***THE FAILED
ROMAN/JEWISH
PSYOP***

#532-MIGUEL-CONNER

1
00:00:05,269 --> 00:00:02,510
Lord I'm not worthy to eat your flesh

2
00:00:07,130 --> 00:00:05,279
not worthy to drink your blood okay I

3
00:00:10,070 --> 00:00:07,140
just come out of confession right right

4
00:00:11,749 --> 00:00:10,080
but it just doesn't work for me I mean

5
00:00:13,370 --> 00:00:11,759
if I do something wrong I just want to

6
00:00:16,490 --> 00:00:13,380
pay for my way

7
00:00:18,410 --> 00:00:16,500
so I do my own Penance for my own sins

8
00:00:20,029 --> 00:00:18,420
what do you say huh

9
00:00:22,910 --> 00:00:20,039
that's a clip from a very old Martin

10
00:00:25,189 --> 00:00:22,920
Scorsese movie Mean Streets it's Harvey

11
00:00:26,390 --> 00:00:25,199
cattell there and Scorsese is going to

12
00:00:29,570 --> 00:00:26,400
come up a couple times in this

13
00:00:31,970 --> 00:00:29,580

introduction to my interview with the

14

00:00:34,430 --> 00:00:31,980

excellent Miguel Connor this is kind of

15

00:00:36,950 --> 00:00:34,440

part two of an interview we did just a

16

00:00:39,590 --> 00:00:36,960

few weeks ago and in this part too I've

17

00:00:41,930 --> 00:00:39,600

pulled Miguel back into my ongoing

18

00:00:44,569 --> 00:00:41,940

fascination with the conspiracy

19

00:00:47,330 --> 00:00:44,579

surrounding the origins of Christianity

20

00:00:49,310 --> 00:00:47,340

so without getting too far into the

21

00:00:51,049 --> 00:00:49,320

weeds which I don't think we can avoid

22

00:00:54,729 --> 00:00:51,059

getting too far into the Weeds on this

23

00:00:57,350 --> 00:00:54,739

topic Martin Scorsese has always been

24

00:00:59,510 --> 00:00:57,360

fascinating to me he's obviously an

25

00:01:02,090 --> 00:00:59,520

incredible filmmaker but he's also

26

00:01:05,450 --> 00:01:02,100

someone who is playing out in his art

27

00:01:07,850 --> 00:01:05,460

the larger Christian drama the questions

28

00:01:10,070 --> 00:01:07,860

of Good and Evil the questions of what

29

00:01:12,109 --> 00:01:10,080

are we supposed to do with our lives and

30

00:01:14,090 --> 00:01:12,119

our sins and all the rest of that but

31

00:01:16,850 --> 00:01:14,100

he's not only playing it out in this

32

00:01:20,450 --> 00:01:16,860

artistic metaphorical archetype kind of

33

00:01:23,210 --> 00:01:20,460

way he's also practicing Catholic he's

34

00:01:24,890 --> 00:01:23,220

meeting with the Pope and he buys into

35

00:01:27,230 --> 00:01:24,900

that stuff

36

00:01:30,710 --> 00:01:27,240

I mean here here's a clip from an

37

00:01:33,590 --> 00:01:30,720

interview he gave about his faith and in

38

00:01:36,469 --> 00:01:33,600

particular his faith as a Catholic

39

00:01:40,310 --> 00:01:36,479

I think it's the depth of faith

40

00:01:41,810 --> 00:01:40,320

that's where I'm on it's the the

41

00:01:44,510 --> 00:01:41,820

struggle for

42

00:01:47,810 --> 00:01:44,520

the very essence of faith

43

00:01:49,789 --> 00:01:47,820

vehicle that one takes towards faith can

44

00:01:52,429 --> 00:01:49,799

be very helpful as a church the

45

00:01:52,429 --> 00:01:53,649

institution of the church the sacraments

46

00:01:58,069 --> 00:01:55,910

yeah I'm kind of with right up until the

47

00:02:01,569 --> 00:01:58,079

end there right up to the vehicle part

48

00:02:06,350 --> 00:02:01,579

what if the vehicle Christianity

49

00:02:09,650 --> 00:02:06,360

Catholicism Judaism the Bible what if

50

00:02:11,449 --> 00:02:09,660

that vehicle isn't what you've been told

51
00:02:14,510 --> 00:02:11,459
it is

52
00:02:17,150 --> 00:02:14,520
what if the real vehicle sounds more

53
00:02:19,190 --> 00:02:17,160
like this a bunch of Roman generals

54
00:02:21,530 --> 00:02:19,200
getting together in a little cave that

55
00:02:23,690 --> 00:02:21,540
they carved out underneath the Vatican

56
00:02:26,570 --> 00:02:23,700
that is the cult of mithras secret

57
00:02:29,030 --> 00:02:26,580
society plotting how they're going to

58
00:02:31,130 --> 00:02:29,040
run the next psyop and even those

59
00:02:33,290 --> 00:02:31,140
Scorsese didn't have a microphone on

60
00:02:36,050 --> 00:02:33,300
that conversation I would suggest he

61
00:02:38,930 --> 00:02:36,060
came pretty close in his movie the

62
00:02:41,690 --> 00:02:38,940
Irishman and in particular in this clip

63
00:02:43,729 --> 00:02:41,700

where the modern day instantiation of

64

00:02:45,650 --> 00:02:43,739

the cult of mithras that being the

65

00:02:47,809 --> 00:02:45,660

Italian mafia are plotting the

66

00:02:49,369 --> 00:02:47,819

assassination of Caesar I mean the

67

00:02:53,030 --> 00:02:49,379

emperor I mean the president of the

68

00:02:55,250 --> 00:02:53,040

United States JFK remember this clip

69

00:02:57,309 --> 00:02:55,260

between Bobby and the FBI I possessed

70

00:02:59,990 --> 00:02:57,319

all the time he's going crazy

71

00:03:03,530 --> 00:03:00,000

tell Jimmy I'm sorry for his troubles

72

00:03:05,690 --> 00:03:03,540

the old time he spoke to the old man the

73

00:03:09,790 --> 00:03:05,700

old man taught this on Jack and he told

74

00:03:11,270 --> 00:03:09,800

them don't forget who the he owes

75

00:03:13,910 --> 00:03:11,280

[Music]

