***FRONTIER
SCIENCE
WAKE UP CALL***

#538-MARIO-BEAUREGARD

1
00:00:06,150 --> 00:00:03,110
on this episode of skeptico the science

2
00:00:12,230 --> 00:00:09,770
and a clip about a real battle

3
00:00:13,990 --> 00:00:12,240
[Music]

4
00:00:15,430 --> 00:00:14,000
what the hell is your delay captain

5
00:00:17,189 --> 00:00:15,440
waiting sir

6
00:00:19,109 --> 00:00:17,199
waiting for what

7
00:00:21,990 --> 00:00:19,119
private dust

8
00:00:24,390 --> 00:00:22,000
who the hell is private doss

9
00:00:27,109 --> 00:00:24,400
that's from the movie hacksaw ridge the

10
00:00:28,790 --> 00:00:27,119
true story of a warrior and in this

11
00:00:30,870 --> 00:00:28,800
episode we probably call him a light

12
00:00:33,350 --> 00:00:30,880
warrior we'll explain what that means in

13
00:00:35,670 --> 00:00:33,360

a little bit but he's a guy who in world

14

00:00:37,030 --> 00:00:35,680

war ii wouldn't shoot a gun

15

00:00:39,270 --> 00:00:37,040

but as the scene that i just played

16

00:00:41,590 --> 00:00:39,280

shows he had gained so much respect from

17

00:00:44,470 --> 00:00:41,600

his fellow warriors that they wouldn't

18

00:00:45,670 --> 00:00:44,480

go into battle until he finished

19

00:00:47,990 --> 00:00:45,680

praying

20

00:00:50,310 --> 00:00:48,000

and like i mentioned real story this guy

21

00:00:52,549 --> 00:00:50,320

private doss was a real person

22

00:00:53,910 --> 00:00:52,559

conscientious objector

23

00:00:55,830 --> 00:00:53,920

went into one of the most horrific

24

00:00:58,389 --> 00:00:55,840

battles in world war ii

25

00:00:59,670 --> 00:00:58,399

bullets flying all over his head pulls

26

00:01:03,990 --> 00:00:59,680

at least

27

00:01:06,710 --> 00:01:04,000

75 soldiers out of the battle to safety

28

00:01:09,670 --> 00:01:06,720

risking his own life every time going

29

00:01:11,030 --> 00:01:09,680

back and back and back to save more

30

00:01:13,750 --> 00:01:11,040

lives

31

00:01:16,390 --> 00:01:13,760

yeah that's a warrior

32

00:01:19,910 --> 00:01:16,400

but you might be asking what's all this

33

00:01:22,630 --> 00:01:19,920

warrior stuff i mean we're just talking

34

00:01:25,190 --> 00:01:22,640

about science here right

35

00:01:26,870 --> 00:01:25,200

you would try to tell other lay people

36

00:01:29,749 --> 00:01:26,880

you see he's not a real scientist it's

37

00:01:32,870 --> 00:01:29,759

more of a sort of a mystic but it's true

38

00:01:35,590 --> 00:01:32,880

i became a neuroscientist based on a few

39

00:01:37,190 --> 00:01:35,600

uh spiritual experiences that happened

40

00:01:39,190 --> 00:01:37,200

in my life

41

00:01:40,950 --> 00:01:39,200

that's dr mario beauregard and if you've

42

00:01:43,030 --> 00:01:40,960

been around skeptico for a long long

43

00:01:45,109 --> 00:01:43,040

time you'll remember that i interviewed

44

00:01:47,670 --> 00:01:45,119

him 10 years ago about his book the

45

00:01:50,069 --> 00:01:47,680

spiritual brain a neuroscientist case

46

00:01:51,670 --> 00:01:50,079

for the existence of the soul

47

00:01:54,310 --> 00:01:51,680

keep in mind this guy's not a religious

48

00:01:56,230 --> 00:01:54,320

guy he's just following the data so now

49

00:01:58,230 --> 00:01:56,240

dr beauregard has a new book you'll hear

50

00:02:00,709 --> 00:01:58,240

about it in this interview with him but

51
00:02:04,069 --> 00:02:00,719
you also hear that although he's been

52
00:02:06,630 --> 00:02:04,079
engaged in the battle for a while he's a

53
00:02:08,389 --> 00:02:06,640
warrior that senses that the battle is

54
00:02:10,550 --> 00:02:08,399
changing

55
00:02:12,790 --> 00:02:10,560
it's very hard to be able to unite

56
00:02:15,830 --> 00:02:12,800
because there are many differences

57
00:02:18,869 --> 00:02:15,840
even post-materialist scientists include

58
00:02:20,390 --> 00:02:18,879
people who are not spiritual at all

59
00:02:22,550 --> 00:02:20,400
a lot of these scientists they don't

60
00:02:24,869 --> 00:02:22,560
want to have any problem and they don't

61
00:02:26,550 --> 00:02:24,879
want to go out and to face uh they're

62
00:02:29,030 --> 00:02:26,560
not warriors

63
00:02:31,350 --> 00:02:29,040

light warriors they're not willing to do

64

00:02:34,470 --> 00:02:31,360

that but in my case it's very difficult

65

00:02:36,070 --> 00:02:34,480

i'm uh all for it i'm a warrior i'm used

66

00:02:39,350 --> 00:02:36,080

to it because i've been trained like

67

00:02:41,750 --> 00:02:39,360

this i i had to fight for my survival

68

00:02:44,070 --> 00:02:41,760

and so it's okay for me

69

00:02:46,949 --> 00:02:44,080

we're fighting with more than uh

70

00:02:49,110 --> 00:02:46,959

materials at east in our so-called

71

00:02:51,670 --> 00:02:49,120

skeptics in science the fight is much

72

00:02:55,270 --> 00:02:51,680

bigger now it's dark versus light it's

73

00:02:57,589 --> 00:02:55,280

darkness and it's a spiritual war

74

00:02:59,910 --> 00:02:57,599

like you i'm not religious at all my

75

00:03:03,190 --> 00:02:59,920

parents wanted me to become a priest

76

00:03:05,110 --> 00:03:03,200

but uh that was it was not for me

77

00:03:07,589 --> 00:03:05,120

i have a sense of mission so i do what i

78

00:03:10,229 --> 00:03:07,599

have to do i don't care if people like

79

00:03:11,589 --> 00:03:10,239

me or hate me but you know what by doing

80

00:03:13,750 --> 00:03:11,599

what i've done

81

00:03:15,270 --> 00:03:13,760

i made a lot of friends all over the

82

00:03:17,830 --> 00:03:15,280

planet

83

00:03:20,869 --> 00:03:17,840

the ultimate version of materialism and

84

00:03:23,190 --> 00:03:20,879

atheism is transhumanism and i'm in

85

00:03:25,830 --> 00:03:23,200

contact with people all over the planet

86

00:03:28,949 --> 00:03:25,840

and friends and the same process is

87

00:03:32,470 --> 00:03:28,959

going on in many many countries and

88

00:03:34,869 --> 00:03:32,480

yes a lot of people were not realizing

89

00:03:36,229 --> 00:03:34,879

what was going on now they're switching

90

00:03:39,350 --> 00:03:36,239

they're changing

91

00:03:42,390 --> 00:03:39,360

i can see that everywhere so i'm very

92

00:03:44,789 --> 00:03:42,400

optimistic but it will be rough bumpy

93

00:03:46,710 --> 00:03:44,799

for a while but

94

00:03:50,949 --> 00:03:46,720

i think they're cooked

95

00:03:54,070 --> 00:03:53,190

i can't stay here all them go fight for

96

00:03:55,670 --> 00:03:54,080

me

97

00:03:57,589 --> 00:03:55,680

what you figure this war is just gonna

98

00:03:58,949 --> 00:03:57,599

fit in with your ideas

99

00:04:00,869 --> 00:03:58,959

i don't know how i'm gonna live with

100

00:04:03,270 --> 00:04:00,879

myself if i don't stay true to what i

101
00:04:05,830 --> 00:04:03,280
believe

102
00:04:07,110 --> 00:04:05,840
and so the battle continues

103
00:04:09,270 --> 00:04:07,120
now big

104
00:04:14,949 --> 00:04:09,280
we were made for this

105
00:04:17,270 --> 00:04:14,959
this battle

106
00:04:20,229 --> 00:04:17,280
stick around for my interview with dr

107
00:04:20,769 --> 00:04:20,239
mario beauregard if you like it tell

108
00:04:24,310 --> 00:04:20,779
somebody

109
00:04:25,990 --> 00:04:24,320
[Music]

110
00:04:28,469 --> 00:04:26,000
welcome to skeptico where we explore

111
00:04:30,629 --> 00:04:28,479
controversial science and spirituality

112
00:04:33,350 --> 00:04:30,639
with leading researchers thinkers and

113
00:04:35,749 --> 00:04:33,360

their critics i'm your host alex sakaris

114

00:04:36,710 --> 00:04:35,759

and today we welcome actually welcome

115

00:04:39,670 --> 00:04:36,720

back

116

00:04:44,070 --> 00:04:39,680

dr mario beauregard to skeptico

117

00:04:45,990 --> 00:04:44,080

if you've been with skeptico for a while

118

00:04:49,110 --> 00:04:46,000

you might remember

119

00:04:51,270 --> 00:04:49,120

10 years ago it's really been that long

120

00:04:52,629 --> 00:04:51,280

when we interviewed mario about his

121

00:04:55,030 --> 00:04:52,639

excellent book

122

00:04:57,110 --> 00:04:55,040

brain wars but in case your memory

123

00:04:58,950 --> 00:04:57,120

doesn't stretch back that far let me

124

00:05:02,629 --> 00:04:58,960

just kind of remind you

125

00:05:05,110 --> 00:05:02,639

dr mario beauregard is a neuroscientist

126
00:05:08,390 --> 00:05:05,120
multiple fellowships dozens and dozens

127
00:05:10,550 --> 00:05:08,400
of peer review papers publications all

128
00:05:12,070 --> 00:05:10,560
over the place i'm even pulling up a

129
00:05:14,629 --> 00:05:12,080
picture of him hanging out with the

130
00:05:16,950 --> 00:05:14,639
dalai lama he's done all these other

131
00:05:18,310 --> 00:05:16,960
really cool projects all around this

132
00:05:20,790 --> 00:05:18,320
idea that

133
00:05:24,230 --> 00:05:20,800
maybe we should look beyond

134
00:05:26,150 --> 00:05:24,240
materialism and that would lead us to

135
00:05:29,310 --> 00:05:26,160
his latest book

136
00:05:31,909 --> 00:05:29,320
expanding reality the emergence of

137
00:05:34,629 --> 00:05:31,919
post-materialist science

138
00:05:36,629 --> 00:05:34,639

so mario welcome back to skeptico thanks

139

00:05:39,270 --> 00:05:36,639

so much for joining me

140

00:05:40,870 --> 00:05:39,280

thanks for having me well great so tell

141

00:05:42,950 --> 00:05:40,880

us a little bit about what you've been

142

00:05:44,710 --> 00:05:42,960

up to you've been

143

00:05:46,790 --> 00:05:44,720

hanging around with those wonderful

144

00:05:49,749 --> 00:05:46,800

folks at the university of

145

00:05:50,790 --> 00:05:49,759

arizona and their consciousness paradigm

146

00:05:54,390 --> 00:05:50,800

busting

147

00:05:56,390 --> 00:05:54,400

exploits or endeavors lately but what's

148

00:05:58,070 --> 00:05:56,400

going on in your world in general catch

149

00:05:59,590 --> 00:05:58,080

us up before we start talking about the

150

00:06:02,070 --> 00:05:59,600

book

151

00:06:03,830 --> 00:06:02,080

well uh during the last few years i've

152

00:06:05,990 --> 00:06:03,840

been involved in the

153

00:06:08,230 --> 00:06:06,000

the development of what we could call

154

00:06:10,629 --> 00:06:08,240

the post-materialist paradigm so we

155

00:06:12,390 --> 00:06:10,639

first met at the university of arizona

156

00:06:15,189 --> 00:06:12,400

in 2013

157

00:06:18,390 --> 00:06:15,199

so it was after brain wars

158

00:06:20,790 --> 00:06:18,400

and so we met with gary schwartz and i

159

00:06:23,510 --> 00:06:20,800

from the university of arizona

160

00:06:25,590 --> 00:06:23,520

and lisa miller a research psychologist

161

00:06:27,029 --> 00:06:25,600

at columbia university we organized a

162

00:06:30,870 --> 00:06:27,039

meeting

163

00:06:32,870 --> 00:06:30,880

and people from various fields physics

164

00:06:34,469 --> 00:06:32,880

mathematics

165

00:06:37,430 --> 00:06:34,479

biology

166

00:06:40,070 --> 00:06:37,440

medicine psychology

167

00:06:41,749 --> 00:06:40,080

we we gather with these people and lots

168

00:06:43,909 --> 00:06:41,759

of these people were very well known

169

00:06:46,469 --> 00:06:43,919

like charles stark for instance dean

170

00:06:50,710 --> 00:06:49,110

rupert sheldrake larry dossey and so on

171

00:06:51,670 --> 00:06:50,720

and so forth

172

00:06:56,870 --> 00:06:51,680

all

173

00:06:59,670 --> 00:06:56,880

sheeps if you will the meeting lasted

174

00:07:02,629 --> 00:06:59,680

for a few days and we examined

175

00:07:05,909 --> 00:07:02,639

all the evidence the empirical evidence

176

00:07:09,589 --> 00:07:05,919

in various fields of research

177

00:07:11,589 --> 00:07:09,599

challenging directly the old materialism

178

00:07:14,790 --> 00:07:11,599

and

179

00:07:18,070 --> 00:07:14,800

following that a few months after that

180

00:07:22,070 --> 00:07:18,080

i drafted what became to be known as the

181

00:07:25,110 --> 00:07:22,080

manifesto for uh post-material science

182

00:07:28,469 --> 00:07:25,120

and we all worked together on

183

00:07:30,230 --> 00:07:28,479

multiple drafts and it was published uh

184

00:07:33,680 --> 00:07:30,240

four or five months after the meeting

185

00:07:36,390 --> 00:07:33,690

that was held in march of 2014

186

00:07:38,309 --> 00:07:36,400

[Music]

