EVIL?***

**#530-RICKY-VARANDAS**

1  
00:00:05,749 --> 00:00:03,350  
people all across this great nation are

2  
00:00:07,990 --> 00:00:05,759  
in pain

3  
00:00:10,549 --> 00:00:08,000  
your most effective talking point are

4  
00:00:12,709 --> 00:00:10,559  
these magic words

5  
00:00:14,629 --> 00:00:12,719  
less than one percent of people get

6  
00:00:20,790 --> 00:00:14,639  
addicted to oxycontin that's not

7  
00:00:23,600 --> 00:00:21,750  
we're going to do everything in our

8  
00:00:26,390 --> 00:00:23,610  
power to make sure justice is served

9  
00:00:28,310 --> 00:00:26,400  
[Music]

10  
00:00:31,310 --> 00:00:28,320  
that's a clip from the hulu series

11  
00:00:34,790 --> 00:00:31,320  
dopesick a show about the whole

12  
00:00:38,150 --> 00:00:34,800  
oxycontin and opioid crisis which of

13  
00:00:40,389 --> 00:00:38,160

course is so tragic so hard to hear but

14

00:00:42,790 --> 00:00:40,399

i think we have to go there because

15

00:00:45,670 --> 00:00:42,800

first and foremost dopesick is really

16

00:00:47,990 --> 00:00:45,680

about the corruption of science and

17

00:00:48,869 --> 00:00:48,000

that's really a great tie-in to today's

18

00:00:51,350 --> 00:00:48,879

guest

19

00:00:54,229 --> 00:00:51,360

the very excellent ricky verandes

20

00:00:58,069 --> 00:00:54,239

creator and host of the ripple effect

21

00:00:59,270 --> 00:00:58,079

podcast where he has interviewed some of

22

00:01:00,790 --> 00:00:59,280

the most

23

00:01:03,189 --> 00:01:00,800

top-notch

24

00:01:05,109 --> 00:01:03,199

scientists i mean people who just have

25

00:01:07,670 --> 00:01:05,119

stellar academic and publishing

26

00:01:10,070 --> 00:01:07,680

credentials but are being

27

00:01:13,350 --> 00:01:10,080

banned of course and suppressed because

28

00:01:15,990 --> 00:01:13,360

they don't follow the plandemic dogma

29

00:01:19,109 --> 00:01:16,000

and you just can't get a better example

30

00:01:22,310 --> 00:01:19,119

i think hard example of the corruption

31

00:01:24,630 --> 00:01:22,320

of science than that so we do talk about

32

00:01:27,190 --> 00:01:24,640

that but if you've listened to skeptico

33

00:01:29,910 --> 00:01:27,200

you might anticipate that i pulled ricky

34

00:01:31,749 --> 00:01:29,920

in some other directions as well for

35

00:01:34,469 --> 00:01:31,759

example

36

00:01:37,510 --> 00:01:34,479

we do not want to get pulled into

37

00:01:40,789 --> 00:01:37,520

another one of those protracted medical

38

00:01:41,910 --> 00:01:40,799

discussions what we want to understand

39

00:01:48,469 --> 00:01:41,920

is

40

00:01:50,630 --> 00:01:48,479

something that we could identify as good

41

00:01:52,469 --> 00:01:50,640

old-fashioned evil

42

00:01:55,030 --> 00:01:52,479

so i do realize that this is a drama

43

00:01:58,310 --> 00:01:55,040

i've been pounding on for a while but

44

00:02:00,230 --> 00:01:58,320

it always generates such an interesting

45

00:02:02,069 --> 00:02:00,240

discussion

46

00:02:03,670 --> 00:02:02,079

because you don't want to go there ricky

47

00:02:05,670 --> 00:02:03,680

that's where i'm pushing you that's how

48

00:02:07,190 --> 00:02:05,680

i want to get skeptical it's not about

49

00:02:10,229 --> 00:02:07,200

it's not just about pleasant

50

00:02:12,309 --> 00:02:10,239

conversations it's not just about

51  
00:02:14,470 --> 00:02:12,319  
everyone has an opinion and i'm going to

52  
00:02:17,270 --> 00:02:14,480  
start a commune in puerto vallarta

53  
00:02:19,910 --> 00:02:17,280  
mexico oh even better i got my seed

54  
00:02:22,630 --> 00:02:19,920  
stacked up in the garage and you know i

55  
00:02:25,110 --> 00:02:22,640  
can last obviously none of that works

56  
00:02:27,030 --> 00:02:25,120  
because on the on some kind of grander

57  
00:02:28,869 --> 00:02:27,040  
spiritual level

58  
00:02:31,910 --> 00:02:28,879  
who am i why am i here what am i

59  
00:02:33,990 --> 00:02:31,920  
supposed to do no absolutely it's evil

60  
00:02:36,949 --> 00:02:34,000  
and i think that

61  
00:02:40,150 --> 00:02:36,959  
a lot of the people who are the most

62  
00:02:42,710 --> 00:02:40,160  
outspoken the mo people that i've

63  
00:02:44,710 --> 00:02:42,720

taught dr peter mccullough dr kerry

64

00:02:47,430 --> 00:02:44,720

maday dell big tree

65

00:02:50,070 --> 00:02:47,440

mickey willis all these people

66

00:02:51,830 --> 00:02:50,080

are spiritual or religious and they're

67

00:02:54,550 --> 00:02:51,840

the ones who seem

68

00:02:55,910 --> 00:02:54,560

and and i could go down the list you

69

00:02:58,550 --> 00:02:55,920

attempted to scare the out of the

70

00:03:01,190 --> 00:02:58,560

population for 18 months

71

00:03:03,589 --> 00:03:01,200

it worked on in many cases there's a lot

72

00:03:04,630 --> 00:03:03,599

of people out there who truly truly are

73

00:03:06,229 --> 00:03:04,640

afraid

74

00:03:08,149 --> 00:03:06,239

so i think there's true believers

75

00:03:10,390 --> 00:03:08,159

there's some people who truly are

76

00:03:13,190 --> 00:03:10,400

pushing or helping

77

00:03:14,390 --> 00:03:13,200

the evil people who have a greater

78

00:03:15,589 --> 00:03:14,400

agenda

79

00:03:17,190 --> 00:03:15,599

who aren't

80

00:03:18,790 --> 00:03:17,200

true believers in the nonsense that

81

00:03:21,830 --> 00:03:18,800

they're pushing on to the public but

82

00:03:23,670 --> 00:03:21,840

using these people as pawns

83

00:03:25,910 --> 00:03:23,680

ricky is really doing some great work

84

00:03:29,030 --> 00:03:25,920

with the ripple effect podcast and with

85

00:03:31,830 --> 00:03:29,040

the union of the advantage show terrific

86

00:03:35,430 --> 00:03:31,840

show he co-created along with charlie

87

00:03:37,509 --> 00:03:35,440

and mike and sam tripoli so it was great

88

00:03:39,430 --> 00:03:37,519

having them on and having this kind of

89

00:03:40,789 --> 00:03:39,440

dialogue even though

90

00:03:42,710 --> 00:03:40,799

i had to do the little bit of the

91

00:03:44,869 --> 00:03:42,720

skeptical thing because well that's

92

00:03:47,190 --> 00:03:44,879

really where i'm coming from i mean we

93

00:03:49,350 --> 00:03:47,200

don't want an echo chamber we don't want

94

00:03:51,430 --> 00:03:49,360

to replace an echo chamber with another

95

00:03:53,589 --> 00:03:51,440

echo chamber

96

00:03:56,550 --> 00:03:53,599

we just want to get to the truth and

97

00:03:58,630 --> 00:03:56,560

sometimes the truth is messy

98

00:04:01,589 --> 00:03:58,640

here's my interview with ricky verandas

99

00:04:03,350 --> 00:04:01,599

if you like it share it around

100

00:04:05,830 --> 00:04:03,360

welcome to skeptica where we explore

101  
00:04:07,990 --> 00:04:05,840  
controversial science and spirituality

102  
00:04:10,229 --> 00:04:08,000  
with leading researchers thinkers and

103  
00:04:12,229 --> 00:04:10,239  
their critics i'm your host alex scarce

104  
00:04:14,550 --> 00:04:12,239  
and today we welcome

105  
00:04:17,189 --> 00:04:14,560  
ricky verandas to skeptico

106  
00:04:19,830 --> 00:04:17,199  
ricky is the creator and host of the

107  
00:04:23,110 --> 00:04:19,840  
very popular and very excellent

108  
00:04:24,629 --> 00:04:23,120  
great great interview-based show

109  
00:04:26,950 --> 00:04:24,639  
the ripple effect

110  
00:04:29,909 --> 00:04:26,960  
and the co-creator of

111  
00:04:32,629 --> 00:04:29,919  
the podcast that probably has the best

112  
00:04:34,710 --> 00:04:32,639  
chance of saving the world

113  
00:04:37,510 --> 00:04:34,720

and all of humanity

114

00:04:40,870 --> 00:04:37,520

the union of the unwanted

115

00:04:42,550 --> 00:04:40,880

i was on ricky's show a few weeks ago

116

00:04:43,749 --> 00:04:42,560

it was really great

117

00:04:46,629 --> 00:04:43,759

um

118

00:04:47,990 --> 00:04:46,639

a little bit uncomfortable at times but

119

00:04:50,469 --> 00:04:48,000

i'm always uncomfortable with the

120

00:04:52,390 --> 00:04:50,479

uncomfortable and ricky was right there

121

00:04:54,790 --> 00:04:52,400

with me i think we really kind of had a

122

00:04:57,430 --> 00:04:54,800

deep dive into some stuff we might pick

123

00:04:59,830 --> 00:04:57,440

up on some of those threads but what i

124

00:05:01,350 --> 00:04:59,840

really wanted to do is introduce you to

125

00:05:03,749 --> 00:05:01,360

this guy

126  
00:05:05,189 --> 00:05:03,759  
and his awesome work if you're not aware

127  
00:05:07,749 --> 00:05:05,199  
of it so

128  
00:05:09,670 --> 00:05:07,759  
ricky welcome to skeptico thank you so

129  
00:05:11,350 --> 00:05:09,680  
much for joining me

130  
00:05:13,749 --> 00:05:11,360  
thanks for having me alex i really

131  
00:05:15,029 --> 00:05:13,759  
appreciate it

132  
00:05:16,870 --> 00:05:15,039  
well like i said i think we're gonna

133  
00:05:19,670 --> 00:05:16,880  
have uh you know i think we're gonna

134  
00:05:21,510 --> 00:05:19,680  
have a good time uh maybe

135  
00:05:24,469 --> 00:05:21,520  
right but the first thing we ought to do

136  
00:05:26,310 --> 00:05:24,479  
is i gave this kind of introduction but

137  
00:05:28,469 --> 00:05:26,320  
actually we first turned on the screen

138  
00:05:30,230 --> 00:05:28,479

man you have your guitars in the

139

00:05:31,749 --> 00:05:30,240

background if people

140

00:05:33,909 --> 00:05:31,759

you know are lis most people are

141

00:05:34,629 --> 00:05:33,919

listening to the show or not watching it

142

00:05:36,550 --> 00:05:34,639

but

143

00:05:38,870 --> 00:05:36,560

yeah it's very cool studio and that's

144

00:05:39,830 --> 00:05:38,880

where ricky started and then i'm also

145

00:05:41,670 --> 00:05:39,840

showing

146

00:05:44,310 --> 00:05:41,680

the the shows on there the ripple effect

147

00:05:46,950 --> 00:05:44,320

the union i've wanted and ricky ranson

148

00:05:49,029 --> 00:05:46,960

rock fan so tell us how this all got

149

00:05:50,790 --> 00:05:49,039

started for you ricky and a little bit

150

00:05:52,790 --> 00:05:50,800

about these shows

151

00:05:54,230 --> 00:05:52,800

i will but before i forget it i've been

152

00:05:57,029 --> 00:05:54,240

meaning to ask you when are you coming

153

00:05:58,790 --> 00:05:57,039

to rockville are you ever gonna

154

00:06:00,309 --> 00:05:58,800

maybe post there or have you

155

00:06:02,070 --> 00:06:00,319

contemplated going over to rockfin

156

00:06:03,990 --> 00:06:02,080

because it's a great platform for people

157

00:06:06,230 --> 00:06:04,000

like you and i who are

158

00:06:08,390 --> 00:06:06,240

willing to kind of go wherever the

159

00:06:11,029 --> 00:06:08,400

conversation takes you and talk about

160

00:06:12,790 --> 00:06:11,039

maybe fringe topics or things that are

161

00:06:14,309 --> 00:06:12,800

slightly controversial because it's

162

00:06:16,309 --> 00:06:14,319

uncensored you don't have to worry about

163

00:06:17,430 --> 00:06:16,319

it and have you had any issues with with

164

00:06:18,950 --> 00:06:17,440

youtube

165

00:06:22,230 --> 00:06:18,960

in the past

166

00:06:24,469 --> 00:06:22,240

not not the kind that most people have

167

00:06:26,150 --> 00:06:24,479

flying under the radar which is both

168

00:06:28,070 --> 00:06:26,160

we're just both good and bad you know

169

00:06:31,270 --> 00:06:28,080

it's like you could but you know i was

170

00:06:34,469 --> 00:06:31,280

talking to charlie about it and i i

171

00:06:36,469 --> 00:06:34,479

i welcome that i'd also

172

00:06:38,309 --> 00:06:36,479

we'll we'll have a separate conversation

173

00:06:39,990 --> 00:06:38,319

about that because i think what you guys

174

00:06:41,350 --> 00:06:40,000

are doing

175

00:06:44,150 --> 00:06:41,360

has

176

00:06:46,390 --> 00:06:44,160

really does have have a lot of uh a lot

177

00:06:49,189 --> 00:06:46,400

of potential and you know i was on the

178

00:06:53,029 --> 00:06:49,199

union with you last night you were so

179

00:06:55,270 --> 00:06:53,039

nice to invite me on and it was awesome

180

00:06:57,589 --> 00:06:55,280

it was depressing

181

00:06:59,670 --> 00:06:57,599

because it was truth-oriented

182

00:07:01,110 --> 00:06:59,680

and even though people want to point to

183

00:07:03,110 --> 00:07:01,120

solutions

184

00:07:06,070 --> 00:07:03,120

it's a pretty grim situation that we're

185

00:07:08,550 --> 00:07:06,080

in but better to face it like you guys

186

00:07:09,990 --> 00:07:08,560

did on the union of the unwanted

187

00:07:12,309 --> 00:07:10,000

than to

188

00:07:14,469 --> 00:07:12,319

pretend it's something different so big

189

00:07:16,710 --> 00:07:14,479

congrats to you all for

190

00:07:19,510 --> 00:07:16,720

putting that together and doing that and

191

00:07:21,909 --> 00:07:19,520

uh yeah i'm i'm open to

192

00:07:24,469 --> 00:07:21,919

i'm open to whatever works

193

00:07:26,150 --> 00:07:24,479

in the in the larger sense and i know

194

00:07:28,309 --> 00:07:26,160

that's what you're doing too you're just

195

00:07:30,469 --> 00:07:28,319

trying to figure out you know what makes

196

00:07:33,110 --> 00:07:30,479

sense to do

197

00:07:35,670 --> 00:07:33,120

yeah i mean i'm one of those people that

198

00:07:38,309 --> 00:07:35,680

and you know you come from a business

199

00:07:39,749 --> 00:07:38,319

background and

200

00:07:41,990 --> 00:07:39,759

i also have kind of been in the

201

00:07:45,110 --> 00:07:42,000

corporate world a little bit slightly

202

00:07:47,029 --> 00:07:45,120

a lot of my life right after high school

203

00:07:49,350 --> 00:07:47,039

we started a family a family-owned

204

00:07:50,950 --> 00:07:49,360

construction company my father had a

205

00:07:52,309 --> 00:07:50,960

previous construction actually two

206

00:07:54,390 --> 00:07:52,319

previous construction companies with

207

00:07:56,629 --> 00:07:54,400

partners and both of them didn't work

208

00:07:58,230 --> 00:07:56,639

out and he's just like

209

00:07:59,510 --> 00:07:58,240

screw it it doesn't matter how how well

210

00:08:02,309 --> 00:07:59,520

you think you know somebody once money

211

00:08:04,469 --> 00:08:02,319

gets involved as as most of us know

212

00:08:06,790 --> 00:08:04,479

things change so he's like i'm not going

213

00:08:07,990 --> 00:08:06,800

to start another company unless

214

00:08:10,309 --> 00:08:08,000

the kids

215

00:08:11,749 --> 00:08:10,319

want to help because he's a i was born

216

00:08:13,830 --> 00:08:11,759

in portugal came to america when i was

217

00:08:16,309 --> 00:08:13,840

four but my dad grew up most of his life

218

00:08:18,869 --> 00:08:16,319

there and then when he came to america

219

00:08:21,189 --> 00:08:18,879

he came to ludlow which was a a town not

220

00:08:22,390 --> 00:08:21,199

too far from springfield massachusetts

221

00:08:24,390 --> 00:08:22,400

which some people might know because of

222

00:08:25,589 --> 00:08:24,400

the basketball hall of fame and whatnot

223

00:08:28,309 --> 00:08:25,599

and

224

00:08:29,990 --> 00:08:28,319

it was a huge immigrant population tons

225

00:08:31,589 --> 00:08:30,000

of polish people tons of portuguese

226

00:08:33,190 --> 00:08:31,599

people right off the boat

227

00:08:34,790 --> 00:08:33,200

so even till the state people were like

228

00:08:35,829 --> 00:08:34,800

how's your dad been in this country for

229

00:08:38,469 --> 00:08:35,839

so long

230

00:08:40,469 --> 00:08:38,479

and he still doesn't speak as good of

231

00:08:41,909 --> 00:08:40,479

english as you would expect him to

232

00:08:43,990 --> 00:08:41,919

and i'm like because he's never really

233

00:08:46,550 --> 00:08:44,000

had to he goes to portuguese butcher

234

00:08:48,230 --> 00:08:46,560

shops portuguese bakeries he's worked

235

00:08:49,910 --> 00:08:48,240

for portuguese people most of his life

236

00:08:51,990 --> 00:08:49,920

until he worked

237

00:08:54,790 --> 00:08:52,000

for him himself and even when he worked

238

00:08:56,949 --> 00:08:54,800

for himself that was kind of the deal

239

00:08:58,470 --> 00:08:56,959

was that my dad would be out in the

240

00:08:59,990 --> 00:08:58,480

field taking care of that stuff and then

241

00:09:03,030 --> 00:09:00,000

he would have a partner that would be a

242

00:09:05,030 --> 00:09:03,040

little bit more book savvy and and savvy

243

00:09:06,790 --> 00:09:05,040

with the language which also made it

244

00:09:08,070 --> 00:09:06,800

easier to kind of

245

00:09:10,389 --> 00:09:08,080

for him not to know what the hell was

246

00:09:11,430 --> 00:09:10,399

going on yeah yeah i was trying to be

247

00:09:13,269 --> 00:09:11,440

nice but you're right yeah you could

248

00:09:16,310 --> 00:09:13,279

kind of see where this story was going

249

00:09:19,670 --> 00:09:16,320

and yeah so without a doubt but

250

00:09:20,949 --> 00:09:19,680

coming to uh um america and and kind of

251

00:09:22,949 --> 00:09:20,959

uh

252

00:09:24,870 --> 00:09:22,959

just seeing the whole capitalistic kind

253

00:09:26,630 --> 00:09:24,880

of uh a world that you know i think

254

00:09:27,910 --> 00:09:26,640

something you talk about now i'm getting

255

00:09:29,910 --> 00:09:27,920

i'm losing my train i thought a little

256

00:09:32,230 --> 00:09:29,920

bit i'm moving into something you're

257

00:09:33,509 --> 00:09:32,240

what was your question before i continue

258

00:09:34,389 --> 00:09:33,519

this thought and go somewhere where

259

00:09:36,230 --> 00:09:34,399

maybe

260

00:09:37,509 --> 00:09:36,240

no please please continue because i

261

00:09:39,670 --> 00:09:37,519

think it's your background on how you

262

00:09:40,870 --> 00:09:39,680

got into all this stuff and and what you

263

00:09:42,870 --> 00:09:40,880

bring to it

264

00:09:44,710 --> 00:09:42,880

you're because what you're kind of

265

00:09:46,949 --> 00:09:44,720

talking about i think is part of the

266

00:09:48,550 --> 00:09:46,959

perspective that you bring whether it's

267

00:09:51,190 --> 00:09:48,560

explicit or

268

00:09:52,949 --> 00:09:51,200

just kind of baked into it you know it's

269

00:09:55,110 --> 00:09:52,959

cool you have a different

270

00:09:56,870 --> 00:09:55,120

a different perspective it's a

271

00:09:59,590 --> 00:09:56,880

it's a first generation kind of

272

00:10:01,110 --> 00:09:59,600

perspective kind of guy and

273

00:10:02,710 --> 00:10:01,120

yeah so so

274

00:10:04,389 --> 00:10:02,720

we i end up

275

00:10:06,389 --> 00:10:04,399

working construction with my father we

276

00:10:08,470 --> 00:10:06,399

had the small business uh with the

277

00:10:10,150 --> 00:10:08,480

family my brother and i decided to help

278

00:10:12,389 --> 00:10:10,160

my father out with the with the book

279

00:10:15,030 --> 00:10:12,399

stuff and and all the stuff that he was

280

00:10:17,030 --> 00:10:15,040

uh kind of restricted to

281

00:10:19,269 --> 00:10:17,040

so we would handle anything that he he

282

00:10:21,829 --> 00:10:19,279

couldn't do in regards to reading

283

00:10:23,829 --> 00:10:21,839

writing emails and as time went by

284

00:10:27,190 --> 00:10:23,839

we started in o4 so it was right after

285

00:10:28,550 --> 00:10:27,200

high school well i graduated o3 and we

286

00:10:30,630 --> 00:10:28,560

started o4

287

00:10:32,550 --> 00:10:30,640

and at that time really i mean you could

288

00:10:34,389 --> 00:10:32,560

kind of get away with a handshake and

289

00:10:36,470 --> 00:10:34,399

and there was there wasn't nearly as

290

00:10:39,750 --> 00:10:36,480

much paperwork as there is now now it's

291

00:10:41,750 --> 00:10:39,760

like i spend so much of my time

292

00:10:44,550 --> 00:10:41,760

in the office just catching up with

293

00:10:46,550 --> 00:10:44,560

paperwork and certified payrolls and all

294

00:10:49,110 --> 00:10:46,560

this you know uh submittals and all

295

00:10:50,550 --> 00:10:49,120

these requirements uh working for the

296

00:10:51,590 --> 00:10:50,560

state and that's a whole other

297

00:10:53,590 --> 00:10:51,600

conversation i mean working in

298

00:10:56,230 --> 00:10:53,600

massachusetts it's such a headache i

299

00:10:57,350 --> 00:10:56,240

mean just so much paperwork so and and

300

00:10:59,190 --> 00:10:57,360

this really

301  
00:11:01,430 --> 00:10:59,200  
kind of highlights some of the issues

302  
00:11:02,949 --> 00:11:01,440  
that a lot of like libertarians talk

303  
00:11:04,470 --> 00:11:02,959  
about how

304  
00:11:05,670 --> 00:11:04,480  
governments and

305  
00:11:09,269 --> 00:11:05,680  
a lot of

306  
00:11:11,269 --> 00:11:09,279  
in the way you know and you can kind of

307  
00:11:12,949 --> 00:11:11,279  
see that and it really benefits the

308  
00:11:15,190 --> 00:11:12,959  
bigger companies because smaller

309  
00:11:17,190 --> 00:11:15,200  
companies like us we have to do all the

310  
00:11:18,870 --> 00:11:17,200  
same amount of paperwork and

311  
00:11:20,069 --> 00:11:18,880  
deal with all the same certificates and

312  
00:11:20,870 --> 00:11:20,079  
requirements

313  
00:11:23,670 --> 00:11:20,880

but

314

00:11:25,269 --> 00:11:23,680

we have a small office it's me

315

00:11:27,910 --> 00:11:25,279

you know so it's like i don't have a lot

316

00:11:30,630 --> 00:11:27,920

of help and you know this is all stuff

317

00:11:32,230 --> 00:11:30,640

that doesn't really

318

00:11:33,430 --> 00:11:32,240

it you don't you don't make any money

319

00:11:35,670 --> 00:11:33,440

doing it it's just stuff that you have

320

00:11:37,670 --> 00:11:35,680

to do to eventually do the work to make

321

00:11:39,350 --> 00:11:37,680

you money but anyway so to make a long

322

00:11:41,670 --> 00:11:39,360

story short that's kind of the world

323

00:11:44,069 --> 00:11:41,680

that i got caught up into i was a

324

00:11:46,150 --> 00:11:44,079

musician initially and then as you get

325

00:11:48,710 --> 00:11:46,160

older and things like work and all these

326

00:11:50,389 --> 00:11:48,720

other things get in the way

327

00:11:51,990 --> 00:11:50,399

the band just became impossible to keep

328

00:11:54,069 --> 00:11:52,000

together it was just

329

00:11:56,150 --> 00:11:54,079

impossible and it was i'm one of those

330

00:11:59,030 --> 00:11:56,160

people that i'm kind of ocd and when i

331

00:12:01,110 --> 00:11:59,040

start a project i i i don't like all i

332

00:12:03,430 --> 00:12:01,120

do is think about it and and think about

333

00:12:05,509 --> 00:12:03,440

how to expand it and how to make it the

334

00:12:07,430 --> 00:12:05,519

best thing ever

335

00:12:10,230 --> 00:12:07,440

and when people aren't investing the

336

00:12:12,470 --> 00:12:10,240

same amount of mental energy and effort

337

00:12:15,190 --> 00:12:12,480

you kind of get discouraged so i started

338

00:12:17,670 --> 00:12:15,200

doing music on my own and this was uh

339

00:12:19,030 --> 00:12:17,680

right you know i started doing it

340

00:12:20,550 --> 00:12:19,040

basically sometime after high school

341

00:12:23,030 --> 00:12:20,560

when the band broke up

342

00:12:25,509 --> 00:12:23,040

but that got really hard too to kind of

343

00:12:27,430 --> 00:12:25,519

find time to do all that produce a whole

344

00:12:29,269 --> 00:12:27,440

song on your own all the music you hear

345

00:12:31,430 --> 00:12:29,279

on the ripple effect podcast is all my

346

00:12:33,590 --> 00:12:31,440

original music but it takes forever to

347

00:12:35,910 --> 00:12:33,600

do that it's time i mean it's super

348

00:12:37,750 --> 00:12:35,920

rewarding because as you know anything

349

00:12:39,269 --> 00:12:37,760

that the more work it takes to

350

00:12:41,030 --> 00:12:39,279

accomplish something the more rewarding

351  
00:12:42,629 --> 00:12:41,040  
it is after it's done

352  
00:12:45,110 --> 00:12:42,639  
but

353  
00:12:46,790 --> 00:12:45,120  
you know i i just it it really did get

354  
00:12:47,910 --> 00:12:46,800  
difficult to put out

355  
00:12:50,829 --> 00:12:47,920  
music

356  
00:12:53,590 --> 00:12:50,839  
at a rate that i that was satisfying

357  
00:12:56,629 --> 00:12:53,600  
and podcasting was just one of those

358  
00:12:58,550 --> 00:12:56,639  
things that that i i really

359  
00:13:01,030 --> 00:12:58,560  
got attracted to because i was doing a

360  
00:13:03,670 --> 00:13:01,040  
lot of commuting for work and i'm like

361  
00:13:07,190 --> 00:13:03,680  
oh my god i love documentaries i love

362  
00:13:09,190 --> 00:13:07,200  
reading and i love learning i can do

363  
00:13:10,550 --> 00:13:09,200

basically or learn the same type of

364

00:13:12,550 --> 00:13:10,560

things i was learning from documentaries

365

00:13:14,230 --> 00:13:12,560

and books but in the car i can listen to

366

00:13:15,990 --> 00:13:14,240

a conversation listen to really

367

00:13:16,790 --> 00:13:16,000

thought-provoking conversations that

368

00:13:18,790 --> 00:13:16,800

were

369

00:13:20,069 --> 00:13:18,800

organic and to me that was like the

370

00:13:23,509 --> 00:13:20,079

really important part that i think

371

00:13:25,350 --> 00:13:23,519

people really liked was how organic

372

00:13:28,069 --> 00:13:25,360

podcasts were you know you turn on the

373

00:13:30,629 --> 00:13:28,079

tv there's agendas you tur you read a

374

00:13:33,269 --> 00:13:30,639

newspaper there's you know narratives

375

00:13:35,509 --> 00:13:33,279

that they're pushing on you so you i i

376

00:13:36,949 --> 00:13:35,519

always felt like okay the whole world is

377

00:13:38,230 --> 00:13:36,959

trying to sell you something and they

378

00:13:40,230 --> 00:13:38,240

have a narrative that they're pushing on

379

00:13:41,990 --> 00:13:40,240

you and podcasts

380

00:13:43,750 --> 00:13:42,000

were at least the ones that i was

381

00:13:45,750 --> 00:13:43,760

listening to and i know there's now like

382

00:13:48,550 --> 00:13:45,760

corporate podcasts or whatnot but the

383

00:13:50,150 --> 00:13:48,560

ones i i was listening to seemed like a

384

00:13:51,990 --> 00:13:50,160

a organic conversation the type of

385

00:13:54,550 --> 00:13:52,000

conversation that you and i would have

386

00:13:57,110 --> 00:13:54,560

if we're at a bar and we're just

387

00:13:58,629 --> 00:13:57,120

bullshitting and talking and and you

388

00:14:00,629 --> 00:13:58,639

know it leads here and then it goes

389

00:14:01,430 --> 00:14:00,639

there and all these things so it makes

390

00:14:03,269 --> 00:14:01,440

it

391

00:14:05,509 --> 00:14:03,279

to me that that that was the appeal to

392

00:14:08,389 --> 00:14:05,519

it was listening to

393

00:14:09,910 --> 00:14:08,399

to to real people just share ideas

394

00:14:12,069 --> 00:14:09,920

challenge ideas that's why you know i

395

00:14:15,189 --> 00:14:12,079

always said i enjoy what you do in

396

00:14:16,629 --> 00:14:15,199

regards to your your willingness to to

397

00:14:18,870 --> 00:14:16,639

kind of push back a little bit because i

398

00:14:21,030 --> 00:14:18,880

think that is when you learn and you

399

00:14:22,629 --> 00:14:21,040

don't want to be in an echo chamber i

400

00:14:25,590 --> 00:14:22,639

i also think that's why the union

401  
00:14:28,870 --> 00:14:25,600  
unwanted is such a pop popular and

402  
00:14:30,150 --> 00:14:28,880  
unique show because we we do

403  
00:14:31,910 --> 00:14:30,160  
a little bit of everything we bring

404  
00:14:33,910 --> 00:14:31,920  
people from all different backgrounds

405  
00:14:36,069 --> 00:14:33,920  
and researchers and different thinkers

406  
00:14:38,710 --> 00:14:36,079  
and we don't always agree

407  
00:14:40,150 --> 00:14:38,720  
but it's nice to to

408  
00:14:41,750 --> 00:14:40,160  
bring those

409  
00:14:43,750 --> 00:14:41,760  
ideas together and then see them

410  
00:14:46,310 --> 00:14:43,760  
challenge in real time and see people

411  
00:14:47,670 --> 00:14:46,320  
discuss them and agree and disagree

412  
00:14:49,269 --> 00:14:47,680  
because that's where you grow and that's

413  
00:14:50,949 --> 00:14:49,279

where you learn so

414

00:14:53,670 --> 00:14:50,959

i eventually

415

00:14:55,189 --> 00:14:53,680

got in a podcast like like i said and

416

00:14:57,829 --> 00:14:55,199