76

00:03:16,270 --> 00:03:13,920

knows who the he owes

77

00:03:19,009 --> 00:03:16,280

so maybe I'm right about the Josephus

78

00:03:21,470 --> 00:03:19,019

Vespasian psyop I think I make a pretty

79

00:03:24,530 --> 00:03:21,480

good case but maybe I'm right maybe I'm

80

00:03:26,630 --> 00:03:24,540

wrong the real point is that it matters

81

00:03:28,490 --> 00:03:26,640

it matters in some fundamental way if

82

00:03:31,789 --> 00:03:28,500

we're going to talk about this here and

83

00:03:35,630 --> 00:03:31,799

now reality I mean on another level as

84

00:03:37,550 --> 00:03:35,640

our excellent guest Miguel Connor brings

85

00:03:39,890 --> 00:03:37,560

us back to at the end

86

00:03:41,690 --> 00:03:39,900

fundamentally it doesn't matter but it

87

00:03:43,789 --> 00:03:41,700

does matter listen to this show but it

88

00:03:46,369 --> 00:03:43,799

doesn't matter listen to this clip the

89

00:03:49,850 --> 00:03:46,379

game doesn't change the most important

90

00:03:52,490 --> 00:03:49,860

thing is you're waking up and your inner

91

00:03:54,589 --> 00:03:52,500

Flame or Soul or Consciousness that's

92

00:03:56,270 --> 00:03:54,599

the most I tell people it doesn't matter

93

00:03:59,630 --> 00:03:56,280

if you walk out today and you see

94

00:04:02,570 --> 00:03:59,640

Bigfoot or you see an alien ship land or

95

00:04:05,570 --> 00:04:02,580

you find out that the Rockefellers are

96

00:04:07,850 --> 00:04:05,580

still worshipping mithras and ruling are

97

00:04:10,369 --> 00:04:07,860

the United States government

98

00:04:12,770 --> 00:04:10,379

your job is still the same which is to

99

00:04:15,589 --> 00:04:12,780

wake up and find out what your purpose

100

00:04:17,749 --> 00:04:15,599

is and move there because the other

101

00:04:20,090 --> 00:04:17,759

things yeah in a way it's fun but

102

00:04:22,550 --> 00:04:20,100

compared to Infinity to as you say

103

00:04:25,310 --> 00:04:22,560

extended Consciousness and all that it's

104

00:04:27,469 --> 00:04:25,320

a a drop in the bucket you know don't

105

00:04:30,050 --> 00:04:27,479

lose sight of the big game which is who

106

00:04:32,390 --> 00:04:30,060

you are which is just an amazing

107

00:04:34,129 --> 00:04:32,400

individual that has purpose and meaning

108

00:04:35,749 --> 00:04:34,139

in this world

109

00:04:38,090 --> 00:04:35,759

stick around for my interview with

110

00:04:41,270 --> 00:04:38,100

Miguel Connor and please I'll put out

111

00:04:42,950 --> 00:04:41,280

the plea again share this show I think

112

00:04:44,749 --> 00:04:42,960

this is such an interesting thing that

113

00:04:46,370 --> 00:04:44,759

we're working on I want to work on it

114

00:04:49,310 --> 00:04:46,380

together I want to hear from other

115

00:04:52,129 --> 00:04:49,320

people in this community who can either

116

00:04:54,770 --> 00:04:52,139

punch holes in this Theory or add

117

00:04:57,230 --> 00:04:54,780

support to it in some way share this

118

00:04:58,909 --> 00:04:57,240

interview with anyone you think would be

119

00:05:00,830 --> 00:04:58,919

interested in hearing it I have a bunch

120

00:05:03,350 --> 00:05:00,840

of new ways of sharing and interacting

121

00:05:04,850 --> 00:05:03,360

on the skeptical website go there and

122

00:05:08,689 --> 00:05:04,860

check it out

123

00:05:10,670 --> 00:05:08,699

and please join me in this fun fun fun

124

00:05:13,909 --> 00:05:10,680

discussion here's my interview with

125

00:05:16,370 --> 00:05:13,919

Miguel Connor nice okay and I say that

126

00:05:17,270 --> 00:05:16,380

Miguel because uh I want to Pivot a

127

00:05:19,850 --> 00:05:17,280

little bit

128

00:05:21,469 --> 00:05:19,860

and I might even break this into two

129

00:05:24,350 --> 00:05:21,479

parts because

130

00:05:25,909 --> 00:05:24,360

I am talking to Miguel Connor from Ann

131

00:05:28,670 --> 00:05:25,919

bite Gnostic radio and we just had a

132

00:05:30,890 --> 00:05:28,680

great chat about his new book 10

133

00:05:31,909 --> 00:05:30,900

snackable meditations and now I want to

134

00:05:34,990 --> 00:05:31,919

pull them in a totally different

135

00:05:38,210 --> 00:05:35,000

direction I felt like I needed to pause

136

00:05:41,150 --> 00:05:38,220

Miguel is one of my go-to people for

137

00:05:44,689 --> 00:05:41,160

these uh kind of book projects I feel

138

00:05:46,610 --> 00:05:44,699

compelled even if no one reads them you

139

00:05:47,510 --> 00:05:46,620

know no one reads books so I don't know

140

00:05:48,830 --> 00:05:47,520

how you're going to do with your book

141

00:05:52,490 --> 00:05:48,840

but

142

00:05:55,670 --> 00:05:52,500

I I think this is really really such a a

143

00:05:57,409 --> 00:05:55,680

an interesting topic for me and it's

144

00:05:59,990 --> 00:05:57,419

right up Miguel's alley so this is going

145

00:06:02,090 --> 00:06:00,000

to be a little bit inside baseball if

146

00:06:03,650 --> 00:06:02,100

you like that then you're gonna might

147

00:06:06,950 --> 00:06:03,660

might enjoy it if you don't then you

148

00:06:08,570 --> 00:06:06,960

might not so Miguel I did kind of tip my

149

00:06:11,330 --> 00:06:08,580

hand here a little bit in terms of what

150

00:06:14,150 --> 00:06:11,340

I wanted to talk to you about but

151
00:06:17,689 --> 00:06:14,160
I've been seeing it almost as a Caesar's

152
00:06:18,770 --> 00:06:17,699
Messiah 2.0 I loved Joe Atwell and I

153
00:06:20,210 --> 00:06:18,780
just have a lot of respect for him he's

154
00:06:21,529 --> 00:06:20,220
been on the show even though he's not

155
00:06:23,029 --> 00:06:21,539
responding to my emails right now

156
00:06:25,189 --> 00:06:23,039
because maybe the last time I had him on

157
00:06:29,210 --> 00:06:25,199
I hit him too hard with the E.T thing

158
00:06:31,909 --> 00:06:29,220
and not everyone is not everyone is as

159
00:06:33,110 --> 00:06:31,919
open as what you are like I said you can

160
00:06:35,330 --> 00:06:33,120
throw you in the middle of the pool and

161
00:06:38,469 --> 00:06:35,340
you you swim to the side I'm going to

162
00:06:41,689 --> 00:06:38,479
jump right into a really uh important

163
00:06:43,909 --> 00:06:41,699

quote that I think is the springboard

164

00:06:46,510 --> 00:06:43,919

for this whole discussion

165

00:06:50,210 --> 00:06:46,520

and again folks inside baseball here so

166

00:06:53,629 --> 00:06:50,220

I don't feel the need to kind of bring

167

00:06:56,570 --> 00:06:53,639

everybody up to speed the point is what

168

00:06:59,930 --> 00:06:56,580

is the origin the true origin of

169

00:07:02,029 --> 00:06:59,940

Christianity and is Christianity best

170

00:07:06,589 --> 00:07:02,039

understood first

171

00:07:09,589 --> 00:07:06,599

as a conspiracy theory as a psyop as an

172

00:07:12,290 --> 00:07:09,599

operation a way to control the

173

00:07:15,469 --> 00:07:12,300

population which the Romans were so so

174

00:07:17,210 --> 00:07:15,479

Adept at is that the first way that we

175

00:07:20,089 --> 00:07:17,220

should consider it that doesn't mean

176

00:07:21,890 --> 00:07:20,099

that you can't have a personal spiritual

177

00:07:23,870 --> 00:07:21,900

relationship with Christ Consciousness I

178

00:07:25,249 --> 00:07:23,880

mean I one no one can tell you you can't

179

00:07:28,370 --> 00:07:25,259

you don't need me to give you the

180

00:07:31,249 --> 00:07:28,380

permission but number two I I I'm

181

00:07:33,589 --> 00:07:31,259

convinced by the evidence that that is

182

00:07:35,629 --> 00:07:33,599

in whatever respect we want to call

183

00:07:37,129 --> 00:07:35,639

genuine that is genuine that's real I

184

00:07:39,050 --> 00:07:37,139

don't know how that works but it

185

00:07:40,490 --> 00:07:39,060

certainly seems to be true that you can

186

00:07:42,350 --> 00:07:40,500

have a genuine personal spiritual

187

00:07:46,730 --> 00:07:42,360

relationship with Jesus that is

188

00:07:50,270 --> 00:07:46,740

completely separate from this and when I

189

00:07:53,150 --> 00:07:50,280

say this I mean none other than

190

00:07:54,490 --> 00:07:53,160

the writings of Josephus and the quick

191

00:07:57,469 --> 00:07:54,500

history reminder

192

00:08:00,710 --> 00:07:57,479

Josephus is the primary source we have

193

00:08:02,930 --> 00:08:00,720

for this history and even the uh idiot

194

00:08:06,110 --> 00:08:02,940

historians who write about Josephus

195

00:08:08,330 --> 00:08:06,120

admit that he's a terrible Source in one

196

00:08:10,670 --> 00:08:08,340

in some respects he's obviously biased

197

00:08:12,950 --> 00:08:10,680

in all these ways but then they say well

198

00:08:15,170 --> 00:08:12,960

gee I know we lost our keys out in the

199

00:08:16,790 --> 00:08:15,180

parking lot but the light is so much

200

00:08:19,129 --> 00:08:16,800

better over here under the Street Lamp

201
00:08:21,290 --> 00:08:19,139
can't we look over here well no you

202
00:08:23,869 --> 00:08:21,300
can't if he's discredited but here's

203
00:08:26,350 --> 00:08:23,879
what he wrote in War of the Jews and I

204
00:08:29,050 --> 00:08:26,360
