***OCTOPUS
OF CONTROL***

#522-CHARLIE-ROBINSON

1
00:00:02,750 --> 00:00:01,610
what were you doing in real estate in

2
00:00:06,289 --> 00:00:02,760
Las Vegas

3
00:00:09,350 --> 00:00:06,299
I was working in new homes I was working

4
00:00:11,810 --> 00:00:09,360
it's I started in 2003 right when

5
00:00:13,930 --> 00:00:11,820
everything got got going you know and

6
00:00:17,390 --> 00:00:13,940
you're the guy in The Big Short movie

7
00:00:19,609 --> 00:00:17,400
you know that it's funny because there's

8
00:00:20,990 --> 00:00:19,619
a scene in The Big Short where they go

9
00:00:23,630 --> 00:00:21,000
to

10
00:00:24,950 --> 00:00:23,640
um the strip bar and there's a you know

11
00:00:29,029 --> 00:00:24,960
and the stripper's like oh I'll do your

12
00:00:32,389 --> 00:00:29,039
loan and everything and in actuality in

13
00:00:33,889 --> 00:00:32,399

2004 I was working for Del Webb which is

14

00:00:35,810 --> 00:00:33,899

an active adult community it's 55 and

15

00:00:38,330 --> 00:00:35,820

older it's a great Community there were

16

00:00:40,369 --> 00:00:38,340

it was a massive sales office there's 20

17

00:00:42,049 --> 00:00:40,379

of us in there and I come in and and

18

00:00:44,150 --> 00:00:42,059

because there's so many sales people

19

00:00:46,130 --> 00:00:44,160

we're on like a rotational basis and the

20

00:00:47,810 --> 00:00:46,140

lady at the front desk you know the next

21

00:00:50,690 --> 00:00:47,820

person up you know you get you get who

22

00:00:54,110 --> 00:00:50,700

you get and and I get this agent nice

23

00:00:56,750 --> 00:00:54,120

looking agent lady and her client who

24

00:00:58,970 --> 00:00:56,760

has not slept at all it's obvious to me

25

00:01:01,369 --> 00:00:58,980

this guy is like fairly barely

26

00:01:02,630 --> 00:01:01,379

functioning and uh he wants to buy a

27

00:01:04,310 --> 00:01:02,640

house or he thinks he wants to buy a

28

00:01:06,649 --> 00:01:04,320

house this is his real estate agent he

29

00:01:07,969 --> 00:01:06,659

goes to we we discuss the whole thing we

30

00:01:09,230 --> 00:01:07,979

go through the models I show them all

31

00:01:11,390 --> 00:01:09,240

the houses

32

00:01:12,710 --> 00:01:11,400

she goes to the restroom and I said so

33

00:01:14,510 --> 00:01:12,720

have you been working with your agent

34

00:01:16,730 --> 00:01:14,520

for a while and he goes man I just met

35

00:01:18,410 --> 00:01:16,740

her last night at cheetahs and I was

36

00:01:19,910 --> 00:01:18,420

like really and then as soon as he's

37

00:01:22,370 --> 00:01:19,920

done and I'm like trying to contain

38

00:01:25,070 --> 00:01:22,380

myself because I know exactly so she

39

00:01:27,410 --> 00:01:25,080

sits down and she says to me like I said

40

00:01:29,030 --> 00:01:27,420

so is this a like how are we doing on

41

00:01:30,890 --> 00:01:29,040

finance are we doing cash is this good

42

00:01:33,190 --> 00:01:30,900

she goes oh I'm I'm a loan officer I'm

43

00:01:35,690 --> 00:01:33,200

gonna do his loan I go of course you are

44

00:01:38,270 --> 00:01:35,700

so so The Big Short was like a

45

00:01:40,310 --> 00:01:38,280

documentary to me well that's a that's a

46

00:01:42,170 --> 00:01:40,320

great story for for people who don't

47

00:01:46,069 --> 00:01:42,180

know cheetahs

48

00:01:48,710 --> 00:01:46,079

yeah Cheetos uh an adult uh a male a

49

00:01:52,190 --> 00:01:48,720

men's adult uh dance club dancing

50

00:01:53,749 --> 00:01:52,200

facility in Las Vegas yeah yeah and then

51

00:02:00,590 --> 00:01:53,759

where did that

52

00:02:02,810 --> 00:02:00,600

current stuff that you do so in 2007 I

53

00:02:04,850 --> 00:02:02,820

read Perkins book confessions of an

54

00:02:06,350 --> 00:02:04,860

economic Hitman and I go oh my goodness

55

00:02:08,270 --> 00:02:06,360

this is changing my life you know like

56

00:02:09,770 --> 00:02:08,280

it just changed my life and and I

57

00:02:12,110 --> 00:02:09,780

realized that the scam that they were

58

00:02:13,850 --> 00:02:12,120

running on this big massive scale was

59

00:02:16,130 --> 00:02:13,860

something that we were

60

00:02:18,410 --> 00:02:16,140

we were doing on a smaller scale not me

61

00:02:20,150 --> 00:02:18,420

personally I I didn't know we were just

62

00:02:22,430 --> 00:02:20,160

extending loans to people that had no

63

00:02:25,070 --> 00:02:22,440

business getting a loan and then that

64

00:02:27,290 --> 00:02:25,080

loan was packaged up and sold like you

65

00:02:29,690 --> 00:02:27,300

know we I would say to our lender

66

00:02:31,070 --> 00:02:29,700

how how can we qualify this guy and and

67

00:02:32,630 --> 00:02:31,080

they say what difference does it make

68

00:02:34,910 --> 00:02:32,640

we're going to sit on this loan for a

69

00:02:36,410 --> 00:02:34,920

day maybe we're gonna sell it out the

70

00:02:38,270 --> 00:02:36,420

back door with all the other loans and

71

00:02:41,570 --> 00:02:38,280

it's not our problem and I was like oh

72

00:02:43,070 --> 00:02:41,580

that but that doesn't sound like a

73

00:02:44,990 --> 00:02:43,080

sustainable

74

00:02:48,170 --> 00:02:45,000

uh business model and they're like yeah

75

00:02:50,630 --> 00:02:48,180

whatever you know so so that was the so

76

00:02:53,690 --> 00:02:50,640

that happens and the the market tanks

77

00:02:55,610 --> 00:02:53,700

I've read Perkins book uh I'm live I'm

78

00:02:59,089 --> 00:02:55,620

now realizing that I'm living through

79

00:03:01,009 --> 00:02:59,099

this um you know extend imaginary money

80

00:03:02,869 --> 00:03:01,019

to people that can't afford to pay it

81

00:03:04,850 --> 00:03:02,879

back and then when they fall behind take

82

00:03:07,309 --> 00:03:04,860

back something tangible in Perkins case

83

00:03:08,570 --> 00:03:07,319

take back you know make the country of

84

00:03:10,490 --> 00:03:08,580

Ecuador

85

00:03:12,830 --> 00:03:10,500

privatize their fishing industry and

86

00:03:15,470 --> 00:03:12,840

sell it off to your buddies or build a

87

00:03:17,809 --> 00:03:15,480

U.S base or vote a certain way in a U.N

88

00:03:20,210 --> 00:03:17,819

resolution or some some crappy deal that

89

00:03:21,949 --> 00:03:20,220

the country didn't want to do

90

00:03:23,509 --> 00:03:21,959

um we were sort of doing that same thing

91

00:03:25,970 --> 00:03:23,519

where the feds printing up this money

92

00:03:28,550 --> 00:03:25,980

that just typing it in their little

93

00:03:29,509 --> 00:03:28,560

keyboard and creating this money and and

94

00:03:35,030 --> 00:03:29,519

the

95

00:03:36,830 --> 00:03:35,040

going to especially when everything

96

00:03:38,869 --> 00:03:36,840

starts to tank and they're upside down

97

00:03:41,149 --> 00:03:38,879

then the lenders just take back tangible

98

00:03:42,710 --> 00:03:41,159

assets take back physical houses in

99

00:03:45,350 --> 00:03:42,720

exchange for this paper money that they

100

00:03:47,690 --> 00:03:45,360

had insurance policies on anyway so so

101
00:03:49,970 --> 00:03:47,700
the whole thing I this as this scam

102
00:03:52,309 --> 00:03:49,980
starts to unravel my brain is breaking

103
00:03:54,350 --> 00:03:52,319
and I'm going oh no oh no I'm part of

104
00:03:56,869 --> 00:03:54,360
this I was part of this and and I

105
00:03:59,990 --> 00:03:56,879
transitioned out of new home sales and

106
00:04:01,670 --> 00:04:00,000
into working with uh my current

107
00:04:05,030 --> 00:04:01,680
situation now is my two business

108
00:04:06,890 --> 00:04:05,040
partners that are in Las Vegas and they

109
00:04:08,449 --> 00:04:06,900
do or we do we're a real estate

110
00:04:10,369 --> 00:04:08,459
brokerage but we also do home

111
00:04:12,830 --> 00:04:10,379
renovations home flipping to the point

112
00:04:15,170 --> 00:04:12,840
where we had a show on HGTV for a couple

113
00:04:16,610 --> 00:04:15,180

Seasons flipper flop Vegas and and my

114

00:04:19,969 --> 00:04:16,620

partners this

115

00:04:22,790 --> 00:04:19,979

husband and wife she's a real estate

116

00:04:26,330 --> 00:04:22,800

agent interior designer cheerleader he's

117

00:04:28,189 --> 00:04:26,340

a general contractor MMA fighter you

118

00:04:31,010 --> 00:04:28,199

know good looking guys really nice

119

00:04:33,950 --> 00:04:31,020

people super amazing at what they do and

120

00:04:35,990 --> 00:04:33,960

I saw that show and their business no I

121

00:04:38,030 --> 00:04:36,000

didn't make the connection but yeah yeah

122

00:04:39,830 --> 00:04:38,040

yeah so they'll go around you know and

123

00:04:42,110 --> 00:04:39,840

buy these houses and we've got this sort

124

00:04:44,270 --> 00:04:42,120

of Vegas Glam thing that we do which is

125

00:04:45,530 --> 00:04:44,280

like paint a paint a wall Pink when it

126

00:04:47,210 --> 00:04:45,540

shouldn't be pink and people go that's

127

00:04:48,950 --> 00:04:47,220

crazy and then they're like and then one

128

00:04:50,990 --> 00:04:48,960

person's like I love it and so we sell

129

00:04:53,330 --> 00:04:51,000

the house to that person you know so so

130

00:04:54,770 --> 00:04:53,340

it trained I'm still in real estate but

131

00:04:56,689 --> 00:04:54,780

I'm not in that

132

00:04:59,510 --> 00:04:56,699

you know I'm not I'm in a sort of a diff

133

00:05:01,430 --> 00:04:59,520

an unusual segment but but because of

134

00:05:04,070 --> 00:05:01,440

that because of that book because of

135

00:05:06,290 --> 00:05:04,080

that John Perkins book it just changed

136

00:05:08,629 --> 00:05:06,300

me it just woke me up to like what was

137

00:05:10,310 --> 00:05:08,639

going on and that that really was the

138

00:05:13,070 --> 00:05:10,320

the step like how did you get involved

139

00:05:14,689 --> 00:05:13,080

in it like I'm fascinated about what

140

00:05:17,029 --> 00:05:14,699

you're doing you know like you've got

141

00:05:21,050 --> 00:05:17,039

this really interesting

142

00:05:23,930 --> 00:05:21,060

blend of uh science and

143

00:05:26,390 --> 00:05:23,940

is it science versus spirituality or is

144

00:05:28,610 --> 00:05:26,400

it science plus spirituality

145

00:05:30,409 --> 00:05:28,620

well I think it is science plus

146

00:05:32,930 --> 00:05:30,419

spirituality but

147

00:05:35,210 --> 00:05:32,940

you know I'd say uh before we even get

148

00:05:36,590 --> 00:05:35,220

to that when I first heard you Charlie

149

00:05:38,629 --> 00:05:36,600

one of the things I appreciate I

150

00:05:40,790 --> 00:05:38,639

appreciate people who have that uh

151
00:05:43,129 --> 00:05:40,800
business sensibility and like even

152
00:05:44,510 --> 00:05:43,139
because that's my background I was just

153
00:05:46,670 --> 00:05:44,520
going for the money you know and I was

154
00:05:48,950 --> 00:05:46,680
in the high-tech business very fortunate

155
00:05:50,330 --> 00:05:48,960
that I had a computer background in

156
00:05:52,670 --> 00:05:50,340
college I was just kind of naturally

157
00:05:54,650 --> 00:05:52,680
drawn to that I could kind of do that

158
00:05:58,150 --> 00:05:54,660
and it seemed like other people

159
00:06:01,309 --> 00:05:58,160
I went to Western Illinois University

160
00:06:02,629 --> 00:06:01,319
which is kind of considered a lot of

161
00:06:04,450 --> 00:06:02,639
people don't know but it's kind of the

162
00:06:06,850 --> 00:06:04,460
Harvard of McDonough County Illinois

163
00:06:09,529 --> 00:06:06,860

okay

164

00:06:11,990 --> 00:06:09,539

all I know is that Tony didn't Tony Romo

165

00:06:15,650 --> 00:06:12,000

go to Eastern Illinois University he did

166

00:06:17,990 --> 00:06:15,660

he did we beat I played football there

167

00:06:20,210 --> 00:06:18,000

that's how I went there and we beat

168

00:06:22,670 --> 00:06:20,220

Eastern Illinois we did we took them

169

00:06:25,850 --> 00:06:22,680

down it was a big it was a big game

170

00:06:28,309 --> 00:06:25,860

there was a big celebration we went to

171

00:06:30,590 --> 00:06:28,319

TC's after it and a lot of guys you know

172

00:06:32,689 --> 00:06:30,600

barely made it home at six a.m so yeah

173

00:06:34,070 --> 00:06:32,699

that was a big deal

174

00:06:37,010 --> 00:06:34,080

computer business though like what kind

175

00:06:38,510 --> 00:06:37,020

what were you doing well so you know I

176

00:06:40,670 --> 00:06:38,520

kind of started there and then I went

177

00:06:42,830 --> 00:06:40,680

and I did which is all kind of

178

00:06:44,689 --> 00:06:42,840

interesting in a way but I got a job at

179

00:06:46,790 --> 00:06:44,699

pricewaterhouse you know where if you

180

00:06:49,309 --> 00:06:46,800

have a computer degree they put a Brooks

181

00:06:51,650 --> 00:06:49,319

Brothers suit on you and Bill you out at

182

00:06:52,850 --> 00:06:51,660

250 an hour even though you're just out

183

00:06:54,650 --> 00:06:52,860

of college and you don't know anything

184

00:06:57,170 --> 00:06:54,660

but you know that's how they make money

185

00:06:58,850 --> 00:06:57,180

and then I became disillusioned in that

186

00:07:01,790 --> 00:06:58,860

well I had an MBA I'd gotten that

187

00:07:03,409 --> 00:07:01,800

because I was at Western for five years

188

00:07:05,029 --> 00:07:03,419

Western is just in a corn field I mean

189

00:07:07,249 --> 00:07:05,039

it's just a place I played football on

190

00:07:09,110 --> 00:07:07,259

the cornfield and then I went back I

191

00:07:11,689 --> 00:07:09,120

thought I wanted to pursue Academia and

192

00:07:14,210 --> 00:07:11,699

I went back to University Arizona to get

193

00:07:16,129 --> 00:07:14,220

a PhD in artificial intelligence and I

194

00:07:17,870 --> 00:07:16,139

was there and I did that for a couple

195

00:07:19,909 --> 00:07:17,880

years and I taught classes at University

196

00:07:21,890 --> 00:07:19,919

Arizona and stuff like that and then I

197

00:07:23,390 --> 00:07:21,900

was like [h__h] this you know I really

198

00:07:25,670 --> 00:07:23,400

want the money which is what I wanted

199

00:07:28,550 --> 00:07:25,680

all along and I had done some consultant

200

00:07:30,409 --> 00:07:28,560

gigs for Texas Instruments in Dupont and

201

00:07:32,390 --> 00:07:30,419

I was into this AI stuff and it was kind

202

00:07:33,950 --> 00:07:32,400

of taken off and I started a company I

203

00:07:37,309 --> 00:07:33,960

started company it's called Mind path

204

00:07:39,589 --> 00:07:37,319

Technologies I was into Ai and I failed

205

00:07:42,890 --> 00:07:39,599

I kept the company but I just kind of

206

00:07:45,110 --> 00:07:42,900

failed on the concept over and over and

207

00:07:47,029 --> 00:07:45,120

over again and kind of got my ass handed

208

00:07:49,730 --> 00:07:47,039

to me but it was a great Learning lesson

209

00:07:51,350 --> 00:07:49,740

anyone who's an entrepreneur goes

210

00:07:54,050 --> 00:07:51,360

through the same process and we all have

211

00:07:55,670 --> 00:07:54,060

to learn and uh I kind of stuck within

212

00:07:59,089 --> 00:07:55,680

it 10 years later I was able to sell my

213

00:08:02,029 --> 00:07:59,099

company to a publicly traded company and

214

00:08:04,309 --> 00:08:02,039

bingo you know and then I made some

215

00:08:07,010 --> 00:08:04,319

very fortunate real estate Investments

216

00:08:10,070 --> 00:08:07,020

with a family member who was into that

217

00:08:12,890 --> 00:08:10,080

and uh hey you know it all it all worked

218

00:08:17,770 --> 00:08:12,900

out great so all along though I was a

219

00:08:20,089 --> 00:08:17,780

yogi oh really yeah and uh and um

220

00:08:22,450 --> 00:08:20,099

philosophical and the physical practice

221

00:08:25,490 --> 00:08:22,460

too but really the physical

222

00:08:27,170 --> 00:08:25,500

philosophical spiritual practice so I've

223

00:08:29,330 --> 00:08:27,180

always kind of been down these two paths

224

00:08:32,570 --> 00:08:29,340

so when I started podcasting it was like

225

00:08:34,190 --> 00:08:32,580

to look at this spirituality that I

226

00:08:37,430 --> 00:08:34,200

thought was real why is why doesn't

227

00:08:40,850 --> 00:08:37,440

science think it is real but I did want

228

00:08:42,889 --> 00:08:40,860

to kind of roll that back to because I I

229

00:08:45,530 --> 00:08:42,899

couldn't mean this more sincerely when I

230

00:08:48,350 --> 00:08:45,540

first heard you on Greg's show Higher

231

00:08:51,470 --> 00:08:48,360

Side chats and talking about the the

232

00:08:53,769 --> 00:08:51,480

global octopus kind of thing which has

233

00:08:56,690 --> 00:08:53,779

always been a fantastic

234

00:08:59,930 --> 00:08:56,700

metaphor for kind of yeah mine I didn't

235

00:09:02,150 --> 00:08:59,940

I didn't invent it but I agree uh Danny

236

00:09:04,250 --> 00:09:02,160

casellaro's got the octopus I put a

237

00:09:05,810 --> 00:09:04,260

quote in the book from the talking from

238

00:09:07,730 --> 00:09:05,820

John Francis Highland the mayor of New

239

00:09:09,889 --> 00:09:07,740

York City in 1922 talking about the

240

00:09:11,449 --> 00:09:09,899

sprawling octopus that he describes as

241

00:09:12,949 --> 00:09:11,459

the Rockefeller family and their

242

00:09:16,790 --> 00:09:12,959

interests and things like that but yeah

243

00:09:19,370 --> 00:09:16,800

what a great metaphor huh it is you know

244

00:09:22,430 --> 00:09:19,380

it's something that lives in the bottom

245

00:09:23,990 --> 00:09:22,440

of the deepest darkest ocean you know

246

00:09:27,170 --> 00:09:24,000

especially the big ones right and we

247

00:09:30,170 --> 00:09:27,180

can't see it and it has all these real

248

00:09:33,110 --> 00:09:30,180

smart it can change colors it can change

249

00:09:35,389 --> 00:09:33,120

textures it can it can spray ink and

250

00:09:37,250 --> 00:09:35,399

blind you and disappear or it can stay

251
00:09:39,710 --> 00:09:37,260
and fight with that hidden beak that's

252
00:09:41,210 --> 00:09:39,720
underneath it it's it's it's in one of

253
00:09:43,250 --> 00:09:41,220
the most intelligent creatures they've

254
00:09:45,949 --> 00:09:43,260
done studies where if you if it's been

255
00:09:48,650 --> 00:09:45,959
through a maze in a in a cave and you

256
00:09:50,949 --> 00:09:48,660
could up to three years later it will

257
00:09:55,850 --> 00:09:50,959
remember how to get back through that

258
00:10:00,470 --> 00:09:55,860
really interesting maybe even uh Alien

259
00:10:03,769 --> 00:10:00,480
in nature yes these are these octopi and

260
00:10:05,569 --> 00:10:03,779
and that it describes these people as

261
00:10:08,990 --> 00:10:05,579
well that are able to change their

262
00:10:10,610 --> 00:10:09,000
shapes and colors and textures and and

263
00:10:12,110 --> 00:10:10,620

they're able to tear you apart if you

264

00:10:13,790 --> 00:10:12,120

get too close and don't know how

265

00:10:16,009 --> 00:10:13,800

dangerous they are oh just everything

266

00:10:18,590 --> 00:10:16,019

about it works for me oh awesome I mean

267

00:10:20,569 --> 00:10:18,600

you are uh brilliant at communicating

268

00:10:22,790 --> 00:10:20,579

this stuff you really are and the other

269

00:10:24,949 --> 00:10:22,800

thing I really appreciate I love how you

270

00:10:26,930 --> 00:10:24,959

return us to the humor in it you know

271

00:10:28,610 --> 00:10:26,940

the the humor in all this the humor in

272

00:10:31,250 --> 00:10:28,620

the in The Human Condition you know and

273

00:10:33,410 --> 00:10:31,260

you can't it's so heavy but at the same

274

00:10:35,690 --> 00:10:33,420

time you know that's always been kind of

275

00:10:39,410 --> 00:10:35,700

your your Vibe too right yeah it has

276

00:10:41,329 --> 00:10:39,420

been and it and it and I and I get that

277

00:10:44,509 --> 00:10:41,339

I have that Vibe because that's that's

278

00:10:46,130 --> 00:10:44,519

how information has been delivered to me

279

00:10:47,150 --> 00:10:46,140

in a way that sticks like the Jon

280

00:10:49,730 --> 00:10:47,160

Stewart

281

00:10:51,590 --> 00:10:49,740

idea of Comedy where he where The Daily

282

00:10:53,389 --> 00:10:51,600

Show where he would he'd tell you a very

283

00:10:55,910 --> 00:10:53,399

important story and it would be serious

284

00:10:57,290 --> 00:10:55,920

and it would be impactful but he'd do it

285

00:10:59,150 --> 00:10:57,300

in a way where he kind of had some fun

286

00:11:01,130 --> 00:10:59,160

with it and he you know and you and so

287

00:11:02,990 --> 00:11:01,140

you'd wind up laughing at the absurdity

288

00:11:04,550 --> 00:11:03,000

but at the same time you would you'd

289

00:11:06,470 --> 00:11:04,560

have this retention of the information

290

00:11:07,970 --> 00:11:06,480

so I always thought well if I'm gonna

291

00:11:09,650 --> 00:11:07,980

write when I wrote the octopus I was

292

00:11:11,750 --> 00:11:09,660

like God you know you go through it and

293

00:11:14,210 --> 00:11:11,760

it there's so much darkness in there and

294

00:11:16,310 --> 00:11:14,220

so much evil and I thought well you know

295

00:11:17,990 --> 00:11:16,320

I might have to lighten it up a little

296

00:11:19,850 --> 00:11:18,000

bit you know where I could so that's

297

00:11:22,430 --> 00:11:19,860

