UFO THREATS

#551-LUIS-JIMENEZ

1
00:00:06,550 --> 00:00:03,830
on this episode of skeptico

2
00:00:08,870 --> 00:00:06,560
a show about looking like you're in

3
00:00:11,110 --> 00:00:08,880
control

4
00:00:12,549 --> 00:00:11,120
i i think the biggest concern for a

5
00:00:15,270 --> 00:00:12,559
military

6
00:00:16,790 --> 00:00:15,280
is not looking foolish so

7
00:00:19,189 --> 00:00:16,800
let's say that is true let's say they do

8
00:00:21,189 --> 00:00:19,199
have 70 years of information

9
00:00:22,870 --> 00:00:21,199
that proves undoubtedly or everything

10
00:00:23,990 --> 00:00:22,880
that we think is happening is actually

11
00:00:25,910 --> 00:00:24,000
happening

12
00:00:27,589 --> 00:00:25,920
how do you release that information

13
00:00:28,830 --> 00:00:27,599

responsibly

14

00:00:30,390 --> 00:00:28,840

how do you do

15

00:00:32,630 --> 00:00:30,400

it

16

00:00:33,670 --> 00:00:32,640

and to show about what we're willing to

17

00:00:36,310 --> 00:00:33,680

give up

18

00:00:37,990 --> 00:00:36,320

in order to feel protected

19

00:00:39,750 --> 00:00:38,000

we live in a world that has walls and

20

00:00:41,270 --> 00:00:39,760

those walls have to be guarded by men

21

00:00:43,030 --> 00:00:41,280

with guns you don't want the truth

22

00:00:45,750 --> 00:00:43,040

because deep down in places you don't

23

00:00:50,549 --> 00:00:45,760

talk about at parties you want me on

24

00:00:54,830 --> 00:00:52,869

stick around for my interview with

25

00:00:57,430 --> 00:00:54,840

creator and host of

26

00:01:02,229 --> 00:00:57,440

unidentified celebrity review

27

00:01:06,310 --> 00:01:03,910

welcome to skeptica where we explore

28

00:01:08,310 --> 00:01:06,320

controversial science and spirituality

29

00:01:10,789 --> 00:01:08,320

with leading researchers thinkers and

30

00:01:12,550 --> 00:01:10,799

their critics i'm your host alex sacaris

31

00:01:15,190 --> 00:01:12,560

and today we welcome

32

00:01:17,830 --> 00:01:15,200

lou jimenez to skeptico

33

00:01:21,149 --> 00:01:17,840

i have kind of a cool picture

34

00:01:23,910 --> 00:01:21,159

of lou up on the screen this is from his

35

00:01:27,270 --> 00:01:23,920

unidentified celebrity review

36

00:01:30,870 --> 00:01:27,280

podcast which is gotta be the hardest

37

00:01:33,710 --> 00:01:30,880

working guy in the ufo community

38

00:01:36,310 --> 00:01:33,720

pumping it out with all these

39

00:01:37,990 --> 00:01:36,320

unbelievable interviews that he does so

40

00:01:42,469 --> 00:01:38,000

many times a week

41

00:01:45,830 --> 00:01:42,479

lou is also comedian actor

42

00:01:47,990 --> 00:01:45,840

impressive imdb page i mean

43

00:01:50,469 --> 00:01:48,000

some people put up an imdb and they just

44

00:01:52,630 --> 00:01:50,479

have like a couple of credits

45

00:01:57,749 --> 00:01:52,640

you got a lot of

46

00:02:02,310 --> 00:02:00,950

uh well yeah man that's that's 20 years

47

00:02:04,550 --> 00:02:02,320

of my life right there that you're

48

00:02:07,109 --> 00:02:04,560

showing you know it it was

49

00:02:10,229 --> 00:02:07,119

it's been a long long road you know it's

50

00:02:12,710 --> 00:02:10,239

still continuing it's not over um

51

00:02:14,229 --> 00:02:12,720

but yeah it's just funny yeah it's

52

00:02:15,830 --> 00:02:14,239

i haven't looked at that in a while so

53

00:02:17,510 --> 00:02:15,840

when you bring it up it's always like

54

00:02:19,270 --> 00:02:17,520

yeah that's pretty well they do have

55

00:02:20,869 --> 00:02:19,280

some pretty good credits in there

56

00:02:24,150 --> 00:02:20,879

um and i've worked with some really

57

00:02:25,510 --> 00:02:24,160

really cool people so yeah it's been

58

00:02:29,110 --> 00:02:25,520

it's uh

59

00:02:30,790 --> 00:02:29,120

that right there's a resume of a working

60

00:02:32,070 --> 00:02:30,800

but you know still struggling actors

61

00:02:34,070 --> 00:02:32,080

still trying to make his way in the

62

00:02:37,350 --> 00:02:34,080

world and you never know when that that

63

00:02:39,110 --> 00:02:37,360

that one role is right around the corner

64

00:02:41,110 --> 00:02:39,120

that's right that's right you know and

65

00:02:42,550 --> 00:02:41,120

we were we're chatting just a minute ago

66

00:02:45,990 --> 00:02:42,560

before we came on

67

00:02:48,390 --> 00:02:46,000

about actors because you're obviously

68

00:02:50,229 --> 00:02:48,400

interested in that and drawn to that and

69

00:02:52,229 --> 00:02:50,239

you're also drawn to comedy too which i

70

00:02:53,509 --> 00:02:52,239

think is kind of an interesting

71

00:02:54,630 --> 00:02:53,519

angle on this

72

00:02:56,470 --> 00:02:54,640

but what we're really going to talk

73

00:02:59,670 --> 00:02:56,480

about today is this

74

00:03:02,070 --> 00:02:59,680

really amazing amazing ufo channel that

75

00:03:05,910 --> 00:03:02,080

you've developed on youtube and i say

76

00:03:08,309 --> 00:03:05,920

amazing because i think you bring that

77

00:03:11,190 --> 00:03:08,319

sensibility you know how to engage with

78

00:03:13,750 --> 00:03:11,200

people you know how to entertain us

79

00:03:16,470 --> 00:03:13,760

but man you know you're you know the

80

00:03:18,390 --> 00:03:16,480

game i mean do you know the the

81

00:03:20,949 --> 00:03:18,400

topic you're talking about

82

00:03:22,630 --> 00:03:20,959

i don't know man i i i've got

83

00:03:25,270 --> 00:03:22,640

my main

84

00:03:27,910 --> 00:03:25,280

training in acting is improv

85

00:03:30,789 --> 00:03:27,920

so i've been doing improv comedy for for

86

00:03:32,869 --> 00:03:30,799

easily 20 years and unknowingly for a

87

00:03:34,470 --> 00:03:32,879

long time before that i was doing improv

88

00:03:36,550 --> 00:03:34,480

comedy i think there was a couple of

89

00:03:38,949 --> 00:03:36,560

things that i saw that was like oh man i

90

00:03:40,550 --> 00:03:38,959

feel like i'd be good at that i watched

91

00:03:42,309 --> 00:03:40,560

the kids in the hall was like one of the

92

00:03:44,949 --> 00:03:42,319

first sketch groups i ever came across

93

00:03:47,190 --> 00:03:44,959

and became obsessed with and then i saw

94

00:03:50,390 --> 00:03:47,200

um whose line is it anyway and i was

95

00:03:52,869 --> 00:03:50,400

like uh yeah i could absolutely do that

96

00:03:54,630 --> 00:03:52,879

that looks like a blast just making

97

00:03:55,589 --> 00:03:54,640

stuff up on the spot

98

00:03:58,949 --> 00:03:55,599

yeah

99

00:04:01,910 --> 00:03:58,959

you start training and you really get

100

00:04:04,470 --> 00:04:01,920

into it you find there's a term uh in

101
00:04:07,429 --> 00:04:04,480
the improv community called group mind

102
00:04:09,190 --> 00:04:07,439
and it's this point that you reach on

103
00:04:11,589 --> 00:04:09,200
stage where

104
00:04:14,470 --> 00:04:11,599
everything is clicking

105
00:04:17,990 --> 00:04:14,480
the audience is absolutely into it and

106
00:04:20,069 --> 00:04:18,000
then you as performers are

107
00:04:23,830 --> 00:04:20,079
making things up but at the same time

108
00:04:26,150 --> 00:04:23,840
you're able to know exactly the thing

109
00:04:28,550 --> 00:04:26,160
the other person's going to do

110
00:04:30,710 --> 00:04:28,560
because you've connected so well

111
00:04:34,150 --> 00:04:30,720
um so i think

112
00:04:36,390 --> 00:04:34,160
i bring a lot of that sort of to my

113
00:04:39,030 --> 00:04:36,400

interviews into my show

114

00:04:41,510 --> 00:04:39,040

like the idea of

115

00:04:43,270 --> 00:04:41,520

no matter what happens on the show

116

00:04:44,870 --> 00:04:43,280

wait there's been a lot of weird things

117

00:04:48,070 --> 00:04:44,880

or awkward moments

118

00:04:51,030 --> 00:04:48,080

um i immediately fall to that training

119

00:04:52,469 --> 00:04:51,040

and just you know say something

120

00:04:54,950 --> 00:04:52,479

say something because something needs to

121

00:04:56,790 --> 00:04:54,960

be said you know or and and address

122

00:04:57,990 --> 00:04:56,800

usually we we like to address the

123

00:04:59,830 --> 00:04:58,000

awkwardness

124

00:05:01,189 --> 00:04:59,840

because if you can address it and talk

125

00:05:02,870 --> 00:05:01,199

about it and get comfortable in the

126

00:05:05,189 --> 00:05:02,880

awkwardness i think that leads to even

127

00:05:07,189 --> 00:05:05,199

more interesting things that are said or

128

00:05:08,150 --> 00:05:07,199

more you know um

129

00:05:09,350 --> 00:05:08,160

uh

130

00:05:12,070 --> 00:05:09,360

different thinking

131

00:05:13,749 --> 00:05:12,080

in what you're conversing about so

132

00:05:15,749 --> 00:05:13,759

uh i think

133

00:05:19,029 --> 00:05:15,759

you know i don't like to call myself or

134

00:05:20,950 --> 00:05:19,039

consider myself a journalist at all um

135

00:05:21,830 --> 00:05:20,960

i've never went to journalism school i'm

136

00:05:25,189 --> 00:05:21,840

not

137

00:05:27,350 --> 00:05:25,199

um trained in that at whatsoever but i

138

00:05:30,870 --> 00:05:27,360

am trained in listening

139

00:05:33,029 --> 00:05:30,880

like listening uh to other people and

140

00:05:34,629 --> 00:05:33,039

trying to decipher what they're

141

00:05:37,029 --> 00:05:34,639

saying is

142

00:05:40,150 --> 00:05:37,039

is always something that i'm just always

143

00:05:43,430 --> 00:05:40,160

doing uh body language movie like you

144

00:05:45,110 --> 00:05:43,440

know all those things that i do on stage

145

00:05:47,909 --> 00:05:45,120

when i'm having a conversation with

146

00:05:49,270 --> 00:05:47,919

people i also try and do and and read

147

00:05:50,950 --> 00:05:49,280

the room and read your audience things

148

00:05:51,670 --> 00:05:50,960

like that that's what comes through to

149

00:05:53,990 --> 00:05:51,680

me

150

00:05:57,270 --> 00:05:54,000

and that in you saying if you're not a

151
00:05:59,749 --> 00:05:57,280
journalist i mean these are such amazing

152
00:06:02,550 --> 00:05:59,759
amazing times that we live in

153
00:06:04,870 --> 00:06:02,560
the topic you are covering

154
00:06:07,029 --> 00:06:04,880
can't be a more important topic i mean

155
00:06:09,510 --> 00:06:07,039
we are not alone kind of is one of the

156
00:06:11,830 --> 00:06:09,520
ultimate fundamental questions and then

157
00:06:13,990 --> 00:06:11,840
to think about the time that we're in

158
00:06:16,309 --> 00:06:14,000
where whatever we think of big brother

159
00:06:19,430 --> 00:06:16,319
government it is big brother and big

160
00:06:21,830 --> 00:06:19,440
brother has come out and said all right

161
00:06:23,990 --> 00:06:21,840
it's real you know we've denied it for

162
00:06:24,710 --> 00:06:24,000
70 years now we're telling you it's real

163
00:06:27,830 --> 00:06:24,720

so

164

00:06:30,790 --> 00:06:27,840

you're interviewing all the top people

165

00:06:33,430 --> 00:06:30,800

this is the journalistic scoop of all

166

00:06:37,189 --> 00:06:33,440

time isn't it yeah i mean look i got

167

00:06:39,189 --> 00:06:37,199

super lucky what essentially happened

168

00:06:42,230 --> 00:06:39,199

is i met lou elizondo while i was

169

00:06:44,469 --> 00:06:42,240

working in a restaurant and um

170

00:06:46,230 --> 00:06:44,479

and so that kind of i was already

171

00:06:47,029 --> 00:06:46,240

thinking about doing the channel before

172

00:06:51,830 --> 00:06:47,039

that

173

00:06:53,589 --> 00:06:51,840

but i also i'm an actor i'm very

174

00:06:55,189 --> 00:06:53,599

self-conscious i i didn't want anybody

175

00:06:57,670 --> 00:06:55,199

looking at me like i was a weirdo or

176

00:06:59,510 --> 00:06:57,680

finding that channel and going oh okay

177

00:07:01,589 --> 00:06:59,520

yeah we can't hire this guy for a brand

178

00:07:03,430 --> 00:07:01,599

new cbs pilot um i mean those are

179

00:07:04,710 --> 00:07:03,440

legitimate those are the concerns i

180

00:07:05,510 --> 00:07:04,720

still have now

181

00:07:08,469 --> 00:07:05,520

um

182

00:07:10,230 --> 00:07:08,479

but after meeting him and talking to him

183

00:07:12,309 --> 00:07:10,240

i was like okay this is what i'm going

184

00:07:14,309 --> 00:07:12,319

to do my channel about and then it

185

00:07:17,909 --> 00:07:14,319

wasn't until about a year almost a year

186

00:07:18,950 --> 00:07:17,919

after that where i reached back out to

187

00:07:20,950 --> 00:07:18,960

lou

188

00:07:22,950 --> 00:07:20,960

and said hey i was a server at this

189

00:07:25,189 --> 00:07:22,960

restaurant this day and this happened

190

00:07:27,430 --> 00:07:25,199

and i'd love to talk to you again for my

191

00:07:29,589 --> 00:07:27,440

channel that i started a year ago and he

192

00:07:31,029 --> 00:07:29,599

came on and i think that was sort of the

193

00:07:34,150 --> 00:07:31,039

the

194

00:07:35,589 --> 00:07:34,160

interviews were concerned because i

195

00:07:36,950 --> 00:07:35,599

wasn't doing interviews for the first

196

00:07:41,110 --> 00:07:36,960

year of my channel

197

00:07:44,869 --> 00:07:41,120

um and you know when he agreed to do our

198

00:07:47,029 --> 00:07:44,879

activism event the big phone home um

199

00:07:48,390 --> 00:07:47,039

and he agreed to come on the show

200

00:07:51,749 --> 00:07:48,400

it was uh

201

00:07:55,110 --> 00:07:51,759

it was a really great sort of

202

00:07:56,629 --> 00:07:55,120

i guess solidification of of the channel

203

00:07:58,950 --> 00:07:56,639

like if he was gonna go on that channel

204

00:08:00,950 --> 00:07:58,960

i miss you know that was a good in or a

205

00:08:02,790 --> 00:08:00,960

good way to sort of introduce myself to

206

00:08:05,350 --> 00:08:02,800

other folks in the community that i just

207

00:08:06,950 --> 00:08:05,360

wanted to talk to and i would find

208

00:08:09,189 --> 00:08:06,960

you know especially twitter i would find

209

00:08:11,270 --> 00:08:09,199

interesting fun ways to interact with

210

00:08:12,790 --> 00:08:11,280

them and i think that's what got me a

211

00:08:14,950 --> 00:08:12,800

lot of these different interviews just

212

00:08:15,990 --> 00:08:14,960

sort of my my

213

00:08:20,070 --> 00:08:16,000

my wit

214

00:08:21,830 --> 00:08:20,080

you know and humor um and i i

215

00:08:24,150 --> 00:08:21,840

i never thought about it in the way that

216

00:08:26,550 --> 00:08:24,160

you just laid it out but then i was

217

00:08:28,550 --> 00:08:26,560

thinking of sort of like john stewart

218

00:08:31,909 --> 00:08:28,560

you know and and tim mcmillan sort of

219

00:08:35,430 --> 00:08:31,919

compared our show to a late night

220

00:08:37,829 --> 00:08:35,440

talk show for uaps and i was like yeah

221

