 --> 00:35:20,000

so

966

00:35:26,870 --> 00:35:26,310

suggests and i agree with them is part

967

00:35:30,790 --> 00:35:26,880

of the

968

00:35:32,950 --> 00:35:30,800

agenda for the mk ultra

969

00:35:34,710 --> 00:35:32,960

the reboot of the nazi program which it

970

00:35:35,109 --> 00:35:34,720

just is a good feeling you know freak

971

00:35:37,829 --> 00:35:35,119

out

972

00:35:38,790 --> 00:35:37,839

reboot well that's just what it is they

973

00:35:41,910 --> 00:35:38,800

didn't mean

974

00:35:44,230 --> 00:35:41,920

my mk you know is uh and

975

00:35:45,109 --> 00:35:44,240

uh and the head of that of course is

976  
00:35:47,910 --> 00:35:45,119  
this jewish

977  
00:35:49,109 --> 00:35:47,920  
psychologist interestingly enough the

978  
00:35:53,190 --> 00:35:49,119  
the us's

979  
00:35:55,829 --> 00:35:53,200  
um mengele uh sydney gottlieb

980  
00:35:58,069 --> 00:35:55,839  
right so he is the head of that and he

981  
00:36:00,390 --> 00:35:58,079  
actually runs the stargate program a lot

982  
00:36:02,069 --> 00:36:00,400  
of people don't know that but

983  
00:36:04,150 --> 00:36:02,079  
you know the stargate guys who are doing

984  
00:36:04,870 --> 00:36:04,160  
the remote viewing how put off russell

985  
00:36:06,630 --> 00:36:04,880  
targ

986  
00:36:08,790 --> 00:36:06,640  
they have to talk about when sydney

987  
00:36:09,510 --> 00:36:08,800  
comes to town and they have to placate

988  
00:36:12,150 --> 00:36:09,520

him

989

00:36:13,030 --> 00:36:12,160

and all the rest but the point of that

990

00:36:14,790 --> 00:36:13,040

whole thing

991

00:36:16,470 --> 00:36:14,800

back to the stephen browdy back to the

992

00:36:19,910 --> 00:36:16,480

skeptical world

993

00:36:24,310 --> 00:36:19,920

is i'm going uh yeah but stephen

994

00:36:27,109 --> 00:36:24,320

i mean they knew with stargate

995

00:36:29,030 --> 00:36:27,119

that it's not consciousness is an

996

00:36:30,630 --> 00:36:29,040

illusion biological robots and

997

00:36:32,790 --> 00:36:30,640

meaningless universe

998

00:36:34,950 --> 00:36:32,800

they [h\_\_h] assume that from the

999

00:36:37,430 --> 00:36:34,960

beginning you talk about this extended

1000

00:36:38,550 --> 00:36:37,440

realm spirituality well they assumed

1001  
00:36:40,069 --> 00:36:38,560  
that

1002  
00:36:41,990 --> 00:36:40,079  
they had books uh you know they had

1003  
00:36:42,870 --> 00:36:42,000  
raymond moody's book a near-death

1004  
00:36:44,870 --> 00:36:42,880  
experience

1005  
00:36:45,990 --> 00:36:44,880  
they were talking to people who claimed

1006  
00:36:49,349 --> 00:36:46,000  
to be

1007  
00:36:51,670 --> 00:36:49,359  
didn't give a [h\_\_\h]

1008  
00:36:52,790 --> 00:36:51,680  
they were like hey man there were

1009  
00:36:55,430 --> 00:36:52,800  
soldiers you know

1010  
00:36:56,230 --> 00:36:55,440  
they were soldiers we got to find out

1011  
00:36:58,710 --> 00:36:56,240  
what the [h\_\_\h]

1012  
00:36:59,990 --> 00:36:58,720  
is in the extended realm we have to find

1013  
00:37:02,470 --> 00:37:00,000

out if it's a threat

1014

00:37:04,069 --> 00:37:02,480

which is always a cover story for saying

1015

00:37:05,910 --> 00:37:04,079

we have to figure out how to weaponize

1016

00:37:06,310 --> 00:37:05,920

it so we can kick somebody's ass with it

1017

00:37:08,069 --> 00:37:06,320

right

1018

00:37:09,349 --> 00:37:08,079

because that's what the military does

1019

00:37:11,589 --> 00:37:09,359

and that's what they always do

1020

00:37:12,710 --> 00:37:11,599

well that was the whole thing behind

1021

00:37:14,630 --> 00:37:12,720

stargate so

1022

00:37:15,750 --> 00:37:14,640

back to for people the skeptical

1023

00:37:17,510 --> 00:37:15,760

transition i

1024

00:37:19,750 --> 00:37:17,520

[h\_\_\h] if you're brody if you don't

1025

00:37:20,310 --> 00:37:19,760

know that [h\_\_\h] you're not doing your job

1026

00:37:22,470 --> 00:37:20,320

bro

1027

00:37:23,589 --> 00:37:22,480

you are not doing your job so don't sit

1028

00:37:25,430 --> 00:37:23,599

there and tell me

1029

00:37:27,510 --> 00:37:25,440

about you know super psy and all the

1030

00:37:28,790 --> 00:37:27,520

rest of this [h\_\_h] if you can't deal with

1031

00:37:32,069 --> 00:37:28,800

that conspiracy

1032

00:37:34,069 --> 00:37:32,079

that known conspiracy revealed by 60 000

1033

00:37:37,109 --> 00:37:34,079

documents that are just

1034

00:37:37,670 --> 00:37:37,119

released now and are in the public if

1035

00:37:41,349 --> 00:37:37,680

you can't

1036

00:37:45,510 --> 00:37:41,359

not in the game

1037

00:37:48,950 --> 00:37:45,520

and that's where that's my point even

1038

00:37:51,190 --> 00:37:48,960

fringe science even frontier science

1039

00:37:52,630 --> 00:37:51,200

isn't in the game because they can't

1040

00:37:55,270 --> 00:37:52,640

embrace

1041

00:37:57,030 --> 00:37:55,280

conspiracy they can't sit down and have

1042

00:37:59,190 --> 00:37:57,040

this illuminati talk

1043

00:38:00,950 --> 00:37:59,200

that we're just having right now and

1044

00:38:03,829 --> 00:38:00,960

process it and say

1045

00:38:06,630 --> 00:38:03,839

is the sabbateen frankish thing still in

1046

00:38:09,910 --> 00:38:06,640

play and does it trace back to

1047

00:38:10,310 --> 00:38:09,920

the mystery schools and all the you're

1048

00:38:17,109 --> 00:38:10,320

you're

1049

00:38:19,190 --> 00:38:17,119

process that one way or another

1050

00:38:21,589 --> 00:38:19,200

yeah most definitely there's there's a

1051

00:38:23,430 --> 00:38:21,599

weird in fact i interviewed dr diana

1052

00:38:24,230 --> 00:38:23,440

pasalka she wrote the book american

1053

00:38:27,670 --> 00:38:24,240

cosmic

1054

00:38:30,550 --> 00:38:27,680

um she she basically was

1055

00:38:33,270 --> 00:38:30,560

relaying her experience working with the

1056

00:38:35,750 --> 00:38:33,280

invisible college which is

1057

00:38:36,390 --> 00:38:35,760

the the long-standing rumor that there's

1058

00:38:38,870 --> 00:38:36,400

been

1059

00:38:39,510 --> 00:38:38,880

a group not really a secret society per

1060

00:38:42,790 --> 00:38:39,520

se but

1061

00:38:44,630 --> 00:38:42,800

a group of people covertly working on

1062

00:38:48,069 --> 00:38:44,640

the ufo phenomenon since

1063

00:38:49,750 --> 00:38:48,079

i don't know the 40s or whatever and

1064

00:38:51,109 --> 00:38:49,760

she hung out with these people and the

1065

00:38:54,390 --> 00:38:51,119

one guy who

1066

00:38:58,150 --> 00:38:54,400

was like she calls him tyler right

1067

00:38:59,990 --> 00:38:58,160

and tyler is not only he's convinced

1068

00:39:01,589 --> 00:39:00,000

he doesn't even call it a belief in

1069

00:39:03,829 --> 00:39:01,599

aliens he says look i've

1070

00:39:04,870 --> 00:39:03,839

i know there's aliens i know there's

1071

00:39:07,670 --> 00:39:04,880

ufos i

1072

00:39:08,710 --> 00:39:07,680

i work with pieces of these ufos so it's

1073

00:39:11,190 --> 00:39:08,720

not a belief for me

1074

00:39:12,870 --> 00:39:11,200

it's knowledge for me and when i

1075

00:39:14,950 --> 00:39:12,880

interviewed her

1076

00:39:16,630 --> 00:39:14,960

i don't recall how it came up but this

1077

00:39:19,589 --> 00:39:16,640

the takeaway was

1078

00:39:20,710 --> 00:39:19,599

he didn't know tyler this guy who like

1079

00:39:22,790 --> 00:39:20,720

is apparently uh

1080

00:39:24,390 --> 00:39:22,800

into the the alien religion or whatever

1081

00:39:27,349 --> 00:39:24,400

that's going to be coming out

1082

00:39:28,230 --> 00:39:27,359

he didn't know who john d was john d of

1083

00:39:31,030 --> 00:39:28,240

course

1084

00:39:32,470 --> 00:39:31,040

one of the one of the you know occultist

1085

00:39:36,069 --> 00:39:32,480

sorcerers that was

1086

00:39:39,589 --> 00:39:36,079

channeling information from the aliens

1087

00:39:41,910 --> 00:39:39,599

and he wrote the nokian tablet which was

1088

00:39:43,670 --> 00:39:41,920

this language with which he was

1089

00:39:44,550 --> 00:39:43,680

instructed he could communicate with the

1090

00:39:46,790 --> 00:39:44,560

aliens

1091

00:39:48,310 --> 00:39:46,800

and then aleister crowley and i don't

1092

00:39:50,150 --> 00:39:48,320

want to go too crazy on here but

1093

00:39:53,430 --> 00:39:50,160

aleister crowley used that same

1094

00:39:54,230 --> 00:39:53,440

enoki and tablet to channel his gray

1095

00:39:57,349 --> 00:39:54,240

alien

1096

00:40:00,950 --> 00:39:57,359

named lamb in like 1917.

