***MEDIUM
READINGS HELP
THE GRIEVING***

#513-MARK-IRELAND

1
00:00:03,750 --> 00:00:02,070
neurological symptoms are getting worse

2
00:00:06,470 --> 00:00:03,760
it'd be nice if one of you angel

3
00:00:08,150 --> 00:00:06,480
slash morons had a clue why we did a

4
00:00:10,390 --> 00:00:08,160
full history she never mentioned

5
00:00:12,549 --> 00:00:10,400
seeing or hearing anything unusual

6
00:00:14,070 --> 00:00:12,559
that's a clip from that show house that

7
00:00:15,990 --> 00:00:14,080
used to be on a few years ago

8
00:00:17,590 --> 00:00:16,000
medical show about this arrogant

9
00:00:19,750 --> 00:00:17,600
over-the-top arrogant

10
00:00:22,310 --> 00:00:19,760
doctor who has the answer for everything

11
00:00:25,509 --> 00:00:22,320
and in this case he's debunking a woman

12
00:00:26,070 --> 00:00:25,519
who sees the spirit of her mother across

13
00:00:28,790 --> 00:00:26,080

the room

14

00:00:30,390 --> 00:00:28,800

and i thought wow what a great example

15

00:00:33,270 --> 00:00:30,400

of what a bubble

16

00:00:34,470 --> 00:00:33,280

i live in i mean in my bubble after

17

00:00:37,110 --> 00:00:34,480

death communication

18

00:00:39,110 --> 00:00:37,120

is well documented and widely reported i

19

00:00:39,750 --> 00:00:39,120

mean it's widely reported in hospice we

20

00:00:41,350 --> 00:00:39,760

know that

21

00:00:43,990 --> 00:00:41,360

from people who've gone in and worked a

22

00:00:46,150 --> 00:00:44,000

hospice and talked to nurses and doctors

23

00:00:47,990 --> 00:00:46,160

well reported but it's also in the

24

00:00:50,069 --> 00:00:48,000

medical literature right like you've

25

00:00:52,549 --> 00:00:50,079

heard so many times on this show

26

00:00:54,470 --> 00:00:52,559

after death communication not at all

27

00:00:55,510 --> 00:00:54,480

uncommon i think if i remember the stats

28

00:00:57,350 --> 00:00:55,520

60

29

00:00:59,349 --> 00:00:57,360

among couples that have been together

30

00:01:00,229 --> 00:00:59,359

for a long long time than have lost one

31

00:01:02,470 --> 00:01:00,239

or the other

32

00:01:04,390 --> 00:01:02,480

but also just all the other stuff

33

00:01:06,789 --> 00:01:04,400

terminal lucidity of course near-death

34

00:01:08,870 --> 00:01:06,799

experience reincarnation research

35

00:01:10,550 --> 00:01:08,880

over and over and over again oh and the

36

00:01:12,310 --> 00:01:10,560

medium research of course

37

00:01:14,630 --> 00:01:12,320

dr julie bryce held the windbridge

38

00:01:16,469 --> 00:01:14,640

institute and all the other stuff that

39

00:01:19,350 --> 00:01:16,479

we talk about in this show

40

00:01:19,990 --> 00:01:19,360

in my bubble that is all medical fact

41

00:01:23,109 --> 00:01:20,000

because

42

00:01:24,390 --> 00:01:23,119

well it is medical fact but i think it's

43

00:01:27,109 --> 00:01:24,400

good to remember that that

44

00:01:27,590 --> 00:01:27,119

isn't mainstream and even though there's

45

00:01:31,190 --> 00:01:27,600

been

46

00:01:34,390 --> 00:01:31,200

progress most people still identify

47

00:01:35,190 --> 00:01:34,400

with the house guy here and while this

48

00:01:37,910 --> 00:01:35,200

seems to be

49

00:01:38,789 --> 00:01:37,920

incredibly a stuck on stupid kind of

50

00:01:41,109 --> 00:01:38,799

position

51
00:01:43,749 --> 00:01:41,119
i also like to take note of the fact

52
00:01:46,550 --> 00:01:43,759
that it's blocking us from

53
00:01:48,630 --> 00:01:46,560
a deeper discussion from what i was

54
00:01:50,230 --> 00:01:48,640
called the level three discussion

55
00:01:52,230 --> 00:01:50,240
so i have an interview coming up in a

56
00:01:55,190 --> 00:01:52,240
minute with mark ireland

57
00:01:55,749 --> 00:01:55,200
who 10 12 years ago wrote the book soul

58
00:01:58,310 --> 00:01:55,759
shift

59
00:01:58,789 --> 00:01:58,320
which was really an important book about

60
00:02:01,429 --> 00:01:58,799
his

61
00:02:02,709 --> 00:02:01,439
personal journey into exploring after

62
00:02:04,230 --> 00:02:02,719
death communication

63
00:02:06,950 --> 00:02:04,240

and i thought this discussion was really

64

00:02:10,070 --> 00:02:06,960

cool because we got to some places that

65

00:02:12,309 --> 00:02:10,080

i think really need to be talked about

66

00:02:13,830 --> 00:02:12,319

and some of them are controversial even

67

00:02:15,910 --> 00:02:13,840

within our community

68

00:02:18,630 --> 00:02:15,920

and i just think it's interesting to

69

00:02:22,270 --> 00:02:18,640

note how these conversations

70

00:02:23,750 --> 00:02:22,280

can never happen until we get past the

71

00:02:26,390 --> 00:02:23,760

ridiculousness

72

00:02:28,630 --> 00:02:26,400

of dr house here's a clip from my

73

00:02:30,470 --> 00:02:28,640

interview with mark

74

00:02:32,710 --> 00:02:30,480

i did an interview a few months back

75

00:02:34,630 --> 00:02:32,720

with the dr mark pittstick

76

00:02:36,470 --> 00:02:34,640

who is a colleague of gary schwartz at

77

00:02:39,270 --> 00:02:36,480

university arizona and they're working

78

00:02:42,150 --> 00:02:39,280

on this project called the soul phone

79

00:02:42,869 --> 00:02:42,160

i gave mark pretty hard time on the

80

00:02:45,990 --> 00:02:42,879

other hand

81

00:02:49,670 --> 00:02:46,000

i don't discount the possibility that

82

00:02:51,830 --> 00:02:49,680

technology is going to play a role in

83

00:02:53,830 --> 00:02:51,840

whatever this connection we have is with

84

00:02:57,110 --> 00:02:53,840

the extended consciousness realm

85

00:02:59,430 --> 00:02:57,120

and if we understand or think anywhere

86

00:03:01,190 --> 00:02:59,440

deeply about near-death experience

87

00:03:02,630 --> 00:03:01,200

we see right off the bat that there's

88

00:03:04,830 --> 00:03:02,640

certainly a direct connection

89

00:03:06,070 --> 00:03:04,840
between near-death experience and

90

00:03:08,869 --> 00:03:06,080
resuscitation

91

00:03:09,990 --> 00:03:08,879
which is a medical technology i don't

92

00:03:12,229 --> 00:03:10,000
think god needs our help

93

00:03:13,190 --> 00:03:12,239
i think things come together to help

94

00:03:15,430 --> 00:03:13,200
people

95

00:03:17,190 --> 00:03:15,440
and maybe a medium will help somebody a

96

00:03:18,470 --> 00:03:17,200
point they need it or whatever

97

00:03:19,910 --> 00:03:18,480
so that's just one of the topics we

98

00:03:21,270 --> 00:03:19,920
cover in this interview we kind of go a

99

00:03:23,190 --> 00:03:21,280
lot of different places

100

00:03:25,110 --> 00:03:23,200
and then one other place that we go that

101
00:03:26,149 --> 00:03:25,120
i want to let you know because i posted

102
00:03:28,550 --> 00:03:26,159
this in the forum

103
00:03:30,710 --> 00:03:28,560
but i'm not sure everybody saw it mark's

104
00:03:32,630 --> 00:03:30,720
main mission is to try and help people

105
00:03:35,910 --> 00:03:32,640
who are experiencing grief

106
00:03:37,430 --> 00:03:35,920
by connecting them with readings from

107
00:03:39,030 --> 00:03:37,440
qualified mediums

108
00:03:41,270 --> 00:03:39,040
and if you remember from a long time

109
00:03:44,070 --> 00:03:41,280
back when we interviewed dr julie bishol

110
00:03:45,350 --> 00:03:44,080
this again back to the science a reading

111
00:03:47,910 --> 00:03:45,360
from a medium

112
00:03:49,190 --> 00:03:47,920
has been shown to be more efficacious in

113
00:03:51,830 --> 00:03:49,200

relieving grief

114

00:03:53,509 --> 00:03:51,840

than any other treatment we know of more

115

00:03:54,550 --> 00:03:53,519

effective than the pharmaceuticals they

116

00:03:57,270 --> 00:03:54,560

might throw your way

117

00:03:59,110 --> 00:03:57,280

more effective than therapy it's just

118

00:04:00,949 --> 00:03:59,120

those are the numbers if you go do the

119

00:04:02,630 --> 00:04:00,959

research and do it properly

120

00:04:04,149 --> 00:04:02,640

those are the numbers you come back with

121

00:04:06,309 --> 00:04:04,159

and it doesn't mean that we understand

122

00:04:07,750 --> 00:04:06,319

what a medium reading is or that if it's

123

00:04:08,869 --> 00:04:07,760

talking with the dead or any of that

124

00:04:10,550 --> 00:04:08,879

stuff it's just

125

00:04:11,910 --> 00:04:10,560

hey you can do that experiment and

126

00:04:13,990 --> 00:04:11,920

that's how it comes out so

127

00:04:15,190 --> 00:04:14,000

i don't want to digress too far but one

128

00:04:18,150 --> 00:04:15,200

of the things you need

129

00:04:18,710 --> 00:04:18,160

once you accept that reality is you need

130

00:04:20,949 --> 00:04:18,720

good

131

00:04:22,790 --> 00:04:20,959

mediums and mark is trying to help make

132

00:04:24,710 --> 00:04:22,800

that happen and you can actually help

133

00:04:26,950 --> 00:04:24,720

and you can get a free reading

134

00:04:28,070 --> 00:04:26,960

in the process so stick around and

135

00:04:29,590 --> 00:04:28,080

listen to this clip

136

00:04:31,030 --> 00:04:29,600

and then stick around for the rest of

137

00:04:32,950 --> 00:04:31,040

the interview and if you're interested

138

00:04:33,749 --> 00:04:32,960

you know you can contact me or contact

139

00:04:36,469 --> 00:04:33,759

mark

140

00:04:38,070 --> 00:04:36,479

and we'll try and help make that happen

141

00:04:40,150 --> 00:04:38,080

here he is explaining it

142

00:04:41,830 --> 00:04:40,160

and we do need more sitters too so if

143

00:04:42,629 --> 00:04:41,840

anyone wants to volunteer as a test

144

00:04:44,710 --> 00:04:42,639

sitter

145

00:04:46,550 --> 00:04:44,720

i'm totally open to that but there are

146

00:04:48,070 --> 00:04:46,560

responsibilities that come with it and

147

00:04:49,270 --> 00:04:48,080

some people are all excited to get the

148

00:04:50,870 --> 00:04:49,280

free reading but they don't want to do

149

00:04:53,350 --> 00:04:50,880

the back end work

150

00:04:54,310 --> 00:04:53,360

so if they're interested in this they

151
00:04:57,350 --> 00:04:54,320
can go to my website

152
00:04:58,710 --> 00:04:57,360
hit my contact link and write me okay my

153
00:05:01,430 --> 00:04:58,720
interview with mark ireland

154
00:05:03,270 --> 00:05:01,440
is coming up welcome to skeptico where

155
00:05:04,390 --> 00:05:03,280
we explore controversial science and

156
00:05:06,629 --> 00:05:04,400
spirituality

157
00:05:07,670 --> 00:05:06,639
with leading researchers thinkers and

158
00:05:10,230 --> 00:05:07,680
their critics

159
00:05:11,749 --> 00:05:10,240
today we welcome back mark ireland to

160
00:05:13,670 --> 00:05:11,759
skeptico

161
00:05:14,950 --> 00:05:13,680
now mark as i was just chatting with him

162
00:05:17,350 --> 00:05:14,960
a little bit about

163
00:05:18,469 --> 00:05:17,360

is somebody i've known for like a long

164

00:05:21,510 --> 00:05:18,479

time it was probably

165

00:05:23,749 --> 00:05:21,520

10 years ago or so that we did an

166

00:05:26,629 --> 00:05:23,759

interview about his really really

167

00:05:30,230 --> 00:05:26,639

remarkable book called soul shift

168

00:05:32,150 --> 00:05:30,240

it's a book about the tragic story

169

00:05:33,270 --> 00:05:32,160

and the experience that him and his wife

170

00:05:36,390 --> 00:05:33,280

went through

171

00:05:39,430 --> 00:05:36,400

of losing their youngest son brandon

172

00:05:40,629 --> 00:05:39,440

to a rather unusual accident that we'll

173

00:05:43,909 --> 00:05:40,639

talk about

174

00:05:47,110 --> 00:05:43,919

and what the book is really about is

175

00:05:47,909 --> 00:05:47,120

the launching pad that that was for this

176

00:05:51,110 --> 00:05:47,919

spiritual

177

00:05:52,070 --> 00:05:51,120

journey that mark has been on and has

178

00:05:55,029 --> 00:05:52,080

shared with

179

00:05:56,550 --> 00:05:55,039

so many people and since that time and

180

00:05:58,390 --> 00:05:56,560

we'll so we'll get into all this in the

181

00:05:58,950 --> 00:05:58,400

interview but just to set it up a little

182

00:06:01,590 --> 00:05:58,960

bit

183

00:06:03,830 --> 00:06:01,600

you know since that time mark has

184

00:06:05,590 --> 00:06:03,840

pursued not only his own personal

185

00:06:08,390 --> 00:06:05,600

journey but he's

186

00:06:09,430 --> 00:06:08,400

had this amazing ability to connect with

187

00:06:13,110 --> 00:06:09,440

other people

188

00:06:15,189 --> 00:06:13,120

he started founded helping parents heal

189

00:06:17,590 --> 00:06:15,199

a global organization for bereaved

190

00:06:21,510 --> 00:06:17,600

parents i think you told me has

191

00:06:22,390 --> 00:06:21,520

something like 20 000 global worldwide

192

00:06:25,510 --> 00:06:22,400

members

193

00:06:26,710 --> 00:06:25,520

and 100 affiliate organizations have

194

00:06:29,430 --> 00:06:26,720

joined in and

195

00:06:31,110 --> 00:06:29,440

you know part of his mission and i think

196

00:06:33,510 --> 00:06:31,120

part of his purpose

197

00:06:36,230 --> 00:06:33,520

is explained in why there was even a

198

00:06:38,469 --> 00:06:36,240

need for that and how it came about

199

00:06:39,510 --> 00:06:38,479

so that's something we'll talk about as

200

00:06:42,230 --> 00:06:39,520

well this

201
00:06:43,909 --> 00:06:42,240
has led to mark's couple of subsequent

202
00:06:46,790 --> 00:06:43,919
books that mark has written

203
00:06:48,309 --> 00:06:46,800
messages from the afterlife we'll talk a

204
00:06:51,430 --> 00:06:48,319
little bit about that

205
00:06:53,990 --> 00:06:51,440
and a book that i almost i'm tempted to

206
00:06:56,390 --> 00:06:54,000
say he co-wrote with his father but

207
00:06:58,070 --> 00:06:56,400
it's not exactly but something like that

208
00:07:01,110 --> 00:06:58,080
your psychic potential

209
00:07:03,029 --> 00:07:01,120
the a book that his father richard

210
00:07:06,390 --> 00:07:03,039
ireland who's

211
00:07:08,710 --> 00:07:06,400
an amazing amazing person and then

212
00:07:09,990 --> 00:07:08,720
also plays into this story in so many

213
00:07:11,510 --> 00:07:10,000

ways so

214

00:07:13,270 --> 00:07:11,520

mark as i was explaining i was going

215

00:07:13,670 --> 00:07:13,280

through all this stuff i got why haven't

216

00:07:27,990 --> 00:07:13,680

i

217

00:07:29,909 --> 00:07:28,000

years ago

218

00:07:31,670 --> 00:07:29,919

almost to the month 12 years and one

219

00:07:33,189 --> 00:07:31,680

month ago so

220

00:07:35,830 --> 00:07:33,199

it's really incredible and it's

221

00:07:37,830 --> 00:07:35,840

incredible all that has gone on

222

00:07:39,110 --> 00:07:37,840

since then and how much things have

223

00:07:42,309 --> 00:07:39,120

changed but

224

00:07:44,230 --> 00:07:42,319

i think we have to start with the story

225

00:07:48,070 --> 00:07:44,240

behind your first book

226

00:07:50,790 --> 00:07:48,080

soul shift sure um so looking back

227

00:07:51,189 --> 00:07:50,800

at the time i was in the business field

228

00:07:54,790 --> 00:07:51,199

and

229

00:07:56,150 --> 00:07:54,800

my career in advancing

230

00:07:57,990 --> 00:07:56,160

which is kind of common of a lot of

231

00:08:01,830 --> 00:07:58,000

people in america

232

00:08:03,189 --> 00:08:01,840

and had a family a wife and two boys and

233

00:08:05,589 --> 00:08:03,199

you know probably didn't spend as much

234

00:08:06,150 --> 00:08:05,599

time or focusing on the family as i

235

00:08:09,270 --> 00:08:06,160

should have

236

00:08:12,790 --> 00:08:09,280

would have and

237

00:08:14,790 --> 00:08:12,800

there was one january day in 2004

238

00:08:16,950 --> 00:08:14,800

i just started a new job and returned

239

00:08:19,189 --> 00:08:16,960

home from a trip to california we lived

240

00:08:21,670 --> 00:08:19,199

in scottsdale arizona

241

00:08:22,950 --> 00:08:21,680

and um so the night that i got home i

242

00:08:25,510 --> 00:08:22,960

walked in the front door

243

00:08:27,029 --> 00:08:25,520

and went back to just the first thing i

244

00:08:28,550 --> 00:08:27,039

did for whatever reason was walked in my

245

00:08:29,749 --> 00:08:28,560

son brandon's room and

246

00:08:31,350 --> 00:08:29,759

opened the door and he was laying there

247

00:08:33,110 --> 00:08:31,360

watching tv i gave him a hug and we

248

00:08:34,310 --> 00:08:33,120

didn't even say anything but i was happy

249

00:08:35,750 --> 00:08:34,320

to see him

250

00:08:36,949 --> 00:08:35,760

and on a friday night that was kind of

251
00:08:39,029 --> 00:08:36,959
unusual because he usually would have

252
00:08:41,430 --> 00:08:39,039
been out with buddies or whatever

253
00:08:43,589 --> 00:08:41,440
the next morning we got up and i had

254
00:08:45,350 --> 00:08:43,599
been told that he had planned to go

255
00:08:46,870 --> 00:08:45,360
on a hike in the mcdowell mountains to

256
00:08:48,949 --> 00:08:46,880
the top of the mcdowell mountains which

257
00:08:50,630 --> 00:08:48,959
are in north scottsdale

258
00:08:52,870 --> 00:08:50,640
and uh right after that i got a little

259
00:08:54,070 --> 00:08:52,880
bit concerned and he climbed in these

260
00:08:55,829 --> 00:08:54,080
mountains often

261
00:08:57,990 --> 00:08:55,839
but for some reason i felt kind of an

262
00:09:00,310 --> 00:08:58,000
overwhelming concern about it

263
00:09:01,750 --> 00:09:00,320

almost like i was had a premonition kind

264

00:09:04,389 --> 00:09:01,760

of thing or whatever

265

00:09:06,389 --> 00:09:04,399

and later as he prepared to leave i

266

00:09:08,949 --> 00:09:06,399

asked him not to go

267

00:09:11,110 --> 00:09:08,959

and he says we're going dad just like

268

00:09:13,269 --> 00:09:11,120

quit worrying about it you know

269

00:09:14,389 --> 00:09:13,279

so my wife and i went across town uh

270

00:09:17,509 --> 00:09:14,399

revisited my

271

00:09:19,509 --> 00:09:17,519

nephew who was visiting and um

272

00:09:21,750 --> 00:09:19,519

later that afternoon i get a phone call

273

00:09:23,269 --> 00:09:21,760

and think oh good it's brandon he's back

274

00:09:24,470 --> 00:09:23,279

it was actually a call for my older son

275

00:09:27,030 --> 00:09:24,480

steven

276

00:09:28,870 --> 00:09:27,040

and he had been working that day got a

277

00:09:29,750 --> 00:09:28,880

call from boys that brandon was with on

278

00:09:31,750 --> 00:09:29,760

the mountain

279

00:09:33,110 --> 00:09:31,760

and brandon apparently had some health

280

00:09:35,990 --> 00:09:33,120

problems he was

281

00:09:36,790 --> 00:09:36,000

passing out they said and things weren't

282

00:09:38,550 --> 00:09:36,800

going well

283

00:09:39,990 --> 00:09:38,560

but their reception was really poor with

284

00:09:41,750 --> 00:09:40,000

the cell phone on the mountain so they

285

00:09:43,910 --> 00:09:41,760

asked if we could call

286

00:09:46,310 --> 00:09:43,920

so steven relayed that to me he was

287

00:09:48,470 --> 00:09:46,320

nervous and he was working so i uh

288

00:09:49,990 --> 00:09:48,480

contacted the authorities and then they

289

00:09:52,870 --> 00:09:50,000

sent a helicopter we had about

290

00:09:54,230 --> 00:09:52,880

a 40-minute drive to get back home by

291

00:09:55,670 --> 00:09:54,240