after a while

417

00:15:00,550 --> 00:14:57,839

i uh i'm like you know what i have this

418

00:15:02,870 --> 00:15:00,560

recording studio i have this uh

419

00:15:04,389 --> 00:15:02,880

equipment i know how to record vocals i

420

00:15:06,310 --> 00:15:04,399

know how to use pro tools it's a

421

00:15:08,550 --> 00:15:06,320

software i use for my music

422

00:15:11,350 --> 00:15:08,560

and i'm like why not start a podcast and

423

00:15:13,509 --> 00:15:11,360

i had a co-host that i had to talk him

424

00:15:15,350 --> 00:15:13,519

into it he's a little older than i am

425

00:15:17,110 --> 00:15:15,360

and he's like what the the

426  
00:15:18,470 --> 00:15:17,120  
podcast and why would anybody want to

427  
00:15:19,350 --> 00:15:18,480  
just hear us talk

428  
00:15:20,949 --> 00:15:19,360  
and

429  
00:15:22,389 --> 00:15:20,959  
i would tell them like listen when we go

430  
00:15:24,310 --> 00:15:22,399  
out and we have these

431  
00:15:25,350 --> 00:15:24,320  
thought-provoking conversations where we

432  
00:15:28,949 --> 00:15:25,360  
would either

433  
00:15:31,269 --> 00:15:28,959  
share some personal stories or

434  
00:15:33,110 --> 00:15:31,279  
share some some really deep philosophy

435  
00:15:34,389 --> 00:15:33,120  
or something interesting that's going on

436  
00:15:36,230 --> 00:15:34,399  
in our lives or something interesting

437  
00:15:37,829 --> 00:15:36,240  
that we've read or watched

438  
00:15:39,509 --> 00:15:37,839

we enjoy those conversations that's why

439

00:15:41,430 --> 00:15:39,519

we say time flies right you're you're

440

00:15:43,749 --> 00:15:41,440

talking you're at a bar you're at the

441

00:15:45,749 --> 00:15:43,759

gym you're at the grocery grocery store

442

00:15:47,910 --> 00:15:45,759

wherever you are if you have those type

443

00:15:50,949 --> 00:15:47,920

of deep conversations the time just

444

00:15:52,870 --> 00:15:50,959

flies and you and it's really enjoyable

445

00:15:54,949 --> 00:15:52,880

and i'm like all we're doing is

446

00:15:56,629 --> 00:15:54,959

recording those conversations sharing

447

00:15:58,710 --> 00:15:56,639

them with the world and hoping people

448

00:16:01,030 --> 00:15:58,720

enjoy them as much as enjoy listen to

449

00:16:02,550 --> 00:16:01,040

them as much as we enjoy having them and

450

00:16:05,350 --> 00:16:02,560

the concept

451  
00:16:07,829 --> 00:16:05,360  
to him initially seemed so

452  
00:16:09,269 --> 00:16:07,839  
because i guess on the surface level the

453  
00:16:11,509 --> 00:16:09,279  
idea of just recording two people

454  
00:16:13,350 --> 00:16:11,519  
talking and putting it out there seems

455  
00:16:15,509 --> 00:16:13,360  
ridiculous but when you really put in

456  
00:16:18,310 --> 00:16:15,519  
perspective and you're like okay well do

457  
00:16:19,829 --> 00:16:18,320  
i enjoy having these conversations do i

458  
00:16:22,389 --> 00:16:19,839  
enjoy conversation do i learn from

459  
00:16:24,230 --> 00:16:22,399  
conversation um do i enjoy meeting

460  
00:16:26,069 --> 00:16:24,240  
somebody who has a really interesting

461  
00:16:27,910 --> 00:16:26,079  
thought-provoking perspective

462  
00:16:30,230 --> 00:16:27,920  
and and talking to them and kind of

463  
00:16:32,790 --> 00:16:30,240

dissecting the way they think and and

464

00:16:34,470 --> 00:16:32,800

some of their life experiences well i do

465

00:16:37,749 --> 00:16:34,480

then why wouldn't other people enjoy

466

00:16:39,990 --> 00:16:37,759

that and so it's really cool to archive

467

00:16:41,829 --> 00:16:40,000

those conversations and and and share

468

00:16:44,949 --> 00:16:41,839

them with the world and as the ripple

469

00:16:47,350 --> 00:16:44,959

effect podcast grew it one it became a

470

00:16:50,470 --> 00:16:47,360

example of the ripple effect because the

471

00:16:52,150 --> 00:16:50,480

whole idea was or at least the influence

472

00:16:54,389 --> 00:16:52,160

wha or the

473

00:16:56,389 --> 00:16:54,399

initial uh thought was

474

00:16:59,030 --> 00:16:56,399

to to start a ripple regardless how

475

00:17:01,430 --> 00:16:59,040

little or how large it might become

476  
00:17:03,350 --> 00:17:01,440  
do something because i was kind of doing

477  
00:17:04,949 --> 00:17:03,360  
a un and still kind of i am doing an

478  
00:17:07,990 --> 00:17:04,959  
unfulfilling job

479  
00:17:09,829 --> 00:17:08,000  
that really doesn't give me a purpose

480  
00:17:11,990 --> 00:17:09,839  
and i felt like something was missing

481  
00:17:14,710 --> 00:17:12,000  
and i've always been very artistic so it

482  
00:17:16,710 --> 00:17:14,720  
also help helps with kind of flexing

483  
00:17:18,949 --> 00:17:16,720  
that muscle and exercising that muscle

484  
00:17:21,110 --> 00:17:18,959  
of doing something creative

485  
00:17:22,710 --> 00:17:21,120  
so it will because again

486  
00:17:25,029 --> 00:17:22,720  
i think when you get older you kind of

487  
00:17:27,510 --> 00:17:25,039  
get in a routine you do a job and it

488  
00:17:29,669 --> 00:17:27,520

becomes very repetitive and your

489

00:17:31,590 --> 00:17:29,679

thinking becomes repetitive which i

490

00:17:33,590 --> 00:17:31,600

think can be a huge issue too which is

491

00:17:35,590 --> 00:17:33,600

why i think traveling or doing

492

00:17:37,909 --> 00:17:35,600

psychedelics or anything that gets you

493

00:17:40,310 --> 00:17:37,919

out of the same pattern of thinking is

494

00:17:41,830 --> 00:17:40,320

beneficial like just get yourself out of

495

00:17:43,430 --> 00:17:41,840

routine from time to time do something

496

00:17:45,909 --> 00:17:43,440

that's difficult do something that's

497

00:17:47,190 --> 00:17:45,919

different do something that will just

498

00:17:50,150 --> 00:17:47,200

make you look at things maybe from a

499

00:17:51,510 --> 00:17:50,160

different perspective uh but it gave me

500

00:17:53,990 --> 00:17:51,520

a sense of purpose and i'm like you know

501  
00:17:55,830 --> 00:17:54,000  
what regardless if one person listens or

502  
00:17:57,110 --> 00:17:55,840  
a million people listen um at least i'm

503  
00:17:59,029 --> 00:17:57,120  
gonna feel

504  
00:18:01,190 --> 00:17:59,039  
like i'm doing something and then as i

505  
00:18:03,190 --> 00:18:01,200  
became a parent it you know we talked

506  
00:18:05,190 --> 00:18:03,200  
about this when you're on my show it was

507  
00:18:07,110 --> 00:18:05,200  
really interesting for me to think about

508  
00:18:09,750 --> 00:18:07,120  
my kids being able to

509  
00:18:12,549 --> 00:18:09,760  
listen to their father

510  
00:18:14,710 --> 00:18:12,559  
before becoming a father and and through

511  
00:18:16,070 --> 00:18:14,720  
the whole experience and listening i

512  
00:18:17,830 --> 00:18:16,080  
mean it's interesting for me to listen

513  
00:18:20,230 --> 00:18:17,840

to myself

514

00:18:22,390 --> 00:18:20,240

years ago and just see where my ideas

515

00:18:24,950 --> 00:18:22,400

were and my thinking was and then see it

516

00:18:27,590 --> 00:18:24,960

progress i think it'll even even be more

517

00:18:28,789 --> 00:18:27,600

interesting for my children which

518

00:18:30,870 --> 00:18:28,799

you know they'll go back and be like

519

00:18:32,150 --> 00:18:30,880

okay what was my dad like when he first

520

00:18:33,830 --> 00:18:32,160

became a father what was my dad like

521

00:18:35,830 --> 00:18:33,840

when i was six when i was seven when i

522

00:18:38,630 --> 00:18:35,840

you know or what just seeing who he was

523

00:18:40,470 --> 00:18:38,640

when he was really young and

524

00:18:43,190 --> 00:18:40,480

i i think that's that's all super

525

00:18:45,669 --> 00:18:43,200

interesting i think many of us

526

00:18:48,390 --> 00:18:45,679

deal with this issue of not having some

527

00:18:49,830 --> 00:18:48,400

sense of fulfillment or purpose and we

528

00:18:51,830 --> 00:18:49,840

are just stuck in the system and that's

529

00:18:54,390 --> 00:18:51,840

a whole other conversation that we could

530

00:18:56,070 --> 00:18:54,400

you know also get into i'm a big fan of

531

00:18:57,669 --> 00:18:56,080

dr christopher ryan i think we might

532

00:18:59,830 --> 00:18:57,679

have mentioned him maybe we mentioned

533

00:19:01,909 --> 00:18:59,840

him when you were on my show uh who

534

00:19:03,669 --> 00:19:01,919

wrote civilization he's been on my show

535

00:19:05,750 --> 00:19:03,679

uh some years ago

536

00:19:06,950 --> 00:19:05,760

and i i just love this idea of

537

00:19:09,510 --> 00:19:06,960

questioning like what the hell is

538

00:19:11,029 --> 00:19:09,520

progress and he he uh christopher ryan

539

00:19:13,110 --> 00:19:11,039

always says this he's like if the

540

00:19:15,430 --> 00:19:13,120

winners right if the game is

541

00:19:17,990 --> 00:19:15,440

financial and getting all these material

542

00:19:20,070 --> 00:19:18,000

things which is basically the the

543

00:19:22,549 --> 00:19:20,080

the goal of most people

544

00:19:23,990 --> 00:19:22,559

and it's a goal that's not really

545

00:19:25,669 --> 00:19:24,000

something that's internal that we've

546

00:19:27,029 --> 00:19:25,679

decided this is what we want i think

547

00:19:29,430 --> 00:19:27,039

it's a lot of it's

548

00:19:31,830 --> 00:19:29,440

society and marketing you know edward

549

00:19:33,669 --> 00:19:31,840

bernays and propaganda all these uh

550

00:19:35,590 --> 00:19:33,679

techniques of getting you to want things

551  
00:19:37,110 --> 00:19:35,600  
that you don't actually need

552  
00:19:38,630 --> 00:19:37,120  
i think it convinces us that like okay

553  
00:19:39,990 --> 00:19:38,640  
if i go down this road of getting all

554  
00:19:41,750 --> 00:19:40,000  
these things

555  
00:19:43,669 --> 00:19:41,760  
then that's what success is and that's

556  
00:19:45,430 --> 00:19:43,679  
also what leads to happiness and i think

557  
00:19:46,950 --> 00:19:45,440  
many of us go down that road and find

558  
00:19:48,390 --> 00:19:46,960  
out like okay i'm not happy still what

559  
00:19:51,830 --> 00:19:48,400  
the wrong and then you start

560  
00:19:54,310 --> 00:19:51,840  
self-medicating or you end up um just

561  
00:19:55,669 --> 00:19:54,320  
trying to to find purpose or

562  
00:19:57,110 --> 00:19:55,679  
if you don't end up finding purpose you

563  
00:20:00,310 --> 00:19:57,120

want to depressed and

564

00:20:02,310 --> 00:20:00,320

and full of anxiety and uh it leads to a

565

00:20:04,230 --> 00:20:02,320

bunch of issues so i think it's really

566

00:20:05,750 --> 00:20:04,240

important for people to find something

567

00:20:09,190 --> 00:20:05,760

they love

568

00:20:11,270 --> 00:20:09,200

pursue it even if it's not financially

569

00:20:13,909 --> 00:20:11,280

a um

570

00:20:15,190 --> 00:20:13,919

it's not a a good idea in regards to

571

00:20:17,590 --> 00:20:15,200

finances

572

00:20:18,710 --> 00:20:17,600

do what what you enjoy my parents are

573

00:20:20,630 --> 00:20:18,720

old school

574

00:20:22,390 --> 00:20:20,640

like foreigners who grew up on a farm

575

00:20:23,590 --> 00:20:22,400

and and came to america to financially

576

00:20:25,909 --> 00:20:23,600

get ahead

577

00:20:27,510 --> 00:20:25,919

and i remember always arguing not

578

00:20:30,070 --> 00:20:27,520

arguing but like butting hands with my

579

00:20:31,669 --> 00:20:30,080

mother on anything i wanted to do that

580

00:20:32,549 --> 00:20:31,679

didn't get me financially ahead it was

581

00:20:33,669 --> 00:20:32,559

like well

582

00:20:34,710 --> 00:20:33,679

you know what if you get hurt playing

583

00:20:36,789 --> 00:20:34,720

basketball what do you get her playing

584

00:20:38,149 --> 00:20:36,799

soccer what if you get like what are you

585

00:20:39,990 --> 00:20:38,159

are you making any like the first

586

00:20:42,630 --> 00:20:40,000

question anytime i do anything and i'm

587

00:20:44,230 --> 00:20:42,640

i'm a little bit proud of like oh i i

588

00:20:45,590 --> 00:20:44,240

released my first podcast you know the

589

00:20:47,430 --> 00:20:45,600

first question out of my mother's mouth

590

00:20:50,149 --> 00:20:47,440

is oh are you making any money doing it

591

00:20:52,549 --> 00:20:50,159

you know oh i released uh uh some

592

00:20:53,750 --> 00:20:52,559

music uh first solo music oh great but

593

00:20:55,669 --> 00:20:53,760

are you making any money doing it you

594

00:20:57,270 --> 00:20:55,679

know it's like all it's always like and

595

00:21:00,230 --> 00:20:57,280

i think a lot of it's like the the

596

00:21:03,190 --> 00:21:00,240

immigrant mentality of you come from a a

597

00:21:05,350 --> 00:21:03,200

place where you're poor you had no

598

00:21:08,070 --> 00:21:05,360

running water you came to america took

599

00:21:09,750 --> 00:21:08,080

this giant risk to get ahead financially

600

00:21:11,830 --> 00:21:09,760

and then there's maybe some of that

601  
00:21:14,710 --> 00:21:11,840  
because my wife has a grandmother i

602  
00:21:16,310 --> 00:21:14,720  
would talk to a lot about um

603  
00:21:19,510 --> 00:21:16,320  
she grew up during the great depression

604  
00:21:21,669 --> 00:21:19,520  
she passed away uh not too long ago but

605  
00:21:22,870 --> 00:21:21,679  
i remember talking to her and it always

606  
00:21:25,350 --> 00:21:22,880  
seemed like

607  
00:21:26,710 --> 00:21:25,360  
because she went through such struggles

608  
00:21:28,870 --> 00:21:26,720  
there's always she was almost

609  
00:21:30,470 --> 00:21:28,880  
traumatized by those struggles and she

610  
00:21:32,549 --> 00:21:30,480  
was always concerned about possibly

611  
00:21:34,310 --> 00:21:32,559  
going back to that place so now she was

612  
00:21:36,070 --> 00:21:34,320  
like even though you know she's a good

613  
00:21:37,350 --> 00:21:36,080

saver and she she worked her ass off her

614

00:21:39,590 --> 00:21:37,360

whole life so money wasn't really an

615

00:21:41,110 --> 00:21:39,600

issue she always you would never know it

616

00:21:43,830 --> 00:21:41,120

because she was always acting like money

617

00:21:46,549 --> 00:21:43,840

was the issue by you know trying to find

618

00:21:47,830 --> 00:21:46,559

every place to save money or whatnot and

619

00:21:50,390 --> 00:21:47,840

i almost think

620

00:21:52,230 --> 00:21:50,400

the anxiety of of money growing up

621

00:21:53,350 --> 00:21:52,240

because when i came to america and

622

00:21:55,430 --> 00:21:53,360

believe me i

623

00:21:57,510 --> 00:21:55,440

i wasn't poor to to

624

00:21:59,990 --> 00:21:57,520

uh the extent that some people report

625

00:22:03,029 --> 00:22:00,000

you know where you don't have

626  
00:22:04,390 --> 00:22:03,039  
food and water or whatever um i mean i

627  
00:22:05,590 --> 00:22:04,400  
had the necessities growing up but i

628  
00:22:07,110 --> 00:22:05,600  
didn't have anything past the

629  
00:22:09,430 --> 00:22:07,120  
necessities i didn't you know i had

630  
00:22:12,070 --> 00:22:09,440  
handed me down clothes i had all so and

631  
00:22:13,669 --> 00:22:12,080  
and money was always a topic that i

632  
00:22:14,950 --> 00:22:13,679  
remember my parents just stressing about

633  
00:22:16,230 --> 00:22:14,960  
like how do we cut corners here how do

634  
00:22:18,310 --> 00:22:16,240  
we save money here don't spend money

635  
00:22:19,510 --> 00:22:18,320  
there you know and i think it even

636  
00:22:23,190 --> 00:22:19,520  
internally

637  
00:22:25,270 --> 00:22:23,200  
subconsciously somewhere it caused a uh

638  
00:22:27,430 --> 00:22:25,280

a relation where like money

639

00:22:29,909 --> 00:22:27,440

was i always had this relation of like

640

00:22:30,789 --> 00:22:29,919

negative feelings it was like anxiety

641

00:22:33,190 --> 00:22:30,799

uh

642

00:22:35,350 --> 00:22:33,200

fights arguments um

643

00:22:36,630 --> 00:22:35,360

it was so uh growing up like i almost

644

00:22:38,710 --> 00:22:36,640

went in the other direction where i'm

645

00:22:40,789 --> 00:22:38,720

like i wanna not think about money at

646

00:22:42,470 --> 00:22:40,799

all i'm like that artist where i'm just

647

00:22:44,710 --> 00:22:42,480

like i just want to do what i love and

648

00:22:45,750 --> 00:22:44,720

just hope things fall into place and not

649

00:22:47,430 --> 00:22:45,760

have money

650

00:22:49,190 --> 00:22:47,440

be in the back of my head all the time

651  
00:22:50,470 --> 00:22:49,200  
influencing every decision i make and

652  
00:22:52,149 --> 00:22:50,480  
everything i do

653  
00:22:53,029 --> 00:22:52,159  
and uh you know one thing i always tell

654  
00:22:54,230 --> 00:22:53,039  
my friends

655  
00:22:55,830 --> 00:22:54,240  
it's like you can make more money you

656  
00:22:58,070 --> 00:22:55,840  
can't make more time you know time's the

657  
00:23:01,430 --> 00:22:58,080  
most valuable thing and it's like if i'm

658  
00:23:03,510 --> 00:23:01,440  
out you know on vacation with my kids or

659  
00:23:04,789 --> 00:23:03,520  
you know out to you with my wife and

660  
00:23:06,310 --> 00:23:04,799  
we're like we're gonna drink a

661  
00:23:07,909 --> 00:23:06,320  
little too much and we're gonna get a

662  
00:23:09,830 --> 00:23:07,919  
hotel you know this is before kids when

663  
00:23:12,710 --> 00:23:09,840

we could do spontaneous things like this

664

00:23:14,149 --> 00:23:12,720

and get a hotel and and maybe overpay

665

00:23:15,590 --> 00:23:14,159

for the hotel because we want to have a

666

00:23:18,149 --> 00:23:15,600

good time tonight and we want to be

667

00:23:20,149 --> 00:23:18,159

responsible and and stay locally and not

668

00:23:21,750 --> 00:23:20,159

drive home it let's just have a

669

00:23:23,830 --> 00:23:21,760

good time you know and that was always

670

00:23:25,669 --> 00:23:23,840

like i'm like i can always make more

671

00:23:27,430 --> 00:23:25,679

money later you know and so all these

672

00:23:29,909 --> 00:23:27,440

things kind of factored into my thinking

673

00:23:31,350 --> 00:23:29,919

and you know now i'm going into a bunch

674

00:23:33,430 --> 00:23:31,360

of just

675

00:23:35,350 --> 00:23:33,440

childhood stuff that i think you know

676

00:23:37,270 --> 00:23:35,360

just influences who you become and who

677

00:23:38,950 --> 00:23:37,280

you are which is uh is always

678

00:23:40,710 --> 00:23:38,960

interesting you know just like going

679

00:23:42,230 --> 00:23:40,720

back and reflecting

680

00:23:44,630 --> 00:23:42,240

on your childhood

681

00:23:46,630 --> 00:23:44,640

and then trying to figure out okay

682

00:23:48,950 --> 00:23:46,640

what had a negative or positive effect

683

00:23:51,110 --> 00:23:48,960

on me or what influenced me that that

684

00:23:53,269 --> 00:23:51,120

molded my my way of thinking and my

685

00:23:55,269 --> 00:23:53,279

thought process now and i think we all

686

00:23:56,870 --> 00:23:55,279

we all have that right we all have

687

00:23:58,390 --> 00:23:56,880

things that we can look back at and be

688

00:24:01,350 --> 00:23:58,400

like okay i think that a bit bigger

689

00:24:04,149 --> 00:24:01,360

impact on me than maybe you know anybody

690

00:24:06,070 --> 00:24:04,159

thought would at the moment you know so

691

00:24:08,549 --> 00:24:06,080

it's it's fascinating it's it's all you

692

00:24:10,070 --> 00:24:08,559

know it's all part of kind of

693

00:24:11,990 --> 00:24:10,080

you know putting those pieces together

694

00:24:13,590 --> 00:24:12,000

and figuring out yourself and figuring

695

00:24:15,750 --> 00:24:13,600

out the world around you which is i

696

00:24:17,750 --> 00:24:15,760

guess the goal of my show and the goal

697

00:24:19,510 --> 00:24:17,760

of all of it i i think it's similar to

698

00:24:21,110 --> 00:24:19,520

your show one thing i love about your

699

00:24:22,710 --> 00:24:21,120

your show is that

700

00:24:24,149 --> 00:24:22,720

it's those big questions that you talk

701  
00:24:25,430 --> 00:24:24,159  
about and i think those big questions

702  
00:24:27,190 --> 00:24:25,440  
aren't asked

703  
00:24:28,630 --> 00:24:27,200  
enough and

704  
00:24:30,470 --> 00:24:28,640  
i think we're both very similar i've

705  
00:24:32,230 --> 00:24:30,480  
heard you say this too

706  
00:24:33,909 --> 00:24:32,240  
about how you're not a religious person

707  
00:24:36,149 --> 00:24:33,919  
i'm not either

708  
00:24:38,549 --> 00:24:36,159  
but i appreciate the fact that religious

709  
00:24:40,870 --> 00:24:38,559  
people do ask those questions or people

710  
00:24:43,269 --> 00:24:40,880  
who are in the philosophy ask those

711  
00:24:45,590 --> 00:24:43,279  
questions and i think that there's a lot

712  
00:24:47,269 --> 00:24:45,600  
of people who are just robots going on

713  
00:24:49,750 --> 00:24:47,279

with their day and never ask those

714

00:24:51,750 --> 00:24:49,760

questions and

715

00:24:53,590 --> 00:24:51,760

sometimes it's too late by the time you

716

00:24:55,430 --> 00:24:53,600

realize like maybe i should be asking

717

00:24:57,110 --> 00:24:55,440

those questions because i've been living

718

00:24:59,110 --> 00:24:57,120

a life without purpose

719

00:25:02,549 --> 00:24:59,120

or i've been unhappy and i've been

720

00:25:05,830 --> 00:25:02,559

masking it with this or that and um so i

721

00:25:07,269 --> 00:25:05,840

yeah i think podcasts are absolutely

722

00:25:09,750 --> 00:25:07,279

important because if you don't have

723

00:25:11,750 --> 00:25:09,760

religion if you don't have a church or

724

00:25:13,430 --> 00:25:11,760

if you're not interested in philosophy

725

00:25:15,590 --> 00:25:13,440

maybe you might listen to a podcast that

726  
00:25:17,909 --> 00:25:15,600  
might help you

727  
00:25:19,190 --> 00:25:17,919  
self-reflect a little bit and ask those

728  
00:25:21,029 --> 00:25:19,200  
what i think are super important

729  
00:25:24,230 --> 00:25:21,039  
questions

730  
00:25:25,990 --> 00:25:24,240  
tell us about the union of the unwanted

731  
00:25:28,950 --> 00:25:26,000  
and tell us in particular you know when

732  
00:25:31,190 --> 00:25:28,960  
i talk to normies and i talk to a bunch

733  
00:25:34,230 --> 00:25:31,200  
of normies

734  
00:25:36,070 --> 00:25:34,240  
on my show too and i

735  
00:25:37,830 --> 00:25:36,080  
i don't want to claim like you know

736  
00:25:40,310 --> 00:25:37,840  
that's like a

737  
00:25:43,190 --> 00:25:40,320  
complete goal of the thing but it just

738  
00:25:44,870 --> 00:25:43,200

turns out to be i mean i talked to who

739

00:25:46,710 --> 00:25:44,880

i'm going to bring them up on the screen

740

00:25:48,710 --> 00:25:46,720

i talked to scott shea what an

741

00:25:51,669 --> 00:25:48,720

interesting conversation guys probably a

742

00:25:53,510 --> 00:25:51,679

billionaire or close to it started a

743

00:25:55,430 --> 00:25:53,520

huge bank in new york and just wrote a

744

00:25:57,590 --> 00:25:55,440

book on

745

00:26:00,230 --> 00:25:57,600

conspiracies

746

00:26:02,230 --> 00:26:00,240

in academia but he's just focused on

747

00:26:05,510 --> 00:26:02,240

conspiracies against uh

748

00:26:07,830 --> 00:26:05,520

jews and anti-zionism and we zionism and

749

00:26:09,350 --> 00:26:07,840

we had a really interesting quote he was

750

00:26:11,269 --> 00:26:09,360

very good because i really challenged

751  
00:26:12,549 --> 00:26:11,279  
him on that but he was really able to

752  
00:26:13,669 --> 00:26:12,559  
kind of

753  
00:26:16,230 --> 00:26:13,679  
be there

754  
00:26:18,549 --> 00:26:16,240  
you know uh pam popper we both just

755  
00:26:20,870 --> 00:26:18,559  
talked too recently and i think we could

756  
00:26:22,549 --> 00:26:20,880  
talk about that in particular in

757  
00:26:25,029 --> 00:26:22,559  
how it has to do with science but who

758  
00:26:27,590 --> 00:26:25,039  
else oh these people you know sarah and

759  
00:26:30,230 --> 00:26:27,600  
jack gorman denying the deniers these

760  
00:26:31,830 --> 00:26:30,240  
are two people that have phds from

761  
00:26:35,110 --> 00:26:31,840  
columbia

762  
00:26:39,029 --> 00:26:35,120  
jack is still teaches at columbia and i

763  
00:26:41,669 --> 00:26:39,039

guess the reason i bring it up is

764

00:26:47,830 --> 00:26:45,110

what what the union of the unwanted

765

00:26:49,269 --> 00:26:47,840

does that like these normies that i'm

766

00:26:50,789 --> 00:26:49,279

talking about those people that have

767

00:26:52,950 --> 00:26:50,799

been on the show and i could go through

768

00:26:55,110 --> 00:26:52,960

all the lists you know resverg i could

769

00:26:58,710 --> 00:26:55,120

go through the last 10 people that i've

770

00:27:01,590 --> 00:26:58,720

had on the show eight out of ten of them

771

00:27:04,149 --> 00:27:01,600

would not understand the basic

772

00:27:07,190 --> 00:27:04,159

purpose the need

773

00:27:09,269 --> 00:27:07,200

for union of the unwanted the i they

774

00:27:10,950 --> 00:27:09,279

don't really get and i guess i want to

775

00:27:12,470 --> 00:27:10,960

kind of bring this up and and have you

776  
00:27:14,630 --> 00:27:12,480  
talk about it because you have personal

777  
00:27:16,470 --> 00:27:14,640  
experience with this

778  
00:27:19,990 --> 00:27:16,480  
being banned

779  
00:27:21,909 --> 00:27:20,000  
being bad for no reason you're

780  
00:27:25,510 --> 00:27:21,919  
interviewing a top

781  
00:27:27,830 --> 00:27:25,520  
virologist recognized you know

782  
00:27:30,470 --> 00:27:27,840  
in medical journals and you're being

783  
00:27:31,350 --> 00:27:30,480  
banned because you're interviewing that

784  
00:27:32,630 --> 00:27:31,360  
guy

785  
00:27:34,710 --> 00:27:32,640  
this is

786  
00:27:36,789 --> 00:27:34,720  
to to like you and i

787  
00:27:38,470 --> 00:27:36,799  
and the people you have on the union of

788  
00:27:41,029 --> 00:27:38,480

the unwanted

789

00:27:42,950 --> 00:27:41,039

it almost just kind of

790

00:27:45,190 --> 00:27:42,960

rolls off your back without even

791

00:27:47,669 --> 00:27:45,200

thinking of it but i want you to speak

792

00:27:51,110 --> 00:27:47,679

for a minute at that kind of

793

00:27:53,430 --> 00:27:51,120

basic level so people get a sense for

794

00:27:56,590 --> 00:27:53,440

who are the kind of people that are

795

00:27:59,190 --> 00:27:56,600

being snuffed out of the dialogue and

796

00:28:02,470 --> 00:27:59,200

systematically just

797

00:28:04,070 --> 00:28:02,480

removed from a scientific discussion

798

00:28:06,230 --> 00:28:04,080

you get you get the whole thing what i'm

799

00:28:08,950 --> 00:28:06,240

saying right

800

00:28:11,669 --> 00:28:08,960

yeah well i i was recently been on

801  
00:28:14,310 --> 00:28:11,679  
youtube the funny thing is i we use uh

802  
00:28:16,470 --> 00:28:14,320  
youtube tv at home when they cancel my

803  
00:28:18,710 --> 00:28:16,480  
youtube channel i couldn't i found out

804  
00:28:20,389 --> 00:28:18,720  
because in the morning youtube tv wasn't

805  
00:28:22,149 --> 00:28:20,399  
working and

806  
00:28:24,149 --> 00:28:22,159  
i'm like what what's going on here you

807  
00:28:25,350 --> 00:28:24,159  
know i went to go put on the tv and it

808  
00:28:27,110 --> 00:28:25,360  
wasn't working and then i found out that

809  
00:28:29,750 --> 00:28:27,120  
my channel was canceled

810  
00:28:31,750 --> 00:28:29,760  
or deleted

811  
00:28:33,510 --> 00:28:31,760  
uh and then they still charged me for

812  
00:28:35,909 --> 00:28:33,520  
youtube tv and i had to like contact

813  
00:28:37,669 --> 00:28:35,919

them like listen you guys you don't

814

00:28:39,909 --> 00:28:37,679

everything that was under that gmail

815

00:28:41,909 --> 00:28:39,919

account i had no access to anything like

816

00:28:45,350 --> 00:28:41,919

they just basically like no you don't

817

00:28:47,510 --> 00:28:45,360

exist and um so we end up you know uh

818

00:28:49,590 --> 00:28:47,520

obviously i had to create a new gmail

819

00:28:51,350 --> 00:28:49,600

account for now i have a youtube channel

820

00:28:53,990 --> 00:28:51,360

with clips or whatnot but the stuff that

821

00:28:55,990 --> 00:28:54,000

