NDES AND PSYCHOKINESIS

#548-CHERYLEE-BLACK

1
00:00:05,990 --> 00:00:03,110
on this episode of skeptico

2
00:00:07,749 --> 00:00:06,000
a show about psychokinesis

3
00:00:10,230 --> 00:00:07,759
and science

4
00:00:11,910 --> 00:00:10,240
and a show about love

5
00:00:14,390 --> 00:00:11,920
i have an interview coming up in a

6
00:00:16,150 --> 00:00:14,400
minute with cherylie black you may

7
00:00:19,429 --> 00:00:16,160
remember that i mentioned her name

8
00:00:21,990 --> 00:00:19,439
during my recent interview with dr dean

9
00:00:23,509 --> 00:00:22,000
rayden we were talking about the

10
00:00:25,830 --> 00:00:23,519
connection between

11
00:00:27,509 --> 00:00:25,840
near-death experiences and psychic

12
00:00:29,589 --> 00:00:27,519
abilities and whether there was such a

13
00:00:32,069 --> 00:00:29,599

connection and we were squabbling over

14

00:00:34,709 --> 00:00:32,079

the question of whether there really is

15

00:00:36,950 --> 00:00:34,719

right and wrong and i brought up cheryl

16

00:00:40,310 --> 00:00:36,960

lee because well she's a pretty

17

00:00:41,990 --> 00:00:40,320

extraordinary person in a number of ways

18

00:00:42,950 --> 00:00:42,000

first from this

19

00:00:44,470 --> 00:00:42,960

kind of

20

00:00:46,630 --> 00:00:44,480

supernatural

21

00:00:49,110 --> 00:00:46,640

stranger things kind of way

22

00:00:52,069 --> 00:00:49,120

she can move things with her mind and

23

00:00:54,069 --> 00:00:52,079

she's one of probably only a handful of

24

00:00:55,830 --> 00:00:54,079

people in the world who've ever been

25

00:00:58,150 --> 00:00:55,840

tested in a laboratory to see whether

26

00:00:59,990 --> 00:00:58,160

this stuff is real and it's real she can

27

00:01:01,510 --> 00:01:00,000

really do it

28

00:01:05,109 --> 00:01:01,520

and the other thing that's extraordinary

29

00:01:07,350 --> 00:01:05,119

about cheerilee is she's a survivor of

30

00:01:09,429 --> 00:01:07,360

multiple near-death experiences

31

00:01:13,670 --> 00:01:09,439

and we're going to talk about how all

32

00:01:15,190 --> 00:01:13,680

that might relate to the bigger picture

33

00:01:16,789 --> 00:01:15,200

so let me start with a clip from

34

00:01:19,910 --> 00:01:16,799

stranger things

35

00:01:23,590 --> 00:01:19,920

remember the netflix series the kids and

36

00:01:25,670 --> 00:01:23,600

the little girl who was mk ultraed by

37

00:01:28,070 --> 00:01:25,680

these evil intelligence agencies in

38

00:01:29,830 --> 00:01:28,080

order to develop her psychic powers

39

00:01:32,230 --> 00:01:29,840

here's a couple of really short clips of

40

00:01:36,550 --> 00:01:32,240

her doing kind of this psychic stuff

41

00:01:48,630 --> 00:01:38,230

well

42

00:01:54,469 --> 00:01:52,149

okay so that's netflix that's hollywood

43

00:01:57,350 --> 00:01:54,479

and here's the real deal here's shirley

44

00:01:59,990 --> 00:01:57,360

black from the upcoming interview

45

00:02:01,030 --> 00:02:00,000

because your feelings if they got real

46

00:02:02,789 --> 00:02:01,040

intense

47

00:02:04,630 --> 00:02:02,799

could cause

48

00:02:06,870 --> 00:02:04,640

stranger things kind of stuff lights

49

00:02:08,469 --> 00:02:06,880

going on and off you know people feeling

50

00:02:09,910 --> 00:02:08,479

it that kind of stuff right that's what

51

00:02:11,910 --> 00:02:09,920

you're experiencing

52

00:02:14,229 --> 00:02:11,920

yeah that you know that you could scare

53

00:02:15,910 --> 00:02:14,239

people with it i mean even just spinning

54

00:02:17,270 --> 00:02:15,920

the wheel into the pinwheel i've had

55

00:02:19,110 --> 00:02:17,280

lots of people

56

00:02:21,510 --> 00:02:19,120

in my family who've seen it and said oh

57

00:02:23,830 --> 00:02:21,520

that's really creepy and they you know

58

00:02:25,270 --> 00:02:23,840

like they don't say oh that's really

59

00:02:27,350 --> 00:02:25,280

interesting and cool they look at it and

60

00:02:29,670 --> 00:02:27,360

go that's really creepy stop it

61

00:02:32,790 --> 00:02:29,680

tell the story about when you were a kid

62

00:02:36,550 --> 00:02:32,800

in school i hate that story and because

63

00:02:38,869 --> 00:02:36,560

that was just an event that kind of had

64

00:02:41,589 --> 00:02:38,879

me labeled as a monster for years in

65

00:02:43,030 --> 00:02:41,599

school and really opened me up to so

66

00:02:44,949 --> 00:02:43,040

much abuse

67

00:02:46,470 --> 00:02:44,959

from teachers

68

00:02:48,869 --> 00:02:46,480

and so there was a day when i was

69

00:02:51,270 --> 00:02:48,879

sitting there drawing in my sketchbook

70

00:02:52,790 --> 00:02:51,280

trying not to be overwhelmed

71

00:02:55,509 --> 00:02:52,800

and

72

00:02:58,309 --> 00:02:55,519

the teacher basically hit me in the face

73

00:03:00,630 --> 00:02:58,319

and threw my sketchbook across the room

74

00:03:02,790 --> 00:03:00,640

i guess i guess nobody had told this

75

00:03:05,110 --> 00:03:02,800

particular teacher that this was

76

00:03:07,430 --> 00:03:05,120

allowable behavior

77

00:03:11,030 --> 00:03:07,440

and i was just

78

00:03:12,949 --> 00:03:11,040

so shocked and the sketchbook basically

79

00:03:14,710 --> 00:03:12,959

picked itself up and

80

00:03:16,790 --> 00:03:14,720

launched itself at the teacher and hit

81

00:03:18,630 --> 00:03:16,800

her in the back

82

00:03:20,869 --> 00:03:18,640

and here's another clip where she's

83

00:03:22,309 --> 00:03:20,879

telling a story about being in these

84

00:03:24,229 --> 00:03:22,319

laboratories

85

00:03:26,550 --> 00:03:24,239

where they're testing her ability to do

86

00:03:29,030 --> 00:03:26,560

pk

87

00:03:31,190 --> 00:03:29,040

yeah that was actually not uva that was

88

00:03:33,589 --> 00:03:31,200

people from the rhine research center it

89

00:03:35,030 --> 00:03:33,599

was uh jim carpenter who wrote the book

90

00:03:37,990 --> 00:03:35,040

first sight

91

00:03:39,670 --> 00:03:38,000

um he had basically

92

00:03:41,430 --> 00:03:39,680

kind of organized this thing where we

93

00:03:43,350 --> 00:03:41,440

all went to this really good mexican

94

00:03:45,110 --> 00:03:43,360

restaurant and

95

00:03:46,550 --> 00:03:45,120

you know he just wanted to show people

96

00:03:50,149 --> 00:03:46,560

this effect because he thought it was

97

00:03:54,390 --> 00:03:51,990

yeah we had the pinwheel in the jar on

98

00:03:56,309 --> 00:03:54,400

the table in the restaurant and i got it

99

00:03:57,830 --> 00:03:56,319

to spin and then we were passing it

100

00:04:00,390 --> 00:03:57,840

around and everyone was getting it to

101
00:04:01,910 --> 00:04:00,400
spin inside the jar and you know people

102
00:04:03,910 --> 00:04:01,920
were coming over and looking at what was

103
00:04:06,869 --> 00:04:03,920
going on at the table like it was you

104
00:04:09,750 --> 00:04:06,879
know and it was kind of this

105
00:04:12,949 --> 00:04:09,760
fun thing that everybody was doing

106
00:04:15,910 --> 00:04:12,959
okay that's that but as i mentioned

107
00:04:17,830 --> 00:04:15,920
this is really a show about

108
00:04:20,469 --> 00:04:17,840
bigger bigger bigger stuff the stuff

109
00:04:23,670 --> 00:04:20,479
that really matters because this whole

110
00:04:26,390 --> 00:04:23,680
psychokinesis stranger thing superpowers

111
00:04:28,390 --> 00:04:26,400
once you get past the fireworks

112
00:04:30,710 --> 00:04:28,400
forces us to look at some really really

113
00:04:33,990 --> 00:04:30,720

important questions about who we are

114

00:04:36,790 --> 00:04:34,000

about what really matters and it kind of

115

00:04:39,030 --> 00:04:36,800

knocks the nerd bird soulless

116

00:04:42,070 --> 00:04:39,040

transhumanist scientist

117

00:04:42,870 --> 00:04:42,080

on there but if you really think about

118

00:04:44,629 --> 00:04:42,880

it

119

00:04:45,909 --> 00:04:44,639

here's a final clip from the upcoming

120

00:04:47,830 --> 00:04:45,919

interview

121

00:04:50,230 --> 00:04:47,840

and you're approaching it from uh let's

122

00:04:52,310 --> 00:04:50,240

connect the dots and look for evidence

123

00:04:54,870 --> 00:04:52,320

which and i mean there's a scientist

124

00:04:56,629 --> 00:04:54,880

part of me that's like yeah but and and

125

00:04:59,990 --> 00:04:56,639

you're right if the pinwheel spins in

126

00:05:01,350 --> 00:05:00,000

the jar then there's something more

127

00:05:02,469 --> 00:05:01,360

to us

128

00:05:05,430 --> 00:05:02,479

that's it

129

00:05:08,070 --> 00:05:05,440

and if there's something more to us

130

00:05:09,430 --> 00:05:08,080

then i would suggest that the burden of

131

00:05:11,909 --> 00:05:09,440

proof

132

00:05:14,550 --> 00:05:11,919

is on those who were always fooled into

133

00:05:17,350 --> 00:05:14,560

thinking that there wasn't more to us

134

00:05:19,189 --> 00:05:17,360

to put forth the best evidence

135

00:05:21,909 --> 00:05:19,199

that some of that more

136

00:05:26,710 --> 00:05:24,469

stick around my interview with sheryl

137

00:05:29,749 --> 00:05:26,720

lee black is coming up next

138

00:05:31,430 --> 00:05:29,759

on skeptico

139

00:05:33,749 --> 00:05:31,440

welcome to skeptico where we explore

140

00:05:35,909 --> 00:05:33,759

controversial science and spirituality

141

00:05:38,070 --> 00:05:35,919

with leading researchers thinkers and

142

00:05:41,510 --> 00:05:38,080

their critics i'm your host alex akaris

143

00:05:43,110 --> 00:05:41,520

and today we welcome cheryly black back

144

00:05:44,230 --> 00:05:43,120

to skeptico

145

00:05:47,430 --> 00:05:44,240

cheryly

146

00:05:50,469 --> 00:05:47,440

welcome thank you so much for being here

147

00:05:51,990 --> 00:05:50,479

hi alex thanks for inviting me back

148

00:05:54,390 --> 00:05:52,000

so you thought i was going to do some

149

00:05:56,070 --> 00:05:54,400

long intro and then i tricked you by

150

00:05:57,749 --> 00:05:56,080

just immediately saying hi but i am

151

00:06:00,309 --> 00:05:57,759

going to do a little bit of an intro

152

00:06:01,029 --> 00:06:00,319

because you joined me back for people

153

00:06:03,830 --> 00:06:01,039

who

154

00:06:07,270 --> 00:06:03,840

remember or want to go back and listen

155

00:06:10,070 --> 00:06:07,280

on episode 470 of skeptico

156

00:06:12,309 --> 00:06:10,080

to talk about your experience with

157

00:06:13,430 --> 00:06:12,319

psychokinesis primarily that's what we

158

00:06:16,469 --> 00:06:13,440

talked about

159

00:06:19,510 --> 00:06:16,479

is your experience in the laboratory so

160

00:06:21,189 --> 00:06:19,520

psychokinesis just so we remember is

161

00:06:23,350 --> 00:06:21,199

we talked about it kind of in the

162

00:06:25,990 --> 00:06:23,360

stranger things thing or the men who

163

00:06:28,469 --> 00:06:26,000

stare at goats movie kind of thing

164

00:06:30,790 --> 00:06:28,479

people who can do things with their mind

165

00:06:33,110 --> 00:06:30,800

so in your case

166

00:06:36,550 --> 00:06:33,120

the reason that these

167

00:06:37,830 --> 00:06:36,560

major laboratories where scientists real

168

00:06:39,670 --> 00:06:37,840

scientists

169

00:06:43,029 --> 00:06:39,680

like at the university of virginia or at

170

00:06:45,990 --> 00:06:43,039

ryan or laurentian and canada or other

171

00:06:48,710 --> 00:06:46,000

places they wanted to invite you in

172

00:06:50,790 --> 00:06:48,720

because you could really do this stuff

173

00:06:52,790 --> 00:06:50,800

and like one of the experiments that

174

00:06:54,710 --> 00:06:52,800

you've demonstrated in these

175

00:06:57,589 --> 00:06:54,720

laboratories and other way other places

176

00:07:00,550 --> 00:06:57,599

where you've posted videos

177

00:07:03,589 --> 00:07:00,560

there's like this sealed jar

178

00:07:06,390 --> 00:07:03,599

and there's a little s pinwheel in it

179

00:07:07,350 --> 00:07:06,400

and you can like the girl on stranger

180

00:07:11,110 --> 00:07:07,360

things

181

00:07:14,710 --> 00:07:11,120

you can do something with just your mind

182

00:07:16,469 --> 00:07:14,720

and you can make the pinwheel spin

183

00:07:17,589 --> 00:07:16,479

and that

184

00:07:19,110 --> 00:07:17,599

changes

185

00:07:22,629 --> 00:07:19,120

everything

186

00:07:24,710 --> 00:07:22,639

we know about science in some real real

187

00:07:26,550 --> 00:07:24,720

fundamental ways and we're going to talk

188

00:07:28,790 --> 00:07:26,560

a little bit about that talk a lot about

189

00:07:31,029 --> 00:07:28,800

that because

190

00:07:33,270 --> 00:07:31,039

that point that i just made there is

191

00:07:36,950 --> 00:07:33,280

really not argued

192

00:07:39,589 --> 00:07:36,960

it just isn't fully processed and then

193

00:07:42,309 --> 00:07:39,599

the polit politics around science around

194

00:07:45,189 --> 00:07:42,319

that aren't really processed and you've

195

00:07:46,150 --> 00:07:45,199

been on the front line of that

196

00:07:48,869 --> 00:07:46,160

for

197

00:07:50,629 --> 00:07:48,879

a number of years you're still a phd

198

00:07:52,869 --> 00:07:50,639

candidate in good standing even though

199

00:07:54,150 --> 00:07:52,879

you're getting your phd in geology you

200

00:07:57,110 --> 00:07:54,160

were

201
00:07:59,430 --> 00:07:57,120
very involved with the scientific part

202
00:08:02,790 --> 00:07:59,440
of understanding this

203
00:08:05,270 --> 00:08:02,800
psychokinesis thing this parapsychology

204
00:08:06,950 --> 00:08:05,280
thing and what goes on

205
00:08:08,469 --> 00:08:06,960
in these labs

206
00:08:10,150 --> 00:08:08,479
ma'am is everything i've just said

207
00:08:12,550 --> 00:08:10,160
accurate and correct is there anything

208
00:08:14,629 --> 00:08:12,560
you want to change

209
00:08:16,790 --> 00:08:14,639
no as far as i know i'm still a phd

210
00:08:18,710 --> 00:08:16,800
candidate in good standing

211
00:08:23,029 --> 00:08:18,720
but that may change after this comes out

212
00:08:28,150 --> 00:08:25,189
okay point number two

213
00:08:29,909 --> 00:08:28,160

that you should know about shira lee

214

00:08:31,909 --> 00:08:29,919

and this is all part of my long

215

00:08:34,709 --> 00:08:31,919

introduction

216

00:08:36,469 --> 00:08:34,719

is that she's had near-death experience

217

00:08:37,829 --> 00:08:36,479

and i said that a funny way because i

218

00:08:39,350 --> 00:08:37,839

was didn't know

219

00:08:40,870 --> 00:08:39,360

how to say it because when you say

220

00:08:42,149 --> 00:08:40,880

somebody has

221

00:08:44,870 --> 00:08:42,159

had

222

00:08:46,790 --> 00:08:44,880

three near-death experiences

223

00:08:47,590 --> 00:08:46,800

i know from experience that people freak

224

00:08:51,190 --> 00:08:47,600

out

225

00:08:52,870 --> 00:08:51,200

they kind of for some reason they don't

226

00:08:54,790 --> 00:08:52,880

believe it you know like if somebody

227

00:08:56,949 --> 00:08:54,800

says i've had a near-death experience or

228

00:08:59,350 --> 00:08:56,959

somebody oh yeah i've heard about that i

229

00:09:01,030 --> 00:08:59,360

saw a video i read a book yeah somebody

230

00:09:03,350 --> 00:09:01,040

says i've had three near-death

231

00:09:06,389 --> 00:09:03,360

experiences oh come on man you're making

232

00:09:07,829 --> 00:09:06,399

that up that ain't real you know well in

233

00:09:10,710 --> 00:09:07,839

your case

234

00:09:13,590 --> 00:09:10,720

it is real and if people want they can

235

00:09:16,230 --> 00:09:13,600

go to ian's the international

236

00:09:18,389 --> 00:09:16,240

association of near-death experiencers i

237

00:09:20,470 --> 00:09:18,399

think or whatever your death studies uh

238

00:09:22,710 --> 00:09:20,480

near-death studies i'm sorry good

239

00:09:24,949 --> 00:09:22,720

yeah where you did a really terrific

240

00:09:27,110 --> 00:09:24,959

presentation it's up on youtube like a

241

00:09:29,110 --> 00:09:27,120

hundred thousand views and what i loved

242

00:09:30,790 --> 00:09:29,120

about that presentation

243

00:09:33,190 --> 00:09:30,800

let me pause for a second i'll bring

244

00:09:35,030 --> 00:09:33,200

that up just so people can see it

245

00:09:37,350 --> 00:09:35,040

you're laughing because i've just pulled

246

00:09:38,389 --> 00:09:37,360

up on the screen if people want to share

247

00:09:40,550 --> 00:09:38,399

it

248

00:09:43,509 --> 00:09:40,560

the presentation that you gave at ian's

249

00:09:45,590 --> 00:09:43,519

terrific you're really a very effective

250

00:09:47,030 --> 00:09:45,600

speaker you're very articulate you're

251
00:09:49,590 --> 00:09:47,040
just smart

252
00:09:50,630 --> 00:09:49,600
but you include it in here i guess in a

253
00:09:52,949 --> 00:09:50,640
very

254
00:09:55,910 --> 00:09:52,959
nice non-threatening canadian

255
00:09:58,470 --> 00:09:55,920
kind of way uh proof that what you're

256
00:10:00,150 --> 00:09:58,480
saying is true and proof

257
00:10:02,230 --> 00:10:00,160
about some of the

258
00:10:04,470 --> 00:10:02,240
larger aspects of your near-death

259
00:10:06,710 --> 00:10:04,480
experiences that they

260
00:10:08,630 --> 00:10:06,720
really kind of fit this pattern in your

261
00:10:10,949 --> 00:10:08,640
life of kind of extraordinary

262
00:10:12,949 --> 00:10:10,959
experiences and i'm highlighting that by

263
00:10:14,949 --> 00:10:12,959

bringing up this little image where

264

00:10:17,430 --> 00:10:14,959

you're showing like your second or third

265

00:10:20,550 --> 00:10:17,440

grade report card where the teacher has

266

00:10:22,550 --> 00:10:20,560

written cherylie seems to be in another

267

00:10:23,670 --> 00:10:22,560

world at times

268

00:10:26,870 --> 00:10:23,680

so

269

00:10:29,670 --> 00:10:26,880

the connection that i am making because

270

00:10:32,630 --> 00:10:29,680

you have made it in this presentation

271

00:10:35,910 --> 00:10:32,640

and in your fantastic book which i'm

272

00:10:37,750 --> 00:10:35,920

gonna make sure one way or another

273

00:10:41,350 --> 00:10:37,760

that thing gets published because it's a

274

00:10:42,550 --> 00:10:41,360

very very important book in my opinion

275

00:10:45,350 --> 00:10:42,560

but

276

00:10:47,350 --> 00:10:45,360

you document this stuff this stuff

277

00:10:49,910 --> 00:10:47,360

really happened the stuff the

278

00:10:52,310 --> 00:10:49,920

psychokinesis stuff really happened in

279

00:10:54,150 --> 00:10:52,320

the laboratory scientists have reported

280

00:10:56,470 --> 00:10:54,160

on it scientists have said yes this is

281

00:10:58,150 --> 00:10:56,480

the woman we've had in

282

00:10:59,990 --> 00:10:58,160

this is the peer-reviewed work we did

283

00:11:02,310 --> 00:11:00,000

here we published it in the case of

284

00:11:03,829 --> 00:11:02,320

near-death experience it's the same way

285

00:11:06,550 --> 00:11:03,839

you really did

286

00:11:08,710 --> 00:11:06,560

come very very close to dying in your

287

00:11:12,550 --> 00:11:08,720

third near-death experience in a

288

00:11:14,790 --> 00:11:12,560

horrific horrific car accident that they

289

00:11:16,949 --> 00:11:14,800

left you know your husband

290

00:11:18,630 --> 00:11:16,959

at the time to say come identify the

291

00:11:21,190 --> 00:11:18,640

body thing there was no way they thought

292

00:11:22,230 --> 00:11:21,200

you were going to live through it so

293

00:11:24,870 --> 00:11:22,240

that

294

00:11:27,990 --> 00:11:24,880

those near-death experiences

295

00:11:29,430 --> 00:11:28,000

are also connected

296

00:11:31,430 --> 00:11:29,440

in a way

297

00:11:32,949 --> 00:11:31,440

with the psychokinesis

298

00:11:35,110 --> 00:11:32,959

and that's another thing we're going to

299

00:11:36,310 --> 00:11:35,120

want to talk about because

300

00:11:40,389 --> 00:11:36,320

that's

301
00:11:42,230 --> 00:11:40,399
point number two of this whole journey

302
00:11:43,430 --> 00:11:42,240
miss black

303
00:11:45,990 --> 00:11:43,440
is everything i said accurate and

304
00:11:46,640 --> 00:11:46,000
correct so far number two

305
00:11:48,470 --> 00:11:46,650
yeah

306
00:11:50,710 --> 00:11:48,480
[Laughter]

