***STANDING FOR
SCIENCE AND
LIBERTY***

#535-MARK-GOBER

1
00:00:04,470 --> 00:00:03,189
this time i'm skeptical

2
00:00:06,230 --> 00:00:04,480
is your relationship with my client

3
00:00:07,590 --> 00:00:06,240
entirely platonic not

4
00:00:09,509 --> 00:00:07,600
it's not your relationship with my

5
00:00:13,110 --> 00:00:09,519
client point

6
00:00:14,870 --> 00:00:13,120
dead baby bad baby mystery you had sex

7
00:00:17,189 --> 00:00:14,880
with her every time you met didn't you

8
00:00:19,910 --> 00:00:17,199
didn't you liar he's badgering the

9
00:00:21,990 --> 00:00:19,920
witness it's his witness

10
00:00:24,390 --> 00:00:22,000
that's jim carrey from the movie liar

11
00:00:26,710 --> 00:00:24,400
liar where a lawyer is cursed with

12
00:00:27,990 --> 00:00:26,720
having to tell the truth you're going to

13
00:00:30,390 --> 00:00:28,000

hear more from jim carrey in just a

14

00:00:32,549 --> 00:00:30,400

minute you're also going to hear how

15

00:00:33,670 --> 00:00:32,559

there's this direct connection between

16

00:00:35,670 --> 00:00:33,680

lying

17

00:00:36,810 --> 00:00:35,680

telling the truth truth seeking

18

00:00:38,310 --> 00:00:36,820

and liberty

19

00:00:40,549 --> 00:00:38,320

[Music]

20

00:00:42,549 --> 00:00:40,559

liberty is eroding at an alarming rate

21

00:00:45,590 --> 00:00:42,559

that's today's guest mark gober talking

22

00:00:47,830 --> 00:00:45,600

about his new book an end to upside down

23

00:00:50,869 --> 00:00:47,840

liberty and more generally talking about

24

00:00:53,350 --> 00:00:50,879

the situation we find ourselves in today

25

00:00:55,430 --> 00:00:53,360

now i don't want to go too dramatic too

26

00:00:56,389 --> 00:00:55,440

conspiratorial because that turns off

27

00:00:57,670 --> 00:00:56,399

people

28

00:01:00,790 --> 00:00:57,680

but

29

00:01:03,029 --> 00:01:00,800

we do go a little nazi on this one

30

00:01:05,109 --> 00:01:03,039

but sticking to the nazi parallel

31

00:01:07,270 --> 00:01:05,119

because it's easy

32

00:01:09,350 --> 00:01:07,280

we're burning books now

33

00:01:12,070 --> 00:01:09,360

when you're banning people

34

00:01:14,789 --> 00:01:12,080

de-platforming people people who have

35

00:01:16,870 --> 00:01:14,799

phds have a long history of publishing

36

00:01:19,030 --> 00:01:16,880

in peer-reviewed medical journals and

37

00:01:20,950 --> 00:01:19,040

they're pulled from

38

00:01:23,350 --> 00:01:20,960

all the platforms

39

00:01:25,270 --> 00:01:23,360

everywhere we look there is

40

00:01:27,590 --> 00:01:25,280

an ideology and if you don't agree with

41

00:01:29,270 --> 00:01:27,600

that ideology whether it's medically or

42

00:01:31,030 --> 00:01:29,280

politically or anything

43

00:01:33,350 --> 00:01:31,040

you're a conspiracy theorist you're

44

00:01:36,630 --> 00:01:33,360

spreading dangerous misinformation which

45

00:01:38,469 --> 00:01:36,640

these are very anti-scientific ideas the

46

00:01:40,710 --> 00:01:38,479

the exploration of science or anything

47

00:01:41,910 --> 00:01:40,720

in the world is to explore and to

48

00:01:43,590 --> 00:01:41,920

explore many different theories and

49

00:01:45,670 --> 00:01:43,600

right now there's less and less of an

50

00:01:46,950 --> 00:01:45,680

ability to do that

51
00:01:49,590 --> 00:01:46,960
one of the things i looked at in this

52
00:01:50,950 --> 00:01:49,600
book is the impact of

53
00:01:53,190 --> 00:01:50,960
mind control

54
00:01:55,030 --> 00:01:53,200
propaganda brainwashing through multiple

55
00:01:56,950 --> 00:01:55,040
venues so mainstream media but also

56
00:01:58,310 --> 00:01:56,960
through social media and tech because if

57
00:02:00,389 --> 00:01:58,320
we think about the way in which we view

58
00:02:01,910 --> 00:02:00,399
the world and the way

59
00:02:03,749 --> 00:02:01,920
the reasons that we have opinions about

60
00:02:05,350 --> 00:02:03,759
the world are informed by

61
00:02:07,190 --> 00:02:05,360
what we personally experience which is

62
00:02:09,109 --> 00:02:07,200
very limited and what we're told and

63
00:02:11,350 --> 00:02:09,119

that comes about through social media

64

00:02:14,150 --> 00:02:11,360

the news books we read

65

00:02:15,830 --> 00:02:14,160

and if what we can research outside of

66

00:02:17,430 --> 00:02:15,840

our own individual experience is being

67

00:02:19,350 --> 00:02:17,440

limited intentionally where certain

68

00:02:20,550 --> 00:02:19,360

ideas no we can't talk about that that's

69

00:02:22,309 --> 00:02:20,560

going to be censored that's going to be

70

00:02:25,110 --> 00:02:22,319

shadow band where you can't see it as

71

00:02:27,430 --> 00:02:25,120

easily then there is a capacity to alter

72

00:02:29,830 --> 00:02:27,440

consciousness on a mass scale

73

00:02:31,830 --> 00:02:29,840

i know shadow banning sensoring yada

74

00:02:34,229 --> 00:02:31,840

yada but if you've been around this show

75

00:02:36,229 --> 00:02:34,239

for a while you know that the origins of

76

00:02:38,070 --> 00:02:36,239

the show are really with the frontier

77

00:02:40,309 --> 00:02:38,080

science people i'm talking about people

78

00:02:42,070 --> 00:02:40,319

in parapsychology in near-death

79

00:02:43,910 --> 00:02:42,080

experience science and after death

80

00:02:46,470 --> 00:02:43,920

communication science reincarnation

81

00:02:49,110 --> 00:02:46,480

science i could go on and on all the

82

00:02:51,190 --> 00:02:49,120

people who have pushed back against this

83

00:02:53,110 --> 00:02:51,200

crazy you are a biological robot in a

84

00:02:55,750 --> 00:02:53,120

meaningless universe and you have no

85

00:02:57,990 --> 00:02:55,760

connection to anything more

86

00:03:00,790 --> 00:02:58,000

we fought that battle

87

00:03:03,030 --> 00:03:00,800

so why aren't we battle tested why

88

00:03:05,670 --> 00:03:03,040

aren't we the first ones

89

00:03:08,149 --> 00:03:05,680

to stand up and sound the alarm about

90

00:03:09,670 --> 00:03:08,159

where this ship is headed

91

00:03:12,229 --> 00:03:09,680

and to a certain extent i guess the

92

00:03:15,910 --> 00:03:12,239

reason i get so hyped up about it is

93

00:03:18,070 --> 00:03:15,920

that if we can't call it from what we've

94

00:03:20,470 --> 00:03:18,080

seen in the last 10 years in the

95

00:03:22,550 --> 00:03:20,480

frontier science consciousness community

96

00:03:24,390 --> 00:03:22,560

if we we were

97

00:03:26,710 --> 00:03:24,400

we were there

98

00:03:29,270 --> 00:03:26,720

we were the frontiersmen arrows in the

99

00:03:32,149 --> 00:03:29,280

front and arrows in the back we should

100

00:03:34,390 --> 00:03:32,159

be the people that said look here's how

101
00:03:37,990 --> 00:03:34,400
it happened back then and here's how

102
00:03:40,390 --> 00:03:38,000
it's being amped up 10 times in terms of

103
00:03:42,789 --> 00:03:40,400
the co-opting of science really the just

104
00:03:45,270 --> 00:03:42,799
complete assault on science well i hear

105
00:03:47,350 --> 00:03:45,280
you alex i think it's uh

106
00:03:48,550 --> 00:03:47,360
there seems to be a divide i've noticed

107
00:03:49,750 --> 00:03:48,560
not only in the frontier science

108
00:03:51,990 --> 00:03:49,760
community but also in the spiritual

109
00:03:54,470 --> 00:03:52,000
community and the way that i look at it

110
00:03:56,149 --> 00:03:54,480
at the highest level is that it's

111
00:03:59,270 --> 00:03:56,159
perhaps an inability and an

112
00:04:01,830 --> 00:03:59,280
unwillingness to recognize evil and the

113
00:04:03,190 --> 00:04:01,840

hiddenness of evil to say well i don't

114

00:04:04,869 --> 00:04:03,200

see how that could happen i can't

115

00:04:07,350 --> 00:04:04,879

understand the mechanism for how someone

116

00:04:08,949 --> 00:04:07,360

could do that therefore no it must be

117

00:04:10,470 --> 00:04:08,959

that we'll take the benign explanation

118

00:04:11,830 --> 00:04:10,480

which is that it's just that people

119

00:04:13,830 --> 00:04:11,840

can't shift their paradigms which is

120

00:04:17,430 --> 00:04:13,840

part of it too

121

00:04:20,310 --> 00:04:17,440

a divide a divide between those who can

122

00:04:22,469 --> 00:04:20,320

see or at least contemplate the

123

00:04:23,909 --> 00:04:22,479

hiddenness of evil

124

00:04:26,469 --> 00:04:23,919

and those who can't

125

00:04:27,670 --> 00:04:26,479

continuing with this clip

126

00:04:28,950 --> 00:04:27,680

there are probably scientists out there

127

00:04:30,550 --> 00:04:28,960

who just can't shift their paradigms

128

00:04:33,189 --> 00:04:30,560

they're not part of a psyop and they

129

00:04:35,830 --> 00:04:33,199

just are that's how they are but this

130

00:04:37,510 --> 00:04:35,840

seems to be systematic the way in which

131

00:04:39,590 --> 00:04:37,520

there are there are six sigma

132

00:04:41,189 --> 00:04:39,600

statistical results and dean rayden

133

00:04:42,790 --> 00:04:41,199

talks about this in his book real magic

134

00:04:44,790 --> 00:04:42,800

which was endorsed by two nobel prize

135

00:04:46,710 --> 00:04:44,800

winning scientists in the categories of

136

00:04:48,469 --> 00:04:46,720

telepathy remote viewing precognition

137

00:04:49,830 --> 00:04:48,479

and psychokinesis that means the odds

138

00:04:52,070 --> 00:04:49,840

against chance are more than a billion

139

00:04:54,390 --> 00:04:52,080

to one meaning in any other area of

140

00:04:56,230 --> 00:04:54,400

science that's a real phenomenon and yet

141

00:04:57,909 --> 00:04:56,240

if you talk about psychokinesis if i

142

00:04:59,270 --> 00:04:57,919

talk about that to my professors from

143

00:05:00,310 --> 00:04:59,280

princeton they'd probably tell me i'm

144

00:05:01,990 --> 00:05:00,320

crazy

145

00:05:04,629 --> 00:05:02,000

how does that happen there's something

146

00:05:06,310 --> 00:05:04,639

there's there's a suppression going on

147

00:05:07,830 --> 00:05:06,320

i i would say that i'm probably more

148

00:05:09,749 --> 00:05:07,840

open to this because of my professional

149

00:05:12,230 --> 00:05:09,759

experience and maybe you have a similar

150

00:05:14,469 --> 00:05:12,240

experience alex i saw stuff

151

00:05:16,469 --> 00:05:14,479

i saw corruption first hand in a way

152

00:05:18,550 --> 00:05:16,479

that is was very damaging to people's

153

00:05:20,469 --> 00:05:18,560

lives so i worked a lot with

154

00:05:21,909 --> 00:05:20,479

intellectual property i i was in

155

00:05:23,590 --> 00:05:21,919

investment banking in new york first

156

00:05:25,029 --> 00:05:23,600

which was more just traditional stuff

157

00:05:27,189 --> 00:05:25,039

not in tech

158

00:05:29,430 --> 00:05:27,199

but then i worked in the tech space

159

00:05:31,029 --> 00:05:29,440

where we worked with inventors at large

160

00:05:33,590 --> 00:05:31,039

companies and small companies who were

161

00:05:35,590 --> 00:05:33,600

challenging paradigms so an invention a

162

00:05:37,430 --> 00:05:35,600

patented technology is one that is both

163

00:05:39,590 --> 00:05:37,440

novel and non-obvious that's the legal

164

00:05:41,510 --> 00:05:39,600

definition relative to the prior art

165

00:05:42,870 --> 00:05:41,520

everything that's been done in the past

166

00:05:44,629 --> 00:05:42,880

meaning that if you get a patent on

167

00:05:46,230 --> 00:05:44,639

something you're contradicting you're

168

00:05:47,189 --> 00:05:46,240

contradicting what the mainstream is

169

00:05:49,510 --> 00:05:47,199

doing

170

00:05:51,430 --> 00:05:49,520

and there's a lot of pushback often so

171

00:05:53,270 --> 00:05:51,440

you can imagine what might happen when

172

00:05:55,029 --> 00:05:53,280

you have some smaller inventors going up

173

00:05:56,469 --> 00:05:55,039

against big companies

174

00:05:58,150 --> 00:05:56,479

what could happen

175

00:06:01,430 --> 00:05:58,160

where the big companies who have lots of

176

00:06:03,430 --> 00:06:01,440

power can manipulate the system so

177

00:06:05,670 --> 00:06:03,440

i saw it i've seen the media manipulate

178

00:06:07,990 --> 00:06:05,680

things i've seen the judicial system get

179

00:06:09,029 --> 00:06:08,000

manipulated all up and down the power

180

00:06:11,590 --> 00:06:09,039

structures

181

00:06:12,870 --> 00:06:11,600

so i'm more open to it and then the

182

00:06:15,189 --> 00:06:12,880

whole covet thing happens and it's the

183

00:06:16,870 --> 00:06:15,199

same thing a person has a somewhat

184

00:06:18,550 --> 00:06:16,880

benign observation that contradicts the

185

00:06:20,469 --> 00:06:18,560

mainstream narrative they're booted off

186

00:06:22,070 --> 00:06:20,479

youtube so there's begins to be a

187

00:06:24,710 --> 00:06:22,080

pattern and

188

00:06:25,990 --> 00:06:24,720

one has to recognize that not everyone

189

00:06:28,550 --> 00:06:26,000

is moral

190

00:06:31,230 --> 00:06:28,560

i agree with mark on this one people

191

00:06:34,230 --> 00:06:31,240

who've been in a highly competitive

192

00:06:36,469 --> 00:06:34,240

money-oriented field quickly learn that

193

00:06:39,270 --> 00:06:36,479

not everyone can maintain the royal

194

00:06:42,309 --> 00:06:39,280

compass but secondly not everyone wears

195

00:06:45,670 --> 00:06:42,319

their moral compass like a wristwatch

196

00:06:49,189 --> 00:06:45,680

the snakes in suits thing is real

197

00:06:50,390 --> 00:06:49,199

but what if it's more than that

198

00:06:52,710 --> 00:06:50,400

and at a spiritual level this could

199

00:06:53,749 --> 00:06:52,720

relate to dark forces that's how i look

200

00:06:55,749 --> 00:06:53,759

at it

201
00:06:58,070 --> 00:06:55,759
okay so maybe science isn't in the best

202
00:06:59,909 --> 00:06:58,080
position to save us but we can't be

203
00:07:02,790 --> 00:06:59,919
saved right i mean

204
00:07:05,110 --> 00:07:02,800
maybe our political leaders will rise up

205
00:07:07,589 --> 00:07:05,120
and do the right thing

206
00:07:09,189 --> 00:07:07,599
the politics of it that's gone right

207
00:07:11,830 --> 00:07:09,199
there is no real

208
00:07:13,189 --> 00:07:11,840
left right red state democrat that

209
00:07:14,870 --> 00:07:13,199
doesn't really

210
00:07:16,070 --> 00:07:14,880
fit the bill here right

211
00:07:17,830 --> 00:07:16,080
i agree with you completely and it's a

212
00:07:19,670 --> 00:07:17,840
super important point because there's a

213
00:07:21,350 --> 00:07:19,680

paradigm that people are in

214

00:07:22,950 --> 00:07:21,360

of well if you're not a democrat then

215

00:07:24,150 --> 00:07:22,960

you're a republican and vice versa and

216

00:07:25,430 --> 00:07:24,160

if you believe this then you're part of

217

00:07:27,430 --> 00:07:25,440

this political movement and it's this

218

00:07:29,029 --> 00:07:27,440

very divisive mentality one of the

219

00:07:31,909 --> 00:07:29,039

things that i try to do in my book and

220

00:07:33,990 --> 00:07:31,919

end upside down liberty is to

221

00:07:35,350 --> 00:07:34,000

transcend that the left-right division

222

00:07:36,950 --> 00:07:35,360

and get it more to

223

00:07:38,710 --> 00:07:36,960

the spectrum of liberty versus

224

00:07:40,469 --> 00:07:38,720

non-liberty because really the left and

225

00:07:42,710 --> 00:07:40,479

the right have differing opinions on

226

00:07:44,309 --> 00:07:42,720

what the other party should be doing

227

00:07:46,230 --> 00:07:44,319

which to me is counter to principles of

228

00:07:48,550 --> 00:07:46,240

liberty and then that mentality becomes

229

00:07:50,390 --> 00:07:48,560

warped into an us versus them and it i

230

00:07:52,150 --> 00:07:50,400

think can warp our ability to

231

00:07:54,950 --> 00:07:52,160

objectively look at science because you

232

00:07:56,550 --> 00:07:54,960

might hear an opinion from that let's

233

00:07:58,070 --> 00:07:56,560

say if you're a democrat that oh the

234

00:08:00,629 --> 00:07:58,080

right wingers are saying this is true

235

00:08:02,629 --> 00:08:00,639

scientifically i'm not a republican i

236

00:08:04,070 --> 00:08:02,639

think republicans are evil and because

237

00:08:06,070 --> 00:08:04,080

i'm a good person i can't agree with

238

00:08:07,749 --> 00:08:06,080

that science it's like this this weird

239

00:08:09,909 --> 00:08:07,759

warped logic that

240

00:08:11,430 --> 00:08:09,919

removes objectivity from the situation

241

00:08:12,950 --> 00:08:11,440

and i think it allows for greater mind

242

00:08:15,670 --> 00:08:12,960

control

243

00:08:18,070 --> 00:08:15,680

so what should we do

244

00:08:19,909 --> 00:08:18,080

maybe the first thing we should do is

245

00:08:22,469 --> 00:08:19,919

return to jim carrey

246

00:08:24,390 --> 00:08:22,479

and take a good hard look at the reality

247

00:08:26,469 --> 00:08:24,400

of our situation

248

00:08:29,270 --> 00:08:26,479

you're supposed to say it's all going to

249

00:08:31,510 --> 00:08:29,280

be all right and you're supposed to say

250

00:08:32,870 --> 00:08:31,520

whatever you dream can come true

251
00:08:35,190 --> 00:08:32,880
and you're supposed to say all those

252
00:08:37,509 --> 00:08:35,200
things i do believe in manifestation

253
00:08:39,029 --> 00:08:37,519
power of that kind of stuff but i don't

254
00:08:41,990 --> 00:08:39,039
believe that any of it matters

255
00:08:44,230 --> 00:08:42,000
everything is divine and i'm that

256
00:08:46,550 --> 00:08:44,240
i'm finding that ultimately the

257
00:08:49,350 --> 00:08:46,560
the freedom from it is uh

258
00:08:50,949 --> 00:08:49,360
is something people are kind of hungry

259
00:08:53,190 --> 00:08:50,959
for in a way they're like i don't want

260
00:08:59,269 --> 00:08:53,200
to be me either and i go well look great

261
00:09:04,630 --> 00:09:01,670
i so love what jim carrey's saying right

262
00:09:05,750 --> 00:09:04,640
there but i gotta say it doesn't really

263
00:09:07,269 --> 00:09:05,760

hit me

264

00:09:09,430 --> 00:09:07,279

where i live

265

00:09:11,750 --> 00:09:09,440

back to a final clip from today's

266

00:09:12,790 --> 00:09:11,760

interview with the very excellent mark

267

00:09:13,910 --> 00:09:12,800

gober

268

00:09:15,750 --> 00:09:13,920

i want to go back to something you said

269

00:09:17,670 --> 00:09:15,760

earlier about like you know should we be

270

00:09:20,389 --> 00:09:17,680

changing people's minds or are they on

271

00:09:21,910 --> 00:09:20,399

their own path and for me

272

00:09:23,269 --> 00:09:21,920

what i like to do is put information out

273

00:09:24,790 --> 00:09:23,279

and those who are interested might

274

00:09:26,630 --> 00:09:24,800

gravitate towards it i'm not going to

275

00:09:28,230 --> 00:09:26,640

change people and actually i don't know

276

00:09:29,509 --> 00:09:28,240

their karmic path or their spiritual

277

00:09:30,310 --> 00:09:29,519

path maybe they're not supposed to

278

00:09:32,389 --> 00:09:30,320

change

279

00:09:34,150 --> 00:09:32,399

i always remember talking to a guy and i

280

00:09:35,829 --> 00:09:34,160

won't mention his name but he got very

281

00:09:38,550 --> 00:09:35,839

serious and he goes

282

00:09:39,829 --> 00:09:38,560

never get between a seeker and their

283

00:09:41,430 --> 00:09:39,839

guru

284

00:09:43,750 --> 00:09:41,440

i'm like well i'll take that one on

285

00:09:48,070 --> 00:09:43,760

myself yes i'm going to get between a

286

00:09:50,790 --> 00:09:48,080

seeker and their guru so if your guru is

287

00:09:54,150 --> 00:09:50,800

any of the people who are peddling this

288

00:09:55,430 --> 00:09:54,160

pandemic peddling just trust me give me

289

00:09:59,430 --> 00:09:55,440

all your

290

00:10:01,829 --> 00:09:59,440

be fine

291

00:10:03,990 --> 00:10:01,839

if that's your guru i will try and

292

00:10:06,230 --> 00:10:04,000

disrupt not physically but

293

00:10:07,990 --> 00:10:06,240

intellectually i will try and disrupt

294

00:10:09,509 --> 00:10:08,000

that connection and i do feel like

295

00:10:11,509 --> 00:10:09,519

that's my job because i think the

296

00:10:12,310 --> 00:10:11,519

foremost value

297

00:10:15,110 --> 00:10:12,320

is

298

00:10:16,550 --> 00:10:15,120

one love everyone but two tell the truth

299

00:10:18,069 --> 00:10:16,560

and that's what i think you're trying to

300

00:10:19,590 --> 00:10:18,079

do and that's what i'm trying to do too

301
00:10:22,870 --> 00:10:19,600
we gotta tell the truth

302
00:10:25,670 --> 00:10:24,710
all right let's get to some truth

303
00:10:27,750 --> 00:10:25,680
telling

304
00:10:30,620 --> 00:10:27,760
here's my interview with mark gober if

305
00:10:35,110 --> 00:10:30,630
you like it spread it around

306
00:10:36,790 --> 00:10:35,120
[Music]

