#534-PHILIP-FAIRBANKS

1
00:00:05,430 --> 00:00:02,710
your fear of capturing imprisonment is

2
00:00:07,430 --> 00:00:05,440
an implant from millions of years ago

3
00:00:10,230 --> 00:00:07,440
your spirit was free

4
00:00:11,110 --> 00:00:10,240
moving from body to the next body

5
00:00:15,350 --> 00:00:11,120
free

6
00:00:17,189 --> 00:00:15,360
then it was captured by an invader force

7
00:00:18,870 --> 00:00:17,199
bent on turning you to the darkest way

8
00:00:21,990 --> 00:00:18,880
you've been implanted with a push-pull

9
00:00:24,070 --> 00:00:22,000
mechanism that keeps you fearful of

10
00:00:25,589 --> 00:00:24,080
authority and destructive

11
00:00:27,429 --> 00:00:25,599
we are in the middle of a battle that's

12
00:00:28,830 --> 00:00:27,439
a trillion years in the making and it's

13
00:00:29,029 --> 00:00:28,840

bigger than

14

00:00:30,630 --> 00:00:29,039

both

15

00:00:34,630 --> 00:00:32,549

that's philip seymour hoffman and

16

00:00:36,470 --> 00:00:34,640

joaquin phoenix from the movie the

17

00:00:38,549 --> 00:00:36,480

master which is

18

00:00:41,990 --> 00:00:38,559

kind of loosely based on the life of

19

00:00:44,869 --> 00:00:42,000

elrond hubbard which is a topic that we

20

00:00:46,549 --> 00:00:44,879

certainly talk about today in this

21

00:00:49,430 --> 00:00:46,559

interview with

22

00:00:52,869 --> 00:00:49,440

gosh just a great great researcher and

23

00:00:54,869 --> 00:00:52,879

writer author philip fairbanks here's

24

00:00:56,389 --> 00:00:54,879

one of many clips i wanted to share with

25

00:00:59,910 --> 00:00:56,399

you

26

00:01:01,990 --> 00:00:59,920

know he not only gets the girl then he

27

00:01:04,710 --> 00:01:02,000

says yeah you know this strange boat

28

00:01:06,469 --> 00:01:04,720

deal like we're going to go to miami and

29

00:01:08,070 --> 00:01:06,479

buy a boat and then sail it back here to

30

00:01:11,350 --> 00:01:08,080

california and we'll make a lot of money

31

00:01:13,670 --> 00:01:11,360

and we'll split it all we need you to

32

00:01:16,310 --> 00:01:13,680

put up do the money and give us a free

33

00:01:17,190 --> 00:01:16,320

boat to get the other boat with like

34

00:01:19,749 --> 00:01:17,200

what

35

00:01:22,469 --> 00:01:19,759

so that's and that's literally after but

36

00:01:26,550 --> 00:01:22,479

this is with marjorie marjorie cameron

37

00:01:29,429 --> 00:01:26,560

the his ex like i almost have to respect

38

00:01:32,230 --> 00:01:29,439

elrond occasionally because he comes

39

00:01:33,270 --> 00:01:32,240
from that like larger-than-life pt

40

00:01:34,630 --> 00:01:33,280
barnum

41

00:01:37,190 --> 00:01:34,640
huckster tradition that's so

42

00:01:39,590 --> 00:01:37,200
quintessentially american you know

43

00:01:41,670 --> 00:01:39,600
what's more american than p.t barnum

44

00:01:44,230 --> 00:01:41,680
like you know what i'm gonna take a

45

00:01:47,109 --> 00:01:44,240
bunch of rubes for their money it's just

46

00:01:49,749 --> 00:01:47,119
so insane like they were gonna do a sex

47

00:01:51,510 --> 00:01:49,759
ritual out in the desert and they did i

48

00:01:53,590 --> 00:01:51,520
think this is how he stole his

49

00:01:55,749 --> 00:01:53,600
girlfriend i think because like

50

00:01:57,190 --> 00:01:55,759
initially jack parsons was going to have

51
00:01:58,950 --> 00:01:57,200
sex with his girlfriend he's like wait

52
00:02:00,389 --> 00:01:58,960
jack

53
00:02:04,389 --> 00:02:00,399
maybe

54
00:02:06,870 --> 00:02:04,399
girlfriend and you could be the one

55
00:02:09,990 --> 00:02:06,880
who's like watching us and saying the

56
00:02:11,510 --> 00:02:10,000
stuff you could be reciting stuff

57
00:02:13,670 --> 00:02:11,520
while i'm having sex with your

58
00:02:14,710 --> 00:02:13,680
girlfriend who we will later embezzle

59
00:02:17,350 --> 00:02:14,720
from you

60
00:02:18,869 --> 00:02:17,360
you actually jump to the next bracketed

61
00:02:21,670 --> 00:02:18,879
reality beyond that which is the

62
00:02:23,670 --> 00:02:21,680
spiritual so when he does go out and

63
00:02:25,830 --> 00:02:23,680

perform these rights and rituals under

64

00:02:28,070 --> 00:02:25,840

the direction of crowley right because

65

00:02:29,990 --> 00:02:28,080

crowley is in communication with jack

66

00:02:32,309 --> 00:02:30,000

parsons jack parsons reaches out to

67

00:02:34,790 --> 00:02:32,319

crowley and says i'm your number one guy

68

00:02:36,390 --> 00:02:34,800

i want to be your number one agent and

69

00:02:38,390 --> 00:02:36,400

and uh you know

70

00:02:40,949 --> 00:02:38,400

uh crowley from all accounts has a

71

00:02:43,910 --> 00:02:40,959

little bit of that huckster in him too

72

00:02:46,309 --> 00:02:43,920

absolutely yeah and he loved jack

73

00:02:49,190 --> 00:02:46,319

apparently i think that that that

74

00:02:51,910 --> 00:02:49,200

relationship ruined it uh because when

75

00:02:54,229 --> 00:02:51,920

he saw he's like no no no that's what

76

00:02:57,030 --> 00:02:54,239

you do to the other guy

77

00:02:59,750 --> 00:02:57,040

you don't you don't believe in that

78

00:03:02,149 --> 00:02:59,760

stuff you get the other guy to believe

79

00:03:05,430 --> 00:03:02,159

and you take his girlfriend and his

80

00:03:07,030 --> 00:03:05,440

money and his boat and that's

81

00:03:08,869 --> 00:03:07,040

that's the trick

82

00:03:10,309 --> 00:03:08,879

so i know i usually just have one clip

83

00:03:12,630 --> 00:03:10,319

in these shows but

84

00:03:14,630 --> 00:03:12,640

i think i might have to start doing more

85

00:03:17,350 --> 00:03:14,640

particularly when you got a guy like

86

00:03:19,830 --> 00:03:17,360

phil fairbanks who is just willing to go

87

00:03:21,589 --> 00:03:19,840

a lot of places that not everybody's

88

00:03:22,630 --> 00:03:21,599

willing to go

89

00:03:25,509 --> 00:03:22,640

culture

90

00:03:27,350 --> 00:03:25,519

is downstream of religion religion

91

00:03:29,990 --> 00:03:27,360

shapes the culture which shapes the

92

00:03:32,470 --> 00:03:30,000

society which shapes the individual even

93

00:03:34,949 --> 00:03:32,480

if it's just good for me and a few

94

00:03:36,630 --> 00:03:34,959

hundred million others on earth i think

95

00:03:39,190 --> 00:03:36,640

it's worthwhile thing

96

00:03:41,670 --> 00:03:39,200

until we understand some of that

97

00:03:43,350 --> 00:03:41,680

spiritual stuff until we're willing to

98

00:03:47,030 --> 00:03:43,360

go there because the first step we have

99

00:03:49,190 --> 00:03:47,040

to go is okay psychology is [h__h]

