**COVID
SPIRITUAL
WARFARE**

#521-RICHARD-SYRETT

1
00:00:04,789 --> 00:00:02,230
as long as there are those that remember

2
00:00:08,390 --> 00:00:04,799
what was there will always be those that

3
00:00:11,589 --> 00:00:08,400
are unable to accept what can be yep

4
00:00:13,110 --> 00:00:11,599
we're all kinds of stubborn i'm thankful

5
00:00:15,669 --> 00:00:13,120
i will

6
00:00:17,830 --> 00:00:15,679
shred this universe down to its last

7
00:00:19,670 --> 00:00:17,840
adam never been much of a fan of the

8
00:00:21,109 --> 00:00:19,680
avenger movies

9
00:00:24,550 --> 00:00:21,119
probably because i've never been much of

10
00:00:25,589 --> 00:00:24,560
a fan of the apocalyptic end game final

11
00:00:27,670 --> 00:00:25,599
battle

12
00:00:30,310 --> 00:00:27,680
but i have to tell you as these things

13
00:00:32,229 --> 00:00:30,320

pile up more and more and especially as

14

00:00:34,549 --> 00:00:32,239

i talk to people who i really respect

15

00:00:36,549 --> 00:00:34,559

like today's guest the outstanding

16

00:00:38,069 --> 00:00:36,559

alternative media journalist richard

17

00:00:40,470 --> 00:00:38,079

sarat well

18

00:00:42,069 --> 00:00:40,480

when people like richard start heading

19

00:00:45,910 --> 00:00:42,079

in that direction

20

00:00:47,910 --> 00:00:45,920

i do take notice she said covet has

21

00:00:49,990 --> 00:00:47,920

opened a window

22

00:00:52,069 --> 00:00:50,000

for us and presents us with all of these

23

00:00:53,830 --> 00:00:52,079

opportunities you know to do the things

24

00:00:55,110 --> 00:00:53,840

that we should you know that we want to

25

00:00:58,150 --> 00:00:55,120

do in terms of

26

00:01:00,470 --> 00:00:58,160

this again this very radical progressive

27

00:01:02,470 --> 00:01:00,480

collectivist agenda

28

00:01:04,869 --> 00:01:02,480

that doesn't get us all the way there we

29

00:01:06,390 --> 00:01:04,879

get the radical progressive we get the

30

00:01:08,870 --> 00:01:06,400

collectivist

31

00:01:10,469 --> 00:01:08,880

there's something more i have a sense

32

00:01:12,710 --> 00:01:10,479

that there's something more that there

33

00:01:14,469 --> 00:01:12,720

is something evil

34

00:01:16,070 --> 00:01:14,479

behind this yeah there has to be a

35

00:01:17,030 --> 00:01:16,080

spiritual element you're right you're

36

00:01:19,350 --> 00:01:17,040

right

37

00:01:21,270 --> 00:01:19,360

i guess in the in the fog of war in the

38

00:01:22,950 --> 00:01:21,280

midst of battle when i'm you know

39

00:01:24,950 --> 00:01:22,960

dealing with

40

00:01:27,350 --> 00:01:24,960

uh the efficacy of masks and the latest

41

00:01:30,069 --> 00:01:27,360

study that comes out or the latest

42

00:01:31,990 --> 00:01:30,079

peer-reviewed study on ivermectin or a

43

00:01:32,950 --> 00:01:32,000

court challenge on

44

00:01:34,870 --> 00:01:32,960

uh

45

00:01:37,510 --> 00:01:34,880

vaccine passports or a woman who's

46

00:01:40,630 --> 00:01:37,520

pregnant and is getting fired because

47

00:01:43,590 --> 00:01:40,640

she refuses the vaccine um

48

00:01:45,590 --> 00:01:43,600

these little kind of the ground war

49

00:01:49,109 --> 00:01:45,600

what is behind this

50

00:01:50,789 --> 00:01:49,119

this thirst for control yeah i mean

51
00:01:53,429 --> 00:01:50,799
if you get down to the bedrock

52
00:01:55,190 --> 00:01:53,439
ultimately it is it's spiritual warfare

53
00:01:57,830 --> 00:01:55,200
we're dealing with here i wonder do you

54
00:01:59,030 --> 00:01:57,840
have any thoughts specifically about

55
00:02:01,910 --> 00:01:59,040
whether

56
00:02:04,149 --> 00:02:01,920
there has this been this huge swing of

57
00:02:07,749 --> 00:02:04,159
the occult in the satanic in the do it

58
00:02:10,309 --> 00:02:07,759
thou wilt culture the luciferian culture

59
00:02:11,830 --> 00:02:10,319
is the timing of that

60
00:02:13,750 --> 00:02:11,840
for you

61
00:02:17,350 --> 00:02:13,760
in any way

62
00:02:18,790 --> 00:02:17,360
connected related potentially

63
00:02:20,550 --> 00:02:18,800

linked to

64

00:02:21,510 --> 00:02:20,560

what we're seeing here or is that a

65

00:02:25,190 --> 00:02:21,520

stretch

66

00:02:27,110 --> 00:02:25,200

i i think

67

00:02:28,470 --> 00:02:27,120

i think this is

68

00:02:31,350 --> 00:02:28,480

we're getting down to near maybe the

69

00:02:33,589 --> 00:02:31,360

final chess moves

70

00:02:35,670 --> 00:02:33,599

i don't know how far we are to the end

71

00:02:38,150 --> 00:02:35,680

of the game you know game over but

72

00:02:40,229 --> 00:02:38,160

it feels to me like we're getting down

73

00:02:41,990 --> 00:02:40,239

to the final chess moves where

74

00:02:43,910 --> 00:02:42,000

these dark forces are having you know

75

00:02:45,990 --> 00:02:43,920

everything seems to be going their way

76
00:02:47,990 --> 00:02:46,000
stick around you'll hear that i do come

77
00:02:50,550 --> 00:02:48,000
in off a ledge at the end

78
00:02:52,229 --> 00:02:50,560
here's my interview with richard sarat

79
00:02:54,710 --> 00:02:52,239
welcome to skeptica where we explore

80
00:02:57,030 --> 00:02:54,720
controversial science and spirituality

81
00:02:58,710 --> 00:02:57,040
with leading researchers thinkers and

82
00:03:00,869 --> 00:02:58,720
their critics i'm your host alex

83
00:03:03,190 --> 00:03:00,879
ciccaris and today

84
00:03:05,270 --> 00:03:03,200
i'm very excited to welcome richard

85
00:03:06,949 --> 00:03:05,280
sarah to skeptico

86
00:03:09,670 --> 00:03:06,959
richard is

87
00:03:12,390 --> 00:03:09,680
well he's absolutely one of the top

88
00:03:13,270 --> 00:03:12,400

alternative media journalists that we

89

00:03:14,149 --> 00:03:13,280

have

90

00:03:16,229 --> 00:03:14,159

and

91

00:03:19,190 --> 00:03:16,239

i he has really held that honor for

92

00:03:20,710 --> 00:03:19,200

quite some time i don't want to

93

00:03:22,390 --> 00:03:20,720

kind of make him out to be we're putting

94

00:03:25,509 --> 00:03:22,400

him out to pass or anything because he's

95

00:03:27,509 --> 00:03:25,519

still doing absolutely terrific work you

96

00:03:29,350 --> 00:03:27,519

might know him from his frequent guest

97

00:03:31,670 --> 00:03:29,360

appearances on

98

00:03:34,309 --> 00:03:31,680

coast to coast where he's a guest host

99

00:03:37,670 --> 00:03:34,319

or like me you might be totally hooked

100

00:03:38,869 --> 00:03:37,680

to his excellent podcast conspiracy

101
00:03:42,229 --> 00:03:38,879
unlimited

102
00:03:45,509 --> 00:03:42,239
and yes i have pilfered more than one or

103
00:03:48,229 --> 00:03:45,519
two guests from richard's excellent

104
00:03:51,110 --> 00:03:48,239
lineup of interviews if you live in

105
00:03:54,070 --> 00:03:51,120
canada you might be tuning in to him on

106
00:03:55,750 --> 00:03:54,080
his syndicated radio show which he was

107
00:03:57,110 --> 00:03:55,760
just telling me a minute ago that he

108
00:03:58,149 --> 00:03:57,120
just wrapped up

109
00:03:59,910 --> 00:03:58,159
so

110
00:04:04,070 --> 00:03:59,920
i this this is going to be a real treat

111
00:04:06,710 --> 00:04:04,080
for me and i just mentioned to richard

112
00:04:09,270 --> 00:04:06,720
you know whenever i hear him i always

113
00:04:11,509 --> 00:04:09,280

feel there's a lot more to the story

114

00:04:13,830 --> 00:04:11,519

that he's holding back he's a journalist

115

00:04:15,750 --> 00:04:13,840

he lets his guests do the talking unlike

116

00:04:18,150 --> 00:04:15,760

me sometimes but

117

00:04:21,670 --> 00:04:18,160

i want to know what this guy thinks i

118

00:04:25,189 --> 00:04:21,680

want to know what he thinks is the state

119

00:04:27,670 --> 00:04:25,199

of this alternative media

120

00:04:30,230 --> 00:04:27,680

explosion that we're in the middle of

121

00:04:32,550 --> 00:04:30,240

but we're not quite sure to make what

122

00:04:35,350 --> 00:04:32,560

we're in the middle of richard thank you

123

00:04:36,870 --> 00:04:35,360

so much for joining me and uh welcome

124

00:04:39,110 --> 00:04:36,880

hey alex thank you for that wonderful

125

00:04:42,310 --> 00:04:39,120

introduction

126

00:04:43,670 --> 00:04:42,320

well it's uh it's just the truth that

127

00:04:45,030 --> 00:04:43,680

what's that makes it easy when you're

128

00:04:47,830 --> 00:04:45,040

just telling the truth

129

00:04:49,510 --> 00:04:47,840

but i give a very brief sketch of your

130

00:04:52,070 --> 00:04:49,520

bio

131

00:04:55,030 --> 00:04:52,080

what el what else should people know

132

00:04:56,629 --> 00:04:55,040

you've done uh so much you've done tv

133

00:04:59,749 --> 00:04:56,639

shows you've done

134

00:05:02,469 --> 00:04:59,759

media appearances on tv multiple radio

135

00:05:03,909 --> 00:05:02,479

appearances fill in the details for

136

00:05:05,749 --> 00:05:03,919

people of

137

00:05:08,070 --> 00:05:05,759

of your work

138

00:05:08,950 --> 00:05:08,080

my latest project is a an afternoon

139

00:05:11,830 --> 00:05:08,960

drive

140

00:05:13,909 --> 00:05:11,840

show on a radio station that serves the

141

00:05:15,749 --> 00:05:13,919

greater toronto area it's called saga

142

00:05:17,029 --> 00:05:15,759

960

143

00:05:19,909 --> 00:05:17,039

and it

144

00:05:23,350 --> 00:05:19,919

it airs weekdays from four to six pm

145

00:05:25,350 --> 00:05:23,360

eastern and it's quite a departure from

146

00:05:27,430 --> 00:05:25,360

anything i've done really since i was

147

00:05:30,230 --> 00:05:27,440

producing talk radio

148

00:05:33,749 --> 00:05:30,240

in the early to mid 90s

149

00:05:38,390 --> 00:05:36,310

politics opinion

150

00:05:41,110 --> 00:05:38,400

newsmaker type show

151
00:05:42,710 --> 00:05:41,120
very fast-paced and i offer my my

152
00:05:45,029 --> 00:05:42,720
opinions

153
00:05:47,189 --> 00:05:45,039
we we talk about

154
00:05:50,230 --> 00:05:47,199
the culture war we talk about

155
00:05:53,189 --> 00:05:50,240
covet obviously i mean the lockdowns the

156
00:05:55,110 --> 00:05:53,199
vaccine passports vaccine mandates this

157
00:05:57,749 --> 00:05:55,120
is really

158
00:05:58,870 --> 00:05:57,759
the the issue of our lifetime

159
00:05:59,830 --> 00:05:58,880
so

160
00:06:01,430 --> 00:05:59,840
um

161
00:06:02,870 --> 00:06:01,440
but i continue to do my sunday night

162
00:06:04,390 --> 00:06:02,880
show the syndicated program the

163
00:06:05,510 --> 00:06:04,400

conspiracy show you mentioned and that

164

00:06:08,629 --> 00:06:05,520

has

165

00:06:11,510 --> 00:06:08,639

about 40 affiliates across north america

166

00:06:14,550 --> 00:06:11,520

my podcast conspiracy unlimited

167

00:06:16,230 --> 00:06:14,560

um i'm uh i'm writing a newsletter

168

00:06:17,830 --> 00:06:16,240

i publish a newsletter once a month

169

00:06:19,710 --> 00:06:17,840

called inner sanctum and people can

170

00:06:21,590 --> 00:06:19,720

subscribe at

171

00:06:24,550 --> 00:06:21,600

strangeplanet.ca

172

00:06:26,390 --> 00:06:24,560

so that combined with two teenage boys

173

00:06:29,110 --> 00:06:26,400

about to turn 15

174

00:06:31,350 --> 00:06:29,120

uh keeps me hopping

175

00:06:33,110 --> 00:06:31,360

yeah i bet it does you know one of the

176

00:06:37,110 --> 00:06:33,120

things i think it's interesting about

177

00:06:40,070 --> 00:06:37,120