307
00:10:39,190 --> 00:10:36,800
welcome to skeptico where we explore

308
00:10:41,670 --> 00:10:39,200
controversial science and spirituality

309
00:10:43,670 --> 00:10:41,680
with leading researchers thinkers and

310
00:10:46,870 --> 00:10:43,680
their critics i'm your host alex karis

311
00:10:49,750 --> 00:10:46,880
and today we welcome back mark gober to

312
00:10:51,509 --> 00:10:49,760
skeptico mark as you may remember is a

313
00:10:53,990 --> 00:10:51,519

very talented guy

314

00:10:55,910 --> 00:10:54,000

investment banking background in silicon

315

00:10:57,590 --> 00:10:55,920

valley and new york i mentioned that

316

00:10:59,350 --> 00:10:57,600

because i always find this

317

00:11:01,829 --> 00:10:59,360

super interesting i mean you will find

318

00:11:04,470 --> 00:11:01,839

mark to be intelligent

319

00:11:07,030 --> 00:11:04,480

no doubt the first book we had him on to

320

00:11:09,430 --> 00:11:07,040

talk about an end to upside down

321

00:11:11,910 --> 00:11:09,440

thinking very well written even won a

322

00:11:14,069 --> 00:11:11,920

prize for it but

323

00:11:16,150 --> 00:11:14,079

you'll hear throughout in this interview

324

00:11:17,430 --> 00:11:16,160

i think and the reason i like it is mark

325

00:11:20,949 --> 00:11:17,440

has

326

00:11:23,350 --> 00:11:20,959

his foot firmly planted in this

327

00:11:25,509 --> 00:11:23,360

world you know making money being

328

00:11:27,030 --> 00:11:25,519

successful being successful in school

329

00:11:29,590 --> 00:11:27,040

doing all those things

330

00:11:32,230 --> 00:11:29,600

and then as you'll hear

331

00:11:34,630 --> 00:11:32,240

he's kind of drifted off into this other

332

00:11:36,870 --> 00:11:34,640

world this skeptical related world of

333

00:11:40,870 --> 00:11:36,880

consciousness and upside-down thinking

334

00:11:44,069 --> 00:11:40,880

and his latest book and into upside down

335

00:11:46,150 --> 00:11:44,079

liberty so anyways i just remind you

336

00:11:49,350 --> 00:11:46,160

that's what i think is so fun

337

00:11:51,750 --> 00:11:49,360

talking to mark in particular but people

338

00:11:53,829 --> 00:11:51,760

like mark who are accomplished in

339

00:11:55,509 --> 00:11:53,839

a lot of different areas so i don't know

340

00:11:58,150 --> 00:11:55,519

i just kind of spun that out there but

341

00:11:59,509 --> 00:11:58,160

mark welcome back thanks for joining me

342

00:12:01,590 --> 00:11:59,519

thank you for having me alex i'm looking

343

00:12:04,470 --> 00:12:01,600

forward to this

344

00:12:07,590 --> 00:12:04,480

so as i mentioned you wrote the book a

345

00:12:10,230 --> 00:12:07,600

couple years ago all about consciousness

346

00:12:11,829 --> 00:12:10,240

and into upside down thinking kind of

347

00:12:14,870 --> 00:12:11,839

pointing out

348

00:12:17,670 --> 00:12:14,880

this ridiculousness of

349

00:12:19,430 --> 00:12:17,680

consciousness is an epiphenomenon of the

350

00:12:20,790 --> 00:12:19,440

brain kind of stuff that is so

351
00:12:23,430 --> 00:12:20,800
entrenched

352
00:12:26,069 --> 00:12:23,440
in science and is maybe a little bit

353
00:12:28,230 --> 00:12:26,079
less entrenched

354
00:12:30,230 --> 00:12:28,240
but we're reminded that it still is

355
00:12:31,590 --> 00:12:30,240
entrenched and now you've followed it up

356
00:12:33,750 --> 00:12:31,600
with

357
00:12:34,790 --> 00:12:33,760
a book and into upside down liberty tell

358
00:12:36,790 --> 00:12:34,800
us about the book tell us what it's

359
00:12:38,949 --> 00:12:36,800
about

360
00:12:39,750 --> 00:12:38,959
so an end to upside down liberty looks

361
00:12:44,949 --> 00:12:39,760
at

362
00:12:47,430 --> 00:12:44,959
which society is organized generally and

363
00:12:50,310 --> 00:12:47,440

what prompted the investigation in that

364

00:12:53,269 --> 00:12:50,320

area was really the whole coveted thing

365

00:12:55,509 --> 00:12:53,279

starting in 2020 we we saw that

366

00:12:57,509 --> 00:12:55,519

governments played a very important role

367

00:12:59,110 --> 00:12:57,519

in our lives they told us which

368

00:13:00,949 --> 00:12:59,120

businesses were essential and which ones

369

00:13:03,430 --> 00:13:00,959

weren't when we needed to be locked down

370

00:13:05,670 --> 00:13:03,440

and when we're not locked down etc so i

371

00:13:07,269 --> 00:13:05,680

started to look at into well what is

372

00:13:09,269 --> 00:13:07,279

government um

373

00:13:12,550 --> 00:13:09,279

how does the media play into that and

374

00:13:14,470 --> 00:13:12,560

ultimately what the book looks at is um

375

00:13:16,230 --> 00:13:14,480

in the idea that the way we do

376

00:13:17,990 --> 00:13:16,240

government around the world is

377

00:13:19,430 --> 00:13:18,000

inherently threatening to liberty which

378

00:13:21,430 --> 00:13:19,440

is problematic not only from just a

379

00:13:23,670 --> 00:13:21,440

traditional physicalist lens but also

380

00:13:25,910 --> 00:13:23,680

from a spiritual lens it's problematic

381

00:13:28,470 --> 00:13:25,920

so that's it in a nutshell

382

00:13:30,790 --> 00:13:28,480

so you're making some leaps there that

383

00:13:32,310 --> 00:13:30,800

uh we ought to explore because i'm right

384

00:13:35,430 --> 00:13:32,320

there with you

385

00:13:38,550 --> 00:13:35,440

but i have problems explaining this to

386

00:13:41,350 --> 00:13:38,560

people number one and number two even

387

00:13:43,990 --> 00:13:41,360

kind of believing it myself in a couple

388

00:13:46,150 --> 00:13:44,000

of different ways so let's start with

389

00:13:47,470 --> 00:13:46,160

the point you made about the connection

390

00:13:49,110 --> 00:13:47,480

between

391

00:13:52,069 --> 00:13:49,120

spirituality

392

00:13:53,430 --> 00:13:52,079

and what you're calling liberty well so

393

00:13:55,750 --> 00:13:53,440

this is a

394

00:13:57,910 --> 00:13:55,760

a big leap for many people because one

395

00:13:59,750 --> 00:13:57,920

has to believe in something other than

396

00:14:01,350 --> 00:13:59,760

scientific materialism or what some will

397

00:14:02,949 --> 00:14:01,360

call physicalism in order to even go

398

00:14:04,629 --> 00:14:02,959

there which is this idea that

399

00:14:05,990 --> 00:14:04,639

consciousness doesn't come from the

400

00:14:07,509 --> 00:14:06,000

brain and that's what my first book in

401
00:14:10,470 --> 00:14:07,519
my podcast and my second book were

402
00:14:13,110 --> 00:14:10,480
really about and that the idea that

403
00:14:14,870 --> 00:14:13,120
our identity is not our body but rather

404
00:14:17,590 --> 00:14:14,880
our consciousness is our identity and

405
00:14:18,790 --> 00:14:17,600
the body is a vessel or or the vehicle

406
00:14:20,710 --> 00:14:18,800
through which consciousness has an

407
00:14:22,150 --> 00:14:20,720
experience so a lot of what i've done is

408
00:14:23,670 --> 00:14:22,160
looked at the science to suggest that

409
00:14:25,990 --> 00:14:23,680
that is true so things like near-death

410
00:14:28,069 --> 00:14:26,000
experiences side phenomena lots of stuff

411
00:14:29,509 --> 00:14:28,079
you've covered on your show

412
00:14:31,509 --> 00:14:29,519
then there are some inferences that we

413
00:14:33,269 --> 00:14:31,519

could make if we look at things like the

414

00:14:34,230 --> 00:14:33,279

near-death experience

415

00:14:36,389 --> 00:14:34,240

um

416

00:14:37,829 --> 00:14:36,399

dr bruce grayson in his new book after

417

00:14:39,269 --> 00:14:37,839

which talks about near-death experiences

418

00:14:41,829 --> 00:14:39,279

and what he's seen uh he's from the

419

00:14:43,829 --> 00:14:41,839

university of virginia he says about 25

420

00:14:46,150 --> 00:14:43,839

he says a quarter of of near death

421

00:14:47,910 --> 00:14:46,160

experiences include a life review

422

00:14:49,509 --> 00:14:47,920

and dr jeffrey long has said in the

423

00:14:51,590 --> 00:14:49,519

range of 20 of people who have near

424

00:14:53,750 --> 00:14:51,600

death experiences in his database

425

00:14:55,430 --> 00:14:53,760

uh have a life review then what's a life

426

00:14:57,750 --> 00:14:55,440

review this is an instance where a

427

00:14:58,870 --> 00:14:57,760

person relives his or her whole life in

428

00:15:00,710 --> 00:14:58,880

a flash

429

00:15:02,710 --> 00:15:00,720

sometimes reliving the experiences

430

00:15:04,230 --> 00:15:02,720

through the eyes of other people and

431

00:15:05,350 --> 00:15:04,240

feeling the effects of his or her

432

00:15:08,230 --> 00:15:05,360

actions

433

00:15:10,150 --> 00:15:08,240

on that person so if for example for my

434

00:15:12,150 --> 00:15:10,160

podcast i interviewed daniel brinkley

435

00:15:13,910 --> 00:15:12,160

who has had four near-death experiences

436

00:15:16,150 --> 00:15:13,920

and each time he had a life review he

437

00:15:18,069 --> 00:15:16,160

had to relive the deaths of the people

438

00:15:21,269 --> 00:15:18,079

that he killed when he was fighting in

439

00:15:22,870 --> 00:15:21,279

vietnam through their eyes so he claims

440

00:15:24,150 --> 00:15:22,880

and he also felt the pain of the child

441

00:15:26,470 --> 00:15:24,160

who would no longer have a father

442

00:15:27,990 --> 00:15:26,480

because he had killed the father however

443

00:15:29,509 --> 00:15:28,000

in his later life reviews after he had

444

00:15:31,030 --> 00:15:29,519

become a hospice volunteer since the

445

00:15:33,110 --> 00:15:31,040

near death experience changed him so

446

00:15:35,590 --> 00:15:33,120

much he got to experience what it was

447

00:15:38,230 --> 00:15:35,600

like to be the dying person

448

00:15:40,550 --> 00:15:38,240

in the hospice and getting to see how he

449

00:15:42,389 --> 00:15:40,560

himself comforted that person so that's

450

00:15:43,350 --> 00:15:42,399

just an example we see many other cases

451
00:15:45,189 --> 00:15:43,360
of this

452
00:15:46,790 --> 00:15:45,199
so if we combine that life review we say

453
00:15:49,269 --> 00:15:46,800
that's a real phenomenon not just a

454
00:15:51,030 --> 00:15:49,279
hallucination this idea that there are

455
00:15:52,949 --> 00:15:51,040
consequences to our

456
00:15:54,230 --> 00:15:52,959
actions in life and we hold ourselves

457
00:15:55,910 --> 00:15:54,240
accountable that's actually one of the

458
00:15:57,269 --> 00:15:55,920
big things in the life review is that

459
00:15:59,030 --> 00:15:57,279
it's not like there's a third party

460
00:16:00,470 --> 00:15:59,040
judging which is what many religions

461
00:16:01,910 --> 00:16:00,480
have kind of turned it into it's

462
00:16:02,790 --> 00:16:01,920
actually yourself

463
00:16:04,550 --> 00:16:02,800

which

464

00:16:06,150 --> 00:16:04,560

aligns with this idea of a unified

465

00:16:09,670 --> 00:16:06,160

consciousness that you've talked about

466

00:16:12,069 --> 00:16:09,680

so much on the show but this idea of of

467

00:16:14,389 --> 00:16:12,079

consequences to our actions and a moral

468

00:16:15,509 --> 00:16:14,399

imperative as you often say

469

00:16:17,110 --> 00:16:15,519

that's real

470

00:16:18,710 --> 00:16:17,120

if we combine that with things like the

471

00:16:20,870 --> 00:16:18,720

research at the university of virginia

472

00:16:22,550 --> 00:16:20,880

over 2500 cases of young children who

473

00:16:24,470 --> 00:16:22,560

have memories of a previous life

474

00:16:26,550 --> 00:16:24,480

sometimes these are kids between the

475

00:16:28,629 --> 00:16:26,560

ages of two and five years old often

476
00:16:30,949 --> 00:16:28,639
sometimes the the researchers are able

477
00:16:32,470 --> 00:16:30,959
to verify what the child said by finding

478
00:16:34,230 --> 00:16:32,480
something from this alleged past life

479
00:16:36,069 --> 00:16:34,240
finding a person's actual historical

480
00:16:38,150 --> 00:16:36,079
records or sometimes even medical

481
00:16:40,150 --> 00:16:38,160
records if the child has birth marks or

482
00:16:42,150 --> 00:16:40,160
physical deformities that align with

483
00:16:43,189 --> 00:16:42,160
this alleged previous life so all that's

484
00:16:44,710 --> 00:16:43,199
to say there's evidence for

485
00:16:49,749 --> 00:16:44,720
reincarnation

486
00:16:51,910 --> 00:16:49,759
idea of a life review which is

487
00:16:53,829 --> 00:16:51,920
suggestive of potentially a learning

488
00:16:56,310 --> 00:16:53,839

process inherent in life that there's an

489

00:16:59,910 --> 00:16:56,320

evolutionary process

490

00:17:02,790 --> 00:16:59,920

involved in consciousness itself

491

00:17:04,710 --> 00:17:02,800

that might one might infer that the

492

00:17:06,470 --> 00:17:04,720

purpose of life or part of the purpose

493

00:17:08,069 --> 00:17:06,480

of life to the extent we can comprehend

494

00:17:10,549 --> 00:17:08,079

it is to evolve at the level of our

495

00:17:12,710 --> 00:17:10,559

consciousness to move toward a state

496

00:17:14,630 --> 00:17:12,720

ultimately of unconditional love that's

497

00:17:15,909 --> 00:17:14,640

what many people come back saying but

498

00:17:17,270 --> 00:17:15,919

there might be

499

00:17:19,750 --> 00:17:17,280

other more nuanced things that we're

500

00:17:21,429 --> 00:17:19,760

trying to learn in any given life

501
00:17:24,789 --> 00:17:21,439
so that is a long-winded way of saying

502
00:17:26,870 --> 00:17:24,799
that if we are to evolve as i see it

503
00:17:28,870 --> 00:17:26,880
we need to have liberty we need to have

504
00:17:31,270 --> 00:17:28,880
the freedom to be able to make our own

505
00:17:33,190 --> 00:17:31,280
choices as much as possible and

506
00:17:34,870 --> 00:17:33,200
ultimately the way i look at it is

507
00:17:37,190 --> 00:17:34,880
making our own choices as long as they

508
00:17:38,870 --> 00:17:37,200
are not harming someone else

509
00:17:41,270 --> 00:17:38,880
if we look at government government

510
00:17:43,830 --> 00:17:41,280
restricts that liberty inherently so i

511
00:17:45,350 --> 00:17:43,840
will just pause there alex and let you

512
00:17:47,430 --> 00:17:45,360
respond

513
00:17:48,710 --> 00:17:47,440

well i i don't really have a response

514

00:17:51,029 --> 00:17:48,720

other than to say i didn't think it was

515

00:17:54,230 --> 00:17:51,039

long-winded at all it's okay just right

516

00:17:56,710 --> 00:17:54,240

down main street in terms of my logical

517

00:17:58,390 --> 00:17:56,720

progression i'm totally in line with you

518

00:18:01,270 --> 00:17:58,400

and i think that that

519

00:18:02,710 --> 00:18:01,280

it's the path that the data leads us

520

00:18:04,310 --> 00:18:02,720

towards and that's what you're saying

521

00:18:06,630 --> 00:18:04,320

too

522

00:18:09,590 --> 00:18:06,640

speaking to the leap though

523

00:18:11,750 --> 00:18:09,600

the chasm that you're jumping and i want

524

00:18:14,789 --> 00:18:11,760

to jump there with you i just want to

525

00:18:16,549 --> 00:18:14,799

kind of in skeptical fashion pull back

526

00:18:18,230 --> 00:18:16,559

is the individual

527

00:18:19,590 --> 00:18:18,240

versus the collective

528

00:18:22,630 --> 00:18:19,600

because a lot of the great wisdom

529

00:18:24,549 --> 00:18:22,640

traditions throughout time have come

530

00:18:27,110 --> 00:18:24,559

to all these same things and then have

531

00:18:29,990 --> 00:18:27,120

come back to the same point of saying

532

00:18:30,789 --> 00:18:30,000

yeah but since it's really is just about

533

00:18:37,590 --> 00:18:30,799

you

534

00:18:39,830 --> 00:18:37,600

ascension education evolution was the

535

00:18:43,669 --> 00:18:39,840

word you used then maybe it doesn't

536

00:18:45,590 --> 00:18:43,679

matter so much what all those evil doers

537

00:18:48,070 --> 00:18:45,600

are doing which is what i wrestle with

538

00:18:51,110 --> 00:18:48,080

too but i know you get what i mean how

539

00:18:52,549 --> 00:18:51,120

do you handle that question

540

00:18:54,710 --> 00:18:52,559

i've been wrestling that

541

00:18:57,190 --> 00:18:54,720

that issue myself i mean that's a

542

00:18:58,950 --> 00:18:57,200

it's a tough question to

543

00:19:00,310 --> 00:18:58,960

i think to comprehend with our limited

544

00:19:01,590 --> 00:19:00,320

human minds

545

00:19:03,029 --> 00:19:01,600

there might be things that are beyond

546

00:19:04,950 --> 00:19:03,039

our comprehension that we just are never

547

00:19:06,549 --> 00:19:04,960

going to fully grasp but the way i like

548

00:19:09,110 --> 00:19:06,559

to think about it is

549

00:19:11,510 --> 00:19:09,120

exploring the notion of paradox

550

00:19:12,710 --> 00:19:11,520

this idea that two things can be true at

551

00:19:14,230 --> 00:19:12,720

the same time even though they're

552

00:19:16,070 --> 00:19:14,240

contradictory

553

00:19:17,350 --> 00:19:16,080

um rick archer on buddha at the gas pump

554

00:19:18,710 --> 00:19:17,360

always talks about this that peridot

555

00:19:20,070 --> 00:19:18,720

understanding paradox is one of the most

556

00:19:21,669 --> 00:19:20,080

important things in in spiritual

557

00:19:24,310 --> 00:19:21,679

evolution many of the great teachers say

558

00:19:27,669 --> 00:19:24,320

that and to me the ultimate paradox in

559

00:19:29,510 --> 00:19:27,679

in reality as i see it is this idea that

560

00:19:30,630 --> 00:19:29,520

we are one interconnected consciousness

561

00:19:33,350 --> 00:19:30,640

and yet at the same time we're

562

00:19:35,029 --> 00:19:33,360

individuals so as dr bernardo castro

563

00:19:36,789 --> 00:19:35,039

says it's like we're whirlpools within a

564

00:19:39,110 --> 00:19:36,799

stream of consciousness we are both the

565

00:19:40,549 --> 00:19:39,120

whirlpool and the stream simultaneously

566

00:19:42,070 --> 00:19:40,559

how could that be true how could there

567

00:19:44,230 --> 00:19:42,080

be a market in alex and at the same time

568

00:19:45,990 --> 00:19:44,240

there's no differentiation and i think

569

00:19:48,070 --> 00:19:46,000

that's the paradox that we're forced to

570

00:19:49,990 --> 00:19:48,080

hold at the highest level that there is

571

00:19:52,710 --> 00:19:50,000

no individual but there is there's only

572

00:19:55,190 --> 00:19:52,720

a collective but there's not that to me

573

00:19:56,950 --> 00:19:55,200

relates to this dualistic notion of good

574

00:19:58,150 --> 00:19:56,960

and evil because at some level there's

575

00:19:59,510 --> 00:19:58,160

only unconditional love one

576
00:20:01,029 --> 00:19:59,520
consciousness that's what everyone talks

577
00:20:03,270 --> 00:20:01,039
about in the mystical experiences it's

578
00:20:05,590 --> 00:20:03,280
the same thing or very similar ideas of

579
00:20:07,270 --> 00:20:05,600
