HITLER'S MIND CONTROL HISTORY

#540-JIMMY-FALUN-GONG

1
00:00:05,430 --> 00:00:03,189
on this episode of skeptico

2
00:00:06,869 --> 00:00:05,440
the show about hypnosis

3
00:00:09,830 --> 00:00:06,879
history

4
00:00:11,040 --> 00:00:09,840
and how hitler became such a mesmerizing

5
00:00:22,070 --> 00:00:11,050
speaker

6
00:00:25,910 --> 00:00:23,750
so on this episode i have an interview

7
00:00:28,870 --> 00:00:25,920
coming up with jimmy fallon gong yes

8
00:00:31,269 --> 00:00:28,880
that is a pseudonym but anyways jimmy

9
00:00:34,069 --> 00:00:31,279
who is the host of a podcast called

10
00:00:35,830 --> 00:00:34,079
program to chill has done a terrific job

11
00:00:39,030 --> 00:00:35,840
of uncovering some

12
00:00:40,950 --> 00:00:39,040
super interesting important history that

13
00:00:43,350 --> 00:00:40,960

connects to a lot of the things that we

14

00:00:45,670 --> 00:00:43,360

talk about here on skeptico

15

00:00:47,270 --> 00:00:45,680

so let me see if i can lay out a little

16

00:00:50,310 --> 00:00:47,280

bit of the backstory

17

00:00:52,869 --> 00:00:50,320

having to do with hitler and world war

18

00:00:55,270 --> 00:00:52,879

one so yes hitler was in world war one

19

00:00:57,590 --> 00:00:55,280

he was this foot soldier frontline kind

20

00:00:59,590 --> 00:00:57,600

of guy and near the end of the war he's

21

00:01:00,950 --> 00:00:59,600

in the bunker and they get hit by

22

00:01:02,950 --> 00:01:00,960

mustard gas

23

00:01:05,030 --> 00:01:02,960

and miraculously they get let out of

24

00:01:06,950 --> 00:01:05,040

this situation but him and a couple of

25

00:01:09,030 --> 00:01:06,960

his comrades are blinded from the

26
00:01:11,270 --> 00:01:09,040
mustard gas common horrible thing that

27
00:01:14,469 --> 00:01:11,280
happens now all the other guys get sent

28
00:01:16,550 --> 00:01:14,479
to the medical hospital but hitler is

29
00:01:18,630 --> 00:01:16,560
the one and only and this is a really

30
00:01:20,950 --> 00:01:18,640
interesting part that our guest today

31
00:01:22,950 --> 00:01:20,960
jimmy fallon gong has uncovered and

32
00:01:25,350 --> 00:01:22,960
revealed i didn't know any of this stuff

33
00:01:26,469 --> 00:01:25,360
but hitler gets sent to this mental

34
00:01:27,990 --> 00:01:26,479
hospital

35
00:01:30,950 --> 00:01:28,000
because when they examine him in the

36
00:01:33,030 --> 00:01:30,960
field they realize he isn't really blind

37
00:01:35,109 --> 00:01:33,040
i mean he has what you might call

38
00:01:37,749 --> 00:01:35,119

hysterical blindness

39

00:01:39,910 --> 00:01:37,759

so as history turns out he arrives at

40

00:01:43,270 --> 00:01:39,920

the mental hospital and he undergoes

41

00:01:45,590 --> 00:01:43,280

hypnosis by a guy who is at this point

42

00:01:48,230 --> 00:01:45,600

probably one of the world leaders in

43

00:01:49,830 --> 00:01:48,240

hypnosis and happens to be having an

44

00:01:52,230 --> 00:01:49,840

ongoing kind of

45

00:01:54,389 --> 00:01:52,240

feud one upsmanship kind of thing with

46

00:01:57,270 --> 00:01:54,399

his other hypnotist where he's showing

47

00:02:01,429 --> 00:01:57,280

him how he to really do it and he has

48

00:02:03,910 --> 00:02:01,439

this hypnosis session with hitler

49

00:02:06,069 --> 00:02:03,920

that probably changes history forever

50

00:02:07,350 --> 00:02:06,079

here's how jimmy describes it in his

51

00:02:11,430 --> 00:02:07,360

show

52

00:02:13,830 --> 00:02:11,440

on the 6th of november in 1918 dr edmund

53

00:02:16,070 --> 00:02:13,840

forster ordered hitler to his consulting

54

00:02:17,270 --> 00:02:16,080

room after examining the patient's eyes

55

00:02:19,430 --> 00:02:17,280

carefully

56

00:02:22,070 --> 00:02:19,440

forster replaced the instruments in his

57

00:02:24,470 --> 00:02:22,080

case and blew out the candles your eyes

58

00:02:25,910 --> 00:02:24,480

have been terribly damaged he told him

59

00:02:28,390 --> 00:02:25,920

regretfully

60

00:02:31,430 --> 00:02:28,400

i should never have assumed that you a

61

00:02:34,470 --> 00:02:31,440

pure aryan a good soldier a knight of

62

00:02:35,750 --> 00:02:34,480

the iron cross first class would lie or

63

00:02:38,229 --> 00:02:35,760

deceive

64

00:02:40,229 --> 00:02:38,239

everyone has to accept their lot the

65

00:02:43,670 --> 00:02:40,239

individual is powerless where fate is

66

00:02:45,270 --> 00:02:43,680

concerned miracles do not happen anymore

67

00:02:47,830 --> 00:02:45,280

he paused before adding more

68

00:02:49,430 --> 00:02:47,840

optimistically but that goes only for

69

00:02:51,350 --> 00:02:49,440

the average person

70

00:02:52,710 --> 00:02:51,360

miracles still happen frequently to

71

00:02:54,630 --> 00:02:52,720

chosen people

72

00:02:56,869 --> 00:02:54,640

there have to be miracles and great

73

00:02:58,390 --> 00:02:56,879

people before whom nature bows don't you

74

00:02:59,910 --> 00:02:58,400

agree

75

00:03:00,949 --> 00:02:59,920

now as you're about to hear in this

76

00:03:03,350 --> 00:03:00,959

interview

77

00:03:05,589 --> 00:03:03,360

we can't be sure that this is verbatim

78

00:03:08,309 --> 00:03:05,599

exactly what happened but we have a lot

79

00:03:11,110 --> 00:03:08,319

of good circumstantial evidence pointing

80

00:03:13,190 --> 00:03:11,120

for the fact that this is very very

81

00:03:14,710 --> 00:03:13,200

close to what happened jimmy will

82

00:03:16,869 --> 00:03:14,720

explain that later in this interview and

83

00:03:18,949 --> 00:03:16,879

then of course you can listen to his

84

00:03:21,750 --> 00:03:18,959

many many hours on the subject where

85

00:03:23,509 --> 00:03:21,760

he's delved into it on his own podcast

86

00:03:25,910 --> 00:03:23,519

but back to the story because you get

87

00:03:28,710 --> 00:03:25,920

what's going on this is quite a feat

88

00:03:31,430 --> 00:03:28,720

that this hypnotist is about to pull off

89

00:03:33,830 --> 00:03:31,440

and he's laid the hook in here he's

90

00:03:37,110 --> 00:03:33,840

gonna start reeling him in

91

00:03:40,630 --> 00:03:37,120

as you say doctor hitler meekly agreed i

92

00:03:44,149 --> 00:03:40,640

am no charlatan no performer of miracles

93

00:03:46,869 --> 00:03:44,159

dr forster went on i am a simple doctor

94

00:03:49,350 --> 00:03:46,879

but maybe you yourself have the rare

95

00:03:52,789 --> 00:03:49,360

power that occurs only once every

96

00:03:54,390 --> 00:03:52,799

millennium to perform a miracle

97

00:03:56,710 --> 00:03:54,400

jesus did this

98

00:03:58,470 --> 00:03:56,720

muhammad the saints

99

00:04:00,550 --> 00:03:58,480

i could show you the method by which you

100

00:04:02,550 --> 00:04:00,560

could see again despite the fact that

101
00:04:03,429 --> 00:04:02,560
your eyes have been damaged by mustard

102
00:04:05,750 --> 00:04:03,439
gas

103
00:04:07,589 --> 00:04:05,760
with your symptoms an ordinary person

104
00:04:09,429 --> 00:04:07,599
would be blind for life

105
00:04:11,429 --> 00:04:09,439
but for a person with exceptional

106
00:04:14,949 --> 00:04:11,439
strength of willpower and spiritual

107
00:04:17,590 --> 00:04:14,959
energy there are no limits scientific

108
00:04:20,629 --> 00:04:17,600
assumptions do not apply to that person

109
00:04:22,710 --> 00:04:20,639
the spirit removes any such barrier in

110
00:04:25,110 --> 00:04:22,720
your case the thick white layer in your

111
00:04:27,430 --> 00:04:25,120
cornea but maybe you do not possess this

112
00:04:30,469 --> 00:04:27,440
power to perform miracles

113
00:04:32,390 --> 00:04:30,479

how can i tell said hitler

114

00:04:35,110 --> 00:04:32,400

by the way one of the reasons we suspect

115

00:04:36,790 --> 00:04:35,120

this is what happened is that back then

116

00:04:39,430 --> 00:04:36,800

people didn't really recover from

117

00:04:41,030 --> 00:04:39,440

blindness caused by mustard gas or if

118

00:04:43,830 --> 00:04:41,040

they did regain sight it was like

119

00:04:45,350 --> 00:04:43,840

regaining partial sight or clouded sight

120

00:04:47,030 --> 00:04:45,360

or something like that hitler comes out

121

00:04:49,510 --> 00:04:47,040

of it man he's got that stare you can

122

00:04:51,510 --> 00:04:49,520

see perfectly well which fits much

123

00:04:53,590 --> 00:04:51,520

better with the hysterical blindness

124

00:04:56,230 --> 00:04:53,600

kind of thing now the implications for

125

00:04:58,469 --> 00:04:56,240

this are much much much further than

126

00:05:02,390 --> 00:04:58,479

just the blindness thing because it

127

00:05:05,510 --> 00:05:02,400

really shapes hitler's understanding of

128

00:05:08,550 --> 00:05:05,520

mesmerism of the mind of mind control

129

00:05:11,510 --> 00:05:08,560

all that stuff folds into this

130

00:05:13,990 --> 00:05:11,520

experience potentially anyways that's

131

00:05:15,590 --> 00:05:14,000

something that we talk about in this

132

00:05:17,350 --> 00:05:15,600

upcoming interview

133

00:05:18,790 --> 00:05:17,360

but the other thing we talk about that

134

00:05:23,189 --> 00:05:18,800

is related

135

00:05:26,070 --> 00:05:23,199

is this idea of retracing our steps in

136

00:05:27,270 --> 00:05:26,080

history here's a clip from jimmy on that

137

00:05:29,830 --> 00:05:27,280

point

138

00:05:31,670 --> 00:05:29,840

i'm very fond of like this documentary

139

00:05:34,950 --> 00:05:31,680

it sounds pretty far afield from what

140

00:05:38,629 --> 00:05:34,960

we're talking about but it's uh room 237

141

00:05:41,110 --> 00:05:38,639

it's a creative look at the stanley

142

00:05:43,350 --> 00:05:41,120

kubrick movie the shining the little boy

143

00:05:45,909 --> 00:05:43,360

danny in the movie the shining he's lost

144

00:05:48,070 --> 00:05:45,919

in this like maze and he's running away

145

00:05:49,830 --> 00:05:48,080

from his father who's going to kill him

146

00:05:52,790 --> 00:05:49,840

if he finds him

147

00:05:55,990 --> 00:05:52,800

and it's only through tracing his steps

148

00:05:56,870 --> 00:05:56,000

backwards and in walking backwards

149

00:06:08,550 --> 00:05:56,880

he

150

00:06:09,350 --> 00:06:08,560

following his own footsteps

151
00:06:11,670 --> 00:06:09,360
and

152
00:06:14,230 --> 00:06:11,680
humanity is essentially lost in a maze

153
00:06:16,710 --> 00:06:14,240
of history where everywhere you turn

154
00:06:18,870 --> 00:06:16,720
there are just massacres and

155
00:06:21,189 --> 00:06:18,880
horrible events and

156
00:06:23,670 --> 00:06:21,199
if we turn around or if we just stop we

157
00:06:26,710 --> 00:06:23,680
might get axed to death by like our

158
00:06:29,110 --> 00:06:26,720
maniac father we have to be engaged with

159
00:06:31,189 --> 00:06:29,120
history we have to

160
00:06:36,710 --> 00:06:31,199
trace it back if we ever want to make

161
00:06:36,720 --> 00:06:40,070
[Music]