1097

00:40:03,190 --> 00:40:00,960

and then that same text was used by jack

1098

00:40:06,069 --> 00:40:03,200

parsons in 1947

1099

00:40:07,109 --> 00:40:06,079

as the uh to to summon the the the [ʌ\_\_ʌ]

1100

00:40:10,470 --> 00:40:07,119

of babylon

1101

00:40:13,670 --> 00:40:10,480

in the babylon working rituals which

1102

00:40:15,670 --> 00:40:13,680

as history tells us was

1103

00:40:18,309 --> 00:40:15,680

what possibly opened up the portals to

1104

00:40:19,990 --> 00:40:18,319

allow the roswell ufo crash to happen

1105

00:40:21,589 --> 00:40:20,000

and in my book i go through this whole

1106

00:40:22,870 --> 00:40:21,599

history of this whole thing but anyways

1107

00:40:25,990 --> 00:40:22,880

the point being is like

1108

00:40:28,390 --> 00:40:26,000

this guy who who's a scientist who is

1109

00:40:30,069 --> 00:40:28,400

obviously into aliens didn't know who

1110

00:40:30,790 --> 00:40:30,079

john d was and that's concerning and i'm

1111

00:40:32,230 --> 00:40:30,800

not saying like oh

1112

00:40:33,829 --> 00:40:32,240

because he's an idiot i'm saying it's

1113

00:40:38,230 --> 00:40:33,839

it's concerning

1114

00:40:39,990 --> 00:40:38,240

because my my issue here is that

1115

00:40:42,150 --> 00:40:40,000

people are trying to understand the

1116

00:40:44,550 --> 00:40:42,160

mental component of this because they

1117

00:40:45,990 --> 00:40:44,560

on some levels want to make a bridge to

1118

00:40:48,069 --> 00:40:46,000

the cosmos

1119

00:40:50,470 --> 00:40:48,079

which again this is the same thing we

1120

00:40:52,230 --> 00:40:50,480

see in all these ancient mystery schools

1121

00:40:53,750 --> 00:40:52,240

and all these secret societies is this

1122

00:40:56,470 --> 00:40:53,760

idea of

1123

00:40:59,109 --> 00:40:56,480

ceremonial ritual magic mentally

1124

00:41:01,589 --> 00:40:59,119

creating new realities man becoming god

1125

00:41:02,950 --> 00:41:01,599

and that's what i would argue they're

1126

00:41:05,589 --> 00:41:02,960

going to try to do

1127

00:41:07,750 --> 00:41:05,599

or they're going to try to understand

1128

00:41:09,750 --> 00:41:07,760

how to make this work

1129

00:41:11,190 --> 00:41:09,760

through quantum physics or whatever and

1130

00:41:14,230 --> 00:41:11,200

and that's some stuff

1131

00:41:17,349 --> 00:41:14,240

we go into uh another time but the

1132

00:41:20,150 --> 00:41:17,359

the the idea is that they

1133

00:41:20,950 --> 00:41:20,160

have been researching this for tens and

1134

00:41:23,430 --> 00:41:20,960

dozens of years

1135

00:41:24,790 --> 00:41:23,440

since the 40s how this works and i would

1136

00:41:25,990 --> 00:41:24,800

argue that they have a better idea of

1137

00:41:28,630 --> 00:41:26,000

how this works

1138

00:41:29,510 --> 00:41:28,640

than we know because every conspiracy

1139

00:41:32,390 --> 00:41:29,520

theorist tells you

1140

00:41:33,990 --> 00:41:32,400

well you know your darpa's and your cia

1141

00:41:36,630 --> 00:41:34,000

labs they're like 20 30 years

1142

00:41:38,150 --> 00:41:36,640

advanced technologically from what we

1143

00:41:39,430 --> 00:41:38,160

know even exists

1144

00:41:42,069 --> 00:41:39,440

so i would argue they already understand

1145

00:41:43,829 --> 00:41:42,079

how this works and then the question is

1146

00:41:46,309 --> 00:41:43,839

you know you talk to uh

1147

00:41:47,910 --> 00:41:46,319

or you uh you watch like steven greer dr

1148

00:41:48,870 --> 00:41:47,920

steven mcgreer he's he's been talking

1149

00:41:51,510 --> 00:41:48,880

about the ufo

1150

00:41:53,270 --> 00:41:51,520

disclosure agenda and his concerns are

1151

00:41:54,790 --> 00:41:53,280

that they're going to try to

1152

00:41:56,630 --> 00:41:54,800

weaponize they're going to try to use

1153

00:41:59,349 --> 00:41:56,640

this as the ultimate threat to

1154

00:42:00,390 --> 00:41:59,359

build up a military for space wars and

1155

00:42:02,950 --> 00:42:00,400

all this stuff

1156

00:42:04,710 --> 00:42:02,960

which again i don't know maybe i mean we

1157

00:42:07,349 --> 00:42:04,720

did start a space force

1158

00:42:07,910 --> 00:42:07,359

and dr werner von braun on his deathbed

1159

00:42:11,109 --> 00:42:07,920

told his

1160

00:42:11,670 --> 00:42:11,119

his close friend carol rosin hey they're

1161

00:42:13,670 --> 00:42:11,680

gonna

1162

00:42:15,349 --> 00:42:13,680

say that aliens and ufos are a threat

1163

00:42:18,150 --> 00:42:15,359

don't believe them that's that's the

1164

00:42:19,670 --> 00:42:18,160

big false flag and like there's all

1165

00:42:20,790 --> 00:42:19,680

these different ideas floating around

1166

00:42:22,870 --> 00:42:20,800

and

1167

00:42:25,190 --> 00:42:22,880

you know they gave us the the pentagon

1168

00:42:26,630 --> 00:42:25,200

gave us full disclosure in march of 2020

1169

00:42:30,470 --> 00:42:26,640

right during the midst of

1170

00:42:34,150 --> 00:42:30,480

the the biggest pandemic that we've seen

1171

00:42:36,069 --> 00:42:34,160

in modern day and you gotta wonder what

1172

00:42:37,510 --> 00:42:36,079

the hell is going on here something's in

1173

00:42:39,910 --> 00:42:37,520

something's in the works i know that

1174

00:42:42,230 --> 00:42:39,920

much and that's why

1175

00:42:44,069 --> 00:42:42,240

when i say i'm feeling very much out of

1176

00:42:46,870 --> 00:42:44,079

my element in the last couple days

1177

00:42:47,109 --> 00:42:46,880

it's because a lot of these weird sort

1178

00:42:50,069 --> 00:42:47,119

of

1179

00:42:51,910 --> 00:42:50,079

occult themed ritualistic ideas

1180

00:42:55,430 --> 00:42:51,920

manifested when

1181

00:42:57,430 --> 00:42:55,440

they stormed the capital yesterday and

1182

00:42:59,510 --> 00:42:57,440

uh you know i talked about it like four

1183

00:43:03,109 --> 00:42:59,520

years ago i talked about this sort of

1184

00:43:05,109 --> 00:43:03,119

idea about the chaos and how

1185

00:43:07,349 --> 00:43:05,119

we find order from the chaos this is the

1186

00:43:11,190 --> 00:43:07,359

33rd degree of freemasonry

1187

00:43:13,190 --> 00:43:11,200

uh motto order up ko and

1188

00:43:14,630 --> 00:43:13,200

trump was a chaos candidate all along

1189

00:43:17,109 --> 00:43:14,640

and from day one to

1190

00:43:19,190 --> 00:43:17,119

the last day apparently uh we've got

1191

00:43:21,270 --> 00:43:19,200

nothing but chaos

1192

00:43:24,309 --> 00:43:21,280

and it makes me and i'm very concerned

1193

00:43:26,710 --> 00:43:24,319

that coupled with this alien thing

1194

00:43:28,390 --> 00:43:26,720

what and then and then add in throw in

1195

00:43:30,870 --> 00:43:28,400

this great recess thing

1196

00:43:32,790 --> 00:43:30,880

and it's like man where are we gonna be

1197

00:43:35,589 --> 00:43:32,800

in a year like this is crazy

1198

00:43:37,910 --> 00:43:35,599

this is absolute pandemonium this is a

1199

00:43:39,270 --> 00:43:37,920

crazy time to be alive and like

1200

00:43:41,430 --> 00:43:39,280

usually i'm the kind of guy that's

1201  
00:43:43,589 --> 00:43:41,440  
trying to make fun and trying not to be

1202  
00:43:45,349 --> 00:43:43,599  
too heavy on stuff but like

1203  
00:43:46,710 --> 00:43:45,359  
my head's in a bad space these last

1204  
00:43:49,430 --> 00:43:46,720  
couple days i'm just like

1205  
00:43:50,470 --> 00:43:49,440  
i don't know what to tell you guys you

1206  
00:43:52,230 --> 00:43:50,480  
know i don't want to be the guys like

1207  
00:43:55,030 --> 00:43:52,240  
hunker down with your shotgun but

1208  
00:43:56,260 --> 00:43:55,040  
you know maybe okay let me talk you in

1209  
00:44:00,150 --> 00:43:56,270  
off the cliff

1210  
00:44:04,470 --> 00:44:02,790  
because look bro you're you're kind of

1211  
00:44:06,550 --> 00:44:04,480  
laying a lot of stuff out there

1212  
00:44:09,430 --> 00:44:06,560  
and i want to deconstruct it the best we

1213  
00:44:11,030 --> 00:44:09,440

can so it just doesn't sound crazy

1214

00:44:12,630 --> 00:44:11,040

yeah it's gonna sound it's gonna sound

1215

