**#526-PAM-POPPER**

1  
00:00:03,350 --> 00:00:01,910  
i was on facebook one day and then i

2  
00:00:07,490 --> 00:00:03,360  
found this video

3  
00:00:13,509 --> 00:00:11,350  
[Applause]

4  
00:00:16,040 --> 00:00:13,519  
it was the worst video i've ever seen he

5  
00:00:17,670 --> 00:00:16,050  
needs to be stopped immediately

6  
00:00:19,990 --> 00:00:17,680  
[Music]

7  
00:00:21,750 --> 00:00:20,000  
people went nuts

8  
00:00:25,349 --> 00:00:21,760  
that's a clip from the netflix

9  
00:00:28,470 --> 00:00:25,359  
documentary don't with cats which

10  
00:00:31,189 --> 00:00:28,480  
is about well about many things one

11  
00:00:34,310 --> 00:00:31,199  
about people who do very very horribly

12  
00:00:36,229 --> 00:00:34,320  
evil things and maybe i guess a bit of

13  
00:00:38,069 --> 00:00:36,239

light at the end of the tunnel how there

14

00:00:40,869 --> 00:00:38,079

does come a point when people are

15

00:00:43,510 --> 00:00:40,879

willing to face evil and collectively

16

00:00:45,190 --> 00:00:43,520

try and fight evil it's so documentary

17

00:00:48,709 --> 00:00:45,200

worth watching but it also has an

18

00:00:51,990 --> 00:00:48,719

interesting corollary with today's show

19

00:00:54,869 --> 00:00:52,000

in my interview with very excellent dr

20

00:00:56,709 --> 00:00:54,879

pam popper if you don't know pam if you

21

00:00:59,590 --> 00:00:56,719

don't know her story she's the one who

22

00:01:02,150 --> 00:00:59,600

made the governor of her home state ohio

23

00:01:04,229 --> 00:01:02,160

back down and do an about-face regarding

24

00:01:06,310 --> 00:01:04,239

his fear-based ridiculous health

25

00:01:08,390 --> 00:01:06,320

policies so we talked about a lot of

26

00:01:10,789 --> 00:01:08,400

things she's very inspirational but we

27

00:01:13,429 --> 00:01:10,799

also talked about whether we can really

28

00:01:16,230 --> 00:01:13,439

crack the case the same way the don't

29

00:01:18,230 --> 00:01:16,240

with cats people did

30

00:01:20,070 --> 00:01:18,240

they get a lot of swings at the plate

31

00:01:21,350 --> 00:01:20,080

you know what i mean so

32

00:01:26,230 --> 00:01:21,360

it ain't over

33

00:01:28,149 --> 00:01:26,240

every every swing at the plate gets care

34

00:01:30,870 --> 00:01:28,159

more careless that's the thing that to

35

00:01:33,510 --> 00:01:30,880

look at it gets more careless and it's

36

00:01:35,270 --> 00:01:33,520

less incremental and incremental is the

37

00:01:38,149 --> 00:01:35,280

only way you keep this going so what

38

00:01:39,910 --> 00:01:38,159

we're left with is the stupidest people

39

00:01:41,910 --> 00:01:39,920

in the country are the only ones left

40

00:01:43,670 --> 00:01:41,920

that are buying into this so you have

41

00:01:45,590 --> 00:01:43,680

people like me who from the get-go and

42

00:01:47,590 --> 00:01:45,600

you understood something was wrong you

43

00:01:49,190 --> 00:01:47,600

had people who are stupid beyond

44

00:01:50,789 --> 00:01:49,200

comprehension these are the sheep who

45

00:01:52,069 --> 00:01:50,799

are wearing masks in their cars and

46

00:01:54,389 --> 00:01:52,079

we're not going to do anything for those

47

00:01:55,990 --> 00:01:54,399

people this middle group of people

48

00:01:57,270 --> 00:01:56,000

are persuadable

49

00:01:58,950 --> 00:01:57,280

and those are the ones that are going to

50

00:02:02,069 --> 00:01:58,960

make the difference and they're coming

51  
00:02:04,950 --> 00:02:02,079  
our way they're not picking up anybody

52  
00:02:06,069 --> 00:02:04,960  
nobody is going to their side at this

53  
00:02:08,309 --> 00:02:06,079  
point in time

54  
00:02:09,669 --> 00:02:08,319  
like i said inspirational love to think

55  
00:02:12,869 --> 00:02:09,679  
that it's so

56  
00:02:16,390 --> 00:02:12,879  
but this being skeptico i also asked her

57  
00:02:18,869 --> 00:02:16,400  
about the evil spiritual angle and how

58  
00:02:22,869 --> 00:02:18,879  
we are to really understand at a deeper

59  
00:02:24,869 --> 00:02:22,879  
deeper level what's going on here

60  
00:02:27,350 --> 00:02:24,879  
i think that what we're dealing with is

61  
00:02:29,510 --> 00:02:27,360  
people who have no respect or regard for

62  
00:02:32,229 --> 00:02:29,520  
human life for any life

63  
00:02:33,589 --> 00:02:32,239

i'm not a devoutly religious person

64

00:02:35,910 --> 00:02:33,599

although i

65

00:02:37,509 --> 00:02:35,920

think there's a god there's something i

66

00:02:39,350 --> 00:02:37,519

think it's god

67

00:02:41,750 --> 00:02:39,360

and i think that this is a battle

68

00:02:43,589 --> 00:02:41,760

between good and evil it's not the first

69

00:02:46,470 --> 00:02:43,599

time it's happened

70

00:02:48,150 --> 00:02:46,480

i am a fan of viktor frankl's book man's

71

00:02:49,509 --> 00:02:48,160

search remaining

72

00:02:51,830 --> 00:02:49,519

and so

73

00:02:54,630 --> 00:02:51,840

whether you believe in god or not i

74

00:02:57,270 --> 00:02:54,640

think that all people who have character

75

00:02:59,589 --> 00:02:57,280

respect other humans and we respect

76

00:03:01,750 --> 00:02:59,599

human life we respect all life to a

77

00:03:03,670 --> 00:03:01,760

certain extent the animals and the birds

78

00:03:05,030 --> 00:03:03,680

and the trees and we have some respect

79

00:03:06,869 --> 00:03:05,040

for everything

80

00:03:09,030 --> 00:03:06,879

and all beings

81

00:03:12,229 --> 00:03:09,040

the thing with evil people

82

00:03:14,790 --> 00:03:12,239

is that they respect nobody and nothing

83

00:03:17,110 --> 00:03:14,800

except for their quest for power

84

00:03:18,550 --> 00:03:17,120

dr pam popper was a great guest i really

85

00:03:21,270 --> 00:03:18,560

enjoyed talking to her and i hope you

86

00:03:23,750 --> 00:03:21,280

enjoy this interview too and if you do

87

00:03:25,430 --> 00:03:23,760

i'm gonna remind you that the only way i

88

00:03:27,990 --> 00:03:25,440

get these interviews out

89

00:03:30,710 --> 00:03:28,000

is by you sharing them with other people

90

00:03:32,470 --> 00:03:30,720

appreciating them and sharing them so we

91

00:03:34,390 --> 00:03:32,480

can spread this kind of information you

92

00:03:36,550 --> 00:03:34,400

hear this interview with pam popper

93

00:03:38,710 --> 00:03:36,560

you're not going to hear anything quite

94

00:03:40,789 --> 00:03:38,720

like it that gets into these topics

95

00:03:43,190 --> 00:03:40,799

she's done some great interviews but i

96

00:03:44,070 --> 00:03:43,200

think this kind of has a different voice

97

00:03:46,630 --> 00:03:44,080

and

98

00:03:48,070 --> 00:03:46,640

i want to see if we can share this voice

99

00:03:49,270 --> 00:03:48,080

help share the interview help grow

100

00:03:51,430 --> 00:03:49,280

skeptico

101  
00:03:53,270 --> 00:03:51,440  
here's dr pam popper

102  
00:03:55,910 --> 00:03:53,280  
welcome to skeptica where we explore

103  
00:03:58,630 --> 00:03:55,920  
controversial science and spirituality

104  
00:04:01,030 --> 00:03:58,640  
with leading researchers thinkers and

105  
00:04:03,509 --> 00:04:01,040  
their critics i'm your host alex sacaris

106  
00:04:05,750 --> 00:04:03,519  
and today we welcome pam popper to

107  
00:04:08,470 --> 00:04:05,760  
skeptico pam is the founder and

108  
00:04:11,429 --> 00:04:08,480  
president of wellness forum health

109  
00:04:14,630 --> 00:04:11,439  
author of covet operation

110  
00:04:17,990 --> 00:04:14,640  
and a very inspiring

111  
00:04:21,670 --> 00:04:18,000  
health advocate science advocate

112  
00:04:23,909 --> 00:04:21,680  
heck advocate for truth justice freedom

113  
00:04:25,590 --> 00:04:23,919

and all that stuff we're supposed to

114

00:04:29,350 --> 00:04:25,600

care about

115

00:04:32,070 --> 00:04:29,360

and i i have to say you know it really

116

00:04:35,189 --> 00:04:32,080

it really really lifts my spirits

117

00:04:37,670 --> 00:04:35,199

to think that someone as smart as pam is

118

00:04:38,870 --> 00:04:37,680

as successful as pam is

119

00:04:43,030 --> 00:04:38,880

is willing

120

00:04:46,550 --> 00:04:43,040

to fight this battle that i have to say

121

00:04:47,830 --> 00:04:46,560

most of the time seems impossible to win

122

00:04:51,270 --> 00:04:47,840

and

123

00:04:53,030 --> 00:04:51,280

welcome

124

00:04:55,749 --> 00:04:53,040

thank you and i don't think it's

125

00:04:57,430 --> 00:04:55,759

impossible to win i'm in it to win it

126

00:04:59,830 --> 00:04:57,440

and i think we're gonna and i think we

127

00:05:01,909 --> 00:04:59,840

are winning it in many ways

128

00:05:04,310 --> 00:05:01,919

right on well we definitely need to talk

129

00:05:07,350 --> 00:05:04,320

about that uh you know i first i heard

130

00:05:09,590 --> 00:05:07,360

you on uh the higher side chats you did

131

00:05:12,950 --> 00:05:09,600

an excellent job greg carlwood did an

132

00:05:15,029 --> 00:05:12,960

excellent job and it reached

133

00:05:17,110 --> 00:05:15,039

cut i love that show it probably reached

134

00:05:19,189 --> 00:05:17,120

an audience that maybe you don't always

135

00:05:21,909 --> 00:05:19,199

reach but i was listening

136

00:05:25,909 --> 00:05:24,629

and then i was excited to i mean i

137

00:05:27,189 --> 00:05:25,919

really want to talk we have to talk

138

00:05:28,790 --> 00:05:27,199

about what you do and you have to

139

00:05:30,550 --> 00:05:28,800

deliver your message and tell people

140

00:05:32,390 --> 00:05:30,560

that but then i want to talk about some

141

00:05:35,510 --> 00:05:32,400

of the deeper aspects of that

142

00:05:37,029 --> 00:05:35,520

particularly as a regards is to science

143

00:05:39,350 --> 00:05:37,039

in general you've been at this for a

144

00:05:40,870 --> 00:05:39,360

long time it's not like you just popped

145

00:05:44,070 --> 00:05:40,880

your head up when

146

00:05:45,909 --> 00:05:44,080

this covet thing happened and there's a

147

00:05:49,029 --> 00:05:45,919

lot of implications for science where

148

00:05:51,990 --> 00:05:49,039

science is heading how viable

149

00:05:55,029 --> 00:05:52,000

science remains given how there it's

150

00:05:57,749 --> 00:05:55,039

it's just like completely overrun even

151  
00:05:58,469 --> 00:05:57,759  
in the time that i've done this show the

152  
00:06:03,110 --> 00:05:58,479  
the

153  
00:06:05,830 --> 00:06:03,120  
away with at every branch of science is

154  
00:06:07,189 --> 00:06:05,840  
just more extreme than it used to be and

155  
00:06:09,350 --> 00:06:07,199  
then there's a bunch of other stuff we

156  
00:06:10,710 --> 00:06:09,360  
we have to talk about but

157  
00:06:14,629 --> 00:06:10,720  
of course we have to start with the

158  
00:06:18,629 --> 00:06:14,639  
basics dr pam popper i mean

159  
00:06:21,990 --> 00:06:18,639  
even that title we could spend an hour

160  
00:06:24,710 --> 00:06:22,000  
on that title should i use dr pam popper

161  
00:06:27,270 --> 00:06:24,720  
should i not use who controls that

162  
00:06:30,390 --> 00:06:27,280  
who tries to limit that in terms of its

163  
00:06:33,350 --> 00:06:30,400

use its regulations its laws and all the

164

00:06:36,150 --> 00:06:33,360

rest that heck you're ten times the

165

00:06:37,749 --> 00:06:36,160

doctor that of most of the doctors i've

166

00:06:40,230 --> 00:06:37,759

ever seen in my life but there's even

167

00:06:42,790 --> 00:06:40,240

some controversy about whether you

168

00:06:45,029 --> 00:06:42,800

should be called dr pam popper so let's

169

00:06:47,670 --> 00:06:45,039

start with just the very basics of who

170

00:06:50,309 --> 00:06:47,680

you are and how you came to do this work

171

00:06:52,629 --> 00:06:50,319

yeah so i came to this from an outside

172

00:06:55,270 --> 00:06:52,639

position right so i got i didn't get

173

00:06:57,189 --> 00:06:55,280

interested in health at all until i was

174

00:06:59,670 --> 00:06:57,199

in my mid-30s

175

00:07:01,430 --> 00:06:59,680

and uh quite accidentally i mean i i

176

00:07:03,029 --> 00:07:01,440

wasn't very health-conscious i came from

177

00:07:06,390 --> 00:07:03,039

a business background i was in direct

178

00:07:08,550 --> 00:07:06,400

sales and i was a trainer sales trainer

179

00:07:10,790 --> 00:07:08,560

and um and sometimes when you come from

180

00:07:12,309 --> 00:07:10,800

the outside into something it just it

181

00:07:13,909 --> 00:07:12,319

gives you a different perspective and i

182

00:07:15,749 --> 00:07:13,919

think that's what healthcare needs is a

183

00:07:16,870 --> 00:07:15,759

completely different perspective and

184

00:07:19,029 --> 00:07:16,880

approach

185

00:07:20,790 --> 00:07:19,039

so i got interested in eating better i

186

00:07:23,189 --> 00:07:20,800

mean you know this is people don't

187

00:07:24,790 --> 00:07:23,199

realize but back then i was fat

188

00:07:27,510 --> 00:07:24,800

i was unhealthy

189

00:07:29,909 --> 00:07:27,520

i was sedentary

190

00:07:31,589 --> 00:07:29,919

and health was about number 29 on my

191

00:07:32,870 --> 00:07:31,599

list so it all started like it does with

192

00:07:34,710 --> 00:07:32,880

a lot of people i'm going to get myself

193

00:07:36,629 --> 00:07:34,720

in some kind of shape which i did and

194

00:07:38,790 --> 00:07:36,639

then that got me interested but

195

00:07:41,830 --> 00:07:38,800

but i made an interesting discovery

196

00:07:44,550 --> 00:07:41,840

early in my career very early

197

00:07:45,350 --> 00:07:44,560

and that was the problem was the way in

198

00:07:47,270 --> 00:07:45,360

which

199

00:07:49,510 --> 00:07:47,280

conclusions are reached in healthcare

200

00:07:53,110 --> 00:07:49,520

that was like my aha moment

201  
00:07:54,629 --> 00:07:53,120  
and so i i thought gosh i've been misled

202  
00:07:56,550 --> 00:07:54,639  
on almost everything i thought i

203  
00:07:59,189 --> 00:07:56,560  
understood about health my whole life

204  
00:08:01,029 --> 00:07:59,199  
how did that happen and everybody else

205  
00:08:02,469 --> 00:08:01,039  
appears to be equally misled how does

206  
00:08:04,390 --> 00:08:02,479  
that happen and how you solve it so

207  
00:08:06,629 --> 00:08:04,400  
that's where the concept of informed

208  
00:08:07,830 --> 00:08:06,639  
medical decision making came from all

209  
00:08:10,150 --> 00:08:07,840  
right

210  
00:08:12,629 --> 00:08:10,160  
i have an alternative education and it

211  
00:08:15,189 --> 00:08:12,639  
was frankly not very good but there are

212  
00:08:17,270 --> 00:08:15,199  
people who have harvard

213  
00:08:18,390 --> 00:08:17,280

harvard degrees yale degrees stanford

214

00:08:23,749 --> 00:08:18,400

degrees

215

00:08:25,670 --> 00:08:23,759

graduated first in his class

216

00:08:28,070 --> 00:08:25,680

and and they are totally incompetent so

217

00:08:30,309 --> 00:08:28,080

it's not about credentials right

218

00:08:31,990 --> 00:08:30,319

so i came up with this idea that really

219

00:08:33,430 --> 00:08:32,000

should not be so outside the box and

220

00:08:35,670 --> 00:08:33,440

it's remarkable to me that i've been

221

00:08:37,829 --> 00:08:35,680

using it in my business for 27 years and

222

00:08:39,589 --> 00:08:37,839

nobody pays any attention to it here it

223

00:08:41,350 --> 00:08:39,599

is i hope you're sitting down this is

224

00:08:42,310 --> 00:08:41,360

good because it's groundbreaking all

225

00:08:43,509 --> 00:08:42,320

right

226

00:08:45,990 --> 00:08:43,519

how about

227

00:08:47,350 --> 00:08:46,000

if instead of just talking about the

228

00:08:49,829 --> 00:08:47,360

science and

229

00:08:52,150 --> 00:08:49,839

evidence and scientific how about if we

230

00:08:53,269 --> 00:08:52,160

have rules for filtering scientific

231

00:08:54,710 --> 00:08:53,279

information

232

00:08:57,750 --> 00:08:54,720

what if we have pre-established rules

233

00:08:59,829 --> 00:08:57,760

like the way we play football all right

234

00:09:01,509 --> 00:08:59,839

so so you could say well how do you how

235

00:09:03,350 --> 00:09:01,519

do you play football well a group couple

236

00:09:04,790 --> 00:09:03,360

groups of people get together they run

237

00:09:06,310 --> 00:09:04,800

up and down the field for an hour and

238

00:09:08,389 --> 00:09:06,320

then at the end we try to figure out who

239

00:09:10,150 --> 00:09:08,399

won that's the way we do

240

00:09:12,470 --> 00:09:10,160

science right

241

00:09:14,470 --> 00:09:12,480

so we don't play football that way the

242

00:09:16,710 --> 00:09:14,480

quarters are 15 minutes there's a set

243

00:09:19,269 --> 00:09:16,720

number of people on each team a first

244

00:09:21,190 --> 00:09:19,279

down is always 10 yards a field goal

245

00:09:22,710 --> 00:09:21,200

always goes through the posts and we