162
00:06:44,390 --> 00:06:42,150
this is a super interesting interview i

163
00:06:46,230 --> 00:06:44,400

really really enjoyed it i loved it so

164

00:06:48,150 --> 00:06:46,240

much that we broke the interview into

165

00:06:49,510 --> 00:06:48,160

two parts and part of the reason i did

166

00:06:51,670 --> 00:06:49,520

that is because in the second part i'm

167

00:06:53,270 --> 00:06:51,680

not so nice but that's okay you don't

168

00:06:54,870 --> 00:06:53,280

always have to be nice

169

00:06:58,150 --> 00:06:54,880

i wanted to leave this as a separate

170

00:06:59,749 --> 00:06:58,160

part because i really wanted to focus in

171

00:07:04,150 --> 00:06:59,759

on this important part of history and

172

00:07:06,070 --> 00:07:04,160

retracing the steps of history here goes

173

00:07:08,870 --> 00:07:06,080

welcome to skeptico where we explore

174

00:07:11,510 --> 00:07:08,880

controversial science and spirituality

175

00:07:13,830 --> 00:07:11,520

with leading researchers thinkers and

176

00:07:16,390 --> 00:07:13,840

their critics i'm your host alex karas

177

00:07:19,510 --> 00:07:16,400

and today i'm very excited

178

00:07:22,150 --> 00:07:19,520

to welcome jimmy fallon gong

179

00:07:23,990 --> 00:07:22,160

from gordito beach california

180

00:07:25,670 --> 00:07:24,000

to skeptico

181

00:07:29,510 --> 00:07:25,680

okay wait a minute

182

00:07:31,670 --> 00:07:29,520

falun gong isn't that that crazy chinese

183

00:07:34,309 --> 00:07:31,680

cult and jimmy fallon what's going on

184

00:07:37,430 --> 00:07:34,319

there and i've never heard of gordito

185

00:07:39,830 --> 00:07:37,440

beach i live here in california

186

00:07:43,830 --> 00:07:39,840

wait a minute that's that's a reference

187

00:07:47,189 --> 00:07:43,840

to a fictional place from a thomas

188

00:07:50,950 --> 00:07:47,199

novel what's going on here

189

00:07:54,550 --> 00:07:50,960

our guest is jimmy fallon gone i have up

190

00:07:57,270 --> 00:07:54,560

on the screen his twitter site which is

191

00:07:58,469 --> 00:07:57,280

quite exceptional i first heard about

192

00:08:00,469 --> 00:07:58,479

him from his

193

00:08:03,430 --> 00:08:00,479

really terrific podcast that we're going

194

00:08:05,350 --> 00:08:03,440

to talk about program to chill

195

00:08:06,469 --> 00:08:05,360

um where he's done an incredible job of

196

00:08:08,550 --> 00:08:06,479

digging to

197

00:08:11,029 --> 00:08:08,560

and exposing and

198

00:08:13,029 --> 00:08:11,039

allowing us to reorient ourselves to

199

00:08:15,589 --> 00:08:13,039

some really important history

200

00:08:17,990 --> 00:08:15,599

and uh it's just such a great show and

201
00:08:21,110 --> 00:08:18,000
i've been glued to it for so many

202
00:08:24,309 --> 00:08:21,120
hours now that i was super excited and

203
00:08:27,749 --> 00:08:24,319
uh glad that he's agreed to come on and

204
00:08:29,909 --> 00:08:27,759
talk with us here on skeptico jimmy

205
00:08:31,029 --> 00:08:29,919
welcome to skeptico thanks for joining

206
00:08:34,389 --> 00:08:31,039
me

207
00:08:37,190 --> 00:08:34,399
excited to be here

208
00:08:40,469 --> 00:08:37,200
you're a bit of an enigma

209
00:08:43,029 --> 00:08:40,479
yeah i need any chance you can kind of

210
00:08:45,670 --> 00:08:43,039
let it down a little bit let us in

211
00:08:47,030 --> 00:08:45,680
what's going on here who is jimmy fallon

212
00:08:48,949 --> 00:08:47,040
gong

213
00:08:52,230 --> 00:08:48,959

for you absolutely

214

00:08:53,670 --> 00:08:52,240

i'll do my best to share a little bit

215

00:08:57,910 --> 00:08:53,680

um i am

216

00:09:00,070 --> 00:08:57,920

certainly private uh i think that i have

217

00:09:03,030 --> 00:09:00,080

i keep you know i stay a little more

218

00:09:03,910 --> 00:09:03,040

guarded than maybe most of your guests

219

00:09:06,070 --> 00:09:03,920

but

220

00:09:09,750 --> 00:09:06,080

that's not because i'm mistrustful or

221

00:09:11,750 --> 00:09:09,760

anything i just i'm not exactly worried

222

00:09:14,389 --> 00:09:11,760

about like you know anything coming to

223

00:09:17,190 --> 00:09:14,399

my employers or anything it's just it

224

00:09:19,509 --> 00:09:17,200

keeps it easier you know what i'm saying

225

00:09:23,829 --> 00:09:22,150

of course of course right simple keep it

226

00:09:25,750 --> 00:09:23,839

chill so

227

00:09:27,910 --> 00:09:25,760

right but but in terms of

228

00:09:29,750 --> 00:09:27,920

i mean i am curious

229

00:09:30,949 --> 00:09:29,760

a little bit about

230

00:09:34,630 --> 00:09:30,959

you know your background where you're

231

00:09:36,470 --> 00:09:34,640

coming from your kind of professional um

232

00:09:38,710 --> 00:09:36,480

interests and and

233

00:09:40,389 --> 00:09:38,720

who is this guy who's doing all this

234

00:09:44,150 --> 00:09:40,399

stuff

235

00:09:45,509 --> 00:09:44,160

yeah so lifelong reader pretty voracious

236

00:09:48,870 --> 00:09:45,519

reader um

237

00:09:51,350 --> 00:09:48,880

professionally i'll say that i work

238

00:09:54,389 --> 00:09:51,360

associated with

239

00:09:55,910 --> 00:09:54,399

finance and fraud

240

00:09:58,310 --> 00:09:55,920

and

241

00:10:00,710 --> 00:09:58,320

uh intern i'm not associated with the

242

00:10:02,710 --> 00:10:00,720

falun gong that was a stupid name that i

243

00:10:05,030 --> 00:10:02,720

came up with and i

244

00:10:07,590 --> 00:10:05,040

did not anticipate building a brand or

245

00:10:08,630 --> 00:10:07,600

anything so that's why it's so stupid

246

00:10:09,750 --> 00:10:08,640

but

247

00:10:11,670 --> 00:10:09,760

um

248

00:10:13,750 --> 00:10:11,680

then you ought to maybe tell people who

249

00:10:15,509 --> 00:10:13,760

the falun gong are because

250

00:10:17,829 --> 00:10:15,519

you know especially given you kind of

251
00:10:19,509 --> 00:10:17,839
have some interesting

252
00:10:20,949 --> 00:10:19,519
you're this tin foil left kind of thing

253
00:10:21,670 --> 00:10:20,959
that we're going to kind of talk about

254
00:10:25,269 --> 00:10:21,680
so

255
00:10:27,910 --> 00:10:25,279
and falun gong i mean that sends us all

256
00:10:29,190 --> 00:10:27,920
for a kind of head spinner who are the

257
00:10:31,350 --> 00:10:29,200
falun gong

258
00:10:32,790 --> 00:10:31,360
i know i should honestly contemplate

259
00:10:35,509 --> 00:10:32,800
changing it but

260
00:10:38,470 --> 00:10:35,519
the falun gong are a cult and i believe

261
00:10:40,790 --> 00:10:38,480
they were banned in china oh yeah

262
00:10:44,470 --> 00:10:40,800
they are the cult that runs the

263
00:10:46,310 --> 00:10:44,480

shen yoon dance troupe that often does

264

00:10:47,910 --> 00:10:46,320

performances in cities across the

265

00:10:49,910 --> 00:10:47,920

country

266

00:10:52,069 --> 00:10:49,920

and sometimes like in places like

267

00:10:54,470 --> 00:10:52,079

seattle you can see them out

268

00:10:56,389 --> 00:10:54,480

distributing literature as well

269

00:10:59,269 --> 00:10:56,399

yeah so so you'll be approached by these

270

00:11:01,590 --> 00:10:59,279

people and you see these women in these

271

00:11:03,190 --> 00:11:01,600

ornate dresses around on a stage and

272

00:11:04,949 --> 00:11:03,200

they'll say come see the presentation

273

00:11:07,190 --> 00:11:04,959

and stuff like that and they are they're

274

00:11:10,150 --> 00:11:07,200

they're a mooney kind of thing if you've

275

00:11:11,670 --> 00:11:10,160

ever if you've ever dived into the the

276

00:11:14,389 --> 00:11:11,680

history of the moonies and the kind of

277

00:11:16,790 --> 00:11:14,399

thing it's kind of this crazy crazy

278

00:11:18,310 --> 00:11:16,800

thing but the the flip side of it is

279

00:11:20,389 --> 00:11:18,320

like you you just mentioned kind of the

280

00:11:21,829 --> 00:11:20,399

chinese government i mean it shows the

281

00:11:23,110 --> 00:11:21,839

worst or the worst of the chinese

282

00:11:24,150 --> 00:11:23,120

government too because the chinese

283

00:11:26,870 --> 00:11:24,160

government

284

00:11:29,670 --> 00:11:26,880

says oh well in order to maintain social

285

00:11:32,630 --> 00:11:29,680

order and protect the people we have to

286

00:11:34,949 --> 00:11:32,640

ban this group you know and it's the in

287

00:11:36,630 --> 00:11:34,959

the language they use is so

288

00:11:39,190 --> 00:11:36,640

i don't know so

289

00:11:41,990 --> 00:11:39,200

crazy crazy marx's

290

00:11:45,190 --> 00:11:42,000

stuff that it it kind of sends you the

291

00:11:47,190 --> 00:11:45,200

other way it's like well they are a cult

292

00:11:48,949 --> 00:11:47,200

but should we be banning them and you

293

00:11:51,190 --> 00:11:48,959

know the whole thing so i i just thought

294

00:11:53,910 --> 00:11:51,200

it was kind of an interesting

295

00:11:57,190 --> 00:11:53,920

yeah and in some ways it's like a weird

296

00:11:59,670 --> 00:11:57,200

pairing because jimmy like i am a pretty

297

00:12:01,350 --> 00:11:59,680

normal person with an

298

00:12:04,150 --> 00:12:01,360

innocuous name and then there's like

299

00:12:06,069 --> 00:12:04,160

this crazy side to it so and then like

300

00:12:08,949 --> 00:12:06,079

the whole marxist element of china

301
00:12:10,470 --> 00:12:08,959
banning them let there in that mix

302
00:12:12,389 --> 00:12:10,480
there's a lot of

303
00:12:13,750 --> 00:12:12,399
my interests all in one i guess you

304
00:12:16,389 --> 00:12:13,760
could say

305
00:12:18,230 --> 00:12:16,399
exactly exactly but not exactly in the

306
00:12:20,710 --> 00:12:18,240
way that you would take it but i don't

307
00:12:22,550 --> 00:12:20,720
want to get down too many uh blind

308
00:12:25,670 --> 00:12:22,560
alleys before we

309
00:12:27,350 --> 00:12:25,680
have a chance to just tell people about

310
00:12:29,670 --> 00:12:27,360
some of the work that you've done and

311
00:12:31,350 --> 00:12:29,680
the work that attracted me what you've

312
00:12:33,829 --> 00:12:31,360
chosen to do on your podcast you me is

313
00:12:37,030 --> 00:12:33,839

kind of do these deep dive multi-part

314

00:12:39,430 --> 00:12:37,040

series like who financed hitler i don't

315

00:12:42,949 --> 00:12:39,440

know you did five or six shows on that

316

00:12:45,670 --> 00:12:42,959

hours each hour is long but it it just

317

00:12:47,590 --> 00:12:45,680

provides such a depth that

318

00:12:49,350 --> 00:12:47,600

we've i've never heard from someone else

319

00:12:51,670 --> 00:12:49,360

and i guess i could read all the books

320

00:12:53,430 --> 00:12:51,680

that you've read and kind of synthesize

321

00:12:55,430 --> 00:12:53,440

all that stuff together but you really

322

00:12:57,110 --> 00:12:55,440

put it together in just this kind of

323

00:12:59,269 --> 00:12:57,120

terrific way

324

00:13:01,750 --> 00:12:59,279

tell us about that and tell us about in

325

00:13:04,150 --> 00:13:01,760

particular your method kind of what

326

00:13:07,670 --> 00:13:04,160

you're trying to do there what your goal

327

00:13:09,190 --> 00:13:07,680

is and then also why the world war ii

328

00:13:12,069 --> 00:13:09,200

and the hitler's stuff we're all kind of

329

00:13:14,230 --> 00:13:12,079

drawn to it but why are you drawn to it

330

00:13:16,230 --> 00:13:14,240

yeah i mean i think that

331

00:13:17,829 --> 00:13:16,240

like a lot of people you know in the

332

00:13:20,870 --> 00:13:17,839

past couple years

333

00:13:22,949 --> 00:13:20,880

nazis you know weimar germany was on the

334

00:13:26,230 --> 00:13:22,959

tip of a lot of people's tongues

335

00:13:27,350 --> 00:13:26,240

and in some ways rightfully so but in

336

00:13:29,269 --> 00:13:27,360

other ways

337

00:13:31,110 --> 00:13:29,279

most people who mention it or talk about

338

00:13:32,790 --> 00:13:31,120

it don't really know the history or

339

00:13:34,470 --> 00:13:32,800

really know what they're talking about

340

00:13:39,509 --> 00:13:34,480

and so

341

00:13:41,990 --> 00:13:39,519

reading about this period not solely

342

00:13:44,389 --> 00:13:42,000

because of current events but you know

343

00:13:46,310 --> 00:13:44,399

not not because of it

344

00:13:49,590 --> 00:13:46,320

and i started to pick up on these like

345

00:13:50,470 --> 00:13:49,600

weird little details that didn't really

346

00:13:55,750 --> 00:13:50,480

like

347

00:13:58,470 --> 00:13:55,760

instance the fact that hitler he's often

348

00:14:01,030 --> 00:13:58,480

framed as a failed artist which he

349

00:14:03,350 --> 00:14:01,040

absolutely is right

350

00:14:06,230 --> 00:14:03,360

he was also a police spy

351
00:14:07,829 --> 00:14:06,240
and when people tell the conventional

352
00:14:09,670 --> 00:14:07,839
history of hitler

353
00:14:11,670 --> 00:14:09,680
they don't often mention that they might

354
00:14:13,430 --> 00:14:11,680
not even know it you know

355
00:14:15,269 --> 00:14:13,440
so like

356
00:14:18,150 --> 00:14:15,279
i talk about that i talk about

357
00:14:20,230 --> 00:14:18,160
especially when hitler was hypnotized

358
00:14:22,230 --> 00:14:20,240
that was a really big incident in his

359
00:14:23,910 --> 00:14:22,240
life he specifically talks about it in

360
00:14:26,470 --> 00:14:23,920
mein kampf and yet

361
00:14:28,069 --> 00:14:26,480
it's not well he doesn't

362
00:14:29,990 --> 00:14:28,079
exactly mention it in my conf i

363
00:14:31,670 --> 00:14:30,000

shouldn't say and so like they're all of

364

00:14:33,990 --> 00:14:31,680

these weird little details about

365

00:14:35,990 --> 00:14:34,000

hitler's life that nobody talks about so

366

00:14:37,590 --> 00:14:36,000

i thought that i would be the person to

367

00:14:39,910 --> 00:14:37,600

do that

368

00:14:43,350 --> 00:14:39,920

and i think to your credit jimmy it's

369

00:14:47,590 --> 00:14:43,360

not even just talking about it but you

370

00:14:49,990 --> 00:14:47,600

frame it up quite nicely in a very

371

00:14:51,910 --> 00:14:50,000

not beat anyone over the head with it

372

00:14:55,189 --> 00:14:51,920

but as the story

373

00:14:56,470 --> 00:14:55,199

unfolds and you let it unfold it kind of

374

00:14:58,550 --> 00:14:56,480

paints a different picture and we're

375

00:15:00,310 --> 00:14:58,560

going to connect the dots a little bit

376

00:15:03,189 --> 00:15:00,320

on to the points that you just made

377

00:15:06,069 --> 00:15:03,199

there one is the hypnosis and then two

378

00:15:07,189 --> 00:15:06,079

is this spying for the police and

379

00:15:09,269 --> 00:15:07,199

becoming

380

00:15:11,590 --> 00:15:09,279

an intelligent asset but but really what

381

00:15:13,910 --> 00:15:11,600

it's more about is that his connection

382

00:15:16,069 --> 00:15:13,920

to the military never really ends when

383

00:15:18,870 --> 00:15:16,079

we think it does but

384

00:15:21,030 --> 00:15:18,880

let me play this clip from

385

00:15:24,629 --> 00:15:21,040

i guess this is episode four esoteric

386

00:15:27,030 --> 00:15:24,639

nazism re-examined part one

387

00:15:28,629 --> 00:15:27,040

and the hypnosis of hitler i'll play

388

00:15:31,189 --> 00:15:28,639

this and then you can

389

00:15:33,110 --> 00:15:31,199

tell people about it

390

00:15:35,590 --> 00:15:33,120

let's talk about the interaction between

391

00:15:38,550 --> 00:15:35,600

dr forster and hitler

392

00:15:41,430 --> 00:15:38,560

before foster met hitler he knew that

393

00:15:43,430 --> 00:15:41,440

hitler was busy raving about the jews to

394

00:15:45,990 --> 00:15:43,440

the other patients

395

00:15:49,189 --> 00:15:46,000

forrester developed a plan for treatment

396

00:15:52,790 --> 00:15:49,199

by using a tremendous lie on the 6th of

397

00:15:54,949 --> 00:15:52,800

november in 1918 dr edmund forster

398

00:15:57,590 --> 00:15:54,959

ordered hitler to his consulting room

399

00:16:00,550 --> 00:15:57,600

and guided him into an upright chair

400

00:16:01,590 --> 00:16:00,560

before a table on which stood two lit

401
00:16:03,509 --> 00:16:01,600
candles

402
00:16:04,629 --> 00:16:03,519
after examining the patient's eyes

403
00:16:06,790 --> 00:16:04,639
carefully

404
00:16:09,430 --> 00:16:06,800
forster replaced the instruments in his

405
00:16:11,829 --> 00:16:09,440
case and blew out the candles your eyes

406
00:16:13,269 --> 00:16:11,839
have been terribly damaged he told him

407
00:16:15,749 --> 00:16:13,279
regretfully

408
00:16:18,790 --> 00:16:15,759
i should never have assumed that you a

409
00:16:21,829 --> 00:16:18,800
pure aryan a good soldier a knight of

410
00:16:23,110 --> 00:16:21,839
the iron cross first class would lie or

411
00:16:25,590 --> 00:16:23,120
deceive

412
00:16:27,590 --> 00:16:25,600
everyone has to accept their lot the

413
00:16:31,030 --> 00:16:27,600

individual is powerless where fate is

414

00:16:32,710 --> 00:16:31,040

concerned miracles do not happen anymore

415

00:16:35,189 --> 00:16:32,720

he paused before adding more

416

00:16:36,790 --> 00:16:35,199

optimistically but that goes only for

417

00:16:38,710 --> 00:16:36,800

the average person

418

00:16:41,509 --> 00:16:38,720

miracles still happen frequently to

419

00:16:43,829 --> 00:16:41,519

chosen people there have to be miracles

420

00:16:45,189 --> 00:16:43,839

and great people before whom nature bows

421

00:16:48,629 --> 00:16:45,199

don't you agree

422

00:16:51,990 --> 00:16:48,639

as you say dr hitler meekly agreed i am

423

00:16:53,829 --> 00:16:52,000

no charlatan no performer of miracles

424

00:16:56,470 --> 00:16:53,839

dr forster went on

425

00:16:59,749 --> 00:16:56,480

i am a simple doctor but maybe you

426

00:17:02,710 --> 00:16:59,759

yourself have the rare power that occurs

427

00:17:04,230 --> 00:17:02,720

only once every millennium to perform a

428

