**#529-STEVEN-SNIDER**

1  
00:00:05,869 --> 00:00:03,409  
I forgot how like just how polarizing

2  
00:00:08,089 --> 00:00:05,879  
that OJ case was and you know I've met

3  
00:00:10,490 --> 00:00:08,099  
O.J Simpson on four different occasions

4  
00:00:11,330 --> 00:00:10,500  
in my life and before the end of the

5  
00:00:13,490 --> 00:00:11,340  
show

6  
00:00:16,010 --> 00:00:13,500  
I will tell you about each of those

7  
00:00:17,930 --> 00:00:16,020  
occasions

8  
00:00:20,929 --> 00:00:17,940  
that's of course the one and only Dave

9  
00:00:22,849 --> 00:00:20,939  
Chappelle from his stand-up special on

10  
00:00:24,290 --> 00:00:22,859  
Netflix which now he's paying from

11  
00:00:26,390 --> 00:00:24,300  
Netflix which is

12  
00:00:27,830 --> 00:00:26,400  
kind of interesting but that fits in so

13  
00:00:31,490 --> 00:00:27,840

well with Dave Chappelle because he's

14

00:00:34,250 --> 00:00:31,500

not just a comedian he's a truth teller

15

00:00:36,470 --> 00:00:34,260

truth Seeker Warrior and that makes this

16

00:00:38,330 --> 00:00:36,480

clip kind of a nice fit for today's show

17

00:00:40,069 --> 00:00:38,340

with the very excellent guy I really

18

00:00:41,450 --> 00:00:40,079

like and respect even though we disagree

19

00:00:44,150 --> 00:00:41,460

all over the place on some of the most

20

00:00:47,270 --> 00:00:44,160

important fundamental issues to me

21

00:00:49,310 --> 00:00:47,280

that is Steven Snyder recluse host of

22

00:00:52,010 --> 00:00:49,320

The Farm podcast and author of some

23

00:00:54,650 --> 00:00:52,020

great books I'm going to tell you about

24

00:00:58,670 --> 00:00:54,660

but the thing about OJ that Chappelle is

25

00:01:02,029 --> 00:00:58,680

talking about is is really interesting

26

00:01:03,650 --> 00:01:02,039

in a couple of ways back to Dave at the

27

00:01:05,870 --> 00:01:03,660

time I was 18.

28

00:01:07,429 --> 00:01:05,880

I had done a show and then a guy from

29

00:01:09,050 --> 00:01:07,439

the club came up and was like Hey O.J

30

00:01:11,570 --> 00:01:09,060

Simpson's here and he said he wants to

31

00:01:13,550 --> 00:01:11,580

meet you I said what [h\_\_h] yeah I ran

32

00:01:14,990 --> 00:01:13,560

down steps

33

00:01:16,609 --> 00:01:15,000

and OJ was down there he's like there

34

00:01:18,890 --> 00:01:16,619

you go man how are you it's very good to

35

00:01:20,690 --> 00:01:18,900

meet you and uh you're doing really good

36

00:01:22,429 --> 00:01:20,700

work and I hope good things happen for

37

00:01:25,010 --> 00:01:22,439

you in your life I was like man thanks

38

00:01:28,490 --> 00:01:26,710

foreign

39

00:01:30,649 --> 00:01:28,500

beside him

40

00:01:31,789 --> 00:01:30,659

but I don't know the nice way to say

41

00:01:36,410 --> 00:01:31,799

this uh

42

00:01:39,289 --> 00:01:38,390

ladies and gentlemen man the [h\_\_h] up or

43

00:01:40,429 --> 00:01:39,299

you're not going to make it through the

44

00:01:42,469 --> 00:01:40,439

end of this show

45

00:01:44,149 --> 00:01:42,479

this man the [h\_\_h]

