***MENTAL HEALTH
REFORM AND
COVID***

#548-PETER-BREGGIN

1
00:00:05,510 --> 00:00:02,570
on this episode is skeptical

2
00:00:07,249 --> 00:00:05,520
show about mental health reform

3
00:00:11,509 --> 00:00:07,259
and covid

4
00:00:13,009 --> 00:00:11,519
and ultimately a show about evil

5
00:00:16,129 --> 00:00:13,019
I have an interview coming up in a

6
00:00:19,429 --> 00:00:16,139
minute with Dr Peter bragan psychiatrist

7
00:00:22,790 --> 00:00:19,439
and someone who really has well an

8
00:00:26,089 --> 00:00:22,800
unparalleled career in terms of mental

9
00:00:28,189 --> 00:00:26,099
health reform you'll hear all about that

10
00:00:30,529 --> 00:00:28,199
but what you'll also hear and what I

11
00:00:33,709 --> 00:00:30,539
found particularly interesting from this

12
00:00:37,310 --> 00:00:33,719
kind of skeptical perspective we have is

13
00:00:40,970 --> 00:00:37,320

he says that the biggest obstacle that

14

00:00:43,490 --> 00:00:40,980

he faced in just convincing people in

15

00:00:45,950 --> 00:00:43,500

his community you know psychotherapists

16

00:00:49,310 --> 00:00:45,960

that what he was finding in the mental

17

00:00:52,010 --> 00:00:49,320

health field in terms of corruption and

18

00:00:53,750 --> 00:00:52,020

deception and completely immoral stuff

19

00:00:55,970 --> 00:00:53,760

that was going on

20

00:00:57,590 --> 00:00:55,980

the biggest problem in convincing people

21

00:00:59,569 --> 00:00:57,600

that was true is that just didn't want

22

00:01:02,209 --> 00:00:59,579

to accept evil they didn't want to

23

00:01:04,490 --> 00:01:02,219

accept accept the idea that you know

24

00:01:07,969 --> 00:01:04,500

people were doing really really bad

25

00:01:10,490 --> 00:01:07,979

things on an individual level and at an

26

00:01:12,710 --> 00:01:10,500

Institutional level

27

00:01:14,870 --> 00:01:12,720

so the reason I say it's kind of a

28

00:01:18,289 --> 00:01:14,880

skeptical thing is it does seem like

29

00:01:19,910 --> 00:01:18,299

we've run into that again and again on

30

00:01:23,390 --> 00:01:19,920

this show we're really smart people

31

00:01:25,850 --> 00:01:23,400

people you wouldn't expect to be lying

32

00:01:28,670 --> 00:01:25,860

to what we all understand is that

33

00:01:31,850 --> 00:01:28,680

there's just some people that are really

34

00:01:34,910 --> 00:01:31,860

messed up and that maybe they're messed

35

00:01:37,490 --> 00:01:34,920

up at a level Beyond this biological

36

00:01:39,050 --> 00:01:37,500

robot level which we'll get into in a

37

00:01:41,590 --> 00:01:39,060

minute and I always like these movie

38

00:01:46,190 --> 00:01:41,600

clips I think it's it's it's it's

39

00:01:48,350 --> 00:01:46,200

interesting what how we've understood it

40

00:01:50,929 --> 00:01:48,360

from that kind of cultural perspective

41

00:01:54,350 --> 00:01:50,939

so I have one for you today from

42

00:01:57,289 --> 00:01:54,360

Backdraft a movie from 20 years ago with

43

00:02:00,170 --> 00:01:57,299

some really amazing actors and here is

44

00:02:03,109 --> 00:02:00,180

uh Donald Sutherland playing the

45

00:02:05,870 --> 00:02:03,119

psychopathic arsonist in front of the

46

00:02:07,789 --> 00:02:05,880

parole board until

47

00:02:10,490 --> 00:02:07,799

our buddy

48

00:02:13,190 --> 00:02:10,500

Robert De Niro jumps in

49

00:02:15,949 --> 00:02:13,200

here's the clip

50

00:02:17,990 --> 00:02:15,959

the Pearl board has received Mr bartel's

51
00:02:20,750 --> 00:02:18,000
Fitness report endorsement from his

52
00:02:22,729 --> 00:02:20,760
section award Dr Norris

53
00:02:24,650 --> 00:02:22,739
supervising psychiatrist I would

54
00:02:27,710 --> 00:02:24,660
describe Mr bartel's progress is

55
00:02:31,130 --> 00:02:27,720
remarkable Mr Bartel do you regret your

56
00:02:34,309 --> 00:02:31,140
crimes yes and I'm aware

57
00:02:37,009 --> 00:02:34,319
of the pain that I have caused

58
00:02:40,070 --> 00:02:37,019
excuse me excuse me

59
00:02:42,050 --> 00:02:40,080
remember this Ronald remember who it

60
00:02:43,610 --> 00:02:42,060
belonged to

61
00:02:49,130 --> 00:02:43,620
what did you do with that little girl

62
00:02:58,490 --> 00:02:51,050
you burned

63
00:03:02,449 --> 00:03:01,009

and what about the world Ronald

64

00:03:04,729 --> 00:03:02,459

what would you like to do in the whole

65

00:03:11,869 --> 00:03:07,369

burn it all

66

00:03:18,350 --> 00:03:14,930

so of course it's Hollywood dramatic and

67

00:03:20,330 --> 00:03:18,360

this one especially dramatic of that of

68

00:03:23,030 --> 00:03:20,340

that era

69

00:03:26,630 --> 00:03:23,040

but you gotta wonder if

70

00:03:31,550 --> 00:03:26,640

the kind of you know wacky dogmatic

71

00:03:33,350 --> 00:03:31,560

scientism you are just your brain so the

72

00:03:35,390 --> 00:03:33,360

psychiatrists on the parole board like

73

00:03:37,490 --> 00:03:35,400

I've looked at my numbers I've done my

74

00:03:40,910 --> 00:03:37,500

tests you know you you got to be all

75

00:03:44,149 --> 00:03:40,920

right you can't really be evil

76

00:03:48,350 --> 00:03:44,159

you gotta wonder I gotta Wonder

77

00:03:50,570 --> 00:03:48,360

if that's not at the root cause a lot of

78

00:03:52,369 --> 00:03:50,580

this stuff we see

79

00:03:57,170 --> 00:03:52,379

here's a clip from the upcoming

80

00:04:03,890 --> 00:04:00,050

you mentioned very earlier Consciousness

81

00:04:06,229 --> 00:04:03,900

and the people we're dealing with who

82

00:04:08,390 --> 00:04:06,239

are managing Public Health they actually

83

00:04:10,190 --> 00:04:08,400

don't believe in Consciousness they

84

00:04:12,050 --> 00:04:10,200

don't believe people have free will they

85

00:04:14,630 --> 00:04:12,060

don't believe that that there's such a

86

00:04:16,249 --> 00:04:14,640

thing as love they actually think we're

87

00:04:18,349 --> 00:04:16,259

objects

88

00:04:20,390 --> 00:04:18,359

the people who want to drug all our

89

00:04:22,670 --> 00:04:20,400

children and the same people who want to

90

00:04:25,010 --> 00:04:22,680

vaccinate all our children they don't

91

00:04:29,150 --> 00:04:25,020

really think then of the children as

92

00:04:31,909 --> 00:04:29,160

beings or spiritual creatures as people

93

00:04:34,430 --> 00:04:31,919

with a need and a desire to live and to

94

00:04:37,129 --> 00:04:34,440

be themselves and to grow up and explore

95

00:04:40,129 --> 00:04:37,139

the world and everything done under

96

00:04:42,770 --> 00:04:40,139

covid-19 has been to destroy that cover

97

00:04:44,930 --> 00:04:42,780

our faces with mass so we can't relate

98

00:04:47,090 --> 00:04:44,940

to each other we can't care about each

99

00:04:49,790 --> 00:04:47,100

other the whole works is about

100

00:04:53,090 --> 00:04:49,800

destroying human connection

101
00:04:55,550 --> 00:04:53,100
dragon is great he's a giant

102
00:04:56,570 --> 00:04:55,560
we stand on the shoulders of people like

103
00:04:59,570 --> 00:04:56,580
this

104
00:05:03,590 --> 00:04:59,580
stick around my interview with Dr Peter

105
00:05:05,629 --> 00:05:03,600
bragan is coming up here on skeptico

106
00:05:07,909 --> 00:05:05,639
welcome to skeptico where we explore

107
00:05:10,430 --> 00:05:07,919
controversial science and spirituality

108
00:05:12,650 --> 00:05:10,440
with leading researchers thinkers and

109
00:05:15,710 --> 00:05:12,660
their critics I'm your host Alex Karis

110
00:05:18,110 --> 00:05:15,720
and today we welcome Dr Peter bragan to

111
00:05:21,730 --> 00:05:18,120
skeptico he's here to talk about his new

112
00:05:25,430 --> 00:05:21,740
book covid-19 and the global Predators

113
00:05:28,790 --> 00:05:25,440

Dr bregan is a Harvard trained medical

114

00:05:30,590 --> 00:05:28,800

doctor psychiatrist long time practicing

115

00:05:34,310 --> 00:05:30,600

psychotherapist

116

00:05:36,670 --> 00:05:34,320

and he has had just a truly remarkable

117

00:05:40,249 --> 00:05:36,680

career really

118

00:05:42,490 --> 00:05:40,259

unsurpassed career as a reformer in the

119

00:05:45,230 --> 00:05:42,500

mental health field and I bring that up

120

00:05:47,510 --> 00:05:45,240

mainly because I think it's super

121

00:05:51,469 --> 00:05:47,520

relevant to everything we're going to

122

00:05:53,450 --> 00:05:51,479

talk about today and about his book so

123

00:05:55,010 --> 00:05:53,460

when I say that let me put that into

124

00:06:00,350 --> 00:05:55,020

context

125

00:06:02,270 --> 00:06:00,360

this guy Dr bregan is Battle tested in a

126

00:06:04,450 --> 00:06:02,280

way that few other people are

127

00:06:07,070 --> 00:06:04,460

like when they were still doing

128

00:06:08,689 --> 00:06:07,080

lobotomies on people which isn't that

129

00:06:10,610 --> 00:06:08,699

long ago if you read this guy's history

130

00:06:12,590 --> 00:06:10,620

like 1970s

131

00:06:15,350 --> 00:06:12,600

he was one of the few people to stand up

132

00:06:17,150 --> 00:06:15,360

and go no this is not right this is

133

00:06:18,830 --> 00:06:17,160

morally wrong in addition to being

134

00:06:22,610 --> 00:06:18,840

ethically wrong

135

00:06:25,790 --> 00:06:22,620

he stood up he stood up to electroshock

136

00:06:27,950 --> 00:06:25,800

therapy which unfortunately isn't

137

00:06:33,430 --> 00:06:27,960

completely banned but somebody who stood

138

00:06:36,650 --> 00:06:33,440

up he stood up to giving very dangerous

139

00:06:39,350 --> 00:06:36,660

psychiatric drugs to Children he stood

140

00:06:41,990 --> 00:06:39,360

up for that for decades what that's

141

00:06:45,050 --> 00:06:42,000

brought to him in his life in terms of

142

00:06:46,670 --> 00:06:45,060

even death threats believe it or not but

143

00:06:50,330 --> 00:06:46,680

battles and

144

00:06:51,589 --> 00:06:50,340

being shunned by a lot of people in his

145

00:06:54,469 --> 00:06:51,599

community

146

00:06:56,510 --> 00:06:54,479

all that he has fought against because

147

00:07:00,409 --> 00:06:56,520

he felt that it was the right thing to

148

00:07:04,370 --> 00:07:00,419

do it was the morally right thing to do

149

00:07:07,550 --> 00:07:04,380

and isn't that the kind of guy we need

150

00:07:10,010 --> 00:07:07,560

to fight this battle I think that's what

151

00:07:13,909 --> 00:07:10,020

we need so that's why I was super

152

00:07:16,129 --> 00:07:13,919

excited when Dr bragan agreed to come on

153

00:07:18,170 --> 00:07:16,139

and join me on skeptico so I'm so glad

154

00:07:19,189 --> 00:07:18,180

you're here thanks so much for joining

155

00:07:22,370 --> 00:07:19,199

me

156

00:07:25,850 --> 00:07:22,380

thank you for the very nice introduction

157

00:07:28,730 --> 00:07:25,860

um I really deeply appreciate it and for

158

00:07:31,610 --> 00:07:28,740

uh mentioning the book it is surprising

159

00:07:34,790 --> 00:07:31,620

that no one else has written a book that

160

00:07:36,950 --> 00:07:34,800

looks at the Deep dive of

161

00:07:41,210 --> 00:07:36,960

um just who is behind all of the

162

00:07:43,430 --> 00:07:41,220

covid-19 uh stuff you mentioned Robert F

163

00:07:48,230 --> 00:07:43,440

Kennedy's excellent book on the real

164

00:07:51,350 --> 00:07:48,240

Anthony fauci he was very generous in in

165

00:07:53,330 --> 00:07:51,360

saying that this book that our book was

166

00:07:55,850 --> 00:07:53,340

the one oh there my goodness you're on

167

00:07:59,270 --> 00:07:55,860

top of things here's what he wrote no

168

00:08:02,390 --> 00:07:59,280

other book so comprehensively covers the

169

00:08:05,270 --> 00:08:02,400

details of covid-19 criminal conduct

170

00:08:08,589 --> 00:08:05,280

it's pretty direct as well as its

171

00:08:11,990 --> 00:08:08,599

origins in a network of global Predators

172

00:08:16,010 --> 00:08:12,000

seeking wealth and power at the expense

173

00:08:19,550 --> 00:08:16,020

of human freedom and prosperity

174

00:08:21,469 --> 00:08:19,560

wow uh I think I think that's a powerful

175

00:08:23,830 --> 00:08:21,479

powerful statement and I think it's true

176

00:08:27,170 --> 00:08:23,840

in terms of what your book is all about

177

00:08:30,290 --> 00:08:27,180

yeah there is something in US humans

178

00:08:33,949 --> 00:08:30,300

that it's very hard for us to accept

179

00:08:37,250 --> 00:08:33,959

that people in power

180

00:08:40,670 --> 00:08:37,260

um are actually planning their own

181

00:08:43,009 --> 00:08:40,680

increase in power and wealth without uh

182

00:08:45,530 --> 00:08:43,019

any regard for our well-being whatsoever

183

00:08:48,949 --> 00:08:45,540

they're just interested in the pr image

184

00:08:51,290 --> 00:08:48,959

they create as they

185

00:08:53,990 --> 00:08:51,300

um basically exploit to the rest of

186

00:08:58,009 --> 00:08:54,000

humanity this is a really hard

187

00:09:00,889 --> 00:08:58,019

hard concept for people to accept we you

188

00:09:03,230 --> 00:09:00,899

know as children we want to believe our

189

00:09:05,930 --> 00:09:03,240

parents or our well-meaning of course

190

00:09:07,790 --> 00:09:05,940

and they're not always their parents are

191

00:09:10,490 --> 00:09:07,800

not always well-meaning but we hope they

192

00:09:11,870 --> 00:09:10,500

are and they're a lot more well-meaning

193

00:09:14,810 --> 00:09:11,880

uh

194

00:09:18,170 --> 00:09:14,820

because they're tied to us by affection

195

00:09:20,750 --> 00:09:18,180

by Love by parental responsibility but

196

00:09:22,910 --> 00:09:20,760

as we go further up the line of

197

00:09:24,949 --> 00:09:22,920

authority and grow up and we start

198

00:09:27,530 --> 00:09:24,959

thinking about what is Bill Gates doing

199

00:09:29,630 --> 00:09:27,540

what is Klaus Schwab doing what's

200

00:09:32,090 --> 00:09:29,640

Michael Bloomberg doing these are people

201
00:09:35,570 --> 00:09:32,100
who organize International conferences

202
00:09:38,990 --> 00:09:35,580
of powerful people uh what is Ted Rose

203
00:09:41,030 --> 00:09:39,000
doing at the World Health Organization

204
00:09:43,550 --> 00:09:41,040
um what is Xi ji ping doing in China

205
00:09:45,250 --> 00:09:43,560
because he plays a very big role in a

206
00:09:50,269 --> 00:09:45,260
lot of what's happening to us through

207
00:09:52,730 --> 00:09:50,279
his connections to uh Bill Gates who's

208
00:09:54,949 --> 00:09:52,740
very strong Chinese Communist leaders

209
00:09:57,290 --> 00:09:54,959
very strong connections to Bill Gates at

210
00:10:00,530 --> 00:09:57,300
least Bill Gates thinks so and is

211
00:10:04,009 --> 00:10:00,540
working with him and it's hard for us to

212
00:10:06,230 --> 00:10:04,019
imagine that these people don't have a

213
00:10:08,350 --> 00:10:06,240

lot of consideration

214

00:10:11,030 --> 00:10:08,360

um for us

215

00:10:14,810 --> 00:10:11,040

there's a rarely we get a glimpse into

216

00:10:17,210 --> 00:10:14,820

it there's a felony Harari who is a very

217

00:10:22,430 --> 00:10:17,220

close associate of Klaus Schwab who is

218

00:10:25,490 --> 00:10:22,440

the creator of much of the um much of

219

00:10:27,530 --> 00:10:25,500

this Supra order above States but he

220

00:10:29,210 --> 00:10:27,540

works with all the all the top

221

00:10:31,250 --> 00:10:29,220

businesses in the world the top

222

00:10:33,710 --> 00:10:31,260

billionaires in the world deciding among

223

00:10:35,870 --> 00:10:33,720

themselves have to run things without

224

00:10:38,750 --> 00:10:35,880

regard for human rights without regard

225

00:10:40,850 --> 00:10:38,760

to government sovereignty and he talks

226

00:10:43,790 --> 00:10:40,860

about the dispensability of human beings

227

00:10:46,310 --> 00:10:43,800

but most of them don't just openly let

228

00:10:49,069 --> 00:10:46,320

us know what they're thinking you know

229

00:10:50,990 --> 00:10:49,079

that's an interesting point and uh one

230

00:10:53,810 --> 00:10:51,000

of the things I I want to try and not do

231

00:10:57,889 --> 00:10:53,820

is get lost in

232

00:11:00,530 --> 00:10:57,899

all the names and all the power elite

233

00:11:02,870 --> 00:11:00,540

kind of things because what I think you

234

00:11:04,670 --> 00:11:02,880

really bring throughout your career if

235

00:11:05,630 --> 00:11:04,680

somebody really traces what you've been

236

00:11:09,050 --> 00:11:05,640

about

237

00:11:12,889 --> 00:11:09,060

you know your battle for mental health

238

00:11:14,750 --> 00:11:12,899

reform is really a battle about

239

00:11:16,730 --> 00:11:14,760

how we understand our human

240

00:11:19,030 --> 00:11:16,740

consciousness how we understand our

241

00:11:22,550 --> 00:11:19,040

humanness how we understand

242

00:11:25,310 --> 00:11:22,560

sovereignty that goes with consciousness

243

00:11:27,110 --> 00:11:25,320

I I thought I'd play a little clip from

244

00:11:29,750 --> 00:11:27,120

a YouTube that you did that in a way

245

00:11:32,470 --> 00:11:29,760

isn't related and in another way is

246

00:11:34,610 --> 00:11:32,480

related and this is a series you did on

247

00:11:37,009 --> 00:11:34,620

Psychiatry Psychotherapy just help

248

00:11:40,490 --> 00:11:37,019

people understand some of the basics let

249

00:11:42,530 --> 00:11:40,500

me play this for folks and then let's

250

00:11:46,130 --> 00:11:42,540

chat about it for a minute I'm Peter

251
00:11:48,370 --> 00:11:46,140
obriggan MD and I am a psychiatrist let

252
00:11:51,769 --> 00:11:48,380
me say that I've been doing

253
00:11:55,129 --> 00:11:51,779
Psychotherapy since 1968.