00:17:05,750 --> 00:17:04,240

miracle

429

00:17:08,069 --> 00:17:05,760

jesus did this

430

00:17:09,829 --> 00:17:08,079

muhammad the saints

431

00:17:11,990 --> 00:17:09,839

i could show you the method by which you

432

00:17:13,909 --> 00:17:12,000

could see again despite the fact that

433

00:17:14,870 --> 00:17:13,919

your eyes have been damaged by mustard

434

00:17:17,110 --> 00:17:14,880

gas

435

00:17:18,949 --> 00:17:17,120

with your symptoms an ordinary person

436

00:17:20,789 --> 00:17:18,959

would be blind for life

437

00:17:22,870 --> 00:17:20,799

but for a person with exceptional

438

00:17:25,590 --> 00:17:22,880

strength of willpower and spiritual

439

00:17:27,829 --> 00:17:25,600

energy there are no limits

440

00:17:30,870 --> 00:17:27,839

scientific assumptions do not apply to

441

00:17:33,510 --> 00:17:30,880

that person the spirit removes any such

442

00:17:35,750 --> 00:17:33,520

barrier in your case the thick white

443

00:17:37,430 --> 00:17:35,760

layer in your cornea but maybe you do

444

00:17:38,870 --> 00:17:37,440

not possess this power to perform

445

00:17:41,510 --> 00:17:38,880

miracles

446

00:17:43,029 --> 00:17:41,520

how can i tell said hitler

447

00:17:44,549 --> 00:17:43,039

you know i'll cut it right there

448

00:17:46,710 --> 00:17:44,559

exceptional so you have to go listen to

449

00:17:47,909 --> 00:17:46,720

this whole episode and the ones before

450

00:17:50,150 --> 00:17:47,919

it and the ones that follow it because

451
00:17:53,830 --> 00:17:50,160
you at this point you got to be hooked

452
00:17:56,310 --> 00:17:53,840
into what's going on here so first jimmy

453
00:17:58,789 --> 00:17:56,320
you're very upfront with what this is

454
00:18:01,110 --> 00:17:58,799
but you kind of let us go down a little

455
00:18:02,390 --> 00:18:01,120
path what is it that you are reading

456
00:18:05,350 --> 00:18:02,400
there

457
00:18:08,150 --> 00:18:05,360
so that is actually from a novel by i

458
00:18:09,510 --> 00:18:08,160
think his name was ernst weiss

459
00:18:11,909 --> 00:18:09,520
and

460
00:18:14,390 --> 00:18:11,919
there's a really interesting story about

461
00:18:16,789 --> 00:18:14,400
that because it was a novel published i

462
00:18:18,230 --> 00:18:16,799
want to say in like the

463
00:18:19,190 --> 00:18:18,240

the 40s

464

00:18:21,590 --> 00:18:19,200

and

465

00:18:22,950 --> 00:18:21,600

it basically tells the story because

466

00:18:26,549 --> 00:18:22,960

hitler

467

00:18:28,630 --> 00:18:26,559

had psychosomatic blindness

468

00:18:30,950 --> 00:18:28,640

and we know that it was psychosomatic

469

00:18:32,870 --> 00:18:30,960

because of basically

470

00:18:34,789 --> 00:18:32,880

people who went blind

471

00:18:36,950 --> 00:18:34,799

from poison gas

472

00:18:38,950 --> 00:18:36,960

would permanently go blind they wouldn't

473

00:18:40,630 --> 00:18:38,960

no one went temporarily blind unless it

474

00:18:44,150 --> 00:18:40,640

was psychosomatic

475

00:18:45,830 --> 00:18:44,160

and so hitler was treated in a mental

476

00:18:48,230 --> 00:18:45,840

institution and there's a lot of

477

00:18:50,950 --> 00:18:48,240

documentation for which one and that it

478

00:18:52,070 --> 00:18:50,960

was certainly because he

479

00:18:54,549 --> 00:18:52,080

like

480

00:18:56,870 --> 00:18:54,559

a lot of shell shock cases were

481

00:18:59,750 --> 00:18:56,880

they called it malingering right and so

482

00:19:01,990 --> 00:18:59,760

basically hitler had a malingering

483

00:19:03,510 --> 00:19:02,000

psychosomatic blindness and

484

00:19:05,590 --> 00:19:03,520

the way they would treat it is they

485

00:19:07,270 --> 00:19:05,600

would either like threaten them or they

486

00:19:08,950 --> 00:19:07,280

would just hypnotize them there really

487

00:19:11,350 --> 00:19:08,960

weren't that many good ways to treat

488

00:19:12,549 --> 00:19:11,360

ptsd back then

489

00:19:15,029 --> 00:19:12,559

or you know

490

00:19:16,630 --> 00:19:15,039

related issues

491

00:19:19,590 --> 00:19:16,640

and so basically

492

00:19:22,150 --> 00:19:19,600

there was a medical file that hit that

493

00:19:25,669 --> 00:19:22,160

hitler was hypnotized

494

00:19:28,390 --> 00:19:25,679

and that medical file became really hot

495

00:19:31,190 --> 00:19:28,400

once hitler became chancellor

496

00:19:33,750 --> 00:19:31,200

and people were murdered over like

497

00:19:35,909 --> 00:19:33,760

who had copies of this medical file and

498

00:19:37,669 --> 00:19:35,919

there's a whole story for

499

00:19:40,390 --> 00:19:37,679

someone sneaking it out and then they

500

00:19:42,710 --> 00:19:40,400

gave it to this novelist to publish

501
00:19:43,990 --> 00:19:42,720
and so there's this whole body of like

502
00:19:46,230 --> 00:19:44,000
novels that

503
00:19:47,590 --> 00:19:46,240
tell more truth than you would think

504
00:19:49,190 --> 00:19:47,600
right because

505
00:19:51,430 --> 00:19:49,200
they don't have that burden of

506
00:19:52,710 --> 00:19:51,440
journalism but then they can tell like a

507
00:19:54,950 --> 00:19:52,720
different or

508
00:19:56,789 --> 00:19:54,960
almost occluded truth which is so

509
00:19:59,830 --> 00:19:56,799
interesting to me

510
00:20:01,990 --> 00:19:59,840
yeah me too so you do an awesome job

511
00:20:04,950 --> 00:20:02,000
because so that's a fictionalized

512
00:20:08,070 --> 00:20:04,960
account we didn't have someone in there

513
00:20:09,590 --> 00:20:08,080

rolling tape when forrester was doing

514

00:20:12,870 --> 00:20:09,600

the session

515

00:20:14,630 --> 00:20:12,880

but all the evidence that we do have as

516

00:20:17,270 --> 00:20:14,640

you point out in the show

517

00:20:19,270 --> 00:20:17,280

suggests that this is exactly what did

518

00:20:21,029 --> 00:20:19,280

happen and i thought you know a couple

519

00:20:23,669 --> 00:20:21,039

of more of the details of this because

520

00:20:26,549 --> 00:20:23,679

this is such this is worth all the time

521

00:20:28,310 --> 00:20:26,559

that you put into it and all the work

522

00:20:30,710 --> 00:20:28,320

that you did and sharing it to people

523

00:20:32,870 --> 00:20:30,720

because this is such an important event

524

00:20:35,190 --> 00:20:32,880

as it turns out and you pointed out to

525

00:20:37,110 --> 00:20:35,200

be but a couple things i would add to it

526
00:20:40,149 --> 00:20:37,120
one forester

527
00:20:43,350 --> 00:20:40,159
the hypnotherapist and psychiatrist

528
00:20:45,270 --> 00:20:43,360
who's working with hitler is tops like

529
00:20:47,990 --> 00:20:45,280
tops in the world it just so happens

530
00:20:50,470 --> 00:20:48,000
that hitler stumbles into his mental

531
00:20:51,750 --> 00:20:50,480
hospital and this guy because he is so

532
00:20:54,950 --> 00:20:51,760
good and because the germans are kind of

533
00:20:57,430 --> 00:20:54,960
leading this mesmerism hypnotism from a

534
00:20:59,669 --> 00:20:57,440
medical standpoint he's like kind of

535
00:21:01,750 --> 00:20:59,679
wants to use hitler who is a nobody a

536
00:21:04,470 --> 00:21:01,760
complete nobody just some other

537
00:21:06,950 --> 00:21:04,480
ptsd soldier that shows up you know but

538
00:21:09,590 --> 00:21:06,960

he wants to show his colleagues

539

00:21:11,750 --> 00:21:09,600

that hypnosis really can work if you

540

00:21:14,230 --> 00:21:11,760

know how to do it and part of the way of

541

00:21:16,390 --> 00:21:14,240

doing it is kind of this stage magic

542

00:21:17,750 --> 00:21:16,400

kind of stuff that he does to hitler

543

00:21:19,510 --> 00:21:17,760

where like you know

544

00:21:21,590 --> 00:21:19,520

gosh you know like you said he hears

545

00:21:23,270 --> 00:21:21,600

that he's ranting on the jews so then he

546

00:21:25,669 --> 00:21:23,280

plays up this aryan thing to him you

547

00:21:29,110 --> 00:21:25,679

know like gosh an aryan

548

00:21:30,630 --> 00:21:29,120

strong man like you once in a w you know

549

00:21:32,549 --> 00:21:30,640

unbelievably

550

00:21:34,549 --> 00:21:32,559

powerful and meaningful when you put

551
00:21:37,590 --> 00:21:34,559
into context and then as you add

552
00:21:39,990 --> 00:21:37,600
this becomes much more than just

553
00:21:42,710 --> 00:21:40,000
a matter of his medical records it

554
00:21:46,470 --> 00:21:42,720
becomes this secret that he doesn't want

555
00:21:50,149 --> 00:21:46,480
out because like you just mentioned

556
00:21:51,510 --> 00:21:50,159
this not only affects hitler in all

557
00:21:55,029 --> 00:21:51,520
these ways

558
00:21:57,270 --> 00:21:55,039
that we can't even begin to estimate but

559
00:21:59,669 --> 00:21:57,280
he becomes it's part of the reason his

560
00:22:01,190 --> 00:21:59,679
speeches are being

561
00:22:03,750 --> 00:22:01,200
coached by

562
00:22:06,630 --> 00:22:03,760
some of the world leaders in hypnotism

563
00:22:08,549 --> 00:22:06,640

and mesmerism and cry he's totally on

564

00:22:09,909 --> 00:22:08,559

board with the thing but it also

565

00:22:13,190 --> 00:22:09,919

connects him and i want you to speak to

566

00:22:15,990 --> 00:22:13,200

this jimmy it also connects him to

567

00:22:18,710 --> 00:22:16,000

the german military and german military

568

00:22:21,029 --> 00:22:18,720

intelligence or at least a faction of it

569

00:22:23,750 --> 00:22:21,039

that is an ongoing relationship that

570

00:22:26,549 --> 00:22:23,760

leads to this spying that he does and

571

00:22:28,870 --> 00:22:26,559

he's not the lone nut assassin that

572

00:22:31,590 --> 00:22:28,880

history has painted him out to be

573

00:22:33,590 --> 00:22:31,600

no for sure because during world war one

574

00:22:36,310 --> 00:22:33,600

i believe hitler was a like a lance

575

00:22:38,870 --> 00:22:36,320

corporal like not particularly high in

576
00:22:40,870 --> 00:22:38,880
the military he was essentially a nobody

577
00:22:43,590 --> 00:22:40,880
and but prior to that he was a failed

578
00:22:44,630 --> 00:22:43,600
artist so like nobody really knew who he

579
00:22:46,789 --> 00:22:44,640
was

580
00:22:47,830 --> 00:22:46,799
no reason to care about him

581
00:22:51,750 --> 00:22:47,840
but

582
00:22:54,549 --> 00:22:51,760
after world war one hitler essentially

583
00:22:56,070 --> 00:22:54,559
stays in the army as long as he can

584
00:22:57,669 --> 00:22:56,080
partially because

585
00:22:59,669 --> 00:22:57,679
there's

586
00:23:01,990 --> 00:22:59,679
you know nothing waiting for him he

587
00:23:03,909 --> 00:23:02,000
might as well stay partially because

588
00:23:05,590 --> 00:23:03,919

after world war one there was

589

00:23:08,230 --> 00:23:05,600

essentially like a

590

00:23:10,710 --> 00:23:08,240

series of basically revolutions in

591

00:23:12,789 --> 00:23:10,720

germany that very well could have had

592

00:23:15,669 --> 00:23:12,799

germany go the way of like the

593

00:23:19,029 --> 00:23:15,679

bolsheviks in russia right

594

00:23:19,990 --> 00:23:19,039

and so hitler found himself involved in

595

00:23:23,029 --> 00:23:20,000

this

596

00:23:25,510 --> 00:23:23,039

subterranean group of basically army

597

00:23:29,909 --> 00:23:25,520

officers who were fighting to keep

598

00:23:30,870 --> 00:23:29,919

germany from going red basically

599

00:23:33,909 --> 00:23:30,880

and so

600

00:23:36,390 --> 00:23:33,919

he was on their payroll before and after

601
00:23:39,430 --> 00:23:36,400
he quote unquote left the army

602
00:23:41,430 --> 00:23:39,440
but he never appears to have actually

603
00:23:43,190 --> 00:23:41,440
stopped working with these groups of

604
00:23:44,870 --> 00:23:43,200
people

605
00:23:46,950 --> 00:23:44,880
and there's all kinds of interesting

606
00:23:51,350 --> 00:23:46,960
incidents from his life like

607
00:23:53,909 --> 00:23:51,360
hitler at different points well like

608
00:23:55,990 --> 00:23:53,919
before his tradition like his parties

609
00:23:57,990 --> 00:23:56,000
rise to power he would do things like

610
00:24:00,390 --> 00:23:58,000
buy weapons

611
00:24:03,269 --> 00:24:00,400
and hand them over to the police

612
00:24:05,669 --> 00:24:03,279
he was involved in traveling like he was

613
00:24:08,789 --> 00:24:05,679

involved in the um

614

00:24:11,269 --> 00:24:08,799

oh shoot what's the name the uh fry core

615

00:24:12,710 --> 00:24:11,279

right he knew all of the players in that

616

00:24:15,430 --> 00:24:12,720

he was not

617

00:24:18,310 --> 00:24:15,440

one of the top guys he was you know

618

00:24:20,310 --> 00:24:18,320

lowered down on the totem pole but like

619

00:24:22,870 --> 00:24:20,320

he was involved in all of these things

620

00:24:23,909 --> 00:24:22,880

and so he was essentially a police

621

00:24:26,710 --> 00:24:23,919

snitch

622

00:24:29,830 --> 00:24:26,720

my words but like he was a

623

00:24:32,789 --> 00:24:29,840

asset for them and

624

00:24:35,190 --> 00:24:32,799

more or less because the the army and

625

00:24:37,669 --> 00:24:35,200

the navy were worried about germany

626

00:24:39,750 --> 00:24:37,679

going red they started to fund these

627

00:24:43,350 --> 00:24:39,760

interesting political groups that would

628

00:24:44,310 --> 00:24:43,360

take aspects of communism or socialism

629

00:24:46,149 --> 00:24:44,320

and then

630

00:24:48,630 --> 00:24:46,159

maybe tweak them right so like that of

631

00:24:51,350 --> 00:24:48,640

course is where the national socialism

632

00:24:53,190 --> 00:24:51,360

thing comes in and so hitler already

633

00:24:54,870 --> 00:24:53,200

being on their payroll already being

634

00:24:56,230 --> 00:24:54,880

someone they trust

635

00:24:57,990 --> 00:24:56,240

is chosen

636

00:24:59,430 --> 00:24:58,000

to head one of these groups of which

637

00:25:02,149 --> 00:24:59,440

there was a whole

638

00:25:04,630 --> 00:25:02,159

a whole bunch of them right

639

00:25:07,029 --> 00:25:04,640

and that is the start so

640

00:25:09,350 --> 00:25:07,039

essentially with hitler

641

00:25:12,870 --> 00:25:09,360

everybody thinks they know the story but

642

00:25:15,430 --> 00:25:12,880

he was hypnotized he was a police spy he

643

00:25:18,390 --> 00:25:15,440

was funded at every single point by

644

00:25:21,190 --> 00:25:18,400

either the german army the german navy

645

00:25:22,789 --> 00:25:21,200

or german heavy industry and so like all

646

00:25:25,269 --> 00:25:22,799

of a sudden you have a very different

647

00:25:28,549 --> 00:25:25,279

picture than what you might see on like

648

00:25:30,230 --> 00:25:28,559

television documentaries right and i

649

00:25:32,789 --> 00:25:30,240

think that's one of the key points

650

00:25:34,390 --> 00:25:32,799

because what you help in leading us

651

00:25:37,269 --> 00:25:34,400

towards is

652

00:25:38,870 --> 00:25:37,279

why is there a rewrite of that history

653

00:25:41,269 --> 00:25:38,880

because when you take those facts that

654

00:25:44,070 --> 00:25:41,279

you're putting together and then you

655

00:25:46,950 --> 00:25:44,080

contrast it with the kind of lone nut

656

00:25:48,390 --> 00:25:46,960

assassin picture we get of hitler

657

00:25:51,029 --> 00:25:48,400

one of the questions the deeper

658

00:25:54,789 --> 00:25:51,039

questions is why why do we want to write

659

00:25:56,549 --> 00:25:54,799

it that way versus the other way because

660

00:25:59,029 --> 00:25:56,559

a lot of the stuff you're talking about

661

00:26:02,149 --> 00:25:59,039

from a political sense is really rather

662

00:26:02,950 --> 00:26:02,159

ordinary stuff it's not extraordinary

663

00:26:06,310 --> 00:26:02,960

that

664

00:26:07,590 --> 00:26:06,320

the germans after world war one and

665

00:26:10,149 --> 00:26:07,600

after the just

666

00:26:13,029 --> 00:26:10,159

crushing craziness of the versailles

667

00:26:13,909 --> 00:26:13,039

treaty realized that they as a country

668

00:26:18,710 --> 00:26:13,919

had

669

00:26:21,350 --> 00:26:18,720

no future and that is a political

670

00:26:23,750 --> 00:26:21,360

reality and economic reality that they

671

00:26:25,110 --> 00:26:23,760

were facing and there were as you point

672

00:26:26,549 --> 00:26:25,120

out there's a number of different groups

673

00:26:28,390 --> 00:26:26,559

who are trying to

674

00:26:30,789 --> 00:26:28,400

jockey for position there because

675

00:26:32,870 --> 00:26:30,799

something is going to change and it's

676
00:26:34,630 --> 00:26:32,880
not a clear path towards hitler as you

677
00:26:36,630 --> 00:26:34,640
point out fairly

678
00:26:39,510 --> 00:26:36,640
in the in your show

679
00:26:41,590 --> 00:26:39,520
the like the industrialists for example

680
00:26:43,269 --> 00:26:41,600
they're doing what corporations do all

681
00:26:45,350 --> 00:26:43,279
the time they're betting on every horse

682
00:26:47,190 --> 00:26:45,360
in the race right

683
00:26:49,590 --> 00:26:47,200
why do you think

684
00:26:50,310 --> 00:26:49,600
that history is written the way that it

685
00:26:53,430 --> 00:26:50,320
is

686
00:26:56,070 --> 00:26:53,440
given what you now know

687
00:26:58,470 --> 00:26:56,080
yeah i mean i think that personally

688
00:27:00,710 --> 00:26:58,480

putting everything on hitler

689

00:27:02,070 --> 00:27:00,720

it functions as like a scapegoat role

690

00:27:03,110 --> 00:27:02,080

right because

691

00:27:07,990 --> 00:27:03,120

then

692

00:27:11,029 --> 00:27:08,000

don't have to blame german heavy

693

00:27:11,909 --> 00:27:11,039

industry we don't have to look at

694

00:27:14,149 --> 00:27:11,919

how

695

00:27:16,310 --> 00:27:14,159

the army and the navy have always

696

00:27:19,110 --> 00:27:16,320

basically done this and that is true for

697

00:27:20,710 --> 00:27:19,120

just about every country so

698

00:27:26,070 --> 00:27:20,720