187

00:07:40,469 --> 00:07:38,319

and the manifesto was published three

188

00:07:42,950 --> 00:07:40,479

four months later

189

00:07:45,589 --> 00:07:42,960

and after that or there were

190

00:07:46,869 --> 00:07:45,599

a lot of reactions uh

191

00:07:48,150 --> 00:07:46,879

from the

192

00:07:49,350 --> 00:07:48,160

materialists

193

00:07:51,670 --> 00:07:49,360

of course

194

00:07:54,869 --> 00:07:51,680

but also from other people

195

00:07:58,710 --> 00:07:54,879

and we we asked people who were in line

196

00:08:01,270 --> 00:07:58,720

with this manifesto to to sign it

197

00:08:03,110 --> 00:08:01,280

to endorse it and we received hundreds

198

00:08:05,589 --> 00:08:03,120

of signatures

199

00:08:07,270 --> 00:08:05,599

and many of these people we signed the

200

00:08:10,469 --> 00:08:07,280

manifesto they were

201
00:08:12,710 --> 00:08:10,479
very well known uh researchers but many

202
00:08:13,909 --> 00:08:12,720
of them were retired so it was not too

203
00:08:16,390 --> 00:08:13,919
dangerous

204
00:08:19,670 --> 00:08:16,400
to for them to sign it

205
00:08:21,830 --> 00:08:19,680
and then it was translated in various

206
00:08:22,950 --> 00:08:21,840
languages around the world

207
00:08:25,270 --> 00:08:22,960
and

208
00:08:27,430 --> 00:08:25,280
three years after that we met again in

209
00:08:29,990 --> 00:08:27,440
tucson arizona

210
00:08:32,070 --> 00:08:30,000
and then we created an academy the

211
00:08:34,149 --> 00:08:32,080
academy for the development of the

212
00:08:36,310 --> 00:08:34,159
post-materialist sciences

213
00:08:38,550 --> 00:08:36,320

and with pretty much the same uh

214

00:08:41,029 --> 00:08:38,560

founders the same people

215

00:08:43,589 --> 00:08:41,039

so now it's growing and we've published

216

00:08:45,829 --> 00:08:43,599

a few books collective books

217

00:08:47,350 --> 00:08:45,839

uh about the uh the primacy of

218

00:08:49,430 --> 00:08:47,360

consciousness

219

00:08:51,110 --> 00:08:49,440

and also the new the emerging post

220

00:08:54,710 --> 00:08:51,120

materials paradigm

221

00:08:57,190 --> 00:08:54,720

uh expanding reality it's about all of

222

00:08:58,710 --> 00:08:57,200

these uh developments but it's for lay

223

00:09:01,190 --> 00:08:58,720

people it's not for

224

00:09:03,829 --> 00:09:01,200

scientists themselves but um

225

00:09:06,829 --> 00:09:03,839

it's very simple to uh to read but it's

226

00:09:10,470 --> 00:09:06,839

it's a summary of all the empirical

227

00:09:12,949 --> 00:09:10,480

evidence showing us that now we need

228

00:09:14,710 --> 00:09:12,959

to switch to a new paradigm that we call

229

00:09:16,310 --> 00:09:14,720

post materials but post materials

230

00:09:19,430 --> 00:09:16,320

doesn't mean much

231

00:09:21,670 --> 00:09:19,440

it means that we are at a certain point

232

00:09:23,110 --> 00:09:21,680

from an historical perspective and that

233

00:09:25,350 --> 00:09:23,120

we need now

234

00:09:27,509 --> 00:09:25,360

to undergo transition tower

235

00:09:30,630 --> 00:09:27,519

something different but

236

00:09:32,710 --> 00:09:30,640

this emerging paradigm is very much

237

00:09:34,150 --> 00:09:32,720

complementary with

238

00:09:36,870 --> 00:09:34,160

what was said

239

00:09:38,790 --> 00:09:36,880

for centuries by all the great spiritual

240

00:09:40,310 --> 00:09:38,800

traditions of the world

241

00:09:41,750 --> 00:09:40,320

so it's like if

242

00:09:45,509 --> 00:09:41,760

science is

243

00:09:48,550 --> 00:09:45,519

now the new science of consciousness

244

00:09:51,509 --> 00:09:48,560

is converging with spirituality in a

245

00:09:53,910 --> 00:09:51,519

certain sense well i think that's that's

246

00:09:56,310 --> 00:09:53,920

fascinating i've been on this trail with

247

00:09:58,870 --> 00:09:56,320

you for a while in my own way

248

00:10:00,949 --> 00:09:58,880

and i think it's all fine and good and

249

00:10:03,590 --> 00:10:00,959

we're going to kind of get past

250

00:10:05,750 --> 00:10:03,600

all the fine and good for a minute but

251
00:10:07,269 --> 00:10:05,760
for i first wanted to

252
00:10:09,590 --> 00:10:07,279
touch on this book

253
00:10:11,590 --> 00:10:09,600
i think a lot of people will find it a

254
00:10:13,990 --> 00:10:11,600
lot of people listening to this show

255
00:10:16,630 --> 00:10:14,000
will find expanding reality the

256
00:10:18,870 --> 00:10:16,640
emergence of a post-materialist science

257
00:10:20,550 --> 00:10:18,880
a relative quick read you know a lot of

258
00:10:23,110 --> 00:10:20,560
stuff that we've kind of heard before

259
00:10:24,710 --> 00:10:23,120
but it's nicely organized i'll tell you

260
00:10:26,710 --> 00:10:24,720
mario the one thing that really caught

261
00:10:29,110 --> 00:10:26,720
my attention

262
00:10:31,590 --> 00:10:29,120
and kind of surprised me was your

263
00:10:32,630 --> 00:10:31,600

personal spiritually transformative

264

00:10:35,110 --> 00:10:32,640

experience

265

00:10:38,389 --> 00:10:35,120

and in particular

266

00:10:40,790 --> 00:10:38,399

how you feel it's directly guided your

267

00:10:42,550 --> 00:10:40,800

work in this area i just i i got to hear

268

00:10:43,750 --> 00:10:42,560

more about that

269

00:10:45,750 --> 00:10:43,760

well

270

00:10:47,750 --> 00:10:45,760

before that i i didn't want to talk

271

00:10:49,190 --> 00:10:47,760

about this because i thought that it was

272

00:10:51,030 --> 00:10:49,200

uh

273

00:10:54,069 --> 00:10:51,040

in the perception of people and

274

00:10:55,829 --> 00:10:54,079

especially my enemies my the materialist

275

00:10:57,509 --> 00:10:55,839

the atheists

276

00:10:59,190 --> 00:10:57,519

contaminating

277

00:11:01,190 --> 00:10:59,200

science

278

00:11:04,310 --> 00:11:01,200

that they would use this information to

279

00:11:06,790 --> 00:11:04,320

attack and they would try to

280

00:11:07,910 --> 00:11:06,800

uh tell other you know lay people you

281

00:11:09,110 --> 00:11:07,920

see he's

282

00:11:13,030 --> 00:11:09,120

uh

283

00:11:15,829 --> 00:11:13,040

he's not a real scientist he's more of a

284

00:11:17,509 --> 00:11:15,839

sort of a mystic or but it's true it's

285

00:11:20,710 --> 00:11:17,519

true that

286

00:11:21,829 --> 00:11:20,720

i became a neuroscientist based on a few

287

00:11:24,550 --> 00:11:21,839

uh

288

00:11:27,269 --> 00:11:24,560

or spiritual experiences that happened

289

00:11:30,069 --> 00:11:27,279

in my life it's uh

290

00:11:31,750 --> 00:11:30,079

i'm not alone because at the academy we

291

00:11:34,870 --> 00:11:31,760

um

292

00:11:37,110 --> 00:11:34,880

we're now now creating a new book and uh

293

00:11:39,269 --> 00:11:37,120

that will be published probably in uh

294

00:11:40,949 --> 00:11:39,279

i think by the end of next year

295

00:11:42,389 --> 00:11:40,959

and it's a collection

296

00:11:44,550 --> 00:11:42,399

of essays by

297

00:11:47,110 --> 00:11:44,560

50 different scientists

298

00:11:49,829 --> 00:11:47,120

and you can see when you read the these

299

00:11:52,470 --> 00:11:49,839

accounts it's very interesting because

300

00:11:53,750 --> 00:11:52,480

a lot of scientists decided to become

301

00:11:55,670 --> 00:11:53,760

scientists

302

00:11:58,150 --> 00:11:55,680

because of spiritual experiences but

303

00:12:00,949 --> 00:11:58,160

it's it was never told before because it

304

00:12:03,350 --> 00:12:00,959

was taboo we couldn't say that

305

00:12:06,069 --> 00:12:03,360

openly now i don't care i'm almost 60

306

00:12:08,230 --> 00:12:06,079

years old and a vast portion of my

307

00:12:09,269 --> 00:12:08,240

career is behind me and i don't care

308

00:12:12,230 --> 00:12:09,279

anymore

309

00:12:13,910 --> 00:12:12,240

i don't care what people may think but

310

00:12:15,829 --> 00:12:13,920

yes the first experience happened when i

311

00:12:18,710 --> 00:12:15,839

was eight years old

312

00:12:21,190 --> 00:12:18,720

my parents were farmers uh here in the

313

00:12:23,190 --> 00:12:21,200

province of quebec in canada

314

00:12:25,670 --> 00:12:23,200

and we we had

315

00:12:27,430 --> 00:12:25,680

fields for the cows we had a small

316

00:12:29,750 --> 00:12:27,440

forest and uh

317

00:12:32,389 --> 00:12:29,760

during uh the summer break

318

00:12:35,829 --> 00:12:32,399

i went into the the small forest i i

319

00:12:39,350 --> 00:12:35,839

liked people there to think and to play

320

00:12:42,069 --> 00:12:39,360

and encounter all sorts of animals and

321

00:12:43,990 --> 00:12:42,079

it was quite hot and after uh i walked

322

00:12:46,629 --> 00:12:44,000

for about an hour

323

00:12:49,350 --> 00:12:46,639

and then i was uh i became tired

324

00:12:50,710 --> 00:12:49,360

and i decided to to sit on a big gray

325

00:12:52,710 --> 00:12:50,720

rock

326

00:12:55,030 --> 00:12:52,720

and uh

327

00:12:56,870 --> 00:12:55,040

while i was sitting on the big gray rock

328

00:12:59,190 --> 00:12:56,880

i looked at all the trees that were

329

00:13:00,150 --> 00:12:59,200

surrounding me and i could see also the

330

00:13:01,030 --> 00:13:00,160

field

331

00:13:05,190 --> 00:13:01,040

uh

332

00:13:06,629 --> 00:13:05,200

but which was far away in the cows and

333

00:13:07,590 --> 00:13:06,639

all of a sudden

334

00:13:09,269 --> 00:13:07,600

uh

335

00:13:12,310 --> 00:13:09,279

everything became

336

00:13:13,829 --> 00:13:12,320

more vibrant i knew that trees were

337

00:13:15,350 --> 00:13:13,839

alive but

338

00:13:24,389 --> 00:13:15,360

i

339

00:13:25,910 --> 00:13:24,399

the trees

340

00:13:28,389 --> 00:13:25,920

the grass

341

00:13:30,550 --> 00:13:28,399

and even the rock itself

342

00:13:31,750 --> 00:13:30,560

were all part of a single

343

00:13:33,509 --> 00:13:31,760

whole

344

00:13:34,389 --> 00:13:33,519

a unified being

345

00:13:37,190 --> 00:13:34,399

and now

346

00:13:40,710 --> 00:13:37,200

me a small marionette was part of this

347

00:13:41,750 --> 00:13:40,720

i unified feel this

348

00:13:43,030 --> 00:13:41,760

you know

349

00:13:45,750 --> 00:13:43,040

being

350

00:13:49,829 --> 00:13:45,760

and so to me i i was my parents were a

351
00:13:52,230 --> 00:13:49,839
roman catholic and uh so i thought that

352
00:13:54,310 --> 00:13:52,240
i had encountered god but what was

353
00:13:55,910 --> 00:13:54,320
interesting in this experience is that

354
00:13:58,550 --> 00:13:55,920
after that

355
00:14:00,629 --> 00:13:58,560
after this insight

356
00:14:02,790 --> 00:14:00,639
it's like if i downloaded information

357
00:14:05,670 --> 00:14:02,800
about my life plan

358
00:14:07,590 --> 00:14:05,680
i i received information showing that

359
00:14:10,230 --> 00:14:07,600
i was supposed to become

360
00:14:11,269 --> 00:14:10,240
later on because i was only eight by by

361
00:14:13,269 --> 00:14:11,279
then but

362
00:14:15,030 --> 00:14:13,279
i would become a neuroscientist and my

363
00:14:17,670 --> 00:14:15,040

task would be to unite with other

364

00:14:19,990 --> 00:14:17,680

scientists around the world to

365

00:14:22,389 --> 00:14:20,000

to demonstrate that

366

00:14:24,230 --> 00:14:22,399

the brain does not create

367

00:14:27,030 --> 00:14:24,240

human essence

368

00:14:29,430 --> 00:14:27,040

mind consciousness spirit

369

00:14:31,990 --> 00:14:29,440

it's it acts as an interface

370

00:14:34,069 --> 00:14:32,000

so that was the starting point and then

371

00:14:36,069 --> 00:14:34,079

i became very sick 12 years at the

372

00:14:38,389 --> 00:14:36,079

beginning of my 20s and i've had a

373

00:14:42,629 --> 00:14:38,399

near-death experience

374

00:14:45,829 --> 00:14:42,639

[Music]