a unified field and yet there are things

580
00:20:08,870 --> 00:20:07,280
happening that are clearly

581
00:20:11,350 --> 00:20:08,880
contrary to unconditional love

582
00:20:13,029 --> 00:20:11,360
atrocities that that many of us see all

583
00:20:15,669 --> 00:20:13,039
over the world how could that be true at

584
00:20:18,149 --> 00:20:15,679
the same time so to me there is there is

585
00:20:21,430 --> 00:20:18,159
no evil and at the same time there is

586
00:20:23,590 --> 00:20:21,440
and i'm reminded of of a little video i

587
00:20:25,110 --> 00:20:23,600
saw of dr david hawkins a spiritual

588
00:20:26,390 --> 00:20:25,120

teacher who was also a psychiatrist so

589

00:20:28,310 --> 00:20:26,400

he was interesting to me because he

590

00:20:30,630 --> 00:20:28,320

deconstructed the ego at a practical

591

00:20:32,549 --> 00:20:30,640

level but he talked about ramana

592

00:20:34,390 --> 00:20:32,559

maharshi the great indian sage who used

593

00:20:36,630 --> 00:20:34,400

to say things like the world that we see

594

00:20:38,310 --> 00:20:36,640

doesn't exist and hawkins said he's

595

00:20:39,750 --> 00:20:38,320

right at the highest level of reality

596

00:20:41,510 --> 00:20:39,760

that's true

597

00:20:42,789 --> 00:20:41,520

um but at the same time there are many

598

00:20:44,230 --> 00:20:42,799

people who aren't living at that level

599

00:20:46,070 --> 00:20:44,240

of reality and they're enduring great

600

00:20:48,630 --> 00:20:46,080

suffering so what hawkins said is that

601
00:20:51,430 --> 00:20:48,640
it's a spiritual error to ignore the

602
00:20:52,310 --> 00:20:51,440
suffering at the level of this relative

603
00:20:53,510 --> 00:20:52,320
where there's where there are

604
00:20:55,590 --> 00:20:53,520
individuals

605
00:20:57,830 --> 00:20:55,600
so to me that's how i reconcile it is

606
00:20:59,430 --> 00:20:57,840
that there is no evil but there is and

607
00:21:00,789 --> 00:20:59,440
we have a spiritual duty to do something

608
00:21:03,029 --> 00:21:00,799
about it

609
00:21:04,549 --> 00:21:03,039
yeah so i don't know if people are

610
00:21:06,310 --> 00:21:04,559
following us but now we're getting into

611
00:21:08,149 --> 00:21:06,320
it because that's a very western

612
00:21:11,110 --> 00:21:08,159
approach to kind of take

613
00:21:12,549 --> 00:21:11,120

the the deep deep teachings of it and

614

00:21:14,870 --> 00:21:12,559

then say yeah but none of that matters

615

00:21:17,029 --> 00:21:14,880

because i'm a doer i'm a western guy i

616

00:21:19,510 --> 00:21:17,039

want to make it happen kind of thing i'm

617

00:21:20,470 --> 00:21:19,520

not i'm a western kind of person but i'm

618

00:21:22,630 --> 00:21:20,480

also

619

00:21:23,909 --> 00:21:22,640

an american yogi too have you ever seen

620

00:21:25,510 --> 00:21:23,919

the movie

621

00:21:28,630 --> 00:21:25,520

flip side

622

00:21:31,430 --> 00:21:28,640

by richard martini

623

00:21:33,669 --> 00:21:31,440

interesting guy he uh got very

624

00:21:35,669 --> 00:21:33,679

interested in the

625

00:21:38,789 --> 00:21:35,679

past life aggression in between lives

626
00:21:40,789 --> 00:21:38,799
regression of newton

627
00:21:43,029 --> 00:21:40,799
and he actually went to

628
00:21:45,830 --> 00:21:43,039
a weekend retreat where

629
00:21:48,549 --> 00:21:45,840
he and other people were going through a

630
00:21:50,870 --> 00:21:48,559
past life in between life

631
00:21:52,950 --> 00:21:50,880
regression with the newton institute

632
00:21:53,909 --> 00:21:52,960
kind of people but the anecdote that he

633
00:21:56,549 --> 00:21:53,919
tells that

634
00:21:59,270 --> 00:21:56,559
it always sticks in my head is this

635
00:22:02,230 --> 00:21:59,280
woman is regressed

636
00:22:05,270 --> 00:22:02,240
to a past life and she remembers a life

637
00:22:07,270 --> 00:22:05,280
when she was in the holocaust in the co

638
00:22:09,990 --> 00:22:07,280

in a concentration camp and she

639

00:22:11,190 --> 00:22:10,000

remembers being led to

640

00:22:13,590 --> 00:22:11,200

her death

641

00:22:15,909 --> 00:22:13,600

she realizes that the showers aren't

642

00:22:17,990 --> 00:22:15,919

showers she knows

643

00:22:20,149 --> 00:22:18,000

that she is going to die and all these

644

00:22:21,669 --> 00:22:20,159

people are going to die and immediately

645

00:22:23,669 --> 00:22:21,679

the thought rises in her what should i

646

00:22:25,190 --> 00:22:23,679

do should i attack the guards maybe i

647

00:22:27,190 --> 00:22:25,200

should at least take somebody with me

648

00:22:28,310 --> 00:22:27,200

you know all the thoughts that i think

649

00:22:30,789 --> 00:22:28,320

so many people who hear about these

650

00:22:32,310 --> 00:22:30,799

holocaust stories they all go why didn't

651
00:22:35,110 --> 00:22:32,320
they do this why didn't they you know

652
00:22:36,710 --> 00:22:35,120
it's like one that's impossible you know

653
00:22:40,630 --> 00:22:36,720
people don't realize how impossible it

654
00:22:43,190 --> 00:22:40,640
is but the other aspect of it is hurt

655
00:22:45,110 --> 00:22:43,200
she comes to the sense that

656
00:22:46,789 --> 00:22:45,120
i will stay with my people

657
00:22:48,789 --> 00:22:46,799
this life may end

658
00:22:51,190 --> 00:22:48,799
this life will end i will walk into the

659
00:22:52,470 --> 00:22:51,200
gas chamber i will be killed and this

660
00:22:54,789 --> 00:22:52,480
life will end

661
00:22:56,630 --> 00:22:54,799
further in her regression

662
00:22:57,590 --> 00:22:56,640
she remembers dying

663
00:23:00,789 --> 00:22:57,600

and

664

00:23:02,630 --> 00:23:00,799

remembers the feeling of

665

00:23:04,230 --> 00:23:02,640

empathy for

666

00:23:05,750 --> 00:23:04,240

the perpetrators

667

00:23:08,870 --> 00:23:05,760

for the guards

668

00:23:10,710 --> 00:23:08,880

and feeling at that deep soul level that

669

00:23:11,510 --> 00:23:10,720

we're talking about

670

00:23:13,430 --> 00:23:11,520

that

671

00:23:15,750 --> 00:23:13,440

her suffering was over

672

00:23:18,230 --> 00:23:15,760

and their suffering had just begun

673

00:23:19,669 --> 00:23:18,240

and their suffering to a certain extent

674

00:23:24,870 --> 00:23:19,679

would

675

00:23:25,909 --> 00:23:24,880

than her suffering of just ending this

676

00:23:29,350 --> 00:23:25,919

life

677

00:23:33,029 --> 00:23:29,360

i'm not suggesting that we let them

678

00:23:36,950 --> 00:23:33,039

roll us up and just destroy us with the

679

00:23:38,070 --> 00:23:36,960

pandemic that's not my thing

680

00:23:40,630 --> 00:23:38,080

i'm just

681

00:23:42,710 --> 00:23:40,640

kind of calling into question

682

00:23:44,149 --> 00:23:42,720

how looking at this from a spiritual

683

00:23:47,190 --> 00:23:44,159

perspective

684

00:23:49,269 --> 00:23:47,200

might cause us to really put first what

685

00:23:51,350 --> 00:23:49,279

you're saying which is what does it mean

686

00:23:53,510 --> 00:23:51,360

to love everybody

687

00:23:56,950 --> 00:23:53,520

what does it mean to love

688

00:23:59,110 --> 00:23:56,960

anthony fauci and bill gates and whoever

689

00:24:01,510 --> 00:23:59,120

else you want to hate on or or in

690

00:24:04,470 --> 00:24:01,520

pizzagate james elefantis and john

691

00:24:05,269 --> 00:24:04,480

podesta what does it mean to truly

692

00:24:08,310 --> 00:24:05,279

not

693

00:24:09,430 --> 00:24:08,320

agree with or support what those people

694

00:24:11,590 --> 00:24:09,440

are doing

695

00:24:13,269 --> 00:24:11,600

but to realize that

696

00:24:15,830 --> 00:24:13,279

you know

697

00:24:18,390 --> 00:24:15,840

it is on some level

698

00:24:21,190 --> 00:24:18,400

not in our hands to

699

00:24:24,470 --> 00:24:21,200

administer the justice that's will come

700

00:24:26,549 --> 00:24:24,480

to them any thoughts on any of that

701
00:24:28,470 --> 00:24:26,559
yeah so actually in my second book an

702
00:24:29,990 --> 00:24:28,480
end to upside down living i talk about

703
00:24:31,510 --> 00:24:30,000
ten approaches for living from the

704
00:24:33,669 --> 00:24:31,520
spiritual perspective and there is a

705
00:24:35,029 --> 00:24:33,679
section on forgiveness and i referenced

706
00:24:36,789 --> 00:24:35,039
an interview that rick archer did on

707
00:24:37,909 --> 00:24:36,799
buddha at the gas pump a woman who was

708
00:24:39,830 --> 00:24:37,919
being murdered

709
00:24:41,990 --> 00:24:39,840
and there was a mystical experience that

710
00:24:44,390 --> 00:24:42,000
happened while she was being murdered

711
00:24:46,549 --> 00:24:44,400
where the attempted murderer

712
00:24:48,710 --> 00:24:46,559
effectively had an awakening and saw

713
00:24:49,990 --> 00:24:48,720

what he was doing and realized and ended

714

00:24:52,230 --> 00:24:50,000

up letting her go

715

00:24:54,950 --> 00:24:52,240

um but in that process

716

00:24:56,149 --> 00:24:54,960

she felt she was able to experience

717

00:24:58,230 --> 00:24:56,159

his pain

718

00:24:59,510 --> 00:24:58,240

and was able to have forgiveness for him

719

00:25:00,870 --> 00:24:59,520

even though he was

720

00:25:02,390 --> 00:25:00,880

murdering her

721

00:25:03,750 --> 00:25:02,400

so i i think that aligns with what

722

00:25:05,750 --> 00:25:03,760

you're saying and i agree with you that

723

00:25:07,830 --> 00:25:05,760

there's a balance though that i try to

724

00:25:10,630 --> 00:25:07,840

hold and i struggle with which is

725

00:25:12,789 --> 00:25:10,640

accepting that reality of having empathy

726

00:25:14,710 --> 00:25:12,799

for all even those who are

727

00:25:16,789 --> 00:25:14,720

acting in ways that are contrary to

728

00:25:18,470 --> 00:25:16,799

unconditional love and at the same time

729

00:25:20,149 --> 00:25:18,480

maintaining boundaries

730

00:25:22,390 --> 00:25:20,159

and saying that this is not aligned with

731

00:25:25,190 --> 00:25:22,400

how i look at life and therefore there

732

00:25:28,070 --> 00:25:25,200

have to be boundaries so it's not

733

00:25:32,070 --> 00:25:28,080

it's less of a victim mentality i think

734

00:25:34,549 --> 00:25:32,080

i i i like that how would that look like

735

00:25:37,750 --> 00:25:34,559

from this spiritual perspective and

736

00:25:40,070 --> 00:25:37,760

still holding our ground and saying

737

00:25:41,909 --> 00:25:40,080

no this isn't right we will not stand

738

00:25:43,510 --> 00:25:41,919

for this what does that look like to you

739

00:25:45,750 --> 00:25:43,520

mark

740

00:25:48,310 --> 00:25:45,760

i think it depends on the situation

741

00:25:50,230 --> 00:25:48,320

and it depends on the nature of of what

742

00:25:51,830 --> 00:25:50,240

the perpetrators are doing

743

00:25:53,909 --> 00:25:51,840

so i'm going to leave that general in

744

00:25:56,549 --> 00:25:53,919

the general case because it i think it

745

00:25:57,669 --> 00:25:56,559

depends in some cases it might be

746

00:25:59,510 --> 00:25:57,679

for example if there are medical

747

00:26:01,830 --> 00:25:59,520

interventions that you don't agree with

748

00:26:03,269 --> 00:26:01,840

is to say no or if there are policies

749

00:26:05,190 --> 00:26:03,279

that come down from government that one

750

00:26:07,110 --> 00:26:05,200

finds immoral to say i'm not going to do

751

00:26:09,269 --> 00:26:07,120

that and i mean the extreme version is

752

00:26:11,590 --> 00:26:09,279

nazi germany where the law was to do

753

00:26:13,110 --> 00:26:11,600

things that were horrible to jews and

754

00:26:14,390 --> 00:26:13,120

minorities

755

00:26:15,990 --> 00:26:14,400

the law was

756

00:26:17,430 --> 00:26:16,000

something that many people found immoral

757

00:26:18,789 --> 00:26:17,440

and some people said no and some people

758

00:26:20,070 --> 00:26:18,799

say yes

759

00:26:21,830 --> 00:26:20,080

right so

760

00:26:25,750 --> 00:26:21,840

the slippery slope thing though right i

761

00:26:28,710 --> 00:26:25,760

mean there's been a lot of analogies to

762

00:26:31,269 --> 00:26:28,720

every day we hear the the parallels with

763

00:26:33,190 --> 00:26:31,279

nazi germany nazi germany it's

764

00:26:35,269 --> 00:26:33,200

it to a certain extent it's a thing we

765

00:26:37,269 --> 00:26:35,279

always hear it's like

766

00:26:39,430 --> 00:26:37,279

way way too much play for

767

00:26:41,510 --> 00:26:39,440

nazi germany there

768

00:26:43,590 --> 00:26:41,520

they deserve every bit they get but we

769

00:26:45,990 --> 00:26:43,600

can spread the hate around too because

770

00:26:48,070 --> 00:26:46,000

there's a lot of people throughout

771

00:26:50,390 --> 00:26:48,080

history that have done the same thing

772

00:26:52,950 --> 00:26:50,400

and have done it in modern history as

773

00:26:55,029 --> 00:26:52,960

well but sticking to the nazi parallel

774

00:26:57,909 --> 00:26:55,039

because it's easy

775

00:27:00,549 --> 00:26:57,919

we're burning books now i mean the new

776

00:27:02,870 --> 00:27:00,559

ceo of twitter who just you know just

777

00:27:05,110 --> 00:27:02,880

came out and said i i'm not obligated by

778

00:27:07,110 --> 00:27:05,120

the first amendment that's not

779

00:27:10,710 --> 00:27:07,120

i don't have to do any of that and

780

00:27:13,830 --> 00:27:10,720

you're a silicon valley guy i know

781

00:27:16,950 --> 00:27:13,840

this stuff i just interviewed a guy from

782

00:27:19,510 --> 00:27:16,960

google ai guy and he says hey man we got

783

00:27:20,950 --> 00:27:19,520

a trillion searches a day or some kind

784

00:27:23,269 --> 00:27:20,960

of crazy number like that he goes we got

785

00:27:25,590 --> 00:27:23,279

a scale problem you know as a tech guy

786

00:27:27,430 --> 00:27:25,600

or close to tech guy ip guy you

787

00:27:30,070 --> 00:27:27,440

understand all the complexities that

788

00:27:32,470 --> 00:27:30,080

they are dealing with at the same time

789

00:27:34,710 --> 00:27:32,480

they are at the they are at the heart of

790

00:27:37,510 --> 00:27:34,720

this evil in a way that

791

00:27:40,630 --> 00:27:37,520

we can't quite pull apart i mean

792

00:27:42,070 --> 00:27:40,640

it seems to suggest that they're

793

00:27:43,510 --> 00:27:42,080

part of this

794

00:27:45,669 --> 00:27:43,520

system that

795

00:27:47,909 --> 00:27:45,679

could potentially be

796

00:27:49,510 --> 00:27:47,919

all that nazism that we're all so

797

00:27:51,350 --> 00:27:49,520

worried about and let me make sure i put

798

00:27:53,669 --> 00:27:51,360

a point on that so people don't think

799

00:27:56,630 --> 00:27:53,679

i'm just kind of rambling around

800

00:27:59,350 --> 00:27:56,640

we're burning books right now today

801
00:28:02,149 --> 00:27:59,360
essentially right when you're banning

802
00:28:05,029 --> 00:28:02,159
people de-platforming people people who

803
00:28:06,710 --> 00:28:05,039
have phds have a long history of

804
00:28:09,750 --> 00:28:06,720
publishing in peer-reviewed medical

805
00:28:12,549 --> 00:28:09,760
journals and they're pulled from

806
00:28:14,630 --> 00:28:12,559
all the platforms being youtube twitter

807
00:28:18,310 --> 00:28:14,640
facebook which

808
00:28:21,990 --> 00:28:18,320
for as long as we've been a country

809
00:28:24,470 --> 00:28:22,000
would be considered protected under the

810
00:28:25,830 --> 00:28:24,480
category of freedom of the press you

811
00:28:27,830 --> 00:28:25,840
know it's just a different technology

812
00:28:29,590 --> 00:28:27,840
but we would have always always

813
00:28:31,830 --> 00:28:29,600

considered that

814

00:28:34,070 --> 00:28:31,840

we're in different territory and that

815

00:28:37,029 --> 00:28:34,080

territory looks a lot like

816

00:28:39,350 --> 00:28:37,039

what we're talking about here so

817

00:28:42,230 --> 00:28:39,360

i don't know you know how far are we

818

00:28:43,510 --> 00:28:42,240

down that that road

819

00:28:45,430 --> 00:28:43,520

well first i want to comment on what you

820

00:28:46,950 --> 00:28:45,440

said about nazi germany i agree that

821

00:28:48,470 --> 00:28:46,960

it's one of many examples and there are

822

00:28:50,470 --> 00:28:48,480

contemporary examples we can point to

823

00:28:51,590 --> 00:28:50,480

that aren't just discussed as much but i

824

00:28:53,190 --> 00:28:51,600

like to mention it because it's an

825

00:28:54,149 --> 00:28:53,200

extreme that many people acknowledge as

826

00:28:55,909 --> 00:28:54,159

real

827

00:28:58,549 --> 00:28:55,919

but we shouldn't forget the others

828

00:29:00,389 --> 00:28:58,559

where are we on the spectrum of you know

829

00:29:03,029 --> 00:29:00,399

on liberty

830

00:29:04,149 --> 00:29:03,039

liberty is eroding at an alarming rate i

831

00:29:05,669 --> 00:29:04,159

mean

832

00:29:08,070 --> 00:29:05,679

i felt there was urgency to write this

833

00:29:10,230 --> 00:29:08,080

book and it's not a comfortable topic to

834

00:29:12,070 --> 00:29:10,240

be talking about and it's i'm sure many

835

00:29:13,269 --> 00:29:12,080

people will have differing opinions on

836

00:29:14,870 --> 00:29:13,279

what i've written

837

00:29:16,230 --> 00:29:14,880

but i felt like it was necessary anyway

838

00:29:17,350 --> 00:29:16,240

because of exactly what you're saying

839

00:29:19,750 --> 00:29:17,360

alex that

840

00:29:21,669 --> 00:29:19,760

everywhere we look there is

841

00:29:23,990 --> 00:29:21,679

an ideology and if you don't agree with

842

00:29:25,669 --> 00:29:24,000

that ideology whether it's medically or

843

00:29:27,430 --> 00:29:25,679

politically or anything

844

00:29:29,750 --> 00:29:27,440

you're a conspiracy theorist you're

845

00:29:33,029 --> 00:29:29,760

spreading dangerous misinformation which

846

00:29:34,789 --> 00:29:33,039

these are very anti-scientific ideas the

847

00:29:37,029 --> 00:29:34,799

the exploration of science or anything

848

00:29:38,310 --> 00:29:37,039

in the world is to explore and to

849

00:29:39,990 --> 00:29:38,320

explore many different theories and

850

00:29:42,070 --> 00:29:40,000

right now there's less and less of an

851

00:29:43,350 --> 00:29:42,080

ability to do that

852

00:29:45,990 --> 00:29:43,360

one of the things i looked at in this

853

00:29:47,350 --> 00:29:46,000

book is the impact of

854

00:29:49,590 --> 00:29:47,360

mind control

855

00:29:51,430 --> 00:29:49,600

propaganda brainwashing through multiple

856

00:29:53,350 --> 00:29:51,440

venues so mainstream media but also

857

00:29:54,710 --> 00:29:53,360

through social media and tech because if

858

00:29:56,789 --> 00:29:54,720

we think about the way in which we view

859

00:29:58,310 --> 00:29:56,799

the world and the way

860

00:30:00,149 --> 00:29:58,320

the reasons that we have opinions about