the time we got to the base of the

292

00:09:58,550 --> 00:09:55,680

mountain there was

293

00:09:59,990 --> 00:09:58,560

a fire truck ambulance helicopter about

294

00:10:03,190 --> 00:10:00,000

100 people i'd say

295

00:10:05,030 --> 00:10:03,200

it was pretty ominous and then i went up

296

00:10:06,550 --> 00:10:05,040

to the first police officer i could find

297

00:10:08,710 --> 00:10:06,560

told him who i was and he

298

00:10:09,670 --> 00:10:08,720

immediately introduced me to a chaplain

299

00:10:11,030 --> 00:10:09,680

which was

300

00:10:13,350 --> 00:10:11,040

concerning because i figured that wasn't

301
00:10:15,110 --> 00:10:13,360
going to be good news and a short time

302
00:10:17,509 --> 00:10:15,120
after that

303
00:10:19,350 --> 00:10:17,519
we had learned that brandon had passed a

304
00:10:21,110 --> 00:10:19,360
pass while he was climbing and we didn't

305
00:10:23,430 --> 00:10:21,120
really know the reason

306
00:10:24,389 --> 00:10:23,440
i talked to his best buddy stu barney

307
00:10:26,790 --> 00:10:24,399
afterward and

308
00:10:28,389 --> 00:10:26,800
steward told me that brian was not

309
00:10:32,470 --> 00:10:28,399
feeling great

310
00:10:33,590 --> 00:10:32,480
and he had i guess he felt like he had a

311
00:10:36,150 --> 00:10:33,600
rapid heartbeat

312
00:10:37,030 --> 00:10:36,160
and um he felt his limbs were kind of

313
00:10:40,150 --> 00:10:37,040

numb

314

00:10:42,150 --> 00:10:40,160

and then that he had vomited and then he

315

00:10:43,190 --> 00:10:42,160

he said i have to lay down we laid down

316

00:10:46,630 --> 00:10:43,200

and that was it

317

00:10:49,190 --> 00:10:46,640

and he basically his eyes rolled back

318

00:10:50,310 --> 00:10:49,200

so uh that was the low point for us as

319

00:10:52,870 --> 00:10:50,320

you can imagine

320

00:10:54,470 --> 00:10:52,880

we uh it was very traumatic and uh we

321

00:10:56,790 --> 00:10:54,480

just went back home and people

322

00:10:57,509 --> 00:10:56,800

came over and tried to give us comfort

323

00:11:02,710 --> 00:10:57,519

and

324

00:11:04,790 --> 00:11:02,720

the grieving process is very very

325

00:11:07,110 --> 00:11:04,800

difficult especially with your kid

326

00:11:09,829 --> 00:11:07,120

i can't imagine anything worse i've lost

327

00:11:12,870 --> 00:11:09,839

other people since then it just

328

00:11:15,110 --> 00:11:12,880

i love them all but it's not the same

329

00:11:16,230 --> 00:11:15,120

and that really led me into this journey

330

00:11:17,509 --> 00:11:16,240

you know and um

331

00:11:19,030 --> 00:11:17,519

i don't know if you want me to continue

332

00:11:20,710 --> 00:11:19,040

or if you want to have something else to

333

00:11:21,910 --> 00:11:20,720

kind of set up the next stage of where

334

00:11:23,509 --> 00:11:21,920

it took me

335

00:11:24,870 --> 00:11:23,519

no we definitely want to go to that next

336

00:11:27,110 --> 00:11:24,880

stage you know the one thing that i'd

337

00:11:29,190 --> 00:11:27,120

add it's a minor point but

338

00:11:30,870 --> 00:11:29,200

you know the mcdowell mountains in

339

00:11:32,630 --> 00:11:30,880

scottsdale are just right there

340

00:11:33,590 --> 00:11:32,640

everybody looks at him it's not like he

341

00:11:36,630 --> 00:11:33,600

was

342

00:11:39,509 --> 00:11:36,640

extreme mountain climbing and everest

343

00:11:41,430 --> 00:11:39,519

i think you know i had one what i see is

344

00:11:44,710 --> 00:11:41,440

an advantage over a lot of folks

345

00:11:45,910 --> 00:11:44,720

who may then lean on a religious faith

346

00:11:51,350 --> 00:11:45,920

or

347

00:11:53,190 --> 00:11:51,360

i had a father who had tremendous

348

00:11:55,269 --> 00:11:53,200

abilities both as a psychic and a

349

00:11:56,470 --> 00:11:55,279

medium as well and a lot of people may

350

00:11:59,509 --> 00:11:56,480

shake their head at that but

351

00:12:02,790 --> 00:11:59,519

i grew up with it i know it's real and i

352

00:12:05,910 --> 00:12:02,800

uh saw examples that were undeniable

353

00:12:08,949 --> 00:12:05,920

and i had that as an evidence-based

354

00:12:11,110 --> 00:12:08,959

knowledge set in my mind in my heart

355

00:12:13,590 --> 00:12:11,120

that helped me immediately know that my

356

00:12:15,190 --> 00:12:13,600

son still existed in some form

357

00:12:16,790 --> 00:12:15,200

although at the time it didn't totally

358

00:12:18,710 --> 00:12:16,800

take away the pain it helped

359

00:12:20,710 --> 00:12:18,720

give me some measure of hope since

360

00:12:22,629 --> 00:12:20,720

you're going to talk about your dad

361

00:12:24,629 --> 00:12:22,639

and we talked about it all those years

362

00:12:26,470 --> 00:12:24,639

ago in your first interview

363

00:12:28,389 --> 00:12:26,480

i think it's a really important part of

364

00:12:30,870 --> 00:12:28,399

the story and i think it can

365

00:12:31,910 --> 00:12:30,880

be spun in a couple of different ways

366

00:12:34,470 --> 00:12:31,920

because

367

00:12:34,949 --> 00:12:34,480

i want you to tell folks who your dad

368

00:12:40,870 --> 00:12:34,959

was

369

00:12:41,990 --> 00:12:40,880

one of the most gifted psychics and he's

370

00:12:43,590 --> 00:12:42,000

on the

371

00:12:45,910 --> 00:12:43,600

what amounts to the tonight show of

372

00:12:47,350 --> 00:12:45,920

today and jimmy kimmel or anything else

373

00:12:49,110 --> 00:12:47,360

you know you can think of

374

00:12:51,430 --> 00:12:49,120

and he's doing these incredible things

375

00:12:53,590 --> 00:12:51,440

he's blindfolded five times over and

376

00:12:55,590 --> 00:12:53,600

he's reading the serial numbers off of

377

00:12:58,790 --> 00:12:55,600

bills that people are randomly

378

00:13:00,470 --> 00:12:58,800

pulling out of his wallet but at the

379

00:13:02,069 --> 00:13:00,480

same time and this is always part of the

380

00:13:04,949 --> 00:13:02,079

story that i remember from you

381

00:13:06,550 --> 00:13:04,959

he's not a perfect dad he's not a

382

00:13:09,509 --> 00:13:06,560

perfect husband

383

00:13:10,629 --> 00:13:09,519

he's not a perfect guy either and your

384

00:13:13,750 --> 00:13:10,639

relationship with him

385

00:13:15,910 --> 00:13:13,760

is not perfect so you know

386

00:13:19,030 --> 00:13:15,920

at this point i think that's what i read

387

00:13:21,110 --> 00:13:19,040

if i'm i hope i got that right but

388

00:13:22,150 --> 00:13:21,120

you know it's complicated life in

389

00:13:25,110 --> 00:13:22,160

general

390

00:13:27,030 --> 00:13:25,120

it's that's life you know also in the

391

00:13:29,350 --> 00:13:27,040

editing process i will say that

392

00:13:30,389 --> 00:13:29,360

the publisher tried to create a little

393

00:13:32,310 --> 00:13:30,399

more tension there

394

00:13:34,629 --> 00:13:32,320

between my dad and i then was really

395

00:13:35,829 --> 00:13:34,639

there and i think that he just felt like

396

00:13:37,430 --> 00:13:35,839

that would make for a better read

397

00:13:38,949 --> 00:13:37,440

although everything in the book is true

398

00:13:41,269 --> 00:13:38,959

he just wanted to create that attention

399

00:13:43,829 --> 00:13:41,279

at a higher level than i saw because i

400

00:13:45,189 --> 00:13:43,839

the truth is i always loved my dad and i

401

00:13:47,829 --> 00:13:45,199

never felt we had a

402

00:13:49,350 --> 00:13:47,839

broken relationship in any way i would

403

00:13:50,949 --> 00:13:49,360

say that you know he wasn't around as

404

00:13:52,550 --> 00:13:50,959

much as i would like did my parents

405

00:13:53,750 --> 00:13:52,560

split when i was young and made it hard

406

00:13:55,829 --> 00:13:53,760

on me

407

00:13:57,030 --> 00:13:55,839

but let me go back to you know his kind

408

00:13:59,269 --> 00:13:57,040

of where he came from

409

00:14:00,150 --> 00:13:59,279

he and i actually interviewed my

410

00:14:03,509 --> 00:14:00,160

grandmother

411

00:14:04,790 --> 00:14:03,519

his mom in 1997 to get more facts about

412

00:14:06,470 --> 00:14:04,800

him growing up so

413

00:14:08,470 --> 00:14:06,480

she actually recognized this in him at

414

00:14:09,910 --> 00:14:08,480

age as early as age three

415

00:14:11,750 --> 00:14:09,920

things that he would be able to know or

416

00:14:13,430 --> 00:14:11,760

whatever and then

417

00:14:15,910 --> 00:14:13,440

age five is when the breakthrough event

418

00:14:16,949 --> 00:14:15,920

happened he was he was born cross-eyed

419

00:14:18,870 --> 00:14:16,959

and his father

420

00:14:20,949 --> 00:14:18,880

his natural father actually teased him a

421

00:14:22,790 --> 00:14:20,959

lot about that and didn't like that

422

00:14:24,870 --> 00:14:22,800

and his brothers did too i mean paint

423

00:14:26,069 --> 00:14:24,880

the whole story they're growing up in

424

00:14:32,790 --> 00:14:26,079

ohio

425

00:14:33,509 --> 00:14:32,800

you know he's the weird kid from the

426

00:14:35,430 --> 00:14:33,519

beginning

427

00:14:37,110 --> 00:14:35,440

and everyone's like why are you such a

428

00:14:39,509 --> 00:14:37,120

weird kid i mean what an

429

00:14:41,509 --> 00:14:39,519

upbringing and then to go on and realize

430

00:14:43,990 --> 00:14:41,519

that this is the guy who will become

431

00:14:45,269 --> 00:14:44,000

one of the most gifted psychics really

432

00:14:47,030 --> 00:14:45,279

that we can point to

433

00:14:48,949 --> 00:14:47,040

evidentially and saying we don't know

434

00:14:49,430 --> 00:14:48,959

what that means but he could do this

435

00:14:51,430 --> 00:14:49,440

stuff

436

00:14:52,870 --> 00:14:51,440

yeah the brothers called him crazy dick

437

00:14:53,350 --> 00:14:52,880

because he would make predictions and

438

00:14:55,110 --> 00:14:53,360

things

439

00:14:56,790 --> 00:14:55,120

you know or like they didn't even have a

440

00:14:58,550 --> 00:14:56,800

telephone and they went we're in rural

441

00:14:59,509 --> 00:14:58,560

ohio so you'd say hey grandpa's coming

442

00:15:00,870 --> 00:14:59,519

over

443

00:15:02,710 --> 00:15:00,880

and then sure enough grandpa would be

444

00:15:04,230 --> 00:15:02,720

there in 10 minutes or whatever

445

00:15:05,910 --> 00:15:04,240

and one time he says yeah grandpa's

446

00:15:07,910 --> 00:15:05,920

coming over but his beard will be gone

447

00:15:09,509 --> 00:15:07,920

and they're like you're crazy crazy dick

448

00:15:10,470 --> 00:15:09,519

you know he loves that beer he never

449

00:15:12,790 --> 00:15:10,480

shaved off

450

00:15:14,790 --> 00:15:12,800

grandpa shows up no beard turns out he

451
00:15:17,189 --> 00:15:14,800
was making taffy the beard got stuck in

452
00:15:19,269 --> 00:15:17,199
the tap and he had to shave it off

453
00:15:21,430 --> 00:15:19,279
but at the age of five he went into the

454
00:15:23,990 --> 00:15:21,440
columbus ohio children's hospital for

455
00:15:25,670 --> 00:15:24,000
corrective surgery on his eyes

456
00:15:27,509 --> 00:15:25,680
and when they were finished um they had

457
00:15:29,110 --> 00:15:27,519
his eyes cupped and bandaged

458
00:15:30,230 --> 00:15:29,120
and they actually tied him to a bed

459
00:15:30,710 --> 00:15:30,240
because they didn't want him messing

460
00:15:33,189 --> 00:15:30,720
with that

461
00:15:34,790 --> 00:15:33,199
and this one nurse felt bad for him and

462
00:15:36,470 --> 00:15:34,800
said i'll let you up you have to promise

463
00:15:38,470 --> 00:15:36,480

not to touch your eyes

464

00:15:40,949 --> 00:15:38,480

and he said that he wouldn't so she let

465

00:15:42,629 --> 00:15:40,959

him up she went on her rounds came back

466

00:15:44,230 --> 00:15:42,639

to find him bouncing a ball against the

467

00:15:46,310 --> 00:15:44,240

wrong catching it thinking oh my god

468

00:15:47,670 --> 00:15:46,320

he's taking the bandages off

469

00:15:49,829 --> 00:15:47,680

but he actually hadn't which was

470

00:15:51,749 --> 00:15:49,839

probably even scarier to her

471

00:15:53,430 --> 00:15:51,759

and then she called in some doctors to

472

00:15:55,990 --> 00:15:53,440

say hey look at this kid and

473

00:15:57,670 --> 00:15:56,000

they tried some different tests on him

474

00:15:59,110 --> 00:15:57,680

he'd be in his bed and they'd have like

475

00:16:00,790 --> 00:15:59,120

one standing at the foot of the bed and

476

00:16:03,590 --> 00:16:00,800

another in the doorway

477

00:16:05,110 --> 00:16:03,600

saying okay who's in front of you now he

478

00:16:05,670 --> 00:16:05,120

would always get it right so that was

479

00:16:08,069 --> 00:16:05,680

kind of

480

00:16:09,189 --> 00:16:08,079

breaking out to where they knew you know

481

00:16:12,310 --> 00:16:09,199

he really had this

482

00:16:13,670 --> 00:16:12,320

ability but it wasn't until like age 12

483

00:16:15,590 --> 00:16:13,680

or 13 that it came

484

00:16:17,350 --> 00:16:15,600

that he kind of revisited it in a

485

00:16:19,030 --> 00:16:17,360

stronger way i think it was always there

486

00:16:21,110 --> 00:16:19,040

and he'd say those things like grandpa's

487

00:16:23,350 --> 00:16:21,120

coming or whatever

488

00:16:25,189 --> 00:16:23,360

but he actually stumbled into it now by

489

00:16:26,870 --> 00:16:25,199

then his parents had divorced

490

00:16:28,870 --> 00:16:26,880

and he was with his mother living in a

491

00:16:29,829 --> 00:16:28,880

little town called ashley ohio at the

492

00:16:31,670 --> 00:16:29,839

time

493

00:16:33,509 --> 00:16:31,680

and there was a spiritualist camp there

494

00:16:35,269 --> 00:16:33,519

that he stumbled into

495

00:16:37,269 --> 00:16:35,279

and this is kind of his introduction to

496

00:16:39,350 --> 00:16:37,279

this whole thing or thinking hey

497

00:16:41,910 --> 00:16:39,360

this is kind of normal for some people

498

00:16:44,470 --> 00:16:41,920

i'm not the only one

499

00:16:46,389 --> 00:16:44,480

shortly before going to that church he

500

00:16:47,110 --> 00:16:46,399

had lost his best friend in a car

501
00:16:49,189 --> 00:16:47,120
accident

502
00:16:50,710 --> 00:16:49,199
i don't know how whether it was weeks or

503
00:16:53,189 --> 00:16:50,720
months earlier

504
00:16:54,389 --> 00:16:53,199
um and i think the kid's name was melvin

505
00:16:56,790 --> 00:16:54,399
mccarty if i remember

506
00:16:58,870 --> 00:16:56,800
correctly so he stumbles in you know

507
00:17:02,870 --> 00:16:58,880
after this to the spiritualist camp

508
00:17:04,870 --> 00:17:02,880
he goes in and this woman asks you know

509
00:17:07,189 --> 00:17:04,880
what what's your name or you know write

510
00:17:08,549 --> 00:17:07,199
your name on this piece of paper or ask

511
00:17:09,990 --> 00:17:08,559
a question he says i don't know what to

512
00:17:10,870 --> 00:17:10,000
ask she goes we'll just say a message

513
00:17:13,590 --> 00:17:10,880

please

514

00:17:15,189 --> 00:17:13,600

so he wrote that on paper he sat down

515

00:17:17,029 --> 00:17:15,199

and there was a man who at the time did

516

00:17:19,510 --> 00:17:17,039

what my dad would later do

517

00:17:21,189 --> 00:17:19,520

who blindfolded himself and got all

518

00:17:23,669 --> 00:17:21,199

these papers and he got my dads and he

519

00:17:25,510 --> 00:17:23,679

says oh richard ireland he says

520

00:17:26,789 --> 00:17:25,520

i've got a young man here who who's

521

00:17:29,190 --> 00:17:26,799

crossed over

522

00:17:29,990 --> 00:17:29,200

and he gives me a secret name and the

523

00:17:33,110 --> 00:17:30,000

secret name is

524

00:17:35,750 --> 00:17:33,120

paisey well my dad and this kid

525

00:17:37,669 --> 00:17:35,760

had exchanged these code names and the

526

00:17:39,510 --> 00:17:37,679

kid's code name was paisley

527

00:17:41,669 --> 00:17:39,520

so that wasn't on the paper and there's

528

00:17:43,750 --> 00:17:41,679

no way this guy could have known that so

529

00:17:45,270 --> 00:17:43,760

after that the man kind of took him

530

00:17:48,150 --> 00:17:45,280

under his wing and said you know

531

00:17:49,830 --> 00:17:48,160

i see you doing what i do someday and he

532

00:17:52,950 --> 00:17:49,840

kind of mentored him in the process

533

00:17:54,470 --> 00:17:52,960

but he kind of held off for the time

534

00:17:55,909 --> 00:17:54,480

being because my grandmother was

535

00:17:56,789 --> 00:17:55,919

informed like look at this age you don't

536

00:17:59,110 --> 00:17:56,799

want to get him

537

00:18:00,470 --> 00:17:59,120

too engaged in this now he needs to grow

538

00:18:02,710 --> 00:18:00,480

up as a normal kid

539

00:18:03,750 --> 00:18:02,720

and it was about 18 or 19 that he he

540

00:18:07,190 --> 00:18:03,760

really started

541

00:18:07,909 --> 00:18:07,200

developing more and um demonstrating in

542

00:18:09,830 --> 00:18:07,919

public he

543

00:18:12,070 --> 00:18:09,840

he ended up the national spiritualist

544

00:18:14,150 --> 00:18:12,080

association of churches at the time

545

00:18:16,549 --> 00:18:14,160

it still exists was a network of these

546

00:18:19,029 --> 00:18:16,559

spiritualist churches throughout america

547

00:18:20,710 --> 00:18:19,039

and he was ordained by them through the

548

00:18:22,310 --> 00:18:20,720

morris pratt institute

549

00:18:24,390 --> 00:18:22,320

and then he became basically a traveling

550

00:18:26,310 --> 00:18:24,400

minister and demonstrate in the

551
00:18:27,270 --> 00:18:26,320
spiritualist tradition demonstrating his

552
00:18:29,510 --> 00:18:27,280
phenomena

553
00:18:31,750 --> 00:18:29,520
is really a core part of their whole

554
00:18:33,750 --> 00:18:31,760
thing they're not heavy on dogma

555
00:18:35,110 --> 00:18:33,760
they're more heavy on experience and

556
00:18:37,430 --> 00:18:35,120
demonstrating

557
00:18:38,630 --> 00:18:37,440
what you know paul called the gifts of

558
00:18:40,549 --> 00:18:38,640
the spirit

559
00:18:42,070 --> 00:18:40,559
so that was my dad's kind of upbringing

560
00:18:45,270 --> 00:18:42,080
and breaking out

561
00:18:48,870 --> 00:18:45,280
and so i would say you know

562
00:18:50,630 --> 00:18:48,880
he met my mom in 1956 at a church dance

563
00:18:52,950 --> 00:18:50,640

in phoenix when he was traveling at the

564

00:18:54,310 --> 00:18:52,960

time he was set up on a blind date and

565

00:18:56,470 --> 00:18:54,320

they hit it off and then they were

566

00:18:58,630 --> 00:18:56,480

married pretty quickly

567

00:19:00,870 --> 00:18:58,640

um so they were assigned to a few

568

00:19:02,390 --> 00:19:00,880

different churches but in like 1960 he

569

00:19:04,950 --> 00:19:02,400

broke out and he says even

570

00:19:06,470 --> 00:19:04,960

you know the spiritualist churches are

571

00:19:07,750 --> 00:19:06,480

still too dogmatic for me

572

00:19:09,669 --> 00:19:07,760

you know i want something where it's

573

00:19:10,230 --> 00:19:09,679

more free and open for i just want to

574

00:19:12,710 --> 00:19:10,240

trigger

575

00:19:14,950 --> 00:19:12,720

people to think for themselves and come

576

00:19:17,350 --> 00:19:14,960

to their own spiritual conclusions