your uh syndicated radio show saga 960

178

00:06:41,590 --> 00:06:40,080

right saga 960. oh that's the radio

179

00:06:43,830 --> 00:06:41,600

station that one's not syndicated that's

180

00:06:45,749 --> 00:06:43,840

just in the greater toronto area my

181

00:06:48,230 --> 00:06:45,759

syndicated show is sunday nights and

182

00:06:50,390 --> 00:06:48,240

that's the conspiracy show and that's on

183

00:06:52,629 --> 00:06:50,400

his radio

184

00:06:53,990 --> 00:06:52,639

yeah great great and you know what's

185

00:06:56,790 --> 00:06:54,000

kind of interesting to me i mean

186

00:06:59,110 --> 00:06:56,800

conspiracy has gone mainstream

187

00:07:00,950 --> 00:06:59,120

and i think in so many ways the topics

188

00:07:03,510 --> 00:07:00,960

that you're talking about you're saying

189

00:07:06,390 --> 00:07:03,520

it's a straight ahead show and yet i'm

190

00:07:07,990 --> 00:07:06,400

sure you're bringing a lot of this

191

00:07:10,790 --> 00:07:08,000

material that would normally be

192

00:07:13,589 --> 00:07:10,800

considered conspiratorial

193

00:07:15,749 --> 00:07:13,599

not normally but 10 years ago certainly

194

00:07:18,230 --> 00:07:15,759

20 years ago it would have been very

195

00:07:20,790 --> 00:07:18,240

very conspiratorial that's so true i

196

00:07:22,150 --> 00:07:20,800

mean for me personally uh and i've i

197

00:07:27,430 --> 00:07:22,160

never

198

00:07:29,990 --> 00:07:27,440

it really alternative media because i've

199

00:07:31,589 --> 00:07:30,000

always been fortunate enough to do i

200

00:07:33,430 --> 00:07:31,599

guess what you would call alternative

201
00:07:35,589 --> 00:07:33,440
information within

202
00:07:38,070 --> 00:07:35,599
a mainstream media setting i've always

203
00:07:39,830 --> 00:07:38,080
worked at major market

204
00:07:42,309 --> 00:07:39,840
radio stations delivering this kind of

205
00:07:44,950 --> 00:07:42,319
content the conspiracy show

206
00:07:46,790 --> 00:07:44,960
errors on a 50 000 watt am station it

207
00:07:48,950 --> 00:07:46,800
has the largest broadcast footprint of

208
00:07:51,350 --> 00:07:48,960
any station in north america that the

209
00:07:52,950 --> 00:07:51,360
station is primarily music

210
00:07:56,309 --> 00:07:52,960
oriented

211
00:07:59,589 --> 00:07:56,319
um however i have a you know kind of a

212
00:08:01,029 --> 00:07:59,599
an island of talk on on sunday nights

213
00:08:02,469 --> 00:08:01,039

and

214

00:08:05,189 --> 00:08:02,479

the um

215

00:08:07,189 --> 00:08:05,199

the show i'm doing now on saga 960 is

216

00:08:09,749 --> 00:08:07,199

for the most part you know it's it's a

217

00:08:10,710 --> 00:08:09,759

much it's a much smaller station but it

218

00:08:12,790 --> 00:08:10,720

is

219

00:08:13,909 --> 00:08:12,800

considered mainstream i suppose i

220

00:08:15,909 --> 00:08:13,919

suppose

221

00:08:16,950 --> 00:08:15,919

uh but what i'm bringing into it i

222

00:08:19,189 --> 00:08:16,960

suppose yeah there's a bit of a

223

00:08:21,309 --> 00:08:19,199

convergence between

224

00:08:23,909 --> 00:08:21,319

what was considered alternative or

225

00:08:25,270 --> 00:08:23,919

conspiracy and that is

226

00:08:27,670 --> 00:08:25,280

i won't bore you with how that has

227

00:08:29,110 --> 00:08:27,680

become such a loaded term

228

00:08:31,029 --> 00:08:29,120

um

229

00:08:32,870 --> 00:08:31,039

that yeah that's that's what's happening

230

00:08:35,509 --> 00:08:32,880

right now we are seeing a convergence

231

00:08:37,190 --> 00:08:35,519

things i was talking about 20 years ago

232

00:08:39,430 --> 00:08:37,200

and and i'm not i don't consider myself

233

00:08:42,389 --> 00:08:39,440

to be a conspiracy theorist it's always

234

00:08:44,070 --> 00:08:42,399

been you know a case-by-case basis

235

00:08:45,590 --> 00:08:44,080

let's you know let's follow the rules of

236

00:08:48,470 --> 00:08:45,600

evidence

237

00:08:50,630 --> 00:08:48,480

some of these things are are you know

238

00:08:52,150 --> 00:08:50,640

non-falsifiable

239

00:08:53,269 --> 00:08:52,160
um

240

00:08:55,030 --> 00:08:53,279
and so

241

00:08:57,430 --> 00:08:55,040
ultimately you know there's no

242

00:08:59,030 --> 00:08:57,440
resolution other things i think

243

00:09:00,790 --> 00:08:59,040
based on the evidence

244

00:09:02,389 --> 00:09:00,800
warrant further examination

245

00:09:03,509 --> 00:09:02,399
investigation

246

00:09:05,030 --> 00:09:03,519
but i never

247

00:09:06,949 --> 00:09:05,040
i never you know

248

00:09:08,870 --> 00:09:06,959
bought in holist bolus into the idea of

249

00:09:11,269 --> 00:09:08,880
the illuminati or some

250

00:09:13,509 --> 00:09:11,279
secret society that is trying to rule

251
00:09:14,949 --> 00:09:13,519
the world like the freemasons i mean for

252
00:09:17,110 --> 00:09:14,959
crying out loud these people can't even

253
00:09:18,949 --> 00:09:17,120
organize a parade

254
00:09:19,750 --> 00:09:18,959
the freeman the masons anymore you know

255
00:09:21,350 --> 00:09:19,760
they're

256
00:09:24,150 --> 00:09:21,360
i never bought into the idea that

257
00:09:25,350 --> 00:09:24,160
they're trying to rule the planet

258
00:09:27,750 --> 00:09:25,360
um

259
00:09:29,509 --> 00:09:27,760
so i was always conflicted by much of it

260
00:09:30,949 --> 00:09:29,519
but

261
00:09:34,829 --> 00:09:30,959
my my

262
00:09:37,269 --> 00:09:34,839
my role was to pro to provide a

263
00:09:38,389 --> 00:09:37,279

respectful platform for people to come

264

00:09:41,030 --> 00:09:38,399

on

265

00:09:43,030 --> 00:09:41,040

and and talk about you know

266

00:09:44,710 --> 00:09:43,040

their research

267

00:09:46,550 --> 00:09:44,720

see i think you go i think you go a lot

268

00:09:47,430 --> 00:09:46,560

deeper than that i mean that almost

269

00:09:49,590 --> 00:09:47,440

seems

270

00:09:52,150 --> 00:09:49,600

my take of it let me throw out another

271

00:09:54,230 --> 00:09:52,160

term that maybe will turn us pivot us in

272

00:09:55,590 --> 00:09:54,240

a different direction okay conspire

273

00:09:57,030 --> 00:09:55,600

attainment

274

00:10:00,230 --> 00:09:57,040

there's both

275

00:10:02,389 --> 00:10:00,240

you know a positive aspect to that and

276

00:10:05,590 --> 00:10:02,399

a negative aspect to that i don't know

277

00:10:06,630 --> 00:10:05,600

what to make of it you know joe rogan

278

00:10:08,550 --> 00:10:06,640

is

279

00:10:12,150 --> 00:10:08,560

probably one of the most influential

280

00:10:15,509 --> 00:10:12,160

media people of our day i mean more

281

00:10:18,710 --> 00:10:15,519

viewers slash listeners than anyone on

282

00:10:20,870 --> 00:10:18,720

cnn or msnbc or any of those things

283

00:10:23,670 --> 00:10:20,880

highly influential

284

00:10:26,150 --> 00:10:23,680

has this conspiratorial edge but at the

285

00:10:29,069 --> 00:10:26,160

same time when he gets on there with

286

00:10:32,470 --> 00:10:29,079

alex jones and eddie bravo it's very

287

00:10:35,110 --> 00:10:32,480

conspiretainment it's hahaha flat earth

288

00:10:37,829 --> 00:10:35,120

it's you know kind of

289

00:10:40,230 --> 00:10:37,839

covering all these things in a way

290

00:10:42,230 --> 00:10:40,240

that's tremendous to package it

291

00:10:44,630 --> 00:10:42,240

towards entertainment it has to go that

292

00:10:47,829 --> 00:10:44,640

way as it goes mainstream

293

00:10:50,150 --> 00:10:47,839

but you you've always come at it from my

294

00:10:52,630 --> 00:10:50,160

from my perspective from a different

295

00:10:53,590 --> 00:10:52,640

angle you've come at it with who can i

296

00:10:57,190 --> 00:10:53,600

get

297

00:10:58,949 --> 00:10:57,200

on the show who has written a solid book

298

00:11:01,990 --> 00:10:58,959

or has a solid

299

00:11:05,430 --> 00:11:02,000

background bit of research and

300

00:11:08,710 --> 00:11:05,440

kind of tackling it straight ahead so

301
00:11:12,230 --> 00:11:08,720
do you think that this conspirator

302
00:11:15,350 --> 00:11:12,240
flavor that we're adding to it might be

303
00:11:18,069 --> 00:11:15,360
one of those things that's designed to

304
00:11:20,949 --> 00:11:18,079
divide this community because certainly

305
00:11:23,350 --> 00:11:20,959
that's my view of like flat earth for

306
00:11:25,670 --> 00:11:23,360
example and you can't do this stuff and

307
00:11:27,110 --> 00:11:25,680
not run into flat earthers and they come

308
00:11:28,470 --> 00:11:27,120
across as being

309
00:11:30,630 --> 00:11:28,480
super genuine

310
00:11:32,470 --> 00:11:30,640
like hey you haven't done the research

311
00:11:35,190 --> 00:11:32,480
it's real kind of thing

312
00:11:37,750 --> 00:11:35,200
i i i just can't help i just tense up

313
00:11:40,069 --> 00:11:37,760

and i go do you know how this looks to

314

00:11:42,550 --> 00:11:40,079

anyone quote unquote from the outside

315

00:11:43,829 --> 00:11:42,560

any of the normies if you will they've

316

00:11:45,670 --> 00:11:43,839

immediately

317

00:11:46,870 --> 00:11:45,680

cut our group

318

00:11:48,710 --> 00:11:46,880

in half

319

00:11:51,110 --> 00:11:48,720

and they've said or at least put up a

320

00:11:52,949 --> 00:11:51,120

dividing line and say there are actually

321

00:11:55,190 --> 00:11:52,959

wacky people out there who believe in

322

00:11:57,350 --> 00:11:55,200

flat earth so we can take that whole

323

00:11:59,110 --> 00:11:57,360

group and just

324

00:12:00,150 --> 00:11:59,120

that's one way we can divide them right

325

00:12:01,990 --> 00:12:00,160

there

326

00:12:04,389 --> 00:12:02,000

what do you think about any of that

327

00:12:07,990 --> 00:12:04,399

there's some truth to that for sure

328

00:12:09,990 --> 00:12:08,000

um but those that are trying to

329

00:12:12,310 --> 00:12:10,000

you know label somebody or discredit

330

00:12:14,550 --> 00:12:12,320

somebody by using that term if it's not

331

00:12:16,150 --> 00:12:14,560

flat earth they'll find something else

332

00:12:18,389 --> 00:12:16,160

whether it's bigfoot

333

00:12:19,670 --> 00:12:18,399

or whether it's ufos

334

00:12:21,190 --> 00:12:19,680

um

335

00:12:22,829 --> 00:12:21,200

or

336

00:12:25,430 --> 00:12:22,839

you know the

337

00:12:27,030 --> 00:12:25,440

illuminati it doesn't you know

338

00:12:29,910 --> 00:12:27,040

pick your poison

339

00:12:32,389 --> 00:12:29,920

but you're right there is a there is uh

340

00:12:34,310 --> 00:12:32,399

a certain element to that and and have i

341

00:12:36,389 --> 00:12:34,320

fallen afraid of that maybe i have maybe

342

00:12:38,629 --> 00:12:36,399

i have maybe i have

343

00:12:40,710 --> 00:12:38,639

created some of that division and maybe

344

00:12:43,190 --> 00:12:40,720

that is you know part

345

00:12:44,230 --> 00:12:43,200

conspiracy entertainment

346

00:12:46,470 --> 00:12:44,240

um

347

00:12:48,310 --> 00:12:46,480

well what do you think if you have how

348

00:12:49,430 --> 00:12:48,320

have you true confession where do you

349

00:12:51,269 --> 00:12:49,440

think you've gone with that well i've

350

00:12:54,710 --> 00:12:51,279

had flat ears on i've had them on coast

351
00:12:57,590 --> 00:12:54,720
to coast i've had them on my radio show

352