246

00:09:24,710 --> 00:09:22,720

know what a touchdown is and at the end

247

00:09:27,030 --> 00:09:24,720

of playing thousands of football games

248

00:09:29,430 --> 00:09:27,040

every year we have five plays we fuss

249

00:09:31,110 --> 00:09:29,440

and argue about maybe 10 and we all know

250

00:09:32,949 --> 00:09:31,120

who won the games right

251  
00:09:33,750 --> 00:09:32,959  
so what if you came up with those rules

252  
00:09:35,509 --> 00:09:33,760  
for

253  
00:09:38,070 --> 00:09:35,519  
looking at health and then it doesn't

254  
00:09:39,590 --> 00:09:38,080  
really matter who can who arrives at the

255  
00:09:41,110 --> 00:09:39,600  
conclusions using the rules in other

256  
00:09:43,509 --> 00:09:41,120  
words you could have an eighth grade

257  
00:09:45,910 --> 00:09:43,519  
education and if you knew how to use the

258  
00:09:47,910 --> 00:09:45,920  
rules your conclusions would be reliable

259  
00:09:49,590 --> 00:09:47,920  
without any medical education at all

260  
00:09:50,790 --> 00:09:49,600  
which makes whatever you call me

261  
00:09:52,389 --> 00:09:50,800  
irrelevant

262  
00:09:54,230 --> 00:09:52,399  
okay so what are our rules well i won't

263  
00:09:56,310 --> 00:09:54,240

go through all 19 but i'll just give you

264

00:09:58,150 --> 00:09:56,320

three or four and who's going to argue

265

00:09:59,829 --> 00:09:58,160

with us should we look at conflicts of

266

00:10:01,670 --> 00:09:59,839

interest i don't know any sensible

267

00:10:03,990 --> 00:10:01,680

person who would say no that doesn't

268

00:10:05,590 --> 00:10:04,000

make any difference right well how about

269

00:10:08,310 --> 00:10:05,600

things that are statistically

270

00:10:10,389 --> 00:10:08,320

significant but clinically meaningless

271

00:10:12,230 --> 00:10:10,399

okay so a statin drug for primary

272

00:10:14,870 --> 00:10:12,240

prevention reduces your risk of a heart

273

00:10:17,030 --> 00:10:14,880

attack by seven tenths of a percent

274

00:10:19,269 --> 00:10:17,040

statistically significant

275

00:10:20,949 --> 00:10:19,279

meaningless to a person right

276

00:10:22,630 --> 00:10:20,959

okay how about this one

277

00:10:24,870 --> 00:10:22,640

correlation

278

00:10:26,389 --> 00:10:24,880

does not mean cause and effect here's a

279

00:10:28,790 --> 00:10:26,399

correlation

280

00:10:30,389 --> 00:10:28,800

people women in countries where they're

281

00:10:32,630 --> 00:10:30,399

getting more driver's licenses have a

282

00:10:34,710 --> 00:10:32,640

higher risk of breast cancer so if we're

283

00:10:36,310 --> 00:10:34,720

going to use correlation all women

284

00:10:38,790 --> 00:10:36,320

should surrender their driver's license

285

00:10:40,710 --> 00:10:38,800

tomorrow because clearly driving causes

286

00:10:41,509 --> 00:10:40,720

breast cancer now we know that's crazy

287

00:10:43,829 --> 00:10:41,519

right

288

00:10:46,069 --> 00:10:43,839

but we use that type of thinking every

289

00:10:47,350 --> 00:10:46,079

day to arrive at conclusion so so we

290

00:10:49,590 --> 00:10:47,360

don't need to go through all of them but

291

00:10:51,269 --> 00:10:49,600

basically my argument has been i don't

292

00:10:54,069 --> 00:10:51,279

care what you call me and i've been

293

00:10:56,150 --> 00:10:54,079

called some pretty unsavory things

294

00:10:58,710 --> 00:10:56,160

tell me the flaw in the thinking tell me

295

00:10:59,509 --> 00:10:58,720

which rule you want to pull out

296

00:11:01,670 --> 00:10:59,519

okay

297

00:11:03,590 --> 00:11:01,680

and i've never had anybody want to

298

00:11:06,470 --> 00:11:03,600

debate me on these things to write an

299

00:11:08,470 --> 00:11:06,480

article that refutes what i say

300

00:11:09,990 --> 00:11:08,480

and the reason is because they don't

301  
00:11:11,910 --> 00:11:10,000  
want to put themselves in the position

302  
00:11:13,990 --> 00:11:11,920  
of publicly saying

303  
00:11:15,829 --> 00:11:14,000  
i really think things that are

304  
00:11:18,150 --> 00:11:15,839  
meaningless to patient outcomes should

305  
00:11:20,230 --> 00:11:18,160  
be considered as viable scientific

306  
00:11:21,829 --> 00:11:20,240  
discoveries no who is going to say that

307  
00:11:25,350 --> 00:11:21,839  
do you think mr fauci would ever get on

308  
00:11:27,030 --> 00:11:25,360  
tv and say i disagree with pam popper

309  
00:11:28,710 --> 00:11:27,040  
because conflicts of interest really

310  
00:11:31,030 --> 00:11:28,720  
shouldn't be filtered into our decision

311  
00:11:33,030 --> 00:11:31,040  
making at all so so you shut up your

312  
00:11:35,350 --> 00:11:33,040  
critics i mean i have them out there

313  
00:11:36,949 --> 00:11:35,360

they're like little background noise

314

00:11:39,509 --> 00:11:36,959

they don't really make any difference to

315

00:11:41,350 --> 00:11:39,519

me i don't call myself a doctor anymore

316

00:11:42,790 --> 00:11:41,360

notice on covert operation i didn't put

317

00:11:44,550 --> 00:11:42,800

my credentials or anything like i

318

00:11:47,430 --> 00:11:44,560

stopped that a long time ago to take

319

00:11:49,350 --> 00:11:47,440

that out of the equation let's focus on

320

00:11:51,750 --> 00:11:49,360

the evidence and how we reached a

321

00:11:53,269 --> 00:11:51,760

conclusion about it and you tell me

322

00:11:56,710 --> 00:11:53,279

where you want to take this apart and

323

00:11:57,750 --> 00:11:56,720

everybody just goes strangely silent

324

00:12:00,230 --> 00:11:57,760

okay

325

00:12:01,590 --> 00:12:00,240

i i think that's awesome

326

00:12:03,829 --> 00:12:01,600

it's discouraging though it's

327

00:12:05,350 --> 00:12:03,839

discouraging on a number of fronts in a

328

00:12:06,870 --> 00:12:05,360

number of ways you know we just did a

329

00:12:11,030 --> 00:12:06,880

show

330

00:12:12,310 --> 00:12:11,040

where we really dug into the latest yale

331

00:12:15,750 --> 00:12:12,320

stanford

332

00:12:18,389 --> 00:12:15,760

largest study ever on mask effectiveness

333

00:12:21,269 --> 00:12:18,399

nail in the coffin this is the quote

334

00:12:23,750 --> 00:12:21,279

from the guy at yale

335

00:12:25,990 --> 00:12:23,760

this should put an end to any scientific

336

00:12:28,470 --> 00:12:26,000

debate now you can't get much more

337

00:12:31,350 --> 00:12:28,480

unscientific than that but the same kind

338

00:12:35,110 --> 00:12:31,360

of thing it is it is a null result

339

00:12:36,949 --> 00:12:35,120

it is a huge lie it's a big lie and you

340

00:12:39,670 --> 00:12:36,959

know big lies are easier to hide than

341

00:12:42,710 --> 00:12:39,680

small lies but the the the point of it

342

00:12:46,069 --> 00:12:42,720

was here they are washington post new

343

00:12:47,030 --> 00:12:46,079

york times a pre-peer-reviewed

344

00:12:49,430 --> 00:12:47,040

paper

345

00:12:52,069 --> 00:12:49,440

i mean this is just

346

00:12:54,069 --> 00:12:52,079

like peer review has all the problems

347

00:12:55,590 --> 00:12:54,079

associated with it but i kind of hate

348

00:12:57,190 --> 00:12:55,600

when people even

349

00:12:59,990 --> 00:12:57,200

jump on peer review and go oh peer

350

00:13:02,470 --> 00:13:00,000

review is meaningless well it's it's not

351  
00:13:04,069 --> 00:13:02,480  
maybe what it used to be but we still

352  
00:13:06,230 --> 00:13:04,079  
need some

353  
00:13:08,310 --> 00:13:06,240  
we what's your what you're really

354  
00:13:10,310 --> 00:13:08,320  
talking about i guess i'm jumping around

355  
00:13:13,190 --> 00:13:10,320  
a little bit but i think

356  
00:13:14,790 --> 00:13:13,200  
the the common sense rules that you're

357  
00:13:19,350 --> 00:13:14,800  
talking about

358  
00:13:22,069 --> 00:13:19,360  
were there at some point some reasonably

359  
00:13:24,710 --> 00:13:22,079  
well i think never have been and peer

360  
00:13:26,710 --> 00:13:24,720  
review has always been a problem and the

361  
00:13:29,430 --> 00:13:26,720  
reason is but it has it

362  
00:13:31,350 --> 00:13:29,440  
at its core it's an attempt to get

363  
00:13:33,750 --> 00:13:31,360

towards something that we want to get

364

00:13:35,430 --> 00:13:33,760

towards which is that we should be we

365

00:13:37,430 --> 00:13:35,440

should have a means we should have some

366

00:13:39,990 --> 00:13:37,440

it is that that playing field the

367

00:13:42,150 --> 00:13:40,000

referees to a certain extent no they're

368

00:13:44,470 --> 00:13:42,160

not and the problem is that the peer

369

00:13:46,230 --> 00:13:44,480

review process first of all you've got

370

00:13:48,150 --> 00:13:46,240

any more most of what's in the

371

00:13:50,310 --> 00:13:48,160

scientific literature is prepared by

372

00:13:52,710 --> 00:13:50,320

people with conflicts of interest

373

00:13:55,750 --> 00:13:52,720

and what we found out during covid what

374

00:13:57,430 --> 00:13:55,760

i've known for 25 30 years and everybody

375

00:13:59,189 --> 00:13:57,440

else who's paying attention found out

376

00:14:00,790 --> 00:13:59,199

during coping is that most the people

377

00:14:03,670 --> 00:14:00,800

signing off on these articles have never

378

00:14:04,949 --> 00:14:03,680

even seen the data they just sign off

379

00:14:07,750 --> 00:14:04,959

you have another problem with peer

380

00:14:09,350 --> 00:14:07,760

review and that is that you the experts

381

00:14:11,030 --> 00:14:09,360

i've i've argued for years that what you

382

00:14:12,949 --> 00:14:11,040

need is peer review from people who

383

00:14:15,829 --> 00:14:12,959

aren't in that industry so get a bunch

384

00:14:18,310 --> 00:14:15,839

of dentists to review virology because

385

00:14:20,150 --> 00:14:18,320

dentists can understand virology and if

386

00:14:22,470 --> 00:14:20,160

the findings are different than what the

387

00:14:24,470 --> 00:14:22,480

virologists in charge of research

388

00:14:25,670 --> 00:14:24,480

centers and the funding

389

00:14:27,350 --> 00:14:25,680

are saying

390

00:14:29,189 --> 00:14:27,360

the dentist would be more likely to call

391

00:14:31,670 --> 00:14:29,199

him out on it that virologists that have

392

00:14:33,750 --> 00:14:31,680

an interest in retaining the status quo

393

00:14:35,670 --> 00:14:33,760

so the conflicted nature of the peer

394

00:14:37,509 --> 00:14:35,680

review process makes it meaningless

395

00:14:39,590 --> 00:14:37,519

which is why our rules for filtering

396

00:14:41,829 --> 00:14:39,600

have to be there because the peer review

397

00:14:44,230 --> 00:14:41,839

itself doesn't mean anything at all

398

00:14:45,990 --> 00:14:44,240

you're just 95 of what's in medical

399

00:14:48,230 --> 00:14:46,000

journals that's peer-reviewed is

400

00:14:50,150 --> 00:14:48,240

absolutely inaccurate i can prove it if

401  
00:14:52,150 --> 00:14:50,160  
we just wanted to take one issue of one

402  
00:14:53,670 --> 00:14:52,160  
journal we can go through and apply my

403  
00:14:55,430 --> 00:14:53,680  
rules and again tell me which ones you

404  
00:14:57,509 --> 00:14:55,440  
want to take out and i'll show you that

405  
00:14:59,590 --> 00:14:57,519  
people at the best academic centers are

406  
00:15:02,310 --> 00:14:59,600  
all funded by the same people they're

407  
00:15:05,110 --> 00:15:02,320  
all working for the same people and as

408  
00:15:07,030 --> 00:15:05,120  
garbage absolute unmitigated garbage and

409  
00:15:09,030 --> 00:15:07,040  
if you don't know how to do that as a

410  
00:15:11,030 --> 00:15:09,040  
consumer then you're going to do what

411  
00:15:12,870 --> 00:15:11,040  
people tell you and they are conflicted

412  
00:15:14,870 --> 00:15:12,880  
and they are following the conflicted

413  
00:15:16,710 --> 00:15:14,880

information and you're going to get hurt

414

00:15:19,509 --> 00:15:16,720

and that's how people get hurt every day

415

00:15:21,670 --> 00:15:19,519

and what i've heard for 27 years if i

416

00:15:23,670 --> 00:15:21,680

knew then what i know now

417

00:15:25,430 --> 00:15:23,680

i never would have done this whatever

418

00:15:28,389 --> 00:15:25,440

this is i wouldn't have eaten this

419

00:15:30,150 --> 00:15:28,399

god-awful diet that made me get sick i

420

00:15:32,150 --> 00:15:30,160

wouldn't have taken this drug that made

421

00:15:34,629 --> 00:15:32,160

me have cancer i wouldn't have had this

422

00:15:36,470 --> 00:15:34,639

procedure that rendered me an invalid i

423

00:15:38,949 --> 00:15:36,480

wouldn't have had this vaccine that made

424

00:15:40,870 --> 00:15:38,959

me have seizures 24 hours a day if i'd

425

00:15:42,710 --> 00:15:40,880

known then what i know now and my

426

00:15:46,389 --> 00:15:42,720

argument all along is if you're going to

427

00:15:48,230 --> 00:15:46,399

be a consumer you understand the need to

428

00:15:50,069 --> 00:15:48,240

look into things in every other aspect

429

00:15:52,310 --> 00:15:50,079

of your life and it really doesn't even

430

00:15:54,470 --> 00:15:52,320

have anything to do with respect for the

431

00:15:56,550 --> 00:15:54,480

doctors or whatever i respect my

432

00:15:58,470 --> 00:15:56,560

landlord but my last lease renewal was

433

00:16:00,550 --> 00:15:58,480

for a million dollars worth of rent and

434

00:16:02,069 --> 00:16:00,560

i read the document before i signed it

435

00:16:03,350 --> 00:16:02,079

because it's a million dollars for

436

00:16:05,110 --> 00:16:03,360

crying out loud it has nothing to do

437

00:16:07,350 --> 00:16:05,120

with do i like the guy or do i trust

438

00:16:09,509 --> 00:16:07,360

real estate people it has to do with

439

00:16:11,110 --> 00:16:09,519

sensible people look into these things

440

00:16:13,030 --> 00:16:11,120

before they do them and that's what i've

441

00:16:14,949 --> 00:16:13,040

been advocating for a long time the

442

00:16:16,790 --> 00:16:14,959

stakes are higher in medicine my

443

00:16:18,230 --> 00:16:16,800

landlord's not going to kill me but a

444

00:16:19,829 --> 00:16:18,240

wrong decision

445

00:16:21,829 --> 00:16:19,839

i mean i could end up bankrupt but my

446

00:16:23,350 --> 00:16:21,839

landlord's not going to kill me a wrong

447

00:16:24,550 --> 00:16:23,360

decision in health care could end your

448

00:16:26,949 --> 00:16:24,560

life early

449

00:16:29,509 --> 00:16:26,959

you know i i can't really put up an

450

00:16:31,269 --> 00:16:29,519

argument against what you're saying i i

451

00:16:34,310 --> 00:16:31,279

do try and find

452

00:16:37,430 --> 00:16:34,320

a path through this that

453

00:16:40,069 --> 00:16:37,440

i don't know seems reasonably uh likely

454

00:16:42,949 --> 00:16:40,079

to happen i kind of cut my teeth on this

455

00:16:45,030 --> 00:16:42,959

whole issue on with parapsychology

456

00:16:47,350 --> 00:16:45,040

because in the area of science that i

457

00:16:49,269 --> 00:16:47,360

cared about in terms of answering kind

458

00:16:52,069 --> 00:16:49,279

of the big picture who are we why are we

459

00:16:54,069 --> 00:16:52,079

here kind of thing and what i found

460

00:16:56,870 --> 00:16:54,079

is that here was a group of people that

461

00:16:59,269 --> 00:16:56,880

were doing science more rigorously more

462

00:17:00,389 --> 00:16:59,279

correctly than almost any other branch

463

00:17:02,310 --> 00:17:00,399

of science because they were always

464

00:17:03,749 --> 00:17:02,320

under attack and

465

00:17:05,189 --> 00:17:03,759

some of the journals that they publish

466

00:17:08,309 --> 00:17:05,199

in like the journal of scientific

467

00:17:10,230 --> 00:17:08,319

exploration you know top scientists

468

00:17:12,710 --> 00:17:10,240

major universities

469

00:17:15,429 --> 00:17:12,720

peer review open peer review where you

470

00:17:17,189 --> 00:17:15,439

can read who the reviewers are what

471

00:17:19,669 --> 00:17:17,199

their comments are and you can say

472

00:17:21,429 --> 00:17:19,679

that's legitimate criticism or you know

473

00:17:24,870 --> 00:17:21,439

whether it's hidden so

474

00:17:27,829 --> 00:17:24,880

i i guess what i what i found in in them

475

00:17:30,230 --> 00:17:27,839

in that group is a way that science

476  
00:17:32,789 --> 00:17:30,240  
really can function and move forward and

477  
00:17:34,230 --> 00:17:32,799  
i understand where it fails in so many

478  
00:17:36,870 --> 00:17:34,240  
other ways

479  
00:17:39,830 --> 00:17:36,880  
i just don't know

480  
00:17:42,390 --> 00:17:39,840  
this battle seems so big and i guess

481  
00:17:43,510 --> 00:17:42,400  
that's where we ought to talk next is

482  
00:17:46,070 --> 00:17:43,520  
about

483  
00:17:48,070 --> 00:17:46,080  
let's skip right past the science thing

484  
00:17:50,390 --> 00:17:48,080  
because i think we handled it in terms