375

00:14:47,910 --> 00:14:45,839

i've received more information about

376

00:14:51,110 --> 00:14:47,920

the the kind of research program i would

377

00:14:53,269 --> 00:14:51,120

undergo a few years later

378

00:14:55,990 --> 00:14:53,279

and so

379

00:14:59,110 --> 00:14:56,000

many many times journalists ask me uh

380

00:15:02,310 --> 00:14:59,120

why did you do the study you did uh

381

00:15:05,269 --> 00:15:02,320

with regard to spirituality and you know

382

00:15:06,790 --> 00:15:05,279

contemplative nouns in in the scanners

383

00:15:08,310 --> 00:15:06,800

things like that

384

00:15:10,470 --> 00:15:08,320

negative experiences

385

00:15:12,389 --> 00:15:10,480

that was the these two experiences were

386

00:15:14,069 --> 00:15:12,399

the uh the main reason

387

00:15:16,550 --> 00:15:14,079

i have to admit

388

00:15:18,389 --> 00:15:16,560

that's really great and i'm glad you

389

00:15:20,389 --> 00:15:18,399

shared that because one of the

390

00:15:22,150 --> 00:15:20,399

interesting things about your work

391

00:15:23,829 --> 00:15:22,160

that you have to you don't really have

392

00:15:25,509 --> 00:15:23,839

to dig that far to get it but is this

393

00:15:27,670 --> 00:15:25,519

spiritual angle you know you wrote a

394

00:15:28,550 --> 00:15:27,680

book the spiritual brain

395

00:15:30,470 --> 00:15:28,560

yes

396

00:15:32,629 --> 00:15:30,480

you've done like i said you've

397

00:15:34,949 --> 00:15:32,639

sought out the dalai lama to connect

398

00:15:37,749 --> 00:15:34,959

with spiritual people you talk about

399

00:15:41,590 --> 00:15:37,759

spiritually transformative experiences

400

00:15:45,389 --> 00:15:41,600

and even that you know is a line that

401
00:15:47,829 --> 00:15:45,399
some folks in this frontier science

402
00:15:49,110 --> 00:15:47,839
post-materialist kind of thing

403
00:15:50,949 --> 00:15:49,120
it's a line that they don't want to

404
00:15:53,590 --> 00:15:50,959
cross and it's understandable too it's

405
00:15:55,990 --> 00:15:53,600
particularly understandable for people

406
00:15:57,910 --> 00:15:56,000
who haven't had that direct experience

407
00:15:59,749 --> 00:15:57,920
you know i've spoken with dean rayden a

408
00:16:01,990 --> 00:15:59,759
couple times i don't get the sense and

409
00:16:05,030 --> 00:16:02,000
i've asked him that he's had that kind

410
00:16:06,710 --> 00:16:05,040
of direct spiritual experience so he

411
00:16:09,030 --> 00:16:06,720
doesn't report on that

412
00:16:11,269 --> 00:16:09,040
in a way it's even it's it's it's

413
00:16:14,710 --> 00:16:11,279

wonderful that we can have

414

00:16:17,670 --> 00:16:14,720

people who can intellectually get there

415

00:16:19,910 --> 00:16:17,680

as well as people who can experientially

416

00:16:22,470 --> 00:16:19,920

get there and then say now let me see if

417

00:16:25,430 --> 00:16:22,480

my science can can help me

418

00:16:27,590 --> 00:16:25,440

get there as well so

419

00:16:30,310 --> 00:16:27,600

what do you make of that

420

00:16:32,470 --> 00:16:30,320

on a practical level because you're

421

00:16:34,829 --> 00:16:32,480

you you are a guy who

422

00:16:37,910 --> 00:16:34,839

has this then

423

00:16:40,470 --> 00:16:37,920

spiritual insight the spiritual knowing

424

00:16:42,710 --> 00:16:40,480

that is so so profound

425

00:16:43,590 --> 00:16:42,720

but you've also had to walk a careful

426

00:16:46,710 --> 00:16:43,600

path

427

00:16:48,230 --> 00:16:46,720

down the the science

428

00:16:50,710 --> 00:16:48,240

because i got a lot of thoughts on that

429

00:16:53,990 --> 00:16:50,720

a lot of concerns that maybe we're not

430

00:16:57,509 --> 00:16:54,000

being aggressive enough in really kind

431

00:17:00,230 --> 00:16:57,519

of calling [\h__\h] on what's happened

432

00:17:01,590 --> 00:17:00,240

yes well i've not been balanced i've not

433

00:17:04,390 --> 00:17:01,600

been wise

434

00:17:06,870 --> 00:17:04,400

because after these experiences i knew

435

00:17:07,829 --> 00:17:06,880

exactly what i had to do and i wanted to

436

00:17:10,069 --> 00:17:07,839

do

437

00:17:12,309 --> 00:17:10,079

so when i i received my phd at the

438

00:17:13,350 --> 00:17:12,319

university of montreal

439

00:17:17,029 --> 00:17:13,360

uh

440

00:17:19,909 --> 00:17:17,039

i had to do a postdoctoral fellowship

441

00:17:22,710 --> 00:17:19,919

that how it works

442

00:17:24,069 --> 00:17:22,720

i so i checked the entirety of

443

00:17:25,429 --> 00:17:24,079

neuroscience

444

00:17:27,669 --> 00:17:25,439

back then

445

00:17:31,190 --> 00:17:27,679

uh it was in the

446

00:17:33,270 --> 00:17:31,200

you know in nine beginning of the 90s

447

00:17:34,549 --> 00:17:33,280

nobody was doing the kind of research i

448

00:17:36,390 --> 00:17:34,559

wanted to do

449

00:17:37,590 --> 00:17:36,400

so i knew that i had to do something

450

00:17:39,190 --> 00:17:37,600

else

451
00:17:41,430 --> 00:17:39,200
i had to wait

452
00:17:43,510 --> 00:17:41,440
for a few years so i decided to become

453
00:17:46,070 --> 00:17:43,520
an expert in brain imaging because brain

454
00:17:48,310 --> 00:17:46,080
imaging was emerging

455
00:17:50,710 --> 00:17:48,320
and i knew that it would be a useful

456
00:17:52,470 --> 00:17:50,720
technology to study these experiences

457
00:17:53,830 --> 00:17:52,480
and to see what's going on in the brain

458
00:17:55,830 --> 00:17:53,840
and

459
00:17:57,909 --> 00:17:55,840
but i also met with famous

460
00:17:58,830 --> 00:17:57,919
neuroscientists who were still alive

461
00:18:01,750 --> 00:17:58,840
back

462
00:18:04,470 --> 00:18:01,760
then and i told them about

463
00:18:06,710 --> 00:18:04,480

my dream what i wanted to do and they

464

00:18:11,270 --> 00:18:06,720

told me don't do this because you're

465

00:18:14,390 --> 00:18:11,280

going to kill yourself it it's a suicide

466

00:18:16,310 --> 00:18:14,400

you will be destroyed and

467

00:18:17,669 --> 00:18:16,320

i asked them why

468

00:18:20,710 --> 00:18:17,679

why

469

00:18:25,990 --> 00:18:23,750

it's then that i discovered that

470

00:18:26,870 --> 00:18:26,000

neuroscience is supposed to be objective

471

00:18:30,789 --> 00:18:26,880

but

472

00:18:33,669 --> 00:18:30,799

objective because it's conducted by

473

00:18:35,190 --> 00:18:33,679

human beings and human beings have all

474

00:18:37,830 --> 00:18:35,200

their they have

475

00:18:39,590 --> 00:18:37,840

they have their own belief systems

476

00:18:42,789 --> 00:18:39,600

they have emotions

477

00:18:45,270 --> 00:18:42,799

uh motivations hidden agendas and so on

478

00:18:48,549 --> 00:18:45,280

and so forth and then i discovered that

479

00:18:50,950 --> 00:18:48,559

neuroscience was like uh

480

00:18:53,669 --> 00:18:50,960

you know religion

481

00:18:56,630 --> 00:18:53,679

and there was a vatican there was a pope

482

00:18:59,190 --> 00:18:56,640

and there were a few central dogmas that

483

00:19:01,190 --> 00:18:59,200

you have to respect and one of these

484

00:19:02,710 --> 00:19:01,200

dogmas was the the

485

00:19:06,230 --> 00:19:02,720

idea that

486

00:19:08,070 --> 00:19:06,240

the brain produced the mind as a

487

00:19:11,590 --> 00:19:08,080

for instance the liver

488

00:19:13,430 --> 00:19:11,600

secretes certain enzymes stuff like that

489

00:19:15,270 --> 00:19:13,440

and uh

490

00:19:18,230 --> 00:19:15,280

so i i start

491

00:19:21,270 --> 00:19:18,240

right then i started to fight with these

492

00:19:23,669 --> 00:19:21,280

uh famous people from the montreal

493

00:19:25,190 --> 00:19:23,679

neurological institute and

494

00:19:27,669 --> 00:19:25,200

they were i realized that they were

495

00:19:30,310 --> 00:19:27,679

playing a game

496

00:19:32,789 --> 00:19:30,320

uh but the system was built upon a

497

00:19:35,430 --> 00:19:32,799

certain number of these assumptions and

498

00:19:37,430 --> 00:19:35,440

and they they made me realize they told

499

00:19:39,110 --> 00:19:37,440

me if you're not wise and if you don't

500

00:19:41,909 --> 00:19:39,120

respect

501
00:19:44,630 --> 00:19:41,919
you don't play the game correctly

502
00:19:46,390 --> 00:19:44,640
you will be expelled that that's what is

503
00:19:49,270 --> 00:19:46,400
going to happen to you and that's this

504
00:19:50,310 --> 00:19:49,280
is exactly what happened 17 years after

505
00:19:52,390 --> 00:19:50,320
that

506
00:19:54,310 --> 00:19:52,400
at the university of montreal so i i

507
00:19:55,990 --> 00:19:54,320
went to united states to do a

508
00:19:58,470 --> 00:19:56,000
postdoctoral uh

509
00:20:00,470 --> 00:19:58,480
fellowship at the university of texas in

510
00:20:02,230 --> 00:20:00,480
houston for a few years

511
00:20:04,390 --> 00:20:02,240
and then i came back at mcgill

512
00:20:07,190 --> 00:20:04,400
university at mount the famous montreal

513
00:20:10,390 --> 00:20:07,200

neurological institute that was created

514

00:20:11,590 --> 00:20:10,400

at the end of the 20s by wilder penfield

515

00:20:13,909 --> 00:20:11,600

famous

516

00:20:16,149 --> 00:20:13,919

neurosci one of the uh

517

00:20:20,310 --> 00:20:16,159

pioneers of the neuroscience

518

00:20:21,590 --> 00:20:20,320

and penfield started as a mainstream

519

00:20:24,230 --> 00:20:21,600

scientist

520

00:20:25,510 --> 00:20:24,240

as a an atheist

521

00:20:30,070 --> 00:20:25,520

uh

522

00:20:32,070 --> 00:20:30,080

the more he was progressing in his

523

00:20:34,310 --> 00:20:32,080

career

524

00:20:35,510 --> 00:20:34,320

the the more he started to have doubts

525

00:20:37,510 --> 00:20:35,520

about

526

00:20:38,630 --> 00:20:37,520

the central dogma of neuroscience and at

527

00:20:41,830 --> 00:20:38,640

the end of his

528

00:20:43,029 --> 00:20:41,840

life he was he had become a dualist

529

00:20:44,230 --> 00:20:43,039

he uh

530

00:20:46,390 --> 00:20:44,240

and he wrote

531

00:20:49,750 --> 00:20:46,400

a little book about this and

532

00:20:52,070 --> 00:20:49,760

uh he was all quite old by then and his

533

00:20:54,149 --> 00:20:52,080

colleagues that i met

534

00:20:55,990 --> 00:20:54,159

who were very old they uh all thought

535

00:20:59,190 --> 00:20:56,000

that he has lost

536

00:21:01,510 --> 00:20:59,200

you know is that his compass that uh he

537

00:21:04,230 --> 00:21:01,520

lost it because he was a bit demented

538

00:21:06,549 --> 00:21:04,240

but that you know he was seeing very

539

00:21:07,270 --> 00:21:06,559

clearly and

540

00:21:09,190 --> 00:21:07,280

but

541

00:21:11,350 --> 00:21:09,200

you know all these guys what the dad

542

00:21:14,950 --> 00:21:11,360

told me was right and i experienced it

543

00:21:17,990 --> 00:21:14,960

myself because after uh mcgill and

544

00:21:19,110 --> 00:21:18,000

university i the university of montreal

545

00:21:21,909 --> 00:21:19,120

hired me

546

00:21:23,510 --> 00:21:21,919

to become a researcher there

547

00:21:25,990 --> 00:21:23,520

and we were starting the new brain

548

00:21:27,110 --> 00:21:26,000

imaging center and so i was involved in

549

00:21:28,870 --> 00:21:27,120

that

550

00:21:31,750 --> 00:21:28,880

and everything went well

551
00:21:33,669 --> 00:21:31,760
for a number of years when i was doing

552
00:21:35,750 --> 00:21:33,679
the uh the classical studies that they

553
00:21:38,470 --> 00:21:35,760
were expecting me to do and the

554
00:21:41,029 --> 00:21:38,480
partnership with big pharma and things

555
00:21:43,909 --> 00:21:41,039
like that they they enjoyed that and

556
00:21:46,789 --> 00:21:43,919
there's a lot of money involved in this

557
00:21:49,270 --> 00:21:46,799
and uh but that's not what i wanted to

558
00:21:52,950 --> 00:21:49,280
do so i started to do

559
00:21:56,630 --> 00:21:52,960
studies that were considered to be uh

560
00:21:57,669 --> 00:21:56,640
that didn't fit within the the system

561
00:21:59,590 --> 00:21:57,679
uh

562
00:22:03,190 --> 00:21:59,600
because i

563
00:22:04,070 --> 00:22:03,200

for instance i uh convinced

564

00:22:06,149 --> 00:22:04,080

uh

565

00:22:07,350 --> 00:22:06,159

carmelite nuns who were living in the

566

00:22:09,190 --> 00:22:07,360

convent

567

00:22:11,750 --> 00:22:09,200

and they were contemplative so they were

568

00:22:12,870 --> 00:22:11,760

not supposed to to leave the the convert

569

00:22:15,750 --> 00:22:12,880

but

570

00:22:17,830 --> 00:22:15,760

after several months of discussion i i

571

00:22:19,669 --> 00:22:17,840

managed to convince them to leave the

572

00:22:22,630 --> 00:22:19,679

conference and to

573

00:22:25,669 --> 00:22:22,640

lay inside a scanner functional magnetic

574

00:22:28,230 --> 00:22:25,679

resonance major scanner and

575

00:22:30,630 --> 00:22:28,240

to try to enter into a spiritual state

576

00:22:32,950 --> 00:22:30,640

and so on and so forth and i've done

577

00:22:35,430 --> 00:22:32,960

several studies like that

578

00:22:37,590 --> 00:22:35,440

and uh then i started to have problems

579

00:22:39,590 --> 00:22:37,600

with the the direction of the uh the

580

00:22:41,190 --> 00:22:39,600

medical school at the university of

581

00:22:43,190 --> 00:22:41,200

montreal because

582

00:22:45,510 --> 00:22:43,200

and they started to uh

583

00:22:48,470 --> 00:22:45,520

try to intimidate me because they

584

00:22:49,990 --> 00:22:48,480

they told me that

585

00:22:51,430 --> 00:22:50,000

they could play with my life

586

00:22:55,190 --> 00:22:51,440

professionally

587

00:22:58,149 --> 00:22:55,200

with my salary with uh and if i didn't

588

00:23:01,909 --> 00:22:58,159

listen to what they were telling me

589

00:23:03,750 --> 00:23:01,919

uh bad things would happen to me and so

590

00:23:06,470 --> 00:23:03,760

i've been

591

00:23:08,310 --> 00:23:06,480

bullied like that for years i never

592

00:23:09,909 --> 00:23:08,320

talked about this openly that's the

593

00:23:12,549 --> 00:23:09,919

first time i do that

594

00:23:14,310 --> 00:23:12,559

and i don't care if they come back and

595

00:23:16,310 --> 00:23:14,320

because i have too many proof

596

00:23:17,510 --> 00:23:16,320

evidence of that

597

00:23:19,750 --> 00:23:17,520

and

598

00:23:21,350 --> 00:23:19,760

behind closed doors

599

00:23:23,350 --> 00:23:21,360

they took they told me

600

00:23:24,630 --> 00:23:23,360

you know the the leaders of the the

601
00:23:27,190 --> 00:23:24,640
medical school

602
00:23:28,710 --> 00:23:27,200
you cannot do this within the walls of

603
00:23:30,870 --> 00:23:28,720
university of montreal this type of

604
00:23:32,630 --> 00:23:30,880
studies we don't want that

605
00:23:34,470 --> 00:23:32,640
we want you to do

606
00:23:36,870 --> 00:23:34,480
partnership with

607
00:23:39,430 --> 00:23:36,880
big pharma and you know the classical

608
00:23:42,310 --> 00:23:39,440
studies using all the various tools of

609
00:23:45,029 --> 00:23:42,320
neural science and

610
00:23:46,789 --> 00:23:45,039
and i said no every time they were doing

611
00:23:48,390 --> 00:23:46,799
that once a year

612
00:23:51,190 --> 00:23:48,400
reviewing what i had done so they

613
00:23:54,310 --> 00:23:51,200

refused to give me my tenure

614

00:23:57,029 --> 00:23:54,320

even though i was i was bringing them

615

00:23:59,110 --> 00:23:57,039

visibility all over the planet i was

616

00:24:00,710 --> 00:23:59,120

invited to meet with the dairy lammer i

617

00:24:02,310 --> 00:24:00,720

was invited uh

618

00:24:05,110 --> 00:24:02,320

to speak at the

619

00:24:05,990 --> 00:24:05,120

united nations in new york

620

00:24:11,269 --> 00:24:06,000

uh

621

00:24:12,149 --> 00:24:11,279

evolution of society and so on and so

622

00:24:14,310 --> 00:24:12,159

forth

623

00:24:17,590 --> 00:24:14,320

i was bringing them a lot of visibility

624

00:24:19,590 --> 00:24:17,600

but not the kind of visibility expected

625

00:24:22,070 --> 00:24:19,600

from me didn't want that

626
00:24:24,230 --> 00:24:22,080
because and i i realized that they were

627
00:24:26,950 --> 00:24:24,240
there to maintain

628
00:24:30,310 --> 00:24:26,960
an ideology in place

629
00:24:32,470 --> 00:24:30,320
they they were not interested in truth

630
00:24:33,590 --> 00:24:32,480
they were not no they were interested in

631
00:24:39,510 --> 00:24:33,600
the

632
00:24:41,909 --> 00:24:39,520
and

633
00:24:43,350 --> 00:24:41,919
you know so i was a black sheep i was a

634
00:24:46,149 --> 00:24:43,360
maverick

635
00:24:48,070 --> 00:24:46,159
and people start to say that about me

636
00:24:51,350 --> 00:24:48,080
all over the planet but the

637
00:24:53,029 --> 00:24:51,360
but since i was a nice person the uh

638
00:24:55,350 --> 00:24:53,039