like

699

00:27:31,350 --> 00:27:26,080

if

700

00:27:32,870 --> 00:27:31,360

some degree of culpability including

701
00:27:33,750 --> 00:27:32,880
british banks

702
00:27:35,750 --> 00:27:33,760
then

703
00:27:37,350 --> 00:27:35,760
you know that is such a more complicated

704
00:27:40,070 --> 00:27:37,360
story we might draw some different

705
00:27:42,230 --> 00:27:40,080
conclusions from world war ii but if we

706
00:27:43,990 --> 00:27:42,240
can just say it was hitler he was

707
00:27:45,350 --> 00:27:44,000
uniquely evil

708
00:27:48,310 --> 00:27:45,360
therefore

709
00:27:50,230 --> 00:27:48,320
the story closed low note right then we

710
00:27:53,269 --> 00:27:50,240
don't have to think about it very much

711
00:27:55,510 --> 00:27:53,279
it's almost reassuring in a way but the

712
00:27:57,190 --> 00:27:55,520
truth of the matter is that a lot of

713
00:28:00,070 --> 00:27:57,200

people were very responsible for

714

00:28:02,549 --> 00:28:00,080

hitler's rise and it isn't just hitler

715

00:28:03,669 --> 00:28:02,559

not to say that you know he isn't guilty

716

00:28:05,669 --> 00:28:03,679

as well

717

00:28:08,230 --> 00:28:05,679

uh well not to say that he isn't like

718

00:28:10,870 --> 00:28:08,240

super duper guilty you know because

719

00:28:13,990 --> 00:28:10,880

because we don't want us to kind of

720

00:28:16,950 --> 00:28:14,000

wade into the holocauster kind of stuff

721

00:28:19,430 --> 00:28:16,960

because it's ridiculous i will go firmly

722

00:28:22,389 --> 00:28:19,440

on the record and say that yeah it was

723

00:28:24,630 --> 00:28:22,399

not a hoax or anything like hitler

724

00:28:28,230 --> 00:28:24,640

certainly guilty of everything he's been

725

00:28:30,870 --> 00:28:28,240

accused of doing it's just that his rise

726

00:28:32,630 --> 00:28:30,880

had a lot of players involved

727

00:28:34,470 --> 00:28:32,640

as well yeah

728

00:28:36,710 --> 00:28:34,480

great so then

729

00:28:38,389 --> 00:28:36,720

the the level three kind of thing that

730

00:28:39,190 --> 00:28:38,399

is interesting

731

00:28:44,549 --> 00:28:39,200

is

732

00:28:47,430 --> 00:28:44,559

tailwag dog kind of thing

733

00:28:49,909 --> 00:28:47,440

because t starts making some decisions

734

00:28:51,110 --> 00:28:49,919

at various points in the war that are

735

00:28:54,310 --> 00:28:51,120

completely

736

00:28:56,630 --> 00:28:54,320

kind of off the rails from a military

737

00:28:58,389 --> 00:28:56,640

from a strategic from a geopolitical

738

00:29:00,630 --> 00:28:58,399

standpoint and

739

00:29:01,909 --> 00:29:00,640

he kind of goes down this path that a

740

00:29:03,990 --> 00:29:01,919

lot of people around him and

741

00:29:05,669 --> 00:29:04,000

particularly the industrialists and the

742

00:29:08,310 --> 00:29:05,679

politicians and people in the army are

743

00:29:10,310 --> 00:29:08,320

going this is insane what are we

744

00:29:12,870 --> 00:29:10,320

how did this guy

745

00:29:14,310 --> 00:29:12,880

get this much power

746

00:29:17,029 --> 00:29:14,320

what are your thoughts

747

00:29:19,510 --> 00:29:17,039

well i mean for one thing he was super

748

00:29:21,510 --> 00:29:19,520

high on amphetamines so

749

00:29:22,549 --> 00:29:21,520

we have to take that into account and

750

00:29:23,669 --> 00:29:22,559

then

751
00:29:25,990 --> 00:29:23,679
yeah i mean

752
00:29:27,909 --> 00:29:26,000
there were certainly decisions that

753
00:29:30,230 --> 00:29:27,919
hitler made that i still do not

754
00:29:32,149 --> 00:29:30,240
understand because they didn't seem to

755
00:29:34,870 --> 00:29:32,159
work for anyone's benefit

756
00:29:36,870 --> 00:29:34,880
including his own like there were things

757
00:29:37,990 --> 00:29:36,880
that just don't make sense

758
00:29:44,710 --> 00:29:38,000
like

759
00:29:47,990 --> 00:29:44,720
they

760
00:29:50,470 --> 00:29:48,000
funded hitler's rise after before during

761
00:29:52,630 --> 00:29:50,480
and after certain points and jimmy

762
00:29:54,710 --> 00:29:52,640
expound on that expound on that like you

763
00:29:56,789 --> 00:29:54,720

do in the show because in a very subtle

764

00:29:59,029 --> 00:29:56,799

way they do it in a way that is

765

00:30:01,110 --> 00:29:59,039

allows them plausible deniability of it

766

00:30:03,909 --> 00:30:01,120

right they guarantee loans

767

00:30:07,430 --> 00:30:03,919

that's right they essentially like

768

00:30:09,750 --> 00:30:07,440

like the highest banker in britain met

769

00:30:11,669 --> 00:30:09,760

with like the highest banker in germany

770

00:30:14,870 --> 00:30:11,679

and said yeah just

771

00:30:17,110 --> 00:30:14,880

pay off the nazis debt it's fine

772

00:30:20,870 --> 00:30:17,120

we got it and it was a verbal agreement

773

00:30:22,630 --> 00:30:20,880

like and they were meeting secretly like

774

00:30:25,430 --> 00:30:22,640

and then they they structured certain

775

00:30:27,669 --> 00:30:25,440

debts to make it so that not like no

776

00:30:30,789 --> 00:30:27,679

money was actually going they were just

777

00:30:33,430 --> 00:30:30,799

guaranteeing the guarantee of a

778

00:30:35,269 --> 00:30:33,440

guaranteed debt so it was like

779

00:30:37,750 --> 00:30:35,279

structured to keep their name off of it

780

00:30:38,789 --> 00:30:37,760

and keep them far away in fact

781

00:30:41,269 --> 00:30:38,799

but like

782

00:30:44,149 --> 00:30:41,279

if you get into the weeds of it

783

00:30:45,190 --> 00:30:44,159

yeah britain signed off on the nazi

784

00:30:46,070 --> 00:30:45,200

parties

785

00:30:48,549 --> 00:30:46,080

like

786

00:30:50,230 --> 00:30:48,559

having their debts covered and

787

00:30:52,950 --> 00:30:50,240

i don't know why they would do that

788

00:30:55,510 --> 00:30:52,960

because it almost immediately backfired

789

00:30:57,350 --> 00:30:55,520

and they went to war with the united

790

00:30:58,630 --> 00:30:57,360

kingdom so like

791

00:31:01,269 --> 00:30:58,640

clearly

792

00:31:04,630 --> 00:31:01,279

if this was the plan then it went

793

00:31:07,110 --> 00:31:04,640

sideways and you can draw a lot of

794

00:31:09,669 --> 00:31:07,120

conclusions from that but like

795

00:31:11,269 --> 00:31:09,679

no matter what you should probably be

796

00:31:13,590 --> 00:31:11,279

critical of

797

00:31:16,310 --> 00:31:13,600

what the banks do right that i think

798

00:31:19,669 --> 00:31:18,549

lesson to learn

799

00:31:21,269 --> 00:31:19,679

well

800

00:31:23,590 --> 00:31:21,279

i mean i guess that's not the lesson

801
00:31:25,669 --> 00:31:23,600
that i take away from it because

802
00:31:26,789 --> 00:31:25,679
all these business

803
00:31:28,870 --> 00:31:26,799
interests

804
00:31:31,430 --> 00:31:28,880
have an interest that's why it's a

805
00:31:33,350 --> 00:31:31,440
business interest right so

806
00:31:35,350 --> 00:31:33,360
you know how are they supposed to play

807
00:31:38,149 --> 00:31:35,360
it i guess is the

808
00:31:39,830 --> 00:31:38,159
is the question and it's it's tough to

809
00:31:41,830 --> 00:31:39,840
know either way it's it's like when you

810
00:31:43,750 --> 00:31:41,840
talk about the industrialists

811
00:31:47,190 --> 00:31:43,760
i i don't really know what you're

812
00:31:49,750 --> 00:31:47,200
supposed to do if you're

813
00:31:52,310 --> 00:31:49,760

like i forget the guy in the region

814

00:31:55,269 --> 00:31:52,320

who's running the coal mines

815

00:31:57,430 --> 00:31:55,279

in the region between germany and france

816

00:31:59,990 --> 00:31:57,440

that france has completely

817

00:32:01,830 --> 00:32:00,000

created a slave labor situation not

818

00:32:03,750 --> 00:32:01,840

letting them export the coal and this

819

00:32:06,070 --> 00:32:03,760

guy's even gone to the laborers to his

820

00:32:08,070 --> 00:32:06,080

workers who aren't usually aligned it's

821

00:32:09,430 --> 00:32:08,080

like look we're all screwed here i'm

822

00:32:12,149 --> 00:32:09,440

screwed as the owner of the company

823

00:32:14,310 --> 00:32:12,159

you're screwed as the employee let's not

824

00:32:15,029 --> 00:32:14,320

do it let's not go along with the french

825

00:32:17,750 --> 00:32:15,039

so

826

00:32:20,230 --> 00:32:17,760

all these lines are very uh blurry when

827

00:32:22,389 --> 00:32:20,240

it when money is involved so i'm not

828

00:32:23,430 --> 00:32:22,399

sure that you know the line to the banks

829

00:32:26,470 --> 00:32:23,440

is like

830

00:32:28,870 --> 00:32:26,480

the banks the banks is it it gets people

831

00:32:30,549 --> 00:32:28,880

crazy in the same way it gets henry ford

832

00:32:32,070 --> 00:32:30,559

crazy and he says oh the banks well

833

00:32:33,029 --> 00:32:32,080

those are all jews so now we hate you

834

00:32:34,950 --> 00:32:33,039

it's like

835

00:32:38,789 --> 00:32:34,960

no there's no

836

00:32:40,310 --> 00:32:38,799

it's there's like some reality to

837

00:32:44,230 --> 00:32:40,320

the

838

00:32:47,029 --> 00:32:44,240

preponderance of people who happen to be

839

00:32:49,430 --> 00:32:47,039

jewish and have been kind of ostracized

840

00:32:52,630 --> 00:32:49,440

and then found a way to

841

00:32:53,430 --> 00:32:52,640

connect and stay connected and that they

842

00:32:55,350 --> 00:32:53,440

are

843

00:32:56,950 --> 00:32:55,360

dominate certain industries i mean

844

00:32:58,549 --> 00:32:56,960

that's just like

845

00:33:00,710 --> 00:32:58,559

that's why all the greeks own all the

846

00:33:03,750 --> 00:33:00,720

coffee shops in chicago where i was

847

00:33:04,710 --> 00:33:03,760

brought up that's just how stuff is done

848

00:33:06,230 --> 00:33:04,720

but

849

00:33:08,470 --> 00:33:06,240

you know what i'm saying i i think it's

850

00:33:10,950 --> 00:33:08,480

it's easy to kind of take that stuff too

851

00:33:14,070 --> 00:33:10,960

far it's like oh it's the banks oh it's

852

00:33:16,630 --> 00:33:14,080

the industrialist well i don't know yeah

853

00:33:18,389 --> 00:33:16,640

because like at every point there's a

854

00:33:21,269 --> 00:33:18,399

bunch of lessons

855

00:33:24,070 --> 00:33:21,279

from the nazi parties rise and

856

00:33:25,590 --> 00:33:24,080

no no one thing is the answer right

857

00:33:28,470 --> 00:33:25,600

because it's like

858

00:33:30,789 --> 00:33:28,480

hitler was hypnotized that's a whole

859

00:33:32,549 --> 00:33:30,799

thing he was a police

860

00:33:35,430 --> 00:33:32,559

spy that's a thing

861

00:33:38,149 --> 00:33:35,440

henry ford funded the nazis british

862

00:33:40,870 --> 00:33:38,159

banks funded the nazis the german army

863

00:33:43,909 --> 00:33:40,880

and the german navy did

864

00:33:46,630 --> 00:33:43,919

uh there's a whole occult

865

00:33:49,430 --> 00:33:46,640

interest like in the nazis coming from

866

00:33:52,549 --> 00:33:49,440

like the tula society with these really

867

00:33:54,710 --> 00:33:52,559

weird like rosicrucian esoteric ideas

868

00:33:56,950 --> 00:33:54,720

floating in the mix there's the element

869

00:33:59,669 --> 00:33:56,960

of them just copying marxism but then

870

00:34:01,430 --> 00:33:59,679

like making it amenable to capital in

871

00:34:03,269 --> 00:34:01,440

general like

872

00:34:05,669 --> 00:34:03,279

there's so many things happening that

873

00:34:07,750 --> 00:34:05,679

there's never one answer i completely

874

00:34:10,310 --> 00:34:07,760

agree with you on that

875

00:34:13,430 --> 00:34:10,320

so one of the great stories that you

876
00:34:15,669 --> 00:34:13,440
tell us about in your podcast program to

877
00:34:17,829 --> 00:34:15,679
chill and i forget which episode this is

878
00:34:19,510 --> 00:34:17,839
but i think it'd be pretty easy to find

879
00:34:22,149 --> 00:34:19,520
i think it's like the first

880
00:34:24,470 --> 00:34:22,159
episode in the financing of the nazis

881
00:34:26,790 --> 00:34:24,480
and it tells about henry ford and i

882
00:34:29,109 --> 00:34:26,800
didn't know this history but

883
00:34:31,669 --> 00:34:29,119
he kind of has this grandiosity about

884
00:34:34,230 --> 00:34:31,679
him and he says well i'll solve this

885
00:34:35,510 --> 00:34:34,240
world war one problem i'll just take a

886
00:34:37,430 --> 00:34:35,520
big boat

887
00:34:39,510 --> 00:34:37,440
put all of my friends on it and we'll go

888
00:34:41,909 --> 00:34:39,520

negotiate this which

889

00:34:44,149 --> 00:34:41,919

you know in and of itself is not like a

890

00:34:47,430 --> 00:34:44,159

super bad idea because he is in a

891

00:34:50,310 --> 00:34:47,440

position to have influencers and maybe

892

00:34:53,589 --> 00:34:50,320

make some progress there but it doesn't

893

00:34:56,310 --> 00:34:53,599

turn out and the grandiosity of it is

894

00:34:58,870 --> 00:34:56,320

interesting because through that it

895

00:35:01,349 --> 00:34:58,880

really he kind of

896

00:35:03,430 --> 00:35:01,359

winds up in this weird anti-semitic

897

00:35:06,390 --> 00:35:03,440

space like we're talking about where he

898

00:35:09,750 --> 00:35:06,400

is convinced that there is this

899

00:35:11,589 --> 00:35:09,760

jewish conspiracy against him connected

900

00:35:13,430 --> 00:35:11,599

to all these bankers who are trying to

901
00:35:15,589 --> 00:35:13,440
put him out of business who are all

902
00:35:17,910 --> 00:35:15,599
jewish i mean let's be for real you know

903
00:35:19,589 --> 00:35:17,920
but he makes the connection that this is

904
00:35:22,069 --> 00:35:19,599
somehow some

905
00:35:24,550 --> 00:35:22,079
it is their jewishness that is you know

906
00:35:27,349 --> 00:35:24,560
somehow attacking

907
00:35:29,510 --> 00:35:27,359
like it's interesting because he put

908
00:35:31,510 --> 00:35:29,520
himself out there like i almost feel bad

909
00:35:33,910 --> 00:35:31,520
for him in that particular story because

910
00:35:37,589 --> 00:35:33,920
he wanted to stop world war one that's a

911
00:35:39,589 --> 00:35:37,599
good thing like he tried he paid money

912
00:35:41,670 --> 00:35:39,599
to put his money where his mouth is and

913
00:35:43,430 --> 00:35:41,680

like try to stop world war one like

914

00:35:45,270 --> 00:35:43,440

that's admirable i wish it would have

915

00:35:46,630 --> 00:35:45,280

worked that would have been really cool

916

00:35:48,470 --> 00:35:46,640

but it didn't

917

00:35:50,230 --> 00:35:48,480

and it was

918

00:35:51,670 --> 00:35:50,240

it's it's really funny because like i

919

00:35:53,990 --> 00:35:51,680

don't know there's something about

920

00:35:55,270 --> 00:35:54,000

americans like we just

921

00:35:56,870 --> 00:35:55,280

there's a certain

922

00:35:58,390 --> 00:35:56,880

subset of us where we're just like if we

923

00:35:59,750 --> 00:35:58,400

could just get a businessman in there

924

00:36:03,349 --> 00:35:59,760

and you know he'll just solve all the

925

00:36:05,190 --> 00:36:03,359

problems and every generation we keep we

926
00:36:06,390 --> 00:36:05,200
have at least one guy where we think

927
00:36:08,870 --> 00:36:06,400
that'll work

928
00:36:11,349 --> 00:36:08,880
but like it never does because it's

929
00:36:13,750 --> 00:36:11,359
always a lot more complicated henry ford

930
00:36:14,710 --> 00:36:13,760
thought he could stop in a world war by

931
00:36:16,230 --> 00:36:14,720
just like

932
00:36:19,190 --> 00:36:16,240
talking it out

933
00:36:21,349 --> 00:36:19,200
that is kind of delusional

934
00:36:23,589 --> 00:36:21,359
well i see i i don't know that that

935
00:36:26,470 --> 00:36:23,599
that's not the part that i would

936
00:36:28,230 --> 00:36:26,480
call out as delusional and there's just

937
00:36:29,910 --> 00:36:28,240
so many subtle things we could go down

938
00:36:31,510 --> 00:36:29,920

so many rabbit holes but i don't want to

939

00:36:33,589 --> 00:36:31,520

skip over the fact that talking about

940

00:36:36,950 --> 00:36:33,599

that a lot of the bankers who were

941

00:36:39,670 --> 00:36:36,960

really putting the financial squeeze on

942

00:36:42,790 --> 00:36:39,680

ford happened to be jewish

943

00:36:44,790 --> 00:36:42,800

that's like a historical fact so it's

944

00:36:46,470 --> 00:36:44,800

like when we talk about ford's

945

00:36:49,030 --> 00:36:46,480

anti-semitism

946

00:36:50,870 --> 00:36:49,040

we can't then leave out that other part

947

00:36:53,430 --> 00:36:50,880

of the story and we don't have to draw

948

00:36:55,670 --> 00:36:53,440

any conclusions about it it just means

949

00:36:57,430 --> 00:36:55,680

that that's who they were i'll tell you

950

00:36:58,870 --> 00:36:57,440

that you know the other story that i was

951
00:37:00,230 --> 00:36:58,880
gonna add to the

952
00:37:01,910 --> 00:37:00,240
kind of

953
00:37:04,230 --> 00:37:01,920
free-ranging discussion we're having

954
00:37:06,310 --> 00:37:04,240
here have you ever heard about

955
00:37:08,550 --> 00:37:06,320
florentia

956
00:37:09,510 --> 00:37:08,560
uh is that the henry ford

957
00:37:12,550 --> 00:37:09,520
community

958
00:37:15,990 --> 00:37:12,560
yeah yeah so so henry ford again the

959
00:37:18,069 --> 00:37:16,000
grandiosity which kind of i think is is

960
00:37:21,030 --> 00:37:18,079
a better indicator of this guy's

961
00:37:23,190 --> 00:37:21,040
headspace and how he gets into oh it's

962
00:37:25,190 --> 00:37:23,200
all about the jews let's give hitler

963
00:37:27,349 --> 00:37:25,200

hates the jews let's give hitler money

964

00:37:28,790 --> 00:37:27,359

kind of crazy

965

00:37:31,829 --> 00:37:28,800

line of logic

966

00:37:34,710 --> 00:37:31,839

he went down to brazil because he was

967

00:37:36,310 --> 00:37:34,720

being squeezed by he felt by the rubber

968

00:37:38,710 --> 00:37:36,320

companies and they were it was a

969