307
00:11:55,030 --> 00:11:50,720
so you really did have three near-death

308
00:11:59,509 --> 00:11:57,350
so here's the here's the clincher of

309
00:12:01,750 --> 00:11:59,519
this long introduction

310
00:12:03,670 --> 00:12:01,760
so i just published an interview with dr

311
00:12:06,710 --> 00:12:03,680
dean raiden

312
00:12:09,430 --> 00:12:06,720
cheryl lee has been a longtime

313
00:12:11,750 --> 00:12:09,440

friend of mine through the show

314

00:12:14,389 --> 00:12:11,760

and not in a kind of

315

00:12:15,990 --> 00:12:14,399

waving her arms out there i'm so great

316

00:12:17,750 --> 00:12:16,000

i've done all these things kind of thing

317

00:12:19,190 --> 00:12:17,760

actually just the opposite i didn't know

318

00:12:21,750 --> 00:12:19,200

really anything about her background i

319

00:12:24,389 --> 00:12:21,760

was like okay or somebody in the forum

320

00:12:26,949 --> 00:12:24,399

seems to know this stuff well over the

321

00:12:29,829 --> 00:12:26,959

years as i've come to know shirley

322

00:12:32,550 --> 00:12:29,839

i'm more and more and more amazed at

323

00:12:36,069 --> 00:12:32,560

what her background is and what she's

324

00:12:39,910 --> 00:12:36,079

knows at a very very personal level and

325

00:12:41,269 --> 00:12:39,920

has experienced so i've come to rely on

326

00:12:43,590 --> 00:12:41,279

her more and more

327

00:12:45,430 --> 00:12:43,600

in terms of just writing her emails and

328

00:12:46,710 --> 00:12:45,440

bouncing what do you know about this guy

329

00:12:48,629 --> 00:12:46,720

what do you know about this thing over

330

00:12:49,670 --> 00:12:48,639

there what do you think's really going

331

00:12:52,069 --> 00:12:49,680

on here

332

00:12:53,030 --> 00:12:52,079

and she's been very generous and very

333

00:12:55,509 --> 00:12:53,040

open

334

00:12:56,470 --> 00:12:55,519

about talking about that

335

00:12:57,670 --> 00:12:56,480

so

336

00:12:59,350 --> 00:12:57,680

now i'm going to give her a chance to

337

00:13:01,110 --> 00:12:59,360

talk because

338

00:13:02,470 --> 00:13:01,120

what's happened with the thing with dean

339

00:13:06,310 --> 00:13:02,480

rayden is

340

00:13:07,670 --> 00:13:06,320

it affected me i think a level that much

341

00:13:09,030 --> 00:13:07,680

more than it probably affects other

342

00:13:11,030 --> 00:13:09,040

people

343

00:13:12,870 --> 00:13:11,040

because

344

00:13:14,389 --> 00:13:12,880

there's something

345

00:13:16,389 --> 00:13:14,399

fundamentally

346

00:13:19,110 --> 00:13:16,399

important about

347

00:13:21,910 --> 00:13:19,120

how we are to understand

348

00:13:23,269 --> 00:13:21,920

all this stuff that we're talking about

349

00:13:29,350 --> 00:13:23,279

consciousness

350

00:13:31,430 --> 00:13:29,360

morality who are we why are we here how

351

00:13:33,910 --> 00:13:31,440

are we supposed to live our lives is

352

00:13:37,030 --> 00:13:33,920

there good is there bad is there right

353

00:13:38,870 --> 00:13:37,040

is there wrong is there something more

354

00:13:40,550 --> 00:13:38,880

is there light

355

00:13:42,150 --> 00:13:40,560

is there love

356

00:13:44,629 --> 00:13:42,160

when i set up this interview and i said

357

00:13:46,790 --> 00:13:44,639

the things i want to talk about

358

00:13:48,389 --> 00:13:46,800

you really set the tone again when you

359

00:13:49,750 --> 00:13:48,399

came back to me and said

360

00:13:51,590 --> 00:13:49,760

what i really want to talk about is i

361

00:13:52,790 --> 00:13:51,600

want to talk about love

362

00:13:54,870 --> 00:13:52,800

and

363

00:13:56,949 --> 00:13:54,880

that's what i want to talk about

364

00:13:57,910 --> 00:13:56,959

because

365

00:14:01,829 --> 00:13:57,920

my

366

00:14:03,430 --> 00:14:01,839

the interview that i did with dean

367

00:14:05,750 --> 00:14:03,440

raiden is

368

00:14:07,590 --> 00:14:05,760

you can't talk about love

369

00:14:09,670 --> 00:14:07,600

unless you talk about

370

00:14:10,629 --> 00:14:09,680

the moral imperative unless you talk

371

00:14:12,150 --> 00:14:10,639

about

372

00:14:13,030 --> 00:14:12,160

there is

373

00:14:16,550 --> 00:14:13,040

light

374

00:14:18,389 --> 00:14:16,560

there is love there is good there is bad

375

00:14:19,670 --> 00:14:18,399

so

376

00:14:23,350 --> 00:14:19,680

i've kind of laid out the whole

377

00:14:25,269 --> 00:14:23,360

interview now we just have to do it so

378

00:14:28,389 --> 00:14:25,279

now i can really say

379

00:14:30,470 --> 00:14:28,399

welcome back uh thanks for joining me

380

00:14:32,230 --> 00:14:30,480

and now we can kind of

381

00:14:34,790 --> 00:14:32,240

jump into the the real heart of this

382

00:14:34,800 --> 00:14:38,710

so now what do i say

383

00:14:44,389 --> 00:14:41,910

i don't know quite where to begin to be

384

00:14:46,710 --> 00:14:44,399

honest with you because like one of the

385

00:14:53,030 --> 00:14:46,720

questions

386

00:14:55,430 --> 00:14:53,040

and it's not even a question it's like

387

00:14:57,670 --> 00:14:55,440

what can science do for us

388

00:15:00,389 --> 00:14:57,680

science can't save us

389

00:15:02,230 --> 00:15:00,399

but what can science do for us and i

390

00:15:03,910 --> 00:15:02,240

guess if i was going to turn that into a

391

00:15:06,870 --> 00:15:03,920

question is

392

00:15:08,310 --> 00:15:06,880

why did you think it was important for

393

00:15:09,430 --> 00:15:08,320

you to go

394

00:15:11,030 --> 00:15:09,440

and

395

00:15:13,110 --> 00:15:11,040

have this

396

00:15:15,910 --> 00:15:13,120

ability that you have

397

00:15:17,509 --> 00:15:15,920

the men who stare at goats pk ability

398

00:15:19,269 --> 00:15:17,519

why did you feel

399

00:15:21,189 --> 00:15:19,279

you needed to go put that under the

400

00:15:23,269 --> 00:15:21,199

microscope or allow other people to put

401
00:15:25,509 --> 00:15:23,279
that under the microscope how does how

402
00:15:27,110 --> 00:15:25,519
does it connect for you with what i'm

403
00:15:29,670 --> 00:15:27,120
talking about with love with near-death

404
00:15:31,189 --> 00:15:29,680
experience with all the rest of that

405
00:15:32,949 --> 00:15:31,199
well at first i didn't really think it

406
00:15:34,069 --> 00:15:32,959
was connected to love

407
00:15:36,310 --> 00:15:34,079
but

408
00:15:38,790 --> 00:15:36,320
it was i mean at the time i was working

409
00:15:41,590 --> 00:15:38,800
you know on my science education

410
00:15:43,910 --> 00:15:41,600
and i wanted to know that i wasn't crazy

411
00:15:46,790 --> 00:15:43,920
i you know i wanted to know that

412
00:15:48,470 --> 00:15:46,800
everything that i'd experienced

413
00:15:50,230 --> 00:15:48,480

um well actually for a long time i

414

00:15:55,350 --> 00:15:50,240

wanted a cure

415

00:15:58,230 --> 00:15:55,360

wanted to prove to myself that that this

416

00:15:59,910 --> 00:15:58,240

stuff was just nonsense because

417

00:16:01,189 --> 00:15:59,920

that's what my education had kind of

418

00:16:04,069 --> 00:16:01,199

been teaching me

419

00:16:08,550 --> 00:16:06,069

it didn't seem to work out that way like

420

00:16:10,949 --> 00:16:08,560

you know i i went to laurentian

421

00:16:13,670 --> 00:16:10,959

university and you know dr persinger and

422

00:16:16,150 --> 00:16:13,680

bill roll were like no this isn't

423

00:16:18,310 --> 00:16:16,160

fantasy this this is real stuff and

424

00:16:19,430 --> 00:16:18,320

we're going to study it and

425

00:16:21,670 --> 00:16:19,440

i mean

426

00:16:24,629 --> 00:16:21,680

that first trip to laurentian that was a

427

00:16:26,310 --> 00:16:24,639

really big game changer for me

428

00:16:27,990 --> 00:16:26,320

and it's funny because

429

00:16:29,910 --> 00:16:28,000

so many parapsychologists have told me

430

00:16:31,189 --> 00:16:29,920

not to go there

431

00:16:33,269 --> 00:16:31,199

um

432

00:16:35,350 --> 00:16:33,279

you know and yet

433

00:16:36,710 --> 00:16:35,360

that was a huge game changer for me

434

00:16:38,949 --> 00:16:36,720

because

435

00:16:40,790 --> 00:16:38,959

you know it taught me that you could

436

00:16:42,470 --> 00:16:40,800

study these things and that there was

437

00:16:44,550 --> 00:16:42,480

some reality

438

00:16:46,470 --> 00:16:44,560

you know to what was going on and that i

439

00:16:47,829 --> 00:16:46,480

wasn't crazy

440

00:16:49,749 --> 00:16:47,839

and

441

00:16:51,749 --> 00:16:49,759

it's very hard to accept the love when

442

00:16:53,350 --> 00:16:51,759

you think you're crazy

443

00:16:55,430 --> 00:16:53,360

you know

444

00:16:58,389 --> 00:16:55,440

um

445

00:16:59,590 --> 00:16:58,399

so by figuring out that you're not crazy

446

00:17:03,189 --> 00:16:59,600

um

447

00:17:04,549 --> 00:17:03,199

then you can be open to the love really

448

00:17:07,350 --> 00:17:04,559

and and

449

00:17:09,429 --> 00:17:07,360

so it was i mean science was kind of my

450

00:17:11,189 --> 00:17:09,439

way in

451
00:17:13,909 --> 00:17:11,199
but even then like you know you could

452
00:17:15,590 --> 00:17:13,919
see like i didn't realize it so much at

453
00:17:17,510 --> 00:17:15,600
the time like now you know since i've

454
00:17:20,069 --> 00:17:17,520
been talking to you we've been kind of

455
00:17:22,390 --> 00:17:20,079
you know hindsight being 2020

456
00:17:23,270 --> 00:17:22,400
and realizing that

457
00:17:25,189 --> 00:17:23,280
that

458
00:17:27,829 --> 00:17:25,199
personer was far more brave than i

459
00:17:30,310 --> 00:17:27,839
realized at the time that he was willing

460
00:17:31,590 --> 00:17:30,320
to actually study these things

461
00:17:34,549 --> 00:17:31,600
and

462
00:17:36,390 --> 00:17:34,559
i i mean he really

463
00:17:37,669 --> 00:17:36,400

had a hard time with his university did

464

00:17:40,470 --> 00:17:37,679

not want him

465

00:17:42,950 --> 00:17:40,480

looking into these areas at all

466

00:17:45,350 --> 00:17:42,960

and and it's you know he i mean he

467

00:17:47,430 --> 00:17:45,360

funded his own work

468

00:17:49,270 --> 00:17:47,440

which i mean not very many professors

469

00:17:51,110 --> 00:17:49,280

will do that

470

00:17:53,110 --> 00:17:51,120

um

471

00:17:54,710 --> 00:17:53,120

because he just felt that it was so

472

00:17:55,510 --> 00:17:54,720

important

473

00:17:58,950 --> 00:17:55,520

and

474

00:18:03,350 --> 00:18:01,990

that you know that that i i had no idea

475

00:18:06,230 --> 00:18:03,360

at the time just

476
00:18:07,750 --> 00:18:06,240
just what a good person he was

477
00:18:09,830 --> 00:18:07,760
um

478
00:18:10,789 --> 00:18:09,840
see i kind of see it differently in a

479
00:18:15,110 --> 00:18:10,799
way

480
00:18:17,029 --> 00:18:15,120
because your story your history to me is

481
00:18:19,510 --> 00:18:17,039
you're someone who had extended

482
00:18:20,870 --> 00:18:19,520
conscious experiences from a very very

483
00:18:21,750 --> 00:18:20,880
young age right

484
00:18:25,430 --> 00:18:21,760
yeah

485
00:18:26,789 --> 00:18:25,440
didn't you have the grandpa at the

486
00:18:32,310 --> 00:18:26,799
at the

487
00:18:33,830 --> 00:18:32,320
am i misremembering that

488
00:18:35,110 --> 00:18:33,840

didn't you see

489

00:18:36,230 --> 00:18:35,120

uh

490

00:18:37,430 --> 00:18:36,240

a grandma

491

00:18:38,230 --> 00:18:37,440

yeah

492

00:18:40,070 --> 00:18:38,240

so

493

00:18:42,230 --> 00:18:40,080

i kind of got it right that was pretty

494

00:18:44,950 --> 00:18:42,240

close he had that that stare like what

495

00:18:47,270 --> 00:18:44,960

are you talking about

496

00:18:48,950 --> 00:18:47,280

no but i mean yeah you know i did see my

497

00:18:50,870 --> 00:18:48,960

grandma when i was little and yeah i did

498

00:18:52,950 --> 00:18:50,880

have those experiences

499

00:18:54,789 --> 00:18:52,960

but you know i kind of went

500

00:18:56,549 --> 00:18:54,799

it's funny because before i had an

501
00:18:58,230 --> 00:18:56,559
education in science

502
00:19:00,390 --> 00:18:58,240
i didn't worry so much about having

503
00:19:02,710 --> 00:19:00,400
those experiences

504
00:19:04,630 --> 00:19:02,720
and then after my car accident and

505
00:19:06,870 --> 00:19:04,640
suddenly i was really really super

506
00:19:09,110 --> 00:19:06,880
interested in science

507
00:19:11,190 --> 00:19:09,120
and it was really the education and

508
00:19:13,190 --> 00:19:11,200
science that was like

509
00:19:14,870 --> 00:19:13,200
you know you must be crazy like you know

510
00:19:16,789 --> 00:19:14,880
like it really didn't fit with what the

511
00:19:18,230 --> 00:19:16,799
university was telling me

512
00:19:22,070 --> 00:19:18,240
and

513
00:19:23,590 --> 00:19:22,080

important like

514

00:19:26,150 --> 00:19:23,600

because you know i came back thinking

515

00:19:27,110 --> 00:19:26,160

the science is really important and

516

00:19:31,430 --> 00:19:27,120

and

517

00:19:33,029 --> 00:19:31,440

me you're imagining things like what am

518

00:19:34,630 --> 00:19:33,039

i you know what am i going to do

519

00:19:36,230 --> 00:19:34,640

um

520

00:19:38,390 --> 00:19:36,240

you know and it's kind of funny because

521

00:19:40,549 --> 00:19:38,400

if i'd actually looked

522

00:19:42,549 --> 00:19:40,559

into these things more if i'd known what

523

00:19:44,310 --> 00:19:42,559

to look for at the universities i mean

524

00:19:46,070 --> 00:19:44,320

university of manitoba where i did my

525

00:19:48,870 --> 00:19:46,080

undergraduate degrees

526

00:19:52,710 --> 00:19:48,880

they have a very large collection of

527

00:19:53,590 --> 00:19:52,720

spirituality photographs and

528

00:19:55,590 --> 00:19:53,600

you know

529

00:19:58,549 --> 00:19:55,600

i guess the first head of the college of

530

00:20:02,870 --> 00:19:58,559

physicians and surgeons in manitoba

531

00:20:06,789 --> 00:20:04,630

and

532

00:20:08,549 --> 00:20:06,799

there's a fairly extensive collection at

533

00:20:10,950 --> 00:20:08,559

the university of manitoba that i had no

534

00:20:13,590 --> 00:20:10,960

idea was there well i was a student

535

00:20:15,909 --> 00:20:13,600

and i i wish i had known

536

00:20:18,230 --> 00:20:15,919

you know and it's like it's a dirty

537

00:20:19,669 --> 00:20:18,240

secret

538

00:20:21,750 --> 00:20:19,679

of

539

00:20:23,350 --> 00:20:21,760

you know academia that

540

00:20:25,590 --> 00:20:23,360

you know it's kind of like

541

00:20:27,669 --> 00:20:25,600

you you don't look at

542

00:20:29,430 --> 00:20:27,679

newton's other interests

543

00:20:32,390 --> 00:20:29,440

you know like you know like when you

544

00:20:34,870 --> 00:20:32,400

look at newton and yeah

545

00:20:36,549 --> 00:20:34,880

you know you you look at gravity and

546

00:20:38,390 --> 00:20:36,559

things but you don't look at the fact

547

00:20:41,110 --> 00:20:38,400

that he was also interested in alchemy

548

00:20:44,390 --> 00:20:42,630

yeah i don't know quite where to take

549

00:20:46,830 --> 00:20:44,400

that because when you know i don't know

550

00:20:50,390 --> 00:20:46,840

that the interest in alchemy was

551
00:20:53,430 --> 00:20:50,400
that spot on either i mean no but the

552
00:20:55,590 --> 00:20:53,440
fact that people do you know that

553
00:20:57,430 --> 00:20:55,600
that it's like only the accepted parts

554
00:20:59,350 --> 00:20:57,440
of them are allowed to

555
00:21:00,950 --> 00:20:59,360
carry on through history

556
00:21:02,870 --> 00:21:00,960
and so

557
00:21:05,590 --> 00:21:02,880
you don't realize when you're a student

558
00:21:09,350 --> 00:21:05,600
particularly as an undergrad how much is

559
00:21:13,270 --> 00:21:11,029
you know

560
00:21:14,870 --> 00:21:13,280
well i definitely think that's true

561
00:21:16,390 --> 00:21:14,880
i guess

562
00:21:18,390 --> 00:21:16,400
it's it's your

563
00:21:20,710 --> 00:21:18,400

it's your story

564

00:21:22,470 --> 00:21:20,720

in your life you know and i'm reading it

565

00:21:24,310 --> 00:21:22,480

and interpreting it

566

00:21:26,230 --> 00:21:24,320

but i gotta say i'm interpreting it a

567

00:21:28,710 --> 00:21:26,240

little bit slightly differently than you

568

00:21:29,830 --> 00:21:28,720

are although maybe the same

569

00:21:33,110 --> 00:21:29,840

is that

570

00:21:34,549 --> 00:21:33,120

you're uh a person in this family who

571

00:21:36,470 --> 00:21:34,559

has these

572

00:21:38,149 --> 00:21:36,480

gifts that are

573

00:21:40,470 --> 00:21:38,159

unexplainable

574

00:21:42,230 --> 00:21:40,480

and a lot of people in your family most

575

00:21:45,029 --> 00:21:42,240

people in your family are like

576
00:21:45,830 --> 00:21:45,039
she's weird we don't know what's going

577
00:21:49,350 --> 00:21:45,840
on

578
00:21:51,430 --> 00:21:49,360
family who's like

579
00:21:53,990 --> 00:21:51,440
no she ain't weird she's special this is

580
00:21:55,669 --> 00:21:54,000
really a gift and it needs to be

581
00:21:58,950 --> 00:21:55,679
somebody needs to tell her

582
00:22:03,350 --> 00:21:58,960
it's good and it's it's really important

583
00:22:05,909 --> 00:22:03,360
so you go through this life kind of not

584
00:22:08,789 --> 00:22:05,919
feeling totally confident because this

585
00:22:10,390 --> 00:22:08,799
essential part of you is

586
00:22:13,590 --> 00:22:10,400
kind of

587
00:22:15,430 --> 00:22:13,600
not so well yeah put down yeah

588
00:22:17,350 --> 00:22:15,440

and it's funny because when i look into

589

00:22:19,669 --> 00:22:17,360

the history of my family

590

00:22:21,110 --> 00:22:19,679

like i'm i'm certainly not the first one

591

00:22:22,470 --> 00:22:21,120

like me

592

00:22:25,909 --> 00:22:22,480

and

593

00:22:28,470 --> 00:22:25,919

you know some of the women that were

594

00:22:31,270 --> 00:22:28,480

like me i mean one was like the first

595

00:22:32,630 --> 00:22:31,280

woman to to be a doctor in the province

596

00:22:34,149 --> 00:22:32,640

that i grew up in

597

00:22:37,510 --> 00:22:34,159

you know to have a have a medical

598

00:22:40,630 --> 00:22:37,520

practice and and she was like me and

599

00:22:42,390 --> 00:22:40,640

another one was you know a registered

600

00:22:43,270 --> 00:22:42,400

nurse who grew up

601
00:22:45,830 --> 00:22:43,280
um

602
00:22:48,070 --> 00:22:45,840
in a traditional mennonite family that

603
00:22:50,070 --> 00:22:48,080
became a nurse and a private nurse of a

604
00:22:51,990 --> 00:22:50,080
millionaire and traveled the world and

605
00:22:54,950 --> 00:22:52,000
did things that

606
00:22:56,630 --> 00:22:54,960
were not really considered what you do

607
00:22:59,190 --> 00:22:56,640
when you grow up

608
00:23:00,149 --> 00:22:59,200
in a traditional mennonite community

609
00:23:01,590 --> 00:23:00,159
um

610
00:23:03,830 --> 00:23:01,600
you know and and

611
00:23:06,070 --> 00:23:03,840
and when she had dreams and everybody

612
00:23:08,470 --> 00:23:06,080
would be like oh she you know this is

613
00:23:10,310 --> 00:23:08,480

what she had she dreamt about and

614

00:23:11,990 --> 00:23:10,320

it was kind of an adult conversation

615

00:23:13,830 --> 00:23:12,000

like when i was a kid like

616

00:23:15,750 --> 00:23:13,840

you know you didn't really talk openly

617

00:23:17,510 --> 00:23:15,760

about what she what she dreamed about

618

00:23:19,669 --> 00:23:17,520

but clearly other people took it

619

00:23:21,590 --> 00:23:19,679

seriously even while they were

620

00:23:22,789 --> 00:23:21,600

poo-pooing it and then i had an uncle

621

00:23:24,950 --> 00:23:22,799

who

622

00:23:27,669 --> 00:23:24,960

was horribly scarred

623

00:23:29,430 --> 00:23:27,679

as a veteran of the second world war and

624

00:23:30,710 --> 00:23:29,440

he actually ended up in a concentration

625

00:23:33,909 --> 00:23:30,720

camp

626
00:23:37,190 --> 00:23:33,919
and uh you know he saw the ghosts of

627
00:23:39,110 --> 00:23:37,200
his battalion and

628
00:23:41,590 --> 00:23:39,120
you know he carried those with them

629
00:23:43,110 --> 00:23:41,600
until he passed away but but i mean he

630
00:23:45,110 --> 00:23:43,120
was the first adult when i was a little

631
00:23:47,029 --> 00:23:45,120
kid that i remember talking about seeing

632
00:23:49,990 --> 00:23:47,039
ghosts like it because and i used to

633
00:23:52,310 --> 00:23:50,000
wonder well i thought everyone saw them

634
00:23:54,310 --> 00:23:52,320
but the adults just pretended they

635
00:23:56,710 --> 00:23:54,320
didn't or just it like it wasn't talked

636
00:23:57,669 --> 00:23:56,720
about in like company like sex

637
00:23:58,950 --> 00:23:57,679
you know

638
00:24:00,310 --> 00:23:58,960

like i just thought it was just one of

639

00:24:02,470 --> 00:24:00,320

those things you didn't talk about

640

00:24:05,190 --> 00:24:02,480

openly but that everybody knew it was

641

00:24:06,950 --> 00:24:05,200

there

642

00:24:09,029 --> 00:24:06,960

yeah so

643

00:24:11,350 --> 00:24:09,039

you know when you tie that into like

644

00:24:13,590 --> 00:24:11,360

your near-death experience

645

00:24:14,950 --> 00:24:13,600

says but in particular your third

646

00:24:17,029 --> 00:24:14,960

near-death experience where you almost

647

00:24:18,950 --> 00:24:17,039

died in this car crash

648

00:24:20,950 --> 00:24:18,960

so a couple interesting things come out

649

00:24:22,470 --> 00:24:20,960

of that

650

00:24:24,149 --> 00:24:22,480

and again i tie it back to what i was

651
00:24:26,310 --> 00:24:24,159
saying at the beginning

652
00:24:27,029 --> 00:24:26,320
you know there's this crazy interplay

653
00:24:28,789 --> 00:24:27,039
that we're gonna have in this

654
00:24:32,630 --> 00:24:28,799
conversation the interplay is between

655
00:24:34,149 --> 00:24:32,640
science and spirituality and i think

656
00:24:36,390 --> 00:24:34,159
science has a role to play here that's

657
00:24:39,430 --> 00:24:36,400
why we're having this conversation well

658
00:24:42,390 --> 00:24:39,440
when you have your near-death experience

659
00:24:44,549 --> 00:24:42,400
you don't know totally how to process it

660
