***CONSPIRACY
TO SPIRITUALITY***

#543-SEAN-STONE

1
00:00:00,480 --> 00:00:04,710
on this episode of skeptico

2
00:00:11,030 --> 00:00:08,070
how our power and control issues keep us

3
00:00:14,230 --> 00:00:11,040
from finding the damn truth

4
00:00:18,390 --> 00:00:14,240
here's a famous movie clip with today's

5
00:00:20,950 --> 00:00:18,400
guest in it but someday somewhere

6
00:00:21,990 --> 00:00:20,960
someone may find out the damn truth we

7
00:00:26,230 --> 00:00:22,000
better

8
00:00:27,910 --> 00:00:26,240
ourselves another government patriot

9
00:00:30,470 --> 00:00:27,920
must always be ready to defend his

10
00:00:32,950 --> 00:00:30,480
country stop right there we're watching

11
00:00:34,310 --> 00:00:32,960
the famous movie jfk and there is sean

12
00:00:36,150 --> 00:00:34,320
stone

13
00:00:38,549 --> 00:00:36,160

he's just a kid of course he's sitting

14

00:00:39,910 --> 00:00:38,559

in the courtroom he doesn't say much but

15

00:00:42,950 --> 00:00:39,920

he's in the film

16

00:00:46,310 --> 00:00:42,960

sean has been in and around this

17

00:00:49,029 --> 00:00:46,320

conspiracy stuff jfk probably one of the

18

00:00:49,910 --> 00:00:49,039

most famous conspiratorial movies of all

19

00:00:51,990 --> 00:00:49,920

time

20

00:00:53,670 --> 00:00:52,000

well sean's been around that

21

00:00:56,470 --> 00:00:53,680

all his life

22

00:00:58,150 --> 00:00:56,480

and he has a new documentary series that

23

00:01:00,270 --> 00:00:58,160

chronicles some of the interviews he's

24

00:01:03,430 --> 00:01:00,280

done over the years around the

25

00:01:05,990 --> 00:01:03,440

parapolitical conspiratorial world that

26

00:01:07,190 --> 00:01:06,000

we live in if you scratch right beneath

27

00:01:08,630 --> 00:01:07,200

the surface

28

00:01:10,870 --> 00:01:08,640

and we're going to certainly talk about

29

00:01:13,270 --> 00:01:10,880

that we're going to talk about his book

30

00:01:14,390 --> 00:01:13,280

but i think where sean stone really

31

00:01:15,990 --> 00:01:14,400

shines

32

00:01:20,310 --> 00:01:16,000

is when you talk about some of the

33

00:01:21,990 --> 00:01:20,320

deeper stuff the deep spirituality stuff

34

00:01:23,429 --> 00:01:22,000

it's about the power and control issues

35

00:01:25,590 --> 00:01:23,439

that we all have

36

00:01:26,550 --> 00:01:25,600

and that's what you said sean i'm just

37

00:01:28,390 --> 00:01:26,560

this is

38

00:01:29,350 --> 00:01:28,400

rehashing what you said

39

00:01:32,390 --> 00:01:29,360

hey

40

00:01:35,350 --> 00:01:32,400

i got power and control issues

41

00:01:37,429 --> 00:01:35,360

i look at my family i look at my wife i

42

00:01:38,950 --> 00:01:37,439

have power and control issues i look at

43

00:01:41,510 --> 00:01:38,960

my children

44

00:01:43,670 --> 00:01:41,520

i got power and control issues i want

45

00:01:45,510 --> 00:01:43,680

them to be a certain way

46

00:01:46,870 --> 00:01:45,520

is it really so hard for us to

47

00:01:50,310 --> 00:01:46,880

understand

48

00:01:53,910 --> 00:01:50,320

how that extends to people who have

49

00:01:56,149 --> 00:01:53,920

you know just enormous power i mean like

50

00:01:58,709 --> 00:01:56,159

bill gates is a is a tragic figure he'd

51
00:02:00,550 --> 00:01:58,719
be in some shakespearean play look into

52
00:02:03,510 --> 00:02:00,560
his eyes i mean it just

53
00:02:04,630 --> 00:02:03,520
that's not a a a good soul there

54
00:02:05,990 --> 00:02:04,640
it's like i had this conversation

55
00:02:07,749 --> 00:02:06,000
recently by the way about gates with

56
00:02:09,669 --> 00:02:07,759
this guy that said oh i like gates you

57
00:02:12,470 --> 00:02:09,679
know i he does business with him or what

58
00:02:14,390 --> 00:02:12,480
not and i say

59
00:02:15,510 --> 00:02:14,400
okay why what's he about what's he

60
00:02:16,550 --> 00:02:15,520
trying why is he trying to control your

61
00:02:17,830 --> 00:02:16,560
body oh he's not trying to control

62
00:02:19,190 --> 00:02:17,840
everybody he's trying to help the planet

63
00:02:20,710 --> 00:02:19,200

you know he's done more for the planet

64

00:02:23,110 --> 00:02:20,720

than anybody

65

00:02:24,309 --> 00:02:23,120

say uh-huh so sticking sticking a needle

66

00:02:25,110 --> 00:02:24,319

in everybody is what is really going to

67

00:02:27,670 --> 00:02:25,120

help

68

00:02:30,070 --> 00:02:27,680

is he actually looking to to to

69

00:02:32,470 --> 00:02:30,080

raise the center of living in africa

70

00:02:34,390 --> 00:02:32,480

even that response is switching over

71

00:02:35,589 --> 00:02:34,400

again into the material world right

72

00:02:38,150 --> 00:02:35,599

because when you switch into the

73

00:02:39,190 --> 00:02:38,160

spiritual realm why would i think that

74

00:02:41,910 --> 00:02:39,200

it is

75

00:02:44,150 --> 00:02:41,920

my job to do anything other than to

76

00:02:46,550 --> 00:02:44,160

bring this light forward hey i'm

77

00:02:49,270 --> 00:02:46,560

supposed to fill the hole with light so

78

00:02:51,830 --> 00:02:49,280

in that sense i i don't worry about

79

00:02:53,830 --> 00:02:51,840

gates he's a pathetic kind of doesn't

80

00:02:55,670 --> 00:02:53,840

look like he's it looks like his hole is

81

00:02:56,630 --> 00:02:55,680

not filled with light to me kind of

82

00:02:57,830 --> 00:02:56,640

thing

83

00:03:01,750 --> 00:02:57,840

no

84

00:03:03,270 --> 00:03:01,760

and there are very few that are and this

85

00:03:04,630 --> 00:03:03,280

is the nature of our reality that we

86

00:03:06,070 --> 00:03:04,640

have right now but i think that the

87

00:03:07,910 --> 00:03:06,080

revolution and the transformation comes

88

00:03:09,670 --> 00:03:07,920

from from the masses

89

00:03:12,470 --> 00:03:09,680

it comes from the millions of people

90

00:03:14,070 --> 00:03:12,480

waking up and taking their power back

91

00:03:16,149 --> 00:03:14,080

so this is a good one there's a couple

92

00:03:18,710 --> 00:03:16,159

of really interesting little tidbits in

93

00:03:20,710 --> 00:03:18,720

there in true skeptical fashion there's

94

00:03:23,509 --> 00:03:20,720

a little bit of push back on a couple of

95

00:03:25,750 --> 00:03:23,519

points but all in all it was really cool

96

00:03:27,670 --> 00:03:25,760

to connect with a guy i think is

97

00:03:29,509 --> 00:03:27,680

underappreciated in terms of what he's

98

00:03:31,670 --> 00:03:29,519

contributed to this

99

00:03:33,589 --> 00:03:31,680

important important body of knowledge

100

00:03:35,910 --> 00:03:33,599

that often gets overlooked if you just

101
00:03:38,470 --> 00:03:35,920
look at it from a kind of hollywood

102
00:03:40,869 --> 00:03:38,480
perspective which unfortunately is the

103
00:03:42,789 --> 00:03:40,879
way that people normally look at sean

104
00:03:44,470 --> 00:03:42,799
stone so this is a good one hope you

105
00:03:46,470 --> 00:03:44,480
enjoy it stick around for my interview

106
00:03:48,149 --> 00:03:46,480
with sean stone

107
00:03:50,789 --> 00:03:48,159
welcome to skeptico where we explore

108
00:03:53,190 --> 00:03:50,799
controversial science and spirituality

109
00:03:55,910 --> 00:03:53,200
with leading researchers thinkers and

110
00:03:58,830 --> 00:03:55,920
their critics i'm your host alex sicares

111
00:04:02,470 --> 00:03:58,840
and today we welcome sean stone to

112
00:04:03,589 --> 00:04:02,480
skeptico now it's kind of tough to do a

113
00:04:05,589 --> 00:04:03,599

bio

114

00:04:07,190 --> 00:04:05,599

on sean stone because no matter what

115

00:04:08,470 --> 00:04:07,200

angle you take

116

00:04:09,910 --> 00:04:08,480

you're going to leave out all these

117

00:04:12,390 --> 00:04:09,920

other angles and people are going to

118

00:04:15,069 --> 00:04:12,400

wonder why you did that so

119

00:04:16,949 --> 00:04:15,079

let me read from

120

00:04:19,590 --> 00:04:16,959

shawnstone.info.com if you will i don't

121

00:04:21,150 --> 00:04:19,600

usually read biles but this is kind of

122

00:04:23,590 --> 00:04:21,160

succinct and

123

00:04:25,590 --> 00:04:23,600

multifaceted in the way that i'd like to

124

00:04:27,909 --> 00:04:25,600

be about it

125

00:04:32,310 --> 00:04:27,919

sean stone is a filmmaker media host

126
00:04:34,629 --> 00:04:32,320
author actor poet speaker and above all

127
00:04:36,950 --> 00:04:34,639
truth seeker and then he had to throw in

128
00:04:37,990 --> 00:04:36,960
spiritual activists in there at the end

129
00:04:39,670 --> 00:04:38,000
which

130
00:04:41,830 --> 00:04:39,680
i love as we said in the inside of the

131
00:04:43,830 --> 00:04:41,840
show that's what we're all about he has

132
00:04:47,270 --> 00:04:43,840
a documentary series

133
00:04:48,870 --> 00:04:47,280
best kept secret it's fantastic i watch

134
00:04:50,550 --> 00:04:48,880
it on vimeo

135
00:04:52,310 --> 00:04:50,560
you can watch it download the whole

136
00:04:53,510 --> 00:04:52,320
thing for five bucks on vimeo it's

137
00:04:55,990 --> 00:04:53,520
terrific

138
00:04:57,990 --> 00:04:56,000

he also has a book out that i wasn't

139

00:04:58,870 --> 00:04:58,000

aware of it's been out for a few years

140

00:05:00,870 --> 00:04:58,880

now

141

00:05:03,590 --> 00:05:00,880

but it's really excellent it's titled

142

00:05:05,110 --> 00:05:03,600

new world order a strategy of

143

00:05:07,909 --> 00:05:05,120

imperialism

144

00:05:11,189 --> 00:05:07,919

it's terrific interesting origin story

145

00:05:13,990 --> 00:05:11,199

on that as well the guys at princeton i

146

00:05:15,990 --> 00:05:14,000

mean he studied at oxford

147

00:05:18,629 --> 00:05:16,000

graduated from princeton this is like

148

00:05:20,070 --> 00:05:18,639

his thesis at princeton and it's this

149

00:05:23,830 --> 00:05:20,080

amazing book

150

00:05:25,830 --> 00:05:23,840

richard grove writes like a 100 page

151
00:05:29,110 --> 00:05:25,840
forward to it or something like that and

152
00:05:31,350 --> 00:05:29,120
that's all terrific um so so we'll talk

153
00:05:33,350 --> 00:05:31,360
about that too a number of different

154
00:05:35,270 --> 00:05:33,360
things we can talk about but it's just

155
00:05:38,629 --> 00:05:35,280
terrific having you here sean thanks so

156
00:05:41,670 --> 00:05:38,639
much for joining me on the show

157
00:05:42,390 --> 00:05:41,680
hey thanks for having me on

158
00:05:44,550 --> 00:05:42,400
so

159
00:05:47,270 --> 00:05:44,560
i guess you know the natural place to

160
00:05:48,310 --> 00:05:47,280
start might be with this

161
00:05:51,189 --> 00:05:48,320
series

162
00:05:53,189 --> 00:05:51,199
best kept secret and i kind of hinted

163
00:05:55,590 --> 00:05:53,199

that i wanted to talk about the origin

164

00:05:57,270 --> 00:05:55,600

story and i think that's a big part of

165

00:05:59,510 --> 00:05:57,280

it so

166

00:06:02,309 --> 00:05:59,520

let's jump in there and talk about what

167

00:06:03,990 --> 00:06:02,319

that show is about what that series six

168

00:06:05,990 --> 00:06:04,000

part series is about

169

00:06:07,909 --> 00:06:06,000

sure sure

170

00:06:09,830 --> 00:06:07,919

the series is um

171

00:06:12,230 --> 00:06:09,840

it's like the name says what is what is

172

00:06:14,309 --> 00:06:12,240

the best kept secret and to me the

173

00:06:15,990 --> 00:06:14,319

secret has always been

174

00:06:17,510 --> 00:06:16,000

humans are enslaved

175

00:06:18,950 --> 00:06:17,520

um

176

00:06:20,790 --> 00:06:18,960

that's

177

00:06:22,550 --> 00:06:20,800

there's there's physical enslavement

178

00:06:23,990 --> 00:06:22,560

which we know still exists in fact

179

00:06:25,670 --> 00:06:24,000

there's arguably more slaves in the

180

00:06:27,990 --> 00:06:25,680

world than ever before in history with

181

00:06:29,270 --> 00:06:28,000

uh human trafficking

182

00:06:31,590 --> 00:06:29,280

and uh

183

00:06:32,870 --> 00:06:31,600

you know upward of 25 million that are

184

00:06:34,390 --> 00:06:32,880

human trafficked

185

00:06:36,390 --> 00:06:34,400

and being trafficked you know into

186

00:06:39,350 --> 00:06:36,400

various jobs including prostitution and

187

00:06:40,550 --> 00:06:39,360

that's that includes children so

188

00:06:41,590 --> 00:06:40,560

um

189

00:06:44,390 --> 00:06:41,600

there's

190

00:06:46,150 --> 00:06:44,400

debt slavery which a lot of us have come

191

00:06:48,390 --> 00:06:46,160

to understand is

192

00:06:50,070 --> 00:06:48,400

the nature of this system of uh

193

00:06:52,309 --> 00:06:50,080

sort of federal reserve issuing of

194

00:06:54,390 --> 00:06:52,319

currencies that uh they control you know

195

00:06:57,670 --> 00:06:54,400

they control the uh the flow of the

196

00:06:59,189 --> 00:06:57,680

currency then and it's always issued

197

00:07:00,870 --> 00:06:59,199

against to governments basically putting

198

00:07:03,670 --> 00:07:00,880

governments into debt that they can

199

00:07:05,350 --> 00:07:03,680

never get out of because once once you

200

00:07:06,710 --> 00:07:05,360

lend the government money if you're the

201
00:07:08,550 --> 00:07:06,720
federal reserve

202
00:07:12,469 --> 00:07:08,560
there's always interest owed from the

203
00:07:14,629 --> 00:07:12,479
very first dollar that's loaned out

204
00:07:16,790 --> 00:07:14,639
and then you've got

205
00:07:19,110 --> 00:07:16,800
spiritual enslavement which we move

206
00:07:21,589 --> 00:07:19,120
towards later in the series

207
00:07:23,830 --> 00:07:21,599
this uh this notion of basically

208
00:07:26,950 --> 00:07:23,840
various forms of hypnosis that go on

209
00:07:28,790 --> 00:07:26,960
mental mind control

210
00:07:30,469 --> 00:07:28,800
you know the ancient the ancient issue

211
00:07:32,150 --> 00:07:30,479
of archons things talked about in the

212
00:07:34,550 --> 00:07:32,160
bible those you know those powers and

213
00:07:36,550 --> 00:07:34,560

principalities you can call them demons

214

00:07:38,790 --> 00:07:36,560

satan you know forces like this that

215

00:07:40,950 --> 00:07:38,800

have people basically beholden

216

00:07:44,790 --> 00:07:40,960

at different levels of of mind and

217

00:07:46,390 --> 00:07:44,800

spirit to these forces so i think that's

218

00:07:49,110 --> 00:07:46,400

that's really what the story was about

219

00:07:50,790 --> 00:07:49,120

was evolving this understanding of how

220

00:07:53,909 --> 00:07:50,800

humans are controlled at different

221

00:07:55,830 --> 00:07:53,919

levels from political to spiritual

222

00:07:58,390 --> 00:07:55,840

psychological and then moving into the

223

00:07:59,990 --> 00:07:58,400

transhuman dimension which is where the

224

00:08:02,070 --> 00:08:00,000

elites have

225

00:08:03,909 --> 00:08:02,080

been focused for some time

226

00:08:05,430 --> 00:08:03,919

uh since the days of not just since the

227

00:08:07,110 --> 00:08:05,440

days of the nazis probably older than

228

00:08:09,189 --> 00:08:07,120

that but this eugenics war basically

229

00:08:11,270 --> 00:08:09,199

first it was the issue of genetics

230

00:08:13,350 --> 00:08:11,280

trying to get hold of breeding this is

231

00:08:15,510 --> 00:08:13,360

not a nazi idea it came out of the

232

00:08:16,950 --> 00:08:15,520

anglo-american empire actually the uh

233

00:08:19,350 --> 00:08:16,960

the brits and americans were hosting the

234

00:08:21,589 --> 00:08:19,360

first eugenics conferences so this whole

235

00:08:23,909 --> 00:08:21,599

thing about breeding and the idea then

236

00:08:25,270 --> 00:08:23,919

evolved into understanding the genome to

237

00:08:27,749 --> 00:08:25,280

try to then

238

00:08:30,469 --> 00:08:27,759

splice the genome cut play

239

00:08:33,190 --> 00:08:30,479

play dr frankenstein in terms of editing

240

00:08:35,110 --> 00:08:33,200

the human genome and then beyond that

241

00:08:37,430 --> 00:08:35,120

this uh this

242

00:08:39,269 --> 00:08:37,440

this interest in the human being as

243

00:08:41,750 --> 00:08:39,279

sort of a biocomputer that's something

244

00:08:42,790 --> 00:08:41,760

that can be hacked that can be

245

00:08:44,070 --> 00:08:42,800