00:44:14,309 --> 00:44:12,640

crazy to a lot of people it's a lot

1216

00:44:16,309 --> 00:44:14,319

it's a lot and that's okay because

1217

00:44:20,390 --> 00:44:16,319

because our reality

1218

00:44:23,030 --> 00:44:20,400

quote-unquote reality is crazy

1219

00:44:24,630 --> 00:44:23,040

the the idea you know the simple one i'm

1220

00:44:26,230 --> 00:44:24,640

hoping to do a show with

1221

00:44:27,910 --> 00:44:26,240

this because i never i don't like to get

1222

00:44:31,190 --> 00:44:27,920

into this stuff but you know

1223

00:44:34,390 --> 00:44:31,200

science it's like the

1224

00:44:37,030 --> 00:44:34,400

the final insult of science

1225

00:44:38,630 --> 00:44:37,040

to the idea of science has been the

1226

00:44:40,550 --> 00:44:38,640

plandemic the last year

1227

00:44:42,470 --> 00:44:40,560

and like the simplest way i like to we

1228

00:44:46,069 --> 00:44:42,480

chat a little bit on your show

1229

00:44:49,670 --> 00:44:46,079

is masks right so make the connection

1230

00:44:53,109 --> 00:44:49,680

between masks and

1231

00:44:55,109 --> 00:44:53,119

public health policy right because

1232

00:44:56,390 --> 00:44:55,119

ultimately that's what we want from

1233

00:45:00,230 --> 00:44:56,400

science

1234

00:45:02,790 --> 00:45:00,240

is to inform

1235

00:45:04,790 --> 00:45:02,800

us who am i why am i here but the second

1236

00:45:09,349 --> 00:45:04,800

thing we want is to

1237

00:45:11,589 --> 00:45:09,359

effectively inform our policy makers

1238

00:45:12,790 --> 00:45:11,599

as for making good decisions so here's

1239

00:45:15,910 --> 00:45:12,800

what we know

1240

00:45:19,750 --> 00:45:15,920

about masks right as they relate to

1241

00:45:21,910 --> 00:45:19,760

coving one we know that some masks

1242

00:45:23,589 --> 00:45:21,920

just don't work if you're like me and

1243

00:45:24,870 --> 00:45:23,599

you just cut off your t-shirt and throw

1244

00:45:27,910 --> 00:45:24,880

it on your face

1245

00:45:30,710 --> 00:45:27,920

it no one says that that would ever be

1246

00:45:32,630 --> 00:45:30,720

efficacious in any way that's why they

1247

00:45:34,950 --> 00:45:32,640

have certain masks

1248

00:45:35,750 --> 00:45:34,960

that have been tested in laboratory

1249

00:45:38,790 --> 00:45:35,760

settings

1250

00:45:40,069 --> 00:45:38,800

and are shown to be able to block the

1251

00:45:42,390 --> 00:45:40,079

virus right

1252

00:45:43,910 --> 00:45:42,400

uh and influenza virus is usually what

1253

00:45:45,829 --> 00:45:43,920

they test it with but covid vibe

1254

00:45:46,950 --> 00:45:45,839

whatever you have the same the viruses

1255

00:45:49,109 --> 00:45:46,960

aren't that big of a different

1256

00:45:50,710 --> 00:45:49,119

size if it kind of stops one they say

1257

00:45:53,750 --> 00:45:50,720

okay that's a good mask

1258

00:45:56,950 --> 00:45:53,760

so this mask does nothing the

1259

00:46:00,550 --> 00:45:56,960

other mask does something okay is that

1260

00:46:03,670 --> 00:46:00,560

reflected in our public health policy

1261

00:46:04,470 --> 00:46:03,680

no not at all just wear some kind of

1262

00:46:06,390 --> 00:46:04,480

mask

1263

00:46:07,750 --> 00:46:06,400

you know some kind of face covering

1264

00:46:09,829 --> 00:46:07,760

there's no

1265

00:46:11,430 --> 00:46:09,839

thought at all in terms of what that

1266

00:46:12,950 --> 00:46:11,440

would be that is a

1267

00:46:15,430 --> 00:46:12,960

anyone could just look at that well

1268

00:46:17,670 --> 00:46:15,440

that's a failure of that policy

1269

00:46:19,190 --> 00:46:17,680

but the second thing that we know and we

1270

00:46:22,309 --> 00:46:19,200

talked about when we're on your show

1271

00:46:26,790 --> 00:46:22,319

is there is a certain

1272

00:46:29,589 --> 00:46:26,800

scientific if you will medical protocol

1273

00:46:31,270 --> 00:46:29,599

for mask wearing right you don't want to

1274

00:46:33,109 --> 00:46:31,280

put on the mask and then touch your face

1275

00:46:35,030 --> 00:46:33,119

adjust the mask and all this because

1276

00:46:36,790 --> 00:46:35,040

whatever the mask is touching is now on

1277

00:46:39,589 --> 00:46:36,800

your hand and whenever you touch it

1278

00:46:40,550 --> 00:46:39,599

it does oh you don't want to do that

1279

00:46:44,790 --> 00:46:40,560

there

1280

00:46:47,670 --> 00:46:44,800

we know that isn't taking place

1281

00:46:48,470 --> 00:46:47,680

so then we go and we look at the science

1282

00:46:50,150 --> 00:46:48,480

behind it

1283

00:46:51,990 --> 00:46:50,160

and and this has been going on for a

1284

00:46:55,190 --> 00:46:52,000

long time because we've had

1285

00:46:55,670 --> 00:46:55,200

the fear of influenza spreading as well

1286

00:46:57,510 --> 00:46:55,680

as

1287

00:46:59,829 --> 00:46:57,520

all sorts of different you know back

1288

00:47:00,710 --> 00:46:59,839

when we had the covid uh number one sars

1289

00:47:02,230 --> 00:47:00,720

and stuff like that

1290

00:47:04,710 --> 00:47:02,240

they were very keen to do all these

1291

00:47:07,430 --> 00:47:04,720

studies legitimate hospitals

1292

00:47:09,670 --> 00:47:07,440

and what they found is that you can get

1293

00:47:11,510 --> 00:47:09,680

a mask to work in a laboratory

1294

00:47:12,950 --> 00:47:11,520

but then when you go in the hospital and

1295

00:47:14,630 --> 00:47:12,960

you do clinical trials

1296

00:47:16,069 --> 00:47:14,640

and you give all the nurses and all the

1297

00:47:18,870 --> 00:47:16,079

doctors masks

1298

00:47:20,470 --> 00:47:18,880

it don't make no difference it's not

1299

00:47:22,950 --> 00:47:20,480

efficacious

1300

00:47:24,710 --> 00:47:22,960

in controlling the virus why wouldn't it

1301  
00:47:26,150 --> 00:47:24,720  
be well for all the reasons we just said

1302  
00:47:27,510 --> 00:47:26,160  
there's all this protocol in terms of

1303  
00:47:29,430 --> 00:47:27,520  
how you use mask whether you

1304  
00:47:31,589 --> 00:47:29,440  
reuse the mask how you touch it with

1305  
00:47:33,030 --> 00:47:31,599  
your face all that it all breaks down

1306  
00:47:34,630 --> 00:47:33,040  
and the little bit of benefit that you

1307  
00:47:38,390 --> 00:47:34,640  
could have gotten goes away

1308  
00:47:41,030 --> 00:47:38,400  
there is zero effectiveness

1309  
00:47:42,950 --> 00:47:41,040  
in clinical trials so then you look real

1310  
00:47:45,190 --> 00:47:42,960  
world examples and you start pulling in

1311  
00:47:47,430 --> 00:47:45,200  
data right you start looking at a county

1312  
00:47:49,190 --> 00:47:47,440  
that controls max and one that doesn't

1313  
00:47:51,030 --> 00:47:49,200

and periods that do that and there's

1314

00:47:54,470 --> 00:47:51,040

just virtually no

1315

00:47:58,069 --> 00:47:54,480

difference in the infection rate

1316

00:47:59,589 --> 00:47:58,079

of people whether they wear a mask or we

1317

00:48:03,270 --> 00:47:59,599

don't wear a mask

1318

00:48:07,430 --> 00:48:03,280

so is that any of that reflected

1319

00:48:10,549 --> 00:48:07,440

in our policy in our health policy no

1320

00:48:14,309 --> 00:48:10,559

that to me is highly suggestive of the

1321

00:48:17,750 --> 00:48:14,319

pandemic as some people like me and you

1322

00:48:21,190 --> 00:48:17,760

call it why wouldn't there be

1323

00:48:24,069 --> 00:48:21,200

a closer link between science

1324

00:48:24,790 --> 00:48:24,079

and policy because you don't want to

1325

00:48:26,950 --> 00:48:24,800

link

1326

00:48:27,910 --> 00:48:26,960

you just want to be able to wave your

1327

00:48:31,990 --> 00:48:27,920

arm and

1328

00:48:34,150 --> 00:48:32,000

pass along edix that sounds sciencey

1329

00:48:35,430 --> 00:48:34,160

enough for people to follow them you

1330

00:48:38,710 --> 00:48:35,440

don't really want

1331

00:48:40,470 --> 00:48:38,720

science sure uh i think that

1332

00:48:42,470 --> 00:48:40,480

and to play devil's and i'm with you

1333

00:48:45,910 --> 00:48:42,480

right like

1334

00:48:47,829 --> 00:48:45,920

paul like much like the the guy

