#517-JOE-ATWILL

1
00:00:03,590 --> 00:00:01,910
i've seen you be half a million dollars

2
00:00:07,510 --> 00:00:03,600
up

3
00:00:09,110 --> 00:00:07,520
dollars what do you got on you

4
00:00:12,310 --> 00:00:09,120
nothing

5
00:00:13,509 --> 00:00:12,320
that's john goodman the gambler 2014 and

6
00:00:16,710 --> 00:00:13,519
that has to be probably one of the

7
00:00:19,990 --> 00:00:16,720
greatest skeptico movie clips

8
00:00:21,670 --> 00:00:20,000
of all time and if you are struggling

9
00:00:23,990 --> 00:00:21,680
which you might be once you get to the

10
00:00:26,390 --> 00:00:24,000
end of the show to try and figure out

11
00:00:29,509 --> 00:00:26,400
how that fits with my upcoming very

12
00:00:31,349 --> 00:00:29,519
excellent interview with joe atwell and

13
00:00:33,270 --> 00:00:31,359

our first of what i hope will be an

14

00:00:36,069 --> 00:00:33,280

ongoing series of dialogues about

15

00:00:38,630 --> 00:00:36,079

caesar's messiah 2.0 well if you're

16

00:00:40,310 --> 00:00:38,640

wondering how this fits well then you're

17

00:00:41,430 --> 00:00:40,320

probably going to have to keep wondering

18

00:00:42,630 --> 00:00:41,440

here's a clip from the upcoming

19

00:00:46,029 --> 00:00:42,640

interview

20

00:00:48,470 --> 00:00:46,039

i'm not going to legitimize your

21

00:00:52,310 --> 00:00:48,480

misrepresentation of the facts

22

00:00:53,750 --> 00:00:52,320

by agreeing to disagree i don't like to

23

00:00:55,750 --> 00:00:53,760

the point where we simply agree to

24

00:00:58,229 --> 00:00:55,760

disagree if i

25

00:01:00,630 --> 00:00:58,239

you know had a philosophy it would be

26
00:01:02,869 --> 00:01:00,640
the socratic method you don't try to win

27
00:01:04,710 --> 00:01:02,879
but you don't try to shy away from

28
00:01:06,950 --> 00:01:04,720
difficult subjects either

29
00:01:09,429 --> 00:01:06,960
i think a lot of times the expression is

30
00:01:11,109 --> 00:01:09,439
used just because someone either feels

31
00:01:14,149 --> 00:01:11,119
they're going to lose

32
00:01:15,990 --> 00:01:14,159
or they are simply you know dislike the

33
00:01:17,429 --> 00:01:16,000
individual that that they're exchanging

34
00:01:19,030 --> 00:01:17,439
with they just want to end the you know

35
00:01:21,429 --> 00:01:19,040
the conversation

36
00:01:22,390 --> 00:01:21,439
okay and because i'm always about level

37
00:01:28,070 --> 00:01:22,400
three

38
00:01:29,590 --> 00:01:28,080

put away nothing

39

00:01:31,830 --> 00:01:29,600

you hit up two and a half million

40

00:01:33,350 --> 00:01:31,840

dollars any [h__h] in the world knows

41

00:01:35,990 --> 00:01:33,360

what to do you get a house with a

42

00:01:38,149 --> 00:01:36,000

25-year roof an indestructible [h__h]

43

00:01:39,670 --> 00:01:38,159

economy [h__h] box you put the rest into

44

00:01:41,510 --> 00:01:39,680

the system of three to five percent to

45

00:01:43,429 --> 00:01:41,520

pay your taxes and that's your base get

46

00:01:45,429 --> 00:01:43,439

me that's your fortress of [h__h]

47

00:01:48,630 --> 00:01:45,439

solitude and that puts you for the rest

48

00:01:50,310 --> 00:01:48,640

of your life at a level of [h__h] you

49

00:01:52,710 --> 00:01:50,320

somebody wants you to do something [h__h]

50

00:01:55,350 --> 00:01:52,720

51

you're a king

54

man in california

58
00:02:12,630 --> 00:02:10,800
does he drink what he wants i have a

59
00:02:13,750 --> 00:02:12,640
beer just like anybody else thank you

60

any kind you got 37 beers don't [\h__\h]