uh

246

00:08:45,750 --> 00:08:44,080

mutated

247

00:08:47,509 --> 00:08:45,760

turned into a genetic genetically

248

00:08:48,870 --> 00:08:47,519

modified organism let's say which we've

249

00:08:52,310 --> 00:08:48,880

done obviously with

250

00:08:54,150 --> 00:08:52,320

our crops and uh obviously and also our

251
00:08:55,910 --> 00:08:54,160
various pesticides and things like this

252
00:08:58,550 --> 00:08:55,920
that are that are you put into our food

253
00:09:00,790 --> 00:08:58,560
supply and our water supply so

254
00:09:03,829 --> 00:09:00,800
yeah this is uh this is what this is

255
00:09:05,910 --> 00:09:03,839
what the series is sort of about

256
00:09:08,630 --> 00:09:05,920
in preparing for this i was looking

257
00:09:10,790 --> 00:09:08,640
through so much your old stuff and some

258
00:09:12,949 --> 00:09:10,800
of your new stuff you know you're still

259
00:09:15,910 --> 00:09:12,959
putting out some great interviews on

260
00:09:19,269 --> 00:09:15,920
your patreon channel and other places

261
00:09:20,470 --> 00:09:19,279
but i was particularly drawn back to the

262
00:09:23,190 --> 00:09:20,480
buzzsaw

263
00:09:25,910 --> 00:09:23,200

interviews that you did because

264

00:09:28,550 --> 00:09:25,920

i really remember back in the day

265

00:09:33,430 --> 00:09:28,560

seeing those let me pull them up here

266

00:09:36,870 --> 00:09:33,440

and before i go too far down this path

267

00:09:39,269 --> 00:09:36,880

is this still an okay

268

00:09:41,670 --> 00:09:39,279

yeah that's a buzz saw buzz saw still is

269

00:09:44,389 --> 00:09:41,680

intact my personal youtube channel sean

270

00:09:45,910 --> 00:09:44,399

stone was taken down by youtube censored

271

00:09:47,430 --> 00:09:45,920

but this channel entered the buzz saw

272

00:09:48,870 --> 00:09:47,440

still there

273

00:09:50,949 --> 00:09:48,880

so what's interesting about this enter

274

00:09:53,350 --> 00:09:50,959

the buzzsaw thing

275

00:09:54,870 --> 00:09:53,360

it's just mind-blowing but what i kept

276

00:09:57,030 --> 00:09:54,880

coming back to in preparing for this

277

00:09:58,790 --> 00:09:57,040

interview is what you must be going

278

00:10:02,310 --> 00:09:58,800

through what must be going through your

279

00:10:04,310 --> 00:10:02,320

head in this conspiracy culture

280

00:10:06,790 --> 00:10:04,320

out in the open kind of world that we

281

00:10:09,190 --> 00:10:06,800

live in plandemic where we're kind of

282

00:10:12,150 --> 00:10:09,200

like the conspiracy behind the pandemic

283

00:10:14,630 --> 00:10:12,160

is like being debated in congress it's

284

00:10:16,550 --> 00:10:14,640

like front page news it's like

285

00:10:18,230 --> 00:10:16,560

everything and you're doing these

286

00:10:21,190 --> 00:10:18,240

interviews like the one that i always

287

00:10:22,710 --> 00:10:21,200

remember is with douglas dietrich and it

288

00:10:24,389 --> 00:10:22,720

was just it was just one it was about

289

00:10:26,550 --> 00:10:24,399

the presidio thing and he also

290

00:10:28,710 --> 00:10:26,560

interviewed mike laquino you know

291

00:10:30,470 --> 00:10:28,720

unbelievable all this satanism and it

292

00:10:32,949 --> 00:10:30,480

was mind-blowing to me it was paradigm

293

00:10:35,590 --> 00:10:32,959

shifting it was all the things that i

294

00:10:38,310 --> 00:10:35,600

now see in other people where their

295

00:10:40,870 --> 00:10:38,320

paradigm is completely stripped away and

296

00:10:43,350 --> 00:10:40,880

they really are left scrambling with

297

00:10:45,269 --> 00:10:43,360

what to do do i take that in it seemed

298

00:10:47,670 --> 00:10:45,279

real and then they check it out and it

299

00:10:49,509 --> 00:10:47,680

is real and then they're like oh my god

300

00:10:51,269 --> 00:10:49,519

what does this mean for everything i

301
00:10:54,069 --> 00:10:51,279
know and

302
00:10:55,030 --> 00:10:54,079
i'm just thinking what is it like for

303
00:10:56,550 --> 00:10:55,040
you

304
00:10:59,509 --> 00:10:56,560
to say

305
00:11:01,990 --> 00:10:59,519
yeah i did that six years ago yeah i

306
00:11:03,829 --> 00:11:02,000
mean i've pretty much been

307
00:11:06,389 --> 00:11:03,839
aware of this stuff since i was a little

308
00:11:09,509 --> 00:11:06,399
kid i mean it's just

309
00:11:10,949 --> 00:11:09,519
it's it's to me it's always it's always

310
00:11:12,710 --> 00:11:10,959
confounding

311
00:11:17,269 --> 00:11:12,720
how

312
00:11:18,310 --> 00:11:17,279
cognitive dissonance and

313
00:11:19,509 --> 00:11:18,320

just sort of

314

00:11:21,030 --> 00:11:19,519
for me even more than cognitive

315

00:11:22,389 --> 00:11:21,040
dissonance was like the lack of

316

00:11:24,790 --> 00:11:22,399
curiosity

317

00:11:26,470 --> 00:11:24,800
i was just bored by by mundane

318

00:11:29,190 --> 00:11:26,480
conversations you know people sit around

319

00:11:31,269 --> 00:11:29,200
and talk about i don't know your sister

320

00:11:34,069 --> 00:11:31,279
is doing this um

321

00:11:35,590 --> 00:11:34,079
so and so you know bought a new car

322

00:11:37,509 --> 00:11:35,600
so and so

323

00:11:39,430 --> 00:11:37,519
you know hasn't

324

00:11:40,870 --> 00:11:39,440
hasn't repaired their house in a long

325

00:11:42,710 --> 00:11:40,880
time it's starting to fall apart like

326

00:11:44,949 --> 00:11:42,720

just a conversation that was just so

327

00:11:46,949 --> 00:11:44,959

mundane or gossip you know

328

00:11:48,310 --> 00:11:46,959

and i was always interested by things

329

00:11:50,150 --> 00:11:48,320

that were

330

00:11:51,430 --> 00:11:50,160

bigger you know like okay

331

00:11:53,430 --> 00:11:51,440

you know you look at an event like

332

00:11:55,509 --> 00:11:53,440

kennedy's assassination which obviously

333

00:11:57,110 --> 00:11:55,519

my dad made the film jfk when i was

334

00:11:58,310 --> 00:11:57,120

about six years old and i was in that

335

00:11:59,750 --> 00:11:58,320

film

336

00:12:01,190 --> 00:11:59,760

and um

337

00:12:04,069 --> 00:12:01,200

and it's like

338

00:12:06,150 --> 00:12:04,079

that's that's that's like an epic

339

00:12:07,509 --> 00:12:06,160

story to start to investigate unravel

340

00:12:09,590 --> 00:12:07,519

even if you don't even if you don't get

341

00:12:11,190 --> 00:12:09,600

to the bottom of who did it right even

342

00:12:13,590 --> 00:12:11,200

if you start to just figure out okay

343

00:12:15,910 --> 00:12:13,600

what the story that was told to us was a

344

00:12:17,910 --> 00:12:15,920

cover story it was not real there was no

345

00:12:19,350 --> 00:12:17,920

way that this guy

346

00:12:21,910 --> 00:12:19,360

goes to russia

347

00:12:24,150 --> 00:12:21,920

defects gives us gives up his passport

348

00:12:26,150 --> 00:12:24,160

marries a russian woman whose dog who's

349

00:12:27,509 --> 00:12:26,160

the daughter of uh like a russian soviet

350

00:12:29,829 --> 00:12:27,519

general at the time comes back to

351

00:12:32,230 --> 00:12:29,839

america just gets his passport back

352

00:12:34,629 --> 00:12:32,240

brings his soviet bride isn't being

353

00:12:36,870 --> 00:12:34,639

watched by the cia isn't being you know

354

00:12:39,269 --> 00:12:36,880

isn't being monitored at any level goes

355

00:12:40,870 --> 00:12:39,279

and likes actively like supports both

356

00:12:43,110 --> 00:12:40,880

communists you know castro and then he

357

00:12:44,470 --> 00:12:43,120

goes to tries to go against castro and

358

00:12:45,590 --> 00:12:44,480

he's like basically you know he's he's

359

00:12:47,190 --> 00:12:45,600

working next you know he's working in

360

00:12:49,350 --> 00:12:47,200

the same building as guy venice or the

361

00:12:50,949 --> 00:12:49,360

former fbi one of the heads of the fbi i

362

00:12:52,550 --> 00:12:50,959

mean it's just like yeah and then this

363

00:12:54,230 --> 00:12:52,560

guy just picks up you know he orders a

364

00:12:55,269 --> 00:12:54,240

gun to you know mail order a gun he

365

00:12:57,430 --> 00:12:55,279

could have gone into a store and bought

366

00:12:59,430 --> 00:12:57,440

one he orders it shipping to this p.o

367

00:13:00,949 --> 00:12:59,440

box so you can go and get it and then he

368

00:13:02,310 --> 00:13:00,959

goes and he you know he's like and then

369

00:13:04,310 --> 00:13:02,320

he takes a shot at a general and then he

370

00:13:07,030 --> 00:13:04,320

goes of course and kills kennedy with

371

00:13:08,470 --> 00:13:07,040

three amazing shots the first of which

372

00:13:10,550 --> 00:13:08,480

is the easiest to pull off but this is

373

00:13:12,310 --> 00:13:10,560

completely the car i mean it's just like

374

00:13:14,150 --> 00:13:12,320

you know people like i'm just sitting

375

00:13:16,230 --> 00:13:14,160

here going what does it take for people

376

00:13:18,310 --> 00:13:16,240

to wake up you kind of answered that in

377

00:13:20,069 --> 00:13:18,320

an interview i just saw that you just

378

00:13:21,269 --> 00:13:20,079

published recently and you said you know

379

00:13:24,550 --> 00:13:21,279

what

380

00:13:26,310 --> 00:13:24,560

people want to feel protected

381

00:13:29,590 --> 00:13:26,320

they want to feel protected and they

382

00:13:31,910 --> 00:13:29,600

want to feel like someone is in control

383

00:13:35,590 --> 00:13:31,920

so even if they have to

384

00:13:37,030 --> 00:13:35,600

do this crazy dance around this obvious

385

00:13:38,629 --> 00:13:37,040

information

386

00:13:40,550 --> 00:13:38,639

ultimately they're trying to get their

387

00:13:42,710 --> 00:13:40,560

needs net of like tell me it's all gonna

388

00:13:44,470 --> 00:13:42,720

be okay daddy tell me the bad people

389

00:13:46,470 --> 00:13:44,480

aren't gonna come for me daddy i mean

390

00:13:48,150 --> 00:13:46,480

right isn't that's what i heard you say

391

00:13:50,310 --> 00:13:48,160

that's right that's right that's exactly

392

00:13:51,509 --> 00:13:50,320

it's the child it's a child in us that's

393

00:13:54,069 --> 00:13:51,519

scared

394

00:13:56,069 --> 00:13:54,079

of stepping into our adult

395

00:13:57,189 --> 00:13:56,079

you know king and queen ship let's say

396

00:13:58,710 --> 00:13:57,199

right

397

00:14:00,870 --> 00:13:58,720

and stepping into that level of

398

00:14:03,509 --> 00:14:00,880

responsibility and so what i was getting

399

00:14:05,750 --> 00:14:03,519

at with the kennedy thing it's like

400

00:14:07,509 --> 00:14:05,760

is this is this consciousness basically

401
00:14:09,829 --> 00:14:07,519
like this collective consciousness

402
00:14:11,910 --> 00:14:09,839
experiencing deception

403
00:14:13,750 --> 00:14:11,920
and manipulation to basically as

404
00:14:15,670 --> 00:14:13,760
barometers of saying okay are you ready

405
00:14:17,990 --> 00:14:15,680
yet are you ready to actually see the

406
00:14:19,829 --> 00:14:18,000
truth are you ready to really face it to

407
00:14:21,990 --> 00:14:19,839
face the shadow to actually realize that

408
00:14:23,430 --> 00:14:22,000
the shadow is is empty and it's just

409
00:14:25,110 --> 00:14:23,440
whatever you want whatever fear you want

410
00:14:27,030 --> 00:14:25,120
to project into it

411
00:14:28,310 --> 00:14:27,040
including your own face

412
00:14:29,590 --> 00:14:28,320
until you ultimately come to this

413
00:14:31,509 --> 00:14:29,600

realization that

414

00:14:33,829 --> 00:14:31,519

there is only oneness

415

00:14:35,910 --> 00:14:33,839

and everything that's cast is just

416

00:14:37,910 --> 00:14:35,920

every shadow that's cast is just

417

00:14:39,110 --> 00:14:37,920

a blockage of the light

418

00:14:41,430 --> 00:14:39,120

basically of the light of let's say the

419

00:14:42,949 --> 00:14:41,440

light of of truth

420

00:14:44,629 --> 00:14:42,959

and everything that every shadow that's

421

00:14:45,990 --> 00:14:44,639

cast is just a blockage

422

00:14:47,750 --> 00:14:46,000

in this journey of ultimately

423

00:14:49,990 --> 00:14:47,760

discovering that

424

00:14:52,470 --> 00:14:50,000

there is nothing but ourselves

425

00:14:54,870 --> 00:14:52,480

and that is the odd the i am the

426

00:14:56,550 --> 00:14:54,880

collective i am

427

00:14:58,389 --> 00:14:56,560

totally into that and i think the

428

00:15:00,550 --> 00:14:58,399

non-dual approach

429

00:15:03,110 --> 00:15:00,560

totally has to fit in here in a in a

430

00:15:05,430 --> 00:15:03,120

really fundamental way at the same time

431

00:15:08,389 --> 00:15:05,440

and i think this is what your work is

432

00:15:11,110 --> 00:15:08,399

about in a way is that's not exactly

433

00:15:13,430 --> 00:15:11,120

where we live on a day-to-day basis and

434

00:15:16,230 --> 00:15:13,440

the nesting dolls do have to be taken

435

00:15:17,509 --> 00:15:16,240

apart one by one it's like when people

436

00:15:20,310 --> 00:15:17,519

want to reduce

437

00:15:22,550 --> 00:15:20,320

all this uh horrible evil that's being

438

00:15:25,350 --> 00:15:22,560

perpetrated on

439

00:15:27,509 --> 00:15:25,360

the population as you know shadow work

440

00:15:30,470 --> 00:15:27,519

and it's like we all have our shadow and

441

00:15:32,230 --> 00:15:30,480

it's like well that may be true but

442

00:15:33,670 --> 00:15:32,240

part of it isn't part of our spiritual

443

00:15:37,350 --> 00:15:33,680

journey to

444

00:15:39,910 --> 00:15:37,360

not let that shadow play out in terms of

445

00:15:42,629 --> 00:15:39,920

you know trafficking little kids and

446

00:15:44,310 --> 00:15:42,639

performing satanic rituals with

447

00:15:46,389 --> 00:15:44,320

three-year-olds that

448

00:15:49,670 --> 00:15:46,399

it's it's a complex question

449

00:15:54,150 --> 00:15:51,509

it's a transmutation process

450

00:15:56,629 --> 00:15:54,160

fundamentally whereby first you have to

451

00:15:58,949 --> 00:15:56,639

be willing to look at something

452

00:16:00,629 --> 00:15:58,959

and consciousness is finally getting to

453

00:16:02,470 --> 00:16:00,639

that place of actually starting to look

454

00:16:03,670 --> 00:16:02,480

at things and actually acknowledge

455

00:16:05,430 --> 00:16:03,680

things that's what that's what they call

456

00:16:06,150 --> 00:16:05,440

it the great awakening in 2020. it was

457

00:16:07,509 --> 00:16:06,160

like

458

00:16:09,829 --> 00:16:07,519

all of a sudden people were talking

459

00:16:10,949 --> 00:16:09,839

about human trafficking and

460

00:16:14,389 --> 00:16:10,959

it wasn't

461

00:16:16,790 --> 00:16:14,399

because that's really what i would hear

462

00:16:18,389 --> 00:16:16,800

a lot and i i

463

00:16:20,150 --> 00:16:18,399

i would go to the you know it's like i

464

00:16:21,430 --> 00:16:20,160

would go to places or interview people

465

00:16:22,949 --> 00:16:21,440

or talk to people and it's always that

466

00:16:25,509 --> 00:16:22,959

sort of like well we just don't talk

467

00:16:27,030 --> 00:16:25,519

about it it's just not polite it's just

468

00:16:28,310 --> 00:16:27,040

you don't you know it's it's

469

00:16:30,310 --> 00:16:28,320

you know you speak you don't want to

470

00:16:33,110 --> 00:16:30,320

speak of the devil you know because it's

471

00:16:34,870 --> 00:16:33,120

bad juju it's bad energy

472

00:16:39,030 --> 00:16:34,880

and

473

00:16:40,389 --> 00:16:39,040

it's like you know but you can't it's

474

00:16:42,230 --> 00:16:40,399

also what they call the spiritual world

475

00:16:44,389 --> 00:16:42,240

is you know spiritual bypassing right

476

00:16:46,150 --> 00:16:44,399

it's like just good vibes let's just be

477

00:16:48,790 --> 00:16:46,160

on the positive

478

00:16:52,230 --> 00:16:48,800

well the ultimate positive is to

479

00:16:53,910 --> 00:16:52,240

transmute that which is lower density

480

00:16:55,990 --> 00:16:53,920

lower you know lower frequency to

481

00:16:58,310 --> 00:16:56,000

transit to to work through it and to

482

00:16:59,350 --> 00:16:58,320

bring that energy into a higher space of

483

00:17:01,590 --> 00:16:59,360

love

484

00:17:03,430 --> 00:17:01,600