1335

00:48:49,270 --> 00:48:47,839

run in the world health organization

1336

00:48:52,549 --> 00:48:49,280

isn't a doctor

1337

00:48:55,109 --> 00:48:52,559

i should say excuse me

1338

00:48:57,109 --> 00:48:55,119

they're not medical doctors politicians

1339

00:49:00,390 --> 00:48:57,119

generally aren't medical doctors

1340

00:49:02,630 --> 00:49:00,400

they're not scientists generally there's

1341

00:49:04,150 --> 00:49:02,640

they don't they're not really in the

1342

00:49:04,790 --> 00:49:04,160

business of science they're in the

1343

00:49:06,790 --> 00:49:04,800

business

1344

00:49:08,790 --> 00:49:06,800

of you know politicians are in the

1345

00:49:10,710 --> 00:49:08,800

business of serving the american public

1346

00:49:13,109 --> 00:49:10,720

the taxpayers is ideally

1347

00:49:15,190 --> 00:49:13,119

what they're supposed to be doing right

1348

00:49:18,790 --> 00:49:15,200

now to play devil's advocate

1349

00:49:21,670 --> 00:49:18,800

i would argue that the reason we see

1350

00:49:23,030 --> 00:49:21,680

them saying to wear the masks are

1351  
00:49:26,390 --> 00:49:23,040  
because

1352  
00:49:28,829 --> 00:49:26,400  
i think and this is like in some weird

1353  
00:49:32,230 --> 00:49:28,839  
way in support of the masks

1354  
00:49:36,230 --> 00:49:32,240  
okay in some weird way i think that

1355  
00:49:37,430 --> 00:49:36,240  
they want to give people confidence to

1356  
00:49:41,190 --> 00:49:37,440  
go out and shop

1357  
00:49:43,829 --> 00:49:41,200  
because fueling the economy is

1358  
00:49:45,349 --> 00:49:43,839  
good that's good for america we need to

1359  
00:49:47,990 --> 00:49:45,359  
do that on some levels

1360  
00:49:48,950 --> 00:49:48,000  
but you can't you can't sit here and

1361  
00:49:52,069 --> 00:49:48,960  
pump fear

1362  
00:49:55,190 --> 00:49:52,079  
into the public and tell them there's a

1363  
00:49:56,309 --> 00:49:55,200

contagious deadly virus uh you're going

1364

00:49:58,870 --> 00:49:56,319

to catch it and

1365

00:50:01,270 --> 00:49:58,880

here's some horrific stories of you know

1366

00:50:03,109 --> 00:50:01,280

couples that died holding hands

1367

00:50:04,870 --> 00:50:03,119

in the hospital bed and their families

1368

00:50:06,470 --> 00:50:04,880

couldn't visit them but

1369

00:50:08,390 --> 00:50:06,480

get out there and go spend your money

1370

00:50:10,150 --> 00:50:08,400

don't worry about catching it like

1371

00:50:11,670 --> 00:50:10,160

i think they need to sort of they talk

1372

00:50:14,230 --> 00:50:11,680

on both sides they

1373

00:50:15,349 --> 00:50:14,240

need you to be scared of it and then

1374

00:50:17,030 --> 00:50:15,359

they would and

1375

00:50:18,309 --> 00:50:17,040

right or wrong like i'm not i'm not a

1376

00:50:19,589 --> 00:50:18,319

medical doctor i've talked to a lot of

1377

00:50:23,109 --> 00:50:19,599

medical folks

1378

00:50:24,829 --> 00:50:23,119

um that i trust and they they've sort of

1379

00:50:28,150 --> 00:50:24,839

like corrected me and

1380

00:50:29,430 --> 00:50:28,160

and i'm not saying like

1381

00:50:31,030 --> 00:50:29,440

i don't want to go on a record and be

1382

00:50:32,230 --> 00:50:31,040

like oh my god code's the scariest thing

1383

00:50:33,750 --> 00:50:32,240

ever but like

1384

00:50:35,510 --> 00:50:33,760

clearly there's a virus of some kind

1385

00:50:38,630 --> 00:50:35,520

going around called covid

1386

00:50:40,309 --> 00:50:38,640

and it affects some people right but i

1387

00:50:42,390 --> 00:50:40,319

think that

1388

00:50:44,630 --> 00:50:42,400

the the they need to speak out both

1389

00:50:46,549 --> 00:50:44,640

sides of the mouth they need to scare us

1390

00:50:48,390 --> 00:50:46,559

of the virus but they also at the same

1391

00:50:50,069 --> 00:50:48,400

time need us not too scared that we

1392

00:50:53,270 --> 00:50:50,079

don't go out and spend our money

1393

00:50:54,230 --> 00:50:53,280

so the masks serve a purpose of well it

1394

00:50:57,270 --> 00:50:54,240

gives you a a

1395

00:51:00,549 --> 00:50:57,280

weird um confidence like

1396

00:51:03,349 --> 00:51:00,559

a weird safety net a weird sort of uh

1397

00:51:05,030 --> 00:51:03,359

you know seat belt on the airplane sort

1398

00:51:08,230 --> 00:51:05,040

of effect you know what i'm saying

1399

00:51:12,630 --> 00:51:08,240

what do men of power want

1400

00:51:13,349 --> 00:51:12,640

more power it's about control the more i

1401  
00:51:20,549 --> 00:51:13,359  
control

1402  
00:51:23,589 --> 00:51:20,559  
this is uh this is roman man

1403  
00:51:26,630 --> 00:51:23,599  
divide and rule fear is

1404  
00:51:27,430 --> 00:51:26,640  
is just is just a tool it's just it's

1405  
00:51:30,309 --> 00:51:27,440  
just a tool

1406  
00:51:31,030 --> 00:51:30,319  
it's the same thing with the the vaccine

1407  
00:51:34,390 --> 00:51:31,040  
you know i

1408  
00:51:38,069 --> 00:51:34,400  
won't even get into all that stuff but

1409  
00:51:41,109 --> 00:51:38,079  
even that phony [h\_\_h] uh fauci

1410  
00:51:42,870 --> 00:51:41,119  
acknowledges this is what they say the

1411  
00:51:45,910 --> 00:51:42,880  
vaccine doesn't prevent you

1412  
00:51:47,589 --> 00:51:45,920  
from getting covered this is like a very

1413  
00:51:50,790 --> 00:51:47,599

subtle part but it's in there

1414

00:51:53,190 --> 00:51:50,800

what it does is reduce the symptoms

1415

00:51:54,470 --> 00:51:53,200

that you will of the disease so you're

1416

00:51:57,510 --> 00:51:54,480

less likely to die

1417

00:51:59,589 --> 00:51:57,520

is the claim but that is not

1418

00:52:01,670 --> 00:51:59,599

to your point that is not how they're

1419

00:52:02,150 --> 00:52:01,680

going to sell it or spend it it already

1420

00:52:03,829 --> 00:52:02,160

isn't

1421

00:52:05,670 --> 00:52:03,839

the public perception there's no way

1422

00:52:07,190 --> 00:52:05,680

they could swing the public perception

1423

00:52:10,470 --> 00:52:07,200

back the other way

1424

00:52:12,630 --> 00:52:10,480

it's you know poke and fly baby

1425

00:52:13,589 --> 00:52:12,640

get your vaccine and then fly on the

1426

00:52:16,710 --> 00:52:13,599

plane

1427

00:52:20,230 --> 00:52:16,720

well how have you reduced your chance of

1428

00:52:21,349 --> 00:52:20,240

infection if if our man fauci himself

1429

00:52:24,950 --> 00:52:21,359

says that that's not

1430

00:52:27,270 --> 00:52:24,960

what the vaccine does so it

1431

00:52:28,230 --> 00:52:27,280

pulling it back to the 50 000 foot view

1432

00:52:32,470 --> 00:52:28,240

again

1433

00:52:35,829 --> 00:52:32,480

this is the ultimate failure or success

1434

00:52:39,349 --> 00:52:35,839

of science right because science now

1435

00:52:41,270 --> 00:52:39,359

is just a complete tool of the people

1436

00:52:44,390 --> 00:52:41,280

in charge and they don't have to really

1437

00:52:47,109 --> 00:52:44,400

ever really use any real science

1438

00:52:48,870 --> 00:52:47,119

you know they don't even pretend to have

1439

00:52:51,670 --> 00:52:48,880

a a public scientific

1440

00:52:52,710 --> 00:52:51,680

board that is somehow responsible that

1441

00:52:55,829 --> 00:52:52,720

is somehow

1442

00:52:59,030 --> 00:52:55,839

public open to debate they are

1443

00:53:02,150 --> 00:52:59,040

so far from that and and and

1444

00:53:05,030 --> 00:53:02,160

what disturbs me

1445

00:53:05,349 --> 00:53:05,040

is people quote unquote in my community

1446

00:53:07,990 --> 00:53:05,359

who

1447

00:53:08,790 --> 00:53:08,000

are science-minded they don't seem to

1448

00:53:10,630 --> 00:53:08,800

see any

1449

00:53:12,309 --> 00:53:10,640

any problem with that they're not up in

1450

00:53:14,630 --> 00:53:12,319

arms they're just

1451  
00:53:16,870 --> 00:53:14,640  
because they don't understand the

1452  
00:53:18,790 --> 00:53:16,880  
conspiratorial part they're not willing

1453  
00:53:22,790 --> 00:53:18,800  
to at least

1454  
00:53:26,069 --> 00:53:22,800  
consider santa claus and his

1455  
00:53:26,470 --> 00:53:26,079  