00:24:46,470 --> 00:24:44,559
but you gain some benefit from some of

661
00:24:48,549 --> 00:24:46,480
the science of near-death experience

662
00:24:51,029 --> 00:24:48,559
that tells you that the after effects

663
00:24:52,950 --> 00:24:51,039

you're having which in your case is

664

00:24:55,669 --> 00:24:52,960

increased psychic ability

665

00:24:57,510 --> 00:24:55,679

which has now been documented by other

666

00:24:59,909 --> 00:24:57,520

researchers into near-death experience

667

00:25:01,510 --> 00:24:59,919

and said well shirley i don't know if

668

00:25:02,870 --> 00:25:01,520

you're experiencing that or not but if

669

00:25:06,310 --> 00:25:02,880

you were to

670

00:25:08,549 --> 00:25:06,320

it would not be all that uncommon

671

00:25:10,789 --> 00:25:08,559

that sometimes happens to people who

672

00:25:13,190 --> 00:25:10,799

have near-death experiences and that's

673

00:25:15,110 --> 00:25:13,200

important information for you because we

674

00:25:17,190 --> 00:25:15,120

can hear from your story how difficult

675

00:25:19,430 --> 00:25:17,200

it was for you to process

676
00:25:21,909 --> 00:25:19,440
that change that going from a person

677
00:25:24,390 --> 00:25:21,919
who's artistic and musical to a person

678
00:25:25,269 --> 00:25:24,400
who just wants to study science and it's

679
00:25:28,470 --> 00:25:25,279
like

680
00:25:33,029 --> 00:25:28,480
why why is that happening and

681
00:25:36,070 --> 00:25:33,039
why am i having these increased

682
00:25:37,110 --> 00:25:36,080
psychokinesis powers why when my first

683
00:25:38,470 --> 00:25:37,120
husband

684
00:25:41,029 --> 00:25:38,480
tries to kill me

685
00:25:42,950 --> 00:25:41,039
does all the lights in the house go on

686
00:25:46,390 --> 00:25:42,960
and off and he gets so frightened that

687
00:25:49,830 --> 00:25:46,400
he has to run out of the house this is

688
00:25:51,909 --> 00:25:49,840

right out of again some movie

689

00:25:54,830 --> 00:25:51,919

but this is your life

690

00:25:58,549 --> 00:25:54,840

and it's super duper important as it

691

00:26:00,390 --> 00:25:58,559

relates to science and to science's

692

00:26:02,470 --> 00:26:00,400

fundamental assumptions

693

00:26:04,310 --> 00:26:02,480

so i want to start

694

00:26:06,710 --> 00:26:04,320

piecing that together

695

00:26:09,190 --> 00:26:06,720

in a scientific way

696

00:26:12,310 --> 00:26:09,200

how much did you know about the

697

00:26:14,070 --> 00:26:12,320

near-death experience after you had your

698

00:26:16,310 --> 00:26:14,080

car wreck

699

00:26:17,909 --> 00:26:16,320

nothing

700

00:26:20,710 --> 00:26:17,919

i didn't know it i

701
00:26:23,909 --> 00:26:20,720
i didn't know anything about it and

702
00:26:27,830 --> 00:26:23,919
the first first bit of information i got

703
00:26:30,789 --> 00:26:27,840
was from an an army uh chaplain

704
00:26:32,230 --> 00:26:30,799
you know a padre actually and uh

705
00:26:36,549 --> 00:26:32,240
and

706
00:26:37,909 --> 00:26:36,559
you know i was

707
00:26:40,390 --> 00:26:37,919
in the military at the time and i had

708
00:26:42,310 --> 00:26:40,400
questions and i asked him and he told me

709
00:26:45,510 --> 00:26:42,320
that well he didn't have a name for the

710
00:26:47,590 --> 00:26:45,520
experience but he said that it was a

711
00:26:49,510 --> 00:26:47,600
common experience for

712
00:26:50,789 --> 00:26:49,520
people in the military who'd almost died

713
00:26:51,669 --> 00:26:50,799

or had been

714

00:26:55,350 --> 00:26:51,679

you know

715

00:26:57,029 --> 00:26:55,360

in terrible combat situations

716

00:27:00,870 --> 00:26:57,039

and

717

00:27:03,669 --> 00:27:00,880

actually a fairly common experience for

718

00:27:06,870 --> 00:27:03,679

people who'd undergone you know

719

00:27:08,470 --> 00:27:06,880

trauma and and almost been killed but he

720

00:27:10,549 --> 00:27:08,480

didn't come up with a name for it but

721

00:27:13,110 --> 00:27:10,559

what he did do is he said we don't want

722

00:27:15,350 --> 00:27:13,120

this on your record in any way so i'm

723

00:27:17,430 --> 00:27:15,360

going to send you to a friend of mine in

724

00:27:19,590 --> 00:27:17,440

this in this

725

00:27:21,510 --> 00:27:19,600

church in your community

726

00:27:23,590 --> 00:27:21,520

and we'll just keep this quiet and you

727

00:27:25,190 --> 00:27:23,600

can go talk to this person and we'll

728

00:27:26,870 --> 00:27:25,200

keep this out of your military records

729

00:27:30,789 --> 00:27:26,880

because you're not crazy but we don't

730

00:27:36,470 --> 00:27:33,430

okay in that partially

731

00:27:39,269 --> 00:27:36,480

that partially answers it from one way

732

00:27:41,830 --> 00:27:39,279

but see the thing that that doesn't

733

00:27:44,230 --> 00:27:41,840

i mean you know this stuff is real right

734

00:27:45,110 --> 00:27:44,240

so this is another i i don't know quite

735

00:27:47,029 --> 00:27:45,120

how to

736

00:27:49,190 --> 00:27:47,039

try this

737

00:27:51,190 --> 00:27:49,200

rick and shirley you know it's real so

738

00:27:53,909 --> 00:27:51,200

that the chaplain doesn't uh doesn't

739

00:27:55,750 --> 00:27:53,919

know the padre he doesn't know he's just

740

00:27:57,029 --> 00:27:55,760

repeating back and he's following the

741

00:27:59,590 --> 00:27:57,039

procedures

742

00:28:02,230 --> 00:27:59,600

you've seen ghosts your whole life

743

00:28:03,990 --> 00:28:02,240

so whatever it is you're doing in terms

744

00:28:06,389 --> 00:28:04,000

of processing the new death experience

745

00:28:07,350 --> 00:28:06,399

and the near-death experience that you

746

00:28:09,269 --> 00:28:07,360

had

747

00:28:11,830 --> 00:28:09,279

you're processing it from your

748

00:28:15,830 --> 00:28:11,840

experience right

749

00:28:17,990 --> 00:28:15,840

yes but you know there's this thing that

750

00:28:20,149 --> 00:28:18,000

you know like the big difference between

751
00:28:22,630 --> 00:28:20,159
the near-death experience and seeing

752
00:28:24,389 --> 00:28:22,640
ghosts is that when you see ghosts you

753
00:28:27,510 --> 00:28:24,399
will forget

754
00:28:28,470 --> 00:28:27,520
like there's just some part of us

755
00:28:30,470 --> 00:28:28,480
and there's some part of these

756
00:28:33,269 --> 00:28:30,480
experiences like if i didn't write

757
00:28:35,430 --> 00:28:33,279
everything down i it just amazes me how

758
00:28:37,510 --> 00:28:35,440
much of it i just managed to put out of

759
00:28:38,710 --> 00:28:37,520
my mind and forget

760
00:28:40,310 --> 00:28:38,720
and

761
00:28:41,669 --> 00:28:40,320
you know like when i was writing my book

762
00:28:44,149 --> 00:28:41,679
i went through old diaries and i was

763
00:28:46,710 --> 00:28:44,159

like oh my god like now i remember this

764

00:28:48,710 --> 00:28:46,720

because i'm reading this again and i and

765

00:28:50,310 --> 00:28:48,720

and now it's like coming back to me full

766

00:28:52,470 --> 00:28:50,320

force but

767

00:28:54,310 --> 00:28:52,480

but you push things away where the

768

00:28:55,909 --> 00:28:54,320

near-death experience the weird thing

769

00:28:59,909 --> 00:28:55,919

about the near-death experience is you

770

00:29:01,909 --> 00:28:59,919

can't get rid of it it it has a hold on

771

00:29:05,029 --> 00:29:01,919

you and you carry it with you

772

00:29:07,830 --> 00:29:05,039

in a way that the other experiences

773

00:29:09,350 --> 00:29:07,840

aren't able to stay with you

774

00:29:11,830 --> 00:29:09,360

okay

775

00:29:13,990 --> 00:29:11,840

again i i don't know i don't know that

776

00:29:15,909 --> 00:29:14,000

this is this might be a totally useless

777

00:29:17,669 --> 00:29:15,919

interview for anybody but

778

00:29:19,110 --> 00:29:17,679

but me but me because for me i'm

779

00:29:20,710 --> 00:29:19,120

fascinated

780

00:29:22,230 --> 00:29:20,720

because see it doesn't it it doesn't

781

00:29:23,590 --> 00:29:22,240

sync up here again

782

00:29:27,990 --> 00:29:23,600

it's like

783

00:29:29,909 --> 00:29:28,000

are kind of being pushed in this

784

00:29:31,029 --> 00:29:29,919

different direction through this journey

785

00:29:32,549 --> 00:29:31,039

that we're on

786

00:29:34,070 --> 00:29:32,559

because the next thing that you talk

787

00:29:36,230 --> 00:29:34,080

about is

788

00:29:38,950 --> 00:29:36,240

gee i'm having these

789

00:29:41,110 --> 00:29:38,960

paranormal experiences and i want i just

790

00:29:42,870 --> 00:29:41,120

want them to go away which i can't

791

00:29:45,430 --> 00:29:42,880

really process on a complete level that

792

00:29:46,470 --> 00:29:45,440

you ever thought that was really but

793

00:29:47,830 --> 00:29:46,480

well let's just take that because

794

00:29:49,750 --> 00:29:47,840

there's a lot of

795

00:29:53,590 --> 00:29:49,760

trauma it's causing you in your life but

796

00:29:56,870 --> 00:29:53,600

then two you know i'm gonna agree to go

797

00:29:57,750 --> 00:29:56,880

to these laboratories and have them test

798

00:30:05,669 --> 00:29:57,760

this

799

00:30:08,470 --> 00:30:05,679

incredibly extend expanded view

800

00:30:10,870 --> 00:30:08,480

of these extended realms and you're

801
00:30:12,870 --> 00:30:10,880
gonna say okay you want me to spin a

802
00:30:16,549 --> 00:30:12,880
wheel under a glass

803
00:30:19,990 --> 00:30:16,559
okay let me see if i can spin a wheel

804
00:30:22,789 --> 00:30:20,000
under a glass i mean that's like a

805
00:30:25,510 --> 00:30:22,799
fraction of a fraction of a fraction of

806
00:30:28,470 --> 00:30:25,520
what this stuff is all about but if you

807
00:30:30,389 --> 00:30:28,480
want me to spin a wheel under a glass

808
00:30:32,310 --> 00:30:30,399
okay

809
00:30:34,310 --> 00:30:32,320
do you get how that looks do you get do

810
00:30:35,750 --> 00:30:34,320
you know what i mean how that looks from

811
00:30:36,710 --> 00:30:35,760
you know if you really try and process

812
00:30:38,470 --> 00:30:36,720
your

813
00:30:40,870 --> 00:30:38,480

the whole thing that you're about

814

00:30:43,830 --> 00:30:40,880

there's this like

815

00:30:46,230 --> 00:30:43,840

little bit of a disconnect

816

00:30:49,029 --> 00:30:46,240

it is but you know because at the time i

817

00:30:51,430 --> 00:30:49,039

was studying science i actually

818

00:30:53,590 --> 00:30:51,440

really really wanted to come up with a

819

00:30:55,510 --> 00:30:53,600

small repeatable effect

820

00:30:57,669 --> 00:30:55,520

like i wanted it to be a small effect

821

00:31:00,070 --> 00:30:57,679

not too big an effect i mean that was

822

00:31:02,230 --> 00:31:00,080

because i thought if it's a big effect

823

00:31:03,990 --> 00:31:02,240

people will be terrified of me i'll be

824

00:31:06,950 --> 00:31:04,000

terri like i thought i mean i was

825

00:31:08,549 --> 00:31:06,960

worried i'd be i was becoming a monster

826
00:31:10,070 --> 00:31:08,559
you know like there there is that

827
00:31:11,750 --> 00:31:10,080
feeling that

828
00:31:12,870 --> 00:31:11,760
you know does this make me a monster

829
00:31:15,029 --> 00:31:12,880
like this

830
00:31:18,070 --> 00:31:15,039
whatever because you because your

831
00:31:19,509 --> 00:31:18,080
feelings if they got real intense could

832
00:31:21,350 --> 00:31:19,519
cause

833
00:31:23,509 --> 00:31:21,360
stranger things kind of stuff lights

834
00:31:25,190 --> 00:31:23,519
going on and off you know people feeling

835
00:31:26,630 --> 00:31:25,200
it that kind of stuff right that's what

836
00:31:28,549 --> 00:31:26,640
you're experiencing

837
00:31:30,950 --> 00:31:28,559
yeah that you know that you could scare

838
00:31:32,630 --> 00:31:30,960

people with it i mean even just spinning

839

00:31:33,990 --> 00:31:32,640

the wheel into the pinwheel i've had

840

00:31:35,830 --> 00:31:34,000

lots of people

841

00:31:38,230 --> 00:31:35,840

in my family who've seen it and said oh

842

00:31:40,549 --> 00:31:38,240

that's really creepy and they you know

843

00:31:41,990 --> 00:31:40,559

like they don't say oh that's really

844

00:31:44,870 --> 00:31:42,000

interesting and cool they look at it and

845

00:31:48,630 --> 00:31:44,880

go that's really creepy stop it

846

00:31:49,750 --> 00:31:48,640

you know and and so so you know you

847

00:31:51,990 --> 00:31:49,760

you don't do it

848

00:31:54,549 --> 00:31:52,000

anymore and and you don't talk about it

849

00:31:57,029 --> 00:31:54,559

and and they will if you ask them if

850

00:31:58,549 --> 00:31:57,039

they've ever seen it they'll deny it

851
00:32:02,070 --> 00:31:58,559
you know that's the one thing i find

852
00:32:03,669 --> 00:32:02,080
that that that if anything big happens

853
00:32:05,269 --> 00:32:03,679
even people who are used to little

854
00:32:06,230 --> 00:32:05,279
things happening if something big

855
00:32:08,230 --> 00:32:06,240
happens

856
00:32:10,789 --> 00:32:08,240
people who are close to me um they'll

857
00:32:11,909 --> 00:32:10,799
forget the big things moving

858
00:32:12,789 --> 00:32:11,919
um

859
00:32:14,389 --> 00:32:12,799
you know

860
00:32:18,789 --> 00:32:14,399
it's just

861
00:32:21,110 --> 00:32:18,799
and so i didn't want that i didn't want

862
00:32:22,710 --> 00:32:21,120
to be a monster like you know and i mean

863
00:32:24,470 --> 00:32:22,720

now that i read some of the books like

864

00:32:26,789 --> 00:32:24,480

the pk man

865

00:32:31,110 --> 00:32:26,799

you know like

866

00:32:32,710 --> 00:32:31,120

like he did at whether or not he caused

867

00:32:34,870 --> 00:32:32,720

you know bad things to happen to people

868

00:32:36,470 --> 00:32:34,880

he thought he did

869

00:32:38,630 --> 00:32:36,480

yeah then that that would open up the

870

00:32:39,830 --> 00:32:38,640

whole e.t can of worms i don't even want

871

00:32:42,710 --> 00:32:39,840

to go there

872

00:32:44,630 --> 00:32:42,720

uh tell tell the story about when you

873

00:32:46,310 --> 00:32:44,640

were a kid in school

874

00:32:47,190 --> 00:32:46,320

in the book

875

00:32:49,430 --> 00:32:47,200

no

876

00:32:52,950 --> 00:32:49,440

i hate that story and

877

00:32:55,509 --> 00:32:52,960

why do you hate that story cause

878

00:32:57,110 --> 00:32:55,519

because that was just an event that kind

879

00:32:59,590 --> 00:32:57,120

of

880

00:33:02,310 --> 00:32:59,600

had me labeled as a monster for years in

881

00:33:03,750 --> 00:33:02,320

school and really opened me up to so

882

00:33:05,750 --> 00:33:03,760

much abuse

883

00:33:08,389 --> 00:33:05,760

from teachers

884

00:33:12,789 --> 00:33:08,399

and you know

885

00:33:18,070 --> 00:33:15,430

i was always bored in school and i was

886

00:33:19,590 --> 00:33:18,080

always overwhelmed because i you know i

887

00:33:21,990 --> 00:33:19,600

had

888

00:33:23,029 --> 00:33:22,000

a near-death experience when i was 10 um

889

00:33:27,669 --> 00:33:23,039

my

890

00:33:29,909 --> 00:33:27,679

and

891

00:33:31,830 --> 00:33:29,919

afterwards like before that had happened

892

00:33:33,029 --> 00:33:31,840

i had been this really cute popular

893

00:33:35,430 --> 00:33:33,039

little girl

894

00:33:37,590 --> 00:33:35,440

you know and i had lots of friends and

895

00:33:38,470 --> 00:33:37,600

and everything was really good and then

896

00:33:41,350 --> 00:33:38,480

suddenly

897

00:33:44,549 --> 00:33:41,360

you know i had this experience where

898

00:33:46,310 --> 00:33:44,559

my appendix burst and i got really sick

899

00:33:48,630 --> 00:33:46,320

and then afterwards

900

00:33:50,630 --> 00:33:48,640

i was just overwhelmed by everything

901
00:33:52,549 --> 00:33:50,640
like being in a room full of people was

902
00:33:54,789 --> 00:33:52,559
just an overwhelming experience because

903
00:33:57,190 --> 00:33:54,799
i would pick up feelings and emotions

904
00:33:59,110 --> 00:33:57,200
and it was too noisy and i just couldn't

905
00:34:01,590 --> 00:33:59,120
handle it and i would do everything i

906
00:34:03,430 --> 00:34:01,600
could to get removed from the classroom

907
00:34:06,549 --> 00:34:03,440
whether i you know and you can only stay

908
00:34:09,589 --> 00:34:06,559
home with a tummy ache so often and

909
00:34:11,589 --> 00:34:09,599
it you know and so i started

910
00:34:13,430 --> 00:34:11,599
doing what i could just to get kicked

911
00:34:15,270 --> 00:34:13,440
out of class and

912
00:34:17,270 --> 00:34:15,280
it got to the point where i was allowed

913
00:34:19,430 --> 00:34:17,280

i was told well if you're sitting and

914

00:34:21,030 --> 00:34:19,440

drawing in your sketchbook and that

915

00:34:23,030 --> 00:34:21,040

gives you that little

916

00:34:26,069 --> 00:34:23,040

bubble of peace that you can kind of

917

00:34:27,430 --> 00:34:26,079

stay in the classroom

918

00:34:28,869 --> 00:34:27,440

then whenever you start to feel

919

00:34:30,149 --> 00:34:28,879

overwhelmed just take out your

920

00:34:32,869 --> 00:34:30,159

sketchbook

921

00:34:34,710 --> 00:34:32,879

and start drawing and we'll cut you some

922

00:34:36,230 --> 00:34:34,720

slack in class like that's what i was

923

00:34:38,149 --> 00:34:36,240

told by this you know the school

924

00:34:40,149 --> 00:34:38,159

guidance counselor that i could sit

925

00:34:42,310 --> 00:34:40,159

there and draw on my sketchbook

926
00:34:44,710 --> 00:34:42,320
and as long as i was keeping up with the

927
00:34:45,990 --> 00:34:44,720
homework and studies nobody would would

928
00:34:47,510 --> 00:34:46,000
bother with me

929
00:34:49,909 --> 00:34:47,520
and so there was a day when i was

930
00:34:52,389 --> 00:34:49,919
sitting there drawing in my sketchbook

931
00:34:53,829 --> 00:34:52,399
trying not to be overwhelmed

932
00:34:56,550 --> 00:34:53,839
and

933
00:34:59,430 --> 00:34:56,560
the teacher basically hit me in the face

934
00:35:01,670 --> 00:34:59,440
and threw my sketchbook across the room

935
00:35:03,829 --> 00:35:01,680
i guess i guess nobody had told this

936
00:35:06,150 --> 00:35:03,839
particular teacher that this was

937
00:35:08,470 --> 00:35:06,160
allowable behavior

938
00:35:11,910 --> 00:35:08,480

and i was just

939

00:35:13,829 --> 00:35:11,920

so shocked like i was just

940

00:35:15,990 --> 00:35:13,839

you know i felt safe in school until

941

00:35:17,270 --> 00:35:16,000

that point and then suddenly i wasn't

942

00:35:20,310 --> 00:35:17,280

safe

943

00:35:21,910 --> 00:35:20,320

and the sketchbook basically picked

944

00:35:23,670 --> 00:35:21,920

itself up and

945

00:35:25,510 --> 00:35:23,680

launched itself at the teacher and hit

946

00:35:28,470 --> 00:35:25,520

her in the back

947

00:35:31,430 --> 00:35:28,480

and after that i was just i was

948

00:35:33,510 --> 00:35:31,440

the school monster you know

949

00:35:35,109 --> 00:35:33,520

and i mean that teacher actually

950

00:35:38,760 --> 00:35:35,119

ended up

951
00:35:41,829 --> 00:35:38,770
needing some psychiatric help

952
00:35:45,829 --> 00:35:41,839
[Laughter]

953
00:35:48,310 --> 00:35:45,839
so cheryl let's make sure we we got that

954
00:35:50,950 --> 00:35:48,320
because i think it's in it it's like a

955
00:35:53,349 --> 00:35:50,960
super important story if it's real if

956
00:35:54,150 --> 00:35:53,359
it's real it's really important

957
00:35:56,710 --> 00:35:54,160
so

958
00:35:58,550 --> 00:35:56,720
how do we know that it's real well

959
00:36:00,630 --> 00:35:58,560
like i said if you go to the ions video

960
00:36:01,750 --> 00:36:00,640
that you presented you go back and you

961
00:36:03,630 --> 00:36:01,760
say hey

962
00:36:06,470 --> 00:36:03,640
here's when i had my

963
00:36:07,510 --> 00:36:06,480

appendicitis and almost died here are

964

00:36:09,910 --> 00:36:07,520

all the

965

00:36:12,310 --> 00:36:09,920

lovely letters that all my classmates

966

00:36:14,790 --> 00:36:12,320

are sending me and all the rest of that

967

00:36:16,470 --> 00:36:14,800

and then you also have

968

00:36:17,589 --> 00:36:16,480

um

969

00:36:19,910 --> 00:36:17,599

the other

970

00:36:22,550 --> 00:36:19,920

works from your school that would

971

00:36:23,990 --> 00:36:22,560

suggest that the story has

972

00:36:28,790 --> 00:36:24,000

some

973

00:36:31,270 --> 00:36:28,800

is there anything else you could add

974

00:36:32,150 --> 00:36:31,280

that would be like if let me put it this

975

00:36:33,510 --> 00:36:32,160

way

976
00:36:34,870 --> 00:36:33,520
if someone

977
00:36:35,910 --> 00:36:34,880
pushed you

978
00:36:37,349 --> 00:36:35,920
because

979
00:36:39,430 --> 00:36:37,359
one they'd have to think it through and

980
00:36:41,510 --> 00:36:39,440
think how important that story is and

981
00:36:43,589 --> 00:36:41,520
we'll explore that fully but said you

982
00:36:45,589 --> 00:36:43,599
know what i'm in

983
00:36:47,349 --> 00:36:45,599
if you can prove it

984
00:36:50,470 --> 00:36:47,359
do you think you could prove it in the

985
00:36:53,030 --> 00:36:50,480
way that people normally think about it

986
00:36:54,310 --> 00:36:53,040
i don't really see how i could because

987
00:36:56,230 --> 00:36:54,320
i mean

988
00:36:57,670 --> 00:36:56,240

could you could you find other students

989

00:36:59,190 --> 00:36:57,680

and i'm just saying hypothetical i'm not

990

00:37:00,470 --> 00:36:59,200

gonna you know i'm just saying

991

00:37:03,109 --> 00:37:00,480

hypothetically

992

00:37:05,510 --> 00:37:03,119

do you still know students who were with

993

00:37:08,630 --> 00:37:05,520

you in the class who could say i

994

00:37:10,710 --> 00:37:08,640

remember that day and i remember

995

00:37:11,510 --> 00:37:10,720

that book

996

00:37:13,670 --> 00:37:11,520

just

997

00:37:16,150 --> 00:37:13,680

picking itself up off the ground and

998

00:37:17,030 --> 00:37:16,160

harry potter style flying across the

999

00:37:20,950 --> 00:37:17,040

room

1000

00:37:22,870 --> 00:37:20,960

and i remember the commotion afterwards

1001
00:37:24,410 --> 00:37:22,880
i had one friend who saw it and she

1002
00:37:25,510 --> 00:37:24,420
passed away um

1003
00:37:27,109 --> 00:37:25,520
[Music]