00:12:59,509 --> 00:12:57,600
uh my syndicated radio show

353
00:13:00,870 --> 00:12:59,519
i tried to arrange you know for debates

354
00:13:02,710 --> 00:13:00,880
but you can't

355
00:13:03,750 --> 00:13:02,720
you can't do that right you're not going

356
00:13:04,949 --> 00:13:03,760
to do that you're going you're not going

357
00:13:07,190 --> 00:13:04,959
to accomplish that you're not going to

358
00:13:09,509 --> 00:13:07,200
get someone to come on and debate a flat

359
00:13:10,949 --> 00:13:09,519
earther it's i mean i've tried i'm not

360
00:13:12,949 --> 00:13:10,959
saying it's impossible that there isn't

361
00:13:14,870 --> 00:13:12,959
someone out there willing to do that and

362
00:13:16,310 --> 00:13:14,880
in many instances

363
00:13:17,750 --> 00:13:16,320

you know the the people that call into

364

00:13:20,310 --> 00:13:17,760

the program

365

00:13:22,710 --> 00:13:20,320

sort of serve that purpose and and i try

366

00:13:24,629 --> 00:13:22,720

to provide some

367

00:13:27,190 --> 00:13:24,639

some uh some pushback

368

00:13:30,069 --> 00:13:27,200

uh see i i don't i i want to be clear i

369

00:13:33,350 --> 00:13:30,079

i don't think we should not talk to

370

00:13:35,910 --> 00:13:33,360

anyone or or you know cancel culture

371

00:13:39,269 --> 00:13:35,920

for bowdoin to talk about anything

372

00:13:42,550 --> 00:13:39,279

anything i think that's what this

373

00:13:45,430 --> 00:13:42,560

that is at the core value of this

374

00:13:49,430 --> 00:13:45,440

alternative media kind of

375

00:13:51,189 --> 00:13:49,440

ethos you know but i guess where i think

376

00:13:54,230 --> 00:13:51,199

you know we we have to kind of draw the

377

00:13:57,110 --> 00:13:54,240

line a little bit is just in terms of uh

378

00:14:00,870 --> 00:13:57,120

having some standard by which we would

379

00:14:02,949 --> 00:14:00,880

you know understand or cast doubt or

380

00:14:05,670 --> 00:14:02,959

you know kind of resolve these things

381

00:14:07,990 --> 00:14:05,680

and in a way that that doesn't kind of

382

00:14:09,910 --> 00:14:08,000

it's the relativism thing you know just

383

00:14:13,110 --> 00:14:09,920

because we're going to talk about flat

384

00:14:15,350 --> 00:14:13,120

earth does it mean it's on the same

385

00:14:16,470 --> 00:14:15,360

level as another guy's going to come out

386

00:14:18,790 --> 00:14:16,480

and talk about

387

00:14:22,230 --> 00:14:18,800

a peer-reviewed paper that was published

388

00:14:24,069 --> 00:14:22,240

in 2015 that shows that fauci was

389

00:14:26,150 --> 00:14:24,079

bio engineer part of the team that was

390

00:14:28,150 --> 00:14:26,160

bioengineering you know go with and the

391

00:14:29,509 --> 00:14:28,160

guy says and here's the research here's

392

00:14:30,470 --> 00:14:29,519

where you can get it

393

00:14:33,269 --> 00:14:30,480

versus

394

00:14:35,910 --> 00:14:33,279

somebody who's just kind of has a

395

00:14:38,550 --> 00:14:35,920

idea about a theory of everything kind

396

00:14:40,389 --> 00:14:38,560

of level idea

397

00:14:42,150 --> 00:14:40,399

well i i think you're spot on there i

398

00:14:44,389 --> 00:14:42,160

mean i think

399

00:14:46,790 --> 00:14:44,399

not i'm not apologizing for my my

400

00:14:48,949 --> 00:14:46,800

program but i think you know

401
00:14:51,829 --> 00:14:48,959
over the period of 20 years there has

402
00:14:53,750 --> 00:14:51,839
been an evolution and and

403
00:14:56,310 --> 00:14:53,760
when i first got into

404
00:14:58,389 --> 00:14:56,320
this whole field and i i didn't really

405
00:15:01,430 --> 00:14:58,399
think much about ufos i didn't i'd never

406
00:15:04,949 --> 00:15:01,440
seen a ufo i didn't think about bigfoot

407
00:15:08,310 --> 00:15:04,959
uh i was i was trying to

408
00:15:10,870 --> 00:15:08,320
build an audience i was trying to find

409
00:15:12,629 --> 00:15:10,880
a niche that wasn't being serviced in

410
00:15:14,550 --> 00:15:12,639
the market

411
00:15:16,230 --> 00:15:14,560
and

412
00:15:18,389 --> 00:15:16,240
i kind of fell into it it kind of

413
00:15:21,430 --> 00:15:18,399

started drips and drabs on my show and

414

00:15:24,629 --> 00:15:21,440

then it eventually took over

415

00:15:28,710 --> 00:15:24,639

and so i think it's evolved since then

416

00:15:31,670 --> 00:15:28,720

but um i think what i'm doing now

417

00:15:33,269 --> 00:15:31,680

is um on saga 960

418

00:15:35,910 --> 00:15:33,279

i think is closer to what you're talking

419

00:15:37,749 --> 00:15:35,920

about where i'm where i'm bringing on

420

00:15:39,509 --> 00:15:37,759

you know people who who talk about

421

00:15:41,030 --> 00:15:39,519

peer-reviewed studies when we're talking

422

00:15:44,790 --> 00:15:41,040

about coven and

423

00:15:49,189 --> 00:15:46,870

early treatments like

424

00:15:51,829 --> 00:15:49,199

hydroxy or ivermectin these types of

425

00:15:53,829 --> 00:15:51,839

things i speak with i spoke with the the

426

00:15:55,110 --> 00:15:53,839

the inventor of the mrna vaccine dr

427

00:15:57,030 --> 00:15:55,120

robert malone

428

00:15:59,030 --> 00:15:57,040

dr peter mccullough all of these people

429

00:16:01,189 --> 00:15:59,040

i mean that's that's really what i'm i'm

430

00:16:04,150 --> 00:16:01,199

interested in right now and i am

431

00:16:05,910 --> 00:16:04,160

somewhat conflicted by

432

00:16:07,430 --> 00:16:05,920

what i'm doing on sunday nights in the

433

00:16:09,189 --> 00:16:07,440

midst of all of the stuff that's going

434

00:16:11,269 --> 00:16:09,199

on like do i really want to spend two

435

00:16:13,829 --> 00:16:11,279

hours talking about or an hour talking

436

00:16:16,389 --> 00:16:13,839

about a bigfoot or

437

00:16:18,790 --> 00:16:16,399

or ufos not but that's not interesting

438

00:16:19,910 --> 00:16:18,800

and that people want to hear that but

439

00:16:22,550 --> 00:16:19,920

um

440

00:16:23,350 --> 00:16:22,560

please please don't stop please don't

441

00:16:25,189 --> 00:16:23,360

stop

442

00:16:27,189 --> 00:16:25,199

uh that you know we didn't we do need a

443

00:16:29,189 --> 00:16:27,199

diversion it's you know i don't think

444

00:16:33,030 --> 00:16:29,199

it's a diversion though richard i mean

445

00:16:36,389 --> 00:16:33,040

like your work in the e.t ufo

446

00:16:38,710 --> 00:16:36,399

uh kind of abduction thing and i it's

447

00:16:40,949 --> 00:16:38,720

hard to know exactly where you come down

448

00:16:43,430 --> 00:16:40,959

on that but like

449

00:16:45,110 --> 00:16:43,440

one thing i really appreciated like one

450

00:16:46,870 --> 00:16:45,120

of your shows recently on conspiracy

451
00:16:48,550 --> 00:16:46,880
unlimited it's a few episodes back but

452
00:16:50,389 --> 00:16:48,560
it was like uh

453
00:16:52,790 --> 00:16:50,399
the guys who wrote the book on the sons

454
00:16:55,189 --> 00:16:52,800
and daughters of roswell

455
00:16:56,550 --> 00:16:55,199
and uh i thought it was a great reminder

456
00:16:58,310 --> 00:16:56,560
where these researchers you know we

457
00:16:59,910 --> 00:16:58,320
think roswell you know

458
00:17:01,590 --> 00:16:59,920
they're all dead well

459
00:17:05,189 --> 00:17:01,600
most of them are dead but they're sons

460
00:17:06,390 --> 00:17:05,199
and daughters who can tell you directly

461
00:17:09,429 --> 00:17:06,400
how

462
00:17:11,510 --> 00:17:09,439
they were threatened by threat of death

463
00:17:14,630 --> 00:17:11,520

if they spoke of this and we've heard

464

00:17:16,230 --> 00:17:14,640

those accounts before but i think

465

00:17:18,390 --> 00:17:16,240

like here's what i think you bring into

466

00:17:20,710 --> 00:17:18,400

focus when you bring in the et thing

467

00:17:23,270 --> 00:17:20,720

because you have covered it so long i

468

00:17:24,549 --> 00:17:23,280

see so many people that are falling for

469

00:17:27,110 --> 00:17:24,559

the

470

00:17:29,190 --> 00:17:27,120

atip louis and auto

471

00:17:32,310 --> 00:17:29,200

not you know the dot it was the

472

00:17:37,110 --> 00:17:32,320

documents weren't classified this from

473

00:17:38,710 --> 00:17:37,120

this from a cia spy who's trained to lie

474

00:17:40,390 --> 00:17:38,720

you know the whole thing seems

475

00:17:43,029 --> 00:17:40,400

fabricated i've been interviewed leslie

476

00:17:44,789 --> 00:17:43,039

kane and ralph blumenthal

477

00:17:46,150 --> 00:17:44,799

really respect and like both of them but

478

00:17:48,470 --> 00:17:46,160

they're the ones who originally broke

479

00:17:50,390 --> 00:17:48,480

the story in the new york times

480

00:17:51,350 --> 00:17:50,400

and it's like how are you guys falling

481

00:17:53,750 --> 00:17:51,360

for this

482

00:17:55,990 --> 00:17:53,760

are you forgetting how they've lied to

483

00:17:58,390 --> 00:17:56,000

us for 60 years and now they're trying

484

00:18:01,270 --> 00:17:58,400

to draw our attention to

485

00:18:03,270 --> 00:18:01,280

oh no it's it's all right now on these

486

00:18:04,630 --> 00:18:03,280

videos we just discovered from a few

487

00:18:07,110 --> 00:18:04,640

years ago

488

00:18:10,150 --> 00:18:07,120

i think we need a steady hand on the

489

00:18:12,630 --> 00:18:10,160

wheel there to remind us a little bit of

490

00:18:14,549 --> 00:18:12,640

this history and i feel like when you

491

00:18:18,230 --> 00:18:14,559

cover this topic you

492

00:18:20,150 --> 00:18:18,240

you bring that just naturally to it

493

00:18:21,510 --> 00:18:20,160

uh thank you i appreciate that i mean

494

00:18:22,710 --> 00:18:21,520

i'm not saying it's not important but

495

00:18:24,150 --> 00:18:22,720

right now

496

00:18:28,390 --> 00:18:24,160

especially what's happening here in

497

00:18:30,789 --> 00:18:28,400

ontario with uh vaccine passports and

498

00:18:33,110 --> 00:18:30,799

and um we have a charter of rights and

499

00:18:34,870 --> 00:18:33,120

freedoms that as robin williams used to

500

00:18:36,230 --> 00:18:34,880

quit regarding uh they had a line about

501
00:18:38,950 --> 00:18:36,240
the magna carta being written on an

502
00:18:39,990 --> 00:18:38,960
etch-a-sketch i mean we are

503
00:18:42,230 --> 00:18:40,000
this is

504
00:18:43,750 --> 00:18:42,240
it is so all-consuming now i mean this

505
00:18:45,990 --> 00:18:43,760
stuff literally keeps me up at night as

506
00:18:47,750 --> 00:18:46,000
i said i have 14 year old boys i'm

507
00:18:49,990 --> 00:18:47,760
i mean

508
00:18:51,590 --> 00:18:50,000
we are on a knife's edge up here and so

509
00:18:54,230 --> 00:18:51,600
it is just

510
00:18:56,950 --> 00:18:54,240
it it takes all of my focus and all of

511
00:18:59,190 --> 00:18:56,960
my energy uh i mean i would i would love

512
00:19:00,870 --> 00:18:59,200
to go back to

513
00:19:03,110 --> 00:19:00,880

the days when i could

514

00:19:04,710 --> 00:19:03,120

i could talk about

515

00:19:06,789 --> 00:19:04,720

i call it the stuff where nobody gets

516

00:19:08,710 --> 00:19:06,799

hurt

517

00:19:10,950 --> 00:19:08,720

and

518

00:19:12,470 --> 00:19:10,960

now i know with with the whole ufo et

519

00:19:14,549 --> 00:19:12,480

issue there i mean there are layers

520

00:19:15,990 --> 00:19:14,559

there and and uh when you talk about

521

00:19:17,430 --> 00:19:16,000