861

00:30:01,669 --> 00:30:00,159

the world are informed by

862

00:30:03,590 --> 00:30:01,679

what we personally experience which is

863

00:30:05,510 --> 00:30:03,600

very limited and what we're told and

864

00:30:09,430 --> 00:30:05,520

that comes about through social media

865

00:30:10,870 --> 00:30:09,440

the news books we read and if what we

866

00:30:12,710 --> 00:30:10,880

can research outside of our own

867

00:30:14,470 --> 00:30:12,720

individual experience is being limited

868

00:30:15,990 --> 00:30:14,480

intentionally where certain ideas no we

869

00:30:17,269 --> 00:30:16,000

can't talk about that that's going to be

870

00:30:19,350 --> 00:30:17,279

censored that's going to be shadow

871

00:30:21,430 --> 00:30:19,360

banned where you can't see it as easily

872

00:30:23,750 --> 00:30:21,440

then there is a capacity to alter

873

00:30:25,909 --> 00:30:23,760

consciousness on a mass scale

874

00:30:27,909 --> 00:30:25,919

a capacity to literally mind control and

875

00:30:29,830 --> 00:30:27,919

brainwash people but from the the

876

00:30:31,750 --> 00:30:29,840

skeptical lens it's allow its

877

00:30:33,510 --> 00:30:31,760

consciousness manipulation you are

878

00:30:36,230 --> 00:30:33,520

shifting people's

879

00:30:37,990 --> 00:30:36,240

consciousness in a certain direction and

880

00:30:39,590 --> 00:30:38,000

if all reality is just consciousness

881

00:30:41,110 --> 00:30:39,600

what happens when many people put their

882

00:30:42,389 --> 00:30:41,120

consciousness in a certain direction

883

00:30:44,230 --> 00:30:42,399

this gets into phenomena like

884

00:30:46,070 --> 00:30:44,240

psychokinesis the idea that mind can

885

00:30:47,750 --> 00:30:46,080

impact matter at a physical level and

886

00:30:49,430 --> 00:30:47,760

that's how i look at it is

887

00:30:51,190 --> 00:30:49,440

that's my one of my biggest concerns is

888

00:30:52,630 --> 00:30:51,200

that you can take good people move their

889

00:30:54,870 --> 00:30:52,640

consciousness in a certain direction and

890

00:30:56,470 --> 00:30:54,880

it can shape our world in a way that is

891

00:30:58,389 --> 00:30:56,480

not favorable

892

00:31:00,230 --> 00:30:58,399

i want to pick up on a couple of topics

893

00:31:02,950 --> 00:31:00,240

you just mentioned

894

00:31:05,430 --> 00:31:02,960

mind control and the assault on science

895

00:31:08,549 --> 00:31:05,440

would be two of the ones that i think

896

00:31:10,710 --> 00:31:08,559

are critical to kind of flesh out here

897

00:31:11,509 --> 00:31:10,720

but i gotta start with the first one in

898

00:31:17,430 --> 00:31:11,519

that

899

00:31:19,909 --> 00:31:17,440

this community the frontier science i'll

900

00:31:22,310 --> 00:31:19,919

call it community you're a board member

901
00:31:24,230 --> 00:31:22,320
of ions i should mention and you're kind

902
00:31:25,590 --> 00:31:24,240
of plugged in and you mentioned like

903
00:31:26,789 --> 00:31:25,600
bruce grayson

904
00:31:28,549 --> 00:31:26,799
boy

905
00:31:31,509 --> 00:31:28,559
i just interviewed bruce grayson on one

906
00:31:34,389 --> 00:31:31,519
hand fantastic who can't love

907
00:31:36,389 --> 00:31:34,399
the tremendous tremendous contribution

908
00:31:38,549 --> 00:31:36,399
that bruce grayson has made and those

909
00:31:41,990 --> 00:31:38,559
people at uva have made but at the same

910
00:31:44,070 --> 00:31:42,000
time wake the up i mean i kind of

911
00:31:46,470 --> 00:31:44,080
really pushed him on

912
00:31:49,110 --> 00:31:46,480
the conspiracy surrounding near-death

913
00:31:51,029 --> 00:31:49,120

experience and you know you can go and

914

00:31:53,430 --> 00:31:51,039

everyone can sit around in a clap hands

915

00:31:55,669 --> 00:31:53,440

and oh wow you guys have done so much

916

00:31:57,990 --> 00:31:55,679

screw that you haven't done anything you

917

00:32:00,389 --> 00:31:58,000

haven't made any real dent you haven't

918

00:32:03,350 --> 00:32:00,399

moved it but what really pissed me off

919

00:32:05,389 --> 00:32:03,360

is to even suggest to bruce

920

00:32:07,509 --> 00:32:05,399

that there is some

921

00:32:08,630 --> 00:32:07,519

conspiratorial nature

922

00:32:11,509 --> 00:32:08,640

to the

923

00:32:13,990 --> 00:32:11,519

uh sidelining of near-death experience

924

00:32:16,549 --> 00:32:14,000

to the to the quote-unquote uh

925

00:32:19,350 --> 00:32:16,559

skepticism about near-death experience

926
00:32:22,470 --> 00:32:19,360
to me that has been made patently

927
00:32:25,269 --> 00:32:22,480
obvious over the last 10 years but the

928
00:32:27,750 --> 00:32:25,279
real trump card on it is it's now made

929
00:32:30,549 --> 00:32:27,760
even more obvious by what they did with

930
00:32:32,789 --> 00:32:30,559
kovid but if you can't call it if you're

931
00:32:35,269 --> 00:32:32,799
on frontier science and you can't call

932
00:32:37,669 --> 00:32:35,279
it and you know after i after i

933
00:32:39,990 --> 00:32:37,679
interviewed gr grayson i interviewed

934
00:32:42,070 --> 00:32:40,000
evan alexander and he was at least

935
00:32:44,149 --> 00:32:42,080
willing to come a lot closer to

936
00:32:47,190 --> 00:32:44,159
acknowledging it because he

937
00:32:50,149 --> 00:32:47,200
lived it right he lived sam harris

938
00:32:52,950 --> 00:32:50,159

coming out of left field saying this guy

939

00:32:54,110 --> 00:32:52,960

is completely lacks any credibility

940

00:32:56,950 --> 00:32:54,120

while he's a

941

00:32:59,110 --> 00:32:56,960

neuroscientist a neurosurgeon at harvard

942

00:33:01,430 --> 00:32:59,120

medical school and sam harris is a kind

943

00:33:04,789 --> 00:33:01,440

of a nobody intellectually to be

944

00:33:07,509 --> 00:33:04,799

throwing stones it's not accidental it

945

00:33:08,630 --> 00:33:07,519

is systematic it is part of this mind

946

00:33:10,470 --> 00:33:08,640

control

947

00:33:12,870 --> 00:33:10,480

project that's been going on part of the

948

00:33:15,110 --> 00:33:12,880

disinformation project that's been going

949

00:33:17,269 --> 00:33:15,120

on forever and to a certain extent i

950

00:33:21,350 --> 00:33:17,279

guess the reason i get so hyped up about

951
00:33:23,830 --> 00:33:21,360
it is that if we can't call it from what

952
00:33:26,230 --> 00:33:23,840
we've seen in the last 10 years in the

953
00:33:28,389 --> 00:33:26,240
frontier science consciousness community

954
00:33:30,149 --> 00:33:28,399
if we we were

955
00:33:32,549 --> 00:33:30,159
we were there

956
00:33:35,029 --> 00:33:32,559
we were the frontiersmen arrows in the

957
00:33:37,350 --> 00:33:35,039
front and arrows in the back we should

958
00:33:39,590 --> 00:33:37,360
be the people that said look

959
00:33:43,190 --> 00:33:39,600
here's how it happened back then and

960
00:33:45,190 --> 00:33:43,200
here's how it's being amped up 10 times

961
00:33:47,430 --> 00:33:45,200
in terms of the co-opting of science

962
00:33:50,070 --> 00:33:47,440
really the just complete assault on

963
00:33:52,630 --> 00:33:50,080

science so i kind of covered a lot there

964

00:33:54,710 --> 00:33:52,640

in the rant but i do want to kind of

965

00:33:57,190 --> 00:33:54,720

call out the the frontier science people

966

00:33:59,190 --> 00:33:57,200

for not getting on board with the with

967

00:34:01,029 --> 00:33:59,200

the conspiracy stuff jesus christ yeah

968

00:34:03,029 --> 00:34:01,039

i'll just leave it i'll leave it at that

969

00:34:05,990 --> 00:34:03,039

i'm getting to work

970

00:34:08,069 --> 00:34:06,000

well i hear you alex i think it's uh

971

00:34:09,270 --> 00:34:08,079

there seems to be a divide i've noticed

972

00:34:10,470 --> 00:34:09,280

not only in the frontier science

973

00:34:12,629 --> 00:34:10,480

community but also in the spiritual

974

00:34:15,190 --> 00:34:12,639

community and the way that i look at it

975

00:34:16,869 --> 00:34:15,200

at the highest level is that it's

976

00:34:19,990 --> 00:34:16,879

perhaps an inability and an

977

00:34:22,550 --> 00:34:20,000

unwillingness to recognize evil and the

978

00:34:23,909 --> 00:34:22,560

hiddenness of evil to say well i don't

979

00:34:25,589 --> 00:34:23,919

see how that could happen i can't

980

00:34:28,069 --> 00:34:25,599

understand the mechanism for how someone

981

00:34:29,669 --> 00:34:28,079

could do that therefore no it must be

982

00:34:31,190 --> 00:34:29,679

the we'll take the benign explanation

983

00:34:32,550 --> 00:34:31,200

which is that it's just that people

984

00:34:34,069 --> 00:34:32,560

can't shift their paradigms which is

985

00:34:35,349 --> 00:34:34,079

part of it too

986

00:34:36,550 --> 00:34:35,359

there are probably scientists out there

987

00:34:38,230 --> 00:34:36,560

who just can't shift their paradigms

988

00:34:40,869 --> 00:34:38,240

they're not part of a psyop and they

989

00:34:43,430 --> 00:34:40,879

just are that's how they are but this

990

00:34:45,190 --> 00:34:43,440

seems to be systematic the way in which

991

00:34:47,190 --> 00:34:45,200

there are there are six sigma

992

00:34:48,869 --> 00:34:47,200

statistical results and dean raiden

993

00:34:50,149 --> 00:34:48,879

talks about this in his book real magic

994

00:34:51,829 --> 00:34:50,159

which was endorsed by two nobel

995

00:34:53,669 --> 00:34:51,839

prize-winning scientists in the

996

00:34:55,589 --> 00:34:53,679

categories of telepathy remote viewing

997

00:34:57,030 --> 00:34:55,599

precognition and psychokinesis that

998

00:34:59,270 --> 00:34:57,040

means the odds against chance are more

999

00:35:01,030 --> 00:34:59,280

than a billion to one meaning in any

1000

00:35:02,630 --> 00:35:01,040

other area of science that's a real

1001
00:35:04,950 --> 00:35:02,640
phenomenon and yet if you talk about

1002
00:35:06,230 --> 00:35:04,960
psychokinesis if i talk about that to my

1003
00:35:07,990 --> 00:35:06,240
professors from princeton they'd

1004
00:35:09,670 --> 00:35:08,000
probably tell me i'm crazy

1005
00:35:12,550 --> 00:35:09,680
how does that happen there's something

1006
00:35:14,230 --> 00:35:12,560
there's there's a suppression going on

1007
00:35:15,510 --> 00:35:14,240
i would say that i'm probably more open

1008
00:35:17,349 --> 00:35:15,520
to this because of my professional

1009
00:35:19,829 --> 00:35:17,359
experience and maybe you have a similar

1010
00:35:22,390 --> 00:35:19,839
experience alex i saw stuff

1011
00:35:24,870 --> 00:35:22,400
i saw corruption firsthand in a way that

1012
00:35:26,790 --> 00:35:24,880
is was very damaging to people's lives

1013
00:35:28,470 --> 00:35:26,800

so i worked a lot with intellectual

1014

00:35:30,310 --> 00:35:28,480

property i was i was in investment

1015

00:35:32,710 --> 00:35:30,320

banking in new york first which was more

1016

00:35:34,870 --> 00:35:32,720

just traditional stuff not in tech

1017

00:35:37,030 --> 00:35:34,880

but then i worked in the tech space

1018

00:35:38,710 --> 00:35:37,040

where we worked with inventors at large

1019

00:35:41,190 --> 00:35:38,720

companies and small companies who were

1020

00:35:43,270 --> 00:35:41,200

challenging paradigms so an invention a

1021

00:35:45,109 --> 00:35:43,280

patented technology is one that is both

1022

00:35:47,190 --> 00:35:45,119

novel and non-obvious that's the legal

1023

00:35:49,190 --> 00:35:47,200

definition relative to the prior art

1024

00:35:50,550 --> 00:35:49,200

everything that's been done in the past

1025

00:35:52,310 --> 00:35:50,560

meaning that if you get a patent on

1026
00:35:53,910 --> 00:35:52,320
something you're contradicting you're

1027
00:35:54,870 --> 00:35:53,920
contradicting what the mainstream is

1028
00:35:57,190 --> 00:35:54,880
doing

1029
00:35:59,030 --> 00:35:57,200
and there's a lot of pushback often so

1030
00:36:00,870 --> 00:35:59,040
you can imagine what might happen when

1031
00:36:02,630 --> 00:36:00,880
you have some smaller inventors going up

1032
00:36:04,150 --> 00:36:02,640
against big companies

1033
00:36:05,829 --> 00:36:04,160
what could happen

1034
00:36:09,829 --> 00:36:05,839
where the big companies who have lots of

1035
00:36:11,829 --> 00:36:09,839
power can manipulate the system so

1036
00:36:13,030 --> 00:36:11,839
i saw it i've seen the media manipulate

1037
00:36:14,950 --> 00:36:13,040
things i've seen

1038
00:36:18,470 --> 00:36:14,960

the judicial system get manipulated all

1039

00:36:20,150 --> 00:36:18,480

up and down um the power structures so

1040

00:36:21,270 --> 00:36:20,160

i'm more open to it and then i saw the

1041

00:36:22,550 --> 00:36:21,280

same thing when i started researching

1042

00:36:24,230 --> 00:36:22,560

consciousness i'm like what's going on

1043

00:36:25,430 --> 00:36:24,240

here it's the same thing they're calling

1044

00:36:26,870 --> 00:36:25,440

these people pseudoscientists and

1045

00:36:28,950 --> 00:36:26,880

there's tons of evidence to suggest that

1046

00:36:30,950 --> 00:36:28,960

they're actual scientists doing probably

1047

00:36:32,790 --> 00:36:30,960

more rigorous science because

1048

00:36:34,390 --> 00:36:32,800

there's so much scrutiny

1049

00:36:36,630 --> 00:36:34,400

and then the whole covert thing happens

1050

00:36:38,069 --> 00:36:36,640

and it's the same thing a person has a

1051

00:36:39,670 --> 00:36:38,079

somewhat benign observation that

1052

00:36:41,670 --> 00:36:39,680

contradicts the mainstream narrative

1053

00:36:43,910 --> 00:36:41,680

they're booted off youtube so there's

1054

00:36:46,550 --> 00:36:43,920

begins to be a pattern and

1055

00:36:48,390 --> 00:36:46,560

one has to recognize that not everyone

1056

00:36:50,150 --> 00:36:48,400

is moral i think most people are good

1057

00:36:52,470 --> 00:36:50,160

that's been my observation

1058

00:36:55,270 --> 00:36:52,480

but some people are at the extreme end

1059

00:36:57,349 --> 00:36:55,280

psychopathic which is a psychological

1060

00:36:58,710 --> 00:36:57,359

phenomenon in which a person doesn't

1061

00:37:00,950 --> 00:36:58,720

understand empathy

1062

00:37:03,270 --> 00:37:00,960

and just wants power and at a spiritual

1063

00:37:05,030 --> 00:37:03,280

level this could relate to dark forces

1064

00:37:06,390 --> 00:37:05,040

that's how i look at it but at a more

1065

00:37:08,710 --> 00:37:06,400

mainstream level that everyone can

1066

00:37:11,510 --> 00:37:08,720

acknowledge psychopathy is a real thing

1067

00:37:13,270 --> 00:37:11,520

and most of us can't relate to it so one

1068

00:37:14,870 --> 00:37:13,280

almost has to go into the mind of evil

1069

00:37:16,710 --> 00:37:14,880

to try to understand it and a lot of

1070

00:37:18,310 --> 00:37:16,720

people i think don't want to do that or

1071

00:37:20,150 --> 00:37:18,320

they're not they've never done it before

1072

00:37:21,910 --> 00:37:20,160

and they're happy living their lives as

1073

00:37:23,589 --> 00:37:21,920

is and i want to just close with one

1074

00:37:26,069 --> 00:37:23,599

anecdote before i let you respond a

1075

00:37:27,430 --> 00:37:26,079

friend of mine well educated said to me

1076

00:37:28,710 --> 00:37:27,440

when we were when i was first getting

1077

00:37:30,150 --> 00:37:28,720

into consciousness research and i was

1078

00:37:31,589 --> 00:37:30,160

sending a bunch of my friends you know

1079

00:37:32,870 --> 00:37:31,599

the research i was doing and how it

1080

00:37:34,230 --> 00:37:32,880

changed my life oh my goodness like

1081

00:37:36,150 --> 00:37:34,240

there's there's more to life than what i

1082

00:37:38,710 --> 00:37:36,160

thought there's actual meaning and he

1083

00:37:40,470 --> 00:37:38,720

was like mark my life's pretty good

1084

00:37:41,349 --> 00:37:40,480

and i don't want to rock the boat

1085

00:37:42,790 --> 00:37:41,359

so i

1086

00:37:43,910 --> 00:37:42,800

i'm not going to go down this road with

1087

00:37:45,589 --> 00:37:43,920

you i actually think you might be right

1088

00:37:46,870 --> 00:37:45,599

but like i'm not going to go there i

1089

00:37:48,390 --> 00:37:46,880

think a lot of people are in that boat

1090

00:37:49,510 --> 00:37:48,400

especially when it relates to evil

1091

00:37:51,109 --> 00:37:49,520

because the other topics with

1092

00:37:52,230 --> 00:37:51,119

consciousness they're very comforting

1093

00:37:53,910 --> 00:37:52,240

and some people will say yeah it's

1094

00:37:56,790 --> 00:37:53,920

comforting but it's just too much for me

1095

00:37:58,710 --> 00:37:56,800

this stuff is could be terrifying for

1096

00:38:00,390 --> 00:37:58,720

some people and they might say i don't

1097

00:38:02,790 --> 00:38:00,400

want to do it

1098

00:38:05,270 --> 00:38:02,800

i think what you've said is just super

1099

00:38:07,349 --> 00:38:05,280

profound and it directly parallels kind

1100

00:38:09,109 --> 00:38:07,359

of the path that i've been on and if

1101

00:38:11,190 --> 00:38:09,119

we're going to retrace those steps a

1102

00:38:13,030 --> 00:38:11,200

little bit so we look at again our

1103

00:38:14,870 --> 00:38:13,040

frontier science and i'm going to hold

1104

00:38:17,190 --> 00:38:14,880

bruce grayson up as the punching bag

1105

00:38:19,670 --> 00:38:17,200

again and he's done all this fantastic

1106

00:38:21,829 --> 00:38:19,680

work in bringing forth near-death

1107

00:38:24,870 --> 00:38:21,839

experience but when you push him and you

1108

00:38:27,190 --> 00:38:24,880

say bruce this has really been about

1109

00:38:29,030 --> 00:38:27,200

consciousness all along and about

1110

00:38:30,950 --> 00:38:29,040

science being built on this notion that

1111

00:38:33,190 --> 00:38:30,960

you're a biological robot a meaningless

1112

00:38:35,270 --> 00:38:33,200

universe and that has a purpose behind

1113

00:38:37,270 --> 00:38:35,280

it and the purpose is people are easier

1114

00:38:40,310 --> 00:38:37,280

to control if they believe that their

1115

00:38:43,190 --> 00:38:40,320

life has no meaning and even if there's

1116

00:38:45,349 --> 00:38:43,200

all this cultural push in the background

1117

00:38:47,030 --> 00:38:45,359

in terms of religion in terms of wisdom

1118

00:38:49,190 --> 00:38:47,040

traditions and just in terms of human

1119

00:38:51,510 --> 00:38:49,200

nature to say well i know my life isn't

1120

00:38:54,069 --> 00:38:51,520

meaningless that doesn't matter to the

1121

00:38:56,069 --> 00:38:54,079

mind control culture shapers you still

1122

00:38:58,390 --> 00:38:56,079

play that game you still push that

1123

00:39:00,550 --> 00:38:58,400

button just like we see the fear button

1124

00:39:02,230 --> 00:39:00,560

being pushed now and you don't stop

1125

00:39:04,870 --> 00:39:02,240

pushing it you just keep pushing it