577

00:19:19,190 --> 00:19:17,360

so he he started the university of life

578

00:19:22,549 --> 00:19:19,200

church at that time

579

00:19:24,310 --> 00:19:22,559

and it was later probably in the mid 60s

580

00:19:25,029 --> 00:19:24,320

that he broke out of just the church

581

00:19:27,350 --> 00:19:25,039

thing and started

582

00:19:28,310 --> 00:19:27,360

doing secular venues tv shows and

583

00:19:31,669 --> 00:19:28,320

whatnot

584

00:19:34,230 --> 00:19:31,679

because he really wanted to not just

585

00:19:34,870 --> 00:19:34,240

i guess talk to preacher the choir so to

586

00:19:37,750 --> 00:19:34,880

say but

587

00:19:37,990 --> 00:19:37,760

to open minds of skeptical people or

588

00:19:40,710 --> 00:19:38,000

just

589

00:19:42,230 --> 00:19:40,720

mainstream people who have no necessary

590

00:19:44,630 --> 00:19:42,240

belief set or whatever

591

00:19:45,909 --> 00:19:44,640

and that's when he uh got into doing

592

00:19:47,510 --> 00:19:45,919

things like the steve allen show and

593

00:19:49,029 --> 00:19:47,520

people could see that clip if they go to

594

00:19:51,350 --> 00:19:49,039

my website

595

00:19:52,950 --> 00:19:51,360

um and and other clips as well that's

596

00:19:54,630 --> 00:19:52,960

the best one i have unfortunately at

597

00:19:57,430 --> 00:19:54,640

this point i don't have a whole

598

00:19:58,710 --> 00:19:57,440

treasure trove of these but he you know

599

00:20:01,029 --> 00:19:58,720

essentially his

600

00:20:02,470 --> 00:20:01,039

he could do a variety of things

601
00:20:03,909 --> 00:20:02,480
including mediumship

602
00:20:05,750 --> 00:20:03,919
bringing through first and last name

603
00:20:07,029 --> 00:20:05,760
specifics about people that was very

604
00:20:08,149 --> 00:20:07,039
healing and you would do that more in

605
00:20:09,750 --> 00:20:08,159
the church

606
00:20:11,270 --> 00:20:09,760
in the secular venue it was presented

607
00:20:13,110 --> 00:20:11,280
more as entertainment because that's

608
00:20:15,029 --> 00:20:13,120
what people could digest at that time in

609
00:20:16,470 --> 00:20:15,039
the 60s and 70s

610
00:20:18,710 --> 00:20:16,480
and you had you know the whole duke

611
00:20:19,029 --> 00:20:18,720
university parapsychology thing going on

612
00:20:20,070 --> 00:20:19,039
so

613
00:20:22,149 --> 00:20:20,080

you know he looked at that for

614

00:20:25,350 --> 00:20:22,159

credibility and

615

00:20:26,070 --> 00:20:25,360

um you know essentially he would tape

616

00:20:28,230 --> 00:20:26,080

his eyes with

617

00:20:30,149 --> 00:20:28,240

ten strips of johnson johnson medical

618

00:20:31,430 --> 00:20:30,159

tape which was sealed tightly around

619

00:20:33,110 --> 00:20:31,440

here and all of them

620

00:20:34,870 --> 00:20:33,120

and then three black blindfolds and then

621

00:20:37,350 --> 00:20:34,880

more tape down over here

622

00:20:38,950 --> 00:20:37,360

there are people who have you know tried

623

00:20:41,590 --> 00:20:38,960

to do blindfold stuff where they

624

00:20:43,430 --> 00:20:41,600

are trickery they use trickery usually

625

00:20:44,149 --> 00:20:43,440

they would use coins over the eyeballs

626

00:20:45,430 --> 00:20:44,159

is what i've

627

00:20:47,270 --> 00:20:45,440

done some research on this and they

628

00:20:50,230 --> 00:20:47,280

would somehow learn how to push

629

00:20:51,510 --> 00:20:50,240

out the blindfold with the coins and

630

00:20:53,990 --> 00:20:51,520

then they could look down well

631

00:20:55,029 --> 00:20:54,000

my dad didn't use coins he taped under

632

00:20:56,789 --> 00:20:55,039

the eyes

633

00:20:58,470 --> 00:20:56,799

the blindfolds over then more tape down

634

00:21:00,950 --> 00:20:58,480

to here and when you

635

00:21:02,549 --> 00:21:00,960

see you know the information you'd share

636

00:21:04,390 --> 00:21:02,559

it wasn't just what was on the paper

637

00:21:06,710 --> 00:21:04,400

there was a lot more there

638

00:21:09,430 --> 00:21:06,720

uh very specific stuff about people's

639

00:21:11,029 --> 00:21:09,440

lives and direction and things like that

640

00:21:13,350 --> 00:21:11,039

and even though like if you watch it

641

00:21:15,029 --> 00:21:13,360

steve allen he probably talks to i don't

642

00:21:16,630 --> 00:21:15,039

know eight or ten people

643

00:21:17,909 --> 00:21:16,640

in a normal setting he'd have an

644

00:21:20,390 --> 00:21:17,919

audience of a hundred people he'd

645

00:21:21,909 --> 00:21:20,400

probably give a message to 50 people so

646

00:21:23,830 --> 00:21:21,919

there's no way you could have 50 plants

647

00:21:27,270 --> 00:21:23,840

out of a hundred people

648

00:21:28,149 --> 00:21:27,280

and um anyhow that's kind of the core of

649

00:21:30,710 --> 00:21:28,159

what he did

650

00:21:33,029 --> 00:21:30,720

you know what he was about i would say

651
00:21:37,830 --> 00:21:35,350
see you you were worried that i was

652
00:21:41,510 --> 00:21:37,840
going to go all skeptical on you

653
00:21:42,470 --> 00:21:41,520
and uh yeah yeah just just about to do

654
00:21:45,430 --> 00:21:42,480
that

655
00:21:47,110 --> 00:21:45,440
you know in reading about you personally

656
00:21:47,430 --> 00:21:47,120
one of the things i really resonated

657
00:21:50,870 --> 00:21:47,440
with

658
00:21:54,230 --> 00:21:50,880
is you just kind of saying i'm open

659
00:21:56,630 --> 00:21:54,240
i'm i'm open i'm here i'm a vehicle i'm

660
00:21:57,510 --> 00:21:56,640
about compassion i get it i'm about

661
00:22:00,149 --> 00:21:57,520
compassion

662
00:22:02,230 --> 00:22:00,159
i'm about love i'm about spirit you take

663
00:22:05,270 --> 00:22:02,240

me where you need me to go

664

00:22:08,630 --> 00:22:05,280

but i also see you as kind of

665

00:22:08,950 --> 00:22:08,640

resistant to the idea that you need to

666

00:22:11,669 --> 00:22:08,960

go

667

00:22:12,070 --> 00:22:11,679

on the steve allen show the jimmy kimmel

668

00:22:14,950 --> 00:22:12,080

show

669

00:22:15,990 --> 00:22:14,960

it's like if that's where i'm pushed

670

00:22:18,390 --> 00:22:16,000

that's okay

671

00:22:19,270 --> 00:22:18,400

but we sure as hell seem to see a lot of

672

00:22:21,990 --> 00:22:19,280

people

673

00:22:22,870 --> 00:22:22,000

that use the kind of end justifies the

674

00:22:25,990 --> 00:22:22,880

mean you know

675

00:22:28,149 --> 00:22:26,000

uh god needs god needs my help

676

00:22:29,909 --> 00:22:28,159

god needs me to set up a new church god

677

00:22:33,830 --> 00:22:29,919

needs me to recruit these people

678

00:22:37,669 --> 00:22:33,840

god needs me and it just it doesn't

679

00:22:40,149 --> 00:22:37,679

evidentially big picture it doesn't fly

680

00:22:42,710 --> 00:22:40,159

it doesn't work it doesn't fit the whole

681

00:22:45,750 --> 00:22:42,720

the whole scenario so

682

00:22:49,190 --> 00:22:45,760

let's jump right in really deep and

683

00:22:52,470 --> 00:22:49,200

am i right about that you tell me

684

00:22:53,110 --> 00:22:52,480

how you understand your place in all

685

00:22:55,029 --> 00:22:53,120

this

686

00:22:56,630 --> 00:22:55,039

you're obviously a guy like i said who

687

00:22:59,430 --> 00:22:56,640

has feet

688

00:23:00,789 --> 00:22:59,440

planted in both worlds my dad you know i

689

00:23:02,549 --> 00:23:00,799

think his ego did

690

00:23:04,549 --> 00:23:02,559

he didn't go into it with an ego

691

00:23:07,990 --> 00:23:04,559

motivation but i think it did

692

00:23:09,270 --> 00:23:08,000

it obviously expanded i think for a lot

693

00:23:10,710 --> 00:23:09,280

of people that's going to be a natural

694

00:23:12,230 --> 00:23:10,720

outcome we're getting more attention and

695

00:23:14,390 --> 00:23:12,240

fame and that sort of thing

696

00:23:15,590 --> 00:23:14,400

why do you say natural outcome i say the

697

00:23:17,430 --> 00:23:15,600

opposite of that it's an

698

00:23:18,710 --> 00:23:17,440

unnatural outcome i think if you're

699

00:23:20,390 --> 00:23:18,720

aligned with spirit

700

00:23:22,310 --> 00:23:20,400

you're you're constantly saying that

701
00:23:23,110 --> 00:23:22,320
that's a pro that's a pothole i don't

702
00:23:25,590 --> 00:23:23,120
fall into

703
00:23:26,549 --> 00:23:25,600
no that's true and i think he got pulled

704
00:23:29,590 --> 00:23:26,559
back

705
00:23:31,430 --> 00:23:29,600
time and again too for that you know and

706
00:23:33,270 --> 00:23:31,440
i think at the core of it

707
00:23:35,190 --> 00:23:33,280
his heart was in the right place i guess

708
00:23:36,070 --> 00:23:35,200
you have the question is if you have a

709
00:23:37,110 --> 00:23:36,080
gift to share

710
00:23:38,789 --> 00:23:37,120
how do you share it where's the

711
00:23:40,230 --> 00:23:38,799
framework do you go on to you you're not

712
00:23:43,669 --> 00:23:40,240
you hide it under a bushel

713
00:23:46,070 --> 00:23:43,679

you you know do you you expose other

714

00:23:48,230 --> 00:23:46,080

people to things that tell them that

715

00:23:49,909 --> 00:23:48,240

there's more to us than just being a

716

00:23:51,029 --> 00:23:49,919

biological robot in the meaningless

717

00:23:51,669 --> 00:23:51,039

universe like you said and that was

718

00:23:53,669 --> 00:23:51,679

really

719

00:23:55,190 --> 00:23:53,679

what he wanted to do so let's move on to

720

00:23:58,630 --> 00:23:55,200

me and my mission

721

00:24:01,029 --> 00:23:58,640

um so after my son passed looking back

722

00:24:03,269 --> 00:24:01,039

on that framework and knowing that

723

00:24:05,510 --> 00:24:03,279

in my heart there's a spiritual realm

724

00:24:08,390 --> 00:24:05,520

and that some people can connect to it

725

00:24:09,110 --> 00:24:08,400

to um share positive messages or give

726

00:24:10,789 --> 00:24:09,120

some sense of

727

00:24:13,430 --> 00:24:10,799

connection with those that they have

728

00:24:16,070 --> 00:24:13,440

loved that have passed

729

00:24:17,590 --> 00:24:16,080

that helped me um and at that the first

730

00:24:19,990 --> 00:24:17,600

thing i did was

731

00:24:21,830 --> 00:24:20,000

contact my uncle because my father had

732

00:24:23,669 --> 00:24:21,840

passed by that point my uncle had

733

00:24:25,350 --> 00:24:23,679

similar abilities

734

00:24:27,190 --> 00:24:25,360

and i asked him you know if he could

735

00:24:28,549 --> 00:24:27,200

help and he said well what can i do for

736

00:24:30,630 --> 00:24:28,559

you i just said if you if you have any

737

00:24:32,230 --> 00:24:30,640

way to connect then let me know

738

00:24:34,390 --> 00:24:32,240

the brain brand's okay i'd appreciate

739

00:24:35,750 --> 00:24:34,400

that and it was i think three days later

740

00:24:37,190 --> 00:24:35,760

i was in the mortuary making

741

00:24:38,950 --> 00:24:37,200

arrangements

742

00:24:40,230 --> 00:24:38,960

either he called me or i called him i

743

00:24:41,830 --> 00:24:40,240

can't remember but

744

00:24:44,230 --> 00:24:41,840

he said hey mark i've got something to

745

00:24:45,830 --> 00:24:44,240

share with you i tried to meditate last

746

00:24:47,750 --> 00:24:45,840

night i didn't get anything but i woke

747

00:24:49,510 --> 00:24:47,760

up this morning and did my meditation

748

00:24:52,149 --> 00:24:49,520

and your dad came to me

749

00:24:53,990 --> 00:24:52,159

he wanted you to know that brandon that

750

00:24:54,549 --> 00:24:54,000

he was there to help ryan cross over and

751
00:24:56,870 --> 00:24:54,559
adjust

752
00:24:58,070 --> 00:24:56,880
and that you're the best parents he ever

753
00:25:00,149 --> 00:24:58,080
could have had which is

754
00:25:01,269 --> 00:25:00,159
what we like to hear but then he also

755
00:25:02,710 --> 00:25:01,279
shared because we didn't have we didn't

756
00:25:03,830 --> 00:25:02,720
know the cause of death at the time and

757
00:25:05,590 --> 00:25:03,840
he said your dad

758
00:25:07,830 --> 00:25:05,600
tells me that brandon's death was caused

759
00:25:10,070 --> 00:25:07,840
by a lack of oxygen in his bloodstream

760
00:25:11,510 --> 00:25:10,080
that causes heart to fail and a couple

761
00:25:14,230 --> 00:25:11,520
days after that i talked to the

762
00:25:16,950 --> 00:25:14,240
physician who did the autopsy she

763
00:25:17,750 --> 00:25:16,960

uh had noted that brandon had died from

764

00:25:43,669 --> 00:25:17,760

a

765

00:25:46,390 --> 00:25:43,679

they're showing

766

00:25:47,590 --> 00:25:46,400

gary schwartz doing the uh the human

767

00:25:50,149 --> 00:25:47,600

energy systems lab

768

00:25:50,630 --> 00:25:50,159

down at the university of arizona he's

769

00:25:52,149 --> 00:25:50,640

uh

770

00:25:54,390 --> 00:25:52,159

testing different mediums this

771

00:25:55,750 --> 00:25:54,400

particular one it showed allison dubois

772

00:25:57,830 --> 00:25:55,760

as a test medium

773

00:25:59,669 --> 00:25:57,840

with sitters behind that couldn't see

774

00:26:01,350 --> 00:25:59,679

and she's sharing some very specific

775

00:26:02,789 --> 00:26:01,360

information i was pretty impressed i

776

00:26:04,230 --> 00:26:02,799

thought god i'd love to

777

00:26:06,710 --> 00:26:04,240

have a reason with her i'd love to be in

778

00:26:08,549 --> 00:26:06,720

that lab the very next day i get a call

779

00:26:09,350 --> 00:26:08,559

from a man named jerry concert out of

780

00:26:11,990 --> 00:26:09,360

dallas

781

00:26:13,510 --> 00:26:12,000

who was friends with my father and jerry

782

00:26:13,990 --> 00:26:13,520

says hey mark i know you've been through

783

00:26:15,510 --> 00:26:14,000

a lot

784

00:26:17,190 --> 00:26:15,520

um i know someone who might be able to

785

00:26:18,070 --> 00:26:17,200

help you her name's allison dubois

786

00:26:20,950 --> 00:26:18,080

here's a number

787

00:26:21,990 --> 00:26:20,960

you know so i called i made arrangements

788

00:26:25,190 --> 00:26:22,000

i got a reading

789

00:26:26,310 --> 00:26:25,200

with her later that year and then about

790

00:26:29,590 --> 00:26:26,320

a year later i actually

791

00:26:31,590 --> 00:26:29,600

ended up in that lab as a test sitter

792

00:26:32,710 --> 00:26:31,600

for a different medium for a discovery

793

00:26:35,750 --> 00:26:32,720

channel but

794

00:26:36,149 --> 00:26:35,760

so that was pretty cool and i had sought

795

00:26:37,830 --> 00:26:36,159

out

796

00:26:39,990 --> 00:26:37,840

i started meeting other people in the

797

00:26:40,950 --> 00:26:40,000

field in this field of mediumship and

798

00:26:42,870 --> 00:26:40,960

parapsychology

799

00:26:44,149 --> 00:26:42,880

hey mark share a little bit like you did

800

00:26:46,149 --> 00:26:44,159

with me

801
00:26:48,230 --> 00:26:46,159
some of the things that came through in

802
00:26:50,470 --> 00:26:48,240
the reading with allison dubois

803
00:26:52,230 --> 00:26:50,480
yeah and it was actually i'd say that

804
00:26:53,750 --> 00:26:52,240
she gave me a lot of good information

805
00:26:56,470 --> 00:26:53,760
but it was actually linda williamson in

806
00:26:59,269 --> 00:26:56,480
england gave me more of the future stuff

807
00:26:59,990 --> 00:26:59,279
but uh allison had first off she didn't

808
00:27:02,549 --> 00:27:00,000
know me

809
00:27:03,750 --> 00:27:02,559
and she knew really nothing about me

810
00:27:05,269 --> 00:27:03,760
when i came in some

811
00:27:07,510 --> 00:27:05,279
she had been told that my dad was a

812
00:27:10,549 --> 00:27:07,520
psychic that's all she knew

813
00:27:12,710 --> 00:27:10,559

but she was able to identify that i

814

00:27:14,310 --> 00:27:12,720

had a sun pass cause of death you know

815

00:27:16,549 --> 00:27:14,320

she felt like it was a drowning in the

816

00:27:18,789 --> 00:27:16,559

lungs and actually the autopsy

817

00:27:20,070 --> 00:27:18,799

physician had described what had

818

00:27:22,070 --> 00:27:20,080

happened to brandon

819

00:27:23,830 --> 00:27:22,080

a severe asthma attack causes the lungs

820

00:27:25,830 --> 00:27:23,840

to expand to almost touch in the middle

821

00:27:28,630 --> 00:27:25,840

that only happens in cases of

822

00:27:30,870 --> 00:27:28,640

severe asthma or drownings so that was

823

00:27:33,029 --> 00:27:30,880

ironic you know that description

824

00:27:34,870 --> 00:27:33,039

she but i think with her the craziest

825

00:27:35,590 --> 00:27:34,880

thing was two weeks before i met with

826

00:27:38,070 --> 00:27:35,600

her

827

00:27:39,590 --> 00:27:38,080

i was handed a box that contained this

828

00:27:41,750 --> 00:27:39,600

manuscript that you mentioned earlier

829

00:27:43,909 --> 00:27:41,760

called your psychic potential

830

00:27:45,990 --> 00:27:43,919

and um it was a book that had been

831

00:27:46,789 --> 00:27:46,000

written in like 1973 but was never

832

00:27:48,710 --> 00:27:46,799

published

833

00:27:50,310 --> 00:27:48,720

so the guy who gave it to me i said well

834

00:27:51,909 --> 00:27:50,320

how did you get this he goes well before

835

00:27:53,909 --> 00:27:51,919

your dad died he gave it to me you were

836

00:27:55,430 --> 00:27:53,919

out of state at the time

837

00:27:56,789 --> 00:27:55,440

and i said well it's been 12 years since

838

00:27:57,669 --> 00:27:56,799

my dad died why are you giving this to

839

00:27:58,870 --> 00:27:57,679

me now

840

00:28:01,350 --> 00:27:58,880

because i don't know i just feel like

841

00:28:03,350 --> 00:28:01,360

i'm supposed to so here it is two weeks

842

00:28:03,750 --> 00:28:03,360

later now i met with allison dubois she

843

00:28:06,149 --> 00:28:03,760

goes

844

00:28:07,430 --> 00:28:06,159

um your dad's showing me a book i feel

845

00:28:09,510 --> 00:28:07,440

it's his book

846

00:28:11,110 --> 00:28:09,520

and he's he's handing this to you it's

847

00:28:12,070 --> 00:28:11,120

for you to take forward does that make

848

00:28:15,350 --> 00:28:12,080

sense

849

00:28:17,350 --> 00:28:15,360

i thought that was pretty crazy um so

850

00:28:19,190 --> 00:28:17,360

one of the other mediums that i went to

851
00:28:21,830 --> 00:28:19,200
was linda williamson

852
00:28:24,549 --> 00:28:21,840
in england and she's famous or somewhat

853
00:28:26,470 --> 00:28:24,559
famous for having given john edward

854
00:28:27,590 --> 00:28:26,480
um a secret code now john edwards a

855
00:28:29,830 --> 00:28:27,600
pretty well-known

856
00:28:31,909 --> 00:28:29,840
well-known medium on the east coast

857
00:28:34,710 --> 00:28:31,919
john's mom died and they had agreed to a

858
00:28:37,669 --> 00:28:34,720
secret code like the houdini code thing

859
00:28:39,029 --> 00:28:37,679
and um so he had been to two mediums

860
00:28:40,149 --> 00:28:39,039
before her to see if somebody could

861
00:28:42,789 --> 00:28:40,159
bring through the code

862
00:28:44,549 --> 00:28:42,799
so he goes to linda williamson and she

863
00:28:46,389 --> 00:28:44,559

starts off and he thinks i'm more of the

864

00:28:48,149 --> 00:28:46,399

same and then all of a sudden she said

865

00:28:49,830 --> 00:28:48,159

uh your mother's here and she's telling

866