where the quotes from Carlin and quotes

298

00:11:24,410 --> 00:11:22,440

from Rogan and and Bill Hicks come in

299

00:11:26,210 --> 00:11:24,420

and and it allows people to kind of

300

00:11:27,889 --> 00:11:26,220

laugh at the absurdity of it all and I

301

00:11:33,889 --> 00:11:27,899

think that that's

302

00:11:35,150 --> 00:11:33,899

have that and I know I don't think it's

303

00:11:37,730 --> 00:11:35,160

I mean there's one thing to be

304

00:11:39,050 --> 00:11:37,740

disrespectful in laughing at people that

305

00:11:40,370 --> 00:11:39,060

are being hurt right in front of you and

306

00:11:41,329 --> 00:11:40,380

being disrespectful we're not doing that

307

00:11:43,370 --> 00:11:41,339

we're just

308

00:11:44,750 --> 00:11:43,380

we're laughing at the absurdity of it

309

00:11:47,030 --> 00:11:44,760

all and it is

310

00:11:48,769 --> 00:11:47,040

laughable and and danger you know

311

00:11:49,970 --> 00:11:48,779

obviously like I said you kind of have

312

00:11:55,490 --> 00:11:49,980

to

313

00:11:58,009 --> 00:11:55,500

about a lot of this stuff but but uh but

314

00:11:59,870 --> 00:11:58,019

I don't think that it's disrespectful to

315

00:12:01,550 --> 00:11:59,880

have a good laugh at what some of these

316

00:12:04,310 --> 00:12:01,560

people are doing on the world on the

317

00:12:06,550 --> 00:12:04,320

planet it's crazy absolutely I think it

318

00:12:08,569 --> 00:12:06,560

I think it immediately kind of

319

00:12:10,250 --> 00:12:08,579

transcends you in a lot of ways I think

320

00:12:11,870 --> 00:12:10,260

it's very spiritual kind of thing there

321

00:12:13,970 --> 00:12:11,880

was a lot of spiritual connections to

322

00:12:16,550 --> 00:12:13,980

the to the riddle to the laugh to the

323

00:12:18,710 --> 00:12:16,560

joke that it all is yeah and I think

324

00:12:20,629 --> 00:12:18,720

comedy can can

325

00:12:25,670 --> 00:12:20,639

get us there in a way that we don't even

326

00:12:29,329 --> 00:12:25,680

recognize by the way have you seen

327

00:12:33,170 --> 00:12:29,339

the Jon Stewart thing on the Wuhan lab

328

00:12:35,629 --> 00:12:33,180

yes okay so we might even play that

329

00:12:38,509 --> 00:12:35,639

later for for people who who aren't

330

00:12:41,329 --> 00:12:38,519

aware of it on Stephen Colbert and

331

00:12:43,430 --> 00:12:41,339

I mean that is level three where you

332

00:12:45,590 --> 00:12:43,440

gotta kind of like he knows what what

333

00:12:47,150 --> 00:12:45,600

you know he knows he knows what's up he

334

00:12:49,370 --> 00:12:47,160

knows what they'll accept and what the I

335

00:12:52,850 --> 00:12:49,380

mean he gave Stephen Colbert his shot so

336

00:12:55,129 --> 00:12:52,860

yeah Jon Stewart did that for me and I

337

00:12:57,650 --> 00:12:55,139

put a quote in the octopus book from Joe

338

00:13:00,350 --> 00:12:57,660

Rogan talking about Jon Stewart

339

00:13:02,329 --> 00:13:00,360

explaining that he felt that way too and

340

00:13:04,250 --> 00:13:02,339

I actually didn't realize

341

00:13:06,530 --> 00:13:04,260

that I felt that way about Jon Stewart

342

00:13:08,389 --> 00:13:06,540

until I read the I think I heard the Joe

343

00:13:10,790 --> 00:13:08,399

Rogan quote and then I typed it out and

344

00:13:12,470 --> 00:13:10,800

and I thought that's exactly why I have

345

00:13:14,269 --> 00:13:12,480

connected with Jon Stewart all this time

346

00:13:16,009 --> 00:13:14,279

and so it didn't even really occur to me

347

00:13:18,050 --> 00:13:16,019

but it's that

348

00:13:20,269 --> 00:13:18,060

it's that skill I think that that some

349

00:13:22,629 --> 00:13:20,279

people have Jon Stewart has it Joe Rogan

350

00:13:25,030 --> 00:13:22,639

has it this ability to talk about

351

00:13:28,370 --> 00:13:25,040

serious things

352

00:13:30,470 --> 00:13:28,380

in a way that is light-hearted that that

353

00:13:33,530 --> 00:13:30,480

allows you to that doesn't come across

354

00:13:35,329 --> 00:13:33,540

as being disrespectful to the topic or

355

00:13:36,829 --> 00:13:35,339

the serious nature of it and you know

356

00:13:40,370 --> 00:13:36,839

you give it all the respect that it

357

00:13:42,230 --> 00:13:40,380

deserves but you can still time out time

358

00:13:45,350 --> 00:13:42,240

out we've gone there we've got I'm gonna

359

00:13:46,910 --> 00:13:45,360

play this clip into the show what what

360

00:13:48,590 --> 00:13:46,920

do you mean by do you mean like this or

361

00:13:49,490 --> 00:13:48,600

perhaps there's a chance that this was

362

00:13:52,689 --> 00:13:49,500

created in a lab there's an

363

00:13:54,949 --> 00:13:52,699

investigation a chance

364

00:13:58,850 --> 00:13:54,959

evidence I'd love to hear it there's a

365

00:14:01,970 --> 00:13:58,860

novel respiratory coronavirus overtaking

366

00:14:05,150 --> 00:14:01,980

Wuhan China what do we do oh you know

367

00:14:08,329 --> 00:14:05,160

who we could ask the Wuhan novel

368

00:14:12,110 --> 00:14:08,339

respiratory coronavirus lab the disease

369

00:14:14,150 --> 00:14:12,120

is the same name as the lab

370

00:14:15,650 --> 00:14:14,160

that's just that's just a little too

371

00:14:16,970 --> 00:14:15,660

weird don't you think and then they ask

372

00:14:19,069 --> 00:14:16,980

those scientists they're like how did

373

00:14:22,129 --> 00:14:19,079

this so wait a minute you work at the

374

00:14:24,110 --> 00:14:22,139

Wuhan respiratory coronavirus lab how

375

00:14:27,050 --> 00:14:24,120

did this happen and they're like a

376

00:14:31,250 --> 00:14:27,060

Pangolin kissed a turtle

377

00:14:33,230 --> 00:14:31,260

and you're like no I you you

378

00:14:34,189 --> 00:14:33,240

so so that's it right that's what we're

379

00:14:38,030 --> 00:14:34,199

talking about

380

00:14:40,370 --> 00:14:38,040

yeah he he he he's great at this you

381

00:14:43,370 --> 00:14:40,380

know he he knows and actually during

382

00:14:45,650 --> 00:14:43,380

later on in that he gets to the point

383

00:14:47,990 --> 00:14:45,660

where Johnson or where Colbert tries to

384

00:14:49,310 --> 00:14:48,000

cut him off and Jon Stewart jumps up out

385

00:14:51,350 --> 00:14:49,320

of his seat

386

00:14:53,509 --> 00:14:51,360

and that physically walks towards the

387

00:14:56,449 --> 00:14:53,519

camera because he knows that the camera

388

00:14:58,550 --> 00:14:56,459

will follow him and and so he he

389

00:15:00,350 --> 00:14:58,560

continues on his Stephen Colbert tries

390

00:15:03,290 --> 00:15:00,360

to get him off topic tries to you know

391

00:15:05,449 --> 00:15:03,300

tries to step on all of his jokes and uh

392

00:15:07,069 --> 00:15:05,459

because he felt he could you could tell

393

00:15:08,210 --> 00:15:07,079

he just he looked uncomfortable he

394

00:15:10,730 --> 00:15:08,220

didn't know what to do and John

395

00:15:13,610 --> 00:15:10,740

Stewart's like I am going to burn this

396

00:15:16,129 --> 00:15:13,620

place to the ground right no I I see

397

00:15:17,569 --> 00:15:16,139

that that's the part and this is a great

398

00:15:19,610 --> 00:15:17,579

dialogue and one that I don't hear

399

00:15:22,610 --> 00:15:19,620

people especially in our community

400

00:15:24,829 --> 00:15:22,620

having enough is that I get that but at

401
00:15:26,870 --> 00:15:24,839
the same time Jon Stewart is completely

402
00:15:28,430 --> 00:15:26,880
controlled not not completely controlled

403
00:15:30,230 --> 00:15:28,440
that isn't fair because he's not

404
00:15:33,350 --> 00:15:30,240
completely controlled this is the

405
00:15:36,230 --> 00:15:33,360
complexity of the thing this is the head

406
00:15:38,629 --> 00:15:36,240
blowing up we don't really know what Jon

407
00:15:40,910 --> 00:15:38,639
Stewart really knows we don't know the

408
00:15:43,430 --> 00:15:40,920
extent to John that Jon Stewart is being

409
00:15:44,629 --> 00:15:43,440
manipulated but when we look at his last

410
00:15:47,810 --> 00:15:44,639
show

411
00:15:49,910 --> 00:15:47,820
we see that he is part of this process

412
00:15:52,490 --> 00:15:49,920
of like you know where the famous thing

413
00:15:55,129 --> 00:15:52,500

where they show the the talking point

414

00:15:57,710 --> 00:15:55,139

and it comes out simultaneously on 40

415

00:16:00,410 --> 00:15:57,720

different local stations are all reading

416

00:16:03,530 --> 00:16:00,420

it Jon Stewart is not removed from that

417

00:16:05,629 --> 00:16:03,540

as you mentioned before he somehow knows

418

00:16:09,050 --> 00:16:05,639

the line and he does have some kind of

419

00:16:10,730 --> 00:16:09,060

moral compass that he he he has to

420

00:16:14,530 --> 00:16:10,740

follow and I wanted to throw Joe Rogan

421

00:16:18,470 --> 00:16:14,540

in there too I think Joe Rogan has done

422

00:16:20,090 --> 00:16:18,480

tremendous tremendous uh uh benefit you

423

00:16:22,790 --> 00:16:20,100

know for so many people in terms of

424

00:16:24,889 --> 00:16:22,800

quote unquote waking up I hate that term

425

00:16:27,769 --> 00:16:24,899

but we'll go with it in terms of

426

00:16:31,430 --> 00:16:27,779

exposing truth in terms of parapolitical

427

00:16:35,509 --> 00:16:31,440

stuff but go look at Joe Rogan about 9

428

00:16:38,030 --> 00:16:35,519

11. Joe Rogan whether I again I don't

429

00:16:40,730 --> 00:16:38,040

know if it's really what he believes if

430

00:16:42,829 --> 00:16:40,740

he's that unable to kind of dig through

431

00:16:45,410 --> 00:16:42,839

that which we all have these kind of

432

00:16:49,009 --> 00:16:45,420

problems with the truth as you mentioned

433

00:16:51,050 --> 00:16:49,019

in so many ways but he's like a 911 no I

434

00:16:53,629 --> 00:16:51,060

can't go there I can't believe it's like

435

00:16:56,269 --> 00:16:53,639

Joe how can you be woken up about this

436

00:16:59,210 --> 00:16:56,279

and not woken about up about that for

437

00:17:01,850 --> 00:16:59,220

people in our community this does not

438

00:17:03,350 --> 00:17:01,860

really wash and we've seen it so many

439

00:17:05,510 --> 00:17:03,360

times in terms of a lot of these people

440

00:17:08,929 --> 00:17:05,520

turn out to be

441

00:17:11,569 --> 00:17:08,939

kind of controlled opposition double

442

00:17:13,490 --> 00:17:11,579

agent triple agent spy versus spy stuff

443

00:17:15,650 --> 00:17:13,500

what do you think yeah and if it's

444

00:17:18,529 --> 00:17:15,660

frustrating too because you want them

445

00:17:21,049 --> 00:17:18,539

you feel like oh you're so close you're

446

00:17:23,029 --> 00:17:21,059

so just yeah just go one more step and

447

00:17:24,770 --> 00:17:23,039

you're almost there or turn that corner

448

00:17:26,689 --> 00:17:24,780

and you'll see you'll see just come look

449

00:17:29,150 --> 00:17:26,699

around the car you'll see it's all laid

450

00:17:31,850 --> 00:17:29,160

out and they'll stop a little bit short

451
00:17:34,370 --> 00:17:31,860
and you go ah it's disappointing so I

452
00:17:35,990 --> 00:17:34,380
it's a weird sort of balance for us

453
00:17:37,430 --> 00:17:36,000
because it's like on like you said on

454
00:17:39,529 --> 00:17:37,440
the one hand Joe Rogan has been

455
00:17:41,990 --> 00:17:39,539
instrumental at waking people up to a to

456
00:17:44,029 --> 00:17:42,000
a cert to a variety of things obviously

457
00:17:46,310 --> 00:17:44,039
it's well known for the DMT and

458
00:17:48,529 --> 00:17:46,320
psychedelics and and and that component

459
00:17:50,990 --> 00:17:48,539
and and I'm I'm tremendously grateful

460
00:17:54,110 --> 00:17:51,000
that he's doing that

461
00:17:55,490 --> 00:17:54,120
I would like more you know I I I you

462
00:17:57,770 --> 00:17:55,500
know if I were

463
00:17:59,570 --> 00:17:57,780

I think people have legitimate problems

464

00:18:04,850 --> 00:17:59,580

about some of the guests that he brings

465

00:18:08,270 --> 00:18:04,860

on I mean Mike Baker is a CIA agent who

466

00:18:10,549 --> 00:18:08,280

is on that show five times you know he's

467

00:18:13,010 --> 00:18:10,559

he's been on there at least twice a year

468

00:18:14,570 --> 00:18:13,020

for the last three or four years I mean

469

00:18:16,730 --> 00:18:14,580

I don't know how many times he's been on

470

00:18:19,430 --> 00:18:16,740

there but there's a lot of this right

471

00:18:21,529 --> 00:18:19,440

you go oh that guy like seriously you're

472

00:18:24,230 --> 00:18:21,539

gonna bring that guy on and then you

473

00:18:25,850 --> 00:18:24,240

know so we I guess we can't

474

00:18:27,350 --> 00:18:25,860

I don't know I guess we can't win them

475

00:18:29,510 --> 00:18:27,360

all and we want them we want everybody

476

00:18:32,029 --> 00:18:29,520

to be wait a minute though that's the

477

00:18:35,390 --> 00:18:32,039

question Charlie is it a can't win them

478

00:18:38,210 --> 00:18:35,400

all situation or is it a is it a

479

00:18:40,970 --> 00:18:38,220

controlled opposition situation because

480

00:18:44,210 --> 00:18:40,980

we know that we know this is a a method

481

00:18:47,990 --> 00:18:44,220

that I mean this is like Playbook number

482

00:18:49,909 --> 00:18:48,000

one is make sure you have a lever in the

483

00:18:52,130 --> 00:18:49,919

organization so whether it's you're

484

00:18:54,529 --> 00:18:52,140

infiltrating whatever group whether it's

485

00:18:57,770 --> 00:18:54,539

a leftist group or a righty group or a

486

00:18:59,630 --> 00:18:57,780

gun group or a Timothy McVeigh who is

487

00:19:01,130 --> 00:18:59,640

controlled from the beginning and he's

488

00:19:03,289 --> 00:19:01,140

really infiltrating the group and then

489

00:19:04,310 --> 00:19:03,299

he becomes I don't want to go down there

490

00:19:06,710 --> 00:19:04,320

but one of the things that's great about

491

00:19:09,770 --> 00:19:06,720

talking to you Charlie is I can bring up

492

00:19:13,370 --> 00:19:09,780

almost any one of these topics including

493

00:19:16,010 --> 00:19:13,380

UFOs including anything and you've the

494

00:19:18,770 --> 00:19:16,020

tentacles your tentacles have spread out

495

00:19:20,330 --> 00:19:18,780

have spread out as well so but back to

496

00:19:22,549 --> 00:19:20,340

the point

497

00:19:26,570 --> 00:19:22,559

everything that you're saying about

498

00:19:28,549 --> 00:19:26,580

Rogan also fits in the somewhat

499

00:19:30,650 --> 00:19:28,559

controlled opposition and I don't want

500

00:19:33,470 --> 00:19:30,660

people to take that the wrong way it's

501
00:19:35,090 --> 00:19:33,480
not like I believe that Joe is sitting

502
00:19:37,430 --> 00:19:35,100
in the back room with the secret phone

503
00:19:40,669 --> 00:19:37,440
that he picks up and gets instructions

504
00:19:43,010 --> 00:19:40,679
the controlled part is an interesting

505
00:19:45,710 --> 00:19:43,020
concept because

506
00:19:47,690 --> 00:19:45,720
it it you would think that you could

507
00:19:50,690 --> 00:19:47,700
control some you know you would think

508
00:19:52,789 --> 00:19:50,700
that as we're like let's say the the new

509
00:19:54,289 --> 00:19:52,799
podcasters struggling to get some place

510
00:19:56,750 --> 00:19:54,299
you think you could control them because

511
00:19:59,570 --> 00:19:56,760
they need you they need money they need

512
00:20:01,250 --> 00:19:59,580
something but in actuality when you're

513
00:20:03,110 --> 00:20:01,260

when you're just doing your podcast for

514

00:20:04,549 --> 00:20:03,120

fun and you have no Financial stake in

515

00:20:06,350 --> 00:20:04,559

it you can really kind of say whatever

516

00:20:08,570 --> 00:20:06,360

it's hard to control somebody that

517

00:20:11,029 --> 00:20:08,580

doesn't have much of a financial stake

518

00:20:14,330 --> 00:20:11,039

but once you get to be like a Rogan and

519

00:20:16,190 --> 00:20:14,340

you go God I'm making 35 40 million

520

00:20:17,810 --> 00:20:16,200

dollars a year doing this show I don't

521

00:20:19,850 --> 00:20:17,820

want it to stop this is the best job

522

00:20:21,529 --> 00:20:19,860

I've ever had how do I keep this going

523

00:20:23,690 --> 00:20:21,539

and you start to keep it going and then

524

00:20:25,610 --> 00:20:23,700

you start to realize okay well I better

525

00:20:27,350 --> 00:20:25,620

not step in that land mine and I better

526

00:20:29,470 --> 00:20:27,360

not step in that and that and then now

527

00:20:32,750 --> 00:20:29,480

all of a sudden you're you're you're

528

00:20:34,610 --> 00:20:32,760

automatically taking away what made the

529

00:20:37,970 --> 00:20:34,620

show great the part about the about the

530

00:20:41,210 --> 00:20:37,980

Rogan show that I that got me into it

531

00:20:42,590 --> 00:20:41,220

um was years ago 10 it had to have been

532

00:20:44,210 --> 00:20:42,600

10 years ago because I remember where I

533

00:20:45,830 --> 00:20:44,220

was when I was watching it and he's

534

00:20:49,390 --> 00:20:45,840

having a conversation with Duncan

535

00:20:51,470 --> 00:20:49,400

Trussell about jerking off into the

536

00:20:53,570 --> 00:20:51,480

multi-dimensional universe and how

537

00:20:55,370 --> 00:20:53,580

there's a million versions of himself

538

00:20:58,610 --> 00:20:55,380

out in the universe jerking off and I'm

539

00:21:01,730 --> 00:20:58,620

going this is the conversation I never

540

00:21:05,450 --> 00:21:01,740

knew I wanted to hear you know like this

541

00:21:07,010 --> 00:21:05,460

wacky totally nonsensical topic that

542

00:21:08,570 --> 00:21:07,020

these guys got on to and they were

543

00:21:10,370 --> 00:21:08,580

talking about it for like 30 minutes and

544

00:21:12,710 --> 00:21:10,380

I thought this is great this will never

545

00:21:16,549 --> 00:21:12,720

be on television this is this is

546

00:21:19,610 --> 00:21:16,559

hysterical and bizarre and now

547

00:21:22,070 --> 00:21:19,620

you know now the money's involved and so

548

00:21:23,810 --> 00:21:22,080

it's got to change it has to change and

549

00:21:26,210 --> 00:21:23,820

even though he had all the money in the

550

00:21:28,610 --> 00:21:26,220

world probably before that I mean or you

551

00:21:31,490 --> 00:21:28,620

know enough to definitely live

552

00:21:33,409 --> 00:21:31,500

I don't know I don't that's this is

553

00:21:35,390 --> 00:21:33,419

gonna get us back to the very beginning

554

00:21:37,549 --> 00:21:35,400

of this conversation and I wanted to

555

00:21:39,649 --> 00:21:37,559

return to the money thing I think money

556

00:21:42,289 --> 00:21:39,659

is such an important

557

00:21:44,330 --> 00:21:42,299

a paradigm such an important lens

558

00:21:46,250 --> 00:21:44,340

through which we need to look at this

559

00:21:48,289 --> 00:21:46,260

and I have just kind of a different

560

00:21:50,330 --> 00:21:48,299

perspective on it because it it's just

561

00:21:52,490 --> 00:21:50,340

been different for me for quite a while

562

00:21:54,409 --> 00:21:52,500

you have to kind of get a little bit of

563

00:21:56,990 --> 00:21:54,419

money and then you have to live with it

564

00:21:59,210 --> 00:21:57,000

for a while and really have it settled

565

00:22:02,390 --> 00:21:59,220

in and it kind of changes your

566

00:22:06,289 --> 00:22:02,400

perspective what I was trying to say the

567

00:22:07,610 --> 00:22:06,299

way they do it in science is kind of a

568

00:22:10,070 --> 00:22:07,620

guy wrote a book a long time ago a

569

00:22:11,750 --> 00:22:10,080

business book who Moved My Cheese and it

570

00:22:14,630 --> 00:22:11,760

was really about how to manage people

571

00:22:16,070 --> 00:22:14,640

and it's kind of if you think it through

572

00:22:18,110 --> 00:22:16,080

it's kind of a

573

00:22:20,450 --> 00:22:18,120

little bit of a depressing title but

574

00:22:22,310 --> 00:22:20,460

it's like you can manipulate people by

575

00:22:24,470 --> 00:22:22,320

moving the cheese the rats are running

576
00:22:26,750 --> 00:22:24,480
through the Maze and when you move the

577
00:22:28,549 --> 00:22:26,760
cheese on the other end the rats take a

578
00:22:30,950 --> 00:22:28,559
different path because they want to get

579
00:22:34,310 --> 00:22:30,960
to the cheese and that cheese moving

580
00:22:36,110 --> 00:22:34,320
thing the rats are unaware that they're

581
00:22:38,210 --> 00:22:36,120
running the maze they're just looking

582
00:22:40,549 --> 00:22:38,220
for the cheese well this is how it's

583
00:22:43,490 --> 00:22:40,559
done in science in science it's grants

584
00:22:45,409 --> 00:22:43,500
it's promotions it's tenure and it's

585
00:22:47,570 --> 00:22:45,419
weeding out people who won't run the

586
00:22:50,450 --> 00:22:47,580
Maze and at the end of the day you have

587
00:22:52,690 --> 00:22:50,460
the science you want it's not like Neil

588
00:22:56,029 --> 00:22:52,700

deGrasse Tyson knows that he's

589

00:22:57,649 --> 00:22:56,039

intentionally kind of promoting this

590

00:22:59,630 --> 00:22:57,659

ridiculous idea that you're a

591

00:23:01,909 --> 00:22:59,640

meaningless that you're in a meaningless

592

00:23:03,590 --> 00:23:01,919

Universe in your biological robot he

593

00:23:05,630 --> 00:23:03,600