would suggest deep inside baseball now

205
00:08:31,969 --> 00:08:29,060
this is the first

206
00:08:34,850 --> 00:08:31,979
psyop this is the one that Joe from

207
00:08:37,250 --> 00:08:34,860
Caesar's Messiah missed he missed this

208
00:08:39,290 --> 00:08:37,260
he he's aware of it but he doesn't point

209
00:08:42,350 --> 00:08:39,300
out the significance of it Josephus

210
00:08:44,570 --> 00:08:42,360
writes to his Brethren but what more

211
00:08:46,910 --> 00:08:44,580
than all else incited them to war that

212
00:08:50,810 --> 00:08:46,920
has incited the Jews to Rebel because

213
00:08:54,410 --> 00:08:50,820

this is again this is Josephus writing

214

00:08:56,570 --> 00:08:54,420

as he has joined Vespasian so some

215

00:08:58,430 --> 00:08:56,580

people consider that a turn coat I don't

216

00:09:01,190 --> 00:08:58,440

know what you call it but the Romans

217

00:09:03,530 --> 00:09:01,200

land in Galilee and they put the sword

218

00:09:05,509 --> 00:09:03,540

to this guy's head and say okay dude

219

00:09:07,490 --> 00:09:05,519

what do you think you want to live or

220

00:09:09,530 --> 00:09:07,500

you want to die back to your thing

221

00:09:12,470 --> 00:09:09,540

earlier do you want the million dollars

222

00:09:14,930 --> 00:09:12,480

or do you want to live till tomorrow and

223

00:09:19,550 --> 00:09:14,940

he says you know I like living

224

00:09:21,949 --> 00:09:19,560

so he is then turned to writing to his

225

00:09:23,930 --> 00:09:21,959

uh his audience the Jews and he from the

226

00:09:25,910 --> 00:09:23,940

beginning says I am the Super Jew I know

227

00:09:28,009 --> 00:09:25,920

more about I'm a better Jew than anyone

228

00:09:29,509 --> 00:09:28,019

else because I've studied more the other

229

00:09:31,310 --> 00:09:29,519

thing he says in this writing is I'm

230

00:09:33,170 --> 00:09:31,320

gonna tell you the truth not like these

231

00:09:34,790 --> 00:09:33,180

other historians out there I'm going to

232

00:09:37,250 --> 00:09:34,800

tell you the truth those are josephus's

233

00:09:38,990 --> 00:09:37,260

own words and we're the Jews back to the

234

00:09:41,750 --> 00:09:39,000

thing but what more than all else

235

00:09:44,509 --> 00:09:41,760

incited them to war was it ambiguous

236

00:09:46,670 --> 00:09:44,519

Oracle likewise found in their Sacred

237

00:09:49,370 --> 00:09:46,680

Scriptures to the effect that at the

238

00:09:52,310 --> 00:09:49,380

time one from their country would become

239

00:09:53,329 --> 00:09:52,320

ruler of the world ha Messiah the

240

00:09:55,070 --> 00:09:53,339

Messiah

241

00:09:57,829 --> 00:09:55,080

this they understood would mean someone

242

00:09:59,930 --> 00:09:57,839

of their own race and many of the wise

243

00:10:03,829 --> 00:09:59,940

men went astray in their interpretation

244

00:10:06,769 --> 00:10:03,839

of it all those Jewish Elders at the

245

00:10:09,710 --> 00:10:06,779

temple they went astray Josephus is

246

00:10:14,090 --> 00:10:09,720

telling the general population in Judea

247

00:10:17,750 --> 00:10:14,100

the Oracle however in reality signified

248

00:10:19,250 --> 00:10:17,760

the sovereignty of Vespasian Vespasian

249

00:10:22,550 --> 00:10:19,260

is

250

00:10:24,290 --> 00:10:22,560

Emperor he's Caesar right think Caesar

251
00:10:26,990 --> 00:10:24,300
he's the new Caesar he's the new guy in

252
00:10:29,569 --> 00:10:27,000
town who was proclaimed Emperor on

253
00:10:31,130 --> 00:10:29,579
Jewish soil so what he's saying is hey

254
00:10:34,610 --> 00:10:31,140
you know what you missed this little

255
00:10:37,490 --> 00:10:34,620
trick in there when our our Jewish faith

256
00:10:40,490 --> 00:10:37,500
all our books said that the Messiah

257
00:10:42,290 --> 00:10:40,500
would be a Jew of course they they just

258
00:10:44,329 --> 00:10:42,300
missed it a little bit what they really

259
00:10:46,490 --> 00:10:44,339
meant is that would come from Jewish

260
00:10:47,630 --> 00:10:46,500
soil and this guy Vespasian he landed

261
00:10:50,630 --> 00:10:47,640
here of course he landed here to

262
00:10:52,850 --> 00:10:50,640
slaughter all of us but he was on Jewish

263
00:10:55,970 --> 00:10:52,860

soil when it all happened

264

00:11:00,050 --> 00:10:55,980

my point is this cannot be understood to

265

00:11:02,150 --> 00:11:00,060

me as anything other than a psyop there

266

00:11:05,690 --> 00:11:02,160

can't be anything authentic about this

267

00:11:08,750 --> 00:11:05,700

what do you think oh yeah there's no

268

00:11:11,389 --> 00:11:08,760

doubt about that I mean uh I guess I

269

00:11:14,210 --> 00:11:11,399

should quote Philip K Dick's famous uh

270

00:11:16,550 --> 00:11:14,220

dictum the Empire never ended even if

271

00:11:20,389 --> 00:11:16,560

you don't take it literally the Romans

272

00:11:23,030 --> 00:11:20,399

really created the ultimate uh uh you

273

00:11:25,130 --> 00:11:23,040

might say system for control and they

274

00:11:28,430 --> 00:11:25,140

had complete control over everything I

275

00:11:31,370 --> 00:11:28,440

mean for example magic the Romans over

276

00:11:33,050 --> 00:11:31,380

regulated magic to the point that it

277

00:11:34,970 --> 00:11:33,060

just didn't work and they had their

278

00:11:37,130 --> 00:11:34,980

hands they knew magic could be dangerous

279

00:11:38,389 --> 00:11:37,140

in the hands of a population you had to

280

00:11:41,569 --> 00:11:38,399

be like

281

00:11:43,490 --> 00:11:41,579

in the outside so there was nothing the

282

00:11:45,410 --> 00:11:43,500

Romans had control over everything and

283

00:11:49,430 --> 00:11:45,420

this sort of template has been Borrowed

284

00:11:51,889 --> 00:11:49,440

by Empire after Empire and the scholars

285

00:11:54,290 --> 00:11:51,899

but even before Joette Well Scholars

286

00:11:57,650 --> 00:11:54,300

always said it's so obvious that Luke

287

00:12:00,290 --> 00:11:57,660

the Gospel of Luke borrows heavily from

288

00:12:03,590 --> 00:12:00,300

Josephus that the Acts of the Apostles

289

00:12:05,329 --> 00:12:03,600

again it's all Josephus whoever Luke is

290

00:12:08,509 --> 00:12:05,339

just borrowing things and putting it

291

00:12:11,329 --> 00:12:08,519

with Josephus so but the question has to

292

00:12:13,670 --> 00:12:11,339

be is uh well there's no doubt that the

293

00:12:16,490 --> 00:12:13,680

Roman fingers are on Christianity

294

00:12:18,470 --> 00:12:16,500

because the Romans were smart they knew

295

00:12:20,569 --> 00:12:18,480

they had to control there's evidence of

296

00:12:21,650 --> 00:12:20,579

them controlling other religions there

297

00:12:24,290 --> 00:12:21,660

were

298

00:12:27,110 --> 00:12:24,300

um the question is really when and at

299

00:12:30,769 --> 00:12:27,120

what time I mean for example we quoted

300

00:12:34,490 --> 00:12:30,779

Augustine in uh this our first half Alex

301
00:12:37,190 --> 00:12:34,500
and Augustine famously said Christianity

302
00:12:39,470 --> 00:12:37,200
has always existed since the beginning

303
00:12:41,870 --> 00:12:39,480
of time so so what is he what is

304
00:12:45,170 --> 00:12:41,880
Augustine talking about well he's kind

305
00:12:49,430 --> 00:12:45,180
of hedging his bets or stretching things

306
00:12:53,389 --> 00:12:49,440
in other words the idea of this mystery

307
00:12:57,530 --> 00:12:53,399
Cult of a rising Dying God man whether

308
00:13:00,170 --> 00:12:57,540
it's Addis or Osiris or some of the many

309
00:13:02,930 --> 00:13:00,180
other dying and Rising signifi

310
00:13:05,389 --> 00:13:02,940
signifying the renewal of the land the

311
00:13:08,150 --> 00:13:05,399
renewal of your soul the rebirth all

312
00:13:10,670 --> 00:13:08,160
that had always existed throughout

313
00:13:14,269 --> 00:13:10,680

before the Roman Empire before the

314

00:13:17,030 --> 00:13:14,279

Greeks and that was going around and uh

315

00:13:21,170 --> 00:13:17,040

Christianity was you might say the the

316

00:13:23,269 --> 00:13:21,180

Jewish manifestation of this uh mystery

317

00:13:26,449 --> 00:13:23,279

cult the rising and dying godmen were

318

00:13:29,389 --> 00:13:26,459

getting into acharya sort of domains and

319

00:13:31,190 --> 00:13:29,399

uh Atwell in each area agreed on a lot

320

00:13:34,430 --> 00:13:31,200

of things but disagreed on a lot of

321

00:13:37,129 --> 00:13:34,440

things so when did this cult come in and

322

00:13:40,009 --> 00:13:37,139

when did the Romans say uh what's the

323

00:13:44,569 --> 00:13:40,019

name of the guys who did that book uh

324

00:13:46,970 --> 00:13:44,579

James alefonte I mean and um Warren Way

325

00:13:48,889 --> 00:13:46,980

Warren I forget the name of it but they

326

00:13:51,410 --> 00:13:48,899

put out the book A couple of years ago

327

00:13:53,629 --> 00:13:51,420

where they even bring archaeological

328

00:13:56,810 --> 00:13:53,639

evidence that the vespasians were

329

00:13:58,550 --> 00:13:56,820

creating or infiltrating Christianity

330

00:14:00,410 --> 00:13:58,560

because they're low they're they're

331

00:14:04,189 --> 00:14:00,420

sealed and everything were used by

332

