# ***CULT OF THE MEDICS***

**#531-DAVID-WHITEHEAD**

1  
00:00:03,669 --> 00:00:01,750  
a lot of people think google's just a

2  
00:00:05,269 --> 00:00:03,679  
search box and facebook's just a place

3  
00:00:07,110 --> 00:00:05,279  
to see what my friends are doing what

4  
00:00:09,910 --> 00:00:07,120  
they don't realize is there's entire

5  
00:00:13,350 --> 00:00:09,920  
teams of engineers whose job is to use

6  
00:00:16,630 --> 00:00:15,589  
i was the co-inventor of the facebook

7  
00:00:19,189 --> 00:00:16,640  
like button i was the president of

8  
00:00:22,470 --> 00:00:19,199  
pinterest google twitter instagram there

9  
00:00:25,029 --> 00:00:22,480  
were meaningful changes happening around

10  
00:00:27,029 --> 00:00:25,039  
the world because of these platforms i

11  
00:00:28,870 --> 00:00:27,039  
think we were naive about the flip side

12  
00:00:30,870 --> 00:00:28,880  
of that coin

13  
00:00:32,790 --> 00:00:30,880

i always felt like fundamentally it was

14

00:00:36,389 --> 00:00:32,800

the force for good i don't know if i

15

00:00:40,150 --> 00:00:38,470

that's a clip from the netflix movie the

16

00:00:43,030 --> 00:00:40,160

social dilemma

17

00:00:45,590 --> 00:00:43,040

netflix there's an irony

18

00:00:47,110 --> 00:00:45,600

and even though that's probably old news

19

00:00:48,069 --> 00:00:47,120

to a lot of people are listening to this

20

00:00:49,990 --> 00:00:48,079

show

21

00:00:51,830 --> 00:00:50,000

it is at the same time really uh

22

00:00:53,830 --> 00:00:51,840

controversy and hard to believe for a

23

00:00:55,830 --> 00:00:53,840

lot of other people listen to this show

24

00:00:58,950 --> 00:00:55,840

you know i started kind of in the

25

00:01:00,869 --> 00:00:58,960

frontier science realm parapsychology

26

00:01:02,630 --> 00:01:00,879

near-death experience all that stuff

27

00:01:05,109 --> 00:01:02,640

still have a lot of people that i really

28

00:01:07,670 --> 00:01:05,119

like and respect friends from those

29

00:01:09,190 --> 00:01:07,680

areas of frontier science and i talk to

30

00:01:11,350 --> 00:01:09,200

those people

31

00:01:12,469 --> 00:01:11,360

and they don't get it

32

00:01:14,469 --> 00:01:12,479

they don't

33

00:01:18,550 --> 00:01:14,479

understand

34

00:01:20,390 --> 00:01:18,560

notwithstanding the spin that they give

35

00:01:22,630 --> 00:01:20,400

it which is really kind of sets it off

36

00:01:24,469 --> 00:01:22,640

kilter a little bit then you

37

00:01:27,030 --> 00:01:24,479

probably can't

38

00:01:29,670 --> 00:01:27,040

totally wrap your arms

39

00:01:32,550 --> 00:01:29,680

around this today's guest david

40

00:01:35,749 --> 00:01:32,560

whitehead in his new documentary series

41

00:01:37,510 --> 00:01:35,759

the cult of the medics here's a clip

42

00:01:39,670 --> 00:01:37,520

we don't choose a side when when we're

43

00:01:41,990 --> 00:01:39,680

talking about morals and ethics and and

44

00:01:44,389 --> 00:01:42,000

what's going on in our society if you're

45

00:01:45,990 --> 00:01:44,399

in the middle you're undecided

46

00:01:47,910 --> 00:01:46,000

if you're in the middle you're in a

47

00:01:49,590 --> 00:01:47,920

place and i'm not talking about being in

48

00:01:51,830 --> 00:01:49,600

an objective space

49

00:01:53,670 --> 00:01:51,840

of a scientific objectivity where you're

50

00:01:55,109 --> 00:01:53,680

trying to gather all the information

51  
00:01:57,350 --> 00:01:55,119  
this is when you have all the

52  
00:02:00,310 --> 00:01:57,360  
information and you still choose to stay

53  
00:02:01,830 --> 00:02:00,320  
in the middle because of this mechanism

54  
00:02:03,990 --> 00:02:01,840  
that we have that i was speaking about

55  
00:02:05,830 --> 00:02:04,000  
the sort of a psychological blindness

56  
00:02:07,670 --> 00:02:05,840  
everybody has an opinion everybody has

57  
00:02:09,589 --> 00:02:07,680  
it no one everybody has it that's why no

58  
00:02:12,630 --> 00:02:09,599  
one's facts are better than anyone

59  
00:02:14,710 --> 00:02:12,640  
else's facts it's all relative we can

60  
00:02:17,670 --> 00:02:14,720  
all get along let's just all not take a

61  
00:02:19,589 --> 00:02:17,680  
stand on anything don't get too excited

62  
00:02:21,510 --> 00:02:19,599  
yeah like okay here here's an example

63  
00:02:23,110 --> 00:02:21,520

right like i tell people that i've had

64

00:02:24,710 --> 00:02:23,120

many debates with people about people

65

00:02:26,790 --> 00:02:24,720

the peace people believe evil doesn't

66

00:02:28,949 --> 00:02:26,800

exist okay this is the new trendy thing

67

00:02:30,630 --> 00:02:28,959

that evil is just this term that we use

68

00:02:32,630 --> 00:02:30,640

and it's old-fashioned and it doesn't

69

00:02:34,470 --> 00:02:32,640

really exist and all this

70

00:02:37,670 --> 00:02:34,480

and i think it's a cop-out

71

00:02:39,430 --> 00:02:37,680

not taking a stand for their own freedom

72

00:02:41,270 --> 00:02:39,440

that to me is an act of evil against

73

00:02:43,350 --> 00:02:41,280

yourself to start with right so forget

74

00:02:45,430 --> 00:02:43,360

about the evil done for by people to

75

00:02:47,750 --> 00:02:45,440

other people what about the evil we do

76  
00:02:49,990 --> 00:02:47,760  
to ourselves what about the way we abuse

77  
00:02:52,229 --> 00:02:50,000  
ourselves and talk down to ourselves

78  
00:02:53,589 --> 00:02:52,239  
sort of the sort of the inner conspiracy

79  
00:02:54,949 --> 00:02:53,599  
even though it feels like you're just

80  
00:02:57,830 --> 00:02:54,959  
being objective and you're hearing all

81  
00:02:59,670 --> 00:02:57,840  
the sides out at some point you do have

82  
00:03:01,030 --> 00:02:59,680  
to make a decision as to what side

83  
00:03:04,309 --> 00:03:01,040  
you're on

84  
00:03:06,550 --> 00:03:04,319  
david whitehead is a truth warrior and

85  
00:03:08,630 --> 00:03:06,560  
he's got a terrific new series the cult

86  
00:03:11,430 --> 00:03:08,640  
of the medics for some people it's hard

87  
00:03:13,990 --> 00:03:11,440  
to take but as david explains it's

88  
00:03:15,509 --> 00:03:14,000

equally hard to look away

89

00:03:17,509 --> 00:03:15,519

it'd be nice if we could just point our

90

00:03:19,270 --> 00:03:17,519

finger at some bunch of shadowy people

91

00:03:20,630 --> 00:03:19,280

doing evil and say hey they're the ones

92

00:03:22,390 --> 00:03:20,640

that are responsible for it and we just

93

00:03:23,910 --> 00:03:22,400

purge them and then everything's good

94

00:03:25,670 --> 00:03:23,920

but the thing is that evil strikes

95

00:03:28,390 --> 00:03:25,680

through the heart of every human being

96

00:03:30,869 --> 00:03:28,400

and so this becomes a metaphysical uh

97

00:03:33,750 --> 00:03:30,879

psychological spiritual process but when

98

00:03:36,070 --> 00:03:33,760

we ignore the darkness when we ignore

99

00:03:37,910 --> 00:03:36,080

evil it thrives

100

00:03:39,670 --> 00:03:37,920

this is a good one i hope you stick

101  
00:03:41,830 --> 00:03:39,680  
around for my interview with david

102  
00:03:43,830 --> 00:03:41,840  
whitehead the truth warrior it's coming

103  
00:03:45,430 --> 00:03:43,840  
up on skeptico

104  
00:03:47,750 --> 00:03:45,440  
welcome to skeptico where we explore

105  
00:03:50,229 --> 00:03:47,760  
controversial science and spirituality

106  
00:03:52,390 --> 00:03:50,239  
with leading researchers thinkers and

107  
00:03:55,270 --> 00:03:52,400  
their critics i'm your host alex sicaris

108  
00:03:57,910 --> 00:03:55,280  
and today we welcome and welcome back

109  
00:04:01,110 --> 00:03:57,920  
david whitehead to skeptico david is the

110  
00:04:02,550 --> 00:04:01,120  
creator of the way of the truth warrior

111  
00:04:04,630 --> 00:04:02,560  
podcast

112  
00:04:05,990 --> 00:04:04,640  
one of his many projects but really

113  
00:04:07,910 --> 00:04:06,000

really a good one

114

00:04:10,309 --> 00:04:07,920

if you didn't hear the last episode we

115

00:04:14,630 --> 00:04:10,319

did check it out and check out this

116

00:04:16,629 --> 00:04:14,640

podcast he's also the creator of a

117

00:04:19,590 --> 00:04:16,639

rather remarkable new

118

00:04:21,189 --> 00:04:19,600

i guess documentary series we should say

119

00:04:24,629 --> 00:04:21,199

cult of the medics we're going to talk

120

00:04:27,189 --> 00:04:24,639

about that super high production value

121

00:04:29,110 --> 00:04:27,199

very very watchable except it's pretty

122

00:04:30,950 --> 00:04:29,120

heavy stuff but then

123

00:04:33,510 --> 00:04:30,960

we're in a pretty heavy world so what

124

00:04:35,590 --> 00:04:33,520

are we gonna do uh david

125

00:04:37,350 --> 00:04:35,600

lot going on up there in canada we're

126  
00:04:38,629 --> 00:04:37,360  
gonna want to hear about all of it but

127  
00:04:40,790 --> 00:04:38,639  
first just

128  
00:04:42,710 --> 00:04:40,800  
welcome back to skeptico thanks so much

129  
00:04:44,550 --> 00:04:42,720  
for joining me

130  
00:04:46,230 --> 00:04:44,560  
hey alex so happy to be here man i

131  
00:04:47,909 --> 00:04:46,240  
really appreciate what you're doing love

132  
00:04:50,629 --> 00:04:47,919  
your show and

133  
00:04:52,790 --> 00:04:50,639  
i'm looking forward to this chat

134  
00:04:55,189 --> 00:04:52,800  
good so you know there like i said

135  
00:04:56,870 --> 00:04:55,199  
there's kind of so many places that we

136  
00:04:59,909 --> 00:04:56,880  
could begin

137  
00:05:02,230 --> 00:04:59,919  
where you've gone with your show is

138  
00:05:03,909 --> 00:05:02,240

understandable given you know what's

139

00:05:07,590 --> 00:05:03,919

been going on in the world particularly

140

00:05:09,510 --> 00:05:07,600

with uh coronavirus and you've been kind

141

00:05:12,070 --> 00:05:09,520

of on the front line of that for a long

142

00:05:14,550 --> 00:05:12,080

time but not just someone who's just

143

00:05:16,469 --> 00:05:14,560

kind of rattling off opinions on that

144

00:05:19,990 --> 00:05:16,479

but you've interviewed a lot a lot of

145

00:05:22,150 --> 00:05:20,000

top-notch guests scientists one after

146

00:05:24,310 --> 00:05:22,160

another and brought them on the show and

147

00:05:26,150 --> 00:05:24,320

you've also brought on the show people

148

00:05:28,310 --> 00:05:26,160

who are kind of

149

00:05:31,029 --> 00:05:28,320

in the front line in a different way

150

00:05:33,189 --> 00:05:31,039

than is being fed to us you know but

151  
00:05:35,189 --> 00:05:33,199  
paramedics are saying hey i'm not sure

152  
00:05:37,029 --> 00:05:35,199  
man i think this is the

153  
00:05:39,590 --> 00:05:37,039  
canadian mount he's bringing them on in

154  
00:05:41,270 --> 00:05:39,600  
the series and going hey we are not down

155  
00:05:43,830 --> 00:05:41,280  
with some of this stuff that's going on

156  
00:05:46,790 --> 00:05:43,840  
so i guess one of the you know just give

157  
00:05:49,749 --> 00:05:46,800  
us an overview of what's going on with

158  
00:05:51,430 --> 00:05:49,759  
you and this stuff and in particular

159  
00:05:54,950 --> 00:05:51,440  
what i want to drill into a little bit

160  
00:05:57,909 --> 00:05:54,960  
for my audience and for myself david is

161  
00:05:58,870 --> 00:05:57,919  
what's really going on in canada that we

162  
00:06:00,390 --> 00:05:58,880  
should be

163  
00:06:02,790 --> 00:06:00,400

aware of because

164

00:06:04,710 --> 00:06:02,800

some of this stuff you get into i kind

165

00:06:07,110 --> 00:06:04,720

of worry that

166

00:06:09,189 --> 00:06:07,120

you guys are the canary in the cold mine

167

00:06:11,270 --> 00:06:09,199

in a way you know and you're getting hit

168

00:06:14,550 --> 00:06:11,280

with some stuff that

169

00:06:16,390 --> 00:06:14,560

might be coming down the road for us so

170

00:06:18,550 --> 00:06:16,400

i know i've laid a lot out there on the

171

00:06:20,790 --> 00:06:18,560

table already but where do you where do

172

00:06:23,350 --> 00:06:20,800

you want to begin

173

00:06:24,870 --> 00:06:23,360

well no this is good i'm glad uh i'll

174

00:06:27,189 --> 00:06:24,880

i'm glad i have an opportunity to sort

175

00:06:29,830 --> 00:06:27,199

of break this down um

176  
00:06:32,309 --> 00:06:29,840  
so i've been covering this since day one

177  
00:06:34,469 --> 00:06:32,319  
of well i've been doing my show for

178  
00:06:37,029 --> 00:06:34,479  
since 2007 but

179  
00:06:38,710 --> 00:06:37,039  
i've been doing this research into

180  
00:06:40,390 --> 00:06:38,720  
all of the fringe topics that we're not

181  
00:06:43,029 --> 00:06:40,400  
allowed to look into

182  
00:06:44,629 --> 00:06:43,039  
for probably 18 years now actually no 19

183  
00:06:45,830 --> 00:06:44,639  
now time is flying

184  
00:06:47,350 --> 00:06:45,840  
and

185  
00:06:50,070 --> 00:06:47,360  
i've been covering for this past two

186  
00:06:51,510 --> 00:06:50,080  
years this whole pandemic and and the

187  
00:06:53,510 --> 00:06:51,520  
you know the government policies that

188  
00:06:55,029 --> 00:06:53,520

started to come in the the way the media

189

00:06:56,950 --> 00:06:55,039

has been treating this

190

00:06:59,350 --> 00:06:56,960

the censorship that has been going on

191

00:07:01,990 --> 00:06:59,360

with top world-renowned experts from all

192

00:07:04,309 --> 00:07:02,000

over the world um and many many other

193

00:07:05,830 --> 00:07:04,319

aspects that really got me

194

00:07:08,790 --> 00:07:05,840

thinking okay there's something more

195

00:07:10,870 --> 00:07:08,800

going on here and so i built my platform

196

00:07:11,990 --> 00:07:10,880

on the basis of pursuing the truth at

197

00:07:14,469 --> 00:07:12,000

all costs

198

00:07:15,350 --> 00:07:14,479

and i don't pretend to say that i've got

199

00:07:17,749 --> 00:07:15,360

it

200

00:07:19,589 --> 00:07:17,759

i'm just an average man that is very

201  
00:07:21,990 --> 00:07:19,599  
curious about these things and i really

202  
00:07:24,870 --> 00:07:22,000  
feel like we have a lot at stake

203  
00:07:26,070 --> 00:07:24,880  
and i'm trying to get through the

204  
00:07:28,550 --> 00:07:26,080  
media

205  
00:07:30,710 --> 00:07:28,560  
screen as you were and this is not just

206  
00:07:31,749 --> 00:07:30,720  
on the news this is also a social media

207  
00:07:33,270 --> 00:07:31,759  
i've had

208  
00:07:35,029 --> 00:07:33,280  
pretty much all of my mainstream social

209  
00:07:37,110 --> 00:07:35,039  
media accounts banned

210  
00:07:39,589 --> 00:07:37,120  
simply for asking questions putting up

211  
00:07:41,909 --> 00:07:39,599  
my opinion interviewing doctors nurses

212  
00:07:43,670 --> 00:07:41,919  
paramedics scientists

213  
00:07:45,029 --> 00:07:43,680

you know researchers entertaining

214

00:07:47,990 --> 00:07:45,039

different ideas

215

00:07:49,589 --> 00:07:48,000

um you know not calling for violence not

216

00:07:52,390 --> 00:07:49,599

uh you know doing anything that's

217

00:07:54,150 --> 00:07:52,400

breaking any laws uh but just trying to

218

00:07:57,029 --> 00:07:54,160

actively pursue the subjects i'm

219

00:07:57,749 --> 00:07:57,039

interested in and the topics that i'm

220

00:07:59,110 --> 00:07:57,759

jump concerned about

221

00:08:01,589 --> 00:07:59,120

let me let me jump in there because i

222

00:08:03,430 --> 00:08:01,599

always i always make this point because

223

00:08:06,070 --> 00:08:03,440

you know there's a lot of normies in my

224

00:08:08,150 --> 00:08:06,080

life and my family and in people i know

225

00:08:09,430 --> 00:08:08,160

and business associates and stuff like

226

00:08:10,950 --> 00:08:09,440

that

227

00:08:12,629 --> 00:08:10,960

and even people i've interviewed on the

228

00:08:15,670 --> 00:08:12,639

show you know

229

00:08:17,909 --> 00:08:15,680

people from columbia university uh top

230

00:08:20,150 --> 00:08:17,919

top banker in new york they don't

231

00:08:22,070 --> 00:08:20,160

understand this banning they think

232

00:08:24,629 --> 00:08:22,080

that's they think that's

233

00:08:27,270 --> 00:08:24,639

somebody else is getting banned they're

234

00:08:29,270 --> 00:08:27,280

not really sure who it is but they know

235

00:08:31,909 --> 00:08:29,280

that they know that it's somebody who

236

00:08:33,990 --> 00:08:31,919

really really is a bad bad person who we

237

00:08:36,230 --> 00:08:34,000

should not hear from and that's who's

238

00:08:37,990 --> 00:08:36,240

getting banned and when i say

239

00:08:41,829 --> 00:08:38,000

no you don't get it

240

00:08:44,149 --> 00:08:41,839

this guy this this guy got banned for

241

00:08:45,190 --> 00:08:44,159

interviewing the vice president of

242

00:08:49,269 --> 00:08:45,200

pfizer

243

00:08:51,990 --> 00:08:49,279

with

244

00:08:54,150 --> 00:08:52,000

credentials out the zoo published in all

245

00:08:56,389 --> 00:08:54,160

these peer-reviewed papers who's

246

00:09:00,150 --> 00:08:56,399

expressing an opinion

247

00:09:01,670 --> 00:09:00,160

he got banned for that and i look at i i

248

00:09:03,829 --> 00:09:01,680

see the look on their face and they

249

00:09:05,750 --> 00:09:03,839

really don't believe me i mean they just

250

00:09:07,590 --> 00:09:05,760

flat out they kind of think

251  
00:09:09,750 --> 00:09:07,600  
you're not telling me something there's

252  
00:09:11,190 --> 00:09:09,760  
something there's something to that that

253  
00:09:12,550 --> 00:09:11,200  
you're not telling me because no way

254  
00:09:15,990 --> 00:09:12,560  
people are really getting banned for

255  
00:09:18,389 --> 00:09:16,000  
that so i want to play a little clip

256  
00:09:21,190 --> 00:09:18,399  
sure the only the only uh problem i have

257  
00:09:23,269 --> 00:09:21,200  
with this episode is uh

258  
00:09:25,430 --> 00:09:23,279  
you know the vaccine debate is over i

259  
00:09:27,110 --> 00:09:25,440  
totally get your point but like debates

260  
00:09:28,710 --> 00:09:27,120  
are never over they keep going and

261  
00:09:30,470 --> 00:09:28,720  
there's more science coming and all the

262  
00:09:32,790 --> 00:09:30,480  
time and you you are definitely about

263  
00:09:34,949 --> 00:09:32,800

that you are about give me more science

264

00:09:37,030 --> 00:09:34,959

give me more science but this was kind

265

00:09:38,710 --> 00:09:37,040

of a frustration level and it's just

266

00:09:40,790 --> 00:09:38,720

going to jump in the middle but it'll

267

00:09:44,070 --> 00:09:40,800

give people a sense for

268

00:09:45,509 --> 00:09:44,080

the kind of dialogue you're having

269

00:09:47,509 --> 00:09:45,519

if you want to read

270

00:09:49,509 --> 00:09:47,519

one particular study on the

271

00:09:51,590 --> 00:09:49,519

effectiveness of ivermectin one

272

00:09:53,910 --> 00:09:51,600

particular peer-reviewed study on

273

00:09:56,310 --> 00:09:53,920

ivermectin i'd suggest to you in the

274

00:09:58,949 --> 00:09:56,320

journal of biomedical research and

275

00:10:01,590 --> 00:09:58,959

clinical investigations deputy speaker

276

00:10:03,030 --> 00:10:01,600

study published last year

277

00:10:05,269 --> 00:10:03,040

now what they did in the study deputy

278

00:10:07,430 --> 00:10:05,279

speaker this was in across four

279

00:10:09,269 --> 00:10:07,440

hospitals in argentina

280

00:10:12,790 --> 00:10:09,279

and they had two groups

281

00:10:15,670 --> 00:10:12,800

they had 407 people hospital workers

282

00:10:17,509 --> 00:10:15,680

doctors and nurses okay i'm going to cut

283

00:10:19,750 --> 00:10:17,519

it off there because i don't want to

284

00:10:22,069 --> 00:10:19,760

play too much into it this is what

285

00:10:24,230 --> 00:10:22,079

you're going to get from david

286

00:10:27,269 --> 00:10:24,240

uh partially what you're going to get

287

00:10:29,350 --> 00:10:27,279

uh original interviews with experts

288

00:10:31,350 --> 00:10:29,360

clips from people i think that guy's

289

00:10:33,430 --> 00:10:31,360  
presenting in front of the british

290

00:10:35,509 --> 00:10:33,440  
parliament right

291

00:10:36,310 --> 00:10:35,519  
and uh and

292

00:10:38,949 --> 00:10:36,320  
with

293

00:10:41,350 --> 00:10:38,959  
but science i mean that is very sciency

294

00:10:43,190 --> 00:10:41,360  
stuff so i don't know i could just go on

295

00:10:44,790 --> 00:10:43,200  
and on and you you sounds like a rant

296

00:10:47,350 --> 00:10:44,800  
but i mean how is this getting

297

00:10:49,829 --> 00:10:47,360  
banned how is in and then the real

298

00:10:51,829 --> 00:10:49,839  
question i think is not how is this

299

00:10:54,150 --> 00:10:51,839  
getting banned although that gets to

300

00:10:55,750 --> 00:10:54,160  
what your work is really about is kind

301  
00:10:56,630 --> 00:10:55,760  
of getting you know really asking that

302  
00:10:59,430 --> 00:10:56,640  
question

303  
00:11:02,870 --> 00:10:59,440  
but the first is just letting people

304  
00:11:05,509 --> 00:11:02,880  
know that this kind of stuff is being

305  
00:11:06,389 --> 00:11:05,519  
banned right now they're burning the

306  
00:11:09,110 --> 00:11:06,399  
books

307  
00:11:12,230 --> 00:11:09,120  
in the town square right now and you're

308  
00:11:14,470 --> 00:11:12,240  
just not aware of it the people you talk

309  
00:11:16,790 --> 00:11:14,480  
in your show they're aware of it but

310  
00:11:18,630 --> 00:11:16,800  
most people are just not aware of this

311  
00:11:20,470 --> 00:11:18,640  
do you have any thoughts on that yeah

312  
00:11:22,069 --> 00:11:20,480  
that's that's the main place i'm coming

313  
00:11:23,750 --> 00:11:22,079

from and just a little bit about the

314

00:11:24,870 --> 00:11:23,760

title of that where i was uh

315

00:11:28,710 --> 00:11:24,880

tongue-in-cheek saying you know the

316

00:11:31,509 --> 00:11:28,720

vaccine debate is over i was quoting cnn

317

00:11:33,269 --> 00:11:31,519

and msnbc and cbc where they were saying

318

00:11:35,269 --> 00:11:33,279

the vaccine debate is over so i have a

319

00:11:36,790 --> 00:11:35,279

little way people that follow my show

320

00:11:38,949 --> 00:11:36,800

know that i have a

321

00:11:40,389 --> 00:11:38,959

i use i try to use some humor and and

322

00:11:42,949 --> 00:11:40,399

kind of throw it back in their face and

323

00:11:45,110 --> 00:11:42,959

say okay you said the vaccine debate is

324

00:11:47,269 --> 00:11:45,120

over and then played a couple paid for

325

00:11:48,870 --> 00:11:47,279

tv doctors to come on and tell everybody