254
00:11:57,769 --> 00:11:55,139
and during this entire time I've never

255
00:11:59,750 --> 00:11:57,779
had a suicide in my practice I think

256
00:12:02,210 --> 00:11:59,760
some of it is luck but I think another

257
00:12:04,670 --> 00:12:02,220
big reason is is that I never give

258
00:12:06,889 --> 00:12:04,680
psychiatric drugs to people for their

259
00:12:09,290 --> 00:12:06,899
problems I don't start people on drugs

260
00:12:10,910 --> 00:12:09,300
so if you come to me feeling suicidal I

261
00:12:12,470 --> 00:12:10,920
don't give you a drug why would I give

262
00:12:15,430 --> 00:12:12,480
you an antidepressant when it's got a

263
00:12:18,110 --> 00:12:15,440

big box warning on it that up to age 24

264

00:12:19,970 --> 00:12:18,120

you even see an increased suicide rate

265

00:12:21,050 --> 00:12:19,980

on antidepressants and control clinical

266

00:12:23,930 --> 00:12:21,060

trials

267

00:12:26,930 --> 00:12:23,940

and depression what happens is there's a

268

00:12:29,210 --> 00:12:26,940

total loss of Hope so

269

00:12:31,550 --> 00:12:29,220

what's the answer

270

00:12:32,569 --> 00:12:31,560

to depression from the Viewpoint of a

271

00:12:34,610 --> 00:12:32,579

therapist

272

00:12:35,930 --> 00:12:34,620

well the most important thing is be

273

00:12:37,610 --> 00:12:35,940

hopeful

274

00:12:39,110 --> 00:12:37,620

and that is your average psychiatrist

275

00:12:41,090 --> 00:12:39,120

look hopeful

276

00:12:43,370 --> 00:12:41,100

all right go to an American Psychiatric

277

00:12:44,990 --> 00:12:43,380

association meeting uh

278

00:12:47,329 --> 00:12:45,000

because people will give drugs and

279

00:12:48,590 --> 00:12:47,339

diagnose people they become unhappy

280

00:12:53,449 --> 00:12:48,600

people

281

00:12:55,970 --> 00:12:53,459

that's good

282

00:12:57,050 --> 00:12:55,980

oh it's it's great tell us about some of

283

00:12:58,370 --> 00:12:57,060

the points that you're trying to make

284

00:13:00,889 --> 00:12:58,380

there what you're trying to get across

285

00:13:04,550 --> 00:13:00,899

and how that fits into your long career

286

00:13:07,970 --> 00:13:04,560

in trying to help people inside of this

287

00:13:10,550 --> 00:13:07,980

model that seems to be in a way that is

288

00:13:12,949 --> 00:13:10,560

echoed in your latest book

289

00:13:15,410 --> 00:13:12,959

in a system that seems to trying to be

290

00:13:17,829 --> 00:13:15,420

pull people down in a way

291

00:13:20,990 --> 00:13:17,839

yeah well you mentioned very earlier

292

00:13:23,750 --> 00:13:21,000

Consciousness and the people we're

293

00:13:24,949 --> 00:13:23,760

dealing with who are managing Public

294

00:13:27,110 --> 00:13:24,959

Health

295

00:13:28,490 --> 00:13:27,120

um and trying to you know control what

296

00:13:29,990 --> 00:13:28,500

we're doing here in America they

297

00:13:32,210 --> 00:13:30,000

actually don't believe in Consciousness

298

00:13:34,129 --> 00:13:32,220

they don't believe people have free will

299

00:13:37,310 --> 00:13:34,139

they don't believe that that there's

300

00:13:39,290 --> 00:13:37,320

such a thing as love they want to crush

301

00:13:42,949 --> 00:13:39,300

religion they want to crush a belief in

302

00:13:45,050 --> 00:13:42,959

God they want to crush even uh the idea

303

00:13:47,210 --> 00:13:45,060

that we have personal freedom all of

304

00:13:49,550 --> 00:13:47,220

which is relevant to psychotherapy I

305

00:13:51,230 --> 00:13:49,560

mean what what what do we bring to

306

00:13:53,269 --> 00:13:51,240

psychotherapy

307

00:13:56,030 --> 00:13:53,279

um if we don't bring this those

308

00:13:58,610 --> 00:13:56,040

spiritual aspects to it

309

00:14:01,370 --> 00:13:58,620

um but they are devoid they literally

310

00:14:02,569 --> 00:14:01,380

are devoid of a concept of it it's you

311

00:14:04,310 --> 00:14:02,579

know I was thinking last night with

312

00:14:06,590 --> 00:14:04,320

ginger and this really perked her up I

313

00:14:08,810 --> 00:14:06,600

said it's like they're all functioning

314

00:14:10,850 --> 00:14:08,820

but they're autistic they actually think

315

00:14:14,269 --> 00:14:10,860

we're objects

316

00:14:16,370 --> 00:14:14,279

by the old initial definition of autism

317

00:14:19,430 --> 00:14:16,380

which is still the best is that it's a

318

00:14:21,290 --> 00:14:19,440

person who probably for developmental

319

00:14:24,170 --> 00:14:21,300

reasons and their relationships with

320

00:14:27,410 --> 00:14:24,180

family doesn't develop a concept that

321

00:14:30,230 --> 00:14:27,420

there are actual people who are caring

322

00:14:32,810 --> 00:14:30,240

and who love us and we can relate to

323

00:14:36,170 --> 00:14:32,820

them and and they're very different than

324

00:14:38,269 --> 00:14:36,180

objects and machines but the people who

325

00:14:40,009 --> 00:14:38,279

want to drug all our children and the

326

00:14:42,170 --> 00:14:40,019

same people who want to vaccinate all

327

00:14:45,170 --> 00:14:42,180

our children they don't really think

328

00:14:48,710 --> 00:14:45,180

then of the children as beings or

329

00:14:51,050 --> 00:14:48,720

spiritual creatures as people with a

330

00:14:53,329 --> 00:14:51,060

need and a desire to live and to be

331

00:14:56,329 --> 00:14:53,339

themselves and to grow up and explore

332

00:14:58,790 --> 00:14:56,339

the world and and uh and find some

333

00:15:01,310 --> 00:14:58,800

comfort and basic spiritual Concepts

334

00:15:04,670 --> 00:15:01,320

like there's a loving God or that the

335

00:15:08,389 --> 00:15:04,680

world has a spiritual Force within it so

336

00:15:10,790 --> 00:15:08,399

it's a it's a world devoid of all of the

337

00:15:13,009 --> 00:15:10,800

things that most of us who are thought

338

00:15:14,750 --> 00:15:13,019

want to believe or important

339

00:15:17,150 --> 00:15:14,760

particularly the idea of love that we

340

00:15:19,430 --> 00:15:17,160

should love one another and that

341

00:15:22,189 --> 00:15:19,440

failures of relationship which is what I

342

00:15:25,870 --> 00:15:22,199

was talking about in the in the video

343

00:15:30,350 --> 00:15:25,880

ultimately that the depression sadness

344

00:15:34,310 --> 00:15:30,360

misery of the worst psychosis all of it

345

00:15:38,990 --> 00:15:34,320

is a is about a loss of trust Faith

346

00:15:42,290 --> 00:15:39,000

connection with other human beings

347

00:15:44,810 --> 00:15:42,300

um and or with any concept of God or of

348

00:15:46,370 --> 00:15:44,820

a good spirituality in the universe to

349

00:15:50,990 --> 00:15:46,380

which we can connect

350

00:15:53,030 --> 00:15:51,000

and once people can connect with that

351

00:15:55,550 --> 00:15:53,040

um with a hopeful therapist with a

352

00:15:58,189 --> 00:15:55,560

caring therapist or another human being

353

00:16:01,009 --> 00:15:58,199

a minister a priest a friend a family

354

00:16:03,710 --> 00:16:01,019

member if that connection can be

355

00:16:06,650 --> 00:16:03,720

restored to just one other human being

356

00:16:10,129 --> 00:16:06,660

then we have strength and then we we

357

00:16:12,350 --> 00:16:10,139

begin to get our Vitality back what the

358

00:16:14,930 --> 00:16:12,360

the book is pointing out is that

359

00:16:17,689 --> 00:16:14,940

everything done under covid-19 has been

360

00:16:20,269 --> 00:16:17,699

to destroy that cover our faces with

361

00:16:22,790 --> 00:16:20,279

mass so we can't relate to each other we

362

00:16:24,590 --> 00:16:22,800

can't care about each other the whole

363

00:16:25,970 --> 00:16:24,600

works is about destroying human

364

00:16:28,310 --> 00:16:25,980

connection

365

00:16:30,650 --> 00:16:28,320

I think very early on in the book you

366

00:16:32,930 --> 00:16:30,660

mentioned I thought from a medical

367

00:16:35,870 --> 00:16:32,940

perspective something that I didn't know

368

00:16:39,069 --> 00:16:35,880

but you said it's well understood that

369

00:16:44,150 --> 00:16:39,079

the way that we deal with a pandemic is

370

00:16:46,850 --> 00:16:44,160

kind of cooperation of hope uh moving

371

00:16:48,530 --> 00:16:46,860

forward and then when we contrast that

372

00:16:51,170 --> 00:16:48,540

with the way that they've handled the

373

00:16:53,210 --> 00:16:51,180

pandemic it's been exactly the opposite

374

00:16:55,970 --> 00:16:53,220

of that which makes you wonder why was

375

00:16:57,650 --> 00:16:55,980

it about fear just ramping up the fear

376

00:16:59,870 --> 00:16:57,660

from the beginning why was it about

377

00:17:01,670 --> 00:16:59,880

isolation why was it about all these

378

00:17:04,010 --> 00:17:01,680

other things so that's why I really

379

00:17:07,130 --> 00:17:04,020

appreciate that you're approaching this

380

00:17:09,529 --> 00:17:07,140

from a spiritual perspective and I'm not

381

00:17:12,470 --> 00:17:09,539

a religious person but I think that

382

00:17:13,429 --> 00:17:12,480

fundamental to this is an understanding

383

00:17:17,270 --> 00:17:13,439

that

384

00:17:19,549 --> 00:17:17,280

we are more we are more than biological

385

00:17:23,029 --> 00:17:19,559

robots and that's what you've been

386

00:17:25,490 --> 00:17:23,039

really essentially battling with your

387

00:17:27,650 --> 00:17:25,500

whole life in terms of

388

00:17:29,270 --> 00:17:27,660

so like in this video I just played one

389

00:17:33,289 --> 00:17:29,280

of the things I thought was just so

390

00:17:36,950 --> 00:17:33,299

beautiful but in a subtle way you said

391

00:17:38,150 --> 00:17:36,960

I embrace someone who comes to me who is

392

00:17:39,770 --> 00:17:38,160

suicidal

393

00:17:42,529 --> 00:17:39,780

because they shows that they have

394

00:17:44,750 --> 00:17:42,539

feeling they have passion they have a

395

00:17:46,610 --> 00:17:44,760

vision for how their life could be what

396

00:17:48,350 --> 00:17:46,620

disturbs me you're saying is when

397

00:17:49,789 --> 00:17:48,360

someone comes in their devoid of

398

00:17:52,370 --> 00:17:49,799

feelings they don't have any feelings

399

00:17:54,650 --> 00:17:52,380

and then when we play that back into the

400

00:17:57,710 --> 00:17:54,660

situation that we're in and we look into

401
00:17:59,990 --> 00:17:57,720
those Gates and eyes and we go oh my God

402
00:18:02,150 --> 00:18:00,000
I feel for this person he's someone who

403
00:18:04,070 --> 00:18:02,160
who has somehow lost his soul he doesn't

404
00:18:06,950 --> 00:18:04,080
in some way he doesn't have feelings we

405
00:18:09,049 --> 00:18:06,960
can just we just see it in these people

406
00:18:11,690 --> 00:18:09,059
and so many of these people and I wonder

407
00:18:14,029 --> 00:18:11,700
if we don't have to start being more

408
00:18:16,730 --> 00:18:14,039
honest about talking about it at that

409
00:18:18,890 --> 00:18:16,740
level if that isn't really the root

410
00:18:21,590 --> 00:18:18,900
cause of it I think your work tells us

411
00:18:23,950 --> 00:18:21,600
your whole career tells us that that is

412
00:18:26,090 --> 00:18:23,960
what it's really all about

413
00:18:28,190 --> 00:18:26,100

well that's very interesting and

414

00:18:30,830 --> 00:18:28,200

exciting I uh because you're actually

415

00:18:32,690 --> 00:18:30,840

giving me a reorientation to really what

416

00:18:35,330 --> 00:18:32,700

the fundamentals are

417

00:18:37,010 --> 00:18:35,340

because they want us to completely lose

418

00:18:38,810 --> 00:18:37,020

track of that

419

00:18:40,909 --> 00:18:38,820

um and they do not believe in it they

420

00:18:43,190 --> 00:18:40,919

don't think it exists they don't have a

421

00:18:45,289 --> 00:18:43,200

personal experience of what you and I

422

00:18:47,990 --> 00:18:45,299

are talking about now sounds to them

423

00:18:50,450 --> 00:18:48,000

like gibberish the

424

00:18:53,750 --> 00:18:50,460

um interesting thing that I found I I'm

425

00:18:56,750 --> 00:18:53,760

Jewish and my wife is Christian

426

00:18:58,669 --> 00:18:56,760

um we very much believe in a uh in a

427

00:19:01,669 --> 00:18:58,679

loving God

428

00:19:04,010 --> 00:19:01,679

um but neither of us is uh deeply

429

00:19:06,590 --> 00:19:04,020

involved in religion per se we're

430

00:19:09,409 --> 00:19:06,600

involved in in the this spiritual level

431

00:19:13,549 --> 00:19:09,419

of how God presents to us

432

00:19:16,010 --> 00:19:13,559

and um almost everybody who is is

433

00:19:18,529 --> 00:19:16,020

risking their careers and their lives in

434

00:19:20,990 --> 00:19:18,539

this movement and the vast majority not

435

00:19:23,570 --> 00:19:21,000

everybody but almost everybody we meet

436

00:19:27,890 --> 00:19:23,580

are are Christians and they're very

437

00:19:29,750 --> 00:19:27,900

sincere American Christians they they're

438

00:19:33,049 --> 00:19:29,760

generous they're caring they believe

439

00:19:34,490 --> 00:19:33,059

that Jesus was right when when he talked

440

00:19:36,710 --> 00:19:34,500

about we should love one another and

441

00:19:37,549 --> 00:19:36,720

love God they

442

00:19:39,409 --> 00:19:37,559

um

443

00:19:41,450 --> 00:19:39,419

they know that what they're doing is

444

00:19:44,090 --> 00:19:41,460

something they have to do on a spiritual

445

00:19:47,270 --> 00:19:44,100

level and this has been very striking to

446

00:19:49,430 --> 00:19:47,280

us we've never been in that group before

447

00:19:51,950 --> 00:19:49,440

because when I was uh

448

00:19:54,830 --> 00:19:51,960

um my whole life really working on the

449

00:19:57,529 --> 00:19:54,840

psychiatric issues it was mostly with

450

00:19:59,930 --> 00:19:57,539

people who don't share a lot of

451
00:20:02,049 --> 00:19:59,940
spirituality most of them were hurt by

452