62
00:02:22,949 --> 00:02:17,360
put it on me

63
00:02:22,959 --> 00:02:27,670

what do you want to be able to say to me

64

00:02:27,680 --> 00:02:31,030

[h__h] you

65

00:02:37,270 --> 00:02:32,949

thanks for indulging me i have a great

66

00:02:39,190 --> 00:02:37,280

interview with the excellent joe atwell

67

00:02:41,430 --> 00:02:39,200

welcome to skeptica where we explore

68

00:02:44,070 --> 00:02:41,440

controversial science and spirituality

69

00:02:46,070 --> 00:02:44,080

with leading researchers thinkers

70

00:02:49,750 --> 00:02:46,080

and their critics i'm your host alex

71

00:02:51,750 --> 00:02:49,760

sacaris and today we welcome back joseph

72

00:02:53,589 --> 00:02:51,760

atwell to skeptico

73

00:02:56,309 --> 00:02:53,599

if you've listened to this show a little

74

00:02:58,550 --> 00:02:56,319

bit then you know that joe

75

00:03:00,309 --> 00:02:58,560

is one of my

76

00:03:02,149 --> 00:03:00,319

favorite guests somebody i really

77

00:03:03,350 --> 00:03:02,159

respect and has

78

00:03:06,070 --> 00:03:03,360

really

79

00:03:08,309 --> 00:03:06,080

in some very important ways

80

00:03:09,990 --> 00:03:08,319

has been a significant influence to my

81

00:03:13,030 --> 00:03:10,000

worldview as i've been going along and

82

00:03:14,949 --> 00:03:13,040

doing these skeptico interviews so joe

83

00:03:18,949 --> 00:03:14,959

of course is the author of caesar's

84

00:03:19,990 --> 00:03:18,959

messiah the roman conspiracy to invent

85

00:03:23,110 --> 00:03:20,000

jesus

86

00:03:26,869 --> 00:03:23,120

a book that had really i think a very

87

00:03:30,550 --> 00:03:26,879

very big impact on biblical scholars

88

00:03:32,869 --> 00:03:30,560

historians as well as just a ton of

89

00:03:34,309 --> 00:03:32,879

average everyday people who read the

90

00:03:36,630 --> 00:03:34,319

book and were

91

00:03:38,710 --> 00:03:36,640

just incredibly impressed blown away

92

00:03:40,149 --> 00:03:38,720

like i was by

93

00:03:42,229 --> 00:03:40,159

the research

94

00:03:44,390 --> 00:03:42,239

this is basically

95

00:03:46,550 --> 00:03:44,400

a testament to the

96

00:03:47,589 --> 00:03:46,560

one man can make a difference kind of

97

00:03:49,750 --> 00:03:47,599

theory

98

00:03:51,670 --> 00:03:49,760

which is kind of an interesting point in

99

00:03:53,670 --> 00:03:51,680

history because that's being debated in

100

00:03:55,509 --> 00:03:53,680

history right now even when you think of

101
00:03:57,190 --> 00:03:55,519
all the great figures in history it

102
00:03:59,830 --> 00:03:57,200
shouldn't be a debate that you know one

103
00:04:02,789 --> 00:03:59,840
person can make a difference well in a

104
00:04:03,990 --> 00:04:02,799
smaller way but in a very significant

105
00:04:06,789 --> 00:04:04,000
way

106
00:04:08,630 --> 00:04:06,799
joe researching on his own not with a

107
00:04:11,750 --> 00:04:08,640
team of

108
00:04:13,750 --> 00:04:11,760
oxford phd candidates who are running

109
00:04:15,270 --> 00:04:13,760
around and doing all his research for

110
00:04:18,069 --> 00:04:15,280
him or anything like that

111
00:04:20,629 --> 00:04:18,079
on his own came up with a very unique

112
00:04:23,670 --> 00:04:20,639
analysis based on his research which he

113
00:04:25,430 --> 00:04:23,680

documents in the book of the conspiracy

114

00:04:28,710 --> 00:04:25,440

or the alleged conspiracy that might

115

00:04:31,749 --> 00:04:28,720

exist between the roman empire and the

116

00:04:34,629 --> 00:04:31,759

creation of the christian church so

117

00:04:36,710 --> 00:04:34,639

just to kind of further

118

00:04:39,270 --> 00:04:36,720

wrap up this story because i have had

119

00:04:40,310 --> 00:04:39,280

joe on several times ever since i talked

120

00:04:42,629 --> 00:04:40,320

to joe

121

00:04:44,550 --> 00:04:42,639

it's been one of my missions because it

122

00:04:48,150 --> 00:04:44,560

was so significant to me

123

00:04:50,230 --> 00:04:48,160

to really continue to test his theory

124

00:04:52,469 --> 00:04:50,240

and my way of testing is interviewing

125

00:04:53,749 --> 00:04:52,479

other people so at this point i've

126

00:04:54,870 --> 00:04:53,759

interviewed

127

00:04:57,189 --> 00:04:54,880

oh

128

00:04:59,510 --> 00:04:57,199

a lot uh five ten

129

00:05:01,189 --> 00:04:59,520

world-class biblical scholars people

130

00:05:04,390 --> 00:05:01,199

with phds

131

00:05:07,749 --> 00:05:04,400

teaching positions at major universities

132

00:05:10,710 --> 00:05:07,759

written books and i always bring up the

133

00:05:12,150 --> 00:05:10,720

caesar's messiah theory and not everyone

134

00:05:14,870 --> 00:05:12,160

agrees

135

00:05:17,749 --> 00:05:14,880

but no one's able to counter it in any

136

00:05:20,310 --> 00:05:17,759

significant way and i've also found that

137

00:05:22,710 --> 00:05:20,320

that's really the way to tell whether or

138

00:05:24,790 --> 00:05:22,720

not somebody has the goods

139

00:05:25,749 --> 00:05:24,800

it's not whether everyone agrees with

140

00:05:27,670 --> 00:05:25,759

them

141

00:05:30,870 --> 00:05:27,680

it's whether they can

142

00:05:33,350 --> 00:05:30,880

put up a better counter argument and i

143

00:05:35,749 --> 00:05:33,360

still haven't heard one and i

144

00:05:37,270 --> 00:05:35,759

i always have to add as a caveat

145

00:05:40,629 --> 00:05:37,280

joe and i take

146

00:05:43,430 --> 00:05:40,639

his groundbreaking fundamental paradigm

147

00:05:46,390 --> 00:05:43,440

shifting research in some significantly

148

00:05:48,150 --> 00:05:46,400

different ways so i don't want to sound

149

00:05:49,749 --> 00:05:48,160

like i'm contradicting myself because i

150

00:05:51,270 --> 00:05:49,759

don't agree with joe and everything and

151

00:05:55,189 --> 00:05:51,280

that might be part of our discussion

152

00:05:56,870 --> 00:05:55,199

here but the the paradigm shift that he

153

00:05:59,110 --> 00:05:56,880

has brought to us

154

00:06:02,550 --> 00:05:59,120

by really combining

155

00:06:05,270 --> 00:06:02,560

a deep deep understanding of conspiracy

156

00:06:07,350 --> 00:06:05,280

and conspiracy science if we could even

157

00:06:10,150 --> 00:06:07,360

say that social engineering

158

00:06:11,350 --> 00:06:10,160

parapolitical how that has always been

159

00:06:14,790 --> 00:06:11,360

in play

160

00:06:18,230 --> 00:06:14,800

and the enormous impact it can have on

161

00:06:19,029 --> 00:06:18,240

history and institutions and

162

00:06:21,909 --> 00:06:19,039

with

163

00:06:23,909 --> 00:06:21,919

the structure of our society as we

164

00:06:26,070 --> 00:06:23,919

understand it well

165

00:06:28,950 --> 00:06:26,080

joe's unique understanding of that is

166

00:06:30,950 --> 00:06:28,960

just phenomenal and that's why

167

00:06:32,950 --> 00:06:30,960

i'm sorry to go on and on but that's why

168

00:06:35,350 --> 00:06:32,960

i'm so excited to have you back and to

169

00:06:36,950 --> 00:06:35,360

connect with you again joe so thanks for

170

00:06:38,070 --> 00:06:36,960

being here i'm really looking forward to

171

00:06:40,790 --> 00:06:38,080

this

172

00:06:42,790 --> 00:06:40,800

wow thank you alex um

173

00:06:44,390 --> 00:06:42,800

i uh after that introduction maybe i

174

00:06:46,390 --> 00:06:44,400

should just not say anything for the

175

00:06:48,629 --> 00:06:46,400

rest of the show now thank you so much

176

00:06:50,950 --> 00:06:48,639

that's very kind of you um

177

00:06:53,909 --> 00:06:50,960

yeah i mean uh the caesar's messiah has

178

00:06:56,469 --> 00:06:53,919

really been a strange um

179

00:06:58,790 --> 00:06:56,479

sort of academic phenomena because

180

00:07:01,189 --> 00:06:58,800

it it has become more and more popular

181

00:07:04,469 --> 00:07:01,199

through time um most of the you know

182

00:07:05,430 --> 00:07:04,479

like the typical academic research

183

00:07:06,550 --> 00:07:05,440

books

184

00:07:08,950 --> 00:07:06,560

fade

185

00:07:10,629 --> 00:07:08,960

um but siege of messiah just gets more

186

00:07:11,830 --> 00:07:10,639

and more popular and this is simply

187

00:07:13,430 --> 00:07:11,840

because

188

00:07:15,589 --> 00:07:13,440

um

189

00:07:17,589 --> 00:07:15,599

you know it it just is a very strong

190

00:07:19,749 --> 00:07:17,599

argument and people can can understand

191

00:07:21,749 --> 00:07:19,759

it a lot of the um

192

00:07:24,790 --> 00:07:21,759

new testament scholarship uh like the

193

00:07:26,629 --> 00:07:24,800

classic mythicism concepts you know are

194

00:07:28,550 --> 00:07:26,639

plausible but they're so esoteric so

195

00:07:31,110 --> 00:07:28,560

hard to understand that it's hard for me

196

00:07:32,710 --> 00:07:31,120

to imagine the public would ever

197

00:07:34,309 --> 00:07:32,720

change their opinion regarding the

198

00:07:36,230 --> 00:07:34,319

historicity or

199

00:07:38,309 --> 00:07:36,240

you know the origins of christianity

200

00:07:41,029 --> 00:07:38,319

with with that kind of analysis

201
00:07:42,710 --> 00:07:41,039
but the analysis in caesar's messiah is

202
00:07:44,230 --> 00:07:42,720
different in that

203
00:07:46,309 --> 00:07:44,240
i would describe it basically as

204
00:07:47,270 --> 00:07:46,319
archaeologic in other words

205
00:07:49,749 --> 00:07:47,280
um

206
00:07:52,309 --> 00:07:49,759
in at its core i don't really get

207
00:07:53,749 --> 00:07:52,319
involved that much with

208
00:07:55,909 --> 00:07:53,759
you know the the system that i've

209
00:07:58,950 --> 00:07:55,919
discovered i simply present the system i

210
00:08:01,670 --> 00:07:58,960
simply lay the text side by side

211
00:08:03,029 --> 00:08:01,680
and just ask the reader to make up their

212
00:08:05,670 --> 00:08:03,039
own mind whether or not there's

213
00:08:07,990 --> 00:08:05,680

dependency and since in my opinion this

214

00:08:09,909 --> 00:08:08,000

is just completely obvious that that one

215

00:08:13,110 --> 00:08:09,919

story the story of jesus is based on

216

00:08:14,790 --> 00:08:13,120

this other story tip to stern um then

217

00:08:16,150 --> 00:08:14,800

the the conclusion

218

00:08:18,629 --> 00:08:16,160

you know that i reached that it is a

219

00:08:19,670 --> 00:08:18,639

typologic story that it actually is a

220

00:08:22,469 --> 00:08:19,680

roman

221

00:08:24,309 --> 00:08:22,479

caesar vanity piece um you know these

222

00:08:25,110 --> 00:08:24,319

things become more and more self-evident

223

00:08:26,790 --> 00:08:25,120

but

224

00:08:29,749 --> 00:08:26,800

it it um

225

00:08:32,389 --> 00:08:29,759

it always uh surprises me i suppose uh

226

00:08:35,430 --> 00:08:32,399

even at this point uh you know how how

227

00:08:37,589 --> 00:08:35,440

popular the book has been and is and

228

00:08:39,829 --> 00:08:37,599

this just as an example this month was

229

00:08:40,949 --> 00:08:39,839

the highest selling sales month of the

230

00:08:43,990 --> 00:08:40,959

book

231

00:08:47,110 --> 00:08:44,000

20 years after i brought it out so

232

00:08:49,750 --> 00:08:47,120

it seems like it has a life and uh

233

00:08:51,990 --> 00:08:49,760

and and of course now with uh with our

234

00:08:53,190 --> 00:08:52,000

current situation in which

235

00:08:56,230 --> 00:08:53,200

the government

236

00:08:59,750 --> 00:08:56,240

is you know restricting us taking away

237

00:09:02,470 --> 00:08:59,760

civil liberties the the skeptical aspect

238

00:09:03,670 --> 00:09:02,480

of my analysis i think is very useful

239

00:09:05,990 --> 00:09:03,680

for people

240

00:09:08,550 --> 00:09:06,000

um because it becomes a platform with

241

00:09:10,470 --> 00:09:08,560

from which you can sort of

242

00:09:13,350 --> 00:09:10,480

create some

243

00:09:16,150 --> 00:09:13,360

sort of plausible conjectures about uh

244

00:09:18,870 --> 00:09:16,160

the rationale that the governments have

245

00:09:20,550 --> 00:09:18,880

for for the lockdowns which uh perhaps

246

00:09:24,710 --> 00:09:20,560

we'll talk about later but

247

00:09:26,630 --> 00:09:24,720

uh i am you know very opposed to

248

00:09:28,630 --> 00:09:26,640

right so you know there's a couple of

249

00:09:29,829 --> 00:09:28,640

different points there the connection

250

00:09:32,230 --> 00:09:29,839

between

251
00:09:33,430 --> 00:09:32,240
this work caesar's messiah and in

252
00:09:36,389 --> 00:09:33,440
particular

253
00:09:38,310 --> 00:09:36,399
the speculation on your part that there

254
00:09:40,550 --> 00:09:38,320
was a conspiracy

255
00:09:43,430 --> 00:09:40,560
a parapolitical

256
00:09:46,949 --> 00:09:43,440
political psyop going on

257
00:09:49,190 --> 00:09:46,959
by the romans and it was using religion

258
00:09:51,829 --> 00:09:49,200
and the deepest beliefs the deepest

259
00:09:53,990 --> 00:09:51,839
spiritual beliefs that people had about

260
00:09:55,829 --> 00:09:54,000
who they are and how they should live

261
00:09:59,509 --> 00:09:55,839
their lives that it was trying to

262
00:10:01,430 --> 00:09:59,519
manipulate those in order to bring about

263
00:10:03,910 --> 00:10:01,440

their political goals

264

00:10:06,630 --> 00:10:03,920

is i think what really resonates through

265

00:10:09,990 --> 00:10:06,640

time as you're saying so we look at that

266

00:10:10,870 --> 00:10:10,000

and we go oh my god if joe is right

267

00:10:13,670 --> 00:10:10,880

and

268

00:10:16,630 --> 00:10:13,680

the romans were that adept at playing

269

00:10:17,430 --> 00:10:16,640

the game way back then

270

00:10:21,509 --> 00:10:17,440

then

271

00:10:25,110 --> 00:10:21,519

what can we even imagine is going on now

272

00:10:28,389 --> 00:10:25,120

in terms of that game playing so there's

273

00:10:30,230 --> 00:10:28,399

there's really a lot to to kind of dive

274

00:10:32,710 --> 00:10:30,240

into and

275

00:10:35,269 --> 00:10:32,720

as i was explaining to you in the email

276

00:10:39,509 --> 00:10:35,279

i've made it kind of my mission in the

277

00:10:43,350 --> 00:10:39,519

last six months to really do a rebooting

278

00:10:45,590 --> 00:10:43,360

of caesar's messiah 2.0 in my own way so

279

00:10:47,829 --> 00:10:45,600

it's not really the caesar's messiah

280

00:10:49,430 --> 00:10:47,839

that you're familiar with because i'm

281

00:10:50,630 --> 00:10:49,440

kind of taking it in some other

282

00:10:52,710 --> 00:10:50,640

directions

283

00:10:55,829 --> 00:10:52,720

i'm very interested in for example

284

00:10:57,030 --> 00:10:55,839

josephus and more of the jews and his

285

00:11:00,630 --> 00:10:57,040

attempted

286

00:11:03,590 --> 00:11:00,640

political psy app that is vespasian

287

00:11:05,910 --> 00:11:03,600

through josephus to tell the jews that

288

00:11:09,030 --> 00:11:05,920

hey you know what this bayesian is the

289

00:11:10,069 --> 00:11:09,040

messiah the spazian is who was always

290

00:11:11,430 --> 00:11:10,079

you know

291

00:11:14,310 --> 00:11:11,440

was was the one who was always

292

00:11:16,230 --> 00:11:14,320

prophesized you don't need judaism just

293

00:11:17,350 --> 00:11:16,240

i see that really as

294

00:11:20,470 --> 00:11:17,360

kind of

295

00:11:23,190 --> 00:11:20,480

caesar's messiah 1.0 you know that was

296

00:11:26,069 --> 00:11:23,200

the first attempt at that but here i am

297

00:11:27,670 --> 00:11:26,079

getting into a lot of details like i i i

298

00:11:29,750 --> 00:11:27,680

want to kind of pull that back off the

299

00:11:31,030 --> 00:11:29,760

table and not even go there because i

300

00:11:32,790 --> 00:11:31,040

think

301
00:11:35,910 --> 00:11:32,800
that's a discussion we need to have we

302
00:11:37,509 --> 00:11:35,920
need to spend an hour on that i almost

303
00:11:39,030 --> 00:11:37,519
feel like joe

304
00:11:41,110 --> 00:11:39,040
and we were talking about this a little

305
00:11:42,550 --> 00:11:41,120
bit before we kind of turned on the

306
00:11:44,630 --> 00:11:42,560
record button

307
00:11:47,269 --> 00:11:44,640
if you're up for it

308
00:11:48,150 --> 00:11:47,279
we might even use this interview to kind

309
00:11:52,150 --> 00:11:48,160
of

310
00:11:54,949 --> 00:11:52,160
sketch out some potential areas for

311
00:11:57,910 --> 00:11:54,959
further dialogues between us so that

312
00:11:59,110 --> 00:11:57,920
people can get kind of a fuller picture

313
00:12:01,269 --> 00:11:59,120

of this

314

00:12:03,030 --> 00:12:01,279

world view that we're trying to develop

315

00:12:04,550 --> 00:12:03,040

how does that sound

316

00:12:07,509 --> 00:12:04,560

i think it's a great idea it couldn't be

317

00:12:11,430 --> 00:12:07,519

more timely okay well if you're on board

318

00:12:12,870 --> 00:12:11,440

then you know i'd almost start with this

319

00:12:14,389 --> 00:12:12,880

and that is

320

00:12:17,190 --> 00:12:14,399

process

321

00:12:18,870 --> 00:12:17,200

so if we were going to engage in this

322

00:12:20,470 --> 00:12:18,880

dialogue and you engage in these

323

00:12:23,269 --> 00:12:20,480

dialogues all the time one thing that's

324

00:12:26,710 --> 00:12:23,279

great about you is you are so open and

325

00:12:28,629 --> 00:12:26,720

so just out there in terms of

326

00:12:32,389 --> 00:12:28,639

sharing ideas

327

00:12:34,310 --> 00:12:32,399

genuinely openly give and take if people

328

00:12:37,350 --> 00:12:34,320

come against you and you handle that

329

00:12:39,110 --> 00:12:37,360

with grace and yet you still make your

330

00:12:42,310 --> 00:12:39,120

points and i think that's pop i think

331

00:12:44,949 --> 00:12:42,320

that's unbelievably terrific i'm not an

332

00:12:48,470 --> 00:12:44,959

academic so it's a little easier for me

333

00:12:53,509 --> 00:12:51,430

i don't know i've spoken i've spoken

334

00:12:55,509 --> 00:12:53,519

my point is is that i think a lot of

335

00:12:57,430 --> 00:12:55,519

individuals you know it's a very low

336

00:12:58,550 --> 00:12:57,440

resource environment new testament

337

00:13:01,269 --> 00:12:58,560

scholarship

338

00:13:03,829 --> 00:13:01,279

and so many of people i think you know

339

00:13:05,670 --> 00:13:03,839

are there they struggle with the idea of

340

00:13:07,430 --> 00:13:05,680

like this this book from a non-epic

341

00:13:09,910 --> 00:13:07,440

academic is so successful

342

00:13:11,110 --> 00:13:09,920

and so it's harder for them to um to be

343

00:13:12,629 --> 00:13:11,120

you know just sort of open and

344

00:13:15,829 --> 00:13:12,639

clear-minded whereas

345

00:13:18,310 --> 00:13:15,839

um i actually enjoy um

346

00:13:20,550 --> 00:13:18,320

criticism of it i i find it to be you

347

00:13:22,389 --> 00:13:20,560

know these are for me it's it's more fun

348

00:13:24,470 --> 00:13:22,399

than just having so it's

349

00:13:26,230 --> 00:13:24,480

uh you know i think i'm i it's very

350

00:13:27,590 --> 00:13:26,240

gracious of you for to describe me like

351

00:13:29,509 --> 00:13:27,600

that but actually it's act it's just

352

00:13:31,590 --> 00:13:29,519

simply more fun to uh

353

00:13:33,190 --> 00:13:31,600

have someone that is critical than than

354

00:13:35,990 --> 00:13:33,200

someone that simply wants to re you know

355

00:13:37,829 --> 00:13:36,000

go over the theory i totally agree and i

356

00:13:39,910 --> 00:13:37,839

say that to people and people i swear

357

00:13:40,949 --> 00:13:39,920

when i say that joe people look at me

358

00:13:43,269 --> 00:13:40,959

like

359

00:13:45,269 --> 00:13:43,279

i'm of a different species or something

360

00:13:46,550 --> 00:13:45,279

like that when i say i love when i'm

361

00:13:50,230 --> 00:13:46,560

proven wrong

362

00:13:52,069 --> 00:13:50,240

i'm learning something i'm moving

363

00:13:54,389 --> 00:13:52,079

forward and why would i want to go

364

00:13:56,710 --> 00:13:54,399

forward with ideas that are you know

365

00:14:00,069 --> 00:13:56,720

incorrect or can easily be

366

00:14:02,710 --> 00:14:00,079

countered great so in that sense in that

367

00:14:05,189 --> 00:14:02,720

spirit i welcome that kind of debate in

368

00:14:06,550 --> 00:14:05,199

the same same way that you do

369

00:14:09,110 --> 00:14:06,560

but one thing i want to throw out there

370

00:14:10,629 --> 00:14:09,120

because this i caught in the interview i

371

00:14:12,870 --> 00:14:10,639

was just mentioning before that you did

372

00:14:14,550 --> 00:14:12,880

with mo on the gnostic warrior podcast

373

00:14:16,550 --> 00:14:14,560

which i really enjoyed and mo just had

374

00:14:19,430 --> 00:14:16,560

me on the show but you guys got to a

375

00:14:22,310 --> 00:14:19,440

point and you said hey you know and

376

00:14:24,470 --> 00:14:22,320

agree to disagree we have to be open to

377

00:14:27,110 --> 00:14:24,480

agreeing to disagree and you are a nice

378

00:14:29,910 --> 00:14:27,120

guy and i can be a nice guy i don't know

379

00:14:32,230 --> 00:14:29,920

if i really am a nice guy but this agree

380

00:14:34,629 --> 00:14:32,240

to disagree thing is something that

381

00:14:36,710 --> 00:14:34,639

drives me kind of nuts

382

00:14:38,790 --> 00:14:36,720

and i would throw that on the table

383

00:14:41,829 --> 00:14:38,800

first thing is

384