00:14:06,350 --> 00:14:04,199

Christianity before even the Jewish War

333

00:14:08,689 --> 00:14:06,360

um but they think that Paul was probably

334

00:14:11,750 --> 00:14:08,699

not part of this that there was also

335

00:14:14,449 --> 00:14:11,760

another that part of Christianity was

336

00:14:19,189 --> 00:14:14,459

still offering this mystery cult and

337

00:14:21,350 --> 00:14:19,199

hadn't been uh completely uh infected by

338

00:14:24,410 --> 00:14:21,360

the Roman powers and that Joe Atwell

339

00:14:26,509 --> 00:14:24,420

himself says that the gnostics were an

340

00:14:28,370 --> 00:14:26,519

answer to the Roman Corruption of

341

00:14:30,889 --> 00:14:28,380

Christianity because their writings are

342

00:14:33,410 --> 00:14:30,899

so full of parity they're making fun of

343

00:14:35,870 --> 00:14:33,420

the Jewish Orthodoxy they're making fun

344

00:14:37,850 --> 00:14:35,880

of the Roman government they're they're

345

00:14:41,030 --> 00:14:37,860

very in a very subtle way they're

346

00:14:43,730 --> 00:14:41,040

mocking what Christianity had become in

347

00:14:46,490 --> 00:14:43,740

the power of the Roman Empire so it's a

348

00:14:50,509 --> 00:14:46,500

matter of when it happened I mean my

349

00:14:52,790 --> 00:14:50,519

issue is that people always assume

350

00:14:56,090 --> 00:14:52,800

that when Christianity came out you had

351
00:14:58,310 --> 00:14:56,100
the four gospels uh John Mark Luke and

352
00:15:01,009 --> 00:14:58,320
Matthew but that's very far from the

353
00:15:02,810 --> 00:15:01,019
truth I mean you had Marcian in the

354
00:15:06,110 --> 00:15:02,820
second century

355
00:15:09,470 --> 00:15:06,120
saying we need a Bible we need a coded

356
00:15:12,530 --> 00:15:09,480
document a teaching document for this

357
00:15:15,530 --> 00:15:12,540
religion and Marcian went with his idea

358
00:15:17,569 --> 00:15:15,540
of uh the letters of Paul a few and Luke

359
00:15:20,090 --> 00:15:17,579
and his his version of the Gospel of

360
00:15:22,790 --> 00:15:20,100
Luke Marcion also believe we should

361
00:15:25,670 --> 00:15:22,800
abandon Judaism and Christianity should

362
00:15:27,530 --> 00:15:25,680
be completely like a new religion and

363
00:15:29,870 --> 00:15:27,540

there's two Gods there's a God above God

364

00:15:32,990 --> 00:15:29,880

and then there's the Jewish god

365

00:15:34,550 --> 00:15:33,000

and of course that pissed off the early

366

00:15:37,670 --> 00:15:34,560

Church in the middle of the second

367

00:15:39,949 --> 00:15:37,680

century but the point is we didn't most

368

00:15:41,569 --> 00:15:39,959

of Christianity didn't have this idea of

369

00:15:45,410 --> 00:15:41,579

four gospels now you have to go to

370

00:15:47,449 --> 00:15:45,420

irenaeus around 180 A.D he says all

371

00:15:50,030 --> 00:15:47,459

right we're going to get some gospels

372

00:15:51,769 --> 00:15:50,040

and I'm picking four gospels and they

373

00:15:55,069 --> 00:15:51,779

don't have names I'm gonna give them

374

00:15:58,970 --> 00:15:55,079

names John Matthew Luke and uh John

375

00:16:02,329 --> 00:15:58,980

Matthew Luke and and Paul not Paul John

376

00:16:04,550 --> 00:16:02,339

Matthew yeah Mark and Luke and I'm gonna

377

00:16:07,370 --> 00:16:04,560

give them names but then you find out

378

00:16:10,009 --> 00:16:07,380

when you read the letters of irenaeus in

379

00:16:12,889 --> 00:16:10,019

180 he's already in the pocket of the

380

00:16:15,230 --> 00:16:12,899

Roman Emperor Commodus from uh Gladiator

381

00:16:17,990 --> 00:16:15,240

you know the corrupt little shitty

382

00:16:20,449 --> 00:16:18,000

you know Marcus aurelius's son he's in

383

00:16:22,970 --> 00:16:20,459

the pocket of the Roman power so you're

384

00:16:24,470 --> 00:16:22,980

already seeing there in the power so the

385

00:16:27,470 --> 00:16:24,480

question what I'm trying to say with

386

00:16:30,710 --> 00:16:27,480

this long-winded discussion is yes the

387

00:16:33,710 --> 00:16:30,720

Romans got a hold of Christian the

388

00:16:35,749 --> 00:16:33,720

question is when and how much did they

389

00:16:38,030 --> 00:16:35,759

get it because again the idea that there

390

00:16:39,050 --> 00:16:38,040

was four gospels is a second century

391

00:16:40,970 --> 00:16:39,060

idea

392

00:16:42,350 --> 00:16:40,980

see I don't think that's really the

393

00:16:45,949 --> 00:16:42,360

question

394

00:16:49,310 --> 00:16:45,959

I because and I think that's what that

395

00:16:52,189 --> 00:16:49,320

quote that I just offered from Josephus

396

00:16:55,910 --> 00:16:52,199

it pulls us in a different direction

397

00:16:58,670 --> 00:16:55,920

let me play for you a clip from a very

398

00:17:01,189 --> 00:16:58,680

excellent historian Adrian goldsworthy

399

00:17:04,549 --> 00:17:01,199

who I interviewed on the show and uh

400

00:17:06,529 --> 00:17:04,559

this will kind of lead us into a related

401

00:17:09,169 --> 00:17:06,539

discussion but a little bit different

402

00:17:10,970 --> 00:17:09,179

discussion as well if you write about

403

00:17:12,110 --> 00:17:10,980

you know I've written about Caesar I've

404

00:17:13,909 --> 00:17:12,120

written about engineering Cleopatra

405

00:17:16,549 --> 00:17:13,919

Alexander the Great you'll never quite

406

00:17:19,429 --> 00:17:16,559

know what someone else was thinking when

407

00:17:22,490 --> 00:17:19,439

they do something the danger is that you

408

00:17:25,250 --> 00:17:22,500

create an image of what you think Caesar

409

00:17:27,890 --> 00:17:25,260

was like or Cleopatra was like and then

410

00:17:29,990 --> 00:17:27,900

when you come to a gap in the source you

411

00:17:32,990 --> 00:17:30,000

fill it in with well this is what my

412

00:17:34,909 --> 00:17:33,000

Caesar would have done so that's a great

413

00:17:36,230 --> 00:17:34,919

one to start with and then there's

414

00:17:37,430 --> 00:17:36,240

another one I want to play from you a

415

00:17:38,450 --> 00:17:37,440

couple more I want to play from you from

416

00:17:40,070 --> 00:17:38,460

there

417

00:17:40,970 --> 00:17:40,080

here's what I think we're doing with

418

00:17:43,909 --> 00:17:40,980

this

419

00:17:46,669 --> 00:17:43,919

we know how the game ends

420

00:17:50,029 --> 00:17:46,679

we know that Christianity comes to

421

00:17:52,490 --> 00:17:50,039

dominate the world on every level not

422

00:17:56,210 --> 00:17:52,500

just on a spiritual level but on an

423

00:17:58,970 --> 00:17:56,220

economic level on a human suffering

424

00:18:02,150 --> 00:17:58,980

level all these ways we know how the

425

00:18:04,310 --> 00:18:02,160

game ends so we're always crippled by

426
00:18:06,770 --> 00:18:04,320
that in putting the pieces together what

427
00:18:09,350 --> 00:18:06,780
I read in Josephus there is these guys

428
00:18:12,169 --> 00:18:09,360
weren't that smart I mean if you look at

429
00:18:16,070 --> 00:18:12,179
what a half-assed attempt this was

430
00:18:18,470 --> 00:18:16,080
to run a psyop yeah it didn't work I

431
00:18:20,450 --> 00:18:18,480
mean the second Century they rose up

432
00:18:23,330 --> 00:18:20,460
again middle of the second they rose up

433
00:18:25,850 --> 00:18:23,340
again and Hadrian had to destroy Israel

434
00:18:27,830 --> 00:18:25,860
and Christianity was not even a big

435
00:18:30,890 --> 00:18:27,840
player till the what third fourth

436
00:18:32,390 --> 00:18:30,900
Century it was sort of exactly let's

437
00:18:34,490 --> 00:18:32,400
process that a little bit differently

438
00:18:35,750 --> 00:18:34,500

because the way that I'd say is if you

439

00:18:38,750 --> 00:18:35,760

look at this and you go what kind of

440

00:18:41,690 --> 00:18:38,760

hair brain scheme is this you you think

441

00:18:45,409 --> 00:18:41,700

Dia screws up a lot Alex exactly which

442

00:18:47,510 --> 00:18:45,419

which is they screw up all the time to

443

00:18:49,730 --> 00:18:47,520

me that's just making the point you know

444

00:18:51,409 --> 00:18:49,740

you don't have to be good it's the kind

445

00:18:53,270 --> 00:18:51,419

of throw it against the wall and see

446

00:18:55,130 --> 00:18:53,280

what sticks kind of thing and that's how

447

00:18:57,230 --> 00:18:55,140

this looks to me the idea that we're

448

00:18:59,690 --> 00:18:57,240

going to get Judea which has been a real

449

00:19:02,390 --> 00:18:59,700

pain in the ass but mind you they're not

450

00:19:05,210 --> 00:19:02,400

the biggest pain in the ass by any means

451
00:19:08,090 --> 00:19:05,220
and again our history now always wants

452
00:19:10,370 --> 00:19:08,100
to write it up as if oh my God those

453
00:19:11,750 --> 00:19:10,380
damn Jews were so tough well maybe they

454
00:19:14,090 --> 00:19:11,760
were tough but they weren't any more

455
00:19:16,549 --> 00:19:14,100
tough than five of the other provinces

456
00:19:18,350 --> 00:19:16,559
you're fighting against that just is

457
00:19:20,990 --> 00:19:18,360
written up because that that becomes the

458
00:19:23,870 --> 00:19:21,000
story Judaism here's the here's the

459
00:19:26,870 --> 00:19:23,880