it was going well all over the planet i

639

00:24:56,950 --> 00:24:55,360

receive offers from various universities

640

00:25:00,549 --> 00:24:56,960

around the world

641

00:25:04,230 --> 00:25:00,559

in united states and brazil and and

642

00:25:06,310 --> 00:25:04,240

people were telling me uh

643

00:25:08,230 --> 00:25:06,320

we uh we want you to create something

644

00:25:11,110 --> 00:25:08,240

new and um so

645

00:25:13,590 --> 00:25:11,120

but i was expelled in 2013 from the

646

00:25:15,510 --> 00:25:13,600

university of madrid my my contract my

647

00:25:17,590 --> 00:25:15,520

research contract even though i had

648

00:25:18,710 --> 00:25:17,600

grants

649

00:25:20,789 --> 00:25:18,720

uh

650

00:25:23,350 --> 00:25:20,799

it was not renewed and they did they

651
00:25:25,190 --> 00:25:23,360
were not able to give me the the reasons

652
00:25:28,310 --> 00:25:25,200
the official reasons because of course i

653
00:25:30,390 --> 00:25:28,320
would have hired a lawyer and i would

654
00:25:34,549 --> 00:25:30,400
have sued them but

655
00:25:37,909 --> 00:25:34,559
but some people spoke to me people were

656
00:25:40,310 --> 00:25:37,919
members of the committees who decided

657
00:25:42,950 --> 00:25:40,320
what will would happen with me and some

658
00:25:45,430 --> 00:25:42,960
people have told me so i know

659
00:25:46,630 --> 00:25:45,440
and the reasons were purely ideological

660
00:25:47,669 --> 00:25:46,640
they

661
00:25:50,310 --> 00:25:47,679
you know

662
00:25:52,710 --> 00:25:50,320
yeah i was uh

663
00:25:53,830 --> 00:25:52,720

you know i was a black sheep really i

664

00:25:55,510 --> 00:25:53,840

didn't want

665

00:25:56,549 --> 00:25:55,520

that so

666

00:25:58,390 --> 00:25:56,559

a few

667

00:26:00,630 --> 00:25:58,400

weeks after that

668

00:26:02,870 --> 00:26:00,640

gary schwartz who was a

669

00:26:05,269 --> 00:26:02,880

another controversial researcher but at

670

00:26:06,310 --> 00:26:05,279

the university of arizona

671

00:26:07,350 --> 00:26:06,320

uh

672

00:26:09,669 --> 00:26:07,360

a few

673

00:26:11,190 --> 00:26:09,679

years before that

674

00:26:12,710 --> 00:26:11,200

at the university of arizona they

675

00:26:15,590 --> 00:26:12,720

created the first

676
00:26:16,950 --> 00:26:15,600
research center on consciousness

677
00:26:20,870 --> 00:26:16,960
and

678
00:26:23,110 --> 00:26:20,880
philosophers of science

679
00:26:24,789 --> 00:26:23,120
like david chalmers

680
00:26:27,750 --> 00:26:24,799
they were all involved in the creation

681
00:26:30,070 --> 00:26:27,760
amraf and others they were involved in

682
00:26:32,149 --> 00:26:30,080
the creation of the center

683
00:26:34,070 --> 00:26:32,159
and gary schwartz didn't know me

684
00:26:37,029 --> 00:26:34,080
personally but it's it's so funny

685
00:26:38,950 --> 00:26:37,039
because he said

686
00:26:41,269 --> 00:26:38,960
there's an inner voice that told me to

687
00:26:43,510 --> 00:26:41,279
contact you

688
00:26:46,549 --> 00:26:43,520

so he found my email address

689

00:26:49,510 --> 00:26:46,559

he had seen my books so he knew i was a

690

00:26:51,110 --> 00:26:49,520

but and and then when i saw him

691

00:26:52,630 --> 00:26:51,120

online

692

00:26:54,710 --> 00:26:52,640

um

693

00:26:56,630 --> 00:26:54,720

he told me uh

694

00:26:58,149 --> 00:26:56,640

is there something wrong or is there

695

00:26:59,190 --> 00:26:58,159

something that i could do for you

696

00:26:59,990 --> 00:26:59,200

because

697

00:27:02,310 --> 00:27:00,000

i'm

698

00:27:04,390 --> 00:27:02,320

pushed to i don't know

699

00:27:06,549 --> 00:27:04,400

i feel that i have to

700

00:27:09,110 --> 00:27:06,559

call you and to ask you what's going on

701
00:27:11,350 --> 00:27:09,120
and so i explained to him what had just

702
00:27:13,269 --> 00:27:11,360
happened to me he said uh at the

703
00:27:15,430 --> 00:27:13,279
university of arizona we would be proud

704
00:27:17,269 --> 00:27:15,440
to have somebody like you

705
00:27:20,950 --> 00:27:17,279
we wouldn't see you like

706
00:27:22,470 --> 00:27:20,960
a black sheep but to the contrary

707
00:27:24,470 --> 00:27:22,480
because there's open-minded more

708
00:27:26,230 --> 00:27:24,480
open-mindedness for virus reasons

709
00:27:29,029 --> 00:27:26,240
because of the people that were there

710
00:27:31,750 --> 00:27:29,039
and so it was uh a mixed bag you know

711
00:27:34,470 --> 00:27:31,760
you you had also the uh

712
00:27:37,990 --> 00:27:34,480
the atheist materialists

713
00:27:39,669 --> 00:27:38,000

but you had also more open-minded people

714

00:27:41,830 --> 00:27:39,679

so that's how i became affiliated with

715

00:27:45,669 --> 00:27:41,840

the university of arizona it's another

716

00:27:46,870 --> 00:27:45,679

interesting story and that's how

717

00:27:50,149 --> 00:27:46,880

after

718

00:27:52,789 --> 00:27:50,159

having talked to gary and

719

00:27:55,590 --> 00:27:52,799

i uh i proposed

720

00:27:58,070 --> 00:27:55,600

you know to launch this uh

721

00:27:59,990 --> 00:27:58,080

new most post materialist movement and

722

00:28:01,510 --> 00:28:00,000

so he helped me and we organized the

723

00:28:03,830 --> 00:28:01,520

first meeting and

724

00:28:06,230 --> 00:28:03,840

then the manifesto then the academy and

725

00:28:09,110 --> 00:28:06,240

so on and so forth so right now i'm

726

00:28:11,190 --> 00:28:09,120

doing theoretical work about

727

00:28:12,549 --> 00:28:11,200

a new model of mind brain

728

00:28:15,350 --> 00:28:12,559

relationship

729

00:28:19,110 --> 00:28:18,149

spirituality spiritual experiences now

730

00:28:24,950 --> 00:28:19,120

that's

731

00:28:27,190 --> 00:28:24,960

to me it's this is the real new science

732

00:28:29,669 --> 00:28:27,200

of mind and consciousness

733

00:28:32,149 --> 00:28:29,679

not not the old stuff of

734

00:28:35,029 --> 00:28:32,159

and edelman and

735

00:28:37,430 --> 00:28:35,039

chandra and all these old guys you know

736

00:28:39,110 --> 00:28:37,440

they did

737

00:28:41,750 --> 00:28:39,120

yeah so so

738

00:28:44,710 --> 00:28:41,760

so i'm very much involved in this uh

739

00:28:47,110 --> 00:28:44,720

transition toward something new

740

00:28:49,990 --> 00:28:49,029

there's progress because

741

00:28:52,230 --> 00:28:50,000

some

742

00:28:53,269 --> 00:28:52,240

people like for instance christoph

743

00:28:55,510 --> 00:28:53,279

cook

744

00:28:59,029 --> 00:28:55,520

was working with

745

00:29:01,430 --> 00:28:59,039

you know francis crick for several years

746

00:29:04,310 --> 00:29:01,440

he was a an open

747

00:29:05,590 --> 00:29:04,320

materialist atheist like like his former

748

00:29:08,549 --> 00:29:05,600

boss

749

00:29:11,350 --> 00:29:08,559

and now he's changed his discourse now

750

00:29:13,510 --> 00:29:11,360

now he's stuck he's you know he's coming

751
00:29:16,470 --> 00:29:13,520
you know very slowly to our camp because

752
00:29:19,029 --> 00:29:16,480
he's recognizing that perhaps perhaps we

753
00:29:21,430 --> 00:29:19,039
won't be able to use materialist models

754
00:29:23,830 --> 00:29:21,440
to explain or to reduce

755
00:29:27,590 --> 00:29:23,840
consciousness or it's a

756
00:29:29,190 --> 00:29:27,600
primary principle but uh he's still

757
00:29:32,070 --> 00:29:29,200
trying to

758
00:29:33,350 --> 00:29:32,080
uh like david chalmers also and but

759
00:29:35,909 --> 00:29:33,360
these guys are

760
00:29:39,269 --> 00:29:35,919
to me they they like chicken they don't

761
00:29:42,149 --> 00:29:39,279
uh they're not as enough courageous to

762
00:29:43,190 --> 00:29:42,159
say openly you know tell what you think

763
00:29:44,710 --> 00:29:43,200

really

764

00:29:46,230 --> 00:29:44,720

um

765

00:29:49,510 --> 00:29:46,240

because they're you know they have

766

00:29:51,909 --> 00:29:49,520

things to protect the uh cook direct

767

00:29:53,909 --> 00:29:51,919

he's the director of a research center

768

00:29:56,950 --> 00:29:53,919

and or an institute and so on and so

769

00:29:58,950 --> 00:29:56,960

forth and in my case i never

770

00:30:02,070 --> 00:29:58,960

i never cared about all those things and

771

00:30:04,070 --> 00:30:02,080

i destroyed several relationships and i

772

00:30:05,510 --> 00:30:04,080

lost many opportunities because of that

773

00:30:06,470 --> 00:30:05,520

because i

774

00:30:10,230 --> 00:30:06,480

uh

775

00:30:12,789 --> 00:30:10,240

i didn't care

776

00:30:14,789 --> 00:30:12,799

you know i just cared about what i felt

777

00:30:16,710 --> 00:30:14,799

deep within and

778

00:30:17,909 --> 00:30:16,720

my sense of mission what i had to

779

00:30:21,110 --> 00:30:17,919

accomplish

780

00:30:22,950 --> 00:30:21,120

i knew and i knew it would be a battle

781

00:30:25,029 --> 00:30:22,960

but

782

00:30:28,789 --> 00:30:25,039

you know i decided to go for it because

783

00:30:31,510 --> 00:30:28,799

i it's who i am so

784

00:30:33,350 --> 00:30:31,520

i think that's a really really important

785

00:30:35,269 --> 00:30:33,360

story and i'm glad you shared all that

786

00:30:37,190 --> 00:30:35,279

i'm glad you shared that about gary

787

00:30:39,590 --> 00:30:37,200

schwartz because a lot of times he

788

00:30:41,990 --> 00:30:39,600

doesn't get credit for standing and

789

00:30:44,389 --> 00:30:42,000

holding that space you know so he's done

790

00:30:45,990 --> 00:30:44,399

some things and people can kind of laugh

791

00:30:49,430 --> 00:30:46,000

you know geraldo and all the rest of

792

00:30:51,350 --> 00:30:49,440

that stuff but no he has marched forward

793

00:30:52,470 --> 00:30:51,360

and held that space and he's brilliant

794

00:30:55,269 --> 00:30:52,480

right i mean

795

00:30:57,269 --> 00:30:55,279

dale harvard yeah all that

796

00:30:59,590 --> 00:30:57,279

maximum credentials but the other thing

797

00:31:01,909 --> 00:30:59,600

that you said that i think is is

798

00:31:05,590 --> 00:31:01,919

is the next level stuff that we got to

799

00:31:07,669 --> 00:31:05,600

get to if we're really going to support

800

00:31:10,710 --> 00:31:07,679

gladiators of the light

801
00:31:14,070 --> 00:31:10,720
which you are mario you are a gladiator

802
00:31:15,590 --> 00:31:14,080
of the light you are not interested in

803
00:31:18,389 --> 00:31:15,600
compromise

804
00:31:21,669 --> 00:31:18,399
where in in the scientific sense right

805
00:31:24,310 --> 00:31:21,679
a scientist isn't interested in stupid

806
00:31:26,870 --> 00:31:24,320
ideas and compromising and saying well

807
00:31:29,029 --> 00:31:26,880
you know everybody has a point of view

808
00:31:31,669 --> 00:31:29,039
and if you kind of ran the numbers this

809
00:31:34,230 --> 00:31:31,679
way no that's our that's the beauty of

810
00:31:36,310 --> 00:31:34,240
science is it allows us to play this

811
00:31:37,830 --> 00:31:36,320
game that we really can measure things

812
00:31:39,909 --> 00:31:37,840
because we know we can't really measure

813
00:31:41,909 --> 00:31:39,919

things but if we were going to measure

814

00:31:43,909 --> 00:31:41,919

things this is the result that we have

815

00:31:46,470 --> 00:31:43,919

and this is where we get

816

00:31:48,950 --> 00:31:46,480

so one of the things i want to do

817

00:31:51,990 --> 00:31:48,960

in this interview is kind of pull you

818

00:31:55,430 --> 00:31:52,000

further into and get your thoughts on

819

00:31:58,230 --> 00:31:55,440

how deep this thing goes how deep this

820

00:32:00,470 --> 00:31:58,240

battle and it really is

821

00:32:01,509 --> 00:32:00,480

and this is again going to turn people

822

00:32:03,350 --> 00:32:01,519

off

823

00:32:05,990 --> 00:32:03,360

but at some level this is a deeper

824

00:32:08,710 --> 00:32:06,000

spiritual battle that we are

825

00:32:10,230 --> 00:32:08,720

somehow engaged in and i say that not

826

00:32:12,310 --> 00:32:10,240

knowing what that means i'm not a

827

00:32:14,870 --> 00:32:12,320

christian i'm not at all a religious

828

00:32:17,350 --> 00:32:14,880

person but it's kind of hard to deny

829

00:32:20,230 --> 00:32:17,360

that there's some elements to this that

830

00:32:22,950 --> 00:32:20,240

do look like a battle let me play you a

831

00:32:24,549 --> 00:32:22,960

clip because in your book in this latest

832

00:32:26,389 --> 00:32:24,559

new book that people really need to

833

00:32:29,269 --> 00:32:26,399

check out as well as your other books

834

00:32:31,669 --> 00:32:29,279

expanding reality one of the things you

835

00:32:32,950 --> 00:32:31,679

touch on because you have to because

836

00:32:35,190 --> 00:32:32,960

it's such an important part of this

837

00:32:37,269 --> 00:32:35,200

whole story it's such an important part

838

00:32:40,149 --> 00:32:37,279

of reclaiming our history

839

00:32:42,310 --> 00:32:40,159

is the remote viewing project stargate

840

00:32:44,549 --> 00:32:42,320

at sri

841

00:32:46,870 --> 00:32:44,559

but it goes very deep

842

00:32:48,950 --> 00:32:46,880

and in some ways it goes much darker

843

00:32:50,630 --> 00:32:48,960

than we're willing to sometimes go to

844

00:32:52,950 --> 00:32:50,640

let me play this clip it's a couple

845

00:32:54,870 --> 00:32:52,960

minutes long and then let's talk about

846

00:32:56,149 --> 00:32:54,880

it

847

00:32:57,990 --> 00:32:56,159

i have an interview coming up in a

848

00:33:00,710 --> 00:32:58,000

minute with lance

849

00:33:04,630 --> 00:33:00,720

the creator of the fantastic movie third

850

00:33:06,149 --> 00:33:04,640

eye spies a true story of cia psychic

851
00:33:07,909 --> 00:33:06,159
spying

852
00:33:09,509 --> 00:33:07,919
okay i don't really have to play that

853
00:33:11,190 --> 00:33:09,519
clip and you can go listen to that show

854
00:33:13,430 --> 00:33:11,200
if you want but also i don't have to

855
00:33:15,669 --> 00:33:13,440
play that clip because i kind of teed up

856
00:33:17,190 --> 00:33:15,679
and summarize it to mario

857
00:33:22,470 --> 00:33:17,200
here

858
00:33:25,430 --> 00:33:22,480
have to fully embrace this history we

859
00:33:28,230 --> 00:33:25,440
have to pull it apart and i think

860
00:33:31,029 --> 00:33:28,240
frontier scientists like you are and we

861
00:33:33,190 --> 00:33:31,039
know the frontier scientists because

862
00:33:35,110 --> 00:33:33,200
they don't only have arrows in the front

863
00:33:37,110 --> 00:33:35,120

from the people they're pushing against

864

00:33:38,549 --> 00:33:37,120

and they have arrows in the back too

865

00:33:40,470 --> 00:33:38,559

because that's the guy who's always out

866

00:33:43,190 --> 00:33:40,480

front he's got arrows in his back as

867

00:33:45,909 --> 00:33:43,200

well as the front this is our history so

868

00:33:47,909 --> 00:33:45,919

part of this history is [h__h] yes we did

869

00:33:50,070 --> 00:33:47,919

this post-materialist

870

00:33:51,669 --> 00:33:50,080

[h__h] so the people at montreal

871

00:33:53,990 --> 00:33:51,679

they're playing some kind of game

872

00:33:57,029 --> 00:33:54,000

because the real players at mcgill

873

00:33:59,269 --> 00:33:57,039

locked in the mk ultra lab they were way

874

00:34:01,509 --> 00:33:59,279

past materialism they were how do we

875

00:34:03,750 --> 00:34:01,519

operationalize this how do we mind

876

00:34:05,590 --> 00:34:03,760

control people how do we do telepathy

877

00:34:07,509 --> 00:34:05,600

how do we do remote viewing they weren't

878

00:34:10,869 --> 00:34:07,519

sitting around wringing their hands

879

00:34:12,869 --> 00:34:10,879

going gee is remote viewing true or is

880

00:34:15,349 --> 00:34:12,879

sensory deprivation true is

881

00:34:18,310 --> 00:34:15,359

disassociative identity in split person

882

00:34:19,790 --> 00:34:18,320

is that true they were not questioning

883

00:34:22,790 --> 00:34:19,800

that they were

884

00:34:25,510 --> 00:34:22,800

operationalizing it that is our history

885

00:34:27,510 --> 00:34:25,520

and so that's i guess point number one

886

00:34:29,750 --> 00:34:27,520

and point number two that comes along

887

00:34:31,349 --> 00:34:29,760

with it is a bunch of other weird stuff

888

00:34:33,589 --> 00:34:31,359

that we don't talk about because it's

889

00:34:35,030 --> 00:34:33,599

not comfortable to talk about but it you

890

00:34:37,349 --> 00:34:35,040

know that would include

891

00:34:39,430 --> 00:34:37,359

all the ufo stuff and all that so let's

892

00:34:41,750 --> 00:34:39,440

just start with the first part of

893

00:34:43,829 --> 00:34:41,760

embracing our history fully engaging

894

00:34:45,750 --> 00:34:43,839

with it and number two

895

00:34:49,030 --> 00:34:45,760

calling [h__\h]