00:14:45,269 --> 00:14:41,839

in this dialogue and in the dialogues

385

00:14:48,389 --> 00:14:45,279

that we might do in the future

386

00:14:50,629 --> 00:14:48,399

let's not agree to disagree i i when i

387

00:14:52,949 --> 00:14:50,639

hear that i always think of the

388

00:14:54,389 --> 00:14:52,959

interview i had with the skeptic

389

00:14:56,870 --> 00:14:54,399

michael shermer

390

00:14:59,269 --> 00:14:56,880

who i consider a friend of me in every

391

00:15:02,790 --> 00:14:59,279

sense of the word i genuinely like

392

00:15:05,750 --> 00:15:02,800

michael i enjoy talking to him and i

393

00:15:08,310 --> 00:15:05,760

definitely consider him an enemy

394

00:15:10,870 --> 00:15:08,320

he's certainly an enemy when it comes to

395

00:15:13,509 --> 00:15:10,880

intellectual honesty and enemy when it

396

00:15:14,550 --> 00:15:13,519

comes to good science an enemy when it

397

00:15:17,430 --> 00:15:14,560

comes to

398

00:15:19,110 --> 00:15:17,440

being kind of a bullshitter but

399

00:15:21,750 --> 00:15:19,120

nonetheless so

400

00:15:23,670 --> 00:15:21,760

just a quick story and then i'll stop

401
00:15:25,269 --> 00:15:23,680
stealing the mic here but i was

402
00:15:26,389 --> 00:15:25,279
interviewing michael about a book he'd

403
00:15:28,870 --> 00:15:26,399
written

404
00:15:29,749 --> 00:15:28,880
it the book was uh it was heavens on

405
00:15:32,470 --> 00:15:29,759
earth

406
00:15:34,710 --> 00:15:32,480
the scientific search for the afterlife

407
00:15:35,509 --> 00:15:34,720
immortality and utopia this is michael's

408
00:15:41,030 --> 00:15:35,519
book

409
00:15:43,350 --> 00:15:41,040
happen to know a great deal about which

410
00:15:44,870 --> 00:15:43,360
is near death experience science

411
00:15:47,670 --> 00:15:44,880
and the only reason i know about it is

412
00:15:49,749 --> 00:15:47,680
because i've interviewed about 50 or 100

413
00:15:51,269 --> 00:15:49,759

scientists who've actually done

414

00:15:52,949 --> 00:15:51,279

research and published it in

415

00:15:55,430 --> 00:15:52,959

peer-reviewed journals

416

00:15:57,590 --> 00:15:55,440

on this topic and michael had completely

417

00:15:58,949 --> 00:15:57,600

botched the research in some rather

418

00:16:00,629 --> 00:15:58,959

obvious ways

419

00:16:02,230 --> 00:16:00,639

and i called him on it

420

00:16:03,030 --> 00:16:02,240

and i further called him on the fact

421

00:16:05,350 --> 00:16:03,040

that

422

00:16:07,670 --> 00:16:05,360

one of the most prominent researchers a

423

00:16:09,910 --> 00:16:07,680

guy named dr pinvallamo

424

00:16:11,430 --> 00:16:09,920

was a cardiologist

425

00:16:15,430 --> 00:16:11,440

had was so

426
00:16:18,710 --> 00:16:15,440
infuriated by michael's mishandling of

427
00:16:20,870 --> 00:16:18,720
the data the scientific data that he

428
00:16:23,110 --> 00:16:20,880
called him out publicly and said you're

429
00:16:25,030 --> 00:16:23,120
misrepresenting what i said

430
00:16:27,030 --> 00:16:25,040
and michael was like well

431
00:16:28,949 --> 00:16:27,040
i guess we'll just agree to disagree on

432
00:16:32,389 --> 00:16:28,959
that and then he said that to me well i

433
00:16:34,389 --> 00:16:32,399
guess alex will just agree to disagree

434
00:16:35,350 --> 00:16:34,399
and it's like

435
00:16:38,870 --> 00:16:35,360
no

436
00:16:40,870 --> 00:16:38,880
i i awesome joe and i i do think

437
00:16:43,269 --> 00:16:40,880
that it's worth talking a little bit

438
00:16:46,550 --> 00:16:43,279

about these kind of process things the

439

00:16:48,550 --> 00:16:46,560

process of the dialogue things because

440

00:16:50,949 --> 00:16:48,560

i do feel like they're lacking a lot of

441

00:16:53,269 --> 00:16:50,959

times and they slip by in some subtle

442

00:16:55,110 --> 00:16:53,279

ways that people don't realize and again

443

00:16:57,670 --> 00:16:55,120

it's this kind of

444

00:17:00,310 --> 00:16:57,680

social conditioning social reinforcement

445

00:17:02,150 --> 00:17:00,320

oh it's always good to agree to disagree

446

00:17:04,630 --> 00:17:02,160

it's so here's another one

447

00:17:07,350 --> 00:17:04,640

respect my beliefs

448

00:17:09,510 --> 00:17:07,360

why would i want to respect your beliefs

449

00:17:11,110 --> 00:17:09,520

isn't that why i mean it's some i i get

450

00:17:13,429 --> 00:17:11,120

it on on one level right i don't want to

451

00:17:17,029 --> 00:17:13,439

sound like a total contrarian you know

452

00:17:21,110 --> 00:17:17,039

on a deeper human spiritual level

453

00:17:22,949 --> 00:17:21,120

absolutely 100 i i respect you i respect

454

00:17:26,309 --> 00:17:22,959

and i respect everything you've done i

455

00:17:29,830 --> 00:17:26,319

also respect you intellectually based on

456

00:17:30,870 --> 00:17:29,840

your track record so i am liable to give

457

00:17:33,029 --> 00:17:30,880

more

458

00:17:36,470 --> 00:17:33,039

leeway to your beliefs but at the end of

459

00:17:39,510 --> 00:17:36,480

the day i enter into the dialogue not

460

00:17:41,990 --> 00:17:39,520

respecting your beliefs and not asking

461

00:17:45,270 --> 00:17:42,000

you to respect my beliefs i mean that's

462

00:17:48,230 --> 00:17:45,280

what we're supposed to figure out right

463

00:17:51,270 --> 00:17:48,240

yeah and uh i also don't like when

464

00:17:53,190 --> 00:17:51,280

this perspective is used as propaganda

465

00:17:54,470 --> 00:17:53,200

in other words the idea of keep calm and

466

00:17:57,110 --> 00:17:54,480

carry on

467

00:18:00,070 --> 00:17:57,120

um you know being given by you know

468

00:18:02,150 --> 00:18:00,080

mainstream media during a time when uh

469

00:18:05,909 --> 00:18:02,160

you know nefarious activity could

470

00:18:07,909 --> 00:18:05,919

require citizens to uh take action

471

00:18:10,950 --> 00:18:07,919

stand up exactly

472

00:18:12,630 --> 00:18:10,960

and so i'm really you know when whenever

473

00:18:15,270 --> 00:18:12,640

i i hear

474

00:18:16,870 --> 00:18:15,280

you know kind of what what what

475

00:18:19,590 --> 00:18:16,880

should be

476

00:18:22,070 --> 00:18:19,600

trajectories leading

477

00:18:23,750 --> 00:18:22,080

to conclusions that might inspire

478

00:18:26,630 --> 00:18:23,760

political activity

479

00:18:28,630 --> 00:18:26,640

when i see it being hijacked

480

00:18:31,270 --> 00:18:28,640

with the idea of

481

00:18:33,270 --> 00:18:31,280

you know non-violent communication keeps

482

00:18:35,350 --> 00:18:33,280

us from moving down this path here's

483

00:18:36,870 --> 00:18:35,360

another direction and it always it

484

00:18:38,870 --> 00:18:36,880

always goes back to a kind of

485

00:18:41,350 --> 00:18:38,880

psychological condition

486

00:18:42,710 --> 00:18:41,360

you know that's that is a way of living

487

00:18:44,150 --> 00:18:42,720

that some people

488

00:18:46,230 --> 00:18:44,160

may find

489

00:18:48,870 --> 00:18:46,240

you know valuable but

490

00:18:51,029 --> 00:18:48,880

uh is it is certainly not appropriate uh

491

00:18:53,029 --> 00:18:51,039

in in our present moment when when you

492

00:18:55,270 --> 00:18:53,039

have so many you know actions from

493

00:18:57,110 --> 00:18:55,280

governments that are restraining freedom

494

00:19:00,230 --> 00:18:57,120

this is when we really you know we we

495

00:19:01,830 --> 00:19:00,240

cannot have as our perspective that well

496

00:19:03,350 --> 00:19:01,840

you know we're just going to you know we

497

00:19:04,470 --> 00:19:03,360

may not agree with what the government

498

00:19:05,669 --> 00:19:04,480

is doing but we're simply going to

499

00:19:07,909 --> 00:19:05,679

respect

500

00:19:10,150 --> 00:19:07,919

and uh stay calm and we'll just carry on

501
00:19:12,630 --> 00:19:10,160
with our lives as best we can i mean

502
00:19:16,230 --> 00:19:12,640
this is when you really want to uh not

503
00:19:18,630 --> 00:19:16,240
only you know to to agree to uh disagree

504
00:19:20,470 --> 00:19:18,640
and to keep thinking and keep talking

505
00:19:22,310 --> 00:19:20,480
and you have to you know agree to

506
00:19:23,430 --> 00:19:22,320
socratic method at this point and not

507
00:19:27,750 --> 00:19:23,440
just

508
00:19:29,110 --> 00:19:27,760
out it's too complicated or it's uh i

509
00:19:31,909 --> 00:19:29,120
have to be

510
00:19:33,590 --> 00:19:31,919
too you know visible as a personality or

511
00:19:36,830 --> 00:19:33,600
whatever you know this is when you need

512
00:19:40,470 --> 00:19:36,840
courage and and that's encourages

513
00:19:42,070 --> 00:19:40,480

is what will move the kind of discussion

514

00:19:45,590 --> 00:19:42,080

you're talking about forward you've got

515

00:19:48,070 --> 00:19:45,600

to have courage and so you know when uh

516

00:19:51,510 --> 00:19:48,080

when we when we discuss uh i think we'll

517

00:19:53,909 --> 00:19:51,520

both find it's you know it will be um

518

00:19:55,990 --> 00:19:53,919

uh you know it'll be a process that'll

519

00:19:58,870 --> 00:19:56,000

be enjoyable and hopefully will provide

520

00:20:00,950 --> 00:19:58,880

courage for the people who listen to it

521

00:20:03,110 --> 00:20:00,960

well the other way this respect my

522

00:20:04,789 --> 00:20:03,120

beliefs thing comes up of course you've

523

00:20:06,870 --> 00:20:04,799

run into this time and time again

524

00:20:08,710 --> 00:20:06,880

because you've been at this

525

00:20:10,549 --> 00:20:08,720

caesar's messiah thing you've been the

526

00:20:13,110 --> 00:20:10,559

pioneer out there with the arrows in

527

00:20:15,669 --> 00:20:13,120

your front and the arrows in the back

528

00:20:17,590 --> 00:20:15,679

because you do get stabbed in the back

529

00:20:20,630 --> 00:20:17,600

but

530

00:20:22,710 --> 00:20:20,640

when it comes to these deeper beliefs we

531

00:20:24,950 --> 00:20:22,720

are conditioned to believe that we

532

00:20:27,110 --> 00:20:24,960

should respect someone's religious

533

00:20:29,029 --> 00:20:27,120

beliefs certainly

534

00:20:31,750 --> 00:20:29,039

and that the freedom of expression of

535

00:20:33,430 --> 00:20:31,760

religion carries with it this idea that

536

00:20:35,430 --> 00:20:33,440

we should respect

537

00:20:37,990 --> 00:20:35,440

their religious beliefs

538

00:20:39,990 --> 00:20:38,000

i don't agree with that i don't think we

539

00:20:42,950 --> 00:20:40,000

should respect people's christian

540

00:20:45,590 --> 00:20:42,960

beliefs muslims muslim beliefs atheistic

541

00:20:47,590 --> 00:20:45,600

beliefs satanic beliefs i think we

542

00:20:49,830 --> 00:20:47,600

should challenge them and and this is

543

00:20:51,990 --> 00:20:49,840

something really that the atheists and i

544

00:20:53,270 --> 00:20:52,000

don't have a lot of nice things to say

545

00:20:55,590 --> 00:20:53,280

about

546

00:20:57,750 --> 00:20:55,600

the atheists as a group but i do have

547

00:20:59,830 --> 00:20:57,760

some nice things to say and one of the

548

00:21:02,630 --> 00:20:59,840

things that they made clear

549

00:21:05,270 --> 00:21:02,640

you know 20 years ago with the whole

550

00:21:08,789 --> 00:21:05,280

dawkins uh kind of new atheist kind of

551
00:21:12,390 --> 00:21:08,799
thing was that these are ideas that have

552
00:21:14,630 --> 00:21:12,400
to stand up in the public forum on par

553
00:21:18,070 --> 00:21:14,640
with all the other beliefs we have and

554
00:21:20,390 --> 00:21:18,080
you can't run and hide behind the idea

555
00:21:23,909 --> 00:21:20,400
that no one should pick on you because

556
00:21:28,950 --> 00:21:26,549
absolutely in fact it's it's completely

557
00:21:30,789 --> 00:21:28,960
incoherent if you want to have religious

558
00:21:33,750 --> 00:21:30,799
beliefs which is to say

559
00:21:37,110 --> 00:21:33,760
uh broadly socially important in terms

560
00:21:39,830 --> 00:21:37,120
of you know perspective on existence

561
00:21:41,510 --> 00:21:39,840
then axiomatic to that is uh you have to

562
00:21:42,710 --> 00:21:41,520
become public and accept public

563
00:21:44,390 --> 00:21:42,720

criticism

564

00:21:46,630 --> 00:21:44,400

and you you this is just clear and

565

00:21:49,590 --> 00:21:46,640

that's that's one really you know

566

00:21:51,029 --> 00:21:49,600

uh gonna praise you here you you do such

567

00:21:54,149 --> 00:21:51,039

a good job of this

568

00:21:55,510 --> 00:21:54,159

of uh encouraging your positions to be

569

00:21:58,070 --> 00:21:55,520

criticized i've listened to a lot of

570

00:22:00,149 --> 00:21:58,080

your shows and and uh so this is you

571

00:22:01,830 --> 00:22:00,159

know it's this is how public people

572

00:22:03,909 --> 00:22:01,840

should behave you know and how how we

573

00:22:05,909 --> 00:22:03,919

should carry out and gee you know it's

574

00:22:07,510 --> 00:22:05,919

like think of how long we've known each

575

00:22:09,350 --> 00:22:07,520

other who would have thought at the

576
00:22:10,710 --> 00:22:09,360
beginning we'd be where we are now

577
00:22:13,029 --> 00:22:10,720
politically

578
00:22:14,710 --> 00:22:13,039
you know it's it's all the more

579
00:22:15,669 --> 00:22:14,720
uh you know it's it's more important

580
00:22:17,669 --> 00:22:15,679
than ever

581
00:22:20,230 --> 00:22:17,679
to try to get this this perspective that

582
00:22:23,350 --> 00:22:20,240
the perspective of criticism and uh

583
00:22:26,230 --> 00:22:23,360
skepticism uh out there you you chose a

584
00:22:27,830 --> 00:22:26,240
really good title for your uh your show

585
00:22:29,350 --> 00:22:27,840
very timely in terms of our current

586
00:22:31,110 --> 00:22:29,360
political world

587
00:22:35,190 --> 00:22:31,120
you know it's funny you should say that

588
00:22:37,669 --> 00:22:35,200

because on one hand i totally understand

589

00:22:39,590 --> 00:22:37,679

what you're saying i agree with it at a

590

00:22:41,669 --> 00:22:39,600

level that kind of

591

00:22:44,789 --> 00:22:41,679

shakes me to my core i never would have

592

00:22:48,549 --> 00:22:44,799

imagined we'd be where we are now never

593

00:22:51,430 --> 00:22:48,559

would have contemplated it uh any one of

594

00:22:54,630 --> 00:22:51,440

our generation it just was

595

00:22:57,110 --> 00:22:54,640

inconceivable that you know the the bill

596

00:22:59,830 --> 00:22:57,120

of rights the constitution would just be

597

00:23:02,149 --> 00:22:59,840

pulled apart piece by piece and everyone

598

00:23:03,669 --> 00:23:02,159

would just be cheering its demise you

599

00:23:06,710 --> 00:23:03,679

know like but

600

00:23:09,990 --> 00:23:06,720

i i res at the same time i feel that i

601
00:23:13,350 --> 00:23:10,000
resist going there you know because we

602
00:23:16,789 --> 00:23:13,360
are just where we are and i love that

603
00:23:18,950 --> 00:23:16,799
that you are fully engaged in

604
00:23:21,430 --> 00:23:18,960
everything that's come about

605
00:23:23,669 --> 00:23:21,440
partially as a result of this book that

606
00:23:25,830 --> 00:23:23,679
you wrote 20 years ago

607
00:23:28,390 --> 00:23:25,840
strange that that caesar's messiah would

608
00:23:31,029 --> 00:23:28,400
end up being somehow related in in my

609
00:23:33,270 --> 00:23:31,039
opinion useful to uh

610
00:23:36,470 --> 00:23:33,280
you know the the political conditions

611
00:23:40,149 --> 00:23:36,480
imposed by medical exactly exactly

612
00:23:42,310 --> 00:23:40,159
exactly and and your work since then

613
00:23:44,070 --> 00:23:42,320

i mean i think people hopefully people

614

00:23:46,390 --> 00:23:44,080

are listening to this show know this but

615

00:23:47,590 --> 00:23:46,400

in case they don't it's not like you've

616

00:23:50,470 --> 00:23:47,600

stopped

617

00:23:51,909 --> 00:23:50,480

you've continued to move on and

618

00:23:54,230 --> 00:23:51,919

there's many new issues that you

619

00:23:56,070 --> 00:23:54,240

actually wrote a book on shakespearean

620

00:23:58,230 --> 00:23:56,080

with similar kind of connections

621

00:23:59,590 --> 00:23:58,240

hypotheses and stuff like that but you

622

00:24:01,990 --> 00:23:59,600

know i always credit you with the one

623

00:24:05,029 --> 00:24:02,000

who turned me on to the glorious

624

00:24:07,029 --> 00:24:05,039

steinham lifetime player kind of thing

625

00:24:10,390 --> 00:24:07,039

which is incredibly important in

626
00:24:12,070 --> 00:24:10,400
understanding the parapolitical and how

627
00:24:14,070 --> 00:24:12,080
things are so you

628
00:24:15,909 --> 00:24:14,080
multiple multiple you know you alluded

629
00:24:17,510 --> 00:24:15,919
to in the interview i just heard and i

630
00:24:20,149 --> 00:24:17,520
have not read this but you did an

631
00:24:22,870 --> 00:24:20,159
analysis of the catcher in the rye and

632
00:24:26,149 --> 00:24:22,880
similarly drawing out the the

633
00:24:29,590 --> 00:24:26,159
parapolitical conspiratorial

634
00:24:32,149 --> 00:24:29,600
aspects of it and and stuff like that so

635
00:24:33,190 --> 00:24:32,159
just as a little note there you're not a

636
00:24:35,909 --> 00:24:33,200
guy who's

637
00:24:36,789 --> 00:24:35,919
stopped and you know rested on your your

638
00:24:40,710 --> 00:24:36,799

big

639

00:24:43,190 --> 00:24:40,720

you're moving every day you're you're

640

00:24:46,470 --> 00:24:43,200

doing new stuff right

641

00:24:49,990 --> 00:24:46,480

yeah i'm uh a curious individual

642

00:24:52,549 --> 00:24:50,000

and and i i have in fact

643

00:24:56,310 --> 00:24:52,559

you know kind of been inspired by

644

00:24:58,950 --> 00:24:56,320

the insights into propaganda that i got

645

00:25:02,630 --> 00:24:58,960

doing the research on cedar messiah

646

00:25:03,750 --> 00:25:02,640

to look really as best i could at

647

00:25:04,789 --> 00:25:03,760

my world

648

00:25:06,230 --> 00:25:04,799

uh and

649

00:25:08,310 --> 00:25:06,240

um you know like you talked about the

650

00:25:09,909 --> 00:25:08,320

catcher in the rye analysis

651
00:25:11,669 --> 00:25:09,919
you know very important in my opinion

652
00:25:14,470 --> 00:25:11,679
because you can see that

653
00:25:16,149 --> 00:25:14,480
our literature is uh you know it has a

654
00:25:18,549 --> 00:25:16,159
surface

655
00:25:20,710 --> 00:25:18,559
level that the public

656
00:25:22,230 --> 00:25:20,720
understands but that the oligarchs are

657
00:25:25,510 --> 00:25:22,240
in communication

658
00:25:28,149 --> 00:25:25,520
and they have a different world uh that

659
00:25:29,990 --> 00:25:28,159
than we are permitted to enter into and

660
00:25:31,830 --> 00:25:30,000
and it's exactly the same thing that was

661
00:25:33,510 --> 00:25:31,840
going on with the gospels

662
00:25:35,190 --> 00:25:33,520
the insiders

663
00:25:36,870 --> 00:25:35,200

could see the humor

664

00:25:38,789 --> 00:25:36,880

and see that how they were creating

665

00:25:40,149 --> 00:25:38,799

legacy for themselves with this story

666

00:25:43,269 --> 00:25:40,159

about jesus

667

00:25:46,149 --> 00:25:43,279

but the plebeian saw nothing

668

00:25:47,510 --> 00:25:46,159

they just saw the surface narrative so

669

00:25:50,870 --> 00:25:47,520

um that

670

00:25:54,149 --> 00:25:50,880

that kind of ignorance um and the the

671

00:25:58,230 --> 00:25:54,159

way that it was used by the oligarchs to

672

00:26:03,909 --> 00:26:01,190

you know is it's the in my opinion it's

673

00:26:06,390 --> 00:26:03,919

the most critical

674

00:26:08,070 --> 00:26:06,400

issue that we are facing

675

00:26:09,510 --> 00:26:08,080

we have all these issues right now so

676
00:26:12,549 --> 00:26:09,520
many of them but

677
00:26:15,190 --> 00:26:12,559
this one issue has stayed throughout

678
00:26:17,110 --> 00:26:15,200
our civilization for thousands of years

679
00:26:18,390 --> 00:26:17,120
which is that

680
00:26:20,710 --> 00:26:18,400
humans

681
00:26:22,549 --> 00:26:20,720
believe what we're told

682
00:26:24,630 --> 00:26:22,559
and so

683
00:26:26,310 --> 00:26:24,640
this is uh something the oligarchs have

684
00:26:27,190 --> 00:26:26,320
learned how to manipulate

685
00:26:29,750 --> 00:26:27,200
and

686
00:26:31,830 --> 00:26:29,760
we are i think suffering um

687
00:26:33,350 --> 00:26:31,840
and are in danger of being genocided

688
00:26:36,310 --> 00:26:33,360

because of this

689

00:26:38,390 --> 00:26:36,320

uh this systemic weakness that we have

690

00:26:40,950 --> 00:26:38,400

um about how

691

00:26:42,230 --> 00:26:40,960

when when information comes

692

00:26:44,789 --> 00:26:42,240

from

693

00:26:47,830 --> 00:26:44,799

above us in the social structure

694

00:26:50,549 --> 00:26:47,840

we have this innate um

695

00:26:52,549 --> 00:26:50,559

sort of acceptance of it um

696

00:26:54,549 --> 00:26:52,559

unfortunately even though this this

697

00:26:55,750 --> 00:26:54,559

might be a good way to create social

698

00:26:58,149 --> 00:26:55,760

harmony

699

00:27:01,590 --> 00:26:58,159

um that would be in a

700

00:27:03,029 --> 00:27:01,600

you know in a situation where the social

701
00:27:05,430 --> 00:27:03,039
structure

702
00:27:07,350 --> 00:27:05,440
had the protection of the individual as

703
00:27:10,310 --> 00:27:07,360
you know part and parcel

704
00:27:12,070 --> 00:27:10,320
here and looking backwards