100

00:03:51,350 --> 00:03:49,200

it's been engineered to promote a

101
00:03:53,589 --> 00:03:51,360
certain viewpoint and then we look at

102
00:03:55,270 --> 00:03:53,599
the political which is where you're

103
00:03:57,350 --> 00:03:55,280
willing to take us is this a

104
00:04:00,229 --> 00:03:57,360
brownstoning operation is it a human

105
00:04:02,149 --> 00:04:00,239
compromise operation yes it is but then

106
00:04:04,630 --> 00:04:02,159
the third layer is

107
00:04:07,270 --> 00:04:04,640
is it evil in some way that we don't

108
00:04:09,270 --> 00:04:07,280
normally talk about i almost hint to

109
00:04:11,110 --> 00:04:09,280
that in the first chapter where i talk

110
00:04:13,509 --> 00:04:11,120
about like the cleveland street scandal

111
00:04:15,750 --> 00:04:13,519
and lewis carroll the author of alice's

112
00:04:17,749 --> 00:04:15,760
adventures in wonderland and uh talk

113
00:04:21,189 --> 00:04:17,759

about j and barry the author of peter

114

00:04:22,710 --> 00:04:21,199

pan uh which sadly you know for anybody

115

00:04:24,950 --> 00:04:22,720

who wasn't aware

116

00:04:26,710 --> 00:04:24,960

sadly they are both most likely

117

00:04:28,469 --> 00:04:26,720

pedophiles

118

00:04:32,070 --> 00:04:28,479

so one of the topics phil and i talked a

119

00:04:35,030 --> 00:04:32,080

bit about is mk ultra and in particular

120

00:04:37,350 --> 00:04:35,040

how it rolls into project stargate i

121

00:04:39,030 --> 00:04:37,360

know i return to this topic a lot but i

122

00:04:40,870 --> 00:04:39,040

really think it's important to

123

00:04:43,270 --> 00:04:40,880

understand this history because it does

124

00:04:46,070 --> 00:04:43,280

seem to be under a rewrite and the

125

00:04:50,310 --> 00:04:46,080

interesting thing about philip fairbanks

126

00:04:53,110 --> 00:04:50,320

is he has been on the mk ultra stuff

127

00:04:55,990 --> 00:04:53,120

longer than anyone i can think of i mean

128

00:04:57,749 --> 00:04:56,000

like almost 20 years so the amount of

129

00:04:59,749 --> 00:04:57,759

information he's amassed the amount of

130

00:05:01,830 --> 00:04:59,759

documents that he has if you really

131

00:05:03,830 --> 00:05:01,840

drill into his work i mean he has

132

00:05:05,990 --> 00:05:03,840

documents and stuff that he's got for

133

00:05:07,990 --> 00:05:06,000

your request stuff that he's just found

134

00:05:10,390 --> 00:05:08,000

squirreled away so

135

00:05:14,390 --> 00:05:10,400

he's really a pro when it was great to

136

00:05:16,550 --> 00:05:14,400

talk to him about that even as horrific

137

00:05:18,550 --> 00:05:16,560

as it is it's something i think we have

138

00:05:20,629 --> 00:05:18,560

to face

139

00:05:21,590 --> 00:05:20,639

canada's mengele you know is what they

140

00:05:23,189 --> 00:05:21,600

say

141

00:05:26,710 --> 00:05:23,199

just like gottlieb is god biz

142

00:05:29,270 --> 00:05:26,720

gottliebazar mengele but yep as you've

143

00:05:32,070 --> 00:05:29,280

documented the kinds of experiments that

144

00:05:33,749 --> 00:05:32,080

they were doing on people are more than

145

00:05:37,749 --> 00:05:33,759

just the

146

00:05:40,629 --> 00:05:37,759

what's become the kind of cartoon tropo

147

00:05:44,310 --> 00:05:40,639

they gave him lsd at a party when they

148

00:05:47,270 --> 00:05:44,320

didn't know about it oh they were so bad

149

00:05:49,510 --> 00:05:47,280

no man they were chaining kids down in

150

00:05:52,310 --> 00:05:49,520

beds and not letting them and

151
00:05:55,430 --> 00:05:52,320
sensory deprivation stuff and you know

152
00:05:58,070 --> 00:05:55,440
you're not allowed to yeah exactly yeah

153
00:05:59,749 --> 00:05:58,080
breaking people and breaking people and

154
00:06:01,909 --> 00:05:59,759
intentionally bringing the enormous

155
00:06:04,309 --> 00:06:01,919
amount of people who would become famous

156
00:06:06,790 --> 00:06:04,319
later and whether it's guys like ken

157
00:06:09,749 --> 00:06:06,800
keezy and leonard cohen or whether it's

158
00:06:12,150 --> 00:06:09,759
guys like charles manson and ted

159
00:06:15,749 --> 00:06:12,160
kaczynski because all of them

160
00:06:16,629 --> 00:06:15,759
famously had close ties with at least

161
00:06:18,790 --> 00:06:16,639
you know

162
00:06:20,629 --> 00:06:18,800
some element of mk

163
00:06:22,710 --> 00:06:20,639

the reason i bring up immediately

164

00:06:24,070 --> 00:06:22,720

stargate just so people understand this

165

00:06:26,710 --> 00:06:24,080

you know all this stuff backwards and

166

00:06:30,870 --> 00:06:26,720

forwards i'm not telling you but I ron

167

00:06:34,150 --> 00:06:30,880

hubbard has start scientology so

168

00:06:37,590 --> 00:06:34,160

whatever blend it is of

169

00:06:39,510 --> 00:06:37,600

this kind of satanic spiritual occulted

170

00:06:40,710 --> 00:06:39,520

real connection with these extended

171

00:06:43,029 --> 00:06:40,720

realms

172

00:06:45,189 --> 00:06:43,039

and also his kind of pragmatic

173

00:06:47,189 --> 00:06:45,199

hucksterism good old american huxterism

174

00:06:49,990 --> 00:06:47,199

how can i rip everyone off he starts

175

00:06:51,909 --> 00:06:50,000

scientology and lo and behold because

176

00:06:54,629 --> 00:06:51,919

there is this military connection as you

177

00:06:56,469 --> 00:06:54,639

described military intelligence is hey

178

00:06:58,629 --> 00:06:56,479

whatever works you know what i mean you

179

00:07:00,710 --> 00:06:58,639

want to call it satan you want to go we

180

00:07:03,110 --> 00:07:00,720

don't care we just want to conquer that

181

00:07:05,749 --> 00:07:03,120

hill and to a certain extent that has to

182

00:07:07,909 --> 00:07:05,759

always be the job of

183

00:07:09,270 --> 00:07:07,919

the military and in a way that we don't

184

00:07:11,510 --> 00:07:09,280

understand because you're not inside

185

00:07:13,189 --> 00:07:11,520

that culture but what they'll tell you

186

00:07:14,710 --> 00:07:13,199

is hey we've been through this for

187

00:07:16,390 --> 00:07:14,720

thousands of years and i'll tell you at

188

00:07:18,309 --> 00:07:16,400

the end of the day phil

189

00:07:20,230 --> 00:07:18,319

when it's me defending you you don't

190

00:07:22,629 --> 00:07:20,240

give a [h__h] whether i have satan

191

00:07:23,990 --> 00:07:22,639

tattooed on my back or not you just want

192

00:07:26,710 --> 00:07:24,000

me to keep those [h__h] from

193

00:07:28,870 --> 00:07:26,720

coming through your front door

194

00:07:32,550 --> 00:07:28,880

okay one last clip maybe one of my

195

00:07:35,430 --> 00:07:32,560

favorites because for me until you get

196

00:07:38,150 --> 00:07:35,440

to the spiritual you really ain't

197

00:07:41,029 --> 00:07:38,160

talking about anything so when i get a

198

00:07:43,869 --> 00:07:41,039

guest who is super well versed in all

199

00:07:46,950 --> 00:07:43,879

these conspiracy topics and really

200

00:07:49,589 --> 00:07:46,960

parapolitical history topics but then is

201
00:07:52,070 --> 00:07:49,599
willing to go next level spiritual

202
00:07:54,629 --> 00:07:52,080
and it's exciting and he wraps it all up

203
00:07:56,230 --> 00:07:54,639
with this final clip

204
00:07:57,589 --> 00:07:56,240
is he taking this stuff as a joke or

205
00:07:59,270 --> 00:07:57,599
something like no

206
00:08:01,589 --> 00:07:59,280
i've got kind of a super silliest

207
00:08:04,070 --> 00:08:01,599
expression half the time because if i

208
00:08:06,629 --> 00:08:04,080
didn't i would go crazy because things

209
00:08:09,110 --> 00:08:06,639
are so heavy you know things are really

210
00:08:11,670 --> 00:08:09,120
heavy and that's no reason to let

211
00:08:12,950 --> 00:08:11,680
yourself get dragged down by them one of

212
00:08:13,990 --> 00:08:12,960
the tricks

213
00:08:15,950 --> 00:08:14,000

of

214

00:08:18,550 --> 00:08:15,960

the powers that be is

215

00:08:20,309 --> 00:08:18,560

demoralization and depression because

216

00:08:21,909 --> 00:08:20,319

you're not going to be on top of things

217

00:08:25,029 --> 00:08:21,919

you're not going to change anything in

218

00:08:30,390 --> 00:08:25,039

your own life or outside of your own

219

00:08:34,389 --> 00:08:32,389

so this is a long interview longer than

220

00:08:35,829 --> 00:08:34,399

most of the ones i do and that's part of

221

00:08:38,310 --> 00:08:35,839

the reason i shared so many clips to

222

00:08:40,469 --> 00:08:38,320

maybe motivate you to stick around

223

00:08:41,829 --> 00:08:40,479

if you do stick around if you listen to

224

00:08:44,070 --> 00:08:41,839

it and you enjoy it

225

00:08:47,350 --> 00:08:44,080

please share it this is one that i

226
00:08:48,870 --> 00:08:47,360
really hope gets out there far and wide

227
00:08:50,790 --> 00:08:48,880
stick around for my interview with

228
00:08:52,550 --> 00:08:50,800
philip fairbanks

229
00:08:55,030 --> 00:08:52,560
welcome to skeptica where we explore

230
00:08:57,110 --> 00:08:55,040
controversial science and spirituality

231
00:08:58,870 --> 00:08:57,120
with leading researchers thinkers and

232
00:09:00,870 --> 00:08:58,880
their critics i'm your host alex

233
00:09:02,949 --> 00:09:00,880
garrison today we welcome philip

234
00:09:04,710 --> 00:09:02,959
fairbanks to skeptico

235
00:09:08,630 --> 00:09:04,720
phil is a writer

236
00:09:11,670 --> 00:09:08,640
researcher he's the author of pedogate

237
00:09:13,829 --> 00:09:11,680
primer the politics of pedophilia and

238
00:09:16,389 --> 00:09:13,839

he's also the author of

239

00:09:17,670 --> 00:09:16,399

the forthcoming deep state penetrating

240

00:09:20,949 --> 00:09:17,680

the veils

241

00:09:23,910 --> 00:09:20,959

of the unelected shadow government

242

00:09:26,150 --> 00:09:23,920

phil it's awesome i've heard you on some

243

00:09:28,310 --> 00:09:26,160

great shows and then we recently saw

244

00:09:30,710 --> 00:09:28,320

each other on the union of the unwanted

245

00:09:34,150 --> 00:09:30,720

podcast yeah that was a lot of fun

246

00:09:36,710 --> 00:09:34,160

it was and uh you have some great great

247

00:09:38,389 --> 00:09:36,720

stuff so it's great to have you on i'm

248

00:09:41,030 --> 00:09:38,399

super excited to talk about all this

249

00:09:43,590 --> 00:09:41,040

stuff that'll come up here yeah yeah

250

00:09:47,269 --> 00:09:43,600

great and and i like that

251
00:09:49,030 --> 00:09:47,279
you know what my goal here or my plan is

252
00:09:51,110 --> 00:09:49,040
to kind of

253
00:09:52,710 --> 00:09:51,120
dispense with the

254
00:09:54,949 --> 00:09:52,720
level one stuff which i always call it

255
00:09:56,310 --> 00:09:54,959
and kind of jump into some of the deeper

256
00:09:57,990 --> 00:09:56,320
waters

257
00:10:00,710 --> 00:09:58,000
because yeah

258
00:10:02,310 --> 00:10:00,720
so so let's start right out you know

259
00:10:03,590 --> 00:10:02,320
like there's so much about your

260
00:10:05,269 --> 00:10:03,600
background so i've heard a lot about

261
00:10:06,949 --> 00:10:05,279
your background you live in manila you

262
00:10:08,790 --> 00:10:06,959
started writing at a very young age and

263
00:10:11,829 --> 00:10:08,800

all this stuff right but there's some

264

00:10:13,110 --> 00:10:11,839

other cool stuff about your background

265

00:10:15,509 --> 00:10:13,120

that

266

00:10:18,870 --> 00:10:15,519

i don't even know where we're gonna go

267

00:10:22,310 --> 00:10:18,880

tennessee and protestant evangelical

268

00:10:24,870 --> 00:10:22,320

uh exorcisms like i saw

269

00:10:26,710 --> 00:10:24,880

did you see that yeah

270

00:10:27,829 --> 00:10:26,720

it was it was it was around the

271

00:10:31,110 --> 00:10:27,839

halloween

272

00:10:33,110 --> 00:10:31,120

you know as the spooky season and and uh

273

00:10:36,150 --> 00:10:33,120

i don't know i was thinking back to you

274

00:10:38,949 --> 00:10:36,160

know i definitely got a lot of uh crazy

275

00:10:40,949 --> 00:10:38,959

stories in my past and uh that was

276

00:10:44,069 --> 00:10:40,959

that was definitely one of them like a

277

00:10:46,310 --> 00:10:44,079

genuine protestant exorcism not

278

00:10:48,230 --> 00:10:46,320

everybody gets to experience one of

279

00:10:50,870 --> 00:10:48,240

those so when i got the chance i made

280

00:10:53,829 --> 00:10:50,880

sure to take them up on the offer

281

00:10:57,829 --> 00:10:53,839

so i'm referring to an article blog post

282

00:11:01,350 --> 00:10:57,839

on phil's website titled the protestant

283

00:11:02,550 --> 00:11:01,360

exorcism a true story and maybe you can

284

00:11:04,310 --> 00:11:02,560

tell a little bit about the story

285

00:11:06,310 --> 00:11:04,320

because it's kind of funny but also what

286

00:11:08,389 --> 00:11:06,320

that means about your your background

287

00:11:10,790 --> 00:11:08,399

you know i mean you're a kid you're

288

00:11:13,590 --> 00:11:10,800

growing up there's a lot of stuff

289

00:11:15,350 --> 00:11:13,600

tennessee very interesting

290

00:11:16,949 --> 00:11:15,360

interesting tennessee is interesting

291

00:11:19,030 --> 00:11:16,959

it's interesting from this normal

292

00:11:21,350 --> 00:11:19,040

standpoint so go heads

293

00:11:23,990 --> 00:11:21,360

well for one thing and talking about the

294

00:11:25,910 --> 00:11:24,000

the background and how it was raised uh

295

00:11:27,430 --> 00:11:25,920

it's kind of interesting because i came

296

00:11:29,670 --> 00:11:27,440

from kind of a

297

00:11:31,829 --> 00:11:29,680

uh somewhat strict kind of

298

00:11:34,150 --> 00:11:31,839

fundamentalist uh upbringing you know

299

00:11:36,550 --> 00:11:34,160

homeschooled until fifth grade granddad

300

00:11:39,670 --> 00:11:36,560

was a southern baptist preacher and you

301
00:11:42,550 --> 00:11:39,680
know and that definitely uh shaped a lot

302
00:11:45,110 --> 00:11:42,560
of uh you know who i am and whatnot then

303
00:11:45,910 --> 00:11:45,120
i'd say probably in my teens i started

304
00:11:49,030 --> 00:11:45,920
you know

305
00:11:50,470 --> 00:11:49,040
kind of getting interested in some other

306
00:11:52,870 --> 00:11:50,480
things especially a lot of the stuff

307
00:11:54,629 --> 00:11:52,880
that was considered taboo when i was

308
00:11:56,310 --> 00:11:54,639
growing up you know and and that would

309
00:11:59,670 --> 00:11:56,320
include like pretty much anything the

310
00:12:02,550 --> 00:11:59,680
paranormal or or you know uh anything to

311
00:12:05,590 --> 00:12:02,560
do with psy or esp or ufos or any of

312
00:12:08,069 --> 00:12:05,600
that kind of stuff was all you know part

313
00:12:09,990 --> 00:12:08,079

of the the new age conspiracy because

314

00:12:12,710 --> 00:12:10,000

you know i kind of grew up during the

315

00:12:15,430 --> 00:12:12,720

the satanic panic era where you know

316

00:12:17,990 --> 00:12:15,440

heavy metal and and dungeons and dragons

317

00:12:20,150 --> 00:12:18,000

and and magic the gathering and all that

318

00:12:22,150 --> 00:12:20,160

kind of stuff you know star wars and

319

00:12:24,790 --> 00:12:22,160

star trek you know

320

00:12:26,629 --> 00:12:24,800

uh and and to to be fair you know when i

321

00:12:28,310 --> 00:12:26,639

look back at a lot of that stuff now you

322

00:12:30,230 --> 00:12:28,320

know i think it's silly to say that it's

323

00:12:32,470 --> 00:12:30,240

you know necessarily watching star trek

324

00:12:35,110 --> 00:12:32,480

the next generation isn't going to you

325

00:12:37,509 --> 00:12:35,120

know endanger your immortal soul

326

00:12:40,710 --> 00:12:37,519

but it is like when you look at it it's

327

00:12:42,470 --> 00:12:40,720

kind of you know un approved neoliberal

328

00:12:44,230 --> 00:12:42,480

programming which you know one of the

329

00:12:47,829 --> 00:12:44,240

things that we've been talking about in

330

00:12:50,150 --> 00:12:47,839

email is is like the stargate the cia

331

00:12:52,629 --> 00:12:50,160

and military stargate you know uh gene

332

00:12:55,030 --> 00:12:52,639

roddenberry was connected to some of

333

00:12:58,069 --> 00:12:55,040

that weird stuff at sri

334

00:13:01,750 --> 00:12:58,079

with a lot of these you know uh old

335

00:13:03,750 --> 00:13:01,760

money rich families and and you know a

336

00:13:07,030 --> 00:13:03,760

lot of them are really interested in

337

00:13:08,870 --> 00:13:07,040

ufos and psy you know the bronfens who

338

00:13:11,350 --> 00:13:08,880

are tied to nexium and all this kind of

339

00:13:13,750 --> 00:13:11,360

stuff but yeah as far as the uh the

340

00:13:15,670 --> 00:13:13,760

exorcism story yeah let me kind of pause

341

00:13:17,350 --> 00:13:15,680

you there for a second because yeah

342

00:13:19,030 --> 00:13:17,360

well there's just some different pieces

343

00:13:21,590 --> 00:13:19,040

that you've laid out that i think i want

344

00:13:22,389 --> 00:13:21,600

to make sure people get you know is so

345

00:13:24,470 --> 00:13:22,399

like

346

00:13:26,470 --> 00:13:24,480

this period where you're growing up in

347

00:13:27,910 --> 00:13:26,480

and kind of the strict

348

00:13:30,949 --> 00:13:27,920

you know

349

00:13:32,949 --> 00:13:30,959

homeschooling christian fundamentalist

350

00:13:35,190 --> 00:13:32,959

kind of thing and then the rebellious

351
00:13:37,030 --> 00:13:35,200
teenager you know you're doing drugs out

352
00:13:39,350 --> 00:13:37,040
in the woods with your friends

353
00:13:41,350 --> 00:13:39,360
and yeah yeah and all that stuff and and

354
00:13:44,550 --> 00:13:41,360
that's a story that gets repeated over

355
00:13:46,150 --> 00:13:44,560
and over again and you know yeah yeah

356
00:13:49,430 --> 00:13:46,160
one of the things we might explore and

357
00:13:52,629 --> 00:13:49,440
throw out here is to what extent uh

358
00:13:55,350 --> 00:13:52,639
christianity plays into that because

359
00:13:58,470 --> 00:13:55,360
then we see the you know sin and

360
00:14:00,230 --> 00:13:58,480
redemption and the way oh yeah

361
00:14:02,069 --> 00:14:00,240
because i've seen other people you know

362
00:14:05,030 --> 00:14:02,079
like you know multiple people have a

363
00:14:07,269 --> 00:14:05,040

similar story where maybe they had a

364

00:14:09,750 --> 00:14:07,279

christian uh upbringing then go through

365

00:14:11,829 --> 00:14:09,760

this rebellious period end up you know

366

00:14:14,470 --> 00:14:11,839

experimenting with drugs and crowley and

367

00:14:16,389 --> 00:14:14,480

robert on anton wilson and leary and

368

00:14:19,189 --> 00:14:16,399

lily and all this kind of stuff

369

00:14:20,870 --> 00:14:19,199

and then have kind of uh you know uh

370

00:14:23,350 --> 00:14:20,880

excuse the pun here but have a come to

371

00:14:26,069 --> 00:14:23,360

jesus moment where it's like you know

372

00:14:29,269 --> 00:14:26,079

actually what i was looking for this you

373

00:14:32,949 --> 00:14:29,279

know this spirituality this connection

374

00:14:35,670 --> 00:14:32,959

it was there all along and you know uh

375

00:14:37,590 --> 00:14:35,680

as for me yeah that's i i don't know

376

00:14:39,829 --> 00:14:37,600

it's like i kind of had a realization i

377

00:14:41,990 --> 00:14:39,839

think uh philip k dick helped me a

378

00:14:44,470 --> 00:14:42,000

little bit with that the science fiction

379

00:14:47,509 --> 00:14:44,480

author who is also maybe schizophrenic

380

00:14:49,590 --> 00:14:47,519

and uh definitely agnostic but like you

381

00:14:51,990 --> 00:14:49,600

know i was reading some of his stuff and

382

00:14:53,430 --> 00:14:52,000

uh especially like it was like a speech

383

00:14:55,430 --> 00:14:53,440

he'd given and he was talking about

384

00:14:58,069 --> 00:14:55,440

gnosticism and about how time is an

385

00:15:00,470 --> 00:14:58,079

illusion it's all it's it sounds nutty

386

00:15:03,269 --> 00:15:00,480

but at the same time it was like okay

387

00:15:07,269 --> 00:15:03,279

metaphor or not this makes sense

388

00:15:09,829 --> 00:15:07,279

and like it had that that crazy kooky

389

00:15:12,310 --> 00:15:09,839

psychedelic element to it but at the

390

00:15:15,030 --> 00:15:12,320

same time it was it's christianity at

391

00:15:17,030 --> 00:15:15,040

the same time you know the the this you

392

00:15:20,470 --> 00:15:17,040

know the this ancient warfare between

393

00:15:23,110 --> 00:15:20,480

good and evil etc so for me it kind of

394

00:15:26,389 --> 00:15:23,120

kind of dovetailed back i found and

395

00:15:28,470 --> 00:15:26,399

appreciated christianity more the second

396

00:15:30,069 --> 00:15:28,480

time maybe uh i don't know if that makes

397

00:15:32,629 --> 00:15:30,079

sense i think i think a lot of people

398

00:15:34,230 --> 00:15:32,639

who you know i i've seen this a lot with

399

00:15:36,790 --> 00:15:34,240

people who are raised in a church and

400

00:15:39,110 --> 00:15:36,800

then kind of you know it grows stale for

401
00:15:41,269 --> 00:15:39,120
them and then other people who aren't

402
00:15:43,430 --> 00:15:41,279
raised with religion and then they find

403
00:15:45,430 --> 00:15:43,440
it as an adult and it's just wow they

404
00:15:48,389 --> 00:15:45,440
latch on to it it's this new thing you

405
00:15:50,389 --> 00:15:48,399
know so i i think i got kind of got a

406
00:15:52,629 --> 00:15:50,399
chance to experience that with my little

407
00:15:53,509 --> 00:15:52,639
prodigal trip

408
00:15:55,590 --> 00:15:53,519
well

409
00:15:57,350 --> 00:15:55,600
there's so much there and i can't resist

410
00:15:59,030 --> 00:15:57,360
kind of diving into the christian thing

411
00:16:01,110 --> 00:15:59,040
because it's a big

412
00:16:02,629 --> 00:16:01,120
thing for me lately especially when

413
00:16:04,310 --> 00:16:02,639

we're going to talk about cults and

414

00:16:06,790 --> 00:16:04,320

we're going to talk about all these

415

00:16:08,790 --> 00:16:06,800

different ways of mind control and stuff

416

00:16:11,670 --> 00:16:08,800

like that and i i just

417

00:16:14,069 --> 00:16:11,680

i don't want to a priori leave

418

00:16:16,069 --> 00:16:14,079

christianity off the table there because

419

00:16:17,990 --> 00:16:16,079

i think that's where it belongs i don't

420

00:16:20,150 --> 00:16:18,000

force anyone else to believe that but i

421

00:16:23,269 --> 00:16:20,160

think historically you know the

422

00:16:25,829 --> 00:16:23,279

historical accounts of jesus

423

00:16:27,269 --> 00:16:25,839

fall into the category of a roman psyop

424

00:16:29,269 --> 00:16:27,279

and i think the evidence of that it's

425

00:16:31,829 --> 00:16:29,279

highly dependent on josephus and

426

00:16:33,670 --> 00:16:31,839

josephus is clearly an agent for the

427

00:16:36,710 --> 00:16:33,680

romans and this is like the with with

428

00:16:37,829 --> 00:16:36,720

panthera and the idea that mary was

429

00:16:39,829 --> 00:16:37,839

possibly

430

00:16:41,990 --> 00:16:39,839

or is that related to anything no no

431

00:16:44,710 --> 00:16:42,000

it's really related to just like do you

432

00:16:46,389 --> 00:16:44,720

know uh we're gonna go off on a tangent

433

00:16:50,710 --> 00:16:46,399

here but that's fine do you know who

434

00:16:54,790 --> 00:16:50,720

josephus is the historian yeah yeah yes

435

00:16:57,509 --> 00:16:54,800

so uh josephus is the guy he's in judea

436

00:17:00,629 --> 00:16:57,519

he's jewish right around the end

437

00:17:01,990 --> 00:17:00,639

yeah and he's a general and uh

438

00:17:02,829 --> 00:17:02,000

this is

439

00:17:05,189 --> 00:17:02,839

most

440

00:17:07,750 --> 00:17:05,199

historians who are writing of this

441

00:17:10,309 --> 00:17:07,760

period are relying on the works of

442

00:17:15,029 --> 00:17:10,319

josephus the works of josephus they'll

443

00:17:17,429 --> 00:17:15,039

admit are flawed because josephus is

444

00:17:18,710 --> 00:17:17,439

a proven liar he's proven liar in his

445

00:17:21,990 --> 00:17:18,720

own works

446

00:17:24,309 --> 00:17:22,000

he claims to be the greatest jewish

447

00:17:26,470 --> 00:17:24,319

you know teacher and knower and have

448

00:17:28,470 --> 00:17:26,480

completed all the

449

00:17:30,710 --> 00:17:28,480

wisdom traditions of his

450

00:17:32,549 --> 00:17:30,720

various three sects by the time he's 14.