00:28:50,630 --> 00:28:49,840

me that she's the guiding light in your

867

00:28:52,149 --> 00:28:50,640

life

868

00:28:54,149 --> 00:28:52,159

she's like that's it that's a secret

869

00:28:57,110 --> 00:28:54,159

code she was a soap opera fan and

870

00:28:58,470 --> 00:28:57,120

guiding light was her favorite show so

871

00:29:00,470 --> 00:28:58,480

that's her kind of thing

872

00:29:02,389 --> 00:29:00,480

but um when i had this meeting with

873

00:29:04,230 --> 00:29:02,399

linda williamson

874

00:29:06,149 --> 00:29:04,240

um she had brought through a lot of

875

00:29:08,149 --> 00:29:06,159

information about me and my place at the

876

00:29:10,830 --> 00:29:08,159

time now i was a nobody and i was

877

00:29:13,590 --> 00:29:10,840

i didn't have a book or anything at the

878

00:29:14,549 --> 00:29:13,600

time she said you know you're going to

879

00:29:16,549 --> 00:29:14,559

you're going to be leading an

880

00:29:17,750 --> 00:29:16,559

organization it's going to form around

881

00:29:21,190 --> 00:29:17,760

you

882

00:29:21,990 --> 00:29:21,200

or why but they're going to be guiding

883

00:29:23,269 --> 00:29:22,000

you and helping you

884

00:29:25,990 --> 00:29:23,279

arrange this and you'll meet the right

885

00:29:27,909 --> 00:29:26,000

people and people will come and

886

00:29:29,430 --> 00:29:27,919

build around you um all you have to do

887

00:29:30,950 --> 00:29:29,440

is just tell your story and be yourself

888

00:29:33,110 --> 00:29:30,960

that's all you have to do

889

00:29:34,070 --> 00:29:33,120

and this thing will expand and grow i'm

890

00:29:35,510 --> 00:29:34,080

like okay well

891

00:29:37,110 --> 00:29:35,520

i don't know what you're talking about

892

00:29:38,630 --> 00:29:37,120

and uh but like

893

00:29:40,789 --> 00:29:38,640

you brought up earlier helping parents

894

00:29:43,350 --> 00:29:40,799

heal now has about a

895

00:29:46,070 --> 00:29:43,360

close to 100 affiliates worldwide 20 000

896

00:29:47,750 --> 00:29:46,080

members at least facebook members

897

00:29:49,190 --> 00:29:47,760

on what's a private group it's actually

898

00:29:50,710 --> 00:29:49,200

hard to join because we want to make

899

00:29:53,269 --> 00:29:50,720

sure the people who are joining

900

00:29:54,470 --> 00:29:53,279

actually are bereaved parents one of the

901
00:29:55,830 --> 00:29:54,480
things she shared with you that i

902
00:29:57,190 --> 00:29:55,840
thought was interesting and again we can

903
00:29:57,510 --> 00:29:57,200
take in a lot of different directions

904
00:30:01,350 --> 00:29:57,520
but

905
00:30:03,830 --> 00:30:01,360
she says there is this network

906
00:30:05,830 --> 00:30:03,840
on the other side and you will be

907
00:30:07,190 --> 00:30:05,840
joining this network and you will be

908
00:30:09,110 --> 00:30:07,200
working with people

909
00:30:11,029 --> 00:30:09,120
on this side i hate when they always say

910
00:30:13,669 --> 00:30:11,039
side thing but with the living

911
00:30:15,269 --> 00:30:13,679
and with whatever this extended realm is

912
00:30:16,710 --> 00:30:15,279
right i mean that's part of the thing

913
00:30:18,630 --> 00:30:16,720

that's what she said she named some of

914

00:30:21,350 --> 00:30:18,640

them almost montague king

915

00:30:23,430 --> 00:30:21,360

who is a a researcher of mediums and

916

00:30:25,669 --> 00:30:23,440

parapsychology in england

917

00:30:27,909 --> 00:30:25,679

and ironically he had passed away within

918

00:30:30,470 --> 00:30:27,919

days of brandon's passing

919

00:30:31,750 --> 00:30:30,480

but he did very good work at the time

920

00:30:34,149 --> 00:30:31,760

she i can't remember who

921

00:30:35,510 --> 00:30:34,159

else she mentioned maybe some others but

922

00:30:37,269 --> 00:30:35,520

she said you know it's a

923

00:30:38,950 --> 00:30:37,279

the network is comprised of people who

924

00:30:40,070 --> 00:30:38,960

are here long ago and people on the

925

00:30:41,909 --> 00:30:40,080

earth today

926

00:30:43,510 --> 00:30:41,919

that uh are involved and interested in

927

00:30:45,510 --> 00:30:43,520

this work but they always pick people of

928

00:30:47,590 --> 00:30:45,520

integrity is what she said

929

00:30:48,789 --> 00:30:47,600

and i have met a number of people both

930

00:30:51,029 --> 00:30:48,799

the researchers and

931

00:30:51,990 --> 00:30:51,039

these top mediums since then like i know

932

00:30:54,230 --> 00:30:52,000

gary i know

933

00:30:55,190 --> 00:30:54,240

trisha robertson who you had on not too

934

00:30:57,029 --> 00:30:55,200

long ago

935

00:30:58,950 --> 00:30:57,039

she was the president of the scottish

936

00:30:59,990 --> 00:30:58,960

society for psychical research which is

937

00:31:03,190 --> 00:31:00,000

a branch of

938

00:31:06,230 --> 00:31:03,200

spr out of london i i knew

939

00:31:07,830 --> 00:31:06,240

a guy lion playfair who's passed within

940

00:31:11,430 --> 00:31:07,840

the last year or so

941

00:31:14,710 --> 00:31:11,440

he was in the spr and uh john poynton

942

00:31:17,190 --> 00:31:14,720

who was president of the spr um julie

943

00:31:19,029 --> 00:31:17,200

baisho and others and then in the medium

944

00:31:20,070 --> 00:31:19,039

realms i mean

945

00:31:21,750 --> 00:31:20,080

and some of these have been really

946

00:31:23,110 --> 00:31:21,760

helpful to helping parents heal too and

947

00:31:24,870 --> 00:31:23,120

i can talk when we get to that about

948

00:31:25,669 --> 00:31:24,880

what differentiates our group from

949

00:31:29,110 --> 00:31:25,679

others but

950

00:31:31,350 --> 00:31:29,120

you know like gordon smith uk highly

951
00:31:32,710 --> 00:31:31,360
highly recognized guy very high

952
00:31:35,509 --> 00:31:32,720
integrity person

953
00:31:37,190 --> 00:31:35,519
very gifted suzanne geezman who you've

954
00:31:40,230 --> 00:31:37,200
had on the show

955
00:31:43,110 --> 00:31:40,240
dive into helping parents heal

956
00:31:43,830 --> 00:31:43,120
for a minute what is unique what are you

957
00:31:45,909 --> 00:31:43,840
guys

958
00:31:47,430 --> 00:31:45,919
doing here's how this whole thing

959
00:31:50,149 --> 00:31:47,440
started it's kind of wacky

960
00:31:50,630 --> 00:31:50,159
but now i'm a few years into this think

961
00:31:53,990 --> 00:31:50,640
back

962
00:31:56,310 --> 00:31:54,000
this is like 2010 or so and i had

963
00:31:57,590 --> 00:31:56,320

soul shift out by now and i started to

964

00:31:59,430 --> 00:31:57,600

do some

965

00:32:00,630 --> 00:31:59,440

talks and workshops and stuff and some

966

00:32:01,990 --> 00:32:00,640

of the mediums i met

967

00:32:04,149 --> 00:32:02,000

actually invited me hey we want to do a

968

00:32:05,590 --> 00:32:04,159

workshop together you give a talk and

969

00:32:07,269 --> 00:32:05,600

then we'll do training

970

00:32:09,110 --> 00:32:07,279

you know and i was actually using some

971

00:32:10,870 --> 00:32:09,120

of my dad's material out of your psychic

972

00:32:12,789 --> 00:32:10,880

potential that book kind of boiling it

973

00:32:15,430 --> 00:32:12,799

down into key elements for people

974

00:32:15,830 --> 00:32:15,440

who wanted to try and develop so i'm

975

00:32:18,789 --> 00:32:15,840

doing

976

00:32:19,909 --> 00:32:18,799

a talk with a jamie clark who's one of

977

00:32:22,470 --> 00:32:19,919

the mediums

978

00:32:23,990 --> 00:32:22,480

mentioned in soul shift and during that

979

00:32:25,590 --> 00:32:24,000

there's a break and this woman comes up

980

00:32:27,029 --> 00:32:25,600

to me and she goes oh hi i just moved

981

00:32:28,950 --> 00:32:27,039

here from florida and i'm trying to

982

00:32:30,789 --> 00:32:28,960

network and meet new people

983

00:32:32,230 --> 00:32:30,799

her name was suzanne wilson and she's

984

00:32:34,630 --> 00:32:32,240

fairly big now

985

00:32:36,389 --> 00:32:34,640

but she uh she said well it's ironic you

986

00:32:37,110 --> 00:32:36,399

know about your son because i just met a

987

00:32:39,190 --> 00:32:37,120

woman and

988

00:32:40,630 --> 00:32:39,200

gave arena this woman named elizabeth

989

00:32:42,230 --> 00:32:40,640

boyson and her son

990

00:32:44,070 --> 00:32:42,240

died on a mountain as well but it was in

991

00:32:45,350 --> 00:32:44,080

the himalayyas he was on a field trip to

992

00:32:47,509 --> 00:32:45,360

the university of arizona

993

00:32:49,509 --> 00:32:47,519

actually he was a cheerleader for the

994

00:32:50,950 --> 00:32:49,519

football team on the cheer squad

995

00:32:53,029 --> 00:32:50,960

and he went on this trip and they

996

00:32:56,389 --> 00:32:53,039

basically took them up the mountain too

997

00:32:58,310 --> 00:32:56,399

fast he got altitude sickness and died

998

00:33:00,470 --> 00:32:58,320

so i said well you know what let me uh

999

00:33:03,029 --> 00:33:00,480

give you a book to give to her as a gift

1000

00:33:04,789 --> 00:33:03,039

so i gave her a signed copy two days

1001

00:33:06,230 --> 00:33:04,799

later i got a call from elizabeth and

1002

00:33:07,750 --> 00:33:06,240

she said i've read your book already i

1003

00:33:08,870 --> 00:33:07,760

love that i'd like to meet you and your

1004

00:33:11,990 --> 00:33:08,880

wife

1005

00:33:14,870 --> 00:33:12,000

so we got together and she said hey i um

1006

00:33:15,509 --> 00:33:14,880

i'm doing a group meeting i put together

1007

00:33:17,990 --> 00:33:15,519

this group

1008

00:33:18,630 --> 00:33:18,000

you know here in uh scottsdale cave

1009

00:33:20,870 --> 00:33:18,640

creek

1010

00:33:21,830 --> 00:33:20,880

area for parents who've been through

1011

00:33:23,350 --> 00:33:21,840

this because she went to

1012

00:33:25,190 --> 00:33:23,360

i'm not going to name the organization's

1013

00:33:27,750 --> 00:33:25,200

name but another organization

1014

00:33:29,029 --> 00:33:27,760

for a brief parents that was much larger

1015

00:33:30,789 --> 00:33:29,039

and she said that it was just so

1016

00:33:31,830 --> 00:33:30,799

depressing because the people i saw

1017

00:33:33,269 --> 00:33:31,840

people that were there that have been

1018

00:33:35,669 --> 00:33:33,279

going for 10 years and

1019

00:33:36,870 --> 00:33:35,679

all they do is dwell on how bad things

1020

00:33:38,870 --> 00:33:36,880

are and what happened

1021

00:33:40,470 --> 00:33:38,880

and just coming back to the same place

1022

00:33:41,990 --> 00:33:40,480

they're not really healing

1023

00:33:44,070 --> 00:33:42,000

so i wanted to have kind of a different

1024

00:33:44,950 --> 00:33:44,080

vibe so she invited me to be her first

1025

00:33:46,710 --> 00:33:44,960

speaker

1026
00:33:48,070 --> 00:33:46,720
so i go to this meeting there's like 30

1027
00:33:50,549 --> 00:33:48,080
people there

1028
00:33:52,310 --> 00:33:50,559
and it actually was very uplifting and

1029
00:33:53,110 --> 00:33:52,320
some people got stuff off their chest or

1030
00:33:54,710 --> 00:33:53,120
whatever

1031
00:33:56,389 --> 00:33:54,720
there were two fundamentalist christians

1032
00:33:58,149 --> 00:33:56,399
that showed up

1033
00:33:59,509 --> 00:33:58,159
trying to convert people i guess to get

1034
00:34:00,310 --> 00:33:59,519
them to go to their church while we were

1035
00:34:02,470 --> 00:34:00,320
there but

1036
00:34:04,389 --> 00:34:02,480
i knew enough biblical stuff to be able

1037
00:34:05,029 --> 00:34:04,399
to talk through their arguments and

1038
00:34:07,750 --> 00:34:05,039

things and

1039

00:34:08,389 --> 00:34:07,760

eventually it's like hey look people are

1040

00:34:09,990 --> 00:34:08,399

here

1041

00:34:11,990 --> 00:34:10,000

because they need this you don't need to

1042

00:34:13,270 --> 00:34:12,000

be here trying to recruit

1043

00:34:14,950 --> 00:34:13,280

but the meeting on the whole was very

1044

00:34:16,389 --> 00:34:14,960

good elizabeth then started doing these

1045

00:34:19,190 --> 00:34:16,399

meetings once a month

1046

00:34:20,389 --> 00:34:19,200

and i went to them as often as i could

1047

00:34:24,149 --> 00:34:20,399

fast forward maybe

1048

00:34:25,589 --> 00:34:24,159

six to 12 months um i'm leaving a job in

1049

00:34:26,550 --> 00:34:25,599

the corporate world at the time and

1050

00:34:27,829 --> 00:34:26,560

trying to figure out what i'm going to

1051

00:34:29,190 --> 00:34:27,839

do next

1052

00:34:31,190 --> 00:34:29,200

and i'm still in the corporate role by

1053

00:34:32,230 --> 00:34:31,200

the way unfortunately but not for much

1054

00:34:34,950 --> 00:34:32,240

longer

1055

00:34:35,909 --> 00:34:34,960

but my uh um another medium friend tina

1056

00:34:37,750 --> 00:34:35,919

powers who you

1057

00:34:39,270 --> 00:34:37,760

may have read about in uh messages from

1058

00:34:41,829 --> 00:34:39,280

the afterlife very gifted

1059

00:34:42,550 --> 00:34:41,839

wonderful person she's talking to me she

1060

00:34:44,710 --> 00:34:42,560

was mark

1061

00:34:45,990 --> 00:34:44,720

i think really your main purpose in life

1062

00:34:48,230 --> 00:34:46,000

is to help other parents

1063

00:34:49,270 --> 00:34:48,240

who have lost kids and maybe think about

1064

00:34:51,109 --> 00:34:49,280

how you could have some sort of

1065

00:34:53,349 --> 00:34:51,119

organization to do that

1066

00:34:54,869 --> 00:34:53,359

so that was kind of my trigger and then

1067

00:34:57,349 --> 00:34:54,879

i thought well you know

1068

00:34:58,630 --> 00:34:57,359

there is a need for that on a big scale

1069

00:35:00,829 --> 00:34:58,640

you know elizabeth's

1070

00:35:03,109 --> 00:35:00,839

meetings work well but it's just one

1071

00:35:04,630 --> 00:35:03,119

location so that instead of reinventing

1072

00:35:05,670 --> 00:35:04,640

the wheel why don't i just talk to her

1073

00:35:06,390 --> 00:35:05,680

you know really what we need is a

1074

00:35:09,589 --> 00:35:06,400

website

1075

00:35:11,190 --> 00:35:09,599

a newsletter some other resources

1076
00:35:12,870 --> 00:35:11,200
and then to blueprint what she does and

1077
00:35:14,710 --> 00:35:12,880
take it out so i contacted her and i

1078
00:35:17,589 --> 00:35:14,720
said hey do you want to try this

1079
00:35:19,670 --> 00:35:17,599
on a bigger scale and so long before we

1080
00:35:21,829 --> 00:35:19,680
she agreed she was excited

1081
00:35:23,510 --> 00:35:21,839
at the time she had the organization's

1082
00:35:24,790 --> 00:35:23,520
name was parents united and lost and

1083
00:35:25,270 --> 00:35:24,800
they said how about helping parents

1084
00:35:27,910 --> 00:35:25,280
she'll

1085
00:35:29,190 --> 00:35:27,920
heal and she said oh i love that so

1086
00:35:31,109 --> 00:35:29,200
that's what we did you know

1087
00:35:33,750 --> 00:35:31,119
i built the initial website using some

1088
00:35:35,750 --> 00:35:33,760

template and then uh

1089

00:35:37,510 --> 00:35:35,760

we started a newsletter and then it

1090

00:35:39,349 --> 00:35:37,520

expanded we put a board together and

1091

00:35:41,030 --> 00:35:39,359

this thing just grew like wildfire to

1092

00:35:43,589 --> 00:35:41,040

where it is now

1093

00:35:44,310 --> 00:35:43,599

and you can ask other questions but i

1094

00:35:46,790 --> 00:35:44,320

could tell you

1095

00:35:48,150 --> 00:35:46,800

what the main differentiators are well i

1096

00:35:51,190 --> 00:35:48,160

think there's a couple of different

1097

00:35:53,349 --> 00:35:51,200

uh questions to ask like you mentioned

1098

00:35:54,630 --> 00:35:53,359

julie beischel and i've known julie for

1099

00:35:55,750 --> 00:35:54,640

a long time she's been on this show

1100

00:35:56,630 --> 00:35:55,760

multiple times and i think she's

1101
00:35:59,109 --> 00:35:56,640
fantastic

1102
00:36:00,150 --> 00:35:59,119
winbridge institute she left university

1103
00:36:02,870 --> 00:36:00,160
arizona

1104
00:36:03,430 --> 00:36:02,880
working under gary schwartz and wanted

1105
00:36:05,670 --> 00:36:03,440
to do

1106
00:36:06,470 --> 00:36:05,680
solid research on after death

1107
00:36:09,030 --> 00:36:06,480
communication

1108
00:36:11,109 --> 00:36:09,040
one of her findings which is all about

1109
00:36:11,589 --> 00:36:11,119
what you guys at helping parents heal is

1110
00:36:14,390 --> 00:36:11,599
about

1111
00:36:15,430 --> 00:36:14,400
is that grief is something we've studied

1112
00:36:17,510 --> 00:36:15,440
for a long time

1113
00:36:19,109 --> 00:36:17,520

it's a health care issue there's

1114

00:36:21,990 --> 00:36:19,119

millions and hundreds of millions of

1115

00:36:25,030 --> 00:36:22,000

dollars spent on counseling and all that

1116

00:36:28,150 --> 00:36:25,040

if you look at the efficacy

1117

00:36:31,190 --> 00:36:28,160

of a medium reading for

1118

00:36:32,310 --> 00:36:31,200

grief it's highly significant so if you

1119

00:36:35,190 --> 00:36:32,320

want to take it

1120

00:36:36,790 --> 00:36:35,200

strictly from a science standpoint

1121

00:36:39,750 --> 00:36:36,800

there's a lot there

1122

00:36:39,990 --> 00:36:39,760

but there's this gap between what people

1123

00:36:43,030 --> 00:36:40,000

who

1124

00:36:44,870 --> 00:36:43,040

might have experienced this grief a

1125

00:36:46,950 --> 00:36:44,880

knowledge gap between what they might

1126
00:36:49,589 --> 00:36:46,960
know and feelings they might have

1127
00:36:51,190 --> 00:36:49,599
about gee you know i've heard about that

1128
00:36:53,270 --> 00:36:51,200
or i have a friend who's done that

1129
00:36:54,950 --> 00:36:53,280
that sounds kind of wacky oh that goes

1130
00:36:56,870 --> 00:36:54,960
against my religious beliefs

1131
00:36:58,630 --> 00:36:56,880
that could be a scam all the rest that

1132
00:37:00,870 --> 00:36:58,640
stuff one of the

1133
00:37:02,310 --> 00:37:00,880
purposes of what you're doing is to kind

1134
00:37:05,270 --> 00:37:02,320
of close that gap

1135
00:37:07,109 --> 00:37:05,280
and point people towards some of the

1136
00:37:09,030 --> 00:37:07,119
real information that's out there in

1137
00:37:09,750 --> 00:37:09,040
terms of the healing that can come

1138
00:37:13,430 --> 00:37:09,760

through

1139

00:37:15,510 --> 00:37:13,440

these readings right right so

1140

00:37:17,670 --> 00:37:15,520

there are i kind of come up with i call

1141

00:37:20,150 --> 00:37:17,680

five pillars of healings but one of them

1142

00:37:21,430 --> 00:37:20,160

is hope and that's what's missing from

1143

00:37:21,990 --> 00:37:21,440

these other organizations because they

1144

00:37:23,589 --> 00:37:22,000

don't allow

1145

00:37:25,349 --> 00:37:23,599

discussion about these topics or

1146

00:37:27,910 --> 00:37:25,359

people's personal experiences

1147

00:37:29,910 --> 00:37:27,920

a lot of people will have their own adc

1148

00:37:31,270 --> 00:37:29,920

they'll have some sort of visitation

1149

00:37:32,710 --> 00:37:31,280

and they want to share this with other

1150

00:37:35,109 --> 00:37:32,720

people but they aren't allowed in these

1151

00:37:37,349 --> 00:37:35,119

other forums so we openly embrace that

1152

00:37:38,710 --> 00:37:37,359