roswell and people being threatened

522

00:19:20,310 --> 00:19:17,440

obviously there is a lot of it but

523

00:19:21,190 --> 00:19:20,320

there's a lot at stake here but

524

00:19:22,789 --> 00:19:21,200

um

525

00:19:25,029 --> 00:19:22,799

what would what i'm talking about now on

526

00:19:26,150 --> 00:19:25,039

science but how is there not more at

527

00:19:27,830 --> 00:19:26,160

stake

528

00:19:29,110 --> 00:19:27,840

with e.t

529

00:19:30,150 --> 00:19:29,120

than with

530

00:19:33,190 --> 00:19:30,160

kovid

531

00:19:36,470 --> 00:19:33,200

e.t trumps that uh 10 times over how is

532

00:19:38,470 --> 00:19:36,480

it more important than the spirituality

533

00:19:39,750 --> 00:19:38,480

you know transhumanism

534

00:19:42,630 --> 00:19:39,760

uh

535

00:19:44,950 --> 00:19:42,640

satanistic occult thing do what thou

536

00:19:47,350 --> 00:19:44,960

wilt culture that you talk about all the

537

00:19:49,669 --> 00:19:47,360

time if anything they're complete what i

538

00:19:52,230 --> 00:19:49,679

want to know is to what extent are they

539

00:19:54,789 --> 00:19:52,240

intertwined because if i try and

540

00:19:57,350 --> 00:19:54,799

understand kovid separately from any of

541

00:19:59,190 --> 00:19:57,360

that stuff i'm lost i'm lost because i

542

00:20:00,390 --> 00:19:59,200

got one guy saying this one guy's saying

543

00:20:02,230 --> 00:20:00,400

that

544

00:20:05,669 --> 00:20:02,240

if i don't try and understand it inside

545

00:20:07,990 --> 00:20:05,679

of that context i i can't get there

546

00:20:10,470 --> 00:20:08,000

right well um maybe i'm

547

00:20:12,070 --> 00:20:10,480

more of a linear thinker i right now

548

00:20:13,750 --> 00:20:12,080

what i'm feeling or what i'm what i'm

549

00:20:15,270 --> 00:20:13,760

facing or what we're facing here in

550

00:20:18,070 --> 00:20:15,280

ontario

551

00:20:19,990 --> 00:20:18,080

uh the immediate threat is okay so

552

00:20:23,430 --> 00:20:20,000

they're about to introduce or they did

553

00:20:25,350 --> 00:20:23,440

on the 22nd a vaccine passport

554

00:20:27,590 --> 00:20:25,360

which means okay for now you just can't

555

00:20:29,590 --> 00:20:27,600

get into a restaurant and a gym and a

556

00:20:30,870 --> 00:20:29,600

sporting event okay big deal we can

557

00:20:32,070 --> 00:20:30,880

manage we don't need to go to

558

00:20:35,430 --> 00:20:32,080

restaurants

559

00:20:38,230 --> 00:20:35,440

uh but the next step is introducing

560

00:20:40,230 --> 00:20:38,240

you know a digital form of that passport

561

00:20:42,070 --> 00:20:40,240

uh what can they do on the back end to

562

00:20:44,789 --> 00:20:42,080

that to connect to

563

00:20:48,149 --> 00:20:44,799

paypal to connect to your banking

564

00:20:49,350 --> 00:20:48,159

information and i i i see where this

565

00:20:52,789 --> 00:20:49,360

is going

566

00:20:54,789 --> 00:20:52,799

and it's happening at like warp speed

567

00:20:56,549 --> 00:20:54,799

so i have to contend with that you know

568

00:20:57,750 --> 00:20:56,559

right now and you know that's an

569

00:20:59,029 --> 00:20:57,760

interesting point how does this

570

00:21:01,669 --> 00:20:59,039

intersect with

571

00:21:03,750 --> 00:21:01,679

the whole ufo et issue

572

00:21:06,149 --> 00:21:03,760

no in particular how does it intersect

573

00:21:08,149 --> 00:21:06,159

with the evil issue i mean

574

00:21:10,549 --> 00:21:08,159

you know it's funny i just had a

575

00:21:12,549 --> 00:21:10,559

just did a couple of interviews on

576

00:21:15,190 --> 00:21:12,559

with a guy from google who's very high

577

00:21:18,310 --> 00:21:15,200

up in google and is

578

00:21:20,870 --> 00:21:18,320

well entrenched in the ai thing and we

579

00:21:23,110 --> 00:21:20,880

talked about you know the demonetization

580

00:21:25,830 --> 00:21:23,120

and the control reluctantly he kind of

581

00:21:27,270 --> 00:21:25,840

went there very nice of him to kind of

582

00:21:29,750 --> 00:21:27,280

address these things that you never hear

583

00:21:32,230 --> 00:21:29,760

about and then i talked to a guy who's a

584

00:21:34,549 --> 00:21:32,240

phd in quantum computing we talked about

585

00:21:37,350 --> 00:21:34,559

where is this ai stuff going where is

586

00:21:39,029 --> 00:21:37,360

the transhumanism going and to me the

587

00:21:42,470 --> 00:21:39,039

point of all that stuff is we don't

588

00:21:43,830 --> 00:21:42,480

really care what google is doing what we

589

00:21:45,350 --> 00:21:43,840

care about is

590

00:21:47,270 --> 00:21:45,360

are they evil

591

00:21:48,950 --> 00:21:47,280

is what they're about is what's behind

592

00:21:50,710 --> 00:21:48,960

that

593

00:21:51,990 --> 00:21:50,720

essentially

594

00:21:57,590 --> 00:21:52,000

satanic

595

00:21:59,430 --> 00:21:57,600

because if it's just some guy who's just

596

00:22:01,669 --> 00:21:59,440

trying to do

597

00:22:03,270 --> 00:22:01,679

the right thing that that's we can

598

00:22:06,230 --> 00:22:03,280

process that one way

599

00:22:07,909 --> 00:22:06,240

but if it is like we suspect

600

00:22:09,830 --> 00:22:07,919

truly truly

601
00:22:13,270 --> 00:22:09,840
driven by some

602
00:22:15,190 --> 00:22:13,280
evil forces that are beyond this realm

603
00:22:17,190 --> 00:22:15,200
which i think the evidence is is quite

604
00:22:19,110 --> 00:22:17,200
substantial and i comment it differently

605
00:22:20,789 --> 00:22:19,120
than you do that evidence but i think

606
00:22:23,029 --> 00:22:20,799
the evidence for the extended

607
00:22:25,750 --> 00:22:23,039
consciousness realm playing a role in

608
00:22:27,430 --> 00:22:25,760
our world here is just overwhelming so

609
00:22:30,789 --> 00:22:27,440
that's what i want to know

610
00:22:32,630 --> 00:22:30,799
well i i've always you know for for me

611
00:22:34,870 --> 00:22:32,640
personally and i don't always talk about

612
00:22:36,310 --> 00:22:34,880
it on the air but people i have enough

613
00:22:38,870 --> 00:22:36,320

that people i think understand i've

614

00:22:40,789 --> 00:22:38,880

always put the ufo et issue through my

615

00:22:41,909 --> 00:22:40,799

my faith filter from a biblical

616

00:22:44,390 --> 00:22:41,919

perspective

617

00:22:47,190 --> 00:22:44,400

and i and i do see it as

618

00:22:49,430 --> 00:22:47,200

more of a an interdimensional

619

00:22:50,950 --> 00:22:49,440

uh angelic realm

620

00:22:52,830 --> 00:22:50,960

you know type of intervention that we're

621

00:22:55,430 --> 00:22:52,840

seeing here

622

00:22:56,789 --> 00:22:55,440

um and i think yeah i think the same

623

00:22:58,630 --> 00:22:56,799

applies to

624

00:23:01,190 --> 00:22:58,640

the bigger picture what we're we're

625

00:23:03,590 --> 00:23:01,200

we're seeing with with covid

626
00:23:05,830 --> 00:23:03,600
and uh you know this attempt to control

627
00:23:09,029 --> 00:23:05,840
and and coerce

628
00:23:11,029 --> 00:23:09,039
and mask and even to mask seems

629
00:23:14,070 --> 00:23:11,039
because the mask science to me in some

630
00:23:16,230 --> 00:23:14,080
way is kind of a an interesting window

631
00:23:18,230 --> 00:23:16,240
into this because at this point we have

632
00:23:19,830 --> 00:23:18,240
firmly established scientifically that

633
00:23:21,990 --> 00:23:19,840
masks just don't make any difference

634
00:23:22,710 --> 00:23:22,000
they work in the lab but over and over

635
00:23:24,230 --> 00:23:22,720
again

636
00:23:26,070 --> 00:23:24,240
i actually did studies on this like 100

637
00:23:27,190 --> 00:23:26,080
years ago and came up with the same you

638
00:23:28,630 --> 00:23:27,200

know

639

00:23:30,549 --> 00:23:28,640

isn't it intriguing though that they

640

00:23:32,630 --> 00:23:30,559

want everyone to wear a mask i just

641

00:23:34,870 --> 00:23:32,640

think that's i'm not into the i'm not

642

00:23:38,149 --> 00:23:34,880

super into the symbology stuff because i

643

00:23:40,630 --> 00:23:38,159

think it it can get wacky but

644

00:23:42,070 --> 00:23:40,640

it does seem occulted in so many ways

645

00:23:42,870 --> 00:23:42,080

and i know you've covered this many

646

00:23:44,230 --> 00:23:42,880

times

647

00:23:46,230 --> 00:23:44,240

well

648

00:23:47,669 --> 00:23:46,240

in a more basic level here it's and it's

649

00:23:50,630 --> 00:23:47,679

it's let's

650

00:23:52,310 --> 00:23:50,640

let's see if how far we can get them to

651
00:23:54,149 --> 00:23:52,320
comply so we'll get them to wear one

652
00:23:55,669 --> 00:23:54,159
mask and then we can get them to wear

653
00:23:57,350 --> 00:23:55,679
two masks and then maybe we can get them

654
00:23:58,630 --> 00:23:57,360
to wear three masks and then let's see

655
00:24:00,149 --> 00:23:58,640
if we can get their two-year-olds to

656
00:24:03,510 --> 00:24:00,159
wear masks

657
00:24:05,669 --> 00:24:03,520
outside while they're alone on a swing

658
00:24:07,750 --> 00:24:05,679
and then let's see how they react

659
00:24:09,590 --> 00:24:07,760
uh you know when we we tell them that

660
00:24:12,470 --> 00:24:09,600
they have to have a vaccine otherwise

661
00:24:14,710 --> 00:24:12,480
they'll lose their job and yeah it's

662
00:24:16,230 --> 00:24:14,720
the in terms of the occult

663
00:24:17,990 --> 00:24:16,240

um

664

00:24:19,909 --> 00:24:18,000

i i don't remember doing anything on

665

00:24:23,190 --> 00:24:19,919

that specifically i may have i'm sure

666

00:24:26,149 --> 00:24:23,200

there is um you know

667

00:24:27,669 --> 00:24:26,159

an occult connection to that i mean what

668

00:24:30,070 --> 00:24:27,679

what do you think that connection is in

669

00:24:31,350 --> 00:24:30,080

terms of masks specifically

670

00:24:33,110 --> 00:24:31,360

you can take it at a lot of different

671

00:24:36,549 --> 00:24:33,120

levels where people have

672

00:24:39,750 --> 00:24:36,559

but from a very uh surface level it's

673

00:24:43,190 --> 00:24:39,760

it's a hiding it's it's a hiding of who

674

00:24:44,549 --> 00:24:43,200

i am it's a deception and i think that

675

00:24:47,830 --> 00:24:44,559

at its core

676

00:24:50,230 --> 00:24:47,840

that is the satanic doeth thou wilt

677

00:24:52,710 --> 00:24:50,240

ethos you know and again i'm not a

678

00:24:54,950 --> 00:24:52,720

christian so i don't process it exactly

679

00:24:56,870 --> 00:24:54,960

the same way that you do but at the end

680

00:24:59,190 --> 00:24:56,880

of the day it's probably pretty close i

681

00:25:01,909 --> 00:24:59,200

mean there is a there seems to be this

682

00:25:04,310 --> 00:25:01,919

dark force dark energy that keeps

683

00:25:06,230 --> 00:25:04,320

hitting us with the same themes over and

684

00:25:09,909 --> 00:25:06,240

over again and some of those themes are

685

00:25:12,950 --> 00:25:09,919

just right there our deception control

686

00:25:14,070 --> 00:25:12,960

uh hidden all those things that

687

00:25:15,750 --> 00:25:14,080

and people who are more into the

688

00:25:17,430 --> 00:25:15,760

symbology which i don't like to go there

689

00:25:18,630 --> 00:25:17,440

necessarily because it gets pretty wacky

690

00:25:20,789 --> 00:25:18,640

pretty soon

691

00:25:22,789 --> 00:25:20,799

