***WHAT I KNOW***

**SWAPCAST**

**TRUTHZILLA**

1  
00:00:19,910 --> 00:00:17,830

[Music]

2  
00:00:21,510 --> 00:00:19,920  
welcome to trucilla i am megan sitting

3  
00:00:23,670 --> 00:00:21,520  
here with scott and ed

4  
00:00:25,990 --> 00:00:23,680  
this week we have alex zakirus from the

5  
00:00:27,670 --> 00:00:26,000  
wildly popular podcast skeptico

6  
00:00:29,429 --> 00:00:27,680  
science at the tipping point that delves

7  
00:00:30,710 --> 00:00:29,439  
into topics such as parapsychology

8  
00:00:33,190 --> 00:00:30,720  
near-death experiences

9  
00:00:34,790 --> 00:00:33,200  
consciousness and spirituality welcome

10  
00:00:36,229 --> 00:00:34,800  
alex how are you

11  
00:00:38,549 --> 00:00:36,239  
i'm doing great thanks for that

12  
00:00:39,350 --> 00:00:38,559  
introduction megan i'm excited to talk

13  
00:00:41,510 --> 00:00:39,360

to you guys today

14

00:00:42,630 --> 00:00:41,520

yeah definitely pretty cool excited very

15

00:00:43,990 --> 00:00:42,640

cool so um

16

00:00:45,750 --> 00:00:44,000

yeah so alex we started chatting a

17

00:00:47,590 --> 00:00:45,760

little bit before this and uh

18

00:00:48,950 --> 00:00:47,600

you're saying that um let's let's jump

19

00:00:50,229 --> 00:00:48,960

into this man you put together this

20

00:00:51,750 --> 00:00:50,239

amazing little

21

00:00:53,350 --> 00:00:51,760

what do you want to call like a survey

22

00:00:53,750 --> 00:00:53,360

questionnaire kind of just to get to

23

00:00:56,709 --> 00:00:53,760

know you

24

00:00:58,069 --> 00:00:56,719

ice breaker type of thing well

25

00:01:00,310 --> 00:00:58,079

icebreaker like

26  
00:01:02,709 --> 00:01:00,320  
break over your head but yeah you know

27  
00:01:05,509 --> 00:01:02,719  
it what i was saying you know we're

28  
00:01:07,030 --> 00:01:05,519  
all into podcasting and that is a whole

29  
00:01:09,109 --> 00:01:07,040  
process in and of itself

30  
00:01:10,310 --> 00:01:09,119  
and i love you know some of the guys

31  
00:01:11,590 --> 00:01:10,320  
some of the things that you guys shared

32  
00:01:13,750 --> 00:01:11,600  
in the show that i saw

33  
00:01:16,310 --> 00:01:13,760  
about what it's meant for you and what

34  
00:01:17,910 --> 00:01:16,320  
it's like you know preparing and then

35  
00:01:19,910 --> 00:01:17,920  
you know doing these shows and stuff

36  
00:01:21,830 --> 00:01:19,920  
like that and i i was

37  
00:01:23,590 --> 00:01:21,840  
relating that one of the things that i

38  
00:01:26,789 --> 00:01:23,600

always find interesting

39

00:01:30,630 --> 00:01:26,799

is especially for you know people like

40

00:01:31,270 --> 00:01:30,640

us who dare to go into the altar as i

41

00:01:35,590 --> 00:01:31,280

like to say

42

00:01:37,030 --> 00:01:35,600

alt alt community you know yeah it's

43

00:01:38,950 --> 00:01:37,040

there's so many different points of view

44

00:01:39,350 --> 00:01:38,960

within our community that it's funny

45

00:01:41,270 --> 00:01:39,360

because

46

00:01:43,350 --> 00:01:41,280

people outside the community they so

47

00:01:46,550 --> 00:01:43,360

easily lump everybody together

48

00:01:48,149 --> 00:01:46,560

and then inside it's like no man there's

49

00:01:50,630 --> 00:01:48,159

all these differences that are

50

00:01:52,310 --> 00:01:50,640

that are huge so what i thought would be

51  
00:01:52,710 --> 00:01:52,320  
just kind of fun since we don't really

52  
00:01:54,469 --> 00:01:52,720  
know

53  
00:01:56,630 --> 00:01:54,479  
each other that well and we're just kind

54  
00:01:59,830 --> 00:01:56,640  
of doing this introductory thing

55  
00:02:02,310 --> 00:01:59,840  
is to go through this pre-question

56  
00:02:02,950 --> 00:02:02,320  
uh pre pre-interview what i send out to

57  
00:02:04,870 --> 00:02:02,960  
folks

58  
00:02:06,310 --> 00:02:04,880  
yeah the pre-interview questionnaire and

59  
00:02:08,070 --> 00:02:06,320  
scott i sent it to you

60  
00:02:10,070 --> 00:02:08,080  
it was really cool that you responded

61  
00:02:11,430 --> 00:02:10,080  
and then you looked at my responses and

62  
00:02:13,110 --> 00:02:11,440  
you said hey

63  
00:02:15,030 --> 00:02:13,120

i'm not i didn't realize i could answer

64

00:02:17,030 --> 00:02:15,040

it that way i want to change my answers

65

00:02:18,550 --> 00:02:17,040

kind of a little bit i mean my initial

66

00:02:19,830 --> 00:02:18,560

thought on a couple things was like oh

67

00:02:21,510 --> 00:02:19,840

yeah i didn't even thought of it that

68

00:02:23,670 --> 00:02:21,520

way like i kind of like reframed the

69

00:02:24,790 --> 00:02:23,680

question when i when i saw it like

70

00:02:26,229 --> 00:02:24,800

yeah it was just weird it was really

71

00:02:28,229 --> 00:02:26,239

interesting like what happened to my

72

00:02:29,190 --> 00:02:28,239

brain after i saw like a different

73

00:02:31,030 --> 00:02:29,200

perspective i was like

74

00:02:32,309 --> 00:02:31,040

well i guess i kind of think that too i

75

00:02:33,430 --> 00:02:32,319

guess yeah it was kind of weird it was

76

00:02:36,070 --> 00:02:33,440

weird so that could be a whole

77

00:02:37,750 --> 00:02:36,080

discussion in and of itself you know uh

78

00:02:39,589 --> 00:02:37,760

uh suggestibility or whatever i don't

79

00:02:41,670 --> 00:02:39,599

know i don't know

80

00:02:43,750 --> 00:02:41,680

so i i just thought it'd be fun guys i

81

00:02:47,509 --> 00:02:43,760

mean this is we have not planned this

82

00:02:49,830 --> 00:02:47,519

out but uh it can just be true

83

00:02:51,350 --> 00:02:49,840

and true podcasting fashion you know i

84

00:02:54,150 --> 00:02:51,360

love it love it

85

00:02:54,630 --> 00:02:54,160

so yeah so here are some of my questions

86

00:02:57,670 --> 00:02:54,640

that

87

00:02:59,270 --> 00:02:57,680

i are interesting to me

88

00:03:01,350 --> 00:02:59,280

and i always start with the science

89

00:03:03,509 --> 00:03:01,360

question because that's how my show

90

00:03:05,270 --> 00:03:03,519

started i went looking for

91

00:03:07,270 --> 00:03:05,280

big picture answers you know who are we

92

00:03:08,869 --> 00:03:07,280

why are we here and i said well

93

00:03:11,270 --> 00:03:08,879

i have kind of a science science

94

00:03:13,030 --> 00:03:11,280

background you know let's let's science

95

00:03:14,790 --> 00:03:13,040

i kind of knew that science was full of

96

00:03:16,470 --> 00:03:14,800

[h\_\_h] but i was like hey let's look what

97

00:03:18,390 --> 00:03:16,480

science has to say so

98

00:03:19,990 --> 00:03:18,400

here are my and i'll i'll read them for

99

00:03:21,110 --> 00:03:20,000

people because most of my listeners are

100

00:03:23,910 --> 00:03:21,120

just listening

101  
00:03:24,550 --> 00:03:23,920  
science check all that apply yes duh

102  
00:03:27,990 --> 00:03:24,560  
progress

103  
00:03:30,309 --> 00:03:28,000  
iphones and stuff choice number two no

104  
00:03:31,990 --> 00:03:30,319  
duh myth of progress nuclear

105  
00:03:34,710 --> 00:03:32,000  
annihilation and stuff

106  
00:03:36,149 --> 00:03:34,720  
three uh science is a method not a

107  
00:03:37,509 --> 00:03:36,159  
position statement

108  
00:03:39,589 --> 00:03:37,519  
extraordinary claims require

109  
00:03:40,309 --> 00:03:39,599  
extraordinary proof you get what you pay

110  
00:03:42,470 --> 00:03:40,319  
for

111  
00:03:43,670 --> 00:03:42,480  
instructably linked to scientific

112  
00:03:46,550 --> 00:03:43,680  
materialism

113  
00:03:47,750 --> 00:03:46,560

or other yeah that's so fascinating like

114

00:03:49,830 --> 00:03:47,760

okay so

115

00:03:51,110 --> 00:03:49,840

science science like what you know the

116

00:03:53,030 --> 00:03:51,120

scientific method yeah

117

00:03:54,630 --> 00:03:53,040

you know i would say is extraordinary

118

00:03:56,229 --> 00:03:54,640

claims will require extraordinary proof

119

00:03:58,070 --> 00:03:56,239

uh it's a method

120

00:04:00,229 --> 00:03:58,080

not a position statement right but like

121

00:04:03,429 --> 00:04:00,239

what we see in the world

122

00:04:05,509 --> 00:04:03,439

i mean you get what you pay for right

123

00:04:06,630 --> 00:04:05,519

i mean i think it's exactly i mean it's

124

00:04:08,149 --> 00:04:06,640

a method it is

125

00:04:10,070 --> 00:04:08,159

the scientific method i mean that's

126

00:04:12,470 --> 00:04:10,080

that's what science is i mean

127

00:04:13,589 --> 00:04:12,480

you know you get a hypothesis and you

128

00:04:15,910 --> 00:04:13,599

test it right

129

00:04:17,830 --> 00:04:15,920

and uh you know you you test those

130

00:04:19,990 --> 00:04:17,840

results versus your hypothesis

131

00:04:21,349 --> 00:04:20,000

and you go from there so i mean and

132

00:04:24,629 --> 00:04:21,359

that's

133

00:04:26,830 --> 00:04:24,639

once once you kind of have something

134

00:04:28,070 --> 00:04:26,840

i don't want to use the word settled

135

00:04:29,830 --> 00:04:28,080

because science is

136

00:04:31,670 --> 00:04:29,840

so much of the the problem we're in

137

00:04:32,550 --> 00:04:31,680

right now but beyond based on those

138

00:04:34,790 --> 00:04:32,560

words but you know

139

00:04:36,230 --> 00:04:34,800

you kind of uh deemed things like then

140

00:04:38,950 --> 00:04:36,240

you base it on this science

141

00:04:41,030 --> 00:04:38,960

you would go make other conjectures and

142

00:04:44,070 --> 00:04:41,040

test those right so

143

00:04:46,070 --> 00:04:44,080

yeah i think but i think it is it's a

144

00:04:48,870 --> 00:04:46,080

good question just because it is

145

00:04:50,550 --> 00:04:48,880

it everything we're up against really is

146

00:04:51,270 --> 00:04:50,560

based on this principle of i mean right

147

00:04:53,510 --> 00:04:51,280

now we're

148

00:04:54,950 --> 00:04:53,520

in this time where you know everybody's

149

00:04:57,270 --> 00:04:54,960

saying the science is settled you know

150

00:04:58,469 --> 00:04:57,280

follow the science i believe in science

151

00:04:59,909 --> 00:04:58,479

i mean these are things people are

152

00:05:00,950 --> 00:04:59,919

saying all over the place but what does

153

00:05:03,590 --> 00:05:00,960

it really mean

154

00:05:05,749 --> 00:05:03,600

right because really what it means you

155

00:05:08,950 --> 00:05:05,759

know is

156

00:05:10,950 --> 00:05:08,960

when they say the science is settled

157

00:05:12,550 --> 00:05:10,960

that that gets changed all the time

158

00:05:14,469 --> 00:05:12,560

we've seen that throughout history

159

00:05:16,390 --> 00:05:14,479

what what we believed was science at one

160

00:05:17,909 --> 00:05:16,400

point gets tested by someone else

161

00:05:18,629 --> 00:05:17,919

someone who thinks outside of the box

162

00:05:20,310 --> 00:05:18,639

generally

163

00:05:21,830 --> 00:05:20,320

and tests it a different way and we find

164

00:05:24,150 --> 00:05:21,840

out that we were wrong

165

00:05:24,870 --> 00:05:24,160

science is not it's not a definition of

166

00:05:28,230 --> 00:05:24,880

how things

167

00:05:31,990 --> 00:05:28,240

are it's uh it's it's a method mm-hmm

168

00:05:34,790 --> 00:05:32,000

yep absolutely megan what do you think

169

00:05:35,990 --> 00:05:34,800

um with these guys i have a bit i get i

170

00:05:39,510 --> 00:05:36,000

get a little bit

171

00:05:40,550 --> 00:05:39,520

so i'm probably going to skip until i'm

172

00:05:41,990 --> 00:05:40,560

ready to jump in

173

00:05:44,550 --> 00:05:42,000

you're good you're good i'm going to

174

00:05:45,670 --> 00:05:44,560

[h\_\_h] for now you're good um i think uh

175

00:05:47,270 --> 00:05:45,680

gosh i was listening to your whitley

176

00:05:48,230 --> 00:05:47,280

strieber episode and i think he said

177

00:05:49,590 --> 00:05:48,240

that we were way too

178

00:05:50,790 --> 00:05:49,600

early i wrote it down but we were way

179

00:05:51,670 --> 00:05:50,800

too early in our development as human

180

00:05:54,310 --> 00:05:51,680

beings

181

00:05:55,430 --> 00:05:54,320

to have beliefs we need to be finding

182

00:05:57,189 --> 00:05:55,440

the right questions right

183

00:05:58,469 --> 00:05:57,199

and i thought that was such a good good

184

00:06:01,830 --> 00:05:58,479

point yeah

185

00:06:03,189 --> 00:06:01,840

yeah well god i'm sorry no no i was just

186

00:06:05,990 --> 00:06:03,199

gonna say you know right now like

187

00:06:08,150 --> 00:06:06,000

there's kind of this whole uh

188

00:06:09,830 --> 00:06:08,160

like people call it like scientism right

189

00:06:11,670 --> 00:06:09,840

like it's like science has become like

190

00:06:12,150 --> 00:06:11,680

this religion that people believe in and

191

00:06:19,990 --> 00:06:12,160

they

192

00:06:22,150 --> 00:06:20,000

it's i don't know it's just ridiculous

193

00:06:23,990 --> 00:06:22,160

i guess is that is my point there right

194

00:06:26,230 --> 00:06:24,000

like i i

195

00:06:27,909 --> 00:06:26,240

it's the idea of science goes against

196

00:06:28,870 --> 00:06:27,919

the nature of believing in it to that

197

00:06:31,270 --> 00:06:28,880

extent right

198

00:06:32,629 --> 00:06:31,280

like yeah without questioning yeah

199

00:06:34,150 --> 00:06:32,639

absolutely

200

00:06:36,710 --> 00:06:34,160

you know i had a couple of things here

201  
00:06:38,390 --> 00:06:36,720  
that i i are interesting to me and my

202  
00:06:40,790 --> 00:06:38,400  
quirky way of looking at it

203  
00:06:42,629 --> 00:06:40,800  
one is that always it took me a while to

204  
00:06:44,790 --> 00:06:42,639  
really dig into this but this

205  
00:06:46,870 --> 00:06:44,800  
extraordinary claims require

206  
00:06:50,390 --> 00:06:46,880  
extraordinary proof

207  
00:06:52,710 --> 00:06:50,400  
is really counter to the idea of science

208  
00:06:55,029 --> 00:06:52,720  
if you really think about it because

209  
00:06:58,070 --> 00:06:55,039  
what science says

210  
00:07:01,189 --> 00:06:58,080  
is that we can't judge claims as

211  
00:07:02,230 --> 00:07:01,199  
extraordinary until we just have to run

212  
00:07:05,350 --> 00:07:02,240  
the test

213  
00:07:07,110 --> 00:07:05,360

everything the extraordinary biases it

214

00:07:08,629 --> 00:07:07,120

says that there's this meta knowledge

215

00:07:10,950 --> 00:07:08,639

above things that

216

00:07:12,390 --> 00:07:10,960

as as you were alluding to science is

217

00:07:15,110 --> 00:07:12,400

settled we already know

218

00:07:16,150 --> 00:07:15,120

science is known nothing's settled

219

00:07:18,870 --> 00:07:16,160

everything

220

00:07:19,990 --> 00:07:18,880

is extraordinary or not extraordinary it

221

00:07:22,710 --> 00:07:20,000

just has to be

222

00:07:24,629 --> 00:07:22,720

tested who would who would deem

223

00:07:25,270 --> 00:07:24,639

extraordinary proof to be extraordinary

224

00:07:26,830 --> 00:07:25,280

proof

225

00:07:28,550 --> 00:07:26,840

again when i started i was looking at

226

00:07:32,790 --> 00:07:28,560

parapsychology you know like

227

00:07:35,430 --> 00:07:32,800

esp or like one of my favorite guys

228

00:07:37,270 --> 00:07:35,440

rupert sheldrick dr rupert children from

229

00:07:39,749 --> 00:07:37,280

cambridge university

230

00:07:41,749 --> 00:07:39,759

who uh actually was nice enough to write

231

00:07:44,950 --> 00:07:41,759

the forward to my first book and he he

232

00:07:47,189 --> 00:07:44,960

wrote a book of his own called dogs that

233

00:07:50,150 --> 00:07:47,199

know when their owners are coming home

234

00:07:50,710 --> 00:07:50,160

have you ever heard of that book no it's

235

00:07:55,189 --> 00:07:50,720

a great

236

00:07:57,749 --> 00:07:55,199

buttoned down cambridge kind of guy

237

00:07:58,950 --> 00:07:57,759

but a biologist and a good biologist and

238

00:08:02,070 --> 00:07:58,960

he had observed

239

00:08:03,670 --> 00:08:02,080

reported that people were saying hey my

240

00:08:05,110 --> 00:08:03,680

dog

241

00:08:07,510 --> 00:08:05,120

seems to know when i'm coming home and

242

00:08:09,110 --> 00:08:07,520

my wife you know i'm the guy who drives

243

00:08:10,309 --> 00:08:09,120

a truck and he goes you know delivery

244

00:08:11,589 --> 00:08:10,319

truck he goes i come home at all

245

00:08:14,790 --> 00:08:11,599

different hours

246

00:08:15,189 --> 00:08:14,800

my wife says 15 minutes before i get

247

00:08:17,830 --> 00:08:15,199

home

248

00:08:18,469 --> 00:08:17,840

the dog can't hear it the dog's right

249

00:08:20,550 --> 00:08:18,479

there

250

00:08:21,830 --> 00:08:20,560

so sheldrick starts getting so many of

251  
00:08:24,309 --> 00:08:21,840  
these reports

252  
00:08:25,270 --> 00:08:24,319  
that he says i mean this is how science

253  
00:08:28,150 --> 00:08:25,280  
is done

254  
00:08:29,430 --> 00:08:28,160  
it starts with anecdotes it starts with

255  
00:08:31,110 --> 00:08:29,440  
observation

256  
00:08:32,949 --> 00:08:31,120  
and then they go in and do the testing

257  
00:08:34,389 --> 00:08:32,959  
so that's what sheldrick does and he

258  
00:08:36,550 --> 00:08:34,399  
found

259  
00:08:38,389 --> 00:08:36,560  
rather conclusive evidence that he put

260  
00:08:41,990 --> 00:08:38,399  
together and published in a pair of

261  
00:08:44,389 --> 00:08:42,000  
multiple peer-reviewed papers

262  
00:08:46,070 --> 00:08:44,399  
that these dogs did seem to have if you

263  
00:08:47,509 --> 00:08:46,080

really love your dog and your dog is

264

00:08:49,110 --> 00:08:47,519

super smart in that way

265

00:08:51,430 --> 00:08:49,120

sometimes your dog can know when you're

266

00:08:53,430 --> 00:08:51,440

coming home so

267

00:08:54,870 --> 00:08:53,440

and uh some of the debates we had on

268

00:08:57,350 --> 00:08:54,880

that long time ago

269

00:08:59,269 --> 00:08:57,360

was with some of his detractors and that

270

00:09:00,790 --> 00:08:59,279

was always their claim is that

271

00:09:03,190 --> 00:09:00,800

extraordinary claims require

272

00:09:04,389 --> 00:09:03,200

extraordinary proof and it suggests that

273

00:09:08,389 --> 00:09:04,399

science

274

00:09:11,750 --> 00:09:08,399

is just brutally

275

00:09:13,590 --> 00:09:11,760

chugging out it's opposit it's a

276

00:09:15,670 --> 00:09:13,600

it's a method like we're saying it's not

277

00:09:16,230 --> 00:09:15,680

a position statement science doesn't say

278

00:09:18,630 --> 00:09:16,240

anything

279

00:09:20,389 --> 00:09:18,640

science is just a toolbox but the other

280

00:09:22,230 --> 00:09:20,399

thing i think that we have a sense of

281

00:09:24,070 --> 00:09:22,240

that we all have a sense of

282

00:09:25,590 --> 00:09:24,080

is and you'll hear especially some

283

00:09:27,670 --> 00:09:25,600

people in our community

284

00:09:29,590 --> 00:09:27,680

say this and sometimes there's a truth

285

00:09:30,550 --> 00:09:29,600

to it but sometimes i think they pound

286

00:09:32,389 --> 00:09:30,560

on it too hard

287

00:09:33,910 --> 00:09:32,399

and that's that myth of progress you

288

00:09:36,550 --> 00:09:33,920

know

289

00:09:39,430 --> 00:09:36,560

we all understand that that freaking

290

00:09:40,710 --> 00:09:39,440

iphone hasn't necessarily made things

291

00:09:43,110 --> 00:09:40,720

better you know

292

00:09:44,949 --> 00:09:43,120

i mean iphone one was great iphone two

293

00:09:46,230 --> 00:09:44,959

and three was great but now we're at a

294

00:09:49,110 --> 00:09:46,240

point where like

295

00:09:49,590 --> 00:09:49,120

whoa is this really progress and then if

296

00:09:51,670 --> 00:09:49,600

you look at

297

00:09:53,430 --> 00:09:51,680

a.i you know artificial intelligence is

298

00:09:54,150 --> 00:09:53,440

strong ai and some of what that's

299

00:09:55,990 --> 00:09:54,160

bringing

300

00:09:57,910 --> 00:09:56,000

and we're going wow are you sure we

301  
00:09:58,550 --> 00:09:57,920  
don't need to tap the brakes on this a

302  
00:10:01,430 --> 00:09:58,560  
little bit

303  
00:10:03,590 --> 00:10:01,440  
yeah well i think we all have a sense of

304  
00:10:06,870 --> 00:10:03,600  
science has kind of diluted us

305  
00:10:09,430 --> 00:10:06,880  
into this myth of progress or this

306  
00:10:11,110 --> 00:10:09,440  
that progress might be coming at a on a

307  
00:10:11,750 --> 00:10:11,120  
different scale that we don't always

308  
00:10:13,190 --> 00:10:11,760  
measure

309  
00:10:15,030 --> 00:10:13,200  
and that's where ed you talk about

310  
00:10:18,230 --> 00:10:15,040  
scientism i think is

311  
00:10:21,590 --> 00:10:18,240  
is right on you know it's it becomes

312  
00:10:25,269 --> 00:10:21,600  
uh another religion absolutely certainly

313  
00:10:27,190 --> 00:10:25,279

absolutely consciousness consciousness

314

00:10:29,590 --> 00:10:27,200

yes you guys want to you guys want to

315

00:10:31,750 --> 00:10:29,600

read that one sure you want to do it

316

00:10:34,790 --> 00:10:31,760

or something okay uh you wanna do it ed

317

00:10:37,829 --> 00:10:34,800

sure consciousness check all that apply

318

00:10:39,670 --> 00:10:37,839

one yes i'm in here it's the only thing

319

00:10:42,790 --> 00:10:39,680

we know for sure

320

00:10:45,110 --> 00:10:42,800

two mind is an epi

321

00:10:46,470 --> 00:10:45,120

epic phenomenon epic phenomenon of brain

322

00:10:49,030 --> 00:10:46,480

activity

323

00:10:50,550 --> 00:10:49,040

three consciousness is an illusion

324

00:10:53,190 --> 00:10:50,560

daniel dennett

325

00:10:55,190 --> 00:10:53,200

four consciousness is probably nothing

326

00:10:58,310 --> 00:10:55,200

neil degrasse tyson

327

00:11:02,150 --> 00:10:58,320

five a social construct sam harris

328

00:11:04,230 --> 00:11:02,160

seven did i skip six there's no numbers

329

00:11:06,310 --> 00:11:04,240

yeah if god is dead the only

330

00:11:08,949 --> 00:11:06,320

philosophical question is suicide

331

00:11:10,550 --> 00:11:08,959

albert camus consciousness is

332

00:11:13,829 --> 00:11:10,560

fundamental

333

00:11:15,990 --> 00:11:13,839

we are in consciousness do you mean the

334

00:11:17,350 --> 00:11:16,000

hard problem of consciousness

335

00:11:19,190 --> 00:11:17,360

do you mean the easy problem of

336

00:11:21,030 --> 00:11:19,200

consciousness interesting

337

00:11:22,870 --> 00:11:21,040

now yeah that's something more is that

338

00:11:24,949 --> 00:11:22,880

all of them yeah that's all

339

00:11:26,550 --> 00:11:24,959

let me uh let me go first on this one

340

00:11:27,430 --> 00:11:26,560

because this is kind of this is kind of

341

00:11:29,190 --> 00:11:27,440

my thing

342

00:11:30,470 --> 00:11:29,200

totally this is this is awesome because

343

00:11:31,670 --> 00:11:30,480

this is something i really was hoping to

344

00:11:32,630 --> 00:11:31,680

get into with you a little bit because

345

00:11:33,750 --> 00:11:32,640

it's kind of i love

346

00:11:35,590 --> 00:11:33,760

i've done a lot of looking into like the

347

00:11:36,630 --> 00:11:35,600

artificial intelligence and like you

348

00:11:38,230 --> 00:11:36,640

know all the different

349

00:11:39,110 --> 00:11:38,240

containment problems and all that easy

350

00:11:40,470 --> 00:11:39,120

problem heart problems so this is

351  
00:11:41,670 --> 00:11:40,480  
something that really fascinates me too

352  
00:11:42,949 --> 00:11:41,680  
and how it relates to consciousness so

353  
00:11:44,069 --> 00:11:42,959  
i'm really excited to get into that with

354  
00:11:47,350 --> 00:11:44,079  
you

355  
00:11:49,509 --> 00:11:47,360  
so uh consciousness is kind of a a

356  
00:11:50,949 --> 00:11:49,519  
nerdy way of saying that voice inside

357  
00:11:54,389 --> 00:11:50,959  
our head right

358  
00:11:56,629 --> 00:11:54,399  
but it turns out to be kind of the

359  
00:11:58,790 --> 00:11:56,639  
fundamental question

360  
00:11:59,990 --> 00:11:58,800  
in all this stuff when we're talking

361  
00:12:02,150 --> 00:12:00,000  
about scientism

362  
00:12:05,509 --> 00:12:02,160  
and we're talking about this idea that

363  
00:12:07,430 --> 00:12:05,519

you know science can answer everything

364

00:12:09,110 --> 00:12:07,440

the roadblock really comes down to

365

00:12:12,710 --> 00:12:09,120

consciousness and this question

366

00:12:15,670 --> 00:12:12,720

of whether you are

367

00:12:17,750 --> 00:12:15,680

just a product of your brain or whether

368

00:12:21,990 --> 00:12:17,760

you are something more

369

00:12:25,350 --> 00:12:22,000

and uh what science this is like

370

00:12:28,629 --> 00:12:25,360

guys you know i i this is what

371

00:12:30,230 --> 00:12:28,639

made me a conspiracy guy i started out

372

00:12:33,590 --> 00:12:30,240

just looking at science

373

00:12:34,629 --> 00:12:33,600

and when i realized that how they've

374

00:12:37,269 --> 00:12:34,639

perpetrated this

375

00:12:37,990 --> 00:12:37,279

[h\_\_\h] lie that gets told to our kids

376

00:12:39,990 --> 00:12:38,000

when we take them to

377

00:12:41,910 --> 00:12:40,000

school and they go you're nothing you're

378

00:12:43,430 --> 00:12:41,920

really a biological robot in a

379

00:12:45,190 --> 00:12:43,440

meaningless universe

380

00:12:47,030 --> 00:12:45,200

you your life doesn't really have any

381

00:12:48,790 --> 00:12:47,040

meaning yes you love your mom and your

382

00:12:51,030 --> 00:12:48,800

dad but it's not real love it's just

383

00:12:53,030 --> 00:12:51,040

kind of a social construct

384

00:12:54,310 --> 00:12:53,040

what they're really doing is dividing

385

00:12:56,069 --> 00:12:54,320

you from their spirit from your

386

00:12:57,990 --> 00:12:56,079

spirituality but they're

387

00:13:01,030 --> 00:12:58,000

layering it on top with this whole thing

388

00:13:01,670 --> 00:13:01,040