485  
00:17:51,750 --> 00:17:50,400  
of how bad it is

486  
00:17:54,870 --> 00:17:51,760  
lawsuits

487  
00:17:56,950 --> 00:17:54,880  
versus legislation i really learned

488  
00:17:57,909 --> 00:17:56,960

something when i heard

489

00:18:01,830 --> 00:17:57,919

your

490

00:18:03,029 --> 00:18:01,840

kind of take on why legislation doesn't

491

00:18:05,830 --> 00:18:03,039

work

492

00:18:07,110 --> 00:18:05,840

especially in this situation and why

493

00:18:09,590 --> 00:18:07,120

lawsuits

494

00:18:11,270 --> 00:18:09,600

might be a better path forward

495

00:18:12,950 --> 00:18:11,280

they're the only path forward it's the

496

00:18:14,870 --> 00:18:12,960

only branch of government we have that

497

00:18:17,350 --> 00:18:14,880

somewhat functions and notice i use the

498

00:18:18,549 --> 00:18:17,360

qualifier somewhat all right

499

00:18:21,669 --> 00:18:18,559

so

500

00:18:23,190 --> 00:18:21,679

let's talk about this because i'm in it

501  
00:18:25,110 --> 00:18:23,200  
to win it we're going to win it we are

502  
00:18:26,070 --> 00:18:25,120  
winning it all right so i'll clarify all

503  
00:18:29,350 --> 00:18:26,080  
that but

504  
00:18:31,750 --> 00:18:29,360  
but um when i started in my business 27

505  
00:18:33,909 --> 00:18:31,760  
years ago it was i think maybe four

506  
00:18:35,909 --> 00:18:33,919  
months before i got a state agency

507  
00:18:37,830 --> 00:18:35,919  
calling on me and that was my

508  
00:18:39,750 --> 00:18:37,840  
introduction to how corrupt all this

509  
00:18:41,990 --> 00:18:39,760  
stuff was really

510  
00:18:44,150 --> 00:18:42,000  
can you tell that story a little bit i

511  
00:18:47,190 --> 00:18:44,160  
was accused of practicing dietetics

512  
00:18:48,870 --> 00:18:47,200  
without a license and um and so it goes

513  
00:18:50,870 --> 00:18:48,880

to the licensure scheme which is all

514

00:18:52,950 --> 00:18:50,880

about turf and title protection and i

515

00:18:54,870 --> 00:18:52,960

won that case it took five years i spent

516

00:18:56,789 --> 00:18:54,880

a lot of money and that's what got me

517

00:18:58,070 --> 00:18:56,799

involved in advocacy i'm not a neophyte

518

00:19:01,270 --> 00:18:58,080

at this rate

519

00:19:03,029 --> 00:19:01,280

and um and i'll skip over like 10 years

520

00:19:06,070 --> 00:19:03,039

of it was longer than that actually

521

00:19:08,710 --> 00:19:06,080

maybe 10 years of of advocacy 12 years

522

00:19:11,029 --> 00:19:08,720

and in 2008 i had gotten some things

523

00:19:12,470 --> 00:19:11,039

done but i'd also spent an enormous

524

00:19:14,070 --> 00:19:12,480

amount of money and effort i really

525

00:19:15,510 --> 00:19:14,080

didn't think that what we got out of it

526

00:19:17,029 --> 00:19:15,520

was what we should have gotten out of it

527

00:19:20,950 --> 00:19:17,039

based on that

528

00:19:24,230 --> 00:19:20,960

and um the economy crashed in 2008

529

00:19:26,870 --> 00:19:24,240

and so um i just decided no legislatures

530

00:19:28,310 --> 00:19:26,880

are going to consider anything anyway

531

00:19:30,310 --> 00:19:28,320

during this time everybody's worried

532

00:19:32,470 --> 00:19:30,320

about the housing crisis and all that

533

00:19:34,789 --> 00:19:32,480

and then i got hired to work on a film

534

00:19:36,470 --> 00:19:34,799

that became a blockbuster and i

535

00:19:38,150 --> 00:19:36,480

co-authored the companion book and my

536

00:19:39,750 --> 00:19:38,160

life just went in another direction you

537

00:19:41,590 --> 00:19:39,760

know which was good gave me a chance to

538

00:19:42,950 --> 00:19:41,600

make back some of the money i'd spent on

539

00:19:44,789 --> 00:19:42,960

all of this

540

00:19:46,630 --> 00:19:44,799

but i said to myself at the time if i

541

00:19:48,789 --> 00:19:46,640

ever do this again

542

00:19:50,710 --> 00:19:48,799

it will be different i will not do it

543

00:19:52,549 --> 00:19:50,720

under the same circumstances and so when

544

00:19:55,029 --> 00:19:52,559

this whole thing happened

545

00:19:57,669 --> 00:19:55,039

you know and and i and i have i work

546

00:19:59,190 --> 00:19:57,679

with people who i respect a great deal

547

00:20:00,630 --> 00:19:59,200

and who depend on me to make good

548

00:20:02,549 --> 00:20:00,640

decisions because their mortgage

549

00:20:04,149 --> 00:20:02,559

payments and their cut you know kids

550

00:20:06,870 --> 00:20:04,159

tuition and all that counts on our

551  
00:20:08,630 --> 00:20:06,880  
business doing well right so when we

552  
00:20:10,310 --> 00:20:08,640  
started talking about doing something

553  
00:20:12,870 --> 00:20:10,320  
this time

554  
00:20:14,549 --> 00:20:12,880  
um everybody was on board for doing it

555  
00:20:16,230 --> 00:20:14,559  
with the risks associated with it

556  
00:20:18,149 --> 00:20:16,240  
including that i could get assassinated

557  
00:20:19,830 --> 00:20:18,159  
which at one point in time was a very

558  
00:20:21,510 --> 00:20:19,840  
real risk

559  
00:20:22,950 --> 00:20:21,520  
at one point it's not so much now

560  
00:20:24,390 --> 00:20:22,960  
because getting rid of me wouldn't help

561  
00:20:25,669 --> 00:20:24,400  
you got too many other people doing the

562  
00:20:28,390 --> 00:20:25,679  
same thing but

563  
00:20:29,110 --> 00:20:28,400

but um the the one caveat was we're with

564

00:20:30,870 --> 00:20:29,120

you

565

00:20:32,870 --> 00:20:30,880

but we got to do it differently than we

566

00:20:34,789 --> 00:20:32,880

did the last time or we're not with you

567

00:20:36,149 --> 00:20:34,799

because we're that's not a pathway to

568

00:20:37,029 --> 00:20:36,159

fix this

569

00:20:41,029 --> 00:20:37,039

so

570

00:20:43,029 --> 00:20:41,039

going to take a practical view of this

571

00:20:45,029 --> 00:20:43,039

we're going to look at it tactically and

572

00:20:46,549 --> 00:20:45,039

we did we have two three branches of

573

00:20:48,470 --> 00:20:46,559

government all right the executive

574

00:20:50,950 --> 00:20:48,480

branch has just completely gone off the

575

00:20:53,669 --> 00:20:50,960

deep end you have a couple of people

576

00:20:55,909 --> 00:20:53,679

like ron desantis who has some clue

577

00:20:57,430 --> 00:20:55,919

about his role in government and the

578

00:20:59,510 --> 00:20:57,440

rest of them like this criminal in

579

00:21:01,830 --> 00:20:59,520

charge of my state he is just nothing

580

00:21:03,909 --> 00:21:01,840

but a criminal have gone rogue they've

581

00:21:05,830 --> 00:21:03,919

declared themselves on prison emphasis

582

00:21:08,470 --> 00:21:05,840

the legislatures are useless that during

583

00:21:10,630 --> 00:21:08,480

this entire time one state legislature

584

00:21:11,830 --> 00:21:10,640

has passed one law that meaningfully

585

00:21:13,510 --> 00:21:11,840

helps people

586

00:21:15,830 --> 00:21:13,520

and and part of the problem we have in

587

00:21:18,470 --> 00:21:15,840

messaging this is that people don't pay

588

00:21:20,789 --> 00:21:18,480

attention tell folks a little bit about

589

00:21:22,070 --> 00:21:20,799

ohio where you live

590

00:21:24,549 --> 00:21:22,080

the government i'll tell you about who

591

00:21:25,909 --> 00:21:24,559

he is what his background is this guy

592

00:21:28,149 --> 00:21:25,919

he's not a guy

593

00:21:29,750 --> 00:21:28,159

no he's a little guy and he's not very

594

00:21:31,029 --> 00:21:29,760

smart i dealt with him before he was

595

00:21:33,029 --> 00:21:31,039

governor when he was in the state

596

00:21:34,630 --> 00:21:33,039

legislature he's not the brightest lamp

597

00:21:36,310 --> 00:21:34,640

in the chandelier and he certainly is

598

00:21:38,149 --> 00:21:36,320

not the brains behind this i don't think

599

00:21:40,789 --> 00:21:38,159

he's done the brains behind anything in

600

00:21:42,630 --> 00:21:40,799

his whole life and he peeks over the

601  
00:21:44,310 --> 00:21:42,640  
podium i make fun of him a little bit he

602  
00:21:45,990 --> 00:21:44,320  
keeps getting smaller because i think

603  
00:21:48,230 --> 00:21:46,000  
that's what happens when the soul leaves

604  
00:21:50,149 --> 00:21:48,240  
the body you just shrink right and he's

605  
00:21:51,669 --> 00:21:50,159  
republican right oh yeah he's a

606  
00:21:53,909 --> 00:21:51,679  
republican governor well that's what he

607  
00:21:56,630 --> 00:21:53,919  
calls he likes kind of being around all

608  
00:21:57,830 --> 00:21:56,640  
the all the big guys and getting a

609  
00:21:59,669 --> 00:21:57,840  
little bit of

610  
00:22:01,029 --> 00:21:59,679  
cheese thrown in his

611  
00:22:03,029 --> 00:22:01,039  
well i don't know about that i think

612  
00:22:05,270 --> 00:22:03,039  
that there are two types of people in

613  
00:22:06,630 --> 00:22:05,280

the executive branch who got who got

614

00:22:08,070 --> 00:22:06,640

involved in this

615

00:22:10,549 --> 00:22:08,080

i think there are some people who were

616

00:22:12,470 --> 00:22:10,559

offered something spectacular

617

00:22:16,230 --> 00:22:12,480

and i think there were other people

618

00:22:17,830 --> 00:22:16,240

who were bri who were blackmailed and um

619

00:22:19,909 --> 00:22:17,840

i don't see this little man getting

620

00:22:22,070 --> 00:22:19,919

anything spectacular i think they've got

621

00:22:24,149 --> 00:22:22,080

something on him that's my personal

622

00:22:26,470 --> 00:22:24,159

opinion and it's just an opinion and an

623

00:22:28,630 --> 00:22:26,480

instinct that i have and if you go back

624

00:22:30,310 --> 00:22:28,640

and watch all 200 videos i create

625

00:22:31,990 --> 00:22:30,320

created since this started you will find

626

00:22:33,430 --> 00:22:32,000

out that my instincts are pretty darn

627

00:22:35,029 --> 00:22:33,440

good because every single thing i've

628

00:22:36,789 --> 00:22:35,039

said that was going to happen has

629

00:22:38,630 --> 00:22:36,799

happened and i wish i weren't so good at

630

00:22:40,870 --> 00:22:38,640

predicting because it hasn't been very

631

00:22:43,029 --> 00:22:40,880

good what's happened right

632

00:22:44,710 --> 00:22:43,039

so so he's typical of the executive

633

00:22:46,149 --> 00:22:44,720

branch he just does whatever he wants he

634

00:22:48,149 --> 00:22:46,159

doesn't care what's constitutional in

635

00:22:50,310 --> 00:22:48,159

fact the only the only thing that's

636

00:22:52,070 --> 00:22:50,320

rained him is our lawsuit that kept him

637

00:22:54,149 --> 00:22:52,080

from locking the state down a second

638

00:22:56,310 --> 00:22:54,159

time and modified his behavior quite a

639

00:22:59,110 --> 00:22:56,320

bit because he was concerned he knew

640

00:23:00,789 --> 00:22:59,120

what he was doing was wrong and so wrong

641

00:23:03,510 --> 00:23:00,799

that in fact there was a case that was

642

00:23:04,549 --> 00:23:03,520

won um against a restaurant in a county

643

00:23:08,070 --> 00:23:04,559

a couple

644

00:23:09,430 --> 00:23:08,080

about 35 uh 45 minutes up north here

645

00:23:11,270 --> 00:23:09,440

where they didn't even show up the

646

00:23:13,350 --> 00:23:11,280

prosecution didn't show up and you know

647

00:23:15,430 --> 00:23:13,360

why because they knew they couldn't win

648

00:23:16,950 --> 00:23:15,440

and whoever is telling our law emperor

649

00:23:18,789 --> 00:23:16,960

what to do said you just leave that

650

00:23:20,789 --> 00:23:18,799

alone we can't afford to show up in

651  
00:23:23,270 --> 00:23:20,799  
court and lose so just let them have

652  
00:23:24,390 --> 00:23:23,280  
this right so that's the executive

653  
00:23:26,789 --> 00:23:24,400  
branch and then you've got the

654  
00:23:29,190 --> 00:23:26,799  
legislative branch which is useless

655  
00:23:30,070 --> 00:23:29,200  
and and a good example of useless is

656  
00:23:32,470 --> 00:23:30,080  
when

657  
00:23:34,789 --> 00:23:32,480  
the florida legislature passed a law

658  
00:23:36,470 --> 00:23:34,799  
saying can't have a backs passport for

659  
00:23:39,590 --> 00:23:36,480  
coven vaccines

660  
00:23:41,990 --> 00:23:39,600  
they left on the books a law from 2002

661  
00:23:43,830 --> 00:23:42,000  
that says that the department of health

662  
00:23:46,470 --> 00:23:43,840  
can force test

663  
00:23:49,350 --> 00:23:46,480

force quarantine and force vaccinate

664

00:23:51,510 --> 00:23:49,360

anybody as long as there's an emergency

665

00:23:54,710 --> 00:23:51,520

in the state okay

666

00:23:56,390 --> 00:23:54,720

so tell me how the citizens of florida

667

00:23:57,990 --> 00:23:56,400

are in terms of security you're one

668

00:24:00,390 --> 00:23:58,000

election away from ending up with a

669

00:24:02,149 --> 00:24:00,400

little criminal like ours in charge

670

00:24:04,070 --> 00:24:02,159

who decides to do whatever he wants to

671

00:24:05,590 --> 00:24:04,080

do right so so you can't use the

672

00:24:06,470 --> 00:24:05,600

legislative branch you're left with the

673

00:24:09,590 --> 00:24:06,480

courts

674

00:24:11,110 --> 00:24:09,600

aren't so good and you're right but some

675

00:24:13,510 --> 00:24:11,120

of the courts are good

676  
00:24:15,669 --> 00:24:13,520  
and understand the way that i think with

677  
00:24:17,669 --> 00:24:15,679  
my business background all right so

678  
00:24:19,669 --> 00:24:17,679  
what we really need is discovery and

679  
00:24:21,510 --> 00:24:19,679  
we're getting it from whistleblowers but

680  
00:24:23,590 --> 00:24:21,520  
we need big document dumps and we need

681  
00:24:25,190 --> 00:24:23,600  
to depose the criminals like fauci and

682  
00:24:26,149 --> 00:24:25,200  
our little emperor and those kinds of

683  
00:24:28,870 --> 00:24:26,159  
people

684  
00:24:31,029 --> 00:24:28,880  
but um but you only need one judge to

685  
00:24:33,110 --> 00:24:31,039  
give you discovery in the whole country

686  
00:24:36,310 --> 00:24:33,120  
because we don't need to depose bauchi

687  
00:24:38,470 --> 00:24:36,320  
36 times one time for four days will be

688  
00:24:40,630 --> 00:24:38,480

fine and we don't need the cdc documents

689

00:24:42,710 --> 00:24:40,640

to be delivered to 14 locations one and

690

00:24:45,430 --> 00:24:42,720

we'll share it with everybody right

691

00:24:47,990 --> 00:24:45,440

so when you follow explain that i i say

692

00:24:49,029 --> 00:24:48,000

i say write because i listened to your

693

00:24:52,149 --> 00:24:49,039

interview

694

00:24:54,710 --> 00:24:52,159

on thc and you really did but it was

695

00:24:57,510 --> 00:24:54,720

news to me pam i'm not i think i thought

696

00:24:59,269 --> 00:24:57,520

i was pretty clued in but then and you

697

00:25:01,750 --> 00:24:59,279

also talked about like the oxycontin

698

00:25:04,310 --> 00:25:01,760

case which i thought was great analogy

699

00:25:05,269 --> 00:25:04,320

for how this stuff works so take people

700

00:25:07,750 --> 00:25:05,279

through

701  
00:25:10,710 --> 00:25:07,760  
how that works what discovery is how it

702  
00:25:12,950 --> 00:25:10,720  
could work in this case and the power of

703  
00:25:14,789 --> 00:25:12,960  
that of finding that one judge who's

704  
00:25:17,590 --> 00:25:14,799  
willing to stand up

705  
00:25:20,149 --> 00:25:17,600  
yeah so so very good point you bring up

706  
00:25:21,110 --> 00:25:20,159  
so uh the connection to oxy and purdue

707  
00:25:23,590 --> 00:25:21,120  
pharma

708  
00:25:25,830 --> 00:25:23,600  
so when we filed our first lawsuit in

709  
00:25:29,350 --> 00:25:25,840  
ohio you have to be a hundred percent

710  
00:25:30,789 --> 00:25:29,360  
successful to get discovery you file two

711  
00:25:33,350 --> 00:25:30,799  
lawsuits you only have to be fifty

712  
00:25:34,789 --> 00:25:33,360  
percent successful you file twenty

713  
00:25:36,549 --> 00:25:34,799

lawsuits you only have to be five

714

00:25:38,149 --> 00:25:36,559

percent successful if you file a hundred

715

00:25:40,549 --> 00:25:38,159

one percent

716

00:25:43,590 --> 00:25:40,559

blind squirrels find acorns

717

00:25:45,750 --> 00:25:43,600

we will be lucky we will be with if if

718

00:25:47,190 --> 00:25:45,760

it just is pure luck numbers work for

719

00:25:49,750 --> 00:25:47,200

you okay

720

00:25:51,909 --> 00:25:49,760

um and so so that's the lawsuit strategy

721

00:25:54,950 --> 00:25:51,919

and by the way that's what ultimately

722

00:25:56,710 --> 00:25:54,960

brought down the sackler family

723

00:25:58,230 --> 00:25:56,720

and what they had done for years was

724

00:26:00,789 --> 00:25:58,240

they had given their attorneys they're

725

00:26:02,390 --> 00:26:00,799

very highly paid attorneys blank checks

726

00:26:03,990 --> 00:26:02,400

to go out to every place in the country

727