00:08:40,070 --> 00:08:37,839

that's about what we were going for um

222

00:08:41,589 --> 00:08:40,080

and and we're gonna really when we come

223

00:08:45,430 --> 00:08:41,599

back from our break and we come back on

224

00:08:46,949 --> 00:08:45,440

the 28th of this month um

225

00:08:48,949 --> 00:08:46,959

you know that'll be

226

00:08:50,949 --> 00:08:48,959

very evident in the production we're

227

00:08:53,269 --> 00:08:50,959

we're really ramping up the production

228

00:08:54,790 --> 00:08:53,279

of the show and as far as

229

00:08:56,070 --> 00:08:54,800

segments and things that we're doing in

230

00:08:58,230 --> 00:08:56,080

the second hour we're shorting our

231

00:09:00,470 --> 00:08:58,240

interviews from two hours to one hour

232

00:09:01,829 --> 00:09:00,480

but uh but yeah i mean

233

00:09:03,910 --> 00:09:01,839

you know i

234

00:09:05,509 --> 00:09:03,920

i got lucky in a lot of ways

235

00:09:07,670 --> 00:09:05,519

with a lot of these interviews and they

236

00:09:10,790 --> 00:09:07,680

just sort of steamrolled in and it seems

237

00:09:13,350 --> 00:09:10,800

to be a place where

238

00:09:15,430 --> 00:09:13,360

where people feel safe about talking

239

00:09:16,949 --> 00:09:15,440

about the topic because

240

00:09:20,389 --> 00:09:16,959

um

241

00:09:23,110 --> 00:09:20,399

we're not judging either way but we also

242

00:09:24,070 --> 00:09:23,120

want to call bs where we cbs and we want

243

00:09:25,990 --> 00:09:24,080

to

244

00:09:27,670 --> 00:09:26,000

we don't want a belief system and we

245

00:09:29,509 --> 00:09:27,680

don't want to create a belief system for

246

00:09:32,310 --> 00:09:29,519

anybody we want to make sure that people

247

00:09:35,110 --> 00:09:32,320

are looking at the the evidence and and

248

00:09:37,509 --> 00:09:35,120

how can we move the discussion in a

249

00:09:39,269 --> 00:09:37,519

place where it doesn't require a whole

250

00:09:42,310 --> 00:09:39,279

bunch of stories

251
00:09:44,790 --> 00:09:42,320
and conflicting information to to be

252
00:09:46,790 --> 00:09:44,800
something worthy of looking at so we

253
00:09:48,710 --> 00:09:46,800
don't go totally inside baseball because

254
00:09:50,550 --> 00:09:48,720
a lot of this stuff i'm gonna put up an

255
00:09:51,590 --> 00:09:50,560
interview and it's going to have ufo on

256
00:09:53,269 --> 00:09:51,600
it a lot of people are just going to

257
00:09:54,550 --> 00:09:53,279
skip over it because

258
00:09:57,030 --> 00:09:54,560
a lot of the interviews i do are on

259
00:09:59,350 --> 00:09:57,040
other topics of near-death experience or

260
00:10:01,590 --> 00:09:59,360
consciousness science parapsychology and

261
00:10:03,670 --> 00:10:01,600
all the rest that stuff

262
00:10:06,310 --> 00:10:03,680
who is lou elizondo

263
00:10:08,069 --> 00:10:06,320

and then let's talk about

264

00:10:10,230 --> 00:10:08,079

kind of the good the bad and some of the

265

00:10:11,829 --> 00:10:10,240

things that people are saying and

266

00:10:13,509 --> 00:10:11,839

then we'll play a clip from a recent

267

00:10:14,470 --> 00:10:13,519

interview you did with them

268

00:10:16,230 --> 00:10:14,480

yeah

269

00:10:17,030 --> 00:10:16,240

so that's you know it's a great question

270

00:10:21,750 --> 00:10:17,040

i don't

271

00:10:24,069 --> 00:10:21,760

all every bit of louisando i've only

272

00:10:26,230 --> 00:10:24,079

you know i've met him and i say only but

273

00:10:27,750 --> 00:10:26,240

it's a lot compared to some other people

274

00:10:30,230 --> 00:10:27,760

but i've met him

275

00:10:31,750 --> 00:10:30,240

nine times including all my interviews

276

00:10:34,630 --> 00:10:31,760

and my actual

277

00:10:36,710 --> 00:10:34,640

personal uh interaction with him

278

00:10:39,829 --> 00:10:36,720

um

279

00:10:42,550 --> 00:10:39,839

i from what i gather you know who he is

280

00:10:43,750 --> 00:10:42,560

as from from a

281

00:10:45,430 --> 00:10:43,760

you know if you're trying to educate

282

00:10:46,870 --> 00:10:45,440

your audience of okay who is elizondo

283

00:10:49,269 --> 00:10:46,880

what does he mean to this discussion

284

00:10:51,829 --> 00:10:49,279

he's a gentleman who ran a government

285

00:10:54,310 --> 00:10:51,839

program called atip advanced aerospace

286

00:10:57,269 --> 00:10:54,320

threat identification program

287

00:10:59,350 --> 00:10:57,279

and essentially helped he was a

288

00:11:00,470 --> 00:10:59,360

whistleblower he helped release three

289

00:11:01,829 --> 00:11:00,480

videos

290

00:11:02,790 --> 00:11:01,839

um and

291

00:11:04,310 --> 00:11:02,800

and

292

00:11:08,790 --> 00:11:04,320

um

293

00:11:11,110 --> 00:11:08,800

cooperating pilot testimony in 2017 in

294

00:11:13,269 --> 00:11:11,120

the new york times article and

295

00:11:15,910 --> 00:11:13,279

that was essentially

296

00:11:17,990 --> 00:11:15,920

the the realization that our government

297

00:11:20,150 --> 00:11:18,000

has a lot more information on the

298

00:11:21,990 --> 00:11:20,160

subject of uaps and ufos the government

299

00:11:24,470 --> 00:11:22,000

likes to call them uaps because there's

300

00:11:26,550 --> 00:11:24,480

a lot less stigma to it uap means

301
00:11:28,470 --> 00:11:26,560
unidentified aerial phenomena ufo

302
00:11:30,630 --> 00:11:28,480
unidentified flying object

303
00:11:33,350 --> 00:11:30,640
um but

304
00:11:35,829 --> 00:11:33,360
so that's sort of his

305
00:11:38,470 --> 00:11:35,839
his uh in a quick nutshell and there's a

306
00:11:41,190 --> 00:11:38,480
lot to it uh but that's sort of who he

307
00:11:44,790 --> 00:11:41,200
is um who he is as a person i mean he's

308
00:11:47,269 --> 00:11:44,800
he's a war hero you know he's been

309
00:11:50,069 --> 00:11:47,279
involved with catching terrorists

310
00:11:52,310 --> 00:11:50,079
uh in kali sheikh mohammed um you know

311
00:11:54,230 --> 00:11:52,320
from what we could see he is the most

312
00:11:55,590 --> 00:11:54,240
we've always for me i've always wanted a

313
00:11:58,069 --> 00:11:55,600

government i'm like why don't more

314

00:12:00,470 --> 00:11:58,079

government officials come forward and

315

00:12:02,470 --> 00:12:00,480

say if there is something to this why

316

00:12:04,069 --> 00:12:02,480

don't they come forward more and do more

317

00:12:06,069 --> 00:12:04,079

whistleblowing in

318

00:12:07,990 --> 00:12:06,079

in the case of elizondo and he's got the

319

00:12:10,230 --> 00:12:08,000

most bona fides out of anybody that's

320

00:12:12,949 --> 00:12:10,240

ever come out from within the government

321

00:12:17,030 --> 00:12:12,959

and so i think those bona fides are what

322

00:12:19,350 --> 00:12:17,040

add legitimacy to this story um

323

00:12:22,069 --> 00:12:19,360

you know so that's who he is in a short

324

00:12:24,550 --> 00:12:22,079

nutshell from my perspective so so my

325

00:12:25,829 --> 00:12:24,560

first kind of encounter with even the

326

00:12:28,470 --> 00:12:25,839

name was

327

00:12:30,230 --> 00:12:28,480

i interviewed uh leslie kane you know

328

00:12:32,710 --> 00:12:30,240

you know leslie kanis interviewed her a

329

00:12:35,030 --> 00:12:32,720

couple times and you know she's kind of

330

00:12:37,030 --> 00:12:35,040

really interested in

331

00:12:41,030 --> 00:12:37,040

afterlife kind of stuff too did a

332

00:12:43,350 --> 00:12:41,040

netflix series was top 10 on netflix all

333

00:12:45,430 --> 00:12:43,360

about after yeah we wrote a book about

334

00:12:46,230 --> 00:12:45,440

it very good book and before that she

335

00:12:48,150 --> 00:12:46,240

wrote

336

00:12:50,949 --> 00:12:48,160

what was at the time

337

00:12:53,030 --> 00:12:50,959

one of the most respected ufo books

338

00:12:54,790 --> 00:12:53,040

you know a generals

339

00:12:58,150 --> 00:12:54,800

government officials something go on the

340

00:13:00,470 --> 00:12:58,160

record stuff so then she's the one who

341

00:13:03,590 --> 00:13:00,480

breaks the new york times story like you

342

00:13:05,190 --> 00:13:03,600

said december 2017 which

343

00:13:07,590 --> 00:13:05,200

again a lot of people don't even get

344

00:13:09,590 --> 00:13:07,600

what an important date that is you know

345

00:13:11,590 --> 00:13:09,600

yeah but her and ralph blumenthal

346

00:13:13,509 --> 00:13:11,600

interviewed them both on the show but my

347

00:13:15,430 --> 00:13:13,519

first reaction was

348

00:13:19,509 --> 00:13:15,440

[h__h] leslie

349

00:13:22,389 --> 00:13:19,519

ko intel pro i mean give me a break you

350

00:13:24,870 --> 00:13:22,399

go to the pentagon and they put you in a

351

00:13:28,069 --> 00:13:24,880

private room and they

352

00:13:29,590 --> 00:13:28,079

walk in lou elizondo and they say okay

353

00:13:32,430 --> 00:13:29,600

here's the thing

354

00:13:34,629 --> 00:13:32,440

here's the story and by the way it's

355

00:13:36,230 --> 00:13:34,639

declassified i mean

356

00:13:40,710 --> 00:13:36,240

how does this not

357

00:13:43,430 --> 00:13:40,720

stink from high heaven as a a fed story

358

00:13:45,990 --> 00:13:43,440

no it's a great question i think

359

00:13:47,910 --> 00:13:46,000

it's very easy for us to go there right

360

00:13:49,670 --> 00:13:47,920

because the government has been caught

361

00:13:51,030 --> 00:13:49,680

doing a lot of nefarious [h__h] in the

362

00:13:53,430 --> 00:13:51,040

past and

363

00:13:54,389 --> 00:13:53,440

and that's where my mind went to when i

364

00:13:57,509 --> 00:13:54,399

heard the

365

00:14:01,189 --> 00:13:57,519

the name of the program advanced

366

00:14:03,590 --> 00:14:01,199

aerial threat identification program i'm

367

00:14:05,590 --> 00:14:03,600

42 years old i was born in 1980 since

368

00:14:08,389 --> 00:14:05,600

the day i was born we've been sold

369

00:14:10,629 --> 00:14:08,399

nothing but threats and war

370

00:14:12,949 --> 00:14:10,639

and and look at the world around us

371

00:14:13,910 --> 00:14:12,959

today is because the consequences of

372

00:14:17,430 --> 00:14:13,920

this

373

00:14:19,670 --> 00:14:17,440

of our foreign policy constantly needing

374

00:14:23,110 --> 00:14:19,680

a threat to survive to get the new

375

00:14:25,509 --> 00:14:23,120

contracts to build the new planes to do

376

00:14:27,430 --> 00:14:25,519

to improve on a nuclear weapon like it

377

00:14:30,150 --> 00:14:27,440

blows my mind that there's still a part

378

00:14:32,550 --> 00:14:30,160

of our budget that is going toward

379

00:14:34,870 --> 00:14:32,560

making a bigger bomb than what we

380

00:14:37,030 --> 00:14:34,880

already have it's like i don't

381

00:14:39,670 --> 00:14:37,040

understand it it'll i'll never

382

00:14:42,790 --> 00:14:39,680

understand it and um

383

00:14:45,910 --> 00:14:42,800

so i understand from uh

384

00:14:47,990 --> 00:14:45,920

from just a citizen's perspective all of

385

00:14:49,430 --> 00:14:48,000

this [h__\h] is coming from the government

386

00:14:51,829 --> 00:14:49,440

all of it

387

00:14:53,750 --> 00:14:51,839

roswell came from the air force you know

388

00:14:56,069 --> 00:14:53,760

and it's so funny because most of these

389

00:14:58,150 --> 00:14:56,079

people who hate louis lozano or don't

390

00:14:59,910 --> 00:14:58,160

like his story are all very

391

00:15:01,350 --> 00:14:59,920

anti-government but when you talk to

392

00:15:03,750 --> 00:15:01,360

them they believe everything about

393

00:15:05,509 --> 00:15:03,760

roswell and it's like both of these

394

00:15:07,670 --> 00:15:05,519

things came from our government both of

395

00:15:10,710 --> 00:15:07,680

these stories came from our government

396

00:15:12,710 --> 00:15:10,720

um it's it's it's easy to paint that

397

00:15:15,750 --> 00:15:12,720

brush

398

00:15:18,389 --> 00:15:15,760

of skepticism over this story it's super

399

00:15:24,870 --> 00:15:18,399

easy and it's very um

400

00:15:29,269 --> 00:15:26,629

i don't know what i'm looking for but

401
00:15:31,350 --> 00:15:29,279
it's it's easy to pursue because hell

402
00:15:33,749 --> 00:15:31,360
the government lies all the time all

403
00:15:35,670 --> 00:15:33,759
they do is lie they've perfected mine so

404
00:15:39,030 --> 00:15:35,680
yeah i i think

405
00:15:43,990 --> 00:15:41,829
is and we're really focused on

406
00:15:47,030 --> 00:15:44,000
especially when we come back is a what

407
00:15:48,949 --> 00:15:47,040
have you done for me today attitude

408
00:15:50,870 --> 00:15:48,959
what information have you released today

409
00:15:52,470 --> 00:15:50,880
what what is

410
00:15:54,790 --> 00:15:52,480
what is the thing that catches my

411
00:15:55,749 --> 00:15:54,800
attention is that lawmakers

412
00:15:57,430 --> 00:15:55,759
are

413
00:15:59,509 --> 00:15:57,440

paying attention to this and write

414

00:16:01,749 --> 00:15:59,519

writing laws and legislation to look at

415

00:16:03,030 --> 00:16:01,759

this more closely and other things as

416

00:16:06,829 --> 00:16:03,040

well within

417

00:16:10,069 --> 00:16:06,839

the umbrella of that bill

418

00:16:11,990 --> 00:16:10,079

um yeah it's tough it's tough i mean

419

00:16:13,269 --> 00:16:12,000

because especially in the last you know

420

00:16:15,030 --> 00:16:13,279

two months

421

00:16:18,629 --> 00:16:15,040

you know we've learned of sock puppet

422

00:16:21,430 --> 00:16:18,639

accounts we've learned of um

423

00:16:23,189 --> 00:16:21,440

of uh you know right now

424

00:16:25,829 --> 00:16:23,199

we're talking about somebody who's been

425

00:16:27,990 --> 00:16:25,839

fired uh within the dod who is

426

00:16:29,430 --> 00:16:28,000

apparently louis lozando's boss

427

00:16:31,749 --> 00:16:29,440

and the woman that he was sexually

428

00:16:33,509 --> 00:16:31,759

harassing has now taken his place within

429

00:16:35,030 --> 00:16:33,519

that department which seems

430

00:16:36,870 --> 00:16:35,040

it just seems like a circus it's

431

00:16:37,670 --> 00:16:36,880

absolutely bonkers

432

00:16:39,590 --> 00:16:37,680

um

433

00:16:42,470 --> 00:16:39,600

so you know our

434

00:16:44,470 --> 00:16:42,480

our perspectives have changed on a lot

435

00:16:46,790 --> 00:16:44,480

of things and i think that's the beauty

436

00:16:50,470 --> 00:16:46,800

of the show is like you see the growth

437

00:16:52,710 --> 00:16:50,480

of it like it it this subject gets you

438

00:16:54,550 --> 00:16:52,720

in this rollercoaster of ups and downs

439

00:16:56,470 --> 00:16:54,560

of like oh my god this is absolutely

440

00:16:58,949 --> 00:16:56,480

real holy cow this is

441

00:17:00,150 --> 00:16:58,959

this smells and looks like [h__h]

