***2021 END OF
YEAR SHOW***

#533-AL-BOREALIS

1
00:00:17,910 --> 00:00:08,710

[Music]

2
00:00:24,230 --> 00:00:20,790

i have a business proposal for you

3
00:00:27,189 --> 00:00:24,240

a heist like no other that's of course

4
00:00:29,589 --> 00:00:27,199

the professor from the netflix series

5
00:00:31,990 --> 00:00:29,599

money heist a show that on a lot of

6
00:00:34,549 --> 00:00:32,000

different levels connects us to my

7
00:00:37,350 --> 00:00:34,559

interview my end of year wrap-up

8
00:00:40,069 --> 00:00:37,360

interview with the very excellent al

9
00:00:42,229 --> 00:00:40,079

borealis from forum borealis now the

10
00:00:44,549 --> 00:00:42,239

reason that i chose that clip is not

11
00:00:47,190 --> 00:00:44,559

because al is from spain in fact he's

12
00:00:49,110 --> 00:00:47,200

from norway but of all the podcasters i

13
00:00:50,549 --> 00:00:49,120

know if you're looking for one that

14

00:00:52,470 --> 00:00:50,559

embodies that

15

00:00:56,150 --> 00:00:52,480

calm compassionate

16

00:00:59,270 --> 00:00:56,160

intellectual toughness with a vendetta

17

00:01:02,229 --> 00:00:59,280

mask wearing rage against the machine

18

00:01:04,789 --> 00:01:02,239

sensibility well in my opinion

19

00:01:05,990 --> 00:01:04,799

there is one like none other

20

00:01:08,149 --> 00:01:06,000

i don't want to be telling something

21

00:01:10,310 --> 00:01:08,159

that isn't true so show me where i'm

22

00:01:14,390 --> 00:01:10,320

wrong but don't

23

00:01:16,550 --> 00:01:14,400

march out your sacred cow and say oh no

24

00:01:18,789 --> 00:01:16,560

you know it doesn't really matter he's

25

00:01:21,510 --> 00:01:18,799

kind of right on this and shouldn't we

26

00:01:23,830 --> 00:01:21,520

all just get along [\h__\h]

27

00:01:27,910 --> 00:01:23,840

look i agree with what you said it's

28

00:01:32,469 --> 00:01:27,920

incumbent upon us to flush out [\h__\h]

29

00:01:34,149 --> 00:01:32,479

because there's so much [\h__\h] there

30

00:01:36,469 --> 00:01:34,159

it comes with the territory because most

31

00:01:39,030 --> 00:01:36,479

people who are open to that they are

32

00:01:40,390 --> 00:01:39,040

disillusioned with the huge

33

00:01:42,789 --> 00:01:40,400

main cult

34

00:01:43,910 --> 00:01:42,799

called society the propaganda and the

35

00:01:46,149 --> 00:01:43,920

mainstream

36

00:01:48,069 --> 00:01:46,159

so it's often like

37

00:01:50,149 --> 00:01:48,079

the less intellectual and academically

38

00:01:52,469 --> 00:01:50,159

trained you are the more it's more like

39

00:01:54,950 --> 00:01:52,479

a belief thing okay i don't believe this

40

00:01:56,550 --> 00:01:54,960

so now i'm opening myself up to the

41

00:01:59,270 --> 00:01:56,560

counter but the problem is the

42

00:02:01,749 --> 00:01:59,280

counterculture it's not a soccer match

43

00:02:04,230 --> 00:02:01,759

where you have two equal teams

44

00:02:06,149 --> 00:02:04,240

and you have to like a tribalist choose

45

00:02:07,590 --> 00:02:06,159

one that's not what's going on it's one

46

00:02:09,669 --> 00:02:07,600

huge cult

47

00:02:12,309 --> 00:02:09,679

and then there's everything else

48

00:02:15,990 --> 00:02:12,319

stick around for my end-of-year wrap-up

49

00:02:18,070 --> 00:02:16,000

show with al borealis

50

00:02:20,550 --> 00:02:18,080

welcome to skeptico where we explore

51
00:02:22,229 --> 00:02:20,560
controversial science and spirituality

52
00:02:24,550 --> 00:02:22,239
with leading researchers thinkers and

53
00:02:25,990 --> 00:02:24,560
their critics i'm your host alex karis

54
00:02:29,190 --> 00:02:26,000
and today

55
00:02:31,350 --> 00:02:29,200
we welcome my good friend and i just

56
00:02:33,350 --> 00:02:31,360
firmly believe one of the best in the

57
00:02:35,990 --> 00:02:33,360
business podcasters

58
00:02:38,949 --> 00:02:36,000
al borealis we shall say from forum

59
00:02:42,150 --> 00:02:38,959
borealis and last year

60
00:02:44,630 --> 00:02:42,160
al and i had a terrific time

61
00:02:45,430 --> 00:02:44,640
doing an end-of-the-year kind of wrap-up

62
00:02:47,430 --> 00:02:45,440
show

63
00:02:48,630 --> 00:02:47,440

which i had never done before and when

64

00:02:51,270 --> 00:02:48,640

we did it we said we're going to do

65

00:02:54,390 --> 00:02:51,280

another one so here we are

66

00:02:56,390 --> 00:02:54,400

we're going to do another one

67

00:02:58,790 --> 00:02:56,400

so that will be a tradition

68

00:03:00,869 --> 00:02:58,800

yeah i'd love for it to be a tradition

69

00:03:02,830 --> 00:03:00,879

so al that's going to be my intro if you

70

00:03:04,470 --> 00:03:02,840

want to do an

71

00:03:06,790 --> 00:03:04,480

intro

72

00:03:09,430 --> 00:03:06,800

of your own you can do that like you

73

00:03:12,229 --> 00:03:09,440

just announced at your end we're doing a

74

00:03:14,949 --> 00:03:12,239

mutual show today so

75

00:03:16,710 --> 00:03:14,959

except for this intro they're gonna hear

76

00:03:18,790 --> 00:03:16,720

the same stuff

77

00:03:19,509 --> 00:03:18,800

right on to that that's my intro that's

78

00:03:22,949 --> 00:03:19,519

it

79

00:03:24,550 --> 00:03:22,959

i i kind of think as a general rule of

80

00:03:27,750 --> 00:03:24,560

taking over the world

81

00:03:34,500 --> 00:03:27,760

everyone should hear the same stuff

82

00:03:47,430 --> 00:03:37,350

[Music]

83

00:03:47,440 --> 00:03:51,750

[Applause]