doesn't go home and practice that and

594

00:23:07,909 --> 00:23:05,640

get that out they've just moved his

595

00:23:10,490 --> 00:23:07,919

cheese I think that's what explains

596

00:23:13,190 --> 00:23:10,500

Rogan I don't think Rogan is getting

597

00:23:15,710 --> 00:23:13,200

Rogan everything about Rogan the reason

598

00:23:18,830 --> 00:23:15,720

that we love Rogan is he is this

599

00:23:22,010 --> 00:23:18,840

independent guy he is this MMA guy he is

600

00:23:24,230 --> 00:23:22,020

this DMT I do what the [h__h] I want in a

601
00:23:26,870 --> 00:23:24,240
flotation tank I think all of that's

602
00:23:29,149 --> 00:23:26,880
legit I think the process of moving

603
00:23:31,730 --> 00:23:29,159
somebody's cheese is something that

604
00:23:33,649 --> 00:23:31,740
these guys have mastered and I think the

605
00:23:37,370 --> 00:23:33,659
way that it manifests itself and works

606
00:23:39,890 --> 00:23:37,380
out is very very difficult for any of us

607
00:23:42,590 --> 00:23:39,900
to perceive in terms of how that's

608
00:23:44,390 --> 00:23:42,600
really being done and you know just uh

609
00:23:47,029 --> 00:23:44,400
so I'll leave that but I want to return

610
00:23:51,289 --> 00:23:47,039
to Duncan Trussell and the the evil

611
00:23:53,750 --> 00:23:51,299
thing and the you know Damien Eccles The

612
00:23:55,789 --> 00:23:53,760
West Memphis Three and Damien Eccles is

613
00:23:59,149 --> 00:23:55,799

the guy who raped and killed three kids

614

00:24:00,710 --> 00:23:59,159

in West Memphis Arkansas and Duncan

615

00:24:03,230 --> 00:24:00,720

trussell's wrapping his arms around him

616

00:24:06,409 --> 00:24:03,240

why why is Johnny Depp wrapping his arms

617

00:24:09,289 --> 00:24:06,419

around him why and I think it relates

618

00:24:10,370 --> 00:24:09,299

back to this deeper story that we're

619

00:24:12,409 --> 00:24:10,380

going to get into but I'm going to lay

620

00:24:14,810 --> 00:24:12,419

are 14 different questions because I

621

00:24:16,909 --> 00:24:14,820

also want to talk about the money thing

622

00:24:19,070 --> 00:24:16,919

so I'm going to ask you to return to

623

00:24:20,450 --> 00:24:19,080

those two points one is the the move of

624

00:24:22,850 --> 00:24:20,460

their cheese and these guys don't even

625

00:24:25,850 --> 00:24:22,860

have to be aware of the extent to which

626
00:24:27,710 --> 00:24:25,860
they're manipulated and also then we'll

627
00:24:29,810 --> 00:24:27,720
move into talking about evil and the

628
00:24:32,630 --> 00:24:29,820
money thing yeah

629
00:24:36,169 --> 00:24:32,640
well the moving of the cheese

630
00:24:37,370 --> 00:24:36,179
um you know you you you sit it's an

631
00:24:40,370 --> 00:24:37,380
interesting thing you mentioned about

632
00:24:41,450 --> 00:24:40,380
Neil deGrasse Tyson and it reminds me of

633
00:24:42,549 --> 00:24:41,460
the

634
00:24:46,250 --> 00:24:42,559
um

635
00:24:48,710 --> 00:24:46,260
the quote from

636
00:24:50,630 --> 00:24:48,720
Noam Chomsky where he's he's getting

637
00:24:52,430 --> 00:24:50,640
into a discussion or I don't even know

638
00:24:54,289 --> 00:24:52,440

if it's it's the beginning of an

639

00:24:56,210 --> 00:24:54,299

argument or it's a disagreement with a

640

00:24:57,649 --> 00:24:56,220

guy who's interviewing him and he said

641

00:24:59,210 --> 00:24:57,659

and the guy interviewing him says wait

642

00:25:00,649 --> 00:24:59,220

wait a second what are you saying you're

643

00:25:02,810 --> 00:25:00,659

saying that I don't believe the things

644

00:25:05,690 --> 00:25:02,820

that I'm saying any and Noam Chomsky

645

00:25:07,669 --> 00:25:05,700

says no no what I'm saying is you

646

00:25:09,590 --> 00:25:07,679

wouldn't be sitting in that chair if you

647

00:25:13,250 --> 00:25:09,600

believe something different

648

00:25:15,289 --> 00:25:13,260

and the guy just kind of was like oh

649

00:25:17,029 --> 00:25:15,299

and that's what it is with I think with

650

00:25:20,330 --> 00:25:17,039

Neil deGrasse Tyson

651
00:25:22,250 --> 00:25:20,340
he wouldn't be there on Joe Rogan's show

652
00:25:23,450 --> 00:25:22,260
or on the History Channel Discovery

653
00:25:25,070 --> 00:25:23,460
Channel and all these things if he

654
00:25:27,350 --> 00:25:25,080
believes something different so I don't

655
00:25:29,870 --> 00:25:27,360
doubt that he believes the thing that's

656
00:25:31,610 --> 00:25:29,880
the things that he believes that's a

657
00:25:33,110 --> 00:25:31,620
brilliant Point tell me what you think

658
00:25:36,370 --> 00:25:33,120
about that relative to what we were

659
00:25:40,190 --> 00:25:36,380
talking about Jon Stewart and Joe Rogan

660
00:25:42,649 --> 00:25:40,200
I think I think Joe Rogan

661
00:25:46,250 --> 00:25:42,659
is on a quest to see what he believes

662
00:25:48,169 --> 00:25:46,260
and maybe he believes Mike Baker maybe

663
00:25:49,610 --> 00:25:48,179

doesn't I don't know that he necessarily

664

00:25:51,769 --> 00:25:49,620

I'll tell you this I'll say this about

665

00:25:54,649 --> 00:25:51,779

Rogan I don't know that he necessarily

666

00:25:56,810 --> 00:25:54,659

has to or does agree with everybody that

667

00:25:58,549 --> 00:25:56,820

he brings on his show so I don't know

668

00:26:00,230 --> 00:25:58,559

that that is a requirement a

669

00:26:02,990 --> 00:26:00,240

prerequisite of going on the show is

670

00:26:04,190 --> 00:26:03,000

that he is the neces that Joe Rogan is

671

00:26:07,549 --> 00:26:04,200

necessarily going to endorse everything

672

00:26:10,310 --> 00:26:07,559

that you say it makes makes it less

673

00:26:13,130 --> 00:26:10,320

uncomfortable you know if he if there's

674

00:26:13,810 --> 00:26:13,140

some sort of commonality there but but

675

00:26:17,210 --> 00:26:13,820

but

676

00:26:20,330 --> 00:26:17,220

uh I I think that you know I don't know

677

00:26:22,549 --> 00:26:20,340

I don't know Joe I don't know Joe either

678

00:26:24,289 --> 00:26:22,559

but I think you I think your point is is

679

00:26:26,330 --> 00:26:24,299

brilliant it's straight out brilliant

680

00:26:27,769 --> 00:26:26,340

Norm chomsky's point I guess we'll give

681

00:26:29,990 --> 00:26:27,779

him the credit

682

00:26:32,269 --> 00:26:30,000

here's what I'd say what you're putting

683

00:26:35,750 --> 00:26:32,279

together is whatever you think about Joe

684

00:26:38,630 --> 00:26:35,760

Rogan he won't remain in that seat

685

00:26:40,370 --> 00:26:38,640

if he believes what he isn't supposed to

686

00:26:42,590 --> 00:26:40,380

believe if he you know what I mean

687

00:26:44,510 --> 00:26:42,600

because that's to your point right at

688

00:26:46,370 --> 00:26:44,520

Spotify with that deal with all that

689

00:26:48,049 --> 00:26:46,380

right and all that pressure and all that

690

00:26:50,390 --> 00:26:48,059

stuff if you start to get a little too

691

00:26:52,549 --> 00:26:50,400

far off the reservation they'll let him

692

00:26:54,769 --> 00:26:52,559

fight with the woke morons and all that

693

00:26:56,690 --> 00:26:54,779

stuff which is fun but if he gets off

694

00:26:59,090 --> 00:26:56,700

and starts going on to I mean what we

695

00:27:00,470 --> 00:26:59,100

what we saw we saw what happened when he

696

00:27:02,090 --> 00:27:00,480

got off when he said I did the

697

00:27:04,909 --> 00:27:02,100

Ivermectin and I threw the kitchen sink

698

00:27:08,090 --> 00:27:04,919

at it the the establishment went

699

00:27:10,310 --> 00:27:08,100

hysterical and they said you're taking

700

00:27:11,810 --> 00:27:10,320

horse pace and I hope you die and blah

701
00:27:13,669 --> 00:27:11,820
blah blah and they just

702
00:27:16,430 --> 00:27:13,679
freaked out I don't even think that's

703
00:27:19,070 --> 00:27:16,440
the end of it really I mean I I think

704
00:27:20,750 --> 00:27:19,080
that is part of the the play and we're

705
00:27:22,549 --> 00:27:20,760
not sure how to make that because Joe

706
00:27:25,070 --> 00:27:22,559
makes just as many friends when he does

707
00:27:26,810 --> 00:27:25,080
that trans friends in our community he

708
00:27:29,389 --> 00:27:26,820
strengthens our community

709
00:27:30,889 --> 00:27:29,399
and then we can all get mad at CNN and

710
00:27:32,930 --> 00:27:30,899
you know how can they do that and the

711
00:27:35,090 --> 00:27:32,940
same with Jon Stewart I think your point

712
00:27:37,909 --> 00:27:35,100
in the norm Chomsky point is much

713
00:27:41,930 --> 00:27:37,919

subtler and that's that

714

00:27:45,169 --> 00:27:41,940

if Joe if Joe Strays too far if his

715

00:27:47,810 --> 00:27:45,179

organic move the cheese message gets too

716

00:27:50,810 --> 00:27:47,820

far off point the next thing you know he

717

00:27:52,430 --> 00:27:50,820

just kind of Fades in some way that you

718

00:27:54,830 --> 00:27:52,440

don't even understand and I think we

719

00:27:57,470 --> 00:27:54,840

have a perfect uh parallel for it that

720

00:27:59,630 --> 00:27:57,480

we do understand is when we talk about

721

00:28:01,730 --> 00:27:59,640

um Shadow Banning it's it's a shadow

722

00:28:04,730 --> 00:28:01,740

Banning kind of thing it's like dude

723

00:28:07,070 --> 00:28:04,740

what's going on my post used to reach a

724

00:28:08,210 --> 00:28:07,080

hundred thousand people and now for some

725

00:28:10,610 --> 00:28:08,220

reason I don't know they only reach

726

00:28:14,630 --> 00:28:10,620

fifty thousand what's going on they have

727

00:28:16,190 --> 00:28:14,640

so many plays in their deck that that we

728

00:28:18,470 --> 00:28:16,200

wouldn't even we wouldn't even be able

729

00:28:21,529 --> 00:28:18,480

to tell that Hey Joe Rogan isn't as

730

00:28:23,210 --> 00:28:21,539

popular as he was a year ago no it's

731

00:28:24,889 --> 00:28:23,220

devious and they're doing it now

732

00:28:26,690 --> 00:28:24,899

obviously that we've we've all lived

733

00:28:28,789 --> 00:28:26,700

through the censorship and the

734

00:28:31,430 --> 00:28:28,799

censorship is it's an interesting thing

735

00:28:34,669 --> 00:28:31,440

because you can quantify these

736

00:28:36,110 --> 00:28:34,679

um you could quantify your in your

737

00:28:37,669 --> 00:28:36,120

example of I used to get a hundred

738

00:28:38,750 --> 00:28:37,679

thousand views now I'm getting fifty

739

00:28:41,090 --> 00:28:38,760

thousand and they're definitely

740

00:28:43,549 --> 00:28:41,100

manipulating that that's a that's a

741

00:28:46,190 --> 00:28:43,559

measurable number but but what about the

742

00:28:47,389 --> 00:28:46,200

the the the the different version of

743

00:28:49,610 --> 00:28:47,399

censorship what about the

744

00:28:51,909 --> 00:28:49,620

self-censorship that you put on yourself

745

00:28:55,130 --> 00:28:51,919

because you know that if you talk about

746

00:28:57,049 --> 00:28:55,140

this one particular topic that that is

747

00:28:58,430 --> 00:28:57,059

going to Target it's going to trigger

748

00:29:00,049 --> 00:28:58,440

some algorithm that's going to come out

749

00:29:01,549 --> 00:29:00,059

and take you down from a hundred

750

00:29:03,830 --> 00:29:01,559

thousand to fifty thousand or whatever

751
00:29:06,010 --> 00:29:03,840
or at least that's your perception that

752
00:29:09,049 --> 00:29:06,020
that could happen and so you say

753
00:29:10,789 --> 00:29:09,059
internally I'm not going to go there

754
00:29:12,409 --> 00:29:10,799
how do you put them how do you quantify

755
00:29:15,110 --> 00:29:12,419
that you know how do you measure that

756
00:29:17,990 --> 00:29:15,120
that is probably the most devious form

757
00:29:20,450 --> 00:29:18,000
of censorship self-censorship where you

758
00:29:22,789 --> 00:29:20,460
can't measure it and you can't and you

759
00:29:24,350 --> 00:29:22,799
feel bad inside and some part of you

760
00:29:26,450 --> 00:29:24,360
knows that you're not saying what you

761
00:29:28,730 --> 00:29:26,460
really want to say and then oh I mean

762
00:29:31,490 --> 00:29:28,740
that's just the devious uh component to

763
00:29:34,010 --> 00:29:31,500

this whole thing that's a great point

764

00:29:36,769 --> 00:29:34,020

let's talk about because I did want to

765

00:29:38,090 --> 00:29:36,779

return to the money thing and and I

766

00:29:41,389 --> 00:29:38,100

think your

767

00:29:42,830 --> 00:29:41,399

lived example is part of it especially

768

00:29:44,990 --> 00:29:42,840

when you connect it to the economic

769

00:29:47,210 --> 00:29:45,000

Hitman see they're in Las Vegas and

770

00:29:49,130 --> 00:29:47,220

you're doing these uh what they used to

771

00:29:50,510 --> 00:29:49,140

call them uh what were the what did you

772

00:29:52,850 --> 00:29:50,520

guys call them what was your what was

773

00:29:55,370 --> 00:29:52,860

the term of the trade that you guys used

774

00:29:58,330 --> 00:29:55,380

they called ninja loans which was no

775

00:30:00,470 --> 00:29:58,340

income no asset uh

776

00:30:03,950 --> 00:30:00,480

and uh

777

00:30:06,649 --> 00:30:03,960

yeah that it really what it was was

778

00:30:08,090 --> 00:30:06,659

anybody that wanted

779

00:30:10,370 --> 00:30:08,100

alone

780

00:30:12,950 --> 00:30:10,380

and could provide documentation could

781

00:30:15,169 --> 00:30:12,960

get a loan like so in as an example of

782

00:30:17,690 --> 00:30:15,179

this where it really kind of hit me was

783

00:30:19,070 --> 00:30:17,700

a guy came in and he wanted to buy this

784

00:30:21,409 --> 00:30:19,080

house it was four hundred and five

785

00:30:24,289 --> 00:30:21,419

thousand dollars and he filled out the

786

00:30:26,090 --> 00:30:24,299

mortgage application and I sent it over

787

00:30:28,430 --> 00:30:26,100

and and I don't know whether to give the

788

00:30:30,409 --> 00:30:28,440

I mean he was being honest and he made

789

00:30:32,870 --> 00:30:30,419

like ten dollars an hour and I thought

790

00:30:34,850 --> 00:30:32,880

there's no way I I feel I actually felt

791

00:30:36,230 --> 00:30:34,860

kind of bad for wasting my mortgage

792

00:30:39,529 --> 00:30:36,240

guy's time because I was going to send

793

00:30:41,210 --> 00:30:39,539

over this uh this application and I was

794

00:30:43,490 --> 00:30:41,220

like this is just kind of pointless but

795

00:30:45,529 --> 00:30:43,500

we do what we do so I send it over and

796

00:30:47,090 --> 00:30:45,539

they're like how much is you you know

797

00:30:48,649 --> 00:30:47,100

did you want to put it this down I I

798

00:30:50,269 --> 00:30:48,659

couldn't believe we were even having the

799

00:30:51,350 --> 00:30:50,279

conversation I was like are you going to

800

00:30:52,250 --> 00:30:51,360

approve this guy they're like yeah

801
00:30:54,830 --> 00:30:52,260
whatever

802
00:30:56,450 --> 00:30:54,840
and I said so but here's the thing about

803
00:30:59,330 --> 00:30:56,460
that here's what I'm going to kind of

804
00:31:02,450 --> 00:30:59,340
skeptico you a little bit okay there's a

805
00:31:04,730 --> 00:31:02,460
realness behind that so I mean I think

806
00:31:06,230 --> 00:31:04,740
one of the things I think people get uh

807
00:31:07,970 --> 00:31:06,240
caught up on

808
00:31:10,250 --> 00:31:07,980
and it's the same thing we can go there

809
00:31:12,409 --> 00:31:10,260
with we can scale it up to confessions

810
00:31:13,490 --> 00:31:12,419
of an economic Hitman which we will in a

811
00:31:14,389 --> 00:31:13,500
minute because I think it's important to

812
00:31:16,970 --> 00:31:14,399
do that

813
00:31:20,870 --> 00:31:16,980

it's not that the whole housing business

814

00:31:23,630 --> 00:31:20,880

was completely corrupt people need to

815

00:31:25,909 --> 00:31:23,640

buy houses and the only it's it's a gift

816

00:31:27,649 --> 00:31:25,919

that we have a lending economy that

817

00:31:29,870 --> 00:31:27,659

people can go out and put down a

818

00:31:31,970 --> 00:31:29,880

relatively small amount of money and

819

00:31:34,909 --> 00:31:31,980

then work off the loan on their mortgage

820

00:31:36,950 --> 00:31:34,919

that's fantastic if you go to other

821

00:31:38,509 --> 00:31:36,960

countries where you have to you know

822

00:31:41,029 --> 00:31:38,519

what they have to do they have to go

823

00:31:42,889 --> 00:31:41,039

generational build up all this money to

824

00:31:45,889 --> 00:31:42,899

be able to go buy some little plot of

825

00:31:48,529 --> 00:31:45,899

land it don't work well it works much

826

00:31:51,049 --> 00:31:48,539

better this system so the fact that

827

00:31:53,870 --> 00:31:51,059

somebody figured out a way to rig the

828

00:31:56,450 --> 00:31:53,880

system and the you know we've referenced

829

00:31:59,570 --> 00:31:56,460

the movie The Big Short which really I

830

00:32:02,029 --> 00:31:59,580

think gets a little bit closer to you

831

00:32:04,610 --> 00:32:02,039

know how the corruption

832

00:32:07,250 --> 00:32:04,620

that to me is much more understandable

833

00:32:10,669 --> 00:32:07,260

in terms of how that plays out in terms

834

00:32:12,529 --> 00:32:10,679

of ordinary greed in terms of people on

835

00:32:15,110 --> 00:32:12,539

Wall Street who are packaging those

836

00:32:17,210 --> 00:32:15,120

loans the lenders and the insurance

837

00:32:21,470 --> 00:32:17,220

companies who are insuring different

838

00:32:23,630 --> 00:32:21,480

trenches on all that you can kind of get

839

00:32:25,490 --> 00:32:23,640

there from here kind of thing lack of

840

00:32:27,710 --> 00:32:25,500

Regulation where we do really need

841

00:32:30,409 --> 00:32:27,720

regulation in the face of kind of

842

00:32:31,970 --> 00:32:30,419

capitalism that can run free capitalism

843

00:32:33,889 --> 00:32:31,980

is the best system but it has to be

844

00:32:36,529 --> 00:32:33,899

regulated because we have to contain

845

00:32:38,870 --> 00:32:36,539

that greed to me that isn't so

846

00:32:41,990 --> 00:32:38,880

impossible to understand and here is

847

00:32:43,909 --> 00:32:42,000

kind of my rub on you a little bit is I

848

00:32:46,610 --> 00:32:43,919

get frustrated when I hear people in the

849

00:32:50,750 --> 00:32:46,620

truth or Community who can't deal with

850

00:32:54,350 --> 00:32:50,760

the reality of business economics money

851

00:32:56,810 --> 00:32:54,360

it's like no [h__\h] be glad you have a

852

00:32:59,389 --> 00:32:56,820

[h__\h] mortgage be glad that you can go

853

00:33:01,549 --> 00:32:59,399

out and buy a home that you can live in

854

00:33:03,710 --> 00:33:01,559

because that's a good deal and if you

855

00:33:05,450 --> 00:33:03,720

don't think it's a good deal then you

856

00:33:10,310 --> 00:33:05,460

just wait because what they're bringing

857

00:33:12,409 --> 00:33:10,320

forth for you with the uh your monthly

858

00:33:14,810 --> 00:33:12,419

income from the government and all and

859

00:33:17,029 --> 00:33:14,820

the subsidized housing you will not have

860

00:33:18,730 --> 00:33:17,039

that will be so far out of your reach

861

00:33:21,950 --> 00:33:18,740

that you will

862

00:33:24,830 --> 00:33:21,960

long for the day when you could go out

863

00:33:27,169 --> 00:33:24,840

and buy a home buy a small farm buy a

864

00:33:29,630 --> 00:33:27,179

plot of acre that's not in their future

865

00:33:32,149 --> 00:33:29,640

so just be careful when you're pissing

866

00:33:33,970 --> 00:33:32,159

on all that kind of stuff and I think it

867

00:33:38,169 --> 00:33:33,980

takes kind of some

868

00:33:41,930 --> 00:33:38,179

tough-minded understanding of business

869

00:33:43,430 --> 00:33:41,940

economics and how money works and it's

870

00:33:46,250 --> 00:33:43,440

not a do what you love and the money

871

00:33:48,470 --> 00:33:46,260

will follow World it just isn't I'm a

872

00:33:51,110 --> 00:33:48,480

very spiritual guy but that isn't how

873

00:33:54,049 --> 00:33:51,120

money Works money doesn't care and money

874

00:33:56,630 --> 00:33:54,059

will reward the guy who makes 18 hours a

875

00:33:58,909 --> 00:33:56,640

day of cold calls on [h__h] that nobody

876

00:34:00,470 --> 00:33:58,919

else wants to sell but really is has a

877

00:34:03,169 --> 00:34:00,480

high profit margin

878

00:34:05,930 --> 00:34:03,179

that's how money works and just kind of

879

00:34:08,869 --> 00:34:05,940

get over it and I I don't know maybe

880

00:34:11,990 --> 00:34:08,879

maybe that's enough to kind of have a

881

00:34:14,629 --> 00:34:12,000

reality check about money let me tell

882

00:34:15,470 --> 00:34:14,639

you let me give you an example of what I

883

00:34:18,530 --> 00:34:15,480

saw

884

00:34:20,510 --> 00:34:18,540

in this when I was working for I was

885

00:34:23,050 --> 00:34:20,520

working for a company called Centex okay

886

00:34:25,730 --> 00:34:23,060

Centex was later purchased by by Pulte

887

00:34:29,690 --> 00:34:25,740

and I was selling new homes for Centex

888

00:34:31,550 --> 00:34:29,700

and my boss that I worked for was

889

00:34:34,369 --> 00:34:31,560

um not a good guy

890

00:34:37,750 --> 00:34:34,379

and uh he brought us into a meeting one

891

00:34:41,089 --> 00:34:37,760

day and he said okay so this is

892

00:34:47,210 --> 00:34:44,750

six tail end of 2006.