46

00:01:45,590 --> 00:01:44,159

so I'm really tempted to jump in with

47

00:01:47,149 --> 00:01:45,600

some kind of commentary about what

48

00:01:49,670 --> 00:01:47,159

Chappelle's saying there but I want to

49

00:01:52,069 --> 00:01:49,680

relate it back to this show so here is a

50

00:01:55,310 --> 00:01:52,079

clip from this conversation that Stephen

51  
00:01:58,310 --> 00:01:55,320  
and I have about pizza gate Pizza gate

52  
00:02:01,550 --> 00:01:58,320  
which is the O.J Simpson murder trial of

53  
00:02:02,990 --> 00:02:01,560  
this episode here's the clip and this is

54  
00:02:05,090 --> 00:02:03,000  
kind of similar to how you would start

55  
00:02:06,410 --> 00:02:05,100  
at this information campaign I mean

56  
00:02:08,029 --> 00:02:06,420  
honestly if you're a psychological

57  
00:02:09,729 --> 00:02:08,039  
warfare officer why wouldn't you be

58  
00:02:12,470 --> 00:02:09,739  
interested in this kind of stuff

59  
00:02:14,330 --> 00:02:12,480  
historically disinformation usually had

60  
00:02:16,910 --> 00:02:14,340  
some kind of a basis in reality I mean

61  
00:02:19,070 --> 00:02:16,920  
that's what made it really effective

62  
00:02:22,070 --> 00:02:19,080  
but now we've kind of gotten into the

63  
00:02:23,449 --> 00:02:22,080

whole pizzagate era where you know I

64

00:02:25,790 --> 00:02:23,459

think that this is a disinformation

65

00:02:27,710 --> 00:02:25,800

campaign but I mean it has almost no

66

00:02:29,990 --> 00:02:27,720

basis in reality

67

00:02:31,790 --> 00:02:30,000

okay so now we can go back to analyzing

68

00:02:33,290 --> 00:02:31,800

the Dave Chappelle clip because the

69

00:02:36,790 --> 00:02:33,300

reason I think that the Dave Chappelle

70

00:02:40,670 --> 00:02:36,800

clip is so funny is because we all know

71

00:02:42,890 --> 00:02:40,680

that OJ killed his wife and then we even

72

00:02:44,750 --> 00:02:42,900

know that there's this racial component

73

00:02:47,089 --> 00:02:44,760

into it and that the jurus probably

74

00:02:49,970 --> 00:02:47,099

influenced by the fact that Rodney King

75

00:02:51,530 --> 00:02:49,980

was mauled and almost killed by the LA

76

00:02:53,030 --> 00:02:51,540

police and that they used that they

77

00:02:55,190 --> 00:02:53,040

played the racial card and all that

78

00:02:57,589 --> 00:02:55,200

stuff but the guy not to play it with is

79

00:02:59,449 --> 00:02:57,599

oh Jake really did the crime but this

80

00:03:02,449 --> 00:02:59,459

crazy mixed up world that's how we sort

81

00:03:06,110 --> 00:03:02,459

through things but the thing is we know

82

00:03:09,589 --> 00:03:06,120

OJ did it and that's what makes it funny

83

00:03:10,910 --> 00:03:09,599

my pushback on Stephen in this interview

84

00:03:17,089 --> 00:03:10,920

is

85

00:03:20,750 --> 00:03:17,099

funny the fact that they turned it into

86

00:03:22,729 --> 00:03:20,760

a joke is what makes it interesting

87

00:03:24,710 --> 00:03:22,739

because we're getting down to stuff that

88

00:03:27,070 --> 00:03:24,720

we're just going to kind of disagree on

89

00:03:29,509 --> 00:03:27,080

from a kind of factual basis

90

00:03:32,690 --> 00:03:29,519

philosophically in your approach to it

91

00:03:35,089 --> 00:03:32,700

I'm down with one thousand percent now

92

00:03:37,309 --> 00:03:35,099

we just drill into some of the the data

93

00:03:38,750 --> 00:03:37,319

points and see where we get so let me

94

00:03:42,110 --> 00:03:38,760

try and do that

95

00:03:43,789 --> 00:03:42,120

here is pizzagate as we understand it

96

00:03:46,490 --> 00:03:43,799

play in the clip from Good Morning

97

00:03:48,830 --> 00:03:46,500

America it's a restaurant a gunman with

98

00:03:51,830 --> 00:03:48,840

an assault rifle targeting a Washington

99

00:03:53,449 --> 00:03:51,840

DC spot that's at the center of a fake

100

00:03:54,710 --> 00:03:53,459

news story about Hillary Clinton and a

101  
00:03:56,330 --> 00:03:54,720  
close eight our senior Justice

102  
00:03:57,770 --> 00:03:56,340  
correspondent Pierre Thomas is there in

103  
00:03:59,929 --> 00:03:57,780  
Washington has all the details for us

104  
00:04:02,089 --> 00:03:59,939  
good morning Pierre good morning Robin

105  
00:04:04,789 --> 00:04:02,099  
this case shows how fake news can lead

106  
00:04:07,490 --> 00:04:04,799  
to a dangerous situation and

107  
00:04:10,070 --> 00:04:07,500  
oh my God oh my God Stephen we are

108  
00:04:12,830 --> 00:04:10,080  
completely at odds on that because I

109  
00:04:16,550 --> 00:04:12,840  
believe that is the fake news that is

110  
00:04:19,069 --> 00:04:16,560  
the story the story is this crazy

111  
00:04:22,550 --> 00:04:19,079  
conspiracy theorist goes into this

112  
00:04:25,450 --> 00:04:22,560  
innocent pizza parlor and shoots it up

113  
00:04:29,150 --> 00:04:25,460

what it's really about is this person

114

00:04:32,510 --> 00:04:29,160

Mariana bramovich and it's about these

115

00:04:36,530 --> 00:04:32,520

emails these real emails that are

116

00:04:39,530 --> 00:04:36,540

revealed in the Wikileaks dump of emails

117

00:04:41,689 --> 00:04:39,540

that were by the way designed to

118

00:04:44,330 --> 00:04:41,699

submarine Hillary Clinton in her

119

00:04:46,490 --> 00:04:44,340

campaign these emails were released four

120

00:04:49,189 --> 00:04:46,500

days before the election oh what a

121

00:04:51,170 --> 00:04:49,199

coincidence what is she doing hanging

122

00:04:52,850 --> 00:04:51,180

around with this person what is she

123

00:04:55,550 --> 00:04:52,860

doing going to these Spirit cooking

124

00:04:57,950 --> 00:04:55,560

parties holding up pictures of kids

125

00:05:02,510 --> 00:04:57,960

being abused

126

00:05:05,749 --> 00:05:04,129

I was sitting in the corner of the booth

127

00:05:08,090 --> 00:05:05,759

he leaned over all the white people I

128

00:05:09,890 --> 00:05:08,100

was having dinner with and shook my hand

129

00:05:12,110 --> 00:05:09,900

how are you young man

130

00:05:13,790 --> 00:05:12,120

he looked in my eyes and I could see in

131

00:05:16,969 --> 00:05:13,800

his eyes that he didn't remember meeting

132

00:05:21,710 --> 00:05:19,249

and then he walked away

133

00:05:26,150 --> 00:05:21,720

and I look back at my agents and all of

134

00:05:28,490 --> 00:05:26,160

them had nothing short of disgust on

135

00:05:30,650 --> 00:05:28,500

their faces and the only one with the

136

00:05:32,749 --> 00:05:30,660

courage to voice their disgust was a

137

00:05:34,370 --> 00:05:32,759

woman named Sharon who used to represent

138

00:05:36,950 --> 00:05:34,380

me

139

00:05:39,830 --> 00:05:36,960

how could you she said

140

00:05:41,629 --> 00:05:39,840

how could you shake hands with that

141

00:05:44,450 --> 00:05:41,639

murderer

142

00:05:51,230 --> 00:05:44,460

I said Sharon with all due respect

143

00:05:57,110 --> 00:05:54,050

Chappelle is a genius at playing with

144

00:06:00,409 --> 00:05:57,120

the truth in a way that makes us laugh

145

00:06:03,230 --> 00:06:00,419

feel good and not alienate anybody too

146

00:06:06,230 --> 00:06:03,240

bad unless your Netflix of course

147

00:06:08,090 --> 00:06:06,240

I'm not so gifted in that regard kind of

148

00:06:09,950 --> 00:06:08,100

like straight ahead

149

00:06:12,170 --> 00:06:09,960

that's why it's good to have a ride

150

00:06:15,710 --> 00:06:12,180

along with somebody like today's guest

151  
00:06:19,249 --> 00:06:15,720  
Stephen Snyder because even in my bull

152  
00:06:21,469 --> 00:06:19,259  
in the china shop way we were able to

153  
00:06:23,990 --> 00:06:21,479  
plow through some really really

154  
00:06:27,050 --> 00:06:24,000  
interesting stuff not just about pizza

155  
00:06:31,189 --> 00:06:27,060  
cake but about Stargate and MK Ultra in

156  
00:06:34,189 --> 00:06:31,199  
E.T and UFOs and spirituality and all

157  
00:06:36,110 --> 00:06:34,199  
the stuff that really matters and that

158  
00:06:39,290 --> 00:06:36,120  
you don't hear enough of and you know

159  
00:06:42,050 --> 00:06:39,300  
what that's lead into is a pitch for you

160  
00:06:45,230 --> 00:06:42,060  
to join me in a dialogue about this

161  
00:06:47,270 --> 00:06:45,240  
stuff so you're listening now share it

162  
00:06:48,529 --> 00:06:47,280  
with someone else and then engage with

163  
00:06:50,150 --> 00:06:48,539

me I'd love to hear what you think

164

00:06:52,370 --> 00:06:50,160

especially if you're thinking about this

165

00:06:54,350 --> 00:06:52,380

stuff deeply and you're not just kind of

166

00:06:56,689 --> 00:06:54,360

trolling around with stuff but give me

167

00:06:59,270 --> 00:06:56,699

some new information that's what that's

168

00:07:01,010 --> 00:06:59,280

the juice for me is when people share

169

00:07:04,010 --> 00:07:01,020

new information with me that is

170

00:07:05,990 --> 00:07:04,020

important real credible and that then I

171

00:07:08,029 --> 00:07:06,000

can expand my knowledge that's what

172

00:07:11,390 --> 00:07:08,039

makes me feel really great so please

173

00:07:14,629 --> 00:07:11,400

engage with skeptico in that way that's

174

00:07:16,550 --> 00:07:14,639

what I ask of you and in exchange I'll

175

00:07:20,089 --> 00:07:16,560

give you good interviews like this one

176

00:07:21,830 --> 00:07:20,099

coming up with recluse

177

00:07:23,930 --> 00:07:21,840

welcome to skeptico where we explore

178

00:07:26,990 --> 00:07:23,940

controversial science and spirituality

179

00:07:29,089 --> 00:07:27,000

with leading researchers thinkers and

180

00:07:33,170 --> 00:07:29,099

their critics I'm your host Alex Karis

181

00:07:37,430 --> 00:07:33,180

and today we welcome Steven Snyder AKA

182

00:07:39,950 --> 00:07:37,440

recluse back to skeptico Stephen is the

183

00:07:43,610 --> 00:07:39,960

author of several books and he's

184

00:07:45,589 --> 00:07:43,620

actually wrapping up a new book on the Q

185

00:07:48,830 --> 00:07:45,599

Anon thing and we're certainly going to

186

00:07:51,409 --> 00:07:48,840

want to talk about that but he published

187

00:07:54,969 --> 00:07:51,419

last year A special relationship Trump

188

00:07:57,589 --> 00:07:54,979

Epstein and the secret history of the

189

00:08:01,369 --> 00:07:57,599

anglo-american establishment

190

00:08:03,070 --> 00:08:01,379

if you can crack that title you might

191

00:08:05,930 --> 00:08:03,080

begin to understand

192

00:08:08,710 --> 00:08:05,940

Stephen's World here's another title

193

00:08:12,050 --> 00:08:08,720

Strange Tales of the parapolitical

194

00:08:14,629 --> 00:08:12,060

post-war Nazis mercenaries and other

195

00:08:17,570 --> 00:08:14,639

secret history excellent book he made

196

00:08:18,770 --> 00:08:17,580

the rounds on some great shows on that

197

00:08:22,550 --> 00:08:18,780

one as well

198

00:08:26,589 --> 00:08:22,560

Stephen is also the Creator and host of

199

00:08:31,750 --> 00:08:26,599

The Farm very excellent podcast

200

00:08:34,430 --> 00:08:31,760

Deep dive deep parapolitical stuff deep

201

00:08:37,250 --> 00:08:34,440

conspiracy paranormal

202

00:08:39,529 --> 00:08:37,260

has become The New Normal kind of stuff

203

00:08:41,810 --> 00:08:39,539

but what I particularly really really

204

00:08:43,190 --> 00:08:41,820

appreciate about Steven's work and the

205

00:08:44,690 --> 00:08:43,200

reason I wanted to have him on and we're

206

00:08:49,610 --> 00:08:44,700

going to do maybe kind of a different

207

00:08:52,370 --> 00:08:49,620

show here is the trend in this whole

208

00:08:54,650 --> 00:08:52,380

topic area is so much towards

209

00:08:58,610 --> 00:08:54,660

conspiraitainment

210

00:09:01,610 --> 00:08:58,620

uh in podcasting and that has never been

211

00:09:04,430 --> 00:09:01,620

what this guy's about and I feel we

212

00:09:07,670 --> 00:09:04,440

share this thing of like well let's try

213

00:09:09,290 --> 00:09:07,680

our best to figure this stuff out if you

214

00:09:10,910 --> 00:09:09,300

want to listen and it's entertaining

215

00:09:13,670 --> 00:09:10,920

that's great but what we're really

216

00:09:15,889 --> 00:09:13,680

trying to do is figure this stuff out so

217

00:09:17,630 --> 00:09:15,899

that's the spirit I bring to this

218

00:09:19,670 --> 00:09:17,640

dialogue Stephen it's awesome to have

219

00:09:21,050 --> 00:09:19,680

you back thanks for joining me

220

00:09:22,370 --> 00:09:21,060

well thanks for having me back again

221

00:09:23,509 --> 00:09:22,380

Alex it's always a pleasure to be on

222

00:09:24,889 --> 00:09:23,519

skeptico

223

00:09:26,930 --> 00:09:24,899

what do you think about that

224

00:09:28,490 --> 00:09:26,940

conspirainment thing

225

00:09:30,230 --> 00:09:28,500

well that's actually going to be the

226

00:09:32,090 --> 00:09:30,240

heart of the name of my Q book that's

227

00:09:33,889 --> 00:09:32,100

coming up um the secret history of

228

00:09:35,810 --> 00:09:33,899

conspiratinement

229

00:09:38,090 --> 00:09:35,820

but yeah yeah no I definitely think

230

00:09:39,710 --> 00:09:38,100

that's kind of like uh the you know

231

00:09:41,509 --> 00:09:39,720

direction we're going in I mean what

232

00:09:44,930 --> 00:09:41,519

Alex Jones is uh practically the new

233

00:09:47,930 --> 00:09:44,940

Rush Limbaugh in 2021 right so it's uh

234

00:09:50,090 --> 00:09:47,940

it's become quite an industry

235

00:09:52,570 --> 00:09:50,100

well you know and and I really want to

236

00:09:56,570 --> 00:09:52,580

pull that apart because

237

00:09:59,290 --> 00:09:56,580

like this is the thing and uh I'm not

238

00:10:01,790 --> 00:09:59,300

gonna apologize for the level three

239

00:10:03,530 --> 00:10:01,800

dialogue we're about to have because

240

00:10:06,650 --> 00:10:03,540

we're going to be jumping right in the

241

00:10:08,810 --> 00:10:06,660

middle stuff and then for folks who are

242

00:10:10,910 --> 00:10:08,820

like what are you guys talking about go

243

00:10:13,310 --> 00:10:10,920

listen to the farm I mean these guys do

244

00:10:17,030 --> 00:10:13,320

two and a half hours all the time on

245

00:10:19,910 --> 00:10:17,040

stuff that's just incredibly dense with

246

00:10:22,130 --> 00:10:19,920

you know citations of factual sources

247

00:10:24,829 --> 00:10:22,140

here's where we got this connecting it

248

00:10:26,990 --> 00:10:24,839

with this and I really appreciate that

249

00:10:28,430 --> 00:10:27,000

and the other thing I appreciate that is

250

00:10:31,430 --> 00:10:28,440

that

251  
00:10:33,410 --> 00:10:31,440  
you know recluse and his guests are

252  
00:10:37,430 --> 00:10:33,420  
generally coming from

253  
00:10:39,410 --> 00:10:37,440  
well not the red side of the political

254  
00:10:41,090 --> 00:10:39,420  
spectrum and I'm not going to say

255  
00:10:42,949 --> 00:10:41,100  
they're definitely coming from the blue

256  
00:10:45,230 --> 00:10:42,959  
side but they're kind of leaning in that

257  
00:10:47,509 --> 00:10:45,240  
direction I'm

258  
00:10:48,949 --> 00:10:47,519  
very apolitical I do not understand

259  
00:10:51,110 --> 00:10:48,959  
anyone who

260  
00:10:53,990 --> 00:10:51,120  
kind of buys into any of that narrative

261  
00:10:58,790 --> 00:10:54,000  
anymore it just seems we're so so past

262  
00:11:02,769 --> 00:10:58,800  
that but I appreciate that you are in

263  
00:11:05,870 --> 00:11:02,779

that same Spirit of kind of

264

00:11:07,850 --> 00:11:05,880

parapolitical conspiracy paranormal

265

00:11:09,650 --> 00:11:07,860

stuff pointing to the other side and

266

00:11:12,829 --> 00:11:09,660

going you know you guys are kind of

267

00:11:15,710 --> 00:11:12,839

completely blind spot on all of this

268

00:11:17,750 --> 00:11:15,720

stuff which is what the the Q Anon stuff

269

00:11:20,150 --> 00:11:17,760

which maybe we can even lead into that

270

00:11:22,069 --> 00:11:20,160

and talk about and people will get a

271

00:11:25,090 --> 00:11:22,079

sense of that but do you have any

272

00:11:28,490 --> 00:11:25,100

thoughts on you know the political

273

00:11:30,230 --> 00:11:28,500

Spectrum where you fall how you try and

274

00:11:32,090 --> 00:11:30,240

process that from a really really high

275

00:11:35,210 --> 00:11:32,100

level Big Picture level

276

00:11:37,069 --> 00:11:35,220

well I you know I personally kind of

277

00:11:40,250 --> 00:11:37,079

consider myself to be like a bit of a

278

00:11:42,290 --> 00:11:40,260

centralist I mean a lot of my right

279

00:11:44,750 --> 00:11:42,300

right-wing friends consider me to be a

280

00:11:45,949 --> 00:11:44,760

far left Winger a lot of my left-wing

281

00:11:48,290 --> 00:11:45,959

friends consider me to be a bit

282

00:11:51,050 --> 00:11:48,300

conservative I think my ex considered me

283

00:11:54,170 --> 00:11:51,060

to be a quasi uh far rightist or

284

00:11:56,210 --> 00:11:54,180

something like that uh so you know

285

00:11:57,769 --> 00:11:56,220

honestly I mean I just enjoy hearing

286

00:11:59,449 --> 00:11:57,779

different perspectives on a lot of

287

00:12:01,910 --> 00:11:59,459

things so I mean I try to keep an open

288

00:12:04,190 --> 00:12:01,920

mind in terms of guests I mean I you

289

00:12:05,750 --> 00:12:04,200

know probably agree with less than 50 of

290

00:12:08,210 --> 00:12:05,760

what most of my kids believe in that I

291

00:12:09,829 --> 00:12:08,220

have one but I think it's important to

292

00:12:11,389 --> 00:12:09,839

challenge your beliefs and that's kind

293

00:12:12,949 --> 00:12:11,399

of something that I try to do with the

294

00:12:14,509 --> 00:12:12,959

farm is I want to have guests on that

295

00:12:16,910 --> 00:12:14,519

are going to be provocative and possibly

296

00:12:19,490 --> 00:12:16,920

give the listeners and that world view

297

00:12:21,290 --> 00:12:19,500

that they're not normally exposed to I

298

00:12:22,970 --> 00:12:21,300

think it was ironically Crowley was who

299

00:12:24,230 --> 00:12:22,980

I learned that from he had that what

300

00:12:26,090 --> 00:12:24,240

suggesting that you should read one

301  
00:12:27,829 --> 00:12:26,100  
publication a day from a source that you

302  
00:12:29,690 --> 00:12:27,839  
absolutely despised and see if you can

303  
00:12:31,790 --> 00:12:29,700  
mentally debunk Goods I mean I think

304  
00:12:33,290 --> 00:12:31,800  
that's a great uh concept I mean that's

305  
00:12:35,150 --> 00:12:33,300  
you know partly something that I tried

306  
00:12:36,829 --> 00:12:35,160  
to do myself every day and you know

307  
00:12:38,090 --> 00:12:36,839  
hopefully I mean if the farm does

308  
00:12:39,970 --> 00:12:38,100  
challenge your world view I mean then

309  
00:12:42,290 --> 00:12:39,980  
it's done its purpose partly

310  
00:12:44,690 --> 00:12:42,300  
that definitely comes through it's

311  
00:12:47,150 --> 00:12:44,700  
awesome and it's not

312  
00:12:49,850 --> 00:12:47,160  
oh it's just less and less common as you

313  
00:12:51,710 --> 00:12:49,860

know so with that you know maybe the

314

00:12:53,870 --> 00:12:51,720

place to start

315

00:12:55,550 --> 00:12:53,880

I'm super excited to see this new book

316

00:12:59,210 --> 00:12:55,560

when it comes out

317

00:13:01,970 --> 00:12:59,220

let's start with Q Anon and maybe at a

318

00:13:06,350 --> 00:13:01,980

very high level give people the scoop

319

00:13:08,690 --> 00:13:06,360

your scoop the recluse scoop on what

320

00:13:10,250 --> 00:13:08,700

people don't know because I I still you

321

00:13:12,530 --> 00:13:10,260

know have a problem kind of

322

00:13:14,750 --> 00:13:12,540

communicating with people about this

323

00:13:16,490 --> 00:13:14,760

yeah well I mean it's you know it's

324

00:13:18,530 --> 00:13:16,500

certainly quite fascinating I mean it's

325

00:13:20,449 --> 00:13:18,540

been a deep dive you know trying to get

326

00:13:22,069 --> 00:13:20,459

into the intricacies of it and try to

327

00:13:23,449 --> 00:13:22,079

see if there was actually uh you know if

328

00:13:25,310 --> 00:13:23,459

it was just sort of a LARP that was

329

00:13:26,990 --> 00:13:25,320

randomly started that the you know

330

00:13:28,850 --> 00:13:27,000

potentially ex-intelligence officers

331

00:13:31,190 --> 00:13:28,860

that latched onto was it something that

332

00:13:33,590 --> 00:13:31,200

was always kind of intended to be a

333

00:13:35,389 --> 00:13:33,600

um an operation is it connected to the

334

00:13:36,889 --> 00:13:35,399

Cambridge analytica Network you know I

335

00:13:39,110 --> 00:13:36,899

mean how complicated is some of the

336

00:13:40,310 --> 00:13:39,120

technology that's being used in it or a

337

00:13:42,110 --> 00:13:40,320

lot of these guys just a bunch of

338

00:13:44,990 --> 00:13:42,120

internet trolls and it's been massively

339

00:13:46,730 --> 00:13:45,000

overblown and then on top of that I mean

340

00:13:49,129 --> 00:13:46,740

a lot of the people involved seem like

341

00:13:51,350 --> 00:13:49,139

they've uh created their own ethos I

342

00:13:53,269 --> 00:13:51,360

mean in the case of at least you know

343

00:13:54,889 --> 00:13:53,279

one of the participants I mean I'm you

344

00:13:56,870 --> 00:13:54,899

know possession of probably thousands of

345

00:13:58,550 --> 00:13:56,880

emails that this person has sent out now

346

00:14:00,530 --> 00:13:58,560

and I mean I think a good chunk of them

347

00:14:01,970 --> 00:14:00,540

were you know sent with the purpose uh

348

00:14:04,790 --> 00:14:01,980

the notion that they were going to be

349

00:14:06,829 --> 00:14:04,800

leaked you know eventually so there's

350

00:14:08,750 --> 00:14:06,839

already I think kind of this air of like

351

00:14:10,129 --> 00:14:08,760

trying to create a certain ethos or a

352

00:14:11,689 --> 00:14:10,139

certain narrative even in some of these

353

00:14:14,329 --> 00:14:11,699

email chains that are you know go back

354

00:14:18,170 --> 00:14:14,339

to like 2016 2017

355

00:14:20,689 --> 00:14:18,180

so yeah it's uh it's certainly I mean in

356

00:14:23,150 --> 00:14:20,699

quite a journey that's for sure and um

357

00:14:24,650 --> 00:14:23,160

ironically I think it kind of made me a

358

00:14:26,870 --> 00:14:24,660

discordant in the process of

359

00:14:28,850 --> 00:14:26,880

investigating this whole thing

360

00:14:31,670 --> 00:14:28,860

I mean really you can't understand Q if

361

00:14:33,829 --> 00:14:31,680

you don't understand discordianism so

362

00:14:35,329 --> 00:14:33,839

but I I want to crawl on top of this

363

00:14:36,230 --> 00:14:35,339

because sometimes we are going to lose

364

00:14:41,329 --> 00:14:36,240

people

365

00:14:44,870 --> 00:14:41,339

the basic premise of your work is buried

366

00:14:47,629 --> 00:14:44,880

in what you just said is that Q Anon is

367

00:14:50,569 --> 00:14:47,639

best understood as an operation a psyop

368

00:14:52,670 --> 00:14:50,579

and I always like to say best understood

369

00:14:54,610 --> 00:14:52,680

because I think there's another subtlety

370

00:14:58,069 --> 00:14:54,620

there that I'm not sure

371

00:15:00,829 --> 00:14:58,079

we're in sync on totally and that's that

372

00:15:04,310 --> 00:15:00,839

I'm not sure that all the people that

373

00:15:08,509 --> 00:15:04,320

were involved in Q Anon even at a pretty

374

00:15:12,110 --> 00:15:08,519

high level were necessarily in on uh the

375

00:15:14,389 --> 00:15:12,120

operation and if that is the case that

376

00:15:16,790 --> 00:15:14,399

would certainly parallel every freaking

377

00:15:20,090 --> 00:15:16,800

thing we've ever seen in the past that

378

00:15:22,069 --> 00:15:20,100

it's always co-opted it's always there

379

00:15:24,290 --> 00:15:22,079

in in so many of these things and I

380

00:15:26,870 --> 00:15:24,300

can't even say always sometimes these

381

00:15:29,870 --> 00:15:26,880

operations are organically

382

00:15:32,449 --> 00:15:29,880

fake from the beginning sometimes there

383

00:15:34,910 --> 00:15:32,459

is a kernel of realness to them and then

384

00:15:35,629 --> 00:15:34,920

they are co-opted we're going to talk

385

00:15:38,389 --> 00:15:35,639

about

386

00:15:39,769 --> 00:15:38,399

ET and UFO certainly that's a case of

387

00:15:42,650 --> 00:15:39,779

the where there was a genuine community

388

00:15:44,389 --> 00:15:42,660

and they were certainly infiltrated and

389

00:15:47,329 --> 00:15:44,399

certainly co-opted but there's many

390

00:15:49,610 --> 00:15:47,339

other ones back in the 60s the whole

391

00:15:52,670 --> 00:15:49,620

movement the whole hippie movement the

392

00:15:54,470 --> 00:15:52,680

whole New Age movement co-opted co-opted

393

00:15:57,230 --> 00:15:54,480

co-opted you know so Timothy Leary

394

00:15:59,990 --> 00:15:57,240

co-opted and then you know though Occupy

395

00:16:01,610 --> 00:16:00,000

Wall Street same thing you know it you

396

00:16:04,790 --> 00:16:01,620

document this over and over and over

397

00:16:07,249 --> 00:16:04,800

again in the show so I'm kind of

398

00:16:11,509 --> 00:16:07,259

rambling there but let's bring it back

399

00:16:12,829 --> 00:16:11,519

to Q Anon and I'll bring it to a direct

400

00:16:14,629 --> 00:16:12,839

question that I don't know how you're

401

00:16:18,410 --> 00:16:14,639

going to answer this

402

00:16:20,749 --> 00:16:18,420

is there anything real in Q a

403

00:16:21,949 --> 00:16:20,759

well how can I I mean what exactly are

404

00:16:23,569 --> 00:16:21,959

you talking about like are there people

405

00:16:25,189 --> 00:16:23,579

who were involved in it who were True

406

00:16:27,050 --> 00:16:25,199

Believers are you talking about as any

407

00:16:29,090 --> 00:16:27,060

of the you know information in it real

408

00:16:32,030 --> 00:16:29,100

like what specifically are you asking

409

00:16:34,189 --> 00:16:32,040

Israel see that's tricky like all this

410

00:16:37,490 --> 00:16:34,199

stuff just has to be pulled apart

411

00:16:39,889 --> 00:16:37,500

because True Believers aren't real

412

00:16:42,889 --> 00:16:39,899

True Believers are true believers

413

00:16:46,670 --> 00:16:42,899

I differentiate between True Believers

414

00:16:50,449 --> 00:16:46,680

and people who are real who are drawn to

415

00:16:52,910 --> 00:16:50,459

a a cause a community a sense of getting

416

00:16:54,650 --> 00:16:52,920

things out so I don't have any time for

417

00:16:56,449 --> 00:16:54,660

True Believers like you said at the

418

00:16:58,430 --> 00:16:56,459

beginning unless people are willing to

419

00:17:00,350 --> 00:16:58,440

kind of sort through and find out I

420

00:17:03,110 --> 00:17:00,360

think people were

421

00:17:06,610 --> 00:17:03,120

I think really intelligent people smart

422

00:17:10,490 --> 00:17:06,620

people who had facts were pulled into

423

00:17:13,069 --> 00:17:10,500

some of the the reality that is behind Q

424

00:17:15,650 --> 00:17:13,079

Anon but I don't know if you feel the

425

00:17:17,150 --> 00:17:15,660

same way well I mean I think in terms of

426

00:17:19,250 --> 00:17:17,160

like were there people who were drawn

427

00:17:20,809 --> 00:17:19,260

into the Q thing who genuinely believed

428

00:17:22,250 --> 00:17:20,819

in what they were doing who thought that

429

00:17:23,929 --> 00:17:22,260

they had good intentions who thought

430

00:17:26,090 --> 00:17:23,939

that they were doing something patriotic

431

00:17:28,130 --> 00:17:26,100

I mean yeah I think that they had real

432

00:17:29,690 --> 00:17:28,140

information that's what I'm saying here

433

00:17:32,510 --> 00:17:29,700

I'm gonna pull them up on the screen now

434

00:17:36,890 --> 00:17:32,520

this is this is like to me it's almost

435

00:17:39,890 --> 00:17:36,900

like Ground Zero Dr Steve pacenik and

436

00:17:41,990 --> 00:17:39,900

you're you kind of like you woke me a

437

00:17:44,210 --> 00:17:42,000

little bit to what's going on here but

438

00:17:48,169 --> 00:17:44,220

if you look at Steve pechenick and who

439

00:17:51,049 --> 00:17:48,179

he is he is a real dude I mean he really

440

00:17:53,210 --> 00:17:51,059

was involved in the state department in

441

00:17:55,909 --> 00:17:53,220

overthrowing governments which isn't a

442

00:17:58,310 --> 00:17:55,919

very nice thing but he was the guy he

443

00:18:01,070 --> 00:17:58,320

was the point guy and he not only wrote

444

00:18:03,289 --> 00:18:01,080

those spy novels but he lived him and

445

00:18:06,350 --> 00:18:03,299

the point is that when Steve pacenik

446

00:18:10,510 --> 00:18:06,360

goes on Alex Jones's show

447

00:18:13,970 --> 00:18:10,520

and here it is from Alex Jones

448

00:18:17,990 --> 00:18:13,980

band.video which side note digression

449

00:18:19,909 --> 00:18:18,000

you notice that band dot video which is

450

00:18:22,850 --> 00:18:19,919

his new website

451  
00:18:26,150 --> 00:18:22,860  
is now searchable in Google

452  
00:18:28,630 --> 00:18:26,160  
isn't that funny all of a sudden the

453  
00:18:31,850 --> 00:18:28,640  
videos pop up that are searching

454  
00:18:33,529 --> 00:18:31,860  
interesting Alex Jones's band or Izzy

455  
00:18:36,350 --> 00:18:33,539  
band but here I'm going to play a clip

456  
00:18:39,710 --> 00:18:36,360  
here the New York Times is going under

457  
00:18:41,630 --> 00:18:39,720  
the Washington Post is going under Simon

458  
00:18:43,970 --> 00:18:41,640  
and Schuster is going on there and

459  
00:18:46,130 --> 00:18:43,980  
they're trying to make the best of it at

460  
00:18:49,730 --> 00:18:46,140  
the same time there are arrests being

461  
00:18:52,010 --> 00:18:49,740  
made in Florida over 300 to 700 people

462  
00:18:55,190 --> 00:18:52,020  
were arrested in Northern Florida

463  
00:18:58,850 --> 00:18:55,200

Southern Florida with in regards to this

464

00:19:00,850 --> 00:18:58,860

legal activity and pedophilia that's the

465

00:19:04,130 --> 00:19:00,860

other element that we've been looking at

466

00:19:07,430 --> 00:19:04,140

the military has been deployed all over

467

00:19:10,610 --> 00:19:07,440

the United States uh we're quiet about

468

00:19:12,950 --> 00:19:10,620

it and at the same time I will guarantee

469

00:19:16,549 --> 00:19:12,960

you Biden will not become president of

470

00:19:18,169 --> 00:19:16,559

the United States okay classic was it

471

00:19:20,770 --> 00:19:18,179

was it an ankle bracelet he was going to

472

00:19:25,970 --> 00:19:23,450

yeah I think he did I think it was what

473

00:19:28,430 --> 00:19:25,980

he was going to say so look folks

474

00:19:31,669 --> 00:19:28,440

because I I get into discussions

475

00:19:34,010 --> 00:19:31,679

arguments debates with people like this

476

00:19:37,370 --> 00:19:34,020

isn't like ancient history this is like

477

00:19:39,710 --> 00:19:37,380

a year ago and this is Steve pechanic a

478

00:19:41,510 --> 00:19:39,720

guy who's a definitely an Insider

479

00:19:43,310 --> 00:19:41,520

definitely when he says he has contacts

480

00:19:45,650 --> 00:19:43,320

I mean he definitely has [h\_\_h]

481

00:19:48,169 --> 00:19:45,660

contacts there is no doubt he is well

482

00:19:49,909 --> 00:19:48,179

connected and he's saying this stuff and

483

00:19:52,130 --> 00:19:49,919

if nothing else it just turns out not to

484

00:19:54,110 --> 00:19:52,140

be true Biden did become president and

485

00:19:55,730 --> 00:19:54,120

they didn't arrest all those people and

486

00:19:58,130 --> 00:19:55,740

they the New York Times didn't go under

487

00:19:59,330 --> 00:19:58,140

and all the rest of that this is what

488

00:20:02,570 --> 00:19:59,340

drives

489

00:20:05,390 --> 00:20:02,580

people who are kind of anti-q or woken

490

00:20:06,890 --> 00:20:05,400

up about it's an operation I mean how do

491

00:20:08,090 --> 00:20:06,900

we process this Stephen let me just

492

00:20:09,830 --> 00:20:08,100

throw it out there how do you process

493

00:20:11,570 --> 00:20:09,840

Steve pogenic

494

00:20:13,909 --> 00:20:11,580

well in terms of like what he's saying

495

00:20:15,950 --> 00:20:13,919

well I mean I think actually I mean just

496

00:20:17,630 --> 00:20:15,960

from years of like looking at the UFO

497

00:20:19,430 --> 00:20:17,640

field I mean this kind of behavior

498

00:20:22,310 --> 00:20:19,440

doesn't really surprise me because I

499

00:20:24,230 --> 00:20:22,320

mean this is sort of indicative of how a

500

00:20:27,289 --> 00:20:24,240

lot of ex-spooks have operated within

501  
00:20:28,730 --> 00:20:27,299  
the UFO Community for years now I mean

502  
00:20:30,710 --> 00:20:28,740  
one of the things I've been sort of

503  
00:20:32,570 --> 00:20:30,720  
looking at is the origins of the Aviary

504  
00:20:34,130 --> 00:20:32,580  
and um obviously there's been a lot of

505  
00:20:36,770 --> 00:20:34,140  
stories given about that I mean a

506  
00:20:39,470 --> 00:20:36,780  
popular one was that a meeting in 1986

507  
00:20:41,630 --> 00:20:39,480  
at Beaver Creek Ohio at Ernie Keller

508  
00:20:43,310 --> 00:20:41,640  
strauss's place he was a colonel in the

509  
00:20:44,930 --> 00:20:43,320  
Air Force who had worked at the foreign

510  
00:20:46,789 --> 00:20:44,940  
Technologies divisions for a lot of

511  
00:20:48,649 --> 00:20:46,799  
years now

512  
00:20:50,990 --> 00:20:48,659  
Ernie's the one who made a lot of pretty

513  
00:20:52,490 --> 00:20:51,000

incredible claims uh specifically it

514

00:20:54,049 --> 00:20:52,500

seems like he's the one where some of

515

00:20:55,789 --> 00:20:54,059

these claims about the red and the

516

00:20:57,649 --> 00:20:55,799

yellow book originate from you know

517

00:20:59,570 --> 00:20:57,659

supposedly there's this book that we

518

00:21:01,130 --> 00:20:59,580

have that the extraterrestrials gave us

519

00:21:02,510 --> 00:21:01,140

the Chronicles the whole history of

520

00:21:03,830 --> 00:21:02,520

their involvement with us that the

521

00:21:06,649 --> 00:21:03,840

Pentagon you know derives information

522

00:21:08,990 --> 00:21:06,659

from also the whole notion that there

523

00:21:11,570 --> 00:21:09,000

was some kind of you know alien Exchange

524

00:21:13,610 --> 00:21:11,580

program that later turned up in serpo

525

00:21:15,169 --> 00:21:13,620

there were two different sources who

526

00:21:16,490 --> 00:21:15,179

confirmed this one was Robert Collins

527

00:21:19,490 --> 00:21:16,500

who claimed that he had heard these

528

00:21:21,529 --> 00:21:19,500

Tales From My Keller Strauss in 1986 and

529

00:21:22,850 --> 00:21:21,539

then Bruce McAfee I believe who claimed

530

00:21:26,090 --> 00:21:22,860

that he had heard the same claims in

531

00:21:29,090 --> 00:21:26,100

1985. and in turn Keller Strauss claimed

532

00:21:30,350 --> 00:21:29,100

that he was told this by Dale Graf I

533

00:21:31,970 --> 00:21:30,360

believe who was one of the big guys

534

00:21:34,130 --> 00:21:31,980

running the remote viewing program in

535

00:21:36,169 --> 00:21:34,140

the DIA and that this unfolded during

536

00:21:38,690 --> 00:21:36,179

the late 1970s

537

00:21:40,490 --> 00:21:38,700

so you know there's a lot about this hey

538

00:21:42,830 --> 00:21:40,500

this guy is saying some absolutely

539

00:21:45,529 --> 00:21:42,840

insane stuff and this is coming from an

540

00:21:48,049 --> 00:21:45,539

ex-air Force kernel and then on top of

541

00:21:49,850 --> 00:21:48,059

that he's citing Graf who was a big guy

542

00:21:52,789 --> 00:21:49,860

in all this remote viewing stuff for the

543

00:21:54,830 --> 00:21:52,799

DIA and as far as I can tell nobody's

544

00:21:56,990 --> 00:21:54,840

ever even bothered to ask Raph if any of

545

00:21:58,909 --> 00:21:57,000

this was true I mean that's the thing

546

00:22:00,830 --> 00:21:58,919

that I find most remarkable about this

547

00:22:02,630 --> 00:22:00,840

is Keller strauss's claims have been out

548

00:22:04,970 --> 00:22:02,640

there I think for at least 15 years

549

00:22:06,590 --> 00:22:04,980

since Maccabee published Hawk tales in

550

00:22:08,330 --> 00:22:06,600

2005

551  
00:22:11,149 --> 00:22:08,340  
and nobody's even asked this other

552  
00:22:13,490 --> 00:22:11,159  
senior Cia officer or Dia officer excuse

553  
00:22:15,110 --> 00:22:13,500  
me do you think that there's an

554  
00:22:16,610 --> 00:22:15,120  
extraterrestrial book that the Pentagon

555  
00:22:18,289 --> 00:22:16,620  
has that they're using to view the

556  
00:22:19,850 --> 00:22:18,299  
future with

557  
00:22:21,049 --> 00:22:19,860  
I mean that seems like it would be an

558  
00:22:23,510 --> 00:22:21,059  
interesting question to ask but

559  
00:22:25,789 --> 00:22:23,520  
apparently nobody's done it yet so yeah

560  
00:22:28,310 --> 00:22:25,799  
but Stephen if we're going to get if we

561  
00:22:29,149 --> 00:22:28,320  
are going to get into the ET and the UFO

562  
00:22:32,029 --> 00:22:29,159  
thing

563  
00:22:35,149 --> 00:22:32,039

but tie it back to

564

00:22:35,990 --> 00:22:35,159

if you can tie it back to the Q Anon

565

00:22:40,250 --> 00:22:36,000

thing

566

00:22:41,990 --> 00:22:40,260

I tell you in

567

00:22:43,430 --> 00:22:42,000

first of all we are in a diff we are

568

00:22:45,230 --> 00:22:43,440

already in a different world right this

569

00:22:48,110 --> 00:22:45,240

conversation if you talk to normies

570

00:22:50,870 --> 00:22:48,120

about all this stuff you cannot

571

00:22:52,750 --> 00:22:50,880

begin to even have this conversation so

572

00:22:56,210 --> 00:22:52,760

let's at least keep it

573

00:22:58,250 --> 00:22:56,220

simple I mean the thing is is it's like

574

00:23:00,169 --> 00:22:58,260

there's been this sort of component with

575

00:23:02,149 --> 00:23:00,179

like larbers and what have you which is

576

00:23:05,930 --> 00:23:02,159

something explain larpers to people just

577

00:23:07,909 --> 00:23:05,940

really quick live action role-playing so

578

00:23:09,649 --> 00:23:07,919

and I mean okay you could probably

579

00:23:11,690 --> 00:23:09,659

factor in elements like from the

580

00:23:13,549 --> 00:23:11,700

discordian notion of like operation mind

581

00:23:15,649 --> 00:23:13,559

[h\_\_h] which is you know a very elaborate

582

00:23:17,690 --> 00:23:15,659

LARP or live action role play where

583

00:23:20,450 --> 00:23:17,700

you're essentially trying to reorient

584

00:23:22,370 --> 00:23:20,460

somebody's uh world view through a kind

585

00:23:23,390 --> 00:23:22,380

of performance art or something to that

586

00:23:26,149 --> 00:23:23,400

effect

587

00:23:28,010 --> 00:23:26,159

so the thing about operation mind [h\_\_h]

