***LAWYERING
CHRISTIANITY***

#497 WILLIAM RAMSEY

1
00:00:01,140 --> 00:00:04,550

[Music]

2
00:00:09,190 --> 00:00:06,470
the story of jesus

3
00:00:10,150 --> 00:00:09,200
is the greatest story ever told that

4
00:00:14,910 --> 00:00:10,160
helped shape

5
00:00:14,920 --> 00:00:19,269
leader

6
00:00:24,630 --> 00:00:22,390
okay enough of that

7
00:00:25,830 --> 00:00:24,640
that's from the history channel it's a

8
00:00:28,310 --> 00:00:25,840
documentary

9
00:00:30,310 --> 00:00:28,320
of course on jesus they run it every

10
00:00:32,790 --> 00:00:30,320
year around easter

11
00:00:34,150 --> 00:00:32,800
and it's a way to try and attach some

12
00:00:37,190 --> 00:00:34,160
history to

13
00:00:39,910 --> 00:00:37,200

the whole jesus thing in a way that

14

00:00:41,270 --> 00:00:39,920

really isn't very historical and that

15

00:00:43,190 --> 00:00:41,280

whole topic is

16

00:00:45,350 --> 00:00:43,200

particularly relevant today's show i

17

00:00:49,510 --> 00:00:45,360

mean that's what today's show is about

18

00:00:52,790 --> 00:00:49,520

i have a christian history smackdown

19

00:00:57,830 --> 00:00:52,800

with a guy i really like and respect

20

00:01:00,790 --> 00:00:57,840

attorney turned author and investigative

21

00:01:02,229 --> 00:01:00,800

journalist william ramsey who was nice

22

00:01:05,670 --> 00:01:02,239

enough to kind of

23

00:01:09,910 --> 00:01:05,680

indulge me in this dialogue

24

00:01:12,469 --> 00:01:09,920

about this history here's a clip

25

00:01:14,070 --> 00:01:12,479

the most uh quoted and referenced

26

00:01:15,590 --> 00:01:14,080

christian thinker

27

00:01:17,429 --> 00:01:15,600

who knew peter and all those other

28

00:01:19,270 --> 00:01:17,439

people right so uh

29

00:01:20,870 --> 00:01:19,280

that's also another kind of problem with

30

00:01:23,270 --> 00:01:20,880

the josephus kind of view

31

00:01:24,550 --> 00:01:23,280

of the gospels being you know pure

32

00:01:25,990 --> 00:01:24,560

political document but

33

00:01:27,670 --> 00:01:26,000

there's some other elements within

34

00:01:28,510 --> 00:01:27,680

christianity that don't comport with the

35

00:01:31,830 --> 00:01:28,520

kind of

36

00:01:35,350 --> 00:01:31,840

superficial surface

37

00:01:37,670 --> 00:01:35,360

kind of uh generalized doctrines that

38

00:01:38,630 --> 00:01:37,680

christians and non-christians uh

39

00:01:42,069 --> 00:01:38,640

perceive as

40

00:01:45,109 --> 00:01:42,079

being what christianity is about

41

00:01:46,230 --> 00:01:45,119

yeah i just that winds up sounding a lot

42

00:01:49,270 --> 00:01:46,240

like gobbledygook

43

00:01:51,350 --> 00:01:49,280

to me i mean there is no

44

00:01:52,310 --> 00:01:51,360

just because there is no you know you

45

00:01:55,109 --> 00:01:52,320

can cherry pick

46

00:01:55,429 --> 00:01:55,119

out of paul and making cherry pick out

47

00:01:58,310 --> 00:01:55,439

of

48

00:01:59,990 --> 00:01:58,320

buddha and i mean again the part about

49

00:02:02,230 --> 00:02:00,000

christianity that i think a lot of us

50

00:02:04,389 --> 00:02:02,240

sit back and go

51
00:02:06,550 --> 00:02:04,399
how are you even processing that is to

52
00:02:08,869 --> 00:02:06,560
say there's this special time

53
00:02:10,309 --> 00:02:08,879
there's this special time 2000 years ago

54
00:02:11,830 --> 00:02:10,319
well what about all the people that came

55
00:02:13,750 --> 00:02:11,840
before

56
00:02:16,070 --> 00:02:13,760
welcome to skeptico where we explore

57
00:02:18,390 --> 00:02:16,080
controversial science and spirituality

58
00:02:19,589 --> 00:02:18,400
with leading researchers thinkers and

59
00:02:21,510 --> 00:02:19,599
their critics

60
00:02:22,710 --> 00:02:21,520
i'm your host alex security today we

61
00:02:25,510 --> 00:02:22,720
welcome william

62
00:02:26,229 --> 00:02:25,520
ramsey back to skeptico william is an

63
00:02:29,430 --> 00:02:26,239

attorney

64

00:02:31,990 --> 00:02:29,440
researcher and author and

65

00:02:33,910 --> 00:02:32,000
the creator of william ramsey

66

00:02:35,990 --> 00:02:33,920
investigates which

67

00:02:37,509 --> 00:02:36,000
i think is fantastic it's one of my

68

00:02:40,869 --> 00:02:37,519
go-to

69

00:02:43,990 --> 00:02:40,879
podcasts that i always listen to and

70

00:02:45,670 --> 00:02:44,000
william was on a while back and

71

00:02:47,110 --> 00:02:45,680
we had just a great conversation i

72

00:02:48,949 --> 00:02:47,120
learned so much

73

00:02:50,710 --> 00:02:48,959
and if you know this show you know one

74

00:02:51,670 --> 00:02:50,720
of the things it's really influenced me

75

00:02:55,270 --> 00:02:51,680
on

76
00:02:57,670 --> 00:02:55,280
is this kind of deeper understanding of

77
00:03:01,350 --> 00:02:57,680
what's going on

78
00:03:04,470 --> 00:03:01,360
in this crossover occult

79
00:03:06,790 --> 00:03:04,480
reality hollywood wink nod

80
00:03:07,750 --> 00:03:06,800
and conflicting that or contrasting that

81
00:03:10,710 --> 00:03:07,760
i should say

82
00:03:12,390 --> 00:03:10,720
with kind of the atheistic secular

83
00:03:12,949 --> 00:03:12,400
wokeness well none of that stuff could

84
00:03:14,949 --> 00:03:12,959
be true

85
00:03:16,309 --> 00:03:14,959
so we had this super interesting

86
00:03:18,949 --> 00:03:16,319
conversation

87
00:03:19,430 --> 00:03:18,959
last time and the books that he's

88
00:03:21,830 --> 00:03:19,440

written

89

00:03:23,509 --> 00:03:21,840

children of the beast his book about

90

00:03:26,470 --> 00:03:23,519

aleister crowley

91

00:03:27,030 --> 00:03:26,480

abomination about the west memphis 3

92

00:03:29,270 --> 00:03:27,040

which

93

00:03:30,070 --> 00:03:29,280

is really kind of an interesting dive

94

00:03:31,990 --> 00:03:30,080

and

95

00:03:33,830 --> 00:03:32,000

especially since so many people just

96

00:03:35,830 --> 00:03:33,840

don't know the facts of that case but

97

00:03:37,110 --> 00:03:35,840

you do now that i've hammered on them

98

00:03:39,030 --> 00:03:37,120

for so many times

99

00:03:40,309 --> 00:03:39,040

and then the prophet of evil aleister

100

00:03:42,149 --> 00:03:40,319

crowley 9 11

101
00:03:43,509 --> 00:03:42,159
in the new world order is there anything

102
00:03:47,030 --> 00:03:43,519
else that you've written

103
00:03:48,710 --> 00:03:47,040
since then well i've done a lot of uh

104
00:03:50,149 --> 00:03:48,720
kind of letters you can see it on my

105
00:03:51,670 --> 00:03:50,159
blog on my website i've

106
00:03:53,670 --> 00:03:51,680
talked a lot about this group called the

107
00:03:54,949 --> 00:03:53,680
order of nine angles so more kind of

108
00:03:58,550 --> 00:03:54,959
occultism

109
00:04:00,550 --> 00:03:58,560
and uh so some interesting topics

110
00:04:01,990 --> 00:04:00,560
is that gonna make its way into a book

111
00:04:02,869 --> 00:04:02,000
is that an upcoming book or anything

112
00:04:04,470 --> 00:04:02,879
well maybe

113
00:04:06,710 --> 00:04:04,480

i mean i think there's a lot going on

114

00:04:08,390 --> 00:04:06,720

there's actually been the nctc the

115

00:04:10,309 --> 00:04:08,400

national counterterrorism

116

00:04:11,589 --> 00:04:10,319

center put out a flyer saying the order

117

00:04:15,190 --> 00:04:11,599

of nine angles is a

118

00:04:16,710 --> 00:04:15,200

very dangerous group and

119

00:04:19,110 --> 00:04:16,720

some of their offshoots have been

120

00:04:21,670 --> 00:04:19,120

prescribed

121

00:04:22,310 --> 00:04:21,680

it just happened last week in australia

122

00:04:23,990 --> 00:04:22,320

where

123

00:04:26,550 --> 00:04:24,000

sauna creek division which has been

124

00:04:29,189 --> 00:04:26,560

influenced by some of their ideology

125

00:04:29,909 --> 00:04:29,199

was actually banned as a group in

126
00:04:31,749 --> 00:04:29,919
australia

127
00:04:33,990 --> 00:04:31,759
so they have like 16 band groups and

128
00:04:38,550 --> 00:04:34,000
then sonic group division which is

129
00:04:41,990 --> 00:04:38,560
kind of uh esoteric or occult neo-nazi

130
00:04:43,830 --> 00:04:42,000
so uh yeah the order of nine angles

131
00:04:46,310 --> 00:04:43,840
is a pretty interesting post crowley

132
00:04:47,270 --> 00:04:46,320
post hitler kind of new religion so i've

133
00:04:49,990 --> 00:04:47,280
kind of been

134
00:04:50,950 --> 00:04:50,000
researching that and uh writing about

135
00:04:53,189 --> 00:04:50,960
that and i've done some

136
00:04:55,189 --> 00:04:53,199
interviews about that as well i've heard

137
00:04:57,270 --> 00:04:55,199
a couple of your interviews on that it's

138
00:04:58,629 --> 00:04:57,280

you know super interesting at one level

139

00:05:00,310 --> 00:04:58,639

in another level

140

00:05:02,790 --> 00:05:00,320

and what i was hoping to do in this

141

00:05:05,430 --> 00:05:02,800

interview is kind of

142

00:05:05,990 --> 00:05:05,440

crawl way up on top of all that stuff if

143

00:05:07,990 --> 00:05:06,000

we can

144

00:05:09,510 --> 00:05:08,000

because that's what really interests me

145

00:05:13,189 --> 00:05:09,520

is how does this stuff

146

00:05:15,590 --> 00:05:13,199

really fit together and you know let me

147

00:05:18,150 --> 00:05:15,600

back up and actually say one other thing

148

00:05:20,790 --> 00:05:18,160

because the reason i wanted to talk to

149

00:05:24,070 --> 00:05:20,800

you about the really big picture stuff

150

00:05:27,270 --> 00:05:24,080

is i wanted to approach the christian

151

00:05:28,469 --> 00:05:27,280

part of this and i want to do it in a

152

00:05:32,469 --> 00:05:28,479

way that

153

00:05:36,150 --> 00:05:32,479

kind of appeals to this kind of

154

00:05:38,950 --> 00:05:36,160

attorney better call saul sensibility

155

00:05:40,629 --> 00:05:38,960

if you will that i get from you you know

156

00:05:41,830 --> 00:05:40,639

like you can talk about all this stuff

157

00:05:43,909 --> 00:05:41,840

like last time we talked about

158

00:05:46,390 --> 00:05:43,919

west memphis three and you didn't get

159

00:05:48,870 --> 00:05:46,400

emotional like pounding on the table and

160

00:05:50,710 --> 00:05:48,880

you know swinging a bible around or

161

00:05:53,029 --> 00:05:50,720

anything like that you're just like hey

162

00:05:54,310 --> 00:05:53,039

i've seen a lot of stuff i know a lot of

163

00:05:58,230 --> 00:05:54,320

stuff happens

164

00:06:00,710 --> 00:05:58,240

here's how the facts fall in this case

165

00:06:02,309 --> 00:06:00,720

and uh you know what i do with it is

166

00:06:05,510 --> 00:06:02,319

kind of another issue but

167

00:06:06,629 --> 00:06:05,520

i can separate that from just kind of

168

00:06:07,990 --> 00:06:06,639

understanding

169

00:06:09,909 --> 00:06:08,000

do you know what i mean that better call

170

00:06:11,990 --> 00:06:09,919

saul

171

00:06:13,590 --> 00:06:12,000

i think that you know my look into the

172

00:06:16,629 --> 00:06:13,600

west memphis three

173

00:06:18,710 --> 00:06:16,639

that what sparked my interest was that

174

00:06:20,550 --> 00:06:18,720

crowley was brought up at trial right so

175

00:06:22,629 --> 00:06:20,560

i'd already written a book about quotes

176

00:06:24,070 --> 00:06:22,639

basically a bio about crowley which is

177

00:06:25,430 --> 00:06:24,080

prophet of evil

178

00:06:27,430 --> 00:06:25,440

he thought of himself as a prophet of

179

00:06:30,710 --> 00:06:27,440

new age so when crowley popped up

180

00:06:31,830 --> 00:06:30,720

then it was kind of like a a riddle

181

00:06:33,510 --> 00:06:31,840

wrapped in

182

00:06:35,189 --> 00:06:33,520

enigma in the middle of a labyrinth

183

00:06:36,790 --> 00:06:35,199

trying to figure out what the actual

184

00:06:38,870 --> 00:06:36,800

truth of what happened in the west

185

00:06:41,189 --> 00:06:38,880

memphis 3 actually was

186

00:06:42,790 --> 00:06:41,199

and luckily all of those court cases are

187

00:06:44,790 --> 00:06:42,800

available online so i could

188

00:06:46,710 --> 00:06:44,800

readily access them and the general

189

00:06:48,309 --> 00:06:46,720

consensus was that

190

00:06:49,909 --> 00:06:48,319

they were railroaded and they were three

191

00:06:50,790 --> 00:06:49,919

innocent kids and it was there was kind

192

00:06:54,230 --> 00:06:50,800

of like nice

193

00:06:56,870 --> 00:06:54,240

uh sound bites and pr

194

00:06:58,390 --> 00:06:56,880

tidbits for the public to ingest and i

195

00:06:59,110 --> 00:06:58,400

believed it for me when i first heard

196

00:07:01,270 --> 00:06:59,120

they got out

197

00:07:02,390 --> 00:07:01,280

and it's almost been 10 years i figured

198

00:07:03,749 --> 00:07:02,400

that there was just some kind of

199

00:07:05,589 --> 00:07:03,759

mistrial or some kind of problem with

200

00:07:07,270 --> 00:07:05,599

the case that

201
00:07:08,550 --> 00:07:07,280
necessitated their release but that

202
00:07:09,510 --> 00:07:08,560
wasn't the case so then it was like a

203
00:07:16,230 --> 00:07:09,520
lot of

204
00:07:16,790 --> 00:07:16,240
figure out what was going on with that

205
00:07:22,390 --> 00:07:16,800
case

206
00:07:26,150 --> 00:07:22,400
and the conclusions that i made

207
00:07:28,870 --> 00:07:26,160
are definitely not um

208
00:07:29,270 --> 00:07:28,880
publicly popular you know i think that

209
00:07:32,550 --> 00:07:29,280
they're

210
00:07:34,230 --> 00:07:32,560
stories

211
00:07:36,309 --> 00:07:34,240
or many other things that happen in the

212
00:07:39,189 --> 00:07:36,319
world the kind of

213
00:07:40,469 --> 00:07:39,199

darker and deeper elements of that were

214

00:07:43,990 --> 00:07:40,479

overlooked and not

215

00:07:45,510 --> 00:07:44,000

emphasized in the media or by

216

00:07:48,869 --> 00:07:45,520

the corporate media or anything like

217

00:07:50,950 --> 00:07:48,879

that and i think that uh

218

00:07:53,350 --> 00:07:50,960

that's actually very common in all of

219

00:07:54,230 --> 00:07:53,360

their kind of superficial analysis of a

220

00:07:56,390 --> 00:07:54,240

lot of pub

221

00:07:57,749 --> 00:07:56,400

problems and issues and 911 is a perfect

222

00:07:59,029 --> 00:07:57,759

example of that is not looking into

223

00:08:00,230 --> 00:07:59,039

deeper things so from

224

00:08:01,990 --> 00:08:00,240

if you want to get into the christian

225

00:08:02,550 --> 00:08:02,000

perspective i think it's important to

226

00:08:05,830 --> 00:08:02,560

kind of

227

00:08:08,309 --> 00:08:05,840

parse through my version of christianity

228

00:08:09,510 --> 00:08:08,319

which is really a bible

229

00:08:11,350 --> 00:08:09,520

christian i don't know myself a

230

00:08:13,270 --> 00:08:11,360

protestant or catholic

231

00:08:14,550 --> 00:08:13,280

uh some people would want to put me in

232

00:08:17,510 --> 00:08:14,560