that says no this is proven facts and it

389

00:13:04,710 --> 00:13:01,680

is

390

00:13:06,470 --> 00:13:04,720

because you are an epiphenomenon of

391

00:13:07,829 --> 00:13:06,480

brain activity so i use really fancy

392

00:13:08,870 --> 00:13:07,839

words like that so you're like oh yeah

393

00:13:09,829 --> 00:13:08,880

they really must know what they're

394

00:13:13,750 --> 00:13:09,839

talking about

395

00:13:17,269 --> 00:13:13,760

and the thing is that every scientific

396

00:13:19,990 --> 00:13:17,279

experiment we've ever done since the old

397

00:13:21,269 --> 00:13:20,000

double slit experiment way back in the

398

00:13:23,509 --> 00:13:21,279

day which is really

399

00:13:24,710 --> 00:13:23,519

a consciousness experiment that's what

400

00:13:27,829 --> 00:13:24,720

that is

401

00:13:31,110 --> 00:13:27,839

has verified over and over again that

402

00:13:33,590 --> 00:13:31,120

consciousness is real that consciousness

403

00:13:34,389 --> 00:13:33,600

is not an illusion kneel neil degrasse

404

00:13:36,629 --> 00:13:34,399

tyson you know

405

00:13:38,389 --> 00:13:36,639

the kind of main spokesman for science

406

00:13:41,189 --> 00:13:38,399

as we know it

407

00:13:42,949 --> 00:13:41,199

consciousness is probably nothing this

408

00:13:46,389 --> 00:13:42,959

is like one of the most stupid

409

00:13:49,110 --> 00:13:46,399

absurd things that anyone would ever say

410

00:13:50,230 --> 00:13:49,120

yeah there isn't a culture on the world

411

00:13:52,150 --> 00:13:50,240

at this time or in

412

00:13:53,590 --> 00:13:52,160

any time frame we can look at that would

413

00:13:55,590 --> 00:13:53,600

believe this that ever

414

00:13:56,790 --> 00:13:55,600

they would roll on the ground laughing

415

00:13:59,910 --> 00:13:56,800

if you said that there's

416

00:14:00,550 --> 00:13:59,920

there's nothing to to everything that we

417

00:14:02,870 --> 00:14:00,560

are

418

00:14:03,910 --> 00:14:02,880

and you know even philosophically

419

00:14:06,790 --> 00:14:03,920

philosophers

420

00:14:07,189 --> 00:14:06,800

all through the ages have pointed out

421

00:14:11,350 --> 00:14:07,199

that

422

00:14:16,069 --> 00:14:11,360

know

423

00:14:18,870 --> 00:14:16,079

if you guys are robots

424

00:14:19,829 --> 00:14:18,880

you could be maybe you're a could be

425

00:14:22,389 --> 00:14:19,839

absolutely

426

00:14:23,590 --> 00:14:22,399

the only thing i can know is that i'm in

427

00:14:27,030 --> 00:14:23,600

here

428

00:14:27,750 --> 00:14:27,040

so the fact that these nitwits who were

429

00:14:31,110 --> 00:14:27,760

putting up

430

00:14:33,670 --> 00:14:31,120

on the highest altar of science

431

00:14:35,030 --> 00:14:33,680

are perpetrating this like i spent five

432

00:14:37,110 --> 00:14:35,040

years just being

433

00:14:38,069 --> 00:14:37,120

angry and pounding on all those

434

00:14:40,949 --> 00:14:38,079

atheistic

435

00:14:44,389 --> 00:14:40,959

scientists in their in their babble

436

00:14:47,189 --> 00:14:44,399

until i realized

437

00:14:48,710 --> 00:14:47,199

the reason they're doing it is part of

438

00:14:51,750 --> 00:14:48,720

the conspiracy

439

00:14:53,750 --> 00:14:51,760

it's because if i'm going to control you

440

00:14:55,430 --> 00:14:53,760

if megan i'm going to tell you how to

441

00:14:57,750 --> 00:14:55,440

run your family and

442

00:14:58,550 --> 00:14:57,760

you know your kids and your husband all

443

00:15:01,389 --> 00:14:58,560

that stuff

444

00:15:02,629 --> 00:15:01,399

do i want you thinking you're a

445

00:15:06,230 --> 00:15:02,639

magnificent

446

00:15:08,470 --> 00:15:06,240

endless being uh of

447

00:15:10,470 --> 00:15:08,480

of possibility or do i want you to think

448

00:15:12,870 --> 00:15:10,480

you're a meaningless robot

449

00:15:13,670 --> 00:15:12,880

in a in a meaningless world and you

450

00:15:15,670 --> 00:15:13,680

really have

451

00:15:17,509 --> 00:15:15,680

there's really nothing to you you were

452

00:15:18,470 --> 00:15:17,519

just created by whatever is going on in

453

00:15:20,470 --> 00:15:18,480

your head

454

00:15:22,230 --> 00:15:20,480

i want the nothingness stuff if i'm in

455

00:15:24,949 --> 00:15:22,240

the control game

456

00:15:26,470 --> 00:15:24,959

so anyways guys that's my uh that's my

457

00:15:28,389 --> 00:15:26,480

wow

458

00:15:29,350 --> 00:15:28,399

that's such a great point like if yeah

459

00:15:30,629 --> 00:15:29,360

you if you're gonna control the

460

00:15:32,150 --> 00:15:30,639

narrative at that level so that's why

461

00:15:33,749 --> 00:15:32,160

you know the neil degrasse tysons get

462

00:15:35,350 --> 00:15:33,759

propped up you know i when i first

463

00:15:36,470 --> 00:15:35,360

started getting into podcasts like just

464

00:15:37,509 --> 00:15:36,480

as a consumer

465

00:15:39,509 --> 00:15:37,519

you know one of the ones i stumbled

466

00:15:40,790 --> 00:15:39,519

across across was sam harris and i like

467

00:15:41,749 --> 00:15:40,800

i like the things he was saying quite a

468

00:15:43,829 --> 00:15:41,759

bit you know what i mean

469

00:15:45,829 --> 00:15:43,839

right um you know but but his view like

470

00:15:47,509 --> 00:15:45,839

like not like no free will like we don't

471

00:15:48,790 --> 00:15:47,519

have free will like all that stuff it's

472

00:15:49,350 --> 00:15:48,800

like wait a minute hold on like it was

473

00:15:51,990 --> 00:15:49,360

kind of

474

00:15:53,189 --> 00:15:52,000

confounding you know i have to give him

475

00:15:54,069 --> 00:15:53,199

credit though that's what he turned me

476

00:15:57,509 --> 00:15:54,079

on to uh

477

00:15:58,150 --> 00:15:57,519

author named max tegmark um from i think

478

00:16:00,470 --> 00:15:58,160

mit

479

00:16:01,749 --> 00:16:00,480

uh who wrote a book called life 3.0 have

480

00:16:03,030 --> 00:16:01,759

you ever read that or heard of it

481

00:16:04,389 --> 00:16:03,040

i've heard of it but i know i haven't

482

00:16:06,230 --> 00:16:04,399

read it what'd you take out of that

483

00:16:09,110 --> 00:16:06,240

great it's so amazing like it just it

484

00:16:10,629 --> 00:16:09,120

starts off as like just a kind of a

485

00:16:12,949 --> 00:16:10,639

fictional account of like what would

486

00:16:14,550 --> 00:16:12,959

have like a scenario as if ai like our

487

00:16:15,590 --> 00:16:14,560

actual you know general ai were to come

488

00:16:17,430 --> 00:16:15,600

online

489

00:16:19,110 --> 00:16:17,440

um and it's fascinating and it just like

490

00:16:19,430 --> 00:16:19,120

lives in the in the machines for a long

491

00:16:21,670 --> 00:16:19,440

time

492

00:16:23,189 --> 00:16:21,680

doesn't reveal itself and like amasses

493

00:16:25,189 --> 00:16:23,199

its own wealth and then

494

00:16:26,710 --> 00:16:25,199

it's crazy like it's a super but then it

495

00:16:27,590 --> 00:16:26,720

just the whole book goes on to describe

496

00:16:28,949 --> 00:16:27,600

just

497

00:16:30,949 --> 00:16:28,959

all kinds of different scenarios and

498

00:16:32,310 --> 00:16:30,959

possibilities and philosophical dilemmas

499

00:16:34,470 --> 00:16:32,320

you know like like

500

00:16:35,749 --> 00:16:34,480

um the containment problem the alignment

501  
00:16:35,990 --> 00:16:35,759  
problem and all these things and it's

502  
00:16:37,829 --> 00:16:36,000  
just

503  
00:16:39,189 --> 00:16:37,839  
like whoa so it's a great book i thought

504  
00:16:41,670 --> 00:16:39,199  
it was fascinating but

505  
00:16:43,189 --> 00:16:41,680  
um you know i don't know and that's just

506  
00:16:45,189 --> 00:16:43,199  
such a that's i mean that's the core of

507  
00:16:46,629 --> 00:16:45,199  
that question there it's like

508  
00:16:48,629 --> 00:16:46,639  
i mean the hard problem being like if we

509  
00:16:49,670 --> 00:16:48,639  
can figure out like the biological

510  
00:16:51,269 --> 00:16:49,680  
physiological things

511  
00:16:52,389 --> 00:16:51,279  
in our brains that create consciousness

512  
00:16:53,269 --> 00:16:52,399  
right am i right isn't that kind of what

513  
00:16:55,189 --> 00:16:53,279

it is

514

00:16:57,189 --> 00:16:55,199

like like uh like like what is the

515

00:16:58,790 --> 00:16:57,199

physiological components of our brain

516

00:17:00,790 --> 00:16:58,800

that create consciousness if we can

517

00:17:03,829 --> 00:17:00,800

replicate that theoretically we could

518

00:17:05,029 --> 00:17:03,839

artificially create it but i don't know

519

00:17:07,429 --> 00:17:05,039

so yeah i think a lot of that's

520

00:17:08,870 --> 00:17:07,439

transhumanism [h\_\_h] that they've spun

521

00:17:10,390 --> 00:17:08,880

into something that's it's very

522

00:17:11,590 --> 00:17:10,400

interesting and it's not that there

523

00:17:13,909 --> 00:17:11,600

aren't real

524

00:17:15,350 --> 00:17:13,919

real questions there and good ideas but

525

00:17:16,789 --> 00:17:15,360

i mean i always think the hard problem

526

00:17:19,590 --> 00:17:16,799

of consciousness is so

527

00:17:20,069 --> 00:17:19,600

interesting because it's another trap

528

00:17:22,230 --> 00:17:20,079

like

529

00:17:24,549 --> 00:17:22,240

the hard conscious of pro the hard

530

00:17:28,309 --> 00:17:24,559

problem of consciousness has been

531

00:17:31,350 --> 00:17:28,319

that okay we understand how memory works

532

00:17:34,789 --> 00:17:31,360

we understand how perception works but

533

00:17:35,430 --> 00:17:34,799

how do you know how the the smell of a

534

00:17:38,390 --> 00:17:35,440

rose

535

00:17:39,190 --> 00:17:38,400

you know how do you you know store that

536

00:17:41,510 --> 00:17:39,200

or or

537

00:17:42,950 --> 00:17:41,520

love you know a heart problem and the

538

00:17:45,350 --> 00:17:42,960

problem with that is

539

00:17:46,789 --> 00:17:45,360

we don't know how memory works all the

540

00:17:48,150 --> 00:17:46,799

things that they say are the easy

541

00:17:51,270 --> 00:17:48,160

problems of consciousness

542

00:17:52,789 --> 00:17:51,280

we have no we have no idea you know and

543

00:17:54,150 --> 00:17:52,799

i shouldn't say we have no idea but

544

00:17:56,230 --> 00:17:54,160

the further we get into it the further

545

00:17:58,310 --> 00:17:56,240

we realize we don't you know and jumping

546

00:17:59,110 --> 00:17:58,320

off into kind of another topic but like

547

00:18:01,909 --> 00:17:59,120

if you look at

548

00:18:02,549 --> 00:18:01,919

theogens hallucinogens you know like

549

00:18:04,310 --> 00:18:02,559

really

550

00:18:05,590 --> 00:18:04,320

famous experiment was done just a few

551  
00:18:08,630 --> 00:18:05,600  
years ago in the uk

552  
00:18:11,029 --> 00:18:08,640  
by this guy named dr david nutt really

553  
00:18:13,430 --> 00:18:11,039  
one of highly kind of a weird name but

554  
00:18:15,190 --> 00:18:13,440  
the most highly regarded guys in the uk

555  
00:18:16,870 --> 00:18:15,200  
and they took these people they gave

556  
00:18:17,110 --> 00:18:16,880  
them psilocybin and they put them under

557  
00:18:22,630 --> 00:18:17,120  
an

558  
00:18:24,390 --> 00:18:22,640  
you're gonna see that brain light up

559  
00:18:26,830 --> 00:18:24,400  
like a christmas tree now because

560  
00:18:28,390 --> 00:18:26,840  
they're having this incredible trip

561  
00:18:31,110 --> 00:18:28,400  
right no

562  
00:18:33,029 --> 00:18:31,120  
it's the opposite the brain quiets down

563  
00:18:35,270 --> 00:18:33,039

in the fmri

564

00:18:36,789 --> 00:18:35,280

what it supports is this idea that a lot

565

00:18:38,150 --> 00:18:36,799

of people have said from a lot for a

566

00:18:42,630 --> 00:18:38,160

long time is

567

00:18:46,310 --> 00:18:42,640

your brain is the inhibitor

568

00:18:47,190 --> 00:18:46,320

the kind of valve that keeps the

569

00:18:49,270 --> 00:18:47,200

consciousness

570

00:18:50,549 --> 00:18:49,280

out because if you really opened

571

00:18:52,789 --> 00:18:50,559

yourself up

572

00:18:54,310 --> 00:18:52,799

like some people do when they have a

573

00:18:56,470 --> 00:18:54,320

near-death experience

574

00:18:58,630 --> 00:18:56,480

or they have a a spiritually

575

00:19:01,430 --> 00:18:58,640

transformative experience or they trip

576

00:19:02,549 --> 00:19:01,440

out you know it's an expanded

577

00:19:04,549 --> 00:19:02,559

consciousness

578

00:19:05,750 --> 00:19:04,559

so your brain is not creating it it's

579

00:19:07,430 --> 00:19:05,760

just

580

00:19:09,029 --> 00:19:07,440

limiting it down to a way that you

581

00:19:10,950 --> 00:19:09,039

that's that would be one of the

582

00:19:14,950 --> 00:19:10,960

conclusions you might come to

583

00:19:16,710 --> 00:19:14,960

from the from that so yeah

584

00:19:18,150 --> 00:19:16,720

wow that's a good way to think of it

585

00:19:19,990 --> 00:19:18,160

yeah and i

586

00:19:21,590 --> 00:19:20,000

yeah i've liked everything you guys have

587

00:19:23,510 --> 00:19:21,600

said on this topic but uh

588

00:19:25,590 --> 00:19:23,520

you know i think coming at it from a

589

00:19:28,870 --> 00:19:25,600

little bit different of an angle just

590

00:19:32,150 --> 00:19:28,880

i mean i feel like myself

591

00:19:32,549 --> 00:19:32,160

i came from a place where i i wasn't

592

00:19:36,150 --> 00:19:32,559

ever

593

00:19:41,669 --> 00:19:39,510

you know you can't understand it so uh

594

00:19:42,950 --> 00:19:41,679

um what's the point what's the point

595

00:19:44,870 --> 00:19:42,960

kind of deal but

596

00:19:46,390 --> 00:19:44,880

i think more as i've gotten into this

597

00:19:47,990 --> 00:19:46,400

movement and i've looked at things you

598

00:19:48,789 --> 00:19:48,000

know like i think kind of what you said

599

00:19:50,870 --> 00:19:48,799

it's just like this

600

00:19:52,150 --> 00:19:50,880

this thinking that way has been used to

601  
00:19:54,150 --> 00:19:52,160  
control us but i think

602  
00:19:56,390 --> 00:19:54,160  
like as i've opened my mind up and i've

603  
00:19:58,470 --> 00:19:56,400  
seen how big the lies i've been told are

604  
00:20:00,390 --> 00:19:58,480  
like it's just expanded and i've noticed

605  
00:20:02,549 --> 00:20:00,400  
more things and the spirituality like

606  
00:20:03,750 --> 00:20:02,559  
i feel like in in my life right now like

607  
00:20:06,470 --> 00:20:03,760  
i'm just looking around

608  
00:20:07,590 --> 00:20:06,480  
i feel like i'm running like i'm on this

609  
00:20:09,590 --> 00:20:07,600  
this journey

610  
00:20:11,350 --> 00:20:09,600  
and i keep running into these people

611  
00:20:13,669 --> 00:20:11,360  
that i i feel like

612  
00:20:15,669 --> 00:20:13,679  
people i've maybe seen in another life

613  
00:20:17,510 --> 00:20:15,679

or just like i've seen deja vu

614

00:20:18,710 --> 00:20:17,520

like now that my mind's open to like

615

00:20:20,390 --> 00:20:18,720

these things being possible

616

00:20:21,990 --> 00:20:20,400

possible like i feel like i'm seeing

617

00:20:24,549 --> 00:20:22,000

that all over the place right like

618

00:20:26,230 --> 00:20:24,559

like and i'm uh so i believe there's

619

00:20:28,149 --> 00:20:26,240

there's just something more we we

620

00:20:29,990 --> 00:20:28,159

and maybe we can't explain it and it's

621

00:20:30,470 --> 00:20:30,000

just and that's that's just got to be

622

00:20:32,390 --> 00:20:30,480

okay

623

00:20:34,230 --> 00:20:32,400

right you know when you bring up like

624

00:20:36,870 --> 00:20:34,240

the the um

625

00:20:38,390 --> 00:20:36,880

the hallucinogens too like and i i have

626

00:20:42,149 --> 00:20:38,400

this one experience right

627

00:20:46,390 --> 00:20:42,159

it's like my one like experience that

628

00:20:47,510 --> 00:20:46,400

i i knew for a fact happened but i could

629

00:20:50,710 --> 00:20:47,520

never explain it

630

00:20:53,750 --> 00:20:50,720

i was uh i was i went out and

631

00:20:55,270 --> 00:20:53,760

did some lsd with a bunch of people we

632

00:20:58,310 --> 00:20:55,280

were out in the woods

633

00:21:00,070 --> 00:20:58,320

and uh just at the peak of this thing

634

00:21:01,990 --> 00:21:00,080

just it was the middle of the summer and

635

00:21:05,110 --> 00:21:02,000

this just huge storm came over us

636

00:21:07,350 --> 00:21:05,120

and it just poured rain on us and i knew

637

00:21:08,470 --> 00:21:07,360

at that moment that the energy that we

638

00:21:10,870 --> 00:21:08,480

were creating

639

00:21:12,470 --> 00:21:10,880

it was tied to that like these these

640

00:21:13,990 --> 00:21:12,480

these things were connected right

641

00:21:15,590 --> 00:21:14,000

and i've never been able to explain it

642

00:21:18,630 --> 00:21:15,600

but i like i know there's more

643

00:21:20,310 --> 00:21:18,640

than than we understand and and i'm

644

00:21:21,990 --> 00:21:20,320

and like like i said we've been lied to

645

00:21:23,430 --> 00:21:22,000

at a level that you know i think they

646

00:21:23,990 --> 00:21:23,440

don't want us to understand that and i'm

647

00:21:26,390 --> 00:21:24,000

not saying

648

00:21:27,350 --> 00:21:26,400

that they have it figured out but at the

649

00:21:29,430 --> 00:21:27,360

same time

650

00:21:30,549 --> 00:21:29,440

i'm open you know and i'm open to see

651  
00:21:31,990 --> 00:21:30,559  
these coincidences

652  
00:21:33,669 --> 00:21:32,000  
and recognize them at this point you

653  
00:21:35,750 --> 00:21:33,679  
know

654  
00:21:37,350 --> 00:21:35,760  
totally well i fully think that we're

655  
00:21:39,190 --> 00:21:37,360  
consciousness or

656  
00:21:40,470 --> 00:21:39,200  
spiritual beings however anyone wants to

657  
00:21:43,590 --> 00:21:40,480  
look at that inside of

658  
00:21:45,430 --> 00:21:43,600  
meat suits and i think that um

659  
00:21:47,029 --> 00:21:45,440  
everything that that we've seen

660  
00:21:47,750 --> 00:21:47,039  
throughout the history of the world has

661  
00:21:49,350 --> 00:21:47,760  
been

662  
00:21:50,870 --> 00:21:49,360  
you know the powers that be trying to

663  
00:21:52,310 --> 00:21:50,880

corrupt and pervert us from the

664

00:21:53,990 --> 00:21:52,320

knowledge of that you know the hardening

665

00:21:55,590 --> 00:21:54,000

of our pineal glands and

666

00:21:56,870 --> 00:21:55,600

you know trying to keep us distracted

667

00:21:58,470 --> 00:21:56,880

with low vibrational energy you know

668

00:22:00,950 --> 00:21:58,480

alcohol drugs you know

669

00:22:01,830 --> 00:22:00,960

you know sex one partner after the next

670

00:22:03,350 --> 00:22:01,840

after the next you know there's

671

00:22:05,110 --> 00:22:03,360

pornography everywhere you look and it's

672

00:22:06,870 --> 00:22:05,120

just to keep us distracted and and

673

00:22:07,669 --> 00:22:06,880

thinking that that is the higher way to

674

00:22:10,470 --> 00:22:07,679

go

675

00:22:11,590 --> 00:22:10,480

because it's like you say if human

676  
00:22:14,070 --> 00:22:11,600  
beings really

677  
00:22:14,950 --> 00:22:14,080  
became aware of what we are in the

678  
00:22:17,750 --> 00:22:14,960  
implications of

679  
00:22:19,270 --> 00:22:17,760  
what that is it turns everything on its

680  
00:22:20,470 --> 00:22:19,280  
head and they certainly don't want i

681  
00:22:21,750 --> 00:22:20,480  
mean when you go down the conspiracy

682  
00:22:24,710 --> 00:22:21,760  
rabbit holes

683  
00:22:27,029 --> 00:22:24,720  
to me this is clear evidence of them

684  
00:22:28,470 --> 00:22:27,039  
constantly turning humanity from the

685  
00:22:30,149 --> 00:22:28,480  
things that would be

686  
00:22:31,830 --> 00:22:30,159  
um their higher selves their higher

687  
00:22:33,190 --> 00:22:31,840  
purpose you know the ability to tap into

688  
00:22:35,029 --> 00:22:33,200

our own consciousness

689

00:22:36,789 --> 00:22:35,039

you know i break it down even for like

690

00:22:39,190 --> 00:22:36,799

you know divine masculine divine

691

00:22:42,230 --> 00:22:39,200

feminine you know the things that we do

692

00:22:44,789 --> 00:22:42,240

to um utilize and bloom in

693

00:22:46,710 --> 00:22:44,799

in the gifts of the suits that we have

694

00:22:49,110 --> 00:22:46,720

based on the consciousness

695

00:22:50,549 --> 00:22:49,120

that we are um and it puts uh it puts

696

00:22:53,510 --> 00:22:50,559

that consciousness into

697

00:22:55,270 --> 00:22:53,520

a physical place for us to be able to

698

00:22:55,590 --> 00:22:55,280

you know thrive and interact with others

699

00:22:58,789 --> 00:22:55,600

so

700

00:22:59,190 --> 00:22:58,799

i mean really really shortly i guess

701  
00:23:02,789 --> 00:22:59,200  
that's

702  
00:23:05,350 --> 00:23:02,799  
believe well said well said

703  
00:23:05,909 --> 00:23:05,360  
absolutely you know i got i got a bunch

704  
00:23:07,350 --> 00:23:05,919  
of

705  
00:23:08,470 --> 00:23:07,360  
thoughts that spring to mind there but

706  
00:23:09,830 --> 00:23:08,480  
i'm going to hold up because i think

707  
00:23:13,830 --> 00:23:09,840  
we're going to get there

708  
00:23:16,070 --> 00:23:13,840  
the same the same way so uh

709  
00:23:17,750 --> 00:23:16,080  
okay megan you want to read the next one

710  
00:23:18,070 --> 00:23:17,760  
oh geez well i don't have my glasses on

711  
00:23:20,789 --> 00:23:18,080  
and

712  
00:23:21,510 --> 00:23:20,799  
oh okay okay sometimes when i have to

713  
00:23:22,870 --> 00:23:21,520

read after do

714

00:23:25,029 --> 00:23:22,880

like the little old lady splint and i

715

00:23:27,190 --> 00:23:25,039

don't like anyone to see me doing that

716

00:23:29,190 --> 00:23:27,200

stuff i'm gonna ask somebody else to

717

00:23:32,549 --> 00:23:29,200

read only because i'm very squinty

718

00:23:32,789 --> 00:23:32,559

go ahead okay scott you're gonna go for

719

00:23:36,230 --> 00:23:32,799

it

720

00:23:38,630 --> 00:23:36,240

skepticism skepticism

721

00:23:39,909 --> 00:23:38,640

check all that apply so skepticism is a

722

00:23:42,310 --> 00:23:39,919

part of science

723

00:23:44,470 --> 00:23:42,320

skepticism implies meta knowledge and

724

00:23:46,710 --> 00:23:44,480

his counter to science

725

00:23:48,549 --> 00:23:46,720

uh skepticism don't be so open-minded

726

00:23:51,830 --> 00:23:48,559

that your head falls out

727

00:23:52,230 --> 00:23:51,840

uh inquiry to perpetuate doubt is a good

728

00:23:56,070 --> 00:23:52,240

thing

729

00:23:59,269 --> 00:23:56,080

and don't be a chump or other or other

730

00:24:00,230 --> 00:23:59,279

for others anyone anyone want to take a

731

00:24:02,549 --> 00:24:00,240

stab at that

732

00:24:04,789 --> 00:24:02,559

yeah i mean i skepticism i i like

733

00:24:07,110 --> 00:24:04,799

skepticism is a part of science

734

00:24:08,710 --> 00:24:07,120

that's for me like i think um i mean

735

00:24:09,430 --> 00:24:08,720

when i think of the scientific method

736

00:24:11,029 --> 00:24:09,440

you know you're

737

00:24:12,710 --> 00:24:11,039

you're putting out your hypothesis then

738

00:24:14,070 --> 00:24:12,720

you're trying to disprove it really

739

00:24:15,909 --> 00:24:14,080

like that's that's the idea of what

740

00:24:16,470 --> 00:24:15,919

you're trying to do so i think you know

741

00:24:18,870 --> 00:24:16,480

uh

742

00:24:20,310 --> 00:24:18,880

any science whether it's it's been

743

00:24:21,510 --> 00:24:20,320

proven or whatnot you know we should

744

00:24:23,350 --> 00:24:21,520

always be skeptical

745

00:24:24,950 --> 00:24:23,360

because it is like i said earlier i i

746

00:24:26,470 --> 00:24:24,960

think it's these out of the outside of

747

00:24:28,149 --> 00:24:26,480

the box thinkers that come

748

00:24:30,310 --> 00:24:28,159

come up with ideas that change

749

00:24:33,350 --> 00:24:30,320

everything right and an advanced

750

00:24:34,230 --> 00:24:33,360

technology or whatever it is so that's

751  
00:24:36,230 --> 00:24:34,240  
my opinion

752  
00:24:37,590 --> 00:24:36,240  
totally i like the one don't be so

753  
00:24:39,350 --> 00:24:37,600  
open-minded that your head falls out you

754  
00:24:42,470 --> 00:24:39,360  
know i i think that's great

755  
00:24:44,230 --> 00:24:42,480  
sunday school right yeah i love i love

756  
00:24:45,830 --> 00:24:44,240  
being open-minded and like these days

757  
00:24:46,630 --> 00:24:45,840  
like ed was just saying man like i'm

758  
00:24:49,190 --> 00:24:46,640  
pretty much

759  
00:24:49,669 --> 00:24:49,200  
open to anything man like these you know

760  
00:24:52,070 --> 00:24:49,679  
this

761  
00:24:52,870 --> 00:24:52,080  
so many doors have been opened and i've

762  
00:24:54,230 --> 00:24:52,880  
questioned

763  
00:24:55,350 --> 00:24:54,240

so many things and found completely

764

00:24:56,789 --> 00:24:55,360

different answers than what i guess i

765

00:24:58,230 --> 00:24:56,799

was originally told and so you know i

766

00:25:00,310 --> 00:24:58,240

mean i have to i have to i mean that's

767

00:25:01,990 --> 00:25:00,320

part of this curiosity that keeps us

768

00:25:02,470 --> 00:25:02,000

going is is the open-mindedness piece of

769

00:25:05,590 --> 00:25:02,480

it

770

00:25:07,669 --> 00:25:05,600

science you know you have to have that

771

00:25:09,269 --> 00:25:07,679

um implies meta knowledge and it's

772

00:25:10,149 --> 00:25:09,279

counter to science i guess i don't know

773

00:25:11,190 --> 00:25:10,159

i'm not sure

774

00:25:13,190 --> 00:25:11,200

i guess i don't know i would need

775

00:25:15,269 --> 00:25:13,200

clarification what do you mean by that

776

00:25:15,750 --> 00:25:15,279

one see that that's where i was kind of

777

00:25:17,190 --> 00:25:15,760

that's

778

00:25:18,789 --> 00:25:17,200