442

00:17:00,949 --> 00:17:00,160

um

443

00:17:03,829 --> 00:17:00,959

so

444

00:17:04,949 --> 00:17:03,839

walking that line is difficult in my

445

00:17:07,029 --> 00:17:04,959

opinion

446

00:17:08,870 --> 00:17:07,039

the thing for me and this is just for me

447

00:17:11,829 --> 00:17:08,880

and i don't expect anybody to believe

448

00:17:13,829 --> 00:17:11,839

this or take this as as proof because

449

00:17:16,549 --> 00:17:13,839

i'll never make you

450

00:17:18,230 --> 00:17:16,559

take my story as proof i've seen one of

451
00:17:19,990 --> 00:17:18,240
these things up close and personal when

452
00:17:22,230 --> 00:17:20,000
i was a young man

453
00:17:25,029 --> 00:17:22,240
it changed my perspective on a lot of

454
00:17:26,870 --> 00:17:25,039
things so for me i i

455
00:17:28,549 --> 00:17:26,880
i know they're real but it's not what

456
00:17:30,470 --> 00:17:28,559
i'm putting on the table is proof i've

457
00:17:32,710 --> 00:17:30,480
got to really try and leave that out of

458
00:17:34,470 --> 00:17:32,720
the conversation but the other thing

459
00:17:36,310 --> 00:17:34,480
that i really look at

460
00:17:38,470 --> 00:17:36,320
that sort of leads me to believe that

461
00:17:40,070 --> 00:17:38,480
there's there isn't there there that

462
00:17:42,470 --> 00:17:40,080
something is there

463
00:17:44,870 --> 00:17:42,480

what it is i have no clue but

464

00:17:47,190 --> 00:17:44,880

is that again these lawmakers are going

465

00:17:48,390 --> 00:17:47,200

into classified meetings they're looking

466

00:17:51,350 --> 00:17:48,400

at um

467

00:17:53,430 --> 00:17:51,360

they're looking at data collected by

468

00:17:56,070 --> 00:17:53,440

the best instruments on the planet

469

00:17:57,590 --> 00:17:56,080

within our military industrial complex

470

00:17:59,830 --> 00:17:57,600

and they're coming out of these meetings

471

00:18:01,510 --> 00:17:59,840

and going

472

00:18:03,110 --> 00:18:01,520

uh this information is not getting to

473

00:18:05,590 --> 00:18:03,120

the right people we're not reacting to

474

00:18:07,350 --> 00:18:05,600

this information correctly uh and we

475

00:18:09,909 --> 00:18:07,360

need a little more clarity on what the

476
00:18:13,350 --> 00:18:09,919
hell is in our skies whether it's drones

477
00:18:16,390 --> 00:18:13,360
swarms of drones um or unidentified

478
00:18:19,750 --> 00:18:16,400
aerial phenomena that is

479
00:18:22,710 --> 00:18:19,760
displaying technologies far beyond

480
00:18:24,630 --> 00:18:22,720
what anyone is capable of well on one

481
00:18:26,310 --> 00:18:24,640
hand i think anyone who's talking about

482
00:18:30,150 --> 00:18:26,320
this from a purely

483
00:18:32,230 --> 00:18:30,160
ufos aren't real e.t isn't real that's a

484
00:18:34,230 --> 00:18:32,240
flat earth kind of mentality to me i

485
00:18:36,390 --> 00:18:34,240
don't even worry about that

486
00:18:39,430 --> 00:18:36,400
the thing that that i think is very real

487
00:18:41,909 --> 00:18:39,440
and you tuned into it is co intel pro

488
00:18:45,110 --> 00:18:41,919

political psyop i mean these guys have a

489

00:18:47,350 --> 00:18:45,120

long history of lying do you know uh

490

00:18:48,789 --> 00:18:47,360

this is see i'm kind of old school in

491

00:18:50,390 --> 00:18:48,799

this i've been doing this for a long

492

00:18:52,710 --> 00:18:50,400

time and i've interviewed all these

493

00:18:54,710 --> 00:18:52,720

people a long time ago

494

00:18:57,350 --> 00:18:54,720

that aren't even on the scene but do you

495

00:18:58,870 --> 00:18:57,360

remember colonel john alexander

496

00:19:01,270 --> 00:18:58,880

yes

497

00:19:04,310 --> 00:19:01,280

so for the longest time

498

00:19:07,510 --> 00:19:04,320

you know he was the guy who said look

499

00:19:10,789 --> 00:19:07,520

i am a colonel been in intelligence for

500

00:19:13,029 --> 00:19:10,799

20 years if there's any truth to this i

501
00:19:16,390 --> 00:19:13,039
would know because i know all the people

502
00:19:17,590 --> 00:19:16,400
who would know and there's no truth to

503
00:19:19,590 --> 00:19:17,600
any of this

504
00:19:21,909 --> 00:19:19,600
and he held this line for just the

505
00:19:24,150 --> 00:19:21,919
longest [h__h] time and thing after

506
00:19:25,750 --> 00:19:24,160
thing and danny sheen even you know

507
00:19:27,350 --> 00:19:25,760
confronted him with we can talk about

508
00:19:29,270 --> 00:19:27,360
danny sheen and you know you don't know

509
00:19:31,669 --> 00:19:29,280
what to make of him either but danny

510
00:19:34,230 --> 00:19:31,679
shannon's like look in the face of this

511
00:19:35,270 --> 00:19:34,240
in the face of this and he just did that

512
00:19:36,870 --> 00:19:35,280
you know

513
00:19:40,070 --> 00:19:36,880

stick the chin out like a colonel and

514

00:19:41,590 --> 00:19:40,080

said it's not real it didn't happen so i

515

00:19:45,350 --> 00:19:41,600

interviewed him

516

00:19:46,870 --> 00:19:45,360

a.d after disclosure and said hey

517

00:19:50,870 --> 00:19:46,880

what's up

518

00:19:53,430 --> 00:19:50,880

and he goes well i was wrong now let's

519

00:19:55,029 --> 00:19:53,440

talk about my new book on shamanism and

520

00:19:56,549 --> 00:19:55,039

all the rest of this [h__h]

521

00:19:58,870 --> 00:19:56,559

and i'm like

522

00:20:01,430 --> 00:19:58,880

oh man that ain't good enough

523

00:20:03,669 --> 00:20:01,440

that ain't good enough it's like richard

524

00:20:05,669 --> 00:20:03,679

dodie you know

525

00:20:06,870 --> 00:20:05,679

look like the one thing john alexander

526
00:20:09,590 --> 00:20:06,880
said

527
00:20:11,750 --> 00:20:09,600
that was the moment of like

528
00:20:14,789 --> 00:20:11,760
non-co-intel

529
00:20:16,549 --> 00:20:14,799
[h__\h] he said if richard dodie did

530
00:20:19,350 --> 00:20:16,559
the [h__\h] that he said he did he should

531
00:20:21,190 --> 00:20:19,360
be in jail he should be in leavenworth

532
00:20:25,590 --> 00:20:21,200
and richard doty in case we have to

533
00:20:27,430 --> 00:20:25,600
remind people is the guy who did this

534
00:20:29,990 --> 00:20:27,440
just dirty nasty

535
00:20:32,950 --> 00:20:30,000
psychological warfare on a guy named

536
00:20:34,630 --> 00:20:32,960
paul benowitz who was a patriotic

537
00:20:36,789 --> 00:20:34,640
flag raisin

538
00:20:40,230 --> 00:20:36,799

just american citizen who happened to

539

00:20:43,430 --> 00:20:40,240

live across from uh from kirkland in

540

00:20:45,590 --> 00:20:43,440

new mexico and saw stuff and was just

541

00:20:48,070 --> 00:20:45,600

like hey guys just want to make sure

542

00:20:49,669 --> 00:20:48,080

you're aware of this and they just

543

00:20:51,909 --> 00:20:49,679

totally

544

00:20:53,990 --> 00:20:51,919

[h__h] the guy over every which way and

545

00:20:55,909 --> 00:20:54,000

dodie was proud of it dodie was like hey

546

00:20:58,070 --> 00:20:55,919

man i did a good job that's what they

547

00:21:00,070 --> 00:20:58,080

wanted me to do and i did it and can you

548

00:21:02,950 --> 00:21:00,080

believe that flag

549

00:21:05,990 --> 00:21:02,960

waving idiot you know is like falling

550

00:21:08,710 --> 00:21:06,000

for all the stuff so it's like

551
00:21:10,070 --> 00:21:08,720
how do we clear why isn't that the first

552
00:21:11,350 --> 00:21:10,080
question for

553
00:21:15,669 --> 00:21:11,360
lou

554
00:21:18,549 --> 00:21:15,679
well what about john alexander

555
00:21:19,750 --> 00:21:18,559
what about richard doty to what extent

556
00:21:21,350 --> 00:21:19,760
do you

557
00:21:22,310 --> 00:21:21,360
separate yourself

558
00:21:23,190 --> 00:21:22,320
from

559
00:21:25,190 --> 00:21:23,200
this

560
00:21:27,750 --> 00:21:25,200
[h__\h] that's been run on us

561
00:21:29,110 --> 00:21:27,760
with regard to ufos

562
00:21:33,510 --> 00:21:29,120
yeah i think

563
00:21:35,590 --> 00:21:33,520

i mean it's hard it's hard to like

564

00:21:36,870 --> 00:21:35,600

ask him that question because obviously

565

00:21:38,310 --> 00:21:36,880

he wasn't there he didn't run those

566

00:21:40,549 --> 00:21:38,320

programs he was in charge of those

567

00:21:41,669 --> 00:21:40,559

people he he had nothing to do with any

568

00:21:44,230 --> 00:21:41,679

of those people

569

00:21:45,430 --> 00:21:44,240

so but i understand that those people

570

00:21:47,029 --> 00:21:45,440

also

571

00:21:48,149 --> 00:21:47,039

are the reason why we should be

572

00:21:51,190 --> 00:21:48,159

skeptical

573

00:21:53,909 --> 00:21:51,200

they they're perfect examples of why

574

00:21:55,430 --> 00:21:53,919

we shouldn't trust anyone we shouldn't

575

00:21:56,710 --> 00:21:55,440

we shouldn't trust anyone on this

576

00:21:58,789 --> 00:21:56,720

conversation

577

00:22:02,870 --> 00:21:58,799

until scientific papers start coming

578

00:22:05,430 --> 00:22:02,880

down the line you know until until real

579

00:22:06,789 --> 00:22:05,440

research on this that is shared publicly

580

00:22:09,990 --> 00:22:06,799

what would you what would you want to

581

00:22:12,470 --> 00:22:10,000

see from scientific papers i mean here's

582

00:22:13,750 --> 00:22:12,480

an interview you did let me pull this up

583

00:22:15,430 --> 00:22:13,760

i mean

584

00:22:16,630 --> 00:22:15,440

because i've talked to all these people

585

00:22:18,470 --> 00:22:16,640

too

586

00:22:19,510 --> 00:22:18,480

yeah well we'll talk about chris lambert

587

00:22:21,350 --> 00:22:19,520

and then

588

00:22:23,430 --> 00:22:21,360

yeah oh you did

589

00:22:25,590 --> 00:22:23,440

like again back to the point you do

590

00:22:28,230 --> 00:22:25,600

great interviews like the christian

591

00:22:29,990 --> 00:22:28,240

lambright you knew your stuff you're

592

00:22:31,830 --> 00:22:30,000

asking the right questions you're

593

00:22:33,990 --> 00:22:31,840

listening and when people try and take

594

00:22:36,149 --> 00:22:34,000

another direction you go no no come back

595

00:22:38,070 --> 00:22:36,159

to the timeline because the timeline is

596

00:22:40,470 --> 00:22:38,080

what's so important in his story because

597

00:22:43,190 --> 00:22:40,480

he's the paul bennowitz guy and really

598

00:22:44,470 --> 00:22:43,200

reveals the truth about that and there's

599

00:22:46,470 --> 00:22:44,480

lou which

600

00:22:48,149 --> 00:22:46,480

i don't know just

601
00:22:49,590 --> 00:22:48,159
i mean like you said you put your finger

602
00:22:51,669 --> 00:22:49,600
on it threat

603
00:22:53,190 --> 00:22:51,679
okay so that's what this is about that's

604
00:22:54,789 --> 00:22:53,200
all that comes out of your mind threat

605
00:22:57,750 --> 00:22:54,799
threat threat

606
00:22:59,990 --> 00:22:57,760
but um here's the interview you did

607
00:23:02,070 --> 00:23:00,000
i mean you did a fantastic number of

608
00:23:04,310 --> 00:23:02,080
interviews with melinda leslie

609
00:23:07,190 --> 00:23:04,320
yeah i'll call the rest of these people

610
00:23:09,430 --> 00:23:07,200
melinda leslie just get to the bottom of

611
00:23:11,590 --> 00:23:09,440
that one she goes

612
00:23:14,070 --> 00:23:11,600
it's about abduction it's about that

613
00:23:16,870 --> 00:23:14,080

kind of level of contact i've had it

614

00:23:19,029 --> 00:23:16,880

i've studied it for 40 years interviewed

615

00:23:21,510 --> 00:23:19,039

hundreds and hundreds of people and what

616

00:23:23,430 --> 00:23:21,520

does she say this gets into my world lou

617

00:23:26,549 --> 00:23:23,440

she gets in the first thing it's about

618

00:23:29,190 --> 00:23:26,559

is consciousness they want to know about

619

00:23:31,430 --> 00:23:29,200

psychic stuff they show you how to be

620

00:23:33,669 --> 00:23:31,440

more psychic the rest the next thing

621

00:23:36,549 --> 00:23:33,679

it's about she's saying she's saying

622

00:23:38,630 --> 00:23:36,559

people who've been taken on the craft

623

00:23:40,149 --> 00:23:38,640

and have memories of it here's what they

624

00:23:41,830 --> 00:23:40,159

report and

625

00:23:43,750 --> 00:23:41,840

so and then she says and it's about

626

00:23:46,789 --> 00:23:43,760

technology and it's about all the rest

627

00:23:50,149 --> 00:23:46,799

this stuff i mean when i compare that

628

00:23:52,149 --> 00:23:50,159

with what lou elizondo's saying i'm like

629

00:23:54,070 --> 00:23:52,159

i could care less about any of the

630

00:23:56,390 --> 00:23:54,080

[h__h] you're putting out there lou

631

00:23:58,789 --> 00:23:56,400

here's what i want to know is

632

00:24:01,029 --> 00:23:58,799

how is e.t interacting with these people

633

00:24:02,549 --> 00:24:01,039

and changing their consciousness some

634

00:24:04,390 --> 00:24:02,559

people are saying i had a spirit it's

635

00:24:05,990 --> 00:24:04,400

like a spiritual awakening experience

636

00:24:07,430 --> 00:24:06,000

all the rest that

637

00:24:09,990 --> 00:24:07,440

i mean

638

00:24:11,830 --> 00:24:10,000

you're you're an experimenter where does

639

00:24:14,710 --> 00:24:11,840

this stuff hit you doesn't it hit you at

640

00:24:16,149 --> 00:24:14,720

that fundamental level of who am i why

641

00:24:18,870 --> 00:24:16,159

am i here

642

00:24:20,950 --> 00:24:18,880

i mean it does but the problem is is

643

00:24:23,269 --> 00:24:20,960

that we've been asking that those

644

00:24:25,750 --> 00:24:23,279

questions for such a long time and and

645

00:24:27,590 --> 00:24:25,760

they're not moving the ball anywhere

646

00:24:29,990 --> 00:24:27,600

you know i just don't know if we're even

647

00:24:32,549 --> 00:24:30,000

ready for the answer to those questions

648

00:24:34,390 --> 00:24:32,559

i think we've got to simplify it more

649

00:24:36,470 --> 00:24:34,400

we've got to be able to get everybody on

650

00:24:38,710 --> 00:24:36,480

the same page i love belinda leslie the

651
00:24:40,950 --> 00:24:38,720
deficit guys she's a fascinating person

652
00:24:43,510 --> 00:24:40,960
to talk to but like when i lay it out

653
00:24:45,350 --> 00:24:43,520
for i don't think there's anything to

654
00:24:47,269 --> 00:24:45,360
this my laps i really don't i don't

655
00:24:49,909 --> 00:24:47,279
think there's any proof of it at all i

656
00:24:50,950 --> 00:24:49,919
think to hide a program that large

657
00:24:52,149 --> 00:24:50,960
would

658
00:24:54,390 --> 00:24:52,159
take

659
00:24:56,149 --> 00:24:54,400
thousands and thousands and thousands of

660
00:24:58,470 --> 00:24:56,159
people to pull off

661
00:25:01,430 --> 00:24:58,480
uh the budget would be almost impossible

662
00:25:03,750 --> 00:25:01,440
to hide and and i compared it to mk

663
00:25:06,710 --> 00:25:03,760

ultra mk ultra was a program that ran

664

00:25:08,310 --> 00:25:06,720

for 20 years it was a really small very

665

00:25:10,230 --> 00:25:08,320

few people knew about it

666

00:25:11,990 --> 00:25:10,240

but when the program was over two years

667

00:25:14,630 --> 00:25:12,000

later they were asking about in a

668

00:25:16,710 --> 00:25:14,640

congress and then we had hearings about

669

00:25:18,230 --> 00:25:16,720

it and then the public people the public

670

00:25:20,549 --> 00:25:18,240

knew about it she's talking about a

671

00:25:21,750 --> 00:25:20,559

program that's been going on for 80

672

00:25:25,830 --> 00:25:21,760

years

673

00:25:27,830 --> 00:25:25,840

um i just i can't

674

00:25:28,810 --> 00:25:27,840

i can't wrap my brain around that kind

675

00:25:30,149 --> 00:25:28,820

of stuff um

676

00:25:33,590 --> 00:25:30,159

[Music]