great reset and and the absurdity that

1456  
00:53:29,270 --> 00:53:26,480  
you're

1457  
00:53:31,270 --> 00:53:29,280  
mentioning that how could somebody how

1458  
00:53:33,910 --> 00:53:31,280  
could the richest

1459  
00:53:35,750 --> 00:53:33,920  
corporations in the world possibly

1460  
00:53:38,309 --> 00:53:35,760  
suggest that we hand over

1461  
00:53:38,870 --> 00:53:38,319  
all our rights and all our wealth to

1462  
00:53:41,190 --> 00:53:38,880  
them

1463  
00:53:42,549 --> 00:53:41,200

so that they could redistribute it for

1464

00:53:45,430 --> 00:53:42,559

our benefit

1465

00:53:45,990 --> 00:53:45,440

i'm not down with that absolutely man

1466

00:53:48,710 --> 00:53:46,000

and i'm

1467

00:53:51,109 --> 00:53:48,720

and and this is where when i say my mind

1468

00:53:54,630 --> 00:53:51,119

has been sort of scrambled

1469

00:53:55,990 --> 00:53:54,640

it's because over the years looking at

1470

00:53:57,670 --> 00:53:56,000

these conspiracies

1471

00:53:59,510 --> 00:53:57,680

you know as part of sort of this truth

1472

00:54:00,950 --> 00:53:59,520

or community i always say i'm a bad

1473

00:54:03,589 --> 00:54:00,960

truther because like i don't

1474

00:54:04,309 --> 00:54:03,599

go all in on every conspiracy that comes

1475

00:54:08,309 --> 00:54:04,319

across my

1476

00:54:10,069 --> 00:54:08,319

my email but the um

1477

00:54:11,990 --> 00:54:10,079

over the years like we we've been

1478

00:54:13,510 --> 00:54:12,000

pointing out how you know how bad this

1479

00:54:14,390 --> 00:54:13,520

and that is and how terrible this and

1480

00:54:17,750 --> 00:54:14,400

that is

1481

00:54:20,069 --> 00:54:17,760

and uh you know the truth is

1482

00:54:21,270 --> 00:54:20,079

is that capitalism and american

1483

00:54:23,430 --> 00:54:21,280

democracy

1484

00:54:25,190 --> 00:54:23,440

has got problems there's problems with

1485

00:54:26,390 --> 00:54:25,200

it and we point them out all the time

1486

00:54:27,349 --> 00:54:26,400

over the years we put it out to a

1487

00:54:31,270 --> 00:54:27,359

million of them

1488

00:54:33,349 --> 00:54:31,280

but my concern is that

1489

00:54:34,870 --> 00:54:33,359

well i don't necessarily want to go to

1490

00:54:36,309 --> 00:54:34,880

the globalist government for the

1491

00:54:37,750 --> 00:54:36,319

solution like i think we've got some

1492

00:54:39,430 --> 00:54:37,760

flaws but like

1493

00:54:41,670 --> 00:54:39,440

let's just try to fix those things i

1494

00:54:43,829 --> 00:54:41,680

mean i don't want it to get worse right

1495

00:54:45,829 --> 00:54:43,839

but like there's there's a lot of weird

1496

00:54:47,750 --> 00:54:45,839

sort of dilemmas

1497

00:54:49,349 --> 00:54:47,760

that we face because uh you know with

1498

00:54:51,109 --> 00:54:49,359

the qa non-movement

1499

00:54:53,270 --> 00:54:51,119

and uh a lot of the stuff that they've

1500

00:54:55,030 --> 00:54:53,280

been saying that coincides with a lot of

1501  
00:54:56,150 --> 00:54:55,040  
the material that i've been getting into

1502  
00:54:57,829 --> 00:54:56,160  
that i say

1503  
00:54:59,829 --> 00:54:57,839  
yeah i think that it's possible that

1504  
00:55:00,710 --> 00:54:59,839  
some of these heinous things could be

1505  
00:55:02,789 --> 00:55:00,720  
happening

1506  
00:55:04,789 --> 00:55:02,799  
but yet again like i draw the line and i

1507  
00:55:07,670 --> 00:55:04,799  
say but i don't really believe that

1508  
00:55:08,390 --> 00:55:07,680  
there's this great salvation coming from

1509  
00:55:10,069 --> 00:55:08,400  
this uh

1510  
00:55:12,230 --> 00:55:10,079  
movement like i if it would have

1511  
00:55:15,190 --> 00:55:12,240  
happened it would have happened by now

1512  
00:55:17,109 --> 00:55:15,200  
so like it's been a really turbulent

1513  
00:55:19,109 --> 00:55:17,119

year to try to like

1514

00:55:20,870 --> 00:55:19,119

because before this we were just

1515

00:55:21,190 --> 00:55:20,880

floating theories out like oh listen to

1516

00:55:25,109 --> 00:55:21,200

this

1517

00:55:26,789 --> 00:55:25,119

there was no sign no uh no real

1518

00:55:29,270 --> 00:55:26,799

impact no real world impact no real

1519

00:55:32,390 --> 00:55:29,280

significance no repercussions from it

1520

00:55:34,789 --> 00:55:32,400

and now we're seeing things manifest

1521

00:55:35,750 --> 00:55:34,799

and it really give makes you pause and

1522

00:55:38,549 --> 00:55:35,760

sit back and think

1523

00:55:40,230 --> 00:55:38,559

well gosh maybe maybe we need to be a

1524

00:55:41,349 --> 00:55:40,240

little careful about what we say maybe

1525

00:55:43,589 --> 00:55:41,359

we need to be a little more careful

1526

00:55:45,829 --> 00:55:43,599

about what we're telling people to do

1527

00:55:48,069 --> 00:55:45,839

you know and and that's why we in what

1528

00:55:50,309 --> 00:55:48,079

way do we need to be more careful

1529

00:55:51,750 --> 00:55:50,319

i i don't really i don't really

1530

00:55:55,109 --> 00:55:51,760

understand

1531

00:55:56,870 --> 00:55:55,119

because people aren't you and i

1532

00:55:59,030 --> 00:55:56,880

we can have these conversations we can

1533

00:56:01,510 --> 00:55:59,040

talk about the aliens we can talk about

1534

00:56:04,309 --> 00:56:01,520

blood sacrifice to these gods and

1535

00:56:05,829 --> 00:56:04,319

all this wacky stuff and and we can both

1536

00:56:07,109 --> 00:56:05,839

say that's really interesting you know

1537

00:56:08,150 --> 00:56:07,119

maybe right maybe there's something

1538

00:56:10,230 --> 00:56:08,160

going on

1539

00:56:11,510 --> 00:56:10,240

but when you when you're looking at you

1540

00:56:13,750 --> 00:56:11,520

know

1541

00:56:15,190 --> 00:56:13,760

350 million people in america they hear

1542

00:56:16,789 --> 00:56:15,200

these messages

1543

00:56:19,670 --> 00:56:16,799

some of them are going to run with that

1544

00:56:21,589 --> 00:56:19,680

and be hell-bent on thinking

1545

00:56:22,789 --> 00:56:21,599

like uh oh my god like they're really

1546

00:56:25,750 --> 00:56:22,799

doing this

1547

00:56:27,270 --> 00:56:25,760

and the reality is like we don't know

1548

00:56:28,630 --> 00:56:27,280

reality is some people are

1549

00:56:30,230 --> 00:56:28,640

the reality is they are really some

1550

00:56:32,309 --> 00:56:30,240

people are doing it yeah and they have

1551  
00:56:33,990 --> 00:56:32,319  
done it for the longest time and i mean

1552  
00:56:35,349 --> 00:56:34,000  
you know one thing we gotta we gotta

1553  
00:56:38,549 --> 00:56:35,359  
throw in here because we kind of

1554  
00:56:42,309 --> 00:56:38,559  
spent a lot of time on the last show

1555  
00:56:44,150 --> 00:56:42,319  
i think uh spirituality is ultimately

1556  
00:56:48,390 --> 00:56:44,160  
central to all of this because

1557  
00:56:50,549 --> 00:56:48,400  
spirituality is ultimately central to

1558  
00:56:52,150 --> 00:56:50,559  
who we are it's the ultimate human

1559  
00:56:55,589 --> 00:56:52,160  
experience for sure

1560  
00:56:58,789 --> 00:56:55,599  
who are we why are we here as i started

1561  
00:57:01,990 --> 00:56:58,799  
saying you know the ultimate conspiracy

1562  
00:57:03,510 --> 00:57:02,000  
reveal for me is that this idea that

1563  
00:57:06,150 --> 00:57:03,520

you're a biological robot

1564

00:57:07,990 --> 00:57:06,160

meaningless universe that scientism as

1565

00:57:10,870 --> 00:57:08,000

we know it is true

1566

00:57:12,150 --> 00:57:10,880

is the ultimate conspiracy because what

1567

00:57:15,109 --> 00:57:12,160

better way to control

1568

00:57:17,109 --> 00:57:15,119

you than for you to think you're nothing

1569

00:57:19,430 --> 00:57:17,119

that you have no meaning

1570

00:57:21,109 --> 00:57:19,440

that that voice inside your head that

1571

00:57:21,990 --> 00:57:21,119

essence of who you are doesn't even

1572

00:57:25,190 --> 00:57:22,000

exist

1573

00:57:28,230 --> 00:57:25,200

so you are a christian which

1574

00:57:30,230 --> 00:57:28,240

i got major problems with but