1004
00:37:29,190 --> 00:37:27,119
like one friend that i still kept in

1005
00:37:32,230 --> 00:37:29,200
contact with for the most part i mean i

1006
00:37:35,030 --> 00:37:32,240
was kind of a pariah nope like nobody

1007
00:37:37,510 --> 00:37:35,040
came near me and then even i started to

1008
00:37:39,430 --> 00:37:37,520
doubt it for a while because it was just

1009
00:37:42,950 --> 00:37:39,440
driven home by the teachers this is not

1010
00:37:44,950 --> 00:37:42,960
what happened i mean i remember

1011
00:37:46,950 --> 00:37:44,960
you know my parents were

1012
00:37:48,069 --> 00:37:46,960
basically tried to push into putting me

1013
00:37:51,910 --> 00:37:48,079

on these

1014

00:37:53,589 --> 00:37:51,920

seriously nasty drugs to shut me down

1015

00:37:55,510 --> 00:37:53,599

um or i wasn't going to be allowed to

1016

00:37:56,630 --> 00:37:55,520

stay in school

1017

00:37:58,630 --> 00:37:56,640

and

1018

00:38:01,430 --> 00:37:58,640

what did they tell your parents had

1019

00:38:06,630 --> 00:38:03,430

uh they told the parents that i was a

1020

00:38:07,990 --> 00:38:06,640

bad kid and threw a book at the teacher

1021

00:38:10,069 --> 00:38:08,000

they didn't tell

1022

00:38:11,430 --> 00:38:10,079

my parents that she hit me

1023

00:38:13,910 --> 00:38:11,440

you know like that was the other thing

1024

00:38:16,310 --> 00:38:13,920

is that part of it was completely like

1025

00:38:18,310 --> 00:38:16,320

no no no the teacher did not hit her and

1026

00:38:20,950 --> 00:38:18,320

nobody in this class will say that she

1027

00:38:22,790 --> 00:38:20,960

did you know and

1028

00:38:24,069 --> 00:38:22,800

hold on for a second i i get you but

1029

00:38:25,750 --> 00:38:24,079

take that part out of the story because

1030

00:38:27,829 --> 00:38:25,760

the part of the story we care about is

1031

00:38:29,270 --> 00:38:27,839

that the i know i know is over on the

1032

00:38:31,430 --> 00:38:29,280

other side of the room

1033

00:38:32,470 --> 00:38:31,440

and they acknowledge that you threw the

1034

00:38:34,470 --> 00:38:32,480

book

1035

00:38:36,550 --> 00:38:34,480

at the teacher they're saying yeah she

1036

00:38:38,310 --> 00:38:36,560

threw the book at the teacher

1037

00:38:39,990 --> 00:38:38,320

yeah so

1038

00:38:42,069 --> 00:38:40,000

you weren't there to throw the book at

1039

00:38:43,829 --> 00:38:42,079

the teacher at least not in your

1040

00:38:47,589 --> 00:38:43,839

physical form there was part of your

1041

00:38:49,910 --> 00:38:47,599

consciousness that was there so

1042

00:38:52,710 --> 00:38:49,920

but that well and i mean i didn't think

1043

00:38:56,069 --> 00:38:52,720

it was me doing it anyway because

1044

00:38:58,069 --> 00:38:56,079

i just you know like i just thought that

1045

00:39:01,589 --> 00:38:58,079

things just moved by themselves i didn't

1046

00:39:03,589 --> 00:39:01,599

real you know i didn't

1047

00:39:05,589 --> 00:39:03,599

i didn't see it as something i was doing

1048

00:39:09,430 --> 00:39:05,599

when i was that little i just thought

1049

00:39:11,670 --> 00:39:09,440

stuff moved but get it get over it but

1050

00:39:13,510 --> 00:39:11,680

no like i i mean i had it drilled into

1051

00:39:14,950 --> 00:39:13,520

me that know that

1052

00:39:17,589 --> 00:39:14,960

this didn't happen like i said the

1053

00:39:18,630 --> 00:39:17,599

teacher needed psychiatric help so maybe

1054

00:39:22,310 --> 00:39:18,640

she

1055

00:39:23,589 --> 00:39:22,320

book moved

1056

00:39:24,870 --> 00:39:23,599

because she didn't want me in her

1057

00:39:28,390 --> 00:39:24,880

classroom

1058

00:39:29,750 --> 00:39:28,400

um i know that i was taken out of class

1059

00:39:34,470 --> 00:39:29,760

every

1060

00:39:35,829 --> 00:39:34,480

years and sent a special testing

1061

00:39:36,790 --> 00:39:35,839

that did nothing

1062

00:39:39,190 --> 00:39:36,800

but

1063

00:39:41,270 --> 00:39:39,200

you know make me feel even more like a

1064

00:39:42,630 --> 00:39:41,280

weirdo because everyone thought that

1065

00:39:44,470 --> 00:39:42,640

there must be something really wrong

1066

00:39:46,230 --> 00:39:44,480

with me that i had to go

1067

00:39:50,310 --> 00:39:46,240

to the room with the two-way mirrors

1068

00:39:52,870 --> 00:39:51,190

so

1069

00:39:55,349 --> 00:39:52,880

what makes this

1070

00:39:58,230 --> 00:39:55,359

so what i push that good enough

1071

00:39:59,750 --> 00:39:58,240

so again what makes this thing

1072

00:40:01,910 --> 00:39:59,760

interesting

1073

00:40:03,270 --> 00:40:01,920

in the scientific realm that we're going

1074

00:40:04,790 --> 00:40:03,280

to talk about

1075

00:40:06,309 --> 00:40:04,800

is that eventually you wind up in a

1076

00:40:08,829 --> 00:40:06,319

laboratory where there's

1077

00:40:10,950 --> 00:40:08,839

like quote-unquote real scientists

1078

00:40:12,790 --> 00:40:10,960

which i don't know where we want to go

1079

00:40:15,510 --> 00:40:12,800

with that but there's people who are

1080

00:40:18,470 --> 00:40:15,520

saying okay let's see if you really can

1081

00:40:20,309 --> 00:40:18,480

do this pk stuff which in and of itself

1082

00:40:23,510 --> 00:40:20,319

would add

1083

00:40:25,990 --> 00:40:23,520

validation to your earlier story unless

1084

00:40:28,390 --> 00:40:26,000

we think that you just this is the only

1085

00:40:30,710 --> 00:40:28,400

thing you can do is you know spin wheels

1086

00:40:32,790 --> 00:40:30,720

inside of glasses that's what god has

1087

00:40:34,630 --> 00:40:32,800

put you on earth to do

1088

00:40:35,910 --> 00:40:34,640

so

1089

00:40:38,390 --> 00:40:35,920

tell folks

1090

00:40:41,430 --> 00:40:38,400

again in a way that they would

1091

00:40:43,349 --> 00:40:41,440

make it really believable to him

1092

00:40:46,069 --> 00:40:43,359

in a very matter-of-fact way

1093

00:40:48,870 --> 00:40:46,079

why we should why we should believe that

1094

00:40:51,109 --> 00:40:48,880

you really were in a laboratory and you

1095

00:40:53,190 --> 00:40:51,119

really did spin a wheel that was under a

1096

00:40:55,109 --> 00:40:53,200

glass

1097

00:40:56,870 --> 00:40:55,119

can i have a two-minute break sorry i

1098

00:40:58,710 --> 00:40:56,880

apologize absolutely

1099

00:41:00,470 --> 00:40:58,720

sorry i just need a two-minute break and

1100

00:41:02,390 --> 00:41:00,480

i'll be right back

1101

00:41:06,710 --> 00:41:02,400

what kind of dog is that

1102

00:41:08,870 --> 00:41:06,720

um he's alassa apso

1103

00:41:11,510 --> 00:41:08,880

so apparently the the tradition is that

1104

00:41:14,069 --> 00:41:11,520

tibetan monks if they were

1105

00:41:15,670 --> 00:41:14,079

too goofy and uh didn't reincarnate the

1106

00:41:18,309 --> 00:41:15,680

way they were supposed to they'd come

1107

00:41:20,870 --> 00:41:18,319

back as lassa apsos

1108

00:41:22,950 --> 00:41:20,880

that's a great story that's a great

1109

00:41:25,030 --> 00:41:22,960

story that that's why you're that's why

1110

00:41:25,910 --> 00:41:25,040

it's considered really bad form to sell

1111

00:41:27,190 --> 00:41:25,920

one

1112

00:41:28,710 --> 00:41:27,200

um

1113

00:41:31,750 --> 00:41:28,720

that the original ones that came to

1114

00:41:34,870 --> 00:41:31,760

north america were gifts from the uh

1115

00:41:37,109 --> 00:41:34,880

from the dalai lama

1116

00:41:38,390 --> 00:41:37,119

yeah

1117

00:41:40,470 --> 00:41:38,400

because they they're thought to be

1118

00:41:44,150 --> 00:41:40,480

reincarnated monks that didn't take

1119

00:41:46,309 --> 00:41:44,160

their studies seriously

1120

00:41:48,069 --> 00:41:46,319

god

1121

00:41:51,030 --> 00:41:48,079

i mean you know we could spend an hour

1122

00:41:53,670 --> 00:41:51,040

talking on all that because it's like

1123

00:41:56,870 --> 00:41:53,680

now i know in a way that's again this

1124

00:41:59,430 --> 00:41:56,880

intersection of science and spirituality

1125

00:42:00,950 --> 00:41:59,440

and what we want out of science

1126
00:42:03,510 --> 00:42:00,960
and then

1127
00:42:05,109 --> 00:42:03,520
what we don't get out of science

1128
00:42:07,430 --> 00:42:05,119
you know so

1129
00:42:09,270 --> 00:42:07,440
we want to some way

1130
00:42:10,790 --> 00:42:09,280
know whether there's anything to that

1131
00:42:12,950 --> 00:42:10,800
story at all

1132
00:42:15,349 --> 00:42:12,960
right i mean we do that's kind of like a

1133
00:42:16,790 --> 00:42:15,359
pretty incredible story

1134
00:42:19,349 --> 00:42:16,800
and when science comes back and goes

1135
00:42:21,589 --> 00:42:19,359
well you know probably not for these

1136
00:42:23,190 --> 00:42:21,599
reasons and they're verifiable

1137
00:42:24,790 --> 00:42:23,200
then you're like great

1138
00:42:26,069 --> 00:42:24,800

but then when science goes one step

1139

00:42:27,589 --> 00:42:26,079

further and says

1140

00:42:29,270 --> 00:42:27,599

yeah because we're all

1141

00:42:31,190 --> 00:42:29,280

just our brain and there's nothing more

1142

00:42:32,630 --> 00:42:31,200

and you can't really love

1143

00:42:34,870 --> 00:42:32,640

that love that you feel for that dog

1144

00:42:35,990 --> 00:42:34,880

that isn't really real i mean

1145

00:42:39,270 --> 00:42:36,000

yeah

1146

00:42:41,349 --> 00:42:39,280

not to completely switch gears but

1147

00:42:42,710 --> 00:42:41,359

and now let's just continue

1148

00:42:47,430 --> 00:42:42,720

continue with the story because where i

1149

00:42:51,109 --> 00:42:50,230

you know what i'm out of me

1150

00:42:53,990 --> 00:42:51,119

well

1151

00:42:55,829 --> 00:42:54,000

yeah i know i know i'm difficult

1152

00:42:58,710 --> 00:42:55,839

no i don't i don't see it that way i

1153

00:43:01,510 --> 00:42:58,720

don't see it that way i i i don't think

1154

00:43:03,349 --> 00:43:01,520

you're difficult at all i think you're

1155

00:43:05,190 --> 00:43:03,359

incredibly open

1156

00:43:07,670 --> 00:43:05,200

and incredibly

1157

00:43:09,990 --> 00:43:07,680

brave and people say that a lot and it

1158

00:43:10,790 --> 00:43:10,000

can mean a lot of different things

1159

00:43:14,069 --> 00:43:10,800

but

1160

00:43:17,109 --> 00:43:14,079

you've had a lot of experiences that

1161

00:43:19,589 --> 00:43:17,119

similar folks are just not able to

1162

00:43:21,109 --> 00:43:19,599

process and they just run from

1163

00:43:22,069 --> 00:43:21,119

completely

1164

00:43:24,069 --> 00:43:22,079

and

1165

00:43:25,430 --> 00:43:24,079

you are consistently throughout your

1166

00:43:27,750 --> 00:43:25,440

life

1167

00:43:30,790 --> 00:43:27,760

running into the fire you know there's

1168

00:43:33,430 --> 00:43:30,800

the fire and you're like okay

1169

00:43:34,710 --> 00:43:33,440

let's run in there and see what happens

1170

00:43:36,630 --> 00:43:34,720

because that's what happens when you go

1171

00:43:38,950 --> 00:43:36,640

to these labs because the your

1172

00:43:40,790 --> 00:43:38,960

experience in these labs in these

1173

00:43:43,030 --> 00:43:40,800

scilabs where they're going to do the

1174

00:43:44,710 --> 00:43:43,040

men that stare at goats and let's be

1175

00:43:46,870 --> 00:43:44,720

clear because we touched on this last

1176

00:43:47,990 --> 00:43:46,880

time and people hear it and again it's

1177

00:43:49,910 --> 00:43:48,000

one of those things that doesn't fit

1178

00:43:51,510 --> 00:43:49,920

into their paradigm and they just

1179

00:43:53,030 --> 00:43:51,520

blow it off but

1180

00:43:56,230 --> 00:43:53,040

this is a lot of the

1181

00:43:58,950 --> 00:43:56,240

abc agencies you know naval intelligence

1182

00:44:01,270 --> 00:43:58,960

cia military intelligence

1183

00:44:05,670 --> 00:44:01,280

it would be irresponsible for them not

1184

00:44:09,430 --> 00:44:05,680

to understand pk because if you can spin

1185

00:44:12,309 --> 00:44:09,440

a wheel under a glass then who's to say

1186

00:44:14,710 --> 00:44:12,319

you can't stop the heart of vladimir

1187

00:44:17,510 --> 00:44:14,720

putin in russia

1188

00:44:20,150 --> 00:44:17,520

it is that is the that is men who stare

1189

00:44:21,829 --> 00:44:20,160

at goats that is what that movie's about

1190

00:44:23,670 --> 00:44:21,839

and that movie is about what really

1191

00:44:26,230 --> 00:44:23,680

happened in mkl's program where they

1192

00:44:28,870 --> 00:44:26,240

said hey can this guy stare at a goat

1193

00:44:31,349 --> 00:44:28,880

and make the goat's heart stop so it

1194

00:44:36,470 --> 00:44:31,359

would be

1195

00:44:38,630 --> 00:44:36,480

understand

1196

00:44:41,510 --> 00:44:38,640

whether that could be done to us which

1197

00:44:44,790 --> 00:44:41,520

is always the excuse for us to weaponize

1198

00:44:47,750 --> 00:44:44,800

it and do it to other people so when you

1199

00:44:49,589 --> 00:44:47,760

are walking into those labs

1200

00:44:52,069 --> 00:44:49,599

that is

1201
00:44:55,190 --> 00:44:52,079
part of the agenda and the way that that

1202
00:44:56,309 --> 00:44:55,200
game works is some of those people in

1203
00:44:59,270 --> 00:44:56,319
the lab

1204
00:45:02,150 --> 00:44:59,280
know that a very very very small number

1205
00:45:03,510 --> 00:45:02,160
know it at some level most of them don't

1206
00:45:05,510 --> 00:45:03,520
and they're just

1207
00:45:07,349 --> 00:45:05,520
doing what they think is good curious

1208
00:45:10,470 --> 00:45:07,359
research which it is

1209
00:45:13,430 --> 00:45:10,480
but there is always that shadow

1210
00:45:15,109 --> 00:45:13,440
in that um now you don't realize that

1211
00:45:17,589 --> 00:45:15,119
i'm sure you didn't realize that at the

1212
00:45:19,510 --> 00:45:17,599
time you were just

1213
00:45:22,069 --> 00:45:19,520

the stuff was happening you want to know

1214

00:45:26,230 --> 00:45:22,079

as it happened but you have at this

1215

00:45:28,870 --> 00:45:26,240

point a long experience many times being

1216

00:45:31,109 --> 00:45:28,880

invited to these labs around the world

1217

00:45:33,349 --> 00:45:31,119

and some of them you don't go to because

1218

00:45:36,790 --> 00:45:33,359

you're not totally comfortable with

1219

00:45:38,630 --> 00:45:36,800

yeah and then it's derek goats thing

1220

00:45:40,790 --> 00:45:38,640

so when i say it's not so much like

1221

00:45:43,270 --> 00:45:40,800

you're difficult to talk to no to the

1222

00:45:44,790 --> 00:45:43,280

contrary it's like you're probably one

1223

00:45:47,190 --> 00:45:44,800

of the most important people in the

1224

00:45:50,470 --> 00:45:47,200

world to talk to about this stuff that's

1225

00:45:52,550 --> 00:45:50,480

the difficult part is we could explore

1226

00:45:54,470 --> 00:45:52,560

this like in a million different angles

1227

00:45:55,750 --> 00:45:54,480

and all of them are super relevant super

1228

00:45:56,870 --> 00:45:55,760

important

1229

00:45:59,750 --> 00:45:56,880

on uh

1230

00:46:02,309 --> 00:45:59,760

geopolitical parapolitical scientific

1231

00:46:03,190 --> 00:46:02,319

spiritual angle so i'm just struggle

1232

00:46:05,349 --> 00:46:03,200

with

1233

00:46:09,030 --> 00:46:05,359

what do i ask next

1234

00:46:10,710 --> 00:46:09,040

so tell us about pk in the lab

1235

00:46:12,829 --> 00:46:10,720

um well

1236

00:46:14,630 --> 00:46:12,839

you know

1237

00:46:22,550 --> 00:46:14,640

sometimes

1238

00:46:24,790 --> 00:46:22,560

i think one of the experiences i had was

1239

00:46:27,589 --> 00:46:24,800

at the rhine research center

1240

00:46:29,430 --> 00:46:27,599

and the first day i got there one of the

1241

00:46:30,230 --> 00:46:29,440

people that i was going to be working

1242

00:46:31,910 --> 00:46:30,240

with

1243

00:46:34,230 --> 00:46:31,920

and i'd never met him before and i

1244

00:46:36,710 --> 00:46:34,240

didn't know him beforehand i mean i went

1245

00:46:38,950 --> 00:46:36,720

there to work with robert and suzanne

1246

00:46:40,710 --> 00:46:38,960

may and they're lovely people so working

1247

00:46:42,630 --> 00:46:40,720

with them was great and i think the

1248

00:46:44,309 --> 00:46:42,640

first time i went to the rhine research

1249

00:46:45,430 --> 00:46:44,319

center it was just with them for the

1250

00:46:46,870 --> 00:46:45,440

most part

1251

00:46:49,109 --> 00:46:46,880

and that was really a positive

1252

00:46:50,790 --> 00:46:49,119

experience the second time i went there

1253

00:46:53,190 --> 00:46:50,800

were some other people that kind of

1254

00:46:55,270 --> 00:46:53,200

attached themselves to it and one of

1255

00:46:57,510 --> 00:46:55,280

which on on the very first day i was

1256

00:47:01,750 --> 00:46:57,520

there told me that

1257

00:47:04,790 --> 00:47:03,430

and it was kind of lit you know and that

1258

00:47:06,470 --> 00:47:04,800

was not

1259

00:47:08,870 --> 00:47:06,480

not you know and it's like okay well

1260

00:47:10,470 --> 00:47:08,880

even if you think that do you really

1261

00:47:13,750 --> 00:47:10,480

want to

1262

00:47:16,870 --> 00:47:13,760

tell the person who's come here

1263

00:47:19,349 --> 00:47:16,880

um you know spending her time

1264

00:47:21,030 --> 00:47:19,359

uh coming to this laboratory to do some

1265

00:47:23,510 --> 00:47:21,040

work and you're gonna tell her that

1266

00:47:26,069 --> 00:47:23,520

basically everyone like her is

1267

00:47:27,670 --> 00:47:26,079

a charlatan

1268

00:47:29,910 --> 00:47:27,680

see like even there there's there's so

1269

00:47:31,109 --> 00:47:29,920

much to to talk about there so first

1270

00:47:33,589 --> 00:47:31,119

break it down

1271

00:47:34,710 --> 00:47:33,599

ryan research institute

1272

00:47:36,829 --> 00:47:34,720

is

1273

00:47:39,829 --> 00:47:36,839

one of the first and most famous

1274

00:47:42,630 --> 00:47:39,839

parapsychology research institutes

1275

00:47:43,829 --> 00:47:42,640

in the world it's spun off from duke

1276

00:47:45,910 --> 00:47:43,839

university

1277

00:47:48,790 --> 00:47:45,920

and this guy ryan what was his first

1278

00:47:49,589 --> 00:47:48,800

name or initials he always

1279

00:47:52,069 --> 00:47:49,599

anyway

1280

00:47:54,230 --> 00:47:52,079

yeah jb exactly and they did a bunch of

1281

00:47:55,829 --> 00:47:54,240

these experiments and one one of the

1282

00:47:57,270 --> 00:47:55,839

experiments they're best known for is

1283

00:47:59,430 --> 00:47:57,280

the kind of zener cards you know where

1284

00:48:01,030 --> 00:47:59,440

they have the five you know it i'm

1285

00:48:02,790 --> 00:48:01,040

explaining it to people you know you've

1286

00:48:05,030 --> 00:48:02,800

seen they have the five different cards

1287

00:48:07,270 --> 00:48:05,040

the moon the star this and that and one

1288

00:48:10,150 --> 00:48:07,280

person holds the card and says see if

1289

00:48:12,710 --> 00:48:10,160

they can telepathically communicate it

1290

00:48:15,750 --> 00:48:12,720

to this other person now if you go and

1291

00:48:17,670 --> 00:48:15,760

look at that research which in a way is

1292

00:48:19,030 --> 00:48:17,680

kind of related to

1293

00:48:20,549 --> 00:48:19,040

the work that

1294

00:48:23,510 --> 00:48:20,559

shirley is telling us about

1295

00:48:26,150 --> 00:48:23,520

psychokinesis is different but it's all

1296

00:48:28,950 --> 00:48:26,160

in this category of outside time space

1297

00:48:30,950 --> 00:48:28,960

outside of the mind-body limitation that

1298

00:48:33,109 --> 00:48:30,960

we normally associate with the brain so

1299

00:48:34,470 --> 00:48:33,119

anyways they did this experiment

1300

00:48:36,069 --> 00:48:34,480

successfully and it's not a hard

1301

00:48:38,309 --> 00:48:36,079

experiment to control you know like

1302

00:48:40,390 --> 00:48:38,319

you'll this is all this stuff has been

1303

00:48:41,510 --> 00:48:40,400

polluted by the phony

1304

00:48:43,910 --> 00:48:41,520

skeptical

1305

00:48:45,349 --> 00:48:43,920

which is an operation kind of thing that

1306

00:48:47,030 --> 00:48:45,359

say oh my god you know there's so much