677

00:25:37,029 --> 00:25:33,600

you know as far as lou's concerned i

678

00:25:42,789 --> 00:25:40,310

you know again signing nbas and i and i

679

00:25:44,230 --> 00:25:42,799

hate to make this excuse but

680

00:25:49,190 --> 00:25:44,240

there are things you can't talk about

681

00:25:53,830 --> 00:25:51,350

the thing that matters to me i i'm at

682

00:25:56,070 --> 00:25:53,840

this point i'm i'm like i don't care who

683

00:25:58,149 --> 00:25:56,080

the personality is anymore i'm so

684

00:26:00,470 --> 00:25:58,159

concentrated on what are what are

685

00:26:02,070 --> 00:26:00,480

lawmakers doing to get more information

686

00:26:03,909 --> 00:26:02,080

on this i want to see nuts and bolts

687

00:26:05,750 --> 00:26:03,919

things so when you ask me what more

688

00:26:07,269 --> 00:26:05,760

could science do science hasn't paid

689

00:26:09,510 --> 00:26:07,279

attention to this at all they're just

690

00:26:10,870 --> 00:26:09,520

now getting to it you know when you've

691

00:26:12,950 --> 00:26:10,880

got uh

692

00:26:14,870 --> 00:26:12,960

harvard professor avi loeb looking at

693

00:26:16,870 --> 00:26:14,880

this topic in a very serious way trying

694

00:26:18,310 --> 00:26:16,880

to get money to look at this topic in a

695

00:26:21,190 --> 00:26:18,320

very serious way

696

00:26:23,430 --> 00:26:21,200

um i think i think those

697

00:26:25,350 --> 00:26:23,440

hopefully those discoveries will lead us

698

00:26:27,590 --> 00:26:25,360

into the conversations of okay how do

699

00:26:29,669 --> 00:26:27,600

these things consciously connect with us

700

00:26:31,990 --> 00:26:29,679

do they if they do what are the

701
00:26:34,710 --> 00:26:32,000
consequences of that or what are the

702
00:26:37,510 --> 00:26:34,720
the pros of that those there's a lot

703
00:26:40,310 --> 00:26:37,520
it's it's a can it's pandora's box it's

704
00:26:41,510 --> 00:26:40,320
a can of worms it's there's once you

705
00:26:44,230 --> 00:26:41,520
once you

706
00:26:47,190 --> 00:26:44,240
solidify one part of this conversation

707
00:26:49,909 --> 00:26:47,200
it leads to 15 billion other questions

708
00:26:52,149 --> 00:26:49,919
that have to be taken one at a time and

709
00:26:54,310 --> 00:26:52,159
that's not going to happen overnight and

710
00:26:56,149 --> 00:26:54,320
i don't think there's one person or one

711
00:26:58,549 --> 00:26:56,159
messenger that's gonna come out and give

712
00:27:00,230 --> 00:26:58,559
us all the answers we're looking for

713
00:27:03,110 --> 00:27:00,240

it's just not gonna happen i think it's

714

00:27:05,350 --> 00:27:03,120

too complicated um i think we're we're

715

00:27:08,390 --> 00:27:05,360

scratching at the surface of something

716

00:27:10,630 --> 00:27:08,400

so immensely foreign

717

00:27:13,830 --> 00:27:10,640

to the human consciousness and

718

00:27:16,470 --> 00:27:13,840

subconsciousness that we really have no

719

00:27:18,950 --> 00:27:16,480

clue what we're tapping into or doing

720

00:27:22,070 --> 00:27:18,960

when it comes to this stuff

721

00:27:24,549 --> 00:27:22,080

and uh so yeah i mean

722

00:27:27,590 --> 00:27:24,559

it's i understand that people want those

723

00:27:28,470 --> 00:27:27,600

answers and i get it um but i just don't

724

00:27:31,909 --> 00:27:28,480

know

725

00:27:34,230 --> 00:27:31,919

if we're ready for it yet

726

00:27:36,630 --> 00:27:34,240

okay and if we are how do we explain it

727

00:27:39,269 --> 00:27:36,640

to people that's the other thing like

728

00:27:41,350 --> 00:27:39,279

how do we explain this kind of stuff to

729

00:27:43,110 --> 00:27:41,360

the american public

730

00:27:44,870 --> 00:27:43,120

well

731

00:27:47,830 --> 00:27:44,880

now you're sounding now you're sounding

732

00:27:49,750 --> 00:27:47,840

uh lou elizondo-ish you know like look

733

00:27:51,669 --> 00:27:49,760

what we've done in terms of getting hold

734

00:27:54,710 --> 00:27:51,679

it oh no seriously wait it's a tough

735

00:27:57,110 --> 00:27:54,720

conversation though alex like i i like

736

00:27:58,710 --> 00:27:57,120

my sister i use my family as a perfect

737

00:28:00,789 --> 00:27:58,720

example because they have nothing to do

738

00:28:03,430 --> 00:28:00,799

with this stuff they really don't and

739

00:28:05,750 --> 00:28:03,440

they're supportive of me they believe my

740

00:28:07,190 --> 00:28:05,760

experience that i've had right

741

00:28:10,789 --> 00:28:07,200

but do you have to have contact

742

00:28:12,870 --> 00:28:10,799

experience citing experience both i mean

743

00:28:15,029 --> 00:28:12,880

close a close sighting experience not

744

00:28:16,630 --> 00:28:15,039

did it lead to entities

745

00:28:17,909 --> 00:28:16,640

it did it lead to though you know

746

00:28:20,149 --> 00:28:17,919

because a lot of people have had

747

00:28:23,110 --> 00:28:20,159

sighting experiences

748

00:28:25,029 --> 00:28:23,120

it also has kind of a valet davis effect

749

00:28:26,710 --> 00:28:25,039

you know kind of

750

00:28:28,630 --> 00:28:26,720

you know there's a there's an effect to

751

00:28:31,830 --> 00:28:28,640

it that's beyond just the sighting or

752

00:28:35,029 --> 00:28:31,840

for you was it just more like i saw it

753

00:28:37,669 --> 00:28:35,039

yeah no i i saw it was like

754

00:28:39,350 --> 00:28:37,679

it was like um

755

00:28:41,750 --> 00:28:39,360

you know and i know this is a very

756

00:28:44,389 --> 00:28:41,760

simple sort of comparison but it's like

757

00:28:47,110 --> 00:28:44,399

seeing a very rare

758

00:28:49,669 --> 00:28:47,120

athlete or airplane or car that you like

759

00:28:51,510 --> 00:28:49,679

can you see it you're like holy [h__\h] and

760

00:28:53,830 --> 00:28:51,520

all you want to do is get closer to it

761

00:28:58,070 --> 00:28:53,840

and get a better view of it and that's

762

00:29:00,310 --> 00:28:58,080

what it was um i mean like it absolutely

763

00:29:03,029 --> 00:29:00,320

affected me but i don't think i had i

764

00:29:05,990 --> 00:29:03,039

had no subconscious messages or

765

00:29:10,470 --> 00:29:06,000

downloads or any connection with it in

766

00:29:15,990 --> 00:29:14,310

paraphysical way i i it's it was simply

767

00:29:18,230 --> 00:29:16,000

something that i saw

768

00:29:21,590 --> 00:29:18,240

so i you know i i

769

00:29:24,310 --> 00:29:21,600

i didn't have that kind of ex the the

770

00:29:26,310 --> 00:29:24,320

other elements of of you know

771

00:29:27,830 --> 00:29:26,320

the close encounters through all the way

772

00:29:30,710 --> 00:29:27,840

through ce6

773

00:29:32,389 --> 00:29:30,720

uh if we want to count those um

774

00:29:33,990 --> 00:29:32,399

i didn't have any of that

775

00:29:35,110 --> 00:29:34,000

okay so i'm sorry

776

00:29:38,870 --> 00:29:35,120

your sister

777

00:29:42,149 --> 00:29:38,880

yeah so going back to going back to my

778

00:29:45,350 --> 00:29:42,159

sister my family like when

779

00:29:48,470 --> 00:29:45,360

she tried watching an episode

780

00:29:49,750 --> 00:29:48,480

of the secret of skinwalker ranch which

781

00:29:51,510 --> 00:29:49,760

sort of is

782

00:29:54,149 --> 00:29:51,520

an a very

783

00:29:56,470 --> 00:29:54,159

remedial way to sort of get into this

784

00:29:58,470 --> 00:29:56,480

conversation and sort of even start

785

00:29:59,830 --> 00:29:58,480

considering things like this and it

786

00:30:01,510 --> 00:29:59,840

scared the [h__h] out of her she couldn't

787

00:30:04,870 --> 00:30:01,520

watch the whole episode she hasn't

788

00:30:06,870 --> 00:30:04,880

watched the show since then so this is

789

00:30:09,750 --> 00:30:06,880

going to be a very difficult

790

00:30:12,149 --> 00:30:09,760

conversation to have with people it is

791

00:30:14,549 --> 00:30:12,159

um and i do believe that

792

00:30:16,950 --> 00:30:14,559

i look there are parts of louisando that

793

00:30:18,710 --> 00:30:16,960

i think are valuable and and i think

794

00:30:20,070 --> 00:30:18,720

move the conversation forward and then

795

00:30:21,830 --> 00:30:20,080

there are other parts where i look i'm

796

00:30:24,470 --> 00:30:21,840

like man that's not valuable that does

797

00:30:26,630 --> 00:30:24,480

not move the conversation board um you

798

00:30:28,870 --> 00:30:26,640

know i just take what i can and move on

799

00:30:30,870 --> 00:30:28,880

with it um and i think

800

00:30:36,149 --> 00:30:30,880

this part of the message of

801
00:30:41,190 --> 00:30:37,110

go

802
00:30:43,590 --> 00:30:41,200

painters

803
00:30:45,669 --> 00:30:43,600

interpreting cats

804
00:30:47,190 --> 00:30:45,679

from from travelers that came from

805
00:30:48,789 --> 00:30:47,200

different parts of the world for the

806
00:30:50,549 --> 00:30:48,799

first time and you look at these

807
00:30:53,510 --> 00:30:50,559

wonderful painters and they paint

808
00:30:55,350 --> 00:30:53,520

catches google it from the you know 15th

809
00:30:58,070 --> 00:30:55,360

14th century

810
00:31:01,029 --> 00:30:58,080

they look awful they look nothing like

811
00:31:03,909 --> 00:31:01,039

cats and i think this is kind like i can

812
00:31:07,029 --> 00:31:03,919

un i can imagine a world in where our

813
00:31:12,389 --> 00:31:09,909

sees a cat for the first time in the

814

00:31:14,710 --> 00:31:12,399

form of this phenomenon

815

00:31:16,470 --> 00:31:14,720

and they come back and they meet on it

816

00:31:18,149 --> 00:31:16,480

and they have different interpretations

817

00:31:20,789 --> 00:31:18,159

of it and all of their drawings and all

818

00:31:23,350 --> 00:31:20,799

of their research don't paint perfectly

819

00:31:25,269 --> 00:31:23,360

what they saw or what they experienced

820

00:31:27,909 --> 00:31:25,279

and i could understand how they're like

821

00:31:29,269 --> 00:31:27,919

yeah if we can't explain it internally

822

00:31:32,070 --> 00:31:29,279

how the hell are we going to tell

823

00:31:34,070 --> 00:31:32,080

anybody else publicly about this like i

824

00:31:35,669 --> 00:31:34,080

can see how they would get scared and

825

00:31:38,310 --> 00:31:35,679

not and not want to talk about it

826

00:31:39,909 --> 00:31:38,320

honestly and i may disagree with me well

827

00:31:41,909 --> 00:31:39,919

i don't disagree with you i i just think

828

00:31:43,590 --> 00:31:41,919

there's it's like

829

00:31:45,509 --> 00:31:43,600

you're trying to say a bunch of

830

00:31:47,110 --> 00:31:45,519

different things kind of all at once

831

00:31:49,750 --> 00:31:47,120

which i realize you have to because

832

00:31:52,230 --> 00:31:49,760

that's the nature of this topic

833

00:31:54,870 --> 00:31:52,240

yeah on one hand you're saying hey the

834

00:31:57,350 --> 00:31:54,880

government has to protect us and people

835

00:31:59,669 --> 00:31:57,360

hate when they hear that you know but

836

00:32:01,430 --> 00:31:59,679

it's true you know that it's true i mean

837

00:32:03,830 --> 00:32:01,440

on one level that's their fundamental

838

00:32:05,750 --> 00:32:03,840

responsibility is hey the huns are

839

00:32:07,430 --> 00:32:05,760

coming over the hill and you know they

840

00:32:09,509 --> 00:32:07,440

don't give a [\h__\h] they're just gonna do

841

00:32:12,149 --> 00:32:09,519

their thing and we gotta protect that

842

00:32:14,789 --> 00:32:12,159

but then we also would love to believe

843

00:32:17,190 --> 00:32:14,799

that we don't need to be protected from

844

00:32:18,870 --> 00:32:17,200

the truth you know the you can't handle

845

00:32:20,549 --> 00:32:18,880

the truth you can't just you don't

846

00:32:22,549 --> 00:32:20,559

deserve the truth kind of thing which is

847

00:32:25,029 --> 00:32:22,559

kind of a playoff and there's plenty of

848

00:32:27,509 --> 00:32:25,039

evidence that we do we cannot handle the

849

00:32:29,350 --> 00:32:27,519

truth and that there's a role to play

850

00:32:32,310 --> 00:32:29,360

there as well so

851
00:32:33,669 --> 00:32:32,320
we get that but now when we're talking

852
00:32:35,350 --> 00:32:33,679
you and i

853
00:32:38,470 --> 00:32:35,360
we're like okay

854
00:32:40,630 --> 00:32:38,480
pardon me i can't handle the truth so i

855
00:32:43,509 --> 00:32:40,640
want the truth so the truth you know

856
00:32:46,389 --> 00:32:43,519
like melinda leslie okay

857
00:32:48,310 --> 00:32:46,399
my lab thing don't know i agree with you

858
00:32:50,549 --> 00:32:48,320
up in the air on that

859
00:32:52,789 --> 00:32:50,559
but if you just start stacking the

860
00:32:54,950 --> 00:32:52,799
evidence for burden of proof i mean go

861
00:32:57,830 --> 00:32:54,960
to uh richard dolan who you interviewed

862
00:33:00,230 --> 00:32:57,840
here along with grant cameron i've had

863
00:33:02,070 --> 00:33:00,240

plenty of interviews with grant cameron