00:26:06,470 --> 00:26:04,000

where they were in trouble like some

728

00:26:09,029 --> 00:26:06,480

prosecutor over here about the opiate

729

00:26:11,029 --> 00:26:09,039

epidemic and somebody over there and and

730

00:26:13,350 --> 00:26:11,039

or some unhappy family whatever it was

731

00:26:15,350 --> 00:26:13,360

and they would seal the record here's 25

732

00:26:17,590 --> 00:26:15,360

million and then we seal the record so

733

00:26:19,990 --> 00:26:17,600

you could never make a case against the

734

00:26:21,750 --> 00:26:20,000

sacklers because everything's buried and

735

00:26:23,750 --> 00:26:21,760

at a certain point in time when things

736

00:26:25,669 --> 00:26:23,760

started turning against the sacklers and

737

00:26:27,110 --> 00:26:25,679

by the way it's like turning the titanic

738

00:26:29,909 --> 00:26:27,120

around in the middle of the ocean you've

739

00:26:32,149 --> 00:26:29,919

got a multi-billion dollar family

740

00:26:35,029 --> 00:26:32,159

with unlimited resources and attorneys

741

00:26:36,789 --> 00:26:35,039

that is out doing and getting the best

742

00:26:38,710 --> 00:26:36,799

of everybody out there until you get

743

00:26:39,830 --> 00:26:38,720

enough of everybody out there to turn

744

00:26:42,310 --> 00:26:39,840

the tables

745

00:26:44,230 --> 00:26:42,320

and um one judge in northeastern ohio

746

00:26:46,310 --> 00:26:44,240

dan folster is the person who started

747

00:26:48,710 --> 00:26:46,320

turning the sackler thing around and the

748

00:26:50,470 --> 00:26:48,720

sacklers should be in prison

749

00:26:52,070 --> 00:26:50,480

but they're not going to go there by the

750

00:26:53,669 --> 00:26:52,080

way but i'll tell you i've read a lot

751  
00:26:55,990 --> 00:26:53,679  
about the sackler family include

752  
00:26:57,510 --> 00:26:56,000  
including a great book about them called

753  
00:27:00,070 --> 00:26:57,520  
empire pain

754  
00:27:02,549 --> 00:27:00,080  
and um the sacklers are mostly into

755  
00:27:04,310 --> 00:27:02,559  
prestige and when everybody started

756  
00:27:06,310 --> 00:27:04,320  
disowning them and taking their name off

757  
00:27:07,750 --> 00:27:06,320  
of the metropolitan museum of art wing

758  
00:27:09,350 --> 00:27:07,760  
that they paid for and all that that's

759  
00:27:12,470 --> 00:27:09,360  
actually more painful for them than

760  
00:27:14,549 --> 00:27:12,480  
prison all right and not being invited

761  
00:27:16,149 --> 00:27:14,559  
to and one of them they're so toned up

762  
00:27:18,149 --> 00:27:16,159  
they actually one of them said in front

763  
00:27:20,310 --> 00:27:18,159

of a congressional hearing i don't think

764

00:27:22,549 --> 00:27:20,320

people realize how hard this has been on

765

00:27:24,710 --> 00:27:22,559

our family really well i don't think you

766

00:27:26,870 --> 00:27:24,720

realize how hard it's been all the half

767

00:27:28,230 --> 00:27:26,880

million people you killed and with your

768

00:27:30,630 --> 00:27:28,240

product right

769

00:27:32,630 --> 00:27:30,640

so that's been our strategy and we will

770

00:27:34,470 --> 00:27:32,640

win this and we are and we and sometimes

771

00:27:36,070 --> 00:27:34,480

you win when you file we're not the only

772

00:27:37,750 --> 00:27:36,080

people who've said this you change the

773

00:27:40,549 --> 00:27:37,760

behavior of the criminals and you put

774

00:27:42,950 --> 00:27:40,559

them on notice and here in ohio uh our

775

00:27:45,990 --> 00:27:42,960

little guy was very compromised by our

776

00:27:48,870 --> 00:27:46,000

litigation and in fact two days before

777

00:27:51,990 --> 00:27:48,880

we were due to file an abbreviated um

778

00:27:53,590 --> 00:27:52,000

complaint because our our judge who we

779

00:27:55,669 --> 00:27:53,600

think might have been compromised said

780

00:27:57,909 --> 00:27:55,679

that what we filed was too much for him

781

00:27:59,990 --> 00:27:57,919

to read

782

00:28:02,149 --> 00:28:00,000

let that sink in for a minute

783

00:28:03,750 --> 00:28:02,159

so being the accommodating people that

784

00:28:05,510 --> 00:28:03,760

we are our attorneys said well no

785

00:28:07,029 --> 00:28:05,520

problem i'm going to condense it into 20

786

00:28:09,430 --> 00:28:07,039

pages for you

787

00:28:11,510 --> 00:28:09,440

and two days now and this just tells you

788

00:28:12,549 --> 00:28:11,520

how much you can accomplish just by

789

00:28:15,110 --> 00:28:12,559

filing

790

00:28:16,549 --> 00:28:15,120

so our guy cancel our emperor cancels

791

00:28:19,669 --> 00:28:16,559

the ohio state fair it's going to be

792

00:28:21,510 --> 00:28:19,679

virtual he cancels every downtown arts

793

00:28:23,430 --> 00:28:21,520

festival everything's canceled for the

794

00:28:27,029 --> 00:28:23,440

summer so does this sound like he wants

795

00:28:29,350 --> 00:28:27,039

to let us go free not to me all right

796

00:28:31,350 --> 00:28:29,360

two days before we're due in court to

797

00:28:32,630 --> 00:28:31,360

deliver our abbreviated

798

00:28:34,710 --> 00:28:32,640

uh brief

799

00:28:37,510 --> 00:28:34,720

he goes into his press conference peers

800

00:28:38,630 --> 00:28:37,520

over the lectern and goes go free

801  
00:28:41,430 --> 00:28:38,640  
we're free

802  
00:28:43,350 --> 00:28:41,440  
everybody go out and go free right

803  
00:28:45,430 --> 00:28:43,360  
well i think it's because there what

804  
00:28:47,190 --> 00:28:45,440  
what was going to happen when we fight

805  
00:28:49,190 --> 00:28:47,200  
now you can't complain about the size of

806  
00:28:51,190 --> 00:28:49,200  
the documents we filed

807  
00:28:52,389 --> 00:28:51,200  
we survived all the 12b emotions to get

808  
00:28:53,909 --> 00:28:52,399  
it thrown out

809  
00:28:57,190 --> 00:28:53,919  
now we're actually going to go to a

810  
00:28:59,750 --> 00:28:57,200  
hearing so we did not get discovery but

811  
00:29:01,830 --> 00:28:59,760  
again life in ohio since we started

812  
00:29:03,830 --> 00:29:01,840  
going after this guy on august 31st last

813  
00:29:05,669 --> 00:29:03,840

year has been significantly better

814

00:29:07,029 --> 00:29:05,679

there's been virtually no enforcement i

815

00:29:08,789 --> 00:29:07,039

mean he stands up there and says we're

816

00:29:11,350 --> 00:29:08,799

going to do this we're going to do that

817

00:29:13,190 --> 00:29:11,360

we went out of our way to try to get

818

00:29:15,430 --> 00:29:13,200

people arrested last year

819

00:29:17,830 --> 00:29:15,440

and couldn't get it done we sent crews

820

00:29:20,389 --> 00:29:17,840

of people he had a curfew in place we

821

00:29:22,230 --> 00:29:20,399

sent people driving around ohio crews of

822

00:29:23,669 --> 00:29:22,240

people and we instructed them we want

823

00:29:26,470 --> 00:29:23,679

you to go through the parking lots of

824

00:29:28,630 --> 00:29:26,480

police stations and honk your horn wave

825

00:29:30,470 --> 00:29:28,640

your arms out the window and scream and

826

00:29:33,350 --> 00:29:30,480

the whole nine yards we couldn't even

827

00:29:35,029 --> 00:29:33,360

get pulled over we tried okay and the

828

00:29:36,870 --> 00:29:35,039

reason is because he knew it was

829

00:29:39,269 --> 00:29:36,880

unlawful order and he could never

830

00:29:40,950 --> 00:29:39,279

enforce it and and by the by the way

831

00:29:42,389 --> 00:29:40,960

word got out and it got to the place

832

00:29:44,630 --> 00:29:42,399

where you could not tell the difference

833

00:29:46,389 --> 00:29:44,640

between when we were under a curfew and

834

00:29:48,470 --> 00:29:46,399

when we weren't in terms of traffic on

835

00:29:50,470 --> 00:29:48,480

the road so so anyway that's the

836

00:29:52,630 --> 00:29:50,480

litigation strategy and it's really the

837

00:29:54,230 --> 00:29:52,640

only hope we have for getting out of

838

00:29:56,470 --> 00:29:54,240

this in addition to massive

839

00:29:57,269 --> 00:29:56,480

non-compliance

840

00:29:59,830 --> 00:29:57,279

so

841

00:30:01,350 --> 00:29:59,840

then i mean the question that that

842

00:30:03,190 --> 00:30:01,360

brings what's

843

00:30:05,510 --> 00:30:03,200

where are we at on that what's really

844

00:30:08,070 --> 00:30:05,520

the path forward in terms of that

845

00:30:09,750 --> 00:30:08,080

getting us towards that progress because

846

00:30:11,669 --> 00:30:09,760

they have a lot of cards to play and

847

00:30:14,870 --> 00:30:11,679

like you said i mean you've put a great

848

00:30:17,029 --> 00:30:14,880

spin on that story but the other spin is

849

00:30:19,990 --> 00:30:17,039

they managed to kind of dodge you in

850

00:30:22,230 --> 00:30:20,000

court there and get you to that next

851

00:30:24,310 --> 00:30:22,240

goal blind that you you know into the

852

00:30:26,389 --> 00:30:24,320

into the the red zone you know where you

853

00:30:28,149 --> 00:30:26,399

could potentially score

854

00:30:30,789 --> 00:30:28,159

right well but this is where they're

855

00:30:32,389 --> 00:30:30,799

making big mistakes i watch them all the

856

00:30:33,750 --> 00:30:32,399

time i don't sleep so it gives me a lot

857

00:30:34,830 --> 00:30:33,760

of time to watch what's going on and

858

00:30:37,750 --> 00:30:34,840

think about it

859

00:30:39,590 --> 00:30:37,760

right so if you go back here i'm a world

860

00:30:41,669 --> 00:30:39,600

war two buff i have a personal interest

861

00:30:43,590 --> 00:30:41,679

in this for a lot of reasons but if you

862

00:30:44,789 --> 00:30:43,600

take a look at what hitler did and what

863

00:30:46,870 --> 00:30:44,799

everybody liked and just done in the

864

00:30:50,389 --> 00:30:46,880

past they're very skilled and they're

865

00:30:52,070 --> 00:30:50,399

very disciplined about very gradually

866

00:30:53,430 --> 00:30:52,080

doing things to people so if you notice

867

00:30:55,029 --> 00:30:53,440

last year

868

00:30:57,110 --> 00:30:55,039

they you know we're gonna stay home for

869

00:30:59,029 --> 00:30:57,120

two weeks and then we're gonna do this

870

00:31:00,710 --> 00:30:59,039

and we're gonna do that it wasn't until

871

00:31:03,269 --> 00:31:00,720

the middle of the summer that the masks

872

00:31:04,870 --> 00:31:03,279

are starting to be mandated and little

873

00:31:07,029 --> 00:31:04,880

by little by little they were very

874

00:31:08,470 --> 00:31:07,039

gradual in the way that they went about

875

00:31:10,870 --> 00:31:08,480

doing this right

876

00:31:12,630 --> 00:31:10,880

and then all of a sudden we get into a

877

00:31:14,389 --> 00:31:12,640

big problem this year these people

878

00:31:16,830 --> 00:31:14,399

promised somebody that they were going

879

00:31:19,430 --> 00:31:16,840

to get 75 or 80 percent of this country

880

00:31:21,350 --> 00:31:19,440

vaccinated and i put out a video in the

881

00:31:22,950 --> 00:31:21,360

summertime and here's how i arrived at

882

00:31:24,789 --> 00:31:22,960

my numbers less than 40 percent of the

883

00:31:26,230 --> 00:31:24,799

country was vaccinated i forget about

884

00:31:28,230 --> 00:31:26,240

their numbers and what they report it's

885

00:31:30,149 --> 00:31:28,240

all fake news so where did i get my

886

00:31:31,990 --> 00:31:30,159

numbers well the feds have been bragging

887

00:31:33,830 --> 00:31:32,000

about how many doses they bought that's

888

00:31:35,750 --> 00:31:33,840

a public number then they've been

889

00:31:38,230 --> 00:31:35,760

bragging about how many doses they sent

890

00:31:39,990 --> 00:31:38,240

overseas that's a public number

891

00:31:41,669 --> 00:31:40,000

then all the states started complaining

892

00:31:44,230 --> 00:31:41,679

about all the doses they were throwing

893

00:31:46,789 --> 00:31:44,240

out that's a those are public numbers

894

00:31:49,909 --> 00:31:46,799

and so if you get down to how many

895

00:31:52,549 --> 00:31:49,919

people how many doses were actually used

896

00:31:54,389 --> 00:31:52,559

it's less than 40 and then

897

00:31:56,310 --> 00:31:54,399

one week afterwards i get absolute

898

00:31:59,350 --> 00:31:56,320

confirmation i'm right because the

899

00:32:01,110 --> 00:31:59,360

kaiser family foundation did a survey of

900

00:32:02,549 --> 00:32:01,120

all the counties in the country and what

901  
00:32:04,149 --> 00:32:02,559  
they reported they wanted to make trump

902  
00:32:05,190 --> 00:32:04,159  
look bad which i don't want to get into

903  
00:32:06,789 --> 00:32:05,200  
that because that doesn't really have

904  
00:32:08,549 --> 00:32:06,799  
much to do with what we're doing except

905  
00:32:11,590 --> 00:32:08,559  
that what they said was in counties that

906  
00:32:14,470 --> 00:32:11,600  
trump carried 35 vaccination rate and

907  
00:32:17,269 --> 00:32:14,480  
counties that biden carried at 28

908  
00:32:18,389 --> 00:32:17,279  
vaccinated or 35 percent for biden 28

909  
00:32:20,149 --> 00:32:18,399  
for trump

910  
00:32:21,509 --> 00:32:20,159  
well i think that they got confused at

911  
00:32:22,789 --> 00:32:21,519  
the federal level and they added those

912  
00:32:24,630 --> 00:32:22,799  
two numbers together instead of

913  
00:32:26,710 --> 00:32:24,640

averaging them out right

914

00:32:29,509 --> 00:32:26,720

but it's under 40

915

00:32:32,230 --> 00:32:29,519

so now panic ensues

916

00:32:33,990 --> 00:32:32,240

and they try the vaccine lotteries they

917

00:32:36,149 --> 00:32:34,000

tried all that stuff donuts and and

918

00:32:39,430 --> 00:32:36,159

nothing would make it work so biden gets

919

00:32:42,230 --> 00:32:39,440

up there and he says every employer over

920

00:32:43,669 --> 00:32:42,240

100 has to with over 100 employees has

921

00:32:45,750 --> 00:32:43,679

to do this

922

00:32:47,830 --> 00:32:45,760

there has never been a better recruiting

923

00:32:49,350 --> 00:32:47,840

day in the history of make americans

924

00:32:51,430 --> 00:32:49,360

free again than the day of that

925

00:32:53,830 --> 00:32:51,440

announcement which is exactly the

926

00:32:56,230 --> 00:32:53,840

opposite of what they wanted and you saw

927

00:32:58,230 --> 00:32:56,240

the real digging in of the heels started

928

00:32:59,990 --> 00:32:58,240

after that because what happens when you

929

00:33:02,149 --> 00:33:00,000

make an alarming announcement like that

930

00:33:05,029 --> 00:33:02,159

you go from your very measured

931

00:33:05,909 --> 00:33:05,039

um very gradual descent into hell if you

932

00:33:08,549 --> 00:33:05,919

will

933

00:33:10,549 --> 00:33:08,559

to all of a sudden this guy gets on tv

934

00:33:12,389 --> 00:33:10,559

and it turns the whole thing into chaos

935

00:33:14,149 --> 00:33:12,399

and then immediately the governor starts

936

00:33:15,990 --> 00:33:14,159

saying we're not doing it

937

00:33:17,909 --> 00:33:16,000

and then because the 10th amendment is

938

00:33:20,149 --> 00:33:17,919

alive and well and you can't control

939

00:33:22,710 --> 00:33:20,159

much from the feds and then companies

940

00:33:24,070 --> 00:33:22,720

say we know many companies that are

941

00:33:25,909 --> 00:33:24,080

acting like they're complying but

942

00:33:28,070 --> 00:33:25,919

they're not because they can't they'll

943

00:33:29,909 --> 00:33:28,080

go out of business and so it threw it

944

00:33:31,830 --> 00:33:29,919

all into chaos and and i started getting

945

00:33:33,750 --> 00:33:31,840

emails from people who said i voted for

946

00:33:35,830 --> 00:33:33,760

this guy and this is insane i mean just

947

00:33:37,430 --> 00:33:35,840

sign me up i'll start a group i have

948

00:33:39,029 --> 00:33:37,440

people that i've asked people to start

949

00:33:40,710 --> 00:33:39,039

these thursday groups and some people

950

00:33:43,110 --> 00:33:40,720

have gleefully done it and some people

951  
00:33:44,710 --> 00:33:43,120  
do so hard and i don't know anybody i

952  
00:33:45,830 --> 00:33:44,720  
had one person who used to whine and cry

953  
00:33:47,430 --> 00:33:45,840  
about it so hard and i don't know

954  
00:33:50,070 --> 00:33:47,440  
anybody she had 80 people in her group

955  
00:33:52,389 --> 00:33:50,080  
in three weeks so so now they're doing

956  
00:33:54,630 --> 00:33:52,399  
really stupid things that are alarming

957  
00:33:56,630 --> 00:33:54,640  
to people because they're desperate

958  
00:33:58,470 --> 00:33:56,640  
and i don't know where that's going to

959  
00:34:00,470 --> 00:33:58,480  
take us but it's the beginning of the

960  
00:34:02,310 --> 00:34:00,480  
end and if i had to give an analogy of

961  
00:34:03,909 --> 00:34:02,320  
where we are right now

962  
00:34:05,590 --> 00:34:03,919  
it's going to get worse i've been saying

963  
00:34:07,029 --> 00:34:05,600