we don't have any dogma we don't you

1153

00:37:40,550 --> 00:37:38,720

know we embrace people whether they're

1154

00:37:43,030 --> 00:37:40,560

atheists or jehovah witnesses not that

1155

00:37:45,349 --> 00:37:43,040

one would come to us

1156

00:37:46,069 --> 00:37:45,359

you know any any background it's it's

1157

00:37:47,270 --> 00:37:46,079

really about

1158

00:37:49,589 --> 00:37:47,280

people who have been through this

1159

00:37:49,990 --> 00:37:49,599

helping each other you know part of that

1160

00:37:53,030 --> 00:37:50,000

comes

1161

00:37:54,950 --> 00:37:53,040

from hopefully people heal if they have

1162

00:37:56,310 --> 00:37:54,960

a supportive family network that doesn't

1163

00:37:58,870 --> 00:37:56,320

always happen

1164

00:38:00,310 --> 00:37:58,880

and um you know the next thing is having

1165

00:38:02,710 --> 00:38:00,320

people around that have been through the

1166

00:38:05,510 --> 00:38:02,720

same thing that they can relate to

1167

00:38:06,150 --> 00:38:05,520

a third one is service providing service

1168

00:38:09,190 --> 00:38:06,160

to others

1169

00:38:11,589 --> 00:38:09,200

heals you too people aren't always

1170

00:38:14,069 --> 00:38:11,599

immediately able to do that but when

1171

00:38:16,150 --> 00:38:14,079

they can it will help bring it around

1172

00:38:17,670 --> 00:38:16,160

the next is guilt and you know letting

1173

00:38:19,829 --> 00:38:17,680

go of guilt and

1174

00:38:21,349 --> 00:38:19,839

anger towards others or towards yourself

1175

00:38:23,349 --> 00:38:21,359

because i guarantee you

1176

00:38:24,630 --> 00:38:23,359

90 of people who have a loved one past

1177

00:38:26,790 --> 00:38:24,640

blame themselves

1178

00:38:28,870 --> 00:38:26,800

just like elaine pagels did and it's

1179

00:38:30,230 --> 00:38:28,880

it's irrational but you do it anyhow you

1180

00:38:32,150 --> 00:38:30,240

know

1181

00:38:33,510 --> 00:38:32,160

so letting go of that guilt forgiving

1182

00:38:36,230 --> 00:38:33,520

others uh who

1183

00:38:37,510 --> 00:38:36,240

you may feel are had a hand in the

1184

00:38:39,589 --> 00:38:37,520

passing of your loved one

1185

00:38:41,430 --> 00:38:39,599

either directly or indirectly and then

1186

00:38:42,550 --> 00:38:41,440

the last one is hope peace and the hope

1187

00:38:44,950 --> 00:38:42,560

comes

1188

00:38:45,750 --> 00:38:44,960

in our view from what we've seen from

1189

00:38:47,990 --> 00:38:45,760

people thinking

1190

00:38:49,670 --> 00:38:48,000

or understanding there's more than just

1191

00:38:52,790 --> 00:38:49,680

physical reality

1192

00:38:54,470 --> 00:38:52,800

and that um their kid does go on in some

1193

00:38:56,310 --> 00:38:54,480

other form and some other way

1194

00:38:58,150 --> 00:38:56,320

maybe we can't explain that to the

1195

00:39:01,430 --> 00:38:58,160

degree that that we like

1196

00:39:03,589 --> 00:39:01,440

but that hope element's huge and so

1197

00:39:05,510 --> 00:39:03,599

um having sharing information whether

1198

00:39:07,030 --> 00:39:05,520

it's on ndes and all the research and

1199

00:39:08,470 --> 00:39:07,040

books available on that

1200

00:39:10,390 --> 00:39:08,480

you know my my background and

1201
00:39:11,750 --> 00:39:10,400
understanding my area of expertise is

1202
00:39:13,510 --> 00:39:11,760
more with the medium stuff

1203
00:39:15,430 --> 00:39:13,520
i love the nde stuff and it's probably

1204
00:39:16,710 --> 00:39:15,440
even a better

1205
00:39:19,030 --> 00:39:16,720
tool for that but the thing is not

1206
00:39:21,829 --> 00:39:19,040
everybody's going to have an nde

1207
00:39:23,349 --> 00:39:21,839
but people anybody could see a medium

1208
00:39:24,550 --> 00:39:23,359
but the other part that comes in there

1209
00:39:26,470 --> 00:39:24,560
is you have to make sure they're getting

1210
00:39:27,829 --> 00:39:26,480
a qualified medium

1211
00:39:29,510 --> 00:39:27,839
because there are a lot of people that

1212
00:39:30,870 --> 00:39:29,520
are not gifted and they think they are

1213
00:39:32,550 --> 00:39:30,880

they're just kidding themselves and

1214

00:39:35,510 --> 00:39:32,560

there's frauds out there too i've

1215

00:39:35,990 --> 00:39:35,520

actually encountered that and it's very

1216

00:39:37,670 --> 00:39:36,000

very

1217

00:39:39,670 --> 00:39:37,680

frustrating um and that's what the

1218

00:39:42,790 --> 00:39:39,680

skeptics the debunkers

1219

00:39:44,310 --> 00:39:42,800

cling to and jump all over uh you know

1220

00:39:46,069 --> 00:39:44,320

they'll say oh they're just using

1221

00:39:47,670 --> 00:39:46,079

people and they're using these very poor

1222

00:39:50,150 --> 00:39:47,680

bereaved people

1223

00:39:51,270 --> 00:39:50,160

like we're stupid or something and

1224

00:39:53,190 --> 00:39:51,280

that's why

1225

00:39:54,950 --> 00:39:53,200

you know i actually set up my own medium

1226

00:39:56,710 --> 00:39:54,960

certification program

1227

00:39:59,390 --> 00:39:56,720

and for any mediums that are going to be

1228

00:40:02,710 --> 00:39:59,400

as affiliated as a provider on

1229

00:40:04,790 --> 00:40:02,720

hph they have to go through this process

1230

00:40:06,870 --> 00:40:04,800

and i'm not astringent as julie weisha

1231

00:40:09,670 --> 00:40:06,880

would be that's not my purpose i

1232

00:40:10,870 --> 00:40:09,680

i personally know that this phenomenon

1233

00:40:12,790 --> 00:40:10,880

exists it's real

1234

00:40:15,030 --> 00:40:12,800

and there are people that are good at it

1235

00:40:16,470 --> 00:40:15,040

so i come from that standpoint

1236

00:40:18,550 --> 00:40:16,480

i'm just trying to separate the wheat

1237

00:40:20,309 --> 00:40:18,560

from the chest so that people who

1238

00:40:21,910 --> 00:40:20,319

are bereaved are not going to somebody

1239

00:40:22,870 --> 00:40:21,920

who's either not who's either

1240

00:40:25,829 --> 00:40:22,880

unqualified

1241

00:40:27,270 --> 00:40:25,839

or is out for the wrong reasons yeah i

1242

00:40:27,589 --> 00:40:27,280

was going to bring that up cut i think

1243

00:40:29,190 --> 00:40:27,599

that

1244

00:40:33,150 --> 00:40:29,200

not actually not those points but some

1245

00:40:37,109 --> 00:40:34,870

findacertifiedmedium.com

1246

00:40:38,710 --> 00:40:37,119

is a really important service in a

1247

00:40:41,750 --> 00:40:38,720

couple of ways

1248

00:40:44,950 --> 00:40:41,760

one what i've experienced and i am like

1249

00:40:46,630 --> 00:40:44,960

so tangential to the stuff

1250

00:40:48,470 --> 00:40:46,640

that you're talking about but i do get

1251

00:40:50,390 --> 00:40:48,480

people on a regular basis who

1252

00:40:52,630 --> 00:40:50,400

email me and want to know about the

1253

00:40:53,910 --> 00:40:52,640

medium thing and you overcome two of the

1254

00:40:55,910 --> 00:40:53,920

problems which is one

1255

00:40:58,550 --> 00:40:55,920

a lot of people when they get to that

1256

00:41:00,309 --> 00:40:58,560

point they've gone through a lot of

1257

00:41:02,390 --> 00:41:00,319

work already to get to the point where

1258

00:41:04,470 --> 00:41:02,400

they can even think about reaching out

1259

00:41:05,510 --> 00:41:04,480

to a medium and then i can only imagine

1260

00:41:06,950 --> 00:41:05,520

in your situation

1261

00:41:08,950 --> 00:41:06,960

where you're dealing with people with

1262

00:41:11,109 --> 00:41:08,960

this and tremendous loss you know

1263

00:41:12,630 --> 00:41:11,119

so it's a huge thing for them and then

1264

00:41:15,030 --> 00:41:12,640

they go out it's like

1265

00:41:16,230 --> 00:41:15,040

okay i'm gonna go look at here's a

1266

00:41:19,430 --> 00:41:16,240

medium and it's

1267

00:41:22,630 --> 00:41:19,440

300 400 a session and

1268

00:41:24,550 --> 00:41:22,640

the um book for the next two years and i

1269

00:41:26,950 --> 00:41:24,560

read on your site that that's one of the

1270

00:41:28,630 --> 00:41:26,960

one of the things that you saw was you

1271

00:41:30,309 --> 00:41:28,640

want to tackle it's like hey there's a

1272

00:41:32,230 --> 00:41:30,319

lot of good mediums out there

1273

00:41:33,910 --> 00:41:32,240

they you can sit down with them in a

1274

00:41:35,349 --> 00:41:33,920

relatively short period of time and it

1275

00:41:37,750 --> 00:41:35,359

doesn't have to be

1276

00:41:39,990 --> 00:41:37,760

outrageously expensive kind of thing

1277

00:41:42,470 --> 00:41:40,000

right i mean am i do i have that right

1278

00:41:43,270 --> 00:41:42,480

that's exactly why i did it because i

1279

00:41:45,430 --> 00:41:43,280

know some

1280

00:41:47,270 --> 00:41:45,440

excellent mediums that are you know like

1281

00:41:48,230 --> 00:41:47,280

celebrity mediums are well known well

1282

00:41:50,230 --> 00:41:48,240

regarded

1283

00:41:51,670 --> 00:41:50,240

and some of them are just phenomenal but

1284

00:41:52,710 --> 00:41:51,680

like you said they may have a two year

1285

00:41:54,470 --> 00:41:52,720

wait list

1286

00:41:56,470 --> 00:41:54,480

and some charge a lot and part of the

1287

00:41:57,829 --> 00:41:56,480

reason i'm not going to justify what

1288

00:41:58,390 --> 00:41:57,839

they charge it's up to them what they

1289

00:42:00,230 --> 00:41:58,400

want to check

1290

00:42:01,430 --> 00:42:00,240

exactly who cares i hate even getting

1291

00:42:02,790 --> 00:42:01,440

into that stuff why haven't people

1292

00:42:04,630 --> 00:42:02,800

talking you charge what you want it's

1293

00:42:06,550 --> 00:42:04,640

abyss it's a market

1294

00:42:08,230 --> 00:42:06,560

yeah and and some of them it's very

1295

00:42:09,750 --> 00:42:08,240

draining there's one i just learned

1296

00:42:11,510 --> 00:42:09,760

about i haven't read from but i

1297

00:42:13,190 --> 00:42:11,520

trust the people who i know carolyn

1298

00:42:15,990 --> 00:42:13,200

clapper charges a lot but

1299

00:42:17,510 --> 00:42:16,000

she's phenomenal um allison was

1300

00:42:20,069 --> 00:42:17,520

phenomenal you know there's a lot of

1301
00:42:23,190 --> 00:42:20,079
folks out there john edwards phenomenal

1302
00:42:25,190 --> 00:42:23,200
but they have you know limited capacity

1303
00:42:27,349 --> 00:42:25,200
um it takes a lot out of them and some

1304
00:42:28,870 --> 00:42:27,359
role like carolyn does one per day

1305
00:42:30,550 --> 00:42:28,880
because that's all she can physically

1306
00:42:32,470 --> 00:42:30,560
handle um

1307
00:42:34,309 --> 00:42:32,480
so i needed to find other resources for

1308
00:42:36,470 --> 00:42:34,319
people that were more affordable

1309
00:42:37,349 --> 00:42:36,480
and that were vetted and that had

1310
00:42:39,430 --> 00:42:37,359
availability

1311
00:42:41,510 --> 00:42:39,440
and so i think i'm up over 30 of them

1312
00:42:43,430 --> 00:42:41,520
now and we're constantly testing it's

1313
00:42:46,390 --> 00:42:43,440

amazing

1314

00:42:47,750 --> 00:42:46,400

how often we're getting people want to

1315

00:42:49,190 --> 00:42:47,760

apply for it it's

1316

00:42:51,750 --> 00:42:49,200

i think it's getting better known out

1317

00:42:53,510 --> 00:42:51,760

there and we do need more sitters too so

1318

00:42:54,309 --> 00:42:53,520

if anyone wants to volunteer as a test

1319

00:42:56,470 --> 00:42:54,319

sitter

1320

00:42:58,230 --> 00:42:56,480

i'm totally open to that but there are

1321

00:42:59,750 --> 00:42:58,240

responsibilities that come with it and

1322

00:43:00,950 --> 00:42:59,760

some people are all excited to get the

1323

00:43:02,630 --> 00:43:00,960

free reading but they don't want to do

1324

00:43:05,030 --> 00:43:02,640

the back end work

1325

00:43:05,990 --> 00:43:05,040

so if they're interested in this they

1326

00:43:08,309 --> 00:43:06,000

can go to my website

1327

00:43:09,670 --> 00:43:08,319

hit my contact link and write me but

1328

00:43:11,510 --> 00:43:09,680

here's what i'm looking for you're going

1329

00:43:13,670 --> 00:43:11,520

to have to sit through

1330

00:43:14,710 --> 00:43:13,680

you know one or more readings you're

1331

00:43:15,670 --> 00:43:14,720

going to have to it's going to be

1332

00:43:16,950 --> 00:43:15,680

recorded

1333

00:43:17,990 --> 00:43:16,960

you're going to have to transcribe it

1334

00:43:19,430 --> 00:43:18,000

when it's done and then you're going to

1335

00:43:21,190 --> 00:43:19,440

have to grade it and that means going

1336

00:43:21,990 --> 00:43:21,200

through statement by statement to note

1337

00:43:24,390 --> 00:43:22,000

if it's

1338

00:43:25,750 --> 00:43:24,400

correct incorrect or it's an

1339

00:43:27,829 --> 00:43:25,760

indeterminable statement

1340

00:43:29,670 --> 00:43:27,839

and if it's a bonus statement like okay

1341

00:43:31,910 --> 00:43:29,680

you got my son's birthday you name

1342

00:43:34,470 --> 00:43:31,920

my son you said his favorite pizza with

1343

00:43:37,109 --> 00:43:34,480

pepperoni and olive you know whatever

1344

00:43:37,990 --> 00:43:37,119

um that's what's required on the back

1345

00:43:39,829 --> 00:43:38,000

end

1346

00:43:42,150 --> 00:43:39,839

so if anyone's interested hey we need

1347

00:43:46,150 --> 00:43:42,160

more sitters maybe we'll do that

1348

00:43:47,430 --> 00:43:46,160

as an episode on uh skeptico awesome

1349

00:43:49,750 --> 00:43:47,440

because then i think that would draw

1350

00:43:50,870 --> 00:43:49,760

attention to it and i think it also

1351
00:43:53,349 --> 00:43:50,880
would

1352
00:43:54,390 --> 00:43:53,359
kind of reveal the protocol behind this

1353
00:43:55,829 --> 00:43:54,400
that you use

1354
00:43:57,750 --> 00:43:55,839
so real quickly i got a bunch of

1355
00:44:01,190 --> 00:43:57,760
skeptical questions i want to get into

1356
00:44:03,270 --> 00:44:01,200
but let's not leave this topic before

1357
00:44:04,390 --> 00:44:03,280
because you just kind of touched on it

1358
00:44:07,190 --> 00:44:04,400
what about

1359
00:44:08,630 --> 00:44:07,200
uh like you were just mentioning do's

1360
00:44:10,790 --> 00:44:08,640
don'ts advice

1361
00:44:12,950 --> 00:44:10,800
for a medium reading but you were

1362
00:44:16,150 --> 00:44:12,960
talking about it in terms of

1363
00:44:17,430 --> 00:44:16,160

the protocol you guys use in kind of

1364

00:44:19,349 --> 00:44:17,440

judging these mediums

1365

00:44:21,829 --> 00:44:19,359

what about in general what do you tell

1366

00:44:24,390 --> 00:44:21,839

people when they're considering going

1367

00:44:25,750 --> 00:44:24,400

and having that sitting and

1368

00:44:27,750 --> 00:44:25,760

and and what do you tell them to get the

1369

00:44:30,150 --> 00:44:27,760

most out of it

1370

00:44:31,030 --> 00:44:30,160

well first off pick somebody who's been

1371

00:44:32,790 --> 00:44:31,040

validated

1372

00:44:34,630 --> 00:44:32,800

that either you personally know someone

1373

00:44:36,630 --> 00:44:34,640

who's gone and trust or

1374

00:44:37,829 --> 00:44:36,640

a list like mine but make sure you're

1375

00:44:40,630 --> 00:44:37,839

going to somebody who

1376

00:44:41,270 --> 00:44:40,640

who has good references i'd say when you

1377

00:44:43,109 --> 00:44:41,280

go there

1378

00:44:44,470 --> 00:44:43,119

do your best if you can for them not to

1379

00:44:46,710 --> 00:44:44,480

be front loaded with any

1380

00:44:48,069 --> 00:44:46,720

information about you i hate to be

1381

00:44:49,670 --> 00:44:48,079

deceitful but you know if they don't

1382

00:44:51,349 --> 00:44:49,680

even know your name that's good if you

1383

00:44:52,870 --> 00:44:51,359

could somehow make the appointment with

1384

00:44:55,349 --> 00:44:52,880

maybe a friend makes the appointment for

1385

00:44:56,630 --> 00:44:55,359

you or whatever and again i hate to use

1386

00:44:58,390 --> 00:44:56,640

trickery but

1387

00:44:59,589 --> 00:44:58,400

um you know if you're going to somebody

1388

00:45:01,030 --> 00:44:59,599

that's been vetted i don't think you

1389

00:45:02,309 --> 00:45:01,040

need to worry about it as much anybody

1390

00:45:05,109 --> 00:45:02,319

on my side's already done

1391

00:45:06,390 --> 00:45:05,119

five blinded readings themselves so you

1392

00:45:07,990 --> 00:45:06,400

can trust them

1393

00:45:10,069 --> 00:45:08,000

but i find that some people are so

1394

00:45:11,430 --> 00:45:10,079

skeptical that if they go to somebody

1395

00:45:12,150 --> 00:45:11,440

and they get good information then

1396

00:45:13,829 --> 00:45:12,160

they're gonna think

1397

00:45:15,589 --> 00:45:13,839

how did they get that they knew my name

1398

00:45:16,550 --> 00:45:15,599

or whatever so let's just interject

1399

00:45:18,870 --> 00:45:16,560

there for a minute

1400

00:45:19,589 --> 00:45:18,880

because you're kind of going over it in

1401
00:45:21,750 --> 00:45:19,599
the big picture

1402
00:45:23,270 --> 00:45:21,760
i totally get what you're saying and the

1403
00:45:25,190 --> 00:45:23,280
little bit you know that i've

1404
00:45:27,349 --> 00:45:25,200
experienced with this i give people the

1405
00:45:28,470 --> 00:45:27,359
same advice because which i think you're

1406
00:45:30,710 --> 00:45:28,480
really

1407
00:45:31,589 --> 00:45:30,720
getting at is that last part that you've

1408
00:45:34,390 --> 00:45:31,599
got right there

1409
00:45:34,950 --> 00:45:34,400
is that the most significant thing you

1410
00:45:38,390 --> 00:45:34,960
can get

1411
00:45:38,870 --> 00:45:38,400
out of that reading is validation that

1412
00:45:42,150 --> 00:45:38,880
there

1413
00:45:43,510 --> 00:45:42,160

is this extended realm and a lot of

1414

00:45:45,750 --> 00:45:43,520

people i think go in it

1415

00:45:47,190 --> 00:45:45,760

expecting or not even expecting but

1416

00:45:50,550 --> 00:45:47,200

hoping for

1417

00:45:54,309 --> 00:45:50,560

the home run kind of you know

1418

00:45:55,990 --> 00:45:54,319

huge kind of thing and i think it's much

1419

00:45:57,030 --> 00:45:56,000

better to go in and saying you know what

1420

00:46:00,150 --> 00:45:57,040

if i could get

1421

00:46:04,150 --> 00:46:00,160

validation that there really is an

1422

00:46:06,870 --> 00:46:04,160

afterlife and that my loved one is there

1423

00:46:07,430 --> 00:46:06,880

that would probably be the most and it

1424

00:46:09,430 --> 00:46:07,440

is

1425

00:46:11,910 --> 00:46:09,440

so that's why you set it up the way that

1426

00:46:13,670 --> 00:46:11,920

you do and you do it like a freaking

1427

00:46:16,150 --> 00:46:13,680

experiment so you can come through and

1428

00:46:17,670 --> 00:46:16,160

say dang i gave that person nothing

1429

00:46:19,670 --> 00:46:17,680

and they came through and gave me this

1430

00:46:21,670 --> 00:46:19,680

this this this i mean i almost think

1431

00:46:23,510 --> 00:46:21,680

anyone especially for a first reading

1432

00:46:25,270 --> 00:46:23,520

should be going in and following the

1433

00:46:25,910 --> 00:46:25,280

protocol that you use to test your

1434

00:46:27,829 --> 00:46:25,920

mediums

1435

00:46:29,109 --> 00:46:27,839

because at the end of the day i think