864

00:33:03,669 --> 00:33:02,080

great guy he's kind of gone overboard on

865

00:33:06,310 --> 00:33:03,679

the consciousness thing without really

866

00:33:08,070 --> 00:33:06,320

understanding i think uh fundamentally

867

00:33:09,990 --> 00:33:08,080

what it's about but nonetheless but

868

00:33:11,509 --> 00:33:10,000

dolan the interesting thing about dolan

869

00:33:14,710 --> 00:33:11,519

is right

870

00:33:17,990 --> 00:33:14,720

he was kind of playing the the straight

871

00:33:21,190 --> 00:33:18,000

line of the historian tilly marries mrs

872

00:33:23,190 --> 00:33:21,200

dolan and miss adult says no man i was

873

00:33:25,590 --> 00:33:23,200

raped by the [h__h] aliens you know

874

00:33:27,430 --> 00:33:25,600

what i mean and he knows her and loves

875

00:33:30,310 --> 00:33:27,440

and loves her and sleeps in the same bed

876

00:33:32,310 --> 00:33:30,320

with her and she sounds pretty credible

877

00:33:34,470 --> 00:33:32,320

and he's pretty credible and he's

878

00:33:36,549 --> 00:33:34,480

listened to enough of those stories with

879

00:33:39,669 --> 00:33:36,559

abductees and he's like

880

00:33:42,549 --> 00:33:39,679

no that's real that stuff is happening

881

00:33:45,830 --> 00:33:42,559

so if that stuff is happening unless

882

00:33:46,789 --> 00:33:45,840

dolan is just full of crap and

883

00:33:49,110 --> 00:33:46,799

then

884

00:33:50,630 --> 00:33:49,120

where are we to understand melinda

885

00:33:52,630 --> 00:33:50,640

leslie and you know the other

886

00:33:54,630 --> 00:33:52,640

interesting thing about switching around

887

00:33:57,110 --> 00:33:54,640

for a minute so that would be kind of

888

00:33:58,789 --> 00:33:57,120

question one and and that leads to the i

889

00:34:01,669 --> 00:33:58,799

think the deeper question of good et

890

00:34:03,350 --> 00:34:01,679

versus bad et you know and

891

00:34:06,549 --> 00:34:03,360

just like

892

00:34:08,710 --> 00:34:06,559

good mk ultra versus bad mk ultra if if

893

00:34:11,669 --> 00:34:08,720

you can you know some of that was maybe

894

00:34:13,430 --> 00:34:11,679

for a good purpose let's understand it

895

00:34:15,510 --> 00:34:13,440

because it could mind control could be

896

00:34:18,829 --> 00:34:15,520

happening to our soldiers could be

897

00:34:22,230 --> 00:34:18,839

happening to our american citizens so

898

00:34:24,230 --> 00:34:22,240

mkultra let's figure out what it is and

899

00:34:26,470 --> 00:34:24,240

then the bad part of it the evil part of

900

00:34:28,310 --> 00:34:26,480

it is hey why we're at it why don't we

901
00:34:30,069 --> 00:34:28,320
weaponize it so we can do it to all

902
00:34:32,869 --> 00:34:30,079
these people well

903
00:34:34,869 --> 00:34:32,879
why would we assume that that isn't

904
00:34:38,310 --> 00:34:34,879
going on here we would have to assume

905
00:34:39,750 --> 00:34:38,320
that it is until proven otherwise so

906
00:34:43,510 --> 00:34:39,760
i kind of bounced around with a lot of

907
00:34:44,230 --> 00:34:43,520
things what do you make of the dolans

908
00:34:53,109 --> 00:34:44,240
and

909
00:34:55,589 --> 00:34:53,119
being forced to do kind of some pretty

910
00:34:59,270 --> 00:34:55,599
nasty stuff with e.t

911
00:35:03,030 --> 00:34:59,280
that's his that's his account right

912
00:35:07,109 --> 00:35:03,040
that's his account i mean i i

913
00:35:09,349 --> 00:35:07,119

there's no no there's no proof for it

914

00:35:11,589 --> 00:35:09,359

there's no proof of it there's no study

915

00:35:14,310 --> 00:35:11,599

no uh other than you know uh well

916

00:35:17,589 --> 00:35:14,320

there's this study you know do you know

917

00:35:20,150 --> 00:35:17,599

do you know ray hernandez uh with uh the

918

00:35:21,829 --> 00:35:20,160

edgar mitchell foundation

919

00:35:24,550 --> 00:35:21,839

down there in miami i mean he hasn't

920

00:35:28,069 --> 00:35:24,560

heard the name but i'm not familiar

921

00:35:30,950 --> 00:35:28,079

super sharp guy uh attorney irs attorney

922

00:35:33,750 --> 00:35:30,960

also a phd and or he's getting his phd

923

00:35:37,109 --> 00:35:33,760

just very very smart guy the first

924

00:35:39,750 --> 00:35:37,119

large-scale uh study of contact

925

00:35:42,069 --> 00:35:39,760

experience done in a scientific way leo

926
00:35:44,710 --> 00:35:42,079
sprinkle was a scientist who designed it

927
00:35:47,190 --> 00:35:44,720
a great grant cameron totally hooked

928
00:35:51,270 --> 00:35:47,200
into those guys uh and knows all those

929
00:35:53,990 --> 00:35:51,280
guys so no the data is yes and the data

930
00:35:56,310 --> 00:35:54,000
you know consistently has come back yes

931
00:35:58,710 --> 00:35:56,320
yes yes so when you say there's there's

932
00:36:00,950 --> 00:35:58,720
no evidence for it it's like saying

933
00:36:03,349 --> 00:36:00,960
there's no evidence for uh

934
00:36:05,349 --> 00:36:03,359
near-death experience but here's here's

935
00:36:07,030 --> 00:36:05,359
my thing right that information's out

936
00:36:12,470 --> 00:36:07,040
there

937
00:36:18,710 --> 00:36:15,270
it's not it's not convincing

938
00:36:21,190 --> 00:36:18,720

lawmakers it's not convincing academia

939

00:36:23,670 --> 00:36:21,200

it's not convincing the soccer mom

940

00:36:24,710 --> 00:36:23,680

it's not compelling enough

941

00:36:26,870 --> 00:36:24,720

to get

942

00:36:28,630 --> 00:36:26,880

the entire world talking about it like a

943

00:36:30,710 --> 00:36:28,640

sopranos episode

944

00:36:33,109 --> 00:36:30,720

or you know the last episode of game of

945

00:36:36,230 --> 00:36:33,119

thrones or whatever

946

00:36:37,910 --> 00:36:36,240

i think when this topic is in 60 minutes

947

00:36:40,069 --> 00:36:37,920

it gets on that level

948

00:36:41,829 --> 00:36:40,079

i think when this topic is discussed in

949

00:36:44,870 --> 00:36:41,839

the atlantic

950

00:36:47,349 --> 00:36:44,880

or any one of these high brown magazines

951
00:36:49,349 --> 00:36:47,359
high society magazines

952
00:36:51,109 --> 00:36:49,359
it's being discussed and it's being

953
00:36:53,510 --> 00:36:51,119
taken seriously now

954
00:36:57,190 --> 00:36:53,520
um i think when you hear

955
00:36:59,750 --> 00:36:57,200
conversations between say alex friedman

956
00:37:02,150 --> 00:36:59,760
and gary nolan who are both phds and

957
00:37:04,630 --> 00:37:02,160
looking at different aspects of

958
00:37:05,670 --> 00:37:04,640
consciousness as well

959
00:37:08,230 --> 00:37:05,680
and

960
00:37:10,230 --> 00:37:08,240
you hear about gary nolan every single

961
00:37:12,230 --> 00:37:10,240
one of his speaking engagements that he

962
00:37:14,150 --> 00:37:12,240
goes to at these universities after the

963
00:37:15,510 --> 00:37:14,160

engagements there's a dinner and at

964

00:37:19,030 --> 00:37:15,520

these dinners

965

00:37:21,750 --> 00:37:19,040

at some point this conversation comes up

966

00:37:23,750 --> 00:37:21,760

and then he gives his point of view and

967

00:37:26,150 --> 00:37:23,760

one of two things happens

968

00:37:28,550 --> 00:37:26,160

usually the entire table chimes in with

969

00:37:30,470 --> 00:37:28,560

their own stories or people they know

970

00:37:32,069 --> 00:37:30,480

that saw something crazy or have even

971

00:37:34,390 --> 00:37:32,079

experienced something and then it

972

00:37:37,750 --> 00:37:34,400

becomes a safety and numbers thing

973

00:37:39,510 --> 00:37:37,760

at that table or after the uh the the

974

00:37:41,670 --> 00:37:39,520

dinner someone will come up to him

975

00:37:43,430 --> 00:37:41,680

privately and give him an account and

976

00:37:45,190 --> 00:37:43,440

these are smart people these are very

977

00:37:46,630 --> 00:37:45,200

credible people they're either irs

978

00:37:49,190 --> 00:37:46,640

attorneys they're doctors they're

979

00:37:51,589 --> 00:37:49,200

lawyers they're they come from all walks

980

00:37:53,829 --> 00:37:51,599

of life i'm not saying that the proof is

981

00:37:56,470 --> 00:37:53,839

not there what i am saying though is

982

00:37:59,430 --> 00:37:56,480

that academias hasn't taken it seriously

983

00:38:02,150 --> 00:37:59,440

enough to legitimately try and start to

984

00:38:05,829 --> 00:38:02,160

answer what people are dealing with from

985

00:38:07,589 --> 00:38:05,839

a from a especially a ptsd standpoint

986

00:38:09,270 --> 00:38:07,599

like there are there are accounts that

987

00:38:11,190 --> 00:38:09,280

people are really experiencing things

988

00:38:14,470 --> 00:38:11,200

and i don't want to write that stuff off

989

00:38:17,030 --> 00:38:14,480

i think it's valid but again and how do

990

00:38:18,550 --> 00:38:17,040

we take these stories and translate them

991

00:38:19,910 --> 00:38:18,560

to the bigger

992

00:38:22,150 --> 00:38:19,920

uh uh

993

00:38:23,510 --> 00:38:22,160

community at large the community that

994

00:38:25,829 --> 00:38:23,520

doesn't look into the stuff the

995

00:38:28,470 --> 00:38:25,839

community that doesn't research that's

996

00:38:30,310 --> 00:38:28,480

that's where i'm trying to get this

997

00:38:32,790 --> 00:38:30,320

conversation to i'm trying to get my mom

998

00:38:34,790 --> 00:38:32,800

and my sister and my and my dad's to

999

00:38:36,470 --> 00:38:34,800

call me every day going hey did you hear

1000

00:38:38,550 --> 00:38:36,480

about this what about this what about

1001
00:38:39,750 --> 00:38:38,560
this i think that would be an exciting

1002
00:38:42,470 --> 00:38:39,760
place to be

1003
00:38:44,470 --> 00:38:42,480
um but all i'll say is i'm not doubting

1004
00:38:46,710 --> 00:38:44,480
the research of the work of the dolans

1005
00:38:49,030 --> 00:38:46,720
and the melinda lesnies i'm not saying

1006
00:38:50,630 --> 00:38:49,040
they're liars but what i'm saying is is

1007
00:38:52,150 --> 00:38:50,640
the data that they've put on the table

1008
00:38:54,710 --> 00:38:52,160
so far

1009
00:38:57,990 --> 00:38:54,720
in that in some cases they've presented

1010
00:39:00,230 --> 00:38:58,000
in a mock congressional setting in front

1011
00:39:01,990 --> 00:39:00,240
of real lawmakers hasn't moved the

1012
00:39:03,190 --> 00:39:02,000
needle at all

1013
00:39:05,510 --> 00:39:03,200

at all

1014

00:39:06,950 --> 00:39:05,520

and now you get this 2017 article you

1015

00:39:08,550 --> 00:39:06,960

get this guy from the government saying

1016

00:39:10,150 --> 00:39:08,560

these things are real you get lawmakers

1017

00:39:11,910 --> 00:39:10,160

starting to write laws

1018

00:39:12,950 --> 00:39:11,920

and those are the things that are moving

1019

00:39:15,109 --> 00:39:12,960

the needle

1020

00:39:17,829 --> 00:39:15,119

it's not it's not these stories of

1021

00:39:20,470 --> 00:39:17,839

abductions or these um

1022

00:39:23,030 --> 00:39:20,480

you know in some cases have concocted

1023

00:39:25,430 --> 00:39:23,040

experiments on on what we're looking or

1024

00:39:28,710 --> 00:39:25,440

trying to figure out like i think just

1025

00:39:30,790 --> 00:39:28,720

labeling this thing as et is incredibly

1026

00:39:33,270 --> 00:39:30,800

naive how do we know that how do we know

1027

00:39:34,870 --> 00:39:33,280

it's et how do we know it's coming from

1028

00:39:37,109 --> 00:39:34,880

another planet how do we know it's

1029

00:39:39,030 --> 00:39:37,119

coming here in a vehicle is that even

1030

00:39:40,470 --> 00:39:39,040

the best mode of transportation for

1031

00:39:43,270 --> 00:39:40,480

something that could think

1032

00:39:45,589 --> 00:39:43,280

telepathically and communicate you know

1033

00:39:48,470 --> 00:39:45,599

like i just

1034

00:39:51,190 --> 00:39:48,480

i think again this there's nobody has

1035

00:39:52,150 --> 00:39:51,200

the right answer on this nobody

1036

00:39:54,829 --> 00:39:52,160

knows

1037

00:39:57,589 --> 00:39:54,839

anything and i think that's the

1038

00:39:59,349 --> 00:39:57,599

trepidation and if you're an experiercer

1039

00:40:01,829 --> 00:39:59,359

especially an experiercer with high

1040

00:40:04,950 --> 00:40:01,839

status within society you're never gonna

1041

00:40:07,670 --> 00:40:04,960

talk about this uh because it's it's

1042

00:40:09,910 --> 00:40:07,680

it's there's so much stigma that comes

1043

00:40:11,829 --> 00:40:09,920

with it there's so much fear of losing

1044

00:40:14,550 --> 00:40:11,839

your status if you become one of the

1045

00:40:16,550 --> 00:40:14,560

people who's seen or experienced these

1046

00:40:18,550 --> 00:40:16,560

things we're still there we've got a

1047

00:40:20,790 --> 00:40:18,560

long way to go and so that's why i

1048

00:40:23,190 --> 00:40:20,800

understand why if the government looks

1049

00:40:25,349 --> 00:40:23,200

at this and i'm like we have no [h__\h]