84

00:03:56,789 --> 00:03:53,589

the foundational kind of things oh

85

00:03:59,270 --> 00:03:56,799

really so how how socialist of you i'm

86

00:04:00,949 --> 00:03:59,280

more in and let's have some things in

87

00:04:04,550 --> 00:04:00,959

common and then

88

00:04:07,589 --> 00:04:04,560

some uh let's face into it or out of it

89

00:04:09,110 --> 00:04:07,599

individually i think that makes spice

90

00:04:11,270 --> 00:04:09,120

it makes a difference

91

00:04:13,270 --> 00:04:11,280

you know hardcore fans they'll listen to

92

00:04:15,670 --> 00:04:13,280

both

93

00:04:18,469 --> 00:04:15,680

right onto that right onto that

94

00:04:19,990 --> 00:04:18,479

it's like it's like if you're musicians

95

00:04:22,870 --> 00:04:20,000

uh it's like

96

00:04:23,909 --> 00:04:22,880

some of the songs are the same so morrow

97

00:04:25,110 --> 00:04:23,919

own

98

00:04:28,070 --> 00:04:25,120

you know right

99

00:04:29,590 --> 00:04:28,080

exactly although i don't know as well as

100

00:04:32,550 --> 00:04:29,600

you do because you're a musician and i

101
00:04:35,430 --> 00:04:32,560
am not i'm not stop saying that but yeah

102
00:04:37,830 --> 00:04:35,440
oh last year we we ended the show uh

103
00:04:40,310 --> 00:04:37,840
with a song of mine

104
00:04:41,990 --> 00:04:40,320
we did remember

105
00:04:43,510 --> 00:04:42,000
so um that you're do you're putting

106
00:04:45,990 --> 00:04:43,520
yourself under the gun you're gonna have

107
00:04:48,870 --> 00:04:46,000
to send me

108
00:04:50,390 --> 00:04:48,880
no original composition for this year

109
00:04:53,110 --> 00:04:50,400
we'll see

110
00:04:56,150 --> 00:04:53,120
but folks um today

111
00:04:57,270 --> 00:04:56,160
uh we're gonna have this show right but

112
00:04:59,430 --> 00:04:57,280
not long

113
00:05:01,590 --> 00:04:59,440

not in a long time from now we're going

114

00:05:04,230 --> 00:05:01,600

to do another one

115

00:05:06,870 --> 00:05:04,240

i hope uh i'm just going to say it to

116

00:05:07,909 --> 00:05:06,880

the people now so you're under pressure

117

00:05:09,350 --> 00:05:07,919

and that's

118

00:05:12,550 --> 00:05:09,360

next year

119

00:05:15,029 --> 00:05:12,560

skeptical is 15 years old it's become a

120

00:05:17,189 --> 00:05:15,039

teenager man

121

00:05:19,510 --> 00:05:17,199

almost legal age and

122

00:05:21,110 --> 00:05:19,520

this needs to be

123

00:05:24,550 --> 00:05:21,120

marked somehow

124

00:05:27,830 --> 00:05:24,560

so i've already concocted plan

125

00:05:29,189 --> 00:05:27,840

i'm doing the mr burns excellent hand

126
00:05:30,790 --> 00:05:29,199
movement right now

127
00:05:32,310 --> 00:05:30,800
and

128
00:05:33,590 --> 00:05:32,320
that plan is

129
00:05:35,990 --> 00:05:33,600
to

130
00:05:38,710 --> 00:05:36,000
go through with alex

131
00:05:40,629 --> 00:05:38,720
what i would call the skeptical journey

132
00:05:43,510 --> 00:05:40,639
the skeptical journey it's a pretty

133
00:05:46,150 --> 00:05:43,520
unique show he i know you're gonna be

134
00:05:48,310 --> 00:05:46,160
uh bothered by this but don't interrupt

135
00:05:50,629 --> 00:05:48,320
just let me say it

136
00:05:52,469 --> 00:05:50,639
skeptical is a pretty unique show out

137
00:05:55,670 --> 00:05:52,479
there for different reasons i'm going to

138
00:05:58,230 --> 00:05:55,680

tell you when we have that show and the

139

00:06:01,110 --> 00:05:58,240

journey is incredible and i've analyzed

140

00:06:03,590 --> 00:06:01,120

it i've spent a few months analyzing the

141

00:06:06,710 --> 00:06:03,600

development and i think i have a better

142

00:06:08,469 --> 00:06:06,720

survey of it than even alex do

143

00:06:09,990 --> 00:06:08,479

and we're going to talk about that alex

144

00:06:12,230 --> 00:06:10,000

and it's going to be so fun to pick your

145

00:06:15,110 --> 00:06:12,240

brain and get your reactions and your

146

00:06:17,110 --> 00:06:15,120

comments upon uh different faces that

147

00:06:19,110 --> 00:06:17,120

you've been through and and stuff you

148

00:06:21,270 --> 00:06:19,120

have achieved and done

149

00:06:22,550 --> 00:06:21,280

so people you look you can look forward

150

00:06:24,150 --> 00:06:22,560

to that it's going to be a super

151

00:06:26,550 --> 00:06:24,160

interesting show we're going to it's

152

00:06:29,189 --> 00:06:26,560

like always when i have alex on we talk

153

00:06:30,550 --> 00:06:29,199

about so many different subjects

154

00:06:32,550 --> 00:06:30,560

and obviously we're going to do that

155

00:06:35,029 --> 00:06:32,560

here too so it's going to be a good show

156

00:06:35,909 --> 00:06:35,039

but apart from that and this end of the

157

00:06:38,150 --> 00:06:35,919

year

158

00:06:40,070 --> 00:06:38,160

i think i think that's going to be like

159

00:06:42,150 --> 00:06:40,080

how we are going to jive in the future

160

00:06:44,950 --> 00:06:42,160

it's going to be shows like this

161

00:06:46,950 --> 00:06:44,960

like a a mutual show each year except

162

00:06:48,790 --> 00:06:46,960

when alex releases a new book then i

163

00:06:50,070 --> 00:06:48,800

have an on for that

164

00:06:52,309 --> 00:06:50,080

well that's

165

00:06:54,790 --> 00:06:52,319

super nice super nice of you and i'd

166

00:06:56,950 --> 00:06:54,800

obviously love to do it but i do want to

167

00:06:58,629 --> 00:06:56,960

kind of interject here because

168

00:07:00,950 --> 00:06:58,639

for today's show

169

00:07:03,749 --> 00:07:00,960

what i want to make sure we do

170

00:07:04,950 --> 00:07:03,759

is kind of stay on

171

00:07:05,749 --> 00:07:04,960

schedule

172

00:07:08,469 --> 00:07:05,759

for

173

00:07:10,469 --> 00:07:08,479

truly doing an end-of-year show cause

174

00:07:13,110 --> 00:07:10,479

i've been on a couple of these and

175

00:07:14,950 --> 00:07:13,120

everyone gets mired down in covid which

176
00:07:18,469 --> 00:07:14,960
is understandable you know i mean it's

177
00:07:20,950 --> 00:07:18,479
like one of the biggest events of you

178
00:07:23,350 --> 00:07:20,960
know all our lifetimes you know looking

179
00:07:25,510 --> 00:07:23,360
back i mean it just is but at the same

180
00:07:29,510 --> 00:07:25,520
time there's other things going on you

181
00:07:31,909 --> 00:07:29,520
did a number of terrific shows

182
00:07:34,230 --> 00:07:31,919
pardon the pause there is

183
00:07:38,390 --> 00:07:34,240
all of I shows

184
00:07:41,510 --> 00:07:38,400
from 2021 and there's really i've

185
00:07:44,390 --> 00:07:41,520
listened to all of them at least in part

186
00:07:45,270 --> 00:07:44,400
so i go through your shows and i listen

187
00:07:47,990 --> 00:07:45,280
to

188
00:07:51,110 --> 00:07:48,000

parts and if i'm hooked in then i listen

189

00:07:52,070 --> 00:07:51,120

to the rest and if i'm not i move on

190

00:07:53,749 --> 00:07:52,080

and

191

00:07:55,990 --> 00:07:53,759

that's just how we all have to do it

192

00:07:56,830 --> 00:07:56,000

because there's so much great stuff here

193

00:07:59,189 --> 00:07:56,840

but i

194

00:08:00,390 --> 00:07:59,199

learned what i really love about your

195

00:08:03,350 --> 00:08:00,400

shows

196

00:08:05,909 --> 00:08:03,360

is i learn i learn i learn i learn i

197

00:08:07,990 --> 00:08:05,919

make tons of notes i go and check out

198

00:08:10,070 --> 00:08:08,000

what you're saying but it invariably

199

00:08:13,430 --> 00:08:10,080

winds up changing

200

00:08:15,430 --> 00:08:13,440

me and changing the shows that i do so

201
00:08:18,869 --> 00:08:15,440
what i don't good man it changes your

202
00:08:19,909 --> 00:08:18,879
paradigm that's what i want to do right

203
00:08:21,670 --> 00:08:19,919
thank you

204
00:08:22,710 --> 00:08:21,680
i just have to be a sucker for all your

205
00:08:27,510 --> 00:08:22,720
little

206
00:08:29,670 --> 00:08:27,520
expanding and all the rest of that stuff

207
00:08:31,909 --> 00:08:29,680
it's a cliché but it's true i want

208
00:08:34,149 --> 00:08:31,919
people and people often say when i

209
00:08:36,469 --> 00:08:34,159
launch a new show they say welcome to

210
00:08:38,149 --> 00:08:36,479
class or you know something like that

211
00:08:40,149 --> 00:08:38,159
it's like a pun

212
00:08:42,709 --> 00:08:40,159
yeah it's like a thing people think

213
00:08:45,509 --> 00:08:42,719

they're getting educated and that's

214

00:08:47,269 --> 00:08:45,519

that's really why i'm doing this

215

00:08:49,590 --> 00:08:47,279

it's so fulfilling

216

00:08:51,190 --> 00:08:49,600

so i'm going to be trying to keep us on

217

00:08:52,550 --> 00:08:51,200

schedule here because you and i can talk

218

00:08:54,550 --> 00:08:52,560

for a long time

219

00:08:58,230 --> 00:08:54,560

so what i thought we would do

220

00:09:00,470 --> 00:08:58,240

is kind of start with going through

221

00:09:02,949 --> 00:09:00,480

your top three

222

00:09:04,870 --> 00:09:02,959

shows moments insights they don't always

223

00:09:07,030 --> 00:09:04,880

have to be this was the greatest show it

224

00:09:07,750 --> 00:09:07,040

can be just i got a little insight from

225

00:09:10,630 --> 00:09:07,760

this

226

00:09:13,190 --> 00:09:10,640

from from your perspective on your work

227

00:09:14,550 --> 00:09:13,200

and then i think i can weigh in too with

228

00:09:17,030 --> 00:09:14,560

some of mine

229

00:09:18,150 --> 00:09:17,040

as well so do you want to kick us off

230

00:09:22,310 --> 00:09:18,160

with

231

00:09:24,389 --> 00:09:22,320

this body of work that is your 2021

232

00:09:26,070 --> 00:09:24,399

published shows

233

00:09:28,310 --> 00:09:26,080

well you start at the bottom that's

234

00:09:30,150 --> 00:09:28,320

that's the beginning of the year

235

00:09:32,310 --> 00:09:30,160

and then we do the same with you and

236

00:09:33,430 --> 00:09:32,320

then we go to predictions that's the fun

237

00:09:34,949 --> 00:09:33,440

thing right

238

00:09:36,470 --> 00:09:34,959

perfect you know what we should do in

239

00:09:38,949 --> 00:09:36,480

addition to predictions we should

240

00:09:41,269 --> 00:09:38,959

evaluate our prediction from last year

241

00:09:43,590 --> 00:09:41,279

damn i forgot to warn you about that i

242

00:09:45,110 --> 00:09:43,600

don't know if i recall them

243

00:09:48,150 --> 00:09:45,120

because when we do predictions we have

244

00:09:51,110 --> 00:09:48,160

to be accountable for them

245

00:09:52,949 --> 00:09:51,120

well yes and no but their predictions

246

00:09:55,750 --> 00:09:52,959

they don't have to be

247

00:09:58,949 --> 00:09:55,760

i can't i will acknowledge that i don't

248

00:10:01,670 --> 00:09:58,959

have any precognitive abilities so

249

00:10:05,350 --> 00:10:01,680

but okay what what would be give me give

250

00:10:06,550 --> 00:10:05,360

me one of your top three forum borealis

251
00:10:08,230 --> 00:10:06,560
moments

252
00:10:11,030 --> 00:10:08,240
from 2021

253
00:10:14,069 --> 00:10:11,040
okay so the thing is what you watching

254
00:10:16,949 --> 00:10:14,079
now is the list of my the forum work

255
00:10:20,150 --> 00:10:16,959
from 21 and folks it's one of my most

256
00:10:22,790 --> 00:10:20,160
productive years yet probably except

257
00:10:24,389 --> 00:10:22,800
fifteen i think fifteen or sixteen i was

258
00:10:26,230 --> 00:10:24,399
in the beginning i was super i don't

259
00:10:27,110 --> 00:10:26,240
know how i did it

260
00:10:30,230 --> 00:10:27,120
but

261
00:10:35,910 --> 00:10:30,240
despite having published three four five

262
00:10:41,590 --> 00:10:40,150
22 i think is out now i have like 15

263
00:10:44,150 --> 00:10:41,600

to 20

264

00:10:47,430 --> 00:10:44,160

unreleased

265

00:10:48,790 --> 00:10:47,440

so i suppose they will be 2022

266

00:10:51,190 --> 00:10:48,800

when they are released even though they

267

00:10:53,750 --> 00:10:51,200

recorded in 21. this problem isn't for

268

00:10:56,870 --> 00:10:53,760

skeptical because alex usually releases

269

00:10:59,030 --> 00:10:56,880

a show right after he does it

270

00:11:00,630 --> 00:10:59,040

like this year i released a show from

271

00:11:02,870 --> 00:11:00,640

2000

272

00:11:05,590 --> 00:11:02,880

16 i think

273

00:11:08,310 --> 00:11:05,600

with harry cooper uh on the nazi thing

274

00:11:10,310 --> 00:11:08,320

the antarctica thing so it's it's a bit

275

00:11:13,509 --> 00:11:10,320

confusing like should i comment upon

276

00:11:15,509 --> 00:11:13,519

what i recorded in 21 or what i i

277

00:11:17,030 --> 00:11:15,519

managed to release in 21 that's the

278

00:11:21,030 --> 00:11:17,040

question before i

279

00:11:22,310 --> 00:11:21,040

published published in 2010 again okay

280

00:11:24,710 --> 00:11:22,320

so

281

00:11:28,069 --> 00:11:24,720

noteworthy stuff we have meager corner

282

00:11:31,030 --> 00:11:28,079

and gnosticism then you only have three

283

00:11:33,590 --> 00:11:31,040

I range yeah yeah but i'm name dropping

284

00:11:35,110 --> 00:11:33,600

while i'm going through the list here um

285

00:11:36,069 --> 00:11:35,120

norse roots

286

00:11:38,870 --> 00:11:36,079

is

287

00:11:41,350 --> 00:11:38,880

pretty innovative it's a unique show you

288

00:11:44,470 --> 00:11:41,360

can't hear it anywhere else

289

00:11:46,150 --> 00:11:44,480

cracking reality i think is one of the

290

00:11:48,230 --> 00:11:46,160

best shows

291

00:11:49,670 --> 00:11:48,240

for the most science-minded people that

292

00:11:51,829 --> 00:11:49,680

was with anthony peake i don't know if

293

00:11:54,389 --> 00:11:51,839

you listen to that one

294

00:11:55,269 --> 00:11:54,399

yes i had anthony p gone recently as

295

00:11:57,990 --> 00:11:55,279

well

296

00:11:59,710 --> 00:11:58,000

okay not sure i buy into

297

00:12:03,110 --> 00:11:59,720

some of his

298

00:12:05,110 --> 00:12:03,120

understandings of uh brain chemistry and

299

00:12:07,430 --> 00:12:05,120

its relationship to

300

00:12:09,350 --> 00:12:07,440

these extended experiences but yeah he's

301
00:12:10,790 --> 00:12:09,360
got a lot of super great ideas i love

302
00:12:12,310 --> 00:12:10,800
the guy i've talked to him

303
00:12:15,030 --> 00:12:12,320
yeah

304
00:12:17,750 --> 00:12:15,040
i had one on

305
00:12:20,470 --> 00:12:17,760
the gender stuff with dr glover

306
00:12:22,949 --> 00:12:20,480
eliminate nice guys gnostic

307
00:12:24,389 --> 00:12:22,959
stuff again with lawrence karana number

308
00:12:26,310 --> 00:12:24,399
two there won't be

309
00:12:27,590 --> 00:12:26,320
released until next year but that's

310
00:12:29,430 --> 00:12:27,600
going to be one of my favorites

311
00:12:32,790 --> 00:12:29,440
kabulio's recent release journals of

312
00:12:35,110 --> 00:12:32,800
henry sinclair if they are genuine again

313
00:12:37,430 --> 00:12:35,120

it's a scoop like the norse roots the

314

00:12:38,470 --> 00:12:37,440

freemasonry you won't find it anywhere

315

00:12:39,670 --> 00:12:38,480

yet

316

00:12:42,870 --> 00:12:39,680

although it's going to come as a

317

00:12:45,269 --> 00:12:42,880

documentary and books and all that stuff

318

00:12:47,350 --> 00:12:45,279

operation igrasil with oola one of your

319

00:12:49,670 --> 00:12:47,360

favorite pentagon's biggest secret

320

00:12:50,629 --> 00:12:49,680

whitney cook

321

00:12:55,110 --> 00:12:50,639

here

322

00:12:57,110 --> 00:12:55,120

hacking aggregors let's discuss that one

323

00:12:59,110 --> 00:12:57,120

this is one of my favorites it's a new

324

00:13:01,030 --> 00:12:59,120

guest mark stavish

325

00:13:04,150 --> 00:13:01,040

but me and him go back

326

00:13:06,550 --> 00:13:04,160

a long way back

327

00:13:07,829 --> 00:13:06,560

he wasn't that aware of that i made him

328

00:13:09,750 --> 00:13:07,839

aware of it

329

00:13:10,710 --> 00:13:09,760

then he connected the dots

330

00:13:13,269 --> 00:13:10,720

but

331

00:13:15,509 --> 00:13:13,279

um i think this is a special show for

332

00:13:17,750 --> 00:13:15,519

several reasons first of the guest is

333

00:13:19,829 --> 00:13:17,760

brilliant he's a brilliant mind although

334

00:13:22,629 --> 00:13:19,839

i don't agree with him about everything

335

00:13:25,670 --> 00:13:22,639

uh in terms of

336

00:13:27,750 --> 00:13:25,680

interpretation knowledge etc

337

00:13:29,269 --> 00:13:27,760

but that's just an advantage

338

00:13:32,150 --> 00:13:29,279

but he's

339

00:13:34,389 --> 00:13:32,160

he's unique in that he's one of the few

340

00:13:37,670 --> 00:13:34,399

people who has published a book on

341

00:13:40,710 --> 00:13:37,680

egregors and my show with him i think

342

00:13:43,030 --> 00:13:40,720

i've heard some shows he did on that

343

00:13:45,590 --> 00:13:43,040

but i think my show with him

344

00:13:48,710 --> 00:13:45,600

is the best

345

00:13:50,710 --> 00:13:48,720

on that topic with him

346

00:13:52,949 --> 00:13:50,720

at least from what i heard and he he

347

00:13:55,030 --> 00:13:52,959

recommends it to his students

348

00:13:56,710 --> 00:13:55,040

listen to that show take notes

349

00:13:59,110 --> 00:13:56,720

so i'm very pleased with that show and i

350

00:14:03,189 --> 00:13:59,120

want to look at the evaluation in in my

351

00:14:05,269 --> 00:14:03,199

website the subscribers that can vote

352

00:14:07,509 --> 00:14:05,279

vote for the shows uh

353

00:14:09,509 --> 00:14:07,519

like from one to five and this is one of

354

00:14:11,269 --> 00:14:09,519

the most popular ones too

355

00:14:14,069 --> 00:14:11,279

okay why do you suppose that why do you

356

00:14:15,829 --> 00:14:14,079

suppose that is yeah i listened and you

357

00:14:17,670 --> 00:14:15,839

know kind of give people the overview

358

00:14:19,990 --> 00:14:17,680

the agrigore thing

359

00:14:22,629 --> 00:14:20,000

and how you think it plays out

360

00:14:24,150 --> 00:14:22,639

i'd love to get level three on that

361

00:14:27,430 --> 00:14:24,160

because

362

00:14:29,509 --> 00:14:27,440

i think the the idea is such a fit for

363

00:14:33,110 --> 00:14:29,519

so many things that we see

364

00:14:35,509 --> 00:14:33,120

i'm just not so sure that we're

365

00:14:37,990 --> 00:14:35,519

not stretching the metaphor too far you

366

00:14:40,790 --> 00:14:38,000

know so it's a talp but it's an aggregor

367

00:14:42,150 --> 00:14:40,800

it's a damon as uh anthony peake says

368

00:14:44,069 --> 00:14:42,160

and it's like yeah

369

00:14:46,389 --> 00:14:44,079

something like that but we really want

370

00:14:49,030 --> 00:14:46,399

to lock into

371

00:14:50,790 --> 00:14:49,040

you know one definition of it that some

372

00:14:52,949 --> 00:14:50,800

guy has come up with so tell me what you

373

00:14:55,430 --> 00:14:52,959

think no no but he hasn't done this

374

00:14:58,069 --> 00:14:55,440

thing what he did i could have done what

375

00:15:00,870 --> 00:14:58,079

he did if i had a witch to do it because

376

00:15:03,910 --> 00:15:00,880

i have a similar background as him in

377

00:15:04,790 --> 00:15:03,920

terms of esoteric education from uh not

378

00:15:06,870 --> 00:15:04,800

i mean

379

00:15:09,030 --> 00:15:06,880

a very very early one

380

00:15:12,150 --> 00:15:09,040

and he just realized look there's

381

00:15:14,790 --> 00:15:12,160

nothing on this out there let me collect

382

00:15:18,230 --> 00:15:14,800

a bunch of info and get it out

383

00:15:19,110 --> 00:15:18,240

and it was that accidental too he really

384

00:15:20,470 --> 00:15:19,120

didn't

385

00:15:22,949 --> 00:15:20,480

realize

386

00:15:26,629 --> 00:15:22,959

which what the waves it was going to

387

00:15:28,870 --> 00:15:26,639

make in some circles which it did so

388

00:15:32,870 --> 00:15:28,880

i think it was a brilliant move from his

389

00:15:34,949 --> 00:15:32,880

uh on his part and uh

390

00:15:37,430 --> 00:15:34,959

there's not that much of his personal

391

00:15:38,710 --> 00:15:37,440

speculation there is in in terms of how

392

00:15:42,550 --> 00:15:38,720

it is

393

00:15:45,189 --> 00:15:42,560

because

394

00:15:47,910 --> 00:15:45,199

you can have a very clear

395

00:15:48,949 --> 00:15:47,920

concept of it and clear idea of what it

396

00:15:50,710 --> 00:15:48,959

is

397

00:15:54,550 --> 00:15:50,720

but from there

398

00:15:57,189 --> 00:15:54,560

to decoding the manifestation everybody

399

00:15:59,509 --> 00:15:57,199

is on their own nobody can say it's like

400

00:16:02,069 --> 00:15:59,519

this or it's like that this is this is

401
00:16:03,749 --> 00:16:02,079
it right so there i agree that is going

402
00:16:05,110 --> 00:16:03,759
to be individual but in terms of the

403
00:16:08,069 --> 00:16:05,120
understanding

404
00:16:10,470 --> 00:16:08,079
it's pretty mainstream uh within it's a

405
00:16:13,990 --> 00:16:10,480
not very mandatory concept

406
00:16:15,350 --> 00:16:14,000
and esoterica is not a very mainstream

407
00:16:16,470 --> 00:16:15,360
layer of

408
00:16:18,550 --> 00:16:16,480
knowledge

409
00:16:20,949 --> 00:16:18,560
but within that

410
00:16:23,189 --> 00:16:20,959
he is not being very controversial

411
00:16:25,430 --> 00:16:23,199
so did you catch that i did and i

412
00:16:28,150 --> 00:16:25,440
apologize i had my mic muted there as i

413
00:16:30,230 --> 00:16:28,160

was peppering a question at you so uh

414

00:16:33,509 --> 00:16:30,240

then why don't you tell us how

415

00:16:35,189 --> 00:16:33,519

what you think it means to you briefly

416

00:16:38,230 --> 00:16:35,199

and then more importantly

417

00:16:41,350 --> 00:16:38,240

how you think it's relevant to

418

00:16:44,870 --> 00:16:41,360

what we're experiencing now because part

419

00:16:48,629 --> 00:16:44,880

of the place that it launches us is that

420

00:16:51,990 --> 00:16:48,639

reality is always in flux the simulation

421

00:16:55,110 --> 00:16:52,000

hypothesis kind of takes merges with the

422

00:16:57,110 --> 00:16:55,120

egg gregoria in a very elegant way and

423

00:17:00,069 --> 00:16:57,120

nothing is really

424

00:17:02,790 --> 00:17:00,079

foundation that we can stand on and

425

00:17:05,110 --> 00:17:02,800

how do you how do you understand that

426
00:17:07,110 --> 00:17:05,120
relative to 2021 and what we're going

427
00:17:09,510 --> 00:17:07,120
through

428
00:17:12,870 --> 00:17:09,520
obviously what we actually didn't get

429
00:17:15,669 --> 00:17:12,880
around to discuss which we both lamented

430
00:17:16,710 --> 00:17:15,679
and that's to do with covet

431
00:17:19,590 --> 00:17:16,720
i mean

432
00:17:22,150 --> 00:17:19,600
one aggregator that i didn't see coming

433
00:17:23,750 --> 00:17:22,160
which has been building up for years and

434
00:17:25,189 --> 00:17:23,760
years and years

435
00:17:25,990 --> 00:17:25,199
is the

436
00:17:28,309 --> 00:17:26,000
you know

437
00:17:29,510 --> 00:17:28,319
here in norway

438
00:17:31,190 --> 00:17:29,520

there are some differences to the

439

00:17:35,110 --> 00:17:31,200

american culture but

440

00:17:36,310 --> 00:17:35,120

one negative trait with scandinavia is

441

00:17:39,350 --> 00:17:36,320

that

442

00:17:43,110 --> 00:17:39,360

they've had this scientism

443

00:17:44,310 --> 00:17:43,120

fetishism growing under the radar for so

444

00:17:47,510 --> 00:17:44,320

long

445

00:17:49,590 --> 00:17:47,520

and at some point it just became clear

446

00:17:51,350 --> 00:17:49,600

to everyone that you can't question

447

00:17:52,950 --> 00:17:51,360

vaccines if you

448

00:17:55,110 --> 00:17:52,960

question vaccines you you're going to be

449

00:17:57,110 --> 00:17:55,120

called an anti-vaxxer

450

00:17:58,830 --> 00:17:57,120

and you're going to be discredited and

451
00:18:00,870 --> 00:17:58,840
everything so

452
00:18:04,390 --> 00:18:00,880
even health

453
00:18:06,630 --> 00:18:04,400
professionals science people whatever

454
00:18:09,750 --> 00:18:06,640
academic p people who know stuff has to

455
00:18:11,350 --> 00:18:09,760
be very careful and that's before covet

456
00:18:14,549 --> 00:18:11,360
and then the whole thing explodes

457
00:18:17,029 --> 00:18:14,559
imagine if corvette actually was like

458
00:18:19,669 --> 00:18:17,039
ebola or something

459
00:18:20,870 --> 00:18:19,679
do you think look we we're returning

460
00:18:23,190 --> 00:18:20,880
fascists

461
00:18:25,350 --> 00:18:23,200
from this

462
00:18:28,549 --> 00:18:25,360
little experience we've had now

463
00:18:30,630 --> 00:18:28,559

imagine if if the damage of corbett it

464

00:18:31,750 --> 00:18:30,640

wasn't just infectious it was also yeah

465

00:18:34,310 --> 00:18:31,760

yeah yeah yeah how does that how does

466

00:18:36,549 --> 00:18:34,320

that relate to the egg

467

00:18:38,549 --> 00:18:36,559

well uh i'll tell you but we would have

468

00:18:40,789 --> 00:18:38,559

uh camps we would have concentration

469

00:18:42,470 --> 00:18:40,799

camps that would make yeah yeah yeah

470

00:18:44,150 --> 00:18:42,480

how does that relate to the aggregate

471

00:18:46,950 --> 00:18:44,160

how does that relate to the ego so the

472

00:18:49,430 --> 00:18:46,960

aggregor is um

473

00:18:51,990 --> 00:18:49,440

a big pharma you can't question big

474

00:18:53,029 --> 00:18:52,000

pharma you can't question vaccines you

475

00:18:55,510 --> 00:18:53,039

can't

476
00:18:57,830 --> 00:18:55,520
look anthony farsi coming out saying i

477
00:19:00,549 --> 00:18:57,840
am science

478
00:19:03,029 --> 00:19:00,559
this aggregor is the it's an aggregate

479
00:19:04,230 --> 00:19:03,039
that you've met you met a related

480
00:19:07,029 --> 00:19:04,240
aggregor

481
00:19:08,789 --> 00:19:07,039
uh from your early skeptical days when

482
00:19:10,870 --> 00:19:08,799
you were discussing with skepticism it's

483
00:19:12,710 --> 00:19:10,880
a kind of the same energy

484
00:19:16,230 --> 00:19:12,720
but it's on steroids

485
00:19:19,029 --> 00:19:16,240
and it's specifically um

486
00:19:21,510 --> 00:19:19,039
going into the lane of

487
00:19:23,830 --> 00:19:21,520
health or or wax

488
00:19:25,510 --> 00:19:23,840

yeah that that that version of it or

489

00:19:32,710 --> 00:19:25,520

that

490

00:19:35,350 --> 00:19:32,720

it's more powerful than anything else

491

00:19:37,510 --> 00:19:35,360

you can you can just look at youtube or

492

00:19:39,669 --> 00:19:37,520

twitter or facebook

493

00:19:41,270 --> 00:19:39,679

the stuff you can criticize without

494

00:19:43,990 --> 00:19:41,280

being censored

495

00:19:47,669 --> 00:19:44,000

is now it actually helped many other

496

00:19:48,870 --> 00:19:47,679

areas because before the pandemic

497

00:19:50,549 --> 00:19:48,880

they were

498

00:19:53,029 --> 00:19:50,559

smacking down on so many different

499

00:19:54,710 --> 00:19:53,039

things that you couldn't touch

500

00:19:57,430 --> 00:19:54,720

now with this

501
00:19:59,990 --> 00:19:57,440
this has become the number one taboo so

502
00:20:02,630 --> 00:20:00,000
the algorithm is very busy

503
00:20:04,390 --> 00:20:02,640
removing people who

504
00:20:06,789 --> 00:20:04,400
just opinions anything about it it

505
00:20:09,270 --> 00:20:06,799
doesn't okay i'm gonna i'm gonna jump in

506
00:20:11,909 --> 00:20:09,280
and interrupt and people hate that but

507
00:20:13,909 --> 00:20:11,919
to me this is exactly what i don't like

508
00:20:16,230 --> 00:20:13,919
when i say stretching the metaphor

509
00:20:18,390 --> 00:20:16,240
because we could approach exactly the

510
00:20:21,350 --> 00:20:18,400
same data points you're doing from any

511
00:20:23,590 --> 00:20:21,360
number of angles from the technocracy

512
00:20:26,149 --> 00:20:23,600
angle from the medical industrial

513
00:20:29,110 --> 00:20:26,159

complex angle from all sorts of

514

00:20:31,510 --> 00:20:29,120

different dimensions so when i hear you

515

00:20:32,870 --> 00:20:31,520

and mark talking about aggregaors

516

00:20:35,190 --> 00:20:32,880

first of all my understanding of

517

00:20:37,110 --> 00:20:35,200

agrigore is

518

00:20:41,270 --> 00:20:37,120

something that is

519

00:20:43,830 --> 00:20:41,280

made manifest by this collective energy

520

00:20:45,909 --> 00:20:43,840

so it is this hungry ghost kind of thing

521

00:20:49,750 --> 00:20:45,919

we go looking for

522

00:20:51,750 --> 00:20:49,760

what was looking for me it's you didn't

523

00:20:53,990 --> 00:20:51,760

know that you were creating it but you

524

00:20:55,750 --> 00:20:54,000

were creating it i think there's an

525

00:20:58,310 --> 00:20:55,760

element to this

526
00:21:00,630 --> 00:20:58,320
that is happening right now but it would

527
00:21:02,070 --> 00:21:00,640
be at this metaphysical spiritual level

528
00:21:04,789 --> 00:21:02,080
we're not going to be able to nail it

529
00:21:06,630 --> 00:21:04,799
down with fouchy and you know all the

530
00:21:08,470 --> 00:21:06,640
rest of that stuff and that's what i

531
00:21:09,590 --> 00:21:08,480
think we can bring to this conversation

532
00:21:11,750 --> 00:21:09,600
is kind of

533
00:21:14,390 --> 00:21:11,760
what would be the

534
00:21:16,710 --> 00:21:14,400
metaphysical implications as they relate

535
00:21:18,310 --> 00:21:16,720
to what's happening right now

536
00:21:19,669 --> 00:21:18,320
in terms of the

537
00:21:22,549 --> 00:21:19,679
where we're putting our collective

538
00:21:24,549 --> 00:21:22,559

energy and where it's coalescing and

539

00:21:25,990 --> 00:21:24,559

where it isn't and where it's all that

540

00:21:27,350 --> 00:21:26,000

kind of stuff do you have any thoughts

541

00:21:30,070 --> 00:21:27,360

on that you got about two minutes then

542

00:21:32,789 --> 00:21:30,080

we gotta move on very important uh

543

00:21:35,750 --> 00:21:32,799

clarification so uh agrigorge doesn't

544

00:21:37,750 --> 00:21:35,760

have to manifest in 3d they normally

545

00:21:39,190 --> 00:21:37,760

manifest in a psychic or collective

546

00:21:41,750 --> 00:21:39,200

psyche

547

00:21:44,950 --> 00:21:41,760

and so uh they can be met the

548

00:21:48,149 --> 00:21:44,960

metaphysical in causation a kind of but

549

00:21:50,230 --> 00:21:48,159

but not necessarily in manifestation so

550

00:21:52,149 --> 00:21:50,240

just this thing that if i'm going to

551
00:21:53,430 --> 00:21:52,159
write something on facebook something

552
00:21:54,549 --> 00:21:53,440
critical

553
00:21:56,310 --> 00:21:54,559
to

554
00:21:58,870 --> 00:21:56,320
cover the vaccine or

555
00:22:01,149 --> 00:21:58,880
i may the aggregate may kick in and i

556
00:22:03,590 --> 00:22:01,159
may be filled with fear for example uh

557
00:22:06,230 --> 00:22:03,600
inferiority i'm not saying that happens

558
00:22:08,789 --> 00:22:06,240
with me but i'm self-censoring

559
00:22:10,470 --> 00:22:08,799
because the agrigore is making me a way

560
00:22:12,549 --> 00:22:10,480
it's a very powerful aggregate the

561
00:22:15,110 --> 00:22:12,559
coveted fear

562
00:22:16,070 --> 00:22:15,120
or the or the

563
00:22:17,669 --> 00:22:16,080

vax

564

00:22:19,430 --> 00:22:17,679

version

565

00:22:22,230 --> 00:22:19,440

so these are manifestations of this

566

00:22:23,990 --> 00:22:22,240

aggregate that is now dominating and

567

00:22:26,070 --> 00:22:24,000

there may be several and they may

568

00:22:28,230 --> 00:22:26,080

conflating and building up a bigger one

569

00:22:30,870 --> 00:22:28,240

but the thing is it's moving now in our

570

00:22:34,549 --> 00:22:30,880

culture it's moving now in people's

571

00:22:36,390 --> 00:22:34,559

minds and i mentioned faucio or social

572

00:22:37,669 --> 00:22:36,400

media just because it's a

573

00:22:40,070 --> 00:22:37,679

way to

574

00:22:41,350 --> 00:22:40,080

perceive this in the earlier days in the

575

00:22:43,750 --> 00:22:41,360

old days

576

00:22:45,830 --> 00:22:43,760

if you're going to judge the climate you

577

00:22:47,430 --> 00:22:45,840

have to go out in the streets right now

578

00:22:49,350 --> 00:22:47,440

we're sitting behind computers and

579

00:22:51,750 --> 00:22:49,360

mobile phones so that's why i'm using

580

00:22:53,110 --> 00:22:51,760

those examples of where we can see the

581

00:22:55,669 --> 00:22:53,120

zeitgeist

582

00:22:57,909 --> 00:22:55,679

how the side kite operates

583

00:22:59,990 --> 00:22:57,919

but make no mistakes the agrigore is

584

00:23:01,029 --> 00:23:00,000

manifesting

585

00:23:03,350 --> 00:23:01,039

in these

586

00:23:05,029 --> 00:23:03,360

vehicles too do you understand what i

587

00:23:06,630 --> 00:23:05,039

mean or was that too

588

00:23:08,870 --> 00:23:06,640

convoluted

589

00:23:10,630 --> 00:23:08,880

no that's okay so now it's my turn

590

00:23:11,590 --> 00:23:10,640

because i'm going to take this yep i'm

591

00:23:12,710 --> 00:23:11,600

going to take it in a different

592

00:23:15,990 --> 00:23:12,720

direction

593

00:23:18,630 --> 00:23:16,000

this my dear friend is an interview that

594

00:23:20,070 --> 00:23:18,640

i have coming up with philip fairbanks

595

00:23:21,990 --> 00:23:20,080

author of

596

00:23:24,789 --> 00:23:22,000

the peta gate primary and it's a

597

00:23:26,149 --> 00:23:24,799

political look at all this stuff and we

598

00:23:28,630 --> 00:23:26,159

got to talking

599

00:23:32,470 --> 00:23:28,640

about this history and this important

600

00:23:35,430 --> 00:23:32,480

history with I ron hubbard scientology

601
00:23:38,149 --> 00:23:35,440
stargate but in particular the

602
00:23:40,789 --> 00:23:38,159
connection to the occult or the esoteric

603
00:23:42,630 --> 00:23:40,799
to aleister crowley and to good

604
00:23:44,549 --> 00:23:42,640
old-fashioned i don't know why we call

605
00:23:45,269 --> 00:23:44,559
it american huckster-ism but we think

606
00:23:48,310 --> 00:23:45,279
it's

607
00:23:49,110 --> 00:23:48,320
we proudly embrace the huxter-ism that

608
00:23:53,669 --> 00:23:49,120
is

609
00:23:55,430 --> 00:23:53,679
then we'll have a little chat

610
00:23:57,269 --> 00:23:55,440
the only way to understand elrond

611
00:23:59,830 --> 00:23:57,279
hubbard in my opinion and first and

612
00:24:01,669 --> 00:23:59,840
foremost is a kind of grifter kind of

613
00:24:04,310 --> 00:24:01,679

guy i mean he's just

614

00:24:06,149 --> 00:24:04,320

he's a scammer and he's very good at it

615

00:24:08,149 --> 00:24:06,159

and he's good at scamming people's money

616

00:24:09,510 --> 00:24:08,159

and he's moves in with jack parsons and

617

00:24:11,430 --> 00:24:09,520

the next thing you know he's [h__h]

618

00:24:14,149 --> 00:24:11,440

jack parsons girlfriend

619

00:24:16,310 --> 00:24:14,159

yeah and at the same time and he puts us

620

00:24:18,390 --> 00:24:16,320

give him his money and hey would you

621

00:24:20,789 --> 00:24:18,400

also now that i've got your girl would

622

00:24:24,149 --> 00:24:20,799

you also give me your money invest in a

623

00:24:27,350 --> 00:24:24,159

business give me some boats and stuff

624

00:24:30,630 --> 00:24:27,360

you know that's a great story sure ron

625

00:24:32,470 --> 00:24:30,640

sure whatever you say ron yeah and and

626
00:24:33,510 --> 00:24:32,480
you know so anyone who wants to reflect

627
00:24:36,470 --> 00:24:33,520
on that

628
00:24:38,710 --> 00:24:36,480
can say i know people like that i know

629
00:24:40,870 --> 00:24:38,720
people in both sense whether you're the

630
00:24:42,070 --> 00:24:40,880
one being victimized or whether

631
00:24:44,149 --> 00:24:42,080
unfortunately you're the one who

632
00:24:47,029 --> 00:24:44,159
victimizes other people you know like i

633
00:24:49,350 --> 00:24:47,039
almost have to respect elrond

634
00:24:52,710 --> 00:24:49,360
occasionally because he comes from that

635
00:24:54,549 --> 00:24:52,720
like larger-than-life pt barnum

636
00:24:57,110 --> 00:24:54,559
uh huckster tradition that's so

637
00:24:59,830 --> 00:24:57,120
quintessentially american you know

638
00:25:01,830 --> 00:24:59,840

what's more american than p.t barnum i'm

639

00:25:03,830 --> 00:25:01,840

gonna take a bunch of rubes for their

640

00:25:06,070 --> 00:25:03,840

money it's just so

641

00:25:08,630 --> 00:25:06,080

it's so insane that like they were gonna

642

00:25:10,950 --> 00:25:08,640

do a sex ritual out in the desert

643

00:25:13,269 --> 00:25:10,960

they did i think this is how he stole

644

00:25:15,430 --> 00:25:13,279

his girlfriend i think because like

645

00:25:16,870 --> 00:25:15,440

initially jack parsons was going to have

646

00:25:18,630 --> 00:25:16,880

sex with his girlfriend he's like wait

647

00:25:20,070 --> 00:25:18,640

jack

648

00:25:21,909 --> 00:25:20,080

baby

649

00:25:24,070 --> 00:25:21,919

maybe i don't have sex with your

650

00:25:26,549 --> 00:25:24,080

girlfriend and you could be the one

651
00:25:29,669 --> 00:25:26,559
who's like watching us and saying the

652
00:25:31,190 --> 00:25:29,679
stuff you can be reciting stuff

653
00:25:33,350 --> 00:25:31,200
while i'm having sex with your

654
00:25:35,510 --> 00:25:33,360
girlfriend who we will later embezzle

655
00:25:38,149 --> 00:25:35,520
from you and have you start a business

656
00:25:41,430 --> 00:25:38,159
so that we can steal you like it's crazy

657
00:25:43,190 --> 00:25:41,440
yeah so when he does go out and perform

658
00:25:45,190 --> 00:25:43,200
these rights and rituals under the

659
00:25:47,350 --> 00:25:45,200
direction of crowley right because

660
00:25:49,350 --> 00:25:47,360
crowley is in communication with jack

661
00:25:51,669 --> 00:25:49,360
parsons jack parsons reaches out to

662
00:25:54,149 --> 00:25:51,679
crowley and says i'm your number one guy

663
00:25:57,029 --> 00:25:54,159

i want to be your number one agent in

664

00:25:58,390 --> 00:25:57,039

and you know uh crowley from all

665

00:26:01,830 --> 00:25:58,400

accounts has a little bit of that

666

00:26:05,350 --> 00:26:01,840

hookster in him too absolutely yeah and

667

00:26:07,590 --> 00:26:05,360

he loved jack apparently i think that

668

00:26:10,470 --> 00:26:07,600

that relationship ruined it

669

00:26:13,590 --> 00:26:10,480

uh because when he saw he's like no no

670

00:26:14,549 --> 00:26:13,600

no that's what you do to the other guy

671

00:26:19,669 --> 00:26:14,559

you don't

672

00:26:22,710 --> 00:26:19,679

the other guy to believe and you take

673

00:26:24,789 --> 00:26:22,720

his girlfriend and his money and his

674

00:26:26,230 --> 00:26:24,799

boat and that's

675

00:26:29,110 --> 00:26:26,240

that's the trick

676
00:26:32,310 --> 00:26:29,120
like and then you say abracadabra and

677
00:26:34,230 --> 00:26:32,320
you know or our rarita or whatever uh

678
00:26:36,070 --> 00:26:34,240
and and call it a day we're kind of

679
00:26:37,669 --> 00:26:36,080
dancing around this other aspect to it

680
00:26:41,269 --> 00:26:37,679
well there's two other aspects to it one

681
00:26:43,269 --> 00:26:41,279
uh is the cia kind of big game

682
00:26:45,190 --> 00:26:43,279
stuff somebody's got to run the world

683
00:26:46,870 --> 00:26:45,200
and it ought to be us and

684
00:26:49,269 --> 00:26:46,880
his connections I ron hubbard's

685
00:26:51,510 --> 00:26:49,279
connections there are undeniable as you

686
00:26:52,750 --> 00:26:51,520
said and he kind of wraps himself in

687
00:26:54,630 --> 00:26:52,760
this kind of

688
00:26:56,630 --> 00:26:54,640

quasi-military

689

00:26:58,549 --> 00:26:56,640

amazing kind of stuff and we can get

690

00:27:00,230 --> 00:26:58,559

into all that but then the other part

691

00:27:02,390 --> 00:27:00,240

that i keep kind of dancing around i

692

00:27:03,830 --> 00:27:02,400

can't pin down is and you're not saying

693

00:27:06,070 --> 00:27:03,840

this but i think it's a misstep that a

694

00:27:08,470 --> 00:27:06,080

lot of people take to say oh okay then

695

00:27:10,549 --> 00:27:08,480

it's all fake no that doesn't mean it's

696

00:27:13,510 --> 00:27:10,559

fake it doesn't mean that they were not

697

00:27:14,390 --> 00:27:13,520

attempting to or successfully connecting

698

00:27:16,310 --> 00:27:14,400

with

699

00:27:18,710 --> 00:27:16,320

spirits for lack of a better term in

700

00:27:21,190 --> 00:27:18,720

this extended realm that are becoming

701
00:27:23,830 --> 00:27:21,200
their partners in engaging in this and

702
00:27:26,070 --> 00:27:23,840
have some ability to influence

703
00:27:29,350 --> 00:27:26,080
world events and things down here or

704
00:27:32,070 --> 00:27:29,360
definitely to influence people

705
00:27:35,190 --> 00:27:32,080
the this to me relates to the agrigore

706
00:27:37,909 --> 00:27:35,200
thing that i'm always struggling with

707
00:27:40,310 --> 00:27:37,919
it's elrond hubbard is a hookster

708
00:27:41,830 --> 00:27:40,320
aleister crowley is a hugster

709
00:27:43,590 --> 00:27:41,840
there's a difference between them uh the

710
00:27:47,510 --> 00:27:43,600
difference between them yes but

711
00:27:48,630 --> 00:27:47,520
he took it seriously ron hobber didn't

712
00:27:50,230 --> 00:27:48,640
that no

713
00:27:53,830 --> 00:27:50,240

no that's not the difference i promise

714

00:27:56,630 --> 00:27:53,840

you man no the the difference is that

715

00:28:00,630 --> 00:27:56,640

when you start messing with the extended

716

00:28:03,669 --> 00:28:00,640

realm you inevitably invariably don't

717

00:28:06,310 --> 00:28:03,679

know what the [h__\h] you were doing

718

00:28:09,430 --> 00:28:06,320

so the edgar gore thing if we want to

719

00:28:12,549 --> 00:28:09,440

start writing books about it and putting

720

00:28:14,710 --> 00:28:12,559

it into you know fancy kind of words

721

00:28:18,230 --> 00:28:14,720

around it we have to first and foremost

722

00:28:21,590 --> 00:28:18,240

acknowledge we have no idea how the [h__\h]