those two groups but as a bible

233

00:08:18,950 --> 00:08:17,520

believing christian i think that

234

00:08:21,589 --> 00:08:18,960

you have to kind of yeah i think it's

235

00:08:25,350 --> 00:08:21,599

easier to see kind of darker

236

00:08:25,990 --> 00:08:25,360

or be more attuned to picking up darker

237

00:08:28,550 --> 00:08:26,000

currents

238

00:08:29,909 --> 00:08:28,560

in criminal events or just general

239

00:08:32,469 --> 00:08:29,919

political events so

240

00:08:33,990 --> 00:08:32,479

i mean we can talk about the 2020

241

00:08:37,269 --> 00:08:34,000

election the problems with that

242

00:08:39,029 --> 00:08:37,279

i mean so from a christian perspective i

243

00:08:40,870 --> 00:08:39,039

think that it is a definitely spiritual

244

00:08:42,469 --> 00:08:40,880

perspective i think that

245

00:08:43,829 --> 00:08:42,479

it makes you more attuned to kind of

246

00:08:44,470 --> 00:08:43,839

parse out these things that really are

247

00:08:46,070 --> 00:08:44,480

real

248

00:08:48,389 --> 00:08:46,080

some of these people people do believe

249

00:08:51,750 --> 00:08:48,399

in alistar pro the people are masons

250

00:08:53,269 --> 00:08:51,760

people have see secret agendas there are

251

00:08:56,150 --> 00:08:53,279

conspiracies

252

00:08:58,310 --> 00:08:56,160

i mean all politics is conspiratorial i

253

00:09:02,790 --> 00:08:58,320

would argue from the beginning of time

254

00:09:04,230 --> 00:09:02,800

in any society so uh

255

00:09:05,670 --> 00:09:04,240

yeah so i mean i think that that's

256

00:09:06,790 --> 00:09:05,680

really kind of the gist of my books

257

00:09:08,630 --> 00:09:06,800

really and if you look at children of

258

00:09:09,269 --> 00:09:08,640

the beast too that really was an attempt

259

00:09:11,829 --> 00:09:09,279

to

260

00:09:13,350 --> 00:09:11,839

take a very broad angle lens at

261

00:09:14,790 --> 00:09:13,360

political and cultural events and see

262

00:09:15,430 --> 00:09:14,800

hey some of these people have a cold

263

00:09:17,350 --> 00:09:15,440

ideas

264

00:09:18,949 --> 00:09:17,360

some of these people are promoting

265

00:09:21,990 --> 00:09:18,959

whatever their whole kind of

266

00:09:24,550 --> 00:09:22,000

in uh outlook is in

267

00:09:25,590 --> 00:09:24,560

uh in the public timothy larry crowley

268

00:09:28,150 --> 00:09:25,600

himself so

269

00:09:29,990 --> 00:09:28,160

um i hope that kind of answers what

270

00:09:32,470 --> 00:09:30,000

you're trying to get at

271

00:09:33,590 --> 00:09:32,480

it maybe does and it maybe opens up the

272

00:09:35,990 --> 00:09:33,600

door for this

273

00:09:37,990 --> 00:09:36,000

kind of next level stuff that we might

274

00:09:41,030 --> 00:09:38,000

talk about because

275

00:09:41,910 --> 00:09:41,040

when i said this uh jimmy mcgill better

276

00:09:44,550 --> 00:09:41,920

call saul

277

00:09:46,389 --> 00:09:44,560

sensibility what i think about and if

278

00:09:46,790 --> 00:09:46,399

people don't have a reference point for

279

00:09:49,430 --> 00:09:46,800

that

280

00:09:52,150 --> 00:09:49,440

netflix series then you might be lost in

281

00:09:53,910 --> 00:09:52,160

this whole kind of thing but

282

00:09:55,430 --> 00:09:53,920

i just have to believe when i first

283

00:09:56,389 --> 00:09:55,440

talked to you you know you talked about

284

00:10:00,389 --> 00:09:56,399

your history

285

00:10:03,430 --> 00:10:00,399

as an attorney coming up in dc

286

00:10:06,310 --> 00:10:03,440

and just being

287

00:10:06,710 --> 00:10:06,320

eyes wide open kind of thing where it's

288

00:10:09,030 --> 00:10:06,720

like

289

00:10:11,829 --> 00:10:09,040

oh wow you know there's this whole other

290

00:10:14,150 --> 00:10:11,839

reality of how things really work

291

00:10:15,910 --> 00:10:14,160

and all these people that i'm working

292

00:10:16,949 --> 00:10:15,920

with are kind of living in both

293

00:10:19,350 --> 00:10:16,959

realities

294

00:10:20,230 --> 00:10:19,360

they're living in the reality of how

295

00:10:23,750 --> 00:10:20,240

politics

296

00:10:26,470 --> 00:10:23,760

conspiratorial

297

00:10:28,069 --> 00:10:26,480

it's all you know who's blackmailing who

298

00:10:30,550 --> 00:10:28,079

who has the goods on who

299

00:10:31,350 --> 00:10:30,560

who has leverage on who and then he's an

300

00:10:33,670 --> 00:10:31,360

agent right

301
00:10:35,590 --> 00:10:33,680
who's a member of a police state secret

302
00:10:38,230 --> 00:10:35,600
society secret group

303
00:10:39,110 --> 00:10:38,240
absolutely so so they're living in that

304
00:10:41,190 --> 00:10:39,120
reality

305
00:10:44,310 --> 00:10:41,200
and then they're simultaneously living

306
00:10:47,269 --> 00:10:44,320
in this other reality which is

307
00:10:49,030 --> 00:10:47,279
all the normies and normies just didn't

308
00:10:51,269 --> 00:10:49,040
happen in the last 10 years

309
00:10:52,550 --> 00:10:51,279
normies have been around forever so when

310
00:10:54,949 --> 00:10:52,560
he went home and he

311
00:10:56,870 --> 00:10:54,959
kissed the wife and you know went out

312
00:10:58,710 --> 00:10:56,880
and played ball with the kids you don't

313
00:11:01,990 --> 00:10:58,720

talk about any of that stuff

314

00:11:03,910 --> 00:11:02,000
with 90 of the people 90

315

00:11:05,910 --> 00:11:03,920
of the people you know if you're an

316

00:11:07,269 --> 00:11:05,920
insider in dc

317

00:11:09,750 --> 00:11:07,279
and i think the reason i've referenced

318

00:11:11,509 --> 00:11:09,760
in fact better call saul is

319

00:11:13,590 --> 00:11:11,519
we kind of get that same thing from kind

320

00:11:16,389 --> 00:11:13,600
of jimmy mcgill who's just

321

00:11:17,430 --> 00:11:16,399
i relate from being you know a kid from

322

00:11:20,870 --> 00:11:17,440
chicago

323

00:11:22,550 --> 00:11:20,880
guy

324

00:11:24,150 --> 00:11:22,560
you know you don't want to be a chump

325

00:11:26,710 --> 00:11:24,160
you don't want to be a fool

326

00:11:28,470 --> 00:11:26,720

and that was part of less like of course

327

00:11:30,069 --> 00:11:28,480

this is how things work of course the

328

00:11:31,910 --> 00:11:30,079

political system is corrupt

329

00:11:34,230 --> 00:11:31,920

everyone in chicago knows that you know

330

00:11:36,389 --> 00:11:34,240

richard j daley electing

331

00:11:38,630 --> 00:11:36,399

you know john kennedy of course of

332

00:11:39,350 --> 00:11:38,640

course the entire police system is

333

00:11:41,590 --> 00:11:39,360

corrupt

334

00:11:42,870 --> 00:11:41,600

i mean anyone who didn't know that in

335

00:11:43,910 --> 00:11:42,880

chicago

336

00:11:45,269 --> 00:11:43,920

there were a lot of people who didn't

337

00:11:46,069 --> 00:11:45,279

know it but they were just kind of on

338

00:11:50,629 --> 00:11:46,079

the outside

339

00:11:53,269 --> 00:11:50,639

so you get what i'm saying in terms of

340

00:11:54,550 --> 00:11:53,279

that sensibility and you bring that to

341

00:11:56,150 --> 00:11:54,560

the table

342

00:11:57,910 --> 00:11:56,160

and but then there's a couple of

343

00:11:59,990 --> 00:11:57,920

different ways to divide that so

344

00:12:03,269 --> 00:12:00,000

you know one you're talking about just

345

00:12:05,030 --> 00:12:03,279

stuff that happens it's 911 or the 2020

346

00:12:05,509 --> 00:12:05,040

election or the pandemic and all that

347

00:12:08,230 --> 00:12:05,519

sort of thing

348

00:12:08,790 --> 00:12:08,240

okay but then you're also breaking it

349

00:12:12,310 --> 00:12:08,800

down

350

00:12:14,710 --> 00:12:12,320

on the spiritual side which is where

351

00:12:15,829 --> 00:12:14,720

i think it's kind of a harder for a lot

352

00:12:18,949 --> 00:12:15,839

of us

353

00:12:21,590 --> 00:12:18,959

when we encounter when you say i'm a

354

00:12:22,629 --> 00:12:21,600

christian or i'm not catholic protestant

355

00:12:25,110 --> 00:12:22,639

i'm just bible but

356

00:12:27,030 --> 00:12:25,120

it's like whoa wait a minute isn't that

357

00:12:28,069 --> 00:12:27,040

the same kind of thing in terms of how

358

00:12:31,829 --> 00:12:28,079

are you parsing

359

00:12:32,790 --> 00:12:31,839

no that reality right no i mean it's a

360

00:12:35,670 --> 00:12:32,800

good question i think it's

361

00:12:36,470 --> 00:12:35,680

like once you're even within christendom

362

00:12:39,430 --> 00:12:36,480

it's like what

363

00:12:40,870 --> 00:12:39,440

are you like what how much do you leave

364

00:12:43,590 --> 00:12:40,880

how much have you read

365

00:12:44,470 --> 00:12:43,600

what uh what books are you reading

366

00:12:46,550 --> 00:12:44,480

what's your

367

00:12:48,069 --> 00:12:46,560

denomination you know you can say that

368

00:12:49,829 --> 00:12:48,079

there's four or five major christian

369

00:12:52,870 --> 00:12:49,839

denominations

370

00:12:55,990 --> 00:12:52,880

um so there's only one

371

00:12:57,910 --> 00:12:56,000

it all started from one right well this

372

00:12:58,310 --> 00:12:57,920

is true but there's definitely branches

373

00:13:00,230 --> 00:12:58,320

i think

374

00:13:02,790 --> 00:13:00,240

you know almost any major religion even

375

00:13:05,670 --> 00:13:02,800

judaism which is fairly small

376

00:13:07,750 --> 00:13:05,680

compared to cat you know chris the large

377

00:13:10,550 --> 00:13:07,760

broad tent of christianity or islam

378

00:13:12,629 --> 00:13:10,560

all have variants and distinctions and

379

00:13:15,269 --> 00:13:12,639

shia and sunni

380

00:13:16,710 --> 00:13:15,279

christianity is catholic and protestant

381

00:13:18,150 --> 00:13:16,720

at a very general level so it's really

382

00:13:19,110 --> 00:13:18,160

what you believe what do these people

383

00:13:20,790 --> 00:13:19,120

teaching you

384

00:13:23,269 --> 00:13:20,800

or do you go back to the original text

385

00:13:24,550 --> 00:13:23,279

and i think that that's really the key

386

00:13:26,069 --> 00:13:24,560

element to really understanding

387

00:13:27,269 --> 00:13:26,079

christianity is really to go to the

388

00:13:29,350 --> 00:13:27,279

original

389

00:13:31,509 --> 00:13:29,360

gospels before the threesome there are

390

00:13:33,590 --> 00:13:31,519

no there are no original there are no

391

00:13:35,670 --> 00:13:33,600

original gospels i mean if we just

392

00:13:37,110 --> 00:13:35,680

from his from a straight up historical

393

00:13:37,750 --> 00:13:37,120

standpoint and that's what i'm saying

394

00:13:39,189 --> 00:13:37,760

it's like

395

00:13:41,670 --> 00:13:39,199

what are you gonna do go back to the

396

00:13:43,590 --> 00:13:41,680

council of nicaea and constantine

397

00:13:45,350 --> 00:13:43,600

who is one of the most corrupt

398

00:13:47,829 --> 00:13:45,360

despicable people

399

00:13:49,110 --> 00:13:47,839

in history you know he murders his son

400

00:13:50,870 --> 00:13:49,120

because he thinks

401
00:13:52,870 --> 00:13:50,880
he's [h__\h] his wife and then he

402
00:13:56,629 --> 00:13:52,880
murders his wife when he finds out

403
00:13:58,550 --> 00:13:56,639
she said i mean this is the most

404
00:13:59,750 --> 00:13:58,560
yeah he's a very opportunistic christian

405
00:14:01,509 --> 00:13:59,760
right now he's

406
00:14:02,870 --> 00:14:01,519
he's not a christian very politically

407
00:14:05,590 --> 00:14:02,880
well that's what he came out as

408
00:14:07,030 --> 00:14:05,600
i mean he's supposed to be a founder of

409
00:14:07,750 --> 00:14:07,040
the christian church or like one of the

410
00:14:10,230 --> 00:14:07,760
original

411
00:14:12,310 --> 00:14:10,240
no he but he's not william he's he's not

412
00:14:13,590 --> 00:14:12,320
i mean any any kind of fair reading of

413
00:14:17,189 --> 00:14:13,600

that history

414

00:14:19,990 --> 00:14:17,199

he he never really changes his

415

00:14:22,069 --> 00:14:20,000

kind of cultish pagan you know i mean he

416

00:14:24,310 --> 00:14:22,079

still has it on the coins and he's still

417

00:14:25,350 --> 00:14:24,320

it's it's just it just looks like a

418

00:14:26,870 --> 00:14:25,360

total sham

419

00:14:29,750 --> 00:14:26,880

the part of that history that i don't

420

00:14:33,430 --> 00:14:29,760

understand that christians don't get

421

00:14:37,430 --> 00:14:33,440

is that we're all living

422

00:14:40,310 --> 00:14:37,440

rich complicated spiritual lives

423

00:14:42,870 --> 00:14:40,320

and they show up all over the place for

424

00:14:45,189 --> 00:14:42,880

damien echols from west memphis three

425

00:14:46,550 --> 00:14:45,199

we don't know what his deal is but we

426

00:14:48,150 --> 00:14:46,560

know he has a rich

427

00:14:50,389 --> 00:14:48,160

spiritual life and he's trying to

428

00:14:51,990 --> 00:14:50,399

connect with aleister crowley and demons

429

00:14:53,509 --> 00:14:52,000

and this and that but he probably is

430

00:14:54,470 --> 00:14:53,519

also waking up at two o'clock in the

431

00:14:56,150 --> 00:14:54,480

morning going

432

00:14:58,389 --> 00:14:56,160

oh my god you know what is this going to

433

00:14:59,110 --> 00:14:58,399

do to my soul because everyone has those

434

00:15:01,750 --> 00:14:59,120

same

435

00:15:02,710 --> 00:15:01,760

kind of questions constantine certainly

436

00:15:05,110 --> 00:15:02,720

doesn't look like

437

00:15:05,910 --> 00:15:05,120

saint constantine looks like a very

438

00:15:07,829 --> 00:15:05,920

human guy

439

00:15:09,430 --> 00:15:07,839

you know who's worried about his wife

440

00:15:11,189 --> 00:15:09,440

[h__h] around worried about his son

441

00:15:12,629 --> 00:15:11,199

[h__h] around i mean he doesn't look

442

00:15:15,829 --> 00:15:12,639

like he's uh

443

00:15:17,350 --> 00:15:15,839

had some great spiritual experience with

444

00:15:18,949 --> 00:15:17,360

jesus to me

445

00:15:21,269 --> 00:15:18,959

well he might but i mean at least the

446

00:15:23,829 --> 00:15:21,279

the common historical story

447

00:15:24,710 --> 00:15:23,839

is that he was going into battle and

448

00:15:26,470 --> 00:15:24,720

then

449

00:15:28,550 --> 00:15:26,480

it's [h__h] you know change well

450

00:15:30,470 --> 00:15:28,560

that's what i'm saying well at least

451

00:15:32,470 --> 00:15:30,480

that that is that the story is that that

452

00:15:33,350 --> 00:15:32,480

is how he became a christian so

453

00:15:35,509 --> 00:15:33,360

therefore

454

00:15:37,269 --> 00:15:35,519

he was one of the founders of that at

455

00:15:39,590 --> 00:15:37,279

least the 3000 one of the political

456

00:15:41,670 --> 00:15:39,600

founders of christianity

457

00:15:42,790 --> 00:15:41,680

i don't i don't see him as like a great

458

00:15:45,749 --> 00:15:42,800

religious figure

459