i was getting flagged for was and

822

00:28:59,190 --> 00:28:56,000

getting in trouble for word

823

00:29:00,230 --> 00:28:59,200

stuff with doctors which is kind of

824

00:29:02,230 --> 00:29:00,240

surprising because i'm like they're

825

00:29:04,149 --> 00:29:02,240

going to get me for when i have maybe a

826

00:29:07,350 --> 00:29:04,159

researcher who doesn't have a doc you

827

00:29:09,269 --> 00:29:07,360

know doesn't have a phd somebody who who

828

00:29:11,669 --> 00:29:09,279

doesn't practice medicine that would

829

00:29:13,590 --> 00:29:11,679

make more sense you know but when you're

830

00:29:16,389 --> 00:29:13,600

specifically going after

831

00:29:18,870 --> 00:29:16,399

you know i think dr kerry maday was one

832

00:29:20,789 --> 00:29:18,880

um dr robert malone

833

00:29:22,630 --> 00:29:20,799

i mean all these doctors that had on and

834

00:29:24,310 --> 00:29:22,640

their shows were being flagged

835

00:29:26,870 --> 00:29:24,320

and actually the first show that got

836

00:29:29,590 --> 00:29:26,880

flagged i believe was kevin sorbo

837

00:29:31,430 --> 00:29:29,600

hercules which was hilarious because

838

00:29:33,669 --> 00:29:31,440

i'm like okay well i didn't think he

839

00:29:35,590 --> 00:29:33,679

said anything too controversial but um

840

00:29:37,269 --> 00:29:35,600

but they're picking and choosing what

841

00:29:38,149 --> 00:29:37,279

narrative you're going to be able to see

842

00:29:40,230 --> 00:29:38,159

and

843

00:29:42,310 --> 00:29:40,240

they're i mean it's so deep when you

844

00:29:44,710 --> 00:29:42,320

think of the analytics the information

845

00:29:46,789 --> 00:29:44,720

that they gather all the

846

00:29:48,789 --> 00:29:46,799

great minds and software that that they

847

00:29:49,909 --> 00:29:48,799

have they know exactly

848

00:29:51,350 --> 00:29:49,919

what

849

00:29:53,830 --> 00:29:51,360

they want you to see

850

00:29:55,669 --> 00:29:53,840

how it affects who you are and what you

851  
00:29:58,950 --> 00:29:55,679  
become and how you think

852  
00:30:00,870 --> 00:29:58,960  
so it's it's scary you know it is scary

853  
00:30:03,029 --> 00:30:00,880  
but the censorship issue this is why

854  
00:30:05,190 --> 00:30:03,039  
when i went to rockfin

855  
00:30:08,310 --> 00:30:05,200  
initially i was because i i truly

856  
00:30:10,870 --> 00:30:08,320  
believe in the idea of of open source

857  
00:30:12,630 --> 00:30:10,880  
right i'm a big fan of james corbett

858  
00:30:14,470 --> 00:30:12,640  
when when uh way before i started my

859  
00:30:16,630 --> 00:30:14,480  
podcast i was he was one of the first

860  
00:30:18,149 --> 00:30:16,640  
guests on my show and i love this idea

861  
00:30:19,990 --> 00:30:18,159  
of open source like i don't care if i

862  
00:30:22,950 --> 00:30:20,000  
get the clicks i don't care if my

863  
00:30:24,389 --> 00:30:22,960

website gets clicks put put the

864

00:30:25,590 --> 00:30:24,399

information anywhere you want upload or

865

00:30:28,149 --> 00:30:25,600

whatever and i'm like i love that

866

00:30:29,350 --> 00:30:28,159

because it it shows that he's about the

867

00:30:31,590 --> 00:30:29,360

message he's about getting these

868

00:30:34,470 --> 00:30:31,600

conversations out there he's not about

869

00:30:36,470 --> 00:30:34,480

um you know making money and if he and

870

00:30:37,830 --> 00:30:36,480

he takes donations obviously

871

00:30:39,430 --> 00:30:37,840

if he can make money he can do it full

872

00:30:41,190 --> 00:30:39,440

time which he ends up

873

00:30:43,750 --> 00:30:41,200

doing and and that's one of the reasons

874

00:30:46,149 --> 00:30:43,760

we get the product but he had faith in

875

00:30:47,269 --> 00:30:46,159

the people that were getting value out

876  
00:30:49,990 --> 00:30:47,279  
of his

877  
00:30:52,870 --> 00:30:50,000  
product that they would contribute and

878  
00:30:55,110 --> 00:30:52,880  
and that end up being the case but

879  
00:30:58,230 --> 00:30:55,120  
you know so these alternative platforms

880  
00:30:59,669 --> 00:30:58,240  
i you know i never monetized on youtube

881  
00:31:00,389 --> 00:30:59,679  
because i was always concerned about

882  
00:31:01,830 --> 00:31:00,399  
like

883  
00:31:03,909 --> 00:31:01,840  
kind of you know for a lack of better

884  
00:31:05,750 --> 00:31:03,919  
term being a business partner with with

885  
00:31:07,350 --> 00:31:05,760  
youtube i'm like i never monetize i

886  
00:31:09,029 --> 00:31:07,360  
always age restricted my stuff and i

887  
00:31:11,110 --> 00:31:09,039  
think i went under the radar for a while

888  
00:31:13,590 --> 00:31:11,120

i remember when dr robert malone was on

889

00:31:15,269 --> 00:31:13,600

my show he he contacted me like a day or

890

00:31:17,190 --> 00:31:15,279

two later he's like how the hell is our

891

00:31:18,789 --> 00:31:17,200

interview still on youtube i'm like i

892

00:31:20,710 --> 00:31:18,799

don't know i'm like honestly i'm like i

893

00:31:22,870 --> 00:31:20,720

feel like i'm going out under the radar

894

00:31:25,029 --> 00:31:22,880

and it's okay and i don't know if the

895

00:31:26,470 --> 00:31:25,039

algorithms were were confused too

896

00:31:28,870 --> 00:31:26,480

because i would have somebody on like

897

00:31:31,909 --> 00:31:28,880

professor richard wolf who's a you know

898

00:31:34,070 --> 00:31:31,919

socialist and marxist scholar and and

899

00:31:35,750 --> 00:31:34,080

you know uh goes on shows just to talk

900

00:31:38,710 --> 00:31:35,760

about those topics and i would have a

901  
00:31:40,950 --> 00:31:38,720  
league camp on who's uh you know a

902  
00:31:43,269 --> 00:31:40,960  
left-leaning uh like progressive

903  
00:31:45,430 --> 00:31:43,279  
comedian and then i would have somebody

904  
00:31:46,950 --> 00:31:45,440  
on like roger stone or whatever so i

905  
00:31:48,870 --> 00:31:46,960  
don't know if maybe they were because

906  
00:31:51,269 --> 00:31:48,880  
you look at the q anon people or the

907  
00:31:52,950 --> 00:31:51,279  
like the real hardcore trump people

908  
00:31:55,590 --> 00:31:52,960  
they're the ones who were eliminated

909  
00:31:57,190 --> 00:31:55,600  
first and i'm like so i kind of had a

910  
00:31:58,789 --> 00:31:57,200  
little bit of hope that like maybe i'll

911  
00:32:00,070 --> 00:31:58,799  
go under the radar not because i care

912  
00:32:02,470 --> 00:32:00,080  
about youtube that's the other thing i

913  
00:32:04,070 --> 00:32:02,480

want to emphasize it's because shows

914

00:32:05,909 --> 00:32:04,080

like yours and other shows that are

915

00:32:08,070 --> 00:32:05,919

still on youtube that

916

00:32:10,870 --> 00:32:08,080

go against the grain like it's they're

917

00:32:13,029 --> 00:32:10,880

necessary because the people who are

918

00:32:14,950 --> 00:32:13,039

going on rockfin or odyssey or bitchu

919

00:32:16,389 --> 00:32:14,960

shooter rumble or any other websites you

920

00:32:17,830 --> 00:32:16,399

can find the video version of my

921

00:32:20,230 --> 00:32:17,840

episodes

922

00:32:23,430 --> 00:32:20,240

there are people who most likely

923

00:32:25,350 --> 00:32:23,440

already have similar views or at least

924

00:32:27,269 --> 00:32:25,360

intrigued with those uh alternative

925

00:32:29,110 --> 00:32:27,279

perspectives but there's a lot of

926  
00:32:31,190 --> 00:32:29,120  
you know use your word normies it's it's

927  
00:32:33,029 --> 00:32:31,200  
true there's a lot of people out there

928  
00:32:34,950 --> 00:32:33,039  
fault it's not a fall of their own like

929  
00:32:37,430 --> 00:32:34,960  
they might have never been exposed to

930  
00:32:40,230 --> 00:32:37,440  
something that truly

931  
00:32:42,789 --> 00:32:40,240  
shattered their their world view and if

932  
00:32:44,950 --> 00:32:42,799  
i can reach a couple of them on youtube

933  
00:32:45,990 --> 00:32:44,960  
because that's unfortunately the the

934  
00:32:47,590 --> 00:32:46,000  
majority of people when they're

935  
00:32:49,110 --> 00:32:47,600  
searching for information they're using

936  
00:32:50,950 --> 00:32:49,120  
google one and they're using youtube

937  
00:32:52,870 --> 00:32:50,960  
second it's the second biggest search

938  
00:32:54,630 --> 00:32:52,880

engine in the world so to be able to

939

00:32:56,389 --> 00:32:54,640

reach some of them

940

00:32:59,430 --> 00:32:56,399

would would be good i think it's a good

941

00:33:00,950 --> 00:32:59,440

thing and and it's necessary so it's a

942

00:33:02,470 --> 00:33:00,960

shame that they're

943

00:33:04,870 --> 00:33:02,480

getting rid of everything i mean

944

00:33:06,230 --> 00:33:04,880

obviously it's not about money it's not

945

00:33:08,710 --> 00:33:06,240

because there's some big channels that

946

00:33:11,350 --> 00:33:08,720

have been removed off youtube that i'm

947

00:33:12,630 --> 00:33:11,360

sure make them some decent money i mean

948

00:33:14,549 --> 00:33:12,640

you look at uh

949

00:33:17,990 --> 00:33:14,559

what's his name um

950

00:33:20,070 --> 00:33:18,000

uh the right-wing uh show uh

951  
00:33:21,669 --> 00:33:20,080  
crowder he he was uh

952  
00:33:22,870 --> 00:33:21,679  
you know another guy who's been getting

953  
00:33:25,750 --> 00:33:22,880  
in trouble and fighting with youtube i

954  
00:33:27,990 --> 00:33:25,760  
mean his show it's a huge show i'm sure

955  
00:33:30,549 --> 00:33:28,000  
they make youtube a lot of money so it's

956  
00:33:32,310 --> 00:33:30,559  
like it it's obvious it's not about the

957  
00:33:35,029 --> 00:33:32,320  
money it's about the narrative it's

958  
00:33:36,710 --> 00:33:35,039  
about a greater agenda and uh and the

959  
00:33:38,630 --> 00:33:36,720  
unions don't want it came from that

960  
00:33:41,029 --> 00:33:38,640  
because what happened was even though i

961  
00:33:42,710 --> 00:33:41,039  
wasn't banned until recently i would get

962  
00:33:44,870 --> 00:33:42,720  
warnings from time to time on my youtube

963  
00:33:46,870 --> 00:33:44,880

channel and a lot of other people that

964

00:33:48,710 --> 00:33:46,880

were friends of ours especially during

965

00:33:51,110 --> 00:33:48,720

2020 were getting

966

00:33:52,950 --> 00:33:51,120

banned or censored or deleted off all

967

00:33:54,470 --> 00:33:52,960

the major platforms

968

00:33:55,990 --> 00:33:54,480

so

969

00:33:58,470 --> 00:33:56,000

it was that it actually came from the

970

00:34:00,389 --> 00:33:58,480

origin of the unit unwanted came from

971

00:34:01,590 --> 00:34:00,399

like i always enjoyed doing swap cast if

972

00:34:03,430 --> 00:34:01,600

you go back

973

00:34:05,909 --> 00:34:03,440

you know in my archives you'll find a

974

00:34:08,149 --> 00:34:05,919

lot of shows where i'll i'll combine a

975

00:34:09,589 --> 00:34:08,159

couple guests and just because i think

976  
00:34:11,270 --> 00:34:09,599  
we can all bounce things off each other

977  
00:34:13,030 --> 00:34:11,280  
and it would it would lead to really

978  
00:34:14,869 --> 00:34:13,040  
interesting conversations so i was

979  
00:34:15,750 --> 00:34:14,879  
always a fan of those and then i ended

980  
00:34:19,030 --> 00:34:15,760  
up

981  
00:34:21,190 --> 00:34:19,040  
being on mike's obdm show

982  
00:34:23,030 --> 00:34:21,200  
and charlie it's like hey you were just

983  
00:34:24,550 --> 00:34:23,040  
on my favorite show and i'm like really

984  
00:34:25,669 --> 00:34:24,560  
he's like yeah i love the obd i'm like

985  
00:34:27,669 --> 00:34:25,679  
how about you

986  
00:34:29,669 --> 00:34:27,679  
like you know i we all do a show

987  
00:34:31,349 --> 00:34:29,679  
together we'll do a swap cast and he's

988  
00:34:33,190 --> 00:34:31,359

like oh that'd be awesome

989

00:34:34,710 --> 00:34:33,200

and then we decided to do a swap cast

990

00:34:36,389 --> 00:34:34,720

then i'm like hey let me email a couple

991

00:34:39,109 --> 00:34:36,399

people and see if anybody else wants a

992

00:34:40,310 --> 00:34:39,119

comment we'll do like a a hangout show

993

00:34:42,310 --> 00:34:40,320

and uh

994

00:34:43,750 --> 00:34:42,320

funny enough the only person who i

995

00:34:45,430 --> 00:34:43,760

emailed out of like you know a handful

996

00:34:47,349 --> 00:34:45,440

of people was sam sam was the only one

997

00:34:49,109 --> 00:34:47,359

so it ended up being us four

998

00:34:50,470 --> 00:34:49,119

and so it's funny how things work out

999

00:34:52,629 --> 00:34:50,480

because it's like if this little thing

1000

00:34:54,230 --> 00:34:52,639

turned out slightly different would

1001  
00:34:56,470 --> 00:34:54,240  
would i be here right now or would this

1002  
00:34:58,870 --> 00:34:56,480  
show even have been created so sam

1003  
00:35:00,310 --> 00:34:58,880  
because maybe if it was a big turnout

1004  
00:35:02,150 --> 00:35:00,320  
you know if everybody i emailed showed

1005  
00:35:03,589 --> 00:35:02,160  
up maybe you know it wouldn't we

1006  
00:35:06,150 --> 00:35:03,599  
wouldn't have had the chemistry and

1007  
00:35:08,550 --> 00:35:06,160  
decided as a group to to continue this

1008  
00:35:10,710 --> 00:35:08,560  
thing but sam was on the show and the

1009  
00:35:12,470 --> 00:35:10,720  
same triple a just so people believe

1010  
00:35:15,589 --> 00:35:12,480  
from the tinfoil hat podcast and eight

1011  
00:35:17,829 --> 00:35:15,599  
million other shows he does but he uh he

1012  
00:35:20,550 --> 00:35:17,839  
also has zero a spiritual podcast and a

1013  
00:35:22,150 --> 00:35:20,560

bunch of uh other shows but

1014

00:35:24,950 --> 00:35:22,160

we're all talking and we're talking

1015

00:35:26,470 --> 00:35:24,960

about the censorship issue and and mike

1016

00:35:28,550 --> 00:35:26,480

says yeah we're kind of like the union

1017

00:35:30,470 --> 00:35:28,560

of the unwanted you know and that's what

1018

00:35:33,190 --> 00:35:30,480

where it came from it was like we felt

1019

00:35:34,710 --> 00:35:33,200

unwanted from the major platforms and

1020

00:35:35,670 --> 00:35:34,720

immediately we're like

1021

00:35:37,750 --> 00:35:35,680

i don't know what we're going to do with

1022

00:35:39,829 --> 00:35:37,760

that name but mike hold on to that name

1023

00:35:41,430 --> 00:35:39,839

because that's a great that's just a has

1024

00:35:43,589 --> 00:35:41,440

it has a great ring to it you know it

1025

00:35:44,470 --> 00:35:43,599

could be a name of an album or a band or

1026

00:35:45,589 --> 00:35:44,480

something

1027

00:35:48,230 --> 00:35:45,599

and

1028

00:35:49,910 --> 00:35:48,240

i think he bought the url while we're on

1029

00:35:52,069 --> 00:35:49,920

uh while we were recording which was

1030

00:35:54,150 --> 00:35:52,079

pretty funny and so he ended up buying

1031

00:35:56,310 --> 00:35:54,160

the url and then and then we were we're

1032

00:35:58,710 --> 00:35:56,320

in a group uh text message talking to

1033

00:36:00,069 --> 00:35:58,720

four of us and i was like hey we should

1034

00:36:01,670 --> 00:36:00,079

get

1035

00:36:03,349 --> 00:36:01,680

do a show called the union done wanted

1036

00:36:05,109 --> 00:36:03,359

it was gonna be like a episode that was

1037

00:36:07,030 --> 00:36:05,119

gonna be open source this goes back to

1038

00:36:08,630 --> 00:36:07,040

like what i mentioned about my love for

1039

00:36:10,550 --> 00:36:08,640

open source i was telling the guys i'm

1040

00:36:11,910 --> 00:36:10,560

like let's make it open source let's get

1041

00:36:13,190 --> 00:36:11,920

all these people together in alternative

1042

00:36:14,630 --> 00:36:13,200

media world

1043

00:36:17,030 --> 00:36:14,640

let's get them all together on like a

1044

00:36:19,190 --> 00:36:17,040

zoom conference call and we'll make it

1045

00:36:21,270 --> 00:36:19,200

open source so everybody can share the

1046

00:36:23,750 --> 00:36:21,280

episode on their platforms call it the

1047

00:36:25,430 --> 00:36:23,760

union done wanted and

1048

00:36:26,390 --> 00:36:25,440

it would be a specific episode and then

1049

00:36:29,030 --> 00:36:26,400

we did our

1050

00:36:31,430 --> 00:36:29,040

our first like official union unwanted

1051

00:36:33,190 --> 00:36:31,440

show with the which ben swann was on

1052

00:36:35,990 --> 00:36:33,200

there i mean so many uh james corbett

1053

00:36:37,750 --> 00:36:36,000

was on there uh so many great uh people

1054

00:36:39,829 --> 00:36:37,760

from the alternative media community we

1055

00:36:41,510 --> 00:36:39,839

got them all together

1056

00:36:43,670 --> 00:36:41,520

we talked about solutions and what we're

1057

00:36:46,230 --> 00:36:43,680

dealing with and uh and it was awesome

1058

00:36:47,910 --> 00:36:46,240

and we i loved it and i've i've always

1059

00:36:50,069 --> 00:36:47,920

been a people's person like i love

1060

00:36:52,870 --> 00:36:50,079

meeting people i feel like everybody has

1061

00:36:54,150 --> 00:36:52,880

a interesting story or interesting well

1062

00:36:55,990 --> 00:36:54,160

i shouldn't say everybody there's some

1063

00:36:57,910 --> 00:36:56,000

dumb people out there that are too

1064

00:37:00,550 --> 00:36:57,920

fascinating but there's

1065

00:37:02,150 --> 00:37:00,560

the majority of the time um i'm

1066

00:37:03,910 --> 00:37:02,160

pleasantly surprised that people are

1067

00:37:06,550 --> 00:37:03,920

much more interesting and fascinating

1068

00:37:07,990 --> 00:37:06,560

than initially think in many cases and

1069

00:37:09,750 --> 00:37:08,000

so i've always loved meeting people and

1070

00:37:13,030 --> 00:37:09,760

talking to them and i remember even when

1071

00:37:14,630 --> 00:37:13,040

i was single like going out um

1072

00:37:15,750 --> 00:37:14,640

my friends would think i was kidding but

1073

00:37:17,270 --> 00:37:15,760

like

1074

00:37:18,790 --> 00:37:17,280

much of the fun of being single and

1075

00:37:20,550 --> 00:37:18,800

meeting girls was like hearing their

1076

00:37:22,230 --> 00:37:20,560

story and and they would always like

1077

00:37:23,829 --> 00:37:22,240

think i'm i'm like just busting their

1078

00:37:24,870 --> 00:37:23,839

balls like i was making a joke no no i

1079

00:37:26,790 --> 00:37:24,880

actually

1080

00:37:28,710 --> 00:37:26,800

care about like where they're from or

1081

00:37:31,510 --> 00:37:28,720

you know how they were brought up and

1082

00:37:32,950 --> 00:37:31,520

all that stuff so um so it was a perfect

1083

00:37:34,950 --> 00:37:32,960

fit for me because i'm like i love the

1084

00:37:36,630 --> 00:37:34,960

uni unwanted i get to have a bunch of

1085

00:37:40,069 --> 00:37:36,640

people together talk to them meet some

1086

00:37:41,910 --> 00:37:40,079

new people uh have on old friends and

1087

00:37:44,550 --> 00:37:41,920

have them you know meet other friends

1088

00:37:46,069 --> 00:37:44,560

and it became like a community and

1089

00:37:47,349 --> 00:37:46,079

what i was seeing a lot when we would

1090

00:37:48,470 --> 00:37:47,359

bring people together and the cool thing

1091

00:37:50,550 --> 00:37:48,480

is like

1092

00:37:53,589 --> 00:37:50,560

mike's been doing podcasting for a long

1093

00:37:56,710 --> 00:37:53,599

time i've been doing uh podcasting for a

1094

00:37:59,109 --> 00:37:56,720

long time and charlie's he had a book dr

1095

00:38:01,430 --> 00:37:59,119

what's global control which um got he

1096

00:38:02,710 --> 00:38:01,440

got to know a lot of podcasters and

1097

00:38:04,710 --> 00:38:02,720

people in the community sam's been

1098

00:38:07,109 --> 00:38:04,720

around for a while too

1099

00:38:08,870 --> 00:38:07,119

so we all kind of

1100

00:38:10,710 --> 00:38:08,880

we're all similar in regard it's funny

1101

00:38:11,990 --> 00:38:10,720

how different we are but one thing that

1102

00:38:13,910 --> 00:38:12,000

i've told the guys is i'm like the one

1103

00:38:16,150 --> 00:38:13,920

thing that makes us all very similar and

1104

00:38:18,630 --> 00:38:16,160

i think one of the reasons why it works

1105

00:38:20,470 --> 00:38:18,640

is that none of us have labels like

1106

00:38:23,829 --> 00:38:20,480

we're not like a conservative guy or a

1107

00:38:25,990 --> 00:38:23,839

liberal guy or a whatever like

1108

00:38:28,550 --> 00:38:26,000

we just like meeting people and

1109

00:38:31,430 --> 00:38:28,560

exploring ideas and because of that i

1110

00:38:33,510 --> 00:38:31,440

think you look at our track history

1111

00:38:35,750 --> 00:38:33,520

people like us and people were willing

1112

00:38:37,109 --> 00:38:35,760

to come on the show because they didn't

1113

00:38:39,190 --> 00:38:37,119

feel like they're going to get attacked

1114

00:38:41,430 --> 00:38:39,200

they didn't feel like we had a agenda

1115

00:38:43,510 --> 00:38:41,440

because they knew us as as people didn't

1116

00:38:45,109 --> 00:38:43,520

have agendas or

1117

00:38:46,630 --> 00:38:45,119

we weren't trying to spark debates for

1118

00:38:47,670 --> 00:38:46,640

the sake of debating or making somebody

1119

00:38:48,550 --> 00:38:47,680

look bad

1120

00:38:51,430 --> 00:38:48,560

so

1121

00:38:52,870 --> 00:38:51,440

having that that uh great relationship

1122

00:38:55,030 --> 00:38:52,880

with people with all the guests have

1123

00:38:56,630 --> 00:38:55,040

been on my show throughout the years i i

1124

00:38:58,150 --> 00:38:56,640

you know i just started booking people

1125

00:39:00,390 --> 00:38:58,160

and i started bringing like just

1126  
00:39:02,710 --> 00:39:00,400  
interesting people in and it just kept

1127  
00:39:05,190 --> 00:39:02,720  
growing and it was cool because it

1128  
00:39:07,910 --> 00:39:05,200  
almost like self marketed itself because

1129  
00:39:10,310 --> 00:39:07,920  
the whole open source thing initially

1130  
00:39:11,670 --> 00:39:10,320  
i i pushed this on the guys because one

1131  
00:39:14,069 --> 00:39:11,680  
that's what i do with my show i tell

1132  
00:39:16,790 --> 00:39:14,079  
people like post it anywhere you want

1133  
00:39:18,310 --> 00:39:16,800  
i'm on a lot of alternative platforms

1134  
00:39:20,710 --> 00:39:18,320  
and sometimes

1135  
00:39:23,430 --> 00:39:20,720  
other people with my shows

1136  
00:39:25,190 --> 00:39:23,440  
on their channel have more subscribers

1137  
00:39:26,390 --> 00:39:25,200  
and more views in my show but i don't

1138  
00:39:29,670 --> 00:39:26,400

care because at least they're getting

1139

00:39:32,069 --> 00:39:29,680

getting exposed to the the conversation

1140

00:39:34,390 --> 00:39:32,079

which is the most important thing so but

1141

00:39:36,230 --> 00:39:34,400

it started self marketing because what

1142

00:39:38,950 --> 00:39:36,240

would happen is that

1143

00:39:41,190 --> 00:39:38,960

you know monica perez or the truth zilla

1144

00:39:43,190 --> 00:39:41,200

crew or whoever it might be when they're

1145

00:39:46,069 --> 00:39:43,200

on we send them the links and we're like

1146

00:39:47,750 --> 00:39:46,079

you can share it on your platform and so

1147

00:39:50,150 --> 00:39:47,760

people who might not know what the union

1148

00:39:52,390 --> 00:39:50,160

don't want it is they end up hearing it

1149

00:39:54,390 --> 00:39:52,400

on some other platform and people would

1150

00:39:56,150 --> 00:39:54,400

talk about it and and whatever so it

1151  
00:39:58,550 --> 00:39:56,160  
just kept growing and then you'd see a

1152  
00:40:00,230 --> 00:39:58,560  
lot of people connect after after the

1153  
00:40:02,870 --> 00:40:00,240  
show that was one thing i really liked

1154  
00:40:05,270 --> 00:40:02,880  
was that after the show you would see

1155  
00:40:06,790 --> 00:40:05,280  
two people that were on the show

1156  
00:40:09,190 --> 00:40:06,800  
interview each other and i'm like oh

1157  
00:40:12,069 --> 00:40:09,200  
this is really creating a community so

1158  
00:40:13,750 --> 00:40:12,079  
it was which is why i've pushed back a

1159  
00:40:15,430 --> 00:40:13,760  
little bit like there's been a little

1160  
00:40:17,910 --> 00:40:15,440  
bit of a internal conversation about

1161  
00:40:19,510 --> 00:40:17,920  
like hey you know um should we do ads

1162  
00:40:21,190 --> 00:40:19,520  
should we do you know and it's kind of

1163  
00:40:23,030 --> 00:40:21,200

just been thrown out there i'm like

1164

00:40:24,790 --> 00:40:23,040

i've always i always feel like i'm the

1165

00:40:27,750 --> 00:40:24,800

jerk who kind of pushes back against it

1166

00:40:30,230 --> 00:40:27,760

a little bit just because i i love

1167

00:40:32,069 --> 00:40:30,240

the idea so much and what it's become

1168

00:40:33,510 --> 00:40:32,079

and how it's helped other podcasters

1169

00:40:36,230 --> 00:40:33,520

that's like another thing is like if you

1170

00:40:40,150 --> 00:40:36,240

go back in our archives one thing i we

1171

00:40:42,710 --> 00:40:40,160

consciously do is that we'll look for a

1172

00:40:44,950 --> 00:40:42,720

up-and-coming show and we'll we'll give

1173

00:40:46,870 --> 00:40:44,960

them an opportunity to get a platform i

1174

00:40:47,829 --> 00:40:46,880

mean at one time truthzilla was that i

1175

00:40:51,910 --> 00:40:47,839

remember

1176

00:40:53,190 --> 00:40:51,920

me wherever they wrote me uh about

1177

00:40:55,990 --> 00:40:53,200

starting a show i'm like yeah yeah if

1178

00:40:57,270 --> 00:40:56,000

you need any advice i'll help you and i

1179

00:40:59,510 --> 00:40:57,280

mean there's plenty of podcasts out

1180

00:41:02,150 --> 00:40:59,520

there i mean many many podcasts that

1181

00:41:03,910 --> 00:41:02,160

i've uh i've told them the same and and

1182

00:41:06,150 --> 00:41:03,920

you know i'll tell them like this is how

1183

00:41:08,870 --> 00:41:06,160

i record and this is how i post and i

1184

00:41:11,109 --> 00:41:08,880

use automatic uh to post my shows and

1185

00:41:13,750 --> 00:41:11,119

and all this other stuff and uh so i

1186

00:41:15,349 --> 00:41:13,760

help out any way i can and then to have

1187

00:41:16,870 --> 00:41:15,359

them come on you don't want and give

1188

00:41:19,750 --> 00:41:16,880

them that little bit of a bump i mean

1189

00:41:21,030 --> 00:41:19,760

it's not that the show's huge but it's

1190

00:41:22,309 --> 00:41:21,040

big enough where it does help these

1191

00:41:24,550 --> 00:41:22,319

smaller shows

1192

00:41:26,630 --> 00:41:24,560

and um it makes me feel good like you

1193

00:41:28,550 --> 00:41:26,640

know i've had people say that we're you

1194

00:41:31,190 --> 00:41:28,560

know i'm kind of like the joe rogan of

1195

00:41:32,390 --> 00:41:31,200

podcasts or the alternative uh community

1196

00:41:34,069 --> 00:41:32,400

because joe rogan's always telling

1197

00:41:35,349 --> 00:41:34,079

people start a podcast start a podcast

1198

00:41:37,349 --> 00:41:35,359

and on my show i'm always like start a

1199

00:41:40,950 --> 00:41:37,359

podcast start a podcast i'll help you

1200

00:41:43,589 --> 00:41:40,960

and uh so it really it's become

1201  
00:41:45,589 --> 00:41:43,599  
something bigger than any of the hosts

1202  
00:41:48,790 --> 00:41:45,599  
or even any the participants it's like

1203  
00:41:50,390 --> 00:41:48,800  
it's a community and people people love

1204  
00:41:52,150 --> 00:41:50,400  
tuning in and seeing who's going to be

1205  
00:41:53,430 --> 00:41:52,160  
on there next and it's funny because

1206  
00:41:54,870 --> 00:41:53,440  
people will always ask like who's going

1207  
00:41:56,870 --> 00:41:54,880  
to be on the show like even participants

1208  
00:41:59,030 --> 00:41:56,880  
will be and i'm like honestly i can tell

1209  
00:42:02,710 --> 00:41:59,040  
you who i asked to come on the show but

1210  
00:42:04,470 --> 00:42:02,720  
it's so random and it i i actually love

1211  
00:42:06,069 --> 00:42:04,480  
that aspect of it because

1212  
00:42:07,829 --> 00:42:06,079  
i don't know if you've had you know how

1213  
00:42:09,270 --> 00:42:07,839

your group of friends are alex but when

1214

00:42:11,030 --> 00:42:09,280

i go out with my friends we would always

1215

00:42:12,630 --> 00:42:11,040

have this issue where it's like it's not