this it will get worse from here so

964

00:34:09,589 --> 00:34:07,039

don't misunderstand that i think it's

965

00:34:12,470 --> 00:34:09,599

all ground wine and roses it's not but

966

00:34:15,030 --> 00:34:12,480

we are in where we were in the world war

967

00:34:17,109 --> 00:34:15,040

two at 1944

968

00:34:18,310 --> 00:34:17,119

when everybody knew hitler was going to

969

00:34:20,069 --> 00:34:18,320

lose

970

00:34:21,829 --> 00:34:20,079

and there's some very good evidence from

971

00:34:23,589 --> 00:34:21,839

first-hand accounts of people who were

972

00:34:25,669 --> 00:34:23,599

in auschwitz and survived for example

973

00:34:27,430 --> 00:34:25,679

that even some of the nazis were talking

974

00:34:29,270 --> 00:34:27,440

to prisoners they particularly liked who

975

00:34:31,030 --> 00:34:29,280

were privileged and worked in the court

976

00:34:33,589 --> 00:34:31,040

their offices and that sort of thing

977

00:34:36,230 --> 00:34:33,599

some of the ss officers were saying it's

978

00:34:37,750 --> 00:34:36,240

over in fact one guy who escaped and

979

00:34:40,629 --> 00:34:37,760

then got caught

980

00:34:43,270 --> 00:34:40,639

um friends of his survived he was put to

981

00:34:45,270 --> 00:34:43,280

death and said that an ss officer had

982

00:34:46,629 --> 00:34:45,280

told him to wait he said if you'll just

983

00:34:48,069 --> 00:34:46,639

wait a while the germans are going to

984

00:34:49,270 --> 00:34:48,079

lose and then you know everybody gets to

985

00:34:50,710 --> 00:34:49,280

go free and you won't have to worry

986

00:34:52,629 --> 00:34:50,720

about escaping

987

00:34:54,230 --> 00:34:52,639

so that's where we are right now we know

988

00:34:55,909 --> 00:34:54,240

what the end of the story is going to be

989

00:34:58,230 --> 00:34:55,919

what we don't know is how much hell and

990

00:34:59,670 --> 00:34:58,240

grief and god-awful and deaths and

991

00:35:01,829 --> 00:34:59,680

everything else is going to happen

992

00:35:03,990 --> 00:35:01,839

before it starts turning you know before

993

00:35:05,430 --> 00:35:04,000

we actually get to the other side

994

00:35:08,390 --> 00:35:05,440

what's happening though which is the

995

00:35:10,310 --> 00:35:08,400

most interesting to me is i'm 65 years

996

00:35:12,150 --> 00:35:10,320

old all right and as long as i've been

997

00:35:14,390 --> 00:35:12,160

an adult people talk about education

998

00:35:17,030 --> 00:35:14,400

reform health care reform government

999

00:35:18,310 --> 00:35:17,040

reform anybody seen any of that no well

1000

00:35:19,510 --> 00:35:18,320

you start doing what they're doing in

1001

00:35:22,069 --> 00:35:19,520

the schools and this is where they've

1002

00:35:23,829 --> 00:35:22,079

really been stupid you want to control

1003

00:35:26,390 --> 00:35:23,839

people through dumbing them down through

1004

00:35:28,710 --> 00:35:26,400

public education so you create a program

1005

00:35:30,710 --> 00:35:28,720

where 25 of all kids have been withdrawn

1006

00:35:33,109 --> 00:35:30,720

from school you want to control people

1007

00:35:34,630 --> 00:35:33,119

through health care you create a program

1008

00:35:36,630 --> 00:35:34,640

where significant

1009

00:35:39,109 --> 00:35:36,640

you know half a million people get out

1010

00:35:40,390 --> 00:35:39,119

there closing emergency rooms and

1011

00:35:42,550 --> 00:35:40,400

the home and you end up with this

1012

00:35:44,470 --> 00:35:42,560

network of people in private practice

1013

00:35:47,589 --> 00:35:44,480

you know so so the whole narrative is

1014

00:35:49,430 --> 00:35:47,599

just coming unglued all around them and

1015

00:35:51,430 --> 00:35:49,440

um it's not going to be fun for the next

1016

00:35:53,030 --> 00:35:51,440

several months but we are winning we i

1017

00:35:55,670 --> 00:35:53,040

said i'm in it to win it we're going to

1018

00:35:59,030 --> 00:35:55,680

win we have begun to win we already have

1019

00:36:01,430 --> 00:35:59,040

one in some situations and so that's my

1020

00:36:03,510 --> 00:36:01,440

assessment of where we are right now

1021

00:36:05,430 --> 00:36:03,520

yeah i i think there's a

1022

00:36:07,270 --> 00:36:05,440

i'm with you and i want to be with you

1023

00:36:10,230 --> 00:36:07,280

and i think there's a real truth to the

1024

00:36:12,230 --> 00:36:10,240

the don't with moms kind of thing

1025

00:36:13,349 --> 00:36:12,240

right like that that's one thing that

1026

00:36:15,990 --> 00:36:13,359

they learned

1027

00:36:20,390 --> 00:36:16,000

if you look at the false flag operations

1028

00:36:22,710 --> 00:36:20,400

you know it's like you you don't want to

1029

00:36:25,109 --> 00:36:22,720

you don't want to with moms because

1030

00:36:27,190 --> 00:36:25,119

moms will protect those kids and they

1031

00:36:30,230 --> 00:36:27,200

will their political alliances and all

1032

00:36:32,710 --> 00:36:30,240

that will quickly fall apart if they see

1033

00:36:34,069 --> 00:36:32,720

that damage is being done to their kids

1034

00:36:36,069 --> 00:36:34,079

and you're right i think they've

1035

00:36:37,030 --> 00:36:36,079

overplayed their hand but one of the

1036

00:36:39,510 --> 00:36:37,040

things

1037

00:36:40,710 --> 00:36:39,520

that weighs on us all i think a little

1038

00:36:43,430 --> 00:36:40,720

bit

1039

00:36:45,829 --> 00:36:43,440

to curb that enthusiasm

1040

00:36:48,790 --> 00:36:45,839

is the global nature of this and it's

1041

00:36:51,750 --> 00:36:48,800

it's it's both informative of what we're

1042

00:36:54,310 --> 00:36:51,760

up against and it's also

1043

00:36:57,109 --> 00:36:54,320

kind of depressing a little bit they

1044

00:37:00,069 --> 00:36:57,119

rolled this thing out globally at a

1045

00:37:01,589 --> 00:37:00,079

scale that i think we all thought was

1046

00:37:03,829 --> 00:37:01,599

unimaginable

1047

00:37:05,510 --> 00:37:03,839

i mean the level of coordination that

1048

00:37:06,790 --> 00:37:05,520

they showed in that

1049

00:37:08,069 --> 00:37:06,800

is

1050

00:37:09,349 --> 00:37:08,079

what do you make of that what do you

1051

00:37:11,109 --> 00:37:09,359

think of that

1052

00:37:13,670 --> 00:37:11,119

well i think you're right it was ruled

1053

00:37:16,310 --> 00:37:13,680

out it was coordinated and in my book i

1054

00:37:18,230 --> 00:37:16,320

talked about how they we know we know

1055

00:37:19,829 --> 00:37:18,240

for sure they've been planning it since

1056

00:37:21,670 --> 00:37:19,839

2010

1057

00:37:23,190 --> 00:37:21,680

all right and and i don't know if you've

1058

00:37:25,109 --> 00:37:23,200

read my book or not but all this stuff

1059

00:37:26,630 --> 00:37:25,119

that's breaking news right now

1060

00:37:29,750 --> 00:37:26,640

it's all in my book that was published

1061

00:37:30,950 --> 00:37:29,760

last september including the french

1062

00:37:32,630 --> 00:37:30,960

i was just going to say you know the

1063

00:37:36,470 --> 00:37:32,640

other thing i i got from the book and i

1064

00:37:39,109 --> 00:37:36,480

wasn't able to read all of it uh but

1065

00:37:39,990 --> 00:37:39,119

i thought your parallels to the swine

1066

00:37:42,790 --> 00:37:40,000

flu

1067

00:37:45,430 --> 00:37:42,800

in terms of numbers in terms of method

1068

00:37:47,670 --> 00:37:45,440

in terms of rollout that anyone reads it

1069

00:37:49,670 --> 00:37:47,680

and goes you're kidding me

1070

00:37:53,030 --> 00:37:49,680

because i wasn't aware of that all that

1071

00:37:54,630 --> 00:37:53,040

really happened in 2011 the same way the

1072

00:37:56,870 --> 00:37:54,640

buying all the vaccines throwing all the

1073

00:37:58,790 --> 00:37:56,880

vaccines away hyping up stuff and then

1074

00:38:00,230 --> 00:37:58,800

the final numbers don't match anything

1075

00:38:02,150 --> 00:38:00,240

tell people a little bit about that i

1076

00:38:03,750 --> 00:38:02,160

think it's kind of instructive and then

1077

00:38:07,030 --> 00:38:03,760

go ahead with the rest of it it happened

1078

00:38:09,270 --> 00:38:07,040

in 1971 it was 1976 by the way there

1079

00:38:10,870 --> 00:38:09,280

were five cases of flu

1080

00:38:12,950 --> 00:38:10,880

and they had doctors i mean this would

1081

00:38:14,870 --> 00:38:12,960

be comical who wasn't so serious they

1082

00:38:17,670 --> 00:38:14,880

actually had doctors sitting in a war

1083

00:38:19,270 --> 00:38:17,680

room 24 7 and eight hour shifts at the

1084

00:38:21,270 --> 00:38:19,280

cdc

1085

00:38:24,310 --> 00:38:21,280

waiting for reports to come in from the

1086

00:38:26,390 --> 00:38:24,320

eis they're at their uh medical cia and

1087

00:38:28,470 --> 00:38:26,400

they have five cases and they're waiting

1088

00:38:30,870 --> 00:38:28,480

for reports they've been 24 7 they're

1089

00:38:32,790 --> 00:38:30,880

showing these doctors and ford president

1090

00:38:35,349 --> 00:38:32,800

ford gets on tv and he says we're gonna

1091

00:38:37,109 --> 00:38:35,359

have to allocate 500 million dollars to

1092

00:38:39,510 --> 00:38:37,119

vaccinate every man woman and child of

1093

00:38:41,430 --> 00:38:39,520

the country i mean it's like i said it's

1094

00:38:43,109 --> 00:38:41,440

like it's like me seeing an ant on the

1095

00:38:44,630 --> 00:38:43,119

floor and saying the house is infested

1096

00:38:46,150 --> 00:38:44,640

we got to evacuate you know there's an

1097

00:38:47,430 --> 00:38:46,160

ant on the floor right and people would

1098

00:38:48,230 --> 00:38:47,440

go what the hell's the matter with you

1099

00:38:50,069 --> 00:38:48,240

right

1100

00:38:52,230 --> 00:38:50,079

so they did it in 76 and they did it

1101  
00:38:53,349 --> 00:38:52,240  
again in 2009 and this time it was

1102  
00:38:57,270 --> 00:38:53,359  
global

1103  
00:38:59,910 --> 00:38:57,280  
in 1976 it was just here in 2009 it was

1104  
00:39:01,829 --> 00:38:59,920  
global and um and in europe there was a

1105  
00:39:04,310 --> 00:39:01,839  
bigger fuss about it but essentially

1106  
00:39:06,710 --> 00:39:04,320  
what happened what to teed me off or

1107  
00:39:08,310 --> 00:39:06,720  
clued me in i should say that tipped me

1108  
00:39:10,069 --> 00:39:08,320  
off is the word i'm looking for that

1109  
00:39:12,230 --> 00:39:10,079  
something was wrong is when the cdc and

1110  
00:39:15,829 --> 00:39:12,240  
the world health organization said stop

1111  
00:39:17,670 --> 00:39:15,839  
testing because we're so overrun with

1112  
00:39:19,109 --> 00:39:17,680  
sick people we can't take the time to

1113  
00:39:20,870 --> 00:39:19,119

test and i said something's wrong with

1114

00:39:23,109 --> 00:39:20,880

that they can't the numbers aren't

1115

00:39:25,829 --> 00:39:23,119

adding up and then cheryl ackerson at

1116

00:39:29,030 --> 00:39:25,839

cbs they have a big budget they didn't

1117

00:39:30,710 --> 00:39:29,040

this is when news was honest right 2009

1118

00:39:33,030 --> 00:39:30,720

and they did an investigation

1119

00:39:35,430 --> 00:39:33,040

investigative report of this whole thing

1120

00:39:37,190 --> 00:39:35,440

and there was no epidemic i mean even

1121

00:39:39,349 --> 00:39:37,200

people coming from mexico which was

1122

00:39:41,270 --> 00:39:39,359

supposedly the origin of this didn't

1123

00:39:42,710 --> 00:39:41,280

have the flu right they were testing

1124

00:39:44,069 --> 00:39:42,720

everybody that came in

1125

00:39:46,150 --> 00:39:44,079

so in europe they made a little bit

1126

00:39:49,270 --> 00:39:46,160

bigger deal out of it and the most

1127

00:39:51,430 --> 00:39:49,280

chilling thing of all was uh the the

1128

00:39:52,710 --> 00:39:51,440

wolfgang ward at wardork was part of the

1129

00:39:54,630 --> 00:39:52,720

committee that looked into it was the

1130

00:39:56,550 --> 00:39:54,640

pace committee and they determined that

1131

00:39:58,310 --> 00:39:56,560

18 billion dollars have been squandered

1132

00:40:00,150 --> 00:39:58,320

worldwide and in response to that

1133

00:40:03,109 --> 00:40:00,160

margaret chan who was then the director

1134

00:40:05,430 --> 00:40:03,119

general said that we can't really um

1135

00:40:08,390 --> 00:40:05,440

uh lose sight of the fact that epidemics

1136

00:40:10,950 --> 00:40:08,400

are an opportunity to reform society and

1137

00:40:12,870 --> 00:40:10,960

uh and for significant societal change

1138

00:40:14,390 --> 00:40:12,880

and that's really what this is all about

1139

00:40:16,309 --> 00:40:14,400

and unfortunately nobody was paying

1140

00:40:18,550 --> 00:40:16,319

attention to it but people like me back

1141

00:40:20,710 --> 00:40:18,560

then and so here we are right now

1142

00:40:22,790 --> 00:40:20,720

um the other thing is that in the book

1143

00:40:25,990 --> 00:40:22,800

you probably saw that what you have is

1144

00:40:28,309 --> 00:40:26,000

all the the characters uniting back back

1145

00:40:30,390 --> 00:40:28,319

in bed again the rockefeller foundation

1146

00:40:33,270 --> 00:40:30,400

and the nazis had collaborated before

1147

00:40:35,349 --> 00:40:33,280

world war ii to do eugenics experiments

1148

00:40:36,790 --> 00:40:35,359

hitler had used the medical profession

1149

00:40:38,950 --> 00:40:36,800

there's a great documentary called the

1150

00:40:41,349 --> 00:40:38,960

killing nurses of the third reich he was

1151

00:40:43,589 --> 00:40:41,359

using the medical profession

1152

00:40:45,750 --> 00:40:43,599

to kill undesirable people in group

1153

00:40:48,470 --> 00:40:45,760

homes long before the camps were ever

1154

00:40:51,190 --> 00:40:48,480

established he escalated he's like all

1155

00:40:53,190 --> 00:40:51,200

serial killers escalate over time fauci

1156

00:40:54,630 --> 00:40:53,200

has hitler did

1157

00:40:56,790 --> 00:40:54,640

since the beginning of time it's always

1158

00:40:58,550 --> 00:40:56,800

been the same thing and so when this

1159

00:41:00,390 --> 00:40:58,560

happened i mean i i knew from all the

1160

00:41:02,550 --> 00:41:00,400

research i'd done before exactly what it

1161

00:41:04,230 --> 00:41:02,560

was didn't know how deep and dark it was

1162

00:41:06,710 --> 00:41:04,240

going to get but i knew this was going

1163

00:41:08,470 --> 00:41:06,720

to be a global thing and if you go back

1164

00:41:10,790 --> 00:41:08,480

and look at the p how the pieces were

1165

00:41:12,710 --> 00:41:10,800

put into place even putting tedros in

1166

00:41:15,750 --> 00:41:12,720

the world health organization it was a

1167

00:41:18,150 --> 00:41:15,760

good friend of president xi of china and

1168

00:41:20,230 --> 00:41:18,160

president xi's wife who's listed as an

1169

00:41:22,150 --> 00:41:20,240

opera singer and the world health

1170

00:41:23,910 --> 00:41:22,160

organizations goodwill ambassadors club

1171

00:41:25,750 --> 00:41:23,920

she's actually a general in the people's

1172

00:41:27,270 --> 00:41:25,760

army and she's in charge of the program

1173

00:41:29,270 --> 00:41:27,280

where they get the body parts from the

1174

00:41:30,470 --> 00:41:29,280

uyghurs and we have film of her singing

1175

00:41:32,870 --> 00:41:30,480

in tiananmen square while they're

1176

00:41:34,950 --> 00:41:32,880

machine gunning down you know protesters

1177

00:41:36,870 --> 00:41:34,960

and you know just this cast of

1178

00:41:38,550 --> 00:41:36,880

characters they're all just nefarious

1179

00:41:41,030 --> 00:41:38,560

people that you don't want in charge of

1180

00:41:43,589 --> 00:41:41,040

anything uh that has to do with with

1181

00:41:44,470 --> 00:41:43,599

human survival let alone human health

1182

00:41:47,270 --> 00:41:44,480

right

1183

00:41:49,349 --> 00:41:47,280

so um so anyway it's a yes it was a

1184

00:41:51,510 --> 00:41:49,359

global initiative and it's been planned

1185

00:41:53,670 --> 00:41:51,520

for a long time but i'll tell you

1186

00:41:55,589 --> 00:41:53,680

something interesting about it

1187

00:41:57,109 --> 00:41:55,599

if you look at all the scenario planning

1188

00:41:59,670 --> 00:41:57,119

that they did and there was a lot of it

1189

00:42:03,030 --> 00:41:59,680

during that 10-year 10 11 year period

1190

00:42:05,190 --> 00:42:03,040

um none of it contemplates what happens

1191

00:42:07,270 --> 00:42:05,200

if something goes wrong which is either

1192

00:42:09,190 --> 00:42:07,280

because they had not planned to do it as

1193

00:42:10,870 --> 00:42:09,200

soon as they did or because they're so

1194

00:42:13,109 --> 00:42:10,880

arrogant they thought nothing would go

1195

00:42:15,270 --> 00:42:13,119

wrong and from the get-go they had a

1196

00:42:16,550 --> 00:42:15,280

problem not all countries locked down

1197

00:42:17,829 --> 00:42:16,560