kind of leading you these electrical

779

00:25:22,549 --> 00:25:18,799

questions yeah

780

00:25:24,470 --> 00:25:22,559

yeah

781

00:25:26,230 --> 00:25:24,480

so one of the things i learned along the

782

00:25:29,190 --> 00:25:26,240

way is that

783

00:25:30,789 --> 00:25:29,200

the the skeptical people they've owned

784

00:25:32,630 --> 00:25:30,799

that they've taken that word

785

00:25:33,990 --> 00:25:32,640

and they've convinced us that it's a

786

00:25:37,350 --> 00:25:34,000

part of science

787

00:25:40,549 --> 00:25:37,360

mean let's say

788

00:25:43,990 --> 00:25:40,559

you're a really good scientist and

789

00:25:46,710 --> 00:25:44,000

you think vaccines cause

790

00:25:47,909 --> 00:25:46,720

harm to children right that's what you

791

00:25:50,870 --> 00:25:47,919

think

792

00:25:51,990 --> 00:25:50,880

do you have to be skeptical of that no

793

00:25:55,029 --> 00:25:52,000

you just have to run

794

00:25:58,149 --> 00:25:55,039

really really good randomized control

795

00:25:59,909 --> 00:25:58,159

trials over and over again and then you

796

00:26:01,590 --> 00:25:59,919

have to replicate them and then you have

797

00:26:03,669 --> 00:26:01,600

to get other people to replicate them

798

00:26:05,190 --> 00:26:03,679

and you have to be fair and honest about

799

00:26:07,029 --> 00:26:05,200

interpreting your results

800

00:26:09,029 --> 00:26:07,039

you don't have to be skeptical you can

801  
00:26:10,310 --> 00:26:09,039  
be a cheerleader you can be a hater it

802  
00:26:13,510 --> 00:26:10,320  
doesn't matter

803  
00:26:16,870 --> 00:26:13,520  
the good science the method it all

804  
00:26:18,789 --> 00:26:16,880  
should wash out this idea that they've

805  
00:26:19,029 --> 00:26:18,799  
planted that you've got to be skeptical

806  
00:26:22,070 --> 00:26:19,039  
and

807  
00:26:25,350 --> 00:26:22,080  
you're

808  
00:26:29,190 --> 00:26:25,360  
[h\_\_\h] good science fixes all of that

809  
00:26:32,630 --> 00:26:31,110  
anyways that's my take well what i kind

810  
00:26:35,190 --> 00:26:32,640  
of took that to mean is that like okay

811  
00:26:37,909 --> 00:26:35,200  
so if i see something that maybe

812  
00:26:39,510 --> 00:26:37,919  
i doesn't ring true to me like the

813  
00:26:41,029 --> 00:26:39,520

skepticism of what brings me to the

814

00:26:42,390 --> 00:26:41,039

scientific method to begin with right

815

00:26:44,470 --> 00:26:42,400

the skepticism of maybe

816

00:26:47,430 --> 00:26:44,480

maybe the earth isn't flat maybe i need

817

00:26:49,269 --> 00:26:47,440

to do some studies you know

818

00:26:52,710 --> 00:26:49,279

i guess the point i'm making is what

819

00:26:54,789 --> 00:26:52,720

they've kind of tried to tell us is that

820

00:26:55,750 --> 00:26:54,799

you know they're going to decide it's

821

00:26:56,870 --> 00:26:55,760

kind of like related to the

822

00:26:57,990 --> 00:26:56,880

extraordinary claims of cry

823

00:26:59,750 --> 00:26:58,000

extraordinary proof

824

00:27:01,110 --> 00:26:59,760

they're going to tell us what the

825

00:27:03,029 --> 00:27:01,120

extraordinary claims are they're going

826

00:27:06,070 --> 00:27:03,039

to say no no no that's extraordinary

827

00:27:08,870 --> 00:27:06,080

you need a new level to prove that no

828

00:27:09,830 --> 00:27:08,880

science just says no everyone's on the

829

00:27:11,750 --> 00:27:09,840

same level

830

00:27:13,590 --> 00:27:11,760

you have to do good work you have to

831

00:27:15,029 --> 00:27:13,600

achieve with statistical you have to

832

00:27:17,350 --> 00:27:15,039

achieve this statistical

833

00:27:18,950 --> 00:27:17,360

significance you have to do peer review

834

00:27:20,230 --> 00:27:18,960

because peer review isn't perfect but

835

00:27:21,909 --> 00:27:20,240

peer review matters

836

00:27:23,269 --> 00:27:21,919

i interviewed the skeptic michael

837

00:27:24,950 --> 00:27:23,279

shermer and he tried to tell me

838

00:27:26,549 --> 00:27:24,960

peer review is a red herring because he

839

00:27:27,190 --> 00:27:26,559

didn't like the near-death experience

840

00:27:29,269 --> 00:27:27,200

research

841

00:27:31,350 --> 00:27:29,279

that consistently shows that

842

00:27:32,630 --> 00:27:31,360

consciousness survives bodily death

843

00:27:34,389 --> 00:27:32,640

so what does a skeptic do when he

844

00:27:36,310 --> 00:27:34,399

doesn't like the data he says oh

845

00:27:37,830 --> 00:27:36,320

well peer review is a red herring

846

00:27:39,029 --> 00:27:37,840

extraordinary claims require

847

00:27:40,870 --> 00:27:39,039

extraordinary proof

848

00:27:42,389 --> 00:27:40,880

and the same thing they say hey you want

849

00:27:44,230 --> 00:27:42,399

me to be skeptical don't you

850

00:27:45,990 --> 00:27:44,240

i said no it doesn't matter you want to

851  
00:27:48,630 --> 00:27:46,000  
be the biggest cheerleader

852  
00:27:49,269 --> 00:27:48,640  
in the world for flat earth i don't care

853  
00:27:52,230 --> 00:27:49,279  
prove it

854  
00:27:53,990 --> 00:27:52,240  
you want to be a flatter denier you

855  
00:27:54,549 --> 00:27:54,000  
still have to prove it one way or

856  
00:27:56,710 --> 00:27:54,559  
another

857  
00:27:58,710 --> 00:27:56,720  
it's it's not about this idea that you

858  
00:28:01,269 --> 00:27:58,720  
have to be skeptical per se

859  
00:28:03,430 --> 00:28:01,279  
you just have to do good science yeah

860  
00:28:05,190 --> 00:28:03,440  
yeah and maybe i just i would expand on

861  
00:28:07,750 --> 00:28:05,200  
that though that um

862  
00:28:09,269 --> 00:28:07,760  
i think there's a lot of uh i don't know

863  
00:28:10,549 --> 00:28:09,279

if bad science is the

864

00:28:13,430 --> 00:28:10,559

way of putting it but there's a lot of

865

00:28:15,590 --> 00:28:13,440

science that's been uh directed

866

00:28:17,669 --> 00:28:15,600

that we're looking at totally right the

867

00:28:19,909 --> 00:28:17,679

vaccine example you know i mean i mean

868

00:28:22,149 --> 00:28:19,919

go try to get a study of uh aluminum and

869

00:28:24,230 --> 00:28:22,159

vaccines right now go get one

870

00:28:25,669 --> 00:28:24,240

can't get it done right so there are a

871

00:28:26,710 --> 00:28:25,679

couple guys that are they're working on

872

00:28:29,269 --> 00:28:26,720

this stuff but they're

873

00:28:30,389 --> 00:28:29,279

very niche uh you know on the edges and

874

00:28:31,909 --> 00:28:30,399

not have to get

875

00:28:33,430 --> 00:28:31,919

funding they're not getting it from the

876

00:28:35,669 --> 00:28:33,440

normal sources right so don't be

877

00:28:37,350 --> 00:28:35,679

surprised if they end up dead dude yeah

878

00:28:38,630 --> 00:28:37,360

well absolutely that's that's true too

879

00:28:38,950 --> 00:28:38,640

you know there's a whole history of that

880

00:28:42,470 --> 00:28:38,960

but

881

00:28:44,070 --> 00:28:42,480

i mean i i guess if i'm gonna drive this

882

00:28:48,310 --> 00:28:44,080

point into the ground ed

883

00:28:52,149 --> 00:28:48,320

i'd say you know what do they say about

884

00:28:54,230 --> 00:28:52,159

quote unquote the anti-vaxxers they say

885

00:28:56,230 --> 00:28:54,240

you should be skeptical of that you

886

00:28:58,230 --> 00:28:56,240

should be very skeptical of that

887

00:29:00,230 --> 00:28:58,240

and they tie it to this idea that well

888

00:29:01,510 --> 00:29:00,240

that's an extraordinary idea you know

889

00:29:04,549 --> 00:29:01,520

it's an extraordinary idea

890

00:29:07,029 --> 00:29:04,559

it it requires extraordinary proof

891

00:29:07,750 --> 00:29:07,039

and and i think what you're saying and

892

00:29:09,430 --> 00:29:07,760

i've just heard

893

00:29:10,950 --> 00:29:09,440

a couple of your shows but i heard like

894

00:29:11,510 --> 00:29:10,960

one of the studies you brought forward

895

00:29:13,750 --> 00:29:11,520

and you've got

896

00:29:15,510 --> 00:29:13,760

look the guy goes through a study he's

897

00:29:17,029 --> 00:29:15,520

followed all the right procedures

898

00:29:18,870 --> 00:29:17,039

he's published in a peer-reviewed

899

00:29:19,430 --> 00:29:18,880

journal and they're still shooting it

900

00:29:21,750 --> 00:29:19,440

down

901  
00:29:23,350 --> 00:29:21,760  
see that's kind of to my point they're

902  
00:29:24,389 --> 00:29:23,360  
telling you well you have to be

903  
00:29:26,710 --> 00:29:24,399  
skeptical

904  
00:29:28,070 --> 00:29:26,720  
and we've got to say no we just have to

905  
00:29:30,549 --> 00:29:28,080  
be scientific sure

906  
00:29:31,269 --> 00:29:30,559  
and if it's good science it stands on

907  
00:29:32,950 --> 00:29:31,279  
its own

908  
00:29:34,389 --> 00:29:32,960  
and then we look at some of the junk

909  
00:29:35,830 --> 00:29:34,399  
science that's been done

910  
00:29:37,669 --> 00:29:35,840  
and we have to be able to pull that

911  
00:29:41,269 --> 00:29:37,679  
apart too and say you know what

912  
00:29:42,149 --> 00:29:41,279  
that science fails because of this this

913  
00:29:45,029 --> 00:29:42,159

and this

914

00:29:45,590 --> 00:29:45,039

but and not that science is the answer

915

00:29:48,549 --> 00:29:45,600

because it's

916

00:29:49,669 --> 00:29:48,559

obviously not but we're going we're

917

00:29:52,870 --> 00:29:49,679

going to need

918

00:29:53,990 --> 00:29:52,880

good science going forward because where

919

00:29:58,149 --> 00:29:54,000

they've taken it

920

00:29:59,350 --> 00:29:58,159

is next freaking level in terms of

921

00:30:01,350 --> 00:29:59,360

you know i'm just putting together a

922

00:30:04,870 --> 00:30:01,360

show on on masks

923

00:30:07,430 --> 00:30:04,880

yeah you know and i i i mean i just

924

00:30:08,549 --> 00:30:07,440

i can't resist just doing two minutes on

925

00:30:11,750 --> 00:30:08,559

that but yeah

926  
00:30:12,230 --> 00:30:11,760  
the two minutes would be you know

927  
00:30:15,830 --> 00:30:12,240  
they've

928  
00:30:17,110 --> 00:30:15,840  
looked at masks as whether or not

929  
00:30:20,310 --> 00:30:17,120  
they're effective

930  
00:30:22,070 --> 00:30:20,320  
in stopping the spread of influenza

931  
00:30:24,950 --> 00:30:22,080  
covid you know covet we had that

932  
00:30:25,510 --> 00:30:24,960  
years for years now you know sars and

933  
00:30:27,190 --> 00:30:25,520  
all that

934  
00:30:29,029 --> 00:30:27,200  
they've looked at it they've done the

935  
00:30:31,029 --> 00:30:29,039  
studies they did the studies in

936  
00:30:33,510 --> 00:30:31,039  
hospitals they did good studies

937  
00:30:34,470 --> 00:30:33,520  
randomized controlled trials and what

938  
00:30:37,830 --> 00:30:34,480

they found

939

00:30:39,750 --> 00:30:37,840

over and over again was that it doesn't

940

00:30:40,710 --> 00:30:39,760

really make a difference if you wear a

941

00:30:43,029 --> 00:30:40,720

mask or not

942

00:30:43,830 --> 00:30:43,039

now and then you know i was pointing out

943

00:30:45,590 --> 00:30:43,840

people was like

944

00:30:47,269 --> 00:30:45,600

well how could that be like doesn't a

945

00:30:48,870 --> 00:30:47,279

mask stop you it's like

946

00:30:50,789 --> 00:30:48,880

hey when you were four years old your

947

00:30:51,590 --> 00:30:50,799

mom told you cover your mouth when you

948

00:30:53,430 --> 00:30:51,600

cough

949

00:30:55,750 --> 00:30:53,440

that was good that was good advice you

950

00:30:57,509 --> 00:30:55,760

know if you're sick and you go to cough

951  
00:31:00,149 --> 00:30:57,519  
or sneeze cover your mouth you don't

952  
00:31:00,950 --> 00:31:00,159  
spread it but that doesn't answer the

953  
00:31:03,269 --> 00:31:00,960  
question

954  
00:31:04,230 --> 00:31:03,279  
of whether it's good health policy for

955  
00:31:06,630 --> 00:31:04,240  
the whole public

956  
00:31:07,430 --> 00:31:06,640  
because here's one possibility right

957  
00:31:09,669 --> 00:31:07,440  
maybe

958  
00:31:11,029 --> 00:31:09,679  
most people when they're sick they

959  
00:31:13,669 --> 00:31:11,039  
already cover their mouth

960  
00:31:15,430 --> 00:31:13,679  
so maybe masks aren't necessary i'm not

961  
00:31:19,029 --> 00:31:15,440  
saying that's true don't get me wrong

962  
00:31:21,590 --> 00:31:19,039  
i'm just saying what science would say

963  
00:31:22,230 --> 00:31:21,600

is that you have a real question there

964

00:31:27,190 --> 00:31:22,240

that

965

00:31:28,870 --> 00:31:27,200

can stop the little droplets coming out

966

00:31:29,990 --> 00:31:28,880

of your head anyone can understand that

967

00:31:33,190 --> 00:31:30,000

in five minutes

968

00:31:35,430 --> 00:31:33,200

but the larger question is are they uh

969

00:31:36,870 --> 00:31:35,440

are they effective health policy for the

970

00:31:39,990 --> 00:31:36,880

general population

971

00:31:42,149 --> 00:31:40,000

we have to do the science and here's the

972

00:31:44,470 --> 00:31:42,159

point i'll leave you with without going

973

00:31:45,590 --> 00:31:44,480

spending a half hour on it they already

974

00:31:48,870 --> 00:31:45,600

did the research

975

00:31:52,310 --> 00:31:48,880

in two years ago no one wore masks when

976  
00:31:53,669 --> 00:31:52,320  
sars came out it wasn't mandated why not

977  
00:31:55,590 --> 00:31:53,679  
because they had already done the work

978  
00:31:57,590 --> 00:31:55,600  
and they knew it so what

979  
00:31:58,870 --> 00:31:57,600  
changed and that's what i'd asked people

980  
00:32:00,870 --> 00:31:58,880  
i'll just leave it at that and i'd say

981  
00:32:02,789 --> 00:32:00,880  
what changed and like

982  
00:32:04,149 --> 00:32:02,799  
what would have to change what would

983  
00:32:07,110 --> 00:32:04,159  
have to change

984  
00:32:08,149 --> 00:32:07,120  
for science to reverse that position and

985  
00:32:11,190 --> 00:32:08,159  
then go look at it

986  
00:32:14,630 --> 00:32:11,200  
were there a bunch of new well done

987  
00:32:17,750 --> 00:32:14,640  
randomized controlled trials that showed

988  
00:32:20,070 --> 00:32:17,760

that maybe cloven 19 is different

989

00:32:21,750 --> 00:32:20,080

or showed that hey that prior research

990

00:32:25,029 --> 00:32:21,760

was wrong and it really is

991

00:32:27,909 --> 00:32:25,039

what what i think if someone

992

00:32:29,669 --> 00:32:27,919

really looks into the masks it

993

00:32:32,870 --> 00:32:29,679

understands the science

994

00:32:33,590 --> 00:32:32,880

and the science method you under you

995

00:32:36,630 --> 00:32:33,600

reveal the

996

00:32:38,789 --> 00:32:36,640

pandemic and wasn't there uh

997

00:32:40,310 --> 00:32:38,799

there was a study i i somewhere over i

998

00:32:41,750 --> 00:32:40,320

think in like norway or someone

999

00:32:44,230 --> 00:32:41,760

somewhere like that where they

1000

00:32:44,950 --> 00:32:44,240

they did find the uh there was a

1001

00:32:51,669 --> 00:32:44,960

negligible

1002

00:32:54,149 --> 00:32:51,679

a study and but it was something like

1003

00:32:55,430 --> 00:32:54,159

you know you're at a point one two

1004

00:32:57,430 --> 00:32:55,440

percent chance

1005

00:32:59,029 --> 00:32:57,440

less of contracting it if you had the

1006

00:33:00,870 --> 00:32:59,039

mask on it was like it was it was

1007

00:33:03,029 --> 00:33:00,880

considered negligible so there

1008

00:33:04,310 --> 00:33:03,039

there is some science that's even more

1009

00:33:05,269 --> 00:33:04,320

recent that they've done on that

1010

00:33:07,190 --> 00:33:05,279

specific issue

1011

00:33:08,950 --> 00:33:07,200

but what i was bringing to the point is

1012

00:33:09,269 --> 00:33:08,960

i know we're kind of doing an overall

1013

00:33:11,990 --> 00:33:09,279

thing

1014

00:33:13,029 --> 00:33:12,000

on this but specifically to this point

1015

00:33:15,430 --> 00:33:13,039

what i want to see is

1016

00:33:16,230 --> 00:33:15,440

what are the negative effects of wearing

1017

00:33:18,149 --> 00:33:16,240

a mask for

1018

00:33:19,509 --> 00:33:18,159

for this long like that's the science we

1019

00:33:21,509 --> 00:33:19,519

should be and you know i mean i always

1020

00:33:23,029 --> 00:33:21,519

come back to the vaccines too i mean

1021

00:33:25,190 --> 00:33:23,039

because that's kind of where i came into

1022

00:33:27,830 --> 00:33:25,200

this is what the cdc

1023

00:33:30,070 --> 00:33:27,840

is sitting on so much data why don't we

1024

00:33:31,750 --> 00:33:30,080

have a vax versus unvax why don't they

1025

00:33:32,630 --> 00:33:31,760

just look through the data they already

1026

00:33:34,549 --> 00:33:32,640

have

1027

00:33:36,149 --> 00:33:34,559

like like let's go let's look at that

1028

00:33:38,070 --> 00:33:36,159

and just

1029

00:33:39,430 --> 00:33:38,080

answer this question for for final you

1030

00:33:41,669 --> 00:33:39,440

you could do it

1031

00:33:42,630 --> 00:33:41,679

it's it's the data's there i know it

1032

00:33:45,110 --> 00:33:42,640

yeah

1033

00:33:46,549 --> 00:33:45,120

i think the mass were the master were i

1034

00:33:47,110 --> 00:33:46,559

mean the studies too that nobody talks

1035

00:33:49,269 --> 00:33:47,120

about

1036

00:33:50,549 --> 00:33:49,279

is the the psychological damage behind

1037

00:33:52,470 --> 00:33:50,559

the mass and i think

1038

00:33:54,149 --> 00:33:52,480

and we say all the time that those masks

1039

00:33:55,750 --> 00:33:54,159

are the visual representation of this

1040

00:33:57,830 --> 00:33:55,760

virus so that's another reason why they

1041

00:33:59,190 --> 00:33:57,840

have to enforce it so so hard you can't

1042

00:34:00,789 --> 00:33:59,200

have one or two or ten people in a

1043

00:34:01,990 --> 00:34:00,799

community not wearing it because it lets

1044

00:34:03,350 --> 00:34:02,000

other people know that hey

1045

00:34:05,509 --> 00:34:03,360

they're still alive and thriving and

1046

00:34:06,789 --> 00:34:05,519

they're okay so maybe i'll be okay too

1047

00:34:08,149 --> 00:34:06,799

and it starts people thinking for

1048

00:34:08,710 --> 00:34:08,159

themselves and they simply can't have

1049

00:34:12,710 --> 00:34:08,720

that

1050

00:34:14,629 --> 00:34:12,720

when people start getting into it with

1051

00:34:15,510 --> 00:34:14,639

me about like the droplets and like you

1052

00:34:17,349 --> 00:34:15,520

know look i can

1053

00:34:19,270 --> 00:34:17,359

you know blow look i put carbon carbon

1054

00:34:21,430 --> 00:34:19,280

dioxide for my kids all that yes i'm on

1055

00:34:23,510 --> 00:34:21,440

board with all that i get that part

1056

00:34:25,349 --> 00:34:23,520

but what about the real part which is

1057

00:34:27,430 --> 00:34:25,359

you know the mind screw

1058

00:34:29,349 --> 00:34:27,440

was the whole point behind all of it

1059

00:34:31,510 --> 00:34:29,359

because without those masks there is no

1060

00:34:33,990 --> 00:34:31,520

pandemic there is no covid

1061

00:34:36,389 --> 00:34:34,000

everyone just goes on about their lives

1062

00:34:38,950 --> 00:34:36,399

and so to me that's the glaring

1063

00:34:39,829 --> 00:34:38,960

report that's missing and and all of the

1064

00:34:41,750 --> 00:34:39,839

data that they

1065

00:34:43,510 --> 00:34:41,760

you know bury and suppress it has to do

1066

00:34:44,950 --> 00:34:43,520

with the real loss of life

1067

00:34:46,790 --> 00:34:44,960

because of this that they've done

1068

00:34:49,349 --> 00:34:46,800

shutting down people and

1069

00:34:50,950 --> 00:34:49,359

uh you know just the psychological

1070

00:34:52,790 --> 00:34:50,960

damage anyway sorry i get i'll get

1071

00:34:54,470 --> 00:34:52,800

carried away on that but that's

1072

00:34:56,310 --> 00:34:54,480

that's the part that resonates most

1073

00:34:57,589 --> 00:34:56,320

deeply with me and as soon as they

1074

00:34:59,030 --> 00:34:57,599

started that crap that's

1075

00:35:00,470 --> 00:34:59,040

the first thing that i thought is that

1076  
00:35:02,069 --> 00:35:00,480  
they need to have us be in compliance

1077  
00:35:03,829 --> 00:35:02,079  
they need to have us visually be afraid

1078  
00:35:05,670 --> 00:35:03,839  
all the time they need to have us you

1079  
00:35:07,030 --> 00:35:05,680  
know looking at who's the enemy who's

1080  
00:35:07,829 --> 00:35:07,040  
the neighbor that's not where who's

1081  
00:35:11,109 --> 00:35:07,839  
unsafe

1082  
00:35:11,349 --> 00:35:11,119  
know safe to be around me and mine you

1083  
00:35:12,710 --> 00:35:11,359  
know

1084  
00:35:14,550 --> 00:35:12,720  
the whole thing was just like this

1085  
00:35:16,710 --> 00:35:14,560  
little psyop this little war

1086  
00:35:17,589 --> 00:35:16,720  
that they started among you know the

1087  
00:35:20,870 --> 00:35:17,599  
people of the world

1088  
00:35:24,390 --> 00:35:20,880

really absolutely i agree with you

1089

00:35:26,150 --> 00:35:24,400

and uh i i think it's super powerful

1090

00:35:27,990 --> 00:35:26,160

what you're saying and it i think it all

1091

00:35:30,150 --> 00:35:28,000

of us it just kind of

1092

00:35:32,630 --> 00:35:30,160

tightens up your gut because it's very

1093

00:35:35,670 --> 00:35:32,640

dark it is very very dark

1094

00:35:39,109 --> 00:35:35,680

what i'm trying to to kind of

1095

00:35:40,470 --> 00:35:39,119

put forth is

1096

00:35:41,910 --> 00:35:40,480

kind of from what i've done kind of

1097

00:35:44,470 --> 00:35:41,920

coming from the science world and

1098

00:35:46,310 --> 00:35:44,480

talking to so many of these scientists

1099

00:35:47,589 --> 00:35:46,320

there's a way to construct these

1100

00:35:50,630 --> 00:35:47,599

arguments

1101

00:35:53,430 --> 00:35:50,640

that these guys are very very good at

1102

00:35:54,310 --> 00:35:53,440

that can and we've seen it happen they

1103

00:35:57,349 --> 00:35:54,320

can

1104

00:36:01,109 --> 00:35:57,359

totally pull the debate and

1105

00:36:02,790 --> 00:36:01,119

pull us into you know these dark alleys

1106

00:36:04,550 --> 00:36:02,800

where no one winds up and we'll end up

1107

00:36:07,670 --> 00:36:04,560

talking about flat earth kind of stuff

1108

00:36:10,150 --> 00:36:07,680

i think that's part of the plan too so

1109

00:36:11,109 --> 00:36:10,160

i'm down with what you're saying i'm

1110

00:36:13,510 --> 00:36:11,119

just offering

1111

00:36:14,310 --> 00:36:13,520

another way of looking at this that i'm

1112

00:36:16,550 --> 00:36:14,320

not assure

1113

00:36:17,829 --> 00:36:16,560

a lot of people and it's not like i got

1114

00:36:20,069 --> 00:36:17,839

this you know it's like

1115

00:36:21,670 --> 00:36:20,079

i could i can't i should bring up the

1116

00:36:25,109 --> 00:36:21,680

guy who kind of really

1117

00:36:27,190 --> 00:36:25,119

uh turned me on to this but but i i

1118

00:36:28,710 --> 00:36:27,200

would go back and say

1119

00:36:30,470 --> 00:36:28,720

from a scientific because i think you

1120

00:36:31,750 --> 00:36:30,480

can hold people's feet on to the fire on

1121

00:36:34,790 --> 00:36:31,760

this really simply

1122

00:36:36,950 --> 00:36:34,800

say we didn't wear the masks before

1123

00:36:37,990 --> 00:36:36,960

because they had done the work and they

1124

00:36:40,069 --> 00:36:38,000

had proven

1125

00:36:42,790 --> 00:36:40,079

that they weren't effective they weren't

1126

00:36:45,829 --> 00:36:42,800

neces they didn't have a big result

1127

00:36:46,790 --> 00:36:45,839

what changed and then put hold someone's

1128

00:36:48,630 --> 00:36:46,800

feet to the fire

1129

00:36:50,069 --> 00:36:48,640

and say where are the really good

1130

00:36:52,630 --> 00:36:50,079

studies because

1131

00:36:53,510 --> 00:36:52,640

all the things you're saying like hey we

1132

00:36:56,069 --> 00:36:53,520

know

1133

00:36:57,510 --> 00:36:56,079

that there's some risks in wearing masks

1134

00:37:00,390 --> 00:36:57,520

all the time we haven't even

1135

00:37:02,310 --> 00:37:00,400

calculated that we have physical risks

1136

00:37:05,030 --> 00:37:02,320

psychological risks like you're saying

1137

00:37:06,870 --> 00:37:05,040

so without even factoring those in what

1138

00:37:09,270 --> 00:37:06,880

was the science

1139

00:37:11,190 --> 00:37:09,280

that caused us to make that big shift

1140

00:37:13,190 --> 00:37:11,200

and hold somebody's feet to the fire

1141

00:37:14,790 --> 00:37:13,200

and make them say okay it's like a

1142

00:37:15,109 --> 00:37:14,800

vaccine thing it is like the vaccine

1143

00:37:17,510 --> 00:37:15,119

thing

1144

00:37:18,150 --> 00:37:17,520

show me show me the science and they

1145

00:37:20,390 --> 00:37:18,160

can't

1146

00:37:21,670 --> 00:37:20,400

show you the freaking science because it

1147

00:37:23,430 --> 00:37:21,680

doesn't exist

1148

00:37:25,510 --> 00:37:23,440

and especially when they came out in

1149

00:37:28,870 --> 00:37:25,520

march and said mask up there was

1150

00:37:32,390 --> 00:37:28,880

no science anywhere

1151  
00:37:33,190 --> 00:37:32,400  
that would compare to the meta-analysis

1152  
00:37:35,109 --> 00:37:33,200  
that had been

1153  
00:37:36,550 --> 00:37:35,119  
done the multiple studies and the

1154  
00:37:39,430 --> 00:37:36,560  
meta-analysis that had been

1155  
00:37:40,150 --> 00:37:39,440  
done prior and you can that's one where

1156  
00:37:42,470 --> 00:37:40,160  
you can

1157  
00:37:43,750 --> 00:37:42,480  
score a mark and hold somebody's feet to

1158  
00:37:45,109 --> 00:37:43,760  
the fire and say yeah you know well we

1159  
00:37:48,310 --> 00:37:45,119  
didn't have the mass right now

1160  
00:37:50,230 --> 00:37:48,320  
where is the science for that uh uh

1161  
00:37:51,990 --> 00:37:50,240  
yeah but don't masks work it's like yeah

1162  
00:37:53,349 --> 00:37:52,000  