truth bomb Judaism this stupid Thunder

460
00:19:29,650 --> 00:19:26,880
God minor little religion has no

461
00:19:32,330 --> 00:19:29,660
business being dragged through history

462
00:19:35,210 --> 00:19:32,340
the only reason it is dragged through

463
00:19:38,270 --> 00:19:35,220

history is because Roman psyop number

464

00:19:40,669 --> 00:19:38,280

two which we can't assume they imagined

465

00:19:42,770 --> 00:19:40,679

would be as nearly as effective as it

466

00:19:45,110 --> 00:19:42,780

was but it really took off and they got

467

00:19:47,870 --> 00:19:45,120

the pieces fell in place and they

468

00:19:49,370 --> 00:19:47,880

co-opted this Rising new thing called

469

00:19:51,890 --> 00:19:49,380

Christianity they didn't even care what

470

00:19:53,990 --> 00:19:51,900

it is and hey you need another you need

471

00:19:56,210 --> 00:19:54,000

the villain in there well it's the Jews

472

00:19:58,789 --> 00:19:56,220

yeah we washed our hands of it and those

473

00:20:00,110 --> 00:19:58,799

freaking Jews they killed Jesus growing

474

00:20:01,549 --> 00:20:00,120

up in Chicago in the Greek Orthodox

475

00:20:03,830 --> 00:20:01,559

church I don't know why we didn't like

476

00:20:05,690 --> 00:20:03,840

the Jews but I just had a sense as a kid

477

00:20:08,029 --> 00:20:05,700

we didn't like them because they killed

478

00:20:09,549 --> 00:20:08,039

Jesus kind of thing we've dragged that

479

00:20:12,529 --> 00:20:09,559

for two

480

00:20:16,310 --> 00:20:12,539

thousand years but the point is when you

481

00:20:18,770 --> 00:20:16,320

look at this original psyop you see some

482

00:20:21,169 --> 00:20:18,780

of the things that you're saying is that

483

00:20:23,390 --> 00:20:21,179

of course this was a silly psyop it had

484

00:20:25,370 --> 00:20:23,400

no business working you know what the

485

00:20:28,010 --> 00:20:25,380

second one the Christian psyup was just

486

00:20:30,350 --> 00:20:28,020

as silly it had no business working but

487

00:20:32,690 --> 00:20:30,360

it did work but let's be mindful of what

488

00:20:34,610 --> 00:20:32,700

Adrian goldsworthy is saying and not

489

00:20:36,890 --> 00:20:34,620

look back on the whole thing and try to

490

00:20:40,190 --> 00:20:36,900

put all the pieces together as if to say

491

00:20:42,470 --> 00:20:40,200

well Judaism what a wonderful tradition

492

00:20:44,690 --> 00:20:42,480

with the Thunder God and follow all

493

00:20:47,390 --> 00:20:44,700

these rules and spin around three times

494

00:20:49,190 --> 00:20:47,400

and you know it's just it's just more of

495

00:20:51,610 --> 00:20:49,200

the silliness and what Christianity

496

00:20:54,470 --> 00:20:51,620

emerged out of that is completely

497

00:20:57,010 --> 00:20:54,480

designed to control the population as we

498

00:20:59,930 --> 00:20:57,020

saw Constantine can you get a less

499

00:21:01,669 --> 00:20:59,940

authentic spiritual player than

500

00:21:03,950 --> 00:21:01,679

Constantine he certainly wasn't

501
00:21:06,470 --> 00:21:03,960
Christian whatever the hell he was so

502
00:21:08,149 --> 00:21:06,480
that's the level of deconstruction I

503
00:21:10,310 --> 00:21:08,159
want to do on this thing and I know I've

504
00:21:12,710 --> 00:21:10,320
laid a lot on the table but you can kind

505
00:21:14,510 --> 00:21:12,720
of see where I'm kind of pushing back on

506
00:21:17,750 --> 00:21:14,520
the The Narrative that we've been

507
00:21:20,690 --> 00:21:17,760
conditioned to kind of buy into

508
00:21:22,610 --> 00:21:20,700
yeah yeah for sure again you have to

509
00:21:24,649 --> 00:21:22,620
look at everything as I'm learning

510
00:21:26,630 --> 00:21:24,659
everything you thought you knew is false

511
00:21:29,149 --> 00:21:26,640
everything you learned right after is

512
00:21:31,909 --> 00:21:29,159
false I mean it just it continuously

513
00:21:34,370 --> 00:21:31,919

goes and I should add to this I think to

514

00:21:39,049 --> 00:21:34,380

the Romans it was important because the

515

00:21:40,850 --> 00:21:39,059

the the second temple was a huge Cash

516

00:21:42,289 --> 00:21:40,860

Cow it was one of the biggest buildings

517

00:21:45,590 --> 00:21:42,299

in the world they were made they were

518

00:21:47,450 --> 00:21:45,600

making a ton of money from taxes so they

519

00:21:49,310 --> 00:21:47,460

did have some vested interests and then

520

00:21:51,710 --> 00:21:49,320

they decided oh screw it this is too

521

00:21:53,930 --> 00:21:51,720

much of a pain in the butt let's get rid

522

00:21:56,810 --> 00:21:53,940

of it yeah for your listeners uh watch

523

00:21:58,909 --> 00:21:56,820

that movie uh air America with Tom

524

00:22:01,310 --> 00:21:58,919

Cruise which kind of shows you what CIA

525

00:22:03,649 --> 00:22:01,320

does they just throw money they have so

526

00:22:06,110 --> 00:22:03,659

much money the Romans were doing that

527

00:22:09,049 --> 00:22:06,120

with the experiment so it's a question

528

00:22:11,750 --> 00:22:09,059

of why Christianity if some have said uh

529

00:22:14,149 --> 00:22:11,760

an exclusive religion was probably

530

00:22:17,390 --> 00:22:14,159

better to work with things some have

531

00:22:19,310 --> 00:22:17,400

said the cult of mithras was becoming so

532

00:22:21,409 --> 00:22:19,320

popular was much more popular than

533

00:22:23,870 --> 00:22:21,419

Christianity but the problem with the

534

00:22:26,330 --> 00:22:23,880

cult of me through us is that it was a

535

00:22:30,169 --> 00:22:26,340

Roman soldier religion it was very

536

00:22:32,270 --> 00:22:30,179

popular and it had Persian Origins and

537

00:22:35,090 --> 00:22:32,280

it might have been like oh what if

538

00:22:37,549 --> 00:22:35,100

mithras is a Persian psyop and the

539

00:22:40,130 --> 00:22:37,559

parthians are going to use this to bring

540

00:22:42,110 --> 00:22:40,140

down the Roman Empire so we need a

541

00:22:44,330 --> 00:22:42,120

bulwark we need something to counter it

542

00:22:46,850 --> 00:22:44,340

so we're going to create this God or

543

00:22:49,669 --> 00:22:46,860

this religion that's pretty much very

544

00:22:52,010 --> 00:22:49,679

similar to mithras you know the the host

545

00:22:55,370 --> 00:22:52,020

and the sitting down and the formalities

546

00:22:57,289 --> 00:22:55,380

and all that so that's another uh idea

547

00:22:59,930 --> 00:22:57,299

that definitely has to be explored of

548

00:23:03,049 --> 00:22:59,940

why Christianity became what it is

549

00:23:05,990 --> 00:23:03,059

because like you said it was a uh again

550

00:23:08,110 --> 00:23:06,000

Hadrian had to destroy Israel because

551

00:23:10,730 --> 00:23:08,120

the psyth didn't work with the Jews

552

00:23:13,730 --> 00:23:10,740

Christianity was just a small religion

553

00:23:15,770 --> 00:23:13,740

that Romans and Greeks and others

554

00:23:18,169 --> 00:23:15,780

scoffed at until the third fourth

555

00:23:20,930 --> 00:23:18,179

century and how it became true and in

556

00:23:23,390 --> 00:23:20,940

fact even then the idea of Christianity

557

00:23:27,289 --> 00:23:23,400

being this world player is kind of false

558

00:23:29,450 --> 00:23:27,299

Alex uh you've had Diana pasulka on your

559

00:23:31,310 --> 00:23:29,460

show and she's actually her first job

560

00:23:34,310 --> 00:23:31,320

beside being one of the leading

561

00:23:37,610 --> 00:23:34,320

Authorities on ufology was a Catholic

562

00:23:40,430 --> 00:23:37,620

scholar and she said that the Roman

563

00:23:42,830 --> 00:23:40,440

Catholic Church that we know didn't

564

00:23:45,230 --> 00:23:42,840

really happen until the 12th 13th

565

00:23:48,110 --> 00:23:45,240

century it was a very loose

566

00:23:50,690 --> 00:23:48,120

uh real relaxed people went to church

567

00:23:52,730 --> 00:23:50,700

maybe once a month the church didn't

568

00:23:55,190 --> 00:23:52,740

have as much power the pope wasn't even

569

00:23:58,669 --> 00:23:55,200

in Rome he was in France it was only

570

00:24:00,590 --> 00:23:58,679

until the Inquisition and the Crusades

571

00:24:02,990 --> 00:24:00,600

that Rome that the Catholic Church

572

00:24:06,110 --> 00:24:03,000

became this sort of corporation that we

573

00:24:08,149 --> 00:24:06,120

know about world Dominion dominating and

574

00:24:10,490 --> 00:24:08,159

all that and before that you had it was

575

00:24:12,590 --> 00:24:10,500

loose he had the Byzantine Empire which

576

00:24:16,070 --> 00:24:12,600

had his thing he had all these different

577

00:24:19,370 --> 00:24:16,080

sects going on and as eliminating each

578

00:24:22,789 --> 00:24:19,380

other and vying for money so even our

579

00:24:25,130 --> 00:24:22,799

idea of this holy church popping up and

580

00:24:27,409 --> 00:24:25,140

ruling the world and killing witches and

581

00:24:29,029 --> 00:24:27,419

all that that's that that didn't happen

582

00:24:31,430 --> 00:24:29,039

until the Middle Ages so it's

583

00:24:33,590 --> 00:24:31,440

interesting how uh yeah how we learn

584

00:24:37,010 --> 00:24:33,600

these things let me throw a couple other

585

00:24:39,289 --> 00:24:37,020