they couldn't walk down the whole

1198

00:42:19,750 --> 00:42:17,839

country here

1199

00:42:21,750 --> 00:42:19,760

trump came out with the warp speed thing

1200

00:42:23,670 --> 00:42:21,760

and the plan was keep everybody locked

1201  
00:42:26,150 --> 00:42:23,680  
down for two years like australia where

1202  
00:42:28,790 --> 00:42:26,160  
people would do anything to go outside

1203  
00:42:31,190 --> 00:42:28,800  
right well that didn't happen and then

1204  
00:42:33,750 --> 00:42:31,200  
the scrappy group in ohio started

1205  
00:42:36,069 --> 00:42:33,760  
speaking out and starting lawsuits and

1206  
00:42:38,309 --> 00:42:36,079  
disobeying because civil disobedience

1207  
00:42:40,550 --> 00:42:38,319  
has been a lot of our program too and so

1208  
00:42:42,470 --> 00:42:40,560  
it just hasn't gone so well for them for

1209  
00:42:44,710 --> 00:42:42,480  
all that money and intellect that they

1210  
00:42:45,750 --> 00:42:44,720  
claim to bring to the table to control

1211  
00:42:47,990 --> 00:42:45,760  
us

1212  
00:42:50,150 --> 00:42:48,000  
yeah but to continue with the sports

1213  
00:42:52,390 --> 00:42:50,160

analogies they get a lot of swings at

1214

00:42:53,829 --> 00:42:52,400

the plate you know what i mean so

1215

00:42:58,390 --> 00:42:53,839

it ain't over

1216

00:43:00,550 --> 00:42:58,400

but every every swing at the plate gets

1217

00:43:03,030 --> 00:43:00,560

care more careless that's the thing that

1218

00:43:05,990 --> 00:43:03,040

to look at it gets more careless and

1219

00:43:08,150 --> 00:43:06,000

it's more um it's less incremental and

1220

00:43:10,470 --> 00:43:08,160

incremental is the only way you keep

1221

00:43:12,790 --> 00:43:10,480

this going so what we're left with is

1222

00:43:14,470 --> 00:43:12,800

the stupidest people in the country are

1223

00:43:16,710 --> 00:43:14,480

the only ones left that are buying into

1224

00:43:18,390 --> 00:43:16,720

this so you have people like me who from

1225

00:43:20,870 --> 00:43:18,400

the get-go and you understood something

1226

00:43:22,790 --> 00:43:20,880

was wrong you had people who are stupid

1227

00:43:24,550 --> 00:43:22,800

beyond comprehension these are the sheep

1228

00:43:25,750 --> 00:43:24,560

who are wearing masks in their cars and

1229

00:43:26,390 --> 00:43:25,760

we're not going to do anything for those

1230

00:43:29,670 --> 00:43:26,400

people

1231

00:43:30,950 --> 00:43:29,680

persuadable

1232

00:43:32,630 --> 00:43:30,960

and those are the ones that are going to

1233

00:43:35,750 --> 00:43:32,640

make the difference and they're coming

1234

00:43:38,710 --> 00:43:35,760

our way they're not picking up anybody

1235

00:43:40,309 --> 00:43:38,720

nobody is going to their side at this

1236

00:43:43,109 --> 00:43:40,319

point in time it's the bleeding is the

1237

00:43:46,550 --> 00:43:43,119

way from their side at this point i i i

1238

00:43:49,430 --> 00:43:46,560

love i i love it i i have a sense that

1239

00:43:51,190 --> 00:43:49,440

it's true but i'm not totally sure

1240

00:43:52,790 --> 00:43:51,200

um

1241

00:43:54,390 --> 00:43:52,800

what do you think you you kind of

1242

00:43:56,470 --> 00:43:54,400

touched on this

1243

00:43:58,069 --> 00:43:56,480

what do you think of the great reset and

1244

00:43:59,750 --> 00:43:58,079

i want to approach that from a different

1245

00:44:01,829 --> 00:43:59,760

way than just the kind of charging up

1246

00:44:04,390 --> 00:44:01,839

the hill thing i want to approach it

1247

00:44:09,990 --> 00:44:06,790

there is some

1248

00:44:12,150 --> 00:44:10,000

plan behind this that is bigger and

1249

00:44:15,109 --> 00:44:12,160

seems to fit into

1250

00:44:16,790 --> 00:44:15,119

an overall plan that is we're

1251

00:44:19,589 --> 00:44:16,800

confronting on a bunch of different

1252

00:44:22,870 --> 00:44:19,599

levels whether it's uh economic and

1253

00:44:25,829 --> 00:44:22,880

global currency whether it's uh

1254

00:44:28,790 --> 00:44:25,839

political relationships geopolitics

1255

00:44:31,349 --> 00:44:28,800

arms race kind of thing political in

1256

00:44:34,309 --> 00:44:31,359

terms of communist versus you know

1257

00:44:37,670 --> 00:44:34,319

western liberalism all that stuff

1258

00:44:39,750 --> 00:44:37,680

the the we do feel a push towards from

1259

00:44:42,150 --> 00:44:39,760

the beginning they i mean they coined

1260

00:44:43,990 --> 00:44:42,160

the great reset like the day after you

1261

00:44:46,870 --> 00:44:44,000

know they rolled the thing out they

1262

00:44:48,230 --> 00:44:46,880

coined the new normal i mean i that was

1263

00:44:49,990 --> 00:44:48,240

one of the things that always struck me

1264

00:44:51,750 --> 00:44:50,000

is like 30 days into this they're like

1265

00:44:54,150 --> 00:44:51,760

new normal i'm like

1266

00:44:55,990 --> 00:44:54,160

wha why would what are you 30 days in

1267

00:44:58,069 --> 00:44:56,000

are we doing that so what what do you

1268

00:44:59,190 --> 00:44:58,079

think about the great reset and not just

1269

00:45:01,270 --> 00:44:59,200

the usual

1270

00:45:03,829 --> 00:45:01,280

pushback against the bilderbergs but

1271

00:45:04,950 --> 00:45:03,839

like what does that tell you

1272

00:45:07,510 --> 00:45:04,960

about

1273

00:45:08,710 --> 00:45:07,520

what is really going on on that on that

1274

00:45:11,109 --> 00:45:08,720

level

1275

00:45:13,109 --> 00:45:11,119

yeah so that's where it's really scary

1276

00:45:15,109 --> 00:45:13,119

because if you read the criminal clause

1277

00:45:16,870 --> 00:45:15,119

schwab's book he says he wants a billion

1278

00:45:18,470 --> 00:45:16,880

people on the planet he hopes that most

1279

00:45:19,829 --> 00:45:18,480

of them are asian because they follow

1280

00:45:21,670 --> 00:45:19,839

directions

1281

00:45:23,589 --> 00:45:21,680

and so this is this is where we get into

1282

00:45:26,309 --> 00:45:23,599

what's really going on here

1283

00:45:27,910 --> 00:45:26,319

and um and where i get the most pushback

1284

00:45:31,510 --> 00:45:27,920

from the other side they're trying to

1285

00:45:33,030 --> 00:45:31,520

kill us people all right so when people

1286

00:45:34,870 --> 00:45:33,040

the reason why this is important to

1287

00:45:35,589 --> 00:45:34,880

focus on i'm so glad you asked me about

1288

00:45:38,870 --> 00:45:35,599

it

1289

00:45:41,030 --> 00:45:38,880

is that when when people are um

1290

00:45:43,030 --> 00:45:41,040

when people are are talking about

1291

00:45:44,230 --> 00:45:43,040

whether or not you get the vaccine

1292

00:45:46,390 --> 00:45:44,240

and they say

1293

00:45:48,230 --> 00:45:46,400

well i want to travel

1294

00:45:51,270 --> 00:45:48,240

i want to i want to strangle them

1295

00:45:52,950 --> 00:45:51,280

through the phone connection or the zoom

1296

00:45:54,790 --> 00:45:52,960

connection

1297

00:45:56,630 --> 00:45:54,800

you want to travel and you're willing to

1298

00:45:57,990 --> 00:45:56,640

risk your life because if you don't go

1299

00:46:00,390 --> 00:45:58,000

to italy this year the world's going to

1300

00:46:02,710 --> 00:46:00,400

come to an end are you kidding me right

1301  
00:46:05,430 --> 00:46:02,720  
um it reminds me of again my world war

1302  
00:46:06,790 --> 00:46:05,440  
ii analogies um well at least if we go

1303  
00:46:08,150 --> 00:46:06,800  
into the ghetto we'll be able to keep

1304  
00:46:09,670 --> 00:46:08,160  
the family together well if twenty

1305  
00:46:11,190 --> 00:46:09,680  
thousand people have refused to go into

1306  
00:46:12,790 --> 00:46:11,200  
the ghetto and you had a shootout in the

1307  
00:46:13,990 --> 00:46:12,800  
middle of the street loads pulling well

1308  
00:46:15,510 --> 00:46:14,000  
everybody would have known what's going

1309  
00:46:17,750 --> 00:46:15,520  
on it would have started to unravel at

1310  
00:46:18,550 --> 00:46:17,760  
that point in time so this this i you

1311  
00:46:20,710 --> 00:46:18,560  
know

1312  
00:46:22,230 --> 00:46:20,720  
if my child takes a year off of college

1313  
00:46:24,069 --> 00:46:22,240

the world will come to an end because

1314

00:46:26,230 --> 00:46:24,079

you know everybody who's dropped out of

1315

00:46:29,150 --> 00:46:26,240

college for a year ends up dead or

1316

00:46:31,030 --> 00:46:29,160

ruined right i mean the the ridiculous

1317

00:46:32,870 --> 00:46:31,040

justifications for

1318

00:46:35,670 --> 00:46:32,880

doing something that is so clearly

1319

00:46:37,510 --> 00:46:35,680

harmful and i've chosen to take a pretty

1320

00:46:39,349 --> 00:46:37,520

as strange as this might sound based on

1321

00:46:41,750 --> 00:46:39,359

my rhetoric right now but i've chosen to

1322

00:46:44,390 --> 00:46:41,760

take a very conservative approach to

1323

00:46:47,030 --> 00:46:44,400

helping people understand this right

1324

00:46:48,790 --> 00:46:47,040

so so here is what's going on right now

1325

00:46:49,990 --> 00:46:48,800

and then you tell me what you think is

1326  
00:46:52,790 --> 00:46:50,000  
behind it

1327  
00:46:55,910 --> 00:46:52,800  
we've got a vaccine that has killed 15

1328  
00:46:57,910 --> 00:46:55,920  
000 people the cdc is willing to admit

1329  
00:46:59,910 --> 00:46:57,920  
all right now we've got insiders that

1330  
00:47:02,150 --> 00:46:59,920  
are giving us screenshots of how many

1331  
00:47:03,750 --> 00:47:02,160  
people from their database how many

1332  
00:47:05,670 --> 00:47:03,760  
people really died and the only thing

1333  
00:47:07,670 --> 00:47:05,680  
anybody's ever been able to do to refute

1334  
00:47:08,870 --> 00:47:07,680  
it is a reporter who claimed on the

1335  
00:47:10,309 --> 00:47:08,880  
other side that

1336  
00:47:11,750 --> 00:47:10,319  
that medicare doesn't maintain a

1337  
00:47:13,750 --> 00:47:11,760  
database like they're all sitting there

1338  
00:47:15,670 --> 00:47:13,760

with typewriters sending out invoices

1339

00:47:17,430 --> 00:47:15,680

for stuff right and come on right

1340

00:47:19,910 --> 00:47:17,440

all right but let's just go with cdc's

1341

00:47:22,950 --> 00:47:19,920

number about 15 000 people

1342

00:47:25,990 --> 00:47:22,960

in 1976 when that swine flu thing

1343

00:47:28,710 --> 00:47:26,000

happened 56 people had died when they

1344

00:47:29,710 --> 00:47:28,720

aborted the plan 56

1345

00:47:32,630 --> 00:47:29,720

all right

1346

00:47:34,069 --> 00:47:32,640

674 end up dying dying

1347

00:47:35,270 --> 00:47:34,079

total because some of them didn't die

1348

00:47:38,150 --> 00:47:35,280

until after

1349

00:47:39,270 --> 00:47:38,160

it was looked upon as catastrophic you

1350

00:47:41,190 --> 00:47:39,280

could never let something like that

1351  
00:47:43,670 --> 00:47:41,200  
happen in the united states again

1352  
00:47:45,270 --> 00:47:43,680  
all right so they kill 15 000 people and

1353  
00:47:47,510 --> 00:47:45,280  
the people in charge want to give it to

1354  
00:47:49,190 --> 00:47:47,520  
a five-year-old

1355  
00:47:51,829 --> 00:47:49,200  
now what does that tell you about what

1356  
00:47:54,069 --> 00:47:51,839  
the intentions are they're trying to

1357  
00:47:56,870 --> 00:47:54,079  
kill us all right

1358  
00:47:58,710 --> 00:47:56,880  
and and and i don't even think the cms

1359  
00:48:00,630 --> 00:47:58,720  
database it really reflects how many

1360  
00:48:02,549 --> 00:48:00,640  
people have died because you have all

1361  
00:48:03,829 --> 00:48:02,559  
these stories coming in and there's two

1362  
00:48:06,230 --> 00:48:03,839  
ways that they're killing us by the way

1363  
00:48:07,910 --> 00:48:06,240

the vaccines and then boosters if we

1364

00:48:09,349 --> 00:48:07,920

don't kill we don't only kill so many

1365

00:48:11,270 --> 00:48:09,359

people with the first round and then

1366

00:48:13,190 --> 00:48:11,280

boosters after that and then they're

1367

00:48:16,150 --> 00:48:13,200

killing people in the hospitals by

1368

00:48:19,030 --> 00:48:16,160

providing inappropriate treatment and

1369

00:48:20,710 --> 00:48:19,040

withholding the right treatment

1370

00:48:22,390 --> 00:48:20,720

and even hospitalizing people who don't

1371

00:48:23,990 --> 00:48:22,400

belong there and and this is all

1372

00:48:25,910 --> 00:48:24,000

starting to come out now there's a very

1373

00:48:27,990 --> 00:48:25,920

good video of a guy in chattanooga

1374

00:48:29,829 --> 00:48:28,000

tennessee who's whose brother was

1375

00:48:31,910 --> 00:48:29,839

literally kidnapped by the hospital they

1376  
00:48:34,710 --> 00:48:31,920  
wouldn't let him leave can you imagine

1377  
00:48:36,870 --> 00:48:34,720  
being an adult i'm 65 years old and the

1378  
00:48:39,589 --> 00:48:36,880  
hospital says i'm not allowed to get up

1379  
00:48:40,870 --> 00:48:39,599  
and walk out of the hospital perfectly

1380  
00:48:43,990 --> 00:48:40,880  
capable of doing that i got to be

1381  
00:48:46,230 --> 00:48:44,000  
kidnapped back by my family right

1382  
00:48:48,069 --> 00:48:46,240  
so so this is about killing people to

1383  
00:48:49,990 --> 00:48:48,079  
your point the great reset is really

1384  
00:48:52,470 --> 00:48:50,000  
about killing people

1385  
00:48:55,670 --> 00:48:52,480  
i i'm with you i'm a little bit hesitant

1386  
00:48:57,990 --> 00:48:55,680  
to just focus on the vaccine numbers and

1387  
00:49:01,190 --> 00:48:58,000  
it's not like you're doing that because

1388  
00:49:03,109 --> 00:49:01,200

to me this is not news to anyone you

1389

00:49:03,990 --> 00:49:03,119

know the death rate from

1390

00:49:05,750 --> 00:49:04,000

the

1391

00:49:08,150 --> 00:49:05,760

pandemic is

1392

00:49:11,030 --> 00:49:08,160

10x when you look at the peripheral

1393

00:49:12,309 --> 00:49:11,040

damage right i mean it's just 10x the

1394

00:49:14,630 --> 00:49:12,319

number of people that don't get treated

1395

00:49:17,109 --> 00:49:14,640

for diabetes you know

1396

00:49:22,470 --> 00:49:19,910

mental health uh mental health uh you

1397

00:49:25,670 --> 00:49:22,480

know all that stuff so

1398

00:49:28,630 --> 00:49:25,680

the numbers there but also just i think

1399

00:49:30,950 --> 00:49:28,640

we all understand and your analogy with

1400

00:49:33,670 --> 00:49:30,960

uh world war ii is hard for people to

1401  
00:49:36,549 --> 00:49:33,680  
hear but we can equally have the analogy

1402  
00:49:38,790 --> 00:49:36,559  
with north korea or china which really

1403  
00:49:41,510 --> 00:49:38,800  
isn't far behind and we say you know if

1404  
00:49:43,030 --> 00:49:41,520  
you have that level of control over the

1405  
00:49:45,589 --> 00:49:43,040  
population

1406  
00:49:49,750 --> 00:49:45,599  
and that kind of unbridled

1407  
00:49:51,750 --> 00:49:49,760  
psychopathic kind of thing well then

1408  
00:49:53,589 --> 00:49:51,760  
vaccines are kind of the least of your

1409  
00:49:55,030 --> 00:49:53,599  
worry they can they could

1410  
00:49:57,510 --> 00:49:55,040  
get rid of

1411  
00:50:00,069 --> 00:49:57,520  
there's a lot of ways to to implement

1412  
00:50:02,230 --> 00:50:00,079  
the overall plan what you keep pointing

1413  
00:50:04,230 --> 00:50:02,240

us towards is

1414

00:50:06,230 --> 00:50:04,240

this thing it's about compliance it's

1415

00:50:09,109 --> 00:50:06,240

not about science and as long as we

1416

00:50:13,430 --> 00:50:09,119

comply then we're further down the path

1417

00:50:15,710 --> 00:50:13,440

of the great reset and do you see any

1418

00:50:17,670 --> 00:50:15,720

do you see any

1419

00:50:20,069 --> 00:50:17,680

justification

1420

00:50:22,870 --> 00:50:20,079

for the great reset play devil's

1421

00:50:25,430 --> 00:50:22,880

advocate for a minute can in any way you

1422

00:50:28,150 --> 00:50:25,440

see that this kind of

1423

00:50:31,190 --> 00:50:28,160

somebody needs to rule the world kind of

1424

00:50:33,349 --> 00:50:31,200

ethos because i i have to say i can put

1425

00:50:35,030 --> 00:50:33,359

myself in that mental space a little bit

1426  
00:50:37,910 --> 00:50:35,040  
because you have to you know what i mean

1427  
00:50:41,190 --> 00:50:37,920  
there are countries out there that are

1428  
00:50:45,109 --> 00:50:41,200  
doing really really crazy stuff

1429  
00:50:47,829 --> 00:50:45,119  
and we need to oppose that we just don't

1430  
00:50:51,109 --> 00:50:47,839  
need to oppose it from this crazy

1431  
00:50:53,349 --> 00:50:51,119  
psychopathic kind of people in control

1432  
00:50:55,589 --> 00:50:53,359  
things so doesn't that i just like when

1433  
00:50:57,589 --> 00:50:55,599  
that comes into play because

1434  
00:50:59,589 --> 00:50:57,599  
we do have a sense of that we do have a

1435  
00:51:03,030 --> 00:50:59,599  