723

00:28:24,870 --> 00:28:21,600

that extended consciousness realm works

724

00:28:26,149 --> 00:28:24,880

and whether performing ritual sex magic

725

00:28:29,830 --> 00:28:26,159

rituals

726

00:28:32,789 --> 00:28:29,840

works quote unquote or doesn't work or

727

00:28:34,789 --> 00:28:32,799

is more effective than elrond hubbard

728

00:28:37,350 --> 00:28:34,799

getting in there and just partnering up

729

00:28:40,230 --> 00:28:37,360

with the cia and breaking into the irs

730

00:28:41,909 --> 00:28:40,240

and stealing documents

731

00:28:45,029 --> 00:28:41,919

so um

732

00:28:47,350 --> 00:28:45,039

look ron hubbard from the get-go was our

733

00:28:49,510 --> 00:28:47,360

swindler he was

734

00:28:50,230 --> 00:28:49,520

working for the alphabet soup agencies

735

00:28:51,190 --> 00:28:50,240

and

736

00:28:54,149 --> 00:28:51,200

he

737

00:28:57,430 --> 00:28:54,159

built up scientology based on

738

00:29:00,070 --> 00:28:57,440

actually not based on oto material he

739

00:29:03,190 --> 00:29:00,080

didn't have much oto material he

740

00:29:05,510 --> 00:29:03,200

basically used secretion material from

741

00:29:06,789 --> 00:29:05,520

golden dawn and from armor

742

00:29:09,990 --> 00:29:06,799

now

743

00:29:12,549 --> 00:29:10,000

not just that but the occult elements in

744

00:29:14,149 --> 00:29:12,559

his stuff was from there like some of

745

00:29:16,070 --> 00:29:14,159

the techniques

746

00:29:16,789 --> 00:29:16,080

the philosophy was [\h__\h] i mean it

747

00:29:18,230 --> 00:29:16,799

was

748

00:29:20,789 --> 00:29:18,240

low level

749

00:29:22,630 --> 00:29:20,799

bad quality science fiction that he

750

00:29:24,549 --> 00:29:22,640

probably came up with himself i mean

751

00:29:27,029 --> 00:29:24,559

it's not that creative

752

00:29:30,149 --> 00:29:27,039

i've never seen one

753

00:29:33,510 --> 00:29:30,159

example of uh hubbard

754

00:29:36,310 --> 00:29:33,520

uh taking this seriously at least

755

00:29:39,669 --> 00:29:36,320

he can show it in writing or he can show

756

00:29:41,590 --> 00:29:39,679

it in having studied being a committed

757

00:29:44,230 --> 00:29:41,600

member of something a student of

758

00:29:45,990 --> 00:29:44,240

something like crowley have crowley has

759

00:29:48,470 --> 00:29:46,000

written a lot of stuff and been a

760

00:29:51,430 --> 00:29:48,480

committed student of something

761

00:29:52,950 --> 00:29:51,440

they are the same in that they

762

00:29:55,909 --> 00:29:52,960

use their ego

763

00:29:57,350 --> 00:29:55,919

to like dominate

764

00:30:00,549 --> 00:29:57,360

their surroundings

765

00:30:02,630 --> 00:30:00,559

the cornman call them what you want but

766

00:30:05,110 --> 00:30:02,640

i promise you ron hobber didn't take

767

00:30:08,310 --> 00:30:05,120

this stuff seriously when he was when he

768

00:30:09,990 --> 00:30:08,320

went to bed he was just a normal con man

769

00:30:12,470 --> 00:30:10,000

crowley was more of a

770

00:30:15,350 --> 00:30:12,480

metaphysical spiritual psychopath that's

771

00:30:17,590 --> 00:30:15,360

the difference in my view as for jack

772

00:30:20,470 --> 00:30:17,600

past persons he was

773

00:30:23,029 --> 00:30:20,480

a sincere

774

00:30:25,750 --> 00:30:23,039

operator in this now you're saying we

775

00:30:28,950 --> 00:30:25,760

can't know when we mess around well yes

776

00:30:31,350 --> 00:30:28,960

or no it's too big for any single human

777

00:30:32,950 --> 00:30:31,360

being to you know know everything that's

778

00:30:34,070 --> 00:30:32,960

going on but

779

00:30:35,350 --> 00:30:34,080

we have

780

00:30:40,789 --> 00:30:35,360

tradition

781

00:30:41,669 --> 00:30:40,799

knowledge of every human being on earth

782

00:30:43,029 --> 00:30:41,679

so

783

00:30:46,070 --> 00:30:43,039

um

784

00:30:47,909 --> 00:30:46,080

in every field of society

785

00:30:49,669 --> 00:30:47,919

we are standing on shoulders the same

786

00:30:51,590 --> 00:30:49,679

comes to the metaphysical stuff so there

787

00:30:53,909 --> 00:30:51,600

are certain things we know about the

788

00:30:55,990 --> 00:30:53,919

metaphysical when i say we i don't mean

789

00:30:57,909 --> 00:30:56,000

google or

790

00:31:00,630 --> 00:30:57,919

whatever but i mean there are

791

00:31:03,190 --> 00:31:00,640

accumulated knowledge among human beings

792

00:31:07,509 --> 00:31:03,200

about cosmos about the laws and

793

00:31:12,789 --> 00:31:09,990

this is being applied now the sex magic

794

00:31:16,389 --> 00:31:12,799

thing is this you is a small small small

795

00:31:19,269 --> 00:31:16,399

small segment within this huge world

796

00:31:21,430 --> 00:31:19,279

it's a small segment and not many people

797

00:31:23,430 --> 00:31:21,440

are are seriously

798

00:31:25,350 --> 00:31:23,440

doing it but it gets the attention

799

00:31:27,350 --> 00:31:25,360

because it's sensational

800

00:31:29,750 --> 00:31:27,360

it it's like

801

00:31:33,430 --> 00:31:29,760

it it sucks up the air in the room and

802

00:31:37,029 --> 00:31:33,440

and people only go for the extreme stuff

803

00:31:38,870 --> 00:31:37,039

so it's not important in human history

804

00:31:41,269 --> 00:31:38,880

same as satan as we discussed this right

805

00:31:43,509 --> 00:31:41,279

when i had you on for evil so it's not a

806

00:31:46,710 --> 00:31:43,519

big thing in human history but it it

807

00:31:47,990 --> 00:31:46,720

gets a lot of attention and so

808

00:31:50,149 --> 00:31:48,000

um

809

00:31:52,950 --> 00:31:50,159

yeah you can manipulate aggregates you

810

00:31:55,269 --> 00:31:52,960

can create aggregates you can work with

811

00:31:57,350 --> 00:31:55,279

it deliberately

812

00:31:59,350 --> 00:31:57,360

especially when you are a person like

813

00:32:01,669 --> 00:31:59,360

crowley

814

00:32:02,549 --> 00:32:01,679

you want to reply to this

815

00:32:04,549 --> 00:32:02,559

no

816

00:32:06,710 --> 00:32:04,559

address your point or did i

817

00:32:08,070 --> 00:32:06,720

misunderstand

818

00:32:10,870 --> 00:32:08,080

yeah

819

00:32:14,310 --> 00:32:10,880

move on move on next next

820

00:32:17,269 --> 00:32:14,320

from your list next from your shows you

821

00:32:19,350 --> 00:32:17,279

have the viking show is is uh northwest

822

00:32:21,590 --> 00:32:19,360

and then i finally got randall carlson

823

00:32:22,470 --> 00:32:21,600

on when the earth nearly died and then i

824

00:32:25,350 --> 00:32:22,480

have

825

00:32:26,389 --> 00:32:25,360

who is number one which is

826

00:32:28,230 --> 00:32:26,399

people are

827

00:32:30,870 --> 00:32:28,240

wondering about that one what's going on

828

00:32:32,310 --> 00:32:30,880

it even got 11 votes not being released

829

00:32:33,750 --> 00:32:32,320

yet

830

00:32:34,789 --> 00:32:33,760

it's crazy

831

00:32:36,789 --> 00:32:34,799

but

832

00:32:39,110 --> 00:32:36,799

this is going to be about

833

00:32:41,509 --> 00:32:39,120

some of the cultural underlyings of

834

00:32:43,509 --> 00:32:41,519

forum borealis and then we come to a

835

00:32:46,470 --> 00:32:43,519

show when it discussed fourth rush end

836

00:32:49,590 --> 00:32:46,480

game i want to put this out as one of my

837

00:32:51,430 --> 00:32:49,600

favorites why because first off

838

00:32:52,470 --> 00:32:51,440

i think it's the first time i have

839

00:32:53,990 --> 00:32:52,480

joseph

840

00:32:55,110 --> 00:32:54,000

farrell back

841

00:32:57,590 --> 00:32:55,120

since

842

00:33:00,230 --> 00:32:57,600

i think the last time i was 19 i don't

843

00:33:02,310 --> 00:33:00,240

think i had him on for 20.

844

00:33:03,830 --> 00:33:02,320

i'm not sure i should check that but at

845

00:33:06,389 --> 00:33:03,840

least it's a long time since i had him

846

00:33:08,630 --> 00:33:06,399

back and we wrapped up a very important

847

00:33:11,590 --> 00:33:08,640

thread that we've been working on the

848

00:33:13,509 --> 00:33:11,600

thing that many people associate him to

849

00:33:16,470 --> 00:33:13,519

and

850

00:33:19,750 --> 00:33:16,480

it was all all over a pretty good show

851
00:33:20,870 --> 00:33:19,760
it's gonna get some great post rants

852
00:33:22,710 --> 00:33:20,880
from me

853
00:33:24,389 --> 00:33:22,720
when part two is

854
00:33:27,029 --> 00:33:24,399
finished but part two is already out

855
00:33:30,230 --> 00:33:27,039
there for my subscribers in terms of the

856
00:33:32,230 --> 00:33:30,240
show the interview itself just lacks the

857
00:33:34,310 --> 00:33:32,240
post commentary

858
00:33:35,269 --> 00:33:34,320
but yeah this is one of my favorites

859
00:33:36,950 --> 00:33:35,279
from

860
00:33:39,110 --> 00:33:36,960
but you didn't listen to that right

861
00:33:40,950 --> 00:33:39,120
because you didn't figure out how to to

862
00:33:43,830 --> 00:33:40,960
open it

863
00:33:45,190 --> 00:33:43,840

i've no but i've listened to a bunch of

864

00:33:46,470 --> 00:33:45,200

the you know i don't have a lot of

865

00:33:49,350 --> 00:33:46,480

patience for the

866

00:33:51,190 --> 00:33:49,360

joseph farrell thing i i love in the pat

867

00:33:52,870 --> 00:33:51,200

in the past what he said about the

868

00:33:54,630 --> 00:33:52,880

fourth reich end game and i'm super

869

00:33:57,029 --> 00:33:54,640

interested in listening to it

870

00:33:59,990 --> 00:33:57,039

but to me and you know this my hang up

871

00:34:02,389 --> 00:34:00,000

is you can't totally miss the mark on

872

00:34:05,110 --> 00:34:02,399

ufos and say that it's

873

00:34:08,149 --> 00:34:05,120

you know nazi technology with little

874

00:34:10,550 --> 00:34:08,159

midgets in there i mean it's just so

875

00:34:12,550 --> 00:34:10,560

flat earthy kind of thing that then it

876

00:34:14,550 --> 00:34:12,560

kind of destroys your credibility did

877

00:34:17,669 --> 00:34:14,560

you listen to the show i did with him on

878

00:34:20,470 --> 00:34:17,679

ufos called the spider and roswell i i

879

00:34:23,349 --> 00:34:20,480

did and what i hear is like kind of a

880

00:34:25,829 --> 00:34:23,359

reluctant backtracking from

881

00:34:27,589 --> 00:34:25,839

feral you know to get away from what

882

00:34:30,069 --> 00:34:27,599

he's saying but never wanting to fully

883

00:34:31,829 --> 00:34:30,079

get away from and say oops of course i

884

00:34:33,829 --> 00:34:31,839

was wrong of course that's

885

00:34:35,510 --> 00:34:33,839

doesn't make any sense and no that's

886

00:34:37,270 --> 00:34:35,520

projection

887

00:34:39,270 --> 00:34:37,280

you know he stands look it says you

888

00:34:41,990 --> 00:34:39,280

can't criticize graham hancock for

889

00:34:44,389 --> 00:34:42,000

suggesting that some of the alien ufo

890

00:34:48,069 --> 00:34:44,399

stuff is metaphysical

891

00:34:51,109 --> 00:34:48,079

you can't criticize uh richard dolan for

892

00:34:53,349 --> 00:34:51,119

saying that some of it is

893

00:34:54,950 --> 00:34:53,359

creatures that are not human beings but

894

00:34:56,869 --> 00:34:54,960

are physical

895

00:34:59,829 --> 00:34:56,879

you can't criticize michael schratt for

896

00:35:01,109 --> 00:34:59,839

saying that some of it is classified

897

00:35:03,270 --> 00:35:01,119

technology

898

00:35:05,829 --> 00:35:03,280

look it's you know this it's a huge feel

899

00:35:08,390 --> 00:35:05,839

and then we have a friend a mutual uh

900

00:35:11,109 --> 00:35:08,400

guest on who has his own spin what's his

901
00:35:12,150 --> 00:35:11,119
name we both had him on this year um

902
00:35:14,310 --> 00:35:12,160
new cook

903
00:35:17,030 --> 00:35:14,320
yeah and his take on it right

904
00:35:20,550 --> 00:35:17,040
so it's just uh puzzle pieces that adds

905
00:35:21,510 --> 00:35:20,560
to the whole picture and pharrell's lane

906
00:35:24,630 --> 00:35:21,520
is

907
00:35:27,030 --> 00:35:24,640
the nazi angle and the deep state angle

908
00:35:29,589 --> 00:35:27,040
that's just his lane there's no reason

909
00:35:31,750 --> 00:35:29,599
for him to do what dolan does because

910
00:35:34,069 --> 00:35:31,760
dolan and many other people already do

911
00:35:37,349 --> 00:35:34,079
it and they do it so brilliantly

912
00:35:38,470 --> 00:35:37,359
peter lavender tried to get into that

913
00:35:39,750 --> 00:35:38,480

lane but

914

00:35:43,109 --> 00:35:39,760

no pharrell

915

00:35:46,310 --> 00:35:43,119

pharrell's lane is completely good and

916

00:35:49,190 --> 00:35:46,320

uh pharrell and hoagland both agree

917

00:35:51,589 --> 00:35:49,200

to a far extent about this like for

918

00:35:54,790 --> 00:35:51,599

example they are both open to the

919

00:35:57,589 --> 00:35:54,800

ancient civilization

920

00:36:00,230 --> 00:35:57,599

uh cousins being out there that's one

921

00:36:01,990 --> 00:36:00,240

and they're also open to

922

00:36:04,710 --> 00:36:02,000

potentially

923

00:36:07,589 --> 00:36:04,720

non-terrestrial

924

00:36:10,550 --> 00:36:07,599

sources for this be that

925

00:36:12,710 --> 00:36:10,560

of the planets dimensions time time

926
00:36:15,750 --> 00:36:12,720
travel et cetera so that it's all in

927
00:36:16,630 --> 00:36:15,760
their lore and you'll see it also in

928
00:36:18,390 --> 00:36:16,640
their

929
00:36:19,990 --> 00:36:18,400
writing so

930
00:36:21,750 --> 00:36:20,000
his book roswell and

931
00:36:24,710 --> 00:36:21,760
he was just arguing that

932
00:36:27,270 --> 00:36:24,720
some specific ufo cases especially

933
00:36:28,470 --> 00:36:27,280
around the end of the second world war

934
00:36:31,829 --> 00:36:28,480
has been

935
00:36:36,230 --> 00:36:35,109
up basically a psy up to make us look

936
00:36:38,069 --> 00:36:36,240
the other way

937
00:36:39,910 --> 00:36:38,079
and i think that's completely fair and i

938
00:36:41,990 --> 00:36:39,920

know you disagree with this but but i

939

00:36:44,470 --> 00:36:42,000

have to say it for the listener so that

940

00:36:45,750 --> 00:36:44,480

they don't misinterpret what

941

00:36:47,910 --> 00:36:45,760

your take on

942

00:36:50,630 --> 00:36:47,920

on pharrell's attitude is because it's

943

00:36:52,230 --> 00:36:50,640

not correct i see how you can perceive

944

00:36:53,589 --> 00:36:52,240

it like that but but that's not his

945

00:36:54,870 --> 00:36:53,599

message

946

00:36:56,230 --> 00:36:54,880

okay so

947

00:36:58,150 --> 00:36:56,240

i kind of

948

00:37:00,150 --> 00:36:58,160

hijacked that why don't you tell us what

949

00:37:01,750 --> 00:37:00,160

you liked about that show in particular

950

00:37:03,510 --> 00:37:01,760

because it's really what you've done

951
00:37:05,750 --> 00:37:03,520
there is really

952
00:37:07,829 --> 00:37:05,760
terrific because i've picked up bits of

953
00:37:10,390 --> 00:37:07,839
the trail and the borman thing and i

954
00:37:12,950 --> 00:37:10,400
think it's totally spot-on and i think

955
00:37:15,430 --> 00:37:12,960
that he's contributing a lot

956
00:37:17,510 --> 00:37:15,440
in a lot of ways so

957
00:37:18,790 --> 00:37:17,520
you know i'm just maybe going a little

958
00:37:21,589 --> 00:37:18,800
bit too

959
00:37:23,990 --> 00:37:21,599
skeptical on it so tell us what you what

960
00:37:24,950 --> 00:37:24,000
you really are are valuing most in that

961
00:37:27,030 --> 00:37:24,960
episode

962
00:37:29,589 --> 00:37:27,040
yeah so when i get him back in the

963
00:37:32,069 --> 00:37:29,599

future apart from doing some religious

964

00:37:35,510 --> 00:37:32,079

and spiritual topics we're gonna do

965

00:37:37,510 --> 00:37:35,520

economy that's where he really shines

966

00:37:40,550 --> 00:37:37,520

he's a brilliant genius on that and

967

00:37:42,230 --> 00:37:40,560

that's ties directly into the octopus

968

00:37:43,430 --> 00:37:42,240

the

969

00:37:45,030 --> 00:37:43,440

circle

970

00:37:50,390 --> 00:37:45,040

the

971

00:37:52,870 --> 00:37:50,400

anglo-american

972

00:37:55,829 --> 00:37:52,880

elite

973

00:37:57,510 --> 00:37:55,839

it's tied and what i love this show is

974

00:38:00,390 --> 00:37:57,520

that it's the perfect

975

00:38:02,069 --> 00:38:00,400

segue to discourse economy because when

976

00:38:04,150 --> 00:38:02,079

we come into economy we come into

977

00:38:05,030 --> 00:38:04,160

contemporary times more than anything

978

00:38:08,470 --> 00:38:05,040

and

979

00:38:10,670 --> 00:38:08,480

the voice of the

980

00:38:12,390 --> 00:38:10,680

the globalist

981

00:38:15,589 --> 00:38:12,400

corporatism

982

00:38:18,630 --> 00:38:15,599

and i especially love part two because

983

00:38:20,390 --> 00:38:18,640

first off i get to read to him

984

00:38:23,349 --> 00:38:20,400

something we call notes on the bowman

985

00:38:25,349 --> 00:38:23,359

conspiracy which is a collaboration it's

986

00:38:27,750 --> 00:38:25,359

the only thing you do this all the time

987

00:38:29,589 --> 00:38:27,760

in skeptical you could oh you used to do

988

00:38:31,990 --> 00:38:29,599

it you had a collaboration projects with

989

00:38:35,430 --> 00:38:32,000

your listeners well i've done it once on

990

00:38:37,190 --> 00:38:35,440

this so they add points

991

00:38:39,910 --> 00:38:37,200

to the timeline

992

00:38:43,109 --> 00:38:39,920

and i got to read that entire timeline

993

00:38:46,150 --> 00:38:43,119

to joseph and he commented upon it

994

00:38:48,550 --> 00:38:46,160

that i really loved doing and also we

995

00:38:50,150 --> 00:38:48,560

covered 911 with him because he has his

996

00:38:52,550 --> 00:38:50,160

own spin

997

00:38:54,150 --> 00:38:52,560

on many things you already noticed a

998

00:38:56,470 --> 00:38:54,160

youthful thing

999

00:38:59,109 --> 00:38:56,480

i could mention other things but

1000

00:39:01,349 --> 00:38:59,119

one of them is the 911

1001

00:39:03,829 --> 00:39:01,359

it's kind of similar to his jfk

1002

00:39:05,829 --> 00:39:03,839

take it's not

1003

00:39:06,870 --> 00:39:05,839

either of the above it's all of the

1004

00:39:09,030 --> 00:39:06,880

above

1005

00:39:11,990 --> 00:39:09,040

and so for the first time we got to

1006

00:39:13,190 --> 00:39:12,000

cover that with him too um

1007

00:39:15,030 --> 00:39:13,200

so

1008

00:39:17,109 --> 00:39:15,040

yeah i think it's all around it's a high

1009

00:39:19,109 --> 00:39:17,119

quality pharrell show for those who are

1010

00:39:21,589 --> 00:39:19,119

into pharrell those who aren't into

1011

00:39:23,109 --> 00:39:21,599

pharrell i think they'll enjoy part two

1012

00:39:25,670 --> 00:39:23,119

i think part one is going to be a little

1013

00:39:28,390 --> 00:39:25,680

boring for them because he's he's

1014

00:39:30,230 --> 00:39:28,400

part one is very nerdy

1015

00:39:32,150 --> 00:39:30,240

particular historical

1016

00:39:34,470 --> 00:39:32,160

fact tweets that

1017

00:39:37,349 --> 00:39:34,480

if you're not already used to this

1018

00:39:38,950 --> 00:39:37,359

narration you may lose the big picture

1019

00:39:42,630 --> 00:39:38,960

but the big picture comes back in part

1020

00:39:45,670 --> 00:39:42,640

two so this is uh one of my uh favorites

1021

00:39:46,790 --> 00:39:45,680

for for this year definitely

1022

00:39:48,390 --> 00:39:46,800

great

1023

00:39:50,150 --> 00:39:48,400

we can move on to the next show we don't

1024

00:39:51,030 --> 00:39:50,160

know

1025

00:39:53,270 --> 00:39:51,040

but

1026

00:39:57,030 --> 00:39:53,280

i will move on

1027

00:39:57,990 --> 00:39:57,040

in my in my own skeptical way and as

1028

00:40:01,030 --> 00:39:58,000

people have listened to our

1029

00:40:02,550 --> 00:40:01,040

conversations before you know know that

1030

00:40:05,670 --> 00:40:02,560

one of the real

1031

00:40:09,510 --> 00:40:05,680

total joys for me in talking to you is

1032

00:40:11,430 --> 00:40:09,520

that we can have these exchanges

1033

00:40:17,750 --> 00:40:11,440

and

1034

00:40:20,309 --> 00:40:17,760

it a level three kind of conversation

1035

00:40:22,069 --> 00:40:20,319

which you just we just don't get to and

1036

00:40:24,630 --> 00:40:22,079

i think there's less and less of these

1037

00:40:27,510 --> 00:40:24,640

things where of course we agree on the

1038

00:40:29,990 --> 00:40:27,520

big picture of course we agree on the

1039

00:40:32,309 --> 00:40:30,000

bigger picture now let's talk about this

1040

00:40:34,309 --> 00:40:32,319

other part where we don't agree and

1041

00:40:35,829 --> 00:40:34,319

that's what gets most interesting to me

1042

00:40:39,109 --> 00:40:35,839

so that's right

1043

00:40:41,990 --> 00:40:39,119

in that spirit the second clip that i

1044

00:40:44,230 --> 00:40:42,000

would share with you from skeptico

1045

00:40:45,990 --> 00:40:44,240

is the interview i did with

1046

00:40:48,630 --> 00:40:46,000

mitch horwitz

1047

00:40:49,990 --> 00:40:48,640

and i titled it who inspires you satan

1048

00:40:53,109 --> 00:40:50,000

or jesus

1049

00:40:54,390 --> 00:40:53,119

and let me play you a clip

1050

00:40:56,309 --> 00:40:54,400

from that

1051

00:40:57,990 --> 00:40:56,319

you know there were times

1052

00:40:59,190 --> 00:40:58,000

when i was doing jack that i actually

1053

00:41:01,589 --> 00:40:59,200

felt

1054

00:41:04,309 --> 00:41:01,599

[\h__\h] like really [\h__\h] i mean it

1055

00:41:06,550 --> 00:41:04,319

brushed my teeth [\h__\h] i rode bus

1056

00:41:09,270 --> 00:41:06,560

[\h__\h] damn in a weird way i had to

1057

00:41:11,910 --> 00:41:09,280

sort of just free myself up to believe

1058

00:41:13,190 --> 00:41:11,920

that it was okay to be stupid or dumb to

1059

00:41:15,750 --> 00:41:13,200

be a [\h__\h]

1060

00:41:19,270 --> 00:41:15,760

yeah to be moronical exactly to be a

1061

00:41:20,870 --> 00:41:19,280

[\h__\h] an imbecile yeah but simple jack

1062

00:41:22,230 --> 00:41:20,880

thought he was smart or rather didn't

1063

00:41:24,630 --> 00:41:22,240

think he was [h__h] so he can't afford

1064

00:41:26,790 --> 00:41:24,640

to play [h__h] being a smart actor

1065

00:41:28,470 --> 00:41:26,800

playing a guy who ain't smart but thinks

1066

00:41:30,950 --> 00:41:28,480

he is that's tricky

1067

00:41:33,109 --> 00:41:30,960

tricky is that working with mercury

1068

00:41:34,630 --> 00:41:33,119

it's high science man it's art form yeah

1069

00:41:36,950 --> 00:41:34,640

you an artist

1070

00:41:38,870 --> 00:41:36,960

that's what we do right yeah yeah hats

1071

00:41:40,710 --> 00:41:38,880

off of going there especially no not the

1072

00:41:42,790 --> 00:41:40,720

academy is about that [h__h]

1073

00:41:45,829 --> 00:41:42,800

that's of course ben stiller and robert

1074

00:41:48,150 --> 00:41:45,839

downey jr from tropic thunder and it's a

1075

00:41:50,550 --> 00:41:48,160

clip that has become somewhat of a

1076
00:41:52,390 --> 00:41:50,560
touchstone cultural icon because the

1077
00:41:53,910 --> 00:41:52,400
full [h__h] thing which is part of the

1078
00:41:56,150 --> 00:41:53,920
clip that we're going to get to in a

1079
00:41:58,470 --> 00:41:56,160
minute but i wanted to start with this

1080
00:42:00,390 --> 00:41:58,480
long way around the barn clip on the

1081
00:42:02,550 --> 00:42:00,400
first part because what he slips in

1082
00:42:05,109 --> 00:42:02,560
there robert downey jr does in a very

1083
00:42:07,109 --> 00:42:05,119
interesting way is the reference to the

1084
00:42:09,270 --> 00:42:07,119
academy that being the academy awards

1085
00:42:10,950 --> 00:42:09,280
which in our case serves as a very good

1086
00:42:14,230 --> 00:42:10,960
stand in for

1087
00:42:17,349 --> 00:42:14,240
culture and our popular culture and what

1088
00:42:19,990 --> 00:42:17,359

we think of it and how we process it and

1089

00:42:22,870 --> 00:42:20,000

if this intro is a long way around the

1090

00:42:25,270 --> 00:42:22,880

barn which i assure you it is then you

1091

00:42:29,030 --> 00:42:25,280

will have to stay with me for its link

1092

00:42:31,670 --> 00:42:29,040

to today's guest mitch horowitz who is

1093

00:42:34,950 --> 00:42:31,680

self-described historian of alternative

1094

00:42:38,390 --> 00:42:34,960

spirituality and one of today's most

1095

00:42:40,230 --> 00:42:38,400

literate voices of esoteric mysticism in

1096

00:42:42,550 --> 00:42:40,240

the occult and he also happens to be a

1097

00:42:44,390 --> 00:42:42,560

satanist now i'm not hating on him

1098

00:42:47,109 --> 00:42:44,400

because he's a satanist as a matter of

1099

00:42:51,349 --> 00:42:47,119

fact i like maturity oh at least i like

1100

00:42:53,430 --> 00:42:51,359

him well enough but i'm not sure i trust

1101

00:42:55,109 --> 00:42:53,440

mitch horwitz i'm not sure

1102

00:42:57,829 --> 00:42:55,119

i believe

1103

00:43:00,230 --> 00:42:57,839

mitch horowitz and i guess my doubt

1104

00:43:03,030 --> 00:43:00,240

stems from this character that we

1105

00:43:04,069 --> 00:43:03,040

touched on a couple episodes back named

1106

00:43:06,390 --> 00:43:04,079

colonel

1107

00:43:08,950 --> 00:43:06,400

michael aquino

1108

00:43:10,710 --> 00:43:08,960

who it turns out is somebody that mitch

1109

00:43:13,030 --> 00:43:10,720

identifies as

1110

00:43:14,710 --> 00:43:13,040

one of his greatest sources of

1111

00:43:17,109 --> 00:43:14,720

inspiration

1112

00:43:19,510 --> 00:43:17,119

in that same article you're asked who

1113

00:43:21,030 --> 00:43:19,520

are some of your greatest inspirations

1114

00:43:23,829 --> 00:43:21,040

and you mention

1115

00:43:24,950 --> 00:43:23,839

satanist michael aquino

1116

00:43:27,589 --> 00:43:24,960

i mean

1117

00:43:31,510 --> 00:43:27,599

mitch come on this guy is one of the

1118

00:43:32,309 --> 00:43:31,520

worst of the worst you know pedophiles

1119

00:43:34,550 --> 00:43:32,319

uh

1120

00:43:36,390 --> 00:43:34,560

no that's that's not true but the whole

1121

00:43:39,109 --> 00:43:36,400

bond hold up if you say if you say it's

1122

00:43:41,030 --> 00:43:39,119

not true okay i i get it's not my saying

1123

00:43:43,349 --> 00:43:41,040

it that's grotesquely inaccurate he died

1124

00:43:45,030 --> 00:43:43,359

recently uh he had no involvement with

1125

00:43:46,710 --> 00:43:45,040

pedophilia whatsoever i'm surprised that

1126

00:43:49,190 --> 00:43:46,720

you say that

1127

00:43:51,270 --> 00:43:49,200

okay back to tropic thunder you

1128

00:43:53,990 --> 00:43:51,280

seriously don't know everybody knows you

1129

00:43:56,790 --> 00:43:54,000

never go full [h__h] what do you mean

1130

00:43:59,349 --> 00:43:56,800

check it out dustin hoffman rayman look

1131

00:44:02,630 --> 00:43:59,359

[h__h] after tarted not [h__h] count

1132

00:44:04,069 --> 00:44:02,640

two picks cheated cards autistic shell

1133

00:44:06,550 --> 00:44:04,079

novelty

1134

00:44:08,710 --> 00:44:06,560

[h__h] tom hanks forest gum slow yes

1135

00:44:09,990 --> 00:44:08,720

[h__h] maybe braces on his legs but he

1136

00:44:11,829 --> 00:44:10,000

chimed the pants off next to then he won

1137

00:44:14,470 --> 00:44:11,839

a ping-pong competition that ain't

1138

00:44:16,710 --> 00:44:14,480

[h__h] he was goddamn war hero you

1139

00:44:19,030 --> 00:44:16,720

know any [h__h] war heroes

1140

00:44:20,950 --> 00:44:19,040

you went full [h__h] man

1141

00:44:23,349 --> 00:44:20,960

never go for a [h__h]