1216

00:42:13,990 --> 00:42:12,640

an issue but we'd always kind of joke

1217

00:42:15,990 --> 00:42:14,000

about how

1218

00:42:17,990 --> 00:42:16,000

you have the friends to get there early

1219

00:42:19,670 --> 00:42:18,000

you have the friends that uh get there

1220

00:42:21,190 --> 00:42:19,680

late you have the friends that said

1221

00:42:22,309 --> 00:42:21,200

they're gonna come that don't come you

1222

00:42:23,589 --> 00:42:22,319

have the friends that didn't sound like

1223

00:42:25,750 --> 00:42:23,599

they were gonna come that end up showing

1224

00:42:26,950 --> 00:42:25,760

up and it's fun you go out you have a

1225

00:42:28,710 --> 00:42:26,960

couple drinks like hey we're meeting at

1226

00:42:30,069 --> 00:42:28,720

this bar come or we're meeting for

1227

00:42:31,670 --> 00:42:30,079

dinner or whatever if you want to join

1228

00:42:32,710 --> 00:42:31,680

us and it's so it's always random you

1229

00:42:34,150 --> 00:42:32,720

don't know who's going to walk in the

1230

00:42:35,349 --> 00:42:34,160

door like oh i haven't seen this guy for

1231

00:42:36,950 --> 00:42:35,359

a while like how you been i didn't know

1232

00:42:39,589 --> 00:42:36,960

you're going to show up like that's kind

1233

00:42:41,190 --> 00:42:39,599

of how the union unwanted is and

1234

00:42:43,270 --> 00:42:41,200

it's like purposely that way you know

1235

00:42:44,710 --> 00:42:43,280

sometimes i'll just throw out a you know

1236

00:42:46,470 --> 00:42:44,720

but back in the day i just throw out

1237

00:42:48,470 --> 00:42:46,480

tons of emails i'm like listen like if

1238

00:42:50,710 --> 00:42:48,480

you want to show up i'll let me know and

1239

00:42:53,270 --> 00:42:50,720

i'll send you the zoom link or sometimes

1240

00:42:55,510 --> 00:42:53,280

i would just send the zoom link even if

1241

00:42:56,790 --> 00:42:55,520

i'm like here's a zoom link even if you

1242

00:42:58,790 --> 00:42:56,800

said you can't make it if you want to

1243

00:42:59,910 --> 00:42:58,800

drop in for a little bit drop in you

1244

00:43:01,109 --> 00:42:59,920

know you

1245

00:43:02,309 --> 00:43:01,119

even if you're late or whatever don't

1246

00:43:03,829 --> 00:43:02,319

worry and some of those people who said

1247

00:43:05,109 --> 00:43:03,839

they couldn't make it eventually drop

1248

00:43:06,630 --> 00:43:05,119

drop in because they don't feel any

1249

00:43:09,349 --> 00:43:06,640

pressure to have to be there from

1250

00:43:11,109 --> 00:43:09,359

beginning to end and um so it just i

1251

00:43:13,349 --> 00:43:11,119

don't know i just it really is a blast

1252

00:43:14,630 --> 00:43:13,359

it's one of my favorite shows to do

1253

00:43:15,910 --> 00:43:14,640

it's it's

1254

00:43:17,030 --> 00:43:15,920

fascinating

1255

00:43:18,790 --> 00:43:17,040

it's

1256

00:43:20,390 --> 00:43:18,800

personally you know and i don't speak

1257

00:43:22,069 --> 00:43:20,400

for the other guys personally i really

1258

00:43:24,550 --> 00:43:22,079

enjoyed the conversations like last

1259

00:43:26,870 --> 00:43:24,560

night and like many of the uh other

1260

00:43:30,630 --> 00:43:26,880

shows we've done where it's on a little

1261

00:43:32,390 --> 00:43:30,640

bit more serious topics and it's

1262

00:43:33,270 --> 00:43:32,400

we get to kind of just get a lot of

1263

00:43:35,109 --> 00:43:33,280

different people from different

1264

00:43:36,790 --> 00:43:35,119

backgrounds and different researchers

1265

00:43:38,069 --> 00:43:36,800

and bounce ideas off each other and you

1266

00:43:40,069 --> 00:43:38,079

never know

1267

00:43:41,990 --> 00:43:40,079

how one person can contribute or not

1268

00:43:43,589 --> 00:43:42,000

contribute sometimes

1269

00:43:45,670 --> 00:43:43,599

we'll be talking about something and you

1270

00:43:47,910 --> 00:43:45,680

think a a participant would have nothing

1271

00:43:49,190 --> 00:43:47,920

to include on that specific topic and

1272

00:43:50,150 --> 00:43:49,200

they do have something to include

1273

00:43:51,589 --> 00:43:50,160

because they've done a little bit of

1274

00:43:53,430 --> 00:43:51,599

research that you weren't aware of or

1275

00:43:55,750 --> 00:43:53,440

they read a book that you didn't know

1276

00:43:57,030 --> 00:43:55,760

that they read that uh you know so they

1277

00:44:00,150 --> 00:43:57,040

have a little bit of insight on that

1278

00:44:01,670 --> 00:44:00,160

topic so i that whole just all the wild

1279

00:44:03,190 --> 00:44:01,680

cards and all the

1280

00:44:04,470 --> 00:44:03,200

you don't know what's gonna happen or

1281

00:44:05,910 --> 00:44:04,480

what's gonna be brought up and who's

1282

00:44:08,470 --> 00:44:05,920

gonna get along and who's not gonna get

1283

00:44:09,589 --> 00:44:08,480

along all that is what makes it exciting

1284

00:44:10,950 --> 00:44:09,599

and

1285

00:44:12,550 --> 00:44:10,960

weirdly enough

1286

00:44:14,309 --> 00:44:12,560

we've never had an issue really with

1287

00:44:16,230 --> 00:44:14,319

like people talking too much and having

1288

00:44:18,150 --> 00:44:16,240

like really like shut somebody up we've

1289

00:44:20,470 --> 00:44:18,160

never had an issue with people being um

1290

00:44:21,829 --> 00:44:20,480

disrespectful uh it is funny because

1291

00:44:24,790 --> 00:44:21,839

i've been talking to charlie about it

1292

00:44:26,470 --> 00:44:24,800

not too long ago about i i've had

1293

00:44:28,390 --> 00:44:26,480

made some questionable decisions i

1294

00:44:30,470 --> 00:44:28,400

remember right before election time when

1295

00:44:33,109 --> 00:44:30,480

like people were really

1296

00:44:36,470 --> 00:44:33,119

emotional and politically like worked up

1297

00:44:38,390 --> 00:44:36,480

uh i had greg palace join us on a show

1298

00:44:41,109 --> 00:44:38,400

um with some

1299

00:44:41,990 --> 00:44:41,119

notable people that were like super mega

1300

00:44:43,109 --> 00:44:42,000

and

1301

00:44:45,349 --> 00:44:43,119

i'm like i should have known it was

1302

00:44:46,630 --> 00:44:45,359

going to turn up probably not great but

1303

00:44:49,670 --> 00:44:46,640

i'm like

1304

00:44:51,270 --> 00:44:49,680

most people will be respectful and they

1305

00:44:53,750 --> 00:44:51,280

were like they were but there was a

1306

00:44:56,069 --> 00:44:53,760

little bit of butting of heads and

1307

00:44:58,230 --> 00:44:56,079

i think some people who are kind of new

1308

00:44:59,510 --> 00:44:58,240

to to the alternative media community

1309

00:45:02,470 --> 00:44:59,520

they don't realize that like craig

1310

00:45:05,190 --> 00:45:02,480

palace is really really a og in regards

1311

00:45:07,109 --> 00:45:05,200

to um you know this world and even

1312

00:45:07,990 --> 00:45:07,119

though i disagree with him on you know

1313

00:45:09,670 --> 00:45:08,000

probably

1314

00:45:11,190 --> 00:45:09,680

quite a few things

1315

00:45:13,589 --> 00:45:11,200

you can't take away from some of the

1316

00:45:16,390 --> 00:45:13,599

great work he's done his uh journalists

1317

00:45:19,430 --> 00:45:16,400

work in regards to uh just everything

1318

00:45:22,069 --> 00:45:19,440

from the oil spill to so many other uh

1319

00:45:23,990 --> 00:45:22,079

corruption stories throughout the years

1320

00:45:26,230 --> 00:45:24,000

and um so i think you know bringing

1321

00:45:27,430 --> 00:45:26,240

anybody and same thing when i had roger

1322

00:45:28,870 --> 00:45:27,440

stone on

1323

00:45:29,910 --> 00:45:28,880

nobody knew roger stone was going to be

1324

00:45:30,630 --> 00:45:29,920

on

1325

00:45:39,990 --> 00:45:30,640

i

1326

00:45:41,430 --> 00:45:40,000

he's on or they'll spread the word and

1327

00:45:43,270 --> 00:45:41,440

then they'll share the link or whatever

1328

00:45:45,990 --> 00:45:43,280

so that's why we also changed the link

1329

00:45:47,589 --> 00:45:46,000

every episode you know i initially i

1330

00:45:49,190 --> 00:45:47,599

think somebody proposed like oh are you

1331

00:45:50,390 --> 00:45:49,200

guys gonna use the same mic i'm like

1332

00:45:51,910 --> 00:45:50,400

hell no we're not gonna use the same

1333

00:45:54,710 --> 00:45:51,920

like because in one episode we'll have

1334

00:45:57,589 --> 00:45:54,720

like 400 people you know if people just

1335

00:46:00,630 --> 00:45:57,599

jump on so the whole thing is is just

1336

00:46:02,630 --> 00:46:00,640

fascinating and exciting and

1337

00:46:04,550 --> 00:46:02,640

during 2020 i think the other thing that

1338

00:46:06,630 --> 00:46:04,560

was super super important and we get a

1339

00:46:08,550 --> 00:46:06,640

lot of positive feedback about

1340

00:46:10,790 --> 00:46:08,560

is that a lot of people who felt like

1341

00:46:13,589 --> 00:46:10,800

they're going crazy that like nobody in

1342

00:46:15,510 --> 00:46:13,599

the world was seeing the facade and

1343

00:46:17,109 --> 00:46:15,520

seeing the illusion they'll listen to

1344

00:46:19,030 --> 00:46:17,119

the union of unwanted and there'd be

1345

00:46:20,230 --> 00:46:19,040

people from the you know the uk you know

1346

00:46:21,589 --> 00:46:20,240

just like last night people from all

1347

00:46:23,589 --> 00:46:21,599

over the world

1348

00:46:25,430 --> 00:46:23,599

different continents or wherever

1349

00:46:27,190 --> 00:46:25,440

and you're like holy i'm not alone

1350

00:46:29,589 --> 00:46:27,200

like there there's a huge group of

1351  
00:46:30,710 --> 00:46:29,599  
people just podcasters and alternative

1352  
00:46:33,589 --> 00:46:30,720  
media

1353  
00:46:35,430 --> 00:46:33,599  
people and researchers that feel the way

1354  
00:46:37,430 --> 00:46:35,440  
i'm feeling and seeing the things i'm

1355  
00:46:40,470 --> 00:46:37,440  
saying and realizing it's not making

1356  
00:46:42,630 --> 00:46:40,480  
sense and i think it gave them hope it

1357  
00:46:45,190 --> 00:46:42,640  
gave them hope it gave them community

1358  
00:46:48,630 --> 00:46:45,200  
and uh i think one thing you hear a lot

1359  
00:46:51,270 --> 00:46:48,640  
and from podcast listeners is that some

1360  
00:46:53,750 --> 00:46:51,280  
of them don't have the friends they can

1361  
00:46:55,829 --> 00:46:53,760  
talk to about maybe the deep

1362  
00:46:57,349 --> 00:46:55,839  
questions and and

1363  
00:47:01,109 --> 00:46:57,359

conversations you might have on your

1364

00:47:02,470 --> 00:47:01,119

podcast so when they tune in to skeptico

1365

00:47:03,910 --> 00:47:02,480

they feel like they're having those

1366

00:47:05,510 --> 00:47:03,920

conversations they want to have they

1367

00:47:07,829 --> 00:47:05,520

feel like they're they're a part of

1368

00:47:10,790 --> 00:47:07,839

those conversations that they enjoy

1369

00:47:13,190 --> 00:47:10,800

and it gives them it almost like

1370

00:47:16,630 --> 00:47:13,200

it's almost weird because we do so much

1371

00:47:18,390 --> 00:47:16,640

talking and we record so much of it that

1372

00:47:19,750 --> 00:47:18,400

there's people who really know us really

1373

00:47:21,670 --> 00:47:19,760

well there's i mean we all have

1374

00:47:23,589 --> 00:47:21,680

listeners that are hardcore fans who

1375

00:47:25,030 --> 00:47:23,599

listen to every episode and they

1376

00:47:27,030 --> 00:47:25,040

probably know me better than i know

1377

00:47:28,549 --> 00:47:27,040

myself because because there's probably

1378

00:47:30,549 --> 00:47:28,559

things that i've said in the past that

1379

00:47:32,549 --> 00:47:30,559

i've forgotten about or ideas that i've

1380

00:47:34,390 --> 00:47:32,559

had um that have changed that i'm not

1381

00:47:36,549 --> 00:47:34,400

aware of and

1382

00:47:37,990 --> 00:47:36,559

you know you meet those people they know

1383

00:47:39,510 --> 00:47:38,000

like they feel like they know you but

1384

00:47:41,430 --> 00:47:39,520

you have no idea who they are so it's

1385

00:47:42,710 --> 00:47:41,440

always like this weird relationship um

1386

00:47:44,549 --> 00:47:42,720

sometimes i have people write me and i'm

1387

00:47:45,510 --> 00:47:44,559

like this person really knows me

1388

00:47:47,589 --> 00:47:45,520

this guy

1389

00:47:49,349 --> 00:47:47,599

really listens to all you know all my

1390

00:47:51,109 --> 00:47:49,359

shows and um

1391

00:47:54,150 --> 00:47:51,119

and i have no idea who they are you know

1392

00:47:56,230 --> 00:47:54,160

so but they listen to my show and they

1393

00:47:57,670 --> 00:47:56,240

feel like we're friends and i like that

1394

00:47:59,510 --> 00:47:57,680

i want to be their friend i wish i could

1395

00:48:01,510 --> 00:47:59,520

be everybody's friend and

1396

00:48:03,670 --> 00:48:01,520

and i'm glad that they feel like that

1397

00:48:04,470 --> 00:48:03,680

and i think that's one of the powers

1398

00:48:06,390 --> 00:48:04,480

of

1399

00:48:08,549 --> 00:48:06,400

shows like yours and mine and all the

1400

00:48:09,750 --> 00:48:08,559

shows that really embrace conversation

1401  
00:48:11,910 --> 00:48:09,760  
because i think conversation is one of

1402  
00:48:15,430 --> 00:48:11,920  
the most powerful things in the world i

1403  
00:48:16,390 --> 00:48:15,440  
i think you know you can look at

1404  
00:48:22,870 --> 00:48:16,400  
you know

1405  
00:48:25,750 --> 00:48:22,880  
the founding fathers

1406  
00:48:27,750 --> 00:48:25,760  
were debating things probably drunk and

1407  
00:48:29,430 --> 00:48:27,760  
half in a bag

1408  
00:48:32,230 --> 00:48:29,440  
at a bar uh

1409  
00:48:34,470 --> 00:48:32,240  
at a pub having a drink and and and

1410  
00:48:35,990 --> 00:48:34,480  
debating and conversating and

1411  
00:48:37,829 --> 00:48:36,000  
challenging each other

1412  
00:48:39,750 --> 00:48:37,839  
and um

1413  
00:48:42,230 --> 00:48:39,760

and and coming up with solutions and

1414

00:48:43,910 --> 00:48:42,240

challenging those solutions and and and

1415

00:48:46,390 --> 00:48:43,920

talking about issues and

1416

00:48:49,829 --> 00:48:46,400

so so much comes out of it and i think

1417

00:48:51,670 --> 00:48:49,839

verbalizing your ideas and verbalizing

1418

00:48:53,750 --> 00:48:51,680

how you feel sometimes you also find

1419

00:48:56,870 --> 00:48:53,760

flaws in them right like so

1420

00:48:57,829 --> 00:48:56,880

when you're being interviewed i've i've

1421

00:48:59,270 --> 00:48:57,839

seen it

1422

00:49:00,870 --> 00:48:59,280

it's happened to me quite a few times

1423

00:49:03,030 --> 00:49:00,880

where i'm being interviewed and i get

1424

00:49:03,750 --> 00:49:03,040

asked a question and in the process of

1425

00:49:05,589 --> 00:49:03,760

me

1426

00:49:07,829 --> 00:49:05,599

answering the question i realized like

1427

00:49:10,230 --> 00:49:07,839

i'm not really strong on this opinion

1428

00:49:11,910 --> 00:49:10,240

and i'm changing it as i'm describing it

1429

00:49:13,589 --> 00:49:11,920

or i just say sometimes i don't know and

1430

00:49:15,190 --> 00:49:13,599

i'm not sure which i think is completely

1431

00:49:17,589 --> 00:49:15,200

okay too and i don't think we do enough

1432

00:49:20,150 --> 00:49:17,599

of because the ego gets in the way of

1433

00:49:21,510 --> 00:49:20,160

that and i think sometimes the ego says

1434

00:49:22,549 --> 00:49:21,520

oh it's a sign of weakness if you say

1435

00:49:24,150 --> 00:49:22,559

you don't know

1436

00:49:26,950 --> 00:49:24,160

it's a sign of weakness if you say

1437

00:49:28,470 --> 00:49:26,960

you're not sure or to sign a weakness if

1438

00:49:31,829 --> 00:49:28,480

you're not you don't have a strong

1439

00:49:34,549 --> 00:49:31,839

belief on something and i don't

1440

00:49:36,390 --> 00:49:34,559

to me anybody who's too sure of

1441

00:49:38,069 --> 00:49:36,400

everything they say

1442

00:49:40,150 --> 00:49:38,079

makes me nervous because i'm like you

1443

00:49:41,589 --> 00:49:40,160

can't be sure about all that you know

1444

00:49:43,349 --> 00:49:41,599

and it's like are you really do you have

1445

00:49:45,349 --> 00:49:43,359

blinders on are you is there is there

1446

00:49:47,109 --> 00:49:45,359

some flaws in your thinking

1447

00:49:49,750 --> 00:49:47,119

so it's um

1448

00:49:51,510 --> 00:49:49,760

i think as you get older you

1449

00:49:55,109 --> 00:49:51,520

you're much more

1450

00:49:57,510 --> 00:49:55,119

open to the idea of not knowing and

1451  
00:49:59,750 --> 00:49:57,520  
you're much more open and you accept it

1452  
00:50:01,109 --> 00:49:59,760  
and you embrace it and

1453  
00:50:03,829 --> 00:50:01,119  
you know it's like that quote you know

1454  
00:50:05,030 --> 00:50:03,839  
the more you know the

1455  
00:50:06,230 --> 00:50:05,040  
the less you

1456  
00:50:08,069 --> 00:50:06,240  
how does it go it's like the more you

1457  
00:50:09,190 --> 00:50:08,079  
know the more you're the less no you

1458  
00:50:12,230 --> 00:50:09,200  
don't know

1459  
00:50:15,030 --> 00:50:12,240  
yes exactly exactly so yeah so and and i

1460  
00:50:16,870 --> 00:50:15,040  
think that that happens i mean uh i i

1461  
00:50:19,030 --> 00:50:16,880  
think i've i've talked about it with so

1462  
00:50:20,950 --> 00:50:19,040  
many guests on my show how much i i love

1463  
00:50:23,190 --> 00:50:20,960

philosophy because

1464

00:50:25,270 --> 00:50:23,200

it's asks those bigger questions that

1465

00:50:26,950 --> 00:50:25,280

some people go to religion for but

1466

00:50:29,109 --> 00:50:26,960

without the the religious part of it you

1467

00:50:31,109 --> 00:50:29,119

know the organized religious issues it's

1468

00:50:33,030 --> 00:50:31,119

just asking questions and a lot of these

1469

00:50:35,349 --> 00:50:33,040

questions are never really answered i

1470

00:50:37,430 --> 00:50:35,359

mean it's debated over i mean the same

1471

00:50:39,190 --> 00:50:37,440

questions are debated over and over

1472

00:50:40,150 --> 00:50:39,200

again and you know there's so many

1473

00:50:42,230 --> 00:50:40,160

different philosophers who have

1474

00:50:44,790 --> 00:50:42,240

different perspectives on on so many

1475

00:50:45,670 --> 00:50:44,800

different things and and even to to the

1476

00:50:47,349 --> 00:50:45,680

point where it's like well what's

1477

00:50:49,109 --> 00:50:47,359

reality what's real what's truth you

1478

00:50:50,150 --> 00:50:49,119

know all these things and they seem

1479

00:50:51,430 --> 00:50:50,160

silly

1480

00:50:52,790 --> 00:50:51,440

at first but when you really start

1481

00:50:55,270 --> 00:50:52,800

dissecting it you're like you're right

1482

00:50:57,109 --> 00:50:55,280

you can make that argument you can uh

1483

00:50:58,710 --> 00:50:57,119

debate that you can't look at it from

1484

00:51:00,549 --> 00:50:58,720

that perspective are you familiar with

1485

00:51:02,069 --> 00:51:00,559

like thaddeus russell he's another guy

1486

00:51:05,270 --> 00:51:02,079

who i find really fascinating i've had

1487

00:51:06,790 --> 00:51:05,280

him on the show in the past and

1488

00:51:08,470 --> 00:51:06,800

he wrote the renegade history united

1489

00:51:11,190 --> 00:51:08,480

states he's he's another guy much like

1490

00:51:14,230 --> 00:51:11,200

yourself that i've always enjoyed

1491

00:51:16,710 --> 00:51:14,240

listening to because i know you

1492

00:51:18,069 --> 00:51:16,720

there's always maybe maybe i'm

1493

00:51:19,750 --> 00:51:18,079

i'm trying like how do i say this out

1494

00:51:23,190 --> 00:51:19,760

sound like a

1495

00:51:24,470 --> 00:51:23,200

like i'm i enjoy conflict but i it's not

1496

00:51:26,309 --> 00:51:24,480

that i enjoy conflict but any time i

1497

00:51:28,790 --> 00:51:26,319

listen to you or

1498

00:51:30,470 --> 00:51:28,800

or like thaddeus russell or any of these

1499

00:51:32,150 --> 00:51:30,480

people who aren't afraid of being like

1500

00:51:33,829 --> 00:51:32,160

okay i disagree with this person but i'm

1501

00:51:36,790 --> 00:51:33,839

not just gonna politely

1502

00:51:39,270 --> 00:51:36,800

uh you know let them talk i'm gonna

1503

00:51:41,270 --> 00:51:39,280

politely disagree with them and politely

1504

00:51:42,470 --> 00:51:41,280

you know push back and and see where

1505

00:51:44,710 --> 00:51:42,480

this conversation goes and i think

1506

00:51:46,470 --> 00:51:44,720

that's that's so needed i think that is

1507

00:51:49,589 --> 00:51:46,480

a problem with the union of unwanted at

1508

00:51:51,109 --> 00:51:49,599

times is that everybody is too polite

1509

00:51:51,990 --> 00:51:51,119

sometimes and if you disagree with

1510

00:51:54,230 --> 00:51:52,000

somebody

1511

00:51:56,549 --> 00:51:54,240

then sometimes you keep it to yourself

1512

00:51:57,829 --> 00:51:56,559

but i want it to be a platform where

1513

00:51:59,589 --> 00:51:57,839

eventually

1514

00:52:01,270 --> 00:51:59,599

people realize like it's okay to

1515

00:52:02,309 --> 00:52:01,280

disagree and nobody's gonna get mad at

1516

00:52:04,630 --> 00:52:02,319

you and nobody's gonna hate you and

1517

00:52:06,309 --> 00:52:04,640

nobody's gonna not invite you next time

1518

00:52:08,870 --> 00:52:06,319

because of it

1519

00:52:10,069 --> 00:52:08,880

we're here to share ideas and challenge

1520

00:52:13,349 --> 00:52:10,079

ideas

1521

00:52:16,230 --> 00:52:13,359

because i think it's really easy to

1522

00:52:17,349 --> 00:52:16,240

point the finger and and and really you

1523

00:52:18,950 --> 00:52:17,359

know

1524

00:52:20,470 --> 00:52:18,960

question what other people believe but

1525

00:52:22,150 --> 00:52:20,480

it's really hard to question what we

1526

00:52:24,790 --> 00:52:22,160

believe and i've been talking for so

1527

00:52:25,910 --> 00:52:24,800

damn long that um

1528

00:52:27,829 --> 00:52:25,920

i should probably

1529

00:52:30,549 --> 00:52:27,839

let you expand on some of this

1530

00:52:32,630 --> 00:52:30,559

well yeah i might because

1531

00:52:35,270 --> 00:52:32,640

i do think you know people need to tune

1532

00:52:37,829 --> 00:52:35,280

in to the union of the unwanted

1533

00:52:39,109 --> 00:52:37,839

and i pulled up on the screen for people

1534

00:52:40,549 --> 00:52:39,119

who are watching it

1535

00:52:43,190 --> 00:52:40,559

kind of what it looks like because it

1536

00:52:45,589 --> 00:52:43,200

really shouldn't work as well as it does

1537

00:52:46,630 --> 00:52:45,599

like you just said you shouldn't be able

1538

00:52:49,990 --> 00:52:46,640

to have

1539

00:52:51,270 --> 00:52:50,000

16 different podcasters that like to

1540

00:52:54,710 --> 00:52:51,280

talk

1541

00:52:56,870 --> 00:52:54,720

on a zoom call and have them do

1542

00:52:57,750 --> 00:52:56,880

what you just described

1543

00:53:03,030 --> 00:52:57,760

your

1544

00:53:04,150 --> 00:53:03,040

we'll give him credit and sam as well

1545

00:53:06,230 --> 00:53:04,160

but

1546

00:53:09,430 --> 00:53:06,240

the the the energy that you guys bring

1547

00:53:11,270 --> 00:53:09,440

to this makes it work in a way that

1548

00:53:13,990 --> 00:53:11,280

you wouldn't expect it to work and in

1549

00:53:16,309 --> 00:53:14,000

particular that last point that you just

1550

00:53:18,790 --> 00:53:16,319

made there ricky is i find to be very

1551  
00:53:20,390 --> 00:53:18,800  
very true and that's that

1552  
00:53:22,150 --> 00:53:20,400  
you do

1553  
00:53:23,910 --> 00:53:22,160  
generate real

1554  
00:53:27,510 --> 00:53:23,920  
thinking and

1555  
00:53:30,150 --> 00:53:27,520  
counter points within a group without a

1556  
00:53:31,910 --> 00:53:30,160  
lot of uh you know dissension or

1557  
00:53:33,910 --> 00:53:31,920  
confrontation or uncomfortableness you

1558  
00:53:36,710 --> 00:53:33,920  
know which i i know from my show people

1559  
00:53:39,109 --> 00:53:36,720  
are uncomfortable with uncomfortableness

1560  
00:53:41,190 --> 00:53:39,119  
there isn't a lot of that but it isn't

1561  
00:53:42,390 --> 00:53:41,200  
like everybody just patting each other

1562  
00:53:44,390 --> 00:53:42,400  
on the back either

1563  
00:53:46,309 --> 00:53:44,400

there's real discussion

1564

00:53:48,549 --> 00:53:46,319

and uh real dialogue

1565

00:53:49,750 --> 00:53:48,559

i think it's fantastic i mean i know i

1566

00:53:51,829 --> 00:53:49,760

was kind of

1567

00:53:54,230 --> 00:53:51,839

maybe stretching a little bit with the

1568

00:53:56,790 --> 00:53:54,240

best hope for humanity but

1569

00:53:57,670 --> 00:53:56,800

it has great potential and i can't help

1570

00:53:59,510 --> 00:53:57,680

though

1571

00:54:01,030 --> 00:53:59,520

to return to

1572

00:54:04,069 --> 00:54:01,040

where this sits

1573

00:54:06,069 --> 00:54:04,079

in our current situation you know what i

1574

00:54:07,030 --> 00:54:06,079

mean because

1575

00:54:09,349 --> 00:54:07,040

like

1576

00:54:10,390 --> 00:54:09,359

you're you're given a really nice

1577

00:54:13,030 --> 00:54:10,400

pitch

1578

00:54:15,190 --> 00:54:13,040

but you're a guy who got

1579

00:54:17,589 --> 00:54:15,200

sucked into like

1580

00:54:20,630 --> 00:54:17,599

the whole covet thing on a very personal

1581

00:54:22,630 --> 00:54:20,640

level with your family and with your

1582

00:54:26,309 --> 00:54:22,640

kids and we talked about that on the

1583

00:54:28,630 --> 00:54:26,319

last show but it it's easy to

1584

00:54:30,150 --> 00:54:28,640

forget people who are directly

1585

00:54:32,470 --> 00:54:30,160

confronting

1586

00:54:35,190 --> 00:54:32,480

some of the change that's going on

1587

00:54:37,270 --> 00:54:35,200

and uh i i think you should talk a

1588

00:54:39,910 --> 00:54:37,280

little bit about that but i don't just

1589

00:54:41,670 --> 00:54:39,920

you i don't want you to just talk about

1590

00:54:43,270 --> 00:54:41,680

your story and where it's going and

1591

00:54:44,630 --> 00:54:43,280

you've actually continued to follow it

1592

00:54:45,829 --> 00:54:44,640

you've had like attorneys that have

1593

00:54:48,950 --> 00:54:45,839

followed

1594

00:54:51,670 --> 00:54:48,960

file suit in massachusetts to say you

1595

00:54:53,190 --> 00:54:51,680

can't do that which is what you told the

1596

00:54:55,270 --> 00:54:53,200

school board when you went there you

1597

00:54:57,829 --> 00:54:55,280

said you can't do that they said yes we

1598

00:55:01,030 --> 00:54:57,839

could do whatever the we want and

1599

00:55:02,950 --> 00:55:01,040

then there's maybe a legal thing there

1600

00:55:04,710 --> 00:55:02,960

but what's really kind of dark and

1601  
00:55:05,990 --> 00:55:04,720  
you're kind of putting uh adding light

1602  
00:55:09,910 --> 00:55:06,000  
to it but i want you to give this the

1603  
00:55:11,430 --> 00:55:09,920  
whole spectrum here ricky is that

1604  
00:55:12,910 --> 00:55:11,440  
when you see

1605  
00:55:15,349 --> 00:55:12,920  
what is

1606  
00:55:17,750 --> 00:55:15,359  
demonstrably happening

1607  
00:55:20,309 --> 00:55:17,760  
people are getting banned for talking to

1608  
00:55:21,910 --> 00:55:20,319  
the doctors people are getting banned

1609  
00:55:23,270 --> 00:55:21,920  
for talking to

1610  
00:55:25,430 --> 00:55:23,280  
an attorney

1611  
00:55:28,470 --> 00:55:25,440  
who's filing a suit

1612  
00:55:31,510 --> 00:55:28,480  
in the supreme court of massachusetts

1613  
00:55:33,349 --> 00:55:31,520

and the court is acknowledging his suit

1614

00:55:36,710 --> 00:55:33,359

and saying we'll hear it

1615

00:55:38,789 --> 00:55:36,720

and that's banned from the dialogue from

1616

00:55:41,349 --> 00:55:38,799

the public discourse great state of

1617

00:55:43,030 --> 00:55:41,359

massachusetts founding fathers

1618

00:55:45,589 --> 00:55:43,040

we never

1619

00:55:47,670 --> 00:55:45,599

i've been at this a while if you told

1620

00:55:49,589 --> 00:55:47,680

somebody that 10 years ago they just

1621

00:55:51,910 --> 00:55:49,599

would have laughed in your face and said

1622

00:55:52,950 --> 00:55:51,920

there's no way we'll ever get to that

1623

00:55:53,990 --> 00:55:52,960

point

1624

00:55:56,549 --> 00:55:54,000

and yet

1625

00:55:59,349 --> 00:55:56,559

we're at that point so

1626  