326

00:11:50,470 --> 00:11:48,880

that the vaccine debate is over

327

00:11:53,509 --> 00:11:50,480

meanwhile you're in a process of

328

00:11:56,310 --> 00:11:53,519

actively censoring world-renowned

329

00:11:57,910 --> 00:11:56,320

experts epidemiologists nobel laureates

330

00:11:59,829 --> 00:11:57,920

award-winning scientists from all over

331

00:12:02,150 --> 00:11:59,839

the world that were simply asking

332

00:12:04,870 --> 00:12:02,160

questions and raising alarms and asking

333

00:12:06,389 --> 00:12:04,880

for these pharmaceutical companies

334

00:12:07,910 --> 00:12:06,399

that have a stranglehold over the

335

00:12:11,190 --> 00:12:07,920

medical industry

336

00:12:12,629 --> 00:12:11,200

to show their receipts to show their

337

00:12:14,710 --> 00:12:12,639

evidence and because they didn't

338

00:12:16,069 --> 00:12:14,720

actually do that and they only said they

339

00:12:17,670 --> 00:12:16,079

did it and they're only telling the

340

00:12:19,590 --> 00:12:17,680

public that they did it

341

00:12:21,750 --> 00:12:19,600

they are now doing independent research

342

00:12:24,310 --> 00:12:21,760

and finding all kinds of problems with

343

00:12:25,110 --> 00:12:24,320

what we're being told is the science

344

00:12:27,110 --> 00:12:25,120

right

345

00:12:28,949 --> 00:12:27,120

and so when i go on and i do my little

346

00:12:31,030 --> 00:12:28,959

rants and i play these clips and i try

347

00:12:33,190 --> 00:12:31,040

to bring a narrative to people

348

00:12:35,190 --> 00:12:33,200

my job is to keep people in a place

349

00:12:36,949 --> 00:12:35,200

where they're critically thinking i'm

350

00:12:38,629 --> 00:12:36,959

not telling people hey come on and

351  
00:12:40,470 --> 00:12:38,639  
listen to my show and just blindly trust

352  
00:12:41,750 --> 00:12:40,480  
what i'm saying i'm just a dude from

353  
00:12:43,829 --> 00:12:41,760  
canada that's been doing my own

354  
00:12:46,550 --> 00:12:43,839  
independent research and i care about

355  
00:12:48,310 --> 00:12:46,560  
what the truth is and i can see at least

356  
00:12:50,150 --> 00:12:48,320  
i feel like i can see

357  
00:12:52,389 --> 00:12:50,160  
to a large extent of what i think is

358  
00:12:54,710 --> 00:12:52,399  
really going on which is

359  
00:12:55,670 --> 00:12:54,720  
the opposite of science right because i

360  
00:12:57,990 --> 00:12:55,680  
don't know what do you think about this

361  
00:12:59,910 --> 00:12:58,000  
alex you've covered an amazing show for

362  
00:13:01,350 --> 00:12:59,920  
for years interviewing all kinds of

363  
00:13:02,949 --> 00:13:01,360

scientists and holding their feet to the

364

00:13:04,790 --> 00:13:02,959

fire about what is science and what is

365

00:13:06,310 --> 00:13:04,800

not science but do you know do you

366

00:13:08,310 --> 00:13:06,320

really think that this is science when

367

00:13:10,629 --> 00:13:08,320

they're telling us to just trust it

368

00:13:13,430 --> 00:13:10,639

is science something that we trust

369

00:13:15,350 --> 00:13:13,440

or is science something that we test

370

00:13:17,750 --> 00:13:15,360

right and that's my question that's my

371

00:13:19,910 --> 00:13:17,760

argument is science is there's first of

372

00:13:23,110 --> 00:13:19,920

all there's no such thing as the science

373

00:13:24,310 --> 00:13:23,120

okay the word the must be deleted from

374

00:13:27,350 --> 00:13:24,320

that word

375

00:13:30,790 --> 00:13:27,360

it should be disattached forever science

376

00:13:32,790 --> 00:13:30,800

is a process of investigating

377

00:13:35,110 --> 00:13:32,800

performing hypothesis

378

00:13:38,389 --> 00:13:35,120

weighing evidence against the hypothesis

379

00:13:40,389 --> 00:13:38,399

continually testing that hypothesis and

380

00:13:42,389 --> 00:13:40,399

then when new information comes into

381

00:13:45,110 --> 00:13:42,399

that investigation you are going to

382

00:13:47,110 --> 00:13:45,120

alter your hypothesis because the goal

383

00:13:49,590 --> 00:13:47,120

is to use science as a method to

384

00:13:51,430 --> 00:13:49,600

determine the truth right so if we're if

385

00:13:53,030 --> 00:13:51,440

we're going to go all right we've done

386

00:13:54,870 --> 00:13:53,040

some science

387

00:13:56,629 --> 00:13:54,880

but now we're going to stop doing that

388

00:13:58,470 --> 00:13:56,639

process of science

389

00:14:00,310 --> 00:13:58,480

and then those other scientists out

390

00:14:02,790 --> 00:14:00,320

there that want to continue doing what

391

00:14:04,710 --> 00:14:02,800

they all originally thought science was

392

00:14:05,990 --> 00:14:04,720

which is what i've just described and

393

00:14:08,069 --> 00:14:06,000

you're just going to ban them from the

394

00:14:10,550 --> 00:14:08,079

conversation completely and then the

395

00:14:12,310 --> 00:14:10,560

media comes in tells the public who is

396

00:14:13,750 --> 00:14:12,320

not involved in the discussion behind

397

00:14:16,470 --> 00:14:13,760

the doors or what the real scientists

398

00:14:18,949 --> 00:14:16,480

are debating at all and tell them the

399

00:14:22,230 --> 00:14:18,959

vaccine debate is over guys go get it

400

00:14:23,990 --> 00:14:22,240

it's 100 safe and effective and you know

401  
00:14:26,150 --> 00:14:24,000  
i'm exaggerating slightly they keep

402  
00:14:27,670 --> 00:14:26,160  
changing that all the time but it's not

403  
00:14:30,710 --> 00:14:27,680  
that far off because that's what we're

404  
00:14:33,030 --> 00:14:30,720  
being told is this the only way out

405  
00:14:35,590 --> 00:14:33,040  
it's uh you know now we're safe for kids

406  
00:14:37,269 --> 00:14:35,600  
5 to 11. meanwhile we've got reams of

407  
00:14:39,750 --> 00:14:37,279  
data showing otherwise

408  
00:14:42,629 --> 00:14:39,760  
and so then the question becomes

409  
00:14:45,430 --> 00:14:42,639  
is this really about science

410  
00:14:46,949 --> 00:14:45,440  
is this really about health or is this

411  
00:14:48,949 --> 00:14:46,959  
about something else and i think it's a

412  
00:14:53,750 --> 00:14:48,959  
fair question and i've taken my shots at

413  
00:14:55,910 --> 00:14:53,760

it i've put a mixture a remix of

414

00:14:59,110 --> 00:14:55,920

factual data that anybody can go and

415

00:15:00,790 --> 00:14:59,120

look up and vet for themselves i've put

416

00:15:03,670 --> 00:15:00,800

experts out there so that it's not just

417

00:15:06,470 --> 00:15:03,680

coming from me some guy doing a podcast

418

00:15:08,550 --> 00:15:06,480

and i've also injected my opinion based

419

00:15:10,470 --> 00:15:08,560

on my own observations and my own way of

420

00:15:13,269 --> 00:15:10,480

looking at the world

421

00:15:14,629 --> 00:15:13,279

and i ask my audience every time i go on

422

00:15:16,790 --> 00:15:14,639

the air

423

00:15:19,269 --> 00:15:16,800

to think for themselves

424

00:15:21,670 --> 00:15:19,279

don't just blindly trust the media don't

425

00:15:23,590 --> 00:15:21,680

just blindly trust me don't just blindly

426  
00:15:25,189 --> 00:15:23,600  
trust alex don't just blindly trust

427  
00:15:28,069 --> 00:15:25,199  
anybody learn

428  
00:15:31,350 --> 00:15:28,079  
to trust your own mind

429  
00:15:33,269 --> 00:15:31,360  
because otherwise what are we we're back

430  
00:15:35,189 --> 00:15:33,279  
to a sort of state of feudalism where

431  
00:15:36,870 --> 00:15:35,199  
everybody was kind of illiterate and had

432  
00:15:38,870 --> 00:15:36,880  
to only learn about

433  
00:15:40,710 --> 00:15:38,880  
religion and life from priests who were

434  
00:15:42,710 --> 00:15:40,720  
literate and could read them holy

435  
00:15:45,590 --> 00:15:42,720  
scriptures

436  
00:15:47,910 --> 00:15:45,600  
and then get all the laws from the the

437  
00:15:49,509 --> 00:15:47,920  
monarchies right we're not that far away

438  
00:15:51,829 --> 00:15:49,519

from that if you really look at it we're

439

00:15:54,069 --> 00:15:51,839

actually moving more towards that sort

440

00:15:55,189 --> 00:15:54,079

of collectivistic totalitarian way of

441

00:15:57,430 --> 00:15:55,199

thinking

442

00:15:59,749 --> 00:15:57,440

and also it seems like as we see all

443

00:16:01,430 --> 00:15:59,759

this censorship and all this draconian

444

00:16:02,790 --> 00:16:01,440

stuff going on online with them banning

445

00:16:04,069 --> 00:16:02,800

everybody i mean even people that don't

446

00:16:05,269 --> 00:16:04,079

cover this stuff are getting banned it's

447

00:16:07,030 --> 00:16:05,279

ridiculous

448

00:16:09,509 --> 00:16:07,040

but now that's starting to leak into a

449

00:16:11,670 --> 00:16:09,519

physical space where you're being banned

450

00:16:13,910 --> 00:16:11,680

from entering businesses unless you can

451  
00:16:15,670 --> 00:16:13,920  
show your health status which previously

452  
00:16:17,350 --> 00:16:15,680  
was protected under the nuremberg code

453  
00:16:20,069 --> 00:16:17,360  
and every human rights law in existence

454  
00:16:22,069 --> 00:16:20,079  
as being a doctor-patient privilege

455  
00:16:23,189 --> 00:16:22,079  
where you get to share that information

456  
00:16:25,110 --> 00:16:23,199  
with your doctor you get to make your

457  
00:16:27,269 --> 00:16:25,120  
own informed decision we operate in a

458  
00:16:29,749 --> 00:16:27,279  
world of choices right

459  
00:16:31,749 --> 00:16:29,759  
and so what they've tried to do to stop

460  
00:16:33,509 --> 00:16:31,759  
the process of people continuing to

461  
00:16:36,710 --> 00:16:33,519  
operate like that is to say there are no

462  
00:16:38,470 --> 00:16:36,720  
choices guys there's only one way

463  
00:16:39,509 --> 00:16:38,480

let me let me jump in there for a minute

464

00:16:42,790 --> 00:16:39,519

because

465

00:16:44,150 --> 00:16:42,800

part of the problem i think with this

466

00:16:47,829 --> 00:16:44,160

dialogue

467

00:16:50,870 --> 00:16:47,839

is uh people like you and me can easily

468

00:16:52,790 --> 00:16:50,880

go down this path because we just follow

469

00:16:54,870 --> 00:16:52,800

the evidence we just follow the trail

470

00:16:57,350 --> 00:16:54,880

one step after another

471

00:16:59,590 --> 00:16:57,360

and we can forget what it was like

472

00:17:01,509 --> 00:16:59,600

to walk that path you've been at this

473

00:17:03,110 --> 00:17:01,519

for a long time i've been at this for a

474

00:17:05,029 --> 00:17:03,120

long time

475

00:17:08,150 --> 00:17:05,039

we can forget how

476

00:17:10,870 --> 00:17:08,160

world-shattering paradigm-shattering

477

00:17:13,189 --> 00:17:10,880

this first step can be i relate it back

478

00:17:14,390 --> 00:17:13,199

to you know when i started my show i had

479

00:17:16,630 --> 00:17:14,400

no

480

00:17:18,390 --> 00:17:16,640

awareness of conspiracies i mean i

481

00:17:21,350 --> 00:17:18,400

wasn't aware jfk

482

00:17:22,390 --> 00:17:21,360

totally off the radar 911 totally off

483

00:17:24,309 --> 00:17:22,400

the radar

484

00:17:26,069 --> 00:17:24,319

i came at this purely from a science

485

00:17:28,069 --> 00:17:26,079

standpoint and

486

00:17:30,470 --> 00:17:28,079

what i found was

487

00:17:31,830 --> 00:17:30,480

conspiracy so i was interviewing these

488

00:17:33,830 --> 00:17:31,840

guys these scientists and they were

489

00:17:35,590 --> 00:17:33,840

going hey this is this is

490

00:17:37,669 --> 00:17:35,600

intentionally deceptive they didn't let

491

00:17:40,230 --> 00:17:37,679

my paper go through and it was in a

492

00:17:42,029 --> 00:17:40,240

small little corner of the world that

493

00:17:43,830 --> 00:17:42,039

didn't affect anybody it was

494

00:17:46,950 --> 00:17:43,840

parapsychology and

495

00:17:49,350 --> 00:17:46,960

you know who are we really kind of are

496

00:17:50,470 --> 00:17:49,360

we more than just biological robots

497

00:17:51,830 --> 00:17:50,480

thing

498

00:17:53,510 --> 00:17:51,840

right so it was an important area but it

499

00:17:56,390 --> 00:17:53,520

was a tiny little area

500

00:17:58,710 --> 00:17:56,400

but i guess i worry sometimes that

501  
00:18:00,710 --> 00:17:58,720  
people hear what you just said and you

502  
00:18:02,549 --> 00:18:00,720  
just laid out the world

503  
00:18:05,990 --> 00:18:02,559  
and they can't walk

504  
00:18:09,029 --> 00:18:06,000  
all those steps across the pond that you

505  
00:18:09,990 --> 00:18:09,039  
and i have walked i i look at the kind

506  
00:18:11,110 --> 00:18:10,000  
of

507  
00:18:13,669 --> 00:18:11,120  
science

508  
00:18:15,669 --> 00:18:13,679  
investigations critical investigations i

509  
00:18:17,990 --> 00:18:15,679  
was doing 10 years ago

510  
00:18:20,630 --> 00:18:18,000  
and it was so mild compared to what's

511  
00:18:21,430 --> 00:18:20,640  
going on now it was so within the realm

512  
00:18:24,390 --> 00:18:21,440  
of

513  
00:18:26,470 --> 00:18:24,400

normalcy you know a guy trying to

514

00:18:29,029 --> 00:18:26,480

get over on somebody's peer-reviewed

515

00:18:31,029 --> 00:18:29,039

paper a guy slipping past peer review

516

00:18:33,350 --> 00:18:31,039

and getting something in and then a

517

00:18:35,430 --> 00:18:33,360

debate on both sides of saying hey you

518

00:18:38,070 --> 00:18:35,440

know that's not right well okay i

519

00:18:41,350 --> 00:18:38,080

retract that they were trying to stay

520

00:18:42,789 --> 00:18:41,360

within some reasonable guidelines trying

521

00:18:45,909 --> 00:18:42,799

to support

522

00:18:47,830 --> 00:18:45,919

the what we kind of have always expected

523

00:18:50,310 --> 00:18:47,840

science to be

524

00:18:53,190 --> 00:18:50,320

and now it just seems to be a free fall

525

00:18:55,029 --> 00:18:53,200

a complete free fall it is completely

526

00:18:57,350 --> 00:18:55,039

not about science they don't even

527

00:19:00,310 --> 00:18:57,360

pretend it's about science anymore it's

528

00:19:02,470 --> 00:19:00,320

a put your mask on until we tell

529

00:19:04,870 --> 00:19:02,480

you to take it off i don't care how many

530

00:19:06,710 --> 00:19:04,880

studies you have i don't care i'll show

531

00:19:08,870 --> 00:19:06,720

you all my fake studies and you'll buy

532

00:19:10,710 --> 00:19:08,880

it and and the same goes with the facts

533

00:19:12,630 --> 00:19:10,720

i don't even we don't even have to get

534

00:19:13,830 --> 00:19:12,640

in that but that's i guess what i'm

535

00:19:16,470 --> 00:19:13,840

saying

536

00:19:19,190 --> 00:19:16,480

there's been a shift it it's like amped

537

00:19:21,350 --> 00:19:19,200

up times 10 in terms of the disregard

538

00:19:23,590 --> 00:19:21,360

for science

539

00:19:25,830 --> 00:19:23,600

yeah that's that's a huge that's a very

540

00:19:27,270 --> 00:19:25,840

hugely important point um i've been

541

00:19:29,270 --> 00:19:27,280

thinking about this for a while we've

542

00:19:31,190 --> 00:19:29,280

also been covering this on the podcast

543

00:19:33,350 --> 00:19:31,200

that i do with michael that we've had

544

00:19:34,789 --> 00:19:33,360

you on actually alex the unslave podcast

545

00:19:36,870 --> 00:19:34,799

we've been talking about

546

00:19:38,390 --> 00:19:36,880

the implosion of the scientific

547

00:19:40,070 --> 00:19:38,400

community and the institutions of

548

00:19:42,549 --> 00:19:40,080

science that's been happening for a long

549

00:19:44,470 --> 00:19:42,559

time um in a lot of different fields and

550

00:19:45,430 --> 00:19:44,480

and your show has been actually really

551  
00:19:47,270 --> 00:19:45,440  
good at

552  
00:19:48,870 --> 00:19:47,280  
getting in as you said you started with

553  
00:19:50,549 --> 00:19:48,880  
some of those smaller issues that were

554  
00:19:51,669 --> 00:19:50,559  
just sort of these off-the-cuff fringe

555  
00:19:53,590 --> 00:19:51,679  
things that were happening and

556  
00:19:57,350 --> 00:19:53,600  
discussions about paranormal psychology

557  
00:19:59,350 --> 00:19:57,360  
etc but it that issue in science has has

558  
00:20:01,190 --> 00:19:59,360  
cropped up everywhere and it has become

559  
00:20:05,110 --> 00:20:01,200  
the thing it was meant to be against

560  
00:20:07,590 --> 00:20:05,120  
which was a cult-like mentality or a a

561  
00:20:09,990 --> 00:20:07,600  
malignant sort of religion that was

562  
00:20:11,350 --> 00:20:10,000  
trying to use an authoritarian

563  
00:20:13,830 --> 00:20:11,360

censoring

564

00:20:15,750 --> 00:20:13,840

controlling element within it

565

00:20:17,430 --> 00:20:15,760

as well as the corrupted elements of the

566

00:20:19,510 --> 00:20:17,440

where the funding comes from who

567

00:20:21,909 --> 00:20:19,520

finances these medical journals who

568

00:20:23,190 --> 00:20:21,919

actually pays for the education of a lot

569

00:20:24,470 --> 00:20:23,200

of these doctors and scientists

570

00:20:26,070 --> 00:20:24,480

throughout university what's the

571

00:20:27,750 --> 00:20:26,080

sponsors you know you follow the money

572

00:20:28,950 --> 00:20:27,760

you look at the big picture and you

573

00:20:31,270 --> 00:20:28,960

realize that

574

00:20:33,270 --> 00:20:31,280

the scientific establishment as we'll

575

00:20:35,750 --> 00:20:33,280

call it not science as a method not the

576

00:20:38,070 --> 00:20:35,760

real scientists all right who are there

577

00:20:40,149 --> 00:20:38,080

are many great and amazing scientists i

578

00:20:42,549 --> 00:20:40,159

just wish the world would listen to but

579

00:20:44,149 --> 00:20:42,559

scientif science as a as an

580

00:20:46,070 --> 00:20:44,159

establishment now

581

00:20:48,870 --> 00:20:46,080

has become a cult

582

00:20:51,350 --> 00:20:48,880

and um that's what i'm i'm i shamelessly

583

00:20:52,789 --> 00:20:51,360

call it out for what it is uh in the

584

00:20:54,470 --> 00:20:52,799

series that you mentioned the cult of

585

00:20:56,310 --> 00:20:54,480

the medics i

586

00:20:58,950 --> 00:20:56,320

have i did that series the first chapter

587

00:21:01,029 --> 00:20:58,960

i get into definitions of what is a cult

588

00:21:03,430 --> 00:21:01,039

uh you know and then compare it to what

589

00:21:05,510 --> 00:21:03,440

we're hearing and seeing right now

590

00:21:07,430 --> 00:21:05,520

and when they're rejecting science and

591

00:21:09,590 --> 00:21:07,440

they're censoring scientists and they're

592

00:21:11,430 --> 00:21:09,600

not like show me what i want to ask

593

00:21:12,950 --> 00:21:11,440

anybody that's still

594

00:21:14,070 --> 00:21:12,960

they still think we're crazy for even

595

00:21:17,190 --> 00:21:14,080

questioning this

596

00:21:20,630 --> 00:21:17,200

show me where there was public unedited

597

00:21:23,350 --> 00:21:20,640

debates between top scientists about

598

00:21:25,430 --> 00:21:23,360

these government policies the masks the

599

00:21:27,110 --> 00:21:25,440

shots etc right

600

00:21:29,430 --> 00:21:27,120

all these other people are talking about

601  
00:21:33,029 --> 00:21:29,440  
these alternative therapies etc where

602  
00:21:34,870 --> 00:21:33,039  
are the actual scientific debates right

603  
00:21:36,950 --> 00:21:34,880  
like we should have already had

604  
00:21:38,870 --> 00:21:36,960  
dana white from the ufc set up some kind

605  
00:21:41,190 --> 00:21:38,880  
of octagon where he could sit people

606  
00:21:43,270 --> 00:21:41,200  
down and have like dr anthony fauci

607  
00:21:45,430 --> 00:21:43,280  
debate dr peter mccullough or something

608  
00:21:47,270 --> 00:21:45,440  
like that where we could get

609  
00:21:48,630 --> 00:21:47,280  
it all on the table so that the public

610  
00:21:50,950 --> 00:21:48,640  
can see

611  
00:21:53,350 --> 00:21:50,960  
all of the evidence from both sides

612  
00:21:55,430 --> 00:21:53,360  
and then make up their own mind that's

613  
00:21:58,310 --> 00:21:55,440

how we built a free society that was the

614

00:22:00,310 --> 00:21:58,320

pillar of a free society was that we

615

00:22:03,190 --> 00:22:00,320

will have differing opinions in this

616

00:22:04,549 --> 00:22:03,200

world in this life um alex i'm sure

617

00:22:05,990 --> 00:22:04,559

there's many things you and i agree on

618

00:22:08,070 --> 00:22:06,000

and there's many things we don't agree

619

00:22:10,310 --> 00:22:08,080

on but what we do agree on is the

620

00:22:11,909 --> 00:22:10,320

freedom to disagree as long as we're not

621

00:22:13,590 --> 00:22:11,919

hurting anybody and that's where they

622

00:22:15,590 --> 00:22:13,600

try to bring that debate isn't it is

623

00:22:16,950 --> 00:22:15,600

well if you don't trust the science then

624

00:22:19,029 --> 00:22:16,960

you're irresponsible and you're actually

625

00:22:21,029 --> 00:22:19,039

out there hurting people and when they

626

00:22:22,630 --> 00:22:21,039

can use that as leverage

627

00:22:24,310 --> 00:22:22,640

without the evidence to back that

628

00:22:26,630 --> 00:22:24,320

statement up or without allowing the

629

00:22:27,990 --> 00:22:26,640

debates to unfold that would help clear

630

00:22:28,789 --> 00:22:28,000

that question up

631

00:22:30,710 --> 00:22:28,799

then

632

00:22:32,789 --> 00:22:30,720

it the onus comes back to us as

633

00:22:34,310 --> 00:22:32,799

individuals to say well if the

634

00:22:36,630 --> 00:22:34,320

government is not going to allow for

635

00:22:39,430 --> 00:22:36,640

this debate if the scientific

636

00:22:41,830 --> 00:22:39,440

establishment is no longer operating in

637

00:22:44,789 --> 00:22:41,840

a scientific manner anymore

638

00:22:46,789 --> 00:22:44,799

um then that's the onus comes back to me

639

00:22:49,990 --> 00:22:46,799

the individual to become my own

640

00:22:51,830 --> 00:22:50,000

scientist to do my own research ins if

641

00:22:53,669 --> 00:22:51,840

the media if i can't trust the media

642

00:22:56,470 --> 00:22:53,679

which we could talk for this entire

643

00:22:57,909 --> 00:22:56,480

podcast about specific examples of how

644

00:22:59,909 --> 00:22:57,919

you should probably question what you're

645

00:23:01,750 --> 00:22:59,919

getting from the media but let's just

646

00:23:03,590 --> 00:23:01,760

give me the benefit of the doubt on that

647

00:23:06,630 --> 00:23:03,600

if i can't trust the media and you can't

648

00:23:08,630 --> 00:23:06,640

trust the media well who can you trust

649

00:23:09,990 --> 00:23:08,640

and and you at the end of the day you're

650

00:23:12,070 --> 00:23:10,000