00:15:47,590 --> 00:15:45,759

not like maybe some of these other post

460

00:15:50,069 --> 00:15:47,600

like paul for example but

461

00:15:51,749 --> 00:15:50,079

uh at least that's the way he's regarded

462

00:15:53,910 --> 00:15:51,759

i think public

463

00:15:54,870 --> 00:15:53,920

constantine but like i agree i think

464

00:15:57,269 --> 00:15:54,880

that he

465

00:15:58,550 --> 00:15:57,279

there's tons of people who say they're

466

00:16:00,550 --> 00:15:58,560

christians who

467

00:16:02,150 --> 00:16:00,560

operate without adhering to the

468

00:16:04,150 --> 00:16:02,160

fundamental tenets and that's the same

469

00:16:05,670 --> 00:16:04,160

from all religions i would actually

470

00:16:07,430 --> 00:16:05,680

posit and argue that a lot of these

471

00:16:08,550 --> 00:16:07,440

political at least in the united states

472

00:16:10,790 --> 00:16:08,560

for sure

473

00:16:11,590 --> 00:16:10,800

these guys who are the presidents they

474

00:16:14,069 --> 00:16:11,600

just

475

00:16:16,470 --> 00:16:14,079

give lip service to christianity they

476

00:16:17,829 --> 00:16:16,480

don't really believe it

477

00:16:19,990 --> 00:16:17,839

they shouldn't believe it because it's

478

00:16:21,670 --> 00:16:20,000

not it's not real it's just something

479

00:16:23,509 --> 00:16:21,680

that was invented

480

00:16:25,670 --> 00:16:23,519

okay well that's your opinion so you

481

00:16:27,829 --> 00:16:25,680

think that the gospels themselves were

482

00:16:29,910 --> 00:16:27,839

something written by what flavian or

483

00:16:31,829 --> 00:16:29,920

some kind of uh that's the argument

484

00:16:33,910 --> 00:16:31,839

here's where i'm coming at from that

485

00:16:36,710 --> 00:16:33,920

he's like

486

00:16:37,110 --> 00:16:36,720

i come at it back to where we started

487

00:16:38,949 --> 00:16:37,120

like

488

00:16:41,269 --> 00:16:38,959

you know you want you don't want to be a

489

00:16:45,110 --> 00:16:41,279

chump right that's the better call saul

490

00:16:47,910 --> 00:16:45,120

sensibility so when somebody tells you

491

00:16:49,430 --> 00:16:47,920

you know hey those guys in west memphis

492

00:16:51,670 --> 00:16:49,440

three

493

00:16:53,670 --> 00:16:51,680

they're really great guys who just got

494

00:16:56,870 --> 00:16:53,680

railroaded out of town for

495

00:16:59,509 --> 00:16:56,880

wearing black t-shirts and then you read

496

00:17:01,829 --> 00:16:59,519

in and you come across the data

497

00:17:04,309 --> 00:17:01,839

one after another after another and you

498

00:17:06,470 --> 00:17:04,319

start putting the pieces together you go

499

00:17:08,309 --> 00:17:06,480

well that's just [h__\h] i don't know

500

00:17:10,470 --> 00:17:08,319

what the truth is like i'm saying

501
00:17:12,710 --> 00:17:10,480
i don't know what damian eccles

502
00:17:16,069 --> 00:17:12,720
spiritual experience

503
00:17:19,270 --> 00:17:16,079
spiritual reality is but i'm pretty sure

504
00:17:19,829 --> 00:17:19,280
it ain't what he said it is so that's

505
00:17:21,990 --> 00:17:19,839
where

506
00:17:24,309 --> 00:17:22,000
that's right written some stuff about it

507
00:17:27,510 --> 00:17:24,319
sure so i think you're trying to make an

508
00:17:29,830 --> 00:17:27,520
analogy between the

509
00:17:31,029 --> 00:17:29,840
the perception of reality based upon

510
00:17:32,710 --> 00:17:31,039
what people have about

511
00:17:34,950 --> 00:17:32,720
damien equals and then about

512
00:17:37,590 --> 00:17:34,960
christianity so like you're

513
00:17:40,150 --> 00:17:37,600

you're making it to not be a chump and

514

00:17:43,190 --> 00:17:40,160

believe in christianity is that correct

515

00:17:46,070 --> 00:17:43,200

where i was really going was so

516

00:17:47,350 --> 00:17:46,080

if you don't want to be a chump then

517

00:17:49,830 --> 00:17:47,360

where do you start

518

00:17:51,750 --> 00:17:49,840

you know and like one of the places i'd

519

00:17:52,310 --> 00:17:51,760

start is like that history that i just

520

00:17:53,909 --> 00:17:52,320

said

521

00:17:55,909 --> 00:17:53,919

for any christian who can't resolve that

522

00:17:57,669 --> 00:17:55,919

history you know

523

00:18:00,230 --> 00:17:57,679

full stop you better go figure out what

524

00:18:02,230 --> 00:18:00,240

the [h__\h] why you believe in this church

525

00:18:03,909 --> 00:18:02,240

that was founded by constantine

526

00:18:05,270 --> 00:18:03,919

when constantine was this kind of

527

00:18:08,470 --> 00:18:05,280

despicable

528

00:18:11,029 --> 00:18:08,480

mover and shaker kind of total

529

00:18:11,669 --> 00:18:11,039

agent of some kind of cult thing so that

530

00:18:13,270 --> 00:18:11,679

that

531

00:18:14,789 --> 00:18:13,280

because you can come through the history

532

00:18:16,789 --> 00:18:14,799

of christianity the same thing look at

533

00:18:18,789 --> 00:18:16,799

the catholic church or alexander

534

00:18:20,230 --> 00:18:18,799

the city i'm just saying sir right the

535

00:18:22,150 --> 00:18:20,240

popes are not clean

536

00:18:24,230 --> 00:18:22,160

right so i'm just saying i'm just saying

537

00:18:26,390 --> 00:18:24,240

as a christian church today right

538

00:18:27,669 --> 00:18:26,400

as a christian i would think that would

539

00:18:29,510 --> 00:18:27,679

be something

540

00:18:31,190 --> 00:18:29,520

because i was brought up christian i was

541

00:18:33,270 --> 00:18:31,200

brought up greek orthodox

542

00:18:34,390 --> 00:18:33,280

like right so a lot of people brought up

543

00:18:35,110 --> 00:18:34,400

in the church and then they start

544

00:18:37,110 --> 00:18:35,120

running into

545

00:18:38,470 --> 00:18:37,120

these kind of things and they feel a

546

00:18:41,350 --> 00:18:38,480

need to resolve them

547

00:18:42,390 --> 00:18:41,360

but the the other way so that's one

548

00:18:45,110 --> 00:18:42,400

thing i think you have to

549

00:18:46,630 --> 00:18:45,120

as a christian you have to resolve the

550

00:18:48,390 --> 00:18:46,640

history and the history is

551

00:18:50,470 --> 00:18:48,400

irresolvable i mean you can't right you

552

00:18:52,230 --> 00:18:50,480

can't but you have to look at it no

553

00:18:53,750 --> 00:18:52,240

question i don't think there's any doubt

554

00:18:55,750 --> 00:18:53,760

about that

555

00:18:57,110 --> 00:18:55,760

so the so then the crusades are loaded

556

00:18:59,190 --> 00:18:57,120

you know the crusades are loaded with

557

00:19:02,150 --> 00:18:59,200

tons of problems there were real mind

558

00:19:04,470 --> 00:19:02,160

the crusades i think the last crusade

559

00:19:05,909 --> 00:19:04,480

was really kind of a population control

560

00:19:07,830 --> 00:19:05,919

crusade where they wanted to take the

561

00:19:09,029 --> 00:19:07,840

excess population out of europe and ship

562

00:19:11,029 --> 00:19:09,039

them out somewhere so they took all the

563

00:19:12,390 --> 00:19:11,039

poor people and got rid of them so what

564

00:19:14,630 --> 00:19:12,400

it really wasn't really even have

565

00:19:17,669 --> 00:19:14,640

anything to do with uh muhammad

566

00:19:19,029 --> 00:19:17,679

or the muslims so there's a lot of

567

00:19:20,710 --> 00:19:19,039

things within christian i mean you can

568

00:19:22,230 --> 00:19:20,720

look at the hundred years war between

569

00:19:24,230 --> 00:19:22,240

the protestants and the catholics or

570

00:19:27,190 --> 00:19:24,240

just some of the most brutal

571

00:19:28,470 --> 00:19:27,200

non-christian conflicts ever and tons of

572

00:19:29,990 --> 00:19:28,480

you know

573

00:19:31,590 --> 00:19:30,000

reasons for the creation of the united

574

00:19:33,350 --> 00:19:31,600

states and all this other stuff a lot of

575

00:19:36,390 --> 00:19:33,360

it came out of these

576

00:19:38,870 --> 00:19:36,400

conflicts within these churches

577

00:19:40,310 --> 00:19:38,880

so uh there's a lot of problems and a

578

00:19:43,270 --> 00:19:40,320

lot of christian problems like

579

00:19:44,549 --> 00:19:43,280

justifications for racism slavery

580

00:19:47,350 --> 00:19:44,559

are the people who've referenced the

581

00:19:49,430 --> 00:19:47,360

bible so there's a lot of problems there

582

00:19:51,750 --> 00:19:49,440

it doesn't it's i think you can

583

00:19:53,669 --> 00:19:51,760

differentiate it from the original texts

584

00:19:55,909 --> 00:19:53,679

and the original gospels but

585

00:19:57,590 --> 00:19:55,919

some people can't i i don't have a

586

00:19:58,950 --> 00:19:57,600

problem doing that

587

00:20:00,870 --> 00:19:58,960

i mean i think that that's really it so

588

00:20:02,789 --> 00:20:00,880

some people can apply to me or just

589

00:20:04,310 --> 00:20:02,799

general christians hey

590

00:20:06,070 --> 00:20:04,320

look what the catholic church has done

591

00:20:09,190 --> 00:20:06,080

if you reject that

592

00:20:12,230 --> 00:20:09,200

then how can that affect your

593

00:20:15,590 --> 00:20:12,240

concept of the original you know

594

00:20:17,430 --> 00:20:15,600

gospel texts well because i mean

595

00:20:18,710 --> 00:20:17,440

the argument and then we can let it go

596

00:20:20,149 --> 00:20:18,720

because there's other more interesting

597

00:20:23,350 --> 00:20:20,159

stuff to talk about

598

00:20:25,270 --> 00:20:23,360

is there is no original

599

00:20:26,549 --> 00:20:25,280

all right well that that's where you and

600

00:20:28,789 --> 00:20:26,559

i are having i will

601
00:20:30,470 --> 00:20:28,799
respond you can't even you you can't

602
00:20:32,070 --> 00:20:30,480
even i mean that's

603
00:20:33,669 --> 00:20:32,080
i don't know how you can argue that i

604
00:20:34,870 --> 00:20:33,679
mean again

605
00:20:36,950 --> 00:20:34,880
here's another thing if you want to look

606
00:20:38,149 --> 00:20:36,960
at history we know that i think was it

607
00:20:40,470 --> 00:20:38,159
eusebius

608
00:20:42,310 --> 00:20:40,480
knew somebody who knew peter and rome so

609
00:20:44,149 --> 00:20:42,320
these people who have met paul

610
00:20:46,230 --> 00:20:44,159
and they're in the history texts these

611
00:20:48,549 --> 00:20:46,240
are legit history texts

612
00:20:50,149 --> 00:20:48,559
that people knew these people existed

613
00:20:51,190 --> 00:20:50,159

and these are outside of apocryphal

614

00:20:54,549 --> 00:20:51,200

texts these are like

615

00:20:56,789 --> 00:20:54,559

legit biblical texts so i think that

616

00:20:58,390 --> 00:20:56,799

kind of uh the idea that the gospels

617

00:20:59,590 --> 00:20:58,400

were invented two thousand years out of

618

00:21:02,390 --> 00:20:59,600

old cloth

619

00:21:03,830 --> 00:21:02,400

have a lot of problems and also there's

620

00:21:04,870 --> 00:21:03,840

tons of art i'm saying that i'm not

621

00:21:06,549 --> 00:21:04,880

saying i'm not saying

622

00:21:08,549 --> 00:21:06,559

i don't know invented about a whole

623

00:21:12,149 --> 00:21:08,559

cloth i mean

624

00:21:15,990 --> 00:21:12,159

what what what it looks like i mean

625

00:21:18,870 --> 00:21:16,000

what do you do with the nakamati library

626

00:21:20,230 --> 00:21:18,880

i mean right you just can't you can't

627

00:21:23,029 --> 00:21:20,240

resolve that with

628

00:21:24,149 --> 00:21:23,039

quote-unquote the gospels right because

629

00:21:27,029 --> 00:21:24,159

what you have is this

630

00:21:28,789 --> 00:21:27,039

all this collection of writings and all

631

00:21:29,990 --> 00:21:28,799

these different translations and all

632

00:21:32,149 --> 00:21:30,000

these different historical

633

00:21:34,310 --> 00:21:32,159

accounts without even getting into the

634

00:21:37,110 --> 00:21:34,320

problem of josephus you know which is

635

00:21:39,190 --> 00:21:37,120

enormous because he's just completely a

636

00:21:41,350 --> 00:21:39,200

propaganda agent for the romans

637

00:21:43,270 --> 00:21:41,360

so you just look at that i'm saying from

638

00:21:44,789 --> 00:21:43,280

a big picture you just step back and you

639

00:21:47,990 --> 00:21:44,799

say

640

00:21:49,190 --> 00:21:48,000

okay there's some history there but i

641

00:21:51,190 --> 00:21:49,200

cannot

642

00:21:52,070 --> 00:21:51,200

see this isn't the only history so i

643

00:21:53,750 --> 00:21:52,080

mean if you're looking through it

644

00:21:55,350 --> 00:21:53,760

through the lens of merely josephus who

645

00:21:57,029 --> 00:21:55,360

actually had kind of an admirable

646

00:21:59,029 --> 00:21:57,039

reference i think one

647

00:22:01,510 --> 00:21:59,039

full paragraph about jesus about he was

648

00:22:04,070 --> 00:22:01,520

a miracle worker and a great man

649

00:22:04,789 --> 00:22:04,080

yeah that that so absolutely that

650

00:22:07,750 --> 00:22:04,799

reference is

651
00:22:08,470 --> 00:22:07,760
absolutely inconsistent with the body of

652
00:22:10,230 --> 00:22:08,480
his you know

653
00:22:11,990 --> 00:22:10,240
i agree with that it's actually stands

654
00:22:14,470 --> 00:22:12,000
out it's like an aside his real

655
00:22:15,190 --> 00:22:14,480
interest is the history of the jews and

656
00:22:16,630 --> 00:22:15,200
if so

657
00:22:18,230 --> 00:22:16,640
it was probably an interpolation it was

658
00:22:21,110 --> 00:22:18,240
probably something later on

659
00:22:22,070 --> 00:22:21,120
that someone added in because josephus

660
00:22:24,789 --> 00:22:22,080
was

661
00:22:25,750 --> 00:22:24,799
the guy so let's have him say this stuff

662
00:22:29,029 --> 00:22:25,760
about

663
00:22:30,710 --> 00:22:29,039

jesus i mean that's the the natural

664

00:22:32,149 --> 00:22:30,720

conclusion i guess if you're going to be

665

00:22:33,590 --> 00:22:32,159

at all if you're going to be the better

666

00:22:36,390 --> 00:22:33,600

call saul guy you're going to be

667

00:22:37,110 --> 00:22:36,400

hey maybe i don't think so i don't agree

668

00:22:40,390 --> 00:22:37,120

with you

669

00:22:42,310 --> 00:22:40,400

that you're saying that some

670

00:22:44,549 --> 00:22:42,320

you're just assuming that somebody in

671

00:22:47,510 --> 00:22:44,559

history went in and re-edited

672

00:22:49,029 --> 00:22:47,520

josephus's text that's good that's the

673

00:22:52,310 --> 00:22:49,039

general consensus

674

00:22:53,350 --> 00:22:52,320

among people well generally of people

675

00:22:56,149 --> 00:22:53,360

who've really

676

00:22:57,270 --> 00:22:56,159

well again so look like i'm saying like

677

00:22:58,789 --> 00:22:57,280

we can't argue that

678

00:23:01,110 --> 00:22:58,799

people argue that all the time and get

679

00:23:03,190 --> 00:23:01,120

to what i'm just saying is

680

00:23:06,390 --> 00:23:03,200

from uh from uh this is how the world