00:20:05,510 --> 00:20:02,059
Psychiatry and psychology

453
00:20:07,669 --> 00:20:05,520
precisely because they didn't have a

454
00:20:09,649 --> 00:20:07,679
good grasp of this and they they were

455
00:20:13,610 --> 00:20:09,659
still struggling with it some of them

456
00:20:17,810 --> 00:20:13,620
are psychologists and and therapists but

457
00:20:20,570 --> 00:20:17,820
most of them were not committed to a

458
00:20:24,289 --> 00:20:20,580
life of doing what they thought uh God

459
00:20:25,130 --> 00:20:24,299
or goodness or rightness expected of

460
00:20:30,950 --> 00:20:25,140
them

461
00:20:33,110 --> 00:20:30,960
and uh this is uh this marks these

462
00:20:36,470 --> 00:20:33,120
people as the opposite of those who are

463
00:20:38,750 --> 00:20:36,480

trying to control us subdue us keep us

464

00:20:41,450 --> 00:20:38,760

from thinking we we have an

465

00:20:43,370 --> 00:20:41,460

individuality that matters

466

00:20:46,430 --> 00:20:43,380

and to those of you out there who are

467

00:20:49,549 --> 00:20:46,440

feeling apathetic and and down I we got

468

00:20:50,830 --> 00:20:49,559

an interesting call from a friend of

469

00:20:53,570 --> 00:20:50,840

ours

470

00:20:55,850 --> 00:20:53,580

so closely fits with this house it was

471

00:20:59,210 --> 00:20:55,860

about the apathy she said you know I'm

472

00:21:01,549 --> 00:20:59,220

seeing these young people and

473

00:21:04,669 --> 00:21:01,559

um they're they just have apathy about

474

00:21:07,149 --> 00:21:04,679

life now young adults they don't have

475

00:21:11,630 --> 00:21:07,159

enthusiasm they don't have excitement

476

00:21:14,330 --> 00:21:11,640

and that is uh uh precisely what they

477

00:21:16,970 --> 00:21:14,340

want from us they want us to be as some

478

00:21:18,529 --> 00:21:16,980

people who call it sheeple not people

479

00:21:22,070 --> 00:21:18,539

but people

480

00:21:23,870 --> 00:21:22,080

sheep and we have to know that and say

481

00:21:25,430 --> 00:21:23,880

no we're going to have energy we're

482

00:21:26,930 --> 00:21:25,440

going to have life we're going to love

483

00:21:29,510 --> 00:21:26,940

each other we're going to band together

484

00:21:32,390 --> 00:21:29,520

we're going to stand up for freedom and

485

00:21:34,190 --> 00:21:32,400

for basic spiritual quality and nature

486

00:21:37,190 --> 00:21:34,200

of human beings

487

00:21:40,190 --> 00:21:37,200

Dr Bergen I wonder since you do have

488

00:21:41,570 --> 00:21:40,200

this long history in working with people

489

00:21:43,370 --> 00:21:41,580

and one of the things you've said in

490

00:21:45,950 --> 00:21:43,380

that video that we didn't get to that I

491

00:21:47,990 --> 00:21:45,960

think is quite impressive is you've

492

00:21:51,049 --> 00:21:48,000

spent your whole life

493

00:21:53,149 --> 00:21:51,059

in in therapy with people working with

494

00:21:55,430 --> 00:21:53,159

people having people come in and talk to

495

00:21:58,130 --> 00:21:55,440

them and comfort them and be a part of

496

00:22:00,230 --> 00:21:58,140

their life bring in their family you're

497

00:22:03,950 --> 00:22:00,240

a people helper on that kind of personal

498

00:22:05,990 --> 00:22:03,960

level empathetic level but I'm sure

499

00:22:08,750 --> 00:22:06,000

you've also run into people in your

500

00:22:12,529 --> 00:22:08,760

practice who have these issues with

501
00:22:14,810 --> 00:22:12,539
control have these issues with dominance

502
00:22:17,210 --> 00:22:14,820
how do you understand them from that

503
00:22:18,590 --> 00:22:17,220
deeper level of having worked with so

504
00:22:20,810 --> 00:22:18,600
many thousands and thousands of people

505
00:22:23,210 --> 00:22:20,820
through the years well what's going on

506
00:22:25,370 --> 00:22:23,220
with them

507
00:22:27,470 --> 00:22:25,380
well I think to some extent it's beyond

508
00:22:30,110 --> 00:22:27,480
our understanding I mean I I just want

509
00:22:33,350 --> 00:22:30,120
to start with that I think evil

510
00:22:35,930 --> 00:22:33,360
a bad intention is beyond our

511
00:22:39,350 --> 00:22:35,940
understanding to a great extent I think

512
00:22:41,870 --> 00:22:39,360
it's almost another world phenomena

513
00:22:44,690 --> 00:22:41,880

um it isn't just simply a matter of

514

00:22:48,169 --> 00:22:44,700

there being badly injured in childhood

515

00:22:50,450 --> 00:22:48,179

it is not just simply a matter of that I

516

00:22:54,590 --> 00:22:50,460

have worked with uh some of the most

517

00:22:56,690 --> 00:22:54,600

injured people imaginable and who as

518

00:22:59,690 --> 00:22:56,700

little children while they were being

519

00:23:01,610 --> 00:22:59,700

abused or tortured as two three

520

00:23:04,130 --> 00:23:01,620

four-year-olds I mean literally that

521

00:23:05,990 --> 00:23:04,140

said to themselves I will never be this

522

00:23:09,590 --> 00:23:06,000

way when I grow up

523

00:23:12,289 --> 00:23:09,600

and so I don't think it's I don't think

524

00:23:13,310 --> 00:23:12,299

it's reducible to

525

00:23:16,850 --> 00:23:13,320

um

526

00:23:19,130 --> 00:23:16,860

uh just that you know let's feel sorry

527

00:23:21,169 --> 00:23:19,140

for folks who are who are violent I

528

00:23:23,570 --> 00:23:21,179

think they make wrong decisions early on

529

00:23:26,750 --> 00:23:23,580

and I can't explain it so in that sense

530

00:23:29,510 --> 00:23:26,760

it's unknowable the second thing is um I

531

00:23:31,610 --> 00:23:29,520

I mostly see these people in my medical

532

00:23:35,029 --> 00:23:31,620

work I've been involved in over a

533

00:23:37,430 --> 00:23:35,039

hundred trials uh often involving people

534

00:23:39,350 --> 00:23:37,440

who have committed violent crimes while

535

00:23:40,789 --> 00:23:39,360

under the influence of drugs but also

536

00:23:42,529 --> 00:23:40,799

against the drug companies a whole

537

00:23:44,870 --> 00:23:42,539

variety of things

538

00:23:46,669 --> 00:23:44,880

and that that's mostly where I get to

539

00:23:48,950 --> 00:23:46,679

see these people and it's hard to it's

540

00:23:51,110 --> 00:23:48,960

hard to have people open up when you're

541

00:23:53,690 --> 00:23:51,120

you're kind of trying to help them not

542

00:23:57,049 --> 00:23:53,700

be in trouble with the law

543

00:23:59,029 --> 00:23:57,059

but I'll give you a few simple examples

544

00:24:01,190 --> 00:23:59,039

um of how I deal with it

545

00:24:03,350 --> 00:24:01,200

and how I try to help people with it one

546

00:24:05,690 --> 00:24:03,360

example I've not never put this quite

547

00:24:08,630 --> 00:24:05,700

together to will be a say a

548

00:24:11,630 --> 00:24:08,640

five-year-old and another say a 50 year

549

00:24:13,610 --> 00:24:11,640

old so a five five-year-old boy comes in

550

00:24:16,070 --> 00:24:13,620

to me he's put in by his mother and his

551

00:24:17,750 --> 00:24:16,080

father I do not try to see

552

00:24:20,210 --> 00:24:17,760

five-year-olds alone I want to help

553

00:24:22,909 --> 00:24:20,220

their mother and father and big sister

554

00:24:25,130 --> 00:24:22,919

or brother help them

555

00:24:26,750 --> 00:24:25,140

um I believe that that whenever a

556

00:24:28,669 --> 00:24:26,760

person's young if you can help change

557

00:24:31,490 --> 00:24:28,679

the family around them that does help

558

00:24:35,269 --> 00:24:31,500

them hugely and the little boy comes in

559

00:24:37,870 --> 00:24:35,279

and the parents say and do yesterday he

560

00:24:41,570 --> 00:24:37,880

hit his little sister

561

00:24:44,450 --> 00:24:41,580

and um I approach him as like a being

562

00:24:47,510 --> 00:24:44,460

you know person and I say come on over

563

00:24:50,149 --> 00:24:47,520

here and sit on the stool I mean let me

564

00:24:52,370 --> 00:24:50,159

tell you something I I said I said you

565

00:24:55,310 --> 00:24:52,380

know I'll tell you one of the secrets

566

00:24:59,029 --> 00:24:55,320

for your life and this is five-year-old

567

00:25:02,450 --> 00:24:59,039

when you go up your sister could be your

568

00:25:05,630 --> 00:25:02,460

best and most thorough friend

569

00:25:08,390 --> 00:25:05,640

nothing that a young girl and a woman

570

00:25:10,669 --> 00:25:08,400

appreciates more than a big brother

571

00:25:13,370 --> 00:25:10,679

who's there to back him up

572

00:25:16,730 --> 00:25:13,380

because men have a special strength for

573

00:25:18,409 --> 00:25:16,740

women and you must use that strength to

574

00:25:19,390 --> 00:25:18,419

protect your sister let me see your

575

00:25:26,510 --> 00:25:19,400

muscles

576

00:25:28,970 --> 00:25:26,520

don't use that to hit your little sister

577

00:25:31,549 --> 00:25:28,980

you used to protect her

578

00:25:33,470 --> 00:25:31,559

and and you'll just find that you grow

579

00:25:36,710 --> 00:25:33,480

up with the best automatic best friend

580

00:25:38,750 --> 00:25:36,720

by being a good big brother and

581

00:25:40,850 --> 00:25:38,760

um children will change almost overnight

582

00:25:43,130 --> 00:25:40,860

when they get providing they don't then

583

00:25:46,130 --> 00:25:43,140

see their parents fighting or their dad

584

00:25:48,169 --> 00:25:46,140

hits them or something else completely

585

00:25:51,169 --> 00:25:48,179

reverses the process which then has to

586

00:25:53,990 --> 00:25:51,179

be worked with and the I'll give you now

587

00:25:57,049 --> 00:25:54,000

go to an example of a 50 year old let's

588

00:25:59,810 --> 00:25:57,059

say in therapy and come in and usually

589

00:26:01,909 --> 00:25:59,820

these people do not volunteer to come to

590

00:26:03,890 --> 00:26:01,919

therapy so you don't get to see them as

591

00:26:05,570 --> 00:26:03,900

the primary patient the people who come

592

00:26:08,149 --> 00:26:05,580

to therapy are the people who are trying

593

00:26:11,630 --> 00:26:08,159

really hard to do good and to be the

594

00:26:14,450 --> 00:26:11,640

right not to not to put their pain on

595

00:26:16,190 --> 00:26:14,460

others my definition of evil that's what

596

00:26:18,909 --> 00:26:16,200

I have is that's inflicting your own

597

00:26:21,470 --> 00:26:18,919

pain on somebody else these are not

598

00:26:23,750 --> 00:26:21,480

people who who are like that don't

599

00:26:25,070 --> 00:26:23,760

generally come much for therapy but they

600

00:26:27,830 --> 00:26:25,080

bring in their husbands so they're

601
00:26:29,510 --> 00:26:27,840
sitting together and the wife is saying

602
00:26:31,909 --> 00:26:29,520
something and I see the husbands right

603
00:26:34,789 --> 00:26:31,919
here in twitch and I see her quiet down

604
00:26:37,430 --> 00:26:34,799
and I look at them I say you hit your

605
00:26:41,390 --> 00:26:37,440
wife and I I don't do with rage I do it

606
00:26:44,450 --> 00:26:41,400
with like whoa that's otherworldly

607
00:26:46,909 --> 00:26:44,460
and it seems like that to me that a man

608
00:26:49,090 --> 00:26:46,919
would hit his own hit a woman what are

609
00:26:51,590 --> 00:26:49,100
you doing God's sakes

610
00:26:54,590 --> 00:26:51,600
where's that from

611
00:26:56,450 --> 00:26:54,600
um and at first he'll deny it and she'll

612
00:27:00,169 --> 00:26:56,460
say and she'll try to interrupt I see no

613
00:27:02,390 --> 00:27:00,179

no no I really want to be honest here so

614

00:27:05,830 --> 00:27:02,400

um did you hit your wife last night is

615

00:27:07,909 --> 00:27:05,840

that what this is about I don't remember

616

00:27:10,730 --> 00:27:07,919

get something like that

617

00:27:12,110 --> 00:27:10,740

and I I'll sit I put it to the man I'll

618

00:27:16,490 --> 00:27:12,120

say look

619

00:27:20,330 --> 00:27:18,769

um I hope your wife will report you to

620

00:27:23,750 --> 00:27:20,340

the police

621

00:27:25,250 --> 00:27:23,760

the next time you ever hit her again

622

00:27:27,590 --> 00:27:25,260

and

623

00:27:29,750 --> 00:27:27,600

um I think that you need to decide to

624

00:27:31,909 --> 00:27:29,760

give it up and that's really good news

625

00:27:33,950 --> 00:27:31,919

so I'm giving you an order

626

00:27:36,590 --> 00:27:33,960

that's really the best one you've ever

627

00:27:38,090 --> 00:27:36,600

had always do something other than hurt

628

00:27:40,610 --> 00:27:38,100

your wife

629

00:27:42,830 --> 00:27:40,620

when you're mad at her

630

00:27:45,230 --> 00:27:42,840

and I'm going to teach you something

631

00:27:47,990 --> 00:27:45,240

else which is the great news if you stop

632

00:27:50,210 --> 00:27:48,000

that and become a tender loving giant

633

00:27:52,610 --> 00:27:50,220

you're going to get more affection than

634

00:27:53,750 --> 00:27:52,620

you ever knew was possible in the face

635

00:27:55,430 --> 00:27:53,760

of the Earth

636

00:27:57,289 --> 00:27:55,440

because I can tell you wouldn't be

637

00:27:59,510 --> 00:27:57,299

hitting your wife if you have a loving

638

00:28:01,730 --> 00:27:59,520

mom and then we'll get to that later

639

00:28:03,289 --> 00:28:01,740

believe me it's true and you did if you

640

00:28:05,330 --> 00:28:03,299

had a really loving mom taking care of

641

00:28:07,130 --> 00:28:05,340

you for the first 18 years of your life

642

00:28:09,169 --> 00:28:07,140

you're not going to hit women for God's

643

00:28:11,029 --> 00:28:09,179

sakes

644

00:28:11,690 --> 00:28:11,039

I mean unless your father was hitting

645

00:28:19,970 --> 00:28:11,700

her

646

00:28:22,610 --> 00:28:19,980

well let's get pissed being dead then

647

00:28:24,350 --> 00:28:22,620

and let's let's love your wife and I'll

648

00:28:27,049 --> 00:28:24,360

talk to him about the value of it and

649

00:28:29,990 --> 00:28:27,059

the importance but the absolute moral

650

00:28:32,630 --> 00:28:30,000