1142

00:44:25,910 --> 00:44:23,359

i love that clip on so many levels and

1143

00:44:27,430 --> 00:44:25,920

maybe now you get what i mean i mean i

1144

00:44:31,270 --> 00:44:27,440

can trust you

1145

00:44:34,069 --> 00:44:31,280

just don't go full [h__h] on me

1146

00:44:35,270 --> 00:44:34,079

don't ask me to believe that michael

1147

00:44:39,190 --> 00:44:35,280

aquino

1148

00:44:42,790 --> 00:44:39,200

is not a worst of the worst satanist sex

1149

00:44:45,750 --> 00:44:42,800

abusing probably murderer of children

1150

00:44:48,630 --> 00:44:45,760

probably pedophile kind of person

1151

00:44:51,670 --> 00:44:48,640

just go read his history

1152

00:44:53,270 --> 00:44:51,680

it starts in 67 when he's in the phoenix

1153

00:44:55,750 --> 00:44:53,280

program which we talked about on the

1154

00:44:59,430 --> 00:44:55,760

last episode but that's just the

1155

00:45:01,829 --> 00:44:59,440

beginning he's named in the mk ultra

1156

00:45:04,870 --> 00:45:01,839

program he's named by people involved in

1157

00:45:07,109 --> 00:45:04,880

the franklin scandal in 82. in 85

1158

00:45:09,670 --> 00:45:07,119

there's satanic ritual abuse allegations

1159

00:45:11,510 --> 00:45:09,680

at fort bragg again aquino is identified

1160

00:45:12,790 --> 00:45:11,520

as being part of that and then the real

1161

00:45:14,630 --> 00:45:12,800

ones that everyone points to and

1162

00:45:16,950 --> 00:45:14,640

everyone knows about is that the

1163

00:45:19,430 --> 00:45:16,960

presidio child development center in san

1164

00:45:22,470 --> 00:45:19,440

francisco in 86

1165

00:45:24,470 --> 00:45:22,480

60 victims came forward

1166

00:45:27,030 --> 00:45:24,480

these are all little kids three to seven

1167

00:45:29,030 --> 00:45:27,040

years old and they describe being taken

1168

00:45:31,030 --> 00:45:29,040

to aquino's house

1169

00:45:34,630 --> 00:45:31,040

with him and his wife they describe the

1170

00:45:37,670 --> 00:45:34,640

inside the crazy insane all black all

1171

00:45:40,470 --> 00:45:37,680

red walls the altar the satanic altar

1172

00:45:42,309 --> 00:45:40,480

kids don't make that up the evidence was

1173

00:45:44,309 --> 00:45:42,319

so overwhelming that the police

1174

00:45:47,270 --> 00:45:44,319

immediately got a search warrant and

1175

00:45:49,990 --> 00:45:47,280

searched his house and what do they find

1176

00:45:52,790 --> 00:45:50,000

all sorts of videotapes photographs

1177

00:45:55,829 --> 00:45:52,800

photo albums all of it as we're later

1178

00:45:58,710 --> 00:45:55,839

told but never shown is related to this

1179

00:46:00,710 --> 00:45:58,720

child sexual abuse thing

1180

00:46:03,190 --> 00:46:00,720

cut it off there and appreciate you

1181

00:46:05,589 --> 00:46:03,200

listening to such a long clip but here's

1182

00:46:07,829 --> 00:46:05,599

how i think that relates to

1183

00:46:09,990 --> 00:46:07,839

exactly what you're talking about

1184

00:46:12,150 --> 00:46:10,000

especially this year for me

1185

00:46:15,270 --> 00:46:12,160

i've been more and more

1186

00:46:18,309 --> 00:46:15,280

kind of dogmatic about this

1187

00:46:19,670 --> 00:46:18,319

search for the truth and what our truth

1188

00:46:20,870 --> 00:46:19,680

community

1189

00:46:24,470 --> 00:46:20,880
should be

1190

00:46:25,750 --> 00:46:24,480
and how we have to apply our own

1191

00:46:28,710 --> 00:46:25,760
peer review

1192

00:46:31,430 --> 00:46:28,720
scientific method kind of thing

1193

00:46:34,069 --> 00:46:31,440
on folks and it really turns a lot of

1194

00:46:36,150 --> 00:46:34,079
people off so if i say

1195

00:46:37,910 --> 00:46:36,160
joseph farrell has said

1196

00:46:40,630 --> 00:46:37,920
this and it's total [h__\h] and it's

1197

00:46:43,109 --> 00:46:40,640
provably [h__\h] and he hasn't reversed

1198

00:46:44,790 --> 00:46:43,119
himself completely he hasn't come out

1199

00:46:47,030 --> 00:46:44,800
i've had to come out and say oh my god i

1200

00:46:48,870 --> 00:46:47,040
believe that i was wrong then

1201
00:46:51,829 --> 00:46:48,880
he needs to be called out because you

1202
00:46:53,589 --> 00:46:51,839
can't just do a mitch horowitz and not

1203
00:46:56,470 --> 00:46:53,599
get the facts right

1204
00:46:59,430 --> 00:46:56,480
mitch is wrong fundamentally about the

1205
00:47:01,190 --> 00:46:59,440
history of michael aquino colonel

1206
00:47:02,710 --> 00:47:01,200
michael aquino which leads us in a bunch

1207
00:47:05,589 --> 00:47:02,720
of different directions of what does

1208
00:47:07,910 --> 00:47:05,599
that mean in terms of us living under

1209
00:47:08,790 --> 00:47:07,920
the freedoms quote unquote that we live

1210
00:47:11,349 --> 00:47:08,800
under

1211
00:47:14,309 --> 00:47:11,359
by a military-industrial complex that is

1212
00:47:16,470 --> 00:47:14,319
knowingly partnering with somebody like

1213
00:47:17,750 --> 00:47:16,480

michael aquino what does that mean today

1214

00:47:20,470 --> 00:47:17,760

in a

1215

00:47:23,510 --> 00:47:20,480

covid vax or die kind of thing or

1216

00:47:25,670 --> 00:47:23,520

vaccine die kind of thing so a lot to

1217

00:47:28,470 --> 00:47:25,680

process there but i'm really getting

1218

00:47:30,630 --> 00:47:28,480

kind of my backup about the truth thing

1219

00:47:31,430 --> 00:47:30,640

and about calling people

1220

00:47:37,670 --> 00:47:31,440

in

1221

00:47:39,589 --> 00:47:37,680

truth and that doesn't mean that i have

1222

00:47:41,670 --> 00:47:39,599

the truth it just means i'm willing to

1223

00:47:43,750 --> 00:47:41,680

stick my neck out and say if i'm [h__\h]

1224

00:47:45,510 --> 00:47:43,760

wrong i want to correct it i don't want

1225

00:47:47,910 --> 00:47:45,520

to be telling something that isn't true

1226
00:47:49,990 --> 00:47:47,920
so [h__h] tell me show me where i'm

1227
00:47:53,589 --> 00:47:50,000
wrong but don't

1228
00:47:56,150 --> 00:47:53,599
march out you know your sacred cow and

1229
00:47:58,790 --> 00:47:56,160
say oh no you know it doesn't really

1230
00:48:02,630 --> 00:47:58,800
matter he's kind of right on this and

1231
00:48:04,790 --> 00:48:02,640
shouldn't we all just get along [h__h]

1232
00:48:06,230 --> 00:48:04,800
yeah look um

1233
00:48:08,150 --> 00:48:06,240
several things to address there first

1234
00:48:11,670 --> 00:48:08,160
off i haven't listened to that show i'm

1235
00:48:13,589 --> 00:48:11,680
gonna i didn't know you had a setian on

1236
00:48:16,790 --> 00:48:13,599
or maybe we should just call them

1237
00:48:18,950 --> 00:48:16,800
satanists rather than satyanists

1238
00:48:20,710 --> 00:48:18,960

but uh yeah i'm definitely gonna listen

1239

00:48:22,470 --> 00:48:20,720

to this show going to be interesting to

1240

00:48:23,910 --> 00:48:22,480

see how he

1241

00:48:28,309 --> 00:48:23,920

um

1242

00:48:33,510 --> 00:48:30,150

uh yeah alex

1243

00:48:35,270 --> 00:48:33,520

uh rebuttals there but um and i i i

1244

00:48:38,870 --> 00:48:35,280

don't suppose you want to discuss

1245

00:48:40,630 --> 00:48:38,880

satanism or or aquino michael aquino i

1246

00:48:42,870 --> 00:48:40,640

don't know too much about

1247

00:48:45,109 --> 00:48:42,880

uh those things anyway i know about

1248

00:48:47,670 --> 00:48:45,119

temple of seth of course and church of

1249

00:48:48,790 --> 00:48:47,680

satan but here's the thing

1250

00:48:50,390 --> 00:48:48,800

you can't

1251

00:48:51,589 --> 00:48:50,400

you you're conflating it's two

1252

00:48:53,270 --> 00:48:51,599

completely different things that's not

1253

00:48:55,910 --> 00:48:53,280

what's going on here in terms of joseph

1254

00:48:58,710 --> 00:48:55,920

ferrell first off you got this notion

1255

00:49:00,230 --> 00:48:58,720

about him that i'm trying patiently to

1256

00:49:01,670 --> 00:49:00,240

correct

1257

00:49:04,150 --> 00:49:01,680

but

1258

00:49:05,829 --> 00:49:04,160

if you think that notion is correct then

1259

00:49:08,069 --> 00:49:05,839

you need to we need to start with the

1260

00:49:10,470 --> 00:49:08,079

source we can't start with your feeling

1261

00:49:12,950 --> 00:49:10,480

your interpretation your vague

1262

00:49:15,750 --> 00:49:12,960

impression of what pharrell means or

1263

00:49:17,829 --> 00:49:15,760

things or i said you need to point to

1264

00:49:20,390 --> 00:49:17,839

something specific

1265

00:49:22,470 --> 00:49:20,400

address that in terms of

1266

00:49:25,670 --> 00:49:22,480

making him accountable for it and if i

1267

00:49:27,109 --> 00:49:25,680

then actually agree with him

1268

00:49:32,390 --> 00:49:27,119

i will

1269

00:49:37,349 --> 00:49:34,630

devil's advocate so

1270

00:49:39,430 --> 00:49:37,359

when i'm correcting what i think is a

1271

00:49:40,549 --> 00:49:39,440

erratic notion you have about

1272

00:49:43,030 --> 00:49:40,559

pharrell's

1273

00:49:44,950 --> 00:49:43,040

take on ufos it's not because we all

1274

00:49:46,390 --> 00:49:44,960

have to play along to get along it's not

1275

00:49:48,790 --> 00:49:46,400

because

1276

00:49:52,309 --> 00:49:48,800

i'm invested in his philosophy somehow

1277

00:49:53,910 --> 00:49:52,319

i'm not we just get along very well

1278

00:49:56,950 --> 00:49:53,920

it's actually because i think you're

1279

00:49:59,109 --> 00:49:56,960

wrong it's the same reason i'm defending

1280

00:50:02,150 --> 00:49:59,119

lavender when you

1281

00:50:04,549 --> 00:50:02,160

uh which is of completely fair of you to

1282

00:50:07,430 --> 00:50:04,559

think that he somehow is connected to

1283

00:50:09,990 --> 00:50:07,440

the alphabet soup fine you think that i

1284

00:50:12,950 --> 00:50:10,000

disagree from the evidence i've seen and

1285

00:50:14,390 --> 00:50:12,960

i can argue for it if if need be and

1286

00:50:17,990 --> 00:50:14,400

that's what i'm doing here with pharrell

1287

00:50:20,150 --> 00:50:18,000

pharrell from the get-go listen i

1288

00:50:21,510 --> 00:50:20,160

discovered him before most other people

1289

00:50:22,950 --> 00:50:21,520

when he wasn't

1290

00:50:24,150 --> 00:50:22,960

famous

1291

00:50:29,510 --> 00:50:24,160

and

1292

00:50:31,430 --> 00:50:29,520

of basically three runs because the

1293

00:50:33,349 --> 00:50:31,440

interviewer she she just asked a

1294

00:50:34,790 --> 00:50:33,359

question and then she showed up nothing

1295

00:50:36,470 --> 00:50:34,800

like you and me right

1296

00:50:38,309 --> 00:50:36,480

but i've listened to that so i know

1297

00:50:41,030 --> 00:50:38,319

where he's coming from on these things

1298

00:50:43,670 --> 00:50:41,040

and he's it's not like he started out

1299

00:50:46,950 --> 00:50:43,680

saying all ufos are nazis and then

1300

00:50:50,309 --> 00:50:46,960

eventually uh some are but you know it

1301
00:50:52,309 --> 00:50:50,319
may be that some your no no no never did

1302
00:50:55,030 --> 00:50:52,319
he do anything like that and i read his

1303
00:50:57,030 --> 00:50:55,040
books which is actually should be the

1304
00:50:58,790 --> 00:50:57,040
source for where someone's coming from

1305
00:51:00,470 --> 00:50:58,800
rather than

1306
00:51:02,470 --> 00:51:00,480
what we squeeze out of them right we're

1307
00:51:04,549 --> 00:51:02,480
in a conversation because you know you

1308
00:51:06,549 --> 00:51:04,559
and me we can say stuff in

1309
00:51:08,549 --> 00:51:06,559
the heat of a conversation that may not

1310
00:51:11,990 --> 00:51:08,559
be like the

1311
00:51:13,430 --> 00:51:12,000
main philosophy default baseline of what

1312
00:51:14,150 --> 00:51:13,440
we're thinking

1313
00:51:15,990 --> 00:51:14,160

but

1314

00:51:18,309 --> 00:51:16,000

and like you say actually you say look

1315

00:51:21,190 --> 00:51:18,319

we agree about the big stuff so when we

1316

00:51:24,549 --> 00:51:21,200

flush out disagreements like this

1317

00:51:25,910 --> 00:51:24,559

it's the small meticulous things

1318

00:51:27,910 --> 00:51:25,920

and and that's where the fun is and

1319

00:51:30,950 --> 00:51:27,920

that's where we can learn and and move

1320

00:51:32,710 --> 00:51:30,960

on and get some dynamic right so but but

1321

00:51:34,790 --> 00:51:32,720

remember we have a huge platform in

1322

00:51:36,549 --> 00:51:34,800

common so it's kind of what's going on

1323

00:51:38,870 --> 00:51:36,559

here uh

1324

00:51:41,190 --> 00:51:38,880

again i just have to reiterate he never

1325

00:51:44,309 --> 00:51:41,200

said everything is nazis and he's never

1326

00:51:46,470 --> 00:51:44,319

backed off the nazi thing in fact

1327

00:51:48,549 --> 00:51:46,480

as more and more people pick this up

1328

00:51:51,190 --> 00:51:48,559

more and more evidence comes out so it's

1329

00:51:53,990 --> 00:51:51,200

never been as clear

1330

00:51:56,790 --> 00:51:54,000

before as ever that i mean the nazi

1331

00:51:59,109 --> 00:51:56,800

thing is so huge that even con men have

1332

00:52:01,670 --> 00:51:59,119

taken it and run with it like

1333

00:52:03,430 --> 00:52:01,680

you i don't know if you're aware of

1334

00:52:13,829 --> 00:52:03,440

the

1335

00:52:16,230 --> 00:52:13,839

david wilcock and corey good uh he's

1336

00:52:18,790 --> 00:52:16,240

just one of these swindlers but yeah

1337

00:52:20,950 --> 00:52:18,800

yeah just yeah i mean just a little man

1338

00:52:23,430 --> 00:52:20,960

it's very very tricky

1339

00:52:25,750 --> 00:52:23,440

territory there's no no it's so much

1340

00:52:28,230 --> 00:52:25,760

look i've gone deep into that it's so

1341

00:52:30,069 --> 00:52:28,240

much that's flushed out he is a con man

1342

00:52:32,790 --> 00:52:30,079

and he's also

1343

00:52:35,109 --> 00:52:32,800

um like most corn man he's also

1344

00:52:37,990 --> 00:52:35,119

psychiatrically unstable

1345

00:52:39,990 --> 00:52:38,000

and he's just someone who lucked out in

1346

00:52:42,069 --> 00:52:40,000

order to because there's so many naive

1347

00:52:43,829 --> 00:52:42,079

people in this look i agree with what

1348

00:52:47,349 --> 00:52:43,839

you said one of the things you said you

1349

00:52:48,950 --> 00:52:47,359

said it's up we in the i hate the term

1350

00:52:50,950 --> 00:52:48,960

you using it so i'm going to use it now

1351
00:52:53,750 --> 00:52:50,960
in the alternative field in the counter

1352
00:52:57,589 --> 00:52:53,760
culture field in the independent media

1353
00:53:00,630 --> 00:52:57,599
it's incumbent upon us to flush out

1354
00:53:02,470 --> 00:53:00,640
[h__\h] because they're so much

1355
00:53:04,150 --> 00:53:02,480
[h__\h] there

1356
00:53:06,069 --> 00:53:04,160
and

1357
00:53:08,309 --> 00:53:06,079
it comes with the territory because most

1358
00:53:10,950 --> 00:53:08,319
people who are open to that they are

1359
00:53:12,230 --> 00:53:10,960
disillusioned with the huge

1360
00:53:14,630 --> 00:53:12,240
main cult

1361
00:53:15,750 --> 00:53:14,640
called society the propaganda and the

1362
00:53:21,349 --> 00:53:15,760
mainstream

1363
00:53:22,390 --> 00:53:21,359

right religion

1364

00:53:24,870 --> 00:53:22,400

and so

1365

00:53:27,910 --> 00:53:24,880

the problem is most people are not

1366

00:53:31,109 --> 00:53:27,920

educated in order to find out how to you

1367

00:53:33,349 --> 00:53:31,119

know source criticism distinguish

1368

00:53:35,270 --> 00:53:33,359

so it's often like

1369

00:53:36,870 --> 00:53:35,280

the less intellectual and academically

1370

00:53:38,630 --> 00:53:36,880

trained you are

1371

00:53:40,790 --> 00:53:38,640

the more it's more like a belief thing

1372

00:53:43,589 --> 00:53:40,800

okay i don't believe this so now i'm

1373

00:53:45,589 --> 00:53:43,599

opening myself up to the counter but the

1374

00:53:46,710 --> 00:53:45,599

problem is the counter culture it's not

1375

00:53:56,710 --> 00:53:46,720

a

1376

00:53:58,710 --> 00:53:56,720

huge cult which

1377

00:54:00,470 --> 00:53:58,720

within itself has of course some

1378

00:54:01,430 --> 00:54:00,480

differences and then there's everything

1379

00:54:05,670 --> 00:54:01,440

else

1380

00:54:07,829 --> 00:54:05,680

that can be put

1381

00:54:09,589 --> 00:54:07,839

if some of them takes over we we're in a

1382

00:54:12,069 --> 00:54:09,599

new cult right so it doesn't mean

1383

00:54:14,230 --> 00:54:12,079

everything else is is called blanche

1384

00:54:17,109 --> 00:54:14,240

so we have to be critical and picky and

1385

00:54:19,510 --> 00:54:17,119

of course like it's an easy low hanging

1386

00:54:21,589 --> 00:54:19,520

fruit but you have the flat earth thing

1387

00:54:24,309 --> 00:54:21,599

right we don't want that to take over as

1388

00:54:27,589 --> 00:54:24,319

a as an extreme example so i agree with

1389

00:54:29,910 --> 00:54:27,599

you buddy we need to clean up our own

1390

00:54:32,470 --> 00:54:29,920

and that's when we you know discussions

1391

00:54:35,270 --> 00:54:32,480

like the moon landing for example

1392

00:54:37,270 --> 00:54:35,280

comes into play right you have very

1393

00:54:38,390 --> 00:54:37,280

different views there

1394

00:54:40,230 --> 00:54:38,400

some

1395

00:54:42,549 --> 00:54:40,240

you and me would find cookies so we

1396

00:54:44,870 --> 00:54:42,559

would find more realistic

1397

00:54:47,030 --> 00:54:44,880

and you can you know go through the

1398

00:54:49,109 --> 00:54:47,040

everything that's suppressed covered you

1399

00:54:51,190 --> 00:54:49,119

name it you know you have in the coffee

1400

00:54:53,670 --> 00:54:51,200

thing you also have those who deny that

1401
00:54:56,710 --> 00:54:53,680
it's a thing you had one on i love that

1402
00:54:58,950 --> 00:54:56,720
show but that was 20 not 21.