893

00:34:50,990 --> 00:34:47,220

and the market is starting to just kind

894

00:34:53,569 --> 00:34:51,000

of stall out a little bit and as new

895

00:34:55,490 --> 00:34:53,579

home builders we've got land inventory

896

00:34:57,349 --> 00:34:55,500

we've got Land Development costs that's

897

00:34:59,089 --> 00:34:57,359

a two-year project

898

00:35:01,849 --> 00:34:59,099

um you know things are there's a process

899

00:35:04,010 --> 00:35:01,859

right and we can't afford and we've made

900

00:35:05,450 --> 00:35:04,020

calculations based on trajectory of our

901
00:35:06,829 --> 00:35:05,460
sales and where things are going we

902
00:35:09,349 --> 00:35:06,839
can't afford for things to stall out

903
00:35:10,370 --> 00:35:09,359
it's bad so in order to keep things

904
00:35:12,890 --> 00:35:10,380
going

905
00:35:16,069 --> 00:35:12,900
we not just us but the home builders

906
00:35:18,710 --> 00:35:16,079
around the valley were offering

907
00:35:20,990 --> 00:35:18,720
incentives incentive packages and we

908
00:35:22,910 --> 00:35:21,000
actually got the consumers trained to

909
00:35:24,230 --> 00:35:22,920
when they walked in this this is new

910
00:35:26,569 --> 00:35:24,240
home sales so this is not like

911
00:35:28,849 --> 00:35:26,579
traditional real estate this is kind of

912
00:35:30,109 --> 00:35:28,859
a hybrid of it so in new home sales you

913
00:35:32,450 --> 00:35:30,119

walk through the front door of the sales

914

00:35:34,310 --> 00:35:32,460

office and the customers would say what

915

00:35:36,109 --> 00:35:34,320

kind of incentive package do you have

916

00:35:38,450 --> 00:35:36,119

right now that was the the question that

917

00:35:40,490 --> 00:35:38,460

people were asking and that might be and

918

00:35:42,349 --> 00:35:40,500

there's nothing inherently nefarious

919

00:35:44,990 --> 00:35:42,359

about that that might be ten thousand

920

00:35:46,849 --> 00:35:45,000

dollars for closing costs and maybe an

921

00:35:48,530 --> 00:35:46,859

extra five thousand dollars you can use

922

00:35:51,050 --> 00:35:48,540

to buy down your interest rate you know

923

00:35:54,230 --> 00:35:51,060

whatever those are the things but as

924

00:35:56,750 --> 00:35:54,240

sales stalled further

925

00:35:58,790 --> 00:35:56,760

those incentives got greater and then it

926

00:36:01,190 --> 00:35:58,800

got to the point where we had basically

927

00:36:03,410 --> 00:36:01,200

a bucket of money to play with and we

928

00:36:06,470 --> 00:36:03,420

could use that a variety of ways so in

929

00:36:09,470 --> 00:36:06,480

this one example guy comes in we've got

930

00:36:11,030 --> 00:36:09,480

a hundred thousand dollars of incentive

931

00:36:14,930 --> 00:36:11,040

money to play with the houses I'm

932

00:36:17,990 --> 00:36:14,940

selling are going from 300 to 500

933

00:36:20,089 --> 00:36:18,000

000 so you can use this incentive money

934

00:36:22,430 --> 00:36:20,099

a couple different ways if you buy the

935

00:36:23,990 --> 00:36:22,440

500 000 house you could take a hundred

936

00:36:26,030 --> 00:36:24,000

thousand dollars off the price of the

937

00:36:27,770 --> 00:36:26,040

home and pay 400 000 for it in this

938

00:36:29,510 --> 00:36:27,780

example or

939

00:36:31,670 --> 00:36:29,520

you can

940

00:36:33,109 --> 00:36:31,680

use a little bit for closing costs use a

941

00:36:34,670 --> 00:36:33,119

little bit to buy down your rate and

942

00:36:35,930 --> 00:36:34,680

take whatever's left over and take that

943

00:36:37,970 --> 00:36:35,940

off the price of the house that's what

944

00:36:41,750 --> 00:36:37,980

most people did

945

00:36:43,970 --> 00:36:41,760

as things got even more uh stalled out

946

00:36:46,609 --> 00:36:43,980

and the sales weren't there in an effort

947

00:36:48,950 --> 00:36:46,619

to stimulate it any even further we had

948

00:36:50,990 --> 00:36:48,960

a sales meeting and my boss said you can

949

00:36:52,490 --> 00:36:51,000

use that money and do whatever you want

950

00:36:58,010 --> 00:36:52,500

with it

951
00:37:00,170 --> 00:36:58,020
and I was like what do you mean and so

952
00:37:01,849 --> 00:37:00,180
what it wound up happening in this

953
00:37:04,970 --> 00:37:01,859
scenario

954
00:37:06,290 --> 00:37:04,980
was I raised my hand and I said have we

955
00:37:08,750 --> 00:37:06,300
run this

956
00:37:11,210 --> 00:37:08,760
by our legal department and his response

957
00:37:12,770 --> 00:37:11,220
was I'd rather beg for permission I'd

958
00:37:13,790 --> 00:37:12,780
rather beg for forgiveness than ask for

959
00:37:16,010 --> 00:37:13,800
permission

960
00:37:17,750 --> 00:37:16,020
and I go hang on man we all have real

961
00:37:19,730 --> 00:37:17,760
estate license involved here we're not

962
00:37:21,349 --> 00:37:19,740
we're not going to participate in

963
00:37:23,329 --> 00:37:21,359

illegal things I was later fired for

964

00:37:24,770 --> 00:37:23,339

this but this is what we were doing with

965

00:37:27,470 --> 00:37:24,780

the money

966

00:37:30,470 --> 00:37:27,480

we had a cut a couple come in

967

00:37:32,690 --> 00:37:30,480

wanting to buy a 500 000 house they

968

00:37:34,310 --> 00:37:32,700

can't qualify for this house I've sent

969

00:37:36,410 --> 00:37:34,320

their stuff over to the lender the

970

00:37:40,069 --> 00:37:36,420

lender says they both have car payments

971

00:37:41,870 --> 00:37:40,079

they both have credit card debt

972

00:37:44,150 --> 00:37:41,880

uh he goes how much incentive money do

973

00:37:45,890 --> 00:37:44,160

we have to work with I go well we have a

974

00:37:48,349 --> 00:37:45,900

hundred thousand dollars he goes if we

975

00:37:51,530 --> 00:37:48,359

use that to pay off their credit cards

976
00:37:54,650 --> 00:37:51,540
and pay off their cars now I run their

977
00:37:57,050 --> 00:37:54,660
their ratios and they're in line and I

978
00:37:58,849 --> 00:37:57,060
go that's mortgage fraud and he goes

979
00:38:01,069 --> 00:37:58,859
yeah

980
00:38:02,390 --> 00:38:01,079
and I said I'm not doing I'm not doing

981
00:38:06,410 --> 00:38:02,400
that

982
00:38:07,910 --> 00:38:06,420
said to my boss this scenario I go have

983
00:38:09,530 --> 00:38:07,920
we cleared this with earlier and he said

984
00:38:11,089 --> 00:38:09,540
I'd rather beg for permission or

985
00:38:12,890 --> 00:38:11,099
forgiveness than ask for permission and

986
00:38:15,589 --> 00:38:12,900
I said

987
00:38:17,990 --> 00:38:15,599
to my buddy who was the broker of all of

988
00:38:20,210 --> 00:38:18,000

us and my partner in this thing I said

989

00:38:21,829 --> 00:38:20,220

we got problems man he's asking us to

990

00:38:24,710 --> 00:38:21,839

commit a crime

991

00:38:27,050 --> 00:38:24,720

and both of us were fired within weeks

992

00:38:31,130 --> 00:38:27,060

of that for refusing to go along with

993

00:38:34,370 --> 00:38:31,140

this so I watched them manipulate

994

00:38:37,010 --> 00:38:34,380

and commit crimes I watched them

995

00:38:38,990 --> 00:38:37,020

and and I watched them instruct us to do

996

00:38:41,150 --> 00:38:39,000

the same thing and I couldn't do it

997

00:38:44,150 --> 00:38:41,160

and I knew that that so the guy that in

998

00:38:46,010 --> 00:38:44,160

this scenario with the 500 000 house is

999

00:38:47,750 --> 00:38:46,020

and I'm going how are we going to get

1000

00:38:49,490 --> 00:38:47,760

the appraisal to come in and they're

1001
00:38:51,710 --> 00:38:49,500
like yeah but Charlie at the end of the

1002
00:38:53,630 --> 00:38:51,720
day are you agreeing with me or

1003
00:38:56,930 --> 00:38:53,640
disagreeing with me because your story

1004
00:39:00,109 --> 00:38:56,940
can be read both ways yeah I I we have

1005
00:39:03,770 --> 00:39:00,119
we have laws in place to kind of

1006
00:39:06,290 --> 00:39:03,780
throttle that craziness which is

1007
00:39:09,109 --> 00:39:06,300
capitalism run amok and that's the only

1008
00:39:12,349 --> 00:39:09,119
way our capitalistic Society works is

1009
00:39:14,569 --> 00:39:12,359
it's let the buyer beware but also

1010
00:39:16,310 --> 00:39:14,579
beware on the seller that we're gonna

1011
00:39:18,170 --> 00:39:16,320
put your ass in jail if you do stuff

1012
00:39:20,329 --> 00:39:18,180
illegally now we can point to the fact

1013
00:39:22,430 --> 00:39:20,339

that who goes to jail and not the right

1014

00:39:24,589 --> 00:39:22,440

guys went to jail but I would still come

1015

00:39:27,770 --> 00:39:24,599

back to the point of there is an

1016

00:39:31,010 --> 00:39:27,780

underlying fundamental usefulness of

1017

00:39:35,390 --> 00:39:31,020

that system I just want to kind of

1018

00:39:38,089 --> 00:39:35,400

put up a a little bit of a speed bump on

1019

00:39:41,270 --> 00:39:38,099

that you know oh my God we can never do

1020

00:39:42,650 --> 00:39:41,280

it uh because the guy is out there in

1021

00:39:44,390 --> 00:39:42,660

the same thing I'll just add I'll just

1022

00:39:46,010 --> 00:39:44,400

throw this in at the end same thing with

1023

00:39:48,710 --> 00:39:46,020

the economic Hitman we'll talk about

1024

00:39:51,470 --> 00:39:48,720

that for a minute is shameful shameful

1025

00:39:54,710 --> 00:39:51,480

shameful to go to Uganda and force him

1026

00:39:56,930 --> 00:39:54,720

to take that 500 million to build a

1027

00:39:59,390 --> 00:39:56,940

hydroelectric Dam that they don't need

1028

00:40:01,849 --> 00:39:59,400

but you know it's more shameful is for

1029

00:40:03,770 --> 00:40:01,859

those [h__h] Chinese to go in there and

1030

00:40:05,450 --> 00:40:03,780

turn them into another North Korea

1031

00:40:08,630 --> 00:40:05,460

because there's nothing in the world

1032

00:40:11,930 --> 00:40:08,640

that's worse than [h__h] North Korea

1033

00:40:13,730 --> 00:40:11,940

and it's real and it happened and those

1034

00:40:17,030 --> 00:40:13,740

people live you think we have mind

1035

00:40:19,730 --> 00:40:17,040

control and we do all over the place but

1036

00:40:22,309 --> 00:40:19,740

imagine being mind controlled by the

1037

00:40:26,510 --> 00:40:22,319

state from the time that you're born you

1038

00:40:28,910 --> 00:40:26,520

know so with the economic hit guy who

1039

00:40:31,790 --> 00:40:28,920

didn't write the book who is doing the

1040

00:40:33,950 --> 00:40:31,800

deals would he come here and kind of

1041

00:40:36,710 --> 00:40:33,960

bare his chest with the red white and

1042

00:40:39,109 --> 00:40:36,720

blue and say wake up pal you know you

1043

00:40:42,349 --> 00:40:39,119

can't handle the truth the truth was it

1044

00:40:45,650 --> 00:40:42,359

was either us or China in Uganda who do

1045

00:40:48,050 --> 00:40:45,660

you want yeah there's that for sure

1046

00:40:49,190 --> 00:40:48,060

there is that dilemma that that that

1047

00:40:51,890 --> 00:40:49,200

that

1048

00:40:53,329 --> 00:40:51,900

I think all of those guys probably have

1049

00:40:56,270 --> 00:40:53,339

that that

1050

00:40:59,270 --> 00:40:56,280

thought during this process is you know

1051

00:41:00,710 --> 00:40:59,280

okay so I like it I've used this example

1052

00:41:02,930 --> 00:41:00,720

plenty of times before if Anderson

1053

00:41:04,970 --> 00:41:02,940

Cooper decides that he's gonna go on air

1054

00:41:06,530 --> 00:41:04,980

tonight and have an epiphany and just to

1055

00:41:08,390 --> 00:41:06,540

come to Jesus moment he's going to lay

1056

00:41:10,250 --> 00:41:08,400

it all out about the vaccines and

1057

00:41:12,770 --> 00:41:10,260

everything he's just gonna he's gen of

1058

00:41:15,829 --> 00:41:12,780

his Jerry Maguire Manifesto moment where

1059

00:41:19,309 --> 00:41:15,839

he's just gonna spill it all

1060

00:41:20,930 --> 00:41:19,319

good for him but it should be 100 guys

1061

00:41:22,370 --> 00:41:20,940

filling his you know in line to fill his

1062

00:41:25,430 --> 00:41:22,380

place and though and there and they'll

1063

00:41:28,250 --> 00:41:25,440

fill it tomorrow they'll be a new guy so

1064

00:41:29,630 --> 00:41:28,260

it's it is that question of is it the

1065

00:41:32,990 --> 00:41:29,640

devil that you know or the devil that

1066

00:41:35,510 --> 00:41:33,000

you don't know and and and I

1067

00:41:37,910 --> 00:41:35,520

it's a struggle it's a struggle to and

1068

00:41:40,849 --> 00:41:37,920

yeah you're right if if we don't do it

1069

00:41:42,349 --> 00:41:40,859

someone else probably will and will they

1070

00:41:45,230 --> 00:41:42,359

have

1071

00:41:47,569 --> 00:41:45,240

our values in line does America even

1072

00:41:49,490 --> 00:41:47,579

have our values in line anymore I mean I

1073

00:41:53,569 --> 00:41:49,500

think that there's an argument that that

1074

00:41:55,730 --> 00:41:53,579

has gone too so it it is it is I think

1075

00:41:58,370 --> 00:41:55,740

you bring a really interesting component

1076

00:42:01,010 --> 00:41:58,380

to this which is reality

1077

00:42:02,690 --> 00:42:01,020

you you talk about the reality of the

1078

00:42:04,730 --> 00:42:02,700

situation we can talk about theoretics

1079

00:42:07,970 --> 00:42:04,740

and everything but you say no no this is

1080

00:42:09,770 --> 00:42:07,980

this is how it works with money you know

1081

00:42:12,890 --> 00:42:09,780

these guys are making money being

1082

00:42:15,230 --> 00:42:12,900

economic Hitmen they may have a moral

1083

00:42:17,930 --> 00:42:15,240

hesitancy as well they may have as much

1084

00:42:19,790 --> 00:42:17,940

of one as I do but if they also believe

1085

00:42:22,609 --> 00:42:19,800

that

1086

00:42:24,950 --> 00:42:22,619

at least it's going to be us and not

1087

00:42:27,410 --> 00:42:24,960

some other entity doing this and they

1088

00:42:30,349 --> 00:42:27,420

can sleep with themselves at night then

1089

00:42:32,630 --> 00:42:30,359

they've they've then then in their minds

1090

00:42:34,790 --> 00:42:32,640

they've done nothing wrong and so that's

1091

00:42:38,390 --> 00:42:34,800

a really fascinating

1092

00:42:41,150 --> 00:42:38,400

thing to to to ponder because John per

1093

00:42:44,089 --> 00:42:41,160

like in John Perkins case it got to him

1094

00:42:47,470 --> 00:42:44,099

at a certain point it got to him and I

1095

00:42:51,050 --> 00:42:47,480

think it had more to do with his his

1096

00:42:53,210 --> 00:42:51,060

later uh

1097

00:42:55,609 --> 00:42:53,220

interest in the

1098

00:42:57,530 --> 00:42:55,619

the rainforest and the ecological

1099

00:43:00,470 --> 00:42:57,540

component of this and what he was doing

1100

00:43:03,890 --> 00:43:00,480

so so maybe in his mind he saw it as

1101

00:43:06,710 --> 00:43:03,900

what I was doing was bad to the Earth

1102

00:43:08,690 --> 00:43:06,720

[h__h] Brazil or Ecuador or Uganda or

1103

00:43:11,569 --> 00:43:08,700

whoever I'm not worried about them but I

1104

00:43:14,450 --> 00:43:11,579

I can't reconcile what I'm doing to the

1105

00:43:16,430 --> 00:43:14,460

planet so in that case maybe he he could

1106

00:43:18,710 --> 00:43:16,440

he couldn't he could no longer justify

1107

00:43:21,530 --> 00:43:18,720

it it from that standpoint but I I

1108

00:43:24,770 --> 00:43:21,540

certainly which as you know is mostly

1109

00:43:26,450 --> 00:43:24,780

[h__h] the whole environmental thing

1110

00:43:29,030 --> 00:43:26,460

oh yeah it's mostly [h__h] and I'll

1111

00:43:30,589 --> 00:43:29,040

just hit a I got this guy coming on the

1112

00:43:32,470 --> 00:43:30,599

show and I've kind of listened to his

1113

00:43:35,030 --> 00:43:32,480

show and listened to his

1114

00:43:36,710 --> 00:43:35,040

interviews and kind of read his book and

1115

00:43:39,230 --> 00:43:36,720

he was one of the founding members of

1116

00:43:43,089 --> 00:43:39,240

Greenpeace and it came out as a

1117

00:43:46,190 --> 00:43:43,099

whistleblower the rainforest thing is

1118

00:43:48,349 --> 00:43:46,200

contradicted by the satellite data that

1119

00:43:50,630 --> 00:43:48,359

we have we can see how big the four we

1120

00:43:53,510 --> 00:43:50,640

can see how big the greenery is and the

1121

00:43:56,750 --> 00:43:53,520

greenery is not reducing you go to the

1122

00:43:58,970 --> 00:43:56,760

oceans and the overfishing which maybe

1123

00:44:02,150 --> 00:43:58,980

is a problem but actually

1124

00:44:04,550 --> 00:44:02,160

the level of harvesting of fish you know

1125

00:44:07,130 --> 00:44:04,560

people get mad at the Wicked Tuna shows

1126

00:44:10,130 --> 00:44:07,140

and all that kind of stuff steady for

1127

00:44:13,750 --> 00:44:10,140

about the last 20 years same it's not

1128

00:44:17,329 --> 00:44:13,760

declining steady we all know about the

1129

00:44:21,050 --> 00:44:17,339

global warming kind of total scam total

1130

00:44:24,349 --> 00:44:21,060

overrun and and I guess we're that's so

1131

00:44:28,370 --> 00:44:24,359

interesting that the confessions of an

1132

00:44:31,609 --> 00:44:28,380

economic Hitman was woke to

1133

00:44:34,370 --> 00:44:31,619

a reality that is a fake reality yeah

1134

00:44:36,530 --> 00:44:34,380

that is that that we are destroying the

1135

00:44:38,450 --> 00:44:36,540

planet it's funny how our our paths are

1136

00:44:40,550 --> 00:44:38,460

kind of similar in like you're talking

1137

00:44:44,150 --> 00:44:40,560

about that confessions of an economic

1138

00:44:47,510 --> 00:44:44,160

Hitman kind of opening you up conspiracy

1139

00:44:49,490 --> 00:44:47,520

kind of opened me up in saying wow this

1140

00:44:51,890 --> 00:44:49,500

seems so curious that these guys would

1141

00:44:54,109 --> 00:44:51,900

lie about all this and be intentionally

1142

00:44:56,809 --> 00:44:54,119

deceptive and I thought science was

1143

00:44:59,809 --> 00:44:56,819

different and it isn't and that's what

1144

00:45:01,670 --> 00:44:59,819

kind of led me to some of the conspiracy

1145

00:45:04,130 --> 00:45:01,680

stuff but now that I'm totally into the

1146

00:45:06,829 --> 00:45:04,140

conspiracy stuff I want to pull a lot of

1147

00:45:09,829 --> 00:45:06,839

people back and say you know where are

1148

00:45:12,349 --> 00:45:09,839

you going with this exactly and are you

1149

00:45:14,329 --> 00:45:12,359

being co-opted just like all the

1150

00:45:17,569 --> 00:45:14,339

problems you see I love the Flat Earth

1151

00:45:19,370 --> 00:45:17,579

thing I think I would talk about Flat

1152

00:45:22,130 --> 00:45:19,380

Earth till the end of time because if

1153

00:45:24,950 --> 00:45:22,140

that isn't a psyop I don't know what is

1154

00:45:27,650 --> 00:45:24,960

if you're in this truth or community and

1155

00:45:29,809 --> 00:45:27,660

you even I I have friends who do shows

1156

00:45:32,390 --> 00:45:29,819

big shows and there are spherically

1157

00:45:35,809 --> 00:45:32,400

neutral and we can't claim that they got

1158

00:45:39,890 --> 00:45:35,819

you man they totally got you because now

1159

00:45:43,490 --> 00:45:39,900

you are dismissed by all the normies out

1160

00:45:45,109 --> 00:45:43,500

there yeah and and it's um but it's it's

1161

00:45:48,290 --> 00:45:45,119

part like you said it's part of this

1162

00:45:50,030 --> 00:45:48,300

divide everybody into smaller groups

1163

00:45:51,589 --> 00:45:50,040

keep them keep them fighting with each

1164

00:45:54,109 --> 00:45:51,599

other that's fun although there's not

1165

00:45:55,670 --> 00:45:54,119

much there's not much fight in the in

1166

00:45:57,950 --> 00:45:55,680

the Flat Earth Community I think most

1167

00:45:59,030 --> 00:45:57,960

people just are dismissive and I know

1168

00:46:01,370 --> 00:45:59,040

some of the guys in the Flat Earth

1169

00:46:02,630 --> 00:46:01,380

Community nice guys the nicest guys

1170

00:46:04,130 --> 00:46:02,640

actually

1171

00:46:06,230 --> 00:46:04,140

um but they had and they had me on the