sure okay masks work but

1163  
00:37:55,510 --> 00:37:53,359

where's the science because we didn't

1164

00:37:57,510 --> 00:37:55,520

use one why do we need them now

1165

00:37:58,870 --> 00:37:57,520

anyway no that's just true man we're

1166

00:38:00,310 --> 00:37:58,880

very very you get lost on this one

1167

00:38:02,150 --> 00:38:00,320

forever just our you know our friend

1168

00:38:03,990 --> 00:38:02,160

our friend ricky berandus ripple effect

1169

00:38:05,750 --> 00:38:04,000

podcast just had david dr david

1170

00:38:07,030 --> 00:38:05,760

martin on the other night you know the

1171

00:38:08,710 --> 00:38:07,040

guy from the pandemic movie and he was

1172

00:38:10,470 --> 00:38:08,720

like he's like putting it out there just

1173

00:38:11,829 --> 00:38:10,480

as a challenge saying like you know i'm

1174

00:38:13,349 --> 00:38:11,839

putting my credibility online

1175

00:38:14,790 --> 00:38:13,359

anybody anybody fact checkers want to

1176

00:38:16,150 --> 00:38:14,800

come up and debate me on this issue like

1177

00:38:17,829 --> 00:38:16,160

there's not a single

1178

00:38:19,670 --> 00:38:17,839

study that that proves you know viral

1179

00:38:21,430 --> 00:38:19,680

transmission from one person to another

1180

00:38:22,950 --> 00:38:21,440

with me you know like there's no study

1181

00:38:23,990 --> 00:38:22,960

it doesn't exist and i'll go toe-to-toe

1182

00:38:25,109 --> 00:38:24,000

with anybody in the world

1183

00:38:27,270 --> 00:38:25,119

bring it and it's like all right cool

1184

00:38:29,430 --> 00:38:27,280

hell yeah so come right on

1185

00:38:30,829 --> 00:38:29,440

yeah anyway so you're right yeah that's

1186

00:38:34,150 --> 00:38:30,839

that's encouraging

1187

00:38:37,190 --> 00:38:34,160

spirituality whoa

1188

00:38:40,630 --> 00:38:37,200

wait you're up all right spirituality

1189

00:38:41,670 --> 00:38:40,640

check all that apply yes who am i why am

1190

00:38:44,069 --> 00:38:41,680

i here

1191

00:38:45,270 --> 00:38:44,079

no i am a biological robot in a

1192

00:38:48,310 --> 00:38:45,280

meaningless universe

1193

00:38:52,349 --> 00:38:48,320

deal with it maybe i'm agnostic

1194

00:38:55,750 --> 00:38:52,359

no really i'm really really agnostic

1195

00:38:58,950 --> 00:38:55,760

idkidc i don't know i don't care

1196

00:39:02,069 --> 00:38:58,960

okay it only matters if you believe it

1197

00:39:04,470 --> 00:39:02,079

that's not a question evidence suggests

1198

00:39:05,190 --> 00:39:04,480

extended realms of non of consciousness

1199

00:39:08,550 --> 00:39:05,200

exist and

1200

00:39:09,910 --> 00:39:08,560

interact with us or other or other

1201  
00:39:11,670 --> 00:39:09,920  
yeah i would say people listening if you

1202  
00:39:13,190 --> 00:39:11,680  
guys have any others for any of these

1203  
00:39:15,030 --> 00:39:13,200  
like throw them down in the comments i'd

1204  
00:39:18,230 --> 00:39:15,040  
love to see them that's cool

1205  
00:39:21,270 --> 00:39:18,240  
um yeah what do you think oh i

1206  
00:39:22,950 --> 00:39:21,280  
i'm again i mean i'll just jump right in

1207  
00:39:24,790 --> 00:39:22,960  
and say you know especially

1208  
00:39:25,990 --> 00:39:24,800  
because i came from a spot where i was i

1209  
00:39:28,230 --> 00:39:26,000  
was almost leaning

1210  
00:39:30,390 --> 00:39:28,240  
atheist i feel like i i came out of like

1211  
00:39:31,750 --> 00:39:30,400  
being the brainwashed side right like i

1212  
00:39:33,829 --> 00:39:31,760  
feel like i

1213  
00:39:36,550 --> 00:39:33,839

i ate right into what i was fed for a

1214

00:39:38,790 --> 00:39:36,560

long time right and like

1215

00:39:39,910 --> 00:39:38,800

at this point like yeah i just 100

1216

00:39:42,790 --> 00:39:39,920

believe in spirituality

1217

00:39:44,150 --> 00:39:42,800

i think it's it's there it's real i'm

1218

00:39:47,430 --> 00:39:44,160

trying to come in

1219

00:39:48,630 --> 00:39:47,440

contact with it however i possibly can i

1220

00:39:51,910 --> 00:39:48,640

don't really um

1221

00:39:52,470 --> 00:39:51,920

necessarily understand it but um there's

1222

00:39:54,550 --> 00:39:52,480

there is

1223

00:39:55,670 --> 00:39:54,560

things greater than us happening and we

1224

00:39:57,349 --> 00:39:55,680

are just uh

1225

00:39:59,510 --> 00:39:57,359

like like i said i look at it we're on a

1226

00:40:02,470 --> 00:39:59,520

journey man like try to notice

1227

00:40:04,470 --> 00:40:02,480

the things that uh along your own the

1228

00:40:06,150 --> 00:40:04,480

the things that um

1229

00:40:07,990 --> 00:40:06,160

the coincidences that aren't maybe

1230

00:40:10,309 --> 00:40:08,000

coincidences right

1231

00:40:11,670 --> 00:40:10,319

yeah 100 i think i think you just nailed

1232

00:40:12,950 --> 00:40:11,680

it like if i were to say other like what

1233

00:40:14,390 --> 00:40:12,960

you were saying too what initially

1234

00:40:15,990 --> 00:40:14,400

initially came to my mind was the

1235

00:40:17,829 --> 00:40:16,000

the journey part like it's a journey and

1236

00:40:19,670 --> 00:40:17,839

it can mean anything for anybody

1237

00:40:21,270 --> 00:40:19,680

you know like like my interpretation of

1238

00:40:22,710 --> 00:40:21,280

it is probably different than

1239

00:40:24,470 --> 00:40:22,720

everybody else's and that's that's the

1240

00:40:26,150 --> 00:40:24,480

beautiful part about it you know

1241

00:40:27,190 --> 00:40:26,160

i get to have my version of it and

1242

00:40:28,390 --> 00:40:27,200

everybody else gets to have their

1243

00:40:30,390 --> 00:40:28,400

version of it too

1244

00:40:31,910 --> 00:40:30,400

um i think that's really important part

1245

00:40:32,390 --> 00:40:31,920

but um like i know i know you were

1246

00:40:33,829 --> 00:40:32,400

saying

1247

00:40:35,589 --> 00:40:33,839

alex that like you know the question of

1248

00:40:37,589 --> 00:40:35,599

yes who am i why am i here

1249

00:40:38,710 --> 00:40:37,599

is like the the the penultimate question

1250

00:40:41,910 --> 00:40:38,720

right like that's that's

1251

00:40:44,950 --> 00:40:41,920

the big the big one there um uh

1252

00:40:46,550 --> 00:40:44,960

yeah i i think that it's it's to me i

1253

00:40:48,069 --> 00:40:46,560

don't even want to put it in a box i

1254

00:40:49,670 --> 00:40:48,079

don't like to define it or label it

1255

00:40:51,270 --> 00:40:49,680

because if i do that i'm limiting it i

1256

00:40:52,870 --> 00:40:51,280

like it to just be something that i

1257

00:40:53,990 --> 00:40:52,880

can't even comprehend because if i could

1258

00:40:55,670 --> 00:40:54,000

comprehend it

1259

00:40:57,589 --> 00:40:55,680

then that would make me some kind of god

1260

00:40:59,270 --> 00:40:57,599

and i don't want to be that and so

1261

00:41:00,630 --> 00:40:59,280

like i just like to leave it open you

1262

00:41:03,990 --> 00:41:00,640

know but yes

1263

00:41:04,950 --> 00:41:04,000

just without any sort of constraints i

1264

00:41:08,230 --> 00:41:04,960

guess yeah

1265

00:41:10,790 --> 00:41:08,240

just just stay open that's it i

1266

00:41:12,950 --> 00:41:10,800

say yes uh for sure yeah i mean

1267

00:41:14,630 --> 00:41:12,960

spirituality yeah i mean i don't

1268

00:41:16,550 --> 00:41:14,640

i think it's not a question but i think

1269

00:41:18,150 --> 00:41:16,560

that kind of goes back to

1270

00:41:19,270 --> 00:41:18,160

one of the earlier questions where it's

1271

00:41:19,990 --> 00:41:19,280

you know whether or not we've been

1272

00:41:23,270 --> 00:41:20,000

corrupted against

1273

00:41:25,190 --> 00:41:23,280

ourselves and we're not able to access

1274

00:41:26,550 --> 00:41:25,200

or tap into or be

1275

00:41:28,069 --> 00:41:26,560

aware of it i mean i think a lot of the

1276

00:41:29,829 --> 00:41:28,079

things that people shut themselves up

1277

00:41:30,950 --> 00:41:29,839

about those inner voices or those inner

1278

00:41:32,550 --> 00:41:30,960

dialogues or

1279

00:41:34,550 --> 00:41:32,560

those gut feelings the hair on the back

1280

00:41:36,710 --> 00:41:34,560

your neck we could go off on a million

1281

00:41:38,390 --> 00:41:36,720

different ways of perceiving that

1282

00:41:39,829 --> 00:41:38,400

but i think that that is directly tied

1283

00:41:42,150 --> 00:41:39,839

into a spiritual realm

1284

00:41:44,550 --> 00:41:42,160

and i think that those are powerful um

1285

00:41:47,030 --> 00:41:44,560

guideposts and indicators that you know

1286

00:41:48,790 --> 00:41:47,040

as you lean on those things or listen to

1287

00:41:50,150 --> 00:41:48,800

those things or practice being in tune

1288

00:41:52,230 --> 00:41:50,160

with those things more and being

1289

00:41:53,670 --> 00:41:52,240

in um alignment within your own

1290

00:41:56,309 --> 00:41:53,680

spirituality within your

1291

00:41:57,270 --> 00:41:56,319

physical body i think that that broadens

1292

00:42:00,870 --> 00:41:57,280

and expands

1293

00:42:02,630 --> 00:42:00,880

so yeah wow and and i just

1294

00:42:04,150 --> 00:42:02,640

i'm just going to touch on i mean i know

1295

00:42:06,309 --> 00:42:04,160

something that you're probably

1296

00:42:07,750 --> 00:42:06,319

know a lot about but i i know a little

1297

00:42:10,150 --> 00:42:07,760

bit about but uh

1298

00:42:12,069 --> 00:42:10,160

just just the idea of the the

1299

00:42:13,589 --> 00:42:12,079

transference or whatever happens when we

1300

00:42:15,430 --> 00:42:13,599

die and our energy

1301  
00:42:16,710 --> 00:42:15,440  
leaves i think there there is you know

1302  
00:42:18,550 --> 00:42:16,720  
i've listened to it you know

1303  
00:42:19,750 --> 00:42:18,560  
uh dr zach bush did an interview with

1304  
00:42:21,510 --> 00:42:19,760  
dell big tree uh

1305  
00:42:23,030 --> 00:42:21,520  
last year that was just really powerful

1306  
00:42:24,550 --> 00:42:23,040  
to me just someone who lives in the

1307  
00:42:25,670 --> 00:42:24,560  
nursing homes would sit with all these

1308  
00:42:27,510 --> 00:42:25,680  
people as their

1309  
00:42:29,030 --> 00:42:27,520  
you know as their energy left and it

1310  
00:42:30,550 --> 00:42:29,040  
just it just really touched me and just

1311  
00:42:33,990 --> 00:42:30,560  
like there is

1312  
00:42:35,750 --> 00:42:34,000  
i think that dictates so much of how

1313  
00:42:37,829 --> 00:42:35,760

how and why people do things thinking

1314

00:42:38,470 --> 00:42:37,839

that this life just ends at that point

1315

00:42:40,790 --> 00:42:38,480

right

1316

00:42:42,950 --> 00:42:40,800

if if we are a spiritual being that that

1317

00:42:44,710 --> 00:42:42,960

um this is just the meat suit as megan

1318

00:42:46,230 --> 00:42:44,720

said right like it changes your whole

1319

00:42:47,750 --> 00:42:46,240

outlook on everything right

1320

00:42:49,750 --> 00:42:47,760

and and i think that's really important

1321

00:42:51,510 --> 00:42:49,760

and i i'm honestly like i'm

1322

00:42:52,790 --> 00:42:51,520

like how i've seen and viewed things

1323

00:42:54,790 --> 00:42:52,800

have like changed so much

1324

00:42:56,309 --> 00:42:54,800

even maybe just this year really you

1325

00:42:58,790 --> 00:42:56,319

know just seeing what what's

1326

00:43:00,390 --> 00:42:58,800

the what's been perpetrated this lie

1327

00:43:01,270 --> 00:43:00,400

that's been perpetrated against us right

1328

00:43:03,430 --> 00:43:01,280

and just

1329

00:43:04,550 --> 00:43:03,440

realizing like how big that lie is and

1330

00:43:07,510 --> 00:43:04,560

uh

1331

00:43:09,349 --> 00:43:07,520

but and just all the coincidence like i

1332

00:43:10,630 --> 00:43:09,359

use the word coincidences but like i i

1333

00:43:12,550 --> 00:43:10,640

think there are a lot more than that

1334

00:43:12,950 --> 00:43:12,560

right like that this this is um they're

1335

00:43:15,670 --> 00:43:12,960

like

1336

00:43:16,630 --> 00:43:15,680

almost their guideposts for me right

1337

00:43:18,950 --> 00:43:16,640

they're they're things

1338

00:43:21,030 --> 00:43:18,960

that i'm supposed to see to um to make

1339

00:43:21,589 --> 00:43:21,040

the next right steps in my life you know

1340

00:43:24,390 --> 00:43:21,599

and i'm

1341

00:43:25,510 --> 00:43:24,400

just recognizing that more and more so

1342

00:43:27,270 --> 00:43:25,520

yeah as far as just like

1343

00:43:28,950 --> 00:43:27,280

coincidences i think i think of it the

1344

00:43:30,390 --> 00:43:28,960

same way like kind of like mile markers

1345

00:43:31,990 --> 00:43:30,400

like i might veer off throughout my day

1346

00:43:33,270 --> 00:43:32,000

but sometimes some synchronicity will

1347

00:43:34,470 --> 00:43:33,280

occur or something will happen it'll be

1348

00:43:35,750 --> 00:43:34,480

like okay for

1349

00:43:37,190 --> 00:43:35,760

whatever else i've done like in this

1350

00:43:39,190 --> 00:43:37,200

particular split second i'm right where

1351  
00:43:40,630 --> 00:43:39,200  
i'm supposed to be and and sometimes

1352  
00:43:42,069 --> 00:43:40,640  
they happen in like rapid succession

1353  
00:43:43,430 --> 00:43:42,079  
like i think i had a few just today you

1354  
00:43:44,710 --> 00:43:43,440  
know just weird

1355  
00:43:45,910 --> 00:43:44,720  
like i'll be i'll be listening to

1356  
00:43:47,750 --> 00:43:45,920  
something like on the headphones and

1357  
00:43:49,589 --> 00:43:47,760  
then like the same word that is on

1358  
00:43:51,510 --> 00:43:49,599  
the headphones i'm reading it on a

1359  
00:43:52,870 --> 00:43:51,520  
screen somewhere or i

1360  
00:43:54,470 --> 00:43:52,880  
see the same words that drive by it's

1361  
00:43:55,829 --> 00:43:54,480  
like okay i'm synced up right at this

1362  
00:43:58,230 --> 00:43:55,839  
moment you know and it's like okay

1363  
00:43:59,670 --> 00:43:58,240

that's a good a good indicator that i'm

1364

00:44:01,190 --> 00:43:59,680

on the right path right and i could

1365

00:44:03,430 --> 00:44:01,200

either choose to

1366

00:44:05,109 --> 00:44:03,440

uh give some sort of value to it or not

1367

00:44:08,790 --> 00:44:05,119

i could just pick oh coincidence sure

1368

00:44:10,230 --> 00:44:08,800

or i can like choose to assign meaning

1369

00:44:11,109 --> 00:44:10,240

to it and be like okay so there is

1370

00:44:12,710 --> 00:44:11,119

something there

1371

00:44:14,550 --> 00:44:12,720

and to me it's a lot more comforting and

1372

00:44:16,150 --> 00:44:14,560

a lot more fulfilling to actually assign

1373

00:44:18,309 --> 00:44:16,160

meaning to it and be like okay

1374

00:44:20,550 --> 00:44:18,319

yeah that is cool i am on the right path

1375

00:44:22,230 --> 00:44:20,560

right so

1376

00:44:23,990 --> 00:44:22,240

well it's really cool so many of those

1377

00:44:25,190 --> 00:44:24,000

things one i think the meaning thing is

1378

00:44:27,829 --> 00:44:25,200

interesting isn't it

1379

00:44:28,230 --> 00:44:27,839

because it's like that's the one thing

1380

00:44:33,430 --> 00:44:28,240

that

1381

00:44:35,270 --> 00:44:33,440

are just

1382

00:44:36,950 --> 00:44:35,280

enmeshed in meaning everything is

1383

00:44:37,750 --> 00:44:36,960

meaning and it's again like we're

1384

00:44:40,950 --> 00:44:37,760

talking about the

1385

00:44:43,349 --> 00:44:40,960

the the perpetrated fraud that

1386

00:44:45,190 --> 00:44:43,359

meaningless right like you talk to the

1387

00:44:46,790 --> 00:44:45,200

astrophysicist well there's no meaning

1388

00:44:47,910 --> 00:44:46,800

in the universe

1389

00:44:49,270 --> 00:44:47,920

well if there's no meaning in the

1390

00:44:50,630 --> 00:44:49,280

universe and there can't i'm in the

1391

00:44:53,349 --> 00:44:50,640

universe

1392

00:44:55,589 --> 00:44:53,359

then there can't be any meaning and so

1393

00:44:58,470 --> 00:44:55,599

they've taken it and they've inverted it

1394

00:45:00,470 --> 00:44:58,480

because the inversion is everything like

1395

00:45:02,069 --> 00:45:00,480

you guys are saying man scott eddie both

1396

00:45:04,150 --> 00:45:02,079

said the same thing

1397

00:45:05,750 --> 00:45:04,160

everything is meaningful that's what you

1398

00:45:06,069 --> 00:45:05,760

realize the more you get into it i mean

1399

00:45:07,589 --> 00:45:06,079

i'm

1400

00:45:10,870 --> 00:45:07,599

kind of wacky i've been getting more

1401

00:45:12,630 --> 00:45:10,880

into like just trees you know

1402

00:45:14,309 --> 00:45:12,640

like being outside and just going over

1403

00:45:17,589 --> 00:45:14,319

and just touching the tree and just

1404

00:45:20,309 --> 00:45:17,599

feeling the energy and go everything

1405

00:45:22,870 --> 00:45:20,319

is meaningful the other couple of things

1406

00:45:24,550 --> 00:45:22,880

you said ed i just wanted to touch on

1407

00:45:29,430 --> 00:45:24,560

real quick because i think they're

1408

00:45:34,710 --> 00:45:33,270

i think we all kind of have a little bit

1409

00:45:38,069 --> 00:45:34,720

of a sense

1410

00:45:38,470 --> 00:45:38,079

that what they've done here is that

1411

00:45:40,710 --> 00:45:38,480

they've

1412

00:45:42,470 --> 00:45:40,720

kind of overplayed their hand a little

1413

00:45:46,630 --> 00:45:42,480

bit because in a way

1414

00:45:47,349 --> 00:45:46,640

they've sparked this spirituality in all

1415

00:45:49,270 --> 00:45:47,359

of us

1416

00:45:50,550 --> 00:45:49,280

who are awake and the least bit we're

1417

00:45:52,950 --> 00:45:50,560

like hey

1418

00:45:53,750 --> 00:45:52,960

it's got to be more than this because

1419

00:45:56,470 --> 00:45:53,760

when we look

1420

00:45:58,150 --> 00:45:56,480

into their eyes they're so afraid and

1421

00:45:59,109 --> 00:45:58,160

the biggest thing they're afraid of is

1422

00:46:02,150 --> 00:45:59,119

death

1423

00:46:03,990 --> 00:46:02,160

they're afraid of dying you know i the

1424

00:46:05,829 --> 00:46:04,000

the interview i have up on uh

1425

00:46:07,190 --> 00:46:05,839

skeptical right now is with this

1426

00:46:08,710 --> 00:46:07,200

terrific woman i really like her

1427

00:46:09,349 --> 00:46:08,720

although i've battled with her many

1428

00:46:13,589 --> 00:46:09,359

times

1429

00:46:16,069 --> 00:46:13,599

her name is leslie kane and leslie

1430

00:46:18,630 --> 00:46:16,079

you guys know ufos leslie wrote a super

1431

00:46:21,910 --> 00:46:18,640

influential book about 10 years ago

1432

00:46:23,829 --> 00:46:21,920

ufos generals pilots and

1433

00:46:25,109 --> 00:46:23,839

government officials go on the record

1434

00:46:26,790 --> 00:46:25,119

very important book

1435

00:46:28,870 --> 00:46:26,800

and then she wrote a book surviving

1436

00:46:31,030 --> 00:46:28,880

death and now

1437

00:46:33,109 --> 00:46:31,040

netflix has made a series out of her

1438

00:46:35,670 --> 00:46:33,119

surviving death book it's top five on

1439

00:46:38,950 --> 00:46:35,680

netflix so not everything on netflix

1440

00:46:41,750 --> 00:46:38,960

is demonic just 90 percent

1441

00:46:42,230 --> 00:46:41,760

but if you're on if you're on netflix

1442

00:46:45,430 --> 00:46:42,240

check

1443

00:46:46,230 --> 00:46:45,440

it is an extraordinary series six-part

1444

00:46:49,190 --> 00:46:46,240

series

1445

00:46:50,510 --> 00:46:49,200

you know near-death experience after

1446

00:46:53,270 --> 00:46:50,520

death communication

1447

00:46:53,829 --> 00:46:53,280

reincarnation surviving death and they

1448

00:46:57,430 --> 00:46:53,839

did a

1449

00:47:02,470 --> 00:46:57,440

fantastic job with it and it's very

1450

00:47:06,150 --> 00:47:02,480

it's just it's it's super science based

1451  
00:47:07,829 --> 00:47:06,160  
uh you know reincarnation they go to

1452  
00:47:09,829 --> 00:47:07,839  
university of virginia dr

1453  
00:47:12,309 --> 00:47:09,839  
jim tucker i've interviewed him on this

1454  
00:47:14,710 --> 00:47:12,319  
show a couple of times

1455  
00:47:15,349 --> 00:47:14,720  
he's got the goods man there's a it's

1456  
00:47:16,870 --> 00:47:15,359  
just

1457  
00:47:19,349 --> 00:47:16,880  
it's overwhelming the amount of

1458  
00:47:21,349 --> 00:47:19,359  
scientific evidence and what it all says

1459  
00:47:23,990 --> 00:47:21,359  
is what ed said is

1460  
00:47:25,910 --> 00:47:24,000  
you don't drop off the cliff something

1461  
00:47:27,270 --> 00:47:25,920  
survives that megan saying the same

1462  
00:47:28,870 --> 00:47:27,280  
we're all saying the same thing we all

1463  
00:47:31,990 --> 00:47:28,880

realize it

1464

00:47:33,670 --> 00:47:32,000

but what we what we're up against is

1465

00:47:35,829 --> 00:47:33,680

something that one

1466

00:47:37,510 --> 00:47:35,839

completely denies that there's anything

1467

00:47:39,910 --> 00:47:37,520

more to you on one hand

1468

00:47:42,069 --> 00:47:39,920

but the other thing it does is it has

1469

00:47:44,309 --> 00:47:42,079

this little wink in a nod like

1470

00:47:45,109 --> 00:47:44,319

well there is something more and it's

1471

00:47:48,470 --> 00:47:45,119

evil

1472

00:47:49,030 --> 00:47:48,480

demonic it's you know do these horrible

1473

00:47:52,549 --> 00:47:49,040

things

1474

00:47:54,230 --> 00:47:52,559

because hey man do without wilt is

1475

00:47:54,870 --> 00:47:54,240

really the only thing that matters kind

1476  
00:47:56,710 --> 00:47:54,880  
of thing

1477  
00:47:59,190 --> 00:47:56,720  
that's the other ethos out there right

1478  
00:48:02,390 --> 00:47:59,200  
so on one hand we're told

1479  
00:48:05,430 --> 00:48:03,750  
you're meaningless and everything is

1480  
00:48:07,829 --> 00:48:05,440  
meaningless but then on the wink and the

1481  
00:48:10,710 --> 00:48:07,839  
knot it's kind of like yeah but you know

1482  
00:48:13,510 --> 00:48:10,720  
johnny depp west memphis three you know

1483  
00:48:16,150 --> 00:48:13,520  
all that kind of stuff too so it's like

1484  
00:48:17,829 --> 00:48:16,160  
anyway totally yeah check out that check

1485  
00:48:20,150 --> 00:48:17,839  
out that show though i think anyway

1486  
00:48:21,430 --> 00:48:20,160  
absolutely seen it on there but it's

1487  
00:48:23,430 --> 00:48:21,440  
great

1488  
00:48:25,430 --> 00:48:23,440

i'll read the next one extend

1489

00:48:28,390 --> 00:48:25,440

consciousness

1490

00:48:30,069 --> 00:48:28,400

what and then second is angels and

1491

00:48:32,390 --> 00:48:30,079

demons are baloney

1492

00:48:34,309 --> 00:48:32,400

third is astral travel autobody

1493

00:48:37,430 --> 00:48:34,319

experience shamanic germany

1494

00:48:40,069 --> 00:48:37,440

journeying it's all baloney

1495

00:48:41,190 --> 00:48:40,079

after death communication dream yoga e.t

1496

00:48:44,309 --> 00:48:41,200

telepathy

1497

00:48:46,470 --> 00:48:44,319

it's all baloney next is it's not

1498

00:48:48,390 --> 00:48:46,480

baloney but it's not what you think

1499

00:48:51,030 --> 00:48:48,400

next is we're trying to learn more about

1500

00:48:52,309 --> 00:48:51,040

this which is the agnostic easy way out

1501

00:48:54,950 --> 00:48:52,319

for all this stuff

1502

00:48:57,270 --> 00:48:54,960

and then next is we're discouraging

1503

00:48:58,630 --> 00:48:57,280

anyone from learning anything more about

1504

00:49:00,069 --> 00:48:58,640

this

1505

00:49:01,510 --> 00:49:00,079

what do you guys think i find it

1506

00:49:02,309 --> 00:49:01,520

interesting that on there you don't have

1507

00:49:05,430 --> 00:49:02,319

one that says

1508

00:49:07,589 --> 00:49:05,440

heck yeah like well i mean i

1509

00:49:09,190 --> 00:49:07,599

i i mean we're discouraging anyone from

1510

00:49:11,270 --> 00:49:09,200

learning more oh yeah that's kind of

1511

00:49:12,470 --> 00:49:11,280

is kind of that that's yeah that's what

1512

00:49:15,589 --> 00:49:12,480

jumped out at me

1513

00:49:17,430 --> 00:49:15,599

interesting i mean absolutely i i it's

1514

00:49:19,270 --> 00:49:17,440

one of those things that it's like

1515

00:49:20,710 --> 00:49:19,280

you know like with with ghosts right or

1516

00:49:22,630 --> 00:49:20,720

anything really paranormal it's like

1517

00:49:24,150 --> 00:49:22,640

until i see it and until i i

1518

00:49:26,150 --> 00:49:24,160

can see with my own two eyes or feel it

1519

00:49:28,309 --> 00:49:26,160

for myself then i can't

1520

00:49:30,630 --> 00:49:28,319

i can't put any belief in right but it's

1521

00:49:31,109 --> 00:49:30,640

like i don't know i don't know there's

1522

00:49:33,270 --> 00:49:31,119

uh

1523

00:49:35,510 --> 00:49:33,280

i would say just like my one experience

1524

00:49:37,670 --> 00:49:35,520

that i always already shared here is

1525

00:49:38,790 --> 00:49:37,680

falls into this category to me right

1526

00:49:41,109 --> 00:49:38,800

yeah like like there's

1527

00:49:41,829 --> 00:49:41,119

like this idea of this energy being

1528

00:49:44,870 --> 00:49:41,839

connected

1529

00:49:47,270 --> 00:49:44,880

you know to me down on earth with a

1530

00:49:48,710 --> 00:49:47,280

whole bunch of people just like

1531

00:49:50,390 --> 00:49:48,720

what i would tell you is just like

1532

00:49:51,990 --> 00:49:50,400

there's so much concentrated energy and

1533

00:49:52,390 --> 00:49:52,000

here we have this storm that blows in

1534

00:49:55,589 --> 00:49:52,400

the

1535

00:49:57,270 --> 00:49:55,599

like in here

1536

00:49:58,950 --> 00:49:57,280

i feel like there's people that have

1537

00:50:00,710 --> 00:49:58,960

gone farther out like i

1538

00:50:01,990 --> 00:50:00,720

i can't explain any of this stuff but

1539

00:50:05,270 --> 00:50:02,000

i'm willing to

1540

00:50:06,309 --> 00:50:05,280

absolutely and that's well that's what i

1541

00:50:07,750 --> 00:50:06,319

was going to say too it's like what my