1403
00:55:02,069 --> 00:54:58,960
a guy who claimed it didn't exist

1404
00:55:03,910 --> 00:55:02,079
and you just flushed him out like

1405
00:55:07,030 --> 00:55:03,920
beautifully like no mainstream i could

1406
00:55:09,270 --> 00:55:07,040
have managed to do well so

1407
00:55:11,349 --> 00:55:09,280
yeah you know what i'm saying right

1408
00:55:13,190 --> 00:55:11,359
i do know what you're saying and i think

1409
00:55:14,710 --> 00:55:13,200
that you you made a really important

1410
00:55:17,190 --> 00:55:14,720
point that i want to kind of pull out

1411
00:55:19,190 --> 00:55:17,200
and highlight there and that that's

1412
00:55:21,670 --> 00:55:19,200
there's a certain tool set that goes

1413
00:55:24,230 --> 00:55:21,680

with critical thinking that goes with

1414

00:55:26,309 --> 00:55:24,240

logical thinking and it's related to the

1415

00:55:27,430 --> 00:55:26,319

scientific method and just had a guy the

1416

00:55:29,589 --> 00:55:27,440

other day tell me you know the

1417

00:55:31,829 --> 00:55:29,599

scientific method is [h__h] i've had a

1418

00:55:35,510 --> 00:55:31,839

bunch of people tell me you know science

1419

00:55:37,270 --> 00:55:35,520

is so corrupted now that you know forget

1420

00:55:38,630 --> 00:55:37,280

it forget even forget the scientific

1421

00:55:41,589 --> 00:55:38,640

method and

1422

00:55:43,670 --> 00:55:41,599

first up full stop injection i've had

1423

00:55:45,910 --> 00:55:43,680

some of those on two one of them his

1424

00:55:49,109 --> 00:55:45,920

name is alex sakiris

1425

00:55:50,950 --> 00:55:49,119

the discussion for two hours but go on

1426

00:55:54,069 --> 00:55:50,960

well

1427

00:55:56,309 --> 00:55:54,079

i think in many ways as we try and

1428

00:55:58,950 --> 00:55:56,319

traverse this territory of the

1429

00:56:01,349 --> 00:55:58,960

metaphysical and the physical which we

1430

00:56:04,710 --> 00:56:01,359

want to do we want to have a kind of

1431

00:56:07,670 --> 00:56:04,720

materialist consensus reality discussion

1432

00:56:11,190 --> 00:56:07,680

we're both on zoom we're talking into a

1433

00:56:13,349 --> 00:56:11,200

microphone you had salmon soup for lunch

1434

00:56:15,829 --> 00:56:13,359

um these are kind of things where we

1435

00:56:18,150 --> 00:56:15,839

want to kind of ground ourselves and say

1436

00:56:20,549 --> 00:56:18,160

that's a common reality you know and

1437

00:56:23,510 --> 00:56:20,559

then we have this metaphysical reality

1438

00:56:24,630 --> 00:56:23,520

that are we living in a simulation is

1439

00:56:27,670 --> 00:56:24,640

all of the

1440

00:56:30,870 --> 00:56:27,680

are we just creating agrigorically

1441

00:56:33,349 --> 00:56:30,880

topoly you know everything around us and

1442

00:56:34,549 --> 00:56:33,359

we want to exist in both those worlds

1443

00:56:36,710 --> 00:56:34,559

the point is

1444

00:56:40,470 --> 00:56:36,720

the scientific method

1445

00:56:43,349 --> 00:56:40,480

has some great tools for traversing the

1446

00:56:44,950 --> 00:56:43,359

physical the if the world is out there

1447

00:56:47,670 --> 00:56:44,960

and i can measure it

1448

00:56:50,069 --> 00:56:47,680

so wink nod the world isn't really out

1449

00:56:52,390 --> 00:56:50,079

there and you can't really measure it

1450

00:56:54,150 --> 00:56:52,400

but let's pretend the world is out there

1451
00:56:56,309 --> 00:56:54,160
and you can measure it and what you're

1452
00:57:00,309 --> 00:56:56,319
pointing out is that there's a certain

1453
00:57:01,910 --> 00:57:00,319
tool set that goes with that and

1454
00:57:04,549 --> 00:57:01,920
we might want to

1455
00:57:07,349 --> 00:57:04,559
avail ourselves of that tool set and i

1456
00:57:09,829 --> 00:57:07,359
also agree with you just wholeheartedly

1457
00:57:12,390 --> 00:57:09,839
about this process and cleaning up our

1458
00:57:15,030 --> 00:57:12,400
own and being accountable and holding

1459
00:57:17,990 --> 00:57:15,040
ourselves to a standard and with that

1460
00:57:21,109 --> 00:57:18,000
you know then i'm really okay with

1461
00:57:23,589 --> 00:57:21,119
moving beyond uh joseph farrell but i'm

1462
00:57:25,510 --> 00:57:23,599
also big on you know

1463
00:57:27,829 --> 00:57:25,520

kind of pushing people and aggravating

1464

00:57:30,710 --> 00:57:27,839

people which i've done it's it's like i

1465

00:57:32,870 --> 00:57:30,720

got friends in the podcasting world that

1466

00:57:33,670 --> 00:57:32,880

have been around for a long time so you

1467

00:57:36,549 --> 00:57:33,680

know

1468

00:57:37,990 --> 00:57:36,559

if you're gonna have damien eckles on

1469

00:57:40,390 --> 00:57:38,000

your show

1470

00:57:43,270 --> 00:57:40,400

then you at least ought to ask him

1471

00:57:44,710 --> 00:57:43,280

if he raped and murdered those kids

1472

00:57:47,190 --> 00:57:44,720

because

1473

00:57:48,309 --> 00:57:47,200

all his other co-conspirators admitted

1474

00:57:51,030 --> 00:57:48,319

that he

1475

00:57:53,829 --> 00:57:51,040

raped and murdered those kids and he was

1476

00:57:56,309 --> 00:57:53,839

convicted by two juries of doing that

1477

00:57:57,829 --> 00:57:56,319

and he was never exonerated

1478

00:57:59,750 --> 00:57:57,839

so if you're gonna have him on your

1479

00:58:02,710 --> 00:57:59,760

[h__\h] show

1480

00:58:04,309 --> 00:58:02,720

just ask him and then we can move on and

1481

00:58:06,390 --> 00:58:04,319

you know i've i talked to other people i

1482

00:58:08,069 --> 00:58:06,400

talked to miguel i liked miguel miguel

1483

00:58:09,589 --> 00:58:08,079

had him on and miguel said yeah i

1484

00:58:10,870 --> 00:58:09,599

understand that i under that's

1485

00:58:13,270 --> 00:58:10,880

legitimate

1486

00:58:14,150 --> 00:58:13,280

miguel had this echoes going on

1487

00:58:17,190 --> 00:58:14,160

yes

1488

00:58:19,430 --> 00:58:17,200

and and that's okay that's that's okay i

1489

00:58:21,430 --> 00:58:19,440

didn't know he he still lived even i

1490

00:58:24,230 --> 00:58:21,440

thought he was dead oh

1491

00:58:26,470 --> 00:58:24,240

no no he's writing books he's you know

1492

00:58:28,710 --> 00:58:26,480

friends with uh oh why don't you have

1493

00:58:32,630 --> 00:58:28,720

him on then why don't you have him on

1494

00:58:34,630 --> 00:58:32,640

i i i guess i would i would have him on

1495

00:58:36,470 --> 00:58:34,640

there's a line there

1496

00:58:39,589 --> 00:58:36,480

that gets to

1497

00:58:42,710 --> 00:58:39,599

promoting something which i i

1498

00:58:45,190 --> 00:58:42,720

the line for me is if damian nichols

1499

00:58:46,789 --> 00:58:45,200

showed up at my doorstep and said hey i

1500

00:58:49,589 --> 00:58:46,799

i want to be on i want to

1501

00:58:53,109 --> 00:58:49,599

i want to come on and you know

1502

00:58:56,710 --> 00:58:53,119

respond to what you're saying uh he in a

1503

00:58:59,109 --> 00:58:56,720

second in a second but the old alex the

1504

00:59:01,430 --> 00:58:59,119

old alex he would totally have james

1505

00:59:03,349 --> 00:59:01,440

randy on without respecting the guy i

1506

00:59:04,950 --> 00:59:03,359

did have james randy on and i had a lot

1507

00:59:06,549 --> 00:59:04,960

of other people on and that's a good

1508

00:59:08,950 --> 00:59:06,559

distinction that's more for if we would

1509

00:59:12,630 --> 00:59:08,960

ever do that show on the whole journey

1510

00:59:16,470 --> 00:59:12,640

and the the distinction there it for me

1511

00:59:18,789 --> 00:59:16,480

is the evil distinction you know it's

1512

00:59:20,950 --> 00:59:18,799

you can argue that james randy is evil

1513

00:59:23,910 --> 00:59:20,960

he's done so much damage

1514

00:59:25,829 --> 00:59:23,920

yes and he he may even have have

1515

00:59:28,470 --> 00:59:25,839

done stuff to kids too

1516

00:59:30,470 --> 00:59:28,480

oh yes yes i did not know that i did not

1517

00:59:32,470 --> 00:59:30,480

know that at the time and i would have

1518

00:59:34,470 --> 00:59:32,480

asked him and you know i was too soft on

1519

00:59:37,190 --> 00:59:34,480

james randy uh

1520

00:59:39,750 --> 00:59:37,200

at the time because you know

1521

00:59:41,829 --> 00:59:39,760

we don't know yeah but i mean i i asked

1522

00:59:44,309 --> 00:59:41,839

them some hard questions i just didn't

1523

00:59:46,870 --> 00:59:44,319

really push hard enough i guess to to

1524

00:59:49,430 --> 00:59:46,880

wind that back i was just really kind of

1525

00:59:52,309 --> 00:59:49,440

agreeing with you on you know the

1526

00:59:53,069 --> 00:59:52,319

methods that we must have for

1527

00:59:57,430 --> 00:59:53,079

re

1528

00:59:59,349 --> 00:59:57,440

our methods for finding the truth so it

1529

01:00:01,829 --> 00:59:59,359

was a kind of long long way around the

1530

01:00:04,789 --> 01:00:01,839

barn whose turn is it now is it your

1531

01:00:06,309 --> 01:00:04,799

turn to go next i just realized uh how

1532

01:00:08,390 --> 01:00:06,319

we're doing this i thought we were going

1533

01:00:11,190 --> 01:00:08,400

to do three of mine and then three of

1534

01:00:13,030 --> 01:00:11,200

yours but uh it's one mine and one years

1535

01:00:15,109 --> 01:00:13,040

right that's what's going on here so

1536

01:00:16,870 --> 01:00:15,119

that is my turn yeah yes

1537

01:00:20,470 --> 01:00:16,880

that is my turn okay

1538

01:00:22,549 --> 01:00:20,480

so uh and that's uh i i will i think

1539

01:00:24,630 --> 01:00:22,559

after this recording i i think i will

1540

01:00:28,390 --> 01:00:24,640

manage to get two shows out before the

1541

01:00:31,430 --> 01:00:28,400

end of the year which are not there yet

1542

01:00:34,789 --> 01:00:31,440

but the last show that is there now

1543

01:00:37,510 --> 01:00:34,799

is the secret of secrets

1544

01:00:40,470 --> 01:00:37,520

how to survive death you know what

1545

01:00:42,470 --> 01:00:40,480

maybe can i do what you did play

1546

01:00:44,870 --> 01:00:42,480

but this notion of the body of light

1547

01:00:47,270 --> 01:00:44,880

part is the key

1548

01:00:48,710 --> 01:00:47,280

yeah a lot of these groups just don't

1549

01:00:51,589 --> 01:00:48,720

have that

1550

01:00:54,150 --> 01:00:51,599

information no they don't and

1551
01:00:56,789 --> 01:00:54,160
basically everything we have we do has

1552
01:00:58,470 --> 01:00:56,799
to do with preparing for death and the

1553
01:01:00,390 --> 01:00:58,480
most powerful

1554
01:01:04,069 --> 01:01:00,400
ritual i've ever experienced in my life

1555
01:01:06,309 --> 01:01:04,079
and i've been in a lot of ritual

1556
01:01:07,750 --> 01:01:06,319
i visited all the groups tibetans you

1557
01:01:10,549 --> 01:01:07,760
name it

1558
01:01:13,190 --> 01:01:10,559
and i was present at i've been so lucky

1559
01:01:14,950 --> 01:01:13,200
as to be present at the death ritual

1560
01:01:16,950 --> 01:01:14,960
where they whether it was when we

1561
01:01:19,190 --> 01:01:16,960
initiate who had died

1562
01:01:22,789 --> 01:01:19,200
this death ritual is kind of

1563
01:01:26,870 --> 01:01:22,799

connect with a gregor

1564

01:01:28,630 --> 01:01:26,880

and help the doing it is creating uh

1565

01:01:31,270 --> 01:01:28,640

i mean i'm not giving details so i can

1566

01:01:33,829 --> 01:01:31,280

talk about this in general creating up i

1567

01:01:35,670 --> 01:01:33,839

think a portal like a kind of um

1568

01:01:37,109 --> 01:01:35,680

creating some kind of energy without

1569

01:01:38,789 --> 01:01:37,119

going into details

1570

01:01:40,630 --> 01:01:38,799

and then invoke

1571

01:01:43,750 --> 01:01:40,640

the brother or sister who's recently

1572

01:01:45,349 --> 01:01:43,760

deposited and bind them into

1573

01:01:48,069 --> 01:01:45,359

the center of

1574

01:01:49,510 --> 01:01:48,079

the place where this is taking place

1575

01:01:51,589 --> 01:01:49,520

and then

1576

01:01:52,549 --> 01:01:51,599

what you call it when you get some extra

1577

01:01:55,910 --> 01:01:52,559

thrust

1578

01:01:59,589 --> 01:01:55,920

kind of throw them into their

1579

01:02:00,710 --> 01:01:59,599

the path further so create this energy

1580

01:02:03,349 --> 01:02:00,720

ritually

1581

01:02:05,990 --> 01:02:03,359

invoke the person and then guide that

1582

01:02:08,950 --> 01:02:06,000

person further into the the other world

1583

01:02:09,829 --> 01:02:08,960

and it's all done with lots of tools

1584

01:02:11,829 --> 01:02:09,839

like

1585

01:02:13,430 --> 01:02:11,839

sound is being made chanting uh

1586

01:02:14,950 --> 01:02:13,440

recitations

1587

01:02:17,829 --> 01:02:14,960

actions

1588

01:02:19,910 --> 01:02:17,839

uh it's the most powerful uh like i i i

1589

01:02:21,990 --> 01:02:19,920

was there with another from norway and

1590

01:02:23,829 --> 01:02:22,000

he was in tears it was annoying actually

1591

01:02:25,109 --> 01:02:23,839

because snot and every i had to hold his

1592

01:02:27,109 --> 01:02:25,119

hand right and

1593

01:02:28,870 --> 01:02:27,119

he got snooked on it and everything so

1594

01:02:30,950 --> 01:02:28,880

but okay

1595

01:02:34,549 --> 01:02:30,960

but that's how powerfully i was just

1596

01:02:37,029 --> 01:02:34,559

blown out of my socks and and i realized

1597

01:02:39,430 --> 01:02:37,039

oh my god man it's all about

1598

01:02:43,349 --> 01:02:39,440

it's all about the death process

1599

01:02:48,309 --> 01:02:45,430

i'm gonna i'm gonna

1600

01:02:49,829 --> 01:02:48,319

point out a show called the secret of

1601

01:02:52,230 --> 01:02:49,839

secrets but

1602

01:02:53,829 --> 01:02:52,240

i was teasing it with uh playing

1603

01:02:56,069 --> 01:02:53,839

something a quote from the end of

1604

01:02:57,750 --> 01:02:56,079

another show with the same guy

1605

01:02:59,829 --> 01:02:57,760

hacking aggregators that we discussed

1606

01:03:01,270 --> 01:02:59,839

earlier the reason is that i think this

1607

01:03:03,349 --> 01:03:01,280

sums up

1608

01:03:05,109 --> 01:03:03,359

what this other show

1609

01:03:05,990 --> 01:03:05,119

was all about

1610

01:03:08,230 --> 01:03:06,000

and

1611

01:03:09,589 --> 01:03:08,240

people think it's hyperbole

1612

01:03:11,029 --> 01:03:09,599

and

1613

01:03:14,789 --> 01:03:11,039

the thing is

1614

01:03:16,710 --> 01:03:14,799

um i really do i i should do more

1615

01:03:19,510 --> 01:03:16,720

or i think you pronounce it

1616

01:03:21,190 --> 01:03:19,520

hyperbole i think it should do hyperbole

1617

01:03:23,349 --> 01:03:21,200

we say but everyone gets what you're

1618

01:03:25,190 --> 01:03:23,359

talking about yeah it doesn't make sense

1619

01:03:27,510 --> 01:03:25,200

it should be hyperbole but the thing is

1620

01:03:30,309 --> 01:03:27,520

i should do more hyperbole in my titles

1621

01:03:32,390 --> 01:03:30,319

and stuff because i i usually go for

1622

01:03:34,710 --> 01:03:32,400

poetic titles instead of

1623

01:03:37,270 --> 01:03:34,720

to the point or even teasers

1624

01:03:40,309 --> 01:03:37,280

but in this show people would think it's

1625

01:03:42,150 --> 01:03:40,319

a hyperbole secret of secrets but it's

1626

01:03:45,430 --> 01:03:42,160

not it's what it's actually called

1627

01:03:49,589 --> 01:03:47,190

it's actually what it's called that's

1628

01:03:51,910 --> 01:03:49,599

how big of a secret it is and i think i

1629

01:03:54,470 --> 01:03:51,920

i'm the first show ever

1630

01:03:56,069 --> 01:03:54,480

disclosing some of these

1631

01:03:57,990 --> 01:03:56,079

of course we're scratching the surface

1632

01:04:00,789 --> 01:03:58,000

of course both me and the guest knows

1633

01:04:02,150 --> 01:04:00,799

tons more than what's coming out in

1634

01:04:04,789 --> 01:04:02,160

in the discussion but at least we're

1635

01:04:06,789 --> 01:04:04,799

having that discussion in the open

1636

01:04:08,150 --> 01:04:06,799

and i think this is one of my most

1637

01:04:09,589 --> 01:04:08,160

important shows i think it's only

1638

01:04:10,630 --> 01:04:09,599

surpassed you know when you say what's

1639

01:04:13,430 --> 01:04:10,640

important

1640

01:04:16,150 --> 01:04:13,440

so many filters or criterias you can

1641

01:04:17,990 --> 01:04:16,160

work from right but if we

1642

01:04:19,670 --> 01:04:18,000

narrow it down to spirituality and

1643

01:04:21,109 --> 01:04:19,680

metaphysics

1644

01:04:22,789 --> 01:04:21,119

and esoterics

1645

01:04:24,510 --> 01:04:22,799

and if we also narrate down to

1646

01:04:27,270 --> 01:04:24,520

usefulness

1647

01:04:29,910 --> 01:04:27,280

exclusiveness info you won't get many

1648

01:04:32,549 --> 01:04:29,920

places then i say the only show i've

1649

01:04:35,109 --> 01:04:32,559

done that's can surpass this is one of

1650

01:04:38,470 --> 01:04:35,119

the my least popular shows and that just

1651

01:04:41,029 --> 01:04:38,480

confirms like i said with cliff phi when

1652

01:04:43,349 --> 01:04:41,039

i had him on you know we rated the shows

1653

01:04:45,029 --> 01:04:43,359

we did together and we all agreed that

1654

01:04:47,029 --> 01:04:45,039

the most popular is going to be the

1655

01:04:48,950 --> 01:04:47,039

least important

1656

01:04:51,990 --> 01:04:48,960

that was antarctica show

1657

01:04:53,670 --> 01:04:52,000

and the least popular i did with him

1658

01:04:56,549 --> 01:04:53,680

was the most important which was the

1659

01:04:58,470 --> 01:04:56,559

death show now the same here right so

1660

01:05:00,870 --> 01:04:58,480

with

1661

01:05:02,470 --> 01:05:00,880

a guy called timothy hogan i did the

1662

01:05:04,309 --> 01:05:02,480

most important

1663

01:05:05,670 --> 01:05:04,319

and least popular show which was about

1664

01:05:07,430 --> 01:05:05,680

the elements

1665

01:05:09,589 --> 01:05:07,440

a two-parter

1666

01:05:11,990 --> 01:05:09,599

but apart from that one i think this is

1667

01:05:13,190 --> 01:05:12,000

the most important and exclusive in

1668

01:05:14,470 --> 01:05:13,200

terms of

1669

01:05:15,589 --> 01:05:14,480

information

1670

01:05:17,990 --> 01:05:15,599

so

1671

01:05:21,670 --> 01:05:18,000

it's basically

1672

01:05:24,630 --> 01:05:21,680

releasing some universal secrets

1673

01:05:26,630 --> 01:05:24,640

if that's even a word

1674

01:05:29,029 --> 01:05:26,640

it reminds me of the word of the term

1675

01:05:31,430 --> 01:05:29,039

public secrets it's kind of similar

1676

01:05:33,190 --> 01:05:31,440

it's like you have people all over the

1677

01:05:36,549 --> 01:05:33,200

world who knows about this from time

1678

01:05:37,670 --> 01:05:36,559

immemorial but they've all kept it under

1679

01:05:39,510 --> 01:05:37,680

wraps

1680

01:05:41,510 --> 01:05:39,520

and um

1681

01:05:42,390 --> 01:05:41,520

yeah say no more it's all about death

1682

01:05:46,069 --> 01:05:42,400

man

1683

01:05:49,430 --> 01:05:46,079

which actually dovetails with with the

1684

01:05:51,670 --> 01:05:49,440

aims of skeptical skeptical has a huge

1685

01:05:53,750 --> 01:05:51,680

focus on death too only from a

1686

01:05:55,589 --> 01:05:53,760

completely different angle no that's

1687

01:05:58,470 --> 01:05:55,599

perfect because one of the questions i

1688

01:06:00,309 --> 01:05:58,480

was going to ask you relates directly to

1689

01:06:01,670 --> 01:06:00,319

that i think the

1690

01:06:06,230 --> 01:06:01,680

occult

1691

01:06:08,470 --> 01:06:06,240

the hidden the esoteric i i'm super

1692

01:06:10,470 --> 01:06:08,480

interested in the wisdom there because i

1693

01:06:13,109 --> 01:06:10,480

think there is wisdom there

1694

01:06:15,510 --> 01:06:13,119

but you're right i have intentionally

1695

01:06:16,789 --> 01:06:15,520

kind of done an end run on it

1696

01:06:21,510 --> 01:06:16,799

and

1697

01:06:24,309 --> 01:06:21,520

my run on death is near death experience

1698

01:06:26,710 --> 01:06:24,319

and reincarnation science because again

1699

01:06:29,270 --> 01:06:26,720

we can kind of pin it down so we've

1700

01:06:31,829 --> 01:06:29,280

talked about that a bunch in the past

1701
01:06:34,710 --> 01:06:31,839
but i guess what i'd ask you as it

1702
01:06:37,750 --> 01:06:34,720
relates to that really wonderful clip

1703
01:06:41,190 --> 01:06:37,760
that you played is

1704
01:06:42,069 --> 01:06:41,200
to what extent is it secret is it hidden

1705
01:06:44,150 --> 01:06:42,079
when

1706
01:06:46,549 --> 01:06:44,160
we now have thousands of people who've

1707
01:06:49,829 --> 01:06:46,559
crossed that barrier and have found a

1708
01:06:52,710 --> 01:06:49,839
way to come back and tell us about it

1709
01:06:54,789 --> 01:06:52,720
and then part two of that question is

1710
01:06:57,270 --> 01:06:54,799
what do we do with the

1711
01:06:59,430 --> 01:06:57,280
implications for technology there

1712
01:07:01,270 --> 01:06:59,440
because it's clear that more people are

1713
01:07:03,670 --> 01:07:01,280

quote unquote coming back i hate that

1714

01:07:05,829 --> 01:07:03,680

term but that's what we have to use

1715

01:07:07,349 --> 01:07:05,839

because of our advanced medical

1716

01:07:10,710 --> 01:07:07,359

technology having to do with

1717

01:07:13,270 --> 01:07:10,720

resuscitation so we can actually

1718

01:07:15,829 --> 01:07:13,280

blur that line in a way that we couldn't

1719

01:07:18,549 --> 01:07:15,839

and why is it that this

1720

01:07:20,870 --> 01:07:18,559

extended consciousness is blurring the

1721

01:07:22,390 --> 01:07:20,880

line with us as we do that what are your

1722

01:07:25,029 --> 01:07:22,400

thoughts

1723

01:07:26,470 --> 01:07:25,039

excellent point erasing here i will

1724

01:07:28,870 --> 01:07:26,480

answer it like this

1725

01:07:31,029 --> 01:07:28,880

and what i'm saying now i never have

1726

01:07:34,069 --> 01:07:31,039

said before i think so this is very

1727

01:07:36,390 --> 01:07:34,079

important if anyone give any credence to

1728

01:07:39,430 --> 01:07:36,400

my inputs

1729

01:07:43,029 --> 01:07:39,440

open and sharpen your ears folks

1730

01:07:45,349 --> 01:07:43,039

in esoterica there are two layers

1731

01:07:47,190 --> 01:07:45,359

you have what people think of when they

1732

01:07:49,109 --> 01:07:47,200

hear the word i won't even discuss

1733

01:07:50,710 --> 01:07:49,119

occultism because that's big that's like

1734

01:07:52,870 --> 01:07:50,720

the law is that's like the crap that's

1735

01:07:55,029 --> 01:07:52,880

like the pulp fiction the pulp fact of

1736

01:07:56,870 --> 01:07:55,039

esoterico so i won't even go that's

1737

01:07:57,990 --> 01:07:56,880

where you'll find damien angles and

1738

01:07:58,710 --> 01:07:58,000

stuff like that

1739

01:08:01,270 --> 01:07:58,720

but

1740

01:08:03,829 --> 01:08:01,280

in serious esoterica people who are into

1741

01:08:06,390 --> 01:08:03,839

it as a path in their life there are two

1742

01:08:07,750 --> 01:08:06,400

layers there is the one that you will

1743

01:08:09,910 --> 01:08:07,760

google

1744

01:08:13,109 --> 01:08:09,920

where you will find books from leveling

1745

01:08:14,710 --> 01:08:13,119

for example or aquarius or wooden books

1746

01:08:20,630 --> 01:08:14,720

or

1747

01:08:22,709 --> 01:08:20,640

everything from semi-esoteric like

1748

01:08:25,189 --> 01:08:22,719

yeah like mark's own

1749

01:08:26,070 --> 01:08:25,199

institute of hermetic studies

1750

01:08:28,070 --> 01:08:26,080

to

1751

01:08:31,110 --> 01:08:28,080

more downright

1752

01:08:34,309 --> 01:08:31,120

initiatory systems like for example the

1753

01:08:37,110 --> 01:08:34,319

royal secretion order are mark now

1754

01:08:40,950 --> 01:08:37,120

all this is really exoterrica it's

1755

01:08:42,070 --> 01:08:40,960

esoterica in exoterica

1756

01:08:54,630 --> 01:08:42,080

so

1757

01:08:57,590 --> 01:08:54,640

it's correct when alex says okletes

1758

01:09:00,789 --> 01:08:57,600

means the hidden but esoterica really

1759

01:09:03,510 --> 01:09:00,799

means it is pythagoras coined that term

1760

01:09:05,510 --> 01:09:03,520

no or was it aristotle's i forgot but it

1761

01:09:08,550 --> 01:09:05,520

was i think it was aristotle as a coined

1762

01:09:10,229 --> 01:09:08,560

term but it was describing the initiates

1763

01:09:13,349 --> 01:09:10,239

of the ancient mystery schools of the

1764

01:09:14,550 --> 01:09:13,359

ancient mystery traditions

1765

01:09:17,990 --> 01:09:14,560

it was

1766

01:09:21,189 --> 01:09:18,000

that which is never in the public

1767

01:09:24,630 --> 01:09:21,199

so it is that which you are initiated

1768

01:09:25,749 --> 01:09:24,640

into whether it's physically done by

1769

01:09:28,550 --> 01:09:25,759

like

1770

01:09:30,630 --> 01:09:28,560

a group or a ritual or whatever or the

1771

01:09:33,110 --> 01:09:30,640

real initiations which are spiritual

1772

01:09:35,510 --> 01:09:33,120

where you access a level of realization

1773

01:09:36,709 --> 01:09:35,520

and an understanding that is completely

1774

01:09:38,789 --> 01:09:36,719

subjective

1775

01:09:39,669 --> 01:09:38,799

that you cannot share in the objective

1776

01:09:42,149 --> 01:09:39,679

world

1777

01:09:45,030 --> 01:09:42,159

it's like where daoism says

1778

01:09:47,189 --> 01:09:45,040

the truth that can be spoken is not the

1779

01:09:49,990 --> 01:09:47,199

real truth the secret that can be

1780

01:09:52,470 --> 01:09:50,000

revealed is not the real secret

1781

01:09:53,910 --> 01:09:52,480

so that brings us to the second layer

1782

01:09:55,830 --> 01:09:53,920

which

1783

01:09:57,669 --> 01:09:55,840

the less we say about it the better but

1784

01:10:00,630 --> 01:09:57,679

there is a

1785

01:10:03,910 --> 01:10:00,640

very small very small

1786

01:10:06,550 --> 01:10:05,110

was a word

1787

01:10:08,550 --> 01:10:06,560

like just a

1788

01:10:11,750 --> 01:10:08,560

not a fragment but a segment there's a

1789

01:10:14,229 --> 01:10:11,760

small segment of esoterica still around

1790

01:10:15,510 --> 01:10:14,239

it used to be the thing now it's just

1791

01:10:17,990 --> 01:10:15,520

fragments

1792

01:10:20,070 --> 01:10:18,000

and within those circles

1793

01:10:22,790 --> 01:10:20,080

yeah you can google it you can't find it

1794

01:10:25,910 --> 01:10:22,800

online you can find it in books

1795

01:10:27,350 --> 01:10:25,920

and that's where the real secrets are

1796

01:10:31,510 --> 01:10:27,360

and so

1797

01:10:34,550 --> 01:10:31,520

these people let's call them gods of

1798

01:10:35,510 --> 01:10:34,560

mystery tradition gods or whatever

1799

01:10:37,910 --> 01:10:35,520

are

1800

01:10:40,390 --> 01:10:37,920

preserving something from

1801

01:10:42,830 --> 01:10:40,400

the dawn of mankind and

1802

01:10:45,669 --> 01:10:42,840

there are tools there

1803

01:10:47,990 --> 01:10:45,679

are structures there are methods there

1804

01:10:49,270 --> 01:10:48,000

are insights there's lore

1805

01:10:51,510 --> 01:10:49,280

and

1806

01:10:54,470 --> 01:10:51,520

the difference between

1807

01:10:55,990 --> 01:10:54,480

say an initiate like palminidus

1808

01:10:57,750 --> 01:10:56,000

in ancient greek

1809

01:10:58,709 --> 01:10:57,760

who went into the other world and came

1810

01:11:00,630 --> 01:10:58,719

back

1811

01:11:03,270 --> 01:11:00,640

and brought something with him to share

1812

01:11:05,430 --> 01:11:03,280

with us the difference between him

1813

01:11:07,910 --> 01:11:05,440

and some random jude

1814

01:11:10,870 --> 01:11:07,920

who a car runs over

1815

01:11:12,550 --> 01:11:10,880

and then he's being resuscitated by

1816

01:11:14,310 --> 01:11:12,560

bruce grayson

1817

01:11:18,470 --> 01:11:14,320

is that

1818

01:11:20,950 --> 01:11:18,480

both of them are having real experiences

1819

01:11:23,510 --> 01:11:20,960

but when you are just a random person

1820

01:11:25,350 --> 01:11:23,520

who stumbles into

1821

01:11:26,790 --> 01:11:25,360

the metaphysical

1822

01:11:28,950 --> 01:11:26,800

you have two probe it's the same with

1823

01:11:31,030 --> 01:11:28,960

the ufo thing if you're exposed to it

1824

01:11:34,470 --> 01:11:31,040

this is jack valerie big point if you're

1825

01:11:37,030 --> 01:11:34,480

exposed to the ufo phenomenon

1826
01:11:38,470 --> 01:11:37,040
you have no apparatus to deal with it so

1827
01:11:40,709 --> 01:11:38,480
you will

1828
01:11:44,229 --> 01:11:40,719
it's it goes for anything

1829
01:11:46,149 --> 01:11:44,239
police knows this too that witnesses

1830
01:11:47,669 --> 01:11:46,159
really the psychology of the witness is

1831
01:11:50,149 --> 01:11:47,679
more important than what they actually

1832
01:11:52,149 --> 01:11:50,159