1172

00:46:07,970 --> 00:46:06,240

show one these two guys had me on a show

1173

00:46:09,109 --> 00:46:07,980

one time to play the skeptic they said

1174

00:46:11,089 --> 00:46:09,119

we want you to come on because I know

1175

00:46:13,069 --> 00:46:11,099

you'll be not we know that you'll be we

1176

00:46:14,930 --> 00:46:13,079

know you don't believe us but

1177

00:46:16,430 --> 00:46:14,940

we know that you'll be respectful and

1178

00:46:18,290 --> 00:46:16,440

nice I said of course I will I like you

1179

00:46:20,329 --> 00:46:18,300

guys you guys are nice people I will I

1180

00:46:22,609 --> 00:46:20,339

will be there and so we did like this

1181

00:46:24,710 --> 00:46:22,619

two-hour show and they he said before

1182

00:46:26,270 --> 00:46:24,720

this I want you to write some really

1183

00:46:27,650 --> 00:46:26,280

good questions I want you to write these

1184

00:46:29,930 --> 00:46:27,660

questions out you know and like really

1185

00:46:31,130 --> 00:46:29,940

try and stump so you know I I put some

1186

00:46:33,109 --> 00:46:31,140

effort into it and I came up with all

1187

00:46:34,910 --> 00:46:33,119

these things we had a great conversation

1188

00:46:37,670 --> 00:46:34,920

we talked about all this stuff it was

1189

00:46:40,370 --> 00:46:37,680

interesting I got an email from the guys

1190

00:46:42,349 --> 00:46:40,380

like a year later and they said um

1191

00:46:43,609 --> 00:46:42,359

You're gonna laugh at this because he

1192

00:46:45,170 --> 00:46:43,619

said well I was at the Flat Earth

1193

00:46:46,309 --> 00:46:45,180

conference and I go of course you you

1194

00:46:47,809 --> 00:46:46,319

know in my head I'm going of course you

1195

00:46:50,390 --> 00:46:47,819

were right there's a flat Earth

1196

00:46:52,250 --> 00:46:50,400

conference and he goes we won an award

1197

00:46:53,690 --> 00:46:52,260

and I said what do you mean you know

1198

00:46:56,750 --> 00:46:53,700

what do you mean we won an award

1199

00:46:59,109 --> 00:46:56,760

actually this was over text he said our

1200

00:47:02,270 --> 00:46:59,119

conversation won best

1201
00:47:04,550 --> 00:47:02,280
conversation at the Flat Earth award

1202
00:47:06,890 --> 00:47:04,560
show and I said do I get a trophy for

1203
00:47:10,609 --> 00:47:06,900
that and he goes well I got a trophy for

1204
00:47:11,809 --> 00:47:10,619
it but I don't think you do so so like I

1205
00:47:13,849 --> 00:47:11,819
mean look

1206
00:47:15,589 --> 00:47:13,859
it's a crazy ass world out there right

1207
00:47:16,910 --> 00:47:15,599
and I'm willing to entertain a lot of

1208
00:47:17,990 --> 00:47:16,920
things

1209
00:47:19,730 --> 00:47:18,000
um

1210
00:47:21,410 --> 00:47:19,740
and I'm trying to get to the bottom of

1211
00:47:23,750 --> 00:47:21,420
all this stuff I'm not a flat earth guy

1212
00:47:24,849 --> 00:47:23,760
okay I'm just I'm just not

1213
00:47:29,569 --> 00:47:24,859

um

1214

00:47:32,270 --> 00:47:29,579

but I do understand that there is a way

1215

00:47:35,089 --> 00:47:32,280

to control people by getting them into

1216

00:47:36,650 --> 00:47:35,099

these camps and then discrediting that

1217

00:47:37,970 --> 00:47:36,660

camp you know and getting them into here

1218

00:47:40,190 --> 00:47:37,980

and then saying up and then they

1219

00:47:42,349 --> 00:47:40,200

introduce contradictory information to

1220

00:47:45,530 --> 00:47:42,359

go you guys all look stupid so it's it's

1221

00:47:46,910 --> 00:47:45,540

a it's a balancing act for us as people

1222

00:47:48,950 --> 00:47:46,920

that are trying to get to the truth

1223

00:47:51,589 --> 00:47:48,960

because we understand that we are going

1224

00:47:53,690 --> 00:47:51,599

up against professional disinformation

1225

00:47:55,430 --> 00:47:53,700

agents that are that have a vested

1226

00:47:57,530 --> 00:47:55,440

interest in keeping us off of the trail

1227

00:48:00,890 --> 00:47:57,540

of a lot of things that they're actually

1228

00:48:03,710 --> 00:48:00,900

involved in so things like 911 and and

1229

00:48:05,809 --> 00:48:03,720

the the you know the whole vaccine stuff

1230

00:48:07,670 --> 00:48:05,819

they would prefer that we go away and so

1231

00:48:10,430 --> 00:48:07,680

I'm um

1232

00:48:11,870 --> 00:48:10,440

I'm in this I'm you know listen I'm I'm

1233

00:48:16,549 --> 00:48:11,880

open

1234

00:48:18,470 --> 00:48:16,559

my friend Kev Baker says not so

1235

00:48:20,450 --> 00:48:18,480

open-minded that my

1236

00:48:21,829 --> 00:48:20,460

that my brain falls out of the back of

1237

00:48:24,490 --> 00:48:21,839

my head you know what I mean so you got

1238

00:48:28,430 --> 00:48:24,500

to kind of try and keep it within some

1239

00:48:30,829 --> 00:48:28,440

layer of uh I don't know reality

1240

00:48:32,690 --> 00:48:30,839

especially in this in this field that

1241

00:48:35,390 --> 00:48:32,700

we're in where everybody is trying to

1242

00:48:37,130 --> 00:48:35,400

find something that they can say uh

1243

00:48:38,990 --> 00:48:37,140

you're a shill uh you're a controlled

1244

00:48:41,329 --> 00:48:39,000

opposition you're this you're that look

1245

00:48:43,549 --> 00:48:41,339

man I'm the I'm not any of those things

1246

00:48:45,890 --> 00:48:43,559

I'm not big enough to be a controlled

1247

00:48:49,190 --> 00:48:45,900

opposition I'm not I'm just a guy trying

1248

00:48:51,170 --> 00:48:49,200

to figure out how it all works and I and

1249

00:48:53,870 --> 00:48:51,180

I don't even know that I have any

1250

00:48:55,790 --> 00:48:53,880

expectation of figuring that all out but

1251

00:48:58,549 --> 00:48:55,800

that certainly is my

1252

00:49:00,530 --> 00:48:58,559

my goal is to try and talk to people

1253

00:49:02,510 --> 00:49:00,540

that know how it works a little bit

1254

00:49:05,569 --> 00:49:02,520

better than me like in your case you

1255

00:49:07,790 --> 00:49:05,579

you're you're automatically going to see

1256

00:49:12,109 --> 00:49:07,800

the world from a different angle than me

1257

00:49:14,450 --> 00:49:12,119

simply because you're above The Fray in

1258

00:49:17,030 --> 00:49:14,460

a financial sense where you no longer

1259

00:49:20,329 --> 00:49:17,040

are sort of held captive by the

1260

00:49:22,430 --> 00:49:20,339

day-to-day grind that a lot of us have

1261

00:49:26,270 --> 00:49:22,440

to do to you know to pay the bills and

1262

00:49:28,490 --> 00:49:26,280

all this you've you've made

1263

00:49:31,309 --> 00:49:28,500

position where you can focus on other

1264

00:49:33,170 --> 00:49:31,319

things where part of this trap that

1265

00:49:34,970 --> 00:49:33,180

we're in is the Trap of money is the

1266

00:49:37,849 --> 00:49:34,980

Trap Of Us trying to constantly have to

1267

00:49:39,770 --> 00:49:37,859

make enough money to survive uh to do

1268

00:49:41,089 --> 00:49:39,780

the things that we want to do if I if I

1269

00:49:43,430 --> 00:49:41,099

could probably if I didn't have that

1270

00:49:47,329 --> 00:49:43,440

worry in my life and I could use that

1271

00:49:49,970 --> 00:49:47,339

time to prioritize and do anything else

1272

00:49:52,490 --> 00:49:49,980

I feel like that would be I'd be so much

1273

00:49:53,630 --> 00:49:52,500

further down this path in this journey I

1274

00:49:56,510 --> 00:49:53,640

mean how does the how has the money

1275

00:49:58,490 --> 00:49:56,520

affected you in in a sense is it is it I

1276
00:50:02,150 --> 00:49:58,500
mean I understand it can be like golden

1277
00:50:04,130 --> 00:50:02,160
handcuffs but but has it freed you up to

1278
00:50:06,049 --> 00:50:04,140
I would imagine it's freed you up to

1279
00:50:08,030 --> 00:50:06,059
follow the things that you have genuine

1280
00:50:11,569 --> 00:50:08,040
interest in and not not having to to

1281
00:50:14,770 --> 00:50:11,579
bother with the stuff that bores you

1282
00:50:18,170 --> 00:50:14,780
it's really tricky and it's a whole

1283
00:50:19,609 --> 00:50:18,180
mind thing in and of itself you know and

1284
00:50:23,210 --> 00:50:19,619
I told you I've always been kind of a

1285
00:50:27,349 --> 00:50:23,220
yogi when I say I'm a yogi I'm a Wim Hof

1286
00:50:30,650 --> 00:50:27,359
Yogi I'm a Mickey singer Yogi I'm a a

1287
00:50:33,410 --> 00:50:30,660
cartole yogi in the sense that like Wim

1288
00:50:35,809 --> 00:50:33,420

Hof is famous for the breathing kind of

1289

00:50:38,210 --> 00:50:35,819

thing and the ice bath thing which I do

1290

00:50:40,549 --> 00:50:38,220

I built an ice bath in my backyard I do

1291

00:50:42,650 --> 00:50:40,559

breathing every day but he's also if you

1292

00:50:44,870 --> 00:50:42,660

look into it he also does the kind of

1293

00:50:47,990 --> 00:50:44,880

physical yoga that's but it's a

1294

00:50:51,049 --> 00:50:48,000

philosophy it's a philosophy that

1295

00:50:54,470 --> 00:50:51,059

and the person who best I think

1296

00:50:56,450 --> 00:50:54,480

most clearly articulates this is uh

1297

00:50:58,670 --> 00:50:56,460

Michael Singer but the interesting thing

1298

00:51:00,349 --> 00:50:58,680

about Mickey is he's worth about 600

1299

00:51:03,290 --> 00:51:00,359

million dollars

1300

00:51:05,750 --> 00:51:03,300

and he started out as just this guy who

1301

00:51:08,630 --> 00:51:05,760

was his PhD in economics in Florida

1302

00:51:10,069 --> 00:51:08,640

super smart guy he was teaching classes

1303

00:51:12,470 --> 00:51:10,079

there

1304

00:51:14,270 --> 00:51:12,480

with sandals and a t-shirt as you do if

1305

00:51:16,130 --> 00:51:14,280

you're teaching in Gainesville yeah and

1306

00:51:19,089 --> 00:51:16,140

he was going out in the forest and he

1307

00:51:21,890 --> 00:51:19,099

meditated and he had this Transcendent

1308

00:51:23,990 --> 00:51:21,900

Spiritual Awakening kind of Kundalini

1309

00:51:26,210 --> 00:51:24,000

experience and he followed it he

1310

00:51:30,230 --> 00:51:26,220

followed it his whole life

1311

00:51:33,170 --> 00:51:30,240

in his whole story uh is about this

1312

00:51:35,750 --> 00:51:33,180

process of letting go and how this

1313

00:51:37,970 --> 00:51:35,760

incredible wealth comes his way despite

1314

00:51:40,010 --> 00:51:37,980

that now if you really read between the

1315

00:51:43,490 --> 00:51:40,020

lines it's not like he was pushing this

1316

00:51:45,470 --> 00:51:43,500

away either you know he was moving in

1317

00:51:47,750 --> 00:51:45,480

that direction simultaneously like he's

1318

00:51:49,849 --> 00:51:47,760

doing all this but the thing that you'll

1319

00:51:52,609 --> 00:51:49,859

notice when you listen to him or you

1320

00:51:53,930 --> 00:51:52,619

listen to like Eckhart Tolle who was

1321

00:51:59,210 --> 00:51:53,940

homeless

1322

00:52:00,829 --> 00:51:59,220

a park bench and then now he's written

1323

00:52:02,450 --> 00:52:00,839

all these books and has made millions of

1324

00:52:04,430 --> 00:52:02,460

dollars in Oprah and all the rest of

1325

00:52:05,390 --> 00:52:04,440

this stuff listen to him talk about

1326
00:52:07,010 --> 00:52:05,400
money

1327
00:52:09,710 --> 00:52:07,020
he says

1328
00:52:13,430 --> 00:52:09,720
my wife and I call it the money

1329
00:52:16,309 --> 00:52:13,440
not like it's even our money it's just

1330
00:52:18,770 --> 00:52:16,319
and he said I I'd love to buy stuff but

1331
00:52:21,530 --> 00:52:18,780
I I don't really I don't buy anything he

1332
00:52:23,329 --> 00:52:21,540
goes I occasionally like to shop but you

1333
00:52:25,609 --> 00:52:23,339
know Window Shop he says but I never

1334
00:52:28,069 --> 00:52:25,619
wind up buying anything you know it

1335
00:52:29,690 --> 00:52:28,079
seems and Mickey singer is is the same

1336
00:52:31,490 --> 00:52:29,700
way he's bought a bunch of land down

1337
00:52:34,670 --> 00:52:31,500
where he lives there and has a little

1338
00:52:37,309 --> 00:52:34,680

yoga studio and stuff like that but not

1339

00:52:39,290 --> 00:52:37,319

ostentatious doesn't do interviews and

1340

00:52:41,150 --> 00:52:39,300

the reason is not because he's putting

1341

00:52:44,210 --> 00:52:41,160

on a show it's that

1342

00:52:48,190 --> 00:52:44,220

there's nowhere to go there's nothing to

1343

00:52:51,730 --> 00:52:48,200

do ultimately our spiritual connection

1344

00:52:55,069 --> 00:52:51,740

is that there is this

1345

00:52:56,630 --> 00:52:55,079

extended Consciousness realm that's my

1346

00:52:59,049 --> 00:52:56,640

understanding of the data of the

1347

00:53:01,730 --> 00:52:59,059

near-death experience data of The

1348

00:53:03,950 --> 00:53:01,740

Reincarnation data of the after death

1349

00:53:05,530 --> 00:53:03,960

communication data and I keep saying

1350

00:53:08,630 --> 00:53:05,540

data because this is like science

1351

00:53:11,210 --> 00:53:08,640

there's a reality to that there's a

1352

00:53:12,710 --> 00:53:11,220

reality to the experience that people

1353

00:53:15,530 --> 00:53:12,720

have when they have a near-death

1354

00:53:18,589 --> 00:53:15,540

experience that experience we all

1355

00:53:20,329 --> 00:53:18,599

understand like a a really common terms

1356

00:53:22,849 --> 00:53:20,339

you can't take it with you right Charlie

1357

00:53:25,190 --> 00:53:22,859

whatever you get you have a nice house

1358

00:53:28,790 --> 00:53:25,200

there you can't take it with you

1359

00:53:31,190 --> 00:53:28,800

yeah well think that through to really

1360

00:53:33,950 --> 00:53:31,200

think that through well if I can't take

1361

00:53:36,049 --> 00:53:33,960

it with me what can I take with me and

1362

00:53:38,569 --> 00:53:36,059

you get to this point that in some way

1363

00:53:40,730 --> 00:53:38,579

then we stumble for the words we're here

1364

00:53:43,010 --> 00:53:40,740

as some kind of Soul Journey

1365

00:53:46,370 --> 00:53:43,020

so as soon as you really internalize

1366

00:53:48,770 --> 00:53:46,380

that the money thing kind of takes on a

1367

00:53:51,109 --> 00:53:48,780

whole different meaning now for me and

1368

00:53:53,990 --> 00:53:51,119

for a lot of other people you have to

1369

00:53:55,430 --> 00:53:54,000

get it before you can really do it you

1370

00:53:58,790 --> 00:53:55,440

know what I mean you could talk that

1371

00:54:02,089 --> 00:53:58,800

[h__h] but you know what you're a man and

1372

00:54:03,530 --> 00:54:02,099

you were raised in this culture that

1373

00:54:06,470 --> 00:54:03,540

tells men

1374

00:54:09,710 --> 00:54:06,480

you're a provider first and foremost you

1375

00:54:12,470 --> 00:54:09,720

are a provider baby you're a hunter go

1376

00:54:15,829 --> 00:54:12,480

out there kill it skin it and bring it

1377

00:54:18,530 --> 00:54:15,839

home and that is deep inside of you so

1378

00:54:21,109 --> 00:54:18,540

it's hard for you to go on the yoga mat

1379

00:54:24,109 --> 00:54:21,119

when you can't scrape together the money

1380

00:54:27,470 --> 00:54:24,119

for the bus fare and say that's okay I'm

1381

00:54:30,410 --> 00:54:27,480

gonna transcend that as a western man

1382

00:54:32,510 --> 00:54:30,420

it's kind of easier for you to go out

1383

00:54:34,490 --> 00:54:32,520

and be a

1384

00:54:38,870 --> 00:54:34,500

Hunter Skinner

1385

00:54:41,089 --> 00:54:38,880

make the money and then get past that oh

1386

00:54:43,990 --> 00:54:41,099

it's funny after the

1387

00:54:47,089 --> 00:54:44,000

um after I went through this

1388

00:54:49,970 --> 00:54:47,099

Awakening with the real estate component

1389

00:54:53,569 --> 00:54:49,980

and I felt like I was part of this

1390

00:54:55,549 --> 00:54:53,579

machine that I didn't understand and I

1391

00:54:57,289 --> 00:54:55,559

wanted to understand the money component

1392

00:54:58,910 --> 00:54:57,299

that's what started me down the path I

1393

00:55:05,390 --> 00:54:58,920

started doing that but simultaneously

1394

00:55:10,250 --> 00:55:07,670

I signed myself up for a four-day

1395

00:55:11,329 --> 00:55:10,260

Transcendental Meditation class in Las

1396

00:55:13,910 --> 00:55:11,339

Vegas

1397

00:55:17,450 --> 00:55:13,920

and went through that and while I was

1398

00:55:20,450 --> 00:55:17,460

doing in in my guy that I was with who's

1399

00:55:22,490 --> 00:55:20,460

who was walking me through that had you

1400

00:55:24,650 --> 00:55:22,500

know he was he's just

1401

00:55:26,750 --> 00:55:24,660

when you meet the guy that's gonna teach

1402

00:55:28,309 --> 00:55:26,760

you Transcendental Meditation is going

1403

00:55:30,049 --> 00:55:28,319

to be the most chilled out dude you've

1404

00:55:32,270 --> 00:55:30,059

ever met in your life always and that's

1405

00:55:35,329 --> 00:55:32,280

what this guy was he was just very calm

1406

00:55:37,849 --> 00:55:35,339

and he had this and he had like 300

1407

00:55:38,990 --> 00:55:37,859

clocks in this living room where we

1408

00:55:43,490 --> 00:55:39,000

would do it and they were all tick tick

1409

00:55:45,049 --> 00:55:43,500

tick and it was very unusual and I I

1410

00:55:47,329 --> 00:55:45,059

remember having this conversation with

1411

00:55:50,710 --> 00:55:47,339

him and he was talking to me about

1412

00:55:54,289 --> 00:55:50,720

how when you're in this meditative State

1413

00:55:56,450 --> 00:55:54,299

the energies you know you you can you

1414

00:55:58,789 --> 00:55:56,460

feel like there's energy around you that

1415

00:56:00,829 --> 00:55:58,799

can you know you can move this energy

1416

00:56:02,930 --> 00:56:00,839

and this energy flows through you and

1417

00:56:05,870 --> 00:56:02,940

all this stuff and in my head all I

1418

00:56:07,670 --> 00:56:05,880

heard was I said oh it's like the force

1419

00:56:09,530 --> 00:56:07,680

from Star Wars

1420

00:56:11,750 --> 00:56:09,540

and he said well did you know that

1421

00:56:14,329 --> 00:56:11,760

George Lucas was a it was a

1422

00:56:16,849 --> 00:56:14,339

transcendental meditator and I said no I

1423

00:56:18,410 --> 00:56:16,859

did not he said the idea the concept of

1424

00:56:20,329 --> 00:56:18,420

the force

1425

00:56:23,510 --> 00:56:20,339

in Star Wars

1426
00:56:26,510 --> 00:56:23,520
could be potentially anchored in this TM

1427
00:56:29,089 --> 00:56:26,520
practice and I thought holy [h__h] so I

1428
00:56:33,289 --> 00:56:29,099
immediately started after my real estate

1429
00:56:35,990 --> 00:56:33,299
experience I started to feel very

1430
00:56:39,049 --> 00:56:36,000
I started to feel very dirty about the

1431
00:56:41,510 --> 00:56:39,059
money I lost two houses during that I

1432
00:56:43,490 --> 00:56:41,520
felt stupid for not being for being

1433
00:56:45,530 --> 00:56:43,500
right in the middle of it and still not

1434
00:56:48,109 --> 00:56:45,540
seeing it until it was too late I felt

1435
00:56:50,450 --> 00:56:48,119
very very dumb for that and I wanted to

1436
00:56:53,270 --> 00:56:50,460
get I wanted two things I wanted to

1437
00:56:55,970 --> 00:56:53,280
educate myself on money How It's Made

1438
00:56:58,910 --> 00:56:55,980

what it really is how it works how it

1439

00:57:00,890 --> 00:56:58,920

flows through this system where it pools

1440

00:57:02,690 --> 00:57:00,900

and you know and and I thought I knew

1441

00:57:05,030 --> 00:57:02,700

this I went to I have a business degree

1442

00:57:06,770 --> 00:57:05,040

from USC I'm not you know I'm not

1443

00:57:08,870 --> 00:57:06,780

ignorant to it

1444

00:57:10,609 --> 00:57:08,880

or so I thought and then you start to

1445

00:57:12,170 --> 00:57:10,619

learn about how it works so

1446

00:57:14,210 --> 00:57:12,180

simultaneously I wanted to do two things

1447

00:57:16,370 --> 00:57:14,220

I wanted to learn about money and I

1448

00:57:18,589 --> 00:57:16,380

wanted to infuse myself with some sort

1449

00:57:20,809 --> 00:57:18,599

of deeper understanding of what the [h__h]