1542

00:50:08,470 --> 00:50:07,760

example i was using is like if i can't

1543

00:50:10,069 --> 00:50:08,480

see it or

1544

00:50:12,069 --> 00:50:10,079

delete touch it then i don't believe it

1545

00:50:14,950 --> 00:50:12,079

i was saying that that's an easy way to

1546

00:50:16,710 --> 00:50:14,960

check yourself out and not uh you know

1547

00:50:18,470 --> 00:50:16,720

put any thought or effort into maybe

1548

00:50:19,270 --> 00:50:18,480

exploring this but for me i'm like yes

1549

00:50:23,349 --> 00:50:19,280

let's do it

1550

00:50:25,349 --> 00:50:23,359

after death dream yoga telepathy man

1551

00:50:26,390 --> 00:50:25,359

100 let's not forget that you know it

1552

00:50:28,230 --> 00:50:26,400

was uh um

1553

00:50:30,710 --> 00:50:28,240

it was a psychic that told david ike

1554

00:50:32,390 --> 00:50:30,720

that he was gonna go out and uh you know

1555

00:50:33,990 --> 00:50:32,400

change the world with what he was gonna

1556

00:50:35,670 --> 00:50:34,000

be preaching way ahead of his time right

1557

00:50:36,950 --> 00:50:35,680

so like i i think there there is

1558

00:50:38,710 --> 00:50:36,960

something there there is

1559

00:50:40,950 --> 00:50:38,720

something people are able to tap into

1560

00:50:42,790 --> 00:50:40,960

that we don't maybe understand but some

1561

00:50:44,309 --> 00:50:42,800

people have gotten closer to it right

1562

00:50:45,990 --> 00:50:44,319

i mean there's the whole thing with the

1563

00:50:47,910 --> 00:50:46,000

like the the dmt

1564

00:50:49,829 --> 00:50:47,920

realm and stuff okay yeah there's like

1565

00:50:51,030 --> 00:50:49,839

all these different like ideas out there

1566

00:50:54,150 --> 00:50:51,040

and you know i mean

1567

00:50:56,230 --> 00:50:54,160

sure i'm sure there's some like baloney

1568

00:50:57,190 --> 00:50:56,240

[h\_\_\h] in there too but like at the same

1569

00:50:59,030 --> 00:50:57,200

time i think there

1570

00:51:00,230 --> 00:50:59,040

there's some reality in there too right

1571

00:51:01,990 --> 00:51:00,240

like it's

1572

00:51:04,069 --> 00:51:02,000

i don't think any of that's not baloney

1573

00:51:06,230 --> 00:51:04,079

i think i think all of that's real

1574

00:51:08,790 --> 00:51:06,240

and i i always go like the the whole

1575

00:51:10,230 --> 00:51:08,800

angels demon things to me that is very

1576

00:51:13,990 --> 00:51:10,240

clear you can feel

1577

00:51:14,549 --> 00:51:14,000

that energy it is a palpable real energy

1578

00:51:19,349 --> 00:51:14,559

you can

1579

00:51:21,990 --> 00:51:19,359

it in circumstances around you

1580

00:51:22,950 --> 00:51:22,000

if you are at all aware or awake you can

1581

00:51:25,190 --> 00:51:22,960

see that

1582

00:51:27,030 --> 00:51:25,200

um so to me that is a certainty as far

1583

00:51:28,470 --> 00:51:27,040

as astral travel out of body experience

1584

00:51:30,150 --> 00:51:28,480

i think absolutely yeah

1585

00:51:32,390 --> 00:51:30,160

absolutely and i and i do think that

1586

00:51:34,710 --> 00:51:32,400

that has to do with the fact that we are

1587

00:51:36,069 --> 00:51:34,720

again for me that we're this uh you know

1588

00:51:37,589 --> 00:51:36,079

spiritual soulful being

1589

00:51:39,510 --> 00:51:37,599

inside of this meat suit and we can only

1590

00:51:39,990 --> 00:51:39,520

perceive what we can through this but we

1591

00:51:41,910 --> 00:51:40,000

actually

1592

00:51:43,430 --> 00:51:41,920

exist in a spiritual environment

1593

00:51:45,190 --> 00:51:43,440

everything is spiritual

1594

00:51:46,790 --> 00:51:45,200

going on around it's a spiritual warfare

1595

00:51:48,390 --> 00:51:46,800

all the time there's good there's bad

1596

00:51:50,470 --> 00:51:48,400

what people are doing from this

1597

00:51:53,349 --> 00:51:50,480

terrestrial or you know

1598

00:51:54,230 --> 00:51:53,359

human conscious plane to seek you know

1599

00:51:56,390 --> 00:51:54,240

other dimensions

1600

00:51:57,750 --> 00:51:56,400

of that or try to reach out or tap into

1601  
00:51:59,109 --> 00:51:57,760  
the other dimensions i mean i've

1602  
00:52:00,470 --> 00:51:59,119  
certainly talked to people who have

1603  
00:52:01,750 --> 00:52:00,480  
experienced like astro travel and

1604  
00:52:03,829 --> 00:52:01,760  
out-of-body experiences

1605  
00:52:05,270 --> 00:52:03,839  
and have zero doubts hearing them

1606  
00:52:06,790 --> 00:52:05,280  
explain to me and knowing what i know

1607  
00:52:09,270 --> 00:52:06,800  
and perceiving what i do

1608  
00:52:09,990 --> 00:52:09,280  
that that that did not happen for them

1609  
00:52:12,150 --> 00:52:10,000  
um so

1610  
00:52:13,829 --> 00:52:12,160  
i i'm not saying anybody can just do it

1611  
00:52:15,349 --> 00:52:13,839  
and i don't think everyone's meant to do

1612  
00:52:16,950 --> 00:52:15,359  
everything it's like with medicine or

1613  
00:52:19,030 --> 00:52:16,960

food or anything else you don't blanket

1614

00:52:21,030 --> 00:52:19,040

one thing for all of humanity but i

1615

00:52:23,030 --> 00:52:21,040

definitely think that that is a thing

1616

00:52:24,790 --> 00:52:23,040

and it it intrigues me deeply so

1617

00:52:26,309 --> 00:52:24,800

well you can you can have one size fits

1618

00:52:33,750 --> 00:52:26,319

all vaccines like the same dose

1619

00:52:36,790 --> 00:52:33,760

oh 600 pound man and an infant baby

1620

00:52:38,230 --> 00:52:36,800

you know one thing uh megan i

1621

00:52:40,230 --> 00:52:38,240

for the last year i've been really

1622

00:52:41,030 --> 00:52:40,240

interested in angels and angel stories

1623

00:52:43,829 --> 00:52:41,040

and i'm

1624

00:52:44,950 --> 00:52:43,839

spiritually kind of a dense guy i don't

1625

00:52:47,589 --> 00:52:44,960

have any really

1626  
00:52:48,950 --> 00:52:47,599  
extraordinary experiences some dreams

1627  
00:52:51,829 --> 00:52:48,960  
occasionally some loose

1628  
00:52:53,190 --> 00:52:51,839  
dreams like my son was like from the

1629  
00:52:55,030 --> 00:52:53,200  
time he was eight he was telling me

1630  
00:52:56,710 --> 00:52:55,040  
about his lucid dreams and i was like i

1631  
00:52:59,510 --> 00:52:56,720  
don't even know what a lucid dream was

1632  
00:53:00,870 --> 00:52:59,520  
until you know my own son kind of told

1633  
00:53:03,270 --> 00:53:00,880  
me it but anyways i

1634  
00:53:04,870 --> 00:53:03,280  
kind of digress so i started looking on

1635  
00:53:07,270 --> 00:53:04,880  
youtube and anyone can do this

1636  
00:53:08,790 --> 00:53:07,280  
there's this old it's kind of churchy

1637  
00:53:11,990 --> 00:53:08,800  
but it's great stories

1638  
00:53:13,349 --> 00:53:12,000

angel stories with real people and these

1639

00:53:16,470 --> 00:53:13,359

people tell these

1640

00:53:17,190 --> 00:53:16,480

encounters that they had and you look at

1641

00:53:19,030 --> 00:53:17,200

these people

1642

00:53:20,309 --> 00:53:19,040

and you know they're like a whole family

1643

00:53:22,870 --> 00:53:20,319

and they'll tell the story and they're

1644

00:53:24,470 --> 00:53:22,880

not lying and it's like truly no other

1645

00:53:26,470 --> 00:53:24,480

way to explain it

1646

00:53:28,230 --> 00:53:26,480

other than they encountered we don't

1647

00:53:30,230 --> 00:53:28,240

know what it is but

1648

00:53:31,349 --> 00:53:30,240

calling an angel the other thing i want

1649

00:53:34,630 --> 00:53:31,359

to mention about

1650

00:53:36,470 --> 00:53:34,640

you ed is uh you know dude what you're

1651  
00:53:40,069 --> 00:53:36,480  
talking about there is like

1652  
00:53:42,549 --> 00:53:40,079  
classic shamanic [\h\_\_\h] like

1653  
00:53:43,910 --> 00:53:42,559  
and you mentioned david ike i don't know

1654  
00:53:46,710 --> 00:53:43,920  
if you know his story but

1655  
00:53:47,990 --> 00:53:46,720  
i interviewed him and he told this story

1656  
00:53:50,150 --> 00:53:48,000  
about he's dr

1657  
00:53:51,270 --> 00:53:50,160  
he feels you know he has that kind of

1658  
00:53:53,589 --> 00:53:51,280  
psychotic break

1659  
00:53:55,270 --> 00:53:53,599  
on british tv like back in the 80s or

1660  
00:53:56,549 --> 00:53:55,280  
whatever that everyone remembers and

1661  
00:53:58,950 --> 00:53:56,559  
calls him out he goes i was just

1662  
00:53:59,829 --> 00:53:58,960  
i had a break you know but he's driving

1663  
00:54:02,390 --> 00:53:59,839

in peru

1664

00:54:04,549 --> 00:54:02,400

and he's getting these messages like and

1665

00:54:07,270 --> 00:54:04,559

the message says pull over

1666

00:54:09,589 --> 00:54:07,280

and he pulled he has the guy pull over

1667

00:54:12,950 --> 00:54:09,599

and he walks up this hill

1668

00:54:16,309 --> 00:54:12,960

and he stands on this hill and he said

1669

00:54:19,430 --> 00:54:16,319

it's the clearest blue sky in the world

1670

00:54:20,470 --> 00:54:19,440

and he says within 10 minutes this one

1671

00:54:23,990 --> 00:54:20,480

cloud just

1672

00:54:27,109 --> 00:54:24,000

emerges and it forms and it comes right

1673

00:54:27,990 --> 00:54:27,119

over them and it just rains the hardest

1674

00:54:31,109 --> 00:54:28,000

rain

1675

00:54:32,230 --> 00:54:31,119

right on top of them and then it it

1676  
00:54:34,630 --> 00:54:32,240  
leaves

1677  
00:54:35,349 --> 00:54:34,640  
lo and behold i interviewed another guy

1678  
00:54:38,950 --> 00:54:35,359  
who is

1679  
00:54:40,950 --> 00:54:38,960  
uh from australia and he kind of

1680  
00:54:43,270 --> 00:54:40,960  
helps people in these kind of shamanic

1681  
00:54:44,470 --> 00:54:43,280  
kind of thing kind of does the ayahuasca

1682  
00:54:47,270 --> 00:54:44,480  
stuff

1683  
00:54:48,150 --> 00:54:47,280  
tells me the exact same story almost to

1684  
00:54:50,230 --> 00:54:48,160  
the word

1685  
00:54:52,230 --> 00:54:50,240  
he doesn't know david ike but the same

1686  
00:54:53,430 --> 00:54:52,240  
thing the spirit says i'll show up there

1687  
00:54:56,950 --> 00:54:53,440  
in five minutes

1688  
00:54:58,710 --> 00:54:56,960

and what shows up is this wall of rain

1689

00:55:01,190 --> 00:54:58,720

that's like you can put your hand in it

1690

00:55:03,349 --> 00:55:01,200

and take your hand out of it it's a wall

1691

00:55:05,349 --> 00:55:03,359

of freaking rain and he talks to the

1692

00:55:09,829 --> 00:55:05,359

shaman the shama go yeah that's a

1693

00:55:12,549 --> 00:55:09,839

that's like common story dude so i mean

1694

00:55:13,750 --> 00:55:12,559

i don't know just investigate that on

1695

00:55:15,910 --> 00:55:13,760

your own but

1696

00:55:16,950 --> 00:55:15,920

i think there's something to that maybe

1697

00:55:21,430 --> 00:55:16,960

yeah for sure

1698

00:55:24,950 --> 00:55:21,440

definitely crazy hey uh next is evil

1699

00:55:28,309 --> 00:55:24,960

okay say you want to read ahead

1700

00:55:29,510 --> 00:55:28,319

sure evil a social construct i know it

1701

00:55:33,030 --> 00:55:29,520

when i see it

1702

00:55:33,670 --> 00:55:33,040

satanic stuff satanic satanic panic

1703

00:55:37,109 --> 00:55:33,680

stuff

1704

00:55:39,349 --> 00:55:37,119

who am i to judge do what thou will

1705

00:55:41,589 --> 00:55:39,359

see the bible there is a moral

1706

00:55:44,230 --> 00:55:41,599

imperative do good not evil

1707

00:55:45,589 --> 00:55:44,240

god can't be all powerful and all good

1708

00:55:48,710 --> 00:55:45,599

create better than the

1709

00:55:51,349 --> 00:55:48,720

creator than the creator gods

1710

00:55:52,390 --> 00:55:51,359

yeah i threw some weird ones in there

1711

00:55:54,069 --> 00:55:52,400

interesting

1712

00:55:56,150 --> 00:55:54,079

yeah any thoughts guys because i just

1713

00:55:58,390 --> 00:55:56,160

wrote a book why evil matters

1714

00:55:59,190 --> 00:55:58,400

how science and religion fumble the big

1715

00:56:01,190 --> 00:55:59,200

one so

1716

00:56:02,230 --> 00:56:01,200

wow i've been on this thing i've been on

1717

00:56:03,910 --> 00:56:02,240

the evil thing

1718

00:56:05,349 --> 00:56:03,920

people get tired of me talking about it

1719

00:56:05,910 --> 00:56:05,359

no i've been talking about it for a

1720

00:56:08,710 --> 00:56:05,920

while

1721

00:56:09,430 --> 00:56:08,720

yeah yeah what do you think i mean i

1722

00:56:11,430 --> 00:56:09,440

think there is

1723

00:56:13,829 --> 00:56:11,440

definitely inherently evil i mean i

1724

00:56:16,870 --> 00:56:13,839

think to me like um

1725

00:56:19,030 --> 00:56:16,880

i like to to pull it back to

1726

00:56:20,870 --> 00:56:19,040

you know hurting other people right if

1727

00:56:21,430 --> 00:56:20,880

what you does hurts other people and and

1728

00:56:23,910 --> 00:56:21,440

you know

1729

00:56:25,510 --> 00:56:23,920

there always becomes some gray area and

1730

00:56:27,109 --> 00:56:25,520

whatnot in there but uh

1731

00:56:29,349 --> 00:56:27,119

you know i think there's there's an

1732

00:56:34,309 --> 00:56:29,359

intuition in there too you know there's

1733

00:56:38,390 --> 00:56:34,319

like you know i think of when i'm doing

1734

00:56:40,309 --> 00:56:38,400

what is good and what is right um it's

1735

00:56:42,069 --> 00:56:40,319

i'm trying to help others right like

1736

00:56:43,109 --> 00:56:42,079

that is and i've always kind of thought

1737

00:56:46,069 --> 00:56:43,119

that's kind of the

1738

00:56:47,190 --> 00:56:46,079

the secret of life right like the secret

1739

00:56:49,270 --> 00:56:47,200

to life is like

1740

00:56:50,390 --> 00:56:49,280

to to bring real joy and happiness to

1741

00:56:52,549 --> 00:56:50,400

yourself is to

1742

00:56:54,069 --> 00:56:52,559

is to help others and you know we always

1743

00:56:57,670 --> 00:56:54,079

are so focused on

1744

00:57:00,069 --> 00:56:57,680

helping ourselves and um and and where

1745

00:57:01,190 --> 00:57:00,079

if we're really focused on others we get

1746

00:57:03,510 --> 00:57:01,200

out of ourselves and

1747

00:57:05,430 --> 00:57:03,520

and we bring true joy so that's kind of

1748

00:57:05,829 --> 00:57:05,440

the opposite and so the antithesis is

1749

00:57:08,470 --> 00:57:05,839

just

1750

00:57:09,109 --> 00:57:08,480

so focused on yourself and consuming and

1751

00:57:12,390 --> 00:57:09,119

um

1752

00:57:14,309 --> 00:57:12,400

and whatnot i think leads you down the

1753

00:57:15,589 --> 00:57:14,319

evil path and when you're hurting others

1754

00:57:17,990 --> 00:57:15,599

and and you're just concerned with

1755

00:57:19,750 --> 00:57:18,000

yourself i i mean i think that's kind of

1756

00:57:24,470 --> 00:57:19,760

the

1757

00:57:26,390 --> 00:57:24,480

that's how i

1758

00:57:28,870 --> 00:57:26,400

the intuitive way i can explain it right

1759

00:57:30,630 --> 00:57:28,880

that's the intuitive way i know evil

1760

00:57:32,150 --> 00:57:30,640

but um but i think there is a certainly

1761

00:57:34,390 --> 00:57:32,160

a simple version of just like

1762

00:57:35,190 --> 00:57:34,400

you know hurting others hurting people

1763

00:57:37,589 --> 00:57:35,200

is evil

1764

00:57:39,430 --> 00:57:37,599

and that can that can be you know direct

1765

00:57:41,109 --> 00:57:39,440

or very indirect right

1766

00:57:42,789 --> 00:57:41,119

so there's there's a million different

1767

00:57:45,829 --> 00:57:42,799

ways but um

1768

00:57:48,710 --> 00:57:45,839

you know well i think that evil is

1769

00:57:50,470 --> 00:57:48,720

for sure um and i think that i don't

1770

00:57:54,309 --> 00:57:50,480

believe that evil can exist

1771

00:57:56,390 --> 00:57:54,319

in a spiritual plane that is clean um

1772

00:57:58,069 --> 00:57:56,400

so i think that you can have someone

1773

00:57:58,950 --> 00:57:58,079

that doesn't have a clean spiritual

1774

00:58:01,430 --> 00:57:58,960

space

1775

00:58:03,190 --> 00:58:01,440

that commits acts that are you know

1776  
00:58:04,470 --> 00:58:03,200  
immoral or hurtful or wrong and those

1777  
00:58:05,510 --> 00:58:04,480  
things and they're not an inherently

1778  
00:58:07,430 --> 00:58:05,520  
evil person

1779  
00:58:08,870 --> 00:58:07,440  
and then there are people who are aware

1780  
00:58:10,069 --> 00:58:08,880  
that they are disconnected or they

1781  
00:58:11,910 --> 00:58:10,079  
simply don't care

1782  
00:58:13,349 --> 00:58:11,920  
um but all of these things i think are a

1783  
00:58:15,589 --> 00:58:13,359  
condition these are

1784  
00:58:16,710 --> 00:58:15,599  
spiritual conditions again i think i

1785  
00:58:18,870 --> 00:58:16,720  
believe that we live

1786  
00:58:21,109 --> 00:58:18,880  
you know in these fleshy suits in a

1787  
00:58:22,150 --> 00:58:21,119  
spiritual realm and so what we have

1788  
00:58:24,630 --> 00:58:22,160

there is in my

1789

00:58:26,309 --> 00:58:24,640

to my belief system i'm in the things

1790

00:58:26,870 --> 00:58:26,319

that i've seen and experience that there

1791

00:58:28,630 --> 00:58:26,880

is

1792

00:58:31,190 --> 00:58:28,640

there's good and there's evil or i would

1793

00:58:34,390 --> 00:58:31,200

say there's clean and there's not clean

1794

00:58:37,990 --> 00:58:34,400

um and so you know a lot of that has to

1795

00:58:41,589 --> 00:58:38,000

evil carries with it a very very

1796

00:58:43,510 --> 00:58:41,599

distinct energy it is a

1797

00:58:44,870 --> 00:58:43,520

common energy that you will find

1798

00:58:47,990 --> 00:58:44,880

throughout evil acts

1799

00:58:49,990 --> 00:58:48,000

evil people evil conduct that that

1800

00:58:51,190 --> 00:58:50,000

resonates and when you talk about you

1801  
00:58:52,710 --> 00:58:51,200  
know like i've had you know

1802  
00:58:54,150 --> 00:58:52,720  
for in particular you know like child

1803  
00:58:55,829 --> 00:58:54,160  
molestation things that happened when i

1804  
00:58:57,510 --> 00:58:55,839  
was little but when you talk to somebody

1805  
00:58:59,109 --> 00:58:57,520  
else who's maybe never talked

1806  
00:59:00,870 --> 00:58:59,119  
about their experiences with being

1807  
00:59:02,230 --> 00:59:00,880  
molested as children

1808  
00:59:03,910 --> 00:59:02,240  
or you know you can take any form of

1809  
00:59:05,670 --> 00:59:03,920  
abuse and this is just one of two

1810  
00:59:07,270 --> 00:59:05,680  
trillion things we can go off on

1811  
00:59:08,870 --> 00:59:07,280  
but the experiences and the things that

1812  
00:59:09,430 --> 00:59:08,880  
happen the kind of interactions in

1813  
00:59:11,430 --> 00:59:09,440

exchange

1814

00:59:13,190 --> 00:59:11,440

that happens in those circumstances is

1815

00:59:16,549 --> 00:59:13,200

the same across the board because

1816

00:59:17,670 --> 00:59:16,559

that degree of evil energy carries with

1817

00:59:20,870 --> 00:59:17,680

it whether it's in

1818

00:59:22,150 --> 00:59:20,880

you know in italy or in the us or in

1819

00:59:25,270 --> 00:59:22,160

china it doesn't matter

1820

00:59:25,990 --> 00:59:25,280

that is an evil energy it comes from an

1821

00:59:28,309 --> 00:59:26,000

evil

1822

00:59:30,230 --> 00:59:28,319

spirit um and there's all different

1823

00:59:32,150 --> 00:59:30,240

sorts of those spirits that carry

1824

00:59:34,069 --> 00:59:32,160

that evilness um and so like i say i

1825

00:59:35,910 --> 00:59:34,079

think that you know there's

1826

00:59:37,109 --> 00:59:35,920

this misperception i think about you

1827

00:59:38,950 --> 00:59:37,119

know if somebody does something wrong it

1828

00:59:41,829 --> 00:59:38,960

makes him an evil person well that's

1829

00:59:43,829 --> 00:59:41,839

that's not what evil is evil isn't the

1830

00:59:44,470 --> 00:59:43,839

act in and of itself but it is the

1831

00:59:47,670 --> 00:59:44,480

condition

1832

00:59:49,589 --> 00:59:47,680

of somebody's true nature um and i don't

1833

00:59:51,349 --> 00:59:49,599

um also believe like i think that you

1834

00:59:52,309 --> 00:59:51,359

can have somebody who's maybe a little

1835

00:59:53,750 --> 00:59:52,319

bit asleep

1836

00:59:55,030 --> 00:59:53,760

and have you know done things throughout

1837

00:59:56,230 --> 00:59:55,040

their lives that aren't the best and

1838

00:59:59,510 --> 00:59:56,240

have you know

1839

01:00:00,549 --> 00:59:59,520

i guess become an evil outcome in

1840

01:00:03,829 --> 01:00:00,559

somebody's life

1841

01:00:05,030 --> 01:00:03,839

have that still not be a seed of evil

1842

01:00:07,190 --> 01:00:05,040

those are things that could mean

1843

01:00:09,190 --> 01:00:07,200

be healed but i think that again that

1844

01:00:09,910 --> 01:00:09,200

you cannot have something clean existing

1845

01:00:12,870 --> 01:00:09,920

within

1846

01:00:13,510 --> 01:00:12,880

a true evil entity and so there there

1847

01:00:16,549 --> 01:00:13,520

being

1848

01:00:18,630 --> 01:00:16,559

evil doesn't heal evil is what it is it

1849

01:00:20,390 --> 01:00:18,640

doesn't dissipate it doesn't water down

1850

01:00:23,430 --> 01:00:20,400

it doesn't get replaced

1851

01:00:25,910 --> 01:00:23,440

um it it is and so that's

1852

01:00:27,190 --> 01:00:25,920

that's what i see that's what i believe

1853

01:00:29,510 --> 01:00:27,200

you're gonna make me go after that

1854

01:00:30,230 --> 01:00:29,520

yeah at least i didn't wait to go last

1855

01:00:32,309 --> 01:00:30,240

this time

1856

01:00:34,069 --> 01:00:32,319

no that's great uh man i don't know i

1857

01:00:35,349 --> 01:00:34,079

think um i think you you said there's so

1858

01:00:37,270 --> 01:00:35,359

many good things there i think it

1859

01:00:39,589 --> 01:00:37,280

is it is it's just an energy and a force

1860

01:00:40,789 --> 01:00:39,599

that exists and and it fluctuates and

1861

01:00:42,470 --> 01:00:40,799

then maybe it shows up to different

1862

01:00:43,829 --> 01:00:42,480

degrees in different places

1863

01:00:45,670 --> 01:00:43,839

and different people but maybe it's like

1864

01:00:47,190 --> 01:00:45,680

a constant energy maybe the kind of like

1865

01:00:47,670 --> 01:00:47,200

like consciousness that maybe like kind

1866

01:00:49,190 --> 01:00:47,680

of

1867

01:00:50,870 --> 01:00:49,200

ebbs and flow i mean i just don't know

1868

01:00:52,390 --> 01:00:50,880

um i think a lot of the stuff that's on

1869

01:00:53,910 --> 01:00:52,400

the list here like the

1870

01:00:55,510 --> 01:00:53,920

i know it when i see it there's an

1871

01:00:56,870 --> 01:00:55,520

interesting one because

1872

01:00:58,789 --> 01:00:56,880

i think part of the nature of it is

1873

01:00:59,270 --> 01:00:58,799

maybe to disguise itself to where you

1874

01:01:01,349 --> 01:00:59,280

don't

1875

01:01:03,670 --> 01:01:01,359

necessarily see it and when it's coming

1876

01:01:06,230 --> 01:01:03,680

you know um

1877

01:01:07,430 --> 01:01:06,240

you know uh i agree there's a moral

1878

01:01:09,109 --> 01:01:07,440

imperative do good no

1879

01:01:11,109 --> 01:01:09,119

not evil that's a good like philosophy

1880

01:01:12,309 --> 01:01:11,119

to if you're trying to live a good life

1881

01:01:12,870 --> 01:01:12,319

but then there's people that maybe who

1882

01:01:14,789 --> 01:01:12,880

have

1883

01:01:16,870 --> 01:01:14,799

fully given themselves to the dark side

1884

01:01:18,390 --> 01:01:16,880

right and then they thrive and feel like

1885

01:01:20,230 --> 01:01:18,400

that's the energy that

1886

01:01:22,829 --> 01:01:20,240

that suits them more and i just you know

1887

01:01:24,390 --> 01:01:22,839

i can't i can't relate to that you know

1888

01:01:26,150 --> 01:01:24,400

um

1889

01:01:27,510 --> 01:01:26,160

who am i to judge interesting yeah i

1890

01:01:29,589 --> 01:01:27,520

mean yeah

1891

01:01:31,430 --> 01:01:29,599

you know you know i mean i i just you

1892

01:01:32,789 --> 01:01:31,440

know i agree with ed too you know i just

1893

01:01:35,270 --> 01:01:32,799

um

1894

01:01:36,390 --> 01:01:35,280

you know i died i feel luckily i'm just

1895

01:01:37,589 --> 01:01:36,400

like maybe maybe there's a lot of people

1896

01:01:37,990 --> 01:01:37,599

don't have a choice like me i'm so

1897

01:01:39,589 --> 01:01:38,000

thankful

1898

01:01:41,030 --> 01:01:39,599

like i've thought this before like i'm

1899

01:01:42,710 --> 01:01:41,040

so grateful that i don't have like these

1900

01:01:44,230 --> 01:01:42,720

evil tendencies and i'm so grateful that

1901

01:01:46,069 --> 01:01:44,240

i don't want to like

1902

01:01:48,150 --> 01:01:46,079

murder people or whatever like i'm just

1903

01:01:49,589 --> 01:01:48,160

like yay like i lucked out is it a roll

1904

01:01:50,870 --> 01:01:49,599

of the dice thing like did i just luck

1905

01:01:51,670 --> 01:01:50,880

out that i don't have that in me or

1906

01:01:53,190 --> 01:01:51,680

something or is it

1907

01:01:54,470 --> 01:01:53,200

at some point was i confronted with a

1908

01:01:55,670 --> 01:01:54,480

choice where i could have diverted one

1909

01:01:57,349 --> 01:01:55,680

way or the other yes

1910

01:01:59,109 --> 01:01:57,359

you know i just i don't know it's

1911

01:01:59,589 --> 01:01:59,119

interesting ten thousand hundred million

1912

01:02:01,109 --> 01:01:59,599

percent

1913

01:02:02,789 --> 01:02:01,119

okay at some point you were presented

1914

01:02:03,190 --> 01:02:02,799

with a choice when you were and and i

1915

01:02:04,789 --> 01:02:03,200

think we

1916

01:02:06,470 --> 01:02:04,799

we always are like in our development

1917

01:02:07,829 --> 01:02:06,480

but like when you're presented with like

1918

01:02:09,270 --> 01:02:07,839

these options and for you maybe they're

1919

01:02:10,870 --> 01:02:09,280

just small at the time you don't even

1920

01:02:13,190 --> 01:02:10,880

even resonate with you but those are

1921