and i've experienced that like firsthand

485

00:17:06,150 --> 00:17:03,440

because i've actually

486

00:17:08,390 --> 00:17:06,160

gone into like very dense places where

487

00:17:10,710 --> 00:17:08,400

satan has worshipped like in abandoned

488

00:17:13,110 --> 00:17:10,720

mental hospitals where people died you

489

00:17:14,470 --> 00:17:13,120

know either died we're you know we're

490

00:17:16,949 --> 00:17:14,480

we're possessed

491

00:17:18,870 --> 00:17:16,959

we're plagued we're tortured we're we're

492

00:17:20,549 --> 00:17:18,880

we're humiliated we're hurt right

493

00:17:23,029 --> 00:17:20,559

violated

494

00:17:23,990 --> 00:17:23,039

and the energy is so low it's like it's

495

00:17:26,150 --> 00:17:24,000

just

496

00:17:27,829 --> 00:17:26,160

it's a complete you know albatross and

497

00:17:28,789 --> 00:17:27,839

you've got to basically walk through

498

00:17:32,150 --> 00:17:28,799

that

499

00:17:33,990 --> 00:17:32,160

go crazy this is my first movie

500

00:17:35,510 --> 00:17:34,000

gravestone was about this you know you

501
00:17:36,789 --> 00:17:35,520
either start to you start to crack up

502
00:17:40,710 --> 00:17:36,799
and

503
00:17:42,630 --> 00:17:40,720
because it scatters you that energy is

504
00:17:44,870 --> 00:17:42,640
very low frequency it scatters you and

505
00:17:47,029 --> 00:17:44,880
it it bring you know it brings up

506
00:17:49,350 --> 00:17:47,039
madness in your so in you right it gets

507
00:17:51,029 --> 00:17:49,360
reflected with madness

508
00:17:52,710 --> 00:17:51,039
paranoia you know things like this

509
00:17:55,190 --> 00:17:52,720
hysteria

510
00:17:57,029 --> 00:17:55,200
or but the ultimate

511
00:17:59,110 --> 00:17:57,039
journey through that is either you go

512
00:18:00,950 --> 00:17:59,120
mad you become kurts you know apocalypse

513
00:18:03,110 --> 00:18:00,960

now or you

514

00:18:03,990 --> 00:18:03,120

um you have to overcome

515

00:18:08,470 --> 00:18:04,000

that

516

00:18:11,029 --> 00:18:08,480

it having walked those places and

517

00:18:13,190 --> 00:18:11,039

actually gone to that end of actually

518

00:18:15,190 --> 00:18:13,200

transmuting into a state of

519

00:18:18,390 --> 00:18:15,200

pure love and like

520

00:18:20,310 --> 00:18:18,400

holding a holy holy whole

521

00:18:21,669 --> 00:18:20,320

frequency a whole different frequency

522

00:18:22,870 --> 00:18:21,679

that was holy

523

00:18:23,669 --> 00:18:22,880

and actually seeing those places

524

00:18:25,590 --> 00:18:23,679

actually

525

00:18:27,750 --> 00:18:25,600

destroyed as a result like after that

526

00:18:29,430 --> 00:18:27,760

literally taken down

527

00:18:31,029 --> 00:18:29,440

you realize this can be done and this is

528

00:18:32,870 --> 00:18:31,039

what we're here to do we are literally

529

00:18:35,830 --> 00:18:32,880

here to transmute to take that whole

530

00:18:37,750 --> 00:18:35,840

that that frequency and transform it

531

00:18:40,070 --> 00:18:37,760

with a state of of

532

00:18:42,710 --> 00:18:40,080

seeing it engaging it

533

00:18:44,070 --> 00:18:42,720

loving love putting love for for

534

00:18:45,510 --> 00:18:44,080

especially for the victims and for those

535

00:18:46,470 --> 00:18:45,520

that have been harmed

536

00:18:48,630 --> 00:18:46,480

and

537

00:18:51,990 --> 00:18:48,640

raising the vibration

538

00:18:54,789 --> 00:18:52,000

to totally get that i i would suggest

539

00:18:58,789 --> 00:18:54,799

that there's multiple ways to transmute

540

00:19:00,470 --> 00:18:58,799

you know and truth-seeking truth-telling

541

00:19:02,870 --> 00:19:00,480

which is a big part of what you're all

542

00:19:06,150 --> 00:19:02,880

about is a way of doing that waking

543

00:19:08,310 --> 00:19:06,160

people up or making it possible for

544

00:19:10,549 --> 00:19:08,320

people to wake up in a certain way is a

545

00:19:13,430 --> 00:19:10,559

way of transmuting you know we both had

546

00:19:15,909 --> 00:19:13,440

a chance to interview annika lucas who i

547

00:19:18,390 --> 00:19:15,919

think is quite an amazing person

548

00:19:21,110 --> 00:19:18,400

just to remind everyone you know sold

549

00:19:24,230 --> 00:19:21,120

into a satanic cult at six years old by

550

00:19:26,549 --> 00:19:24,240

her mother so just full stop process

551
00:19:28,789 --> 00:19:26,559
that what does that mean

552
00:19:32,070 --> 00:19:28,799
you know is

553
00:19:35,350 --> 00:19:32,080
taken to these mansions where as a

554
00:19:38,390 --> 00:19:35,360
young child that young is in this room

555
00:19:40,470 --> 00:19:38,400
where one after another of these rich i

556
00:19:44,549 --> 00:19:40,480
hate the term elites but these people

557
00:19:48,950 --> 00:19:47,029
very very high level political people of

558
00:19:51,029 --> 00:19:48,960
various countries around europe come in

559
00:19:52,470 --> 00:19:51,039
and rape this girl and

560
00:19:54,710 --> 00:19:52,480
what you mentioned to me and you can

561
00:19:57,110 --> 00:19:54,720
tell me about your interview with her is

562
00:19:59,430 --> 00:19:57,120
looking to into their eyes

563
00:20:01,510 --> 00:19:59,440

and seeing the little child in there

564

00:20:04,710 --> 00:20:01,520

seeing the little boy and she says she

565

00:20:07,750 --> 00:20:04,720

wasn't even like aware of it like on a

566

00:20:10,310 --> 00:20:07,760

conscious level but she was aware of it

567

00:20:12,070 --> 00:20:10,320

she was aware of i think this is what

568

00:20:15,110 --> 00:20:12,080

you're getting at you know

569

00:20:16,549 --> 00:20:15,120

their pain their connection but she

570

00:20:18,630 --> 00:20:16,559

still is

571

00:20:21,510 --> 00:20:18,640

a truth-teller of

572

00:20:23,430 --> 00:20:21,520

the horror that went on and then she

573

00:20:24,310 --> 00:20:23,440

goes on and is now

574

00:20:25,669 --> 00:20:24,320

doing

575

00:20:31,430 --> 00:20:25,679

yoga

576

00:20:34,470 --> 00:20:31,440

imprisoned in new york which is her way

577

00:20:35,190 --> 00:20:34,480

of kind of bringing that light about

578

00:20:37,110 --> 00:20:35,200

so

579

00:20:38,630 --> 00:20:37,120

talk for a minute about the balancing

580

00:20:40,149 --> 00:20:38,640

between

581

00:20:41,909 --> 00:20:40,159

you know the hard process of

582

00:20:43,909 --> 00:20:41,919

truth-telling a lot of people don't want

583

00:20:45,990 --> 00:20:43,919

to hear annika's story don't want to

584

00:20:47,830 --> 00:20:46,000

hear about the deutro thing you know

585

00:20:50,630 --> 00:20:47,840

they killed how many people over that

586

00:20:52,950 --> 00:20:50,640

detroit case they like murdered anyone

587

00:20:53,909 --> 00:20:52,960

who was even close to it

588

00:20:56,470 --> 00:20:53,919

and then

589

00:20:58,950 --> 00:20:56,480

you know getting on with life as best

590

00:21:01,669 --> 00:20:58,960

you can in doing it i mean

591

00:21:03,669 --> 00:21:01,679

there's a lot there to unpack but tell

592

00:21:06,310 --> 00:21:03,679

me what your thoughts are

593

00:21:08,549 --> 00:21:06,320

yes one of the darkest episodes is uh i

594

00:21:11,110 --> 00:21:08,559

didn't interview annika lucas i used her

595

00:21:13,669 --> 00:21:11,120

interviews with sean atwood and also uh

596

00:21:15,830 --> 00:21:13,679

her ted talk interviews as uh for within

597

00:21:18,149 --> 00:21:15,840

the docu-series the best-kept secret so

598

00:21:20,630 --> 00:21:18,159

to help illuminate that story and how

599

00:21:23,669 --> 00:21:20,640

again to give people a an understanding

600

00:21:24,390 --> 00:21:23,679

of how dark this this this world is uh

601
00:21:25,510 --> 00:21:24,400
the

602
00:21:27,350 --> 00:21:25,520
true case

603
00:21:29,590 --> 00:21:27,360
probably connects to her story you know

604
00:21:30,950 --> 00:21:29,600
it would it would be a similar network

605
00:21:32,950 --> 00:21:30,960
that would connect to true because he

606
00:21:33,750 --> 00:21:32,960
basically was the fall guy

607
00:21:35,669 --> 00:21:33,760
for

608
00:21:37,669 --> 00:21:35,679
these very high level pedophiles that

609
00:21:39,510 --> 00:21:37,679
were you know and also murdering you

610
00:21:40,310 --> 00:21:39,520
know raping and murdering kids as well

611
00:21:41,590 --> 00:21:40,320
so

612
00:21:42,870 --> 00:21:41,600
um

613
00:21:44,470 --> 00:21:42,880

you know they needed someone to take a

614

00:21:46,390 --> 00:21:44,480

fall for it and the truth that was the

615

00:21:47,750 --> 00:21:46,400

guy so

616

00:21:49,590 --> 00:21:47,760

as far as

617

00:21:51,190 --> 00:21:49,600

what you're saying is looking at these

618

00:21:53,110 --> 00:21:51,200

things and storytelling this is why i've

619

00:21:55,510 --> 00:21:53,120

always been interested by storytelling

620

00:21:58,470 --> 00:21:55,520

as a spiritual it's always always called

621

00:22:00,470 --> 00:21:58,480

like a psycho spiritual warfare right

622

00:22:02,310 --> 00:22:00,480

if you really want to

623

00:22:03,750 --> 00:22:02,320

transform you have to you have to be

624

00:22:04,870 --> 00:22:03,760

transformed if you want to transform

625

00:22:07,190 --> 00:22:04,880

things you have to be transformed you

626

00:22:09,110 --> 00:22:07,200

have to go you have to start you can't

627

00:22:10,870 --> 00:22:09,120

start a story at the same place that you

628

00:22:12,470 --> 00:22:10,880

end it right that's what i love about

629

00:22:14,149 --> 00:22:12,480

storytelling it's like you begin a story

630

00:22:15,430 --> 00:22:14,159

with a certain understanding and you

631

00:22:16,789 --> 00:22:15,440

have to go through the process and you

632

00:22:17,750 --> 00:22:16,799

have to deepen and you have to realize

633

00:22:19,750 --> 00:22:17,760

like

634

00:22:22,710 --> 00:22:19,760

exactly there there is this you know

635

00:22:24,870 --> 00:22:22,720

this dance of shadow and light and

636

00:22:26,390 --> 00:22:24,880

there's a deep an ability to deepen and

637

00:22:27,590 --> 00:22:26,400

hold empathy

638

00:22:30,470 --> 00:22:27,600

you know this is why the greatest

639

00:22:32,230 --> 00:22:30,480

stories you can understand at least

640

00:22:34,390 --> 00:22:32,240

the the villain right you can at least

641

00:22:35,909 --> 00:22:34,400

under maybe at least get a sense

642

00:22:37,270 --> 00:22:35,919

even a sociopath you can perhaps

643

00:22:38,630 --> 00:22:37,280

understand where they're coming from

644

00:22:40,950 --> 00:22:38,640

what their intentions are what their

645

00:22:42,630 --> 00:22:40,960

goals are what's blocking them

646

00:22:44,789 --> 00:22:42,640

ultimately

647

00:22:46,310 --> 00:22:44,799

what we get in terms of

648

00:22:47,590 --> 00:22:46,320

you know satanism it's like people

649

00:22:49,590 --> 00:22:47,600

oftentimes just

650

00:22:51,590 --> 00:22:49,600

satanism becomes a block in their mind

651
00:22:53,029 --> 00:22:51,600
it's like either oh that's laughable

652
00:22:55,669 --> 00:22:53,039
that's silly

653
00:22:57,909 --> 00:22:55,679
or it's you know oh

654
00:22:59,909 --> 00:22:57,919
you know these people are you know

655
00:23:01,990 --> 00:22:59,919
whatever vision you have or

656
00:23:03,029 --> 00:23:02,000
illustration you have but i try to say

657
00:23:05,110 --> 00:23:03,039
look

658
00:23:06,710 --> 00:23:05,120
materialism is satanic

659
00:23:08,549 --> 00:23:06,720
if you if you if you worship the

660
00:23:10,789 --> 00:23:08,559
material realm if you are stuck in ego

661
00:23:11,990 --> 00:23:10,799
if your only ambition is

662
00:23:13,669 --> 00:23:12,000
acquisition

663
00:23:15,430 --> 00:23:13,679

right and gain

664

00:23:18,070 --> 00:23:15,440

right and and ultimately it's that the

665

00:23:19,350 --> 00:23:18,080

reptilian brain at the root that for so

666

00:23:22,390 --> 00:23:19,360

long has been

667

00:23:23,669 --> 00:23:22,400

stuck in this pattern of

668

00:23:26,789 --> 00:23:23,679

fear

669

00:23:28,789 --> 00:23:26,799

acquisition i'm afraid i need to gobble

670

00:23:31,510 --> 00:23:28,799

something up i need to strike first you

671

00:23:34,070 --> 00:23:31,520

know right cobra kai strike first strike

672

00:23:35,110 --> 00:23:34,080

hard no mercy the the reptilian brain

673

00:23:38,070 --> 00:23:35,120

that

674

00:23:41,029 --> 00:23:38,080

is is just looking to basically a a

675

00:23:43,830 --> 00:23:41,039

satiated itself and protect itself and

676
00:23:45,510 --> 00:23:43,840
um can't have this deeper faith

677
00:23:47,909 --> 00:23:45,520
in

678
00:23:50,149 --> 00:23:47,919
what the spirit that

679
00:23:51,990 --> 00:23:50,159
has brought this into existence that

680
00:23:53,990 --> 00:23:52,000
carries us through this the darkest of

681
00:23:56,870 --> 00:23:54,000
times as well as the la the best of

682
00:23:59,590 --> 00:23:56,880
times that trusting in that spirit right

683
00:24:01,350 --> 00:23:59,600
this is the fundamental battle

684
00:24:02,870 --> 00:24:01,360
and it doesn't matter what religion you

685
00:24:04,950 --> 00:24:02,880
want to be called or what you know what

686
00:24:05,990 --> 00:24:04,960
your faith is it's just do you have it

687
00:24:08,230 --> 00:24:06,000
or not and this is always what's

688
00:24:10,549 --> 00:24:08,240

interested me this is why i've

689

00:24:12,630 --> 00:24:10,559

i've often times pushed against

690

00:24:13,990 --> 00:24:12,640

you know religious doctrines and dogmas

691

00:24:15,830 --> 00:24:14,000

because i realize people are are

692

00:24:17,350 --> 00:24:15,840

oftentimes just as brainwashed within

693

00:24:19,110 --> 00:24:17,360

their religion

694

00:24:22,070 --> 00:24:19,120

as you know people are now brainwashed

695

00:24:23,590 --> 00:24:22,080

by the science it's like this is the way

696

00:24:26,789 --> 00:24:23,600

this is the only way and it's like no

697

00:24:28,549 --> 00:24:26,799

it's not the only way the way is faith

698

00:24:30,470 --> 00:24:28,559

do you actually have faith are you

699

00:24:32,950 --> 00:24:30,480

actually here with faith and trust in

700

00:24:34,230 --> 00:24:32,960

this higher power that's guiding this

701
00:24:36,230 --> 00:24:34,240
process and are you willing to go

702
00:24:38,230 --> 00:24:36,240
through this journey and experience it

703
00:24:39,750 --> 00:24:38,240
and actually feel it and actually see

704
00:24:41,029 --> 00:24:39,760
and look in the face of these things

705
00:24:42,470 --> 00:24:41,039
that are evil and dark and can you

706
00:24:44,230 --> 00:24:42,480
actually find forgiveness because that

707
00:24:46,310 --> 00:24:44,240
is the christed spirit

708
00:24:47,350 --> 00:24:46,320
can you actually hold even the most evil

709
00:24:48,710 --> 00:24:47,360
beings

710
00:24:49,909 --> 00:24:48,720
and actually if but if we could all just

711
00:24:50,870 --> 00:24:49,919
look at them and this is what's so

712
00:24:52,789 --> 00:24:50,880
interesting

713
00:24:54,310 --> 00:24:52,799

if we could all just look

714

00:24:55,430 --> 00:24:54,320

at the klaus schwab of the world and put

715

00:24:57,590 --> 00:24:55,440

everyone put their attention in their

716

00:24:59,669 --> 00:24:57,600

eyeballs on the cloud schwab

717

00:25:00,950 --> 00:24:59,679

and actually said look

718

00:25:02,549 --> 00:25:00,960

what's going on with you we want to

719

00:25:03,909 --> 00:25:02,559

actually have a session this is this

720

00:25:05,110 --> 00:25:03,919

would be a shamanic experience this is

721

00:25:06,390 --> 00:25:05,120

actually how you start to solve real

722

00:25:10,230 --> 00:25:06,400

world problems you have to get back to

723

00:25:12,630 --> 00:25:10,240

shamanic tribal conceptions of

724

00:25:14,310 --> 00:25:12,640

holding space simultaneously putting

725

00:25:15,990 --> 00:25:14,320

people putting pressure putting pressure

726

00:25:17,350 --> 00:25:16,000

even just energetically on people saying

727

00:25:18,789 --> 00:25:17,360

we're looking at you now or bill gates

728

00:25:20,549 --> 00:25:18,799

or whatever you know

729

00:25:21,669 --> 00:25:20,559