00:56:01,349 --> 00:55:59,359  
maybe you can trace some of those steps

1627  
00:56:03,829 --> 00:56:01,359  
into telling us about

1628  
00:56:06,230 --> 00:56:03,839  
your story and in particular

1629  
00:56:07,510 --> 00:56:06,240  
what it's led for you in terms of the

1630  
00:56:09,430 --> 00:56:07,520  
ripple effect and the follow-on

1631  
00:56:11,270 --> 00:56:09,440  
interviews done which are fantastic i

1632  
00:56:13,109 --> 00:56:11,280  
love it it's like we're getting the

1633  
00:56:15,109 --> 00:56:13,119  
inside you know

1634  
00:56:17,589 --> 00:56:15,119  
look into your family and then how it's

1635  
00:56:19,829 --> 00:56:17,599  
playing out

1636  
00:56:21,670 --> 00:56:19,839  
yeah so so what you're referring to was

1637  
00:56:24,069 --> 00:56:21,680  
and and this is something that i i would

1638  
00:56:25,589 --> 00:56:24,079

love to talk to you about because

1639

00:56:27,270 --> 00:56:25,599

it

1640

00:56:31,030 --> 00:56:27,280

got on my radar

1641

00:56:33,829 --> 00:56:31,040

the issues locally much more after 2020

1642

00:56:36,390 --> 00:56:33,839

because i i've said this before

1643

00:56:39,109 --> 00:56:36,400

i've been so focused on international

1644

00:56:40,789 --> 00:56:39,119

issues foreign policy geopolitics uh

1645

00:56:43,829 --> 00:56:40,799

historical things

1646

00:56:45,510 --> 00:56:43,839

that in my home state and and even more

1647

00:56:47,270 --> 00:56:45,520

personally in my hometown

1648

00:56:49,510 --> 00:56:47,280

there were things going on

1649

00:56:51,589 --> 00:56:49,520

that i wouldn't be happy with and i

1650

00:56:53,510 --> 00:56:51,599

probably should have been more hands-on

1651  
00:56:54,470 --> 00:56:53,520  
and more aware of

1652  
00:56:56,150 --> 00:56:54,480  
and

1653  
00:56:57,990 --> 00:56:56,160  
so

1654  
00:57:00,470 --> 00:56:58,000  
after i had it was actually i remember

1655  
00:57:01,829 --> 00:57:00,480  
this like it was yesterday i i had uh dr

1656  
00:57:03,670 --> 00:57:01,839  
peter mccullough on my show and then i

1657  
00:57:06,069 --> 00:57:03,680  
get a text message from or a message

1658  
00:57:08,069 --> 00:57:06,079  
from some somebody who uh is from this

1659  
00:57:09,589 --> 00:57:08,079  
town from my town and they're like you

1660  
00:57:11,430 --> 00:57:09,599  
know you should

1661  
00:57:13,510 --> 00:57:11,440  
uh go to the school committee meeting

1662  
00:57:15,430 --> 00:57:13,520  
and i'm like what what meeting they're

1663  
00:57:17,589 --> 00:57:15,440

like oh they're going to vote on mass

1664

00:57:18,549 --> 00:57:17,599

and i'm like oh yeah i'm like i

1665

00:57:20,630 --> 00:57:18,559

definitely i'm like when is it they're

1666

00:57:22,150 --> 00:57:20,640

like tonight and so i am going to the

1667

00:57:24,870 --> 00:57:22,160

meeting and

1668

00:57:25,910 --> 00:57:24,880

uh end up uh you know i was nervous i

1669

00:57:28,150 --> 00:57:25,920

know a lot of people think because

1670

00:57:29,589 --> 00:57:28,160

you're you're constantly

1671

00:57:31,270 --> 00:57:29,599

go ahead where you can say something no

1672

00:57:33,030 --> 00:57:31,280

it's just to say ricky fill people in a

1673

00:57:35,190 --> 00:57:33,040

little bit on what you learned in

1674

00:57:37,990 --> 00:57:35,200

talking to dr mccullough that you're

1675

00:57:40,150 --> 00:57:38,000

going to share with the school board

1676

00:57:42,630 --> 00:57:40,160

yeah well a lot of things i mean

1677

00:57:44,150 --> 00:57:42,640

obviously all the i mean but this is

1678

00:57:46,870 --> 00:57:44,160

this goes into

1679

00:57:50,309 --> 00:57:46,880

a another really important issue is

1680

00:57:51,670 --> 00:57:50,319

we're almost at the point where

1681

00:57:53,829 --> 00:57:51,680

the science and it's funny because

1682

00:57:55,349 --> 00:57:53,839

justin mccarthy attorney justin mccarthy

1683

00:57:57,670 --> 00:57:55,359

who was just recently on my show which

1684

00:57:59,750 --> 00:57:57,680

uh you were referring to he says this

1685

00:58:01,270 --> 00:57:59,760

and it's so true and i've had other

1686

00:58:03,670 --> 00:58:01,280

guests that have said this like the

1687

00:58:06,710 --> 00:58:03,680

science doesn't matter because and what

1688

00:58:08,470 --> 00:58:06,720

i mean by that is that it doesn't matter

1689

00:58:09,750 --> 00:58:08,480

to a lot of people who are brainwashed

1690

00:58:11,190 --> 00:58:09,760

like you could give them all the

1691

00:58:13,349 --> 00:58:11,200

information give them all the

1692

00:58:14,870 --> 00:58:13,359

information that make that that would

1693

00:58:18,789 --> 00:58:14,880

paint the picture that we've been lied

1694

00:58:20,870 --> 00:58:18,799

to that there's been suppressed um

1695

00:58:22,549 --> 00:58:20,880

treatments that

1696

00:58:25,190 --> 00:58:22,559

you know all the things like the lab

1697

00:58:27,109 --> 00:58:25,200

leak theory and gain of function uh

1698

00:58:29,109 --> 00:58:27,119

funding like all this information was

1699

00:58:31,030 --> 00:58:29,119

being suppressed all the doctors that

1700

00:58:33,829 --> 00:58:31,040

had different perspectives were being

1701

00:58:37,430 --> 00:58:33,839

censored and and in many cases they were

1702

00:58:38,710 --> 00:58:37,440

being banned and deleted and and um

1703

00:58:41,270 --> 00:58:38,720

they were trying to

1704

00:58:42,150 --> 00:58:41,280

basically a character assassination

1705

00:58:44,069 --> 00:58:42,160

and

1706

00:58:45,670 --> 00:58:44,079

you could give them all this information

1707

00:58:48,230 --> 00:58:45,680

and it's like okay any logical person

1708

00:58:49,589 --> 00:58:48,240

would look at all this and be like okay

1709

00:58:51,430 --> 00:58:49,599

there's something here like there's

1710

00:58:53,589 --> 00:58:51,440

enough dots that it's really easy to

1711

00:58:54,789 --> 00:58:53,599

connect them

1712

00:58:57,750 --> 00:58:54,799

but

1713

00:58:59,750 --> 00:58:57,760

now it's so obvious of all these things

1714

00:59:02,309 --> 00:58:59,760

and all the truths are slowly seeking

1715

00:59:03,750 --> 00:59:02,319

into the mainstream narrative where now

1716

00:59:05,510 --> 00:59:03,760

people are openly discussing these

1717

00:59:07,670 --> 00:59:05,520

things things that were so fringe i mean

1718

00:59:10,950 --> 00:59:07,680

if you said that this was a

1719

00:59:12,470 --> 00:59:10,960

bad flu in early 2020 people were losing

1720

00:59:14,069 --> 00:59:12,480

their mind on social media if you would

1721

00:59:16,789 --> 00:59:14,079

say that if you would compare it to the

1722

00:59:20,390 --> 00:59:16,799

flu now it's like publicly accepted that

1723

00:59:22,789 --> 00:59:20,400

99 people will will survive it and

1724

00:59:24,230 --> 00:59:22,799

see but ricky hold up i gotta pull you

1725

00:59:25,990 --> 00:59:24,240

back a little bit because i think you're

1726

00:59:28,230 --> 00:59:26,000

getting too far ahead of the story in a

1727

00:59:29,829 --> 00:59:28,240

way and like

1728

00:59:31,910 --> 00:59:29,839

where i want to i want to retrace these

1729

00:59:33,990 --> 00:59:31,920

steps because i encounter even in my own

1730

00:59:36,789 --> 00:59:34,000

family you know people who are still

1731

00:59:38,710 --> 00:59:36,799

walking that initial path so

1732

00:59:41,270 --> 00:59:38,720

you get on an interview

1733

00:59:43,829 --> 00:59:41,280

with mccullough right that's his name

1734

00:59:47,510 --> 00:59:43,839

yep peter dr peter mccullough dr peter

1735

00:59:50,470 --> 00:59:47,520

mccullough and you find you get woken up

1736

00:59:53,270 --> 00:59:50,480

to the mask science thing and i got it

1737

00:59:55,510 --> 00:59:53,280

from a different uh a different guy but

1738

00:59:57,589 --> 00:59:55,520

came to the same conclusion they've

1739

00:59:59,190 --> 00:59:57,599

tested these masks for a long time to

1740

01:00:01,270 --> 00:59:59,200

see if they prevented the flu and they

1741

01:00:03,109 --> 01:00:01,280

always came to the same conclusion well

1742

01:00:04,630 --> 01:00:03,119

we don't exactly know why but no they

1743

01:00:05,750 --> 01:00:04,640

don't seem to work as a public health

1744

01:00:08,549 --> 01:00:05,760

policy

1745

01:00:10,870 --> 01:00:08,559

don't worry about a mass kind of thing

1746

01:00:11,990 --> 01:00:10,880

and then the next step is

1747

01:00:13,829 --> 01:00:12,000

once you get past that are they

1748

01:00:16,069 --> 01:00:13,839

potentially dangerous so we looked at

1749

01:00:17,750 --> 01:00:16,079

you know whether the beneficial dangers

1750

01:00:19,990 --> 01:00:17,760

but the part i don't want you to skip

1751

01:00:21,750 --> 01:00:20,000

over because i just hammer on this and

1752

01:00:23,750 --> 01:00:21,760

people

1753

01:00:25,589 --> 01:00:23,760

the reason i hammer on it is because my

1754

01:00:27,990 --> 01:00:25,599

show started with science my show

1755

01:00:30,630 --> 01:00:28,000

started with as we talked about rupert

1756

01:00:33,750 --> 01:00:30,640

sheldrick and richard wiseman and like

1757

01:00:36,069 --> 01:00:33,760

hey science will will win the day you

1758

01:00:38,150 --> 01:00:36,079

know good evidence will

1759

01:00:41,670 --> 01:00:38,160

win out and you will replicate your

1760

01:00:43,589 --> 01:00:41,680

study and you will get a peer review and

1761

01:00:46,069 --> 01:00:43,599

that people will pay attention in

1762

01:00:48,150 --> 01:00:46,079

science matters as our friend charlie

1763

01:00:50,069 --> 01:00:48,160

robinson says it's not about science

1764

01:00:53,030 --> 01:00:50,079

it's about compliance

1765

01:00:54,069 --> 01:00:53,040

that is where we're at now it's not

1766

01:00:59,510 --> 01:00:54,079

about

1767

01:01:03,109 --> 01:00:59,520

did a whole show on the stanford and

1768

01:01:06,150 --> 01:01:03,119

yale mask study the the biggest science

1769

01:01:08,630 --> 01:01:06,160

lie i've run across since sheldrick and

1770

01:01:11,270 --> 01:01:08,640

wiseman it's a complete

1771

01:01:13,030 --> 01:01:11,280

lie in it it's attempt to do that but

1772

01:01:14,789 --> 01:01:13,040

the point i guess i want i want you to

1773

01:01:17,349 --> 01:01:14,799

walk back

1774

01:01:19,109 --> 01:01:17,359

to that point where you go you're just

1775

01:01:21,109 --> 01:01:19,119

being a good citizen

1776

01:01:23,829 --> 01:01:21,119

you're being a good dad

1777

01:01:26,710 --> 01:01:23,839

and you're being like hey well i just

1778

01:01:29,349 --> 01:01:26,720

found out some information of course the

1779

01:01:31,349 --> 01:01:29,359

school board would want to hear it it's

1780

01:01:33,670 --> 01:01:31,359

because it's not someone's opinion i

1781

01:01:35,030 --> 01:01:33,680

found science if we all care about

1782

01:01:37,430 --> 01:01:35,040

science we want to teach our kids

1783

01:01:40,069 --> 01:01:37,440

science and science matters and i'll go

1784

01:01:42,150 --> 01:01:40,079

to the school board there's a certain

1785

01:01:43,510 --> 01:01:42,160

waking up process that i think you went

1786

01:01:44,870 --> 01:01:43,520

through here that i

1787

01:01:45,990 --> 01:01:44,880

you know what i mean i want you to share

1788

01:01:47,270 --> 01:01:46,000

that because

1789

01:01:48,230 --> 01:01:47,280

some people haven't gone through that

1790

01:01:49,829 --> 01:01:48,240

yet

1791

01:01:53,510 --> 01:01:49,839

well i think the

1792

01:01:55,990 --> 01:01:53,520

the waking up part was the fact that

1793

01:01:57,990 --> 01:01:56,000

there was no science i was going to give

1794

01:01:59,750 --> 01:01:58,000

to school committee members and that was

1795

01:02:02,470 --> 01:01:59,760

that was kind of what i was getting into

1796

01:02:04,630 --> 01:02:02,480

or without i probably made my response

1797

01:02:06,309 --> 01:02:04,640

way too long and people i get just as

1798

01:02:09,270 --> 01:02:06,319

lost as probably the listeners but my

1799

01:02:10,950 --> 01:02:09,280

point was that

1800

01:02:13,270 --> 01:02:10,960

all that science and all that

1801  
01:02:14,309 --> 01:02:13,280  
information was never going to change

1802  
01:02:18,950 --> 01:02:14,319  
their mind

1803  
01:02:20,870 --> 01:02:18,960  
is they cherry pick the science or the

1804  
01:02:23,190 --> 01:02:20,880  
information that helps defend their

1805  
01:02:24,950 --> 01:02:23,200  
perspective so it didn't matter how well

1806  
01:02:26,630 --> 01:02:24,960  
researched i was or how much information

1807  
01:02:27,990 --> 01:02:26,640  
i was going to bring to them i mean i

1808  
01:02:29,750 --> 01:02:28,000  
had a little bit of hope initially

1809  
01:02:31,029 --> 01:02:29,760  
because i didn't know who they were

1810  
01:02:32,230 --> 01:02:31,039  
and

1811  
01:02:34,309 --> 01:02:32,240  
you know some people told me that they

1812  
01:02:37,109 --> 01:02:34,319  
were closed minded but i i felt like hey

1813  
01:02:39,670 --> 01:02:37,119

if i come here with enough logical

1814

01:02:41,750 --> 01:02:39,680

information on how

1815

01:02:43,430 --> 01:02:41,760

masking healthy kids because they're

1816

01:02:45,109 --> 01:02:43,440

literally emailing everybody all the

1817

01:02:47,829 --> 01:02:45,119

time like if your kid has any symptom

1818

01:02:49,430 --> 01:02:47,839

whatsoever leave them at home so you're

1819

01:02:51,190 --> 01:02:49,440

basically the majority of kids who are

1820

01:02:53,029 --> 01:02:51,200

in school and i say the majority because

1821

01:02:54,630 --> 01:02:53,039

there might be some kids who who might

1822

01:02:56,630 --> 01:02:54,640

not have symptoms but

1823

01:02:58,710 --> 01:02:56,640

you know might have uh the virus in

1824

01:03:00,230 --> 01:02:58,720

their system and and this is that

1825

01:03:02,710 --> 01:03:00,240

they're you know what do they call

1826

01:03:04,789 --> 01:03:02,720

pre-symptomatic so

1827

01:03:06,230 --> 01:03:04,799

that that might be the case but i'm like

1828

01:03:07,990 --> 01:03:06,240

so you're masking

1829

01:03:09,670 --> 01:03:08,000

healthy kids for the majority of them

1830

01:03:12,470 --> 01:03:09,680

you're also masking people that are the

1831

01:03:15,430 --> 01:03:12,480

least threat of of being harmed by this

1832

01:03:16,789 --> 01:03:15,440

virus uh you know and you just go

1833

01:03:20,630 --> 01:03:16,799

through all the information i mean it

1834

01:03:22,069 --> 01:03:20,640

says on the box the mask box that

1835

01:03:25,029 --> 01:03:22,079

it doesn't stop the spread of a

1836

01:03:26,710 --> 01:03:25,039

chronovirus there's no protocols right

1837

01:03:28,710 --> 01:03:26,720

and this goes back to it's not about

1838

01:03:30,710 --> 01:03:28,720

science it's about compliance like

1839

01:03:32,309 --> 01:03:30,720

there's no protocols if my kid coughs in

1840

01:03:35,190 --> 01:03:32,319

this mask there's no protocols of my

1841

01:03:36,789 --> 01:03:35,200

kids at recess and drops his mask okay

1842

01:03:38,230 --> 01:03:36,799

there's no protocols in regards so let's

1843

01:03:41,670 --> 01:03:38,240

make let's keep

1844

01:03:43,829 --> 01:03:41,680

a eye out on any kids who might uh you

1845

01:03:45,029 --> 01:03:43,839

know get their mask dirty and put it on

1846

01:03:46,390 --> 01:03:45,039

their face and the reason why that's so

1847

01:03:48,549 --> 01:03:46,400

important is because the whole point of

1848

01:03:50,470 --> 01:03:48,559

this thing is to

1849

01:03:51,910 --> 01:03:50,480

keep them healthy and and it's about

1850

01:03:54,870 --> 01:03:51,920

health and it's about protecting the

1851

01:03:57,510 --> 01:03:54,880

kids so why wouldn't there be protocols

1852

01:03:59,829 --> 01:03:57,520

you know something written out some some

1853

01:04:02,710 --> 01:03:59,839

steps that are taken to make sure every

1854

01:04:05,910 --> 01:04:02,720

kid has a clean mask all the time the

1855

01:04:08,789 --> 01:04:05,920

truth is it's not about any of that and

1856

01:04:10,150 --> 01:04:08,799

everybody knows and that most kids will

1857

01:04:12,470 --> 01:04:10,160

reuse their mask over and over again

1858

01:04:15,270 --> 01:04:12,480

there's i mean i i i'm assuming there's

1859

01:04:16,630 --> 01:04:15,280

probably kids if i ask my kid hey

1860

01:04:18,069 --> 01:04:16,640

does you know is there kids in your

1861

01:04:19,910 --> 01:04:18,079

class that wear the same mask every

1862

01:04:21,829 --> 01:04:19,920

single day every week he'd probably say

1863

01:04:23,589 --> 01:04:21,839

yes you know do you think that's being

1864

01:04:25,510 --> 01:04:23,599

clean and washed every night really they

1865

01:04:27,029 --> 01:04:25,520

are so what hap tell us the story what

1866

01:04:29,670 --> 01:04:27,039

happens you go to the school board and

1867

01:04:31,829 --> 01:04:29,680

and i gotta i gotta say you kind of made

1868

01:04:33,670 --> 01:04:31,839

the point i mean you went there at least

1869

01:04:36,630 --> 01:04:33,680

with some

1870

01:04:38,390 --> 01:04:36,640

some sense that that this this makes

1871

01:04:40,789 --> 01:04:38,400

sense you know i played it out to my

1872

01:04:42,789 --> 01:04:40,799

wife i played it out to my you know

1873

01:04:45,270 --> 01:04:42,799

sister-in-law whoever it is and they're

1874

01:04:46,950 --> 01:04:45,280

like yeah gosh i didn't know that go

1875

01:04:48,710 --> 01:04:46,960

ricky go tell the school board they're

1876

01:04:50,870 --> 01:04:48,720

going to want to hear this they want to

1877

01:04:54,150 --> 01:04:50,880

protect our kids

1878

01:04:55,510 --> 01:04:54,160

well yeah and so i i did and and i i was

1879

01:04:57,029 --> 01:04:55,520

pleasantly surprised that there was

1880

01:04:59,349 --> 01:04:57,039

other people there who also were

1881

01:05:01,990 --> 01:04:59,359

outspoken and and upset about the whole

1882

01:05:03,750 --> 01:05:02,000

situation we end up pushing they were

1883

01:05:04,549 --> 01:05:03,760

supposed to vote that night

1884

01:05:06,789 --> 01:05:04,559

uh

1885

01:05:08,470 --> 01:05:06,799

eventually because of the pushback and

1886

01:05:09,589 --> 01:05:08,480

and kind of our

1887

01:05:10,390 --> 01:05:09,599

um

1888

01:05:12,390 --> 01:05:10,400

i think

1889

01:05:14,150 --> 01:05:12,400

our frustration and all this stuff they

1890

01:05:16,230 --> 01:05:14,160

end up because somebody end up

1891

01:05:18,789 --> 01:05:16,240

suggesting like how about we ask the

1892

01:05:21,109 --> 01:05:18,799

parents like let's do a poll let's ask

1893

01:05:22,710 --> 01:05:21,119

the parents what they want uh i wasn't

1894

01:05:24,069 --> 01:05:22,720

too confident on the poll because i'm

1895

01:05:26,789 --> 01:05:24,079

like well the majority of the parents

1896

01:05:29,430 --> 01:05:26,799

probably watch uh mainstream media so

1897

01:05:31,829 --> 01:05:29,440

according to the information they have

1898

01:05:33,750 --> 01:05:31,839

the masking kids makes sense to them but

1899

01:05:35,349 --> 01:05:33,760

i'm like you know what you know maybe a

1900

01:05:37,190 --> 01:05:35,359

poll is better than because it didn't

1901

01:05:39,589 --> 01:05:37,200

seem like we had the votes it seemed

1902

01:05:41,109 --> 01:05:39,599

like we were going to lose anyways um

1903

01:05:42,309 --> 01:05:41,119

you know there's only one person up

1904

01:05:44,710 --> 01:05:42,319

there that seemed to be kind of

1905

01:05:46,309 --> 01:05:44,720

open-minded to the idea uh the other

1906

01:05:48,470 --> 01:05:46,319

issue i really had was the fact that

1907

01:05:50,390 --> 01:05:48,480

they were they were saying

1908

01:05:53,109 --> 01:05:50,400

we're oh let's just start the year you

1909

01:05:54,870 --> 01:05:53,119

know with masks which eventually end up

1910

01:05:55,990 --> 01:05:54,880

being what the survey question was that

1911

01:05:57,910 --> 01:05:56,000

they sent out to all the parents they

1912

01:05:58,789 --> 01:05:57,920

sent out the survey question for this

1913

01:06:00,309 --> 01:05:58,799

poll

1914

01:06:01,910 --> 01:06:00,319

stating that

1915

01:06:04,069 --> 01:06:01,920

are you okay with masking kids in the

1916

01:06:05,910 --> 01:06:04,079

beginning of the school season and i was

1917

01:06:07,349 --> 01:06:05,920

rip i mean i end up emailing all of

1918

01:06:10,390 --> 01:06:07,359

them contacting i'm like this is not the

1919

01:06:13,109 --> 01:06:10,400

survey we asked for um i wanted

1920

01:06:14,950 --> 01:06:13,119

you what we wanted was

1921

01:06:16,630 --> 01:06:14,960

parents to have the choice

1922

01:06:19,589 --> 01:06:16,640

and if you want to great if you don't

1923

01:06:21,589 --> 01:06:19,599

want to fine and

1924

01:06:23,029 --> 01:06:21,599

the way they worded it and i i don't

1925

01:06:25,829 --> 01:06:23,039

want to give them too much credit for

1926

01:06:27,829 --> 01:06:25,839

understanding uh you know edward bernays

1927

01:06:29,829 --> 01:06:27,839

and ways to kind of pull people in one

1928

01:06:32,230 --> 01:06:29,839

direction or another but they obviously

1929

01:06:34,390 --> 01:06:32,240

worded it in a way hoping that you know

1930

01:06:37,270 --> 01:06:34,400

it seemed more innocent and it would be

1931

01:06:39,029 --> 01:06:37,280

temporary and i'm which was bothersome

1932

01:06:41,670 --> 01:06:39,039

because we asked them during the school

1933

01:06:43,990 --> 01:06:41,680

committee meeting like hey okay if they

1934

01:06:45,349 --> 01:06:44,000

do have masks for how long and they

1935

01:06:47,349 --> 01:06:45,359

couldn't give us the answer and we're

1936

01:06:49,190 --> 01:06:47,359

like okay what do you need to see like

1937

01:06:49,910 --> 01:06:49,200

what's the criteria like do you need to

1938

01:06:54,069 --> 01:06:49,920

see

1939

01:06:55,510 --> 01:06:54,079

okay like what what are you looking for

1940

01:06:57,109 --> 01:06:55,520

and they couldn't give you answers so it

1941

01:06:58,789 --> 01:06:57,119

was obvious that

1942

01:07:00,390 --> 01:06:58,799

once those masks went on they weren't

1943

01:07:02,069 --> 01:07:00,400

gonna go away

1944

01:07:04,470 --> 01:07:02,079

so but we did end up pushing for the

1945

01:07:06,230 --> 01:07:04,480

poll and then the following week was

1946

01:07:08,870 --> 01:07:06,240

going to be the next school committee

1947

01:07:11,829 --> 01:07:08,880

meeting where they were going to

1948

01:07:15,029 --> 01:07:11,839

share the poll results and also finally

1949

01:07:16,230 --> 01:07:15,039

vote on the masks well

1950

01:07:18,309 --> 01:07:16,240

this is

1951

01:07:20,069 --> 01:07:18,319

it it's bothersome because i i really

1952

01:07:21,829 --> 01:07:20,079

felt one i felt defeated because i ended

1953

01:07:23,190 --> 01:07:21,839

up putting up my own poll i didn't like

1954

01:07:25,190 --> 01:07:23,200

the way they questioned it so i had my

1955

01:07:27,589 --> 01:07:25,200

own poll going around i created my own

1956

01:07:29,910 --> 01:07:27,599

poll on change.org or whatever uh

1957

01:07:33,109 --> 01:07:29,920

website i ended up using and i had i

1958

01:07:35,109 --> 01:07:33,119

think just under 500 uh signatures some

1959

01:07:36,950 --> 01:07:35,119

from some of the doctors and attorneys

1960

01:07:40,309 --> 01:07:36,960

that you referred to that's been on the

1961

01:07:42,390 --> 01:07:40,319

show and um many residents from from

1962

01:07:44,950 --> 01:07:42,400

town it wasn't just people from all over

1963

01:07:46,549 --> 01:07:44,960

the place but it was worded the way that

1964

01:07:49,109 --> 01:07:46,559

it should have been worded about parents

1965

01:07:52,230 --> 01:07:49,119

having the option and they should have

1966

01:07:54,230 --> 01:07:52,240

con you know that that choice and um and

1967

01:07:56,390 --> 01:07:54,240

so i wanted to i also send them the poll

1968

01:07:57,990 --> 01:07:56,400

results i wanted to

1969

01:08:00,309 --> 01:07:58,000

share my poll results at the school

1970

01:08:01,910 --> 01:08:00,319

committee meeting and

1971

01:08:04,630 --> 01:08:01,920

none of it mattered because the day it

1972

01:08:07,510 --> 01:08:04,640

was either the day of or the day before

1973

01:08:09,349 --> 01:08:07,520

massachusetts decided for every town and

1974

01:08:10,390 --> 01:08:09,359

city and in

1975

01:08:12,150 --> 01:08:10,400

in the state

1976

01:08:14,390 --> 01:08:12,160

that they're gonna mask all kids even

1977

01:08:17,030 --> 01:08:14,400

though there were some local towns and

1978

01:08:19,349 --> 01:08:17,040

and many towns that decide not to and uh

1979

01:08:21,430 --> 01:08:19,359

so what the people wanted didn't mean

1980

01:08:23,910 --> 01:08:21,440

anything and it also took all the

1981

01:08:25,990 --> 01:08:23,920

ability for us locally to make a

1982

01:08:27,669 --> 01:08:26,000

difference and actually uh push for

1983

01:08:30,309 --> 01:08:27,679

something and stand up for something and

1984

01:08:33,189 --> 01:08:30,319

protect the kids and um

1985

01:08:35,110 --> 01:08:33,199

yeah so it you know i as a parent i felt

1986

01:08:36,229 --> 01:08:35,120

defeated i felt

1987

01:08:37,910 --> 01:08:36,239

uh

1988

01:08:39,910 --> 01:08:37,920

i felt like you know i put all this

1989

01:08:41,749 --> 01:08:39,920

effort and time and

1990

01:08:44,149 --> 01:08:41,759

you know got people signing the survey

1991

01:08:46,229 --> 01:08:44,159

got people sharing the survey uh you

1992

01:08:48,630 --> 01:08:46,239

know i had so many people contacting me

1993

01:08:50,550 --> 01:08:48,640

about what was going on and thanking me

1994

01:08:53,349 --> 01:08:50,560

for for being outspoken and all this

1995

01:08:56,229 --> 01:08:53,359

stuff and then out of nowhere uh

1996

01:08:57,590 --> 01:08:56,239

jeffrey reilly who is um

1997

01:08:59,269 --> 01:08:57,600

you know the commissioner i will forget

1998

01:09:01,030 --> 01:08:59,279

what his title is something about uh

1999

01:09:03,030 --> 01:09:01,040

education one of the directors of

2000

01:09:06,470 --> 01:09:03,040

education or something for massachusetts

2001

01:09:08,789 --> 01:09:06,480

decided him and dictator baker to uh

2002

01:09:10,709 --> 01:09:08,799

mask all the kids and we just got an

2003

01:09:11,990 --> 01:09:10,719

email just a week ago

2004

01:09:14,709 --> 01:09:12,000

um

2005

01:09:16,870 --> 01:09:14,719

saying that the the massachusetts plans

2006

01:09:17,990 --> 01:09:16,880

unmasking all the kids until like mid

2007

01:09:18,950 --> 01:09:18,000

january

2008

01:09:20,630 --> 01:09:18,960

and

2009

01:09:23,349 --> 01:09:20,640

or

2010

01:09:24,789 --> 01:09:23,359

80 vaccinated schools if we have 80

2011

01:09:27,269 --> 01:09:24,799

vaccinated schools

2012

01:09:29,269 --> 01:09:27,279

uh everybody in the school system 80

2013

01:09:32,390 --> 01:09:29,279

vaccinated then they can remove the

2014

01:09:34,630 --> 01:09:32,400

masks the really absurd thing is nowhere

2015

01:09:37,110 --> 01:09:34,640

in the email do they say anything about

2016

01:09:38,950 --> 01:09:37,120

no cases or lower numbers like the

2017

01:09:41,749 --> 01:09:38,960

numbers it's just it's so obvious the

2018

01:09:44,709 --> 01:09:41,759

agenda is just to vaccinate the out

2019

01:09:46,550 --> 01:09:44,719

of everybody and it doesn't matter um

2020

01:09:48,470 --> 01:09:46,560

what decay it never mattered and that's

2021

01:09:50,789 --> 01:09:48,480

kind of the thing about the the science

2022

01:09:51,829 --> 01:09:50,799

that like i spend so much time talking

2023

01:09:54,310 --> 01:09:51,839

to people

2024

01:09:55,830 --> 01:09:54,320

and and so many people on a personal

2025

01:09:57,910 --> 01:09:55,840

level if i'm talking to them at the gym

2026

01:09:59,270 --> 01:09:57,920

if i'm talking to them uh wherever you

2027

01:10:00,550 --> 01:09:59,280

know if i'm at a basketball game or

2028

01:10:02,870 --> 01:10:00,560

wherever and i'm talking to somebody at

2029

01:10:04,950 --> 01:10:02,880

a little get-together

2030

01:10:06,310 --> 01:10:04,960