896

00:34:49,909 --> 00:34:49,040

on this idea that the academy

897

00:34:55,430 --> 00:34:49,919

is

898

00:34:56,629 --> 00:34:55,440

dogma and it's one funeral at a time

899

00:34:58,790 --> 00:34:56,639

[h__\h]

900

00:35:01,270 --> 00:34:58,800

there is some kind of directive behind

901
00:35:03,829 --> 00:35:01,280
this that says we do not want to go in

902
00:35:05,430 --> 00:35:03,839
this direction we do not want people

903
00:35:08,069 --> 00:35:05,440
thinking that there's that there are

904
00:35:10,870 --> 00:35:08,079
these expanded divine beings that are

905
00:35:14,069 --> 00:35:10,880
somehow connected to something much more

906
00:35:17,109 --> 00:35:14,079
we want them to stay limited controlled

907
00:35:19,270 --> 00:35:17,119
biological robot because that's fits

908
00:35:21,030 --> 00:35:19,280
more with our agenda and i'm

909
00:35:22,710 --> 00:35:21,040
opinionating there but i want to lay it

910
00:35:25,030 --> 00:35:22,720
out there and get your opinion

911
00:35:26,710 --> 00:35:25,040
well yes i agree with you it's a it's

912
00:35:29,270 --> 00:35:26,720
part of

913
00:35:30,390 --> 00:35:29,280

a social engineering program

914

00:35:33,510 --> 00:35:30,400

clearly

915

00:35:37,030 --> 00:35:33,520

and uh you know in the video uh we

916

00:35:41,430 --> 00:35:37,040

talked about uh sydney gutley

917

00:35:45,030 --> 00:35:41,440

well he had a double life so he was a

918

00:35:46,069 --> 00:35:45,040

well-known neuroscientist pharmacologist

919

00:35:47,589 --> 00:35:46,079

worked with

920

00:35:50,150 --> 00:35:47,599

big pharma

921

00:35:51,990 --> 00:35:50,160

was one of the pioneers actually

922

00:35:54,630 --> 00:35:52,000

but he had uh

923

00:35:57,109 --> 00:35:54,640

you know he was doing uh in secret

924

00:35:58,710 --> 00:35:57,119

all those experiments and he was doing

925

00:36:00,390 --> 00:35:58,720

that with the people at montreal

926
00:36:02,390 --> 00:36:00,400
neurological institute

927
00:36:03,510 --> 00:36:02,400
at the allen memorial the psychiatric

928
00:36:05,750 --> 00:36:03,520
institute

929
00:36:07,670 --> 00:36:05,760
so that all the the the guys i was

930
00:36:10,230 --> 00:36:07,680
talking to when i was a youngest

931
00:36:12,390 --> 00:36:10,240
aspiring neuroscientist these are the

932
00:36:15,030 --> 00:36:12,400
the the same people cameron you want to

933
00:36:16,550 --> 00:36:15,040
talk about cameron i never met him uh

934
00:36:19,990 --> 00:36:16,560
cameron no

935
00:36:22,950 --> 00:36:20,000
but i met all the other ones

936
00:36:25,270 --> 00:36:22,960
and so they were you know uh and it was

937
00:36:26,790 --> 00:36:25,280
clear that they were upset and one of

938
00:36:29,030 --> 00:36:26,800

them told me

939

00:36:31,750 --> 00:36:29,040

and she's very she's a celebrity she's

940

00:36:33,510 --> 00:36:31,760

almost a 100 years old now

941

00:36:34,710 --> 00:36:33,520

very famous i won't mention her name

942

00:36:37,109 --> 00:36:34,720

because

943

00:36:40,470 --> 00:36:37,119

but people will recognize her

944

00:36:41,910 --> 00:36:40,480

and she told me as long as i'm alive and

945

00:36:45,109 --> 00:36:41,920

i'm controlling the montreal

946

00:36:47,589 --> 00:36:45,119

neurological institute you'll never do

947

00:36:49,910 --> 00:36:47,599

studies neuroscience studies on

948

00:36:51,990 --> 00:36:49,920

spirituality

949

00:36:52,950 --> 00:36:52,000

never so she

950

00:36:54,870 --> 00:36:52,960

she

951
00:36:57,270 --> 00:36:54,880
organized something with all the other

952
00:36:59,109 --> 00:36:57,280
members of the committee the ethics

953
00:37:00,310 --> 00:36:59,119
research committee and the scientific

954
00:37:03,030 --> 00:37:00,320
committees

955
00:37:04,069 --> 00:37:03,040
to prevent me from doing these studies i

956
00:37:06,310 --> 00:37:04,079
had

957
00:37:08,390 --> 00:37:06,320
earned a grant

958
00:37:11,030 --> 00:37:08,400
from the templeton foundation based in

959
00:37:13,190 --> 00:37:11,040
the united states but i was not allowed

960
00:37:15,910 --> 00:37:13,200
they they blocked me because

961
00:37:16,950 --> 00:37:15,920
and what and i asked them

962
00:37:19,510 --> 00:37:16,960
what for

963
00:37:22,150 --> 00:37:19,520

what is the reason and i when i started

964

00:37:23,510 --> 00:37:22,160

to argue about them regarding spiritual

965

00:37:26,069 --> 00:37:23,520

experiences and

966

00:37:27,589 --> 00:37:26,079

they were becoming bizarre totally like

967

00:37:30,550 --> 00:37:27,599

if uh

968

00:37:33,349 --> 00:37:30,560

so and then i i knew that

969

00:37:34,390 --> 00:37:33,359

it was more than it was a

970

00:37:36,790 --> 00:37:34,400

war

971

00:37:37,670 --> 00:37:36,800

really between

972

00:37:41,990 --> 00:37:37,680

two

973

00:37:44,390 --> 00:37:42,000

different paradigms

974

00:37:47,430 --> 00:37:44,400

dark and yeah and light

975

00:37:49,589 --> 00:37:47,440

that's what i understood then

976

00:37:51,430 --> 00:37:49,599

but i couldn't prove it but now with

977

00:37:53,670 --> 00:37:51,440

everything that is happening on the

978

00:37:55,190 --> 00:37:53,680

planet regarding the

979

00:37:56,950 --> 00:37:55,200

you know what

980

00:37:59,670 --> 00:37:56,960

um

981

00:38:02,390 --> 00:37:59,680

it's very obvious

982

00:38:04,150 --> 00:38:02,400

now it's very clear i i think i think it

983

00:38:06,230 --> 00:38:04,160

is obvious and i think more people need

984

00:38:07,990 --> 00:38:06,240

to stand up and talk about it and i

985

00:38:10,470 --> 00:38:08,000

think we need to

986

00:38:12,870 --> 00:38:10,480

wind it back a little bit because

987

00:38:15,190 --> 00:38:12,880

they've shifted the game a little bit

988

00:38:16,630 --> 00:38:15,200

it's no longer about

989

00:38:19,190 --> 00:38:16,640

consciousness

990

00:38:20,710 --> 00:38:19,200

per se there's no longer the

991

00:38:23,670 --> 00:38:20,720

dawkins and

992

00:38:26,230 --> 00:38:23,680

you know uh that kind of stuff

993

00:38:28,790 --> 00:38:26,240

but what they have introduced is kind of

994

00:38:31,750 --> 00:38:28,800

a direct you know you look at just lane

995

00:38:34,950 --> 00:38:31,760

maxwell being tried now and you know but

996

00:38:37,829 --> 00:38:34,960

this is satanism and it's openly satanic

997

00:38:40,150 --> 00:38:37,839

practices and we've interviewed people

998

00:38:41,349 --> 00:38:40,160

on this show that have been

999

00:38:43,910 --> 00:38:41,359

part of

1000

00:38:46,470 --> 00:38:43,920

satanic ritual abuse cults and you get

1001
00:38:48,310 --> 00:38:46,480
to this dissociative identity disorder

1002
00:38:50,310 --> 00:38:48,320
and again folks don't take this wrong

1003
00:38:52,950 --> 00:38:50,320
i'm not a christian i don't know what a

1004
00:38:56,069 --> 00:38:52,960
satanic cult is i don't even know what

1005
00:38:58,710 --> 00:38:56,079
that means inside of my world view i

1006
00:39:01,670 --> 00:38:58,720
know that there is this extended realm

1007
00:39:03,270 --> 00:39:01,680
that because people like dr beauregard

1008
00:39:04,870 --> 00:39:03,280
come back and say hey we study it

1009
00:39:06,150 --> 00:39:04,880
scientifically we study near-death

1010
00:39:07,349 --> 00:39:06,160
experience

1011
00:39:09,270 --> 00:39:07,359
i don't know what to tell you there's an

1012
00:39:11,430 --> 00:39:09,280
extended realm people die and they go

1013
00:39:13,190 --> 00:39:11,440

someplace there's reincarnation i don't

1014

00:39:14,710 --> 00:39:13,200

know what to tell you they died we don't

1015

00:39:16,310 --> 00:39:14,720

have to come to a bunch of firm

1016

00:39:18,470 --> 00:39:16,320

conclusions we don't have to pull out

1017

00:39:20,150 --> 00:39:18,480

the bible and say this is what it means

1018

00:39:22,950 --> 00:39:20,160

we can just say

1019

00:39:25,349 --> 00:39:22,960

what they're telling us is [h__h]