going to have everybody with every

651  
00:23:14,230 --> 00:23:12,080  
different opinion imaginable

652  
00:23:15,990 --> 00:23:14,240  
and who has to make the decision about

653  
00:23:17,350 --> 00:23:16,000  
how they're going to live their life

654  
00:23:18,710 --> 00:23:17,360  
uh and what what they're going to do

655  
00:23:20,310 --> 00:23:18,720  
well it's you it's me it's the

656  
00:23:22,310 --> 00:23:20,320  
individual has to make that decision at

657  
00:23:25,110 --> 00:23:22,320  
the end of the day but how can you make

658  
00:23:26,630 --> 00:23:25,120  
that decision if it's not informed right

659  
00:23:28,950 --> 00:23:26,640  
and there's something called informed

660  
00:23:31,110 --> 00:23:28,960  
consent that science the world of

661  
00:23:33,669 --> 00:23:31,120  
science especially medical science

662  
00:23:36,070 --> 00:23:33,679  
has suddenly just walked away from after

663  
00:23:38,070 --> 00:23:36,080

years like how many decades have we

664

00:23:39,990 --> 00:23:38,080

established that as being imperative you

665

00:23:41,750 --> 00:23:40,000

know as i keep bringing up the nuremberg

666

00:23:43,750 --> 00:23:41,760

code just go read the 10 planks of the

667

00:23:45,990 --> 00:23:43,760

nuremberg code that was established

668

00:23:46,870 --> 00:23:46,000

after what took place in nazi germany

669

00:23:47,669 --> 00:23:46,880

right

670

00:23:49,830 --> 00:23:47,679

and

671

00:23:53,190 --> 00:23:49,840

the whole point is to establish the idea

672

00:23:56,390 --> 00:23:53,200

of bodily autonomy and free choice and

673

00:23:57,830 --> 00:23:56,400

consent informed consent based on any

674

00:23:59,590 --> 00:23:57,840

kind of medical procedure that's going

675

00:24:01,190 --> 00:23:59,600

to be done to you and none of those

676  
00:24:03,350 --> 00:24:01,200  
procedures should be done against your

677  
00:24:05,190 --> 00:24:03,360  
will so if they're

678  
00:24:07,909 --> 00:24:05,200  
going to be you know bringing out these

679  
00:24:09,669 --> 00:24:07,919  
so-called laws which aren't laws and say

680  
00:24:11,750 --> 00:24:09,679  
their laws and say to people well this

681  
00:24:14,149 --> 00:24:11,760  
is the only way that we can get our way

682  
00:24:15,430 --> 00:24:14,159  
get out of this pandemic and there's no

683  
00:24:17,110 --> 00:24:15,440  
debate about it and we're just going to

684  
00:24:18,789 --> 00:24:17,120  
completely throw your constitutions in

685  
00:24:20,789 --> 00:24:18,799  
the trash bin

686  
00:24:23,190 --> 00:24:20,799  
well that means that okay we can't

687  
00:24:25,269 --> 00:24:23,200  
really fully just blindly trust the

688  
00:24:27,669 --> 00:24:25,279

media we can't fully blindly trust these

689

00:24:29,990 --> 00:24:27,679

institutions of science we can't fully

690

00:24:31,669 --> 00:24:30,000

blindly trust what we're being told so

691

00:24:34,310 --> 00:24:31,679

that means we have to take that

692

00:24:36,630 --> 00:24:34,320

responsibility back and become our own

693

00:24:38,710 --> 00:24:36,640

scientists our own

694

00:24:40,870 --> 00:24:38,720

media our own researchers our own

695

00:24:42,789 --> 00:24:40,880

journalists because that's what it takes

696

00:24:43,990 --> 00:24:42,799

and that's what i did and when i took

697

00:24:45,669 --> 00:24:44,000

that path

698

00:24:48,310 --> 00:24:45,679

i got the biggest wake-up call of all

699

00:24:51,110 --> 00:24:48,320

about just how bad it is simply because

700

00:24:53,430 --> 00:24:51,120

of how i wasn't just censored i was shut

701  
00:24:55,990 --> 00:24:53,440  
down from paypal i was shut down from my

702  
00:24:58,310 --> 00:24:56,000  
businesses i was attacked personally

703  
00:25:00,070 --> 00:24:58,320  
multiple times been threatened the stuff

704  
00:25:02,470 --> 00:25:00,080  
i've gone through to go on this journey

705  
00:25:04,789 --> 00:25:02,480  
of trying to find the truth about this

706  
00:25:06,630 --> 00:25:04,799  
and call for open debate about this has

707  
00:25:08,230 --> 00:25:06,640  
been mind-blowing and so that kind of

708  
00:25:09,990 --> 00:25:08,240  
tells me that we now need to start

709  
00:25:13,430 --> 00:25:10,000  
getting into understanding human

710  
00:25:14,870 --> 00:25:13,440  
psychology the history of many of these

711  
00:25:16,470 --> 00:25:14,880  
of the history we have to learn the

712  
00:25:18,630 --> 00:25:16,480  
history of science the history of

713  
00:25:19,750 --> 00:25:18,640

government the history of where all this

714

00:25:21,110 --> 00:25:19,760

came from

715

00:25:23,510 --> 00:25:21,120

the mistakes that have been done in the

716

00:25:25,750 --> 00:25:23,520

past and then try to find a way to see

717

00:25:27,990 --> 00:25:25,760

if we can spot those same patterns

718

00:25:29,909 --> 00:25:28,000

happening right now because let me tell

719

00:25:32,149 --> 00:25:29,919

you if we don't learn those lessons of

720

00:25:34,470 --> 00:25:32,159

history and fully understand them and

721

00:25:36,630 --> 00:25:34,480

take back our own minds then we're

722

00:25:38,390 --> 00:25:36,640

doomed to repeat them except this time

723

00:25:40,310 --> 00:25:38,400

it'll be on a scale that we can't even

724

00:25:42,230 --> 00:25:40,320

imagine because what we're facing right

725

00:25:43,750 --> 00:25:42,240

now is not just happening in east

726

00:25:45,350 --> 00:25:43,760

germany it's not just happening in

727

00:25:47,350 --> 00:25:45,360

cambodia it's not just happening in

728

00:25:50,310 --> 00:25:47,360

north korea or germany or the soviet

729

00:25:52,630 --> 00:25:50,320

union this is happening globally this

730

00:25:54,870 --> 00:25:52,640

will affect all of humanity it will

731

00:25:56,310 --> 00:25:54,880

affect the future of humanity so the

732

00:25:59,190 --> 00:25:56,320

fact that they're making all these

733

00:26:00,390 --> 00:25:59,200

decisions and there's no debate about it

734

00:26:02,549 --> 00:26:00,400

and it's

735

00:26:04,470 --> 00:26:02,559

it's it smells to high heaven of all

736

00:26:06,470 --> 00:26:04,480

kinds of corruption and people aren't

737

00:26:07,990 --> 00:26:06,480

even thinking twice about it and they're

738

00:26:10,549 --> 00:26:08,000

jumping to the conclusion that people

739

00:26:12,390 --> 00:26:10,559

like me are dangerous for questioning it

740

00:26:15,350 --> 00:26:12,400

that brings up some alarm bells and so

741

00:26:18,789 --> 00:26:15,360

my job i feel is to keep doing my work

742

00:26:21,190 --> 00:26:18,799

to combat uh that and say no you don't

743

00:26:23,430 --> 00:26:21,200

have to agree with my assessment but can

744

00:26:26,470 --> 00:26:23,440

we agree that it's important that we all

745

00:26:29,190 --> 00:26:26,480

start thinking again and be be following

746

00:26:31,430 --> 00:26:29,200

the actual scientific method to get to

747

00:26:33,590 --> 00:26:31,440

the truth because opinions be damned

748

00:26:34,710 --> 00:26:33,600

alex opinions don't mean anything if

749

00:26:36,789 --> 00:26:34,720

they're wrong

750

00:26:39,029 --> 00:26:36,799

the truth is all that matters so we

751  
00:26:41,110 --> 00:26:39,039  
should at least be pursuing it

752  
00:26:42,870 --> 00:26:41,120  
and working every single day to try to

753  
00:26:43,750 --> 00:26:42,880  
find it because if we don't find that

754  
00:26:45,590 --> 00:26:43,760  
truth

755  
00:26:46,870 --> 00:26:45,600  
uh then we're going to be living a lie

756  
00:26:48,950 --> 00:26:46,880  
and that lie could lead us to our

757  
00:26:51,350 --> 00:26:48,960  
destruction

758  
00:26:54,870 --> 00:26:51,360  
let's play a little clip this is from

759  
00:26:57,110 --> 00:26:54,880  
the trailer of cult of the medics

760  
00:26:59,029 --> 00:26:57,120  
in the early 1900s he made a very

761  
00:27:00,630 --> 00:26:59,039  
interesting statement

762  
00:27:02,310 --> 00:27:00,640  
he said

763  
00:27:04,630 --> 00:27:02,320

i think we're property

764

00:27:06,870 --> 00:27:04,640

i should say we belong to something that

765

00:27:08,870 --> 00:27:06,880

something owns this earth all others

766

00:27:10,789 --> 00:27:08,880

warned off and that all of this has been

767

00:27:13,350 --> 00:27:10,799

known perhaps for ages

768

00:27:15,669 --> 00:27:13,360

to certain ones upon this earth

769

00:27:17,029 --> 00:27:15,679

a cult or order

770

00:27:19,190 --> 00:27:17,039

members of which function like

771

00:27:21,590 --> 00:27:19,200

bellwethers to the rest of us or as

772

00:27:23,190 --> 00:27:21,600

superior slaves or overseers

773

00:27:24,950 --> 00:27:23,200

directing us in accordance with

774

00:27:25,830 --> 00:27:24,960

instructions received from somewhere

775

00:27:29,190 --> 00:27:25,840

else

776

00:27:31,669 --> 00:27:29,200

in our mysterious usefulness

777

00:27:36,230 --> 00:27:31,679

is there anything to this

778

00:27:40,789 --> 00:27:38,789

okay hopefully i can fix that a little

779

00:27:44,470 --> 00:27:40,799

bit that was a little rough

780

00:27:46,470 --> 00:27:44,480

but uh but david so tell us about this

781

00:27:48,230 --> 00:27:46,480

specifically about this documentary

782

00:27:50,789 --> 00:27:48,240

series

783

00:27:53,590 --> 00:27:50,799

where it goes it's very

784

00:27:56,710 --> 00:27:53,600

i don't know it it's tough because i

785

00:27:59,750 --> 00:27:56,720

know if i play that even that opening to

786

00:28:01,830 --> 00:27:59,760

a lot of people i know

787

00:28:05,269 --> 00:28:01,840

they're going to be

788

00:28:06,230 --> 00:28:05,279

one either turned off or too afraid and

789

00:28:07,990 --> 00:28:06,240

maybe

790

00:28:10,470 --> 00:28:08,000

that where that hits

791

00:28:12,149 --> 00:28:10,480

is the same place because i think a lot

792

00:28:13,510 --> 00:28:12,159

of people turn away from this

793

00:28:16,389 --> 00:28:13,520

information

794

00:28:19,190 --> 00:28:16,399

because it really does strike them on

795

00:28:20,710 --> 00:28:19,200

some level that they can't totally

796

00:28:23,430 --> 00:28:20,720

process

797

00:28:27,350 --> 00:28:23,440

as probably being true and that's super

798

00:28:30,470 --> 00:28:27,360

super scary so how do you deal with the

799

00:28:32,630 --> 00:28:30,480

very unsettling part of this for a lot

800

00:28:34,549 --> 00:28:32,640

of people

801  
00:28:38,070 --> 00:28:34,559  
it's a good question i'm glad you asked

802  
00:28:40,950 --> 00:28:38,080  
it that first trailer was designed to be

803  
00:28:41,830 --> 00:28:40,960  
a cold shower and there's a reason i did

804  
00:28:46,789 --> 00:28:41,840  
that

805  
00:28:49,110 --> 00:28:46,799  
my work is i do my very best to

806  
00:28:51,430 --> 00:28:49,120  
present the information in a big picture

807  
00:28:54,230 --> 00:28:51,440  
way that is going to contain some very

808  
00:28:56,549 --> 00:28:54,240  
scary and dark information

809  
00:28:59,029 --> 00:28:56,559  
however i never leave you hanging i

810  
00:29:01,110 --> 00:28:59,039  
never leave you there that's not at all

811  
00:29:03,110 --> 00:29:01,120  
what my intention is is to just say all

812  
00:29:05,269 --> 00:29:03,120  
right guys i got a whole bunch of bad

813  
00:29:07,430 --> 00:29:05,279

news for you so sit down grab your

814

00:29:09,590 --> 00:29:07,440

popcorn and let's do this uh my

815

00:29:11,110 --> 00:29:09,600

intention is to say

816

00:29:13,269 --> 00:29:11,120

we need to start looking at things

817

00:29:15,430 --> 00:29:13,279

differently we need to start really

818

00:29:18,470 --> 00:29:15,440

analyzing the world in which we live

819

00:29:20,470 --> 00:29:18,480

and putting all these what used to be or

820

00:29:22,149 --> 00:29:20,480

what most people consider separate

821

00:29:24,830 --> 00:29:22,159

threads separate

822

00:29:27,430 --> 00:29:24,840

completely you know self-contained

823

00:29:29,029 --> 00:29:27,440

subjects and my goal is to try to say

824

00:29:31,990 --> 00:29:29,039

what happens when we put all this

825

00:29:33,669 --> 00:29:32,000

information together right it's all fun

826

00:29:35,029 --> 00:29:33,679

and good to look at one subject over

827

00:29:36,710 --> 00:29:35,039

here one day

828

00:29:38,389 --> 00:29:36,720

and then erase it from your memory and

829

00:29:39,909 --> 00:29:38,399

then switch to that subject over there

830

00:29:41,990 --> 00:29:39,919

and that current event over there and

831

00:29:43,350 --> 00:29:42,000

that media media narrative over there

832

00:29:45,190 --> 00:29:43,360

and think of it in

833

00:29:46,549 --> 00:29:45,200

a compartmentalized way where it's

834

00:29:47,909 --> 00:29:46,559

separate

835

00:29:49,750 --> 00:29:47,919

what happens when you put it all

836

00:29:52,230 --> 00:29:49,760

together

837

00:29:54,789 --> 00:29:52,240

let's add some substance there like what

838

00:29:56,389 --> 00:29:54,799

would be some of the different things

839

00:29:59,909 --> 00:29:56,399

that would be in those separate

840

00:30:03,830 --> 00:29:59,919

categories uh pharmaceuticals and the

841

00:30:06,870 --> 00:30:03,840

profiteering the media the pop media a

842

00:30:08,870 --> 00:30:06,880

lady gaga cnn so we have all what are

843

00:30:10,070 --> 00:30:08,880

the so what i just threw out some but

844

00:30:11,830 --> 00:30:10,080

what are the different threads that

845

00:30:14,470 --> 00:30:11,840

you're attempting to

846

00:30:16,470 --> 00:30:14,480

weave together or at least ask us to

847

00:30:19,029 --> 00:30:16,480

weave together

848

00:30:20,950 --> 00:30:19,039

sure yeah very good so i would say let's

849

00:30:23,590 --> 00:30:20,960

start we start with the medical what i'm

850

00:30:25,029 --> 00:30:23,600

calling the medical industrial complex

851  
00:30:26,870 --> 00:30:25,039  
right we've we've heard about the

852  
00:30:28,710 --> 00:30:26,880  
military industrial complex i wasn't the

853  
00:30:31,269 --> 00:30:28,720  
one that coined that term

854  
00:30:33,430 --> 00:30:31,279  
i've got mountains of books of uh what

855  
00:30:35,510 --> 00:30:33,440  
you could call excommunicated doctors

856  
00:30:37,669 --> 00:30:35,520  
and medical researchers that call it

857  
00:30:40,710 --> 00:30:37,679  
that the medical industrial complex well

858  
00:30:42,149 --> 00:30:40,720  
what is that well that is a nightmare to

859  
00:30:45,190 --> 00:30:42,159  
real science is what it is it's an

860  
00:30:47,510 --> 00:30:45,200  
obscenity where you have

861  
00:30:48,950 --> 00:30:47,520  
very few corporations and institutions

862  
00:30:50,630 --> 00:30:48,960  
and private

863  
00:30:52,389 --> 00:30:50,640

organizations as well that are

864

00:30:54,389 --> 00:30:52,399

controlling

865

00:30:55,830 --> 00:30:54,399

everything you see here and read in

866

00:30:58,710 --> 00:30:55,840

terms of the media

867

00:31:00,310 --> 00:30:58,720

those same entities have massive shares

868

00:31:02,070 --> 00:31:00,320

in controlling ownership

869

00:31:03,990 --> 00:31:02,080

in the medical field which would

870

00:31:04,950 --> 00:31:04,000

encompass the pharmaceutical industry

871

00:31:06,149 --> 00:31:04,960

right

872

00:31:07,909 --> 00:31:06,159

and then that leaks into the

873

00:31:10,149 --> 00:31:07,919

universities where scientists and

874

00:31:12,230 --> 00:31:10,159

doctors are getting their educations

875

00:31:14,789 --> 00:31:12,240

right i had uh

876

00:31:16,310 --> 00:31:14,799

dr marcia angel who was formerly the

877

00:31:18,549 --> 00:31:16,320

editor of the new england journal of

878

00:31:21,029 --> 00:31:18,559

medicine she retired and she now does

879

00:31:23,430 --> 00:31:21,039

public speaking she wrote a book where

880

00:31:25,430 --> 00:31:23,440

she was basically talking about how

881

00:31:27,190 --> 00:31:25,440

pharma has corrupted medical science and

882

00:31:28,950 --> 00:31:27,200

she watched it firsthand

883

00:31:30,149 --> 00:31:28,960

over two decades being one of the chief

884

00:31:32,470 --> 00:31:30,159

editors of the new england journal of

885

00:31:35,269 --> 00:31:32,480

medicine hold on because you got so much

886

00:31:38,149 --> 00:31:35,279

stuff but sometimes i think the these

887

00:31:40,310 --> 00:31:38,159

sound bites people just dismiss them

888

00:31:41,430 --> 00:31:40,320

because they sound too fantastic again

889

00:31:43,509 --> 00:31:41,440

i'm

890

00:31:45,590 --> 00:31:43,519

trying to talk to a different audience

891

00:31:47,750 --> 00:31:45,600

right now it's not really my audience my

892

00:31:50,310 --> 00:31:47,760

aunts gets that but when i listen to

893

00:31:53,509 --> 00:31:50,320

your stuff i'm like he needs to take a

894

00:31:55,909 --> 00:31:53,519

step back like what did you learn

895

00:31:58,389 --> 00:31:55,919

about what she learned about the new

896

00:32:01,269 --> 00:31:58,399

england journal of medicine and how they

897

00:32:02,710 --> 00:32:01,279

actually do that how do they get it how

898

00:32:04,549 --> 00:32:02,720

do they corrupt

899

00:32:05,750 --> 00:32:04,559

medical science in that way right do you

900

00:32:07,269 --> 00:32:05,760

remember from the interview because i

901  
00:32:09,350 --> 00:32:07,279  
remember some of the things

902  
00:32:11,350 --> 00:32:09,360  
yeah no and i appreciate that so what

903  
00:32:12,950 --> 00:32:11,360  
she learned is that it's all funded

904  
00:32:14,310 --> 00:32:12,960  
science and not that there's anything

905  
00:32:15,909 --> 00:32:14,320  
wrong with funding science but the

906  
00:32:18,070 --> 00:32:15,919  
problem is is where's the funding coming

907  
00:32:20,310 --> 00:32:18,080  
from and does that ever end up uh

908  
00:32:21,830 --> 00:32:20,320  
conflicting with the process of science

909  
00:32:24,630 --> 00:32:21,840  
which is what she discovered as being

910  
00:32:26,950 --> 00:32:24,640  
the truth and i urge people to at least

911  
00:32:29,190 --> 00:32:26,960  
watch that first chapter it's her

912  
00:32:32,149 --> 00:32:29,200  
section is about halfway through

913  
00:32:35,029 --> 00:32:32,159

and she goes through how we've had many

914

00:32:37,029 --> 00:32:35,039

many instances where uh you know she

915

00:32:39,430 --> 00:32:37,039

gets into representative billy townsend

916

00:32:42,950 --> 00:32:39,440

who was this i think he was a republican

917

00:32:45,110 --> 00:32:42,960

senator who was basically paid off

918

00:32:46,630 --> 00:32:45,120

by the in one of the largest amounts by

919

00:32:50,070 --> 00:32:46,640

some of these pharmaceutical companies

920

00:32:52,310 --> 00:32:50,080

to pass certain bills into law or into

921

00:32:54,310 --> 00:32:52,320

into uh put it into congress and get it

922

00:32:56,070 --> 00:32:54,320

passed in order to protect the interests

923

00:32:59,110 --> 00:32:56,080

of these pharmaceutical companies who've

924

00:33:02,070 --> 00:32:59,120

been engaged in fraud in shredding

925

00:33:04,310 --> 00:33:02,080

documents in silencing uh whistleblowers

926  
00:33:06,870 --> 00:33:04,320  
in you know actually being responsible

927  
00:33:09,029 --> 00:33:06,880  
for conducting illegal experimentation

928  
00:33:11,269 --> 00:33:09,039  
like in the case of pfizer for example

929  
00:33:13,430 --> 00:33:11,279  
has you know they're guilty of being

930  
00:33:15,430 --> 00:33:13,440  
literally the number one criminal

931  
00:33:18,389 --> 00:33:15,440  
the top criminal fine in human history

932  
00:33:20,710 --> 00:33:18,399  
was laid on pfizer uh by the the state

933  
00:33:22,630 --> 00:33:20,720  
department and numerous other fines for

934  
00:33:24,310 --> 00:33:22,640  
you know like testing drugs on nigerian

935  
00:33:25,909 --> 00:33:24,320  
children without their parents knowledge

936  
00:33:27,430 --> 00:33:25,919  
there was all kinds of

937  
00:33:30,310 --> 00:33:27,440  
injuries and deaths as associated with

938  
00:33:32,630 --> 00:33:30,320

that nigerian court they they got

939

00:33:34,710 --> 00:33:32,640

brought into nigerian court and had to

940

00:33:36,710 --> 00:33:34,720

settle that case uh to the tune of

941

00:33:38,470 --> 00:33:36,720

millions hundreds of millions of dollars

942

00:33:40,710 --> 00:33:38,480

and this has gone on for decades and

943

00:33:43,110 --> 00:33:40,720

decades and that's only one company and

944

00:33:45,029 --> 00:33:43,120

so you know the whole point of her work

945

00:33:47,669 --> 00:33:45,039

and so many other i bring in so many

946

00:33:50,230 --> 00:33:47,679

different people into this to show you

947

00:33:52,710 --> 00:33:50,240

that we have to really question who

948

00:33:53,830 --> 00:33:52,720

we're trusting right now and i

949

00:33:57,029 --> 00:33:53,840

personally

950

00:33:58,710 --> 00:33:57,039

just don't trust people who are

951  
00:34:00,870 --> 00:33:58,720  
they have a criminal track record i just

952  
00:34:03,430 --> 00:34:00,880  
can't blindly trust them that they're

953  
00:34:06,230 --> 00:34:03,440  
doing honest you know well-intentioned

954  
00:34:08,149 --> 00:34:06,240  
work when they continually commit these

955  
00:34:10,149 --> 00:34:08,159  
types of crimes and continually engage

956  
00:34:11,829 --> 00:34:10,159  
in this kind of fraud so that's one

957  
00:34:14,389 --> 00:34:11,839  
aspect of what we're covering in cult of

958  
00:34:16,950 --> 00:34:14,399  
the medics is sort of the modern medical

959  
00:34:20,069 --> 00:34:16,960  
pharmaceutical complex

960  
00:34:21,589 --> 00:34:20,079  
the money behind it uh my take and some

961  
00:34:23,510 --> 00:34:21,599  
of the experts i bring on their take

962  
00:34:27,430 --> 00:34:23,520  
about what could be possibly motivating

963  
00:34:29,510 --> 00:34:27,440

that um and then we also bring in this

964

00:34:31,349 --> 00:34:29,520

esoteric side of it into this series

965

00:34:33,669 --> 00:34:31,359

which is this idea of cults you know

966

00:34:35,589 --> 00:34:33,679

what's a cult and people might get sort

967

00:34:36,950 --> 00:34:35,599

of their hackles up when they hear cult

968

00:34:38,230 --> 00:34:36,960

of the medics what are the how the hell

969

00:34:39,990 --> 00:34:38,240

are you talking about aren't doctors

970

00:34:41,829 --> 00:34:40,000

there to do good in the world david what

971

00:34:43,990 --> 00:34:41,839

was it like for you

972

00:34:47,270 --> 00:34:44,000

to make that leap for the first time

973