forbidness of hitting and it's a it is

651
00:28:34,850 --> 00:28:32,640
surprising that people will listen to

652
00:28:36,830 --> 00:28:34,860
this but they are people who at least

653
00:28:39,649 --> 00:28:36,840
are accompanying their wife to their

654
00:28:42,049 --> 00:28:39,659
faith you know so it's a very special

655
00:28:44,810 --> 00:28:42,059
circumstance and it depends more on

656
00:28:46,610 --> 00:28:44,820
these people who come than than a magic

657
00:28:49,490 --> 00:28:46,620
with the therapist but you at least have

658
00:28:51,230 --> 00:28:49,500
to identify these people spiritually no

659
00:28:54,350 --> 00:28:51,240
matter how young they are

660
00:28:56,149 --> 00:28:54,360
and uh and talk to them directly about

661
00:28:57,950 --> 00:28:56,159
about what they're doing and the right

662
00:28:59,990 --> 00:28:57,960
and wrong a bit and what they can expect

663
00:29:02,149 --> 00:29:00,000

if they become loving

664

00:29:04,789 --> 00:29:02,159

because if you're five or 50 if you

665

00:29:07,130 --> 00:29:04,799

become more loving if you can get more

666

00:29:10,130 --> 00:29:07,140

of that out to become more source of

667

00:29:13,010 --> 00:29:10,140

Love The Shining Light Of Love the more

668

00:29:14,990 --> 00:29:13,020

you do that the more that you will have

669

00:29:16,370 --> 00:29:15,000

happiness around you the more you'll

670

00:29:18,730 --> 00:29:16,380

help people

671

00:29:23,149 --> 00:29:18,740

and if you're going to spend your life

672

00:29:25,490 --> 00:29:23,159

in this world battling as as said

673

00:29:27,649 --> 00:29:25,500

battling I wish I certainly have done

674

00:29:29,750 --> 00:29:27,659

you don't want to be angry and you don't

675

00:29:33,950 --> 00:29:29,760

want to be really battling you you you

676

00:29:35,750 --> 00:29:33,960

want to be there to speak what you are

677

00:29:38,210 --> 00:29:35,760

certain is the truth about how people

678

00:29:40,730 --> 00:29:38,220

need to relate to each other but the

679

00:29:42,409 --> 00:29:40,740

folks like fauci and and I do name names

680

00:29:43,789 --> 00:29:42,419

because I want people to know I'm

681

00:29:46,370 --> 00:29:43,799

actually going to draw the full picture

682

00:29:48,409 --> 00:29:46,380

for them there are people out there who

683

00:29:50,029 --> 00:29:48,419

are not loving don't have a faintest

684

00:29:52,370 --> 00:29:50,039

idea what it's about

685

00:29:54,470 --> 00:29:52,380

and if they are loving to their wife or

686

00:29:56,450 --> 00:29:54,480

children they have cut themselves off

687

00:29:57,409 --> 00:29:56,460

from the people that they control and

688

00:30:00,230 --> 00:29:57,419

torment

689

00:30:02,269 --> 00:30:00,240

that's quite beautiful and profound I

690

00:30:04,490 --> 00:30:02,279

think I'm going to listen to that is

691

00:30:06,950 --> 00:30:04,500

like gosh I want to talk to this guy

692

00:30:10,130 --> 00:30:06,960

when I have trouble because it's so

693

00:30:12,049 --> 00:30:10,140

beautiful and it's so so artistic almost

694

00:30:14,389 --> 00:30:12,059

in the way that that you manage those

695

00:30:16,370 --> 00:30:14,399

situations let's extend that one step

696

00:30:20,210 --> 00:30:16,380

further because you set a couple things

697

00:30:22,250 --> 00:30:20,220

in there that again I think and I think

698

00:30:24,230 --> 00:30:22,260

you're admitting that you think this too

699

00:30:25,070 --> 00:30:24,240

even though you don't talk about it very

700

00:30:27,649 --> 00:30:25,080

much

701
00:30:29,750 --> 00:30:27,659
is really Central at the core of this

702
00:30:32,810 --> 00:30:29,760
very very important book that we're

703
00:30:36,649 --> 00:30:32,820
talking about today covid-19 and the

704
00:30:40,250 --> 00:30:36,659
global Predators it is as we read the

705
00:30:42,110 --> 00:30:40,260
quote from John F Kennedy Jr and there's

706
00:30:45,289 --> 00:30:42,120
many other blurbs that you'll see on

707
00:30:47,930 --> 00:30:45,299
here just fantastic it's there's Ginger

708
00:30:52,490 --> 00:30:47,940
that's my wife Ginger passing by

709
00:30:55,250 --> 00:30:52,500
co-author of my life and the book the

710
00:30:57,230 --> 00:30:55,260
book has been very successful very well

711
00:30:59,509 --> 00:30:57,240
received would have a hundred thousand

712
00:31:02,149 --> 00:30:59,519
copies that you've sold basically

713
00:31:05,149 --> 00:31:02,159

without any any promotion it's not like

714

00:31:07,970 --> 00:31:05,159

uh anyone in the mainstream is reviewing

715

00:31:10,190 --> 00:31:07,980

this book even though they should be so

716

00:31:12,950 --> 00:31:10,200

it's basically your effort on its own

717

00:31:15,710 --> 00:31:12,960

but what I was getting to that I want to

718

00:31:17,889 --> 00:31:15,720

try and close the loop on is you said a

719

00:31:20,690 --> 00:31:17,899

couple interesting things one in that

720

00:31:22,669 --> 00:31:20,700

ultimately it's hard for you to

721

00:31:26,149 --> 00:31:22,679

understand evil

722

00:31:28,669 --> 00:31:26,159

in purely in this realm in this material

723

00:31:30,590 --> 00:31:28,679

realm and this gee I got to make more

724

00:31:32,029 --> 00:31:30,600

money gee I want to get ahead we

725

00:31:34,430 --> 00:31:32,039

certainly understand that that's part of

726

00:31:37,190 --> 00:31:34,440

it but there does seem to be If we're

727

00:31:38,870 --> 00:31:37,200

honest and otherworldly part of that and

728

00:31:40,370 --> 00:31:38,880

I don't know I can't put my hands on I

729

00:31:41,750 --> 00:31:40,380

don't know what it is I'm again I'm not

730

00:31:44,350 --> 00:31:41,760

religious I don't have that orientation

731

00:31:47,330 --> 00:31:44,360

but it does seem to extend beyond that

732

00:31:51,049 --> 00:31:47,340

from your experience

733

00:31:53,269 --> 00:31:51,059

what is that all about you said that you

734

00:31:54,830 --> 00:31:53,279

can't really help those people you don't

735

00:31:57,950 --> 00:31:54,840

reach those people those people don't

736

00:31:59,630 --> 00:31:57,960

come in what is that all about and then

737

00:32:02,450 --> 00:31:59,640

if you can't extend that one step

738

00:32:05,269 --> 00:32:02,460

further because when you move into the

739

00:32:07,909 --> 00:32:05,279

domain of dealing with institutions like

740

00:32:10,610 --> 00:32:07,919

you've done uh medical institutions

741

00:32:12,230 --> 00:32:10,620

corporations uh where the evil gets

742

00:32:15,830 --> 00:32:12,240

concentrated and that's what this book

743

00:32:18,889 --> 00:32:15,840

is about global Predators so how do you

744

00:32:21,830 --> 00:32:18,899

as a therapist who has a pretty good

745

00:32:24,950 --> 00:32:21,840

handle on human nature how do you

746

00:32:27,110 --> 00:32:24,960

understand that evil and then how that

747

00:32:28,549 --> 00:32:27,120

evil becomes institutionalized what do

748

00:32:30,289 --> 00:32:28,559

we think is going on there what's your

749

00:32:32,029 --> 00:32:30,299

best guess

750

00:32:34,610 --> 00:32:32,039

well this is very interesting by the way

751

00:32:36,649 --> 00:32:34,620

very few people who interview me uh

752

00:32:38,630 --> 00:32:36,659

raise these kinds of issues so this is

753

00:32:39,830 --> 00:32:38,640

actually kind of a little exploratory

754

00:32:42,470 --> 00:32:39,840

for me too

755

00:32:45,350 --> 00:32:42,480

your audience should know how rare it is

756

00:32:48,830 --> 00:32:45,360

to to be interviewed by somebody who

757

00:32:51,169 --> 00:32:48,840

wants to talk on this particular level

758

00:32:53,330 --> 00:32:51,179

um and I think it is the I mean

759

00:32:55,310 --> 00:32:53,340

ultimately it is the level that things

760

00:32:57,909 --> 00:32:55,320

are about

761

00:33:01,549 --> 00:32:57,919

um I think from just a simple

762

00:33:04,370 --> 00:33:01,559

evolutionary viewpoint

763

00:33:10,570 --> 00:33:07,430

we developed over several million years

764

00:33:14,210 --> 00:33:10,580

from being little bike Peds and trees

765

00:33:16,909 --> 00:33:14,220

clinging together uh while the the

766

00:33:18,649 --> 00:33:16,919

Tigers you know wandered below maybe and

767

00:33:21,289 --> 00:33:18,659

we threw coconuts at them occasionally

768

00:33:22,669 --> 00:33:21,299

if they tried to climb the tree we've

769

00:33:25,669 --> 00:33:22,679

evolved

770

00:33:28,610 --> 00:33:25,679

in essentially that model of a

771

00:33:32,990 --> 00:33:28,620

close-knit extended family

772

00:33:34,610 --> 00:33:33,000

it is not until I'm very mere 10 000

773

00:33:37,549 --> 00:33:34,620

years ago in the beginning it's a little

774

00:33:39,409 --> 00:33:37,559

longer than that but tent is that

775

00:33:41,690 --> 00:33:39,419

usually what anthropologists

776

00:33:45,110 --> 00:33:41,700

archaeologists and so on say 10 000

777

00:33:47,210 --> 00:33:45,120

years ago we did not live in large

778

00:33:50,389 --> 00:33:47,220

groups

779

00:33:52,730 --> 00:33:50,399

in the moment we begin to live in large

780

00:33:55,370 --> 00:33:52,740

groups and small cities which substance

781

00:33:58,190 --> 00:33:55,380

rather rapidly around eight or nine

782

00:34:01,909 --> 00:33:58,200

thousand years ago very short time ago

783

00:34:03,970 --> 00:34:01,919

uh we we are already building walled

784

00:34:08,750 --> 00:34:03,980

cities we're already

785

00:34:11,389 --> 00:34:08,760

having signs of warfare outright Warfare

786

00:34:13,190 --> 00:34:11,399

and even earlier than that but it

787

00:34:15,589 --> 00:34:13,200

doesn't go back a lot more we do it's

788

00:34:19,069 --> 00:34:15,599

just hard to track we don't find mass

789

00:34:21,589 --> 00:34:19,079

murders uh before living in cities and

790

00:34:24,109 --> 00:34:21,599

states except on rare occasions is some

791

00:34:27,109 --> 00:34:24,119

evidence that hunter-gatherers might

792

00:34:29,389 --> 00:34:27,119

attack another band and Bash their heads

793

00:34:31,369 --> 00:34:29,399

in and things like that so but it's hard

794

00:34:32,990 --> 00:34:31,379

to dig all that literally up out of the

795

00:34:36,649 --> 00:34:33,000

earth and figure it out

796

00:34:38,149 --> 00:34:36,659

I think we were essentially meant to be

797

00:34:40,909 --> 00:34:38,159

in small groups I don't think there's

798

00:34:46,010 --> 00:34:40,919

any question about it and the larger our

799

00:34:49,669 --> 00:34:46,020

group gets the more divorced we get from

800

00:34:52,909 --> 00:34:49,679

the rest of the people around us

801
00:34:54,290 --> 00:34:52,919
and yet we're in very close proximity to

802
00:34:57,050 --> 00:34:54,300
them

803
00:34:59,349 --> 00:34:57,060
and I think it also tends to fracture

804
00:35:02,750 --> 00:34:59,359
our relationships with each other

805
00:35:05,690 --> 00:35:02,760
because you're not just dealing all day

806
00:35:08,210 --> 00:35:05,700
long with your parents your grandparents

807
00:35:10,670 --> 00:35:08,220
your mother's best friend whoever else

808
00:35:12,349 --> 00:35:10,680
is in this group you're dealing with

809
00:35:15,050 --> 00:35:12,359
teachers you're dealing with police

810
00:35:16,970 --> 00:35:15,060
you're dealing with the school

811
00:35:18,470 --> 00:35:16,980
counselors and nowadays you may be

812
00:35:21,890 --> 00:35:18,480
getting the worst garbage in the world

813
00:35:25,490 --> 00:35:21,900

have being dumped on you in in school as

814

00:35:28,130 --> 00:35:25,500

a kindergartner and on up I think we

815

00:35:31,190 --> 00:35:28,140

just get more divorced from people

816

00:35:33,589 --> 00:35:31,200

and and that basic concept of the mother

817

00:35:35,750 --> 00:35:33,599

and child of whoever is the primary

818

00:35:37,609 --> 00:35:35,760

caretaker and child are looking in the

819

00:35:40,609 --> 00:35:37,619

eyes that touching

820

00:35:42,890 --> 00:35:40,619

that being like a Oneness of being made

821

00:35:44,990 --> 00:35:42,900

of each other that is the reality of

822

00:35:48,290 --> 00:35:45,000

early life it literally made of each

823

00:35:51,170 --> 00:35:48,300

other with mother's milk preferably with

824

00:35:53,690 --> 00:35:51,180

the food brought To Us by our parents by

825

00:35:57,170 --> 00:35:53,700

our brain grows in response to our

826
00:35:59,089 --> 00:35:57,180
parents and our nurturers brain doubles

827
00:36:02,390 --> 00:35:59,099
in size in the first year and it's all

828
00:36:04,730 --> 00:36:02,400
about socialization that somehow all

829
00:36:06,829 --> 00:36:04,740
that stuff

830
00:36:09,410 --> 00:36:06,839
um doesn't make it for many many people

831
00:36:12,109 --> 00:36:09,420
and then the higher up they get in any

832
00:36:15,109 --> 00:36:12,119
organization

833
00:36:19,010 --> 00:36:15,119
um the more remote they are and also who

834
00:36:21,430 --> 00:36:19,020
gets higher up in an organization

835
00:36:28,310 --> 00:36:25,630
often pretty good people do build

836
00:36:31,190 --> 00:36:28,320
organizations you read about I suspect

837
00:36:33,290 --> 00:36:31,200
the Walton family and the senior Waltons

838
00:36:35,329 --> 00:36:33,300

are really good people but that's not

839

00:36:38,390 --> 00:36:35,339

who runs their billions of dollars

840

00:36:41,210 --> 00:36:38,400

anymore it's uh CEOs

841

00:36:43,310 --> 00:36:41,220

that run run it it's people who got to

842

00:36:46,310 --> 00:36:43,320

the top they didn't make

843

00:36:48,770 --> 00:36:46,320

what they built they got to the top

844

00:36:51,170 --> 00:36:48,780

and people who get to the top get there

845

00:36:53,750 --> 00:36:51,180

because of particular qualities and it

846

00:36:56,990 --> 00:36:53,760

is not generally love

847

00:37:00,710 --> 00:36:57,000

I mean the story of Jesus is that uh you