588

00:23:29,750 --> 00:23:28,020

which was a total you know offshoot of

589

00:23:32,450 --> 00:23:29,760

discordianism and counterculture in the

590

00:23:34,490 --> 00:23:32,460

60s is that it essentially operates in

591

00:23:37,010 --> 00:23:34,500

the same you know very supremacist and

592

00:23:38,510 --> 00:23:37,020

disinformation campaign does I mean the

593

00:23:40,310 --> 00:23:38,520

way that you know Kerry Thornley and

594

00:23:41,510 --> 00:23:40,320

Robert Anton Wilson kind of started a

595

00:23:43,310 --> 00:23:41,520

lot of this stuff as they started

596

00:23:44,750 --> 00:23:43,320

sending random letters to people in the

597

00:23:46,370 --> 00:23:44,760

media then they would have other people

598

00:23:48,529 --> 00:23:46,380

you know who were a fellow discordance

599

00:23:50,510 --> 00:23:48,539

and letters out and try to create this

600

00:23:52,909 --> 00:23:50,520

notion that there was say an Illuminati

601  
00:23:54,350 --> 00:23:52,919  
conspiracy in the counterculture and

602  
00:23:56,810 --> 00:23:54,360  
this is kind of similar to how you would

603  
00:23:59,390 --> 00:23:56,820  
start a disinformation campaign

604  
00:24:01,190 --> 00:23:59,400  
um with you know the public at large I

605  
00:24:02,990 --> 00:24:01,200  
mean there was the um gosh the famous

606  
00:24:04,730 --> 00:24:03,000  
psychic spying incident from like the

607  
00:24:06,710 --> 00:24:04,740  
late 1950s where they had what was it

608  
00:24:08,390 --> 00:24:06,720  
shock bird or like plan a story in a

609  
00:24:11,090 --> 00:24:08,400  
French newspaper that the Soviets got

610  
00:24:12,769 --> 00:24:11,100  
interested in about the Navy doing um

611  
00:24:14,990 --> 00:24:12,779  
essentially ESP experiments with

612  
00:24:16,789 --> 00:24:15,000  
submarines it doesn't seem like any of

613  
00:24:20,029 --> 00:24:16,799

this was real at all it was just a false

614

00:24:22,250 --> 00:24:20,039

story that was planted so you know this

615

00:24:24,049 --> 00:24:22,260

is something that Spooks do all the time

616

00:24:26,029 --> 00:24:24,059

and it was kind of some something that

617

00:24:27,470 --> 00:24:26,039

was probably subconsciously picked up in

618

00:24:29,390 --> 00:24:27,480

some way by the counterculture by

619

00:24:30,409 --> 00:24:29,400

elements of the yippies the discordians

620

00:24:33,350 --> 00:24:30,419

and a lot of these other kind of

621

00:24:35,149 --> 00:24:33,360

pranksters and at some point I mean who

622

00:24:36,769 --> 00:24:35,159

knows maybe the Spooks observe this kind

623

00:24:38,870 --> 00:24:36,779

of stuff and saw that it was extremely

624

00:24:40,370 --> 00:24:38,880

effective I mean you know the Illuminati

625

00:24:42,769 --> 00:24:40,380

for instance almost nobody had really

626  
00:24:45,110 --> 00:24:42,779  
heard about the late 1960s I believe in

627  
00:24:47,029 --> 00:24:45,120  
2021 almost 30 million people believe

628  
00:24:49,789 --> 00:24:47,039  
that the Illuminati are a real thing in

629  
00:24:52,070 --> 00:24:49,799  
this day and age so that's a pretty you

630  
00:24:53,450 --> 00:24:52,080  
know that's not a bad achievement I mean

631  
00:24:55,010 --> 00:24:53,460  
honestly if you're a psychological

632  
00:24:57,049 --> 00:24:55,020  
warfare officer why wouldn't you be

633  
00:24:59,870 --> 00:24:57,059  
interested in this kind of stuff

634  
00:25:02,149 --> 00:24:59,880  
so I think that potentially opened up

635  
00:25:03,409 --> 00:25:02,159  
this whole sort of world to them where

636  
00:25:06,230 --> 00:25:03,419  
you know you're seeing this like

637  
00:25:08,029 --> 00:25:06,240  
outright absurdity and it seems like

638  
00:25:10,909 --> 00:25:08,039

this kind of factored into how you know

639

00:25:13,070 --> 00:25:10,919

we were doing disinformation campaigns I

640

00:25:15,169 --> 00:25:13,080

mean historically disinformation usually

641

00:25:16,310 --> 00:25:15,179

had some kind of a basis in reality I

642

00:25:17,870 --> 00:25:16,320

mean that's what made it really

643

00:25:19,909 --> 00:25:17,880

effective

644

00:25:23,029 --> 00:25:19,919

but now we've kind of gotten into the

645

00:25:24,350 --> 00:25:23,039

whole pizzagate era where you know I

646

00:25:26,750 --> 00:25:24,360

think that this is a disinformation

647

00:25:29,390 --> 00:25:26,760

campaign but I mean it has almost no

648

00:25:31,730 --> 00:25:29,400

basis in reality I mean unlike something

649

00:25:33,710 --> 00:25:31,740

like the you know Kennedy assassination

650

00:25:36,049 --> 00:25:33,720

or like 911

651  
00:25:37,909 --> 00:25:36,059  
you know we can question why or who

652  
00:25:39,470 --> 00:25:37,919  
assassinated Kennedy or you know who

653  
00:25:41,269 --> 00:25:39,480  
brought down the Twin Towers but nobody

654  
00:25:43,490 --> 00:25:41,279  
really questions that John F Kennedy was

655  
00:25:44,990 --> 00:25:43,500  
assassinated or that the towers came

656  
00:25:46,610 --> 00:25:45,000  
down you know what I'm saying like these

657  
00:25:48,409 --> 00:25:46,620  
were actually real events that you know

658  
00:25:50,990 --> 00:25:48,419  
most of humanity would agree occurred

659  
00:25:52,490 --> 00:25:51,000  
with pizza Gates you know with the

660  
00:25:54,590 --> 00:25:52,500  
conventional narrative that there were

661  
00:25:56,090 --> 00:25:54,600  
dungeons underneath this pizza parlor

662  
00:25:58,310 --> 00:25:56,100  
and that you know children were being

663  
00:25:59,930 --> 00:25:58,320

brought out of there and sold to Elites

664

00:26:01,669 --> 00:25:59,940

behind you know the back of the premise

665

00:26:04,730 --> 00:26:01,679

or something like that

666

00:26:07,190 --> 00:26:04,740

you know this is a fantasy it's a fable

667

00:26:08,990 --> 00:26:07,200

it doesn't even have a basic you know

668

00:26:10,789 --> 00:26:09,000

Sim it doesn't even have any real

669

00:26:12,769 --> 00:26:10,799

semblance of reality

670

00:26:15,649 --> 00:26:12,779

uh I think it was a disinformation

671

00:26:17,390 --> 00:26:15,659

campaign that was uh initiated because

672

00:26:19,370 --> 00:26:17,400

of the whole thing with Epstein because

673

00:26:21,529 --> 00:26:19,380

of the stuff with

674

00:26:23,330 --> 00:26:21,539

um Jimmy Savile in the UK because

675

00:26:26,269 --> 00:26:23,340

suddenly you started having this damning

676

00:26:28,310 --> 00:26:26,279

evidence coming out but unlike kind of

677

00:26:30,169 --> 00:26:28,320

past disinformation campaigns where you

678

00:26:32,870 --> 00:26:30,179

would try to have some sort of basis and

679

00:26:34,490 --> 00:26:32,880

reality to it uh it was more or less

680

00:26:37,190 --> 00:26:34,500

like let's just see if we can create

681

00:26:38,750 --> 00:26:37,200

this full-blown fairy tale that's going

682

00:26:40,310 --> 00:26:38,760

to come you know bring in all of these

683

00:26:41,690 --> 00:26:40,320

other tropes that I mean some of these

684

00:26:44,930 --> 00:26:41,700

conspiracy theorists have been working

685

00:26:47,149 --> 00:26:44,940

on for years and uh in a lot of ways

686

00:26:49,250 --> 00:26:47,159

it's it's led to a point where we've

687

00:26:51,649 --> 00:26:49,260

moved Beyond conspiracy theory and we're

688

00:26:53,750 --> 00:26:51,659

now in conspiracy fantasy or uh

689

00:26:56,870 --> 00:26:53,760

conspiracy fiction or whatever you want

690

00:26:58,789 --> 00:26:56,880

to call it it's very interesting

691

00:27:01,669 --> 00:26:58,799

I mean it's almost kind of to the extent

692

00:27:04,010 --> 00:27:01,679

whereas previously conspiracy theory was

693

00:27:06,409 --> 00:27:04,020

a reaction to events that were playing

694

00:27:08,450 --> 00:27:06,419

out in the real world you now have

695

00:27:10,430 --> 00:27:08,460

conspiracy Fable that is essentially

696

00:27:12,230 --> 00:27:10,440

dictating the world view to the public

697

00:27:13,330 --> 00:27:12,240

at large if you will

698

00:27:16,070 --> 00:27:13,340

okay

699

00:27:17,690 --> 00:27:16,080

so so this is this is great because

700

00:27:19,610 --> 00:27:17,700

we're getting down to stuff that we're

701

00:27:22,990 --> 00:27:19,620

just going to kind of

702

00:27:25,370 --> 00:27:23,000

disagree on from a kind of factual basis

703

00:27:28,490 --> 00:27:25,380

philosophically in your approach to it

704

00:27:30,950 --> 00:27:28,500

I'm down with one thousand percent now

705

00:27:33,110 --> 00:27:30,960

we just drill into some of the the data

706

00:27:34,490 --> 00:27:33,120

points and see where we get so let me

707

00:27:37,909 --> 00:27:34,500

try and do that

708

00:27:39,590 --> 00:27:37,919

here is pizzagate as we understand it

709

00:27:42,289 --> 00:27:39,600

play in the clip from Good Morning

710

00:27:44,630 --> 00:27:42,299

America it's a restaurant a gunman with

711

00:27:47,630 --> 00:27:44,640

an assault rifle targeting a Washington

712

00:27:49,250 --> 00:27:47,640

DC spot that's at the center of a fake

713

00:27:50,510 --> 00:27:49,260

news story about Hillary Clinton and a

714

00:27:52,130 --> 00:27:50,520

close eight our senior Justice

715

00:27:53,570 --> 00:27:52,140

correspondent Pierre Thomas is there in

716

00:27:55,549 --> 00:27:53,580

Washington has all the details for us

717

00:27:57,769 --> 00:27:55,559

good morning Pierre good morning Robin

718

00:28:00,529 --> 00:27:57,779

this case shows how fake news can lead

719

00:28:03,350 --> 00:28:00,539

to a dangerous situation and

720

00:28:05,930 --> 00:28:03,360

oh my God oh my God Stephen we are

721

00:28:08,690 --> 00:28:05,940

completely at odds on that because I

722

00:28:12,409 --> 00:28:08,700

believe that is the fake news that is

723

00:28:14,870 --> 00:28:12,419

the story the story is this crazy

724

00:28:18,350 --> 00:28:14,880

conspiracy theorist goes into this

725

00:28:20,269 --> 00:28:18,360

innocent pizza parlor and shoots it up

726

00:28:22,070 --> 00:28:20,279

let me pull up something else on the

727

00:28:25,850 --> 00:28:22,080

screen but of course what it's really

728

00:28:29,590 --> 00:28:25,860

about is this person Mariana Abramovich

729

00:28:32,149 --> 00:28:29,600

and it's about these emails these real

730

00:28:35,630 --> 00:28:32,159

emails that happened

731

00:28:38,389 --> 00:28:35,640

between John podesta and

732

00:28:42,590 --> 00:28:38,399

a bunch of other people but are revealed

733

00:28:45,769 --> 00:28:42,600

in the Wikileaks dump of emails that

734

00:28:48,110 --> 00:28:45,779

were by the way designed to submarine

735

00:28:50,269 --> 00:28:48,120

Hillary Clinton in her campaign these

736

00:28:52,970 --> 00:28:50,279

emails were released four days before

737

00:28:55,430 --> 00:28:52,980

the election oh what a coincidence but

738

00:28:57,470 --> 00:28:55,440

they did play a note with Christian

739

00:29:00,409 --> 00:28:57,480

conservatives and with people in general

740

00:29:01,549 --> 00:29:00,419

and saying what is this what is our

741

00:29:05,090 --> 00:29:01,559

highest

742

00:29:07,850 --> 00:29:05,100

Aid to the Hillary Clinton campaign John

743

00:29:10,190 --> 00:29:07,860

podesta what is she doing hanging around

744

00:29:12,769 --> 00:29:10,200

with this person what is she doing going

745

00:29:15,169 --> 00:29:12,779

to these Spirit cooking parties holding

746

00:29:19,010 --> 00:29:15,179

up pictures or displaying pictures in

747

00:29:20,630 --> 00:29:19,020

their house of kids being abused and the

748

00:29:23,389 --> 00:29:20,640

thing that really surprises me about

749

00:29:25,070 --> 00:29:23,399

your answer is that the idea that this

750

00:29:27,590 --> 00:29:25,080

is completely just

751  
00:29:31,190 --> 00:29:27,600  
made it doesn't have any connection to

752  
00:29:34,389 --> 00:29:31,200  
any real events is just easily kind of

753  
00:29:38,810 --> 00:29:34,399  
countered I interviewed this person

754  
00:29:41,269 --> 00:29:38,820  
Annika Lucas who is a real person who

755  
00:29:44,630 --> 00:29:41,279  
was sold by her mother

756  
00:29:47,630 --> 00:29:44,640  
into a Satanic ritual abuse cult

757  
00:29:50,269 --> 00:29:47,640  
when she was six years old and she tells

758  
00:29:52,730 --> 00:29:50,279  
the whole story and she's not lying

759  
00:29:54,590 --> 00:29:52,740  
because she was sold she was in in

760  
00:29:56,149 --> 00:29:54,600  
Holland and she was sold into the

761  
00:29:59,090 --> 00:29:56,159  
Detroit cult

762  
00:30:00,769 --> 00:29:59,100  
right and that was in the papers and the

763  
00:30:04,430 --> 00:30:00,779

kids you'll see him if I scroll down

764

00:30:06,289 --> 00:30:04,440

here we're locked in these cages and the

765

00:30:08,450 --> 00:30:06,299

kids actually died because they arrested

766

00:30:10,130 --> 00:30:08,460

deutro although he never really faced

767

00:30:12,710 --> 00:30:10,140

any serious charges

768

00:30:14,269 --> 00:30:12,720

and they went and found the kids who had

769

00:30:15,350 --> 00:30:14,279

died because he hadn't come back to feed

770

00:30:18,950 --> 00:30:15,360

the kids

771

00:30:20,990 --> 00:30:18,960

and Annika Lucas's testimony is

772

00:30:23,870 --> 00:30:21,000

completely in sync with that and she

773

00:30:25,909 --> 00:30:23,880

talks about being a young child and

774

00:30:29,570 --> 00:30:25,919

being brought to these

775

00:30:32,690 --> 00:30:29,580

castles and and identifying leaders

776

00:30:34,789 --> 00:30:32,700

major leaders in Europe but you know

777

00:30:37,789 --> 00:30:34,799

even you have brisen on all the time

778

00:30:40,789 --> 00:30:37,799

John Pearson I mean he'll tell you the

779

00:30:42,649 --> 00:30:40,799

McMartin preschool thing and all these

780

00:30:45,529 --> 00:30:42,659

things they are or the Franklin thing

781

00:30:47,870 --> 00:30:45,539

those kids talk about going to these big

782

00:30:50,870 --> 00:30:47,880

mansions going to all this so I just

783

00:30:53,149 --> 00:30:50,880

don't know to me you're kind of totally

784

00:30:56,269 --> 00:30:53,159

falling for the head fake here and the

785

00:30:59,750 --> 00:30:56,279

head fake is the the people were upset

786

00:31:02,690 --> 00:30:59,760

about pizzagate because of the satanic

787

00:31:04,909 --> 00:31:02,700

emails that were directly connected to

788

00:31:08,149 --> 00:31:04,919

Bethesda and people who don't think

789

00:31:10,930 --> 00:31:08,159

they're Satanic ritual abuse my God I

790

00:31:14,990 --> 00:31:10,940

got so many interviews with

791

00:31:17,690 --> 00:31:15,000

including with an FBI agent 20 years who

792

00:31:19,310 --> 00:31:17,700

infiltrated the NAMBLA group but all

793

00:31:21,169 --> 00:31:19,320

those people will tell you that this is

794

00:31:25,070 --> 00:31:21,179

very very real stuff and there's people

795

00:31:27,049 --> 00:31:25,080

engaged in that so we're in a we're at a

796

00:31:28,970 --> 00:31:27,059

little bit of an impasse but I think

797

00:31:32,509 --> 00:31:28,980

it's an important point because to me

798

00:31:35,029 --> 00:31:32,519

this is the story the story is Good

799

00:31:37,310 --> 00:31:35,039

Morning America oh my God the terrible

800

00:31:40,250 --> 00:31:37,320

conspiracy theorists in this terrible

801  
00:31:42,590 --> 00:31:40,260  
fake news in this poor innocent guy who

802  
00:31:45,909 --> 00:31:42,600  
is so deep into this stuff elephants

803  
00:31:48,289 --> 00:31:45,919  
that oh his pizza restaurant got shot up

804  
00:31:51,110 --> 00:31:48,299  
where where are we

805  
00:31:52,909 --> 00:31:51,120  
how come we're not in sync on this

806  
00:31:55,009 --> 00:31:52,919  
well I'm not sure that we're that far

807  
00:31:56,630 --> 00:31:55,019  
out of sync I mean I'm not disputing

808  
00:31:58,009 --> 00:31:56,640  
that there are abuse rings I mean I've

809  
00:32:01,190 --> 00:31:58,019  
written quite extensively on the

810  
00:32:03,409 --> 00:32:01,200  
Franklin Scandal myself uh I covered you

811  
00:32:05,090 --> 00:32:03,419  
know in my book A special relationship I

812  
00:32:06,769 --> 00:32:05,100  
mean some of these purported parties at

813  
00:32:08,450 --> 00:32:06,779

mansions in Upstate New York that

814

00:32:10,430 --> 00:32:08,460

involve minor girls and a lot of this

815

00:32:12,649 --> 00:32:10,440

kind of weird eyes-wide shut kind of

816

00:32:14,149 --> 00:32:12,659

thing you know I would also probably

817

00:32:15,830 --> 00:32:14,159

throw in a lot of the stuff with

818

00:32:18,590 --> 00:32:15,840

fundamentalist Mormonism which I just

819

00:32:20,389 --> 00:32:18,600

did a um presentation one of the strange

820

00:32:22,190 --> 00:32:20,399

realities con which none of the people

821

00:32:24,110 --> 00:32:22,200

who get into the pizzagate stuff ever

822

00:32:26,029 --> 00:32:24,120

seem to really talk about a lot despite

823

00:32:27,889 --> 00:32:26,039

the rather Litany of evidence that

824

00:32:29,690 --> 00:32:27,899

Warren Jeffs was running a major sex

825

00:32:32,029 --> 00:32:29,700

trafficking ring or the fact that the

826

00:32:35,990 --> 00:32:32,039

LeBaron family were providing roles to

827

00:32:39,289 --> 00:32:36,000

uh Nexium from Mexico but yeah that

828

00:32:40,549 --> 00:32:39,299

doesn't really get dressed a lot see the

829

00:32:42,590 --> 00:32:40,559

whole thing again kind of getting back

830

00:32:44,570 --> 00:32:42,600

to what I'm saying with pizzagate is the

831

00:32:47,570 --> 00:32:44,580

substance the allegations about Comet

832

00:32:49,490 --> 00:32:47,580

Ping Pong Alex did you see any evidence

833

00:32:53,389 --> 00:32:49,500

at all that there were dungeons beneath

834

00:32:55,430 --> 00:32:53,399

Comet Ping Pong can you show that to me

835

00:32:59,149 --> 00:32:55,440

well this one I don't understand when

836

00:33:00,649 --> 00:32:59,159

people uh draw that line it's like we're

837

00:33:02,750 --> 00:33:00,659

never gonna know

838

00:33:04,850 --> 00:33:02,760

any of this we're never there's people

839

00:33:07,490 --> 00:33:04,860

who you know you went off on the Kennedy

840

00:33:10,070 --> 00:33:07,500

assassination I'll plug you for a clip

841

00:33:11,750 --> 00:33:10,080

in a minute if you want but I mean has

842

00:33:14,090 --> 00:33:11,760

there been like has there been a single

843

00:33:16,009 --> 00:33:14,100

you know child who's has actually come

844

00:33:18,049 --> 00:33:16,019

forward if you said specifically that

845

00:33:19,909 --> 00:33:18,059

they were abused at Comet Ping Pong

846

00:33:21,409 --> 00:33:19,919

because why do people have come forward

847

00:33:22,730 --> 00:33:21,419

with the Detroit Affair they've come

848

00:33:24,950 --> 00:33:22,740

forward with Franklin they've come

849

00:33:27,110 --> 00:33:24,960

forward with Epstein but I mean has

850

00:33:28,909 --> 00:33:27,120

anybody come forward though specifically

851  
00:33:30,649 --> 00:33:28,919  
who claims that they were held captive

852  
00:33:32,690 --> 00:33:30,659  
at pizzagate and the dungeons underneath

853  
00:33:33,710 --> 00:33:32,700  
and in here let me try and respond to

854  
00:33:35,509 --> 00:33:33,720  
that

855  
00:33:38,509 --> 00:33:35,519  
I don't think we're at the point where

856  
00:33:40,850 --> 00:33:38,519  
we can answer that question and the

857  
00:33:43,610 --> 00:33:40,860  
reason that we can't I would suggest is

858  
00:33:45,830 --> 00:33:43,620  
in the Good Morning America video which

859  
00:33:47,990 --> 00:33:45,840  
to me you know we've both covered these

860  
00:33:50,690 --> 00:33:48,000  
kind of things when it is covered up to

861  
00:33:53,090 --> 00:33:50,700  
that extent that don't look here don't

862  
00:33:55,370 --> 00:33:53,100  
mention pizza cake remember Pizza gate

863  
00:33:58,190 --> 00:33:55,380

was scrubbed from the internet remember

864

00:34:00,409 --> 00:33:58,200

James elephantis became this person that

865

00:34:03,529 --> 00:34:00,419

should be defended over and over again

866

00:34:05,810 --> 00:34:03,539

rather than investigated so the emails

867

00:34:07,070 --> 00:34:05,820

should have been fully investigated the

868

00:34:09,290 --> 00:34:07,080

source of the email should have been

869

00:34:10,790 --> 00:34:09,300

fully investigated the implications of

870

00:34:12,950 --> 00:34:10,800

the emails should have been fully

871

00:34:15,109 --> 00:34:12,960

investigated but they weren't and the

872

00:34:17,629 --> 00:34:15,119

reason that they were and a method that

873

00:34:20,629 --> 00:34:17,639

they would that was used to kind of

874

00:34:22,669 --> 00:34:20,639

thwart that investigation was this kind

875

00:34:24,530 --> 00:34:22,679

of fake news oh my God look at how

876

00:34:26,869 --> 00:34:24,540

dangerous these conspiracy theorists are

877

00:34:28,790 --> 00:34:26,879

so we never got to the point where we

878

00:34:30,710 --> 00:34:28,800

can answer those questions so I don't

879

00:34:33,470 --> 00:34:30,720

think it's fair to say that James

880

00:34:37,069 --> 00:34:33,480

alifantis is up to his I won't even say

881

00:34:40,609 --> 00:34:37,079

it he's up to his neck in this stuff and

882

00:34:42,530 --> 00:34:40,619

he he is not clean in my opinion anyone

883

00:34:45,109 --> 00:34:42,540

who goes you know the archived all of

884

00:34:48,409 --> 00:34:45,119

his Instagram posts all of his Facebook

885

00:34:50,450 --> 00:34:48,419

posts it is not somebody who's clean go

886

00:34:53,089 --> 00:34:50,460

look go have anyone go look at that and

887

00:34:54,950 --> 00:34:53,099

say and say James elephantis wants to uh

888

00:34:58,490 --> 00:34:54,960

babysit your kids this weekend what do

889

00:35:00,589 --> 00:34:58,500

you think anyone would say [h\_\_\h] no so do

890

00:35:02,810 --> 00:35:00,599

we know do we know if their kids are no

891

00:35:06,349 --> 00:35:02,820

we don't do we know that the whole thing

892

00:35:08,690 --> 00:35:06,359

was shut down in a very a very just

893

00:35:10,430 --> 00:35:08,700

standard way that they shut these things

894

00:35:13,430 --> 00:35:10,440

down

895

00:35:15,349 --> 00:35:13,440

I mean yes elephantis does seem to have

896

00:35:16,609 --> 00:35:15,359

some sketchy stuff in his background and

897

00:35:19,670 --> 00:35:16,619

I mean certainly some of the other

898

00:35:21,950 --> 00:35:19,680

customers that were there but again I

899

00:35:24,349 --> 00:35:21,960

just in looking at pizzagate I don't see

900

00:35:26,329 --> 00:35:24,359

the same kind of Smoking Gun evidence at

901  
00:35:28,130 --> 00:35:26,339  
the specific allegations as to what was

902  
00:35:29,810 --> 00:35:28,140  
happening at Comic ping pong as I'm

903  
00:35:31,190 --> 00:35:29,820  
saying why is that important to you why

904  
00:35:34,130 --> 00:35:31,200  
is it important to you that that you

905  
00:35:35,569 --> 00:35:34,140  
nail that down because needing proof I

906  
00:35:36,829 --> 00:35:35,579  
mean shouldn't you demand I mean to me

907  
00:35:37,970 --> 00:35:36,839  
it goes back to the whole notion

908  
00:35:40,370 --> 00:35:37,980  
extraordinary claims require

909  
00:35:42,109 --> 00:35:40,380  
extraordinary proof and that is a

910  
00:35:44,630 --> 00:35:42,119  
complete you know what that's that's one

911  
00:35:47,450 --> 00:35:44,640  
thing that scientists that Skeptics use

912  
00:35:51,230 --> 00:35:47,460  
to attack science and you know that is

913  
00:35:52,730 --> 00:35:51,240

so unscientific it is because in science

914

00:35:55,010 --> 00:35:52,740

there's no such thing as an

915

00:35:56,329 --> 00:35:55,020

extraordinary claim that assumes there's

916

00:35:58,069 --> 00:35:56,339

some meta knowledge that there's

917

00:36:00,109 --> 00:35:58,079

somebody up there that's deciding well

918

00:36:01,730 --> 00:36:00,119

that's extraordinary that isn't that is

919

00:36:04,069 --> 00:36:01,740

extraordinary proof that isn't that's

920

00:36:06,230 --> 00:36:04,079

the whole purpose of science is to

921

00:36:08,030 --> 00:36:06,240

remove us from the biases that we know

922

00:36:09,770 --> 00:36:08,040

we have I would say that's the same

923

00:36:11,569 --> 00:36:09,780

thing in the conspiracy game we're

924

00:36:14,270 --> 00:36:11,579

supposed to be removed from the fact

925

00:36:16,310 --> 00:36:14,280

that you know we are supposed to be

926

00:36:18,470 --> 00:36:16,320

where there's smoke there's fire guys

927

00:36:20,750 --> 00:36:18,480

because if we're expecting to be

928

00:36:23,390 --> 00:36:20,760

firefighters and wait for the for the

929

00:36:25,670 --> 00:36:23,400

Flames to be burning it's not going to

930

00:36:28,550 --> 00:36:25,680

happen that's you know what like the

931

00:36:30,470 --> 00:36:28,560

proof that you have with uh cunan it's

932

00:36:32,569 --> 00:36:30,480

all going to be it's all going to be

933

00:36:34,970 --> 00:36:32,579

circumstantial you do a great job of of

934

00:36:37,790 --> 00:36:34,980

trying to get us as close as we can but

935

00:36:41,390 --> 00:36:37,800

I I in my opinion we're pretty damn

936

00:36:44,270 --> 00:36:41,400

close with elephants and um

937

00:36:46,849 --> 00:36:44,280

Comet Ping Pong and the pattern that it

938

00:36:49,970 --> 00:36:46,859

that it connects to so many of these

939

00:36:51,410 --> 00:36:49,980

other crimes against children so I I

940

00:36:53,270 --> 00:36:51,420

just don't know why we have to kind of

941

00:36:56,270 --> 00:36:53,280

totally pull up and go oh my God that's

942

00:36:58,069 --> 00:36:56,280

just that's fish versus foul La

943

00:36:59,930 --> 00:36:58,079

pizzagate Pizza gate looks real enough

944

00:37:01,790 --> 00:36:59,940

to me how come we never talk about

945

00:37:03,650 --> 00:37:01,800

Spirit cooking why do we even talk about

946

00:37:05,870 --> 00:37:03,660

pizzagate and not talk about Spirit

947

00:37:08,329 --> 00:37:05,880

cooking that's what everyone was that

948

00:37:10,190 --> 00:37:08,339

that's what everyone was outraged about

949

00:37:12,050 --> 00:37:10,200

how much do you I mean how much play

950

00:37:13,430 --> 00:37:12,060

though online did Spirit cooking in this

951  
00:37:16,190 --> 00:37:13,440  
stuff get in comparison to the stuff

952  
00:37:19,010 --> 00:37:16,200  
with Warren Jeff's though or the LeBaron

953  
00:37:21,050 --> 00:37:19,020  
family's connection to Nexium

954  
00:37:22,069 --> 00:37:21,060  
well you know if we were going to get

955  
00:37:24,710 --> 00:37:22,079  
into

956  
00:37:27,050 --> 00:37:24,720  
like I'm much much more anti-religion

957  
00:37:29,990 --> 00:37:27,060  
than you are I think religions are are

958  
00:37:34,930 --> 00:37:30,000  
Cults up and down I I don't understand

959  
00:37:38,990 --> 00:37:34,940  
like Warren Jeff's and Mormonism

960  
00:37:41,030 --> 00:37:39,000  
extremely extremely cultish leaning on

961  
00:37:43,310 --> 00:37:41,040  
cultish principles it is it's just a

962  
00:37:45,230 --> 00:37:43,320  
cult it just is a cult removed by a

963  
00:37:46,970 --> 00:37:45,240

couple generations and I think the

964

00:37:49,790 --> 00:37:46,980

opportunities for abuse there are

965

00:37:52,010 --> 00:37:49,800

enormous I think their connections to

966

00:37:54,290 --> 00:37:52,020

the the darkest part of the Catholic

967

00:37:56,930 --> 00:37:54,300

Church are well documented I think the

968

00:37:59,089 --> 00:37:56,940

the sexual abuse that goes on inside the

969

00:38:00,950 --> 00:37:59,099

the Mormon church and you can't paint a

970

00:38:02,589 --> 00:38:00,960

broad brush but I think it's it's

971

00:38:05,270 --> 00:38:02,599

there's just too many accounts of that

972

00:38:08,030 --> 00:38:05,280

apps are freaking lutely are you kidding

973

00:38:11,089 --> 00:38:08,040

me but I don't understand why people who

974

00:38:13,310 --> 00:38:11,099

are of a Christian bent or orientation

975

00:38:16,069 --> 00:38:13,320

how they how they seek to separate

976

00:38:19,490 --> 00:38:16,079

themselves from oh well that's Warren

977

00:38:21,050 --> 00:38:19,500

Jeff's oh that's uh David koresh in the

978

00:38:23,390 --> 00:38:21,060

Branch Davidians that well that's

979

00:38:26,690 --> 00:38:23,400

Seventh Day Adventist no they're all

980

00:38:29,810 --> 00:38:26,700

it's all the same origins of the same

981

00:38:31,250 --> 00:38:29,820

cult and if you you know what I get in

982

00:38:32,930 --> 00:38:31,260

trouble with people who are religious

983

00:38:34,130 --> 00:38:32,940

when I say you're talking about you have

984

00:38:36,470 --> 00:38:34,140

a personal relationship with Christ

985

00:38:38,270 --> 00:38:36,480

Consciousness like oh no no don't give

986

00:38:40,370 --> 00:38:38,280

me that Gnostic [h\_\_h] no it's Jesus

987

00:38:43,130 --> 00:38:40,380

it's like well you're not talking about

988

00:38:45,050 --> 00:38:43,140

like a physical guy they'd be 2 000

989

00:38:48,650 --> 00:38:45,060

years old you're talking about some

990

00:38:51,650 --> 00:38:48,660

extra Consciousness Connection that you

991

00:38:54,109 --> 00:38:51,660

have so now we're all in the same soup

992

00:38:55,609 --> 00:38:54,119

but the historical Jesus thing do you

993

00:38:58,010 --> 00:38:55,619

think there was a historical Jesus do

994

00:39:00,530 --> 00:38:58,020

you think that stands up to scrutiny

995

00:39:02,990 --> 00:39:00,540

uh I think that's probably above my pay

996

00:39:06,109 --> 00:39:03,000

grade I haven't really contemplated that

997

00:39:07,790 --> 00:39:06,119

one enough to uh really weigh in on us

998

00:39:09,470 --> 00:39:07,800

but I mean you know just kind of getting

999

00:39:11,690 --> 00:39:09,480

back to like what I'm saying I mean it's

1000

00:39:13,790 --> 00:39:11,700

like okay the stuff with the spirit

1001  
00:39:16,670 --> 00:39:13,800  
cooking thing is really weird and the

1002  
00:39:19,190 --> 00:39:16,680  
art is very provocative but I mean as

1003  
00:39:22,069 --> 00:39:19,200  
far as I'm aware you know we don't have

1004  
00:39:23,930 --> 00:39:22,079  
him hard and damning evidence that there

1005  
00:39:26,930 --> 00:39:23,940  
was anything more than performance arts

1006  
00:39:29,270 --> 00:39:26,940  
of this conversely the FBI has a

1007  
00:39:31,730 --> 00:39:29,280  
recording of Warren Jeffs raping a 12

1008  
00:39:34,130 --> 00:39:31,740  
year old girl on top of a temple altar

1009  
00:39:37,849 --> 00:39:34,140  
while multiple one a multiple of his

1010  
00:39:40,490 --> 00:39:37,859  
wives watched this blessed events okay

1011  
00:39:42,650 --> 00:39:40,500  
for some reason though despite the other

1012  
00:39:44,270 --> 00:39:42,660  
allegations that just have ranches all

1013  
00:39:46,190 --> 00:39:44,280

over the Southwest that you know

1014

00:39:47,690 --> 00:39:46,200

underage girls and underage boys for

1015

00:39:49,430 --> 00:39:47,700

that matter were being ferried back and

1016

00:39:51,890 --> 00:39:49,440

forth to these ranches so that the

1017

00:39:53,390 --> 00:39:51,900

church hierarchy could abuse them it

1018

00:39:55,250 --> 00:39:53,400

doesn't seem like a lot of these

1019

00:39:57,530 --> 00:39:55,260

alternative investigators care a lot

1020

00:39:59,089 --> 00:39:57,540

about this kind of stuff even though the

1021

00:40:00,950 --> 00:39:59,099

amount of evidence we have of this kind

1022

00:40:03,349 --> 00:40:00,960

of sex trafficking going on for some of

1023

00:40:06,349 --> 00:40:03,359

these weird sex in the Southwest is a

1024

00:40:07,730 --> 00:40:06,359

lot more uh conclusive and compelling I

1025

00:40:09,829 --> 00:40:07,740

would argue than what we have for pizza

1026  
00:40:11,150 --> 00:40:09,839  
Gates and I mean you could go into some

1027  
00:40:13,430 --> 00:40:11,160  
of the other compounds like Colorado

1028  
00:40:15,170 --> 00:40:13,440  
City or um Jesus you know the whole

1029  
00:40:17,089 --> 00:40:15,180  
Phenomenon with lost boys that have

1030  
00:40:19,010 --> 00:40:17,099  
happened or the Kingston family or any

1031  
00:40:20,809 --> 00:40:19,020  
of these other groups I mean this is

1032  
00:40:22,849 --> 00:40:20,819  
sort of like what I find baffling about

1033  
00:40:24,530 --> 00:40:22,859  
this is where are all the cube tards

1034  
00:40:26,390 --> 00:40:24,540  
where are all the pizzagate people when

1035  
00:40:29,510 --> 00:40:26,400  
you can look at a freaking cult like

1036  
00:40:32,630 --> 00:40:29,520  
this that's I mean Colorado city is

1037  
00:40:34,190 --> 00:40:32,640  
within I believe 40-minute drive of the

1038  
00:40:36,050 --> 00:40:34,200

headquarters of the Best Friends Animal

1039

00:40:38,210 --> 00:40:36,060

Society which used to be the process

1040

00:40:40,670 --> 00:40:38,220

Church of the family judgments another

1041

00:40:43,069 --> 00:40:40,680

cult that also had an uncanny ability of

1042

00:40:44,930 --> 00:40:43,079

losing children over the years isn't

1043

00:40:47,450 --> 00:40:44,940

that kind of odd that these two sex are

1044

00:40:50,089 --> 00:40:47,460

within you know a freaking uh less than

1045

00:40:51,950 --> 00:40:50,099

an hour's Drive of one another I mean

1046

00:40:54,170 --> 00:40:51,960

you know I get what you're saying but

1047

00:40:55,790 --> 00:40:54,180

when I look at the amount well I I I

1048

00:40:58,550 --> 00:40:55,800

don't think you get what I'm saying

1049

00:41:00,470 --> 00:40:58,560

because we should be agreeing see I I

1050

00:41:02,690 --> 00:41:00,480

think the when you said above your pay

1051  
00:41:04,910 --> 00:41:02,700  
grade number one it sure is [\h\_\_\h]