00:34:48,869 --> 00:34:47,280

because like the greedy part we all get

974

00:34:51,349 --> 00:34:48,879

and we only get it on like a personal

975

00:34:53,510 --> 00:34:51,359

level you go to get your car repaired

976  
00:34:55,510 --> 00:34:53,520  
and you go on yelp and you find a guy

977  
00:34:57,190 --> 00:34:55,520  
who has a bunch of good reviews and you

978  
00:34:58,790 --> 00:34:57,200  
go to him and then you find out all the

979  
00:35:00,230 --> 00:34:58,800  
reviews are fake and he paid a bunch of

980  
00:35:02,230 --> 00:35:00,240  
people to do them and he's really a

981  
00:35:04,310 --> 00:35:02,240  
shyster and he rips you off and we go

982  
00:35:06,790 --> 00:35:04,320  
dang i know that stuff happened but it

983  
00:35:09,030 --> 00:35:06,800  
happened to me right so then you go into

984  
00:35:11,190 --> 00:35:09,040  
medical and then you see you know

985  
00:35:14,069 --> 00:35:11,200  
purdue or you see pfizer and you see it

986  
00:35:16,790 --> 00:35:14,079  
pulling off these massive scams billions

987  
00:35:18,470 --> 00:35:16,800  
of dollars creating you know all these

988  
00:35:19,750 --> 00:35:18,480

drug addicts and people who commit

989

00:35:21,589 --> 00:35:19,760

suicide and they don't give a

990

00:35:23,109 --> 00:35:21,599

they're just out for make the money and

991

00:35:24,470 --> 00:35:23,119

then they interview the vp of sales and

992

00:35:26,390 --> 00:35:24,480

he's like i'm sorry man i was just

993

00:35:28,470 --> 00:35:26,400

trying to you know put food on the table

994

00:35:29,990 --> 00:35:28,480

and i want to get a new bmw for my wife

995

00:35:32,390 --> 00:35:30,000

and we go you know that's a horrible

996

00:35:34,790 --> 00:35:32,400

thing you did but we get it and then you

997

00:35:35,990 --> 00:35:34,800

talk about the cults and we're like

998

00:35:38,950 --> 00:35:36,000

whoa

999

00:35:41,750 --> 00:35:38,960

wait a minute i i didn't see that one

1000

00:35:45,109 --> 00:35:41,760

coming i mean i got the greedy guy with

1001

00:35:46,870 --> 00:35:45,119

the bmw what's the cult thing

1002

00:35:48,550 --> 00:35:46,880

yes and it's funny you brought up the

1003

00:35:50,390 --> 00:35:48,560

car mechanic thing because wasn't that

1004

00:35:51,990 --> 00:35:50,400

one of the arguments that was used to

1005

00:35:53,349 --> 00:35:52,000

dissuade anybody from questioning

1006

00:35:55,270 --> 00:35:53,359

doctors or scientists during the

1007

00:35:57,270 --> 00:35:55,280

pandemic was most people were sort of

1008

00:35:59,190 --> 00:35:57,280

repeating the media line which was well

1009

00:36:01,030 --> 00:35:59,200

you're not a mechanic so why would you

1010

00:36:02,630 --> 00:36:01,040

uh why wouldn't you trust an actual

1011

00:36:04,150 --> 00:36:02,640

expert that knows how to fix your car

1012

00:36:06,390 --> 00:36:04,160

and they're relating that to trust the

1013

00:36:07,829 --> 00:36:06,400

science trust the doctors right uh but

1014

00:36:09,670 --> 00:36:07,839

then you just brought up an example

1015

00:36:11,670 --> 00:36:09,680

about how you know i'm sure there's many

1016

00:36:13,190 --> 00:36:11,680

times where some car mechanics or some

1017

00:36:15,349 --> 00:36:13,200

you know people that work on your car

1018

00:36:16,710 --> 00:36:15,359

might embellish some of the problems of

1019

00:36:18,710 --> 00:36:16,720

your vehicle in order to make some more

1020

00:36:20,950 --> 00:36:18,720

money or you know people can relate to

1021

00:36:22,710 --> 00:36:20,960

that as you say and most people are very

1022

00:36:24,390 --> 00:36:22,720

comfortable with the idea that this is

1023

00:36:26,470 --> 00:36:24,400

just all about the pharmaceutical

1024

00:36:28,349 --> 00:36:26,480

industry and these vanguard blackrock

1025

00:36:30,710 --> 00:36:28,359

you know state street

1026

00:36:31,990 --> 00:36:30,720

multi-trillion dollar corporations just

1027

00:36:33,510 --> 00:36:32,000

trying to make more money i mean that's

1028

00:36:36,230 --> 00:36:33,520

that's got to be what it's all about

1029

00:36:38,310 --> 00:36:36,240

right well this series challenges that

1030

00:36:40,390 --> 00:36:38,320

and i tell people i'm like you could

1031

00:36:43,109 --> 00:36:40,400

part ways with me on the cult thing if

1032

00:36:45,430 --> 00:36:43,119

you wanted to you know but stay tuned um

1033

00:36:46,950 --> 00:36:45,440

and we could just keep it where you're

1034

00:36:48,870 --> 00:36:46,960

that where you're at which is this is

1035

00:36:50,630 --> 00:36:48,880

just about some greed this is just about

1036

00:36:51,829 --> 00:36:50,640

some corruption and people just want to

1037

00:36:53,430 --> 00:36:51,839

make some money and they don't care

1038

00:36:55,190 --> 00:36:53,440

about the carnage they're causing right

1039

00:36:58,470 --> 00:36:55,200

or the assault on freedom that they're

1040

00:36:59,829 --> 00:36:58,480

causing but i argue that you know just

1041

00:37:01,670 --> 00:36:59,839

because i've been looking at so many of

1042

00:37:03,030 --> 00:37:01,680

these different things that that's

1043

00:37:05,589 --> 00:37:03,040

really only

1044

00:37:06,870 --> 00:37:05,599

something that's put in place

1045

00:37:09,910 --> 00:37:06,880

in my opinion

1046

00:37:12,069 --> 00:37:09,920

to keep this compartmentalized system

1047

00:37:14,230 --> 00:37:12,079

running you know a lot of it's been said

1048

00:37:16,630 --> 00:37:14,240

that the criminal world the black market

1049

00:37:18,630 --> 00:37:16,640

criminal mafia world is run off of

1050

00:37:20,630 --> 00:37:18,640

blackmail right

1051

00:37:22,790 --> 00:37:20,640

you know which in blackmail would be

1052

00:37:24,790 --> 00:37:22,800

they've got some dirt on you and so they

1053

00:37:26,630 --> 00:37:24,800

use that as leverage to keep you in line

1054

00:37:27,910 --> 00:37:26,640

if you ever grow a conscience and decide

1055

00:37:30,150 --> 00:37:27,920

that you want to say something that you

1056

00:37:31,510 --> 00:37:30,160

shouldn't say jeffrey epstein i made

1057

00:37:33,109 --> 00:37:31,520

right yeah

1058

00:37:35,190 --> 00:37:33,119

exactly and we've got you know jazlane

1059

00:37:36,710 --> 00:37:35,200

maxwell's trial on deck november 29th so

1060

00:37:38,390 --> 00:37:36,720

stay tuned for that and i hope everybody

1061

00:37:40,310 --> 00:37:38,400

pays just as much attention to that as

1062

00:37:42,790 --> 00:37:40,320

they did to the kyle written house case

1063

00:37:44,950 --> 00:37:42,800

but that's a different subject so

1064

00:37:47,109 --> 00:37:44,960

the way i'm looking at it is this for

1065

00:37:49,270 --> 00:37:47,119

people that maybe i know you're gonna

1066

00:37:51,109 --> 00:37:49,280

people will feel uneasy with what i'm

1067

00:37:52,870 --> 00:37:51,119

going to say here but that doesn't mean

1068

00:37:55,829 --> 00:37:52,880

it isn't true and that's all i have to

1069

00:37:58,069 --> 00:37:55,839

say about it is this part of this thesis

1070

00:38:00,470 --> 00:37:58,079

or this idea that i'm rolling out

1071

00:38:03,190 --> 00:38:00,480

um comes from my personal

1072

00:38:05,829 --> 00:38:03,200

research for decades now i've done this

1073

00:38:07,589 --> 00:38:05,839

since i was very young because i saw

1074

00:38:09,349 --> 00:38:07,599

cults happening around me i had some

1075

00:38:11,030 --> 00:38:09,359

personal experiences

1076

00:38:12,870 --> 00:38:11,040

growing up and i knew a lot of people

1077

00:38:13,829 --> 00:38:12,880

growing up and it got my curiosity right

1078

00:38:15,030 --> 00:38:13,839

away

1079

00:38:19,190 --> 00:38:15,040

and

1080

00:38:20,790 --> 00:38:19,200

should probably just quickly define it

1081

00:38:23,030 --> 00:38:20,800

if you look at a cult

1082

00:38:24,790 --> 00:38:23,040

a cult essentially is a group or a

1083

00:38:26,790 --> 00:38:24,800

movement that's exhibiting a great or

1084

00:38:29,030 --> 00:38:26,800

excessive devotion or dedication to some

1085

00:38:30,870 --> 00:38:29,040

person idea or thing and employing

1086

00:38:33,349 --> 00:38:30,880

unethically manipulative techniques of

1087

00:38:36,630 --> 00:38:33,359

persuasion and control examples would be

1088

00:38:39,190 --> 00:38:36,640

isolation from former friends or family

1089

00:38:41,190 --> 00:38:39,200

debilitation use of special methods to

1090

00:38:42,550 --> 00:38:41,200

heighten suggestibility and subservience

1091

00:38:45,030 --> 00:38:42,560

here's your media

1092

00:38:46,470 --> 00:38:45,040

powerful group pressure

1093

00:38:48,950 --> 00:38:46,480

wear the mask or otherwise you're going

1094

00:38:50,870 --> 00:38:48,960

to kill everybody uh promotion of total

1095

00:38:52,870 --> 00:38:50,880

dependency on the group for fear of

1096

00:38:54,790 --> 00:38:52,880

leaving it so they've got this whole in

1097

00:38:57,030 --> 00:38:54,800

cults they play on this tribal instinct

1098

00:38:59,910 --> 00:38:57,040

that we all have to be accepted by our

1099

00:39:02,069 --> 00:38:59,920

community uh and it's designed the cult

1100

00:39:04,310 --> 00:39:02,079

is designed to advance the goals of the

1101  
00:39:05,670 --> 00:39:04,320  
group's leaders to the actual or

1102  
00:39:08,710 --> 00:39:05,680  
possible detriment of the members their

1103  
00:39:10,310 --> 00:39:08,720  
families or their community so

1104  
00:39:12,069 --> 00:39:10,320  
yeah it's just a basic definition

1105  
00:39:13,670 --> 00:39:12,079  
there's many i i've given in in the

1106  
00:39:15,990 --> 00:39:13,680  
series i've probably given about four or

1107  
00:39:17,829 --> 00:39:16,000  
five different definitions of cults and

1108  
00:39:19,990 --> 00:39:17,839  
then we get into the examples of cults

1109  
00:39:21,750 --> 00:39:20,000  
alex okay so hold on hold on though okay

1110  
00:39:25,030 --> 00:39:21,760  
go ahead you just made i think a

1111  
00:39:27,510 --> 00:39:25,040  
fantastic point that i try and make with

1112  
00:39:30,310 --> 00:39:27,520  
people all the time again people very

1113  
00:39:31,030 --> 00:39:30,320

very close to me and the pushback i get

1114

00:39:36,150 --> 00:39:31,040

is

1115

00:39:38,470 --> 00:39:36,160

a specific definition of cult and here's

1116

00:39:40,470 --> 00:39:38,480

what it is and i'll go into because a

1117

00:39:42,550 --> 00:39:40,480

lot of psychologists have studied this

1118

00:39:45,030 --> 00:39:42,560

and they have all this stuff i think the

1119

00:39:47,750 --> 00:39:45,040

broader definition that you're leading

1120

00:39:51,510 --> 00:39:47,760

us towards is so so important because as

1121

00:39:54,390 --> 00:39:51,520

you mentioned it starts resonating with

1122

00:39:56,630 --> 00:39:54,400

other mind control techniques that we

1123

00:39:58,790 --> 00:39:56,640

are accustomed to and we see happening

1124

00:40:00,470 --> 00:39:58,800

right now and this is what your series

1125

00:40:03,190 --> 00:40:00,480

does it draws

1126  
00:40:07,030 --> 00:40:03,200  
it draws our attention to the fact of

1127  
00:40:07,750 --> 00:40:07,040  
how blurry is that line between

1128  
00:40:13,109 --> 00:40:07,760  
the

1129  
00:40:15,510 --> 00:40:13,119  
cult

1130  
00:40:17,349 --> 00:40:15,520  
and just what we're watching on tv and

1131  
00:40:19,589 --> 00:40:17,359  
what we're watching with put on your

1132  
00:40:22,230 --> 00:40:19,599  
mask and don't take it off until

1133  
00:40:24,790 --> 00:40:22,240  
we tell you to and you're saying

1134  
00:40:26,470 --> 00:40:24,800  
look up guys that line is a lot more

1135  
00:40:27,910 --> 00:40:26,480  
blurry than you think right isn't that's

1136  
00:40:29,510 --> 00:40:27,920  
what i'm getting yeah that's a good

1137  
00:40:31,510 --> 00:40:29,520  
that's a good way of saying it you know

1138  
00:40:32,790 --> 00:40:31,520

and and actually i would i would

1139

00:40:34,870 --> 00:40:32,800

challenge anybody to go and actually

1140

00:40:36,950 --> 00:40:34,880

look up what a cult definition would be

1141

00:40:38,950 --> 00:40:36,960

from any dictionary it doesn't matter

1142

00:40:41,750 --> 00:40:38,960

you put it up on in the lights and you

1143

00:40:43,109 --> 00:40:41,760

you look at it um

1144

00:40:44,870 --> 00:40:43,119

this is where we got to get off the

1145

00:40:46,150 --> 00:40:44,880

whiteboard so to speak i call it the

1146

00:40:47,990 --> 00:40:46,160

whiteboard where we're all drawing

1147

00:40:49,910 --> 00:40:48,000

diagrams and theorizing and thinking and

1148

00:40:52,230 --> 00:40:49,920

calculating and then making opinions

1149

00:40:54,309 --> 00:40:52,240

based off whiteboard stuff i'm a martial

1150

00:40:56,470 --> 00:40:54,319

artist i'm the kind of guy that says

1151  
00:40:57,990 --> 00:40:56,480  
you've got to show me you can't tell me

1152  
00:40:59,990 --> 00:40:58,000  
you can't just come in here and talk a

1153  
00:41:02,150 --> 00:41:00,000  
big game prove it to me you know if you

1154  
00:41:03,990 --> 00:41:02,160  
can if you can demonstrate that you have

1155  
00:41:06,470 --> 00:41:04,000  
a superior idea or that mine isn't

1156  
00:41:08,470 --> 00:41:06,480  
correct i need to know for a fact so

1157  
00:41:11,190 --> 00:41:08,480  
this is where we got to get specific and

1158  
00:41:13,030 --> 00:41:11,200  
specific means um

1159  
00:41:14,390 --> 00:41:13,040  
we need to start looking at examples so

1160  
00:41:17,510 --> 00:41:14,400  
you mentioned

1161  
00:41:19,109 --> 00:41:17,520  
uh you know one cult but what about

1162  
00:41:22,150 --> 00:41:19,119  
these other cults like what about you

1163  
00:41:23,510 --> 00:41:22,160

know a great example that i compare in

1164

00:41:25,829 --> 00:41:23,520

some of these chapters as to what

1165

00:41:27,829 --> 00:41:25,839

happened in jonestown with jim jones you

1166

00:41:30,069 --> 00:41:27,839

know you listen to the rhetoric of jim

1167

00:41:31,829 --> 00:41:30,079

jones you watch some of his sermons um

1168

00:41:33,430 --> 00:41:31,839

and just for those who maybe don't know

1169

00:41:35,589 --> 00:41:33,440

what i'm talking about this was

1170

00:41:37,109 --> 00:41:35,599

basically a cult that was formed by a

1171

00:41:39,990 --> 00:41:37,119

gentleman who started with sort of a

1172

00:41:42,150 --> 00:41:40,000

modern christian vibe uh but had a lot

1173

00:41:44,790 --> 00:41:42,160

of you know you know bring the community

1174

00:41:46,870 --> 00:41:44,800

together let's bring uh black man white

1175

00:41:48,550 --> 00:41:46,880

man asian man all together

1176

00:41:50,950 --> 00:41:48,560

let's have kumbaya let's create a

1177

00:41:53,910 --> 00:41:50,960

community uh you know all that it was

1178

00:41:55,990 --> 00:41:53,920

very socialist kind of minded uh concept

1179

00:41:57,349 --> 00:41:56,000

that went really bad and they all went

1180

00:41:59,750 --> 00:41:57,359

out to guyana

1181

00:42:02,309 --> 00:41:59,760

and uh you know basically made a commune

1182

00:42:04,950 --> 00:42:02,319

and just under a thousand people

1183

00:42:06,870 --> 00:42:04,960

including their children uh drank uh the

1184

00:42:08,470 --> 00:42:06,880

kool-aid knowing that they were going to

1185

00:42:10,550 --> 00:42:08,480

be you know commit they were going to

1186

00:42:12,390 --> 00:42:10,560

commit suicide together and he got them

1187

00:42:13,910 --> 00:42:12,400

to all commit mass suicide

1188

00:42:16,470 --> 00:42:13,920

and there's many details to the story i

1189

00:42:18,150 --> 00:42:16,480

won't belabor it but the the example i

1190

00:42:20,550 --> 00:42:18,160

give is that you had a very charismatic

1191

00:42:24,230 --> 00:42:20,560

person that had what many people

1192

00:42:26,550 --> 00:42:24,240

perceived to be a very um benign uh you

1193

00:42:27,589 --> 00:42:26,560

know hopeful utopian vision

1194

00:42:32,630 --> 00:42:27,599

and

1195

00:42:34,069 --> 00:42:32,640

was sort of a microcosmic experiment of

1196

00:42:36,390 --> 00:42:34,079

what we've seen gone on throughout

1197

00:42:38,309 --> 00:42:36,400

history with many countries and nations

1198

00:42:40,230 --> 00:42:38,319

trying these types of experiments where

1199

00:42:41,910 --> 00:42:40,240

they end up going bad and it's like wow

1200

00:42:43,589 --> 00:42:41,920

that statement of the path to hell is

1201  
00:42:45,829 --> 00:42:43,599  
paved with good intentions you know it's

1202  
00:42:47,829 --> 00:42:45,839  
got a lot of meaning to it so then how

1203  
00:42:48,870 --> 00:42:47,839  
do we how do we call that a cult well

1204  
00:42:51,910 --> 00:42:48,880  
you've got

1205  
00:42:52,710 --> 00:42:51,920  
um so many elements in it that pull at

1206  
00:42:54,710 --> 00:42:52,720  
your

1207  
00:42:57,109 --> 00:42:54,720  
i would call

1208  
00:42:59,030 --> 00:42:57,119  
the naive part of people right

1209  
00:43:00,950 --> 00:42:59,040  
it's the good part of people but

1210  
00:43:03,910 --> 00:43:00,960  
goodness can't be blind let's just put

1211  
00:43:05,510 --> 00:43:03,920  
it like that so if you just wanna you

1212  
00:43:07,750 --> 00:43:05,520  
know all those talking points that if

1213  
00:43:09,829 --> 00:43:07,760

you had a jim jones up there saying hey

1214

00:43:11,510 --> 00:43:09,839

guys we're gonna free the world

1215

00:43:13,190 --> 00:43:11,520

we're gonna come together and get rid of

1216

00:43:14,069 --> 00:43:13,200

all of our racial differences and get

1217

00:43:18,230 --> 00:43:14,079

rid of

1218

00:43:20,870 --> 00:43:18,240

racism and sexism and and homophobia and

1219

00:43:22,390 --> 00:43:20,880

government control and banker control

1220

00:43:24,630 --> 00:43:22,400

and church control and we're going to

1221

00:43:26,550 --> 00:43:24,640

start a new church and a new community

1222

00:43:27,910 --> 00:43:26,560

and we're going to base it off of you

1223

00:43:29,510 --> 00:43:27,920

know you know the greater good for the

1224

00:43:31,270 --> 00:43:29,520

greater number and we're going to work

1225

00:43:34,230 --> 00:43:31,280

together and build this new utopian

1226  
00:43:36,550 --> 00:43:34,240  
world those are ideals that people will

1227  
00:43:39,030 --> 00:43:36,560  
swallow immediately without thinking

1228  
00:43:40,790 --> 00:43:39,040  
because it plays on what i think many of

1229  
00:43:42,790 --> 00:43:40,800  
us want which is we want a better world

1230  
00:43:44,630 --> 00:43:42,800  
we don't want a world full of hatred and

1231  
00:43:47,030 --> 00:43:44,640  
racism and fighting and and all these

1232  
00:43:49,510 --> 00:43:47,040  
kinds of things um but

1233  
00:43:51,030 --> 00:43:49,520  
why does it keep going bad when certain

1234  
00:43:52,950 --> 00:43:51,040  
elements start to play in and that's

1235  
00:43:55,349 --> 00:43:52,960  
where you get into the cult the sort of

1236  
00:43:57,990 --> 00:43:55,359  
the poison in the pot hold on because i

1237  
00:43:59,750 --> 00:43:58,000  
i might tweak that just slightly and i

1238  
00:44:01,990 --> 00:43:59,760

think this fits in more with what you're

1239

00:44:03,589 --> 00:44:02,000

saying if i can kind of redirect it you

1240

00:44:05,910 --> 00:44:03,599

know it's not that the

1241

00:44:08,870 --> 00:44:05,920

road to hell is paved with good

1242

00:44:11,910 --> 00:44:08,880

intentions i think that's incorrect i

1243

00:44:14,150 --> 00:44:11,920

think the road to hell is paved with the

1244

00:44:15,990 --> 00:44:14,160

co-opting of good intentions because

1245

00:44:19,349 --> 00:44:16,000

that's what you're really talking about

1246

00:44:21,910 --> 00:44:19,359

go exploit people's natural desire to be

1247

00:44:24,470 --> 00:44:21,920

good to connect with that moral

1248

00:44:25,990 --> 00:44:24,480

imperative that is in their ears

1249

00:44:27,750 --> 00:44:26,000

even when no one was talking to them

1250

00:44:30,550 --> 00:44:27,760

about religion they knew what right and

1251

00:44:33,109 --> 00:44:30,560

wrong was they knew that you know as you

1252

00:44:35,670 --> 00:44:33,119

said in san francisco that

1253

00:44:37,430 --> 00:44:35,680

the racial divide or the other social

1254

00:44:39,990 --> 00:44:37,440

they knew it shouldn't be there so let's

1255

00:44:41,589 --> 00:44:40,000

go co-op that that's a mind control

1256

00:44:44,390 --> 00:44:41,599

technique but what i think you're

1257

00:44:45,349 --> 00:44:44,400

bringing to this that is really powerful

1258

00:44:48,309 --> 00:44:45,359

is that

1259

00:44:51,109 --> 00:44:48,319

you don't have to look for jim jones

1260

00:44:53,349 --> 00:44:51,119

because a joe biden ain't no cult

1261

00:44:55,270 --> 00:44:53,359

leader nobody's following him nobody

1262

00:44:56,790 --> 00:44:55,280

even showed up to his freaking rallies

1263

00:44:59,910 --> 00:44:56,800

driving a little car in there and said

1264

00:45:02,630 --> 00:44:59,920

in the drive it know what these guys

1265

00:45:05,190 --> 00:45:02,640

have done for a long long time for a

1266

00:45:07,910 --> 00:45:05,200

long long long time is they've taken the

1267

00:45:09,990 --> 00:45:07,920

techniques of mind control which are

1268

00:45:12,710 --> 00:45:10,000

really what the cult is all about and

1269

00:45:13,910 --> 00:45:12,720

they've found different ways to to do it

1270

00:45:17,510 --> 00:45:13,920

and that's what we're talking about here

1271

00:45:18,870 --> 00:45:17,520

with with the mask the masking is

1272

00:45:20,630 --> 00:45:18,880

exactly

1273

00:45:23,430 --> 00:45:20,640

an application of what you're talking

1274

00:45:25,750 --> 00:45:23,440

about but you'd be hard-pressed to find

1275

00:45:27,670 --> 00:45:25,760

the figurehead you know the charismatic

1276

00:45:29,430 --> 00:45:27,680

person is doing that do you get what i'm

1277

00:45:31,270 --> 00:45:29,440

saying do you agree with that or yeah

1278

00:45:32,950 --> 00:45:31,280

yeah no it's good yeah and i agree it's

1279

00:45:35,030 --> 00:45:32,960

the co-opting of good intentions i like

1280

00:45:37,109 --> 00:45:35,040

that because that's what it is i wasn't

1281

00:45:38,710 --> 00:45:37,119

uh you know that and that people

1282

00:45:39,990 --> 00:45:38,720

immediately when you say that word

1283

00:45:42,069 --> 00:45:40,000

co-opting

1284

00:45:44,230 --> 00:45:42,079

you're insinuating conspiracy right away

1285

00:45:46,230 --> 00:45:44,240

and that that very thing will will make

1286