what is what is going on with you what's

730

00:25:22,870 --> 00:25:21,679

going on in your reality what are you

731

00:25:24,630 --> 00:25:22,880

trying to achieve

732

00:25:26,070 --> 00:25:24,640

you know what's your emotional state

733

00:25:27,990 --> 00:25:26,080

like starting to actually get this guy

734

00:25:29,350 --> 00:25:28,000

to open up and realize man you're

735

00:25:31,269 --> 00:25:29,360

traumatized you're trying to control

736

00:25:34,310 --> 00:25:31,279

others because you're in trauma yourself

737

00:25:36,230 --> 00:25:34,320

let's have a let's have a giant

738

00:25:38,149 --> 00:25:36,240

session here you know a group

739

00:25:39,750 --> 00:25:38,159

session of gla you know of global

740

00:25:41,590 --> 00:25:39,760

importance on these so-called elites

741

00:25:43,350 --> 00:25:41,600

self-proclaimed elites

742

00:25:44,390 --> 00:25:43,360

who want who want to say they have power

743

00:25:45,669 --> 00:25:44,400

over others

744

00:25:47,750 --> 00:25:45,679

and say okay first of all can you

745

00:25:50,149 --> 00:25:47,760

actually first of all have a session

746

00:25:51,350 --> 00:25:50,159

where the planet is looking at you

747

00:25:53,350 --> 00:25:51,360

and you're going to open up about who

748

00:25:55,269 --> 00:25:53,360

you are and what your fears are and what

749

00:25:56,549 --> 00:25:55,279

your goals are

750

00:25:58,149 --> 00:25:56,559

you can't be a leader you can't be a

751

00:25:59,990 --> 00:25:58,159

leader from the shadows

752

00:26:01,830 --> 00:26:00,000

you can't be a leader from you know

753

00:26:03,830 --> 00:26:01,840

who's trying to manipulate others and

754

00:26:05,830 --> 00:26:03,840

tell us what to do who are you just who

755

00:26:08,310 --> 00:26:05,840

are you who is this person that we put

756

00:26:09,750 --> 00:26:08,320

in power who is justin trudeau

757

00:26:10,950 --> 00:26:09,760

who is biden

758

00:26:12,870 --> 00:26:10,960

no one knows that this is the problem

759

00:26:14,789 --> 00:26:12,880

with our planet we are giving away power

760

00:26:16,149 --> 00:26:14,799

people we don't even know who they are

761

00:26:17,350 --> 00:26:16,159

and you start to look you start to get

762

00:26:18,789 --> 00:26:17,360

stories coming out you start to realize

763

00:26:19,909 --> 00:26:18,799

man these people are probably

764

00:26:21,430 --> 00:26:19,919

have probably done some pretty

765

00:26:22,789 --> 00:26:21,440

horrendous things but we are

766

00:26:25,350 --> 00:26:22,799

surrendering power people we don't even

767

00:26:26,870 --> 00:26:25,360

know who they are would you let in your

768

00:26:28,390 --> 00:26:26,880

own home would you let your would you if

769

00:26:29,430 --> 00:26:28,400

you had a father you didn't even know

770

00:26:31,510 --> 00:26:29,440

what you know you didn't know your

771

00:26:32,470 --> 00:26:31,520

father but you let him run your home

772

00:26:34,149 --> 00:26:32,480

no

773

00:26:35,590 --> 00:26:34,159

why don't we give our power to people to

774

00:26:37,350 --> 00:26:35,600

run our lives don't even know the first

775

00:26:38,630 --> 00:26:37,360

thing about them

776

00:26:41,590 --> 00:26:38,640

this is our insanity this is our

777

00:26:43,029 --> 00:26:41,600

collective insanity

778

00:26:45,110 --> 00:26:43,039

i'm with you on so many of those points

779

00:26:46,870 --> 00:26:45,120

but there's so many different angles to

780

00:26:48,310 --> 00:26:46,880

look at it and so many different jumping

781

00:26:49,590 --> 00:26:48,320

off points you know one of the things

782

00:26:51,510 --> 00:26:49,600

also i just heard in this interview

783

00:26:53,350 --> 00:26:51,520

recently and it really was

784

00:26:54,710 --> 00:26:53,360

excellent and it was kind of a quirky

785

00:26:55,510 --> 00:26:54,720

interview but

786

00:26:58,630 --> 00:26:55,520

it's

787

00:27:00,789 --> 00:26:58,640

that we all have

788

00:27:01,669 --> 00:27:00,799

and that's what you said sean i'm just

789

00:27:04,149 --> 00:27:01,679

this is

790

00:27:06,230 --> 00:27:04,159

rehashing what you said and and you

791

00:27:08,630 --> 00:27:06,240

brought it down to just a really

792

00:27:09,750 --> 00:27:08,640

personal level that we can all relate to

793

00:27:10,630 --> 00:27:09,760

is like

794

00:27:13,669 --> 00:27:10,640

hey

795

00:27:16,630 --> 00:27:13,679

i got power and control issues

796

00:27:18,789 --> 00:27:16,640

i look at my family i look at my wife i

797

00:27:21,750 --> 00:27:18,799

have power and control issues i look at

798

00:27:25,029 --> 00:27:21,760

my children i got power and control

799

00:27:26,789 --> 00:27:25,039

issues i want them to be a certain way

800

00:27:28,149 --> 00:27:26,799

is it really so hard for us to

801
00:27:31,590 --> 00:27:28,159
understand

802
00:27:34,950 --> 00:27:31,600
how that extends to people who have

803
00:27:37,510 --> 00:27:34,960
you know just enormous enormous power

804
00:27:39,269 --> 00:27:37,520
and how our culture is telling them

805
00:27:42,870 --> 00:27:39,279
they're supposed to

806
00:27:45,029 --> 00:27:42,880
enact that power i mean like uh

807
00:27:46,950 --> 00:27:45,039
bill gates is a is a tragic figure i

808
00:27:48,950 --> 00:27:46,960
mean you just look at him and he's just

809
00:27:51,510 --> 00:27:48,960
a tragic figure he'd be in some

810
00:27:52,789 --> 00:27:51,520
shakespearean play look into his eyes i

811
00:27:55,350 --> 00:27:52,799
mean it just

812
00:27:56,630 --> 00:27:55,360
that's not a a a good soul there you

813
00:27:58,870 --> 00:27:56,640

know but

814

00:28:00,630 --> 00:27:58,880

what has his life been which is kind of

815

00:28:03,029 --> 00:28:00,640

what you're alluding to but also from a

816

00:28:05,669 --> 00:28:03,039

power standpoint he had more money than

817

00:28:08,549 --> 00:28:05,679

he could ever spend when he was

818

00:28:10,230 --> 00:28:08,559

23 years old and he was a self-made man

819

00:28:11,430 --> 00:28:10,240

too he could say even though he came

820

00:28:13,430 --> 00:28:11,440

from a

821

00:28:15,350 --> 00:28:13,440

nice family anymore obviously but he

822

00:28:17,029 --> 00:28:15,360

made it every step of the way he makes

823

00:28:18,389 --> 00:28:17,039

more and the question you know it's like

824

00:28:19,909 --> 00:28:18,399

i had this conversation recently by the

825

00:28:21,909 --> 00:28:19,919

way about gates with this guy that said

826

00:28:25,669 --> 00:28:21,919

oh i like gates you know i he does

827

00:28:27,590 --> 00:28:25,679

business with him or what not and i say

828

00:28:28,710 --> 00:28:27,600

okay why what's he about what's he

829

00:28:29,830 --> 00:28:28,720

trying why is he trying to control your

830

00:28:31,110 --> 00:28:29,840

body oh he's not trying to control it

831

00:28:32,549 --> 00:28:31,120

but he's trying to help the planet you

832

00:28:33,909 --> 00:28:32,559

know he's done more for the planet than

833

00:28:35,029 --> 00:28:33,919

anybody

834

00:28:36,389 --> 00:28:35,039

say uh-huh

835

00:28:37,510 --> 00:28:36,399

so sticking sticking a needle in

836

00:28:38,389 --> 00:28:37,520

everybody is what is really going to

837

00:28:39,909 --> 00:28:38,399

help

838

00:28:41,510 --> 00:28:39,919

is that really is that really what's go

839

00:28:42,470 --> 00:28:41,520

what's going to help people who are

840

00:28:44,870 --> 00:28:42,480

dealing with

841

00:28:45,990 --> 00:28:44,880

you name it irrigation issues farm you

842

00:28:47,830 --> 00:28:46,000

know uh

843

00:28:49,269 --> 00:28:47,840

standards of living the lack of energy

844

00:28:51,350 --> 00:28:49,279

and you know not just clean water but

845

00:28:52,630 --> 00:28:51,360

lack of energy to actually power their

846

00:28:54,149 --> 00:28:52,640

you know a normal

847

00:28:55,909 --> 00:28:54,159

modern let's say a modern middle-class

848

00:28:57,669 --> 00:28:55,919

standard of living is he actually

849

00:29:00,149 --> 00:28:57,679

looking to to to

850

00:29:01,669 --> 00:29:00,159

raise the center of living in africa

851

00:29:04,070 --> 00:29:01,679

it's like what are they talking about

852

00:29:05,830 --> 00:29:04,080

you can just but sean even that response

853

00:29:08,310 --> 00:29:05,840

is switching over again into the

854

00:29:09,590 --> 00:29:08,320

material in the material world right

855

00:29:11,590 --> 00:29:09,600

because when you switch into the

856

00:29:13,110 --> 00:29:11,600

spiritual realm like you talk about so

857

00:29:15,350 --> 00:29:13,120

many times you're like

858

00:29:17,990 --> 00:29:15,360

why would i think that it is

859

00:29:20,310 --> 00:29:18,000

that is somehow my job to do anything

860

00:29:22,389 --> 00:29:20,320

other than to bring this light forward

861

00:29:24,230 --> 00:29:22,399

you know like it doesn't take much to

862

00:29:26,630 --> 00:29:24,240

get to an understanding of spirituality

863

00:29:28,549 --> 00:29:26,640

like hey i'm supposed to fill the hole

864

00:29:29,909 --> 00:29:28,559

with light wherever i find the hole i'm

865

00:29:31,750 --> 00:29:29,919

supposed to fill it with light and i'm

866

00:29:32,950 --> 00:29:31,760

going to run across a lot of these

867

00:29:34,549 --> 00:29:32,960

people who

868

00:29:37,029 --> 00:29:34,559

they got the hole and the only way they

869

00:29:39,669 --> 00:29:37,039

found to fill it is with darkness that's

870

00:29:41,190 --> 00:29:39,679

tragic that's too bad i can try and help

871

00:29:42,789 --> 00:29:41,200

you but i'm trying to help everybody

872

00:29:45,909 --> 00:29:42,799

because i'm just about the light kind of

873

00:29:48,389 --> 00:29:45,919

thing so in that sense i i don't worry

874

00:29:50,549 --> 00:29:48,399

about gates you know and what is it it's

875

00:29:52,549 --> 00:29:50,559

just that he's a pathetic kind of

876

00:29:54,630 --> 00:29:52,559

doesn't look like he's it looks like his

877

00:29:55,750 --> 00:29:54,640

hole is not filled with light to me kind

878

00:29:56,950 --> 00:29:55,760

of thing

879

00:30:01,590 --> 00:29:56,960

no

880

00:30:03,510 --> 00:30:01,600

and there are very few that are

881

00:30:05,110 --> 00:30:03,520

well this is this is the this is like

882

00:30:07,269 --> 00:30:05,120

this is the nature of our reality that

883

00:30:09,430 --> 00:30:07,279

we have right now it's that

884

00:30:10,470 --> 00:30:09,440

we

885

00:30:11,750 --> 00:30:10,480

how do you say

886

00:30:13,510 --> 00:30:11,760

most people are just in it for

887

00:30:16,230 --> 00:30:13,520

themselves

888

00:30:17,909 --> 00:30:16,240

it doesn't matter left right center

889

00:30:19,590 --> 00:30:17,919

i mean you really look at the quality of

890

00:30:21,269 --> 00:30:19,600

leadership

891

00:30:22,549 --> 00:30:21,279

it's it's not the people that there are

892

00:30:24,789 --> 00:30:22,559

a few people that are out there that are

893

00:30:26,630 --> 00:30:24,799

actually holding an anchor of

894

00:30:29,590 --> 00:30:26,640

faith hey i'm here with a faith and a

895

00:30:31,830 --> 00:30:29,600

higher power this is not about me

896

00:30:33,350 --> 00:30:31,840

this is about what i'm here to serve

897

00:30:34,710 --> 00:30:33,360

right

898

00:30:35,669 --> 00:30:34,720

there's very few like that but i think

899

00:30:37,029 --> 00:30:35,679

that the revolution and the

900

00:30:38,310 --> 00:30:37,039

transformation comes from from the

901
00:30:40,070 --> 00:30:38,320
masses

902
00:30:42,789 --> 00:30:40,080
it comes from the millions of people

903
00:30:44,470 --> 00:30:42,799
waking up and taking their power back

904
00:30:46,789 --> 00:30:44,480
i think that's really we don't so in a

905
00:30:48,549 --> 00:30:46,799
sense we become the leaders those of us

906
00:30:50,630 --> 00:30:48,559
that survive this transition phase

907
00:30:51,750 --> 00:30:50,640
become the leaders and it's more of a

908
00:30:54,230 --> 00:30:51,760
collective leadership because it's

909
00:30:56,549 --> 00:30:54,240
reciprocity based so it's no longer

910
00:30:58,549 --> 00:30:56,559
about power see i always said in the old

911
00:31:00,950 --> 00:30:58,559
since i was young i said

912
00:31:03,430 --> 00:31:00,960
machiavelli is wrong it's not it's not

913
00:31:05,110 --> 00:31:03,440

fear power is not in fear

914

00:31:06,789 --> 00:31:05,120

power's in love because the moment if

915

00:31:08,070 --> 00:31:06,799

someone fears you

916

00:31:09,990 --> 00:31:08,080

the moment you're weak you end up like

917

00:31:12,549 --> 00:31:10,000

harvey weinstein

918

00:31:14,230 --> 00:31:12,559

right everyone stabs you

919

00:31:16,149 --> 00:31:14,240

the moment you're weak they turn on you

920

00:31:17,909 --> 00:31:16,159

they drop you caesar

921

00:31:20,070 --> 00:31:17,919

when you're when you're when you well

922

00:31:21,190 --> 00:31:20,080

caesar whether or not he was weak that's

923

00:31:23,110 --> 00:31:21,200

you know that's a different i think that

924

00:31:25,990 --> 00:31:23,120

was just that was a mass conspiracy but

925

00:31:27,669 --> 00:31:26,000

the but the point is that

926
00:31:29,590 --> 00:31:27,679
love is power

927
00:31:31,750 --> 00:31:29,600
because when you're weak

928
00:31:33,509 --> 00:31:31,760
people comfort you

929
00:31:35,909 --> 00:31:33,519
that's where power is

930
00:31:37,750 --> 00:31:35,919
and that's why it's power is about love

931
00:31:40,310 --> 00:31:37,760
it's about reciprocity

932
00:31:41,590 --> 00:31:40,320
because i know you know listen hey you

933
00:31:43,110 --> 00:31:41,600
you know if i've got all this wealth

934
00:31:44,789 --> 00:31:43,120
like gates and people are sucking at my

935
00:31:47,350 --> 00:31:44,799
kneecaps and i can do whatever i want as

936
00:31:48,789 --> 00:31:47,360
long as that wealth is there right

937
00:31:49,909 --> 00:31:48,799
if the guy didn't have that wealth who

938
00:31:52,549 --> 00:31:49,919

would be there

939

00:31:53,830 --> 00:31:52,559

he'd be he'd be he'd be naked

940

00:31:55,830 --> 00:31:53,840

so that's the truth that's the true

941

00:31:58,310 --> 00:31:55,840

emperors with no clothes you see it's

942

00:31:59,590 --> 00:31:58,320

the people that are literally just naked

943

00:32:01,590 --> 00:31:59,600

except for their

944

00:32:03,430 --> 00:32:01,600

their wealth oh okay so you know we're

945

00:32:05,110 --> 00:32:03,440

gonna we're gonna pretend we like you we

946

00:32:06,149 --> 00:32:05,120

don't like you naked we only like you

947

00:32:10,630 --> 00:32:06,159

with all your

948

00:32:13,509 --> 00:32:10,640

if the if they love the emperor he'd be

949

00:32:14,389 --> 00:32:13,519

walking naked they would love him anyway

950

00:32:15,350 --> 00:32:14,399

and that's

951
00:32:17,430 --> 00:32:15,360

why

952
00:32:19,590 --> 00:32:17,440

the future is going to be

953
00:32:21,750 --> 00:32:19,600

power based in

954
00:32:23,269 --> 00:32:21,760
connection if you love someone hey today

955
00:32:25,350 --> 00:32:23,279
the money is here tomorrow is not here

956
00:32:26,950 --> 00:32:25,360
but guess what if you have

957
00:32:28,070 --> 00:32:26,960
friends and allies

958
00:32:29,990 --> 00:32:28,080
there's always the opportunity to make

959
00:32:31,830 --> 00:32:30,000
money to or make money let's say but

960
00:32:32,630 --> 00:32:31,840
make something make something to create

961
00:32:35,509 --> 00:32:32,640
money

962
00:32:37,110 --> 00:32:35,519
anything it's what you're creating right

963
00:32:39,669 --> 00:32:37,120

you're growing something you're building

964

00:32:41,909 --> 00:32:39,679

a company you're employing employing

965

00:32:45,269 --> 00:32:41,919

people you're engaging people like

966

00:32:47,509 --> 00:32:45,279

that's wealth right that brings wealth

967

00:32:50,710 --> 00:32:47,519

money itself doesn't mean anything

968

00:32:53,190 --> 00:32:50,720

so a couple of things that have kind of

969

00:32:56,230 --> 00:32:53,200

driven amplified my kind of spiritual

970

00:32:58,549 --> 00:32:56,240