705
00:27:14,149 --> 00:27:12,080
um that

706
00:27:16,789 --> 00:27:14,159
that trust between

707
00:27:19,909 --> 00:27:16,799
the authority and and the the citizens

708
00:27:22,549 --> 00:27:19,919
of a society has been broken it's been

709
00:27:24,149 --> 00:27:22,559
broken it's and therefore it's been used

710
00:27:26,630 --> 00:27:24,159
and now um

711
00:27:27,909 --> 00:27:26,640
you know we're being told one thing

712
00:27:29,190 --> 00:27:27,919
after another

713
00:27:30,870 --> 00:27:29,200

um

714

00:27:33,510 --> 00:27:30,880

none of it really can stand up to any

715

00:27:35,669 --> 00:27:33,520

scrutiny but few citizens are doing the

716

00:27:38,549 --> 00:27:35,679

analysis to really see

717

00:27:40,389 --> 00:27:38,559

how um obviously fake

718

00:27:41,269 --> 00:27:40,399

unreal some of the things are being told

719

00:27:42,310 --> 00:27:41,279

are

720

00:27:46,950 --> 00:27:42,320

and

721

00:27:49,990 --> 00:27:46,960

at this point to quickly

722

00:27:51,990 --> 00:27:50,000

rev up skepticism on a wide scale

723

00:27:53,430 --> 00:27:52,000

so uh one of the reasons why i'm you

724

00:27:55,750 --> 00:27:53,440

know my

725

00:27:57,590 --> 00:27:55,760

ears pricked up when you were talking

726

00:27:59,269 --> 00:27:57,600

about doing more shows because i think

727

00:28:01,269 --> 00:27:59,279

that's the one of the things that we

728

00:28:03,590 --> 00:28:01,279

would no doubt just because of you know

729

00:28:05,909 --> 00:28:03,600

how we are we would get into and i would

730

00:28:08,230 --> 00:28:05,919

love to do that right now just to just

731

00:28:10,389 --> 00:28:08,240

be a process by which

732

00:28:12,070 --> 00:28:10,399

um you know people would would just

733

00:28:14,230 --> 00:28:12,080

create more skepticism and then from

734

00:28:15,590 --> 00:28:14,240

that learn how to think

735

00:28:17,590 --> 00:28:15,600

because the

736

00:28:20,870 --> 00:28:17,600

oligarchs use our ignorance as their

737

00:28:23,190 --> 00:28:20,880

primary tool we don't get taught how to

738

00:28:26,549 --> 00:28:23,200

think very well how to analyze how to

739

00:28:28,950 --> 00:28:26,559

use logic how to evaluate facts and

740

00:28:31,430 --> 00:28:28,960

these things just have to be developed

741

00:28:33,669 --> 00:28:31,440

now it's just critical the

742

00:28:35,669 --> 00:28:33,679

the oligarchs have developed

743

00:28:37,430 --> 00:28:35,679

technological powers i mean in the old

744

00:28:39,510 --> 00:28:37,440

days

745

00:28:41,669 --> 00:28:39,520

you know they had the crucifix

746

00:28:44,470 --> 00:28:41,679

torture of these things but now they

747

00:28:45,990 --> 00:28:44,480

have technology they have snooping they

748

00:28:48,470 --> 00:28:46,000

have the iphone

749

00:28:51,830 --> 00:28:48,480

uh they have drugs you know so

750

00:28:54,149 --> 00:28:51,840

the oligarchs have developed their power

751
00:28:55,110 --> 00:28:54,159
to ossify their themselves and their

752
00:28:57,190 --> 00:28:55,120
roles

753
00:29:00,070 --> 00:28:57,200
the citizen has to develop we have to

754
00:29:02,950 --> 00:29:00,080
develop our skills at democracy

755
00:29:03,830 --> 00:29:02,960
we need to try to counter their increase

756
00:29:07,110 --> 00:29:03,840
in

757
00:29:09,830 --> 00:29:07,120
uh technical capacity for dictatorship

758
00:29:12,630 --> 00:29:09,840
with a analytic power that the citizens

759
00:29:14,310 --> 00:29:12,640
have to uh you know

760
00:29:16,710 --> 00:29:14,320
you know ferret out what they're doing

761
00:29:19,510 --> 00:29:16,720
and then come up with countermeasures

762
00:29:21,110 --> 00:29:19,520
yeah but joe to you know throw a

763
00:29:23,909 --> 00:29:21,120

shakespeare line

764

00:29:26,310 --> 00:29:23,919

it was always thus

765

00:29:28,950 --> 00:29:26,320

that to me is is one of the things we

766

00:29:31,029 --> 00:29:28,960

take away from caesar's messiah

767

00:29:33,510 --> 00:29:31,039

if you really dig into it and you start

768

00:29:35,669 --> 00:29:33,520

digging into it further and further

769

00:29:38,230 --> 00:29:35,679

you know and and

770

00:29:39,669 --> 00:29:38,240

it's always been like that and the tools

771

00:29:41,350 --> 00:29:39,679

aren't really

772

00:29:44,149 --> 00:29:41,360

that much they've changed a lot and

773

00:29:45,029 --> 00:29:44,159

we've layered on some fancy technology

774

00:29:46,950 --> 00:29:45,039

but

775

00:29:49,350 --> 00:29:46,960

it was always thus and that's what i

776

00:29:52,070 --> 00:29:49,360

think is is also interesting about

777

00:29:53,830 --> 00:29:52,080

history you know and maybe i can

778

00:29:55,909 --> 00:29:53,840

jump out of the process mode because i

779

00:29:58,149 --> 00:29:55,919

could go on and on and talk about

780

00:30:00,789 --> 00:29:58,159

the process and how we do what we're

781

00:30:01,909 --> 00:30:00,799

gonna do but maybe we need to jump into

782

00:30:06,630 --> 00:30:01,919

it

783

00:30:09,350 --> 00:30:06,640

you mention oligarchs you know

784

00:30:11,110 --> 00:30:09,360

because i think of oligarchs but i also

785

00:30:12,230 --> 00:30:11,120

think of this idea of these lifetime

786

00:30:15,029 --> 00:30:12,240

players

787

00:30:17,350 --> 00:30:15,039

i also think of the useful idiot

788

00:30:19,510 --> 00:30:17,360

i think of the game master

789

00:30:21,190 --> 00:30:19,520

i think of the monarchs

790

00:30:23,510 --> 00:30:21,200

and i think of all these people as being

791

00:30:24,310 --> 00:30:23,520

white hats and black hats you know we'll

792

00:30:26,870 --> 00:30:24,320

just

793

00:30:28,389 --> 00:30:26,880

i'll tie it to one little tidbit that i

794

00:30:30,149 --> 00:30:28,399

think will kind of maybe take us in a

795

00:30:32,549 --> 00:30:30,159

different direction and then we'll get

796

00:30:35,110 --> 00:30:32,559

back to i can't wait to talk about

797

00:30:37,830 --> 00:30:35,120

caesar's messiah 2.0 and everything that

798

00:30:39,430 --> 00:30:37,840

i'm learning about that roman history

799

00:30:40,549 --> 00:30:39,440

and we'll have lots of fun with that but

800

00:30:43,110 --> 00:30:40,559

i love

801
00:30:44,870 --> 00:30:43,120
laying out this groundwork with you

802
00:30:46,310 --> 00:30:44,880
so i jumped to

803
00:30:47,110 --> 00:30:46,320
fdr

804
00:30:49,430 --> 00:30:47,120
and

805
00:30:51,430 --> 00:30:49,440
the attack on pearl harbor

806
00:30:53,430 --> 00:30:51,440
and it's always been an interesting

807
00:30:56,070 --> 00:30:53,440
point in history because it popped up on

808
00:30:58,549 --> 00:30:56,080
my radar screen when i first got

809
00:31:01,029 --> 00:30:58,559
interested in conspiracies and that is

810
00:31:02,149 --> 00:31:01,039
the idea that perhaps

811
00:31:04,470 --> 00:31:02,159
we were

812
00:31:06,630 --> 00:31:04,480
willing to be

813
00:31:09,190 --> 00:31:06,640

surprise attacked i know that's an

814

00:31:10,549 --> 00:31:09,200

oxymoron but people get what i mean

815

00:31:12,950 --> 00:31:10,559

and the evidence that that starts

816

00:31:15,029 --> 00:31:12,960

mounting up the deep you look into it

817

00:31:16,310 --> 00:31:15,039

and the most significant evidence that i

818

00:31:18,389 --> 00:31:16,320

think is

819

00:31:21,590 --> 00:31:18,399

layered with the kind of complexity that

820

00:31:23,909 --> 00:31:21,600

we need to really analyze this game

821

00:31:26,389 --> 00:31:23,919

player kind of thing and whether it's a

822

00:31:28,470 --> 00:31:26,399

white hat game player or a black hat

823

00:31:32,310 --> 00:31:28,480

game player

824

00:31:35,830 --> 00:31:32,320

is that i think the the really smart

825

00:31:38,470 --> 00:31:35,840

pentagon military industrial complex

826

00:31:39,430 --> 00:31:38,480

people and some of them are damn damn

827

00:31:42,310 --> 00:31:39,440

smart

828

00:31:44,470 --> 00:31:42,320

but they realized at that time

829

00:31:47,509 --> 00:31:44,480

in the in the 30s

830

00:31:49,750 --> 00:31:47,519

1930s and early 1940s

831

00:31:52,149 --> 00:31:49,760

that world war ii was going to be a war

832

00:31:55,190 --> 00:31:52,159

that was won or lost

833

00:31:57,669 --> 00:31:55,200

with aircraft carriers

834

00:32:01,029 --> 00:31:57,679

so before the japanese and we had done

835

00:32:02,549 --> 00:32:01,039

everything at this point to bait japan

836

00:32:05,029 --> 00:32:02,559

into attacking us

837

00:32:08,630 --> 00:32:05,039

hell we had we had basically committed

838

00:32:09,830 --> 00:32:08,640

an act of war by blockading all the oil

839

00:32:13,029 --> 00:32:09,840

from

840

00:32:15,750 --> 00:32:13,039

reaching japan which is an act of war

841

00:32:18,470 --> 00:32:15,760

you know so we were ready for the attack

842

00:32:21,590 --> 00:32:18,480

we had intercepted information knowing

843

00:32:23,990 --> 00:32:21,600

that they were going to attack fdr sends

844

00:32:26,149 --> 00:32:24,000

all the aircraft area all the aircraft

845

00:32:28,710 --> 00:32:26,159

carriers out to sea which is the

846

00:32:31,110 --> 00:32:28,720

telltale sign of two things one he knew

847

00:32:32,950 --> 00:32:31,120

the attack was coming and two he knew

848

00:32:35,509 --> 00:32:32,960

that those stupid old destroyers and

849

00:32:37,509 --> 00:32:35,519

crap that he left in pearl harbor didn't

850

00:32:39,430 --> 00:32:37,519

mean as [h__\h] and if they put him to the

851
00:32:41,509 --> 00:32:39,440
bottom of the ocean

852
00:32:43,669 --> 00:32:41,519
it wouldn't really make any difference

853
00:32:46,789 --> 00:32:43,679
and it really didn't make any difference

854
00:32:49,990 --> 00:32:46,799
and in fact once they bombed those ships

855
00:32:52,710 --> 00:32:50,000
he sent them back to port in

856
00:32:55,350 --> 00:32:52,720
san francisco and in los angeles to

857
00:32:59,350 --> 00:32:55,360
guard the coastline like we needed it

858
00:33:01,110 --> 00:32:59,360
guarded but here's the point in all that

859
00:33:02,630 --> 00:33:01,120
was that

860
00:33:04,389 --> 00:33:02,640
an oligarch

861
00:33:06,310 --> 00:33:04,399
a game master

862
00:33:09,990 --> 00:33:06,320
in a white hat

863
00:33:13,029 --> 00:33:10,000

because you could make the case that we

864

00:33:16,230 --> 00:33:13,039

needed that we needed that kind of pearl

865

00:33:17,830 --> 00:33:16,240

harbor event which echoes with the 911

866

00:33:18,870 --> 00:33:17,840

thing but we won't even get there for a

867

00:33:22,950 --> 00:33:18,880

minute

868

00:33:23,830 --> 00:33:22,960

we needed a pearl harbor event to wake

869

00:33:25,590 --> 00:33:23,840

up

870

00:33:29,190 --> 00:33:25,600

this

871

00:33:31,590 --> 00:33:29,200

sleeping slumbering stupid american

872

00:33:34,230 --> 00:33:31,600

populace that was still

873

00:33:36,470 --> 00:33:34,240

wrestling with the fact of whether

874

00:33:38,549 --> 00:33:36,480

this world war was really something we

875

00:33:40,630 --> 00:33:38,559

needed to engage in what do you think

876
00:33:44,070 --> 00:33:40,640
about all that

877
00:33:44,870 --> 00:33:44,080
yeah i mean i think it was uh

878
00:33:55,110 --> 00:33:44,880
the

879
00:33:57,190 --> 00:33:55,120
uh gee it's such a long

880
00:33:58,870 --> 00:33:57,200
analytic path but i mean you know things

881
00:34:00,789 --> 00:33:58,880
that you can do just to kind of

882
00:34:01,750 --> 00:34:00,799
accelerate that understanding is look at

883
00:34:06,310 --> 00:34:01,760
the

884
00:34:07,869 --> 00:34:06,320
car he was in when he was assassinated

885
00:34:09,589 --> 00:34:07,879
you know it's

886
00:34:11,990 --> 00:34:09,599
a1118

887
00:34:14,310 --> 00:34:12,000
which ended up being armistice day uh

888
00:34:18,470 --> 00:34:14,320

you know three and a half years later so

889

00:34:20,869 --> 00:34:18,480

they they knew the dates that they would

890

00:34:22,470 --> 00:34:20,879

you know conclude the war at the before

891

00:34:23,669 --> 00:34:22,480

they they began it

892

00:34:27,270 --> 00:34:23,679

um

893

00:34:29,669 --> 00:34:27,280

in in ww1 you know you have the kaiser

894

00:34:31,430 --> 00:34:29,679

and uh you know the

895

00:34:32,470 --> 00:34:31,440

king of england but they they were first

896

00:34:34,069 --> 00:34:32,480

cousins

897

00:34:35,829 --> 00:34:34,079

they played together as children of

898

00:34:38,149 --> 00:34:35,839

course they were both masons they had

899

00:34:39,430 --> 00:34:38,159

they were part of the secret society

900

00:34:40,230 --> 00:34:39,440

um

901
00:34:42,470 --> 00:34:40,240
so

902
00:34:45,109 --> 00:34:42,480
this looks very artificial it looks like

903
00:34:46,149 --> 00:34:45,119
it's simply population reduction

904
00:34:47,909 --> 00:34:46,159
um

905
00:34:50,389 --> 00:34:47,919
and it's a it's upsetting to me because

906
00:34:52,950 --> 00:34:50,399
my grandfather was mustard gassed at the

907
00:34:54,629 --> 00:34:52,960
psalm you know where they just

908
00:34:55,750 --> 00:34:54,639
pushed these people into automatic

909
00:34:58,230 --> 00:34:55,760
weapons

910
00:34:59,750 --> 00:34:58,240
uh you know 60 000 people i think died

911
00:35:02,630 --> 00:34:59,760
in a two-day period just unbelievable

912
00:35:03,829 --> 00:35:02,640
carnage so that was um

913
00:35:06,630 --> 00:35:03,839

you know just

914

00:35:08,550 --> 00:35:06,640

like how how and and you know there's

915

00:35:09,829 --> 00:35:08,560

just there's there's be some to go into

916

00:35:11,750 --> 00:35:09,839

that

917

00:35:13,829 --> 00:35:11,760

stream of analysis would be

918

00:35:15,829 --> 00:35:13,839

uh kind of a long diversion but i'm just

919

00:35:17,430 --> 00:35:15,839

giving you my opinion i mean i would say

920

00:35:19,589 --> 00:35:17,440

another way you can look at is look at

921

00:35:24,310 --> 00:35:19,599

9-1-1

922

00:35:26,310 --> 00:35:24,320

the hebrew bible that the temple was

923

00:35:28,390 --> 00:35:26,320

destroyed if you look at the analysis of

924

00:35:29,990 --> 00:35:28,400

caesar's messiah

925

00:35:31,670 --> 00:35:30,000

you can see that the destruction of the

926
00:35:34,310 --> 00:35:31,680
temple was uh

927
00:35:37,349 --> 00:35:34,320
you know the the roman touchdown point

928
00:35:39,990 --> 00:35:37,359
for when they claimed to be ending

929
00:35:40,710 --> 00:35:40,000
uh the the jewish religion and replacing

930
00:35:44,790 --> 00:35:40,720
it

931
00:35:48,310 --> 00:35:44,800
version of judaism

932
00:35:49,270 --> 00:35:48,320
so the idea that uh you know the the

933
00:35:52,150 --> 00:35:49,280
central

934
00:35:54,230 --> 00:35:52,160
turning point in history was that that

935
00:35:55,829 --> 00:35:54,240
uh you know could be seen as as you know

936
00:35:56,710 --> 00:35:55,839
9-1-1 it's it's

937
00:35:59,510 --> 00:35:56,720
it is

938
00:36:00,950 --> 00:35:59,520

you know um it's a little it's different

939

00:36:02,069 --> 00:36:00,960

because the numbers are slightly

940

00:36:03,910 --> 00:36:02,079

different i mean they're not they're not

941

00:36:05,910 --> 00:36:03,920

different they're the same numbers but

942

00:36:08,150 --> 00:36:05,920

the month and the dates are inverted um

943

00:36:10,390 --> 00:36:08,160

but you know this is how the typology

944

00:36:13,030 --> 00:36:10,400

works i mean typology is never verbatim

945

00:36:15,030 --> 00:36:13,040

fatimism but you can people wonder why

946

00:36:17,670 --> 00:36:15,040

that date was chosen i mean it's in our

947

00:36:19,990 --> 00:36:17,680

in my opinion it's an obvious artificial

948

00:36:22,069 --> 00:36:20,000

government project so

949

00:36:24,150 --> 00:36:22,079

um the fact that this date was chosen

950

00:36:25,910 --> 00:36:24,160

the fact that three buildings collapsed

951
00:36:26,950 --> 00:36:25,920
i mean this is like representing the

952
00:36:29,910 --> 00:36:26,960
trinity

953
00:36:31,829 --> 00:36:29,920
so you you know these things are

954
00:36:33,990 --> 00:36:31,839
they're hard to understand you have to

955
00:36:36,310 --> 00:36:34,000
do a lot of sort of background work and

956
00:36:37,790 --> 00:36:36,320
and look for how they they represent

957
00:36:40,310 --> 00:36:37,800
these things but

958
00:36:41,589 --> 00:36:40,320
ww2 i mean i've always thought that the

959
00:36:43,910 --> 00:36:41,599
um

960
00:36:46,150 --> 00:36:43,920
kind of the most you know like

961
00:36:48,550 --> 00:36:46,160
the beginning of kind of like the humor

962
00:36:51,270 --> 00:36:48,560
of the thing was just they they called

963
00:36:53,109 --> 00:36:51,280

the attack torah torah torah

964

00:36:55,030 --> 00:36:53,119

which uh you know

965

00:36:57,510 --> 00:36:55,040

you know at that time the freemasons had

966

00:36:59,910 --> 00:36:57,520

become very powerful politically and so

967

00:37:02,950 --> 00:36:59,920

i've always thought that this was uh

968

00:37:03,910 --> 00:37:02,960

just a japanese pun you know on on the

969

00:37:06,069 --> 00:37:03,920

uh

970

00:37:09,190 --> 00:37:06,079

on the relationship there um

971

00:37:11,910 --> 00:37:09,200

the masons had you know had gotten into

972

00:37:12,870 --> 00:37:11,920

japan and had uh

973

00:37:15,349 --> 00:37:12,880

um

974

00:37:17,109 --> 00:37:15,359

uh you know it did at the end macarthur

975

00:37:19,270 --> 00:37:17,119

you know who was amazing uh he he

976

00:37:22,550 --> 00:37:19,280

basically put all of the

977

00:37:24,870 --> 00:37:22,560

the japanese authority were you know to

978

00:37:25,750 --> 00:37:24,880

go forward after we're all freemasons so

979

00:37:27,670 --> 00:37:25,760

it was

980

00:37:30,230 --> 00:37:27,680

you know japan was uh one of the

981

00:37:31,109 --> 00:37:30,240

countries that had this masonic

982

00:37:33,670 --> 00:37:31,119

um

983

00:37:34,790 --> 00:37:33,680

you know kind of influence which then

984

00:37:37,190 --> 00:37:34,800

uh you know

985

00:37:39,030 --> 00:37:37,200

they they attacked us

986

00:37:40,790 --> 00:37:39,040

uh and as you say there was very good

987

00:37:41,589 --> 00:37:40,800

political reasons i mean

988

00:37:42,470 --> 00:37:41,599

um

989

00:37:44,310 --> 00:37:42,480

but

990

00:37:49,270 --> 00:37:44,320

um

991

00:37:52,870 --> 00:37:51,190

could have easily or or could have

992

00:37:54,710 --> 00:37:52,880

possibly found other ways to deal with

993

00:37:56,630 --> 00:37:54,720

it it's sort of like uh

994

00:37:58,390 --> 00:37:56,640

um the wars

995

00:38:00,390 --> 00:37:58,400

alex are very

996

00:38:01,589 --> 00:38:00,400

you know you well look go go back to the

997

00:38:03,990 --> 00:38:01,599

revolutionary word you want to see

998

00:38:06,630 --> 00:38:04,000

another example why couldn't the lodge

999

00:38:08,069 --> 00:38:06,640

brothers washington and king george just

1000

00:38:10,069 --> 00:38:08,079

work it out

1001

00:38:12,310 --> 00:38:10,079

i mean i mean but

1002

00:38:14,470 --> 00:38:12,320

wars are very important uh they

1003

00:38:16,550 --> 00:38:14,480

traumatize the population they they

1004

00:38:18,390 --> 00:38:16,560

depopulate certain groups

1005

00:38:20,550 --> 00:38:18,400

and so you just always have to ask

1006

00:38:22,870 --> 00:38:20,560

yourself you know like

1007

00:38:25,510 --> 00:38:22,880

what is what is really in back the big

1008

00:38:26,710 --> 00:38:25,520

picture i would say world war ii

1009

00:38:30,230 --> 00:38:26,720

um

1010

00:38:33,589 --> 00:38:30,240

you have uh this bizarre influence on

1011

00:38:35,829 --> 00:38:33,599

both on on on two key components of

1012

00:38:39,829 --> 00:38:35,839

what's going on historically

1013

00:38:41,190 --> 00:38:39,839

um the quattro coronadi lodge uh was

1014

00:38:43,750 --> 00:38:41,200

producing

1015

00:38:46,069 --> 00:38:43,760

both uh the nazi party through helen

1016

00:38:46,870 --> 00:38:46,079

bubotsky and the theosophical society

1017

00:38:48,950 --> 00:38:46,880

and

1018

00:38:51,109 --> 00:38:48,960

other people that they had set out there

1019

00:38:53,990 --> 00:38:51,119

so they have the the nazi party is very

1020

00:38:55,829 --> 00:38:54,000

very easily identified once you kind of

1021

00:38:57,430 --> 00:38:55,839

get into the

1022

00:38:59,270 --> 00:38:57,440

like who is actually developing the

1023

00:39:00,870 --> 00:38:59,280

different things you know the money the

1024

00:39:04,870 --> 00:39:00,880

philosophy the

1025

00:39:07,109 --> 00:39:04,880

the swastika the anti-semitism the aryan

1026
00:39:08,710 --> 00:39:07,119
supremacy i mean these things are all

1027
00:39:09,750 --> 00:39:08,720
coming from different individuals but

1028
00:39:11,510 --> 00:39:09,760
they're all

1029
00:39:14,230 --> 00:39:11,520
part of this you know by the

1030
00:39:15,829 --> 00:39:14,240
organization that bobotsky set up

1031
00:39:17,670 --> 00:39:15,839
blavatsky of course i talk about

1032
00:39:19,670 --> 00:39:17,680
lifetime actors you know she claims to

1033
00:39:21,910 --> 00:39:19,680
have been in himalayas in this you know

1034
00:39:23,270 --> 00:39:21,920
deep religious spiritual thing where she

1035
00:39:24,950 --> 00:39:23,280
develops this

1036
00:39:27,430 --> 00:39:24,960
bizarre and