681

00:23:08,549 --> 00:23:06,400

works its conspiratorial standpoint

682

00:23:11,510 --> 00:23:08,559

to me that's not even a hard one because

683

00:23:13,549 --> 00:23:11,520

you look at all of josephus's writings

684

00:23:14,950 --> 00:23:13,559

they would all be completely

685

00:23:16,950 --> 00:23:14,960

inconsistent

686

00:23:19,110 --> 00:23:16,960

with that one paragraph that one

687

00:23:21,590 --> 00:23:19,120

paragraph if that if he wrote that

688

00:23:23,750 --> 00:23:21,600

you could throw out the thousands and

689

00:23:26,070 --> 00:23:23,760

thousands of other pages that he wrote

690

00:23:27,590 --> 00:23:26,080

well i disagree with that too because he

691

00:23:29,110 --> 00:23:27,600

wrote the history of the jews which a

692

00:23:30,470 --> 00:23:29,120

lot of it's very consistent with old

693

00:23:32,710 --> 00:23:30,480

testament history

694

00:23:34,950 --> 00:23:32,720

and they talked a lot about people who

695

00:23:36,070 --> 00:23:34,960

um we know from history all the roman

696

00:23:40,070 --> 00:23:36,080

emperors and the

697

00:23:42,789 --> 00:23:40,080

uh who was it uh justin who was

698

00:23:44,470 --> 00:23:42,799

who was who was the flavians it was uh

699

00:23:48,470 --> 00:23:44,480

titus and his father

700

00:23:53,830 --> 00:23:51,750

titus and then domitian and yeah right

701
00:23:55,669 --> 00:23:53,840
but but i mean you have all that stuff

702
00:23:58,230 --> 00:23:55,679
earlier i mean they found

703
00:23:59,909 --> 00:23:58,240
i think they've even found um pontius

704
00:24:04,390 --> 00:23:59,919
pilate's name

705
00:24:06,549 --> 00:24:04,400
in latin in in somewhere in judea

706
00:24:07,430 --> 00:24:06,559
so i mean there's differences there that

707
00:24:09,830 --> 00:24:07,440
keep popping up

708
00:24:12,470 --> 00:24:09,840
that kind of verify some of that story

709
00:24:15,510 --> 00:24:12,480
that's told in the gospels right

710
00:24:16,950 --> 00:24:15,520
yeah but it's i mean again

711
00:24:20,310 --> 00:24:16,960
if you don't see if you don't see

712
00:24:22,470 --> 00:24:20,320
josephus as completely a propaganda

713
00:24:25,029 --> 00:24:22,480

agent for the romans

714

00:24:25,669 --> 00:24:25,039

it you you just haven't read josephus

715

00:24:27,430 --> 00:24:25,679

because look like

716

00:24:28,710 --> 00:24:27,440

when i said i've never had josephus i

717

00:24:31,830 --> 00:24:28,720

have read josephus

718

00:24:32,149 --> 00:24:31,840

i've actually recorded some stuff i know

719

00:24:36,390 --> 00:24:32,159

but

720

00:24:39,510 --> 00:24:36,400

i i don't see him uh he's obviously a

721

00:24:41,110 --> 00:24:39,520

uh a house flavian like his doc he's

722

00:24:41,909 --> 00:24:41,120

part of that dynasty of course he's

723

00:24:43,510 --> 00:24:41,919

gonna tell

724

00:24:46,310 --> 00:24:43,520

the story of the romans from the roman

725

00:24:47,990 --> 00:24:46,320

perspective he actually i mean do you

726
00:24:50,549 --> 00:24:48,000
think that

727
00:24:52,630 --> 00:24:50,559
the like what he retells of him giving a

728
00:24:55,029 --> 00:24:52,640
speech to the uh

729
00:24:57,110 --> 00:24:55,039
jerusalem inhabitants who are who have

730
00:24:57,750 --> 00:24:57,120
been captured with by the romans by a

731
00:24:59,510 --> 00:24:57,760
huge

732
00:25:01,190 --> 00:24:59,520
you know blockade do you think that

733
00:25:04,789 --> 00:25:01,200
that's all fake

734
00:25:07,510 --> 00:25:04,799
once somebody is shown to be fake

735
00:25:09,190 --> 00:25:07,520
once somebody is shown to be an agent a

736
00:25:12,070 --> 00:25:09,200
disinformation agent

737
00:25:12,870 --> 00:25:12,080
then i i just don't know why we would

738
00:25:15,590 --> 00:25:12,880

follow him

739

00:25:17,269 --> 00:25:15,600

and try and parse out you know what's

740

00:25:19,269 --> 00:25:17,279

true and what's not

741

00:25:23,110 --> 00:25:19,279

he's clear you know here's the here's

742

00:25:26,470 --> 00:25:24,789

i've said this to so many people so many

743

00:25:29,750 --> 00:25:26,480

christians they've never really

744

00:25:31,750 --> 00:25:29,760

read uh josephus let me pull i have

745

00:25:33,269 --> 00:25:31,760

i'm telling you i've read josephus well

746

00:25:34,789 --> 00:25:33,279

i haven't read the full history of the

747

00:25:37,590 --> 00:25:34,799

jews but i've heard i've read

748

00:25:38,310 --> 00:25:37,600

the history of the wars of the jews

749

00:25:39,590 --> 00:25:38,320

which was

750

00:25:42,149 --> 00:25:39,600

you know the whole retelling of the

751

00:25:45,350 --> 00:25:42,159

sacking of jerusalem in 70 a.d

752

00:25:47,590 --> 00:25:45,360

so let me uh

753

00:25:48,870 --> 00:25:47,600

pull up what i sent you so this is uh

754

00:25:50,710 --> 00:25:48,880

war of the jews

755

00:25:52,350 --> 00:25:50,720

josephus is one of his first best

756

00:25:57,190 --> 00:25:52,360

sellers

757

00:26:00,070 --> 00:25:57,200

6.5.4 so he says but what more

758

00:26:02,549 --> 00:26:00,080

than all else incited them to war that

759

00:26:06,070 --> 00:26:02,559

has incited the jews to war

760

00:26:07,110 --> 00:26:06,080

was an ambiguous oracle likewise found

761

00:26:09,190 --> 00:26:07,120

in their sacred

762

00:26:11,830 --> 00:26:09,200

scriptures to the effect that at the

763

00:26:13,269 --> 00:26:11,840

time one from their country would become

764

00:26:15,590 --> 00:26:13,279

ruler of the world

765

00:26:16,549 --> 00:26:15,600

he's talking this kind of third person

766

00:26:19,830 --> 00:26:16,559

about the jews

767

00:26:22,789 --> 00:26:19,840

of which he is one he not only is one

768

00:26:24,310 --> 00:26:22,799

but he claims to be kind of a super jew

769

00:26:27,590 --> 00:26:24,320

and by that he said

770

00:26:28,789 --> 00:26:27,600

i was so jewish from the time that i was

771

00:26:31,750 --> 00:26:28,799

brought up and i was so

772

00:26:33,510 --> 00:26:31,760

learned in the law that at 14 years old

773

00:26:35,750 --> 00:26:33,520

i went to the temple and i was

774

00:26:37,110 --> 00:26:35,760

you know kind of talking down to the

775

00:26:37,669 --> 00:26:37,120

guys in the temple and telling him

776

00:26:39,990 --> 00:26:37,679

what's up

777

00:26:41,830 --> 00:26:40,000

you know of course this is his account

778

00:26:43,510 --> 00:26:41,840

which is completely ridiculous

779

00:26:45,830 --> 00:26:43,520

and it is also even that point you know

780

00:26:47,990 --> 00:26:45,840

if you talk to

781

00:26:49,029 --> 00:26:48,000

jews who are really scholarly about this

782

00:26:51,110 --> 00:26:49,039

they'll say well this

783

00:26:52,950 --> 00:26:51,120

he contradicts himself because later in

784

00:26:55,190 --> 00:26:52,960

his writings he doesn't seem to know the

785

00:26:57,510 --> 00:26:55,200

law very well the jewish law so

786

00:26:58,470 --> 00:26:57,520

he isn't the super too that he says but

787

00:27:00,549 --> 00:26:58,480

anyways

788

00:27:02,470 --> 00:27:00,559

here is his big pronouncement he says

789

00:27:03,269 --> 00:27:02,480

you know what really incited these jews

790

00:27:07,110 --> 00:27:03,279

you know what really

791

00:27:10,070 --> 00:27:07,120

drove him crazy was that there was this

792

00:27:11,350 --> 00:27:10,080

sacred scripture that told them that at

793

00:27:14,230 --> 00:27:11,360

some time

794

00:27:14,870 --> 00:27:14,240

someone would rise up from their ranks

795

00:27:17,269 --> 00:27:14,880

and become

796

00:27:19,029 --> 00:27:17,279

ruler of the world and here's what he

797

00:27:23,510 --> 00:27:19,039

says it's important

798

00:27:28,310 --> 00:27:23,520

the oracle however in reality

799

00:27:31,110 --> 00:27:28,320

signified the sovereignty of vespasian

800

00:27:33,110 --> 00:27:31,120

right who we're just saying is the the

801
00:27:34,070 --> 00:27:33,120
roman general who's just kicking their

802
00:27:37,430 --> 00:27:34,080
ass and killing

803
00:27:38,470 --> 00:27:37,440
them and becomes caesar who was

804
00:27:42,230 --> 00:27:38,480
proclaimed

805
00:27:44,070 --> 00:27:42,240
emperor on jewish soil so he says here's

806
00:27:47,190 --> 00:27:44,080
josephus saying you know what

807
00:27:49,110 --> 00:27:47,200
i'm a super jew so trust me but

808
00:27:51,269 --> 00:27:49,120
here's how our whole thing here's how

809
00:27:54,389 --> 00:27:51,279
our whole religious tradition

810
00:27:56,310 --> 00:27:54,399
is based we we had it all wrong it

811
00:27:59,590 --> 00:27:56,320
really wasn't about the messiah

812
00:28:01,669 --> 00:27:59,600
it was about vespasian and where we

813
00:28:03,590 --> 00:28:01,679

where we went wrong was in reading the

814

00:28:04,950 --> 00:28:03,600

oracle because what it did what the

815

00:28:07,830 --> 00:28:04,960

oracle didn't see

816

00:28:09,350 --> 00:28:07,840

is that when he was proclaimed emperor

817

00:28:11,990 --> 00:28:09,360

which is just kind of a little

818

00:28:12,630 --> 00:28:12,000

subtle fact that he was proclaimed

819

00:28:15,750 --> 00:28:12,640

emperor

820

00:28:18,950 --> 00:28:15,760

in rome but he was on jewish soil

821

00:28:22,470 --> 00:28:18,960

and that's how he kind of is trying to

822

00:28:22,870 --> 00:28:22,480

sell this grand conspiratorial nonsense

823

00:28:25,510 --> 00:28:22,880

to

824

00:28:26,149 --> 00:28:25,520

his jewish people that that's what makes

825

00:28:30,070 --> 00:28:26,159

him

826

00:28:33,269 --> 00:28:30,080

the guy this is so clearly

827

00:28:37,669 --> 00:28:33,279

uh [h__h] propaganda i

828

00:28:40,070 --> 00:28:37,679

i just yeah but i mean

829

00:28:42,389 --> 00:28:40,080

so josephus is out the window you can't

830

00:28:45,350 --> 00:28:42,399

you can never use josephus again

831

00:28:46,710 --> 00:28:45,360

he's completely an agent of the romans

832

00:28:47,830 --> 00:28:46,720

well i agree with that but i think that

833

00:28:49,669 --> 00:28:47,840

you have to look at everything in

834

00:28:50,950 --> 00:28:49,679

context i think you're in context is

835

00:28:53,029 --> 00:28:50,960

important but it's also kind of a

836

00:28:54,630 --> 00:28:53,039

logical fallacy if somebody

837

00:28:56,070 --> 00:28:54,640

is writing something that everything

838

00:28:59,110 --> 00:28:56,080

else that they've ever written

839

00:29:02,630 --> 00:28:59,120

is nolan boyd i mean it's kind of like a

840

00:29:04,389 --> 00:29:02,640

extrapolation from one well it's not so

841

00:29:05,830 --> 00:29:04,399

i mean i think that a lot of his stuff

842

00:29:06,549 --> 00:29:05,840

at least the history of the jews

843

00:29:10,070 --> 00:29:06,559

comports

844

00:29:12,230 --> 00:29:10,080

and follows old testament

845

00:29:14,549 --> 00:29:12,240

writings right i mean he's talking about

846

00:29:19,590 --> 00:29:14,559

moses he's talking about

847

00:29:23,590 --> 00:29:19,600

abraham he he retells the story of uh

848

00:29:26,710 --> 00:29:23,600

you know i think genesis so

849

00:29:28,389 --> 00:29:26,720

from a different world this man see

850

00:29:29,750 --> 00:29:28,399

like this is what gets back to the first

851

00:29:32,870 --> 00:29:29,760

part of what we're saying

852

00:29:35,110 --> 00:29:32,880

it's like you're in dc and

853

00:29:36,950 --> 00:29:35,120

you're now being woken up to how this

854

00:29:40,070 --> 00:29:36,960

[h__\h] works right

855

00:29:43,029 --> 00:29:40,080

well of course 90 of it is

856

00:29:43,830 --> 00:29:43,039

90 of it is totally logical and flies

857

00:29:46,070 --> 00:29:43,840

right

858

00:29:47,750 --> 00:29:46,080

it's the the edges it's the vince

859

00:29:51,269 --> 00:29:47,760

monster case that you're talking about

860

00:29:53,110 --> 00:29:51,279

i mean 90 of it looks legit except oh

861

00:29:55,430 --> 00:29:53,120

they forgot to put the gun in the

862

00:29:57,830 --> 00:29:55,440

correct hand and it doesn't fly

863

00:29:59,190 --> 00:29:57,840

it's not like the whole thing is just

864

00:30:01,350 --> 00:29:59,200

completely made up

865

00:30:02,789 --> 00:30:01,360

you only need to make up ten percent of

866

00:30:04,389 --> 00:30:02,799

it and you don't if you make a

867

00:30:05,909 --> 00:30:04,399

if you make up the whole thing it's

868

00:30:10,470 --> 00:30:05,919

exposed as a fraud

869

00:30:16,710 --> 00:30:13,830

okay you're saying that because

870

00:30:18,230 --> 00:30:16,720

josephus had problems that you're

871

00:30:20,710 --> 00:30:18,240

noticing therefore

872

00:30:24,149 --> 00:30:20,720

the whole story of the gospels is a lie

873

00:30:27,110 --> 00:30:24,159

is that where you're kind of intimating

874

00:30:27,990 --> 00:30:27,120

well well slow down here for a second

875

00:30:29,990 --> 00:30:28,000

well let's get

876

00:30:31,590 --> 00:30:30,000

this i mean that's well no slow down for

877

00:30:33,110 --> 00:30:31,600

a second because this is

878

00:30:34,870 --> 00:30:33,120

see this is like one of those things

879

00:30:36,149 --> 00:30:34,880

this is like what what would drive you

880

00:30:38,070 --> 00:30:36,159

crazy um

881

00:30:39,909 --> 00:30:38,080

like it's about because psychology it's

882

00:30:43,430 --> 00:30:39,919

right what we believe what we believe

883

00:30:45,110 --> 00:30:43,440

right so so like here it is

884

00:30:46,789 --> 00:30:45,120

but it goes back to the west memphis

885

00:30:48,950 --> 00:30:46,799

three case right hey

886

00:30:50,149 --> 00:30:48,960

they didn't retry those guys so

887

00:30:51,510 --> 00:30:50,159

obviously they didn't they

888

00:30:53,269 --> 00:30:51,520

didn't do it obviously they didn't do

889

00:30:55,830 --> 00:30:53,279

their they obviously they didn't re they

890

00:30:57,830 --> 00:30:55,840

didn't do the crime

891

00:30:58,870 --> 00:30:57,840

well that's what you i mean right i know

892

00:31:01,509 --> 00:30:58,880

what you're saying

893

00:31:02,870 --> 00:31:01,519

i get it but they are still guilty a lot

894

00:31:05,269 --> 00:31:02,880

i think their

895

00:31:06,230 --> 00:31:05,279

uh probation ends in august of this year

896

00:31:10,950 --> 00:31:06,240

but yeah

897

00:31:12,710 --> 00:31:10,960

i mean they're guilty of law

898

00:31:14,630 --> 00:31:12,720

they could get re-tried i mean they got

899

00:31:16,149 --> 00:31:14,640

off they got they got let out of prison

900

00:31:17,909 --> 00:31:16,159

they don't let people out of prison

901
00:31:19,990 --> 00:31:17,919
if these guys realize that they signed

902
00:31:23,029 --> 00:31:20,000
on the dotted line that they

903
00:31:24,870 --> 00:31:23,039
were uh that they there's enough

904
00:31:26,470 --> 00:31:24,880
evidence for them to have a conviction