quest is some science parts of it

971

00:33:00,310 --> 00:32:58,559

near-death experience science

972

00:33:02,549 --> 00:33:00,320

i find very compelling

973

00:33:04,870 --> 00:33:02,559

reincarnation science you know the guys

974

00:33:08,389 --> 00:33:04,880

at university virginia lots of very

975

00:33:10,870 --> 00:33:08,399

compelling i've heard you touch on

976

00:33:13,509 --> 00:33:10,880

the reincarnation thing

977

00:33:15,590 --> 00:33:13,519

how are you processing that in your

978

00:33:19,190 --> 00:33:15,600

worldview right now what is that what

979

00:33:22,950 --> 00:33:20,310

which part

980

00:33:25,110 --> 00:33:22,960

reincarnation because if you think about

981

00:33:26,870 --> 00:33:25,120

it it just throws everything i mean i

982

00:33:28,549 --> 00:33:26,880

think a lot of people haven't kind of

983

00:33:31,029 --> 00:33:28,559

fully internalized what that means you

984

00:33:33,590 --> 00:33:31,039

know they get hung up on race issues

985

00:33:35,750 --> 00:33:33,600

well there's you're just here now in

986

00:33:37,110 --> 00:33:35,760

this or they get hung up on privilege

987

00:33:39,110 --> 00:33:37,120

issues i've heard you talk about

988

00:33:41,269 --> 00:33:39,120

privilege it's like hey man

989

00:33:43,509 --> 00:33:41,279

i don't know why you were thrown in this

990

00:33:46,070 --> 00:33:43,519

situation that this is a situation it's

991

00:33:48,870 --> 00:33:46,080

not a privilege it's just where you

992

00:33:51,190 --> 00:33:48,880

wound up and the next time around

993

00:33:53,430 --> 00:33:51,200

again i'm a science guy

994

00:33:55,269 --> 00:33:53,440

science would suggest that you will

995

00:33:57,269 --> 00:33:55,279

experience multiple

996

00:33:59,590 --> 00:33:57,279

ones of these little actor things and

997

00:34:01,909 --> 00:33:59,600

they won't all look the same to you what

998

00:34:04,710 --> 00:34:01,919

does that mean and near-death experience

999

00:34:08,230 --> 00:34:04,720

science suggests that you will be the

1000

00:34:11,349 --> 00:34:08,240

judge of your deeds you will

1001

00:34:13,109 --> 00:34:11,359

feel like gosh i could have done

1002

00:34:15,669 --> 00:34:13,119

more you know kind of thing or i

1003

00:34:17,510 --> 00:34:15,679

shouldn't well you get where i'm going

1004

00:34:19,669 --> 00:34:17,520

i'm very interested by the idea that

1005

00:34:21,270 --> 00:34:19,679

consciousness is actually growing and

1006

00:34:23,990 --> 00:34:21,280

expanding

1007

00:34:25,349 --> 00:34:24,000

i'm really interested by the idea that

1008

00:34:31,190 --> 00:34:25,359

there

1009

00:34:33,349 --> 00:34:31,200

that people have experienced

1010

00:34:35,589 --> 00:34:33,359

and we are approaching a different uh

1011

00:34:37,349 --> 00:34:35,599

how do you say

1012

00:34:40,149 --> 00:34:37,359

we know for example like you know this

1013

00:34:41,669 --> 00:34:40,159

the brain inhibits our our experience

1014

00:34:42,950 --> 00:34:41,679

our experience

1015

00:34:45,430 --> 00:34:42,960

that's why when people take certain

1016

00:34:46,230 --> 00:34:45,440

psychedelic drugs it actually starts to

1017

00:34:49,669 --> 00:34:46,240

shut

1018

00:34:51,589 --> 00:34:49,679

actually like it basically inhibits the

1019

00:34:53,430 --> 00:34:51,599

filters yeah exactly

1020

00:34:54,790 --> 00:34:53,440

it turns off those blocks

1021

00:34:57,109 --> 00:34:54,800

and all of a sudden we start to realize

1022

00:34:58,950 --> 00:34:57,119

oh my god i'm connected to everything so

1023

00:35:00,550 --> 00:34:58,960

our consciousness is limited

1024

00:35:02,710 --> 00:35:00,560

there's no way you can tell me that our

1025

00:35:05,109 --> 00:35:02,720

consciousness is not limited but

1026

00:35:08,870 --> 00:35:05,119

the question of how limited it is is a

1027

00:35:09,910 --> 00:35:08,880

very interesting thing i actually wonder

1028

00:35:12,470 --> 00:35:09,920

that

1029

00:35:14,870 --> 00:35:12,480

human history is the design of the

1030

00:35:16,950 --> 00:35:14,880

expansion of consciousness

1031

00:35:18,550 --> 00:35:16,960

and as the consciousness expands through

1032

00:35:20,390 --> 00:35:18,560

human history you actually get these

1033

00:35:21,349 --> 00:35:20,400

manifestations of it in the physical

1034

00:35:23,990 --> 00:35:21,359

form

1035

00:35:26,390 --> 00:35:24,000

like you know the ability now to have

1036

00:35:28,870 --> 00:35:26,400

instant communication with people

1037

00:35:30,310 --> 00:35:28,880

across the planet right

1038

00:35:32,390 --> 00:35:30,320

these are all expressions these are

1039

00:35:35,349 --> 00:35:32,400

physical expressions of the spiritual

1040

00:35:38,150 --> 00:35:35,359

nature of consciousness expanding

1041

00:35:41,829 --> 00:35:39,750

our consciousness how do you say

1042

00:35:43,670 --> 00:35:41,839

whatever i am

1043

00:35:45,910 --> 00:35:43,680

is that sliver of consciousness that

1044

00:35:46,870 --> 00:35:45,920

comes through this form

1045

00:35:49,510 --> 00:35:46,880

and

1046

00:35:52,630 --> 00:35:49,520

yes it is is connected to a soul the

1047

00:35:55,030 --> 00:35:52,640

soul is not necessarily

1048

00:35:57,349 --> 00:35:55,040

necessarily connected to a race

1049

00:35:59,829 --> 00:35:57,359

but there are greater

1050

00:36:01,270 --> 00:35:59,839

i think racial

1051

00:36:03,910 --> 00:36:01,280

implications

1052

00:36:06,950 --> 00:36:03,920

to soul groups i do i do ten i do tend

1053

00:36:09,670 --> 00:36:06,960

to see certain qualities and certain um

1054

00:36:13,030 --> 00:36:09,680

certain tendencies right

1055

00:36:15,190 --> 00:36:13,040

based on certain lineages but

1056

00:36:17,349 --> 00:36:15,200

well hold on before you say something

1057

00:36:19,270 --> 00:36:17,359

that i don't follow up on how do you

1058

00:36:20,630 --> 00:36:19,280

understand that how do you understand

1059

00:36:23,510 --> 00:36:20,640

that

1060

00:36:29,270 --> 00:36:27,589

racess come from different areas right

1061

00:36:31,349 --> 00:36:29,280

if we're looking at okay

1062

00:36:33,829 --> 00:36:31,359

i look at it like this i look at

1063

00:36:36,069 --> 00:36:33,839

the human race as

1064

00:36:37,109 --> 00:36:36,079

one race so race is maybe not the right

1065

00:36:38,470 --> 00:36:37,119

word

1066

00:36:39,910 --> 00:36:38,480

um

1067

00:36:41,510 --> 00:36:39,920

but there are different groups right

1068

00:36:44,310 --> 00:36:41,520

there's different

1069

00:36:45,829 --> 00:36:44,320

question is where we star seeded which i

1070

00:36:47,270 --> 00:36:45,839

tend to believe that we we're star

1071

00:36:49,190 --> 00:36:47,280

seeded that's why you have these

1072

00:36:51,670 --> 00:36:49,200

differences of why

1073

00:36:52,630 --> 00:36:51,680

you know why is there why is there white

1074

00:36:55,190 --> 00:36:52,640

black

1075

00:36:56,950 --> 00:36:55,200

you know yellow asian so-called you know

1076

00:36:59,030 --> 00:36:56,960

more like you know

1077

00:37:00,390 --> 00:36:59,040

the so-called red red man but i think

1078

00:37:04,230 --> 00:37:00,400

maybe

1079

00:37:05,670 --> 00:37:04,240

the land bridge to the americas but

1080

00:37:07,030 --> 00:37:05,680

still having these different the

1081

00:37:11,430 --> 00:37:07,040

polynesians having these different

1082

00:37:15,510 --> 00:37:13,190

you know are we just evolved from one

1083

00:37:16,630 --> 00:37:15,520

being or are we seated

1084

00:37:18,710 --> 00:37:16,640

from

1085

00:37:20,150 --> 00:37:18,720

different

1086

00:37:21,589 --> 00:37:20,160

iterations

1087

00:37:24,550 --> 00:37:21,599

because i don't believe in i don't

1088

00:37:27,430 --> 00:37:24,560

believe in darwinian evolution i don't

1089

00:37:28,470 --> 00:37:27,440

tend to believe that the monkey

1090

00:37:29,829 --> 00:37:28,480

became

1091

00:37:31,910 --> 00:37:29,839

conscious

1092

00:37:33,510 --> 00:37:31,920

in the form of a human

1093

00:37:34,870 --> 00:37:33,520

i or you know some kind of evolution in

1094

00:37:36,630 --> 00:37:34,880

consciousness i believe that there was

1095

00:37:39,109 --> 00:37:36,640

something that's that that murder that

1096

00:37:41,190 --> 00:37:39,119

connected us in a divine way kind of

1097

00:37:44,069 --> 00:37:41,200

like the michelangelo painting that

1098

00:37:46,230 --> 00:37:44,079

allowed us to have this consciousness

1099

00:37:47,990 --> 00:37:46,240

right at a different level than any

1100

00:37:49,030 --> 00:37:48,000

other animal on the planet

1101
00:37:50,630 --> 00:37:49,040
so

1102
00:37:51,349 --> 00:37:50,640
when i see that we have different you

1103
00:37:53,910 --> 00:37:51,359
know

1104
00:37:56,150 --> 00:37:53,920
different racial groups let's say

1105
00:37:57,990 --> 00:37:56,160
of the human race then you can say that

1106
00:37:59,589 --> 00:37:58,000
there are uh that we come from different

1107
00:38:01,510 --> 00:37:59,599
potentially different different star

1108
00:38:03,430 --> 00:38:01,520
systems or seedings

1109
00:38:04,630 --> 00:38:03,440
and um

1110
00:38:06,310 --> 00:38:04,640
and we obviously matriculate from

1111
00:38:08,150 --> 00:38:06,320
different parts of the planet

1112
00:38:09,190 --> 00:38:08,160
right so it leads it lends itself to

1113
00:38:10,550 --> 00:38:09,200

different

1114

00:38:12,069 --> 00:38:10,560

conditions the same way that you would

1115

00:38:13,430 --> 00:38:12,079

argue between like

1116

00:38:14,470 --> 00:38:13,440

you know why are the mediterranean

1117

00:38:16,310 --> 00:38:14,480

qualities

1118

00:38:17,589 --> 00:38:16,320

different than the nordic you know

1119

00:38:19,430 --> 00:38:17,599

people have been saying this for 10 you

1120

00:38:20,710 --> 00:38:19,440

know for for decades now for centuries

1121

00:38:22,950 --> 00:38:20,720

right that the mediterranean peoples

1122

00:38:25,190 --> 00:38:22,960

tend to be warmer they tend to be a bit

1123

00:38:29,270 --> 00:38:25,200

more expressive and free and the nordic

1124

00:38:33,109 --> 00:38:31,589

stiff a little bit like stiffer colder

1125

00:38:34,390 --> 00:38:33,119

right um

1126

00:38:35,109 --> 00:38:34,400

let me get out there and shovel that

1127

00:38:36,710 --> 00:38:35,119

snow

1128

00:38:38,950 --> 00:38:36,720

right maybe a little bit more warlike

1129

00:38:40,069 --> 00:38:38,960

compared to the mediterranean culture so

1130

00:38:41,829 --> 00:38:40,079

there's you know but that's not

1131

00:38:43,589 --> 00:38:41,839

necessarily true just there's this

1132

00:38:45,510 --> 00:38:43,599

different quality that's why i'm talking

1133

00:38:47,829 --> 00:38:45,520

about like different qualities based on

1134

00:38:50,310 --> 00:38:47,839

lineages perhaps based on locations

1135

00:38:51,829 --> 00:38:50,320

perhaps based on traditions things like

1136

00:38:53,670 --> 00:38:51,839

this sure

1137

00:38:55,670 --> 00:38:53,680

now you you realize how that's going to

1138

00:38:57,030 --> 00:38:55,680

be construed as incredibly racist to a

1139

00:38:58,790 --> 00:38:57,040

lot of people but

1140

00:39:00,230 --> 00:38:58,800

who cares let's get beyond that to the

1141

00:39:02,150 --> 00:39:00,240

level two and level three because you're

1142

00:39:05,270 --> 00:39:02,160

bringing up some other interesting stuff

1143

00:39:06,310 --> 00:39:05,280

the star seeding stuff gets into the

1144

00:39:09,270 --> 00:39:06,320

whole

1145

00:39:10,790 --> 00:39:09,280

ufo et contact which i constantly think

1146

00:39:13,670 --> 00:39:10,800

if that's not on the table then you're

1147

00:39:14,950 --> 00:39:13,680

not really even talking about this stuff

1148

00:39:16,790 --> 00:39:14,960

one of the things i really appreciate

1149

00:39:19,270 --> 00:39:16,800

again about your work is that's right

1150

00:39:21,349 --> 00:39:19,280

there that's right in the center of it

1151
00:39:23,030 --> 00:39:21,359
too it has to say we have to factor that

1152
00:39:24,550 --> 00:39:23,040
in just like we have to factor in

1153
00:39:26,630 --> 00:39:24,560
religion and that's why we have to put

1154
00:39:29,109 --> 00:39:26,640
quotes around satanic it's not a

1155
00:39:31,109 --> 00:39:29,119
christian thing it's a

1156
00:39:34,710 --> 00:39:31,119
light versus dark thing but i think the

1157
00:39:36,470 --> 00:39:34,720
tricky thing about race is again i look

1158
00:39:38,310 --> 00:39:36,480
at the science you know the near-death

1159
00:39:40,950 --> 00:39:38,320
experience science i think is compelling

1160
00:39:43,510 --> 00:39:40,960
stuff the between lives stuff is

1161
00:39:44,310 --> 00:39:43,520
compelling you know michael newton does

1162
00:39:45,589 --> 00:39:44,320
this

1163
00:39:46,870 --> 00:39:45,599

you know michael newton's story is

1164

00:39:49,270 --> 00:39:46,880

really interesting he's the guy who did

1165

00:39:50,630 --> 00:39:49,280

the past life regressions he

1166

00:39:52,630 --> 00:39:50,640

his story is interesting because he's

1167

00:39:54,069 --> 00:39:52,640

just a hypnotherapist and he has

1168

00:39:56,230 --> 00:39:54,079

somebody come in you know they're afraid

1169

00:39:58,390 --> 00:39:56,240

of spiders and he goes okay i want you

1170

00:39:59,670 --> 00:39:58,400

to go back and remember oh yeah i was

1171

00:40:01,510 --> 00:39:59,680

two years old there was a spider

1172

00:40:03,670 --> 00:40:01,520

crawling on my face my mom got all

1173

00:40:05,910 --> 00:40:03,680

freaked out okay there you go that's why

1174

00:40:07,670 --> 00:40:05,920

you're afraid of spiders come out of the

1175

00:40:09,349 --> 00:40:07,680

come out of the trance you know oh gosh

1176

00:40:11,349 --> 00:40:09,359

i'm not afraid of spiders anymore so one

1177

00:40:14,470 --> 00:40:11,359

day he's doing this

1178

00:40:16,790 --> 00:40:14,480

hypnosis session with somebody and boom

1179

00:40:19,910 --> 00:40:16,800

the guy goes i'm on a battlefield i have

1180

00:40:22,390 --> 00:40:19,920

a sword you know and he goes okay and he

1181

00:40:24,790 --> 00:40:22,400

happens to be newton happens to be

1182

00:40:26,710 --> 00:40:24,800

a history buff so he starts he said it's

1183

00:40:29,190 --> 00:40:26,720

a little bit outside of you know kind of

1184

00:40:31,190 --> 00:40:29,200

professional ethics but i go what emblem

1185

00:40:32,790 --> 00:40:31,200

is he wearing on his shoulder all this

1186

00:40:34,550 --> 00:40:32,800

kind of stuff he gets all this details

1187

00:40:36,390 --> 00:40:34,560

and he traces it down and he finds the

1188

00:40:39,430 --> 00:40:36,400

guy and it sends him on this whole thing

1189

00:40:41,510 --> 00:40:39,440

of this past life thing is real and then

1190

00:40:44,790 --> 00:40:41,520

what it sends him into is this stuff

1191

00:40:48,069 --> 00:40:44,800

about between lives and about being in a

1192

00:40:49,750 --> 00:40:48,079

soul group and deciding where you go and

1193

00:40:50,790 --> 00:40:49,760

it would kind of fit with what you're

1194

00:40:53,349 --> 00:40:50,800

saying

1195

00:40:55,270 --> 00:40:53,359

but there's always the outlier there's

1196

00:40:57,990 --> 00:40:55,280

the one from a different soul group that

1197

00:40:59,829 --> 00:40:58,000

says hey i want to jump into your stream

1198

00:41:01,589 --> 00:40:59,839

over here which would make a ton of

1199

00:41:03,829 --> 00:41:01,599

sense why wouldn't it and then that

1200

00:41:05,270 --> 00:41:03,839

again throws the whole racist thing out

1201

00:41:06,870 --> 00:41:05,280

of it it's like yeah you got your group

1202

00:41:08,950 --> 00:41:06,880

here and you're kind of marching along

1203

00:41:10,550 --> 00:41:08,960

and evolving your consciousness but that

1204

00:41:12,790 --> 00:41:10,560

doesn't mean it's a it's a very

1205

00:41:14,950 --> 00:41:12,800

free-flowing thing you can bring in

1206

00:41:16,790 --> 00:41:14,960

anyone from a different group

1207

00:41:18,950 --> 00:41:16,800

or from a different as people talk about