mask fits perfectly with that in so many

692

00:25:24,710 --> 00:25:22,799

ways

693

00:25:27,190 --> 00:25:24,720

sure sure uh

694

00:25:29,029 --> 00:25:27,200

yeah there is definitely

695

00:25:30,710 --> 00:25:29,039

uh when you're talking about

696

00:25:33,669 --> 00:25:30,720

something hidden there is just a lack of

697

00:25:36,549 --> 00:25:33,679

transparency and and

698

00:25:38,230 --> 00:25:36,559

i guess the the root of a cult is cult

699

00:25:39,269 --> 00:25:38,240

i see

700

00:25:40,870 --> 00:25:39,279

um

701
00:25:42,549 --> 00:25:40,880
this denial

702
00:25:44,470 --> 00:25:42,559
we have something up here in ontario

703
00:25:46,630 --> 00:25:44,480
called the ontario science table it's

704
00:25:47,990 --> 00:25:46,640
supposed to be a volunteer group of

705
00:25:48,950 --> 00:25:48,000
physicians and

706
00:25:53,110 --> 00:25:48,960
health

707
00:25:55,190 --> 00:25:53,120
are really

708
00:25:56,870 --> 00:25:55,200
this quasi unelected government that we

709
00:25:59,590 --> 00:25:56,880
have in ontario

710
00:26:01,269 --> 00:25:59,600
uh you know they they play the tune and

711
00:26:02,710 --> 00:26:01,279
the premier dances i mean he actually

712
00:26:04,549 --> 00:26:02,720
said out loud

713
00:26:05,830 --> 00:26:04,559

uh it would be political suicide to go

714

00:26:07,350 --> 00:26:05,840

against them i mean that was supposed to

715

00:26:08,710 --> 00:26:07,360

be an inside thought but he actually

716

00:26:10,950 --> 00:26:08,720

said it out loud

717

00:26:12,149 --> 00:26:10,960

if i were to go against these unelected

718

00:26:14,470 --> 00:26:12,159

people

719

00:26:16,470 --> 00:26:14,480

uh that have no accountability we don't

720

00:26:17,669 --> 00:26:16,480

even know their names most of us

721

00:26:19,350 --> 00:26:17,679

you know

722

00:26:21,350 --> 00:26:19,360

his career his political career would be

723

00:26:23,510 --> 00:26:21,360

over it's quite an admission quite a

724

00:26:24,630 --> 00:26:23,520

stark thing to say out loud

725

00:26:27,590 --> 00:26:24,640

um

726

00:26:29,590 --> 00:26:27,600

but this there is this cultish

727

00:26:30,710 --> 00:26:29,600

behavior i mean when you confront

728

00:26:33,750 --> 00:26:30,720

someone

729

00:26:35,269 --> 00:26:33,760

with you mentioned masks you know

730

00:26:36,230 --> 00:26:35,279

14

731

00:26:38,149 --> 00:26:36,240

um

732

00:26:39,190 --> 00:26:38,159

randomized

733

00:26:42,470 --> 00:26:39,200

um

734

00:26:43,590 --> 00:26:42,480

controlled trials all show you know no

735

00:26:45,510 --> 00:26:43,600

efficacy

736

00:26:47,830 --> 00:26:45,520

and what do they hold up in response uh

737

00:26:50,230 --> 00:26:47,840

two hairdressers in utah

738

00:26:51,750 --> 00:26:50,240

that's their that's their operational uh

739

00:26:53,750 --> 00:26:51,760

their cohort study right that's the one

740

00:26:56,310 --> 00:26:53,760

that they point to suddenly that's the

741

00:26:59,190 --> 00:26:56,320

gold standard two two hairdressers in

742

00:27:01,110 --> 00:26:59,200

utah that had 72 customers and uh you

743

00:27:02,390 --> 00:27:01,120

know so just pay attention to that one

744

00:27:03,350 --> 00:27:02,400

and not these

745

00:27:05,590 --> 00:27:03,360

or

746

00:27:06,549 --> 00:27:05,600

uh there was actually on on the news

747

00:27:08,470 --> 00:27:06,559

today

748

00:27:10,230 --> 00:27:08,480

uh former the public health commissioner

749

00:27:11,669 --> 00:27:10,240

for baltimore she now works in the

750

00:27:13,510 --> 00:27:11,679

emergency room

751
00:27:15,669 --> 00:27:13,520
a physician at george washington

752
00:27:17,430 --> 00:27:15,679
university hospital and she again she

753
00:27:20,470 --> 00:27:17,440
said out loud

754
00:27:21,830 --> 00:27:20,480
uh that i'm because she's vaccinated she

755
00:27:23,510 --> 00:27:21,840
has to be careful around her

756
00:27:25,029 --> 00:27:23,520
unvaccinated child

757
00:27:27,029 --> 00:27:25,039
you know admitting that this is where

758
00:27:28,870 --> 00:27:27,039
the spread is coming from and you see

759
00:27:31,110 --> 00:27:28,880
all of these cracks now

760
00:27:33,510 --> 00:27:31,120
uh whether it's israel you know what are

761
00:27:34,950 --> 00:27:33,520
they up to their fourth jab uh in

762
00:27:37,029 --> 00:27:34,960
another six months if you don't have

763
00:27:39,750 --> 00:27:37,039

your fifth jab you know your green pass

764

00:27:42,070 --> 00:27:39,760

will expire it's like this vaccine caste

765

00:27:43,350 --> 00:27:42,080

system that i predicted would happen

766

00:27:45,269 --> 00:27:43,360

but when you

767

00:27:47,350 --> 00:27:45,279

when you talk about you know the

768

00:27:50,149 --> 00:27:47,360

vaccinated now or spreading it to the

769

00:27:52,470 --> 00:27:50,159

unvaccinated and there's no there's no

770

00:27:53,909 --> 00:27:52,480

scientific epidemiological reason to

771

00:27:55,430 --> 00:27:53,919

segregate the vaccinated from the

772

00:27:56,630 --> 00:27:55,440

unvaccinated with these vaccine

773

00:27:58,950 --> 00:27:56,640

passports

774

00:27:59,990 --> 00:27:58,960

and you you show them the data and so

775

00:28:02,149 --> 00:28:00,000

forth

776

00:28:04,870 --> 00:28:02,159

you just get a glazed look and you get

777

00:28:05,990 --> 00:28:04,880

this avatar response you know like

778

00:28:08,070 --> 00:28:06,000

you're playing

779

00:28:10,389 --> 00:28:08,080

in a computer game you must get

780

00:28:12,070 --> 00:28:10,399

vaccinated yep but i just explained i

781

00:28:13,990 --> 00:28:12,080

just showed you the data it doesn't

782

00:28:15,190 --> 00:28:14,000

matter it's like you're playing against

783

00:28:17,830 --> 00:28:15,200

a brick wall

784

00:28:18,950 --> 00:28:17,840

to me that's that's a cult

785

00:28:20,870 --> 00:28:18,960

and you

786

00:28:22,870 --> 00:28:20,880

you know we can't deprogram all of these

787

00:28:24,950 --> 00:28:22,880

people there's not time i mean

788

00:28:26,470 --> 00:28:24,960

uh it almost leads one to despair at

789

00:28:28,549 --> 00:28:26,480

this point where

790

00:28:31,110 --> 00:28:28,559

uh it's like this

791

00:28:34,070 --> 00:28:31,120

zombie apocalypse

792

00:28:37,190 --> 00:28:34,080

you know i think things down here in the

793

00:28:37,990 --> 00:28:37,200

states are a little bit different and i

794

00:28:39,590 --> 00:28:38,000

think

795

00:28:42,230 --> 00:28:39,600

although you know this is a worldwide

796

00:28:44,789 --> 00:28:42,240

thing which is also curious to me

797

00:28:47,669 --> 00:28:44,799

i mean the extent to which

798

00:28:49,830 --> 00:28:47,679

the message was

799

00:28:51,190 --> 00:28:49,840

kind of simultaneously spread and

800

00:28:53,110 --> 00:28:51,200

implemented

801
00:28:55,110 --> 00:28:53,120
speaks to you know

802
00:28:56,870 --> 00:28:55,120
a power and a force behind this thing

803
00:28:58,870 --> 00:28:56,880
that that just we we couldn't have

804
00:29:00,950 --> 00:28:58,880
anticipated but there's a there's a lot

805
00:29:02,070 --> 00:29:00,960
of push back down here and some of the

806
00:29:04,230 --> 00:29:02,080
science

807
00:29:06,470 --> 00:29:04,240
is making its way through

808
00:29:07,590 --> 00:29:06,480
you seem to be very in tune with the

809
00:29:09,510 --> 00:29:07,600
science

810
00:29:12,389 --> 00:29:09,520
do you think

811
00:29:15,350 --> 00:29:12,399
science has a chance here

812
00:29:17,669 --> 00:29:15,360
uh yeah i i keep seeing as i say cracks

813
00:29:19,110 --> 00:29:17,679

in the dam and i don't know

814

00:29:21,190 --> 00:29:19,120

how many cracks it's going to take for

815

00:29:24,070 --> 00:29:21,200

the dam to burst it should have burst a

816

00:29:24,950 --> 00:29:24,080

long time ago

817

00:29:30,870 --> 00:29:24,960

now

818

00:29:32,789 --> 00:29:30,880

tennessee and and texas in particular

819

00:29:34,630 --> 00:29:32,799

that are that are you know resisting

820

00:29:37,350 --> 00:29:34,640

pushing back i think there's something

821

00:29:39,350 --> 00:29:37,360

like 24 states now that are

822

00:29:41,110 --> 00:29:39,360

uh opposed to these

823

00:29:42,870 --> 00:29:41,120

vaccine mandates and are going to sue

824

00:29:44,310 --> 00:29:42,880

the federal government

825

00:29:46,149 --> 00:29:44,320

um i

826

00:29:47,750 --> 00:29:46,159

i mean i i look at what's happening in

827

00:29:51,190 --> 00:29:47,760

romania

828

00:29:52,789 --> 00:29:51,200

uh we had 70 000 people gathering

829

00:29:55,590 --> 00:29:52,799

in the in the city square and they had

830

00:29:58,549 --> 00:29:55,600

to shut down all of their vaccine

831

00:30:00,870 --> 00:29:58,559

centers because 70 percent of the people

832

00:30:02,070 --> 00:30:00,880

saying we're not taking it i wish we had

833

00:30:05,669 --> 00:30:02,080

that

834

00:30:08,149 --> 00:30:05,679

canada um

835

00:30:11,190 --> 00:30:08,159

we do not sadly and that also can lead

836

00:30:13,110 --> 00:30:11,200

to despair i mean i'm constantly

837

00:30:14,389 --> 00:30:13,120

that's that's the real monster under the

838

00:30:15,750 --> 00:30:14,399

bed right now

839

00:30:17,669 --> 00:30:15,760

alex it's not

840

00:30:20,230 --> 00:30:17,679

a bigfoot or

841

00:30:21,830 --> 00:30:20,240

uh a gray alien for me

842

00:30:23,029 --> 00:30:21,840

um it's

843

00:30:24,950 --> 00:30:23,039

despair

844

00:30:26,310 --> 00:30:24,960

it's it's it and it's also i think what

845

00:30:28,070 --> 00:30:26,320

you're saying is very interesting i

846

00:30:29,430 --> 00:30:28,080

hadn't considered that

847

00:30:35,029 --> 00:30:29,440

it's

848

00:30:37,990 --> 00:30:35,039

community and the sense that they're not

849

00:30:40,310 --> 00:30:38,000

with you and and i i kind of get that

850

00:30:42,070 --> 00:30:40,320

you know i live down here in san diego

851

00:30:43,750 --> 00:30:42,080

california which everyone would think

852

00:30:45,909 --> 00:30:43,760

you know oh my god you're in california

853

00:30:46,950 --> 00:30:45,919

forget it no san diego's kind of fought

854

00:30:49,830 --> 00:30:46,960

back

855

00:30:51,190 --> 00:30:49,840

and has kind of claimed their their spot

856

00:30:53,669 --> 00:30:51,200

i don't wear a mask you don't have to

857

00:30:57,269 --> 00:30:53,679

wear a mask anywhere the vaccine thing

858

00:31:01,590 --> 00:30:57,279

is just a complete non-issue down here

859

00:31:02,870 --> 00:31:01,600

but i i my spirits are are lifted by the

860

00:31:05,590 --> 00:31:02,880

fact that

861

00:31:07,029 --> 00:31:05,600

i feel like the people that i i do see

862

00:31:09,029 --> 00:31:07,039

at least

863

00:31:11,029 --> 00:31:09,039

you know a good percentage of them are

864

00:31:12,789 --> 00:31:11,039

kind of clueing in and

865

00:31:15,509 --> 00:31:12,799

they're i get where you're where you're

866

00:31:16,630 --> 00:31:15,519

coming from if you feel like

867

00:31:19,190 --> 00:31:16,640

you know your neighbors don't really

868

00:31:20,149 --> 00:31:19,200

have your back that'd be hard

869

00:31:22,710 --> 00:31:20,159

right

870

00:31:24,549 --> 00:31:22,720

we could be days or weeks away from the

871

00:31:26,630 --> 00:31:24,559