1050

00:40:28,069 --> 00:40:25,359

clue what we're looking at and that's a

1051

00:40:30,230 --> 00:40:28,079

very honest answer but i don't think

1052

00:40:32,309 --> 00:40:30,240

from their perspective that's an answer

1053

00:40:34,230 --> 00:40:32,319

they want to reveal they don't want to

1054

00:40:36,950 --> 00:40:34,240

tell you that they don't know

1055

00:40:39,190 --> 00:40:36,960

so when you talk to grant cameron

1056

00:40:42,230 --> 00:40:39,200

did you guys talk about the wilbert

1057

00:40:43,990 --> 00:40:42,240

smith memo in canada did he give you

1058

00:40:45,589 --> 00:40:44,000

that whole thing

1059

00:40:47,990 --> 00:40:45,599

i don't know if he gave us the wilbert

1060

00:40:50,230 --> 00:40:48,000

smith memo because it was a panel of

1061

00:40:52,630 --> 00:40:50,240

people and we had the discussion over a

1062

00:40:54,470 --> 00:40:52,640

year ago it doesn't ring a bell

1063

00:40:55,990 --> 00:40:54,480

you do you do so many you do so many

1064

00:40:57,270 --> 00:40:56,000

interviews yeah we were doing three

1065

00:40:59,990 --> 00:40:57,280

interviews a day that's why we're going

1066

00:41:01,349 --> 00:41:00,000

down to one a week

1067

00:41:03,589 --> 00:41:01,359

oh you're gonna do one you're gonna do

1068

00:41:06,470 --> 00:41:03,599

one a week

1069

00:41:08,390 --> 00:41:06,480

three a week

1070

00:41:11,829 --> 00:41:08,400

you know it's it's it's

1071

00:41:13,109 --> 00:41:11,839

it's labor intensive oh yeah

1072

00:41:15,190 --> 00:41:13,119

to book

1073

00:41:17,109 --> 00:41:15,200

three guests a week it's a lot of work

1074

00:41:20,309 --> 00:41:17,119

you're talking about 16 guests a month

1075

00:41:21,990 --> 00:41:20,319

that's oh yeah times 12 you know but

1076

00:41:25,829 --> 00:41:22,000

it's a lot of work it's a lot of work so

1077

00:41:27,670 --> 00:41:25,839

yeah like i said hardest working man

1078

00:41:29,829 --> 00:41:27,680

and so sometimes it's difficult for me

1079

00:41:31,990 --> 00:41:29,839

to sort of go through rifle through the

1080

00:41:34,630 --> 00:41:32,000

file of interviews oh did we talk about

1081

00:41:35,670 --> 00:41:34,640

that it's possible yeah we may have but

1082

00:41:37,589 --> 00:41:35,680

honestly

1083

00:41:39,349 --> 00:41:37,599

i don't remember yeah

1084

00:41:41,910 --> 00:41:39,359

and briefly so

1085

00:41:44,150 --> 00:41:41,920

grant cameron is from canada and he had

1086

00:41:46,630 --> 00:41:44,160

a contact experience

1087

00:41:49,109 --> 00:41:46,640

like you did in winnipeg

1088

00:41:50,630 --> 00:41:49,119

and it was kind of all over the news and

1089

00:41:52,069 --> 00:41:50,640

he said it went on for months and

1090

00:41:53,430 --> 00:41:52,079

everyone would kind of get in the car

1091

00:41:55,109 --> 00:41:53,440

and drive around and see if you could

1092

00:41:57,349 --> 00:41:55,119

see the lights you know

1093

00:41:58,390 --> 00:41:57,359

so he saw the lights and then he had

1094

00:42:02,390 --> 00:41:58,400

that

1095

00:42:04,390 --> 00:42:02,400

said you're aware of you didn't have in

1096

00:42:05,990 --> 00:42:04,400

your case but it was like more than just

1097

00:42:06,790 --> 00:42:06,000

seeing it you know there was something

1098

00:42:08,470 --> 00:42:06,800

that

1099

00:42:10,390 --> 00:42:08,480

happened it's not like he remembers

1100

00:42:12,470 --> 00:42:10,400

being on board the ship anyways that

1101

00:42:14,630 --> 00:42:12,480

sparks his interest in it he starts

1102

00:42:16,710 --> 00:42:14,640

looking at foia stuff they call it

1103

00:42:18,870 --> 00:42:16,720

something different in canada but one of

1104

00:42:21,510 --> 00:42:18,880

the things that shakes out of it is

1105

00:42:24,470 --> 00:42:21,520

the wilbert smith memo so wilbert smith

1106

00:42:28,950 --> 00:42:24,480

is the guy in charge of the the weird

1107

00:42:30,870 --> 00:42:28,960

desk for canada in the 1950s

1108

00:42:33,030 --> 00:42:30,880

like everything that happens in the sky

1109

00:42:35,190 --> 00:42:33,040

this guy is responsible for

1110

00:42:37,670 --> 00:42:35,200

and at some point he goes to the prime

1111

00:42:40,230 --> 00:42:37,680

minister he goes hey

1112

00:42:41,190 --> 00:42:40,240

there's [h__h] happening out there

1113

00:42:46,150 --> 00:42:41,200

and

1114

00:42:47,750 --> 00:42:46,160

know so he goes okay go so he goes down

1115

00:42:50,069 --> 00:42:47,760

and he

1116

00:42:51,510 --> 00:42:50,079

meets with vandervar bush he meets with

1117

00:42:53,109 --> 00:42:51,520

all the other

1118

00:42:55,990 --> 00:42:53,119

right right people whether you believe

1119

00:42:57,990 --> 00:42:56,000

in the aviary mj-12 or whether you don't

1120

00:43:00,150 --> 00:42:58,000

he meets with a lot of those people he

1121

00:43:00,950 --> 00:43:00,160

comes back he writes this memo

1122

00:43:05,589 --> 00:43:00,960

to

1123

00:43:07,270 --> 00:43:05,599

minister whoever and says look

1124

00:43:10,390 --> 00:43:07,280

this shit's real

1125

00:43:12,069 --> 00:43:10,400

it is the highest priority of the united

1126
00:43:13,990 --> 00:43:12,079
states government most secret higher

1127
00:43:15,829 --> 00:43:14,000
than the hydrogen bomb

1128
00:43:17,910 --> 00:43:15,839
and then he says this thing

1129
00:43:19,589 --> 00:43:17,920
he says and there's a mental

1130
00:43:21,990 --> 00:43:19,599
aspect to it

1131
00:43:24,230 --> 00:43:22,000
that they're looking into

1132
00:43:25,910 --> 00:43:24,240
which is the consciousness thing and see

1133
00:43:28,069 --> 00:43:25,920
that's why grant is big in the

1134
00:43:30,870 --> 00:43:28,079
consciousness grant is like forget the

1135
00:43:32,790 --> 00:43:30,880
nuts and bolts that's just a distraction

1136
00:43:35,430 --> 00:43:32,800
look at near-death experience look at

1137
00:43:37,030 --> 00:43:35,440
remote viewing look at psychic phenomena

1138
00:43:38,630 --> 00:43:37,040

somewhere in there

1139

00:43:40,790 --> 00:43:38,640

is the answer kind of like a jacques

1140

00:43:43,270 --> 00:43:40,800

valet kind of thing but at the same time

1141

00:43:45,430 --> 00:43:43,280

don't look away from that

1142

00:43:47,109 --> 00:43:45,440

this ties directly into the mk ultra

1143

00:43:51,030 --> 00:43:47,119

stuff at least in grant's mind i think

1144

00:43:52,230 --> 00:43:51,040

he's spot on we look at mk ultra as mind

1145

00:43:56,470 --> 00:43:52,240

control

1146

00:43:59,109 --> 00:43:56,480

as you know our soldiers in korea might

1147

00:44:00,790 --> 00:43:59,119

be being mind-controlled uh maybe but it

1148

00:44:02,950 --> 00:44:00,800

was also about

1149

00:44:05,190 --> 00:44:02,960

what's e.t doing in this extended

1150

00:44:06,710 --> 00:44:05,200

consciousness space we better know

1151
00:44:08,950 --> 00:44:06,720
because that's

1152
00:44:11,030 --> 00:44:08,960
we in the 50s they knew that there was

1153
00:44:12,390 --> 00:44:11,040
something happening like you said

1154
00:44:14,630 --> 00:44:12,400
telepathy

1155
00:44:17,430 --> 00:44:14,640
mind control you know when tic tac hap

1156
00:44:18,870 --> 00:44:17,440
when tick-tock happens and they meet

1157
00:44:20,550 --> 00:44:18,880
you know they go to the secret spot in

1158
00:44:21,750 --> 00:44:20,560
the sky they're supposed to meet and

1159
00:44:26,309 --> 00:44:21,760
there is

1160
00:44:28,309 --> 00:44:26,319
because it's kind of this collective

1161
00:44:32,390 --> 00:44:28,319
consciousness kind of thing

1162
00:44:34,069 --> 00:44:32,400
so they knew about that [h__h] back in the

1163
00:44:42,309 --> 00:44:34,079

50s

1164

00:44:45,109 --> 00:44:42,319

it hard for me to stomach

1165

00:44:47,910 --> 00:44:45,119

you know it lou elizondo oh it's a

1166

00:44:51,430 --> 00:44:47,920

threat to our skies and we don't know

1167

00:44:54,069 --> 00:44:51,440

what's going on up there hey bro

1168

00:44:55,910 --> 00:44:54,079

full [h__h] disclosure if you don't if

1169

00:44:58,550 --> 00:44:55,920

you're lou elizondo and you don't know

1170

00:45:00,069 --> 00:44:58,560

who john alexander is go look the dude

1171

00:45:02,630 --> 00:45:00,079

up he lives out there in the desert

1172

00:45:05,109 --> 00:45:02,640

you'll find him richard dodie go look

1173

00:45:07,510 --> 00:45:05,119

him up find out who committed those

1174

00:45:10,309 --> 00:45:07,520

criminal acts so we can get all the [h__h]

1175

00:45:12,630 --> 00:45:10,319

straightened out before we just kind of

1176

00:45:13,589 --> 00:45:12,640

jump on your latest

1177

00:45:15,750 --> 00:45:13,599

uh uh

1178

00:45:17,510 --> 00:45:15,760

what this really means kind of thing

1179

00:45:19,910 --> 00:45:17,520

let's get everyone on board with my

1180

00:45:21,030 --> 00:45:19,920

story let's clean out the closet a

1181

00:45:23,109 --> 00:45:21,040

little bit

1182

00:45:24,230 --> 00:45:23,119

i feel your frustration

1183

00:45:26,790 --> 00:45:24,240

i think

1184

00:45:28,069 --> 00:45:26,800

again the part of the reason

1185

00:45:29,670 --> 00:45:28,079

i want to address three things part i

1186

00:45:32,470 --> 00:45:29,680

think part of the reason

1187

00:45:35,670 --> 00:45:32,480

why that closet hasn't been cleaned out

1188

00:45:38,150 --> 00:45:35,680

is imagine if since the 50s

1189

00:45:40,069 --> 00:45:38,160

you've poked and you've prodded and

1190

00:45:42,309 --> 00:45:40,079

you've tried to gain understanding of

1191

00:45:45,190 --> 00:45:42,319

this phenomenon

1192

00:45:47,430 --> 00:45:45,200

and you failed for the last 50 60 years

1193

00:45:48,870 --> 00:45:47,440

to get any sort of understanding or

1194

00:45:52,309 --> 00:45:48,880

explanation

1195

00:45:53,589 --> 00:45:52,319

uh possibly dollars have been spent into

1196

00:45:55,589 --> 00:45:53,599

into

1197

00:45:56,790 --> 00:45:55,599

trying to get those answers and has

1198

00:45:58,950 --> 00:45:56,800

produced

1199

00:46:01,430 --> 00:45:58,960

nothing but more confusion

1200

00:46:03,349 --> 00:46:01,440

the the fact that it's real

1201
00:46:05,510 --> 00:46:03,359
is still true

1202
00:46:07,510 --> 00:46:05,520
but the explanation of what is behind

1203
00:46:12,710 --> 00:46:07,520
that real phenomena is still very

1204
00:46:17,190 --> 00:46:15,270
why government would why want to not

1205
00:46:18,950 --> 00:46:17,200
talk about that because all of the

1206
00:46:20,870 --> 00:46:18,960
questions that you're going to spit at

1207
00:46:23,030 --> 00:46:20,880
them they're not they're really not

1208
00:46:24,870 --> 00:46:23,040
going to have answers to you and it's it

1209
00:46:27,589 --> 00:46:24,880
there's no it's a no-win position for

1210
00:46:29,750 --> 00:46:27,599
the government to say that it's a no-win

1211
00:46:32,150 --> 00:46:29,760
position like they come out and they say

1212
00:46:33,829 --> 00:46:32,160
yeah this there's lights in the sky

1213
00:46:35,829 --> 00:46:33,839

sometimes they're mechanical we think

1214

00:46:38,230 --> 00:46:35,839

they're being piloted by things we have

1215

00:46:40,309 --> 00:46:38,240

no idea what those things are maybe

1216

00:46:41,990 --> 00:46:40,319

maybe we recovered a couple of them but

1217

00:46:43,990 --> 00:46:42,000

we still don't know where they come from

1218

00:46:46,790 --> 00:46:44,000

or or who they are what their motives

1219

00:46:48,390 --> 00:46:46,800

are um there are there are multitude of

1220

00:46:50,069 --> 00:46:48,400

things that they would not have answers

1221

00:46:51,829 --> 00:46:50,079

for that i think would

1222

00:46:54,150 --> 00:46:51,839

would be

1223

00:46:55,589 --> 00:46:54,160

i would understand i don't agree with it

1224

00:46:57,910 --> 00:46:55,599

just because i'm saying i understand it

1225

00:47:00,470 --> 00:46:57,920

doesn't mean i agree with it but i

1226

00:47:02,150 --> 00:47:00,480

understand how a lot of people within

1227

00:47:04,390 --> 00:47:02,160

that security apparatus would be like

1228

00:47:06,470 --> 00:47:04,400

just shut the [h__h] up about it we would

1229

00:47:07,990 --> 00:47:06,480

mum is the word mum is the word we're

1230

00:47:10,150 --> 00:47:08,000

not gonna talk about

1231

00:47:12,790 --> 00:47:10,160

um and and then the other thing i wanted

1232

00:47:14,630 --> 00:47:12,800

to address was your your

1233

00:47:16,950 --> 00:47:14,640

the idea of louis lozando saying that

1234

00:47:19,109 --> 00:47:16,960

these are threats

1235

00:47:22,069 --> 00:47:19,119

i think you're right both christopher

1236

00:47:23,990 --> 00:47:22,079

mellon and louis lozando were very much

1237

00:47:25,589 --> 00:47:24,000

pitching this thing as a threat to

1238

00:47:27,670 --> 00:47:25,599

national security right that was

1239

00:47:29,750 --> 00:47:27,680

something that kept coming up over and

1240

00:47:31,990 --> 00:47:29,760

over and over again and i think the

1241

00:47:33,829 --> 00:47:32,000

community reacted to that they didn't

1242

00:47:35,510 --> 00:47:33,839

like the idea that you're calling this

1243

00:47:36,710 --> 00:47:35,520

thing a threat especially if it's an

1244

00:47:38,470 --> 00:47:36,720

unknown

1245

00:47:40,710 --> 00:47:38,480

and i think they pivoted they changed

1246

00:47:43,589 --> 00:47:40,720

the name of the office from the advanced

1247

00:47:46,069 --> 00:47:43,599

aerospace threat identification program

1248

00:47:47,510 --> 00:47:46,079

uh to um

1249

00:47:49,750 --> 00:47:47,520

what did they change it to oh my god i'm

1250

00:47:53,430 --> 00:47:49,760

drawing a blank uh no we we get the

1251
00:47:55,190 --> 00:47:53,440
point but yeah but and that that's

1252
00:47:57,190 --> 00:47:55,200
the idea of it being a threat hasn't

1253
00:47:59,910 --> 00:47:57,200
been discussed in about

1254
00:48:00,790 --> 00:47:59,920
three to four years um but it's it's

1255
00:48:03,109 --> 00:48:00,800
it's just

1256
00:48:05,750 --> 00:48:03,119
it's them just exactly i mean what are

1257
00:48:07,589 --> 00:48:05,760
we how they're spinning it today i mean

1258
00:48:10,230 --> 00:48:07,599
it's still it's still a pentagon run

1259
00:48:13,109 --> 00:48:10,240
program just consider this

1260
00:48:14,309 --> 00:48:13,119
lou what if it's the opposite of what

1261
00:48:16,390 --> 00:48:14,319
you said

1262
00:48:17,990 --> 00:48:16,400
oh we've been poking around it for 70

1263
00:48:20,069 --> 00:48:18,000

years and it's always failed and we

1264

00:48:21,510 --> 00:48:20,079

don't know what the hell it is what if

1265

00:48:23,349 --> 00:48:21,520

it's the opposite

1266

00:48:25,750 --> 00:48:23,359

what if they know

1267

00:48:28,549 --> 00:48:25,760

what it is what if they have a really

1268

00:48:30,549 --> 00:48:28,559

really good handle on what it is how

1269

00:48:32,230 --> 00:48:30,559

does the whole thing look then you know

1270

00:48:34,549 --> 00:48:32,240

i go back to the stargate thing the

1271

00:48:36,710 --> 00:48:34,559

remote viewing thing because that's

1272

00:48:38,470 --> 00:48:36,720

connected to this too you know stargate

1273

00:48:41,750 --> 00:48:38,480

remote viewing

1274

00:48:42,790 --> 00:48:41,760

okay so you know ingo swann is the guy

1275

00:48:45,750 --> 00:48:42,800

who really

1276

00:48:48,630 --> 00:48:45,760

i guess you could say discovered or

1277

00:48:50,470 --> 00:48:48,640

created remote viewing he's a psychic

1278

00:48:52,069 --> 00:48:50,480

and then he said if i have to train

1279

00:48:54,069 --> 00:48:52,079

other people how to do that that's this

1280

00:48:56,390 --> 00:48:54,079

here's how i'll do it kind of thing

1281

00:48:58,390 --> 00:48:56,400

but they were remote viewing the moon

1282

00:49:00,870 --> 00:48:58,400

they were remote viewing mars they were

1283

00:49:02,950 --> 00:49:00,880

seeing aliens they were

1284

00:49:05,270 --> 00:49:02,960

all this stuff and at the same time they

1285

00:49:06,870 --> 00:49:05,280

were remote viewing russian subs and

1286

00:49:09,190 --> 00:49:06,880

they were getting good results there

1287

00:49:10,549 --> 00:49:09,200

were remote viewing lost planes in

1288

00:49:12,870 --> 00:49:10,559

africa and

1289

00:49:14,829 --> 00:49:12,880

what they saw turned out to be real so

1290

00:49:18,710 --> 00:49:14,839

we don't know how all that stuff works

1291

00:49:21,030 --> 00:49:18,720

but what if it's not a failed 70-year

1292

00:49:23,349 --> 00:49:21,040

thing what if it's a pretty damn

1293

00:49:26,710 --> 00:49:23,359

successful 70-year thing doesn't that

1294

00:49:27,910 --> 00:49:26,720

put a whole different spin on the oh my

1295

00:49:31,270 --> 00:49:27,920

gosh

1296

00:49:33,430 --> 00:49:31,280

let's tell you what it is now

1297

00:49:34,790 --> 00:49:33,440

um depends on how much information they

1298

00:49:37,510 --> 00:49:34,800

have

1299

00:49:39,670 --> 00:49:37,520

you know like again like

1300

00:49:41,109 --> 00:49:39,680

i i think the biggest concern for a

1301
00:49:43,829 --> 00:49:41,119
military

1302
00:49:45,510 --> 00:49:43,839
is not looking foolish so

1303
00:49:47,829 --> 00:49:45,520
let's say that is true let's say they do

1304
00:49:49,910 --> 00:49:47,839
have 70 years of information

1305
00:49:51,510 --> 00:49:49,920
that proves undoubtedly or everything

1306
00:49:52,630 --> 00:49:51,520
that we think is happening is actually

1307
00:49:53,510 --> 00:49:52,640
happening

1308
00:49:55,430 --> 00:49:53,520
um

1309
00:49:58,069 --> 00:49:55,440
how do you release that information

1310
00:49:59,510 --> 00:49:58,079
responsibly

1311
00:50:02,870 --> 00:49:59,520
how do you do it

1312
00:50:04,230 --> 00:50:02,880
excellent point with you 100 on that

1313
00:50:06,630 --> 00:50:04,240

you know like

1314

00:50:08,790 --> 00:50:06,640

and so i think they're in a conundrum

1315

00:50:10,710 --> 00:50:08,800

they're in a really tough spot

1316

00:50:13,349 --> 00:50:10,720

now on one hand

1317

00:50:14,790 --> 00:50:13,359

they're they're vilified and crucified

1318

00:50:16,790 --> 00:50:14,800

for being the government because they

1319

00:50:19,670 --> 00:50:16,800

lie and they cheat they steal they star

1320

00:50:20,950 --> 00:50:19,680

wars and a lot of them are full of [h__\h]