1436

00:46:30,630 --> 00:46:29,119

for a long time after

1437

00:46:33,109 --> 00:46:30,640

that's what you're going to reflect back

1438

00:46:34,950 --> 00:46:33,119

on and go no wait a minute i really

1439

00:46:35,510 --> 00:46:34,960

didn't give them anything and i didn't

1440

00:46:37,190 --> 00:46:35,520

answer

1441

00:46:38,870 --> 00:46:37,200

and i didn't lead them on i didn't get

1442

00:46:40,230 --> 00:46:38,880

all excited you know what i'm saying so

1443

00:46:42,069 --> 00:46:40,240

you're right that's the other part of it

1444

00:46:43,670 --> 00:46:42,079

is you know there's front loading and

1445

00:46:45,430 --> 00:46:43,680

then there's cold reading so you want to

1446

00:46:47,030 --> 00:46:45,440

avoid the potential of either so the

1447

00:46:49,190 --> 00:46:47,040

front loading is them knowing anything

1448

00:46:51,349 --> 00:46:49,200

about you before you get there

1449

00:46:52,870 --> 00:46:51,359

cold reading is a technique that's a lot

1450

00:46:55,510 --> 00:46:52,880

of debunkers claim is

1451

00:46:56,230 --> 00:46:55,520

common i know it probably happens but i

1452

00:46:58,950 --> 00:46:56,240

don't think it's

1453

00:47:00,309 --> 00:46:58,960

it's common or common with good mediums

1454

00:47:00,870 --> 00:47:00,319

and that whole idea is that they're

1455

00:47:04,309 --> 00:47:00,880

reading

1456

00:47:06,390 --> 00:47:04,319

reaction or you're feeding them

1457

00:47:09,510 --> 00:47:06,400

information without even thinking about

1458

00:47:10,069 --> 00:47:09,520

it telling them too much so you want to

1459

00:47:13,190 --> 00:47:10,079

minimize

1460

00:47:13,750 --> 00:47:13,200

your responses um not just to say yes

1461

00:47:16,470 --> 00:47:13,760

and no

1462

00:47:17,990 --> 00:47:16,480

but don't go overboard and say oh yeah

1463

00:47:20,309 --> 00:47:18,000

yeah that's my son he was

1464

00:47:22,069 --> 00:47:20,319

this tall and he wrote a skateboard

1465

00:47:22,630 --> 00:47:22,079

don't get too excited and go off there

1466

00:47:24,390 --> 00:47:22,640

just

1467

00:47:26,150 --> 00:47:24,400

try and measure that but you want to be

1468

00:47:28,069 --> 00:47:26,160

positive because it is an energetic

1469

00:47:29,670 --> 00:47:28,079

connection and the medium does feed off

1470

00:47:30,870 --> 00:47:29,680

the sitters energy

1471

00:47:32,630 --> 00:47:30,880

and they you know they need that

1472

00:47:34,230 --> 00:47:32,640

positive environment and some feedback

1473

00:47:35,670 --> 00:47:34,240

you know like hey yeah that's right

1474

00:47:37,589 --> 00:47:35,680

that that statement makes sense to me

1475

00:47:40,470 --> 00:47:37,599

thank you go on that kind of approach

1476

00:47:42,230 --> 00:47:40,480

just don't don't spill your guts and try

1477

00:47:45,910 --> 00:47:42,240

not to overreact

1478

00:47:48,470 --> 00:47:45,920

see what i always do my thing is kind of

1479

00:47:49,349 --> 00:47:48,480

related to that is up front i tell the

1480

00:47:52,630 --> 00:47:49,359

medium i say

1481

00:47:55,190 --> 00:47:52,640

look i am not here to debunk you

1482

00:47:56,870 --> 00:47:55,200

i'm totally confident that there is this

1483

00:47:59,589 --> 00:47:56,880

realm and you can connect to it

1484

00:48:01,270 --> 00:47:59,599

and then i just say for me what would be

1485

00:48:04,710 --> 00:48:01,280

most beneficial for me

1486

00:48:05,589 --> 00:48:04,720

right now is to not respond to anything

1487

00:48:07,030 --> 00:48:05,599

you're saying

1488

00:48:08,549 --> 00:48:07,040

if you're open-minded or you've read

1489

00:48:09,589 --> 00:48:08,559

books on the subject and you already

1490

00:48:11,430 --> 00:48:09,599

kind of believe

1491

00:48:13,190 --> 00:48:11,440

you may not need to go to the nth degree

1492

00:48:14,390 --> 00:48:13,200

but if you're a very skeptical person

1493

00:48:16,390 --> 00:48:14,400

and you're going to question stuff

1494

00:48:17,750 --> 00:48:16,400

after the fact then just go ahead and

1495

00:48:18,950 --> 00:48:17,760

have a friend make the appointment for

1496

00:48:20,150 --> 00:48:18,960

you and pay for you and then you can

1497

00:48:21,910 --> 00:48:20,160

reimburse them

1498

00:48:23,589 --> 00:48:21,920

and then when you get on you can reveal

1499

00:48:25,589 --> 00:48:23,599

you know hey my name is actually mark

1500

00:48:27,589 --> 00:48:25,599

steve couldn't make the call today sorry

1501
00:48:28,870 --> 00:48:27,599
i hope you're doing the reading for me

1502
00:48:30,870 --> 00:48:28,880
it's still going to go well if they're a

1503
00:48:32,230 --> 00:48:30,880
good medium so

1504
00:48:33,589 --> 00:48:32,240
i don't think that's always necessary

1505
00:48:34,870 --> 00:48:33,599
but if you're a skeptical type and

1506
00:48:35,910 --> 00:48:34,880
you're going to question the half of the

1507
00:48:37,349 --> 00:48:35,920
fact that

1508
00:48:38,870 --> 00:48:37,359
i've had people do that that have come

1509
00:48:40,150 --> 00:48:38,880
to me and said hey i want i want to go

1510
00:48:41,109 --> 00:48:40,160
to somebody good and i'll stare into

1511
00:48:42,710 --> 00:48:41,119
somebody good

1512
00:48:44,309 --> 00:48:42,720
and then they're like oh that was too

1513
00:48:46,950 --> 00:48:44,319

good you know they must

1514

00:48:47,510 --> 00:48:46,960

no they didn't but you didn't listen to

1515

00:48:49,589 --> 00:48:47,520

me

1516

00:48:52,230 --> 00:48:49,599

you know you if you're that tight that's

1517

00:48:54,150 --> 00:48:52,240

probably what you want to do

1518

00:48:56,309 --> 00:48:54,160

you know and i want to talk about a

1519

00:48:58,950 --> 00:48:56,319

little bit more about that type

1520

00:49:00,309 --> 00:48:58,960

because there is we're all different

1521

00:49:03,510 --> 00:49:00,319

types

1522

00:49:04,950 --> 00:49:03,520

and i i know this is like a little bit

1523

00:49:06,549 --> 00:49:04,960

controversial and probably piss some

1524

00:49:09,829 --> 00:49:06,559

people off but that's

1525

00:49:13,430 --> 00:49:09,839

that's okay the whole grief thing

1526

00:49:16,630 --> 00:49:13,440

is interesting to me because

1527

00:49:19,510 --> 00:49:16,640

i i i i have four kids

1528

00:49:20,790 --> 00:49:19,520

my wife and i love our kids we can't we

1529

00:49:23,589 --> 00:49:20,800

can't stand

1530

00:49:25,589 --> 00:49:23,599

the slightest little injury emotionally

1531

00:49:28,390 --> 00:49:25,599

or physically happening you know

1532

00:49:30,390 --> 00:49:28,400

so i can't imagine the loss i can't

1533

00:49:32,790 --> 00:49:30,400

imagine the grief

1534

00:49:33,510 --> 00:49:32,800

at the same time i don't do grief

1535

00:49:37,109 --> 00:49:33,520

because i

1536

00:49:38,870 --> 00:49:37,119

am so my i've it's a process it's really

1537

00:49:42,390 --> 00:49:38,880

a skeptical process

1538

00:49:44,470 --> 00:49:42,400

but i like have no doubt about the

1539

00:49:46,870 --> 00:49:44,480

survival of consciousness because of the

1540

00:49:50,230 --> 00:49:46,880

evidence because of scientific evidence

1541

00:49:52,470 --> 00:49:50,240

i have no doubt about the

1542

00:49:55,270 --> 00:49:52,480

afterlife as it's described in the dear

1543

00:49:57,510 --> 00:49:55,280

death experience and as it's described

1544

00:49:59,349 --> 00:49:57,520

from mediumistic readings although they

1545

00:50:00,549 --> 00:49:59,359

contradict i think there's a common

1546

00:50:03,910 --> 00:50:00,559

thread through there

1547

00:50:04,790 --> 00:50:03,920

so i don't want to put down anyone's

1548

00:50:07,510 --> 00:50:04,800

grief

1549

00:50:08,230 --> 00:50:07,520

but that's not me that's not what i'm

1550

00:50:11,270 --> 00:50:08,240

about

1551
00:50:14,710 --> 00:50:11,280
and i don't feel like i would totally be

1552
00:50:17,990 --> 00:50:14,720
in that mode if something happened

1553
00:50:20,309 --> 00:50:18,000
but so i just think

1554
00:50:22,069 --> 00:50:20,319
it's all part of this spiritual journey

1555
00:50:23,750 --> 00:50:22,079
i think that we enter in on

1556
00:50:26,069 --> 00:50:23,760
and i guess i just want to throw that

1557
00:50:26,630 --> 00:50:26,079
out there because i feel like that has

1558
00:50:29,829 --> 00:50:26,640
to be

1559
00:50:31,349 --> 00:50:29,839
okay too you know i love that you come

1560
00:50:33,990 --> 00:50:31,359
from a compassionate

1561
00:50:35,349 --> 00:50:34,000
heart place and that's the space that

1562
00:50:38,390 --> 00:50:35,359
you're trying to expand

1563
00:50:38,710 --> 00:50:38,400

and i am too and that can manifest in

1564

00:50:41,510 --> 00:50:38,720

you

1565

00:50:43,109 --> 00:50:41,520

one way and it can manifest in me in

1566

00:50:45,190 --> 00:50:43,119

another way of saying

1567

00:50:46,150 --> 00:50:45,200

you know i don't really resonate with

1568

00:50:49,510 --> 00:50:46,160

your

1569

00:50:51,109 --> 00:50:49,520

you know overwhelming sense of grief

1570

00:50:53,030 --> 00:50:51,119

either and that's okay that's your

1571

00:50:55,430 --> 00:50:53,040

journey but it's not my journey

1572

00:50:56,950 --> 00:50:55,440

do you get what i'm saying at all i do

1573

00:50:57,270 --> 00:50:56,960

but i think until you've been through

1574

00:51:01,430 --> 00:50:57,280

that

1575

00:51:04,390 --> 00:51:01,440

the other thing is

1576

00:51:06,230 --> 00:51:04,400

for us my wife and i healed way fast i

1577

00:51:07,829 --> 00:51:06,240

mean compared to other people

1578

00:51:08,950 --> 00:51:07,839

for a lot of people they're years into

1579

00:51:11,510 --> 00:51:08,960

this and they're still going through it

1580

00:51:14,470 --> 00:51:11,520

i'd say within two weeks we were

1581

00:51:15,589 --> 00:51:14,480

like 78 it was pretty phenomenal people

1582

00:51:17,349 --> 00:51:15,599

couldn't believe it but

1583

00:51:18,950 --> 00:51:17,359

it's because i had that knowledge in

1584

00:51:20,790 --> 00:51:18,960

that background that i do

1585

00:51:22,150 --> 00:51:20,800

just like you share that you have so i

1586

00:51:23,990 --> 00:51:22,160

think in your mind you think

1587

00:51:25,430 --> 00:51:24,000

i'm not going to agree because of that

1588

00:51:27,670 --> 00:51:25,440

but part of it is

1589

00:51:29,510 --> 00:51:27,680

there is a biological part component but

1590

00:51:31,829 --> 00:51:29,520

there's also

1591

00:51:32,790 --> 00:51:31,839

the sense that this is a major change

1592

00:51:34,069 --> 00:51:32,800

and my kid

1593

00:51:35,990 --> 00:51:34,079

i'm never going to be with them in the

1594

00:51:36,549 --> 00:51:36,000

same form they were in and not be able

1595

00:51:39,750 --> 00:51:36,559

to

1596

00:51:41,990 --> 00:51:39,760

that's a loss

1597

00:51:43,270 --> 00:51:42,000

so that part you may think you wouldn't

1598

00:51:45,109 --> 00:51:43,280

i think you would

1599

00:51:47,270 --> 00:51:45,119

but you would probably heal much faster

1600

00:51:49,109 --> 00:51:47,280

than most people

1601
00:51:51,349 --> 00:51:49,119
yeah i i hear you and maybe that came

1602
00:51:53,990 --> 00:51:51,359
off the wrong way because it's

1603
00:51:55,589 --> 00:51:54,000
i mean who it's it's not for certainly

1604
00:51:56,790 --> 00:51:55,599
not for me to say certainly not for me

1605
00:51:59,190 --> 00:51:56,800
to judge other people

1606
00:51:59,990 --> 00:51:59,200
and certainly not for me to predict how

1607
00:52:03,190 --> 00:52:00,000
i would

1608
00:52:06,150 --> 00:52:03,200
handle that situation what i'm just

1609
00:52:07,990 --> 00:52:06,160
exploring is the possibility that we

1610
00:52:08,870 --> 00:52:08,000
have to be open to the other side of

1611
00:52:11,670 --> 00:52:08,880
that too

1612
00:52:11,990 --> 00:52:11,680
which is you know let's not judge people

1613
00:52:15,190 --> 00:52:12,000

who

1614

00:52:17,349 --> 00:52:15,200
are experiencing it a different way

1615

00:52:19,109 --> 00:52:17,359
well just hanging on a little bit like

1616

00:52:20,309 --> 00:52:19,119
elizabeth boyson who's my partner in

1617

00:52:23,109 --> 00:52:20,319
this and she's president

1618

00:52:25,190 --> 00:52:23,119
of the organization she's so upbeat and

1619

00:52:26,870 --> 00:52:25,200
so positive and has been since her son

1620

00:52:30,309 --> 00:52:26,880
passed i mean right away

1621

00:52:32,630 --> 00:52:30,319
she felt him actually hug her

1622

00:52:34,470 --> 00:52:32,640
as she describes it at the time of his

1623

00:52:36,069 --> 00:52:34,480
passing like he was immediately there in

1624

00:52:38,309 --> 00:52:36,079
spirit form or whatever however you want

1625

00:52:39,190 --> 00:52:38,319
to say that but she's always so upbeat

1626
00:52:42,309 --> 00:52:39,200
people sometimes

1627
00:52:44,470 --> 00:52:42,319
question is she for real because

1628
00:52:45,430 --> 00:52:44,480
you got people that are deeply in grief

1629
00:52:46,950 --> 00:52:45,440
and i have been

1630
00:52:48,790 --> 00:52:46,960
they just don't understand how somebody

1631
00:52:50,870 --> 00:52:48,800
could get to that point

1632
00:52:52,230 --> 00:52:50,880
but you know everybody has their own

1633
00:52:55,270 --> 00:52:52,240
process and their own

1634
00:52:57,109 --> 00:52:55,280
way of dealing with stuff like that

1635
00:52:59,510 --> 00:52:57,119
i did an interview a few months back

1636
00:53:01,510 --> 00:52:59,520
with dr mark pittstick

1637
00:53:02,710 --> 00:53:01,520
who is a colleague of gary schwartz at

1638
00:53:04,230 --> 00:53:02,720

university arizona

1639

00:53:06,230 --> 00:53:04,240

and they're working on this project

1640

00:53:09,430 --> 00:53:06,240

called the soul phone

1641

00:53:11,349 --> 00:53:09,440

and i gave mark pretty hard time because

1642

00:53:12,870 --> 00:53:11,359

i i have some real issues in the way

1643

00:53:15,670 --> 00:53:12,880

that they present that

1644

00:53:16,549 --> 00:53:15,680

and the premise behind it and it it it

1645

00:53:17,910 --> 00:53:16,559

pops up again

1646

00:53:19,829 --> 00:53:17,920

even in some of the stuff that you're

1647

00:53:21,670 --> 00:53:19,839

talking about it's it's kind of this

1648

00:53:24,230 --> 00:53:21,680

god needs our help kind of thing you

1649

00:53:24,630 --> 00:53:24,240

know it's like we have to develop a cell

1650

00:53:26,870 --> 00:53:24,640

phone

1651
00:53:27,750 --> 00:53:26,880
technology so that we can communicate

1652
00:53:30,309 --> 00:53:27,760
with the dead

1653
00:53:32,309 --> 00:53:30,319
because god needs our help in developing

1654
00:53:33,430 --> 00:53:32,319
this technology for the future

1655
00:53:35,750 --> 00:53:33,440
and there's something about that that

1656
00:53:36,069 --> 00:53:35,760
just is like okay you know i can hear

1657
00:53:39,910 --> 00:53:36,079
that

1658
00:53:42,309 --> 00:53:39,920
really the case especially since

1659
00:53:43,829 --> 00:53:42,319
this kind of idea that god's needs are

1660
00:53:46,870 --> 00:53:43,839
healthy we've seen it

1661
00:53:49,910 --> 00:53:46,880
misapplied in so many different ways for

1662
00:53:50,549 --> 00:53:49,920
every war every scam artist every cult

1663
00:53:53,670 --> 00:53:50,559

leader

1664

00:53:54,390 --> 00:53:53,680

has kind of used the same thing on the

1665

00:53:57,510 --> 00:53:54,400

other hand

1666

00:54:01,910 --> 00:53:57,520

i don't discount the possibility that

1667

00:54:04,069 --> 00:54:01,920

technology is going to play a role in

1668

00:54:06,150 --> 00:54:04,079

whatever this connection we have is with

1669

00:54:09,349 --> 00:54:06,160

the extended consciousness realm

1670

00:54:10,309 --> 00:54:09,359

and if we understand or think anywhere

1671

00:54:12,549 --> 00:54:10,319

deeply about

1672

00:54:13,430 --> 00:54:12,559

near-death experience we see right off

1673

00:54:15,349 --> 00:54:13,440

the bat that there's

1674

00:54:17,069 --> 00:54:15,359

certainly a direct connection between

1675

00:54:19,670 --> 00:54:17,079

near-death experience and

1676

00:54:20,870 --> 00:54:19,680

resuscitation which is a medical

1677

00:54:23,270 --> 00:54:20,880

technology

1678

00:54:24,710 --> 00:54:23,280

more people are resuscitated than used

1679

00:54:27,030 --> 00:54:24,720

to be resuscitated

1680

00:54:29,510 --> 00:54:27,040

and there's better resuscitation so we

1681

00:54:30,230 --> 00:54:29,520

already have a technology link there to

1682

00:54:33,190 --> 00:54:30,240

deal with

1683

00:54:34,069 --> 00:54:33,200

but there are these two elements that we

1684

00:54:36,870 --> 00:54:34,079

have to kind of

1685

00:54:37,270 --> 00:54:36,880

weigh and i think that's what makes this

1686

00:54:39,510 --> 00:54:37,280

so

1687

00:54:40,549 --> 00:54:39,520

challenging if we're really willing to

1688

00:54:42,789 --> 00:54:40,559

engage

1689

00:54:44,710 --> 00:54:42,799

in the data you know and then the thing

1690

00:54:47,190 --> 00:54:44,720

that i really pushed mark on

1691

00:54:48,870 --> 00:54:47,200

was you know this is typical gary

1692

00:54:50,870 --> 00:54:48,880

schwartz i love gary schwartz

1693

00:54:52,309 --> 00:54:50,880

but he really riles a lot of people for

1694

00:54:53,990 --> 00:54:52,319

a lot of reasons

1695

00:54:56,150 --> 00:54:54,000

one of the things he comes through is

1696

00:54:57,190 --> 00:54:56,160

hey guys not only are we developing the

1697

00:54:59,349 --> 00:54:57,200

soul phone

1698

00:55:00,630 --> 00:54:59,359

but we have a whole group on the other

1699

00:55:03,750 --> 00:55:00,640

side that's helping us

1700

00:55:05,270 --> 00:55:03,760

they're the a team and like by the way

1701

00:55:07,829 --> 00:55:05,280

it includes michael jackson

1702

00:55:08,630 --> 00:55:07,839

he's an a team player isn't he and i'm

1703

00:55:10,789 --> 00:55:08,640

like

1704

00:55:13,030 --> 00:55:10,799

whoa i don't know a lot about michael

1705

00:55:14,069 --> 00:55:13,040

jackson but a little bit that i think i

1706

00:55:16,230 --> 00:55:14,079

know about

1707

00:55:17,349 --> 00:55:16,240

who he was on this side i want to put

1708

00:55:20,150 --> 00:55:17,359

him on my a

1709

00:55:21,030 --> 00:55:20,160

team so you know what what do you think

1710

00:55:23,589 --> 00:55:21,040

about

1711

00:55:24,390 --> 00:55:23,599

all of that that i just threw out there

1712

00:55:25,589 --> 00:55:24,400

i know mark

1713

00:55:27,829 --> 00:55:25,599

actually he actually has been ever

1714

00:55:29,510 --> 00:55:27,839

supportive of hph and writes articles

1715

00:55:31,910 --> 00:55:29,520

for our newsletter and so forth

1716

00:55:34,230 --> 00:55:31,920

he's a good guy but and i heard that

1717

00:55:35,109 --> 00:55:34,240

episode by the way so i got the gist of

1718

00:55:38,150 --> 00:55:35,119

it

1719

00:55:38,710 --> 00:55:38,160

i'm personally i don't think god needs

1720

00:55:40,950 --> 00:55:38,720

our help

1721

00:55:41,829 --> 00:55:40,960

i think things come together to help

1722

00:55:44,069 --> 00:55:41,839

people

1723

00:55:45,750 --> 00:55:44,079