905
00:31:30,310 --> 00:31:26,480
of first-degree murder so

906
00:31:36,230 --> 00:31:33,830
i'm saying man you get what i'm saying

907
00:31:38,470 --> 00:31:36,240
i know well yeah i think that you're

908
00:31:40,950 --> 00:31:38,480
kind of you're

909
00:31:44,070 --> 00:31:40,960
the approach that you're taking to

910
00:31:47,110 --> 00:31:44,080
christianity is through josephus

911
00:31:49,909 --> 00:31:47,120
therefore all of the core texts

912
00:31:51,029 --> 00:31:49,919
that were there whether it's the

913
00:31:53,669 --> 00:31:51,039

writings of paul

914

00:31:54,950 --> 00:31:53,679

and the original gospels are we're not

915

00:31:56,310 --> 00:31:54,960

getting to that we're not talking about

916

00:31:59,269 --> 00:31:56,320

okay we're just talking about

917

00:32:00,789 --> 00:31:59,279

what you're insinuating then that

918

00:32:02,470 --> 00:32:00,799

because that's what you're saying about

919

00:32:06,870 --> 00:32:02,480

like how you're applying my

920

00:32:08,230 --> 00:32:06,880

my view of you know dc how like you

921

00:32:09,509 --> 00:32:08,240

could have the scales fall from your

922

00:32:13,029 --> 00:32:09,519

eyes and see things differently when

923

00:32:17,990 --> 00:32:15,509

where i was really trying to get to and

924

00:32:21,509 --> 00:32:18,000

and we will get there eventually

925

00:32:24,870 --> 00:32:21,519

is that spirituality

926
00:32:25,909 --> 00:32:24,880
is real and we're in this strange

927
00:32:27,669 --> 00:32:25,919
situation

928
00:32:29,590 --> 00:32:27,679
which is something we would agree with

929
00:32:31,190 --> 00:32:29,600
and then your spirituality is different

930
00:32:33,350 --> 00:32:31,200
than my spirituality

931
00:32:35,190 --> 00:32:33,360
here's what's super interesting i think

932
00:32:37,350 --> 00:32:35,200
and important about your work

933
00:32:39,269 --> 00:32:37,360
and what comes through again and again

934
00:32:40,310 --> 00:32:39,279
and where it intersects with kind of my

935
00:32:43,830 --> 00:32:40,320
worldview and

936
00:32:47,190 --> 00:32:43,840
what i've been pounding on is that

937
00:32:48,870 --> 00:32:47,200
the denial of spirituality the denial of

938
00:32:52,029 --> 00:32:48,880

the idea that each of us

939

00:32:55,350 --> 00:32:52,039

has this rich spiritual

940

00:32:58,070 --> 00:32:55,360

non-physical experience

941

00:32:59,430 --> 00:32:58,080

is part of the agenda and it's part of

942

00:33:02,549 --> 00:32:59,440

the agenda that comes up

943

00:33:04,950 --> 00:33:02,559

again and again with you know

944

00:33:06,950 --> 00:33:04,960

the post-modern you can't really believe

945

00:33:10,310 --> 00:33:06,960

anything the wokeness

946

00:33:12,230 --> 00:33:10,320

the it comes in with the scientific

947

00:33:14,070 --> 00:33:12,240

luciferian you know merge with the

948

00:33:16,269 --> 00:33:14,080

machine you really have no soul

949

00:33:17,669 --> 00:33:16,279

communism you could say that too

950

00:33:20,710 --> 00:33:17,679

communitarianism

951
00:33:21,669 --> 00:33:20,720
it is an agenda it is a it is what's

952
00:33:24,149 --> 00:33:21,679
being sold

953
00:33:26,630 --> 00:33:24,159
it's a social engineering project

954
00:33:30,149 --> 00:33:26,640
because if i can separate you

955
00:33:32,870 --> 00:33:30,159
from your spirituality then

956
00:33:33,590 --> 00:33:32,880
man you are easier to control right you

957
00:33:37,909 --> 00:33:33,600
are not

958
00:33:40,070 --> 00:33:37,919
you're just freaking a biological world

959
00:33:41,830 --> 00:33:40,080
yeah the worst you're just an accident

960
00:33:43,590 --> 00:33:41,840
of time and space

961
00:33:45,590 --> 00:33:43,600
right that's all that all the whole

962
00:33:46,870 --> 00:33:45,600
evolutionary outlook is that you're just

963
00:33:50,630 --> 00:33:46,880

a random event in a

964

00:33:52,710 --> 00:33:50,640

cir random cake uh cosmos right

965

00:33:53,990 --> 00:33:52,720

so there's there's two so to me this is

966

00:33:55,990 --> 00:33:54,000

kind of my world view

967

00:33:57,190 --> 00:33:56,000

is that there's two steps to this well

968

00:33:59,990 --> 00:33:57,200

there's many steps to it

969

00:34:02,070 --> 00:34:00,000

but one step is that you know one one

970

00:34:04,630 --> 00:34:02,080

way that i can

971

00:34:05,990 --> 00:34:04,640

kind of get to you is to separate you

972

00:34:07,430 --> 00:34:06,000

from your spirituality

973

00:34:09,430 --> 00:34:07,440

and convince you that you really don't

974

00:34:11,349 --> 00:34:09,440

have a spirituality you are

975

00:34:12,710 --> 00:34:11,359

what did you say an accident of time and

976
00:34:15,109 --> 00:34:12,720
space you know you are

977
00:34:17,190 --> 00:34:15,119
right a biological robot ran this

978
00:34:20,710 --> 00:34:17,200
universe

979
00:34:23,750 --> 00:34:20,720
right but then the the second uh

980
00:34:26,950 --> 00:34:23,760
point i guess that i'm driving towards

981
00:34:28,550 --> 00:34:26,960
is that if that doesn't work the next

982
00:34:31,030 --> 00:34:28,560
thing that i can do

983
00:34:31,990 --> 00:34:31,040
is take your genuine spiritual

984
00:34:34,550 --> 00:34:32,000
experience

985
00:34:36,710 --> 00:34:34,560
and then try and co-opt it and i see

986
00:34:38,149 --> 00:34:36,720
religion as a way of co-opting it right

987
00:34:39,109 --> 00:34:38,159
so you have a genuine spiritual

988
00:34:41,589 --> 00:34:39,119

experience

989

00:34:42,869 --> 00:34:41,599

i agree with that so you have a gent you

990

00:34:46,149 --> 00:34:42,879

know william ramsey

991

00:34:46,470 --> 00:34:46,159

has a spiritual life and his spiritual

992

00:34:48,149 --> 00:34:46,480

life

993

00:34:49,589 --> 00:34:48,159

is a direct connection with christ

994

00:34:52,550 --> 00:34:49,599

consciousness if you will

995

00:34:54,470 --> 00:34:52,560

allow that you know but i totally accept

996

00:34:55,750 --> 00:34:54,480

that you are having a spiritual

997

00:34:57,750 --> 00:34:55,760

experience

998

00:34:59,829 --> 00:34:57,760

with this thing and i'm just putting

999

00:35:03,030 --> 00:34:59,839

that label on it christ consciousness

1000

00:35:04,630 --> 00:35:03,040

and that i don't i don't i hold loosely

1001

00:35:06,710 --> 00:35:04,640

the connection with that and the

1002

00:35:10,109 --> 00:35:06,720

historical jesus i'm not saying it's

1003

00:35:13,270 --> 00:35:10,119

not there but i'm saying it isn't

1004

00:35:16,390 --> 00:35:13,280

necessarily as kind of detailed

1005

00:35:19,510 --> 00:35:16,400

it has to fit perfectly in order for

1006

00:35:21,349 --> 00:35:19,520

your spiritual experience to still be

1007

00:35:23,190 --> 00:35:21,359

valid and here's where i'm trying to

1008

00:35:25,670 --> 00:35:23,200

head with that because

1009

00:35:27,430 --> 00:35:25,680

the reason i put it together that way is

1010

00:35:29,349 --> 00:35:27,440

primarily because of

1011

00:35:30,870 --> 00:35:29,359

like when i went looking for this i went

1012

00:35:33,270 --> 00:35:30,880

looking for the science and the best

1013

00:35:35,990 --> 00:35:33,280

science i found is near-death experience

1014

00:35:37,030 --> 00:35:36,000

so with near-death experience people are

1015

00:35:39,670 --> 00:35:37,040

dead

1016

00:35:42,550 --> 00:35:39,680

they no longer have that brain they no

1017

00:35:45,030 --> 00:35:42,560

longer have that biological robot thing

1018

00:35:46,390 --> 00:35:45,040

and they are now they are infinitely

1019

00:35:49,349 --> 00:35:46,400

more connected

1020

00:35:49,990 --> 00:35:49,359

to the spiritual and there's plenty of

1021

00:35:52,230 --> 00:35:50,000

people

1022

00:35:53,030 --> 00:35:52,240

that are super connected with christ

1023

00:35:55,589 --> 00:35:53,040

consciousness

1024

00:35:57,349 --> 00:35:55,599

in that realm and all sorts of different

1025

00:35:58,790 --> 00:35:57,359

levels of christ consciousness but some

1026

00:36:00,870 --> 00:35:58,800

like literal

1027

00:36:02,310 --> 00:36:00,880

you know i touch the hands the blood

1028

00:36:03,109 --> 00:36:02,320

kind of thing which i don't know what to

1029

00:36:05,910 --> 00:36:03,119

make of that

1030

00:36:07,910 --> 00:36:05,920

but i i accept that i would say it's a

1031

00:36:09,589 --> 00:36:07,920

false interpretation of

1032

00:36:11,670 --> 00:36:09,599

of what gospels it's all well it's

1033

00:36:13,750 --> 00:36:11,680

obviously if you look at the last supper

1034

00:36:16,630 --> 00:36:13,760

passover's coming up what tomorrow is

1035

00:36:19,270 --> 00:36:16,640

today right i mean the last supper is

1036

00:36:20,710 --> 00:36:19,280

obviously symbolic but they've in within

1037

00:36:24,550 --> 00:36:20,720

christianity they've made it more

1038

00:36:31,190 --> 00:36:28,190

at the wafer in the wine or literal

1039

00:36:34,390 --> 00:36:31,200

transmogrifications of blood in his body

1040

00:36:39,349 --> 00:36:37,670

okay so symbolic it's

1041

00:36:41,829 --> 00:36:39,359

clearly symbolic because even in the

1042

00:36:43,829 --> 00:36:41,839

last supper he's using it as a symbol

1043

00:36:45,750 --> 00:36:43,839

he doesn't cut open his thumb and drop

1044

00:36:48,790 --> 00:36:45,760

blood out it's ridiculous

1045

00:36:49,670 --> 00:36:48,800

well my only point even the one even i

1046

00:36:51,990 --> 00:36:49,680

mean we can go in

1047

00:36:54,069 --> 00:36:52,000

even within christianity people say the

1048

00:36:57,750 --> 00:36:54,079

blood of jesus it's obviously a symbol

1049

00:36:59,670 --> 00:36:57,760

it's not the literal blood of jesus yeah

1050

00:37:01,349 --> 00:36:59,680

and where i was going with that william

1051
00:37:04,710 --> 00:37:01,359
is i've spoken

1052
00:37:08,550 --> 00:37:04,720
to a number of people that have uh

1053
00:37:10,790 --> 00:37:08,560
verifiable near-death experiences and by

1054
00:37:12,790 --> 00:37:10,800
near verifiable near-death experiences

1055
00:37:14,630 --> 00:37:12,800
we can say all the medical conditions

1056
00:37:15,990 --> 00:37:14,640
that they report and we can verify would

1057
00:37:19,190 --> 00:37:16,000
suggest that they were dead

1058
00:37:21,430 --> 00:37:19,200
right and then these people

1059
00:37:22,550 --> 00:37:21,440
have these experiences and they report

1060
00:37:26,150 --> 00:37:22,560
back having

1061
00:37:29,030 --> 00:37:26,160
spiritual experiences that they identify

1062
00:37:31,430 --> 00:37:29,040
as being with christ consciousness now

1063
00:37:33,270 --> 00:37:31,440

one of the ways that i evaluate

1064

00:37:34,870 --> 00:37:33,280

whether those experiences should be

1065

00:37:37,910 --> 00:37:34,880

taken seriously

1066

00:37:41,109 --> 00:37:37,920

is how they live their [h__h] life

1067

00:37:44,310 --> 00:37:41,119

if they come back and they're walking

1068

00:37:46,950 --> 00:37:44,320

the talk and living spiritual

1069

00:37:48,230 --> 00:37:46,960

lives and being good people and that's

1070

00:37:51,829 --> 00:37:48,240

what they're about

1071

00:37:55,109 --> 00:37:51,839

is love and compassion and

1072

00:37:58,550 --> 00:37:55,119

goodness then i say hmm

1073

00:37:59,750 --> 00:37:58,560

that seems to be evidence that they

1074

00:38:02,310 --> 00:37:59,760

maybe had that

1075

00:38:02,870 --> 00:38:02,320

good experience if they come back and

1076
00:38:06,790 --> 00:38:02,880
they're

1077
00:38:08,230 --> 00:38:06,800
lying deceptive cultish kind of secret

1078
00:38:11,190 --> 00:38:08,240
society people

1079
00:38:12,230 --> 00:38:11,200
which none i've never encountered or

1080
00:38:13,910 --> 00:38:12,240
even heard

1081
00:38:16,150 --> 00:38:13,920
of in the thousands of cases that

1082
00:38:17,030 --> 00:38:16,160
they've been reported i've never heard

1083
00:38:18,950 --> 00:38:17,040
of someone

1084
00:38:20,230 --> 00:38:18,960
saying i went to the light after i

1085
00:38:23,349 --> 00:38:20,240
clinically died

1086
00:38:26,390 --> 00:38:23,359
and i came back and i decided to go do

1087
00:38:29,109 --> 00:38:26,400
alistar you know sex

1088
00:38:29,990 --> 00:38:29,119

magic and bringing forth the ant i've

1089

00:38:33,829 --> 00:38:30,000

never

1090

00:38:36,990 --> 00:38:33,839

zero cases of that i think that

1091

00:38:40,870 --> 00:38:37,000

evidence is important and it's

1092

00:38:44,710 --> 00:38:40,880

impenetrable to the quote christian

1093

00:38:46,870 --> 00:38:44,720

beliefs well it's well yeah well

1094

00:38:49,430 --> 00:38:46,880

uh it depends i mean it depends what

1095

00:38:50,870 --> 00:38:49,440

version of christianity or kind of

1096

00:38:52,470 --> 00:38:50,880

what happens when you're dead i mean i

1097

00:38:54,550 --> 00:38:52,480

think the general

1098

00:38:56,710 --> 00:38:54,560

outlook is you pass away the

1099

00:38:58,630 --> 00:38:56,720

resurrection you're judged

1100

00:38:59,990 --> 00:38:58,640

then you go on to heaven or hell right

1101

00:39:03,190 --> 00:39:00,000

so that's a very general term

1102

00:39:04,630 --> 00:39:03,200

but paul even paul like we all shine on

1103

00:39:06,550 --> 00:39:04,640

the sun the moon and the stars right

1104

00:39:09,270 --> 00:39:06,560

that whole line or whatever it is from

1105

00:39:09,990 --> 00:39:09,280

lennon was taken from one of paul's

1106

00:39:12,390 --> 00:39:10,000

missives

1107

00:39:15,829 --> 00:39:12,400

so even the mormons they actually key

1108

00:39:18,069 --> 00:39:15,839

into that as some kind of uh

1109

00:39:20,230 --> 00:39:18,079

you know not resurrection but

1110

00:39:23,270 --> 00:39:20,240

reincarnation kind of outlook

1111

00:39:24,470 --> 00:39:23,280

so uh there's a little bit i mean if you

1112

00:39:27,510 --> 00:39:24,480

want to really get into

1113

00:39:30,950 --> 00:39:27,520

like more esoteric aspects of what

1114

00:39:32,230 --> 00:39:30,960

people have written at least paul too is

1115

00:39:34,950 --> 00:39:32,240

probably you know

1116

00:39:35,510 --> 00:39:34,960

the hide the most ball for sure the most

1117

00:39:38,390 --> 00:39:35,520

uh

1118

00:39:39,910 --> 00:39:38,400

quoted and referenced christian thinker

1119

00:39:41,349 --> 00:39:39,920

who knew peter and all those other

1120

00:39:43,430 --> 00:39:41,359

people right so

1121

00:39:45,829 --> 00:39:43,440

uh that's also another kind of problem

1122

00:39:47,589 --> 00:39:45,839

with the josephus kind of view of

1123

00:39:48,870 --> 00:39:47,599

the gospels being you know pure

1124

00:39:50,310 --> 00:39:48,880

political document but

1125

00:39:52,069 --> 00:39:50,320

there's some other elements within

1126
00:39:52,870 --> 00:39:52,079
christianity that don't comport with the

1127
00:39:56,150 --> 00:39:52,880