1037
00:39:28,710 --> 00:39:27,440
weird uh you know like a theosophical

1038
00:39:30,630 --> 00:39:28,720

society

1039

00:39:31,910 --> 00:39:30,640

actually she wasn't there at all she was

1040

00:39:36,390 --> 00:39:31,920

in italy

1041

00:39:38,950 --> 00:39:36,400

with um manzini and uh garibaldi

1042

00:39:40,630 --> 00:39:38,960

uh fighting them in the masonic army

1043

00:39:42,710 --> 00:39:40,640

against the pope

1044

00:39:44,790 --> 00:39:42,720

she was at the battle of montana where

1045

00:39:47,349 --> 00:39:44,800

uh garibaldi and the popes you know had

1046

00:39:49,349 --> 00:39:47,359

this bloodbath they lost

1047

00:39:51,510 --> 00:39:49,359

she was wearing a red shirt she took two

1048

00:39:53,109 --> 00:39:51,520

bullets and a saber wound that almost

1049

00:39:55,990 --> 00:39:53,119

took her arm off

1050

00:39:58,069 --> 00:39:56,000

and when garibaldi brings her back to

1051

00:39:58,950 --> 00:39:58,079

england she is still wearing the red

1052

00:40:02,950 --> 00:39:58,960

shirt

1053

00:40:05,109 --> 00:40:02,960

the freemason symbol of the of the group

1054

00:40:06,790 --> 00:40:05,119

that garibaldi had developed which then

1055

00:40:08,390 --> 00:40:06,800

becomes the the brown shirt and the

1056

00:40:10,390 --> 00:40:08,400

black shirt you know it's a nazi party

1057

00:40:12,230 --> 00:40:10,400

goes for it but anyway i mean this kind

1058

00:40:15,190 --> 00:40:12,240

of rambling here but

1059

00:40:17,270 --> 00:40:15,200

i'm just in complete agreement that

1060

00:40:19,349 --> 00:40:17,280

you when you look at pearl harbor and

1061

00:40:21,670 --> 00:40:19,359

you start seeing strange things you know

1062

00:40:23,349 --> 00:40:21,680

like how it appears like they they may

1063

00:40:24,710 --> 00:40:23,359

have had four knowledge

1064

00:40:25,829 --> 00:40:24,720

man this is

1065

00:40:27,910 --> 00:40:25,839

you know

1066

00:40:28,950 --> 00:40:27,920

this is a it's a portal what you've what

1067

00:40:31,190 --> 00:40:28,960

you've

1068

00:40:34,230 --> 00:40:31,200

posited is a portal

1069

00:40:36,710 --> 00:40:34,240

and i would just encourage all citizens

1070

00:40:39,030 --> 00:40:36,720

to walk down that

1071

00:40:42,069 --> 00:40:39,040

opening that you created

1072

00:40:44,470 --> 00:40:42,079

the um what we have is history is

1073

00:40:46,630 --> 00:40:44,480

nonsense it's sort of like the uh

1074

00:40:49,109 --> 00:40:46,640

the the history of jesus christ being

1075

00:40:50,630 --> 00:40:49,119

given to us you know as well this is

1076
00:40:51,750 --> 00:40:50,640
why we should you know be a part of this

1077
00:40:54,710 --> 00:40:51,760
religion

1078
00:40:57,109 --> 00:40:54,720
i'm sorry this is these are stories that

1079
00:40:59,829 --> 00:40:57,119
are given to us for control

1080
00:41:01,510 --> 00:40:59,839
and the world wars are incredibly

1081
00:41:02,870 --> 00:41:01,520
important to understand

1082
00:41:06,309 --> 00:41:02,880
uh as

1083
00:41:08,309 --> 00:41:06,319
as stories told by lifetime actors you

1084
00:41:10,069 --> 00:41:08,319
know you look at roosevelt you know he's

1085
00:41:11,990 --> 00:41:10,079
supposedly

1086
00:41:13,270 --> 00:41:12,000
what you know socialist or you know some

1087
00:41:16,069 --> 00:41:13,280
of the new deal

1088
00:41:17,349 --> 00:41:16,079

remember his first cousin is running

1089

00:41:18,470 --> 00:41:17,359

um

1090

00:41:21,109 --> 00:41:18,480

the uh

1091

00:41:22,870 --> 00:41:21,119

russell truss openium opium

1092

00:41:23,910 --> 00:41:22,880

business in china was the head he was

1093

00:41:24,870 --> 00:41:23,920

the head of it

1094

00:41:26,870 --> 00:41:24,880

and so

1095

00:41:29,109 --> 00:41:26,880

you have these oligarchic i would call

1096

00:41:30,470 --> 00:41:29,119

them oligarchy connections in inside

1097

00:41:31,829 --> 00:41:30,480

that family going in all different

1098

00:41:35,030 --> 00:41:31,839

directions

1099

00:41:37,270 --> 00:41:35,040

um these people are created and set up

1100

00:41:39,750 --> 00:41:37,280

you know we we

1101
00:41:41,510 --> 00:41:39,760
they they we see them as

1102
00:41:42,870 --> 00:41:41,520
whatever you know that they're they're

1103
00:41:43,829 --> 00:41:42,880
they're

1104
00:41:47,030 --> 00:41:43,839
uh

1105
00:41:48,870 --> 00:41:47,040
the representation of their role is how

1106
00:41:49,910 --> 00:41:48,880
we perceive them you know obama for

1107
00:41:51,990 --> 00:41:49,920
example

1108
00:41:54,790 --> 00:41:52,000
but if you look in their background you

1109
00:41:56,870 --> 00:41:54,800
start to see things you know

1110
00:41:57,670 --> 00:41:56,880
that just seem inexplicable

1111
00:42:00,309 --> 00:41:57,680
um

1112
00:42:01,349 --> 00:42:00,319
you look at ken keezy our

1113
00:42:02,870 --> 00:42:01,359

you know the

1114

00:42:04,790 --> 00:42:02,880

stuart brand the people are creating the

1115

00:42:06,390 --> 00:42:04,800

counterculture you go backwards a bit

1116

00:42:09,349 --> 00:42:06,400

you start seeing things

1117

00:42:12,790 --> 00:42:09,359

that connect them into um

1118

00:42:14,470 --> 00:42:12,800

you know this this long-standing process

1119

00:42:15,510 --> 00:42:14,480

by which the counterculture is being

1120

00:42:17,990 --> 00:42:15,520

produced

1121

00:42:20,470 --> 00:42:18,000

and so this is you know alex this is my

1122

00:42:23,510 --> 00:42:20,480

honest opinion is that

1123

00:42:26,390 --> 00:42:23,520

we what we have is history is actually

1124

00:42:28,470 --> 00:42:26,400

uh a system of social control

1125

00:42:31,109 --> 00:42:28,480

and it's tipped to stern and there you

1126

00:42:33,510 --> 00:42:31,119

just can't believe a darn thing of it

1127

00:42:35,109 --> 00:42:33,520

what you can get i mean it'd be like

1128

00:42:36,710 --> 00:42:35,119

trying to recreate the history of the

1129

00:42:38,870 --> 00:42:36,720

first century

1130

00:42:40,390 --> 00:42:38,880

if you understand the typology and how

1131

00:42:42,069 --> 00:42:40,400

the oligarchs are using the story of

1132

00:42:43,670 --> 00:42:42,079

christianity you can kind of tease the

1133

00:42:45,829 --> 00:42:43,680

history out of it you can sort of say

1134

00:42:47,750 --> 00:42:45,839

well maybe this was how you know the

1135

00:42:49,750 --> 00:42:47,760

struggle between the romans and the jews

1136

00:42:51,670 --> 00:42:49,760

went went down because you have some

1137

00:42:53,750 --> 00:42:51,680

basis in the typology to make sense out

1138

00:42:56,150 --> 00:42:53,760

of it but other than that there's

1139

00:42:58,790 --> 00:42:56,160

nothing you using josephus is the only

1140

00:43:00,550 --> 00:42:58,800

real one on the ground historian of the

1141

00:43:04,069 --> 00:43:00,560

judean war

1142

00:43:06,470 --> 00:43:04,079

is ridiculous this is a this is a 100

1143

00:43:07,349 --> 00:43:06,480

device for social control once you have

1144

00:43:08,710 --> 00:43:07,359

that

1145

00:43:10,470 --> 00:43:08,720

understanding

1146

00:43:12,710 --> 00:43:10,480

the world is

1147

00:43:14,790 --> 00:43:12,720

more

1148

00:43:17,030 --> 00:43:14,800

brutal you know you can see that that

1149

00:43:18,470 --> 00:43:17,040

there that what a lot of the things that

1150

00:43:21,589 --> 00:43:18,480

we thought were

1151

00:43:24,309 --> 00:43:21,599

benevolent or not but it's also a lot

1152

00:43:26,630 --> 00:43:24,319

clearer a lot easier to understand

1153

00:43:29,670 --> 00:43:26,640

you can have decisions now that uh will

1154

00:43:33,510 --> 00:43:29,680

hopefully protect yourself in the future

1155

00:43:35,510 --> 00:43:33,520

okay so you just covered the world there

1156

00:43:38,470 --> 00:43:35,520

dude i didn't meet you i just no you

1157

00:43:42,790 --> 00:43:40,470

here's what i would here's what i would

1158

00:43:45,030 --> 00:43:42,800

kind of suggest like

1159

00:43:46,309 --> 00:43:45,040

whenever we hit these topics that

1160

00:43:49,510 --> 00:43:46,319

require

1161

00:43:51,750 --> 00:43:49,520

additional kind of work then we should

1162

00:43:53,750 --> 00:43:51,760

break them off as separate topics i

1163

00:43:54,870 --> 00:43:53,760

think

1164

00:43:57,349 --> 00:43:54,880

crowley

1165

00:43:59,750 --> 00:43:57,359

rudolph steiner who is really a white

1166

00:44:01,349 --> 00:43:59,760

hat in in there as well but i've just

1167

00:44:03,349 --> 00:44:01,359

interviewed a guy who's the head of the

1168

00:44:05,990 --> 00:44:03,359

theosophical society

1169

00:44:08,390 --> 00:44:06,000

that would be a great show

1170

00:44:09,829 --> 00:44:08,400

to have and a great show to discuss and

1171

00:44:12,069 --> 00:44:09,839

i don't think i

1172

00:44:15,270 --> 00:44:12,079

kind of agree with you on a lot of that

1173

00:44:17,990 --> 00:44:15,280

stuff but i i agree with enough of it

1174

00:44:20,470 --> 00:44:18,000

that we we'd have a good dialogue so i'd

1175

00:44:21,910 --> 00:44:20,480

almost break that out go ahead

1176

00:44:24,470 --> 00:44:21,920

i wanted to conclude with one little

1177

00:44:27,109 --> 00:44:24,480

thing because i just this in case people

1178

00:44:29,510 --> 00:44:27,119

you know want to like go into that uh

1179

00:44:32,150 --> 00:44:29,520

one of the things that uh is overlooked

1180

00:44:35,349 --> 00:44:32,160

so often when people talk about hitler

1181

00:44:37,109 --> 00:44:35,359

is that he was actually a creation of uh

1182

00:44:39,030 --> 00:44:37,119

dietrich aircart

1183

00:44:40,870 --> 00:44:39,040

and this is known i mean he's one who

1184

00:44:42,309 --> 00:44:40,880

like taught him how to talk how to have

1185

00:44:43,589 --> 00:44:42,319

a stage presence he bought him the

1186

00:44:45,589 --> 00:44:43,599

overcoat because he thought he wasn't

1187

00:44:46,390 --> 00:44:45,599

manly looking

1188

00:44:49,430 --> 00:44:46,400

but

1189

00:44:52,550 --> 00:44:49,440

on his deathbed he created a quote which

1190

00:44:54,870 --> 00:44:52,560

is in existence and eckhart said you

1191

00:44:57,030 --> 00:44:54,880

know don't feel bad for me i'm going to

1192

00:44:59,349 --> 00:44:57,040

have more influence in

1193

00:45:00,790 --> 00:44:59,359

in germany history than any other person

1194

00:45:01,670 --> 00:45:00,800

because i'm the one

1195

00:45:02,470 --> 00:45:01,680

who

1196

00:45:05,270 --> 00:45:02,480

uh

1197

00:45:06,950 --> 00:45:05,280

turned adolf hitler on to blavotsky and

1198

00:45:09,910 --> 00:45:06,960

the secret doctrine

1199

00:45:10,870 --> 00:45:09,920

um adolph is dancing to my tune

1200

00:45:12,230 --> 00:45:10,880

so

1201
00:45:14,790 --> 00:45:12,240
you know

1202
00:45:17,750 --> 00:45:14,800
i hate to say it but when you start out

1203
00:45:19,829 --> 00:45:17,760
with blavoski in the 1880s you know

1204
00:45:21,829 --> 00:45:19,839
coming up with the right angled swastika

1205
00:45:24,710 --> 00:45:21,839
as the uh the symbol

1206
00:45:26,870 --> 00:45:24,720
which then you know ends up with uh

1207
00:45:27,990 --> 00:45:26,880
uh sabotendorff you know

1208
00:45:30,790 --> 00:45:28,000
like

1209
00:45:33,109 --> 00:45:30,800
owning the the national socialist party

1210
00:45:35,109 --> 00:45:33,119
and then handing it over to the

1211
00:45:37,109 --> 00:45:35,119
to eckhart and and the next generation

1212
00:45:39,030 --> 00:45:37,119
the people are surrounding hitler i mean

1213
00:45:40,790 --> 00:45:39,040

it to me it's just too many points of

1214

00:45:42,790 --> 00:45:40,800

connection and it's all going in one

1215

00:45:44,630 --> 00:45:42,800

direction and it's been completely

1216

00:45:45,430 --> 00:45:44,640

overlooked i mean it's just shocking

1217

00:45:49,190 --> 00:45:45,440

that

1218

00:45:51,750 --> 00:45:49,200

hasn't actually

1219

00:45:53,190 --> 00:45:51,760

gotten more attention because remember

1220

00:45:54,630 --> 00:45:53,200

that when you talk about national

1221

00:45:56,230 --> 00:45:54,640

socialism you're talking about the

1222

00:45:57,750 --> 00:45:56,240

bellamy's

1223

00:46:00,390 --> 00:45:57,760

the bellamys are the ones who actually

1224

00:46:02,470 --> 00:46:00,400

came up with the term they developed the

1225

00:46:04,470 --> 00:46:02,480

flag salute in america before they went

1226
00:46:05,670 --> 00:46:04,480
to germany to introduce the philosophy

1227
00:46:08,230 --> 00:46:05,680
there but

1228
00:46:09,829 --> 00:46:08,240
and the bellamy's were strict followers

1229
00:46:12,470 --> 00:46:09,839
of blavatsky

1230
00:46:14,550 --> 00:46:12,480
blavatsky you know has has letters with

1231
00:46:16,390 --> 00:46:14,560
them and and writes about them as though

1232
00:46:19,589 --> 00:46:16,400
they were basically you know her

1233
00:46:21,430 --> 00:46:19,599
creations and doing her bidding and so

1234
00:46:22,950 --> 00:46:21,440
you know these connections have always

1235
00:46:24,069 --> 00:46:22,960
been there

1236
00:46:26,390 --> 00:46:24,079
not

1237
00:46:28,470 --> 00:46:26,400
given to the public i mean try to find

1238
00:46:30,309 --> 00:46:28,480

eckhart's deathbed quote the one i gave

1239

00:46:32,309 --> 00:46:30,319

you man it's very very hard to find it

1240

00:46:34,309 --> 00:46:32,319

they've scrubbed it so

1241

00:46:36,870 --> 00:46:34,319

you know um

1242

00:46:38,870 --> 00:46:36,880

we won't agree on a lot of stuff but i

1243

00:46:39,910 --> 00:46:38,880

think we'll both agree on on this

1244

00:46:42,470 --> 00:46:39,920

principle

1245

00:46:43,990 --> 00:46:42,480

you know that we we really uh need to go

1246

00:46:46,069 --> 00:46:44,000

into our history

1247

00:46:47,750 --> 00:46:46,079

and to see how

1248

00:46:48,710 --> 00:46:47,760

you know what the stories have been

1249

00:46:50,950 --> 00:46:48,720

given

1250

00:46:53,030 --> 00:46:50,960

and how they have influenced us well our

1251

00:46:55,430 --> 00:46:53,040

how our beliefs now

1252

00:46:57,270 --> 00:46:55,440

create a relationship to government you

1253

00:46:58,390 --> 00:46:57,280

know to our role in the world to

1254

00:47:00,390 --> 00:46:58,400

ourselves

1255

00:47:02,550 --> 00:47:00,400

that's that this wasn't

1256

00:47:04,950 --> 00:47:02,560

you know done by people who were trying

1257

00:47:08,309 --> 00:47:04,960

to develop us spiritually

1258

00:47:10,470 --> 00:47:08,319

these things are given to us for control

1259

00:47:12,710 --> 00:47:10,480

so great i like the way you teed that up

1260

00:47:15,430 --> 00:47:12,720

there at the end so i actually have a

1261

00:47:17,750 --> 00:47:15,440

lot to say about blavatsky in particular

1262

00:47:19,510 --> 00:47:17,760

aleister crowley

1263

00:47:21,030 --> 00:47:19,520

and and all that stuff and richard

1264

00:47:24,150 --> 00:47:21,040

smoley was the guy's name i was trying

1265

00:47:25,990 --> 00:47:24,160

to think of who was the head of the

1266

00:47:28,069 --> 00:47:26,000

society now when i just interviewed him

1267

00:47:29,910 --> 00:47:28,079

and you know he wrote a terrific book

1268

00:47:31,829 --> 00:47:29,920

how god became god and he's written some

1269

00:47:33,589 --> 00:47:31,839

other books anyways

1270

00:47:35,030 --> 00:47:33,599

what i want to kind of should focus on a

1271

00:47:37,349 --> 00:47:35,040

little bit because i think it'll get us

1272

00:47:39,030 --> 00:47:37,359

to the same place and because we can't

1273

00:47:40,790 --> 00:47:39,040

talk about everything and i want to kind

1274

00:47:43,589 --> 00:47:40,800

of return it back to the world war ii

1275

00:47:46,230 --> 00:47:43,599

thing is history you know and i just had

1276

00:47:49,270 --> 00:47:46,240

a great interview with a guy named dr

1277

00:47:52,069 --> 00:47:49,280

adrian goldsworthy who is

1278

00:47:54,870 --> 00:47:52,079

primarily at this point he is like a

1279

00:47:56,790 --> 00:47:54,880

writer he writes history books and

1280

00:47:59,270 --> 00:47:56,800

people love him and he writes

1281

00:48:01,430 --> 00:47:59,280

about augustus and about caesar and pax

1282

00:48:03,990 --> 00:48:01,440

romani and he's an expert on military

1283

00:48:07,270 --> 00:48:04,000

history but he has a phd in history from

1284

00:48:09,910 --> 00:48:07,280

oxford and we talked a lot about how

1285

00:48:10,870 --> 00:48:09,920

history is done you know

1286

00:48:14,150 --> 00:48:10,880

and

1287

00:48:17,510 --> 00:48:14,160

i i love his approach i love his rigor

1288

00:48:19,990 --> 00:48:17,520

and i i think it paints to me i'm more

1289

00:48:24,069 --> 00:48:20,000

siding with him on some of these things

1290

00:48:26,549 --> 00:48:24,079

than i am with you i think this idea is

1291

00:48:29,829 --> 00:48:26,559

that that gets kind of banted around a

1292

00:48:32,150 --> 00:48:29,839

lot is that history is nonsense

1293

00:48:33,670 --> 00:48:32,160

we can't trust history don't trust

1294

00:48:34,870 --> 00:48:33,680

anything they're telling you about

1295

00:48:36,870 --> 00:48:34,880

history

1296

00:48:38,870 --> 00:48:36,880

to me it plays into some of these other

1297

00:48:41,270 --> 00:48:38,880

things we hear it's like the whole flat

1298

00:48:43,750 --> 00:48:41,280

earth thing which i think is really

1299

00:48:46,150 --> 00:48:43,760

really an important topic we could spend

1300

00:48:49,430 --> 00:48:46,160

the whole time a whole hour talking

1301
00:48:52,549 --> 00:48:49,440
about flat earth and how i believe

1302
00:48:55,430 --> 00:48:52,559
that that is definitely an engineered

1303
00:48:57,990 --> 00:48:55,440
meme because if we can break people off

1304
00:48:58,790 --> 00:48:58,000
and make people feel like it's okay

1305
00:49:02,549 --> 00:48:58,800
to

1306
00:49:04,549 --> 00:49:02,559
express ideas that any halfway

1307
00:49:07,030 --> 00:49:04,559
scientific person would just dismiss out

1308
00:49:09,510 --> 00:49:07,040
of hand but hey it's okay you gotta have

1309
00:49:11,349 --> 00:49:09,520
everything it's the i'm gonna go off on

1310
00:49:13,589 --> 00:49:11,359
that i don't want to because

1311
00:49:14,870 --> 00:49:13,599
so we we can have a whole discussion on

1312
00:49:17,750 --> 00:49:14,880
flat earth

1313
00:49:19,109 --> 00:49:17,760

as well as uh as a meme as a social

1314

00:49:21,510 --> 00:49:19,119

engineering project i want to return to

1315

00:49:24,390 --> 00:49:21,520

history i want to return to dr adrian

1316

00:49:27,589 --> 00:49:24,400

goldsworthy because what goldsworthy uh

1317

00:49:30,390 --> 00:49:27,599

i i i love the way that this guy does

1318

00:49:31,990 --> 00:49:30,400

his stuff because and i kept pushing

1319

00:49:33,030 --> 00:49:32,000

them because like one of the things and

1320

00:49:35,510 --> 00:49:33,040

then i mentioned this at the very

1321

00:49:37,990 --> 00:49:35,520

beginning of the show i i said you know

1322

00:49:40,309 --> 00:49:38,000

adrian your stuff is kind of

1323

00:49:42,150 --> 00:49:40,319

subtly subversive in some kind of

1324

00:49:44,470 --> 00:49:42,160

important ways one of the ways it's

1325

00:49:47,589 --> 00:49:44,480

subtly subversive is this great

1326

00:49:50,390 --> 00:49:47,599

man theory and i was at the beginning

1327

00:49:52,790 --> 00:49:50,400

saying i am amazed at what you one

1328

00:49:55,190 --> 00:49:52,800

person were able to not only create in

1329

00:49:58,309 --> 00:49:55,200

your head but the effect that that was

1330

00:50:01,109 --> 00:49:58,319

able to have on our society we'll look

1331

00:50:03,750 --> 00:50:01,119

at somebody like julius caesar and

1332

00:50:06,390 --> 00:50:03,760

multiply that times 10. look at somebody

1333

00:50:09,030 --> 00:50:06,400

like augustus who was really shouldn't

1334

00:50:11,349 --> 00:50:09,040

have been risen to that level

1335

00:50:13,990 --> 00:50:11,359

again it's multiplied by 10. it's

1336

00:50:16,790 --> 00:50:14,000

interesting to note that

1337

00:50:18,710 --> 00:50:16,800

in history as an academic discipline the

1338

00:50:21,670 --> 00:50:18,720

way that it's done

1339

00:50:24,190 --> 00:50:21,680

this idea has been under attack for the

1340

00:50:27,349 --> 00:50:24,200

last 20 years and it's part of this

1341

00:50:30,870 --> 00:50:27,359

post-modernism well like no people don't

1342

00:50:35,109 --> 00:50:30,880

matter it's really a product of systems

1343

00:50:38,390 --> 00:50:35,119

and environmental factors and other

1344

00:50:40,950 --> 00:50:38,400

factors that are not the individual and

1345

00:50:43,910 --> 00:50:40,960

of course that harmonizes so perfectly

1346

00:50:45,990 --> 00:50:43,920

with the control idea is that

1347

00:50:48,150 --> 00:50:46,000

you there's no you you're a biological

1348

00:50:50,790 --> 00:50:48,160

robot in a meaningless universe so

1349

00:50:53,349 --> 00:50:50,800

caesar there's no julius caesar he

1350

00:50:54,390 --> 00:50:53,359

wasn't important what's important is the

1351
00:50:57,670 --> 00:50:54,400
system

1352
00:50:59,910 --> 00:50:57,680
the state now so what's interesting is

1353
00:51:02,710 --> 00:50:59,920
we can't allow that to creep into

1354
00:51:04,230 --> 00:51:02,720
history because it's [h__h]