and maybe a medium will help somebody

1724

00:55:47,670 --> 00:55:45,760

point they need it or whatever

1725

00:55:48,950 --> 00:55:47,680

do we need to go overboard in terms of

1726

00:55:50,630 --> 00:55:48,960

trying to control everything

1727

00:55:52,630 --> 00:55:50,640

i don't personally think so the cell

1728

00:55:55,349 --> 00:55:52,640

phone to me seems like a glorified

1729

00:55:57,829 --> 00:55:55,359

ouija board in a way like a mechanism

1730

00:56:02,309 --> 00:56:00,470

i don't i don't feel the same way about

1731

00:56:04,470 --> 00:56:02,319

that as i do having a

1732

00:56:05,670 --> 00:56:04,480

medium reading with somebody who's a

1733

00:56:07,829 --> 00:56:05,680

sincere

1734

00:56:09,349 --> 00:56:07,839

person as opposed to some device or

1735

00:56:10,789 --> 00:56:09,359

whatever i don't know

1736

00:56:12,549 --> 00:56:10,799

if they're able to have a breakthrough

1737

00:56:14,710 --> 00:56:12,559

and it helps folks

1738

00:56:16,470 --> 00:56:14,720

out and it does take us to the next step

1739

00:56:18,549 --> 00:56:16,480

fine it just

1740

00:56:19,990 --> 00:56:18,559

the way it's been described to me i i

1741

00:56:21,990 --> 00:56:20,000

don't know that it's

1742

00:56:23,349 --> 00:56:22,000

that it does it will do that maybe it

1743

00:56:26,470 --> 00:56:23,359

will

1744

00:56:29,829 --> 00:56:26,480

what do you think about technology

1745

00:56:31,670 --> 00:56:29,839

i'm really told that you know if i have

1746

00:56:32,069 --> 00:56:31,680

to come back to a bigger philosophical

1747

00:56:35,030 --> 00:56:32,079

view

1748

00:56:36,230 --> 00:56:35,040

of why i think we're here and and we go

1749

00:56:38,150 --> 00:56:36,240

through challenges in life

1750

00:56:39,990 --> 00:56:38,160

because i think we're here to refine

1751

00:56:43,270 --> 00:56:40,000

ourselves and to grow

1752

00:56:45,589 --> 00:56:43,280

and suffering is part of that so

1753

00:56:47,670 --> 00:56:45,599

i think we need little things to help us

1754

00:56:50,069 --> 00:56:47,680

carry on and get through

1755

00:56:51,190 --> 00:56:50,079

but i you know it's just like i'm trying

1756

00:56:53,109 --> 00:56:51,200

to think of a recent

1757

00:56:55,430 --> 00:56:53,119

interview you had where people talk

1758

00:56:57,190 --> 00:56:55,440

about suffering and challenges

1759

00:56:58,789 --> 00:56:57,200

and as though it's always a bad or

1760

00:57:01,589 --> 00:56:58,799

horrible thing and i think

1761

00:57:03,349 --> 00:57:01,599

that those help refine us so what's the

1762

00:57:07,349 --> 00:57:03,359

technology for

1763

00:57:10,950 --> 00:57:07,359

i'm torn it's tricky isn't it because

1764

00:57:13,430 --> 00:57:10,960

the idea that we need technology

1765

00:57:14,710 --> 00:57:13,440

and the technology is going to advance

1766

00:57:17,990 --> 00:57:14,720

us and that

1767

00:57:20,150 --> 00:57:18,000

there's this group your network or

1768

00:57:22,069 --> 00:57:20,160

gary schwartz's network that are

1769

00:57:25,109 --> 00:57:22,079

actively trying to get that new

1770

00:57:27,190 --> 00:57:25,119

app out it just doesn't ring true

1771

00:57:28,950 --> 00:57:27,200

to me and one of the ways it doesn't

1772

00:57:29,349 --> 00:57:28,960

ring true is because the whole thing

1773

00:57:32,630 --> 00:57:29,359

with

1774

00:57:34,630 --> 00:57:32,640

time i'm just not sure

1775

00:57:36,150 --> 00:57:34,640

you know let me ask you this question

1776

00:57:39,190 --> 00:57:36,160

straight up

1777

00:57:41,430 --> 00:57:39,200

do you think we are in a special time

1778

00:57:44,549 --> 00:57:41,440

right now

1779

00:57:47,510 --> 00:57:44,559

that's been put about by a lot of folks

1780

00:57:48,950 --> 00:57:47,520

i don't know i mean i think it's special

1781

00:57:53,030 --> 00:57:48,960

in that within the last

1782

00:57:56,470 --> 00:57:53,040

10 to 15 years people are more open to

1783

00:57:58,230 --> 00:57:56,480

this phenomena and there's much more

1784

00:57:59,510 --> 00:57:58,240

access to information about near-death

1785

00:58:03,430 --> 00:57:59,520

experiences

1786

00:58:05,670 --> 00:58:03,440

mediumship adcs deathbed communications

1787

00:58:08,470 --> 00:58:05,680

all these kinds of things

1788

00:58:10,150 --> 00:58:08,480

than ever before so in that way i'd say

1789

00:58:12,470 --> 00:58:10,160

yeah it's a different time it's it's a

1790

00:58:13,430 --> 00:58:12,480

it's a time of change and progress

1791

00:58:15,829 --> 00:58:13,440

towards hopefully

1792

00:58:17,190 --> 00:58:15,839

countering materialism and opening

1793

00:58:19,510 --> 00:58:17,200

people's minds

1794

00:58:21,510 --> 00:58:19,520

and i don't think that's going to happen

1795

00:58:22,150 --> 00:58:21,520

through academia you've been skeptical

1796

00:58:25,829 --> 00:58:22,160

about

1797

00:58:28,630 --> 00:58:25,839

a change within that whole realm

1798

00:58:30,309 --> 00:58:28,640

and dismantling materialism but i think

1799

00:58:31,670 --> 00:58:30,319

it can happen at the grassroots level

1800

00:58:32,470 --> 00:58:31,680

and that's where all these things play

1801
00:58:34,470 --> 00:58:32,480
in

1802
00:58:36,950 --> 00:58:34,480
if there's enough people who have an

1803
00:58:38,549 --> 00:58:36,960
experience or

1804
00:58:40,150 --> 00:58:38,559
are open to this or have read the

1805
00:58:41,829 --> 00:58:40,160
material

1806
00:58:43,190 --> 00:58:41,839
they don't maybe want their tax dollars

1807
00:58:45,750 --> 00:58:43,200
going to fund

1808
00:58:47,190 --> 00:58:45,760
the ongoing secular materialism and that

1809
00:58:48,710 --> 00:58:47,200
whole philosophy

1810
00:58:50,230 --> 00:58:48,720
that's happened at this point so from

1811
00:58:52,870 --> 00:58:50,240
that standpoint i think

1812
00:58:54,390 --> 00:58:52,880
it is a special time in a way i don't

1813
00:58:56,870 --> 00:58:54,400

think it's like

1814

00:58:58,710 --> 00:58:56,880

some people portray you know massive

1815

00:59:00,390 --> 00:58:58,720

shift in vibration and

1816

00:59:02,069 --> 00:59:00,400

people floating off or anything like

1817

00:59:03,910 --> 00:59:02,079

crazy like that

1818

00:59:05,109 --> 00:59:03,920

well it and i don't even know that

1819

00:59:07,109 --> 00:59:05,119

that's crazy

1820

00:59:08,470 --> 00:59:07,119

i think that's all on the table you know

1821

00:59:09,910 --> 00:59:08,480

one of the more interesting interviews i

1822

00:59:10,950 --> 00:59:09,920

did in the last couple years was with a

1823

00:59:13,430 --> 00:59:10,960

guy named

1824

00:59:14,549 --> 00:59:13,440

uh bruce fenton and his wife danny

1825

00:59:16,069 --> 00:59:14,559

fenton and they've done this

1826

00:59:18,069 --> 00:59:16,079

kind of amazing research and she's

1827

00:59:21,349 --> 00:59:18,079

incredibly psychic herself

1828

00:59:24,069 --> 00:59:21,359

but he's very much of an archaeology

1829

00:59:26,549 --> 00:59:24,079

get the evidence kind of guy researcher

1830

00:59:29,030 --> 00:59:26,559

780 000 year history

1831

00:59:29,670 --> 00:59:29,040

tektites in australia that match up with

1832

00:59:32,789 --> 00:59:29,680

the native

1833

00:59:36,549 --> 00:59:32,799

aboriginal people saying visitation

1834

00:59:37,670 --> 00:59:36,559

from aliens which anyone who isn't down

1835

00:59:39,670 --> 00:59:37,680

with that just you know

1836

00:59:42,390 --> 00:59:39,680

pick up the new york times please you

1837

00:59:44,150 --> 00:59:42,400

know pick up the washington post

1838

00:59:45,910 --> 00:59:44,160

i don't know what the real story is but

1839

00:59:47,589 --> 00:59:45,920

where they're leading us right now is

1840

00:59:48,390 --> 00:59:47,599

acknowledging the reality of all that

1841

00:59:51,829 --> 00:59:48,400

stuff

1842

00:59:53,990 --> 00:59:51,839

and it has to factor into

1843

00:59:55,750 --> 00:59:54,000

all this discussion we're having because

1844

00:59:59,109 --> 00:59:55,760

et is telepathic

1845

01:00:00,230 --> 00:59:59,119

e.t seems very connected in to this

1846

01:00:01,990 --> 01:00:00,240

extended realm

1847

01:00:03,829 --> 01:00:02,000

i wouldn't even say connected but they

1848

01:00:04,549 --> 01:00:03,839

have a different way apparently of

1849

01:00:06,630 --> 01:00:04,559

interfacing

1850

01:00:07,829 --> 01:00:06,640

this extended realm that's what all the

1851

01:00:10,630 --> 01:00:07,839

accounts say

1852

01:00:11,750 --> 01:00:10,640

but back to the time thing it just

1853

01:00:13,670 --> 01:00:11,760

shatters it take

1854

01:00:16,069 --> 01:00:13,680

uh michael cremo if you're familiar with

1855

01:00:18,630 --> 01:00:16,079

him though forbidden archaeology stuff

1856

01:00:20,069 --> 01:00:18,640

which is phenomenal phenomenal hard

1857

01:00:24,549 --> 01:00:20,079

science you know and

1858

01:00:26,309 --> 01:00:24,559

the minor 49ers guys are digging they're

1859

01:00:28,069 --> 01:00:26,319

digging digging digging away in the gold

1860

01:00:31,589 --> 01:00:28,079

mine and they find a hammer

1861

01:00:32,870 --> 01:00:31,599

buried in rock that's millions of years

1862

01:00:36,390 --> 01:00:32,880

old and it's a freaking

1863

01:00:39,270 --> 01:00:36,400

hammer and how did it so there is

1864

01:00:40,870 --> 01:00:39,280

a lot of evidence pointing to the idea

1865

01:00:43,589 --> 01:00:40,880

that the timeline

1866

01:00:45,670 --> 01:00:43,599

that we're operating under and part of

1867

01:00:47,750 --> 01:00:45,680

it is because our religious traditions

1868

01:00:48,870 --> 01:00:47,760

kind of box us into a very narrow

1869

01:00:52,789 --> 01:00:48,880

timeline

1870

01:00:54,069 --> 01:00:52,799

is completely unsustainable in terms of

1871

01:00:55,910 --> 01:00:54,079

the evidence we have

1872

01:00:58,069 --> 01:00:55,920

and that would push me in a completely

1873

01:01:01,270 --> 01:00:58,079

different direction regarding time

1874

01:01:02,950 --> 01:01:01,280

but i'm also with you in terms of

1875

01:01:06,230 --> 01:01:02,960

everything that you said

1876

01:01:08,870 --> 01:01:06,240

and then in terms of there does

1877

01:01:10,230 --> 01:01:08,880

seem to be an increased number of people

1878

01:01:11,190 --> 01:01:10,240

that are having these kinds of

1879

01:01:13,510 --> 01:01:11,200

experiences

1880

01:01:15,589 --> 01:01:13,520

and we can even point to technology that

1881

01:01:16,950 --> 01:01:15,599

would point to that you know there's not

1882

01:01:18,870 --> 01:01:16,960

only resuscitation

1883

01:01:20,470 --> 01:01:18,880

but for god shakes how can we get past

1884

01:01:22,390 --> 01:01:20,480

the genetic

1885

01:01:23,670 --> 01:01:22,400

revolution and the fact that we are on

1886

01:01:26,630 --> 01:01:23,680

the verge of being

1887

01:01:28,069 --> 01:01:26,640

the last humans i mean that is just

1888

01:01:30,470 --> 01:01:28,079

we're gene splicing

1889

01:01:31,670 --> 01:01:30,480

and you can't stop that that just is

1890

01:01:37,270 --> 01:01:31,680

going to happen

1891

01:01:38,230 --> 01:01:37,280

ludite who wants to bury your head in

1892

01:01:39,990 --> 01:01:38,240

the sand

1893

01:01:41,430 --> 01:01:40,000

but the rest of the world is going to

1894

01:01:45,109 --> 01:01:41,440

move on so

1895

01:01:48,309 --> 01:01:45,119

i'm torn on it i just i wish it was more

1896

01:01:49,270 --> 01:01:48,319

a real part of the conversation because

1897

01:01:53,270 --> 01:01:49,280

i think it gets

1898

01:01:55,670 --> 01:01:53,280

into very challenging bit of

1899

01:01:56,470 --> 01:01:55,680

subtlety about all this stuff that we're

1900

01:01:59,510 --> 01:01:56,480

talking about

1901

01:02:02,710 --> 01:01:59,520

do you have any thoughts on any of that

1902

01:02:04,069 --> 01:02:02,720

well the only thought i had

1903

01:02:06,309 --> 01:02:04,079

i was kind of drifting off just this

1904

01:02:07,589 --> 01:02:06,319

whole idea of some of these materialists

1905

01:02:09,589 --> 01:02:07,599

thinking like oh

1906

01:02:10,789 --> 01:02:09,599

i want to embed my consciousness in some

1907

01:02:13,829 --> 01:02:10,799

sort of

1908

01:02:16,309 --> 01:02:13,839

ai robot thing so i can live forever

1909

01:02:17,589 --> 01:02:16,319

because their view of what life is is

1910

01:02:18,950 --> 01:02:17,599

strictly materialist

1911

01:02:20,710 --> 01:02:18,960

i don't know how you do something like

1912

01:02:23,829 --> 01:02:20,720

that but

1913

01:02:24,710 --> 01:02:23,839

i don't know where ai is going or what's

1914

01:02:27,670 --> 01:02:24,720

going to happen

1915

01:02:30,150 --> 01:02:27,680

hopefully it could be useful to society

1916

01:02:32,710 --> 01:02:30,160

and to humanity and help us

1917

01:02:34,069 --> 01:02:32,720

repair some of the damage we've done but

1918

01:02:35,589 --> 01:02:34,079

i don't know i mean there

1919

01:02:37,670 --> 01:02:35,599

there are people with alternative

1920

01:02:39,270 --> 01:02:37,680

motives ulterior motives

1921

01:02:42,470 --> 01:02:39,280

potentially too that could steer it in

1922

01:02:45,910 --> 01:02:42,480

the wrong direction as long as we have

1923

01:02:47,430 --> 01:02:45,920

divisiveness and people who are

1924

01:02:49,670 --> 01:02:47,440

you know wanting to use it for other

1925

01:02:51,910 --> 01:02:49,680

reasons or against other cultures or

1926

01:02:53,510 --> 01:02:51,920

nations or whatever it could go the

1927

01:02:57,270 --> 01:02:53,520

wrong way so i

1928

01:03:00,630 --> 01:02:57,280

i just don't know well but

1929

01:03:02,870 --> 01:03:00,640

i is that far enough given what we know

1930

01:03:04,230 --> 01:03:02,880

you know you know that the show you know

1931

01:03:07,910 --> 01:03:04,240

we've covered the

1932

01:03:11,750 --> 01:03:07,920

mk ultra stuff extensively we are

1933

01:03:15,670 --> 01:03:11,760

mk ultra we are living that our society

1934

01:03:18,230 --> 01:03:15,680

united states of america we are

1935

01:03:19,910 --> 01:03:18,240

putting whitley strieber at nine years

1936

01:03:22,630 --> 01:03:19,920

old in a faraday cage

1937

01:03:24,150 --> 01:03:22,640

in order to create disassociative

1938

01:03:28,390 --> 01:03:24,160

identity disorder

1939

01:03:31,029 --> 01:03:28,400
because it creates an opening for

1940

01:03:32,549 --> 01:03:31,039
beings that occupy this extended

1941

01:03:35,109 --> 01:03:32,559
consciousness realm

1942

01:03:37,349 --> 01:03:35,119
and we don't understand the topography

1943

01:03:39,190 --> 01:03:37,359
of that extended consciousness realm

1944

01:03:40,870 --> 01:03:39,200
we can talk about the goodness and the

1945

01:03:43,430 --> 01:03:40,880
healing and all that stuff

1946

01:03:44,309 --> 01:03:43,440
but we don't understand the other forces

1947

01:03:49,990 --> 01:03:44,319
that

1948

01:03:50,470 --> 01:03:50,000
frequently on the show my interview with

1949

01:03:53,990 --> 01:03:50,480
dr

1950

01:03:56,470 --> 01:03:54,000
tom zinzer who was a psychologist

1951

01:03:57,510 --> 01:03:56,480

in who was a psychologist and

1952

01:03:59,109 --> 01:03:57,520

hypnotherapist

1953

01:04:00,870 --> 01:03:59,119

in grand rapids michigan before he

1954

01:04:03,910 --> 01:04:00,880

retired but

1955

01:04:05,589 --> 01:04:03,920

part of his whole experience

1956

01:04:07,750 --> 01:04:05,599

in counseling with people and he's a

1957

01:04:10,309 --> 01:04:07,760

people helper right he's trying to

1958

01:04:12,630 --> 01:04:10,319

help people overcome traumatic

1959

01:04:16,390 --> 01:04:12,640

experiences that have caused them to

1960

01:04:18,390 --> 01:04:16,400

have this kind of ego state separation

1961

01:04:20,150 --> 01:04:18,400

which we all have to some extent and we

1962

01:04:21,589 --> 01:04:20,160

can all relate to those different parts

1963

01:04:22,950 --> 01:04:21,599

of ourselves and he's trying to help

1964

01:04:24,710 --> 01:04:22,960

people integrate that i don't want to

1965

01:04:28,069 --> 01:04:24,720

digress too far

1966

01:04:28,870 --> 01:04:28,079

but sometimes the interference that's

1967

01:04:32,150 --> 01:04:28,880

coming

1968

01:04:35,270 --> 01:04:32,160

spirit

1969

01:04:37,589 --> 01:04:35,280

right that's what he reports so i

1970

01:04:38,390 --> 01:04:37,599

i think that again when we talk about

1971

01:04:40,630 --> 01:04:38,400

mediums

1972

01:04:43,190 --> 01:04:40,640

and we talk about all this stuff it's

1973

01:04:46,510 --> 01:04:43,200

like we have to broaden the conversation

1974

01:04:47,750 --> 01:04:46,520

and understand just the range of

1975

01:04:50,549 --> 01:04:47,760

possibilities

1976

01:04:51,910 --> 01:04:50,559

that exist out there so the the person

1977

01:04:54,710 --> 01:04:51,920

comes in and they're

1978

01:04:55,750 --> 01:04:54,720

anxious and they're having this anxiety

1979

01:04:58,870 --> 01:04:55,760

and this other stuff

1980

01:05:00,630 --> 01:04:58,880

and through his through his work and

1981

01:05:03,510 --> 01:05:00,640

through deep hypnosis

1982

01:05:04,390 --> 01:05:03,520

tom is able to discover that it is a

1983

01:05:07,029 --> 01:05:04,400

deceased

1984

01:05:08,870 --> 01:05:07,039

mother who's there who's causing that

1985

01:05:11,349 --> 01:05:08,880

and then he's able to bring

1986

01:05:12,549 --> 01:05:11,359

you can probably relate to this or we

1987

01:05:13,910 --> 01:05:12,559

don't know if it's true but we can

1988

01:05:16,230 --> 01:05:13,920

relate to the story

1989

01:05:18,390 --> 01:05:16,240

brings in the spirit guide brings in the

1990

01:05:20,950 --> 01:05:18,400

light helps reach the mother

1991

01:05:22,549 --> 01:05:20,960

helps show her that she needs to move on

1992

01:05:23,109 --> 01:05:22,559

and that this is really what needs to

1993

01:05:25,910 --> 01:05:23,119

happen

1994

01:05:27,589 --> 01:05:25,920

but this whole i don't want to call it a

1995

01:05:29,910 --> 01:05:27,599

story this whole bit of

1996

01:05:32,230 --> 01:05:29,920

evidence this whole bit of data puts a

1997

01:05:35,510 --> 01:05:32,240

completely different spin on it

1998

01:05:38,950 --> 01:05:35,520

as does the darkest part

1999

01:05:41,029 --> 01:05:38,960

of the mk ultra program we're like sure

2000

01:05:42,630 --> 01:05:41,039

bring in that demonic entity as long as

2001

01:05:43,910 --> 01:05:42,640

they'll do some work for us for the

2002

01:05:45,910 --> 01:05:43,920

united states government

2003

01:05:48,069 --> 01:05:45,920

as long as they'll do give us some stuff

2004

01:05:48,549 --> 01:05:48,079

yeah you can come in here you can invade

2005

01:05:50,870 --> 01:05:48,559

the

2006

01:05:52,069 --> 01:05:50,880

mental space and traumatize this child

2007

01:05:55,750 --> 01:05:52,079

no problem with me

2008

01:05:57,829 --> 01:05:55,760

let's see what we can get out of it yeah

2009

01:05:59,829 --> 01:05:57,839

i i agree with you that there's a higher

2010

01:06:02,950 --> 01:05:59,839

hierarchy of consciousness