1020

00:39:28,230 --> 00:39:25,359

those guys at mcgill the guys at

1021

00:39:30,230 --> 00:39:28,240

montreal knew there was an extended

1022

00:39:32,230 --> 00:39:30,240

realm and they were playing with it and

1023

00:39:35,190 --> 00:39:32,240

they were trying to tap into it and they

1024

00:39:37,750 --> 00:39:35,200

were trying to justify it as

1025

00:39:39,990 --> 00:39:37,760

well if we don't if we don't tap into it

1026

00:39:41,589 --> 00:39:40,000

and this could be both dark or light if

1027

00:39:43,510 --> 00:39:41,599

we don't explore all the sides of it

1028

00:39:45,750 --> 00:39:43,520

well then darn it the russians will it

1029

00:39:46,630 --> 00:39:45,760

and what if they got satan on their team

1030

00:39:48,470 --> 00:39:46,640

and what

1031

00:39:50,390 --> 00:39:48,480

and believe me folks these are really

1032

00:39:52,630 --> 00:39:50,400

the kind if you look through

1033

00:39:54,630 --> 00:39:52,640

the documents the released foia

1034

00:39:56,630 --> 00:39:54,640

documents released in the canada and

1035

00:39:58,870 --> 00:39:56,640

recently u.s this is what these guys are

1036

00:40:00,870 --> 00:39:58,880

talking about and in one way

1037

00:40:02,230 --> 00:40:00,880

you kind of got to go well i'm glad

1038

00:40:04,950 --> 00:40:02,240

somebody's

1039

00:40:07,670 --> 00:40:04,960

at least considering that but where they

1040

00:40:09,430 --> 00:40:07,680

went with it in terms of the experiments

1041

00:40:11,109 --> 00:40:09,440

that they did do and where they were

1042

00:40:13,190 --> 00:40:11,119

willing to go and the lines that they

1043

00:40:16,309 --> 00:40:13,200

were willing to cross all of which were

1044

00:40:19,270 --> 00:40:16,319

in this extended post-materialist realm

1045

00:40:21,510 --> 00:40:19,280

it make gives us pause as to considering

1046

00:40:22,870 --> 00:40:21,520

what you're saying is what is really

1047

00:40:25,430 --> 00:40:22,880

behind

1048

00:40:27,670 --> 00:40:25,440

them not wanting to go and look at this

1049

00:40:28,710 --> 00:40:27,680

research

1050

00:40:29,589 --> 00:40:28,720

yes

1051

00:40:32,150 --> 00:40:29,599

well

1052

00:40:34,550 --> 00:40:32,160

they are actors they

1053

00:40:37,270 --> 00:40:34,560

you know they are participating in this

1054

00:40:38,870 --> 00:40:37,280

battle but they are on the other side

1055

00:40:41,190 --> 00:40:38,880

clearly

1056

00:40:42,390 --> 00:40:41,200

yeah because they

1057

00:40:44,870 --> 00:40:42,400

yeah they

1058

00:40:46,150 --> 00:40:44,880

and that it's true that several of these

1059

00:40:48,950 --> 00:40:46,160

old people

1060

00:40:50,790 --> 00:40:48,960

were there when i was when i started

1061

00:40:53,270 --> 00:40:50,800

they they were part of the

1062

00:40:54,790 --> 00:40:53,280

this theme exactly

1063

00:40:57,589 --> 00:40:54,800

that we're doing studies in

1064

00:41:03,109 --> 00:40:57,599

collaboration with cia

1065

00:41:07,829 --> 00:41:05,430

so let's let's take this one other

1066

00:41:09,829 --> 00:41:07,839

direction kind of on a less

1067

00:41:11,349 --> 00:41:09,839

take it down a notch for people who

1068

00:41:13,270 --> 00:41:11,359

can't maybe

1069

00:41:15,910 --> 00:41:13,280

go there all the way

1070

00:41:19,030 --> 00:41:15,920

the other thing that i think you are a

1071

00:41:21,109 --> 00:41:19,040

testament to in your story your life

1072

00:41:23,190 --> 00:41:21,119

your documented

1073

00:41:25,190 --> 00:41:23,200

history in academia you know someone

1074

00:41:27,190 --> 00:41:25,200

could just go look like you said how do

1075

00:41:30,150 --> 00:41:27,200

you fire a guy who has a templeton

1076

00:41:32,069 --> 00:41:30,160

foundation grant how do you do that

1077

00:41:34,950 --> 00:41:32,079

oh yeah and i earned several uh

1078

00:41:37,750 --> 00:41:34,960

scientific prizes prices awards and

1079

00:41:38,550 --> 00:41:37,760

uh all over the planet yeah so so that

1080

00:41:42,470 --> 00:41:38,560

is

1081

00:41:43,750 --> 00:41:42,480

what i'd kind of tie it back to and that

1082

00:41:48,390 --> 00:41:43,760

is

1083

00:41:50,950 --> 00:41:48,400

in in

1084

00:41:53,750 --> 00:41:50,960

this community this broader community

1085

00:41:55,829 --> 00:41:53,760

that you work in that aren't willing to

1086

00:41:58,230 --> 00:41:55,839

really entertain that discussion that we

1087

00:42:00,950 --> 00:41:58,240

just had they just can't go there where

1088

00:42:03,510 --> 00:42:00,960

they can't go is this idea that you

1089

00:42:04,470 --> 00:42:03,520

alluded to that we have a sense right

1090

00:42:07,270 --> 00:42:04,480

now

1091

00:42:08,870 --> 00:42:07,280

that in some ways the social contract

1092

00:42:16,230 --> 00:42:08,880

between science

1093

00:42:18,309 --> 00:42:16,240

that that contract has in in a way that

1094

00:42:20,309 --> 00:42:18,319

i've never seen in my life just been

1095

00:42:22,630 --> 00:42:20,319

thrown out the window i mean they don't

1096

00:42:25,349 --> 00:42:22,640

even they don't even pretend to care and

1097

00:42:27,510 --> 00:42:25,359

the ignorance is is quite dramatic let

1098

00:42:29,430 --> 00:42:27,520

me play a couple clips

1099

00:42:30,390 --> 00:42:29,440

really quick and then we'll we'll chat

1100

00:42:31,510 --> 00:42:30,400

about that

1101

00:42:33,910 --> 00:42:31,520

okay

1102

00:42:36,390 --> 00:42:33,920

so the first is from our friend rupert

1103

00:42:37,990 --> 00:42:36,400

sheldrick back in 2013

1104

00:42:41,030 --> 00:42:38,000

when he was

1105

00:42:42,870 --> 00:42:41,040

his ted talk was banned and i'll play

1106

00:42:45,349 --> 00:42:42,880

my show on my interview with him just a

1107

00:42:47,990 --> 00:42:45,359

few seconds of it and then we'll talk

1108

00:42:50,069 --> 00:42:48,000

on this episode of skeptico alex talks

1109

00:42:52,309 --> 00:42:50,079

with dr rupert sheldrick about being

1110

00:42:55,589 --> 00:42:52,319

censored by the ted conference

1111

00:42:57,990 --> 00:42:55,599

the irony of this is if not hilarious

1112

00:43:00,630 --> 00:42:58,000

it's certainly inescapable i mean a

1113

00:43:03,109 --> 00:43:00,640

reputable scientist publishes a book

1114

00:43:04,950 --> 00:43:03,119

claiming that science is dogmatic and

1115

00:43:07,990 --> 00:43:04,960

then is censored by an anonymous

1116

00:43:10,309 --> 00:43:08,000

scientific board what does this say how

1117

00:43:12,390 --> 00:43:10,319

science can be dogmatic without even

1118

00:43:14,309 --> 00:43:12,400

realizing it's dogmatic

1119

00:43:16,230 --> 00:43:14,319

well i think in a way there's this whole

1120

00:43:19,670 --> 00:43:16,240

controversy and the people who weighed

1121

00:43:21,990 --> 00:43:19,680

in in favor of the ted actions do indeed

1122

00:43:23,750 --> 00:43:22,000

confirm what i'm saying that these

1123

00:43:25,750 --> 00:43:23,760

dogmas the ones that most people within

1124

00:43:28,150 --> 00:43:25,760

science don't actually realize the

1125

00:43:30,150 --> 00:43:28,160

dogmas they just think they're the truth

1126

00:43:31,750 --> 00:43:30,160

and the point about really dogmatic

1127

00:43:34,470 --> 00:43:31,760

people is that they don't know they have

1128

00:43:36,390 --> 00:43:34,480

dogmas dogmas or beliefs and people who

1129

00:43:38,150 --> 00:43:36,400

have really strong beliefs think of

1130

00:43:40,390 --> 00:43:38,160

their beliefs as truth they don't

1131

00:43:42,150 --> 00:43:40,400

actually see them as beliefs so i think

1132

00:43:45,430 --> 00:43:42,160

this whole controversy has actually

1133

00:43:47,030 --> 00:43:45,440

highlighted exactly that

1134

00:43:49,750 --> 00:43:47,040

so i'm going to pause it there for a

1135

00:43:52,230 --> 00:43:49,760

second and i would almost say

1136

00:43:53,750 --> 00:43:52,240

that those are the good old days

1137

00:43:56,150 --> 00:43:53,760

because it seems like there was some

1138

00:43:57,910 --> 00:43:56,160

restraint back then there was actually

1139

00:44:01,030 --> 00:43:57,920

it caused a stir

1140

00:44:03,430 --> 00:44:01,040

when a reputable scientist like rupert

1141

00:44:05,589 --> 00:44:03,440

sheldrick was banned people were kind of

1142

00:44:07,670 --> 00:44:05,599

up in arms and say hey you can't do that

1143

00:44:10,150 --> 00:44:07,680

science has a right to speak and speak

1144

00:44:12,630 --> 00:44:10,160

freely that is our social contract that

1145

00:44:14,550 --> 00:44:12,640

is what we we we demand

1146

00:44:17,430 --> 00:44:14,560

here is it's been broken

1147

00:44:19,270 --> 00:44:17,440

it's not there anymore so let me play a

1148

00:44:20,390 --> 00:44:19,280

clip from an interview i just did

1149

00:44:22,870 --> 00:44:20,400

recently

1150

00:44:23,990 --> 00:44:22,880

with uh sarah and jack gorman i think

1151

00:44:26,390 --> 00:44:24,000

it's pretty

1152

00:44:28,630 --> 00:44:26,400

self-explanatory

1153

00:44:30,550 --> 00:44:28,640

these people are super smart qualified

1154

00:44:33,990 --> 00:44:30,560

sarah you know undergraduate degree

1155

00:44:36,069 --> 00:44:34,000

harvard phd columbia

1156

00:44:38,630 --> 00:44:36,079

so speaking of silliness here's where i

1157

00:44:41,109 --> 00:44:38,640

start which seems obvious to me to

1158

00:44:42,230 --> 00:44:41,119

anyone who cares about science

1159

00:44:45,109 --> 00:44:42,240

and that is

1160

00:44:46,870 --> 00:44:45,119

should we limit scientific debate i i do

1161

00:44:48,870 --> 00:44:46,880

think that anybody who spreads

1162

00:44:51,270 --> 00:44:48,880

information about

1163

00:44:52,710 --> 00:44:51,280

medical technology that people need in

1164

00:44:54,470 --> 00:44:52,720

order to survive

1165

00:44:56,950 --> 00:44:54,480

that's not true

1166

00:44:58,630 --> 00:44:56,960

and usually it's intentionally not true

1167

00:45:00,870 --> 00:44:58,640

i don't think that they should be

1168

00:45:03,270 --> 00:45:00,880

allowed to have any platform they want

1169

00:45:05,829 --> 00:45:03,280

sarah who would determine what's not

1170

00:45:07,990 --> 00:45:05,839

true isn't that the job of science yeah

1171

00:45:09,670 --> 00:45:08,000

well science has already determined

1172

00:45:11,190 --> 00:45:09,680

certain things about vaccines that

1173

00:45:13,510 --> 00:45:11,200

they're safe and effective certain

1174

00:45:15,750 --> 00:45:13,520

vaccines that they're saying

1175

00:45:17,589 --> 00:45:15,760

so i'll i'll cut it off there this is

1176

00:45:18,630 --> 00:45:17,599

the water unfortunately you've had to

1177

00:45:20,630 --> 00:45:18,640

swim in

1178

00:45:22,390 --> 00:45:20,640

all your life but what comes through to

1179

00:45:24,630 --> 00:45:22,400

me and the reason i played the sheldrick

1180

00:45:28,150 --> 00:45:24,640

clip first and you totally

1181

00:45:31,349 --> 00:45:28,160

got this so i want you to speak to it is

1182

00:45:34,630 --> 00:45:31,359

it's it's different now it's like

1183

00:45:37,670 --> 00:45:34,640

sarah gorman phd from columbia

1184

00:45:40,550 --> 00:45:37,680

is really that clueless she really if

1185

00:45:43,270 --> 00:45:40,560

they're burning books in columbia in the

1186

00:45:45,829 --> 00:45:43,280

center square that don't agree with her

1187

00:45:48,309 --> 00:45:45,839

even if they're from the most reputable

1188

00:45:50,470 --> 00:45:48,319

scientist he's published in nature

1189

00:45:53,109 --> 00:45:50,480

multiple times many have and they're

1190

00:45:55,430 --> 00:45:53,119

being banned she's like no i'm bought

1191

00:45:58,150 --> 00:45:55,440

into the program that we don't have to

1192

00:46:00,550 --> 00:45:58,160

listen to people who don't agree with

1193

00:46:01,990 --> 00:46:00,560

this so speak to that because that that

1194

00:46:04,230 --> 00:46:02,000

if people don't get the spiritual

1195

00:46:07,510 --> 00:46:04,240

warfare they get they get that that's

1196

00:46:09,589 --> 00:46:07,520

somehow a breaking of that contract

1197

00:46:11,270 --> 00:46:09,599

well that's the the kind of scientists

1198

00:46:13,349 --> 00:46:11,280

who uh

1199

00:46:16,470 --> 00:46:13,359

will lead us to uh

1200

00:46:18,470 --> 00:46:16,480

a tyranny tyrannical system and uh

1201

00:46:20,550 --> 00:46:18,480

that reminds me of something

1202

00:46:23,109 --> 00:46:20,560

you know there's a famous university in

1203

00:46:26,309 --> 00:46:23,119

paris uh it's very old it's called the

1204

00:46:28,390 --> 00:46:26,319

sarban it's a bit like harvard but

1205

00:46:30,790 --> 00:46:28,400

for the french people

1206

00:46:32,710 --> 00:46:30,800

and about 10 years ago they invited me

1207

00:46:34,630 --> 00:46:32,720

to give a lecture on my work

1208

00:46:37,910 --> 00:46:34,640

and i went there and they

1209

00:46:40,069 --> 00:46:37,920

the organizers invited members of the

1210

00:46:41,190 --> 00:46:40,079

french academy of sciences

1211

00:46:47,829 --> 00:46:41,200

that's

1212

00:46:50,390 --> 00:46:47,839

so they lit they start by listening to

1213

00:46:52,309 --> 00:46:50,400

you and then they will make comments on

1214

00:46:54,150 --> 00:46:52,319

what you just presented

1215

00:46:56,790 --> 00:46:54,160

so

1216

00:46:59,190 --> 00:46:56,800

i was seeing that during my talk and it

1217

00:47:02,230 --> 00:46:59,200

lasted for a few hours

1218

00:47:06,309 --> 00:47:02,240

their pressure was rising

1219

00:47:09,349 --> 00:47:06,319

they they had they were red taste and uh

1220

00:47:10,470 --> 00:47:09,359

at the end the president of the

1221

00:47:14,230 --> 00:47:10,480

academy

1222

00:47:16,069 --> 00:47:14,240

very uh a noble man very well recognized

1223

00:47:18,230 --> 00:47:16,079

in france

1224

00:47:20,549 --> 00:47:18,240

he said it's too bad that we're not uh

1225

00:47:22,309 --> 00:47:20,559

200 200 years ago because uh you know

1226

00:47:24,390 --> 00:47:22,319

what we would do with you or you know

1227

00:47:25,750 --> 00:47:24,400

what we would like to do with a guy like

1228

00:47:29,589 --> 00:47:25,760

you

1229

00:47:31,750 --> 00:47:29,599

i said i i think i have an idea

1230

00:47:34,390 --> 00:47:31,760

they would use the guillotine or even

1231

00:47:36,069 --> 00:47:34,400

they would burn you at the stake

1232

00:47:36,950 --> 00:47:36,079

yeah

1233

00:47:41,349 --> 00:47:36,960

and

1234

00:47:43,750 --> 00:47:41,359

because because they were late people it

1235

00:47:47,430 --> 00:47:43,760

was uh during an evening

1236

00:47:50,630 --> 00:47:47,440

and it was a public uh lecture but uh

1237

00:47:52,470 --> 00:47:50,640

but for scientists like sarah

1238

00:47:53,910 --> 00:47:52,480

this is exactly and this is exactly

1239

00:47:55,190 --> 00:47:53,920

what's happening with regard to the

1240

00:47:57,589 --> 00:47:55,200

so-called

1241

00:47:59,670 --> 00:47:57,599

uh you know what because i don't want

1242

00:48:01,670 --> 00:47:59,680

you to be censored so

1243

00:48:03,430 --> 00:48:01,680

yeah this is exactly the same process

1244

00:48:04,790 --> 00:48:03,440

and there's no end to it

1245

00:48:07,990 --> 00:48:04,800

so

1246

00:48:09,109 --> 00:48:08,000

and uh this leads to

1247

00:48:12,150 --> 00:48:09,119

tyrannical

1248

00:48:12,870 --> 00:48:12,160

systems and uh very dangerous because if

1249

00:48:20,950 --> 00:48:12,880

you

1250

00:48:24,470 --> 00:48:20,960

i guess one of my one of my gripes i

1251

00:48:26,710 --> 00:48:24,480

think frontier scientists like yourself

1252

00:48:27,670 --> 00:48:26,720

are in a unique position to speak to

1253

00:48:29,190 --> 00:48:27,680

this

1254

00:48:31,030 --> 00:48:29,200

and they don't

1255

00:48:34,470 --> 00:48:31,040

they don't they don't they don't and

1256

00:48:36,790 --> 00:48:34,480

they should because we have to we have

1257

00:48:38,630 --> 00:48:36,800

to be the gladiators of light for the