00:45:47,990 --> 00:45:46,240

people go well it can't be but is it

1287

00:45:50,390 --> 00:45:48,000

that it can't be or is it that we don't

1288

00:45:52,309 --> 00:45:50,400

want it to be and which one you know

1289

00:45:53,750 --> 00:45:52,319

what what really matters here so when we

1290

00:45:58,710 --> 00:45:53,760

talk about

1291

00:45:59,910 --> 00:45:58,720

history of of many of these institutions

1292

00:46:00,870 --> 00:45:59,920

and many of these examples we could

1293

00:46:01,750 --> 00:46:00,880

bring up

1294

00:46:04,069 --> 00:46:01,760

um

1295

00:46:05,829 --> 00:46:04,079

there's nothing but a track record of

1296

00:46:07,270 --> 00:46:05,839

that throughout history right and so why

1297

00:46:09,670 --> 00:46:07,280

we're still so

1298

00:46:11,910 --> 00:46:09,680

naive to it leads us to the question of

1299

00:46:13,990 --> 00:46:11,920

psychology which is why don't we want to

1300

00:46:15,990 --> 00:46:14,000

see it right why don't we want to see

1301  
00:46:17,349 --> 00:46:16,000  
the wolf in sheep's clothing if i come

1302  
00:46:18,710 --> 00:46:17,359  
out and say hey guys it's a wolf in

1303  
00:46:20,390 --> 00:46:18,720  
sheep's clothing this whole thing

1304  
00:46:21,270 --> 00:46:20,400  
they're telling you it's all about their

1305  
00:46:22,870 --> 00:46:21,280  
what do they give what are they

1306  
00:46:24,870 --> 00:46:22,880  
promising you with this vaccine they're

1307  
00:46:27,670 --> 00:46:24,880  
promising you the same thing religion

1308  
00:46:29,670 --> 00:46:27,680  
promised you salvation eternal life uh

1309  
00:46:30,470 --> 00:46:29,680  
you know in this transhumanism stuff as

1310  
00:46:31,990 --> 00:46:30,480  
well

1311  
00:46:33,510 --> 00:46:32,000  
they're promising you very similar

1312  
00:46:35,109 --> 00:46:33,520  
things that religions and cults have

1313  
00:46:36,470 --> 00:46:35,119

been promising you for thousands and

1314

00:46:39,589 --> 00:46:36,480

thousands of years

1315

00:46:41,349 --> 00:46:39,599

and uh so when i point that out and i go

1316

00:46:43,670 --> 00:46:41,359

it's a wolf in sheep's clothing just

1317

00:46:45,270 --> 00:46:43,680

like it has been many many times before

1318

00:46:47,670 --> 00:46:45,280

we better start catching on to this

1319

00:46:49,589 --> 00:46:47,680

trend that keeps happening you know

1320

00:46:51,990 --> 00:46:49,599

people they get their hackles up not

1321

00:46:53,670 --> 00:46:52,000

because maybe like you said on a logical

1322

00:46:55,109 --> 00:46:53,680

basis they don't agree or they they

1323

00:46:56,630 --> 00:46:55,119

can't obviously see what i'm talking

1324

00:46:59,030 --> 00:46:56,640

about but it's because there's a part of

1325

00:47:01,270 --> 00:46:59,040

them that wants to deny that and doesn't

1326

00:47:03,589 --> 00:47:01,280

want to admit that that level of evil

1327

00:47:05,030 --> 00:47:03,599

and corruption exists in the world and

1328

00:47:06,790 --> 00:47:05,040

and that's where we have to have those

1329

00:47:09,510 --> 00:47:06,800

conversations so that's why when i do my

1330

00:47:11,589 --> 00:47:09,520

work it's a it's partly confrontational

1331

00:47:13,510 --> 00:47:11,599

but it's also i do

1332

00:47:15,109 --> 00:47:13,520

bring you back around and say hey it's

1333

00:47:16,710 --> 00:47:15,119

not all hopeless

1334

00:47:19,349 --> 00:47:16,720

we don't have to live in fear of all

1335

00:47:20,390 --> 00:47:19,359

these things but if we're not aware that

1336

00:47:22,630 --> 00:47:20,400

there are

1337

00:47:24,790 --> 00:47:22,640

there's a predatory force on this planet

1338

00:47:26,870 --> 00:47:24,800

we'll call it what you want right it it

1339

00:47:29,030 --> 00:47:26,880

shows up in certain people in certain

1340

00:47:30,470 --> 00:47:29,040

times in history here and there

1341

00:47:31,910 --> 00:47:30,480

it's showing up in probably people you

1342

00:47:33,589 --> 00:47:31,920

know in your friendship circles when

1343

00:47:35,910 --> 00:47:33,599

you're saying hey i want to think for

1344

00:47:37,430 --> 00:47:35,920

myself maybe i don't want to wear that

1345

00:47:39,510 --> 00:47:37,440

mask because i don't want to inhale my

1346

00:47:40,790 --> 00:47:39,520

own co2 and my own micro bacteria and i

1347

00:47:42,710 --> 00:47:40,800

don't think it really works and i think

1348

00:47:44,950 --> 00:47:42,720

it's more about like you said a form of

1349

00:47:46,950 --> 00:47:44,960

mind control um and getting people into

1350

00:47:47,829 --> 00:47:46,960

submission and bringing on religious

1351

00:47:49,430 --> 00:47:47,839

garb

1352

00:47:51,430 --> 00:47:49,440

that's what i see it as is you know this

1353

00:47:53,990 --> 00:47:51,440

whole you've got to cross the threshold

1354

00:47:55,910 --> 00:47:54,000

into you know target and you have to

1355

00:47:57,910 --> 00:47:55,920

anoint yourself with the holy oil of the

1356

00:47:59,670 --> 00:47:57,920

hand sanitizer and then you have to dawn

1357

00:48:01,670 --> 00:47:59,680

the proper religious garb to go into

1358

00:48:02,790 --> 00:48:01,680

certain places and you have to say

1359

00:48:04,309 --> 00:48:02,800

certain things you have to believe

1360

00:48:05,910 --> 00:48:04,319

certain things and if you speak out of

1361

00:48:08,470 --> 00:48:05,920

line you're ostracized from the

1362

00:48:10,069 --> 00:48:08,480

community you're punished by the new

1363

00:48:12,870 --> 00:48:10,079

church of the modern world which is the

1364

00:48:15,990 --> 00:48:12,880

world health organization the cdc pfizer

1365

00:48:17,990 --> 00:48:16,000

and all this and so you go well there's

1366

00:48:19,589 --> 00:48:18,000

so many elements there that i've just

1367

00:48:21,670 --> 00:48:19,599

listed that if you really

1368

00:48:23,430 --> 00:48:21,680

i'm not speaking hyperbolically you can

1369

00:48:25,589 --> 00:48:23,440

you can fact check me on that that

1370

00:48:28,230 --> 00:48:25,599

that's how they're behaving and so when

1371

00:48:30,069 --> 00:48:28,240

i look at examples of jim jones heaven's

1372

00:48:32,950 --> 00:48:30,079

gate process church of the final

1373

00:48:35,109 --> 00:48:32,960

judgment uh the sun the solar cult of

1374

00:48:36,950 --> 00:48:35,119

the of this new templar order that came

1375

00:48:38,150 --> 00:48:36,960

out of montreal back in the day where

1376

00:48:40,470 --> 00:48:38,160

they had people committing mass

1377

00:48:43,349 --> 00:48:40,480

ritualistic suicide always for some

1378

00:48:45,109 --> 00:48:43,359

ideal always for some you know higher uh

1379

00:48:47,190 --> 00:48:45,119

way of of being you know creating

1380

00:48:49,270 --> 00:48:47,200

goodness in the world of course and then

1381

00:48:51,190 --> 00:48:49,280

i started to take it back and go

1382

00:48:53,990 --> 00:48:51,200

well what if is this new is any of this

1383

00:48:56,390 --> 00:48:54,000

stuff new uh what how how long has this

1384

00:48:59,190 --> 00:48:56,400

been going on let me play a club

1385

00:49:00,950 --> 00:48:59,200

i want to play the clip of the

1386

00:49:02,549 --> 00:49:00,960

oh this is such an awesome club it's

1387

00:49:05,510 --> 00:49:02,559

totally new to me

1388

00:49:06,549 --> 00:49:05,520

it's a guy in the 1700s he's a mason and

1389

00:49:08,790 --> 00:49:06,559

he goes

1390

00:49:11,589 --> 00:49:08,800

the the black magicians have

1391

00:49:13,750 --> 00:49:11,599

co-opted our freemason society let me

1392

00:49:17,910 --> 00:49:13,760

see if i got it if not maybe you can

1393

00:49:19,990 --> 00:49:17,920

direct me to it so we could look at one

1394

00:49:21,190 --> 00:49:20,000

element of what could be called dark or

1395

00:49:22,470 --> 00:49:21,200

black magic

1396

00:49:25,349 --> 00:49:22,480

as being

1397

00:49:27,829 --> 00:49:25,359

the techniques of hypnosis mind control

1398

00:49:29,829 --> 00:49:27,839

subversion of another's will and there's

1399

00:49:31,190 --> 00:49:29,839

another thing that comes to mind when i

1400

00:49:32,470 --> 00:49:31,200

consider this

1401

00:49:33,829 --> 00:49:32,480

which is a quote that comes from the

1402

00:49:35,990 --> 00:49:33,839

duke of brunswick who was one of the

1403

00:49:37,510 --> 00:49:36,000

grand masters of freemasonry in the

1404

00:49:38,870 --> 00:49:37,520

1700s

1405

00:49:41,109 --> 00:49:38,880

and he said

1406

00:49:42,150 --> 00:49:41,119

i have been convinced that we as an

1407

00:49:44,230 --> 00:49:42,160

order

1408

00:49:46,309 --> 00:49:44,240

have come under the power of some very

1409

00:49:48,950 --> 00:49:46,319

evil occult order

1410

00:49:50,230 --> 00:49:48,960

profoundly versed in science both occult

1411

00:49:53,030 --> 00:49:50,240

and otherwise

1412

00:49:56,069 --> 00:49:53,040

okay let me stop it right there there

1413

00:49:59,270 --> 00:49:56,079

this is a dense dense uh documentary

1414

00:50:01,270 --> 00:49:59,280

series so he's up to part five but you

1415

00:50:03,030 --> 00:50:01,280

could be sitting there taking notes if

1416

00:50:04,870 --> 00:50:03,040

you're not aware of this stuff like i

1417

00:50:07,109 --> 00:50:04,880

know a lot of this stuff i'm getting hit

1418

00:50:09,109 --> 00:50:07,119

with a bunch of stuff i didn't know and

1419

00:50:09,910 --> 00:50:09,119

i am scrambling to take notes because i

1420

00:50:11,990 --> 00:50:09,920

check

1421

00:50:13,190 --> 00:50:12,000

people out when they say stuff like that

1422

00:50:16,230 --> 00:50:13,200

because

1423

00:50:17,829 --> 00:50:16,240

good for you that one quote right there

1424

00:50:20,870 --> 00:50:17,839

really really

1425

00:50:24,069 --> 00:50:20,880

says so much about

1426

00:50:27,510 --> 00:50:24,079

one our our desire to do secret

1427

00:50:30,230 --> 00:50:27,520

societies for very understandable

1428

00:50:33,349 --> 00:50:30,240

reasons you know you can get

1429

00:50:35,030 --> 00:50:33,359

mma secret societies to and they had

1430

00:50:37,430 --> 00:50:35,040

them right i mean this is bruce lee

1431

00:50:39,190 --> 00:50:37,440

right we we don't want to reveal our

1432

00:50:40,710 --> 00:50:39,200

secret holds because we don't want our

1433

00:50:41,990 --> 00:50:40,720

secret moves we don't want those to get

1434

00:50:43,430 --> 00:50:42,000

out there and there might even be a good

1435

00:50:47,510 --> 00:50:43,440

reason for that

1436

00:50:50,150 --> 00:50:47,520

but then that secret society aspect

1437

00:50:51,670 --> 00:50:50,160

can be co-opted can be manipulated and

1438

00:50:53,670 --> 00:50:51,680

used in these other ways that we're

1439

00:50:55,349 --> 00:50:53,680

talking about here i'm kind of spinning

1440

00:50:57,190 --> 00:50:55,359

off in a lot of different directions but

1441

00:50:59,910 --> 00:50:57,200

pull us back david to

1442

00:51:01,589 --> 00:50:59,920

all of what you're saying there

1443

00:51:03,670 --> 00:51:01,599

yeah and i'm really i really like that

1444

00:51:05,750 --> 00:51:03,680

clip i put a lot of time into that one

1445

00:51:07,670 --> 00:51:05,760

because you know i've done a lot of this

1446

00:51:09,990 --> 00:51:07,680

kind of research into secret societies

1447

00:51:11,910 --> 00:51:10,000

for a long time and and speaking to

1448

00:51:14,470 --> 00:51:11,920

members within them members outside of

1449

00:51:16,150 --> 00:51:14,480

them researchers uh trying to get a peg

1450

00:51:17,990 --> 00:51:16,160

on it and we don't have all the answers

1451  
00:51:19,270 --> 00:51:18,000  
because it's secret but there are a lot

1452  
00:51:20,950 --> 00:51:19,280  
of things that we do know because

1453  
00:51:23,349 --> 00:51:20,960  
there's been whistleblowers and insiders

1454  
00:51:26,390 --> 00:51:23,359  
that have been coming out for centuries

1455  
00:51:29,030 --> 00:51:26,400  
about this and they're not your local uh

1456  
00:51:33,270 --> 00:51:29,040  
guy working at the pub they are you know

1457  
00:51:35,829 --> 00:51:33,280  
barons princes dukes uh politicians you

1458  
00:51:38,230 --> 00:51:35,839  
know gov government officials military

1459  
00:51:39,750 --> 00:51:38,240  
people medical people we've had insiders

1460  
00:51:41,270 --> 00:51:39,760  
coming out to blow the whistle on the

1461  
00:51:43,589 --> 00:51:41,280  
fact that their institution has been

1462  
00:51:45,270 --> 00:51:43,599  
co-opted uh for a long time you can even

1463  
00:51:47,270 --> 00:51:45,280

think of benjamin disraeli the prime

1464

00:51:49,109 --> 00:51:47,280

minister of england back in the day who

1465

00:51:50,710 --> 00:51:49,119

came out and blew the whistle about how

1466

00:51:53,349 --> 00:51:50,720

he's like there are very different

1467

00:51:55,270 --> 00:51:53,359

personages personages running the world

1468

00:51:55,990 --> 00:51:55,280

events behind the scenes that you don't

1469

00:51:57,670 --> 00:51:56,000

see

1470

00:52:00,230 --> 00:51:57,680

and things like this and i could go on

1471

00:52:01,750 --> 00:52:00,240

and on about admissions from the inside

1472

00:52:03,430 --> 00:52:01,760

about how their institutions were

1473

00:52:07,349 --> 00:52:03,440

corrupted you know the banking industry

1474

00:52:08,230 --> 00:52:07,359

etc so um what where did it begin where

1475

00:52:11,190 --> 00:52:08,240

did this

1476  
00:52:13,750 --> 00:52:11,200  
movement to bring us to where we are now

1477  
00:52:16,630 --> 00:52:13,760  
begin well it didn't just begin in 2019

1478  
00:52:18,309 --> 00:52:16,640  
when they you know went and and started

1479  
00:52:20,470 --> 00:52:18,319  
you know building this narrative about

1480  
00:52:22,549 --> 00:52:20,480  
the pandemic um it didn't even begin

1481  
00:52:24,710 --> 00:52:22,559  
with 9 11. it didn't begin with jfk it

1482  
00:52:27,349 --> 00:52:24,720  
didn't believe in with the world wars it

1483  
00:52:28,549 --> 00:52:27,359  
goes way back and as you said about

1484  
00:52:30,549 --> 00:52:28,559  
secrecy

1485  
00:52:32,630 --> 00:52:30,559  
um there were many good reasons uh

1486  
00:52:34,230 --> 00:52:32,640  
really good reasons for secret societies

1487  
00:52:36,790 --> 00:52:34,240  
if you think about the oppression of the

1488  
00:52:38,790 --> 00:52:36,800

church uh you think about uh the you

1489

00:52:40,710 --> 00:52:38,800

know in different invading empires

1490

00:52:42,470 --> 00:52:40,720

trying to expand their empire

1491

00:52:44,230 --> 00:52:42,480

you want to maintain your knowledge you

1492

00:52:46,710 --> 00:52:44,240

want to keep that knowledge that that

1493

00:52:48,790 --> 00:52:46,720

you have uh protected you know from

1494

00:52:50,390 --> 00:52:48,800

those uh stasi police that are gonna

1495

00:52:51,670 --> 00:52:50,400

come knock on your door or those nazi

1496

00:52:53,430 --> 00:52:51,680

guards that are gonna come knock on your

1497

00:52:55,190 --> 00:52:53,440

door and so you need to hide that

1498

00:52:57,750 --> 00:52:55,200

knowledge so there was good good reasons

1499

00:53:00,390 --> 00:52:57,760

and not all masons are bad many masonry

1500

00:53:02,630 --> 00:53:00,400

as a self just it came from a skill of

1501

00:53:04,069 --> 00:53:02,640

building knowledge of building

1502

00:53:06,390 --> 00:53:04,079

and there was the masons that built

1503

00:53:08,390 --> 00:53:06,400

physical cathedrals and structures and

1504

00:53:10,710 --> 00:53:08,400

then there were the builders of ideas

1505

00:53:12,950 --> 00:53:10,720

and philosophies and religions and and

1506

00:53:13,750 --> 00:53:12,960

and entire civilizations

1507

00:53:16,470 --> 00:53:13,760

and

1508

00:53:18,470 --> 00:53:16,480

so you know it's not all bad but there

1509

00:53:20,230 --> 00:53:18,480

is a bad element because let me just say

1510

00:53:23,109 --> 00:53:20,240

this to people isn't the proof in the

1511

00:53:24,630 --> 00:53:23,119

pudding i mean let's be honest

1512

00:53:26,230 --> 00:53:24,640

just thinking about the medical system i

1513

00:53:28,390 --> 00:53:26,240

was talking about

1514

00:53:31,430 --> 00:53:28,400

we trust these people but under their

1515

00:53:33,829 --> 00:53:31,440

watch we've watched a rise in chronic

1516

00:53:35,589 --> 00:53:33,839

disease and illness uh unlike the world

1517

00:53:36,710 --> 00:53:35,599

has ever seen before now someone will

1518

00:53:38,950 --> 00:53:36,720

come back at me and go yeah but we've

1519

00:53:40,470 --> 00:53:38,960

also seen an improvement in life but

1520

00:53:42,069 --> 00:53:40,480

there's a give and take isn't there

1521

00:53:44,309 --> 00:53:42,079

there's it's not all bad either the

1522

00:53:46,309 --> 00:53:44,319

medical system is not all bad either but

1523

00:53:48,549 --> 00:53:46,319

there's corrupted elements that have led

1524

00:53:50,710 --> 00:53:48,559

to a significant amount of death and

1525

00:53:52,950 --> 00:53:50,720

carnage on the human population that

1526  
00:53:54,549 --> 00:53:52,960  
shouldn't have happened right and so we

1527  
00:53:57,109 --> 00:53:54,559  
have to start asking how did this come

1528  
00:53:58,790 --> 00:53:57,119  
to be and and why and so i went into the

1529  
00:54:00,470 --> 00:53:58,800  
i went right into getting into some of

1530  
00:54:02,150 --> 00:54:00,480  
the secret society stuff and talking

1531  
00:54:03,430 --> 00:54:02,160  
about the illuminati and everything

1532  
00:54:05,910 --> 00:54:03,440  
because

1533  
00:54:08,069 --> 00:54:05,920  
people talk about it now as if it's some

1534  
00:54:10,790 --> 00:54:08,079  
cartoonish fantasy that someone got from

1535  
00:54:12,309 --> 00:54:10,800  
a science fiction movie when um i didn't

1536  
00:54:13,309 --> 00:54:12,319  
just quote like i didn't quote some

1537  
00:54:15,190 --> 00:54:13,319  
conspiracy i didn't go to

1538  
00:54:17,030 --> 00:54:15,200

conspiracytheory.com and quote some

1539

00:54:19,430 --> 00:54:17,040

jacko there i'm quoting the duke of

1540

00:54:21,910 --> 00:54:19,440

brunswick i'm quoting top top sources

1541

00:54:23,589 --> 00:54:21,920

from the inside who were who were who

1542

00:54:25,990 --> 00:54:23,599

actually he actually continues that

1543

00:54:27,910 --> 00:54:26,000

quote to call for the disbandment of

1544

00:54:30,950 --> 00:54:27,920

freemasonry because

1545

00:54:33,109 --> 00:54:30,960

it was so bad it got so purged or so

1546

00:54:35,910 --> 00:54:33,119

infiltrated and i guess because of the

1547

00:54:38,470 --> 00:54:35,920

compartmentalized nature of freemasonry

1548

00:54:40,630 --> 00:54:38,480

it was and it was very much well

1549

00:54:42,789 --> 00:54:40,640

loved by the aristocracy and the elites

1550

00:54:45,750 --> 00:54:42,799

of the time that it became the perfect

1551  
00:54:47,670 --> 00:54:45,760  
cover as albert pike said later on for

1552  
00:54:50,470 --> 00:54:47,680  
uh hiding the machinations of these

1553  
00:54:52,470 --> 00:54:50,480  
criminal operations so um

1554  
00:54:53,750 --> 00:54:52,480  
you know my thing was well if that if if

1555  
00:54:56,549 --> 00:54:53,760  
this guy's blowing the whistle in the

1556  
00:54:59,349 --> 00:54:56,559  
1700s an interesting date because you

1557  
00:55:01,270 --> 00:54:59,359  
know america was founded in 1776 uh so

1558  
00:55:04,150 --> 00:55:01,280  
was the bavarian illuminati by adam vice

1559  
00:55:05,910 --> 00:55:04,160  
shot documented you know take it go fact

1560  
00:55:08,630 --> 00:55:05,920  
check me this isn't conspiracy theory

1561  
00:55:11,109 --> 00:55:08,640  
this was fact the debate happens about

1562  
00:55:12,950 --> 00:55:11,119  
what's the intention behind it right

1563  
00:55:14,230 --> 00:55:12,960

and you know when we're talking about

1564

00:55:16,309 --> 00:55:14,240

these secret groups what's their

1565

00:55:19,349 --> 00:55:16,319

intention and do they still wield power

1566

00:55:20,710 --> 00:55:19,359

or is it all gone well i would just say

1567

00:55:22,150 --> 00:55:20,720

look at the proof in the pudding what

1568

00:55:25,589 --> 00:55:22,160

kind of a world are we living in is the

1569

00:55:28,309 --> 00:55:25,599

world more healthy now is it more free

1570

00:55:31,190 --> 00:55:28,319

is it is there less debt is there less

1571

00:55:34,150 --> 00:55:31,200

government control is there uh more

1572

00:55:36,549 --> 00:55:34,160

prosperity are people living longer

1573

00:55:38,230 --> 00:55:36,559

maybe in some places yes but you know

1574

00:55:39,910 --> 00:55:38,240

these questions we got to start asking

1575

00:55:42,309 --> 00:55:39,920

because who's

1576  
00:55:44,230 --> 00:55:42,319  
under whose watch is all this happening

1577  
00:55:46,549 --> 00:55:44,240  
but david a lot of people would answer

1578  
00:55:48,710 --> 00:55:46,559  
those questions differently than you're

1579  
00:55:51,829 --> 00:55:48,720  
answering them i can hear

1580  
00:55:54,950 --> 00:55:51,839  
the crowd saying uh yes are we more

1581  
00:55:57,510 --> 00:55:54,960  
prosperous yes are we living longer yes

1582  
00:55:59,750 --> 00:55:57,520  
is there less violence in the world in

1583  
00:56:02,710 --> 00:55:59,760  
in in a lot of respects they would

1584  
00:56:05,750 --> 00:56:02,720  
present data to back that up i almost

1585  
00:56:08,470 --> 00:56:05,760  
see it going in a different direction

1586  
00:56:09,589 --> 00:56:08,480  
lady gaga and you're playing these clips

1587  
00:56:13,430 --> 00:56:09,599  
of this

1588  
00:56:15,349 --> 00:56:13,440

dark dark satanic i mean directly out of

1589

00:56:17,430 --> 00:56:15,359

the most

1590

00:56:20,549 --> 00:56:17,440

tried and true kind of satanic

1591

00:56:23,750 --> 00:56:20,559

principles that says there is a darkness

1592

00:56:26,150 --> 00:56:23,760

there is a force that is the opposite of

1593

00:56:28,390 --> 00:56:26,160

good and it's been there forever and

1594

00:56:30,710 --> 00:56:28,400

these people are seeking a direct

1595

00:56:33,750 --> 00:56:30,720

connection with that i i don't think

1596

00:56:36,150 --> 00:56:33,760

there it takes a leap to to make that

1597

00:56:38,549 --> 00:56:36,160

conclusion it's obvious they're rubbing

1598

00:56:40,789 --> 00:56:38,559

it in your face that they're doing that

1599

00:56:43,829 --> 00:56:40,799

that to me is really the issue not

1600

00:56:45,750 --> 00:56:43,839

counting the bodies this way or that way

1601  
00:56:48,069 --> 00:56:45,760  