2011

01:06:04,309 --> 01:06:02,960

and um if people dabble in this

2012

01:06:07,029 --> 01:06:04,319

and don't think about that it's a

2013

01:06:10,230 --> 01:06:07,039

mistake i mean the mediums that i know

2014

01:06:11,990 --> 01:06:10,240

all have a practice um

2015

01:06:13,990 --> 01:06:12,000

they're trying to get to a higher level

2016

01:06:17,349 --> 01:06:14,000

where they're guarding themselves

2017

01:06:20,150 --> 01:06:17,359

i mean i can't prove that this is how it

2018

01:06:21,589 --> 01:06:20,160

works but it seems to work because

2019

01:06:23,190 --> 01:06:21,599

the information they bring through is

2020

01:06:25,430 --> 01:06:23,200

healing and helpful it's not

2021

01:06:26,470 --> 01:06:25,440

for those kinds of purposes but yeah

2022

01:06:28,950 --> 01:06:26,480

there are other

2023

01:06:30,789 --> 01:06:28,960

i think other variations of the realms

2024

01:06:33,190 --> 01:06:30,799

that may be lower

2025

01:06:34,230 --> 01:06:33,200

in vibration consciousness whatever you

2026

01:06:36,309 --> 01:06:34,240

want to call it

2027

01:06:37,910 --> 01:06:36,319

that people might tap into and like you

2028

01:06:40,870 --> 01:06:37,920

said if they don't care

2029

01:06:41,589 --> 01:06:40,880

they open themselves up to potential

2030

01:06:43,990 --> 01:06:41,599

problems

2031

01:06:46,309 --> 01:06:44,000

associated with that what about the

2032

01:06:47,910 --> 01:06:46,319

scary part that the more we look the

2033

01:06:51,270 --> 01:06:47,920

deeper we look

2034

01:06:52,390 --> 01:06:51,280

into the jeffrey epsteins and gaslyne

2035

01:06:56,069 --> 01:06:52,400

maxwell

2036

01:06:57,430 --> 01:06:56,079

is that that is us that is the united

2037

01:07:00,230 --> 01:06:57,440

states of america

2038

01:07:01,349 --> 01:07:00,240

empire that is who we are that is how we

2039

01:07:03,910 --> 01:07:01,359

got on top

2040

01:07:04,950 --> 01:07:03,920

and that is how we will stay on top for

2041

01:07:07,029 --> 01:07:04,960

the next

2042

01:07:08,390 --> 01:07:07,039

however long we stay on top that's

2043

01:07:11,589 --> 01:07:08,400

unsettling

2044

01:07:14,950 --> 01:07:11,599

yeah how do we change that i mean

2045

01:07:15,270 --> 01:07:14,960

it's it's sad are we supposed to change

2046

01:07:18,069 --> 01:07:15,280

that

2047

01:07:19,270 --> 01:07:18,079

which gets back to this doing thing gets

2048

01:07:22,630 --> 01:07:19,280

back to my thing

2049

01:07:25,670 --> 01:07:22,640

world what world are we really about

2050

01:07:27,029 --> 01:07:25,680

trying to change this world or and and

2051

01:07:30,390 --> 01:07:27,039

again i relate it back to

2052

01:07:33,750 --> 01:07:30,400

i relate to your model let me try and

2053

01:07:36,950 --> 01:07:33,760

increase my ability to be compassionate

2054

01:07:39,750 --> 01:07:36,960

to the ones around me to the ones let me

2055

01:07:41,589 --> 01:07:39,760

see the whole thing let me look at the

2056

01:07:43,270 --> 01:07:41,599

abyss and understand that it's there

2057

01:07:45,589 --> 01:07:43,280

so that i can step over it not that i

2058

01:07:46,470 --> 01:07:45,599

can stare into it but let me not get

2059

01:07:49,430 --> 01:07:46,480

fooled into

2060

01:07:50,789 --> 01:07:49,440

that's my job is to develop a freaking

2061

01:07:54,069 --> 01:07:50,799

soul phone

2062

01:07:57,190 --> 01:07:54,079

no just you know i was talking to

2063

01:08:00,309 --> 01:07:57,200

dr evan alexander and terrific guy

2064

01:08:01,349 --> 01:08:00,319

i love what he's done and what he's been

2065

01:08:04,470 --> 01:08:01,359

through and

2066

01:08:06,710 --> 01:08:04,480

you know of course he's the guy wrote

2067

01:08:08,549 --> 01:08:06,720

the new york times bestselling book

2068

01:08:09,750 --> 01:08:08,559

oh what's the name of it he wrote for

2069

01:08:12,069 --> 01:08:09,760

heaven right

2070

01:08:14,069 --> 01:08:12,079

you're right you're right so it was you

2071

01:08:15,750 --> 01:08:14,079

know harvard neurosurgeon all this who

2072

01:08:18,709 --> 01:08:15,760

was put through the ringer

2073

01:08:19,349 --> 01:08:18,719

by whatever those cultural forces are

2074

01:08:22,870 --> 01:08:19,359

out there

2075

01:08:24,709 --> 01:08:22,880

that want to deny that you are more

2076

01:08:26,309 --> 01:08:24,719

that you have a connection that you're a

2077

01:08:27,990 --> 01:08:26,319

spiritual being whatever

2078

01:08:30,149 --> 01:08:28,000

that energy is and i think that energy

2079

01:08:32,070 --> 01:08:30,159

is very dark and very subtly dark

2080

01:08:34,309 --> 01:08:32,080

a lot of people don't see through it but

2081

01:08:36,229 --> 01:08:34,319

anyways i'm talking to

2082

01:08:37,590 --> 01:08:36,239

evan alexander and you don't get to be a

2083

01:08:39,990 --> 01:08:37,600

harvard neurosurgeon

2084

01:08:41,829 --> 01:08:40,000

without being a doer without being a get

2085

01:08:43,590 --> 01:08:41,839

the job done kind of thing

2086

01:08:45,829 --> 01:08:43,600

and i bounce this off and like you know

2087

01:08:48,470 --> 01:08:45,839

i struggle with it as kind of a non-dual

2088

01:08:50,070 --> 01:08:48,480

kind of yoga kind of person world what

2089

01:08:52,149 --> 01:08:50,080

world why are we trying to do

2090

01:08:53,510 --> 01:08:52,159

constantly because i'm a doer too you

2091

01:08:54,870 --> 01:08:53,520

know what you are too we're both

2092

01:08:57,430 --> 01:08:54,880

business guys

2093

01:08:58,870 --> 01:08:57,440

and he goes you know what i gotta back

2094

01:09:02,550 --> 01:08:58,880

up i gotta agree with you

2095

01:09:05,669 --> 01:09:02,560

my partner karen that's what she says

2096

01:09:07,349 --> 01:09:05,679

be the love you are

2097

01:09:08,709 --> 01:09:07,359

and i thought that was such an awesome

2098

01:09:11,749 --> 01:09:08,719

quote it's not

2099

01:09:13,430 --> 01:09:11,759

be love which is more doing it's just

2100

01:09:15,110 --> 01:09:13,440

that's what you are you're a spirit

2101

01:09:18,550 --> 01:09:15,120

being you're pure love

2102

01:09:21,349 --> 01:09:18,560

just allow that to be you don't

2103

01:09:21,829 --> 01:09:21,359

have to make a freaking soul phone it's

2104

01:09:25,430 --> 01:09:21,839

not

2105

01:09:28,709 --> 01:09:25,440

your the world isn't waiting

2106

01:09:30,309 --> 01:09:28,719

for you to do that i i don't know that

2107

01:09:32,229 --> 01:09:30,319

i could see both sides of it i just

2108

01:09:36,149 --> 01:09:32,239

throw that out there as potentially an

2109

01:09:39,430 --> 01:09:36,159

interesting topic to kind of hash out

2110

01:09:41,189 --> 01:09:39,440

yeah i think if all of us do our

2111

01:09:41,749 --> 01:09:41,199

individual parts and we all take that

2112

01:09:43,590 --> 01:09:41,759

path

2113

01:09:45,030 --> 01:09:43,600

then you can bring then change could

2114

01:09:46,950 --> 01:09:45,040

happen whether we think it's supposed to

2115

01:09:48,070 --> 01:09:46,960

happen or not but if we each are loving

2116

01:09:50,149 --> 01:09:48,080

and caring

2117

01:09:52,070 --> 01:09:50,159

and we're being that love like you said

2118

01:09:53,910 --> 01:09:52,080

i think that can have an exponential

2119

01:09:55,510 --> 01:09:53,920

effect it kind of goes back to the

2120

01:09:57,110 --> 01:09:55,520

grassroots kind of thing i've talked

2121

01:09:59,110 --> 01:09:57,120

about earlier

2122

01:10:00,229 --> 01:09:59,120

and maybe if we have this infrastructure

2123

01:10:02,790 --> 01:10:00,239

of our government

2124

01:10:04,149 --> 01:10:02,800

within the world that we're not going to

2125

01:10:06,310 --> 01:10:04,159

be able to change or whatever

2126
01:10:07,430 --> 01:10:06,320
then maybe that's the best approach

2127
01:10:10,709 --> 01:10:07,440
individually

2128
01:10:11,910 --> 01:10:10,719
collectively we treat people the right

2129
01:10:14,870 --> 01:10:11,920
way we show love

2130
01:10:16,070 --> 01:10:14,880
uh caring empathy compassion and that's

2131
01:10:17,910 --> 01:10:16,080
who we are

2132
01:10:21,030 --> 01:10:17,920
that's the best we can do maybe and

2133
01:10:23,350 --> 01:10:21,040
that's maybe that's good enough

2134
01:10:24,070 --> 01:10:23,360
yeah i i almost think it has to be good

2135
01:10:26,550 --> 01:10:24,080
enough

2136
01:10:27,910 --> 01:10:26,560
and i also always come back to the et

2137
01:10:29,189 --> 01:10:27,920
thing because

2138
01:10:31,750 --> 01:10:29,199

people who want to leave that out of the

2139

01:10:32,390 --> 01:10:31,760

equation it's like can't leave that out

2140

01:10:34,149 --> 01:10:32,400

of the equation

2141

01:10:35,590 --> 01:10:34,159

i don't know what to make of it i don't

2142

01:10:37,590 --> 01:10:35,600

have any special knowledge

2143

01:10:39,350 --> 01:10:37,600

i don't have any special connection

2144

01:10:41,510 --> 01:10:39,360

visitation information

2145

01:10:43,350 --> 01:10:41,520

any of that stuff i just look at the

2146

01:10:44,149 --> 01:10:43,360

data and the data is right there in your

2147

01:10:45,910 --> 01:10:44,159

face

2148

01:10:47,510 --> 01:10:45,920

but the one point that intrigues me

2149

01:10:50,630 --> 01:10:47,520

about that is

2150

01:10:53,750 --> 01:10:50,640

apparently where they're at in the

2151
01:10:54,470 --> 01:10:53,760
technology leap they could do whatever

2152
01:10:56,790 --> 01:10:54,480
they want

2153
01:10:57,750 --> 01:10:56,800
right i mean they disabled those nuclear

2154
01:11:01,270 --> 01:10:57,760
weapons

2155
01:11:04,070 --> 01:11:01,280
in wyoming or montana wherever they were

2156
01:11:05,510 --> 01:11:04,080
they can just as easily use them to to

2157
01:11:08,709 --> 01:11:05,520
do it and maybe some of them

2158
01:11:11,669 --> 01:11:08,719
are doing some very nefarious things

2159
01:11:12,070 --> 01:11:11,679
but i guess where i'm scaling that is on

2160
01:11:15,110 --> 01:11:12,080
the

2161
01:11:16,870 --> 01:11:15,120
hierarchy scale at any time god could

2162
01:11:17,270 --> 01:11:16,880
change everything right i mean that's

2163
01:11:19,590 --> 01:11:17,280

kind of

2164

01:11:21,110 --> 01:11:19,600

implied in this whole thing so again it

2165

01:11:23,030 --> 01:11:21,120

gets back to be

2166

01:11:24,630 --> 01:11:23,040

i think i just want to take my foot off

2167

01:11:28,070 --> 01:11:24,640

the gas of the

2168

01:11:31,189 --> 01:11:28,080

i need to be the change agent

2169

01:11:32,870 --> 01:11:31,199

i do need to do everything that feels

2170

01:11:35,669 --> 01:11:32,880

like the right thing

2171

01:11:37,990 --> 01:11:35,679

for me at the moment but i wonder if i

2172

01:11:41,110 --> 01:11:38,000

really need to think that

2173

01:11:43,990 --> 01:11:41,120

i'm the doer you know rather than just

2174

01:11:45,510 --> 01:11:44,000

being it's an interesting dichotomy in

2175

01:11:47,990 --> 01:11:45,520

this world because

2176
01:11:49,590 --> 01:11:48,000
i think you have to have enough ego for

2177
01:11:51,350 --> 01:11:49,600
certain things to happen

2178
01:11:53,750 --> 01:11:51,360
but at the same time that's not really

2179
01:11:55,590 --> 01:11:53,760
who we are it's part of manifesting

2180
01:11:59,669 --> 01:11:55,600
something in the world that maybe

2181
01:12:01,669 --> 01:11:59,679
has to has to unfold so

2182
01:12:03,990 --> 01:12:01,679
maybe it's a balance between those i'm

2183
01:12:07,189 --> 01:12:04,000
not sure

2184
01:12:10,149 --> 01:12:07,199
you keep

2185
01:12:12,229 --> 01:12:10,159
going forward so where where do you see

2186
01:12:12,630 --> 01:12:12,239
yourself going forward from here what's

2187
01:12:16,310 --> 01:12:12,640
gonna

2188
01:12:18,310 --> 01:12:16,320

you're doing

2189

01:12:20,310 --> 01:12:18,320

well once i quit the corporate world

2190

01:12:22,870 --> 01:12:20,320

hopefully before too long i mean i'm

2191

01:12:24,390 --> 01:12:22,880

getting there i would like to invest

2192

01:12:25,990 --> 01:12:24,400

more time with the helping parents the

2193

01:12:29,270 --> 01:12:26,000

organization

2194

01:12:31,189 --> 01:12:29,280

to do even more for people and to expand

2195

01:12:32,870 --> 01:12:31,199

for people whose needs aren't being met

2196

01:12:35,350 --> 01:12:32,880

that have that need

2197

01:12:36,950 --> 01:12:35,360

and i'm writing another book now that's

2198

01:12:39,510 --> 01:12:36,960

more about what it was like growing up

2199

01:12:41,189 --> 01:12:39,520

with the father that i had

2200

01:12:42,630 --> 01:12:41,199

and then sharing some of those insights

2201

01:12:45,430 --> 01:12:42,640

and stories

2202

01:12:47,510 --> 01:12:45,440

i would like to you know continue that

2203

01:12:49,990 --> 01:12:47,520

certification process for the mediums

2204

01:12:51,350 --> 01:12:50,000

maybe get back to you and see if we can

2205

01:12:52,470 --> 01:12:51,360

do an experiment with that that would be

2206

01:12:54,149 --> 01:12:52,480

kind of cool

2207

01:12:55,510 --> 01:12:54,159

we can even see if we can pull in

2208

01:12:57,430 --> 01:12:55,520

skeptical

2209

01:12:59,669 --> 01:12:57,440

listeners but if we can share some of

2210

01:13:00,870 --> 01:12:59,679

that i think you can figure out how to

2211

01:13:04,390 --> 01:13:00,880

format that

2212

01:13:06,149 --> 01:13:04,400

yeah um and then you know on a personal

2213

01:13:07,669 --> 01:13:06,159

level i like to travel i look forward to

2214

01:13:10,310 --> 01:13:07,679

traveling overseas again

2215

01:13:11,750 --> 01:13:10,320

and i'm a grandfather father now and

2216

01:13:13,430 --> 01:13:11,760

spend more time with my

2217

01:13:14,790 --> 01:13:13,440

baby granddaughter and the other one

2218

01:13:17,430 --> 01:13:14,800

that's on the way

2219

01:13:18,790 --> 01:13:17,440

so those are some of the aspirations i

2220

01:13:20,390 --> 01:13:18,800

have for the future

2221

01:13:21,910 --> 01:13:20,400

and as you know i like to do a lot of

2222

01:13:24,229 --> 01:13:21,920

different things i play guitar

2223

01:13:25,830 --> 01:13:24,239

i like to write songs i like to write

2224

01:13:28,790 --> 01:13:25,840

books

2225

01:13:30,830 --> 01:13:28,800

i'm slow at doing it but when you when

2226

01:13:32,390 --> 01:13:30,840

you're dabbling in a lot of areas it's

2227

01:13:35,350 --> 01:13:32,400

uh

2228

01:13:36,470 --> 01:13:35,360

can take time but i just enjoy people i

2229

01:13:38,470 --> 01:13:36,480

enjoy

2230

01:13:40,390 --> 01:13:38,480

like your podcast just opening up my

2231

01:13:41,830 --> 01:13:40,400

mind to new perspectives and hearing the

2232

01:13:44,070 --> 01:13:41,840

guests that you have and

2233

01:13:45,510 --> 01:13:44,080

where they're coming from i enjoy that

2234

01:13:47,750 --> 01:13:45,520

and i'm even doing

2235

01:13:49,350 --> 01:13:47,760

with gordon smith right now a mediumship

2236

01:13:50,790 --> 01:13:49,360

development course so i'm going through

2237

01:13:52,310 --> 01:13:50,800

that myself

2238

01:13:53,990 --> 01:13:52,320

just to see what's there because i've

2239

01:13:55,990 --> 01:13:54,000

actually had some of my own experiences

2240

01:13:58,070 --> 01:13:56,000

i mean coming from the lineage i have

2241

01:14:00,310 --> 01:13:58,080

as julie baichel notes you know it's

2242

01:14:01,910 --> 01:14:00,320

often a hereditary thing and i've had

2243

01:14:04,550 --> 01:14:01,920

some pretty crazy stuff

2244

01:14:05,990 --> 01:14:04,560

that you know validated i i do have this

2245

01:14:06,870 --> 01:14:06,000

at some level i've just not really

2246

01:14:09,669 --> 01:14:06,880

sought

2247

01:14:10,950 --> 01:14:09,679

to bring it out or do that and i think

2248

01:14:14,070 --> 01:14:10,960

if i ever did it would

2249

01:14:15,030 --> 01:14:14,080

kind of shift you know um the

2250

01:14:17,350 --> 01:14:15,040

perspective on

2251

01:14:19,430 --> 01:14:17,360

who i am and what i'm doing today

2252

01:14:22,630 --> 01:14:19,440

because then you can no longer be this

2253

01:14:23,270 --> 01:14:22,640

impartial person who's who's writing

2254

01:14:26,470 --> 01:14:23,280

about this

2255

01:14:30,950 --> 01:14:26,480

and everything yeah i wanted to mention

2256

01:14:34,310 --> 01:14:30,960

that we've kind of touched on this but

2257

01:14:37,430 --> 01:14:34,320

you really have throughout your journey

2258

01:14:39,110 --> 01:14:37,440

opened yourself up to a lot of thanks

2259

01:14:40,630 --> 01:14:39,120

i i love the story i was hoping we could

2260

01:14:42,630 --> 01:14:40,640

get to the story on the

2261

01:14:43,910 --> 01:14:42,640

chakra centering story is just an

2262

01:14:46,390 --> 01:14:43,920

amazing story but

2263

01:14:48,070 --> 01:14:46,400

we'll leave that for people to pick up

2264

01:14:50,550 --> 01:14:48,080

messages from the afterlife

2265

01:14:52,070 --> 01:14:50,560

a book that describes that and a lot of

2266

01:14:54,149 --> 01:14:52,080

other encounters and

2267

01:14:55,350 --> 01:14:54,159

you are definitely someone who's living

2268

01:14:57,830 --> 01:14:55,360

through

2269

01:14:58,709 --> 01:14:57,840

that spiritual growth in a very real way

2270

01:15:01,430 --> 01:14:58,719

and people

2271

01:15:02,229 --> 01:15:01,440

also should check out your psychic

2272

01:15:04,229 --> 01:15:02,239

potential

2273

01:15:05,510 --> 01:15:04,239

very very interesting we look forward to

2274

01:15:07,669 --> 01:15:05,520

hearing more about

2275

01:15:10,229 --> 01:15:07,679

your relationship with your dad and what

2276

01:15:13,510 --> 01:15:10,239

that was like growing up and then

2277

01:15:15,910 --> 01:15:13,520

you know i think the the twist there is

2278

01:15:17,910 --> 01:15:15,920

you don't go in that direction you know

2279

01:15:18,950 --> 01:15:17,920

and then you're pulled in that direction

2280

01:15:21,030 --> 01:15:18,960

and

2281

01:15:22,149 --> 01:15:21,040

that whole thing has got to unfold

2282

01:15:24,550 --> 01:15:22,159

itself so

2283

01:15:25,669 --> 01:15:24,560

a lot to stay in touch with and keep

2284

01:15:27,669 --> 01:15:25,679

track of so

2285

01:15:28,870 --> 01:15:27,679

it's been absolutely terrific having you

2286

01:15:32,310 --> 01:15:28,880

on mark thanks again

2287

01:15:33,990 --> 01:15:32,320

for joining me i had fun thanks again to

2288

01:15:34,709 --> 01:15:34,000

mark arlen for joining me today on

2289

01:15:36,790 --> 01:15:34,719

skeptico

2290

01:15:38,229 --> 01:15:36,800

the one question i'd have to tee up from

2291

01:15:40,709 --> 01:15:38,239

this interview is

2292

01:15:41,270 --> 01:15:40,719

do you think technology has a role to

2293

01:15:44,390 --> 01:15:41,280

play

2294

01:15:45,590 --> 01:15:44,400

in after death communication let me know

2295

01:15:46,550 --> 01:15:45,600

your thoughts track me down in the

2296

01:15:49,510 --> 01:15:46,560

skeptical forum

2297

01:15:49,910 --> 01:15:49,520

email me find me however you're guided

2298

01:15:54,149 --> 01:15:49,920

to