1126
00:39:06,950 --> 00:39:04,880
pushing it pushing it so that's what was

1127
00:39:09,190 --> 00:39:06,960
going on that's what i suspect and i

1128
00:39:10,470 --> 00:39:09,200
think you're alluding to is going on

1129
00:39:12,630 --> 00:39:10,480
with the

1130
00:39:14,550 --> 00:39:12,640
you know near-death experience well

1131
00:39:17,510 --> 00:39:14,560
we're not sure you know this because

1132
00:39:18,950 --> 00:39:17,520
it's a direct assault on this idea not

1133
00:39:20,310 --> 00:39:18,960
just about the epiphenomenon of the

1134
00:39:21,829 --> 00:39:20,320
brain which immediately goes i don't

1135
00:39:23,829 --> 00:39:21,839
care about epiphany on the brain i don't

1136
00:39:24,710 --> 00:39:23,839
even know what it means what it really

1137
00:39:27,349 --> 00:39:24,720
means

1138
00:39:29,910 --> 00:39:27,359

is that they're trying to tell you that

1139

00:39:33,990 --> 00:39:29,920

you are meaningless

1140

00:39:38,230 --> 00:39:34,000

that you your soul doesn't really have a

1141

00:39:40,150 --> 00:39:38,240

a play in this larger game of your life

1142

00:39:41,430 --> 00:39:40,160

and then i would tie that back to what

1143

00:39:43,829 --> 00:39:41,440

you said about

1144

00:39:45,829 --> 00:39:43,839

how science plays that out and how

1145

00:39:48,310 --> 00:39:45,839

science wants to play the game and they

1146

00:39:50,390 --> 00:39:48,320

say dean rayden god bless dean braden

1147

00:39:51,030 --> 00:39:50,400

six sigma result one after another you

1148

00:39:55,270 --> 00:39:51,040

know

1149

00:39:57,270 --> 00:39:55,280

put a all that kind of stuff as quantum

1150

00:39:59,589 --> 00:39:57,280

doug told me on the show you know a lot

1151
00:40:01,910 --> 00:39:59,599
of people have gotten nobel prizes for

1152
00:40:04,150 --> 00:40:01,920
less but i'm digressing slightly because

1153
00:40:06,230 --> 00:40:04,160
what i want to bring up also is part of

1154
00:40:08,230 --> 00:40:06,240
this and i think it has to all be laid

1155
00:40:10,710 --> 00:40:08,240
out so that we can understand how the

1156
00:40:11,750 --> 00:40:10,720
game is being played because some of it

1157
00:40:13,829 --> 00:40:11,760
is

1158
00:40:15,510 --> 00:40:13,839
go along to get along in science and

1159
00:40:17,670 --> 00:40:15,520
this is the path of least resistance and

1160
00:40:20,470 --> 00:40:17,680
we get it and do i really want to sit

1161
00:40:22,150 --> 00:40:20,480
down at that dinner i'm going to with

1162
00:40:24,230 --> 00:40:22,160
all my friends

1163
00:40:25,829 --> 00:40:24,240

in the psychiatry department at

1164

00:40:27,430 --> 00:40:25,839

university of virginia do i really want

1165

00:40:29,670 --> 00:40:27,440

to feel that uncomfortable that they're

1166

00:40:31,670 --> 00:40:29,680

all looking at me because i really came

1167

00:40:33,829 --> 00:40:31,680

out and said what i really believed and

1168

00:40:36,630 --> 00:40:33,839

i didn't couch it in all this careful

1169

00:40:38,950 --> 00:40:36,640

maybe kind of crazy middle ground kind

1170

00:40:41,349 --> 00:40:38,960

of stuff do i really want to endure that

1171

00:40:43,829 --> 00:40:41,359

you know and do i really want to endure

1172

00:40:46,950 --> 00:40:43,839

then going socially going to the

1173

00:40:48,470 --> 00:40:46,960

club or going to the whatever and having

1174

00:40:50,309 --> 00:40:48,480

the same thing happen

1175

00:40:52,710 --> 00:40:50,319

but the other thing that i think is at

1176

00:40:54,790 --> 00:40:52,720

play is the stockholm syndrome

1177

00:40:57,349 --> 00:40:54,800

which is that you know these people have

1178

00:40:59,829 --> 00:40:57,359

now been in academia they've been

1179

00:41:00,950 --> 00:40:59,839

subjected to this for so long that

1180

00:41:03,270 --> 00:41:00,960

they're kind of

1181

00:41:04,630 --> 00:41:03,280

happy captives within you know they've

1182

00:41:07,750 --> 00:41:04,640

kind of

1183

00:41:10,150 --> 00:41:07,760

been blinded to what their science has

1184

00:41:11,510 --> 00:41:10,160

really told them and again the reason i

1185

00:41:13,670 --> 00:41:11,520

keep bringing it up is because if

1186

00:41:14,550 --> 00:41:13,680

frontier science

1187

00:41:18,309 --> 00:41:14,560

can't

1188

00:41:20,230 --> 00:41:18,319

be the the tip of the spear on this

1189

00:41:22,390 --> 00:41:20,240

we're in trouble i want to give a quick

1190

00:41:24,230 --> 00:41:22,400

shout out to dean before i respond to

1191

00:41:25,829 --> 00:41:24,240

that which was which was important alex

1192

00:41:27,190 --> 00:41:25,839

dean has a new study out which is to me

1193

00:41:28,309 --> 00:41:27,200

totally mind-blowing which shows that

1194

00:41:30,069 --> 00:41:28,319

the mind

1195

00:41:31,430 --> 00:41:30,079

impacts the level of quantum

1196

00:41:32,790 --> 00:41:31,440

entanglement and your listeners might

1197

00:41:34,390 --> 00:41:32,800

not be aware because it just came out so

1198

00:41:35,589 --> 00:41:34,400

i just want to say that's a new study of

1199

00:41:37,589 --> 00:41:35,599

course it will need to be replicated but

1200

00:41:40,470 --> 00:41:37,599

this is game changing stuff would impact

1201
00:41:42,470 --> 00:41:40,480
quantum computing and beyond but

1202
00:41:44,710 --> 00:41:42,480
with regard to

1203
00:41:46,309 --> 00:41:44,720
academia and the scientific community

1204
00:41:48,790 --> 00:41:46,319
and what what should the frontier

1205
00:41:50,390 --> 00:41:48,800
scientists be doing as you were talking

1206
00:41:51,990 --> 00:41:50,400
alex you reminded me of what i was asked

1207
00:41:53,349 --> 00:41:52,000
once on a panel of well how do we get

1208
00:41:54,790 --> 00:41:53,359
this message out there and one of the

1209
00:41:56,470 --> 00:41:54,800
scientists who was on the panel with me

1210
00:41:58,150 --> 00:41:56,480
said well we need to we need to change

1211
00:42:00,069 --> 00:41:58,160
the education system and get the message

1212
00:42:01,750 --> 00:42:00,079
out there which i agree with and i was

1213
00:42:02,630 --> 00:42:01,760

at my answer was

1214

00:42:04,710 --> 00:42:02,640

it's going to have to come through the

1215

00:42:06,230 --> 00:42:04,720

media because there's plenty of science

1216

00:42:07,829 --> 00:42:06,240

and the message just hasn't been

1217

00:42:08,950 --> 00:42:07,839

amplified properly and the more i look

1218

00:42:10,950 --> 00:42:08,960

at the media the more i realize that's

1219

00:42:12,390 --> 00:42:10,960

going to be a challenge so i do think it

1220

00:42:14,630 --> 00:42:12,400

is important that within academia

1221

00:42:16,870 --> 00:42:14,640

there's more vocalization of the stuff

1222

00:42:18,950 --> 00:42:16,880

which it requires bravery and it

1223

00:42:20,390 --> 00:42:18,960

requires taking risk

1224

00:42:21,829 --> 00:42:20,400

people could lose their jobs they might

1225

00:42:24,069 --> 00:42:21,839

not get tenure this is what i hear all

1226

00:42:26,150 --> 00:42:24,079

the time so it's when you have to feed

1227

00:42:28,630 --> 00:42:26,160

your family you have to make trade-offs

1228

00:42:29,990 --> 00:42:28,640

and make make tough decisions so i i

1229

00:42:32,950 --> 00:42:30,000

mean i'm not in that position so it's

1230

00:42:35,270 --> 00:42:32,960

hard for me to say um but i

1231

00:42:37,190 --> 00:42:35,280

i think it needs to come from all angles

1232

00:42:39,829 --> 00:42:37,200

to to get the message out there and i'm

1233

00:42:41,270 --> 00:42:39,839

just going to add real quickly

1234

00:42:42,870 --> 00:42:41,280

being at princeton i i was so

1235

00:42:43,990 --> 00:42:42,880

indoctrinated with materialism i didn't

1236

00:42:46,150 --> 00:42:44,000

know it at the time i didn't know it

1237

00:42:49,510 --> 00:42:46,160

until i deconstructed things afterwards

1238

00:42:51,030 --> 00:42:49,520

it's deeply embedded into

1239

00:42:53,270 --> 00:42:51,040

everything within

1240

00:42:54,950 --> 00:42:53,280

the highest levels of academia it's it's

1241

00:42:56,470 --> 00:42:54,960

almost implied i mean i was technically

1242

00:42:57,829 --> 00:42:56,480

a psychology major even though i started

1243

00:42:59,910 --> 00:42:57,839

in economics and did behavioral

1244

00:43:01,910 --> 00:42:59,920

economics

1245

00:43:03,430 --> 00:43:01,920

i don't remember talking about the hard

1246

00:43:04,950 --> 00:43:03,440

problem of consciousness or

1247

00:43:06,390 --> 00:43:04,960

acknowledging that we don't understand

1248

00:43:08,230 --> 00:43:06,400

consciousness and maybe it doesn't come

1249

00:43:09,589 --> 00:43:08,240

from the brain it was sort of this

1250

00:43:11,270 --> 00:43:09,599

presumption

1251
00:43:12,790 --> 00:43:11,280
throughout everything in the psychology

1252
00:43:15,190 --> 00:43:12,800
department and otherwise

1253
00:43:17,829 --> 00:43:15,200
so there's this this cultural rigidity

1254
00:43:20,630 --> 00:43:17,839
which uh is going to have to shift and i

1255
00:43:24,309 --> 00:43:20,640
don't really know the answer to it

1256
00:43:27,030 --> 00:43:24,319
yeah i agree and so let's talk about

1257
00:43:29,109 --> 00:43:27,040
the book and it's very kind of

1258
00:43:30,470 --> 00:43:29,119
out front i can't imagine how this is

1259
00:43:32,309 --> 00:43:30,480
playing with some of your friends and

1260
00:43:33,349 --> 00:43:32,319
you do sit on these panels and you do

1261
00:43:35,910 --> 00:43:33,359
talk to

1262
00:43:37,670 --> 00:43:35,920
a lot of these people and

1263
00:43:39,190 --> 00:43:37,680

they care what you think but you also

1264

00:43:42,950 --> 00:43:39,200

care what they think

1265

00:43:44,550 --> 00:43:42,960

how is this very conspiratorial book

1266

00:43:46,550 --> 00:43:44,560

and i say it's conspiratorial because

1267

00:43:48,630 --> 00:43:46,560

it's about conspiracy theories

1268

00:43:50,069 --> 00:43:48,640

throughout the book is about conspiracy

1269

00:43:53,030 --> 00:43:50,079

theories the only problem is that

1270

00:43:55,270 --> 00:43:53,040

they're all true you know so

1271

00:43:56,870 --> 00:43:55,280

we can call them that because that's the

1272

00:43:58,550 --> 00:43:56,880

the common term but

1273

00:44:00,230 --> 00:43:58,560

how is this playing for you personally

1274

00:44:01,829 --> 00:44:00,240

it's not making your friends i can't

1275

00:44:04,309 --> 00:44:01,839

imagine

1276

00:44:06,950 --> 00:44:04,319

well we're still early the book was

1277

00:44:08,069 --> 00:44:06,960

released very recently and

1278

00:44:09,190 --> 00:44:08,079

i haven't heard from all that many

1279

00:44:10,950 --> 00:44:09,200

people i've gotten a bunch of really

1280

00:44:12,309 --> 00:44:10,960

positive responses and it might be that

1281

00:44:13,910 --> 00:44:12,319

some of the more negative responses i

1282

00:44:15,510 --> 00:44:13,920

just haven't heard from yet and as the

1283

00:44:17,670 --> 00:44:15,520

book gets out more i'll hear from more

1284

00:44:19,670 --> 00:44:17,680

and more people but i can just say from

1285

00:44:22,790 --> 00:44:19,680

having had conversations with people in

1286

00:44:24,950 --> 00:44:22,800

my network who are much more mainstream

1287

00:44:26,710 --> 00:44:24,960

what i'm talking about is so out there

1288

00:44:28,150 --> 00:44:26,720

it is so contrary to the way they look

1289

00:44:30,230 --> 00:44:28,160

at the world or things that they've even

1290

00:44:32,230 --> 00:44:30,240

considered as possibly true so i would

1291

00:44:33,750 --> 00:44:32,240

imagine there will be pushback

1292

00:44:35,430 --> 00:44:33,760

there was pushback with my first book

1293

00:44:37,190 --> 00:44:35,440

talking about consciousness not coming

1294

00:44:38,950 --> 00:44:37,200

from the brain my second book talking

1295

00:44:40,550 --> 00:44:38,960

about living a spiritual life given

1296

00:44:42,790 --> 00:44:40,560

those assumptions and now this book

1297

00:44:44,230 --> 00:44:42,800

saying we have to rethink government and

1298

00:44:46,630 --> 00:44:44,240

acknowledge the reality of evil and

1299

00:44:48,069 --> 00:44:46,640

conspiracy in light of all that but from

1300

00:44:49,190 --> 00:44:48,079

a spiritual lens personally i have to

1301

00:44:51,589 --> 00:44:49,200

think well

1302

00:44:53,109 --> 00:44:51,599

what's what's my duty why do i exist

1303

00:44:55,589 --> 00:44:53,119

this is my second book and end upside

1304

00:44:57,190 --> 00:44:55,599

down living is a lot about this

1305

00:44:58,550 --> 00:44:57,200

and

1306

00:45:00,550 --> 00:44:58,560

part of the reason i wrote it i wanted

1307

00:45:01,990 --> 00:45:00,560

to share with people

1308

00:45:03,430 --> 00:45:02,000

approaches that have been talked about

1309

00:45:04,870 --> 00:45:03,440

throughout time many great spiritual

1310

00:45:06,550 --> 00:45:04,880

teachers but also to hold myself

1311

00:45:08,630 --> 00:45:06,560

accountable if i'm really going to be on

1312

00:45:11,109 --> 00:45:08,640

the spiritual path

1313

00:45:13,430 --> 00:45:11,119

then i have to live life that way

1314

00:45:15,349 --> 00:45:13,440

so when i look at i mean everything is a

1315

00:45:18,150 --> 00:45:15,359

balance of risk and reward and i have to

1316

00:45:20,390 --> 00:45:18,160

consider reputational damage potentially

1317

00:45:21,430 --> 00:45:20,400

um on from one perspective but from

1318

00:45:23,030 --> 00:45:21,440

other another perspective people might

1319

00:45:25,109 --> 00:45:23,040

really respect it but i have to consider

1320

00:45:27,910 --> 00:45:25,119

all all sides of it to me the net

1321

00:45:30,069 --> 00:45:27,920

benefit is it far outweighs the

1322

00:45:32,790 --> 00:45:30,079

downsides because we're i think in an

1323

00:45:34,470 --> 00:45:32,800

extremely precarious situation globally

1324

00:45:36,790 --> 00:45:34,480

where liberty is being eroded at an

1325

00:45:38,710 --> 00:45:36,800

alarming rate it's disturbing to think

1326

00:45:39,910 --> 00:45:38,720

about what could happen

1327

00:45:42,150 --> 00:45:39,920

and

1328

00:45:43,589 --> 00:45:42,160

i'm in a unique situation where i left

1329

00:45:45,829 --> 00:45:43,599

my firm actually right before the

1330

00:45:47,270 --> 00:45:45,839

pandemic i just didn't feel called to do

1331

00:45:48,950 --> 00:45:47,280

it anymore i didn't know what i was

1332

00:45:50,309 --> 00:45:48,960

going to do next and two books have come

1333

00:45:52,390 --> 00:45:50,319

out but i've been in this situation

1334

00:45:53,829 --> 00:45:52,400

where i'm able to research and spend a

1335

00:45:56,309 --> 00:45:53,839

lot of time focusing on the stuff

1336

00:45:57,990 --> 00:45:56,319

meditating really thinking about it

1337

00:45:59,349 --> 00:45:58,000

and there's a duty i think to share that

1338

00:46:01,430 --> 00:45:59,359

with people for those who are open

1339

00:46:03,030 --> 00:46:01,440

because we don't know what the positive

1340

00:46:04,230 --> 00:46:03,040

impacts can be

1341

00:46:07,270 --> 00:46:04,240

if

1342

00:46:08,870 --> 00:46:07,280

their consciousness in a certain

1343

00:46:10,150 --> 00:46:08,880

direction so i often reference the

1344

00:46:12,069 --> 00:46:10,160

butterfly effect which is a real

1345

00:46:13,990 --> 00:46:12,079

mathematical phenomenon where a

1346

00:46:16,390 --> 00:46:14,000

meteorologist changed one of his

1347

00:46:18,390 --> 00:46:16,400

assumptions by a decimal point

1348

00:46:19,430 --> 00:46:18,400

and his outcome ended up being vastly

1349

00:46:21,190 --> 00:46:19,440

different his weather prediction was

1350

00:46:23,430 --> 00:46:21,200

different so the analogy that people

1351
00:46:25,510 --> 00:46:23,440
often use is a butterfly flapping its

1352
00:46:26,710 --> 00:46:25,520
wings mathematically speaking

1353
00:46:28,550 --> 00:46:26,720
flapping its wings in china

1354
00:46:31,589 --> 00:46:28,560
mathematically speaking

1355
00:46:33,190 --> 00:46:31,599
could create a hurricane in new york

1356
00:46:34,710 --> 00:46:33,200
so

1357
00:46:36,470 --> 00:46:34,720
to me it's it's worth it from that

1358
00:46:38,710 --> 00:46:36,480
perspective

1359
00:46:39,910 --> 00:46:38,720
well i also think kind of from a silver

1360
00:46:41,109 --> 00:46:39,920
lining

1361
00:46:43,270 --> 00:46:41,119
perspective

1362
00:46:45,750 --> 00:46:43,280
i've talked to a lot of people just

1363
00:46:48,550 --> 00:46:45,760

individually that have made changes in

1364

00:46:49,750 --> 00:46:48,560

their life as a result of the pandemic

1365

00:46:53,109 --> 00:46:49,760

that are

1366

00:46:56,550 --> 00:46:53,119

resets resets in a positive way i know

1367

00:46:59,190 --> 00:46:56,560

like for me in a small way you know i'm

1368

00:47:02,710 --> 00:46:59,200

big into yoga and i used to go to i'm

1369

00:47:04,710 --> 00:47:02,720

now i'm outside doing yoga and i made a

1370

00:47:07,190 --> 00:47:04,720

little sign you know well

1371

00:47:09,030 --> 00:47:07,200

come join me and do yoga with me right

1372

00:47:10,390 --> 00:47:09,040

here you know in

1373

00:47:12,470 --> 00:47:10,400

beautiful

1374

00:47:14,470 --> 00:47:12,480

cardiff and solana beach in del mar

1375

00:47:15,510 --> 00:47:14,480

where i live out on the beach and it's

1376

00:47:17,349 --> 00:47:15,520

like

1377

00:47:19,990 --> 00:47:17,359

i would never go back i would never go

1378

00:47:21,430 --> 00:47:20,000

back to being inside of a studio and i'm

1379

00:47:23,030 --> 00:47:21,440

trying to spend more and more time

1380

00:47:25,589 --> 00:47:23,040

outside i've talked to a bunch of people

1381

00:47:28,069 --> 00:47:25,599

who said gee you know this really forced

1382

00:47:30,470 --> 00:47:28,079

my hand in terms of homeschooling and i

1383

00:47:31,750 --> 00:47:30,480

homeschool and now i love it and i would

1384

00:47:35,510 --> 00:47:31,760

never consider

1385

00:47:37,990 --> 00:47:35,520

going back so i i love your

1386

00:47:39,589 --> 00:47:38,000

reminding us about the butterfly effect

1387

00:47:42,390 --> 00:47:39,599

and i also think

1388

00:47:45,190 --> 00:47:42,400

there are some unintended consequences

1389

00:47:47,750 --> 00:47:45,200

very positive unintended consequences

1390

00:47:50,470 --> 00:47:47,760

that have come from people being forced

1391

00:47:52,549 --> 00:47:50,480

to reset and then having enough of a

1392

00:47:53,829 --> 00:47:52,559

spiritual core like you're talking about

1393

00:47:55,750 --> 00:47:53,839

to say okay

1394

00:47:57,430 --> 00:47:55,760

how will i reset

1395

00:48:00,950 --> 00:47:57,440

towards my

1396

00:48:02,470 --> 00:48:00,960