1355
00:51:06,549 --> 00:51:04,240
and uh and

1356
00:51:09,109 --> 00:51:06,559
adrian was able to kind of point that

1357
00:51:09,990 --> 00:51:09,119
out er we were able to kind of bond on

1358
00:51:13,750 --> 00:51:10,000
that

1359
00:51:16,630 --> 00:51:13,760
really did a great job of and i think he

1360
00:51:18,309 --> 00:51:16,640
does in his research is that

1361
00:51:20,790 --> 00:51:18,319
there's this kind of

1362
00:51:23,750 --> 00:51:20,800
no looking forward no looking back

1363
00:51:25,030 --> 00:51:23,760

discipline that i think we have to have

1364

00:51:27,589 --> 00:51:25,040

in history

1365

00:51:29,990 --> 00:51:27,599

and the no looking forward is

1366

00:51:30,790 --> 00:51:30,000

we can't create

1367

00:51:34,790 --> 00:51:30,800

a

1368

00:51:37,750 --> 00:51:34,800

will

1369

00:51:39,990 --> 00:51:37,760

and then we come to understand blavatsky

1370

00:51:43,030 --> 00:51:40,000

oh she's a lifetime player she's this

1371

00:51:43,990 --> 00:51:43,040

she's that and then that's all she ever

1372

00:51:45,910 --> 00:51:44,000

is

1373

00:51:47,750 --> 00:51:45,920

because whenever she encounters

1374

00:51:50,150 --> 00:51:47,760

something else on the historical

1375

00:51:53,109 --> 00:51:50,160

timeline we're always going to insert

1376

00:51:56,470 --> 00:51:53,119

our understanding of that person

1377

00:51:58,549 --> 00:51:56,480

i think that's a huge mistake to make

1378

00:52:01,349 --> 00:51:58,559

and i think where that really comes

1379

00:52:03,829 --> 00:52:01,359

comes home is in this idea i've been

1380

00:52:06,030 --> 00:52:03,839

playing around with which i think is

1381

00:52:08,630 --> 00:52:06,040

kind of fundamental to my

1382

00:52:11,510 --> 00:52:08,640

re-understanding of

1383

00:52:13,589 --> 00:52:11,520

not only caesar's messiah 2.0 but what's

1384

00:52:15,670 --> 00:52:13,599

lacking in history

1385

00:52:17,510 --> 00:52:15,680

and that's that is this idea that we're

1386

00:52:20,150 --> 00:52:17,520

we are all leading

1387

00:52:23,030 --> 00:52:20,160

rich spiritual lives

1388

00:52:25,190 --> 00:52:23,040

so you know the spazian

1389

00:52:27,750 --> 00:52:25,200

is leading a rich

1390

00:52:29,270 --> 00:52:27,760

spiritual life and sure he's doing all

1391

00:52:30,630 --> 00:52:29,280

these shenanigans he's doing all these

1392

00:52:32,790 --> 00:52:30,640

other things i'll give you better a

1393

00:52:33,910 --> 00:52:32,800

better example that people i feel get

1394

00:52:37,030 --> 00:52:33,920

tired of

1395

00:52:40,549 --> 00:52:37,040

of this one too but constantine

1396

00:52:42,950 --> 00:52:40,559

constantine is leading a rich spiritual

1397

00:52:45,589 --> 00:52:42,960

life even though his conversion at the

1398

00:52:48,390 --> 00:52:45,599

bridge to christianity is completely

1399

00:52:50,710 --> 00:52:48,400

fake and can be demonstrated to be fake

1400

00:52:54,150 --> 00:52:50,720

and the arch that he builds years later

1401
00:52:56,790 --> 00:52:54,160
doesn't have any christian iconry uh in

1402
00:52:58,230 --> 00:52:56,800
it anywhere which is clearly evidence

1403
00:53:01,150 --> 00:52:58,240
that there wasn't a real conversion

1404
00:53:03,349 --> 00:53:01,160
there but also his whole building of

1405
00:53:05,349 --> 00:53:03,359
constantinople which is nothing

1406
00:53:06,950 --> 00:53:05,359
christian about it except when he adds

1407
00:53:07,750 --> 00:53:06,960
these fake churches at the end it's all

1408
00:53:10,390 --> 00:53:07,760
about

1409
00:53:12,549 --> 00:53:10,400
the sun god and soul invictus and all

1410
00:53:15,109 --> 00:53:12,559
the rest that stuff but the point is

1411
00:53:16,390 --> 00:53:15,119
that he is also somebody who kills his

1412
00:53:18,069 --> 00:53:16,400
son

1413
00:53:19,270 --> 00:53:18,079

because his wife comes to him and says

1414

00:53:21,349 --> 00:53:19,280

hey

1415

00:53:23,190 --> 00:53:21,359

your boy there he's leaning up on me man

1416

00:53:25,670 --> 00:53:23,200

he's trying to get with me

1417

00:53:27,589 --> 00:53:25,680

and constantine goes into a rage he

1418

00:53:29,270 --> 00:53:27,599

kills his son

1419

00:53:31,270 --> 00:53:29,280

and then some of the people close to him

1420

00:53:33,190 --> 00:53:31,280

said hey your wife

1421

00:53:35,750 --> 00:53:33,200

she totally worked you man she was

1422

00:53:37,510 --> 00:53:35,760

trying to get her boy in there he never

1423

00:53:39,829 --> 00:53:37,520

did any of that stuff

1424

00:53:42,950 --> 00:53:39,839

so he goes into a rage

1425

00:53:44,150 --> 00:53:42,960

and he kills his wife

1426

00:53:45,829 --> 00:53:44,160

so

1427

00:53:48,470 --> 00:53:45,839

but all along

1428

00:53:51,270 --> 00:53:48,480

here's my point he's still leading a

1429

00:53:52,950 --> 00:53:51,280

rich spiritual life when he's dying and

1430

00:53:54,549 --> 00:53:52,960

he asks the priest to come in and he's

1431

00:53:55,910 --> 00:53:54,559

wondering whether this all this

1432

00:53:57,510 --> 00:53:55,920

christian [h__h] that he's been

1433

00:53:59,270 --> 00:53:57,520

spinning for the longest time might

1434

00:54:01,430 --> 00:53:59,280

there be any truth to it

1435

00:54:02,790 --> 00:54:01,440

might there really be an afterlife i'm a

1436

00:54:05,109 --> 00:54:02,800

roman i've always believed in the

1437

00:54:07,670 --> 00:54:05,119

afterlife what is coming for me what is

1438

00:54:10,390 --> 00:54:07,680

my relationship to this higher

1439

00:54:13,589 --> 00:54:10,400

consciousness however it is it is always

1440

00:54:16,309 --> 00:54:13,599

on his mind it is always there because

1441

00:54:17,750 --> 00:54:16,319

it's on all our minds when we go to bed

1442

00:54:20,470 --> 00:54:17,760

when we wake up at two o'clock in the

1443

00:54:23,109 --> 00:54:20,480

morning when we stare at that seedling

1444

00:54:24,870 --> 00:54:23,119

we all have the same same thing the same

1445

00:54:28,630 --> 00:54:24,880

questions so

1446

00:54:31,750 --> 00:54:28,640

history has been written by atheists for

1447

00:54:33,510 --> 00:54:31,760

atheists and it's denied this

1448

00:54:35,670 --> 00:54:33,520

fundamental reality that we all

1449

00:54:38,710 --> 00:54:35,680

experience that we're all leading these

1450

00:54:40,390 --> 00:54:38,720

complicated rich spiritual lives so

1451

00:54:43,030 --> 00:54:40,400

i i would

1452

00:54:44,870 --> 00:54:43,040

maybe i'll pause there and say i think

1453

00:54:48,470 --> 00:54:44,880

we have to be really

1454

00:54:51,430 --> 00:54:48,480

careful in analyzing history and looking

1455

00:54:53,510 --> 00:54:51,440

how the best historians do history so

1456

00:54:56,150 --> 00:54:53,520

many of them do it terribly but some of

1457

00:54:58,470 --> 00:54:56,160

them do it right

1458

00:55:00,470 --> 00:54:58,480

right well let me give you a couple bon

1459

00:55:02,470 --> 00:55:00,480

bons about constantine that that will

1460

00:55:05,349 --> 00:55:02,480

sort of flesh out this idea

1461

00:55:08,470 --> 00:55:05,359

the the arch you were referring to

1462

00:55:09,510 --> 00:55:08,480

was actually designed to align with the

1463

00:55:12,150 --> 00:55:09,520

um

1464

00:55:14,549 --> 00:55:12,160

prior flavians religious edifices that

1465

00:55:15,349 --> 00:55:14,559

were there in the coliseum conflicts

1466

00:55:18,870 --> 00:55:15,359

yeah

1467

00:55:21,829 --> 00:55:18,880

so he was acknowledging the

1468

00:55:24,870 --> 00:55:21,839

spiritual perspective of his of the

1469

00:55:27,990 --> 00:55:24,880

flavian namesakes i mean he this is not

1470

00:55:29,589 --> 00:55:28,000

um the way he he restructured his arch

1471

00:55:31,109 --> 00:55:29,599

was absolutely

1472

00:55:33,190 --> 00:55:31,119

had one

1473

00:55:34,390 --> 00:55:33,200

purpose and that was to align him with

1474

00:55:36,789 --> 00:55:34,400

the uh

1475

00:55:38,150 --> 00:55:36,799

the flavians who invented christianity

1476

00:55:40,470 --> 00:55:38,160

and then

1477

00:55:43,109 --> 00:55:40,480

the thing that always has amused me

1478

00:55:44,470 --> 00:55:43,119

is his uh his burial church because what

1479

00:55:45,589 --> 00:55:44,480

he did was

1480

00:55:48,069 --> 00:55:45,599

um

1481

00:55:51,910 --> 00:55:48,079

is he gathered in

1482

00:55:54,069 --> 00:55:51,920

the relics of all of the 12 apostles

1483

00:55:56,390 --> 00:55:54,079

which were available at this time for a

1484

00:55:57,589 --> 00:55:56,400

price in the roman empire but he got 12

1485

00:56:00,870 --> 00:55:57,599

of them

1486

00:56:02,390 --> 00:56:00,880

and arranged them in a circle around his

1487

00:56:05,270 --> 00:56:02,400

grave

1488

00:56:07,190 --> 00:56:05,280

so he was sort of giving a pretty nice

1489

00:56:10,069 --> 00:56:07,200

clue as to

1490

00:56:11,109 --> 00:56:10,079

who jesus christ was you see so

1491

00:56:13,750 --> 00:56:11,119

um

1492

00:56:15,430 --> 00:56:13,760

that's uh this is constantine he's you

1493

00:56:18,069 --> 00:56:15,440

know he has

1494

00:56:19,990 --> 00:56:18,079

the idea he has a rich spiritual life no

1495

00:56:21,349 --> 00:56:20,000

doubt is correct i think

1496

00:56:23,589 --> 00:56:21,359

it's just a question of how we

1497

00:56:25,990 --> 00:56:23,599

understand spiritual you know

1498

00:56:29,030 --> 00:56:26,000

so that's a fundamental question joe how

1499

00:56:31,190 --> 00:56:29,040

do we how do we understand spiritual i

1500

00:56:33,349 --> 00:56:31,200

can tell you mine but you tell me you

1501
00:56:35,109 --> 00:56:33,359
tell me yours and in particular if we're

1502
00:56:36,230 --> 00:56:35,119
going to play around with this idea that

1503
00:56:39,030 --> 00:56:36,240
the

1504
00:56:41,910 --> 00:56:39,040
history is lacking in that it fails to

1505
00:56:43,829 --> 00:56:41,920
acknowledge that the spiritual life of

1506
00:56:45,990 --> 00:56:43,839
these people is fundamental to them

1507
00:56:48,150 --> 00:56:46,000
whether it's montezuma tearing the

1508
00:56:50,710 --> 00:56:48,160
hearts out of people because some demon

1509
00:56:53,349 --> 00:56:50,720
told them to do it or whether it's the

1510
00:56:56,630 --> 00:56:53,359
most you know who pick your pick your

1511
00:56:58,390 --> 00:56:56,640
most saintly uh leader it's their it's

1512
00:57:02,789 --> 00:56:58,400
this interaction with this extended

1513
00:57:06,630 --> 00:57:04,309

well my

1514

00:57:08,549 --> 00:57:06,640

belief i mean i was raised a catholic i

1515

00:57:10,470 --> 00:57:08,559

i don't think i was ever

1516

00:57:11,910 --> 00:57:10,480

particularly devout but i did believe it

1517

00:57:13,990 --> 00:57:11,920

i mean you know when i was particularly

1518

00:57:16,150 --> 00:57:14,000

in first second grade made perfect sense

1519

00:57:18,870 --> 00:57:16,160

to me our sense but it it was

1520

00:57:21,190 --> 00:57:18,880

influential but uh

1521

00:57:25,030 --> 00:57:21,200

as i've gotten older i mean i i really

1522

00:57:29,990 --> 00:57:27,829

to experience spirituality

1523

00:57:31,829 --> 00:57:30,000

is best done through the socratic method

1524

00:57:34,549 --> 00:57:31,839

i think that

1525

00:57:36,309 --> 00:57:34,559

we come into a clear understanding of

1526

00:57:39,750 --> 00:57:36,319

ourselves and

1527

00:57:40,630 --> 00:57:39,760

and have of the communion the connection

1528

00:57:44,069 --> 00:57:40,640

um

1529

00:57:46,309 --> 00:57:44,079

that is

1530

00:57:48,230 --> 00:57:46,319

you know one of the real essences of

1531

00:57:49,349 --> 00:57:48,240

what i would see is spirituality i think

1532

00:57:51,510 --> 00:57:49,359

that

1533

00:57:53,190 --> 00:57:51,520

in in isolation

1534

00:57:55,030 --> 00:57:53,200

um

1535

00:57:57,430 --> 00:57:55,040

it doesn't you know it doesn't have of

1536

00:57:59,589 --> 00:57:57,440

course social meaning um but i also

1537

00:58:02,230 --> 00:57:59,599

think it's it's that we are designed to

1538

00:58:05,030 --> 00:58:02,240

social animals and so i think that

1539

00:58:07,349 --> 00:58:05,040

spirituality needs to uh

1540

00:58:09,030 --> 00:58:07,359

you know be within that context and so i

1541

00:58:11,510 --> 00:58:09,040

think the best way to

1542

00:58:13,910 --> 00:58:11,520

achieve you know the uh the

1543

00:58:15,990 --> 00:58:13,920

sort of what as uh hegel described you

1544

00:58:17,910 --> 00:58:16,000

know as the two mirrors held up to each

1545

00:58:18,870 --> 00:58:17,920

other creating infinity

1546

00:58:25,109 --> 00:58:18,880

um

1547

00:58:26,470 --> 00:58:25,119

would knowingly be socratic you know

1548

00:58:27,829 --> 00:58:26,480

where

1549

00:58:30,390 --> 00:58:27,839

we are

1550

00:58:31,430 --> 00:58:30,400

when we can agree

1551
00:58:36,390 --> 00:58:31,440
on

1552
00:58:39,670 --> 00:58:36,400
a point of fact or or an aspect of truth

1553
00:58:42,390 --> 00:58:39,680
um and we have shared this

1554
00:58:44,470 --> 00:58:42,400
um with with one another

1555
00:58:45,430 --> 00:58:44,480
that um we are

1556
00:58:46,230 --> 00:58:45,440
at

1557
00:58:49,109 --> 00:58:46,240
um

1558
00:58:51,829 --> 00:58:49,119
the point of spirituality where we are

1559
00:58:53,510 --> 00:58:51,839
in in connection with the natural world

1560
00:58:55,190 --> 00:58:53,520
and so i think we've we've got to what i

1561
00:58:57,030 --> 00:58:55,200
would regard as the highest

1562
00:58:57,990 --> 00:58:57,040
kind of spirituality because this would

1563
00:58:59,589 --> 00:58:58,000

be

1564

00:59:03,270 --> 00:58:59,599

coming from

1565

00:59:06,150 --> 00:59:03,280

the the ethnic connections you know that

1566

00:59:07,349 --> 00:59:06,160

um from which you know our species

1567

00:59:09,430 --> 00:59:07,359

emerged

1568

00:59:11,510 --> 00:59:09,440

and so i think that they're that

1569

00:59:13,670 --> 00:59:11,520

deeply ingrained in us i

1570

00:59:15,670 --> 00:59:13,680

you know we you i had mentioned earlier

1571

00:59:17,589 --> 00:59:15,680

you know how the oligarchs use the their

1572

00:59:18,630 --> 00:59:17,599

knowledge of this to their advantage and

1573

00:59:20,710 --> 00:59:18,640

have

1574

00:59:23,430 --> 00:59:20,720

broken it to some extent

1575

00:59:25,349 --> 00:59:23,440

um but it's still there it's just that

1576

00:59:28,309 --> 00:59:25,359

it's we don't

1577

00:59:32,950 --> 00:59:28,319

recognize i think that our spirituality

1578

00:59:34,710 --> 00:59:32,960

is made more clear and dense and and um

1579

00:59:37,829 --> 00:59:34,720

and elevated

1580

00:59:39,910 --> 00:59:37,839

through one another's reasoning and and

1581

00:59:42,470 --> 00:59:39,920

understanding of the world

1582

00:59:45,030 --> 00:59:42,480

because the oligarchs have used this you

1583

00:59:47,270 --> 00:59:45,040

know that that part of our mind for

1584

00:59:49,270 --> 00:59:47,280

particularly for religion but also for

1585

00:59:51,190 --> 00:59:49,280

patriotism you know for different things

1586

00:59:54,470 --> 00:59:51,200

that uh um

1587

00:59:56,870 --> 00:59:54,480

they they need to get us to walk out

1588

00:59:59,510 --> 00:59:56,880

into the battlefield and to you know

1589

01:00:01,990 --> 00:59:59,520

create more territory for them so this

1590

01:00:04,309 --> 01:00:02,000

would be how i would would characterize

1591

01:00:07,670 --> 01:00:04,319

spirituality is it's when

1592

01:00:10,870 --> 01:00:07,680

when we um are able to um recognize one

1593

01:00:12,309 --> 01:00:10,880

another's truths in ourselves and uh and

1594

01:00:14,710 --> 01:00:12,319

particularly when we have earned it

1595

01:00:16,390 --> 01:00:14,720

through a process

1596

01:00:18,950 --> 01:00:16,400

so i think that's really interesting and

1597

01:00:22,150 --> 01:00:18,960

we could actually break that off if we

1598

01:00:24,789 --> 01:00:22,160

want at any time into a whole other

1599

01:00:26,069 --> 01:00:24,799

topic of discussion because

1600

01:00:27,349 --> 01:00:26,079

you're coming at it from a very

1601
01:00:29,829 --> 01:00:27,359
humanistic

1602
01:00:32,789 --> 01:00:29,839
standpoint and a lot of the words and

1603
01:00:35,270 --> 01:00:32,799
phrases that you do reflect that i i i

1604
01:00:37,750 --> 01:00:35,280
always find that

1605
01:00:39,109 --> 01:00:37,760
kind of inferior to the scientific you

1606
01:00:40,789 --> 01:00:39,119
know i mean first you have to start with

1607
01:00:44,390 --> 01:00:40,799
the scientific is there an observable

1608
01:00:48,230 --> 01:00:44,400
phenomenon to even talk about so

1609
01:00:50,589 --> 01:00:48,240
when i talk about spirituality

1610
01:00:52,630 --> 01:00:50,599
i start with the scientific

1611
01:00:56,390 --> 01:00:52,640
understanding that

1612
01:00:58,710 --> 01:00:56,400
you are more than a biological robot and

1613
01:01:01,430 --> 01:00:58,720

that has been proven

1614

01:01:04,630 --> 01:01:01,440

so then once we take that step then we

1615

01:01:07,349 --> 01:01:04,640

have to ask how much of this extended

1616

01:01:09,750 --> 01:01:07,359

realm that we don't understand are we

1617

01:01:11,750 --> 01:01:09,760

willing to bring into

1618

01:01:16,870 --> 01:01:11,760

our worldview

1619

01:01:19,829 --> 01:01:16,880

and so when i talk about uh montezuma's

1620

01:01:21,910 --> 01:01:19,839

connection to a spiritual world i'm not

1621

01:01:24,470 --> 01:01:21,920

saying i know what the hell it is

1622

01:01:27,829 --> 01:01:24,480

but i'm saying when he says

1623

01:01:29,270 --> 01:01:27,839

that there is a spirit entity a

1624

01:01:30,789 --> 01:01:29,280

benevolent uh

1625

01:01:33,109 --> 01:01:30,799

very malevolent

1626

01:01:36,150 --> 01:01:33,119

spiritual entity what we call a demon

1627

01:01:38,710 --> 01:01:36,160

then i do not dismiss that as a

1628

01:01:40,950 --> 01:01:38,720

possibility when somebody says they had

1629

01:01:43,190 --> 01:01:40,960

an encounter with what they understand

1630

01:01:46,309 --> 01:01:43,200

to be christ consciousness i don't

1631

01:01:49,589 --> 01:01:46,319

dismiss that even though i'm very

1632

01:01:52,309 --> 01:01:49,599

doubtful of a historical jesus because i

1633

01:01:55,029 --> 01:01:52,319

realize that i don't understa we are

1634

01:01:57,270 --> 01:01:55,039

going to always be limited by our

1635

01:01:59,670 --> 01:01:57,280

understanding of that extended

1636

01:02:02,230 --> 01:01:59,680

consciousness realm but the last thing

1637

01:02:04,870 --> 01:02:02,240

we want to do is deny the fact that it

1638

01:02:06,470 --> 01:02:04,880

comes into play and it comes into play

1639

01:02:09,109 --> 01:02:06,480

over and over again

1640

01:02:12,230 --> 01:02:09,119

and it's not a ma history has done the

1641

01:02:14,630 --> 01:02:12,240

thing of they lost their keys

1642

01:02:16,870 --> 01:02:14,640

in the parking lot and they're looking

1643

01:02:18,950 --> 01:02:16,880

for them over under the lamp post

1644

01:02:21,109 --> 01:02:18,960

because the lights better well you're

1645

01:02:23,510 --> 01:02:21,119

never going to find him over there so

1646

01:02:25,990 --> 01:02:23,520

one of the keys to understanding history

1647

01:02:28,069 --> 01:02:26,000

is to understand that

1648

01:02:31,109 --> 01:02:28,079

we are connected

1649

01:02:34,710 --> 01:02:31,119

to this extended consciousness realm

1650

01:02:36,950 --> 01:02:34,720

in some way that we don't understand

1651
01:02:39,510 --> 01:02:36,960
but some of the factors we do understand

1652
01:02:41,349 --> 01:02:39,520
is that number one it seems to transcend

1653
01:02:43,910 --> 01:02:41,359
space and time

1654
01:02:46,309 --> 01:02:43,920
it certainly transcends time

1655
01:02:49,510 --> 01:02:46,319
so we don't we no longer have to

1656
01:02:51,750 --> 01:02:49,520
hypothesize about bloodlines or about

1657
01:02:53,910 --> 01:02:51,760
any of the rest of this stuff there is a

1658
01:02:56,390 --> 01:02:53,920
real possibility and i would just frame

1659
01:02:59,029 --> 01:02:56,400
it up as a possibility

1660
01:03:00,390 --> 01:02:59,039
that the connection between these people

1661
01:03:04,230 --> 01:03:00,400
in history

1662
01:03:06,630 --> 01:03:04,240
is an ongoing connection with an

1663
01:03:09,829 --> 01:03:06,640

extended consciousness realm

1664

01:03:11,670 --> 01:03:09,839

that is intelligently informing them in

1665

01:03:14,309 --> 01:03:11,680

the same way

1666

01:03:17,589 --> 01:03:14,319

i say that is a more parsimonious

1667

01:03:18,789 --> 01:03:17,599

explanation for the connection we see

1668

01:03:21,829 --> 01:03:18,799

between

1669

01:03:23,349 --> 01:03:21,839

what's going on in history and how it

1670

01:03:25,750 --> 01:03:23,359

echoes with

1671

01:03:27,990 --> 01:03:25,760

our present day situation or other

1672

01:03:30,549 --> 01:03:28,000

points in history than we can look at so

1673

01:03:33,190 --> 01:03:30,559