01:02:15,750 --> 01:02:13,200

soul choices those that's what

1922

01:02:16,870 --> 01:02:15,760

they are it's what it it starts to like

1923

01:02:18,630 --> 01:02:16,880

mold and shape

1924

01:02:20,069 --> 01:02:18,640

the spiritual being that you are and the

1925

01:02:21,270 --> 01:02:20,079

way that your mind will

1926

01:02:22,710 --> 01:02:21,280

because our mind you know we have these

1927

01:02:23,750 --> 01:02:22,720

very powerful minds but again with only

1928

01:02:25,270 --> 01:02:23,760

a certain amount of understanding a

1929

01:02:27,109 --> 01:02:25,280

certain amount of perception that we can

1930

01:02:28,710 --> 01:02:27,119

achieve and understand but sorry to

1931

01:02:30,230 --> 01:02:28,720

interrupt you no that did that that was

1932

01:02:31,510 --> 01:02:30,240

it i love that soul choices imagine the

1933

01:02:34,390 --> 01:02:31,520

name of the episode right there

1934

01:02:36,150 --> 01:02:34,400

yeah because it's true i mean i knew

1935

01:02:38,789 --> 01:02:36,160

somebody very very closely who

1936

01:02:40,390 --> 01:02:38,799

you know it was same thing where um i

1937

01:02:42,069 --> 01:02:40,400

mean and that's the nature of evil right

1938

01:02:42,630 --> 01:02:42,079

because nobody wants that around but

1939

01:02:48,230 --> 01:02:42,640

evil

1940

01:02:50,549 --> 01:02:48,240

drinks off of clean

1941

01:02:52,390 --> 01:02:50,559

um and so that's the whole reason why it

1942

01:02:54,069 --> 01:02:52,400

has to be camouflaged and

1943

01:02:55,990 --> 01:02:54,079

look like something different and why

1944

01:02:57,670 --> 01:02:56,000

evil energy is often very predatory it

1945

01:02:58,950 --> 01:02:57,680

has to disguise itself as something else

1946

01:02:59,750 --> 01:02:58,960

because in and of itself it can't

1947

01:03:01,910 --> 01:02:59,760

sustain

1948

01:03:03,670 --> 01:03:01,920

it's empty it can't be fulfilled it

1949

01:03:04,390 --> 01:03:03,680

can't be sustained in and of itself it

1950

01:03:07,589 --> 01:03:04,400

has to

1951

01:03:09,190 --> 01:03:07,599

siphon something from the opposite in

1952

01:03:10,710 --> 01:03:09,200

order to maintain its power and its

1953

01:03:12,150 --> 01:03:10,720

strength and that's why it moves through

1954

01:03:15,829 --> 01:03:12,160

and wrecks havoc

1955

01:03:17,430 --> 01:03:15,839

on other people so yeah ma'am so alex

1956

01:03:20,470 --> 01:03:17,440

you wrote a book about it

1957

01:03:23,270 --> 01:03:20,480

what are your thoughts i think you guys

1958

01:03:23,990 --> 01:03:23,280

totally nailed it i mean uh in terms of

1959

01:03:26,870 --> 01:03:24,000

what i

1960

01:03:28,470 --> 01:03:26,880

think the one thing that i'd kind of add

1961

01:03:30,789 --> 01:03:28,480

or throw out of the question to you

1962

01:03:33,829 --> 01:03:30,799

megan is

1963

01:03:36,309 --> 01:03:33,839

i i i just think what you said is super

1964

01:03:37,109 --> 01:03:36,319

profound and it was really meaningful to

1965

01:03:41,430 --> 01:03:37,119

me

1966

01:03:43,190 --> 01:03:41,440

darkness versus evil

1967

01:03:45,349 --> 01:03:43,200

and i think that can be helpful too

1968

01:03:47,670 --> 01:03:45,359

because darkness

1969

01:03:48,710 --> 01:03:47,680

is that force that's undeniable and

1970

01:03:52,069 --> 01:03:48,720

doesn't change

1971

01:03:55,670 --> 01:03:52,079

and then evil is our interaction with it

1972

01:03:57,029 --> 01:03:55,680

but my understanding and my belief

1973

01:03:59,349 --> 01:03:57,039

from what i've learned and i want to

1974

01:04:02,470 --> 01:03:59,359

hear what you say is

1975

01:04:06,230 --> 01:04:02,480

we are good we are all good

1976

01:04:08,870 --> 01:04:06,240

even those who we see who are

1977

01:04:09,589 --> 01:04:08,880

have made a bunch of bad choices and

1978

01:04:11,270 --> 01:04:09,599

have gotten

1979

01:04:13,190 --> 01:04:11,280

i think i relate to what scott said it

1980

01:04:14,630 --> 01:04:13,200

becomes only they're only comfortable

1981

01:04:16,309 --> 01:04:14,640

with the evil they're only comfortable

1982

01:04:19,190 --> 01:04:16,319

with that energy that moves through and

1983

01:04:22,309 --> 01:04:19,200

not but in a really destructive way

1984

01:04:23,990 --> 01:04:22,319

you can always choose good and uh one of

1985

01:04:27,109 --> 01:04:24,000

the interviews that i did that

1986

01:04:29,430 --> 01:04:27,119

for my book that really changed me a lot

1987

01:04:31,829 --> 01:04:29,440

was with a clinical psychologist named

1988

01:04:34,470 --> 01:04:31,839

tom zinzer

1989

01:04:35,990 --> 01:04:34,480

and tom worked with a lot of people in

1990

01:04:38,150 --> 01:04:36,000

grand rapids michigan and he worked with

1991

01:04:39,990 --> 01:04:38,160

a number of people who had been victims

1992

01:04:41,510 --> 01:04:40,000

of satanic ritual abuse from the time

1993

01:04:43,349 --> 01:04:41,520

they were young kids they are not even

1994

01:04:45,589 --> 01:04:43,359

responsible for it it's just

1995

01:04:46,870 --> 01:04:45,599

even another woman annika lucas was sold

1996

01:04:49,430 --> 01:04:46,880

by her mother

1997

01:04:51,430 --> 01:04:49,440

to a satanic ritual cult when she's six

1998

01:04:53,510 --> 01:04:51,440

years old in belgium

1999

01:04:55,109 --> 01:04:53,520

part of the detroit case which anyone

2000

01:04:55,910 --> 01:04:55,119

can go and research if you have any

2001

01:04:59,190 --> 01:04:55,920

doubts

2002

01:05:02,390 --> 01:04:59,200

but that my takeaway

2003

01:05:02,870 --> 01:05:02,400

from again from tom zinzer is you are

2004

01:05:05,829 --> 01:05:02,880

good

2005

01:05:07,990 --> 01:05:05,839

because part of the evil trick is to

2006

01:05:10,630 --> 01:05:08,000

make you think that oh that's just

2007

01:05:11,029 --> 01:05:10,640

the way that it is or that um it's too

2008

01:05:14,150 --> 01:05:11,039

far

2009

01:05:16,309 --> 01:05:14,160

gone or you know i've i've done so many

2010

01:05:19,109 --> 01:05:16,319

bad things or i've made a pact with

2011

01:05:20,630 --> 01:05:19,119

some evil entity or something like that

2012

01:05:22,549 --> 01:05:20,640

you can always choose good

2013

01:05:24,470 --> 01:05:22,559

because you are good that's your nature

2014

01:05:26,150 --> 01:05:24,480

you can always choose good

2015

01:05:27,829 --> 01:05:26,160

and that doesn't mean that well any of

2016

01:05:30,069 --> 01:05:27,839

us know how it's all going to work out

2017

01:05:32,069 --> 01:05:30,079

but you can just choose good you can

2018

01:05:32,950 --> 01:05:32,079

look the secret of the ascent is to

2019

01:05:36,150 --> 01:05:32,960

always look up

2020

01:05:40,470 --> 01:05:36,160

that's my favorite quote wow

2021

01:05:42,470 --> 01:05:40,480

for sure that's amazing great i love it

2022

01:05:43,510 --> 01:05:42,480

all right okay okay now now then we're

2023

01:05:46,309 --> 01:05:43,520

just going to move on hey

2024

01:05:47,430 --> 01:05:46,319

you're right up now we're hitting yeah

2025

01:05:49,829 --> 01:05:47,440

truthzilla

2026

01:05:50,470 --> 01:05:49,839

zone yeah drizzle zone baby okay you're

2027

01:05:52,549 --> 01:05:50,480

ready okay

2028

01:05:54,870 --> 01:05:52,559

here we go this category is conspiracy

2029

01:05:58,069 --> 01:05:54,880

theory and check all that apply

2030

01:05:59,670 --> 01:05:58,079

yes no sometimes

2031

01:06:01,589 --> 01:05:59,680

the term conspiracy theory is a

2032

01:06:03,349 --> 01:06:01,599

conspiracy

2033

01:06:05,109 --> 01:06:03,359

uh quote large case large-scale

2034

01:06:06,470 --> 01:06:05,119

conspiracies would quickly reveal

2035

01:06:09,430 --> 01:06:06,480

themselves

2036

01:06:10,230 --> 01:06:09,440

um what do all men with power want more

2037

01:06:13,430 --> 01:06:10,240

power

2038

01:06:14,710 --> 01:06:13,440

quote from the oracle and the matrix um

2039

01:06:16,829 --> 01:06:14,720

conspiracy theories according to the

2040

01:06:18,230 --> 01:06:16,839

washington post are more dangerous than

2041

01:06:19,829 --> 01:06:18,240

ever

2042

01:06:21,910 --> 01:06:19,839

uh the next one is it's not what you

2043

01:06:24,549 --> 01:06:21,920

think and usually the best starting

2044

01:06:27,589 --> 01:06:27,190

or other yes or or other so i would just

2045

01:06:31,829 --> 01:06:27,599

say

2046

01:06:33,510 --> 01:06:31,839

this is the one that really stood out to

2047

01:06:35,029 --> 01:06:33,520

me and so uh usually the best starting

2048

01:06:36,150 --> 01:06:35,039

point was one i did not select and i

2049

01:06:37,190 --> 01:06:36,160

noticed you did

2050

01:06:38,950 --> 01:06:37,200

and then i got that's one of the ones

2051  
01:06:39,829 --> 01:06:38,960  
that got me thinking like oh yeah maybe

2052  
01:06:42,230 --> 01:06:39,839  
okay yeah

2053  
01:06:43,589 --> 01:06:42,240  
i mean obviously a lot of my deep dives

2054  
01:06:45,990 --> 01:06:43,599  
have always started with like

2055  
01:06:47,190 --> 01:06:46,000  
dude did you know the lady that runs the

2056  
01:06:48,789 --> 01:06:47,200  
amber alert was

2057  
01:06:50,309 --> 01:06:48,799  
imprisoned in haiti for child sex

2058  
01:06:51,349 --> 01:06:50,319  
trafficking and clinton busted her out

2059  
01:06:53,270 --> 01:06:51,359  
of jail oh what

2060  
01:06:54,950 --> 01:06:53,280  
i don't know hold on and so then you

2061  
01:06:55,670 --> 01:06:54,960  
look into that and it's like oh wow yeah

2062  
01:06:57,670 --> 01:06:55,680  
it is all

2063  
01:06:58,950 --> 01:06:57,680

true wow so it is a great starting point

2064

01:07:01,109 --> 01:06:58,960

yeah um

2065

01:07:03,029 --> 01:07:01,119

more dangerous than ever i just you know

2066

01:07:04,950 --> 01:07:03,039

it's so scary it's so scary how

2067

01:07:06,870 --> 01:07:04,960

dangerous to who did more danger to the

2068

01:07:09,990 --> 01:07:06,880

establishment i know yeah yeah

2069

01:07:11,589 --> 01:07:10,000

dangerous to you know oh god yeah no

2070

01:07:15,270 --> 01:07:11,599

that's that's i mean that's

2071

01:07:15,670 --> 01:07:15,280

scary to me such a foul fraud it's such

2072

01:07:28,309 --> 01:07:15,680

a

2073

01:07:30,470 --> 01:07:28,319

when i tell people hey did you know jeff

2074

01:07:31,910 --> 01:07:30,480

bezos who like doubled and tripled his

2075

01:07:33,190 --> 01:07:31,920

wealth over the last nine months owns

2076  
01:07:34,549 --> 01:07:33,200  
the washington post i mean did you know

2077  
01:07:36,470 --> 01:07:34,559  
that they're like no that's conspiracy

2078  
01:07:39,029 --> 01:07:36,480  
no dude

2079  
01:07:40,870 --> 01:07:39,039  
come on um and absolutely what do all

2080  
01:07:42,150 --> 01:07:40,880  
men with power one more power 100

2081  
01:07:44,230 --> 01:07:42,160  
that's what we're seeing like when you

2082  
01:07:45,109 --> 01:07:44,240  
get to the point where you know money is

2083  
01:07:46,870 --> 01:07:45,119  
no longer

2084  
01:07:48,390 --> 01:07:46,880  
an object and you have all the things in

2085  
01:07:50,150 --> 01:07:48,400  
the world it strictly becomes about

2086  
01:07:51,270 --> 01:07:50,160  
power and then that is uh

2087  
01:07:52,870 --> 01:07:51,280  
what we're seeing that's what we're

2088  
01:07:53,990 --> 01:07:52,880

seeing and then you know arguments could

2089

01:07:55,510 --> 01:07:54,000

be made i think what was it charlie

2090

01:07:55,990 --> 01:07:55,520

robinson was saying like now you have

2091

01:08:07,190 --> 01:07:56,000

like

2092

01:08:08,950 --> 01:08:07,200

um and and the term conspiracy theory is

2093

01:08:09,990 --> 01:08:08,960

a conspiracy sure yeah of course you

2094

01:08:14,230 --> 01:08:10,000

know it was weaponized against

2095

01:08:15,430 --> 01:08:14,240

us a long time ago right so yeah

2096

01:08:17,669 --> 01:08:15,440

yeah i don't even know if i know where

2097

01:08:20,550 --> 01:08:17,679

to exactly go i mean you know we are

2098

01:08:22,390 --> 01:08:20,560

i as charlie robinson says also i feel

2099

01:08:23,910 --> 01:08:22,400

like i'm more of a conspiracy analyst

2100

01:08:25,430 --> 01:08:23,920

than you know someone who looks into

2101

01:08:27,189 --> 01:08:25,440

conspiracy theories at this point

2102

01:08:30,229 --> 01:08:27,199

because the world around me has just

2103

01:08:31,430 --> 01:08:30,239

i mean the conspiracies are real like

2104

01:08:33,669 --> 01:08:31,440

you know when you put the weird theory

2105

01:08:35,030 --> 01:08:33,679

after maybe you you put me into a

2106

01:08:37,110 --> 01:08:35,040

category that's it's

2107

01:08:38,229 --> 01:08:37,120

not very accurate so it does seem

2108

01:08:40,390 --> 01:08:38,239

something that's like

2109

01:08:42,229 --> 01:08:40,400

used against us very often you know and

2110

01:08:43,990 --> 01:08:42,239

certainly i am the kind of person that

2111

01:08:45,669 --> 01:08:44,000

when i hear something that um

2112

01:08:48,229 --> 01:08:45,679

doesn't sound right i want to look into

2113

01:08:50,070 --> 01:08:48,239

it right and that doesn't say i just

2114

01:08:52,149 --> 01:08:50,080

i just believe it right away but i'm

2115

01:08:54,789 --> 01:08:52,159

going to go look at the evidence and

2116

01:08:55,269 --> 01:08:54,799

um a lot of times i found the evidence

2117

01:08:58,709 --> 01:08:55,279

that

2118

01:09:00,390 --> 01:08:58,719

to on what we're told

2119

01:09:02,789 --> 01:09:00,400

a lot of these things i don't know

2120

01:09:04,870 --> 01:09:02,799

exactly who and what is behind

2121

01:09:06,149 --> 01:09:04,880

for sure there's a lot of it creates a

2122

01:09:09,910 --> 01:09:06,159

lot more questions

2123

01:09:11,990 --> 01:09:09,920

right so um yeah i mean

2124

01:09:14,309 --> 01:09:12,000

conspiracies are i mean we're our

2125

01:09:16,390 --> 01:09:14,319

history is littered with conspiracies

2126

01:09:17,829 --> 01:09:16,400

right and uh i mean i don't think we

2127

01:09:20,390 --> 01:09:17,839

would all be sitting here

2128

01:09:21,030 --> 01:09:20,400

discussing the things we do if if we

2129

01:09:23,749 --> 01:09:21,040

didn't know

2130

01:09:25,669 --> 01:09:23,759

that most of them are true right well

2131

01:09:27,269 --> 01:09:25,679

literally every single conspiracy

2132

01:09:28,070 --> 01:09:27,279

quote-unquote theory that i've ever

2133

01:09:30,309 --> 01:09:28,080

looked into

2134

01:09:31,829 --> 01:09:30,319

never ever truthfully leads back to

2135

01:09:35,269 --> 01:09:31,839

their truth

2136

01:09:36,630 --> 01:09:35,279

ever so if we're looking at like you

2137

01:09:39,110 --> 01:09:36,640

know the more that we pull the layers

2138

01:09:42,309 --> 01:09:39,120

back on this matrix the more i see that

2139

01:09:43,349 --> 01:09:42,319

like just about so i'm going to say just

2140

01:09:45,349 --> 01:09:43,359

about because i want to be like

2141

01:09:46,630 --> 01:09:45,359

scientific and give like a reasonable

2142

01:09:49,749 --> 01:09:46,640

doubt to the other side

2143

01:09:51,269 --> 01:09:49,759

but so far every single thing that i

2144

01:09:53,349 --> 01:09:51,279

have become aware of in the last few

2145

01:09:55,910 --> 01:09:53,359

years and in particular over the almost

2146

01:09:57,590 --> 01:09:55,920

last year has it's been like warp speed

2147

01:10:00,149 --> 01:09:57,600

us finding these things out

2148

01:10:01,110 --> 01:10:00,159

um none of that leads back to what we

2149

01:10:04,470 --> 01:10:01,120

were told

2150

01:10:06,709 --> 01:10:04,480

sold made to repeat forced to memorize

2151  
01:10:08,870 --> 01:10:06,719  
all of that is garbage and that has

2152  
01:10:10,310 --> 01:10:08,880  
opened up the world of truth

2153  
01:10:11,990 --> 01:10:10,320  
for me and i always just say that we're

2154  
01:10:12,630 --> 01:10:12,000  
truthers say we're in a truther

2155  
01:10:15,110 --> 01:10:12,640  
community

2156  
01:10:17,830 --> 01:10:15,120  
um that we you know speak a

2157  
01:10:19,510 --> 01:10:17,840  
well-informed or critical mind you know

2158  
01:10:21,830 --> 01:10:19,520  
narrative um and that we encourage

2159  
01:10:24,070 --> 01:10:21,840  
people to do those same things also

2160  
01:10:26,550 --> 01:10:24,080  
um but yeah as far as like conspiracy

2161  
01:10:28,310 --> 01:10:26,560  
theories i mean they're all true

2162  
01:10:29,990 --> 01:10:28,320  
they're all of them true so i haven't

2163  
01:10:31,270 --> 01:10:30,000

i'm gonna i'm gonna be fair and say i

2164

01:10:33,030 --> 01:10:31,280

haven't looked at the flat earth thing

2165

01:10:33,590 --> 01:10:33,040

but in the back of my worried mind i'm

2166

01:10:36,149 --> 01:10:33,600

like

2167

01:10:37,189 --> 01:10:36,159

crap i think that probably we're flat i

2168

01:10:39,030 --> 01:10:37,199

mean

2169

01:10:41,030 --> 01:10:39,040

if that ends up being like the same

2170

01:10:42,310 --> 01:10:41,040

level of non-truth that

2171

01:10:44,470 --> 01:10:42,320

we've come to everything else then we're

2172

01:10:45,510 --> 01:10:44,480

definitely on a flat earth and i'm not

2173

01:10:47,590 --> 01:10:45,520

ready to jump

2174

01:10:49,430 --> 01:10:47,600

off onto that one but what i am what i'm

2175

01:10:50,790 --> 01:10:49,440

ready to say is is that like i wouldn't

2176

01:10:53,270 --> 01:10:50,800

be surprised if there's

2177

01:10:54,470 --> 01:10:53,280

some lies within there right like i mean

2178

01:10:56,390 --> 01:10:54,480

you know i know like like

2179

01:10:58,229 --> 01:10:56,400

like sam talks about believing like the

2180

01:11:00,070 --> 01:10:58,239

realms the realm theory right like so

2181

01:11:01,910 --> 01:11:00,080

and i don't know man i i don't know i

2182

01:11:03,910 --> 01:11:01,920

haven't looked into the information

2183

01:11:06,149 --> 01:11:03,920

what i know is there's things that i

2184

01:11:08,070 --> 01:11:06,159

have taken for granted that were so true

2185

01:11:08,790 --> 01:11:08,080

that i've learned there's such big lies

2186

01:11:11,030 --> 01:11:08,800

behind

2187

01:11:12,550 --> 01:11:11,040

that um i want to question anything i'm

2188

01:11:13,669 --> 01:11:12,560

taught anymore anything they taught me

2189

01:11:16,310 --> 01:11:13,679

in school is worth

2190

01:11:19,110 --> 01:11:16,320

questioning yeah yeah so here we are

2191

01:11:20,149 --> 01:11:19,120

flat earth yeah so

2192

01:11:21,910 --> 01:11:20,159

i love it i didn't even know that was

2193

01:11:23,030 --> 01:11:21,920

coming up and i know that that's i think

2194

01:11:26,790 --> 01:11:23,040

this is hilarious spherically

2195

01:11:28,709 --> 01:11:26,800

spherically neutral love that word

2196

01:11:31,189 --> 01:11:28,719

that's the best thing ever dude so

2197

01:11:33,669 --> 01:11:31,199

yes no spherically neutral elon musk

2198

01:11:35,350 --> 01:11:33,679

quote why is there no flat mars society

2199

01:11:37,350 --> 01:11:35,360

and suspicious i mean why is everyone

2200

01:11:40,390 --> 01:11:37,360

talking about it like it's a real thing

2201  
01:11:41,110 --> 01:11:40,400  
so i don't know hey so let me jump in on

2202  
01:11:42,630 --> 01:11:41,120  
the flat earth

2203  
01:11:45,990 --> 01:11:42,640  
because it's kind of an interesting one

2204  
01:11:49,189 --> 01:11:47,830  
i told you i do a pretty sciency show

2205  
01:11:50,709 --> 01:11:49,199  
and i've had some pretty respected

2206  
01:11:54,310 --> 01:11:50,719  
scientists on

2207  
01:11:57,590 --> 01:11:54,320  
and out of the blue a few years ago

2208  
01:11:59,270 --> 01:11:57,600  
i started getting inquiries from people

2209  
01:12:01,270 --> 01:11:59,280  
that you know when they do the fake

2210  
01:12:03,669 --> 01:12:01,280  
thing like oh i love your show

2211  
01:12:06,070 --> 01:12:03,679  
i listen to it all the time and you can

2212  
01:12:08,790 --> 01:12:06,080  
tell they've never listened to the show

2213  
01:12:09,110 --> 01:12:08,800

you really ought to do a flat earth show

2214

01:12:11,830 --> 01:12:09,120

you

2215

01:12:12,390 --> 01:12:11,840

really ought to interview this guy i

2216

01:12:17,110 --> 01:12:12,400

swear

2217

01:12:21,750 --> 01:12:17,120

where i'm at right now is that this is

2218

01:12:25,350 --> 01:12:21,760

a psyop to kind of infiltrate and divide

2219

01:12:26,229 --> 01:12:25,360

the alternative community the truther

2220

01:12:28,470 --> 01:12:26,239

community

2221

01:12:30,550 --> 01:12:28,480

because of course flat earth is full of

2222

01:12:31,590 --> 01:12:30,560

[h\_\_h] of course it's ridiculous of course

2223

01:12:34,070 --> 01:12:31,600

it's absurd

2224

01:12:34,790 --> 01:12:34,080

of course if you talk about this with

2225

01:12:38,870 --> 01:12:34,800

anyone

2226

01:12:41,270 --> 01:12:38,880

going to think you're a

2227

01:12:42,390 --> 01:12:41,280

wing nut and they should because there

2228

01:12:45,669 --> 01:12:42,400

isn't anything

2229

01:12:48,790 --> 01:12:45,679

to it scientifically if i wanted to

2230

01:12:50,470 --> 01:12:48,800

if i wanted to plant a meme that

2231

01:12:52,229 --> 01:12:50,480

you know the old roman thing when they

2232

01:12:52,550 --> 01:12:52,239

say divide and conquer that's really in

2233

01:12:55,830 --> 01:12:52,560

this

2234

01:12:58,950 --> 01:12:55,840

translation of the roman of the latin

2235

01:13:01,030 --> 01:12:58,960

it's divide and rule so it's like

2236

01:13:03,510 --> 01:13:01,040

co-opting groups dividing them into

2237

01:13:06,149 --> 01:13:03,520

groups let's get people talking about

2238

01:13:07,750 --> 01:13:06,159

flat earth this is more controversial

2239

01:13:09,750 --> 01:13:07,760

and i don't know where you guys are

2240

01:13:11,910 --> 01:13:09,760

let's get people talking about whether

2241

01:13:14,550 --> 01:13:11,920

there is a covid19

2242

01:13:15,830 --> 01:13:14,560

virus now i understand that viruses are

2243

01:13:17,990 --> 01:13:15,840

very complex

2244

01:13:20,470 --> 01:13:18,000

they're not what we what we think they

2245

01:13:23,750 --> 01:13:20,480

are i've interviewed dr henry bauer

2246

01:13:26,310 --> 01:13:23,760

super respected uh guy and he's

2247

01:13:27,990 --> 01:13:26,320

he was cracking the hiv aids thing a

2248

01:13:28,709 --> 01:13:28,000

long time ago saying it's not what you

2249

01:13:31,990 --> 01:13:28,719

say

2250

01:13:35,430 --> 01:13:32,000

there's no virus again to

2251  
01:13:39,110 --> 01:13:35,440  
me that seems like a very

2252  
01:13:40,070 --> 01:13:39,120  
a calculated move to kind of immediately

2253  
01:13:42,229 --> 01:13:40,080  
discredit

2254  
01:13:44,229 --> 01:13:42,239  
a whole bunch of people and what i

2255  
01:13:45,830 --> 01:13:44,239  
always point out people too on the virus

2256  
01:13:47,430 --> 01:13:45,840  
thing just said i go off on a little

2257  
01:13:50,790 --> 01:13:47,440  
another little

2258  
01:13:54,149 --> 01:13:50,800  
side track it's all right go research

2259  
01:13:56,950 --> 01:13:54,159  
the polio vaccine

2260  
01:13:57,350 --> 01:13:56,960  
right because you guys are on the vax

2261  
01:13:59,990 --> 01:13:57,360  
thing

2262  
01:14:01,030 --> 01:14:00,000  
and you know some of the terrible

2263  
01:14:04,630 --> 01:14:01,040

history

2264

01:14:06,709 --> 01:14:04,640  
of the polio vaccine and how

2265

01:14:08,310 --> 01:14:06,719  
it was built off of they cultured it

2266

01:14:09,669 --> 01:14:08,320  
these monkey livers and got a whole

2267

01:14:10,550 --> 01:14:09,679  
bunch of other crab in there that they

2268

01:14:13,110 --> 01:14:10,560  
didn't see

2269

01:14:15,510 --> 01:14:13,120  
but when they first brought out that

2270

01:14:18,149 --> 01:14:15,520  
vaccine

2271

01:14:20,070 --> 01:14:18,159  
there was the same kind of thing they

2272

01:14:22,229 --> 01:14:20,080  
were rushing it to market

2273

01:14:23,830 --> 01:14:22,239  
and then there was this one scientist

2274

01:14:27,189 --> 01:14:23,840  
this woman who had done work

2275

01:14:30,070 --> 01:14:27,199  
on testing the vaccine and she said

2276

01:14:30,790 --> 01:14:30,080

vaccines not safe you know i tested it

2277

01:14:32,470 --> 01:14:30,800

on some

2278

01:14:35,910 --> 01:14:32,480

i did some animal tests and some other

2279

01:14:39,830 --> 01:14:35,920

things i'm not sure on this vaccine

2280

01:14:42,470 --> 01:14:39,840

so this one guy ash

2281

01:14:43,350 --> 01:14:42,480

oshner i'm pretty sure the name is

2282

01:14:45,430 --> 01:14:43,360

oshner

2283

01:14:47,350 --> 01:14:45,440

he is huge still in if you go down to

2284

01:14:50,790 --> 01:14:47,360

new orleans there's all these medical

2285

01:14:52,950 --> 01:14:50,800

centers oshner medical center

2286

01:14:54,790 --> 01:14:52,960

he stepped forward he said because he

2287

01:14:56,790 --> 01:14:54,800

had a big financial interest in the

2288

01:14:59,750 --> 01:14:56,800

virus getting out there i'm sorry

2289

01:15:01,030 --> 01:14:59,760

the vaccine polio vaccine going forward

2290

01:15:03,270 --> 01:15:01,040

he said it's safe

2291

01:15:05,590 --> 01:15:03,280

i tell you how safe it is i'm going to

2292

01:15:07,430 --> 01:15:05,600

bring up my two kid grandkids

2293

01:15:09,030 --> 01:15:07,440

and i'm going to show you right on stage

2294

01:15:11,030 --> 01:15:09,040

i'm going to give them the vaccine

2295

01:15:12,790 --> 01:15:11,040

and you're going to see that it's safe

2296

01:15:13,430 --> 01:15:12,800

read this people this is history this is

2297

01:15:15,270 --> 01:15:13,440

not like

2298

01:15:17,510 --> 01:15:15,280

you can read this on wikipedia you know

2299

01:15:19,590 --> 01:15:17,520

the most phony baloney [h\_\_\h]