1208

00:41:21,270 --> 00:41:18,960

from a different planet from a different

1209

00:41:22,470 --> 00:41:21,280

galaxy and all the rest of that so and

1210

00:41:24,470 --> 00:41:22,480

then the other thing that i think just

1211

00:41:26,950 --> 00:41:24,480

blows away with our kind of concrete

1212

00:41:28,390 --> 00:41:26,960

materialistic evidence is the 23andme

1213

00:41:29,829 --> 00:41:28,400

thing right so you have all these

1214

00:41:31,270 --> 00:41:29,839

families that we're a proud world

1215

00:41:34,069 --> 00:41:31,280

bloodline and stuff

1216

00:41:35,750 --> 00:41:34,079

and then you find out you know the one

1217

00:41:37,990 --> 00:41:35,760

kid there that always looked a little

1218

00:41:40,550 --> 00:41:38,000

different you know he doesn't exactly

1219

00:41:42,150 --> 00:41:40,560

come from the same lineage but we no one

1220

00:41:44,390 --> 00:41:42,160

knew that that was a deep dark secret in

1221

00:41:46,150 --> 00:41:44,400

the family but we always treated him or

1222

00:41:48,470 --> 00:41:46,160

her like that and we treat it you know

1223

00:41:49,829 --> 00:41:48,480

what i mean so it's just i agree with

1224

00:41:51,829 --> 00:41:49,839

what you're saying i think it makes it

1225

00:41:53,349 --> 00:41:51,839

does make sense but the larger picture

1226

00:41:56,150 --> 00:41:53,359

is it's just kind of more of a

1227

00:41:58,630 --> 00:41:56,160

free-for-all in terms of how these souls

1228

00:42:01,190 --> 00:41:58,640

travel through this huge infinite

1229

00:42:04,230 --> 00:42:01,200

consciousness thing that we have do you

1230

00:42:07,030 --> 00:42:04,240

have any thoughts on that whole thing

1231

00:42:08,550 --> 00:42:07,040

it's it's it's it's so big it's so

1232

00:42:10,230 --> 00:42:08,560

complex right this i think you know the

1233

00:42:13,829 --> 00:42:10,240

seating of the human race

1234

00:42:17,829 --> 00:42:15,829

the various groups right because i mean

1235

00:42:19,349 --> 00:42:17,839

look where does the rh negative come

1236

00:42:20,950 --> 00:42:19,359

from isn't this one of the great

1237

00:42:22,710 --> 00:42:20,960

mysteries that i'm sure you looked at

1238

00:42:24,470 --> 00:42:22,720

all right the the the negative rhesus

1239

00:42:26,470 --> 00:42:24,480

where there's no rhesus monkey in its

1240

00:42:28,790 --> 00:42:26,480

lineage and you know people with rh

1241

00:42:30,950 --> 00:42:28,800

negative they they they claim to have

1242

00:42:32,069 --> 00:42:30,960

different abilities oftentimes they say

1243

00:42:34,150 --> 00:42:32,079

like they tend to be more like

1244

00:42:35,349 --> 00:42:34,160

psychically attuned or things like this

1245

00:42:36,950 --> 00:42:35,359

and not ever obviously there's likely

1246

00:42:37,750 --> 00:42:36,960

people psychology people in all groups

1247

00:42:39,270 --> 00:42:37,760

but

1248

00:42:40,630 --> 00:42:39,280

there is something odd about this rh

1249

00:42:42,150 --> 00:42:40,640

negative thing

1250

00:42:43,990 --> 00:42:42,160

so

1251
00:42:45,670 --> 00:42:44,000
i don't again i mean the rate

1252
00:42:48,069 --> 00:42:45,680
see

1253
00:42:50,150 --> 00:42:48,079
it's like the most racist thing to me is

1254
00:42:51,670 --> 00:42:50,160
the focus on race right so when you get

1255
00:42:53,910 --> 00:42:51,680
things like you know critical race

1256
00:42:55,829 --> 00:42:53,920
theory or you get various evolutions of

1257
00:42:57,510 --> 00:42:55,839
modern racism where it's like everything

1258
00:43:00,950 --> 00:42:57,520
is about what color your skin is i find

1259
00:43:02,069 --> 00:43:00,960
that more racist than just talking about

1260
00:43:03,670 --> 00:43:02,079
let's say

1261
00:43:06,390 --> 00:43:03,680
look we have lineage

1262
00:43:08,950 --> 00:43:06,400
right and so you know my lineage as far

1263
00:43:10,790 --> 00:43:08,960

as i can you know i can trace you know

1264

00:43:13,510 --> 00:43:10,800

goes back to certain parts it's it's

1265

00:43:15,190 --> 00:43:13,520

north europe it's you know france it's

1266

00:43:16,950 --> 00:43:15,200

uh partly you know

1267

00:43:19,030 --> 00:43:16,960

russian jewish it's

1268

00:43:20,870 --> 00:43:19,040

maybe mongol because we certainly like

1269

00:43:22,870 --> 00:43:20,880

when i did the 23andme we went you know

1270

00:43:24,470 --> 00:43:22,880

we we raised in a lot with like people

1271

00:43:27,270 --> 00:43:24,480

from like turkmenistan and stuff like

1272

00:43:29,190 --> 00:43:27,280

this so um you know so it's like you

1273

00:43:31,430 --> 00:43:29,200

know that's just lineage that's you know

1274

00:43:33,349 --> 00:43:31,440

we know that our dna is informed by

1275

00:43:35,349 --> 00:43:33,359

ancestors you know they say we have

1276

00:43:37,270 --> 00:43:35,359

genetic memory you know sorry our memory

1277

00:43:39,829 --> 00:43:37,280

can be influenced genetically at least

1278

00:43:41,910 --> 00:43:39,839

seven generations or or maybe up to 13

1279

00:43:44,230 --> 00:43:41,920

generations i think so the point is that

1280

00:43:46,069 --> 00:43:44,240

it's not like it's not a fallacy to talk

1281

00:43:48,150 --> 00:43:46,079

about you know let's talk about lineages

1282

00:43:49,910 --> 00:43:48,160

it's just i think people get simplified

1283

00:43:51,990 --> 00:43:49,920

with this racial thing you know it's

1284

00:43:54,790 --> 00:43:52,000

like obama's a black man i'm like you

1285

00:43:57,990 --> 00:43:54,800

know he's half white i mean it's like so

1286

00:44:01,910 --> 00:43:59,670

and that oh for sure for sure i mean

1287

00:44:03,349 --> 00:44:01,920

this guy was totally you know cia he was

1288

00:44:05,109 --> 00:44:03,359

a total deep state creature but the

1289

00:44:06,550 --> 00:44:05,119

point is that like you know we have this

1290

00:44:08,069 --> 00:44:06,560

illusion of color

1291

00:44:09,829 --> 00:44:08,079

right and i think this is something

1292

00:44:11,910 --> 00:44:09,839

we've really got to get past is like

1293

00:44:13,109 --> 00:44:11,920

just because your color is pigmentation

1294

00:44:15,190 --> 00:44:13,119

i mean they're they're you know as we

1295

00:44:17,430 --> 00:44:15,200

know they're albino you know black

1296

00:44:19,750 --> 00:44:17,440

people who are albino uh you know who

1297

00:44:22,230 --> 00:44:19,760

would look whiter than me it's like so

1298

00:44:24,790 --> 00:44:22,240

we gotta get past this notion of color

1299

00:44:26,309 --> 00:44:24,800

lineage is important um just to

1300

00:44:28,069 --> 00:44:26,319

understand where we you know

1301
00:44:29,750 --> 00:44:28,079
to understand you know certain as much

1302
00:44:31,589 --> 00:44:29,760
as we can perhaps certain tendencies or

1303
00:44:33,270 --> 00:44:31,599
certain you know certain things in our

1304
00:44:35,270 --> 00:44:33,280
in our ancestral memory that's working

1305
00:44:36,550 --> 00:44:35,280
through us right traumas pains things

1306
00:44:37,750 --> 00:44:36,560
like this

1307
00:44:39,829 --> 00:44:37,760
spiritually you can do a lot of work i

1308
00:44:41,990 --> 00:44:39,839
mean my girlfriend teaches breath work

1309
00:44:43,430 --> 00:44:42,000
uh but in her she has a healing arts

1310
00:44:45,030 --> 00:44:43,440
academy or spill you know spiritual and

1311
00:44:47,190 --> 00:44:45,040
healing arts and breath work is a very

1312
00:44:48,950 --> 00:44:47,200
powerful tool for doing trauma work

1313
00:44:51,109 --> 00:44:48,960

people have memories of things and yeah

1314

00:44:53,270 --> 00:44:51,119

i mean people white people can have

1315

00:44:55,510 --> 00:44:53,280

memories of past lives as you know

1316

00:44:57,349 --> 00:44:55,520

native american or black and vice versa

1317

00:44:59,349 --> 00:44:57,359

i mean why this shouldn't be

1318

00:45:01,510 --> 00:44:59,359

they shouldn't be held as racist like

1319

00:45:04,069 --> 00:45:01,520

just to say like hey i i resonate you

1320

00:45:05,109 --> 00:45:04,079

know with you know with this person and

1321

00:45:06,470 --> 00:45:05,119

i should be able to say that too i've

1322

00:45:08,470 --> 00:45:06,480

been called out racist for saying i

1323

00:45:10,630 --> 00:45:08,480

resonate with malcolm x when he said you

1324

00:45:13,349 --> 00:45:10,640

know he said this great quote

1325

00:45:16,390 --> 00:45:13,359

about you know the media will make the

1326
00:45:17,910 --> 00:45:16,400
oppressor look like the the the good guy

1327
00:45:19,589 --> 00:45:17,920
and the oppressed look like the bad guy

1328
00:45:20,710 --> 00:45:19,599
right they'll have you you'll be mixing

1329
00:45:21,910 --> 00:45:20,720
up who's the oppressor and who's the

1330
00:45:23,109 --> 00:45:21,920
oppressed and i'm like i resonate with

1331
00:45:24,069 --> 00:45:23,119
that oh you can't say that you're not

1332
00:45:25,829 --> 00:45:24,079
black

1333
00:45:27,510 --> 00:45:25,839
it's like i can resonate with it i can

1334
00:45:28,870 --> 00:45:27,520
resonate with a monkey if i resonate

1335
00:45:30,950 --> 00:45:28,880
with a monkey i mean why can't we

1336
00:45:32,710 --> 00:45:30,960
resonate we are souls that are here to

1337
00:45:35,430 --> 00:45:32,720
resonate that's actually our point is to

1338
00:45:37,910 --> 00:45:35,440

stop see they use the vision because the

1339

00:45:39,829 --> 00:45:37,920

strongest power is as we know is

1340

00:45:41,510 --> 00:45:39,839

connection we're all you know love it's

1341

00:45:44,150 --> 00:45:41,520

connecting from you know no matter what

1342

00:45:45,750 --> 00:45:44,160

your background is it's love we can love

1343

00:45:46,710 --> 00:45:45,760

we can love animals we can love children

1344

00:45:48,470 --> 00:45:46,720

i mean all these things like they've

1345

00:45:49,349 --> 00:45:48,480

perverted pedophilia just means love of

1346

00:45:50,870 --> 00:45:49,359

child

1347

00:45:52,950 --> 00:45:50,880

so they've turned that into into this

1348

00:45:54,790 --> 00:45:52,960

corrupt sexual thing when it should have

1349

00:45:56,309 --> 00:45:54,800

just been no it's it's love of children

1350

00:45:57,829 --> 00:45:56,319

it should not be called you know we

1351
00:45:59,510 --> 00:45:57,839
should get love out of that phrase that

1352
00:46:00,630 --> 00:45:59,520
should not be anywhere near what's

1353
00:46:02,950 --> 00:46:00,640
happening when people are corrupting

1354
00:46:04,950 --> 00:46:02,960
children so you see they their whole the

1355
00:46:07,030 --> 00:46:04,960
game is and this is the dark side the

1356
00:46:08,870 --> 00:46:07,040
game is turn against

1357
00:46:10,390 --> 00:46:08,880
you know identity politics then any

1358
00:46:11,670 --> 00:46:10,400
politics becomes vaccine politics you

1359
00:46:12,710 --> 00:46:11,680
know are you vaccinated you can't be my

1360
00:46:13,910 --> 00:46:12,720
friend if you're not vaccinated you

1361
00:46:15,910 --> 00:46:13,920
can't come in here for that vaccine this

1362
00:46:17,589 --> 00:46:15,920
is how they do it it's just so simple

1363
00:46:20,390 --> 00:46:17,599

because they know the power of of

1364

00:46:22,630 --> 00:46:20,400

connection and love is the most powerful

1365

00:46:24,069 --> 00:46:22,640

force in existence

1366

00:46:25,910 --> 00:46:24,079

you know there's a couple other places i

1367

00:46:27,829 --> 00:46:25,920

want to make sure we touch on and you've

1368

00:46:29,030 --> 00:46:27,839

touched on it a little bit but i want to

1369

00:46:31,030 --> 00:46:29,040

hit it again

1370

00:46:33,109 --> 00:46:31,040

and that's religion

1371

00:46:35,670 --> 00:46:33,119

and again it's like you've lived so many

1372

00:46:37,670 --> 00:46:35,680

lives you know you've gone through

1373

00:46:39,589 --> 00:46:37,680

the whole thing i mean you went over to

1374

00:46:41,510 --> 00:46:39,599

iran and then you got you know oh he's

1375

00:46:43,190 --> 00:46:41,520

muslim that was the you could still find

1376

00:46:44,390 --> 00:46:43,200

that out there oh i got to show you this

1377

00:46:46,790 --> 00:46:44,400

because i don't know if this means

1378

00:46:49,430 --> 00:46:46,800

anything or not this could be totally

1379

00:46:51,990 --> 00:46:49,440

meaningless but when i go to

1380

00:46:54,470 --> 00:46:52,000

amazon

1381

00:46:56,790 --> 00:46:54,480

sean ollie stone i mean

1382

00:46:59,510 --> 00:46:56,800

i've never seen your name spelled out as

1383

00:47:01,349 --> 00:46:59,520

sean olly stone again but with all the

1384

00:47:03,430 --> 00:47:01,359

stuff they tried to

1385

00:47:06,309 --> 00:47:03,440

spin your

1386

00:47:07,109 --> 00:47:06,319

openness to looking at you know

1387

00:47:08,390 --> 00:47:07,119

other

1388

00:47:10,630 --> 00:47:08,400

traditions

1389

00:47:12,230 --> 00:47:10,640

i gotta believe they're and you're one

1390

00:47:14,630 --> 00:47:12,240

you're not even listed as the leading

1391

00:47:16,230 --> 00:47:14,640

author i'm the thing which the book

1392

00:47:18,550 --> 00:47:16,240

just look at the cover of the book it's

1393

00:47:20,069 --> 00:47:18,560

sean stone new world order and then yeah

1394

00:47:21,829 --> 00:47:20,079

i'm amazing

1395

00:47:24,150 --> 00:47:21,839

he's more he's a more prolific author

1396

00:47:26,710 --> 00:47:24,160

than i am so i think there you know it

1397

00:47:28,710 --> 00:47:26,720

helps for promotional purposes i suppose

1398

00:47:31,430 --> 00:47:28,720

no i don't think so it's that they're

1399

00:47:33,829 --> 00:47:31,440

burying sean stone and they're saying

1400

00:47:36,150 --> 00:47:33,839

sean ollystone which sends you spinning

1401
00:47:37,829 --> 00:47:36,160
and then you go look on wikipedia and oh

1402
00:47:39,670 --> 00:47:37,839
we think he's a muslim and all the rest

1403
00:47:41,430 --> 00:47:39,680
of this here's my point that i want you

1404
00:47:43,510 --> 00:47:41,440
to talk about religion

1405
00:47:45,750 --> 00:47:43,520
it seems like

1406
00:47:50,549 --> 00:47:45,760
such an obvious

1407
00:47:54,230 --> 00:47:50,559
why would you why would anyone think

1408
00:47:55,829 --> 00:47:54,240
that they need a spiritual intermediary

1409
00:47:57,990 --> 00:47:55,839
you know i have some kind of experience

1410
00:47:59,910 --> 00:47:58,000
with the divine why would i then

1411
00:48:02,549 --> 00:47:59,920
immediately go oh no i can only

1412
00:48:04,790 --> 00:48:02,559
understand it through this guy's book or

1413
00:48:07,030 --> 00:48:04,800

somebody jumps in and says no i'm the

1414

00:48:09,829 --> 00:48:07,040

only means by which you can interpret

1415

00:48:11,670 --> 00:48:09,839

your spiritual experience it seems like

1416

00:48:13,990 --> 00:48:11,680

such a social engineering project from

1417

00:48:16,069 --> 00:48:14,000

the beginning why do we carry it around

1418

00:48:17,990 --> 00:48:16,079

like an anchor on our ass and kind of

1419

00:48:20,230 --> 00:48:18,000

even give it any

1420

00:48:22,470 --> 00:48:20,240

i guess you have to but i don't i mean i

1421

00:48:24,470 --> 00:48:22,480

just don't give it any

1422

00:48:25,670 --> 00:48:24,480

credence in the least i think it had we

1423

00:48:27,109 --> 00:48:25,680

talked a little bit earlier about the

1424

00:48:29,349 --> 00:48:27,119

level of consciousness and where

1425

00:48:31,349 --> 00:48:29,359

consciousness is and i do i think that

1426

00:48:33,589 --> 00:48:31,359

it served it served an important purpose

1427

00:48:36,470 --> 00:48:33,599

the same way that this any any state any

1428

00:48:38,710 --> 00:48:36,480

government has served its purposes right

1429

00:48:39,750 --> 00:48:38,720

there's certain levels of

1430

00:48:41,990 --> 00:48:39,760

conduct

1431

00:48:44,069 --> 00:48:42,000

that are put into you know you name it

1432

00:48:46,069 --> 00:48:44,079

from the ten commandments forward right

1433

00:48:48,470 --> 00:48:46,079

certain codes of conduct

1434

00:48:51,510 --> 00:48:48,480

and religion is served in that way to

1435

00:48:53,030 --> 00:48:51,520

help people find codes of conduct

1436