i chalk that up as to something we can

1674

01:03:35,589 --> 01:03:33,200

kind of explore a lot further but

1675

01:03:37,349 --> 01:03:35,599

as a kind of teeing it up

1676

01:03:39,829 --> 01:03:37,359

that's where i that's where i'd kind of

1677

01:03:42,230 --> 01:03:39,839

stake my claim

1678

01:03:43,510 --> 01:03:42,240

yeah i i wouldn't disagree with that

1679

01:03:45,829 --> 01:03:43,520

position

1680

01:03:48,870 --> 01:03:45,839

the problem is only

1681

01:03:50,390 --> 01:03:48,880

you know identifying motivation because

1682

01:03:52,069 --> 01:03:50,400

the uh

1683

01:03:53,829 --> 01:03:52,079

you know history can be distorted

1684

01:03:54,950 --> 01:03:53,839

deliberately for political purposes in

1685

01:03:58,069 --> 01:03:54,960

other words

1686

01:03:58,950 --> 01:03:58,079

you know you can have artificial

1687

01:04:00,950 --> 01:03:58,960

you can

1688

01:04:02,789 --> 01:04:00,960

the leaders can lie

1689

01:04:04,630 --> 01:04:02,799

and so now you don't have the correct

1690

01:04:06,549 --> 01:04:04,640

understanding of well how did we get

1691

01:04:09,589 --> 01:04:06,559

here you know um

1692

01:04:10,950 --> 01:04:09,599

so this is a possibility but beyond that

1693

01:04:12,309 --> 01:04:10,960

yeah i would i would

1694

01:04:13,589 --> 01:04:12,319

we we were through we went through this

1695

01:04:14,789 --> 01:04:13,599

once where i totally agree with your

1696

01:04:16,150 --> 01:04:14,799

analysis

1697

01:04:19,190 --> 01:04:16,160

it's just that

1698

01:04:20,069 --> 01:04:19,200

unfortunately we do have the problem of

1699

01:04:22,549 --> 01:04:20,079

uh

1700

01:04:24,390 --> 01:04:22,559

that history can be distorted that that

1701

01:04:27,029 --> 01:04:24,400

people can deliberately lie

1702

01:04:29,029 --> 01:04:27,039

and so this is another

1703

01:04:31,029 --> 01:04:29,039

you know it's it's another aspect that

1704

01:04:32,710 --> 01:04:31,039

we have to always be aware of

1705

01:04:34,710 --> 01:04:32,720

when we're trying to understand what is

1706

01:04:35,910 --> 01:04:34,720

real i mean when you when you try to

1707

01:04:38,150 --> 01:04:35,920

understand

1708

01:04:40,950 --> 01:04:38,160

you know the the rationale behind the

1709

01:04:42,789 --> 01:04:40,960

attack on pearl harbor you know i i

1710

01:04:44,789 --> 01:04:42,799

think the uh

1711

01:04:48,069 --> 01:04:44,799

you know the kind of the influences from

1712

01:04:50,230 --> 01:04:48,079

the from what can be seen as

1713

01:04:52,470 --> 01:04:50,240

the spirit life of the individuals who

1714

01:04:55,589 --> 01:04:52,480

are involved in this decision-making

1715

01:04:56,470 --> 01:04:55,599

is is important of course you can't

1716

01:04:58,950 --> 01:04:56,480

really

1717

01:05:01,190 --> 01:04:58,960

say this that doesn't exist but you also

1718

01:05:04,390 --> 01:05:01,200

have to kind of look at the ways in

1719

01:05:05,750 --> 01:05:04,400

which this this could be a deception

1720

01:05:06,630 --> 01:05:05,760

and so

1721

01:05:08,470 --> 01:05:06,640

you know

1722

01:05:11,670 --> 01:05:08,480

in fact perhaps knowing one from the

1723

01:05:14,470 --> 01:05:11,680

other is is like the key skill that

1724

01:05:15,750 --> 01:05:14,480

we would ever teach children is

1725

01:05:16,789 --> 01:05:15,760

uh is

1726

01:05:21,190 --> 01:05:16,799

you know

1727

01:05:23,829 --> 01:05:21,200

you you certainly if if you lose the um

1728

01:05:25,029 --> 01:05:23,839

uh the spirit understanding that you're

1729

01:05:27,910 --> 01:05:25,039

describing

1730

01:05:30,309 --> 01:05:27,920

i think you as as you point out you you

1731

01:05:32,069 --> 01:05:30,319

you succumb to the idea that that is

1732

01:05:33,589 --> 01:05:32,079

certainly being given to us just for

1733

01:05:34,630 --> 01:05:33,599

social control that we're biological

1734

01:05:36,549 --> 01:05:34,640

robots

1735

01:05:38,710 --> 01:05:36,559

i mean that idea is

1736

01:05:40,150 --> 01:05:38,720

ground zero for social control

1737

01:05:42,230 --> 01:05:40,160

so if they can get people to believe it

1738

01:05:45,270 --> 01:05:42,240

then you know it's very easy from there

1739

01:05:47,029 --> 01:05:45,280

to just say okay here take your soma

1740

01:05:47,750 --> 01:05:47,039

enjoy your experience and do what i tell

1741

01:05:48,950 --> 01:05:47,760

you

1742

01:05:50,870 --> 01:05:48,960

exactly

1743

01:05:52,870 --> 01:05:50,880

as a as a function of social control

1744

01:05:54,390 --> 01:05:52,880

it's literally perfect

1745

01:05:56,950 --> 01:05:54,400

and i want to take i don't want to take

1746

01:05:58,710 --> 01:05:56,960

it too far because it i totally agree

1747

01:06:00,549 --> 01:05:58,720

with what you're saying in terms of

1748

01:06:02,150 --> 01:06:00,559

deception and there's some other places

1749

01:06:03,829 --> 01:06:02,160

we can go with that but i don't want to

1750

01:06:05,190 --> 01:06:03,839

hit too heavy on the spiritual thing

1751

01:06:07,029 --> 01:06:05,200

because that's not

1752

01:06:08,390 --> 01:06:07,039

the the core of it or i mean it's one

1753

01:06:10,549 --> 01:06:08,400

aspect of it but the other is what

1754

01:06:12,069 --> 01:06:10,559

you're talking about which is the

1755

01:06:14,549 --> 01:06:12,079

conspiratorial

1756

01:06:17,190 --> 01:06:14,559

in that you know there's these other

1757

01:06:20,150 --> 01:06:17,200

agendas going on and they're always in

1758

01:06:23,510 --> 01:06:20,160

play they're not sometimes in play

1759

01:06:26,870 --> 01:06:23,520

they're always in play anyone who has

1760

01:06:29,510 --> 01:06:26,880

amassed wealth power influence has done

1761

01:06:30,549 --> 01:06:29,520

it with conspiracy i mean it's like it's

1762

01:06:32,630 --> 01:06:30,559

another one of these things where you

1763

01:06:34,309 --> 01:06:32,640

kind of want to go when people are so

1764

01:06:36,150 --> 01:06:34,319

conditioned to say

1765

01:06:38,549 --> 01:06:36,160

god i just interviewed this couple this

1766

01:06:39,910 --> 01:06:38,559

uh father daughter

1767

01:06:41,430 --> 01:06:39,920

check this out

1768

01:06:43,910 --> 01:06:41,440

she has

1769

01:06:48,150 --> 01:06:43,920

a degree from harvard

1770

01:06:51,349 --> 01:06:48,160

and a phd from colombia

1771

01:06:53,190 --> 01:06:51,359

he teaches at columbia med school and

1772

01:06:54,870 --> 01:06:53,200

has an md

1773

01:06:57,349 --> 01:06:54,880

and they wrote this book

1774

01:06:59,589 --> 01:06:57,359

denying to the grave which is this kind

1775

01:07:00,870 --> 01:06:59,599

of why people believe word things and

1776

01:07:02,390 --> 01:07:00,880

it's a whole

1777

01:07:04,870 --> 01:07:02,400

you know

1778

01:07:06,630 --> 01:07:04,880

manifesto for shut up and do what you're

1779

01:07:09,270 --> 01:07:06,640

told and take the vaccine and wear your

1780

01:07:11,190 --> 01:07:09,280

mask and the whole thing and i it was it

1781

01:07:13,670 --> 01:07:11,200

was an uncomfortable discussion i'm glad

1782

01:07:15,990 --> 01:07:13,680

that they engaged with it engaged in it

1783

01:07:18,950 --> 01:07:16,000

but one of the chapters joe

1784

01:07:21,510 --> 01:07:18,960

was on conspiracy theories and i just i

1785

01:07:23,670 --> 01:07:21,520

i could barely read the first line of

1786

01:07:26,390 --> 01:07:23,680

her chapter without laughing right in

1787

01:07:29,349 --> 01:07:26,400

her face which i kind of did and it said

1788

01:07:31,990 --> 01:07:29,359

i'm sure that none of you have ever been

1789

01:07:34,390 --> 01:07:32,000

involved or know anyone who's been

1790

01:07:36,630 --> 01:07:34,400

involved in a conspiracy

1791

01:07:38,309 --> 01:07:36,640

and i just said and i said to the dad

1792

01:07:40,470 --> 01:07:38,319

who was obviously kind of sitting in the

1793

01:07:43,270 --> 01:07:40,480

background as an old jewish guy from new

1794

01:07:43,990 --> 01:07:43,280

york is much more worldly i said first

1795

01:07:46,950 --> 01:07:44,000

off

1796

01:07:50,150 --> 01:07:46,960

i come from chicago i grew up in chicago

1797

01:07:52,549 --> 01:07:50,160

nothing in that town gets done

1798

01:07:56,230 --> 01:07:52,559

without buying somebody off influencing

1799

01:07:57,829 --> 01:07:56,240

somebody pro it is 100 conspiracy so i

1800

01:07:59,270 --> 01:07:57,839

don't want to just dwell on the

1801
01:08:01,510 --> 01:07:59,280
spiritual thing because what you're

1802
01:08:03,750 --> 01:08:01,520
saying about the conspiracy thing

1803
01:08:05,589 --> 01:08:03,760
and the lack of

1804
01:08:07,750 --> 01:08:05,599
understanding at a deep level how

1805
01:08:10,390 --> 01:08:07,760
fundamental conspiracy is to everything

1806
01:08:12,309 --> 01:08:10,400
we look at i think is absolutely central

1807
01:08:14,470 --> 01:08:12,319
to this

1808
01:08:17,349 --> 01:08:14,480
yeah i would i would

1809
01:08:19,269 --> 01:08:17,359
actually start my analysis of uh the

1810
01:08:21,110 --> 01:08:19,279
ladies book with from the perspective

1811
01:08:23,110 --> 01:08:21,120
that she's probably engaging in a

1812
01:08:25,430 --> 01:08:23,120
conspiracy i mean that is so

1813
01:08:27,110 --> 01:08:25,440

preposterous that uh you have to wonder

1814

01:08:28,950 --> 01:08:27,120

if there's an agenda in back of it i

1815

01:08:30,789 --> 01:08:28,960

mean what what is she trying to get me

1816

01:08:31,910 --> 01:08:30,799

to believe you know it's uh

1817

01:08:33,430 --> 01:08:31,920

it is no

1818

01:08:34,630 --> 01:08:33,440

and that's where i have to talk because

1819

01:08:36,070 --> 01:08:34,640

that's a whole other topic of

1820

01:08:37,510 --> 01:08:36,080

conversation because you are the

1821

01:08:39,189 --> 01:08:37,520

original guy

1822

01:08:42,470 --> 01:08:39,199

who really

1823

01:08:44,709 --> 01:08:42,480

woke us all up to the lifetime player

1824

01:08:48,630 --> 01:08:44,719

and so another topic that we need to

1825

01:08:51,269 --> 01:08:48,640

spend a whole hour on is the subtleties

1826

01:08:52,950 --> 01:08:51,279

of the different players on the field

1827

01:08:55,669 --> 01:08:52,960

because i'll tell you what sarah gorman

1828

01:08:57,990 --> 01:08:55,679

she is not smart enough to to be that

1829

01:08:59,189 --> 01:08:58,000

she's just she's a useful idiot she is

1830

01:09:01,990 --> 01:08:59,199

the classic

1831

01:09:03,669 --> 01:09:02,000

useful idiot she is

1832

01:09:06,390 --> 01:09:03,679

she is in the position she is because

1833

01:09:09,269 --> 01:09:06,400

she just organically spews

1834

01:09:10,870 --> 01:09:09,279

nonsense that is useful for

1835

01:09:11,910 --> 01:09:10,880

what people are trying to do at some

1836

01:09:14,070 --> 01:09:11,920

level

1837

01:09:16,870 --> 01:09:14,080

well but the people who you know would

1838

01:09:19,829 --> 01:09:16,880

be able to you know determine that she

1839

01:09:20,950 --> 01:09:19,839

would be in the media i uh have have

1840

01:09:22,149 --> 01:09:20,960

perhaps a

1841

01:09:24,950 --> 01:09:22,159

they would be the origin of the

1842

01:09:27,430 --> 01:09:24,960

conspiracy but i i just think that it

1843

01:09:29,510 --> 01:09:27,440

just strikes me as silly that position

1844

01:09:31,189 --> 01:09:29,520

and uh i i would wonder if it's not

1845

01:09:32,789 --> 01:09:31,199

organic you know you talk about the

1846

01:09:36,550 --> 01:09:32,799

lifetime actor i just wanted to give

1847

01:09:39,510 --> 01:09:36,560

like a a real quick uh and easy to

1848

01:09:43,110 --> 01:09:39,520

verify way of kind of seeing how it

1849

01:09:45,510 --> 01:09:43,120

works aldous huxley he gave an interview

1850

01:09:47,669 --> 01:09:45,520

with mike wallace which is online anyone

1851

01:09:50,229 --> 01:09:47,679

can go and look at it and

1852

01:09:52,550 --> 01:09:50,239

he talks about how dangerous

1853

01:09:54,870 --> 01:09:52,560

um you know the government gaining uh

1854

01:09:56,630 --> 01:09:54,880

technology that could control the mind

1855

01:09:59,270 --> 01:09:56,640

of the of the people

1856

01:10:01,110 --> 01:09:59,280

uh is and he gave all you know he comes

1857

01:10:03,750 --> 01:10:01,120

across as the kind of

1858

01:10:06,870 --> 01:10:03,760

left wing uh you know all dyslexia that

1859

01:10:09,030 --> 01:10:06,880

he's sort of well known for being um

1860

01:10:11,270 --> 01:10:09,040

okay so that's that is the public

1861

01:10:12,229 --> 01:10:11,280

perspective of him uh

1862

01:10:14,950 --> 01:10:12,239

and then

1863

01:10:17,910 --> 01:10:14,960

it as it turns out um

1864

01:10:21,669 --> 01:10:17,920

there was uh documents discovered in the

1865

01:10:23,270 --> 01:10:21,679

cache of mkultra which listed him

1866

01:10:24,790 --> 01:10:23,280

uh as

1867

01:10:25,510 --> 01:10:24,800

organizing it

1868

01:10:28,390 --> 01:10:25,520

and

1869

01:10:32,229 --> 01:10:28,400

specifically creating experiments for

1870

01:10:34,950 --> 01:10:32,239

the very purpose that he um you know had

1871

01:10:37,990 --> 01:10:34,960

gone to the public and warned us about

1872

01:10:38,709 --> 01:10:38,000

um he he gave jolly west the instruction

1873

01:10:42,310 --> 01:10:38,719

of

1874

01:10:45,350 --> 01:10:42,320

to control people's memory

1875

01:10:47,350 --> 01:10:45,360

through the use of lsd um and of course

1876

01:10:49,030 --> 01:10:47,360

you know i won't go into jolly west but

1877

01:10:50,870 --> 01:10:49,040

he just couldn't be a more malevolent

1878

01:10:53,110 --> 01:10:50,880

individual and

1879

01:10:55,030 --> 01:10:53,120

everything that he did for mk ultra was

1880

01:10:57,030 --> 01:10:55,040

uh you know was to develop mind control

1881

01:10:59,270 --> 01:10:57,040

so that the government could have uh

1882

01:11:01,189 --> 01:10:59,280

robotic control could turn us into these

1883

01:11:02,070 --> 01:11:01,199

biological robots so the but the point

1884

01:11:04,630 --> 01:11:02,080

is

1885

01:11:08,229 --> 01:11:04,640

by denying or excuse me by

1886

01:11:10,950 --> 01:11:08,239

by being the person to bring the idea of

1887

01:11:13,910 --> 01:11:10,960

of this being evil huxley was creating a

1888

01:11:16,070 --> 01:11:13,920

complete perfect camouflage for himself

1889

01:11:17,990 --> 01:11:16,080

right who would ever accuse him

1890

01:11:20,070 --> 01:11:18,000

of doing this because he's the one who

1891

01:11:22,630 --> 01:11:20,080

actually brings these ideas to us as

1892

01:11:25,110 --> 01:11:22,640

being dangerous so this is but you can

1893

01:11:26,709 --> 01:11:25,120

see how hard it is to be a citizen

1894

01:11:28,550 --> 01:11:26,719

can you see i mean it is it's just so

1895

01:11:30,470 --> 01:11:28,560

tough because

1896

01:11:32,149 --> 01:11:30,480

the the media

1897

01:11:34,390 --> 01:11:32,159

you know this was on a 60 minutes

1898

01:11:36,149 --> 01:11:34,400

interview with mike wallace i believe or

1899

01:11:38,870 --> 01:11:36,159

perhaps 60 minutes hadn't but anyways

1900

01:11:41,750 --> 01:11:38,880

mike wallace doing the interview um

1901

01:11:44,149 --> 01:11:41,760

the the media is controlled

1902

01:11:47,110 --> 01:11:44,159

by individuals who are engaged in the

1903

01:11:49,110 --> 01:11:47,120

con in the conspiracy and therefore

1904

01:11:50,630 --> 01:11:49,120

we get this information coming to us

1905

01:11:53,110 --> 01:11:50,640

from the top down

1906

01:11:56,630 --> 01:11:53,120

and it just they always have the first

1907

01:11:58,310 --> 01:11:56,640

shot at our mind you see this is why

1908

01:11:59,430 --> 01:11:58,320

just you know

1909

01:12:01,189 --> 01:11:59,440

you're

1910

01:12:04,709 --> 01:12:01,199

kind of

1911

01:12:07,189 --> 01:12:04,719

asking people to take this a different

1912

01:12:09,110 --> 01:12:07,199

way of looking at spirituality

1913

01:12:11,030 --> 01:12:09,120

man it couldn't be more time they're

1914

01:12:13,510 --> 01:12:11,040

more important because you can see how

1915

01:12:14,709 --> 01:12:13,520

valuable that would be to dealing with

1916

01:12:18,550 --> 01:12:14,719

something like

1917

01:12:20,550 --> 01:12:18,560

um huxley's uh mind control attempts at

1918

01:12:22,950 --> 01:12:20,560

us you know that

1919

01:12:24,149 --> 01:12:22,960

we would we would we would be more

1920

01:12:26,070 --> 01:12:24,159

skeptical

1921

01:12:28,070 --> 01:12:26,080

if we would just kind of open ourselves

1922

01:12:30,709 --> 01:12:28,080

up to just core

1923

01:12:33,110 --> 01:12:30,719

uh criticism of everyone who brings

1924

01:12:35,590 --> 01:12:33,120

ideas to us like that

1925

01:12:37,830 --> 01:12:35,600

yeah so i think that's gonna get as we

1926

01:12:40,149 --> 01:12:37,840

get more into this that's going to get

1927

01:12:42,709 --> 01:12:40,159

super super interesting

1928

01:12:44,709 --> 01:12:42,719

because the good stuff is all down on

1929

01:12:46,790 --> 01:12:44,719

the layers on the bottom throw out a

1930

01:12:48,070 --> 01:12:46,800

couple of names because

1931

01:12:49,910 --> 01:12:48,080

you know as part of these ongoing

1932

01:12:51,669 --> 01:12:49,920

dialogues which the more we talk about

1933

01:12:53,669 --> 01:12:51,679

more i'm super excited to do this with

1934

01:12:55,350 --> 01:12:53,679

you because you're just so

1935

01:12:57,030 --> 01:12:55,360

i just love the way you think i love

1936

01:12:59,030 --> 01:12:57,040

that mind i always have i wish i was

1937

01:13:01,910 --> 01:12:59,040

sitting across the table from you there

1938

01:13:03,270 --> 01:13:01,920

in santa barbara and uh i always said i

1939

01:13:05,430 --> 01:13:03,280

always think about doing it and then

1940

01:13:07,030 --> 01:13:05,440

it's like that four hour drive i just

1941

01:13:09,189 --> 01:13:07,040

you know i come down to san diego from

1942

01:13:10,870 --> 01:13:09,199

time to time and uh next time we do it i

1943

01:13:12,870 --> 01:13:10,880

promise you we will get together we can

1944

01:13:15,990 --> 01:13:12,880

have one of these shows face to face

1945

01:13:18,310 --> 01:13:16,000

it'd be fun great great okay the next

1946

01:13:20,149 --> 01:13:18,320

time please if you get down to san diego

1947

01:13:22,310 --> 01:13:20,159

please please do that

1948

01:13:24,870 --> 01:13:22,320

okay okay thank you and and i mean it's

1949

01:13:27,189 --> 01:13:24,880

so sincerely on air off here so joe it

1950

01:13:29,430 --> 01:13:27,199

just we don't even have to record if we

1951

01:13:31,510 --> 01:13:29,440

just go walk on the beach and just have

1952

01:13:33,270 --> 01:13:31,520

a good time

1953

01:13:35,270 --> 01:13:33,280

but i'll throw a couple of names out

1954

01:13:37,270 --> 01:13:35,280

that i definitely think we would want to

1955

01:13:38,630 --> 01:13:37,280

introduce to this

1956

01:13:40,870 --> 01:13:38,640

one is

1957

01:13:42,709 --> 01:13:40,880

colonel michael aquino do you know who

1958

01:13:45,430 --> 01:13:42,719

he is

1959

01:13:47,030 --> 01:13:45,440

okay so i think he's very very

1960

01:13:47,830 --> 01:13:47,040

interesting player

1961

01:14:02,229 --> 01:13:47,840

in

1962

01:14:04,870 --> 01:14:02,239

of

1963

01:14:07,110 --> 01:14:04,880

absurd but at the same time he's a

1964

01:14:09,669 --> 01:14:07,120

chaplain in the army and he writes the

1965

01:14:13,030 --> 01:14:09,679

manual for all the chaplains but his is

1966

01:14:14,630 --> 01:14:13,040

from a satanic perspective but

1967

01:14:17,350 --> 01:14:14,640

what was what we're supposed to

1968

01:14:21,430 --> 01:14:17,360

understand really about that i think is

1969

01:14:24,630 --> 01:14:21,440

that it was kind of meant to just

1970

01:14:26,870 --> 01:14:24,640

rile people up you know to go on donahue

1971

01:14:29,510 --> 01:14:26,880

and to you know where the ridiculous you

1972

01:14:31,110 --> 01:14:29,520

know he had these eyebrows that were

1973

01:14:34,149 --> 01:14:31,120

turned up like horns and he had this

1974

01:14:36,630 --> 01:14:34,159

little pitch on the widow's peak on in

1975

01:14:39,189 --> 01:14:36,640

this and the whole thing was just to

1976

01:14:42,070 --> 01:14:39,199

stir people up and it's traceable back

1977

01:14:45,830 --> 01:14:42,080

to his days in vietnam where he was

1978

01:14:47,910 --> 01:14:45,840

engaged in pre-mk ultra mind games where

1979

01:14:49,830 --> 01:14:47,920

they would fly in helicopters and they

1980

01:14:52,790 --> 01:14:49,840

would broadcast these

1981

01:14:54,709 --> 01:14:52,800

recordings to the viet cong saying your

1982

01:14:57,510 --> 01:14:54,719

soul will

1983

01:14:59,189 --> 01:14:57,520

wander forever when you're died on the

1984

01:15:01,030 --> 01:14:59,199

field and all this kind of deep

1985

01:15:03,430 --> 01:15:01,040

psychological [h__\h]