1258

00:48:40,150 --> 00:48:38,640

spiritual part but the other part even

1259

00:48:41,750 --> 00:48:40,160

if you're not a gladiator of the light

1260

00:48:43,670 --> 00:48:41,760

if you're not into all that you got to

1261

00:48:46,710 --> 00:48:43,680

be a gladiator of the truth and you got

1262

00:48:49,910 --> 00:48:46,720

to stand up and say this is not this is

1263

00:48:51,510 --> 00:48:49,920

not right this is not true and i think

1264

00:48:54,230 --> 00:48:51,520

frontier scientists are in a better

1265

00:48:57,910 --> 00:48:54,240

place to do it and i think that i'm

1266

00:49:00,549 --> 00:48:57,920

surprised more of them don't notice

1267

00:49:02,150 --> 00:49:00,559

where we're at like you do you seem to

1268

00:49:04,390 --> 00:49:02,160

be able to put your finger on it and say

1269

00:49:05,990 --> 00:49:04,400

no this is really different we've now

1270

00:49:07,670 --> 00:49:06,000

crossed a line

1271

00:49:09,670 --> 00:49:07,680

to speak to that have we

1272

00:49:11,750 --> 00:49:09,680

how different is this is this feel

1273

00:49:15,589 --> 00:49:11,760

different to you

1274

00:49:17,990 --> 00:49:15,599

oh yes yes it's uh no there's no uh

1275

00:49:21,670 --> 00:49:18,000

respect anymore no examination of the

1276

00:49:23,510 --> 00:49:21,680

evidence but now they do that openly so

1277

00:49:27,030 --> 00:49:23,520

with regard to the

1278

00:49:29,109 --> 00:49:27,040

the sanitary state of the world and uh

1279

00:49:30,470 --> 00:49:29,119

so last year in line with my my

1280

00:49:31,670 --> 00:49:30,480

convictions

1281

00:49:41,349 --> 00:49:31,680

i

1282

00:49:44,390 --> 00:49:41,359

federal government of canada

1283

00:49:46,549 --> 00:49:44,400

but guess what happened the judges

1284

00:49:48,390 --> 00:49:46,559

they are corrupted they're part of the

1285

00:49:50,470 --> 00:49:48,400

same system

1286

00:49:51,990 --> 00:49:50,480

so they

1287

00:49:53,910 --> 00:49:52,000

my role was to demonstrate

1288

00:49:55,349 --> 00:49:53,920

scientifically to review the literature

1289

00:49:58,069 --> 00:49:55,359

showing that

1290

00:50:00,309 --> 00:49:58,079

you don't put people in normal people

1291

00:50:01,990 --> 00:50:00,319

healthy people in lockdown

1292

00:50:04,230 --> 00:50:02,000

that lasts forever

1293

00:50:05,750 --> 00:50:04,240

you don't ask them to wear masks and so

1294

00:50:08,470 --> 00:50:05,760

on and so forth

1295

00:50:10,549 --> 00:50:08,480

and i i you know i reviewed all the

1296

00:50:13,270 --> 00:50:10,559

scientific literature about this

1297

00:50:15,510 --> 00:50:13,280

and we sent that to the the judges but

1298

00:50:17,030 --> 00:50:15,520

it was the supreme court the highest

1299

00:50:18,470 --> 00:50:17,040

level

1300

00:50:22,790 --> 00:50:18,480

the judges

1301
00:50:25,510 --> 00:50:22,800
never reviewed our uh lawsuit they never

1302
00:50:27,990 --> 00:50:25,520
examined it they decided to sit on it

1303
00:50:30,069 --> 00:50:28,000
forever to protect the uh

1304
00:50:31,910 --> 00:50:30,079
puppet politicians

1305
00:50:33,349 --> 00:50:31,920
who are in place right now

1306
00:50:36,950 --> 00:50:33,359
that's what they did

1307
00:50:38,069 --> 00:50:36,960
but it's it's very similar in sight it's

1308
00:50:39,829 --> 00:50:38,079
uh

1309
00:50:41,829 --> 00:50:39,839
and you know they have their own private

1310
00:50:44,309 --> 00:50:41,839
club and uh

1311
00:50:46,470 --> 00:50:44,319
if you're not a member of this club and

1312
00:50:48,069 --> 00:50:46,480
you know you uh

1313
00:50:51,510 --> 00:50:48,079

it will be very hard to accomplish

1314

00:50:53,109 --> 00:50:51,520

something unless we unite

1315

00:50:56,470 --> 00:50:53,119

you know but

1316

00:50:59,510 --> 00:50:56,480

but and we need examples i am willing to

1317

00:51:02,390 --> 00:50:59,520

uh go because some a lot of people uh

1318

00:51:04,870 --> 00:51:02,400

behind closed doors scientists

1319

00:51:07,750 --> 00:51:04,880

all during all my career

1320

00:51:09,270 --> 00:51:07,760

uh they said that it's nice what you're

1321

00:51:12,470 --> 00:51:09,280

doing it's nice

1322

00:51:14,150 --> 00:51:12,480

go to uh go there be the first one to do

1323

00:51:16,069 --> 00:51:14,160

because they're not courageous and they

1324

00:51:18,309 --> 00:51:16,079

want to protect what they have and so

1325

00:51:20,630 --> 00:51:18,319

they need other people to uh

1326

00:51:23,349 --> 00:51:20,640

fight you know

1327

00:51:26,150 --> 00:51:23,359

but but how do we how do we even unite

1328

00:51:28,790 --> 00:51:26,160

is tricky right because even in this

1329

00:51:32,069 --> 00:51:28,800

community that you're a part of the

1330

00:51:34,549 --> 00:51:32,079

consciousness frontier science community

1331

00:51:37,190 --> 00:51:34,559

there's there's divisions there's still

1332

00:51:40,069 --> 00:51:37,200

this there's still this left right thing

1333

00:51:42,710 --> 00:51:40,079

that goes on and it's it's troubling

1334

00:51:44,630 --> 00:51:42,720

because i'm like okay i get that some

1335

00:51:46,950 --> 00:51:44,640

people are just wired to be political

1336

00:51:48,549 --> 00:51:46,960

i'm not i'm a political anyone who to me

1337

00:51:50,790 --> 00:51:48,559

anyone who looks at this

1338

00:51:53,030 --> 00:51:50,800

you just see it's there's it's there's

1339

00:51:55,190 --> 00:51:53,040

some level of control beyond that but

1340

00:51:58,630 --> 00:51:55,200

for people who are in that

1341

00:52:01,190 --> 00:51:58,640

what can we unite on what what do you

1342

00:52:04,230 --> 00:52:01,200

think is a potential answer of something

1343

00:52:06,549 --> 00:52:04,240

within this community that they can they

1344

00:52:08,870 --> 00:52:06,559

can coalesce on and and everyone can

1345

00:52:10,790 --> 00:52:08,880

more or less agree is it post

1346

00:52:13,190 --> 00:52:10,800

materialism is it what do you think it

1347

00:52:16,870 --> 00:52:14,230

well

1348

00:52:18,790 --> 00:52:16,880

science is uh influential because it has

1349

00:52:20,630 --> 00:52:18,800

replaced religion as the ultimate

1350

00:52:21,910 --> 00:52:20,640

cognitive authority

1351

00:52:24,710 --> 00:52:21,920

so

1352

00:52:27,270 --> 00:52:24,720

if you use the angle of science

1353

00:52:29,030 --> 00:52:27,280

uh you you may convince more people

1354

00:52:29,910 --> 00:52:29,040

because a lot of people have left the

1355

00:52:34,150 --> 00:52:29,920

church

1356

00:52:36,790 --> 00:52:34,160

uh

1357

00:52:39,109 --> 00:52:36,800

so yes yes but like you're saying it's

1358

00:52:41,670 --> 00:52:39,119

very hard to be able to unite because

1359

00:52:43,990 --> 00:52:41,680

there are many differences and

1360

00:52:47,190 --> 00:52:44,000

you know even post-materialist

1361

00:52:49,510 --> 00:52:47,200

scientists include people who do not

1362

00:52:50,549 --> 00:52:49,520

believe at all who are not spiritual at

1363

00:52:52,470 --> 00:52:50,559

all

1364

00:52:54,470 --> 00:52:52,480

and some of them are even

1365

00:52:58,230 --> 00:52:54,480

almost atheists

1366

00:53:00,710 --> 00:52:58,240

so it's it's uh difficult to uh but

1367

00:53:02,630 --> 00:53:00,720

what i decided to do to influence the uh

1368

00:53:04,470 --> 00:53:02,640

the outcome of the the

1369

00:53:07,589 --> 00:53:04,480

the future of humanity

1370

00:53:08,790 --> 00:53:07,599

i decided last year in response to the

1371

00:53:10,710 --> 00:53:08,800

so-called

1372

00:53:13,829 --> 00:53:10,720

ending

1373

00:53:17,030 --> 00:53:13,839

to create a new social network to unite

1374

00:53:19,349 --> 00:53:17,040

people conscious awake people

1375

00:53:20,790 --> 00:53:19,359

spiritually spiritual people we could

1376

00:53:22,630 --> 00:53:20,800

say

1377

00:53:24,630 --> 00:53:22,640

all over the planet

1378

00:53:27,190 --> 00:53:24,640

so now it's not only it's not only

1379

00:53:29,270 --> 00:53:27,200

science or scientists within because a

1380

00:53:30,309 --> 00:53:29,280

lot of these scientists do not want to

1381

00:53:31,670 --> 00:53:30,319

uh

1382

00:53:34,630 --> 00:53:31,680

i know them

1383

00:53:35,750 --> 00:53:34,640

i interact with them i'm part of a same

1384

00:53:37,109 --> 00:53:35,760

academy

1385

00:53:38,870 --> 00:53:37,119

but they

1386

00:53:41,030 --> 00:53:38,880

they don't they don't want to have any

1387

00:53:44,309 --> 00:53:41,040

problem and they don't want to go out

1388

00:53:46,790 --> 00:53:44,319

and to face they're not warriors

1389

00:53:47,670 --> 00:53:46,800

light warriors they're not willing to do

1390

00:53:49,829 --> 00:53:47,680

that

1391

00:53:51,349 --> 00:53:49,839

and some of them are quite old now so i

1392

00:53:54,309 --> 00:53:51,359

i can understand

1393

00:53:56,710 --> 00:53:54,319

but in my case it's very difficult i'm

1394

00:53:59,349 --> 00:53:56,720

all for it i'm a warrior i'm used to it

1395

00:54:01,910 --> 00:53:59,359

because i've been trained like this

1396

00:54:04,630 --> 00:54:01,920

i've been trained i i had to fight for

1397

00:54:07,430 --> 00:54:04,640

my survival and so uh

1398

00:54:09,109 --> 00:54:07,440

uh it's good it's okay for me to to do

1399

00:54:11,589 --> 00:54:09,119

this kind of job but

1400

00:54:13,030 --> 00:54:11,599

with other people but i ne i think if we

1401

00:54:16,150 --> 00:54:13,040

have a globe we want a global

1402

00:54:18,150 --> 00:54:16,160

transformation we have to unite but at a

1403

00:54:20,950 --> 00:54:18,160

much uh

1404

00:54:23,109 --> 00:54:20,960

wider scale than simply post material

1405

00:54:24,470 --> 00:54:23,119

science

1406

00:54:26,790 --> 00:54:24,480

now we're

1407

00:54:29,670 --> 00:54:26,800

we're fighting with more than uh

1408

00:54:32,230 --> 00:54:29,680

materials at east in our so-called

1409

00:54:33,589 --> 00:54:32,240

skeptics in science the fight is much

1410

00:54:36,069 --> 00:54:33,599

bigger now

1411

00:54:38,230 --> 00:54:36,079

it's dark versus light it's darkness and

1412

00:54:41,030 --> 00:54:38,240

uh it's a spiritual war like you said

1413

00:54:43,430 --> 00:54:41,040

before to me i

1414

00:54:45,589 --> 00:54:43,440

i have a sense that you're spot on on

1415

00:54:47,510 --> 00:54:45,599

that and i also think we always have

1416

00:54:50,069 --> 00:54:47,520

danced with this kind of inherent

1417

00:54:51,910 --> 00:54:50,079

contradiction of post-materialist which

1418

00:54:54,589 --> 00:54:51,920

is kind of a strange term because it

1419

00:54:56,789 --> 00:54:54,599

isn't really post materialist it's like

1420

00:54:59,270 --> 00:54:56,799

pre-materialist it's like consciousness

1421

00:55:01,910 --> 00:54:59,280

is fundamental yeah i agree with you i

1422

00:55:03,829 --> 00:55:01,920

didn't choose it yeah right right right

1423

00:55:05,109 --> 00:55:03,839

no i totally get that no no you did the

1424

00:55:06,950 --> 00:55:05,119

right thing which is if we're going to

1425

00:55:08,390 --> 00:55:06,960

communicate effectively

1426
00:55:11,270 --> 00:55:08,400
sometimes people don't get that we have

1427
00:55:13,030 --> 00:55:11,280
to use the term but i mean

1428
00:55:14,470 --> 00:55:13,040
you're you're almost

1429
00:55:16,309 --> 00:55:14,480
in their

1430
00:55:17,910 --> 00:55:16,319
playing field and it becomes kind of the

1431
00:55:18,950 --> 00:55:17,920
stockholm syndrome kind of thing but

1432
00:55:22,470 --> 00:55:18,960
it's like

1433
00:55:24,630 --> 00:55:22,480
no it's obviously not science has

1434
00:55:26,309 --> 00:55:24,640
obsoleted itself that's the the

1435
00:55:28,710 --> 00:55:26,319
conclusion right it's like we can't

1436
00:55:30,150 --> 00:55:28,720
really measure everything because

1437
00:55:33,190 --> 00:55:30,160
there's something beyond that there's

1438
00:55:35,670 --> 00:55:33,200

something above that so you can't really

1439

00:55:37,349 --> 00:55:35,680

get in bed with those people 100

1440

00:55:39,750 --> 00:55:37,359

and that's what i think

1441

00:55:42,630 --> 00:55:39,760

you're pointing to and you're saying

1442

00:55:45,030 --> 00:55:42,640

we have to we have to reach towards

1443

00:55:48,630 --> 00:55:45,040

something beyond that let me ask you

1444

00:55:50,870 --> 00:55:48,640

this as we begin to wrap things up

1445

00:55:52,069 --> 00:55:50,880

i am fascinated

1446

00:55:55,030 --> 00:55:52,079

about

1447

00:55:56,549 --> 00:55:55,040

your precognitive experience that guided

1448

00:55:59,430 --> 00:55:56,559

your life

1449

00:56:02,789 --> 00:55:59,440

and if we circle back to that

1450

00:56:04,870 --> 00:56:02,799

it's really quite remarkable and i have

1451

00:56:07,270 --> 00:56:04,880

to wonder

1452

00:56:09,670 --> 00:56:07,280

do you think you signed up for

1453

00:56:10,950 --> 00:56:09,680

all of this do you think you knew it was

1454

00:56:13,430 --> 00:56:10,960

gonna be

1455

00:56:15,750 --> 00:56:13,440

like this do you think you knew that you

1456

00:56:18,069 --> 00:56:15,760

know you're not gonna get you may not

1457

00:56:20,470 --> 00:56:18,079

get you may not get the big prize at the

1458

00:56:23,349 --> 00:56:20,480

end you may not get the at the very end

1459

00:56:26,069 --> 00:56:23,359

you might but in this room you may not

1460

00:56:28,150 --> 00:56:26,079

get the a pat on the back of gosh darn

1461

00:56:30,309 --> 00:56:28,160

mario you were right all along we're so

1462

00:56:32,789 --> 00:56:30,319

sorry kind of thing are you okay with

1463

00:56:34,230 --> 00:56:32,799

that did you sign up for the whole thing

1464

00:56:35,990 --> 00:56:34,240

yes yes

1465

00:56:38,870 --> 00:56:36,000

yeah

1466

00:56:40,789 --> 00:56:38,880

oh yes i'm not and like you i'm not

1467

00:56:43,750 --> 00:56:40,799

religious at all i left the church when

1468

00:56:46,230 --> 00:56:43,760

i was uh he wanted to become uh my

1469

00:56:49,349 --> 00:56:46,240

parents wanted me to become a priest

1470

00:56:51,750 --> 00:56:49,359

and uh but uh that was it was not for me

1471

00:56:53,829 --> 00:56:51,760

he sent me to seminary

1472

00:56:55,990 --> 00:56:53,839

but uh i started to fight with the the

1473

00:56:56,829 --> 00:56:56,000

priest on um

1474

00:56:58,150 --> 00:56:56,839

you know

1475

00:57:00,870 --> 00:56:58,160

i um

1476

00:57:03,270 --> 00:57:00,880

regarding the the bible content

1477

00:57:07,030 --> 00:57:03,280

there are dogmas and

1478

00:57:09,030 --> 00:57:07,040

so uh but uh no i don't uh i'm not doing

1479

00:57:11,190 --> 00:57:09,040

i have a sense of mission so i do that i

1480

00:57:13,990 --> 00:57:11,200

do what i have to do i don't care if

1481

00:57:16,390 --> 00:57:14,000

people like me or hate me or but you

1482

00:57:18,549 --> 00:57:16,400

know what by doing what i've done

1483

00:57:20,470 --> 00:57:18,559

i made a lot of friends all over the

1484

00:57:24,309 --> 00:57:20,480

planet

1485

00:57:26,789 --> 00:57:24,319

i realized that you know the lay people

1486

00:57:29,510 --> 00:57:26,799

i saw a big progression from when i

1487

00:57:31,589 --> 00:57:29,520

started uh to travel

1488

00:57:34,950 --> 00:57:31,599

30 years ago

1489

00:57:36,950 --> 00:57:34,960

from now from uh past few the last few

1490

00:57:37,750 --> 00:57:36,960

years before the the beginning of this

1491

00:57:39,190 --> 00:57:37,760

uh

1492

00:57:40,789 --> 00:57:39,200

craziness

1493

00:57:43,349 --> 00:57:40,799

uh

1494

00:57:46,789 --> 00:57:43,359

there's an evolution of consciousness

1495

00:57:48,870 --> 00:57:46,799

really in society

1496

00:57:51,190 --> 00:57:48,880

i see that i can see that i see that

1497

00:57:54,549 --> 00:57:51,200

because people write to me and talk to

1498

00:57:54,910 --> 00:57:54,559

me about their own experiences and uh

1499

00:57:56,150 --> 00:57:54,920

you know

1500

00:57:59,750 --> 00:57:56,160

[Music]