848

00:37:02,690 --> 00:37:00,720

know if you if you really you know get a

849

00:37:05,270 --> 00:37:02,700

lot of attention bringing love into the

850

00:37:07,970 --> 00:37:05,280

world they crucify you it's a

851

00:37:11,690 --> 00:37:07,980

it's real that the whether it's a

852

00:37:14,450 --> 00:37:11,700

metaphor or actually happen uh certainly

853

00:37:16,310 --> 00:37:14,460

Jesus happened and the sayings of him or

854

00:37:17,990 --> 00:37:16,320

recorded in various Ways by various

855

00:37:19,849 --> 00:37:18,000

people

856

00:37:21,829 --> 00:37:19,859

um

857

00:37:24,530 --> 00:37:21,839

those are not the people that get to the

858

00:37:27,349 --> 00:37:24,540

top it's it's a Pontius Pilate that gets

859

00:37:29,510 --> 00:37:27,359

to the top it's the Pharisees who get to

860

00:37:31,550 --> 00:37:29,520

the top so I think that that there's

861

00:37:34,190 --> 00:37:31,560

just a lot of different things that go

862

00:37:35,530 --> 00:37:34,200

into it being the alienation of people

863

00:37:38,870 --> 00:37:35,540

in power

864

00:37:40,970 --> 00:37:38,880

and I mean it's just a reality I mean

865

00:37:43,550 --> 00:37:40,980

and it hasn't I want to just one it has

866

00:37:45,589 --> 00:37:43,560

not gotten better it's gotten worse so

867

00:37:48,410 --> 00:37:45,599

as we've gotten more power more

868

00:37:50,270 --> 00:37:48,420

communication ability

869

00:37:52,430 --> 00:37:50,280

um the Chinese Communists started with

870

00:37:54,790 --> 00:37:52,440

MAO have killed probably a hundred

871

00:37:57,530 --> 00:37:54,800

million Chinese so their own people

872

00:38:00,470 --> 00:37:57,540

Hitler didn't just kill Jews and Gypsies

873

00:38:03,349 --> 00:38:00,480

and homosexuals it killed lots of

874

00:38:05,510 --> 00:38:03,359

Germans and he killed at least 20 or 30

875

00:38:06,849 --> 00:38:05,520

million people outside of the

876

00:38:09,950 --> 00:38:06,859

battlefield

877

00:38:11,990 --> 00:38:09,960

Stalin was very fond of murdering people

878

00:38:15,410 --> 00:38:12,000

intentionally killing people up to maybe

879

00:38:18,470 --> 00:38:15,420

50 million of his own people so there's

880

00:38:20,329 --> 00:38:18,480

this lies inside human beings it's a

881

00:38:22,430 --> 00:38:20,339

it's there

882

00:38:24,410 --> 00:38:22,440

you know but the other thing that lies

883

00:38:29,329 --> 00:38:24,420

inside of human beings and we've touched

884

00:38:31,370 --> 00:38:29,339

on it is Hope is this desire to connect

885

00:38:34,609 --> 00:38:31,380

you know I was reading an interview you

886

00:38:37,250 --> 00:38:34,619

gave you have so many uh really amazing

887

00:38:38,690 --> 00:38:37,260

books that you've read that there are so

888

00:38:41,030 --> 00:38:38,700

many amazing books that you've written

889

00:38:42,530 --> 00:38:41,040

and I think people who are interested in

890

00:38:44,329 --> 00:38:42,540

any of these topics we're talking about

891

00:38:46,910 --> 00:38:44,339

in any of these topics in terms of

892

00:38:49,010 --> 00:38:46,920

mental health reform over the years if

893

00:38:51,230 --> 00:38:49,020

we've perked your interest at all please

894

00:38:53,150 --> 00:38:51,240

go and read these books but one was an

895

00:38:54,650 --> 00:38:53,160

excerpt from a book and it was very

896

00:38:56,089 --> 00:38:54,660

early on and I wonder if you could tell

897

00:38:59,089 --> 00:38:56,099

this story

898

00:39:01,010 --> 00:38:59,099

as I recall you were early in your

899

00:39:03,710 --> 00:39:01,020

career you went to a mental health

900

00:39:06,410 --> 00:39:03,720

hospital in New York and you're a very

901
00:39:09,770 --> 00:39:06,420
young man and you're had that figure

902
00:39:12,010 --> 00:39:09,780
that desire to do good and what you saw

903
00:39:14,329 --> 00:39:12,020
was just deplorable I mean it was just

904
00:39:17,690 --> 00:39:14,339
inhuman at a level that's hard to

905
00:39:21,470 --> 00:39:17,700
comprehend but at the same time I wonder

906
00:39:24,170 --> 00:39:21,480
what made it made you see hope in that

907
00:39:26,630 --> 00:39:24,180
situation because that is a hope that as

908
00:39:28,790 --> 00:39:26,640
you described it sounded like a hopeless

909
00:39:31,069 --> 00:39:28,800
situation like a lot of people feel

910
00:39:33,730 --> 00:39:31,079
about the situation we're in now and the

911
00:39:36,050 --> 00:39:33,740
great reset and these forces that seem

912
00:39:38,030 --> 00:39:36,060
insurmountable how could we ever do

913
00:39:40,970 --> 00:39:38,040

anything how could we ever be anything

914

00:39:43,730 --> 00:39:40,980

other than apathetic but you weren't

915

00:39:46,130 --> 00:39:43,740

apathetic you were in face to face with

916

00:39:48,050 --> 00:39:46,140

this and you weren't apathetic and you

917

00:39:49,430 --> 00:39:48,060

moved forward tell can you tell that

918

00:39:50,990 --> 00:39:49,440

story and tell what was going on inside

919

00:39:53,210 --> 00:39:51,000

of you

920

00:39:54,109 --> 00:39:53,220

yeah and also

921

00:39:56,810 --> 00:39:54,119

um

922

00:39:59,030 --> 00:39:56,820

let's also talk about the more about the

923

00:40:01,609 --> 00:39:59,040

people who are taking on these issues

924

00:40:02,390 --> 00:40:01,619

now because there are millions of us and

925

00:40:04,309 --> 00:40:02,400

uh

926
00:40:06,109 --> 00:40:04,319
and I want to encourage people to get

927
00:40:09,950 --> 00:40:06,119
involved because a part of what

928
00:40:12,050 --> 00:40:09,960
spirituality I think is is to get

929
00:40:15,349 --> 00:40:12,060
involved in the best possible ways with

930
00:40:19,490 --> 00:40:15,359
other human beings I'm not a monk by the

931
00:40:21,829 --> 00:40:19,500
way the the book that has captured the

932
00:40:26,329 --> 00:40:21,839
most of the hearts of people from the

933
00:40:29,210 --> 00:40:26,339
earlier writings is toxic psychiatry and

934
00:40:30,890 --> 00:40:29,220
it's still available it sold hundreds of

935
00:40:33,050 --> 00:40:30,900
thousands of books

936
00:40:35,750 --> 00:40:33,060
um and it um

937
00:40:37,690 --> 00:40:35,760
the subtitle of toxic Psychiatry I don't

938
00:40:41,329 --> 00:40:37,700

even think I can repeat but it's about

939

00:40:44,510 --> 00:40:41,339

how the biochemical theories and the

940

00:40:47,089 --> 00:40:44,520

lecture shock and the brain surgery or

941

00:40:49,309 --> 00:40:47,099

psychosurgery of the psychiatrist to be

942

00:40:52,490 --> 00:40:49,319

replaced with love and relationship here

943

00:40:55,190 --> 00:40:52,500

it is toxic Psychiatry why therapy

944

00:40:58,670 --> 00:40:55,200

empathy which has become a whole

945

00:41:01,690 --> 00:40:58,680

movement inside of your practice empathy

946

00:41:05,990 --> 00:41:01,700

and love must replace the drugs

947

00:41:08,809 --> 00:41:06,000

electroshock and biochemical theories of

948

00:41:10,430 --> 00:41:08,819

new Psychiatry and and if I can I want

949

00:41:12,650 --> 00:41:10,440

to add one other quote that I found that

950

00:41:14,809 --> 00:41:12,660

just struck me so

951
00:41:17,450 --> 00:41:14,819
uh I don't want to get too people think

952
00:41:18,290 --> 00:41:17,460
I'm just a big Fanboy but brilliant you

953
00:41:20,750 --> 00:41:18,300
write

954
00:41:23,450 --> 00:41:20,760
what's wrong with treating emotional

955
00:41:25,130 --> 00:41:23,460
crises the way we treat medical

956
00:41:27,770 --> 00:41:25,140
emergencies

957
00:41:30,589 --> 00:41:27,780
as if that isn't an obvious answer why

958
00:41:34,010 --> 00:41:30,599
should we transform ourselves in the

959
00:41:37,250 --> 00:41:34,020
process of trying to help other people

960
00:41:39,950 --> 00:41:37,260
how can we fine-tune ourselves to the

961
00:41:42,290 --> 00:41:39,960
feelings of others and that relates I

962
00:41:44,329 --> 00:41:42,300
think to this empathy thing that you're

963
00:41:48,770 --> 00:41:44,339

so tapped into so I'm sorry though

964

00:41:49,430 --> 00:41:48,780

please continue well it's good it's good

965

00:41:52,190 --> 00:41:49,440

um

966

00:41:54,290 --> 00:41:52,200

the I was a freshman at Harvard it

967

00:41:56,450 --> 00:41:54,300

wasn't New York it was Massachusetts and

968

00:41:58,609 --> 00:41:56,460

I was a freshman in Harvard and a friend

969

00:42:00,230 --> 00:41:58,619

invited me out to the State Mental

970

00:42:02,990 --> 00:42:00,240

Hospital a local state mental hospital

971

00:42:05,270 --> 00:42:03,000

to volunteer he and his older brother

972

00:42:06,970 --> 00:42:05,280

were both at Harvard and they had uh

973

00:42:10,550 --> 00:42:06,980

started this program

974

00:42:12,730 --> 00:42:10,560

and I eventually ended up leading the

975

00:42:16,550 --> 00:42:12,740

program for about a year and a half and

976

00:42:18,829 --> 00:42:16,560

that's how I got from being a potential

977

00:42:20,690 --> 00:42:18,839

Professor I was in a special American

978

00:42:22,849 --> 00:42:20,700

history and literature program at

979

00:42:25,490 --> 00:42:22,859

Harvard that was like you know grooming

980

00:42:28,849 --> 00:42:25,500

to be a professor of history and

981

00:42:31,670 --> 00:42:28,859

literature maybe a lawyer I wasn't sure

982

00:42:33,890 --> 00:42:31,680

I loved psychology but I had no interest

983

00:42:36,230 --> 00:42:33,900

in going into medicine

984

00:42:39,109 --> 00:42:36,240

and um when I walked into the State

985

00:42:41,329 --> 00:42:39,119

Mental Hospital I was immediately struck

986

00:42:43,690 --> 00:42:41,339

with my uncle Dutch's descriptions of

987

00:42:46,970 --> 00:42:43,700

liberating and Nazi extermination camp

988

00:42:49,430 --> 00:42:46,980

and also I was struck by my my feelings

989

00:42:52,069 --> 00:42:49,440

as a 10 year old in a movie theater

990

00:42:53,870 --> 00:42:52,079

watching a movie tone newsreel that my

991

00:42:56,390 --> 00:42:53,880

parents and I did not expect to see

992

00:42:58,790 --> 00:42:56,400

about the extermination of the Jews it

993

00:43:01,069 --> 00:42:58,800

was some of the first films that came

994

00:43:02,690 --> 00:43:01,079

out of heaps of Jews lying dead and

995

00:43:04,970 --> 00:43:02,700

others hanging onto the barbed wire

996

00:43:07,069 --> 00:43:04,980

barely having enough strength to hold

997

00:43:08,870 --> 00:43:07,079

themselves up and stuff

998

00:43:11,750 --> 00:43:08,880

and um

999

00:43:14,030 --> 00:43:11,760

I knew these were people I just knew it

1000

00:43:16,990 --> 00:43:14,040

I I cannot tell you why see this is to

1001
00:43:19,910 --> 00:43:17,000
me inexplicable I cannot tell you why

1002
00:43:22,730 --> 00:43:19,920
exactly at least uh

1003
00:43:25,309 --> 00:43:22,740
how I managed to connect and say you

1004
00:43:27,349 --> 00:43:25,319
know there but for the grace of God go I

1005
00:43:28,790 --> 00:43:27,359
and I don't think I believed in God at

1006
00:43:31,309 --> 00:43:28,800
that point I was a real you know

1007
00:43:32,630 --> 00:43:31,319
relativistic uh kind of a person and

1008
00:43:34,190 --> 00:43:32,640
everything

1009
00:43:35,930 --> 00:43:34,200
which I think some of the best

1010
00:43:37,849 --> 00:43:35,940
adolescents are

1011
00:43:41,329 --> 00:43:37,859
hopefully it doesn't go on forever and

1012
00:43:44,150 --> 00:43:41,339
you find some good values but um it was

1013
00:43:45,829 --> 00:43:44,160

just clear to me and um the other part

1014

00:43:47,750 --> 00:43:45,839

of it was it was clear these people were

1015

00:43:50,270 --> 00:43:47,760

in Despair and a lot of them when they

1016

00:43:52,910 --> 00:43:50,280

saw young students who were reasonably

1017

00:43:55,550 --> 00:43:52,920

well dressed and and really looked like

1018

00:43:57,290 --> 00:43:55,560

they were wanted to help they just loved

1019

00:43:59,450 --> 00:43:57,300

us

1020

00:44:01,670 --> 00:43:59,460

um in four years of being on the wards

1021

00:44:03,530 --> 00:44:01,680

often on my own eventually as a leader I

1022

00:44:06,290 --> 00:44:03,540

managed to give myself a pair of keys I

1023

00:44:09,230 --> 00:44:06,300

could go anywhere I never was threatened

1024

00:44:13,250 --> 00:44:09,240

on the violent Wars never

1025

00:44:15,589 --> 00:44:13,260

and um and I uh very early on figured

1026

00:44:18,170 --> 00:44:15,599

that this was not like the playground

1027

00:44:19,550 --> 00:44:18,180

where you didn't threaten Peter Reagan

1028

00:44:22,790 --> 00:44:19,560

because even though he wasn't very big

1029

00:44:25,550 --> 00:44:22,800

he would you would be just regret it it

1030

00:44:28,190 --> 00:44:25,560

was more like oh God these people just

1031

00:44:29,510 --> 00:44:28,200

need me to be absolutely non-violent

1032

00:44:32,030 --> 00:44:29,520

they just need me to be the least

1033

00:44:34,250 --> 00:44:32,040

threatening human pig on the face of the

1034

00:44:36,829 --> 00:44:34,260

earth I don't know where it where that

1035

00:44:39,109 --> 00:44:36,839

came from I I honestly cannot tell you I

1036

00:44:41,510 --> 00:44:39,119

did not have a religious upbringing

1037

00:44:43,370 --> 00:44:41,520

but the only time I heard the word is

1038

00:44:45,589 --> 00:44:43,380

love discussed was serious and this was

1039

00:44:48,770 --> 00:44:45,599

when a Christian girlfriend of mine Mary

1040

00:44:52,550 --> 00:44:48,780

uh took me to a Methodist Church I was

1041

00:44:53,870 --> 00:44:52,560

just well what is she talking about

1042

00:44:56,390 --> 00:44:53,880

um so I don't know where it comes from

1043

00:44:59,089 --> 00:44:56,400

and I think that a lot of our lives are

1044

00:45:01,609 --> 00:44:59,099

inexplicable their gifts

1045

00:45:03,890 --> 00:45:01,619

their gifts

1046