451

00:17:34,950 --> 00:17:32,559

it just doesn't add up in a number of

452

00:17:36,950 --> 00:17:34,960

ways the things that he's saying sounds

453

00:17:39,029 --> 00:17:36,960

like I ron hubbard's background i did

454

00:17:40,789 --> 00:17:39,039

everything by the time i was 14 and now

455

00:17:43,110 --> 00:17:40,799

i'm writing the book on it

456

00:17:44,710 --> 00:17:43,120

yeah

457

00:17:47,029 --> 00:17:44,720

and it's so many people you know james

458

00:17:49,270 --> 00:17:47,039

randy also has that element you know

459

00:17:52,549 --> 00:17:49,280

they gave me a special they gave me a

460

00:17:55,190 --> 00:17:52,559

special pass at the library because i

461

00:17:57,750 --> 00:17:55,200

was so skifted and knowledgeable but

462

00:17:59,430 --> 00:17:57,760

that's a totally total other story the

463

00:18:00,549 --> 00:17:59,440

thing about josephus and people listen

464

00:18:02,950 --> 00:18:00,559

to this show all the time kind of get

465

00:18:05,990 --> 00:18:02,960

tired of me hammering on it but there's

466

00:18:08,549 --> 00:18:06,000

actually a quote that you can pull up

467

00:18:10,310 --> 00:18:08,559

and now i can't i'm not going to pull up

468

00:18:12,470 --> 00:18:10,320

that quote i always pull up the quote

469

00:18:13,430 --> 00:18:12,480

but it's right out of josephus's work

470

00:18:17,110 --> 00:18:13,440

and

471

00:18:18,470 --> 00:18:17,120

it is when vespasian who is

472

00:18:23,909 --> 00:18:18,480

the roman

473

00:18:24,950 --> 00:18:23,919

he's vying for that roman caesar kind of

474

00:18:26,789 --> 00:18:24,960

position

475

00:18:29,430 --> 00:18:26,799

and he uses

476
00:18:31,430 --> 00:18:29,440
josephus he turns josephus he comes and

477
00:18:35,029 --> 00:18:31,440
lands in galilee and he defeats him in

478
00:18:37,110 --> 00:18:35,039
battle and what i suspect happens

479
00:18:38,950 --> 00:18:37,120
contrary to the conventional

480
00:18:42,070 --> 00:18:38,960
conventional history is

481
00:18:44,310 --> 00:18:42,080
that josephus and 40 men lock themselves

482
00:18:46,230 --> 00:18:44,320
in a or barricade themselves in a cave

483
00:18:48,470 --> 00:18:46,240
and they commence with committing

484
00:18:50,549 --> 00:18:48,480
suicide in this kind of round-robin

485
00:18:53,669 --> 00:18:50,559
fashion until it gets down to just

486
00:18:56,310 --> 00:18:53,679
josephus and this other guy and then

487
00:18:58,150 --> 00:18:56,320
wouldn't you know he has a revelation

488
00:19:01,029 --> 00:18:58,160

and he says you know what maybe we

489

00:19:03,350 --> 00:19:01,039

shouldn't do this and i'm going to turn

490

00:19:04,710 --> 00:19:03,360

myself in and

491

00:19:07,190 --> 00:19:04,720

the reason they had to do the ronald

492

00:19:09,350 --> 00:19:07,200

robin thing was because jewish law said

493

00:19:11,430 --> 00:19:09,360

you can't kill yourself because he kills

494

00:19:14,549 --> 00:19:11,440

again the kind of classic kind of crazy

495

00:19:18,950 --> 00:19:14,559

i got you yeah yeah like so legalistic

496

00:19:20,150 --> 00:19:18,960

but it's got to be just so yeah exactly

497

00:19:23,590 --> 00:19:20,160

so

498

00:19:26,390 --> 00:19:23,600

he goes to vespasian and now

499

00:19:27,750 --> 00:19:26,400

he has this this is the conventional

500

00:19:29,430 --> 00:19:27,760

history which is something that's so

501
00:19:31,590 --> 00:19:29,440
interesting to me about history how they

502
00:19:33,270 --> 00:19:31,600
can completely fly off in a different

503
00:19:36,549 --> 00:19:33,280
direction in terms of psychic

504
00:19:39,750 --> 00:19:36,559
precognition precognitive uh of

505
00:19:41,430 --> 00:19:39,760
prophecy is okay at this part of history

506
00:19:43,190 --> 00:19:41,440
and then in other places you know they

507
00:19:44,950 --> 00:19:43,200
wouldn't do it but i digress again

508
00:19:46,630 --> 00:19:44,960
because what josephus does he goes to

509
00:19:48,950 --> 00:19:46,640
vistaphase and he goes

510
00:19:52,230 --> 00:19:48,960
i have a vision you are going to be

511
00:19:54,470 --> 00:19:52,240
caesar and he goes what he goes yes i

512
00:19:57,590 --> 00:19:54,480
have a vision you're gonna be caesar and

513
00:20:01,190 --> 00:19:57,600

he goes keep this guy around don't cut

514

00:20:04,149 --> 00:20:01,200

off his head like we have everybody else

515

00:20:07,510 --> 00:20:04,159

somehow because he says this which is a

516

00:20:08,870 --> 00:20:07,520

completely absurd idea but we let those

517

00:20:10,470 --> 00:20:08,880

things slip through history because they

518

00:20:11,909 --> 00:20:10,480

repeat it over and over again what

519

00:20:15,110 --> 00:20:11,919

really happened with josephus is

520

00:20:17,830 --> 00:20:15,120

josephus knew where the [h__\h] in gold and

521

00:20:20,549 --> 00:20:17,840

silver was buried at the temple and he

522

00:20:22,950 --> 00:20:20,559

cut a deal with the spazian and said

523

00:20:24,710 --> 00:20:22,960

look kill me and you'll never get to it

524

00:20:26,310 --> 00:20:24,720

because look at the dead sea scrolls of

525

00:20:29,830 --> 00:20:26,320

today and it's a treasure map and it

526

00:20:32,149 --> 00:20:29,840

says go 200 feet from this 20 feet down

527

00:20:35,590 --> 00:20:32,159

here's it so that's what really happens

528

00:20:37,110 --> 00:20:35,600

this is the original psyop so then he

529

00:20:38,710 --> 00:20:37,120

becomes the

530

00:20:42,549 --> 00:20:38,720

historian

531

00:20:43,990 --> 00:20:42,559

history but phil

532

00:20:45,590 --> 00:20:44,000

and again this is like one of the most

533

00:20:47,350 --> 00:20:45,600

important stories that no one knows

534

00:20:49,830 --> 00:20:47,360

about

535

00:20:51,830 --> 00:20:49,840

he winds up writing war of the jews

536

00:20:54,310 --> 00:20:51,840

which becomes this kind of fundamental

537

00:20:56,789 --> 00:20:54,320

book for all christian scholars up to

538

00:20:57,990 --> 00:20:56,799

this point and in this book he actually

539

00:21:00,070 --> 00:20:58,000

says

540

00:21:03,190 --> 00:21:00,080

you know one of the things he's writing

541

00:21:05,350 --> 00:21:03,200

what he claims to be history and he's

542

00:21:08,310 --> 00:21:05,360

he's writing it we can't read it with

543

00:21:11,190 --> 00:21:08,320

the with all everything that we know now

544

00:21:13,350 --> 00:21:11,200

we have to read it as if it was at the

545

00:21:15,830 --> 00:21:13,360

time he was writing it because at the

546

00:21:18,870 --> 00:21:15,840

time he was writing it he was trying to

547

00:21:20,149 --> 00:21:18,880

influence people he was trying to do an

548

00:21:22,710 --> 00:21:20,159

operation

549

00:21:25,830 --> 00:21:22,720

and what he says in his writing is

550

00:21:27,270 --> 00:21:25,840

you know what's wrong with these jews

551
00:21:30,950 --> 00:21:27,280
and he's a jew

552
00:21:32,950 --> 00:21:30,960
is that they in their all their books

553
00:21:35,190 --> 00:21:32,960
they had read that

554
00:21:37,669 --> 00:21:35,200
the messiah was going to come

555
00:21:39,909 --> 00:21:37,679
from the soil of israel

556
00:21:43,350 --> 00:21:39,919
and what they didn't realize is this

557
00:21:45,750 --> 00:21:43,360
basian was on the soil of israel when he

558
00:21:48,630 --> 00:21:45,760
became emperor so hey you're laughing

559
00:21:50,549 --> 00:21:48,640
because you get it this is so obvio

560
00:21:51,909 --> 00:21:50,559
obviously this is like a

561
00:21:53,669 --> 00:21:51,919
and and when i talk to people i've

562
00:21:56,630 --> 00:21:53,679
talked to a bunch of pretty valid

563
00:21:58,310 --> 00:21:56,640

historians phds and stuff and they go

564

00:22:00,950 --> 00:21:58,320

yeah but it didn't it didn't work or

565

00:22:03,750 --> 00:22:00,960

that was a silly psyop it's like

566

00:22:05,990 --> 00:22:03,760

oh you you can't say that no that's

567

00:22:07,990 --> 00:22:06,000

that's that that was what i i loved

568

00:22:10,950 --> 00:22:08,000

about the philip k dick thing because

569

00:22:13,029 --> 00:22:10,960

it's the the idea that the roman empire

570

00:22:15,350 --> 00:22:13,039

never died

571

00:22:18,230 --> 00:22:15,360

it just pretended to be

572

00:22:20,310 --> 00:22:18,240

the holy roman empire it's like

573

00:22:23,029 --> 00:22:20,320

all of a sudden it's you know it's the

574

00:22:25,830 --> 00:22:23,039

same folks and it's the same you know

575

00:22:28,870 --> 00:22:25,840

right down to the the all the trappings

576

00:22:31,590 --> 00:22:28,880

of you know a lot of what we consider

577

00:22:33,909 --> 00:22:31,600

you know uh essential to christianity

578

00:22:36,230 --> 00:22:33,919

was shaped by pagan traditions from

579

00:22:38,390 --> 00:22:36,240

where you know we go we we go further

580

00:22:40,549 --> 00:22:38,400

and further out west and we pick up all

581

00:22:43,110 --> 00:22:40,559

these pagan traditions wherever we stop

582

00:22:44,630 --> 00:22:43,120

and we add those to christianity because

583

00:22:46,870 --> 00:22:44,640

it's like uh

584

00:22:50,630 --> 00:22:46,880

it's it's like a layout it fits right

585

00:22:52,870 --> 00:22:50,640

over you know uh the the pagan landscape

586

00:22:55,430 --> 00:22:52,880

almost one-to-one uh kind of

587

00:22:57,029 --> 00:22:55,440

relationship totally so what are we to

588

00:22:58,950 --> 00:22:57,039

make of jesus

589

00:23:02,230 --> 00:22:58,960

that's the question that's the question

590

00:23:04,070 --> 00:23:02,240

as it relates to all this stuff that

591

00:23:06,950 --> 00:23:04,080

we're going to talk about it's as it

592

00:23:09,510 --> 00:23:06,960

relates to satanism as it relates to

593

00:23:12,710 --> 00:23:09,520

west memphis three you know right right

594

00:23:15,270 --> 00:23:12,720

there it was west memphis arkansas but

595

00:23:18,630 --> 00:23:15,280

you know it's the kids walking around

596

00:23:20,630 --> 00:23:18,640

with the satanic panic shirts on and the

597

00:23:22,390 --> 00:23:20,640

rock and roll bands and all that stuff

598

00:23:24,149 --> 00:23:22,400

and everyone going oh that's just

599

00:23:26,390 --> 00:23:24,159

ridiculous and then people the

600

00:23:28,789 --> 00:23:26,400

christians saying no that's satan and

601
00:23:30,149 --> 00:23:28,799
look right here in my bible how do we

602
00:23:33,270 --> 00:23:30,159
resolve

603
00:23:35,510 --> 00:23:33,280
those two extremes that

604
00:23:38,630 --> 00:23:35,520
we're going to have to find some

605
00:23:40,789 --> 00:23:38,640
resolution for but if the historical

606
00:23:42,710 --> 00:23:40,799
jesus doesn't hold up and i would

607
00:23:46,470 --> 00:23:42,720
maintain i'm sorry for the long long

608
00:23:48,230 --> 00:23:46,480
story historical jesus doesn't hold up

609
00:23:50,470 --> 00:23:48,240
what does hold up is christ

610
00:23:53,190 --> 00:23:50,480
consciousness that in some way we don't

611
00:23:54,630 --> 00:23:53,200
understand you can connect with some

612
00:23:57,590 --> 00:23:54,640
divinity

613
00:23:59,669 --> 00:23:57,600

and that may connect with or unders you

614

00:24:01,990 --> 00:23:59,679

may understand it to be

615

00:24:04,630 --> 00:24:02,000

jesus it may present itself to be jesus

616

00:24:07,350 --> 00:24:04,640

who cares the point is it's going to try

617

00:24:08,870 --> 00:24:07,360

and lead you towards the light

618

00:24:10,870 --> 00:24:08,880

and there's this other force that's

619

00:24:12,870 --> 00:24:10,880

going to try and lead you towards the

620

00:24:15,350 --> 00:24:12,880

dark and

621

00:24:18,470 --> 00:24:15,360

i think we need to sort that out a

622

00:24:20,149 --> 00:24:18,480

little bit better than we have been if

623

00:24:22,710 --> 00:24:20,159

we're really going to get to the bottom

624

00:24:24,950 --> 00:24:22,720

of this what what i'm really jumping

625

00:24:28,310 --> 00:24:24,960

into the deep waters but are you wearing

626

00:24:31,029 --> 00:24:28,320

this as far as the idea of you know

627

00:24:32,549 --> 00:24:31,039

even religion as a whole being a psyop

628

00:24:35,350 --> 00:24:32,559

to some extent

629

00:24:36,630 --> 00:24:35,360

i think that it's possible to be

630

00:24:39,990 --> 00:24:36,640

religious

631

00:24:43,269 --> 00:24:40,000

and to also agree that yes on the whole

632

00:24:46,070 --> 00:24:43,279

if you just take history you know just

633

00:24:48,789 --> 00:24:46,080

look at history and see it as it's

634

00:24:52,549 --> 00:24:48,799

shaped down down the millennia through

635

00:24:55,190 --> 00:24:52,559

eon to eon yes absolutely religion and

636

00:24:56,310 --> 00:24:55,200

culture you know uh

637

00:24:59,029 --> 00:24:56,320

culture

638

00:25:01,350 --> 00:24:59,039

is downstream of religion you know

639

00:25:03,990 --> 00:25:01,360

religion shapes the culture which shapes

640

00:25:05,669 --> 00:25:04,000

the society which shapes the individual

641

00:25:07,750 --> 00:25:05,679

and uh

642

00:25:09,990 --> 00:25:07,760

and as a result and i think there is

643

00:25:12,549 --> 00:25:10,000

something to religion though i also

644

00:25:14,710 --> 00:25:12,559

believe that even if it's just good for

645

00:25:16,390 --> 00:25:14,720

me like one of the one of the questions

646

00:25:19,350 --> 00:25:16,400

in here you know even if it's just good

647

00:25:21,750 --> 00:25:19,360

for me and a few hundred million others

648

00:25:24,710 --> 00:25:21,760

on earth i think it's worthwhile thing

649

00:25:26,789 --> 00:25:24,720

you know and and i also technically

650

00:25:29,430 --> 00:25:26,799

believe i think that religion can be

651
00:25:31,029 --> 00:25:29,440
good for you regardless of the religion

652
00:25:33,510 --> 00:25:31,039
for the most part i think that most

653
00:25:35,190 --> 00:25:33,520
religions have a lot of the same basic

654
00:25:36,870 --> 00:25:35,200
you know morality

655
00:25:40,549 --> 00:25:36,880
and uh

656
00:25:43,430 --> 00:25:40,559
but at the same time it's so easy to uh

657
00:25:47,350 --> 00:25:43,440
you know take religious belief and you

658
00:25:49,909 --> 00:25:47,360
know uh subvert and pervert that and it

659
00:25:52,549 --> 00:25:49,919
that and if that's done over and over

660
00:25:56,870 --> 00:25:52,559
again that's i i you know

661
00:25:59,990 --> 00:25:56,880
uh i was raised in uh around organized

662
00:26:02,789 --> 00:26:00,000
religion but now i'm not so much uh a

663
00:26:05,110 --> 00:26:02,799

fan um you know or even right down to

664

00:26:07,510 --> 00:26:05,120

the the council of nicaea you know i i

665

00:26:09,510 --> 00:26:07,520

don't know i don't know that if

666

00:26:11,590 --> 00:26:09,520

if if if everything that's in the

667

00:26:14,630 --> 00:26:11,600

council of nicaea you know the great

668

00:26:15,590 --> 00:26:14,640

khan of 300 a.d or 130 a.d or whatever

669

00:26:17,430 --> 00:26:15,600

it was

670

00:26:20,470 --> 00:26:17,440

i i don't know if that's absolutely

671

00:26:23,029 --> 00:26:20,480

vital i think honestly when it comes to

672

00:26:24,549 --> 00:26:23,039

like christianity per se it's about the

673

00:26:25,830 --> 00:26:24,559

words in red

674

00:26:28,950 --> 00:26:25,840

which

675

00:26:31,750 --> 00:26:28,960

is about you know forgiveness and love

676
00:26:32,710 --> 00:26:31,760
and a way to live your life uh

677
00:26:38,390 --> 00:26:32,720
you know

678
00:26:40,390 --> 00:26:38,400
just christianity

679
00:26:43,190 --> 00:26:40,400
you just the same thing happens with

680
00:26:46,149 --> 00:26:43,200
hinduism to buddhism and you know you

681
00:26:49,190 --> 00:26:46,159
can even have judaism then branches into

682
00:26:52,070 --> 00:26:49,200
christianity and then islam as well but

683
00:26:55,350 --> 00:26:52,080
like it's it's the same basic morality

684
00:26:57,909 --> 00:26:55,360
in the the 1.0 version is often a little

685
00:26:59,830 --> 00:26:57,919
harsher because it came about thousands

686
00:27:02,230 --> 00:26:59,840
of years earlier when you had to beat

687
00:27:04,549 --> 00:27:02,240
somebody over the head with a club to

688
00:27:05,430 --> 00:27:04,559

get them to understand no we don't kill

689

00:27:08,390 --> 00:27:05,440

people

690

00:27:10,470 --> 00:27:08,400

i'm gonna you know i'm gonna club this

691

00:27:12,710 --> 00:27:10,480

into your head you don't kill people you

692

00:27:15,269 --> 00:27:12,720

don't steal don't take your neighbor's

693

00:27:18,830 --> 00:27:15,279

wife you know just this basic morality

694

00:27:21,510 --> 00:27:18,840

stuff that most everybody agrees on

695

00:27:23,830 --> 00:27:21,520

um uh but yeah

696

00:27:25,350 --> 00:27:23,840

then when the second the the 2.0

697

00:27:29,029 --> 00:27:25,360

versions come along you know you got

698

00:27:31,510 --> 00:27:29,039

christianity islam uh buddhism i think i

699

00:27:33,510 --> 00:27:31,520

think there is uh uh there's something

700

00:27:34,789 --> 00:27:33,520

in all of them that kind of refines what

701
00:27:40,230 --> 00:27:34,799
came before

702
00:27:42,230 --> 00:27:40,240
necessary like foundational rules or

703
00:27:44,870 --> 00:27:42,240
whatever and a lot of stuff that was

704
00:27:46,549 --> 00:27:44,880
probably you know a lot of the leviticus

705
00:27:49,909 --> 00:27:46,559
stuff and a lot of the stuff that you

706
00:27:51,909 --> 00:27:49,919
find in like uh hinduism or whatever i

707
00:27:54,870 --> 00:27:51,919
think a lot of that was situational

708
00:27:58,230 --> 00:27:54,880
stuff like you know it was a good idea

709
00:28:00,470 --> 00:27:58,240
at the time and place to do this and

710
00:28:03,430 --> 00:28:00,480
then it just became written in stone

711
00:28:05,750 --> 00:28:03,440
right uh but it's the words in red which

712
00:28:07,669 --> 00:28:05,760
is you know because that that the idea

713
00:28:10,630 --> 00:28:07,679

for me is that religion the reason why

714

00:28:12,630 --> 00:28:10,640

it's so easy to subvert and pervert you

715

00:28:15,029 --> 00:28:12,640

know is because

716

00:28:16,710 --> 00:28:15,039

it it's it's so vital and it's it's the

717

00:28:19,269 --> 00:28:16,720

battle between good and evil so it's

718

00:28:23,029 --> 00:28:19,279

easy to get people wound up over that

719

00:28:25,190 --> 00:28:23,039

kind of thinking and you know uh

720

00:28:26,950 --> 00:28:25,200

politics you know i forgot who said it

721

00:28:29,430 --> 00:28:26,960

but you know about how politics and

722

00:28:32,389 --> 00:28:29,440

religion kind of like christianity and

723

00:28:33,990 --> 00:28:32,399

rock music you know like uh they should

724

00:28:36,870 --> 00:28:34,000

pretty much stick to their own sphere

725

00:28:39,990 --> 00:28:36,880

because whenever they try to mix uh they

726

00:28:42,789 --> 00:28:40,000

ruin each other so yeah i i think that

727

00:28:45,029 --> 00:28:42,799

uh you know the the basic essence of

728

00:28:47,110 --> 00:28:45,039

christianity is what's important

729

00:28:49,590 --> 00:28:47,120

uh and

730

00:28:51,990 --> 00:28:49,600

but unfortunately yeah like yeah

731

00:28:54,389 --> 00:28:52,000

absolutely i've seen you know uh

732

00:28:57,350 --> 00:28:54,399

christianity especially in the last in

733

00:28:59,029 --> 00:28:57,360

the last 2000 years it's it's

734

00:29:01,430 --> 00:28:59,039

for most of the last two thousand years

735

00:29:04,870 --> 00:29:01,440

it's been one of the most important

736

00:29:06,950 --> 00:29:04,880

factors guiding western culture and

737

00:29:09,029 --> 00:29:06,960

civilization like just in the last

738

00:29:11,830 --> 00:29:09,039

couple thousand years and it's on the

739

00:29:13,590 --> 00:29:11,840

wane i'd say like absolutely you know

740

00:29:15,350 --> 00:29:13,600

like i said it really does it comes down

741

00:29:18,070 --> 00:29:15,360

to the words in red that's the important

742

00:29:19,669 --> 00:29:18,080

stuff the rest of it it's you know

743

00:29:21,430 --> 00:29:19,679

uh

744

00:29:22,710 --> 00:29:21,440

like there's a hundred thousand rules in

745

00:29:25,750 --> 00:29:22,720

every religion

746

00:29:28,630 --> 00:29:25,760

but i think you know if if you lose the

747

00:29:31,029 --> 00:29:28,640

message that's to me like you know what

748

00:29:33,350 --> 00:29:31,039

makes uh jesus so important is like he

749

00:29:36,230 --> 00:29:33,360

came he came along basically pointing

750

00:29:38,230 --> 00:29:36,240

out like no you can follow all the rules

751

00:29:40,070 --> 00:29:38,240

but the rules are just pointing towards

752

00:29:42,149 --> 00:29:40,080

kind of like the the bruce lee quote

753

00:29:42,950 --> 00:29:42,159

about the finger and the moon you know

754

00:29:45,029 --> 00:29:42,960

uh

755

00:29:47,909 --> 00:29:45,039

you don't look at the finger or you miss

756

00:29:51,510 --> 00:29:47,919

all the uh heavenly glory the rules are

757

00:29:53,110 --> 00:29:51,520

the finger pointing towards goodness and

758

00:29:55,990 --> 00:29:53,120

righteousness whatever you want to call

759

00:29:57,269 --> 00:29:56,000

it spirituality whatever uh however you

760

00:29:58,789 --> 00:29:57,279

would put that

761

00:30:00,389 --> 00:29:58,799

but here's the thing i i think we're

762

00:30:02,549 --> 00:30:00,399

going to return to

763

00:30:05,029 --> 00:30:02,559

that topic again and again because i

764

00:30:07,510 --> 00:30:05,039

think it relates back to this story that

765

00:30:11,110 --> 00:30:07,520

you wrote which is excellent back about

766

00:30:13,029 --> 00:30:11,120

your past and about exorcism and about

767

00:30:15,269 --> 00:30:13,039

what that means but i think it also

768

00:30:17,590 --> 00:30:15,279

relates in some important ways to your

769

00:30:18,710 --> 00:30:17,600

work the book that you're probably best

770

00:30:20,389 --> 00:30:18,720

known for

771

00:30:21,990 --> 00:30:20,399

pedogate primer the politics of

772

00:30:23,350 --> 00:30:22,000

pedophilia you've done some excellent

773

00:30:26,230 --> 00:30:23,360

interviews on this

774

00:30:28,789 --> 00:30:26,240

and the reason i went in that long what

775

00:30:31,750 --> 00:30:28,799

sounds like a tangent is

776

00:30:35,110 --> 00:30:31,760

what we're trying to understand here

777

00:30:38,149 --> 00:30:35,120

is something beyond the politics of

778

00:30:40,470 --> 00:30:38,159

pedophilia so i commend you for even

779

00:30:43,190 --> 00:30:40,480

taking it there because you know if we

780

00:30:45,029 --> 00:30:43,200

look at it from a psychology

781

00:30:47,830 --> 00:30:45,039

standpoint where they've tried to take

782

00:30:50,389 --> 00:30:47,840

this with the false memory syndrome and

783

00:30:52,870 --> 00:30:50,399

and it's not just that weird

784

00:30:55,350 --> 00:30:52,880

organization that very very dark

785

00:30:59,190 --> 00:30:55,360

organization that you've uncovered but

786

00:31:01,110 --> 00:30:59,200

it's academia and modern psychology and

787

00:31:04,149 --> 00:31:01,120

psychiatry which is behind that whole

788

00:31:06,310 --> 00:31:04,159

thing which would say don't don't push

789

00:31:09,110 --> 00:31:06,320

these people you give me a new term the

790

00:31:11,029 --> 00:31:09,120

other day mine are attracted persons

791

00:31:13,990 --> 00:31:11,039

they're naps yeah

792

00:31:16,070 --> 00:31:14,000

they're not criminals who are committing

793

00:31:18,789 --> 00:31:16,080

sex crimes against children raping

794

00:31:21,029 --> 00:31:18,799

children no no no they're minor

795

00:31:23,269 --> 00:31:21,039

attracted people we're going to put them

796

00:31:25,990 --> 00:31:23,279

in as another letter in our alphabet

797

00:31:29,190 --> 00:31:26,000

soup here my point is until we

798

00:31:31,029 --> 00:31:29,200

understand some of that spiritual stuff

799

00:31:33,669 --> 00:31:31,039

until we're willing to go there because

800

00:31:36,070 --> 00:31:33,679

the first step we have to go is okay

801
00:31:38,070 --> 00:31:36,080
psychology is [h__h] it's been

802
00:31:40,070 --> 00:31:38,080
engineered to promote a certain

803
00:31:42,389 --> 00:31:40,080
viewpoint and then we look at the

804
00:31:44,549 --> 00:31:42,399
political which is where you're willing

805
00:31:46,630 --> 00:31:44,559
to take us is this a brownstone

806
00:31:49,350 --> 00:31:46,640
operation is it a human compromise

807
00:31:50,710 --> 00:31:49,360
operation yes it is but then the third

808
00:31:53,190 --> 00:31:50,720
layer is

809
00:31:55,830 --> 00:31:53,200
is it evil in some way that we don't

810
00:31:58,310 --> 00:31:55,840
normally talk about so i've laid a lot

811
00:32:00,710 --> 00:31:58,320
out there but tell me what you think i i

812
00:32:02,389 --> 00:32:00,720
almost hint to that in i guess in the

813
00:32:03,990 --> 00:32:02,399

first chapter where i talk about like

814

00:32:05,990 --> 00:32:04,000

the cleveland street scandal and i

815

00:32:08,710 --> 00:32:06,000

talked a little bit about you know lewis

816

00:32:10,470 --> 00:32:08,720

carroll charles lutwidge dodson better

817

00:32:13,029 --> 00:32:10,480

known as lewis carroll the author of

818

00:32:14,870 --> 00:32:13,039

alice's adventures in wonderland and uh

819

00:32:18,230 --> 00:32:14,880

talk about jay and barry the author of

820

00:32:20,149 --> 00:32:18,240

peter pan uh which sadly you know for

821

00:32:22,389 --> 00:32:20,159

anybody who wasn't aware

822

00:32:25,350 --> 00:32:22,399

sadly they are both most likely

823

00:32:27,430 --> 00:32:25,360

pedophiles that really sucks you know

824

00:32:30,389 --> 00:32:27,440

like literally one of my favorite

825

00:32:31,350 --> 00:32:30,399

children's authors is lewis carroll and

826
00:32:32,389 --> 00:32:31,360
you know

827
00:32:33,190 --> 00:32:32,399
uh

828
00:32:35,990 --> 00:32:33,200
yeah

829
00:32:38,630 --> 00:32:36,000
there's no evidence that they physically

830
00:32:41,669 --> 00:32:38,640
uh you know sexually abused any children

831
00:32:44,389 --> 00:32:41,679
ever though they did you know it wasn't

832
00:32:47,110 --> 00:32:44,399
even an odd thing at the time and and

833
00:32:50,070 --> 00:32:47,120
you know the weird repressed victorian

834
00:32:52,630 --> 00:32:50,080
era uh for whatever reason you you know

835
00:32:55,750 --> 00:32:52,640
you couldn't show the legs on a chair

836
00:32:57,669 --> 00:32:55,760
but having you know an 11 year old girl

837
00:32:59,350 --> 00:32:57,679
nude and taking pictures of her from

838
00:33:01,830 --> 00:32:59,360

every angle that was okay for some

839

00:33:03,350 --> 00:33:01,840

reason but yeah i believe that this is

840

00:33:05,590 --> 00:33:03,360

something that goes back further than

841

00:33:07,830 --> 00:33:05,600

the cleveland uh street scandal i do

842

00:33:10,230 --> 00:33:07,840

believe that um

843

00:33:12,870 --> 00:33:10,240

you know uh i was talking to somebody

844

00:33:15,110 --> 00:33:12,880

who shared with me uh the hunter s

845

00:33:17,269 --> 00:33:15,120

thompson the the opening to

846

00:33:19,669 --> 00:33:17,279

uh his collection of essays hey rube

847

00:33:22,470 --> 00:33:19,679

where he's talking about how old

848

00:33:25,750 --> 00:33:22,480

uh human sacrifice and child sacrifice

849

00:33:27,669 --> 00:33:25,760

is and how it's there's always been a

850

00:33:31,190 --> 00:33:27,679

lot of that that goes around

851
00:33:33,190 --> 00:33:31,200
in autumn in winter months you know and

852
00:33:35,430 --> 00:33:33,200
i think part of that probably goes back

853
00:33:36,389 --> 00:33:35,440
to the idea that especially in the you

854
00:33:38,710 --> 00:33:36,399
know the

855
00:33:41,830 --> 00:33:38,720
uh the the northern hemisphere and the

856
00:33:43,509 --> 00:33:41,840
western hemisphere you know uh when all

857
00:33:45,430 --> 00:33:43,519
the trees died

858
00:33:48,230 --> 00:33:45,440
people you know ancient people freaked

859
00:33:51,110 --> 00:33:48,240
out and they were they were scared that

860
00:33:52,870 --> 00:33:51,120
if they didn't do certain things um you

861
00:33:54,470 --> 00:33:52,880
know the the lights would never come

862
00:33:56,710 --> 00:33:54,480
back on the heat would never come back

863
00:33:59,830 --> 00:33:56,720

on the trees wouldn't uh bear fruit

864

00:34:02,630 --> 00:33:59,840

anymore and you know uh all over the

865

00:34:04,870 --> 00:34:02,640

world all these different cultures uh

866

00:34:07,909 --> 00:34:04,880

would sometimes do human sacrifice

867

00:34:09,829 --> 00:34:07,919

sometimes child sacrifice and a lot of

868

00:34:12,550 --> 00:34:09,839

this stuff was done in secret in these

869

00:34:16,069 --> 00:34:12,560

cult you know uh mystery religions or

870

00:34:18,950 --> 00:34:16,079

cults and a lot of uh the you know

871

00:34:21,030 --> 00:34:18,960

modern secret societies you know the the

872

00:34:24,710 --> 00:34:21,040

whole of like

873

00:34:27,669 --> 00:34:24,720

you know 16th to 20th and 21st century

874

00:34:31,030 --> 00:34:27,679

secret societies is the story of a group

875

00:34:33,669 --> 00:34:31,040

saying hey you know the original mystery