00:37:40,790 --> 00:37:38,720

monopoly and then the rubber collars

970

00:37:43,750 --> 00:37:40,800

were horrible what they did to people

971

00:37:45,910 --> 00:37:43,760

enslaving people and you know

972

00:37:48,310 --> 00:37:45,920

all that stuff so he says henry ford i

973

00:37:51,030 --> 00:37:48,320

got a better way i'll go down to brazil

974

00:37:52,550 --> 00:37:51,040

i'll create my own community

975

00:37:54,870 --> 00:37:52,560

and it'll be of course a rubber

976

00:37:58,230 --> 00:37:54,880

plantation that will serve us ford motor

977

00:38:00,950 --> 00:37:58,240

company but it'll also be a whole new

978

00:38:02,790 --> 00:38:00,960

way of living we'll teach these people

979

00:38:05,750 --> 00:38:02,800

these natives you know all this stuff

980

00:38:09,510 --> 00:38:05,760

and it's kind of a classic example of

981

00:38:10,950 --> 00:38:09,520

go getterism gone wild in that he goes

982

00:38:12,710 --> 00:38:10,960

and he tells all the people you gotta

983

00:38:15,030 --> 00:38:12,720

work nine to five

984

00:38:17,430 --> 00:38:15,040

and the people go dude

985

00:38:18,950 --> 00:38:17,440

we live in the tropics you can't work

986

00:38:21,190 --> 00:38:18,960

during the middle of the day it just

987

00:38:22,950 --> 00:38:21,200

doesn't work because nope got to be in

988

00:38:24,950 --> 00:38:22,960

there nine to five got you know because

989

00:38:27,829 --> 00:38:24,960

he was really into the schedule stuff

990

00:38:29,430 --> 00:38:27,839

and it the production goes way way down

991

00:38:31,990 --> 00:38:29,440

the other thing he says is you have to

992

00:38:33,670 --> 00:38:32,000

build proper houses like this and all

993

00:38:35,270 --> 00:38:33,680

the people go nah you don't want to

994

00:38:37,190 --> 00:38:35,280

build walls and stuff like that i mean

995

00:38:38,390 --> 00:38:37,200

it's really hot down here we need you

996

00:38:40,150 --> 00:38:38,400

know the

997

00:38:41,990 --> 00:38:40,160

the walls to be totally open so when you

998

00:38:44,069 --> 00:38:42,000

do get that br all this kind of common

999

00:38:45,589 --> 00:38:44,079

sense stuff he's like nope nope there's

1000

00:38:47,510 --> 00:38:45,599

only one way to do it and this is the

1001
00:38:49,510 --> 00:38:47,520
way to do it and the whole project just

1002
00:38:51,270 --> 00:38:49,520
fails miserably he loses millions of

1003
00:38:53,829 --> 00:38:51,280
dollars and then they

1004
00:38:55,430 --> 00:38:53,839
invent synthetic rubber and he's kind of

1005
00:38:58,310 --> 00:38:55,440
saves the day but

1006
00:39:00,230 --> 00:38:58,320
to me that's the parallel

1007
00:39:01,910 --> 00:39:00,240
that i draw you know what's so

1008
00:39:04,550 --> 00:39:01,920
interesting about that is just like

1009
00:39:07,829 --> 00:39:04,560
stopping world war one it shows henry

1010
00:39:08,950 --> 00:39:07,839
ford had good intentions up to a point

1011
00:39:11,270 --> 00:39:08,960
because

1012
00:39:12,630 --> 00:39:11,280
like you said the rubber industry was so

1013
00:39:15,190 --> 00:39:12,640

insanely

1014

00:39:17,750 --> 00:39:15,200

like brutalizing that like

1015

00:39:20,150 --> 00:39:17,760

literally any other type of production

1016

00:39:21,910 --> 00:39:20,160

of that rubber would have been

1017

00:39:23,750 --> 00:39:21,920

amazing like

1018

00:39:25,910 --> 00:39:23,760

the amount of people who died

1019

00:39:26,870 --> 00:39:25,920

in the rubber trade during those years

1020

00:39:29,589 --> 00:39:26,880

was just

1021

00:39:31,750 --> 00:39:29,599

staggering and so like

1022

00:39:34,470 --> 00:39:31,760

it really almost shows you that like

1023

00:39:36,069 --> 00:39:34,480

henry ford did sort of have these

1024

00:39:38,630 --> 00:39:36,079

quasi-socialist

1025

00:39:41,030 --> 00:39:38,640

sort of ideas but then he fell into the

1026

00:39:42,390 --> 00:39:41,040

classic socialism of fools which is

1027

00:39:44,230 --> 00:39:42,400

anti-semitism

1028

00:39:47,030 --> 00:39:44,240

well yeah well i mean i just think

1029

00:39:49,589 --> 00:39:47,040

that's just one way to connect it you

1030

00:39:51,430 --> 00:39:49,599

know is the anti-semitism i think it

1031

00:39:53,349 --> 00:39:51,440

gets kind of

1032

00:39:55,030 --> 00:39:53,359

too much play way too much play but

1033

00:39:57,510 --> 00:39:55,040

that'll get into another discussion we

1034

00:39:58,710 --> 00:39:57,520

may or may not have and that is you know

1035

00:40:01,349 --> 00:39:58,720

what is this

1036

00:40:03,510 --> 00:40:01,359

thunder god jewish religion

1037

00:40:05,829 --> 00:40:03,520

thing all about to begin with why is

1038

00:40:07,670 --> 00:40:05,839

that drag through history and kind of

1039

00:40:10,470 --> 00:40:07,680

propped up well it's propped up because

1040

00:40:12,630 --> 00:40:10,480

of christianity well how solid is

1041

00:40:14,790 --> 00:40:12,640

christianity really how solid is the

1042

00:40:16,710 --> 00:40:14,800

notion of the historical jesus how solid

1043

00:40:17,910 --> 00:40:16,720

is the bible and all the rest of that

1044

00:40:19,589 --> 00:40:17,920

stuff

1045

00:40:21,589 --> 00:40:19,599

those are all topics we've explored in

1046

00:40:23,349 --> 00:40:21,599

depth on this show i don't think it's

1047

00:40:25,349 --> 00:40:23,359

appropriate for what we're talking about

1048

00:40:27,190 --> 00:40:25,359

right now but i think once you start to

1049

00:40:29,270 --> 00:40:27,200

unravel it i

1050

00:40:31,589 --> 00:40:29,280

i it just puts a whole different spin on

1051

00:40:34,630 --> 00:40:31,599

it it's like i i don't jewish i mean

1052

00:40:36,950 --> 00:40:34,640

what the it's kind of a goofy you know

1053

00:40:39,190 --> 00:40:36,960

obey all these rules spin around three

1054

00:40:41,990 --> 00:40:39,200

times don't eat this and that it's not

1055

00:40:44,870 --> 00:40:42,000

anything from a contemporary standpoint

1056

00:40:48,150 --> 00:40:44,880

we'd say wow that's they really got some

1057

00:40:51,190 --> 00:40:48,160

insights into the divine nature of the

1058

00:40:53,829 --> 00:40:51,200

human consciousness experience you know

1059

00:40:55,109 --> 00:40:53,839

not that any other religion would as

1060

00:40:58,870 --> 00:40:55,119

well or

1061

00:41:01,829 --> 00:40:58,880

falun gong or moonies or scientologists

1062

00:41:05,030 --> 00:41:01,839

but we never we never bring that to the

1063

00:41:07,030 --> 00:41:05,040

table when we talk about anti-semitism

1064

00:41:09,270 --> 00:41:07,040

you know what i mean it's just like oh

1065

00:41:11,750 --> 00:41:09,280

it's anti-semitic and oh my god that's

1066

00:41:13,430 --> 00:41:11,760

led to the holocaust well yeah it did

1067

00:41:16,630 --> 00:41:13,440

because

1068

00:41:18,230 --> 00:41:16,640

crazy people can do crazy kind of stuff

1069

00:41:20,390 --> 00:41:18,240

and they can do it for long periods of

1070

00:41:22,069 --> 00:41:20,400

time so i don't know it's kind of a

1071

00:41:24,309 --> 00:41:22,079

kind of a rant but maybe you want to

1072

00:41:26,750 --> 00:41:24,319

jump in there with kind of part of that

1073

00:41:29,910 --> 00:41:26,760

because i think it does parse this

1074

00:41:31,910 --> 00:41:29,920

anti-semitism anti-jewish thing a little

1075

00:41:33,910 --> 00:41:31,920

bit differently

1076

00:41:34,870 --> 00:41:33,920

yeah i mean in the case of the nazis

1077

00:41:37,190 --> 00:41:34,880

like

1078

00:41:38,950 --> 00:41:37,200

they would scapegoat the jews and it

1079

00:41:40,790 --> 00:41:38,960

really a lot of the things they were

1080

00:41:43,190 --> 00:41:40,800

complaining about were not actually the

1081

00:41:46,069 --> 00:41:43,200

jews fault like i know that

1082

00:41:48,630 --> 00:41:46,079

is kind of an obvious statement but like

1083

00:41:50,790 --> 00:41:48,640

the the like the scapegoating function

1084

00:41:53,589 --> 00:41:50,800

it can really be any group it can be

1085

00:41:55,750 --> 00:41:53,599

pretty arbitrary sometimes but like

1086

00:41:56,790 --> 00:41:55,760

it feels good to blame people for things

1087

00:41:59,430 --> 00:41:56,800

and

1088

00:42:01,430 --> 00:41:59,440

it's all the like it's more effective if

1089

00:42:03,750 --> 00:42:01,440

you can blame them for some true things

1090

00:42:05,829 --> 00:42:03,760

right so like

1091

00:42:08,230 --> 00:42:05,839

but yeah i mean i agree it doesn't even

1092

00:42:09,910 --> 00:42:08,240

necessarily have to correspond that

1093

00:42:12,710 --> 00:42:09,920

closely with

1094

00:42:15,349 --> 00:42:12,720

you know reality honestly yeah and

1095

00:42:17,750 --> 00:42:15,359

that's not exactly where i was going so

1096

00:42:21,030 --> 00:42:17,760

jimmy you're a christian

1097

00:42:23,430 --> 00:42:21,040

uh yes i was actually raised mormon

1098

00:42:26,550 --> 00:42:23,440

oh you were raised mormon you know i saw

1099

00:42:28,710 --> 00:42:26,560

you have an episode on uh the farm with

1100

00:42:30,710 --> 00:42:28,720

my buddy steven snyder i haven't

1101

00:42:33,109 --> 00:42:30,720

listened to it yet and you guys get into

1102

00:42:34,950 --> 00:42:33,119

the mormonism thing very interesting

1103

00:42:38,470 --> 00:42:34,960

that you're mormon because

1104

00:42:41,270 --> 00:42:38,480

i mean do you think mormonism is a cult

1105

00:42:42,870 --> 00:42:41,280

uh well okay you know how like

1106

00:42:45,589 --> 00:42:42,880

sometimes you hear that sound bite

1107

00:42:48,470 --> 00:42:45,599

that's like every religion used to be a

1108

00:42:52,630 --> 00:42:48,480

cult and a cult you know

1109

00:42:54,950 --> 00:42:52,640

eventually becomes a religion which like

1110

00:42:56,230 --> 00:42:54,960

i get what they mean in a certain sense

1111

00:42:58,710 --> 00:42:56,240

but like

1112

00:43:01,430 --> 00:42:58,720

ancient cults didn't necessarily have

1113

00:43:04,150 --> 00:43:01,440

this like weird confluence of like

1114

00:43:06,309 --> 00:43:04,160

intelligence agencies and like

1115

00:43:07,349 --> 00:43:06,319

you know funding them and like

1116

00:43:10,230 --> 00:43:07,359

they weren't necessarily

1117

00:43:11,829 --> 00:43:10,240

instrumentalized in all of the same ways

1118

00:43:13,589 --> 00:43:11,839

i mean there were a few cases where you

1119

00:43:14,630 --> 00:43:13,599

could sort of make that claim actually

1120

00:43:16,470 --> 00:43:14,640

but

1121

00:43:18,630 --> 00:43:16,480

you know what i mean like

1122

00:43:21,270 --> 00:43:18,640

when people say cults they think

1123

00:43:24,150 --> 00:43:21,280

jonestown and then

1124

00:43:25,109 --> 00:43:24,160

that's not necessarily what they mean

1125

00:43:29,510 --> 00:43:25,119

like

1126
00:43:31,430 --> 00:43:29,520
religion says it

1127
00:43:33,589 --> 00:43:31,440
you know what i'm saying

1128
00:43:35,030 --> 00:43:33,599
i i do i just think it's it's kind of

1129
00:43:36,150 --> 00:43:35,040
tricky because

1130
00:43:38,069 --> 00:43:36,160
the

1131
00:43:40,630 --> 00:43:38,079
professors of religion

1132
00:43:42,870 --> 00:43:40,640
have kind of a different agenda in

1133
00:43:45,270 --> 00:43:42,880
processing that right because they can't

1134
00:43:48,390 --> 00:43:45,280
they have to function inside of

1135
00:43:49,510 --> 00:43:48,400
academia who has kind of has a hands-off

1136
00:43:51,670 --> 00:43:49,520
position

1137
00:43:54,069 --> 00:43:51,680
vis-a-vis christianity or an

1138
00:43:56,150 --> 00:43:54,079

uncomfortable kind of well we can't

1139

00:43:58,390 --> 00:43:56,160

totally throw them under the bus

1140

00:43:59,270 --> 00:43:58,400

i i guess the the point that i was kind

1141

00:44:02,550 --> 00:43:59,280

of

1142

00:44:04,230 --> 00:44:02,560

going towards before is it's not so much

1143

00:44:07,030 --> 00:44:04,240

that like the thing with the

1144

00:44:09,990 --> 00:44:07,040

anti-semitic thing and the scapegoating

1145

00:44:12,069 --> 00:44:10,000

with hitler the one part i think that is

1146

00:44:13,990 --> 00:44:12,079

more obvious that people point out is

1147

00:44:15,750 --> 00:44:14,000

that the only way they're able to do

1148

00:44:19,270 --> 00:44:15,760

that is because

1149

00:44:22,550 --> 00:44:19,280

there are factions of anti-semitism

1150

00:44:24,069 --> 00:44:22,560

prominent factions in every country

1151

00:44:26,390 --> 00:44:24,079

in europe

1152

00:44:27,829 --> 00:44:26,400

i just did an interview with a guy named

1153

00:44:29,990 --> 00:44:27,839

uh scott jaye

1154

00:44:33,190 --> 00:44:30,000

and he's written this book on

1155

00:44:35,829 --> 00:44:33,200

kind of conspiracy theories in academia

1156

00:44:37,829 --> 00:44:35,839

and he's orthodox jew he's very very

1157

00:44:40,470 --> 00:44:37,839

successful guy very successful banker in

1158

00:44:42,309 --> 00:44:40,480

new york guy's probably worth a billion

1159

00:44:45,030 --> 00:44:42,319

dollars i give him a ton of credit for

1160

00:44:47,510 --> 00:44:45,040

somebody who has that kind of

1161

00:44:49,270 --> 00:44:47,520

financial means but he's still engaged

1162

00:44:51,349 --> 00:44:49,280

in the same kind of dialogues that you

1163

00:44:54,550 --> 00:44:51,359

and i are in digging through this stuff

1164

00:44:58,150 --> 00:44:54,560

and his book is an expose on

1165

00:45:00,069 --> 00:44:58,160

kind of anti-semitic and uh anti-zionist

1166

00:45:02,950 --> 00:45:00,079

conspiracy theories

1167

00:45:06,710 --> 00:45:02,960

so like one of the really fascinating

1168

00:45:09,990 --> 00:45:06,720

points about his story is his father

1169

00:45:12,950 --> 00:45:10,000

his father is in lithuania and he's 14

1170

00:45:15,349 --> 00:45:12,960

years old and the nazis come in and

1171

00:45:17,349 --> 00:45:15,359

suddenly all the neighbors all the

1172

00:45:18,550 --> 00:45:17,359

people he's lived with for generations

1173

00:45:20,550 --> 00:45:18,560

his family has lived with for

1174

00:45:21,910 --> 00:45:20,560

generations go yep there it is there's

1175

00:45:24,950 --> 00:45:21,920

the jew

1176

00:45:27,430 --> 00:45:24,960

so they make it so easy for the nazis

1177

00:45:29,670 --> 00:45:27,440

because there's this long-standing

1178

00:45:32,470 --> 00:45:29,680

anti-semitism that's just barely beneath

1179

00:45:34,710 --> 00:45:32,480

the surface scott's dad is sent to

1180

00:45:37,510 --> 00:45:34,720

auschwitz he should have died by all

1181

00:45:38,230 --> 00:45:37,520

accounts it's a horrific horrific thing

1182

00:45:40,309 --> 00:45:38,240

so

1183

00:45:42,230 --> 00:45:40,319

this part of history that we just got to

1184

00:45:44,309 --> 00:45:42,240

make sure we understand they were

1185

00:45:46,470 --> 00:45:44,319

tapping into this thing that had been

1186

00:45:49,109 --> 00:45:46,480

repeated over and over and over again

1187

00:45:51,750 --> 00:45:49,119

through history 1492 the spanish you

1188

00:45:53,910 --> 00:45:51,760

know at the same time they send columbus

1189

00:45:56,390 --> 00:45:53,920

off on those boats they also send all

1190

00:45:59,270 --> 00:45:56,400

the jews too and say get the hell out of

1191

00:46:00,470 --> 00:45:59,280

our country and i would roll that back

1192

00:46:03,589 --> 00:46:00,480

all the way

1193

00:46:07,109 --> 00:46:03,599

to early christianity i mean the only

1194

00:46:09,750 --> 00:46:07,119

reason judaism stays around is kind of

1195

00:46:12,870 --> 00:46:09,760

as the punchline to the joke of who

1196

00:46:14,390 --> 00:46:12,880

killed jesus well it's the jews i mean

1197

00:46:16,230 --> 00:46:14,400

yeah it's kind of

1198

00:46:19,430 --> 00:46:16,240

it's kind of the romans yeah but it's

1199

00:46:22,630 --> 00:46:19,440

really the jews they are the antagonist

1200

00:46:24,550 --> 00:46:22,640

in the story which i think is a psyop i

1201

00:46:26,630 --> 00:46:24,560

don't want to get into we can get into

1202

00:46:28,630 --> 00:46:26,640

all that at a later time but i think

1203

00:46:32,109 --> 00:46:28,640

that's how history plays out and that's

1204

00:46:35,349 --> 00:46:32,119

why we forget how deeply embedded this

1205

00:46:38,550 --> 00:46:35,359

anti-semitism is i think that that's by

1206

00:46:40,470 --> 00:46:38,560

and large the case like they were put

1207

00:46:41,589 --> 00:46:40,480

they were sort of forced into a bunch of

1208

00:46:43,430 --> 00:46:41,599

different

1209

00:46:46,230 --> 00:46:43,440

professions and then

1210

00:46:49,510 --> 00:46:46,240

you know historically like

1211

00:46:50,950 --> 00:46:49,520

doctors dentists jewelers bankers like

1212

00:46:53,030 --> 00:46:50,960

there's obviously these certain

1213

00:46:55,589 --> 00:46:53,040

professions that they were sort of

1214

00:46:57,829 --> 00:46:55,599

forced into and then they just stayed in

1215

00:47:01,109 --> 00:46:57,839

those professions so yeah absolutely

1216

00:47:03,829 --> 00:47:01,119

okay so we've kind of drifted

1217

00:47:05,670 --> 00:47:03,839

a little bit from program to chill your

1218

00:47:08,309 --> 00:47:05,680

excellent show so

1219

00:47:10,069 --> 00:47:08,319

bring us back what are some of the other

1220

00:47:11,670 --> 00:47:10,079

storylines i don't want to say

1221

00:47:13,910 --> 00:47:11,680

storylines because this is history

1222

00:47:16,630 --> 00:47:13,920

history rediscovered and history

1223

00:47:18,309 --> 00:47:16,640

recalibrated what are some of the other

1224

00:47:20,309 --> 00:47:18,319

major threads or

1225

00:47:21,540 --> 00:47:20,319

or what you're most proud of in terms of

1226

00:47:22,630 --> 00:47:21,550

exploring on the show

1227

00:47:25,589 --> 00:47:22,640

[Music]