1575

00:57:32,150 --> 00:57:30,240

i set it aside because you're like five

1576

00:57:35,589 --> 00:57:32,160

steps ahead of the game

1577

00:57:38,710 --> 00:57:35,599

of the atheists and ten steps again

1578

00:57:41,349 --> 00:57:38,720

ahead of the game of the satanist so

1579

00:57:43,670 --> 00:57:41,359

and satanism we have to broaden because

1580

00:57:46,390 --> 00:57:43,680

as a non-christian myself

1581

00:57:48,789 --> 00:57:46,400

satanism means something different to me

1582

00:57:50,630 --> 00:57:48,799

than it does to you

1583

00:57:51,910 --> 00:57:50,640

but i don't want you flying under the

1584

00:57:53,910 --> 00:57:51,920

radar

1585

00:57:55,589 --> 00:57:53,920

with the spirituality thing and i want

1586

00:57:58,630 --> 00:57:55,599

you to kind of share a little bit

1587

00:58:00,069 --> 00:57:58,640

how you're processing all that stuff oh

1588

00:58:02,710 --> 00:58:00,079

for sure yeah so like

1589

00:58:03,349 --> 00:58:02,720

and and this isn't one of my it's not a

1590

00:58:05,510 --> 00:58:03,359

topic i

1591

00:58:07,030 --> 00:58:05,520

i hit on too hard on my in my books or

1592

00:58:10,950 --> 00:58:07,040

in my shows because

1593

00:58:13,190 --> 00:58:10,960

uh i am open-minded and skeptical enough

1594

00:58:14,870 --> 00:58:13,200

to think that well i mean like i don't

1595

00:58:15,990 --> 00:58:14,880

know for sure

1596

00:58:17,910 --> 00:58:16,000

you know and that's what faith is all

1597

00:58:19,750 --> 00:58:17,920

about right like we just don't know

1598

00:58:21,349 --> 00:58:19,760

uh you know and i was born and raised in

1599

00:58:24,630 --> 00:58:21,359

the christian faith

1600

00:58:27,109 --> 00:58:24,640

and it didn't it didn't really resonate

1601

00:58:29,750 --> 00:58:27,119

for me and when i was 16

1602

00:58:30,789 --> 00:58:29,760

my my mom was like okay cool like you

1603

00:58:31,990 --> 00:58:30,799

don't have to go to church anymore if

1604

00:58:32,390 --> 00:58:32,000

you don't want to i was like sweet i'm

1605

00:58:34,390 --> 00:58:32,400

out

1606

00:58:35,750 --> 00:58:34,400

later because i didn't like it i didn't

1607

00:58:37,430 --> 00:58:35,760

get along with nobody in there i felt

1608

00:58:39,109 --> 00:58:37,440

like i was the weirdo there and

1609

00:58:41,109 --> 00:58:39,119

i didn't feel accepted and i was like

1610

00:58:44,390 --> 00:58:41,119

man these guys seem like a bunch of

1611

00:58:47,589 --> 00:58:44,400

you know hypocrites and stuff and then

1612

00:58:49,030 --> 00:58:47,599

several years later i uh i joined the

1613

00:58:51,829 --> 00:58:49,040

orthodox church

1614

00:58:53,430 --> 00:58:51,839

and i found a sort of something

1615

00:58:55,270 --> 00:58:53,440

resonates within me and the best way

1616

00:58:56,950 --> 00:58:55,280

though and and the best way i can

1617

00:58:59,750 --> 00:58:56,960

describe it is

1618

00:59:01,109 --> 00:58:59,760

it's it's like therapy right i never

1619

00:59:02,470 --> 00:59:01,119

want to go to therapy i go see a

1620

00:59:05,349 --> 00:59:02,480

counselor right as you

1621

00:59:06,870 --> 00:59:05,359

as i alluded to i have anxiety you know

1622

00:59:10,069 --> 00:59:06,880

i don't medicate but i do go to

1623

00:59:11,829 --> 00:59:10,079

counseling right and the

1624

00:59:13,270 --> 00:59:11,839

i never want to go i never want to go to

1625

00:59:15,270 --> 00:59:13,280

counseling and then the day before i'm

1626

00:59:16,549 --> 00:59:15,280

like checking my email i'm like please

1627

00:59:18,150 --> 00:59:16,559

hope he cancels i hope he's got

1628

00:59:18,549 --> 00:59:18,160

something to come up so i don't have to

1629

00:59:21,670 --> 00:59:18,559

go

1630

00:59:23,270 --> 00:59:21,680

there and i'm dreading it the whole time

1631

00:59:24,950 --> 00:59:23,280

like ugh i don't want to do this

1632

00:59:26,309 --> 00:59:24,960

and then when i leave i feel great and

1633

00:59:27,910 --> 00:59:26,319

it's the same with church i never want

1634

00:59:29,910 --> 00:59:27,920

to get up early i never want to get

1635

00:59:31,270 --> 00:59:29,920

dressed i don't even want to go in there

1636

00:59:32,950 --> 00:59:31,280

and i go in there and i feel like a

1637

00:59:34,630 --> 00:59:32,960

million bucks when i leave and i think

1638

00:59:36,470 --> 00:59:34,640

something's happening on a subconscious

1639

00:59:39,109 --> 00:59:36,480

level i don't know what it is

1640

00:59:40,630 --> 00:59:39,119

i've never talked to god i've never i i

1641

00:59:41,510 --> 00:59:40,640

pray but like i'm not one of those

1642

00:59:43,589 --> 00:59:41,520

people that's like

1643

00:59:45,990 --> 00:59:43,599

oh jesus came and talked to me and i

1644

00:59:48,230 --> 00:59:46,000

felt his presence like i wish i had that

1645

00:59:49,589 --> 00:59:48,240

level of interaction because then my

1646

00:59:50,630 --> 00:59:49,599

faith would be right you know really

1647

00:59:54,069 --> 00:59:50,640

strong

1648

00:59:55,750 --> 00:59:54,079

um so like it's a weird it's a weird

1649

00:59:57,990 --> 00:59:55,760

territory i'm in where like

1650

00:59:59,109 --> 00:59:58,000

i believe it but then i also think well

1651  
01:00:00,150 --> 00:59:59,119  
maybe i only believe it because i was

1652  
01:00:02,710 --> 01:00:00,160  
like sort of

1653  
01:00:03,510 --> 01:00:02,720  
born and raised in these stories and i

1654  
01:00:06,630 --> 01:00:03,520  
feel

1655  
01:00:07,510 --> 01:00:06,640  
a weird sense of like uh you know if i

1656  
01:00:09,670 --> 01:00:07,520  
don't believe

1657  
01:00:10,870 --> 01:00:09,680  
and i die i might go to hell so i better

1658  
01:00:12,309 --> 01:00:10,880  
believe and

1659  
01:00:13,990 --> 01:00:12,319  
you know what i mean like like if i'm on

1660  
01:00:15,910 --> 01:00:14,000  
a plane

1661  
01:00:18,069 --> 01:00:15,920  
know that we hit turbulence i'm saying

1662  
01:00:19,990 --> 01:00:18,079  
prayers i'm sorry i'm just i'm doing it

1663  
01:00:21,589 --> 01:00:20,000

you know what i mean like and i don't

1664

01:00:23,829 --> 01:00:21,599

know am i programmed to believe that or

1665

01:00:26,870 --> 01:00:23,839

is there some authentic spiritual

1666

01:00:28,549 --> 01:00:26,880

thing there i don't know dude so i'm

1667

01:00:29,190 --> 01:00:28,559

with you in a sense that i get it i get

1668

01:00:31,589 --> 01:00:29,200

how like

1669

01:00:33,589 --> 01:00:31,599

people can not believe in christianity

1670

01:00:36,789 --> 01:00:33,599

and say like oh this is all just a big

1671

01:00:39,829 --> 01:00:36,799

psyop i get it but that's not me i

1672

01:00:41,510 --> 01:00:39,839

i got it uh you're awesome

1673

01:00:43,109 --> 01:00:41,520

you're awesome i totally respect that

1674

01:00:44,630 --> 01:00:43,119

you know i i did an interview

1675

01:00:47,430 --> 01:00:44,640

pause one second here i'm going to pull

1676

01:00:49,510 --> 01:00:47,440

it up he's a freaking genius

1677

01:00:51,030 --> 01:00:49,520

and he's a genius he's a spiritual

1678

01:00:53,589 --> 01:00:51,040

genius

1679

01:00:55,349 --> 01:00:53,599

and uh his name is jurgen ziva have you

1680

01:00:58,390 --> 01:00:55,359

ever heard of jurgen

1681

01:01:01,430 --> 01:00:58,400

no jurgen has had some

1682

01:01:02,470 --> 01:01:01,440

amazing out-of-body experiences that

1683

01:01:05,750 --> 01:01:02,480

he's chronicled

1684

01:01:09,190 --> 01:01:05,760

in his books among the most

1685

01:01:11,990 --> 01:01:09,200

detailed uh and inspirational

1686

01:01:12,950 --> 01:01:12,000

accounts that he has and you just

1687

01:01:15,910 --> 01:01:12,960

happened

1688

01:01:17,190 --> 01:01:15,920

you just have to hear this guy but i i

1689

01:01:18,069 --> 01:01:17,200

was going to play the clip but i'll just

1690

01:01:20,789 --> 01:01:18,079

kind of tell you

1691

01:01:21,510 --> 01:01:20,799

so he's not a religious guy he's not a

1692

01:01:24,630 --> 01:01:21,520

christian

1693

01:01:27,750 --> 01:01:24,640

but he's spiritual as [h\_\_h]