spiritual goals and at the same time in

1397

00:48:05,510 --> 00:48:02,480

alignment with

1398

00:48:07,750 --> 00:48:05,520

pushing back with what i see as

1399

00:48:10,069 --> 00:48:07,760

some bad things that are happening to

1400

00:48:12,390 --> 00:48:10,079

our culture what do you think about the

1401
00:48:14,390 --> 00:48:12,400
silver lining thing

1402
00:48:16,150 --> 00:48:14,400
so i referencing my second book again an

1403
00:48:17,510 --> 00:48:16,160
end upside down living another approach

1404
00:48:20,309 --> 00:48:17,520
in addition to forgiveness i talked

1405
00:48:22,309 --> 00:48:20,319
about for life is non-judgmentalism

1406
00:48:23,990 --> 00:48:22,319
which is the idea that we

1407
00:48:25,349 --> 00:48:24,000
we can't know at a cosmic level why

1408
00:48:26,309 --> 00:48:25,359
things are happening it's just way too

1409
00:48:27,829 --> 00:48:26,319
complicated we don't have the

1410
00:48:29,109 --> 00:48:27,839
helicopter's perspective it's almost

1411
00:48:30,950 --> 00:48:29,119
like we are

1412
00:48:32,710 --> 00:48:30,960
walking through a maze and all we see is

1413
00:48:34,630 --> 00:48:32,720

what's immediately in front of us and we

1414

00:48:36,710 --> 00:48:34,640

can't see what's way ahead of us but if

1415

00:48:38,150 --> 00:48:36,720

you had this perspective of the one mind

1416

00:48:39,589 --> 00:48:38,160

the broader consciousness that's beyond

1417

00:48:41,670 --> 00:48:39,599

space and time

1418

00:48:43,349 --> 00:48:41,680

there's more to the story

1419

00:48:45,109 --> 00:48:43,359

so therefore we can't really judge

1420

00:48:46,390 --> 00:48:45,119

things as quote unquote good and bad

1421

00:48:48,150 --> 00:48:46,400

because there are these potentially

1422

00:48:49,829 --> 00:48:48,160

unintended consequences someone has a

1423

00:48:51,589 --> 00:48:49,839

tragedy in his or her life but it can

1424

00:48:53,670 --> 00:48:51,599

lead to amazing things later in life

1425

00:48:54,950 --> 00:48:53,680

that were not foreseeable at the time of

1426

00:48:57,349 --> 00:48:54,960

the tragedy

1427

00:48:58,950 --> 00:48:57,359

and at a from the lens of spiritual

1428

00:49:00,069 --> 00:48:58,960

awakening people often talk about a dark

1429

00:49:02,230 --> 00:49:00,079

night of the soul

1430

00:49:04,950 --> 00:49:02,240

where they have a horrible event and for

1431

00:49:06,069 --> 00:49:04,960

me i had one so in 2016 when i first got

1432

00:49:09,109 --> 00:49:06,079

into the stuff i was listening to

1433

00:49:11,670 --> 00:49:09,119

podcasts i heard about you know spirits

1434

00:49:14,230 --> 00:49:11,680

and just paranormal phenomena that i

1435

00:49:15,589 --> 00:49:14,240

wouldn't have thought about before prior

1436

00:49:17,910 --> 00:49:15,599

to that

1437

00:49:18,950 --> 00:49:17,920

i was i thought life was meaningless

1438

00:49:20,390 --> 00:49:18,960

some things weren't going well

1439

00:49:22,069 --> 00:49:20,400

professionally like some deals weren't

1440

00:49:23,510 --> 00:49:22,079

going the way i wanted in my personal

1441

00:49:25,030 --> 00:49:23,520

life things weren't going the way that i

1442

00:49:26,630 --> 00:49:25,040

wanted and you know i'm such an

1443

00:49:27,750 --> 00:49:26,640

accomplished accomplishment focused

1444

00:49:29,109 --> 00:49:27,760

person

1445

00:49:30,309 --> 00:49:29,119

you know it was a tough time for me then

1446

00:49:31,670 --> 00:49:30,319

i happened to stumble across these

1447

00:49:34,150 --> 00:49:31,680

podcasts my life shifted in a new

1448

00:49:35,670 --> 00:49:34,160

direction but i was probably more

1449

00:49:37,750 --> 00:49:35,680

receptive at the time because i was in

1450

00:49:39,430 --> 00:49:37,760

that dark night of the soul period and

1451

00:49:40,870 --> 00:49:39,440

now it's led to a very different life

1452

00:49:42,790 --> 00:49:40,880

which has been much more fulfilling over

1453

00:49:44,390 --> 00:49:42,800

the last few years so if you apply that

1454

00:49:46,069 --> 00:49:44,400

to the collective level i see what's

1455

00:49:47,910 --> 00:49:46,079

happening right now as a dark night of

1456

00:49:49,670 --> 00:49:47,920

the soul whether we will come out of it

1457

00:49:51,349 --> 00:49:49,680

is as an open question but i agree with

1458

00:49:53,670 --> 00:49:51,359

you alex there are unintended positive

1459

00:49:55,349 --> 00:49:53,680

consequences and on the really positive

1460

00:49:57,589 --> 00:49:55,359

side if we do come out of this and i

1461

00:50:00,390 --> 00:49:57,599

think if some of these corrupt systems

1462

00:50:03,270 --> 00:50:00,400

are collapsed or were and or were able

1463

00:50:05,589 --> 00:50:03,280

to build new systems in parallel we

1464

00:50:07,349 --> 00:50:05,599

could have a world that is potentially

1465

00:50:08,870 --> 00:50:07,359

so positive that we can't even imagine

1466

00:50:10,790 --> 00:50:08,880

it and that's what i tried to hold in my

1467

00:50:12,950 --> 00:50:10,800

mind

1468

00:50:15,030 --> 00:50:12,960

let's talk a little bit about the

1469

00:50:16,870 --> 00:50:15,040

assault on science

1470

00:50:18,950 --> 00:50:16,880

that has been

1471

00:50:20,230 --> 00:50:18,960

this pandemic because

1472

00:50:22,150 --> 00:50:20,240

that's one of the angles i've been

1473

00:50:23,829 --> 00:50:22,160

trying to cover because i don't normally

1474

00:50:26,710 --> 00:50:23,839

like to get into those kind of topics or

1475

00:50:28,710 --> 00:50:26,720

even current event topics i try although

1476

00:50:30,950 --> 00:50:28,720

i really break the rule all the time but

1477

00:50:32,950 --> 00:50:30,960

kind of stay in my lane of science and

1478

00:50:34,549 --> 00:50:32,960

spirituality

1479

00:50:36,950 --> 00:50:34,559

but again as i've kind of maybe

1480

00:50:41,190 --> 00:50:36,960

emphasized maybe too much in this show

1481

00:50:42,950 --> 00:50:41,200

i see a direct through line between the

1482

00:50:44,549 --> 00:50:42,960

attack on science that was

1483

00:50:45,829 --> 00:50:44,559

parapsychology

1484

00:50:47,109 --> 00:50:45,839

which

1485

00:50:48,150 --> 00:50:47,119

you know both

1486

00:50:50,069 --> 00:50:48,160

was

1487

00:50:52,069 --> 00:50:50,079

it's hard to say who won there i think

1488

00:50:54,790 --> 00:50:52,079

in some respects like you're saying dean

1489

00:50:57,510 --> 00:50:54,800

rayden definitely won but in the larger

1490

00:50:59,750 --> 00:50:57,520

sense maybe he didn't win because when

1491

00:51:00,710 --> 00:50:59,760

they can sideline the whole thing and

1492

00:51:02,790 --> 00:51:00,720

just

1493

00:51:03,589 --> 00:51:02,800

ignore it then you know did you really

1494

00:51:05,750 --> 00:51:03,599

win

1495

00:51:08,309 --> 00:51:05,760

but i'm digressing again because what i

1496

00:51:10,630 --> 00:51:08,319

really want to talk about is we're at a

1497

00:51:12,470 --> 00:51:10,640

whole new level with the assault on

1498

00:51:15,349 --> 00:51:12,480

science i just dipped into a little bit

1499

00:51:16,710 --> 00:51:15,359

of the mask science the covid mask thing

1500

00:51:17,990 --> 00:51:16,720

and the reason i like to stay with the

1501
00:51:18,950 --> 00:51:18,000
mask is

1502
00:51:21,750 --> 00:51:18,960
it's

1503
00:51:23,589 --> 00:51:21,760
so much less controversial than talking

1504
00:51:25,270 --> 00:51:23,599
about the virus and talking about the

1505
00:51:28,549 --> 00:51:25,280
vaccine and all that

1506
00:51:30,790 --> 00:51:28,559
just the mask it's just phony science it

1507
00:51:33,430 --> 00:51:30,800
just i'd look back at the interviews

1508
00:51:35,750 --> 00:51:33,440
that i had you know with sheldrick and

1509
00:51:38,470 --> 00:51:35,760
raiden and richard wiseman and the

1510
00:51:41,270 --> 00:51:38,480
controversies it's not even close to

1511
00:51:43,270 --> 00:51:41,280
that in terms of being it's so fake it's

1512
00:51:45,190 --> 00:51:43,280
like anyone should be able to see that

1513
00:51:46,710 --> 00:51:45,200

it's fake and

1514

00:51:47,510 --> 00:51:46,720

our guard

1515

00:51:53,030 --> 00:51:47,520

has

1516

00:51:55,510 --> 00:51:53,040

been let down but there's just no

1517

00:51:58,309 --> 00:51:55,520

meaningful pushback on just the most

1518

00:51:59,109 --> 00:51:58,319

atrocious science that has come with

1519

00:52:02,470 --> 00:51:59,119

this

1520

00:52:04,630 --> 00:52:02,480

pandemic and the associated

1521

00:52:06,549 --> 00:52:04,640

decisions that are being made off of it

1522

00:52:08,230 --> 00:52:06,559

and it's something you cover in the book

1523

00:52:10,790 --> 00:52:08,240

but maybe you want to talk about here at

1524

00:52:12,549 --> 00:52:10,800

kind of that high level of assault on

1525

00:52:14,549 --> 00:52:12,559

science kind of thing

1526
00:52:16,870 --> 00:52:14,559
yeah well we see it with consciousness

1527
00:52:19,270 --> 00:52:16,880
science i saw professionally with some

1528
00:52:21,349 --> 00:52:19,280
new ideas that were out there that were

1529
00:52:22,870 --> 00:52:21,359
threatening to big companies we're

1530
00:52:23,910 --> 00:52:22,880
seeing the same thing now if there's

1531
00:52:25,589 --> 00:52:23,920
science that comes out that is

1532
00:52:27,109 --> 00:52:25,599
threatening to the narrative

1533
00:52:28,470 --> 00:52:27,119
which threatens those who are in charge

1534
00:52:29,510 --> 00:52:28,480
of the narrative whoever those people

1535
00:52:30,950 --> 00:52:29,520
may be

1536
00:52:32,630 --> 00:52:30,960
it's being shut out

1537
00:52:33,829 --> 00:52:32,640
so i've been trying to reconcile this

1538
00:52:35,510 --> 00:52:33,839

too and how do we deal with it and how

1539

00:52:36,790 --> 00:52:35,520

do we how do we even communicate with

1540

00:52:41,349 --> 00:52:36,800

those who

1541

00:52:44,790 --> 00:52:42,710

i've been in this position like i said

1542

00:52:46,069 --> 00:52:44,800

where i've had the time to investigate

1543

00:52:47,910 --> 00:52:46,079

and to look at what the mainstream's

1544

00:52:49,109 --> 00:52:47,920

saying look at their claims and then to

1545

00:52:50,790 --> 00:52:49,119

actually look at some of these other

1546

00:52:52,710 --> 00:52:50,800

studies and what the alternative people

1547

00:52:54,309 --> 00:52:52,720

are saying and to evaluate both

1548

00:52:55,990 --> 00:52:54,319

i can understand for those who don't

1549

00:52:57,670 --> 00:52:56,000

have the time to do that if you're just

1550

00:52:59,430 --> 00:52:57,680

super busy with work and your family and

1551
00:53:01,510 --> 00:52:59,440
you just see what's on tv and you see

1552
00:53:02,870 --> 00:53:01,520
the headline from cnn who you trusted

1553
00:53:05,670 --> 00:53:02,880
your whole life and the new york times

1554
00:53:07,190 --> 00:53:05,680
and you just go with it you who who you

1555
00:53:09,270 --> 00:53:07,200
think they're really going to lie to the

1556
00:53:10,870 --> 00:53:09,280
world about something so big

1557
00:53:13,030 --> 00:53:10,880
it takes a lot to overcome that

1558
00:53:15,430 --> 00:53:13,040
mentality so it takes independent

1559
00:53:16,870 --> 00:53:15,440
investigation it takes a willingness to

1560
00:53:18,630 --> 00:53:16,880
to acknowledge the possibility of

1561
00:53:19,990 --> 00:53:18,640
conspiracy and evil and a lot of people

1562
00:53:20,950 --> 00:53:20,000
don't want to do that

1563
00:53:22,069 --> 00:53:20,960

um

1564

00:53:24,710 --> 00:53:22,079

but

1565

00:53:26,710 --> 00:53:24,720

the suppression is unbelievable

1566

00:53:30,870 --> 00:53:26,720

uh it's unbelievable in in so many

1567

00:53:34,549 --> 00:53:33,109

it which continues for me to reinforce

1568

00:53:36,950 --> 00:53:34,559

the idea that there is something going

1569

00:53:37,990 --> 00:53:36,960

on it's it's not innocent

1570

00:53:39,589 --> 00:53:38,000

because

1571

00:53:42,549 --> 00:53:39,599

the suppression seems to go in one

1572

00:53:44,950 --> 00:53:42,559

direction it goes in the direction of

1573

00:53:47,109 --> 00:53:44,960

fear you should be more scared of this

1574

00:53:48,390 --> 00:53:47,119

and it goes in the direction of we

1575

00:53:50,150 --> 00:53:48,400

should take away your liberties as a

1576

00:53:51,589 --> 00:53:50,160

result of that that seems to be the

1577

00:53:52,710 --> 00:53:51,599

direction of the manipulation of science

1578

00:53:53,990 --> 00:53:52,720

typically

1579

00:53:55,030 --> 00:53:54,000

i want to pick them on one thing you

1580

00:53:57,349 --> 00:53:55,040

just said

1581

00:53:59,829 --> 00:53:57,359

and that is acknowledging the

1582

00:54:01,670 --> 00:53:59,839

possibility and it does relate back to

1583

00:54:03,349 --> 00:54:01,680

the consciousness thing too it relates

1584

00:54:06,549 --> 00:54:03,359

back to the little anecdote you told

1585

00:54:09,589 --> 00:54:06,559

about your buddy who said you know

1586

00:54:11,430 --> 00:54:09,599

nah thanks mark find the way i am you

1587

00:54:13,190 --> 00:54:11,440

know by the way do you want to come over

1588

00:54:15,430 --> 00:54:13,200

and watch the ball game this weekend

1589

00:54:17,750 --> 00:54:15,440

please let's watch the ball game i don't

1590

00:54:18,790 --> 00:54:17,760

want to think about anything else and i

1591

00:54:21,349 --> 00:54:18,800

think

1592

00:54:23,349 --> 00:54:21,359

back from to the total spiritual kind of

1593

00:54:24,390 --> 00:54:23,359

perspective

1594

00:54:26,630 --> 00:54:24,400

we know

1595

00:54:29,030 --> 00:54:26,640

that the the spiritual masters and the

1596

00:54:31,430 --> 00:54:29,040

yogis have told us all along that that

1597

00:54:34,069 --> 00:54:31,440

that doesn't change for people very

1598

00:54:36,829 --> 00:54:34,079

easily and it only changes when they're

1599

00:54:39,670 --> 00:54:36,839

ready and you can't shake somebody by

1600

00:54:41,430 --> 00:54:39,680

the shoulders and say wake up and see

1601
00:54:44,390 --> 00:54:41,440
the science wake up and see what they're

1602
00:54:46,789 --> 00:54:44,400
doing to you any more than you can say

1603
00:54:47,990 --> 00:54:46,799
wake up to your divine

1604
00:54:51,109 --> 00:54:48,000
spiritual

1605
00:54:53,109 --> 00:54:51,119
wholeness you know wake up to the it's

1606
00:54:54,950 --> 00:54:53,119
one in the same and kind of very

1607
00:54:57,589 --> 00:54:54,960
interesting

1608
00:54:59,349 --> 00:54:57,599
way that if you've given any thought to

1609
00:55:02,230 --> 00:54:59,359
those parallels of the spiritual

1610
00:55:03,670 --> 00:55:02,240
awakening and the the how many people do

1611
00:55:06,470 --> 00:55:03,680
not if we could

1612
00:55:09,190 --> 00:55:06,480
not how many people i can be i'm there

1613
00:55:12,069 --> 00:55:09,200

right i did not want to wake up

1614

00:55:14,390 --> 00:55:12,079

spiritually i was scared as crap of

1615

00:55:16,549 --> 00:55:14,400

waking up spiritually because the

1616

00:55:18,309 --> 00:55:16,559

associations i had without my life were

1617

00:55:20,549 --> 00:55:18,319

my religious background of greek

1618

00:55:23,190 --> 00:55:20,559

orthodox and it was scary as crap and it

1619

00:55:26,069 --> 00:55:23,200

wasn't positive but it was like

1620

00:55:28,309 --> 00:55:26,079

i didn't want to touch that

1621

00:55:29,349 --> 00:55:28,319

that lightning rod or that electric wire

1622

00:55:31,829 --> 00:55:29,359

or whatever

1623

00:55:35,190 --> 00:55:31,839

but there is a parallel now i think

1624

00:55:38,309 --> 00:55:35,200

between that kind of reluctance to go

1625

00:55:41,030 --> 00:55:38,319

through a spiritual transformation and

1626
00:55:42,870 --> 00:55:41,040
this that we see with people who we talk

1627
00:55:44,630 --> 00:55:42,880
to and the normies and the people

1628
00:55:47,190 --> 00:55:44,640
driving around alone in their car with a

1629
00:55:49,349 --> 00:55:47,200
mask on and you want to just go say wake

1630
00:55:51,589 --> 00:55:49,359
up and it's like there's something much

1631
00:55:53,910 --> 00:55:51,599
much deeper that they don't want to wake

1632
00:55:55,589 --> 00:55:53,920
up to what are your thoughts on them

1633
00:55:56,549 --> 00:55:55,599
well going back to the anecdote of my

1634
00:55:58,150 --> 00:55:56,559
buddy

1635
00:55:59,829 --> 00:55:58,160
we had the conversation

1636
00:56:01,670 --> 00:55:59,839
maybe four years or so ago five years

1637
00:56:02,950 --> 00:56:01,680
ago when i first was getting into

1638
00:56:03,990 --> 00:56:02,960

consciousness and that was his reaction

1639

00:56:05,670 --> 00:56:04,000

i don't want to go there mark i don't

1640

00:56:06,950 --> 00:56:05,680

want to rock the boat

1641

00:56:09,030 --> 00:56:06,960

this summer when i was talking to him

1642

00:56:11,270 --> 00:56:09,040

about this new book same reaction

1643

00:56:12,870 --> 00:56:11,280

different topic so it's like they're

1644

00:56:14,230 --> 00:56:12,880

they're somewhat independent paradigm

1645

00:56:15,589 --> 00:56:14,240

shifts even though they're interrelated

1646

00:56:16,950 --> 00:56:15,599

because i think there's a consciousness

1647

00:56:18,710 --> 00:56:16,960

element to all this conspiracy which

1648

00:56:20,309 --> 00:56:18,720

you've covered very well in your show

1649

00:56:22,230 --> 00:56:20,319

but they are somewhat independent and

1650

00:56:25,030 --> 00:56:22,240

they can be siloed

1651

00:56:26,390 --> 00:56:25,040

it's it's similar and as a result we are

1652

00:56:29,270 --> 00:56:26,400

seeing divides in the spiritual

1653

00:56:31,190 --> 00:56:29,280

community of those who are spiritual but

1654

00:56:33,430 --> 00:56:31,200

will reject the notion of

1655

00:56:35,190 --> 00:56:33,440

conspiracy and think it's dangerous and

1656

00:56:36,630 --> 00:56:35,200

actually will think that liberty is

1657

00:56:38,549 --> 00:56:36,640

dangerous somehow

1658

00:56:40,470 --> 00:56:38,559

rick archer has told me that directly

1659

00:56:42,549 --> 00:56:40,480

told me that directly that

1660

00:56:44,950 --> 00:56:42,559

you know talking about any of this stuff

1661

00:56:47,270 --> 00:56:44,960

is dangerous and conspiracy theories are

1662

00:56:49,510 --> 00:56:47,280

dangerous and he'll contradict himself

1663

00:56:52,150 --> 00:56:49,520

and then he'll come back

1664

00:56:54,549 --> 00:56:52,160

so i mean i just gotta call rick out on

1665

00:56:56,470 --> 00:56:54,559

that because it's over and over we we've

1666

00:56:58,309 --> 00:56:56,480

called each other out on it publicly and

1667

00:57:00,309 --> 00:56:58,319

i've had him on the show and i've talked

1668

00:57:02,390 --> 00:57:00,319

about a lot so it's not like new

1669