not counting the trillions this way or

1602  
00:56:49,829 --> 00:56:48,079  
that way it's

1603  
00:56:51,670 --> 00:56:49,839  
why is lady gaga

1604  
00:56:54,789 --> 00:56:51,680  
dressed in black and then immersed in

1605  
00:56:57,030 --> 00:56:54,799  
blood and then with why what is going on

1606  
00:56:58,789 --> 00:56:57,040  
there on a spiritual level which is

1607  
00:57:00,470 --> 00:56:58,799  
where you're taking us

1608  
00:57:01,670 --> 00:57:00,480  
right right but they would still come

1609  
00:57:02,470 --> 00:57:01,680  
back because no matter what i say

1610  
00:57:03,510 --> 00:57:02,480  
they're going to come back with

1611  
00:57:05,109 --> 00:57:03,520  
something because they just have to go

1612  
00:57:06,710 --> 00:57:05,119  
over to snopes.com and get all the

1613  
00:57:07,829 --> 00:57:06,720

information from them and then that way

1614

00:57:09,670 --> 00:57:07,839

they don't have to really look at it

1615

00:57:11,270 --> 00:57:09,680

themselves you know um but they would

1616

00:57:13,510 --> 00:57:11,280

come back with the lady gaga bingo but

1617

00:57:15,829 --> 00:57:13,520

that's just art alex that's just fashion

1618

00:57:17,510 --> 00:57:15,839

it's just expression uh you know

1619

00:57:19,510 --> 00:57:17,520

expressing the dark side of the human

1620

00:57:21,190 --> 00:57:19,520

psyche and it's a healthy thing and you

1621

00:57:23,190 --> 00:57:21,200

know they're gonna make excuses all

1622

00:57:25,349 --> 00:57:23,200

along the way right

1623

00:57:27,030 --> 00:57:25,359

well but you don't really think so and i

1624

00:57:29,190 --> 00:57:27,040

don't really think so either i think

1625

00:57:31,910 --> 00:57:29,200

there's a lot of people david who are

1626

00:57:34,870 --> 00:57:31,920

immersed in this darkness

1627

00:57:37,109 --> 00:57:34,880

and have uh sought it for whatever

1628

00:57:39,030 --> 00:57:37,119

reasons and we understand that from a

1629

00:57:41,430 --> 00:57:39,040

deep spiritual level and from a

1630

00:57:43,990 --> 00:57:41,440

psychological level there's reasons why

1631

00:57:47,030 --> 00:57:44,000

people connect people are wounded people

1632

00:57:48,870 --> 00:57:47,040

feel an energy and a force in them and

1633

00:57:51,349 --> 00:57:48,880

it somehow connects them to this

1634

00:57:54,950 --> 00:57:51,359

darkness but i think more there's a lot

1635

00:57:57,030 --> 00:57:54,960

of other people who are of the light who

1636

00:57:59,349 --> 00:57:57,040

are being woken up to this and they're

1637

00:58:01,589 --> 00:57:59,359

shocked because they really haven't seen

1638

00:58:03,750 --> 00:58:01,599

it and they're really not interested in

1639

00:58:07,270 --> 00:58:03,760

what snoops has to say because the first

1640

00:58:09,910 --> 00:58:07,280

time a film like yours fully confronts

1641

00:58:12,630 --> 00:58:09,920

them with the facts in the context that

1642

00:58:14,870 --> 00:58:12,640

you're doing they go oh my god i didn't

1643

00:58:16,390 --> 00:58:14,880

realize that was going on in the same

1644

00:58:17,510 --> 00:58:16,400

way that like we started this interview

1645

00:58:19,510 --> 00:58:17,520

when they go

1646

00:58:22,230 --> 00:58:19,520

i didn't really think a guy who's just

1647

00:58:24,789 --> 00:58:22,240

talking to canadian mounties was being

1648

00:58:26,069 --> 00:58:24,799

banned i didn't know that was happening

1649

00:58:27,829 --> 00:58:26,079

i didn't know they were really burning

1650

00:58:29,670 --> 00:58:27,839

the books in the town square do you know

1651

00:58:30,870 --> 00:58:29,680

what i mean i i think a lot of people

1652

00:58:33,829 --> 00:58:30,880

aren't really

1653

00:58:35,829 --> 00:58:33,839

aware of the darkness

1654

00:58:39,109 --> 00:58:35,839

they're not aware that's is that's what

1655

00:58:40,710 --> 00:58:39,119

i'm really trying to say here is

1656

00:58:42,549 --> 00:58:40,720

you have to be aware of that and you

1657

00:58:44,549 --> 00:58:42,559

have it's like sultan it's said and i

1658

00:58:46,309 --> 00:58:44,559

quoted him in chapter four i did a

1659

00:58:48,069 --> 00:58:46,319

little section dedicated to alexander

1660

00:58:50,230 --> 00:58:48,079

sultanates and he was the author of the

1661

00:58:52,309 --> 00:58:50,240

goulet archipelago and and he came to

1662

00:58:54,390 --> 00:58:52,319

america after the fall of the soviet

1663

00:58:56,069 --> 00:58:54,400

union uh he survived the google eggs in

1664

00:58:58,069 --> 00:58:56,079

russia and watched what happened and

1665

00:59:00,230 --> 00:58:58,079

they say his book was what contributed

1666

00:59:02,870 --> 00:59:00,240

to bringing down uh that system and

1667

00:59:04,789 --> 00:59:02,880

exposing it to the west and he came to

1668

00:59:08,230 --> 00:59:04,799

america and did all kinds of lectures

1669

00:59:10,789 --> 00:59:08,240

talking about uh warning america that

1670

00:59:12,630 --> 00:59:10,799

the same force that slowly and

1671

00:59:15,430 --> 00:59:12,640

methodically took over russia and turned

1672

00:59:17,030 --> 00:59:15,440

it into what it was during that time

1673

00:59:19,430 --> 00:59:17,040

the same signs were showing up in

1674

00:59:21,190 --> 00:59:19,440

america back in the 60s and 70s and so

1675

00:59:23,109 --> 00:59:21,200

he came and were warning america about

1676

00:59:24,549 --> 00:59:23,119

that and and because

1677

00:59:27,109 --> 00:59:24,559

i guess many people didn't want to hear

1678

00:59:29,829 --> 00:59:27,119

it it was too harsh of a reality to

1679

00:59:31,190 --> 00:59:29,839

accept um you know a lot of people kind

1680

00:59:33,829 --> 00:59:31,200

of ignored it

1681

00:59:35,910 --> 00:59:33,839

but you know i say well look at his

1682

00:59:38,150 --> 00:59:35,920

statement on evil he said and he

1683

00:59:39,750 --> 00:59:38,160

experienced it so he should know uh you

1684

00:59:41,589 --> 00:59:39,760

know it'd be nice if we could just point

1685

00:59:43,270 --> 00:59:41,599

our finger at some bunch of shadowy

1686

00:59:44,710 --> 00:59:43,280

people doing evil and say hey they're

1687

00:59:46,789 --> 00:59:44,720

the ones that are responsible for it and

1688

00:59:48,870 --> 00:59:46,799

we just purge them and everything's good

1689

00:59:50,549 --> 00:59:48,880

and and while there are those things he

1690

00:59:52,309 --> 00:59:50,559

said but the thing is that evil strikes

1691

00:59:55,030 --> 00:59:52,319

through the heart of every human being

1692

00:59:57,190 --> 00:59:55,040

and so this becomes a metaphysical uh

1693

01:00:00,230 --> 00:59:57,200

psychological spiritual process as you

1694

01:00:02,069 --> 01:00:00,240

said that inner alchemy to uh purge

1695

01:00:05,670 --> 01:00:02,079

yourself of that and recognize that in

1696

01:00:07,670 --> 01:00:05,680

yourself and um and and work towards you

1697

01:00:10,710 --> 01:00:07,680

know actualizing your potential and and

1698

01:00:11,990 --> 01:00:10,720

bettering yourself etc but um when we

1699

01:00:17,670 --> 01:00:12,000

ignore

1700

01:00:19,430 --> 01:00:17,680

thrives and so when we if i'm bringing

1701

01:00:21,589 --> 01:00:19,440

attention to ancient cults and secret

1702

01:00:23,670 --> 01:00:21,599

societies and and corruption and medical

1703

01:00:25,829 --> 01:00:23,680

mafias and putting it all in a big

1704

01:00:28,309 --> 01:00:25,839

display and saying hey let's look at the

1705

01:00:29,910 --> 01:00:28,319

evil for a second let's look at it just

1706

01:00:31,190 --> 01:00:29,920

enough because i don't beat you over the

1707

01:00:32,710 --> 01:00:31,200

head with it in this series there's a

1708

01:00:35,030 --> 01:00:32,720

lot of footage that i didn't show

1709

01:00:36,630 --> 01:00:35,040

because it's too traumatic i tried to

1710

01:00:38,470 --> 01:00:36,640

keep it at a point where i tested it on

1711

01:00:39,910 --> 01:00:38,480

my wife and i said hey

1712

01:00:41,670 --> 01:00:39,920

you know check it out with me if you

1713

01:00:43,270 --> 01:00:41,680

feel traumatized i'm gonna switch it and

1714

01:00:45,430 --> 01:00:43,280

she would she never felt that way she

1715

01:00:47,430 --> 01:00:45,440

always said i always felt like i now i

1716

01:00:49,030 --> 01:00:47,440

know and and i feel more empowered

1717

01:00:51,510 --> 01:00:49,040

afterwards so that was that's hope that

1718

01:00:53,750 --> 01:00:51,520

was what i'm hoping for but um yeah we

1719

01:00:54,950 --> 01:00:53,760

have to look at evil we have to face it

1720

01:00:57,430 --> 01:00:54,960

and we have to

1721

01:00:59,190 --> 01:00:57,440

realize that it does exist and it's not

1722

01:01:01,030 --> 01:00:59,200

something that's just relegated to one

1723

01:01:02,630 --> 01:01:01,040

group over here one group over there

1724

01:01:05,510 --> 01:01:02,640

it's something that every human being

1725

01:01:09,430 --> 01:01:05,520

alive has the potential to become

1726

01:01:11,670 --> 01:01:09,440

um and it it so if we are blind to it

1727

01:01:13,270 --> 01:01:11,680

happening out in the external world

1728

01:01:15,270 --> 01:01:13,280

there's that's a good indication we're

1729

01:01:17,270 --> 01:01:15,280

most likely also blinded to what might

1730

01:01:19,589 --> 01:01:17,280

be going on inside of each and every one

1731

01:01:21,430 --> 01:01:19,599

of us and so this blind spot that we

1732

01:01:22,950 --> 01:01:21,440

keep seeing in people where i'm like

1733

01:01:24,309 --> 01:01:22,960

here's another example of that here's

1734

01:01:26,789 --> 01:01:24,319

another example of that here's another

1735

01:01:28,630 --> 01:01:26,799

example of that could it be that this is

1736

01:01:31,109 --> 01:01:28,640

something that could be happening now as

1737

01:01:33,270 --> 01:01:31,119

again and people go no no no that's just

1738

01:01:35,349 --> 01:01:33,280

a bunch of crazy paranoid schizophrenic

1739

01:01:37,349 --> 01:01:35,359

stuff that couldn't be it couldn't be

1740

01:01:39,190 --> 01:01:37,359

um i always think of that scene of neo

1741

01:01:40,870 --> 01:01:39,200

in the matrix when he first learns about

1742

01:01:43,190 --> 01:01:40,880

the machine world he first learns about

1743

01:01:44,950 --> 01:01:43,200

the fact that um you know in the matrix

1744

01:01:47,430 --> 01:01:44,960

they realize they're on a farm and

1745

01:01:49,750 --> 01:01:47,440

they're being milked like cattle for

1746

01:01:52,390 --> 01:01:49,760

their essence and basically put into a

1747

01:01:54,390 --> 01:01:52,400

transhumanist prison of the mind

1748

01:01:55,990 --> 01:01:54,400

and you know that that film is more and

1749

01:01:58,549 --> 01:01:56,000

more turning out to be a documentary and

1750

01:02:02,230 --> 01:01:58,559

less of an act of a science fiction film

1751

01:02:03,829 --> 01:02:02,240

and um the reason why is simply because

1752

01:02:05,510 --> 01:02:03,839

we don't want to see the wolf in sheep's

1753

01:02:07,510 --> 01:02:05,520

clothing as i said before we don't want

1754

01:02:08,789 --> 01:02:07,520

to see it so therefore we go

1755

01:02:11,589 --> 01:02:08,799

i don't want to hear it i don't want to

1756

01:02:13,589 --> 01:02:11,599

see it yeah i approve you to be censored

1757

01:02:16,069 --> 01:02:13,599

because what you're saying scares me too

1758

01:02:18,069 --> 01:02:16,079

much and i it's making me think too much

1759

01:02:20,150 --> 01:02:18,079

about about these things so i'd rather

1760

01:02:22,069 --> 01:02:20,160

you just be pushed to the side so i can

1761

01:02:23,750 --> 01:02:22,079

keep going on with my inauthentic way of

1762

01:02:25,990 --> 01:02:23,760

thinking about this and i mean

1763

01:02:27,990 --> 01:02:26,000

inauthentic not as an insult but as a

1764

01:02:29,270 --> 01:02:28,000

way of if you're not taking in the full

1765

01:02:30,069 --> 01:02:29,280

equation

1766

01:02:33,910 --> 01:02:30,079

then

1767

01:02:35,589 --> 01:02:33,920

place in your life and you can't

1768

01:02:38,230 --> 01:02:35,599

possibly be rooted and grounded in truth

1769

01:02:40,870 --> 01:02:38,240

and knowledge and so in order to truly

1770

01:02:43,029 --> 01:02:40,880

go on a path of spiritual awakening

1771

01:02:46,309 --> 01:02:43,039

we have to confront evil and that's the

1772

01:02:47,430 --> 01:02:46,319

bottom line and trust me there's more

1773

01:02:50,710 --> 01:02:47,440

than enough

1774

01:02:53,589 --> 01:02:50,720

to show you that it exists and that um

1775

01:02:55,750 --> 01:02:53,599

it didn't go away after world war ii and

1776

01:02:58,150 --> 01:02:55,760

we won some war and then we freed the

1777

01:02:59,510 --> 01:02:58,160

world forever from tyranny uh because lo

1778

01:03:01,029 --> 01:02:59,520

and behold look what's going on in

1779

01:03:02,870 --> 01:03:01,039

austria look what's going on in

1780

01:03:04,309 --> 01:03:02,880

melbourne australia look what's going

1781

01:03:06,549 --> 01:03:04,319

around the world regardless of anybody's

1782

01:03:08,950 --> 01:03:06,559

opinion on vaccines or masks or

1783

01:03:10,630 --> 01:03:08,960

lockdowns or whatever um

1784

01:03:12,309 --> 01:03:10,640

there's more than enough information out

1785

01:03:14,789 --> 01:03:12,319

there for anybody to get their hands on

1786

01:03:18,710 --> 01:03:14,799

to see that tyranny has risen again

1787

01:03:21,270 --> 01:03:18,720

and it only rises in the place where

1788

01:03:23,430 --> 01:03:21,280

people forget about history and they

1789

01:03:25,349 --> 01:03:23,440

pretend that tyranny is not happening

1790

01:03:27,510 --> 01:03:25,359

they pretend that that kind of evil and

1791

01:03:29,990 --> 01:03:27,520

corruption is not happening if we face

1792

01:03:31,430 --> 01:03:30,000

it that's the cure and the final

1793

01:03:33,910 --> 01:03:31,440

statement i'll put on that was i i

1794

01:03:35,829 --> 01:03:33,920

included a quote in this latest chapter

1795

01:03:37,829 --> 01:03:35,839

from vernon howard where he made a

1796

01:03:39,430 --> 01:03:37,839

stunning statement but i love it so much

1797

01:03:41,829 --> 01:03:39,440

where he said

1798

01:03:43,349 --> 01:03:41,839

uh you know the human sickness he called

1799

01:03:46,630 --> 01:03:43,359

it human sickness that's how he looked

1800

01:03:49,109 --> 01:03:46,640

at evil human sickness is so severe that

1801

01:03:51,990 --> 01:03:49,119

few even bear to look at it

1802

01:03:53,589 --> 01:03:52,000

but he says those who do look at it will

1803

01:03:55,430 --> 01:03:53,599

become well

1804

01:03:57,430 --> 01:03:55,440

and that's the sort of school of hard

1805

01:03:59,349 --> 01:03:57,440

knocks approach that's the tough love

1806

01:04:00,950 --> 01:03:59,359

approach to say i know you don't want to

1807

01:04:03,829 --> 01:04:00,960

look at this i know you don't want to

1808

01:04:05,910 --> 01:04:03,839

know about uh you know blood drinking

1809

01:04:07,190 --> 01:04:05,920

cults and and crazy stuff like that i

1810

01:04:08,549 --> 01:04:07,200

know you don't want to learn about what

1811

01:04:10,309 --> 01:04:08,559

went down in the death camps in the

1812

01:04:11,829 --> 01:04:10,319

concentration camps i know you don't

1813

01:04:14,069 --> 01:04:11,839

want to learn about the history of human

1814

01:04:15,829 --> 01:04:14,079

sacrifice in every civilization in

1815

01:04:18,870 --> 01:04:15,839

history i know you don't want to learn

1816

01:04:21,109 --> 01:04:18,880

about the dark side of humanity but we

1817

01:04:23,109 --> 01:04:21,119

have to in order to repair the damage

1818

01:04:24,710 --> 01:04:23,119

and stop it from happening again on a

1819

01:04:26,230 --> 01:04:24,720

scale mind you

1820

01:04:28,549 --> 01:04:26,240

with all this technology they're rolling

1821

01:04:31,029 --> 01:04:28,559

out that will defy imagination and

1822

01:04:32,710 --> 01:04:31,039

possibly alter humanity forever like

1823

01:04:34,069 --> 01:04:32,720

we're not just talking about a little

1824

01:04:35,109 --> 01:04:34,079

bit of corruption over here and a few

1825

01:04:37,029 --> 01:04:35,119

slaps on the wrist for some

1826

01:04:39,589 --> 01:04:37,039

pharmaceutical companies over there

1827

01:04:41,910 --> 01:04:39,599

we're talking about uh the possibility

1828

01:04:44,390 --> 01:04:41,920

that freedom as we know it will cease to

1829

01:04:46,789 --> 01:04:44,400

exist and there's even the argument to

1830

01:04:49,750 --> 01:04:46,799

be made that humans as we know them

1831

01:04:51,589 --> 01:04:49,760

humanity is going to not exist as it

1832

01:04:54,069 --> 01:04:51,599

used to exist with all these people

1833

01:04:56,549 --> 01:04:54,079

calling for this human 2.0 that is

1834

01:04:58,150 --> 01:04:56,559

basically a cybernetic being so there's

1835

01:05:00,789 --> 01:04:58,160

a lot of questions that i bring up i

1836

01:05:03,190 --> 01:05:00,799

know it's heavy uh but if you stay to

1837

01:05:04,950 --> 01:05:03,200

the end of each one of these chapters i

1838

01:05:07,270 --> 01:05:04,960

always leave with very empowering

1839

01:05:09,430 --> 01:05:07,280

information to to tell everybody it's

1840

01:05:12,069 --> 01:05:09,440

not all over the dark side is not the

1841

01:05:14,549 --> 01:05:12,079

only show in town um and evil can't

1842

01:05:18,309 --> 01:05:14,559

stand a chance against a strong

1843

01:05:20,230 --> 01:05:18,319

empowered informed uh populace of people

1844

01:05:21,990 --> 01:05:20,240

so that's all we need to do is just face

1845

01:05:24,630 --> 01:05:22,000

this darkness and then it will be

1846

01:05:26,549 --> 01:05:24,640

defeated but if we don't face it

1847

01:05:28,470 --> 01:05:26,559

we lose and it wins

1848

01:05:31,190 --> 01:05:28,480

yeah that's one of those i'm not sure

1849

01:05:32,870 --> 01:05:31,200

we're totally in sync on all of that but

1850

01:05:35,510 --> 01:05:32,880

i was with you most of the way

1851

01:05:37,190 --> 01:05:35,520

i want to pull you to another

1852

01:05:39,270 --> 01:05:37,200

excellent excellent episode of your

1853

01:05:41,589 --> 01:05:39,280

podcast one where you went one-on-one

1854

01:05:43,990 --> 01:05:41,599

with your audience but you just drew out

1855

01:05:46,230 --> 01:05:44,000

this great point which i had kind of

1856

01:05:48,870 --> 01:05:46,240

known but completely forgotten

1857

01:05:51,910 --> 01:05:48,880

tell us why the middle

1858

01:05:53,910 --> 01:05:51,920

is always evil because i think this is

1859

01:05:56,150 --> 01:05:53,920

so relevant to

1860

01:05:57,910 --> 01:05:56,160

again where the the normies the people

1861

01:05:59,670 --> 01:05:57,920

who are outside of the game

1862

01:06:02,470 --> 01:05:59,680

just can't see this

1863

01:06:05,910 --> 01:06:02,480

until somebody really slaps my head with

1864

01:06:07,750 --> 01:06:05,920

it which you did well this is uh this is

1865

01:06:10,069 --> 01:06:07,760

a clip that i did that was uh i was

1866

01:06:12,710 --> 01:06:10,079

quoting ein rand she made this statement

1867

01:06:14,390 --> 01:06:12,720

and it's profound uh where she said you

1868

01:06:15,990 --> 01:06:14,400

know the middle is always evil and what

1869

01:06:18,870 --> 01:06:16,000

she's talking about there is especially

1870

01:06:20,950 --> 01:06:18,880

when it comes to the way that we choose

1871

01:06:22,549 --> 01:06:20,960

these saw we don't choose a side when

1872

01:06:24,309 --> 01:06:22,559

when we're talking about morals and

1873

01:06:26,789 --> 01:06:24,319

ethics and and what's going on in our

1874

01:06:28,150 --> 01:06:26,799

society if you're in the middle you're

1875

01:06:29,670 --> 01:06:28,160

undecided

1876

01:06:31,670 --> 01:06:29,680

if you're in the middle you're in a

1877

01:06:34,549 --> 01:06:31,680

place and i'm not talking about being in

1878

01:06:36,069 --> 01:06:34,559

an objective space of a scientific

1879

01:06:37,990 --> 01:06:36,079

objectivity where you're trying to

1880

01:06:40,150 --> 01:06:38,000

gather all the information this is when

1881

01:06:41,910 --> 01:06:40,160

you have all the information and you

1882

01:06:44,390 --> 01:06:41,920

still choose to stay in the middle

1883

01:06:46,150 --> 01:06:44,400

because of this mechanism that we have

1884

01:06:48,630 --> 01:06:46,160

that i was speaking about the sort of a

1885

01:06:50,230 --> 01:06:48,640

psychological blindness everybody has an

1886

01:06:51,750 --> 01:06:50,240

opinion everybody has it no one

1887

01:06:53,829 --> 01:06:51,760

everybody has it that's why no one's

1888

01:06:56,710 --> 01:06:53,839

facts are better than anyone else's

1889

01:06:59,190 --> 01:06:56,720

facts it's all relative we can all get

1890

01:07:01,430 --> 01:06:59,200

along let's just all not take a stand on

1891

01:07:03,349 --> 01:07:01,440

anything don't get too excited

1892

01:07:05,270 --> 01:07:03,359

yeah like okay here here's an example

1893

01:07:06,950 --> 01:07:05,280

right like i tell people that i've had

1894

01:07:08,870 --> 01:07:06,960

many debates with people about peop the

1895

01:07:10,710 --> 01:07:08,880

peace people believe evil doesn't exist

1896

01:07:12,789 --> 01:07:10,720

okay this is the new trendy thing that

1897

01:07:14,630 --> 01:07:12,799

evil is just this term that we use and

1898

01:07:16,309 --> 01:07:14,640

it's old-fashioned and it doesn't really

1899

01:07:18,549 --> 01:07:16,319

exist and all this

1900

01:07:20,069 --> 01:07:18,559

and i think it's a cop-out and

1901

01:07:21,670 --> 01:07:20,079

i think if you just look at the word

1902

01:07:23,670 --> 01:07:21,680

evil i know it has a lot of religious

1903

01:07:25,670 --> 01:07:23,680

baggage to it i don't use it in that

1904

01:07:27,990 --> 01:07:25,680

context i'm using it in the context of

1905

01:07:29,990 --> 01:07:28,000

just look at the word the word evil is

1906

01:07:31,750 --> 01:07:30,000

the word live spelled backwards

1907

01:07:34,950 --> 01:07:31,760

right so it is anything that is in the

1908

01:07:36,549 --> 01:07:34,960

opposition to the process of of life and

1909

01:07:38,230 --> 01:07:36,559

it could be psychological life it could

1910

01:07:39,990 --> 01:07:38,240

be you know the way the government is

1911

01:07:42,470 --> 01:07:40,000

plundering our bank accounts economic

1912

01:07:44,710 --> 01:07:42,480

life it could be um you know the

1913

01:07:46,789 --> 01:07:44,720