federal government announcing you can't

872

00:31:29,269 --> 00:31:26,640

get on a plane or a train without a

873

00:31:30,789 --> 00:31:29,279

vaccine saskatchewan on september the

874

00:31:32,470 --> 00:31:30,799

13th

875

00:31:34,710 --> 00:31:32,480

just passed an emergency order where

876

00:31:35,669 --> 00:31:34,720

they can enter any property without a

877

00:31:38,149 --> 00:31:35,679

warrant

878

00:31:39,750 --> 00:31:38,159

i mean that's what's the next step is

879

00:31:42,149 --> 00:31:39,760

bursting into people's homes and

880

00:31:43,830 --> 00:31:42,159

vaccinating holding them down and

881

00:31:46,310 --> 00:31:43,840

vaccinating them

882

00:31:47,590 --> 00:31:46,320

uh so you know it's it's very different

883

00:31:49,990 --> 00:31:47,600

up here

884

00:31:51,350 --> 00:31:50,000

um i may not be able to

885

00:31:53,430 --> 00:31:51,360

to get out

886

00:31:54,549 --> 00:31:53,440

in a couple of weeks i mean

887

00:31:56,230 --> 00:31:54,559

the uh

888

00:31:58,870 --> 00:31:56,240

the border with the united states is

889

00:32:01,029 --> 00:31:58,880

closed for canadians traveling

890

00:32:03,350 --> 00:32:01,039

uh by vehicle

891

00:32:05,750 --> 00:32:03,360

so you know we could be trapped

892

00:32:08,549 --> 00:32:05,760

um so again

893

00:32:11,430 --> 00:32:08,559

yeah i mean i i love the whole world of

894

00:32:14,549 --> 00:32:11,440

ufology and et's and and and uh the

895

00:32:16,389 --> 00:32:14,559

paranormal and all of that it's just

896

00:32:22,230 --> 00:32:16,399

my

897

00:32:24,389 --> 00:32:22,240

just been consumed with this i feel

898

00:32:26,549 --> 00:32:24,399

almost like i'm you know i'm

899

00:32:27,590 --> 00:32:26,559

i'm fighting for my life my kids lives

900

00:32:30,149 --> 00:32:27,600

my

901
00:32:31,830 --> 00:32:30,159
it's um

902
00:32:34,549 --> 00:32:31,840
it's a heavy it's heavy it's a heavy

903
00:32:36,710 --> 00:32:34,559
burden you know to be to be a parent

904
00:32:38,070 --> 00:32:36,720
right now and wondering when my kids go

905
00:32:39,669 --> 00:32:38,080
to high school

906
00:32:41,990 --> 00:32:39,679
uh we homeschooled them for about four

907
00:32:43,669 --> 00:32:42,000
years but they wanted a high school

908
00:32:45,830 --> 00:32:43,679
genuine high school experience so we

909
00:32:47,029 --> 00:32:45,840
sent them to an all boys catholic school

910
00:32:49,110 --> 00:32:47,039
and now

911
00:32:51,269 --> 00:32:49,120
they're sending mobile vaccine units to

912
00:32:54,070 --> 00:32:51,279
schools and

913
00:32:55,669 --> 00:32:54,080

minor minor children are told you do not

914

00:32:57,430 --> 00:32:55,679

need parental consent to take the

915

00:32:59,350 --> 00:32:57,440

vaccine

916

00:33:01,029 --> 00:32:59,360

so you know every day when we send them

917

00:33:02,630 --> 00:33:01,039

out the door it's like remember what we

918

00:33:05,269 --> 00:33:02,640

told you you know

919

00:33:07,590 --> 00:33:05,279

you you don't take the vaccine if they

920

00:33:09,990 --> 00:33:07,600

if they start hounding you about it you

921

00:33:12,789 --> 00:33:10,000

just you leave and you come home so

922

00:33:15,350 --> 00:33:12,799

that's our that's our reality right now

923

00:33:17,590 --> 00:33:15,360

wow i had no idea

924

00:33:19,509 --> 00:33:17,600

and and um

925

00:33:22,870 --> 00:33:19,519

not that it matters but

926

00:33:24,630 --> 00:33:22,880

isn't that against the law for to

927

00:33:27,350 --> 00:33:24,640

yeah you one would think we have a

928

00:33:29,029 --> 00:33:27,360

charter of rights and freedoms up here

929

00:33:31,750 --> 00:33:29,039

i think it's section seven that deals

930

00:33:32,710 --> 00:33:31,760

with bodily autonomy which is the most

931

00:33:33,830 --> 00:33:32,720

basic

932

00:33:35,110 --> 00:33:33,840

of all

933

00:33:38,630 --> 00:33:35,120

human rights

934

00:33:40,789 --> 00:33:38,640

um except we have a proviso it's a

935

00:33:42,630 --> 00:33:40,799

section one in the charter i call it the

936

00:33:44,710 --> 00:33:42,640

weenie clause

937

00:33:46,549 --> 00:33:44,720

and uh basically it means that all of

938

00:33:48,789 --> 00:33:46,559

these uh

939

00:33:50,950 --> 00:33:48,799

rights and freedoms that you have

940

00:33:52,950 --> 00:33:50,960

can be limited there are reasonable

941

00:33:53,990 --> 00:33:52,960

limits to those

942

00:33:55,750 --> 00:33:54,000

um

943

00:33:57,190 --> 00:33:55,760

now you know we all remember oliver

944

00:33:58,789 --> 00:33:57,200

wendell holmes you know your right to

945

00:34:01,029 --> 00:33:58,799

swing your fist ends at the tip of my

946

00:34:02,389 --> 00:34:01,039

nose i get that but that's not

947

00:34:04,870 --> 00:34:02,399

what they're talking about especially

948

00:34:07,430 --> 00:34:04,880

when you place that power

949

00:34:09,589 --> 00:34:07,440

in the hands of activist judges which we

950

00:34:12,470 --> 00:34:09,599

have up here i mean we have had i mean

951
00:34:14,389 --> 00:34:12,480
the liberal party here uh uh has been

952
00:34:16,149 --> 00:34:14,399
sort of the natural governing party for

953
00:34:17,589 --> 00:34:16,159
most of his country's history and we

954
00:34:20,069 --> 00:34:17,599
have very

955
00:34:21,829 --> 00:34:20,079
uh radical progressive

956
00:34:23,829 --> 00:34:21,839
activist judges on the bench that have

957
00:34:25,510 --> 00:34:23,839
been appointed by consecutive liberal

958
00:34:28,230 --> 00:34:25,520
prime ministers and

959
00:34:29,909 --> 00:34:28,240
they have taken that that clause

960
00:34:32,149 --> 00:34:29,919
or that section one

961
00:34:33,349 --> 00:34:32,159
uh reasonable limits

962
00:34:34,869 --> 00:34:33,359
um

963
00:34:36,950 --> 00:34:34,879

to

964

00:34:39,190 --> 00:34:36,960

ensure things like you know social

965

00:34:41,510 --> 00:34:39,200

justice and equality without ever

966

00:34:43,510 --> 00:34:41,520

defining those so they can suspend your

967

00:34:46,389 --> 00:34:43,520

civil rights in the name of social

968

00:34:47,510 --> 00:34:46,399

justice or equality or diversity and all

969

00:34:51,430 --> 00:34:47,520

of these

970

00:34:53,190 --> 00:34:51,440

woke-isms that are not defined in law

971

00:34:55,270 --> 00:34:53,200

that's where we're at so we have a

972

00:34:57,109 --> 00:34:55,280

number of charter uh

973

00:35:00,069 --> 00:34:57,119

challenges before the courts right now

974

00:35:01,349 --> 00:35:00,079

on vaccine mandates we had hotel

975

00:35:02,950 --> 00:35:01,359

quarantine

976

00:35:04,630 --> 00:35:02,960

uh detention

977

00:35:07,750 --> 00:35:04,640

where if you were returning as canadian

978

00:35:10,230 --> 00:35:07,760

citizen returning from overseas

979

00:35:12,390 --> 00:35:10,240

and um you were

980

00:35:13,750 --> 00:35:12,400

upon your return you were

981

00:35:19,030 --> 00:35:13,760

forced into

982

00:35:20,550 --> 00:35:19,040

quarantine in a hotel at your expense

983

00:35:22,630 --> 00:35:20,560

and uh

984

00:35:23,910 --> 00:35:22,640

this is this has since been abandoned

985

00:35:25,829 --> 00:35:23,920

because they realized that people were

986

00:35:29,510 --> 00:35:25,839

actually catching covert in these hotels

987

00:35:31,109 --> 00:35:29,520

and there was an incident where a woman

988

00:35:32,470 --> 00:35:31,119

was sexually uh

989

00:35:35,270 --> 00:35:32,480

attacked

990

00:35:36,390 --> 00:35:35,280

uh while in a quarantine so that one

991

00:35:37,829 --> 00:35:36,400

that one went away because the

992

00:35:39,589 --> 00:35:37,839

government made it go away but all of

993

00:35:42,390 --> 00:35:39,599

these other charter challenges are being

994

00:35:43,990 --> 00:35:42,400

struck down we're losing in the courts

995

00:35:45,430 --> 00:35:44,000

we're losing our charter rights and

996

00:35:47,510 --> 00:35:45,440

freedoms the court says no this is

997

00:35:50,390 --> 00:35:47,520

reasonable in in the case of a health

998

00:35:52,790 --> 00:35:50,400

emergency show me the emergency are they

999

00:35:54,310 --> 00:35:52,800

stacking bodies like cord wood you know

1000

00:35:56,630 --> 00:35:54,320

in temporary morgues like they did

1001
00:35:59,670 --> 00:35:56,640
during the sp you know the spanish

1002
00:36:02,870 --> 00:35:59,680
spanish flu i don't see it

1003
00:36:05,430 --> 00:36:02,880
richard what do you think is going on

1004
00:36:08,230 --> 00:36:05,440
on a global level you know if if you

1005
00:36:10,630 --> 00:36:08,240
kind of take a step back

1006
00:36:13,829 --> 00:36:10,640
what do you think is in play here what

1007
00:36:15,670 --> 00:36:13,839
what is the game

1008
00:36:18,390 --> 00:36:15,680
well

1009
00:36:20,230 --> 00:36:18,400
i always come back to um was it rahm

1010
00:36:21,910 --> 00:36:20,240
emanuel and others have said this you

1011
00:36:23,510 --> 00:36:21,920
know never let a good crisis go to waste

1012
00:36:25,670 --> 00:36:23,520
winston churchill i think said the same

1013
00:36:27,430 --> 00:36:25,680

thing and i not that covet isn't real

1014

00:36:29,670 --> 00:36:27,440

not that you know we need to mitigate

1015

00:36:30,950 --> 00:36:29,680

risk and protect the vulnerable and all

1016

00:36:33,510 --> 00:36:30,960

of that

1017

00:36:36,310 --> 00:36:33,520

um but when you have something like this

1018

00:36:39,270 --> 00:36:36,320

it presents an opportunity

1019

00:36:41,670 --> 00:36:39,280

um you know what else can we sort of

1020

00:36:44,870 --> 00:36:41,680

piggyback on this crisis

1021

00:36:46,790 --> 00:36:44,880

in fact our own deputy prime minister

1022

00:36:48,230 --> 00:36:46,800

who was also was before

1023

00:36:49,990 --> 00:36:48,240

the last election in parliament was

1024

00:36:53,670 --> 00:36:50,000

dissolved she was deputy prime minister

1025

00:36:54,390 --> 00:36:53,680

and finance minister christian freeland

1026
00:36:57,510 --> 00:36:54,400
and

1027
00:36:58,870 --> 00:36:57,520
a biographer of george soros by the way

1028
00:37:00,710 --> 00:36:58,880
and

1029
00:37:02,230 --> 00:37:00,720
again said something out loud that

1030
00:37:05,190 --> 00:37:02,240
should have been an inner you know

1031
00:37:07,190 --> 00:37:05,200
unexpressed thought she said covet has

1032
00:37:09,270 --> 00:37:07,200
opened a window

1033
00:37:11,349 --> 00:37:09,280
for us and presents us with all of these

1034
00:37:13,109 --> 00:37:11,359
opportunities you know to do the things

1035
00:37:15,430 --> 00:37:13,119
that we should you know that we want to

1036
00:37:19,750 --> 00:37:15,440
do in terms of this again this very

1037
00:37:21,750 --> 00:37:19,760
radical progressive collectivist agenda

1038
00:37:23,750 --> 00:37:21,760

um and now you hear them talking about

1039

00:37:25,750 --> 00:37:23,760

how yeah but then that doesn't get us

1040

00:37:29,750 --> 00:37:25,760

all the way there we get the radical

1041

00:37:32,230 --> 00:37:29,760

progressive we get the collectivist

1042

00:37:33,829 --> 00:37:32,240

there's something more i have a sense

1043

00:37:36,790 --> 00:37:33,839

that there's something more that there

1044

00:37:38,630 --> 00:37:36,800

is something evil uh

1045

00:37:40,710 --> 00:37:38,640