sense of the original some of the

1436  
00:51:04,630 --> 00:51:03,040  
original ideas of this experiment

1437  
00:51:06,790 --> 00:51:04,640  
do make sense in terms of this

1438  
00:51:08,309 --> 00:51:06,800

experiment being america

1439

00:51:12,230 --> 00:51:08,319

yeah and our freedom and our bill of

1440

00:51:15,430 --> 00:51:12,240

rights but our history doesn't conform

1441

00:51:17,829 --> 00:51:15,440

with that perfectly to say the least

1442

00:51:20,150 --> 00:51:17,839

well first of all we've you know i i

1443

00:51:22,710 --> 00:51:20,160

think a lot of things the first thing is

1444

00:51:23,510 --> 00:51:22,720

nobody's history is perfect

1445

00:51:28,630 --> 00:51:23,520

and

1446

00:51:30,870 --> 00:51:28,640

world there's no place in the world

1447

00:51:33,670 --> 00:51:30,880

where people want to come more than here

1448

00:51:35,030 --> 00:51:33,680

no place they're not flocking to germany

1449

00:51:37,349 --> 00:51:35,040

they're not beating down the doors to

1450

00:51:39,510 --> 00:51:37,359

illegally immigrate into australia not

1451  
00:51:40,950 --> 00:51:39,520  
like here not like everybody wants to be

1452  
00:51:42,710 --> 00:51:40,960  
here okay

1453  
00:51:44,870 --> 00:51:42,720  
because it is

1454  
00:51:47,030 --> 00:51:44,880  
up until recently a free place it was

1455  
00:51:49,349 --> 00:51:47,040  
the beacon of the world and by the way

1456  
00:51:51,589 --> 00:51:49,359  
i talk to people all over the world

1457  
00:51:53,750 --> 00:51:51,599  
and we have a counterpart in canada now

1458  
00:51:55,829 --> 00:51:53,760  
there's a make canadian spree again

1459  
00:51:57,030 --> 00:51:55,839  
started by a friend of mine

1460  
00:51:59,349 --> 00:51:57,040  
and um

1461  
00:52:01,109 --> 00:51:59,359  
so people are watching what happens here

1462  
00:52:03,109 --> 00:52:01,119  
is going to determine what happens in

1463  
00:52:05,109 --> 00:52:03,119

other places because we still are the

1464

00:52:06,390 --> 00:52:05,119

leaders of the world and the leader of

1465

00:52:08,630 --> 00:52:06,400

the free world

1466

00:52:11,030 --> 00:52:08,640

in terms of our country not in terms of

1467

00:52:12,950 --> 00:52:11,040

anybody in washington dc and we are

1468

00:52:15,109 --> 00:52:12,960

going to set this right and that will

1469

00:52:17,109 --> 00:52:15,119

have a big ripple effect

1470

00:52:19,349 --> 00:52:17,119

but you know if you go back and read

1471

00:52:21,030 --> 00:52:19,359

through history when there were five

1472

00:52:22,470 --> 00:52:21,040

billion people on the planet people said

1473

00:52:23,910 --> 00:52:22,480

if we go to six billion the planet's

1474

00:52:26,549 --> 00:52:23,920

gonna blow up and then it's seven

1475

00:52:28,470 --> 00:52:26,559

billion plan this scare tactic about the

1476  
00:52:30,710 --> 00:52:28,480  
world's coming to an end and look at how

1477  
00:52:32,549 --> 00:52:30,720  
the narrative changes we used to talk

1478  
00:52:34,790 --> 00:52:32,559  
about global warming and new york was

1479  
00:52:36,710 --> 00:52:34,800  
going to be flooded by the year 2002 and

1480  
00:52:38,870 --> 00:52:36,720  
then it didn't flood and then

1481  
00:52:40,950 --> 00:52:38,880  
climate change is what we talk about now

1482  
00:52:43,270 --> 00:52:40,960  
because the ice caps are expanding not

1483  
00:52:45,030 --> 00:52:43,280  
okay so so the predictions have all been

1484  
00:52:48,309 --> 00:52:45,040  
wrong all right they've just all been

1485  
00:52:50,069 --> 00:52:48,319  
wrong and so here's what i think i think

1486  
00:52:51,670 --> 00:52:50,079  
that the world has a lot of problems i

1487  
00:52:54,309 --> 00:52:51,680  
think the united states has a lot of

1488  
00:52:55,430 --> 00:52:54,319

problems and the way that you solve that

1489

00:52:57,190 --> 00:52:55,440

is through

1490

00:52:59,190 --> 00:52:57,200

winning ideas

1491

00:53:01,109 --> 00:52:59,200

that people are interested in

1492

00:53:03,510 --> 00:53:01,119

and if you take a look at

1493

00:53:05,270 --> 00:53:03,520

what has happened here the bottom line

1494

00:53:07,270 --> 00:53:05,280

is that these criminals could not sell

1495

00:53:09,510 --> 00:53:07,280

their ideas to people

1496

00:53:11,349 --> 00:53:09,520

so they took over by force

1497

00:53:14,069 --> 00:53:11,359

which tells you something all right

1498

00:53:16,230 --> 00:53:14,079

nobody likes our ideas so we have to

1499

00:53:17,910 --> 00:53:16,240

cheat in elections we have to take over

1500

00:53:19,670 --> 00:53:17,920

by force we have to declare a fake

1501

00:53:21,030 --> 00:53:19,680

pandemic we have to lock everybody in

1502

00:53:23,270 --> 00:53:21,040

their house we have to bankrupt

1503

00:53:24,470 --> 00:53:23,280

businesses and destroy children because

1504

00:53:26,790 --> 00:53:24,480

that's the only way we're going to get

1505

00:53:27,750 --> 00:53:26,800

our way because nobody buys what we're

1506

00:53:29,750 --> 00:53:27,760

selling

1507

00:53:32,470 --> 00:53:29,760

all right it's like hitler nobody bought

1508

00:53:35,030 --> 00:53:32,480

what he was selling okay except for

1509

00:53:37,109 --> 00:53:35,040

dutiful germans everybody else was just

1510

00:53:39,910 --> 00:53:37,119

destroyed in his path right

1511

00:53:41,430 --> 00:53:39,920

so so we're gonna go back to

1512

00:53:42,710 --> 00:53:41,440

a war of ideas we're going to we're

1513

00:53:44,470 --> 00:53:42,720

going to be americans and we're going to

1514

00:53:46,630 --> 00:53:44,480

scream and holler at each other and

1515

00:53:48,309 --> 00:53:46,640

that's healthy all right and we're going

1516

00:53:50,150 --> 00:53:48,319

to have two political parties that

1517

00:53:53,270 --> 00:53:50,160

function in some way shape or form the

1518

00:53:55,670 --> 00:53:53,280

radical factions of both the the the

1519

00:53:57,670 --> 00:53:55,680

weak faction of republicans that are

1520

00:54:00,309 --> 00:53:57,680

worthless humans are going to be gone by

1521

00:54:02,069 --> 00:54:00,319

the wayside and the radical faction of

1522

00:54:04,710 --> 00:54:02,079

the democrats who don't represent

1523

00:54:07,109 --> 00:54:04,720

anybody anymore they represent china all

1524

00:54:08,870 --> 00:54:07,119

right and and despotism

1525

00:54:10,950 --> 00:54:08,880

they're going to be gone and we're going

1526  
00:54:12,950 --> 00:54:10,960  
to restore america to what it was before

1527  
00:54:15,190 --> 00:54:12,960  
and it's all of its imperfection we're

1528  
00:54:17,030 --> 00:54:15,200  
going to scream and holler at each other

1529  
00:54:20,230 --> 00:54:17,040  
we're going to fight and scrap and we're

1530  
00:54:21,829 --> 00:54:20,240  
going to have wars of ideas and that is

1531  
00:54:25,190 --> 00:54:21,839  
that is how you

1532  
00:54:27,430 --> 00:54:25,200  
solve problems and we did it it hasn't

1533  
00:54:29,829 --> 00:54:27,440  
been perfect and it hasn't been smooth

1534  
00:54:31,750 --> 00:54:29,839  
and it's had a lot of bumps and all that

1535  
00:54:34,230 --> 00:54:31,760  
kind of stuff but bottom line

1536  
00:54:35,990 --> 00:54:34,240  
that's how we functioned up until now

1537  
00:54:37,670 --> 00:54:36,000  
and the world isn't going to come to an

1538  
00:54:39,430 --> 00:54:37,680

end if we end up with eight billion

1539

00:54:40,950 --> 00:54:39,440

instead of seven and a half billion it's

1540

00:54:43,190 --> 00:54:40,960

going to have its share of problems but

1541

00:54:45,270 --> 00:54:43,200

we've been pretty good at somehow

1542

00:54:47,510 --> 00:54:45,280

solving all of that and what we what we

1543

00:54:49,670 --> 00:54:47,520

did in the process of ignoring our

1544

00:54:51,510 --> 00:54:49,680

history and the fact that we have solved

1545

00:54:54,069 --> 00:54:51,520

problems as imperfectly as they've been

1546

00:54:55,430 --> 00:54:54,079

solved as we we converted to a theater

1547

00:54:58,230 --> 00:54:55,440

of the absurd

1548

00:55:00,309 --> 00:54:58,240

where a spoiled child from scandinavia

1549

00:55:02,789 --> 00:55:00,319

comes and lectures a bunch of adults at

1550

00:55:04,950 --> 00:55:02,799

the united nations and and instead of

1551  
00:55:06,870 --> 00:55:04,960  
finding it distasteful you have a bunch

1552  
00:55:08,230 --> 00:55:06,880  
of cartoon characters saying we need to

1553  
00:55:09,510 --> 00:55:08,240  
learn from her

1554  
00:55:11,109 --> 00:55:09,520  
and yeah

1555  
00:55:12,630 --> 00:55:11,119  
her parents should have spanked her all

1556  
00:55:14,870 --> 00:55:12,640  
right well i want to get to two more

1557  
00:55:15,910 --> 00:55:14,880  
points before we before we wrap this up

1558  
00:55:17,589 --> 00:55:15,920  
because i do appreciate what you're

1559  
00:55:20,789 --> 00:55:17,599  
saying and you know i should add to that

1560  
00:55:23,109 --> 00:55:20,799  
as people point out you know the global

1561  
00:55:25,270 --> 00:55:23,119  
growth of the population

1562  
00:55:27,109 --> 00:55:25,280  
is flattening there's there's no

1563  
00:55:28,950 --> 00:55:27,119

question about that and i so there's

1564

00:55:30,950 --> 00:55:28,960

there's definitely merit in what you're

1565

00:55:32,069 --> 00:55:30,960

saying so i want to hear that

1566

00:55:33,990 --> 00:55:32,079

two

1567

00:55:35,349 --> 00:55:34,000

really important areas i'm hoping we can

1568

00:55:38,390 --> 00:55:35,359

get to and cover in the little bit of

1569

00:55:41,190 --> 00:55:38,400

time we have left it one is

1570

00:55:44,309 --> 00:55:41,200

pam how can your model

1571

00:55:45,829 --> 00:55:44,319

be expanded extended

1572

00:55:47,910 --> 00:55:45,839

replicated

1573

00:55:49,430 --> 00:55:47,920

in these other areas that the battle is

1574

00:55:51,190 --> 00:55:49,440

going on and you already mentioned a

1575

00:55:53,030 --> 00:55:51,200

couple like in education it just kind of

1576

00:55:55,109 --> 00:55:53,040

naturally falls out of that but i'm

1577

00:55:57,270 --> 00:55:55,119

thinking in terms of cancel culture

1578

00:55:58,710 --> 00:55:57,280

shadow banning d platforming all of

1579

00:56:00,870 --> 00:55:58,720

which you've

1580

00:56:03,589 --> 00:56:00,880

experienced personally but it's been

1581

00:56:06,390 --> 00:56:03,599

under the health umbrella it also is an

1582

00:56:09,750 --> 00:56:06,400

issue just more broadly it from a

1583

00:56:12,230 --> 00:56:09,760

cultural issue it ties into the big tech

1584

00:56:14,950 --> 00:56:12,240

issues it ties into the whole issue of

1585

00:56:17,349 --> 00:56:14,960

ai and myth of progress and google and

1586

00:56:19,109 --> 00:56:17,359

all that kind of stuff but my specific

1587

00:56:21,430 --> 00:56:19,119

question is

1588

00:56:23,589 --> 00:56:21,440

what advice ideas opinions do you have

1589

00:56:26,789 --> 00:56:23,599

about how your model

1590

00:56:29,430 --> 00:56:26,799

can be extended into these other areas

1591

00:56:32,390 --> 00:56:29,440

it's already happening and not due to me

1592

00:56:34,789 --> 00:56:32,400

it's happening because um cnn's audience

1593

00:56:36,069 --> 00:56:34,799

is so small right now i can afford to

1594

00:56:37,510 --> 00:56:36,079

advertise

1595

00:56:38,710 --> 00:56:37,520

i mean it's really funny when you think

1596

00:56:40,789 --> 00:56:38,720

about it right

1597

00:56:42,150 --> 00:56:40,799

so so they're even self-destructing

1598

00:56:43,589 --> 00:56:42,160

there

1599

00:56:45,670 --> 00:56:43,599

through their ridiculousness in other

1600

00:56:47,430 --> 00:56:45,680

words a little bit of censorship

1601  
00:56:49,349 --> 00:56:47,440  
everybody tolerated we knew what was

1602  
00:56:51,430 --> 00:56:49,359  
going on but then they went off the deep

1603  
00:56:52,950 --> 00:56:51,440  
end and now nobody's watching

1604  
00:56:54,390 --> 00:56:52,960  
i mean a million people in the united

1605  
00:56:56,230 --> 00:56:54,400  
states watching a news show is

1606  
00:56:58,789 --> 00:56:56,240  
meaningless it's a blip

1607  
00:57:01,910 --> 00:56:58,799  
how do we sue google for their

1608  
00:57:05,430 --> 00:57:01,920  
most recent open open announcement that

1609  
00:57:06,710 --> 00:57:05,440  
on youtube any videos that contradict

1610  
00:57:09,510 --> 00:57:06,720  
the idea

1611  
00:57:12,630 --> 00:57:09,520  
that vaccines are safe

1612  
00:57:14,950 --> 00:57:12,640  
and effective any contradiction to that

1613  
00:57:16,789 --> 00:57:14,960

is subject to be banning and somebody

1614

00:57:18,549 --> 00:57:16,799

needs to sue their ass

1615

00:57:20,789 --> 00:57:18,559

somebody does but it's it's almost

1616

00:57:22,630 --> 00:57:20,799

inconsequential from the standpoint that

1617

00:57:24,390 --> 00:57:22,640

most of us are posting stuff other

1618

00:57:25,589 --> 00:57:24,400

places and our audiences are bigger

1619

00:57:27,349 --> 00:57:25,599

there

1620

00:57:29,030 --> 00:57:27,359

so again if your idea is you're going to

1621

00:57:30,710 --> 00:57:29,040

control the world by controlling the

1622

00:57:32,789 --> 00:57:30,720

media that only works if there's no

1623

00:57:35,510 --> 00:57:32,799

other media

1624

00:57:37,750 --> 00:57:35,520

okay in other words if everybody had to

1625

00:57:38,789 --> 00:57:37,760

if it would in north korea at one point

1626  
00:57:40,710 --> 00:57:38,799  
in time

1627  
00:57:41,750 --> 00:57:40,720  
everybody had to have a radio in their

1628  
00:57:43,750 --> 00:57:41,760  
house

1629  
00:57:45,430 --> 00:57:43,760  
and the radio only had one station and

1630  
00:57:47,990 --> 00:57:45,440  
you had to have it on

1631  
00:57:50,230 --> 00:57:48,000  
that would be bad but right now there

1632  
00:57:52,150 --> 00:57:50,240  
are tons of other media outlets and

1633  
00:57:54,309 --> 00:57:52,160  
that's where most people went the

1634  
00:57:56,069 --> 00:57:54,319  
audience isn't there anymore and and so

1635  
00:57:57,349 --> 00:57:56,079  
the influence isn't there and that's

1636  
00:57:59,589 --> 00:57:57,359  
what's made that's what i'm talking

1637  
00:58:01,750 --> 00:57:59,599  
about about they're screwing themselves

1638  
00:58:04,630 --> 00:58:01,760

in the way that they're going about it i

1639

00:58:07,670 --> 00:58:04,640

totally get that i just do think

1640

00:58:10,309 --> 00:58:07,680

we shouldn't leave those beach heads

1641

00:58:11,910 --> 00:58:10,319

kind of just alone well i don't think we

1642

00:58:14,069 --> 00:58:11,920

should either but you have to you can't

1643

00:58:15,829 --> 00:58:14,079

take care of everything at the same time

1644

00:58:17,990 --> 00:58:15,839

and and this is something that goes to

1645

00:58:19,829 --> 00:58:18,000

the way that i'm running my organization

1646

00:58:21,430 --> 00:58:19,839

and the way that tom renz is running the

1647

00:58:23,109 --> 00:58:21,440

legal team

1648

00:58:24,630 --> 00:58:23,119

okay you better focus on what's

1649

00:58:26,630 --> 00:58:24,640

important first

1650

00:58:29,109 --> 00:58:26,640

and what we're what we're the biggest

1651  
00:58:31,349 --> 00:58:29,119  
problem we have for it frankly is on our

1652  
00:58:33,750 --> 00:58:31,359  
side and the two things that the people

1653  
00:58:35,750 --> 00:58:33,760  
on our side do that drive me crazy and

1654  
00:58:37,910 --> 00:58:35,760  
interfere with getting something done

1655  
00:58:39,510 --> 00:58:37,920  
the first one's pants on fire all right

1656  
00:58:40,950 --> 00:58:39,520  
that's what i call it this is where

1657  
00:58:42,150 --> 00:58:40,960  
everybody's running around screaming how

1658  
00:58:44,390 --> 00:58:42,160  
you've got to sue this person that

1659  
00:58:46,549 --> 00:58:44,400  
person and and and just they're

1660  
00:58:48,069 --> 00:58:46,559  
violating my rights and screen and and

1661  
00:58:49,430 --> 00:58:48,079  
theater we're going to chase the school

1662  
00:58:51,270 --> 00:58:49,440  
board out of the building well you get

1663  
00:58:52,789 --> 00:58:51,280

to be an internet star for 24 hours but

1664

00:58:54,470 --> 00:58:52,799

you do know those people are still on

1665

00:58:56,870 --> 00:58:54,480

the school board the next day right okay

1666

00:58:58,390 --> 00:58:56,880

this is kind of crazy behavior and and

1667

00:59:00,950 --> 00:58:58,400

you know what happens when people do

1668

00:59:02,950 --> 00:59:00,960

that george soros and bill gates open up

1669

00:59:05,109 --> 00:59:02,960

expensive champagne they say we knew we

1670

00:59:07,030 --> 00:59:05,119

could count on these stupid humans to

1671

00:59:07,829 --> 00:59:07,040

distract themselves with that nonsense

1672

00:59:09,750 --> 00:59:07,839

all right

1673

00:59:10,549 --> 00:59:09,760