876

00:34:35,349 --> 00:34:33,679

school or secret religion that was us

877

00:34:38,310 --> 00:34:35,359

too you know and whether they're

878

00:34:41,190 --> 00:34:38,320

actually connected they always have like

879

00:34:43,510 --> 00:34:41,200

you know this this long uh you know kind

880

00:34:45,589 --> 00:34:43,520

of uh you know

881

00:34:48,790 --> 00:34:45,599

uh uh you know

882

00:34:50,790 --> 00:34:48,800

history of you know their their pedigree

883

00:34:53,909 --> 00:34:50,800

or whatever um

884

00:34:55,669 --> 00:34:53,919

and and yeah whether or not they're um

885

00:34:58,150 --> 00:34:55,679

you know just picking up elements and

886

00:34:59,750 --> 00:34:58,160

and i think that in a lot of cases uh

887

00:35:02,790 --> 00:34:59,760

like a lot of people who are members of

888

00:35:05,670 --> 00:35:02,800

the skull and bones or whatever um

889

00:35:08,550 --> 00:35:05,680

like yeah i believe that it's tied to a

890

00:35:09,990 --> 00:35:08,560

you know i guess a luciferian philosophy

891

00:35:12,550 --> 00:35:10,000

which you know it's the same kind of

892

00:35:15,430 --> 00:35:12,560

thing you get in some some of the upper

893

00:35:16,710 --> 00:35:15,440

degrees of freemasonry uh but at the

894

00:35:17,670 --> 00:35:16,720

same time

895

00:35:19,510 --> 00:35:17,680

you know

896

00:35:21,430 --> 00:35:19,520

i think that a lot of the people who are

897

00:35:23,750 --> 00:35:21,440

members of these secret societies aren't

898

00:35:25,990 --> 00:35:23,760

what you would call true believers

899

00:35:28,950 --> 00:35:26,000

and then a lot of the true believers

900

00:35:30,470 --> 00:35:28,960

aren't members of x y and z secret

901
00:35:33,270 --> 00:35:30,480
society are cult

902
00:35:35,190 --> 00:35:33,280
uh but yeah i do believe that there's

903
00:35:37,430 --> 00:35:35,200
you know uh

904
00:35:39,910 --> 00:35:37,440
some kind of you know

905
00:35:45,829 --> 00:35:39,920
dark traditions that for whatever

906
00:35:48,310 --> 00:35:45,839
reasons uh you know i i like the

907
00:35:51,030 --> 00:35:48,320
fraternity hazing rituals you know

908
00:35:53,270 --> 00:35:51,040
that's that's a form of trauma-based

909
00:35:55,510 --> 00:35:53,280
mind control basically i mean that's

910
00:35:56,950 --> 00:35:55,520
literally what it is like it's the same

911
00:36:00,470 --> 00:35:56,960
kind of thing that goes on in basic

912
00:36:04,630 --> 00:36:00,480
training you know you uh you you uh ha

913
00:36:07,190 --> 00:36:04,640

ha you abuse and break down and rebuild

914

00:36:10,230 --> 00:36:07,200

and re-sculpt the psyche that's the the

915

00:36:12,390 --> 00:36:10,240

whole purpose of basic training and the

916

00:36:16,310 --> 00:36:12,400

third degree of freemasonry

917

00:36:19,670 --> 00:36:16,320

and you know uh the fraternity hazing uh

918

00:36:21,670 --> 00:36:19,680

all of it is along the same lines uh and

919

00:36:22,870 --> 00:36:21,680

and yeah i do believe that some of that

920

00:36:24,870 --> 00:36:22,880

comes from

921

00:36:26,950 --> 00:36:24,880

like uh i guess you could call it kind

922

00:36:30,310 --> 00:36:26,960

of like an ancient technology write down

923

00:36:34,470 --> 00:36:30,320

the you know uh and i i also think that

924

00:36:39,349 --> 00:36:34,480

uh art and literature and a lot of times

925

00:36:41,109 --> 00:36:39,359

even the genre stuff you know like uh

926

00:36:43,670 --> 00:36:41,119

whether it's you know kurt vonnegut or

927

00:36:44,870 --> 00:36:43,680

philip k dick or uh

928

00:36:47,430 --> 00:36:44,880

you know

929

00:36:49,430 --> 00:36:47,440

lovecraft i think a lot of times these

930

00:36:51,589 --> 00:36:49,440

guys hoistman's you know i mentioned him

931

00:36:54,390 --> 00:36:51,599

in the book uh i think a lot of times

932

00:36:57,190 --> 00:36:54,400

these guys did kind of encode some

933

00:36:59,829 --> 00:36:57,200

things into their fiction uh because

934

00:37:01,589 --> 00:36:59,839

they couldn't speak plainly about it uh

935

00:37:03,430 --> 00:37:01,599

and you know like lovecraft is

936

00:37:05,910 --> 00:37:03,440

constantly talking about all these cults

937

00:37:08,870 --> 00:37:05,920

and things uh what a lot of people don't

938

00:37:11,349 --> 00:37:08,880

realize is that when lovecraft was

939

00:37:13,910 --> 00:37:11,359

briefly married to sonja greene she was

940

00:37:17,430 --> 00:37:13,920

part of the crowley circle she was an

941

00:37:19,589 --> 00:37:17,440

acolyte you know so when when

942

00:37:22,069 --> 00:37:19,599

when lovecraft is talking about there's

943

00:37:24,470 --> 00:37:22,079

these crazy people and they want to

944

00:37:26,230 --> 00:37:24,480

bring monsters through a hole in the

945

00:37:28,790 --> 00:37:26,240

universe like

946

00:37:29,589 --> 00:37:28,800

that sounds crazy but that's kind of

947

00:37:31,990 --> 00:37:29,599

what

948

00:37:34,630 --> 00:37:32,000

crowley was doing when he was going to

949

00:37:37,430 --> 00:37:34,640

giza in the middle of the night in egypt

950

00:37:39,510 --> 00:37:37,440

and like which once again

951

00:37:41,990 --> 00:37:39,520

uh you know i don't think it's a

952

00:37:43,829 --> 00:37:42,000

coincidence that it's some of these old

953

00:37:47,349 --> 00:37:43,839

money families who were tied to some of

954

00:37:50,310 --> 00:37:47,359

these secret societies who funded sri

955

00:37:52,310 --> 00:37:50,320

and their field trip to giza you know

956

00:37:56,470 --> 00:37:52,320

when when they were doing the the remote

957

00:37:58,550 --> 00:37:56,480

viewing stuff that they also you know uh

958

00:37:59,829 --> 00:37:58,560

did you know did some

959

00:38:02,310 --> 00:37:59,839

kind of

960

00:38:04,870 --> 00:38:02,320

i i don't know i i don't think ritual is

961

00:38:05,750 --> 00:38:04,880

the type the right type of word even

962

00:38:07,910 --> 00:38:05,760

though

963

00:38:09,990 --> 00:38:07,920

like everything i've heard about like

964

00:38:12,470 --> 00:38:10,000

remote viewing and that's a subject i've

965

00:38:14,550 --> 00:38:12,480

been somewhat interested in for

966

00:38:16,790 --> 00:38:14,560

you know a couple of decades now a

967

00:38:17,750 --> 00:38:16,800

little over a couple of decades now

968

00:38:20,550 --> 00:38:17,760

um

969

00:38:23,109 --> 00:38:20,560

it's it's a protocol but what's a

970

00:38:25,589 --> 00:38:23,119

protocol other than a ritual of sorts

971

00:38:27,910 --> 00:38:25,599

you know a ritual when people when you

972

00:38:30,870 --> 00:38:27,920

hear ritual you think you know a cult

973

00:38:34,069 --> 00:38:30,880

ritual or a religious ritual but no i

974

00:38:36,150 --> 00:38:34,079

mean like you know uh i have a ritual of

975

00:38:37,670 --> 00:38:36,160

having a cup of coffee after i wake up

976

00:38:39,670 --> 00:38:37,680

in the morning it's it's something that

977

00:38:41,990 --> 00:38:39,680

i always do it's something that gets me

978

00:38:44,870 --> 00:38:42,000

into a space of mine it's something that

979

00:38:47,589 --> 00:38:44,880

that if i don't do it i'll feel off you

980

00:38:49,750 --> 00:38:47,599

know so yeah i do believe that you know

981

00:38:51,829 --> 00:38:49,760

some of the the the the rights of

982

00:38:54,630 --> 00:38:51,839

elusive for instance the dionysian

983

00:38:55,670 --> 00:38:54,640

rights which are tied with the birth of

984

00:38:59,190 --> 00:38:55,680

you know

985

00:39:01,670 --> 00:38:59,200

like

986

00:39:05,109 --> 00:39:01,680

talk about psyops the the greek

987

00:39:08,710 --> 00:39:05,119

festivals of of dionysus and elusis were

988

00:39:11,990 --> 00:39:08,720

were grand uh public spectacles and in

989

00:39:13,750 --> 00:39:12,000

essence uh a for messiah i don't know i

990

00:39:16,150 --> 00:39:13,760

don't know if psyops the right word for

991

00:39:18,710 --> 00:39:16,160

it because like i think

992

00:39:20,630 --> 00:39:18,720

you know uh what whether that was what

993

00:39:24,630 --> 00:39:20,640

always occurred or not i think that it

994

00:39:27,109 --> 00:39:24,640

was meant as a kind of a positive thing

995

00:39:29,430 --> 00:39:27,119

uh and for social cohesion and all this

996

00:39:30,950 --> 00:39:29,440

kind of thing but at the same time like

997

00:39:32,950 --> 00:39:30,960

that's that's what they're doing at

998

00:39:35,430 --> 00:39:32,960

bohemian grove too that's what they tell

999

00:39:37,270 --> 00:39:35,440

themselves to sleep at night too so you

1000

00:39:39,349 --> 00:39:37,280

know i don't know but yeah i definitely

1001

00:39:42,470 --> 00:39:39,359

believe that uh like you said there's

1002

00:39:45,430 --> 00:39:42,480

there's definitely a layer belong beyond

1003

00:39:49,030 --> 00:39:45,440

politics when you mention psychology you

1004

00:39:52,150 --> 00:39:49,040

know uh you you and cameron for instance

1005

00:39:53,910 --> 00:39:52,160

you know uh i mentioned him in the mk

1006

00:39:56,790 --> 00:39:53,920

ultra chapter the guy that did the

1007

00:39:57,670 --> 00:39:56,800

psychic driving experiments and you know

1008

00:40:01,109 --> 00:39:57,680

the

1009

00:40:02,470 --> 00:40:01,119

as as recently as a couple of years ago

1010

00:40:03,750 --> 00:40:02,480

there are still

1011

00:40:06,230 --> 00:40:03,760

you know they're having to sue the

1012

00:40:09,829 --> 00:40:06,240

institutions now you know the

1013

00:40:12,069 --> 00:40:09,839

uh the the hospitals and the uh and the

1014

00:40:15,510 --> 00:40:12,079

universities uh but there are still

1015

00:40:17,670 --> 00:40:15,520

class action lawsuits going on uh based

1016

00:40:19,510 --> 00:40:17,680

on the the victims of you and cameron

1017

00:40:21,510 --> 00:40:19,520

who went on to become the head of the

1018

00:40:23,750 --> 00:40:21,520

world psychiatric association the

1019

00:40:26,470 --> 00:40:23,760

american psychiatric association the

1020

00:40:27,670 --> 00:40:26,480

canadian psychiatric association you

1021

00:40:30,150 --> 00:40:27,680

know you mentioned the false memory

1022

00:40:33,030 --> 00:40:30,160

syndrome foundation elizabeth loftus's

1023

00:40:35,829 --> 00:40:33,040

name comes up in the hoffman report

1024

00:40:38,069 --> 00:40:35,839

which is related to the role that you

1025

00:40:40,390 --> 00:40:38,079

know some psychologists played and

1026

00:40:43,510 --> 00:40:40,400

potential ethical violations in

1027

00:40:45,589 --> 00:40:43,520

guantanamo bay um

1028

00:40:49,190 --> 00:40:45,599

so you know

1029

00:40:51,510 --> 00:40:49,200

and i do believe that on some level uh a

1030

00:40:53,270 --> 00:40:51,520

lot of this stuff it really is you know

1031

00:40:55,829 --> 00:40:53,280

it's like a web it is kind of all

1032

00:40:58,710 --> 00:40:55,839

connected you got to be careful when you

1033

00:41:00,390 --> 00:40:58,720

connect the dots though because i think

1034

00:41:01,829 --> 00:41:00,400

that a lot

1035

00:41:04,069 --> 00:41:01,839

um you know this is something we were

1036

00:41:05,750 --> 00:41:04,079

talking about too uh in correspondence i

1037

00:41:08,309 --> 00:41:05,760

think i think there's

1038

00:41:10,950 --> 00:41:08,319

sometimes uh you know i think that

1039

00:41:13,510 --> 00:41:10,960

there's bad info put out there by

1040

00:41:14,309 --> 00:41:13,520

certain actors uh you know whether

1041

00:41:17,109 --> 00:41:14,319

they're

1042

00:41:19,030 --> 00:41:17,119

witting or unwitting you know useful

1043

00:41:21,510 --> 00:41:19,040

idiots or paid dis info agents or

1044

00:41:24,870 --> 00:41:21,520

whatever um you know i think you got to

1045

00:41:27,829 --> 00:41:24,880

be really careful um

1046

00:41:31,190 --> 00:41:27,839

what you what you spread you know like

1047

00:41:33,589 --> 00:41:31,200

as for me i'm a bottom feeder like start

1048

00:41:34,470 --> 00:41:33,599

with with the most far out conspiracy

1049

00:41:36,230 --> 00:41:34,480

stuff

1050

00:41:38,790 --> 00:41:36,240

because that's where i'll find something

1051

00:41:40,309 --> 00:41:38,800

new keep checking it check it check it

1052

00:41:42,950 --> 00:41:40,319

against other sources see what kind of

1053

00:41:45,750 --> 00:41:42,960

corroboration you can get but for me

1054

00:41:47,670 --> 00:41:45,760

yeah i try and be like uh really careful

1055

00:41:49,510 --> 00:41:47,680

because you know

1056

00:41:52,390 --> 00:41:49,520

like especially when it comes to stuff

1057

00:41:55,190 --> 00:41:52,400

like institutional child abuse organized

1058

00:41:56,950 --> 00:41:55,200

child abuse uh

1059

00:41:59,910 --> 00:41:56,960

these rings like with the whether it's

1060

00:42:03,190 --> 00:41:59,920

the cleveland street or franklin credit

1061

00:42:06,470 --> 00:42:03,200

union and in boys town in omaha or

1062

00:42:09,349 --> 00:42:06,480

epstein you know it's the same it's the

1063

00:42:11,030 --> 00:42:09,359

same rubric over and over and over again

1064

00:42:13,510 --> 00:42:11,040

yeah there's like a million points to

1065

00:42:15,109 --> 00:42:13,520

jump off on their mk ultra and for

1066

00:42:16,550 --> 00:42:15,119

people who don't know

1067

00:42:17,990 --> 00:42:16,560

you're just going to have to jump in

1068

00:42:19,190 --> 00:42:18,000

there cameron

1069

00:42:21,270 --> 00:42:19,200

interesting

1070

00:42:23,910 --> 00:42:21,280

in all the ways that you said you know

1071

00:42:25,190 --> 00:42:23,920

canadian canada's mengele you know is

1072

00:42:27,750 --> 00:42:25,200

what they say

1073

00:42:29,030 --> 00:42:27,760

just like gottlieb is godly bizarre

1074

00:42:31,990 --> 00:42:29,040

mengele but

1075

00:42:34,150 --> 00:42:32,000

yep as you've documented that you know

1076

00:42:38,230 --> 00:42:34,160

the kinds of experiments that they were

1077

00:42:42,309 --> 00:42:38,240

doing on people are more than just the

1078

00:42:45,109 --> 00:42:42,319

what's become the kind of cartoon tropo

1079

00:42:48,790 --> 00:42:45,119

they gave them lsd at a party when they

1080

00:42:51,750 --> 00:42:48,800

didn't know about it oh they were so bad

1081

00:42:53,990 --> 00:42:51,760

no man they were chaining kids down in

1082

00:42:56,790 --> 00:42:54,000

beds and not letting them and

1083

00:42:58,790 --> 00:42:56,800

sensory deprivation stuff and you know

1084

00:43:01,910 --> 00:42:58,800

you're not allowed to admit yeah exactly

1085

00:43:03,670 --> 00:43:01,920

yeah uh breaking people and breaking

1086

00:43:05,430 --> 00:43:03,680

people and intentionally bringing the

1087

00:43:07,910 --> 00:43:05,440

enormous amount of people who would

1088

00:43:10,710 --> 00:43:07,920

become famous later and whether it's

1089

00:43:13,750 --> 00:43:10,720

guys like ken keezy and leonard cohen or

1090

00:43:16,630 --> 00:43:13,760

whether it's guys like charles manson

1091

00:43:20,230 --> 00:43:16,640

and ted kaczynski because all of them

1092

00:43:21,109 --> 00:43:20,240

famously had close ties with at least

1093

00:43:23,750 --> 00:43:21,119

you know

1094

00:43:26,710 --> 00:43:23,760

some element of mk in in the case of

1095

00:43:29,589 --> 00:43:26,720

charles manson we can't directly tie him

1096

00:43:32,390 --> 00:43:29,599

but i do believe like we know that he

1097

00:43:35,670 --> 00:43:32,400

and the family uh hung out in haiti

1098

00:43:38,630 --> 00:43:35,680

ashbury we know that dr morris jolly and

1099

00:43:42,470 --> 00:43:38,640

west also had the the free clinic at

1100

00:43:44,870 --> 00:43:42,480

haight ashbury um you know i i i

1101
00:43:47,190 --> 00:43:44,880
recently got some uh papers released

1102
00:43:50,790 --> 00:43:47,200
from the the library special collections

1103
00:43:53,349 --> 00:43:50,800
at ucla on dr jolly by the way uh in one

1104
00:43:55,990 --> 00:43:53,359
of them it's the the cult awareness

1105
00:43:58,550 --> 00:43:56,000
network um folder one of the cult

1106
00:44:00,470 --> 00:43:58,560
awareness network folders that i got and

1107
00:44:02,230 --> 00:44:00,480
uh you know it's a fundraising letter

1108
00:44:04,390 --> 00:44:02,240
and dr jolly says something along the

1109
00:44:06,710 --> 00:44:04,400
lines of oh i've worked for years with

1110
00:44:09,910 --> 00:44:06,720
the counterculture and civil rights

1111
00:44:12,309 --> 00:44:09,920
movement oh really dr jolly let's hear

1112
00:44:14,470 --> 00:44:12,319
about your work with the counter culture

1113
00:44:16,710 --> 00:44:14,480

and civil rights i would love to hear

1114

00:44:19,030 --> 00:44:16,720

your work with the counterculture in the

1115

00:44:20,550 --> 00:44:19,040

civil rights movement

1116

00:44:22,230 --> 00:44:20,560

so i don't think we can leave that

1117

00:44:23,910 --> 00:44:22,240

without you telling a little bit of the

1118

00:44:26,550 --> 00:44:23,920

story behind

1119

00:44:28,470 --> 00:44:26,560

dr jolly because it's just critical

1120

00:44:31,030 --> 00:44:28,480

information if people don't know it but

1121

00:44:33,750 --> 00:44:31,040

let's keep it short because i also want

1122

00:44:36,470 --> 00:44:33,760

you to i also want you to tell the story

1123

00:44:40,150 --> 00:44:36,480

if people don't know it about the cult

1124

00:44:41,430 --> 00:44:40,160

awareness network oh right that's such

1125

00:44:43,109 --> 00:44:41,440

that was what that was one of the

1126

00:44:45,990 --> 00:44:43,119

coolest things about this folder but

1127

00:44:48,470 --> 00:44:46,000

yeah so dr jolly uh you know brief

1128

00:44:51,030 --> 00:44:48,480

thumbnail sketch um

1129

00:44:54,150 --> 00:44:51,040

this is a guy that always shows up you

1130

00:44:55,670 --> 00:44:54,160

know whether uh jack ruby uh

1131

00:44:57,750 --> 00:44:55,680

is is

1132

00:44:59,349 --> 00:44:57,760

like before he dies of cancer he starts

1133

00:45:01,109 --> 00:44:59,359

talking about how people are giving him

1134

00:45:02,950 --> 00:45:01,119

strange injections and he thinks they're

1135

00:45:05,030 --> 00:45:02,960

trying to kill him and then he talks to

1136

00:45:08,230 --> 00:45:05,040

dr jolly and he's cured of those

1137

00:45:10,990 --> 00:45:08,240

delusions just like a psychiatrist right

1138

00:45:14,790 --> 00:45:11,000

trained trained psychiatrist cla

1139

00:45:17,349 --> 00:45:14,800

neuropsychiatrist ucla like once again

1140

00:45:20,230 --> 00:45:17,359

you know he's he's got the credentials

1141

00:45:21,990 --> 00:45:20,240

just like dr cameron and and i think in

1142

00:45:25,430 --> 00:45:22,000

a lot of these cases they're propped up

1143

00:45:27,910 --> 00:45:25,440

by the cia and and these families that

1144

00:45:30,309 --> 00:45:27,920

the cia does does a lot of the bidding

1145

00:45:31,990 --> 00:45:30,319

of you know whether it's the uh you know

1146

00:45:34,069 --> 00:45:32,000

the macy's and the melons and the

1147

00:45:35,829 --> 00:45:34,079

rockefellers and it's all these families

1148

00:45:38,950 --> 00:45:35,839

and these foundations over and over and

1149

00:45:42,309 --> 00:45:38,960

over again but yeah dr jolly shows up uh

1150

00:45:44,630 --> 00:45:42,319

with jack ruby and mcvey and uh charles

1151
00:45:47,750 --> 00:45:44,640
manson just over and over and over again

1152
00:45:51,349 --> 00:45:47,760
uh uh also in multiple cases uh during

1153
00:45:53,910 --> 00:45:51,359
the satanic panic of uh you know of

1154
00:45:56,309 --> 00:45:53,920
child abuse daycare scandals that were

1155
00:45:58,069 --> 00:45:56,319
uh you know the the media then

1156
00:46:00,630 --> 00:45:58,079
started calling all that stuff you know

1157
00:46:01,990 --> 00:46:00,640
a moral panic and that it was all just

1158
00:46:03,270 --> 00:46:02,000
so they're going to have to go off and

1159
00:46:04,870 --> 00:46:03,280
read the rest of yourself and listen to

1160
00:46:06,790 --> 00:46:04,880
your stuff to find out more about jolly

1161
00:46:09,349 --> 00:46:06,800
but yeah like if you can't if you can't

1162
00:46:11,430 --> 00:46:09,359
pick up the trail now if you're like no

1163
00:46:13,109 --> 00:46:11,440

give me more forget it you're lost

1164

00:46:15,670 --> 00:46:13,119

you'll never get through this stuff for

1165

00:46:17,589 --> 00:46:15,680

real that is a huge thing we're going to

1166

00:46:19,750 --> 00:46:17,599

talk about it but i think what i just

1167

00:46:21,270 --> 00:46:19,760

said fits into the cult awareness

1168

00:46:23,589 --> 00:46:21,280

network what's the cult awareness yeah

1169

00:46:25,030 --> 00:46:23,599

yeah the the cult awareness network

1170

00:46:26,790 --> 00:46:25,040

started out

1171

00:46:29,109 --> 00:46:26,800

it was uh

1172

00:46:31,589 --> 00:46:29,119

basically sort of uh

1173

00:46:34,470 --> 00:46:31,599

you know i don't know uh a cross between

1174

00:46:37,589 --> 00:46:34,480

like a think tank and a lobbyist group

1175

00:46:39,510 --> 00:46:37,599

and also an activist group uh and a

1176
00:46:40,309 --> 00:46:39,520
non-profit charity right

1177
00:46:42,390 --> 00:46:40,319
uh

1178
00:46:45,190 --> 00:46:42,400
but it also had as member

1179
00:46:47,589 --> 00:46:45,200
uh dr morris jolly and wes who also

1180
00:46:49,750 --> 00:46:47,599
jonesboro you know like when jonesboro

1181
00:46:52,550 --> 00:46:49,760
happened he was called up there like you

1182
00:46:55,190 --> 00:46:52,560
know he'd he'd been called in

1183
00:46:56,790 --> 00:46:55,200
uh on multiple cases regarding colts

1184
00:46:58,950 --> 00:46:56,800
that was one of his specialties

1185
00:47:01,510 --> 00:46:58,960
apparently um

1186
00:47:02,470 --> 00:47:01,520
and you know what

1187
00:47:04,870 --> 00:47:02,480
uh

1188
00:47:06,790 --> 00:47:04,880

the cult awareness network but who comes

1189

00:47:09,109 --> 00:47:06,800

to who comes to own

1190

00:47:11,190 --> 00:47:09,119

the cult awareness network

1191

00:47:13,190 --> 00:47:11,200

the folder i've got it like starts

1192

00:47:16,309 --> 00:47:13,200

around 1992

1193

00:47:18,230 --> 00:47:16,319

so it's like right around the takeover

1194

00:47:20,150 --> 00:47:18,240

the scientologists

1195

00:47:23,349 --> 00:47:20,160

scientologists they had all these like

1196

00:47:24,870 --> 00:47:23,359

you know multiple lawsuits you know it's

1197

00:47:26,309 --> 00:47:24,880

the same kind of thing that they did to

1198

00:47:28,150 --> 00:47:26,319

the irs

1199

00:47:31,109 --> 00:47:28,160

uh where they literally had people

1200

00:47:34,230 --> 00:47:31,119

infiltrating their offices and stealing

1201
00:47:36,390 --> 00:47:34,240
things and you know pretending to be a

1202
00:47:38,390 --> 00:47:36,400
member of the group and then saying

1203
00:47:40,069 --> 00:47:38,400
things to make them look bad and like

1204
00:47:43,750 --> 00:47:40,079
but by the way

1205
00:47:46,390 --> 00:47:43,760
that's classic cia tactics you know like

1206
00:47:48,069 --> 00:47:46,400
classic cia just to make sure we don't

1207
00:47:50,470 --> 00:47:48,079
bury the lead here phil the cult

1208
00:47:53,430 --> 00:47:50,480
awareness network is somewhat of an

1209
00:47:54,790 --> 00:47:53,440
organic genuine organization that is a

1210
00:47:56,950 --> 00:47:54,800
call center if you will people are

1211
00:47:58,549 --> 00:47:56,960
calling in and saying oh my gosh i think

1212
00:48:00,549 --> 00:47:58,559
i'm in a cult what should i do and

1213
00:48:02,950 --> 00:48:00,559

they're giving good information out

1214

00:48:04,549 --> 00:48:02,960

and then all of a sudden and it turns

1215

00:48:07,030 --> 00:48:04,559

right it turns out a lot of people who

1216

00:48:08,710 --> 00:48:07,040

are calling in are saying hey the cult

1217

00:48:12,069 --> 00:48:08,720

that i'm involved with are these

1218

00:48:14,549 --> 00:48:12,079

scientologists so what happens is the

1219

00:48:15,510 --> 00:48:14,559

scientologists buy the cult awareness

1220

00:48:17,109 --> 00:48:15,520

network

1221

00:48:19,349 --> 00:48:17,119

they buy the phone numbers they buy the

1222

00:48:22,069 --> 00:48:19,359

phone bank and now the calls come in and

1223

00:48:23,829 --> 00:48:22,079

they're answering and they go uh-huh uh

1224

00:48:24,710 --> 00:48:23,839

tell me about your problem and then it's

1225

00:48:28,870 --> 00:48:24,720

like

1226

00:48:31,349 --> 00:48:28,880

now they're routed back into

1227

00:48:32,390 --> 00:48:31,359

the you know the the machine of the

1228

00:48:35,349 --> 00:48:32,400

thing so

1229

00:48:36,230 --> 00:48:35,359

and as you said this infiltrate co-op is

1230

00:48:38,549 --> 00:48:36,240

like

1231

00:48:41,750 --> 00:48:38,559

playbook you know blocking and tackling

1232

00:48:43,829 --> 00:48:41,760

for the cia i didn't know that then

1233

00:48:45,750 --> 00:48:43,839

jolly was one of he was probably then

1234

00:48:48,390 --> 00:48:45,760

one of the earliest

1235

00:48:51,990 --> 00:48:48,400

infiltrators huh that was kind of scenic

1236

00:48:52,790 --> 00:48:52,000

i think so maybe yeah and and i don't

1237

00:48:54,630 --> 00:48:52,800

know

1238

00:48:56,790 --> 00:48:54,640

if scientology

1239

00:48:58,470 --> 00:48:56,800

uh you know i i

1240

00:49:01,270 --> 00:48:58,480

one of the few things that i agree with

1241

00:49:03,109 --> 00:49:01,280

scientology uh about l ron hubbard's

1242

00:49:06,069 --> 00:49:03,119

history i do believe that he probably

1243

00:49:08,309 --> 00:49:06,079

worked with intel a bit i i believe that

1244

00:49:10,390 --> 00:49:08,319

he had some involvement with intel

1245

00:49:12,870 --> 00:49:10,400

because there are too many like like i

1246

00:49:16,950 --> 00:49:12,880

said this this is oss

1247

00:49:20,950 --> 00:49:16,960

and early cia 50s and 60s uh cold war

1248

00:49:24,309 --> 00:49:20,960

shenanigans style uh shakedown like just

1249

00:49:25,270 --> 00:49:24,319

every every bit of it is it it sounds

1250

00:49:29,589 --> 00:49:25,280

like

1251

00:49:31,750 --> 00:49:29,599

you know i know because i read these

1252

00:49:35,510 --> 00:49:31,760

declassified documents they weren't

1253

00:49:37,430 --> 00:49:35,520

declassified in 1952 to 56 when

1254

00:49:40,950 --> 00:49:37,440

scientology and dianetics are being

1255

00:49:42,710 --> 00:49:40,960

formed and founded you know like they're

1256

00:49:45,430 --> 00:49:42,720

they just the i don't know if it's

1257

00:49:48,069 --> 00:49:45,440

parallel construction or what but yeah i

1258

00:49:50,309 --> 00:49:48,079

do believe that scientology may have

1259

00:49:53,190 --> 00:49:50,319

started out as uh

1260

00:49:56,630 --> 00:49:53,200

and you know not just scientology but uh

1261

00:49:59,430 --> 00:49:56,640

dr ruth wangeran uh uh also thinks the

1262

00:50:00,470 --> 00:49:59,440

children of god might be the cia the

1263

00:50:02,549 --> 00:50:00,480

baha'i

1264

00:50:05,190 --> 00:50:02,559

uh you know the iranians think that the

1265

00:50:07,910 --> 00:50:05,200

baha'i are infiltrated with uh with

1266

00:50:09,990 --> 00:50:07,920

c.i.a uh you know and the the thing

1267

00:50:10,950 --> 00:50:10,000

about religion you know and religious

1268

00:50:13,990 --> 00:50:10,960

freedom

1269

00:50:16,790 --> 00:50:14,000

uh is it's kind of a double-edged sword

1270

00:50:18,950 --> 00:50:16,800

there that you know as soon as you

1271

00:50:20,710 --> 00:50:18,960

you know uh have this agreement to well

1272

00:50:23,190 --> 00:50:20,720

yeah yeah we should allow people their

1273

00:50:25,030 --> 00:50:23,200

religious freedom and expression and

1274

00:50:27,030 --> 00:50:25,040

then scientology comes along and it's

1275

00:50:29,190 --> 00:50:27,040

like well i'm not a religion but i'm

1276

00:50:31,190 --> 00:50:29,200

going to say that i am so that i get all

1277

00:50:33,510 --> 00:50:31,200

the benefits of religion which include

1278

00:50:36,069 --> 00:50:33,520

you know stuff like secrecy and

1279

00:50:37,990 --> 00:50:36,079

different levels and hierarchy and not

1280

00:50:40,630 --> 00:50:38,000

questioning the people at the top of the

1281

00:50:43,510 --> 00:50:40,640

pyramid and all this kind of uh stuff

1282

00:50:45,430 --> 00:50:43,520

that is very you know kind of cultic we

1283

00:50:47,510 --> 00:50:45,440

have all these different levels

1284

00:50:49,349 --> 00:50:47,520

that are like bracketed realities and we

1285

00:50:52,230 --> 00:50:49,359

have to kind of jump between one and the

1286

00:50:54,870 --> 00:50:52,240

next in my opinion but take elrond

1287

00:50:57,030 --> 00:50:54,880

hubbard the only way to el to understand

1288

00:50:59,589 --> 00:50:57,040

elrond hubbard in my opinion and first

1289

00:51:01,589 --> 00:50:59,599

and foremost is a kind of grifter kind

1290

00:51:04,230 --> 00:51:01,599

of guy i mean he's

1291

00:51:06,069 --> 00:51:04,240

he's a scammer and he's very good at it

1292

00:51:08,069 --> 00:51:06,079

and he's good at scamming people's money

1293

00:51:09,430 --> 00:51:08,079

and he's moves in with jack parsons and

1294

00:51:11,109 --> 00:51:09,440

the next thing you know he's [h__h]