Clips on the table so the the point that

586

00:24:41,090 --> 00:24:39,299

you're making there is something that me

587

00:24:44,510 --> 00:24:41,100

and David Matheson

588

00:24:47,870 --> 00:24:44,520

talked a lot about and that is the the

589

00:24:49,970 --> 00:24:47,880

mithras called The mithrin Cult and I I

590

00:24:52,250 --> 00:24:49,980

think it's best understood and David

591

00:24:53,510 --> 00:24:52,260

certainly agrees with this as a secret

592

00:24:56,570 --> 00:24:53,520

society

593

00:24:58,190 --> 00:24:56,580

rather than than a cult or religion it

594

00:24:59,810 --> 00:24:58,200

was a bunch of soldiers getting together

595

00:25:02,029 --> 00:24:59,820

deciding who are they going to

596

00:25:04,070 --> 00:25:02,039

assassinate and I think it's been copied

597

00:25:06,710 --> 00:25:04,080

over and over and over again throughout

598

00:25:10,250 --> 00:25:06,720

history these guys you know when

599

00:25:12,769 --> 00:25:10,260

vispasian takes power becomes Caesar

600

00:25:14,690 --> 00:25:12,779

they had gone through a period of a year

601
00:25:17,450 --> 00:25:14,700
where they had assassinated four

602
00:25:19,010 --> 00:25:17,460
different Emperors so they'd come in and

603
00:25:21,710 --> 00:25:19,020
the secret society would get together

604
00:25:23,510 --> 00:25:21,720
and say nah don't like him so much boom

605
00:25:25,730 --> 00:25:23,520
he's gone next one's gone and they were

606
00:25:27,830 --> 00:25:25,740
the ones ruling I mean does this sound a

607
00:25:29,870 --> 00:25:27,840
little bit like today here's a clip

608
00:25:32,390 --> 00:25:29,880
between Bobby and the FBI I possessed

609
00:25:34,669 --> 00:25:32,400
all the time he's going crazy

610
00:25:38,149 --> 00:25:34,679
tell Jimmy I'm sorry for his troubles

611
00:25:40,370 --> 00:25:38,159
the old time I spoke to the old man the

612
00:25:45,529 --> 00:25:40,380
old man taught this on Jack and he told

613
00:25:50,630 --> 00:25:49,010

he knows who the he owes

614

00:25:52,250 --> 00:25:50,640

let me jump in here for just a minute

615

00:25:53,690 --> 00:25:52,260

and explain something because I think I

616

00:25:55,610 --> 00:25:53,700

kind of threw Miguel off a little bit

617

00:25:58,190 --> 00:25:55,620

with that clip and maybe I threw you off

618

00:26:00,890 --> 00:25:58,200

too that's a clip from the Irishman and

619

00:26:04,730 --> 00:26:00,900

that's Joe Pesci and Robert De Niro and

620

00:26:07,750 --> 00:26:04,740

to me this is like listening into the

621

00:26:10,970 --> 00:26:07,760

cult of mithras this is listening into

622

00:26:13,850 --> 00:26:10,980

these guys who got together who really

623

00:26:16,669 --> 00:26:13,860

ran the secret society that brought

624

00:26:18,529 --> 00:26:16,679

about the phony Christianity that we

625

00:26:21,769 --> 00:26:18,539

have so I kind of explained that a

626

00:26:25,130 --> 00:26:21,779

little bit to Miguel and then I pivoted

627

00:26:27,289 --> 00:26:25,140

over to a clip from David Matheson and

628

00:26:29,930 --> 00:26:27,299

the interview we did about all this good

629

00:26:31,970 --> 00:26:29,940

old Roman psyop stuff here we are

630

00:26:34,789 --> 00:26:31,980

talking about the Dead Sea Scrolls and

631

00:26:37,130 --> 00:26:34,799

in particular the Copper Scroll it was

632

00:26:38,690 --> 00:26:37,140

all rolled up on copper and so old these

633

00:26:42,529 --> 00:26:38,700

scrolls are found that Dead Sea Scrolls

634

00:26:45,710 --> 00:26:42,539

found in the 1940s fragments of over 900

635

00:26:48,289 --> 00:26:45,720

texts manuscripts and in thousands of

636

00:26:50,930 --> 00:26:48,299

pieces like jigsaw puzzles discovered in

637

00:26:53,450 --> 00:26:50,940

the 40s and then given into the hands of

638

00:26:55,490 --> 00:26:53,460

an international group of Scholars who

639

00:26:58,250 --> 00:26:55,500

kept the Dead Sea Scrolls basically

640

00:26:59,390 --> 00:26:58,260

under wraps for their entire lives they

641

00:27:02,090 --> 00:26:59,400

didn't let anyone

642

00:27:05,630 --> 00:27:02,100

see anything but there's one scroll

643

00:27:07,070 --> 00:27:05,640

known as the copper the Copper Scroll

644

00:27:08,510 --> 00:27:07,080

and you see it on the right hand side of

645

00:27:11,390 --> 00:27:08,520

your screen it looks very different than

646

00:27:14,149 --> 00:27:11,400

the the written scroll the Copper Scroll

647

00:27:16,190 --> 00:27:14,159

it was it was all rolled up on copper

648

00:27:18,289 --> 00:27:16,200

and so old that they had to cut in part

649

00:27:21,049 --> 00:27:18,299

and so that's why these pieces now look

650

00:27:23,810 --> 00:27:21,059

kind of like like a half of a tube what

651
00:27:25,970 --> 00:27:23,820
is the Copper Scroll it's basically the

652
00:27:27,470 --> 00:27:25,980
list of treasure this is how it reads

653
00:27:29,149 --> 00:27:27,480
this is the first words of the Copper

654
00:27:30,950 --> 00:27:29,159
Scroll not the part that I'm showing by

655
00:27:33,529 --> 00:27:30,960
the way that's like piece number 18 but

656
00:27:35,870 --> 00:27:33,539
on piece one it says in the ruin that's

657
00:27:38,090 --> 00:27:35,880
in the valley of acor under the steps

658
00:27:40,070 --> 00:27:38,100
with the entrance at the East so go to

659
00:27:42,830 --> 00:27:40,080
the ruins find the entrance that's on

660
00:27:46,970 --> 00:27:42,840
the east then under the steps a distance

661
00:27:50,510 --> 00:27:46,980
of 40 cubits a strong box of silver and

662
00:27:52,789 --> 00:27:50,520
its vessels with a weight of 17 talents

663
00:27:55,070 --> 00:27:52,799

which by the way a talent at that time

664

00:27:58,370 --> 00:27:55,080

New Testament Talent OR that period

665

00:28:03,470 --> 00:27:58,380

Talent 129 pounds so that's 129 pounds

666

00:28:07,010 --> 00:28:03,480

of silver tie I'm 17 that's a lot

667

00:28:10,250 --> 00:28:07,020

okay so uh still still some more I Gotta

668

00:28:12,830 --> 00:28:10,260

Throw on the table since I have Miguel

669

00:28:15,230 --> 00:28:12,840

here but you see where I'm going with

670

00:28:18,529 --> 00:28:15,240

this the first clip the reason I played

671

00:28:19,610 --> 00:28:18,539

the long Joe Pesci clip is that's what's

672

00:28:21,169 --> 00:28:19,620

hanging

673

00:28:23,990 --> 00:28:21,179

in Rome

674

00:28:26,690 --> 00:28:24,000

the meeting of the mythrous cult that's

675

00:28:29,269 --> 00:28:26,700

how they talk and that's how modern day

676

00:28:30,889 --> 00:28:29,279

guys talk about we're gonna knock off

677

00:28:33,830 --> 00:28:30,899

the Kennedys we're gonna do this

678

00:28:37,130 --> 00:28:33,840

we're going to decide who's in control

679

00:28:39,769 --> 00:28:37,140

what Matheson is adding which I think is

680

00:28:41,510 --> 00:28:39,779

and this is the contrast to what you

681

00:28:44,210 --> 00:28:41,520

were talking about right is the

682

00:28:47,570 --> 00:28:44,220

spiritual when did Christianity come and

683

00:28:50,029 --> 00:28:47,580

what about Augustus hey I'm down for

684

00:28:54,669 --> 00:28:50,039

all that but first don't we need to

685

00:28:57,710 --> 00:28:54,679

understand the more uh materialistic

686

00:29:00,169 --> 00:28:57,720

archaeological kind of history and the

687

00:29:03,110 --> 00:29:00,179

human history of what we did here's

688

00:29:04,310 --> 00:29:03,120

another interview that just shook my

689

00:29:06,529 --> 00:29:04,320

world

690

00:29:08,930 --> 00:29:06,539

I'll pull it up on the screen and it's a

691

00:29:12,649 --> 00:29:08,940

guy named uh David Brody and he wrote a

692

00:29:16,310 --> 00:29:12,659

book called romerica and what he found

693

00:29:19,850 --> 00:29:16,320

was all this archaeological evidence of

694

00:29:21,950 --> 00:29:19,860

the Romans being in America

695

00:29:24,289 --> 00:29:21,960

in the second century

696

00:29:27,169 --> 00:29:24,299

but the connection to it is much much

697

00:29:29,450 --> 00:29:27,179

more interesting because what he says is

698

00:29:32,529 --> 00:29:29,460

in that second sacking

699

00:29:36,590 --> 00:29:32,539

of the Temple what he suspects happened

700

00:29:38,990 --> 00:29:36,600

is that the Roman uh the ninth legion of

701
00:29:41,269 --> 00:29:39,000
Rome which is this mysterious Legion

702
00:29:43,549 --> 00:29:41,279
that disappears you know they just kind

703
00:29:45,710 --> 00:29:43,559
of disappear from history well they were

704
00:29:47,930 --> 00:29:45,720
in if you know anything about Rome they

705
00:29:50,630 --> 00:29:47,940
have these Legions and they kind of go

706
00:29:52,610 --> 00:29:50,640
off to these far parts of the Empire and

707
00:29:56,930 --> 00:29:52,620
they kind of never come back the ninth

708
00:29:58,789 --> 00:29:56,940
Legion is in Britannia for like 40 years

709
00:30:00,649 --> 00:29:58,799
and they're all married up with all the

710
00:30:03,110 --> 00:30:00,659
Welsh girls and all that stuff they have

711
00:30:06,049 --> 00:30:03,120
they've never been to and suddenly get

712
00:30:08,330 --> 00:30:06,059
the orders and saying hey buddy need you