1228

00:47:27,349 --> 00:47:25,599

yeah so i did a

1229

00:47:30,390 --> 00:47:27,359

it might not sound that enticing to

1230

00:47:33,990 --> 00:47:30,400

listeners but i did a 12 part series on

1231

00:47:36,390 --> 00:47:34,000

crop steel which was in that rur valley

1232

00:47:39,030 --> 00:47:36,400

where basically the germans

1233

00:47:40,950 --> 00:47:39,040

took all of the ore they made steel

1234

00:47:44,069 --> 00:47:40,960

and i sort of like

1235

00:47:45,510 --> 00:47:44,079

lay that out across like 400 years and

1236

00:47:48,630 --> 00:47:45,520

like

1237

00:47:50,790 --> 00:47:48,640

map it on to different major events in

1238

00:47:52,390 --> 00:47:50,800

world history mainly world war one and

1239

00:47:55,349 --> 00:47:52,400

world war ii

1240

00:47:57,430 --> 00:47:55,359

and there's all kinds of interesting

1241

00:48:00,230 --> 00:47:57,440

interesting little subplots that you

1242

00:48:01,750 --> 00:48:00,240

know go along that

1243

00:48:04,390 --> 00:48:01,760

um i

1244

00:48:07,510 --> 00:48:04,400

also have done a lot of work examining

1245

00:48:10,710 --> 00:48:07,520

different authors and their intelligence

1246

00:48:13,910 --> 00:48:10,720

connections because if you

1247

00:48:16,549 --> 00:48:13,920

are a fan of like jd salinger

1248

00:48:19,670 --> 00:48:16,559

you know ireland william peter blatty

1249

00:48:21,510 --> 00:48:19,680

aldous huxley you know like you read

1250

00:48:23,910 --> 00:48:21,520

george orwell like you read these

1251
00:48:25,589 --> 00:48:23,920
authors and you think of their works and

1252
00:48:28,390 --> 00:48:25,599
you don't think of them as spies

1253
00:48:30,870 --> 00:48:28,400
necessarily but a lot of them were

1254
00:48:34,069 --> 00:48:30,880
and so i sort of thread the needle on

1255
00:48:36,950 --> 00:48:34,079
that and there's some really interesting

1256
00:48:38,870 --> 00:48:36,960
things that can be gleaned from looking

1257
00:48:40,390 --> 00:48:38,880
at their careers with an eye to

1258
00:48:43,349 --> 00:48:40,400
intelligence

1259
00:48:45,829 --> 00:48:43,359
absolutely you do tune into the

1260
00:48:49,190 --> 00:48:45,839
intelligence connection you also connect

1261
00:48:51,270 --> 00:48:49,200
it to business in a really smart way

1262
00:48:52,069 --> 00:48:51,280
that not a lot of people do and that's

1263
00:48:53,990 --> 00:48:52,079

that

1264

00:48:56,230 --> 00:48:54,000

you know our intelligence organizations

1265

00:48:58,630 --> 00:48:56,240

a lot of them started out as

1266

00:49:01,109 --> 00:48:58,640

business internal intelligence you know

1267

00:49:03,990 --> 00:49:01,119

spy on our competition make sure our

1268

00:49:06,630 --> 00:49:04,000

competition isn't spying on us and then

1269

00:49:08,710 --> 00:49:06,640

from a legal perspective the

1270

00:49:10,390 --> 00:49:08,720

the first couple episodes with uh

1271

00:49:12,549 --> 00:49:10,400

sullivan cromwell

1272

00:49:14,630 --> 00:49:12,559

and uh the dulles brothers

1273

00:49:16,710 --> 00:49:14,640

great great great stuff talk a little

1274

00:49:19,829 --> 00:49:16,720

bit about that as well

1275

00:49:21,990 --> 00:49:19,839

oh yeah i mean i think that

1276

00:49:24,549 --> 00:49:22,000

all the modern intelligence agencies

1277

00:49:27,030 --> 00:49:24,559

seem to be tied in with

1278

00:49:28,870 --> 00:49:27,040

banking and finance and that's

1279

00:49:31,829 --> 00:49:28,880

especially true for

1280

00:49:33,430 --> 00:49:31,839

great britain and the united states so

1281

00:49:36,390 --> 00:49:33,440

i did

1282

00:49:39,750 --> 00:49:36,400

a couple episodes on allen dulles john

1283

00:49:41,670 --> 00:49:39,760

foster dulles and the the uh

1284

00:49:43,109 --> 00:49:41,680

law firm that they worked for sullivan

1285

00:49:47,990 --> 00:49:43,119

and cromwell

1286

00:49:50,309 --> 00:49:48,000

still around they're in fact

1287

00:49:52,630 --> 00:49:50,319

doing deals on mergers and acquisitions

1288

00:49:55,670 --> 00:49:52,640

to this day that are

1289

00:49:59,030 --> 00:49:55,680

you know have a global impact but

1290

00:50:01,829 --> 00:49:59,040

sullivan and cromwell started off as the

1291

00:50:04,069 --> 00:50:01,839

law firm for different cliques of

1292

00:50:05,030 --> 00:50:04,079

basically slave owners

1293

00:50:06,710 --> 00:50:05,040

and

1294

00:50:09,510 --> 00:50:06,720

they never really

1295

00:50:13,589 --> 00:50:09,520

stopped being what i would characterize

1296

00:50:15,270 --> 00:50:13,599

as almost cartoonishly evil and

1297

00:50:18,230 --> 00:50:15,280

that is the

1298

00:50:20,069 --> 00:50:18,240

skull duggary that

1299

00:50:21,270 --> 00:50:20,079

basically the intelligence agencies

1300

00:50:23,430 --> 00:50:21,280

recruited

1301
00:50:25,349 --> 00:50:23,440
a bunch of these wall street lawyers to

1302
00:50:27,670 --> 00:50:25,359
do their spying

1303
00:50:30,230 --> 00:50:27,680
it's just it's interesting

1304
00:50:32,549 --> 00:50:30,240
and along the way you give us a much

1305
00:50:34,710 --> 00:50:32,559
deeper insight into

1306
00:50:36,309 --> 00:50:34,720
the dulles brothers so

1307
00:50:38,309 --> 00:50:36,319
as kind of a

1308
00:50:40,549 --> 00:50:38,319
10 000 foot view for those who aren't

1309
00:50:43,270 --> 00:50:40,559
familiar with it who are they and why

1310
00:50:45,510 --> 00:50:43,280
are they important why do you say at

1311
00:50:48,069 --> 00:50:45,520
some point they are probably two of the

1312
00:50:50,549 --> 00:50:48,079
most important

1313
00:50:51,990 --> 00:50:50,559

attorneys in in history in american

1314

00:50:54,309 --> 00:50:52,000

history of the last i don't know at

1315

00:50:56,470 --> 00:50:54,319

least 100 years

1316

00:50:58,390 --> 00:50:56,480

yeah i mean you'd really have to go to

1317

00:51:00,870 --> 00:50:58,400

either the founding fathers or lincoln

1318

00:51:03,430 --> 00:51:00,880

or something to find someone like

1319

00:51:04,790 --> 00:51:03,440

a lawyer who is more important to u.s

1320

00:51:09,670 --> 00:51:04,800

history

1321

00:51:10,950 --> 00:51:09,680

uh john foster well the dulles family

1322

00:51:12,230 --> 00:51:10,960

like they

1323

00:51:13,430 --> 00:51:12,240

occupied

1324

00:51:16,150 --> 00:51:13,440

important

1325

00:51:17,750 --> 00:51:16,160

positions in various presidential

1326

00:51:20,069 --> 00:51:17,760

administrations

1327

00:51:22,630 --> 00:51:20,079

but it was really john foster dulles and

1328

00:51:23,430 --> 00:51:22,640

his brother alan dulles who achieved

1329

00:51:25,990 --> 00:51:23,440

that

1330

00:51:27,990 --> 00:51:26,000

high level because alan dulles was

1331

00:51:30,390 --> 00:51:28,000

director of the cia and john foster

1332

00:51:32,549 --> 00:51:30,400

dulles i'm pretty sure was secretary of

1333

00:51:35,190 --> 00:51:32,559

state and together

1334

00:51:36,630 --> 00:51:35,200

like they controlled the covert and

1335

00:51:37,589 --> 00:51:36,640

overt

1336

00:51:40,230 --> 00:51:37,599

like

1337

00:51:41,430 --> 00:51:40,240

foreign policy for the united states for

1338

00:51:43,349 --> 00:51:41,440

like

1339

00:51:45,430 --> 00:51:43,359

decades essentially

1340

00:51:46,950 --> 00:51:45,440

it's just remarkable

1341

00:51:49,270 --> 00:51:46,960

yeah they certainly

1342

00:51:50,790 --> 00:51:49,280

influenced it heavily no doubt about it

1343

00:51:52,470 --> 00:51:50,800

and you know we so you do this long

1344

00:51:54,710 --> 00:51:52,480

thing you haven't even gotten up to the

1345

00:51:56,470 --> 00:51:54,720

kennedy assassination which i can't wait

1346

00:51:58,790 --> 00:51:56,480

you know because most people when they

1347

00:52:02,150 --> 00:51:58,800

think of dulles they think

1348

00:52:05,270 --> 00:52:02,160

jfk and uh again you're just

1349

00:52:07,430 --> 00:52:05,280

doing a marvelous job of filling in the

1350

00:52:09,190 --> 00:52:07,440

back story in a very

1351
00:52:11,910 --> 00:52:09,200
important way

1352
00:52:14,390 --> 00:52:11,920
at some point in one of the shows

1353
00:52:17,670 --> 00:52:14,400
you kind of speak to

1354
00:52:19,990 --> 00:52:17,680
where you'd like to see your show fit in

1355
00:52:21,349 --> 00:52:20,000
in terms of making a difference in terms

1356
00:52:27,030 --> 00:52:21,359
of

1357
00:52:29,109 --> 00:52:27,040
bit how do you see that jimmy

1358
00:52:30,829 --> 00:52:29,119
yeah i mean i think that

1359
00:52:33,670 --> 00:52:30,839
with history

1360
00:52:35,910 --> 00:52:33,680
like we don't

1361
00:52:38,069 --> 00:52:35,920
really have a framework to understand

1362
00:52:39,349 --> 00:52:38,079
the present if we don't understand

1363
00:52:40,950 --> 00:52:39,359

history

1364

00:52:43,670 --> 00:52:40,960

and

1365

00:52:45,829 --> 00:52:43,680

i think that a lot of times it's benign

1366

00:52:48,950 --> 00:52:45,839

but a lot of times it's you know bad

1367

00:52:50,870 --> 00:52:48,960

intense the history that we're fed is

1368

00:53:20,230 --> 00:52:50,880

a

1369

00:53:21,510 --> 00:53:20,240

problem solved

1370

00:53:23,829 --> 00:53:21,520

but

1371

00:53:26,150 --> 00:53:23,839

if we are really engaged with history

1372

00:53:27,670 --> 00:53:26,160

and trust me i understand it can be

1373

00:53:30,630 --> 00:53:27,680

exhausting

1374

00:53:31,750 --> 00:53:30,640

but like if we're engaged in history

1375

00:53:34,069 --> 00:53:31,760

then

1376

00:53:36,309 --> 00:53:34,079

we can start to understand what's

1377

00:53:38,710 --> 00:53:36,319

happening right now

1378

00:53:41,510 --> 00:53:38,720

and i don't mean that at like a facial

1379

00:53:44,630 --> 00:53:41,520

level i mean like if we really

1380

00:53:48,470 --> 00:53:44,640

try our best to understand

1381

00:53:50,549 --> 00:53:48,480

the ins and outs of something like

1382

00:53:51,589 --> 00:53:50,559

you know the periods of history like

1383

00:53:53,349 --> 00:53:51,599

that i

1384

00:53:55,030 --> 00:53:53,359

was looking at

1385

00:53:57,030 --> 00:53:55,040

then i

1386

00:53:59,270 --> 00:53:57,040

i'm like i'm very fond of like this

1387

00:54:01,109 --> 00:53:59,280

documentary that

1388

00:54:04,390 --> 00:54:01,119

it sounds pretty far afield from what

1389

00:54:05,990 --> 00:54:04,400

we're talking about but it's uh room 237

1390

00:54:08,309 --> 00:54:06,000

it's a

1391

00:54:09,430 --> 00:54:08,319

creative like

1392

00:54:12,790 --> 00:54:09,440

look at

1393

00:54:13,990 --> 00:54:12,800

the stanley kubrick movie the shining

1394

00:54:16,710 --> 00:54:14,000

and

1395

00:54:18,470 --> 00:54:16,720

in that they talk about you know the

1396

00:54:21,349 --> 00:54:18,480

little boy danny in the movie the

1397

00:54:23,030 --> 00:54:21,359

shining he's lost in this like maze and

1398

00:54:25,990 --> 00:54:23,040

he's running away from his father who's

1399

00:54:29,030 --> 00:54:26,000

going to kill him if he finds him

1400

00:54:32,230 --> 00:54:29,040

and it's only through tracing his steps

1401
00:54:33,030 --> 00:54:32,240
backwards and in walking backwards

1402
00:54:44,710 --> 00:54:33,040
he

1403
00:54:45,510 --> 00:54:44,720
following his own footsteps

1404
00:54:47,829 --> 00:54:45,520
and

1405
00:54:50,390 --> 00:54:47,839
humanity is essentially lost in a maze

1406
00:54:52,950 --> 00:54:50,400
of history where everywhere you turn

1407
00:54:55,109 --> 00:54:52,960
there are just massacres and

1408
00:54:57,430 --> 00:54:55,119
horrible events and

1409
00:54:59,829 --> 00:54:57,440
if we turn around or if we just stop we

1410
00:55:02,789 --> 00:54:59,839
might get axed to death by like our

1411
00:55:04,230 --> 00:55:02,799
maniac father like

1412
00:55:06,549 --> 00:55:04,240
so

1413
00:55:08,309 --> 00:55:06,559

we have to be engaged with history we

1414

00:55:10,309 --> 00:55:08,319

have to

1415

00:55:13,349 --> 00:55:10,319

trace it back if we ever want to make

1416

00:55:16,150 --> 00:55:13,359

any progress in this maze for humanity

1417

00:55:18,150 --> 00:55:16,160

essentially so that is my personal

1418

00:55:19,190 --> 00:55:18,160

philosophy on history i guess you could

1419

00:55:21,670 --> 00:55:19,200

say

1420

00:55:25,030 --> 00:55:21,680

wonderful i love how you connected it to

1421

00:55:26,870 --> 00:55:25,040

that excellent movie uh room 237 which i

1422

00:55:28,630 --> 00:55:26,880

really enjoyed too one of the things i

1423

00:55:31,430 --> 00:55:28,640

thought was interesting is when they're

1424

00:55:35,109 --> 00:55:31,440

talking about the possibility that one

1425

00:55:36,789 --> 00:55:35,119

of the themes that kubrick is trying to

1426

00:55:39,190 --> 00:55:36,799

get across to us in the movie the

1427

00:55:41,349 --> 00:55:39,200

shining is about

1428

00:55:43,990 --> 00:55:41,359

the holocaust of the native american

1429

00:55:46,870 --> 00:55:44,000

people that was done

1430

00:55:48,710 --> 00:55:46,880

in in our country but anyways i was

1431

00:55:50,470 --> 00:55:48,720

watching the movie with my wife and

1432

00:55:52,470 --> 00:55:50,480

she's like oh come on i think this is

1433

00:55:54,870 --> 00:55:52,480

definitely a stretch you know they're

1434

00:55:57,349 --> 00:55:54,880

saying that when they shoot the scene

1435

00:55:59,190 --> 00:55:57,359

and there's the baking soda cans in the

1436

00:56:01,990 --> 00:55:59,200

background and they all have an indian

1437

00:56:04,630 --> 00:56:02,000

chief on it oh come on that's just you

1438

00:56:06,549 --> 00:56:04,640

know it's just what's in the store room

1439

00:56:09,990 --> 00:56:06,559

and then the guy brings up the still

1440

00:56:11,349 --> 00:56:10,000

shot of kubrick actually

1441

00:56:14,390 --> 00:56:11,359

when they were doing the filming and

1442

00:56:16,150 --> 00:56:14,400

he's turning each can individually in

1443

00:56:20,630 --> 00:56:16,160

order to bring the indian right to the

1444

00:56:22,230 --> 00:56:20,640

front you go oh [h__h] it really is kind

1445

00:56:25,829 --> 00:56:22,240

of on that level do you remember that

1446