00:45:05,750 --> 00:45:03,900

and I think we should respect them I

1047

00:45:08,390 --> 00:45:05,760

think you each person should look at

1048

00:45:10,309 --> 00:45:08,400

their gifts and say okay what I've been

1049

00:45:13,430 --> 00:45:10,319

giving these gifts I'm good with people

1050

00:45:17,150 --> 00:45:13,440

or I'm good with writing or I'm Good As

1051
00:45:19,750 --> 00:45:17,160
a caretaker I'm as good as a leader I'm

1052
00:45:22,670 --> 00:45:19,760
I'm good with ideas

1053
00:45:25,010 --> 00:45:22,680
you know what are your positive gifts

1054
00:45:27,530 --> 00:45:25,020
and um how do you want to bring them

1055
00:45:29,329 --> 00:45:27,540
into the world and I guess that I didn't

1056
00:45:32,270 --> 00:45:29,339
know that at the time

1057
00:45:34,130 --> 00:45:32,280
but um I had a gift for being with

1058
00:45:35,930 --> 00:45:34,140
Disturbed people and making them feel

1059
00:45:38,690 --> 00:45:35,940
comfortable letting them that's not

1060
00:45:41,630 --> 00:45:38,700
making letting them feel comfortable and

1061
00:45:43,370 --> 00:45:41,640
we set up a program much against the

1062
00:45:45,349 --> 00:45:43,380
wishes of the superintendent but he

1063
00:45:47,690 --> 00:45:45,359

didn't want us to take our program

1064

00:45:49,309 --> 00:45:47,700

elsewhere I'd already visited other

1065

00:45:51,050 --> 00:45:49,319

state hospitals

1066

00:45:54,109 --> 00:45:51,060

and they were very interested in our

1067

00:45:55,790 --> 00:45:54,119

program and I said we want like 15 of

1068

00:45:57,410 --> 00:45:55,800

our students to have their own patients

1069

00:45:59,089 --> 00:45:57,420

you know we had several hundred going

1070

00:46:01,490 --> 00:45:59,099

through the wars from Harvard and

1071

00:46:04,190 --> 00:46:01,500

Radcliffe and

1072

00:46:05,809 --> 00:46:04,200

um finally they they gave us each one

1073

00:46:07,370 --> 00:46:05,819

one of our own patients that would be

1074

00:46:09,290 --> 00:46:07,380

there when we got there on a particular

1075

00:46:11,870 --> 00:46:09,300

day and we'd go every week

1076

00:46:12,950 --> 00:46:11,880

it's a big commitment and

1077

00:46:15,290 --> 00:46:12,960

um

1078

00:46:17,870 --> 00:46:15,300

we had a social worker a very gentle

1079

00:46:20,089 --> 00:46:17,880

kind social worker

1080

00:46:22,370 --> 00:46:20,099

um who at least one or two of the staff

1081

00:46:24,470 --> 00:46:22,380

tried to tell us just was a little kooky

1082

00:46:27,710 --> 00:46:24,480

or something it was a very sweet man and

1083

00:46:30,109 --> 00:46:27,720

he supervised us he's very gentle

1084

00:46:32,089 --> 00:46:30,119

and we got these patients who were so

1085

00:46:34,430 --> 00:46:32,099

bad off that we couldn't hurt them that

1086

00:46:36,230 --> 00:46:34,440

was the theory we got almost every one

1087

00:46:39,710 --> 00:46:36,240

of them out of the hospital

1088

00:46:41,750 --> 00:46:39,720

like whoa now psychiatry in those days

1089

00:46:43,270 --> 00:46:41,760

had room for social Psychiatry

1090

00:46:45,349 --> 00:46:43,280

psychological

1091

00:46:47,030 --> 00:46:45,359

psychoanalytics coaches no room in

1092

00:46:48,530 --> 00:46:47,040

Psychiatry and medicine for that now

1093

00:46:52,250 --> 00:46:48,540

because the drug companies have taken

1094

00:46:55,490 --> 00:46:52,260

over completely but then I got a lot of

1095

00:46:58,670 --> 00:46:55,500

encouragement for that man well I wonder

1096

00:47:00,890 --> 00:46:58,680

if you got a lot of encouragement or if

1097

00:47:02,210 --> 00:47:00,900

you created a lot of encouragement and

1098

00:47:04,670 --> 00:47:02,220

I'd like you to speak to that I don't

1099

00:47:06,530 --> 00:47:04,680

want to it's your story but you're

1100

00:47:08,750 --> 00:47:06,540

talking about bringing love into the

1101

00:47:10,490 --> 00:47:08,760

situation bringing light and we don't

1102

00:47:12,410 --> 00:47:10,500

know where that light comes from but we

1103

00:47:13,790 --> 00:47:12,420

know that light always shines and it

1104

00:47:15,829 --> 00:47:13,800

shines through brighter in some people

1105

00:47:19,609 --> 00:47:15,839

than others but you brought the light

1106

00:47:21,109 --> 00:47:19,619

and the light was able to affect the

1107

00:47:23,690 --> 00:47:21,119

darkness that you found because when you

1108

00:47:26,150 --> 00:47:23,700

walked in there there it was very very

1109

00:47:28,930 --> 00:47:26,160

dark as I understand it I mean very dark

1110

00:47:31,790 --> 00:47:28,940

what they were doing to people was

1111

00:47:34,190 --> 00:47:31,800

unimaginable and so I want you to speak

1112

00:47:36,829 --> 00:47:34,200

to that in terms of because it as it

1113

00:47:38,870 --> 00:47:36,839

relates now as it relates to your

1114

00:47:41,329 --> 00:47:38,880

current book Covenant 19 Global

1115

00:47:42,770 --> 00:47:41,339

Predators all that stuff isn't that the

1116

00:47:45,230 --> 00:47:42,780

solution we got to bring the light

1117

00:47:47,690 --> 00:47:45,240

because the light has a magic way of

1118

00:47:49,430 --> 00:47:47,700

transforming the evil that's what your

1119

00:47:51,950 --> 00:47:49,440

career is all about everywhere you go

1120

00:47:55,670 --> 00:47:51,960

it's impossible that is an impossible

1121

00:47:57,170 --> 00:47:55,680

situation one of the things that Ginger

1122

00:47:59,690 --> 00:47:57,180

and I

1123

00:48:02,870 --> 00:47:59,700

um Ginger's been with me for 40 years my

1124

00:48:04,549 --> 00:48:02,880

the reform work goes back another 35 to

1125

00:48:06,950 --> 00:48:04,559

when I was in whatever the numbers are

1126

00:48:09,530 --> 00:48:06,960

until I was 18 but we've been together

1127

00:48:11,569 --> 00:48:09,540

40 years and and we've been through an

1128

00:48:13,190 --> 00:48:11,579

enormous amount and we loved having the

1129

00:48:16,309 --> 00:48:13,200

reputation of being the conscience of

1130

00:48:19,910 --> 00:48:16,319

Psychiatry Peter and Ginger

1131

00:48:21,470 --> 00:48:19,920

um but when this came along we were very

1132

00:48:23,450 --> 00:48:21,480

nervous about getting into it because we

1133

00:48:25,790 --> 00:48:23,460

knew how violent we'd been treated by

1134

00:48:27,349 --> 00:48:25,800

the pharmaceutical industry and they

1135

00:48:29,630 --> 00:48:27,359

were kind of The Cutting Edge of this

1136

00:48:31,849 --> 00:48:29,640

covid-19 oppression they're not the

1137

00:48:34,130 --> 00:48:31,859

essence of it it's Way Beyond them it's

1138

00:48:35,990 --> 00:48:34,140

in the it's in the people who invest in

1139

00:48:40,370 --> 00:48:36,000

these companies it's in the people who

1140

00:48:43,190 --> 00:48:40,380

invest in uh the UN and into a world a

1141

00:48:45,170 --> 00:48:43,200

world order in a world order and who

1142

00:48:47,690 --> 00:48:45,180

really want to change things and get rid

1143

00:48:49,309 --> 00:48:47,700

of a lot of us things I never thought I

1144

00:48:51,349 --> 00:48:49,319

would say two years ago but it's there

1145

00:48:53,750 --> 00:48:51,359

for instance you'll be convinced if you

1146

00:48:55,010 --> 00:48:53,760

look at a book the book convinced me the

1147

00:48:57,049 --> 00:48:55,020

writing of the book I didn't want to

1148

00:48:58,990 --> 00:48:57,059

come to these conclusions such Grim

1149

00:49:01,730 --> 00:48:59,000

conclusions but we looked at each other

1150

00:49:04,130 --> 00:49:01,740

and basically we eventually looked at

1151

00:49:05,990 --> 00:49:04,140

each other and said well look our gifts

1152

00:49:10,970 --> 00:49:06,000

are

1153

00:49:13,849 --> 00:49:10,980

here doing this work all the people

1154

00:49:16,849 --> 00:49:13,859

we've met who has done the Deep dives

1155

00:49:18,589 --> 00:49:16,859

into Drug Company fraud and who has

1156

00:49:20,630 --> 00:49:18,599

looked at the interrelationships between

1157

00:49:22,970 --> 00:49:20,640

the FDA and the drug companies the way

1158

00:49:24,710 --> 00:49:22,980

I've done as a in my books and many of

1159

00:49:27,170 --> 00:49:24,720

my books I talk about these in the

1160

00:49:29,809 --> 00:49:27,180

relationships and we said in what are

1161

00:49:32,089 --> 00:49:29,819

our gifts you know what gifts do we have

1162

00:49:37,250 --> 00:49:32,099

this

1163

00:49:40,609 --> 00:49:37,260

I'm 80 going to be 86 today for God's

1164

00:49:42,950 --> 00:49:40,619

sakes I mean my wife is a bit younger

1165

00:49:44,569 --> 00:49:42,960

but um we looked at him we said well

1166

00:49:46,430 --> 00:49:44,579

that's what we're supposed to do

1167

00:49:48,710 --> 00:49:46,440

this is obviously what we're supposed to

1168

00:49:50,270 --> 00:49:48,720

do as to what the gifts are she laughed

1169

00:49:52,250 --> 00:49:50,280

and she said we always thought that the

1170

00:49:54,829 --> 00:49:52,260

two of us were brought together to do

1171

00:49:57,170 --> 00:49:54,839

this reform work in Psychiatry she said

1172

00:50:02,770 --> 00:49:57,180

I think that was prep for taking on

1173

00:50:05,569 --> 00:50:02,780

these globalists oh God honey yeah okay

1174

00:50:08,510 --> 00:50:05,579

but then we just kept meeting other

1175

00:50:11,210 --> 00:50:08,520

bright Souls we no longer felt like the

1176

00:50:13,910 --> 00:50:11,220

conscience of anything as a movement we

1177

00:50:16,670 --> 00:50:13,920

were just one of we won millions of

1178

00:50:19,370 --> 00:50:16,680

consciences and we've met a lot hundreds

1179

00:50:21,650 --> 00:50:19,380

of them personally or written to us or

1180

00:50:25,130 --> 00:50:21,660

communicated with us so folks if you get

1181

00:50:27,589 --> 00:50:25,140

involved with wanting to do something on

1182

00:50:30,710 --> 00:50:27,599

some political level some spiritual

1183

00:50:32,690 --> 00:50:30,720

level it could just be in a group in

1184

00:50:35,630 --> 00:50:32,700

your neighborhood creating a group for

1185

00:50:38,210 --> 00:50:35,640

like-minded souls to grow it could be a

1186

00:50:40,370 --> 00:50:38,220

political group if you're looking for

1187

00:50:42,710 --> 00:50:40,380

people who really do think that they're

1188

00:50:45,170 --> 00:50:42,720

supposed to use their gifts get involved

1189

00:50:46,970 --> 00:50:45,180

in this movement the book will introduce

1190

00:50:49,849 --> 00:50:46,980

you enough people you kind of get the

1191

00:50:52,010 --> 00:50:49,859

idea about who to who to check out and

1192

00:50:55,490 --> 00:50:52,020

you're going to find so many people who

1193

00:50:58,069 --> 00:50:55,500

shine with love we have never met many

1194

00:51:01,430 --> 00:50:58,079

couples like us who really built lives

1195

00:51:03,950 --> 00:51:01,440

together doing a real purposeful lives

1196

00:51:06,049 --> 00:51:03,960

together but among these mostly

1197

00:51:08,270 --> 00:51:06,059

Christian people we're meeting there

1198

00:51:10,670 --> 00:51:08,280

were so many who have these deep

1199

00:51:13,549 --> 00:51:10,680

spiritual convictions

1200

00:51:14,690 --> 00:51:13,559

and I know Mandy and you and your

1201
00:51:17,210 --> 00:51:14,700
audience

1202
00:51:19,670 --> 00:51:17,220
uh will be a little different from that

1203
00:51:22,849 --> 00:51:19,680
and you know you you will have a more

1204
00:51:25,010 --> 00:51:22,859
personal idea of spirituality

1205
00:51:28,609 --> 00:51:25,020
um you'll have a a kind of a

1206
00:51:30,829 --> 00:51:28,619
spirituality that that is about your

1207
00:51:33,589 --> 00:51:30,839
comfort and about finding peace and

1208
00:51:36,589 --> 00:51:33,599
finding good things like that but also

1209
00:51:39,049 --> 00:51:36,599
consider what it would be like if you

1210
00:51:40,970 --> 00:51:39,059
actually meet like-minded people who are

1211
00:51:44,809 --> 00:51:40,980
concerned about humanity and what's

1212
00:51:49,430 --> 00:51:44,819
happening it's so amazing to become

1213
00:51:51,290 --> 00:51:49,440

involved on that level but again if you

1214

00:51:53,089 --> 00:51:51,300

take care of yourself spiritually you're

1215

00:51:55,549 --> 00:51:53,099

doing number one you're doing the first

1216

00:51:58,190 --> 00:51:55,559

thing because you wanna as much as

1217

00:52:00,109 --> 00:51:58,200

possible when you get involved more with

1218

00:52:01,069 --> 00:52:00,119

the universe you want to be in a loving

1219

00:52:03,410 --> 00:52:01,079

mode

1220

00:52:06,049 --> 00:52:03,420

I had to give up being the Angry Young

1221

00:52:07,549 --> 00:52:06,059

Man in my 30s because I wasn't going to

1222

00:52:10,370 --> 00:52:07,559

do the right things and I was going to

1223

00:52:13,010 --> 00:52:10,380

wear myself out so think about how can

1224

00:52:14,690 --> 00:52:13,020

you bring more love into this world how

1225

00:52:17,030 --> 00:52:14,700

can you do it that's a really good

1226

00:52:19,430 --> 00:52:17,040

starting point for your very spiritual

1227

00:52:20,870 --> 00:52:19,440

and loving audience I think

1228

00:52:23,390 --> 00:52:20,880

you know it's interesting what you say

1229

00:52:26,569 --> 00:52:23,400

because it kind of turns the Paradigm

1230

00:52:29,150 --> 00:52:26,579

upside down it's like how do we take

1231

00:52:32,150 --> 00:52:29,160

action you mentioned earlier on some of

1232

00:52:35,030 --> 00:52:32,160

the response that you've gotten from the

1233

00:52:36,109 --> 00:52:35,040

book again covid-19 and the global

1234

00:52:38,270 --> 00:52:36,119

predators

1235

00:52:43,069 --> 00:52:38,280

is the name of the book you can find it

1236

00:52:45,349 --> 00:52:43,079

at bragan b r e g g i n .com where you

1237

00:52:47,030 --> 00:52:45,359

can order it directly yeah it's a little

1238

00:52:49,430 --> 00:52:47,040