experienced in terms of making sense of

1833
01:11:54,870 --> 01:11:52,159
this is the same in a satanic panic or

1834
01:11:56,709 --> 01:11:54,880
in children who have fantasy you know

1835
01:11:58,550 --> 01:11:56,719
how can we distinguish between false

1836
01:12:00,470 --> 01:11:58,560
memory and real and this is the same the

1837
01:12:02,229 --> 01:12:00,480
ufo phenomenon you're not equipped to

1838
01:12:04,390 --> 01:12:02,239

deal with whatever phenomenon is

1839

01:12:06,630 --> 01:12:04,400

manifesting there so you think it's

1840

01:12:09,430 --> 01:12:06,640

virgin mary or you think it's

1841

01:12:11,510 --> 01:12:09,440

it's a spaceship from

1842

01:12:13,750 --> 01:12:11,520

alpha centauri it all depends on what

1843

01:12:15,590 --> 01:12:13,760

you already have in your mind in order

1844

01:12:18,070 --> 01:12:15,600

to how you can interpret that the same

1845

01:12:19,350 --> 01:12:18,080

with the ant when he encounters your

1846

01:12:21,270 --> 01:12:19,360

foot right

1847

01:12:23,830 --> 01:12:21,280

so this is what i'm saying also about

1848

01:12:25,990 --> 01:12:23,840

the other world someone who's trained

1849

01:12:26,870 --> 01:12:26,000

who has devoted his life or her life to

1850

01:12:31,430 --> 01:12:26,880

this

1851

01:12:34,310 --> 01:12:31,440

experience it's a completely different

1852

01:12:36,630 --> 01:12:34,320

ballgame than some poor sucker who just

1853

01:12:39,110 --> 01:12:36,640

ends up there and then is being brought

1854

01:12:41,830 --> 01:12:39,120

back i'm not saying it's in valid or no

1855

01:12:43,590 --> 01:12:41,840

value from what that other person but

1856

01:12:45,110 --> 01:12:43,600

that's where you get people like the guy

1857

01:12:47,270 --> 01:12:45,120

you had on the show he said it's all

1858

01:12:48,950 --> 01:12:47,280

about jesus man oh if it wasn't jesus

1859

01:12:50,630 --> 01:12:48,960

that is [h__h] right

1860

01:12:51,430 --> 01:12:50,640

that's his filter

1861

01:12:53,430 --> 01:12:51,440

so

1862

01:12:56,630 --> 01:12:53,440

yes that's useful especially if there's

1863

01:12:59,110 --> 01:12:56,640

commonalities across time and culture

1864

01:13:01,590 --> 01:12:59,120

for for these kinds of researching then

1865

01:13:02,709 --> 01:13:01,600

you can find objective factors

1866

01:13:04,790 --> 01:13:02,719

but

1867

01:13:07,430 --> 01:13:04,800

it's it's like the difference between a

1868

01:13:10,470 --> 01:13:07,440

primary school and university when you

1869

01:13:14,070 --> 01:13:10,480

regard the nitsyates and their

1870

01:13:15,990 --> 01:13:14,080

death experience and the

1871

01:13:17,910 --> 01:13:16,000

random

1872

01:13:19,910 --> 01:13:17,920

john doe or jane doe you see what i'm

1873

01:13:21,590 --> 01:13:19,920

saying i do see what you're saying and i

1874

01:13:24,790 --> 01:13:21,600

think it's

1875

01:13:27,510 --> 01:13:24,800

would

1876

01:13:29,830 --> 01:13:27,520

if we were really going to dive into it

1877

01:13:32,709 --> 01:13:29,840

i'd ask you to back it up

1878

01:13:34,709 --> 01:13:32,719

because you know my entry or my

1879

01:13:36,709 --> 01:13:34,719

continued interest in near-death

1880

01:13:39,590 --> 01:13:36,719

experience is about

1881

01:13:40,870 --> 01:13:39,600

the science and as close as we can come

1882

01:13:42,550 --> 01:13:40,880

to the science and we already get i

1883

01:13:44,149 --> 01:13:42,560

already gave the speech that you know

1884

01:13:46,950 --> 01:13:44,159

science isn't

1885

01:13:48,709 --> 01:13:46,960

perfect and it's you know by definition

1886

01:13:50,229 --> 01:13:48,719

it's wrong because it suggests that the

1887

01:13:53,270 --> 01:13:50,239

world is out there and the world is

1888

01:13:55,350 --> 01:13:53,280

measurable and we know that it isn't but

1889

01:13:57,270 --> 01:13:55,360

i would turn that around and say

1890

01:13:58,790 --> 01:13:57,280

everything that you just said is kind of

1891

01:14:01,669 --> 01:13:58,800

dependent on

1892

01:14:03,910 --> 01:14:01,679

some kind of consensus reality so the

1893

01:14:07,270 --> 01:14:03,920

clip i would play kind of in response to

1894

01:14:09,189 --> 01:14:07,280

that is from an interview from may of

1895

01:14:12,550 --> 01:14:09,199

this year that i did with

1896

01:14:14,709 --> 01:14:12,560

dr jeff long the near death experience

1897

01:14:18,149 --> 01:14:14,719

researcher i'll play the clip and then

1898

01:14:23,350 --> 01:14:20,870

let's everybody think of one incident

1899

01:14:24,149 --> 01:14:23,360

where katniss everdeen genuinely moved

1900

01:14:26,149 --> 01:14:24,159

you

1901

01:14:27,830 --> 01:14:26,159

when she volunteered for her sister at

1902

01:14:30,149 --> 01:14:27,840

the reaping

1903

01:14:31,350 --> 01:14:30,159

excellent example

1904

01:14:33,830 --> 01:14:31,360

good

1905

01:14:35,510 --> 01:14:33,840

what else oh when she sang that song for

1906

01:14:38,709 --> 01:14:35,520

little roo

1907

01:14:40,550 --> 01:14:38,719

oh yeah we didn't get choked up at that

1908

01:14:44,390 --> 01:14:40,560

you know i like you better effie without

1909

01:14:46,149 --> 01:14:44,400

all that makeup i like you better sober

1910

01:14:48,390 --> 01:14:46,159

that's of course woody harrelson from

1911

01:14:50,630 --> 01:14:48,400

the hunger games a clip that would seem

1912

01:14:52,550 --> 01:14:50,640

to be because it is a long way around

1913

01:14:54,070 --> 01:14:52,560

the barn from an interview with one of

1914

01:14:56,950 --> 01:14:54,080

the world's leading near-death

1915

01:14:59,110 --> 01:14:56,960

experience researchers dr jeff long

1916

01:15:01,910 --> 01:14:59,120

who's compiled the largest searchable

1917

01:15:04,070 --> 01:15:01,920

database of near-death experiences and

1918

01:15:06,149 --> 01:15:04,080

who joined me primarily because i wanted

1919

01:15:08,950 --> 01:15:06,159

to verify because i reference it so many

1920

01:15:11,270 --> 01:15:08,960

times the quality of the data in the

1921

01:15:13,830 --> 01:15:11,280

database here's a short clip

1922

01:15:16,709 --> 01:15:13,840

are you in any way scrubbing the

1923

01:15:19,830 --> 01:15:16,719

database are you in any way taking out

1924

01:15:21,830 --> 01:15:19,840

any references that might be offensive

1925

01:15:25,030 --> 01:15:21,840

to someone you know if it's if they're

1926

01:15:28,870 --> 01:15:25,040

satanic you know or this and that or i i

1927

01:15:32,709 --> 01:15:28,880

don't think so because i even do nderf

1928

01:15:35,270 --> 01:15:32,719

aliens i do n-d-e-r-f-e-t

1929

01:15:37,189 --> 01:15:35,280

there are a few entries that come up it

1930

01:15:39,590 --> 01:15:37,199

doesn't seem to me like you're in there

1931

01:15:41,750 --> 01:15:39,600

scrubbing the database in this kind of

1932

01:15:44,709 --> 01:15:41,760

cancel culture shadow banning you know

1933

01:15:47,750 --> 01:15:44,719

we don't know what's really out there

1934

01:15:49,750 --> 01:15:47,760

great question alex the only change that

1935

01:15:52,790 --> 01:15:49,760

we make to the entirety of what is

1936

01:15:54,470 --> 01:15:52,800

shared with us is we remove references i

1937

01:15:56,310 --> 01:15:54,480

mean they made just like their doctor

1938

01:15:58,550 --> 01:15:56,320

that they believe was involved in their

1939

01:16:00,709 --> 01:15:58,560

life-threatening event so we removed

1940

01:16:02,510 --> 01:16:00,719

names just to preserve confidentiality

1941

01:16:04,790 --> 01:16:02,520

our overriding concern is the

1942

01:16:06,709 --> 01:16:04,800

confidentiality of who shares

1943

01:16:09,830 --> 01:16:06,719

we post everything that they share with

1944

01:16:12,229 --> 01:16:09,840

us it would be an abomination to us to

1945

01:16:14,550 --> 01:16:12,239

pull out anything that we didn't like or

1946

01:16:16,709 --> 01:16:14,560

we disagreed with if they share it with

1947

01:16:17,990 --> 01:16:16,719

us it goes up

1948

01:16:19,430 --> 01:16:18,000

the real point that i'd like you to

1949

01:16:22,070 --> 01:16:19,440

respond to about

1950

01:16:23,669 --> 01:16:22,080

jeff long is

1951

01:16:25,270 --> 01:16:23,679

we're trying to do

1952

01:16:28,070 --> 01:16:25,280

what we can do

1953

01:16:31,110 --> 01:16:28,080

to get at a data set so i i kind of

1954

01:16:34,070 --> 01:16:31,120

resist the notion that oh you know i'm

1955

01:16:36,149 --> 01:16:34,080

doing my best there to say is there any

1956

01:16:39,030 --> 01:16:36,159

thing wrong with this data set how would

1957

01:16:40,070 --> 01:16:39,040

we evaluate this data set which

1958

01:16:42,229 --> 01:16:40,080

should

1959

01:16:44,310 --> 01:16:42,239

match your data set right i mean this is

1960

01:16:45,350 --> 01:16:44,320

the way that we would investigate yes

1961

01:16:47,430 --> 01:16:45,360

yes

1962

01:16:49,910 --> 01:16:47,440

and it's interesting because science is

1963

01:16:52,390 --> 01:16:49,920

doing the same as esoterica did

1964

01:16:53,270 --> 01:16:52,400

see esoterica has known all the time

1965

01:16:55,669 --> 01:16:53,280

that

1966

01:16:58,630 --> 01:16:55,679

everything you encounter in what you

1967

01:17:01,350 --> 01:16:58,640

call extended realm is dependent on

1968

01:17:02,709 --> 01:17:01,360

filters those filters would be obviously

1969

01:17:05,510 --> 01:17:02,719

cultural

1970

01:17:07,750 --> 01:17:05,520

lingual linguistic

1971

01:17:10,950 --> 01:17:07,760

religious in the term of like what kind

1972

01:17:13,110 --> 01:17:10,960

of set of symbols and and notions do you

1973

01:17:13,910 --> 01:17:13,120

operate in spiritually

1974

01:17:16,630 --> 01:17:13,920

um

1975

01:17:18,630 --> 01:17:16,640

so there's a psychological of course

1976

01:17:21,189 --> 01:17:18,640

even gender

1977

01:17:23,510 --> 01:17:21,199

so and and that's what uh near death

1978

01:17:24,709 --> 01:17:23,520

signs also i see they see

1979

01:17:26,229 --> 01:17:24,719

there are some things that are

1980

01:17:27,510 --> 01:17:26,239

commonalities

1981

01:17:29,270 --> 01:17:27,520

and there's some things that are

1982

01:17:31,270 --> 01:17:29,280

subjective it doesn't mean the

1983

01:17:34,790 --> 01:17:31,280

subjective thing is wrong

1984

01:17:36,470 --> 01:17:34,800

or unreal it just means some things need

1985

01:17:37,830 --> 01:17:36,480

to go through your filter

1986

01:17:42,709 --> 01:17:37,840

if you hear

1987

01:17:44,790 --> 01:17:42,719

let's say bernie sanders or donald trump

1988

01:17:46,630 --> 01:17:44,800

or something ron paul

1989

01:17:48,550 --> 01:17:46,640

your filter is going to determine what

1990

01:17:50,310 --> 01:17:48,560

you're taking out of that someone who's

1991

01:17:51,350 --> 01:17:50,320

a supporter of one of those would be ah

1992

01:17:53,830 --> 01:17:51,360

wow

1993

01:17:55,110 --> 01:17:53,840

great stuff man another one being a

1994

01:17:56,790 --> 01:17:55,120

[h__\h]

1995

01:18:00,470 --> 01:17:56,800

you see what i mean they're all exposed

1996

01:18:02,550 --> 01:18:00,480

to the same objective vibrations

1997

01:18:04,709 --> 01:18:02,560

they hear the same

1998

01:18:07,030 --> 01:18:04,719

everything they're at the same advent

1999

01:18:08,310 --> 01:18:07,040

taking place at the same time but

2000

01:18:10,149 --> 01:18:08,320

they're taking different things with

2001

01:18:12,870 --> 01:18:10,159

them and that's the same going that's

2002

01:18:15,510 --> 01:18:12,880

why darwism is one path

2003

01:18:18,470 --> 01:18:15,520

and tolktek is another esoteric path

2004

01:18:20,229 --> 01:18:18,480

that's why rajana is one path

2005

01:18:21,270 --> 01:18:20,239

and

2006

01:18:23,590 --> 01:18:21,280

let's say

2007

01:18:25,510 --> 01:18:23,600

gnosticism and other so

2008

01:18:27,669 --> 01:18:25,520

you can't just do everything you can't

2009

01:18:29,189 --> 01:18:27,679

ride a million horses at the same time

2010

01:18:31,110 --> 01:18:29,199

my point is

2011

01:18:32,229 --> 01:18:31,120

find a horse that actually brings you

2012

01:18:34,229 --> 01:18:32,239

there

2013

01:18:36,149 --> 01:18:34,239

and if you find such a

2014

01:18:38,550 --> 01:18:36,159

little bit do a better

2015

01:18:41,030 --> 01:18:38,560

analogy it's all about the mountain

2016

01:18:43,750 --> 01:18:41,040

let's go to the traditional mountain

2017

01:18:45,910 --> 01:18:43,760

most people new agers and you know

2018

01:18:48,390 --> 01:18:45,920

flirting with stuff they are just

2019

01:18:50,870 --> 01:18:48,400

dancing around the mountain oh let me

2020

01:18:52,229 --> 01:18:50,880

try this path i'm going couple of meters

2021

01:18:54,229 --> 01:18:52,239

up there and i

2022

01:18:55,990 --> 01:18:54,239

i want to try another one and they go

2023

01:18:58,229 --> 01:18:56,000

down again and they never commit to a

2024

01:18:59,830 --> 01:18:58,239

path so they never get anywhere oh i

2025

01:19:01,270 --> 01:18:59,840

know everything about what's going on

2026

01:19:02,950 --> 01:19:01,280

because i've been around the mountain

2027

01:19:04,790 --> 01:19:02,960

five times i can tell you a million

2028

01:19:06,870 --> 01:19:04,800

entrances to the mountain but they

2029

01:19:09,350 --> 01:19:06,880

really can't tell you much apart from

2030

01:19:11,510 --> 01:19:09,360

that superficial level now someone who

2031

01:19:13,030 --> 01:19:11,520

actually determines to go to the top of

2032

01:19:15,669 --> 01:19:13,040

the mountain

2033

01:19:18,390 --> 01:19:15,679

and when he reaches the top by the way

2034

01:19:21,110 --> 01:19:18,400

he the the he's past the clouds so he

2035

01:19:24,550 --> 01:19:21,120

can see the sun shining bright now the

2036

01:19:27,350 --> 01:19:24,560

higher up gone he comes the more these

2037

01:19:28,550 --> 01:19:27,360

different paths will dwindle into

2038

01:19:31,189 --> 01:19:28,560

one path

2039

01:19:32,709 --> 01:19:31,199

eventually you come as high that there's

2040

01:19:35,669 --> 01:19:32,719

only four paths

2041

01:19:37,750 --> 01:19:35,679

east north west south and the higher up

2042

01:19:40,310 --> 01:19:37,760

you come the more you can actually not

2043

01:19:42,070 --> 01:19:40,320

know just your own path i'm so high up

2044

01:19:43,990 --> 01:19:42,080

the mountain that i can see other

2045

01:19:46,229 --> 01:19:44,000

parallel paths i can't see the path on

2046

01:19:48,149 --> 01:19:46,239

the opposite side if i'm from the south

2047

01:19:50,149 --> 01:19:48,159

i can't see the north path but i can

2048

01:19:52,070 --> 01:19:50,159

definitely see some path to the left and

2049

01:19:54,149 --> 01:19:52,080

some to the right of me and i can even

2050

01:19:56,870 --> 01:19:54,159

advise some people who are not on my

2051
01:19:58,149 --> 01:19:56,880
path but on that path up careful where

2052
01:20:00,470 --> 01:19:58,159
you're threading

2053
01:20:01,910 --> 01:20:00,480
uh you may fall down oh there's a

2054
01:20:04,630 --> 01:20:01,920
there's a hill there where you can find

2055
01:20:07,350 --> 01:20:04,640
some food so the higher up i come the

2056
01:20:09,910 --> 01:20:07,360
more i can survey all the other paths

2057
01:20:12,229 --> 01:20:09,920
too and only when i'm at the top of the

2058
01:20:14,550 --> 01:20:12,239
mountain i can see all paths

2059
01:20:16,870 --> 01:20:14,560
this is how you should understand the

2060
01:20:19,830 --> 01:20:16,880
spiritual iterations in the world

2061
01:20:22,229 --> 01:20:19,840
and this is what they are reinventing

2062
01:20:24,149 --> 01:20:22,239
with science as near death experience

2063
01:20:27,189 --> 01:20:24,159

and reincarnation they're trying to get

2064

01:20:29,189 --> 01:20:27,199

data points that's valid to all

2065

01:20:32,070 --> 01:20:29,199

and they're trying to also find what's

2066

01:20:33,590 --> 01:20:32,080

commonalities and what's dependent on

2067

01:20:35,270 --> 01:20:33,600

individual factors and last thing i want

2068

01:20:38,070 --> 01:20:35,280

to say about this is remember who

2069

01:20:44,709 --> 01:20:38,080

created science

2070

01:20:46,470 --> 01:20:44,719

they don't teach you that anymore in for

2071

01:20:50,310 --> 01:20:46,480

example history of science or philosophy

2072

01:20:52,870 --> 01:20:50,320

science they will only mention quirky

2073

01:20:55,430 --> 01:20:52,880

weird factories when you if you're at a

2074

01:20:57,350 --> 01:20:55,440

deep enough level isaac newton was into

2075

01:20:59,750 --> 01:20:57,360

alchemy and astrology for some weird

2076

01:21:02,229 --> 01:20:59,760

reason ah francis bacon was flirting

2077

01:21:04,870 --> 01:21:02,239

with this or that for some reason but

2078

01:21:08,310 --> 01:21:04,880

the fact of the matter is that up until

2079

01:21:10,310 --> 01:21:08,320

science was hijacked in the 1800s

2080

01:21:12,229 --> 01:21:10,320

by materialists

2081

01:21:14,149 --> 01:21:12,239

but they didn't just hijack it overnight

2082

01:21:17,030 --> 01:21:14,159

it was a long battle but eventually they

2083

01:21:17,990 --> 01:21:17,040

won they won over the royal society and

2084

01:21:20,629 --> 01:21:18,000

different

2085

01:21:23,110 --> 01:21:20,639

other scientific vehicles and outlooks

2086

01:21:25,030 --> 01:21:23,120

and then it became full materialist and

2087

01:21:28,390 --> 01:21:25,040

everything was perched but

2088

01:21:30,790 --> 01:21:28,400

why did esoteric initiates create the

2089

01:21:32,310 --> 01:21:30,800

scientific method and even scientific

2090

01:21:34,310 --> 01:21:32,320

institutions and all that stuff because

2091

01:21:35,910 --> 01:21:34,320

they knew this is the only way we can

2092

01:21:37,510 --> 01:21:35,920

educate the masters the masters will

2093

01:21:39,669 --> 01:21:37,520

never be enlightened people they will

2094

01:21:41,510 --> 01:21:39,679

never be interested in these things that

2095

01:21:43,669 --> 01:21:41,520

me and alex are interested in trying to

2096

01:21:45,750 --> 01:21:43,679

find the big questions or may never

2097

01:21:47,270 --> 01:21:45,760

never but certainly not back in the day

2098

01:21:51,110 --> 01:21:47,280

they didn't have the tools for it or the

2099

01:21:52,790 --> 01:21:51,120

education so the best way to do this is

2100

01:21:54,470 --> 01:21:52,800

to

2101
01:21:56,229 --> 01:21:54,480
bring enlightenment that was the whole

2102
01:21:58,229 --> 01:21:56,239
idea for example of raw secretionism

2103
01:22:00,950 --> 01:21:58,239
we're going to enlighten

2104
01:22:02,709 --> 01:22:00,960
the reformation the renaissance

2105
01:22:04,229 --> 01:22:02,719
the enlightenment all that stuff was

2106
01:22:05,189 --> 01:22:04,239
brought about

2107
01:22:06,709 --> 01:22:05,199
by

2108
01:22:11,669 --> 01:22:06,719
the

2109
01:22:14,070 --> 01:22:11,679
which was

2110
01:22:15,910 --> 01:22:14,080
for a long time catholicism or islam for

2111
01:22:16,870 --> 01:22:15,920
that matter although islam was more open

2112
01:22:21,110 --> 01:22:16,880
to

2113
01:22:23,830 --> 01:22:21,120

of their especially in the ultimate

2114

01:22:25,270 --> 01:22:23,840

empire and eventually also materialism

2115

01:22:28,709 --> 01:22:25,280

that succeeded

2116

01:22:31,510 --> 01:22:28,719

this spiritual hegemony so

2117

01:22:32,950 --> 01:22:31,520

esoterics created it because they've

2118

01:22:35,430 --> 01:22:32,960

been into science all the time they've

2119

01:22:37,590 --> 01:22:35,440

been to spiritual science and us are

2120

01:22:39,669 --> 01:22:37,600

tools better they're both always

2121

01:22:40,950 --> 01:22:39,679

physical signs too like in the ancient

2122

01:22:43,030 --> 01:22:40,960

greece ancient egypt you couldn't

2123

01:22:45,510 --> 01:22:43,040

distinguish between spirituality and

2124

01:22:48,470 --> 01:22:45,520

sciences was the same thing a mystery

2125

01:22:49,669 --> 01:22:48,480

priest was also the one who actually

2126

01:22:50,709 --> 01:22:49,679

measured

2127

01:22:51,590 --> 01:22:50,719

a map

2128

01:23:01,830 --> 01:22:51,600

or

2129

01:23:04,149 --> 01:23:01,840

navigate the seas it was all yeah it was

2130

01:23:06,790 --> 01:23:04,159

practical applications of spiritual

2131

01:23:09,990 --> 01:23:06,800

reality so those things were went hand

2132

01:23:13,110 --> 01:23:10,000

in hand dualism came materialist came

2133

01:23:16,070 --> 01:23:13,120

and somehow signs got robbed out of this

2134

01:23:18,229 --> 01:23:16,080

truth realm consciousness realm and now

2135

01:23:19,990 --> 01:23:18,239

it's come full circle because now we see

2136

01:23:22,310 --> 01:23:20,000

and this goes back to this is a callback

2137

01:23:24,310 --> 01:23:22,320

to what we started discussing today alex

2138

01:23:26,149 --> 01:23:24,320

and that's that

2139

01:23:29,030 --> 01:23:26,159

science has come full circle now to

2140

01:23:31,110 --> 01:23:29,040

become a tool for lie misinformation

2141

01:23:33,510 --> 01:23:31,120

deception illusion

2142

01:23:36,629 --> 01:23:33,520

and that's why why we need to clean up

2143

01:23:38,709 --> 01:23:36,639

we need to be truth committed and you

2144

01:23:41,270 --> 01:23:38,719

don't you have to be fact committed in

2145

01:23:43,669 --> 01:23:41,280

hard sciences today natural sciences but

2146

01:23:45,830 --> 01:23:43,679

you don't have to be truth committed and

2147

01:23:48,470 --> 01:23:45,840

we see this even in health science it's

2148

01:23:49,910 --> 01:23:48,480

all about money propaganda power

2149

01:23:51,270 --> 01:23:49,920

politics

2150

01:23:52,709 --> 01:23:51,280

and

2151

01:23:56,709 --> 01:23:52,719

science science

2152

01:23:58,950 --> 01:23:56,719

truth and even facts matter less now so

2153

01:24:01,110 --> 01:23:58,960

that's the problem when you

2154

01:24:04,149 --> 01:24:01,120

remove the spiritual layers of science

2155

01:24:06,790 --> 01:24:04,159

and you put it into the hands of of

2156

01:24:09,350 --> 01:24:06,800

materialism and opportunists is better

2157

01:24:11,189 --> 01:24:09,360

to say i mean it's all about power and

2158

01:24:13,189 --> 01:24:11,199

control

2159

01:24:14,950 --> 01:24:13,199

i i really appreciate what you're saying

2160

01:24:17,430 --> 01:24:14,960

i don't hear many people

2161

01:24:20,310 --> 01:24:17,440

talking about this and that's what's oh

2162

01:24:21,830 --> 01:24:20,320

it's just i just get charged up talking

2163

01:24:23,750 --> 01:24:21,840

to you because

2164

01:24:25,750 --> 01:24:23,760

this is so special to have that kind of

2165

01:24:27,110 --> 01:24:25,760

conversation and i love your analogy i

2166

01:24:30,070 --> 01:24:27,120

love your analogy of climbing the

2167

01:24:31,110 --> 01:24:30,080

mountain and the trail backs and you

2168

01:24:34,149 --> 01:24:31,120

know

2169

01:24:36,550 --> 01:24:34,159

but i i'm i'm skeptical i mean i've

2170

01:24:39,350 --> 01:24:36,560

grown into being skeptical maybe i

2171

01:24:42,950 --> 01:24:39,360

always was but i'm inquiry to perpetuate

2172

01:24:45,030 --> 01:24:42,960

doubt so my mind always goes to the

2173

01:24:47,030 --> 01:24:45,040

counter example and i think sometimes

2174

01:24:48,629 --> 01:24:47,040

that turns people off but again it

2175

01:24:49,510 --> 01:24:48,639

doesn't turn you off which is wonderful

2176
01:24:52,470 --> 01:24:49,520
because

2177
01:24:54,870 --> 01:24:52,480
to me the counter example of what you're

2178
01:24:57,430 --> 01:24:54,880
saying is you know i've been a yogi for

2179
01:24:58,790 --> 01:24:57,440
a long time and people misunderstand

2180
01:25:00,790 --> 01:24:58,800
that if you say you're a yogi then

2181
01:25:02,229 --> 01:25:00,800
you're a yogi you don't have to have you

2182
01:25:04,390 --> 01:25:02,239
don't have to show the

2183
01:25:05,990 --> 01:25:04,400
the certificate you got from the weekend

2184
01:25:08,470 --> 01:25:06,000
retreat that you did

2185
01:25:09,669 --> 01:25:08,480
that doesn't matter all you have to do

2186
01:25:12,629 --> 01:25:09,679
is say

2187
01:25:13,590 --> 01:25:12,639
i'm a yogi and then you're a yogi but

2188
01:25:15,910 --> 01:25:13,600

i've been

2189

01:25:17,750 --> 01:25:15,920

you know a lot of different schools a

2190

01:25:18,790 --> 01:25:17,760

lot of different teachers a lot of

2191

01:25:21,350 --> 01:25:18,800

different

2192

01:25:23,430 --> 01:25:21,360

learnings i particularly remember being

2193

01:25:25,830 --> 01:25:23,440

in san diego when i had moved out here

2194

01:25:27,669 --> 01:25:25,840

and where i live is kind of a really

2195

01:25:30,229 --> 01:25:27,679

fascinating

2196

01:25:32,790 --> 01:25:30,239

part of yoga in the west because i live

2197

01:25:35,669 --> 01:25:32,800

in north san diego county which was kind

2198

01:25:38,870 --> 01:25:35,679

of the landing point for a guy named

2199

01:25:41,990 --> 01:25:38,880

patabhi joyce and petaby joyce was

2200

01:25:45,270 --> 01:25:42,000

really along with bksayengar

2201
01:25:47,590 --> 01:25:45,280
the two people who are most responsible

2202
01:25:48,870 --> 01:25:47,600
for bringing the kind of physical yoga

2203
01:25:51,590 --> 01:25:48,880
you know the kind that you can go down

2204
01:25:55,189 --> 01:25:51,600
in the gym and do and all that and they

2205
01:25:56,950 --> 01:25:55,199
were disciples of krishnamacharya who

2206
01:25:59,350 --> 01:25:56,960
said ghosts and this

2207
01:26:01,830 --> 01:25:59,360
spread this to the west and they did and

2208
01:26:04,310 --> 01:26:01,840
i actually studied under a teacher who

2209
01:26:06,390 --> 01:26:04,320
was bks iyengar teacher and actually

2210
01:26:09,669 --> 01:26:06,400
brought bks anger over and then i

2211
01:26:11,830 --> 01:26:09,679
studied wow under a teacher here in san

2212
01:26:15,110 --> 01:26:11,840
diego who actually brought patabi joyce

2213
01:26:17,189 --> 01:26:15,120

over so i just kind of casually met both

2214

01:26:19,030 --> 01:26:17,199

those people but tabby joyce it turns

2215

01:26:22,149 --> 01:26:19,040

out was sexually abusing his students

2216

01:26:23,750 --> 01:26:22,159

which i later found out in my interview

2217

01:26:26,149 --> 01:26:23,760

with

2218

01:26:29,030 --> 01:26:26,159

my yogi friend who was sold into sex

2219

01:26:30,950 --> 01:26:29,040

slavery to a satanic cult when she was

2220

01:26:33,350 --> 01:26:30,960

six years old but she was also sexually

2221

01:26:34,870 --> 01:26:33,360

abused by patabi joyce i of course check

2222

01:26:36,470 --> 01:26:34,880

that because you don't want to just take

2223

01:26:38,229 --> 01:26:36,480

somebody's word for that and there are

2224

01:26:40,470 --> 01:26:38,239

now hundreds of women who've come

2225

01:26:43,669 --> 01:26:40,480

forward and said that batavi choice

2226

01:26:45,990 --> 01:26:43,679

wasn't exactly on point with where he

2227

01:26:47,669 --> 01:26:46,000

was doing that energy but back to my

2228

01:26:50,550 --> 01:26:47,679

long story i remember being in this

2229

01:26:52,470 --> 01:26:50,560

class with this wonderful brazilian

2230

01:26:53,590 --> 01:26:52,480

woman who was our yoga teacher and we

2231

01:26:55,669 --> 01:26:53,600

had really

2232

01:26:59,350 --> 01:26:55,679

vibed and were sinking and talked but

2233

01:27:01,990 --> 01:26:59,360

she had made some point about respecting

2234

01:27:03,830 --> 01:27:02,000

this tradition of of the indian

2235

01:27:05,910 --> 01:27:03,840

tradition where

2236

01:27:08,229 --> 01:27:05,920

where this comes from and i was like in

2237

01:27:11,110 --> 01:27:08,239

my iconoclastic kind of skeptical way

2238

01:27:13,830 --> 01:27:11,120

say [h__h] on that you know for all

2239

01:27:15,830 --> 01:27:13,840

their their beautiful wonderful insights

2240

01:27:18,950 --> 01:27:15,840

they're still marrying their daughters

2241

01:27:21,990 --> 01:27:18,960

off at 11 years old they still have a

2242

01:27:24,149 --> 01:27:22,000

culture that classifies people into

2243

01:27:26,510 --> 01:27:24,159

these different cults that they can't

2244

01:27:29,590 --> 01:27:26,520

get out of in these classifications and

2245

01:27:33,189 --> 01:27:29,600

untouchability is still a real [h__h]

2246

01:27:36,229 --> 01:27:33,199

thing so don't tell me about the flowers

2247

01:27:38,709 --> 01:27:36,239

from this wonderful spiritually oriented

2248

01:27:41,270 --> 01:27:38,719

which everyone says you know india is

2249

01:27:42,950 --> 01:27:41,280

the source of all this [h__h] that [h__h]