kind of

1128
00:39:59,750 --> 00:39:56,160
superficial surface

1129
00:40:01,990 --> 00:39:59,760
kind of uh generalized doctrines that

1130
00:40:04,390 --> 00:40:02,000
christians and non-christians uh

1131
00:40:06,470 --> 00:40:04,400
perceive as being what christianity is

1132
00:40:09,430 --> 00:40:06,480
about

1133
00:40:11,109 --> 00:40:09,440
yeah i just that winds up sounding a lot

1134
00:40:14,630 --> 00:40:11,119
like goblin [h__h] to me

1135
00:40:15,190 --> 00:40:14,640
i mean there is no just because there is

1136
00:40:18,470 --> 00:40:15,200
no

1137
00:40:23,589 --> 00:40:18,480
and

1138
00:40:26,230 --> 00:40:23,599

you know buddha's 500 years before or

1139

00:40:28,230 --> 00:40:26,240

there's all these great spiritual people

1140

00:40:30,470 --> 00:40:28,240

that have had these downloads

1141

00:40:33,750 --> 00:40:30,480

i mean again the part about christianity

1142

00:40:35,829 --> 00:40:33,760

that i think a lot of us sit back and go

1143

00:40:38,069 --> 00:40:35,839

how are you even processing that is to

1144

00:40:40,309 --> 00:40:38,079

say there's this special time

1145

00:40:41,829 --> 00:40:40,319

there's this special time 2000 years ago

1146

00:40:42,390 --> 00:40:41,839

well what about all the people that came

1147

00:40:44,710 --> 00:40:42,400

before

1148

00:40:46,710 --> 00:40:44,720

what about all the people that we

1149

00:40:49,829 --> 00:40:46,720

encounter in our lives that never had

1150

00:40:51,349 --> 00:40:49,839

any contact with that experience of that

1151
00:40:52,150 --> 00:40:51,359
christian experience that christian

1152
00:40:55,589 --> 00:40:52,160
education

1153
00:40:57,109 --> 00:40:55,599
and our more spiritual we would all say

1154
00:41:00,230 --> 00:40:57,119
are what we aspire to be

1155
00:41:01,670 --> 00:41:00,240
in that spiritual sense but

1156
00:41:03,990 --> 00:41:01,680
i don't even want to go there because

1157
00:41:06,069 --> 00:41:04,000
all the answers are just gobbly good

1158
00:41:07,430 --> 00:41:06,079
what what i would kind of bring back in

1159
00:41:09,670 --> 00:41:07,440
and this is an effort to try and

1160
00:41:12,470 --> 00:41:09,680
understand

1161
00:41:13,990 --> 00:41:12,480
the christian perspective in a really

1162
00:41:16,470 --> 00:41:14,000
kind of

1163
00:41:18,069 --> 00:41:16,480

no [h__h] way which i don't think and

1164

00:41:21,510 --> 00:41:18,079

i appreciate you doing this because i've

1165

00:41:24,470 --> 00:41:21,520

never been able to

1166

00:41:25,990 --> 00:41:24,480

so you know the next thing with with the

1167

00:41:28,230 --> 00:41:26,000

near death experience

1168

00:41:30,790 --> 00:41:28,240

like so number one i i just interviewed

1169

00:41:32,710 --> 00:41:30,800

this guy bruce grayson who's been

1170

00:41:34,790 --> 00:41:32,720

probably one of the most well-known

1171

00:41:37,510 --> 00:41:34,800

near-death experience researchers

1172

00:41:38,870 --> 00:41:37,520

40 years at university of virginia

1173

00:41:42,150 --> 00:41:38,880

hundreds and hundreds of paper

1174

00:41:43,270 --> 00:41:42,160

influenced all these people grew up in a

1175

00:41:47,109 --> 00:41:43,280

very

1176

00:41:47,990 --> 00:41:47,119

secular household no belief in any of

1177

00:41:51,910 --> 00:41:48,000

this stuff

1178

00:41:53,910 --> 00:41:51,920

and now believes in god and is

1179

00:41:55,670 --> 00:41:53,920

is able to say that after you know it

1180

00:41:57,750 --> 00:41:55,680

taken a long time to be able to say i

1181

00:41:59,750 --> 00:41:57,760

just can't get around the evidence

1182

00:42:01,349 --> 00:41:59,760

but of course he isn't a christian

1183

00:42:02,950 --> 00:42:01,359

because anyone who encounters the

1184

00:42:04,550 --> 00:42:02,960

near-death experience research one of

1185

00:42:08,230 --> 00:42:04,560

the things that comes through to that

1186

00:42:11,430 --> 00:42:08,240

is there's no exclusivity there's no

1187

00:42:13,270 --> 00:42:11,440

christian is right kind of christian the

1188

00:42:15,270 --> 00:42:13,280

primacy of christianity

1189

00:42:17,510 --> 00:42:15,280

it just does not come through in those

1190

00:42:19,190 --> 00:42:17,520

accounts so if you want to throw out

1191

00:42:21,109 --> 00:42:19,200

all that research and you just want to

1192

00:42:22,309 --> 00:42:21,119

say well i don't know whatever they're

1193

00:42:25,510 --> 00:42:22,319

having

1194

00:42:27,270 --> 00:42:25,520

it isn't it's non-christian so i'm going

1195

00:42:29,589 --> 00:42:27,280

to ignore it all

1196

00:42:31,829 --> 00:42:29,599

you're stepping over probably the best

1197

00:42:34,390 --> 00:42:31,839

science we have for understanding the

1198

00:42:36,230 --> 00:42:34,400

reality of spirituality

1199

00:42:37,510 --> 00:42:36,240

well i mean i think that stepping over

1200

00:42:39,030 --> 00:42:37,520

is one thing i mean i think

1201
00:42:41,349 --> 00:42:39,040
at least in christianity they talk about

1202
00:42:43,910 --> 00:42:41,359
the gifts of the spirit so people

1203
00:42:44,710 --> 00:42:43,920
leave their bodies they talk to and

1204
00:42:47,670 --> 00:42:44,720
whatever they

1205
00:42:48,790 --> 00:42:47,680
derive in for in inspiration or holy

1206
00:42:52,630 --> 00:42:48,800
spirit

1207
00:42:53,109 --> 00:42:52,640
so i think uh some of these ndes could

1208
00:42:56,390 --> 00:42:53,119
be put

1209
00:42:59,109 --> 00:42:56,400
into that context i don't think that uh

1210
00:43:00,870 --> 00:42:59,119
i mean you i think when you're talk when

1211
00:43:02,870 --> 00:43:00,880
you're talking about christianity you're

1212
00:43:05,430 --> 00:43:02,880
talking about it in a very general sense

1213
00:43:06,630 --> 00:43:05,440

which i don't mind but i would say my

1214

00:43:10,630 --> 00:43:06,640

outlook is not

1215

00:43:12,390 --> 00:43:10,640

uh pretty independent so

1216

00:43:13,910 --> 00:43:12,400

but i do believe my outlook is

1217

00:43:17,190 --> 00:43:13,920

definitely bible based

1218

00:43:19,829 --> 00:43:17,200

but uh well it can be bible based yeah

1219

00:43:22,069 --> 00:43:19,839

you you can you can you can control that

1220

00:43:23,270 --> 00:43:22,079

but just maybe let me make sure i'm

1221

00:43:25,030 --> 00:43:23,280

being i mean

1222

00:43:26,790 --> 00:43:25,040

here's even better the death and

1223

00:43:28,710 --> 00:43:26,800

resurrection of jesus christ could be

1224

00:43:30,230 --> 00:43:28,720

seen as a near-death experience

1225

00:43:31,510 --> 00:43:30,240

so just let me make explicit what i'm

1226

00:43:33,430 --> 00:43:31,520

saying is there's thousands of

1227

00:43:35,109 --> 00:43:33,440

near-death experience accounts at this

1228

00:43:37,430 --> 00:43:35,119

point that have been recorded

1229

00:43:39,030 --> 00:43:37,440

and you can kind of study them in two

1230

00:43:41,109 --> 00:43:39,040

ways and you have to first you have to

1231

00:43:43,670 --> 00:43:41,119

study them from a kind of

1232

00:43:45,589 --> 00:43:43,680

physiological neurological medical

1233

00:43:46,470 --> 00:43:45,599

standpoint and say okay were they really

1234

00:43:48,550 --> 00:43:46,480

dead

1235

00:43:49,750 --> 00:43:48,560

and did they really have the experience

1236

00:43:50,870 --> 00:43:49,760

you know so like one of the things they

1237

00:43:54,950 --> 00:43:50,880

do william is they

1238

00:43:58,550 --> 00:43:54,960

ask people to recall their resuscitation

1239

00:43:59,910 --> 00:43:58,560

well if your brain is out your brain is

1240

00:44:02,150 --> 00:43:59,920

flatlined your brain is not

1241

00:44:03,990 --> 00:44:02,160

active in producing consciousness you

1242

00:44:05,109 --> 00:44:04,000

should not be able to recall your

1243

00:44:06,870 --> 00:44:05,119

resuscitation

1244

00:44:08,470 --> 00:44:06,880

so it's kind of a good control simple

1245

00:44:10,710 --> 00:44:08,480

experiment to see

1246

00:44:11,829 --> 00:44:10,720

if there really is this extended realm

1247

00:44:14,470 --> 00:44:11,839

right so

1248

00:44:15,510 --> 00:44:14,480

the science there confirms there is this

1249

00:44:18,390 --> 00:44:15,520

extended realm

1250

00:44:20,470 --> 00:44:18,400

so that's the science on one hand then

1251
00:44:21,349 --> 00:44:20,480
what you can do is start looking at the

1252
00:44:23,670 --> 00:44:21,359
content

1253
00:44:24,589 --> 00:44:23,680
of those experiences right and you can

1254
00:44:27,589 --> 00:44:24,599
say like

1255
00:44:28,870 --> 00:44:27,599
overwhelmingly like 90 what people come

1256
00:44:31,430 --> 00:44:28,880
back and say

1257
00:44:32,470 --> 00:44:31,440
god they say you know hey for lack of a

1258
00:44:34,470 --> 00:44:32,480
better term

1259
00:44:37,990 --> 00:44:34,480
call it light call it love call whatever

1260
00:44:39,510 --> 00:44:38,000
you want i experienced

1261
00:44:40,870 --> 00:44:39,520
i can't even call it love there's no

1262
00:44:42,069 --> 00:44:40,880
words for it but i'll try and describe

1263
00:44:44,150 --> 00:44:42,079

it to you because you want to hear it

1264

00:44:45,190 --> 00:44:44,160

but it's just complete acceptance

1265

00:44:47,430 --> 00:44:45,200

complete love

1266

00:44:48,470 --> 00:44:47,440

complete divinity complete something

1267

00:44:51,270 --> 00:44:48,480

higher that

1268

00:44:52,790 --> 00:44:51,280

is overwhelming the finding from the

1269

00:44:55,349 --> 00:44:52,800

near-death experience literature

1270

00:44:56,150 --> 00:44:55,359

it's not tunnels it's not dead relatives

1271

00:44:59,190 --> 00:44:56,160

or anything like that

1272

00:45:02,150 --> 00:44:59,200

it's god and it's love

1273

00:45:02,550 --> 00:45:02,160

so that's the the second finding but the

1274

00:45:06,150 --> 00:45:02,560

the

1275

00:45:07,430 --> 00:45:06,160

comes through consistently if you're

1276

00:45:10,870 --> 00:45:07,440

going to accept that

1277

00:45:13,550 --> 00:45:10,880

data is there is no

1278

00:45:14,710 --> 00:45:13,560

primary religion there is no

1279

00:45:17,910 --> 00:45:14,720

christianity

1280

00:45:18,390 --> 00:45:17,920

is the way it just they say no they say

1281

00:45:21,589 --> 00:45:18,400

there's

1282

00:45:24,150 --> 00:45:21,599

all sorts of different ways for to

1283

00:45:26,150 --> 00:45:24,160

reach that god to reach that divinity

1284

00:45:27,670 --> 00:45:26,160

and there's no special place for

1285

00:45:29,349 --> 00:45:27,680

christianity

1286

00:45:31,109 --> 00:45:29,359

if you're gonna so you can reject that

1287

00:45:32,550 --> 00:45:31,119

and say well that's just [h__h] i i

1288

00:45:33,589 --> 00:45:32,560

know because i'm a christian and that's

1289

00:45:35,589 --> 00:45:33,599

what i've been taught

1290

00:45:36,950 --> 00:45:35,599

but if you're going to follow that data

1291

00:45:39,670 --> 00:45:36,960

well i do but yeah but i

1292

00:45:41,190 --> 00:45:39,680

most of my reading and research is

1293

00:45:41,750 --> 00:45:41,200

self-taught so nobody's really taught me

1294

00:45:46,230 --> 00:45:41,760

anything

1295

00:45:47,829 --> 00:45:46,240

other than myself right well i i wish

1296

00:45:48,950 --> 00:45:47,839

you'd take that one step further and say

1297

00:45:50,470 --> 00:45:48,960

you know you just have a direct

1298

00:45:51,829 --> 00:45:50,480

spiritual experience because

1299

00:45:53,750 --> 00:45:51,839

anyone who has a direct spiritual

1300

00:45:55,589 --> 00:45:53,760

experience like if you pray to to

1301
00:45:57,109 --> 00:45:55,599
jesus or god or whatever and you get an

1302
00:45:59,430 --> 00:45:57,119
answer i'm down with that

1303
00:46:00,390 --> 00:45:59,440
because to me that's how the data reads

1304
00:46:02,230 --> 00:46:00,400
it's like

1305
00:46:03,430 --> 00:46:02,240
you don't you don't need an intermediary

1306
00:46:07,349 --> 00:46:03,440
you

1307
00:46:09,270 --> 00:46:07,359
don't need an intermediary

1308
00:46:11,190 --> 00:46:09,280
you don't why would you possibly need

1309
00:46:13,430 --> 00:46:11,200
how i don't know why people

1310
00:46:14,550 --> 00:46:13,440
fall for that to me that's like such a

1311
00:46:16,309 --> 00:46:14,560
scam it's like

1312
00:46:18,230 --> 00:46:16,319
really you need somebody up there that

1313
00:46:19,349 --> 00:46:18,240

that guy up at the front who says okay

1314

00:46:21,510 --> 00:46:19,359

give me your money

1315

00:46:23,190 --> 00:46:21,520

take this bread and now i will interpret

1316

00:46:25,910 --> 00:46:23,200

everything for you why would you forget

1317

00:46:27,430 --> 00:46:25,920

that good question but here's the thing

1318

00:46:29,589 --> 00:46:27,440

if you ever compare

1319

00:46:31,270 --> 00:46:29,599

like uh christian kind of views of

1320

00:46:33,829 --> 00:46:31,280

people who have died

1321

00:46:36,150 --> 00:46:33,839

and supposedly stood before god or

1322

00:46:37,829 --> 00:46:36,160

experienced god to

1323

00:46:40,069 --> 00:46:37,839

non-christians or other people who've

1324

00:46:42,390 --> 00:46:40,079

experienced ndes and and looked at the

1325

00:46:44,309 --> 00:46:42,400

similarities or differences

1326

00:46:45,670 --> 00:46:44,319

uh yeah and there's a lot of other

1327

00:46:46,790 --> 00:46:45,680

people have done it a lot better than i

1328

00:46:49,670 --> 00:46:46,800

do but the main

1329

00:46:50,069 --> 00:46:49,680

thing that comes through that is key i

1330

00:46:52,870 --> 00:46:50,079

think

1331

00:46:54,309 --> 00:46:52,880

for christians to i don't want to say

1332

00:46:55,750 --> 00:46:54,319

understand because that makes it sound

1333

00:46:57,829 --> 00:46:55,760

like i know something just to go

1334

00:47:00,870 --> 00:46:57,839

investigate on their own

1335

00:47:03,349 --> 00:47:00,880

is this thing about judgment because

1336

00:47:04,790 --> 00:47:03,359

the consistency and this is like to me

1337

00:47:06,790 --> 00:47:04,800

it fits back to what we're saying about

1338

00:47:07,670 --> 00:47:06,800

the classic way that things get co-opted

1339

00:47:09,829 --> 00:47:07,680

and that's why i think

1340

00:47:11,589 --> 00:47:09,839

christianity is a co-opted spiritual

1341

00:47:11,910 --> 00:47:11,599

experience and one other thing i wanted

1342

00:47:13,829 --> 00:47:11,920

to

1343

00:47:14,950 --> 00:47:13,839

mention was this gregory shushan guy but

1344

00:47:16,870 --> 00:47:14,960

before i get there

1345

00:47:18,710 --> 00:47:16,880

i don't want to bury the lead the lead

1346

00:47:22,309 --> 00:47:18,720

is it's completely about

1347

00:47:24,870 --> 00:47:22,319

judgment every not every act that you do

1348

00:47:25,430 --> 00:47:24,880

every thought that you have everything

1349

00:47:34,790 --> 00:47:25,440