1321

00:50:22,790 --> 00:50:20,960

but

1322

00:50:25,910 --> 00:50:22,800

that's like

1323

00:50:27,790 --> 00:50:25,920

painting the entire planet right because

1324

00:50:30,870 --> 00:50:27,800

what is it there's

1325

00:50:31,990 --> 00:50:30,880

1600 billionaires in this country that

1326
00:50:35,109 --> 00:50:32,000
control

1327
00:50:36,309 --> 00:50:35,119
three-quarters of the world's wealth

1328
00:50:39,109 --> 00:50:36,319
like

1329
00:50:41,430 --> 00:50:39,119
could we point to those 1600 people and

1330
00:50:42,549 --> 00:50:41,440
use that as a representation of all of

1331
00:50:43,750 --> 00:50:42,559
earth

1332
00:50:44,710 --> 00:50:43,760
no

1333
00:50:47,430 --> 00:50:44,720
so that

1334
00:50:48,950 --> 00:50:47,440
i don't think it's fair to take

1335
00:50:50,630 --> 00:50:48,960
and we don't know what the percentage of

1336
00:50:52,390 --> 00:50:50,640
this government is that could be hiding

1337
00:50:54,870 --> 00:50:52,400
this kind of information if they are

1338
00:50:56,790 --> 00:50:54,880

hiding it but i don't think it's fair to

1339

00:50:57,750 --> 00:50:56,800

to label the rest of the government

1340

00:50:58,630 --> 00:50:57,760

because

1341

00:51:04,549 --> 00:50:58,640

this

1342

00:51:06,549 --> 00:51:04,559

because they simply don't know what to

1343

00:51:08,549 --> 00:51:06,559

do it is it is

1344

00:51:11,670 --> 00:51:08,559

it is a a

1345

00:51:14,230 --> 00:51:11,680

a pandora's box and i think that's we

1346

00:51:17,109 --> 00:51:14,240

just in again i think it's the perfect

1347

00:51:20,230 --> 00:51:17,119

reason to just shut up not say anything

1348

00:51:22,870 --> 00:51:20,240

about it and maybe this idea of getting

1349

00:51:25,990 --> 00:51:22,880

scientists and lawmakers on board and

1350

00:51:27,910 --> 00:51:26,000

slowly if it does feel like a drip i'll

1351

00:51:30,390 --> 00:51:27,920

i will agree with anybody there in the

1352

00:51:32,549 --> 00:51:30,400

last especially five years it's not that

1353

00:51:35,030 --> 00:51:32,559

it seems like a drip it seems like an op

1354

00:51:37,270 --> 00:51:35,040

and what you're saying not for what well

1355

00:51:40,150 --> 00:51:37,280

but as you point out and opt for exactly

1356

00:51:41,829 --> 00:51:40,160

what you said i i think you framed it up

1357

00:51:43,990 --> 00:51:41,839

perfectly in my opinion that's what

1358

00:51:45,990 --> 00:51:44,000

makes the most sense is like and i love

1359

00:51:47,990 --> 00:51:46,000

that you did that it's like no wait a

1360

00:51:49,349 --> 00:51:48,000

minute put yourself

1361

00:51:51,430 --> 00:51:49,359

in their shoes

1362

00:51:53,430 --> 00:51:51,440

what the [h__\h] are they supposed to do

1363

00:51:54,950 --> 00:51:53,440

at the end of the day

1364

00:51:57,750 --> 00:51:54,960

i want you on that wall i need you on

1365

00:52:00,630 --> 00:51:57,760

that wall kind of thing right we do

1366

00:52:03,190 --> 00:52:00,640

want them we we have other threats

1367

00:52:06,069 --> 00:52:03,200

and other allies whether the e.t is our

1368

00:52:07,990 --> 00:52:06,079

ally or a threat whatever we got

1369

00:52:09,190 --> 00:52:08,000

china is a real thing china isn't

1370

00:52:10,790 --> 00:52:09,200

looking to

1371

00:52:12,390 --> 00:52:10,800

they have their own interests their own

1372

00:52:14,710 --> 00:52:12,400

perspective and there's different

1373

00:52:16,470 --> 00:52:14,720

factions within china that do that same

1374

00:52:18,549 --> 00:52:16,480

with every other country and every other

1375

00:52:20,630 --> 00:52:18,559

thing so it's a big world it's a

1376
00:52:23,990 --> 00:52:20,640
complicated world and that's your point

1377
00:52:26,950 --> 00:52:24,000
and then we're looking to

1378
00:52:29,109 --> 00:52:26,960
our government collectively to kind of

1379
00:52:31,190 --> 00:52:29,119
manage that in some way that can only be

1380
00:52:33,750 --> 00:52:31,200
managed by that big collective

1381
00:52:35,030 --> 00:52:33,760
totally get your point you know in that

1382
00:52:37,750 --> 00:52:35,040
but

1383
00:52:41,430 --> 00:52:37,760
our job it would seem to me lou

1384
00:52:43,589 --> 00:52:41,440
is to keep pushing for the [h__h] truth

1385
00:52:45,510 --> 00:52:43,599
your sister can't handle the truth hey

1386
00:52:47,750 --> 00:52:45,520
that's okay i get that there's a lot of

1387
00:52:50,150 --> 00:52:47,760
people that can't handle all sorts of

1388
00:52:53,510 --> 00:52:50,160

different truths about religion

1389

00:52:56,950 --> 00:52:53,520

about politics about cons the way the

1390

00:52:59,750 --> 00:52:56,960

world works i i i'm not judging them i'm

1391

00:53:01,750 --> 00:52:59,760

just saying for me i'm going to keep

1392

00:53:04,309 --> 00:53:01,760

pushing for the truth yeah well i mean

1393

00:53:08,549 --> 00:53:04,319

but you say it's an op what is it what

1394

00:53:13,990 --> 00:53:12,150

well if it's an op and if it's a good up

1395

00:53:16,630 --> 00:53:14,000

then we'll never [h__h] know the

1396

00:53:19,510 --> 00:53:16,640

objective i mean this is you you know

1397

00:53:23,270 --> 00:53:19,520

like but you had chris lambricht on the

1398

00:53:25,589 --> 00:53:23,280

show again i'm going to pull that up

1399

00:53:27,109 --> 00:53:25,599

like the amazing thing about chris

1400

00:53:29,990 --> 00:53:27,119

lambricht is

1401

00:53:33,990 --> 00:53:30,000

it shows the extent to which

1402

00:53:36,950 --> 00:53:34,000

you have to go to even begin to

1403

00:53:39,190 --> 00:53:36,960

uncover the op right because his whole

1404

00:53:40,790 --> 00:53:39,200

thing is on the back to the paul

1405

00:53:42,549 --> 00:53:40,800

benowitz thing

1406

00:53:45,109 --> 00:53:42,559

and paul benowitz is this american

1407

00:53:47,190 --> 00:53:45,119

citizen he gets interested in ufos he

1408

00:53:48,549 --> 00:53:47,200

buys some super high quality cameras

1409

00:53:50,470 --> 00:53:48,559

he's got a bunch of them set up on his

1410

00:53:52,069 --> 00:53:50,480

roof and he starts

1411

00:53:53,670 --> 00:53:52,079

looking at [h__\h] that's happening in

1412

00:53:55,750 --> 00:53:53,680

kirkland air force base because he lives

1413

00:53:57,430 --> 00:53:55,760

right across from kirkland

1414

00:54:00,390 --> 00:53:57,440

what happens is

1415

00:54:02,309 --> 00:54:00,400

then he goes and he says again american

1416

00:54:05,030 --> 00:54:02,319

citizen hey this stuff is happening

1417

00:54:06,790 --> 00:54:05,040

who's the first guy who knocks on his

1418

00:54:07,990 --> 00:54:06,800

door kind of to your point is it a

1419

00:54:11,030 --> 00:54:08,000

researcher

1420

00:54:13,750 --> 00:54:11,040

is it a scientist is it a guy who's in

1421

00:54:15,349 --> 00:54:13,760

charge of security and says hey you know

1422

00:54:16,630 --> 00:54:15,359

let's find out what you

1423

00:54:20,309 --> 00:54:16,640

no man

1424

00:54:22,870 --> 00:54:20,319

co intel pro it's richard doty counter

1425

00:54:26,470 --> 00:54:22,880

intelligence that's the first guy that

1426
00:54:28,950 --> 00:54:26,480
shows up and then like our community i'm

1427
00:54:31,829 --> 00:54:28,960
not really part of the ufo community but

1428
00:54:33,270 --> 00:54:31,839
the upshot of that whole thing is the

1429
00:54:36,069 --> 00:54:33,280
mirage men

1430
00:54:39,270 --> 00:54:36,079
they totally got the [h__h] story wrong

1431
00:54:42,470 --> 00:54:39,280
because dodie's cover story was well

1432
00:54:44,470 --> 00:54:42,480
paul benowitz saw stealth bombers and

1433
00:54:45,990 --> 00:54:44,480
other [h__h] that he shouldn't have seen

1434
00:54:47,670 --> 00:54:46,000
and that's why we had to feed him all

1435
00:54:50,150 --> 00:54:47,680
this information

1436
00:54:51,910 --> 00:54:50,160
that by your guest and again you

1437
00:54:55,829 --> 00:54:51,920
interviewed him and did a great job with

1438
00:54:57,349 --> 00:54:55,839

it uh chris lambright totally blows that

1439

00:54:58,390 --> 00:54:57,359

out of the water

1440

00:55:03,589 --> 00:54:58,400

so

1441

00:55:07,349 --> 00:55:03,599

that's an op that was an op like dodie

1442

00:55:09,109 --> 00:55:07,359

has outed himself and said we ran and up

1443

00:55:11,510 --> 00:55:09,119

an illegal op by the way that he should

1444

00:55:13,990 --> 00:55:11,520

be in jail for and his superiors should

1445

00:55:16,069 --> 00:55:14,000

be in jail for you can't do that you

1446

00:55:18,069 --> 00:55:16,079

can't go

1447

00:55:20,390 --> 00:55:18,079

take somebody and put him through the

1448

00:55:22,069 --> 00:55:20,400

american citizen who hasn't committed

1449

00:55:26,069 --> 00:55:22,079

any crime and run them through the

1450

00:55:27,910 --> 00:55:26,079

ringer and go give him false information

1451
00:55:30,470 --> 00:55:27,920
to run him crazy and do all the right

1452
00:55:32,870 --> 00:55:30,480
you can't do it it's illegal

1453
00:55:35,750 --> 00:55:32,880
but he exposes the op richard dodie

1454
00:55:37,990 --> 00:55:35,760
exposes the op but to this day he just

1455
00:55:40,230 --> 00:55:38,000
covers it up with another op

1456
00:55:41,990 --> 00:55:40,240
so when you ask me what's the op that

1457
00:55:45,109 --> 00:55:42,000
lou is playing

1458
00:55:46,630 --> 00:55:45,119
lou is a master i mean he is a smart

1459
00:55:48,870 --> 00:55:46,640
freaking guy

1460
00:55:51,190 --> 00:55:48,880
for maybe 20 years from now we can look

1461
00:55:52,950 --> 00:55:51,200
back and have some clue of what the op

1462
00:55:54,069 --> 00:55:52,960
was but we certainly ain't going to

1463
00:55:55,910 --> 00:55:54,079

figure it out those guys are a lot

1464

00:55:56,710 --> 00:55:55,920

smarter than i am in terms of running an

1465

00:56:04,630 --> 00:55:56,720

op

1466

00:56:06,710 --> 00:56:04,640

inspired

1467

00:56:08,230 --> 00:56:06,720

lawmakers to look and talk about this

1468

00:56:09,990 --> 00:56:08,240

publicly

1469

00:56:12,069 --> 00:56:10,000

um

1470

00:56:15,030 --> 00:56:12,079

that's that's the i think the difference

1471

00:56:17,430 --> 00:56:15,040

for me is that you've got lawmakers who

1472

00:56:19,190 --> 00:56:17,440

are genuinely curious about this and you

1473

00:56:21,430 --> 00:56:19,200

can't control how they

1474

00:56:23,910 --> 00:56:21,440

you gotta stop saying lawmakers man you

1475

00:56:27,430 --> 00:56:23,920

gotta i mean no one why is that because

1476

00:56:31,349 --> 00:56:27,440

it's it's it's so bullshit our our

1477

00:56:32,710 --> 00:56:31,359

congress our our idea of making laws i

1478

00:56:34,549 --> 00:56:32,720

mean

1479

00:56:37,109 --> 00:56:34,559

in in what we've gone through in the

1480

00:56:39,190 --> 00:56:37,119

last two years and all the and all the

1481

00:56:41,030 --> 00:56:39,200

stuff that's been exposed yeah there's

1482

00:56:43,430 --> 00:56:41,040

some guys up there and there's something

1483

00:56:46,630 --> 00:56:43,440

going on that seems to be of a political

1484

00:56:51,270 --> 00:56:46,640

nature but this idea that there's this

1485

00:56:53,510 --> 00:56:51,280

intact republic where legal the supreme

1486

00:56:55,670 --> 00:56:53,520

court all yeah i mean no one believes

1487

00:56:57,510 --> 00:56:55,680

that any of that [h__h] is functioning to

1488

00:57:01,510 --> 00:56:57,520

the level that we used to believe that

1489

00:57:04,309 --> 00:57:03,030

when is it ever

1490

00:57:08,630 --> 00:57:04,319

exactly

1491

00:57:09,510 --> 00:57:08,640

twas ever thus yes well you so

1492

00:57:13,990 --> 00:57:09,520

you know

1493

00:57:16,309 --> 00:57:14,000

but with that said it's the best we got

1494

00:57:18,710 --> 00:57:16,319

it's the best we got so i've just got to

1495

00:57:20,309 --> 00:57:18,720

deal with what is put in front of me and

1496

00:57:23,829 --> 00:57:20,319

so when i see

1497

00:57:26,870 --> 00:57:23,839

congressional lawmakers who are on top

1498

00:57:29,190 --> 00:57:26,880

level security committees going into

1499

00:57:31,950 --> 00:57:29,200

classified briefings and then coming out

1500

00:57:35,190 --> 00:57:31,960

and writing legislation that is

1501
00:57:37,750 --> 00:57:35,200
specifically asking the

1502
00:57:39,910 --> 00:57:37,760
all branches of the military for more

1503
00:57:43,349 --> 00:57:39,920
information and more clarity on the

1504
00:57:45,910 --> 00:57:43,359
topic of unidentified aerial phenomena

1505
00:57:48,549 --> 00:57:45,920
i think that is not an

1506
00:57:51,109 --> 00:57:48,559
op i think that's genuine curiosity

1507
00:57:54,069 --> 00:57:51,119
after being exposed to some fantastic

1508
00:57:56,630 --> 00:57:54,079
information that's what i think that is

1509
00:57:58,549 --> 00:57:56,640
and we can sit here and discuss until

1510
00:58:01,750 --> 00:57:58,559
we're blue in the face how broken the

1511
00:58:04,069 --> 00:58:01,760
system is but that's the only piece of

1512
00:58:06,950 --> 00:58:04,079
legislation that i've seen

1513
00:58:10,470 --> 00:58:06,960

in a while where both sides of the aisle

1514

00:58:13,109 --> 00:58:10,480

voted on it and passed it with almost

1515

00:58:14,950 --> 00:58:13,119

zero resistance from anyone

1516

00:58:18,789 --> 00:58:14,960

and i don't think

1517

00:58:23,430 --> 00:58:18,799

you need to make up a fantastic ufo

1518

00:58:26,069 --> 00:58:23,440

story or office or anything to get

1519

00:58:27,829 --> 00:58:26,079

congressional funding for for the war

1520

00:58:29,910 --> 00:58:27,839

machine like they're going to get their

1521

00:58:31,910 --> 00:58:29,920

funding no matter what

1522

00:58:35,030 --> 00:58:31,920

every year the funding for the war

1523

00:58:38,150 --> 00:58:35,040

machine goes up with or without ufos

1524

00:58:40,069 --> 00:58:38,160

so when i see these lawmakers

1525

00:58:42,390 --> 00:58:40,079

going into these meetings and coming out

1526
00:58:45,270 --> 00:58:42,400
and writing legislation but not but also

1527
00:58:46,789 --> 00:58:45,280
the legislation is written in a way that

1528
00:58:48,870 --> 00:58:46,799
holds these

1529
00:58:51,750 --> 00:58:48,880
apparatuses accountable if they don't

1530
00:58:53,349 --> 00:58:51,760
cooperate but we don't know

1531
00:58:55,670 --> 00:58:53,359
how that's going to turn out because the

1532
00:58:57,990 --> 00:58:55,680
office literally is being made as we

1533
00:59:00,309 --> 00:58:58,000
speak we have to be patient it is a

1534
00:59:03,270 --> 00:59:00,319
process that is not perfect

1535
00:59:04,950 --> 00:59:03,280