00:48:56,470 --> 00:48:53,040

so

1437

00:48:58,069 --> 00:48:56,480

you could say is it is it uh

1438

00:48:59,589 --> 00:48:58,079

is it skeptical as far as like the

1439

00:49:01,430 --> 00:48:59,599

goodness of humans does it look at

1440

00:49:03,510 --> 00:49:01,440

humans as you know basically sort of

1441

00:49:05,670 --> 00:49:03,520

these things that need to be ordered and

1442

00:49:07,190 --> 00:49:05,680

controlled to some extent yes social

1443

00:49:09,349 --> 00:49:07,200

engineering

1444

00:49:10,549 --> 00:49:09,359

has played a has played its has has had

1445

00:49:14,390 --> 00:49:10,559

a purpose

1446

00:49:16,230 --> 00:49:14,400

it ever but their juncture is where you

1447

00:49:18,230 --> 00:49:16,240

get the revolutionary juncture where

1448

00:49:19,030 --> 00:49:18,240

consciousness is expanding

1449

00:49:21,190 --> 00:49:19,040

right

1450

00:49:24,470 --> 00:49:21,200

and the limitation of these

1451

00:49:26,309 --> 00:49:24,480

ordering structures can no longer

1452

00:49:27,829 --> 00:49:26,319

serve that i think with these religious

1453

00:49:28,710 --> 00:49:27,839

texts what's always been interesting to

1454

00:49:31,270 --> 00:49:28,720

me

1455

00:49:32,390 --> 00:49:31,280

is that you do have these gnostic

1456

00:49:34,470 --> 00:49:32,400

traditions

1457

00:49:36,710 --> 00:49:34,480

uh that are directly more called you

1458

00:49:38,630 --> 00:49:36,720

know gnosis is the concept of

1459

00:49:40,470 --> 00:49:38,640

more direct knowledge of god

1460

00:49:43,030 --> 00:49:40,480

connection to source that's within the

1461

00:49:44,230 --> 00:49:43,040

islamic realm it's more known as sufism

1462

00:49:47,030 --> 00:49:44,240

and there's obviously other sex but

1463

00:49:49,270 --> 00:49:47,040

sufism is a very prominent one

1464

00:49:50,710 --> 00:49:49,280

within judaism there's kabbalah and

1465

00:49:52,390 --> 00:49:50,720

things like this

1466

00:49:54,470 --> 00:49:52,400

every religion essentially has that that

1467

00:49:57,109 --> 00:49:54,480

more gnostic tradition

1468

00:49:59,109 --> 00:49:57,119

and the point being yes there's a lot of

1469

00:50:00,870 --> 00:49:59,119

there's a lot of truth in these texts

1470

00:50:02,470 --> 00:50:00,880

there's a lot of truth in the the

1471

00:50:04,150 --> 00:50:02,480

biblical texts you know there's a lot of

1472

00:50:05,670 --> 00:50:04,160

truth in the in the in the in the

1473

00:50:08,630 --> 00:50:05,680

writing in the right writings of the new

1474

00:50:10,230 --> 00:50:08,640

testament which we attribute to christ

1475

00:50:12,549 --> 00:50:10,240

where they really came from

1476
00:50:13,510 --> 00:50:12,559
you know there are written 80 years

1477
00:50:15,430 --> 00:50:13,520
later

1478
00:50:17,670 --> 00:50:15,440
it's a little bit difficult to know you

1479
00:50:19,109 --> 00:50:17,680
know sorry 80 it's 80 a.d or after

1480
00:50:20,390 --> 00:50:19,119
thereafter so it's a little 50 years

1481
00:50:22,230 --> 00:50:20,400
after the death so-called so it's a

1482
00:50:23,589 --> 00:50:22,240
little difficult to know how real these

1483
00:50:25,750 --> 00:50:23,599
things are but there's still truth in

1484
00:50:28,710 --> 00:50:25,760
them same with the quran many truths in

1485
00:50:30,150 --> 00:50:28,720
them many powerful expressions so i've

1486
00:50:32,470 --> 00:50:30,160
always been interested by the more

1487
00:50:34,790 --> 00:50:32,480
gnostic interpretations that doesn't

1488
00:50:37,270 --> 00:50:34,800

mean that i discount the power and the

1489

00:50:40,150 --> 00:50:37,280

tool of the the teachers or the the

1490

00:50:40,870 --> 00:50:40,160

spiritual leaders that came forward um

1491

00:50:43,750 --> 00:50:40,880

but

1492

00:50:46,150 --> 00:50:43,760

it's ultimately it's these are

1493

00:50:48,390 --> 00:50:46,160

these are guides and you know there are

1494

00:50:49,589 --> 00:50:48,400

ways for you to then say hey there

1495

00:50:52,470 --> 00:50:49,599

should be as in islam they say there

1496

00:50:54,390 --> 00:50:52,480

should be no compulsion in religion

1497

00:50:56,470 --> 00:50:54,400

so why is there compulsion

1498

00:50:58,870 --> 00:50:56,480

it's not the religion itself it's the

1499

00:50:59,990 --> 00:50:58,880

people using it the same with any you

1500

00:51:01,990 --> 00:51:00,000

know look what's happening in our

1501
00:51:03,510 --> 00:51:02,000
country right now you know that we have

1502
00:51:05,510 --> 00:51:03,520
a constitution

1503
00:51:08,309 --> 00:51:05,520
do people follow it are people

1504
00:51:10,069 --> 00:51:08,319
acknowledging the constitution

1505
00:51:11,510 --> 00:51:10,079
are they respecting it

1506
00:51:12,710 --> 00:51:11,520
so you know would you say oh the

1507
00:51:14,309 --> 00:51:12,720
founders were wrong to give us a

1508
00:51:16,069 --> 00:51:14,319
constitution no

1509
00:51:17,910 --> 00:51:16,079
it was it was it was a moment in time

1510
00:51:19,109 --> 00:51:17,920
and there were very important truths in

1511
00:51:21,030 --> 00:51:19,119
it thankfully that trent i think that

1512
00:51:22,390 --> 00:51:21,040
will stand the test of time but people

1513
00:51:24,470 --> 00:51:22,400

will abuse it

1514

00:51:26,309 --> 00:51:24,480

and that's just that's the danger of of

1515

00:51:27,750 --> 00:51:26,319

giving people authority over you in

1516

00:51:29,349 --> 00:51:27,760

general so it doesn't matter if it's

1517

00:51:30,630 --> 00:51:29,359

religion politics

1518

00:51:32,630 --> 00:51:30,640

going back to what i said earlier you

1519

00:51:33,829 --> 00:51:32,640

know why are we empowering people

1520

00:51:35,589 --> 00:51:33,839

authority over us we don't even know who

1521

00:51:37,270 --> 00:51:35,599

these people are at a deep level at a

1522

00:51:38,630 --> 00:51:37,280

spiritual level who is this person does

1523

00:51:40,390 --> 00:51:38,640

this person come from the light are they

1524

00:51:41,829 --> 00:51:40,400

actually have they worked through their

1525

00:51:44,150 --> 00:51:41,839

their traumas and their issues of

1526
00:51:45,589 --> 00:51:44,160
control have they you know they are they

1527
00:51:48,309 --> 00:51:45,599
are they on a healing journey or are

1528
00:51:50,309 --> 00:51:48,319
they on a power trip

1529
00:51:51,910 --> 00:51:50,319
so you brought up the topic of politics

1530
00:51:53,589 --> 00:51:51,920
and that's another thing that i wanted

1531
00:51:55,990 --> 00:51:53,599
to talk about

1532
00:51:56,950 --> 00:51:56,000
i don't i don't know how to process

1533
00:51:59,829 --> 00:51:56,960
uh

1534
00:52:01,589 --> 00:51:59,839
politics to me the lessons learned

1535
00:52:03,430 --> 00:52:01,599
suggest that it's

1536
00:52:05,990 --> 00:52:03,440
some kind of theatrical play that we

1537
00:52:07,589 --> 00:52:06,000
don't even understand the beginnings of

1538
00:52:09,670 --> 00:52:07,599

i've heard you talk about trump i don't

1539

00:52:11,750 --> 00:52:09,680

know how to process trump i mean trump

1540

00:52:14,470 --> 00:52:11,760

is still saying gee the vaccine the

1541

00:52:16,950 --> 00:52:14,480

vaccine he's leading he's saying

1542

00:52:18,549 --> 00:52:16,960

he's saying uh joe biden isn't sticking

1543

00:52:21,430 --> 00:52:18,559

to the plan on the vaccine let me back

1544

00:52:23,910 --> 00:52:21,440

in there so i can do it i i don't know

1545

00:52:26,710 --> 00:52:23,920

how anything he could possibly say after

1546

00:52:29,829 --> 00:52:26,720

that is credible obviously they they

1547

00:52:31,589 --> 00:52:29,839

they so blatantly uh rigged the election

1548

00:52:32,390 --> 00:52:31,599

which is really kind of the story there

1549

00:52:34,150 --> 00:52:32,400

is

1550

00:52:36,390 --> 00:52:34,160

we know that the elections are rigged

1551
00:52:38,230 --> 00:52:36,400
but this one seemed to be so obviously

1552
00:52:41,190 --> 00:52:38,240
rigged but i come back to i don't want

1553
00:52:43,670 --> 00:52:41,200
to digress if if trump isn't going to

1554
00:52:45,270 --> 00:52:43,680
come clean on fauci

1555
00:52:47,430 --> 00:52:45,280
if he isn't going to come clean on the

1556
00:52:48,790 --> 00:52:47,440
vaccine then why would we go through

1557
00:52:50,790 --> 00:52:48,800
another

1558
00:52:53,030 --> 00:52:50,800
round of him claiming that he's just

1559
00:52:54,950 --> 00:52:53,040
about ready to drain the swamp kind of

1560
00:52:57,510 --> 00:52:54,960
thing does that have any credibility to

1561
00:53:01,349 --> 00:52:59,670
i think when trump said that he was in

1562
00:53:03,109 --> 00:53:01,359
favor of the vaccine there's there's two

1563
00:53:04,950 --> 00:53:03,119

factors at work one

1564

00:53:07,270 --> 00:53:04,960

he's that generation

1565

00:53:07,990 --> 00:53:07,280

my father most a lot of these boomers i

1566

00:53:09,190 --> 00:53:08,000

know

1567

00:53:10,950 --> 00:53:09,200

they all

1568

00:53:12,870 --> 00:53:10,960

they believe in the vaccines

1569

00:53:14,549 --> 00:53:12,880

that's their belief they know and it's

1570

00:53:16,390 --> 00:53:14,559

like you can't argue this you can't

1571

00:53:17,829 --> 00:53:16,400

argue them away from it that's just

1572

00:53:19,589 --> 00:53:17,839

there they've bought in they've bought

1573

00:53:20,390 --> 00:53:19,599

in since the days of the polio vaccine

1574

00:53:22,549 --> 00:53:20,400

which

1575

00:53:25,670 --> 00:53:22,559

gave people sr40

1576

00:53:26,470 --> 00:53:25,680

disease this disease monkey disease but

1577

00:53:29,670 --> 00:53:26,480

hey

1578

00:53:32,150 --> 00:53:29,680

it's saved live so-called

1579

00:53:35,589 --> 00:53:33,910

so on that level trump's going to

1580

00:53:37,109 --> 00:53:35,599

believe in the vaccinations i don't

1581

00:53:39,430 --> 00:53:37,119

think that trump ever

1582

00:53:42,870 --> 00:53:39,440

would have said mandate it i don't see

1583

00:53:45,190 --> 00:53:42,880

why he would i don't see that as

1584

00:53:46,790 --> 00:53:45,200

his ideology or his politics so when he

1585

00:53:47,990 --> 00:53:46,800

said he's in favor of it what it

1586

00:53:49,990 --> 00:53:48,000

actually did was

1587

00:53:51,270 --> 00:53:50,000

it took away the media which is really

1588

00:53:53,190 --> 00:53:51,280

the ones

1589

00:53:55,510 --> 00:53:53,200

working with in conjunction with with

1590

00:53:57,190 --> 00:53:55,520

fauci's nih working with bill gate you

1591

00:53:59,589 --> 00:53:57,200

know basically backed by bill gates

1592

00:54:01,910 --> 00:53:59,599

let's be honest gates is the major

1593

00:54:04,309 --> 00:54:01,920

player in a lot of this scheme um the

1594

00:54:06,230 --> 00:54:04,319

media's ability to attack him if he said

1595

00:54:08,150 --> 00:54:06,240

he was against the vaccines do you think

1596

00:54:10,309 --> 00:54:08,160

that would actually change the

1597

00:54:11,829 --> 00:54:10,319

republicans position no but it would

1598

00:54:13,030 --> 00:54:11,839

make it such that anyone who says i'm

1599

00:54:15,430 --> 00:54:13,040

against the vaccines becomes an

1600

00:54:18,230 --> 00:54:15,440

immediate trump supporter so he saved a

1601
00:54:19,670 --> 00:54:18,240
lot of us from that like oh you must

1602
00:54:21,589 --> 00:54:19,680
believe it because trump said it now

1603
00:54:24,390 --> 00:54:21,599
look at the statistics who are the most

1604
00:54:25,430 --> 00:54:24,400
people getting the vaccines democrats by

1605
00:54:27,270 --> 00:54:25,440
far

1606
00:54:28,950 --> 00:54:27,280
republicans split

1607
00:54:30,950 --> 00:54:28,960
so i don't think that trump really is

1608
00:54:33,510 --> 00:54:30,960
the difference between people getting a

1609
00:54:36,309 --> 00:54:33,520
vax or not but it takes away that's why

1610
00:54:38,549 --> 00:54:36,319
politics is literally

1611
00:54:40,710 --> 00:54:38,559
wwe entertainment like there is a level

1612
00:54:42,390 --> 00:54:40,720
of like hey you know

1613
00:54:44,230 --> 00:54:42,400

the you know we can't turn trump the

1614

00:54:46,230 --> 00:54:44,240

media can't turn trump into the bad guy

1615

00:54:47,990 --> 00:54:46,240

on the vaccine issue which and also

1616

00:54:50,069 --> 00:54:48,000

anyone who's against the vaccines would

1617

00:54:51,670 --> 00:54:50,079

become a bad guy because we're pro-trump

1618

00:54:53,670 --> 00:54:51,680

it's like so they've already labeled us

1619

00:54:55,270 --> 00:54:53,680

anti-vaxxers but now you know don't

1620

00:54:57,430 --> 00:54:55,280

don't muddle the water by saying that

1621

00:54:59,589 --> 00:54:57,440

you know trump's in favor of it so you

1622

00:55:01,510 --> 00:54:59,599

must be you know following trump on this

1623

00:55:02,870 --> 00:55:01,520

i think that was fine as far as i'm

1624

00:55:05,109 --> 00:55:02,880

concerned because it doesn't really

1625

00:55:07,829 --> 00:55:05,119

matter what matters is why did they rig

1626
00:55:09,589 --> 00:55:07,839
the election why do they need them out

1627
00:55:11,430 --> 00:55:09,599
because they couldn't have pushed this

1628
00:55:13,190 --> 00:55:11,440
this crazy insane policy that they're

1629
00:55:14,789 --> 00:55:13,200
doing and people i think are waking up

1630
00:55:16,789 --> 00:55:14,799
looking around going what the hell you

1631
00:55:18,950 --> 00:55:16,799
open the borders you're flooding us you

1632
00:55:21,270 --> 00:55:18,960
know covet cases have completely gone

1633
00:55:23,190 --> 00:55:21,280
you know gotten worse since the vaccine

1634
00:55:24,950 --> 00:55:23,200
roll out

1635
00:55:26,870 --> 00:55:24,960
people you know people are still getting

1636
00:55:28,630 --> 00:55:26,880
it and dying i mean everything that you

1637
00:55:30,390 --> 00:55:28,640
could talk about as far as the afghan

1638
00:55:33,190 --> 00:55:30,400

withdrawal the potential war with

1639

00:55:34,630 --> 00:55:33,200

ukraine uh the inflation the supply

1640

00:55:36,150 --> 00:55:34,640

chain issues you can't look here and go

1641

00:55:38,309 --> 00:55:36,160

this is a great this is a good

1642

00:55:40,470 --> 00:55:38,319

presidency this is like things are more

1643

00:55:41,829 --> 00:55:40,480

divisive since these guys who came in

1644

00:55:43,829 --> 00:55:41,839

just like trudeau you know coming in

1645

00:55:45,670 --> 00:55:43,839

promising unity and becoming more

1646

00:55:48,710 --> 00:55:45,680

divisive so actually i think

1647

00:55:51,109 --> 00:55:48,720

hey they kind of played their hand with

1648

00:55:52,710 --> 00:55:51,119

this election thing and actually

1649

00:55:54,789 --> 00:55:52,720

have turned more people against them in

1650

00:55:57,270 --> 00:55:54,799

a way

1651
00:56:00,150 --> 00:55:57,280
maybe you know but to me that just seems

1652
00:56:02,069 --> 00:56:00,160
like a standard standard right playbook

1653
00:56:04,309 --> 00:56:02,079
open the playbook that's the first page

1654
00:56:06,710 --> 00:56:04,319
is divide and rule you know divide

1655
00:56:08,710 --> 00:56:06,720
divide divide no matter how how it looks

1656
00:56:10,549 --> 00:56:08,720
if it's divisive it's good

1657
00:56:12,470 --> 00:56:10,559
but here's i guess the the rub i have

1658
00:56:14,069 --> 00:56:12,480
and this is where we'll kind of maybe

1659
00:56:16,069 --> 00:56:14,079
wrap it up you're very generous with

1660
00:56:18,549 --> 00:56:16,079
your time

1661
00:56:21,510 --> 00:56:18,559
as a truth seeker

1662
00:56:24,390 --> 00:56:21,520
don't we run the risk of

1663
00:56:26,230 --> 00:56:24,400

playing that wwe game in a way that we

1664

00:56:27,510 --> 00:56:26,240

shouldn't play it isn't it really just

1665

00:56:29,030 --> 00:56:27,520

about saying

1666

00:56:30,549 --> 00:56:29,040

you know like i love what you just said

1667

00:56:31,910 --> 00:56:30,559

about trump being of a different

1668

00:56:33,750 --> 00:56:31,920

generation and you can kind of

1669

00:56:35,510 --> 00:56:33,760

understand it as you kind of understand

1670

00:56:37,030 --> 00:56:35,520

your dad and you know you get together

1671

00:56:39,190 --> 00:56:37,040