1295

00:51:15,030 --> 00:51:11,119

jack parsons girlfriend

1296

00:51:19,270 --> 00:51:17,190

give him his money and hey would you

1297

00:51:21,670 --> 00:51:19,280

also now that i've got your girl would

1298

00:51:25,030 --> 00:51:21,680

you also give me your money invest in a

1299

00:51:28,230 --> 00:51:25,040

business give me some votes and stuff

1300

00:51:31,510 --> 00:51:28,240

you know that's a great story sure ron

1301

00:51:33,430 --> 00:51:31,520

sure whatever you say ron yeah and and

1302

00:51:34,390 --> 00:51:33,440

you know so anyone who wants to reflect

1303

00:51:37,349 --> 00:51:34,400

on that

1304

00:51:39,510 --> 00:51:37,359

can say i know people like that i know

1305

00:51:41,750 --> 00:51:39,520

people in both sense if whether you're

1306

00:51:43,030 --> 00:51:41,760

the one being victimized or whether

1307

00:51:44,870 --> 00:51:43,040

unfortunately you're the one who

1308

00:51:47,270 --> 00:51:44,880

victimizes other people you know people

1309

00:51:49,670 --> 00:51:47,280

who can con people and the con doesn't

1310

00:51:51,270 --> 00:51:49,680

stop like you're saying with with elrond

1311

00:51:53,430 --> 00:51:51,280

you know he not only gets the girl then

1312

00:51:56,230 --> 00:51:53,440

he says yeah you know this strange boat

1313

00:51:57,910 --> 00:51:56,240

deal like uh we're gonna go to miami and

1314

00:51:59,510 --> 00:51:57,920

buy a boat and then sail it back here to

1315

00:52:01,910 --> 00:51:59,520

california and we'll make a lot of money

1316

00:52:04,790 --> 00:52:01,920

and we'll split it all we need you to do

1317

00:52:07,270 --> 00:52:04,800

is put up all the money and give us a

1318

00:52:08,710 --> 00:52:07,280

free boat to get the other boat with

1319

00:52:11,109 --> 00:52:08,720

like what

1320

00:52:13,510 --> 00:52:11,119

so that's and that's literally after

1321

00:52:16,950 --> 00:52:13,520

but this is with marjorie marjorie

1322

00:52:20,230 --> 00:52:16,960

cameron the his ex like he's already

1323

00:52:23,030 --> 00:52:20,240

like uh exactly also the bit straight

1324

00:52:26,390 --> 00:52:23,040

out of the like tom sawyer like i almost

1325

00:52:28,870 --> 00:52:26,400

have to respect elrond occasionally

1326

00:52:31,109 --> 00:52:28,880

because he comes from that like larger

1327

00:52:32,950 --> 00:52:31,119

than life pt barnum

1328

00:52:35,510 --> 00:52:32,960

uh huckster tradition that's so

1329

00:52:37,829 --> 00:52:35,520

quintessentially american you know

1330

00:52:39,910 --> 00:52:37,839

what's more american than p.t barnum

1331

00:52:42,470 --> 00:52:39,920

like you know what i'm gonna take a

1332

00:52:46,950 --> 00:52:42,480

bunch of rubes for their money uh you

1333

00:52:49,750 --> 00:52:46,960

know sadly uh you know it it it is it

1334

00:52:52,069 --> 00:52:49,760

was and is an awful coercive cult but at

1335

00:52:54,870 --> 00:52:52,079

the same time i can't help but like some

1336

00:52:56,950 --> 00:52:54,880

of these stories it's just so it's so

1337

00:52:59,589 --> 00:52:56,960

insane that like you know uh they were

1338

00:53:01,589 --> 00:52:59,599

gonna do a sex ritual out in the desert

1339

00:53:03,829 --> 00:53:01,599

and they did i think this is how he

1340

00:53:06,309 --> 00:53:03,839

stole his girlfriend i think because

1341

00:53:07,750 --> 00:53:06,319

like initially jack parsons was going to

1342

00:53:09,750 --> 00:53:07,760

have sex with his girlfriend he's like

1343

00:53:11,510 --> 00:53:09,760

wait jack

1344

00:53:13,910 --> 00:53:11,520

baby

1345

00:53:15,750 --> 00:53:13,920

i don't have sex with your girlfriend

1346

00:53:18,710 --> 00:53:15,760

and you could be the one who's like

1347

00:53:20,790 --> 00:53:18,720

watching us and saying the stuff you

1348

00:53:22,309 --> 00:53:20,800

could be reciting stuff

1349

00:53:24,470 --> 00:53:22,319

while i'm having sex with your

1350

00:53:26,549 --> 00:53:24,480

girlfriend who we will later embezzle

1351
00:53:29,270 --> 00:53:26,559
from you and have you start a business

1352
00:53:31,990 --> 00:53:29,280
so that we can steal you like it's crazy

1353
00:53:32,950 --> 00:53:32,000
yeah like uh it's

1354
00:53:35,589 --> 00:53:32,960
i mean

1355
00:53:40,630 --> 00:53:35,599
you know i i don't know it's it's just

1356
00:53:42,950 --> 00:53:40,640
it's mind-blowing levels of uh you know

1357
00:53:45,910 --> 00:53:42,960
that's mind control by the way you know

1358
00:53:47,829 --> 00:53:45,920
people well well it is mind control is

1359
00:53:49,829 --> 00:53:47,839
like creating a perfect zombie or

1360
00:53:51,589 --> 00:53:49,839
something like that there's like you

1361
00:53:54,230 --> 00:53:51,599
said with different levels there's so

1362
00:53:56,870 --> 00:53:54,240
many different you know advertising and

1363
00:53:57,750 --> 00:53:56,880

pr are methods of mind control for that

1364

00:53:58,870 --> 00:53:57,760

matter

1365

00:54:01,430 --> 00:53:58,880

yeah well

1366

00:54:03,430 --> 00:54:01,440

all communication is you know methods of

1367

00:54:06,870 --> 00:54:03,440

mind control all hypno we're all being

1368

00:54:08,390 --> 00:54:06,880

hypnotized by ourselves but we're being

1369

00:54:10,390 --> 00:54:08,400

hypnotized and influenced by other

1370

00:54:13,270 --> 00:54:10,400

people but i don't want to go down that

1371

00:54:14,470 --> 00:54:13,280

track that hole too far because you you

1372

00:54:16,710 --> 00:54:14,480

kind of threw some other stuff on the

1373

00:54:18,710 --> 00:54:16,720

table you actually jump to the next

1374

00:54:21,589 --> 00:54:18,720

bracketed reality beyond that which is

1375

00:54:23,589 --> 00:54:21,599

the spiritual so when he does go out and

1376

00:54:25,750 --> 00:54:23,599

perform these rights and rituals under

1377

00:54:27,990 --> 00:54:25,760

the direction of crowley right because

1378

00:54:29,990 --> 00:54:28,000

crowley is in communication with jack

1379

00:54:32,230 --> 00:54:30,000

parsons jack parsons reaches out to

1380

00:54:34,710 --> 00:54:32,240

crowley and says i'm your number one guy

1381

00:54:36,309 --> 00:54:34,720

i want to be your number one agent in

1382

00:54:38,309 --> 00:54:36,319

and you know

1383

00:54:40,950 --> 00:54:38,319

uh crowley from all accounts has a

1384

00:54:43,829 --> 00:54:40,960

little bit of that huckster in him too

1385

00:54:46,230 --> 00:54:43,839

absolutely yeah and he loved jack

1386

00:54:48,230 --> 00:54:46,240

apparently i think that the that

1387

00:54:51,109 --> 00:54:48,240

relationship ruined it

1388

00:54:54,150 --> 00:54:51,119

uh because when he saw he's like no no

1389

00:54:55,190 --> 00:54:54,160

no that's what you do to the other guy

1390

00:55:00,309 --> 00:54:55,200

you don't

1391

00:55:03,270 --> 00:55:00,319

the other guy to believe and you take

1392

00:55:05,349 --> 00:55:03,280

his girlfriend and his money and his

1393

00:55:06,870 --> 00:55:05,359

boat and that's

1394

00:55:09,750 --> 00:55:06,880

that's the trick

1395

00:55:12,950 --> 00:55:09,760

like and then you say abracadabra and

1396

00:55:15,430 --> 00:55:12,960

you know or our rarita or whatever uh

1397

00:55:17,910 --> 00:55:15,440

and and call it a day i really do

1398

00:55:20,710 --> 00:55:17,920

believe that like because you know uh

1399

00:55:23,270 --> 00:55:20,720

the the spiral house is a book sex and

1400

00:55:25,270 --> 00:55:23,280

rockets you know and it's it got some of

1401

00:55:27,270 --> 00:55:25,280

the some of the letters back and forth

1402

00:55:29,349 --> 00:55:27,280

and it's really kind of sad it's really

1403

00:55:31,510 --> 00:55:29,359

kind of sad and pathetic honestly

1404

00:55:33,670 --> 00:55:31,520

because you can see like crowley gets

1405

00:55:36,150 --> 00:55:33,680

more and more upset he's like

1406

00:55:38,150 --> 00:55:36,160

this guy is a con artist and he is

1407

00:55:40,230 --> 00:55:38,160

conning you you know and this is

1408

00:55:42,309 --> 00:55:40,240

somebody who yeah may have been the head

1409

00:55:46,230 --> 00:55:42,319

of the astro magic

1410

00:55:48,230 --> 00:55:46,240

argentium or ordo temple orientis if

1411

00:55:50,789 --> 00:55:48,240

he had not embarrassed himself in front

1412

00:55:53,349 --> 00:55:50,799

of his guru you know like that that

1413

00:55:55,430 --> 00:55:53,359

ruined it that that that i think that

1414

00:55:57,349 --> 00:55:55,440

like really drove a wedge between the

1415

00:55:59,910 --> 00:55:57,359

crowley and parsons relationship

1416

00:56:02,069 --> 00:55:59,920

honestly because it you know it it's got

1417

00:56:03,190 --> 00:56:02,079

to be kind of like disheartening to see

1418

00:56:04,150 --> 00:56:03,200

like you know

1419

00:56:09,109 --> 00:56:04,160

like

1420

00:56:13,910 --> 00:56:09,119

oh no he's got no common sense though

1421

00:56:16,150 --> 00:56:13,920

he's gotten zero common sense yeah

1422

00:56:17,670 --> 00:56:16,160

so but we're kind of dancing around this

1423

00:56:20,470 --> 00:56:17,680

other aspect to it well there's two

1424

00:56:22,390 --> 00:56:20,480

other aspects to it one uh is the cia

1425

00:56:24,549 --> 00:56:22,400

kind of big game

1426

00:56:26,789 --> 00:56:24,559

stuff somebody's got to run the rule

1427

00:56:28,470 --> 00:56:26,799

world and it ought to be us and

1428

00:56:30,789 --> 00:56:28,480

his connections Iron hubbard's

1429

00:56:33,030 --> 00:56:30,799

connections there are undeniable as you

1430

00:56:34,349 --> 00:56:33,040

said and he kind of wraps himself in

1431

00:56:36,150 --> 00:56:34,359

this kind of

1432

00:56:38,230 --> 00:56:36,160

quasi-military

1433

00:56:40,150 --> 00:56:38,240

amazing kind of stuff and we can get

1434

00:56:41,829 --> 00:56:40,160

into all that but then the other part

1435

00:56:44,710 --> 00:56:41,839

that i keep kind of dancing around i

1436

00:56:46,150 --> 00:56:44,720

can't pin down is i and you're not

1437

00:56:48,390 --> 00:56:46,160

saying this but i think it's a misstep

1438

00:56:50,710 --> 00:56:48,400

that a lot of people take to say oh okay

1439

00:56:52,150 --> 00:56:50,720

then it's all fake no that doesn't mean

1440

00:56:55,430 --> 00:56:52,160

that it's fake it doesn't mean that they

1441

00:56:56,950 --> 00:56:55,440

were not attempting to or successfully

1442

00:56:58,870 --> 00:56:56,960

connecting with

1443

00:57:01,270 --> 00:56:58,880

spirits for lack of a better term in

1444

00:57:03,750 --> 00:57:01,280

this extended realm that are becoming

1445

00:57:06,390 --> 00:57:03,760

their partners in engaging in this and

1446

00:57:08,630 --> 00:57:06,400

have some ability to influence

1447

00:57:10,549 --> 00:57:08,640

world events and things down here or

1448

00:57:13,030 --> 00:57:10,559

definitely to influence people they're

1449

00:57:15,349 --> 00:57:13,040

calling the star child or moon child or

1450

00:57:17,109 --> 00:57:15,359

whatever out in the desert and this is

1451

00:57:20,230 --> 00:57:17,119

the same desert right around where

1452

00:57:23,430 --> 00:57:20,240

they're testing the the atomic bomb you

1453

00:57:26,470 --> 00:57:23,440

know uh and it's also the same little

1454

00:57:29,349 --> 00:57:26,480

spot of land where over the next like

1455

00:57:32,390 --> 00:57:29,359

five years the majority of the

1456

00:57:33,589 --> 00:57:32,400

uh you know ufo sightings would be right

1457

00:57:35,109 --> 00:57:33,599

in this same

1458

00:57:37,109 --> 00:57:35,119

let's not go there because i i don't

1459

00:57:38,870 --> 00:57:37,119

think you got the ufo thing right i

1460

00:57:41,430 --> 00:57:38,880

don't think you've you put all the the

1461

00:57:43,349 --> 00:57:41,440

pieces on the on the table i mean if we

1462

00:57:44,950 --> 00:57:43,359

want to jump there now we can but i kind

1463

00:57:48,470 --> 00:57:44,960

of think we got to finish

1464

00:57:50,789 --> 00:57:48,480

the uh stargate thing because

1465

00:57:52,950 --> 00:57:50,799

what happens here is super interesting

1466

00:57:55,510 --> 00:57:52,960

and uh gosh

1467

00:57:57,589 --> 00:57:55,520

like the reason i bring up immediately

1468

00:57:58,950 --> 00:57:57,599

stargate just so people understand this

1469

00:58:01,589 --> 00:57:58,960

you know all this stuff backwards and

1470

00:58:05,750 --> 00:58:01,599

forwards i'm not telling you but I ron

1471

00:58:09,030 --> 00:58:05,760

hubbard has start scientology so he

1472

00:58:12,470 --> 00:58:09,040

whatever blend it is of

1473

00:58:14,390 --> 00:58:12,480

this kind of satanic spiritual occulted

1474

00:58:15,670 --> 00:58:14,400

real connection with these extended

1475

00:58:17,910 --> 00:58:15,680

realms

1476

00:58:19,349 --> 00:58:17,920

and also his kind of pragmatic

1477

00:58:21,589 --> 00:58:19,359

hucksterism good old american

1478

00:58:24,390 --> 00:58:21,599

hooksterism how can i rip everyone off

1479

00:58:25,990 --> 00:58:24,400

he starts scientology and lo and behold

1480

00:58:27,750 --> 00:58:26,000

because there is this military

1481

00:58:30,710 --> 00:58:27,760

connection as you described military

1482

00:58:32,069 --> 00:58:30,720

intelligence is hey whatever works you

1483

00:58:34,390 --> 00:58:32,079

know what i mean you want to call it

1484

00:58:36,390 --> 00:58:34,400

satan you want to go live we don't care

1485

00:58:38,549 --> 00:58:36,400

we just want to conquer that hill and to

1486

00:58:40,710 --> 00:58:38,559

a certain extent that has to always be

1487

00:58:42,870 --> 00:58:40,720

the job of

1488

00:58:44,230 --> 00:58:42,880

the military and in a way that we don't

1489

00:58:46,390 --> 00:58:44,240

understand because you're not inside

1490

00:58:48,069 --> 00:58:46,400

that culture but what they'll tell you

1491

00:58:49,589 --> 00:58:48,079

is hey we've been through this for

1492

00:58:51,349 --> 00:58:49,599

thousands of years and i'll tell you at

1493

00:58:53,190 --> 00:58:51,359

the end of the day phil

1494

00:58:55,510 --> 00:58:53,200

when it's me defending you you don't

1495

00:58:58,309 --> 00:58:55,520

give a [h__h] whether i think i whether i

1496

00:58:59,430 --> 00:58:58,319

have satan tattooed on my back or not

1497

00:59:00,789 --> 00:58:59,440

you just want me to keep those

1498

00:59:03,030 --> 00:59:00,799

[h__h] from coming through your

1499

00:59:04,950 --> 00:59:03,040

front door and i know that and i'd live

1500

00:59:06,950 --> 00:59:04,960

that over and over again so don't tell

1501
00:59:08,950 --> 00:59:06,960
me how all moralistic and christian you

1502
00:59:11,109 --> 00:59:08,960
are because i know at the end of the day

1503
00:59:11,990 --> 00:59:11,119
it's about protection and it's about

1504
00:59:14,230 --> 00:59:12,000
keeping

1505
00:59:16,950 --> 00:59:14,240
the bad guys from coming over that hill

1506
00:59:19,270 --> 00:59:16,960
military has that ingrained in them at a

1507
00:59:21,109 --> 00:59:19,280
kind of core level that we don't get

1508
00:59:22,230 --> 00:59:21,119
because we haven't been in the military

1509
00:59:24,069 --> 00:59:22,240
but

1510
00:59:26,470 --> 00:59:24,079
military intelligence then takes that

1511
00:59:29,030 --> 00:59:26,480
and extends that and says oh okay that

1512
00:59:30,309 --> 00:59:29,040
means i can do whatever i want because

1513
00:59:32,950 --> 00:59:30,319

at the end of the day i have the

1514

00:59:34,870 --> 00:59:32,960

ultimate trump card so I ron hubbard is

1515

00:59:38,230 --> 00:59:34,880

connected with that and that I ron

1516

00:59:40,549 --> 00:59:38,240

hubbard gets connected with this sri

1517

00:59:42,309 --> 00:59:40,559

remote viewing project

1518

00:59:48,069 --> 00:59:42,319

in

1519

00:59:50,789 --> 00:59:48,079

university and these two laser

1520

00:59:52,710 --> 00:59:50,799

physicists who the laser part of it is

1521

00:59:55,270 --> 00:59:52,720

kind of interesting probably has an et

1522

00:59:57,829 --> 00:59:55,280

connection there but

1523

01:00:00,230 --> 00:59:57,839

they all these guys not all of them but

1524

01:00:01,510 --> 01:00:00,240

a lot of these guys that are doing sri

1525

01:00:03,349 --> 01:00:01,520

are in

1526

01:00:06,150 --> 01:00:03,359

scientology

1527

01:00:08,470 --> 01:00:06,160

three guys yeah uh you know pat price

1528

01:00:10,230 --> 01:00:08,480

ingo swann uh

1529

01:00:12,789 --> 01:00:10,240

oh i'm blanking on the third name but

1530

01:00:15,990 --> 01:00:12,799

like the top three got the top three

1531

01:00:18,630 --> 01:00:16,000

guys and in fact uh after pat died i

1532

01:00:20,470 --> 01:00:18,640

guess i believe it was just like the the

1533

01:00:22,630 --> 01:00:20,480

two guys were the core

1534

01:00:25,910 --> 01:00:22,640

of like they were they were running the

1535

01:00:29,349 --> 01:00:25,920

lab at sri the crazy thing about well

1536

01:00:31,270 --> 01:00:29,359

well hal put off how put off is uh yeah

1537

01:00:33,589 --> 01:00:31,280

right yeah yeah yeah

1538

01:00:36,470 --> 01:00:33,599

uh the crazy part about this this is

1539

01:00:39,190 --> 01:00:36,480

around like okay 1978

1540

01:00:42,390 --> 01:00:39,200

the fort meade maryland and the defense

1541

01:00:44,390 --> 01:00:42,400

intelligence agency picks up stargate as

1542

01:00:47,190 --> 01:00:44,400

like a military project

1543

01:00:49,670 --> 01:00:47,200

and this is around the same time that

1544

01:00:53,510 --> 01:00:49,680

operation snow white is going on

1545

01:00:54,950 --> 01:00:53,520

where scientologists have infiltrated uh

1546

01:00:57,109 --> 01:00:54,960

the irs

1547

01:01:00,309 --> 01:00:57,119

and law firms

1548

01:01:01,910 --> 01:01:00,319

and like all these various you know

1549

01:01:05,109 --> 01:01:01,920

levels of government

1550

01:01:07,349 --> 01:01:05,119

and they're leaking documents you know

1551

01:01:09,670 --> 01:01:07,359

apparently i think it was john attack

1552

01:01:12,069 --> 01:01:09,680

who wrote that uh the the reason why

1553

01:01:14,789 --> 01:01:12,079

they were leaking the documents was

1554

01:01:17,270 --> 01:01:14,799

in mainly just to cover their tracks

1555

01:01:18,789 --> 01:01:17,280

because if they just stole scientology

1556

01:01:21,510 --> 01:01:18,799

documents then it would be easy to

1557

01:01:24,470 --> 01:01:21,520

figure out who stole who's stealing the

1558

01:01:27,190 --> 01:01:24,480

irs documents about scientology's tax

1559

01:01:29,349 --> 01:01:27,200

debt you know the scientology is no but

1560

01:01:31,349 --> 01:01:29,359

if you steal like you know all this

1561

01:01:33,910 --> 01:01:31,359

interesting stuff and link some of it to

1562

01:01:37,190 --> 01:01:33,920

the press and you know meanwhile you're

1563

01:01:39,430 --> 01:01:37,200

also like in in the senator's office or

1564

01:01:42,870 --> 01:01:39,440

you're a janitor cleaning up

1565

01:01:45,829 --> 01:01:42,880

at the irs set like literally there were

1566

01:01:48,309 --> 01:01:45,839

it was the largest domestic spying

1567

01:01:50,470 --> 01:01:48,319

operation in the united states that we

1568

01:01:52,950 --> 01:01:50,480

know of and around the same time as

1569

01:01:56,630 --> 01:01:52,960

that's going on scientologists are

1570

01:01:58,069 --> 01:01:56,640

running the cia lab at sri lanka i don't

1571

01:01:59,670 --> 01:01:58,079

think that's

1572

01:02:01,270 --> 01:01:59,680

like you said and this is like a whole

1573

01:02:03,349 --> 01:02:01,280

point we could get off on and about

1574

01:02:04,870 --> 01:02:03,359

being careful about connecting the dots

1575

01:02:06,390 --> 01:02:04,880

because there's a lot of different ways

1576

01:02:07,990 --> 01:02:06,400

to connect the dots and sometimes they

1577

01:02:09,829 --> 01:02:08,000

come up with different

1578

01:02:12,870 --> 01:02:09,839

images once you connect them and

1579

01:02:14,950 --> 01:02:12,880

moreover the connecting the dots

1580

01:02:17,349 --> 01:02:14,960

involves people and people are

1581

01:02:19,109 --> 01:02:17,359

complicated so here's a guy recently

1582

01:02:20,870 --> 01:02:19,119

interviewed and i really enjoyed uh

1583

01:02:21,750 --> 01:02:20,880

talking with him nick cook

1584

01:02:24,549 --> 01:02:21,760

so

1585

01:02:27,990 --> 01:02:24,559

nick cook just wrote a biography about

1586

01:02:29,829 --> 01:02:28,000

ingo swan and he met ingoswan on several

1587

01:02:32,230 --> 01:02:29,839

occasions and he also has close

1588

01:02:36,069 --> 01:02:32,240

connection with the family well if you

1589

01:02:39,190 --> 01:02:36,079

look at ingo swan and who he is it puts

1590

01:02:42,390 --> 01:02:39,200

a different spin on this whole story

1591

01:02:44,630 --> 01:02:42,400

ingo swan is psychic he's psychic as

1592

01:02:47,109 --> 01:02:44,640

hell he's like one of the greatest

1593

01:02:48,549 --> 01:02:47,119

psychics in the united states and he's

1594

01:02:51,990 --> 01:02:48,559

going on tv

1595

01:02:53,990 --> 01:02:52,000

on like the old tv uh reality shows game

1596

01:02:56,309 --> 01:02:54,000

shows like what's my line and he can

1597

01:02:58,309 --> 01:02:56,319

read people's mind and this is who he is

1598

01:02:59,910 --> 01:02:58,319

and who he does and he's also an artist

1599

01:03:01,430 --> 01:02:59,920

he's incredible artist and he lives in

1600

01:03:05,029 --> 01:03:01,440

new york city

1601
01:03:07,349 --> 01:03:05,039
he is recruited by sri because of his

1602
01:03:09,270 --> 01:03:07,359
psychic abilities and sometimes people

1603
01:03:10,870 --> 01:03:09,280
get this wrong and they think well what

1604
01:03:12,470 --> 01:03:10,880
is remote viewing and they're using

1605
01:03:15,270 --> 01:03:12,480
ouija boards and i heard you on opera

1606
01:03:16,470 --> 01:03:15,280
man i love ed operman but he's a you

1607
01:03:18,549 --> 01:03:16,480
know

1608
01:03:19,589 --> 01:03:18,559
tent revival christian kind of that's

1609
01:03:24,390 --> 01:03:19,599
his

1610
01:03:25,670 --> 01:03:24,400
ouija boards and ouija boards what about

1611
01:03:29,430 --> 01:03:25,680
ouija board

1612
01:03:31,670 --> 01:03:29,440
ability to connect with this extended

1613
01:03:33,670 --> 01:03:31,680

realm in some way well start nailing

1614

01:03:35,990 --> 01:03:33,680

down what that means what that extended

1615

01:03:37,990 --> 01:03:36,000

realm is who is in that extended room

1616

01:03:39,510 --> 01:03:38,000

how are they interacting just don't

1617

01:03:41,670 --> 01:03:39,520

paint it with this sunday school

1618

01:03:44,630 --> 01:03:41,680

christianity oh they're state and then

1619

01:03:47,029 --> 01:03:44,640

there's jesus and jesus loves me all

1620

01:03:48,630 --> 01:03:47,039

you just got to start with terraformer

1621

01:03:49,829 --> 01:03:48,640

you got to go all the way down and get

1622

01:03:52,150 --> 01:03:49,839

to the ground and we don't know what

1623

01:03:54,870 --> 01:03:52,160

that is back to ingo swan

1624

01:03:58,069 --> 01:03:54,880

ingo swan is psychic

1625

01:04:01,589 --> 01:03:58,079

i don't know why some people are psychic

1626

01:04:05,029 --> 01:04:01,599

but some people are just gifted in that

1627

01:04:07,270 --> 01:04:05,039

way they can read minds they can remote

1628

01:04:09,670 --> 01:04:07,280

view things they don't call it remote

1629

01:04:13,190 --> 01:04:09,680

viewing but they can see things that

1630

01:04:14,950 --> 01:04:13,200

aren't in their immediate view the cia

1631

01:04:17,029 --> 01:04:14,960

backed what we're saying be the being

1632

01:04:19,190 --> 01:04:17,039

the cia says

1633

01:04:22,950 --> 01:04:19,200

need to talk to that guy

1634

01:04:23,829 --> 01:04:22,960

so they bring ingo swan out and they

1635

01:04:26,549 --> 01:04:23,839

say

1636

01:04:28,630 --> 01:04:26,559

here's what we want to do

1637

01:04:30,150 --> 01:04:28,640

the russians got this submarine base

1638

01:04:31,829 --> 01:04:30,160

over there

1639

01:04:35,190 --> 01:04:31,839

do you think you could like see that

1640

01:04:37,190 --> 01:04:35,200

submarine base from here in palo alto

1641

01:04:39,190 --> 01:04:37,200

[h__\h] says well

1642

01:04:40,789 --> 01:04:39,200

let me give it a try they go wait wait

1643

01:04:42,069 --> 01:04:40,799

wait wait okay you think you might be

1644

01:04:43,750 --> 01:04:42,079

able to do it i'll tell you what before

1645

01:04:45,589 --> 01:04:43,760

you give it a try

1646

01:04:48,150 --> 01:04:45,599

right down the road here

1647

01:04:50,789 --> 01:04:48,160

we got this super secret

1648

01:04:52,470 --> 01:04:50,799

livermore labs this super secret thing

1649

01:04:54,630 --> 01:04:52,480

buried we're not going to tell you what

1650

01:04:56,549 --> 01:04:54,640

it is but it's buried in six feet of

1651

01:04:59,029 --> 01:04:56,559

cement and inside that six feet of

1652

01:05:00,870 --> 01:04:59,039

cement is a faraday cage inside that

1653

01:05:02,789 --> 01:05:00,880

furniture cage is something else and no

1654

01:05:04,710 --> 01:05:02,799

one can do it and

1655

01:05:05,589 --> 01:05:04,720

can you get in there can you see it can

1656

01:05:08,309 --> 01:05:05,599

you

1657

01:05:10,630 --> 01:05:08,319

and ingo swan says yeah i can see it as

1658

01:05:12,069 --> 01:05:10,640

a matter of fact i i can see it and i

1659

01:05:15,109 --> 01:05:12,079

can stop it

1660

01:05:17,349 --> 01:05:15,119

i can stop your little clock in there

1661

01:05:20,150 --> 01:05:17,359

and he does it

1662

01:05:23,270 --> 01:05:20,160

and they're super excited but they're

1663

01:05:25,270 --> 01:05:23,280

[h__\h] freaked out as well

1664

01:05:27,430 --> 01:05:25,280

because now we're talking about this

1665

01:05:29,430 --> 01:05:27,440

extended realm and this extended realm

1666

01:05:31,510 --> 01:05:29,440

it's outside of our space and time and

1667

01:05:34,230 --> 01:05:31,520

it kind of blows the water out of all

1668

01:05:38,230 --> 01:05:34,240

the crap that we do about building all

1669

01:05:41,190 --> 01:05:38,240

that stuff so that's who ingo swan is

1670

01:05:43,430 --> 01:05:41,200

and now they say oh okay now back to

1671

01:05:45,829 --> 01:05:43,440

that russian submarine thing i tell you

1672

01:05:47,990 --> 01:05:45,839

what do you think you could train other

1673

01:05:49,829 --> 01:05:48,000

people to do what you do

1674

01:05:51,349 --> 01:05:49,839

he says yeah i could i mean everybody

1675

01:05:54,470 --> 01:05:51,359

has a little bit of this gift and here's

1676

01:05:57,349 --> 01:05:54,480

that do it and he develops

1677

01:05:59,750 --> 01:05:57,359

a training class a protocol

1678

01:06:02,549 --> 01:05:59,760

and that's what becomes

1679

01:06:04,950 --> 01:06:02,559

remote viewing so to read that story

1680

01:06:06,789 --> 01:06:04,960

differently i mean i'm open to that's my

1681

01:06:07,670 --> 01:06:06,799

interpretation of the story of course

1682

01:06:09,510 --> 01:06:07,680

but

1683

01:06:11,670 --> 01:06:09,520

if you're going to change that story

1684

01:06:12,950 --> 01:06:11,680

tell me the the the factual pieces that

1685

01:06:14,309 --> 01:06:12,960

change that story that's what i love

1686

01:06:16,390 --> 01:06:14,319

about your work i mean you have the

1687

01:06:18,549 --> 01:06:16,400

factual pieces there and you're laying

1688

01:06:20,870 --> 01:06:18,559

down the story and i'm going to add one

1689

01:06:23,190 --> 01:06:20,880

other part to that in this kind of

1690

01:06:24,950 --> 01:06:23,200

sharing that we're doing here

1691

01:06:25,990 --> 01:06:24,960

the other super interesting guy in that

1692

01:06:28,630 --> 01:06:26,000

to me

1693

01:06:30,069 --> 01:06:28,640

is and i'm i've told this story before

1694

01:06:33,190 --> 01:06:30,079

on the show so it might get boring to

1695

01:06:35,109 --> 01:06:33,200

some people but is uh joe mcmonicle

1696

01:06:38,470 --> 01:06:35,119

and and you've heard of geo mcmonica oh

1697

01:06:40,870 --> 01:06:38,480

yeah psychic spy number zero zero one

1698

01:06:43,990 --> 01:06:40,880

but what a lot of people don't know

1699

01:06:46,390 --> 01:06:44,000

about joe mcmonicle is

1700

01:06:49,270 --> 01:06:46,400

the reason he comes to sri is because he

1701
01:06:51,349 --> 01:06:49,280
has a near-death experience and the

1702
01:06:53,510 --> 01:06:51,359
reason he has a near-death experience is

1703
01:06:56,230 --> 01:06:53,520
because he's a [\h__\h] spy

1704
01:06:58,309 --> 01:06:56,240
he's on our side he's working on the

1705
01:07:00,390 --> 01:06:58,319
border of east germany and west germany

1706
01:07:02,390 --> 01:07:00,400
and as he tells a story on my show i

1707
01:07:04,390 --> 01:07:02,400
interviewed him he's in a restaurant

1708
01:07:06,549 --> 01:07:04,400
that is kind of a known hangout for

1709
01:07:08,390 --> 01:07:06,559
spies this is like right out of a movie

1710
01:07:10,390 --> 01:07:08,400
or something but

1711
01:07:12,230 --> 01:07:10,400
this is how he tells it he's having

1712
01:07:15,349 --> 01:07:12,240
lunch dinner whatever

1713
01:07:18,789 --> 01:07:15,359

and he starts grabbing his throat

1714

01:07:20,789 --> 01:07:18,799

just like in a movie he's being poisoned

1715

01:07:22,950 --> 01:07:20,799

he immediately tries to leave out leave

1716

01:07:24,549 --> 01:07:22,960

the restaurant he staggers and falls a

1717

01:07:26,950 --> 01:07:24,559

couple of his intelligence buddies come

1718

01:07:29,670 --> 01:07:26,960

and grab him and they put him in a jeep

1719

01:07:31,270 --> 01:07:29,680

at this point mcmonicle dies

1720

01:07:33,029 --> 01:07:31,280

if you don't know about near-death

1721

01:07:35,190 --> 01:07:33,039

experience science you might go well he

1722

01:07:37,750 --> 01:07:35,200

didn't die because he came back no he

1723

01:07:39,430 --> 01:07:37,760

died that's what we call it that's what

1724

01:07:41,589 --> 01:07:39,440

medicine calls it

1725

01:07:43,510 --> 01:07:41,599

after your heart stops beating for a

1726

01:07:46,150 --> 01:07:43,520

couple minutes and there's no blood to

1727

01:07:48,710 --> 01:07:46,160

your brain we call that death and we

1728

01:07:50,230 --> 01:07:48,720

might hypothesize about how that's not

1729

01:07:51,829 --> 01:07:50,240

really death but then that raises a

1730

01:07:54,630 --> 01:07:51,839

bunch of questions about what is this

1731

01:07:56,470 --> 01:07:54,640

extended realm in our realm that is

1732

01:07:59,029 --> 01:07:56,480

death that's we've always called it to

1733

01:08:00,390 --> 01:07:59,039

be death joe now though back to our

1734

01:08:02,710 --> 01:08:00,400

story

1735

01:08:06,470 --> 01:08:02,720

is outside of his body

1736

01:08:09,109 --> 01:08:06,480

looking down at the jeep as it drives

1737

01:08:11,589 --> 01:08:09,119

frantically through the east german west

1738

01:08:13,109 --> 01:08:11,599

german border trying to find a hospital

1739

01:08:14,549 --> 01:08:13,119

and they call ahead and they get an

1740

01:08:16,870 --> 01:08:14,559

ambulance and they transfer them to an

1741

01:08:19,510 --> 01:08:16,880

ambulance and he gets in the hospital

1742

01:08:21,110 --> 01:08:19,520

and they're able to save him

1743

01:08:23,910 --> 01:08:21,120

joe mcmonicle

1744

01:08:27,349 --> 01:08:23,920

wakes from his and he has i should say

1745

01:08:28,789 --> 01:08:27,359

not only this ability to see outside of

1746

01:08:31,189 --> 01:08:28,799

his body but he has a near-death

1747

01:08:33,430 --> 01:08:31,199

experience he goes and he encounters the

1748

01:08:35,990 --> 01:08:33,440

divine he encounters the greater

1749

01:08:39,189 --> 01:08:36,000

consciousness that doesn't care about

1750

01:08:42,390 --> 01:08:39,199

this game and all this nonsense he's

1751

01:08:44,789 --> 01:08:42,400

relieved from all that and isn't in the

1752

01:08:47,110 --> 01:08:44,799

infinite love realm that so many

1753

01:08:50,070 --> 01:08:47,120

near-death experiences talk about he

1754

01:08:52,550 --> 01:08:50,080

meets god for lack of a better term but

1755

01:08:54,550 --> 01:08:52,560

when he awakens back in this realm the

1756

01:08:56,470 --> 01:08:54,560

first thing he sees

1757

01:08:58,390 --> 01:08:56,480

are two military intelligence officers

1758

01:09:00,870 --> 01:08:58,400

that said hey buddy what the hell what's

1759

01:09:03,910 --> 01:09:00,880

going on dude right in his face they

1760

01:09:07,189 --> 01:09:03,920

want to quote unquote debrief him on

1761

01:09:09,349 --> 01:09:07,199

what happened both his poisoning and you

1762

01:09:10,630 --> 01:09:09,359

know everything else and he tells him he

1763

01:09:12,149 --> 01:09:10,640

tells him about being outside of his

1764

01:09:13,110 --> 01:09:12,159

body and he tells him all the rest that

1765

01:09:14,390 --> 01:09:13,120

stuff

1766

01:09:17,430 --> 01:09:14,400

and then

1767

01:09:21,430 --> 01:09:17,440

he goes on with his military career

1768

01:09:24,149 --> 01:09:21,440

until he shows up at sri because he's

1769

01:09:26,149 --> 01:09:24,159

ordered to go and check these guys out

1770

01:09:29,110 --> 01:09:26,159

and lo and behold i don't know if it's

1771

01:09:32,470 --> 01:09:29,120

russell targ or hal put off but they

1772

01:09:34,390 --> 01:09:32,480

unseal his secret sealed military file

1773

01:09:35,749 --> 01:09:34,400

and they pull out a book

1774

01:09:38,149 --> 01:09:35,759

and the book is

1775

01:09:41,189 --> 01:09:38,159

raymond moody's book a near-death

1776

01:09:44,070 --> 01:09:41,199

experience and the important thing to me

1777

01:09:45,430 --> 01:09:44,080

there and this is like classic phil

1778

01:09:48,789 --> 01:09:45,440

fairbanks

1779

01:09:51,430 --> 01:09:48,799

putting together the pieces

1780

01:09:53,990 --> 01:09:51,440

they knew that there was something about

1781

01:09:57,350 --> 01:09:54,000

near-death experience about being in

1782

01:09:58,870 --> 01:09:57,360

that extended realm that also connected

1783

01:10:01,430 --> 01:09:58,880

with the

1784

01:10:02,390 --> 01:10:01,440

crazy stuff they were doing with remote

1785

01:10:05,910 --> 01:10:02,400

viewing

1786

01:10:08,630 --> 01:10:05,920

in ingo swan and outside of space-time

1787

01:10:11,270 --> 01:10:08,640

and how do we see russian subs

1788

01:10:13,830 --> 01:10:11,280

from palo alto they didn't know exactly

1789

01:10:16,470 --> 01:10:13,840

how it all worked but they did know at

1790

01:10:18,390 --> 01:10:16,480

some and some level that this

1791

01:10:20,950 --> 01:10:18,400

extended consciousness realm of

1792

01:10:22,229 --> 01:10:20,960

near-death experience was somehow

1793

01:10:23,189 --> 01:10:22,239

related

1794

01:10:24,709 --> 01:10:23,199

to

1795

01:10:29,590 --> 01:10:24,719

that

1796

01:10:32,550 --> 01:10:29,600

on

1797

01:10:34,950 --> 01:10:32,560

stargate and remote viewing it is all

1798

01:10:37,430 --> 01:10:34,960

the other things that you say like you

1799

01:10:39,189 --> 01:10:37,440

are i don't think you are incorrect at

1800

01:10:41,350 --> 01:10:39,199

all and like these guys say here's

1801
01:10:43,189 --> 01:10:41,360
another interesting tie back to your

1802
01:10:44,950 --> 01:10:43,199
work

1803
01:10:47,030 --> 01:10:44,960
and again folks when we're talking to

1804
01:10:50,070 --> 01:10:47,040
phil fairbanks

1805
01:10:52,550 --> 01:10:50,080
we're talking to a guy who wrote the

1806
01:10:57,350 --> 01:10:52,560
story was in paranoia magazine

1807
01:11:01,350 --> 01:10:57,360
yeah mk ultra on mk ultra in like 2003

1808
01:11:03,510 --> 01:11:01,360
or 2004 issue 2003.