2250

01:27:45,110 --> 01:27:42,960

you've been there have you been no i

2251

01:27:48,550 --> 01:27:45,120

haven't been there but

2252

01:27:51,030 --> 01:27:48,560

great good for you but my point is i

2253

01:27:54,149 --> 01:27:51,040

like [h__h] jeff long from iowa who's

2254

01:27:56,629 --> 01:27:54,159

collecting 3 000 accounts from

2255

01:27:59,750 --> 01:27:56,639

indy ears that i can search i like

2256

01:28:03,270 --> 01:27:59,760

gregory shushan from x from oxford who's

2257

01:28:07,189 --> 01:28:03,280

studying cross-cultural ndes across time

2258

01:28:09,189 --> 01:28:07,199

so 600 years of ndes across times from

2259

01:28:11,830 --> 01:28:09,199

across a bunch of different cultures

2260

01:28:14,070 --> 01:28:11,840

western plains indians

2261

01:28:16,390 --> 01:28:14,080

people down on the mesa in mexico as

2262

01:28:18,709 --> 01:28:16,400

well as people in africa and on the

2263

01:28:22,709 --> 01:28:18,719

islands and all the rest that [h__h] and i

2264

01:28:25,590 --> 01:28:22,719

say bravo to that and if that science

2265

01:28:28,870 --> 01:28:25,600

lines up with what you're saying then i

2266

01:28:31,510 --> 01:28:28,880

say bravo and if it doesn't i say you

2267

01:28:33,830 --> 01:28:31,520

bring forth the evidence to show me

2268

01:28:35,270 --> 01:28:33,840

where they're wrong show me where there

2269

01:28:37,910 --> 01:28:35,280

needs to be the course correction and

2270

01:28:39,669 --> 01:28:37,920

i'm down with it i let me go back to

2271

01:28:41,590 --> 01:28:39,679

where i started because i get it on rant

2272

01:28:42,950 --> 01:28:41,600

and it sounds like i'm against what

2273

01:28:44,709 --> 01:28:42,960

you're saying i'm not against what

2274

01:28:47,430 --> 01:28:44,719

you're saying i think what you're saying

2275

01:28:50,470 --> 01:28:47,440

is a beautiful beautiful piece of the

2276

01:28:51,590 --> 01:28:50,480

puzzle but it's a clay pot that needs to

2277

01:28:54,629 --> 01:28:51,600

be

2278

01:28:57,030 --> 01:28:54,639

tested through the most severe heat that

2279

01:29:00,149 --> 01:28:57,040

we can apply to it and the beauty of

2280

01:29:02,310 --> 01:29:00,159

what western science has done now is

2281

01:29:06,790 --> 01:29:02,320

it's brought us some new data points

2282

01:29:07,669 --> 01:29:06,800

that we cannot just dismiss as well

2283

01:29:12,709 --> 01:29:07,679

that

2284

01:29:15,270 --> 01:29:12,719

you know she saw jesus we can just

2285

01:29:17,669 --> 01:29:15,280

dismiss her account because she wasn't

2286

01:29:19,270 --> 01:29:17,679

she wasn't esoteric enough [h__h] that

2287

01:29:22,390 --> 01:29:19,280

[h__h] i don't i don't buy that i mean

2288

01:29:25,350 --> 01:29:22,400

maybe maybe we should but i don't know

2289

01:29:28,229 --> 01:29:25,360

no we shouldn't i i i just said

2290

01:29:30,070 --> 01:29:28,239

a random person who look a random person

2291

01:29:31,990 --> 01:29:30,080

who takes an lsd trip and doesn't even

2292

01:29:33,830 --> 01:29:32,000

know he's an lsd

2293

01:29:36,070 --> 01:29:33,840

will still there will still be valuable

2294

01:29:38,709 --> 01:29:36,080

lessons from his experience versus the

2295

01:29:41,110 --> 01:29:38,719

old hippie who who trips once a week

2296

01:29:43,030 --> 01:29:41,120

right now let me address some of these

2297

01:29:46,470 --> 01:29:43,040

excellent points we made

2298

01:29:48,310 --> 01:29:46,480

i said there was two layers and the same

2299

01:29:50,709 --> 01:29:48,320

isn't just true for western essentially

2300

01:29:54,709 --> 01:29:50,719

it's true for all esoterica so

2301

01:29:56,229 --> 01:29:54,719

alex when a long-haired indian comes to

2302

01:29:59,430 --> 01:29:56,239

california

2303

01:30:03,030 --> 01:29:59,440

and sell and and accumulates a group of

2304

01:30:04,550 --> 01:30:03,040

young beautiful women and exclusive cars

2305

01:30:06,629 --> 01:30:04,560

and all that stuff

2306

01:30:08,709 --> 01:30:06,639

he you already know what layer he's

2307

01:30:11,270 --> 01:30:08,719

operating on it's the same way you can

2308

01:30:14,470 --> 01:30:11,280

go to a golden dawn group and

2309

01:30:17,189 --> 01:30:14,480

in fact this happened to uh

2310

01:30:20,390 --> 01:30:17,199

an acquaintance of mind his

2311

01:30:22,629 --> 01:30:20,400

uh girlfriend was being initiated into a

2312

01:30:26,390 --> 01:30:22,639

golden dawn group and he wasn't there

2313

01:30:29,350 --> 01:30:26,400

but the friends were and this she was so

2314

01:30:31,350 --> 01:30:29,360

it's and of course this is a fake golden

2315

01:30:34,870 --> 01:30:31,360

dawn is like the outer layer so it's

2316

01:30:36,470 --> 01:30:34,880

like they rely instead of on real

2317

01:30:38,629 --> 01:30:36,480

spiritual triggers they will rely on

2318

01:30:41,510 --> 01:30:38,639

hypnotic effects and all that stuff so

2319

01:30:43,270 --> 01:30:41,520

it's more like a theater esoterica but

2320

01:30:45,189 --> 01:30:43,280

so she was done so

2321

01:30:46,790 --> 01:30:45,199

psychologically vulnerable because if

2322

01:30:50,310 --> 01:30:46,800

her mind was blown and all that stuff

2323

01:30:51,750 --> 01:30:50,320

because of their hypnotic elements so he

2324

01:30:54,709 --> 01:30:51,760

screwed her

2325

01:30:57,350 --> 01:30:54,719

had sex with her the same evening

2326

01:30:59,510 --> 01:30:57,360

which is a huge it's the same as your

2327

01:31:00,709 --> 01:30:59,520

psychologist doing it or your professor

2328

01:31:02,390 --> 01:31:00,719

or something you know what i mean it's

2329

01:31:05,189 --> 01:31:02,400

such a betrayal

2330

01:31:08,709 --> 01:31:05,199

so that per so yeah that happens all the

2331

01:31:11,270 --> 01:31:08,719

time and whether it's indians or in west

2332

01:31:12,950 --> 01:31:11,280

look if jeffrey long that you mentioned

2333

01:31:15,910 --> 01:31:12,960

not to pick on him he's probably an

2334

01:31:17,510 --> 01:31:15,920

excellent person but he's done good

2335

01:31:19,510 --> 01:31:17,520

research in this field we can agree

2336

01:31:21,669 --> 01:31:19,520

about that right now let's say it leaks

2337

01:31:24,870 --> 01:31:21,679

out that he was

2338

01:31:27,110 --> 01:31:24,880

abusing an intern does that invalidate

2339

01:31:28,629 --> 01:31:27,120

all the work he did no you just have to

2340

01:31:32,229 --> 01:31:28,639

understand that we're talking about

2341

01:31:35,110 --> 01:31:32,239

human beings the human limitations

2342

01:31:37,910 --> 01:31:35,120

this is why there's you have to

2343

01:31:39,110 --> 01:31:37,920

realize that there's two standards so

2344

01:31:41,110 --> 01:31:39,120

the real

2345

01:31:44,870 --> 01:31:41,120

indian guru

2346

01:31:46,870 --> 01:31:44,880

won't come to your doorstep in in godam

2347

01:31:49,590 --> 01:31:46,880

san diego you have to

2348

01:31:52,950 --> 01:31:49,600

[h__\h] climb a mountain in himalaya to

2349

01:31:55,189 --> 01:31:52,960

come to his doorstep that's how it works

2350

01:31:58,390 --> 01:31:55,199

that's why i'm saying this second layer

2351

01:32:00,310 --> 01:31:58,400

of esoterica is very exclusive and it

2352

01:32:02,310 --> 01:32:00,320

annoys people to no end in fact it

2353

01:32:04,149 --> 01:32:02,320

annoys people so much the money someday

2354

01:32:06,950 --> 01:32:04,159

i i don't believe it exists because i

2355

01:32:10,070 --> 01:32:06,960

can't get access oh it's probably just

2356

01:32:12,229 --> 01:32:10,080

conceited elitists why can't they share

2357

01:32:14,070 --> 01:32:12,239

it with me i can't google it i can't

2358

01:32:15,830 --> 01:32:14,080

attain it so it's probably [h__\h] and

2359

01:32:17,990 --> 01:32:15,840

others are more like romantic notions

2360

01:32:19,510 --> 01:32:18,000

always probably people those people are

2361

01:32:21,590 --> 01:32:19,520

probably at the level of buddha and

2362

01:32:24,629 --> 01:32:21,600

jesus and a better kid's defeat than

2363

01:32:27,270 --> 01:32:24,639

they're probably telepathic no no no and

2364

01:32:29,590 --> 01:32:27,280

no it's a human experience

2365

01:32:32,149 --> 01:32:29,600

there's human limitations but i'll

2366

01:32:35,030 --> 01:32:32,159

explain it like this alex if i was so

2367

01:32:36,470 --> 01:32:35,040

lucky to be a guardian of a wisdom

2368

01:32:39,510 --> 01:32:36,480

tradition

2369

01:32:41,030 --> 01:32:39,520

and i knew you alex very well

2370

01:32:42,950 --> 01:32:41,040

and i knew

2371

01:32:45,110 --> 01:32:42,960

that you're an ethical person i knew you

2372

01:32:48,310 --> 01:32:45,120

were a responsible person i knew you

2373

01:32:50,709 --> 01:32:48,320

were sincere seeker i knew you had a

2374

01:32:53,189 --> 01:32:50,719

intellectual apparatus for it i would

2375

01:32:55,189 --> 01:32:53,199

totally

2376

01:32:56,310 --> 01:32:55,199

open a door for you to see if you went

2377

01:32:57,350 --> 01:32:56,320

through it

2378

01:33:00,229 --> 01:32:57,360

so that

2379

01:33:02,070 --> 01:33:00,239

you could become an initiate

2380

01:33:03,430 --> 01:33:02,080

but that's how it works that's how it's

2381

01:33:04,550 --> 01:33:03,440

been working since

2382

01:33:05,750 --> 01:33:04,560

day one

2383

01:33:08,629 --> 01:33:05,760

you don't just

2384

01:33:10,390 --> 01:33:08,639

go to the town square and unknown that's

2385

01:33:11,590 --> 01:33:10,400

what the con man do

2386

01:33:14,310 --> 01:33:11,600

and that's

2387

01:33:17,189 --> 01:33:14,320

how 99 of people are being swapped up by

2388

01:33:19,590 --> 01:33:17,199

people like that are crowley or whatever

2389

01:33:21,669 --> 01:33:19,600

but the real but what they are faking

2390

01:33:24,870 --> 01:33:21,679

the illusions they are playing out what

2391

01:33:26,390 --> 01:33:24,880

they are pointing to exists but on a

2392

01:33:28,550 --> 01:33:26,400

different level

2393

01:33:30,870 --> 01:33:28,560

so they are taking the real thing that

2394

01:33:33,270 --> 01:33:30,880

they themselves don't have access to

2395

01:33:35,669 --> 01:33:33,280

because they can never

2396

01:33:38,070 --> 01:33:35,679

qualify to to get there and they are

2397

01:33:39,830 --> 01:33:38,080

making a mock version a con man a

2398

01:33:40,709 --> 01:33:39,840

commercial version of that where they

2399

01:33:43,030 --> 01:33:40,719

can

2400

01:33:45,350 --> 01:33:43,040

gather all their you know some of the

2401

01:33:48,390 --> 01:33:45,360

stuff there that this guru is saying you

2402

01:33:49,830 --> 01:33:48,400

may find in some exclusive ashram maybe

2403

01:33:51,990 --> 01:33:49,840

so i'm not saying

2404

01:33:54,070 --> 01:33:52,000

there's no commonalities but i'm saying

2405

01:33:55,030 --> 01:33:54,080

those who actually practice walk as they

2406

01:33:57,350 --> 01:33:55,040

talk

2407

01:33:59,430 --> 01:33:57,360

they do it solely because they have

2408

01:34:01,910 --> 01:33:59,440

learned how to god

2409

01:34:03,830 --> 01:34:01,920

and if one of these con men actually

2410

01:34:06,149 --> 01:34:03,840

managed to get access to one of these

2411

01:34:08,070 --> 01:34:06,159

small ancient groups that group will be

2412

01:34:09,750 --> 01:34:08,080

corrupted and it will be destroyed and

2413

01:34:11,189 --> 01:34:09,760

that's what has happened for thousands

2414

01:34:12,310 --> 01:34:11,199

of years that's why there's so few

2415

01:34:17,270 --> 01:34:12,320

around

2416

01:34:19,350 --> 01:34:17,280

individuals so networks or even

2417

01:34:21,590 --> 01:34:19,360

organizations

2418

01:34:25,350 --> 01:34:21,600

are around because they have learned how

2419

01:34:27,910 --> 01:34:25,360

to guard themselves from the human

2420

01:34:30,470 --> 01:34:27,920

limitations and if they don't if they go

2421

01:34:31,750 --> 01:34:30,480

wrong if if they are like brilliant

2422

01:34:33,590 --> 01:34:31,760

people

2423

01:34:36,550 --> 01:34:33,600

and we are all 40

2424

01:34:39,030 --> 01:34:36,560

and and and the mistake is big enough

2425

01:34:40,790 --> 01:34:39,040

it's tongue it's sank

2426

01:34:41,590 --> 01:34:40,800

you it's gone

2427

01:34:43,189 --> 01:34:41,600

so

2428

01:34:45,590 --> 01:34:43,199

um

2429

01:34:47,189 --> 01:34:45,600

it just shows how important it is to so

2430

01:34:49,669 --> 01:34:47,199

it depends on your standard most people

2431

01:34:52,070 --> 01:34:49,679

are content with going around the foot

2432

01:34:54,310 --> 01:34:52,080

of the mountain and smell a bush and

2433

01:34:56,470 --> 01:34:54,320

walk a couple of feet and then go back

2434

01:34:58,709 --> 01:34:56,480

and try something else most people have

2435

01:35:01,030 --> 01:34:58,719

no commitment to gum come to the top of

2436

01:35:02,149 --> 01:35:01,040

the mountain but i'm telling you

2437

01:35:05,510 --> 01:35:02,159

the more

2438

01:35:08,709 --> 01:35:05,520

you climb whatever tools you use whether

2439

01:35:10,149 --> 01:35:08,719

and science should be one of the tools

2440

01:35:12,550 --> 01:35:10,159

psychology to

2441

01:35:13,590 --> 01:35:12,560

philosophy religion you name it whatever

2442

01:35:14,470 --> 01:35:13,600

human

2443

01:35:15,669 --> 01:35:14,480

knowledge

2444

01:35:18,229 --> 01:35:15,679

insight

2445

01:35:19,109 --> 01:35:18,239

experience to stand on other people's

2446

01:35:24,310 --> 01:35:19,119

shoulder

2447

01:35:26,470 --> 01:35:24,320

wheel the further up you will go and the

2448

01:35:28,550 --> 01:35:26,480

harder it becomes the harder the tests

2449

01:35:31,430 --> 01:35:28,560

the more you have to refine yourself you

2450

01:35:33,109 --> 01:35:31,440

cannot get to the top of the mountain

2451
01:35:34,709 --> 01:35:33,119
and pass the

2452
01:35:35,669 --> 01:35:34,719
confusing clouds

2453
01:35:36,550 --> 01:35:35,679
and

2454
01:35:39,750 --> 01:35:36,560
just

2455
01:35:43,270 --> 01:35:39,760
be bombarded by the radiation of the sun

2456
01:35:45,830 --> 01:35:43,280
without refining yourself

2457
01:35:47,430 --> 01:35:45,840
you have to your ethics your wisdom

2458
01:35:49,990 --> 01:35:47,440
there's so you

2459
01:35:51,750 --> 01:35:50,000
how you you you said one thing you said

2460
01:35:53,750 --> 01:35:51,760
we have to be trained to critical

2461
01:35:54,550 --> 01:35:53,760
thinking that's a part of it too

2462
01:35:56,310 --> 01:35:54,560
and

2463
01:35:58,790 --> 01:35:56,320

so if you're just talking science there

2464

01:36:00,950 --> 01:35:58,800

are certain uh qualifiers that you need

2465

01:36:02,790 --> 01:36:00,960

to achieve there but if you're talking

2466

01:36:04,709 --> 01:36:02,800

signs of life if you if you're not

2467

01:36:06,709 --> 01:36:04,719

distinguishing out just a segment of

2468

01:36:08,870 --> 01:36:06,719

life but you're talking about our path

2469

01:36:12,550 --> 01:36:08,880

in existence in life

2470

01:36:15,189 --> 01:36:12,560

then it it has to be all the human

2471

01:36:19,109 --> 01:36:15,199

layers has to be refined as you

2472

01:36:22,070 --> 01:36:19,119

uh develop and that means your sensory

2473

01:36:24,149 --> 01:36:22,080

your body in terms of health

2474

01:36:27,270 --> 01:36:24,159

your perception the way you're sensing

2475

01:36:29,830 --> 01:36:27,280

things your feelings the way your

2476
01:36:31,109 --> 01:36:29,840
your emotions work your psychology the

2477
01:36:33,830 --> 01:36:31,119
way your

2478
01:36:34,950 --> 01:36:33,840
thinking and reasoning and thoughts

2479
01:36:38,229 --> 01:36:34,960
work

2480
01:36:40,870 --> 01:36:38,239
and your creativity uh your ability to

2481
01:36:43,430 --> 01:36:40,880
go into the transcendental

2482
01:36:46,629 --> 01:36:43,440
all of that stuff has to be refined

2483
01:36:49,750 --> 01:36:46,639
simultaneously all the time

2484
01:36:50,870 --> 01:36:49,760
and it's damn hard man that's why you

2485
01:36:53,590 --> 01:36:50,880
could probably

2486
01:36:56,470 --> 01:36:53,600
count on a couple of hands how many

2487
01:36:58,229 --> 01:36:56,480
people really reached the top at least

2488
01:37:01,109 --> 01:36:58,239

that we can remember today but i'm

2489

01:37:03,910 --> 01:37:01,119

saying the less known are gurus the more

2490

01:37:05,510 --> 01:37:03,920

believable he is granted that he

2491

01:37:07,750 --> 01:37:05,520

he is not just less known because he

2492

01:37:10,470 --> 01:37:07,760

hasn't started out i'm not talking ron

2493

01:37:12,709 --> 01:37:10,480

al ron herbert before he published stuff

2494

01:37:14,709 --> 01:37:12,719

he was always a crook i'm talking about

2495

01:37:17,030 --> 01:37:14,719

someone who's been in operation and

2496

01:37:19,270 --> 01:37:17,040

nobody knows him go to that guy he'll

2497

01:37:21,830 --> 01:37:19,280

teach you much more than the guy you can

2498

01:37:23,830 --> 01:37:21,840

google you you catch my drift here oh

2499

01:37:25,990 --> 01:37:23,840

yeah yeah and there's a lot there i

2500

01:37:28,149 --> 01:37:26,000

agree with but we have to we have to

2501
01:37:29,910 --> 01:37:28,159
kind of wrap this thing up a little bit

2502
01:37:33,189 --> 01:37:29,920
and i think the best way to do that

2503
01:37:35,990 --> 01:37:33,199
is with this predictions thing so maybe

2504
01:37:37,910 --> 01:37:36,000
limited to one or sneak two in there but

2505
01:37:42,070 --> 01:37:37,920
what are your

2506
01:37:43,350 --> 01:37:42,080
bestest predictions for 2022

2507
01:37:47,030 --> 01:37:43,360
so

2508
01:37:49,430 --> 01:37:47,040
i have a two and a half prediction

2509
01:37:52,390 --> 01:37:49,440
number one

2510
01:37:55,109 --> 01:37:52,400
i think omicron

2511
01:37:56,950 --> 01:37:55,119
may be godsend

2512
01:37:59,669 --> 01:37:56,960
metaphorically speaking

2513
01:38:02,790 --> 01:37:59,679

because it achieves what

2514

01:38:03,669 --> 01:38:02,800

none of the vaccines ever even tried to

2515

01:38:05,030 --> 01:38:03,679

achieve

2516

01:38:07,590 --> 01:38:05,040

which is

2517

01:38:09,109 --> 01:38:07,600

bringing about herd immunity because as

2518

01:38:13,030 --> 01:38:09,119

it looks now

2519

01:38:14,629 --> 01:38:13,040

uh dr malone who invented the

2520

01:38:16,629 --> 01:38:14,639

technology listened to his interview on

2521

01:38:18,790 --> 01:38:16,639

a jimmy dore show he tells you

2522

01:38:20,629 --> 01:38:18,800

explicitly you should never ever

2523

01:38:22,470 --> 01:38:20,639

everybody knows this who but it's not

2524

01:38:24,790 --> 01:38:22,480

scientists who's running this show it's

2525

01:38:27,830 --> 01:38:24,800

it's political agenda and big pharma but

2526

01:38:29,270 --> 01:38:27,840

you should never ever vaccinate during a

2527

01:38:32,310 --> 01:38:29,280

pandemic

2528

01:38:34,229 --> 01:38:32,320

apart from the very vulnerable and sick

2529

01:38:37,830 --> 01:38:34,239

you should wait until after when it

2530

01:38:39,189 --> 01:38:37,840

becomes endemic like the flu now

2531

01:38:40,950 --> 01:38:39,199

one of the reasons you shouldn't do that

2532

01:38:41,830 --> 01:38:40,960

just one i don't have time to go into

2533

01:38:43,910 --> 01:38:41,840

this food

2534

01:38:46,550 --> 01:38:43,920

is that you are preventing

2535

01:38:48,390 --> 01:38:46,560

your humanity but here's the thing we

2536

01:38:51,350 --> 01:38:48,400

now know from

2537

01:38:53,350 --> 01:38:51,360

research that the best immunity is

2538

01:38:55,350 --> 01:38:53,360

as it's always been it's nothing new

2539

01:38:56,629 --> 01:38:55,360

what we learn in basic school is natural

2540

01:38:59,430 --> 01:38:56,639

immunity

2541

01:39:01,030 --> 01:38:59,440

combined with this that

2542

01:39:03,430 --> 01:39:01,040

probably that's probably why it

2543

01:39:04,229 --> 01:39:03,440

originated in africa because in africa

2544

01:39:05,669 --> 01:39:04,239

they

2545

01:39:06,950 --> 01:39:05,679

are almost not

2546

01:39:07,830 --> 01:39:06,960

vaccinated

2547

01:39:09,430 --> 01:39:07,840

so

2548

01:39:12,390 --> 01:39:09,440

there omicron

2549

01:39:14,709 --> 01:39:12,400

allegedly comes from and it has managed

2550

01:39:16,229 --> 01:39:14,719

to get to where dr malone said namely

2551

01:39:18,629 --> 01:39:16,239

being very very

2552

01:39:19,830 --> 01:39:18,639

infectious even more than the gain of

2553

01:39:23,430 --> 01:39:19,840

function

2554

01:39:25,270 --> 01:39:23,440

research result of original carbon 19

2555

01:39:27,109 --> 01:39:25,280

and so it's very very infectious but

2556

01:39:29,270 --> 01:39:27,119

it's much less

2557

01:39:32,149 --> 01:39:29,280

severe and that means that and when

2558

01:39:34,310 --> 01:39:32,159

people get it they will be immune to

2559

01:39:36,550 --> 01:39:34,320

future strains and past strains unlike

2560

01:39:38,629 --> 01:39:36,560

the again the vaccine so this is my

2561

01:39:40,229 --> 01:39:38,639

prediction is that if they are right

2562

01:39:43,590 --> 01:39:40,239

that it is milder and but more

2563

01:39:45,109 --> 01:39:43,600

infectious it may just be the

2564

01:39:47,669 --> 01:39:45,119

thing that pushes

2565

01:39:49,750 --> 01:39:47,679

people's collective paradigm over the

2566

01:39:52,229 --> 01:39:49,760

top so they realize oh my god this is

2567

01:39:54,790 --> 01:39:52,239

endemic not pandemic we have to learn to

2568

01:39:58,229 --> 01:39:54,800

live with it everybody will get covered

2569

01:40:00,709 --> 01:39:58,239

sooner or later which means that

2570

01:40:02,870 --> 01:40:00,719

we should deal with it as norway did

2571

01:40:04,709 --> 01:40:02,880

recently and classified it at the same

2572

01:40:07,270 --> 01:40:04,719

level as the cold

2573

01:40:09,510 --> 01:40:07,280

and the inf and the influenza and that

2574

01:40:12,149 --> 01:40:09,520

means we cannot shut down society

2575

01:40:14,310 --> 01:40:12,159

anymore because of that and so when

2576

01:40:15,910 --> 01:40:14,320

people then even if it comes to harder

2577

01:40:17,830 --> 01:40:15,920

corvid strain

2578

01:40:20,310 --> 01:40:17,840

omicron has made sure you're immune

2579

01:40:21,830 --> 01:40:20,320

that's my first prediction my second is

2580

01:40:24,950 --> 01:40:21,840

i said two and a half that's because the

2581

01:40:27,430 --> 01:40:24,960

second can go two ways

2582

01:40:31,189 --> 01:40:27,440

so this either what will happen is that

2583

01:40:34,310 --> 01:40:31,199

people will get so fed up with this uh

2584

01:40:37,109 --> 01:40:34,320

fascism that's taking place now

2585

01:40:39,109 --> 01:40:37,119

that they will rise up against it but we

2586

01:40:40,390 --> 01:40:39,119

may need a little more time

2587

01:40:42,470 --> 01:40:40,400

if we have

2588

01:40:43,910 --> 01:40:42,480

more time because on the here's the

2589

01:40:45,430 --> 01:40:43,920

other prediction and that's that they

2590

01:40:46,709 --> 01:40:45,440

will nail

2591

01:40:54,070 --> 01:40:46,719

the

2592

01:40:56,709 --> 01:40:54,080

meaning bye-bye forever to basic

2593

01:41:00,149 --> 01:40:56,719

freedoms and civil society and

2594

01:41:02,709 --> 01:41:00,159

you know a complete takeover of all

2595

01:41:06,629 --> 01:41:02,719

channels of media and communication

2596

01:41:10,629 --> 01:41:06,639

complete censorship complete corporatism

2597

01:41:11,669 --> 01:41:10,639

and unfortunately us so often uh if not

2598

01:41:14,950 --> 01:41:11,679

always

2599

01:41:16,550 --> 01:41:14,960

it's so dependent on american usa

2600

01:41:19,109 --> 01:41:16,560

which we the rest of the world hates

2601
01:41:20,149 --> 01:41:19,119
because we have to wait for that dumb

2602
01:41:25,510 --> 01:41:20,159
down

2603
01:41:28,229 --> 01:41:25,520
just crushed population to to somehow

2604
01:41:31,270 --> 01:41:28,239
manage to rise and the only

2605
01:41:34,149 --> 01:41:31,280
outlets you have to rise up see it seems

2606
01:41:36,709 --> 01:41:34,159
is to become more and more extremism

2607
01:41:38,390 --> 01:41:36,719
extremist in um kind of a

2608
01:41:39,990 --> 01:41:38,400
pseudo-fascistic

2609
01:41:41,669 --> 01:41:40,000
like there's two kinds of fascism

2610
01:41:42,870 --> 01:41:41,679
playing out playing out in america

2611
01:41:45,590 --> 01:41:42,880
that's the

2612
01:41:47,510 --> 01:41:45,600
top down fascism it's just real fascism

2613
01:41:49,430 --> 01:41:47,520

which is the corporatism of the elites

2614

01:41:51,270 --> 01:41:49,440

and then there's the bottom-up fascism

2615

01:41:53,430 --> 01:41:51,280

which kind of is a reaction it's a

2616

01:41:55,669 --> 01:41:53,440

reactionary thing to that

2617

01:41:58,070 --> 01:41:55,679

but it's the only lane people have to go

2618

01:42:00,229 --> 01:41:58,080

and and even that is being taken away

2619

01:42:02,149 --> 01:42:00,239

from them because it's being used as an

2620

01:42:03,430 --> 01:42:02,159

excuse to smack down all sorts of