713
00:30:10,130 --> 00:30:08,340

back in Judea you guys didn't do it the

714

00:30:11,630 --> 00:30:10,140

first time we're gonna do it what he

715

00:30:14,269 --> 00:30:11,640

suspects is they went there and they got

716

00:30:15,830 --> 00:30:14,279

to the door and the guy said look do you

717

00:30:17,750 --> 00:30:15,840

want to kill the temple or they'll tell

718

00:30:19,610 --> 00:30:17,760

you what I kind of know where there

719

00:30:22,549 --> 00:30:19,620

might be some treasure

720

00:30:24,470 --> 00:30:22,559

and he goes yeah but uh what what what's

721

00:30:25,549 --> 00:30:24,480

going to happen to you you give me the

722

00:30:27,289 --> 00:30:25,559

treasure you're going to get killed

723

00:30:29,330 --> 00:30:27,299

right he goes That's why I was thinking

724

00:30:31,970 --> 00:30:29,340

maybe I come along with you on the boats

725

00:30:33,649 --> 00:30:31,980

you know and that's what he finds that's

726

00:30:36,169 --> 00:30:33,659

what the archaeological evidence says

727

00:30:39,110 --> 00:30:36,179

they not only find all these Roman coins

728

00:30:41,570 --> 00:30:39,120

David Brody does in his book America but

729

00:30:45,110 --> 00:30:41,580

he also finds where they've built in the

730

00:30:46,510 --> 00:30:45,120

big Midori in the in the earth and all

731

00:30:51,350 --> 00:30:46,520

these other

732

00:30:52,549 --> 00:30:51,360

Jewish religious symbols in 2nd Century

733

00:30:55,730 --> 00:30:52,559

America

734

00:30:56,990 --> 00:30:55,740

so here's the here's the upshot to that

735

00:30:58,490 --> 00:30:57,000

and then I'm going to get back to you

736

00:31:01,009 --> 00:30:58,500

but I want to lay the whole thing on you

737

00:31:04,549 --> 00:31:01,019

I got to give you the whole picture to

738

00:31:08,690 --> 00:31:04,559

get your to get your full answer

739

00:31:12,769 --> 00:31:11,090

let me throw out one pet Theory just

740

00:31:14,029 --> 00:31:12,779

indulge me it'll be short but it has

741

00:31:16,570 --> 00:31:14,039

kind of emerged from a couple of

742

00:31:20,690 --> 00:31:16,580

different guests that I've talked to so

743

00:31:23,389 --> 00:31:20,700

Josephus kind of famously says hey and I

744

00:31:25,730 --> 00:31:23,399

have a revelation you're going to be you

745

00:31:27,950 --> 00:31:25,740

know Caesar and the in the copper

746

00:31:30,830 --> 00:31:27,960

Scrolls the Dead Sea Scrolls the Copper

747

00:31:32,570 --> 00:31:30,840

Scroll is a treasure map and at the

748

00:31:34,610 --> 00:31:32,580

bottom of the treasure map it says and

749

00:31:38,330 --> 00:31:34,620

this is a copy

750

00:31:41,509 --> 00:31:38,340

Josephus being Josephus super Elite

751
00:31:45,049 --> 00:31:41,519
among the Jewish Elite what if he knows

752
00:31:46,850 --> 00:31:45,059
basically the idea what's in the

753
00:31:49,310 --> 00:31:46,860
information contained in that Copper

754
00:31:52,009 --> 00:31:49,320
Scroll what if he has the treasure map

755
00:31:54,110 --> 00:31:52,019
in his head and what if that is his real

756
00:31:55,730 --> 00:31:54,120
bargaining chip with Vespasian because

757
00:31:58,370 --> 00:31:55,740
it is interesting isn't it that

758
00:32:01,310 --> 00:31:58,380
Vespasian who is the soldier soldier but

759
00:32:02,690 --> 00:32:01,320
really you know in unique ways isn't in

760
00:32:04,310 --> 00:32:02,700
line to be the emperor doesn't have the

761
00:32:06,529 --> 00:32:04,320
bloodline doesn't you know it has kind

762
00:32:08,870 --> 00:32:06,539
of been cast out by Nero something

763
00:32:10,909 --> 00:32:08,880

happens and now he goes down to Egypt

764

00:32:13,669 --> 00:32:10,919

and he seems to have a lot of dough to

765

00:32:15,769 --> 00:32:13,679

assemble an army and he shows up in Rome

766

00:32:18,529 --> 00:32:15,779

and everyone's like oh okay I guess

767

00:32:19,730 --> 00:32:18,539

you're the guy how far off is that do we

768

00:32:21,590 --> 00:32:19,740

have anything that would directly

769

00:32:23,149 --> 00:32:21,600

contradict that idea I mean the thing is

770

00:32:26,570 --> 00:32:23,159

you've got to remember the timing so

771

00:32:29,269 --> 00:32:26,580

this is 67. Nero still alive

772

00:32:30,950 --> 00:32:29,279

until a few months later where all the

773

00:32:32,330 --> 00:32:30,960

bad decisions and the craziness he's

774

00:32:34,250 --> 00:32:32,340

done I mean I've just been to the

775

00:32:35,870 --> 00:32:34,260

British museum I could listen to Adrian

776

00:32:37,430 --> 00:32:35,880

goldsworthy for a long time but it's

777

00:32:39,649 --> 00:32:37,440

probably a little bit too much for this

778

00:32:43,669 --> 00:32:39,659

show the point is

779

00:32:45,950 --> 00:32:43,679

he's not unfriendly to the theory that

780

00:32:49,310 --> 00:32:45,960

what we're really looking at in Josephus

781

00:32:52,370 --> 00:32:49,320

is not someone who psychically had a

782

00:32:54,590 --> 00:32:52,380

precognitive vision of the space in

783

00:32:57,289 --> 00:32:54,600

becoming Empire but a guy who knew where

784

00:32:59,810 --> 00:32:57,299

the silver was buried and said

785

00:33:02,690 --> 00:32:59,820

bring me along and I'll show you where

786

00:33:06,169 --> 00:33:02,700

the treasure is just like the ninth

787

00:33:08,750 --> 00:33:06,179

Roman legion did 60 years later however

788

00:33:10,909 --> 00:33:08,760

many years later that is it's just it's

789

00:33:13,130 --> 00:33:10,919

it's just human nature this is how

790

00:33:15,110 --> 00:33:13,140

things get done this is how Joe Pesci

791

00:33:16,970 --> 00:33:15,120

and Bobby De Niro would have done it

792

00:33:20,090 --> 00:33:16,980

what do you think I've laid that later

793

00:33:23,870 --> 00:33:20,100

but this is Caesar's Messiah 2.0 this

794

00:33:27,169 --> 00:33:23,880

changes it substantially it's not about

795

00:33:30,470 --> 00:33:27,179

a grand conspiracy they were not that

796

00:33:32,149 --> 00:33:30,480

smart they were just doing the next best

797

00:33:34,070 --> 00:33:32,159

thing like you're saying just the next

798

00:33:36,169 --> 00:33:34,080

thing about what what might work well

799

00:33:38,389 --> 00:33:36,179

throw this thing out there that the

800

00:33:39,950 --> 00:33:38,399

whole Jewish religion is Vespasian is

801

00:33:41,990 --> 00:33:39,960

the Messiah oh that didn't work okay

802

00:33:43,850 --> 00:33:42,000

throw this next thing out there let's

803

00:33:46,610 --> 00:33:43,860

see if that works

804

00:33:48,710 --> 00:33:46,620

no government propaganda let's try

805

00:33:50,810 --> 00:33:48,720

different things we see it today we see

806

00:33:52,789 --> 00:33:50,820

it throughout history so it makes it and

807

00:33:55,610 --> 00:33:52,799

yes I've also read yeah they have found

808

00:33:59,090 --> 00:33:55,620

Roman coins and I think Brazil or

809

00:34:01,970 --> 00:33:59,100

Northern South America so yeah this all

810

00:34:03,409 --> 00:34:01,980

makes sense perfectly uh and like I said

811

00:34:07,130 --> 00:34:03,419

I like where you're going with this

812

00:34:09,710 --> 00:34:07,140

because this shows how governments work

813

00:34:11,810 --> 00:34:09,720

the mind control works I mean we know I

814

00:34:14,750 --> 00:34:11,820

like to think there's a doctor evil with

815

00:34:17,149 --> 00:34:14,760

some Grand evil scheme but like you said

816

00:34:20,629 --> 00:34:17,159

it's people trying to save their jobs as

817

00:34:23,389 --> 00:34:20,639

think tanks it's uh people being greedy

818

00:34:25,609 --> 00:34:23,399

wanting to retire first the different

819

00:34:27,710 --> 00:34:25,619

Roman soldiers simply wanted to make

820

00:34:29,810 --> 00:34:27,720

money to bring back to their family and

821

00:34:33,050 --> 00:34:29,820

that's always important in any situation

822

00:34:35,450 --> 00:34:33,060

so as I say it's complicated and uh I

823

00:34:38,030 --> 00:34:35,460

would agree with you too that mithras or

824

00:34:40,970 --> 00:34:38,040

I'm gonna State mithras really is the

825

00:34:43,790 --> 00:34:40,980

overarching god of Western Civilization

826

00:34:45,950 --> 00:34:43,800

he really rules our days today and from

827

00:34:48,889 --> 00:34:45,960

Skull and Bones to

828

00:34:51,950 --> 00:34:48,899

uh so many secret societies and he keeps

829

00:34:53,869 --> 00:34:51,960

popping up even in the Persian times and

830

00:34:57,230 --> 00:34:53,879

it's a side track but if someone said

831

00:34:59,030 --> 00:34:57,240

the people like Cyrus and all those they

832

00:35:00,470 --> 00:34:59,040

probably were secretly worshipping me

833

00:35:02,690 --> 00:35:00,480

through us because this is the kind of

834

00:35:05,690 --> 00:35:02,700

God that gets things done because they

835

00:35:07,790 --> 00:35:05,700

would sacrifice animals and zoroaster

836

00:35:10,190 --> 00:35:07,800

very much said you do not sacrifice

837

00:35:12,950 --> 00:35:10,200

animals under the religion of the

838

00:35:15,829 --> 00:35:12,960

Persians but you see these hints going

839

00:35:18,589 --> 00:35:15,839