00:56:28,150 --> 00:56:25,839

part oh yeah absolutely like it's so fun

1447

00:56:30,230 --> 00:56:28,160

to watch like i've made different people

1448

00:56:32,870 --> 00:56:30,240

in my life watch that movie just to see

1449

00:56:35,430 --> 00:56:32,880

how they all process the information

1450

00:56:37,349 --> 00:56:35,440

because i've seen the full spectrum of

1451
00:56:39,510 --> 00:56:37,359
like responses from like

1452
00:56:41,510 --> 00:56:39,520
this is the most insane schizophrenic

1453
00:56:45,190 --> 00:56:41,520
movie i've ever seen to like i'm

1454
00:56:47,510 --> 00:56:45,200
completely sold on every theory right

1455
00:56:49,990 --> 00:56:47,520
and it's so interesting

1456
00:56:51,829 --> 00:56:50,000
so you know back if we can't just trace

1457
00:56:54,150 --> 00:56:51,839
back those steps

1458
00:56:56,230 --> 00:56:54,160
not to pick up on the

1459
00:56:57,109 --> 00:56:56,240
metaphorical thread that you laid out

1460
00:56:58,630 --> 00:56:57,119
there

1461
00:57:00,870 --> 00:56:58,640
the thing about history that you're

1462
00:57:03,910 --> 00:57:00,880
revealing is

1463
00:57:05,190 --> 00:57:03,920

what we normally hear kind of standard

1464

00:57:07,349 --> 00:57:05,200

trope is

1465

00:57:09,030 --> 00:57:07,359

if we don't understand history we're

1466

00:57:11,589 --> 00:57:09,040

doomed to repeat it

1467

00:57:12,710 --> 00:57:11,599

and what i hear you saying is

1468

00:57:14,789 --> 00:57:12,720

something

1469

00:57:17,270 --> 00:57:14,799

quite different and

1470

00:57:20,069 --> 00:57:17,280

i hear you saying if we don't understand

1471

00:57:21,670 --> 00:57:20,079

the parapolitical nature of all history

1472

00:57:24,309 --> 00:57:21,680

we're given

1473

00:57:26,549 --> 00:57:24,319

we don't even have a chance to process

1474

00:57:27,510 --> 00:57:26,559

it let alone repeat it

1475

00:57:30,789 --> 00:57:27,520

and

1476

00:57:33,349 --> 00:57:30,799

i i just wonder if there's

1477

00:57:35,430 --> 00:57:33,359

how that relates to you to

1478

00:57:37,829 --> 00:57:35,440

more contemporary issues and what's

1479

00:57:41,109 --> 00:57:37,839

going on today

1480

00:57:43,990 --> 00:57:41,119

oh yeah i mean i think it's a

1481

00:57:47,750 --> 00:57:44,000

i try not to blackpill or doom doom

1482

00:57:50,630 --> 00:57:47,760

people with any of my analysis and

1483

00:57:53,750 --> 00:57:50,640

to a certain extent i like to talk about

1484

00:57:56,630 --> 00:57:53,760

things several decades old because

1485

00:57:59,430 --> 00:57:56,640

for one thing a lot of sources are in

1486

00:58:02,789 --> 00:57:59,440

flux it can be hard to process a more

1487

00:58:03,990 --> 00:58:02,799

recent event you know very well

1488

00:58:06,470 --> 00:58:04,000

but

1489

00:58:09,030 --> 00:58:06,480

i try not to

1490

00:58:10,630 --> 00:58:09,040

talk too much about current events for

1491

00:58:13,030 --> 00:58:10,640

those reasons but

1492

00:58:15,270 --> 00:58:13,040

i've said this before i think that we

1493

00:58:17,430 --> 00:58:15,280

are in a period of history where there

1494

00:58:20,630 --> 00:58:17,440

have never been as many professional

1495

00:58:23,030 --> 00:58:20,640

liars and people whose literal job it is

1496

00:58:25,349 --> 00:58:23,040

to spread disinformation

1497

00:58:29,750 --> 00:58:25,359

like we've never had

1498

00:58:31,829 --> 00:58:29,760

this many people who full time put out

1499

00:58:33,510 --> 00:58:31,839

literally inaccurate information as

1500

00:58:34,789 --> 00:58:33,520

their job and

1501
00:58:38,230 --> 00:58:34,799
that has

1502
00:58:41,190 --> 00:58:38,240
such weird widespread implications for

1503
00:58:42,150 --> 00:58:41,200
like just consensus reality

1504
00:58:44,470 --> 00:58:42,160
like

1505
00:58:46,549 --> 00:58:44,480
there are people whose job it is to just

1506
00:58:49,589 --> 00:58:46,559
make things up about ufos there are

1507
00:58:51,589 --> 00:58:49,599
people whose job it is to

1508
00:58:53,990 --> 00:58:51,599
you know take your pick almost with

1509
00:58:55,670 --> 00:58:54,000
certain topics like somewhere there's

1510
00:58:57,910 --> 00:58:55,680
probably an intelligence agency

1511
00:59:01,750 --> 00:58:57,920
somewhere in the world trying to

1512
00:59:04,789 --> 00:59:01,760
influence you on something like

1513
00:59:06,549 --> 00:59:04,799

i'm very fond of the metaphor that james

1514

00:59:08,950 --> 00:59:06,559

jesus angleton head of

1515

00:59:11,990 --> 00:59:08,960

counterintelligence for the cia used to

1516

00:59:14,470 --> 00:59:12,000

say which was that you know he would

1517

00:59:15,750 --> 00:59:14,480

talk about a wilderness of mirrors

1518

00:59:18,789 --> 00:59:15,760

and

1519

00:59:20,950 --> 00:59:18,799

to a very large degree i feel like

1520

00:59:24,710 --> 00:59:20,960

we are all all of us trapped in a

1521

00:59:27,030 --> 00:59:24,720

wilderness of mirrors because

1522

00:59:30,309 --> 00:59:27,040

we are constantly confronted with

1523

00:59:33,349 --> 00:59:30,319

stories and people and hot takes that

1524

00:59:35,589 --> 00:59:33,359

don't correspond to reality and are

1525

00:59:37,990 --> 00:59:35,599

people reacting to a fake story in the

1526

00:59:39,349 --> 00:59:38,000

first place you know what i'm saying

1527

00:59:41,030 --> 00:59:39,359

it's very

1528

00:59:42,950 --> 00:59:41,040

it's a very strange state of affairs we

1529

00:59:44,549 --> 00:59:42,960

find ourselves in

1530

00:59:45,589 --> 00:59:44,559

i agree with you on a number of fronts

1531

00:59:47,270 --> 00:59:45,599

one

1532

00:59:49,670 --> 00:59:47,280

i like you

1533

00:59:50,309 --> 00:59:49,680

prefer history that has a little bit of

1534

01:00:07,030 --> 00:59:50,319

a

1535

01:00:08,870 --> 01:00:07,040

sunset it's

1536

01:00:11,670 --> 01:00:08,880

more prone to being

1537

01:00:13,510 --> 01:00:11,680

uh rewritten and uh irrecoverably

1538

01:00:15,990 --> 01:00:13,520

rewritten in a way that we can't get

1539

01:00:18,390 --> 01:00:16,000

back to it no one talks about 9 11

1540

01:00:20,150 --> 01:00:18,400

anymore it's like it's gone

1541

01:00:22,789 --> 01:00:20,160

it's like no one talks about building

1542

01:00:24,950 --> 01:00:22,799

seven what the heck happened with

1543

01:00:27,030 --> 01:00:24,960

building seven but you know one of the

1544

01:00:29,670 --> 01:00:27,040

points that that i thought would be

1545

01:00:31,829 --> 01:00:29,680

interesting to kind of talk about and i

1546

01:00:34,710 --> 01:00:31,839

don't even know that

1547

01:00:35,670 --> 01:00:34,720

i might even divide this

1548

01:00:40,390 --> 01:00:35,680

interview

1549

01:00:42,390 --> 01:00:40,400

into two sections because or two shows

1550

01:00:44,230 --> 01:00:42,400

and that's what i did i got two shows

1551
01:00:45,750 --> 01:00:44,240
with jimmy the second one is coming up

1552
01:00:47,910 --> 01:00:45,760
we get into some really interesting

1553
01:00:50,549 --> 01:00:47,920
stuff about the tinfoil left and about

1554
01:00:52,630 --> 01:00:50,559
world view collide with regard to ufos

1555
01:00:54,549 --> 01:00:52,640
and some other stuff that i just think

1556
01:00:57,109 --> 01:00:54,559
is fantastic and i haven't

1557
01:00:59,829 --> 01:00:57,119
seen slash heard that conversation

1558
01:01:02,230 --> 01:00:59,839
anywhere else i was really appreciative

1559
01:01:04,309 --> 01:01:02,240
of jimmy for engaging with it so you'll

1560
01:01:05,829 --> 01:01:04,319
find that in part two but there's still

1561
01:01:08,150 --> 01:01:05,839
some more to go

1562
01:01:10,390 --> 01:01:08,160
in part one i returned to

1563
01:01:13,030 --> 01:01:10,400

program to chill in his work with the

1564

01:01:16,069 --> 01:01:13,040

nazi history and how we're to understand

1565

01:01:18,950 --> 01:01:16,079

it here goes

1566

01:01:20,950 --> 01:01:18,960

okay jimmy fantastic i really really

1567

01:01:24,069 --> 01:01:20,960

appreciate the way you've kind of

1568

01:01:26,069 --> 01:01:24,079

allowed us to go places and do the world

1569

01:01:28,630 --> 01:01:26,079

view collide kind of thing in an

1570

01:01:30,950 --> 01:01:28,640

interesting way and i hope we've

1571

01:01:32,630 --> 01:01:30,960

turned people on to your excellent show

1572

01:01:34,710 --> 01:01:32,640

because you really got to check out

1573

01:01:37,589 --> 01:01:34,720

program to chill i guarantee if you if

1574

01:01:38,630 --> 01:01:37,599

you are into history at all like i am

1575

01:01:40,069 --> 01:01:38,640

you're going to love this because you're

1576

01:01:42,069 --> 01:01:40,079

going to discover a ton of stuff that

1577

01:01:44,710 --> 01:01:42,079

you didn't know before

1578

01:01:46,069 --> 01:01:44,720

tell me this though if we were going to

1579

01:01:48,950 --> 01:01:46,079

connect

1580

01:01:51,510 --> 01:01:48,960

what we know now about

1581

01:01:54,230 --> 01:01:51,520

the nazi operation which it was in its

1582

01:01:55,430 --> 01:01:54,240

connection to government big business

1583

01:01:58,789 --> 01:01:55,440

big money

1584

01:02:00,789 --> 01:01:58,799

and big politics in italy and in great

1585

01:02:02,710 --> 01:02:00,799

britain and in other places

1586

01:02:04,829 --> 01:02:02,720

but if we were going to particularly

1587

01:02:07,589 --> 01:02:04,839

connect it to big

1588

01:02:10,390 --> 01:02:07,599

business what are the corollaries with

1589

01:02:12,870 --> 01:02:10,400

today who is

1590

01:02:15,990 --> 01:02:12,880

the siemens so nazi party you know you

1591

01:02:17,670 --> 01:02:16,000

can look at uh bear or ig farben or

1592

01:02:21,349 --> 01:02:17,680

siemens or you could go through the list

1593

01:02:23,910 --> 01:02:21,359

of all the people all the companies that

1594

01:02:25,510 --> 01:02:23,920

just gouged or that benefited

1595

01:02:27,750 --> 01:02:25,520

tremendously

1596

01:02:29,430 --> 01:02:27,760

from this operation that was the nazi

1597

01:02:31,589 --> 01:02:29,440

party i think

1598

01:02:34,549 --> 01:02:31,599

we are in the middle of

1599

01:02:36,309 --> 01:02:34,559

such a great reset now today and a lot

1600

01:02:38,230 --> 01:02:36,319

of people have you said it made it

1601
01:02:39,029 --> 01:02:38,240
particularly relevant because it feels

1602
01:02:41,270 --> 01:02:39,039
like

1603
01:02:43,910 --> 01:02:41,280
a fourth reich thing so let's go out and

1604
01:02:46,950 --> 01:02:43,920
speculate a little bit you know who is

1605
01:02:50,950 --> 01:02:46,960
siemens today who is

1606
01:02:52,789 --> 01:02:50,960
bear today uh uh you know and uh

1607
01:02:55,910 --> 01:02:52,799
what are your thoughts

1608
01:02:58,470 --> 01:02:55,920
yeah i mean i think that if you look and

1609
01:03:01,750 --> 01:02:58,480
it's not exactly hidden knowledge you

1610
01:03:04,069 --> 01:03:01,760
look at who's benefiting

1611
01:03:06,950 --> 01:03:04,079
covid like obviously first and foremost

1612
01:03:08,309 --> 01:03:06,960
we're thinking pharmaceutical companies

1613
01:03:11,190 --> 01:03:08,319

but

1614

01:03:14,150 --> 01:03:11,200

if you look at certain

1615

01:03:16,549 --> 01:03:14,160

firms that were funding you know

1616

01:03:19,270 --> 01:03:16,559

work from home technologies certain

1617

01:03:21,990 --> 01:03:19,280

things basically everything that has

1618

01:03:22,870 --> 01:03:22,000

shot up in value over the past several

1619

01:03:24,549 --> 01:03:22,880

years

1620

01:03:27,349 --> 01:03:24,559

because of kovid

1621

01:03:29,270 --> 01:03:27,359

i think that it's fair to question some

1622

01:03:32,470 --> 01:03:29,280

of these things

1623

01:03:34,069 --> 01:03:32,480

um i think that we have also seen an

1624

01:03:37,029 --> 01:03:34,079

increase and

1625

01:03:39,349 --> 01:03:37,039

there's a almost a market increase in

1626
01:03:42,230 --> 01:03:39,359
capital accumulation

1627
01:03:43,109 --> 01:03:42,240
from the before the pandemic and you

1628
01:03:46,150 --> 01:03:43,119
know

1629
01:03:47,829 --> 01:03:46,160
now and basically

1630
01:03:51,190 --> 01:03:47,839
this has always been the case like the

1631
01:03:53,430 --> 01:03:51,200
rich generally get rich quicker than

1632
01:03:55,750 --> 01:03:53,440
you know the rest of us but like

1633
01:03:57,589 --> 01:03:55,760
there are specific policies being put in

1634
01:03:59,750 --> 01:03:57,599
place that are squeezing the middle

1635
01:04:00,710 --> 01:03:59,760
class squeezing small business owners

1636
01:04:03,510 --> 01:04:00,720
and

1637
01:04:05,510 --> 01:04:03,520
trust me like i am not exactly

1638
01:04:07,270 --> 01:04:05,520

crying for the small business owner but

1639

01:04:08,950 --> 01:04:07,280

i don't think it's healthy for america

1640

01:04:11,750 --> 01:04:08,960

for those

1641

01:04:13,589 --> 01:04:11,760

to dry up you know what i'm saying like

1642

01:04:15,589 --> 01:04:13,599

oh i mean i i know what you're saying

1643

01:04:17,910 --> 01:04:15,599

but i am crying for the small business

1644

01:04:19,750 --> 01:04:17,920

owner that is the best chance

1645

01:04:21,510 --> 01:04:19,760

yeah and it's really the best chance

1646

01:04:25,029 --> 01:04:21,520

that we have as

1647

01:04:28,789 --> 01:04:25,039

uh america in any sense of whatever that

1648

01:04:32,390 --> 01:04:28,799

means continuing again to me it's about

1649

01:04:34,630 --> 01:04:32,400

class mobility and the consolidation of

1650

01:04:36,150 --> 01:04:34,640

wealth at the super super elite level

1651

01:04:37,510 --> 01:04:36,160

which is really beyond even talking

1652

01:04:39,510 --> 01:04:37,520

about because it's not wealth at that

1653

01:04:41,589 --> 01:04:39,520

point it's really about control and it's

1654

01:04:42,470 --> 01:04:41,599

about social engineering it's not about

1655

01:04:44,069 --> 01:04:42,480

money

1656

01:04:47,670 --> 01:04:44,079

their goal

1657

01:04:49,990 --> 01:04:47,680

is to limit class mobility they don't

1658

01:04:51,829 --> 01:04:50,000

want they want everyone on universal

1659

01:04:54,390 --> 01:04:51,839