1694

01:01:31,109 --> 01:01:27,760

he's going on this tour and he's down

1695

01:01:33,349 --> 01:01:31,119

at that island in greece that is the

1696

01:01:35,190 --> 01:01:33,359

monastery have you ever seen that thing

1697

01:01:37,750 --> 01:01:35,200

greek i've got it tattooed on my torso

1698

01:01:40,950 --> 01:01:37,760

the mount athos

1699

01:01:41,990 --> 01:01:40,960

to monothose you want to talk about

1700

01:01:45,190 --> 01:01:42,000

synchronicity

1701  
01:01:46,870 --> 01:01:45,200  
kind of [h\_\_h] he's there and you know

1702  
01:01:47,270 --> 01:01:46,880  
it's like you can tour you can walk you

1703  
01:01:48,870 --> 01:01:47,280  
walk

1704  
01:01:50,789 --> 01:01:48,880  
all the way up the mountain and then you

1705  
01:01:53,990 --> 01:01:50,799  
tour around you know it's very

1706  
01:01:55,670 --> 01:01:54,000  
austere and all that so he starts

1707  
01:01:57,430 --> 01:01:55,680  
talking to one of these monks which is

1708  
01:02:00,870 --> 01:01:57,440  
unheard of

1709  
01:02:02,549 --> 01:02:00,880  
and the monk identifies him as somebody

1710  
01:02:06,549 --> 01:02:02,559  
who's legit

1711  
01:02:09,270 --> 01:02:06,559  
and he says i want to show you something

1712  
01:02:11,910 --> 01:02:09,280  
and he takes him into this darkened room

1713  
01:02:16,470 --> 01:02:11,920

it's completely dark he says

1714

01:02:19,270 --> 01:02:16,480

and he sits him down and he goes over

1715

01:02:20,549 --> 01:02:19,280

this is like ancient [h\_\_\h] there's this

1716

01:02:23,670 --> 01:02:20,559

chandelier

1717

01:02:26,710 --> 01:02:23,680

with candles on it it's way up there and

1718

01:02:30,630 --> 01:02:26,720

he slowly lowers down the rope

1719

01:02:34,150 --> 01:02:30,640

and it reveals this greek orthodox icon

1720

01:02:37,589 --> 01:02:34,160

that is on the wall and jurgen

1721

01:02:41,270 --> 01:02:37,599

jurgen is he's traveled to

1722

01:02:42,549 --> 01:02:41,280

the other dimensions like he's not like

1723

01:02:45,750 --> 01:02:42,559

going to get blown away

1724

01:02:48,150 --> 01:02:45,760

he's blown away there's tears

1725

01:02:49,589 --> 01:02:48,160

rolling down his face there's this

1726

01:02:53,190 --> 01:02:49,599

supreme

1727

01:02:56,950 --> 01:02:53,200

ecstatic love that fills his body

1728

01:03:00,390 --> 01:02:56,960

from viewing this icon

1729

01:03:02,549 --> 01:03:00,400

and the monk just nods and smiles

1730

01:03:05,109 --> 01:03:02,559

and that's it and he pulls the

1731

01:03:07,190 --> 01:03:05,119

chandelier up and they go outside

1732

01:03:09,270 --> 01:03:07,200

and they're brothers spiritual brothers

1733

01:03:12,549 --> 01:03:09,280

so they don't have to talk a lot

1734

01:03:14,230 --> 01:03:12,559

but the next day jurgen comes back

1735

01:03:16,309 --> 01:03:14,240

because he wants to see if the

1736

01:03:20,069 --> 01:03:16,319

experience is is real

1737

01:03:22,390 --> 01:03:20,079

right yeah and it's like shut down

1738

01:03:23,990 --> 01:03:22,400

like everyone's like what do you mean

1739

01:03:25,910 --> 01:03:24,000

you know he says yeah no the monk took

1740

01:03:27,910 --> 01:03:25,920

me back there he is

1741

01:03:29,190 --> 01:03:27,920

the monk didn't take you back there we

1742

01:03:31,430 --> 01:03:29,200

have guys who've been

1743

01:03:32,549 --> 01:03:31,440

at the monastery for 10 years in

1744

01:03:34,950 --> 01:03:32,559

meditation

1745

01:03:37,430 --> 01:03:34,960

and study they haven't been in there he

1746

01:03:39,430 --> 01:03:37,440

sure as hell didn't take you back there

1747

01:03:42,549 --> 01:03:39,440

and suddenly he sees a guy up on the

1748

01:03:44,470 --> 01:03:42,559

next level just kind of laughing

1749

01:03:45,589 --> 01:03:44,480

and he comes back and he rescues him he

1750

01:03:48,150 --> 01:03:45,599

says okay you're gonna

1751  
01:03:49,430 --> 01:03:48,160  
tell you what let me take you to another

1752  
01:03:51,270 --> 01:03:49,440  
one

1753  
01:03:53,190 --> 01:03:51,280  
and he takes him into a separate little

1754  
01:03:55,910 --> 01:03:53,200  
room darkened

1755  
01:03:57,109 --> 01:03:55,920  
lowers down the chandelier icon on the

1756  
01:04:00,230 --> 01:03:57,119  
wall

1757  
01:04:03,990 --> 01:04:00,240  
same thing same experience

1758  
01:04:07,029 --> 01:04:04,000  
unbelievable joy ecstasy

1759  
01:04:09,270 --> 01:04:07,039  
love god light

1760  
01:04:10,230 --> 01:04:09,280  
you know if there's one thing that we

1761  
01:04:13,430 --> 01:04:10,240  
can

1762  
01:04:16,950 --> 01:04:13,440  
leave people with and this that

1763  
01:04:19,430 --> 01:04:16,960

does bring you in off the ledge is

1764

01:04:21,109 --> 01:04:19,440

it's really about the light the darkness

1765

01:04:25,270 --> 01:04:21,119

gets way way too much

1766

01:04:28,549 --> 01:04:25,280

press bro way too much press

1767

01:04:31,829 --> 01:04:28,559

it's about the light so

1768

01:04:32,549 --> 01:04:31,839

that's jurgen you got to go i don't do a

1769

01:04:34,150 --> 01:04:32,559

good job

1770

01:04:36,470 --> 01:04:34,160

don't do him justice you can hear him

1771

01:04:38,630 --> 01:04:36,480

tell the story and he's not out like

1772

01:04:40,950 --> 01:04:38,640

looking for pub or anything like that

1773

01:04:44,069 --> 01:04:40,960

he's just the most

1774

01:04:46,309 --> 01:04:44,079

amazing uh guy who's experienced that

1775

01:04:47,910 --> 01:04:46,319

and he has virtual reality thing out

1776

01:04:49,430 --> 01:04:47,920

again for free

1777

01:04:50,549 --> 01:04:49,440

you know everything i said i want to

1778

01:04:51,430 --> 01:04:50,559

help you with the virtual reality thing

1779

01:04:53,190 --> 01:04:51,440

because the only

1780

01:04:55,270 --> 01:04:53,200

the only restriction i'd make is

1781

01:04:55,829 --> 01:04:55,280

whatever we do it has to be put out for

1782

01:04:58,230 --> 01:04:55,839

free

1783

01:04:59,190 --> 01:04:58,240

i want people to experience what i've

1784

01:05:02,309 --> 01:04:59,200

experienced

1785

01:05:04,150 --> 01:05:02,319

in these uh transcendent realms and i'll

1786

01:05:06,309 --> 01:05:04,160

just add one thing you know that i that

1787

01:05:08,230 --> 01:05:06,319

i asked gary and i go

1788

01:05:09,670 --> 01:05:08,240

so you had that experience right that

1789

01:05:11,750 --> 01:05:09,680

really happened he goes yeah

1790

01:05:13,510 --> 01:05:11,760

i go but you're still not christian

1791

01:05:17,349 --> 01:05:13,520

right you got a chuckle he goes

1792

01:05:20,870 --> 01:05:17,359

oh no really christianity

1793

01:05:22,069 --> 01:05:20,880

is an intermediary an unnecessary

1794

01:05:24,150 --> 01:05:22,079

intermediary

1795

01:05:25,910 --> 01:05:24,160

sure christ consciousness connect with

1796

01:05:27,670 --> 01:05:25,920

it anytime you want you don't need the

1797

01:05:29,510 --> 01:05:27,680

bible you don't need the icon

1798

01:05:31,270 --> 01:05:29,520

it's just a vehicle you're going to

1799

01:05:33,829 --> 01:05:31,280

church you're connecting the church

1800

01:05:35,349 --> 01:05:33,839

it's great it's there but it it's just

1801  
01:05:37,589 --> 01:05:35,359  
it's not

1802  
01:05:39,270 --> 01:05:37,599  
a necessary step it's like if it's

1803  
01:05:40,230 --> 01:05:39,280  
necessary for you now then that's great

1804  
01:05:43,270 --> 01:05:40,240  
but it's

1805  
01:05:44,470 --> 01:05:43,280  
that's my i could see this they could

1806  
01:05:48,230 --> 01:05:44,480  
get behind that

1807  
01:05:51,349 --> 01:05:48,240  
yeah oh man we we've kind of

1808  
01:05:52,230 --> 01:05:51,359  
uh uh lost the lost the road here a

1809  
01:05:54,390 --> 01:05:52,240  
little bit

1810  
01:05:56,230 --> 01:05:54,400  
but i want people to go and look at your

1811  
01:05:59,190 --> 01:05:56,240  
excellent

1812  
01:05:59,829 --> 01:05:59,200  
information on the occult hollywood

1813  
01:06:01,430 --> 01:05:59,839

thing

1814

01:06:03,349 --> 01:06:01,440

you can get it from a lot of different

1815

01:06:03,910 --> 01:06:03,359

sources but i think the way that you do

1816

01:06:10,390 --> 01:06:03,920

it

1817

01:06:12,150 --> 01:06:10,400

accessible and very powerful can you

1818

01:06:15,910 --> 01:06:12,160

leave us with some thoughts on

1819

01:06:22,870 --> 01:06:19,990

yeah so the the idea is that like for me

1820

01:06:23,990 --> 01:06:22,880

i'm learning as i go and some people are

1821

01:06:26,549 --> 01:06:24,000

new to it so

1822

01:06:27,829 --> 01:06:26,559

my my earlier works maybe resonate

1823

01:06:29,349 --> 01:06:27,839

better than the newer ones because the

1824

01:06:30,630 --> 01:06:29,359

newer ones might be too deep down the

1825

01:06:33,109 --> 01:06:30,640

rabbit hole

1826

01:06:34,150 --> 01:06:33,119

but what got me intrigued by all of this

1827

01:06:36,230 --> 01:06:34,160

and what

1828

01:06:37,670 --> 01:06:36,240

a lot of people are drawn to when they

1829

01:06:40,549 --> 01:06:37,680

first get into this

1830

01:06:41,029 --> 01:06:40,559

is all of these symbols and these sort

1831

01:06:42,950 --> 01:06:41,039

of

1832

01:06:45,750 --> 01:06:42,960

you know messages that they see in

1833

01:06:48,870 --> 01:06:45,760

movies and predictive programming

1834

01:06:51,829 --> 01:06:48,880

and when you read through

1835

01:06:52,710 --> 01:06:51,839

the literature of the occultists and you

1836

01:06:55,670 --> 01:06:52,720

understand

1837

01:06:57,670 --> 01:06:55,680

the the uh the high profile rituals the

1838

01:07:01,270 --> 01:06:57,680