complicated you can get it directly in

1239

00:52:51,910 --> 00:52:49,440

the United States at a discount at we

1240

00:52:55,609 --> 00:52:51,920

are the prey.com didn't you set up a

1241

00:52:57,710 --> 00:52:55,619

special uh dedicated book site we are

1242

00:52:59,930 --> 00:52:57,720

theprae.com

1243

00:53:02,030 --> 00:52:59,940

um if you want the e-book you can get it

1244

00:53:04,069 --> 00:53:02,040

at Amazon and you can also get the book

1245

00:53:06,890 --> 00:53:04,079

at Amazon and all the other book dealers

1246

00:53:09,530 --> 00:53:06,900

around the world but in the US at least

1247

00:53:11,329 --> 00:53:09,540

just for the book itself not the e-book

1248

00:53:14,030 --> 00:53:11,339

you can get it at we are the prey.com

1249

00:53:17,329 --> 00:53:14,040

and we made the price of the ebook very

1250

00:53:20,809 --> 00:53:17,339

low so that at 299 so that people can

1251
00:53:22,569 --> 00:53:20,819
really buy it and and feel comfortable

1252
00:53:26,990 --> 00:53:22,579
just spending a few bucks together

1253
00:53:28,670 --> 00:53:27,000
that's fantastic so the the book is a

1254
00:53:31,309 --> 00:53:28,680
starting point

1255
00:53:34,250 --> 00:53:31,319
I think that all the stuff we've talked

1256
00:53:37,190 --> 00:53:34,260
about here can be a good lead into the

1257
00:53:39,349 --> 00:53:37,200
book because the book can be heavy if

1258
00:53:42,950 --> 00:53:39,359
you're not indoctrinated if you haven't

1259
00:53:44,630 --> 00:53:42,960
woken up as they say to this stuff I

1260
00:53:47,270 --> 00:53:44,640
mean you're talking to we're listening

1261
00:53:49,609 --> 00:53:47,280
to Dr Peter bragan who's fought these

1262
00:53:51,650 --> 00:53:49,619
battles who's had who's had the

1263
00:53:52,790 --> 00:53:51,660

pharmaceutical companies call them up

1264

00:53:56,990 --> 00:53:52,800

and threaten them in the middle of the

1265

00:53:59,510 --> 00:53:57,000

night with death that he found a a phony

1266

00:54:01,849 --> 00:53:59,520

FBI agent came by and the next thing you

1267

00:54:04,609 --> 00:54:01,859

know he finds a gas leak in his house I

1268

00:54:06,710 --> 00:54:04,619

mean this is real at a level that and if

1269

00:54:08,510 --> 00:54:06,720

you think any of that doesn't happen I

1270

00:54:11,750 --> 00:54:08,520

mean just go read other accounts by

1271

00:54:14,450 --> 00:54:11,760

other people these guys are in it to win

1272

00:54:18,109 --> 00:54:14,460

it in a way that we don't even want to

1273

00:54:20,630 --> 00:54:18,119

think about but if so you don't so you

1274

00:54:23,750 --> 00:54:20,640

don't get too hung up on that think

1275

00:54:28,250 --> 00:54:23,760

about what he's saying now about what if

1276

00:54:30,290 --> 00:54:28,260

this is an opportunity to understand why

1277

00:54:32,870 --> 00:54:30,300

you shouldn't not be apathetic to

1278

00:54:36,470 --> 00:54:32,880

understand how and why you could connect

1279

00:54:39,049 --> 00:54:36,480

what could happen on the horizon of your

1280

00:54:41,930 --> 00:54:39,059

life if if you get to the other end of

1281

00:54:44,930 --> 00:54:41,940

this what if this is what if the great

1282

00:54:47,390 --> 00:54:44,940

reset is could be turned into a positive

1283

00:54:50,210 --> 00:54:47,400

great reset a great reset of love and

1284

00:54:53,390 --> 00:54:50,220

connection of community and that's what

1285

00:54:55,190 --> 00:54:53,400

I hear you saying

1286

00:54:57,770 --> 00:54:55,200

well I love what you're saying and it's

1287

00:55:00,589 --> 00:54:57,780

an emphasis uh that I haven't had this

1288

00:55:03,109 --> 00:55:00,599

so so strongly on any of the shows I've

1289

00:55:06,289 --> 00:55:03,119

been doing so good very very good for

1290

00:55:08,390 --> 00:55:06,299

getting to the heart on it um it is

1291

00:55:10,970 --> 00:55:08,400

definitely what life is about to me life

1292

00:55:13,730 --> 00:55:10,980

is about bringing love into the world we

1293

00:55:16,609 --> 00:55:13,740

we all are Spiritual Beings and the

1294

00:55:19,609 --> 00:55:16,619

essence of that is we can love period

1295

00:55:20,990 --> 00:55:19,619

and everything else is BS and craziness

1296

00:55:24,049 --> 00:55:21,000

and

1297

00:55:26,510 --> 00:55:24,059

um even in therapy if you if you can

1298

00:55:29,930 --> 00:55:26,520

deal with the person who's a profoundly

1299

00:55:32,089 --> 00:55:29,940

Disturbed but they can experience that

1300

00:55:34,010 --> 00:55:32,099

you are a caring human being and they

1301

00:55:36,650 --> 00:55:34,020

get a sense that they could like you

1302

00:55:38,329 --> 00:55:36,660

they'll stop hallucinating for 20

1303

00:55:39,530 --> 00:55:38,339

minutes while they talk to you then

1304

00:55:41,510 --> 00:55:39,540

you've got a lot of work to do and

1305

00:55:44,329 --> 00:55:41,520

they'll fall back they've been hurt

1306

00:55:46,970 --> 00:55:44,339

but it's about shining love and that's

1307

00:55:48,770 --> 00:55:46,980

what the judeo-christian tradition is

1308

00:55:52,309 --> 00:55:48,780

about it's about

1309

00:55:55,130 --> 00:55:52,319

there's a loving God and um it's about

1310

00:55:56,510 --> 00:55:55,140

you know that's from my viewpoint that's

1311

00:55:58,609 --> 00:55:56,520

what it's about that do you want to

1312

00:56:02,210 --> 00:55:58,619

bring love into the world

1313

00:56:04,730 --> 00:56:02,220

and and and not uh not act that of anger

1314

00:56:07,190 --> 00:56:04,740

or anxiety or rage and anything you do

1315

00:56:11,030 --> 00:56:07,200

in your life um but act out of reason

1316

00:56:12,589 --> 00:56:11,040

and ethics and the feeling of love not

1317

00:56:15,470 --> 00:56:12,599

easy to do

1318

00:56:16,549 --> 00:56:15,480

but it gets easier because it works so

1319

00:56:19,190 --> 00:56:16,559

well

1320

00:56:20,270 --> 00:56:19,200

and it's just it works really really

1321

00:56:21,890 --> 00:56:20,280

well

1322

00:56:24,829 --> 00:56:21,900

you know the last point I want to

1323

00:56:28,010 --> 00:56:24,839

comment on because I really wanted to

1324

00:56:31,490 --> 00:56:28,020

commend you on this and that is your

1325

00:56:35,510 --> 00:56:31,500

treatment of the Trump thing because I

1326

00:56:39,349 --> 00:56:35,520

know you were a big supporter of I think

1327

00:56:42,710 --> 00:56:39,359

the the spirit of what a lot of us

1328

00:56:45,309 --> 00:56:42,720

thought Trump was about was about being

1329

00:56:47,990 --> 00:56:45,319

our personal best and as a country

1330

00:56:51,710 --> 00:56:48,000

becoming our best and and what that

1331

00:56:55,309 --> 00:56:51,720

reflects and what that Taps into but I

1332

00:56:59,150 --> 00:56:55,319

think your willingness to see that maybe

1333

00:57:01,430 --> 00:56:59,160

that was tainted in a way and you know

1334

00:57:03,109 --> 00:57:01,440

for you to acknowledge that like you do

1335

00:57:05,930 --> 00:57:03,119

in the preface and say hey now I'm

1336

00:57:09,109 --> 00:57:05,940

having trouble really squaring what I

1337

00:57:10,730 --> 00:57:09,119

thought with his actions and now I have

1338

00:57:13,010 --> 00:57:10,740

to pull back and I have to change course

1339

00:57:14,990 --> 00:57:13,020

because I think that's another part of

1340

00:57:18,049 --> 00:57:15,000

this process right part of the process

1341

00:57:20,690 --> 00:57:18,059

is there's going to be tricky moments

1342

00:57:22,490 --> 00:57:20,700

where we're going to have to go oh the

1343

00:57:24,950 --> 00:57:22,500

assumptions I made maybe they weren't

1344

00:57:26,630 --> 00:57:24,960

right but maybe I can still find my

1345

00:57:28,250 --> 00:57:26,640

direction hasn't been

1346

00:57:29,809 --> 00:57:28,260

totally thrown off course because that's

1347

00:57:31,670 --> 00:57:29,819

what I see you doing saying hey

1348

00:57:33,410 --> 00:57:31,680

everything I'm saying is still important

1349

00:57:35,210 --> 00:57:33,420

I just need to

1350

00:57:37,789 --> 00:57:35,220

readjust here based on this information

1351
00:57:41,270 --> 00:57:37,799
do you want to speak to that at all

1352
00:57:43,730 --> 00:57:41,280
yeah well unfortunately everybody that I

1353
00:57:46,130 --> 00:57:43,740
know who is fighting for America's

1354
00:57:48,289 --> 00:57:46,140
survival and our freedom and who believe

1355
00:57:50,750 --> 00:57:48,299
in loving ways of relating actually

1356
00:57:53,150 --> 00:57:50,760
supported Trump and probably would still

1357
00:57:55,609 --> 00:57:53,160
vote for him again but something

1358
00:57:58,190 --> 00:57:55,619
Dreadful happened along the way I mean

1359
00:58:01,130 --> 00:57:58,200
he got com it was either getting

1360
00:58:04,370 --> 00:58:01,140
completely taken in and overwhelmed by

1361
00:58:06,289 --> 00:58:04,380
the Deep State and convinced that that

1362
00:58:08,829 --> 00:58:06,299
actually this was wonderful stuff

1363
00:58:12,710 --> 00:58:08,839

operation warp speed

1364

00:58:15,410 --> 00:58:12,720

this was great and so on uh you know

1365

00:58:17,030 --> 00:58:15,420

give supporting moderna and Pfizer with

1366

00:58:18,609 --> 00:58:17,040

billions of dollars and letting them

1367

00:58:22,910 --> 00:58:18,619

push through

1368

00:58:25,370 --> 00:58:22,920

essentially uh GMO vaccines turning us

1369

00:58:28,670 --> 00:58:25,380

into GMO people let alone worrying about

1370

00:58:32,809 --> 00:58:28,680

eating GMO corn magazines literally are

1371

00:58:35,750 --> 00:58:32,819

making us into GMO organisms

1372

00:58:40,250 --> 00:58:35,760

um he either got completely overwhelmed

1373

00:58:42,829 --> 00:58:40,260

by that or maybe also he got he just got

1374

00:58:44,750 --> 00:58:42,839

the you know pragmatic in his own mind

1375

00:58:46,670 --> 00:58:44,760

and decided that if he was against the

1376
00:58:49,370 --> 00:58:46,680
vaccines that he couldn't get reelected

1377
00:58:52,250 --> 00:58:49,380
I don't know which it was

1378
00:58:54,530 --> 00:58:52,260
but uh one of the things that I make so

1379
00:58:58,190 --> 00:58:54,540
clear in the book is that

1380
00:59:00,770 --> 00:58:58,200
by supporting America and every country

1381
00:59:03,829 --> 00:59:00,780
to say you take care of yourselves first

1382
00:59:05,990 --> 00:59:03,839
by supporting individual freedom and by

1383
00:59:08,890 --> 00:59:06,000
aligning himself against the global

1384
00:59:13,010 --> 00:59:08,900
Predators he actually fought globalism

1385
00:59:15,589 --> 00:59:13,020
even as he was electioneering he fought

1386
00:59:17,630 --> 00:59:15,599
the Koch family supposedly the great

1387
00:59:18,770 --> 00:59:17,640
saviors of the Republicans who are

1388
00:59:20,270 --> 00:59:18,780

supposed to be freedom-loving

1389

00:59:22,970 --> 00:59:20,280

Libertarians or they're just another

1390

00:59:24,710 --> 00:59:22,980

another bunch of global predators and

1391

00:59:27,770 --> 00:59:24,720

Trump spotted that and said I don't care

1392

00:59:29,510 --> 00:59:27,780

if you don't give me any money uh in his

1393

00:59:31,609 --> 00:59:29,520

typical manner you may be good guys yeah

1394

00:59:32,930 --> 00:59:31,619

good guys I like you but I don't want

1395

00:59:35,109 --> 00:59:32,940

your money

1396

00:59:39,410 --> 00:59:35,119

um and he um

1397

00:59:41,089 --> 00:59:39,420

uh he really got on a terribly wrong

1398

00:59:43,970 --> 00:59:41,099

track

1399

00:59:46,609 --> 00:59:43,980

um he hasn't come he's he's now comment

1400

00:59:49,190 --> 00:59:46,619

modified it somewhat but not completely

1401

00:59:51,410 --> 00:59:49,200

I don't know if he's man enough to say I

1402

00:59:53,150 --> 00:59:51,420

got Bamboozled or I made a wrong choice

1403

00:59:54,829 --> 00:59:53,160

I thought I had to do this politically

1404

00:59:56,870 --> 00:59:54,839

God forgive me

1405

00:59:59,089 --> 00:59:56,880

so there's a lot of discussion about

1406

01:00:02,569 --> 00:59:59,099

what were his motives but the problem

1407

01:00:04,910 --> 01:00:02,579

always is you don't get to a uh

1408

01:00:08,809 --> 01:00:04,920

generally speaking to a position of

1409

01:00:11,990 --> 01:00:08,819

great leadership without somehow being

1410

01:00:13,490 --> 01:00:12,000

willing to make serious compromises

1411

01:00:15,890 --> 01:00:13,500

and

1412

01:00:19,250 --> 01:00:15,900

um that's a grave misfortune

1413

01:00:21,530 --> 01:00:19,260

I don't think that we've probably had an

1414

01:00:23,510 --> 01:00:21,540

untainted largely untainted leadership

1415

01:00:26,230 --> 01:00:23,520

since the first few presidency of the

1416

01:00:29,450 --> 01:00:26,240

United States I mean George Washington

1417

01:00:32,030 --> 01:00:29,460

yes he was not a perfect man he had

1418

01:00:34,490 --> 01:00:32,040

slaves also the only man who ever freed

1419

01:00:37,190 --> 01:00:34,500

all his slaves on his wife's death out

1420

01:00:39,170 --> 01:00:37,200

of all these slave holders but but

1421

01:00:42,650 --> 01:00:39,180

Washington really didn't want to take

1422

01:00:45,470 --> 01:00:42,660

over the nation that is so unusual

1423

01:00:49,030 --> 01:00:45,480

I mean if when the war was over he was

1424

01:00:52,130 --> 01:00:49,040

presented by his troops with a deep like

1425

01:00:55,430 --> 01:00:52,140

insistence that he become king that they

1426

01:00:57,109 --> 01:00:55,440

march on uh on the Khan on the

1427

01:00:58,430 --> 01:00:57,119

Continental Congress and tell him they

1428

01:01:00,589 --> 01:00:58,440

had to get paid and they had to be

1429

01:01:02,450 --> 01:01:00,599

better taken care of and Washington

1430

01:01:04,490 --> 01:01:02,460

found out they were having this meeting

1431

01:01:07,250 --> 01:01:04,500