1052  
00:41:08,030 --> 00:41:04,920  
above your prey pay grade buddy you you

1053  
00:41:10,910 --> 00:41:08,040  
are a better investigator by a factor of

1054  
00:41:13,510 --> 00:41:10,920  
10 that I am but you are sidestepping

1055  
00:41:16,790 --> 00:41:13,520  
the issue and the issue is

1056  
00:41:18,530 --> 00:41:16,800  
Christianity hold up to scrutiny or as

1057  
00:41:21,410 --> 00:41:18,540  
you pull it apart does it start looking

1058  
00:41:24,710 --> 00:41:21,420  
more and more like a cult and these

1059  
00:41:27,470 --> 00:41:24,720  
offshoots that we have of it today

1060  
00:41:28,930 --> 00:41:27,480  
Are radically radically Over the Top

1061  
00:41:31,609 --> 00:41:28,940  
Cults so

1062  
00:41:34,730 --> 00:41:31,619  
Jeff's and uh all the rest of that stuff

1063  
00:41:36,170 --> 00:41:34,740

I got it but the reason the answer to

1064

00:41:38,450 --> 00:41:36,180

your question why that doesn't get

1065

00:41:40,490 --> 00:41:38,460

investigated is because at some deep

1066

00:41:42,230 --> 00:41:40,500

level you know I grew up in the in the

1067

00:41:43,609 --> 00:41:42,240

church in the Greek Orthodox church and

1068

00:41:45,349 --> 00:41:43,619

let me tell you you want to talk about

1069

00:41:47,690 --> 00:41:45,359

mind control those guys have have it

1070

00:41:50,030 --> 00:41:47,700

figured out they all do but it is a deep

1071

00:41:52,670 --> 00:41:50,040

mind [h\_\_h] right you're five years old

1072

00:41:54,470 --> 00:41:52,680

they're chanting there's incense waving

1073

00:41:56,270 --> 00:41:54,480

around you go up there and you kiss that

1074

00:41:58,490 --> 00:41:56,280

motherfucker's hand and he puts the

1075

00:42:00,950 --> 00:41:58,500

bread in your hand and it's like I'm

1076

00:42:02,510 --> 00:42:00,960

feeding you [\h\_\_\h] and Jesus is up

1077

00:42:05,210 --> 00:42:02,520

there and he's bleeding with that little

1078

00:42:08,089 --> 00:42:05,220

cross and you know the [\h\_\_\h] Jews

1079

00:42:10,370 --> 00:42:08,099

they killed this guy you got the whole

1080

00:42:13,430 --> 00:42:10,380

thing set up now that you're gonna play

1081

00:42:16,130 --> 00:42:13,440

out so when somebody says hey this

1082

00:42:18,530 --> 00:42:16,140

Mormon guy or this Branch Davidian guy

1083

00:42:20,809 --> 00:42:18,540

your first reaction is well pull up a

1084

00:42:22,730 --> 00:42:20,819

little bit because I am kind of in the

1085

00:42:24,589 --> 00:42:22,740

same soup with him I am a Christian he's

1086

00:42:27,109 --> 00:42:24,599

a Christian we both believe in Jesus

1087

00:42:28,730 --> 00:42:27,119

that's the reason they don't go there is

1088

00:42:31,609 --> 00:42:28,740

because they've been mind controlled

1089

00:42:34,609 --> 00:42:31,619

into this Christian cult thing

1090

00:42:37,430 --> 00:42:34,619

well again I mean it depends which

1091

00:42:38,990 --> 00:42:37,440

Christians you talk to I mean I a lot of

1092

00:42:40,910 --> 00:42:39,000

them I've talked to kind of like to

1093

00:42:44,450 --> 00:42:40,920

distance themselves from Mormonism and

1094

00:42:45,589 --> 00:42:44,460

probably not without reason but um yes I

1095

00:42:47,569 --> 00:42:45,599

would agree though with what you're

1096

00:42:49,730 --> 00:42:47,579

saying Christianity like essentially all

1097

00:42:51,829 --> 00:42:49,740

religions essentially had its Origins as

1098

00:42:53,870 --> 00:42:51,839

occult I mean you know that's basically

1099

00:42:56,569 --> 00:42:53,880

kind of how I think the chain works you

1100

00:42:58,250 --> 00:42:56,579

know uh you cease being a cult and

1101

00:42:59,809 --> 00:42:58,260

become a religion once you've uh I

1102

00:43:02,870 --> 00:42:59,819

suppose gained a certain degree of

1103

00:43:04,609 --> 00:43:02,880

official support so what about my

1104

00:43:05,870 --> 00:43:04,619

thought because I I really want your

1105

00:43:09,530 --> 00:43:05,880

opinion on that I don't just want to

1106

00:43:12,950 --> 00:43:09,540

rant I I know that for myself it's taken

1107

00:43:14,630 --> 00:43:12,960

a lot of processing to get to the point

1108

00:43:15,710 --> 00:43:14,640

like I'm gonna say something I'm not a

1109

00:43:17,809 --> 00:43:15,720

Christian

1110

00:43:21,470 --> 00:43:17,819

do you know how hard that was for me to

1111

00:43:23,870 --> 00:43:21,480

say as an adult as a grown man knowing

1112

00:43:25,910 --> 00:43:23,880

virtually all the things I know now I I

1113

00:43:27,950 --> 00:43:25,920

still couldn't quite get the words out

1114

00:43:29,569 --> 00:43:27,960

of my mouth for fear that I didn't know

1115

00:43:32,030 --> 00:43:29,579

what I was afraid of but I couldn't say

1116

00:43:33,530 --> 00:43:32,040

it hey I'm big into near-death

1117

00:43:36,530 --> 00:43:33,540

experience science because I think it

1118

00:43:39,410 --> 00:43:36,540

shows the Divinity it shows that there

1119

00:43:41,930 --> 00:43:39,420

is a connection there's uh we don't need

1120

00:43:44,390 --> 00:43:41,940

an intermediary we don't need someone to

1121

00:43:46,069 --> 00:43:44,400

jump in with a Bible and tell you what

1122

00:43:48,410 --> 00:43:46,079

your spiritual experience is how to

1123

00:43:52,010 --> 00:43:48,420

interpret it you can interpret it just

1124

00:43:54,950 --> 00:43:52,020

fine with your connection but the point

1125

00:43:56,870 --> 00:43:54,960

is we've been mind controlled anyone

1126

00:43:58,609 --> 00:43:56,880

who's gone through that upbringing and

1127

00:44:01,069 --> 00:43:58,619

unless you're really working at getting

1128

00:44:04,069 --> 00:44:01,079

past that of course it's popping up of

1129

00:44:05,990 --> 00:44:04,079

course that's why people who play those

1130

00:44:08,030 --> 00:44:06,000

chords on you that's why the Moonies

1131

00:44:09,470 --> 00:44:08,040

thing that you guys went into of course

1132

00:44:11,630 --> 00:44:09,480

it works because he latched on to

1133

00:44:12,890 --> 00:44:11,640

Christianity and I mean in essence I

1134

00:44:14,690 --> 00:44:12,900

mean I kind of think that's why

1135

00:44:16,670 --> 00:44:14,700

ultimately a lot of this stuff is far

1136

00:44:18,470 --> 00:44:16,680

more dangerous than you know the

1137

00:44:20,630 --> 00:44:18,480

pizzagate kind of stuff because I mean

1138

00:44:22,550 --> 00:44:20,640

that you know I mean anytime I mean you

1139

00:44:23,990 --> 00:44:22,560

show this kind of spirits cooking stuff

1140

00:44:26,569 --> 00:44:24,000

too I mean a fundamentalist Christian

1141

00:44:28,370 --> 00:44:26,579

they're going to be triggered I mean the

1142

00:44:29,990 --> 00:44:28,380

whole thing I mean is going to trigger a

1143

00:44:31,970 --> 00:44:30,000

huge chunk of the population just

1144

00:44:34,010 --> 00:44:31,980

because of its very nature whereas like

1145

00:44:35,630 --> 00:44:34,020

you're kind of saying I mean when you

1146

00:44:37,130 --> 00:44:35,640

look at some of the abuse that goes on

1147

00:44:38,630 --> 00:44:37,140

to Christian churches it tends to be

1148

00:44:40,370 --> 00:44:38,640

mineralized because this is seen as

1149

00:44:41,930 --> 00:44:40,380

being a part of the background by so

1150

00:44:43,370 --> 00:44:41,940

many people in this country you know we

1151

00:44:44,990 --> 00:44:43,380

kind of take this type of stuff for

1152

00:44:48,170 --> 00:44:45,000

granted whereas I mean Spirit cooking

1153

00:44:50,450 --> 00:44:48,180

there's a certain novelty to it

1154

00:44:52,490 --> 00:44:50,460

but I mean you know from my perspective

1155

00:44:55,250 --> 00:44:52,500

though I do have to wonder given the

1156

00:44:57,890 --> 00:44:55,260

fact that there is a lack of concrete

1157

00:44:58,910 --> 00:44:57,900

evidence as uh in terms of like what you

1158

00:45:01,069 --> 00:44:58,920

could find in some of these other

1159

00:45:03,050 --> 00:45:01,079

incidents that we've discussed

1160

00:45:05,050 --> 00:45:03,060

it has to be in my mind a question of

1161

00:45:07,430 --> 00:45:05,060

whether or not was this disinformation

1162

00:45:08,630 --> 00:45:07,440

especially coming on the heels of the

1163

00:45:10,490 --> 00:45:08,640

whole thing with Epstein and Jimmy

1164

00:45:13,250 --> 00:45:10,500

Savile which is what makes it even more

1165

00:45:15,589 --> 00:45:13,260

sketchy to me I mean you know Franklin

1166

00:45:17,329 --> 00:45:15,599

we got some good stuff out of Detroit we

1167

00:45:19,010 --> 00:45:17,339

got even more compelling stuff out of

1168

00:45:20,990 --> 00:45:19,020

but I mean when you had Jimmy Savile

1169

00:45:24,470 --> 00:45:21,000

break out in the UK and Epstein in the

1170

00:45:26,270 --> 00:45:24,480

U.S I mean now it was actually a common

1171

00:45:27,710 --> 00:45:26,280

thing for normal people you know the

1172

00:45:29,510 --> 00:45:27,720

streets the kind of people that I work

1173

00:45:31,130 --> 00:45:29,520

with in a kitchen to acknowledge that

1174

00:45:33,530 --> 00:45:31,140

the elites really do have these rings

1175

00:45:35,750 --> 00:45:33,540

that abuse children I mean that in and

1176

00:45:37,370 --> 00:45:35,760

of itself I think was a major Triumph I

1177

00:45:39,349 --> 00:45:37,380

mean whereas previously I mean a good

1178

00:45:41,089 --> 00:45:39,359

you know 10 15 years ago if you were to

1179

00:45:43,309 --> 00:45:41,099

suggest to you know the average person

1180

00:45:44,930 --> 00:45:43,319

in the street like well you know there

1181

00:45:46,550 --> 00:45:44,940

probably are some Wall Street brokers

1182

00:45:48,950 --> 00:45:46,560

out there who you know go around and

1183

00:45:49,910 --> 00:45:48,960

have sex with children sometimes they

1184

00:45:52,069 --> 00:45:49,920

probably would have thought you were

1185

00:45:53,690 --> 00:45:52,079

insane but I mean nowadays I mean in a

1186

00:45:55,069 --> 00:45:53,700

post-epstein world I mean nobody can

1187

00:45:56,690 --> 00:45:55,079

really deny that there's some kind of

1188

00:45:58,309 --> 00:45:56,700

reality to that

1189

00:46:00,170 --> 00:45:58,319

but I mean when you go in with something

1190

00:46:01,790 --> 00:46:00,180

like the you know I mean the whole thing

1191

00:46:04,309 --> 00:46:01,800

with pizzagate where it's like you know

1192

00:46:07,069 --> 00:46:04,319

we have a dungeon underneath a pizza

1193

00:46:08,630 --> 00:46:07,079

parlor in downtown DC

1194

00:46:10,250 --> 00:46:08,640

you know this is kind of bringing in

1195

00:46:12,710 --> 00:46:10,260

stuff into like almost what was that one

1196

00:46:14,450 --> 00:46:12,720

movie hostile or something like that but

1197

00:46:16,150 --> 00:46:14,460

John's closed the whole McMartin thing

1198

00:46:19,309 --> 00:46:16,160

for you right

1199

00:46:22,370 --> 00:46:19,319

the McMartin preschool is a is a replay

1200

00:46:26,390 --> 00:46:22,380

of that it's a replay of Comet Ping Pong

1201

00:46:31,370 --> 00:46:26,400

in that way in that they one they just

1202

00:46:33,890 --> 00:46:31,380

the job of a Satanist is to lie right so

1203

00:46:36,349 --> 00:46:33,900

I had Mitch Horwitz on my show and I got

1204

00:46:39,410 --> 00:46:36,359

him to admit that one he's a Satanist

1205

00:46:41,210 --> 00:46:39,420

and that two his one of his Inspirations

1206

00:46:42,290 --> 00:46:41,220

main Inspirations is Colonel Michael

1207

00:46:44,809 --> 00:46:42,300

Aquino

1208

00:46:47,150 --> 00:46:44,819

well you guys have done some great deep

1209

00:46:48,530 --> 00:46:47,160

dives into Aquino great great deep Dives

1210

00:46:51,470 --> 00:46:48,540

encourage people to check out the farm

1211

00:46:53,809 --> 00:46:51,480

and the shows I mean they're

1212

00:46:56,270 --> 00:46:53,819

professional liars I'm not saying Mitch

1213

00:46:59,150 --> 00:46:56,280

Horowitz is a professional liar but when

1214

00:47:01,370 --> 00:46:59,160

you go that route you lie that's part of

1215

00:47:03,829 --> 00:47:01,380

the it's part of the game it's part of

1216

00:47:06,470 --> 00:47:03,839

the if I can get away with it do with

1217

00:47:08,569 --> 00:47:06,480

that Wilt kind of thing so McNaughton

1218

00:47:10,069 --> 00:47:08,579

was alive from the beginning they just

1219

00:47:13,790 --> 00:47:10,079

lied their ass I'm saying those there's

1220

00:47:16,849 --> 00:47:13,800

nothing here it's it's satanic panic and

1221

00:47:20,210 --> 00:47:16,859

again John brison just got I got most of

1222

00:47:22,490 --> 00:47:20,220

my stuff from John on that yes it was of

1223

00:47:23,630 --> 00:47:22,500

course it was abuse the first thing that

1224

00:47:25,910 --> 00:47:23,640

they did is they had a three-year-old

1225

00:47:27,530 --> 00:47:25,920

kid come home and say you know this what

1226  
00:47:29,030 --> 00:47:27,540  
happened to me I'm bleeding where I'm

1227  
00:47:30,829 --> 00:47:29,040  
not supposed to be bleeding they take

1228  
00:47:32,210 --> 00:47:30,839  
him to the hospital the doctor and the

1229  
00:47:34,130 --> 00:47:32,220  
next doctor and the next Doctor they'll

1230  
00:47:36,710 --> 00:47:34,140  
go this kid's been sexually abused

1231  
00:47:39,049 --> 00:47:36,720  
but they talked about tunnels they

1232  
00:47:41,770 --> 00:47:39,059  
talked about Dungeons under the house

1233  
00:47:44,630 --> 00:47:41,780  
and everyone did the big belly level oh

1234  
00:47:47,030 --> 00:47:44,640  
my God this satanic Panic look at all

1235  
00:47:48,290 --> 00:47:47,040  
these crazy Christians have flown off

1236  
00:47:49,970 --> 00:47:48,300  
the handle

1237  
00:47:52,250 --> 00:47:49,980  
what happened when they actually went

1238  
00:47:54,530 --> 00:47:52,260

and searched for them they found tunnels

1239

00:47:56,870 --> 00:47:54,540

under that led over to the neighbor's

1240

00:47:59,210 --> 00:47:56,880

garage they found dungeons they found

1241

00:48:01,390 --> 00:47:59,220

all that [h\_\_h] look at the Dutro pictures

1242

00:48:05,630 --> 00:48:01,400

that I just put up on the screen

1243

00:48:08,089 --> 00:48:05,640

dungeons tunnels kill rooms all that

1244

00:48:10,490 --> 00:48:08,099

[h\_\_h] starts connecting the dots so all

1245

00:48:12,589 --> 00:48:10,500

I'm saying is when people just

1246

00:48:15,049 --> 00:48:12,599

I don't understand exactly where you're

1247

00:48:18,410 --> 00:48:15,059

sitting because again we live in a world

1248

00:48:20,809 --> 00:48:18,420

where exactly what you said is true that

1249

00:48:22,069 --> 00:48:20,819

the normies have been conditioned to

1250

00:48:24,290 --> 00:48:22,079

listen to that woman on Good Morning

1251  
00:48:25,849 --> 00:48:24,300  
America and the only thing they get out

1252  
00:48:27,109 --> 00:48:25,859  
of this the only thing they have the

1253  
00:48:29,750 --> 00:48:27,119  
only Association they have with

1254  
00:48:32,809 --> 00:48:29,760  
pizzagate is not this nuanced Franklin

1255  
00:48:33,829 --> 00:48:32,819  
Scandal you know Dutro none of that

1256  
00:48:36,950 --> 00:48:33,839  
nuance

1257  
00:48:39,290 --> 00:48:36,960  
the only thing they get is those damn

1258  
00:48:41,930 --> 00:48:39,300  
conspiracy theorists and that damn fake

1259  
00:48:45,109 --> 00:48:41,940  
news and it drives some people crazy to

1260  
00:48:47,390 --> 00:48:45,119  
go in and take an AR-16 onto this poor

1261  
00:48:49,790 --> 00:48:47,400  
innocent pizza guy that whole thing that

1262  
00:48:52,190 --> 00:48:49,800  
that narrative talk about up the fake

1263  
00:48:54,589 --> 00:48:52,200

that narrative is fake I don't know how

1264

00:48:57,109 --> 00:48:54,599

you know what the real story is but

1265

00:48:59,150 --> 00:48:57,119

on which is more fake

1266

00:49:01,309 --> 00:48:59,160

Good Morning America is a lot more fake

1267

00:49:02,930 --> 00:49:01,319

than the spirit cooking narrative in my

1268

00:49:04,790 --> 00:49:02,940

opinion

1269

00:49:09,049 --> 00:49:04,800

well yeah I mean it's Good Morning

1270

00:49:11,210 --> 00:49:09,059

America certainly I mean to me it seemed

1271

00:49:13,309 --> 00:49:11,220

like it was a big trap I mean to try to

1272

00:49:15,049 --> 00:49:13,319

discredit a lot of people who have been

1273

00:49:17,270 --> 00:49:15,059

investigating a lot of this kind of

1274

00:49:19,490 --> 00:49:17,280

stuff for years I mean I suppose in a

1275

00:49:21,410 --> 00:49:19,500

sense you know you could maybe draw a

1276

00:49:23,150 --> 00:49:21,420

parallel to something like Kathy O'Brien

1277

00:49:25,069 --> 00:49:23,160

which also started to become really big

1278

00:49:26,930 --> 00:49:25,079

I believe in the early to mid 90s I mean

1279

00:49:28,549 --> 00:49:26,940

in the aftermath of Franklin or is it a

1280

00:49:30,530 --> 00:49:28,559

little earlier than that no no it's it's

1281

00:49:32,990 --> 00:49:30,540

a huge thing it's just so true that that

1282

00:49:34,609 --> 00:49:33,000

is like you always go right to level

1283

00:49:35,809 --> 00:49:34,619

three I don't know what to make of her I

1284

00:49:38,210 --> 00:49:35,819

mean I just don't know what to make of

1285

00:49:39,829 --> 00:49:38,220

her or I mean project Monarch which is

1286

00:49:42,170 --> 00:49:39,839

another thing I mean I talked to Hank

1287

00:49:44,510 --> 00:49:42,180

albarelli about this uh shortly before

1288

00:49:45,589 --> 00:49:44,520

he passed away Hank and as I'm sure you

1289

00:49:48,049 --> 00:49:45,599

know he's the author of a terrible

1290

00:49:49,970 --> 00:49:48,059

mistake uh Secret order I mean he

1291

00:49:52,010 --> 00:49:49,980

probably knew more about this you know

1292

00:49:54,530 --> 00:49:52,020

artichoke MK Ultra than any person who's

1293

00:49:56,569 --> 00:49:54,540

ever lived never found any evidence

1294

00:49:58,549 --> 00:49:56,579

Monarch in fact uh he had Tracked Down

1295

00:50:01,549 --> 00:49:58,559

the researcher who appeared to have been

1296

00:50:03,230 --> 00:50:01,559

the first one to have released it into

1297

00:50:05,210 --> 00:50:03,240

the public and he acknowledged to Hank

1298

00:50:08,630 --> 00:50:05,220

that he had fabricated it

1299

00:50:10,690 --> 00:50:08,640

so I talked to Whitley strieber or ever

1300

00:50:12,950 --> 00:50:10,700

heard Whitley's story

1301  
00:50:15,410 --> 00:50:12,960  
is yeah I know who Whitley is now I've

1302  
00:50:16,910 --> 00:50:15,420  
never spoken to Whitley Streeper so when

1303  
00:50:18,109 --> 00:50:16,920  
I interviewed him one of the things I

1304  
00:50:20,270 --> 00:50:18,119  
didn't know

1305  
00:50:23,270 --> 00:50:20,280  
and it's out there but he just doesn't

1306  
00:50:25,069 --> 00:50:23,280  
talk about it very much MK Ultra victim

1307  
00:50:26,390 --> 00:50:25,079  
when he was eight years old San Antonio

1308  
00:50:28,309 --> 00:50:26,400  
Texas

1309  
00:50:30,410 --> 00:50:28,319  
the good Air Force guy come to the

1310  
00:50:32,930 --> 00:50:30,420  
parents and say you know what

1311  
00:50:34,790 --> 00:50:32,940  
your son is a gifted child and you guys

1312  
00:50:38,450 --> 00:50:34,800  
did the whole gifted child thing on your

1313  
00:50:42,349 --> 00:50:40,730

I'm a gifted child actually I was like

1314

00:50:43,730 --> 00:50:42,359

you're a gifted child but we talked

1315

00:50:45,650 --> 00:50:43,740

about this no I was actually selected to

1316

00:50:47,349 --> 00:50:45,660

be in one of those secret schools I'm

1317

00:50:50,630 --> 00:50:47,359

curious I'm serious

1318

00:50:53,089 --> 00:50:50,640

I believe it I've talked to other people

1319

00:50:56,870 --> 00:50:53,099

you know who else is a gifted child in

1320

00:50:58,670 --> 00:50:56,880

that way is uh Freeman fly you know

1321

00:51:01,490 --> 00:50:58,680

Freeman not sure if I'm familiar with

1322

00:51:02,750 --> 00:51:01,500

him uh he's got a good he's got a good

1323

00:51:04,609 --> 00:51:02,760

show and he's been around for a long

1324

00:51:06,589 --> 00:51:04,619

time doing this stuff same thing Freeman

1325

00:51:08,150 --> 00:51:06,599

I'm telling Freeman about this thing and

1326  
00:51:11,030 --> 00:51:08,160  
the gifted child and you know the gifted

1327  
00:51:13,970 --> 00:51:11,040  
child you know Epstein was gifted child

1328  
00:51:16,910 --> 00:51:13,980  
wouldn't surprise me he was

1329  
00:51:20,270 --> 00:51:16,920  
he wasn't at a young age you know thing

1330  
00:51:22,130 --> 00:51:20,280  
so uh and and Freeman fly's uh thing

1331  
00:51:24,290 --> 00:51:22,140  
when we say gifted child you know like

1332  
00:51:26,329 --> 00:51:24,300  
did you ever wind up going in any

1333  
00:51:28,670 --> 00:51:26,339  
programs or any special classes or

1334  
00:51:30,109 --> 00:51:28,680  
anything I took the testing for it they

1335  
00:51:31,849 --> 00:51:30,119  
were actually going to send me to one of

1336  
00:51:33,410 --> 00:51:31,859  
the special schools but my parents

1337  
00:51:34,910 --> 00:51:33,420  
decided against it because of the

1338  
00:51:36,290 --> 00:51:34,920

distance between where we were at and

1339

00:51:38,150 --> 00:51:36,300

where the school was at I think it would

1340

00:51:40,309 --> 00:51:38,160

have been like over an hour commute or

1341

00:51:42,950 --> 00:51:40,319

something like that so dodged probably

1342

00:51:46,370 --> 00:51:42,960

for the best yeah yeah kind of eternally

1343

00:51:49,549 --> 00:51:46,380

grateful for that one so uh Freeman fly

1344

00:51:52,370 --> 00:51:49,559

for people who know him he's uh

1345

00:51:54,650 --> 00:51:52,380

gifted child they put him in a special

1346

00:51:56,930 --> 00:51:54,660

room check this out

1347

00:51:59,450 --> 00:51:56,940

again there's no proof you know and this

1348

00:52:01,549 --> 00:51:59,460

doesn't sound nefarious you know

1349

00:52:04,210 --> 00:52:01,559

Kaczynski you know we talked about this

1350

00:52:06,710 --> 00:52:04,220

last time Unabomber gifted child right

1351  
00:52:09,290 --> 00:52:06,720  
bomber Ted Kaczynski gifted child and

1352  
00:52:11,510 --> 00:52:09,300  
then goes to Harvard and you know as

1353  
00:52:13,970 --> 00:52:11,520  
part of the M Kelsey Freeman fly back to

1354  
00:52:16,010 --> 00:52:13,980  
it he goes to a room like kindergarten

1355  
00:52:19,069 --> 00:52:16,020  
and they just haven't memorized these

1356  
00:52:20,990 --> 00:52:19,079  
index cards all day long him and the

1357  
00:52:22,370 --> 00:52:21,000  
other guys he goes I'm looking back on I

1358  
00:52:25,329 --> 00:52:22,380  
don't know what they were doing but they

1359  
00:52:28,370 --> 00:52:25,339  
just memorizing index cards

1360  
00:52:31,849 --> 00:52:28,380  
whoa in a way you know to me that's

1361  
00:52:33,470 --> 00:52:31,859  
spookier than the spookiest ass MK Ultra

1362  
00:52:35,450 --> 00:52:33,480  
stories you hear because from an

1363  
00:52:38,390 --> 00:52:35,460

educational standpoint what possible is

1364

00:52:40,250 --> 00:52:38,400

there is memorizing it's interesting but

1365

00:52:43,250 --> 00:52:40,260

it kind of seems like memory is a big

1366

00:52:44,870 --> 00:52:43,260

part of this I think they have so many

1367

00:52:46,790 --> 00:52:44,880

different programs I'm going to stop

1368

00:52:49,670 --> 00:52:46,800

digressing return to Whitley street so

1369

00:52:52,970 --> 00:52:49,680

Whitley strieber is probably the one of

1370

00:52:55,250 --> 00:52:52,980

the best known uh UFO abductees

1371

00:52:57,829 --> 00:52:55,260

their his story he stayed with the story

1372

00:52:59,510 --> 00:52:57,839

he has physical evidence he has uh an

1373

00:53:01,790 --> 00:52:59,520

implant that he's had and he

1374

00:53:03,470 --> 00:53:01,800

photographed it they've done x-rays on

1375

00:53:05,569 --> 00:53:03,480

it but it love what a lot of people

1376

00:53:07,490 --> 00:53:05,579

don't realize is way back he's nine

1377

00:53:11,089 --> 00:53:07,500

years old and the Air Force guys in San

1378

00:53:13,250 --> 00:53:11,099

Antonio come and say hey buddy we your

1379

00:53:16,010 --> 00:53:13,260

kid ought to come in they bring him in

1380

00:53:18,230 --> 00:53:16,020

and it's Horror Story right kids locked

1381

00:53:20,450 --> 00:53:18,240

in Faraday cages kids being shown

1382

00:53:23,270 --> 00:53:20,460

animals being killed right before them

1383

00:53:25,910 --> 00:53:23,280

the whole trauma thing to create this uh

1384

00:53:27,349 --> 00:53:25,920

split personality of you know uh

1385

00:53:28,970 --> 00:53:27,359

disassociative identity thing which

1386

00:53:30,770 --> 00:53:28,980

comes up again and again and again you

1387

00:53:32,870 --> 00:53:30,780

hear it and then Kathy O'Brien spins

1388

00:53:35,150 --> 00:53:32,880

that but she spends it in such a fake

1389

00:53:37,190 --> 00:53:35,160

fantasy fanciful way I don't know if

1390

00:53:39,710 --> 00:53:37,200

she's legit or not but so much a part of

1391

00:53:41,450 --> 00:53:39,720

her story just can't be corroborated to

1392

00:53:44,150 --> 00:53:41,460

me that seems like a co-opting of the

1393

00:53:46,250 --> 00:53:44,160

story Whitley does not Whitley comes

1394

00:53:47,569 --> 00:53:46,260

back and he shattered the only reason he

1395

00:53:49,370 --> 00:53:47,579

he gets out of it is because he gets

1396

00:53:50,870 --> 00:53:49,380

really sick so they send him to a

1397

00:53:52,130 --> 00:53:50,880

hospital and his mom comes to the

1398

00:53:53,870 --> 00:53:52,140

hospital goes we're pulling you out of

1399

00:53:56,390 --> 00:53:53,880

that damn thing but apparently his

1400

00:53:58,849 --> 00:53:56,400

parents tell him that after a couple

1401

00:54:00,290 --> 00:53:58,859

weeks when the when the Air Force guys

1402

00:54:02,089 --> 00:54:00,300

would show up at the house he's nine

1403

00:54:03,349 --> 00:54:02,099

years old he would be hiding Up on the

1404

00:54:05,450 --> 00:54:03,359

Roof because he didn't want to go with

1405

00:54:06,829 --> 00:54:05,460

him but he somehow he is programmed not

1406

00:54:08,030 --> 00:54:06,839

to tell his parents that he wouldn't do

1407

00:54:09,530 --> 00:54:08,040

it so he was just doing it through this

1408

00:54:10,970 --> 00:54:09,540

action but the other thing that

1409

00:54:14,270 --> 00:54:10,980

Whitley's doing

1410

00:54:15,710 --> 00:54:14,280

is Whitley when this whole thing happens

1411

00:54:17,450 --> 00:54:15,720

years later

1412

00:54:19,849 --> 00:54:17,460

he's like trying to put together the

1413

00:54:21,349 --> 00:54:19,859

pieces which again is so true and does

1414

00:54:24,049 --> 00:54:21,359

ring true with the Kathy O'Brien story

1415

00:54:27,890 --> 00:54:24,059

is these people are kind of crushed so

1416

00:54:30,170 --> 00:54:27,900

they don't sound super credible in any

1417

00:54:32,750 --> 00:54:30,180

way because they're just fractioned of

1418

00:54:35,630 --> 00:54:32,760

what they were but he goes to the kid

1419

00:54:37,990 --> 00:54:35,640

across the street who was also in the

1420

00:54:41,750 --> 00:54:38,000

program this kid never leaves the house

1421

00:54:43,789 --> 00:54:41,760

dies at 50 in the house just couldn't

1422

00:54:45,589 --> 00:54:43,799

leave and he finds another one of his

1423

00:54:47,809 --> 00:54:45,599

friends and he goes yeah it's true they

1424

00:54:51,410 --> 00:54:47,819

came to my house too but my parents said

1425

00:54:53,809 --> 00:54:51,420

no when they heard about uh uh Skinner

1426  
00:54:56,390 --> 00:54:53,819  
you know the Skinner BF Skinner kind of

1427  
00:54:57,770 --> 00:54:56,400  
thing so he was able to piece the pieces

1428  
00:54:59,569 --> 00:54:57,780  
together but here's the other thing

1429  
00:55:01,609 --> 00:54:59,579  
about his story then he went down to

1430  
00:55:03,829 --> 00:55:01,619  
Mexico and he remembers them taking him

1431  
00:55:05,390 --> 00:55:03,839  
down to Mexico and being with the being

1432  
00:55:07,609 --> 00:55:05,400  
on these things where there were these

1433  
00:55:10,010 --> 00:55:07,619  
kids again you talk about the child sex

1434  
00:55:11,329 --> 00:55:10,020  
trafficking and the whole finders so

1435  
00:55:13,970 --> 00:55:11,339  
especially the whole thing with Mexico

1436  
00:55:16,910 --> 00:55:13,980  
yeah that's that's so that's that's

1437  
00:55:18,589 --> 00:55:16,920  
Whitney that's Whitney strieber uh kind

1438  
00:55:21,470 --> 00:55:18,599

of just a little case a lot of people

1439

00:55:22,670 --> 00:55:21,480

don't know about so I don't know I I

1440

00:55:24,710 --> 00:55:22,680

think

1441

00:55:26,870 --> 00:55:24,720

where there's smoke there's fire

1442

00:55:28,549 --> 00:55:26,880

yeah and that's I'm not trying to

1443

00:55:30,049 --> 00:55:28,559

dispute that there isn't a reality of

1444

00:55:31,370 --> 00:55:30,059

the allegations but kind of like what

1445

00:55:34,250 --> 00:55:31,380

I'm getting at was like the whole thing

1446

00:55:36,230 --> 00:55:34,260

with monarch I mean I definitely think

1447

00:55:39,230 --> 00:55:36,240

that there was a basis in reality for

1448

00:55:41,750 --> 00:55:39,240

the Monarch allegations but the actual

1449

00:55:43,910 --> 00:55:41,760

allegations of project Monarch itself I

1450

00:55:45,950 --> 00:55:43,920

do think was a disinformation campaign

1451  
00:55:47,210 --> 00:55:45,960  
to try to throw people into false leads

1452  
00:55:49,670 --> 00:55:47,220  
it's kind of like the same thing with

1453  
00:55:51,710 --> 00:55:49,680  
Kathy O'Brien I don't know if she was a

1454  
00:55:53,569 --> 00:55:51,720  
willful disinformation agent maybe she

1455  
00:55:54,950 --> 00:55:53,579  
was just manipulated to say some of this

1456  
00:55:56,809 --> 00:55:54,960  
stuff but I do think it was an attempt

1457  
00:55:59,030 --> 00:55:56,819  
to try to put a lot of false Trails out

1458  
00:56:00,530 --> 00:55:59,040  
there and I think that this is true when

1459  
00:56:02,450 --> 00:56:00,540  
you get into almost all of the major

1460  
00:56:04,730 --> 00:56:02,460  
kind of Black Ops programs I mean you

1461  
00:56:07,370 --> 00:56:04,740  
know quote-unquote Tesla technology sex

1462  
00:56:08,870 --> 00:56:07,380  
trafficking Rings The Occult I just

1463  
00:56:10,730 --> 00:56:08,880

think it stands to reason that you're

1464

00:56:12,770 --> 00:56:10,740

going to put out as much disinformation

1465

00:56:14,510 --> 00:56:12,780

surrounding these topics as you possibly

1466

00:56:16,690 --> 00:56:14,520

could to try to further obstruct the

1467

00:56:20,210 --> 00:56:16,700

truth from the public at Large

1468

00:56:22,910 --> 00:56:20,220

one thousand percent agree with that I'm

1469

00:56:25,730 --> 00:56:22,920

going to try and bring us back to uh the

1470

00:56:27,289 --> 00:56:25,740

qtards and the Q Anon thing because it

1471

00:56:29,990 --> 00:56:27,299

fascinates me and one of the things I

1472

00:56:31,970 --> 00:56:30,000

was floating out to you I'm selling to

1473

00:56:35,150 --> 00:56:31,980

you seeing if I can get you to buy off

1474

00:56:38,630 --> 00:56:35,160

on it is that there's a direct parallel

1475

00:56:40,609 --> 00:56:38,640

between the Pete's gate thing and the

1476

00:56:43,549 --> 00:56:40,619

and then they storm the capital thing

1477

00:56:46,670 --> 00:56:43,559

and it's just a rerun it's the same

1478

00:56:48,470 --> 00:56:46,680

method it's take something real which in

1479

00:56:50,690 --> 00:56:48,480

pizzagate was there were all these

1480

00:56:53,750 --> 00:56:50,700

people that were really really concerned

1481

00:56:56,450 --> 00:56:53,760

about Spirit cooking and the Satanist

1482

00:56:59,990 --> 00:56:56,460

connection to the White House and they

1483

00:57:02,210 --> 00:57:00,000

buried that story by a crazy nut shoots

1484

00:57:05,210 --> 00:57:02,220

up a pizza parlor I think the same thing

1485

00:57:07,069 --> 00:57:05,220

happened with January 6th let me tee up

1486

00:57:09,289 --> 00:57:07,079

a couple of things and then I'll get

1487

00:57:12,109 --> 00:57:09,299

your opinion on it so here's a story

1488

00:57:16,190 --> 00:57:12,119

that breaks in revolver meet Ray Epps

1489

00:57:20,210 --> 00:57:16,200

the federal protected provocateur who

1490

00:57:22,490 --> 00:57:20,220

appears to have led the very first 1-6

1491

00:57:25,910 --> 00:57:22,500

attack on the U.S Capitol and I'll play

1492

00:57:27,710 --> 00:57:25,920

a little video for people this is from I

1493

00:57:31,190 --> 00:57:27,720

just found their website and I thought

1494

00:57:33,710 --> 00:57:31,200

they did a decent job of it here take a

1495

00:57:41,030 --> 00:57:33,720

listen to that video Yeah in fact

1496

00:57:49,870 --> 00:57:47,530

we need to go in to the Capitol let's go

1497

00:58:06,430 --> 00:57:49,880

I'm probably going to go to jail

1498

00:58:06,440 --> 00:58:11,950

thank you

1499

00:58:34,530 --> 00:58:15,530

we go to the Capitol the capital of this

1500

00:58:38,109 --> 00:58:35,690

[Applause]