never has been and it never will be

1536
00:59:07,270 --> 00:59:04,960
many have tried to make the perfect

1537
00:59:08,309 --> 00:59:07,280
government it doesn't it it doesn't

1538
00:59:10,309 --> 00:59:08,319

exist

1539

00:59:12,230 --> 00:59:10,319

it doesn't it doesn't represent everyone

1540

00:59:14,230 --> 00:59:12,240

i mean look at our own domestic issues

1541

00:59:17,910 --> 00:59:14,240

that we have especially here in

1542

00:59:20,309 --> 00:59:17,920

california we have a homeless epidemic

1543

00:59:22,309 --> 00:59:20,319

it's literally on my front doorstep i

1544

00:59:23,829 --> 00:59:22,319

walk out to it

1545

00:59:26,150 --> 00:59:23,839

and

1546

00:59:30,630 --> 00:59:26,160

you could

1547

00:59:35,430 --> 00:59:30,640

one jet

1548

00:59:38,069 --> 00:59:35,440

out of the budget and put that and not

1549

00:59:42,309 --> 00:59:38,079

just one of you one one time and that's

1550

00:59:44,230 --> 00:59:42,319

it one jet every year for life you cut

1551
00:59:45,990 --> 00:59:44,240
out of the budget and you put that

1552
00:59:47,510 --> 00:59:46,000
towards solving the homeless crisis in

1553
00:59:49,910 --> 00:59:47,520
the united states

1554
00:59:51,589 --> 00:59:49,920
you solve it well what is that what does

1555
00:59:54,069 --> 00:59:51,599
that tell you what does that tell you

1556
00:59:56,230 --> 00:59:54,079
hey well i hear you i hear you man i

1557
00:59:59,030 --> 00:59:56,240
hear no it's not perfect but i'm gonna

1558
01:00:01,190 --> 00:59:59,040
i'm gonna fight to try and get more data

1559
01:00:03,270 --> 01:00:01,200
from the collection agencies that i know

1560
01:00:05,190 --> 01:00:03,280
have the data and i know i'm going to

1561
01:00:07,190 --> 01:00:05,200
run into a lot of roadblocks i'm going

1562
01:00:08,470 --> 01:00:07,200
to get a lot of obfuscation but every

1563
01:00:10,549 --> 01:00:08,480

once in a while we're going to get a

1564

01:00:12,390 --> 01:00:10,559

really good nugget from the fro they're

1565

01:00:14,630 --> 01:00:12,400

going to slip up especially through the

1566

01:00:17,030 --> 01:00:14,640

foia process and through requesting and

1567

01:00:19,270 --> 01:00:17,040

calling these lawmakers and being a

1568

01:00:20,789 --> 01:00:19,280

pester to them and asking questions and

1569

01:00:22,470 --> 01:00:20,799

demanding that they give us answers

1570

01:00:24,630 --> 01:00:22,480

every year and asking for public

1571

01:00:26,710 --> 01:00:24,640

hearings and asking for things that we

1572

01:00:29,750 --> 01:00:26,720

know we should get

1573

01:00:33,030 --> 01:00:29,760

i believe that yes that that republic is

1574

01:00:36,069 --> 01:00:33,040

still intact i believe that that process

1575

01:00:37,270 --> 01:00:36,079

as terrible as it is at some level still

1576
01:00:40,309 --> 01:00:37,280
works

1577
01:00:42,710 --> 01:00:40,319
um if i did it i wouldn't live here

1578
01:00:43,750 --> 01:00:42,720
that's that's awesome i i totally

1579
01:00:45,589 --> 01:00:43,760
totally

1580
01:00:48,069 --> 01:00:45,599
commend you and agree with you at a

1581
01:00:50,950 --> 01:00:48,079
fundamental level it's like

1582
01:00:53,030 --> 01:00:50,960
the only possible way out

1583
01:00:54,230 --> 01:00:53,040
is to believe the

1584
01:00:55,589 --> 01:00:54,240
ideals

1585
01:00:57,589 --> 01:00:55,599
is to believe

1586
01:00:59,910 --> 01:00:57,599
you know a force for good you know the

1587
01:01:01,670 --> 01:00:59,920
navy used to run those ads a long time

1588
01:01:04,150 --> 01:01:01,680

ago they changed the byline now but it

1589

01:01:05,430 --> 01:01:04,160

used to be the big naval ship out in the

1590

01:01:08,309 --> 01:01:05,440

water

1591

01:01:11,430 --> 01:01:08,319

burning away billions of dollars a year

1592

01:01:14,069 --> 01:01:11,440

rather than but but the tagline was a

1593

01:01:16,230 --> 01:01:14,079

force for good and i think

1594

01:01:17,750 --> 01:01:16,240

i love that idealism that you have

1595

01:01:18,870 --> 01:01:17,760

because it's our only way out is to

1596

01:01:20,470 --> 01:01:18,880

maintain

1597

01:01:22,069 --> 01:01:20,480

hold them accountable to what we're

1598

01:01:23,829 --> 01:01:22,079

supposed to be

1599

01:01:25,829 --> 01:01:23,839

what it what the republic is supposed to

1600

01:01:28,069 --> 01:01:25,839

do and that's what i hear you saying

1601
01:01:30,230 --> 01:01:28,079
you've been super uh open i mean you

1602
01:01:32,309 --> 01:01:30,240
don't dodge one kind of thing and one

1603
01:01:33,990 --> 01:01:32,319
question tell us so you're going to

1604
01:01:36,390 --> 01:01:34,000
reboot a little bit you know just

1605
01:01:37,990 --> 01:01:36,400
restart the show the end of this month

1606
01:01:39,109 --> 01:01:38,000
where are you going with it what's

1607
01:01:41,349 --> 01:01:39,119
coming up

1608
01:01:42,789 --> 01:01:41,359
big phone home campaign how did that go

1609
01:01:44,870 --> 01:01:42,799
what's the next

1610
01:01:47,670 --> 01:01:44,880
the next run of that what's going on

1611
01:01:52,069 --> 01:01:47,680
yeah um well so that's great because we

1612
01:01:54,470 --> 01:01:52,079
had a production meeting yesterday um

1613
01:01:57,190 --> 01:01:54,480

the um we're gonna be yeah we took a

1614

01:01:58,870 --> 01:01:57,200

break for the last month and um

1615

01:02:00,069 --> 01:01:58,880

just because you know it's not just me

1616

01:02:01,829 --> 01:02:00,079

that does the show i have two other

1617

01:02:02,789 --> 01:02:01,839

co-hosts i've got a producer i've got

1618

01:02:04,710 --> 01:02:02,799

there's a bunch of other people that

1619

01:02:07,029 --> 01:02:04,720

help me do the show

1620

01:02:08,710 --> 01:02:07,039

and so asking these guys to volunteer

1621

01:02:09,510 --> 01:02:08,720

their time three days a week two hours a

1622

01:02:11,910 --> 01:02:09,520

day

1623

01:02:13,270 --> 01:02:11,920

yeah that's a lot of time um and i

1624

01:02:14,950 --> 01:02:13,280

didn't want to burn anybody out i didn't

1625

01:02:16,710 --> 01:02:14,960

want to burn myself out so we decided to

1626

01:02:19,270 --> 01:02:16,720

hey let's take

1627

01:02:21,750 --> 01:02:19,280

this three show a week schedule let's

1628

01:02:24,069 --> 01:02:21,760

knock it down to one and and we'll still

1629

01:02:26,390 --> 01:02:24,079

be doing other episodes about other

1630

01:02:27,589 --> 01:02:26,400

things in between those one-a-week

1631

01:02:29,910 --> 01:02:27,599

episodes

1632

01:02:33,190 --> 01:02:31,349

so yeah we're going to be doing really

1633

01:02:35,589 --> 01:02:33,200

cool segments we've come up with a lot

1634

01:02:37,670 --> 01:02:35,599

of funny stuff uh you know obviously

1635

01:02:40,230 --> 01:02:37,680

things like you know ufo video of the

1636

01:02:42,630 --> 01:02:40,240

week who do you got coming up well so

1637

01:02:44,470 --> 01:02:42,640

first first step episode back we're

1638

01:02:45,990 --> 01:02:44,480

gonna have brandon fuegle uh second

1639

01:02:48,470 --> 01:02:46,000

episode we're gonna be having stephen

1640

01:02:50,870 --> 01:02:48,480

green street uh we're looking working on

1641

01:02:54,230 --> 01:02:50,880

a few other um

1642

01:02:55,589 --> 01:02:54,240

i guess i've confirmed that should

1643

01:02:58,150 --> 01:02:55,599

confirm here in the next day or two

1644

01:02:59,750 --> 01:02:58,160

reece darby who's uh the actor from

1645

01:03:02,789 --> 01:02:59,760

flight of the concords really really

1646

01:03:03,589 --> 01:03:02,799

funny guy dave foley um

1647

01:03:06,069 --> 01:03:03,599

uh

1648

01:03:08,470 --> 01:03:06,079

we'll be having avilo back we'll be

1649

01:03:10,230 --> 01:03:08,480

we'll be really catering the discussion

1650

01:03:10,550 --> 01:03:10,240

to

1651
01:03:12,950 --> 01:03:10,560
um

1652
01:03:15,349 --> 01:03:12,960
[Applause]

1653
01:03:17,510 --> 01:03:15,359
the sort of this the the scientific and

1654
01:03:19,430 --> 01:03:17,520
political aspect of the discussions and

1655
01:03:21,430 --> 01:03:19,440
then of course we'll be breaking down

1656
01:03:23,990 --> 01:03:21,440
daily news or any sort of current events

1657
01:03:25,510 --> 01:03:24,000
that happens around the topic um so yeah

1658
01:03:28,870 --> 01:03:25,520
i mean that's basically the new format

1659
01:03:30,470 --> 01:03:28,880
of the show uh you know we'll we'll be

1660
01:03:33,029 --> 01:03:30,480
doing interviews for an hour

1661
01:03:35,109 --> 01:03:33,039
opening up uh the second hour to uh to

1662
01:03:37,270 --> 01:03:35,119
talk about other things current events

1663
01:03:39,270 --> 01:03:37,280

and also just uh different segments that

1664

01:03:39,990 --> 01:03:39,280

uh ideas that we that we're coming up

1665

01:03:42,230 --> 01:03:40,000

with

1666

01:03:45,109 --> 01:03:42,240

and just add a little bit of production

1667

01:03:46,789 --> 01:03:45,119

more production level to the overall

1668

01:03:49,190 --> 01:03:46,799

show um

1669

01:03:51,190 --> 01:03:49,200

you know the the thing the thing that i

1670

01:03:52,870 --> 01:03:51,200

you know being an actor i've written

1671

01:03:54,230 --> 01:03:52,880

i've directed i've produced things i've

1672

01:03:57,190 --> 01:03:54,240

edited things

1673

01:03:59,190 --> 01:03:57,200

um you know i'm really

1674

01:04:01,430 --> 01:03:59,200

a big big advocate of making sure that

1675

01:04:04,470 --> 01:04:01,440

the show always looks good sounds good

1676

01:04:07,589 --> 01:04:04,480

this is entertaining and fun so

1677

01:04:10,390 --> 01:04:07,599

um with more time during the week to be

1678

01:04:12,630 --> 01:04:10,400

able to edit things and think of

1679

01:04:14,230 --> 01:04:12,640

different ideas and different uh

1680

01:04:15,510 --> 01:04:14,240

work on different initiatives like the

1681

01:04:19,190 --> 01:04:15,520

big phone home

1682

01:04:20,870 --> 01:04:19,200

um and uh and things like that so so

1683

01:04:22,150 --> 01:04:20,880

yeah so that's basically what i've been

1684

01:04:24,230 --> 01:04:22,160

doing for the last month it's just

1685

01:04:26,309 --> 01:04:24,240

relaxing and sort of thinking of

1686

01:04:28,069 --> 01:04:26,319

how to redo the show so that's that's

1687

01:04:29,910 --> 01:04:28,079

the way we're going to be doing it and

1688

01:04:32,789 --> 01:04:29,920

then um i think we've come up with a

1689

01:04:34,950 --> 01:04:32,799
date for the big phone on three

1690

01:04:38,950 --> 01:04:34,960
which is tentatively

1691

01:04:40,630 --> 01:04:38,960
august 19th friday august 19th of 2022.

1692

01:04:42,789 --> 01:04:40,640
uh we'll be doing another big phone home

1693

01:04:45,349 --> 01:04:42,799
event and and just to give you a little

1694

01:04:47,430 --> 01:04:45,359
bit of especially for the the the

1695

01:04:49,029 --> 01:04:47,440
naysayers that are

1696

01:04:50,630 --> 01:04:49,039
writing your representatives calling

1697

01:04:52,870 --> 01:04:50,640
your representatives it never does

1698

01:04:55,270 --> 01:04:52,880
anything it never changes anything i'll

1699

01:04:57,510 --> 01:04:55,280
remind you in 2013

1700

01:04:59,510 --> 01:04:57,520
when president obama was thinking about

1701

01:05:01,990 --> 01:04:59,520

putting boots on the ground in syria and

1702

01:05:03,990 --> 01:05:02,000

people were already super fatigued of

1703

01:05:05,589 --> 01:05:04,000

war in iraq especially

1704

01:05:07,510 --> 01:05:05,599

um

1705

01:05:09,670 --> 01:05:07,520

they were contemplating about putting

1706

01:05:12,789 --> 01:05:09,680

more troops in syria and what happened

1707

01:05:15,029 --> 01:05:12,799

do you remember what happened

1708

01:05:17,670 --> 01:05:15,039

the american people were so pissed off

1709

01:05:19,109 --> 01:05:17,680

at the idea of putting troops in syria

1710

01:05:21,190 --> 01:05:19,119

that they called and they wrote their

1711

01:05:23,270 --> 01:05:21,200

representatives and guess what happened

1712

01:05:26,950 --> 01:05:23,280

not one single

1713

01:05:29,589 --> 01:05:26,960

us soldier was put in syria

1714

01:05:31,430 --> 01:05:29,599

you know like the the idea that

1715

01:05:33,990 --> 01:05:31,440

the many of us

1716

01:05:34,870 --> 01:05:34,000

have we do have the power when it comes

1717

01:05:45,190 --> 01:05:34,880

to

1718

01:05:48,069 --> 01:05:45,200

us well like we're saying whether we do

1719

01:05:50,150 --> 01:05:48,079

or not we have to act as if we do

1720

01:05:52,150 --> 01:05:50,160

because there really is no other option

1721

01:05:54,710 --> 01:05:52,160

so uh yeah rather than yelling other

1722

01:05:56,950 --> 01:05:54,720

than yelling into a hurricane yeah there

1723

01:05:59,029 --> 01:05:56,960

are no other options you know like

1724

01:06:01,029 --> 01:05:59,039

this is this is these are the tools in

1725

01:06:03,029 --> 01:06:01,039

the in the system that has been put in

1726

01:06:05,589 --> 01:06:03,039

place they were put in long before any

1727

01:06:08,309 --> 01:06:05,599

of us got here and they'll run long

1728

01:06:11,349 --> 01:06:08,319

after we're gone and dust in the ground

1729

01:06:13,349 --> 01:06:11,359

um or different versions of it uh but

1730

01:06:16,230 --> 01:06:13,359

you know we gotta work with what we got

1731

01:06:17,349 --> 01:06:16,240

that's that's the best i can do

1732

01:06:18,789 --> 01:06:17,359

great

1733

01:06:20,069 --> 01:06:18,799

well good luck

1734

01:06:22,150 --> 01:06:20,079

be watching

1735

01:06:23,270 --> 01:06:22,160

cheering you on and uh thanks so much

1736

01:06:24,789 --> 01:06:23,280

for doing this

1737

01:06:27,589 --> 01:06:24,799

yeah absolutely it was an absolute

1738

01:06:29,430 --> 01:06:27,599

pleasure a very fun discussion

1739

01:06:32,390 --> 01:06:29,440

thanks again to lou for joining me today

1740

01:06:34,470 --> 01:06:32,400

on skeptico the one question i'd tee up

1741

01:06:37,109 --> 01:06:34,480

from this interview

1742

01:06:39,270 --> 01:06:37,119

is it possible that this thin veneer of

1743

01:06:42,069 --> 01:06:39,280

a story that's being offered up

1744

01:06:45,430 --> 01:06:42,079

regarding ufos in et

1745

01:06:48,150 --> 01:06:45,440

is really in the interest of the greater

1746

01:06:51,190 --> 01:06:48,160

good or at least the greater good of the

1747

01:06:53,349 --> 01:06:51,200

good old u.s of a

1748

01:06:55,829 --> 01:06:53,359

let me know your thoughts

1749

01:06:58,270 --> 01:06:55,839

and until next time take care

1750

01:07:11,800 --> 01:06:58,280

and bye for now