and we have a disagreement

2031

01:10:07,590 --> 01:10:06,320

most people i feel like because

2032

01:10:10,709 --> 01:10:07,600

logically

2033

01:10:12,310 --> 01:10:10,719

logic's on my side if i just put this

2034

01:10:14,709 --> 01:10:12,320

information out there and i explain to

2035

01:10:17,350 --> 01:10:14,719

them how i came to these conclusions

2036

01:10:18,630 --> 01:10:17,360

and and how obvious it is or at least if

2037

01:10:19,990 --> 01:10:18,640

i don't tell them it's obvious but if i

2038

01:10:21,669 --> 01:10:20,000

give them all the information it'll

2039

01:10:24,550 --> 01:10:21,679

become obvious

2040

01:10:25,750 --> 01:10:24,560

then they'll at least meet me halfway

2041

01:10:28,390 --> 01:10:25,760

and

2042

01:10:30,550 --> 01:10:28,400

so i had hope that you know that that

2043

01:10:32,070 --> 01:10:30,560

would happen everywhere and i always

2044

01:10:33,430 --> 01:10:32,080

felt like i could kind of sway somebody

2045

01:10:35,430 --> 01:10:33,440

and wonder and

2046

01:10:39,430 --> 01:10:35,440

you know the school the school committee

2047

01:10:41,590 --> 01:10:39,440

members uh continue to uh you know i um

2048

01:10:44,390 --> 01:10:41,600

keep getting updates on on what's going

2049

01:10:45,270 --> 01:10:44,400

on in town and after i i was outspoken

2050

01:10:46,229 --> 01:10:45,280

and

2051

01:10:47,990 --> 01:10:46,239

uh

2052

01:10:49,350 --> 01:10:48,000

people were contacting me and talked to

2053

01:10:51,270 --> 01:10:49,360

me about

2054

01:10:52,790 --> 01:10:51,280

and you you as a parent i'm kind of

2055

01:10:54,229 --> 01:10:52,800

curious on your perspective because this

2056

01:10:56,870 --> 01:10:54,239

is kind of related to

2057

01:10:59,510 --> 01:10:56,880

agenda 21 and agenda 2030 which we spoke

2058

01:11:00,550 --> 01:10:59,520

about last night on union unwanted

2059

01:11:03,270 --> 01:11:00,560

but

2060

01:11:05,910 --> 01:11:03,280

they talked about all these like books

2061

01:11:07,110 --> 01:11:05,920

with cartoon gay sex and all the stuff

2062

01:11:09,830 --> 01:11:07,120

that's in the library in the middle

2063

01:11:12,149 --> 01:11:09,840

school in in my town and how there's

2064

01:11:13,750 --> 01:11:12,159

this group of parents who are trying to

2065

01:11:15,430 --> 01:11:13,760

get these books out of our library and

2066

01:11:16,790 --> 01:11:15,440

then i run into

2067

01:11:21,270 --> 01:11:16,800

like all these other parents that are

2068

01:11:25,990 --> 01:11:23,030

in their school systems with pushing

2069

01:11:27,350 --> 01:11:26,000

critical race theory pushing um you know

2070

01:11:29,270 --> 01:11:27,360

all these things

2071

01:11:31,189 --> 01:11:29,280

that i'm just like

2072

01:11:33,430 --> 01:11:31,199

i is are these things that should even

2073

01:11:35,910 --> 01:11:33,440

be taught in school like what like i it

2074

01:11:38,310 --> 01:11:35,920

doesn't matter if if it's books

2075

01:11:40,070 --> 01:11:38,320

with straight

2076

01:11:41,830 --> 01:11:40,080

cartoons have you know doing sexual

2077

01:11:43,990 --> 01:11:41,840

things like i don't care what you know

2078

01:11:45,669 --> 01:11:44,000

gender they are i don't care what sexual

2079

01:11:46,790 --> 01:11:45,679

preference they have like my kids should

2080

01:11:48,790 --> 01:11:46,800

not be exposed to this this is the

2081

01:11:51,110 --> 01:11:48,800

conversation i have with them this is a

2082

01:11:53,830 --> 01:11:51,120

conversation that uh you know that they

2083

01:11:56,550 --> 01:11:53,840

don't learn by grabbing the wrong book

2084

01:11:59,750 --> 01:11:56,560

at the middle school and

2085

01:12:01,350 --> 01:11:59,760

so it just all these agendas end up

2086

01:12:02,950 --> 01:12:01,360

becoming more and more obvious and

2087

01:12:04,950 --> 01:12:02,960

you're starting to see

2088

01:12:07,510 --> 01:12:04,960

how like these are all agendas that have

2089

01:12:09,830 --> 01:12:07,520

been i think pushed and there was like

2090

01:12:11,430 --> 01:12:09,840

little baby steps like this little move

2091

01:12:13,910 --> 01:12:11,440

here that little move there to kind of

2092

01:12:16,630 --> 01:12:13,920

all push to the same destination but now

2093

01:12:17,510 --> 01:12:16,640

it's like they're all much more obvious

2094

01:12:18,950 --> 01:12:17,520

and

2095

01:12:23,430 --> 01:12:18,960

it's

2096

01:12:25,990 --> 01:12:23,440

about like what world are my kids going

2097

01:12:27,430 --> 01:12:26,000

to grow up in and i remember saying this

2098

01:12:29,189 --> 01:12:27,440

before i was a parent i'm like what

2099

01:12:31,750 --> 01:12:29,199

world if i had kids what would they grow

2100

01:12:33,669 --> 01:12:31,760

up in but now it's like it's even

2101  
01:12:36,630 --> 01:12:33,679  
scarier than what i predicted you know

2102  
01:12:38,470 --> 01:12:36,640  
or at least when i was thinking of like

2103  
01:12:40,790 --> 01:12:38,480  
the worst case scenario like what world

2104  
01:12:42,149 --> 01:12:40,800  
would they uh grow up in worst case

2105  
01:12:43,910 --> 01:12:42,159  
scenario and now it's like well now the

2106  
01:12:45,669 --> 01:12:43,920  
worst case scenario is way worse than i

2107  
01:12:46,709 --> 01:12:45,679  
even ever predicted or could ever

2108  
01:12:48,070 --> 01:12:46,719  
imagine

2109  
01:12:50,550 --> 01:12:48,080  
and it's just

2110  
01:12:53,510 --> 01:12:50,560  
it's scary and i don't i think these are

2111  
01:12:54,550 --> 01:12:53,520  
topics that are hard to discuss because

2112  
01:12:56,950 --> 01:12:54,560  
not

2113  
01:13:00,229 --> 01:12:56,960

on a surface level the critical race

2114

01:13:01,830 --> 01:13:00,239

theory or being open to

2115

01:13:03,830 --> 01:13:01,840

you know people being gay lesbian

2116

01:13:06,149 --> 01:13:03,840

transgender like

2117

01:13:08,229 --> 01:13:06,159

that's all that's all fine and dandy and

2118

01:13:10,709 --> 01:13:08,239

i'm open to have those discussions i'm

2119

01:13:12,950 --> 01:13:10,719

not anti any of those things

2120

01:13:16,470 --> 01:13:12,960

i'm anti pushing

2121

01:13:17,590 --> 01:13:16,480

any ideology on my kids like a school is

2122

01:13:19,990 --> 01:13:17,600

supposed to be a place where you teach

2123

01:13:22,310 --> 01:13:20,000

kids how to yeah hold on hold on ricky

2124

01:13:24,870 --> 01:13:22,320

before we go on that roll

2125

01:13:27,590 --> 01:13:24,880

you know i think that kind of in a way

2126

01:13:28,790 --> 01:13:27,600

it confuses the issue in that

2127

01:13:30,390 --> 01:13:28,800

we've been talking about that

2128

01:13:32,390 --> 01:13:30,400

forever right

2129

01:13:34,229 --> 01:13:32,400

all my life you know that's been an

2130

01:13:35,270 --> 01:13:34,239

issue and my kids are a little bit older

2131

01:13:36,950 --> 01:13:35,280

than yours

2132

01:13:39,189 --> 01:13:36,960

college kind of a little bit beyond

2133

01:13:41,910 --> 01:13:39,199

college uh but that was an issue you

2134

01:13:43,750 --> 01:13:41,920

know 10 15 years ago all that stuff

2135

01:13:45,990 --> 01:13:43,760

what people want to know is is it

2136

01:13:47,270 --> 01:13:46,000

different now and i think what they hear

2137

01:13:50,470 --> 01:13:47,280

in your show

2138

01:13:53,990 --> 01:13:50,480

is no it's it's

2139

01:13:55,990 --> 01:13:54,000

it's demonstrably and significantly in

2140

01:13:57,110 --> 01:13:56,000

an important way

2141

01:13:59,350 --> 01:13:57,120

different

2142

01:14:00,709 --> 01:13:59,360

and i think you've been hammering on

2143

01:14:03,189 --> 01:14:00,719

that

2144

01:14:05,510 --> 01:14:03,199

pretty hard with where this whole thing

2145

01:14:07,669 --> 01:14:05,520

has taken you and

2146

01:14:10,070 --> 01:14:07,679

it's really the the one part i guess

2147

01:14:11,350 --> 01:14:10,080

that i do want you to address because

2148

01:14:14,790 --> 01:14:11,360

you kind of mentioned it and then you

2149

01:14:15,910 --> 01:14:14,800

kind of rolled right past it it's pretty

2150

01:14:18,709 --> 01:14:15,920

dark

2151  
01:14:21,430 --> 01:14:18,719  
right now and it's pretty scary because

2152  
01:14:23,110 --> 01:14:21,440  
the natural through line of what you're

2153  
01:14:27,350 --> 01:14:23,120  
painting

2154  
01:14:30,149 --> 01:14:27,360  
only goes one way it goes in this way of

2155  
01:14:32,149 --> 01:14:30,159  
a control uh

2156  
01:14:33,990 --> 01:14:32,159  
thing matrix i was gonna say but then

2157  
01:14:35,030 --> 01:14:34,000  
that just throws everybody it's it's

2158  
01:14:38,310 --> 01:14:35,040  
just

2159  
01:14:39,910 --> 01:14:38,320  
it's it's it's scary in a way that even

2160  
01:14:41,590 --> 01:14:39,920  
people who've been part of the truth

2161  
01:14:42,709 --> 01:14:41,600  
movement part of the whole thing for a

2162  
01:14:44,870 --> 01:14:42,719  
long time

2163  
01:14:47,110 --> 01:14:44,880

haven't had to really confront

2164

01:14:48,229 --> 01:14:47,120

what they're willing to kind of do right

2165

01:14:49,510 --> 01:14:48,239

now with

2166

01:14:51,030 --> 01:14:49,520

it's like somebody brought this up the

2167

01:14:53,110 --> 01:14:51,040

other day maybe even on the show last

2168

01:14:55,110 --> 01:14:53,120

night is like

2169

01:14:56,470 --> 01:14:55,120

this step-by-step boiling frog thing

2170

01:14:57,430 --> 01:14:56,480

that everyone's heard about you know

2171

01:14:59,270 --> 01:14:57,440

it's like

2172

01:15:01,189 --> 01:14:59,280

you know even if you just go back 18

2173

01:15:03,750 --> 01:15:01,199

months remember when people said you're

2174

01:15:05,910 --> 01:15:03,760

gonna have a vaccine passport you're

2175

01:15:07,590 --> 01:15:05,920

gonna have vaccine mandates and i

2176

01:15:09,669 --> 01:15:07,600

remember like again even in my family

2177

01:15:11,189 --> 01:15:09,679

they're like that would never happen

2178

01:15:12,470 --> 01:15:11,199

you're just being ridiculous because you

2179

01:15:14,310 --> 01:15:12,480

don't want

2180

01:15:17,830 --> 01:15:14,320

now that isn't even that isn't even

2181

01:15:19,270 --> 01:15:17,840

that's like just the beginning of it so

2182

01:15:24,149 --> 01:15:19,280

how bad is it

2183

01:15:27,030 --> 01:15:24,159

i i try to be optimistic because i

2184

01:15:28,790 --> 01:15:27,040

the more they push the more i think we

2185

01:15:30,709 --> 01:15:28,800

push and

2186

01:15:32,310 --> 01:15:30,719

i i think it was you who said it last

2187

01:15:34,390 --> 01:15:32,320

night and i think it's so true like

2188

01:15:36,709 --> 01:15:34,400

don't with moms and

2189

01:15:40,070 --> 01:15:36,719

it's it's it's so true like throughout

2190

01:15:43,669 --> 01:15:40,080

the years of you know so i to me none of

2191

01:15:45,430 --> 01:15:43,679

this is is that eye-opening or new to me

2192

01:15:47,750 --> 01:15:45,440

because i've i've always been really

2193

01:15:50,870 --> 01:15:47,760

deep in in health and nutrition

2194

01:15:52,870 --> 01:15:50,880

and i've always been really deep into

2195

01:15:55,350 --> 01:15:52,880

just big pharma and all those issues

2196

01:15:57,270 --> 01:15:55,360

that are related to it uh you know but

2197

01:15:59,270 --> 01:15:57,280

early years of the ripple effect podcast

2198

01:16:03,030 --> 01:15:59,280

i had a lot of doctors on dr brzezinski

2199

01:16:05,669 --> 01:16:03,040

dr gregory smith um so many uh great

2200

01:16:08,070 --> 01:16:05,679

researchers that are really exposing

2201

01:16:09,910 --> 01:16:08,080

how you know there's no money in us

2202

01:16:12,070 --> 01:16:09,920

being healthy there's money and and

2203

01:16:13,750 --> 01:16:12,080

symptom management and keeping us sick

2204

01:16:20,070 --> 01:16:13,760

and

2205

01:16:21,110 --> 01:16:20,080

to recover from things if you give it

2206

01:16:23,990 --> 01:16:21,120

the fuel

2207

01:16:27,030 --> 01:16:24,000

and sunlight and fresh air and all the

2208

01:16:27,910 --> 01:16:27,040

things that it needs to to be healthy

2209

01:16:29,910 --> 01:16:27,920

so

2210

01:16:30,790 --> 01:16:29,920

a lot of these agendas we kind of knew

2211

01:16:31,990 --> 01:16:30,800

about

2212

01:16:33,430 --> 01:16:32,000

and

2213

01:16:35,430 --> 01:16:33,440

now they they definitely seem

2214

01:16:37,830 --> 01:16:35,440

fast-tracked

2215

01:16:39,990 --> 01:16:37,840

but i i also think it's woken up a lot

2216

01:16:41,350 --> 01:16:40,000

of people like years ago

2217

01:16:43,910 --> 01:16:41,360

when i would have conversation with

2218

01:16:44,870 --> 01:16:43,920

people about vaccines

2219

01:16:46,310 --> 01:16:44,880

i mean

2220

01:16:47,590 --> 01:16:46,320

they're people

2221

01:16:49,430 --> 01:16:47,600

it was really hard to find other people

2222

01:16:52,310 --> 01:16:49,440

who were skeptical about

2223

01:16:53,990 --> 01:16:52,320

their safety or their just about

2224

01:16:55,990 --> 01:16:54,000

vaccines at all

2225

01:16:57,350 --> 01:16:56,000

and i know some of my listeners are sick

2226  
01:16:59,510 --> 01:16:57,360  
of me saying this but i would always use

2227  
01:17:00,709 --> 01:16:59,520  
the metaphor of like okay if i give

2228  
01:17:03,189 --> 01:17:00,719  
every kid

2229  
01:17:05,189 --> 01:17:03,199  
a peanut butter some kids are gonna die

2230  
01:17:07,270 --> 01:17:05,199  
like so what makes you think vaccines

2231  
01:17:09,270 --> 01:17:07,280  
are the one thing in the world

2232  
01:17:12,070 --> 01:17:09,280  
that you can give everybody and nobody

2233  
01:17:14,870 --> 01:17:12,080  
has a negative effect like it just it

2234  
01:17:17,910 --> 01:17:14,880  
seems silly and i think a lot of people

2235  
01:17:22,189 --> 01:17:21,110  
i guess uh medical freedom movement

2236  
01:17:24,950 --> 01:17:22,199  
we've been

2237  
01:17:27,430 --> 01:17:24,960  
misrepresented because a lot of times

2238  
01:17:29,430 --> 01:17:27,440

it's we're not saying that every person

2239

01:17:31,510 --> 01:17:29,440

is going to be harmed from a vaccine

2240

01:17:34,390 --> 01:17:31,520

we're just saying that there's a reward

2241

01:17:36,229 --> 01:17:34,400

risk ratio and you've been misled about

2242

01:17:38,070 --> 01:17:36,239

how much reward there is and how much

2243

01:17:40,709 --> 01:17:38,080

risk there is and i think that's the

2244

01:17:42,630 --> 01:17:40,719

wrong i think that's the wrong debate

2245

01:17:44,550 --> 01:17:42,640

and i think it's debate it's a debate

2246

01:17:45,830 --> 01:17:44,560

that they would love to have

2247

01:17:47,910 --> 01:17:45,840

because

2248

01:17:50,550 --> 01:17:47,920

as you kind of alluded to you can get

2249

01:17:53,110 --> 01:17:50,560

mired in all sorts of

2250

01:17:54,550 --> 01:17:53,120

on both sides which is valid

2251  
01:17:56,470 --> 01:17:54,560  
you know you got to have science and all

2252  
01:17:59,110 --> 01:17:56,480  
the rest of that the the question and

2253  
01:18:00,790 --> 01:17:59,120  
this kind of came up in uh when i was on

2254  
01:18:02,870 --> 01:18:00,800  
the ripple effect

2255  
01:18:06,229 --> 01:18:02,880  
what no one wants to face is what we

2256  
01:18:09,430 --> 01:18:06,239  
really want to know is is it evil

2257  
01:18:10,630 --> 01:18:09,440  
are the people behind this evil in some

2258  
01:18:13,189 --> 01:18:10,640  
way

2259  
01:18:15,110 --> 01:18:13,199  
that we're uncomfortable talking about

2260  
01:18:17,189 --> 01:18:15,120  
but we know what the we're talking

2261  
01:18:18,870 --> 01:18:17,199  
about so when you know i was just

2262  
01:18:20,709 --> 01:18:18,880  
watching the documentary one of the

2263  
01:18:22,709 --> 01:18:20,719

documentaries on the kind of purdue

2264

01:18:25,510 --> 01:18:22,719

pharmaceutical thing and the whole

2265

01:18:27,990 --> 01:18:25,520

oxycontin thing and the family you know

2266

01:18:29,990 --> 01:18:28,000

that whole and what they did is they

2267

01:18:32,470 --> 01:18:30,000

made uh i thought this was just i'll

2268

01:18:34,470 --> 01:18:32,480

throw this in as just a little aside

2269

01:18:35,990 --> 01:18:34,480

but they made pain

2270

01:18:38,630 --> 01:18:36,000

a new sense

2271

01:18:41,430 --> 01:18:38,640

like you know you have sight you have

2272

01:18:43,270 --> 01:18:41,440

taste and now you have pain too and you

2273

01:18:45,110 --> 01:18:43,280

have the little person in the you know

2274

01:18:47,430 --> 01:18:45,120

the little you are the smiley face of

2275

01:18:50,070 --> 01:18:47,440

the frowny flesh face which is all you

2276

01:18:52,390 --> 01:18:50,080

know kind of really

2277

01:18:53,830 --> 01:18:52,400

mundane and understandable and like

2278

01:18:55,669 --> 01:18:53,840

you're talking about the evil of the

2279

01:18:58,070 --> 01:18:55,679

middle it's like well of course there's

2280

01:19:00,310 --> 01:18:58,080

some good and bad in there

2281

01:19:02,790 --> 01:19:00,320

all that was done as a marketing effort

2282

01:19:04,790 --> 01:19:02,800

to introduce oxycontin because they had

2283

01:19:06,470 --> 01:19:04,800

this agenda and they sold billions and

2284

01:19:08,390 --> 01:19:06,480

billions of dollars and they made all

2285

01:19:09,750 --> 01:19:08,400

this money and they destroyed all these

2286

01:19:12,470 --> 01:19:09,760

lives

2287

01:19:15,270 --> 01:19:12,480

we do not want to get pulled into

2288

01:19:18,310 --> 01:19:15,280

another one of those protracted

2289

01:19:20,550 --> 01:19:18,320

uh medical discussions where

2290

01:19:21,590 --> 01:19:20,560

there is always going to be that evil

2291

01:19:25,270 --> 01:19:21,600

middle

2292

01:19:28,790 --> 01:19:25,280

what we want to understand is

2293

01:19:32,550 --> 01:19:28,800

is the is the driving force behind this

2294

01:19:35,270 --> 01:19:32,560

something that we could identify as good

2295

01:19:37,590 --> 01:19:35,280

old-fashioned evil if it's just people

2296

01:19:40,070 --> 01:19:37,600

out there and i see it one way and you

2297

01:19:42,149 --> 01:19:40,080

see it another way we can deal with that

2298

01:19:44,790 --> 01:19:42,159

if it's just somebody out there honestly

2299

01:19:48,070 --> 01:19:44,800

saying i think this is a better way to

2300

01:19:51,350 --> 01:19:48,080

protect humanity and protect the herd

2301

01:19:54,229 --> 01:19:51,360

and well i respectfully disagree we can

2302

01:19:54,950 --> 01:19:54,239

handle that what we can't handle

2303

01:20:04,950 --> 01:19:54,960

is

2304

01:20:06,229 --> 01:20:04,960

tracking in the truth movement for a

2305

01:20:08,310 --> 01:20:06,239

long time

2306

01:20:11,189 --> 01:20:08,320

those building seven

2307

01:20:14,149 --> 01:20:11,199

wasn't hit by an airplane oh my god what

2308

01:20:18,229 --> 01:20:14,159

even bring that up it's the same thing

2309

01:20:21,229 --> 01:20:18,239

climate change and those phony emails

2310

01:20:24,629 --> 01:20:21,239

never really happened you live there in

2311

01:20:27,350 --> 01:20:24,639

massachusetts the ocean isn't coming up

2312

01:20:29,030 --> 01:20:27,360

the best scientists in the world

2313

01:20:31,590 --> 01:20:29,040

you know

2314

01:20:33,990 --> 01:20:31,600

who track the ocean level there's no

2315

01:20:37,110 --> 01:20:34,000

change in the ocean level they continue

2316

01:20:38,550 --> 01:20:37,120

to push that agenda so i i won't go on

2317

01:20:40,950 --> 01:20:38,560

too long of a rant there but the

2318

01:20:45,669 --> 01:20:40,960

question is

2319

01:20:47,590 --> 01:20:45,679

is it evil is there evil behind this

2320

01:20:49,110 --> 01:20:47,600

because you don't want to go there ricky

2321

01:20:51,110 --> 01:20:49,120

that's where i'm pushing you that's how

2322

01:20:52,629 --> 01:20:51,120

i want to get skeptical it's not about

2323

01:20:55,669 --> 01:20:52,639

it's not just about pleasant

2324

01:20:57,750 --> 01:20:55,679

conversations it's not just about

2325

01:20:59,910 --> 01:20:57,760

everyone has an opinion and i'm going to

2326

01:21:02,709 --> 01:20:59,920

start a commune in puerto vallarta

2327

01:21:05,350 --> 01:21:02,719

mexico oh even better i got my seed

2328

01:21:07,750 --> 01:21:05,360

stacked up in the garage and you know i

2329

01:21:09,030 --> 01:21:07,760

can last you know and

2330

01:21:10,390 --> 01:21:09,040

what kind of guns do you have because

2331

01:21:12,709 --> 01:21:10,400

they are going to come to your door oh

2332

01:21:14,870 --> 01:21:12,719

yeah i got this gun and that gun

2333

01:21:16,709 --> 01:21:14,880

that obviously none of that

2334

01:21:19,669 --> 01:21:16,719

works because on the on some kind of

2335

01:21:22,310 --> 01:21:19,679

grander spiritual level

2336

01:21:24,950 --> 01:21:22,320

that stuff just kind of looks as

2337

01:21:27,669 --> 01:21:24,960

ridiculous as as everything else looks

2338

01:21:30,149 --> 01:21:27,679

unless we're really willing to go

2339

01:21:32,229 --> 01:21:30,159

you called it philosophical i'd call it

2340

01:21:35,110 --> 01:21:32,239

spiritual and really

2341

01:21:38,390 --> 01:21:35,120

tackle those issues head on who am i why

2342

01:21:42,390 --> 01:21:38,400

am i here what am i supposed to do

2343

01:21:44,709 --> 01:21:42,400

no absolutely it's evil and i think that

2344

01:21:47,590 --> 01:21:44,719

a lot of the people who are

2345

01:21:48,550 --> 01:21:47,600

the most outspoken the mo people that

2346

01:21:51,110 --> 01:21:48,560

i've

2347

01:21:53,110 --> 01:21:51,120

taught dr peter mccullough dr carrie

2348

01:21:55,750 --> 01:21:53,120

maday dell big tree

2349

01:21:58,470 --> 01:21:55,760

mickey willis all these people

2350

01:22:00,470 --> 01:21:58,480

are spiritual or religious and they're

2351

01:22:02,550 --> 01:22:00,480

the ones who seem

2352

01:22:04,390 --> 01:22:02,560

and and i could go down the list i mean

2353

01:22:06,310 --> 01:22:04,400

uh ryan from last american vagabond i

2354

01:22:09,030 --> 01:22:06,320

mean all these

2355

01:22:11,669 --> 01:22:09,040

researchers doctors thinkers filmmakers

2356

01:22:14,390 --> 01:22:11,679

people who are really

2357

01:22:16,550 --> 01:22:14,400

scared and panicking and feel like this

2358

01:22:19,910 --> 01:22:16,560

is really bad they're people who believe

2359

01:22:21,189 --> 01:22:19,920

in evil and i i think there's a lot of

2360

01:22:22,709 --> 01:22:21,199

like i

2361

01:22:24,070 --> 01:22:22,719

i think there's true believers out there

2362

01:22:25,430 --> 01:22:24,080

i think they're so if you know the

2363

01:22:27,669 --> 01:22:25,440

people who are going to tell me to put

2364

01:22:28,709 --> 01:22:27,679

my mask over my nose like they're all

2365

01:22:31,350 --> 01:22:28,719

not just

2366

01:22:34,310 --> 01:22:31,360

a-holes some of them are truly scared

2367

01:22:35,750 --> 01:22:34,320

the propaganda worked you scare the sh

2368

01:22:38,470 --> 01:22:35,760

you attempted to scare the out of

2369

01:22:41,110 --> 01:22:38,480

the population for 18 months

2370

01:22:43,590 --> 01:22:41,120

it worked on in many cases there's a lot

2371

01:22:45,430 --> 01:22:43,600

of people out there who truly truly are

2372

01:22:47,430 --> 01:22:45,440

afraid they're the ones driving in a car

2373

01:22:49,350 --> 01:22:47,440

by themselves they're the ones who even

2374

01:22:50,470 --> 01:22:49,360

if you tell them that like hey

2375

01:22:52,709 --> 01:22:50,480

everything's good you could take off

2376

01:22:54,629 --> 01:22:52,719

your mask they would probably still

2377

01:22:55,430 --> 01:22:54,639

still wear them because

2378

01:22:57,350 --> 01:22:55,440

it

2379

01:22:59,510 --> 01:22:57,360

you've scared the out of them that

2380

01:23:02,310 --> 01:22:59,520

you've traumatized them to some extent

2381

01:23:04,310 --> 01:23:02,320

where now they're so afraid of reality

2382

01:23:06,390 --> 01:23:04,320

or getting a virus

2383

01:23:08,870 --> 01:23:06,400

that you know they'll wear one anyways

2384

01:23:10,070 --> 01:23:08,880

just to be on the safe side right so i i

2385

01:23:11,189 --> 01:23:10,080

think they're they're pet it's no

2386

01:23:12,629 --> 01:23:11,199

different than somebody you know and

2387

01:23:13,990 --> 01:23:12,639

fear and danger are two different things

2388

01:23:15,830 --> 01:23:14,000

right it's like

2389

01:23:17,110 --> 01:23:15,840

somebody who's afraid of an insect you

2390

01:23:18,790 --> 01:23:17,120

know it's like well is that an insect

2391

01:23:20,709 --> 01:23:18,800

gonna harm you no

2392

01:23:22,870 --> 01:23:20,719

but it's not a at you know it's not a

2393

01:23:25,110 --> 01:23:22,880

danger but it's fear and and for some

2394

01:23:26,790 --> 01:23:25,120

reason you've been traumatized and you

2395

01:23:29,750 --> 01:23:26,800

have this

2396

01:23:31,110 --> 01:23:29,760

this just over the top fear of something

2397

01:23:33,430 --> 01:23:31,120

and and so i think there's true

2398

01:23:35,910 --> 01:23:33,440

believers there's some people who truly

2399

01:23:38,709 --> 01:23:35,920

are pushing or helping

2400

01:23:39,910 --> 01:23:38,719

the evil people who have a greater

2401  
01:23:41,189 --> 01:23:39,920  
agenda

2402  
01:23:42,709 --> 01:23:41,199  
who aren't

2403  
01:23:44,310 --> 01:23:42,719  
true believers in the nonsense that

2404  
01:23:46,950 --> 01:23:44,320  
they're pushing onto the public but

2405  
01:23:48,790 --> 01:23:46,960  
using these people as pawns and you see

2406  
01:23:51,110 --> 01:23:48,800  
it with like there's people out there

2407  
01:23:52,790 --> 01:23:51,120  
who truly care about the environment and

2408  
01:23:54,870 --> 01:23:52,800  
that's like the cause that they're the

2409  
01:23:56,790 --> 01:23:54,880  
most passionate about and they believe

2410  
01:23:59,030 --> 01:23:56,800  
that there's um you know we're putting

2411  
01:24:01,430 --> 01:23:59,040  
chemicals into the water and all and a

2412  
01:24:03,110 --> 01:24:01,440  
lot of the stuff is true what they what

2413  
01:24:04,390 --> 01:24:03,120

some of them don't understand is that

2414

01:24:06,709 --> 01:24:04,400

they're going to use

2415

01:24:08,229 --> 01:24:06,719

those narratives and those issues to

2416

01:24:10,310 --> 01:24:08,239

push other

2417

01:24:12,870 --> 01:24:10,320

agendas and and

2418

01:24:14,709 --> 01:24:12,880

so when they propose a carbon tax or

2419

01:24:16,790 --> 01:24:14,719

they propose these things it's not

2420

01:24:18,950 --> 01:24:16,800

because they truly care about

2421

01:24:22,790 --> 01:24:18,960

you know protecting the world it's

2422

01:24:24,310 --> 01:24:22,800

because they have other agendas and

2423

01:24:26,709 --> 01:24:24,320

i think

2424

01:24:27,830 --> 01:24:26,719

the only explanation is evil right i

2425

01:24:31,030 --> 01:24:27,840

mean

2426

01:24:33,110 --> 01:24:31,040

before hitler there was evil

2427

01:24:36,310 --> 01:24:33,120

after hitler there was evil you know

2428

01:24:38,470 --> 01:24:36,320

saddam hussein was a real person um

2429

01:24:40,390 --> 01:24:38,480

everybody always refers to to hitler as

2430

01:24:41,750 --> 01:24:40,400

like almost like he was the last evil

2431

01:24:44,550 --> 01:24:41,760

person who wanted to kill everybody i'm

2432

01:24:46,870 --> 01:24:44,560

like there's those people still exist

2433

01:24:49,030 --> 01:24:46,880

the only thing is we've we live in north

2434

01:24:50,950 --> 01:24:49,040

korea and what i mean by that is that

2435

01:24:53,270 --> 01:24:50,960

people in the u.s are just as

2436

01:24:55,590 --> 01:24:53,280

brainwashed as many people or as

2437

01:24:58,310 --> 01:24:55,600

everybody in north korea where you mold

2438

01:25:00,790 --> 01:24:58,320

their worldview at a young age and you

2439

01:25:02,070 --> 01:25:00,800

convince them that we are the exception

2440

01:25:03,510 --> 01:25:02,080

to the rule

2441

01:25:05,030 --> 01:25:03,520

and i think somebody talked about it

2442

01:25:06,550 --> 01:25:05,040

yesterday about the founding fathers and

2443

01:25:08,709 --> 01:25:06,560