actually in a church and he went there

1432

01:01:09,470 --> 01:01:07,260

and he put on his glasses which he never

1433

01:01:12,950 --> 01:01:09,480

did he really played to how sad and

1434

01:01:14,809 --> 01:01:12,960

tired he was and he said we fought for

1435

01:01:17,390 --> 01:01:14,819

freedom this is what I've done are these

1436

01:01:19,430 --> 01:01:17,400

years Valley Forge I hold this I've

1437

01:01:21,890 --> 01:01:19,440

given you and now you want to make me a

1438

01:01:24,470 --> 01:01:21,900

king and he didn't and they all felt

1439

01:01:26,030 --> 01:01:24,480

guilty and there was no takeover and it

1440

01:01:27,829 --> 01:01:26,040

is literally the first time in history

1441

01:01:29,450 --> 01:01:27,839

of the world which gives you an idea of

1442

01:01:32,569 --> 01:01:29,460

what happens to leaders this early

1443

01:01:35,270 --> 01:01:32,579

question where a man who had an army at

1444

01:01:37,010 --> 01:01:35,280

his back and could have taken over a

1445

01:01:38,390 --> 01:01:37,020

country and most of the people in the

1446

01:01:40,190 --> 01:01:38,400

country would have been absolutely

1447

01:01:43,370 --> 01:01:40,200

delighted probably including the

1448

01:01:46,970 --> 01:01:43,380

monarchists and he said no we're about

1449

01:01:49,190 --> 01:01:46,980

something new human Freedom under God

1450

01:01:52,730 --> 01:01:49,200

that's what he believed

1451

01:01:56,529 --> 01:01:52,740

and uh very few people like him and

1452

01:02:01,490 --> 01:01:58,609

you know what I think we keep coming

1453

01:02:03,710 --> 01:02:01,500

back to in this discussion this

1454

01:02:06,470 --> 01:02:03,720

wonderful wonderful sharing that you've

1455

01:02:09,770 --> 01:02:06,480

done for so many for all of us today is

1456

01:02:13,130 --> 01:02:09,780

the idea that that moral compass that is

1457

01:02:15,650 --> 01:02:13,140

inside us that is more than just this

1458

01:02:17,150 --> 01:02:15,660

sack of meat up there we're more than a

1459

01:02:19,670 --> 01:02:17,160

biological robot in a meaningless

1460

01:02:23,210 --> 01:02:19,680

Universe we know it we knew it from our

1461

01:02:25,789 --> 01:02:23,220

earliest baby thoughts but that that

1462

01:02:27,170 --> 01:02:25,799

moral compass is always there and we can

1463

01:02:29,450 --> 01:02:27,180

follow it that's what keeps coming

1464

01:02:31,609 --> 01:02:29,460

through in your work and even if you get

1465

01:02:33,770 --> 01:02:31,619

duped by a politician here or there

1466

01:02:35,809 --> 01:02:33,780

don't look to the politician look to the

1467

01:02:38,630 --> 01:02:35,819

ideals behind it because that's what we

1468

01:02:42,609 --> 01:02:38,640

love about America and it's okay to say

1469

01:02:50,210 --> 01:02:47,150

we love the ideals we love the life

1470

01:02:53,270 --> 01:02:50,220

liberty and pursuit of happiness that we

1471

01:02:56,569 --> 01:02:53,280

can always stand on and and that's why I

1472

01:02:58,910 --> 01:02:56,579

I am I'm very very please that you're

1473

01:03:00,109 --> 01:02:58,920

able to make that shift on and able to

1474

01:03:02,630 --> 01:03:00,119

say you know

1475

01:03:04,910 --> 01:03:02,640

hey I'm there like everyone else maybe I

1476

01:03:06,109 --> 01:03:04,920

went down the train a little bit too far

1477

01:03:08,870 --> 01:03:06,119

with this guy

1478

01:03:11,569 --> 01:03:08,880

screw that what I'm about is the ideals

1479

01:03:13,130 --> 01:03:11,579

of life liberty Pursuit of Happiness and

1480

01:03:16,370 --> 01:03:13,140

you just come back to that like your

1481

01:03:19,789 --> 01:03:16,380

rock as is what comes through in your

1482

01:03:22,010 --> 01:03:19,799

your most recent work so tell us what is

1483

01:03:24,130 --> 01:03:22,020

going on now what is it you you do a

1484

01:03:27,230 --> 01:03:24,140

podcast

1485

01:03:30,650 --> 01:03:27,240

we're doing a lot of things a lot of yes

1486

01:03:32,569 --> 01:03:30,660

well we I think we may be doing too many

1487

01:03:35,510 --> 01:03:32,579

things the way to keep track of what

1488

01:03:38,690 --> 01:03:35,520

we're doing is to go to bregan.com and

1489

01:03:40,670 --> 01:03:38,700

get our uh breaking alerts they

1490

01:03:42,470 --> 01:03:40,680

sometimes call frequent alerts so we're

1491

01:03:44,150 --> 01:03:42,480

changing it to regular alerts whichever

1492

01:03:47,450 --> 01:03:44,160

you see get the alerts and they're

1493

01:03:50,690 --> 01:03:47,460

they're free they go out to about 45

1494

01:03:55,190 --> 01:03:50,700

000 people and the opening rate for them

1495

01:03:58,130 --> 01:03:55,200

is um is like 50 which is unheard of

1496

01:04:01,190 --> 01:03:58,140

opening rates for online

1497

01:04:03,589 --> 01:04:01,200

um uh things like this are like eight

1498

01:04:05,390 --> 01:04:03,599

ten percent so people really like what

1499

01:04:07,549 --> 01:04:05,400

we're doing that's the best way to find

1500

01:04:10,190 --> 01:04:07,559

out about us

1501
01:04:11,930 --> 01:04:10,200
um in addition to our website America

1502
01:04:15,589 --> 01:04:11,940
out loud

1503
01:04:17,990 --> 01:04:15,599
we my wife and I do columns there

1504
01:04:20,210 --> 01:04:18,000
once a week we have a column on America

1505
01:04:22,370 --> 01:04:20,220
out loud it's a great place you'll see

1506
01:04:25,130 --> 01:04:22,380
Peter McCullough there use the greatest

1507
01:04:28,730 --> 01:04:25,140
scientist today of covid-19 Peter

1508
01:04:31,250 --> 01:04:28,740
McCullough is regularly there and

1509
01:04:33,230 --> 01:04:31,260
um we are doing on Thursday nights and

1510
01:04:35,390 --> 01:04:33,240
this is going to be the first time this

1511
01:04:40,210 --> 01:04:35,400
Thursday

1512
01:04:43,789 --> 01:04:40,220
um we will be on the air at five o'clock

1513
01:04:46,370 --> 01:04:43,799

Ginger and I together you want to hear

1514

01:04:48,950 --> 01:04:46,380

the first show in 40 years we've done

1515

01:04:52,430 --> 01:04:48,960

together tune in Thursday night at

1516

01:04:56,089 --> 01:04:52,440

America out loud or get the show later

1517

01:04:57,829 --> 01:04:56,099

on it skips archived and um we're a

1518

01:05:00,049 --> 01:04:57,839

little edgy we're a little not yet

1519

01:05:01,730 --> 01:05:00,059

working together and yet we are you'll

1520

01:05:03,470 --> 01:05:01,740

get a real good sense of she and I

1521

01:05:06,170 --> 01:05:03,480

trying to do something we've never done

1522

01:05:08,809 --> 01:05:06,180

before which is partner on the air she's

1523

01:05:10,430 --> 01:05:08,819

always pushed me on the air and refused

1524

01:05:13,789 --> 01:05:10,440

to go with me

1525

01:05:16,370 --> 01:05:13,799

um and then I have a regular TV show

1526

01:05:19,010 --> 01:05:16,380

which is you can get on Roku so it's

1527

01:05:20,589 --> 01:05:19,020

real TV and it's on yeah the station is

1528

01:05:24,430 --> 01:05:20,599

brightly on

1529

01:05:29,870 --> 01:05:24,440

b-r-i-g-h-t dot e not that Brighton

1530

01:05:32,390 --> 01:05:29,880

b-r-i-g-h-t bright eon eon dot TV

1531

01:05:35,450 --> 01:05:32,400

um and uh we were taken down off YouTube

1532

01:05:38,029 --> 01:05:35,460

45 minutes after I did my first video on

1533

01:05:41,750 --> 01:05:38,039

the book 45 minutes after I did my first

1534

01:05:46,910 --> 01:05:41,760

video for Life taken down and so we are

1535

01:05:49,970 --> 01:05:46,920

on brighton.com for our videos so and we

1536

01:05:52,430 --> 01:05:49,980

do I'm on other regular things the best

1537

01:05:55,910 --> 01:05:52,440

way to find me is is get the frequent

1538

01:05:59,329 --> 01:05:55,920

alerts and the TV show which I love on

1539

01:06:00,589 --> 01:05:59,339

um which is live it's actually live that

1540

01:06:04,190 --> 01:06:00,599

uh

1541

01:06:08,510 --> 01:06:04,200

um Wednesdays at 6 p.m Wednesdays at 6

1542

01:06:10,490 --> 01:06:08,520

p.m live on brighton.tv

1543

01:06:13,309 --> 01:06:10,500

terrific and we'll obviously have all

1544

01:06:15,349 --> 01:06:13,319

those links up there and I wasn't aware

1545

01:06:19,670 --> 01:06:15,359

that they've made this book available

1546

01:06:22,250 --> 01:06:19,680

for 2.99 on Amazon so there's absolutely

1547

01:06:25,069 --> 01:06:22,260

no barrier the the e-book no barrier

1548

01:06:28,309 --> 01:06:25,079

exactly there's no barrier to the basic

1549

01:06:30,589 --> 01:06:28,319

information and the basic information is

1550

01:06:32,569 --> 01:06:30,599

hard to swallow but it's life-changing

1551

01:06:36,109 --> 01:06:32,579

it's life-changing it opens up a new

1552

01:06:37,789 --> 01:06:36,119

door and you have to you have to go

1553

01:06:39,950 --> 01:06:37,799

there who wants to be

1554

01:06:42,410 --> 01:06:39,960

keeping their head in this sand no

1555

01:06:44,450 --> 01:06:42,420

matter what it is we can handle it you

1556

01:06:46,010 --> 01:06:44,460

could here's a guy who's fought for

1557

01:06:47,630 --> 01:06:46,020

years and years and he's handled it

1558

01:06:50,210 --> 01:06:47,640

that's what we're here to do is bring

1559

01:06:52,490 --> 01:06:50,220

the light like dot like our guest Dr

1560

01:06:55,250 --> 01:06:52,500

Peter Bringin has brought the light

1561

01:06:57,710 --> 01:06:55,260

today Dr Brigham thanks again so much

1562

01:06:59,569 --> 01:06:57,720

for joining me it's just it's just

1563

01:07:01,130 --> 01:06:59,579

awesome to be in your presence and to

1564

01:07:03,170 --> 01:07:01,140

hear you so thank you

1565

01:07:05,089 --> 01:07:03,180

well this has been a gift to me actually

1566

01:07:07,010 --> 01:07:05,099

it's the first time somebody kept

1567

01:07:08,630 --> 01:07:07,020

bringing me back down to the basic

1568

01:07:10,789 --> 01:07:08,640

Basics it's interesting I've given

1569

01:07:13,549 --> 01:07:10,799

hundreds of interviews yours is the one

1570

01:07:16,670 --> 01:07:13,559

that that actually kept coming back to

1571

01:07:18,529 --> 01:07:16,680

the basics that we live by

1572

01:07:19,670 --> 01:07:18,539

um and I thought you're a little bit on

1573

01:07:22,609 --> 01:07:19,680

it because I always want to tell people

1574

01:07:24,529 --> 01:07:22,619

about the global Predators you did a

1575

01:07:27,170 --> 01:07:24,539

great job thank you you gave me a gift

1576

01:07:29,870 --> 01:07:27,180

today thank you

1577

01:07:32,150 --> 01:07:29,880

thanks again to Peter bregen for joining

1578

01:07:34,250 --> 01:07:32,160

me today on skeptico the one question I

1579

01:07:36,410 --> 01:07:34,260

T up from this interview it's kind of a

1580

01:07:39,170 --> 01:07:36,420

repeat question but it it always looks

1581

01:07:40,910 --> 01:07:39,180

different when you talk to somebody new

1582

01:07:43,789 --> 01:07:40,920

when you talk to somebody who's really

1583

01:07:46,130 --> 01:07:43,799

so talent and has such an amazing

1584

01:07:47,750 --> 01:07:46,140

background as this guy but it's the

1585

01:07:51,890 --> 01:07:47,760

question of evil

1586

01:07:55,130 --> 01:07:51,900

and it's with this ability for some

1587

01:08:00,589 --> 01:07:55,140

people to not to connect to not see

1588

01:08:04,970 --> 01:08:00,599

other people as Spiritual Beings is that

1589

01:08:07,490 --> 01:08:04,980

ever ever under any circumstances

1590

01:08:10,490 --> 01:08:07,500

something more than biology something

1591

01:08:13,609 --> 01:08:10,500

more than nature or nurture

1592

01:08:16,669 --> 01:08:13,619

is it ever possible that that could be

1593

01:08:17,749 --> 01:08:16,679

influenced by what I call this extended

1594

01:08:20,390 --> 01:08:17,759

Realm

1595

01:08:22,550 --> 01:08:20,400

you know a couple interviews ago we did

1596

01:08:24,110 --> 01:08:22,560

the interview with Dean Rayden and I was

1597

01:08:25,070 --> 01:08:24,120

pretty hard on him in a couple respects

1598

01:08:27,490 --> 01:08:25,080

but

1599

01:08:31,010 --> 01:08:27,500

you know don't forget that

1600

01:08:34,550 --> 01:08:31,020

parapsychology and these Psy experiments

1601
01:08:35,930 --> 01:08:34,560
do show that there is more right so even

1602
01:08:38,329 --> 01:08:35,940
if you take like the simple

1603
01:08:40,370 --> 01:08:38,339
pre-sentiment experiment you know one

1604
01:08:42,890 --> 01:08:40,380
the one where they show the image on the

1605
01:08:45,349 --> 01:08:42,900
screen and before the image is even

1606
01:08:49,430 --> 01:08:45,359
selected by the computer your body

1607
01:08:50,890 --> 01:08:49,440
reacts well that says there's more that

1608
01:08:54,590 --> 01:08:50,900
says the clock

1609
01:08:57,110 --> 01:08:54,600
isn't in play like we think it is in

1610
01:09:01,309 --> 01:08:57,120
materialistic epiphenomena mind equals

1611
01:09:03,709 --> 01:09:01,319
brain stuff it really falsifies that but

1612
01:09:05,749 --> 01:09:03,719
people aren't willing to make and you

1613
01:09:08,570 --> 01:09:05,759

don't have to but you know people aren't

1614

01:09:10,070 --> 01:09:08,580

willing to make that theoretical leap to

1615

01:09:12,970 --> 01:09:10,080

saying

1616

01:09:16,490 --> 01:09:12,980

is that does that open the door for

1617

01:09:19,249 --> 01:09:16,500

maybe evil being more maybe good being

1618

01:09:21,289 --> 01:09:19,259

more maybe light being more I think it's

1619

01:09:24,470 --> 01:09:21,299

rather obvious I think it's rather

1620

01:09:28,550 --> 01:09:24,480

self-evident but obviously not everybody

1621

01:09:31,130 --> 01:09:28,560

sees it that way what's your opinion let

1622

01:09:33,769 --> 01:09:31,140

me know and I do have a lot more coming

1623

01:09:36,950 --> 01:09:33,779

up on skeptico so stay with me for all

1624

01:09:39,620 --> 01:09:36,960

of that until next time take care and