1809
01:11:04,390 --> 01:11:03,520
think about that that's almost 20 years

1810
01:11:05,990 --> 01:11:04,400
ago

1811
01:11:08,790 --> 01:11:06,000
he's

1812
01:11:12,709 --> 01:11:08,800
scooping the the muck and laying out the

1813
01:11:15,669 --> 01:11:12,719

dirt on mk ultra unbelievable

1814

01:11:18,310 --> 01:11:15,679

i mean that is a foundational kind of

1815

01:11:19,590 --> 01:11:18,320

investigative research that

1816

01:11:21,110 --> 01:11:19,600

you know he's never going to get any

1817

01:11:23,270 --> 01:11:21,120

credit for it because that's not oh

1818

01:11:25,590 --> 01:11:23,280

it'll get he'll glue nobody

1819

01:11:26,709 --> 01:11:25,600

nobody wants to know

1820

01:11:28,550 --> 01:11:26,719

know you know

1821

01:11:31,350 --> 01:11:28,560

there's a lot of ties between the

1822

01:11:35,189 --> 01:11:31,360

stargate and mk ultra as well not least

1823

01:11:36,790 --> 01:11:35,199

of which being pure itch but also frank

1824

01:11:41,189 --> 01:11:36,800

sidney godly

1825

01:11:43,910 --> 01:11:41,199

godly exactly frank olson pujarich uh uh

1826

01:11:46,390 --> 01:11:43,920

gottlieb all like right here in the venn

1827

01:11:49,030 --> 01:11:46,400

diagram the the the events that led to

1828

01:11:50,790 --> 01:11:49,040

frank olson who once again you know they

1829

01:11:53,110 --> 01:11:50,800

dose them with acid and then they push

1830

01:11:55,830 --> 01:11:53,120

him out of a 13th uh

1831

01:11:57,350 --> 01:11:55,840

a story window after knocking him on on

1832

01:12:00,070 --> 01:11:57,360

the back of the head because it wasn't

1833

01:12:02,950 --> 01:12:00,080

until like you know his body's exhumed

1834

01:12:05,110 --> 01:12:02,960

and they finally do a real autopsy where

1835

01:12:07,669 --> 01:12:05,120

it's discovered that no he

1836

01:12:08,470 --> 01:12:07,679

he was dead before he hit the ground he

1837

01:12:10,470 --> 01:12:08,480

you know

1838

01:12:12,550 --> 01:12:10,480

he got bashed on the back of the head

1839

01:12:14,630 --> 01:12:12,560

was thrown out of a window because when

1840

01:12:16,870 --> 01:12:14,640

you fall out of a window and you

1841

01:12:19,270 --> 01:12:16,880

committed suicide then they're not going

1842

01:12:21,830 --> 01:12:19,280

to check to make sure now

1843

01:12:24,070 --> 01:12:21,840

is the reason why his head is shattered

1844

01:12:26,630 --> 01:12:24,080

that he jumped out a window or was he

1845

01:12:29,030 --> 01:12:26,640

bashed on the back of the head first uh

1846

01:12:34,950 --> 01:12:29,040

but yeah there's like a lot of ties

1847

01:12:37,990 --> 01:12:34,960

between the sri and mk ultra and puharic

1848

01:12:40,229 --> 01:12:38,000

and gottlieb and olsen and all this kind

1849

01:12:42,790 --> 01:12:40,239

of stuff like a lot of this stuff it

1850

01:12:45,430 --> 01:12:42,800

ties back and forth and and i think part

1851

01:12:48,550 --> 01:12:45,440

of that you know i i keep going back to

1852

01:12:52,310 --> 01:12:48,560

you know it's it's these foundations uh

1853

01:12:55,189 --> 01:12:52,320

run by old money families who you know

1854

01:12:56,790 --> 01:12:55,199

uh i i like to point out that like the

1855

01:12:57,830 --> 01:12:56,800

cia

1856

01:13:00,790 --> 01:12:57,840

uh

1857

01:13:03,910 --> 01:13:00,800

the cia is is you know grew out of the

1858

01:13:07,270 --> 01:13:03,920

oss which was basically a bunch of skull

1859

01:13:11,430 --> 01:13:07,280

and bonesmen who once again old money

1860

01:13:14,470 --> 01:13:11,440

types prescott bush for instance and uh

1861

01:13:15,669 --> 01:13:14,480

billy russell and a lot of these folks

1862

01:13:18,470 --> 01:13:15,679

um

1863

01:13:21,189 --> 01:13:18,480

they were already rich and then they

1864

01:13:23,350 --> 01:13:21,199

doubled their wealth in the opium wars

1865

01:13:26,070 --> 01:13:23,360

you know so this this is this is like

1866

01:13:28,550 --> 01:13:26,080

these these old money families who uh

1867

01:13:30,830 --> 01:13:28,560

were involved in the opium wars and then

1868

01:13:34,550 --> 01:13:30,840

were selling heroin through the emerald

1869

01:13:37,669 --> 01:13:34,560

triangle uh in indochina and vietnam and

1870

01:13:40,870 --> 01:13:37,679

then afghanistan and you know

1871

01:13:43,189 --> 01:13:40,880

so that's like that that that's another

1872

01:13:45,590 --> 01:13:43,199

part of the story that i think uh

1873

01:13:47,030 --> 01:13:45,600

you know eventually eventually like i

1874

01:13:51,270 --> 01:13:47,040

said uh

1875

01:13:53,189 --> 01:13:51,280

the the the foundations and uh uh i

1876

01:13:55,350 --> 01:13:53,199

guess you call them oligarch families or

1877

01:13:57,030 --> 01:13:55,360

whatever i hear you and sometimes i

1878

01:13:59,110 --> 01:13:57,040

think that's true but sometimes i read

1879

01:14:00,870 --> 01:13:59,120

those biographies and it sounds just

1880

01:14:03,189 --> 01:14:00,880

like when we broke down elrond hubbard

1881

01:14:05,510 --> 01:14:03,199

and you go no i know that guy he's just

1882

01:14:08,630 --> 01:14:05,520

a he's just a hugster and when you read

1883

01:14:12,149 --> 01:14:08,640

about uh bush old man bush i understand

1884

01:14:14,630 --> 01:14:12,159

prescott bush he is not an insider he is

1885

01:14:17,669 --> 01:14:14,640

not an elite he doesn't have the money

1886

01:14:18,790 --> 01:14:17,679

what he sees is a way to get in with

1887

01:14:20,870 --> 01:14:18,800

this

1888

01:14:23,270 --> 01:14:20,880

these guys who do have the money and

1889

01:14:26,070 --> 01:14:23,280

maybe that'll get me the money and maybe

1890

01:14:28,229 --> 01:14:26,080

i can make my kids rich which he does

1891

01:14:30,310 --> 01:14:28,239

and all the rest of that stuff but yeah

1892

01:14:32,630 --> 01:14:30,320

yeah i look at prescott bush and i

1893

01:14:34,550 --> 01:14:32,640

understand prescott bush he's just

1894

01:14:37,990 --> 01:14:34,560

trying to he's trying to make it like

1895

01:14:40,229 --> 01:14:38,000

you said he's old-fashioned american

1896

01:14:41,830 --> 01:14:40,239

even though uh he has other and then the

1897

01:14:44,550 --> 01:14:41,840

other thing i always do in these

1898

01:14:46,229 --> 01:14:44,560

discussions that uh kind of shift things

1899

01:14:46,870 --> 01:14:46,239

a little bit just like that last one did

1900

01:14:48,709 --> 01:14:46,880

is

1901

01:14:51,189 --> 01:14:48,719

you got to look at the reincarnation

1902

01:14:53,430 --> 01:14:51,199

research science you know again i go to

1903

01:14:55,430 --> 01:14:53,440

university of virginia and you know you

1904

01:14:56,950 --> 01:14:55,440

look at what those guys did and all the

1905

01:14:58,709 --> 01:14:56,960

research they compiled and are still

1906

01:15:00,790 --> 01:14:58,719

compiling and jim tucker is still

1907

01:15:02,550 --> 01:15:00,800

compiling it and there's new stuff that

1908

01:15:05,270 --> 01:15:02,560

they're discovering all the time it

1909

01:15:07,510 --> 01:15:05,280

totally throws this for a loop the

1910

01:15:10,470 --> 01:15:07,520

bottom line for me is that people who

1911

01:15:11,830 --> 01:15:10,480

are messing with the spiritual realm

1912

01:15:13,830 --> 01:15:11,840

for the most part don't know what the

1913

01:15:15,590 --> 01:15:13,840

[h__h] they're doing you know not that

1914

01:15:17,430 --> 01:15:15,600

anyone can because the spirits like to

1915

01:15:18,870 --> 01:15:17,440

[h__h] with people that's the only thing

1916

01:15:20,709 --> 01:15:18,880

we can that's the only thing we can

1917

01:15:22,470 --> 01:15:20,719

surmise from all this is the spirits

1918

01:15:25,189 --> 01:15:22,480

like to [h__h] with people and when you

1919

01:15:27,830 --> 01:15:25,199

get god is different like the near death

1920

01:15:29,750 --> 01:15:27,840

experience accounts there's there's no

1921

01:15:31,430 --> 01:15:29,760

go go read them you can read thousands

1922

01:15:34,310 --> 01:15:31,440

of them you can search through the

1923

01:15:36,550 --> 01:15:34,320

near-death exp near-death uh research

1924

01:15:38,630 --> 01:15:36,560

foundation jeff long's website where he

1925

01:15:41,189 --> 01:15:38,640

has thousands of them chronicled new

1926

01:15:43,830 --> 01:15:41,199

york times best-selling author and uh a

1927

01:15:45,669 --> 01:15:43,840

doctor physician all these carefully

1928

01:15:47,350 --> 01:15:45,679

compiled surveys

1929

01:15:50,709 --> 01:15:47,360

there's no moloch

1930

01:15:53,430 --> 01:15:50,719

there's no uh satanic none of that when

1931

01:15:55,669 --> 01:15:53,440

these people encounter god encounter the

1932

01:15:57,590 --> 01:15:55,679

light walk into that there's none of

1933

01:15:59,270 --> 01:15:57,600

that nonsense

1934

01:16:01,750 --> 01:15:59,280

it's like if you want to create that

1935

01:16:04,149 --> 01:16:01,760

game down here well there's apparently

1936

01:16:06,149 --> 01:16:04,159

on some lower spiritual level there's

1937

01:16:07,750 --> 01:16:06,159

these entities that'll kind of jump

1938

01:16:10,790 --> 01:16:07,760

right in there and create that game with

1939

01:16:12,790 --> 01:16:10,800

you but on some other level it's not

1940

01:16:14,950 --> 01:16:12,800

real in some sense and again i'm not

1941

01:16:17,910 --> 01:16:14,960

saying i have any of that figured out to

1942

01:16:20,229 --> 01:16:17,920

any extent but i i kind of can call

1943

01:16:22,149 --> 01:16:20,239

[h__\h] on some of this stuff and the

1944

01:16:23,990 --> 01:16:22,159

one thing i'd call [h__\h] on is this

1945

01:16:26,709 --> 01:16:24,000

bloodline thing you can think your

1946

01:16:28,550 --> 01:16:26,719

bloodlines are super important and uh

1947

01:16:30,390 --> 01:16:28,560

reincarnation research will tell you

1948

01:16:31,910 --> 01:16:30,400

they don't mean [h__\h] you don't know

1949

01:16:34,390 --> 01:16:31,920

where you're gonna come back and who

1950

01:16:36,550 --> 01:16:34,400

you're gonna be and somebody can groom

1951

01:16:38,310 --> 01:16:36,560

you like your parents can groom you into

1952

01:16:40,310 --> 01:16:38,320

believing that all this stuff is true

1953

01:16:41,270 --> 01:16:40,320

but that don't make it true

1954

01:16:44,310 --> 01:16:41,280

so

1955

01:16:47,430 --> 01:16:44,320

i i i guess i i kind of got off on a bit

1956

01:16:49,990 --> 01:16:47,440

of a tangent there but that's my read of

1957

01:16:53,590 --> 01:16:50,000

these uh these families and oligarchs

1958

01:16:58,470 --> 01:16:56,229

regardless of whether you know like you

1959

01:17:01,750 --> 01:16:58,480

know they say you can't take it with you

1960

01:17:04,390 --> 01:17:01,760

if that goes for your consciousness and

1961

01:17:06,630 --> 01:17:04,400

your lineage or whatever then so be it

1962

01:17:10,149 --> 01:17:06,640

but i still i don't know for whatever

1963

01:17:12,790 --> 01:17:10,159

reason even even if it's not so much uh

1964

01:17:15,510 --> 01:17:12,800

even if it's more about you know

1965

01:17:17,030 --> 01:17:15,520

perpetuating uh the

1966

01:17:18,950 --> 01:17:17,040

uh

1967

01:17:20,950 --> 01:17:18,960

their thing you know that thing that

1968

01:17:23,510 --> 01:17:20,960

they're a part of uh

1969

01:17:26,470 --> 01:17:23,520

which which you know for for whatever

1970

01:17:29,830 --> 01:17:26,480

reason you know it makes no sense to me

1971

01:17:30,790 --> 01:17:29,840

why like royalty you know like literally

1972

01:17:31,750 --> 01:17:30,800

it's

1973

01:17:33,590 --> 01:17:31,760

uh

1974

01:17:37,830 --> 01:17:33,600

when you think about it

1975

01:17:42,390 --> 01:17:40,149

it's like you know okay let's let's find

1976

01:17:44,229 --> 01:17:42,400

the most inbred people in europe and

1977

01:17:46,870 --> 01:17:44,239

we'll just put them in charge of

1978

01:17:49,350 --> 01:17:46,880

everything because like honestly like

1979

01:17:51,990 --> 01:17:49,360

it's royalty the reason why the royals

1980

01:17:54,470 --> 01:17:52,000

tend to have hemophilia and polydactyly

1981

01:17:57,750 --> 01:17:54,480

why is that it's because

1982

01:17:59,590 --> 01:17:57,760

they only marry their cousins you know

1983

01:18:02,709 --> 01:17:59,600

that i i don't know it makes no sense to

1984

01:18:05,990 --> 01:18:02,719

me at all uh but

1985

01:18:07,590 --> 01:18:06,000

some reason for it uh you know like well

1986

01:18:10,550 --> 01:18:07,600

the reason for it is that they believe

1987

01:18:12,950 --> 01:18:10,560

it to be true you know so and and this

1988

01:18:15,430 --> 01:18:12,960

was why i kind of hammered so hard on

1989

01:18:17,350 --> 01:18:15,440

the christian thing it's like there's

1990

01:18:20,110 --> 01:18:17,360

millions of people hundreds and hundreds

1991

01:18:22,630 --> 01:18:20,120

of generations who have found

1992

01:18:24,709 --> 01:18:22,640

inspiration from

1993

01:18:27,030 --> 01:18:24,719

the life of jesus

1994

01:18:29,830 --> 01:18:27,040

well does it matter that that life isn't

1995

01:18:32,070 --> 01:18:29,840

historically accurate in some respects

1996

01:18:35,189 --> 01:18:32,080

it does and in some other respects it

1997

01:18:38,709 --> 01:18:35,199

doesn't because our connection to

1998

01:18:41,030 --> 01:18:38,719

this spiritual realm is misunderstood by

1999

01:18:43,110 --> 01:18:41,040

us because it has to be we are not in

2000

01:18:45,189 --> 01:18:43,120

the position we are the dog you know

2001

01:18:48,229 --> 01:18:45,199

like get i got a dog who's at the window

2002

01:18:50,310 --> 01:18:48,239

she wants to go for her walk she she is

2003

01:18:52,630 --> 01:18:50,320

incredibly empathetic on a number of

2004

01:18:54,390 --> 01:18:52,640

levels and it probably can process

2005

01:18:56,149 --> 01:18:54,400

information and you know can smell

2006

01:18:58,630 --> 01:18:56,159

things and all this but on another

2007

01:19:00,709 --> 01:18:58,640

cognitive level she just cannot process

2008

01:19:02,229 --> 01:19:00,719

things the same way that i can this is

2009

01:19:04,310 --> 01:19:02,239

what people tell us about being in the

2010

01:19:06,149 --> 01:19:04,320

extended realm all the time they say i

2011

01:19:08,229 --> 01:19:06,159

knew the answers to everything and then

2012

01:19:10,229 --> 01:19:08,239

when i came back here i didn't have them

2013

01:19:12,709 --> 01:19:10,239

anymore so does it surprise me that

2014

01:19:13,750 --> 01:19:12,719

people can follow some

2015

01:19:15,750 --> 01:19:13,760

really

2016

01:19:16,630 --> 01:19:15,760

being influenced into following some

2017

01:19:18,550 --> 01:19:16,640

really

2018

01:19:21,030 --> 01:19:18,560

sick stupid

2019

01:19:23,189 --> 01:19:21,040

thing of there's this bloodline and we

2020

01:19:25,510 --> 01:19:23,199

all have to have this family and stuff

2021

01:19:27,350 --> 01:19:25,520

like that because genealogically right

2022

01:19:29,590 --> 01:19:27,360

sometimes we have these royals in this

2023

01:19:31,830 --> 01:19:29,600

bloodline and then you find out there's

2024

01:19:34,149 --> 01:19:31,840

a little thing going on in the back and

2025

01:19:36,630 --> 01:19:34,159

that guy that kid wasn't exactly you

2026

01:19:38,709 --> 01:19:36,640

know this and that well hey he was up

2027

01:19:40,790 --> 01:19:38,719

until a minute ago he was a part of the

2028

01:19:43,830 --> 01:19:40,800

bloodline and the whole thing

2029

01:19:46,550 --> 01:19:43,840

it's it to me it fits much more into

2030

01:19:48,950 --> 01:19:46,560

that kind of scenario of a human created

2031

01:19:52,229 --> 01:19:48,960

a human

2032

01:19:54,630 --> 01:19:52,239

idea than it does this

2033

01:19:57,189 --> 01:19:54,640

the deep reality of

2034

01:19:59,590 --> 01:19:57,199

royals or bloodlines or any of the rest

2035

01:20:03,110 --> 01:19:59,600

human invention i think

2036

01:20:05,110 --> 01:20:03,120

oh yeah yeah uh you know i i would agree

2037

01:20:06,790 --> 01:20:05,120

with you there uh

2038

01:20:09,830 --> 01:20:06,800

but but at the same time i think that

2039

01:20:12,070 --> 01:20:09,840

there's some part of humanity that

2040

01:20:15,270 --> 01:20:12,080

apparently kind of craves it

2041

01:20:17,750 --> 01:20:15,280

because otherwise why would you know

2042

01:20:19,350 --> 01:20:17,760

it's it's one of those things um

2043

01:20:21,669 --> 01:20:19,360

you know like the

2044

01:20:23,910 --> 01:20:21,679

transpersonal it's a trans personal

2045

01:20:26,070 --> 01:20:23,920

experiences i guess uh charles tart

2046

01:20:28,070 --> 01:20:26,080

would put it because it's like the idea

2047

01:20:31,830 --> 01:20:28,080

of there's uh you know there's certain

2048

01:20:32,709 --> 01:20:31,840

things that show up in in every culture

2049

01:20:34,550 --> 01:20:32,719

and

2050

01:20:38,070 --> 01:20:34,560

like you know uh

2051

01:20:40,790 --> 01:20:38,080

the the the these basic archetypes

2052

01:20:42,629 --> 01:20:40,800

that you know they're going to be

2053

01:20:45,510 --> 01:20:42,639

shaded and colored a little bit

2054

01:20:48,310 --> 01:20:45,520

differently based on the individual and

2055

01:20:50,470 --> 01:20:48,320

the society and the culture that uh that

2056

01:20:52,470 --> 01:20:50,480

the individual is brought up in but

2057

01:20:53,270 --> 01:20:52,480

apart from that there are certain things

2058

01:20:55,750 --> 01:20:53,280

and

2059

01:20:58,629 --> 01:20:55,760

apparently having you know

2060

01:21:01,030 --> 01:20:58,639

one family that keeps ruling everything

2061

01:21:01,990 --> 01:21:01,040

that's that's something that shows up

2062

01:21:04,070 --> 01:21:02,000

like

2063

01:21:06,550 --> 01:21:04,080

you know just going back thousands of

2064

01:21:08,790 --> 01:21:06,560

years ago when the people over here and

2065

01:21:10,709 --> 01:21:08,800

people over there never could have you

2066

01:21:13,750 --> 01:21:10,719

know never could have met they weren't

2067

01:21:18,149 --> 01:21:13,760

able to compare notes but this kind of

2068

01:21:20,629 --> 01:21:18,159

tribalism and fiefdoms and and kingships

2069

01:21:23,590 --> 01:21:20,639

and uh by the way i'm not saying that

2070

01:21:25,590 --> 01:21:23,600

that's as it should be or or that we

2071

01:21:28,629 --> 01:21:25,600

shouldn't struggle against that i think

2072

01:21:31,830 --> 01:21:28,639

that a lot of what maybe is inherent in

2073

01:21:34,310 --> 01:21:31,840

human nature it's not necessarily a good

2074

01:21:35,830 --> 01:21:34,320

thing like if if all of human nature was

2075

01:21:37,910 --> 01:21:35,840

inherently good

2076
01:21:41,110 --> 01:21:37,920
then we wouldn't have the world that we

2077
01:21:44,870 --> 01:21:41,120
live in you know with with uh like

2078
01:21:47,350 --> 01:21:44,880
extreme injustice and inequality and all

2079
01:21:49,189 --> 01:21:47,360
this kind of stuff uh

2080
01:21:51,669 --> 01:21:49,199
but then on the other uh on the other

2081
01:21:54,550 --> 01:21:51,679
hand like i think that there's like some

2082
01:21:56,229 --> 01:21:54,560
part of it like i you know uh i think

2083
01:21:58,470 --> 01:21:56,239
that there's there's some kind of an

2084
01:22:01,430 --> 01:21:58,480
explanation for it but once again i

2085
01:22:03,270 --> 01:22:01,440
think it's you know probably archetypal

2086
01:22:05,430 --> 01:22:03,280
and metaphorical for the most part

2087
01:22:06,390 --> 01:22:05,440
that's that's one of the reasons why you

2088
01:22:07,750 --> 01:22:06,400

know

2089

01:22:11,030 --> 01:22:07,760

whether it's

2090

01:22:12,629 --> 01:22:11,040

religion mythology folklore or whatever

2091

01:22:13,590 --> 01:22:12,639

you know i think that there are some

2092

01:22:14,629 --> 01:22:13,600

things

2093

01:22:17,189 --> 01:22:14,639

that

2094

01:22:19,990 --> 01:22:17,199

you can't speak plainly about

2095

01:22:21,910 --> 01:22:20,000

and that's where poetry and art and

2096

01:22:24,149 --> 01:22:21,920

religion you know

2097

01:22:25,750 --> 01:22:24,159

they sometimes fare better than a simple

2098

01:22:27,750 --> 01:22:25,760

equation why do you keep throwing

2099

01:22:30,070 --> 01:22:27,760

religion in there why isn't religion

2100

01:22:32,550 --> 01:22:30,080

better understood as a mind control

2101
01:22:34,070 --> 01:22:32,560
social engineering project same way that

2102
01:22:36,870 --> 01:22:34,080
you said

2103
01:22:39,430 --> 01:22:36,880
that the intelligence organizations it

2104
01:22:41,270 --> 01:22:39,440
doesn't take long to build the playbook

2105
01:22:43,990 --> 01:22:41,280
you start finding certain things that

2106
01:22:46,229 --> 01:22:44,000
work trauma works you know group love

2107
01:22:48,470 --> 01:22:46,239
group community there our need to be a

2108
01:22:51,030 --> 01:22:48,480
pack you know these things work well why

2109
01:22:53,510 --> 01:22:51,040
why doesn't that just explain religion

2110
01:22:56,149 --> 01:22:53,520
in a way because i'm with you on poetry

2111
01:22:58,470 --> 01:22:56,159
and art and transcendent experiences

2112
01:23:00,390 --> 01:22:58,480
that we have that can do that and i

2113
01:23:02,709 --> 01:23:00,400

believe that you can attach a

2114

01:23:04,550 --> 01:23:02,719

transcendent experience to religion but

2115

01:23:06,470 --> 01:23:04,560

to me the idea that i'm going to put

2116

01:23:09,270 --> 01:23:06,480

together a book and become your

2117

01:23:12,310 --> 01:23:09,280

spiritual intermediary and tell you that

2118

01:23:15,189 --> 01:23:12,320

you cannot understand your experiences

2119

01:23:17,830 --> 01:23:15,199

unless you come through me

2120

01:23:20,390 --> 01:23:17,840

that just sounds like good old-fashioned

2121

01:23:23,189 --> 01:23:20,400

you know hokum to me uh my

2122

01:23:25,830 --> 01:23:23,199

and beyond hokum it sounds like

2123

01:23:28,229 --> 01:23:25,840

in coercion and ability to control

2124

01:23:30,629 --> 01:23:28,239

people in order to gain an advantage i

2125

01:23:32,390 --> 01:23:30,639

can see why you would think that and i

2126

01:23:35,990 --> 01:23:32,400

completely get why some people are

2127

01:23:36,870 --> 01:23:36,000

turned off of uh religion and especially

2128

01:23:38,470 --> 01:23:36,880

uh

2129

01:23:40,870 --> 01:23:38,480

especially like for instance

2130

01:23:43,350 --> 01:23:40,880

christianity and and i certainly

2131

01:23:44,629 --> 01:23:43,360

wouldn't uh try and pretend that

2132

01:23:46,709 --> 01:23:44,639

a mass

2133

01:23:49,910 --> 01:23:46,719

of evils hadn't been done in the name of

2134

01:23:52,550 --> 01:23:49,920

christianity in fact the majority maybe

2135

01:23:54,950 --> 01:23:52,560

even of what's been done in the name of

2136

01:23:57,750 --> 01:23:54,960

organized religion

2137

01:24:00,070 --> 01:23:57,760

most of it's not good stuff like i'll

2138

01:24:03,189 --> 01:24:00,080

go ahead and concede that right there

2139

01:24:04,629 --> 01:24:03,199

but like you know it's uh

2140

01:24:07,270 --> 01:24:04,639

whether you want to call it religion or

2141

01:24:09,350 --> 01:24:07,280

whatever but when cavemen first like

2142

01:24:11,750 --> 01:24:09,360

found some kind of mushroom and then all

2143

01:24:13,510 --> 01:24:11,760

of a sudden felt like putting some berry

2144

01:24:16,870 --> 01:24:13,520

juice on some walls and next thing you

2145

01:24:19,350 --> 01:24:16,880

know there's art there and uh i believe

2146

01:24:21,350 --> 01:24:19,360

that art and communication and language

2147

01:24:23,910 --> 01:24:21,360

i believe that they are all kind of tied

2148

01:24:26,790 --> 01:24:23,920

together and like the the word religion

2149

01:24:28,629 --> 01:24:26,800

itself you know ray lagare to bind back

2150

01:24:30,629 --> 01:24:28,639

together again i think that's what

2151
01:24:31,750 --> 01:24:30,639
religion should be

2152
01:24:34,310 --> 01:24:31,760
um

2153
01:24:37,030 --> 01:24:34,320
then again like i said as far as

2154
01:24:40,470 --> 01:24:37,040
organized religion yeah in in most cases

2155
01:24:43,030 --> 01:24:40,480
organized religion subverts that natural

2156
01:24:45,270 --> 01:24:43,040
desire for you know like you said

2157
01:24:49,030 --> 01:24:45,280
transcendence and in connection with the

2158
01:24:51,910 --> 01:24:49,040
divine or eternal or or or some higher

2159
01:24:53,669 --> 01:24:51,920
level which you know

2160
01:24:55,990 --> 01:24:53,679
even kurt girdle

2161
01:24:58,790 --> 01:24:56,000
showed us that even math is incomplete

2162
01:25:00,870 --> 01:24:58,800
you know even our number system like

2163
01:25:03,030 --> 01:25:00,880

there there are some inconsistencies and

2164

01:25:04,229 --> 01:25:03,040

then you have to go to a higher level

2165

01:25:06,149 --> 01:25:04,239

and then that one's going to have

2166

01:25:08,470 --> 01:25:06,159

inconsistencies and it's just you know

2167

01:25:10,229 --> 01:25:08,480

infinite regression from there i know

2168

01:25:12,470 --> 01:25:10,239

i'm kind of hammering on the religion

2169

01:25:14,790 --> 01:25:12,480

thing but i can't i can't let go without

2170

01:25:17,590 --> 01:25:14,800

this story so i'm interviewing this guy

2171

01:25:20,070 --> 01:25:17,600

jurgen ziva unbelievably fantastic i

2172

01:25:23,189 --> 01:25:20,080

love this guy one of the most gifted out

2173

01:25:25,510 --> 01:25:23,199

of body experience travelers if you will

2174

01:25:29,590 --> 01:25:25,520

he's written this book multi-dimensional

2175

01:25:31,830 --> 01:25:29,600

man and he's just has this ability to

2176

01:25:34,870 --> 01:25:31,840

leave his body and enter into these

2177

01:25:37,189 --> 01:25:34,880

extended realms in a very very

2178

01:25:39,030 --> 01:25:37,199

amazing way that he can bring back this

2179

01:25:41,350 --> 01:25:39,040

information anyways

2180

01:25:43,350 --> 01:25:41,360

he's telling me this story about his

2181

01:25:44,709 --> 01:25:43,360

trip to greece and i don't know if

2182

01:25:47,189 --> 01:25:44,719

you've ever seen

2183

01:25:48,950 --> 01:25:47,199

this monastery in greece that's built on

2184

01:25:50,470 --> 01:25:48,960

this little island

2185

01:25:52,870 --> 01:25:50,480

and it's this tiny little island and

2186

01:25:56,070 --> 01:25:52,880

they built this huge fortress because

2187

01:25:57,910 --> 01:25:56,080

you know this carrying the light of god

2188

01:25:59,750 --> 01:25:57,920

is not easy and there's people who are

2189

01:26:02,070 --> 01:25:59,760

going to attack you so you gotta have a

2190

01:26:04,070 --> 01:26:02,080

fortress than the monastery

2191

01:26:06,310 --> 01:26:04,080

and you walk up if you ever see a

2192

01:26:08,950 --> 01:26:06,320

picture of it you have to walk up this

2193

01:26:11,110 --> 01:26:08,960

trail of miles up and up and up and up

2194

01:26:13,110 --> 01:26:11,120

the mountain and he does that and he

2195

01:26:14,950 --> 01:26:13,120

gets there and there's all these greek

2196

01:26:16,870 --> 01:26:14,960

orthodox which was i was raised greek

2197

01:26:18,629 --> 01:26:16,880

orthodox

2198

01:26:20,550 --> 01:26:18,639

and there's all these people there who

2199

01:26:22,790 --> 01:26:20,560

are trying to have some kind of

2200

01:26:25,430 --> 01:26:22,800

experience some kind of connection

2201
01:26:28,310 --> 01:26:25,440
but they're not allowed in the monastery

2202
01:26:30,870 --> 01:26:28,320
you know you can only go like to the

2203
01:26:34,470 --> 01:26:30,880
gift shop kind of thing

2204
01:26:38,229 --> 01:26:34,480
lo and behold one of the priests leans

2205
01:26:40,950 --> 01:26:38,239
over and sees jurgen

2206
01:26:44,229 --> 01:26:40,960
come on in come on in come on in

2207
01:26:47,189 --> 01:26:44,239
gives him this special kind of treatment

2208
01:26:49,350 --> 01:26:47,199
or something going on here right so he

2209
01:26:51,189 --> 01:26:49,360
brings him into this room

2210
01:26:52,950 --> 01:26:51,199
and first they connect and they talk and

2211
01:26:54,149 --> 01:26:52,960
they're just like they like each other

2212
01:26:55,750 --> 01:26:54,159
and they talk and they have this thing

2213
01:26:56,790 --> 01:26:55,760

and then he says hey i want to show you

2214

01:26:58,550 --> 01:26:56,800

something

2215

01:27:01,430 --> 01:26:58,560

and the priest brings him into the room

2216

01:27:03,430 --> 01:27:01,440

and the room is black dark

2217

01:27:04,390 --> 01:27:03,440

and suddenly he goes over and he hears a

2218

01:27:06,950 --> 01:27:04,400

creaking

2219

01:27:08,870 --> 01:27:06,960

metal thing and he's lowering

2220

01:27:10,310 --> 01:27:08,880

this candle

2221

01:27:15,510 --> 01:27:10,320

chandelier

2222

01:27:16,629 --> 01:27:15,520

candle light reaches and it shows this

2223

01:27:17,669 --> 01:27:16,639

icon

2224

01:27:19,910 --> 01:27:17,679

of

2225

01:27:21,510 --> 01:27:19,920

i forget it was some saint virgin mary i

2226

01:27:24,229 --> 01:27:21,520

don't know

2227

01:27:26,790 --> 01:27:24,239

jurgen says it was an unbelievable

2228

01:27:30,070 --> 01:27:26,800

ecstatic experience

2229

01:27:33,189 --> 01:27:30,080

tears were dripping down my face i felt

2230

01:27:34,709 --> 01:27:33,199

in my heart uh the love of god just

2231

01:27:37,669 --> 01:27:34,719

burst through me

2232

01:27:39,830 --> 01:27:37,679

and i was like shaken to my knees

2233

01:27:41,910 --> 01:27:39,840

and the guy quick quick quick creak

2234

01:27:44,229 --> 01:27:41,920

pulls the chandelier up and it's dark

2235

01:27:47,510 --> 01:27:44,239

again and he goes oh my god that was

2236

01:27:48,310 --> 01:27:47,520

such an incredible experience you know

2237

01:27:50,790 --> 01:27:48,320

so

2238

01:27:52,390 --> 01:27:50,800

he comes back the next day jurgen does

2239

01:27:54,629 --> 01:27:52,400

he wants to see this guy he wants to

2240

01:27:56,950 --> 01:27:54,639

kind of rehab that experience and just

2241

01:27:59,030 --> 01:27:56,960

kind of understand it at a deeper level

2242

01:28:01,030 --> 01:27:59,040

and he says hey you know i want to go

2243

01:28:02,070 --> 01:28:01,040

see father phillip or whatever the guy's

2244

01:28:03,669 --> 01:28:02,080

name is

2245

01:28:05,830 --> 01:28:03,679

and he goes what are you talking about

2246

01:28:07,350 --> 01:28:05,840

no no no you can't get in here and then

2247

01:28:09,030 --> 01:28:07,360

suddenly father phillip comes in and

2248

01:28:10,310 --> 01:28:09,040

goes oh no that's my buddy and he lets

2249

01:28:11,430 --> 01:28:10,320

him in he goes

2250

01:28:14,070 --> 01:28:11,440

you know i was thinking about that

2251

01:28:15,910 --> 01:28:14,080

experience i want to know he goes okay

2252

01:28:18,229 --> 01:28:15,920

i'll take you to another room

2253

01:28:21,270 --> 01:28:18,239

so he takes him to another room same

2254

01:28:24,709 --> 01:28:21,280

thing completely dark lowers the candles

2255

01:28:26,550 --> 01:28:24,719

again he has this ecstatic experience

2256

01:28:28,470 --> 01:28:26,560

this connection with christ

2257

01:28:32,470 --> 01:28:28,480

consciousness this connection with the

2258

01:28:35,750 --> 01:28:32,480

love of god it is complete it is

2259

01:28:39,350 --> 01:28:35,760

all-consuming outside of space and time

2260

01:28:41,270 --> 01:28:39,360

but the question that i asked jurgen is

2261

01:28:43,669 --> 01:28:41,280

so are you a christian

2262

01:28:44,629 --> 01:28:43,679

he kind of chuckles he's austrian german

2263

01:28:47,189 --> 01:28:44,639

he goes

2264

01:28:49,189 --> 01:28:47,199

well well no i'm not a christian

2265

01:28:51,270 --> 01:28:49,199

and his answer is kind of like

2266

01:28:53,510 --> 01:28:51,280

i've had these experiences

2267

01:28:56,229 --> 01:28:53,520

you know a good part of my life and it's

2268

01:28:58,229 --> 01:28:56,239

incredible that i had him from this icon

2269

01:29:01,590 --> 01:28:58,239

and this icon was able to

2270

01:29:03,990 --> 01:29:01,600

initiate that inside of me but i don't

2271

01:29:06,950 --> 01:29:04,000

understand that to mean that i should

2272

01:29:09,830 --> 01:29:06,960

follow all the other stuff

2273

01:29:13,830 --> 01:29:09,840

that they believe there's a direct

2274

01:29:16,550 --> 01:29:13,840

spirit out there that is god that i'm

2275

01:29:17,830 --> 01:29:16,560

way way paraphrasing for jurgen but you

2276

01:29:18,950 --> 01:29:17,840

get the point

2277

01:29:21,910 --> 01:29:18,960

and

2278

01:29:23,110 --> 01:29:21,920

that's i guess where i come down on

2279

01:29:28,550 --> 01:29:23,120

religion

2280

01:29:31,110 --> 01:29:28,560

intermediary between you

2281

01:29:33,270 --> 01:29:31,120

and your relationship with god but to

2282

01:29:34,470 --> 01:29:33,280

attach it to the icon

2283

01:29:36,310 --> 01:29:34,480

is

2284

01:29:37,750 --> 01:29:36,320

it might be useful because the icon

2285

01:29:40,390 --> 01:29:37,760

might help

2286

01:29:42,149 --> 01:29:40,400

you have that trans-personal experience

2287

01:29:43,830 --> 01:29:42,159

but back to what you're saying by buddha

2288

01:29:45,830 --> 01:29:43,840

pointing to the moon it's it's just a

2289

01:29:48,790 --> 01:29:45,840

finger point the bible

2290

01:29:52,550 --> 01:29:48,800

yeah yeah yeah the red words caught up

2291

01:29:54,629 --> 01:29:52,560

on the well even the red words

2292

01:29:56,870 --> 01:29:54,639

and the red words aren't the red words

2293

01:29:59,590 --> 01:29:56,880

they're just your red words they're just

2294

01:30:01,830 --> 01:29:59,600

your interpretation of they're not the

2295

01:30:04,950 --> 01:30:01,840

red words they're just red words in a

2296

01:30:11,270 --> 01:30:07,669

as for me i guess as for

2297

01:30:13,669 --> 01:30:11,280

like the red words no i i mean more so

2298

01:30:16,709 --> 01:30:13,679

like you know just the the pared down

2299

01:30:17,669 --> 01:30:16,719

message love tolerance forgiveness you

2300

01:30:25,830 --> 01:30:17,679

know

2301

01:30:28,709 --> 01:30:25,840

down to the essentials i think that's

2302

01:30:31,830 --> 01:30:28,719

you know that's like everybody uh

2303

01:30:34,229 --> 01:30:31,840

everybody's clamoring for a revolution i

2304

01:30:37,350 --> 01:30:34,239

hope they realize that until people have

2305

01:30:39,510 --> 01:30:37,360

a revolution within themselves

2306

01:30:42,629 --> 01:30:39,520

then it's not going to change out here

2307

01:30:44,709 --> 01:30:42,639

because the way the way the world is and

2308

01:30:46,629 --> 01:30:44,719

the reason why it's the way it is is

2309

01:30:49,110 --> 01:30:46,639

because of the way the people are

2310

01:30:51,110 --> 01:30:49,120

because you know we've been you know

2311

01:30:54,550 --> 01:30:51,120

creating culture for thousands of years

2312

01:30:57,830 --> 01:30:54,560

and so now we're uh born into this world

2313

01:30:59,669 --> 01:30:57,840

with thousands of years of of cultures

2314

01:31:02,390 --> 01:30:59,679

and culture clashes

2315

01:31:04,550 --> 01:31:02,400

basically the idea though of of

2316

01:31:06,709 --> 01:31:04,560

love and forgiveness and what you know i

2317

01:31:09,270 --> 01:31:06,719

i definitely believe that's you know

2318

01:31:12,229 --> 01:31:09,280

it's it's it's key to just living a good

2319

01:31:16,149 --> 01:31:12,239

life until until you you know change

2320

01:31:19,750 --> 01:31:16,159

yourself from within and uh can be more

2321

01:31:22,149 --> 01:31:19,760

loving and kind and you know uh

2322

01:31:23,750 --> 01:31:22,159

then then all the other things all the

2323

01:31:26,550 --> 01:31:23,760

other work it's

2324

01:31:28,790 --> 01:31:26,560

not going to be as uh uh

2325

01:31:31,350 --> 01:31:28,800

productive as it could be or should be

2326

01:31:32,870 --> 01:31:31,360

maybe okay i'm going to pull you in a

2327

01:31:35,110 --> 01:31:32,880

different direction i know i'm raking

2328

01:31:37,750 --> 01:31:35,120

you over the coals here but

2329

01:31:38,950 --> 01:31:37,760

that's what we do on skeptico the et

2330

01:31:42,870 --> 01:31:38,960

thing

2331

01:31:45,910 --> 01:31:42,880

let me play a little clip

2332

01:31:47,910 --> 01:31:45,920

from i think a a really great movie not

2333

01:31:50,229 --> 01:31:47,920

a perfect movie but a great movie the

2334

01:31:51,270 --> 01:31:50,239

phenomenon and and then we'll talk about

2335

01:31:53,830 --> 01:31:51,280

it

2336

01:31:56,390 --> 01:31:53,840

cases oh yeah that are not explainable

2337

01:31:58,310 --> 01:31:56,400

in conventional terms

2338

01:31:59,750 --> 01:31:58,320

that have been made by credible

2339

01:32:03,350 --> 01:31:59,760

observers

2340

01:32:05,590 --> 01:32:03,360

of relatively incredible things

2341

01:32:07,110 --> 01:32:05,600

we got right up to it it lit up was this

2342

01:32:10,629 --> 01:32:07,120

a warning was this an attempt to

2343

01:32:11,910 --> 01:32:10,639

communicate sounds good

2344

01:32:13,910 --> 01:32:11,920

i was

2345

01:32:17,510 --> 01:32:13,920

running and playing and then i saw this

2346

01:32:20,070 --> 01:32:17,520

maroon color in the sky

2347

01:32:21,410 --> 01:32:20,080

it was not anything from this earth it

2348

01:32:23,750 --> 01:32:21,420

was looking at all of us

2349

01:32:26,149 --> 01:32:23,760

[Music]