1450

00:57:23,630 --> 00:57:20,819

I'm doing here because making money

1451
00:57:25,670 --> 00:57:23,640
isn't my thing I mean just just making

1452
00:57:27,950 --> 00:57:25,680
money isn't going to be my thing from

1453
00:57:30,109 --> 00:57:27,960
that point on I thought I'm not a shark

1454
00:57:31,910 --> 00:57:30,119
I'm not one of those guys that's like

1455
00:57:33,950 --> 00:57:31,920
[h__h] it's somebody else's problem I'm

1456
00:57:35,930 --> 00:57:33,960
here to make money I wanted to make

1457
00:57:37,430 --> 00:57:35,940
money the right way and I wanted to do

1458
00:57:39,349 --> 00:57:37,440
it in a way that I could live with

1459
00:57:41,390 --> 00:57:39,359
myself so I wanted to understand money

1460
00:57:44,270 --> 00:57:41,400
and I wanted to understand myself

1461
00:57:47,270 --> 00:57:44,280
man that was kind of what I set out to

1462
00:57:49,549 --> 00:57:47,280
try and do now now in both cases what I

1463
00:57:51,109 --> 00:57:49,559

didn't realize is that you're never at

1464

00:57:53,089 --> 00:57:51,119

the finish line of both of those things

1465

00:57:55,069 --> 00:57:53,099

I mean understanding yourself is an

1466

00:57:56,809 --> 00:57:55,079

ongoing process and trying to understand

1467

00:57:58,789 --> 00:57:56,819

money just when you think you've got it

1468

00:58:00,170 --> 00:57:58,799

all figured out they go and pull some

1469

00:58:01,670 --> 00:58:00,180

some [h__h] that you've never heard of

1470

00:58:04,490 --> 00:58:01,680

before like quantitative easing

1471

00:58:06,530 --> 00:58:04,500

quantitative easing two three four and

1472

00:58:08,089 --> 00:58:06,540

they can create even more money out of

1473

00:58:10,549 --> 00:58:08,099

thin air so just when you think you've

1474

00:58:12,109 --> 00:58:10,559

got it under control and your your

1475

00:58:14,089 --> 00:58:12,119

understanding of it they change the

1476

00:58:16,250 --> 00:58:14,099

rules of the game with regard to the

1477

00:58:20,210 --> 00:58:16,260

money creation and and how that works so

1478

00:58:22,549 --> 00:58:20,220

I I went through I had a break you know

1479

00:58:24,650 --> 00:58:22,559

I had an emotional break after that I

1480

00:58:28,849 --> 00:58:24,660

got divorced in the course of a couple

1481

00:58:31,549 --> 00:58:28,859

of months I lost my wife my house and my

1482

00:58:34,010 --> 00:58:31,559

job and my faith in humanity really

1483

00:58:37,789 --> 00:58:34,020

after that so I was trying to kind of

1484

00:58:39,710 --> 00:58:37,799

figure out how this all works

1485

00:58:42,109 --> 00:58:39,720

and that's a big task man that's a big

1486

00:58:43,069 --> 00:58:42,119

thing to try and bite off

1487

00:58:46,430 --> 00:58:43,079

um

1488

00:58:48,530 --> 00:58:46,440

and uh and it all had to do it all

1489

00:58:51,170 --> 00:58:48,540

started me down that path because

1490

00:58:54,530 --> 00:58:51,180

of me trying to understand money

1491

00:58:58,010 --> 00:58:54,540

well let me throw a curveball in there

1492

00:59:01,030 --> 00:58:58,020

so you know uh the TM guy Maharishi

1493

00:59:04,190 --> 00:59:01,040

Mahesh Yogi yeah

1494

00:59:05,990 --> 00:59:04,200

probably a scammer you know I have a

1495

00:59:09,770 --> 00:59:06,000

friend who does a show but at the gas

1496

00:59:11,990 --> 00:59:09,780

pump Rick Archer he taught he was the in

1497

00:59:14,870 --> 00:59:12,000

the TM movement for a long time he was

1498

00:59:17,089 --> 00:59:14,880

20-year teacher highest highest level of

1499

00:59:19,069 --> 00:59:17,099

the TM organization all over the world

1500

00:59:22,670 --> 00:59:19,079

and stuff like that but he's a super

1501

00:59:24,710 --> 00:59:22,680

great guy and his show is fantastic in

1502

00:59:25,789 --> 00:59:24,720

terms of it's like it says boot at the

1503

00:59:29,510 --> 00:59:25,799

gas pump all these people are

1504

00:59:31,370 --> 00:59:29,520

spiritually awakened are Ordinary People

1505

00:59:34,250 --> 00:59:31,380

but yeah man he told everyone to be

1506

00:59:36,530 --> 00:59:34,260

celibate and he was out screwing all

1507

00:59:39,289 --> 00:59:36,540

these women you know which we've kind of

1508

00:59:42,470 --> 00:59:39,299

heard that whole thing before uh money

1509

00:59:43,910 --> 00:59:42,480

you know he was very very into the money

1510

00:59:45,950 --> 00:59:43,920

and grabbing the money and using the

1511

00:59:49,370 --> 00:59:45,960

money and this is a story that you'll

1512

00:59:52,250 --> 00:59:49,380

you'll it's just repeat it so often in

1513

00:59:54,170 --> 00:59:52,260

the spiritual Community yeah and we you

1514

00:59:56,809 --> 00:59:54,180

mentioned that that needing an

1515

00:59:58,789 --> 00:59:56,819

intermediary now that we know about that

1516

01:00:00,410 --> 00:59:58,799

with religion obviously we talk about it

1517

01:00:02,510 --> 01:00:00,420

with Transcendental Meditation somebody

1518

01:00:04,670 --> 01:00:02,520

that's gonna introduce you so what's the

1519

01:00:07,549 --> 01:00:04,680

new religion it's and who's the new

1520

01:00:09,230 --> 01:00:07,559

priest the doctors for coven right we

1521

01:00:11,809 --> 01:00:09,240

need that intermediary we need somebody

1522

01:00:13,010 --> 01:00:11,819

you're not allowed to disseminate you're

1523

01:00:14,349 --> 01:00:13,020

not allowed to investigate this

1524

01:00:16,490 --> 01:00:14,359

information how dare you dig into

1525

01:00:18,289 --> 01:00:16,500

Ivermectin no no no no no this is only

1526

01:00:19,970 --> 01:00:18,299

for doctors we're going to allow the

1527

01:00:22,309 --> 01:00:19,980

doctor to speak we're going to allow the

1528

01:00:24,410 --> 01:00:22,319

priest class to speak they're the only

1529

01:00:26,270 --> 01:00:24,420

ones that can that can that can

1530

01:00:28,010 --> 01:00:26,280

translate what's coming from on high

1531

01:00:29,450 --> 01:00:28,020

because your little brain is too small

1532

01:00:31,970 --> 01:00:29,460

you can't understand you can't possibly

1533

01:00:34,190 --> 01:00:31,980

know what's going on this guy fouchy

1534

01:00:35,569 --> 01:00:34,200

though he understands it he's going to

1535

01:00:37,490 --> 01:00:35,579

speak for you that's why people are

1536

01:00:39,890 --> 01:00:37,500

talking about covet as as being a cult

1537

01:00:42,109 --> 01:00:39,900

or a religion the religion of covet it

1538

01:00:44,030 --> 01:00:42,119

it's operating like one I totally see

1539

01:00:46,130 --> 01:00:44,040

these these parallels and when like you

1540

01:00:47,809 --> 01:00:46,140

said whenever you allow someone to be

1541

01:00:50,809 --> 01:00:47,819

the intermediary that step in between

1542

01:00:52,789 --> 01:00:50,819

you and the information you run the risk

1543

01:00:56,089 --> 01:00:52,799

of potentially not always but

1544

01:00:58,130 --> 01:00:56,099

potentially that person compromising the

1545

01:01:01,010 --> 01:00:58,140

message or not giving you the right

1546

01:01:02,990 --> 01:01:01,020

message at all or or wanting to be in

1547

01:01:04,849 --> 01:01:03,000

the middle to feel self-important and

1548

01:01:06,950 --> 01:01:04,859

there's all of these things that that

1549

01:01:10,309 --> 01:01:06,960

that flow in there so we're

1550

01:01:14,630 --> 01:01:10,319

we're experiencing that this like

1551
01:01:17,390 --> 01:01:14,640
new new priest class of doctors I kind

1552
01:01:19,190 --> 01:01:17,400
of agree with you but I kind of think it

1553
01:01:20,870 --> 01:01:19,200
stretches the metaphor a little bit too

1554
01:01:22,849 --> 01:01:20,880
far because

1555
01:01:25,730 --> 01:01:22,859
you're really onto something I was just

1556
01:01:27,829 --> 01:01:25,740
listening to a recent episode you did on

1557
01:01:28,910 --> 01:01:27,839
macro aggressions and you talked about

1558
01:01:32,089 --> 01:01:28,920
this

1559
01:01:35,690 --> 01:01:32,099
quite convincingly and I but the point

1560
01:01:37,190 --> 01:01:35,700
is inescapable in terms of that's what

1561
01:01:38,329 --> 01:01:37,200
they're trying to do with science and

1562
01:01:40,069 --> 01:01:38,339
they're trying to tell this medical

1563
01:01:42,049 --> 01:01:40,079

science and they're trying to tell you

1564

01:01:44,569 --> 01:01:42,059

you can't understand this only we can

1565

01:01:45,890 --> 01:01:44,579

understand it the the distinction I'd

1566

01:01:49,010 --> 01:01:45,900

make is

1567

01:01:52,970 --> 01:01:49,020

the information is what they're trying

1568

01:01:54,829 --> 01:01:52,980

to uh you're trying to dis intermediate

1569

01:01:57,950 --> 01:01:54,839

the information you're trying to say I

1570

01:01:59,510 --> 01:01:57,960

can go directly to Google or DuckDuckGo

1571

01:02:02,390 --> 01:01:59,520

or whatever and I can get the

1572

01:02:04,730 --> 01:02:02,400

information and they can't really in a

1573

01:02:06,049 --> 01:02:04,740

way stop that and they can do all the

1574

01:02:08,569 --> 01:02:06,059

stuff that they're doing and they can

1575

01:02:10,549 --> 01:02:08,579

also have unbelievable control of the

1576

01:02:12,230 --> 01:02:10,559

media unlike this is something we should

1577

01:02:14,750 --> 01:02:12,240

talk about I'll throw it on the fire and

1578

01:02:18,049 --> 01:02:14,760

then we'll talk about it later

1579

01:02:20,750 --> 01:02:18,059

what covid represents to me is how far

1580

01:02:22,309 --> 01:02:20,760

down the path they are in one

1581

01:02:25,370 --> 01:02:22,319

globalization

1582

01:02:27,230 --> 01:02:25,380

and to control and those two complete be

1583

01:02:29,750 --> 01:02:27,240

put together you know let's title your

1584

01:02:32,450 --> 01:02:29,760

book the global control but they can

1585

01:02:34,370 --> 01:02:32,460

also be broken apart is the fact that

1586

01:02:38,329 --> 01:02:34,380

they were able to roll this out on a

1587

01:02:41,150 --> 01:02:38,339

global level is quite a bit of evidence

1588

01:02:42,650 --> 01:02:41,160

in terms of how far they are in a way

1589

01:02:44,210 --> 01:02:42,660

that we didn't really anticipate because

1590

01:02:46,609 --> 01:02:44,220

we kind of stick our heads in Our Little

1591

01:02:48,770 --> 01:02:46,619

World here and go this is how the U.S no

1592

01:02:51,289 --> 01:02:48,780

man they made this thing happen globally

1593

01:02:53,630 --> 01:02:51,299

interest immediately and the other thing

1594

01:02:55,549 --> 01:02:53,640

is just the extent to which they've kind

1595

01:02:58,250 --> 01:02:55,559

of figured out the control mechanism and

1596

01:03:00,650 --> 01:02:58,260

how they can implement it but if I could

1597

01:03:02,450 --> 01:03:00,660

wind that back the way that I kind of

1598

01:03:07,069 --> 01:03:02,460

disagree with that a little bit I think

1599

01:03:10,849 --> 01:03:07,079

information is different than experience

1600

01:03:14,150 --> 01:03:10,859

and I think one of the really uh sad and

1601
01:03:15,609 --> 01:03:14,160
and and really kind of worrisome things

1602
01:03:18,829 --> 01:03:15,619
about

1603
01:03:22,150 --> 01:03:18,839
inner the intermediary and spirituality

1604
01:03:25,430 --> 01:03:22,160
is they're trying to put an intermediary

1605
01:03:27,650 --> 01:03:25,440
in what we would probably think if we

1606
01:03:31,309 --> 01:03:27,660
think it through is the most fundamental

1607
01:03:34,430 --> 01:03:31,319
of human experiences and that is your

1608
01:03:36,529 --> 01:03:34,440
connection to that Source identity that

1609
01:03:38,089 --> 01:03:36,539
you are so when somebody jumps in and

1610
01:03:40,789 --> 01:03:38,099
says no no no no no

1611
01:03:43,549 --> 01:03:40,799
I'll I'll make you feel really good here

1612
01:03:46,549 --> 01:03:43,559
for a while Charlie But ultimately you

1613
01:03:48,529 --> 01:03:46,559

come back to me and I'll tell you what

1614

01:03:50,690 --> 01:03:48,539

you can feel good and what you ought to

1615

01:03:52,970 --> 01:03:50,700

feel ashamed about and here's my book

1616

01:03:55,430 --> 01:03:52,980

and here's how it tells me all exactly

1617

01:03:57,730 --> 01:03:55,440

why here's my leader here's son young

1618

01:04:01,069 --> 01:03:57,740

moan and he's perfect and all the rest

1619

01:04:03,230 --> 01:04:01,079

that is I think fundamentally different

1620

01:04:06,230 --> 01:04:03,240

than me standing in the way of the

1621

01:04:08,029 --> 01:04:06,240

information and saying Charlie you're an

1622

01:04:11,029 --> 01:04:08,039

idiot you can't understand this science

1623

01:04:13,130 --> 01:04:11,039

oh yeah you have a different experience

1624

01:04:16,390 --> 01:04:13,140

with information and especially that's

1625

01:04:18,829 --> 01:04:16,400

the to me that's the other side of this

1626

01:04:22,010 --> 01:04:18,839

Genie out of the bottle internet thing

1627

01:04:23,930 --> 01:04:22,020

that they've created is a lot of us are

1628

01:04:25,789 --> 01:04:23,940

woken up to the idea that no I could

1629

01:04:27,109 --> 01:04:25,799

really figure that out on my own and I

1630

01:04:29,510 --> 01:04:27,119

know where to go and get the information

1631

01:04:31,250 --> 01:04:29,520

so there's a lot of leaks in the boat on

1632

01:04:35,930 --> 01:04:31,260

that one yeah yeah they've done a really

1633

01:04:38,930 --> 01:04:35,940

masterful job of of uh doing what what

1634

01:04:41,150 --> 01:04:38,940

gerbils talked about which was was it's

1635

01:04:43,549 --> 01:04:41,160

easy to bring the country you know to to

1636

01:04:45,890 --> 01:04:43,559

their knees just just tell the country

1637

01:04:50,089 --> 01:04:45,900

that they're being threatened and then

1638

01:04:52,430 --> 01:04:50,099

blame the pacifists for opening Society

1639

01:04:54,289 --> 01:04:52,440

up to the potential for harm and then

1640

01:04:55,609 --> 01:04:54,299

just let Society sort those people out

1641

01:04:57,589 --> 01:04:55,619

you know what I mean and that's kind of

1642

01:05:00,710 --> 01:04:57,599

where we are right now because we've got

1643

01:05:01,370 --> 01:05:00,720

this segment of society that says

1644

01:05:03,349 --> 01:05:01,380

um

1645

01:05:04,970 --> 01:05:03,359

the vaccine is the only way that you're

1646

01:05:08,029 --> 01:05:04,980

going to be safe

1647

01:05:09,890 --> 01:05:08,039

if you don't take the vaccine we

1648

01:05:12,589 --> 01:05:09,900

instinctively

1649

01:05:14,630 --> 01:05:12,599

view you as a threat to the herd and

1650

01:05:16,010 --> 01:05:14,640

we've got to get rid of you you're going

1651
01:05:17,870 --> 01:05:16,020
to bring this whole herd down and we

1652
01:05:21,049 --> 01:05:17,880
can't have that so I can like I can sort

1653
01:05:23,390 --> 01:05:21,059
of like understand that from a

1654
01:05:27,109 --> 01:05:23,400
deep rooted

1655
01:05:28,609 --> 01:05:27,119
nature type of mentality of anything

1656
01:05:29,809 --> 01:05:28,619
that's a threat to the herd you know you

1657
01:05:32,630 --> 01:05:29,819
got to be careful of it because it

1658
01:05:35,990 --> 01:05:32,640
because it could get us all wiped out

1659
01:05:39,470 --> 01:05:36,000
but the herd is being

1660
01:05:40,910 --> 01:05:39,480
lied to in and I think a lot of people's

1661
01:05:43,730 --> 01:05:40,920
opinions that they're that they're not

1662
01:05:45,109 --> 01:05:43,740
being told the the true information that

1663
01:05:48,950 --> 01:05:45,119

they're suppressing information so that

1664

01:05:53,150 --> 01:05:48,960

so the herd is doing what it does

1665

01:05:56,450 --> 01:05:53,160

but the herd is is getting bad info to

1666

01:06:00,410 --> 01:05:56,460

base its movements off of and so we

1667

01:06:02,450 --> 01:06:00,420

wanna I want to say no no no no no

1668

01:06:03,890 --> 01:06:02,460

to the herd you guys are getting these

1669

01:06:06,049 --> 01:06:03,900

people are lying to you these people are

1670

01:06:08,870 --> 01:06:06,059

flat out lying to you and what I see

1671

01:06:11,750 --> 01:06:08,880

what I'm watching in response to that is

1672

01:06:14,690 --> 01:06:11,760

that the herd is done listening to me

1673

01:06:16,609 --> 01:06:14,700

they they they they have been told what

1674

01:06:18,589 --> 01:06:16,619

they've been told and they are not

1675

01:06:22,069 --> 01:06:18,599

interested in changing their minds about

1676

01:06:23,450 --> 01:06:22,079

it so I find myself in this weird spot

1677

01:06:26,029 --> 01:06:23,460

where

1678

01:06:28,069 --> 01:06:26,039

part of me wants to like get up and and

1679

01:06:30,890 --> 01:06:28,079

scream from the rooftops

1680

01:06:33,049 --> 01:06:30,900

and another part of me thinks

1681

01:06:35,150 --> 01:06:33,059

I should probably really only I should

1682

01:06:37,130 --> 01:06:35,160

prioritize my energy and really only

1683

01:06:39,650 --> 01:06:37,140

talk to the people that it actually has

1684

01:06:41,270 --> 01:06:39,660

a chance of affecting so I don't and I

1685

01:06:42,890 --> 01:06:41,280

don't know if there's I don't know which

1686

01:06:45,650 --> 01:06:42,900

way is right to be I don't know about

1687

01:06:49,490 --> 01:06:45,660

that Charlie I kind of think that if

1688

01:06:52,190 --> 01:06:49,500

there is a strength to America it's that

1689

01:06:54,650 --> 01:06:52,200

kind of crazy herd that you're talking

1690

01:06:56,690 --> 01:06:54,660

about don't under don't underestimate

1691

01:07:00,710 --> 01:06:56,700

the hurt because a lot of times people

1692

01:07:02,809 --> 01:07:00,720

read The Herd one way and the herd is

1693

01:07:03,770 --> 01:07:02,819

really kind of processing it a different

1694

01:07:06,109 --> 01:07:03,780

way

1695

01:07:08,270 --> 01:07:06,119

because I try and stay out of the the

1696

01:07:10,370 --> 01:07:08,280

covid science except for the covid mask

1697

01:07:12,289 --> 01:07:10,380

science I've just honed in on that

1698

01:07:13,549 --> 01:07:12,299

because you can only understand one

1699

01:07:15,529 --> 01:07:13,559

thing

1700

01:07:18,349 --> 01:07:15,539

and I'm just doing a show next week on

1701

01:07:20,990 --> 01:07:18,359

this latest completely phony junk

1702

01:07:23,930 --> 01:07:21,000

science from Yale and Stanford about

1703

01:07:25,849 --> 01:07:23,940

this Bangladesh study that oh it's it's

1704

01:07:28,130 --> 01:07:25,859

just incredible because it's null result

1705

01:07:29,630 --> 01:07:28,140

it shows that masks don't work and

1706

01:07:31,250 --> 01:07:29,640

they're really trumpeting it as saying

1707

01:07:32,990 --> 01:07:31,260

the opposite that but the other thing I

1708

01:07:34,490 --> 01:07:33,000

stumbled across that does speak to your

1709

01:07:36,589 --> 01:07:34,500

kind of point is

1710

01:07:38,870 --> 01:07:36,599

and this is just intuitive if you think

1711

01:07:40,970 --> 01:07:38,880

about if you know anything about science

1712

01:07:44,329 --> 01:07:40,980

like everyone has to get vaccinated

1713

01:07:47,569 --> 01:07:44,339

right what if you've had covid

1714

01:07:50,690 --> 01:07:47,579

like I know people personally

1715

01:07:52,730 --> 01:07:50,700

who I highly suspect have had covid have

1716

01:07:56,510 --> 01:07:52,740

had a you know serious spot with covid

1717

01:07:59,690 --> 01:07:56,520

yeah wouldn't that how how about their

1718

01:08:02,450 --> 01:07:59,700

natural immunity no how does that Stack

1719

01:08:04,069 --> 01:08:02,460

Up versus the vaccine well you know

1720

01:08:07,190 --> 01:08:04,079

they've actually done studies on that

1721

01:08:08,930 --> 01:08:07,200

and as you would expect because as we've

1722

01:08:11,630 --> 01:08:08,940

known all our life and as we've been

1723

01:08:14,450 --> 01:08:11,640

told the best immunity

1724

01:08:17,030 --> 01:08:14,460

is the natural immunity right is your

1725

01:08:19,430 --> 01:08:17,040

body building up that immunity and the

1726

01:08:21,669 --> 01:08:19,440

the best science we have suggests that's

1727

01:08:25,249 --> 01:08:21,679

going to last a lot longer than any

1728

01:08:27,530 --> 01:08:25,259

vaccine any booster any of the rest of

1729

01:08:31,010 --> 01:08:27,540

this stuff is the natural immunity

1730

01:08:32,930 --> 01:08:31,020

so just again I'm not screaming this I'm

1731

01:08:35,510 --> 01:08:32,940

not trying to force someone to listen to

1732

01:08:38,570 --> 01:08:35,520

any of this you know it's anyone's thing

1733

01:08:40,130 --> 01:08:38,580

but just isn't that a curious thing that

1734

01:08:41,450 --> 01:08:40,140

why wouldn't that be part of the

1735

01:08:43,189 --> 01:08:41,460

equation it's like well if you've been

1736

01:08:44,990 --> 01:08:43,199

vaccinated or of course if you have

1737

01:08:47,570 --> 01:08:45,000

covid because then you're even more

1738

01:08:49,689 --> 01:08:47,580

protected then you're allowed in that's

1739

01:08:52,789 --> 01:08:49,699

never part of the discussion which

1740

01:08:55,309 --> 01:08:52,799

reveals again the method it's really not

1741

01:08:57,950 --> 01:08:55,319

about that what it's about is that we're

1742

01:09:01,130 --> 01:08:57,960

in total agreement what it's about is

1743

01:09:03,769 --> 01:09:01,140

do what the [h__\h] we say we're in control

1744

01:09:05,149 --> 01:09:03,779

don't question anything and don't think

1745

01:09:07,370 --> 01:09:05,159

for a minute that you have the ability

1746

01:09:09,470 --> 01:09:07,380

to sort through any of this information

1747

01:09:10,970 --> 01:09:09,480

slash science on your own you don't

1748

01:09:12,649 --> 01:09:10,980

buddy that's why you got to listen to us

1749

01:09:14,809 --> 01:09:12,659

yeah it's not about science it's about

1750

01:09:17,329 --> 01:09:14,819

compliance it's about doing what we tell

1751

01:09:19,910 --> 01:09:17,339

you and and that and so that has been my

1752

01:09:22,189 --> 01:09:19,920

my frustration with it I'm not an

1753

01:09:24,110 --> 01:09:22,199

epidemiologist I'm not a virologist I

1754

01:09:25,370 --> 01:09:24,120

don't know these things right I don't I

1755

01:09:28,430 --> 01:09:25,380

can't

1756

01:09:30,050 --> 01:09:28,440

take on that conversation with people it

1757

01:09:32,749 --> 01:09:30,060

to the level that some of the doctors

1758

01:09:35,510 --> 01:09:32,759

can but what I can do is I can recognize

1759

01:09:37,430 --> 01:09:35,520

like you just mentioned that

1760

01:09:39,590 --> 01:09:37,440

if we're having an honest conversation

1761

01:09:41,689 --> 01:09:39,600

about things like this

1762

01:09:42,829 --> 01:09:41,699

natural immunity is on the table people

1763

01:09:45,470 --> 01:09:42,839

you know people that have had people

1764

01:09:48,050 --> 01:09:45,480

which age grade ranges are the most

1765

01:09:50,030 --> 01:09:48,060

susceptible or this or that or you know

1766

01:09:52,070 --> 01:09:50,040

there's nuanced conversation it's not a

1767

01:09:54,229 --> 01:09:52,080

blanket statement and when it becomes

1768

01:09:57,050 --> 01:09:54,239

it's a blanket statement everybody must

1769

01:09:59,090 --> 01:09:57,060

get it then you realize that it's not

1770

01:10:01,790 --> 01:09:59,100

science it's

1771

01:10:04,209 --> 01:10:01,800

Dogma or something it's it's not it's

1772

01:10:08,030 --> 01:10:04,219

compliance I love that it's not science

1773

01:10:10,250 --> 01:10:08,040

it's a belief in in that the state has

1774

01:10:12,770 --> 01:10:10,260

the right to tell you what to do the

1775

01:10:13,790 --> 01:10:12,780

state is always correct until they

1776

01:10:15,890 --> 01:10:13,800

change

1777

01:10:17,630 --> 01:10:15,900

what they said three months later and

1778

01:10:20,330 --> 01:10:17,640

say something totally different and so I

1779

01:10:22,669 --> 01:10:20,340

to me I'm just saying look forget

1780

01:10:24,590 --> 01:10:22,679

the science let's put the science off to

1781

01:10:28,130 --> 01:10:24,600

the side just look at the government's

1782

01:10:30,050 --> 01:10:28,140

reaction you know like like you know hey

1783

01:10:32,270 --> 01:10:30,060

average guy on the street you know that

1784

01:10:34,010 --> 01:10:32,280

the government basically hates your guts

1785

01:10:35,630 --> 01:10:34,020

right they they invent new ways to take

1786

01:10:37,669 --> 01:10:35,640

your money through taxation they never

1787

01:10:41,149 --> 01:10:37,679

treat you well they're constantly

1788

01:10:43,550 --> 01:10:41,159

looking for new ways to to to take from

1789

01:10:45,410 --> 01:10:43,560

you for them so that they can spend it

1790

01:10:47,330 --> 01:10:45,420

frivolously and all this stuff

1791

01:10:48,649 --> 01:10:47,340

and you know that and we all know that

1792

01:10:51,530 --> 01:10:48,659

and we've experienced that throughout

1793

01:10:54,530 --> 01:10:51,540

our lives now all of a sudden

1794

01:10:57,110 --> 01:10:54,540

that same group that has treated you so

1795

01:10:59,990 --> 01:10:57,120

poorly your entire life now has taken an

1796

01:11:01,669 --> 01:11:00,000

unbelievable interest in your personal

1797

01:11:04,189 --> 01:11:01,679

health

1798

01:11:06,229 --> 01:11:04,199

all the science out of the way doesn't

1799

01:11:08,390 --> 01:11:06,239

that make you a little bit suspicious

1800

01:11:10,250 --> 01:11:08,400

that's all you're like that's where my

1801

01:11:12,830 --> 01:11:10,260

conversation with with people kind of

1802

01:11:15,229 --> 01:11:12,840

starts it's like just look at their

1803

01:11:17,689 --> 01:11:15,239

behavior the most insane per think of

1804

01:11:19,490 --> 01:11:17,699

the the craziest person you know that

1805

01:11:21,530 --> 01:11:19,500

always treats you poorly

1806

01:11:23,330 --> 01:11:21,540

now sees you walking home pulls up

1807

01:11:26,090 --> 01:11:23,340

alongside and says

1808

01:11:28,430 --> 01:11:26,100

get in the car I'll give you a ride home

1809

01:11:31,010 --> 01:11:28,440

and you go uh

1810

01:11:32,510 --> 01:11:31,020

uh I don't think so you know like that

1811

01:11:33,770 --> 01:11:32,520

yeah that's kind of where I am with it

1812

01:11:35,450 --> 01:11:33,780

I'm not getting in the car with these

1813

01:11:37,430 --> 01:11:35,460

people I don't trust them yeah yeah

1814

01:11:40,970 --> 01:11:37,440

that's that's a really good analogy okay

1815

01:11:44,450 --> 01:11:40,980

uh I I would suggest final topic

1816

01:11:46,250 --> 01:11:44,460

let's do it evil and I wrote a book a

1817

01:11:49,189 --> 01:11:46,260

couple years ago why evil matters and

1818

01:11:52,130 --> 01:11:49,199

the premise of the book is that

1819

01:11:54,770 --> 01:11:52,140

you know just like their the the biggest

1820

01:11:57,590 --> 01:11:54,780

conspiracy to me is

1821

01:12:00,410 --> 01:11:57,600

science and when I say science what I'm

1822

01:12:02,570 --> 01:12:00,420

really saying is whoever is behind the

1823

01:12:05,030 --> 01:12:02,580

octopus if you will substitute the

1824

01:12:08,510 --> 01:12:05,040

octopus for science is

1825

01:12:10,370 --> 01:12:08,520

committed to this idea that you are

1826
01:12:13,010 --> 01:12:10,380
meaningless that you are a biological

1827
01:12:15,530 --> 01:12:13,020
robot in a meaningless Universe because

1828
01:12:18,470 --> 01:12:15,540
that's the only way the control Thing

1829
01:12:21,770 --> 01:12:18,480
Really Works or it certainly eases it a

1830
01:12:24,649 --> 01:12:21,780
lot if if your life is meaningless well

1831
01:12:26,270 --> 01:12:24,659
the extension of that and that was the

1832
01:12:27,649 --> 01:12:26,280
first book I I wrote It's called why

1833
01:12:28,790 --> 01:12:27,659
science is wrong about almost everything

1834
01:12:30,350 --> 01:12:28,800
and it's like if you can't get

1835
01:12:32,209 --> 01:12:30,360
Consciousness right

1836
01:12:34,430 --> 01:12:32,219
then you can't really get anything in

1837
01:12:37,490 --> 01:12:34,440
science right but the the second thing

1838
01:12:40,070 --> 01:12:37,500

is the why evil matters

1839

01:12:42,709 --> 01:12:40,080

I guess what I'm saying is

1840

01:12:44,570 --> 01:12:42,719

what we really care about I think at the

1841

01:12:48,370 --> 01:12:44,580

end of the day

1842

01:12:50,810 --> 01:12:48,380

is whether the octopus is [h__h] evil

1843

01:12:52,250 --> 01:12:50,820

because as we've talked about in this

1844

01:12:54,649 --> 01:12:52,260

conversation

1845

01:12:58,370 --> 01:12:54,659

the octopus

1846

01:13:00,649 --> 01:12:58,380

we might look at it as both you know hey

1847

01:13:03,229 --> 01:13:00,659

the octopus is saving us from becoming

1848

01:13:07,070 --> 01:13:03,239

North Korea you know hey that's great

1849

01:13:08,270 --> 01:13:07,080

make America great again woohoo you know

1850

01:13:11,090 --> 01:13:08,280

um

1851

01:13:14,570 --> 01:13:11,100

uh you can't handle the truth

1852

01:13:16,010 --> 01:13:14,580

there's a reality to that and is that

1853

01:13:20,209 --> 01:13:16,020

the octopus

1854

01:13:23,090 --> 01:13:20,219

or is it or is it evil and I think in

1855

01:13:25,550 --> 01:13:23,100

that conversation

1856

01:13:28,010 --> 01:13:25,560

we realize how inept we are with even

1857

01:13:29,810 --> 01:13:28,020

talking about evil and when most people

1858

01:13:31,910 --> 01:13:29,820

talk about evil where they immediately

1859

01:13:33,890 --> 01:13:31,920

go is towards

1860

01:13:36,649 --> 01:13:33,900

evil Acts

1861

01:13:41,149 --> 01:13:36,659

was this evil was this evil for this

1862

01:13:43,310 --> 01:13:41,159

person to do that and I kind of take the

1863

01:13:46,010 --> 01:13:43,320

idea that

1864

01:13:47,870 --> 01:13:46,020

to look at evil look at the extended

1865

01:13:51,770 --> 01:13:47,880

Consciousness Realm

1866

01:13:54,950 --> 01:13:51,780

look at are there malevolent forces

1867

01:13:58,010 --> 01:13:54,960

that are Beyond this world

1868

01:14:00,110 --> 01:13:58,020

that are somehow coming to play If you

1869

01:14:02,570 --> 01:14:00,120

believe in angels do you believe in

1870

01:14:05,149 --> 01:14:02,580

demons if you believe in near-death

1871

01:14:07,189 --> 01:14:05,159

experience which again the science is

1872

01:14:09,290 --> 01:14:07,199

good if you believe in reincarnation and

1873

01:14:11,209 --> 01:14:09,300

you go to the University of Virginia and

1874

01:14:13,130 --> 01:14:11,219

they have the studies out to Yazoo you

1875

01:14:15,830 --> 01:14:13,140

kind of can't get away from the data the

1876

01:14:20,149 --> 01:14:15,840

data the data there is this extended

1877

01:14:22,810 --> 01:14:20,159

realm we've been told Forever by every

1878

01:14:26,570 --> 01:14:22,820

different wisdom tradition in existence

1879

01:14:30,890 --> 01:14:26,580

that that extended realm has some dark

1880

01:14:35,030 --> 01:14:30,900

elements to it yeah that's what I am

1881

01:14:37,910 --> 01:14:35,040

interested in in terms of understanding

1882

01:14:41,149 --> 01:14:37,920

the octopus because when people tell me

1883

01:14:44,450 --> 01:14:41,159

the octopus wants money I'm like no man

1884

01:14:46,970 --> 01:14:44,460

that octopus don't eat money it doesn't

1885

01:14:49,310 --> 01:14:46,980

eat it just spits it out you know what I

1886

01:14:51,229 --> 01:14:49,320

mean that's not what it's about there's

1887

01:14:53,450 --> 01:14:51,239

something else and

1888

01:14:55,790 --> 01:14:53,460

I'm not saying it's I'm saying it's

1889

01:14:59,090 --> 01:14:55,800
complicated but let's have that [\h__\h]