00:57:04,069 --> 00:57:02,400

information but there is a classic case

1670

00:57:06,950 --> 00:57:04,079

of somebody who's a very

1671

00:57:08,549 --> 00:57:06,960

very very public figure very important

1672

00:57:09,910 --> 00:57:08,559

figure in the alternative spiritual

1673

00:57:11,430 --> 00:57:09,920

community i'll tell you another one is

1674

00:57:13,589 --> 00:57:11,440

jeffrey mishlov does see the thing that

1675

00:57:15,190 --> 00:57:13,599

he recently came out with i mean it's

1676
00:57:17,829 --> 00:57:15,200
like

1677
00:57:20,150 --> 00:57:17,839
what is he talking about has he

1678
00:57:21,910 --> 00:57:20,160
completely lost his sense because the

1679
00:57:23,670 --> 00:57:21,920
other way that we should tie this back

1680
00:57:24,470 --> 00:57:23,680
to because we talked about that other

1681
00:57:27,349 --> 00:57:24,480
thing

1682
00:57:30,870 --> 00:57:27,359
is the the people who

1683
00:57:33,270 --> 00:57:30,880
see this as some kind of political play

1684
00:57:35,990 --> 00:57:33,280
in this kind of left right

1685
00:57:38,470 --> 00:57:36,000
red state blue state i mean

1686
00:57:39,589 --> 00:57:38,480
has it what we've hasn't what we've gone

1687
00:57:42,230 --> 00:57:39,599
through

1688
00:57:45,109 --> 00:57:42,240

thoroughly thoroughly convinced you that

1689

00:57:47,510 --> 00:57:45,119

that is completely ridiculous and is

1690

00:57:49,589 --> 00:57:47,520

just not really where the game is being

1691

00:57:51,510 --> 00:57:49,599

played and yet

1692

00:57:53,670 --> 00:57:51,520

you know people like jeffrey mishlov are

1693

00:57:55,589 --> 00:57:53,680

completely attached to that in a way

1694

00:57:57,349 --> 00:57:55,599

that makes it impossible to break

1695

00:57:59,589 --> 00:57:57,359

through and have these next level

1696

00:58:01,190 --> 00:57:59,599

conversations

1697

00:58:03,349 --> 00:58:01,200

yeah well i haven't personally talked to

1698

00:58:04,150 --> 00:58:03,359

rick about these issues i'm sure at some

1699

00:58:05,670 --> 00:58:04,160

point we'll have an interesting

1700

00:58:07,190 --> 00:58:05,680

conversation i love a show booty at the

1701

00:58:08,630 --> 00:58:07,200

gas pump i think it's one of the most

1702

00:58:09,670 --> 00:58:08,640

important shows in terms of spiritual

1703

00:58:10,950 --> 00:58:09,680

awakening journey and it's really

1704

00:58:11,990 --> 00:58:10,960

helpful absolutely

1705

00:58:14,230 --> 00:58:12,000

um

1706

00:58:15,990 --> 00:58:14,240

but this this divide that we're seeing

1707

00:58:17,030 --> 00:58:16,000

it's

1708

00:58:18,710 --> 00:58:17,040

politics

1709

00:58:20,710 --> 00:58:18,720

talk let me pull you in so so that

1710

00:58:24,950 --> 00:58:20,720

you're not asked to dash people that i'm

1711

00:58:28,069 --> 00:58:24,960

bashing i don't understand that people

1712

00:58:30,710 --> 00:58:28,079

who insist upon seeing this

1713

00:58:31,829 --> 00:58:30,720

through the traditional political

1714

00:58:33,910 --> 00:58:31,839

spectrum

1715

00:58:36,950 --> 00:58:33,920

any more than i understand people in

1716

00:58:39,270 --> 00:58:36,960

frontier science who insist on seeing

1717

00:58:41,829 --> 00:58:39,280

this through all is right and well with

1718

00:58:43,910 --> 00:58:41,839

science we just need better peer review

1719

00:58:46,789 --> 00:58:43,920

and they don't see the conspiracy behind

1720

00:58:49,109 --> 00:58:46,799

it so yeah the the politics of it that's

1721

00:58:51,670 --> 00:58:49,119

gone right there is no real

1722

00:58:53,829 --> 00:58:51,680

left right red state democrat that

1723

00:58:55,430 --> 00:58:53,839

doesn't really

1724

00:58:56,950 --> 00:58:55,440

fit the bill here right

1725

00:58:58,390 --> 00:58:56,960

i agree with you completely it's a super

1726

00:59:00,309 --> 00:58:58,400

important point because there's a

1727

00:59:01,990 --> 00:59:00,319

paradigm that people are in

1728

00:59:03,510 --> 00:59:02,000

of well if you're not a democrat then

1729

00:59:04,710 --> 00:59:03,520

you're a republican and vice versa and

1730

00:59:05,990 --> 00:59:04,720

if you believe this then you're part of

1731

00:59:08,069 --> 00:59:06,000

this political movement and it's this

1732

00:59:09,750 --> 00:59:08,079

very divisive mentality one of the

1733

00:59:12,470 --> 00:59:09,760

things that i try to do in my book and

1734

00:59:14,549 --> 00:59:12,480

upside down liberty is to

1735

00:59:16,710 --> 00:59:14,559

transcend that the left-right division

1736

00:59:18,630 --> 00:59:16,720

and get it more to the spectrum of

1737

00:59:20,150 --> 00:59:18,640

liberty versus non-liberty because

1738

00:59:22,069 --> 00:59:20,160

really the left and the right have

1739

00:59:23,910 --> 00:59:22,079

differing opinions on what the other

1740

00:59:25,510 --> 00:59:23,920

party should be doing which to me is

1741

00:59:27,349 --> 00:59:25,520

counter to principles of liberty and

1742

00:59:29,589 --> 00:59:27,359

then that mentality becomes warped into

1743

00:59:31,750 --> 00:59:29,599

an us versus them and it i think can

1744

00:59:33,430 --> 00:59:31,760

warp our ability to objectively look at

1745

00:59:35,430 --> 00:59:33,440

science because you might hear an

1746

00:59:37,030 --> 00:59:35,440

opinion from that

1747

00:59:38,390 --> 00:59:37,040

let's say if you're a democrat that oh

1748

00:59:41,109 --> 00:59:38,400

the right wingers are saying this is

1749

00:59:43,270 --> 00:59:41,119

true scientifically i'm not a republican

1750

00:59:44,870 --> 00:59:43,280

i think republicans are evil some of

1751
00:59:46,309 --> 00:59:44,880
them and therefore and because i'm a

1752
00:59:48,470 --> 00:59:46,319
good person i can't agree with that

1753
00:59:49,750 --> 00:59:48,480
science it's like this this weird warped

1754
00:59:51,910 --> 00:59:49,760
logic that

1755
00:59:53,510 --> 00:59:51,920
removes objectivity from the situation

1756
00:59:55,430 --> 00:59:53,520
and i think it allows for greater mind

1757
00:59:57,430 --> 00:59:55,440
control i agree

1758
00:59:59,030 --> 00:59:57,440
one last topic and it's a topic i always

1759
01:00:00,950 --> 00:59:59,040
bring up because

1760
01:00:03,349 --> 01:00:00,960
it just has to be front and center in

1761
01:00:05,430 --> 01:00:03,359
this discussion and it's it's difficult

1762
01:00:07,589 --> 01:00:05,440
because it totally throws people for a

1763
01:00:09,829 --> 01:00:07,599

loop but that's e.t

1764

01:00:11,230 --> 01:00:09,839

at ufo and we're right in the middle of

1765

01:00:13,829 --> 01:00:11,240

it we are at an

1766

01:00:16,630 --> 01:00:13,839

unprecedented point in history where

1767

01:00:19,430 --> 01:00:16,640

this has been acknowledged and they've

1768

01:00:21,670 --> 01:00:19,440

released the videos in the most phony

1769

01:00:23,990 --> 01:00:21,680

political psyop kind of way but there's

1770

01:00:25,510 --> 01:00:24,000

no getting away from the evidence and

1771

01:00:26,390 --> 01:00:25,520

there's no getting away from the fact

1772

01:00:29,109 --> 01:00:26,400

that

1773

01:00:31,190 --> 01:00:29,119

despite what we all thought 10 years ago

1774

01:00:33,109 --> 01:00:31,200

and richard dolan wrote in his book

1775

01:00:35,910 --> 01:00:33,119

after disclosure that they'll never

1776

01:00:38,230 --> 01:00:35,920

disclose because then we'll never stop

1777

01:00:40,230 --> 01:00:38,240

asking the questions why did you lie why

1778

01:00:42,390 --> 01:00:40,240

did you threaten these families why did

1779

01:00:44,390 --> 01:00:42,400

you kill these people well

1780

01:00:47,750 --> 01:00:44,400

they did disclose and none of that

1781

01:00:51,829 --> 01:00:47,760

happened and in some ways it's a very

1782

01:00:54,150 --> 01:00:51,839

discouraging uh event as it relates to

1783

01:00:56,549 --> 01:00:54,160

like the pandemic and the destruction of

1784

01:01:00,230 --> 01:00:56,559

liberty and stuff like that because i

1785

01:01:01,990 --> 01:01:00,240

think that is another example of

1786

01:01:04,470 --> 01:01:02,000

something that's happened in the past

1787

01:01:06,390 --> 01:01:04,480

that has parallels that's hap to what's

1788

01:01:09,030 --> 01:01:06,400

happening here you don't think they can

1789

01:01:11,109 --> 01:01:09,040

hide the truth hell yes they can hide

1790

01:01:13,589 --> 01:01:11,119

the truth quite well and they can lie

1791

01:01:15,589 --> 01:01:13,599

about it for extended periods of time

1792

01:01:18,150 --> 01:01:15,599

and they can turn people in circles and

1793

01:01:20,150 --> 01:01:18,160

they can co-opt whatever group you form

1794

01:01:21,670 --> 01:01:20,160

and they can misinform and then they can

1795

01:01:24,950 --> 01:01:21,680

come in and dribble in some good

1796

01:01:27,030 --> 01:01:24,960

information mix it into the pot so

1797

01:01:30,390 --> 01:01:27,040

that's all talking about the method of

1798

01:01:32,950 --> 01:01:30,400

et ufo disclosure then there's just the

1799

01:01:35,510 --> 01:01:32,960

implications of the reality of it what

1800

01:01:37,829 --> 01:01:35,520

does that mean in terms of us and where

1801

01:01:41,430 --> 01:01:37,839

we sit in this world what could that

1802

01:01:42,630 --> 01:01:41,440

possibly mean in terms of if there is an

1803

01:01:45,430 --> 01:01:42,640

underlying

1804

01:01:48,230 --> 01:01:45,440

motivation behind this if there is some

1805

01:01:51,829 --> 01:01:48,240

direction behind all this craziness

1806

01:01:53,990 --> 01:01:51,839

that's going on could it be connected to

1807

01:01:56,789 --> 01:01:54,000

this other intelligence or other

1808

01:01:58,710 --> 01:01:56,799

intelligences which seems to be the case

1809

01:02:00,630 --> 01:01:58,720

laid a ton on the table so just pick

1810

01:02:02,069 --> 01:02:00,640

what you want to talk about

1811

01:02:02,870 --> 01:02:02,079

well i'm really interested in that topic

1812

01:02:05,190 --> 01:02:02,880

too

1813

01:02:07,270 --> 01:02:05,200

um and in my book i mentioned

1814

01:02:09,750 --> 01:02:07,280

the potential for

1815

01:02:12,549 --> 01:02:09,760

metaphysical good and evil and what that

1816

01:02:14,069 --> 01:02:12,559

means for everything so in in this book

1817

01:02:15,670 --> 01:02:14,079

i talk about you know i give some

1818

01:02:16,710 --> 01:02:15,680

controversial views about politics about

1819

01:02:18,390 --> 01:02:16,720

the the way in which government

1820

01:02:19,990 --> 01:02:18,400

threatens liberty inherently and propose

1821

01:02:22,230 --> 01:02:20,000

a new way of doing governing that's much

1822

01:02:24,230 --> 01:02:22,240

more voluntary which on its own is going

1823

01:02:25,670 --> 01:02:24,240

to give people issues i'm sure

1824

01:02:27,670 --> 01:02:25,680

and then i throw on the spiritual part

1825

01:02:28,950 --> 01:02:27,680

too and say that we have to consider

1826
01:02:31,349 --> 01:02:28,960
these other aspects that you mentioned

1827
01:02:32,789 --> 01:02:31,359
alex that there's a metaphysical aspect

1828
01:02:34,470 --> 01:02:32,799
to reality and how is that playing into

1829
01:02:36,150 --> 01:02:34,480
politics and how does it play into the

1830
01:02:37,750 --> 01:02:36,160
meaning of life and why does why does

1831
01:02:38,630 --> 01:02:37,760
politics even matter how does that fit

1832
01:02:40,309 --> 01:02:38,640
into

1833
01:02:41,990 --> 01:02:40,319
metaphysics a lot of political

1834
01:02:43,589 --> 01:02:42,000
discussions don't go there

1835
01:02:45,510 --> 01:02:43,599
but staying on your point about et and

1836
01:02:47,190 --> 01:02:45,520
this idea of other intelligences more

1837
01:02:49,270 --> 01:02:47,200
broadly whether they're

1838
01:02:51,510 --> 01:02:49,280

multi-dimensional beings actual physical

1839

01:02:52,789 --> 01:02:51,520

beings from other dimensions and planets

1840

01:02:55,349 --> 01:02:52,799

i don't know

1841

01:02:56,870 --> 01:02:55,359

we have to consider it we

1842

01:02:58,390 --> 01:02:56,880

it goes back to this idea of mind

1843

01:02:59,750 --> 01:02:58,400

control and how much information is

1844

01:03:01,190 --> 01:02:59,760

being suppressed and you've covered a

1845

01:03:02,549 --> 01:03:01,200

lot of this on your show the et

1846

01:03:04,069 --> 01:03:02,559

phenomenon

1847

01:03:05,109 --> 01:03:04,079

there's probably so much that we don't

1848

01:03:05,990 --> 01:03:05,119

know and then certain things that we

1849

01:03:07,430 --> 01:03:06,000

think are real that might be

1850

01:03:09,029 --> 01:03:07,440

disinformation

1851

01:03:10,549 --> 01:03:09,039

um and then

1852

01:03:12,789 --> 01:03:10,559

on a related note

1853

01:03:14,630 --> 01:03:12,799

how can these forces be tapped into for

1854

01:03:17,109 --> 01:03:14,640

both good and evil and to what extent is

1855

01:03:18,630 --> 01:03:17,119

that being done to enact good and evil

1856

01:03:19,910 --> 01:03:18,640

on the planet and then you start getting

1857

01:03:21,190 --> 01:03:19,920

into stuff that you've been looking at

1858

01:03:23,029 --> 01:03:21,200

too and i i don't feel like i have a

1859

01:03:25,270 --> 01:03:23,039

grasp on this but i'm interested is

1860

01:03:26,710 --> 01:03:25,280

looking at ancient texts you know the

1861

01:03:29,430 --> 01:03:26,720

gnostic texts and some of the ancient

1862

01:03:31,510 --> 01:03:29,440

mythologies what's what's misinformation

1863

01:03:32,950 --> 01:03:31,520

from that what is just pure mythology

1864

01:03:35,349 --> 01:03:32,960

and what might where might there be

1865

01:03:37,430 --> 01:03:35,359

hints of truth so in my book i actually

1866

01:03:40,069 --> 01:03:37,440

quote uh the nag hamadi texts which were

1867

01:03:42,069 --> 01:03:40,079

discovered in 1945 uh farmers were

1868

01:03:44,390 --> 01:03:42,079

looking for a manure and found these uh

1869

01:03:45,670 --> 01:03:44,400

these tablets there that seem to have

1870

01:03:47,510 --> 01:03:45,680

been removed from the new testament

1871

01:03:49,190 --> 01:03:47,520

potentially so that makes me interested

1872

01:03:50,789 --> 01:03:49,200

in those who speculate that it's removed

1873

01:03:52,950 --> 01:03:50,799

from the traditional religious text i

1874

01:03:54,470 --> 01:03:52,960

get curious why why might that have been

1875

01:03:56,470 --> 01:03:54,480

removed is there something of interest

1876

01:03:57,910 --> 01:03:56,480

there and there's one of the texts

1877

01:03:59,670 --> 01:03:57,920

within the non-commodity scriptures is

1878

01:04:01,190 --> 01:03:59,680

called the rulers

1879

01:04:02,230 --> 01:04:01,200

and there's a quote i'm paraphrasing it

1880

01:04:03,990 --> 01:04:02,240

here

1881

01:04:05,270 --> 01:04:04,000

they talk about when humanity left the

1882

01:04:06,390 --> 01:04:05,280

garden of eden

1883

01:04:07,750 --> 01:04:06,400

they said

1884

01:04:10,710 --> 01:04:07,760

the text says

1885

01:04:13,670 --> 01:04:10,720

the rulers left humanity in a great

1886

01:04:15,670 --> 01:04:13,680

state of confusion and to a life of toil

1887

01:04:17,589 --> 01:04:15,680

so that they would be preoccupied with

1888

01:04:22,309 --> 01:04:17,599

the things of the world and wouldn't

1889

01:04:26,069 --> 01:04:22,319

have time to focus on the holy spirit

1890

01:04:29,990 --> 01:04:26,079

that to me sounds a lot like this world

1891

01:04:31,510 --> 01:04:30,000

yeah i i i'm with you i think it's super

1892

01:04:34,309 --> 01:04:31,520

important

1893

01:04:35,990 --> 01:04:34,319

i don't know how to begin to kind of

1894

01:04:37,589 --> 01:04:36,000

deconstruct it so

1895

01:04:39,270 --> 01:04:37,599

you've obviously listened to a couple of

1896

01:04:42,470 --> 01:04:39,280

my things there

1897

01:04:45,109 --> 01:04:42,480

one the one place i start is

1898

01:04:47,670 --> 01:04:45,119

what we do know in terms of what would

1899

01:04:49,109 --> 01:04:47,680

in the past along the non commodity

1900

01:04:51,029 --> 01:04:49,119

library

1901

01:04:53,510 --> 01:04:51,039

the dead sea scrolls

1902

01:04:55,029 --> 01:04:53,520

i mentioned very interestingly the dead

1903

01:04:57,990 --> 01:04:55,039

sea scrolls and the connection with

1904

01:05:00,309 --> 01:04:58,000

josephus i've had a bunch of biblical

1905

01:05:02,230 --> 01:05:00,319

scholars on everyone references josephus

1906

01:05:04,069 --> 01:05:02,240

but at the same time they acknowledge

1907

01:05:06,789 --> 01:05:04,079

that it's just a terrible terrible

1908

01:05:09,349 --> 01:05:06,799

historical source that has created an

1909

01:05:11,670 --> 01:05:09,359

incredible amount of havoc in terms of

1910

01:05:13,670 --> 01:05:11,680

these books that we have that people

1911

01:05:15,990 --> 01:05:13,680

live their whole life on and then if to

1912

01:05:18,069 --> 01:05:16,000

have generationally kind of look back

1913

01:05:20,710 --> 01:05:18,079

but mom believed it dad believed it

1914

01:05:23,190 --> 01:05:20,720

granddad believed it and that's a very

1915

01:05:26,309 --> 01:05:23,200

hard thing to kind of

1916

01:05:28,150 --> 01:05:26,319

pull yourself out of but if i can i'd

1917

01:05:29,430 --> 01:05:28,160

switch back to the et thing because i

1918

01:05:33,430 --> 01:05:29,440

always like to throw this in there

1919

01:05:35,190 --> 01:05:33,440

because even i forget it sometimes

1920

01:05:37,750 --> 01:05:35,200

in the e.t realm

1921

01:05:39,670 --> 01:05:37,760

one of the ways that there is community

1922

01:05:41,589 --> 01:05:39,680

is being divided and it's fractured in a

1923

01:05:45,109 --> 01:05:41,599

bunch of different ways is a lot of talk

1924

01:05:46,910 --> 01:05:45,119

about consciousness as it relates to e.t

1925

01:05:49,190 --> 01:05:46,920

and i don't know if et is

1926

01:05:50,870 --> 01:05:49,200

multi-dimensional and i don't know why

1927

01:05:52,789 --> 01:05:50,880

is everyone hung up on the nuts and

1928

01:05:55,349 --> 01:05:52,799

bolts reality of it so i'm going to

1929

01:05:57,910 --> 01:05:55,359

pound on a drum that i pound on a lot is

1930

01:05:58,870 --> 01:05:57,920

look at the nukes

1931

01:06:01,510 --> 01:05:58,880

so the

1932

01:06:02,630 --> 01:06:01,520

ufos fly over

1933

01:06:04,549 --> 01:06:02,640

our nuke

1934

01:06:06,789 --> 01:06:04,559

air force bases

1935

01:06:09,829 --> 01:06:06,799

and one by one they go to each missile

1936

01:06:12,309 --> 01:06:09,839

silos and they shoot down a red beam and

1937

01:06:14,390 --> 01:06:12,319

they shut off each one of the missiles

1938

01:06:16,870 --> 01:06:14,400

and this is reported from people above

1939

01:06:19,349 --> 01:06:16,880