on in these this meter keeps popping up

840

00:35:20,569 --> 00:35:18,599

here and there and so again you wonder

841

00:35:23,089 --> 00:35:20,579

if there was this parallel competition

842

00:35:26,089 --> 00:35:23,099

later on with mithras and Christianity

843

00:35:28,490 --> 00:35:26,099

but I think in a way mithras continued

844

00:35:31,550 --> 00:35:28,500

to be the ruling God of Western Society

845

00:35:34,069 --> 00:35:31,560

I guess the big question Miguel that I'd

846

00:35:37,550 --> 00:35:34,079

love you to dive into is

847

00:35:39,050 --> 00:35:37,560

how are we to understand our here in Now

848

00:35:40,550 --> 00:35:39,060

history back to the beginning this

849

00:35:43,490 --> 00:35:40,560

interview this

850

00:35:45,530 --> 00:35:43,500

reaction that we all have to what we see

851

00:35:48,290 --> 00:35:45,540

going on in our day just like people

852

00:35:50,630 --> 00:35:48,300

have seen and reacted to throughout

853

00:35:53,630 --> 00:35:50,640

history they had their own thing

854

00:35:56,930 --> 00:35:53,640

how do we balance that with this

855

00:35:59,630 --> 00:35:56,940

extended Consciousness relationship that

856

00:36:02,089 --> 00:35:59,640

we have with Gods with Spirits with

857

00:36:04,790 --> 00:36:02,099

other entities because I think that's so

858

00:36:06,829 --> 00:36:04,800

much what your book is all about and

859

00:36:09,589 --> 00:36:06,839

your work is all about and

860

00:36:11,329 --> 00:36:09,599

we have to serve both so how do we do

861

00:36:14,810 --> 00:36:11,339

that

862

00:36:17,450 --> 00:36:14,820

well as I as I tell people the game

863

00:36:21,109 --> 00:36:17,460

doesn't change the most important thing

864

00:36:23,690 --> 00:36:21,119

is you're waking up and your inner Flame

865

00:36:25,790 --> 00:36:23,700

or Soul or Consciousness that's the most

866

00:36:28,130 --> 00:36:25,800

I tell people it doesn't matter if you

867

00:36:31,370 --> 00:36:28,140

walk out today and you see Bigfoot or

868

00:36:33,910 --> 00:36:31,380

you see an alien ship land or you find

869

00:36:36,650 --> 00:36:33,920

out that the Rockefellers are still

870

00:36:38,630 --> 00:36:36,660

worshiping mithras and ruling are the

871

00:36:41,150 --> 00:36:38,640

United States government

872

00:36:43,550 --> 00:36:41,160

your job is still the same which is to

873

00:36:46,849 --> 00:36:43,560

wake up and find out what your purpose

874

00:36:49,250 --> 00:36:46,859

is and move there because uh these

875

00:36:52,370 --> 00:36:49,260

things are fun Alex but you know for

876

00:36:55,690 --> 00:36:52,380

example JFK it's so obvious it's tedious

877

00:36:58,130 --> 00:36:55,700

what did James Corbett or Corbett say uh

878

00:37:01,310 --> 00:36:58,140

conspiracy is just history plus time

879

00:37:03,050 --> 00:37:01,320

there's so much time with JFK that I

880

00:37:05,390 --> 00:37:03,060

can't believe anybody is still holding

881

00:37:08,390 --> 00:37:05,400

on to the notion of the single shooter

882

00:37:10,790 --> 00:37:08,400

or whatever the hell but you're still

883

00:37:13,250 --> 00:37:10,800

going to have yearly conferences with

884

00:37:15,589 --> 00:37:13,260

JFK people going and arguing and

885

00:37:18,589 --> 00:37:15,599

debating and paper that's going to go on

886

00:37:21,050 --> 00:37:18,599

for Generations so

887

00:37:23,210 --> 00:37:21,060

you might as well not you might as well

888

00:37:27,170 --> 00:37:23,220

continue going down the path like you

889

00:37:29,750 --> 00:37:27,180

from uh Caesar's Messiah 1.0 to 2.0 or

890

00:37:31,490 --> 00:37:29,760

finding out mithras or all this stuff

891

00:37:33,770 --> 00:37:31,500

all this journey that we're in but the

892

00:37:37,010 --> 00:37:33,780

game hasn't changed you need to keep

893

00:37:39,950 --> 00:37:37,020

waking up and you need to be as good as

894

00:37:42,589 --> 00:37:39,960

you can and be there for others the

895

00:37:45,230 --> 00:37:42,599

least of our brothers as I talk about an

896

00:37:48,170 --> 00:37:45,240

ambide and the answers will come but uh

897

00:37:50,450 --> 00:37:48,180

the other things in a way it's fun but

898

00:37:53,030 --> 00:37:50,460

compared to Infinity to as you say

899

00:37:55,730 --> 00:37:53,040

extended Consciousness and all that it's

900

00:37:57,829 --> 00:37:55,740

a a drop in the bucket you know don't

901
00:38:00,470 --> 00:37:57,839
lose sight of the big game which is who

902
00:38:02,810 --> 00:38:00,480
you are which is just an amazing

903
00:38:04,190 --> 00:38:02,820
individual that has purpose and meaning

904
00:38:08,210 --> 00:38:04,200
in this world

905
00:38:10,670 --> 00:38:08,220
can't can't top that unbelievable Miguel

906
00:38:14,030 --> 00:38:10,680
so tell folks as we wrap it up what's

907
00:38:15,890 --> 00:38:14,040
going on with you in the in the Aeon

908
00:38:18,470 --> 00:38:15,900
bite world

909
00:38:20,750 --> 00:38:18,480
oh lots of stuff going on I keep putting

910
00:38:24,050 --> 00:38:20,760
out the shows with some uh amazing

911
00:38:26,630 --> 00:38:24,060
guests and my my intros I keep trying to

912
00:38:27,950 --> 00:38:26,640
level it up for example in a show I

913
00:38:29,810 --> 00:38:27,960

don't know if it'll be out did you know

914

00:38:33,349 --> 00:38:29,820

that there was a serial killer that got

915

00:38:35,329 --> 00:38:33,359

made into a Buddha anguillie Mala and

916

00:38:37,970 --> 00:38:35,339

you know you read these things and it

917

00:38:40,490 --> 00:38:37,980

just you know if you just for the normal

918

00:38:43,190 --> 00:38:40,500

person like oh my God Buddhism sucks but

919

00:38:45,470 --> 00:38:43,200

to me it's like this is a new dimension

920

00:38:47,569 --> 00:38:45,480

to go explore how did the theravada

921

00:38:50,089 --> 00:38:47,579

Buddhists make a serial killer into a

922

00:38:53,390 --> 00:38:50,099

Buddha how does a serial killer become a

923

00:38:55,190 --> 00:38:53,400

Buddha uh so this is so fascinating

924

00:38:57,290 --> 00:38:55,200

things that I really say more about

925

00:39:00,050 --> 00:38:57,300

ourselves than we can explore parts of

926
00:39:02,569 --> 00:39:00,060
ourselves and our relationship to things

927
00:39:04,910 --> 00:39:02,579
that I'm trying to work on sort of a a

928
00:39:07,250 --> 00:39:04,920
book about I've written so many articles

929
00:39:10,130 --> 00:39:07,260
on gnosticism and all that I'm trying to

930
00:39:12,410 --> 00:39:10,140
do a compilation book hopefully by the

931
00:39:15,410 --> 00:39:12,420
end of the year I want to have like a a

932
00:39:17,510 --> 00:39:15,420
good intro course on gnosticism an

933
00:39:19,849 --> 00:39:17,520
online one tons of people can get the

934
00:39:21,770 --> 00:39:19,859
the real dope and none of that new age

935
00:39:23,750 --> 00:39:21,780
stuff that is out there so yeah just

936
00:39:26,510 --> 00:39:23,760
doing a lot of voice over work I'm doing

937
00:39:29,150 --> 00:39:26,520
a lot of audio books and commercials to

938
00:39:30,950 --> 00:39:29,160

be able to uh set a career on that one

939

00:39:34,430 --> 00:39:30,960

so if any of your listeners need voice

940

00:39:37,130 --> 00:39:34,440

over I I am your man I'll get you uh as

941

00:39:39,650 --> 00:39:37,140

I like to say Stellar results with down

942

00:39:42,050 --> 00:39:39,660

to earth professionalism that's my tag

943

00:39:45,109 --> 00:39:42,060

that's a tagline of you that's for the

944

00:39:48,530 --> 00:39:45,119

did I just whip out you know so um

945

00:39:49,970 --> 00:39:48,540

awesome so that's it keeping busy

946

00:39:52,370 --> 00:39:49,980

you you

947

00:39:55,250 --> 00:39:52,380

ought to we need we always need more

948

00:39:57,349 --> 00:39:55,260

Miguel Connor so never enough awesome

949

00:39:58,130 --> 00:39:57,359

having you um thanks again for joining

950

00:40:03,710 --> 00:39:58,140

me

951
00:40:05,870 --> 00:40:03,720
thanks again to Miguel Connor and thank

952
00:40:08,210 --> 00:40:05,880
you for sticking around for part two of

953
00:40:10,670 --> 00:40:08,220
this interview the one question I T up

954
00:40:13,730 --> 00:40:10,680
from this interview is what do you make

955
00:40:16,069 --> 00:40:13,740
of the cult of mithras secret society is

956
00:40:18,650 --> 00:40:16,079
that what it is I mean it can be that

957
00:40:21,290 --> 00:40:18,660
and a religion and a cult it can be all

958
00:40:23,569 --> 00:40:21,300
those things but is it a secret society

959
00:40:26,329 --> 00:40:23,579
that is probably running these kind of

960
00:40:28,370 --> 00:40:26,339
psyops the same ones we see today but

961
00:40:30,650 --> 00:40:28,380
maybe the same ones that happen back

962
00:40:32,809 --> 00:40:30,660
then that's of course the big question

963
00:40:34,970 --> 00:40:32,819

but I'd love to hear your answers to it

964

00:40:37,790 --> 00:40:34,980

again let me know what you think engage

965

00:40:39,589 --> 00:40:37,800

connect share and stay with me have some

966

00:40:43,400 --> 00:40:39,599

great shows coming up until next time

967

00:40:43,400 --> 00:40:43,410

take care bye for now

968