will

1350

00:47:38,150 --> 00:47:34,800

your soul

1351
00:47:39,589 --> 00:47:38,160
will stand in judgment and most people

1352
00:47:41,510 --> 00:47:39,599
as soon as they hear that they kind of

1353
00:47:43,510 --> 00:47:41,520
have a big sigh and they go

1354
00:47:44,630 --> 00:47:43,520
yeah i kind of knew that i kind of knew

1355
00:47:47,109 --> 00:47:44,640
that all along

1356
00:47:48,390 --> 00:47:47,119
i knew that from the time i was a kid

1357
00:47:49,990 --> 00:47:48,400
and i was

1358
00:47:52,470 --> 00:47:50,000
tempted to take that candy from the

1359
00:47:54,069 --> 00:47:52,480
store and there was something inside of

1360
00:47:56,069 --> 00:47:54,079
me that said

1361
00:47:57,750 --> 00:47:56,079
i should do it or oh i'm really hung i

1362
00:48:02,309 --> 00:47:57,760
really want it or i don't do it

1363
00:48:04,870 --> 00:48:02,319

it wasn't something outside of you some

1364

00:48:05,589 --> 00:48:04,880

it was you it was your soul's journey

1365

00:48:08,309 --> 00:48:05,599

and so what the

1366

00:48:08,710 --> 00:48:08,319

indie ears say is that you when you die

1367

00:48:10,950 --> 00:48:08,720

you are

1368

00:48:12,549 --> 00:48:10,960

completely supported completely loved

1369

00:48:13,430 --> 00:48:12,559

and the fact that you are now going to

1370

00:48:15,349 --> 00:48:13,440

face

1371

00:48:16,790 --> 00:48:15,359

the judgment of what you did through

1372

00:48:18,790 --> 00:48:16,800

your own experience

1373

00:48:20,390 --> 00:48:18,800

that's that's hard enough for you we

1374

00:48:22,790 --> 00:48:20,400

don't need to have on top of that and

1375

00:48:26,710 --> 00:48:22,800

judge you you judge yourself

1376

00:48:30,710 --> 00:48:26,720

interesting so so so according to your

1377

00:48:32,870 --> 00:48:30,720

post death ex view then

1378

00:48:35,190 --> 00:48:32,880

you will go to some place and self-judge

1379

00:48:37,510 --> 00:48:35,200

and then what happens

1380

00:48:38,870 --> 00:48:37,520

well there's a lot of questions about

1381

00:48:40,470 --> 00:48:38,880

what happens

1382

00:48:41,829 --> 00:48:40,480

and there's not a lot of definitive

1383

00:48:43,109 --> 00:48:41,839

answers but that's where i was going to

1384

00:48:47,270 --> 00:48:43,119

throw in this last guy

1385

00:48:49,109 --> 00:48:47,280

super important guy for anyone who is

1386

00:48:51,109 --> 00:48:49,119

interested in kind of exploring this so

1387

00:48:54,230 --> 00:48:51,119

i interviewed this one guy

1388

00:48:55,750 --> 00:48:54,240

there's there's some real uh tie-ins to

1389

00:48:57,270 --> 00:48:55,760

the other conversation we're having

1390

00:48:58,150 --> 00:48:57,280

because this guy's name is dr gregory

1391

00:49:03,349 --> 00:48:58,160

shushan

1392

00:49:05,910 --> 00:49:03,359

and uh super you know phd guy oxford guy

1393

00:49:08,150 --> 00:49:05,920

barely eking out a living within

1394

00:49:10,390 --> 00:49:08,160

academia because he's

1395

00:49:12,790 --> 00:49:10,400

of course studying something spiritual

1396

00:49:15,109 --> 00:49:12,800

which makes him completely

1397

00:49:16,630 --> 00:49:15,119

persona non grata so the way he gets

1398

00:49:18,150 --> 00:49:16,640

around it is he kind of talks out of

1399

00:49:19,190 --> 00:49:18,160

both sides of his mouth you know he's

1400

00:49:20,630 --> 00:49:19,200

talking about all these near-death

1401

00:49:23,589 --> 00:49:20,640

experiences in other cultures

1402

00:49:23,910 --> 00:49:23,599

that's his work near-death experiences

1403

00:49:27,349 --> 00:49:23,920

in

1404

00:49:28,790 --> 00:49:27,359

other cultures throughout time so he has

1405

00:49:29,990 --> 00:49:28,800

hundreds and hundreds of year olds

1406

00:49:32,870 --> 00:49:30,000

accounts from

1407

00:49:33,510 --> 00:49:32,880

polynesians from native americans south

1408

00:49:36,069 --> 00:49:33,520

america

1409

00:49:36,549 --> 00:49:36,079

south africa all over the place right

1410

00:49:40,150 --> 00:49:36,559

and he's

1411

00:49:43,829 --> 00:49:40,160

analyzed those over time

1412

00:49:47,030 --> 00:49:43,839

what he's found is that in virtually

1413

00:49:50,549 --> 00:49:47,040

every culture that he's found

1414

00:49:52,150 --> 00:49:50,559

the near-death experience forms the

1415

00:49:55,589 --> 00:49:52,160

foundation

1416

00:49:58,150 --> 00:49:55,599

of the afterlife beliefs of the group

1417

00:50:00,150 --> 00:49:58,160

right and what he found that's even more

1418

00:50:01,829 --> 00:50:00,160

interesting in confirming of it he said

1419

00:50:02,710 --> 00:50:01,839

in some of these kind of shamanistic

1420

00:50:04,470 --> 00:50:02,720

cultures

1421

00:50:06,630 --> 00:50:04,480

they will have a belief about the

1422

00:50:08,630 --> 00:50:06,640

afterlife and then

1423

00:50:10,950 --> 00:50:08,640

you know william will be out there and

1424

00:50:12,870 --> 00:50:10,960

get hit by a tree and die

1425

00:50:14,309 --> 00:50:12,880

and he'll come back and he'll say hey

1426

00:50:17,589 --> 00:50:14,319

this is what happened

1427

00:50:20,630 --> 00:50:17,599

and it is such a compelling account

1428

00:50:24,069 --> 00:50:20,640

that the shaman will go wait

1429

00:50:26,630 --> 00:50:24,079

william well exactly william is right

1430

00:50:27,990 --> 00:50:26,640

william must be right we need to change

1431

00:50:30,230 --> 00:50:28,000

our beliefs

1432

00:50:32,390 --> 00:50:30,240

it's it's powerful research because when

1433

00:50:33,270 --> 00:50:32,400

you go cross culture and you go cross

1434

00:50:35,190 --> 00:50:33,280

time

1435

00:50:37,510 --> 00:50:35,200

you really sort out a lot of the the

1436

00:50:39,109 --> 00:50:37,520

wheat from the chaff kind of thing

1437

00:50:40,710 --> 00:50:39,119

i'd agree i mean don't you think there's

1438

00:50:42,069 --> 00:50:40,720

a lot of similarities and experience

1439

00:50:43,829 --> 00:50:42,079

between different cultures that are

1440

00:50:44,710 --> 00:50:43,839

prevented from being understood through

1441

00:50:46,470 --> 00:50:44,720

language

1442

00:50:47,750 --> 00:50:46,480

like a lot of these people have

1443

00:50:50,549 --> 00:50:47,760

spiritual views

1444

00:50:52,230 --> 00:50:50,559

similar to yours and things like that

1445

00:50:55,030 --> 00:50:52,240

they believe in the reincarnation or the

1446

00:50:56,950 --> 00:50:55,040

afterlife or something like that

1447

00:50:58,470 --> 00:50:56,960

absolutely but i guess the other thing

1448

00:50:59,190 --> 00:50:58,480

you know tying it back to what we're

1449

00:51:02,470 --> 00:50:59,200

talking about

1450

00:51:05,270 --> 00:51:02,480

is you have to consider

1451
00:51:06,870 --> 00:51:05,280
the the evil part of it you know because

1452
00:51:07,430 --> 00:51:06,880
the evil part of it is the deceptive

1453
00:51:09,430 --> 00:51:07,440
part of it

1454
00:51:11,510 --> 00:51:09,440
is the how do i gain how do i gain

1455
00:51:11,910 --> 00:51:11,520
control of someone how do i dominate

1456
00:51:13,430 --> 00:51:11,920
someone

1457
00:51:15,270 --> 00:51:13,440
absolutely look at all the religious

1458
00:51:16,710 --> 00:51:15,280
beliefs the teachers here that are

1459
00:51:18,950 --> 00:51:16,720
really popular they're worth

1460
00:51:20,470 --> 00:51:18,960
millions of dollars some of them are

1461
00:51:22,309 --> 00:51:20,480
want time

1462
00:51:23,750 --> 00:51:22,319
like that what was the cult you were

1463
00:51:26,790 --> 00:51:23,760

talking about at the beginning

1464

00:51:30,390 --> 00:51:26,800

which one order of nine angles yeah

1465

00:51:33,589 --> 00:51:30,400

so again it's a mixture of this brew of

1466

00:51:33,990 --> 00:51:33,599

you know these beliefs and then how can

1467

00:51:52,309 --> 00:51:34,000

i

1468

00:51:55,589 --> 00:51:52,319

at the

1469

00:51:56,390 --> 00:51:55,599

sex within christianity each one says

1470

00:51:58,309 --> 00:51:56,400

they're correct

1471

00:51:59,829 --> 00:51:58,319

and then they turn the screw the

1472

00:52:01,270 --> 00:51:59,839

catholic church that says we're the only

1473

00:52:02,790 --> 00:52:01,280

true church right

1474

00:52:04,470 --> 00:52:02,800

so how could you believe in anything

1475

00:52:06,470 --> 00:52:04,480

else therefore you got to give us money

1476

00:52:09,670 --> 00:52:06,480

you have to pay for these priests

1477

00:52:11,750 --> 00:52:09,680

and then they engage in the kind of same

1478

00:52:13,430 --> 00:52:11,760

behaviors that christ railed against

1479

00:52:16,630 --> 00:52:13,440

when he was in jerusalem

1480

00:52:20,390 --> 00:52:18,470

what you can see is christianity even

1481

00:52:22,069 --> 00:52:20,400

judaism for that matter

1482

00:52:25,430 --> 00:52:22,079

a lot of those things are condemned at

1483

00:52:27,030 --> 00:52:25,440

least by the faith's founder

1484

00:52:28,630 --> 00:52:27,040

i think that even the structure to look

1485

00:52:30,390 --> 00:52:28,640

at christ's teachings of the original

1486

00:52:32,309 --> 00:52:30,400

gospels

1487

00:52:33,589 --> 00:52:32,319

sure she's outside he's talking to

1488

00:52:34,470 --> 00:52:33,599

people in their homes they invite him to

1489

00:52:37,589 --> 00:52:34,480

his place

1490

00:52:38,950 --> 00:52:37,599

really the only religious uh place

1491

00:52:42,150 --> 00:52:38,960

outside the synagogue which he got

1492

00:52:45,270 --> 00:52:42,160

kicked out of was the temple right

1493

00:52:47,190 --> 00:52:45,280

and that end uh

1494

00:52:48,710 --> 00:52:47,200

you know ended disastrously people would

1495

00:52:50,549 --> 00:52:48,720

say that there's no connection between

1496

00:52:53,430 --> 00:52:50,559

the fall of jerusalem

1497

00:52:55,510 --> 00:52:53,440

and christ's death and resurrection but

1498

00:52:57,190 --> 00:52:55,520

i would say that's a direct

1499

00:52:59,349 --> 00:52:57,200

consequence and even kind of prophesied

1500

00:53:01,190 --> 00:52:59,359

that you know no stone upon this place

1501
00:53:02,710 --> 00:53:01,200
will live until we'll be there

1502
00:53:04,390 --> 00:53:02,720
after time i don't remember the direct

1503
00:53:06,710 --> 00:53:04,400
quote but

1504
00:53:08,230 --> 00:53:06,720
um you could make a very good argument

1505
00:53:08,870 --> 00:53:08,240
that the original christianity is taught

1506
00:53:11,910 --> 00:53:08,880
by christ

1507
00:53:15,270 --> 00:53:11,920
was not a kind of churchianity it wasn't

1508
00:53:16,710 --> 00:53:15,280
about these structures but

1509
00:53:18,710 --> 00:53:16,720
like you said i think a lot of these

1510
00:53:20,309 --> 00:53:18,720
people who came after him said oh god i

1511
00:53:22,470 --> 00:53:20,319
have a church we got to have all this

1512
00:53:23,990 --> 00:53:22,480
you got to pay for this and you need to

1513
00:53:25,670 --> 00:53:24,000

have a priest

1514

00:53:27,589 --> 00:53:25,680

so then there's priest craft pastor

1515

00:53:28,790 --> 00:53:27,599

craft and you've got all kinds of

1516

00:53:30,870 --> 00:53:28,800

problems

1517

00:53:31,829 --> 00:53:30,880

and that's what uh i mean my read of all

1518

00:53:34,230 --> 00:53:31,839

that is yeah

1519

00:53:35,990 --> 00:53:34,240

a lot of it came before him too there's

1520

00:53:39,589 --> 00:53:36,000

nothing super special

1521

00:53:40,710 --> 00:53:39,599

about i mean jesus as those teachings

1522

00:53:43,829 --> 00:53:40,720

come through

1523

00:53:46,870 --> 00:53:43,839

are truths our spiritual truths

1524

00:53:49,589 --> 00:53:46,880

and they were always accessible to

1525

00:53:50,710 --> 00:53:49,599

everyone throughout time because we are

1526

00:53:53,190 --> 00:53:50,720

so happy

1527

00:53:55,349 --> 00:53:53,200

we all have a rich spiritual experience

1528

00:53:57,510 --> 00:53:55,359

we all have a connection with the divine

1529

00:53:59,190 --> 00:53:57,520

we can all know what the truth is

1530

00:54:02,309 --> 00:53:59,200

everyone throughout time

1531

00:54:05,430 --> 00:54:02,319

50 000 years ago an aborigine

1532

00:54:06,710 --> 00:54:05,440

on the plains of australia could access

1533

00:54:09,910 --> 00:54:06,720

the same truths

1534

00:54:11,589 --> 00:54:09,920

but they could also access the same it

1535

00:54:13,030 --> 00:54:11,599

seems like and we don't understand any

1536

00:54:15,190 --> 00:54:13,040

of this stuff and i'm not claiming i'm

1537

00:54:18,470 --> 00:54:15,200

doing it's just my conclusion

1538

00:54:21,030 --> 00:54:18,480

they could also access some of the not

1539

00:54:22,870 --> 00:54:21,040

so great things you know and mata zuma's

1540

00:54:23,589 --> 00:54:22,880

on the hill and he's tearing the hearts

1541

00:54:26,309 --> 00:54:23,599

out of people

1542

00:54:26,790 --> 00:54:26,319

right that's before jesus but he's still

1543

00:54:29,190 --> 00:54:26,800

to and

1544

00:54:30,630 --> 00:54:29,200

he's still tapping into that satanic

1545

00:54:33,589 --> 00:54:30,640

energy that says

1546

00:54:34,710 --> 00:54:33,599

destroy conquer dominate all right

1547

00:54:38,230 --> 00:54:34,720

that's a good point

1548

00:54:41,430 --> 00:54:38,240

absolutely okay man totally you've

1549

00:54:42,069 --> 00:54:41,440

undergone the grilling i know i i'm

1550

00:54:43,349 --> 00:54:42,079

kidding

1551

00:54:45,829 --> 00:54:43,359

i appreciate it i don't hear these

1552

00:54:48,069 --> 00:54:45,839

conversations enough well let's do

1553

00:54:49,190 --> 00:54:48,079

do it again let's talk more about i will

1554

00:54:52,789 --> 00:54:49,200

i will come back with

1555

00:54:54,309 --> 00:54:52,799

greater uh proofs that of i need to look

1556

00:54:55,990 --> 00:54:54,319

at the historical proofs but things like

1557

00:54:57,670 --> 00:54:56,000

that but the things that differentiates

1558

00:55:00,950 --> 00:54:57,680

christ's teachings from

1559

00:55:03,829 --> 00:55:00,960

even the other so-called great

1560

00:55:04,870 --> 00:55:03,839

you know teachers of uh wisdom teachers

1561

00:55:07,990 --> 00:55:04,880

whether it's

1562

00:55:11,109 --> 00:55:08,000

you know the buddha

1563

00:55:12,950 --> 00:55:11,119

muhammad supposedly uh

1564

00:55:14,230 --> 00:55:12,960

what is it who was the guy who started

1565

00:55:15,670 --> 00:55:14,240

zora raster

1566

00:55:17,510 --> 00:55:15,680

you know some of these other teachers

1567

00:55:19,670 --> 00:55:17,520

even mooses

1568

00:55:20,630 --> 00:55:19,680

yeah but i mean i think really

1569

00:55:22,470 --> 00:55:20,640

ultimately

1570

00:55:23,589 --> 00:55:22,480

if you do agree with that last thing

1571

00:55:25,030 --> 00:55:23,599

that i said and it sounds like you

1572