the ground the soldiers are out there

1940

01:06:21,589 --> 01:06:19,359

responsible for protecting the perimeter

1941

01:06:24,549 --> 01:06:21,599

of the base it's also reported from

1942

01:06:26,470 --> 01:06:24,559

inside the guy who's responsible for

1943

01:06:28,549 --> 01:06:26,480

pushing the button and sending those

1944

01:06:31,670 --> 01:06:28,559

missiles on their way to russia and he's

1945

01:06:35,190 --> 01:06:31,680

like there is no way this can happen but

1946

01:06:39,109 --> 01:06:35,200

it just happened and e.t did it

1947

01:06:41,670 --> 01:06:39,119

what does that say about et's ability

1948

01:06:43,829 --> 01:06:41,680

vis-a-vis our technology

1949

01:06:45,270 --> 01:06:43,839

what does that say about the moral

1950

01:06:49,750 --> 01:06:45,280

imperative

1951

01:06:52,470 --> 01:06:49,760

of et et's nde as i like to say

1952

01:06:53,670 --> 01:06:52,480

it it begins to hint at it in the same

1953

01:06:56,230 --> 01:06:53,680

way that

1954

01:06:58,789 --> 01:06:56,240

you take and i do too take the near

1955

01:07:01,270 --> 01:06:58,799

death experience accounts and say

1956

01:07:03,589 --> 01:07:01,280

we can't take these literally but what

1957

01:07:06,069 --> 01:07:03,599

do they begin to suggest

1958

01:07:07,829 --> 01:07:06,079

and then switch over if you would

1959

01:07:10,390 --> 01:07:07,839

to the ukraine

1960

01:07:13,029 --> 01:07:10,400

where the ufos did the same thing

1961

01:07:14,710 --> 01:07:13,039

but instead of turning the nukes off

1962

01:07:16,390 --> 01:07:14,720

they turned them on

1963

01:07:19,589 --> 01:07:16,400

and they went to the silo and they shot

1964

01:07:21,589 --> 01:07:19,599

down the red beam and one by one they

1965

01:07:24,309 --> 01:07:21,599

turned the nukes on

1966

01:07:26,230 --> 01:07:24,319

and the russian soldiers were like what

1967

01:07:27,990 --> 01:07:26,240

are we going to do the earth will be

1968

01:07:29,430 --> 01:07:28,000

destroyed we have no waves that we're

1969

01:07:31,270 --> 01:07:29,440

not in control

1970

01:07:33,510 --> 01:07:31,280

this is our most advanced technology and

1971

01:07:36,230 --> 01:07:33,520

we're not in control of it

1972

01:07:38,230 --> 01:07:36,240

and then the et's

1973

01:07:40,390 --> 01:07:38,240

turned them back off

1974

01:07:42,549 --> 01:07:40,400

i don't know what that means i don't

1975

01:07:44,309 --> 01:07:42,559

know how many different species there

1976

01:07:46,950 --> 01:07:44,319

are how many different intelligences

1977

01:07:49,029 --> 01:07:46,960

there are i don't know about time travel

1978

01:07:51,750 --> 01:07:49,039

i don't know about the rest of it

1979

01:07:55,589 --> 01:07:51,760

but people who want to dismiss

1980

01:07:56,390 --> 01:07:55,599

ufos and et is purely a problem that has

1981

01:07:58,710 --> 01:07:56,400

to be

1982

01:08:01,270 --> 01:07:58,720

can be chalked up to consciousness and

1983

01:08:03,990 --> 01:08:01,280

some kind of interdimensional

1984

01:08:05,990 --> 01:08:04,000

hocus pocus that we don't know of are

1985

01:08:09,029 --> 01:08:06,000

missing the point that they have

1986

01:08:11,270 --> 01:08:09,039

demonstrated a mastery of our most

1987

01:08:12,069 --> 01:08:11,280

advanced technology

1988

01:08:14,150 --> 01:08:12,079

and

1989

01:08:15,190 --> 01:08:14,160

that would kind of give should give us

1990

01:08:17,349 --> 01:08:15,200

pause

1991

01:08:19,189 --> 01:08:17,359

on both those fronts in terms of the

1992

01:08:20,789 --> 01:08:19,199

nuts and bolts reality of it not that

1993

01:08:23,430 --> 01:08:20,799

there isn't a consciousness reality of

1994

01:08:25,030 --> 01:08:23,440

it too but then also what could

1995

01:08:25,829 --> 01:08:25,040

potentially be

1996

01:08:28,149 --> 01:08:25,839

the

1997

01:08:30,149 --> 01:08:28,159

agenda on you know as we've been talking

1998

01:08:32,229 --> 01:08:30,159

about on a spiritual level because

1999

01:08:33,110 --> 01:08:32,239

they're telling us something on a moral

2000

01:08:35,829 --> 01:08:33,120

level

2001
01:08:39,030 --> 01:08:35,839
and both you and i mark would say well

2002
01:08:39,990 --> 01:08:39,040
that moral level is really speaking to

2003
01:08:42,309 --> 01:08:40,000
something

2004
01:08:44,709 --> 01:08:42,319
on a spiritual level that we don't quite

2005
01:08:46,390 --> 01:08:44,719
or we we get but we don't want to quite

2006
01:08:47,430 --> 01:08:46,400
go there all the time

2007
01:08:48,229 --> 01:08:47,440
what are you what are your thoughts on

2008
01:08:49,669 --> 01:08:48,239
that

2009
01:08:52,149 --> 01:08:49,679
well i'll start with

2010
01:08:53,910 --> 01:08:52,159
the reality of et slash other

2011
01:08:56,070 --> 01:08:53,920
intelligences that are out there and i i

2012
01:08:57,990 --> 01:08:56,080
first like to go to john mack

2013
01:09:00,229 --> 01:08:58,000

and the work that he did harvard

2014

01:09:02,229 --> 01:09:00,239

psychiatrist look at looked at cases of

2015

01:09:05,189 --> 01:09:02,239

abduction i have his books they're

2016

01:09:06,950 --> 01:09:05,199

extremely well documented very detailed

2017

01:09:08,070 --> 01:09:06,960

and he kind of reminds me of dr ian

2018

01:09:10,149 --> 01:09:08,080

stevenson from the university of

2019

01:09:12,390 --> 01:09:10,159

virginia psychiatrist was looking at

2020

01:09:14,309 --> 01:09:12,400

things very closely and was like look if

2021

01:09:15,990 --> 01:09:14,319

i want to if i want to take all these

2022

01:09:17,590 --> 01:09:16,000

data points in the most logical

2023

01:09:19,430 --> 01:09:17,600

conclusion is reincarnation of all these

2024

01:09:21,110 --> 01:09:19,440

kids with past life memories john mack

2025

01:09:21,990 --> 01:09:21,120

seemed to come to a very similar place

2026

01:09:23,269 --> 01:09:22,000

and there are many others that have

2027

01:09:24,229 --> 01:09:23,279

looked at this too

2028

01:09:25,829 --> 01:09:24,239

but

2029

01:09:27,189 --> 01:09:25,839

there's something going on i don't think

2030

01:09:28,709 --> 01:09:27,199

i'm an expert on it there's a lot that i

2031

01:09:29,910 --> 01:09:28,719

don't know and understand but the fact

2032

01:09:31,349 --> 01:09:29,920

that there does seem to be going

2033

01:09:32,870 --> 01:09:31,359

something going on

2034

01:09:34,229 --> 01:09:32,880

indicates we need to ask the questions

2035

01:09:36,470 --> 01:09:34,239

that you're asking alex is how does that

2036

01:09:37,990 --> 01:09:36,480

interplay on a physical level with

2037

01:09:39,990 --> 01:09:38,000

geopolitics

2038

01:09:41,910 --> 01:09:40,000

what's what's going on beyond what we

2039

01:09:43,510 --> 01:09:41,920

can see it's and it's very similar to

2040

01:09:45,669 --> 01:09:43,520

the world of consciousness

2041

01:09:47,430 --> 01:09:45,679

why people have a hard time accepting it

2042

01:09:49,990 --> 01:09:47,440

it implies there are things that we

2043

01:09:51,189 --> 01:09:50,000

can't access with our senses and it also

2044

01:09:53,430 --> 01:09:51,199

implies that there are things that we

2045

01:09:55,189 --> 01:09:53,440

know but we have an amnesia too these

2046

01:09:57,030 --> 01:09:55,199

are really hard concepts to accept

2047

01:09:58,390 --> 01:09:57,040

because they shatter reality and since i

2048

01:09:59,990 --> 01:09:58,400

guess my reality has been shattered so

2049

01:10:01,510 --> 01:10:00,000

much i'm very open-minded

2050

01:10:02,870 --> 01:10:01,520

to at least the possibility i don't know

2051

01:10:04,950 --> 01:10:02,880

what's true and what's not but i think

2052

01:10:08,070 --> 01:10:04,960

we have to consider it and also we have

2053

01:10:09,990 --> 01:10:08,080

to be very skeptical of history um

2054

01:10:11,270 --> 01:10:10,000

because we're seeing

2055

01:10:12,870 --> 01:10:11,280

right now that history is being

2056

01:10:14,470 --> 01:10:12,880

manipulated an event will happen the

2057

01:10:16,149 --> 01:10:14,480

news will frame it one way and that that

2058

01:10:18,149 --> 01:10:16,159

it might go down in the history books as

2059

01:10:19,910 --> 01:10:18,159

having happened that way when in fact it

2060

01:10:21,430 --> 01:10:19,920

leaves out many other things so how does

2061

01:10:23,590 --> 01:10:21,440

that ripple into what's happened in the

2062

01:10:24,790 --> 01:10:23,600

past and what has not been disclosed in

2063

01:10:26,790 --> 01:10:24,800

the media that might have been more

2064

01:10:29,350 --> 01:10:26,800

mainstream at one point which could

2065

01:10:30,470 --> 01:10:29,360

relate to it or otherwise

2066

01:10:32,070 --> 01:10:30,480

and

2067

01:10:33,750 --> 01:10:32,080

i guess where i would close on that is

2068

01:10:35,110 --> 01:10:33,760

we have to consider it and look into it

2069

01:10:36,870 --> 01:10:35,120

very closely

2070

01:10:39,590 --> 01:10:36,880

absolutely

2071

01:10:42,149 --> 01:10:39,600

so uh mark we could

2072

01:10:44,709 --> 01:10:42,159

i thoroughly enjoy all of this and

2073

01:10:47,910 --> 01:10:44,719

you're such a deep thinker and you're at

2074

01:10:49,830 --> 01:10:47,920

another level that allows you to talk

2075

01:10:52,470 --> 01:10:49,840

about all these topics and weave them

2076

01:10:54,790 --> 01:10:52,480

together in a way that very very few

2077

01:10:57,910 --> 01:10:54,800

people can so i strongly encourage

2078

01:10:59,590 --> 01:10:57,920

anyone to who's interested to pick up

2079

01:11:01,750 --> 01:10:59,600

all of these books if you're unfamiliar

2080

01:11:04,149 --> 01:11:01,760

with an end to upside down thinking

2081

01:11:07,430 --> 01:11:04,159

you'll find it just

2082

01:11:09,669 --> 01:11:07,440

really really readable well uh sourced

2083

01:11:12,310 --> 01:11:09,679

in terms of the support for what he's

2084

01:11:14,790 --> 01:11:12,320

saying and the same with this new book

2085

01:11:17,350 --> 01:11:14,800

and end to upside down liberty

2086

01:11:19,030 --> 01:11:17,360

where do you plan on going next and what

2087

01:11:20,870 --> 01:11:19,040

are you gonna i guess the book is just

2088

01:11:22,550 --> 01:11:20,880

out now so

2089

01:11:24,550 --> 01:11:22,560

where do you what do you want to do with

2090

01:11:25,669 --> 01:11:24,560

it and where do you plan to go next with

2091

01:11:28,149 --> 01:11:25,679

it mark

2092

01:11:29,590 --> 01:11:28,159

i wish i knew my life over the last five

2093

01:11:32,310 --> 01:11:29,600

plus years has been

2094

01:11:33,750 --> 01:11:32,320

a continuous mystery of i i follow what

2095

01:11:35,430 --> 01:11:33,760

i'm passionate in and what seems to

2096

01:11:37,270 --> 01:11:35,440

align with my values so i'm going to

2097

01:11:38,630 --> 01:11:37,280

continue doing that and life seems to

2098

01:11:40,149 --> 01:11:38,640

present itself with things that i need

2099

01:11:41,990 --> 01:11:40,159

to do so generally that's how i think

2100

01:11:43,590 --> 01:11:42,000

about it but what i feel right now is

2101
01:11:45,270 --> 01:11:43,600
there's urgency to get the message out

2102
01:11:47,189 --> 01:11:45,280
about this stuff so i really want to get

2103
01:11:49,830 --> 01:11:47,199
the message out about the book and get

2104
01:11:50,950 --> 01:11:49,840
people at least questioning these topics

2105
01:11:52,709 --> 01:11:50,960
i want to go back to something you said

2106
01:11:54,630 --> 01:11:52,719
earlier about like you know should we be

2107
01:11:57,350 --> 01:11:54,640
changing people's minds or are they on

2108
01:11:58,870 --> 01:11:57,360
their own path and for me

2109
01:12:00,229 --> 01:11:58,880
what i like to do is put information out

2110
01:12:01,830 --> 01:12:00,239
and those who are interested might

2111
01:12:03,590 --> 01:12:01,840
gravitate towards it i'm not going to

2112
01:12:05,189 --> 01:12:03,600
change people and actually i don't know

2113
01:12:06,470 --> 01:12:05,199

their karmic path or their spiritual

2114

01:12:07,350 --> 01:12:06,480

path maybe they're not supposed to

2115

01:12:08,870 --> 01:12:07,360

change

2116

01:12:10,390 --> 01:12:08,880

so it's more about making things

2117

01:12:12,870 --> 01:12:10,400

accessible for those who are interested

2118

01:12:14,390 --> 01:12:12,880

and that's generally how i look at it

2119

01:12:17,189 --> 01:12:14,400

and we'll see where that goes and i

2120

01:12:19,350 --> 01:12:17,199

think also as the world unfolds in

2121

01:12:21,270 --> 01:12:19,360

different ways i might get pulled into

2122

01:12:23,350 --> 01:12:21,280

new areas

2123

01:12:24,870 --> 01:12:23,360

i think that's great and i really i

2124

01:12:27,350 --> 01:12:24,880

really agree with you on one of the

2125

01:12:29,830 --> 01:12:27,360

points that you made i feel so strongly

2126

01:12:31,830 --> 01:12:29,840

similarly is that

2127

01:12:33,669 --> 01:12:31,840

you know we just have to do our best in

2128

01:12:36,470 --> 01:12:33,679

personally figuring this out and

2129

01:12:38,310 --> 01:12:36,480

figuring out how to take action because

2130

01:12:40,390 --> 01:12:38,320

i am a western guy too you know i love

2131

01:12:43,110 --> 01:12:40,400

the eastern philosophy of

2132

01:12:45,030 --> 01:12:43,120

non-dual and sometimes that means non-do

2133

01:12:46,709 --> 01:12:45,040

you know don't have to do you know don't

2134

01:12:48,790 --> 01:12:46,719

be careful about what you do but i

2135

01:12:50,630 --> 01:12:48,800

always remember talking to

2136

01:12:52,149 --> 01:12:50,640

a guy and i won't mention his name but

2137

01:12:56,630 --> 01:12:52,159

he was in

2138

01:12:58,310 --> 01:12:56,640

you know and he was celibate for a lot

2139

01:13:01,750 --> 01:12:58,320

of years and it's not rick by the way

2140

01:13:03,430 --> 01:13:01,760

but uh although rick was too and then

2141

01:13:06,310 --> 01:13:03,440

you know traveled the world

2142

01:13:08,550 --> 01:13:06,320

teaching for their guru and then only to

2143

01:13:11,910 --> 01:13:08,560

find out he was all about having sex

2144

01:13:13,750 --> 01:13:11,920

with his girls and you know raising

2145

01:13:15,350 --> 01:13:13,760

cheating when the money and doing all

2146

01:13:17,030 --> 01:13:15,360

that other stuff so you know be careful

2147

01:13:19,030 --> 01:13:17,040

who you follow and stuff like that but

2148

01:13:20,550 --> 01:13:19,040

the what this guy told me i'm burying

2149

01:13:23,189 --> 01:13:20,560

the lead

2150

01:13:25,910 --> 01:13:23,199

he said he got very serious and he goes

2151
01:13:27,270 --> 01:13:25,920
never get between a seeker and their

2152
01:13:28,790 --> 01:13:27,280
guru

2153
01:13:31,590 --> 01:13:28,800
i'm like well i'll take that one on

2154
01:13:35,830 --> 01:13:31,600
myself yes i'm gonna get between a

2155
01:13:38,550 --> 01:13:35,840
seeker and their guru so if your guru is

2156
01:13:41,270 --> 01:13:38,560
you know we can name any any number of

2157
01:13:44,390 --> 01:13:41,280
people in the in the news who are cult

2158
01:13:47,189 --> 01:13:44,400
leaders but we can also name you know if

2159
01:13:50,630 --> 01:13:47,199
your guru is any of the people who are

2160
01:13:53,430 --> 01:13:50,640
peddling this pandemic peddling just

2161
01:13:55,830 --> 01:13:53,440
trust me give me all your

2162
01:13:57,430 --> 01:13:55,840
rights and all your liberties and you'll

2163
01:14:00,950 --> 01:13:57,440

be fine

2164

01:14:03,430 --> 01:14:00,960

if that's your guru i i will

2165

01:14:05,990 --> 01:14:03,440

get in the i will try and disrupt not

2166

01:14:08,310 --> 01:14:06,000

physically but intellectually i will try

2167

01:14:09,830 --> 01:14:08,320

and disrupt that connection and i do

2168

01:14:12,149 --> 01:14:09,840

feel like that's my job because i think

2169

01:14:12,950 --> 01:14:12,159

the foremost value

2170

01:14:15,750 --> 01:14:12,960

is

2171

01:14:17,189 --> 01:14:15,760

one love everyone but two tell the truth

2172

01:14:18,630 --> 01:14:17,199

and that's what i think you're trying to

2173

01:14:21,030 --> 01:14:18,640

do and that's what i'm trying to do too

2174

01:14:23,669 --> 01:14:21,040

we got to tell the truth

2175

01:14:24,790 --> 01:14:23,679

no choice i agree with you alex and i

2176

01:14:26,470 --> 01:14:24,800

commend you

2177

01:14:28,709 --> 01:14:26,480

for what you've been doing you've been

2178

01:14:30,709 --> 01:14:28,719

going out there on a limb with many

2179

01:14:32,070 --> 01:14:30,719

topics and i've learned a ton from your

2180

01:14:33,510 --> 01:14:32,080

show and i know your listeners have too

2181

01:14:35,189 --> 01:14:33,520

so thank you

2182

01:14:38,470 --> 01:14:35,199

oh well that's nice for you to say but

2183

01:14:39,830 --> 01:14:38,480

uh thanks we're we're colleagues in this

2184

01:14:41,910 --> 01:14:39,840

endeavor

2185

01:14:44,149 --> 01:14:41,920

mark it's it's fantastic to talk to you

2186

01:14:45,990 --> 01:14:44,159

and we'll have to do it again soon

2187

01:14:47,270 --> 01:14:46,000

thanks a lot for coming on

2188

01:14:49,750 --> 01:14:47,280

i would love that and thank you again

2189

01:14:51,350 --> 01:14:49,760

for having me

2190

01:14:53,750 --> 01:14:51,360

thanks again to mark gober for joining

2191

01:14:56,310 --> 01:14:53,760

me today on skeptico the one question

2192

01:14:59,430 --> 01:14:56,320

i'd have to tee up from this interview

2193

01:15:01,430 --> 01:14:59,440

is do you think frontier science

2194

01:15:02,709 --> 01:15:01,440

parapsychology near death experience all

2195

01:15:06,390 --> 01:15:02,719

the rest of it

2196

01:15:09,350 --> 01:15:06,400

has a special role to play in this kind

2197

01:15:11,910 --> 01:15:09,360

of full frontal assault on science

2198

01:15:14,550 --> 01:15:11,920

is there something special in what they

2199

01:15:17,270 --> 01:15:14,560

discovered because the counter argument

2200

01:15:19,270 --> 01:15:17,280

to that is hey that's just because you

2201

01:15:22,310 --> 01:15:19,280

went and looked at parapsychology and

2202

01:15:25,270 --> 01:15:22,320

you saw that it's everywhere it wasn't

2203

01:15:27,910 --> 01:15:25,280

anything special about parapsychology

2204

01:15:30,709 --> 01:15:27,920

and consciousness science over the last

2205

01:15:32,550 --> 01:15:30,719

10 or 20 years it's really everywhere

2206

01:15:35,189 --> 01:15:32,560

and that's a reasonable counter argument

2207

01:15:36,630 --> 01:15:35,199

so i'd like to hear what your thoughts

2208

01:15:38,870 --> 01:15:36,640

are on that

2209

01:15:43,260 --> 01:15:38,880

track me now let me know

2210

01:15:56,860 --> 01:15:43,270

until next time take care bye for now