ignorance factor so you could say well

1914

01:07:49,029 --> 01:07:46,799

there's the well-meaning people that

1915

01:07:50,950 --> 01:07:49,039

they mean well but maybe they just don't

1916

01:07:52,549 --> 01:07:50,960

want to look at that and understand it

1917

01:07:55,349 --> 01:07:52,559

but that means there's kind of stuck in

1918

01:07:58,069 --> 01:07:55,359

the middle in a way and and that not

1919

01:08:00,870 --> 01:07:58,079

taking a stand for their own um their

1920

01:08:02,630 --> 01:08:00,880

own freedom for just as a start

1921

01:08:04,470 --> 01:08:02,640

that to me is an act of evil against

1922

01:08:06,549 --> 01:08:04,480

yourself to start with right so forget

1923

01:08:08,630 --> 01:08:06,559

about the evil done for by people to

1924

01:08:11,029 --> 01:08:08,640

other people what about the evil we do

1925

01:08:13,829 --> 01:08:11,039

to ourselves what about the way we abuse

1926

01:08:15,510 --> 01:08:13,839

ourselves and talk down to ourselves um

1927

01:08:16,789 --> 01:08:15,520

you know that kind of an evil is

1928

01:08:18,149 --> 01:08:16,799

something that we don't really talk

1929

01:08:20,149 --> 01:08:18,159

about sort of the sort of the inner

1930

01:08:22,550 --> 01:08:20,159

conspiracy i think your point about the

1931

01:08:25,430 --> 01:08:22,560

middle is is really super relevant to

1932

01:08:27,430 --> 01:08:25,440

that inner dialogue particularly since

1933

01:08:29,910 --> 01:08:27,440

in education you know i have two

1934

01:08:31,669 --> 01:08:29,920

daughters who are in college this is

1935

01:08:34,550 --> 01:08:31,679

just you know

1936

01:08:37,510 --> 01:08:34,560

pushed at every level in every

1937

01:08:39,349 --> 01:08:37,520

branch of the university that you know

1938

01:08:41,669 --> 01:08:39,359

that little voice inside your head

1939

01:08:44,630 --> 01:08:41,679

mediate it don't take a stand don't

1940

01:08:48,550 --> 01:08:44,640

think too much about one way or another

1941

01:08:51,669 --> 01:08:48,560

there is what would your show that show

1942

01:08:53,910 --> 01:08:51,679

really drew me to is how that can be a

1943

01:08:55,910 --> 01:08:53,920

tool how that can be a play in the

1944

01:08:58,709 --> 01:08:55,920

playbook of

1945

01:09:01,349 --> 01:08:58,719

control is to give

1946

01:09:04,309 --> 01:09:01,359

make you feel like the middle is really

1947

01:09:07,189 --> 01:09:04,319

the only position that any responsible

1948

01:09:10,229 --> 01:09:07,199

person could occupy and if anyone is

1949

01:09:13,110 --> 01:09:10,239

asking you to take a stand a moral stand

1950

01:09:15,110 --> 01:09:13,120

a legal stand an ethical stand well then

1951

01:09:17,189 --> 01:09:15,120

they're not right because we should all

1952

01:09:18,789 --> 01:09:17,199

be in them that's it and and the idea

1953

01:09:20,870 --> 01:09:18,799

here is when you're not taking a stand

1954

01:09:22,149 --> 01:09:20,880

against something you personally let's

1955

01:09:23,590 --> 01:09:22,159

not talk about something someone's

1956

01:09:25,590 --> 01:09:23,600

trying to convince you to take a stand

1957

01:09:27,669 --> 01:09:25,600

for something you believe in something

1958

01:09:28,470 --> 01:09:27,679

that you feel inside yourself

1959

01:09:30,550 --> 01:09:28,480

but

1960

01:09:32,309 --> 01:09:30,560

there's a part of you that wants to be

1961

01:09:34,550 --> 01:09:32,319

liked by everybody so much wants that

1962

01:09:36,149 --> 01:09:34,560

once that social approval uh doesn't

1963

01:09:38,630 --> 01:09:36,159

want the australization that comes with

1964

01:09:40,789 --> 01:09:38,640

taking a stand and that is the reason

1965

01:09:42,630 --> 01:09:40,799

why you're not taking a stand that's the

1966

01:09:45,910 --> 01:09:42,640

act of what we're calling evil in sort

1967

01:09:47,990 --> 01:09:45,920

of a dramatic way uh because it it leads

1968

01:09:49,910 --> 01:09:48,000

to look at look so look at let's just

1969

01:09:52,630 --> 01:09:49,920

talk about what went down in germany or

1970

01:09:55,510 --> 01:09:52,640

pick your totalitarian regime of history

1971

01:09:58,229 --> 01:09:55,520

how many people took that middle ground

1972

01:09:59,750 --> 01:09:58,239

because it was the easier path uh they

1973

01:10:01,189 --> 01:09:59,760

basically just didn't want to get you

1974

01:10:02,470 --> 01:10:01,199

know stick their head out so that they

1975

01:10:04,229 --> 01:10:02,480

got whacked down

1976

01:10:07,630 --> 01:10:04,239

and therefore

1977

01:10:09,669 --> 01:10:07,640

the entire country was swept into uh

1978

01:10:11,910 --> 01:10:09,679

totalitarianism and it resulted in

1979

01:10:13,350 --> 01:10:11,920

genocide and all these different things

1980

01:10:15,430 --> 01:10:13,360

it's happened so many times throughout

1981

01:10:17,669 --> 01:10:15,440

history and so that's why it's that old

1982

01:10:19,350 --> 01:10:17,679

statement that goes you know um evil

1983

01:10:21,510 --> 01:10:19,360

only exists because good people do

1984

01:10:24,550 --> 01:10:21,520

nothing it's hinting at the same angle

1985

01:10:26,709 --> 01:10:24,560

of saying if we don't take a stand for a

1986

01:10:28,470 --> 01:10:26,719

moral stand for what we truly believe

1987

01:10:30,149 --> 01:10:28,480

simply because we're afraid of of the

1988

01:10:31,910 --> 01:10:30,159

collective or we're afraid of the

1989

01:10:34,630 --> 01:10:31,920

government or afraid of censorship or

1990

01:10:37,430 --> 01:10:34,640

losing our job um then

1991

01:10:38,870 --> 01:10:37,440

that evil will persist that tyranny will

1992

01:10:40,630 --> 01:10:38,880

continue to grow

1993

01:10:42,790 --> 01:10:40,640

the only time in history where we've

1994

01:10:44,470 --> 01:10:42,800

even achieved anything close to freedom

1995

01:10:46,149 --> 01:10:44,480

and i don't even think we've even ever

1996

01:10:48,550 --> 01:10:46,159

really achieved it we've just gotten

1997

01:10:50,870 --> 01:10:48,560

closer to it um the only time we've ever

1998

01:10:52,149 --> 01:10:50,880

done that is when small groups of

1999

01:10:54,870 --> 01:10:52,159

individuals

2000

01:10:56,310 --> 01:10:54,880

decided to take a stand against tyranny

2001

01:10:58,390 --> 01:10:56,320

you know and there's so many examples in

2002

01:11:00,229 --> 01:10:58,400

history you could bring up and so to

2003

01:11:01,669 --> 01:11:00,239

stay in the middle

2004

01:11:03,030 --> 01:11:01,679

even though it feels like you're just

2005

01:11:05,910 --> 01:11:03,040

being objective and you're hearing all

2006

01:11:07,750 --> 01:11:05,920

the sides out at some point you do have

2007

01:11:10,229 --> 01:11:07,760

to make a decision as to what side

2008

01:11:12,310 --> 01:11:10,239

you're on so for example let's look at

2009

01:11:14,149 --> 01:11:12,320

this passport issue for a second right

2010

01:11:15,750 --> 01:11:14,159

this whole vaccine passport regardless

2011

01:11:17,669 --> 01:11:15,760

of the vaccine everybody should make

2012

01:11:20,310 --> 01:11:17,679

their own decision on that but the

2013

01:11:22,310 --> 01:11:20,320

passport that's where i come in and go

2014

01:11:25,189 --> 01:11:22,320

wait a minute if we look at what's going

2015

01:11:26,870 --> 01:11:25,199

on right now as i speak in china

2016

01:11:29,669 --> 01:11:26,880

what kind of a system that they have of

2017

01:11:32,310 --> 01:11:29,679

the social credit scores and the uh

2018

01:11:34,630 --> 01:11:32,320

the face scanning biometric technology

2019

01:11:36,070 --> 01:11:34,640

the they can they have whole biometric

2020

01:11:37,910 --> 01:11:36,080

systems in their classrooms where they

2021

01:11:39,350 --> 01:11:37,920

can hear students breathing they can

2022

01:11:41,510 --> 01:11:39,360

tell how many times they check their

2023

01:11:43,189 --> 01:11:41,520

phone they can tell what they had for

2024

01:11:45,430 --> 01:11:43,199

breakfast in the morning they can tell

2025

01:11:47,110 --> 01:11:45,440

if they've smoked a joint they can tell

2026

01:11:49,189 --> 01:11:47,120

where they were and they've tracked them

2027

01:11:52,070 --> 01:11:49,199

top to bottom wherever you go that

2028

01:11:55,110 --> 01:11:52,080

hyper-controlled technotronic society is

2029

01:11:57,750 --> 01:11:55,120

what is being planned for the world and

2030

01:12:00,070 --> 01:11:57,760

if people think that that's some kind of

2031

01:12:02,550 --> 01:12:00,080

theoretical mumble jumbo just go read

2032

01:12:04,709 --> 01:12:02,560

the statements of you know klaus schwab

2033

01:12:06,950 --> 01:12:04,719

the great reset go look at what they're

2034

01:12:09,750 --> 01:12:06,960

talking about in in technology the world

2035

01:12:11,350 --> 01:12:09,760

of technology and look at how what what

2036

01:12:12,950 --> 01:12:11,360

technology platform they're building

2037

01:12:14,790 --> 01:12:12,960

this passport on

2038

01:12:17,350 --> 01:12:14,800

your freedom as an individual your

2039

01:12:20,070 --> 01:12:17,360

privacy as an individual will cease to

2040

01:12:21,750 --> 01:12:20,080

exist from that moment forward hold on

2041

01:12:23,430 --> 01:12:21,760

on the technology part because it's an

2042

01:12:24,950 --> 01:12:23,440

interesting part where we could really

2043

01:12:26,470 --> 01:12:24,960

have a little bit of a discussion in a

2044

01:12:29,270 --> 01:12:26,480

little bit of the time we have left

2045

01:12:31,510 --> 01:12:29,280

because there is kind of the

2046

01:12:33,510 --> 01:12:31,520

the ludic factor in the other thing is

2047

01:12:35,270 --> 01:12:33,520

that you can't stop this progress i've

2048

01:12:36,870 --> 01:12:35,280

had some interviews lately with some of

2049

01:12:38,390 --> 01:12:36,880

the leading

2050

01:12:40,470 --> 01:12:38,400

an interview with the guy at google very

2051

01:12:42,950 --> 01:12:40,480

high level guy at google and in some

2052

01:12:44,790 --> 01:12:42,960

ways he's closed down to what's

2053

01:12:46,149 --> 01:12:44,800

happening around him and he can't see it

2054

01:12:48,550 --> 01:12:46,159

and he used to work at twitter even

2055

01:12:50,390 --> 01:12:48,560

worse back in the bannings and all that

2056

01:12:52,950 --> 01:12:50,400

stuff and he can't see

2057

01:12:54,070 --> 01:12:52,960

some of what's been going on but it is

2058

01:12:55,910 --> 01:12:54,080

interesting when you really talk to

2059

01:12:58,149 --> 01:12:55,920

somebody like that because you get a

2060

01:13:00,709 --> 01:12:58,159

sense for the other part of the problem

2061

01:13:04,390 --> 01:13:00,719

and that is scale you know like

2062

01:13:05,990 --> 01:13:04,400

we don't really want to shut down search

2063

01:13:07,510 --> 01:13:06,000

and search is at

2064

01:13:10,790 --> 01:13:07,520

a trillion searches or something

2065

01:13:13,430 --> 01:13:10,800

ridiculous number a day i mean ai

2066

01:13:15,709 --> 01:13:13,440

filtering through your searches like it

2067

01:13:17,910 --> 01:13:15,719

does and banning you and

2068

01:13:19,510 --> 01:13:17,920

demonetizing and shadow banning and all

2069

01:13:21,750 --> 01:13:19,520

that stuff

2070

01:13:24,709 --> 01:13:21,760

you're never going to stop that i'm not

2071

01:13:27,590 --> 01:13:24,719

sure you even want to stop that because

2072

01:13:30,470 --> 01:13:27,600

we are still in a geopolitical world

2073

01:13:33,350 --> 01:13:30,480

right we don't understand completely how

2074

01:13:35,510 --> 01:13:33,360

we sit vis-a-vis china where we want to

2075

01:13:38,470 --> 01:13:35,520

sit vis-a-vis china i don't think we

2076

01:13:40,470 --> 01:13:38,480

want to go there but do we have people

2077

01:13:42,310 --> 01:13:40,480

inside our government who are kind of

2078

01:13:44,470 --> 01:13:42,320

looking out for well here's how we want

2079

01:13:46,950 --> 01:13:44,480

up china would that be on the table and

2080

01:13:48,950 --> 01:13:46,960

if you did that and it becomes a war

2081

01:13:51,030 --> 01:13:48,960

what do you have in war will you have a

2082

01:13:52,870 --> 01:13:51,040

lot of different kind of false

2083

01:13:55,189 --> 01:13:52,880

maneuvers and stuff like that so all

2084

01:13:57,270 --> 01:13:55,199

that stuff could be at play and the

2085

01:13:59,030 --> 01:13:57,280

reason i tie it back to the technology

2086

01:14:01,030 --> 01:13:59,040

part is i think we got to be really

2087

01:14:02,950 --> 01:14:01,040

careful about the solutions that we're

2088

01:14:05,270 --> 01:14:02,960

looking for because i don't think the

2089

01:14:09,430 --> 01:14:05,280

solutions are to

2090

01:14:12,149 --> 01:14:09,440

try and slow down technology because i

2091

01:14:14,630 --> 01:14:12,159

think that's a losing battle it just is

2092

01:14:17,350 --> 01:14:14,640

not going to happen it's driven not only

2093

01:14:18,630 --> 01:14:17,360

by money but it's driven by our desire

2094

01:14:21,430 --> 01:14:18,640

to

2095

01:14:23,590 --> 01:14:21,440

use this technology and we are consumers

2096

01:14:25,270 --> 01:14:23,600

of it and we love it in a lot of ways so

2097

01:14:26,870 --> 01:14:25,280

i think the solution is to be more

2098

01:14:29,510 --> 01:14:26,880

nuanced than

2099

01:14:32,470 --> 01:14:29,520

you know oh my god don't do biometrics

2100

01:14:34,790 --> 01:14:32,480

that's coming neurolink hey

2101

01:14:36,630 --> 01:14:34,800

again i have people in my family who

2102

01:14:39,189 --> 01:14:36,640

have uh

2103

01:14:41,189 --> 01:14:39,199

epilepsy you know what would they sign

2104

01:14:43,669 --> 01:14:41,199

up for neural link if they stopped

2105

01:14:46,149 --> 01:14:43,679

having seizures

2106

01:14:48,229 --> 01:14:46,159

who wouldn't who wouldn't especially if

2107

01:14:50,550 --> 01:14:48,239

you take some young child you can always

2108

01:14:52,550 --> 01:14:50,560

point at those special cases some young

2109

01:14:55,430 --> 01:14:52,560

child that's you know having 20 seizures

2110

01:14:58,310 --> 01:14:55,440

a day and now elon comes along and says

2111

01:15:00,149 --> 01:14:58,320

don't worry kid we'll hook you up to

2112

01:15:02,070 --> 01:15:00,159

mural lincoln there you go no more

2113

01:15:04,470 --> 01:15:02,080

caesar no more seizures

2114

01:15:06,070 --> 01:15:04,480

are the parents right but but here's my

2115

01:15:07,750 --> 01:15:06,080

only thing and by the way the reason i

2116

01:15:10,149 --> 01:15:07,760

was bringing up that example wasn't to

2117

01:15:11,990 --> 01:15:10,159

say uh we should go back to living in

2118

01:15:14,550 --> 01:15:12,000

the jungle or get rid of technology or

2119

01:15:16,790 --> 01:15:14,560

stop it it's but we have to have an

2120

01:15:18,390 --> 01:15:16,800

actual uh discussion about these a very

2121

01:15:20,550 --> 01:15:18,400

important discussion there is no greater

2122

01:15:21,910 --> 01:15:20,560

discussion to be had um because are we

2123

01:15:24,790 --> 01:15:21,920

going to lose our humanity in the

2124

01:15:27,510 --> 01:15:24,800

pursuit of technology and and and is it

2125

01:15:29,430 --> 01:15:27,520

being sold to us in the initial stages

2126

01:15:31,590 --> 01:15:29,440

that we find ourselves in

2127

01:15:34,470 --> 01:15:31,600

for the purposes of health and bettering

2128

01:15:36,470 --> 01:15:34,480

people's lives when i'll rebut that and

2129

01:15:38,790 --> 01:15:36,480

say we don't need neurolink to stop

2130

01:15:40,709 --> 01:15:38,800

seizures we've got decades of experts

2131

01:15:43,030 --> 01:15:40,719

that have come out from homeopathic

2132

01:15:44,870 --> 01:15:43,040

naturopathic and even mainstream medical

2133

01:15:46,790 --> 01:15:44,880

science that have other ways of dealing

2134

01:15:48,950 --> 01:15:46,800

with that you don't need to plant chips

2135

01:15:50,950 --> 01:15:48,960

in your brain if you want to do it you

2136

01:15:53,110 --> 01:15:50,960

go ahead but look at what's going on

2137

01:15:55,110 --> 01:15:53,120

right now do you get to opt out of the

2138

01:15:57,189 --> 01:15:55,120

vaccine passport

2139

01:15:59,110 --> 01:15:57,199

right so the question of freedom is the

2140

01:16:01,270 --> 01:15:59,120

question here and the question of who's

2141

01:16:03,189 --> 01:16:01,280

running that system is the question here

2142

01:16:05,270 --> 01:16:03,199

so i asked the question in chapter five

2143

01:16:06,390 --> 01:16:05,280

or i posed i posed the statement

2144

01:16:08,550 --> 01:16:06,400

technology

2145

01:16:11,110 --> 01:16:08,560

can enrich our lives

2146

01:16:13,350 --> 01:16:11,120

right technology can free us on so many

2147

01:16:16,790 --> 01:16:13,360

levels but technology can also enslave

2148

01:16:19,270 --> 01:16:16,800

us technology can also make us obsolete

2149

01:16:21,669 --> 01:16:19,280

right which is actually a very vocal

2150

01:16:23,830 --> 01:16:21,679

concern of even people like elon musk

2151  
01:16:25,669 --> 01:16:23,840  
who is the founder of neurolink and that

2152  
01:16:28,630 --> 01:16:25,679  
probably is why he wants to make

2153  
01:16:30,709 --> 01:16:28,640  
something like that who knows but um

2154  
01:16:33,430 --> 01:16:30,719  
do we have to ask these questions right

2155  
01:16:35,430 --> 01:16:33,440  
and in the world where we are right now

2156  
01:16:37,270 --> 01:16:35,440  
with what we've seen with

2157  
01:16:38,310 --> 01:16:37,280  
the level that the government is willing

2158  
01:16:41,189 --> 01:16:38,320  
to go

2159  
01:16:43,430 --> 01:16:41,199  
to push its narrative regardless of the

2160  
01:16:45,110 --> 01:16:43,440  
fact that they've got you know a massive

2161  
01:16:47,030 --> 01:16:45,120  
not everybody but a massive amount of

2162  
01:16:48,470 --> 01:16:47,040  
the populist that is not wanting to go

2163  
01:16:49,830 --> 01:16:48,480

along with that

2164

01:16:51,590 --> 01:16:49,840

they don't want to be asked to show

2165

01:16:53,270 --> 01:16:51,600

their digital papers everywhere they go

2166

01:16:55,350 --> 01:16:53,280

they don't want to be tracked and traced

2167

01:16:57,350 --> 01:16:55,360

they don't want their neighbors calling

2168

01:16:58,550 --> 01:16:57,360

the police every time they think they're

2169

01:17:00,070 --> 01:16:58,560

they have too many people over for

2170

01:17:01,990 --> 01:17:00,080

christmas dinner they don't want to be

2171

01:17:04,229 --> 01:17:02,000

tracked and surveilled to that degree by

2172

01:17:05,590 --> 01:17:04,239

these people these are

2173

01:17:06,870 --> 01:17:05,600

we're dealing with corruption and

2174

01:17:09,030 --> 01:17:06,880

criminality that i don't even think

2175

01:17:10,870 --> 01:17:09,040

people can possibly imagine and so we

2176

01:17:13,669 --> 01:17:10,880

separate those discussions alex we

2177

01:17:15,270 --> 01:17:13,679

separate the corruption the tyranny the

2178

01:17:16,950 --> 01:17:15,280

evil that i was talking about and all

2179

01:17:18,630 --> 01:17:16,960

that information i said about cults and

2180

01:17:21,590 --> 01:17:18,640

secret societies and the infiltrations

2181

01:17:23,510 --> 01:17:21,600

of governments etc geopolitical agendas

2182

01:17:25,750 --> 01:17:23,520

the control of the monetary system the

2183

01:17:28,390 --> 01:17:25,760

control of these industries

2184

01:17:30,470 --> 01:17:28,400

just as your uh you know pharmaceutical

2185

01:17:32,550 --> 01:17:30,480

industry has become very centrally

2186

01:17:34,630 --> 01:17:32,560

controlled instead of truly a free

2187

01:17:36,950 --> 01:17:34,640

market enterprise thing you have the

2188

01:17:39,590 --> 01:17:36,960

same control in silicon valley small

2189

01:17:42,229 --> 01:17:39,600

groups of people that have way too much

2190

01:17:44,790 --> 01:17:42,239

god-like power on their hands so in that

2191

01:17:46,790 --> 01:17:44,800

condition i'm not personally ready to

2192

01:17:48,550 --> 01:17:46,800

jump into the transhumanist future with

2193

01:17:50,950 --> 01:17:48,560

these people at the helm

2194

01:17:52,070 --> 01:17:50,960

if we were in a different scenario where

2195

01:17:53,830 --> 01:17:52,080

we had

2196

01:17:55,910 --> 01:17:53,840

people in power and people at the helm

2197

01:17:58,390 --> 01:17:55,920

of these institutions that were truly

2198

01:18:00,390 --> 01:17:58,400

there trying to make technology in a way

2199

01:18:02,149 --> 01:18:00,400

where yes it could liberate us yes it

2200

01:18:04,470 --> 01:18:02,159

could help improve our health yes it

2201

01:18:06,390 --> 01:18:04,480

could take us to the stars but we're not

2202

01:18:08,390 --> 01:18:06,400

going to violate our humanity we're not

2203

01:18:11,270 --> 01:18:08,400

going to violate your freedom we're not

2204

01:18:13,910 --> 01:18:11,280

going to uh you know create who wants to

2205

01:18:15,350 --> 01:18:13,920

live like china really like i speak to

2206

01:18:17,669 --> 01:18:15,360

people i've interviewed people that have

2207

01:18:19,270 --> 01:18:17,679

fled from china to come here only to go

2208

01:18:21,030 --> 01:18:19,280

i might as well go back it's starting to

2209

01:18:23,510 --> 01:18:21,040

get more worse here than over there in

2210

01:18:24,870 --> 01:18:23,520

some cases right because we don't want

2211

01:18:26,310 --> 01:18:24,880

we don't want to

2212

01:18:28,790 --> 01:18:26,320

i personally don't want to live in a

2213

01:18:30,790 --> 01:18:28,800

world where we have a monolithic

2214

01:18:33,030 --> 01:18:30,800

centralized system of control that is

2215

01:18:34,950 --> 01:18:33,040

run by ai i don't want to live in that

2216

01:18:36,550 --> 01:18:34,960

world because

2217

01:18:37,669 --> 01:18:36,560

first of all we've never lived we've

2218

01:18:39,830 --> 01:18:37,679

never seen this before it's

2219

01:18:41,910 --> 01:18:39,840

unprecedented and second of all i don't

2220

01:18:44,950 --> 01:18:41,920

trust the people that build it they're

2221

01:18:48,070 --> 01:18:44,960

known liars and criminals top to bottom

2222

01:18:49,669 --> 01:18:48,080

fraudsters opportunists the money

2223

01:18:52,470 --> 01:18:49,679

involved and not everybody but i'm

2224

01:18:54,709 --> 01:18:52,480

talking at the top right and and that's

2225

01:18:57,270 --> 01:18:54,719

where i have my concerns is who's

2226

01:18:59,030 --> 01:18:57,280

running that ship what's their true