00:55:26,309 --> 00:55:25,040

generally did

1573

00:55:28,950 --> 00:55:26,319

there's really nothing more to talk

1574

00:55:29,829 --> 00:55:28,960

about i mean it's like the truth is

1575

00:55:31,990 --> 00:55:29,839

there

1576

00:55:33,670 --> 00:55:32,000

the truth is available to everybody the

1577

00:55:34,150 --> 00:55:33,680

truth is certainly available through

1578

00:55:36,710 --> 00:55:34,160

jesus

1579

00:55:37,510 --> 00:55:36,720

christ what i call christ consciousness

1580

00:55:39,990 --> 00:55:37,520

anyone can

1581

00:55:40,950 --> 00:55:40,000

access it it's not it doesn't need to be

1582

00:55:44,390 --> 00:55:40,960

filtered

1583

00:55:47,430 --> 00:55:44,400

through some book if you pray to jesus

1584

00:55:49,990 --> 00:55:47,440

chant the statistics

1585

00:55:50,549 --> 00:55:50,000

four show of five people who genuinely

1586

00:55:54,470 --> 00:55:50,559

pray

1587

00:55:55,430 --> 00:55:54,480

for for help from for jesus to do good

1588

00:55:57,349 --> 00:55:55,440

things

1589

00:55:59,430 --> 00:55:57,359

you know their answer their prayers are

1590

00:56:01,349 --> 00:55:59,440

answered and that you can do good things

1591

00:56:02,230 --> 00:56:01,359

you can be a good person you know it's

1592

00:56:04,470 --> 00:56:02,240

it's not

1593

00:56:06,069 --> 00:56:04,480

and you can be an evil person too and it

1594

00:56:07,349 --> 00:56:06,079

doesn't depend on what you read or

1595

00:56:08,950 --> 00:56:07,359

anything like that it's like you know

1596

00:56:10,309 --> 00:56:08,960

what to do and what not to do i don't

1597

00:56:10,789 --> 00:56:10,319

know it doesn't seem that complicated to

1598

00:56:12,150 --> 00:56:10,799

me

1599

00:56:14,150 --> 00:56:12,160

it's no i'm thinking when you really

1600

00:56:15,589 --> 00:56:14,160

parse it down it's not that complicated

1601
00:56:17,670 --> 00:56:15,599
it really isn't that complicated but

1602
00:56:18,789 --> 00:56:17,680
people make it over overly complicated

1603
00:56:21,990 --> 00:56:18,799
it's very simple

1604
00:56:24,630 --> 00:56:22,000
very simple doctrines yeah so

1605
00:56:26,789 --> 00:56:24,640
i love everyone and tell the truth right

1606
00:56:28,950 --> 00:56:26,799
that's basically it i mean

1607
00:56:31,510 --> 00:56:28,960
i mean everything that the law and

1608
00:56:33,910 --> 00:56:31,520
prophets are based upon

1609
00:56:34,950 --> 00:56:33,920
uh loving your fellow man and loving god

1610
00:56:37,030 --> 00:56:34,960
that's it it was all

1611
00:56:38,950 --> 00:56:37,040
uh christ just distilled it down into

1612
00:56:41,589 --> 00:56:38,960
two simple principles right

1613
00:56:43,109 --> 00:56:41,599

yeah so i mean why you don't have to

1614

00:56:44,150 --> 00:56:43,119

overthink it then you can just build on

1615

00:56:45,910 --> 00:56:44,160

that you can talk about first

1616

00:56:46,309 --> 00:56:45,920

corinthians what is love you can talk

1617

00:56:48,710 --> 00:56:46,319

about

1618

00:56:50,309 --> 00:56:48,720

these other explanations of the proper

1619

00:56:53,750 --> 00:56:50,319

behavior for the individual but

1620

00:56:55,589 --> 00:56:53,760

uh i mean i just don't see i guess

1621

00:56:57,510 --> 00:56:55,599

i guess the real distinction increase

1622

00:57:01,430 --> 00:56:57,520

like the christian view

1623

00:57:03,030 --> 00:57:01,440

is the primacy of christianity over all

1624

00:57:05,270 --> 00:57:03,040

like it's the pearl of great price and i

1625

00:57:07,270 --> 00:57:05,280

think that people outside of

1626
00:57:08,630 --> 00:57:07,280
christianity have a real problem with

1627
00:57:11,910 --> 00:57:08,640
that they have a i mean

1628
00:57:13,670 --> 00:57:11,920
i would think that they have there's

1629
00:57:15,430 --> 00:57:13,680
more paths to god whereas

1630
00:57:17,430 --> 00:57:15,440
like christ says i am the way the truth

1631
00:57:18,950 --> 00:57:17,440
and the light so i think that that's

1632
00:57:20,710 --> 00:57:18,960
really a lot of the people who are

1633
00:57:23,109 --> 00:57:20,720
outside of

1634
00:57:24,470 --> 00:57:23,119
that very very very wide tent of

1635
00:57:25,589 --> 00:57:24,480
christianity really have a problem

1636
00:57:27,270 --> 00:57:25,599
[Music]

1637
00:57:28,870 --> 00:57:27,280
well you could turn it around and say i

1638
00:57:29,910 --> 00:57:28,880

think that's the problem that christians

1639

00:57:32,390 --> 00:57:29,920

have

1640

00:57:33,190 --> 00:57:32,400

right right i mean if you can't if

1641

00:57:36,309 --> 00:57:33,200

you're a christian

1642

00:57:40,150 --> 00:57:36,319

and you can't see that there's

1643

00:57:41,270 --> 00:57:40,160

unlimited paths to god then

1644

00:57:43,430 --> 00:57:41,280

i'm though i don't i don't know how

1645

00:57:44,950 --> 00:57:43,440

you're reading the data it's fact like

1646

00:57:47,270 --> 00:57:44,960

i just don't like i said go read the

1647

00:57:48,789 --> 00:57:47,280

near death experience accounts

1648

00:57:50,789 --> 00:57:48,799

go read the near death experience

1649

00:57:52,829 --> 00:57:50,799

accounts and go tell me those people

1650

00:57:54,789 --> 00:57:52,839

aren't having genuine spiritual

1651
00:57:56,309 --> 00:57:54,799
experiences i would say off the top that

1652
00:57:56,950 --> 00:57:56,319
they are having genuine spirits well

1653
00:57:58,549 --> 00:57:56,960
then if they're

1654
00:58:00,230 --> 00:57:58,559
in and then they're a lot but i like

1655
00:58:01,510 --> 00:58:00,240
i've interviewed like i've

1656
00:58:03,829 --> 00:58:01,520
interviewed a ton of people like one guy

1657
00:58:05,430 --> 00:58:03,839
interviewed was that ian mccormick and

1658
00:58:06,710 --> 00:58:05,440
he had a unbelievable near-death

1659
00:58:08,470 --> 00:58:06,720
experience i mean this guy was dead for

1660
00:58:11,190 --> 00:58:08,480
like he was in the morgue

1661
00:58:12,470 --> 00:58:11,200
in uh in this little island you know he

1662
00:58:16,069 --> 00:58:12,480
was swimming he got

1663
00:58:17,349 --> 00:58:16,079

stung by box fish deadly and he was in

1664

00:58:19,270 --> 00:58:17,359

their little makeshift moor

1665

00:58:20,710 --> 00:58:19,280

work for like seven hours he had this

1666

00:58:23,030 --> 00:58:20,720

experience and he saw jesus

1667

00:58:24,549 --> 00:58:23,040

christ consciousness fantastic but he

1668

00:58:25,510 --> 00:58:24,559

comes back he goes around to churches

1669

00:58:27,910 --> 00:58:25,520

all over the world

1670

00:58:29,349 --> 00:58:27,920

says hey near-death experience is real

1671

00:58:30,870 --> 00:58:29,359

there's an afterlife but let me tell you

1672

00:58:31,430 --> 00:58:30,880

if you don't see jesus you didn't really

1673

00:58:34,069 --> 00:58:31,440

have one

1674

00:58:36,150 --> 00:58:34,079

it was satan faking you it's like [h__h]

1675

00:58:38,230 --> 00:58:36,160

you ian you're so full of [h__h] that's

1676

00:58:41,910 --> 00:58:38,240

just a stupid interpretation of the data

1677

00:58:44,710 --> 00:58:41,920

it's just as crazy and as cultish as

1678

00:58:45,990 --> 00:58:44,720

you know damian eccles sitting around

1679

00:58:48,309 --> 00:58:46,000

thinking that you know

1680

00:58:50,309 --> 00:58:48,319

the antichrist is the way to go for you

1681

00:58:51,990 --> 00:58:50,319

know it's just stupid

1682

00:58:54,069 --> 00:58:52,000

and and that's what gets me about the

1683

00:58:55,589 --> 00:58:54,079

the christian thing if you can't see

1684

00:58:57,349 --> 00:58:55,599

that it's all about love everyone and

1685

00:58:59,349 --> 00:58:57,359

tell the truth so oh of course

1686

00:59:03,670 --> 00:58:59,359

anyone can get there by doing that then

1687

00:59:07,030 --> 00:59:05,349

you playing it's exclusive if you think

1688

00:59:09,910 --> 00:59:07,040

it's exclusive i don't know

1689

00:59:10,950 --> 00:59:09,920

how you you fit that with the data yeah

1690

00:59:15,510 --> 00:59:10,960

i don't

1691

00:59:18,710 --> 00:59:17,990

yeah i think within christianity or you

1692

00:59:21,910 --> 00:59:18,720

know the view

1693

00:59:23,510 --> 00:59:21,920

is is that the outs the

1694

00:59:24,950 --> 00:59:23,520

people outside of it aren't going to

1695

00:59:26,950 --> 00:59:24,960

obtain the same

1696

00:59:28,710 --> 00:59:26,960

blessings and benefits of being inside

1697

00:59:31,750 --> 00:59:28,720

that wide tent

1698

00:59:31,990 --> 00:59:31,760

but that's silly that's silly right i i

1699

00:59:35,030 --> 00:59:32,000

mean

1700

00:59:38,390 --> 00:59:35,040

look at all the people who lived and

1701
00:59:39,910 --> 00:59:38,400
passed away prior to the advent of

1702
00:59:41,589 --> 00:59:39,920
christ and look at how many people had

1703
00:59:44,069 --> 00:59:41,599
not heard the gospel

1704
00:59:44,950 --> 00:59:44,079
it's hard for me to believe that there

1705
00:59:48,230 --> 00:59:44,960
there there's

1706
00:59:48,710 --> 00:59:48,240
no it's not for me to believe that those

1707
00:59:50,789 --> 00:59:48,720
people

1708
00:59:52,630 --> 00:59:50,799
are there's not some kind of spiritual

1709
00:59:55,750 --> 00:59:52,640
address from them

1710
00:59:56,950 --> 00:59:55,760
from god you know william what's coming

1711
00:59:57,910 --> 00:59:56,960
up for you what are you gonna what are

1712
01:00:00,150 --> 00:59:57,920
you doing

1713
01:00:01,589 --> 01:00:00,160

i'm just i'm just exhausted i've been

1714

01:00:04,870 --> 01:00:01,599

working on a project so i'm hoping to

1715

01:00:07,109 --> 01:00:04,880

get it done within the next week but uh

1716

01:00:08,710 --> 01:00:07,119

william ramsey investigates a william

1717

01:00:09,430 --> 01:00:08,720

ramsey investigates project or some

1718

01:00:12,470 --> 01:00:09,440

other video yes

1719

01:00:14,950 --> 01:00:12,480

yeah well good proper 400 page book

1720

01:00:16,390 --> 01:00:14,960

really yeah see i pumped you at the

1721

01:00:17,270 --> 01:00:16,400

beginning for what book you're working

1722

01:00:18,950 --> 01:00:17,280

on you really keep

1723

01:00:21,910 --> 01:00:18,960

you keep it under your hat that much huh

1724

01:00:23,510 --> 01:00:21,920

you don't yeah you have to

1725

01:00:26,309 --> 01:00:23,520

yeah why why do you have to because your

1726

01:00:27,990 --> 01:00:26,319

publisher your publisher requires no

1727

01:00:29,829 --> 01:00:28,000

no no there's all kinds of problems

1728

01:00:32,309 --> 01:00:29,839

people steal your ideas and there's

1729

01:00:33,910 --> 01:00:32,319

you know people crying and stuff oh yeah

1730

01:00:36,549 --> 01:00:33,920

oh man

1731

01:00:37,349 --> 01:00:36,559

very cool i'll tell you stories off

1732

01:00:38,870 --> 01:00:37,359

great okay

1733

01:00:41,510 --> 01:00:38,880

it's kind of like a small little

1734

01:00:41,990 --> 01:00:41,520

community so people are always saying

1735

01:00:43,750 --> 01:00:42,000

this is my

1736

01:00:46,150 --> 01:00:43,760

idea i came up with this let it be known

1737

01:00:49,910 --> 01:00:46,160

i came up with some mistake

1738

01:00:51,349 --> 01:00:49,920

wow but but so so the the inside the

1739

01:00:54,150 --> 01:00:51,359

inside word is

1740

01:00:55,910 --> 01:00:54,160

kind of keep keep your eye on william

1741

01:00:57,030 --> 01:00:55,920

ramsay investigates because something

1742

01:00:59,910 --> 01:00:57,040

big is coming huh

1743

01:01:01,270 --> 01:00:59,920

well hopefully well we'll see things are

1744

01:01:03,030 --> 01:01:01,280

very interesting things are happening

1745

01:01:05,430 --> 01:01:03,040

there's no question about it

1746

01:01:07,510 --> 01:01:05,440

playing it close to the best i love

1747

01:01:08,950 --> 01:01:07,520

always you always have to keep the cards

1748

01:01:12,950 --> 01:01:08,960

close to the chest right

1749

01:01:14,150 --> 01:01:12,960

now right right on hey uh william thanks

1750

01:01:18,549 --> 01:01:14,160

again

1751

01:01:20,470 --> 01:01:18,559

of william ramsey investigates

1752

01:01:22,549 --> 01:01:20,480

be sure to check out his website because

1753

01:01:23,030 --> 01:01:22,559

i just told you he's got something good

1754

01:01:25,670 --> 01:01:23,040

coming

1755

01:01:27,270 --> 01:01:25,680

i kind of have a feeling it relates to

1756

01:01:28,630 --> 01:01:27,280

something that we might have talked

1757

01:01:29,750 --> 01:01:28,640

about but i don't want to push him any

1758

01:01:32,950 --> 01:01:29,760

further because

1759

01:01:34,630 --> 01:01:32,960

he's not saying might be it might be but

1760

01:01:35,430 --> 01:01:34,640

well i think i think it'll go with the

1761

01:01:38,549 --> 01:01:35,440

theme

1762

01:01:40,710 --> 01:01:38,559

there's things under the surface that uh

1763

01:01:42,950 --> 01:01:40,720

you know people might not be aware of

1764

01:01:44,710 --> 01:01:42,960

microleism or

1765

01:01:46,150 --> 01:01:44,720

some other these other kind of modern

1766

01:01:47,670 --> 01:01:46,160

currents that are actually pretty

1767

01:01:50,870 --> 01:01:47,680

dangerous

1768

01:01:52,789 --> 01:01:50,880

very very intriguing william as always

1769

01:01:54,230 --> 01:01:52,799

it's just so awesome talking to you and

1770

01:01:55,349 --> 01:01:54,240

i really appreciate what you're doing

1771

01:01:55,990 --> 01:01:55,359

out there and i appreciate you having

1772

01:01:58,230 --> 01:01:56,000

this

1773

01:01:59,750 --> 01:01:58,240

kind of open-ended conversation yeah any

1774

01:02:01,349 --> 01:01:59,760

time

1775

01:02:03,029 --> 01:02:01,359

my pleasure great to talk with you alex

1776

01:02:04,950 --> 01:02:03,039

take care

1777

01:02:07,029 --> 01:02:04,960

thanks again to william ramsey for

1778

01:02:09,190 --> 01:02:07,039

joining me today on skeptico the one

1779

01:02:11,190 --> 01:02:09,200

the only question to tee up from this

1780

01:02:16,390 --> 01:02:11,200

episode

1781

01:02:20,349 --> 01:02:18,829

this is a topic particularly the roman

1782

01:02:23,270 --> 01:02:20,359

josephus

1783

01:02:24,309 --> 01:02:23,280

conspiratorial parapolitical part of

1784

01:02:27,349 --> 01:02:24,319

this

1785

01:02:28,950 --> 01:02:27,359

that has really really grabbed my

1786

01:02:32,390 --> 01:02:28,960

attention so

1787

01:02:32,789 --> 01:02:32,400

i have a number of shows coming up on

1788

01:02:38,870 --> 01:02:32,799

this

1789

01:02:41,510 --> 01:02:38,880

in the way that it interests me then hey

1790

01:02:44,150 --> 01:02:41,520

you got some good content coming up

1791

01:02:46,549 --> 01:02:44,160

if not you might be taking a little

1792

01:02:49,029 --> 01:02:46,559

break from skeptico for a while

1793

01:02:49,910 --> 01:02:49,039

but i do hope you stick around until