1501

00:58:40,250 --> 00:58:38,119

I could stop it there you know

1502

00:58:43,010 --> 00:58:40,260

my favorites

1503

00:58:45,890 --> 00:58:43,020

this is the Ray of Hope for me

1504

00:58:49,010 --> 00:58:45,900

it really is Stephen is when the guy he

1505

00:58:51,710 --> 00:58:49,020

gives this he is oh so obviously just a

1506

00:58:53,569 --> 00:58:51,720

provocateur a plant a Fed but the guy

1507

00:58:56,390 --> 00:58:53,579

you know he hasn't speaking of thing and

1508

00:58:59,030 --> 00:58:56,400

then the guy he goes fed fed fed like

1509

00:59:00,170 --> 00:58:59,040

that he exposes him instantly for what

1510

00:59:02,390 --> 00:59:00,180

he is did you see that in the video

1511

00:59:05,150 --> 00:59:02,400

where the guy the guy in the crowd like

1512

00:59:07,730 --> 00:59:05,160

you're [h\_\_\h] fake buddy you're not

1513

00:59:09,890 --> 00:59:07,740

real you've none of none of us really

1514

00:59:12,530 --> 00:59:09,900

talk about that and the other thing that

1515

00:59:13,870 --> 00:59:12,540

supports my point is why is everybody

1516

00:59:20,569 --> 00:59:13,880

there

1517

00:59:24,650 --> 00:59:20,579

real comfortable with a voter turnout of

1518

00:59:27,770 --> 00:59:24,660

a 106 percent in Wisconsin and they're

1519

00:59:30,530 --> 00:59:27,780

not real comfortable with uh you know

1520

00:59:33,109 --> 00:59:30,540

being 400 000 votes ahead in Michigan

1521

00:59:34,990 --> 00:59:33,119

and before you can even count all those

1522

00:59:37,970 --> 00:59:35,000

votes

1523

00:59:38,930 --> 00:59:37,980

through a machine the thing swings the

1524

00:59:42,170 --> 00:59:38,940

other way

1525

00:59:44,809 --> 00:59:42,180

people were mad because by any

1526

00:59:47,750 --> 00:59:44,819

International standard this election

1527

00:59:49,549 --> 00:59:47,760

looked fake I don't care I didn't vote

1528

00:59:51,710 --> 00:59:49,559

for Trump I didn't vote for Biden I

1529

00:59:54,470 --> 00:59:51,720

think the whole thing is a joke I think

1530

00:59:56,990 --> 00:59:54,480

Trump is a brand I don't think he's a

1531

00:59:58,789 --> 00:59:57,000

political figure politics do matter but

1532

01:00:00,410 --> 00:59:58,799

I'm not coming at it from that I'm just

1533

01:00:02,569 --> 01:00:00,420

coming at it from a kind of science

1534

01:00:05,809 --> 01:00:02,579

perspective where I sit and go the

1535

01:00:08,329 --> 01:00:05,819

numbers if if this was a an election in

1536

01:00:10,910 --> 01:00:08,339

Iran we'd just be going fake it's fake

1537

01:00:13,010 --> 01:00:10,920

you don't have a 95 turnout you don't

1538

01:00:15,170 --> 01:00:13,020

have a big swing like that but the point

1539

01:00:17,690 --> 01:00:15,180

I'm making is that that's what they were

1540

01:00:20,390 --> 01:00:17,700

protesting that's what they were

1541

01:00:24,109 --> 01:00:20,400

protesting so the whole narrative turns

1542

01:00:27,650 --> 01:00:24,119

into and then they stormed the capital

1543

01:00:30,230 --> 01:00:27,660

these crazy conspiracy theorists this is

1544

01:00:32,809 --> 01:00:30,240

a repeat of pizza gate to me

1545

01:00:35,690 --> 01:00:32,819

what thank you I mean first off it's

1546

01:00:37,849 --> 01:00:35,700

just the thing about the election with

1547

01:00:39,829 --> 01:00:37,859

the 2021 that was so striking to me is

1548

01:00:42,170 --> 01:00:39,839

just how open it was that there was

1549

01:00:44,150 --> 01:00:42,180

fraud in it I mean I think that there

1550

01:00:45,650 --> 01:00:44,160

was probably fraud in every U.S election

1551

01:00:47,750 --> 01:00:45,660

I mean you know at least for the last

1552

01:00:49,490 --> 01:00:47,760

200 200 years or whatever if not like

1553

01:00:51,829 --> 01:00:49,500

all the way back to the origins but I

1554

01:00:53,329 --> 01:00:51,839

mean yeah the fact that I mean they

1555

01:00:55,250 --> 01:00:53,339

really didn't even make much of an

1556

01:00:57,410 --> 01:00:55,260

effort to try to cover up the fraud this

1557

01:00:59,030 --> 01:00:57,420

time around was just so staggering about

1558

01:01:00,710 --> 01:00:59,040

it I mean what do you make of that what

1559

01:01:02,390 --> 01:01:00,720

do you make of that I mean I think you

1560

01:01:04,430 --> 01:01:02,400

almost would have had something like

1561

01:01:06,230 --> 01:01:04,440

this either way regardless of who

1562

01:01:08,270 --> 01:01:06,240

prevailed because I mean I think that

1563

01:01:10,490 --> 01:01:08,280

you know if Biden won I mean as it ended

1564

01:01:11,870 --> 01:01:10,500

up being the case the Trump sides would

1565

01:01:13,730 --> 01:01:11,880

not see him as a legitimate president

1566

01:01:15,170 --> 01:01:13,740

and then conversely if Trump had pulled

1567

01:01:17,870 --> 01:01:15,180

it out the Biden people would not have

1568

01:01:19,250 --> 01:01:17,880

seen his legitimate president so I think

1569

01:01:20,990 --> 01:01:19,260

that yeah I mean kind of from the

1570

01:01:22,730 --> 01:01:21,000

beginning there was always this sort of

1571

01:01:24,230 --> 01:01:22,740

effort you know and arguably I mean it

1572

01:01:26,150 --> 01:01:24,240

could go back to when Trump assumed

1573

01:01:27,829 --> 01:01:26,160

office in 2016 with the whole Russia

1574

01:01:29,990 --> 01:01:27,839

gate narrative I mean it kind of seems

1575

01:01:31,670 --> 01:01:30,000

like hell I mean we could maybe even go

1576

01:01:33,650 --> 01:01:31,680

back to of the birth certificate but I

1577

01:01:35,569 --> 01:01:33,660

mean certainly I think with uh you know

1578

01:01:38,030 --> 01:01:35,579

Trump's presidency there was this whole

1579

01:01:40,730 --> 01:01:38,040

push to try to make it seem like the

1580

01:01:42,289 --> 01:01:40,740

president himself is not legitimate uh

1581

01:01:43,910 --> 01:01:42,299

therefore I mean everything kind of uh

1582

01:01:45,650 --> 01:01:43,920

coming from the government is not

1583

01:01:47,270 --> 01:01:45,660

legitimate so you know it's an

1584

01:01:48,890 --> 01:01:47,280

interesting kind of State of Affairs and

1585

01:01:51,589 --> 01:01:48,900

this has only been kind of ratcheted up

1586

01:01:53,809 --> 01:01:51,599

with this just bizarre Street Theater

1587

01:01:55,789 --> 01:01:53,819

surrounding the uh 2020 election and

1588

01:01:59,270 --> 01:01:55,799

it's aftermath what do you what do you

1589

01:02:01,910 --> 01:01:59,280

make of their burying the story because

1590

01:02:03,470 --> 01:02:01,920

no one talks about what what you again

1591

01:02:05,690 --> 01:02:03,480

what you said you and I can talk about

1592

01:02:08,270 --> 01:02:05,700

and we're both nodding our head

1593

01:02:11,089 --> 01:02:08,280

most people don't get that they they do

1594

01:02:12,049 --> 01:02:11,099

not associate and then they storm the

1595

01:02:14,690 --> 01:02:12,059

capital

1596

01:02:17,809 --> 01:02:14,700

with election fraud there is no longer

1597

01:02:19,970 --> 01:02:17,819

that connection it's just not there

1598

01:02:21,529 --> 01:02:19,980

well I mean I think to some extent

1599

01:02:22,849 --> 01:02:21,539

though I mean the public has maybe

1600

01:02:24,710 --> 01:02:22,859

because I mean again you know we

1601  
01:02:27,109 --> 01:02:24,720  
obviously had the questionable elections

1602  
01:02:31,309 --> 01:02:27,119  
with uh w i mean obviously the 2000

1603  
01:02:33,710 --> 01:02:31,319  
election the 2004 election obviously

1604  
01:02:35,390 --> 01:02:33,720  
uh I mean I kind of think to some extent

1605  
01:02:37,069 --> 01:02:35,400  
I mean even though it's been sort of

1606  
01:02:38,870 --> 01:02:37,079  
covered up I mean there has been a

1607  
01:02:41,630 --> 01:02:38,880  
certain resignation from the public that

1608  
01:02:43,250 --> 01:02:41,640  
I mean there is this kind of fraud

1609  
01:02:45,049 --> 01:02:43,260  
um gosh what was that survey that they

1610  
01:02:46,430 --> 01:02:45,059  
did I mean about eight years ago where

1611  
01:02:47,930 --> 01:02:46,440  
it was revealed essentially that the

1612  
01:02:49,730 --> 01:02:47,940  
American public no longer had any

1613  
01:02:51,650 --> 01:02:49,740

bearing on foreign policy or really any

1614

01:02:54,529 --> 01:02:51,660

kind of policy anymore

1615

01:02:56,029 --> 01:02:54,539

that I mean yeah I mean there has been

1616

01:02:57,410 --> 01:02:56,039

that whole sort of Disconnect where I

1617

01:03:00,170 --> 01:02:57,420

mean it's just the elections really are

1618

01:03:01,730 --> 01:03:00,180

just kind of a side show so I mean I

1619

01:03:03,890 --> 01:03:01,740

think to some extent people take that

1620

01:03:05,750 --> 01:03:03,900

for granted but I mean yeah it has kind

1621

01:03:07,309 --> 01:03:05,760

of become this

1622

01:03:08,990 --> 01:03:07,319

I kind of see what you're saying I mean

1623

01:03:10,130 --> 01:03:09,000

it's almost like there was no reason you

1624

01:03:12,470 --> 01:03:10,140

know in the sort of narrative that's

1625

01:03:13,970 --> 01:03:12,480

being put out now uh by the mainstream

1626  
01:03:15,470 --> 01:03:13,980  
media for them to try to storm the

1627  
01:03:17,569 --> 01:03:15,480  
capital without sort of understanding

1628  
01:03:19,309 --> 01:03:17,579  
that I mean people you know a lot of the

1629  
01:03:21,470 --> 01:03:19,319  
people that went there for the rallies I

1630  
01:03:23,150 --> 01:03:21,480  
mean were there for legitimate reasons

1631  
01:03:24,710 --> 01:03:23,160  
in the sense that they had real concerns

1632  
01:03:28,130 --> 01:03:24,720  
about the election fraud or other

1633  
01:03:29,809 --> 01:03:28,140  
factors involved in it and you know and

1634  
01:03:32,930 --> 01:03:29,819  
just in general I mean that's the big

1635  
01:03:34,670 --> 01:03:32,940  
thing I think about the January 6th you

1636  
01:03:36,890 --> 01:03:34,680  
know Incident That's

1637  
01:03:38,569 --> 01:03:36,900  
so unsettling in a lot of levels is just

1638  
01:03:41,150 --> 01:03:38,579

the whole process of dehumanization

1639

01:03:44,150 --> 01:03:41,160

that's been you know embarked upon for

1640

01:03:45,829 --> 01:03:44,160

the people who participated in it I mean

1641

01:03:48,890 --> 01:03:45,839

obviously there were some people there

1642

01:03:50,930 --> 01:03:48,900

who were real scumbags uh Sean Moon uh

1643

01:03:52,670 --> 01:03:50,940

one of the uh heads of the offshoot of

1644

01:03:55,250 --> 01:03:52,680

the unification Church kind of comes to

1645

01:03:57,109 --> 01:03:55,260

mind Alex Jones Michael Flynn I mean a

1646

01:03:58,609 --> 01:03:57,119

lot of these same cast of characters and

1647

01:04:00,589 --> 01:03:58,619

those are the same people that will

1648

01:04:03,109 --> 01:04:00,599

probably never do a day in jail over any

1649

01:04:05,870 --> 01:04:03,119

of this or face any kind of serious

1650

01:04:07,190 --> 01:04:05,880

consequences and to some extent I mean I

1651

01:04:10,069 --> 01:04:07,200

think even the media has tried to

1652

01:04:11,329 --> 01:04:10,079

rationalize their behavior but you're

1653

01:04:13,069 --> 01:04:11,339

going to see a lot of average everyday

1654

01:04:15,529 --> 01:04:13,079

people I mean some of them have already

1655

01:04:17,089 --> 01:04:15,539

been horrendously tortured and you know

1656

01:04:18,650 --> 01:04:17,099

it's probably going to continue and more

1657

01:04:21,289 --> 01:04:18,660

to the point I mean it's also kind of

1658

01:04:23,510 --> 01:04:21,299

creating this you know mindset that uh

1659

01:04:25,549 --> 01:04:23,520

anybody I mean who legitimately

1660

01:04:27,349 --> 01:04:25,559

questions the outcome of the election is

1661

01:04:29,089 --> 01:04:27,359

this sort of nut job even those you're

1662

01:04:30,890 --> 01:04:29,099

kind of saying I mean there is ample

1663

01:04:32,630 --> 01:04:30,900

evidence that this election was tampered

1664

01:04:34,250 --> 01:04:32,640

with as many of them leading up to it

1665

01:04:36,829 --> 01:04:34,260

were tampered with

1666

01:04:39,950 --> 01:04:36,839

so I mean yeah it is kind of interesting

1667

01:04:42,589 --> 01:04:39,960

to see how you know we just sort of kind

1668

01:04:44,630 --> 01:04:42,599

of Embark upon this continuous push to

1669

01:04:46,970 --> 01:04:44,640

try to like depict legitimate grievances

1670

01:04:48,950 --> 01:04:46,980

as being like uh you know just coming

1671

01:04:52,069 --> 01:04:48,960

from this place of insanity if you will

1672

01:04:55,309 --> 01:04:52,079

you know look with that let's return to

1673

01:04:57,170 --> 01:04:55,319

Q Anon a little bit and the research

1674

01:04:58,609 --> 01:04:57,180

that you've done because I want you to

1675

01:05:00,770 --> 01:04:58,619

tell people

1676

01:05:03,289 --> 01:05:00,780

I've learned so much from your show I've

1677

01:05:05,329 --> 01:05:03,299

learned so much from your research and

1678

01:05:07,670 --> 01:05:05,339

you kind of turned me onto a bunch of

1679

01:05:09,770 --> 01:05:07,680

stuff about Q Anon that I found very

1680

01:05:12,529 --> 01:05:09,780

interesting in terms of

1681

01:05:14,150 --> 01:05:12,539

it's impossible to trace it back well in

1682

01:05:16,250 --> 01:05:14,160

terms of like what the people involved

1683

01:05:17,809 --> 01:05:16,260

their beliefs so you kind of do get back

1684

01:05:20,390 --> 01:05:17,819

to a lot of this stuff with like Michael

1685

01:05:21,770 --> 01:05:20,400

Kino with I mean General Paul valve and

1686

01:05:24,049 --> 01:05:21,780

I mean it kind of goes into this whole

1687

01:05:26,930 --> 01:05:24,059

concept of Mind Wars and that type of

1688

01:05:28,130 --> 01:05:26,940

stuff but I mean specifically I mean one

1689

01:05:30,950 --> 01:05:28,140

of the things that I've really been

1690

01:05:32,750 --> 01:05:30,960

looking at a lot uh you know was the

1691

01:05:34,670 --> 01:05:32,760

ties that a lot of this seems to have to

1692

01:05:37,670 --> 01:05:34,680

The Association of Former Intelligence

1693

01:05:39,349 --> 01:05:37,680

Officers uh which is again a thing where

1694

01:05:40,910 --> 01:05:39,359

you see a lot of the people in the queue

1695

01:05:42,230 --> 01:05:40,920

thing that they had membership in or

1696

01:05:44,150 --> 01:05:42,240

they had addressed I mean obviously

1697

01:05:45,950 --> 01:05:44,160

there's Robert David Steele the recently

1698

01:05:47,750 --> 01:05:45,960

deceased Robert David Steele you have

1699

01:05:50,029 --> 01:05:47,760

people like Eric Prince Michael Flynn

1700

01:05:51,950 --> 01:05:50,039

who are addressing this but I mean it

1701

01:05:54,230 --> 01:05:51,960

also ties into a lot of the people with

1702

01:05:56,809 --> 01:05:54,240

the Aviary I believe Hal put off as a

1703

01:05:59,089 --> 01:05:56,819

member of a John Alexander is a member

1704

01:06:00,710 --> 01:05:59,099

Michael Aquino not an Aviary bird but uh

1705

01:06:02,750 --> 01:06:00,720

certainly a guy who traveled in the same

1706

01:06:04,670 --> 01:06:02,760

circles was in the afio

1707

01:06:06,650 --> 01:06:04,680

and uh you know you got some other

1708

01:06:08,270 --> 01:06:06,660

interesting people in there too uh I

1709

01:06:09,710 --> 01:06:08,280

believe actually Mary pharaoh of all

1710

01:06:11,809 --> 01:06:09,720

people was a member of The Association

1711

01:06:14,650 --> 01:06:11,819

of Former Intelligence Officers and uh

1712

01:06:16,609 --> 01:06:14,660

Peter lavinda and there's another thing

1713

01:06:18,470 --> 01:06:16,619

there's another interesting thing about

1714

01:06:20,029 --> 01:06:18,480

the association too and that's the fact

1715

01:06:22,190 --> 01:06:20,039

that a lot of people involved in it were

1716

01:06:23,930 --> 01:06:22,200

never spies they're basically just con

1717

01:06:25,789 --> 01:06:23,940

men and grifters

1718

01:06:28,609 --> 01:06:25,799

uh one of them was a guy called James

1719

01:06:30,109 --> 01:06:28,619

Ingleton Jr who claimed that he was I

1720

01:06:32,210 --> 01:06:30,119

believe the grandson of the famous

1721

01:06:33,410 --> 01:06:32,220

spymaster that uh the Matt Damon

1722

01:06:36,470 --> 01:06:33,420

character and the Good Shepherd was

1723

01:06:39,470 --> 01:06:36,480

based upon and who had a lot of inside

1724

01:06:40,970 --> 01:06:39,480

information from his grandfather on the

1725

01:06:43,309 --> 01:06:40,980

Real History of the government's

1726

01:06:45,289 --> 01:06:43,319

involvement with extraterrestrials

1727

01:06:47,569 --> 01:06:45,299

uh needless to say it turned out that

1728

01:06:49,370 --> 01:06:47,579

this was pretty much all a fabrication I

1729

01:06:51,109 --> 01:06:49,380

believe angleton's uh James Jesus

1730

01:06:53,450 --> 01:06:51,119

engelsen's family even came out and said

1731

01:06:55,190 --> 01:06:53,460

that this James Jr guy had no family

1732

01:06:56,450 --> 01:06:55,200

connection whatsoever and he's never

1733

01:06:58,730 --> 01:06:56,460

been able to prove any kind of

1734

01:07:00,770 --> 01:06:58,740

connection as well and yet he actually

1735

01:07:02,930 --> 01:07:00,780

got supported by people from the Aviary

1736

01:07:04,730 --> 01:07:02,940

uh how put off went down and met with

1737

01:07:06,170 --> 01:07:04,740

the whole Miami chapter that he was

1738

01:07:08,450 --> 01:07:06,180

involved with

1739

01:07:10,370 --> 01:07:08,460

so and that doesn't even seem like it

1740

01:07:12,950 --> 01:07:10,380

was an isolated incident there was

1741

01:07:14,809 --> 01:07:12,960

another Florida Chapter that's a co- guy

1742

01:07:16,670 --> 01:07:14,819

who ran it was a guy named Henry Fisher

1743

01:07:18,470 --> 01:07:16,680

who eventually took over the American

1744

01:07:21,170 --> 01:07:18,480

Security Council and seems to have been

1745

01:07:23,569 --> 01:07:21,180

masquerading as an older KGB spy also

1746

01:07:26,450 --> 01:07:23,579

named Henry Fisher from the 70s

1747

01:07:28,190 --> 01:07:26,460

so it's kind of this murky background

1748

01:07:30,890 --> 01:07:28,200

where you have a lot of these people

1749

01:07:33,289 --> 01:07:30,900

like Michael Aquino who you know she

1750

01:07:34,970 --> 01:07:33,299

kind of alluded to has been linked to a

1751

01:07:36,890 --> 01:07:34,980

lot of strange things like procedo

1752

01:07:39,470 --> 01:07:36,900

potentially mind control stuff you got

1753

01:07:41,510 --> 01:07:39,480

people like John Alexander who did a lot

1754

01:07:43,789 --> 01:07:41,520

of uh work for years and non-lethal

1755

01:07:45,049 --> 01:07:43,799

weapons and whatnot and they're kind of

1756

01:07:46,970 --> 01:07:45,059

intersecting with a lot of these

1757

01:07:48,730 --> 01:07:46,980

grifters and these con men and this sort

1758

01:07:51,470 --> 01:07:48,740

of enigmatic group

1759

01:07:53,089 --> 01:07:51,480

larpers and that type of thing and

1760

01:07:54,770 --> 01:07:53,099

that's sort of where the lines a lot of

1761

01:07:56,809 --> 01:07:54,780

this stuff get really blurred I mean how

1762

01:07:58,309 --> 01:07:56,819

much of this is it a joke I mean how

1763

01:08:00,770 --> 01:07:58,319

much of this is some kind of elaborate

1764

01:08:03,349 --> 01:08:00,780

mind control effort and I mean is there

1765

01:08:06,230 --> 01:08:03,359

really a line anymore I mean it's it's

1766

01:08:08,930 --> 01:08:06,240

almost kind of the scary thing really

1767

01:08:10,910 --> 01:08:08,940

you know and so just let me throw out a

1768

01:08:13,010 --> 01:08:10,920

couple I got a ton of stuff that I'd

1769

01:08:15,289 --> 01:08:13,020

like to throw on the table there

1770

01:08:16,970 --> 01:08:15,299

Michael Aquino I think is is super

1771

01:08:19,010 --> 01:08:16,980

interesting because when I did the

1772

01:08:20,689 --> 01:08:19,020

interview with Mitch Horowitz who was a

1773

01:08:22,849 --> 01:08:20,699

regular on the History Channel

1774

01:08:26,269 --> 01:08:22,859

is the go-to guy on alternative

1775

01:08:28,849 --> 01:08:26,279

spirituality but is a Satanist and if

1776

01:08:30,950 --> 01:08:28,859

his inspiration is Michael Aquino then

1777

01:08:34,070 --> 01:08:30,960

it's worth looking at who Michael Aquino

1778

01:08:37,010 --> 01:08:34,080

is Michael the queen was discharged by

1779

01:08:39,590 --> 01:08:37,020

the Army because they found credible the

1780

01:08:41,450 --> 01:08:39,600

charges against him of child abuse and

1781

01:08:44,269 --> 01:08:41,460

when they investigate him at Presidio

1782

01:08:47,390 --> 01:08:44,279

they had like 60 kids come forward these

1783

01:08:49,970 --> 01:08:47,400

are kids between ages of two and six and

1784

01:08:52,490 --> 01:08:49,980

they were able to say yeah inside his

1785

01:08:54,709 --> 01:08:52,500

house that the walls are all black and

1786

01:08:57,410 --> 01:08:54,719

red and there's an altar of Bones and

1787

01:09:00,289 --> 01:08:57,420

specific stuff the police get a search

1788

01:09:04,249 --> 01:09:00,299

warrant they go into aquino's house

1789

01:09:07,910 --> 01:09:04,259

the walls are all black and all red and

1790

01:09:10,309 --> 01:09:07,920

he is involved in satanic stuff he has a

1791

01:09:12,289 --> 01:09:10,319

really weird family again what are we to

1792

01:09:14,930 --> 01:09:12,299

make of that again I'm not Christian so

1793

01:09:17,269 --> 01:09:14,940

I'm not even sure what Satanism is I

1794

01:09:19,849 --> 01:09:17,279

just know there's some energy that you

1795

01:09:22,130 --> 01:09:19,859

can tap into out there that I don't know

1796

01:09:23,749 --> 01:09:22,140

this but it seems to me that it's highly

1797

01:09:26,990 --> 01:09:23,759

suggestive that there's some energy you

1798

01:09:29,809 --> 01:09:27,000

can tap into that takes people in some

1799

01:09:32,450 --> 01:09:29,819

pretty evil places and it looks like

1800

01:09:34,309 --> 01:09:32,460

Aquino was definitely involved in that

1801  
01:09:37,430 --> 01:09:34,319  
there's a report in the San Jose Mercury

1802  
01:09:40,130 --> 01:09:37,440  
News about a kid who sees Aquino in the

1803  
01:09:41,809 --> 01:09:40,140  
mall and runs over to her dad she's six

1804  
01:09:43,970 --> 01:09:41,819  
years old and she's peeing her pants

1805  
01:09:46,249 --> 01:09:43,980  
because she goes there's that man so

1806  
01:09:47,870 --> 01:09:46,259  
this idea and Mitch Horowitz my

1807  
01:09:49,550 --> 01:09:47,880  
interview with him tried to defend a

1808  
01:09:51,410 --> 01:09:49,560  
queeno tried to say hey there's never

1809  
01:09:53,450 --> 01:09:51,420  
been any charges

1810  
01:09:55,910 --> 01:09:53,460  
again it sounds a lot to me like James

1811  
01:09:58,010 --> 01:09:55,920  
Alphonsus and Whey like hey Aquino was

1812  
01:09:59,090 --> 01:09:58,020  
never convicted in court right it was

1813  
01:10:01,669 --> 01:09:59,100

never

1814

01:10:04,790 --> 01:10:01,679

[h\_\_\h] man the evidence and then Aquino

1815

01:10:09,350 --> 01:10:04,800

everywhere he goes there's charges of

1816

01:10:11,270 --> 01:10:09,360

him sexually in a satanic way sexually

1817

01:10:13,669 --> 01:10:11,280

abusing these kids and even in places

1818

01:10:15,350 --> 01:10:13,679

where we didn't know about it but he

1819

01:10:17,870 --> 01:10:15,360

gets published his picture gets

1820

01:10:19,910 --> 01:10:17,880

published in the paper and suddenly in

1821

01:10:23,149 --> 01:10:19,920

Oregon some kids come forward and they

1822

01:10:24,770 --> 01:10:23,159

look into it oh yeah he was there too so

1823

01:10:27,410 --> 01:10:24,780

there's so many interesting parts of

1824

01:10:30,830 --> 01:10:27,420

that so one Michael Aquino Colonel

1825

01:10:33,530 --> 01:10:30,840

Michael Aquino to me seems really really

1826

01:10:35,209 --> 01:10:33,540

dirty he's got a lot of explaining to do

1827

01:10:37,970 --> 01:10:35,219

that he's never done

1828

01:10:40,970 --> 01:10:37,980

the thing that's really hard to I think

1829

01:10:44,270 --> 01:10:40,980

for all of us to process is

1830

01:10:46,310 --> 01:10:44,280

he was Colonel Michael Aquino he was in

1831

01:10:48,290 --> 01:10:46,320

the military he was rubbing shoulders

1832

01:10:50,510 --> 01:10:48,300

with a bunch of other people who no

1833

01:10:52,669 --> 01:10:50,520

doubt knew what was going on and no

1834

01:10:55,729 --> 01:10:52,679

doubt we're participating in in some

1835

01:10:58,729 --> 01:10:55,739

level how put off is a super interesting

1836

01:11:01,010 --> 01:10:58,739

guy in this because he keeps popping up

1837

01:11:04,070 --> 01:11:01,020

again and again tell us what you know

1838

01:11:06,169 --> 01:11:04,080

about Hal put off and then we'll kind of

1839

01:11:07,669 --> 01:11:06,179

swap some stories unless you had

1840

01:11:10,130 --> 01:11:07,679

anything else on Aquino because again

1841

01:11:13,490 --> 01:11:10,140

folks go check out the farm

1842

01:11:16,669 --> 01:11:13,500

deep dive but does anything I said about

1843

01:11:18,350 --> 01:11:16,679

Aquino not fit with what you've found no

1844

01:11:20,330 --> 01:11:18,360

that definitely jibes with a lot of what

1845

01:11:21,830 --> 01:11:20,340

I've found about Aquino I mean it's uh

1846

01:11:23,450 --> 01:11:21,840

certainly an interesting figure and it

1847