1986

01:15:04,390 --> 01:15:03,440

so there's two parts to that story one

1987

01:15:05,669 --> 01:15:04,400

is the

1988

01:15:07,750 --> 01:15:05,679

part that we're talking about at one

1989

01:15:09,990 --> 01:15:07,760

level of the social part but the other

1990

01:15:11,669 --> 01:15:10,000

is he really was a satanist and he was

1991

01:15:13,510 --> 01:15:11,679

also a pedophile with his wife and

1992

01:15:15,189 --> 01:15:13,520

probably killed a bunch of kids as long

1993

01:15:17,110 --> 01:15:15,199

along with his wife being a pedophile

1994

01:15:18,709 --> 01:15:17,120

and a bunch of people testified to it

1995

01:15:20,950 --> 01:15:18,719

and they did it because they were trying

1996

01:15:22,709 --> 01:15:20,960

to connect with this extended

1997

01:15:24,709 --> 01:15:22,719

consciousness realm

1998

01:15:27,590 --> 01:15:24,719

that was

1999

01:15:29,110 --> 01:15:27,600

influencing welcoming them to to do that

2000

01:15:30,390 --> 01:15:29,120

in a way that they thought would

2001

01:15:32,149 --> 01:15:30,400

generate

2002

01:15:34,229 --> 01:15:32,159

more

2003

01:15:36,630 --> 01:15:34,239

whatever that's something to explore so

2004

01:15:37,910 --> 01:15:36,640

i just kind of stick that out there but

2005

01:15:39,910 --> 01:15:37,920

the other one and i don't know if you've

2006

01:15:41,270 --> 01:15:39,920

talked about if you've done this but we

2007

01:15:45,830 --> 01:15:41,280

will have

2008

01:15:47,750 --> 01:15:45,840

do you know who lou elizondo is

2009

01:15:49,669 --> 01:15:47,760

no i don't

2010

01:15:51,830 --> 01:15:49,679

are you from this is like you know

2011

01:15:56,229 --> 01:15:51,840

people get all worked up about covid

2012

01:15:57,669 --> 01:15:56,239

which they should no question i am not

2013

01:15:58,390 --> 01:15:57,679

minimizing that

2014

01:16:00,630 --> 01:15:58,400

but

2015

01:16:02,310 --> 01:16:00,640

have you d were you aware that just a

2016

01:16:05,350 --> 01:16:02,320

couple weeks ago

2017

01:16:07,830 --> 01:16:05,360

the pentagon published their preliminary

2018

01:16:09,510 --> 01:16:07,840

assessment of the what they're now

2019

01:16:13,110 --> 01:16:09,520

calling the uap but what we all

2020

01:16:14,870 --> 01:16:13,120

understand is the ufo phenomenon

2021

01:16:17,030 --> 01:16:14,880

no i know they've been uh kind of

2022

01:16:19,590 --> 01:16:17,040

hinting about this for the last few few

2023

01:16:21,910 --> 01:16:19,600

months yeah yeah it's it it's really

2024

01:16:22,950 --> 01:16:21,920

much much much bigger it is the biggest

2025

01:16:25,110 --> 01:16:22,960

story

2026
01:16:26,870 --> 01:16:25,120
in again you know like we were talking

2027
01:16:28,790 --> 01:16:26,880
about the beginning of our lifetime and

2028
01:16:29,669 --> 01:16:28,800
it's all just accelerated in the last 20

2029
01:16:31,590 --> 01:16:29,679
years

2030
01:16:33,350 --> 01:16:31,600
i mean we we have to keep in mind that

2031
01:16:36,870 --> 01:16:33,360
for the last 60 years the united states

2032
01:16:38,470 --> 01:16:36,880
government has killed threatened to kill

2033
01:16:40,950 --> 01:16:38,480
and uh

2034
01:16:43,750 --> 01:16:40,960
and then also

2035
01:16:46,390 --> 01:16:43,760
physically abused people for revealing

2036
01:16:49,830 --> 01:16:46,400
any secrets about their

2037
01:16:51,910 --> 01:16:49,840
understanding of uh the ufo et

2038
01:16:53,750 --> 01:16:51,920

phenomenon so all the way back to

2039

01:16:56,950 --> 01:16:53,760

roswell which was

2040

01:17:00,149 --> 01:16:56,960

real and ever real in every way but

2041

01:17:03,110 --> 01:17:00,159

the the the kind of real turning point

2042

01:17:06,390 --> 01:17:03,120

event on this was what was published in

2043

01:17:08,149 --> 01:17:06,400

the new york times in december of 2017

2044

01:17:09,669 --> 01:17:08,159

and i actually have the

2045

01:17:10,790 --> 01:17:09,679

had the fortune good fortune of

2046

01:17:13,030 --> 01:17:10,800

interviewing

2047

01:17:15,510 --> 01:17:13,040

two of the reporters

2048

01:17:18,470 --> 01:17:15,520

who published that piece

2049

01:17:20,630 --> 01:17:18,480

one is a woman named leslie kane who i

2050

01:17:23,270 --> 01:17:20,640

love and respect and she has a great

2051

01:17:26,709 --> 01:17:23,280

netflix series on

2052

01:17:29,270 --> 01:17:26,719

after death uh that's very well done

2053

01:17:30,470 --> 01:17:29,280

and the other is ralph blumenthal who is

2054

01:17:38,790 --> 01:17:30,480

a

2055

01:17:40,790 --> 01:17:38,800

to

2056

01:17:43,110 --> 01:17:40,800

work with abductees

2057

01:17:44,550 --> 01:17:43,120

way back in the 1990s and stuff like

2058

01:17:46,470 --> 01:17:44,560

that but

2059

01:17:48,790 --> 01:17:46,480

blumenthal's career at the new york

2060

01:17:51,189 --> 01:17:48,800

times is just as a reporter i mean he

2061

01:17:53,110 --> 01:17:51,199

reported on the mob he had 40-year

2062

01:17:54,149 --> 01:17:53,120

career he was

2063

01:17:56,790 --> 01:17:54,159

you know

2064

01:17:58,390 --> 01:17:56,800

he was a mainstream reporter

2065

01:18:01,669 --> 01:17:58,400

and both of these

2066

01:18:04,550 --> 01:18:01,679

people got in in my opinion got kind of

2067

01:18:05,830 --> 01:18:04,560

duped into doing this story

2068

01:18:08,390 --> 01:18:05,840

about

2069

01:18:10,709 --> 01:18:08,400

the the official rollout by the

2070

01:18:13,590 --> 01:18:10,719

government of acknowledging

2071

01:18:16,310 --> 01:18:13,600

that the ufos are real and that was done

2072

01:18:18,709 --> 01:18:16,320

in the new york times in december 2017

2073

01:18:21,110 --> 01:18:18,719

and there was a huge deal made of it but

2074

01:18:23,110 --> 01:18:21,120

the for the most part the general public

2075

01:18:25,110 --> 01:18:23,120

was like ah i already know that i've

2076

01:18:26,470 --> 01:18:25,120

seen all the movies on tv for the last

2077

01:18:28,390 --> 01:18:26,480

i've seen all the movies in the theater

2078

01:18:30,790 --> 01:18:28,400

and everything else will last 20 years

2079

01:18:32,550 --> 01:18:30,800

well they didn't stop though they kept

2080

01:18:35,030 --> 01:18:32,560

coming out with more

2081

01:18:37,270 --> 01:18:35,040

leaks and information and all the rest

2082

01:18:38,229 --> 01:18:37,280

of this stuff so we will have a good

2083

01:18:40,790 --> 01:18:38,239

time

2084

01:18:44,470 --> 01:18:40,800

talking about that whole thing

2085

01:18:46,790 --> 01:18:44,480

because that ties into a bunch of stuff

2086

01:18:50,709 --> 01:18:46,800

one there's reason to believe that one

2087

01:18:53,510 --> 01:18:50,719

of the goals of the mk ultra program was

2088

01:18:56,550 --> 01:18:53,520

to get a better handle on the

2089

01:18:58,870 --> 01:18:56,560

communication that they knew existed

2090

01:19:00,870 --> 01:18:58,880

between e.t in the extended

2091

01:19:02,709 --> 01:19:00,880

consciousness realm because et is

2092

01:19:04,550 --> 01:19:02,719

telepathic we don't know what that means

2093

01:19:06,229 --> 01:19:04,560

but we know that that's what people

2094

01:19:09,189 --> 01:19:06,239

report all the time

2095

01:19:11,030 --> 01:19:09,199

and we also know that et seems to be

2096

01:19:13,189 --> 01:19:11,040

mixed up in this space-time kind of

2097

01:19:16,149 --> 01:19:13,199

thing in a way that we don't understand

2098

01:19:17,990 --> 01:19:16,159

so it's it there's a lot of evidence

2099

01:19:19,510 --> 01:19:18,000

pointing towards and we can i'll share

2100

01:19:22,390 --> 01:19:19,520

it with you and then we can talk about

2101

01:19:24,870 --> 01:19:22,400

it including the personal account of

2102

01:19:28,630 --> 01:19:24,880

whitley strieber who was

2103

01:19:31,110 --> 01:19:28,640

you know a witness not only to e.t and a

2104

01:19:32,310 --> 01:19:31,120

personal witness and personally uh

2105

01:19:34,390 --> 01:19:32,320

attacked

2106

01:19:37,110 --> 01:19:34,400

but also

2107

01:19:40,149 --> 01:19:37,120

when he was a kid was subjected to an mk

2108

01:19:42,470 --> 01:19:40,159

ultra program that attempted to

2109

01:19:46,149 --> 01:19:42,480

create disassociative identity disorder

2110

01:19:47,110 --> 01:19:46,159

in him as a tool to weaponize this

2111

01:19:48,950 --> 01:19:47,120

kind of

2112

01:19:50,390 --> 01:19:48,960

vaulting into this extended

2113

01:19:51,990 --> 01:19:50,400

consciousness realm

2114

01:19:53,990 --> 01:19:52,000

so

2115

01:19:55,510 --> 01:19:54,000

i guess where i'm going with all that i

2116

01:19:58,070 --> 01:19:55,520

mean i don't want to say where i'm going

2117

01:20:00,229 --> 01:19:58,080

with all that that kind of minimizes it

2118

01:20:03,590 --> 01:20:00,239

this is probably

2119

01:20:06,390 --> 01:20:03,600

in my mind the biggest event that's

2120

01:20:08,390 --> 01:20:06,400

going on right now the government's

2121

01:20:10,070 --> 01:20:08,400

acknowledgement that they have

2122

01:20:11,270 --> 01:20:10,080

completely

2123

01:20:14,470 --> 01:20:11,280

lied

2124

01:20:19,590 --> 01:20:14,480

about the their knowledge of

2125

01:20:21,669 --> 01:20:19,600

et and ufos for the last 60 years is

2126

01:20:24,390 --> 01:20:21,679

probably the biggest story that there is

2127

01:20:26,629 --> 01:20:24,400

right now because along with that where

2128

01:20:27,590 --> 01:20:26,639

they're trying to take that you can take

2129

01:20:32,390 --> 01:20:27,600

that

2130

01:20:33,750 --> 01:20:32,400

can take it is to say which is what

2131

01:20:36,229 --> 01:20:33,760

they're trying to do

2132

01:20:39,110 --> 01:20:36,239

is that e.t is a threat

2133

01:20:41,430 --> 01:20:39,120

and we need to

2134

01:20:42,950 --> 01:20:41,440

treat this as a defense issue

2135

01:20:44,870 --> 01:20:42,960

the other way to take it which some

2136

01:20:47,350 --> 01:20:44,880

people are taking it is

2137

01:20:48,870 --> 01:20:47,360

et is

2138

01:20:51,110 --> 01:20:48,880

probably

2139

01:20:53,110 --> 01:20:51,120

our our source of origin in some way

2140

01:20:56,629 --> 01:20:53,120

that we don't fully understand

2141

01:20:58,070 --> 01:20:56,639

and is in some way trying to steer us

2142

01:21:00,470 --> 01:20:58,080

towards

2143

01:21:02,950 --> 01:21:00,480

not killing ourselves and the evidence

2144

01:21:04,070 --> 01:21:02,960

for that is quite substantial if you

2145

01:21:06,229 --> 01:21:04,080

ever read

2146

01:21:07,350 --> 01:21:06,239

robert hastings book

2147

01:21:10,590 --> 01:21:07,360

about

2148

01:21:13,189 --> 01:21:10,600

ufos and nukes the evidence is

2149

01:21:15,430 --> 01:21:13,199

absolutely overwhelming in its

2150

01:21:17,750 --> 01:21:15,440

eyewitness evidence of some of the

2151
01:21:19,990 --> 01:21:17,760
highest ranking military officials who

2152
01:21:22,790 --> 01:21:20,000
were there who were buried in the

2153
01:21:23,990 --> 01:21:22,800
bunkers 30 feet underground and had

2154
01:21:26,870 --> 01:21:24,000
their

2155
01:21:30,229 --> 01:21:26,880
nuclear silos shut down

2156
01:21:33,189 --> 01:21:30,239
one after another in sequence while

2157
01:21:35,350 --> 01:21:33,199
above ground they were reporting ufos

2158
01:21:38,470 --> 01:21:35,360
that were shooting beams down into the

2159
01:21:40,629 --> 01:21:38,480
silos now each one of those silos is

2160
01:21:42,470 --> 01:21:40,639
completely independent of the other

2161
01:21:44,550 --> 01:21:42,480
their power system is independent their

2162
01:21:46,310 --> 01:21:44,560
computer system is independent

2163
01:21:49,110 --> 01:21:46,320

you can imagine just anyone the

2164

01:21:52,470 --> 01:21:49,120

redundancy there is like you know crazy

2165

01:21:56,229 --> 01:21:52,480

because it's a nuclear war kind of thing

2166

01:21:57,430 --> 01:21:56,239

e.t was in complete control of that in

2167

01:22:01,669 --> 01:21:57,440

russia

2168

01:22:04,790 --> 01:22:01,679

et did the opposite they activated

2169

01:22:06,950 --> 01:22:04,800

the silos one after another after

2170

01:22:10,310 --> 01:22:06,960

another and the russians were freaking

2171

01:22:12,310 --> 01:22:10,320

out now afterwards they shut it down but

2172

01:22:15,030 --> 01:22:12,320

the point was clear

2173

01:22:18,709 --> 01:22:15,040

guys we can do whatever the [h__\h] we want

2174

01:22:20,310 --> 01:22:18,719

with your big fancy game toys and guns

2175

01:22:22,070 --> 01:22:20,320

that you think you have

2176

01:22:23,750 --> 01:22:22,080

so

2177

01:22:25,830 --> 01:22:23,760

to me

2178

01:22:28,870 --> 01:22:25,840

i think we have to keep

2179

01:22:31,110 --> 01:22:28,880

looking you know we have to look

2180

01:22:33,830 --> 01:22:31,120

in all the ways that we're talking about

2181

01:22:35,910 --> 01:22:33,840

but i think we have to keep asking is

2182

01:22:37,910 --> 01:22:35,920

this the biggest game that's in play is

2183

01:22:40,550 --> 01:22:37,920

this the biggest game that's in play

2184

01:22:43,590 --> 01:22:40,560

what is the bigger game that might

2185

01:22:46,790 --> 01:22:43,600

really be in play and when i compare

2186

01:22:49,830 --> 01:22:46,800

what's going on with et

2187

01:22:52,390 --> 01:22:49,840

to what's going on with kovid

2188

01:22:54,470 --> 01:22:52,400

one looks like

2189

01:22:56,790 --> 01:22:54,480

kind of child's play compared to the

2190

01:23:03,910 --> 01:23:00,870

so you know joe we ought to move towards

2191

01:23:06,870 --> 01:23:03,920

wrapping up this first session because

2192

01:23:08,870 --> 01:23:06,880

we've laid out so many so many possible

2193

01:23:11,110 --> 01:23:08,880

i agree i agree and and we can like

2194

01:23:12,229 --> 01:23:11,120

compartmentalize them into smaller units

2195

01:23:14,550 --> 01:23:12,239

with um

2196

01:23:15,750 --> 01:23:14,560

so that we can go give them the depth

2197

01:23:17,590 --> 01:23:15,760

that will give the you know your

2198

01:23:18,709 --> 01:23:17,600

listeners the best understanding of each

2199

01:23:20,629 --> 01:23:18,719

of our

2200

01:23:22,229 --> 01:23:20,639

and you know our positions on these

2201

01:23:24,709 --> 01:23:22,239

things that these are the critical

2202

01:23:26,870 --> 01:23:24,719

issues you know many ways yeah yeah yeah

2203

01:23:29,910 --> 01:23:26,880

yeah so oh this is great

2204

01:23:30,950 --> 01:23:29,920

i'm so excited to go there and to do it

2205

01:23:33,910 --> 01:23:30,960

and uh

2206

01:23:36,390 --> 01:23:33,920

and i'm also excited to dive into this

2207

01:23:39,110 --> 01:23:36,400

roman history because as

2208

01:23:41,430 --> 01:23:39,120

as grim as it is in a way because it

2209

01:23:43,270 --> 01:23:41,440

does reflect on it's like looking into

2210

01:23:44,550 --> 01:23:43,280

the mirror in some ways to where we're

2211

01:23:47,590 --> 01:23:44,560

at now

2212

01:23:49,669 --> 01:23:47,600

it's also fun to go play in that roman

2213

01:23:52,709 --> 01:23:49,679

sandbox it feels a little bit less

2214

01:23:55,350 --> 01:23:52,719

threatening a little bit lighter

2215

01:23:57,830 --> 01:23:55,360

um let me give you like a bon bon uh

2216

01:24:00,709 --> 01:23:57,840

sort of like my constantine bonbon

2217

01:24:03,350 --> 01:24:00,719

you know st peters

2218

01:24:04,149 --> 01:24:03,360

has the huge uh

2219

01:24:05,910 --> 01:24:04,159

um

2220

01:24:08,310 --> 01:24:05,920

open space in front of the courtyard

2221

01:24:09,510 --> 01:24:08,320

that has the uh obelisk in the middle of

2222

01:24:12,229 --> 01:24:09,520

it

2223

01:24:13,990 --> 01:24:12,239

if you look at the vatican today

2224

01:24:16,709 --> 01:24:14,000

you know just think of it of like this

2225

01:24:18,229 --> 01:24:16,719

courtyard it's a huge courtyard that

2226

01:24:20,310 --> 01:24:18,239

in the back of saint peter's and right

2227

01:24:22,870 --> 01:24:20,320

in the middle of it they have this

2228

01:24:24,709 --> 01:24:22,880

giant obelisk egyptian thing that goes

2229

01:24:28,070 --> 01:24:24,719

straight up to the sky

2230

01:24:31,189 --> 01:24:28,080

um do you know that that is actually the

2231

01:24:33,430 --> 01:24:31,199

original flavian uh

2232

01:24:35,830 --> 01:24:33,440

chariot racing pavilion i mean they

2233

01:24:36,870 --> 01:24:35,840

literally built the vatican

2234

01:24:39,830 --> 01:24:36,880

right

2235

01:24:42,310 --> 01:24:39,840

out of the flavian palace there

2236

01:24:45,270 --> 01:24:42,320

it's just incredible and they left the

2237

01:24:46,470 --> 01:24:45,280

the it was a chariot racing arena called

2238

01:24:49,830 --> 01:24:46,480

a circus

2239

01:24:52,550 --> 01:24:49,840

and domitian had uh you know had uh

2240

01:24:55,030 --> 01:24:52,560

had had kind of refined it

2241

01:24:57,669 --> 01:24:55,040

but it was left intact and then just

2242

01:25:00,870 --> 01:24:57,679

became the vatican so i always thought

2243

01:25:02,070 --> 01:25:00,880

that was kind of amusing that that is

2244

01:25:04,470 --> 01:25:02,080

yeah you'd have

2245

01:25:07,510 --> 01:25:04,480

the flavian

2246

01:25:09,510 --> 01:25:07,520

circus as the the um

2247

01:25:10,790 --> 01:25:09,520

the basis for the vatican

2248

01:25:13,510 --> 01:25:10,800

um

2249

01:25:15,590 --> 01:25:13,520

because uh they also have the pope

2250

01:25:18,629 --> 01:25:15,600

called the pontiff maximus which was the

2251

01:25:20,950 --> 01:25:18,639

title that the flavian caesars held so

2252

01:25:21,990 --> 01:25:20,960

you can see that these guys they not

2253

01:25:24,149 --> 01:25:22,000

only

2254

01:25:26,070 --> 01:25:24,159

our guest again has been

2255

01:25:28,229 --> 01:25:26,080

oh they're just extraordinary joseph

2256

01:25:30,229 --> 01:25:28,239

atwell please check out the previous

2257

01:25:32,070 --> 01:25:30,239

interviews we've had uh

2258

01:25:33,590 --> 01:25:32,080

i think you'll enjoy them if you enjoyed

2259

01:25:37,350 --> 01:25:33,600

2260

01:25:40,149 --> 01:25:37,360

those and do check out joe's uh websites

2261

01:25:42,629 --> 01:25:40,159

he has a website for caesar's messiah

2262

01:25:44,550 --> 01:25:42,639

that he continually updates and jill

2263

01:25:47,270 --> 01:25:44,560

where else are you publishing some of

2264

01:25:50,790 --> 01:25:47,280

the stuff that you are continually

2265

01:25:51,669 --> 01:25:50,800

working on um you know um

2266

01:26:15,110 --> 01:25:51,679

i

2267

01:26:17,270 --> 01:26:15,120

and also

2268

01:26:19,590 --> 01:26:17,280

um one that's very relevant to our

2269

01:26:21,270 --> 01:26:19,600

current moment on the tempest and this

2270

01:26:23,350 --> 01:26:21,280

is an analysis of the of the

2271

01:26:26,070 --> 01:26:23,360

shakespearean play which is not in the

2272

01:26:28,229 --> 01:26:26,080

book on shakespeare because it is uh so

2273

01:26:30,070 --> 01:26:28,239

explosive that i didn't want to put it

2274

01:26:31,910 --> 01:26:30,080

inside the book but it is available post

2275

01:26:34,149 --> 01:26:31,920

leviano you can also just pull these

2276

01:26:34,950 --> 01:26:34,159

things up by just googling my name at

2277

01:26:37,830 --> 01:26:34,960

will

2278

01:26:39,990 --> 01:26:37,840

and the tempest are at well and catcher

2279

01:26:40,870 --> 01:26:40,000

in the rye and and you know i wanted

2280

01:26:45,270 --> 01:26:40,880

these

2281

01:26:46,870 --> 01:26:45,280

to our current moment to be available

2282

01:26:48,470 --> 01:26:46,880

for the public you know with not hidden

2283

01:26:49,750 --> 01:26:48,480

behind a paywall or anything just do

2284

01:26:51,270 --> 01:26:49,760

that and

2285

01:26:52,950 --> 01:26:51,280

and check it out and if you have

2286

01:26:56,310 --> 01:26:52,960

questions

2287

01:26:57,669 --> 01:26:56,320

just at joeatwell gmail.com

2288

01:26:59,910 --> 01:26:57,679

i get a lot of

2289

01:27:01,750 --> 01:26:59,920

emails so i can't always get back

2290

01:27:03,990 --> 01:27:01,760

immediately but i do try to respond to

2291

01:27:06,070 --> 01:27:04,000

all the emails

2292

01:27:08,229 --> 01:27:06,080

2299

01:27:21,830 --> 01:27:20,719

this interview is the oligarch

2300

01:27:28,629 --> 01:27:21,840

question

2301

01:27:31,510 --> 01:27:28,639

what is our responsibility and what

2302

01:27:34,229 --> 01:27:31,520

power do we have against

2303

01:27:36,470 --> 01:27:34,239

the oligarch as uh joe likes to say and

2304

01:27:38,229 --> 01:27:36,480

i don't like to say but it's his word so

2305

01:27:39,110 --> 01:27:38,239

we'll go with it let me know your

2306

01:27:41,030 --> 01:27:39,120

2307

01:27:42,390 --> 01:27:41,040

i'm gonna do more dialogues with joe

2308