behind this because

1046

00:37:43,270 --> 00:37:40,720

otherwise how you know

1047

00:37:47,270 --> 00:37:43,280

how do you really add it up to you know

1048

00:37:49,750 --> 00:37:47,280

destroy these economies to uh destroy

1049

00:37:51,510 --> 00:37:49,760

the the mental health of just hundreds

1050

00:37:53,270 --> 00:37:51,520

of thousands of people

1051
00:37:54,870 --> 00:37:53,280
right at some point

1052
00:37:57,109 --> 00:37:54,880
yeah there has to be a spiritual element

1053
00:37:59,589 --> 00:37:57,119
you're right you're right

1054
00:37:59,599 --> 00:38:02,310
i guess i'm

1055
00:38:06,550 --> 00:38:04,630
i guess in the in the fog of war in the

1056
00:38:08,230 --> 00:38:06,560
midst of battle when i'm you know

1057
00:38:10,230 --> 00:38:08,240
dealing with

1058
00:38:12,630 --> 00:38:10,240
uh the efficacy of masks and the latest

1059
00:38:15,349 --> 00:38:12,640
study that comes out or the latest

1060
00:38:17,270 --> 00:38:15,359
peer-reviewed study on ivermectin or a

1061
00:38:20,150 --> 00:38:17,280
court challenge on

1062
00:38:22,870 --> 00:38:20,160
uh vaccine passports or a woman who's

1063
00:38:25,910 --> 00:38:22,880

pregnant and is getting fired because

1064

00:38:29,270 --> 00:38:25,920

she refuses the vaccine

1065

00:38:31,430 --> 00:38:29,280

these little kind of the ground war

1066

00:38:32,390 --> 00:38:31,440

um i guess i just haven't had

1067

00:38:34,390 --> 00:38:32,400

an opportunity

1068

00:38:36,950 --> 00:38:34,400

to look at more of the

1069

00:38:39,349 --> 00:38:36,960

the spiritual warfare aspect of this but

1070

00:38:41,750 --> 00:38:39,359

i i i sense and i

1071

00:38:43,589 --> 00:38:41,760

i believe it's there for sure

1072

00:38:45,750 --> 00:38:43,599

because one of the shifts that i think

1073

00:38:48,710 --> 00:38:45,760

is happening right under our feet and

1074

00:38:51,589 --> 00:38:48,720

again it's this kind of big picture

1075

00:38:53,270 --> 00:38:51,599

alt media thing and you've covered it

1076
00:38:54,470 --> 00:38:53,280
quite extensively in different ways on

1077
00:38:56,310 --> 00:38:54,480
your show

1078
00:38:58,390 --> 00:38:56,320
is the

1079
00:39:01,030 --> 00:38:58,400
push for

1080
00:39:02,710 --> 00:39:01,040
the satanic whether it's

1081
00:39:05,990 --> 00:39:02,720
you know

1082
00:39:07,910 --> 00:39:06,000
sneakers from converse or nike with

1083
00:39:09,910 --> 00:39:07,920
blood in them and pentagram all that

1084
00:39:12,950 --> 00:39:09,920
stuff that we've seen for a long time

1085
00:39:14,710 --> 00:39:12,960
and it's this do what thou wilt netflix

1086
00:39:17,750 --> 00:39:14,720
kind of culture

1087
00:39:20,790 --> 00:39:17,760
and then at the same time there's a rise

1088
00:39:23,190 --> 00:39:20,800

there is undoubtedly a rise in the

1089

00:39:25,670 --> 00:39:23,200

general spirituality spiritual but not

1090

00:39:27,589 --> 00:39:25,680

religious if we want to go that group as

1091

00:39:29,030 --> 00:39:27,599

a fast-growing group and some of the

1092

00:39:31,829 --> 00:39:29,040

stuff i've covered on my show with a

1093

00:39:32,710 --> 00:39:31,839

very positive near-death experience kind

1094

00:39:35,750 --> 00:39:32,720

of

1095

00:39:37,910 --> 00:39:35,760

love and light and you know expansive

1096

00:39:40,150 --> 00:39:37,920

part of consciousness

1097

00:39:42,230 --> 00:39:40,160

but the atheists have kind of left the

1098

00:39:43,750 --> 00:39:42,240

left the scene and i always wonder

1099

00:39:45,670 --> 00:39:43,760

what's going on with that you know

1100

00:39:47,589 --> 00:39:45,680

remember 10 years ago that was the

1101
00:39:49,829 --> 00:39:47,599
battle you know it was the people who

1102
00:39:51,589 --> 00:39:49,839
were more spiritually engaged were

1103
00:39:54,150 --> 00:39:51,599
battling against these

1104
00:39:56,950 --> 00:39:54,160
scientists atheists and now they seem to

1105
00:39:59,430 --> 00:39:56,960
take an a different seat at the table

1106
00:40:01,270 --> 00:39:59,440
now it's just science

1107
00:40:02,710 --> 00:40:01,280
kind of more in the vein of what you're

1108
00:40:04,390 --> 00:40:02,720
talking about of kind of social

1109
00:40:06,550 --> 00:40:04,400
engineering we'll tell you what to do

1110
00:40:08,630 --> 00:40:06,560
shut up we're the experts kind of thing

1111
00:40:11,190 --> 00:40:08,640
and at the same time the rise of the

1112
00:40:13,750 --> 00:40:11,200
occult satanic which is completely out

1113
00:40:15,589 --> 00:40:13,760

of sync with that science vibe but

1114

00:40:17,670 --> 00:40:15,599

they've kind of packaged that in a way

1115

00:40:20,870 --> 00:40:17,680

and sold it and i know

1116

00:40:22,390 --> 00:40:20,880

you're in the fog of war but maybe i'll

1117

00:40:24,790 --> 00:40:22,400

give you a little bit of a respite here

1118

00:40:26,710 --> 00:40:24,800

richard maybe it'll be a relief to think

1119

00:40:29,750 --> 00:40:26,720

about something else because i think you

1120

00:40:31,670 --> 00:40:29,760

you you have a sense about this that

1121

00:40:33,910 --> 00:40:31,680

maybe i have i haven't heard and i'm

1122

00:40:35,829 --> 00:40:33,920

wondering if anything pops to mind what

1123

00:40:39,430 --> 00:40:35,839

what is behind this

1124

00:40:41,109 --> 00:40:39,440

this thirst for control yeah i mean

1125

00:40:43,750 --> 00:40:41,119

if you get down to the bedrock

1126

00:40:46,870 --> 00:40:43,760

ultimately it is it's spiritual warfare

1127

00:40:48,790 --> 00:40:46,880

we're dealing with here i mean

1128

00:40:51,030 --> 00:40:48,800

how else do you

1129

00:40:53,030 --> 00:40:51,040

explain the behavior of

1130

00:40:54,950 --> 00:40:53,040

you know

1131

00:40:57,589 --> 00:40:54,960

somebody who

1132

00:40:59,030 --> 00:40:57,599

who genuinely believes

1133

00:41:01,190 --> 00:40:59,040

uh

1134

00:41:02,790 --> 00:41:01,200

that that a person

1135

00:41:05,109 --> 00:41:02,800

a pregnant person

1136

00:41:07,030 --> 00:41:05,119

a pregnant woman rather a

1137

00:41:09,349 --> 00:41:07,040

a vulnerable person should be held down

1138

00:41:10,309 --> 00:41:09,359

and vaccinated against their will or

1139

00:41:15,829 --> 00:41:10,319

should be

1140

00:41:17,270 --> 00:41:15,839

there are people doctors now on on

1141

00:41:18,790 --> 00:41:17,280

social media saying that the

1142

00:41:21,430 --> 00:41:18,800

unvaccinated

1143

00:41:23,670 --> 00:41:21,440

should be uh

1144

00:41:27,270 --> 00:41:23,680

excluded and should not have access to

1145

00:41:30,309 --> 00:41:27,280

health care and how else do you explain

1146

00:41:32,950 --> 00:41:30,319

that then i think the spirit of

1147

00:41:35,589 --> 00:41:32,960

what's a very dark force

1148

00:41:37,109 --> 00:41:35,599

that that has to be at play here for

1149

00:41:38,630 --> 00:41:37,119

someone to actually think that about

1150

00:41:40,790 --> 00:41:38,640

another human being

1151

00:41:43,510 --> 00:41:40,800

uh i mean we're getting in i know i know

1152

00:41:46,390 --> 00:41:43,520

people are very nervous about making the

1153

00:41:49,349 --> 00:41:46,400

the equation of or the um the um

1154

00:41:52,470 --> 00:41:49,359

comparison between nazi germany and the

1155

00:41:55,190 --> 00:41:52,480

1930s and and what's happening now

1156

00:41:56,790 --> 00:41:55,200

uh because we can't diminish you know

1157

00:41:59,030 --> 00:41:56,800

the holocaust we can't diminish

1158

00:42:02,790 --> 00:41:59,040

apartheid we can't diminish

1159

00:42:04,950 --> 00:42:02,800

uh slavery and all of these things but i

1160

00:42:07,030 --> 00:42:04,960

i i think the um

1161

00:42:07,990 --> 00:42:07,040

i think the signs are there i mean i've

1162

00:42:09,349 --> 00:42:08,000

talked to

1163

00:42:11,030 --> 00:42:09,359

people who

1164

00:42:13,109 --> 00:42:11,040

survived the holocaust

1165

00:42:13,910 --> 00:42:13,119

went to concentration camps they're in

1166

00:42:16,309 --> 00:42:13,920

their

1167

00:42:18,630 --> 00:42:16,319

80s and 90s

1168

00:42:20,470 --> 00:42:18,640

and they're nervous they see the signs

1169

00:42:22,710 --> 00:42:20,480

and obviously there is a you know i

1170

00:42:25,190 --> 00:42:22,720

think the same forces at play in all of

1171

00:42:26,710 --> 00:42:25,200

these things whether we're talking about

1172

00:42:29,030 --> 00:42:26,720

genocide or

1173

00:42:32,950 --> 00:42:29,040

apartheid or

1174

00:42:35,109 --> 00:42:32,960

uh slavery denying someone just basic

1175

00:42:37,109 --> 00:42:35,119

human dignity

1176

00:42:38,470 --> 00:42:37,119

and their human rights so yeah there has

1177

00:42:40,950 --> 00:42:38,480

to be

1178

00:42:42,710 --> 00:42:40,960

an element of spiritual warfare

1179

00:42:45,589 --> 00:42:42,720

i mean that that underpins everything

1180

00:42:47,670 --> 00:42:45,599

right for me absolutely

1181

00:42:49,750 --> 00:42:47,680

um

1182

00:42:51,670 --> 00:42:49,760

so i agreed and

1183

00:42:54,069 --> 00:42:51,680

you know how can it be otherwise right i

1184

00:42:55,750 --> 00:42:54,079

mean we like i always say

1185

00:42:58,390 --> 00:42:55,760

what's left out of the equation so many

1186

00:43:00,390 --> 00:42:58,400

times in our culture is that we are all

1187

00:43:01,670 --> 00:43:00,400

we are all leading rich spiritual lives

1188

00:43:04,630 --> 00:43:01,680

that's a given

1189

00:43:06,630 --> 00:43:04,640

you're reading

1190

00:43:08,069 --> 00:43:06,640

that is the ultimate result of

1191

00:43:09,510 --> 00:43:08,079

understanding that you are not a

1192

00:43:10,790 --> 00:43:09,520

biological robot in a meaningless

1193

00:43:12,470 --> 00:43:10,800

universe is that you're this rich

1194

00:43:14,790 --> 00:43:12,480

spiritual being right we're not meat

1195

00:43:17,430 --> 00:43:14,800

robots that's right we're leading so

1196

00:43:20,150 --> 00:43:17,440

we're all in that game i wonder do you

1197

00:43:21,270 --> 00:43:20,160

have any thoughts specifically about

1198

00:43:24,150 --> 00:43:21,280

whether

1199

00:43:26,470 --> 00:43:24,160

there has this been this huge swing of

1200

00:43:30,069 --> 00:43:26,480

the occult and the satanic in the do it

1201
00:43:32,550 --> 00:43:30,079
thou wilt culture the luciferian culture

1202
00:43:34,069 --> 00:43:32,560
is the timing of that

1203
00:43:35,990 --> 00:43:34,079
for you

1204
00:43:39,589 --> 00:43:36,000
in any way

1205
00:43:41,030 --> 00:43:39,599
connected related potentially

1206
00:43:43,270 --> 00:43:41,040
linked to

1207
00:43:45,750 --> 00:43:43,280
what we're seeing here or is it just you

1208
00:43:48,150 --> 00:43:45,760
know i mean these things happen and they

1209
00:43:49,750 --> 00:43:48,160
don't always sync up for any

1210
00:43:51,990 --> 00:43:49,760
big picture reason but do you see

1211
00:43:54,550 --> 00:43:52,000
anything there or is that a stretch

1212
00:43:55,589 --> 00:43:54,560
no i don't think it's a stretch i i

1213
00:43:58,870 --> 00:43:55,599

think

1214

00:44:01,750 --> 00:43:58,880

we're getting down to near maybe the

1215

00:44:03,990 --> 00:44:01,760

final chess moves

1216

00:44:06,150 --> 00:44:04,000

i don't know how far we are to the end

1217

00:44:08,550 --> 00:44:06,160