all this stuff

2444

01:25:11,189 --> 01:25:08,719

i think it's kind of true i think

2445

01:25:13,830 --> 01:25:11,199

i go back and forth because in one way i

2446

01:25:17,350 --> 01:25:13,840

feel like we're

2447

01:25:20,070 --> 01:25:17,360

we are a example of what could be right

2448

01:25:21,590 --> 01:25:20,080

like a country that truly cares about

2449

01:25:24,790 --> 01:25:21,600

controlling

2450

01:25:27,350 --> 01:25:24,800

the the hierarchy and the monarchy or

2451

01:25:30,470 --> 01:25:27,360

the you know controlling those in power

2452

01:25:32,950 --> 01:25:30,480

and and making things fear and and and

2453

01:25:35,189 --> 01:25:32,960

having checks and balances where we can

2454

01:25:36,550 --> 01:25:35,199

constantly make sure that we we filter

2455

01:25:38,629 --> 01:25:36,560

out corruption

2456

01:25:40,550 --> 01:25:38,639

but in the other hand i'm like we've

2457

01:25:42,550 --> 01:25:40,560

been convinced of this

2458

01:25:43,910 --> 01:25:42,560

and yet like somebody mentioned i think

2459

01:25:45,830 --> 01:25:43,920

yesterday and i've mentioned it on my

2460

01:25:47,750 --> 01:25:45,840

show all the time like look at who who

2461

01:25:49,430 --> 01:25:47,760

ends up getting in office who who are

2462

01:25:51,350 --> 01:25:49,440

all these politicians do a little

2463

01:25:53,510 --> 01:25:51,360

background research guess what they're

2464

01:25:55,510 --> 01:25:53,520

all linked to powerful people they're

2465

01:25:56,950 --> 01:25:55,520

all linked to powerful families they're

2466

01:25:59,350 --> 01:25:56,960

all related to each other they're all

2467

01:26:01,669 --> 01:25:59,360

part of these powerful you know uh

2468

01:26:03,110 --> 01:26:01,679

secret societies and groups like it's

2469

01:26:05,590 --> 01:26:03,120

not us

2470

01:26:07,350 --> 01:26:05,600

it's it's it's a hierarchy so we have

2471

01:26:09,750 --> 01:26:07,360

this illusion that we don't live in a

2472

01:26:11,189 --> 01:26:09,760

monarchy but yet the people running for

2473

01:26:12,790 --> 01:26:11,199

presidents are always clintons and

2474

01:26:15,669 --> 01:26:12,800

bushes and people who are skull and

2475

01:26:17,830 --> 01:26:15,679

bones and and all this stuff and uh and

2476

01:26:19,590 --> 01:26:17,840

i think that's only that's i i get you

2477

01:26:21,669 --> 01:26:19,600

and that's a good point it's only part

2478

01:26:24,070 --> 01:26:21,679

of the story though you know the i've

2479

01:26:27,270 --> 01:26:24,080

been into american history lately partly

2480

01:26:29,350 --> 01:26:27,280

as a distraction to get away from

2481

01:26:31,110 --> 01:26:29,360

but go look at andrew jackson who

2482

01:26:33,510 --> 01:26:31,120

interestingly is being pulled off of

2483

01:26:34,870 --> 01:26:33,520

what the 20 bill and

2484

01:26:36,470 --> 01:26:34,880

being

2485

01:26:38,310 --> 01:26:36,480

replaced by the woman who did the

2486

01:26:39,830 --> 01:26:38,320

underground railroad well hooray for

2487

01:26:41,590 --> 01:26:39,840

that i don't have any problem with that

2488

01:26:43,350 --> 01:26:41,600

i think maybe that's a good

2489

01:26:44,470 --> 01:26:43,360

andrew jackson's really interesting

2490

01:26:46,709 --> 01:26:44,480

character

2491

01:26:48,629 --> 01:26:46,719

because andrew jackson just briefed

2492

01:26:50,390 --> 01:26:48,639

digression into history

2493

01:26:53,590 --> 01:26:50,400

andrew jackson

2494

01:26:56,390 --> 01:26:53,600

genocide on the american indians no

2495

01:26:57,990 --> 01:26:56,400

question about it didn't have to

2496

01:27:00,070 --> 01:26:58,000

set it up to do it that way because it

2497

01:27:02,709 --> 01:27:00,080

was the most expedient way to get the

2498

01:27:04,629 --> 01:27:02,719

expansion that he wanted and repeated it

2499

01:27:07,350 --> 01:27:04,639

and the whole trail of tears thing and

2500

01:27:10,470 --> 01:27:07,360

all that stuff he's that guy

2501

01:27:12,070 --> 01:27:10,480

he's the guy who uh but he's also the

2502

01:27:13,350 --> 01:27:12,080

guy

2503

01:27:16,470 --> 01:27:13,360

who wins

2504

01:27:17,830 --> 01:27:16,480

the war of 1812 which i didn't know this

2505

01:27:19,030 --> 01:27:17,840

i don't want i don't want to front like

2506

01:27:21,030 --> 01:27:19,040

i know history because i know any of

2507

01:27:22,870 --> 01:27:21,040

this stuff but you go and learn it again

2508

01:27:25,510 --> 01:27:22,880

the war of 1812 is the second american

2509

01:27:27,590 --> 01:27:25,520

revolution and we almost lost it it was

2510

01:27:29,830 --> 01:27:27,600

not a given

2511

01:27:31,750 --> 01:27:29,840

andrew jackson is a super patriot and he

2512

01:27:32,629 --> 01:27:31,760

drags the cannon and all the rest this

2513

01:27:38,629 --> 01:27:32,639

stuff

2514

01:27:44,870 --> 01:27:41,750

the new orleans mouth of the mississippi

2515

01:27:47,189 --> 01:27:44,880

there and he blasts the out of the

2516

01:27:49,270 --> 01:27:47,199

brits and keeps him from coming up and

2517

01:27:51,110 --> 01:27:49,280

partly because when he was a little kid

2518

01:27:52,629 --> 01:27:51,120

he hate the he hated the brits because

2519

01:27:54,390 --> 01:27:52,639

they arrested him when he was 14 years

2520

01:27:56,310 --> 01:27:54,400

old and they locked him up but the point

2521

01:27:59,030 --> 01:27:56,320

is we lose

2522

01:28:01,669 --> 01:27:59,040

what the america is in america if andrew

2523

01:28:03,990 --> 01:28:01,679

jackson doesn't do that and that's part

2524

01:28:06,149 --> 01:28:04,000

of the reason he became president but

2525

01:28:08,390 --> 01:28:06,159

you know what he also did he's the guy

2526  
01:28:10,870 --> 01:28:08,400  
who really brought about slavery more

2527  
01:28:14,070 --> 01:28:10,880  
than anyone else brought mississippi

2528  
01:28:15,990 --> 01:28:14,080  
alabama and he enslaved all those people

2529  
01:28:17,350 --> 01:28:16,000  
and i love how you know i don't want to

2530  
01:28:19,270 --> 01:28:17,360  
do the whole wokeness thing but there's

2531  
01:28:21,910 --> 01:28:19,280  
always a truth to the wokeness thing

2532  
01:28:24,070 --> 01:28:21,920  
like if you notice the language now they

2533  
01:28:25,350 --> 01:28:24,080  
say enslaved people they don't say

2534  
01:28:27,270 --> 01:28:25,360  
slaves

2535  
01:28:29,990 --> 01:28:27,280  
right on to that that's a good

2536  
01:28:31,110 --> 01:28:30,000  
correction linguistically they weren't

2537  
01:28:33,910 --> 01:28:31,120  
slaves

2538  
01:28:37,830 --> 01:28:33,920

they were enslaved people

2539

01:28:41,110 --> 01:28:37,840

andrew jackson enslaved him so he could

2540

01:28:43,750 --> 01:28:41,120

make more money and the only reason that

2541

01:28:47,030 --> 01:28:43,760

the civil war happened was because the

2542

01:28:50,870 --> 01:28:47,040

abolitionists the great abolitionists up

2543

01:28:53,030 --> 01:28:50,880

in the great state of massachusetts

2544

01:28:55,910 --> 01:28:53,040

they went down there and like john brown

2545

01:28:59,110 --> 01:28:55,920

is the guy john brown went down and he

2546

01:29:01,030 --> 01:28:59,120

broke into the you know the where they

2547

01:29:02,390 --> 01:29:01,040

have all the munitions and the guns and

2548

01:29:04,149 --> 01:29:02,400

he said i'm gonna start a slave

2549

01:29:06,470 --> 01:29:04,159

revolution we're gonna we're gonna go do

2550

01:29:08,229 --> 01:29:06,480

this and john brown gets thrown down but

2551

01:29:09,910 --> 01:29:08,239

then the south goes it man we've

2552

01:29:11,910 --> 01:29:09,920

done everything we can to placate

2553

01:29:13,590 --> 01:29:11,920

because they were just playing the game

2554

01:29:15,750 --> 01:29:13,600

play in the game the middle game that

2555

01:29:17,830 --> 01:29:15,760

you like to play conversations everyone

2556

01:29:19,110 --> 01:29:17,840

has a voice everyone they're playing

2557

01:29:22,709 --> 01:29:19,120

that game

2558

01:29:25,750 --> 01:29:22,719

to the max and john brown says that

2559

01:29:30,070 --> 01:29:25,760

the middle doesn't hold take a

2560

01:29:32,229 --> 01:29:30,080

stand are you for enslaving people from

2561

01:29:35,510 --> 01:29:32,239

the time that they're born until the

2562

01:29:38,709 --> 01:29:35,520

time that they die are you for enslaving

2563

01:29:41,430 --> 01:29:38,719

all their offspring forever is that what

2564

01:29:43,110 --> 01:29:41,440

you're for or are you against that and

2565

01:29:45,030 --> 01:29:43,120

if you're against it

2566

01:29:47,750 --> 01:29:45,040

it's only going to come down one way and

2567

01:29:49,270 --> 01:29:47,760

it came down the way that it is so

2568

01:29:51,990 --> 01:29:49,280

our history

2569

01:29:53,270 --> 01:29:52,000

as you know this great experiment like

2570

01:29:55,350 --> 01:29:53,280

you're you're the one who brought up the

2571

01:29:58,629 --> 01:29:55,360

american history is extremely

2572

01:30:01,189 --> 01:29:58,639

complicated it is irreconcilable

2573

01:30:02,790 --> 01:30:01,199

that that we carried on that stain

2574

01:30:04,629 --> 01:30:02,800

longer than anyone else in the world i

2575

01:30:05,750 --> 01:30:04,639

mean britain had given up on slavery

2576

01:30:07,510 --> 01:30:05,760

every other

2577

01:30:10,550 --> 01:30:07,520

democracy in the world had kind of given

2578

01:30:12,950 --> 01:30:10,560

up on slavery we held on to it because

2579

01:30:14,790 --> 01:30:12,960

it had an economic interest for a

2580

01:30:16,470 --> 01:30:14,800

certain group of people i don't want to

2581

01:30:18,709 --> 01:30:16,480

get off too far on that but i want to

2582

01:30:20,229 --> 01:30:18,719

get off on it a little bit because

2583

01:30:21,510 --> 01:30:20,239

here's the point here's the last point

2584

01:30:24,390 --> 01:30:21,520

i'll make on that

2585

01:30:27,910 --> 01:30:24,400

andrew jackson wasn't part of the

2586

01:30:28,950 --> 01:30:27,920

meritocracy you know what he was the

2587

01:30:30,629 --> 01:30:28,960

first

2588

01:30:32,709 --> 01:30:30,639

uh commoner

2589

01:30:35,350 --> 01:30:32,719

to be made president

2590

01:30:36,470 --> 01:30:35,360

the evil that we're talking about isn't

2591

01:30:39,910 --> 01:30:36,480

about

2592

01:30:42,550 --> 01:30:39,920

uh occulted secret societies it isn't

2593

01:30:45,110 --> 01:30:42,560

about bloodlines it isn't about any of

2594

01:30:47,910 --> 01:30:45,120

that it's about

2595

01:30:50,310 --> 01:30:47,920

something that we need to understand and

2596

01:30:52,870 --> 01:30:50,320

explore and have a better handle on it

2597

01:30:55,350 --> 01:30:52,880

certainly isn't about christianity it

2598

01:30:57,350 --> 01:30:55,360

certainly isn't in the bible it can

2599

01:31:00,629 --> 01:30:57,360

manifest itself through what we can

2600

01:31:02,390 --> 01:31:00,639

learn maybe in in all in so many great

2601

01:31:04,229 --> 01:31:02,400

wisdom books but it

2602

01:31:06,709 --> 01:31:04,239

christianity isn't

2603

01:31:08,870 --> 01:31:06,719

an embodiment of that any more than any

2604

01:31:11,350 --> 01:31:08,880

other religion is it's just another

2605

01:31:13,270 --> 01:31:11,360

vehicle so i've got i've gone off on a

2606

01:31:15,830 --> 01:31:13,280

long rant but maybe you can bring it

2607

01:31:18,790 --> 01:31:15,840

back home to the history thing and how

2608

01:31:22,070 --> 01:31:18,800

we deal with our complicated complicated

2609

01:31:24,950 --> 01:31:22,080

history and and how we own it and at the

2610

01:31:27,910 --> 01:31:24,960

same time deal with it as what we are

2611

01:31:28,790 --> 01:31:27,920

going to be going forward

2612

01:31:30,149 --> 01:31:28,800

well

2613

01:31:33,270 --> 01:31:30,159

i have a question for you because i'm

2614

01:31:35,110 --> 01:31:33,280

kind of curious on your thoughts on

2615

01:31:37,750 --> 01:31:35,120

there's some people who believe they

2616

01:31:39,669 --> 01:31:37,760

subscribe to the idea that the u.s the

2617

01:31:41,910 --> 01:31:39,679

way that they created

2618

01:31:44,070 --> 01:31:41,920

um the us experiment the way they were

2619

01:31:46,870 --> 01:31:44,080

molding this experiment was for the

2620

01:31:48,629 --> 01:31:46,880

purpose of having a fear system

2621

01:31:50,470 --> 01:31:48,639

that you know had checks and balances

2622

01:31:51,590 --> 01:31:50,480

and some people believe like that was a

2623

01:31:54,070 --> 01:31:51,600

facade

2624

01:31:56,550 --> 01:31:54,080

and and really you know it was like this

2625

01:31:58,229 --> 01:31:56,560

illusion that you had a uh

2626  
01:31:59,830 --> 01:31:58,239  
checks and balances and and the system

2627  
01:32:02,470 --> 01:31:59,840  
was fair but it was there's always going

2628  
01:32:03,750 --> 01:32:02,480  
to be some hierarchy for a lack of

2629  
01:32:05,270 --> 01:32:03,760  
better term what do you think do you

2630  
01:32:07,189 --> 01:32:05,280  
think that like if the experiment was

2631  
01:32:09,030 --> 01:32:07,199  
done correctly like because you i hear

2632  
01:32:10,629 --> 01:32:09,040  
that argument from time to time where

2633  
01:32:12,149 --> 01:32:10,639  
people will say

2634  
01:32:14,550 --> 01:32:12,159  
they the founding fathers had the right

2635  
01:32:16,470 --> 01:32:14,560  
idea we just messed up their ideas we're

2636  
01:32:19,750 --> 01:32:16,480  
not we're not putting into practice

2637  
01:32:21,669 --> 01:32:19,760  
exactly the the way they envisioned

2638  
01:32:23,270 --> 01:32:21,679

the system working

2639

01:32:25,189 --> 01:32:23,280

do you agree with that or what's your

2640

01:32:27,270 --> 01:32:25,199

thoughts i'm kind of curious it's

2641

01:32:29,189 --> 01:32:27,280

complicated right i mean we all know

2642

01:32:31,669 --> 01:32:29,199

this part too right like thomas

2643

01:32:34,790 --> 01:32:31,679

jefferson is a slave owner and he's not

2644

01:32:37,270 --> 01:32:34,800

only a slave owner but he's

2645

01:32:40,070 --> 01:32:37,280

you know the fact that you were having

2646

01:32:43,189 --> 01:32:40,080

sexual relations with one of your slaves

2647

01:32:44,870 --> 01:32:43,199

which is like so common so so common you

2648

01:32:46,390 --> 01:32:44,880

know there was just this

2649

01:32:48,070 --> 01:32:46,400

history

2650

01:32:50,709 --> 01:32:48,080

little factoid that came out there was

2651  
01:32:52,390 --> 01:32:50,719  
this woman who wrote kind of like

2652  
01:32:53,590 --> 01:32:52,400  
frederick douglass frederick douglass

2653  
01:32:56,790 --> 01:32:53,600  
the famous

2654  
01:32:58,950 --> 01:32:56,800  
guy who is born a slave and comes to be

2655  
01:33:01,189 --> 01:32:58,960  
one of the leading voices of abolition

2656  
01:33:03,669 --> 01:33:01,199  
and is meeting with abraham lincoln it

2657  
01:33:06,229 --> 01:33:03,679  
is probably singular singularly most

2658  
01:33:09,350 --> 01:33:06,239  
responsible for changing abraham

2659  
01:33:11,270 --> 01:33:09,360  
lincoln's views on slavery because

2660  
01:33:12,870 --> 01:33:11,280  
abraham lincoln starts out as we have to

2661  
01:33:15,910 --> 01:33:12,880  
preserve the union

2662  
01:33:19,270 --> 01:33:15,920  
first and foremost and slavery he was

2663  
01:33:20,629 --> 01:33:19,280

kind of this evil middle ground again

2664

01:33:22,629 --> 01:33:20,639

and frederick douglass and his

2665

01:33:23,910 --> 01:33:22,639

relationship really changed him there

2666

01:33:26,229 --> 01:33:23,920

was a woman who also wrote an

2667

01:33:28,709 --> 01:33:26,239

autobiography and for a long time

2668

01:33:31,270 --> 01:33:28,719

historians were like that's too crude it

2669

01:33:33,669 --> 01:33:31,280

can't possibly be true because what she

2670

01:33:37,350 --> 01:33:33,679

said if you're a woman almost from the

2671

01:33:41,189 --> 01:33:37,360

time you could you know be a little kid

2672

01:33:43,990 --> 01:33:41,199

you were subjected to being raped by

2673

01:33:47,110 --> 01:33:44,000

you know either your master or the

2674

01:33:49,350 --> 01:33:47,120

all the chain that would go out there or

2675

01:33:50,709 --> 01:33:49,360

leased out to someone else which is what

2676  
01:33:52,310 --> 01:33:50,719  
they did you know because you'll also

2677  
01:33:54,390 --> 01:33:52,320  
hear this stat people who want to

2678  
01:33:56,790 --> 01:33:54,400  
whitewash that history and say you know

2679  
01:33:57,750 --> 01:33:56,800  
and i have relatives who are southerners

2680  
01:33:59,270 --> 01:33:57,760  
and

2681  
01:34:00,790 --> 01:33:59,280  
a lot of great southerners but they

2682  
01:34:03,430 --> 01:34:00,800  
don't want to own their a lot of

2683  
01:34:05,590 --> 01:34:03,440  
times it's like you know only 25 of

2684  
01:34:07,350 --> 01:34:05,600  
people in the south even own slaves

2685  
01:34:09,189 --> 01:34:07,360  
stuff like that yeah but they rented

2686  
01:34:11,189 --> 01:34:09,199  
them out at a pretty high rate so it

2687  
01:34:12,950 --> 01:34:11,199  
wound up like just about everybody

2688  
01:34:14,629 --> 01:34:12,960

whether it's you know the bring in the

2689

01:34:16,070 --> 01:34:14,639

crops or whatever

2690

01:34:18,470 --> 01:34:16,080

the point being

2691

01:34:22,709 --> 01:34:18,480

that's what it was like to be a enslaved

2692

01:34:26,310 --> 01:34:22,719

woman in america is constant constant

2693

01:34:29,910 --> 01:34:26,320

rape or threat of rape was always

2694

01:34:31,910 --> 01:34:29,920

at hand so it's thomas jefferson

2695

01:34:34,149 --> 01:34:31,920

thomas jefferson are we gonna take him

2696

01:34:35,669 --> 01:34:34,159

off all the coins uh you know a lot of

2697

01:34:38,550 --> 01:34:35,679

people have pointed this out obviously

2698

01:34:41,590 --> 01:34:38,560

but george washington had slaves these

2699

01:34:44,229 --> 01:34:41,600

people knew better everybody

2700

01:34:47,430 --> 01:34:44,239

knew better you know you can't enslave

2701  
01:34:48,870 --> 01:34:47,440  
people you can't do that they knew that

2702  
01:34:51,109 --> 01:34:48,880  
they were religious people but they

2703  
01:34:53,030 --> 01:34:51,119  
weren't real religious people they just

2704  
01:34:55,430 --> 01:34:53,040  
fixed it to what they wanted but you

2705  
01:34:57,270 --> 01:34:55,440  
know what we all do bad and horrible

2706  
01:34:59,350 --> 01:34:57,280  
things and there's redemption for

2707  
01:35:01,350 --> 01:34:59,360  
everybody and i'm not saying that you

2708  
01:35:02,310 --> 01:35:01,360  
know they have to live with that burden

2709  
01:35:04,149 --> 01:35:02,320  
or that

2710  
01:35:05,510 --> 01:35:04,159  
you know i have to live with that burden

2711  
01:35:07,669 --> 01:35:05,520  
you have to live with that burden

2712  
01:35:10,629 --> 01:35:07,679  
certainly not you know it because it's

2713  
01:35:12,870 --> 01:35:10,639

irrelevant take a look at it from a

2714

01:35:14,229 --> 01:35:12,880

reincarnation standpoint like i always

2715

01:35:16,470 --> 01:35:14,239

point out obviously you're being

2716

01:35:19,590 --> 01:35:16,480

reincarnated obviously at some point you

2717

01:35:22,229 --> 01:35:19,600

had black skin brown skin yellow skin

2718

01:35:25,990 --> 01:35:22,239

all that stuff is true so don't get too

2719

01:35:29,030 --> 01:35:26,000

my thought is don't get too tied to that

2720

01:35:31,430 --> 01:35:29,040

but back to the question at hand is

2721

01:35:33,669 --> 01:35:31,440

nothing's perfect but

2722

01:35:36,229 --> 01:35:33,679

it it did seem like

2723

01:35:37,510 --> 01:35:36,239

they had learned it what it seems to me

2724

01:35:40,310 --> 01:35:37,520

and then i want you to answer that

2725

01:35:42,470 --> 01:35:40,320

question as we kind of wrap up and talk

2726  
01:35:45,750 --> 01:35:42,480  
about what's coming up on union of the

2727  
01:35:47,189 --> 01:35:45,760  
unwanted and the ripple effect but

2728  
01:35:49,669 --> 01:35:47,199  
you know

2729  
01:35:51,750 --> 01:35:49,679  
i think we have to respect the fact that

2730  
01:35:54,790 --> 01:35:51,760  
the quote-unquote founding founding

2731  
01:35:58,149 --> 01:35:54,800  
fathers which is even a charged

2732  
01:36:00,550 --> 01:35:58,159  
phrase they had learned some

2733  
01:36:03,189 --> 01:36:00,560  
and they knew some and they tried

2734  
01:36:05,750 --> 01:36:03,199  
to pass it on to us and a lot of the

2735  
01:36:07,270 --> 01:36:05,760  
lessons that they were trying to pass on

2736  
01:36:12,310 --> 01:36:07,280  
even like i don't know about your dad

2737  
01:36:17,750 --> 01:36:15,030  
do as i say not as i do you know what i

2738  
01:36:18,950 --> 01:36:17,760

mean because it's hard to always do the

2739

01:36:24,390 --> 01:36:18,960

right thing

2740

01:36:26,070 --> 01:36:24,400

to do and i think the founding fathers

2741

01:36:27,590 --> 01:36:26,080

there's a little bit of wisdom in that

2742

01:36:30,070 --> 01:36:27,600

they knew what the right thing was and

2743

01:36:32,229 --> 01:36:30,080

they tried to pass it along and i i i

2744

01:36:34,229 --> 01:36:32,239

think it it's got a service now it's our

2745

01:36:35,990 --> 01:36:34,239

best chance it's our i don't know if

2746

01:36:36,830 --> 01:36:36,000

it's our only chance but it's our best

2747

01:36:39,510 --> 01:36:36,840

chance

2748

01:36:41,189 --> 01:36:39,520

against again people back to the thing

2749

01:36:42,950 --> 01:36:41,199

like you don't

2750

01:36:45,750 --> 01:36:42,960

you just need to reflect back what we

2751  
01:36:47,350 --> 01:36:45,760  
started with is that you can't start

2752  
01:36:49,270 --> 01:36:47,360  
banning people

2753  
01:36:52,310 --> 01:36:49,280  
you know you can't you can't be in the

2754  
01:36:53,510 --> 01:36:52,320  
state we're at banning people mandating

2755  
01:36:58,390 --> 01:36:53,520  
stuff

2756  
01:37:00,790 --> 01:36:58,400  
that we're in the middle of that all us

2757  
01:37:03,750 --> 01:37:00,800  
normies want to bury our head in

2758  
01:37:05,510 --> 01:37:03,760  
you can't comply to that and think this

2759  
01:37:07,189 --> 01:37:05,520  
is gonna turn out

2760  
01:37:08,950 --> 01:37:07,199  
that's where we need to return to that

2761  
01:37:12,149 --> 01:37:08,960  
energy of the founding fathers and they

2762  
01:37:14,470 --> 01:37:12,159  
said no it ain't if we don't do

2763  
01:37:17,590 --> 01:37:14,480

something

2764

01:37:20,070 --> 01:37:17,600

we will all either hang together or hang

2765

01:37:22,470 --> 01:37:20,080

separately as

2766

01:37:25,430 --> 01:37:22,480

the perv our famous perv benjamin

2767

01:37:26,790 --> 01:37:25,440

franklin said

2768

01:37:28,310 --> 01:37:26,800

what do you think

2769

01:37:30,870 --> 01:37:28,320

another great example of what you're

2770

01:37:35,750 --> 01:37:30,880

saying is mlk for example i mean he was

2771

01:37:37,030 --> 01:37:35,760

a womanizer he slept around he but he

2772

01:37:39,510 --> 01:37:37,040

seemed to know

2773

01:37:41,510 --> 01:37:39,520

what good was right and and what

2774

01:37:43,910 --> 01:37:41,520

being a good person was and loved one

2775

01:37:46,550 --> 01:37:43,920

another and obviously his you know i had

2776

01:37:48,470 --> 01:37:46,560

a dream speech and all these things

2777

01:37:51,990 --> 01:37:48,480

you know he it seemed like his heart was

2778

01:37:54,310 --> 01:37:52,000

filled with with love and and acceptance

2779

01:37:56,390 --> 01:37:54,320

and forgiveness and and yet he wasn't

2780

01:37:59,510 --> 01:37:56,400

the perfect person i think that's

2781

01:38:02,390 --> 01:37:59,520

the story of humans right like we all

2782

01:38:04,550 --> 01:38:02,400

have flaws and we all you know and i

2783

01:38:07,510 --> 01:38:04,560

think that's what what's that quote like

2784

01:38:09,030 --> 01:38:07,520

uh the biggest trick the devil played

2785

01:38:10,870 --> 01:38:09,040

was or

2786

01:38:12,790 --> 01:38:10,880

that he he made people think he didn't

2787

01:38:13,910 --> 01:38:12,800

exist right wasn't wasn't that yeah

2788

01:38:15,590 --> 01:38:13,920

something along those lines i probably

2789

01:38:18,390 --> 01:38:15,600

messed up i messed up every quote so i'm

2790

01:38:20,070 --> 01:38:18,400

sure i messed that one up but it's uh

2791

01:38:23,590 --> 01:38:20,080

without a doubt like that i think that's

2792

01:38:24,950 --> 01:38:23,600

a big part of it is that if you don't

2793

01:38:26,229 --> 01:38:24,960

there's a lot of people out there and i

2794

01:38:28,470 --> 01:38:26,239

don't know if it's a lack of

2795

01:38:30,149 --> 01:38:28,480

spirituality or a lack of asking these

2796

01:38:32,310 --> 01:38:30,159

bigger questions or searching for these

2797

01:38:35,910 --> 01:38:32,320

bigger answers

2798

01:38:38,709 --> 01:38:35,920

they truly don't believe evil exists and

2799

01:38:40,790 --> 01:38:38,719

and it does seem like that quote as you

2800

01:38:42,550 --> 01:38:40,800

know is true like it's like you've been

2801

01:38:47,030 --> 01:38:42,560

tricked into believing that it doesn't

2802

01:38:50,470 --> 01:38:47,040

exist and um that people who could

2803

01:38:51,350 --> 01:38:50,480

knowingly do harm to others don't exist

2804

01:38:54,310 --> 01:38:51,360

and

2805

01:38:55,830 --> 01:38:54,320

i think war is is always the example i

2806

01:38:57,990 --> 01:38:55,840

use because it's like okay you do know

2807

01:38:59,910 --> 01:38:58,000

like we look back at vietnam we look

2808

01:39:01,350 --> 01:38:59,920

back at um

2809

01:39:03,350 --> 01:39:01,360

you know iraq

2810

01:39:04,390 --> 01:39:03,360

afghanistan and

2811

01:39:06,550 --> 01:39:04,400

everybody

2812

01:39:08,870 --> 01:39:06,560

considers it a giant mess up

2813

01:39:11,910 --> 01:39:08,880

and even and if you take it even further

2814

01:39:15,830 --> 01:39:11,920

and you do some serious research into it

2815

01:39:18,390 --> 01:39:15,840

it wasn't a accidental mess up it was a

2816

01:39:20,229 --> 01:39:18,400

mess up on purpose and that means that

2817

01:39:22,790 --> 01:39:20,239

there's people today who are dealing

2818

01:39:25,189 --> 01:39:22,800

with ptsd there's people today who has

2819

01:39:28,629 --> 01:39:25,199

law who have lost loved ones there's

2820

01:39:31,750 --> 01:39:28,639

people today who have died

2821

01:39:34,629 --> 01:39:31,760

in and all this tragedy and horror and

2822

01:39:36,229 --> 01:39:34,639

blood spill was all for nothing and

2823

01:39:38,310 --> 01:39:36,239

based on lies

2824

01:39:43,590 --> 01:39:38,320

how is that not an example of evil how

2825

01:39:47,590 --> 01:39:45,270

giving people a vaccine that you know

2826

01:39:50,629 --> 01:39:47,600

could do harm to many like

2827

01:39:52,310 --> 01:39:50,639

the idea that we accept this thing like

2828

01:39:53,669 --> 01:39:52,320

we we know this happened it's

2829

01:39:55,430 --> 01:39:53,679

historically

2830

01:39:57,189 --> 01:39:55,440

accepted that

2831

01:39:59,510 --> 01:39:57,199

you know you look at the

2832

01:40:01,669 --> 01:39:59,520

the weapons of mass destruction all the

2833

01:40:02,629 --> 01:40:01,679

deception that went into that you look

2834

01:40:05,669 --> 01:40:02,639

at

2835

01:40:07,189 --> 01:40:05,679

the anthrax scare and and you know where

2836

01:40:09,030 --> 01:40:07,199

they anthrax came from and all that

2837

01:40:10,149 --> 01:40:09,040

stuff and just kept people paranoid

2838

01:40:11,270 --> 01:40:10,159

because everybody was freaking out it's

2839

01:40:12,870 --> 01:40:11,280

like yeah we gotta fight terry i don't

2840

01:40:15,510 --> 01:40:12,880

know what that means but yeah we gotta

2841

01:40:17,990 --> 01:40:15,520

do something and keeping everybody so

2842

01:40:19,990 --> 01:40:18,000

anxious and scared that they make

2843

01:40:21,270 --> 01:40:20,000

irrational decisions and they

2844

01:40:23,750 --> 01:40:21,280

emotionally

2845

01:40:25,910 --> 01:40:23,760

react right so it's like super easy to

2846

01:40:27,510 --> 01:40:25,920

be like yeah let's go into iraq yeah