basic income what are you going to do

1660

01:04:55,750 --> 01:04:54,400

when you're on ubi you are and yet so

1661

01:04:57,589 --> 01:04:55,760

many people on the left think that's

1662

01:05:00,230 --> 01:04:57,599

like the way out just give me enough

1663

01:05:01,750 --> 01:05:00,240

food give me enough water it's like

1664

01:05:04,390 --> 01:05:01,760

bro

1665

01:05:06,950 --> 01:05:04,400

you will have no chance in that thing so

1666

01:05:08,870 --> 01:05:06,960

i think it's about class mobility but

1667

01:05:12,309 --> 01:05:08,880

what kind of concerns me

1668

01:05:14,470 --> 01:05:12,319

is that to me it seems obvious when

1669

01:05:15,510 --> 01:05:14,480

google is siemens

1670

01:05:18,069 --> 01:05:15,520

you know

1671

01:05:21,589 --> 01:05:18,079

twitter to a certain extent twitter i

1672

01:05:23,990 --> 01:05:21,599

mean what the the media is so completely

1673

01:05:25,670 --> 01:05:24,000

controlled towards one message it's

1674

01:05:28,630 --> 01:05:25,680

ridiculous and oh but now we're gonna

1675

01:05:30,630 --> 01:05:28,640

get a another voice cause trump has a

1676
01:05:33,430 --> 01:05:30,640
billion dollars and he's gonna buy the

1677
01:05:35,270 --> 01:05:33,440
other thing do you think trump is truly

1678
01:05:37,589 --> 01:05:35,280
an independent

1679
01:05:39,190 --> 01:05:37,599
kind of voice there i don't

1680
01:05:40,230 --> 01:05:39,200
the idea that

1681
01:05:43,029 --> 01:05:40,240
google

1682
01:05:45,270 --> 01:05:43,039
facebook amazon moderna

1683
01:05:46,870 --> 01:05:45,280
these are companies that for the most

1684
01:05:49,510 --> 01:05:46,880
part are kind of

1685
01:05:52,789 --> 01:05:49,520
supported or championed by people i see

1686
01:05:55,349 --> 01:05:52,799
on on the left or kind of the social

1687
01:05:57,750 --> 01:05:55,359
wokeness kind of folks they don't the

1688
01:06:01,510 --> 01:05:57,760

social wokeness folks they don't see

1689

01:06:04,230 --> 01:06:01,520

facebook as a threat they don't see uh

1690

01:06:05,990 --> 01:06:04,240

twitter as a threat they see it as gosh

1691

01:06:08,309 --> 01:06:06,000

darn it they're doing the right thing

1692

01:06:10,150 --> 01:06:08,319

because they're not letting those crazy

1693

01:06:11,670 --> 01:06:10,160

ideas out there those dangerous and

1694

01:06:13,910 --> 01:06:11,680

crazy ideas

1695

01:06:16,829 --> 01:06:13,920

what an op i mean it's a complete op

1696

01:06:18,470 --> 01:06:16,839

that's the parallel to me with the

1697

01:06:21,670 --> 01:06:18,480

nazism

1698

01:06:24,150 --> 01:06:21,680

yeah absolutely like i agree with you on

1699

01:06:27,029 --> 01:06:24,160

ubi like it's

1700

01:06:29,190 --> 01:06:27,039

the way it would be implemented would be

1701
01:06:31,109 --> 01:06:29,200
to undercut

1702
01:06:32,950 --> 01:06:31,119
people's ability to

1703
01:06:35,349 --> 01:06:32,960
you know rebel or

1704
01:06:37,190 --> 01:06:35,359
basically pose any meaningful

1705
01:06:39,430 --> 01:06:37,200
you know resistance to

1706
01:06:41,270 --> 01:06:39,440
the people implementing the policy in

1707
01:06:42,309 --> 01:06:41,280
the first place

1708
01:06:43,910 --> 01:06:42,319
and

1709
01:06:45,349 --> 01:06:43,920
yeah like

1710
01:06:46,549 --> 01:06:45,359
there's no reason to trust tech

1711
01:06:48,390 --> 01:06:46,559
companies

1712
01:06:50,390 --> 01:06:48,400
they

1713
01:06:51,910 --> 01:06:50,400

uh do not have people's best interests

1714

01:06:54,630 --> 01:06:51,920

in mind and

1715

01:06:56,950 --> 01:06:54,640

to go one step further like they're all

1716

01:06:58,870 --> 01:06:56,960

basically astroturfed by darpa in the

1717

01:07:00,870 --> 01:06:58,880

first place so like

1718

01:07:02,710 --> 01:07:00,880

they were never a meaningful challenge

1719

01:07:03,910 --> 01:07:02,720

they're just an extension of the soft

1720

01:07:06,230 --> 01:07:03,920

power of

1721

01:07:08,150 --> 01:07:06,240

essentially the pentagon

1722

01:07:10,309 --> 01:07:08,160

like network of businesses in the first

1723

01:07:12,390 --> 01:07:10,319

place so it's like it's all one big

1724

01:07:14,390 --> 01:07:12,400

network essentially i'd agree with that

1725

01:07:16,390 --> 01:07:14,400

to a certain i'm just reluctant to take

1726

01:07:18,630 --> 01:07:16,400

that too far because i think

1727

01:07:20,710 --> 01:07:18,640

it's like the mk ultra thing when you

1728

01:07:23,670 --> 01:07:20,720

take it too far and you start seeing all

1729

01:07:25,750 --> 01:07:23,680

of it as some organized no there are 150

1730

01:07:26,950 --> 01:07:25,760

mk ultra programs spreading through all

1731

01:07:27,990 --> 01:07:26,960

these universities and there are all

1732

01:07:30,470 --> 01:07:28,000

these different people who have

1733

01:07:32,390 --> 01:07:30,480

different spins on what it should be and

1734

01:07:35,349 --> 01:07:32,400

i think the same thing with the darpa

1735

01:07:36,950 --> 01:07:35,359

and the google and like if you're if

1736

01:07:39,109 --> 01:07:36,960

you're some guy at darpa or if you're

1737

01:07:42,069 --> 01:07:39,119

some guy in some intelligence agency of

1738

01:07:44,789 --> 01:07:42,079

course you want to have an in with

1739

01:07:46,470 --> 01:07:44,799

google you want to have an in with all

1740

01:07:49,029 --> 01:07:46,480

these companies but that doesn't mean

1741

01:07:50,950 --> 01:07:49,039

you control them completely any more

1742

01:07:53,270 --> 01:07:50,960

than the history that you reveal to us

1743

01:07:55,750 --> 01:07:53,280

about hitler is very telling right

1744

01:07:57,910 --> 01:07:55,760

they had a connection with hitler but

1745

01:08:00,870 --> 01:07:57,920

from what i learned from you

1746

01:08:03,270 --> 01:08:00,880

i think it's also wrong to think that

1747

01:08:08,230 --> 01:08:03,280

hitler from the very beginning from the

1748

01:08:10,549 --> 01:08:08,240

early 1920s is somehow a puppet of some

1749

01:08:12,870 --> 01:08:10,559

agency and his you know that he is

1750

01:08:13,670 --> 01:08:12,880

totally doing this under the direction

1751

01:08:15,750 --> 01:08:13,680

of

1752

01:08:17,749 --> 01:08:15,760

some guys in a smoky dark room in the

1753

01:08:20,709 --> 01:08:17,759

back what are your thoughts

1754

01:08:22,550 --> 01:08:20,719

yeah with something like google facebook

1755

01:08:24,309 --> 01:08:22,560

you know they're it's almost like you're

1756

01:08:26,390 --> 01:08:24,319

throwing you like you jump

1757

01:08:29,110 --> 01:08:26,400

like darpa is johnny appleseed throwing

1758

01:08:30,630 --> 01:08:29,120

seeds everywhere and you know some of

1759

01:08:32,229 --> 01:08:30,640

them aren't going to grow you know some

1760

01:08:33,030 --> 01:08:32,239

of them will and then

1761

01:08:38,229 --> 01:08:33,040

you

1762

01:08:40,390 --> 01:08:38,239

relationship there and they will never

1763

01:08:43,590 --> 01:08:40,400

forget that but they won't always do

1764

01:08:45,269 --> 01:08:43,600

what you say and vice versa like

1765

01:08:48,309 --> 01:08:45,279

it's yeah it would be wrong to say that

1766

01:08:51,269 --> 01:08:48,319

like darpa controls google but like

1767

01:08:54,229 --> 01:08:51,279

you know but like google was essentially

1768

01:08:55,749 --> 01:08:54,239

taking research done at

1769

01:08:58,309 --> 01:08:55,759

universities

1770

01:09:00,470 --> 01:08:58,319

and they basically privatized it and

1771

01:09:03,189 --> 01:09:00,480

then they do then they are basically

1772

01:09:05,990 --> 01:09:03,199

beholden to those

1773

01:09:07,669 --> 01:09:06,000

you know organizations and they share

1774

01:09:09,749 --> 01:09:07,679

the data with

1775

01:09:12,550 --> 01:09:09,759

government bureaucracies you know and so

1776

01:09:13,510 --> 01:09:12,560

and so on and so on same with facebook

1777

01:09:16,950 --> 01:09:13,520

you know

1778

01:09:18,789 --> 01:09:16,960

specifically that life log program like

1779

01:09:22,309 --> 01:09:18,799

it's almost more transparent there but

1780

01:09:23,590 --> 01:09:22,319

like yeah i agree it's not a one-to-one

1781

01:09:26,390 --> 01:09:23,600

control thing

1782

01:09:28,390 --> 01:09:26,400

jimmy what's coming up for us on program

1783

01:09:30,870 --> 01:09:28,400

to chill there's so many given what

1784

01:09:32,550 --> 01:09:30,880

you've done so far there's so much more

1785

01:09:34,550 --> 01:09:32,560

you could do

1786

01:09:37,430 --> 01:09:34,560

where are you going to take us

1787

01:09:40,229 --> 01:09:37,440

well i'm currently taking the listeners

1788

01:09:42,390 --> 01:09:40,239

on a ride into japan where we are

1789

01:09:45,669 --> 01:09:42,400

looking at fascinating

1790

01:09:49,110 --> 01:09:45,679

imperial japan so we're talking like the

1791

01:09:50,950 --> 01:09:49,120

colonization of korea manchuria china

1792

01:09:52,550 --> 01:09:50,960

we're going to look at japan's bio

1793

01:09:54,149 --> 01:09:52,560

weapons program

1794

01:09:56,709 --> 01:09:54,159

we're going to look at their banking

1795

01:10:00,870 --> 01:09:58,390

the yakuza

1796

01:10:03,510 --> 01:10:00,880

different right-wing organizations

1797

01:10:06,229 --> 01:10:03,520

different cults that they funded so

1798

01:10:08,630 --> 01:10:06,239

it's going to be a pretty wild ride

1799

01:10:11,270 --> 01:10:08,640

it's i gotta say it's an absolutely

1800

01:10:13,430 --> 01:10:11,280

great great choice on your part if you

1801
01:10:15,669 --> 01:10:13,440
don't mind me saying because again it

1802
01:10:17,110 --> 01:10:15,679
takes us out of this

1803
01:10:19,590 --> 01:10:17,120
cultural

1804
01:10:22,550 --> 01:10:19,600
myopic framework that we always want to

1805
01:10:24,149 --> 01:10:22,560
apply on things and it's like when it

1806
01:10:26,470 --> 01:10:24,159
and this is your intent because you said

1807
01:10:29,030 --> 01:10:26,480
you tell us that it is but when the same

1808
01:10:31,830 --> 01:10:29,040
patterns start emerging again you go

1809
01:10:34,550 --> 01:10:31,840
oh [\h__\h] you mean it's really not just

1810
01:10:35,990 --> 01:10:34,560
about the nazis you know

1811
01:10:37,590 --> 01:10:36,000
yeah

1812
01:10:39,030 --> 01:10:37,600
exactly like

1813
01:10:40,870 --> 01:10:39,040

japan like

1814

01:10:42,870 --> 01:10:40,880

americans sometimes think japan

1815

01:10:45,590 --> 01:10:42,880

functions differently for some reason

1816

01:10:47,590 --> 01:10:45,600

but like it really isn't that different

1817

01:10:48,870 --> 01:10:47,600

from germany in terms of like the

1818

01:10:50,870 --> 01:10:48,880

political

1819

01:10:53,189 --> 01:10:50,880

like like

1820

01:10:55,350 --> 01:10:53,199

body politic and like the difference how

1821

01:10:59,030 --> 01:10:55,360

the economy interacts with the politics

1822

01:11:01,189 --> 01:10:59,040

and that is also true for america like

1823

01:11:02,149 --> 01:11:01,199

the same industries tend to

1824

01:11:05,110 --> 01:11:02,159

fund

1825

01:11:06,870 --> 01:11:05,120

certain wings of politics and it's like

1826

01:11:08,709 --> 01:11:06,880

it's been pretty consistent over many

1827

01:11:10,070 --> 01:11:08,719

decades so it's just really interesting

1828

01:11:11,669 --> 01:11:10,080

to flesh that out

1829

01:11:14,630 --> 01:11:11,679

well best of luck with that you have a

1830

01:11:15,990 --> 01:11:14,640

huge fan in me and i can't wait for

1831

01:11:17,669 --> 01:11:16,000

the next episode and where you're going

1832

01:11:19,430 --> 01:11:17,679

to go with that and

1833

01:11:21,350 --> 01:11:19,440

when you get around to talking about the

1834

01:11:24,470 --> 01:11:21,360

dulles brothers and their involvement

1835

01:11:26,870 --> 01:11:24,480

with jfk and the missile crisis

1836

01:11:29,270 --> 01:11:26,880

it's something i can't wait to hear

1837

01:11:30,390 --> 01:11:29,280

folks make sure you check out program to

1838

01:11:32,070 --> 01:11:30,400

chill

1839

01:11:36,229 --> 01:11:32,080

jimmy fallon gong

1840

01:11:38,709 --> 01:11:36,239

hey jimmy any uh plans for any other

1841

01:11:41,910 --> 01:11:38,719

media ventures books

1842

01:11:44,149 --> 01:11:41,920

other uh things that you might be up to

1843

01:11:46,870 --> 01:11:44,159

uh not in the near future i've thought

1844

01:11:49,110 --> 01:11:46,880

about writing a book but maybe maybe one

1845

01:11:51,430 --> 01:11:49,120

day i would like to but

1846

01:11:53,830 --> 01:11:51,440

nothing in the works right now

1847

01:11:55,750 --> 01:11:53,840

great great well uh it's been great

1848

01:11:57,270 --> 01:11:55,760

having you on spend a couple hours maybe

1849

01:11:59,669 --> 01:11:57,280

we'll break it into two maybe i'll leave

1850

01:12:01,350 --> 01:11:59,679

it as one but thanks so much for joining

1851

01:12:03,110 --> 01:12:01,360

me on skeptico

1852

01:12:04,790 --> 01:12:03,120

thank you very much

1853

01:12:06,950 --> 01:12:04,800

thanks again to jimmy fallon gone for

1854

01:12:08,310 --> 01:12:06,960

joining me today on skeptico if you

1855

01:12:09,669 --> 01:12:08,320

liked it remember to stick around for

1856

01:12:12,070 --> 01:12:09,679

part two i think you'll find it

1857

01:12:13,669 --> 01:12:12,080

interesting the one question i t up from

1858

01:12:15,590 --> 01:12:13,679

this interview is

1859

01:12:17,990 --> 01:12:15,600

go do a little research and see if you

1860

01:12:20,550 --> 01:12:18,000

think jimmy's right about the blindness

1861

01:12:21,830 --> 01:12:20,560

thing the mesmerism thing

1862

01:12:23,270 --> 01:12:21,840

it's a fact that you ought to be able to

1863

01:12:26,229 --> 01:12:23,280

wrestle down to the ground one way or

1864

01:12:28,550 --> 01:12:26,239

another and it's important regarding

1865

01:12:30,390 --> 01:12:28,560

retracing this history i think isn't it

1866

01:12:32,310 --> 01:12:30,400

isn't it important

1867

01:12:37,200 --> 01:12:32,320

let me know your thoughts plenty more to

1868

01:12:50,800 --> 01:12:37,210

come as always take care and bye for now