1307

00:48:48,390 --> 00:48:47,040

room for cheating well there's not you

1308

00:48:50,309 --> 00:48:48,400

just put people in

1309

00:48:51,910 --> 00:48:50,319

two different floors of two different

1310

00:48:55,109 --> 00:48:51,920

buildings like they did at the ryan

1311

00:48:57,190 --> 00:48:55,119

institute uh uh way back in the day and

1312

00:48:58,549 --> 00:48:57,200

there's no opportunity for for cheating

1313

00:49:02,790 --> 00:48:58,559

and what they did in one of their

1314

00:49:06,230 --> 00:49:02,800

experiments thurman they had 143

1315

00:49:07,910 --> 00:49:06,240

consecutive successful trials so one

1316

00:49:09,990 --> 00:49:07,920

person was able to say

1317

00:49:11,510 --> 00:49:10,000

okay i see a moon

1318

00:49:12,950 --> 00:49:11,520

and then the other person on the other

1319

00:49:14,710 --> 00:49:12,960

in another room

1320

00:49:16,950 --> 00:49:14,720

in another building

1321

00:49:18,549 --> 00:49:16,960

was able to say

1322

00:49:22,470 --> 00:49:18,559

i think it's a moon

1323

00:49:25,430 --> 00:49:22,480

and they got it right 143

1324

00:49:27,589 --> 00:49:25,440

times in a row so there's a lot of this

1325

00:49:30,069 --> 00:49:27,599

kind of research that's buried in these

1326

00:49:32,150 --> 00:49:30,079

walls and then it's interesting that

1327

00:49:33,190 --> 00:49:32,160

they bring you out there they've done

1328

00:49:35,589 --> 00:49:33,200

other

1329

00:49:37,750 --> 00:49:35,599

demonstrations of pk the ones i've seen

1330

00:49:39,349 --> 00:49:37,760

online other people can find it where

1331

00:49:41,270 --> 00:49:39,359

they have it more kind of from a

1332

00:49:43,270 --> 00:49:41,280

technology standpoint they have this

1333

00:49:45,109 --> 00:49:43,280

machine that people can

1334

00:49:47,829 --> 00:49:45,119

show that it generates and it moves

1335

00:49:51,349 --> 00:49:47,839

across the room again pk and then they

1336

00:49:52,630 --> 00:49:51,359

have you so i think uh ed and suzanne

1337

00:49:53,750 --> 00:49:52,640

may are probably better known for

1338

00:49:56,309 --> 00:49:53,760

near-death experience but they're

1339

00:49:58,870 --> 00:49:56,319

definitely well qualified in

1340

00:50:00,950 --> 00:49:58,880

parapsychology research and psy research

1341

00:50:02,630 --> 00:50:00,960

and that's why they're at ryan and they

1342

00:50:04,950 --> 00:50:02,640

know all this stuff and then the last

1343

00:50:06,630 --> 00:50:04,960

thing i can't resist commenting on is

1344

00:50:09,030 --> 00:50:06,640

there is always this

1345

00:50:11,349 --> 00:50:09,040

infiltration kind of counterintelligence

1346

00:50:13,510 --> 00:50:11,359

thing where in these places that are

1347

00:50:15,589 --> 00:50:13,520

supposed to be studying one thing you

1348

00:50:17,910 --> 00:50:15,599

have this person that's

1349

00:50:21,030 --> 00:50:17,920

i don't know why they're there you know

1350

00:50:24,230 --> 00:50:21,040

to it like you said it's not even

1351

00:50:26,390 --> 00:50:24,240

it's not even honest science to say

1352

00:50:29,510 --> 00:50:26,400

hey priori i think you're fake i mean

1353

00:50:31,750 --> 00:50:29,520

that's not being objective in any way so

1354

00:50:34,470 --> 00:50:31,760

that's the you know rupert cheldrick

1355

00:50:36,790 --> 00:50:34,480

richard wiseman like that's not adding

1356

00:50:38,710 --> 00:50:36,800

to it that's just

1357

00:50:41,829 --> 00:50:38,720

doing something else that we can't

1358

00:50:43,430 --> 00:50:41,839

understand inside of that but so tell us

1359

00:50:46,150 --> 00:50:43,440

specifically

1360

00:50:48,549 --> 00:50:46,160

what happened at rhine what did they

1361

00:50:50,230 --> 00:50:48,559

want you to do was it spinning a glass

1362

00:50:52,069 --> 00:50:50,240

spinning a wheel inside of a glass was

1363

00:50:53,750 --> 00:50:52,079

it something else how do they set up

1364

00:50:56,309 --> 00:50:53,760

that experiment how do they control for

1365

00:50:58,069 --> 00:50:56,319

it how do they do the rest

1366

00:51:00,790 --> 00:50:58,079

well the first time i was there with

1367

00:51:02,470 --> 00:51:00,800

robert suzanne most of what we did was

1368

00:51:03,829 --> 00:51:02,480

basically spinning the pinwheel inside

1369

00:51:05,109 --> 00:51:03,839

the little jar

1370

00:51:09,430 --> 00:51:05,119

and

1371

00:51:11,270 --> 00:51:09,440

should have read up because we did a lot

1372

00:51:13,430 --> 00:51:11,280

of different experiments with that where

1373

00:51:15,030 --> 00:51:13,440

they tried different types of

1374

00:51:16,870 --> 00:51:15,040

sensors to see if they could see

1375

00:51:18,230 --> 00:51:16,880

something else going on while it was

1376

00:51:19,349 --> 00:51:18,240

moving you know

1377

00:51:21,349 --> 00:51:19,359

um

1378

00:51:22,870 --> 00:51:21,359

well to just uh again because we've

1379

00:51:24,230 --> 00:51:22,880

talked about a bunch of times people can

1380

00:51:27,109 --> 00:51:24,240

find these

1381

00:51:28,950 --> 00:51:27,119

uh videos on youtube if they look really

1382

00:51:30,790 --> 00:51:28,960

carefully i think they can find

1383

00:51:33,109 --> 00:51:30,800

one or two of your videos are up there

1384

00:51:36,549 --> 00:51:33,119

are they probably i think if you go to

1385

00:51:39,510 --> 00:51:36,559

it's robert mays not ed mays i'm sorry

1386

00:51:42,790 --> 00:51:39,520

yeah okay different people

1387

00:51:43,990 --> 00:51:42,800

but uh robert and suzanne and uh they've

1388

00:51:45,990 --> 00:51:44,000

got

1389

00:51:47,910 --> 00:51:46,000

oh i'm trying to think of the name of

1390

00:51:50,150 --> 00:51:47,920

if you look at robert's interviews on

1391

00:51:51,510 --> 00:51:50,160

skeptico i'm sure his website's listed

1392

00:51:52,790 --> 00:51:51,520

there somewhere

1393

00:51:55,190 --> 00:51:52,800

okay

1394

00:51:58,630 --> 00:51:55,200

because dave

1395

00:52:01,109 --> 00:51:58,640

so we're talking about something that

1396

00:52:03,510 --> 00:52:01,119

number one people don't know or if they

1397

00:52:07,109 --> 00:52:03,520

do know they've seen it in kind of a

1398

00:52:09,670 --> 00:52:07,119

david blainey kind of magic fake way and

1399

00:52:11,510 --> 00:52:09,680

there's a bunch of fake videos on

1400

00:52:13,589 --> 00:52:11,520

the youtube entertainment videos on the

1401
00:52:15,349 --> 00:52:13,599
youtube side on youtube saying isn't

1402
00:52:17,270 --> 00:52:15,359
this cool then you put a little pin and

1403
00:52:18,710 --> 00:52:17,280
you put a little wheel on it then they

1404
00:52:20,390 --> 00:52:18,720
put a jar but you can't really see the

1405
00:52:23,109 --> 00:52:20,400
type you know there's all ways to fake

1406
00:52:25,270 --> 00:52:23,119
it but if you bring it into a lab it's a

1407
00:52:27,670 --> 00:52:25,280
very very easy experiment to control

1408
00:52:30,309 --> 00:52:27,680
right it really is oh yeah

1409
00:52:32,390 --> 00:52:30,319
because it's like well if it's if it's

1410
00:52:34,230 --> 00:52:32,400
inside a closed container

1411
00:52:36,230 --> 00:52:34,240
i'm not blowing on it

1412
00:52:38,150 --> 00:52:36,240
and you can check to see if it can like

1413
00:52:41,109 --> 00:52:38,160

you can take a

1414

00:52:44,150 --> 00:52:41,119

a hair dryer and blow air at it and you

1415

00:52:47,829 --> 00:52:44,160

can see well it's a close container

1416

00:52:51,030 --> 00:52:47,839

you can you can uh

1417

00:52:53,190 --> 00:52:51,040

rub it with static reducers to get the

1418

00:52:55,349 --> 00:52:53,200

static electricity gone

1419

00:52:57,829 --> 00:52:55,359

um you know the second time i went back

1420

00:52:59,510 --> 00:52:57,839

i actually brought um an ugly wheel and

1421

00:53:01,589 --> 00:52:59,520

they had they had actually purchased

1422

00:53:02,950 --> 00:53:01,599

their own ugly wheel because they wanted

1423

00:53:05,109 --> 00:53:02,960

me to

1424

00:53:07,270 --> 00:53:05,119

use a device what's an ugly wheel and

1425

00:53:09,589 --> 00:53:07,280

why did dean rayden tell you to use it

1426
00:53:11,829 --> 00:53:09,599
okay well dean told me to use it because

1427
00:53:13,990 --> 00:53:11,839
he said that they had one in their lab

1428
00:53:16,309 --> 00:53:14,000
and no one had ever been able to get it

1429
00:53:18,870 --> 00:53:16,319
to spin when it was in a covered

1430
00:53:21,430 --> 00:53:18,880
container

1431
00:53:25,349 --> 00:53:21,440
and what is an ugly wheel

1432
00:53:27,349 --> 00:53:25,359
it's basically a very fancy pinwheel

1433
00:53:30,309 --> 00:53:27,359
it's basically it and it's supposed to

1434
00:53:33,349 --> 00:53:30,319
be controlled for for things like static

1435
00:53:36,230 --> 00:53:33,359
electricity and and um

1436
00:53:38,630 --> 00:53:36,240
oh what do you call it uh convection

1437
00:53:41,510 --> 00:53:38,640
currents things like that but but

1438
00:53:44,870 --> 00:53:41,520

basically if it's underneath

1439

00:53:46,710 --> 00:53:44,880

underneath that like you know a glass or

1440

00:53:48,390 --> 00:53:46,720

whatever if it's under if it's this in a

1441

00:53:51,270 --> 00:53:48,400

sealed container that

1442

00:53:52,950 --> 00:53:51,280

kind of makes it difficult dean says

1443

00:53:55,430 --> 00:53:52,960

they'd never had anyone who could move

1444

00:53:57,270 --> 00:53:55,440

it under a container so which is which

1445

00:53:59,190 --> 00:53:57,280

is going to be interesting as we

1446

00:54:00,230 --> 00:53:59,200

as we go into this four and a half hour

1447

00:54:01,750 --> 00:54:00,240

interview

1448

00:54:04,390 --> 00:54:01,760

i'm so sorry

1449

00:54:06,790 --> 00:54:04,400

no no no it's i'm i'm

1450

00:54:09,349 --> 00:54:06,800

i'm apologizing because i'm not gonna be

1451
00:54:11,750 --> 00:54:09,359
able to stop but here's the reason that

1452
00:54:14,309 --> 00:54:11,760
that i would add to everything that you

1453
00:54:16,390 --> 00:54:14,319
said it's maybe obvious for some people

1454
00:54:19,270 --> 00:54:16,400
but not for others the other thing i can

1455
00:54:21,670 --> 00:54:19,280
do is i can take the ugly wheel i can

1456
00:54:23,270 --> 00:54:21,680
put it down on the table i can put it or

1457
00:54:25,990 --> 00:54:23,280
i can put it inside of a sealed glass

1458
00:54:27,030 --> 00:54:26,000
container and i can videotape it for a

1459
00:54:29,510 --> 00:54:27,040
week

1460
00:54:32,470 --> 00:54:29,520
and nothing ever changes during the

1461
00:54:34,870 --> 00:54:32,480
sunrise sunset the lights going on all

1462
00:54:36,230 --> 00:54:34,880
it never moves and now i bring in this

1463
00:54:39,030 --> 00:54:36,240

person

1464

00:54:39,829 --> 00:54:39,040

cherylee who has said that she can do

1465

00:54:41,990 --> 00:54:39,839

this

1466

00:54:43,910 --> 00:54:42,000

and she makes it happen i said oh that's

1467

00:54:46,069 --> 00:54:43,920

interesting now i remove her from the

1468

00:54:48,150 --> 00:54:46,079

whoop from the room and i can let it go

1469

00:54:50,630 --> 00:54:48,160

for another week and it never moves and

1470

00:54:52,630 --> 00:54:50,640

i bring her back in and i can do it this

1471

00:54:54,549 --> 00:54:52,640

would be a way of having a very

1472

00:54:56,069 --> 00:54:54,559

controlled experiment and it's kind of

1473

00:54:57,030 --> 00:54:56,079

along the lines of what dean raiden has

1474

00:54:58,470 --> 00:54:57,040

done

1475

00:55:00,950 --> 00:54:58,480

and then you'd say

1476

00:55:03,990 --> 00:55:00,960

okay i have my

1477

00:55:06,789 --> 00:55:04,000

control time when nothing is happening

1478

00:55:09,510 --> 00:55:06,799

and nothing does happen and then i have

1479

00:55:11,589 --> 00:55:09,520

my effect time when this person who

1480

00:55:14,390 --> 00:55:11,599

claims to be able to introduce this

1481

00:55:16,950 --> 00:55:14,400

effect is doing it and it's measurable

1482

00:55:19,589 --> 00:55:16,960

that's very simple science and it's very

1483

00:55:22,150 --> 00:55:19,599

powerful science and that's what they

1484

00:55:23,670 --> 00:55:22,160

did right

1485

00:55:25,670 --> 00:55:23,680

well yeah and i mean they did other

1486

00:55:28,069 --> 00:55:25,680

controls as well i mean actually the

1487

00:55:30,309 --> 00:55:28,079

really the skeptical guy at one point he

1488

00:55:31,270 --> 00:55:30,319

put the ugly wheel

1489

00:55:33,990 --> 00:55:31,280

um

1490

00:55:35,910 --> 00:55:34,000

basically on tinfoil that was grounded

1491

00:55:38,150 --> 00:55:35,920

because he he was convinced that it was

1492

00:55:40,309 --> 00:55:38,160

just electricity no no but this is funny

1493

00:55:42,309 --> 00:55:40,319

this part is really funny so what he did

1494

00:55:43,750 --> 00:55:42,319

was he was randomly

1495

00:55:44,950 --> 00:55:43,760

um

1496

00:55:48,549 --> 00:55:44,960

connecting

1497

00:55:51,510 --> 00:55:48,559

that it was grounded and then

1498

00:55:53,990 --> 00:55:51,520

unconnecting it and asking me to say

1499

00:55:55,670 --> 00:55:54,000

if it's easier or harder to move the

1500

00:55:58,150 --> 00:55:55,680

little wheel around

1501
00:56:00,470 --> 00:55:58,160
and i could tell him every single time

1502
00:56:03,030 --> 00:56:00,480
he unconnected it because it worked the

1503
00:56:05,190 --> 00:56:03,040
opposite of the way he decided it should

1504
00:56:07,829 --> 00:56:05,200
he said that when when it was grounded

1505
00:56:09,750 --> 00:56:07,839
it should it should be you know harder

1506
00:56:13,190 --> 00:56:09,760
to move and it was actually easier like

1507
00:56:19,510 --> 00:56:15,430
and which really annoyed him and and his

1508
00:56:22,390 --> 00:56:19,520
and because he was so convinced of

1509
00:56:25,270 --> 00:56:22,400
his take on the science his explanation

1510
00:56:27,510 --> 00:56:25,280
was is that i psychically knew when he

1511
00:56:30,549 --> 00:56:27,520
was connecting and unconnecting the

1512
00:56:32,710 --> 00:56:30,559
grounding device and so that it was just

1513
00:56:34,230 --> 00:56:32,720

me being an evil psychic and telling him

1514

00:56:36,069 --> 00:56:34,240

the opposite of what was actually

1515

00:56:38,069 --> 00:56:36,079

happening just because i wanted to piss

1516

00:56:40,470 --> 00:56:38,079

him off which was

1517

00:56:46,950 --> 00:56:40,480

so so he said i was a hundred percent on

1518

00:56:51,750 --> 00:56:49,190

that's that's just an amazing story

1519

00:56:52,950 --> 00:56:51,760

because it really gets to

1520

00:56:54,950 --> 00:56:52,960

the issue

1521

00:56:56,710 --> 00:56:54,960

if you want confirmation of that he even

1522

00:56:59,030 --> 00:56:56,720

talks about that in a video that the

1523

00:57:00,789 --> 00:56:59,040

rhine research center put up so

1524

00:57:03,670 --> 00:57:00,799

so it's not just me saying it he

1525

00:57:06,069 --> 00:57:03,680

actually does admit to it in a video

1526

00:57:07,670 --> 00:57:06,079

i i want to see that video

1527

00:57:10,230 --> 00:57:07,680

because

1528

00:57:14,789 --> 00:57:12,870

this this kind of does kind of jump us

1529

00:57:16,630 --> 00:57:14,799

into the conversation that we're going

1530

00:57:18,789 --> 00:57:16,640

to have about the interview that i had

1531

00:57:20,069 --> 00:57:18,799

with dean raiden

1532

00:57:22,710 --> 00:57:20,079

because

1533

00:57:26,230 --> 00:57:22,720

this is point one is the i wouldn't

1534

00:57:29,829 --> 00:57:26,240

believe it even if it was true

1535

00:57:31,270 --> 00:57:29,839

phenomenon and you can hear it i first

1536

00:57:32,789 --> 00:57:31,280

heard it from

1537

00:57:34,789 --> 00:57:32,799

rupert cheldrick he tells the story

1538

00:57:37,589 --> 00:57:34,799

beautifully where he's doing a

1539

00:57:39,430 --> 00:57:37,599

presentation to the royal society in

1540

00:57:41,829 --> 00:57:39,440

england about his

1541

00:57:42,870 --> 00:57:41,839

amazing science and

1542

00:57:45,910 --> 00:57:42,880

a guy

1543

00:57:48,710 --> 00:57:45,920

one of the royal society guys in england

1544

00:57:51,270 --> 00:57:48,720

oxford cambridge actually where

1545

00:57:52,870 --> 00:57:51,280

rupert got his education

1546

00:57:55,510 --> 00:57:52,880

stands up

1547

00:57:58,069 --> 00:57:55,520

turns his back to the presentation to

1548

00:58:01,030 --> 00:57:58,079

the data that's being presented and says

1549

00:58:02,230 --> 00:58:01,040

i wouldn't believe it even if it was

1550

00:58:03,990 --> 00:58:02,240

true

1551
00:58:06,150 --> 00:58:04,000
and

1552
00:58:09,030 --> 00:58:06,160
this is something that we're familiar

1553
00:58:11,190 --> 00:58:09,040
with on a kind of personal level in

1554
00:58:13,510 --> 00:58:11,200
terms of just friends and family who

1555
00:58:15,829 --> 00:58:13,520
have any sort of beliefs about

1556
00:58:17,750 --> 00:58:15,839
all sorts of political or religious

1557
00:58:21,589 --> 00:58:17,760
beliefs or anything like that it's

1558
00:58:25,430 --> 00:58:21,599
paradigm it's dogma doesn't change and

1559
00:58:28,309 --> 00:58:25,440
we look for science i look and this is

1560
00:58:29,829 --> 00:58:28,319
my upset with the dean raiden interview

1561
00:58:32,309 --> 00:58:29,839
is i

1562
00:58:33,510 --> 00:58:32,319
always felt that science was a chance

1563
00:58:34,470 --> 00:58:33,520

that we had

1564

00:58:39,750 --> 00:58:34,480

to

1565

00:58:42,309 --> 00:58:39,760

wait a minute we all know that we have

1566

00:58:45,430 --> 00:58:42,319

prejudices we have biases but

1567

00:58:47,990 --> 00:58:45,440

we can control for them a little bit

1568

00:58:50,549 --> 00:58:48,000

with this science thing

1569

00:58:53,190 --> 00:58:50,559

but what your experience

1570

00:58:55,190 --> 00:58:53,200

tells us and i think in a way the

1571

00:58:56,630 --> 00:58:55,200

interview with dean raiden tells us

1572

00:58:59,190 --> 00:58:56,640

is

1573

00:59:02,150 --> 00:58:59,200

that doesn't always work exactly the way

1574

00:59:04,710 --> 00:59:02,160

that it the way that it should because

1575

00:59:05,589 --> 00:59:04,720

these guys in the pk lab i mean

1576

00:59:07,109 --> 00:59:05,599

in the

1577

00:59:09,510 --> 00:59:07,119

scilab

1578

00:59:10,390 --> 00:59:09,520

if anyone in the world should be willing

1579

00:59:13,750 --> 00:59:10,400

to

1580

00:59:15,270 --> 00:59:13,760

have their paradigm shattered

1581

00:59:17,670 --> 00:59:15,280

they should they're setting themselves

1582

00:59:19,109 --> 00:59:17,680

up say come shatter my paradigm and then

1583

00:59:21,109 --> 00:59:19,119

you share their paradigm and they're

1584

00:59:23,349 --> 00:59:21,119

like i wouldn't believe it even if it

1585

00:59:24,950 --> 00:59:23,359

was true and this is where we're we're

1586

00:59:26,470 --> 00:59:24,960

going to consistently be stuck with

1587

00:59:28,789 --> 00:59:26,480

science

1588

00:59:30,309 --> 00:59:28,799

yeah i know well and you know one of the

1589

00:59:32,470 --> 00:59:30,319

things that the pk

1590

00:59:33,430 --> 00:59:32,480

can be really a total

1591

00:59:35,670 --> 00:59:33,440

jerk

1592

00:59:38,390 --> 00:59:35,680

the way it acts sometimes is because

1593

00:59:40,390 --> 00:59:38,400

like the one researcher who

1594

00:59:42,069 --> 00:59:40,400

who first off said all you know all

1595

00:59:42,870 --> 00:59:42,079

psychics are cheats

1596

00:59:46,789 --> 00:59:42,880

and

1597

00:59:48,630 --> 00:59:46,799

that wheel spun you could see it made

1598

00:59:51,030 --> 00:59:48,640

him uncomfortable and what was even

1599

00:59:53,829 --> 00:59:51,040

funnier was that there were times when

1600

00:59:56,470 --> 00:59:53,839

i'd be across the room and he'd go close

1601
00:59:58,230 --> 00:59:56,480
to the wheel on the table and

1602
01:00:00,870 --> 00:59:58,240
it would start spinning and he'd jump

1603
01:00:02,230 --> 01:00:00,880
back and it was like it's like yeah it's

1604
01:00:05,970 --> 01:00:02,240
just going to do that every time you can

1605
01:00:12,230 --> 01:00:09,270
[Laughter]