2621

01:42:04,550 --> 01:42:03,440

political

2622

01:42:06,950 --> 01:42:04,560

um

2623

01:42:09,189 --> 01:42:06,960

dissidents so

2624

01:42:11,030 --> 01:42:09,199

it's gonna go either further in that

2625

01:42:12,830 --> 01:42:11,040

direction or the reaction from the

2626

01:42:15,990 --> 01:42:12,840

people will manage to

2627

01:42:17,990 --> 01:42:16,000

to to kick back but i'm becoming more

2628

01:42:21,189 --> 01:42:18,000

and more pessimistic look at australia

2629

01:42:23,430 --> 01:42:21,199

man oh my god so that's my predictions

2630

01:42:25,590 --> 01:42:23,440

and unfortunately both were related to

2631

01:42:27,109 --> 01:42:25,600

corvid

2632

01:42:28,390 --> 01:42:27,119

you know i was about to

2633

01:42:29,990 --> 01:42:28,400

i thought we were going to get through

2634

01:42:31,990 --> 01:42:30,000

this whole thing

2635

01:42:33,990 --> 01:42:32,000

without doing the covet thing but i

2636

01:42:35,990 --> 01:42:34,000

guess it's inevitable

2637

01:42:37,910 --> 01:42:36,000

particularly

2638

01:42:40,310 --> 01:42:37,920

you're right i mean you can't talk about

2639

01:42:42,709 --> 01:42:40,320

predictions for 2022

2640

01:42:44,550 --> 01:42:42,719

and not you know talk about so what i'll

2641

01:42:45,510 --> 01:42:44,560

do for my prediction

2642

01:42:52,870 --> 01:42:45,520

is

2643

01:42:54,790 --> 01:42:52,880

truth-seeking

2644

01:42:57,990 --> 01:42:54,800

library in their head

2645

01:43:00,470 --> 01:42:58,000

oh man go go revisit this on so many

2646

01:43:03,430 --> 01:43:00,480

levels but it's an interview that was

2647

01:43:04,229 --> 01:43:03,440

done by alex jones and i sometimes can

2648

01:43:07,669 --> 01:43:04,239

get

2649

01:43:09,590 --> 01:43:07,679

frustrated with alex jones but when i do

2650

01:43:11,990 --> 01:43:09,600

i go back and listen to interviews like

2651

01:43:13,270 --> 01:43:12,000

this and i remember

2652

01:43:15,430 --> 01:43:13,280

that

2653

01:43:17,270 --> 01:43:15,440

he has given us

2654

01:43:19,830 --> 01:43:17,280

so so much so i don't know if he's

2655

01:43:21,910 --> 01:43:19,840

co-opted i don't know anything like that

2656

01:43:24,629 --> 01:43:21,920

but this is so

2657

01:43:27,350 --> 01:43:24,639

uniquely wonderful and important it's an

2658

01:43:29,590 --> 01:43:27,360

interview with aaron russo

2659

01:43:32,629 --> 01:43:29,600

shortly before his death

2660

01:43:35,430 --> 01:43:32,639

and it's about his experience

2661

01:43:38,550 --> 01:43:35,440

with nick rockefeller so with a very

2662

01:43:41,510 --> 01:43:38,560

very elite guy he was trying to

2663

01:43:43,350 --> 01:43:41,520

who was telling him hey look he he one

2664

01:43:44,229 --> 01:43:43,360

he he told him that 911 was going to

2665

01:43:46,149 --> 01:43:44,239

happen

2666

01:43:47,750 --> 01:43:46,159

point by point and then he said what was

2667

01:43:49,350 --> 01:43:47,760

going to happen after it and that we

2668

01:43:51,430 --> 01:43:49,360

were going to invade afghanistan then

2669

01:43:54,149 --> 01:43:51,440

we're going to invade iraq he laid all

2670

01:43:55,990 --> 01:43:54,159

this out months before and then he goes

2671

01:43:57,830 --> 01:43:56,000

and tells him that what do you care

2672

01:43:59,669 --> 01:43:57,840

about the rest of those people here's

2673

01:44:00,950 --> 01:43:59,679

what we want to do we want to control

2674

01:44:04,149 --> 01:44:00,960

everybody

2675

01:44:06,390 --> 01:44:04,159

we want to vaccinate he said chip them

2676

01:44:09,030 --> 01:44:06,400

but it's the same thing we want to have

2677

01:44:11,350 --> 01:44:09,040

everybody under our control and he says

2678

01:44:12,950 --> 01:44:11,360

why he said you know you got all the

2679

01:44:15,350 --> 01:44:12,960

money in the world you got all the power

2680

01:44:16,790 --> 01:44:15,360

in the world why do you need that but

2681

01:44:18,310 --> 01:44:16,800

that's the other part of the clip that

2682

01:44:20,149 --> 01:44:18,320

i'm not going to play here's the part of

2683

01:44:22,229 --> 01:44:20,159

the clip that that i'll play and then

2684

01:44:23,990 --> 01:44:22,239

i'll talk about

2685

01:44:25,590 --> 01:44:24,000

it was done to create a fear in the

2686

01:44:27,350 --> 01:44:25,600

american public

2687

01:44:28,950 --> 01:44:27,360

right so that we will obey what they

2688

01:44:31,109 --> 01:44:28,960

want us to do

2689

01:44:33,030 --> 01:44:31,119

and the very take richard reid the shoe

2690

01:44:36,870 --> 01:44:33,040

bomber here's the guy who was six foot

2691

01:44:39,669 --> 01:44:36,880

six ugly as could be i heard he smelled

2692

01:44:41,350 --> 01:44:39,679

okay he sits and coach on a plane

2693

01:44:43,510 --> 01:44:41,360

lighting matches

2694

01:44:46,229 --> 01:44:43,520

to put his shoe on fire surrounded by

2695

01:44:48,870 --> 01:44:46,239

people that's idiotic if you were gonna

2696

01:44:50,950 --> 01:44:48,880

blow up a plane you go into the bathroom

2697

01:44:52,629 --> 01:44:50,960

you close the door and you put your shoe

2698

01:44:55,109 --> 01:44:52,639

on fire you're not gonna sit there

2699

01:44:58,149 --> 01:44:55,119

surrounded by people lighting matches

2700

01:44:59,189 --> 01:44:58,159

okay so i love these long way around the

2701

01:45:00,950 --> 01:44:59,199

barn

2702

01:45:03,109 --> 01:45:00,960

kind of things

2703

01:45:05,030 --> 01:45:03,119

but here's my point

2704

01:45:07,910 --> 01:45:05,040

you still take your shoes off when you

2705

01:45:11,109 --> 01:45:08,950

and

2706

01:45:12,229 --> 01:45:11,119

when people say that it's going to

2707

01:45:13,830 --> 01:45:12,239

change

2708

01:45:16,550 --> 01:45:13,840

or maybe

2709

01:45:19,270 --> 01:45:16,560

there's a light at the end of the tunnel

2710

01:45:21,910 --> 01:45:19,280

i just remind them you still take your

2711

01:45:23,430 --> 01:45:21,920

[h__\h] shoes off

2712

01:45:25,910 --> 01:45:23,440

and the reason you take off your shoes

2713

01:45:27,910 --> 01:45:25,920

remember is because of this one

2714

01:45:29,270 --> 01:45:27,920

idiotic crazy

2715

01:45:30,629 --> 01:45:29,280

obviously

2716

01:45:33,510 --> 01:45:30,639

operation

2717

01:45:36,790 --> 01:45:33,520

guy who goes and does this as aaron

2718

01:45:38,629 --> 01:45:36,800

russo talks about so my point is

2719

01:45:40,870 --> 01:45:38,639

the the real

2720

01:45:42,310 --> 01:45:40,880

only way out of this

2721

01:45:48,870 --> 01:45:42,320

is love

2722

01:45:51,350 --> 01:45:48,880

of light being that gladiator for light

2723

01:45:54,629 --> 01:45:51,360

and not hating on anybody and not hating

2724

01:45:57,750 --> 01:45:54,639

on the evil that is behind this because

2725

01:45:58,870 --> 01:45:57,760

that don't work either that's their game

2726

01:46:00,310 --> 01:45:58,880

now you're

2727

01:46:01,510 --> 01:46:00,320

one of them

2728

01:46:07,109 --> 01:46:01,520

exactly

2729

01:46:09,430 --> 01:46:07,119

think so many of us are one step closer

2730

01:46:12,629 --> 01:46:09,440

to saying i'll make that [h__h] trade

2731

01:46:13,430 --> 01:46:12,639

let me grind that guy into the ground

2732

01:46:14,790 --> 01:46:13,440

and

2733

01:46:19,669 --> 01:46:14,800

i think

2734

01:46:22,470 --> 01:46:19,679

good always wins that's always the way

2735

01:46:25,030 --> 01:46:22,480

the story ends and because i think as

2736

01:46:28,149 --> 01:46:25,040

our friend miguel connor pointed out

2737

01:46:30,629 --> 01:46:28,159

evil always turns stupid

2738

01:46:32,629 --> 01:46:30,639

and we see evil turning stupid right

2739

01:46:36,310 --> 01:46:32,639

before our eyes

2740

01:46:38,870 --> 01:46:36,320

i think that there will continue to be

2741

01:46:41,590 --> 01:46:38,880

a light emerging from this and i think

2742

01:46:43,910 --> 01:46:41,600

it will begin to emerge in 22 but i

2743

01:46:46,149 --> 01:46:43,920

don't think it's going to come

2744

01:46:47,750 --> 01:46:46,159

in packaged in the way that most people

2745

01:46:49,669 --> 01:46:47,760

think i don't think it's going to be

2746

01:46:51,590 --> 01:46:49,679

particularly pleasant because i think

2747

01:46:53,669 --> 01:46:51,600

these guys have a lot of

2748

01:46:55,590 --> 01:46:53,679

a lot of bullets in the in the chamber

2749

01:46:57,270 --> 01:46:55,600

that they can fire that that we have to

2750

01:46:59,430 --> 01:46:57,280

be aware of

2751

01:47:00,709 --> 01:46:59,440

yeah well

2752

01:47:03,189 --> 01:47:00,719

so

2753

01:47:07,109 --> 01:47:03,199

have we have we done it have we done our

2754

01:47:09,510 --> 01:47:07,119

our job on let me brag uh i remember one

2755

01:47:11,270 --> 01:47:09,520

prediction i made last year

2756

01:47:12,629 --> 01:47:11,280

everybody thought trump was gonna pull

2757

01:47:15,669 --> 01:47:12,639

it off

2758

01:47:18,390 --> 01:47:15,679

but uh when you pushed me for

2759

01:47:19,990 --> 01:47:18,400

ending i i i laid out i love scenario

2760

01:47:23,189 --> 01:47:20,000

thinking right so i laid out different

2761

01:47:25,669 --> 01:47:23,199

scenarios you you didn't like it you

2762

01:47:27,590 --> 01:47:25,679

wanted me to stick to our outcome and i

2763

01:47:30,149 --> 01:47:27,600

said he's not gonna make it

2764

01:47:32,950 --> 01:47:30,159

gonna be biden ah i was right about that

2765

01:47:38,070 --> 01:47:34,550

and you didn't push me now so i don't

2766

01:47:39,510 --> 01:47:38,080

have to you know evaluate the next year

2767

01:47:40,790 --> 01:47:39,520

but the reason i think

2768

01:47:42,870 --> 01:47:40,800

we should be accountable for our

2769

01:47:44,950 --> 01:47:42,880

predictions is that if we are daring and

2770

01:47:47,189 --> 01:47:44,960

it's our responsibility as host right if

2771

01:47:49,990 --> 01:47:47,199

we are daring to make an an early yes

2772

01:47:52,709 --> 01:47:50,000

it's not precognition it's an analysis

2773

01:47:54,149 --> 01:47:52,719

we should substantiate what it's based

2774

01:47:55,669 --> 01:47:54,159

on right and

2775

01:47:57,830 --> 01:47:55,679

and

2776

01:48:01,189 --> 01:47:57,840

yeah we should we should point to elaine

2777

01:48:03,510 --> 01:48:01,199

and and say in afterwards why didn't it

2778

01:48:05,990 --> 01:48:03,520

happen like that or why did i think it

2779

01:48:07,750 --> 01:48:06,000

went like that so yeah that's all i'm

2780

01:48:09,270 --> 01:48:07,760

saying well that's a good one i think

2781

01:48:10,229 --> 01:48:09,280

you should point to that of course he

2782

01:48:12,629 --> 01:48:10,239

didn't

2783

01:48:15,669 --> 01:48:12,639

really win i mean they rigged it in the

2784

01:48:17,270 --> 01:48:15,679

most dramatic way fast possible which is

2785

01:48:20,310 --> 01:48:17,280

kind of interesting but i think your

2786

01:48:21,830 --> 01:48:20,320

your point is super you you totally got

2787

01:48:22,870 --> 01:48:21,840

that prediction because the prediction

2788

01:48:24,709 --> 01:48:22,880

was

2789

01:48:26,550 --> 01:48:24,719

trump wouldn't make it biden would

2790

01:48:28,550 --> 01:48:26,560

prevail and i think it's

2791

01:48:30,229 --> 01:48:28,560

he did it was the

2792

01:48:32,070 --> 01:48:30,239

incredible what they what they pulled up

2793

01:48:34,950 --> 01:48:32,080

it was so you know i recently

2794

01:48:36,629 --> 01:48:34,960

interviewed a steven snyder from

2795

01:48:39,189 --> 01:48:36,639

recluse who you're going to interview on

2796

01:48:41,510 --> 01:48:39,199

your show from the pharmacist

2797

01:48:42,950 --> 01:48:41,520

great i i love what what he said when i

2798

01:48:43,990 --> 01:48:42,960

asked him that question because he's

2799

01:48:46,470 --> 01:48:44,000

kind of a little bit more of a

2800

01:48:48,629 --> 01:48:46,480

left-leaning guy and he said

2801

01:48:51,669 --> 01:48:48,639

just what surprised me is how in your

2802

01:48:56,070 --> 01:48:51,679

face the rigging of the election was how

2803

01:48:58,790 --> 01:48:56,080

obvious it was and i think he is spot on

2804

01:49:00,229 --> 01:48:58,800

it's it's not the surprise that they

2805

01:49:02,390 --> 01:49:00,239

rigged the election they rigged all the

2806

01:49:05,189 --> 01:49:02,400

elections it's just that they did it in

2807

01:49:07,109 --> 01:49:05,199

a way where they had 106 percent voter

2808

01:49:09,910 --> 01:49:07,119

turnout in wisconsin

2809

01:49:11,830 --> 01:49:09,920

and you don't usually get that if they

2810

01:49:13,430 --> 01:49:11,840

you don't get it where it's reported you

2811

01:49:16,070 --> 01:49:13,440

know but anyways

2812

01:49:19,430 --> 01:49:16,080

yeah now it goes to the

2813

01:49:21,270 --> 01:49:19,440

a bigger tendency i discussed this with

2814

01:49:23,430 --> 01:49:21,280

steven schneider actually when i had him

2815

01:49:25,109 --> 01:49:23,440

on and the show is just not released to

2816

01:49:26,629 --> 01:49:25,119

to neither the public nor the

2817

01:49:28,950 --> 01:49:26,639

subscribers yet

2818

01:49:31,589 --> 01:49:28,960

it's waiting with the 15 other shows in

2819

01:49:32,950 --> 01:49:31,599

editing this one will be pushed ahead by

2820

01:49:34,390 --> 01:49:32,960

the way

2821

01:49:36,629 --> 01:49:34,400

but he said

2822

01:49:39,030 --> 01:49:36,639

we discussed uh

2823

01:49:41,030 --> 01:49:39,040

look he said the elites today are so

2824

01:49:42,709 --> 01:49:41,040

stupid they're more dumber than they

2825

01:49:44,390 --> 01:49:42,719

were used to be and that's a point you

2826
01:49:45,830 --> 01:49:44,400
and me have fleshed out earlier if you

2827
01:49:47,189 --> 01:49:45,840
remember

2828
01:49:50,070 --> 01:49:47,199
and

2829
01:49:52,629 --> 01:49:50,080
so because i i said is it that or is it

2830
01:49:54,310 --> 01:49:52,639
that just that they have now so much

2831
01:49:56,709 --> 01:49:54,320
control that they're just being bracent

2832
01:49:58,790 --> 01:49:56,719
about it they're not pretending back in

2833
01:50:00,629 --> 01:49:58,800
the day they were pretending

2834
01:50:02,070 --> 01:50:00,639
even though that we didn't have internet

2835
01:50:05,189 --> 01:50:02,080
or anything

2836
01:50:05,990 --> 01:50:05,199
there was a certain standard you had to

2837
01:50:10,870 --> 01:50:06,000
to

2838
01:50:12,950 --> 01:50:10,880

not a believability what's the word but

2839

01:50:15,270 --> 01:50:12,960

you know what i mean right believability

2840

01:50:17,350 --> 01:50:15,280

i think it's perfect okay so but they

2841

01:50:20,149 --> 01:50:17,360

don't have that anymore is that because

2842

01:50:23,030 --> 01:50:20,159

the incompetence is so extreme combined

2843

01:50:25,189 --> 01:50:23,040

with the extreme power or if it be is it

2844

01:50:27,189 --> 01:50:25,199

because the power is now so extreme it

2845

01:50:29,589 --> 01:50:27,199

doesn't matter if people know what's

2846

01:50:31,990 --> 01:50:29,599

going on in many ways

2847

01:50:33,830 --> 01:50:32,000

you you are excused for having that view

2848

01:50:36,070 --> 01:50:33,840

because look at the assange case the

2849

01:50:38,390 --> 01:50:36,080

assange case isn't about assange it's

2850

01:50:41,750 --> 01:50:38,400

not even about wikileaks it's a it's

2851
01:50:45,350 --> 01:50:41,760
about everyone else it's about

2852
01:50:47,270 --> 01:50:45,360
if you even try to entertain the thought

2853
01:50:49,350 --> 01:50:47,280
of [h__\h] with us

2854
01:50:53,350 --> 01:50:49,360
we're gonna screw you

2855
01:50:55,189 --> 01:50:53,360
six times from sunday so deep that

2856
01:50:58,550 --> 01:50:55,199
just a shell of a human being will be

2857
01:51:00,310 --> 01:50:58,560
left know your place know your lane

2858
01:51:01,910 --> 01:51:00,320
we have taken over

2859
01:51:03,589 --> 01:51:01,920
it's done

2860
01:51:04,310 --> 01:51:03,599
this and assange isn't the only one you

2861
01:51:07,109 --> 01:51:04,320
have

2862
01:51:09,270 --> 01:51:07,119
stephen this lawyer in new york now is

2863
01:51:12,470 --> 01:51:09,280

don singer look into that case folks

2864

01:51:16,470 --> 01:51:12,480

it's incredible that's the law system

2865

01:51:19,189 --> 01:51:16,480

uh just exposes the american uh judicial

2866

01:51:22,070 --> 01:51:19,199

system for what it is so i'm not sure

2867

01:51:22,870 --> 01:51:22,080

alex and i want your input on this is it

2868

01:51:24,709 --> 01:51:22,880

just

2869

01:51:27,589 --> 01:51:24,719

the an extreme incompetence and

2870

01:51:28,870 --> 01:51:27,599

stupidity and arrogance

2871

01:51:30,790 --> 01:51:28,880

combined with their

2872

01:51:32,950 --> 01:51:30,800

extreme power now because of technology

2873

01:51:35,510 --> 01:51:32,960

and all that or is it that

2874

01:51:37,510 --> 01:51:35,520

they just don't care anymore

2875

01:51:40,709 --> 01:51:37,520

because they always i said to recluse i

2876

01:51:43,189 --> 01:51:40,719

said to him stephen i said to him look

2877

01:51:46,790 --> 01:51:43,199

yes the elite is more inbred and stupid

2878

01:51:48,470 --> 01:51:46,800

than ever but they hire experts that's

2879

01:51:51,189 --> 01:51:48,480

what they always do for anything they

2880

01:51:53,430 --> 01:51:51,199

want to do they find the brains we've

2881

01:51:55,669 --> 01:51:53,440

talked about that to alex they find them

2882

01:51:57,430 --> 01:51:55,679

certain things that we want it's going

2883

01:51:59,990 --> 01:51:57,440

that direction so there's not a lack of

2884

01:52:03,270 --> 01:52:00,000

brains out there and there's not a lack

2885

01:52:05,350 --> 01:52:03,280

of opportunity to turn the brains

2886

01:52:07,910 --> 01:52:05,360

onto their team and work for them that's

2887

01:52:09,109 --> 01:52:07,920

what most of us do anyway right

2888

01:52:11,270 --> 01:52:09,119

so

2889

01:52:12,790 --> 01:52:11,280

um yeah that's the big question what do

2890

01:52:14,950 --> 01:52:12,800

you think

2891

01:52:17,990 --> 01:52:14,960

i think you make a great point

2892

01:52:19,990 --> 01:52:18,000

and it's well i didn't but i want you to

2893

01:52:21,669 --> 01:52:20,000

say which one of those two is there

2894

01:52:25,430 --> 01:52:21,679

stupidity

2895

01:52:27,589 --> 01:52:25,440

i i think the point that you make is

2896

01:52:29,350 --> 01:52:27,599

you can be stupid and hire smart people

2897

01:52:31,669 --> 01:52:29,360

if you have money and if you own the

2898

01:52:33,189 --> 01:52:31,679

printing press that prints all the money

2899

01:52:36,229 --> 01:52:33,199

it kind of affords you a lot of

2900

01:52:39,910 --> 01:52:36,239

opportunities but at the same time i

2901
01:52:44,870 --> 01:52:39,920
agree that there's a certain sloppiness

2902
01:52:47,350 --> 01:52:44,880
that i wouldn't immediately dismiss as

2903
01:52:50,310 --> 01:52:47,360
brazen in your face i don't care if you

2904
01:52:53,430 --> 01:52:50,320
know it some of it just looks sloppy it

2905
01:52:55,750 --> 01:52:53,440
looks like it has no nothing to gain

2906
01:52:59,109 --> 01:52:55,760
by being sloppy i don't know why you run

2907
01:53:01,350 --> 01:52:59,119
this operation and israel is the

2908
01:53:04,070 --> 01:53:01,360
zionists are one of your allies and they

2909
01:53:06,950 --> 01:53:04,080
become the most jabbed people on earth

2910
01:53:08,550 --> 01:53:06,960
with more boosters than anyone else that

2911
01:53:11,030 --> 01:53:08,560
i don't know how that fits into your pla

2912
01:53:12,950 --> 01:53:11,040
did you really plan on doing that and

2913
01:53:14,790 --> 01:53:12,960

the people in africa and brazil and

2914

01:53:17,910 --> 01:53:14,800

these other countries they're not not so

2915

01:53:20,550 --> 01:53:17,920

much india not so much you know was that

2916

01:53:22,709 --> 01:53:20,560

part of your plan no that wasn't part of

2917

01:53:24,629 --> 01:53:22,719

the plan they'll be able to recover and

2918

01:53:26,470 --> 01:53:24,639

and do that but you know what i'm saying

2919

01:53:28,950 --> 01:53:26,480

i don't want to get too far a field here

2920

01:53:31,350 --> 01:53:28,960

because we got to wrap this up but no i

2921

01:53:33,589 --> 01:53:31,360

i think your your larger point both

2922

01:53:35,510 --> 01:53:33,599

those points that are kind of

2923

01:53:37,350 --> 01:53:35,520

intertwined with what you're saying

2924

01:53:39,750 --> 01:53:37,360

i think are important is

2925

01:53:41,350 --> 01:53:39,760

no they're not that smart but don't

2926
01:53:43,109 --> 01:53:41,360
count them out because they can still

2927
01:53:45,830 --> 01:53:43,119
hire some brains

2928
01:53:48,790 --> 01:53:45,840
yeah they always turn to brute force

2929
01:53:51,270 --> 01:53:48,800
when a manipulation game doesn't work

2930
01:53:55,990 --> 01:53:53,350
what a sad note to end on

2931
01:53:57,830 --> 01:53:56,000
well we don't know how the game gets

2932
01:54:01,189 --> 01:53:57,840
played but

2933
01:54:04,310 --> 01:54:01,199
we know who wins in the end and who wins

2934
01:54:06,550 --> 01:54:04,320
are the people who stay true to the

2935
01:54:08,229 --> 01:54:06,560
to the light to the light in their heart

2936
01:54:11,109 --> 01:54:08,239
because that's the only thing that

2937
01:54:13,589 --> 01:54:11,119
matters you beautifully said it earlier

2938
01:54:14,870 --> 01:54:13,599

this exercise we're in is a preparation

2939

01:54:16,229 --> 01:54:14,880

for

2940

01:54:18,709 --> 01:54:16,239

a transition

2941

01:54:21,510 --> 01:54:18,719

it can't be otherwise that isn't even

2942

01:54:23,830 --> 01:54:21,520

that isn't even esoteric or metaphysical

2943

01:54:26,149 --> 01:54:23,840

it's just [h__h] common sense how can

2944

01:54:27,589 --> 01:54:26,159

it be otherwise how else would it make

2945

01:54:28,550 --> 01:54:27,599

any sense

2946

01:54:30,550 --> 01:54:28,560

so

2947

01:54:32,870 --> 01:54:30,560

that's that's where we really come

2948

01:54:34,709 --> 01:54:32,880

together you and i out and

2949

01:54:37,350 --> 01:54:34,719

you know when you stay anchored in that

2950

01:54:39,669 --> 01:54:37,360

kind of reality everything else kind of

2951
01:54:42,870 --> 01:54:39,679
becomes a lot easier to deal with

2952
01:54:46,070 --> 01:54:42,880
oh man and let's not forget this

2953
01:54:49,990 --> 01:54:46,080
life we're living it's just a drop in

2954
01:54:52,709 --> 01:54:50,000
the big cosmos it's just uh

2955
01:54:55,510 --> 01:54:52,719
it's it's it was shakespeare said life

2956
01:54:58,310 --> 01:54:55,520
is a scene something like that yeah so

2957
01:55:00,149 --> 01:54:58,320
let's not lose about respect

2958
01:55:01,030 --> 01:55:00,159
yeah so let's not lose perspective

2959
01:55:03,589 --> 01:55:01,040
either

2960
01:55:05,910 --> 01:55:03,599
that we are here to learn something

2961
01:55:08,149 --> 01:55:05,920
experience something and what we take

2962
01:55:10,790 --> 01:55:08,159
away from it it really works matter

2963
01:55:12,790 --> 01:55:10,800

that's why you and me are trying to pick

2964

01:55:15,350 --> 01:55:12,800

open the door into the other side so we

2965

01:55:17,350 --> 01:55:15,360

can get some reassurance of the bigger

2966

01:55:19,109 --> 01:55:17,360

perspective that

2967

01:55:19,750 --> 01:55:19,119

life isn't just

2968

01:55:33,910 --> 01:55:19,760

it's

2969

01:55:44,470 --> 01:55:33,920

and

2970

01:55:46,709 --> 01:55:44,480

distinguish that's why the means never

2971

01:55:48,229 --> 01:55:46,719

excuse the goal

2972

01:55:52,790 --> 01:55:48,239

in other words

2973

01:55:56,950 --> 01:55:55,990

an old cliché but but yeah i i i think

2974

01:55:59,830 --> 01:55:56,960

it's true

2975

01:56:02,149 --> 01:55:59,840

beautifully said and maybe that's where

2976

01:56:04,229 --> 01:56:02,159

we should leave it yeah my friend it's

2977

01:56:05,910 --> 01:56:04,239

been awesome this will become a

2978

01:56:08,709 --> 01:56:05,920

tradition it's so

2979

01:56:11,350 --> 01:56:08,719

enriching for me what a great way to

2980

01:56:13,430 --> 01:56:11,360

feel that i've wrapped up the year so

2981

01:56:14,950 --> 01:56:13,440

thanks so much for doing this

2982

01:56:16,470 --> 01:56:14,960

and happy new year

2983

01:56:18,470 --> 01:56:16,480

you too

2984

01:56:21,030 --> 01:56:18,480

thanks again to al borealis for joining

2985

01:56:23,910 --> 01:56:21,040

me today on skeptico the one question i

2986

01:56:27,109 --> 01:56:23,920

tee up from this show is what was your

2987

01:56:28,910 --> 01:56:27,119

favorite skeptico or forum borealis

2988

01:56:30,470 --> 01:56:28,920

moment of

2989

01:56:32,790 --> 01:56:30,480

2021.

2990

01:56:35,109 --> 01:56:32,800

let me know track me down find me

2991

01:56:37,990 --> 01:56:35,119

okay 2021 you're gone

2992

01:56:42,400 --> 01:56:38,000

2022 bring it down we're ready

2993

01:56:56,000 --> 01:56:42,410

until next time take care bye for now