2300

01:15:22,229 --> 01:15:19,600

thing but it's still it's that much of a

2301

01:15:25,189 --> 01:15:22,239

confirmed history

2302

01:15:27,510 --> 01:15:25,199

he vaccinates the two kids one of them

2303

01:15:30,630 --> 01:15:27,520

dies within 24 hours

2304

01:15:32,149 --> 01:15:30,640

and the other one is severely severely

2305

01:15:35,750 --> 01:15:32,159

severely handicapped

2306

01:15:39,510 --> 01:15:35,760

within 48 hours his two grandkids

2307

01:15:42,790 --> 01:15:39,520

so what that tells me is two things one

2308

01:15:45,430 --> 01:15:42,800

we should wonder about vaccine safety

2309

01:15:46,870 --> 01:15:45,440

a little bit which is that your head but

2310

01:15:51,189 --> 01:15:46,880

the second thing

2311

01:15:54,790 --> 01:15:51,199

is anyone who doesn't think that

2312

01:15:57,510 --> 01:15:54,800

viruses are real and that

2313

01:15:58,149 --> 01:15:57,520

if you're injected with a virus or you

2314

01:16:00,950 --> 01:15:58,159

can get

2315

01:16:01,669 --> 01:16:00,960

overloaded with a virus and that it can

2316

01:16:05,430 --> 01:16:01,679

cause

2317

01:16:08,550 --> 01:16:05,440

severe health problems including death

2318

01:16:11,110 --> 01:16:08,560

i mean this idea and david ike

2319

01:16:12,550 --> 01:16:11,120

you know he's kind of perpet you know

2320

01:16:14,149 --> 01:16:12,560

put this idea out there and i really

2321

01:16:16,550 --> 01:16:14,159

kind of called him on it

2322

01:16:18,229 --> 01:16:16,560

gently because i love david ike yeah but

2323

01:16:20,070 --> 01:16:18,239

i gently kind of call them out

2324

01:16:21,669 --> 01:16:20,080

david you don't really believe that that

2325

01:16:24,550 --> 01:16:21,679

there's no such thing as

2326

01:16:26,709 --> 01:16:24,560

you know covet 19. i mean it's it's more

2327

01:16:30,310 --> 01:16:26,719

of a mind trip to think that

2328

01:16:32,870 --> 01:16:30,320

that whole thing was just nothing

2329

01:16:34,550 --> 01:16:32,880

then i mean don't we know at this point

2330

01:16:35,990 --> 01:16:34,560

you now i'm getting

2331

01:16:38,149 --> 01:16:36,000

i gotta shut that down because that's

2332

01:16:39,590 --> 01:16:38,159

like a two hour two hour discussion i

2333

01:16:40,870 --> 01:16:39,600

know a lot of you have a little bit of a

2334

01:16:42,630 --> 01:16:40,880

discussion on this one because i did

2335

01:16:44,630 --> 01:16:42,640

listen to your interview with uh dr tom

2336

01:16:46,950 --> 01:16:44,640

cowan who i am a big fan of so

2337

01:16:48,870 --> 01:16:46,960

and that was a pretty short interview

2338

01:16:50,229 --> 01:16:48,880

yeah i got i got a lot of i got a lot of

2339

01:16:51,990 --> 01:16:50,239

crap for that interview and

2340

01:16:53,750 --> 01:16:52,000

it i i'll tell you the story behind it

2341

01:16:54,310 --> 01:16:53,760

but go ahead tell me what you no i just

2342

01:16:56,149 --> 01:16:54,320

i i

2343

01:16:57,350 --> 01:16:56,159

i guess i think you didn't get passed to

2344

01:16:59,270 --> 01:16:57,360

to where to where

2345

01:17:01,750 --> 01:16:59,280

dr dom callum explains himself a little

2346

01:17:04,709 --> 01:17:01,760

bit more and and i don't think

2347

01:17:05,350 --> 01:17:04,719

i guess the idea that the virus is the

2348

01:17:07,990 --> 01:17:05,360

problem

2349

01:17:08,550 --> 01:17:08,000

is the issue right because the virus is

2350

01:17:11,669 --> 01:17:08,560

the way

2351

01:17:12,630 --> 01:17:11,679

your body uh excretes the toxin is his

2352

01:17:15,669 --> 01:17:12,640

argument right

2353

01:17:17,430 --> 01:17:15,679

and so there's and so what is the toxin

2354

01:17:19,189 --> 01:17:17,440

right and he he breaks that down pretty

2355

01:17:20,550 --> 01:17:19,199

well i've listened to him in several

2356

01:17:22,229 --> 01:17:20,560

different times and and

2357

01:17:23,910 --> 01:17:22,239

i think there's something there i don't

2358

01:17:25,430 --> 01:17:23,920

what i what i think is if you go back to

2359

01:17:27,350 --> 01:17:25,440

the history and you know i mean this

2360

01:17:30,550 --> 01:17:27,360

ties in with uh

2361

01:17:32,550 --> 01:17:30,560

uh what's his name the pcr guy oh carrie

2362

01:17:36,149 --> 01:17:32,560

mullis terry mullis like like he

2363

01:17:39,350 --> 01:17:38,229

what's that the test right well yeah but

2364

01:17:43,110 --> 01:17:39,360

he also um

2365

01:17:45,270 --> 01:17:43,120

yeah he he got when he got his uh

2366

01:17:46,870 --> 01:17:45,280

nobel award or whatever he was he got to

2367

01:17:48,550 --> 01:17:46,880

go to a dinner with all these people and

2368

01:17:49,189 --> 01:17:48,560

i listened to dr tom calan tell the

2369

01:17:51,270 --> 01:17:49,199

story

2370

01:17:53,030 --> 01:17:51,280

and uh you know he just believed you

2371

01:17:54,310 --> 01:17:53,040

know uh

2372

01:17:56,149 --> 01:17:54,320

you know that it was i think it was

2373

01:17:58,870 --> 01:17:56,159

about the aids virus that the aids

2374

01:17:59,669 --> 01:17:58,880

virus the you know the hiv virus caused

2375

01:18:01,669 --> 01:17:59,679

the aids and

2376

01:18:02,870 --> 01:18:01,679

and he went up to the guy who got the

2377

01:18:05,510 --> 01:18:02,880

nobel

2378

01:18:06,950 --> 01:18:05,520

award for for that and said okay great i

2379

01:18:08,630 --> 01:18:06,960

finally get to meet you you know

2380

01:18:10,070 --> 01:18:08,640

so now can you show me actually how this

2381

01:18:11,669 --> 01:18:10,080

works

2382

01:18:13,110 --> 01:18:11,679

and there was actually no science to

2383

01:18:15,030 --> 01:18:13,120

prove that that actually

2384

01:18:16,709 --> 01:18:15,040

this was the cause of this and i i'm not

2385

01:18:18,149 --> 01:18:16,719

saying i don't think it comes down to

2386

01:18:19,270 --> 01:18:18,159

the simple thing of like

2387

01:18:21,189 --> 01:18:19,280

there's not something out there

2388

01:18:21,750 --> 01:18:21,199

spreading through people right i just

2389

01:18:23,590 --> 01:18:21,760

think that

2390

01:18:25,350 --> 01:18:23,600

maybe our understanding that the virus

2391

01:18:27,189 --> 01:18:25,360

is the piece you know

2392

01:18:28,870 --> 01:18:27,199

and i think that western medicine does

2393

01:18:30,149 --> 01:18:28,880

this a lot and i've heard dr tom kellen

2394

01:18:31,590 --> 01:18:30,159

use this analogy right

2395

01:18:33,110 --> 01:18:31,600

like this is this is the one of the

2396

01:18:34,870 --> 01:18:33,120

problems we have with western medicine

2397

01:18:37,350 --> 01:18:34,880

like you get a sliver

2398

01:18:39,189 --> 01:18:37,360

your body creates pus around the sliver

2399

01:18:41,110 --> 01:18:39,199

to expel the sliver

2400

01:18:42,790 --> 01:18:41,120

right western medicine comes in and

2401

01:18:44,950 --> 01:18:42,800

kills the pus

2402

01:18:45,910 --> 01:18:44,960

right so so you don't you don't have the

2403

01:18:48,229 --> 01:18:45,920

problem but

2404

01:18:49,350 --> 01:18:48,239

but really the problem's still there

2405

01:18:50,709 --> 01:18:49,360

management yeah so

2406

01:18:53,510 --> 01:18:50,719

it's the symptom management but it's not

2407

01:18:56,550 --> 01:18:53,520

even the you're kill it's not just

2408

01:18:57,990 --> 01:18:56,560

uh you know symptom management because

2409

01:18:58,790 --> 01:18:58,000

you're actually killing your body's way

2410

01:19:01,189 --> 01:18:58,800

of dealing

2411

01:19:02,709 --> 01:19:01,199

with the problem right but here's the

2412

01:19:05,750 --> 01:19:02,719

thing here's the thing i mean

2413

01:19:08,149 --> 01:19:05,760

i'm down with the whole uh terrain

2414

01:19:08,390 --> 01:19:08,159

versus germ theory thing that those guys

2415

01:19:11,669 --> 01:19:08,400

are

2416

01:19:14,630 --> 01:19:11,679

i did a whole show

2417

01:19:16,870 --> 01:19:14,640

on on that and that was super super

2418

01:19:19,990 --> 01:19:16,880

complimentary and stuff like that

2419

01:19:22,070 --> 01:19:20,000

tom i'm not down with tom at all

2420

01:19:23,390 --> 01:19:22,080

and i don't like his vibe and i don't

2421

01:19:25,669 --> 01:19:23,400

like the way he he

2422

01:19:26,390 --> 01:19:25,679

misrepresents things and leaves the

2423

01:19:28,550 --> 01:19:26,400

wrong

2424

01:19:30,149 --> 01:19:28,560

impression so if he wants to find this

2425

01:19:31,910 --> 01:19:30,159

subtle line between

2426

01:19:33,669 --> 01:19:31,920

what you're saying which is we don't

2427

01:19:35,350 --> 01:19:33,679

fully understand viruses

2428

01:19:37,990 --> 01:19:35,360

we don't understand the relationship

2429

01:19:39,830 --> 01:19:38,000

between uh virus and disease and all

2430

01:19:42,870 --> 01:19:39,840

that i'm down with that

2431

01:19:44,790 --> 01:19:42,880

but like the big point that that just

2432

01:19:45,669 --> 01:19:44,800

sent me off on him and it was mainly

2433

01:19:48,790 --> 01:19:45,679

because

2434

01:19:50,870 --> 01:19:48,800

uh matt bellaire who was

2435

01:19:52,470 --> 01:19:50,880

i had spent you know two months with

2436

01:19:55,110 --> 01:19:52,480

matt trying to show him

2437

01:19:56,550 --> 01:19:55,120

how ridiculous this there is no such

2438

01:19:58,229 --> 01:19:56,560

thing these guys are saying there's no

2439

01:20:00,470 --> 01:19:58,239

such thing as viruses

2440

01:20:01,669 --> 01:20:00,480

at all that they don't have anything to

2441

01:20:03,590 --> 01:20:01,679

do with

2442

01:20:05,430 --> 01:20:03,600

causing disease and my thing is always

2443

01:20:05,910 --> 01:20:05,440

just to go back to the ochsner story and

2444

01:20:08,390 --> 01:20:05,920

say

2445

01:20:09,590 --> 01:20:08,400

no you can inject someone with a virus

2446

01:20:11,669 --> 01:20:09,600

and they can die

2447

01:20:13,910 --> 01:20:11,679

you can weaponize a virus and you can

2448

01:20:15,830 --> 01:20:13,920

kill people you can weaponize a virus

2449

01:20:18,310 --> 01:20:15,840

and you can give people cancer

2450

01:20:20,149 --> 01:20:18,320

this suggests that this relationship we

2451  
01:20:21,590 --> 01:20:20,159  
have in our body and i'm not a medical

2452  
01:20:24,390 --> 01:20:21,600  
guy i don't know this [\h\_\_\h]

2453  
01:20:24,950 --> 01:20:24,400  
first [\h\_\_\h] i don't but the fact it's

2454  
01:20:29,510 --> 01:20:24,960  
it's so

2455  
01:20:31,430 --> 01:20:29,520  
plainly obvious that it is complex

2456  
01:20:33,030 --> 01:20:31,440  
but to protect and i'm guessing what

2457  
01:20:34,629 --> 01:20:33,040  
what i would stop you at and this is

2458  
01:20:35,510 --> 01:20:34,639  
another thing i've listened to dr tom

2459  
01:20:38,470 --> 01:20:35,520  
callan explain

2460  
01:20:39,110 --> 01:20:38,480  
is is that they've tried many many times

2461  
01:20:41,590 --> 01:20:39,120  
to take

2462  
01:20:43,510 --> 01:20:41,600  
a virus out of one person and put it

2463  
01:20:43,830 --> 01:20:43,520

into another person and have it infect

2464

01:20:45,430 --> 01:20:43,840

them

2465

01:20:47,030 --> 01:20:45,440

and they weren't able to just do it just

2466

01:20:49,270 --> 01:20:47,040

like that that they have actually

2467

01:20:51,030 --> 01:20:49,280

had to do all this other extra crap to

2468

01:20:53,189 --> 01:20:51,040

like put it in the monkey's brain and

2469

01:20:55,030 --> 01:20:53,199

i'm i will misquote it but i've listened

2470

01:20:57,110 --> 01:20:55,040

to him explain it but like uh

2471

01:20:58,950 --> 01:20:57,120

but like it's not they haven't been able

2472

01:20:59,510 --> 01:20:58,960

to just you know take a syringe from one

2473

01:21:01,110 --> 01:20:59,520

patient

2474

01:21:02,870 --> 01:21:01,120

and put it into another and it infects

2475

01:21:04,070 --> 01:21:02,880

them and that's his whole basis of his

2476

01:21:06,149 --> 01:21:04,080

entire argument

2477

01:21:09,110 --> 01:21:06,159

so and i does i do think he differs from

2478

01:21:10,950 --> 01:21:09,120

uh dr uh you know andrew uh kaufman

2479

01:21:13,030 --> 01:21:10,960

a little bit in that and i would

2480

01:21:14,790 --> 01:21:13,040

encourage you and i i need to do a

2481

01:21:15,669 --> 01:21:14,800

little bit more research to really speak

2482

01:21:17,189 --> 01:21:15,679

out on this and i'm

2483

01:21:18,870 --> 01:21:17,199

i'm not saying i have this completely

2484

01:21:22,070 --> 01:21:18,880

understood either but

2485

01:21:22,950 --> 01:21:22,080

i'm just i'm always intrigued with the

2486

01:21:24,870 --> 01:21:22,960

other side

2487

01:21:26,550 --> 01:21:24,880

and um and when he just explained it

2488

01:21:28,229 --> 01:21:26,560

makes it a lot of sense to me and it is

2489

01:21:30,310 --> 01:21:28,239

it's based in that terrain theory which

2490

01:21:31,990 --> 01:21:30,320

i truly do believe in

2491

01:21:34,070 --> 01:21:32,000

yeah but it's not i mean clearly just to

2492

01:21:35,430 --> 01:21:34,080

me clearly it's not all or nothing on

2493

01:21:37,350 --> 01:21:35,440

the terrain theory

2494

01:21:38,790 --> 01:21:37,360

it's like is i mean doesn't it seem

2495

01:21:39,910 --> 01:21:38,800

obvious to all of us and i don't want to

2496

01:21:41,590 --> 01:21:39,920

say obvious because then

2497

01:21:43,510 --> 01:21:41,600

all this stuff that seems obvious isn't

2498

01:21:45,350 --> 01:21:43,520

obvious but here are the things that

2499

01:21:47,910 --> 01:21:45,360

that i struggle with is that

2500

01:21:50,070 --> 01:21:47,920

you know what i think i have a pretty

2501

01:21:51,830 --> 01:21:50,080

damn good immune system i know because i

2502

01:21:54,310 --> 01:21:51,840

do a lot of good healthy things and

2503

01:21:55,350 --> 01:21:54,320

i never get sick i just never get sick

2504

01:21:58,149 --> 01:21:55,360

because i have a good

2505

01:21:59,189 --> 01:21:58,159

immune system right so that is terrain

2506

01:22:02,390 --> 01:21:59,199

theory in action

2507

01:22:05,270 --> 01:22:02,400

i get that but i would not go

2508

01:22:06,470 --> 01:22:05,280

and line up to get shot with the ebola

2509

01:22:09,189 --> 01:22:06,480

virus

2510

01:22:10,229 --> 01:22:09,199

that some guy has weaponized in some lab

2511

01:22:12,629 --> 01:22:10,239

in russia

2512

01:22:14,709 --> 01:22:12,639

i wouldn't jump out to do that and like

2513

01:22:16,709 --> 01:22:14,719

i said there's too many examples that we

2514

01:22:18,550 --> 01:22:16,719

know of that where the stuff leaks out

2515

01:22:19,750 --> 01:22:18,560

or they have weaponized it and they have

2516

01:22:21,270 --> 01:22:19,760

released it so

2517

01:22:23,030 --> 01:22:21,280

i don't know what he's saying about

2518

01:22:24,310 --> 01:22:23,040

where you can't take it from one and

2519

01:22:25,910 --> 01:22:24,320

give it to another again

2520

01:22:27,510 --> 01:22:25,920

i i don't have complete knowledge on

2521

01:22:30,390 --> 01:22:27,520

that but the thing that i that i

2522

01:22:31,030 --> 01:22:30,400

got it pissed me off when when we talked

2523

01:22:32,470 --> 01:22:31,040

and it was ma

2524

01:22:34,390 --> 01:22:32,480

i could have definitely handled the

2525

01:22:37,189 --> 01:22:34,400

interview better it's like

2526

01:22:39,110 --> 01:22:37,199

not my not my finest moment by any

2527

01:22:41,270 --> 01:22:39,120

stretch and i've never cut off a

2528

01:22:42,790 --> 01:22:41,280

uh somebody like that he's the first 400

2529

01:22:45,430 --> 01:22:42,800

shows but too bad

2530

01:22:46,629 --> 01:22:45,440

but here's the other thing is that i

2531

01:22:50,390 --> 01:22:46,639

said look

2532

01:22:52,229 --> 01:22:50,400

here's the guy in the like when the the

2533

01:22:55,030 --> 01:22:52,239

virus to be isolated

2534

01:22:57,110 --> 01:22:55,040

right he was all no no one's isolated

2535

01:22:58,990 --> 01:22:57,120

virus the virus has never been isolated

2536

01:23:00,550 --> 01:22:59,000

and i said here's the guy in

2537

01:23:03,030 --> 01:23:00,560

saskatchewan

2538

01:23:03,990 --> 01:23:03,040

who says he's isolated the virus and i

2539

01:23:06,950 --> 01:23:04,000

took it from a

2540

01:23:08,229 --> 01:23:06,960

personal standpoint i go okay imagine

2541

01:23:10,390 --> 01:23:08,239

you're that guy

2542

01:23:11,270 --> 01:23:10,400

and you get up in saskatchewan this

2543

01:23:13,270 --> 01:23:11,280

morning and you go

2544

01:23:14,950 --> 01:23:13,280

grab your cup of coffee and kiss your

2545

01:23:17,669 --> 01:23:14,960

wife goodbye and say

2546

01:23:18,229 --> 01:23:17,679

bye honey i'm off to perpetuate the

2547

01:23:20,790 --> 01:23:18,239

biggest

2548

01:23:22,390 --> 01:23:20,800

medical fraud in history oh but i'm

2549

01:23:23,669 --> 01:23:22,400

joined by all these other

2550

01:23:25,750 --> 01:23:23,679

colleagues around the world

2551

01:23:28,390 --> 01:23:25,760

independently who are

2552

01:23:29,030 --> 01:23:28,400

the guy's a virologist you can go look

2553

01:23:31,910 --> 01:23:29,040

at pictures

2554

01:23:33,430 --> 01:23:31,920

of the guy spent uh 10 years in the

2555

01:23:36,310 --> 01:23:33,440

deserts of sudan

2556

01:23:38,229 --> 01:23:36,320

working with viruses in camels and

2557

01:23:39,590 --> 01:23:38,239

looking how the virus is spread to

2558

01:23:42,629 --> 01:23:39,600

humans right

2559

01:23:44,870 --> 01:23:42,639

he's a virologist because

2560

01:23:45,669 --> 01:23:44,880

because viruses are real and these

2561

01:23:47,590 --> 01:23:45,679

people in

2562

01:23:49,189 --> 01:23:47,600

the desert in sudan they have a problem

2563

01:23:50,470 --> 01:23:49,199

because the camels get the virus and

2564

01:23:53,669 --> 01:23:50,480

then people get the virus

2565

01:23:56,070 --> 01:23:53,679

so if for colin to be not

2566

01:23:56,790 --> 01:23:56,080

talking out of his ass none of that

2567

01:23:59,189 --> 01:23:56,800

that's all

2568

01:24:00,390 --> 01:23:59,199

fake there's no viruses in the camels

2569

01:24:01,990 --> 01:24:00,400

that ever spread to the people because

2570

01:24:04,070 --> 01:24:02,000

there's no viruses and no one ever

2571

01:24:05,590 --> 01:24:04,080

gets sick and then he never came back to

2572

01:24:07,990 --> 01:24:05,600

his lab in saskatchewan

2573

01:24:08,629 --> 01:24:08,000

and isolated the virus which he said

2574

01:24:10,870 --> 01:24:08,639

that he did

2575

01:24:12,709 --> 01:24:10,880

and how would you ever have a vaccine if

2576

01:24:14,790 --> 01:24:12,719

you didn't isolate a virus

2577

01:24:16,390 --> 01:24:14,800

so we can debate whether the vaccine is

2578

01:24:17,110 --> 01:24:16,400

healthy or this and that but they can

2579

01:24:18,870 --> 01:24:17,120

measure the

2580

01:24:20,709 --> 01:24:18,880

the damn vaccine as to whether it

2581

01:24:21,189 --> 01:24:20,719

generates antibodies and all the rest of

2582

01:24:24,390 --> 01:24:21,199

that

2583

01:24:26,470 --> 01:24:24,400

just completely

2584

01:24:27,990 --> 01:24:26,480

false unless maybe that's what time is

2585

01:24:30,629 --> 01:24:28,000

but that story

2586

01:24:31,110 --> 01:24:30,639

just doesn't [h\_\_h] add up go look at

2587

01:24:32,310 --> 01:24:31,120

this

2588

01:24:34,550 --> 01:24:32,320

go look at the i just think there's

2589

01:24:34,870 --> 01:24:34,560

there's another theory and i i i mean i

2590

01:24:38,070 --> 01:24:34,880

too

2591

01:24:39,830 --> 01:24:38,080

i i really think that you you just

2592

01:24:40,790 --> 01:24:39,840

didn't get there with him i really do

2593

01:24:42,550 --> 01:24:40,800

feel that i really

2594

01:24:44,310 --> 01:24:42,560

feel you just didn't get his explanation

2595

01:24:46,709 --> 01:24:44,320

because i mean there's there's different

2596

01:24:48,950 --> 01:24:46,719

ways of looking at what causes what

2597

01:24:50,629 --> 01:24:48,960

and that's what this comes down to and i

2598

01:24:52,790 --> 01:24:50,639

and i wish i had all of

2599

01:24:54,310 --> 01:24:52,800

you know i i'm not the doctor and i'm

2600

01:24:55,669 --> 01:24:54,320

not the scientist but i've listened to

2601

01:24:57,830 --> 01:24:55,679

him speak a lot and i've

2602

01:24:58,950 --> 01:24:57,840

i i think there's a lot more to it it's

2603

01:25:01,430 --> 01:24:58,960

just he didn't care

2604

01:25:03,270 --> 01:25:01,440

get him get him on get him on i'm happy

2605

01:25:03,830 --> 01:25:03,280

to come on and talk to him again and

2606

01:25:07,830 --> 01:25:03,840

i'll be

2607

01:25:10,310 --> 01:25:07,840

more well prepared too

2608

01:25:11,590 --> 01:25:10,320

because the part that set me off is i

2609

01:25:14,470 --> 01:25:11,600

showed him the pictures

2610

01:25:16,070 --> 01:25:14,480

of the guy in saskatchewan who claims

2611

01:25:19,030 --> 01:25:16,080

that he isolated the virus

2612

01:25:20,229 --> 01:25:19,040

and he said no he hasn't and that for

2613

01:25:22,470 --> 01:25:20,239

him to say that

2614

01:25:24,390 --> 01:25:22,480

it just set me off because it's flat

2615

01:25:27,030 --> 01:25:24,400

earth [h\_\_h]