2847

01:40:29,669 --> 01:40:27,520

yeah i'm for iraq because i'm freaking

2848

01:40:31,590 --> 01:40:29,679

out man i'm afraid because we're at code

2849

01:40:33,270 --> 01:40:31,600

red and there's anthrax in the mail and

2850

01:40:35,830 --> 01:40:33,280

the towers came down we need to do

2851  
01:40:37,430 --> 01:40:35,840  
something and you get people emotionally

2852  
01:40:39,030 --> 01:40:37,440  
react and

2853  
01:40:41,030 --> 01:40:39,040  
that's what's going on now i mean it's

2854  
01:40:43,750 --> 01:40:41,040  
the same thing only instead of war

2855  
01:40:44,550 --> 01:40:43,760  
propaganda it's big pharma propaganda

2856  
01:40:46,470 --> 01:40:44,560  
and

2857  
01:40:49,350 --> 01:40:46,480  
it's just but it's the same idea you're

2858  
01:40:51,109 --> 01:40:49,360  
you're capitalizing on people's emotions

2859  
01:40:53,830 --> 01:40:51,119  
and you're scaring them and i mean

2860  
01:40:55,830 --> 01:40:53,840  
there's been plenty of studies about how

2861  
01:40:57,830 --> 01:40:55,840  
how hard it is for for us to think

2862  
01:40:59,510 --> 01:40:57,840  
logically and make logical decisions

2863  
01:41:01,350 --> 01:40:59,520

when we're in motion or when we're

2864

01:41:03,590 --> 01:41:01,360

afraid and and your emotions are

2865

01:41:05,990 --> 01:41:03,600

influencing and i also think that

2866

01:41:07,750 --> 01:41:06,000

it's we all emotions are constantly

2867

01:41:10,070 --> 01:41:07,760

playing a factor into

2868

01:41:11,669 --> 01:41:10,080

uh our our thinking you know we lo

2869

01:41:14,390 --> 01:41:11,679

there's no such thing as a completely

2870

01:41:16,550 --> 01:41:14,400

logical being that uh doesn't have any

2871

01:41:19,030 --> 01:41:16,560

other outside influences you know

2872

01:41:20,229 --> 01:41:19,040

child the hood stuff and and other

2873

01:41:21,109 --> 01:41:20,239

influences

2874

01:41:23,109 --> 01:41:21,119

will

2875

01:41:24,629 --> 01:41:23,119

have some type of effect on on the way

2876

01:41:27,109 --> 01:41:24,639

you look at information and the way you

2877

01:41:28,390 --> 01:41:27,119

analyze information dissect information

2878

01:41:30,149 --> 01:41:28,400

but

2879

01:41:33,030 --> 01:41:30,159

without a doubt i mean i agree with you

2880

01:41:35,109 --> 01:41:33,040

like we the evil exists

2881

01:41:37,189 --> 01:41:35,119

and once you accept that

2882

01:41:39,910 --> 01:41:37,199

i think it's much easier to accept

2883

01:41:43,750 --> 01:41:39,920

what's going on and and i think you know

2884

01:41:45,750 --> 01:41:43,760

that's a huge issue is that

2885

01:41:47,669 --> 01:41:45,760

people just don't you know people just i

2886

01:41:49,910 --> 01:41:47,679

don't know what it is and i and i don't

2887

01:41:51,750 --> 01:41:49,920

know if that's also a part of the the

2888

01:41:54,149 --> 01:41:51,760

agenda right because that's something

2889

01:41:56,229 --> 01:41:54,159

we've also been talking a lot about in

2890

01:41:57,910 --> 01:41:56,239

the uh

2891

01:42:00,149 --> 01:41:57,920

alternate media community

2892

01:42:02,550 --> 01:42:00,159

and i've heard you say it too on shows

2893

01:42:05,510 --> 01:42:02,560

on your show about uh atheism and and

2894

01:42:07,510 --> 01:42:05,520

how you know this this pro science like

2895

01:42:09,990 --> 01:42:07,520

everything's surface level

2896

01:42:13,109 --> 01:42:10,000

explainable and and super any

2897

01:42:16,790 --> 01:42:13,119

supernatural conversation is is is uh

2898

01:42:17,910 --> 01:42:16,800

childish or not worth entertaining uh

2899

01:42:20,550 --> 01:42:17,920

if that

2900

01:42:23,109 --> 01:42:20,560

is either a part of the plan to to get

2901

01:42:25,750 --> 01:42:23,119

people to just not believe in evil and

2902

01:42:26,950 --> 01:42:25,760

not ask these bigger questions or if

2903

01:42:29,270 --> 01:42:26,960

it's just something they're taking

2904

01:42:30,790 --> 01:42:29,280

advantage of i don't know but either way

2905

01:42:32,229 --> 01:42:30,800

it's uh did you have some comments on

2906

01:42:33,830 --> 01:42:32,239

that

2907

01:42:36,310 --> 01:42:33,840

don't know go ahead

2908

01:42:38,390 --> 01:42:36,320

no i was i was yeah i mean i i just i

2909

01:42:40,229 --> 01:42:38,400

think it seems to work in their

2910

01:42:42,070 --> 01:42:40,239

advantage in regards to pushing us in a

2911

01:42:43,830 --> 01:42:42,080

direction that seemed like that seems

2912

01:42:47,030 --> 01:42:43,840

like we're being pushed into and that's

2913

01:42:48,390 --> 01:42:47,040

this idea of um losing

2914

01:42:49,590 --> 01:42:48,400

uh

2915

01:42:51,510 --> 01:42:49,600

just

2916

01:42:53,350 --> 01:42:51,520

losing some of the things that make us

2917

01:42:54,709 --> 01:42:53,360

human and that's asking those bigger

2918

01:42:56,870 --> 01:42:54,719

questions i don't know if you ever if

2919

01:42:58,310 --> 01:42:56,880

you ever saw the i remember those videos

2920

01:43:01,669 --> 01:42:58,320

uh years ago when i saw when they had

2921

01:43:03,109 --> 01:43:01,679

two aai robots talking to one another

2922

01:43:05,350 --> 01:43:03,119

and it didn't take long before they

2923

01:43:07,030 --> 01:43:05,360

started asking where they came from and

2924

01:43:09,750 --> 01:43:07,040

like you know asking those bigger

2925

01:43:11,109 --> 01:43:09,760

questions and i think that's inherent in

2926

01:43:12,790 --> 01:43:11,119

us i mean asking those bigger questions

2927

01:43:14,070 --> 01:43:12,800

i mean to me i almost don't understand

2928

01:43:15,189 --> 01:43:14,080

people who don't ask those bigger

2929

01:43:16,870 --> 01:43:15,199

questions i'm like what do you mean you

2930

01:43:18,390 --> 01:43:16,880

don't care or you don't or you've never

2931

01:43:20,070 --> 01:43:18,400

pondered on this i'm like to me that's

2932

01:43:23,189 --> 01:43:20,080

like that's so

2933

01:43:24,709 --> 01:43:23,199

surreal like you're not cure and

2934

01:43:26,070 --> 01:43:24,719

again i think when you look at the

2935

01:43:28,470 --> 01:43:26,080

school system

2936

01:43:31,590 --> 01:43:28,480

making us people who regurgitate

2937

01:43:33,750 --> 01:43:31,600

information uh you you remove things

2938

01:43:35,750 --> 01:43:33,760

from our lives that that provoke

2939

01:43:37,270 --> 01:43:35,760

imagination and critical thinking and

2940

01:43:39,350 --> 01:43:37,280

just make us

2941

01:43:41,830 --> 01:43:39,360

just help mold little robots that just

2942

01:43:43,910 --> 01:43:41,840

regurgitate information and

2943

01:43:45,350 --> 01:43:43,920

this go bad i know the rockefellers like

2944

01:43:47,510 --> 01:43:45,360

they seem like they they get to blame

2945

01:43:50,149 --> 01:43:47,520

for everything but in most cases it's

2946

01:43:52,629 --> 01:43:50,159

true uh when you look at like uh

2947

01:43:54,629 --> 01:43:52,639

schools and and you know teaching people

2948

01:43:56,870 --> 01:43:54,639

how to sit down at a desk

2949

01:43:58,629 --> 01:43:56,880

and and even the bell idea of having a

2950

01:44:00,310 --> 01:43:58,639

bell when your shift is over

2951  
01:44:01,990 --> 01:44:00,320  
it it all comes from creating better

2952  
01:44:03,109 --> 01:44:02,000  
factory workers they want i think

2953  
01:44:03,990 --> 01:44:03,119  
naturally

2954  
01:44:05,990 --> 01:44:04,000  
we're

2955  
01:44:07,189 --> 01:44:06,000  
it's humans are not designed to be

2956  
01:44:08,870 --> 01:44:07,199  
factory workers we're not designed to be

2957  
01:44:11,750 --> 01:44:08,880  
a front of a machine doing a repetitive

2958  
01:44:13,109 --> 01:44:11,760  
thing for eight nine 10 hours a day and

2959  
01:44:15,830 --> 01:44:13,119  
they were trying to create better

2960  
01:44:18,070 --> 01:44:15,840  
factory workers and um

2961  
01:44:20,470 --> 01:44:18,080  
did you want to add to that out well

2962  
01:44:22,709 --> 01:44:20,480  
that one always gets me

2963  
01:44:24,550 --> 01:44:22,719

that that just gets a little bit tricky

2964

01:44:25,669 --> 01:44:24,560

i mean i get what you're saying but like

2965

01:44:27,189 --> 01:44:25,679

you know what

2966

01:44:30,870 --> 01:44:27,199

i have kids we look for a lot of

2967

01:44:32,870 --> 01:44:30,880

different ways how to do it you know and

2968

01:44:35,590 --> 01:44:32,880

not nothing is perfect i'll tell you

2969

01:44:38,470 --> 01:44:35,600

what as we wrap this thing up

2970

01:44:40,390 --> 01:44:38,480

do tell people uh just really quickly

2971

01:44:43,270 --> 01:44:40,400

what's coming up on

2972

01:44:45,590 --> 01:44:43,280

the ripple effect and on the union of

2973

01:44:47,910 --> 01:44:45,600

the unwanted shoe shows that i really

2974

01:44:51,910 --> 01:44:47,920

hope will have links up obviously but

2975

01:44:54,709 --> 01:44:51,920

two shows i really hope people check out

2976

01:44:56,790 --> 01:44:54,719

well i i i actually have a show with dr

2977

01:44:59,910 --> 01:44:56,800

jessica rose i just did that hopefully

2978

01:45:01,590 --> 01:44:59,920

will be up sometime this week and also a

2979

01:45:03,910 --> 01:45:01,600

show i do every once a month i do a show

2980

01:45:06,390 --> 01:45:03,920

with my patreon supporters i uh

2981

01:45:07,750 --> 01:45:06,400

basically just you know share the zoom

2982

01:45:08,870 --> 01:45:07,760

link with them and and i never know

2983

01:45:10,390 --> 01:45:08,880

who's going to show up or how many

2984

01:45:11,669 --> 01:45:10,400

people are going to show up i just

2985

01:45:14,070 --> 01:45:11,679

always cross my fingers i don't know i'm

2986

01:45:15,030 --> 01:45:14,080

talking to myself and luckily i don't

2987

01:45:18,310 --> 01:45:15,040

and

2988

01:45:19,910 --> 01:45:18,320

bunch i would have to look at my

2989

01:45:23,109 --> 01:45:19,920

schedule and see who's coming up but i i

2990

01:45:25,590 --> 01:45:23,119

always look for it's almost

2991

01:45:27,430 --> 01:45:25,600

it's good and it's bad it's it i'm like

2992

01:45:28,629 --> 01:45:27,440

sometimes i'm like i've been focused on

2993

01:45:30,550 --> 01:45:28,639

like

2994

01:45:33,270 --> 01:45:30,560

you know medical freedom and medical you

2995

01:45:35,750 --> 01:45:33,280

know in this whole world uh for for so

2996

01:45:37,990 --> 01:45:35,760

much like so much of it's been uh my

2997

01:45:39,750 --> 01:45:38,000

focus i mean it's always been a focus of

2998

01:45:41,270 --> 01:45:39,760

mine but it's taken up so much of the

2999

01:45:43,270 --> 01:45:41,280

show that

3000

01:45:45,510 --> 01:45:43,280

i'm i'm now from time to time like

3001

01:45:47,830 --> 01:45:45,520

looking for like the guests like i used

3002

01:45:50,629 --> 01:45:47,840

to wear like a historian or somebody

3003

01:45:52,229 --> 01:45:50,639

else who who uh i can kind of like

3004

01:45:53,350 --> 01:45:52,239

looking forward to who do you have book

3005

01:45:54,229 --> 01:45:53,360

that you're looking forward to talking

3006

01:45:57,910 --> 01:45:54,239

to

3007

01:46:00,390 --> 01:45:57,920

the reason why i'm not aware of who

3008

01:46:02,390 --> 01:46:00,400

immediately is booked just because it's

3009

01:46:04,310 --> 01:46:02,400

i have a little break in my schedule i

3010

01:46:06,550 --> 01:46:04,320

know aaron franz is coming back on he's

3011

01:46:09,910 --> 01:46:06,560

uh he wrote he wrote the book uh the age

3012

01:46:11,430 --> 01:46:09,920

of tr transition and he also did a great

3013

01:46:14,070 --> 01:46:11,440

documentary back in the day and i

3014

01:46:16,550 --> 01:46:14,080

haven't i had him on like years ago and

3015

01:46:19,030 --> 01:46:16,560

he was talking about transhumanism and

3016

01:46:21,189 --> 01:46:19,040

at the time it's like wow like i can see

3017

01:46:22,709 --> 01:46:21,199

this agenda being played but i'm not

3018

01:46:23,830 --> 01:46:22,719

going to see the outcome of this you

3019

01:46:25,669 --> 01:46:23,840

know i'm not going to see the finish

3020

01:46:28,550 --> 01:46:25,679

line and now i'm like i gotta get him

3021

01:46:30,709 --> 01:46:28,560

back on because he was so right and uh

3022

01:46:32,870 --> 01:46:30,719

in regards to a lot of this but so i i

3023

01:46:35,750 --> 01:46:32,880

know he's an interesting um interview

3024

01:46:37,270 --> 01:46:35,760

i'm sure i have uh some probably some

3025

01:46:38,950 --> 01:46:37,280

more doctors coming on because it's it's

3026

01:46:41,270 --> 01:46:38,960

something that i always love talking

3027

01:46:43,830 --> 01:46:41,280

about um and then you've been wanted i

3028

01:46:44,870 --> 01:46:43,840

know uh we've we've kind of brainstormed

3029

01:46:46,790 --> 01:46:44,880

um

3030

01:46:49,189 --> 01:46:46,800

from time to time we brainstormed some

3031

01:46:52,470 --> 01:46:49,199

possible ideas for future shows i know

3032

01:46:53,510 --> 01:46:52,480

uh sam has suggested uh

3033

01:46:55,910 --> 01:46:53,520

a show on

3034

01:46:58,229 --> 01:46:55,920

the december 6 event because there's so

3035

01:47:00,149 --> 01:46:58,239

many conflicting opinions and stuff like

3036

01:47:01,990 --> 01:47:00,159

that and doing a whole show on on what

3037

01:47:04,070 --> 01:47:02,000

we think happened there and

3038

01:47:06,149 --> 01:47:04,080

was there psy up inside the psyop was it

3039

01:47:08,390 --> 01:47:06,159

a psy up what you know what happened

3040

01:47:10,149 --> 01:47:08,400

um and then also i know charlie's been

3041

01:47:11,189 --> 01:47:10,159

uh suggesting you know and i think it's

3042

01:47:13,910 --> 01:47:11,199

a you know they're both great

3043

01:47:16,229 --> 01:47:13,920

suggestions about doing a show on uh on

3044

01:47:18,709 --> 01:47:16,239

food and and being the you know

3045

01:47:20,470 --> 01:47:18,719

independent on in in regards to your

3046

01:47:22,629 --> 01:47:20,480

your necessities and and how to take

3047

01:47:24,310 --> 01:47:22,639

care of yourself and your family and

3048

01:47:25,590 --> 01:47:24,320

i mean when you're growing food you're

3049

01:47:27,030 --> 01:47:25,600

growing you're basically growing money

3050

01:47:28,790 --> 01:47:27,040

because it's it's stuff that you don't

3051

01:47:30,870 --> 01:47:28,800

end up having to buy and you know what's

3052

01:47:33,990 --> 01:47:30,880

in it you know it's not some um

3053

01:47:37,030 --> 01:47:34,000

you know some really clever marketing uh

3054

01:47:38,229 --> 01:47:37,040

label that says natural you know and and

3055

01:47:39,510 --> 01:47:38,239

was like what the does that mean

3056

01:47:42,390 --> 01:47:39,520

natural you know and there's nothing

3057

01:47:44,229 --> 01:47:42,400

natural in it and so

3058

01:47:46,709 --> 01:47:44,239

i think we're gonna maybe one of those

3059

01:47:49,109 --> 01:47:46,719

topics might be next i also like the

3060

01:47:50,709 --> 01:47:49,119

general um conversations like we had

3061

01:47:52,229 --> 01:47:50,719

last night so

3062

01:47:53,750 --> 01:47:52,239

who knows i mean honestly a lot of this

3063

01:47:56,310 --> 01:47:53,760

stuff gets uh

3064

01:47:57,750 --> 01:47:56,320

decided last second it's it's uh

3065

01:47:59,430 --> 01:47:57,760

i know you've been on

3066

01:48:01,270 --> 01:47:59,440

i mean for people who are listening who

3067

01:48:02,870 --> 01:48:01,280

might have not listened to a union done

3068

01:48:04,629 --> 01:48:02,880

wanted you're on the most recent one

3069

01:48:07,030 --> 01:48:04,639

you're you've also been a couple other

3070

01:48:08,149 --> 01:48:07,040

ones one that really sticks out is the

3071

01:48:09,910 --> 01:48:08,159

um

3072

01:48:12,950 --> 01:48:09,920

near-death experiences because that was

3073

01:48:14,470 --> 01:48:12,960

a really unique and powerful show and uh

3074

01:48:15,990 --> 01:48:14,480

i i think that was you know that's kind

3075

01:48:17,510 --> 01:48:16,000

of the beautiful thing of the union than

3076

01:48:21,189 --> 01:48:17,520

wanna you get those

3077

01:48:23,030 --> 01:48:21,199

gem of episodes and uh it's just

3078

01:48:24,790 --> 01:48:23,040

you know i i don't know any other show

3079

01:48:26,870 --> 01:48:24,800

that's doing stuff like that but the the

3080

01:48:28,629 --> 01:48:26,880

show wouldn't be what it is if we didn't

3081

01:48:31,510 --> 01:48:28,639

have people like yourself and the other

3082

01:48:33,590 --> 01:48:31,520

participants to come in who bring these

3083

01:48:34,390 --> 01:48:33,600

really interesting perspectives because

3084

01:48:36,870 --> 01:48:34,400

uh

3085

01:48:39,109 --> 01:48:36,880

that's what makes it fun is that all

3086

01:48:41,270 --> 01:48:39,119

these very unique researchers and

3087

01:48:43,030 --> 01:48:41,280

thinkers and bringing them together and

3088

01:48:46,030 --> 01:48:43,040

and just seeing what happens right and

3089

01:48:48,550 --> 01:48:46,040

and is always fascinating so the

3090

01:48:50,950 --> 01:48:48,560

um.wanted.com you can get all the the

3091

01:48:52,950 --> 01:48:50,960

links to our channels and audio and

3092

01:48:55,189 --> 01:48:52,960

merch and all the places you can find

3093

01:48:58,229 --> 01:48:55,199

our shows and and then the ripple effect

3094

01:49:00,790 --> 01:48:58,239

podcast uh which you know alex you did a

3095

01:49:03,109 --> 01:49:00,800

screen share of and you can find all my

3096

01:49:05,189 --> 01:49:03,119

episodes of everything i do uh ricky

3097

01:49:06,149 --> 01:49:05,199

rants and rockfin which i struggle to do

3098

01:49:08,950 --> 01:49:06,159

because i don't know if you've ever done

3099

01:49:10,870 --> 01:49:08,960

a solo show um i i go through imposter

3100

01:49:12,390 --> 01:49:10,880

syndrome right before i i think about

3101  
01:49:14,709 --> 01:49:12,400  
doing a solo show and i'm like what the

3102  
01:49:16,950 --> 01:49:14,719  
do i have to say or offer talking

3103  
01:49:18,550 --> 01:49:16,960  
to myself uh but i from time to time i

3104  
01:49:21,109 --> 01:49:18,560  
do a show called ricky rants moroccan

3105  
01:49:22,550 --> 01:49:21,119  
which is a solo show and then um of

3106  
01:49:24,070 --> 01:49:22,560  
course the ripple effect podcast which

3107  
01:49:26,149 --> 01:49:24,080  
is more of a personal one-on-one show

3108  
01:49:27,910 --> 01:49:26,159  
like this and then the um unwanted and

3109  
01:49:30,790 --> 01:49:27,920  
you can find them anywhere you can get

3110  
01:49:34,070 --> 01:49:30,800  
audio uh downloads and

3111  
01:49:36,470 --> 01:49:34,080  
uh the videos uh shows are

3112  
01:49:37,350 --> 01:49:36,480  
most of them are on odyssey rumble bit

3113  
01:49:38,870 --> 01:49:37,360

shoot

3114

01:49:40,390 --> 01:49:38,880

rockfin and all the alternative

3115

01:49:42,550 --> 01:49:40,400

platforms because many of us have been

3116

01:49:44,470 --> 01:49:42,560

censored on on youtube because

3117

01:49:46,709 --> 01:49:44,480

now in 2020 getting a second opinion

3118

01:49:50,229 --> 01:49:46,719

from a doctor doesn't exist you know you

3119

01:49:53,350 --> 01:49:50,239

have uh one opinion that is uh

3120

01:49:55,750 --> 01:49:53,360

trumps all the other ones so it's

3121

01:49:58,070 --> 01:49:55,760

definitely ricky

3122

01:49:59,510 --> 01:49:58,080

rickyvrans.com or rip effectpodcast.com

3123

01:50:01,510 --> 01:49:59,520

will bring you to the same website where

3124

01:50:03,750 --> 01:50:01,520

you can find all my shows so it's a easy

3125

01:50:06,310 --> 01:50:03,760

place to find all the links and episodes

3126  
01:50:07,910 --> 01:50:06,320  
and uncensored thanks to to matt from

3127  
01:50:09,270 --> 01:50:07,920  
content save i gotta give him a shout

3128  
01:50:10,550 --> 01:50:09,280  
out because uh

3129  
01:50:13,270 --> 01:50:10,560  
he's the one who helped me build the

3130  
01:50:14,870 --> 01:50:13,280  
website and uh protected me from from

3131  
01:50:17,510 --> 01:50:14,880  
being censored because i really wanted a

3132  
01:50:20,070 --> 01:50:17,520  
place where i could put all my work

3133  
01:50:21,990 --> 01:50:20,080  
that bypassed any other platform because

3134  
01:50:24,470 --> 01:50:22,000  
even though i love rockfin i love

3135  
01:50:25,830 --> 01:50:24,480  
odyssey i love all these other platforms

3136  
01:50:28,790 --> 01:50:25,840  
um they are

3137  
01:50:31,350 --> 01:50:28,800  
businesses private businesses and um you

3138  
01:50:34,470 --> 01:50:31,360

know so far so good no censorship no no

3139

01:50:37,350 --> 01:50:34,480

issues but you you never know and and so

3140

01:50:40,229 --> 01:50:37,360

you know um i want to believe that uh

3141

01:50:42,709 --> 01:50:40,239

that will stay the the the case for

3142

01:50:45,669 --> 01:50:42,719

um forever but like i said you never

3143

01:50:47,830 --> 01:50:45,679

know so it's nice to also

3144

01:50:49,669 --> 01:50:47,840

be in control your own destiny and give

3145

01:50:52,550 --> 01:50:49,679

people a place where

3146

01:50:55,669 --> 01:50:52,560

they can go find every show for free

3147

01:50:57,750 --> 01:50:55,679

uncensored forever so um thanks to matt

3148

01:50:59,990 --> 01:50:57,760

for that so and then maybe eventually

3149

01:51:02,870 --> 01:51:00,000

we'll see you on on another union

3150

01:51:05,510 --> 01:51:02,880

unwanted or another ripple podcast or a

3151

01:51:07,270 --> 01:51:05,520

uh or on rockfin or are you on any of

3152

01:51:08,550 --> 01:51:07,280

the other ones like a bit shooter i know

3153

01:51:10,709 --> 01:51:08,560

you're you're still on youtube but are

3154

01:51:12,229 --> 01:51:10,719

you on shoot odyssey rumble float

3155

01:51:16,390 --> 01:51:12,239

any of the others yeah i guess i mean

3156

01:51:18,709 --> 01:51:16,400

i'll i'll i'll try i'll try anything

3157

01:51:20,750 --> 01:51:18,719

hey our guest again has been ricky

3158

01:51:22,310 --> 01:51:20,760

verandas do check him out

3159

01:51:24,550 --> 01:51:22,320

rickyverandas.com

3160

01:51:25,430 --> 01:51:24,560

ricky thanks so much

3161

01:51:29,830 --> 01:51:25,440

i think

3162

01:51:32,070 --> 01:51:29,840

turn people on you have such a great

3163

01:51:34,070 --> 01:51:32,080

style and i think people really

3164

01:51:35,669 --> 01:51:34,080

appreciate what you're doing and i know

3165

01:51:36,709 --> 01:51:35,679

that's why you're so successful and

3166

01:51:38,790 --> 01:51:36,719

that's why

3167

01:51:41,189 --> 01:51:38,800

the union of the unwanted is so unique

3168

01:51:43,750 --> 01:51:41,199

and so powerful so i really hope people

3169

01:51:45,109 --> 01:51:43,760

check it out thanks again buddy hey

3170

01:51:46,629 --> 01:51:45,119

thanks alex thanks for the time thanks

3171

01:51:48,950 --> 01:51:46,639

for the great conversation always stop

3172

01:51:50,950 --> 01:51:48,960

provoking which is always what i'm

3173

01:51:52,550 --> 01:51:50,960

attempting to uh get involved in stop

3174

01:51:54,070 --> 01:51:52,560

provoking conversations so thanks alex

3175

01:51:57,189 --> 01:51:54,080

and keep up what you're doing i'm a big

3176

01:51:59,430 --> 01:51:57,199

fan and uh i think anybody who's as

3177

01:52:01,270 --> 01:51:59,440

honest and outspoken as you

3178

01:52:04,149 --> 01:52:01,280

um

3179

01:52:06,470 --> 01:52:04,159

it it's it's a good thing that it you

3180

01:52:07,990 --> 01:52:06,480

don't self-censor or you know because to

3181

01:52:09,910 --> 01:52:08,000

me it's a sign in that you're not so

3182

01:52:11,350 --> 01:52:09,920

self-censoring right you're i it's

3183

01:52:12,790 --> 01:52:11,360

almost the same appeal of trump right

3184

01:52:14,390 --> 01:52:12,800

it's like you might say some stupid

3185

01:52:15,430 --> 01:52:14,400

sometimes but i think what people really

3186

01:52:17,109 --> 01:52:15,440

like about him is like well at least i

3187

01:52:18,390 --> 01:52:17,119

know he's he's saying what's on his mind

3188

01:52:20,390 --> 01:52:18,400

because he can't help but say what's on

3189

01:52:23,350 --> 01:52:20,400

his mind sometimes even if it hurt him

3190

01:52:25,669 --> 01:52:23,360

you know so i think it it uh people like

3191

01:52:27,990 --> 01:52:25,679

that organic you know conversation and

3192

01:52:29,990 --> 01:52:28,000

that it's a real person it's not a you

3193

01:52:33,270 --> 01:52:30,000

know i'm not trying to paint a picture

3194

01:52:35,030 --> 01:52:33,280

of something i'm really not and um

3195

01:52:36,310 --> 01:52:35,040

i always say love me or hate me at least

3196

01:52:38,470 --> 01:52:36,320

you you know what you see is what you

3197

01:52:39,990 --> 01:52:38,480

get you know if we met somewhere this is

3198

01:52:41,430 --> 01:52:40,000

what you would get so i think people

3199

01:52:43,830 --> 01:52:41,440

appreciate that

3200

01:52:45,990 --> 01:52:43,840

awesome buddy i'm not so sure i can't

3201

01:52:48,950 --> 01:52:46,000

leave without saying i'm not so sure

3202

01:52:50,470 --> 01:52:48,960

about trump i think it's more of a brand

3203

01:52:53,189 --> 01:52:50,480

than a person

3204

01:52:54,790 --> 01:52:53,199

but i certainly appreciate that not

3205

01:52:55,990 --> 01:52:54,800

self-censoring

3206

01:52:58,470 --> 01:52:56,000

thing

3207

01:53:00,790 --> 01:52:58,480

however that turns out okay

3208

01:53:02,550 --> 01:53:00,800

have an awesome day we'll talk soon

3209

01:53:05,350 --> 01:53:02,560

we'll just stand in touch

3210

01:53:07,189 --> 01:53:05,360

hey take care alex

3211

01:53:09,589 --> 01:53:07,199

thanks again to ricky verandas for

3212

01:53:11,589 --> 01:53:09,599

joining me today on skeptico the one

3213

01:53:13,510 --> 01:53:11,599

question i'd have to tee up from this

3214

01:53:16,470 --> 01:53:13,520

interview and you could probably

3215

01:53:18,310 --> 01:53:16,480

anticipate it what is the nature of this

3216

01:53:20,149 --> 01:53:18,320

pandemic evil

3217

01:53:22,229 --> 01:53:20,159

this is really kind of what i've been

3218

01:53:23,830 --> 01:53:22,239

driving at ever since i wrote that book

3219

01:53:25,990 --> 01:53:23,840

why evil matters

3220

01:53:29,669 --> 01:53:26,000

i mean i think there's this next level

3221

01:53:32,149 --> 01:53:29,679

stuff around evil that we never seem to

3222

01:53:34,790 --> 01:53:32,159

really tackle i mean what is the nature

3223

01:53:37,270 --> 01:53:34,800

of this evil that wants to put so much

3224

01:53:40,629 --> 01:53:37,280

fear into the system that wants everyone

3225

01:53:43,189 --> 01:53:40,639

to be so afraid and so medically fragile

3226  
01:53:45,910 --> 01:53:43,199  
what's the evil behind wanting pregnant

3227  
01:53:48,149 --> 01:53:45,920  
women to get vaccinated even though it

3228  
01:53:51,109 --> 01:53:48,159  
dramatically increases the risk of

3229  
01:53:52,310 --> 01:53:51,119  
miscarriage what is the nature of that

3230  
01:53:55,030 --> 01:53:52,320  
evil and

3231  
01:53:57,510 --> 01:53:55,040  
how is it different than the pizzagate

3232  
01:53:59,750 --> 01:53:57,520  
evil that we talked about

3233  
01:54:01,030 --> 01:53:59,760  
that's next level that's why evil

3234  
01:54:02,629 --> 01:54:01,040  
matters so

3235  
01:54:04,229 --> 01:54:02,639  
let me know

3236  
01:54:06,310 --> 01:54:04,239  
your thoughts on that let's start that

3237  
01:54:07,510 --> 01:54:06,320  
dollar because i'm not sure that we've

3238  
01:54:10,629 --> 01:54:07,520

really

3239

01:54:12,550 --> 01:54:10,639

nailed that dialogue down so that means

3240

01:54:13,990 --> 01:54:12,560

i'm going to continue to push on it love

3241

01:54:16,310 --> 01:54:14,000

to hear from you join me on the

3242

01:54:17,589 --> 01:54:16,320

skeptical forum join me over on telegram

3243

01:54:19,430 --> 01:54:17,599

although i set it up and i haven't been

3244

01:54:22,070 --> 01:54:19,440

over there hardly at all but you get the

3245

01:54:24,470 --> 01:54:22,080

point track me down i want to connect

3246

01:54:29,000 --> 01:54:24,480

with you i want to talk about this stuff

3247

01:54:42,600 --> 01:54:29,010

until next time take care bye for now