1890

01:15:01,250 --> 01:14:59,100
discussion rather than

1891

01:15:04,810 --> 01:15:01,260
all this kind of clutter that gets in

1892

01:15:07,130 --> 01:15:04,820
the way yeah well I've done enough

1893

01:15:08,930 --> 01:15:07,140
hallucinogens to understand that there

1894

01:15:10,910 --> 01:15:08,940
is another world out there you know and

1895

01:15:13,070 --> 01:15:10,920
it's easy to be dismissive of that for

1896

01:15:14,209 --> 01:15:13,080
people that haven't gone down that path

1897

01:15:16,250 --> 01:15:14,219
I mean I know that there's some people

1898

01:15:18,470 --> 01:15:16,260
that are deeper religious and they have

1899

01:15:20,510 --> 01:15:18,480
these experiences and and I'm not trying

1900

01:15:23,570 --> 01:15:20,520
to Discount that I just know that from

1901

01:15:26,030 --> 01:15:23,580

my standpoint I have gone to places

1902

01:15:28,790 --> 01:15:26,040

where I feel like I am in another

1903

01:15:31,189 --> 01:15:28,800

dimension or some someplace else

1904

01:15:32,630 --> 01:15:31,199

so it's real to it's as and it's as real

1905

01:15:34,370 --> 01:15:32,640

to me and I've dragged back my

1906

01:15:36,890 --> 01:15:34,380

experiences from there and it's been

1907

01:15:40,370 --> 01:15:36,900

beneficial to my life I feel that that's

1908

01:15:43,610 --> 01:15:40,380

that there's a realness to that I also

1909

01:15:45,709 --> 01:15:43,620

recognize that because I I have no

1910

01:15:48,830 --> 01:15:45,719

control of what I see over on that other

1911

01:15:51,890 --> 01:15:48,840

realm so I'm at the mercy of whoever is

1912

01:15:54,110 --> 01:15:51,900

populating that that area are they

1913

01:15:57,950 --> 01:15:54,120

on the up and up I mean we we know about

1914

01:16:01,070 --> 01:15:57,960

all of these uh stories of

1915

01:16:02,810 --> 01:16:01,080

Aleister Crowley and Jack Parsons and

1916

01:16:05,030 --> 01:16:02,820

all these guys getting together and

1917

01:16:07,550 --> 01:16:05,040

doing these rituals and all this ritual

1918

01:16:08,810 --> 01:16:07,560

magic is there something to that well I

1919

01:16:10,550 --> 01:16:08,820

don't know much about it because I've

1920

01:16:12,169 --> 01:16:10,560

never participated in it but I've read

1921

01:16:14,930 --> 01:16:12,179

enough to know that there's there's a

1922

01:16:16,850 --> 01:16:14,940

reality to that so is there

1923

01:16:18,649 --> 01:16:16,860

is there another dimension is there

1924

01:16:20,689 --> 01:16:18,659

something else going out there besides

1925

01:16:25,130 --> 01:16:20,699

what we can see with our eyes and hear

1926

01:16:27,110 --> 01:16:25,140

and smelled absolutely is that in it

1927

01:16:30,110 --> 01:16:27,120

um inhabited by

1928

01:16:33,050 --> 01:16:30,120

good things and bad things I mean I

1929

01:16:34,669 --> 01:16:33,060

think the answer is yes so are they the

1930

01:16:36,830 --> 01:16:34,679

ones that are controlling and

1931

01:16:40,370 --> 01:16:36,840

manipulating the octopus like a puppet

1932

01:16:42,050 --> 01:16:40,380

master with with uh you know pulling the

1933

01:16:44,149 --> 01:16:42,060

strings on this

1934

01:16:46,370 --> 01:16:44,159

a lot of people say that that is the

1935

01:16:47,870 --> 01:16:46,380

case I just don't know I mean I've had

1936

01:16:50,750 --> 01:16:47,880

conversations with David Ike he's

1937

01:16:52,669 --> 01:16:50,760

talking about sitting next to uh Ted

1938

01:16:54,290 --> 01:16:52,679

Heath and Ted Heath doing giving him the

1939

01:16:56,330 --> 01:16:54,300

up and down with his and and that

1940

01:16:58,850 --> 01:16:56,340

Teddy's eyeballs were completely black

1941

01:17:01,729 --> 01:16:58,860

no white in them at all and he looked

1942

01:17:03,410 --> 01:17:01,739

possessed what the [h__h] do I do with

1943

01:17:06,290 --> 01:17:03,420

that story you know what I mean I

1944

01:17:08,149 --> 01:17:06,300

process that and I go

1945

01:17:09,470 --> 01:17:08,159

I know David I believe David I don't

1946

01:17:11,270 --> 01:17:09,480

know why you would be lying to me I've

1947

01:17:12,890 --> 01:17:11,280

gotta I've got to just say I didn't see

1948

01:17:15,649 --> 01:17:12,900

I wasn't there to see it but I gotta

1949

01:17:19,610 --> 01:17:15,659

believe that he saw what he saw so

1950

01:17:21,890 --> 01:17:19,620

is there evil out there yes how do we

1951

01:17:23,750 --> 01:17:21,900

Define it that's a good question man

1952

01:17:26,030 --> 01:17:23,760

that's that like you said it's not as

1953

01:17:27,950 --> 01:17:26,040

simple as just saying that's good and

1954

01:17:30,290 --> 01:17:27,960

that's bad that well that's subjective

1955

01:17:33,110 --> 01:17:30,300

that you know there's grades to this

1956

01:17:35,149 --> 01:17:33,120

right there is just just to kind of give

1957

01:17:37,430 --> 01:17:35,159

you the full skeptico

1958

01:17:38,930 --> 01:17:37,440

Louisville matters treatment and I

1959

01:17:39,830 --> 01:17:38,940

always go back to this example and it

1960

01:17:41,330 --> 01:17:39,840

always

1961

01:17:43,790 --> 01:17:41,340

you know it was very unsettling because

1962

01:17:45,470 --> 01:17:43,800

it is super unsettling and it's this

1963

01:17:46,850 --> 01:17:45,480

woman Annika Lucas and I really

1964

01:17:50,270 --> 01:17:46,860

connected with Annika because she's a

1965

01:17:54,350 --> 01:17:50,280

yogi and she's actually kind of

1966

01:17:56,330 --> 01:17:54,360

made part of her healing doing yoga for

1967

01:17:58,250 --> 01:17:56,340

women in prison in New York she goes

1968

01:18:00,130 --> 01:17:58,260

into does these volunteer women classes

1969

01:18:03,229 --> 01:18:00,140

and it's fantastic she's built in an

1970

01:18:06,050 --> 01:18:03,239

incredible uh service

1971

01:18:09,770 --> 01:18:06,060

in doing that but annika's real story is

1972

01:18:12,370 --> 01:18:09,780

at six years old she was sold into a

1973

01:18:15,770 --> 01:18:12,380

Satanic ritual abuse cult by her mother

1974

01:18:17,689 --> 01:18:15,780

and this is in Europe and if you know

1975

01:18:20,390 --> 01:18:17,699

the Dutro case and I always say this if

1976

01:18:23,570 --> 01:18:20,400

you don't know the Dutro case go look it

1977

01:18:25,250 --> 01:18:23,580

up in Google and you'll see it reached

1978

01:18:28,550 --> 01:18:25,260

the highest levels of European

1979

01:18:31,729 --> 01:18:28,560

government these guys want to go [h__h]

1980

01:18:33,410 --> 01:18:31,739

these little kids boys and girls and you

1981

01:18:35,930 --> 01:18:33,420

know it's all the Eyes Wide Shut

1982

01:18:37,790 --> 01:18:35,940

mansions and stuff like that and it's

1983

01:18:40,310 --> 01:18:37,800

real in the sense that they show the

1984

01:18:41,870 --> 01:18:40,320

kids in cages they have photos of the

1985

01:18:45,530 --> 01:18:41,880

kids who died because they arrested

1986

01:18:48,530 --> 01:18:45,540

deutro and they didn't let him out and

1987

01:18:50,810 --> 01:18:48,540

he wasn't able to go feed the little

1988

01:18:52,970 --> 01:18:50,820

kids little boys and girls that he had

1989

01:18:56,149 --> 01:18:52,980

abducted for

1990

01:18:58,010 --> 01:18:56,159

sexual abusing by his Elite friends and

1991

01:19:02,149 --> 01:18:58,020

they died in these cages and it's really

1992

01:19:03,169 --> 01:19:02,159

sad and Annika was one of those little

1993

01:19:05,990 --> 01:19:03,179

kids

1994

01:19:07,490 --> 01:19:06,000

and she was raped hundreds and hundreds

1995

01:19:11,149 --> 01:19:07,500

of times a six-year-old

1996

01:19:12,590 --> 01:19:11,159

sold by her money sold by her mother

1997

01:19:14,450 --> 01:19:12,600

and it's interesting when I talked to

1998

01:19:17,110 --> 01:19:14,460

her I didn't bring you know she would

1999

01:19:19,370 --> 01:19:17,120

not bring up the satanic thing I go

2000

01:19:21,169 --> 01:19:19,380

satanic what about the Satanic ritual

2001

01:19:23,689 --> 01:19:21,179

abuse thing she goes yes

2002

01:19:25,910 --> 01:19:23,699

that is what this is about that is who

2003

01:19:30,110 --> 01:19:25,920

these people are now I'm not a Christian

2004

01:19:31,030 --> 01:19:30,120

Charlie so I process and and I have a

2005

01:19:33,830 --> 01:19:31,040

lot of

2006

01:19:37,310 --> 01:19:33,840

concerns about the obvious mind control

2007

01:19:40,550 --> 01:19:37,320

that is Christianity and the cult that

2008

01:19:42,709 --> 01:19:40,560

it is but I do understand the good and

2009

01:19:45,830 --> 01:19:42,719

bad and the reason I always use that

2010

01:19:49,729 --> 01:19:45,840

example is no matter how somebody wants

2011

01:19:52,130 --> 01:19:49,739

a skate about uh Duncan Trussell Damien

2012

01:19:53,810 --> 01:19:52,140

Eccles isn't such a bad guy after all

2013

01:19:56,810 --> 01:19:53,820

and he wrote this book Let's have him on

2014

01:19:58,910 --> 01:19:56,820

the podcast when you talk about Annika

2015

01:20:03,590 --> 01:19:58,920

Lucas then people go no that's [h__h]

2016

01:20:07,129 --> 01:20:03,600

evil that is [h__h] evil to sell your

2017

01:20:10,790 --> 01:20:07,139

daughter at six to a Satanic ritual

2018

01:20:13,310 --> 01:20:10,800

abuse cult now I that it is involves

2019

01:20:14,810 --> 01:20:13,320

that many people at that level and

2020

01:20:15,709 --> 01:20:14,820

they're some of the highest people in

2021

01:20:18,590 --> 01:20:15,719

office

2022

01:20:21,470 --> 01:20:18,600

I get what you're talking about now yeah

2023

01:20:23,390 --> 01:20:21,480

that is evil and that is our Pivot Point

2024

01:20:25,669 --> 01:20:23,400

from which we can start talking about

2025

01:20:28,010 --> 01:20:25,679

everything else whether that falls in

2026

01:20:29,930 --> 01:20:28,020

the cattle but we've kind of got a good

2027

01:20:32,090 --> 01:20:29,940

stake in the ground over here where we

2028

01:20:35,629 --> 01:20:32,100

can say that's evil that isn't about

2029

01:20:39,470 --> 01:20:35,639

money that isn't about power

2030

01:20:43,189 --> 01:20:39,480

it isn't even about sex no it's about

2031

01:20:46,490 --> 01:20:43,199

something else and we have to be willing

2032

01:20:48,649 --> 01:20:46,500

to kind of go there without staring into

2033

01:20:50,689 --> 01:20:48,659

the abyss we have to be willing to walk

2034

01:20:53,350 --> 01:20:50,699

up to the edge of that abyss and

2035

01:20:56,450 --> 01:20:53,360

understand it and bring back that

2036

01:21:00,470 --> 01:20:56,460

sensibility because that's what we want

2037

01:21:03,530 --> 01:21:00,480

to know about kovid we want to know if

2038

01:21:05,990 --> 01:21:03,540

the guys behind it are evil because if

2039

01:21:08,330 --> 01:21:06,000

they're just about a one world State I

2040

01:21:11,390 --> 01:21:08,340

can get over it you know what I can't

2041

01:21:14,209 --> 01:21:11,400

get over it if they're about control and

2042

01:21:16,850 --> 01:21:14,219

socialism and compliance I can get over

2043

01:21:18,590 --> 01:21:16,860

all of that but if they're about evil

2044

01:21:20,510 --> 01:21:18,600

it's a different ball game

2045

01:21:22,550 --> 01:21:20,520

[Music]