1501

00:58:02,390 --> 00:57:59,760

but and using social media now and

1502

00:58:04,950 --> 00:58:02,400

uh there's really uh so so there will be

1503

00:58:07,750 --> 00:58:04,960

a big clash because uh

1504

00:58:08,470 --> 00:58:07,760

and i we're and it's it's right now

1505

00:58:13,430 --> 00:58:08,480

we're

1506

00:58:16,069 --> 00:58:13,440

it's about two different worlds two

1507

00:58:17,829 --> 00:58:16,079

totally different trajectories

1508

00:58:20,470 --> 00:58:17,839

and uh

1509

00:58:24,150 --> 00:58:20,480

you know the the ultimate version of

1510

00:58:26,069 --> 00:58:24,160

materialism in atheism is transhumanism

1511

00:58:27,910 --> 00:58:26,079

you know so

1512

00:58:29,990 --> 00:58:27,920

silicon valley and

1513

00:58:33,270 --> 00:58:30,000

all these guys

1514

00:58:35,430 --> 00:58:33,280

who are compromising eternity under a

1515

00:58:37,510 --> 00:58:35,440

different form and

1516

00:58:39,829 --> 00:58:37,520

these guys are

1517

00:58:41,910 --> 00:58:39,839

you know this they're con artists they

1518

00:58:44,470 --> 00:58:41,920

don't know anything really about

1519

00:58:46,309 --> 00:58:44,480

consciousness and spirit and

1520

00:58:47,510 --> 00:58:46,319

you know they but they're trying to you

1521

00:58:49,670 --> 00:58:47,520

know they're they're

1522

00:58:52,870 --> 00:58:49,680

they're salesmen and they

1523

00:58:54,230 --> 00:58:52,880

are trying to convince people so

1524

00:58:56,470 --> 00:58:54,240

but uh

1525

00:58:57,750 --> 00:58:56,480

i'm not i don't think uh their project

1526
00:58:59,349 --> 00:58:57,760
will uh

1527
00:59:01,750 --> 00:58:59,359
will be successful

1528
00:59:03,430 --> 00:59:01,760
ah i want to pick up i want to pick up

1529
00:59:05,589 --> 00:59:03,440
on that because

1530
00:59:08,789 --> 00:59:05,599
i agree with you but i want to be honest

1531
00:59:12,230 --> 00:59:08,799
about it too and i hold on to two quotes

1532
00:59:14,870 --> 00:59:12,240
that are are both inspirational and also

1533
00:59:16,390 --> 00:59:14,880
i think true the first is mahatma gandhi

1534
00:59:18,710 --> 00:59:16,400
who said

1535
00:59:20,710 --> 00:59:18,720
good always wins

1536
00:59:21,750 --> 00:59:20,720
look at it through history he says i'm

1537
00:59:24,150 --> 00:59:21,760
not

1538
00:59:26,470 --> 00:59:24,160

pat he's paraphrasing but he goes look

1539

00:59:28,150 --> 00:59:26,480

i'm not saying that just to sound to

1540

00:59:30,789 --> 00:59:28,160

make you feel better i'm like look at

1541

00:59:32,150 --> 00:59:30,799

history good wins good wins but the

1542

00:59:33,910 --> 00:59:32,160

other quote i really like is from my

1543

00:59:36,069 --> 00:59:33,920

friend miguel connor

1544

00:59:39,670 --> 00:59:36,079

a quote of a quote he says

1545

00:59:41,270 --> 00:59:39,680

evil always turns stupid

1546

00:59:43,750 --> 00:59:41,280

and i think

1547

00:59:46,150 --> 00:59:43,760

i think we might begin it be beginning

1548

00:59:48,150 --> 00:59:46,160

to see that there's more and more people

1549

00:59:49,750 --> 00:59:48,160

who are just kind of ordinary people

1550

00:59:51,349 --> 00:59:49,760

who've just kind of helped

1551
00:59:52,870 --> 00:59:51,359
kept their nose to the grindstone they

1552
00:59:54,230 --> 00:59:52,880
haven't listened to too much but now

1553
00:59:55,670 --> 00:59:54,240
they're kind of gone

1554
00:59:59,030 --> 00:59:55,680
no dog that's

1555
01:00:01,510 --> 00:59:59,040
that's just too freaking stupid even for

1556
01:00:04,390 --> 01:00:01,520
me to buy into that what do you think

1557
01:00:06,950 --> 01:00:04,400
about that what is there a reason to be

1558
01:00:09,270 --> 01:00:06,960
to maybe to let the light shine through

1559
01:00:11,589 --> 01:00:09,280
us do do we have to be

1560
01:00:14,069 --> 01:00:11,599
dark and and do we have to be down about

1561
01:00:15,750 --> 01:00:14,079
this is there a reason to be optimistic

1562
01:00:18,630 --> 01:00:15,760
yes yes

1563
01:00:21,750 --> 01:00:18,640

i see that and i'm in contact with

1564

01:00:22,549 --> 01:00:21,760

people all over the planet and friends

1565

01:00:25,670 --> 01:00:22,559

and

1566

01:00:27,430 --> 01:00:25,680

the same is process is going on in many

1567

01:00:30,069 --> 01:00:27,440

many countries and

1568

01:00:31,990 --> 01:00:30,079

yes a lot of people were

1569

01:00:34,710 --> 01:00:32,000

were not uh

1570

01:00:37,030 --> 01:00:34,720

realizing what was going on or were not

1571

01:00:39,829 --> 01:00:37,040

they didn't care about that but

1572

01:00:42,069 --> 01:00:39,839

now they're switching they're changing

1573

01:00:45,270 --> 01:00:42,079

i can see that

1574

01:00:46,069 --> 01:00:45,280

everywhere i i have contacts friends and

1575

01:00:48,870 --> 01:00:46,079

uh

1576

01:00:52,230 --> 01:00:48,880

so i'm very optimistic but it will be

1577

01:00:54,150 --> 01:00:52,240

rough bumpy for a while but uh

1578

01:00:56,470 --> 01:00:54,160

i think they're cooked

1579

01:00:58,870 --> 01:00:56,480

on the other side

1580

01:01:01,589 --> 01:00:58,880

right on and i think science is going to

1581

01:01:04,870 --> 01:01:01,599

play a key role in that because that is

1582

01:01:07,270 --> 01:01:04,880

the beauty of science it does shine a

1583

01:01:10,150 --> 01:01:07,280

light towards truth it may not be the

1584

01:01:12,710 --> 01:01:10,160

truth but it can not know just a little

1585

01:01:15,670 --> 01:01:12,720

closer what do you think

1586

01:01:18,230 --> 01:01:15,680

real science not pseudoscience

1587

01:01:19,829 --> 01:01:18,240

like the one utilized used by puppet

1588

01:01:21,109 --> 01:01:19,839

politicians right

1589

01:01:23,349 --> 01:01:21,119

right now

1590

01:01:26,950 --> 01:01:23,359

yeah it's uh

1591

01:01:29,829 --> 01:01:26,960

yeah it's disgusting what they are it

1592

01:01:31,670 --> 01:01:29,839

they talk all the time about science and

1593

01:01:33,910 --> 01:01:31,680

that's not science at all that's pure

1594

01:01:36,309 --> 01:01:33,920

[h__\h] that's not true

1595

01:01:37,270 --> 01:01:36,319

that's yeah we're talking about real

1596

01:01:39,670 --> 01:01:37,280

science

1597

01:01:41,589 --> 01:01:39,680

which has the power to to change things

1598

01:01:43,349 --> 01:01:41,599

to transform the world

1599

01:01:45,750 --> 01:01:43,359

yeah

1600

01:01:48,870 --> 01:01:45,760

so it's been absolutely terrific talking

1601
01:01:51,750 --> 01:01:48,880
to our guest dr mario beauregard please

1602
01:01:54,789 --> 01:01:51,760
check out his books his latest expanding

1603
01:01:56,230 --> 01:01:54,799
reality you will enjoy you can go back

1604
01:01:59,270 --> 01:01:56,240
and listen to our interview on brain

1605
01:02:02,390 --> 01:01:59,280
wars and that's still relevant and also

1606
01:02:03,510 --> 01:02:02,400
check out his very nice uh website where

1607
01:02:05,829 --> 01:02:03,520
you can

1608
01:02:07,510 --> 01:02:05,839
find what's going on with him and maybe

1609
01:02:10,309 --> 01:02:07,520
you can tell us in a couple minutes we

1610
01:02:12,549 --> 01:02:10,319
have left dr beauregard what is coming

1611
01:02:14,470 --> 01:02:12,559
up in your immediate future you're a

1612
01:02:17,430 --> 01:02:14,480
busy guy you're very

1613
01:02:19,430 --> 01:02:17,440

obviously a very driven and focused guy

1614

01:02:21,670 --> 01:02:19,440

what is coming up for you

1615

01:02:23,750 --> 01:02:21,680

i'm finishing to create a new

1616

01:02:25,510 --> 01:02:23,760

psycho-spiritual approach

1617

01:02:27,990 --> 01:02:25,520

based on all the research i've done

1618

01:02:30,789 --> 01:02:28,000

throughout my life and also based on the

1619

01:02:33,829 --> 01:02:30,799

findings of other researchers as well

1620

01:02:34,950 --> 01:02:33,839

i've come with a new

1621

01:02:36,710 --> 01:02:34,960

approach

1622

01:02:39,910 --> 01:02:36,720

to help people

1623

01:02:41,430 --> 01:02:39,920

know not mystics contemplatives but

1624

01:02:44,309 --> 01:02:41,440

normal people

1625

01:02:45,750 --> 01:02:44,319

to have access to their

1626
01:02:49,109 --> 01:02:45,760
inner essence

1627
01:02:51,109 --> 01:02:49,119
their spiritual side and

1628
01:02:53,829 --> 01:02:51,119
i have developed

1629
01:02:55,750 --> 01:02:53,839
a kind of technology to do this

1630
01:02:58,069 --> 01:02:55,760
and

1631
01:03:00,710 --> 01:02:58,079
to work with this with regard to all the

1632
01:03:03,029 --> 01:03:00,720
the various aspects of human life

1633
01:03:05,589 --> 01:03:03,039
the emotions can be uh

1634
01:03:08,870 --> 01:03:05,599
the life plan and so on and so forth so

1635
01:03:13,190 --> 01:03:08,880
it's a huge endeavor and uh

1636
01:03:15,349 --> 01:03:13,200
it will become public in uh 2022 uh in

1637
01:03:18,789 --> 01:03:15,359
french but everything will be translated

1638
01:03:20,789 --> 01:03:18,799

into other languages

1639

01:03:23,029 --> 01:03:20,799

that's fantastic certainly is ambitious

1640

01:03:25,829 --> 01:03:23,039

would you say technology are you

1641

01:03:27,829 --> 01:03:25,839

speaking of kind of a a method a series

1642

01:03:30,230 --> 01:03:27,839

of techniques or

1643

01:03:33,430 --> 01:03:30,240

kind of a model i use uh

1644

01:03:36,390 --> 01:03:33,440

i use isochronic sounds to alter the uh

1645

01:03:40,150 --> 01:03:36,400

to expand the awareness

1646

01:03:43,910 --> 01:03:40,160

that's but i'm you also uh using

1647

01:03:46,549 --> 01:03:43,920

uh various types of exercises and

1648

01:03:48,789 --> 01:03:46,559

sometimes guidance like you do in uh

1649

01:03:50,789 --> 01:03:48,799

hypnosis a bit but um

1650

01:03:53,750 --> 01:03:50,799

i've been doing this kind of work for

1651
01:03:56,470 --> 01:03:53,760
now over six years with thousands of

1652
01:03:58,630 --> 01:03:56,480
people in europe and also in

1653
01:04:00,710 --> 01:03:58,640
in quebec and canada

1654
01:04:03,670 --> 01:04:00,720
and uh

1655
01:04:05,990 --> 01:04:03,680
i realized that it's because uh

1656
01:04:09,109 --> 01:04:06,000
very often the the journalists were

1657
01:04:11,510 --> 01:04:09,119
interviewing uh about my my research on

1658
01:04:12,470 --> 01:04:11,520
spiritual experiences they were asking

1659
01:04:14,390 --> 01:04:12,480
me

1660
01:04:15,990 --> 01:04:14,400
well okay it's interesting to know

1661
01:04:17,510 --> 01:04:16,000
what's going on in the brain but how

1662
01:04:19,589 --> 01:04:17,520
does it help

1663
01:04:22,950 --> 01:04:19,599

normal people

1664

01:04:25,430 --> 01:04:22,960

to to to connect so

1665

01:04:27,349 --> 01:04:25,440

this stayed with me and

1666

01:04:29,670 --> 01:04:27,359

so i worked on this and i

1667

01:04:33,349 --> 01:04:29,680

i developed an approach to

1668

01:04:35,910 --> 01:04:33,359

facilitate the access to the uh if

1669

01:04:38,829 --> 01:04:35,920

the spiritual world if you will without

1670

01:04:43,750 --> 01:04:41,270

clinically that would be a requirement

1671

01:04:46,309 --> 01:04:43,760

well that's terrific and i i do hope you

1672

01:04:47,829 --> 01:04:46,319

come back next year when it's out so we

1673

01:04:50,069 --> 01:04:47,839

can tell people about it because i'm

1674

01:04:52,549 --> 01:04:50,079

sure a lot of folks yes because i want

1675

01:04:55,670 --> 01:04:52,559

to go to you gary schwartz has been

1676

01:04:58,069 --> 01:04:55,680

pushing me uh since uh a few years

1677

01:05:00,230 --> 01:04:58,079

to go to united states present that and

1678

01:05:03,109 --> 01:05:00,240

i i would like to do that very much too

1679

01:05:05,190 --> 01:05:03,119

but right now i'm in jail in canada i

1680

01:05:07,270 --> 01:05:05,200

cannot travel

1681

01:05:09,510 --> 01:05:07,280

you know why

1682

01:05:11,990 --> 01:05:09,520

that's okay

1683

01:05:14,390 --> 01:05:12,000

it'll pass it'll pass

1684

01:05:16,150 --> 01:05:14,400

uh mario it's been terrific terrific

1685

01:05:18,069 --> 01:05:16,160

having you on best of luck with all that

1686

01:05:20,630 --> 01:05:18,079

and let's stay in touch you know when

1687

01:05:21,510 --> 01:05:20,640

you come down to tucson let me know sure

1688

01:05:24,150 --> 01:05:21,520

okay

1689

01:05:26,150 --> 01:05:24,160

thanks a lot thanks

1690

01:05:28,390 --> 01:05:26,160

thanks again to dr mario beauregard for

1691

01:05:30,069 --> 01:05:28,400

joining me today on skeptico the one

1692

01:05:32,549 --> 01:05:30,079

question idea from this interview is

1693

01:05:35,190 --> 01:05:32,559

kind of an obvious one what do you think

1694

01:05:38,470 --> 01:05:35,200

of this idea of a battle in science

1695

01:05:40,789 --> 01:05:38,480

light versus dark forces come on i mean

1696

01:05:43,109 --> 01:05:40,799

science is about doing good work about

1697

01:05:44,150 --> 01:05:43,119

protocol standards publishing peer

1698

01:05:45,910 --> 01:05:44,160

review

1699

01:05:48,470 --> 01:05:45,920

and deceiving others in order to advance

1700

01:05:50,470 --> 01:05:48,480

the shadowy agenda of those who would

1701

01:05:52,390 --> 01:05:50,480

seek to control

1702

01:05:54,549 --> 01:05:52,400

no no no wait scratch scratch that of

1703

01:05:57,349 --> 01:05:54,559

course that's not in there

1704

01:05:59,270 --> 01:05:57,359

that's never a part of science

1705

01:06:01,190 --> 01:05:59,280

let me know where you stand on that one

1706

01:06:03,270 --> 01:06:01,200

love to hear your thoughts if you like

1707

01:06:05,990 --> 01:06:03,280

the show tell a couple people

1708

01:06:09,160 --> 01:06:06,000

lots more to come until next time

1709

01:06:22,770 --> 01:06:09,170

take care and bye for now