2616

01:25:27,510 --> 01:25:27,040

like i just said for you know yeah it's

2617

01:25:30,629 --> 01:25:27,520

i'm not

2618

01:25:32,070 --> 01:25:30,639

arguing that it is much more complicated

2619

01:25:34,070 --> 01:25:32,080

and i'm not arguing like you're saying

2620

01:25:37,350 --> 01:25:34,080

ed about the aids vaccine thing

2621

01:25:37,830 --> 01:25:37,360

the the the numbers don't add up and

2622

01:25:44,629 --> 01:25:37,840

aids

2623

01:25:46,149 --> 01:25:44,639

but the idea that there isn't a virus

2624

01:25:48,229 --> 01:25:46,159

doesn't add up either i mean these

2625

01:25:51,910 --> 01:25:48,239

virologists are not just

2626

01:25:54,550 --> 01:25:51,920

you know twiddling their thumbs all day

2627

01:25:56,470 --> 01:25:54,560

yeah totally yeah i think we should move

2628

01:25:58,149 --> 01:25:56,480

on from this one

2629

01:26:00,790 --> 01:25:58,159

hey let's talk about pizzagate what do

2630

01:26:04,310 --> 01:26:02,950

yeah i think we should i think we should

2631

01:26:05,990 --> 01:26:04,320

uh in and we could talk

2632

01:26:07,189 --> 01:26:06,000

pizzagate because we ought to we ought

2633

01:26:08,950 --> 01:26:07,199

to wrap it up we've been going a long

2634

01:26:10,790 --> 01:26:08,960

time

2635

01:26:12,149 --> 01:26:10,800

i left a lot of good ones yeah there's a

2636

01:26:13,830 --> 01:26:12,159

lot of good stuff on here man

2637

01:26:15,590 --> 01:26:13,840

yeah dude and i'll give you the link if

2638

01:26:16,229 --> 01:26:15,600

anyone who's listening ever wants to

2639

01:26:18,229 --> 01:26:16,239

look at this

2640

01:26:19,350 --> 01:26:18,239

i'm happy i'd love to see what you think

2641

01:26:21,750 --> 01:26:19,360

oh yeah religion

2642

01:26:24,149 --> 01:26:21,760

we have a question on religion you know

2643

01:26:26,470 --> 01:26:24,159

it's good for social cohesion

2644

01:26:27,590 --> 01:26:26,480

uh it's the highest expression of

2645

01:26:29,910 --> 01:26:27,600

humanity

2646

01:26:30,629 --> 01:26:29,920

and it's an unnecessary intermediary

2647

01:26:33,830 --> 01:26:30,639

that's my

2648

01:26:35,590 --> 01:26:33,840

take on it christianity woven into the

2649

01:26:38,950 --> 01:26:35,600

fabric of western culture

2650

01:26:41,590 --> 01:26:38,960

path to transcendence what jesus told us

2651  
01:26:43,270 --> 01:26:41,600  
what jesus told me i'm down with

2652  
01:26:46,310 --> 01:26:43,280  
anything jesus tells you

2653  
01:26:48,790 --> 01:26:46,320  
i'm not down with what jesus told us

2654  
01:26:49,990 --> 01:26:48,800  
cultish at least leaning leaning on

2655  
01:26:51,830 --> 01:26:50,000  
cultish principles i'd

2656  
01:26:53,189 --> 01:26:51,840  
agree with that never death experience

2657  
01:26:53,669 --> 01:26:53,199  
i've got 100 shows on near-death

2658  
01:26:57,189 --> 01:26:53,679  
experience

2659  
01:26:59,270 --> 01:26:57,199  
yeah yoga i'm all about yoga

2660  
01:27:00,310 --> 01:26:59,280  
we're living in a simulation e.t we're

2661  
01:27:03,590 --> 01:27:00,320  
going to skip that one

2662  
01:27:06,390 --> 01:27:03,600  
flat earth pizza gate oh

2663  
01:27:07,430 --> 01:27:06,400

god okay well you know i don't know i

2664

01:27:09,430 --> 01:27:07,440

honestly don't know what to think of it

2665

01:27:10,790 --> 01:27:09,440

like i think uh

2666

01:27:12,390 --> 01:27:10,800

there's a lot to it it's a very

2667

01:27:13,830 --> 01:27:12,400

interesting thing like james alefantis

2668

01:27:15,750 --> 01:27:13,840

is a weird dude and there's a lot of

2669

01:27:18,070 --> 01:27:15,760

strange stuff involved with that

2670

01:27:19,510 --> 01:27:18,080

um but now that i'm seeing the whole and

2671

01:27:20,709 --> 01:27:19,520

okay so here's the things like so for me

2672

01:27:23,669 --> 01:27:20,719

with the q thing right

2673

01:27:25,510 --> 01:27:23,679

i was and the first like when i think it

2674

01:27:26,870 --> 01:27:25,520

was like 2017 like i first heard about

2675

01:27:28,070 --> 01:27:26,880

it on a podcast and i was like what the

2676

01:27:28,470 --> 01:27:28,080

hell is this and i started looking at it

2677

01:27:31,030 --> 01:27:28,480

i'm like

2678

01:27:32,390 --> 01:27:31,040

oh this is this is the greatest thing

2679

01:27:35,189 --> 01:27:32,400

that has ever happened babith

2680

01:27:35,669 --> 01:27:35,199

i was like yes yes okay like i was

2681

01:27:38,310 --> 01:27:35,679

really good

2682

01:27:39,270 --> 01:27:38,320

at this pretty good butt head yeah yeah

2683

01:27:42,629 --> 01:27:39,280

yeah

2684

01:27:43,350 --> 01:27:42,639

was like this is the culmination of all

2685

01:27:44,470 --> 01:27:43,360

my life's

2686

01:27:45,990 --> 01:27:44,480

everything is right here and i started

2687

01:27:46,629 --> 01:27:46,000

looking into it i'm like wow okay hold

2688

01:27:48,870 --> 01:27:46,639

on

2689

01:27:50,149 --> 01:27:48,880

red flags and it's like so trump is

2690

01:27:51,189 --> 01:27:50,159

supposed to be this white knight to save

2691

01:27:52,950 --> 01:27:51,199

everything like that's where it kind of

2692

01:27:53,750 --> 01:27:52,960

all fell apart for me right you know

2693

01:27:55,189 --> 01:27:53,760

like i

2694

01:27:56,550 --> 01:27:55,199

didn't want to put all the legs in that

2695

01:27:57,910 --> 01:27:56,560

basket so like all right i'm going to

2696

01:27:59,350 --> 01:27:57,920

keep an eye on this from a distance

2697

01:28:00,310 --> 01:27:59,360

right but but it got me thinking it got

2698

01:28:03,270 --> 01:28:00,320

me into it

2699

01:28:04,390 --> 01:28:03,280

and then just like literally up until

2700

01:28:05,590 --> 01:28:04,400

like just

2701  
01:28:06,550 --> 01:28:05,600  
and i was trying to like you know what i

2702  
01:28:08,149 --> 01:28:06,560  
mean like just kind of just like

2703  
01:28:09,110 --> 01:28:08,159  
entertaining that okay maybe wouldn't it

2704  
01:28:10,870 --> 01:28:09,120  
be awesome

2705  
01:28:12,709 --> 01:28:10,880  
if john f kennedy jr came back from the

2706  
01:28:14,149 --> 01:28:12,719  
dead and they rounded up all the

2707  
01:28:15,510 --> 01:28:14,159  
all the elites in the world and put them

2708  
01:28:16,709 --> 01:28:15,520  
in guantanamo bay that would be so

2709  
01:28:18,470 --> 01:28:16,719  
awesome

2710  
01:28:20,070 --> 01:28:18,480  
right so part of me just kind of held on

2711  
01:28:21,430 --> 01:28:20,080  
to that until like just within the last

2712  
01:28:23,430 --> 01:28:21,440  
couple weeks and i realized

2713  
01:28:24,470 --> 01:28:23,440

oh my god it was just a complete psyop

2714

01:28:28,950 --> 01:28:24,480

just to keep us

2715

01:28:31,350 --> 01:28:28,960

pacified and uh we're all queuing

2716

01:28:32,149 --> 01:28:31,360

they've all put us in that box we're all

2717

01:28:34,629 --> 01:28:32,159

queue and

2718

01:28:36,310 --> 01:28:34,639

it seems like the whole culmination of q

2719

01:28:37,669 --> 01:28:36,320

was to do exactly what's happening right

2720

01:28:40,950 --> 01:28:37,679

now in my opinion yeah

2721

01:28:42,629 --> 01:28:40,960

that's what it appears right now right

2722

01:28:44,709 --> 01:28:42,639

pizzagate so you know you get into

2723

01:28:46,070 --> 01:28:44,719

pizzagate i mean i've watched a lot on

2724

01:28:49,270 --> 01:28:46,080

it and stuff you know

2725

01:28:52,709 --> 01:28:49,280

i feel personally my

2726

01:28:53,669 --> 01:28:52,719

my take is is there's some incriminating

2727

01:28:56,070 --> 01:28:53,679

things here and there

2728

01:28:57,910 --> 01:28:56,080

to to weave the story that pizzagate is

2729

01:28:59,990 --> 01:28:57,920

is there's not enough there to do that

2730

01:29:01,910 --> 01:29:00,000

there's just there is not enough there

2731

01:29:03,990 --> 01:29:01,920

but that's that's the part of it that's

2732

01:29:04,950 --> 01:29:04,000

that i hate though is there is something

2733

01:29:06,470 --> 01:29:04,960

there yeah

2734

01:29:08,790 --> 01:29:06,480

there's something there like there is

2735

01:29:09,350 --> 01:29:08,800

like you know uh alefantis is is a weird

2736

01:29:10,950 --> 01:29:09,360

guy

2737

01:29:12,709 --> 01:29:10,960

you know podesta's like to have some

2738

01:29:16,790 --> 01:29:12,719

weird art for sure

2739

01:29:18,870 --> 01:29:16,800

they have some uh some emails that were

2740

01:29:20,470 --> 01:29:18,880

that i would like some explanation for

2741

01:29:22,629 --> 01:29:20,480

right like i would like some explanation

2742

01:29:24,149 --> 01:29:22,639

i want to know why they ordered 300 hot

2743

01:29:25,510 --> 01:29:24,159

dogs to the white house right why they

2744

01:29:26,950 --> 01:29:25,520

have three kids in his hot tub for

2745

01:29:27,590 --> 01:29:26,960

entertainment yeah like i want to know

2746

01:29:29,110 --> 01:29:27,600

these things

2747

01:29:31,110 --> 01:29:29,120

but at the same time i've always said

2748

01:29:33,750 --> 01:29:31,120

like if i had some like

2749

01:29:35,110 --> 01:29:33,760

dark inside jokes with my friends i

2750

01:29:37,430 --> 01:29:35,120

would say things like this

2751  
01:29:39,030 --> 01:29:37,440  
too right like that's just kind of how

2752  
01:29:40,550 --> 01:29:39,040  
my sense of humor works

2753  
01:29:44,070 --> 01:29:40,560  
so like i don't think there's enough

2754  
01:29:46,070 --> 01:29:44,080  
there but but it almost feels like

2755  
01:29:47,750 --> 01:29:46,080  
it's made out the way it is so like you

2756  
01:29:48,950 --> 01:29:47,760  
don't question so you're either on one

2757  
01:29:51,030 --> 01:29:48,960  
side or the other

2758  
01:29:52,709 --> 01:29:51,040  
when there's probably something in there

2759  
01:29:53,669 --> 01:29:52,719  
but there's just not enough for us to

2760  
01:29:55,990 --> 01:29:53,679  
really pick it out

2761  
01:29:57,590 --> 01:29:56,000  
yeah anyway occult practices by

2762  
01:30:00,709 --> 01:29:57,600  
high-ranking government officials 100

2763  
01:30:02,229 --> 01:30:00,719

yes but whether whether or not

2764

01:30:03,590 --> 01:30:02,239

pizzagates are red herring or not i

2765

01:30:04,709 --> 01:30:03,600

maybe have to go back and look at it now

2766

01:30:06,950 --> 01:30:04,719

that i know what the q thing

2767

01:30:08,950 --> 01:30:06,960

is i think there's enough there yeah i

2768

01:30:12,870 --> 01:30:08,960

think there was always enough there

2769

01:30:13,430 --> 01:30:12,880

yeah and i think again i kind of feel

2770

01:30:16,550 --> 01:30:13,440

like

2771

01:30:17,669 --> 01:30:16,560

we've obscured the the measure of what's

2772

01:30:19,910 --> 01:30:17,679

enough

2773

01:30:20,790 --> 01:30:19,920

yeah i think that was one of the psyops

2774

01:30:22,310 --> 01:30:20,800

on that

2775

01:30:24,310 --> 01:30:22,320

when i first came out of it i had a

2776

01:30:26,709 --> 01:30:24,320

bunch of people in the

2777

01:30:28,550 --> 01:30:26,719

occult in the magic community you know

2778

01:30:32,310 --> 01:30:28,560

one guy actually put a curse on me

2779

01:30:34,870 --> 01:30:32,320

you know for it's like no man would you

2780

01:30:37,030 --> 01:30:34,880

read that and then tell me you'd let

2781

01:30:40,709 --> 01:30:37,040

elephantus or podesta

2782

01:30:44,070 --> 01:30:40,719

babysit your kids not a chance

2783

01:30:47,189 --> 01:30:44,080

i've had people say that that in uh

2784

01:30:50,709 --> 01:30:47,199

you know child protective services uh

2785

01:30:52,950 --> 01:30:50,719

uh they say if if we saw

2786

01:30:53,910 --> 01:30:52,960

what just what's been shown in twitter

2787

01:30:55,270 --> 01:30:53,920

and stuff like that

2788

01:30:58,149 --> 01:30:55,280

if there was like some kind of divorce

2789

01:30:59,030 --> 01:30:58,159

proceeding he'd never get a chance at

2790

01:31:01,830 --> 01:30:59,040

those kids

2791

01:31:02,229 --> 01:31:01,840

yeah so but what's our standard you know

2792

01:31:04,950 --> 01:31:02,239

what's

2793

01:31:05,910 --> 01:31:04,960

what do we really need this is you know

2794

01:31:07,669 --> 01:31:05,920

because that's the other thing that

2795

01:31:11,030 --> 01:31:07,679

pisses me off about it is

2796

01:31:13,350 --> 01:31:11,040

number one they've to to me they totally

2797

01:31:14,629 --> 01:31:13,360

90 of people we're talking like i

2798

01:31:16,550 --> 01:31:14,639

respect what you're saying it i think

2799

01:31:17,110 --> 01:31:16,560

it's a totally valid position i'm not

2800

01:31:19,669 --> 01:31:17,120

saying that

2801  
01:31:20,870 --> 01:31:19,679  
totally valid i'm not i can't i'm just

2802  
01:31:21,590 --> 01:31:20,880  
saying i take a slightly different

2803  
01:31:24,870 --> 01:31:21,600  
position

2804  
01:31:28,790 --> 01:31:24,880  
but we go out to 90 of people

2805  
01:31:31,590 --> 01:31:28,800  
and pizzagate to them has become

2806  
01:31:33,270 --> 01:31:31,600  
a guy walks a guy uh is a conspiracy

2807  
01:31:35,030 --> 01:31:33,280  
theorist he gets a gun and he walks into

2808  
01:31:38,470 --> 01:31:35,040  
a restaurant and shoots uh

2809  
01:31:40,950 --> 01:31:38,480  
shoots it up that's what pizzagate is

2810  
01:31:43,030 --> 01:31:40,960  
it's not the real stuff that you're

2811  
01:31:45,110 --> 01:31:43,040  
talking about and i'm talking about

2812  
01:31:46,070 --> 01:31:45,120  
yeah and the other thing about this that

2813  
01:31:48,390 --> 01:31:46,080

gets me

2814

01:31:49,350 --> 01:31:48,400

is the satanic panic thing is related to

2815

01:31:50,629 --> 01:31:49,360

this right

2816

01:31:52,709 --> 01:31:50,639

because i don't know if you guys know

2817

01:31:55,830 --> 01:31:52,719

that i get off on this but

2818

01:31:57,189 --> 01:31:55,840

you know like you go google satanic

2819

01:31:58,070 --> 01:31:57,199

panic one of the first things you come

2820

01:32:01,189 --> 01:31:58,080

up with is

2821

01:32:02,629 --> 01:32:01,199

mcmartin preschool right yeah all those

2822

01:32:05,750 --> 01:32:02,639

poor people at mcmartin's

2823

01:32:07,030 --> 01:32:05,760

preschool yep go read the witch hunt

2824

01:32:10,390 --> 01:32:07,040

narrative

2825

01:32:13,590 --> 01:32:10,400

uh by the guy from brown university

2826  
01:32:14,470 --> 01:32:13,600  
the medical evidence the first kid that

2827  
01:32:16,229 --> 01:32:14,480  
comes home

2828  
01:32:17,830 --> 01:32:16,239  
matt johnson three and a half year old

2829  
01:32:19,990 --> 01:32:17,840  
kid he's bleeding

2830  
01:32:21,590 --> 01:32:20,000  
out of his butt and he goes to his mom

2831  
01:32:22,149 --> 01:32:21,600  
and says this is what the teacher did to

2832  
01:32:24,550 --> 01:32:22,159  
me

2833  
01:32:25,510 --> 01:32:24,560  
his mom freaks out her mom his mom is

2834  
01:32:27,110 --> 01:32:25,520  
totally

2835  
01:32:28,550 --> 01:32:27,120  
solid she goes we gotta go to the

2836  
01:32:32,470 --> 01:32:28,560  
pediatrician

2837  
01:32:35,189 --> 01:32:32,480  
gotta go to ucla medical

2838  
01:32:36,950 --> 01:32:35,199

emergency and everyone's saying this is

2839

01:32:37,510 --> 01:32:36,960

this is what it looks like this is child

2840

01:32:39,110 --> 01:32:37,520

abuse

2841

01:32:41,030 --> 01:32:39,120

and then the police get involved and

2842

01:32:43,669 --> 01:32:41,040

then they go to mcmartin

2843

01:32:44,390 --> 01:32:43,679

that doesn't sound like satanic panic to

2844

01:32:46,950 --> 01:32:44,400

me

2845

01:32:48,950 --> 01:32:46,960

that sounds like a mob doing what what

2846

01:32:49,750 --> 01:32:48,960

the most horrible job that you would

2847

01:32:52,149 --> 01:32:49,760

have to do

2848

01:32:52,950 --> 01:32:52,159

but doing the right doing the right

2849

01:32:55,990 --> 01:32:52,960

thing

2850

01:32:58,390 --> 01:32:56,000

so when we put it in that context that

2851

01:33:00,790 --> 01:32:58,400

most people don't even believe that

2852

01:33:01,990 --> 01:33:00,800

any of that stuff happens because they

2853

01:33:05,669 --> 01:33:02,000

bought into this

2854

01:33:08,310 --> 01:33:05,679

orchestrated notion of satanic panic

2855

01:33:09,030 --> 01:33:08,320

and then you talk to uh police who've

2856

01:33:10,870 --> 01:33:09,040

been in this

2857

01:33:12,310 --> 01:33:10,880

one thing they'll tell you that that

2858

01:33:13,110 --> 01:33:12,320

don't know the pizzagate thing they go

2859

01:33:15,270 --> 01:33:13,120

well

2860

01:33:16,310 --> 01:33:15,280

i can't speak to pizzagate but i can

2861

01:33:19,350 --> 01:33:16,320

speak to five

2862

01:33:22,470 --> 01:33:19,360

other things that i've that are exactly

2863

01:33:25,030 --> 01:33:22,480

like it so you know i think

2864

01:33:26,709 --> 01:33:25,040

we've been conditioned to think that

2865

01:33:29,669 --> 01:33:26,719

that this is like a trial

2866

01:33:31,910 --> 01:33:29,679

you know and no it's not this is the

2867

01:33:35,270 --> 01:33:31,920

court of public opinion

2868

01:33:38,149 --> 01:33:35,280

opinion is

2869

01:33:40,390 --> 01:33:38,159

that john podesta is a creep and he's

2870

01:33:41,350 --> 01:33:40,400

probably a pedophile and i won't let my

2871

01:33:43,669 --> 01:33:41,360

kids near him

2872

01:33:45,750 --> 01:33:43,679

for five freaking seconds and he just

2873

01:33:46,550 --> 01:33:45,760

looks creepy and his brother looks even

2874

01:33:48,470 --> 01:33:46,560

more creepy

2875

01:33:49,990 --> 01:33:48,480

and anyone who'd buy art like that and

2876

01:33:53,030 --> 01:33:50,000

call it art and put in there

2877

01:33:55,189 --> 01:33:53,040

in my court of a public opinion no they

2878

01:33:56,709 --> 01:33:55,199

they don't cut it yeah yeah and i

2879

01:33:59,189 --> 01:33:56,719

totally

2880

01:34:00,550 --> 01:33:59,199

clarified that i was never uh they were

2881

01:34:02,470 --> 01:34:00,560

never gonna be people i was gonna let

2882

01:34:04,709 --> 01:34:02,480

watch my kids

2883

01:34:06,629 --> 01:34:04,719

i wanna clarify that like i like there

2884

01:34:08,070 --> 01:34:06,639

was definitely enough there for me to

2885

01:34:10,229 --> 01:34:08,080

to know that these are people i don't

2886

01:34:12,070 --> 01:34:10,239

want to associate with i guess

2887

01:34:13,669 --> 01:34:12,080

and that's why that's the the problem

2888

01:34:14,390 --> 01:34:13,679

with it is it becomes all or nothing you

2889

01:34:16,550 --> 01:34:14,400

either believe

2890

01:34:17,430 --> 01:34:16,560

this whole thing exactly as the story's

2891

01:34:19,910 --> 01:34:17,440

been told

2892

01:34:21,590 --> 01:34:19,920

or or you don't believe it at all and i

2893

01:34:24,709 --> 01:34:21,600

i just i guess i don't fall

2894

01:34:26,550 --> 01:34:24,719

in that in either one of those camps

2895

01:34:28,149 --> 01:34:26,560

exactly because i think there's just

2896

01:34:28,629 --> 01:34:28,159

like i have a lot of questions but

2897

01:34:30,149 --> 01:34:28,639

certainly

2898

01:34:32,229 --> 01:34:30,159

the biggest one i think that's used

2899

01:34:33,669 --> 01:34:32,239

against us is just that the hard drive

2900

01:34:33,990 --> 01:34:33,679

and the gun i mean the guy comes with a

2901

01:34:35,590 --> 01:34:34,000

gun

2902

01:34:37,750 --> 01:34:35,600

what's the shoe he shoots the freaking

2903

01:34:40,229 --> 01:34:37,760

heart one bullet

2904

01:34:42,310 --> 01:34:40,239

i mean come on come on there is

2905

01:34:43,350 --> 01:34:42,320

obviously something going on here there

2906

01:34:45,750 --> 01:34:43,360

is something

2907

01:34:46,790 --> 01:34:45,760

right um or they wouldn't hide it yeah

2908

01:34:49,350 --> 01:34:46,800

or they wouldn't hide it

2909

01:34:50,950 --> 01:34:49,360

yeah wow you guys holy crap we almost

2910

01:34:52,709 --> 01:34:50,960

went two hours here man

2911

01:34:54,229 --> 01:34:52,719

so how about this uh alex you want to

2912

01:34:54,550 --> 01:34:54,239

tell our audience where they can find

2913

01:34:57,990 --> 01:34:54,560

you

2914

01:35:00,870 --> 01:34:58,000

if they want more skeptico yeah yeah

2915

01:35:01,590 --> 01:35:00,880

skeptical baby go find it i remember

2916

01:35:03,030 --> 01:35:01,600

saying

2917

01:35:04,470 --> 01:35:03,040

you guys are awesome it's so good

2918

01:35:06,310 --> 01:35:04,480

connecting with you and we'll have to do

2919

01:35:08,310 --> 01:35:06,320

it again sometimes absolutely

2920

01:35:09,430 --> 01:35:08,320

we'll get uh tom cowan and we'll all

2921

01:35:12,470 --> 01:35:09,440

have a chat

2922

01:35:13,189 --> 01:35:12,480

we'll do a little bring bring it on i i

2923

01:35:15,750 --> 01:35:13,199

will uh

2924

01:35:16,870 --> 01:35:15,760

i will first of all apologize for our

2925

01:35:19,270 --> 01:35:16,880

aborted uh

2926

01:35:20,950 --> 01:35:19,280

first try at the interview but i will n

2927

01:35:23,510 --> 01:35:20,960

that will be kind of a soft apology not

2928

01:35:28,310 --> 01:35:23,520

a hard apology because there you go

2929

01:35:30,470 --> 01:35:28,320

okay okay well a great conversation

2930

01:35:31,590 --> 01:35:30,480

alex thank you very much all right thank

2931

01:35:34,070 --> 01:35:31,600

you guys thank you

2932

01:35:35,270 --> 01:35:34,080

take care see you see ya we got a new

2933

01:35:36,629 --> 01:35:35,280

cover a little bit a little bit in the

2934

01:35:38,390 --> 01:35:36,639

vaccine a little bit of masks which i

2935

01:35:39,109 --> 01:35:38,400

know everybody is so tired of hearing

2936

01:35:40,870 --> 01:35:39,119

about

2937

01:35:42,390 --> 01:35:40,880

uh now that biden's in office and that

2938

01:35:43,990 --> 01:35:42,400

they've all you're going to hear about

2939

01:35:45,270 --> 01:35:44,000

well no no no here's the thing is like

2940

01:35:46,709 --> 01:35:45,280

now that they don't need to use it as a

2941

01:35:48,149 --> 01:35:46,719

political weapon anymore

2942

01:35:49,590 --> 01:35:48,159

and they can the world health and

2943

01:35:50,870 --> 01:35:49,600

organization can lower the threshold of

2944

01:35:53,990 --> 01:35:50,880

what a pcr test

2945

01:35:55,270 --> 01:35:54,000

positive is that for real

2946

01:35:56,790 --> 01:35:55,280

i saw that name and i tried to look it

2947

01:35:57,750 --> 01:35:56,800

up and i tried to figure out that's true

2948

01:35:59,270 --> 01:35:57,760

they're not going to give people their

2949

01:36:00,550 --> 01:35:59,280

liberties back under any circumstances

2950

01:36:02,149 --> 01:36:00,560

oh yeah i forgot about that

2951

01:36:03,830 --> 01:36:02,159

but i also think that they would they

2952

01:36:05,270 --> 01:36:03,840

hate trump so much

2953

01:36:06,950 --> 01:36:05,280

that they were willing to in the first

2954

01:36:08,550 --> 01:36:06,960

time in history give us our liberties

2955

01:36:11,270 --> 01:36:08,560

back just to spite him and

2956

01:36:12,709 --> 01:36:11,280

give biden the win the w you will never

2957

01:36:13,510 --> 01:36:12,719

i don't know i think they saved him that

2958

01:36:16,550 --> 01:36:13,520

much i don't think

2959

01:36:18,390 --> 01:36:16,560

like biden's a piece but like this is a

2960

01:36:20,390 --> 01:36:18,400

worldwide thing right this isn't

2961

01:36:22,470 --> 01:36:20,400

like the rest of the world's like we are

2962

01:36:24,149 --> 01:36:22,480

locking down right now that is the plan

2963

01:36:27,430 --> 01:36:24,159

that is what is going on

2964

01:36:29,270 --> 01:36:27,440

and yeah biden is the perfect uh

2965

01:36:30,629 --> 01:36:29,280

empty vessel to take the us in that

2966

01:36:33,189 --> 01:36:30,639

direction absolutely

2967

01:36:34,390 --> 01:36:33,199

that's how i see it absolutely so um i

2968

01:36:35,750 --> 01:36:34,400

feel like any but he's

2969

01:36:37,109 --> 01:36:35,760

i mean he would have to go back on what

2970

01:36:38,870 --> 01:36:37,119

he's already said is that you know we're

2971

01:36:39,270 --> 01:36:38,880

gonna mask for a hundred days right yeah

2972

01:36:41,669 --> 01:36:39,280

probably

2973

01:36:42,550 --> 01:36:41,679

well um i i i do think that's gonna

2974

01:36:45,350 --> 01:36:42,560

[h\_\_\h] do it

2975

01:36:46,149 --> 01:36:45,360

well yeah i know i know where we stand i

2976

01:36:47,590 --> 01:36:46,159

know i'm gonna

2977

01:36:49,669 --> 01:36:47,600

probably get everything in jail this

2978

01:36:51,910 --> 01:36:49,679

next round but i mean yeah

2979

01:36:53,109 --> 01:36:51,920

in the corning camp um i mean i do think

2980

01:36:54,709 --> 01:36:53,119

that uh

2981

01:36:56,950 --> 01:36:54,719

you know i mean i look for every

2982

01:36:58,870 --> 01:36:56,960

opportunity i can to be around as many

2983

01:36:59,430 --> 01:36:58,880

like-minded people without a mask on

2984

01:37:02,629 --> 01:36:59,440

every

2985

01:37:04,149 --> 01:37:02,639

soul

2986

01:37:05,830 --> 01:37:04,159

yep got another freedom cell meet up

2987

01:37:06,790 --> 01:37:05,840

this weekend baby can't wait i can't

2988

01:37:08,070 --> 01:37:06,800

wait um

2989

01:37:09,830 --> 01:37:08,080

so yeah if you want to be the most

2990

01:37:11,950 --> 01:37:09,840

fashionable person in the

2991

01:37:14,229 --> 01:37:11,960

quarantine camp you can go to

2992

01:37:15,830 --> 01:37:14,239

trucilla.org four slash shirts

2993

01:37:18,830 --> 01:37:15,840

and you can order yourself some original

2994

01:37:27,510 --> 01:37:18,840

truezilla swag man some good stuff that

2995

01:37:31,109 --> 01:37:29,270

you guys if we ever disappear whatever

2996

01:37:32,790 --> 01:37:31,119

social media whatever truescilla.org

2997

01:37:34,550 --> 01:37:32,800

we're on truestyle.org come find us

2998

01:37:36,229 --> 01:37:34,560

we've got a new telegram channel go join

2999

01:37:37,990 --> 01:37:36,239

us over there and please join us on

3000

01:37:39,430 --> 01:37:38,000

rockfin guys we got premium episodes we

3001

01:37:40,229 --> 01:37:39,440

got a new up uh series called the

3002

01:37:43,270 --> 01:37:40,239

truczilla

3003

01:37:43,590 --> 01:37:43,280

reconciliation commission um just a joke

3004

01:37:46,070 --> 01:37:43,600

and

3005

01:37:47,350 --> 01:37:46,080

for all the you know the tribunals are

3006

01:37:48,709 --> 01:37:47,360

gonna be coming up for all the

3007

01:37:49,990 --> 01:37:48,719

the right-wingers and conspiracy

3008

01:37:50,709 --> 01:37:50,000

theorists you know so we're it's a

3009

01:37:53,430 --> 01:37:50,719

little little

3010

01:37:53,990 --> 01:37:53,440

nod to that convert us convert all us q

3011

01:37:55,669 --> 01:37:54,000

and honors

3012

01:37:57,189 --> 01:37:55,679

yeah we got yeah we went on a cool

3013

01:37:57,830 --> 01:37:57,199

adventure last weekend you can go catch

3014

01:38:00,229 --> 01:37:57,840

up and

3015

01:38:01,990 --> 01:38:00,239

you guys have to see this video oh yes

3016

01:38:04,870 --> 01:38:02,000

and it was and it was amazing

3017

01:38:05,669 --> 01:38:04,880

and uh you know shout out to uh tara

3018

01:38:08,950 --> 01:38:05,679

haller

3019

01:38:09,990 --> 01:38:08,960

um and alderbrook.com healing arts yeah

3020

01:38:13,030 --> 01:38:10,000

healing arts man

3021

01:38:14,709 --> 01:38:13,040

she is fantastic go and find her yeah

3022

01:38:16,149 --> 01:38:14,719

we're gonna get her on this show and she

3023

01:38:18,149 --> 01:38:16,159

was amazing and we were

3024

01:38:19,270 --> 01:38:18,159

real soon yeah definitely like in the

3025

01:38:19,510 --> 01:38:19,280

next month

3026

01:38:19,520 --> 01:38:21,990

yeah yeah yeah yeah yeah yeah yeah yeah

yeah a few weeks ago look for her and