at thanksgiving you're like man i'm not

1672

00:56:40,789 --> 00:56:39,200

going there you know we've gone there a

1673

00:56:41,670 --> 00:56:40,799

hundred times i'm just not gonna do it

1674

00:56:42,870 --> 00:56:41,680

again

1675

00:56:45,349 --> 00:56:42,880

i get that

1676
00:56:46,630 --> 00:56:45,359
but when we enter the realm of that guy

1677
00:56:48,789 --> 00:56:46,640
being

1678
00:56:50,549 --> 00:56:48,799
the leader that you talked about then

1679
00:56:52,150 --> 00:56:50,559
don't we just have to say nah that's

1680
00:56:54,309 --> 00:56:52,160
just [h__h] you just can't you can't

1681
00:56:56,150 --> 00:56:54,319
do that you gotta own you gotta own five

1682
00:56:58,789 --> 00:56:56,160
cheese a liar you gotta own that it's a

1683
00:56:59,750 --> 00:56:58,799
bio weapon you got to own all that stuff

1684
00:57:03,510 --> 00:56:59,760
or

1685
00:57:05,910 --> 00:57:03,520
doesn't mean i have a any other option

1686
00:57:07,109 --> 00:57:05,920
because i don't but i can't go forward

1687
00:57:09,990 --> 00:57:07,119
because i can only go forward with the

1688
00:57:12,950 --> 00:57:11,589

i would never expect

1689

00:57:17,349 --> 00:57:12,960

a homeless man to give me a hundred

1690

00:57:20,230 --> 00:57:18,870

i don't expect people to give me what

1691

00:57:21,670 --> 00:57:20,240

they can't give or do what they can what

1692

00:57:23,589 --> 00:57:21,680

they're not able to do

1693

00:57:26,230 --> 00:57:23,599

when trump came in what i loved was that

1694

00:57:27,589 --> 00:57:26,240

it was it was a sign that the system was

1695

00:57:29,829 --> 00:57:27,599

was was

1696

00:57:30,710 --> 00:57:29,839

collapsing and essentially that this was

1697

00:57:31,910 --> 00:57:30,720

the

1698

00:57:33,990 --> 00:57:31,920

king kong

1699

00:57:36,230 --> 00:57:34,000

element of

1700

00:57:37,990 --> 00:57:36,240

bring this thing down

1701

00:57:40,230 --> 00:57:38,000

that's what this is about this is about

1702

00:57:41,829 --> 00:57:40,240

devolution the beginning of the year i

1703

00:57:43,109 --> 00:57:41,839

said listen we got to bring the power

1704

00:57:45,109 --> 00:57:43,119

back what was given to us in the

1705

00:57:46,630 --> 00:57:45,119

constitution this the rights not given

1706

00:57:48,470 --> 00:57:46,640

enumerated directly for the federal

1707

00:57:50,630 --> 00:57:48,480

government are reserved to the people

1708

00:57:53,109 --> 00:57:50,640

the states and the people they're in

1709

00:57:54,870 --> 00:57:53,119

that's the bill of rights 10th amendment

1710

00:57:56,870 --> 00:57:54,880

that's what we need bring the power back

1711

00:57:58,230 --> 00:57:56,880

to us i don't care about the federal the

1712

00:57:59,750 --> 00:57:58,240

federal level you're playing too many

1713

00:58:01,750 --> 00:57:59,760

there's too many interests there's too

1714

00:58:04,069 --> 00:58:01,760

much money involved

1715

00:58:06,309 --> 00:58:04,079

it's a rigged game you know like wanos

1716

00:58:08,230 --> 00:58:06,319

haven't said you can't fix dc

1717

00:58:10,630 --> 00:58:08,240

you can't can't fix dc because it is

1718

00:58:11,990 --> 00:58:10,640

fixed it's a fix okay

1719

00:58:13,670 --> 00:58:12,000

you're coming to corporation it's a

1720

00:58:15,589 --> 00:58:13,680

corporate it's a freaking corporation

1721

00:58:17,190 --> 00:58:15,599

it's not even it's it's literally it's a

1722

00:58:18,549 --> 00:58:17,200

corporate state that they established

1723

00:58:21,109 --> 00:58:18,559

this district of columbia corporate

1724

00:58:23,030 --> 00:58:21,119

state that they've set up

1725

00:58:24,390 --> 00:58:23,040

and they're occupying us with it we need

1726
00:58:25,510 --> 00:58:24,400
to bring the power back to the people we

1727
00:58:27,430 --> 00:58:25,520
need to bring that power back to the

1728
00:58:30,309 --> 00:58:27,440
states first so the counties to the

1729
00:58:31,829 --> 00:58:30,319
level of what is closest to us

1730
00:58:33,430 --> 00:58:31,839
this is our path this is our bringing

1731
00:58:35,510 --> 00:58:33,440
power to ourselves

1732
00:58:37,750 --> 00:58:35,520
that's the path forward trump is great

1733
00:58:40,309 --> 00:58:37,760
because he's there to inspire to you

1734
00:58:42,630 --> 00:58:40,319
know to basically rally to

1735
00:58:44,309 --> 00:58:42,640
shake people up but no it's up to us to

1736
00:58:46,230 --> 00:58:44,319
do the work we can't sit there and say

1737
00:58:47,910 --> 00:58:46,240
anyone else is going to do it we each

1738
00:58:49,270 --> 00:58:47,920

are of us and trusting you know again

1739

00:58:50,630 --> 00:58:49,280

it's not like we have to

1740

00:58:52,230 --> 00:58:50,640

go out there and have a revolution we

1741

00:58:53,510 --> 00:58:52,240

gotta trust the spirit we gotta trust

1742

00:58:56,069 --> 00:58:53,520

the spirit that's working through this

1743

00:58:57,510 --> 00:58:56,079

time period that's elucidating things

1744

00:58:59,670 --> 00:58:57,520

and it will continue to elucidate things

1745

00:59:01,910 --> 00:58:59,680

for us and it just as things elucidated

1746

00:59:04,710 --> 00:59:01,920

it's our consciousness transforms

1747

00:59:06,470 --> 00:59:04,720

and we realize new potentialities

1748

00:59:08,630 --> 00:59:06,480

that are formed new real new realities

1749

00:59:10,069 --> 00:59:08,640

that we can step into it's a process

1750

00:59:11,349 --> 00:59:10,079

it's not an overnight thing this this

1751
00:59:14,710 --> 00:59:11,359
takes time

1752
00:59:16,069 --> 00:59:14,720
consciousness needs to crack it's like

1753
00:59:17,349 --> 00:59:16,079
breaking that damn you know it's like

1754
00:59:19,349 --> 00:59:17,359
you create enough pressure and it's like

1755
00:59:20,390 --> 00:59:19,359
slowly there starts you know the

1756
00:59:22,069 --> 00:59:20,400
cracks

1757
00:59:23,349 --> 00:59:22,079
start to you know start to give and the

1758
00:59:25,910 --> 00:59:23,359
next thing you know it's like it'll it

1759
00:59:26,950 --> 00:59:25,920
will it will ultimately break but

1760
00:59:28,870 --> 00:59:26,960
you know just

1761
00:59:30,390 --> 00:59:28,880
every crack

1762
00:59:31,589 --> 00:59:30,400
you know like that's what leonard cohen

1763
00:59:33,910 --> 00:59:31,599

said right every

1764

00:59:35,670 --> 00:59:33,920

every crack that's how the light gets in

1765

00:59:38,549 --> 00:59:35,680

every crack matters

1766

00:59:39,910 --> 00:59:38,559

from your lips to god's ears as they say

1767

00:59:43,109 --> 00:59:39,920

hey sean what are you what are you

1768

00:59:44,630 --> 00:59:43,119

working on nowadays what's the next

1769

00:59:47,589 --> 00:59:44,640

big thing as i mentioned a minute ago

1770

00:59:50,069 --> 00:59:47,599

you know you continue to put out some

1771

00:59:51,910 --> 00:59:50,079

great great interviews i mean

1772

00:59:55,030 --> 00:59:51,920

again it's because you have this

1773

00:59:56,789 --> 00:59:55,040

this background you know you just are so

1774

00:59:58,950 --> 00:59:56,799

tuned in to all these kind of things i

1775

01:00:01,270 --> 00:59:58,960

just saw the interview you did about the

1776

01:00:04,230 --> 01:00:01,280

rfk junior book you know number one book

1777

01:00:06,150 --> 01:00:04,240

in the country for six weeks

1778

01:00:07,670 --> 01:00:06,160

and no way you know it let's tell the

1779

01:00:10,710 --> 01:00:07,680

media where they can just pretend it

1780

01:00:12,309 --> 01:00:10,720

doesn't exist the media can pretend that

1781

01:00:14,950 --> 01:00:12,319

the truck drivers aren't rolling down

1782

01:00:16,710 --> 01:00:14,960

the streets of canada and they're at

1783

01:00:18,870 --> 01:00:16,720

fantasyland there aren't millions of

1784

01:00:20,470 --> 01:00:18,880

protesters on the streets in in europe

1785

01:00:22,630 --> 01:00:20,480

and all the rest that stuff so you're

1786

01:00:24,309 --> 01:00:22,640

still doing work

1787

01:00:26,390 --> 01:00:24,319

where are you gonna channel that how is

1788

01:00:27,990 --> 01:00:26,400

that gonna come out

1789

01:00:29,829 --> 01:00:28,000

you know i'm in between projects so

1790

01:00:31,270 --> 01:00:29,839

we'll see what that next what you know

1791

01:00:32,630 --> 01:00:31,280

what god wants i would say you know

1792

01:00:33,990 --> 01:00:32,640

essentially it's like you can't force

1793

01:00:35,430 --> 01:00:34,000

the universe the universe is going to

1794

01:00:37,510 --> 01:00:35,440

bring through what

1795

01:00:38,870 --> 01:00:37,520

what is needed next so for now i do the

1796

01:00:40,710 --> 01:00:38,880

portray on stuff

1797

01:00:42,230 --> 01:00:40,720

um because that's a good place to just

1798

01:00:43,510 --> 01:00:42,240

do interviews conversations that are

1799

01:00:45,349 --> 01:00:43,520

interesting to me and

1800

01:00:46,950 --> 01:00:45,359

let people have a have a listen i'm also

1801
01:00:48,710 --> 01:00:46,960
offering like meditations there and also

1802
01:00:50,870 --> 01:00:48,720
even private sessions that people want

1803
01:00:53,109 --> 01:00:50,880
to do like uh you know

1804
01:00:54,870 --> 01:00:53,119
coaching guidance feedback

1805
01:00:56,710 --> 01:00:54,880
divination

1806
01:00:59,030 --> 01:00:56,720
for it you know

1807
01:01:00,789 --> 01:00:59,040
in listening to some of your meditations

1808
01:01:02,549 --> 01:01:00,799
they're really nice they're very very

1809
01:01:04,470 --> 01:01:02,559
open-hearted you can tell it's

1810
01:01:05,910 --> 01:01:04,480
completely sincere

1811
01:01:09,030 --> 01:01:05,920
how are you understanding your

1812
01:01:10,710 --> 01:01:09,040
connection to et and i know that's super

1813
01:01:11,589 --> 01:01:10,720

complicated and we could spend a lot of

1814

01:01:13,589 --> 01:01:11,599

time

1815

01:01:15,990 --> 01:01:13,599

on that but again i think it's central

1816

01:01:18,950 --> 01:01:16,000

to this i don't know for myself i'll

1817

01:01:21,430 --> 01:01:18,960

offer i don't quite understand it i

1818

01:01:24,230 --> 01:01:21,440

don't quite understand the

1819

01:01:25,910 --> 01:01:24,240

it seems like a reality but it's just

1820

01:01:28,390 --> 01:01:25,920

beyond

1821

01:01:30,630 --> 01:01:28,400

my realm of understanding how all that

1822

01:01:32,950 --> 01:01:30,640

fits in starseeding

1823

01:01:35,349 --> 01:01:32,960

abduction which clearly seems like it's

1824

01:01:37,109 --> 01:01:35,359

definitely just it's happening you know

1825

01:01:38,789 --> 01:01:37,119

genetic engineering

1826

01:01:41,190 --> 01:01:38,799

even the people who are in those

1827

01:01:43,349 --> 01:01:41,200

communities who are you know have the

1828

01:01:46,470 --> 01:01:43,359

most different opinions i remember

1829

01:01:48,470 --> 01:01:46,480

interviewing dr david jacobs and mary

1830

01:01:50,069 --> 01:01:48,480

rodwell both who have done

1831

01:01:51,270 --> 01:01:50,079

hypnotic sessions with hundreds and

1832

01:01:53,270 --> 01:01:51,280

hundreds of people and they're

1833

01:01:55,670 --> 01:01:53,280

disagreeing left and right on all this

1834

01:01:57,829 --> 01:01:55,680

stuff and then david jacobs goes well

1835

01:01:59,510 --> 01:01:57,839

it's a program you know and then i go

1836

01:02:01,109 --> 01:01:59,520

well mary what is what do you say about

1837

01:02:02,549 --> 01:02:01,119

that david says it's a program and she

1838

01:02:04,150 --> 01:02:02,559

pauses for a minute because she's all

1839

01:02:05,190 --> 01:02:04,160

about the love and light e.t and she

1840

01:02:08,470 --> 01:02:05,200

goes

1841

01:02:10,549 --> 01:02:08,480

well yeah it's definitely a program

1842

01:02:12,870 --> 01:02:10,559

it's a program i mean isn't that the

1843

01:02:15,510 --> 01:02:12,880

lead story on it so how are you

1844

01:02:17,670 --> 01:02:15,520

processing the et thing in your personal

1845

01:02:21,029 --> 01:02:17,680

spirituality to whatever extent you you

1846

01:02:24,470 --> 01:02:21,039

feel comfortable talking about that

1847

01:02:27,109 --> 01:02:24,480

again i i trust in creator you know the

1848

01:02:29,430 --> 01:02:27,119

creator let's say the the highest levels

1849

01:02:31,109 --> 01:02:29,440

of creation working through from like

1850

01:02:33,029 --> 01:02:31,119

the angelic realm

1851
01:02:35,190 --> 01:02:33,039
and everything in this universe is

1852
01:02:36,309 --> 01:02:35,200
birthed from to me from from from that

1853
01:02:37,829 --> 01:02:36,319
source

1854
01:02:40,150 --> 01:02:37,839
so

1855
01:02:44,150 --> 01:02:40,160
everything that we experience

1856
01:02:46,950 --> 01:02:44,160
is it exists within the realms of

1857
01:02:49,349 --> 01:02:46,960
the infinitude of potentiality

1858
01:02:50,710 --> 01:02:49,359
but all that we can know

1859
01:02:52,710 --> 01:02:50,720
is this moment

1860
01:02:54,710 --> 01:02:52,720
everything outside of this moment

1861
01:03:10,069 --> 01:02:54,720
it's

1862
01:03:12,549 --> 01:03:10,079
what's what's now is this experience

1863
01:03:14,309 --> 01:03:12,559

as we feel it and the truth is we don't

1864

01:03:16,470 --> 01:03:14,319

fully feel even this moment we don't

1865

01:03:18,150 --> 01:03:16,480

fully experience even this moment

1866

01:03:20,950 --> 01:03:18,160

so really what is there to say we're

1867

01:03:22,630 --> 01:03:20,960

here to debate we're here to discuss

1868

01:03:25,349 --> 01:03:22,640

we're here to experience we're here to

1869

01:03:26,870 --> 01:03:25,359

feel and have the contrast and all these

1870

01:03:28,150 --> 01:03:26,880

different polarities

1871

01:03:32,069 --> 01:03:28,160

as

1872

01:03:33,829 --> 01:03:32,079

we the i am comes to know itself better

1873

01:03:36,549 --> 01:03:33,839

yeah that's that's beautiful sean it's

1874

01:03:39,910 --> 01:03:36,559

it's yeah i i think that's pretty solid

1875

01:03:42,789 --> 01:03:39,920

ground there so again for people to to

1876

01:03:45,190 --> 01:03:42,799

follow you you think patreon is is the

1877

01:03:47,670 --> 01:03:45,200

best place that they can you know they

1878

01:03:50,069 --> 01:03:47,680

can support and get new content

1879

01:03:52,150 --> 01:03:50,079

um obviously i put stuff on social media

1880

01:03:54,230 --> 01:03:52,160

on instagram and rumble and such but i

1881

01:03:56,069 --> 01:03:54,240

really think uh patreon's a good place

1882

01:03:57,910 --> 01:03:56,079

where i feel like i can put out these

1883

01:04:00,150 --> 01:03:57,920

interviews without being censored by

1884

01:04:02,470 --> 01:04:00,160

youtube

1885

01:04:04,150 --> 01:04:02,480

well fantastic thanks again so much for

1886

01:04:07,029 --> 01:04:04,160

coming on appreciate it

1887

01:04:08,870 --> 01:04:07,039

all right brother thank you bye

1888

01:04:11,430 --> 01:04:08,880

thanks again to sean stone for joining

1889

01:04:13,270 --> 01:04:11,440

me today on skeptico the one question i

1890

01:04:15,829 --> 01:04:13,280

t up from this interview is what do you

1891

01:04:17,670 --> 01:04:15,839

think power and control issues personal

1892

01:04:20,950 --> 01:04:17,680

power and control issues

1893

01:04:23,190 --> 01:04:20,960

might have to do with the craziness that

1894

01:04:24,549 --> 01:04:23,200

we see in the world

1895

01:04:27,270 --> 01:04:24,559

it's kind of a funny question to

1896

01:04:30,150 --> 01:04:27,280

contemplate because we all understand

1897

01:04:32,069 --> 01:04:30,160

our own power and control issues

1898

01:04:34,390 --> 01:04:32,079

we just can't imagine what they'd be

1899

01:04:37,349 --> 01:04:34,400

like if they were amped up

1900

01:04:39,109 --> 01:04:37,359

10 20 100 times

1901

01:04:41,029 --> 01:04:39,119

let me know your thoughts on that of

1902

01:04:43,670 --> 01:04:41,039

course i got some really good ones

1903

01:04:44,549 --> 01:04:43,680

coming up do stay with me for all of

1904

01:04:46,870 --> 01:04:44,559

that

1905

01:04:49,490 --> 01:04:46,880

until next time take care

1906

01:04:56,020 --> 01:04:49,500

and bye for now