01:11:25,310 --> 01:11:23,460

does kind of beg the question why so

1848

01:11:27,550 --> 01:11:25,320

many people from the Aviary uh became so

1849

01:11:30,110 --> 01:11:27,560

enamored with Aquino in the latter years

1850

01:11:31,430 --> 01:11:30,120

but uh with how it put off I mean

1851

01:11:34,130 --> 01:11:31,440

there's obviously a lot of stuff about

1852

01:11:35,390 --> 01:11:34,140

how that's really interesting but uh I

1853

01:11:37,130 --> 01:11:35,400

think one of the things that really

1854

01:11:39,050 --> 01:11:37,140

doesn't get talked about a lot was the

1855

01:11:41,209 --> 01:11:39,060

fact that both he and Russell targ had a

1856

01:11:42,830 --> 01:11:41,219

background and uh as laser physicist

1857

01:11:45,229 --> 01:11:42,840

before they got into the whole thing

1858

01:11:46,729 --> 01:11:45,239

with SRI which you know it might seem

1859

01:11:48,830 --> 01:11:46,739

really strange to people that you could

1860

01:11:50,330 --> 01:11:48,840

go from working on lasers to uh getting

1861

01:11:53,450 --> 01:11:50,340

into remote viewing but it actually

1862

01:11:55,970 --> 01:11:53,460

makes a lot more sense because uh lasers

1863

01:11:57,770 --> 01:11:55,980

are a big component of how in theory uh

1864

01:11:59,630 --> 01:11:57,780

non-lethal weapons I mean specifically

1865

01:12:02,570 --> 01:11:59,640

involving microwaves would be used to

1866

01:12:03,950 --> 01:12:02,580

Target individuals and uh that's kind of

1867

01:12:05,689 --> 01:12:03,960

a thing that's really interesting when

1868

01:12:07,070 --> 01:12:05,699

you look at a lot of the stuff with SRI

1869

01:12:09,410 --> 01:12:07,080

I mean it's how so many of the people

1870

01:12:10,669 --> 01:12:09,420

tied to it also ended up sort of in you

1871

01:12:12,229 --> 01:12:10,679

know this non-lethal way weapons

1872

01:12:15,350 --> 01:12:12,239

research or you know kind of came into

1873

01:12:16,430 --> 01:12:15,360

the same circles with that and um you

1874

01:12:18,350 --> 01:12:16,440

know I mean I kind of think a lot of

1875

01:12:20,330 --> 01:12:18,360

that probably goes back to the Notions

1876

01:12:22,550 --> 01:12:20,340

that the Russians possibly even the

1877

01:12:25,189 --> 01:12:22,560

Nazis were sort of working with uh ESP

1878

01:12:27,110 --> 01:12:25,199

that you know it was uh a kind of

1879

01:12:28,790 --> 01:12:27,120

electromagnetic radiation or something

1880

01:12:30,770 --> 01:12:28,800

to that effect and in turn you could

1881

01:12:32,630 --> 01:12:30,780

also develop weapons that could uh

1882

01:12:34,669 --> 01:12:32,640

inhibit these mental facilities and so

1883

01:12:36,950 --> 01:12:34,679

faculties and so forth

1884

01:12:39,649 --> 01:12:36,960

so it kind of begs the question you know

1885

01:12:40,970 --> 01:12:39,659

I mean how much of the uh SRI stuff I

1886

01:12:43,910 --> 01:12:40,980

mean from the beginning had really grown

1887

01:12:45,290 --> 01:12:43,920

out of this uh weapons research and then

1888

01:12:47,209 --> 01:12:45,300

you know there's another interesting

1889

01:12:49,010 --> 01:12:47,219

component about this as well that kind

1890

01:12:51,169 --> 01:12:49,020

of goes into what you were uh

1891

01:12:52,790 --> 01:12:51,179

getting at with Aquino I think maybe and

1892

01:12:54,470 --> 01:12:52,800

that's over there as well and that's

1893

01:12:55,610 --> 01:12:54,480

sort of the role that Colts have in all

1894

01:12:57,229 --> 01:12:55,620

of this

1895

01:12:59,270 --> 01:12:57,239

um again you know another thing that's

1896

01:13:01,130 --> 01:12:59,280

not really known about the SRI thing is

1897

01:13:03,590 --> 01:13:01,140

I mean so much of this really came out

1898

01:13:04,850 --> 01:13:03,600

of the Church of Scientology put off

1899

01:13:06,709 --> 01:13:04,860

have been working with the Church of

1900

01:13:08,030 --> 01:13:06,719

Scientology a lot of the early funding

1901

01:13:10,250 --> 01:13:08,040

from it came from the Church of

1902

01:13:12,590 --> 01:13:10,260

Scientology you have a lot of other guys

1903

01:13:14,450 --> 01:13:12,600

Cleve Baxter for instance is another

1904

01:13:17,450 --> 01:13:14,460

interesting guy he had known Hubbard

1905

01:13:19,130 --> 01:13:17,460

since I believe 1950 uh he seems to have

1906

01:13:21,530 --> 01:13:19,140

been a participant in Project Bluebird

1907

01:13:22,850 --> 01:13:21,540

around that same time and then later he

1908

01:13:23,990 --> 01:13:22,860

would hook up with put off and I mean

1909

01:13:25,610 --> 01:13:24,000

help kind of provide some of the

1910

01:13:26,810 --> 01:13:25,620

inspiration for some of this work that

1911

01:13:29,689 --> 01:13:26,820

they were doing

1912

01:13:31,790 --> 01:13:29,699

so you know there is this sort of odd

1913

01:13:33,950 --> 01:13:31,800

component to this where it is this sort

1914

01:13:35,990 --> 01:13:33,960

of odd cult milieu that this you know

1915

01:13:38,990 --> 01:13:36,000

essentially military program later came

1916

01:13:40,729 --> 01:13:39,000

out of and you know that's I don't think

1917

01:13:42,410 --> 01:13:40,739

really an isolated incident I mean you

1918

01:13:44,209 --> 01:13:42,420

also have a guy like Michael Aquino who

1919

01:13:46,310 --> 01:13:44,219

had set up his own Colts uh why he was

1920

01:13:49,250 --> 01:13:46,320

in the military but the temple upset and

1921

01:13:51,530 --> 01:13:49,260

uh I think that's a component that you

1922

01:13:53,630 --> 01:13:51,540

know we really need to look at more are

1923

01:13:55,729 --> 01:13:53,640

these uh sort of ties to these Fringe

1924

01:13:57,410 --> 01:13:55,739

Cults and uh you know some of this other

1925

01:13:59,149 --> 01:13:57,420

sort of weird stuff that's been going on

1926

01:14:02,330 --> 01:13:59,159

because it is a very relevant connection

1927

01:14:05,209 --> 01:14:02,340

and one that is just not understood

1928

01:14:06,890 --> 01:14:05,219

yeah there's so much to talk about

1929

01:14:08,570 --> 01:14:06,900

just to give people a little bit of a

1930

01:14:10,729 --> 01:14:08,580

background so we're now talking about

1931

01:14:13,550 --> 01:14:10,739

Stargate we're talking about the remote

1932

01:14:16,610 --> 01:14:13,560

viewing program which is one of the few

1933

01:14:18,950 --> 01:14:16,620

programs that has kind of been

1934

01:14:20,990 --> 01:14:18,960

uh you can't say out it because it looks

1935

01:14:22,790 --> 01:14:21,000

like a very controlled release of that

1936

01:14:25,070 --> 01:14:22,800

information that recently came out and

1937

01:14:26,570 --> 01:14:25,080

Russell targ did a movie and the movie

1938

01:14:28,250 --> 01:14:26,580

role they were even talking about it

1939

01:14:30,410 --> 01:14:28,260

openly in the 70s I mean they didn't

1940

01:14:31,490 --> 01:14:30,420

acknowledge the CIA involvement but I

1941

01:14:33,709 --> 01:14:31,500

mean yeah it was definitely being

1942

01:14:37,070 --> 01:14:33,719

acknowledged what they were doing though

1943

01:14:39,950 --> 01:14:37,080

Ted Koppel Nightline whole thing on it

1944

01:14:44,570 --> 01:14:39,960

back in the 90s like you're saying and

1945

01:14:47,810 --> 01:14:44,580

uh yeah and they it I I gotta believe I

1946

01:14:50,090 --> 01:14:47,820

mean my reading of it is that it was

1947

01:14:51,770 --> 01:14:50,100

leaked at some point that that really

1948

01:14:53,570 --> 01:14:51,780

wasn't intended to come out at that

1949

01:14:55,130 --> 01:14:53,580

point and then once it comes out then

1950

01:14:57,649 --> 01:14:55,140

you got to deal with it you know what

1951

01:15:00,709 --> 01:14:57,659

you're going to do with it but

1952

01:15:03,770 --> 01:15:00,719

so just so people know Stargate is

1953

01:15:06,050 --> 01:15:03,780

remote viewing psychics buying how can

1954

01:15:08,750 --> 01:15:06,060

we look at those Russian subs from

1955

01:15:11,530 --> 01:15:08,760

sitting in a room in Palo Alto well you

1956

01:15:13,729 --> 01:15:11,540

can do it you can go into this

1957

01:15:15,350 --> 01:15:13,739

systematic kind of Trance if you will

1958

01:15:17,270 --> 01:15:15,360

and then you can get there now I've

1959

01:15:20,030 --> 01:15:17,280

interviewed a ton of people

1960

01:15:22,790 --> 01:15:20,040

and that thing including the guy who

1961

01:15:24,410 --> 01:15:22,800

just wrote the biography on Ingo Swann

1962

01:15:27,310 --> 01:15:24,420

who was

1963

01:15:29,209 --> 01:15:27,320

you know the person who taught who

1964

01:15:32,390 --> 01:15:29,219

operationalized the remote viewing

1965

01:15:33,649 --> 01:15:32,400

program he was a very gifted psychic

1966

01:15:34,790 --> 01:15:33,659

and they told them what they were trying

1967

01:15:36,830 --> 01:15:34,800

to do and how they're playing around

1968

01:15:38,209 --> 01:15:36,840

with it and he said hey I think I can

1969

01:15:41,810 --> 01:15:38,219

show you how to do that I also

1970

01:15:44,990 --> 01:15:41,820

interviewed uh psychic spy number one

1971

01:15:48,350 --> 01:15:45,000

Joe mcmonagle who has an interesting

1972

01:15:50,930 --> 01:15:48,360

background because Joe mcmonagle has a

1973

01:15:53,510 --> 01:15:50,940

near-death experience he is a spy like a

1974

01:15:56,149 --> 01:15:53,520

legit spy do you know his story

1975

01:15:58,010 --> 01:15:56,159

yeah a little bit about it so he's yeah

1976

01:15:59,209 --> 01:15:58,020

it was like what the it was 73 or

1977

01:16:00,530 --> 01:15:59,219

something that he had the near-death

1978

01:16:01,850 --> 01:16:00,540

experience and that's kind of like what

1979

01:16:03,169 --> 01:16:01,860

it got him interested in the sort of

1980

01:16:08,450 --> 01:16:03,179

woo-woo stuff

1981

01:16:09,050 --> 01:16:08,460

is

1982

01:16:12,350 --> 01:16:09,060

um

1983

01:16:14,750 --> 01:16:12,360

he's a spy he's on the East Berlin West

1984

01:16:17,450 --> 01:16:14,760

Berlin border and he's in a restaurant

1985

01:16:19,610 --> 01:16:17,460

and he he tells a story and it's just

1986

01:16:21,530 --> 01:16:19,620

like a spy story he goes like this is

1987

01:16:23,030 --> 01:16:21,540

where all the spies hung out you know

1988

01:16:26,090 --> 01:16:23,040

because this restaurant was around the

1989

01:16:28,310 --> 01:16:26,100

border and he starts feeling the effects

1990

01:16:31,550 --> 01:16:28,320

of being poisoned while he's at dinner

1991

01:16:33,470 --> 01:16:31,560

and he's like man I'm being killed and

1992

01:16:35,750 --> 01:16:33,480

he stumbles to the door

1993

01:16:37,910 --> 01:16:35,760

and some of his army buddies grab him

1994

01:16:39,590 --> 01:16:37,920

and throw him in a Jeep and are racing

1995

01:16:42,530 --> 01:16:39,600

him to the hospital

1996

01:16:44,510 --> 01:16:42,540

he leaves his body he's now outside of

1997

01:16:46,250 --> 01:16:44,520

his body he sees the Jeep the Jeep

1998

01:16:47,990 --> 01:16:46,260

drives up they find an ambulance they

1999

01:16:49,850 --> 01:16:48,000

put him in the ambulance he is still

2000

01:16:51,890 --> 01:16:49,860

observing all this stuff from the

2001  
01:16:53,270 --> 01:16:51,900  
outside this is near-death experience he

2002  
01:16:55,010 --> 01:16:53,280  
goes he has a rather incredible

2003  
01:16:56,810 --> 01:16:55,020  
near-death experience a spiritual

2004  
01:17:00,010 --> 01:16:56,820  
near-death experience connection to God

2005  
01:17:03,110 --> 01:17:00,020  
near-death experience all that stuff

2006  
01:17:05,270 --> 01:17:03,120  
the punch line to the story or the the

2007  
01:17:07,189 --> 01:17:05,280  
point that might be of interest to you

2008  
01:17:09,770 --> 01:17:07,199  
because you did say

2009  
01:17:10,550 --> 01:17:09,780  
you did what was the term you used stuff

2010  
01:17:15,169 --> 01:17:10,560  
um

2011  
01:17:17,689 --> 01:17:15,179  
anyways he shows up uh happens to show

2012  
01:17:19,370 --> 01:17:17,699  
up at SRI Stanford Research Institute

2013  
01:17:21,169 --> 01:17:19,380

because they're well the ones now doing

2014

01:17:23,330 --> 01:17:21,179

the Stargate program they're doing the

2015

01:17:26,510 --> 01:17:23,340

spying on the Russians with psychically

2016

01:17:28,490 --> 01:17:26,520

and uh Joe mcmonagle shows up and he

2017

01:17:31,189 --> 01:17:28,500

looks across I can't remember if his Hal

2018

01:17:34,130 --> 01:17:31,199

put off a rifle tarp but it unseals his

2019

01:17:35,030 --> 01:17:34,140

secret personnel file and they pull out

2020

01:17:37,850 --> 01:17:35,040

of it

2021

01:17:39,110 --> 01:17:37,860

Raymond Moody's book about near-death

2022

01:17:42,470 --> 01:17:39,120

experience

2023

01:17:45,110 --> 01:17:42,480

which means to me and to us who really

2024

01:17:47,930 --> 01:17:45,120

know what's going on is they had already

2025

01:17:50,390 --> 01:17:47,940

made the connection that the extended

2026

01:17:52,910 --> 01:17:50,400

Consciousness realm that has something

2027

01:17:54,890 --> 01:17:52,920

to do with near-death experience

2028

01:17:58,430 --> 01:17:54,900

also has something to do with this

2029

01:17:59,330 --> 01:17:58,440

ability to remote view stuff at a

2030

01:18:02,209 --> 01:17:59,340

distance

2031

01:18:04,189 --> 01:18:02,219

and also has something to do since you

2032

01:18:05,870 --> 01:18:04,199

brought it up you know the Scientology

2033

01:18:08,510 --> 01:18:05,880

thing

2034

01:18:11,270 --> 01:18:08,520

people understand it from the way it's

2035

01:18:14,390 --> 01:18:11,280

kind of Tom Cruise kind of popularized

2036

01:18:17,149 --> 01:18:14,400

but that L Ron Hubbard [h\_\_\h] I

2037

01:18:21,050 --> 01:18:17,159

mean that's some interesting stuff

2038

01:18:23,270 --> 01:18:21,060

in the desert with Jack Parsons in

2039

01:18:27,169 --> 01:18:23,280

communication with Aleister Crowley

2040

01:18:30,470 --> 01:18:27,179

doing the the the Babylon thing to bring

2041

01:18:33,709 --> 01:18:30,480

forth the Antichrist again I interviewed

2042

01:18:35,390 --> 01:18:33,719

the guy from uh Ohio State University he

2043

01:18:37,370 --> 01:18:35,400

wrote the book on Scientology goes yeah

2044

01:18:40,189 --> 01:18:37,380

that happened they were in the desert

2045

01:18:42,169 --> 01:18:40,199

they were bringing forth that their goal

2046

01:18:44,510 --> 01:18:42,179

was to bring forth the Antichrist that's

2047

01:18:46,010 --> 01:18:44,520

who they were and you got to believe

2048

01:18:48,530 --> 01:18:46,020

that with all these connections like

2049

01:18:50,990 --> 01:18:48,540

you're saying with Aquino

2050

01:18:53,870 --> 01:18:51,000

the United States Military Intelligence

2051  
01:18:58,130 --> 01:18:53,880  
were not was not reluctant to go there

2052  
01:19:00,590 --> 01:18:58,140  
go there in the sense of well let's see

2053  
01:19:02,630 --> 01:19:00,600  
let's do it and and in the in with the

2054  
01:19:03,950 --> 01:19:02,640  
justification of if we're not going to

2055  
01:19:07,430 --> 01:19:03,960  
go there

2056  
01:19:10,610 --> 01:19:07,440  
they're going to get the leg up on us so

2057  
01:19:13,189 --> 01:19:10,620  
I'll stop there anything to

2058  
01:19:14,570 --> 01:19:13,199  
to to add to that well yeah I mean you

2059  
01:19:16,250 --> 01:19:14,580  
know you definitely see a lot of those

2060  
01:19:17,630 --> 01:19:16,260  
interesting developments that were kind

2061  
01:19:19,430 --> 01:19:17,640  
of playing out I mean in that period

2062  
01:19:21,470 --> 01:19:19,440  
with the late 40s early 50s I mean now

2063  
01:19:24,130 --> 01:19:21,480

Ron Hubbard I mean famously he was a

2064

01:19:26,810 --> 01:19:24,140

Navy man possibly an O and I for a time

2065

01:19:28,250 --> 01:19:26,820

uh one of the guys that he got I mean he

2066

01:19:31,550 --> 01:19:28,260

was a science fiction writer of course

2067

01:19:33,350 --> 01:19:31,560

famously before he became a messiah one

2068

01:19:35,090 --> 01:19:33,360

of the guys that he got to know I was in

2069

01:19:37,010 --> 01:19:35,100

California was another Navy man who went

2070

01:19:38,209 --> 01:19:37,020

by the name of Robert a heinlan uh

2071

01:19:40,430 --> 01:19:38,219

Heinlein was a pretty good science

2072

01:19:43,070 --> 01:19:40,440

fiction writer in his own right too and

2073

01:19:45,649 --> 01:19:43,080

uh wrote a book called Stranger in a

2074

01:19:47,990 --> 01:19:45,659

Strange Land uh which was arguably one

2075

01:19:50,689 --> 01:19:48,000

of the major Inspirations for the 60s

2076

01:19:53,390 --> 01:19:50,699

counterculture there's another Navy guy

2077

01:19:55,250 --> 01:19:53,400

called uh Gene Roddenberry who came up

2078

01:19:57,590 --> 01:19:55,260

with a little franchise called Star Trek

2079

01:19:59,510 --> 01:19:57,600

that also uh shaped a lot of popular

2080

01:20:01,610 --> 01:19:59,520

Zeitgeist but I mean you can kind of

2081

01:20:03,410 --> 01:20:01,620

look at some darker stuff too

2082

01:20:06,110 --> 01:20:03,420

um the finders cult for instance was

2083

01:20:08,030 --> 01:20:06,120

founded by an Air Force veteran uh the

2084

01:20:11,030 --> 01:20:08,040

unification Church appears to have

2085

01:20:12,830 --> 01:20:11,040

emerged in the mid 50s after sun lion

2086

01:20:15,530 --> 01:20:12,840

Moon had spent a lot of time with the US

2087

01:20:17,270 --> 01:20:15,540

Military Intelligence you got elrond

2088

01:20:19,129 --> 01:20:17,280

Hubbard as I said setting up Scientology

2089

01:20:21,890 --> 01:20:19,139

after he had done some time with the O

2090

01:20:23,149 --> 01:20:21,900

and I uh you know more recently you

2091

01:20:24,950 --> 01:20:23,159

could look at something like the order

2092

01:20:26,870 --> 01:20:24,960

of the nine angles

2093

01:20:28,550 --> 01:20:26,880

um the guy who set it up does appeared

2094

01:20:30,410 --> 01:20:28,560

to have been involved in the British

2095

01:20:32,870 --> 01:20:30,420

component of operational gladio during

2096

01:20:36,050 --> 01:20:32,880

the late 60s and early 70s

2097

01:20:37,850 --> 01:20:36,060

so yeah I mean you could certainly look

2098

01:20:39,649 --> 01:20:37,860

at a lot of these strange Cults and

2099

01:20:42,890 --> 01:20:39,659

movements that have grown up really

2100

01:20:44,689 --> 01:20:42,900

since the 1950s late 1940s and

2101

01:20:46,850 --> 01:20:44,699

seem to note that there is a strange

2102

01:20:49,970 --> 01:20:46,860

component to the US Military and all of

2103

01:20:51,229 --> 01:20:49,980

this uh so yeah I mean it does sort of

2104

01:20:53,149 --> 01:20:51,239

play into like what you're getting at

2105

01:20:55,250 --> 01:20:53,159

here uh why is it that we need to sort

2106

01:20:56,870 --> 01:20:55,260

of set up all of these colds that have

2107

01:20:58,850 --> 01:20:56,880

ties to the military and why are they

2108

01:21:01,010 --> 01:20:58,860

involved in all this really weird stuff

2109

01:21:03,110 --> 01:21:01,020

usually uh with trying to contact

2110

01:21:06,890 --> 01:21:03,120

discarnate intelligences and that type

2111

01:21:08,930 --> 01:21:06,900

of thing it's uh very interesting

2112

01:21:10,490 --> 01:21:08,940

see but that's one way of looking at it

2113

01:21:12,709 --> 01:21:10,500

the other way of looking at it is to

2114

01:21:14,810 --> 01:21:12,719

kind of completely turn it around and

2115

01:21:17,450 --> 01:21:14,820

that's that it's the extended

2116

01:21:19,970 --> 01:21:17,460

Consciousness realm one way I kind of

2117

01:21:22,729 --> 01:21:19,980

think of it is the game the big game and

2118

01:21:24,890 --> 01:21:22,739

the only game and kind of the no game so

2119

01:21:27,410 --> 01:21:24,900

the the normies are are the no game

2120

01:21:29,810 --> 01:21:27,420

they're just not even in the game and

2121

01:21:33,410 --> 01:21:29,820

then the game is like

2122

01:21:34,370 --> 01:21:33,420

deep State parapolitical and the big

2123

01:21:37,189 --> 01:21:34,380

game

2124

01:21:38,570 --> 01:21:37,199

is like E.T man is extended

2125

01:21:40,250 --> 01:21:38,580

Consciousness and even though you're not

2126

01:21:44,149 --> 01:21:40,260

a big E.T guy we'll get into that in a

2127

01:21:45,950 --> 01:21:44,159

minute hey it's I was outside it's the

2128

01:21:48,649 --> 01:21:45,960

near-death experience I was outside of

2129

01:21:50,689 --> 01:21:48,659

my body I was seeing it we have no way

2130

01:21:53,149 --> 01:21:50,699

that is so Pat it's outside of time

2131

01:21:55,850 --> 01:21:53,159

space it's outside of all that that's

2132

01:21:57,830 --> 01:21:55,860

the big game the connection between that

2133

01:22:00,110 --> 01:21:57,840

game and the parapolitical game would

2134

01:22:03,050 --> 01:22:00,120

certainly put the big game and the

2135

01:22:05,750 --> 01:22:03,060

extended Consciousness in this game on a

2136

01:22:07,010 --> 01:22:05,760

whole different level and then I would

2137

01:22:09,169 --> 01:22:07,020

say

2138

01:22:10,669 --> 01:22:09,179

because you get into this like you just

2139

01:22:11,990 --> 01:22:10,679

did an interview we'll never get to it

2140

01:22:14,330 --> 01:22:12,000

in this show and I'd love to talk to

2141

01:22:17,270 --> 01:22:14,340

Gospel of Thomas thing and that's the

2142

01:22:18,890 --> 01:22:17,280

only game so the only game is you are a

2143

01:22:21,350 --> 01:22:18,900

spiritual being you are somehow

2144

01:22:23,629 --> 01:22:21,360

connected to some Divinity some

2145

01:22:25,310 --> 01:22:23,639

hierarchical Consciousness because

2146

01:22:27,530 --> 01:22:25,320

that's what the data seems to come back

2147

01:22:30,050 --> 01:22:27,540

and says that Consciousness isn't just a

2148

01:22:32,510 --> 01:22:30,060

blob there is a moral imperative

2149

01:22:34,970 --> 01:22:32,520

it does pull you to do

2150

01:22:36,890 --> 01:22:34,980

good if you listen it can also play you

2151  
01:22:38,330 --> 01:22:36,900  
to do bad if you want to go that way but

2152  
01:22:40,550 --> 01:22:38,340  
there is a moral imperative there is

2153  
01:22:42,410 --> 01:22:40,560  
right and wrong there is good that is

2154  
01:22:43,490 --> 01:22:42,420  
ultimately the only game but the big

2155  
01:22:44,870 --> 01:22:43,500  
game is pretty interesting the

2156  
01:22:46,669 --> 01:22:44,880  
parapolitical game and all the rest of

2157  
01:22:49,189 --> 01:22:46,679  
that so

2158  
01:22:50,930 --> 01:22:49,199  
with that the way that I look at what

2159  
01:22:54,229 --> 01:22:50,940  
you're just talking about is our

2160  
01:22:56,629 --> 01:22:54,239  
military intelligence cannot resist the

2161  
01:22:59,570 --> 01:22:56,639  
urge to tap into the extended

2162  
01:23:00,830 --> 01:22:59,580  
Consciousness realm because that's the

2163  
01:23:02,570 --> 01:23:00,840

big game

2164

01:23:04,970 --> 01:23:02,580

they don't want to be stuck in the

2165

01:23:07,070 --> 01:23:04,980

little game so they want to know what's

2166

01:23:08,930 --> 01:23:07,080

going on there and how they can of

2167

01:23:11,270 --> 01:23:08,940

course how they can weaponize it but

2168

01:23:12,770 --> 01:23:11,280

that's just an excuse they just want to

2169

01:23:14,149 --> 01:23:12,780

play a bigger game what do you think

2170

01:23:15,950 --> 01:23:14,159

about that

2171

01:23:17,510 --> 01:23:15,960

well yeah and I mean I don't think it's

2172

01:23:18,770 --> 01:23:17,520

a coincidence you know when you sort of

2173

01:23:22,010 --> 01:23:18,780

look at

2174

01:23:24,169 --> 01:23:22,020

um you know kind of the development

2175

01:23:26,870 --> 01:23:24,179

within some of the ideology that was

2176  
01:23:28,370 --> 01:23:26,880  
behind SRI I mean a lot of I mean at

2177  
01:23:29,510 --> 01:23:28,380  
least from what uh you know this

2178  
01:23:32,510 --> 01:23:29,520  
excellent essay that was written by

2179  
01:23:34,250 --> 01:23:32,520  
David duncav and uh uh Daniel Patoka uh

2180  
01:23:35,810 --> 01:23:34,260  
it seems to indicate

2181  
01:23:37,370 --> 01:23:35,820  
is that I mean the whole thing is it

2182  
01:23:38,990 --> 01:23:37,380  
sort of goes into that whole concept of

2183  
01:23:40,790 --> 01:23:39,000  
the nunsphere you know this sort of

2184  
01:23:42,830 --> 01:23:40,800  
like Earth Consciousness or Global

2185  
01:23:44,510 --> 01:23:42,840  
Consciousness and I mean this is

2186  
01:23:46,189 --> 01:23:44,520  
something that the Russians were also

2187  
01:23:47,450 --> 01:23:46,199  
obsessed with I mean that kind of grew

2188  
01:23:49,490 --> 01:23:47,460

out of their own you know kind of

2189

01:23:52,250 --> 01:23:49,500

tradition of cosmetism and that type of

2190

01:23:54,129 --> 01:23:52,260

thing so you know this is something kind

2191

01:23:56,030 --> 01:23:54,139

of going back to the very early

2192

01:23:57,950 --> 01:23:56,040

experiments the Soviets were doing in

2193

01:23:59,510 --> 01:23:57,960

ESP in like the 20s and 30s I mean they

2194

01:24:01,970 --> 01:23:59,520

were already kind of like hashing out

2195

01:24:03,530 --> 01:24:01,980

this concept of the newnessphere at the

2196

01:24:05,270 --> 01:24:03,540

same time the deshard day was

2197

01:24:06,830 --> 01:24:05,280

essentially developing this concept in

2198

01:24:09,110 --> 01:24:06,840