of the game you know game over but

1218

00:44:10,710 --> 00:44:08,560

it feels to me like we're getting down

1219

00:44:12,390 --> 00:44:10,720

to the final chess moves where

1220

00:44:15,270 --> 00:44:12,400

these dark forces are having you know

1221

00:44:17,349 --> 00:44:15,280

everything seems to be going their way

1222

00:44:22,790 --> 00:44:17,359

um

1223

00:44:24,150 --> 00:44:22,800

control and enslavement

1224

00:44:25,910 --> 00:44:24,160

and

1225

00:44:27,510 --> 00:44:25,920

i don't know

1226

00:44:28,790 --> 00:44:27,520

if i'm ready yet to make the connection

1227

00:44:30,790 --> 00:44:28,800

between the

1228

00:44:32,870 --> 00:44:30,800

i don't know enough about the mrna

1229

00:44:34,470 --> 00:44:32,880

vaccine to say that this is part of the

1230

00:44:36,870 --> 00:44:34,480

you know connects to the transhumanist

1231

00:44:38,550 --> 00:44:36,880

movement to make us less human to make

1232

00:44:40,630 --> 00:44:38,560

us less

1233

00:44:42,550 --> 00:44:40,640

spiritual uh

1234

00:44:44,230 --> 00:44:42,560

i don't know

1235

00:44:47,030 --> 00:44:44,240

it could be how do you feel about that

1236

00:44:48,829 --> 00:44:47,040

do you think the mrna vaccine

1237

00:44:52,069 --> 00:44:48,839

is designed

1238

00:44:55,430 --> 00:44:52,079

to i don't know dehumanize

1239

00:44:57,430 --> 00:44:55,440

i think transhumanism gets too much play

1240

00:44:59,910 --> 00:44:57,440

in the sen in the same way that we're

1241

00:45:02,790 --> 00:44:59,920

talking about this

1242

00:45:04,470 --> 00:45:02,800

extended spirituality i think darkness

1243

00:45:06,550 --> 00:45:04,480

gets too much play

1244

00:45:08,069 --> 00:45:06,560

it's all about the light

1245

00:45:10,790 --> 00:45:08,079

the light shines

1246

00:45:12,150 --> 00:45:10,800

so bright and so much brighter than any

1247

00:45:14,150 --> 00:45:12,160

of the darkness

1248

00:45:15,750 --> 00:45:14,160

that i think it's easy to get caught up

1249

00:45:17,990 --> 00:45:15,760

in the

1250

00:45:19,589 --> 00:45:18,000

ebbs and flows of the of the light and

1251
00:45:20,550 --> 00:45:19,599
the darkness but

1252
00:45:21,750 --> 00:45:20,560
to me

1253
00:45:23,349 --> 00:45:21,760
um

1254
00:45:24,630 --> 00:45:23,359
no they they

1255
00:45:26,390 --> 00:45:24,640
you know

1256
00:45:29,030 --> 00:45:26,400
i was reading somebody passed along a

1257
00:45:30,069 --> 00:45:29,040
quote from gandhi the other day

1258
00:45:34,069 --> 00:45:30,079
he said

1259
00:45:38,309 --> 00:45:34,079
good always win he says think of history

1260
00:45:40,950 --> 00:45:38,319
good always wins out you know and i

1261
00:45:43,750 --> 00:45:40,960
think the fact that we're here is

1262
00:45:46,390 --> 00:45:43,760
an affirmation of that so

1263
00:45:49,750 --> 00:45:46,400

yeah i don't i don't really uh

1264

00:45:52,550 --> 00:45:49,760

in the same way that i don't think

1265

00:45:55,589 --> 00:45:52,560

their game is as tight as it looks in

1266

00:45:57,589 --> 00:45:55,599

terms of this uh biohack that they've

1267

00:45:58,870 --> 00:45:57,599

done and now it's kind of spreading a

1268

00:46:01,430 --> 00:45:58,880

million different ways that they didn't

1269

00:46:02,950 --> 00:46:01,440

predict and it's creating a real

1270

00:46:04,950 --> 00:46:02,960

headache for their science because their

1271

00:46:07,030 --> 00:46:04,960

science absolutely makes no sense in

1272

00:46:09,589 --> 00:46:07,040

terms of booster in terms of

1273

00:46:11,910 --> 00:46:09,599

immunization for people who have uh or

1274

00:46:12,630 --> 00:46:11,920

natural immunization for people who've

1275

00:46:15,589 --> 00:46:12,640

had

1276
00:46:18,069 --> 00:46:15,599
all of that's crumbling at the same time

1277
00:46:21,349 --> 00:46:18,079
that i think there is an internal

1278
00:46:23,910 --> 00:46:21,359
strength in people that is

1279
00:46:25,190 --> 00:46:23,920
waking up so i don't know i take

1280
00:46:27,829 --> 00:46:25,200
maybe i'm

1281
00:46:29,430 --> 00:46:27,839
no i might be you know in the midst of

1282
00:46:30,710 --> 00:46:29,440
all this i do i have to be reminded

1283
00:46:33,589 --> 00:46:30,720
you're right the good guys win that's

1284
00:46:35,910 --> 00:46:33,599
how the movie ends ultimately yes uh but

1285
00:46:38,069 --> 00:46:35,920
we have to we have to endure and you

1286
00:46:40,470 --> 00:46:38,079
know live through this uh

1287
00:46:42,950 --> 00:46:40,480
which you know it does it takes

1288
00:46:45,670 --> 00:46:42,960

a tremendous amount of uh

1289

00:46:47,430 --> 00:46:45,680

of faith and inner strength you know to

1290

00:46:48,790 --> 00:46:47,440

stand up to that but we do we have to

1291

00:46:49,829 --> 00:46:48,800

you have to finish the race you have to

1292

00:46:51,270 --> 00:46:49,839

fight

1293

00:46:53,829 --> 00:46:51,280

there was jordan peterson saying the

1294

00:46:56,069 --> 00:46:53,839

other day how actually

1295

00:46:57,990 --> 00:46:56,079

uh evil is not dark darkness is easy to

1296

00:46:59,990 --> 00:46:58,000

look into it's

1297

00:47:01,430 --> 00:47:00,000

the light is you can't stare at the

1298

00:47:02,550 --> 00:47:01,440

light

1299

00:47:03,990 --> 00:47:02,560

um

1300

00:47:05,510 --> 00:47:04,000

because

1301
00:47:06,470 --> 00:47:05,520
the problem with all you can do is step

1302
00:47:07,990 --> 00:47:06,480
into it

1303
00:47:10,710 --> 00:47:08,000
yeah but if you stare at the light if

1304
00:47:13,589 --> 00:47:10,720
you if you stare at evil then you are

1305
00:47:15,109 --> 00:47:13,599
you are compelled to

1306
00:47:16,950 --> 00:47:15,119
to admit that it's real and to do

1307
00:47:20,150 --> 00:47:16,960
something about it that's why evil is

1308
00:47:24,470 --> 00:47:21,349
so

1309
00:47:28,150 --> 00:47:24,480
here we are we're looking we're staring

1310
00:47:31,430 --> 00:47:28,160
you know at evil now what now we

1311
00:47:33,589 --> 00:47:31,440
we are compelled we have to fight

1312
00:47:35,430 --> 00:47:33,599
and this is where i am right now

1313
00:47:38,309 --> 00:47:35,440

i have to fight

1314

00:47:40,390 --> 00:47:38,319

richard sarat that might be an

1315

00:47:42,549 --> 00:47:40,400

awesome awesome way

1316

00:47:44,230 --> 00:47:42,559

to wrap this up this might not be quite

1317

00:47:47,190 --> 00:47:44,240

the inspiration

1318

00:47:48,630 --> 00:47:47,200

to folks who are

1319

00:47:51,349 --> 00:47:48,640

who are not undergoing what you're going

1320

00:47:53,910 --> 00:47:51,359

because i have to admit i i just really

1321

00:47:56,790 --> 00:47:53,920

like all of us down here you know we

1322

00:47:57,910 --> 00:47:56,800

don't quite stay as focused on what's

1323

00:48:00,230 --> 00:47:57,920

going on

1324

00:48:01,829 --> 00:48:00,240

but it's a good eye-opener you know if

1325

00:48:03,270 --> 00:48:01,839

it's a canary in the coal mine kind of

1326

00:48:04,790 --> 00:48:03,280

thing then

1327

00:48:06,230 --> 00:48:04,800

give it to me both barrels and you

1328

00:48:08,950 --> 00:48:06,240

certainly did it

1329

00:48:11,829 --> 00:48:08,960

what a battle you're going through so

1330

00:48:14,790 --> 00:48:11,839

i i hope people do stay in touch with

1331

00:48:16,950 --> 00:48:14,800

your excellent work now the the radio

1332

00:48:19,589 --> 00:48:16,960

show that you do that syndicated people

1333

00:48:22,390 --> 00:48:19,599

can listen to it through the website

1334

00:48:25,349 --> 00:48:22,400

uh yes it's uh the conspiracy show

1335

00:48:27,589 --> 00:48:25,359

sunday nights 11 p.m eastern

1336

00:48:29,750 --> 00:48:27,599

and you can uh if you're not in the

1337

00:48:31,030 --> 00:48:29,760

listening area and it's a huge listening

1338

00:48:34,390 --> 00:48:31,040

area

1339

00:48:36,790 --> 00:48:34,400

uh you can listen on am 740 all across

1340

00:48:39,430 --> 00:48:36,800

ontario parts of quebec manitoba maine

1341

00:48:40,950 --> 00:48:39,440

to minnesota south to the carolinas but

1342

00:48:42,870 --> 00:48:40,960

uh you know at night with a little help

1343

00:48:45,190 --> 00:48:42,880

from atmospheric skip you can pull it in

1344

00:48:47,829 --> 00:48:45,200

on the radio if you're outside that huge

1345

00:48:51,750 --> 00:48:47,839

area you can stream it live at

1346

00:48:56,069 --> 00:48:53,910

and then of course there's a conspiracy

1347

00:48:58,710 --> 00:48:56,079

unlimited which

1348

00:49:00,309 --> 00:48:58,720

is free and if you want to and i

1349

00:49:01,430 --> 00:49:00,319

certainly do you know you can get the

1350

00:49:03,190 --> 00:49:01,440

premium

1351

00:49:05,430 --> 00:49:03,200

thing for just like two dollars a month

1352

00:49:07,910 --> 00:49:05,440

it's like the greatest value out there

1353

00:49:09,270 --> 00:49:07,920

some absolutely terrific shows there as

1354

00:49:12,910 --> 00:49:09,280

well and

1355

00:49:14,309 --> 00:49:12,920

that you can get everywhere but the

1356

00:49:17,589 --> 00:49:14,319

conspiracyunlimitedpodcast.com is the

1357

00:49:19,589 --> 00:49:17,599

place to go right got it and i'm not

1358

00:49:21,270 --> 00:49:19,599

sure when this is airing but i'll be

1359

00:49:24,230 --> 00:49:21,280

doing coast to coast

1360

00:49:24,680 --> 00:49:24,240

uh saturday september the 25th

1361

00:49:25,910 --> 00:49:24,690

um

1362

00:49:28,069 --> 00:49:25,920

[Music]

1363

00:49:30,390 --> 00:49:28,079

pacific that would be 10 p.m pacific or

1364

00:49:32,630 --> 00:49:30,400

uh 1 a.m sunday morning

1365

00:49:34,230 --> 00:49:32,640

sunday september the 26th

1366

00:49:35,829 --> 00:49:34,240

how do you feel when those dates are

1367

00:49:38,950 --> 00:49:35,839

coming up do you kind of

1368

00:49:40,309 --> 00:49:38,960

have mixed feelings of that 1am

1369

00:49:42,710 --> 00:49:40,319

thing

1370

00:49:44,630 --> 00:49:42,720

i just i i i'm like a shark i guess i

1371

00:49:46,230 --> 00:49:44,640

have to keep moving otherwise i'll sink

1372

00:49:48,710 --> 00:49:46,240

and drown

1373

00:49:51,670 --> 00:49:48,720

i just keep moving

1374

00:49:54,150 --> 00:49:51,680

oh awesome well it's been terrific uh

1375

00:49:55,829 --> 00:49:54,160

having you on and and just love your

1376

00:49:56,549 --> 00:49:55,839

work and so respect what you're doing

1377

00:49:59,030 --> 00:49:56,559

and

1378

00:50:02,150 --> 00:49:59,040

thank you for for joining me richard

1379

00:50:03,670 --> 00:50:02,160

my pleasure alex thank you for having me

1380

00:50:05,829 --> 00:50:03,680

thanks again to richard sarah for

1381

00:50:08,549 --> 00:50:05,839

joining me today on skeptico

1382

00:50:10,710 --> 00:50:08,559

the obvious question from this one is

1383

00:50:12,390 --> 00:50:10,720

is the chess game coming down to its

1384

00:50:13,910 --> 00:50:12,400

final moves

1385

00:50:16,309 --> 00:50:13,920

what do you think

1386

00:50:18,870 --> 00:50:16,319

join me over on the skeptical form or

1387

00:50:20,870 --> 00:50:18,880

find me any way you will

1388

00:50:21,910 --> 00:50:20,880

lots more to come stay with me for all

1389

00:50:24,309 --> 00:50:21,920

of that

1390

00:50:26,060 --> 00:50:24,319

until next time take care and bye for