initiation ceremonies you

1839

01:07:03,430 --> 01:07:01,280

you understand the the allegories that

1840

01:07:06,230 --> 01:07:03,440

they give to their initiates

1841

01:07:07,430 --> 01:07:06,240

um you know like for instance the skull

1842

01:07:09,589 --> 01:07:07,440

and bones for example

1843

01:07:10,789 --> 01:07:09,599

we'll take the skull and bones they take

1844

01:07:11,750 --> 01:07:10,799

their initiates and they put them in a

1845

01:07:14,150 --> 01:07:11,760

casket

1846

01:07:16,069 --> 01:07:14,160

and and they've the skull and bones

1847

01:07:18,309 --> 01:07:16,079

obviously as their logo which

1848

01:07:20,150 --> 01:07:18,319

in the in the freemasons they they have

1849

01:07:22,150 --> 01:07:20,160

a thing called a reflection chamber and

1850

01:07:25,029 --> 01:07:22,160

the initiate sits in there in the dark

1851  
01:07:27,270 --> 01:07:25,039  
and has a there's some skull and bones

1852  
01:07:30,230 --> 01:07:27,280  
there and and the whole thing is

1853  
01:07:30,549 --> 01:07:30,240  
the initiate needs to reflect upon death

1854  
01:07:32,309 --> 01:07:30,559  
and

1855  
01:07:34,230 --> 01:07:32,319  
this goes back to the the pyramids of

1856  
01:07:35,750 --> 01:07:34,240  
giza they would bury them underneath the

1857  
01:07:37,670 --> 01:07:35,760  
pyramids for three days

1858  
01:07:38,789 --> 01:07:37,680  
then bring them back up they all the

1859  
01:07:42,390 --> 01:07:38,799  
idea is

1860  
01:07:45,430 --> 01:07:42,400  
the the self that you know needs to die

1861  
01:07:47,589 --> 01:07:45,440  
so the initiate can be reborn and this

1862  
01:07:50,230 --> 01:07:47,599  
is exactly the processes that we see

1863  
01:07:52,630 --> 01:07:50,240

in a lot of hollywood movies uh you know

1864

01:07:55,190 --> 01:07:52,640

deadpool is one i'll stop my head

1865

01:07:56,470 --> 01:07:55,200

where you know they go symbolically they

1866

01:07:59,190 --> 01:07:56,480

go underground

1867

01:07:59,829 --> 01:07:59,200

they die they're reborn and the rebirth

1868

01:08:02,710 --> 01:07:59,839

happens

1869

01:08:04,710 --> 01:08:02,720

and it's an alchemical process it's what

1870

01:08:05,430 --> 01:08:04,720

when people see that goat with the boobs

1871

01:08:08,150 --> 01:08:05,440

you know

1872

01:08:09,990 --> 01:08:08,160

the baphomet on the on the forearms it

1873

01:08:12,870 --> 01:08:10,000

says solving coagula they're latin

1874

01:08:15,029 --> 01:08:12,880

terms for dissolve and to bring together

1875

01:08:17,030 --> 01:08:15,039

to coagulate

1876

01:08:18,789 --> 01:08:17,040

and that's exactly what they're trying

1877

01:08:21,430 --> 01:08:18,799

to do on a massive level they've been

1878

01:08:24,149 --> 01:08:21,440

showing this these topics and themes

1879

01:08:25,749 --> 01:08:24,159

but they're embedded in real world

1880

01:08:28,950 --> 01:08:25,759

mystery teachings

1881

01:08:30,309 --> 01:08:28,960

and i'm not here to say what's right or

1882

01:08:31,749 --> 01:08:30,319

wrong

1883

01:08:33,829 --> 01:08:31,759

because i question a lot of this stuff

1884

01:08:35,510 --> 01:08:33,839

too and like i said earlier

1885

01:08:37,510 --> 01:08:35,520

i'll go back and forth is this

1886

01:08:38,070 --> 01:08:37,520

illuminati are they the bad guys are

1887

01:08:40,630 --> 01:08:38,080

they the good

1888

01:08:42,630 --> 01:08:40,640

guys i don't know i don't profess to

1889

01:08:44,789 --> 01:08:42,640

know the answers to it i just know that

1890

01:08:45,990 --> 01:08:44,799

a lot of the things we we witness and

1891

01:08:49,030 --> 01:08:46,000

observe

1892

01:08:50,470 --> 01:08:49,040

they're high level rituals and the more

1893

01:08:52,229 --> 01:08:50,480

that we know about it

1894

01:08:54,870 --> 01:08:52,239

the more discernment we can have and i

1895

01:08:56,789 --> 01:08:54,880

would argue that we can be better at

1896

01:08:58,309 --> 01:08:56,799

identifying the path that we're on and

1897

01:08:58,789 --> 01:08:58,319

we're going down and at least have some

1898

01:09:00,789 --> 01:08:58,799

say

1899

01:09:02,390 --> 01:09:00,799

in what it is that we want the future

1900

01:09:04,550 --> 01:09:02,400

world to look like because

1901

01:09:06,789 --> 01:09:04,560

believe you me they're destroying the

1902

01:09:09,829 --> 01:09:06,799

version of reality that we know

1903

01:09:11,590 --> 01:09:09,839

to try to recreate a new one uh and

1904

01:09:13,189 --> 01:09:11,600

we need to be a part of that process on

1905

01:09:14,950 --> 01:09:13,199

some level so yeah

1906

01:09:16,789 --> 01:09:14,960

all my books talk about this subject

1907

01:09:18,470 --> 01:09:16,799

just in different ways like

1908

01:09:20,470 --> 01:09:18,480

like kubrick's code i talk about stanley

1909

01:09:21,510 --> 01:09:20,480

kubrick movies and all the themes you

1910

01:09:24,470 --> 01:09:21,520

see in there and

1911

01:09:24,709 --> 01:09:24,480

and and so on and so forth again if this

1912

01:09:28,149 --> 01:09:24,719

is

1913

01:09:31,110 --> 01:09:28,159

the the teaspoon on ramping

1914

01:09:33,749 --> 01:09:31,120

for some people who who maybe would at

1915

01:09:35,269 --> 01:09:33,759

first glance say these ideas are wacky

1916

01:09:37,829 --> 01:09:35,279

and maybe you're going to be the

1917

01:09:38,470 --> 01:09:37,839

introduction to the non-wackiness of

1918

01:09:41,669 --> 01:09:38,480

them

1919

01:09:43,510 --> 01:09:41,679

um yeah i find myself in that role

1920

01:09:44,950 --> 01:09:43,520

oftentimes i get a lot of people that

1921

01:09:47,269 --> 01:09:44,960

that reach out to me and

1922

01:09:48,149 --> 01:09:47,279

you know i'm very humbled by that but

1923

01:09:50,070 --> 01:09:48,159

like

1924

01:09:51,349 --> 01:09:50,080

they kind of tell me i'm the red pill

1925

01:09:53,030 --> 01:09:51,359

that sort of

1926

01:09:54,470 --> 01:09:53,040

snap them out of stuff and and i don't

1927

01:09:56,149 --> 01:09:54,480

want to look at it like oh i snapped you

1928

01:09:57,270 --> 01:09:56,159

out of like a morpheus or whatever but

1929

01:09:58,950 --> 01:09:57,280

like

1930

01:10:00,790 --> 01:09:58,960

to me there's a lot of a lot of truth

1931

01:10:03,430 --> 01:10:00,800

buried in a lot of these ideas that

1932

01:10:03,910 --> 01:10:03,440

uh that i'm talking about and i like to

1933

01:10:06,310 --> 01:10:03,920

give

1934

01:10:08,630 --> 01:10:06,320

examples in entertainment because for me

1935

01:10:10,149 --> 01:10:08,640

it's like francis bacon

1936

01:10:11,910 --> 01:10:10,159

was always professing that you can teach

1937

01:10:13,990 --> 01:10:11,920

someone better through entertainment

1938

01:10:15,350 --> 01:10:14,000

than to directly lecture them so that's

1939

01:10:18,149 --> 01:10:15,360

kind of why i

1940

01:10:20,630 --> 01:10:18,159

have this sort of niche of tearing down

1941

01:10:23,189 --> 01:10:20,640

entertainment and movies and films and

1942

01:10:24,310 --> 01:10:23,199

music videos and explaining the occult

1943

01:10:27,669 --> 01:10:24,320

agenda behind

1944

01:10:31,189 --> 01:10:27,679

the ideas within them you do a great job

1945

01:10:33,430 --> 01:10:31,199

you make it very uh i don't want to say

1946

01:10:34,709 --> 01:10:33,440

entertaining because that kind of turns

1947

01:10:37,189 --> 01:10:34,719

it in the wrong way

1948

01:10:39,030 --> 01:10:37,199

you just make it very comfortable it's

1949

01:10:40,149 --> 01:10:39,040

enjoyable to listen to you've got a

1950

01:10:43,510 --> 01:10:40,159

great voice

1951

01:10:44,790 --> 01:10:43,520

oh thanks i try man i try you know and i

1952

01:10:46,790 --> 01:10:44,800

and i grew up with like

1953

01:10:49,110 --> 01:10:46,800

you know the alex joneses and the bill

1954

01:10:50,790 --> 01:10:49,120

coopers and i try to take what i like

1955

01:10:51,669 --> 01:10:50,800

from the people that and david ike i try

1956

01:10:53,590 --> 01:10:51,679

to take the things that i

1957

01:10:54,790 --> 01:10:53,600

like and incorporate them and i'm

1958

01:10:56,709 --> 01:10:54,800

learning and constantly trying to

1959

01:10:57,669 --> 01:10:56,719

perfect it so yeah thank you appreciate

1960

01:10:59,990 --> 01:10:57,679

that

1961

01:11:01,270 --> 01:11:00,000

thanks again to isaac for joining me

1962

01:11:03,189 --> 01:11:01,280

today thought it was a great

1963

01:11:05,110 --> 01:11:03,199

conversation

1964

01:11:06,310 --> 01:11:05,120

i guess the one question i'd have to tee

1965

01:11:09,590 --> 01:11:06,320

up from this interview

1966

01:11:13,910 --> 01:11:09,600

is illuminati

1967

01:11:17,030 --> 01:11:13,920

what do you think where do you go

1968

01:11:17,510 --> 01:11:17,040

is it a please unsubscribe river you

1969

01:11:20,229 --> 01:11:17,520

just

1970

01:11:21,830 --> 01:11:20,239

can't cross let me know your thoughts of

1971

01:11:24,149 --> 01:11:21,840

course i'd love to hear you over on the

1972

01:11:26,630 --> 01:11:24,159

skeptico forum

1973

01:11:28,790 --> 01:11:26,640

that's the best place to reach me but if

1974

01:11:29,110 --> 01:11:28,800

you track me down anyplace else i'd love

1975

01:11:32,070 --> 01:11:29,120

to

1976

01:11:33,750 --> 01:11:32,080

engage with you there as well i have

1977

01:11:34,870 --> 01:11:33,760

some really great shows coming up a ton

1978

01:11:36,630 --> 01:11:34,880

of them in the hopper i'm almost

1979

01:11:39,350 --> 01:11:36,640

embarrassed about how far behind i

1980

01:11:41,189 --> 01:11:39,360

am but i'll just start spitting them out