2350

01:32:29,030 --> 01:32:26,159

okay i might stop there where my

2351

01:32:30,950 --> 01:32:29,040

starting point i guess especially lately

2352

01:32:35,590 --> 01:32:30,960

for people who are

2353

01:32:36,870 --> 01:32:35,600

not et ufo friendly or not on board is

2354

01:32:41,110 --> 01:32:36,880

the nukes

2355

01:32:43,030 --> 01:32:41,120

all the [h__\h] all the consciousness

2356

01:32:47,910 --> 01:32:43,040

[h__\h] and get right down to nuts and

2357

01:32:49,030 --> 01:32:47,920

bolts so the ufos fly over the nukes in

2358

01:32:51,270 --> 01:32:49,040

maelstrom

2359

01:32:53,350 --> 01:32:51,280

air force base and they

2360

01:32:55,990 --> 01:32:53,360

the guys report hey

2361

01:32:57,910 --> 01:32:56,000

there's ufos up here what do we do so

2362

01:32:59,910 --> 01:32:57,920

this is in the record like this is the

2363

01:33:01,270 --> 01:32:59,920

military has records of this and this

2364

01:33:03,590 --> 01:33:01,280

has come out because these guys have

2365

01:33:06,310 --> 01:33:03,600

disclosed it and then they say well gosh

2366

01:33:08,550 --> 01:33:06,320

i don't know and then the ufos fly over

2367

01:33:11,830 --> 01:33:08,560

each one of the silos they shoot down a

2368

01:33:13,910 --> 01:33:11,840

red beam and they disable the nukes one

2369

01:33:16,070 --> 01:33:13,920

by one and each one of these by our best

2370

01:33:18,629 --> 01:33:16,080

technology our best computers of the

2371

01:33:20,790 --> 01:33:18,639

1960s 70s whatever they are these things

2372

01:33:22,790 --> 01:33:20,800

are completely independent that's the

2373

01:33:24,950 --> 01:33:22,800

idea you wouldn't want one nuke going

2374

01:33:27,110 --> 01:33:24,960

out and oh gosh go plug it back in

2375

01:33:30,070 --> 01:33:27,120

they're all out it's like no this is

2376

01:33:32,870 --> 01:33:30,080

impossible to do so there is an

2377

01:33:34,790 --> 01:33:32,880

intelligence that flies around in these

2378

01:33:37,110 --> 01:33:34,800

nuts and bolts crafts and shoots down

2379

01:33:40,470 --> 01:33:37,120

this beam and this intelligence has the

2380

01:33:43,990 --> 01:33:40,480

ability to understand our most advanced

2381

01:33:45,990 --> 01:33:44,000

technology and disable it now in russia

2382

01:33:47,750 --> 01:33:46,000

in the ukraine after the

2383

01:33:49,830 --> 01:33:47,760

wall falls and he goes in there they go

2384

01:33:50,709 --> 01:33:49,840

oh you know what same thing happened to

2385

01:33:52,950 --> 01:33:50,719

us

2386

01:33:55,669 --> 01:33:52,960

but they turned them on

2387

01:33:56,550 --> 01:33:55,679

the nukes flew over our silos and one by

2388

01:33:58,229 --> 01:33:56,560

one

2389

01:34:00,310 --> 01:33:58,239

they turned them on and we were

2390

01:34:01,750 --> 01:34:00,320

panicking we were like these things are

2391

01:34:02,790 --> 01:34:01,760

going to go off and the world is going

2392

01:34:04,790 --> 01:34:02,800

to end because we're going to be

2393

01:34:08,790 --> 01:34:04,800

destroyed and then

2394

01:34:11,830 --> 01:34:08,800

the ufos shut them down one by one so

2395

01:34:14,070 --> 01:34:11,840

when people are not like i say ufo

2396

01:34:16,950 --> 01:34:14,080

friendly and et friendly because some

2397

01:34:19,990 --> 01:34:16,960

people strangely enough will acknowledge

2398

01:34:22,229 --> 01:34:20,000

ufos but will not acknowledge e.t

2399

01:34:24,149 --> 01:34:22,239

i i i it i don't know here we have the

2400

01:34:26,629 --> 01:34:24,159

intel so we have the nuts and bolts here

2401

01:34:28,550 --> 01:34:26,639

we have intelligence we have technology

2402

01:34:31,110 --> 01:34:28,560

and we have some kind of message which

2403

01:34:33,990 --> 01:34:31,120

gets us into the good e.t bad et thing

2404

01:34:40,390 --> 01:34:37,590

what say you feel i'm i'm not certain i

2405

01:34:41,350 --> 01:34:40,400

kind of like once again the the idea

2406

01:34:46,550 --> 01:34:41,360

that

2407

01:34:49,669 --> 01:34:46,560

about all through history you know

2408

01:34:53,189 --> 01:34:49,679

ezeziel talks about flying saucers you

2409

01:34:57,270 --> 01:34:53,199

know there's uh there's whirling fires

2410

01:35:00,790 --> 01:34:57,280

in the sky and you know i think that

2411

01:35:03,830 --> 01:35:00,800

since we're in a post-industrial society

2412

01:35:07,189 --> 01:35:03,840

that's why we're seeing them as aliens

2413

01:35:09,750 --> 01:35:07,199

and in flying saucers hold on gotta jump

2414

01:35:10,550 --> 01:35:09,760

in there it doesn't wash in the sense

2415

01:35:12,870 --> 01:35:10,560

that

2416

01:35:15,350 --> 01:35:12,880

if we are going to have this discussion

2417

01:35:16,870 --> 01:35:15,360

if we are in this consensus reality

2418

01:35:19,189 --> 01:35:16,880

speaking around the world you're in the

2419

01:35:21,189 --> 01:35:19,199

philippines i'm in southern california

2420

01:35:23,510 --> 01:35:21,199

we're talking through zoom where all

2421

01:35:26,390 --> 01:35:23,520

this stuff works if we're going to

2422

01:35:27,990 --> 01:35:26,400

accept that that is the the consensus

2423

01:35:29,669 --> 01:35:28,000

reality because there can be all sorts

2424

01:35:31,590 --> 01:35:29,679

of different realities as we're saying

2425

01:35:34,149 --> 01:35:31,600

there can be this extended consciousness

2426

01:35:35,350 --> 01:35:34,159

reality there can be this simulation

2427

01:35:37,510 --> 01:35:35,360

that we're in there can be all this

2428

01:35:39,430 --> 01:35:37,520

other [h__h] but for right now we're

2429

01:35:41,910 --> 01:35:39,440

talking about the nuts and bolts reality

2430

01:35:44,390 --> 01:35:41,920

of us communicating in zoom that is the

2431

01:35:46,950 --> 01:35:44,400

same reality that they experienced at

2432

01:35:48,790 --> 01:35:46,960

the nuclear air force base and that they

2433

01:35:51,270 --> 01:35:48,800

had these rockets that if they shoot

2434

01:35:53,510 --> 01:35:51,280

them off they do go and they do blow up

2435

01:35:56,470 --> 01:35:53,520

[h__h] and they would destroy

2436

01:35:59,189 --> 01:35:56,480

incinerate millions of people and they

2437

01:36:01,350 --> 01:35:59,199

turned them on and turned them off so

2438

01:36:04,390 --> 01:36:01,360

i think we just have to

2439

01:36:07,669 --> 01:36:04,400

put ezekiel to the side for a minute and

2440

01:36:09,910 --> 01:36:07,679

say this is what happened here this is

2441

01:36:12,229 --> 01:36:09,920

our nuts and bolts reality and then we

2442

01:36:14,950 --> 01:36:12,239

have to try and make sense of that

2443

01:36:17,109 --> 01:36:14,960

inside of this reality before we start

2444

01:36:18,310 --> 01:36:17,119

jumping off into some other you know

2445

01:36:19,830 --> 01:36:18,320

kind of right

2446

01:36:23,270 --> 01:36:19,840

what i'm saying though what we're

2447

01:36:25,590 --> 01:36:23,280

experienced as you know uh

2448

01:36:29,590 --> 01:36:25,600

there's the dwarf

2449

01:36:32,149 --> 01:36:29,600

in the the the celtic idea or the uh

2450

01:36:34,950 --> 01:36:32,159

anunnaki for the sumerians but there's

2451

01:36:37,350 --> 01:36:34,960

you know this idea that once again it's

2452

01:36:40,070 --> 01:36:37,360

uh it's people who never met each other

2453

01:36:40,870 --> 01:36:40,080

had an idea of you know there were these

2454

01:36:44,709 --> 01:36:40,880

these

2455

01:36:47,510 --> 01:36:44,719

uh brilliantly talented uh people or the

2456

01:36:50,629 --> 01:36:47,520

idea of uh you know the the nephilim

2457

01:36:53,830 --> 01:36:50,639

those who came from above you know that

2458

01:36:56,229 --> 01:36:53,840

the word elohim is is plural by the way

2459

01:36:58,950 --> 01:36:56,239

meaning they who come from above

2460

01:37:01,189 --> 01:36:58,960

i think that there's a possibility that

2461

01:37:03,750 --> 01:37:01,199

there can be different different

2462

01:37:05,270 --> 01:37:03,760

explanations for different uh phenomenon

2463

01:37:07,669 --> 01:37:05,280

and experiences

2464

01:37:09,430 --> 01:37:07,679

but uh i think there's also a

2465

01:37:11,590 --> 01:37:09,440

possibility that

2466

01:37:15,270 --> 01:37:11,600

you know whatever it was

2467

01:37:18,229 --> 01:37:15,280

that the egyptians saw uh and and and

2468

01:37:20,790 --> 01:37:18,239

the mayans saw you know like there there

2469

01:37:21,590 --> 01:37:20,800

you know there are some uh

2470

01:37:26,709 --> 01:37:21,600

you know

2471

01:37:33,270 --> 01:37:30,149

i guess you could call them uh gods or

2472

01:37:35,350 --> 01:37:33,280

or demiurges or angels or demons or you

2473

01:37:38,790 --> 01:37:35,360

could call them uh you know

2474

01:37:41,350 --> 01:37:38,800

hyperdimensional beings or or whatever

2475

01:37:42,709 --> 01:37:41,360

uh but yeah i think that there's like

2476

01:37:45,109 --> 01:37:42,719

even if

2477

01:37:47,669 --> 01:37:45,119

and uh here's where we might disagree

2478

01:37:50,229 --> 01:37:47,679

again even if reality is just what we

2479

01:37:51,189 --> 01:37:50,239

believe etcetera etcetera and

2480

01:37:52,709 --> 01:37:51,199

you know

2481

01:37:56,870 --> 01:37:52,719

but even so

2482

01:37:58,790 --> 01:37:56,880

even if there are no angels and demons

2483

01:38:01,750 --> 01:37:58,800

there are because they exist in our

2484

01:38:04,629 --> 01:38:01,760

dreams they are because they exist like

2485

01:38:07,830 --> 01:38:04,639

that's why they're in our mythology i

2486

01:38:09,910 --> 01:38:07,840

think it was ernst casserer uh caster

2487

01:38:12,470 --> 01:38:09,920

the dreams are private myths and

2488

01:38:14,790 --> 01:38:12,480

mythology or public dreams like that's

2489

01:38:17,510 --> 01:38:14,800

kind of the way i see it as far as like

2490

01:38:20,390 --> 01:38:17,520

the consensus trance and consensual

2491

01:38:21,910 --> 01:38:20,400

reality or whatever yeah i think i think

2492

01:38:23,830 --> 01:38:21,920

that um

2493

01:38:26,709 --> 01:38:23,840

you know there's a firm

2494

01:38:29,350 --> 01:38:26,719

scientific basis for the idea that

2495

01:38:32,070 --> 01:38:29,360

things are not as they appear just just

2496

01:38:34,629 --> 01:38:32,080

that that alone i think i think that can

2497

01:38:36,310 --> 01:38:34,639

be taken to be you know uh

2498

01:38:39,910 --> 01:38:36,320

as a fundamental things are not

2499

01:38:41,669 --> 01:38:39,920

necessarily as they they appear uh

2500

01:38:43,270 --> 01:38:41,679

you know for instance

2501

01:38:45,750 --> 01:38:43,280

just write down the fact that like you

2502

01:38:48,790 --> 01:38:45,760

know the things that appear solid to me

2503

01:38:51,270 --> 01:38:48,800

are actually vibrating on on on some

2504

01:38:54,149 --> 01:38:51,280

level you know everything's vibrating on

2505

01:38:57,270 --> 01:38:54,159

some level uh regardless how it it

2506

01:39:00,550 --> 01:38:57,280

appears on the level you know however i

2507

01:39:03,109 --> 01:39:00,560

have to process it uh in order to uh you

2508

01:39:06,070 --> 01:39:03,119

know uh

2509

01:39:08,790 --> 01:39:06,080

like uh what was it the uh

2510

01:39:10,709 --> 01:39:08,800

i i corresponded with uh dr charles tart

2511

01:39:12,790 --> 01:39:10,719

for a little while i liked his

2512

01:39:16,629 --> 01:39:12,800

description of ego

2513

01:39:19,270 --> 01:39:16,639

as a reality coping mechanism the idea

2514

01:39:21,990 --> 01:39:19,280

of i for instance that this is my

2515

01:39:22,870 --> 01:39:22,000

reality coping mechanism my personality

2516

01:39:27,590 --> 01:39:22,880

the

2517

01:39:29,910 --> 01:39:27,600

this is just this is just how i deal

2518

01:39:31,990 --> 01:39:29,920

with the fact that

2519

01:39:35,109 --> 01:39:32,000

you know uh

2520

01:39:37,750 --> 01:39:35,119

like i'm i i'm not the same body that i

2521

01:39:41,270 --> 01:39:37,760

was 10 years ago i'm not the same mind

2522

01:39:43,750 --> 01:39:41,280

that i was uh five minutes ago you know

2523

01:39:47,350 --> 01:39:43,760

it's you know uh

2524

01:39:49,430 --> 01:39:47,360

uh so yeah like i i honestly don't i

2525

01:39:50,470 --> 01:39:49,440

don't know how important it is

2526

01:39:53,590 --> 01:39:50,480

to know

2527

01:39:54,470 --> 01:39:53,600

uh whether whether uh you know something

2528

01:39:57,270 --> 01:39:54,480

is

2529

01:39:59,430 --> 01:39:57,280

uh just an archetypal metaphor and

2530

01:40:02,950 --> 01:39:59,440

that's why it's in everybody's uh

2531

01:40:05,189 --> 01:40:02,960

mythology and dreams and you know

2532

01:40:07,510 --> 01:40:05,199

uh shows up in art and literature over

2533

01:40:10,470 --> 01:40:07,520

and over again like is there you know i

2534

01:40:13,350 --> 01:40:10,480

i don't even know you know i mean i i i

2535

01:40:15,270 --> 01:40:13,360

see the value and if there if there was

2536

01:40:19,189 --> 01:40:15,280

a way to get a crowbar and pull them

2537

01:40:21,669 --> 01:40:19,199

apart but as it is like if if you can't

2538

01:40:24,950 --> 01:40:21,679

like i think maybe part of the mystery

2539

01:40:27,510 --> 01:40:24,960

is part of the fun you know like uh

2540

01:40:29,590 --> 01:40:27,520

it's kind of like the idea of you know

2541

01:40:33,030 --> 01:40:29,600

of course we can't understand you know

2542

01:40:35,669 --> 01:40:33,040

the mind of god the the the you can't

2543

01:40:37,669 --> 01:40:35,679

understand how could you fathom that of

2544

01:40:40,149 --> 01:40:37,679

whatever created you that's like the

2545

01:40:41,910 --> 01:40:40,159

idea of uh you know i've heard it said

2546

01:40:44,629 --> 01:40:41,920

that if uh

2547

01:40:48,470 --> 01:40:44,639

you know our brains are far too you know

2548

01:40:50,790 --> 01:40:48,480

complex for us to fully understand uh

2549

01:40:53,830 --> 01:40:50,800

and if they were simple enough for us to

2550

01:40:56,790 --> 01:40:53,840

figure out we would be too dumb

2551

01:40:59,030 --> 01:40:56,800

at that point you know so it's it's like

2552

01:41:01,270 --> 01:40:59,040

that's that that's how i see that whole

2553

01:41:04,070 --> 01:41:01,280

you know it's it's kind of like a

2554

01:41:06,550 --> 01:41:04,080

like a riddle or a co-on or whatever but

2555

01:41:08,709 --> 01:41:06,560

like like for me i you know i don't know

2556

01:41:11,830 --> 01:41:08,719

i don't know if it's uh entirely

2557

01:41:14,310 --> 01:41:11,840

important to know you know uh

2558

01:41:17,030 --> 01:41:14,320

uh when it when it comes to uh to some

2559

01:41:20,870 --> 01:41:17,040

matters anyways i i can see where uh for

2560

01:41:23,350 --> 01:41:20,880

other people uh it would be a of a much

2561

01:41:26,310 --> 01:41:23,360

greater value and and like i said if

2562

01:41:28,390 --> 01:41:26,320

there was an answer there is you know uh

2563

01:41:32,390 --> 01:41:28,400

you know a definitive answer but that's

2564

01:41:34,310 --> 01:41:32,400

the whole thing you know uh sometimes uh

2565

01:41:36,870 --> 01:41:34,320

it like

2566

01:41:39,590 --> 01:41:36,880

that's that's one of the key i think

2567

01:41:40,950 --> 01:41:39,600

traps of science too really you know

2568

01:41:44,870 --> 01:41:40,960

like

2569

01:41:46,950 --> 01:41:44,880

just think of a molecule for instance

2570

01:41:48,870 --> 01:41:46,960

you know like you can write down what a

2571

01:41:52,229 --> 01:41:48,880

molecule looks like

2572

01:41:55,109 --> 01:41:52,239

but molecules are 3d so that's not what

2573

01:41:57,350 --> 01:41:55,119

a molecule looks like you know and also

2574

01:41:59,750 --> 01:41:57,360

like you've got this molecule and it's

2575

01:42:02,310 --> 01:41:59,760

like in this arm's going out here

2576

01:42:04,229 --> 01:42:02,320

but you can also bend it this way and

2577

01:42:05,510 --> 01:42:04,239

it's the same molecule

2578

01:42:08,470 --> 01:42:05,520

but you know

2579

01:42:10,870 --> 01:42:08,480

if it's right armed or left arm it it

2580

01:42:13,109 --> 01:42:10,880

changes the way like it affects

2581

01:42:15,830 --> 01:42:13,119

everything so i think like you know

2582

01:42:18,070 --> 01:42:15,840

that's that's one of the uh traps of

2583

01:42:20,870 --> 01:42:18,080

science is that if you try to like

2584

01:42:22,550 --> 01:42:20,880

quantify everything then you're missing

2585

01:42:25,910 --> 01:42:22,560

something you're going to miss something

2586

01:42:28,470 --> 01:42:25,920

you know like i like i i i wouldn't

2587

01:42:30,790 --> 01:42:28,480

presume to understand like you know uh

2588

01:42:33,189 --> 01:42:30,800

quantum science or anything but i know

2589

01:42:33,910 --> 01:42:33,199

enough about like everett wheeler and

2590

01:42:41,109 --> 01:42:33,920

the

2591

01:42:43,109 --> 01:42:41,119

uh you know

2592

01:42:47,270 --> 01:42:43,119

things definitely aren't as they appear

2593

01:42:48,229 --> 01:42:47,280

reality is not as it appears and

2594

01:42:49,430 --> 01:42:48,239

uh

2595

01:42:51,830 --> 01:42:49,440

you know i i don't think it's a

2596

01:42:53,830 --> 01:42:51,840

coincidence that so many uh

2597

01:42:54,790 --> 01:42:53,840

you know like is it a coincidence that

2598

01:42:57,910 --> 01:42:54,800

so many

2599

01:43:01,430 --> 01:42:57,920

conscious uh consciousness researchers

2600

01:43:04,950 --> 01:43:01,440

uh and and physicists and and quantum

2601
01:43:08,149 --> 01:43:04,960
mechanics end up like becoming mystics i

2602
01:43:10,550 --> 01:43:08,159
don't think it is i think you know uh

2603
01:43:12,790 --> 01:43:10,560
once you realize oh wait everything's

2604
01:43:15,189 --> 01:43:12,800
buzzing everything's vibrating i just

2605
01:43:18,390 --> 01:43:15,199
can't see it because i would go crazy if

2606
01:43:20,870 --> 01:43:18,400
i saw and heard everything you know uh

2607
01:43:24,310 --> 01:43:20,880
so yeah for for me like i don't know as

2608
01:43:27,270 --> 01:43:24,320
far as the the alien and the the you i i

2609
01:43:30,390 --> 01:43:27,280
definitely i definitely uh think that

2610
01:43:33,189 --> 01:43:30,400
there may be a connection between the uh

2611
01:43:35,669 --> 01:43:33,199
ufos uap i guess is the new politically

2612
01:43:38,550 --> 01:43:35,679
correct term uh

2613
01:43:41,990 --> 01:43:38,560

uh and and et's i don't know there there

2614

01:43:45,430 --> 01:43:42,000

may be but uh i'm also

2615

01:43:47,830 --> 01:43:45,440

uh like as as as far as i know you know

2616

01:43:50,470 --> 01:43:47,840

like uh

2617

01:43:52,629 --> 01:43:50,480

maybe they just exist on on some mental

2618

01:43:55,910 --> 01:43:52,639

level but once again like that's not

2619

01:43:58,870 --> 01:43:55,920

that's not any less real to me like if

2620

01:44:01,350 --> 01:43:58,880

if you don't have any matter if you're

2621

01:44:03,590 --> 01:44:01,360

if you're just like uh

2622

01:44:04,870 --> 01:44:03,600

an idea form you know

2623

01:44:06,870 --> 01:44:04,880

um

2624

01:44:09,590 --> 01:44:06,880

like that's that's like the idea of a

2625

01:44:11,830 --> 01:44:09,600

like you know a tulpa in tibet

2626
01:44:14,709 --> 01:44:11,840
in tibetan buddhism like you know when

2627
01:44:16,709 --> 01:44:14,719
when you create an idea and