and the other thing closely following

1674

00:59:13,670 --> 00:59:10,559

that

1675

00:59:16,470 --> 00:59:13,680

is hurry up and file 5 000 failed

1676  
00:59:18,950 --> 00:59:16,480  
lawsuits in this country mainly because

1677  
00:59:20,950 --> 00:59:18,960  
everybody thought that what you should

1678  
00:59:22,309 --> 00:59:20,960  
do is hurry up and file against

1679  
00:59:23,510 --> 00:59:22,319  
everybody we're going to google them

1680  
00:59:24,789 --> 00:59:23,520  
we're going to see cnn and we're going

1681  
00:59:27,109 --> 00:59:24,799  
to sue the world we're going to sue the

1682  
00:59:30,150 --> 00:59:27,119  
governor we'll just file paper the walls

1683  
00:59:32,470 --> 00:59:30,160  
with lawsuits they're ill-conceived and

1684  
00:59:35,270 --> 00:59:32,480  
that sort of thing so so my point is

1685  
00:59:36,870 --> 00:59:35,280  
that you're right you're spot on about

1686  
00:59:38,549 --> 00:59:36,880  
someday you gotta go after them but you

1687  
00:59:40,230 --> 00:59:38,559  
gotta pick your battles and right now if

1688  
00:59:42,390 --> 00:59:40,240

we don't get ourselves free that's the

1689

00:59:45,589 --> 00:59:42,400

most important battle is to back these

1690

00:59:47,349 --> 00:59:45,599

people down and to and to really

1691

00:59:49,270 --> 00:59:47,359

mitigate the damage

1692

00:59:51,270 --> 00:59:49,280

and disable their system in other words

1693

00:59:52,230 --> 00:59:51,280

like i said the thing that they don't

1694

00:59:56,230 --> 00:59:52,240

want

1695

00:59:57,910 --> 00:59:56,240

is 200 000 independent health care

1696

00:59:59,990 --> 00:59:57,920

establishments out there

1697

01:00:01,670 --> 01:00:00,000

so that people say i don't really care

1698

01:00:04,069 --> 01:00:01,680

that mount carmel closed its medical

1699

01:00:06,870 --> 01:00:04,079

center i'm not going there anyway what

1700

01:00:08,069 --> 01:00:06,880

you really want is several million kids

1701  
01:00:09,990 --> 01:00:08,079  
being schooled at home and the parents

1702  
01:00:12,069 --> 01:00:10,000  
say you know what i don't care what you

1703  
01:00:13,510 --> 01:00:12,079  
do at the school board mask no mask you

1704  
01:00:15,430 --> 01:00:13,520  
can stand on your head i'm not even

1705  
01:00:17,109 --> 01:00:15,440  
showing up anymore that's how irrelevant

1706  
01:00:19,030 --> 01:00:17,119  
you are in my life

1707  
01:00:21,190 --> 01:00:19,040  
that's what you do right now you file

1708  
01:00:23,190 --> 01:00:21,200  
lawsuits that count it's not how many

1709  
01:00:25,510 --> 01:00:23,200  
it's how effective they are

1710  
01:00:26,950 --> 01:00:25,520  
and then later on as the thing turns

1711  
01:00:28,230 --> 01:00:26,960  
around you're going to see a lot of

1712  
01:00:30,150 --> 01:00:28,240  
justice and one of the things we're

1713  
01:00:32,150 --> 01:00:30,160

going to do we'll go after

1714

01:00:33,750 --> 01:00:32,160

the doctors and the nurses who were

1715

01:00:35,829 --> 01:00:33,760

involved in some of the inappropriate

1716

01:00:37,589 --> 01:00:35,839

treatment in hospitals i mean everybody

1717

01:00:39,190 --> 01:00:37,599

ends up paying for what they did sooner

1718

01:00:41,430 --> 01:00:39,200

or later but you have to pick your

1719

01:00:43,430 --> 01:00:41,440

actions carefully when you don't have

1720

01:00:46,470 --> 01:00:43,440

unlimited resources and when the

1721

01:00:49,430 --> 01:00:46,480

circumstances are as dire as they are

1722

01:00:51,349 --> 01:00:49,440

awesome answer what i hear you saying is

1723

01:00:53,349 --> 01:00:51,359

you've thought it through and you

1724

01:00:56,069 --> 01:00:53,359

continue to return to that you're the

1725

01:00:57,510 --> 01:00:56,079

tip of the spear here and just keep

1726

01:01:00,069 --> 01:00:57,520

you've already made a little bit of

1727

01:01:02,710 --> 01:01:00,079

progress keep pushing on that rather

1728

01:01:05,589 --> 01:01:02,720

than diffuse the energy off in a million

1729

01:01:09,030 --> 01:01:05,599

different places makes sense i gotta say

1730

01:01:11,829 --> 01:01:09,040

it makes sense okay so final question

1731

01:01:14,950 --> 01:01:11,839

area topic i'm really most interested in

1732

01:01:18,549 --> 01:01:14,960

i'm not a religious person but i'm

1733

01:01:19,670 --> 01:01:18,559

certainly not an atheist and i just rail

1734

01:01:22,230 --> 01:01:19,680

against

1735

01:01:24,789 --> 01:01:22,240

how atheism has become

1736

01:01:26,390 --> 01:01:24,799

one of the tactics that's used here

1737

01:01:28,870 --> 01:01:26,400

you're a biological robot in a

1738

01:01:31,030 --> 01:01:28,880

meaningless universe so get on with it

1739

01:01:33,829 --> 01:01:31,040

whatever we tell you to do there is no

1740

01:01:34,710 --> 01:01:33,839

greater self within you which we all

1741

01:01:37,109 --> 01:01:34,720

know

1742

01:01:38,549 --> 01:01:37,119

very instinctively is completely

1743

01:01:41,349 --> 01:01:38,559

ridiculous

1744

01:01:45,349 --> 01:01:41,359

but the stuff we're talking about

1745

01:01:46,789 --> 01:01:45,359

can get very spiritual very quickly

1746

01:01:48,630 --> 01:01:46,799

what are your thoughts do you have any

1747

01:01:50,230 --> 01:01:48,640

thoughts on the deeper implications of

1748

01:01:53,030 --> 01:01:50,240

this i just wrote a book a couple years

1749

01:01:55,670 --> 01:01:53,040

ago why evil matters it's not about

1750

01:01:58,870 --> 01:01:55,680

documenting evil in this place it's

1751  
01:02:02,710 --> 01:01:58,880  
saying if we don't have a discussion

1752  
01:02:04,150 --> 01:02:02,720  
about evil that is beyond the kind of

1753  
01:02:06,309 --> 01:02:04,160  
atheistic

1754  
01:02:07,829 --> 01:02:06,319  
academia institutionalized both why

1755  
01:02:10,309 --> 01:02:07,839  
would we ever talk about that there

1756  
01:02:12,390 --> 01:02:10,319  
could never possibly be anything did you

1757  
01:02:14,150 --> 01:02:12,400  
forget you're a biological robot in a

1758  
01:02:16,789 --> 01:02:14,160  
meaningless universe so it's either that

1759  
01:02:17,670 --> 01:02:16,799  
discussion or it's let me pull out my

1760  
01:02:21,109 --> 01:02:17,680  
book

1761  
01:02:22,870 --> 01:02:21,119  
i will let you in with a lot of good

1762  
01:02:24,470 --> 01:02:22,880  
stuff that you want to hear but at the

1763  
01:02:27,430 --> 01:02:24,480

end of the day i'm going to kind of

1764

01:02:29,190 --> 01:02:27,440

control you a little bit with my book so

1765

01:02:30,870 --> 01:02:29,200

what what i was always look what i was

1766

01:02:33,270 --> 01:02:30,880

looking for in that book is why evil

1767

01:02:36,230 --> 01:02:33,280

matters is like if if you have a forced

1768

01:02:39,109 --> 01:02:36,240

choice on evil is that it doesn't exist

1769

01:02:42,069 --> 01:02:39,119

or it only exists the way that my book

1770

01:02:43,910 --> 01:02:42,079

says it is you don't have any chance of

1771

01:02:45,029 --> 01:02:43,920

looking at like this situation we're on

1772

01:02:48,390 --> 01:02:45,039

and saying

1773

01:02:50,470 --> 01:02:48,400

there is something here that is

1774

01:02:52,230 --> 01:02:50,480

evil beyond we're not even sure what it

1775

01:02:54,870 --> 01:02:52,240

is but it's kind of beyond what we can

1776

01:02:57,270 --> 01:02:54,880

really wrap our hands around in terms of

1777

01:03:00,230 --> 01:02:57,280

somebody trying to get rich or somebody

1778

01:03:02,630 --> 01:03:00,240

just being on a power trip

1779

01:03:04,630 --> 01:03:02,640

have you given that any thought yeah

1780

01:03:07,109 --> 01:03:04,640

i think that what we're dealing with is

1781

01:03:09,430 --> 01:03:07,119

people who have no respect or regard for

1782

01:03:10,549 --> 01:03:09,440

human life for any life

1783

01:03:12,309 --> 01:03:10,559

okay

1784

01:03:14,630 --> 01:03:12,319

and i think i don't come at it i'm not a

1785

01:03:17,270 --> 01:03:14,640

devoutly religious person

1786

01:03:18,230 --> 01:03:17,280

although i think there's a god there's

1787

01:03:20,390 --> 01:03:18,240

something

1788

01:03:22,230 --> 01:03:20,400

um i think it's god

1789

01:03:24,630 --> 01:03:22,240

and i think that this is a battle

1790

01:03:26,630 --> 01:03:24,640

between good and evil it's not the first

1791

01:03:27,910 --> 01:03:26,640

time it's happened

1792

01:03:30,789 --> 01:03:27,920

and um

1793

01:03:33,190 --> 01:03:30,799

you know i i was a fan am a fan of

1794

01:03:34,549 --> 01:03:33,200

victor frankel's book man's uh search

1795

01:03:36,710 --> 01:03:34,559

for meaning

1796

01:03:38,950 --> 01:03:36,720

and um and so

1797

01:03:41,829 --> 01:03:38,960

whether you believe in god or not i

1798

01:03:44,470 --> 01:03:41,839

think that all people who have character

1799

01:03:46,789 --> 01:03:44,480

respect other humans and we respect

1800

01:03:48,950 --> 01:03:46,799

human life we respect all life to a

1801

01:03:50,870 --> 01:03:48,960

certain extent the animals and the birds

1802

01:03:54,069 --> 01:03:50,880

and the trees and we have some respect

1803

01:03:55,589 --> 01:03:54,079

for everything and all beings

1804

01:03:58,309 --> 01:03:55,599

and um

1805

01:04:00,870 --> 01:03:58,319

regardless of their defects and quirks

1806

01:04:04,390 --> 01:04:00,880

and furbillos and all that sort of thing

1807

01:04:07,589 --> 01:04:04,400

and so um the thing with evil people

1808

01:04:09,990 --> 01:04:07,599

is that they respect nobody and nothing

1809

01:04:11,910 --> 01:04:10,000

except for their quest for power

1810

01:04:14,069 --> 01:04:11,920

and they come at this from a place i

1811

01:04:15,910 --> 01:04:14,079

think i have some understanding of the

1812

01:04:18,390 --> 01:04:15,920

criminals mentality they know what's

1813

01:04:20,470 --> 01:04:18,400

best for everybody because they're so

1814

01:04:23,510 --> 01:04:20,480

smart and they're so rich

1815

01:04:26,870 --> 01:04:23,520

and they grossly underestimated the

1816

01:04:28,710 --> 01:04:26,880

human spirit and what i find incredibly

1817

01:04:31,589 --> 01:04:28,720

interesting is that with all of their

1818

01:04:34,150 --> 01:04:31,599

might and power and money

1819

01:04:36,630 --> 01:04:34,160

some little girl from columbus ohio has

1820

01:04:39,270 --> 01:04:36,640

interrupted their plan

1821

01:04:40,789 --> 01:04:39,280

think about it that's very distressing

1822

01:04:42,069 --> 01:04:40,799

to them and i'm not the only person

1823

01:04:44,870 --> 01:04:42,079

who's interrupted their plan there have

1824

01:04:46,630 --> 01:04:44,880

been a whole lot of nobodies from

1825

01:04:49,510 --> 01:04:46,640

various places like tom renz who's the

1826

01:04:51,670 --> 01:04:49,520

lawyer in fremont ohio i'm sure it

1827

01:04:54,150 --> 01:04:51,680

aggravates the heck out of them that tom

1828

01:04:56,549 --> 01:04:54,160

renz has interfered with their plan

1829

01:04:59,190 --> 01:04:56,559

right he's supposed to be a nobody

1830

01:05:01,349 --> 01:04:59,200

so so and this happens every time this

1831

01:05:03,589 --> 01:05:01,359

this is not the first good versus evil

1832

01:05:05,270 --> 01:05:03,599

it's just the biggest version of it

1833

01:05:07,990 --> 01:05:05,280

and i don't think you have to come at it

1834

01:05:09,910 --> 01:05:08,000

from a religious perspective the bible

1835

01:05:11,990 --> 01:05:09,920

the torah or

1836

01:05:14,309 --> 01:05:12,000

so some type of like you join my

1837

01:05:16,549 --> 01:05:14,319

religion my religion and then to you

1838

01:05:18,870 --> 01:05:16,559

know this is the pathway forward and out

1839

01:05:20,549 --> 01:05:18,880

of this i think it's it's simply what's

1840

01:05:22,470 --> 01:05:20,559

right and not right

1841

01:05:24,950 --> 01:05:22,480

and and most civilized people think

1842

01:05:26,710 --> 01:05:24,960

killing people is a bad idea all right

1843

01:05:28,870 --> 01:05:26,720

only criminals think that's a good idea

1844

01:05:29,990 --> 01:05:28,880

so so there's much i think you i think

1845

01:05:31,510 --> 01:05:30,000

this has brought a lot of people

1846

01:05:33,510 --> 01:05:31,520

together from a lot of different

1847

01:05:36,150 --> 01:05:33,520

backgrounds who who have made strange

1848

01:05:37,190 --> 01:05:36,160

bedfellows and i look at my own thursday

1849

01:05:39,029 --> 01:05:37,200

group

1850

01:05:40,470 --> 01:05:39,039

it's about equal democrats and

1851  
01:05:42,630 --> 01:05:40,480  
republicans

1852  
01:05:44,470 --> 01:05:42,640  
and they're all coming together saying

1853  
01:05:45,910 --> 01:05:44,480  
killing people is not right we share

1854  
01:05:47,430 --> 01:05:45,920  
that all right

1855  
01:05:49,029 --> 01:05:47,440  
putting people out of business is not

1856  
01:05:51,190 --> 01:05:49,039  
right controlling people through health

1857  
01:05:53,510 --> 01:05:51,200  
is not right making people get this job

1858  
01:05:55,910 --> 01:05:53,520  
is not right so so they're actually

1859  
01:05:57,829 --> 01:05:55,920  
bringing together people who before have

1860  
01:05:59,430 --> 01:05:57,839  
a lot to disagree about but now they

1861  
01:06:01,190 --> 01:05:59,440  
have this common ground that's very

1862  
01:06:02,470 --> 01:06:01,200  
important and fundamental to our

1863  
01:06:05,589 --> 01:06:02,480

survival

1864

01:06:08,309 --> 01:06:05,599

and so um the criminals actually have

1865

01:06:10,789 --> 01:06:08,319

developed a plan that works in our favor

1866

01:06:12,789 --> 01:06:10,799

not theirs in the long term

1867

01:06:14,870 --> 01:06:12,799

it's just a lot of misery between now

1868

01:06:17,910 --> 01:06:14,880

and the long term

1869

01:06:20,390 --> 01:06:17,920

awesome our guest again has been dr pam

1870

01:06:22,549 --> 01:06:20,400

popper you're going to want to check out

1871

01:06:25,510 --> 01:06:22,559

wellness forum health

1872

01:06:28,150 --> 01:06:25,520

you can still google her and find her

1873

01:06:30,309 --> 01:06:28,160

you can even still find some videos on

1874

01:06:33,029 --> 01:06:30,319

youtube although she's very careful but

1875

01:06:33,910 --> 01:06:33,039

i love that she's still there because we

1876

01:06:36,309 --> 01:06:33,920

can't

1877

01:06:38,150 --> 01:06:36,319

let them own that and then that'll

1878

01:06:40,390 --> 01:06:38,160

direct you over to the real videos over

1879

01:06:42,230 --> 01:06:40,400

on bitshoot and all the other places

1880

01:06:43,349 --> 01:06:42,240

that you can find pam it's been

1881

01:06:46,309 --> 01:06:43,359

absolutely

1882

01:06:49,109 --> 01:06:46,319

terrific having you on you are so

1883

01:06:50,870 --> 01:06:49,119

inspirational to so many people i just

1884

01:06:52,630 --> 01:06:50,880

appreciate what you're doing

1885

01:06:54,309 --> 01:06:52,640

thank you for having me

1886

01:06:56,309 --> 01:06:54,319

thanks again to dr pam popper for

1887

01:06:58,230 --> 01:06:56,319

joining me today on skeptico one

1888

01:07:00,390 --> 01:06:58,240

question i'd have to tee up from this

1889

01:07:01,990 --> 01:07:00,400

interview is the in it to win it

1890

01:07:05,589 --> 01:07:02,000

question

1891

01:07:08,309 --> 01:07:05,599

can we really be in it to win it

1892

01:07:09,510 --> 01:07:08,319

what are we up against here

1893

01:07:11,910 --> 01:07:09,520

i guess that question kind of

1894

01:07:14,150 --> 01:07:11,920

presupposes that you've bought into the

1895

01:07:16,069 --> 01:07:14,160

pandemic narrative then again if you

1896

01:07:18,710 --> 01:07:16,079

haven't bought into the pandemic

1897

01:07:20,630 --> 01:07:18,720

narrative i'm not quite sure what you're

1898

01:07:22,230 --> 01:07:20,640

doing here although if you are here and

1899

01:07:24,950 --> 01:07:22,240

you haven't bought into it that's great

1900

01:07:27,349 --> 01:07:24,960

too awesome love people who stick around

1901

01:07:29,270 --> 01:07:27,359

and have different points of view that's

1902

01:07:31,670 --> 01:07:29,280

certainly what skeptica is all about and

1903

01:07:33,990 --> 01:07:31,680

that's why i'm encouraging you to share

1904

01:07:36,390 --> 01:07:34,000

these interviews and grow this community

1905

01:07:38,950 --> 01:07:36,400

where we can have intelligent bloody

1906

01:07:41,270 --> 01:07:38,960

knuckle debates about stuff that's

1907

01:07:42,630 --> 01:07:41,280

really important in science and

1908

01:07:44,230 --> 01:07:42,640

spirituality

1909

01:07:46,630 --> 01:07:44,240

i got some more of those coming up by

1910

01:07:48,309 --> 01:07:46,640

the way so stay with me for all of that

1911

01:07:51,270 --> 01:07:48,319

until next time

1912

01:08:04,870 --> 01:07:51,280

take care and bye for now