the west as well so I mean they're kind

2199

01:24:12,169 --> 01:24:09,120

of going concurrently with one another

2200

01:24:14,510 --> 01:24:12,179

and I think that that ultimately really

2201

01:24:16,669 --> 01:24:14,520

was at the heart of a lot of this really

2202

01:24:18,470 --> 01:24:16,679

you know Arcane research that the

2203

01:24:20,209 --> 01:24:18,480

defense establishments uh with both

2204

01:24:23,149 --> 01:24:20,219

countries were ultimately doing in the

2205

01:24:24,290 --> 01:24:23,159

Cold War era uh the Soviets you know

2206

01:24:26,390 --> 01:24:24,300

might have potentially gotten there

2207

01:24:28,250 --> 01:24:26,400

first and it could be that there was an

2208

01:24:29,689 --> 01:24:28,260

element from the Nazis and all of this I

2209

01:24:31,610 --> 01:24:29,699

mean there have been persistent rumors

2210

01:24:33,290 --> 01:24:31,620

that the you know the research that the

2211

01:24:35,149 --> 01:24:33,300

what was it the deaths and innerby were

2212

01:24:36,950 --> 01:24:35,159

doing I mean was a big influence on some

2213

01:24:39,110 --> 01:24:36,960

of this kind of insanity

2214

01:24:40,910 --> 01:24:39,120

we don't really know but I mean it

2215

01:24:43,010 --> 01:24:40,920

definitely seems like that there was

2216

01:24:45,290 --> 01:24:43,020

this sort of notion that uh there is

2217

01:24:47,330 --> 01:24:45,300

this extended Consciousness realm that

2218

01:24:49,910 --> 01:24:47,340

uh you know I mean effectively you know

2219

01:24:52,370 --> 01:24:49,920

has an influence in all aspects of our

2220

01:24:55,430 --> 01:24:52,380

lives and that um yeah I mean it had to

2221

01:24:56,930 --> 01:24:55,440

be understood I think to fully grasp the

2222

01:24:58,370 --> 01:24:56,940

implications of it I mean how it could

2223

01:25:00,229 --> 01:24:58,380

be weaponized how we could defend

2224

01:25:02,209 --> 01:25:00,239

ourselves from it and

2225

01:25:03,590 --> 01:25:02,219

you know ultimately I guess maybe in

2226

01:25:05,450 --> 01:25:03,600

some quarters it was seen as the next

2227

01:25:07,250 --> 01:25:05,460

stage of evolution I mean certainly you

2228

01:25:09,229 --> 01:25:07,260

know when you get into uh

2229

01:25:10,610 --> 01:25:09,239

some of the spiritual offshoots I think

2230

01:25:11,990 --> 01:25:10,620

of this research I mean the kind of

2231

01:25:13,729 --> 01:25:12,000

things that people like Barbara marks

2232

01:25:15,790 --> 01:25:13,739

hover were trying to do I mean there was

2233

01:25:19,010 --> 01:25:15,800

that sort of component that we had to

2234

01:25:21,950 --> 01:25:19,020

forcibly bring out the the next stage of

2235

01:25:23,870 --> 01:25:21,960

evolution and uh

2236

01:25:25,850 --> 01:25:23,880

in our own country I mean when you look

2237

01:25:27,410 --> 01:25:25,860

at what was going on at SRI and all the

2238

01:25:30,290 --> 01:25:27,420

stuff that came together there in the

2239

01:25:32,750 --> 01:25:30,300

early 70s I mean you had the Genesis of

2240

01:25:34,970 --> 01:25:32,760

the Aviary the movement that's really

2241

01:25:37,430 --> 01:25:34,980

dominated the ufology for the last 50

2242

01:25:39,590 --> 01:25:37,440

years you have all the stuff with the

2243

01:25:41,450 --> 01:25:39,600

remote viewing things you had a lot of

2244

01:25:43,129 --> 01:25:41,460

the woo-woo interpretations quantum

2245

01:25:44,930 --> 01:25:43,139

physics the fundamentalist physics group

2246

01:25:48,169 --> 01:25:44,940

was doing in the same area at the same

2247

01:25:51,050 --> 01:25:48,179

time and they all knew the SRI guys and

2248

01:25:53,470 --> 01:25:51,060

finally the development of the internets

2249

01:25:56,390 --> 01:25:53,480

which can kind of be seen as sort of a

2250

01:25:58,189 --> 01:25:56,400

materialistic uh form of desharde's

2251

01:26:00,350 --> 01:25:58,199

newnessphere in a sense

2252

01:26:01,669 --> 01:26:00,360

so I mean that's all going on right

2253

01:26:03,290 --> 01:26:01,679

there and I mean you have people like

2254

01:26:05,510 --> 01:26:03,300

Jacques filet who are involved in almost

2255

01:26:09,050 --> 01:26:05,520

all of us yeah I mean I don't think

2256

01:26:11,629 --> 01:26:09,060

that's a coincidence well it but it it

2257

01:26:14,090 --> 01:26:11,639

tricky and I'm very

2258

01:26:17,570 --> 01:26:14,100

I want to pull it apart I'll start with

2259

01:26:19,250 --> 01:26:17,580

the with the UFO thing because

2260

01:26:21,229 --> 01:26:19,260

there's a different there's a different

2261

01:26:22,910 --> 01:26:21,239

potential narrative there let me share

2262

01:26:24,890 --> 01:26:22,920

some things with you I don't know how

2263

01:26:27,649 --> 01:26:24,900

but order we'll get them in so here is

2264

01:26:29,689 --> 01:26:27,659

UFO researcher Grant Cameron who do you

2265

01:26:31,070 --> 01:26:29,699

know Grant Cameron yeah yeah I'm not

2266

01:26:34,610 --> 01:26:31,080

super familiar but I've read a little

2267

01:26:36,649 --> 01:26:34,620

bit of his work so we were we've had a

2268

01:26:38,570 --> 01:26:36,659

lot of interviews exchanges and stuff

2269

01:26:40,790 --> 01:26:38,580

like that and I was kind of with him

2270

01:26:42,410 --> 01:26:40,800

more before he kind of jumped the shark

2271

01:26:45,229 --> 01:26:42,420

with the Consciousness stuff and just

2272

01:26:47,030 --> 01:26:45,239

sees everything as Consciousness but the

2273

01:26:49,910 --> 01:26:47,040

reason I think Grant is important here

2274

01:26:52,129 --> 01:26:49,920

is Grants a Canadian researcher and

2275

01:26:55,250 --> 01:26:52,139

he has some legitimate documents that

2276

01:26:57,169 --> 01:26:55,260

were released through Canadian foia and

2277

01:26:59,390 --> 01:26:57,179

we believe that there's reason to

2278

01:27:01,010 --> 01:26:59,400

believe and it makes total sense that

2279

01:27:02,629 --> 01:27:01,020

these were only released one

2280

01:27:04,610 --> 01:27:02,639

accidentally and two because they were

2281

01:27:07,070 --> 01:27:04,620

in Canada and they just weren't hip to

2282

01:27:08,990 --> 01:27:07,080

what's going on but the documents

2283

01:27:11,270 --> 01:27:09,000

primarily center around a guy named

2284

01:27:13,669 --> 01:27:11,280

Wilbert Smith who was running running

2285

01:27:15,470 --> 01:27:13,679

the strange desk in Canada if you ever

2286

01:27:17,629 --> 01:27:15,480

heard of Wilbert Smith oh yeah he was

2287

01:27:19,970 --> 01:27:17,639

involved with project magnet right he

2288

01:27:22,669 --> 01:27:19,980

goes to he was the Prime Minister of

2289

01:27:23,689 --> 01:27:22,679

Canada and says hey I've been telling

2290

01:27:25,370 --> 01:27:23,699

you about all these weird sightings

2291

01:27:27,110 --> 01:27:25,380

we've been you know Pilots are coming

2292

01:27:28,729 --> 01:27:27,120

back with we got to figure out what's

2293

01:27:30,110 --> 01:27:28,739

going on he goes oh yeah buddy go down

2294

01:27:32,270 --> 01:27:30,120

and see the Yanks down there see what

2295

01:27:34,310 --> 01:27:32,280

they got so he goes down he meets with

2296

01:27:36,350 --> 01:27:34,320

vanvar bush he meets with all the Aviary

2297

01:27:38,090 --> 01:27:36,360

people as it turns out which if you're

2298

01:27:40,129 --> 01:27:38,100

of course is going to be co-opted of

2299

01:27:42,410 --> 01:27:40,139

course is going to be made to look like

2300

01:27:44,510 --> 01:27:42,420

a fake operation because it's real

2301

01:27:46,250 --> 01:27:44,520

that's how it is if it's real then it's

2302

01:27:49,129 --> 01:27:46,260

going to be co-opted and faked and

2303

01:27:52,550 --> 01:27:49,139

disinformationed to death but the

2304

01:27:54,290 --> 01:27:52,560

original memo is instructive because the

2305

01:27:55,970 --> 01:27:54,300

original memo that he writes Wilbert

2306

01:27:57,649 --> 01:27:55,980

Smith writes to the Prime Minister when

2307

01:28:00,669 --> 01:27:57,659

he gets back he goes yep

2308

01:28:03,229 --> 01:28:00,679

UFOs are real it's the highest priority

2309

01:28:05,330 --> 01:28:03,239

super secret thing that the US is

2310

01:28:07,970 --> 01:28:05,340

looking into higher than the hydrogen

2311

01:28:09,470 --> 01:28:07,980

bomb and by the way this is the one

2312

01:28:11,570 --> 01:28:09,480

thing that Grant deserves a ton of

2313

01:28:14,570 --> 01:28:11,580

credit for picking up on

2314

01:28:17,270 --> 01:28:14,580

is there is a mental phenomenon to this

2315

01:28:19,250 --> 01:28:17,280

that they're exploring

2316

01:28:21,110 --> 01:28:19,260

the reason I think that's significant is

2317

01:28:22,430 --> 01:28:21,120

I think a lot of people Overlook the

2318

01:28:26,090 --> 01:28:22,440

fact that

2319

01:28:30,470 --> 01:28:26,100

MK Ultra and in particular Stargate

2320

01:28:32,450 --> 01:28:30,480

one of the goals of it was hey E.T seems

2321

01:28:35,689 --> 01:28:32,460

to be talking to us telepathically all

2322

01:28:37,910 --> 01:28:35,699

the contact we have is they're not you

2323

01:28:39,830 --> 01:28:37,920

know is telepathic we need to start

2324

01:28:42,770 --> 01:28:39,840

understanding this extended realm

2325

01:28:44,689 --> 01:28:42,780

because that's what's

2326

01:28:46,850 --> 01:28:44,699

that's what's up that's what's going on

2327

01:28:48,050 --> 01:28:46,860

it points to the reality of that the

2328

01:28:49,550 --> 01:28:48,060

other thing that points to the reality

2329

01:28:55,129 --> 01:28:49,560

that

2330

01:28:56,870 --> 01:28:55,139

have of thousands and thousands of

2331

01:28:58,330 --> 01:28:56,880

people who have come forward and said

2332

01:29:01,070 --> 01:28:58,340

that they've had Direct contact

2333

01:29:03,050 --> 01:29:01,080

sightings and you have

2334

01:29:05,689 --> 01:29:03,060

people have multiple Witnesses and all

2335

01:29:08,810 --> 01:29:05,699

that and it just

2336

01:29:11,149 --> 01:29:08,820

I want to stop there because I got a

2337

01:29:14,810 --> 01:29:11,159

feeling that you're kind of not down

2338

01:29:18,470 --> 01:29:14,820

with the basic fundamental reality that

2339

01:29:21,950 --> 01:29:18,480

people are collectively not only seeing

2340

01:29:23,510 --> 01:29:21,960

UFOs but having contact having multiple

2341

01:29:26,990 --> 01:29:23,520

people witnessing the same contact

2342

01:29:29,750 --> 01:29:27,000

having uh Travis Walton be in the

2343

01:29:31,550 --> 01:29:29,760

logging operation in Arizona and all

2344

01:29:33,110 --> 01:29:31,560

five of his buddies go and jump in the

2345

01:29:35,390 --> 01:29:33,120

truck because they see him zoomed up in

2346

01:29:36,590 --> 01:29:35,400

the craft and they go get the [h\_\_h] out

2347

01:29:38,750 --> 01:29:36,600

of here we're all going to be killed

2348

01:29:41,330 --> 01:29:38,760

they just killed Travis and they go back

2349

01:29:43,430 --> 01:29:41,340

and and what Rings true about their

2350

01:29:44,750 --> 01:29:43,440

testimony is they go back and they're

2351

01:29:48,050 --> 01:29:44,760

going to get arrested

2352

01:29:50,930 --> 01:29:48,060

because the the sheriff goes uh-huh

2353

01:29:52,970 --> 01:29:50,940

so tell us again how you killed Travis

2354

01:29:55,790 --> 01:29:52,980

they go no man we didn't kill him he's

2355

01:29:59,390 --> 01:29:55,800

up in this space lie detector test they

2356

01:30:02,629 --> 01:29:59,400

all pass it five days later Travis shows

2357

01:30:05,629 --> 01:30:02,639

up no clothes on walks up to a pay phone

2358

01:30:08,209 --> 01:30:05,639

and calls and says I don't know what

2359

01:30:10,490 --> 01:30:08,219

happened but Boom come get me I mean

2360

01:30:13,010 --> 01:30:10,500

this is just one of a gazillion

2361

01:30:14,750 --> 01:30:13,020

different accounts and I guess sometimes

2362

01:30:15,890 --> 01:30:14,760

when I listen to your show I I hear you

2363

01:30:19,510 --> 01:30:15,900

guys kind of

2364

01:30:23,629 --> 01:30:19,520

just focusing on the misinformation part

2365

01:30:28,430 --> 01:30:23,639

and kind of missing the big enchilada

2366

01:30:30,530 --> 01:30:28,440

that yeah we we are being visited we are

2367

01:30:32,330 --> 01:30:30,540

not alone we've never been alone to

2368

01:30:35,090 --> 01:30:32,340

steal the line from the ancient alien

2369

01:30:38,810 --> 01:30:35,100

show which I think gets maligned way too

2370

01:30:40,550 --> 01:30:38,820

much sure it's not perfect but we are

2371

01:30:42,830 --> 01:30:40,560

not alone we've never been alone and

2372

01:30:46,610 --> 01:30:42,840

that's a better way to begin to look at

2373

01:30:48,470 --> 01:30:46,620

the data than to look at it just from a

2374

01:30:50,689 --> 01:30:48,480

to build it up from a parapolitical

2375

01:30:52,910 --> 01:30:50,699

standpoint the better way in my opinion

2376

01:30:55,129 --> 01:30:52,920

is look it as a top down something is

2377

01:30:56,689 --> 01:30:55,139

happening in that extent of Realm and we

2378

01:30:58,370 --> 01:30:56,699

don't know what it is no I would

2379

01:30:59,570 --> 01:30:58,380

absolutely agree with that and I mean

2380

01:31:01,129 --> 01:30:59,580

that's you know something that I've

2381

01:31:03,470 --> 01:31:01,139

really started to focus on I think

2382

01:31:05,990 --> 01:31:03,480

especially in the last year or two

2383

01:31:07,870 --> 01:31:06,000

um I think probably having enough

2384

01:31:10,970 --> 01:31:07,880

conversations with Chris Knowles about

2385

01:31:13,070 --> 01:31:10,980

Astro theology has probably contributed

2386

01:31:15,110 --> 01:31:13,080

that as well

2387

01:31:17,209 --> 01:31:15,120

um but yeah I mean I'm just kind of

2388

01:31:19,790 --> 01:31:17,219

fascinated with this whole notion and

2389

01:31:21,590 --> 01:31:19,800

this you know kind of uh esoteric

2390

01:31:23,270 --> 01:31:21,600

tradition of communication from the

2391

01:31:26,709 --> 01:31:23,280

stars I really want going back to the

2392

01:31:28,910 --> 01:31:26,719

earliest practices and Antiquity really

2393

01:31:30,530 --> 01:31:28,920

uh you know obviously it kind of goes

2394

01:31:32,870 --> 01:31:30,540

into the whole thing with scrying and I

2395

01:31:34,550 --> 01:31:32,880

mean just how much of uh you know I mean

2396

01:31:36,470 --> 01:31:34,560

so many of these uh

2397

01:31:37,910 --> 01:31:36,480

I mean almost cultic Fates that we've

2398

01:31:39,229 --> 01:31:37,920

sort of talked about I mean Mormonism

2399

01:31:41,330 --> 01:31:39,239

sort of grew out of this I mean the

2400

01:31:43,070 --> 01:31:41,340

Angelic Communications with John D and

2401  
01:31:45,290 --> 01:31:43,080  
the enochian magic which has formed so

2402  
01:31:47,090 --> 01:31:45,300  
much of a tradition of uh Western magic

2403  
01:31:49,850 --> 01:31:47,100  
grew out of a lot of this kind of stuff

2404  
01:31:52,370 --> 01:31:49,860  
but I mean yeah you know there is this

2405  
01:31:54,410 --> 01:31:52,380  
sort of ancient notion that uh Humanity

2406  
01:31:55,610 --> 01:31:54,420  
itself our Spirits our Consciousness

2407  
01:31:57,649 --> 01:31:55,620  
whatever you want to call it actually

2408  
01:31:59,990 --> 01:31:57,659  
does come from the stars that it goes to

2409  
01:32:01,970 --> 01:32:00,000  
this sort of process to Incarnate here

2410  
01:32:05,330 --> 01:32:01,980  
in the earth and that we can summon

2411  
01:32:06,709 --> 01:32:05,340  
things from other planets uh to us uh I

2412  
01:32:08,629 --> 01:32:06,719  
know I'd recently read some of the works

2413  
01:32:09,950 --> 01:32:08,639

by Francis Yates which I kind of blend

2414

01:32:12,229 --> 01:32:09,960

into some of the things that Peter Levin

2415

01:32:13,910 --> 01:32:12,239

I've heard speak about before but um

2416

01:32:15,709 --> 01:32:13,920

it's kind of the notion that the whole

2417

01:32:18,470 --> 01:32:15,719

purpose of these megalithic structures

2418

01:32:20,330 --> 01:32:18,480

really was to draw down you know the

2419

01:32:23,090 --> 01:32:20,340

gods whatever you want to call it into

2420

01:32:25,250 --> 01:32:23,100

these uh these structures so that they

2421

01:32:27,590 --> 01:32:25,260

could communicate to the priesthood or

2422

01:32:30,410 --> 01:32:27,600

whatever which again I mean seems like

2423

01:32:32,510 --> 01:32:30,420

it's absolutely incredible and yet uh

2424

01:32:34,910 --> 01:32:32,520

would you look at so much of our modern

2425

01:32:36,770 --> 01:32:34,920

world and how you know the extent which

2426

01:32:38,390 --> 01:32:36,780

we try to almost recreate a lot of these

2427

01:32:41,330 --> 01:32:38,400

megalithic structures and a lot of our

2428

01:32:42,950 --> 01:32:41,340

major Capital Cities and so forth I mean

2429

01:32:44,810 --> 01:32:42,960

you're almost left with the inescapable

2430

01:32:46,610 --> 01:32:44,820

conclusion that there is this sort of

2431

01:32:49,669 --> 01:32:46,620

ideology and belief system within the

2432

01:32:52,310 --> 01:32:49,679

ruling Elite the title continues on

2433

01:32:55,910 --> 01:32:52,320

um and yeah I mean I do think that some

2434

01:32:58,390 --> 01:32:55,920

component to some extent uh that is at

2435

01:33:00,830 --> 01:32:58,400

the heart of a lot of what is going on

2436

01:33:02,570 --> 01:33:00,840

it is you know this tradition that's

2437

01:33:05,030 --> 01:33:02,580

been with Humanity since practically

2438

01:33:06,770 --> 01:33:05,040

time immoral that uh I mean it seems

2439

01:33:08,930 --> 01:33:06,780

like almost every significant ruling

2440

01:33:10,430 --> 01:33:08,940

class has ultimately latched on to at

2441

01:33:12,770 --> 01:33:10,440

some point or other

2442

01:33:16,129 --> 01:33:12,780

so yeah I mean that is kind of something

2443

01:33:17,990 --> 01:33:16,139

you have to look at in all this

2444

01:33:20,090 --> 01:33:18,000

see I'm with you to a point I'm just

2445

01:33:21,709 --> 01:33:20,100

wondering if we're kind of code speaking

2446

01:33:23,810 --> 01:33:21,719

it there because

2447

01:33:25,729 --> 01:33:23,820

when we start talking about ruling class

2448

01:33:27,709 --> 01:33:25,739

and stuff like that

2449

01:33:31,010 --> 01:33:27,719

to me there's a different message that's

2450

01:33:34,270 --> 01:33:31,020

the fundamental question on ET is good

2451  
01:33:37,030 --> 01:33:34,280  
ET versus bad ET evil verse Divine ET

2452  
01:33:40,570 --> 01:33:37,040  
versus evil ET

2453  
01:33:44,030 --> 01:33:40,580  
demons in the in a

2454  
01:33:45,410 --> 01:33:44,040  
interdimensional thing or more like us

2455  
01:33:47,390 --> 01:33:45,420  
you know you talk to Whitley strieber

2456  
01:33:50,030 --> 01:33:47,400  
and uh you know I think he's a pretty

2457  
01:33:52,370 --> 01:33:50,040  
good go-to he's not 100 but it's like

2458  
01:33:55,370 --> 01:33:52,380  
his thing is like oh they're just One

2459  
01:33:57,470 --> 01:33:55,380  
Step Beyond us good bad multiple agenda

2460  
01:34:00,770 --> 01:33:57,480  
multiple species multiple different

2461  
01:34:03,050 --> 01:34:00,780  
planets all that stuff and that to to

2462  
01:34:06,169 --> 01:34:03,060  
kind of ascribe the superpowers to him

2463  
01:34:08,030 --> 01:34:06,179

is to kind of miss the boat here's Grant

2464

01:34:09,590 --> 01:34:08,040

Cameron in the part that I guess we

2465

01:34:12,110 --> 01:34:09,600

don't I don't necessarily agree with

2466

01:34:15,709 --> 01:34:12,120

Grant so much let me play it

2467

01:34:17,990 --> 01:34:15,719

UFO researcher Grant Cameron

2468

01:34:20,209 --> 01:34:18,000

we go back to the fact that there is

2469

01:34:21,590 --> 01:34:20,219

just experience that's all there is if

2470

01:34:23,330 --> 01:34:21,600

you take a look at we talk about the the

2471

01:34:25,790 --> 01:34:23,340

evil alien okay so we say there's evil

2472

01:34:27,410 --> 01:34:25,800

aliens that's the general impression and

2473

01:34:29,990 --> 01:34:27,420

and if you go and you do the free survey

2474

01:34:31,790 --> 01:34:30,000

you see the 50 84 of all experiences say

2475

01:34:34,010 --> 01:34:31,800

if they were given the chance to have it

2476

01:34:36,050 --> 01:34:34,020

stopped they would say no only nine

2477

01:34:37,370 --> 01:34:36,060

percent say it's evil and nine percent

2478

01:34:39,229 --> 01:34:37,380

is not zero but it's getting pretty

2479

01:34:41,870 --> 01:34:39,239

close there are no victims there are

2480

01:34:43,370 --> 01:34:41,880

just volunteers it's all experience I

2481

01:34:45,050 --> 01:34:43,380

appreciate the distinctions you're

2482

01:34:47,030 --> 01:34:45,060

making I just

2483

01:34:48,530 --> 01:34:47,040

I mean you're saying at some point we

2484

01:34:51,350 --> 01:34:48,540

have to move to something else so what

2485

01:34:54,229 --> 01:34:51,360

are we moving towards here's the kicker

2486

01:34:56,930 --> 01:34:54,239

in the important part for for people who

2487

01:34:58,850 --> 01:34:56,940

don't believe like so many of the

2488

01:35:00,649 --> 01:34:58,860

academics or humanist materialist

2489

01:35:02,330 --> 01:35:00,659

atheist Paradigm and they don't have to

2490

01:35:04,250 --> 01:35:02,340

deal with any of this [h\_\_\h] but for

2491

01:35:06,050 --> 01:35:04,260

people like you and I who acknowledge an

2492

01:35:09,169 --> 01:35:06,060

extended Consciousness realm when

2493

01:35:11,270 --> 01:35:09,179

somebody tells me yeah I'm I'm abusing

2494

01:35:13,609 --> 01:35:11,280

these kids and let me tell you this

2495

01:35:15,350 --> 01:35:13,619

spirit being this entity in the extended

2496

01:35:17,689 --> 01:35:15,360

Consciousness realm and he is really

2497

01:35:19,310 --> 01:35:17,699

into it too and he's bringing all this

2498

01:35:21,649 --> 01:35:19,320

power into the group and he's doing

2499

01:35:23,750 --> 01:35:21,659

these physical things and if I do this

2500

01:35:26,870 --> 01:35:23,760

ritual in a certain way it brings even

2501

01:35:29,689 --> 01:35:26,880

more power into me and that's my

2502

01:35:31,910 --> 01:35:29,699

download he says that's my experience

2503

01:35:35,149 --> 01:35:31,920

okay where I was getting at with that

2504

01:35:37,189 --> 01:35:35,159

rant there is that there's a whole the

2505

01:35:39,169 --> 01:35:37,199

UFO Community is really divided on this

2506

01:35:42,410 --> 01:35:39,179

issue I think if you look into it it's

2507

01:35:45,430 --> 01:35:42,420

the good E.T versus bad ET is some kind

2508

01:35:48,770 --> 01:35:45,440

of spiritual savior it is

2509

01:35:51,709 --> 01:35:48,780

prototypical God light near-death

2510

01:35:55,669 --> 01:35:51,719

experience that is going to save us or

2511

01:35:58,490 --> 01:35:55,679

it is you know what they're peddling at

2512

01:36:01,189 --> 01:35:58,500

Peter levenda and Tom DeLong are

2513

01:36:03,470 --> 01:36:01,199

peddling which is it's a threat I

2514

01:36:04,850 --> 01:36:03,480

interviewed Richard Dolan who I have a

2515

01:36:06,669 --> 01:36:04,860

lot of respect for it let me play a

2516

01:36:10,250 --> 01:36:06,679

little clip from Richard Dolan

2517

01:36:12,770 --> 01:36:10,260

we met with the guy at the dod but he's

2518

01:36:15,530 --> 01:36:12,780

a whistleblower all the information he

2519

01:36:18,530 --> 01:36:15,540

revealed well none of it's classified or

2520

01:36:21,229 --> 01:36:18,540

top secret the the kid who innocently

2521

01:36:23,990 --> 01:36:21,239

took a selfie of being inside the

2522

01:36:25,970 --> 01:36:24,000

submarine he's in prison and this is the

2523

01:36:28,250 --> 01:36:25,980

biggest thing ever even though it

2524

01:36:30,709 --> 01:36:28,260

happened 15 years ago I wouldn't say

2525

01:36:33,470 --> 01:36:30,719

that Elizondo necessarily classifies as

2526

01:36:35,689 --> 01:36:33,480

a whistleblower I don't know I mean he

2527

01:36:38,510 --> 01:36:35,699

um all of these people are self-serving

2528

01:36:39,950 --> 01:36:38,520

so the folks at ttsa it's not like you

2529

01:36:42,890 --> 01:36:39,960

know they're all angels and they have no

2530

01:36:44,570 --> 01:36:42,900

other ulterior motives what they do all

2531

01:36:47,090 --> 01:36:44,580

these guys who are the military that was

2532

01:36:50,090 --> 01:36:47,100

their pledge are we at a different point

2533

01:36:51,950 --> 01:36:50,100

where we've totally given up on the idea

2534

01:36:53,629 --> 01:36:51,960

that we need to hold these people

2535

01:36:56,510 --> 01:36:53,639

accountable is that just kind of out the

2536

01:36:58,189 --> 01:36:56,520

window oh man good question we are in a

2537

01:37:00,470 --> 01:36:58,199

post-constitutional phase I mean look

2538

01:37:02,750 --> 01:37:00,480

we're in a an upside down world where

2539

01:37:04,550 --> 01:37:02,760

what I I call this thing now legal

2540

01:37:07,310 --> 01:37:04,560

illegality that's really what it is it's

2541

01:37:09,950 --> 01:37:07,320

like this legal and so you get the point

2542

01:37:13,669 --> 01:37:09,960

that I was trying to make there the ttsa

2543

01:37:16,609 --> 01:37:13,679

to the Stars Academy Tom DeLong

2544

01:37:18,890 --> 01:37:16,619

gets turned into all these TV shows you

2545

01:37:21,109 --> 01:37:18,900

know all these things it's just [h\_\_h]