2227

01:19:00,550 --> 01:18:59,040

agenda right and that's what we're going

2228

01:19:03,030 --> 01:19:00,560

to get through when we get into the

2229

01:19:03,990 --> 01:19:03,040

series is at least my idea of what that

2230

01:19:06,630 --> 01:19:04,000

could be

2231

01:19:08,310 --> 01:19:06,640

and uh and why we have to at the very

2232

01:19:11,030 --> 01:19:08,320

least you don't have to agree with me

2233

01:19:13,430 --> 01:19:11,040

you might think i'm paranoid but uh at

2234

01:19:15,590 --> 01:19:13,440

the very least we should question this

2235

01:19:17,830 --> 01:19:15,600

before we jump into this excitement that

2236

01:19:20,070 --> 01:19:17,840

we have of becoming superhuman at the

2237

01:19:22,630 --> 01:19:20,080

same time of becoming superhuman you're

2238

01:19:24,470 --> 01:19:22,640

also becoming super controllable and

2239

01:19:27,270 --> 01:19:24,480

you're becoming less human in the

2240

01:19:28,870 --> 01:19:27,280

process in my opinion yeah that that's a

2241

01:19:31,030 --> 01:19:28,880

tricky one because then you get into

2242

01:19:33,669 --> 01:19:31,040

specific cases and you know

2243

01:19:35,750 --> 01:19:33,679

anyways i've come down absolutely i've

2244

01:19:36,870 --> 01:19:35,760

gone down that path because of the

2245

01:19:38,149 --> 01:19:36,880

medical

2246

01:19:40,390 --> 01:19:38,159

conditions

2247

01:19:41,270 --> 01:19:40,400

in my family and i i don't think it's

2248

01:19:43,030 --> 01:19:41,280

always

2249

01:19:45,910 --> 01:19:43,040

like what you're saying there are people

2250

01:19:48,470 --> 01:19:45,920

who who suffer greatly and and can be

2251

01:19:50,149 --> 01:19:48,480

relieved by uh modern medicine but

2252

01:19:52,070 --> 01:19:50,159

absolutely absolutely but there's a

2253

01:19:53,990 --> 01:19:52,080

that's a tricky road we're going down it

2254

01:19:56,229 --> 01:19:54,000

is if i digress the point i really want

2255

01:19:58,630 --> 01:19:56,239

to make is i think you you articulated

2256

01:20:01,189 --> 01:19:58,640

that super well in a way that i haven't

2257

01:20:04,550 --> 01:20:01,199

heard many other people say it which is

2258

01:20:05,430 --> 01:20:04,560

that okay there is the march of progress

2259

01:20:06,310 --> 01:20:05,440

and

2260

01:20:08,070 --> 01:20:06,320

we can

2261

01:20:10,070 --> 01:20:08,080

play around with this myth of progress

2262

01:20:11,590 --> 01:20:10,080

let's all go into the forest kind of

2263

01:20:13,270 --> 01:20:11,600

thing and the the

2264

01:20:15,430 --> 01:20:13,280

noble savage kind of thing but that

2265

01:20:16,310 --> 01:20:15,440

doesn't really hit most of us where we

2266

01:20:19,110 --> 01:20:16,320

live

2267

01:20:21,270 --> 01:20:19,120

what i think does resonate really well

2268

01:20:23,189 --> 01:20:21,280

and what you brought forward is

2269

01:20:26,950 --> 01:20:23,199

i could go along with that

2270

01:20:30,390 --> 01:20:26,960

as long as we had this other moralistic

2271

01:20:33,669 --> 01:20:30,400

ethical legal part in place which we've

2272

01:20:36,229 --> 01:20:33,679

always demanded be in place so i see you

2273

01:20:39,350 --> 01:20:36,239

talking as a philosopher

2274

01:20:41,189 --> 01:20:39,360

as a true politician in saying you know

2275

01:20:42,709 --> 01:20:41,199

what is for the benefit of the people

2276

01:20:45,270 --> 01:20:42,719

and the benefit of people is that we

2277

01:20:48,149 --> 01:20:45,280

lock down that first and we have that in

2278

01:20:50,709 --> 01:20:48,159

place and when that goes

2279

01:20:54,070 --> 01:20:50,719

off kilter like it is first order

2280

01:20:56,070 --> 01:20:54,080

business restore that to its equilibrium

2281

01:20:57,910 --> 01:20:56,080

before we jump forward with all this

2282

01:20:59,990 --> 01:20:57,920

technology which

2283

01:21:01,030 --> 01:21:00,000

just makes common sense to me when you

2284

01:21:03,430 --> 01:21:01,040

say uh

2285

01:21:05,990 --> 01:21:03,440

you know is that it does that sound

2286

01:21:08,310 --> 01:21:06,000

paranoid that sounds the opposite of

2287

01:21:10,950 --> 01:21:08,320

paranoid yeah and i appreciate it and i

2288

01:21:13,669 --> 01:21:10,960

you know i just think that

2289

01:21:15,990 --> 01:21:13,679

i don't i see people getting excited in

2290

01:21:18,310 --> 01:21:16,000

a way about all this stuff

2291

01:21:19,990 --> 01:21:18,320

without thinking about the other side

2292

01:21:21,669 --> 01:21:20,000

and the more mainstream you go when you

2293

01:21:24,070 --> 01:21:21,679

get into this whole conversation of

2294

01:21:26,470 --> 01:21:24,080

technology the less warnings there are

2295

01:21:29,030 --> 01:21:26,480

the less critical thinking there is and

2296

01:21:31,669 --> 01:21:29,040

that's a concern because you know what

2297

01:21:35,189 --> 01:21:31,679

are we talking about cybernetics robotic

2298

01:21:36,870 --> 01:21:35,199

robotics you know nanotechnology

2299

01:21:38,550 --> 01:21:36,880

we're messing with a lot of things here

2300

01:21:41,030 --> 01:21:38,560

that you know we're thinking now that

2301  
01:21:42,470 --> 01:21:41,040  
humans are becoming more efficient than

2302  
01:21:44,629 --> 01:21:42,480  
the process of nature that brought us

2303  
01:21:46,310 --> 01:21:44,639  
into existence i think that's a level of

2304  
01:21:48,550 --> 01:21:46,320  
arrogance that we need to check before

2305  
01:21:50,790 --> 01:21:48,560  
we just jump in and leap forward always

2306  
01:21:52,629 --> 01:21:50,800  
thinking oh this is just about uh you

2307  
01:21:54,550 --> 01:21:52,639  
know saving people and improving health

2308  
01:21:56,229 --> 01:21:54,560  
it's always the sales pitch about health

2309  
01:21:57,990 --> 01:21:56,239  
but that's look what they did with this

2310  
01:21:59,910 --> 01:21:58,000  
whole lockdown they gave us the same

2311  
01:22:01,350 --> 01:21:59,920  
sales pitch hey guys two weeks to stop

2312  
01:22:03,270 --> 01:22:01,360  
the spread just give up two weeks of

2313  
01:22:05,910 --> 01:22:03,280

your life and we'll stop this and finish

2314

01:22:08,470 --> 01:22:05,920

it um and here we are two years later in

2315

01:22:11,350 --> 01:22:08,480

a world that i don't think anybody could

2316

01:22:12,790 --> 01:22:11,360

possibly imagine would have unfolded and

2317

01:22:15,189 --> 01:22:12,800

uh that's

2318

01:22:17,110 --> 01:22:15,199

in my opinion what you get when we just

2319

01:22:19,430 --> 01:22:17,120

blindly go along trusting the mainstream

2320

01:22:20,870 --> 01:22:19,440

media trusting these politicians uh

2321

01:22:22,950 --> 01:22:20,880

trusting these

2322

01:22:24,390 --> 01:22:22,960

quote-unquote academics that you know

2323

01:22:27,270 --> 01:22:24,400

they're out there

2324

01:22:29,750 --> 01:22:27,280

espousing you know essentially

2325

01:22:31,990 --> 01:22:29,760

an idea that to me just has so many

2326

01:22:33,189 --> 01:22:32,000

correlations to things i've heard in the

2327

01:22:35,189 --> 01:22:33,199

past from many of these different

2328

01:22:37,030 --> 01:22:35,199

religions and cults and things like that

2329

01:22:38,390 --> 01:22:37,040

so all i'm doing is raising a flag to

2330

01:22:39,910 --> 01:22:38,400

say

2331

01:22:41,750 --> 01:22:39,920

hear me out

2332

01:22:44,149 --> 01:22:41,760

and then go back and look at what you've

2333

01:22:45,910 --> 01:22:44,159

been looking at and at least you've

2334

01:22:48,790 --> 01:22:45,920

heard the warnings at least you've heard

2335

01:22:50,550 --> 01:22:48,800

the cautionary warnings um it'd be like

2336

01:22:51,990 --> 01:22:50,560

you know i compare technology to the gun

2337

01:22:53,510 --> 01:22:52,000

debate actually i mean think about it

2338

01:22:54,870 --> 01:22:53,520

we're talking about firearms and the

2339

01:22:56,470 --> 01:22:54,880

right to defend yourself the right to

2340

01:22:58,229 --> 01:22:56,480

hunt the right to hold your own firearms

2341

01:22:59,830 --> 01:22:58,239

and bear arms the government doesn't

2342

01:23:01,189 --> 01:22:59,840

think you should have it there's a lot

2343

01:23:02,790 --> 01:23:01,199

of activist groups that don't think you

2344

01:23:04,870 --> 01:23:02,800

should have it and why don't they think

2345

01:23:06,629 --> 01:23:04,880

you should have it well because you know

2346

01:23:07,990 --> 01:23:06,639

people could be irresponsible and you

2347

01:23:09,750 --> 01:23:08,000

could be arming people that could go out

2348

01:23:11,110 --> 01:23:09,760

and shoot people and cause damage in the

2349

01:23:13,750 --> 01:23:11,120

world so we should just get rid of it

2350

01:23:15,270 --> 01:23:13,760

all together uh and and then i'm like

2351

01:23:17,189 --> 01:23:15,280

but those same people are jumping onto

2352

01:23:20,390 --> 01:23:17,199

this technology bandwagon without that

2353

01:23:22,550 --> 01:23:20,400

same caution of going well are we going

2354

01:23:24,229 --> 01:23:22,560

to have any way of holding people

2355

01:23:26,070 --> 01:23:24,239

responsible and liable are we going to

2356

01:23:28,629 --> 01:23:26,080

have any kind of critical thinking

2357

01:23:30,470 --> 01:23:28,639

before we jump into this you know so

2358

01:23:31,750 --> 01:23:30,480

you're giving someone a firearm or we're

2359

01:23:33,189 --> 01:23:31,760

having this debate about whether someone

2360

01:23:35,669 --> 01:23:33,199

should have the right to own a firearm

2361

01:23:37,189 --> 01:23:35,679

and use a firearm well we'll have more

2362

01:23:38,629 --> 01:23:37,199

stricter legislation to make sure they

2363

01:23:40,390 --> 01:23:38,639

go through training and they go through

2364

01:23:42,550 --> 01:23:40,400

observation and all of this

2365

01:23:45,189 --> 01:23:42,560

but yet we're not going to apply that to

2366

01:23:46,950 --> 01:23:45,199

technology and that and that's where i'm

2367

01:23:48,629 --> 01:23:46,960

coming in to go wait a minute isn't

2368

01:23:51,750 --> 01:23:48,639

there a contradiction there shouldn't we

2369

01:23:53,510 --> 01:23:51,760

look at that a little bit more um and

2370

01:23:55,910 --> 01:23:53,520

and then you know there's a whole other

2371

01:23:57,510 --> 01:23:55,920

school of thought about about that of

2372

01:23:59,669 --> 01:23:57,520

course you know to bring into the fore

2373

01:24:01,590 --> 01:23:59,679

but um i don't want to digress too much

2374

01:24:02,390 --> 01:24:01,600

into that the point of this

2375

01:24:04,070 --> 01:24:02,400

whole

2376

01:24:06,390 --> 01:24:04,080

thing we're talking about this this idea

2377

01:24:08,470 --> 01:24:06,400

of a cult of the medics i want to say a

2378

01:24:10,790 --> 01:24:08,480

real quick disclaimer here

2379

01:24:12,709 --> 01:24:10,800

i'm not in this series calling every

2380

01:24:15,830 --> 01:24:12,719

doctor every scientist every medical

2381

01:24:18,709 --> 01:24:15,840

institution uh some you know satanic

2382

01:24:21,110 --> 01:24:18,719

cult uh i'm talking about a core

2383

01:24:23,830 --> 01:24:21,120

uh group ideology that is contained

2384

01:24:25,669 --> 01:24:23,840

within it at the top levels uh of the

2385

01:24:27,350 --> 01:24:25,679

controlling interests of these different

2386

01:24:29,030 --> 01:24:27,360

organizations that's where i'm going

2387

01:24:31,270 --> 01:24:29,040

with it and then i'm also going to the

2388

01:24:33,110 --> 01:24:31,280

level of there are a lot of well-meaning

2389

01:24:35,669 --> 01:24:33,120

people throughout history that have been

2390

01:24:38,870 --> 01:24:35,679

baptized into different cults

2391

01:24:41,270 --> 01:24:38,880

using their better nature to do that

2392

01:24:43,189 --> 01:24:41,280

right and so that's why we have to look

2393

01:24:45,510 --> 01:24:43,199

at this and go let's try to not

2394

01:24:48,470 --> 01:24:45,520

let's not let's look before we leap and

2395

01:24:50,870 --> 01:24:48,480

let's um you know maybe look at our own

2396

01:24:53,110 --> 01:24:50,880

motivations for just buying wholesale

2397

01:24:54,790 --> 01:24:53,120

what we're being sold because in the

2398

01:24:56,950 --> 01:24:54,800

past there are many examples where it

2399

01:24:59,270 --> 01:24:56,960

didn't really work out very well to say

2400

01:25:01,430 --> 01:24:59,280

the least and so i'm just here to issue

2401  
01:25:02,870 --> 01:25:01,440  
the warning and then once people heard

2402  
01:25:04,550 --> 01:25:02,880  
the warning they can choose to either

2403  
01:25:06,629 --> 01:25:04,560  
agree with me or disagree or agree in

2404  
01:25:08,070 --> 01:25:06,639  
part doesn't matter but i'll tell you

2405  
01:25:09,910 --> 01:25:08,080  
right now you're not going to get this

2406  
01:25:11,830 --> 01:25:09,920  
particular kind of warning

2407  
01:25:13,510 --> 01:25:11,840  
on your media or in a lot of the stuff

2408  
01:25:15,990 --> 01:25:13,520  
you're going to read online and that's

2409  
01:25:17,590 --> 01:25:16,000  
why i try to make it unique and plug in

2410  
01:25:19,669 --> 01:25:17,600  
a lot of scholars and thinkers that are

2411  
01:25:21,830 --> 01:25:19,679  
far greater than myself

2412  
01:25:22,870 --> 01:25:21,840  
to bring to your attention to hear their

2413  
01:25:24,550 --> 01:25:22,880

warnings

2414

01:25:26,629 --> 01:25:24,560

before we leap into this whole

2415

01:25:28,310 --> 01:25:26,639

technotronic age that we were warned

2416

01:25:30,709 --> 01:25:28,320

about by uh you know even people like

2417

01:25:32,390 --> 01:25:30,719

aldous huxley etc

2418

01:25:34,149 --> 01:25:32,400

that's why you're the truth warrior my

2419

01:25:37,189 --> 01:25:34,159

brother that's why you are the truth

2420

01:25:38,790 --> 01:25:37,199

warrior tell folks david you already

2421

01:25:41,510 --> 01:25:38,800

have a in a lot of ways but what's

2422

01:25:44,470 --> 01:25:41,520

coming up in the immediate future for

2423

01:25:47,510 --> 01:25:44,480

you either through the truth warrior or

2424

01:25:49,750 --> 01:25:47,520

you know cult of the medics you're at

2425

01:25:51,430 --> 01:25:49,760

series five in the series number five in

2426  
01:25:54,550 --> 01:25:51,440  
the series how many more do you have to

2427  
01:25:56,550 --> 01:25:54,560  
go what else is coming up for you well

2428  
01:25:58,950 --> 01:25:56,560  
i'm gonna be starting work this week on

2429  
01:26:00,629 --> 01:25:58,960  
chapter six um which is just a chapter

2430  
01:26:02,229 --> 01:26:00,639  
that i'm calling missing pieces it's

2431  
01:26:03,910 --> 01:26:02,239  
sort of wrapping up the first five

2432  
01:26:05,669 --> 01:26:03,920  
episodes with all the stuff i couldn't

2433  
01:26:08,790 --> 01:26:05,679  
include you wouldn't believe the amount

2434  
01:26:09,910 --> 01:26:08,800  
of notes and research i had to throw out

2435  
01:26:11,830 --> 01:26:09,920  
just because it would have ended up

2436  
01:26:13,830 --> 01:26:11,840  
being 10 hour pieces for every chapter

2437  
01:26:16,709 --> 01:26:13,840  
so i'm going to do sort of a wrap-up

2438  
01:26:18,149 --> 01:26:16,719

episode for the first half of the series

2439

01:26:20,149 --> 01:26:18,159

bringing in some of the missing threads

2440

01:26:22,470 --> 01:26:20,159

i didn't get to in those other chapters

2441

01:26:25,910 --> 01:26:22,480

and then i've got 12 of these planned my

2442

01:26:27,830 --> 01:26:25,920

goal was 12 chapters um and

2443

01:26:29,510 --> 01:26:27,840

you know we're gonna really start going

2444

01:26:31,350 --> 01:26:29,520

if people think the first five chapters

2445

01:26:33,030 --> 01:26:31,360

were deep um

2446

01:26:36,709 --> 01:26:33,040

the second half is going to go to the

2447

01:26:38,390 --> 01:26:36,719

next level and um you know so yeah 12

2448

01:26:40,390 --> 01:26:38,400

chapters is the goal it might even

2449

01:26:42,390 --> 01:26:40,400

continue past that who knows it's kind

2450

01:26:44,390 --> 01:26:42,400

of taken a life of its own it's really

2451  
01:26:46,550 --> 01:26:44,400  
starting to pick up uh popularity which

2452  
01:26:48,790 --> 01:26:46,560  
i'm happy about so i'll be working on

2453  
01:26:50,709 --> 01:26:48,800  
that i'll still be running my show uh

2454  
01:26:51,590 --> 01:26:50,719  
weekly i've actually got a show going on

2455  
01:26:53,910 --> 01:26:51,600  
today

2456  
01:26:56,310 --> 01:26:53,920  
and uh and then i'm also working

2457  
01:26:58,229 --> 01:26:56,320  
very hard alongside michael thesarian my

2458  
01:27:01,030 --> 01:26:58,239  
colleague on the unslave project which

2459  
01:27:02,629 --> 01:27:01,040  
is another unique philosophical uh

2460  
01:27:04,870 --> 01:27:02,639  
project where we're asking these

2461  
01:27:07,669 --> 01:27:04,880  
questions as well

2462  
01:27:11,110 --> 01:27:07,679  
and then i'm also a father and a husband

2463  
01:27:12,310 --> 01:27:11,120

and i'm working hard to keep food on the

2464

01:27:14,310 --> 01:27:12,320

table and

2465

01:27:15,110 --> 01:27:14,320

keep working on what i feel i'm here to

2466

01:27:17,430 --> 01:27:15,120

do

2467

01:27:19,270 --> 01:27:17,440

and i'm hoping that it at least adds

2468

01:27:21,030 --> 01:27:19,280

some benefit to people because that's

2469

01:27:24,709 --> 01:27:21,040

really what my intention is so i'll just

2470

01:27:28,310 --> 01:27:24,719

be working hard from uh from my my

2471

01:27:31,030 --> 01:27:28,320

isolated place in china here

2472

01:27:32,390 --> 01:27:31,040

and uh and hopefully we can get back to

2473

01:27:34,070 --> 01:27:32,400

a point where we can travel again

2474

01:27:36,550 --> 01:27:34,080

because i'd like to also get into some

2475

01:27:38,870 --> 01:27:36,560

real documentary filmmaking where i'm on

2476

01:27:41,030 --> 01:27:38,880

the ground and making this a level of

2477

01:27:42,470 --> 01:27:41,040

production that i i think it deserves so

2478

01:27:43,669 --> 01:27:42,480

that would be the ultimate goal but for

2479

01:27:45,669 --> 01:27:43,679

now

2480

01:27:48,149 --> 01:27:45,679

that's what i've got on the table

2481

01:27:49,270 --> 01:27:48,159

it's a lot man it and it's fantastic you

2482

01:27:52,310 --> 01:27:49,280

know i

2483

01:27:53,910 --> 01:27:52,320

i popped back into your world here and i

2484

01:27:55,990 --> 01:27:53,920

was kind of blown away with all the

2485

01:27:58,229 --> 01:27:56,000

stuff that was going on because i wasn't

2486

01:27:59,910 --> 01:27:58,239

fully aware of it but now i have

2487

01:28:02,550 --> 01:27:59,920

a bunch of episodes of yours that i

2488

01:28:04,870 --> 01:28:02,560

missed queued up fantastic stuff i

2489

01:28:07,110 --> 01:28:04,880

haven't made it through all the chapters

2490

01:28:09,590 --> 01:28:07,120

but they're really great and the the way

2491

01:28:11,270 --> 01:28:09,600

that you've done it video wise it's high

2492

01:28:14,470 --> 01:28:11,280

high quality stuff i don't need to sell

2493

01:28:15,990 --> 01:28:14,480

it anymore but uh check it out

2494

01:28:17,750 --> 01:28:16,000

the truth is

2495

01:28:19,990 --> 01:28:17,760

is at the core

2496

01:28:23,030 --> 01:28:20,000

of what david's all about and man that

2497

01:28:24,310 --> 01:28:23,040

just speaks to all of us gets to our

2498

01:28:26,950 --> 01:28:24,320

heart because we know that's what we

2499

01:28:28,950 --> 01:28:26,960

have to follow if we're going to find

2500

01:28:30,790 --> 01:28:28,960

our personal way out of it or our

2501

01:28:32,390 --> 01:28:30,800

collective way out of it

2502

01:28:35,430 --> 01:28:32,400

it's always going to be connected with

2503

01:28:37,270 --> 01:28:35,440

the truth so buddy fantastic having you

2504

01:28:39,590 --> 01:28:37,280

back on thank you thank you so much for

2505

01:28:41,750 --> 01:28:39,600

joining me here on skeptico

2506

01:28:43,030 --> 01:28:41,760

thank you and hey thank you so much two

2507

01:28:44,470 --> 01:28:43,040

for bringing me on thank you for

2508

01:28:46,629 --> 01:28:44,480

challenging me thank you for asking

2509

01:28:49,189 --> 01:28:46,639

these questions i truly love what you do

2510

01:28:51,510 --> 01:28:49,199

with your show it's needed and thank you

2511

01:28:53,270 --> 01:28:51,520

for being an objective voice for reason

2512

01:28:54,870 --> 01:28:53,280

uh we need it now more than ever and i

2513

01:28:56,790 --> 01:28:54,880

encourage people to continue to support

2514

01:28:59,830 --> 01:28:56,800

your show as well so thank you so much

2515

01:29:01,510 --> 01:28:59,840

alex much appreciated brother

2516

01:29:03,669 --> 01:29:01,520

thanks again to david whitehead for

2517

01:29:05,510 --> 01:29:03,679

joining me today on skeptico the one

2518

01:29:07,270 --> 01:29:05,520

question itf from this interview is what

2519

01:29:09,030 --> 01:29:07,280

do you think about the co-opting thing

2520

01:29:10,310 --> 01:29:09,040

what are the new piece of information i

2521

01:29:12,550 --> 01:29:10,320

got out of this and that's what i'm

2522

01:29:14,709 --> 01:29:12,560

about is finding the new information is

2523

01:29:16,709 --> 01:29:14,719

the guy the mason guy in the 17th

2524

01:29:18,790 --> 01:29:16,719

century to said we've been co-opted by

2525

01:29:21,189 --> 01:29:18,800

these satanists by the black magic by

2526

01:29:22,390 --> 01:29:21,199

the dark forces

2527

01:29:25,110 --> 01:29:22,400

dang

2528

01:29:29,030 --> 01:29:25,120

i mean where do you go with that if that

2529

01:29:30,870 --> 01:29:29,040

doesn't send your head spinning i i i

2530

01:29:32,870 --> 01:29:30,880

just don't totally get how you're

2531

01:29:34,550 --> 01:29:32,880

processing this stuff because it does me

2532

01:29:36,390 --> 01:29:34,560

it raises a million other questions that

2533

01:29:38,709 --> 01:29:36,400

i would have liked to have asked but

2534

01:29:42,229 --> 01:29:38,719

there's only so much time in each one of

2535

01:29:43,990 --> 01:29:42,239

these shows so let's do it offline track

2536

01:29:46,709 --> 01:29:44,000

me down let me know what you think let's

2537

01:29:49,910 --> 01:29:46,719

start a dialogue let's be

2538

01:29:53,030 --> 01:29:49,920

skeptical and all that means and inquiry

2539

01:29:55,669 --> 01:29:53,040

to perpetuate doubt so let me know reach

2540

01:29:57,910 --> 01:29:55,679

out connect until next time take care

2541

01:30:11,510 --> 01:29:57,920

and bye for now