1606
01:00:14,549 --> 01:00:12,240
you know you you also tell the story

1607
01:00:17,349 --> 01:00:14,559
and this is just kind of anecdotally fun

1608
01:00:20,309 --> 01:00:17,359
and true in a in a way that

1609
01:00:21,829 --> 01:00:20,319
is kind of unexplainable other than

1610
01:00:23,510 --> 01:00:21,839
there's something in the extended

1611
01:00:24,789 --> 01:00:23,520
consciousness realm that is that

1612
01:00:26,549 --> 01:00:24,799
trickster

1613
01:00:27,589 --> 01:00:26,559

but

1614

01:00:34,230 --> 01:00:27,599

you

1615

01:00:35,990 --> 01:00:34,240

it opens up this ability in other people

1616

01:00:38,230 --> 01:00:36,000

in some way i say that not knowing what

1617

01:00:40,230 --> 01:00:38,240

that really means but you do pk and

1618

01:00:42,069 --> 01:00:40,240

suddenly people around you say let me

1619

01:00:44,630 --> 01:00:42,079

give it a try and then they can do it

1620

01:00:46,549 --> 01:00:44,640

too and then you go out to dinner with

1621

01:00:48,870 --> 01:00:46,559

the guys from uva and everyone's passing

1622

01:00:51,030 --> 01:00:48,880

the jar around and everyone's like hey i

1623

01:00:52,470 --> 01:00:51,040

did it i did it give me another drink

1624

01:00:53,990 --> 01:00:52,480

this is great

1625

01:00:55,270 --> 01:00:54,000

and then the second part of that story

1626
01:00:57,270 --> 01:00:55,280
you tell is

1627
01:00:59,829 --> 01:00:57,280
a few weeks later they're like

1628
01:01:02,069 --> 01:00:59,839
no i can't do it anymore you know what i

1629
01:01:03,670 --> 01:01:02,079
wonder if i really ever could do it you

1630
01:01:06,150 --> 01:01:03,680
know it's not

1631
01:01:08,309 --> 01:01:06,160
yeah that was actually not uva that was

1632
01:01:10,710 --> 01:01:08,319
people from the rhine research center it

1633
01:01:12,150 --> 01:01:10,720
was uh jim carpenter who wrote the book

1634
01:01:15,109 --> 01:01:12,160
first sight

1635
01:01:16,789 --> 01:01:15,119
um he had basically

1636
01:01:18,549 --> 01:01:16,799
kind of organized this thing where we

1637
01:01:20,470 --> 01:01:18,559
all went to this really good mexican

1638
01:01:21,990 --> 01:01:20,480

restaurant and

1639

01:01:23,430 --> 01:01:22,000

you know he he just wanted to show

1640

01:01:27,270 --> 01:01:23,440

people this effect because he thought it

1641

01:01:31,510 --> 01:01:29,109

yeah we had the pinwheel in the jar on

1642

01:01:33,430 --> 01:01:31,520

the table in the restaurant and i got it

1643

01:01:34,950 --> 01:01:33,440

to spin and then we were passing it

1644

01:01:37,430 --> 01:01:34,960

around and everyone was getting it to

1645

01:01:39,030 --> 01:01:37,440

spin inside the jar and you know people

1646

01:01:41,030 --> 01:01:39,040

were coming over and looking at what was

1647

01:01:43,030 --> 01:01:41,040

going on at the table like it was you

1648

01:01:45,430 --> 01:01:43,040

know um

1649

01:01:47,670 --> 01:01:45,440

and it was kind of this

1650

01:01:50,390 --> 01:01:47,680

fun thing that everybody was doing and

1651
01:01:51,990 --> 01:01:50,400
apparently even like the ugly wheel like

1652
01:01:54,710 --> 01:01:52,000
because the ryan bought their own ugly

1653
01:01:56,950 --> 01:01:54,720
wheel and so they had it after i was

1654
01:01:58,950 --> 01:01:56,960
gone and they said that for a while

1655
01:02:00,390 --> 01:01:58,960
people could come into the lab and get

1656
01:02:03,510 --> 01:02:00,400
that ugly wheel to spin under the

1657
01:02:05,589 --> 01:02:03,520
container and that worked for

1658
01:02:09,670 --> 01:02:05,599
maybe six months or so and

1659
01:02:13,750 --> 01:02:12,150
you know like it worked for a while and

1660
01:02:15,589 --> 01:02:13,760
you know everybody was kind of believing

1661
01:02:19,270 --> 01:02:15,599
in it for a while and then they just

1662
01:02:23,270 --> 01:02:21,750
so one of the things i want to draw out

1663
01:02:25,349 --> 01:02:23,280

and i'm not doing a great job with this

1664

01:02:27,910 --> 01:02:25,359

because i i i

1665

01:02:29,430 --> 01:02:27,920

i don't know i just don't know i that's

1666

01:02:31,510 --> 01:02:29,440

like too

1667

01:02:32,470 --> 01:02:31,520

too complicated but

1668

01:02:36,950 --> 01:02:32,480

one of the things i thought was

1669

01:02:38,390 --> 01:02:36,960

interesting in my talk with dean was

1670

01:02:40,950 --> 01:02:38,400

one of the really brilliant things that

1671

01:02:44,470 --> 01:02:40,960

dean has done with his experiments

1672

01:02:47,670 --> 01:02:44,480

which again are fundamental to science

1673

01:02:50,390 --> 01:02:47,680

because the fundamental assumption of

1674

01:02:53,109 --> 01:02:50,400

science is that

1675

01:02:54,630 --> 01:02:53,119

you're a soulless biological robot in a

1676

01:02:57,029 --> 01:02:54,640

meaningless universe

1677

01:02:57,910 --> 01:02:57,039

and nothing you could do could possibly

1678

01:03:00,630 --> 01:02:57,920

matter

1679

01:03:02,710 --> 01:03:00,640

because everything that and i i gotta

1680

01:03:05,029 --> 01:03:02,720

say in saying this dean totally stumbles

1681

01:03:06,309 --> 01:03:05,039

on the second part of this because i'm

1682

01:03:08,870 --> 01:03:06,319

the one who brought you into the

1683

01:03:11,589 --> 01:03:08,880

conversation with dean rayden because i

1684

01:03:14,710 --> 01:03:11,599

said hey i got a friend shirley black

1685

01:03:16,390 --> 01:03:14,720

most amazing pk person in the world

1686

01:03:18,549 --> 01:03:16,400

just done all this stuff in all these

1687

01:03:21,510 --> 01:03:18,559

laboratories and she'll tell you she's

1688

01:03:23,589 --> 01:03:21,520

had these kind of abilities her life and

1689

01:03:25,029 --> 01:03:23,599

they are connected to

1690

01:03:27,029 --> 01:03:25,039

near-death experience and she's had

1691

01:03:29,349 --> 01:03:27,039

three near-death experiences and by the

1692

01:03:31,190 --> 01:03:29,359

way her near-death experiences are not

1693

01:03:32,390 --> 01:03:31,200

substantially different from

1694

01:03:34,230 --> 01:03:32,400

thousands and thousands of other

1695

01:03:35,589 --> 01:03:34,240

near-death experiences of course they're

1696

01:03:37,829 --> 01:03:35,599

unique but they have a lot of these

1697

01:03:40,309 --> 01:03:37,839

similarities the kind of things that

1698

01:03:42,150 --> 01:03:40,319

scientists would generally think are

1699

01:03:43,990 --> 01:03:42,160

important when we measure those things

1700

01:03:46,630 --> 01:03:44,000

when we go out and talk to people about

1701

01:03:48,710 --> 01:03:46,640

their experiences like we do if they're

1702

01:03:50,390 --> 01:03:48,720

depressed or if they're anxious or if

1703

01:03:53,190 --> 01:03:50,400

they're

1704

01:03:54,549 --> 01:03:53,200

grieving we rely on their reporting

1705

01:03:56,390 --> 01:03:54,559

their self-reporting of their

1706

01:03:58,150 --> 01:03:56,400

experiences in order to find

1707

01:04:00,630 --> 01:03:58,160

commonalities in order to treat in order

1708

01:04:03,750 --> 01:04:00,640

to develop an understanding of that so

1709

01:04:06,950 --> 01:04:03,760

this idea that we would collect these

1710

01:04:10,069 --> 01:04:06,960

accounts across the spectrum and analyze

1711

01:04:12,710 --> 01:04:10,079

it is pure science is very mainstream

1712

01:04:14,630 --> 01:04:12,720

science so when i bring that up to dean

1713

01:04:17,270 --> 01:04:14,640

and say so

1714

01:04:18,950 --> 01:04:17,280

this has been reported that there is

1715

01:04:21,589 --> 01:04:18,960

this connection between the extended

1716

01:04:22,630 --> 01:04:21,599

consciousness realm and he goes

1717

01:04:24,230 --> 01:04:22,640

no

1718

01:04:25,750 --> 01:04:24,240

haven't you heard

1719

01:04:26,950 --> 01:04:25,760

then latest study on near-death

1720

01:04:30,309 --> 01:04:26,960

experience

1721

01:04:34,230 --> 01:04:30,319

says that it's just the eeg extending

1722

01:04:36,309 --> 01:04:34,240

beyond death and i'm like dane

1723

01:04:38,950 --> 01:04:36,319

how how can you be saying how could you

1724

01:04:41,349 --> 01:04:38,960

be not following the science that is a

1725

01:04:43,029 --> 01:04:41,359

ridiculous explanation it's been proven

1726
01:04:44,789 --> 01:04:43,039
over and over again and then i talked to

1727
01:04:47,349 --> 01:04:44,799
my friend mark ireland who just had an

1728
01:04:49,670 --> 01:04:47,359
interview with pinballamal the

1729
01:04:51,670 --> 01:04:49,680
cardiologist famous cardiologist from

1730
01:04:53,349 --> 01:04:51,680
the netherlands who's published some of

1731
01:04:54,870 --> 01:04:53,359
the most

1732
01:04:57,270 --> 01:04:54,880
scientifically

1733
01:04:58,630 --> 01:04:57,280
rigorous work on near-death experience

1734
01:05:00,309 --> 01:04:58,640
and he's written up the whole thing

1735
01:05:03,029 --> 01:05:00,319
saying well that's that doesn't

1736
01:05:04,630 --> 01:05:03,039
really explain the eeg that they're

1737
01:05:07,829 --> 01:05:04,640
finding does it really wouldn't really

1738
01:05:09,990 --> 01:05:07,839

correlate with what we found in other

1739

01:05:12,069 --> 01:05:10,000

medical conditions the eeg of people

1740

01:05:13,750 --> 01:05:12,079

under near-death experience it doesn't

1741

01:05:15,510 --> 01:05:13,760

fit with the overall phenomenon as we

1742

01:05:19,270 --> 01:05:15,520

understood it it just doesn't fit

1743

01:05:21,750 --> 01:05:19,280

doesn't fit doesn't fit so here i have

1744

01:05:24,309 --> 01:05:21,760

dr dean rayden who i have so much

1745

01:05:26,470 --> 01:05:24,319

admiration for doing really really

1746

01:05:29,029 --> 01:05:26,480

really sloppy science

1747

01:05:30,390 --> 01:05:29,039

because he's stating something as if he

1748

01:05:33,829 --> 01:05:30,400

knows it

1749

01:05:36,390 --> 01:05:33,839

and it's just not supported by the best

1750

01:05:39,190 --> 01:05:36,400

science he's doing

1751

01:05:40,150 --> 01:05:39,200

what everyone else is doing with his

1752

01:05:42,870 --> 01:05:40,160

stuff

1753

01:05:46,069 --> 01:05:42,880

which is to say i wouldn't believe it if

1754

01:05:48,069 --> 01:05:46,079

him even if it was true i don't want to

1755

01:05:51,430 --> 01:05:48,079

believe it because it contradicts my

1756

01:05:54,150 --> 01:05:51,440

worldview it contradicts what how i want

1757

01:05:56,630 --> 01:05:54,160

to see my place in the world i want to

1758

01:06:00,069 --> 01:05:56,640

believe in this kind of luciferian

1759

01:06:02,309 --> 01:06:00,079

transhumanism kind of do what thou wilt

1760

01:06:04,789 --> 01:06:02,319

create better than the creator gods and

1761

01:06:07,270 --> 01:06:04,799

i don't want any

1762

01:06:09,510 --> 01:06:07,280

data that would kind of

1763

01:06:11,109 --> 01:06:09,520

push me off that and if i get that data

1764

01:06:14,789 --> 01:06:11,119

i'm going to have some really creative

1765

01:06:17,670 --> 01:06:14,799

ways about spinning it in some other way

1766

01:06:19,670 --> 01:06:17,680

that's what i see happening

1767

01:06:22,230 --> 01:06:19,680

in the interview with dean raiden but

1768

01:06:26,549 --> 01:06:22,240

that's what i see happening in a broader

1769

01:06:30,789 --> 01:06:26,559

sense in your experience with both pk in

1770

01:06:33,430 --> 01:06:30,799

the lab and nde in the broader sense of

1771

01:06:34,870 --> 01:06:33,440

how it fits so

1772

01:06:36,630 --> 01:06:34,880

i don't know what part of that we're

1773

01:06:38,069 --> 01:06:36,640

going to tackle and how you want to

1774

01:06:39,910 --> 01:06:38,079

tackle it because i don't want to pull

1775

01:06:43,829 --> 01:06:39,920

you into

1776

01:06:46,309 --> 01:06:43,839

my kind of issues with this stuff but

1777

01:06:47,990 --> 01:06:46,319

we do have to talk about we do have to

1778

01:06:50,390 --> 01:06:48,000

swing this thing back into talking about

1779

01:06:52,150 --> 01:06:50,400

love and we have to understand that we

1780

01:06:54,470 --> 01:06:52,160

can't talk about love

1781

01:06:56,950 --> 01:06:54,480

until we nail this down otherwise we're

1782

01:06:59,750 --> 01:06:56,960

just talking about love as a

1783

01:07:00,390 --> 01:06:59,760

construct as a social construct as a you

1784

01:07:02,309 --> 01:07:00,400

know

1785

01:07:04,789 --> 01:07:02,319

it's not real it's just a biological

1786

01:07:05,670 --> 01:07:04,799

kind of thing yeah yeah

1787

01:07:08,309 --> 01:07:05,680

well

1788

01:07:09,270 --> 01:07:08,319

yeah what isn't a social construct these

1789

01:07:10,230 --> 01:07:09,280

days

1790

01:07:11,670 --> 01:07:10,240

but

1791

01:07:13,510 --> 01:07:11,680

you know i mean essentially you're

1792

01:07:17,990 --> 01:07:13,520

looking at

1793

01:07:19,829 --> 01:07:18,000

when did parapsychology go from

1794

01:07:21,910 --> 01:07:19,839

looking at being part of the human

1795

01:07:23,510 --> 01:07:21,920

potential movement

1796

01:07:25,270 --> 01:07:23,520

which i mean the human potential

1797

01:07:28,309 --> 01:07:25,280

movement

1798

01:07:30,710 --> 01:07:28,319

was you know be your best self be loving

1799

01:07:34,390 --> 01:07:30,720

connect with you know like let's connect

1800

01:07:37,910 --> 01:07:34,400

and be loving and it went from that

1801
01:07:40,230 --> 01:07:37,920
to being more of the transhumanist

1802
01:07:41,349 --> 01:07:40,240
you know humanity is done

1803
01:07:43,510 --> 01:07:41,359
let's

1804
01:07:46,150 --> 01:07:43,520
transfer our consciousness into robots

1805
01:07:48,870 --> 01:07:46,160
now and let's get rid of

1806
01:07:50,630 --> 01:07:48,880
love because love is what makes us do

1807
01:07:53,510 --> 01:07:50,640
all the bad things

1808
01:07:54,829 --> 01:07:53,520
you know love is what makes us

1809
01:07:56,390 --> 01:07:54,839
like they

1810
01:07:59,430 --> 01:07:56,400
they

1811
01:08:02,390 --> 01:07:59,440
transhumanism has no room for love

1812
01:08:05,670 --> 01:08:02,400
it absolutely you know like their basic

1813
01:08:07,990 --> 01:08:05,680

idea seems to be that

1814

01:08:10,390 --> 01:08:08,000

that uh humans are just

1815

01:08:12,710 --> 01:08:10,400

really really horrible creatures and

1816

01:08:15,349 --> 01:08:12,720

that it's our

1817

01:08:18,309 --> 01:08:15,359

desire to

1818

01:08:20,390 --> 01:08:18,319

have children and

1819

01:08:22,630 --> 01:08:20,400

form communities

1820

01:08:25,349 --> 01:08:22,640

and you know that that all leads to

1821

01:08:27,269 --> 01:08:25,359

having wars with other communities and

1822

01:08:30,070 --> 01:08:27,279

it leads to all the bad stuff in the

1823

01:08:31,910 --> 01:08:30,080

world and that humans are just so bad

1824

01:08:33,110 --> 01:08:31,920

that we have to

1825

01:08:35,110 --> 01:08:33,120

give up

1826

01:08:37,189 --> 01:08:35,120

all the good stuff to get rid of the bad

1827

01:08:38,950 --> 01:08:37,199

stuff so we have to give up the love

1828

01:08:41,669 --> 01:08:38,960

like that's what they're saying is is

1829

01:08:44,950 --> 01:08:41,679

that you have to give up the love to to

1830

01:08:47,269 --> 01:08:44,960

get a world that's peaceful

1831

01:08:49,349 --> 01:08:47,279

see and i i think that that both of

1832

01:08:52,229 --> 01:08:49,359

those uh

1833

01:08:54,070 --> 01:08:52,239

miss the point i think the human

1834

01:08:55,590 --> 01:08:54,080

potential movement

1835

01:08:58,709 --> 01:08:55,600

missed the point

1836

01:09:00,470 --> 01:08:58,719

and i think the transhumanism movement

1837

01:09:03,110 --> 01:09:00,480

misses the point

1838

01:09:04,550 --> 01:09:03,120

because the point to me is really at the

1839

01:09:08,229 --> 01:09:04,560

root of

1840

01:09:10,149 --> 01:09:08,239

your work

1841

01:09:12,630 --> 01:09:10,159

and that is

1842

01:09:14,309 --> 01:09:12,640

what is love

1843

01:09:16,470 --> 01:09:14,319

because

1844

01:09:19,030 --> 01:09:16,480

it and another way of stating the what

1845

01:09:20,709 --> 01:09:19,040

is love thing is the way that i put it

1846

01:09:23,110 --> 01:09:20,719

to dean and dean

1847

01:09:24,149 --> 01:09:23,120

immediately got very

1848

01:09:25,749 --> 01:09:24,159

kind of

1849

01:09:26,789 --> 01:09:25,759

was pulling back on the issue i can

1850

01:09:30,070 --> 01:09:26,799

actually i'm going to pull it up and

1851

01:09:34,390 --> 01:09:31,669

yeah you're talking about issues of

1852

01:09:37,590 --> 01:09:34,400

morality and ethics and

1853

01:09:40,630 --> 01:09:37,600

uh it's it might be related to all this

1854

01:09:43,590 --> 01:09:40,640

but i'm i'm not sure i would go there

1855

01:09:45,510 --> 01:09:43,600

except for with one proviso

1856

01:09:47,829 --> 01:09:45,520

and that is um

1857

01:09:48,709 --> 01:09:47,839

if you completely adopt materialism as

1858

01:09:51,430 --> 01:09:48,719

the

1859

01:09:53,829 --> 01:09:51,440

your way that you'll understand reality

1860

01:09:55,910 --> 01:09:53,839

then that leads to a picture of the

1861

01:09:57,990 --> 01:09:55,920

world wizard which is nihilism

1862

01:09:59,669 --> 01:09:58,000

which means there there is no ultimate

1863

01:10:01,510 --> 01:09:59,679

purpose to anything

1864

01:10:02,950 --> 01:10:01,520

uh when when your body dies you're dead

1865

01:10:05,110 --> 01:10:02,960

that's the end of it

1866

01:10:08,229 --> 01:10:05,120

um and and is

1867

01:10:10,470 --> 01:10:08,239

collected into this equip of he who dies

1868

01:10:12,310 --> 01:10:10,480

with the most toys wins

1869

01:10:13,910 --> 01:10:12,320

that's that

1870

01:10:16,310 --> 01:10:13,920

gives rise to the modern world that we

1871

01:10:19,030 --> 01:10:16,320

see today where essentially business is

1872

01:10:20,390 --> 01:10:19,040

extractive it is it's taking things out

1873

01:10:21,750 --> 01:10:20,400

of the natural world turning into

1874

01:10:22,870 --> 01:10:21,760

something else and then selling it to

1875

01:10:26,149 --> 01:10:22,880

you

1876

01:10:29,350 --> 01:10:26,159

well that's not sustainable

1877

01:10:30,390 --> 01:10:29,360

okay so this is really the issue right

1878

01:10:31,750 --> 01:10:30,400

there

1879

01:10:34,149 --> 01:10:31,760

and that

1880

01:10:35,430 --> 01:10:34,159

in that i would say it's like so many

1881

01:10:37,590 --> 01:10:35,440

things

1882

01:10:39,189 --> 01:10:37,600

most people are going to listen to that

1883

01:10:42,870 --> 01:10:39,199

and they're going to be nodding their

1884

01:10:45,830 --> 01:10:42,880

head like yeah yeah yeah all the way

1885

01:10:48,630 --> 01:10:45,840

i would suggest that it is logically

1886

01:10:49,830 --> 01:10:48,640

inconsistent and incoherent

1887

01:10:50,709 --> 01:10:49,840

in that

1888

01:10:53,510 --> 01:10:50,719

you know

1889

01:10:55,430 --> 01:10:53,520

the morality question is at the center

1890

01:10:57,990 --> 01:10:55,440

of this in that

1891

01:11:00,229 --> 01:10:58,000

the big morality question is is there

1892

01:11:05,110 --> 01:11:00,239

good and bad

1893

01:11:06,310 --> 01:11:05,120

outside of the moral construct because

1894

01:11:08,070 --> 01:11:06,320

you just said something you know you

1895

01:11:11,270 --> 01:11:08,080

said hey everything's a moral construct

1896

01:11:13,590 --> 01:11:11,280

these days ha ha well

1897

01:11:15,510 --> 01:11:13,600

that's always been true right we

1898

01:11:16,229 --> 01:11:15,520

understand that

1899

01:11:20,390 --> 01:11:16,239

is

1900

01:11:22,870 --> 01:11:20,400

no well what about in war what about in

1901

01:11:26,229 --> 01:11:22,880

self-defense oh well then maybe so

1902

01:11:27,510 --> 01:11:26,239

everything has that element of moral

1903

01:11:29,910 --> 01:11:27,520

construct

1904

01:11:33,030 --> 01:11:29,920

the philosophical question that we're

1905

01:11:35,830 --> 01:11:33,040

supposed to be answering in science that

1906

01:11:39,669 --> 01:11:35,840

dean i always thought was at the core of

1907

01:11:41,430 --> 01:11:39,679

his thing is of course we get that part

1908

01:11:43,350 --> 01:11:41,440

what we want to know

1909

01:11:45,110 --> 01:11:43,360

is there ever

1910

01:11:47,830 --> 01:11:45,120

any time

1911

01:11:50,470 --> 01:11:47,840

when there is some aspect of it even the

1912

01:11:51,910 --> 01:11:50,480

smallest part of it that is more than a

1913

01:11:54,470 --> 01:11:51,920

social construct

1914

01:11:56,470 --> 01:11:54,480

is there ever anything more

1915

01:11:59,350 --> 01:11:56,480

and he's saying he's contradicting

1916

01:12:01,350 --> 01:11:59,360

himself because he's saying well i think

1917

01:12:03,750 --> 01:12:01,360

that we would want to do these good

1918

01:12:06,830 --> 01:12:03,760

things why would we want to do if it's

1919

01:12:09,189 --> 01:12:06,840

purely a moral construct then all that

1920

01:12:11,510 --> 01:12:09,199

environmentally sound stuff that people

1921

01:12:13,830 --> 01:12:11,520

get all excited about doesn't really

1922

01:12:15,910 --> 01:12:13,840

make any sense it's just a moral

1923

01:12:18,630 --> 01:12:15,920

construct it's just people agreeing well

1924

01:12:20,229 --> 01:12:18,640

shouldn't we save the planet why

1925

01:12:21,430 --> 01:12:20,239

well because

1926

01:12:22,550 --> 01:12:21,440

of our kids

1927

01:12:28,870 --> 01:12:22,560

why

1928

01:12:33,350 --> 01:12:28,880

if there isn't at the core of it

1929

01:12:38,310 --> 01:12:33,360

some kind of moral sense of this is good

1930

01:12:41,669 --> 01:12:38,320

this is bad and i can't believe that he

1931

01:12:44,310 --> 01:12:41,679

kind of has conflated those two in a way

1932

01:12:46,790 --> 01:12:44,320

but then again i can because i just see

1933

01:12:49,030 --> 01:12:46,800

everybody doing it over and over again

1934

01:12:52,229 --> 01:12:49,040

you you have to be kind of a purist

1935

01:12:54,870 --> 01:12:52,239

radical philosopher to see that this is

1936

01:12:57,030 --> 01:12:54,880

the core question is there a moral

1937

01:12:59,270 --> 01:12:57,040

imperative of course there's a moral

1938

01:13:01,990 --> 01:12:59,280

imperative that's what the near-death

1939

01:13:04,390 --> 01:13:02,000

experience tells us and it tells us as

1940

01:13:06,310 --> 01:13:04,400

clearly as it could be it's the number

1941

01:13:07,830 --> 01:13:06,320

one thing that people go back and say

1942

01:13:11,030 --> 01:13:07,840

there is love

1943

01:13:11,910 --> 01:13:11,040

there is good there is light it changed

1944

01:13:14,950 --> 01:13:11,920

me

1945

01:13:17,510 --> 01:13:14,960

you can't have all that data like at 90

1946

01:13:19,910 --> 01:13:17,520

percent and then turn around and go well

1947

01:13:22,229 --> 01:13:19,920

i wouldn't believe it even if they even

1948

01:13:23,910 --> 01:13:22,239

if they told me so

1949

01:13:26,630 --> 01:13:23,920

yeah no i

1950

01:13:27,990 --> 01:13:26,640

i would totally agree that love is is a

1951

01:13:30,390 --> 01:13:28,000

real thing

1952

01:13:34,310 --> 01:13:32,630

you know it's funny when i was when i

1953

01:13:35,990 --> 01:13:34,320

did my first university degree it was

1954

01:13:37,350 --> 01:13:36,000

fine arts degree

1955

01:13:40,070 --> 01:13:37,360

and

1956

01:13:42,149 --> 01:13:40,080

the uh the fellow who uh supervised my

1957

01:13:44,709 --> 01:13:42,159

thesis there

1958

01:13:47,110 --> 01:13:44,719

he he kind of he told me the secret to

1959

01:13:49,189 --> 01:13:47,120

the universe when i was just a teenager

1960

01:13:51,270 --> 01:13:49,199

and basically he said that there is no

1961

01:13:54,709 --> 01:13:51,280

art without love

1962

01:13:56,630 --> 01:13:54,719

and and he said that really you know

1963

01:14:00,790 --> 01:13:56,640

good art and bad art he said that you

1964

01:14:01,990 --> 01:14:00,800

know drawings on on on a piece of paper

1965

01:14:05,990 --> 01:14:02,000

what

1966

01:14:08,550 --> 01:14:06,000

um

1967

01:14:10,070 --> 01:14:08,560

have an effect on others

1968

01:14:13,590 --> 01:14:10,080

is love

1969

01:14:15,830 --> 01:14:13,600