2546

01:37:24,050 --> 01:37:21,119

it to me it's so clearly a political

2547

01:37:26,149 --> 01:37:24,060

psyop right it's so clearly all the same

2548

01:37:27,590 --> 01:37:26,159

players who's on the stage with Tom

2549

01:37:31,609 --> 01:37:27,600

DeLong

2550

01:37:32,390 --> 01:37:31,619

our friend Hal put off and you mentioned

2551

01:37:34,910 --> 01:37:32,400

um

2552

01:37:37,370 --> 01:37:34,920

I mean they're all it's all intelligence

2553

01:37:40,149 --> 01:37:37,380

again and it's you know the Werner Von

2554

01:37:44,270 --> 01:37:40,159

Braun it's the next threat it's the next

2555

01:37:46,609 --> 01:37:44,280

boogeyman is E.T I don't agree with

2556

01:37:49,550 --> 01:37:46,619

Grant Cameron because I think in the ET

2557

01:37:50,750 --> 01:37:49,560

accounts are also you know Richard Dolan

2558

01:37:53,570 --> 01:37:50,760

sitting there he's talking about his

2559

01:37:55,129 --> 01:37:53,580

wife got raped by E.T right so if you

2560

01:37:57,350 --> 01:37:55,139

want to go there if you want to kind of

2561

01:37:58,729 --> 01:37:57,360

throw that out the middle middle if I

2562

01:38:01,729 --> 01:37:58,739

just jump the shark on that if I cross

2563

01:38:03,229 --> 01:38:01,739

the crazy line whatever but man you go

2564

01:38:06,530 --> 01:38:03,239

start investing those investigating

2565

01:38:09,649 --> 01:38:06,540

those accounts and uh no it's hard to

2566

01:38:11,450 --> 01:38:09,659

sidestep all that data too so good ET

2567

01:38:12,830 --> 01:38:11,460

versus bad ET where do you come down on

2568

01:38:14,629 --> 01:38:12,840

that

2569

01:38:17,629 --> 01:38:14,639

I've already come down on ET are you

2570

01:38:19,370 --> 01:38:17,639

even down with all the accounts of ET or

2571

01:38:20,930 --> 01:38:19,380

do you kind of

2572

01:38:22,250 --> 01:38:20,940

do you think of their all demonic and

2573

01:38:24,890 --> 01:38:22,260

they're all interdimensional and they're

2574

01:38:26,450 --> 01:38:24,900

all Jacques valet and uh you know she's

2575

01:38:28,550 --> 01:38:26,460

we'll talk about chocolate I interviewed

2576

01:38:30,950 --> 01:38:28,560

Jacques yeah Jacques filet is into the

2577

01:38:32,930 --> 01:38:30,960

Consciousness thing and the L elves and

2578

01:38:35,209 --> 01:38:32,940

and all that kind of stuff but he also

2579

01:38:36,490 --> 01:38:35,219

carries around a piece of a [h\_\_h] uh

2580

01:38:39,530 --> 01:38:36,500

uh

2581

01:38:43,070 --> 01:38:39,540

spacecraft in his alien spacecraft in

2582

01:38:45,470 --> 01:38:43,080

his pocket that he's analyzed in under a

2583

01:38:48,109 --> 01:38:45,480

microscope and said there's no way we

2584

01:38:52,310 --> 01:38:48,119

could ever manufacture this and Diana

2585

01:38:54,470 --> 01:38:52,320

Walsh baselka uh you know was out in the

2586

01:38:56,450 --> 01:38:54,480

desert and she has spacecraft too and a

2587

01:38:59,209 --> 01:38:56,460

lot of people have alien spacecraft that

2588

01:39:01,609 --> 01:38:59,219

is in this here this world kind of thing

2589

01:39:04,070 --> 01:39:01,619

so and and the guy that Diana wants

2590

01:39:05,930 --> 01:39:04,080

pasoka you know American Cosmic the guy

2591

01:39:07,790 --> 01:39:05,940

who held is helping her do it says yeah

2592

01:39:09,410 --> 01:39:07,800

I've made I've made millions of dollars

2593

01:39:12,770 --> 01:39:09,420

by reverse engineering some of this

2594

01:39:15,229 --> 01:39:12,780

stuff and filing patents and he does fly

2595

01:39:18,649 --> 01:39:15,239

around in a Learjet and he does stay at

2596

01:39:20,450 --> 01:39:18,659

the Ritz Carlton and he is credible in

2597

01:39:22,970 --> 01:39:20,460

terms of where she she's talking about

2598

01:39:26,270 --> 01:39:22,980

so I don't know but that's how I read

2599

01:39:30,830 --> 01:39:28,790

um well I mean again I would say that I

2600

01:39:33,649 --> 01:39:30,840

am I mean I don't discount like anything

2601  
01:39:34,970 --> 01:39:33,659  
other than uh that there is no you know

2602  
01:39:36,890 --> 01:39:34,980  
that there's nothing at all to the ET

2603  
01:39:38,990 --> 01:39:36,900  
thing other than just a bunch of swamp

2604  
01:39:40,850 --> 01:39:39,000  
gas or you know Kooks or something like

2605  
01:39:43,310 --> 01:39:40,860  
that I mean that seems clearly absurd

2606  
01:39:45,910 --> 01:39:43,320  
absurd position to take

2607  
01:39:48,950 --> 01:39:45,920  
I am pretty wary of the Extraterrestrial

2608  
01:39:50,930 --> 01:39:48,960  
hypothesis I do think that there could

2609  
01:39:52,790 --> 01:39:50,940  
be a physical component to it though I

2610  
01:39:54,950 --> 01:39:52,800  
mean I do think that it is possible to

2611  
01:39:56,570 --> 01:39:54,960  
summon things into the material realm I

2612  
01:39:58,370 --> 01:39:56,580  
mean this is sort of kind of based on my

2613  
01:40:00,050 --> 01:39:58,380

own research into the history of

2614

01:40:03,830 --> 01:40:00,060

ceremonial magic and that kind of thing

2615

01:40:05,330 --> 01:40:03,840

which I think is probably where I tend

2616

01:40:07,910 --> 01:40:05,340

to look at this through the prism of

2617

01:40:09,830 --> 01:40:07,920

simply because it seems like in these

2618

01:40:12,229 --> 01:40:09,840

magical Traditions that's where you see

2619

01:40:15,169 --> 01:40:12,239

the oldest references to you know the

2620

01:40:16,669 --> 01:40:15,179

notion of the Stars uh the cosmos I mean

2621

01:40:18,410 --> 01:40:16,679

possessing you know these non-human

2622

01:40:20,149 --> 01:40:18,420

intelligences in it so I think that's

2623

01:40:21,830 --> 01:40:20,159

probably the most logical place to try

2624

01:40:23,330 --> 01:40:21,840

to start to try to get a grasp of what

2625

01:40:26,030 --> 01:40:23,340

we're dealing with

2626

01:40:28,010 --> 01:40:26,040

I I hate when people go there why not

2627

01:40:29,810 --> 01:40:28,020

just go with contemporary accounts are

2628

01:40:31,790 --> 01:40:29,820

you familiar with the Chris Bledsoe and

2629

01:40:33,410 --> 01:40:31,800

Ryan Bledsoe

2630

01:40:35,689 --> 01:40:33,420

so I

2631

01:40:38,450 --> 01:40:35,699

you know Chris Bledsoe he's got a

2632

01:40:41,330 --> 01:40:38,460

five-part interview with Richard Dolan

2633

01:40:44,030 --> 01:40:41,340

they landed in his [h\_\_\h] backyard

2634

01:40:45,830 --> 01:40:44,040

and Grant Cameron saw it saw the

2635

01:40:49,070 --> 01:40:45,840

evidence of it and they he had an

2636

01:40:51,890 --> 01:40:49,080

experience in his backyard he had CIA

2637

01:40:55,669 --> 01:40:51,900

people come down all the time and and

2638

01:40:58,189 --> 01:40:55,679

visit him you know his son Ryan Bledsoe

2639

01:41:00,109 --> 01:40:58,199

who now does a podcast I'm gonna have

2640

01:41:02,750 --> 01:41:00,119

him on the show you know he talks about

2641

01:41:05,090 --> 01:41:02,760

as a 13 year old yeah there was a space

2642

01:41:07,010 --> 01:41:05,100

in the backyard and the grass never grew

2643

01:41:08,629 --> 01:41:07,020

there again and we went and measured it

2644

01:41:12,050 --> 01:41:08,639

and and there's all these people who've

2645

01:41:13,850 --> 01:41:12,060

done uh you know the burn marks and all

2646

01:41:15,830 --> 01:41:13,860

the trait what do they call them uh

2647

01:41:17,689 --> 01:41:15,840

Trace you know kind of they've studied

2648

01:41:19,729 --> 01:41:17,699

all that stuff so I'm just always a

2649

01:41:21,590 --> 01:41:19,739

little bit leery when people jump to the

2650

01:41:24,229 --> 01:41:21,600

to the magic Prime part it's like

2651

01:41:26,629 --> 01:41:24,239

extended realm first but if we're going

2652

01:41:28,609 --> 01:41:26,639

to play the consensus reality game if

2653

01:41:31,070 --> 01:41:28,619

we're gonna play you and I are talking

2654

01:41:33,890 --> 01:41:31,080

there are documents there is evidence

2655

01:41:35,450 --> 01:41:33,900

this is evidence you know and if you

2656

01:41:38,390 --> 01:41:35,460

want to say

2657

01:41:40,430 --> 01:41:38,400

the demon the demons came down and made

2658

01:41:42,590 --> 01:41:40,440

all the burn marks in a certain way you

2659

01:41:44,090 --> 01:41:42,600

can but then it's that's not a very

2660

01:41:46,189 --> 01:41:44,100

interesting discussion to have because

2661

01:41:47,930 --> 01:41:46,199

they can do anything

2662

01:41:51,050 --> 01:41:47,940

well I mean that is kind of when you get

2663

01:41:52,669 --> 01:41:51,060

into a supernatural realm I suppose but

2664

01:41:54,109 --> 01:41:52,679

yeah I mean again I'm not necessarily

2665

01:41:56,090 --> 01:41:54,119

saying that I mean there's not a

2666

01:41:58,189 --> 01:41:56,100

physical component to all of this I mean

2667

01:42:00,830 --> 01:41:58,199

I would just say that I'm

2668

01:42:03,649 --> 01:42:00,840

I just find with the whole push of like

2669

01:42:05,990 --> 01:42:03,659

how much effort has been put in to try

2670

01:42:08,390 --> 01:42:06,000

to frame this especially in most

2671

01:42:09,709 --> 01:42:08,400

mainstream accounts for decades now as

2672

01:42:11,510 --> 01:42:09,719

you know being the result of an

2673

01:42:13,850 --> 01:42:11,520

extraterrestrial species visiting us in

2674

01:42:15,950 --> 01:42:13,860

the nuts and folds uh spaceship from the

2675

01:42:18,350 --> 01:42:15,960

planet Zeta reticulum

2676

01:42:20,330 --> 01:42:18,360

I'm kind of a contrarian if somebody's

2677

01:42:22,430 --> 01:42:20,340

telling me that this is my one option

2678

01:42:24,410 --> 01:42:22,440

along with it also being swamp gas then

2679

01:42:26,030 --> 01:42:24,420

I tend to try to look for a third or a

2680

01:42:27,410 --> 01:42:26,040

fourth option to try to explain it

2681

01:42:29,930 --> 01:42:27,420

because it just

2682

01:42:31,729 --> 01:42:29,940

I that weary of official narratives and

2683

01:42:32,990 --> 01:42:31,739

this kind of stuff I mean again I'm not

2684

01:42:34,910 --> 01:42:33,000

trying to say that I mean we should

2685

01:42:36,709 --> 01:42:34,920

totally discount anything having to do

2686

01:42:38,689 --> 01:42:36,719

with like the physical components though

2687

01:42:41,209 --> 01:42:38,699

certainly and I mean that is one of the

2688

01:42:42,709 --> 01:42:41,219

biggest mysteries to a lot of this I

2689

01:42:44,450 --> 01:42:42,719

mean you know how is it that this stuff

2690

01:42:46,189 --> 01:42:44,460

does seem to leave so much evidence in

2691

01:42:48,410 --> 01:42:46,199

the physical world even though I mean it

2692

01:42:50,090 --> 01:42:48,420

does seem to operate in the sense that's

2693

01:42:52,550 --> 01:42:50,100

much closer to what we would think of as

2694

01:42:54,050 --> 01:42:52,560

magic uh I mean I know that obviously

2695

01:42:55,790 --> 01:42:54,060

leads into the whole thing with Arthur C

2696

01:42:57,950 --> 01:42:55,800

Clarke and you know an a sufficiently

2697

01:43:00,050 --> 01:42:57,960

advanced technology and so on and so

2698

01:43:02,030 --> 01:43:00,060

forth but again

2699

01:43:04,550 --> 01:43:02,040

you know who knows

2700

01:43:05,810 --> 01:43:04,560

um maybe there's something to the uh you

2701  
01:43:06,890 --> 01:43:05,820  
know the accounts from the book of the

2702  
01:43:08,930 --> 01:43:06,900  
knock that I mean a lot of this

2703  
01:43:10,550 --> 01:43:08,940  
technology was uh disseminated to us

2704  
01:43:12,770 --> 01:43:10,560  
from these kind of entities and that was

2705  
01:43:13,970 --> 01:43:12,780  
how we were able to create it I mean it

2706  
01:43:15,770 --> 01:43:13,980  
does seem like that there is a

2707  
01:43:17,990 --> 01:43:15,780  
connection with high technology in some

2708  
01:43:19,970 --> 01:43:18,000  
senses to these sort of contacts I mean

2709  
01:43:21,530 --> 01:43:19,980  
this is something that Chris Knowles has

2710  
01:43:23,209 --> 01:43:21,540  
done a great job of exploring with

2711  
01:43:25,970 --> 01:43:23,219  
Roswell and a lot of this other kind of

2712  
01:43:28,550 --> 01:43:25,980  
stuff I mean it is an obvious component

2713  
01:43:30,410 --> 01:43:28,560

to it and you know I don't know

2714

01:43:32,090 --> 01:43:30,420

that's all I can really tell you I don't

2715

01:43:35,689 --> 01:43:32,100

really know what the answers are to that

2716

01:43:38,090 --> 01:43:35,699

yeah and yeah none of us certainly none

2717

01:43:40,430 --> 01:43:38,100

of us know I you're doing

2718

01:43:42,290 --> 01:43:40,440

fantastic work I just can't say that

2719

01:43:45,350 --> 01:43:42,300

enough and I think the light that you're

2720

01:43:46,450 --> 01:43:45,360

bringing to this from a kind of Deep

2721

01:43:48,709 --> 01:43:46,460

dive

2722

01:43:51,290 --> 01:43:48,719

parapolitical bring the parapolitical to

2723

01:43:52,850 --> 01:43:51,300

the middle which you do and which he

2724

01:43:55,129 --> 01:43:52,860

said in the very opening introduction

2725

01:43:57,530 --> 01:43:55,139

which I read all the time in your work

2726

01:43:59,629 --> 01:43:57,540

is that people want to paint you left

2727

01:44:01,129 --> 01:43:59,639

people on a punch right what you're

2728

01:44:03,290 --> 01:44:01,139

doing is trying to hit the damn ball

2729

01:44:04,910 --> 01:44:03,300

right down the middle of the Fairway uh

2730

01:44:08,149 --> 01:44:04,920

kind of thing I'm not a golfer but I

2731

01:44:12,050 --> 01:44:08,159

like that analogy and a constantly

2732

01:44:14,750 --> 01:44:12,060

questioning everything so uh when is uh

2733

01:44:17,209 --> 01:44:14,760

when are we going to see the the book on

2734

01:44:19,850 --> 01:44:17,219

q9 because I think it's going to be

2735

01:44:21,290 --> 01:44:19,860

Phantom I'm hoping soon uh I mean I'm

2736

01:44:23,270 --> 01:44:21,300

trying to get into like the last little

2737

01:44:25,669 --> 01:44:23,280

bit of revisions now but I'm hoping

2738

01:44:27,290 --> 01:44:25,679

probably in January or February I really

2739

01:44:28,609 --> 01:44:27,300

wanted to get it out for Christmas but

2740

01:44:31,010 --> 01:44:28,619

there's just too much stuff I've still

2741

01:44:32,930 --> 01:44:31,020

got to add to it but uh

2742

01:44:34,490 --> 01:44:32,940

and you know kind of getting back to the

2743

01:44:37,250 --> 01:44:34,500

question you had earlier about like the

2744

01:44:38,870 --> 01:44:37,260

morality of all of this I

2745

01:44:40,790 --> 01:44:38,880

you know again we're dealing with a

2746

01:44:43,609 --> 01:44:40,800

non-human intelligence at least that's

2747

01:44:45,470 --> 01:44:43,619

my opinion so I don't know you know

2748

01:44:47,510 --> 01:44:45,480

necessarily is it going to have a sense

2749

01:44:49,490 --> 01:44:47,520

of morality the way that human beings

2750

01:44:51,050 --> 01:44:49,500

have or you know a sense of right and

2751

01:44:53,689 --> 01:44:51,060

wrong or anything I don't know that you

2752

01:44:55,490 --> 01:44:53,699

can even apply that I don't know that we

2753

01:44:57,290 --> 01:44:55,500

you know are necessarily even capable of

2754

01:44:59,689 --> 01:44:57,300

understanding the motives for why some

2755

01:45:01,070 --> 01:44:59,699

of this stuff is done I mean I know

2756

01:45:02,930 --> 01:45:01,080

again it's not necessarily the great

2757

01:45:04,729 --> 01:45:02,940

comparison between just an aunt you know

2758

01:45:07,129 --> 01:45:04,739

truly understand why we inadvertently

2759

01:45:10,790 --> 01:45:07,139

step on it probably not

2760

01:45:12,709 --> 01:45:10,800

uh it just is so

2761

01:45:14,990 --> 01:45:12,719

I think that's a super important point

2762

01:45:16,129 --> 01:45:15,000

you know I just had that discussion the

2763

01:45:17,930 --> 01:45:16,139

other day with a guy interviewed I

2764

01:45:19,729 --> 01:45:17,940

really like because just purely coming

2765

01:45:21,350 --> 01:45:19,739

at things come kind of from a spiritual

2766

01:45:22,850 --> 01:45:21,360

actually from a law of attraction kind

2767

01:45:25,370 --> 01:45:22,860

of spiritual kind of thing

2768

01:45:28,970 --> 01:45:25,380

but what you say it is really undeniable

2769

01:45:31,669 --> 01:45:28,980

it's from a rational logical standpoint

2770

01:45:33,010 --> 01:45:31,679

it's clear that whatever you think of

2771

01:45:37,010 --> 01:45:33,020

God is

2772

01:45:40,070 --> 01:45:37,020

is if not disinterested if that's too

2773

01:45:42,109 --> 01:45:40,080

strong of a word is that your connection

2774

01:45:44,629 --> 01:45:42,119

with the divine

2775

01:45:46,970 --> 01:45:44,639

has nothing to do with the details the

2776

01:45:49,189 --> 01:45:46,980

minutia of your life it couldn't

2777

01:45:52,669 --> 01:45:49,199

possibly this is your journey your trip

2778

01:45:54,770 --> 01:45:52,679

your experience and as we just look

2779

01:45:57,590 --> 01:45:54,780

around everyone's doing it

2780

01:45:59,750 --> 01:45:57,600

doing it differently and you know I I so

2781

01:46:03,370 --> 01:45:59,760

I agree with you one thousand percent

2782

01:46:07,550 --> 01:46:03,380

that to try and apply our puny little

2783

01:46:10,550 --> 01:46:07,560

idea of what morale morality is is

2784

01:46:12,709 --> 01:46:10,560

really tricky but I Gotta Throw the butt

2785

01:46:16,010 --> 01:46:12,719

in there like you look at near-death

2786

01:46:17,090 --> 01:46:16,020

experience science which the interesting

2787

01:46:20,450 --> 01:46:17,100

thing about near-death experience

2788

01:46:22,550 --> 01:46:20,460

science is medically we understand that

2789

01:46:24,890 --> 01:46:22,560

those people are dead don't let anyone

2790

01:46:27,109 --> 01:46:24,900

tell you they're not really dead they're

2791

01:46:28,550 --> 01:46:27,119

dead by every means we've ever measured

2792

01:46:32,050 --> 01:46:28,560

death

2793

01:46:35,330 --> 01:46:32,060

and yet their Consciousness

2794

01:46:38,330 --> 01:46:35,340

continues to operate in some way and

2795

01:46:41,390 --> 01:46:38,340

what they uniformly come back and say is

2796

01:46:42,890 --> 01:46:41,400

yes to the morality yes to the to the

2797

01:46:45,350 --> 01:46:42,900

thing I think most of us just feel in

2798

01:46:47,090 --> 01:46:45,360

our soul is that

2799

01:46:50,390 --> 01:46:47,100

Humanity

2800

01:46:52,070 --> 01:46:50,400

is supposed to do good things you're

2801  
01:46:54,350 --> 01:46:52,080  
supposed to take care of other people

2802  
01:46:56,510 --> 01:46:54,360  
you're supposed to love other people

2803  
01:46:58,729 --> 01:46:56,520  
you're supposed to connect

2804  
01:47:02,570 --> 01:46:58,739  
that comes through when look at little

2805  
01:47:03,950 --> 01:47:02,580  
kids know that do that so yeah I I don't

2806  
01:47:05,350 --> 01:47:03,960  
know what

2807  
01:47:08,209 --> 01:47:05,360  
et's

2808  
01:47:11,330 --> 01:47:08,219  
nde looks like

2809  
01:47:13,790 --> 01:47:11,340  
but my Arch is et's nde looks a lot like

2810  
01:47:15,050 --> 01:47:13,800  
you're in my nde do you have any

2811  
01:47:16,970 --> 01:47:15,060  
thoughts on that

2812  
01:47:19,189 --> 01:47:16,980  
well again I don't know if we can really

2813  
01:47:20,750 --> 01:47:19,199

you know again I mean is human morality

2814

01:47:22,850 --> 01:47:20,760

I mean the same thing as I mean another

2815

01:47:24,830 --> 01:47:22,860

species or Another Kind Of Consciousness

2816

01:47:26,750 --> 01:47:24,840

I mean again I don't

2817

01:47:29,930 --> 01:47:26,760

I don't even know if we have any way to

2818

01:47:32,570 --> 01:47:29,940

assess that to be perfectly honest I

2819

01:47:33,890 --> 01:47:32,580

uh I mean maybe it's possible I mean if

2820

01:47:35,629 --> 01:47:33,900

we're correct on all the stuff with the

2821

01:47:37,250 --> 01:47:35,639

newness fear and I mean it all is some

2822

01:47:38,990 --> 01:47:37,260

kind of collective Consciousness that's

2823

01:47:41,330 --> 01:47:39,000

intertwined with one another and then

2824

01:47:43,070 --> 01:47:41,340

perhaps E.T is simply operating on a

2825

01:47:45,530 --> 01:47:43,080

higher sense of morality that we can't

2826

01:47:48,290 --> 01:47:45,540

you know necessarily comprehend

2827

01:47:50,030 --> 01:47:48,300

I don't know but I mean I do believe

2828

01:47:52,669 --> 01:47:50,040

that you know there is sort of an innate

2829

01:47:54,109 --> 01:47:52,679

uh morality within humans you know I

2830

01:47:56,090 --> 01:47:54,119

don't know that that can necessarily be

2831

01:47:57,770 --> 01:47:56,100

denied but yeah you know when you come

2832

01:48:00,169 --> 01:47:57,780

that sounds like a lot of humanistic

2833

01:48:04,070 --> 01:48:00,179

dribble I mean what the what I'm doing

2834

01:48:07,070 --> 01:48:04,080

is pointing to the data and the data is

2835

01:48:09,290 --> 01:48:07,080

scientific data and so the first

2836

01:48:11,109 --> 01:48:09,300

scientific data is that near-death

2837

01:48:13,609 --> 01:48:11,119

experiences

2838

01:48:15,590 --> 01:48:13,619

strongly suggest Consciousness survives

2839

01:48:18,590 --> 01:48:15,600

bodily death so the whole thing we're

2840

01:48:20,209 --> 01:48:18,600

conditioned to in school is to you know

2841

01:48:21,770 --> 01:48:20,219

you're just a biological robot in a

2842

01:48:23,209 --> 01:48:21,780

meaningless Universe there is no meaning

2843

01:48:24,890 --> 01:48:23,219

to your life there is no meaning to

2844

01:48:26,990 --> 01:48:24,900

anything you have to get past that or

2845

01:48:29,149 --> 01:48:27,000

you're not even in the game so we get

2846

01:48:31,430 --> 01:48:29,159

past that we get past scientism and then

2847

01:48:34,070 --> 01:48:31,440

we start asking the questions well what

2848

01:48:35,689 --> 01:48:34,080

is this extended realm the best data we

2849

01:48:37,430 --> 01:48:35,699

have again is this near-death experience

2850

01:48:39,950 --> 01:48:37,440

and you start looking at the accounts

2851

01:48:41,530 --> 01:48:39,960

broadly like Dr Jeff long and look at

2852

01:48:44,149 --> 01:48:41,540

the

2853

01:48:45,649 --> 01:48:44,159

nderf.org where he's compiled thousands

2854

01:48:48,229 --> 01:48:45,659

of them and he's analyzed them

2855

01:48:50,870 --> 01:48:48,239

statistically over and over again what

2856

01:48:53,330 --> 01:48:50,880

they come through with a high degree of

2857

01:48:54,950 --> 01:48:53,340

statistical significance is that this is

2858

01:48:56,990 --> 01:48:54,960

what they're telling us they're telling

2859

01:48:58,970 --> 01:48:57,000

us it's about love more than anything

2860

01:49:01,669 --> 01:48:58,980

else they're telling us it's about

2861

01:49:03,410 --> 01:49:01,679

connection more than anything else and

2862

01:49:04,970 --> 01:49:03,420

you can tease that out with well did

2863

01:49:07,550 --> 01:49:04,980

they see that in the movie did they see

2864

01:49:09,290 --> 01:49:07,560

that and the data still comes through

2865

01:49:10,310 --> 01:49:09,300

and says that that's what it is as a

2866

01:49:12,290 --> 01:49:10,320

matter of fact the data is kind of

2867

01:49:14,149 --> 01:49:12,300

misreported because everyone reports the

2868

01:49:15,950 --> 01:49:14,159

tunnel everyone reports all this other

2869

01:49:18,109 --> 01:49:15,960

stuff and it kind of comes through in

2870

01:49:19,729 --> 01:49:18,119

this humanistic way but that's not

2871

01:49:21,050 --> 01:49:19,739

really what the data is if you look at

2872

01:49:22,790 --> 01:49:21,060

it and Jeff Long wrote A New York Times

2873

01:49:25,790 --> 01:49:22,800

best-selling book anyone can go read it

2874

01:49:27,290 --> 01:49:25,800

but I have to tell you the other thing

2875

01:49:29,570 --> 01:49:27,300

that I got to call you out a little bit

2876

01:49:32,570 --> 01:49:29,580

I think you're sidestepping the data on

2877

01:49:35,149 --> 01:49:32,580

ET because Jeff Long hooked up with Ray

2878

01:49:38,689 --> 01:49:35,159

Hernandez and they did a similar study

2879

01:49:42,530 --> 01:49:38,699

of ET contact into grant Cameron's

2880

01:49:43,870 --> 01:49:42,540

credit when he reports like he did that

2881

01:49:48,890 --> 01:49:43,880

you know

2882

01:49:52,729 --> 01:49:48,900

80 81 or 91 percent of people don't want

2883

01:49:54,950 --> 01:49:52,739

the contact to stop a highly a high high

2884

01:49:57,589 --> 01:49:54,960

percentage of them felt that it was a

2885

01:50:00,229 --> 01:49:57,599

spiritual experience and but it isn't

2886

01:50:02,629 --> 01:50:00,239

uniform not everyone feels that way but

2887

01:50:04,370 --> 01:50:02,639

again that's data I don't know what you

2888

01:50:06,410 --> 01:50:04,380

do with that data I don't I'm not

2889

01:50:08,510 --> 01:50:06,420

inclined to sidestep that data I've

2890

01:50:11,030 --> 01:50:08,520

interviewed Ray I've read the book

2891

01:50:12,410 --> 01:50:11,040

I don't know how you do it better but if

2892

01:50:14,270 --> 01:50:12,420

somebody wants to go replicate it and

2893

01:50:16,070 --> 01:50:14,280

come up with some other data

2894

01:50:18,109 --> 01:50:16,080

great we'll throw that on the pile but

2895

01:50:21,050 --> 01:50:18,119

in the meantime you got to follow the

2896

01:50:23,689 --> 01:50:21,060

data and the data on nde says

2897

01:50:27,290 --> 01:50:23,699

hierarchy of Consciousness and the data

2898

01:50:30,350 --> 01:50:27,300

on ET says probably more good ET than

2899

01:50:33,470 --> 01:50:30,360

bad E.T like like is that should that be

2900

01:50:35,570 --> 01:50:33,480

a surprise in our world a lot more good

2901  
01:50:38,030 --> 01:50:35,580  
people than bad people but the

2902  
01:50:39,350 --> 01:50:38,040  
Psychopaths sure get their voice in you

2903  
01:50:40,550 --> 01:50:39,360  
know pretty good

2904  
01:50:42,709 --> 01:50:40,560  
mm-hmm

2905  
01:50:44,450 --> 01:50:42,719  
well I mean and that is the question I

2906  
01:50:45,830 --> 01:50:44,460  
mean you know I can only really kind of

2907  
01:50:49,250 --> 01:50:45,840  
relate this to my own personal

2908  
01:50:51,050 --> 01:50:49,260  
experiences I had an Obe probably around

2909  
01:50:54,050 --> 01:50:51,060  
the time when I was three or four years

2910  
01:50:56,450 --> 01:50:54,060  
old and it was a frankly it was an awful

2911  
01:50:58,129 --> 01:50:56,460  
experience it's uh probably traumatized

2912  
01:50:59,570 --> 01:50:58,139  
me for my entire life to be perfectly

2913  
01:51:02,149 --> 01:50:59,580

honest

2914

01:51:03,410 --> 01:51:02,159

but on the flip side of the coin I

2915

01:51:05,689 --> 01:51:03,420

probably wouldn't be sitting here doing

2916

01:51:07,550 --> 01:51:05,699

this interview with you uh if it wasn't

2917

01:51:10,790 --> 01:51:07,560

for that experience

2918

01:51:12,709 --> 01:51:10,800

so you know The Optimist in me likes to

2919

01:51:14,330 --> 01:51:12,719

think that I had to go through this

2920

01:51:16,370 --> 01:51:14,340

horrendous experience because there was

2921

01:51:19,609 --> 01:51:16,380

something in my future that I had to do

2922

01:51:21,229 --> 01:51:19,619

that I needed this experience for and

2923

01:51:23,750 --> 01:51:21,239

hopefully something benevolent was

2924

01:51:26,149 --> 01:51:23,760

guiding me towards all of these ends so

2925

01:51:28,129 --> 01:51:26,159

that I could do what I needed to do now

2926

01:51:29,450 --> 01:51:28,139

that could just simply be sophistry on

2927

01:51:31,010 --> 01:51:29,460

my part because I need to try to

2928

01:51:33,709 --> 01:51:31,020

rationalize why this awful thing

2929

01:51:35,930 --> 01:51:33,719

happened to me uh again I don't really

2930

01:51:38,750 --> 01:51:35,940

know but you know certainly it does seem

2931

01:51:40,970 --> 01:51:38,760

that there are negative experiences that

2932

01:51:42,169 --> 01:51:40,980

go into all of this you know that

2933

01:51:43,669 --> 01:51:42,179

definitely is something that can't be

2934

01:51:45,890 --> 01:51:43,679

denied and it's something that I think a

2935

01:51:48,109 --> 01:51:45,900

lot of new age types do tend to overlook

2936

01:51:49,850 --> 01:51:48,119

but I mean you know in the grand scheme

2937

01:51:52,070 --> 01:51:49,860

of things maybe there is a purpose to

2938

01:51:53,570 --> 01:51:52,080

the negative things that happen maybe

2939

01:51:55,790 --> 01:51:53,580

it's just like it is in the real world

2940

01:51:58,310 --> 01:51:55,800

or and I should say manifest day-to-day

2941

01:52:00,530 --> 01:51:58,320

life for us uh those of us in our meat

2942

01:52:02,270 --> 01:52:00,540

suits where you know most of the people

2943

01:52:04,189 --> 01:52:02,280

you encounter in day-to-day life are

2944

01:52:05,629 --> 01:52:04,199

pretty decent and may try to help you

2945

01:52:08,149 --> 01:52:05,639

and there are some people who are just

2946

01:52:10,669 --> 01:52:08,159

really [h\_\_\h] for whatever reason

2947

01:52:12,470 --> 01:52:10,679

but uh again I don't you know you would

2948

01:52:14,390 --> 01:52:12,480

kind of hope that uh when you got to

2949

01:52:15,830 --> 01:52:14,400

that level of conscious achievement or

2950

01:52:18,709 --> 01:52:15,840

something like that you would be above

2951

01:52:19,790 --> 01:52:18,719

this sort of petty malice but I don't

2952

01:52:24,290 --> 01:52:19,800

know

2953

01:52:25,790 --> 01:52:24,300

come back because this is there's a

2954

01:52:27,530 --> 01:52:25,800

subtlety to this that we all have to

2955

01:52:29,450 --> 01:52:27,540

play out I really really agree with the

2956

01:52:32,209 --> 01:52:29,460

point that you're making before because

2957

01:52:34,790 --> 01:52:32,219

I think the churchy kind of uh it's all

2958

01:52:37,370 --> 01:52:34,800

good Jesus loves me yes I know because

2959

01:52:41,330 --> 01:52:37,380

the Bible tells me so is out the window

2960

01:52:44,089 --> 01:52:41,340

and the only possibility is that it is

2961

01:52:47,330 --> 01:52:44,099

beyond our comprehension and in

2962

01:52:48,290 --> 01:52:47,340

invariably that's what all the ND ears

2963

01:52:51,950 --> 01:52:48,300

say

2964

01:52:54,709 --> 01:52:51,960

answers then I tried to pack it back

2965

01:52:56,629 --> 01:52:54,719

into here and I didn't and lo and behold

2966

01:52:58,490 --> 01:52:56,639

that's a lot of the ET contactors say

2967

01:53:01,129 --> 01:52:58,500

Ray Hernandez who had a direct

2968

01:53:02,750 --> 01:53:01,139

experience with ET that's what he says

2969

01:53:04,850 --> 01:53:02,760

and Ray Hernandez is not a chump I mean

2970

01:53:07,010 --> 01:53:04,860

he's a lawyer he's got degrees from

2971

01:53:09,410 --> 01:53:07,020

Stanford and I don't know where else but

2972

01:53:11,990 --> 01:53:09,420

knew everything when he was out outside

2973

01:53:15,410 --> 01:53:12,000

of Space and Time come back in this form

2974

01:53:18,770 --> 01:53:15,420

and it's like duh you know back a bit

2975

01:53:21,470 --> 01:53:18,780

just kind of an ordinary person uh we'll

2976

01:53:24,530 --> 01:53:21,480

wrap it up I cannot recommend more

2977

01:53:27,229 --> 01:53:24,540

highly the farm if you're at all engaged

2978

01:53:29,270 --> 01:53:27,239

by this kind of dialogue heck this guy

2979

01:53:32,450 --> 01:53:29,280

has these how often do you guys put out

2980

01:53:34,850 --> 01:53:32,460

a show we do it once a week man they're

2981

01:53:37,970 --> 01:53:34,860

amazing uh amazing you just did a thing

2982

01:53:39,410 --> 01:53:37,980

on crypto and it like completely turned

2983

01:53:40,970 --> 01:53:39,420

my world I don't want to say [h\_\_\h] upside

2984

01:53:43,010 --> 01:53:40,980

down because I was never into crypto but

2985

01:53:45,550 --> 01:53:43,020

it was like oh my God truth teller truth

2986

01:53:48,649 --> 01:53:45,560

tell her truth tell her fantastic show

2987

01:53:50,990 --> 01:53:48,659

peruse you will not you will not at all

2988

01:53:52,250 --> 01:53:51,000

be disappointed we'll look for the book

2989

01:53:53,330 --> 01:53:52,260

what else should we tell people about

2990

01:53:55,609 --> 01:53:53,340

Stephen

2991

01:53:57,890 --> 01:53:55,619

uh well I mean I've also got my longtime

2992

01:54:00,950 --> 01:53:57,900

uh website uh buys a view which you can

2993

01:54:02,209 --> 01:54:00,960

find advice of [you.blogspot.com](http://you.blogspot.com) I

2994

01:54:04,669 --> 01:54:02,219

haven't been able to do as much with

2995

01:54:06,169 --> 01:54:04,679

that as I uh would like to have in the

2996

01:54:07,609 --> 01:54:06,179

last year or so but hopefully we'll be

2997

01:54:10,910 --> 01:54:07,619

getting back to us some more regular

2998

01:54:12,649 --> 01:54:10,920

updates soon and uh yeah I might be

2999

01:54:14,330 --> 01:54:12,659

having another uh podcast coming out

3000

01:54:15,950 --> 01:54:14,340

here in the next couple of months as

3001

01:54:18,770 --> 01:54:15,960

well we'll just I have to see how all

3002

01:54:20,930 --> 01:54:18,780

that goes but uh yeah it's going to be

3003

01:54:22,070 --> 01:54:20,940

probably a busy 2022 for me I would

3004

01:54:24,770 --> 01:54:22,080

imagine

3005

01:54:28,070 --> 01:54:24,780

fantastic well I appreciate you coming

3006

01:54:29,870 --> 01:54:28,080

on and engaging in this kind of grilling

3007

01:54:31,250 --> 01:54:29,880

I mean it's I don't know how else to get

3008

01:54:32,689 --> 01:54:31,260

to the bottom of this stuff I mean you

3009

01:54:34,609 --> 01:54:32,699

got to kind of

3010

01:54:36,410 --> 01:54:34,619

hash out the stuff that you don't

3011

01:54:38,870 --> 01:54:36,420

exactly see eye to eye on otherwise it's

3012

01:54:40,609 --> 01:54:38,880

just more the kind of yeah cheerleader

3013

01:54:43,490 --> 01:54:40,619

oh yeah I mean the world would be pretty

3014

01:54:46,070 --> 01:54:43,500

dull if we all agreed on everything so

3015

01:54:48,589 --> 01:54:46,080

absolutely massive respect for what you

3016

01:54:49,850 --> 01:54:48,599

do thanks so much for being on thank you

3017

01:54:51,770 --> 01:54:49,860

for having me Alex

3018

01:54:53,689 --> 01:54:51,780

thanks again to Steven Snyder for

3019

01:54:55,129 --> 01:54:53,699

joining me today on skeptico the one

3020

01:54:57,169 --> 01:54:55,139

question I'd have to tee up from this

3021

01:55:00,950 --> 01:54:57,179

interview is the one I guess I started

3022

01:55:03,550 --> 01:55:00,960

with is pizzagate what do you think pure

3023

01:55:06,589 --> 01:55:03,560

disinformation campaign or

3024

01:55:09,770 --> 01:55:06,599

disinformation disinformation campaign

3025

01:55:12,709 --> 01:55:09,780

to distract us from what's really going

3026

01:55:15,709 --> 01:55:12,719

on as I said in the intro would love to

3027

01:55:18,169 --> 01:55:15,719

hear a deep dive engagement on that if

3028

01:55:20,930 --> 01:55:18,179

you got real stuff bring it and connect

3029

01:55:22,310 --> 01:55:20,940

with me it's fine to say you like the

3030

01:55:23,689 --> 01:55:22,320

show or something like that or you

3031

01:55:26,089 --> 01:55:23,699

appreciate it you've been listening for

3032

01:55:28,250 --> 01:55:26,099

a long time I'd love to hear that but I

3033

01:55:30,709 --> 01:55:28,260

don't care what I really want to know is

3034

01:55:33,770 --> 01:55:30,719

I want to know something new tell me

3035

01:55:36,169 --> 01:55:33,780

something new that I don't know join me

3036

01:55:38,209 --> 01:55:36,179

on the skeptical Forum join me over on

3037

01:55:40,550 --> 01:55:38,219

the new telegram I'll see how that works

3038

01:55:43,370 --> 01:55:40,560

if I can really find a way to engage

3039

01:55:45,350 --> 01:55:43,380

over there but connect connect with me

3040

01:55:47,570 --> 01:55:45,360

and help us grow this community I got

3041

01:55:49,550 --> 01:55:47,580

some good ones coming up please stay

3042

01:55:50,750 --> 01:55:49,560

with me for all of that until next time

3043

01:55:53,050 --> 01:55:50,760

take care