2628
01:44:19,030 --> 01:44:16,719
that's basically what a mean is though

2629
01:44:20,390 --> 01:44:19,040
too you know for that matter like you

2630
01:44:23,189 --> 01:44:20,400
know memes

2631
01:44:25,350 --> 01:44:23,199
uh that's like in the dawkins sense

2632
01:44:28,229 --> 01:44:25,360
anyways like you know cultures made up

2633
01:44:31,590 --> 01:44:28,239
of memes and tropes and these uh you

2634
01:44:33,790 --> 01:44:31,600
know images and glyphs and and so yeah

2635
01:44:36,709 --> 01:44:33,800
whether or not like they're

2636
01:44:37,669 --> 01:44:36,719
extraterrestrial or hyperdimensional

2637
01:44:41,669 --> 01:44:37,679
or

2638
01:44:42,790 --> 01:44:41,679

just constructs and archetypes like

2639

01:44:45,430 --> 01:44:42,800

they

2640

01:44:48,310 --> 01:44:45,440

i don't think like one has more or less

2641

01:44:49,510 --> 01:44:48,320

power necessarily like you know

2642

01:44:50,870 --> 01:44:49,520

if they're

2643

01:44:53,910 --> 01:44:50,880

uh

2644

01:44:56,950 --> 01:44:53,920

disc corporate or or corporate like i

2645

01:44:58,790 --> 01:44:56,960

don't know i don't know i uh i i don't

2646

01:45:01,669 --> 01:44:58,800

even know like

2647

01:45:04,950 --> 01:45:01,679

for me it's it's it's not like a huge

2648

01:45:07,430 --> 01:45:04,960

deal but i think part of that is because

2649

01:45:09,910 --> 01:45:07,440

like uh i don't know i i don't i don't

2650

01:45:11,510 --> 01:45:09,920

think uh i don't think all the mysteries

2651
01:45:13,590 --> 01:45:11,520
are gonna be unraveled in this life

2652
01:45:16,229 --> 01:45:13,600
necessarily per se

2653
01:45:18,790 --> 01:45:16,239
phil i i love what you just said about

2654
01:45:20,550 --> 01:45:18,800
tarte and the reality coping mechanism

2655
01:45:22,149 --> 01:45:20,560
that you bring because part of what

2656
01:45:24,229 --> 01:45:22,159
we're doing and part of what kind of

2657
01:45:27,350 --> 01:45:24,239
drew me to your work is

2658
01:45:28,070 --> 01:45:27,360
there's something about truth that and

2659
01:45:30,709 --> 01:45:28,080
the

2660
01:45:32,950 --> 01:45:30,719
systematic pursuit of truth

2661
01:45:35,669 --> 01:45:32,960
the unflinching

2662
01:45:38,629 --> 01:45:35,679
pursuit of truth that i think

2663
01:45:40,629 --> 01:45:38,639

does bolster our spirits a little bit it

2664

01:45:42,830 --> 01:45:40,639

allows us to sort through what's real

2665

01:45:45,990 --> 01:45:42,840

and what's not so i

2666

01:45:47,430 --> 01:45:46,000

is alone it's like it's like the pursuit

2667

01:45:49,750 --> 01:45:47,440

of happiness like that's where the

2668

01:45:51,910 --> 01:45:49,760

happiness is at the happiness is in the

2669

01:45:53,830 --> 01:45:51,920

pursuit of it you know what happens if

2670

01:45:55,590 --> 01:45:53,840

you catch happiness well i don't know

2671

01:45:58,550 --> 01:45:55,600

you better let it go else what do you

2672

01:46:01,430 --> 01:45:58,560

have to pursue now

2673

01:46:03,590 --> 01:46:01,440

so what what are you pursuing now what

2674

01:46:05,510 --> 01:46:03,600

what's going on in in your world and

2675

01:46:07,590 --> 01:46:05,520

what's coming up for you

2676

01:46:10,310 --> 01:46:07,600

uh you know um

2677

01:46:12,950 --> 01:46:10,320

uh i i haven't i haven't announced what

2678

01:46:15,189 --> 01:46:12,960

the next uh project that i'm currently

2679

01:46:16,310 --> 01:46:15,199

working on is i'm still waiting for the

2680

01:46:18,790 --> 01:46:16,320

second book

2681

01:46:20,629 --> 01:46:18,800

uh edits to be finished and you know

2682

01:46:23,350 --> 01:46:20,639

speaking of edits i wasn't able to get

2683

01:46:25,510 --> 01:46:23,360

the uh pedogate primer was not

2684

01:46:29,109 --> 01:46:25,520

professionally edited i had to proofread

2685

01:46:31,510 --> 01:46:29,119

that myself and there are some uh uh

2686

01:46:33,430 --> 01:46:31,520

some grammar and typo issues that i'm

2687

01:46:37,109 --> 01:46:33,440

hopefully gonna get fixed soon

2688

01:46:38,310 --> 01:46:37,119

uh but yeah by next year i hope to have

2689

01:46:47,510 --> 01:46:38,320

uh

2690

01:46:50,550 --> 01:46:47,520

the veils of the unelected shadow

2691

01:46:51,910 --> 01:46:50,560

government uh and in another project

2692

01:46:55,430 --> 01:46:51,920

that i've been working on for a little

2693

01:47:00,070 --> 01:46:55,440

over a year now and um i'm gonna be real

2694

01:47:02,070 --> 01:47:00,080

coy uh and and not give anything away

2695

01:47:04,390 --> 01:47:02,080

while also get

2696

01:47:06,149 --> 01:47:04,400

i i gave you i'll give you a big hint

2697

01:47:09,510 --> 01:47:06,159

but at the same time it gives nothing

2698

01:47:11,990 --> 01:47:09,520

away it has to do with dr morris west

2699

01:47:16,470 --> 01:47:12,000

which really narrows it down so it could

2700

01:47:18,470 --> 01:47:16,480

be about jonestown or jfk or mcveigh or

2701

01:47:21,030 --> 01:47:18,480

scientology or charles manson or you

2702

01:47:23,750 --> 01:47:21,040

know who knows maybe k ultra or whatever

2703

01:47:28,149 --> 01:47:23,760

but it's gonna have something to do with

2704

01:47:30,390 --> 01:47:28,159

uh uh with uh dr dr west uh like i said

2705

01:47:32,709 --> 01:47:30,400

i've i've gotten some of his papers from

2706

01:47:34,870 --> 01:47:32,719

the library special collection they're

2707

01:47:37,189 --> 01:47:34,880

luckily able to like digitize it and

2708

01:47:39,109 --> 01:47:37,199

send it to me i had to wait like a few

2709

01:47:40,709 --> 01:47:39,119

weeks or whatever because they give you

2710

01:47:42,709 --> 01:47:40,719

know ucla

2711

01:47:45,109 --> 01:47:42,719

staff and students obviously get first

2712

01:47:46,950 --> 01:47:45,119

dibs and if you're not then you just

2713

01:47:49,669 --> 01:47:46,960

have to wait a few weeks or a month and

2714

01:47:51,750 --> 01:47:49,679

a half or whatever and then they said in

2715

01:47:54,629 --> 01:47:51,760

another month which is like two or three

2716

01:47:56,709 --> 01:47:54,639

weeks from now i should be able to uh

2717

01:47:58,470 --> 01:47:56,719

request some more and then i'll be able

2718

01:48:00,790 --> 01:47:58,480

to wait three or four more weeks but no

2719

01:48:03,430 --> 01:48:00,800

i'm gonna be stacking morris west

2720

01:48:05,510 --> 01:48:03,440

documents over the next uh few months

2721

01:48:06,950 --> 01:48:05,520

that's uh that's definitely a big part

2722

01:48:10,229 --> 01:48:06,960

of it i've got a

2723

01:48:12,790 --> 01:48:10,239

uh so some interviews uh like the the

2724

01:48:15,189 --> 01:48:12,800

the first book you know

2725

01:48:17,270 --> 01:48:15,199

the first book in the uh the second one

2726

01:48:18,550 --> 01:48:17,280

the the deep state book both of them are

2727

01:48:21,910 --> 01:48:18,560

very similar

2728

01:48:22,950 --> 01:48:21,920

and they take a very like uh wide

2729

01:48:26,870 --> 01:48:22,960

approach

2730

01:48:28,550 --> 01:48:26,880

you know it's just a survey it's like uh

2731

01:48:30,149 --> 01:48:28,560

just showing all these different things

2732

01:48:32,149 --> 01:48:30,159

and like you know they're all kind of

2733

01:48:35,910 --> 01:48:32,159

somewhat connected to kind of give you

2734

01:48:38,629 --> 01:48:35,920

this you know wide angle view of things

2735

01:48:40,790 --> 01:48:38,639

uh but on the project that i'm working

2736

01:48:43,189 --> 01:48:40,800

on right now that i'm doing the research

2737

01:48:45,109 --> 01:48:43,199

and note-taking and interviewing uh

2738

01:48:48,709 --> 01:48:45,119

process of now

2739

01:48:51,030 --> 01:48:48,719

this is going to be a deep dive like uh

2740

01:48:53,189 --> 01:48:51,040

which you know i think both are equally

2741

01:48:55,830 --> 01:48:53,199

important just depending you know

2742

01:48:58,629 --> 01:48:55,840

depending on uh because once again

2743

01:49:02,070 --> 01:48:58,639

depending on on the angle that you look

2744

01:49:03,590 --> 01:49:02,080

at something from you know uh the the

2745

01:49:06,709 --> 01:49:03,600

the observer

2746

01:49:09,109 --> 01:49:06,719

and the observed it's it's you know uh

2747

01:49:10,790 --> 01:49:09,119

like that that right there by the way

2748

01:49:12,830 --> 01:49:10,800

you know that kind of thing that's

2749

01:49:16,390 --> 01:49:12,840

that's that's poetry to me that's

2750

01:49:19,430 --> 01:49:16,400

transcendental you know uh

2751
01:49:21,030 --> 01:49:19,440
it's a and and and and i also agree with

2752
01:49:22,790 --> 01:49:21,040
you by the way

2753
01:49:25,189 --> 01:49:22,800
is something uh

2754
01:49:27,430 --> 01:49:25,199
in the search for truth and not just

2755
01:49:29,830 --> 01:49:27,440
happiness but in the search for you know

2756
01:49:32,790 --> 01:49:29,840
truth and meaning because that's you

2757
01:49:34,870 --> 01:49:32,800
know i i personally believe that like

2758
01:49:35,830 --> 01:49:34,880
you know hedonism will only get you so

2759
01:49:37,510 --> 01:49:35,840
far

2760
01:49:39,430 --> 01:49:37,520
um

2761
01:49:41,350 --> 01:49:39,440
maybe some folks i i

2762
01:49:44,310 --> 01:49:41,360
definitely folks are built different and

2763
01:49:46,149 --> 01:49:44,320

you know your mileage may vary but but

2764

01:49:48,470 --> 01:49:46,159

you know for my money's worth i think i

2765

01:49:52,790 --> 01:49:48,480

think that we all get more out of

2766

01:49:56,310 --> 01:49:52,800

reality if you know if we sh

2767

01:49:57,830 --> 01:49:56,320

kind and and once again uh like the idea

2768

01:50:00,390 --> 01:49:57,840

of you know everybody who wants a

2769

01:50:01,830 --> 01:50:00,400

revolution you know like you realize

2770

01:50:04,709 --> 01:50:01,840

like

2771

01:50:06,870 --> 01:50:04,719

revolutions

2772

01:50:09,189 --> 01:50:06,880

they often have very similar endings you

2773

01:50:10,950 --> 01:50:09,199

know it's it's like the who song it meet

2774

01:50:12,070 --> 01:50:10,960

the new boss he's the same as the old

2775

01:50:13,990 --> 01:50:12,080

boss

2776

01:50:16,790 --> 01:50:14,000

so until we're able to like you know

2777

01:50:18,550 --> 01:50:16,800

figure out what's going on in here and

2778

01:50:20,229 --> 01:50:18,560

in here that's

2779

01:50:23,189 --> 01:50:20,239

that you know that's the only chance we

2780

01:50:25,589 --> 01:50:23,199

have for any real meaningful revolution

2781

01:50:28,229 --> 01:50:25,599

or change is is when we're able to

2782

01:50:30,470 --> 01:50:28,239

change ourselves uh and change our

2783

01:50:32,629 --> 01:50:30,480

immediate surroundings and environment

2784

01:50:35,830 --> 01:50:32,639

you know uh make the world a little

2785

01:50:38,870 --> 01:50:35,840

better around you and and hope that

2786

01:50:41,750 --> 01:50:38,880

trickles down i guess yeah i guess

2787

01:50:43,990 --> 01:50:41,760

trickle down is all we can hope for but

2788

01:50:46,470 --> 01:50:44,000

we're all trickling down into each other

2789

01:50:48,709 --> 01:50:46,480

and and i i've really benefited a lot

2790

01:50:51,109 --> 01:50:48,719

from the stuff that you've done that's

2791

01:50:52,790 --> 01:50:51,119

trickled down my way and i hope people

2792

01:50:54,550 --> 01:50:52,800

check out your website you have some

2793

01:50:56,149 --> 01:50:54,560

you're a great writer you really are and

2794

01:50:58,550 --> 01:50:56,159

you really bring up

2795

01:51:00,629 --> 01:50:58,560

a lightness to it and but get all the

2796

01:51:03,350 --> 01:51:00,639

facts out there so yeah

2797

01:51:05,910 --> 01:51:03,360

yeah like i talk about a lot of deep and

2798

01:51:07,830 --> 01:51:05,920

dark subjects and you know at the same

2799

01:51:09,430 --> 01:51:07,840

time i i don't think people are able to

2800

01:51:11,990 --> 01:51:09,440

like square it with me you know when i

2801
01:51:14,070 --> 01:51:12,000
was doing the the higher side chats i

2802
01:51:16,390 --> 01:51:14,080
saw some people are like you know

2803
01:51:18,229 --> 01:51:16,400
like is is he is he taking this stuff as

2804
01:51:19,990 --> 01:51:18,239
a joke or something like no

2805
01:51:22,229 --> 01:51:20,000
i've got kind of a super silliest

2806
01:51:24,629 --> 01:51:22,239
expression half the time because if i

2807
01:51:28,629 --> 01:51:24,639
didn't i would go crazy you know like

2808
01:51:31,430 --> 01:51:28,639
honestly like i make light of things uh

2809
01:51:33,990 --> 01:51:31,440
you know because things are so heavy you

2810
01:51:36,470 --> 01:51:34,000
know things are really heavy and that's

2811
01:51:38,310 --> 01:51:36,480
no reason to let yourself get dragged

2812
01:51:40,629 --> 01:51:38,320
down by them you know that's another

2813
01:51:42,229 --> 01:51:40,639

thing that you know i i always try and

2814

01:51:44,149 --> 01:51:42,239

mention you know

2815

01:51:46,229 --> 01:51:44,159

um

2816

01:51:47,189 --> 01:51:46,239

one of one of the tricks

2817

01:51:51,589 --> 01:51:47,199

of

2818

01:51:53,790 --> 01:51:51,599

the powers that be or however you want

2819

01:51:56,470 --> 01:51:53,800

to describe them is

2820

01:51:57,910 --> 01:51:56,480

demoralization and depression you know

2821

01:51:59,589 --> 01:51:57,920

uh because

2822

01:52:01,430 --> 01:51:59,599

you're not gonna be on top of things

2823

01:52:02,550 --> 01:52:01,440

you're not gonna change anything in your

2824

01:52:07,990 --> 01:52:02,560

own life

2825

01:52:10,070 --> 01:52:08,000

if you're demoralized and depressed and

2826
01:52:12,149 --> 01:52:10,080
it's easy to get that way when when you

2827
01:52:14,950 --> 01:52:12,159
see like oh well it looks like you know

2828
01:52:16,550 --> 01:52:14,960
but no i i don't buy the fact that like

2829
01:52:19,990 --> 01:52:16,560
evil is in charge

2830
01:52:23,030 --> 01:52:20,000
no i just don't buy it i just don't feel

2831
01:52:26,550 --> 01:52:23,040
it i don't believe it's true i could be

2832
01:52:28,870 --> 01:52:26,560
wrong you know and if i am wrong well

2833
01:52:31,589 --> 01:52:28,880
you know i'm i'm glad that i'm wrong

2834
01:52:33,750 --> 01:52:31,599
because i'm going to have a better life

2835
01:52:34,629 --> 01:52:33,760
not believing that evil is in charge and

2836
01:52:37,510 --> 01:52:34,639
being

2837
01:52:39,750 --> 01:52:37,520
frozen with fear or indecision as a

2838
01:52:42,629 --> 01:52:39,760

result so yeah

2839

01:52:44,390 --> 01:52:42,639

wow that's really pretty deep i think

2840

01:52:46,149 --> 01:52:44,400

that's very profound

2841

01:52:48,790 --> 01:52:46,159

and i agree with you i think the

2842

01:52:51,669 --> 01:52:48,800

evidence suggests the opposite

2843

01:52:54,550 --> 01:52:51,679

is that the light is in charge and the

2844

01:52:56,709 --> 01:52:54,560

good is in charge and it's a million

2845

01:52:59,270 --> 01:52:56,719

times brighter and stronger than the

2846

01:53:00,950 --> 01:52:59,280

dark and that's why the dark

2847

01:53:03,510 --> 01:53:00,960

you know

2848

01:53:05,189 --> 01:53:03,520

thrashes around and does all this stuff

2849

01:53:07,510 --> 01:53:05,199

and plays all this game because it's the

2850

01:53:09,910 --> 01:53:07,520

only attention they're going to get

2851
01:53:11,589 --> 01:53:09,920
like a temper tantrum yeah that's right

2852
01:53:13,430 --> 01:53:11,599
and in the stillness of our heart when

2853
01:53:15,510 --> 01:53:13,440
we wade out into the ocean i'm gonna go

2854
01:53:17,189 --> 01:53:15,520
into the ocean later on today and you

2855
01:53:19,270 --> 01:53:17,199
wait out there a little bit and you look

2856
01:53:22,310 --> 01:53:19,280
at the immensity of it and

2857
01:53:25,030 --> 01:53:22,320
how small you are and yet how

2858
01:53:27,430 --> 01:53:25,040
god still penetrates through all that

2859
01:53:28,310 --> 01:53:27,440
immensity and reaches you

2860
01:53:34,629 --> 01:53:28,320
that's

2861
01:53:36,149 --> 01:53:34,639
that they're calling magic is just

2862
01:53:38,950 --> 01:53:36,159
tricks

2863
01:53:41,990 --> 01:53:38,960

right absolutely yeah yeah yeah

2864

01:53:44,229 --> 01:53:42,000

basically parlor tricks yeah

2865

01:53:47,189 --> 01:53:44,239

so awesome man thank you for taking so

2866

01:53:49,350 --> 01:53:47,199

much time with me i'm super interested

2867

01:53:51,109 --> 01:53:49,360

in the jolly book so let me know when

2868

01:53:52,709 --> 01:53:51,119

that comes out yeah i can't wait to

2869

01:53:55,589 --> 01:53:52,719

share it with you and i'll see on the

2870

01:53:58,229 --> 01:53:55,599

union oh definitely hope so yeah that

2871

01:53:59,830 --> 01:53:58,239

was a lot of fun thanks again by the way

2872

01:54:01,430 --> 01:53:59,840

i appreciate it

2873

01:54:03,990 --> 01:54:01,440

thanks again to phillip fairbanks for

2874

01:54:06,390 --> 01:54:04,000

joining me today on skeptico the one

2875

01:54:09,030 --> 01:54:06,400

question i t up from this interview is

2876
01:54:11,109 --> 01:54:09,040
what are we to make of our government's

2877
01:54:13,830 --> 01:54:11,119
involvement in

2878
01:54:17,350 --> 01:54:13,840
the scariest darkest evil stuff that

2879
01:54:19,750 --> 01:54:17,360
they have been exposed now to be a part

2880
01:54:22,950 --> 01:54:19,760
of openly we all do this all along

2881
01:54:26,870 --> 01:54:22,960
there's a new little expose out on the

2882
01:54:28,790 --> 01:54:26,880
cia and sex trafficking kids as part of

2883
01:54:29,990 --> 01:54:28,800
their intelligence gathering i mean

2884
01:54:33,109 --> 01:54:30,000
that's just

2885
01:54:34,629 --> 01:54:33,119
we knew it but it's just we can't really

2886
01:54:37,030 --> 01:54:34,639
really really

2887
01:54:39,030 --> 01:54:37,040
get there from here you know land of the

2888
01:54:41,350 --> 01:54:39,040

free home of the brave and

2889

01:54:43,270 --> 01:54:41,360

oh let me procure a two-year-old boy for

2890

01:54:45,189 --> 01:54:43,280

you let me procure a six-year-old girl

2891

01:54:47,510 --> 01:54:45,199

for you in the hopes that i get some

2892

01:54:49,750 --> 01:54:47,520

information we i don't know i mean i

2893

01:54:51,030 --> 01:54:49,760

can't process that i don't know how that

2894

01:54:53,430 --> 01:54:51,040

fits together

2895

01:54:55,750 --> 01:54:53,440

maybe you do and that's i guess the

2896

01:54:57,910 --> 01:54:55,760

question to tee up from this interview

2897

01:54:59,589 --> 01:54:57,920

is how do we wrap our head around that

2898

01:55:02,310 --> 01:54:59,599

let me know your thoughts

2899

01:55:03,589 --> 01:55:02,320

it's not always dark but as phil does a

2900

01:55:04,629 --> 01:55:03,599

great job of pointing out in this

2901
01:55:07,430 --> 01:55:04,639
interview

2902
01:55:08,790 --> 01:55:07,440
when it is we have to face it and find a

2903
01:55:10,470 --> 01:55:08,800
way through it without getting

2904
01:55:11,830 --> 01:55:10,480
demoralized without getting depressed

2905
01:55:14,310 --> 01:55:11,840
with a way of

2906
01:55:15,430 --> 01:55:14,320
continuing to pursue

2907
01:55:17,510 --> 01:55:15,440
the light

2908
01:55:19,750 --> 01:55:17,520
at least that's what seems to make the

2909
01:55:22,149 --> 01:55:19,760
most sense to me

2910
01:55:23,860 --> 01:55:22,159
until next time take care and bye for

2911
01:55:37,450 --> 01:55:23,870
now