is is the you know like you have to do

1970

01:14:17,990 --> 01:14:15,840

where if you're going to be an artist

1971

01:14:20,149 --> 01:14:18,000

you have to put your love into your work

1972

01:14:22,149 --> 01:14:20,159

or it's crap

1973

01:14:23,750 --> 01:14:22,159

that's i mean that was how he described

1974

01:14:25,590 --> 01:14:23,760

it and i didn't really understand that

1975

01:14:28,229 --> 01:14:25,600

until i was a lot older

1976

01:14:29,910 --> 01:14:28,239

that really it's it's the love you put

1977

01:14:32,950 --> 01:14:29,920

into things

1978

01:14:33,750 --> 01:14:32,960

is what makes it meaningful

1979

01:14:40,229 --> 01:14:33,760

and

1980

01:14:42,630 --> 01:14:40,239

is a real thing

1981

01:14:45,030 --> 01:14:42,640

you know you keep saying that how do we

1982

01:14:46,790 --> 01:14:45,040

know that that's true

1983

01:14:48,310 --> 01:14:46,800

how do we know that because we have to

1984

01:14:50,950 --> 01:14:48,320

consider

1985

01:14:53,830 --> 01:14:50,960

the the alternative to that

1986

01:14:57,350 --> 01:14:53,840

is that love is merely

1987

01:15:00,070 --> 01:14:57,360

a biological function of your brain

1988

01:15:02,630 --> 01:15:00,080

it's this soup of chemicals that you're

1989

01:15:04,630 --> 01:15:02,640

swimming in being released inside your

1990

01:15:07,189 --> 01:15:04,640

body and we can

1991

01:15:09,910 --> 01:15:07,199

there's there's correlation there right

1992

01:15:11,189 --> 01:15:09,920

we can see that we can shoot people full

1993

01:15:12,790 --> 01:15:11,199

of these chemicals or measure when

1994

01:15:14,149 --> 01:15:12,800

they're full of these chemicals and we

1995

01:15:16,229 --> 01:15:14,159

can measure we can ask them their

1996

01:15:19,030 --> 01:15:16,239

feelings and they feel more quote

1997

01:15:21,350 --> 01:15:19,040

unquote love how do we know there isn't

1998

01:15:26,790 --> 01:15:21,360

anything more to it

1999

01:15:31,270 --> 01:15:28,870

well i mean i'll give you i'll give you

2000

01:15:32,950 --> 01:15:31,280

a hint you give me a hint you'll give me

2001

01:15:34,550 --> 01:15:32,960

well i mean as a near-death experiencer

2002

01:15:37,750 --> 01:15:34,560

i guess i just don't doubt it so it's

2003

01:15:42,229 --> 01:15:39,350

nope

2004

01:15:45,430 --> 01:15:42,239

but uh it's in your lab

2005

01:15:48,390 --> 01:15:45,440

it's in your pk lab

2006

01:15:50,070 --> 01:15:48,400

let me play an another clip here and

2007

01:15:54,229 --> 01:15:50,080

you'll see you know you don't have to

2008

01:15:58,550 --> 01:15:56,229

all of the experiments involving mind

2009

01:16:00,709 --> 01:15:58,560

and matter are essentially asking the

2010

01:16:03,510 --> 01:16:00,719

question is mind

2011

01:16:06,229 --> 01:16:03,520

is it causal or put in broader sense is

2012

01:16:09,110 --> 01:16:06,239

consciousness causal in the physical

2013

01:16:10,550 --> 01:16:09,120

world does it play a role other than

2014

01:16:13,350 --> 01:16:10,560

within the body

2015

01:16:15,189 --> 01:16:13,360

and so one way of thinking it is that i

2016

01:16:16,870 --> 01:16:15,199

can use my intention

2017

01:16:18,630 --> 01:16:16,880

and make something happen with a hundred

2018

01:16:20,709 --> 01:16:18,640

percent reliability

2019

01:16:23,189 --> 01:16:20,719

so i shall now demonstrate that

2020

01:16:25,110 --> 01:16:23,199

uh right arm move up

2021

01:16:27,910 --> 01:16:25,120

well it did that well it's just a mind

2022

01:16:30,149 --> 01:16:27,920

matter interaction my intention

2023

01:16:32,550 --> 01:16:30,159

has made something happen

2024

01:16:34,550 --> 01:16:32,560

the question here though is what else

2025

01:16:36,390 --> 01:16:34,560

can it do is it purely something within

2026

01:16:38,229 --> 01:16:36,400

the body or does it act at a distance so

2027

01:16:39,030 --> 01:16:38,239

the non-local aspect of it is saying

2028

01:16:40,790 --> 01:16:39,040

that

2029

01:16:43,830 --> 01:16:40,800

at a distance

2030

01:16:45,350 --> 01:16:43,840

my thoughts can influence something else

2031

01:16:47,030 --> 01:16:45,360

and we can measure that it actually

2032

01:16:48,870 --> 01:16:47,040

happened

2033

01:16:50,709 --> 01:16:48,880

what makes it and that's that's uh

2034

01:16:51,590 --> 01:16:50,719

non-local in space

2035

01:16:53,590 --> 01:16:51,600

so

2036

01:16:55,990 --> 01:16:53,600

stay with me here there's a leap of

2037

01:16:57,430 --> 01:16:56,000

logic but it really isn't a big one

2038

01:16:58,550 --> 01:16:57,440

just a lot of people don't want to go

2039

01:17:00,630 --> 01:16:58,560

down it

2040

01:17:03,350 --> 01:17:00,640

and that's that

2041

01:17:05,510 --> 01:17:03,360

so what you proved in the lab directly

2042

01:17:06,470 --> 01:17:05,520

is what he's saying right

2043

01:17:11,669 --> 01:17:06,480

and

2044

01:17:13,990 --> 01:17:11,679

way for a particular reason because he

2045

01:17:16,149 --> 01:17:14,000

he framed up his experiments inside of

2046

01:17:18,470 --> 01:17:16,159

the double slit experiment because

2047

01:17:20,310 --> 01:17:18,480

that's what science was

2048

01:17:22,630 --> 01:17:20,320

ready to take they said okay we've seen

2049

01:17:23,830 --> 01:17:22,640

that thing done a thousand times we've

2050

01:17:25,990 --> 01:17:23,840

seen that trick

2051
01:17:27,110 --> 01:17:26,000
done on stage a thousand times and he

2052
01:17:29,430 --> 01:17:27,120
said ah

2053
01:17:30,790 --> 01:17:29,440
but you haven't seen it done this way

2054
01:17:32,630 --> 01:17:30,800
and then he does the double slit

2055
01:17:34,550 --> 01:17:32,640
experiment he does the

2056
01:17:36,310 --> 01:17:34,560
does the entanglement thing and the

2057
01:17:38,229 --> 01:17:36,320
coherence thing and he shows the eye

2058
01:17:39,110 --> 01:17:38,239
dilation thing and all that and everyone

2059
01:17:40,149 --> 01:17:39,120
goes

2060
01:17:43,350 --> 01:17:40,159
wow

2061
01:17:46,229 --> 01:17:43,360
now if he really wanted to get ooh owls

2062
01:17:48,630 --> 01:17:46,239
he'd have cheryl lee spin the wheel

2063
01:17:51,910 --> 01:17:48,640

i'm dead serious spin the wheel is a

2064

01:17:54,470 --> 01:17:51,920

thousand times more powerful in terms of

2065

01:17:57,510 --> 01:17:54,480

its power to convince someone than

2066

01:17:59,590 --> 01:17:57,520

anything that dean has done but that's

2067

01:18:02,149 --> 01:17:59,600

okay and that's why

2068

01:18:03,350 --> 01:18:02,159

the experimenters that you do it then

2069

01:18:05,189 --> 01:18:03,360

gotta go

2070

01:18:07,030 --> 01:18:05,199

don't don't stop it i know i asked you

2071

01:18:08,790 --> 01:18:07,040

to do it but now stop doing it because i

2072

01:18:11,189 --> 01:18:08,800

can't handle it anymore right i mean

2073

01:18:13,030 --> 01:18:11,199

it's a more powerful experiment well

2074

01:18:14,870 --> 01:18:13,040

dean's had other people in his lab that

2075

01:18:17,669 --> 01:18:14,880

could move stuff in

2076

01:18:19,590 --> 01:18:17,679

like do the pk stuff like i i wouldn't

2077

01:18:22,709 --> 01:18:19,600

have been even the first

2078

01:18:25,030 --> 01:18:22,719

but he didn't he he explained to me that

2079

01:18:27,030 --> 01:18:25,040

it was just incredibly expensive to do

2080

01:18:28,310 --> 01:18:27,040

that kind of experimentation to a

2081

01:18:30,310 --> 01:18:28,320

standard

2082

01:18:31,990 --> 01:18:30,320

in which he would be

2083

01:18:34,550 --> 01:18:32,000

willing to put his name behind kind of

2084

01:18:36,390 --> 01:18:34,560

thing but certainly

2085

01:18:38,470 --> 01:18:36,400

certainly i would not have been this

2086

01:18:42,070 --> 01:18:38,480

first person going

2087

01:18:42,870 --> 01:18:42,080

to california to do that kind of thing

2088

01:18:46,950 --> 01:18:42,880

you know

2089

01:18:49,430 --> 01:18:46,960

and i'm certainly not the only one out

2090

01:18:50,870 --> 01:18:49,440

there who could and

2091

01:18:53,110 --> 01:18:50,880

you know and i've talked to other people

2092

01:18:56,709 --> 01:18:53,120

it's funny because after i did that ions

2093

01:18:58,790 --> 01:18:56,719

video there was another fellow um

2094

01:18:59,590 --> 01:18:58,800

sean mcnamara

2095

01:19:01,590 --> 01:18:59,600

who

2096

01:19:03,430 --> 01:19:01,600

saw the video and thought gee i wonder

2097

01:19:05,669 --> 01:19:03,440

if i could do that

2098

01:19:07,510 --> 01:19:05,679

and he found out he could

2099

01:19:09,750 --> 01:19:07,520

and so he's actually teaching classes

2100

01:19:12,709 --> 01:19:09,760

and doing it now because he thinks it's

2101

01:19:15,110 --> 01:19:12,719

a cool thing and he's like you know been

2102

01:19:16,470 --> 01:19:15,120

to some labs too and

2103

01:19:18,070 --> 01:19:16,480

you know i think that he's had some

2104

01:19:20,070 --> 01:19:18,080

frustrations

2105

01:19:21,990 --> 01:19:20,080

in terms of dealing with researchers

2106

01:19:23,750 --> 01:19:22,000

that

2107

01:19:26,310 --> 01:19:23,760

it's almost like the better your results

2108

01:19:28,870 --> 01:19:26,320

the less they want to do with you

2109

01:19:31,510 --> 01:19:28,880

okay let me try and continue to stitch

2110

01:19:33,189 --> 01:19:31,520

this together here is my friend of me

2111

01:19:36,149 --> 01:19:33,199

michael shermer

2112

01:19:38,950 --> 01:19:36,159

talking to joe rogan about life after

2113

01:19:41,350 --> 01:19:38,960

death a book i interviewed him on the

2114

01:19:44,550 --> 01:19:41,360

show about and he completely failed i

2115

01:19:46,070 --> 01:19:44,560

mean he misquoted all the researchers

2116

01:19:48,070 --> 01:19:46,080

that he was quoting in his book and i

2117

01:19:49,830 --> 01:19:48,080

pointed that out to him and

2118

01:19:52,790 --> 01:19:49,840

michael in his typical way just handled

2119

01:19:54,149 --> 01:19:52,800

it with the greatest ease and uh

2120

01:19:56,870 --> 01:19:54,159

sidestepping

2121

01:19:58,790 --> 01:19:56,880

no just the the kind of panache you know

2122

01:20:00,790 --> 01:19:58,800

kind of like a wow well that's an

2123

01:20:03,270 --> 01:20:00,800

interesting thought you're having there

2124

01:20:06,070 --> 01:20:03,280

but uh here's what's really kind of the

2125

01:20:08,550 --> 01:20:06,080

thing so this is uh michael shermer on

2126
01:20:09,750 --> 01:20:08,560
joe rogan two luciferian guys talking

2127
01:20:12,229 --> 01:20:09,760
about

2128
01:20:15,030 --> 01:20:12,239
do what thou wilt and uh yeah i see you

2129
01:20:17,430 --> 01:20:15,040
left see no one else you get the joke no

2130
01:20:19,830 --> 01:20:17,440
one else gets the joke

2131
01:20:21,669 --> 01:20:19,840
but it's not really a joke because if

2132
01:20:23,030 --> 01:20:21,679
you're looking at the world this way

2133
01:20:25,750 --> 01:20:23,040
there's only a couple ways to divide the

2134
01:20:27,990 --> 01:20:25,760
world and that's the gnostic luciferian

2135
01:20:29,590 --> 01:20:28,000
ways one way to divide it the light and

2136
01:20:31,590 --> 01:20:29,600
love is the other way to divide it and

2137
01:20:33,990 --> 01:20:31,600
it really is a lot more complicated than

2138
01:20:35,830 --> 01:20:34,000

that it really is that simple okay take

2139

01:20:37,669 --> 01:20:35,840

it away michael

2140

01:20:38,870 --> 01:20:37,679

but if you think about it from a simple

2141

01:20:40,790 --> 01:20:38,880

perspective

2142

01:20:42,310 --> 01:20:40,800

the entire universe is in your brain and

2143

01:20:44,550 --> 01:20:42,320

when you cease to exist the universe

2144

01:20:46,550 --> 01:20:44,560

ceases to exist it's just sort of true

2145

01:20:47,830 --> 01:20:46,560

by definition no he goes a little bit

2146

01:20:50,070 --> 01:20:47,840

further and says you know that

2147

01:20:52,870 --> 01:20:50,080

consciousness is everything and that we

2148

01:20:54,229 --> 01:20:52,880

bring into existence material stuff by

2149

01:20:55,669 --> 01:20:54,239

thinking about or observing it or

2150

01:20:57,669 --> 01:20:55,679

whatever and here's some quantum physics

2151

01:20:59,350 --> 01:20:57,679

experiments that are really spooky

2152

01:21:01,030 --> 01:20:59,360

it's like okay timeout you know no

2153

01:21:02,550 --> 01:21:01,040

quantum physics is weird and spooky

2154

01:21:04,870 --> 01:21:02,560

consciousness is weird and spooky that

2155

01:21:07,270 --> 01:21:04,880

doesn't mean they're connected what

2156

01:21:09,110 --> 01:21:07,280

that is a classic

2157

01:21:13,270 --> 01:21:09,120

classic michael shermer because of

2158

01:21:15,669 --> 01:21:13,280

course he gets it wrong and that's why i

2159

01:21:17,750 --> 01:21:15,679

played the first clip with uh

2160

01:21:19,590 --> 01:21:17,760

our friend dean rayden because

2161

01:21:22,709 --> 01:21:19,600

experimentally

2162

01:21:24,390 --> 01:21:22,719

dean rayden has falsified

2163

01:21:25,910 --> 01:21:24,400

what michael shermer is saying and

2164

01:21:28,390 --> 01:21:25,920

michael shermer isn't michael sherman

2165

01:21:31,910 --> 01:21:28,400

michael schumer is the stand-in here for

2166

01:21:34,550 --> 01:21:31,920

science for neuroscience for the

2167

01:21:36,550 --> 01:21:34,560

paradigm that they're propping up right

2168

01:21:38,470 --> 01:21:36,560

so the important part is that

2169

01:21:39,990 --> 01:21:38,480

experimentally

2170

01:21:43,110 --> 01:21:40,000

every which way

2171

01:21:45,110 --> 01:21:43,120

dean has falsified that that this

2172

01:21:47,590 --> 01:21:45,120

quantum physics

2173

01:21:49,189 --> 01:21:47,600

mumbo jumbo that sherma that shermer

2174

01:21:51,030 --> 01:21:49,199

keeps alluding to

2175

01:21:53,750 --> 01:21:51,040

is the foundation of our modern

2176
01:21:57,350 --> 01:21:53,760
technology it's how cell phones work its

2177
01:21:59,590 --> 01:21:57,360
house uh elon musk shoots his satellite

2178
01:22:02,790 --> 01:21:59,600
internet to everybody it's at the core

2179
01:22:04,629 --> 01:22:02,800
of all that it's not woo-woo and then

2180
01:22:07,189 --> 01:22:04,639
when you take it and you apply it like

2181
01:22:09,750 --> 01:22:07,199
dean raiden did you can show that there

2182
01:22:13,189 --> 01:22:09,760
is the kind of connection between

2183
01:22:15,830 --> 01:22:13,199
consciousness and this quantum effect of

2184
01:22:18,790 --> 01:22:15,840
the observer effect and entanglement

2185
01:22:21,189 --> 01:22:18,800
that's exactly what he proved in his lab

2186
01:22:24,229 --> 01:22:21,199
let's let let's let joe take it away one

2187
01:22:27,590 --> 01:22:24,239
step further into a pure luciferian

2188
01:22:29,750 --> 01:22:27,600

nonsense don't we just say we don't know

2189

01:22:31,750 --> 01:22:29,760

why don't we speculate on the

2190

01:22:33,830 --> 01:22:31,760

possibility of

2191

01:22:37,189 --> 01:22:33,840

consciousness being some sort of

2192

01:22:39,350 --> 01:22:37,199

ethereal thing or something that

2193

01:22:40,790 --> 01:22:39,360

exists outside of the bible we don't

2194

01:22:41,830 --> 01:22:40,800

know

2195

01:22:44,629 --> 01:22:41,840

okay

2196

01:22:47,590 --> 01:22:44,639

the reason that we don't is we're fine

2197

01:22:49,510 --> 01:22:47,600

to do that but what we want

2198

01:22:51,910 --> 01:22:49,520

is something more than that

2199

01:22:54,149 --> 01:22:51,920

we want to know in the way that you are

2200

01:22:57,110 --> 01:22:54,159

speculating because we are forced to

2201

01:22:58,790 --> 01:22:57,120

speculate in our life our life demands

2202

01:23:01,910 --> 01:22:58,800

that we speculate

2203

01:23:03,189 --> 01:23:01,920

is there good and bad or is there not

2204

01:23:04,229 --> 01:23:03,199

good and bad

2205

01:23:10,310 --> 01:23:04,239

is

2206

01:23:13,030 --> 01:23:10,320

imperative joe can talk about

2207

01:23:15,110 --> 01:23:13,040

speculating but he's again is

2208

01:23:18,390 --> 01:23:15,120

misunderstanding

2209

01:23:20,629 --> 01:23:18,400

he's conflating the real issue

2210

01:23:22,390 --> 01:23:20,639

you choose with your life

2211

01:23:24,629 --> 01:23:22,400

whether you believe there's a moral

2212

01:23:26,629 --> 01:23:24,639

imperative or whether you don't think

2213

01:23:28,229 --> 01:23:26,639

there's a moral imperative

2214

01:23:29,750 --> 01:23:28,239

joe rogan

2215

01:23:31,669 --> 01:23:29,760

michael shermer

2216

01:23:35,350 --> 01:23:31,679

and unfortunately

2217

01:23:38,629 --> 01:23:35,360

dr dean rayden are choosing to not

2218

01:23:40,310 --> 01:23:38,639

believe that there is a moral imperative

2219

01:23:42,790 --> 01:23:40,320

by default then

2220

01:23:45,270 --> 01:23:42,800

they are living their life as if there

2221

01:23:47,510 --> 01:23:45,280

is not a moral imperative there's a it's

2222

01:23:48,629 --> 01:23:47,520

a binary thing you can't have it in the

2223

01:23:50,790 --> 01:23:48,639

middle

2224

01:23:52,470 --> 01:23:50,800

what did do you get do you get

2225

01:23:54,310 --> 01:23:52,480

what i'm saying well i don't think

2226

01:23:56,310 --> 01:23:54,320

anyone would have kind of

2227

01:23:57,130 --> 01:23:56,320

connected the dots the way

2228

01:23:58,790 --> 01:23:57,140

you do to get there

2229

01:24:00,629 --> 01:23:58,800

[Laughter]

2230

01:24:02,470 --> 01:24:00,639

but how else how else do you connect

2231

01:24:04,070 --> 01:24:02,480

them i don't i mean that honestly i

2232

01:24:06,709 --> 01:24:04,080

don't understand the i don't understand

2233

01:24:08,390 --> 01:24:06,719

the other connection what would it be

2234

01:24:10,070 --> 01:24:08,400

what to understand that there's a moral

2235

01:24:11,830 --> 01:24:10,080

imperative

2236

01:24:13,270 --> 01:24:11,840

so the thing is

2237

01:24:15,270 --> 01:24:13,280

you know

2238

01:24:17,910 --> 01:24:15,280

are you luciferian gnostic do what thou

2239

01:24:20,310 --> 01:24:17,920

wilt create better than the creator gods

2240

01:24:21,750 --> 01:24:20,320

or are you well

2241

01:24:22,790 --> 01:24:21,760

god is really

2242

01:24:25,510 --> 01:24:22,800

somehow

2243

01:24:26,709 --> 01:24:25,520

driving this or or is it all i have to

2244

01:24:29,510 --> 01:24:26,719

do is

2245

01:24:31,189 --> 01:24:29,520

look to the light and do the right thing

2246

01:24:33,430 --> 01:24:31,199

all i have to do is

2247

01:24:36,310 --> 01:24:33,440

do the right thing and

2248

01:24:38,550 --> 01:24:36,320

to tell the truth all i have to do is

2249

01:24:40,310 --> 01:24:38,560

treat other people the way that i know

2250

01:24:42,709 --> 01:24:40,320

is the right thing not the social

2251

01:24:44,950 --> 01:24:42,719

construct of what it is to treat people

2252

01:24:47,510 --> 01:24:44,960

the right way not what uh

2253

01:24:49,669 --> 01:24:47,520

trudeau says is the treat or biden is to

2254

01:24:51,830 --> 01:24:49,679

just know in my heart

2255

01:24:53,590 --> 01:24:51,840

what the right thing is to do i mean

2256

01:24:56,870 --> 01:24:53,600

this is not complicated why are these

2257

01:24:58,709 --> 01:24:56,880

guys making it complicated

2258

01:25:00,470 --> 01:24:58,719

yeah well i mean you know with trudeau

2259

01:25:03,830 --> 01:25:00,480

if he uh

2260

01:25:06,390 --> 01:25:03,840

he'll say one thing and do another so

2261

01:25:09,110 --> 01:25:06,400

uh-oh are you frozen oh you're back

2262

01:25:14,149 --> 01:25:11,590

i'm trying to give you a chance to talk

2263

01:25:16,470 --> 01:25:14,159

i get excited and i steal the mic

2264

01:25:18,310 --> 01:25:16,480

that's okay that's okay i don't

2265

01:25:21,669 --> 01:25:18,320

i don't know we're we're at the we're at

2266

01:25:22,550 --> 01:25:21,679

the core part of this thing is because

2267

01:25:25,830 --> 01:25:22,560

you're

2268

01:25:28,310 --> 01:25:25,840

that i do

2269

01:25:29,510 --> 01:25:28,320

you're making it to me i don't i don't

2270

01:25:31,430 --> 01:25:29,520

understand how this is at all

2271

01:25:34,790 --> 01:25:31,440

complicated

2272

01:25:36,709 --> 01:25:34,800

me because

2273

01:25:38,149 --> 01:25:36,719

because i've experienced

2274

01:25:41,590 --> 01:25:38,159

the big love

2275

01:25:44,470 --> 01:25:41,600

so i guess you know and i just

2276

01:25:46,310 --> 01:25:44,480

i see it and like everything

2277

01:25:49,510 --> 01:25:46,320

so

2278

01:25:50,550 --> 01:25:49,520

problem

2279

01:25:52,390 --> 01:25:50,560

you know

2280

01:25:54,950 --> 01:25:52,400

and i know that that's not how it is for

2281

01:25:57,270 --> 01:25:54,960

everybody else or or

2282

01:25:58,790 --> 01:25:57,280

or at least you know for a lot of people

2283

01:26:01,830 --> 01:25:58,800

it's not that way

2284

01:26:09,590 --> 01:26:02,950

and

2285

01:26:11,350 --> 01:26:09,600

used to have an easier time connecting

2286

01:26:13,430 --> 01:26:11,360

with that

2287

01:26:14,709 --> 01:26:13,440

and you know it's like we're setting up

2288

01:26:17,590 --> 01:26:14,719

our society

2289

01:26:18,790 --> 01:26:17,600

to take us away from it so much

2290

01:26:20,149 --> 01:26:18,800

you know with the computers and

2291

01:26:22,310 --> 01:26:20,159

everything

2292

01:26:24,149 --> 01:26:22,320

you know i agree with that part of it

2293

01:26:26,629 --> 01:26:24,159

but like the interesting thing in our

2294

01:26:29,510 --> 01:26:26,639

conversation here is

2295

01:26:31,030 --> 01:26:29,520

like i can see it in your body language

2296

01:26:32,790 --> 01:26:31,040

and in your eyes

2297

01:26:33,750 --> 01:26:32,800

is that it's an experiential thing for

2298

01:26:36,149 --> 01:26:33,760

you

2299

01:26:39,110 --> 01:26:36,159

it is

2300

01:26:40,790 --> 01:26:39,120

and it just it just dominates what what

2301

01:26:42,950 --> 01:26:40,800

you're about you know

2302

01:26:44,550 --> 01:26:42,960

yeah

2303

01:26:46,470 --> 01:26:44,560

and your experience and you're

2304

01:26:49,430 --> 01:26:46,480

approaching it from uh let's connect the

2305

01:26:51,030 --> 01:26:49,440

dots and look for evidence which and i

2306

01:26:53,270 --> 01:26:51,040

mean there's a scientist part of me

2307

01:26:55,830 --> 01:26:53,280

that's like yeah but and and you're

2308

01:26:58,149 --> 01:26:55,840

right if the pinwheel spins in the jar

2309

01:27:00,550 --> 01:26:58,159

then there's something more

2310

01:27:01,750 --> 01:27:00,560

to us

2311

01:27:05,030 --> 01:27:01,760

you know exactly

2312

01:27:06,550 --> 01:27:05,040

there is something if there's

2313

01:27:09,590 --> 01:27:06,560

that's that's it

2314

01:27:12,149 --> 01:27:09,600

and if there's something more to us

2315

01:27:13,510 --> 01:27:12,159

then i would suggest that the burden of

2316

01:27:15,990 --> 01:27:13,520

proof

2317

01:27:19,270 --> 01:27:16,000

is on those who were always fooled into

2318

01:27:20,870 --> 01:27:19,280

thinking that there wasn't more to us

2319

01:27:23,110 --> 01:27:20,880

to

2320

01:27:24,950 --> 01:27:23,120

put forth the best evidence

2321

01:27:26,550 --> 01:27:24,960

that some of that more

2322

01:27:29,189 --> 01:27:26,560

isn't love

2323

01:27:31,510 --> 01:27:29,199

because i think some of that more

2324

01:27:34,070 --> 01:27:31,520

is love is real love

2325

01:27:34,870 --> 01:27:34,080

is not the social construct love

2326

01:27:36,550 --> 01:27:34,880

but

2327

01:27:40,149 --> 01:27:36,560

of real

2328

01:27:43,590 --> 01:27:40,159

undescribable love

2329

01:27:45,430 --> 01:27:43,600

yeah yeah no like i said it was like

2330

01:27:47,590 --> 01:27:45,440

my art teacher told me all those years

2331

01:27:50,950 --> 01:27:47,600

ago it's it's

2332

01:27:52,310 --> 01:27:50,960

love is what makes things great

2333

01:27:56,790 --> 01:27:52,320

you know

2334

01:27:59,110 --> 01:27:56,800

things and and

2335

01:28:00,390 --> 01:27:59,120

makes real art

2336

01:28:00,800 --> 01:28:00,400

possible

2337

01:28:02,149 --> 01:28:00,810

um

2338

01:28:03,189 --> 01:28:02,159

[Music]