2046

01:21:24,110 --> 01:21:22,560

and you literally wrote the book on evil

2047

01:21:27,229 --> 01:21:24,120

I mean you know

2048

01:21:29,209 --> 01:21:27,239

that you you you recognize what do you

2049

01:21:32,090 --> 01:21:29,219

think what do you think that these guys

2050

01:21:34,490 --> 01:21:32,100

are after do you think they're evil

2051

01:21:37,790 --> 01:21:34,500

I just want to open up that discussion

2052

01:21:41,090 --> 01:21:37,800

because it isn't being had and worse yet

2053

01:21:44,030 --> 01:21:41,100

you know when we do have it

2054

01:21:45,590 --> 01:21:44,040

the default goes to these Christians and

2055

01:21:47,209 --> 01:21:45,600

I don't want to totally bash the

2056

01:21:49,550 --> 01:21:47,219

Christians I was brought up Greek

2057

01:21:52,189 --> 01:21:49,560

Orthodox I understand that people have

2058

01:21:53,990 --> 01:21:52,199

genuine spiritual experiences with

2059

01:21:55,790 --> 01:21:54,000

something called Christ Consciousness I

2060

01:21:57,890 --> 01:21:55,800

don't deny that one second I don't know

2061

01:22:00,410 --> 01:21:57,900

what that is I don't know exactly what

2062

01:22:02,209 --> 01:22:00,420

that what that means but I don't want to

2063

01:22:05,209 --> 01:22:02,219

you know we're from a certain community

2064

01:22:07,729 --> 01:22:05,219

that understands that the pedo Pope

2065

01:22:10,070 --> 01:22:07,739

thing is real I mean that really that

2066

01:22:12,590 --> 01:22:10,080

really happened that really is happening

2067

01:22:14,510 --> 01:22:12,600

it it so

2068

01:22:16,430 --> 01:22:14,520

that's the conversation I want to have

2069

01:22:18,830 --> 01:22:16,440

it's kind of like I love the analogy you

2070

01:22:21,649 --> 01:22:18,840

said of you know you're walking along

2071

01:22:24,290 --> 01:22:21,659

the street and here's this guy who just

2072

01:22:26,510 --> 01:22:24,300

has the worst reputation and has screwed

2073

01:22:28,610 --> 01:22:26,520

over your family over the years and all

2074

01:22:30,770 --> 01:22:28,620

your friends and all their asset and he

2075

01:22:33,290 --> 01:22:30,780

rolls up on you and he rolls down that

2076

01:22:35,810 --> 01:22:33,300

window and says hop in Charlie let me

2077

01:22:38,450 --> 01:22:35,820

give you a ride you're like

2078

01:22:40,850 --> 01:22:38,460

no dog my mother told me about people

2079

01:22:43,610 --> 01:22:40,860

like you I am not getting in your car

2080

01:22:46,370 --> 01:22:43,620

and that that's what we're doing with

2081

01:22:47,930 --> 01:22:46,380

evil we're saying okay well listen to

2082

01:22:49,790 --> 01:22:47,940

the scientists who say well of course

2083

01:22:51,530 --> 01:22:49,800

that's ridiculous that doesn't exist

2084

01:22:53,390 --> 01:22:51,540

there's no such thing you're a

2085

01:22:55,669 --> 01:22:53,400

meaningless you're a meaningless being

2086

01:22:56,930 --> 01:22:55,679

you're not a spiritual being say okay I

2087

01:22:59,990 --> 01:22:56,940

can't listen to you who should I listen

2088

01:23:02,090 --> 01:23:00,000

to well here comes the here comes the

2089

01:23:04,669 --> 01:23:02,100

religious person who says no I you're

2090

01:23:07,250 --> 01:23:04,679

right it is here's what Satan is here's

2091

01:23:09,229 --> 01:23:07,260

what it's about as a matter of fact I'll

2092

01:23:12,350 --> 01:23:09,239

tell you the whole story and then once

2093

01:23:14,990 --> 01:23:12,360

he gets your his hooks into he says now

2094

01:23:17,290 --> 01:23:15,000

do what I say or you will burn in hell

2095

01:23:20,450 --> 01:23:17,300

too so it's

2096

01:23:22,550 --> 01:23:20,460

moving that step moving that step and

2097

01:23:24,410 --> 01:23:22,560

saying okay we got to find another way

2098

01:23:25,910 --> 01:23:24,420

because this is the fundamental question

2099

01:23:28,250 --> 01:23:25,920

we have to find another way of

2100

01:23:30,350 --> 01:23:28,260

approaching that's what I'm about not

2101
01:23:32,510 --> 01:23:30,360
like that I have any answer because I

2102
01:23:34,970 --> 01:23:32,520
couldn't possibly have it but it needs

2103
01:23:37,669 --> 01:23:34,980
to be part of the conversation yeah what

2104
01:23:39,709 --> 01:23:37,679
a trip man we could I mean

2105
01:23:41,090 --> 01:23:39,719
we could go down this path for a while I

2106
01:23:43,250 --> 01:23:41,100
would I think it's important for people

2107
01:23:45,530 --> 01:23:43,260
to have that conversation about what

2108
01:23:47,990 --> 01:23:45,540
we're experiencing now is it evil whoa

2109
01:23:50,209 --> 01:23:48,000
what a what a you know what I it never

2110
01:23:52,070 --> 01:23:50,219
really crossed my mind I just assume

2111
01:23:53,530 --> 01:23:52,080
that they have an agenda I know they

2112
01:23:55,669 --> 01:23:53,540
have an agenda I know they have a plan

2113
01:23:57,470 --> 01:23:55,679

uh I know that the people I mean I know

2114

01:23:59,510 --> 01:23:57,480

that I wouldn't want to be a part of

2115

01:24:01,250 --> 01:23:59,520

their plan and I wouldn't want to be

2116

01:24:04,430 --> 01:24:01,260

hanging out with the world economic

2117

01:24:06,890 --> 01:24:04,440

Forum guys are they evil I don't know do

2118

01:24:09,290 --> 01:24:06,900

you think they see themselves as evil

2119

01:24:10,669 --> 01:24:09,300

Maybe not maybe they see themselves you

2120

01:24:13,430 --> 01:24:10,679

know a lot of these people that are

2121

01:24:16,250 --> 01:24:13,440

really dangerous devious people see

2122

01:24:19,250 --> 01:24:16,260

themselves as Hey listen man I'm doing

2123

01:24:21,950 --> 01:24:19,260

the things that need to be done to make

2124

01:24:23,750 --> 01:24:21,960

this world work you're getting bogged

2125

01:24:26,330 --> 01:24:23,760

down in the minutia of it but if it

2126

01:24:28,910 --> 01:24:26,340

wasn't for guys like me doing the the

2127

01:24:31,250 --> 01:24:28,920

necessary things that have to happen you

2128

01:24:34,330 --> 01:24:31,260

guys would wouldn't be able to live the

2129

01:24:37,129 --> 01:24:34,340

life that you I mean there's this weird

2130

01:24:40,310 --> 01:24:37,139

justification that I've heard people

2131

01:24:42,649 --> 01:24:40,320

that do horrible [h__h] try to try to spin

2132

01:24:44,450 --> 01:24:42,659

which is I'm taking out the Trap I'm

2133

01:24:46,430 --> 01:24:44,460

doing the difficult things yeah you

2134

01:24:47,870 --> 01:24:46,440

think it's terrible you wouldn't do it I

2135

01:24:49,669 --> 01:24:47,880

have to do it this is the this is the

2136

01:24:51,830 --> 01:24:49,679

way it works I can't wrap my my brain

2137

01:24:53,030 --> 01:24:51,840

around that that that way of thinking

2138

01:24:54,709 --> 01:24:53,040

but I know that there are people out

2139

01:24:58,430 --> 01:24:54,719

there that that can find the

2140

01:25:01,370 --> 01:24:58,440

justification in their behavior as under

2141

01:25:03,530 --> 01:25:01,380

the guise of uh I'm doing I'm I'm doing

2142

01:25:04,550 --> 01:25:03,540

the the difficult work that needs to be

2143

01:25:06,830 --> 01:25:04,560

done

2144

01:25:09,470 --> 01:25:06,840

well you know and I I almost think that

2145

01:25:11,390 --> 01:25:09,480

the problem for you and I is we get that

2146

01:25:13,910 --> 01:25:11,400

part of it and we understand the reality

2147

01:25:16,310 --> 01:25:13,920

part of that because like you say you

2148

01:25:20,030 --> 01:25:16,320

know you've been in the world

2149

01:25:22,669 --> 01:25:20,040

that understands that to get things done

2150

01:25:24,530 --> 01:25:22,679

it isn't always easy but the real

2151
01:25:25,729 --> 01:25:24,540
interesting part of that question for me

2152
01:25:28,669 --> 01:25:25,739
is

2153
01:25:31,370 --> 01:25:28,679
does that matter because if we start

2154
01:25:34,729 --> 01:25:31,380
taking this other metaphysical approach

2155
01:25:38,030 --> 01:25:34,739
to asking about evil I think it puts us

2156
01:25:39,669 --> 01:25:38,040
in a different place like if you are

2157
01:25:42,830 --> 01:25:39,679
somehow being

2158
01:25:45,950 --> 01:25:42,840
influenced by

2159
01:25:48,950 --> 01:25:45,960
something negative in your life you

2160
01:25:51,229 --> 01:25:48,960
might not be aware of it and to the

2161
01:25:54,470 --> 01:25:51,239
extent that the way you rationalize it

2162
01:25:56,990 --> 01:25:54,480
and justify it maybe sound legitimate to

2163
01:25:59,450 --> 01:25:57,000

a lot of people but it might on the

2164

01:26:01,910 --> 01:25:59,460

other hand not be quite that quite that

2165

01:26:04,550 --> 01:26:01,920

simple and again I think it helps

2166

01:26:06,709 --> 01:26:04,560

looking at the extreme examples

2167

01:26:08,270 --> 01:26:06,719

sometimes it helps looking at Ted Bundy

2168

01:26:11,330 --> 01:26:08,280

who

2169

01:26:12,649 --> 01:26:11,340

serial killer but look go listen to the

2170

01:26:15,649 --> 01:26:12,659

Netflix

2171

01:26:18,470 --> 01:26:15,659

True Crime trash on the confessions of

2172

01:26:19,310 --> 01:26:18,480

Ted Bundy the guy interviewed him in the

2173

01:26:22,550 --> 01:26:19,320

prison

2174

01:26:25,550 --> 01:26:22,560

and he talks about this little kind of

2175

01:26:27,830 --> 01:26:25,560

glitch that he had sexually when he was

2176

01:26:31,570 --> 01:26:27,840

a little kid about you know this certain

2177

01:26:34,370 --> 01:26:31,580

attraction and how that led to a certain

2178

01:26:36,410 --> 01:26:34,380

influence voice coming into his head and

2179

01:26:38,450 --> 01:26:36,420

how that voice grew and grew and grew to

2180

01:26:40,970 --> 01:26:38,460

the point where he didn't feel like he

2181

01:26:44,090 --> 01:26:40,980

was in control and is that Ted Bundy

2182

01:26:46,850 --> 01:26:44,100

lying and making up stuff or is that

2183

01:26:50,750 --> 01:26:46,860

fact repeated by so many other people so

2184

01:26:54,830 --> 01:26:50,760

at what point is he responsible at what

2185

01:26:57,590 --> 01:26:54,840

point is some other entity responsible

2186

01:27:00,110 --> 01:26:57,600

one other mutually responsible it's it's

2187

01:27:01,850 --> 01:27:00,120

it's just a new way of looking at it I

2188

01:27:03,910 --> 01:27:01,860

think Charlie tell people what you're

2189

01:27:05,930 --> 01:27:03,920

doing now tell people about

2190

01:27:08,030 --> 01:27:05,940

macroaggressions what you're up to there

2191

01:27:10,729 --> 01:27:08,040

and what other stuff you're doing I've

2192

01:27:13,189 --> 01:27:10,739

released my third book hypocrisy apoc

2193

01:27:15,050 --> 01:27:13,199

crazy uh surviving in a world of

2194

01:27:17,030 --> 01:27:15,060

cultural double standards that just came

2195

01:27:19,250 --> 01:27:17,040

out last week so that

2196

01:27:22,790 --> 01:27:19,260

um people can find that on Amazon as a

2197

01:27:27,290 --> 01:27:22,800

paperback and as a Kindle okay time out

2198

01:27:29,090 --> 01:27:27,300

give us 60 seconds on what your thoughts

2199

01:27:30,470 --> 01:27:29,100

are about that book because I I ran

2200

01:27:32,209 --> 01:27:30,480

across it when I was looking at Amazon

2201

01:27:33,770 --> 01:27:32,219

and I have to tell you I haven't heard

2202

01:27:36,410 --> 01:27:33,780

you do many interviews on that you

2203

01:27:38,450 --> 01:27:36,420

probably have but I kind of I kind of

2204

01:27:40,129 --> 01:27:38,460

double clutched like how come I haven't

2205

01:27:41,629 --> 01:27:40,139

heard about that because I heard about

2206

01:27:44,030 --> 01:27:41,639

the demolition book of course I heard

2207

01:27:45,410 --> 01:27:44,040

about the first book The Octopus book I

2208

01:27:47,270 --> 01:27:45,420

heard about the demolition book which

2209

01:27:48,830 --> 01:27:47,280

you should touch on briefly and then

2210

01:27:51,590 --> 01:27:48,840

this third one what's that about yeah

2211

01:27:54,470 --> 01:27:51,600

the third one so it's it's

2212

01:27:56,270 --> 01:27:54,480

it so the cover of it has Uncle Sam in a

2213

01:27:59,149 --> 01:27:56,280

straight jacket in a mental institution

2214

01:28:01,370 --> 01:27:59,159

which I think is kind of a fitting some

2215

01:28:02,750 --> 01:28:01,380

symbology for where we are and it's and

2216

01:28:04,910 --> 01:28:02,760

I and I would also suggest it's not

2217

01:28:07,729 --> 01:28:04,920

limited to the United States but but

2218

01:28:08,810 --> 01:28:07,739

this idea that

2219

01:28:11,270 --> 01:28:08,820

um

2220

01:28:13,610 --> 01:28:11,280

we're living in a world of cultural

2221

01:28:16,310 --> 01:28:13,620

double standards where people will tell

2222

01:28:17,750 --> 01:28:16,320

you the the society will tell you one

2223

01:28:20,330 --> 01:28:17,760

thing that you should be doing and then

2224

01:28:22,189 --> 01:28:20,340

you find out you have to well there it's

2225

01:28:25,189 --> 01:28:22,199

a look a little bit more nuanced than

2226

01:28:27,410 --> 01:28:25,199

that I go I tackle the woke mob for sure

2227

01:28:29,330 --> 01:28:27,420

because they need it I go after the

2228

01:28:31,370 --> 01:28:29,340

mainstream media because I consider them

2229

01:28:32,870 --> 01:28:31,380

to be co-conspirators in all in almost

2230

01:28:35,030 --> 01:28:32,880

everything that's happening in our world

2231

01:28:36,830 --> 01:28:35,040

I I tackle Society in general I

2232

01:28:38,930 --> 01:28:36,840

definitely go after religion because if

2233

01:28:41,270 --> 01:28:38,940

you're going to talk about hypocrites

2234

01:28:43,610 --> 01:28:41,280

you've got to talk about organized

2235

01:28:45,470 --> 01:28:43,620

religion and the sort of way that they

2236

01:28:47,510 --> 01:28:45,480

see the world and I get it and I try to

2237

01:28:48,890 --> 01:28:47,520

it's it's def you know you got to be a

2238

01:28:50,390 --> 01:28:48,900

little bit delicatd I guess in the

2239

01:28:52,010 --> 01:28:50,400

sense that some people

2240

01:28:54,350 --> 01:28:52,020

you know they take their religion very

2241

01:28:56,689 --> 01:28:54,360

seriously and I understand that but if

2242

01:28:58,610 --> 01:28:56,699

you're not acknowledging all of the lies

2243

01:29:00,169 --> 01:28:58,620

that are part of that then you're then

2244

01:29:02,209 --> 01:29:00,179

you're not being honest with it I get

2245

01:29:04,910 --> 01:29:02,219

into covet of course I get into the

2246

01:29:07,129 --> 01:29:04,920

business world and that relationship

2247

01:29:09,530 --> 01:29:07,139

that we have and I and of course I I

2248

01:29:11,750 --> 01:29:09,540

also talk about the wars the wars that

2249

01:29:14,570 --> 01:29:11,760

we start the reasons that we're we're

2250

01:29:16,550 --> 01:29:14,580

given for them the hypocritical nature

2251

01:29:18,590 --> 01:29:16,560

of of how

2252

01:29:20,330 --> 01:29:18,600

how are are you know the things that

2253

01:29:22,430 --> 01:29:20,340

that

2254

01:29:24,410 --> 01:29:22,440

I first kind of start by explaining

2255

01:29:26,270 --> 01:29:24,420

we're all Hypocrites in some level it's

2256

01:29:27,590 --> 01:29:26,280

and it's a disgusting trait we say one

2257

01:29:30,050 --> 01:29:27,600

thing that's what I was going to ask you

2258

01:29:32,750 --> 01:29:30,060

to what extent is this just kind of a

2259

01:29:35,149 --> 01:29:32,760

reflection and are we different than we

2260

01:29:37,250 --> 01:29:35,159

used to be are we different than other

2261

01:29:41,689 --> 01:29:37,260

countries are we different culturally

2262

01:29:45,709 --> 01:29:41,699

how does that that hypocritic so what

2263

01:29:50,450 --> 01:29:45,719

got me into the the I the idea of me

2264

01:29:52,550 --> 01:29:50,460

exposing my own hypocrisy was as the

2265

01:29:54,950 --> 01:29:52,560

Edward Snowden news is breaking years

2266

01:29:56,810 --> 01:29:54,960

ago and uh we're they're talking about

2267

01:29:58,550 --> 01:29:56,820

the NSA reading all of our emails and

2268

01:30:01,729 --> 01:29:58,560

spying on us and tapping our phones and

2269

01:30:03,530 --> 01:30:01,739

all this surveillance state it and I'm

2270

01:30:05,209 --> 01:30:03,540

going this is terrible this cannot stand

2271

01:30:06,830 --> 01:30:05,219

of course I knew this was happening but

2272

01:30:08,810 --> 01:30:06,840

this is terrible it's an awful thing

2273

01:30:10,189 --> 01:30:08,820

they shouldn't be doing that while I'm

2274

01:30:12,050 --> 01:30:10,199

doing that while I'm having these

2275

01:30:15,350 --> 01:30:12,060

thoughts and this is fresh in my mind I

2276

01:30:18,229 --> 01:30:15,360

am also installing a baby monitor camera

2277

01:30:20,270 --> 01:30:18,239

over my daughter's crib so that I can

2278

01:30:23,030 --> 01:30:20,280

simultaneously watch what she's doing

2279

01:30:24,470 --> 01:30:23,040

and monitor it and listen and do all

2280

01:30:26,930 --> 01:30:24,480

these things that I'm complaining about

2281

01:30:29,870 --> 01:30:26,940

the NSA doing and I'm going yeah yeah

2282

01:30:31,970 --> 01:30:29,880

but I'm the dad and it's my job to make

2283

01:30:33,890 --> 01:30:31,980

sure that she doesn't get hurt and then

2284

01:30:35,570 --> 01:30:33,900

I'm thinking was that how they're

2285

01:30:36,950 --> 01:30:35,580

justifying it too I mean are they

2286

01:30:39,050 --> 01:30:36,960

thinking are they saying well we're the

2287

01:30:41,450 --> 01:30:39,060

parent we're the government here we're

2288

01:30:43,010 --> 01:30:41,460

the dad in this equation and we need to

2289

01:30:44,870 --> 01:30:43,020

make sure that you don't roll out of the

2290

01:30:47,149 --> 01:30:44,880

crib or that somebody doesn't sneak in

2291

01:30:49,490 --> 01:30:47,159

and snatch you or whatever

2292

01:30:51,530 --> 01:30:49,500

and so I it I had this sort of

2293

01:30:54,229 --> 01:30:51,540

interesting internal battle with myself

2294

01:30:57,410 --> 01:30:54,239

about well where is this line of where

2295

01:30:59,689 --> 01:30:57,420

where how is my hypocrisy okay

2296

01:31:01,790 --> 01:30:59,699

and my justification for it

2297

01:31:03,770 --> 01:31:01,800

but the government's isn't and where is

2298

01:31:05,450 --> 01:31:03,780

that line and what I realized it is well

2299

01:31:07,370 --> 01:31:05,460

you know it's it's kind of a line that's

2300

01:31:09,050 --> 01:31:07,380

that's that's blurry or it's written

2301

01:31:12,350 --> 01:31:09,060

it's written in pencil you know for some

2302

01:31:15,229 --> 01:31:12,360

people and and I wanted to get into that

2303

01:31:18,229 --> 01:31:15,239

and why that is important why our

2304

01:31:20,689 --> 01:31:18,239

relationship with the Media Matters and

2305

01:31:23,689 --> 01:31:20,699

how they drive the the how they drive

2306

01:31:25,729 --> 01:31:23,699

the narratives and how they try and

2307

01:31:27,649 --> 01:31:25,739

um you know they they create one version

2308

01:31:29,689 --> 01:31:27,659

of society and if you don't participate

2309

01:31:32,870 --> 01:31:29,699

in that then you you get left behind

2310

01:31:34,970 --> 01:31:32,880

that and of course the woke people

2311

01:31:36,890 --> 01:31:34,980

that's like clubbing seals though you

2312

01:31:39,229 --> 01:31:36,900

know I mean they're so easy to just to

2313

01:31:41,510 --> 01:31:39,239

take apart because they're cartoonish in

2314

01:31:43,790 --> 01:31:41,520

in their in the way they see the world

2315

01:31:46,370 --> 01:31:43,800

so I I did the same thing like I did

2316

01:31:49,250 --> 01:31:46,380

with the octopus which was

2317

01:31:52,129 --> 01:31:49,260

I brought in 400 and I brought in 480

2318

01:31:54,350 --> 01:31:52,139

footnotes in this one to document and

2319

01:31:57,110 --> 01:31:54,360

and show you where

2320

01:31:59,689 --> 01:31:57,120

I found this Insanity because and I had

2321

01:32:01,910 --> 01:31:59,699

to do it in part because the things that

2322

01:32:03,229 --> 01:32:01,920

I was writing about sounded like I was

2323

01:32:05,149 --> 01:32:03,239

making them up

2324

01:32:07,310 --> 01:32:05,159

like like there's no way this could be

2325

01:32:08,990 --> 01:32:07,320

real that there's you know 56 different

2326
01:32:11,810 --> 01:32:09,000
genders you can pick from on Facebook

2327
01:32:13,910 --> 01:32:11,820
not only is it real here's a list of all

2328
01:32:16,129 --> 01:32:13,920
of them and and here you know the House

2329
01:32:18,709 --> 01:32:16,139
of Representatives recently banned all

2330
01:32:21,470 --> 01:32:18,719
these words from being said in public or

2331
01:32:23,510 --> 01:32:21,480
or in inside session when Congress is in

2332
01:32:25,310 --> 01:32:23,520
session you're no longer allowed to say

2333
01:32:27,950 --> 01:32:25,320
mother father brother sister

2334
01:32:30,890 --> 01:32:27,960
brother-in-law Aunt Uncle son nephew

2335
01:32:33,470 --> 01:32:30,900
niece and all these things you know so I

2336
01:32:36,590 --> 01:32:33,480
wanted to

2337
01:32:38,510 --> 01:32:36,600
um not just complain about the

2338
01:32:40,669 --> 01:32:38,520

Hypocrites running this world but

2339

01:32:43,850 --> 01:32:40,679

document it document their insanity and

2340

01:32:46,370 --> 01:32:43,860

say listen here's where it is like I can

2341

01:32:47,750 --> 01:32:46,380

I'm telling you that that this is what

2342

01:32:49,370 --> 01:32:47,760

they're saying but here's the footnote

2343

01:32:50,870 --> 01:32:49,380

you can go check it out for yourself I'm

2344

01:32:52,910 --> 01:32:50,880

telling you that it is illegal to

2345

01:32:54,229 --> 01:32:52,920

collect rainwater in Oregon and that

2346

01:32:56,689 --> 01:32:54,239

they will send the police to your house

2347

01:33:00,590 --> 01:32:56,699

to issue you a fine for that and I'm

2348

01:33:02,990 --> 01:33:00,600

showing you here that it is it is a 340

2349

01:33:05,689 --> 01:33:03,000

fine if your dog shits on the sidewalk

2350

01:33:08,810 --> 01:33:05,699

in San Francisco but if you do it

2351

01:33:11,330 --> 01:33:08,820

there's no law it's fine they won't find

2352

01:33:14,149 --> 01:33:11,340

you if you as a human being do it so to

2353

01:33:17,689 --> 01:33:14,159

point out all of this insanity

2354

01:33:20,750 --> 01:33:17,699

and then tag it with footnotes and say

2355

01:33:22,370 --> 01:33:20,760

I I'm not a good I'm not funny enough to

2356

01:33:23,750 --> 01:33:22,380

come up with this stuff on my own I

2357

01:33:26,030 --> 01:33:23,760

couldn't have possibly made this stuff

2358

01:33:27,590 --> 01:33:26,040

up on my own this is real and this is

2359

01:33:29,870 --> 01:33:27,600

where you can find it and I'm not Alex

2360

01:33:31,669 --> 01:33:29,880

Jones just ranting and raving about

2361

01:33:33,590 --> 01:33:31,679

they're turning the frogs day

2362

01:33:34,910 --> 01:33:33,600

uh if I say they're turning the frogs

2363

01:33:36,649 --> 01:33:34,920

gay I'm going to show you the footnote

2364

01:33:38,990 --> 01:33:36,659

where you can go find the study on that

2365

01:33:40,490 --> 01:33:39,000

too so so that was that's what I've been

2366

01:33:42,350 --> 01:33:40,500

doing lately and the reason why you

2367

01:33:44,930 --> 01:33:42,360

haven't heard much about it is because

2368

01:33:46,790 --> 01:33:44,940

the book just went out

2369

01:33:48,770 --> 01:33:46,800

a couple days ago and so I'm now

2370

01:33:50,990 --> 01:33:48,780

starting that process of going getting

2371

01:33:53,750 --> 01:33:51,000

out there and talking about it and and

2372

01:33:56,750 --> 01:33:53,760

uh and I think people are going to laugh

2373

01:33:59,090 --> 01:33:56,760

at the absurdity of it all while also

2374

01:34:00,729 --> 01:33:59,100

simultaneously understanding in a very

2375

01:34:03,590 --> 01:34:00,739

Jon Stewart esque

2376

01:34:06,110 --> 01:34:03,600

the the serious nature Behind these

2377

01:34:07,910 --> 01:34:06,120

stories and that we can laugh at them

2378

01:34:09,530 --> 01:34:07,920

and have a good time and kind of shake

2379

01:34:11,090 --> 01:34:09,540

our heads and go wow we're living in a

2380

01:34:13,910 --> 01:34:11,100

crazy world but if we don't also

2381

01:34:16,250 --> 01:34:13,920

simultaneously recognize that it's real

2382

01:34:18,110 --> 01:34:16,260

and that these people are actually doing

2383

01:34:20,870 --> 01:34:18,120

these things and putting these these

2384

01:34:23,030 --> 01:34:20,880

steps in place we we may wake up one day

2385

01:34:25,550 --> 01:34:23,040

and go they built the digital prison

2386

01:34:27,890 --> 01:34:25,560

around us and we didn't even stand up

2387

01:34:29,990 --> 01:34:27,900

and say anything about it so so I wanted

2388

01:34:32,090 --> 01:34:30,000

to have some fun with it and and and and

2389

01:34:33,649 --> 01:34:32,100

and you know the book writes itself

2390

01:34:35,390 --> 01:34:33,659

really it really does when you're

2391

01:34:37,490 --> 01:34:35,400

talking about hypocritical behavior and

2392

01:34:39,590 --> 01:34:37,500

things that you see out there I mean the

2393

01:34:42,470 --> 01:34:39,600

biggest problem I had was narrowing it

2394

01:34:45,729 --> 01:34:42,480

down to 335 pages and not making this

2395

01:34:47,810 --> 01:34:45,739

like an eight volume encyclopedia

2396

01:34:49,790 --> 01:34:47,820

I can believe that because you should

2397

01:34:51,950 --> 01:34:49,800

talk for just a quick minute about macro

2398

01:34:54,770 --> 01:34:51,960

aggressions because

2399

01:34:55,910 --> 01:34:54,780

I just I just started listening to the

2400

01:34:58,310 --> 01:34:55,920

show

2401

01:35:00,290 --> 01:34:58,320

um and I'm amazed at the different

2402

01:35:03,970 --> 01:35:00,300

topics that you cover like you had these

2403

01:35:06,590 --> 01:35:03,980

guys on the The Zeta Generations

2404

01:35:08,930 --> 01:35:06,600

generation Zen guys talking about UFOs

2405

01:35:10,850 --> 01:35:08,940

and I mean they are way out there on the

2406

01:35:13,070 --> 01:35:10,860

UFO thing I mean I'm totally I'm totally

2407

01:35:15,470 --> 01:35:13,080

with about 80 of what they're saying so

2408

01:35:17,330 --> 01:35:15,480

I'm totally into that topic but I was

2409

01:35:18,830 --> 01:35:17,340

really impressed with the way that you

2410

01:35:21,770 --> 01:35:18,840

were able to hold your own there you

2411

01:35:23,810 --> 01:35:21,780

know all about that stuff too so where

2412

01:35:25,910 --> 01:35:23,820

are you going with that show I don't I

2413

01:35:27,729 --> 01:35:25,920

like so with macro aggressions I do two

2414

01:35:32,090 --> 01:35:27,739

shows a week one of them's an interview

2415

01:35:34,669 --> 01:35:32,100

one of them is a monologue and with the

2416

01:35:35,930 --> 01:35:34,679

with the interview stuff with you know I

2417

01:35:37,910 --> 01:35:35,940

want to talk about it I want to talk

2418

01:35:39,290 --> 01:35:37,920

about anything that my criteria is this

2419

01:35:42,050 --> 01:35:39,300

I want to talk to interesting people

2420

01:35:43,850 --> 01:35:42,060

that know about interesting subjects

2421

01:35:46,129 --> 01:35:43,860

really that that's real that's it and

2422

01:35:47,870 --> 01:35:46,139

with UFOs I don't have any particular I

2423

01:35:49,729 --> 01:35:47,880

don't have any special knowledge I don't

2424

01:35:51,229 --> 01:35:49,739

I've never seen a UFO I've never been

2425

01:35:53,209 --> 01:35:51,239

yeah but you knew a lot of stuff you

2426

01:35:55,669 --> 01:35:53,219

know you're right there with them I'm

2427

01:35:58,490 --> 01:35:55,679

into it I like it like I'm fascinated by

2428

01:36:00,770 --> 01:35:58,500

it so I'm I'm uh I'm a viewer of that

2429

01:36:03,350 --> 01:36:00,780

and I'm and I'm interested in it and I

2430

01:36:05,149 --> 01:36:03,360

want to understand it and I but what

2431

01:36:07,669 --> 01:36:05,159

I've I've also realized is that I don't

2432

01:36:10,189 --> 01:36:07,679

have to be an experimenter to talk about

2433

01:36:12,590 --> 01:36:10,199

it I can talk about it without having

2434

01:36:14,810 --> 01:36:12,600

that experience it probably would be

2435

01:36:16,310 --> 01:36:14,820

better if I did I mean it would I would

2436

01:36:18,649 --> 01:36:16,320

I would definitely come at it from a

2437

01:36:20,930 --> 01:36:18,659

different angle

2438

01:36:22,250 --> 01:36:20,940

but I I I'm not going to pretend that I

2439

01:36:24,590 --> 01:36:22,260

had an experience that I didn't have

2440

01:36:28,609 --> 01:36:24,600

that would be dishonest so I just talk

2441

01:36:30,590 --> 01:36:28,619

about like those guys and I we did a uh

2442

01:36:32,810 --> 01:36:30,600

we did a group podcast where I wound up

2443

01:36:35,209 --> 01:36:32,820

with with those guys and Bruce Fenton

2444

01:36:37,010 --> 01:36:35,219

who I think you you know Bruce and and I

2445

01:36:38,810 --> 01:36:37,020

and I've recorded Bruce and I've got the

2446

01:36:40,430 --> 01:36:38,820

Bruce episode is going to be coming out

2447

01:36:43,310 --> 01:36:40,440

on macro aggressions in a couple of

2448

01:36:44,990 --> 01:36:43,320

weeks phenomenal I love

2449

01:36:46,790 --> 01:36:45,000

I love you want to talk about a

2450

01:36:49,729 --> 01:36:46,800

synchronicity I'm setting up the thing

2451

01:36:52,129 --> 01:36:49,739

with Bruce via email we get it all set

2452

01:36:54,109 --> 01:36:52,139

I'm really excited because I've got

2453

01:36:55,609 --> 01:36:54,119

Bruce and I had done the a group show

2454

01:36:56,390 --> 01:36:55,619

with him before so I kind of knew him a

2455

01:36:59,750 --> 01:36:56,400

little bit

2456

01:37:01,729 --> 01:36:59,760

and uh and I go to the gym right after I

2457

01:37:03,350 --> 01:37:01,739

get and I mean right after I get done

2458

01:37:05,090 --> 01:37:03,360

literally send the email get it all set

2459

01:37:08,030 --> 01:37:05,100

up I walk out the door I walk down the

2460

01:37:09,649 --> 01:37:08,040

street to where my my gym is here and I

2461

01:37:12,830 --> 01:37:09,659

go to the gym and I get on a treadmill

2462

01:37:15,169 --> 01:37:12,840

on the elliptical and on the TV Ancient

2463

01:37:17,990 --> 01:37:15,179

Aliens the first person I've seen I go

2464

01:37:22,129 --> 01:37:18,000

what a sign it's The Universe telling me

2465

01:37:24,109 --> 01:37:22,139

I got it it's happening yeah so I just I

2466

01:37:25,729 --> 01:37:24,119

just I I just want to talk about those

2467

01:37:28,070 --> 01:37:25,739

things that are interesting you know I I

2468

01:37:29,689 --> 01:37:28,080

I've I've had directors on and writers

2469

01:37:32,090 --> 01:37:29,699

on and and

2470

01:37:33,709 --> 01:37:32,100

guys that have podcasts and all of that

2471

01:37:35,510 --> 01:37:33,719

stuff and I just I just find it

2472

01:37:37,250 --> 01:37:35,520

fascinating and we're releasing we're

2473

01:37:39,770 --> 01:37:37,260

gonna release this episode as a swap

2474

01:37:42,410 --> 01:37:39,780

cast the reason why you know Mark Steves

2475

01:37:44,689 --> 01:37:42,420

and I are talking and and and he was he

2476

01:37:46,430 --> 01:37:44,699

was saying you know

2477

01:37:49,370 --> 01:37:46,440

would you ever want to have Alex on the

2478

01:37:53,050 --> 01:37:49,380

show I said yes are you kidding me of

2479

01:37:59,330 --> 01:37:57,109

you're like the reason for the show I

2480

01:38:00,830 --> 01:37:59,340

don't know about I don't know the things

2481

01:38:02,570 --> 01:38:00,840

that you know I couldn't possibly know

2482

01:38:03,890 --> 01:38:02,580

that but you know them and I don't need

2483

01:38:05,990 --> 01:38:03,900

to know them I just need to know how to

2484

01:38:08,270 --> 01:38:06,000

get a hold of you so you know what I

2485

01:38:10,910 --> 01:38:08,280

mean bro I I totally I think that's

2486

01:38:12,709 --> 01:38:10,920

great and uh we'll we'll have to do this

2487

01:38:14,390 --> 01:38:12,719

again but as I told from the very

2488

01:38:16,790 --> 01:38:14,400

beginning I mean

2489

01:38:19,669 --> 01:38:16,800

you know it's funny when you started

2490

01:38:22,010 --> 01:38:19,679

this whole thing with the uh octopus

2491

01:38:24,649 --> 01:38:22,020

book a few years ago I mean you were

2492

01:38:26,930 --> 01:38:24,659

really ahead of the curve so credit to

2493

01:38:29,750 --> 01:38:26,940

you and credit to you for where you've

2494

01:38:33,109 --> 01:38:29,760

where you've moved it you're really

2495

01:38:35,689 --> 01:38:33,119

really on the edge of of doing it and I

2496

01:38:38,390 --> 01:38:35,699

appreciate it I look I don't know how it

2497

01:38:40,250 --> 01:38:38,400

all works I am on a mission to try and

2498

01:38:41,750 --> 01:38:40,260

figure it out I don't know that I will

2499

01:38:44,629 --> 01:38:41,760

ever get to a point where I'll have it

2500

01:38:48,250 --> 01:38:44,639

all figured out but my intention is to

2501
01:38:51,050 --> 01:38:48,260
understand more about this and and and

2502
01:38:53,149 --> 01:38:51,060
the my favorite quote my octopus book

2503
01:38:54,770 --> 01:38:53,159
has quotes from over 500 different

2504
01:38:56,149 --> 01:38:54,780
people

2505
01:39:00,169 --> 01:38:56,159
um

2506
01:39:04,729 --> 01:39:00,179
and the the favor my favorite quote in

2507
01:39:10,550 --> 01:39:08,169
so so okay let's see

2508
01:39:12,229 --> 01:39:10,560
executive director I want to get his

2509
01:39:14,450 --> 01:39:12,239
title right executive director of

2510
01:39:18,530 --> 01:39:14,460
Paradigm research Stephen Bassett you

2511
01:39:20,689 --> 01:39:18,540
know who he is he's a UFO guy and uh in

2512
01:39:22,609 --> 01:39:20,699
this this Quest this quote really has

2513
01:39:24,410 --> 01:39:22,619

nothing to do with UFOs at all but he

2514

01:39:26,689 --> 01:39:24,420

says imagine if you're if the world is

2515

01:39:29,270 --> 01:39:26,699

like a big jigsaw puzzle

2516

01:39:30,830 --> 01:39:29,280

ten thousand pieces right and you come

2517

01:39:34,010 --> 01:39:30,840

into this world and you're given this

2518

01:39:35,870 --> 01:39:34,020

box and in this box is all the pieces to

2519

01:39:37,490 --> 01:39:35,880

this puzzle and you go about your life

2520

01:39:39,470 --> 01:39:37,500

with the understanding you know with the

2521

01:39:41,270 --> 01:39:39,480

idea that you're going to put all these

2522

01:39:42,470 --> 01:39:41,280

you're going to dump out the pieces and

2523

01:39:44,149 --> 01:39:42,480

you're going to start putting them all

2524

01:39:47,209 --> 01:39:44,159

together and when you get those pieces

2525

01:39:50,209 --> 01:39:47,219

put together it will be a vision of the

2526

01:39:53,090 --> 01:39:50,219

world as it really is and so you set off

2527

01:39:55,790 --> 01:39:53,100

about to do that everything is good all

2528

01:39:57,410 --> 01:39:55,800

good fine but there's a problem the

2529

01:40:00,470 --> 01:39:57,420

government that you are living under has

2530

01:40:02,350 --> 01:40:00,480

made a decision for political reasons to

2531

01:40:05,090 --> 01:40:02,360

interfere

2532

01:40:06,950 --> 01:40:05,100

with your search for that so it has

2533

01:40:09,410 --> 01:40:06,960

taken some of the pieces out of your box

2534

01:40:11,330 --> 01:40:09,420

and has thrown them away

2535

01:40:13,729 --> 01:40:11,340

but then it has also taken some of the

2536

01:40:16,370 --> 01:40:13,739

pieces out of somebody else's box and

2537

01:40:17,870 --> 01:40:16,380

thrown them in your box and then you go

2538

01:40:20,510 --> 01:40:17,880

about your life

2539

01:40:21,830 --> 01:40:20,520

with this understanding or belief that

2540

01:40:23,330 --> 01:40:21,840

you're going to be able to put all these

2541

01:40:25,310 --> 01:40:23,340

pieces together and it will be that

2542

01:40:28,010 --> 01:40:25,320

picture and he says and it is an almost

2543

01:40:31,310 --> 01:40:28,020

impossible situation but it is an

2544

01:40:34,729 --> 01:40:31,320

extremely effective for serving the

2545

01:40:35,930 --> 01:40:34,739

state and I realized that's it that's

2546

01:40:37,729 --> 01:40:35,940

what I'm trying to do I'm trying to put

2547

01:40:42,109 --> 01:40:37,739

this puzzle together

2548

01:40:44,450 --> 01:40:42,119

and I'm hoping I've got the pieces from

2549

01:40:49,010 --> 01:40:44,460

the same box

2550

01:40:53,750 --> 01:40:51,410

hey man it's been awesome Our Guest

2551
01:40:55,490 --> 01:40:53,760
again has been Charlie Robinson check

2552
01:40:58,570 --> 01:40:55,500
out macro aggressions check out his

2553
01:41:01,850 --> 01:40:58,580
books that new one sounds really good on

2554
01:41:03,890 --> 01:41:01,860
hypocrisy yeah let's see we can all get

2555
01:41:06,229 --> 01:41:03,900
into that so Charlie like I say we'll

2556
01:41:08,629 --> 01:41:06,239
have to do it again sometime absolutely

2557
01:41:11,149 --> 01:41:08,639
this has been great I'm putting it out

2558
01:41:13,129 --> 01:41:11,159
on my show too so we'll uh so everyone

2559
01:41:16,669 --> 01:41:13,139
Alex tell everyone where where people

2560
01:41:20,390 --> 01:41:16,679
can find you skeptical skeptical with uh

2561
01:41:24,649 --> 01:41:20,400
with a K with two K's you'll find it and

2562
01:41:26,930 --> 01:41:24,659
uh off uh so I'll send you uh an edited

2563
01:41:28,310 --> 01:41:26,940

copy I'll try and edit it right away and

2564

01:41:31,310 --> 01:41:28,320

send it to you it'll be a little bit

2565

01:41:32,689 --> 01:41:31,320

smoother with we took some little breaks

2566

01:41:34,070 --> 01:41:32,699

in there because we didn't know where we

2567

01:41:35,810 --> 01:41:34,080

were going to go with it that'll be fine