2339

01:28:05,830 --> 01:28:03,199

and

2340

01:28:07,910 --> 01:28:05,840

you know it's

2341

01:28:10,149 --> 01:28:07,920

it it's one of those things that i mean

2342

01:28:11,430 --> 01:28:10,159

i found in the laboratories like i know

2343

01:28:13,110 --> 01:28:11,440

because it's you're right they try and

2344

01:28:14,709 --> 01:28:13,120

subtract love when they look at it in

2345

01:28:17,110 --> 01:28:14,719

the laboratories

2346

01:28:19,910 --> 01:28:17,120

and perhaps that's the reason why i

2347

01:28:22,149 --> 01:28:19,920

found that when i go to a laboratory and

2348

01:28:24,070 --> 01:28:22,159

get good results

2349

01:28:26,310 --> 01:28:24,080

that that they don't want to see me

2350

01:28:29,189 --> 01:28:26,320

again

2351

01:28:31,590 --> 01:28:29,199

like i think that's part of it is that

2352

01:28:34,470 --> 01:28:31,600

is that you're right it on some level

2353

01:28:36,390 --> 01:28:34,480

you kind of have to acknowledge

2354

01:28:37,990 --> 01:28:36,400

that because the because the wheel's

2355

01:28:40,310 --> 01:28:38,000

spinning in the jar that

2356

01:28:42,470 --> 01:28:40,320

that love is a thing

2357

01:28:44,629 --> 01:28:42,480

it's funny how all these guys ultimately

2358

01:28:47,350 --> 01:28:44,639

come back to death

2359

01:28:49,030 --> 01:28:47,360

because that is what it's all about that

2360

01:28:50,870 --> 01:28:49,040

is the ultimate fear

2361

01:28:52,790 --> 01:28:50,880

that they're trying to escape that's

2362

01:28:55,350 --> 01:28:52,800

what they're intellectually trying to

2363

01:28:56,550 --> 01:28:55,360

wrestle to the ground that people like

2364

01:28:59,270 --> 01:28:56,560

you

2365

01:29:02,629 --> 01:28:59,280

there's no issue there's no issue with

2366

01:29:05,669 --> 01:29:02,639

with death there's no barrier

2367

01:29:07,430 --> 01:29:05,679

and for me from a logical philosophical

2368

01:29:10,950 --> 01:29:07,440

non-spiritual

2369

01:29:12,870 --> 01:29:10,960

there's no barrier to death i have zero

2370

01:29:16,470 --> 01:29:12,880

fear of death

2371

01:29:19,030 --> 01:29:16,480

zero fear of what comes after and i do

2372

01:29:21,110 --> 01:29:19,040

feel compelled to try and be

2373

01:29:22,310 --> 01:29:21,120

a better person

2374

01:29:25,830 --> 01:29:22,320

because

2375

01:29:28,229 --> 01:29:25,840

i do see it as a continuous journey and

2376

01:29:29,430 --> 01:29:28,239

something that i will be accountable for

2377

01:29:31,590 --> 01:29:29,440

again

2378

01:29:34,790 --> 01:29:31,600

this is obvious stuff

2379

01:29:37,590 --> 01:29:34,800

how is dean missing this how has he done

2380

01:29:39,830 --> 01:29:37,600

this brilliant science and is failing at

2381

01:29:41,350 --> 01:29:39,840

the big questions

2382

01:29:43,750 --> 01:29:41,360

that is the only

2383

01:29:44,790 --> 01:29:43,760

i'll stop there how how does that happen

2384

01:29:46,470 --> 01:29:44,800

how does that happen with the other

2385

01:29:48,070 --> 01:29:46,480

scientists you've seen

2386

01:29:50,390 --> 01:29:48,080

you know i

2387

01:29:52,070 --> 01:29:50,400

i think right now people are just

2388

01:29:53,350 --> 01:29:52,080

like with everything that's going on in

2389

01:29:55,110 --> 01:29:53,360

the world

2390

01:29:58,149 --> 01:29:55,120

that i think people

2391

01:30:00,870 --> 01:29:58,159

are just starting to give up on humanity

2392

01:30:03,110 --> 01:30:00,880

like that's i mean

2393

01:30:05,510 --> 01:30:03,120

to me that's what transhumanism is

2394

01:30:07,750 --> 01:30:05,520

really about it's it's giving up on the

2395

01:30:10,390 --> 01:30:07,760

love it's giving up on humanity because

2396

01:30:12,629 --> 01:30:10,400

you just think that

2397

01:30:15,590 --> 01:30:12,639

it's better to be the borg

2398

01:30:17,430 --> 01:30:15,600

you know i completely disagree and i

2399

01:30:21,830 --> 01:30:17,440

think that comes from the perspective of

2400

01:30:25,350 --> 01:30:21,840

someone who is in the love i think the

2401
01:30:26,550 --> 01:30:25,360
driving motivation is fear and control

2402
01:30:28,950 --> 01:30:26,560
fear of

2403
01:30:31,430 --> 01:30:28,960
their experience with

2404
01:30:33,510 --> 01:30:31,440
the ultimate annihilation of who they

2405
01:30:37,030 --> 01:30:33,520
are which we are all facing

2406
01:30:39,430 --> 01:30:37,040
and a need to somehow in some way

2407
01:30:42,310 --> 01:30:39,440
take control of that to create better

2408
01:30:44,629 --> 01:30:42,320
than the creator gods to find a way

2409
01:30:46,550 --> 01:30:44,639
out on the back end

2410
01:30:49,189 --> 01:30:46,560
okay so you think it's kind of like an

2411
01:30:51,910 --> 01:30:49,199
arrogance i think it's no well i think

2412
01:30:53,910 --> 01:30:51,920
it's an arrogance based on fear and my

2413
01:30:56,470 --> 01:30:53,920

supporting data for that would be this

2414

01:30:58,790 --> 01:30:56,480

has gone on through the ages it's really

2415

01:30:59,750 --> 01:30:58,800

not anything particularly unique about

2416

01:31:02,390 --> 01:30:59,760

us

2417

01:31:04,870 --> 01:31:02,400

they've always all these

2418

01:31:06,870 --> 01:31:04,880

guys in that camp have always said the

2419

01:31:09,350 --> 01:31:06,880

same thing all the magicians have always

2420

01:31:11,030 --> 01:31:09,360

said the same thing all the esoteric

2421

01:31:11,990 --> 01:31:11,040

people all the

2422

01:31:14,629 --> 01:31:12,000

uh

2423

01:31:17,270 --> 01:31:14,639

alister crowley types you know do what

2424

01:31:20,149 --> 01:31:17,280

thou wilt take you know

2425

01:31:21,910 --> 01:31:20,159

make you into you create better keep

2426
01:31:23,030 --> 01:31:21,920
saying it create better than the creator

2427
01:31:25,270 --> 01:31:23,040
gods

2428
01:31:26,709 --> 01:31:25,280
i don't think that i see like just when

2429
01:31:28,790 --> 01:31:26,719
i say that to you there's just like this

2430
01:31:31,270 --> 01:31:28,800
blank stare in your face like it's like

2431
01:31:33,430 --> 01:31:31,280
why would they want that why how does

2432
01:31:35,350 --> 01:31:33,440
that make any sense

2433
01:31:38,950 --> 01:31:35,360
what would i what would i possibly

2434
01:31:42,070 --> 01:31:38,960
create that would be better than

2435
01:31:43,510 --> 01:31:42,080
the light than god than love what could

2436
01:31:45,830 --> 01:31:43,520
i possibly

2437
01:31:48,310 --> 01:31:45,840
i don't you know it yeah there's a blank

2438
01:31:49,750 --> 01:31:48,320

look on your face right yeah well i mean

2439

01:31:51,590 --> 01:31:49,760

that's why this conversation is

2440

01:31:54,310 --> 01:31:51,600

difficult for me

2441

01:31:56,310 --> 01:31:54,320

because i don't i don't get get like why

2442

01:31:57,990 --> 01:31:56,320

they would want that

2443

01:31:59,110 --> 01:31:58,000

but but you're right i think a lot of

2444

01:32:01,270 --> 01:31:59,120

them

2445

01:32:03,189 --> 01:32:01,280

are certainly going there

2446

01:32:04,390 --> 01:32:03,199

um

2447

01:32:06,070 --> 01:32:04,400

you know like

2448

01:32:07,430 --> 01:32:06,080

i mean you even see it in pop culture

2449

01:32:09,350 --> 01:32:07,440

like i just want

2450

01:32:11,669 --> 01:32:09,360

not not that i'm a fan of the latest

2451

01:32:13,590 --> 01:32:11,679

star trek because it kind of sucks but

2452

01:32:16,310 --> 01:32:13,600

but you know like in the the last

2453

01:32:18,470 --> 01:32:16,320

episode of discovery this season where

2454

01:32:21,030 --> 01:32:18,480

they're you know the aliens are a

2455

01:32:23,030 --> 01:32:21,040

collective and they don't understand

2456

01:32:25,270 --> 01:32:23,040

that there's

2457

01:32:26,709 --> 01:32:25,280

you know many many people as opposed to

2458

01:32:29,270 --> 01:32:26,719

just one

2459

01:32:31,350 --> 01:32:29,280

you know one collective person and you

2460

01:32:34,310 --> 01:32:31,360

know they're and they're a good

2461

01:32:35,669 --> 01:32:34,320

alien that that uh you know because

2462

01:32:37,590 --> 01:32:35,679

they're

2463

01:32:40,950 --> 01:32:37,600

just one consciousness type of thing and

2464

01:32:42,709 --> 01:32:40,960

it's like individuality is okay too

2465

01:32:44,390 --> 01:32:42,719

you know because that's part of it like

2466

01:32:47,030 --> 01:32:44,400

i didn't you know i didn't come back

2467

01:32:48,709 --> 01:32:47,040

from my nde thinking that i wasn't an

2468

01:32:50,790 --> 01:32:48,719

individual

2469

01:32:52,149 --> 01:32:50,800

i i mean i'm part of something bigger

2470

01:32:55,910 --> 01:32:52,159

but

2471

01:33:00,870 --> 01:32:57,030

and i think all the different

2472

01:33:02,229 --> 01:33:00,880

expressions of me are good

2473

01:33:04,870 --> 01:33:02,239

well this is one of the things that came

2474

01:33:06,950 --> 01:33:04,880

up in the interview with dean you know

2475

01:33:10,070 --> 01:33:06,960

that i think is gonna throw a lot of

2476

01:33:12,709 --> 01:33:10,080

people for a huge loop and it should

2477

01:33:14,870 --> 01:33:12,719

because again the art aspect of it is

2478

01:33:16,310 --> 01:33:14,880

kind of interesting when people start

2479

01:33:18,470 --> 01:33:16,320

talking about their art then they're

2480

01:33:20,709 --> 01:33:18,480

freed up to talk more freely and that's

2481

01:33:23,510 --> 01:33:20,719

what dean does and he says hey this hive

2482

01:33:25,189 --> 01:33:23,520

mind thing this is the way to go you

2483

01:33:27,590 --> 01:33:25,199

know we figured out how to jab you in

2484

01:33:30,390 --> 01:33:27,600

the arm and change your dna and wouldn't

2485

01:33:32,790 --> 01:33:30,400

it be cool if we could change your dna

2486

01:33:36,229 --> 01:33:32,800

so that you were a hive mind rather than

2487

01:33:37,750 --> 01:33:36,239

this individualistic kind of thing and

2488

01:33:40,149 --> 01:33:37,760

you can't

2489

01:33:43,510 --> 01:33:40,159

kind of a priori say

2490

01:33:46,470 --> 01:33:43,520

that's that's crazy dean no one would

2491

01:33:48,870 --> 01:33:46,480

ever want that you can't be a luddite

2492

01:33:51,350 --> 01:33:48,880

and say that somebody isn't going to try

2493

01:33:53,590 --> 01:33:51,360

and do that because as soon as we get

2494

01:33:55,189 --> 01:33:53,600

the technical capability to do it which

2495

01:33:57,350 --> 01:33:55,199

we already have by the way

2496

01:33:59,830 --> 01:33:57,360

someone will try and do it

2497

01:34:02,950 --> 01:33:59,840

the that's what drives the moral

2498

01:34:04,390 --> 01:34:02,960

imperative the only thing we can really

2499

01:34:07,910 --> 01:34:04,400

ask is

2500

01:34:10,550 --> 01:34:07,920

is that what i should do right now

2501
01:34:11,750 --> 01:34:10,560
is that the best thing for my soul right

2502
01:34:14,229 --> 01:34:11,760
now

2503
01:34:16,790 --> 01:34:14,239
that is the only question

2504
01:34:18,470 --> 01:34:16,800
indeed doesn't seem to be tied in tuned

2505
01:34:21,189 --> 01:34:18,480
into that question

2506
01:34:23,430 --> 01:34:21,199
is that if it happens or not

2507
01:34:26,070 --> 01:34:23,440
you can't control that but do you want

2508
01:34:27,510 --> 01:34:26,080
to be the guy to do it

2509
01:34:29,750 --> 01:34:27,520
yeah

2510
01:34:31,430 --> 01:34:29,760
i don't know i don't know i mean maybe

2511
01:34:34,070 --> 01:34:31,440
someday we'll

2512
01:34:35,910 --> 01:34:34,080
you know you ever watched that um oh

2513
01:34:37,189 --> 01:34:35,920

that black mirror

2514

01:34:38,790 --> 01:34:37,199

where you know there was an episode

2515

01:34:41,669 --> 01:34:38,800

where there were kind of two societies

2516

01:34:43,189 --> 01:34:41,679

one that had had gone for technology and

2517

01:34:45,430 --> 01:34:43,199

one that had kind of rejected the

2518

01:34:47,270 --> 01:34:45,440

technology and uh

2519

01:34:49,590 --> 01:34:47,280

when they showed how just you know

2520

01:34:51,270 --> 01:34:49,600

addictive the technology was the teenage

2521

01:34:53,669 --> 01:34:51,280

girl coming into the society with

2522

01:34:55,510 --> 01:34:53,679

technology suddenly she wanted it all

2523

01:34:57,669 --> 01:34:55,520

and they used it to turn her against her

2524

01:35:00,390 --> 01:34:57,679

mother and it's just such a horrible

2525

01:35:02,550 --> 01:35:00,400

like horrible sad episode

2526

01:35:04,229 --> 01:35:02,560

but it's very true like is the

2527

01:35:06,870 --> 01:35:04,239

technology around us

2528

01:35:09,189 --> 01:35:06,880

you know turning us against family and

2529

01:35:10,950 --> 01:35:09,199

turning us into something else and i

2530

01:35:12,390 --> 01:35:10,960

mean you know and like you know maybe

2531

01:35:16,870 --> 01:35:12,400

that's why i'm so weird is because i

2532

01:35:20,709 --> 01:35:18,950

well didn't you say there was uh some

2533

01:35:23,109 --> 01:35:20,719

folks in your family were what uh

2534

01:35:25,109 --> 01:35:23,119

mennonite uh what

2535

01:35:27,350 --> 01:35:25,119

weren't they kind of uh turned their

2536

01:35:28,550 --> 01:35:27,360

back on technology too kind of like the

2537

01:35:29,430 --> 01:35:28,560

amish

2538

01:35:31,910 --> 01:35:29,440

yeah

2539

01:35:33,590 --> 01:35:31,920

not not quite as much like mennonites in

2540

01:35:36,470 --> 01:35:33,600

manitoba

2541

01:35:37,910 --> 01:35:36,480

certainly use technology but

2542

01:35:40,550 --> 01:35:37,920

you know there are members of my family

2543

01:35:44,070 --> 01:35:40,560

who are not vaccinated and

2544

01:35:44,870 --> 01:35:44,080

for anything like of any kind and

2545

01:35:45,669 --> 01:35:44,880

and

2546

01:35:47,750 --> 01:35:45,679

has

2547

01:35:48,950 --> 01:35:47,760

you know i mean everyone my personal

2548

01:35:51,189 --> 01:35:48,960

belief is everyone should have the

2549

01:35:53,030 --> 01:35:51,199

choice that to make their own decisions

2550

01:35:55,189 --> 01:35:53,040

i mean my government doesn't share that

2551

01:35:57,910 --> 01:35:55,199

opinion right now

2552

01:36:01,189 --> 01:35:57,920

but you know um

2553

01:36:02,790 --> 01:36:01,199

but yeah you know and that's

2554

01:36:05,189 --> 01:36:02,800

kind of a scary thing in the world is

2555

01:36:07,350 --> 01:36:05,199

that uh

2556

01:36:09,109 --> 01:36:07,360

that people are having their choices

2557

01:36:11,590 --> 01:36:09,119

taken away

2558

01:36:14,070 --> 01:36:11,600

and do you think that it all relates to

2559

01:36:15,830 --> 01:36:14,080

the conversation we're having here

2560

01:36:17,510 --> 01:36:15,840

i think i think it's part of it i i

2561

01:36:18,950 --> 01:36:17,520

don't you know i think all of these

2562

01:36:22,390 --> 01:36:18,960

things are connected

2563

01:36:25,030 --> 01:36:22,400

but but certainly this idea that

2564

01:36:27,189 --> 01:36:25,040

you know the government doesn't

2565

01:36:29,669 --> 01:36:27,199

want there to be individual choices and

2566

01:36:31,350 --> 01:36:29,679

that they're making choices

2567

01:36:33,750 --> 01:36:31,360

see here's the connection for me and

2568

01:36:36,229 --> 01:36:33,760

again it gets back to the blank stare in

2569

01:36:39,350 --> 01:36:36,239

your in your in your face

2570

01:36:42,229 --> 01:36:39,360

is that for people who are completely

2571

01:36:43,750 --> 01:36:42,239

grounded in the idea that

2572

01:36:45,590 --> 01:36:43,760

there is more

2573

01:36:46,950 --> 01:36:45,600

and that there's a way to connect with

2574

01:36:49,189 --> 01:36:46,960

that more

2575

01:36:51,270 --> 01:36:49,199

and that way is just to access the light

2576

01:36:53,750 --> 01:36:51,280

and to continually access the light at

2577

01:36:56,070 --> 01:36:53,760

any time whenever you want

2578

01:36:58,229 --> 01:36:56,080

they don't want to control other people

2579

01:36:59,910 --> 01:36:58,239

they just don't it's just a different

2580

01:37:02,629 --> 01:36:59,920

mindset they're like

2581

01:37:04,870 --> 01:37:02,639

well what that person is doing wrong

2582

01:37:07,030 --> 01:37:04,880

well why would i want to control that

2583

01:37:10,310 --> 01:37:07,040

maybe that's part of their journey you

2584

01:37:11,910 --> 01:37:10,320

know it's like when you uh talk to

2585

01:37:13,189 --> 01:37:11,920

people in different wisdom traditions

2586

01:37:14,870 --> 01:37:13,199

who are truly wise because there's a lot

2587

01:37:17,030 --> 01:37:14,880

of people in different traditions that

2588

01:37:19,990 --> 01:37:17,040

aren't that wise but like there's some

2589

01:37:22,149 --> 01:37:20,000

buddhists who are pretty wise and when

2590

01:37:24,070 --> 01:37:22,159

they talk about the worst crimes that

2591

01:37:26,629 --> 01:37:24,080

they see whether it's you know

2592

01:37:29,189 --> 01:37:26,639

pedophilia or murder or whatever

2593

01:37:30,950 --> 01:37:29,199

they talk about it as a way of just well

2594

01:37:33,109 --> 01:37:30,960

they're confused

2595

01:37:35,510 --> 01:37:33,119

not they're bad they're evil they need

2596

01:37:37,910 --> 01:37:35,520

to be thrown on the fires of hell they

2597

01:37:39,990 --> 01:37:37,920

say they're confused

2598

01:37:41,910 --> 01:37:40,000

and to me that's such a subtle and

2599

01:37:43,830 --> 01:37:41,920

important shift it's the

2600

01:37:46,229 --> 01:37:43,840

of course there's a light of course

2601
01:37:48,950 --> 01:37:46,239
there's a moral imperative of course we

2602
01:37:50,470 --> 01:37:48,960
have the ability to choose it anyone who

2603
01:37:53,430 --> 01:37:50,480
doesn't choose it

2604
01:37:56,229 --> 01:37:53,440
is just a little bit confused on their

2605
01:37:58,790 --> 01:37:56,239
journey so when to me all these

2606
01:38:03,350 --> 01:37:58,800
questions are so easily resolvable is it

2607
01:38:07,109 --> 01:38:03,360
okay to force people to take a job

2608
01:38:10,790 --> 01:38:07,119
no i mean never ever ever is it okay to

2609
01:38:11,830 --> 01:38:10,800
decide that you know our species is over

2610
01:38:13,910 --> 01:38:11,840
and the

2611
01:38:16,070 --> 01:38:13,920
next species needs to come and i need to

2612
01:38:17,910 --> 01:38:16,080
be a part of it by reprogramming

2613
01:38:20,950 --> 01:38:17,920

everyone's dna

2614

01:38:23,350 --> 01:38:20,960

no that thought never even enters your

2615

01:38:24,709 --> 01:38:23,360

mind if you're open to the light you

2616

01:38:26,870 --> 01:38:24,719

just don't

2617

01:38:29,669 --> 01:38:26,880

the the equation doesn't

2618

01:38:31,350 --> 01:38:29,679

add up that way do you uh do you agree

2619

01:38:33,590 --> 01:38:31,360

with that or do you think that oh yeah

2620

01:38:35,669 --> 01:38:33,600

no i agree with that and it's like

2621

01:38:37,430 --> 01:38:35,679

you know many of the truckers who went

2622

01:38:39,510 --> 01:38:37,440

to downtown ottawa

2623

01:38:41,910 --> 01:38:39,520

are coming back because it was such a

2624

01:38:44,229 --> 01:38:41,920

loving experience like the first three

2625

01:38:46,229 --> 01:38:44,239

weeks they were there it was like this

2626

01:38:48,390 --> 01:38:46,239

giant nde

2627

01:38:51,270 --> 01:38:48,400

was enveloping that community i mean

2628

01:38:53,430 --> 01:38:51,280

they were feeding the homeless they were

2629

01:38:57,030 --> 01:38:53,440

they were cleaning up the downtown the

2630

01:38:59,910 --> 01:38:57,040

crime rate dropped like i i you know the

2631

01:39:02,550 --> 01:38:59,920

like it was just this huge

2632

01:39:04,790 --> 01:39:02,560

sense of community and love and people

2633

01:39:06,390 --> 01:39:04,800

who were coming across canada one radio

2634

01:39:08,229 --> 01:39:06,400

producer came in because she wanted to

2635

01:39:09,510 --> 01:39:08,239

see what was really going on because she

2636

01:39:10,629 --> 01:39:09,520

didn't believe the news because

2637

01:39:12,310 --> 01:39:10,639

obviously

2638

01:39:14,470 --> 01:39:12,320

being in media she understands how much

2639

01:39:16,550 --> 01:39:14,480

fake news there is and

2640

01:39:18,550 --> 01:39:16,560

and you know particularly in canada

2641

01:39:21,350 --> 01:39:18,560

because it's all state-sponsored news

2642

01:39:23,189 --> 01:39:21,360

now other than a few independents and

2643

01:39:24,310 --> 01:39:23,199

she went there and she posted this video

2644

01:39:26,950 --> 01:39:24,320

and she says

2645

01:39:29,590 --> 01:39:26,960

there's just love here this is the most

2646

01:39:32,950 --> 01:39:29,600

love i have ever felt this is just

2647

01:39:34,149 --> 01:39:32,960

it's just everything here is love and it

2648

01:39:37,030 --> 01:39:34,159

was like

2649

01:39:38,790 --> 01:39:37,040

that's why the government had to

2650

01:39:41,270 --> 01:39:38,800

you know bring in the cavalry and

2651

01:39:43,430 --> 01:39:41,280

trample people with horses and

2652

01:39:45,669 --> 01:39:43,440

and kick veterans who are wearing their

2653

01:39:47,910 --> 01:39:45,679

medals in the ribs and

2654

01:39:49,590 --> 01:39:47,920

and breaking bones and

2655

01:39:52,070 --> 01:39:49,600

and arresting people like it was so

2656

01:39:54,390 --> 01:39:52,080

horrible that they would do that

2657

01:39:56,390 --> 01:39:54,400

to such a loving group but

2658

01:39:58,950 --> 01:39:56,400

from their perspective they had to stop

2659

01:40:00,870 --> 01:39:58,960

the love because that's they didn't want

2660

01:40:03,109 --> 01:40:00,880

people thinking that

2661

01:40:07,590 --> 01:40:03,119

that they could you know

2662

01:40:11,350 --> 01:40:09,350

you know that that's how i really see

2663

01:40:13,270 --> 01:40:11,360

what happened here and and they've made

2664

01:40:15,990 --> 01:40:13,280

sure that people are

2665

01:40:17,030 --> 01:40:16,000

afraid like you know by by closing bank

2666

01:40:18,709 --> 01:40:17,040

accounts

2667

01:40:21,590 --> 01:40:18,719

and

2668

01:40:24,790 --> 01:40:21,600

or freezing bank accounts i mean they

2669

01:40:27,590 --> 01:40:24,800

can't do that to organize crime here

2670

01:40:30,950 --> 01:40:27,600

but they did it to

2671

01:40:32,470 --> 01:40:30,960

you know hairdressers who gave 20 bucks

2672

01:40:34,830 --> 01:40:32,480

to the to

2673

01:40:36,390 --> 01:40:34,840

the truckers convoy

2674

01:40:38,629 --> 01:40:36,400

um

2675

01:40:40,470 --> 01:40:38,639

i and and clearly it was about they had

2676
01:40:45,189 --> 01:40:40,480
to destroy that love and make people

2677
01:40:50,070 --> 01:40:47,270
that's quite uh

2678
01:40:52,470 --> 01:40:50,080
quite a leap

2679
01:40:53,350 --> 01:40:52,480
no it it is just in the sense of you

2680
01:40:56,229 --> 01:40:53,360
know

2681
01:40:58,229 --> 01:40:56,239
i hear you on one level

2682
01:41:01,350 --> 01:40:58,239
on another on another level the

2683
01:41:03,189 --> 01:41:01,360
collective always breaks down for me

2684
01:41:06,310 --> 01:41:03,199
because there's

2685
01:41:07,270 --> 01:41:06,320
all kinds of contradictions and

2686
01:41:10,950 --> 01:41:07,280
counter

2687
01:41:13,830 --> 01:41:10,960
evidence of you know how do you run

2688
01:41:16,709 --> 01:41:13,840

a country you know how do you run

2689

01:41:18,870 --> 01:41:16,719

a province we do want safety we don't

2690

01:41:20,709 --> 01:41:18,880

want marauding gangs

2691

01:41:23,189 --> 01:41:20,719

driving through the streets

2692

01:41:24,390 --> 01:41:23,199

shooting people right so there is a role

2693

01:41:28,550 --> 01:41:24,400

for

2694

01:41:29,990 --> 01:41:28,560

that's why to me

2695

01:41:32,390 --> 01:41:30,000

the collective

2696

01:41:34,870 --> 01:41:32,400

slips through my fingers

2697

01:41:35,830 --> 01:41:34,880

what i focus on is from an individual

2698

01:41:38,310 --> 01:41:35,840

basis

2699

01:41:41,350 --> 01:41:38,320

it's so clear but the point that i guess

2700

01:41:43,189 --> 01:41:41,360

i was trying to make all along is that

2701
01:41:45,270 --> 01:41:43,199
my conclusion from all the things i've

2702
01:41:47,990 --> 01:41:45,280
learned is number one

2703
01:41:49,830 --> 01:41:48,000
we're all leading rich spiritual lives

2704
01:41:53,189 --> 01:41:49,840
yeah

2705
01:41:56,550 --> 01:41:53,199
that's like

2706
01:41:57,270 --> 01:41:56,560
controversial or counter intuitive to

2707
01:42:04,310 --> 01:41:57,280
the

2708
01:42:07,030 --> 01:42:04,320
michael shermer uh i don't know if it's

2709
01:42:10,310 --> 01:42:07,040
counter to what dean rayden thinks but

2710
01:42:11,990 --> 01:42:10,320
we are all leading rich spiritual lives

2711
01:42:12,790 --> 01:42:12,000
and when you fully process that it's

2712
01:42:16,149 --> 01:42:12,800
like

2713
01:42:18,149 --> 01:42:16,159

you know the guy who was on that horse

2714

01:42:19,430 --> 01:42:18,159

who trampled that

2715

01:42:21,109 --> 01:42:19,440

woman

2716

01:42:24,870 --> 01:42:21,119

he's leading

2717

01:42:26,390 --> 01:42:24,880

he is leading he is leading a rich

2718

01:42:27,669 --> 01:42:26,400

spiritual life

2719

01:42:31,590 --> 01:42:27,679

no different

2720

01:42:34,629 --> 01:42:31,600

life than that you and i are leading but

2721

01:42:37,270 --> 01:42:34,639

can you imagine the amount of pain

2722

01:42:39,189 --> 01:42:37,280

that would have caused you know it like

2723

01:42:40,830 --> 01:42:39,199

to come back from doing that to someone

2724

01:42:43,750 --> 01:42:40,840

else oh my

2725

01:42:45,030 --> 01:42:43,760

gosh like no i you know i'm not saying

2726

01:42:47,030 --> 01:42:45,040

that they're

2727

01:42:49,350 --> 01:42:47,040

that that they

2728

01:42:51,109 --> 01:42:49,360

don't have souls and exp and spiritual

2729

01:42:53,189 --> 01:42:51,119

lives either i'm just saying that it's

2730

01:42:54,229 --> 01:42:53,199

just it's so sad

2731

01:42:55,350 --> 01:42:54,239

that they

2732

01:42:57,430 --> 01:42:55,360

that you know they're going to have to

2733

01:42:58,709 --> 01:42:57,440

work to come back from that now

2734

01:43:00,390 --> 01:42:58,719

and and but what i was going to say

2735

01:43:03,189 --> 01:43:00,400

about the truckers is

2736

01:43:04,629 --> 01:43:03,199

they they keep coming back to ottawa now

2737

01:43:07,030 --> 01:43:04,639

like they keep having these little

2738

01:43:09,669 --> 01:43:07,040

secret reunions because they want to

2739

01:43:12,149 --> 01:43:09,679

experience that love again you know like

2740

01:43:13,990 --> 01:43:12,159

it's like has an end to year i i still

2741

01:43:16,709 --> 01:43:14,000

like going back to the scene in my car

2742

01:43:20,310 --> 01:43:16,719

accident like i'm drawn back there and

2743

01:43:22,149 --> 01:43:20,320

those truckers are drawn back here

2744

01:43:23,510 --> 01:43:22,159

you know

2745

01:43:24,790 --> 01:43:23,520

i get that

2746

01:43:28,149 --> 01:43:24,800

i just

2747

01:43:31,350 --> 01:43:28,159

that's where the the scientist in me

2748

01:43:34,310 --> 01:43:31,360

pulls up short and says i can have my no

2749

01:43:37,350 --> 01:43:34,320

i i i totally appreciate what you're

2750

01:43:39,750 --> 01:43:37,360

saying and i value my personal beliefs

2751

01:43:42,950 --> 01:43:39,760

about that but i'm very

2752

01:43:45,030 --> 01:43:42,960

i kind of draw a line in terms of uh

2753

01:43:47,669 --> 01:43:45,040

speculating about what that might might

2754

01:43:48,470 --> 01:43:47,679

mean for the collective what i will go

2755

01:43:52,390 --> 01:43:48,480

to

2756

01:43:54,709 --> 01:43:52,400

the cop lives a rich spiritual life

2757

01:43:57,910 --> 01:43:54,719

and if i just leave it there it opens up

2758

01:44:00,070 --> 01:43:57,920

a lot of possibilities for me to judge

2759

01:44:02,790 --> 01:44:00,080

in a different way i won't say not judge

2760

01:44:05,270 --> 01:44:02,800

but judge in a different way in terms of

2761

01:44:07,830 --> 01:44:05,280

what that experience might mean for him

2762

01:44:10,629 --> 01:44:07,840

in his spiritual life

2763

01:44:13,189 --> 01:44:10,639

but if we don't allow for the fact that

2764

01:44:15,910 --> 01:44:13,199

everyone is in that spiritual life then

2765

01:44:18,229 --> 01:44:15,920

we're not having that conversation

2766

01:44:19,350 --> 01:44:18,239

well yeah you know and i agree with you

2767

01:44:22,550 --> 01:44:19,360

and

2768

01:44:24,790 --> 01:44:22,560

will do like

2769

01:44:26,149 --> 01:44:24,800

you know what's more soul killing than

2770

01:44:27,350 --> 01:44:26,159

cancel culture

2771

01:44:29,830 --> 01:44:27,360

you know

2772

01:44:31,669 --> 01:44:29,840

like going on the internet and canceling

2773

01:44:34,229 --> 01:44:31,679

somebody who

2774

01:44:35,590 --> 01:44:34,239

for what i mean who knows what reasons

2775

01:44:38,149 --> 01:44:35,600

they're going to cancel somebody for i'm

2776

01:44:40,950 --> 01:44:38,159

probably canceled now i'm sure

2777

01:44:42,709 --> 01:44:40,960

but but you know um

2778

01:44:43,830 --> 01:44:42,719

like that experience of going on the

2779

01:44:46,390 --> 01:44:43,840

internet and

2780

01:44:47,510 --> 01:44:46,400

anonymously attacking somebody

2781

01:44:50,070 --> 01:44:47,520

um

2782

01:44:52,709 --> 01:44:50,080

just because you can like

2783

01:44:55,430 --> 01:44:52,719

like those people have souls too and at

2784

01:44:56,709 --> 01:44:55,440

soul experiences and

2785

01:44:58,470 --> 01:44:56,719

you know like you know that they're

2786

01:45:00,550 --> 01:44:58,480

probably in some way causing themselves

2787

01:45:02,390 --> 01:45:00,560

pain by doing that later on that they

2788

01:45:04,550 --> 01:45:02,400

don't realize yet

2789

01:45:06,229 --> 01:45:04,560

you know and yeah these are all like we

2790

01:45:10,229 --> 01:45:06,239

all do bad things

2791

01:45:12,790 --> 01:45:10,239

no saint

2792

01:45:15,430 --> 01:45:12,800

and you you have to kind of

2793

01:45:17,430 --> 01:45:15,440

that that's part of the journey too is

2794

01:45:19,990 --> 01:45:17,440

how do you come back from that

2795

01:45:22,310 --> 01:45:20,000

so how do

2796

01:45:23,830 --> 01:45:22,320

how do you go forward so you said how do

2797

01:45:26,310 --> 01:45:23,840

you come back from that

2798

01:45:28,229 --> 01:45:26,320

how do you go forward if you if you have

2799

01:45:31,910 --> 01:45:28,239

this expanded

2800

01:45:33,669 --> 01:45:31,920

understanding of things like you do

2801
01:45:36,070 --> 01:45:33,679
what does that mean in terms of how you

2802
01:45:37,910 --> 01:45:36,080
go forward and your life i mean what are

2803
01:45:39,830 --> 01:45:37,920
what is driving you

2804
01:45:41,910 --> 01:45:39,840
in terms of that

2805
01:45:44,229 --> 01:45:41,920
understanding that deeper spiritual

2806
01:45:46,310 --> 01:45:44,239
truth as in in that intersection with

2807
01:45:48,390 --> 01:45:46,320
that deeper spiritual truth and the

2808
01:45:51,189 --> 01:45:48,400
connections of being the

2809
01:45:53,590 --> 01:45:51,199
stranger things gal

2810
01:45:54,790 --> 01:45:53,600
well i guess the reason i said come back

2811
01:45:57,350 --> 01:45:54,800
is that

2812
01:45:58,790 --> 01:45:57,360
you know when you're in that nde you you

2813
01:46:01,189 --> 01:45:58,800

kind of

2814

01:46:03,669 --> 01:46:01,199

see who you are

2815

01:46:05,910 --> 01:46:03,679

and and when you're here it's like you

2816

01:46:07,430 --> 01:46:05,920

kind of move away from that

2817

01:46:09,109 --> 01:46:07,440

and and it's like

2818

01:46:10,629 --> 01:46:09,119

you know some things will take you away

2819

01:46:13,189 --> 01:46:10,639

from it and some things will bring you

2820

01:46:15,189 --> 01:46:13,199

back to it so that when i'm saying you

2821

01:46:15,990 --> 01:46:15,199

know how do we come back from it it's

2822

01:46:17,510 --> 01:46:16,000

like

2823

01:46:19,910 --> 01:46:17,520

you know you want to get back to

2824

01:46:22,070 --> 01:46:19,920

yourself like that that love at the core

2825

01:46:23,590 --> 01:46:22,080

of yourself that you're trying to find

2826
01:46:25,669 --> 01:46:23,600
yourself again

2827
01:46:26,870 --> 01:46:25,679
um

2828
01:46:28,870 --> 01:46:26,880
so really

2829
01:46:30,149 --> 01:46:28,880
i mean it's not

2830
01:46:32,229 --> 01:46:30,159
you know like when you say moving

2831
01:46:34,550 --> 01:46:32,239
forward you're like

2832
01:46:36,229 --> 01:46:34,560
going forward in time but the gain is an

2833
01:46:39,109 --> 01:46:36,239
end to year you'd kind of have to say

2834
01:46:44,149 --> 01:46:39,119
well yeah time is kind of a

2835
01:46:50,229 --> 01:46:44,950
time

2836
01:46:52,870 --> 01:46:51,189
so

2837
01:46:54,709 --> 01:46:52,880
are we gonna are we gonna get that book

2838
01:47:00,070 --> 01:46:54,719

published or not

2839

01:47:04,709 --> 01:47:02,310

well you've been you've been so

2840

01:47:06,310 --> 01:47:04,719

awesome and super and i so appreciate

2841

01:47:08,310 --> 01:47:06,320

you know

2842

01:47:10,149 --> 01:47:08,320

all the conversations i've had with you

2843

01:47:11,350 --> 01:47:10,159

and all the email exchanges i've had

2844

01:47:13,590 --> 01:47:11,360

with you

2845

01:47:15,830 --> 01:47:13,600

and again i don't know if uh you know

2846

01:47:16,870 --> 01:47:15,840

how people will process some of this

2847

01:47:19,669 --> 01:47:16,880

stuff and

2848

01:47:20,470 --> 01:47:19,679

with your permission i'll edit it into

2849

01:47:22,540 --> 01:47:20,480

uh

2850

01:47:26,070 --> 01:47:22,550

yeah i i don't envy your editing

2851

01:47:29,669 --> 01:47:27,510

thanks again to shirley black for

2852

01:47:32,310 --> 01:47:29,679

joining me today on skeptica the one

2853

01:47:34,629 --> 01:47:32,320

question i t up from this interview

2854

01:47:36,709 --> 01:47:34,639

is the so what question

2855

01:47:38,470 --> 01:47:36,719

so you didn't know psychokinesis was

2856

01:47:39,990 --> 01:47:38,480

real but now you do

2857

01:47:42,790 --> 01:47:40,000

you weren't convinced that near-death

2858

01:47:44,390 --> 01:47:42,800

experiences were really all that but

2859

01:47:46,950 --> 01:47:44,400

now you are

2860

01:47:49,910 --> 01:47:46,960

so what let's say you're a military

2861

01:47:52,790 --> 01:47:49,920

intelligence guy and you're tasked with

2862

01:47:55,109 --> 01:47:52,800

defending my life liberty

2863

01:47:58,070 --> 01:47:55,119

and pursuit of happiness

2864

01:47:59,990 --> 01:47:58,080

well i i kind of do want you to do that

2865

01:48:03,189 --> 01:48:00,000

so let's say you come to me and you say

2866

01:48:05,270 --> 01:48:03,199

hey i need a little leeway with this mk

2867

01:48:07,109 --> 01:48:05,280

ultra stuff if i'm really gonna do my

2868

01:48:08,790 --> 01:48:07,119

job

2869

01:48:10,790 --> 01:48:08,800

what do i say

2870

01:48:12,470 --> 01:48:10,800

am i okay with that

2871

01:48:15,109 --> 01:48:12,480

are you okay with that

2872

01:48:16,629 --> 01:48:15,119

let me know let me hear your thoughts

2873

01:48:19,910 --> 01:48:16,639

lots more to come

2874

01:48:21,030 --> 01:48:19,920

stay with me until next time

2875

01:48:23,430 --> 01:48:21,040

take care

2876

01:48:36,990 --> 01:48:23,440

and bye for now
